Bold designs for troubled times.
Hard truths. Soft cotton.

1
00:00:37,650 --> 00:00:35,819
here we go our side shatters drink a

2
00:00:39,840 --> 00:00:37,660
little drink smoking a little smoke and

3
00:00:42,029 --> 00:00:39,850
swinging low Sweet Chariot in sunny San

4
00:00:43,560 --> 00:00:42,039
Diego I'm sure you know by now but I'm

5
00:00:45,900 --> 00:00:43,570
Greg Carl Wood and as we carefully

6
00:00:47,819 --> 00:00:45,910
compile and construct our big conspiracy

7
00:00:49,470 --> 00:00:47,829
puzzle from the minimal pieces the

8
00:00:50,400 --> 00:00:49,480
powerful puppet masters have let slip

9
00:00:52,410 --> 00:00:50,410
through the cracks

10
00:00:53,880 --> 00:00:52,420
we sometimes stumble upon a crucial

11
00:00:55,919 --> 00:00:53,890
component that brings us a deeper

12
00:00:57,090 --> 00:00:55,929
understanding and a newfound clarity on

13
00:00:58,919 --> 00:00:57,100

some of these themes we've been

14

00:01:00,810 --> 00:00:58,929

discussing for years and I think today

15

00:01:02,340 --> 00:01:00,820

could be one of those days because in

16

00:01:04,770 --> 00:01:02,350

the past few months one of the most

17

00:01:06,899 --> 00:01:04,780

requested topics has been an examination

18

00:01:08,520 --> 00:01:06,909

of the Rh negative blood type and the

19

00:01:10,289 --> 00:01:08,530

can of worms that comes with it the

20

00:01:12,420 --> 00:01:10,299

subject seems to be buried pretty deep

21

00:01:14,310 --> 00:01:12,430

within the conspiracy onion but I have

22

00:01:16,350 --> 00:01:14,320

found someone who's dedicated a large

23

00:01:17,910 --> 00:01:16,360

portion of his research to gathering

24

00:01:19,950 --> 00:01:17,920

information on this piece of the puzzle

25

00:01:21,840 --> 00:01:19,960

not only to better understand the broad

26

00:01:24,300 --> 00:01:21,850

picture but also to gain personal

27

00:01:26,550 --> 00:01:24,310

insights because of course he is one of

28

00:01:28,830 --> 00:01:26,560

these anomalous people himself he's the

29

00:01:30,870 --> 00:01:28,840

outlaw Jimmy Jones man behind outlaw

30

00:01:32,730 --> 00:01:30,880

Jimmy calm where you can find his

31

00:01:34,709 --> 00:01:32,740

research and writings on a whole host of

32

00:01:36,330 --> 00:01:34,719

conspiratorial topics and of a section

33

00:01:39,149 --> 00:01:36,340

dedicated to what he's learned about

34

00:01:40,649 --> 00:01:39,159

this rare Rh negative quality it's an

35

00:01:41,969 --> 00:01:40,659

interesting thread for sure and I'm

36

00:01:44,819 --> 00:01:41,979

honored to have him here to pull it

37

00:01:47,459 --> 00:01:44,829

Jimmy my man welcome to THC thanks for

38

00:01:49,289 --> 00:01:47,469

having me Greg yeah man I'm very excited

39

00:01:51,029 --> 00:01:49,299

this is going to be a lot of fun I know

40

00:01:52,649 --> 00:01:51,039

you haven't done a ton of interview so I

41

00:01:54,840 --> 00:01:52,659

really appreciate you taking the time to

42

00:01:56,999 --> 00:01:54,850

talk to me I think this is really

43

00:01:59,399 --> 00:01:57,009

interesting stuff that will probably be

44

00:02:00,480 --> 00:01:59,409

new for a lot of people and I guess to

45

00:02:02,130 --> 00:02:00,490

get the ball rolling here if you

46

00:02:03,660 --> 00:02:02,140

wouldn't mind can you kind of explain to

47

00:02:05,669 --> 00:02:03,670

the people what we're talking about when

48

00:02:08,460 --> 00:02:05,679

we say Rh negative blood type for those

49

00:02:10,950 --> 00:02:08,470

who haven't stumbled upon this yet but

50

00:02:14,250 --> 00:02:10,960

basically it's a spell as you know blood

51
00:02:15,510 --> 00:02:14,260
comes in groups you got a B [h__h] that not

52
00:02:16,190 --> 00:02:15,520
a lot of people know that there are

53
00:02:19,760 --> 00:02:16,200
positive

54
00:02:21,589 --> 00:02:19,770
and negative factors to this blood which

55
00:02:25,339 --> 00:02:21,599
means basically they're not in any way

56
00:02:26,930 --> 00:02:25,349
compatible you know for example the

57
00:02:28,729 --> 00:02:26,940
reasons negatives can donate their blood

58
00:02:30,860 --> 00:02:28,739
to anybody but if anybody today it's

59
00:02:33,410 --> 00:02:30,870
positive blood to an egg it'll basically

60
00:02:36,350 --> 00:02:33,420
making me really hear what kill them hmm

61
00:02:38,059 --> 00:02:36,360
and nobody can explain this scientists

62
00:02:40,130 --> 00:02:38,069
can't explain it in the medical business

63
00:02:43,040 --> 00:02:40,140

in America we can't explain it nobody

64

00:02:45,920 --> 00:02:43,050

can explain why this anomaly happens

65

00:02:48,350 --> 00:02:45,930

they all they say is it's an alien

66

00:02:50,800 --> 00:02:48,360

concept it just doesn't fit with any

67

00:02:55,820 --> 00:02:50,810

known genetics on this planet you know

68

00:02:58,220 --> 00:02:55,830

mm-hmm so our H stands for rhesus as in

69

00:03:00,380 --> 00:02:58,230

the rhesus monkey correct

70

00:03:02,690 --> 00:03:00,390

yeah correct this is the rhesus factor

71

00:03:05,240 --> 00:03:02,700

because he did he experimented on on

72

00:03:08,199 --> 00:03:05,250

rabbits and rhesus monkeys which is

73

00:03:10,789 --> 00:03:08,209

where they basically found it in 1937

74

00:03:12,289 --> 00:03:10,799

they discovered it from 1937 they were

75

00:03:15,080 --> 00:03:12,299

working on it to German scientists

76

00:03:16,550 --> 00:03:15,090

actually discovered it you officer okay

77

00:03:18,710 --> 00:03:16,560

call Alexander winder and Karl

78

00:03:20,270 --> 00:03:18,720

Landsteiner were working on it and they

79

00:03:21,680 --> 00:03:20,280

actually established it because uh up

80

00:03:25,009 --> 00:03:21,690

until that time there was a lot there

81

00:03:26,840 --> 00:03:25,019

there was a lot of children when the

82

00:03:28,819 --> 00:03:26,850

blue babies being born and they couldn't

83

00:03:31,610 --> 00:03:28,829

work out why so many children were born

84

00:03:34,220 --> 00:03:31,620

with a with this condition and it worked

85

00:03:36,190 --> 00:03:34,230

out that the it was a total

86

00:03:39,319 --> 00:03:36,200

incompatibility of blood types between

87

00:03:41,509 --> 00:03:39,329

nails with rhesus negatives and females

88

00:03:43,640 --> 00:03:41,519

with recent you know birth factors were

89

00:03:46,400 --> 00:03:43,650

different right and they just couldn't

90

00:03:49,729 --> 00:03:46,410

understand why human beings of the same

91

00:03:52,250 --> 00:03:49,739

species we're not compatible yeah that

92

00:03:53,780 --> 00:03:52,260

that is really odd so how did you come

93

00:03:56,780 --> 00:03:53,790

to discover you were one of these people

94

00:03:58,250 --> 00:03:56,790

in the club well from a very early age I

95

00:03:59,930 --> 00:03:58,260

realize I was different I thought

96

00:04:02,750 --> 00:03:59,940

differently I always thought outside the

97

00:04:04,610 --> 00:04:02,760

box my felt a bit of an outsider and you

98

00:04:06,140 --> 00:04:04,620

know I I pedaled over for many many

99

00:04:08,090 --> 00:04:06,150

years and when I finally actually

100

00:04:11,599 --> 00:04:08,100

donated blood same as you do in the US

101
00:04:13,400 --> 00:04:11,609
they actually told me then and they were

102
00:04:15,229 --> 00:04:13,410
sending for me to give blood like four

103
00:04:16,879 --> 00:04:15,239
or five six times a year and it was

104
00:04:19,219 --> 00:04:16,889
really stressed how important it was

105
00:04:22,190 --> 00:04:19,229
that they saw me and stuff and so I

106
00:04:24,290 --> 00:04:22,200
thought wow you know but nobody's

107
00:04:26,000 --> 00:04:24,300
normally twice a year but then you know

108
00:04:28,460 --> 00:04:26,010
some weird weird [h__\h] has started

109
00:04:29,810 --> 00:04:28,470
happening ever since I give blood

110
00:04:33,800 --> 00:04:29,820
basically

111
00:04:36,050 --> 00:04:33,810
Wow almost like I feel like we I've been

112
00:04:37,760 --> 00:04:36,060
targeted from a very early age for

113
00:04:39,710 --> 00:04:37,770

example if I can you know if I can

114

00:04:42,020 --> 00:04:39,720

allowed it not a bit absolutely yeah the

115

00:04:44,450 --> 00:04:42,030

personal story is probably an example of

116

00:04:46,580 --> 00:04:44,460

the larger picture for other people who

117

00:04:47,840 --> 00:04:46,590

have discovered they have this here they

118

00:04:50,570 --> 00:04:47,850

saw because the things that happened to

119

00:04:52,190 --> 00:04:50,580

me 30 years ago I'm finding now via the

120

00:04:54,290 --> 00:04:52,200

internet it happened to other people at

121

00:04:56,840 --> 00:04:54,300

the same blood type yeah yeah throughout

122

00:04:58,970 --> 00:04:56,850

the world I know for example on my

123

00:05:00,170 --> 00:04:58,980

Facebook page ninety five percent of the

124

00:05:02,750 --> 00:05:00,180

people who follow me Noah rhesus

125

00:05:05,270 --> 00:05:02,760

negative hmm without being asked they

126

00:05:07,520 --> 00:05:05,280

just automatically draw together you

127

00:05:08,900 --> 00:05:07,530

know yeah and it seems to be happening

128

00:05:10,220 --> 00:05:08,910

throughout the world these recent

129

00:05:11,570 --> 00:05:10,230

negatives are all coming together they

130

00:05:13,580 --> 00:05:11,580

can't understand why but they sort of

131

00:05:15,110 --> 00:05:13,590

neutrally attractively they think about

132

00:05:17,840 --> 00:05:15,120

the same things they see things the same

133

00:05:19,540 --> 00:05:17,850

way and just nobody else to see things

134

00:05:22,970 --> 00:05:19,550

in the same way they do is quite bizarre

135

00:05:24,860 --> 00:05:22,980

but then in in primary school in this

136

00:05:27,590 --> 00:05:24,870

country call it kindergarten in the US I

137

00:05:29,810 --> 00:05:27,600

believe yeah right this this is going to

138

00:05:32,990 --> 00:05:29,820

seem a bit way far out for some people

139

00:05:35,750 --> 00:05:33,000

like but it but it happened and I was

140

00:05:38,960 --> 00:05:35,760

round about four or five years old and

141

00:05:41,030 --> 00:05:38,970

three people came to the school and they

142

00:05:42,380 --> 00:05:41,040

selected two children from the school to

143

00:05:44,150 --> 00:05:42,390

go into a different room with them and

144

00:05:47,120 --> 00:05:44,160

they showed him a series of picture

145

00:05:50,570 --> 00:05:47,130

cards and basically they were asked what

146

00:05:52,850 --> 00:05:50,580

those pictures meant to them and that

147

00:05:54,230 --> 00:05:52,860

was it basically but I always remember

148

00:05:56,510 --> 00:05:54,240

it because one of the pictures was what

149

00:05:59,630 --> 00:05:56,520

net what we now perceived to be aliens

150

00:06:02,780 --> 00:05:59,640

they're great low grace yeah this was in

151
00:06:05,980 --> 00:06:02,790
1967 and I never ever heard anything

152
00:06:10,160 --> 00:06:05,990
about it ever again and the other person

153
00:06:11,930 --> 00:06:10,170
who is actually selected was quite of

154
00:06:13,400 --> 00:06:11,940
actually calling contact with sense and

155
00:06:14,780 --> 00:06:13,410
said yeah well turns out they're rhesus

156
00:06:18,320 --> 00:06:14,790
negative as well but I've told this

157
00:06:20,720 --> 00:06:18,330
story to so many people and people have

158
00:06:22,970 --> 00:06:20,730
said well yeah that happened to me hmm

159
00:06:25,190 --> 00:06:22,980
exactly the same way these three people

160
00:06:27,890 --> 00:06:25,200
dressed in black even up dark glasses on

161
00:06:31,190 --> 00:06:27,900
we taught in the sixties mind you it's

162
00:06:33,620 --> 00:06:31,200
randomly selected less than a dozen

163
00:06:37,190 --> 00:06:33,630

children from the whole school and given

164

00:06:38,510 --> 00:06:37,200

these these cards to look at and mark

165

00:06:41,659 --> 00:06:38,520

their answers and that was it they never

166

00:06:43,640 --> 00:06:41,669

you know more of it and all those people

167

00:06:45,290 --> 00:06:43,650

every one of them I've spoken to about

168

00:06:48,490 --> 00:06:45,300

Sappington feel like they've been

169

00:06:51,290 --> 00:06:48,500

targeted throughout their lives Wow so

170

00:06:54,080 --> 00:06:51,300

something's changed after you gave blood

171

00:06:56,029 --> 00:06:54,090

what did once you found out you gave

172

00:06:58,219 --> 00:06:56,039

blood and you found out you were rhesus

173

00:07:00,770 --> 00:06:58,229

negative what happened from that point

174

00:07:02,570 --> 00:07:00,780

anything significant yeah I started

175

00:07:05,420 --> 00:07:02,580

getting a lot of attention from the

176

00:07:07,460 --> 00:07:05,430

authorities and I lost my job I just I

177

00:07:10,219 --> 00:07:07,470

was suddenly dismissed from my job Wow

178

00:07:11,960 --> 00:07:10,229

and then I kept getting picked up when I

179

00:07:13,879 --> 00:07:11,970

was driving I kept getting you know just

180

00:07:15,620 --> 00:07:13,889

picked up and searched and arrested for

181

00:07:17,719 --> 00:07:15,630

no apparent reason I let go this

182

00:07:20,029 --> 00:07:17,729

happened for about a year solidly and

183

00:07:22,700 --> 00:07:20,039

like every time you know I applied for

184

00:07:24,500 --> 00:07:22,710

work I was always turned or like even

185

00:07:26,540 --> 00:07:24,510

when I tried to find a flat or a house

186

00:07:28,219 --> 00:07:26,550

an apartment it was always like Jess

187

00:07:29,840 --> 00:07:28,229

Carla we can't help you today it was

188

00:07:32,390 --> 00:07:29,850

almost like we were I was totally

189

00:07:36,350 --> 00:07:32,400

shunned wherever I went it was quite

190

00:07:39,350 --> 00:07:36,360

quite bizarre damn so what percentage of

191

00:07:41,300 --> 00:07:39,360

the population is reasons negative well

192

00:07:43,520 --> 00:07:41,310

if you listen to the official figures

193

00:07:45,920 --> 00:07:43,530

they say 15% but there's no way anywhere

194

00:07:49,040 --> 00:07:45,930

near that it's more like 7% of the

195

00:07:51,439 --> 00:07:49,050

world's population Wow so if there is an

196

00:07:54,140 --> 00:07:51,449

orchestrated campaign against these

197

00:07:55,820 --> 00:07:54,150

people it would only be affecting 7% of

198

00:07:59,930 --> 00:07:55,830

the population so it could kind of go

199

00:08:01,610 --> 00:07:59,940

under the radar absolutely mmm because

200

00:08:03,080 --> 00:08:01,620

there's a hell of a lot of things coming

201
00:08:04,670 --> 00:08:03,090
the light now you know with thank God

202
00:08:06,320 --> 00:08:04,680
for the internet which is basically the

203
00:08:07,700 --> 00:08:06,330
powers that be is worst nightmare

204
00:08:09,200 --> 00:08:07,710
because people are now getting together

205
00:08:11,390 --> 00:08:09,210
is shared information that they would

206
00:08:13,490 --> 00:08:11,400
have no I been able to access before you

207
00:08:16,610 --> 00:08:13,500
know right and the stuff that's coming

208
00:08:18,290 --> 00:08:16,620
to me now is basically rubber-stamp in

209
00:08:19,879 --> 00:08:18,300
everything that I've been looking into

210
00:08:20,719 --> 00:08:19,889
for last 30 years and it's it's

211
00:08:23,000 --> 00:08:20,729
everywhere

212
00:08:24,710 --> 00:08:23,010
and it's people have in the same

213
00:08:26,390 --> 00:08:24,720

experiences they're even having the same

214

00:08:27,950 --> 00:08:26,400

thoughts the same dreams that I'm you

215

00:08:31,610 --> 00:08:27,960

know you even got the same sort of

216

00:08:35,990 --> 00:08:31,620

friends and it's it's really really

217

00:08:38,060 --> 00:08:36,000

strange and to someone who isn't of that

218

00:08:39,589 --> 00:08:38,070

type it's very difficult to understand

219

00:08:41,360 --> 00:08:39,599

it's almost as if you people say oh

220

00:08:43,880 --> 00:08:41,370

you're mad you know this um you know

221

00:08:45,860 --> 00:08:43,890

which is the classic attack isn't it

222

00:08:47,630 --> 00:08:45,870

right yeah you're saying you know

223

00:08:50,630 --> 00:08:47,640

classic distraction from the real

224

00:08:52,460 --> 00:08:50,640

situation um so let's talk about the

225

00:08:54,710 --> 00:08:52,470

characteristics or the differences

226

00:08:57,050 --> 00:08:54,720

between rh- people and the rest of us

227

00:08:59,090 --> 00:08:57,060

what sets you guys apart

228

00:09:01,430 --> 00:08:59,100

well physically not Allah possible

229

00:09:03,500 --> 00:09:01,440

noggin extra ribs extra ribs yeah I've

230

00:09:08,150 --> 00:09:03,510

heard extra vertebrae - is that true

231

00:09:09,320 --> 00:09:08,160

extra vertebrae I know this is not in

232

00:09:10,900 --> 00:09:09,330

particular but it's higher than the

233

00:09:13,430 --> 00:09:10,910

average IQ

234

00:09:15,200 --> 00:09:13,440

anomaly off the scale on most IQ tests

235

00:09:18,050 --> 00:09:15,210

so they got very very heightened senses

236

00:09:20,990 --> 00:09:18,060

yeah mm-hmm they normally got poor

237

00:09:24,740 --> 00:09:21,000

eyesight but extremely powerful here and

238

00:09:26,540 --> 00:09:24,750

interesting they are we always if we

239

00:09:28,340 --> 00:09:26,550

have any medical examinations we always

240

00:09:34,310 --> 00:09:28,350

show at lower body temperature lower

241

00:09:37,370 --> 00:09:34,320

blood pressure 99.9% of them either got

242

00:09:40,220 --> 00:09:37,380

blue green or hazel eyes all of them

243

00:09:43,400 --> 00:09:40,230

I've got red hair very sensitive to

244

00:09:45,050 --> 00:09:43,410

light and heat and they've all recorded

245

00:09:47,180 --> 00:09:45,060

instance where they've seen UFOs or

246

00:09:50,890 --> 00:09:47,190

about some sort of visitation in their

247

00:09:53,360 --> 00:09:50,900

life Wow all of them have reddish hair

248

00:09:55,160 --> 00:09:53,370

yeah already straight yeah yeah

249

00:09:56,930 --> 00:09:55,170

absolutely which is the main problem

250

00:09:58,160 --> 00:09:56,940

really because as you know red hair has

251
00:10:01,070 --> 00:09:58,170
always been demonized throughout history

252
00:10:03,440 --> 00:10:01,080
yeah mm-hmm if you go back to prehistory

253
00:10:06,850 --> 00:10:03,450
because this research negative goes back

254
00:10:09,980 --> 00:10:06,860
to Rama sees ya Rama sees in Egypt

255
00:10:13,730 --> 00:10:09,990
because he was the first recorded person

256
00:10:15,770 --> 00:10:13,740
as I've been red hair and before the

257
00:10:19,400 --> 00:10:15,780
powers that be sort of got the photo lid

258
00:10:21,740 --> 00:10:19,410
to everything they were mankind as a

259
00:10:23,180 --> 00:10:21,750
race were very very very peaceful nation

260
00:10:26,570 --> 00:10:23,190
you know they they lived in harmony with

261
00:10:28,790 --> 00:10:26,580
nature and you know they were quite

262
00:10:32,600 --> 00:10:28,800
quite good but he worshiped down the

263
00:10:35,090 --> 00:10:32,610

female everything see then everything

264

00:10:37,100 --> 00:10:35,100

was created around the female and even

265

00:10:40,190 --> 00:10:37,110

used the calendar was thirteen months

266

00:10:42,200 --> 00:10:40,200

locked 12 yeah right some people got

267

00:10:44,000 --> 00:10:42,210

they weren't happy with that because

268

00:10:45,320 --> 00:10:44,010

they realized the women were in tune

269

00:10:47,390 --> 00:10:45,330

with the moon the lunar this is where

270

00:10:49,340 --> 00:10:47,400

the lunar calendar came in yeah and

271

00:10:51,320 --> 00:10:49,350

everything found out was thirteen months

272

00:10:55,850 --> 00:10:51,330

which also is also the menstruation

273

00:10:58,340 --> 00:10:55,860

cycle of a woman's 13 months hmm and so

274

00:11:00,170 --> 00:10:58,350

obviously that was a bit much for people

275

00:11:02,180 --> 00:11:00,180

so they basically started demonized and

276

00:11:03,980 --> 00:11:02,190

they started bringing the men forward

277

00:11:05,690 --> 00:11:03,990

and they changed the calendars back to

278

00:11:07,520 --> 00:11:05,700

12 months and then thirteen actually

279

00:11:08,870 --> 00:11:07,530

became an evil number still and lucky to

280

00:11:11,840 --> 00:11:08,880

this day yeah

281

00:11:13,460 --> 00:11:11,850

Wow and us that was when they started

282

00:11:15,380 --> 00:11:13,470

targeting the red head people because

283

00:11:16,760 --> 00:11:15,390

the red head people were the seers they

284

00:11:19,460 --> 00:11:16,770

were the healers they were the teachers

285

00:11:21,530 --> 00:11:19,470

so they become pushed out slowly over to

286

00:11:23,300 --> 00:11:21,540

over generations this is why the red

287

00:11:25,220 --> 00:11:23,310

hair became very unpopular it's almost

288

00:11:26,210 --> 00:11:25,230

it's almost insult in this country now

289

00:11:28,670 --> 00:11:26,220

to have red hair

290

00:11:30,470 --> 00:11:28,680

this is born back to Rama Caesar they

291

00:11:32,800 --> 00:11:30,480

were always always demonized because of

292

00:11:36,950 --> 00:11:32,810

the powers they held within them and all

293

00:11:39,470 --> 00:11:36,960

rhesus negatives I've read hair or you

294

00:11:41,900 --> 00:11:39,480

know they prone to red hair interesting

295

00:11:43,310 --> 00:11:41,910

so talking about like where this might

296

00:11:45,590 --> 00:11:43,320

have started has anyone been able to

297

00:11:49,030 --> 00:11:45,600

trace the Rh negative blood line back to

298

00:11:51,700 --> 00:11:49,040

any specific geographical locations um

299

00:11:54,770 --> 00:11:51,710

geographic location yeah the Middle East

300

00:11:56,570 --> 00:11:54,780

basically the Middle East but all that

301
00:11:57,530 --> 00:11:56,580
site because I've even have signed you

302
00:11:59,180 --> 00:11:57,540
know I've been attacked with

303
00:12:01,280 --> 00:11:59,190
hematologist you know we we talking no

304
00:12:02,750 --> 00:12:01,290
professors really really top people in

305
00:12:04,760 --> 00:12:02,760
their field and basically all they will

306
00:12:06,350 --> 00:12:04,770
say they'll only commit themselves to

307
00:12:10,070 --> 00:12:06,360
rhesus negative only appeared on the

308
00:12:11,870 --> 00:12:10,080
30,000 years ago hmm there's no trace

309
00:12:16,970 --> 00:12:11,880
good before them and they don't know

310
00:12:18,890 --> 00:12:16,980
what it came from but the the main train

311
00:12:20,900 --> 00:12:18,900
of thought at the moment is basically

312
00:12:24,800 --> 00:12:20,910
that it came from one of the Lost Tribes

313
00:12:28,310 --> 00:12:24,810

of Israel interesting tribe of dap sorry

314

00:12:31,280 --> 00:12:28,320

what was that the tribe of Dan the tribe

315

00:12:33,640 --> 00:12:31,290

of Dan yeah they were one of the Lost

316

00:12:39,080 --> 00:12:33,650

Tribes is there any connection to the

317

00:12:41,510 --> 00:12:39,090

Khazar Ian's absolutely and and you know

318

00:12:43,580 --> 00:12:41,520

the story of Cain and Abel yeah yeah

319

00:12:46,550 --> 00:12:43,590

well because they owe them there was a

320

00:12:48,980 --> 00:12:46,560

saw something when Cain was cast out he

321

00:12:51,050 --> 00:12:48,990

became part of the tribe of Dan and he

322

00:12:52,730 --> 00:12:51,060

was given the mark an indelible mark on

323

00:12:55,330 --> 00:12:52,740

him that would mark him out wherever he

324

00:12:57,650 --> 00:12:55,340

went he would leave a mark here the

325

00:12:59,330 --> 00:12:57,660

marker of the fibril down is the red

326

00:13:01,880 --> 00:12:59,340

hair the wrists negative blood type yeah

327

00:13:07,430 --> 00:13:01,890

it's also known as the marker of the new

328

00:13:09,170 --> 00:13:07,440

Jew hmm because even going back in the

329

00:13:10,820 --> 00:13:09,180

middle of last century we all know about

330

00:13:13,370 --> 00:13:10,830

the second world war not on Hitler

331

00:13:15,550 --> 00:13:13,380

targeting the Jewish people Yeah right

332

00:13:20,090 --> 00:13:15,560

people think he was targeting the Jews

333

00:13:22,700 --> 00:13:20,100

for the religion he wasn't from what I

334

00:13:25,060 --> 00:13:22,710

found out he was actually targeting

335

00:13:28,070 --> 00:13:25,070

the blood group the reasons negative

336

00:13:30,650 --> 00:13:28,080

because he wanted a pure Aryan racial

337

00:13:32,269 --> 00:13:30,660

yeah and the rhesus negatives

338

00:13:33,560 --> 00:13:32,279

just didn't fit in with what he was

339

00:13:36,200 --> 00:13:33,570

planning to use targeting the blood

340

00:13:38,000 --> 00:13:36,210

groups it's been known because most I

341

00:13:39,860 --> 00:13:38,010

think the majority of genuine proper

342

00:13:43,670 --> 00:13:39,870

cassava and Jewish people are rhesus

343

00:13:45,620 --> 00:13:43,680

negative how man which takes a lot into

344

00:13:49,340 --> 00:13:45,630

the thirteen William families there's no

345

00:13:51,579 --> 00:13:49,350

yeah this would all be Snagit if this

346

00:13:53,600 --> 00:13:51,589

connects to a lot of different things

347

00:13:56,329 --> 00:13:53,610

something we've been talking about a lot

348

00:13:58,490 --> 00:13:56,339

lately is how in the ancient past the

349

00:14:01,250 --> 00:13:58,500

calendars have been messed around with

350

00:14:03,260 --> 00:14:01,260

yet to kind of get us out of sync and

351

00:14:06,410 --> 00:14:03,270

now here we are talking about you know

352

00:14:08,570 --> 00:14:06,420

having a more female-oriented cycle yeah

353

00:14:10,220 --> 00:14:08,580

more in tune with nature and then

354

00:14:12,110 --> 00:14:10,230

stamping that out which seems to be the

355

00:14:13,820 --> 00:14:12,120

case and it's happening today

356

00:14:15,230 --> 00:14:13,830

you know you got the ruling families got

357

00:14:17,210 --> 00:14:15,240

the Oscar the Bundy's ecologies

358

00:14:19,010 --> 00:14:17,220

Rockefellers Rothschild abounding the

359

00:14:20,930 --> 00:14:19,020

leaves the Kennedys at all the same

360

00:14:22,670 --> 00:14:20,940

blood group yeah mm-hmm they will not

361

00:14:25,070 --> 00:14:22,680

marry outside they will not even breed

362

00:14:27,860 --> 00:14:25,080

outside their own blood type general

363

00:14:29,240 --> 00:14:27,870

mean yeah yeah like you said like most

364

00:14:30,949 --> 00:14:29,250

people think that's racist but that's

365

00:14:32,540 --> 00:14:30,959

not that's that's called racial purity

366

00:14:34,640 --> 00:14:32,550

right it's nothing to do with race it's

367

00:14:36,260 --> 00:14:34,650

another blood same same with the Red

368

00:14:37,670 --> 00:14:36,270

Indians in your country you know the old

369

00:14:38,329 --> 00:14:37,680

blood brothers you know you know what I

370

00:14:41,090 --> 00:14:38,339

was about

371

00:14:43,460 --> 00:14:41,100

mmm-hmm well because basically it's a

372

00:14:44,900 --> 00:14:43,470

very strange and concept and no doubt

373

00:14:46,460 --> 00:14:44,910

people will disagree with this but I've

374

00:14:48,850 --> 00:14:46,470

actually done this myself

375

00:14:52,130 --> 00:14:48,860

the the the Red Indians used to

376

00:14:53,960 --> 00:14:52,140

recognize each other is the slash across

377

00:14:56,990 --> 00:14:53,970

their hand and shake hands and they used

378

00:14:59,210 --> 00:14:57,000

to look at the blood yeah mm-hmm if the

379

00:15:01,250 --> 00:14:59,220

blood separated they weren't of the same

380

00:15:03,350 --> 00:15:01,260

tribe and that's the property of rhesus

381

00:15:04,790 --> 00:15:03,360

negative blood it will not mix even in a

382

00:15:07,040 --> 00:15:04,800

petri dish it will not mix it up

383

00:15:10,280 --> 00:15:07,050

separate from rhesus positive blood

384

00:15:12,890 --> 00:15:10,290

that's how they recognize each other Wow

385

00:15:15,050 --> 00:15:12,900

wow I never knew that remember the film

386

00:15:16,579 --> 00:15:15,060

the thing remember with that Kurt

387

00:15:17,870 --> 00:15:16,589

Russell mm-hm when they were doing the

388

00:15:20,240 --> 00:15:17,880

experiments with the blood and put the

389

00:15:23,810 --> 00:15:20,250

hot needle and the blood jumped out yeah

390

00:15:25,069 --> 00:15:23,820

is that is what is based on yeah that's

391

00:15:27,199 --> 00:15:25,079

why you said it was an alien because

392

00:15:30,880 --> 00:15:27,209

this is a and it's it's it doesn't fit

393

00:15:33,230 --> 00:15:30,890

any any Eva logical pop no in North

394

00:15:35,480 --> 00:15:33,240

evolution doesn't fit any evolutionary

395

00:15:36,020 --> 00:15:35,490

trade whatsoever they cannot is nor else

396

00:15:37,880 --> 00:15:36,030

nor

397

00:15:42,440 --> 00:15:37,890

animal or other plant nothing in nature

398

00:15:44,000 --> 00:15:42,450

fits it totally what are the top

399

00:15:45,770 --> 00:15:44,010

scientists in the UK has actually told

400

00:15:47,150 --> 00:15:45,780

me it's an alien concept he cannot

401
00:15:49,730 --> 00:15:47,160
explain the only thing you can say oh

402
00:15:51,110 --> 00:15:49,740
it's alien to this planet ha ha ha he

403
00:15:54,290 --> 00:15:51,120
will not elaborate on that but that's

404
00:15:56,150 --> 00:15:54,300
all he would say so there's a fit I mean

405
00:15:58,700 --> 00:15:56,160
this Indian tradition some of these

406
00:16:01,280 --> 00:15:58,710
older ideas it seems like there was a

407
00:16:02,990 --> 00:16:01,290
time where people were more clued into

408
00:16:05,960 --> 00:16:03,000
this information and that it had a

409
00:16:07,490 --> 00:16:05,970
significant purpose and recognizing the

410
00:16:08,180 --> 00:16:07,500
blood types of your tribe do you think

411
00:16:11,090 --> 00:16:08,190
that's true

412
00:16:14,690 --> 00:16:11,100
oh absolutely yeah this is it was a

413
00:16:17,000 --> 00:16:14,700

marvelous is it because you could I told

414

00:16:19,460 --> 00:16:17,010

you to read your Bible because the Bible

415

00:16:21,350 --> 00:16:19,470

a lot of it is obviously yeah hokum but

416

00:16:22,850 --> 00:16:21,360

a lot of it is actually based on these

417

00:16:25,670 --> 00:16:22,860

ancient legends you know especially

418

00:16:27,820 --> 00:16:25,680

because like especially in the beginning

419

00:16:31,730 --> 00:16:27,830

in Genesis where it says that the the

420

00:16:34,760 --> 00:16:31,740

gods did because the actual wording of

421

00:16:39,050 --> 00:16:34,770

the Bible wasn't God it was God's plural

422

00:16:41,810 --> 00:16:39,060

yeah and they they believed that there

423

00:16:43,940 --> 00:16:41,820

was a species on this planet before man

424

00:16:47,240 --> 00:16:43,950

for man come and they were created

425

00:16:49,190 --> 00:16:47,250

almost like genetically right for some

426

00:16:52,430 --> 00:16:49,200

purpose and they were actually interbred

427

00:16:54,170 --> 00:16:52,440

with these gods they were it wasn't a

428

00:16:55,970 --> 00:16:54,180

guard he was the cause that's what the

429

00:16:57,770 --> 00:16:55,980

Bible is basically check knew away from

430

00:17:00,110 --> 00:16:57,780

is tell you this one God one religion

431

00:17:01,880 --> 00:17:00,120

but it's not these gods were they were

432

00:17:03,200 --> 00:17:01,890

unlocked and different you know this is

433

00:17:05,540 --> 00:17:03,210

where all the colors in the world come

434

00:17:07,580 --> 00:17:05,550

from because when these things were were

435

00:17:09,380 --> 00:17:07,590

actually engineered they weren't all the

436

00:17:10,700 --> 00:17:09,390

same design they were they will know

437

00:17:13,370 --> 00:17:10,710

they were all different colors and

438

00:17:15,080 --> 00:17:13,380

shapes and how else's you know ah nobody

439

00:17:16,730 --> 00:17:15,090

can ever explain why why there's so many

440

00:17:18,980 --> 00:17:16,740

different colors on the planet and it's

441

00:17:21,860 --> 00:17:18,990

basically because they were all all

442

00:17:25,400 --> 00:17:21,870

modeled on what was here first you know

443

00:17:28,790 --> 00:17:25,410

right yeah I mean I guess it does jive

444

00:17:31,460 --> 00:17:28,800

with the ancient aliens theory yeah why

445

00:17:34,100 --> 00:17:31,470

the rhesus negative anomaly do you think

446

00:17:37,750 --> 00:17:34,110

that was a one that has more Anunnaki

447

00:17:39,730 --> 00:17:37,760

blood or more of this creators blood oh

448

00:17:42,640 --> 00:17:39,740

whoa

449

00:17:44,260 --> 00:17:42,650

the gods the create work the earthly

450

00:17:46,360 --> 00:17:44,270

column gods by don't think because they

451
00:17:47,980 --> 00:17:46,370
are creators they were they were erased

452
00:17:50,500 --> 00:17:47,990
you know because well there's so much

453
00:17:52,450 --> 00:17:50,510
evidence that in ancient history and is

454
00:17:54,130 --> 00:17:52,460
there's archaeological against and

455
00:17:56,350 --> 00:17:54,140
evidence to prove that man has been on

456
00:17:58,240 --> 00:17:56,360
this planet a lot longer and what people

457
00:18:01,330 --> 00:17:58,250
are telling us yeah right so there was a

458
00:18:03,550 --> 00:18:01,340
civilized nation far far way before the

459
00:18:07,240 --> 00:18:03,560
institutions we talking thousands of

460
00:18:10,030 --> 00:18:07,250
millennia backwards and because Egypt is

461
00:18:12,100 --> 00:18:10,040
where the key of everything is yeah hmm

462
00:18:13,960 --> 00:18:12,110
absolutely because that is basically

463
00:18:18,340 --> 00:18:13,970

where all all the knowledge of the world

464

00:18:20,770 --> 00:18:18,350

is emanated from from that part of the

465

00:18:22,630 --> 00:18:20,780

world yeah you know it's because they're

466

00:18:24,220 --> 00:18:22,640

like even God King got you got the US

467

00:18:27,310 --> 00:18:24,230

army and you got the British Army no a

468

00:18:29,110 --> 00:18:27,320

sort of storming into into Iraq yeah hmm

469

00:18:30,610 --> 00:18:29,120

and the thing they're not telling people

470

00:18:33,430 --> 00:18:30,620

is the fact that there's something in

471

00:18:36,580 --> 00:18:33,440

Iraq that they want and it's nothing to

472

00:18:39,280 --> 00:18:36,590

do with oil they have found something

473

00:18:42,160 --> 00:18:39,290

there that there is no way they can

474

00:18:43,600 --> 00:18:42,170

allow it to be to come they you know

475

00:18:46,270 --> 00:18:43,610

they found something as resembling

476

00:18:48,640 --> 00:18:46,280

almost a Stargate yeah right I've heard

477

00:18:50,200 --> 00:18:48,650

that and that's what they're there to

478

00:18:52,360 --> 00:18:50,210

protect because they know that is the

479

00:18:54,520 --> 00:18:52,370

difficult because people think you know

480

00:18:57,220 --> 00:18:54,530

flying saucers in the air now a lot of

481

00:19:00,150 --> 00:18:57,230

that is [h__h] yeah mm-hmm but there

482

00:19:03,400 --> 00:19:00,160

is interdimensional things going on yeah

483

00:19:05,110 --> 00:19:03,410

right and you had mentioned that it

484

00:19:07,000 --> 00:19:05,120

seems like all the Reese's negative

485

00:19:09,030 --> 00:19:07,010

people experienced the alien abduction

486

00:19:12,130 --> 00:19:09,040

phenomenon or have some interaction with

487

00:19:15,130 --> 00:19:12,140

something non-human absolutely yeah they

488

00:19:16,750 --> 00:19:15,140

they almost like as children because a

489

00:19:18,070 --> 00:19:16,760

lot of us remember as children having

490

00:19:19,510 --> 00:19:18,080

visitors in the night and they were

491

00:19:20,770 --> 00:19:19,520

friendly they were benign they were

492

00:19:21,790 --> 00:19:20,780

there they were Watchers they were they

493

00:19:24,040 --> 00:19:21,800

were guides they weren't anything

494

00:19:25,690 --> 00:19:24,050

horrible they were they were they were

495

00:19:28,090 --> 00:19:25,700

Watchers and they didn't resemble him

496

00:19:31,150 --> 00:19:28,100

they were human human shaped but they

497

00:19:32,380 --> 00:19:31,160

weren't human and most recent actives

498

00:19:32,950 --> 00:19:32,390

have probably seen these throughout

499

00:19:36,370 --> 00:19:32,960

their lives

500

00:19:38,050 --> 00:19:36,380

and they they slip in and slip out of oh

501
00:19:39,550 --> 00:19:38,060
you know they just slip in a step out

502
00:19:41,350 --> 00:19:39,560
they don't use doors or windows he just

503
00:19:43,210 --> 00:19:41,360
say pin and slip out and they come in

504
00:19:45,910 --> 00:19:43,220
through various portals float throughout

505
00:19:48,810 --> 00:19:45,920
the world yeah mm-hmm these are the

506
00:19:50,710 --> 00:19:48,820
creators they are the ones who actually

507
00:19:52,840 --> 00:19:50,720
responsible for everything they they

508
00:19:54,430 --> 00:19:52,850
they made us now are they

509
00:19:57,070 --> 00:19:54,440
the Grays order the grades just kind of

510
00:19:58,900 --> 00:19:57,080
work for them it glaze the policy in my

511
00:20:00,930 --> 00:19:58,910
opinion I don't see the grades or

512
00:20:03,970 --> 00:20:00,940
actually yeah that came up after Roswell

513
00:20:05,860 --> 00:20:03,980

because the Roswell incident was you

514

00:20:08,110 --> 00:20:05,870

know he was this is his stuff coming out

515

00:20:09,700 --> 00:20:08,120

hopefully very soon about Roswell to

516

00:20:12,160 --> 00:20:09,710

show that the whole thing was basically

517

00:20:16,030 --> 00:20:12,170

a gift the Roswell craft was a gift to

518

00:20:19,000 --> 00:20:16,040

humanity yeah mm-hmm to say look this is

519

00:20:21,370 --> 00:20:19,010

who we are but you must let the world

520

00:20:23,500 --> 00:20:21,380

know who we are you will suffer the

521

00:20:24,940 --> 00:20:23,510

consequences because then the craft was

522

00:20:27,130 --> 00:20:24,950

discovered wasn't actually discovered in

523

00:20:28,660 --> 00:20:27,140

Roswell was it it was discovered in a

524

00:20:30,450 --> 00:20:28,670

little town called truth of consequence

525

00:20:32,770 --> 00:20:30,460

that the town was named after it and

526

00:20:34,900 --> 00:20:32,780

because the American government decided

527

00:20:37,330 --> 00:20:34,910

to hide away everything or not release

528

00:20:39,730 --> 00:20:37,340

it said it was a weather balloon he

529

00:20:41,800 --> 00:20:39,740

learns now of now got to face the

530

00:20:43,720 --> 00:20:41,810

consequences of keeping it a secret and

531

00:20:46,660 --> 00:20:43,730

within the next probably in my lifetime

532

00:20:48,960 --> 00:20:46,670

on yours Greg we will know where we came

533

00:20:51,070 --> 00:20:48,970

from that would be amazing of course

534

00:20:53,380 --> 00:20:51,080

every week we're trying to get a little

535

00:20:55,450 --> 00:20:53,390

closer to that truth

536

00:20:58,780 --> 00:20:55,460

and I think this rhesus negative thing

537

00:21:00,820 --> 00:20:58,790

is a big piece of the puzzle I'm really

538

00:21:02,860 --> 00:21:00,830

curious about these lifelong campaigns

539

00:21:04,750 --> 00:21:02,870

of interactions with some kind of

540

00:21:07,450 --> 00:21:04,760

Watchers I mean do you think this is a

541

00:21:10,000 --> 00:21:07,460

separate campaign from what say the

542

00:21:11,650 --> 00:21:10,010

governments and the elite are doing or

543

00:21:15,400 --> 00:21:11,660

are they working in conjunction or

544

00:21:17,020 --> 00:21:15,410

opposition the watch is a good the watch

545

00:21:20,230 --> 00:21:17,030

is a year these actually they've

546

00:21:22,270 --> 00:21:20,240

actually sent people when I say I say to

547

00:21:23,830 --> 00:21:22,280

the planet they've they're from the

548

00:21:25,090 --> 00:21:23,840

planet they're not though they're from a

549

00:21:28,420 --> 00:21:25,100

different dimension of the planet

550

00:21:30,430 --> 00:21:28,430

they've actually sent a race of children

551
00:21:32,650 --> 00:21:30,440
they done it throughout history is

552
00:21:34,390 --> 00:21:32,660
started off in in the 1900s of the last

553
00:21:35,980 --> 00:21:34,400
the last crop were born

554
00:21:38,680 --> 00:21:35,990
Rhonda both 2000s called the star

555
00:21:40,990 --> 00:21:38,690
children yeah I'm basically there year

556
00:21:43,810 --> 00:21:41,000
to to balance to restore the balance to

557
00:21:46,030 --> 00:21:43,820
the planet yeah and these kids are all

558
00:21:47,380 --> 00:21:46,040
been diagnosed with very because if you

559
00:21:48,910 --> 00:21:47,390
notice I don't know what it's like in

560
00:21:50,590 --> 00:21:48,920
the US but in in this country we've

561
00:21:52,990 --> 00:21:50,600
we've got an active epidemic of

562
00:21:55,600 --> 00:21:53,000
something called ADHD yeah yes let's say

563
00:21:57,550 --> 00:21:55,610

that yeah and these most of those

564

00:21:59,650 --> 00:21:57,560

children are these star children and

565

00:22:01,480 --> 00:21:59,660

they basically demonizing a categorized

566

00:22:03,700 --> 00:22:01,490

mass of these mental problems because

567

00:22:04,960 --> 00:22:03,710

they don't they don't behave as normal

568

00:22:07,210 --> 00:22:04,970

children Duryea

569

00:22:10,090 --> 00:22:07,220

I've heard of indigo kids is also a term

570

00:22:11,080 --> 00:22:10,100

I think used for that indigo kids yeah I

571

00:22:12,640 --> 00:22:11,090

yeah

572

00:22:14,289 --> 00:22:12,650

much the same thing but it's alternately

573

00:22:16,480 --> 00:22:14,299

they come in different for the massive

574

00:22:19,000 --> 00:22:16,490

massive wave come over in the 1960s I

575

00:22:22,360 --> 00:22:19,010

mean there were thousands upon thousands

576

00:22:24,039 --> 00:22:22,370

of children being born and all of these

577

00:22:25,539 --> 00:22:24,049

children tomorrow don't believe that

578

00:22:28,419 --> 00:22:25,549

their parents or their parents they feel

579

00:22:29,950 --> 00:22:28,429

like they're not from this planet and

580

00:22:31,779 --> 00:22:29,960

they basically cannot relate to anybody

581

00:22:33,430 --> 00:22:31,789

in their own family they don't feel they

582

00:22:34,630 --> 00:22:33,440

belong there but it's thousands these

583

00:22:37,000 --> 00:22:34,640

show they're now adults they're in their

584

00:22:38,620 --> 00:22:37,010

40s and 50s throughout the world and

585

00:22:40,570 --> 00:22:38,630

they're now all getting together and

586

00:22:43,000 --> 00:22:40,580

thinking wow so I'm not unusual this

587

00:22:44,110 --> 00:22:43,010

happened to other people and it's a hell

588

00:22:46,390 --> 00:22:44,120

of a lot of people coming together I

589

00:22:48,669 --> 00:22:46,400

think this is what they're talking about

590

00:22:50,289 --> 00:22:48,679

the great revelation no this this is is

591

00:22:52,240 --> 00:22:50,299

coming and the powers that be are

592

00:22:54,820 --> 00:22:52,250

absolutely going berserk trying to stop

593

00:22:56,320 --> 00:22:54,830

it yeah is a Swiper

594

00:22:58,690 --> 00:22:56,330

this is enlightenment forget about

595

00:23:00,909 --> 00:22:58,700

heaven and hell and the God in the Bible

596

00:23:03,669 --> 00:23:00,919

this is real real enlightenment

597

00:23:05,950 --> 00:23:03,679

well surd and a lot of people who are

598

00:23:08,860 --> 00:23:05,960

writing about this this rhesus negative

599

00:23:11,080 --> 00:23:08,870

issue they also bring up fertility

600

00:23:14,289 --> 00:23:11,090

between the negative and the positive

601
00:23:15,549 --> 00:23:14,299
blood type people which is kind of

602
00:23:17,680 --> 00:23:15,559
important because a lot of this is about

603
00:23:21,340 --> 00:23:17,690
genetics and bloodlines yeah is there

604
00:23:23,529 --> 00:23:21,350
any significant issues with breeding

605
00:23:26,350 --> 00:23:23,539
between the blood types of negative and

606
00:23:28,299 --> 00:23:26,360
positive to negatives no problem at all

607
00:23:31,000 --> 00:23:28,309
they can have as many kids they want

608
00:23:34,419 --> 00:23:31,010
with very with no problems whatsoever a

609
00:23:37,659 --> 00:23:34,429
positive man and a negative female can

610
00:23:40,029 --> 00:23:37,669
only conceive a child once after that

611
00:23:42,159 --> 00:23:40,039
she has made two problems the body the

612
00:23:43,840 --> 00:23:42,169
woman the rhesus negative fever will

613
00:23:45,430 --> 00:23:43,850

actually reject it and it's the only

614

00:23:46,960 --> 00:23:45,440

incidence again in nature whether it

615

00:23:49,690 --> 00:23:46,970

whether it happens it actually rejects

616

00:23:51,070 --> 00:23:49,700

the fetus so the yeah they use a little

617

00:23:52,930 --> 00:23:51,080

air they use a little intervention

618

00:23:56,320 --> 00:23:52,940

called rogram which is derived from

619

00:23:58,120 --> 00:23:56,330

rhesus negative blood to UM to stop this

620

00:24:00,340 --> 00:23:58,130

happening it's just not compatible they

621

00:24:02,860 --> 00:24:00,350

can't explain it you know they've been

622

00:24:04,779 --> 00:24:02,870

living studying it for years and you

623

00:24:06,930 --> 00:24:04,789

know for decades and they just can't

624

00:24:09,789 --> 00:24:06,940

explain it and it's another little them

625

00:24:12,340 --> 00:24:09,799

along regional the HIV cure that they

626
00:24:14,830 --> 00:24:12,350
know God I hadn't heard that a cure for

627
00:24:16,270 --> 00:24:14,840
HIV well they've got a treatment for it

628
00:24:18,370 --> 00:24:16,280
that's also derived from rhesus negative

629
00:24:20,649 --> 00:24:18,380
blood because them

630
00:24:22,539 --> 00:24:20,659
recess negatives are another strange

631
00:24:24,700 --> 00:24:22,549
bead with a certain own certain diseases

632
00:24:27,220 --> 00:24:24,710
certain viruses they cannot they cannot

633
00:24:29,680 --> 00:24:27,230
develop HIV is one of them interesting

634
00:24:32,799 --> 00:24:29,690
so absolutely a positive man and a

635
00:24:35,200 --> 00:24:32,809
female are a positive man and a negative

636
00:24:37,149 --> 00:24:35,210
woman can have a kid once but a negative

637
00:24:39,490 --> 00:24:37,159
female and a positive man can they never

638
00:24:41,409 --> 00:24:39,500

have kids well they come but it takes

639

00:24:43,990 --> 00:24:41,419

medical intervention to do it right just

640

00:24:45,940 --> 00:24:44,000

yeah equal this they need a rogram shop

641

00:24:47,710 --> 00:24:45,950

well they use in America yeah hmm

642

00:24:49,210 --> 00:24:47,720

because that's the only thing but if

643

00:24:50,950 --> 00:24:49,220

that that if that child would not

644

00:24:53,740 --> 00:24:50,960

develop mastery that the woman would

645

00:24:55,960 --> 00:24:53,750

basically it would it would it would you

646

00:24:57,730 --> 00:24:55,970

know it rejected the body would just

647

00:24:58,690 --> 00:24:57,740

reject it it sees it as an alien invader

648

00:25:00,970 --> 00:24:58,700

yeah

649

00:25:03,610 --> 00:25:00,980

we touched on so many things already I

650

00:25:06,100 --> 00:25:03,620

mean so much of conspiracy history Royal

651
00:25:08,769 --> 00:25:06,110
Family's alien abductions World War two

652
00:25:10,769 --> 00:25:08,779
it's all about genetics and it seems

653
00:25:13,419 --> 00:25:10,779
like this could be a big reason why

654
00:25:15,669 --> 00:25:13,429
absolutely they yell they know it this

655
00:25:17,740 --> 00:25:15,679
is why you know this is basically they

656
00:25:20,649 --> 00:25:17,750
they are now operating a crush you know

657
00:25:22,299 --> 00:25:20,659
on a scarce earth program they're little

658
00:25:23,710 --> 00:25:22,309
they're literally rewriting history and

659
00:25:25,539 --> 00:25:23,720
flood your eyes now because they know

660
00:25:27,999 --> 00:25:25,549
when this stuff starts coming out about

661
00:25:30,039 --> 00:25:28,009
because you know they say about these

662
00:25:32,110 --> 00:25:30,049
things in history you know that great

663
00:25:34,060 --> 00:25:32,120

the greatest secret in history the

664

00:25:36,730 --> 00:25:34,070

greatest secret I think in history is

665

00:25:38,740 --> 00:25:36,740

where we actually came from mm-hmm

666

00:25:41,850 --> 00:25:38,750

because I think if humankind actually

667

00:25:45,009 --> 00:25:41,860

woke up and knew where they came from

668

00:25:48,249 --> 00:25:45,019

everything would change yeah everything

669

00:25:51,399 --> 00:25:48,259

yeah religion would collapse overnight

670

00:25:54,129 --> 00:25:51,409

agreed seriously [h__\h] on me

671

00:25:56,139 --> 00:25:54,139

yeah I'm with you there so if people

672

00:25:58,629 --> 00:25:56,149

with your negative blood type don't have

673

00:26:00,490 --> 00:25:58,639

the rhesus monkey gene is there some

674

00:26:02,259 --> 00:26:00,500

other type of gene because I guess we're

675

00:26:03,909 --> 00:26:02,269

supposed to assume that people who do

676

00:26:06,369 --> 00:26:03,919

have the rhesus monkey gene were somehow

677

00:26:09,759 --> 00:26:06,379

derived from the rhesus monkey either

678

00:26:12,220 --> 00:26:09,769

via evolution or a facilitated advanced

679

00:26:14,440 --> 00:26:12,230

evolution by some other being maybe

680

00:26:17,259 --> 00:26:14,450

engineered but based off that is there a

681

00:26:21,169 --> 00:26:17,269

different basis for people who don't

682

00:26:26,250 --> 00:26:23,930

well request Kristen from the understory

683

00:26:28,590 --> 00:26:26,260

Neanderthal and cro-magnon jeans they

684

00:26:31,139 --> 00:26:28,600

were two separate species on us but

685

00:26:33,029 --> 00:26:31,149

because one sort of came along

686

00:26:34,799 --> 00:26:33,039

cro-magnon came along after dinner and

687

00:26:36,539 --> 00:26:34,809

he sort of wiped out the other one but

688

00:26:38,130 --> 00:26:36,549

yeah they let me in the undertow the

689

00:26:39,870 --> 00:26:38,140

first the first human kinds were all

690

00:26:41,370 --> 00:26:39,880

rhesus positive people then suddenly the

691

00:26:44,220 --> 00:26:41,380

the rhesus negative just appeared from

692

00:26:46,019 --> 00:26:44,230

nowhere and sort of we hide of it they

693

00:26:50,310 --> 00:26:46,029

were less ape-like they were more

694

00:26:52,860 --> 00:26:50,320

advanced and not saying they were you

695

00:26:57,299 --> 00:26:52,870

know really really far advanced but they

696

00:26:59,039 --> 00:26:57,309

were far more able to to do things so

697

00:27:00,720 --> 00:26:59,049

this is why they actually dominated

698

00:27:02,759 --> 00:27:00,730

Neanderthals actually became wiped out

699

00:27:04,320 --> 00:27:02,769

because they were more more simian they

700

00:27:06,830 --> 00:27:04,330

say yeah because they say that the

701

00:27:09,960 --> 00:27:06,840

rhesus positives are no disrespect but

702

00:27:12,960 --> 00:27:09,970

more they background is more Cindy and

703

00:27:14,940 --> 00:27:12,970

then on the rhesus negatives yeah mm-hmm

704

00:27:16,830 --> 00:27:14,950

because everybody shares traits with

705

00:27:19,080 --> 00:27:16,840

with certain other animals you know and

706

00:27:20,759 --> 00:27:19,090

it's just the Darwin seed he was out as

707

00:27:22,190 --> 00:27:20,769

it was it was a thievery was it was no

708

00:27:25,019 --> 00:27:22,200

fact at all and it was no Darwin

709

00:27:27,330 --> 00:27:25,029

descended from eight because you know if

710

00:27:29,159 --> 00:27:27,340

if all humankind descended from apes why

711

00:27:30,960 --> 00:27:29,169

why didn't the Apes actually progress

712

00:27:33,930 --> 00:27:30,970

way they're still Apes so it doesn't fit

713

00:27:36,690 --> 00:27:33,940

right right well I mean I'm I'm really

714

00:27:37,610 --> 00:27:36,700

curious because it's like this it seems

715

00:27:40,350 --> 00:27:37,620

like we can trace this back

716

00:27:42,899 --> 00:27:40,360

geographically to the Middle East but

717

00:27:45,710 --> 00:27:42,909

it's like these differences seem pretty

718

00:27:47,730 --> 00:27:45,720

great I mean higher IQs more

719

00:27:51,480 --> 00:27:47,740

susceptibility to psychic and intuitive

720

00:27:53,539 --> 00:27:51,490

abilities it seems like a big part of

721

00:27:56,580 --> 00:27:53,549

that ancient alien story is us have

722

00:27:58,710 --> 00:27:56,590

having mixed genetics with whoever these

723

00:28:00,990 --> 00:27:58,720

overlords were it either seems like

724

00:28:02,970 --> 00:28:01,000

people of a negative rhesus negative

725

00:28:04,350 --> 00:28:02,980

either have more of that in them or

726

00:28:07,409 --> 00:28:04,360

maybe a different origin all together

727

00:28:09,600 --> 00:28:07,419

but it's like I wonder if they have an

728

00:28:11,279 --> 00:28:09,610

origin that's offworld or if all this

729

00:28:14,490 --> 00:28:11,289

manipulation happened here

730

00:28:16,200 --> 00:28:14,500

well we maybe we hopefully we will know

731

00:28:18,450 --> 00:28:16,210

but at the moment let's say we know

732

00:28:22,889 --> 00:28:18,460

because you know I don't think anybody

733

00:28:24,539 --> 00:28:22,899

who's got a brain can actually dismiss

734

00:28:26,490 --> 00:28:24,549

the fact that in the vastness of the

735

00:28:27,930 --> 00:28:26,500

galaxy we are the only inhabited planet

736

00:28:29,190 --> 00:28:27,940

you know I mean there's got to be

737

00:28:30,750 --> 00:28:29,200

something else so then they've got the

738

00:28:32,600 --> 00:28:30,760

ability to get you a lot region I think

739

00:28:35,360 --> 00:28:32,610

they've been here a long time anyway

740

00:28:37,070 --> 00:28:35,370

but I more of the theory of it is

741

00:28:39,470 --> 00:28:37,080

actually you know they are here anyway

742

00:28:41,180 --> 00:28:39,480

and there are various ways of Gandia and

743

00:28:42,560 --> 00:28:41,190

not meant and they don't use flying

744

00:28:44,660 --> 00:28:42,570

saucers they're actually here anyway you

745

00:28:47,750 --> 00:28:44,670

know yeah on a different frequency or

746

00:28:49,580 --> 00:28:47,760

wavelength because you know these these

747

00:28:51,710 --> 00:28:49,590

easy way for sightings most of them are

748

00:28:53,270 --> 00:28:51,720

probably probably the US government that

749

00:28:56,450 --> 00:28:53,280

I doing stuff you know me because these

750

00:28:57,950 --> 00:28:56,460

people are powerful yeah sakes I say

751

00:28:59,900 --> 00:28:57,960

people because they are humanoid but

752

00:29:01,520 --> 00:28:59,910

they are powerful you know they they've

753

00:29:03,380 --> 00:29:01,530

given us warning throughout history to

754

00:29:07,580 --> 00:29:03,390

show who they are what they can do here

755

00:29:09,950 --> 00:29:07,590

every year of Tunguska in 1908 yeah yeah

756

00:29:11,930 --> 00:29:09,960

Russia for the people who haven't what

757

00:29:13,280 --> 00:29:11,940

happened there well basically something

758

00:29:14,750 --> 00:29:13,290

happened that they can't explain they

759

00:29:18,200 --> 00:29:14,760

don't know we basically there was an

760

00:29:19,490 --> 00:29:18,210

explosion that flattened 55,000 square

761

00:29:21,970 --> 00:29:19,500

miles of honestly there was nobody

762

00:29:23,570 --> 00:29:21,980

nobody hurt nobody harmed at all

763

00:29:26,690 --> 00:29:23,580

basically these trees were just

764

00:29:28,100 --> 00:29:26,700

flattened yeah and they couldn't explain

765

00:29:29,150 --> 00:29:28,110

it there was no radiation found there

766

00:29:30,919 --> 00:29:29,160

there was nothing it's just something

767

00:29:36,530 --> 00:29:30,929

happen it just pumped that was basically

768

00:29:38,000 --> 00:29:36,540

a show of power yeah definitely say look

769

00:29:41,930 --> 00:29:38,010

this is what we can do you really need

770

00:29:44,390 --> 00:29:41,940

to start becoming more aware and you

771

00:29:46,580 --> 00:29:44,400

know start listing it's like when when

772

00:29:48,110 --> 00:29:46,590

the a bomb was dropped on on Japan yeah

773

00:29:50,590 --> 00:29:48,120

that's when you have for safety and

774

00:29:52,820 --> 00:29:50,600

started happening more and more and more

775

00:29:54,289 --> 00:29:52,830

because that was a way of saying whoa

776

00:29:56,750 --> 00:29:54,299

look out they found the matches now we

777

00:29:59,600 --> 00:29:56,760

need we need to stamp on this like hoses

778

00:30:00,080 --> 00:29:59,610

at Roswell happened 47 didn't it yeah it

779

00:30:02,480 --> 00:30:00,090

did

780

00:30:04,909 --> 00:30:02,490

just after all all you won't find many

781

00:30:07,280 --> 00:30:04,919

incidences of UFOs recorded before

782

00:30:10,669 --> 00:30:07,290

before they drop the a-bomb because uh

783

00:30:12,260 --> 00:30:10,679

because that meant the two months now

784

00:30:13,310 --> 00:30:12,270

became a threat to other planets he

785

00:30:14,600 --> 00:30:13,320

didn't they were the threat to

786

00:30:16,400 --> 00:30:14,610

themselves why they were a threat to

787

00:30:18,049 --> 00:30:16,410

themselves they were ignored but when

788

00:30:21,830 --> 00:30:18,059

they started play with split in the

789

00:30:23,120 --> 00:30:21,840

after and cold fusion that's when things

790

00:30:25,340 --> 00:30:23,130

started happening and they were

791

00:30:27,830 --> 00:30:25,350

basically people were sent here to say

792

00:30:30,020 --> 00:30:27,840

like you need to you want to destroy

793

00:30:32,690 --> 00:30:30,030

yourselves fight but the power you have

794

00:30:34,820 --> 00:30:32,700

no harnessed is dangerous to other

795

00:30:37,909 --> 00:30:34,830

people and we're not having it basically

796

00:30:40,730 --> 00:30:37,919

yeah all right especially if there's

797

00:30:42,430 --> 00:30:40,740

some multi-dimensional beings occupying

798

00:30:45,779 --> 00:30:42,440

the same three-dimensional space

799

00:30:48,840 --> 00:30:45,789

absolutely a lot of researchers also

800

00:30:52,289 --> 00:30:48,850

suggests that there are lineages of

801
00:30:55,019 --> 00:30:52,299
humanoids that have outlasted even us

802
00:30:57,629 --> 00:30:55,029
and have been living underground since

803
00:30:59,879 --> 00:30:57,639
you know the previous cataclysms maybe

804
00:31:02,190 --> 00:30:59,889
they have lived underground and maybe

805
00:31:05,070 --> 00:31:02,200
come up to manipulate the surface world

806
00:31:06,810 --> 00:31:05,080
in some regards see though that actually

807
00:31:08,219 --> 00:31:06,820
makes sense because another trade I

808
00:31:09,869 --> 00:31:08,229
didn't actually you know come without

809
00:31:11,729 --> 00:31:09,879
there and another trait of rhesus

810
00:31:14,609 --> 00:31:11,739
negatives is and it's a medical fact

811
00:31:16,469 --> 00:31:14,619
this can be checked they they utilize

812
00:31:19,560 --> 00:31:16,479
oxygen in different ways yeah

813
00:31:22,469 --> 00:31:19,570

religion oh absolutely yeah this is why

814

00:31:24,210 --> 00:31:22,479

no smoking cigarettes yeah hmm it

815

00:31:25,589 --> 00:31:24,220

affects we said negative people far more

816

00:31:29,339 --> 00:31:25,599

than rhesus positive because they

817

00:31:30,899 --> 00:31:29,349

utilize oxygen differently actually and

818

00:31:32,909 --> 00:31:30,909

the only way you can describe the way

819

00:31:36,210 --> 00:31:32,919

the utilize oxygen is if they live in a

820

00:31:37,979 --> 00:31:36,220

subterranean world yeah Wow it's where

821

00:31:40,710 --> 00:31:37,989

the lizard theory came from every other

822

00:31:42,119 --> 00:31:40,720

David idea of course he says about the

823

00:31:43,799 --> 00:31:42,129

lizards you know rule in the world now

824

00:31:46,109 --> 00:31:43,809

yeah mmm-hmm of course that actually

825

00:31:47,700 --> 00:31:46,119

came from the Carpathian Mountains

826

00:31:49,109 --> 00:31:47,710

weather where there was a group of

827

00:31:51,450 --> 00:31:49,119

rhesus negatives over there they were

828

00:31:54,810 --> 00:31:51,460

actually living in caves underground Wow

829

00:31:57,839 --> 00:31:54,820

because we actually function better with

830

00:32:00,149 --> 00:31:57,849

less oxygen hmm because you find recent

831

00:32:01,710 --> 00:32:00,159

negatives most most of the groups of

832

00:32:04,820 --> 00:32:01,720

recent negative people on earth live at

833

00:32:07,349 --> 00:32:04,830

high altitudes or below sea level and

834

00:32:09,779 --> 00:32:07,359

these deeply at the angle of the less

835

00:32:11,009 --> 00:32:09,789

action oxygen better not actually fit to

836

00:32:13,499 --> 00:32:11,019

the theory that they think they

837

00:32:15,509 --> 00:32:13,509

originally were subterranean Wow and

838

00:32:17,070 --> 00:32:15,519

also you mentioned the sensitivity to

839

00:32:18,899 --> 00:32:17,080

light that drives with that as well

840

00:32:20,489 --> 00:32:18,909

exactly that's another thing that shows

841

00:32:23,969 --> 00:32:20,499

you know they come up blinking from the

842

00:32:25,259 --> 00:32:23,979

earth didn't they mmm it all fit so this

843

00:32:26,729 --> 00:32:25,269

is where the legend theory come from

844

00:32:30,299 --> 00:32:26,739

because because we have lower blood

845

00:32:32,489 --> 00:32:30,309

pressure and lower heart rates so of

846

00:32:34,229 --> 00:32:32,499

reptiles right

847

00:32:35,609 --> 00:32:34,239

and so David Icke throws the theory in

848

00:32:37,320 --> 00:32:35,619

about lizards to frighten killed we're

849

00:32:40,589 --> 00:32:37,330

not they're not shape-shift that's not

850

00:32:42,269 --> 00:32:40,599

lizards they just because with them

851
00:32:43,830 --> 00:32:42,279
another thing about rhesus negatives are

852
00:32:46,049 --> 00:32:43,840
they got a very high copper content in

853
00:32:48,599 --> 00:32:46,059
their blood yeah I've heard that so a

854
00:32:49,950 --> 00:32:48,609
copper content is one thing copper is

855
00:32:51,210 --> 00:32:49,960
really good at is conducting electricity

856
00:32:53,909 --> 00:32:51,220
and you'll find with a lot early

857
00:32:55,979 --> 00:32:53,919
selected especially recent negative

858
00:32:57,950 --> 00:32:55,989
females when they when they first start

859
00:32:59,779 --> 00:32:57,960
you know when they first pivot

860
00:33:02,570 --> 00:32:59,789
a lot of strange things happen around

861
00:33:04,760 --> 00:33:02,580
them yeah mm-hmm electrical anomaly and

862
00:33:06,080 --> 00:33:04,770
normally yeah like start going off all

863
00:33:08,389 --> 00:33:06,090

lights but as they walk past

864

00:33:10,580 --> 00:33:08,399

streetlights a the blow will go off Wow

865

00:33:12,740 --> 00:33:10,590

that's to do with a copper in the blood

866

00:33:14,539 --> 00:33:12,750

you know and so and also with copper

867

00:33:17,060 --> 00:33:14,549

they very attuned to things this is why

868

00:33:19,549 --> 00:33:17,070

the ESP stuff comes in because they

869

00:33:21,560 --> 00:33:19,559

channel it all this stuff and it comes

870

00:33:22,970 --> 00:33:21,570

to copper a lot lot better than iron

871

00:33:25,370 --> 00:33:22,980

which is in the rhesus positive blood

872

00:33:27,350 --> 00:33:25,380

you know mm-hmm so they're very very

873

00:33:28,610 --> 00:33:27,360

highly attuned you know they a lot of

874

00:33:31,730 --> 00:33:28,620

these rhesus neck kids will have

875

00:33:33,080 --> 00:33:31,740

imaginary friends yeah yeah but they're

876

00:33:35,990 --> 00:33:33,090

not imagining here we go

877

00:33:38,210 --> 00:33:36,000

only they can see them but them yet you

878

00:33:38,810 --> 00:33:38,220

know it's it's the copper again see

879

00:33:43,430 --> 00:33:38,820

copper

880

00:33:44,840 --> 00:33:43,440

color does it go blue blue and green

881

00:33:46,580 --> 00:33:44,850

this is another thing where they say

882

00:33:48,950 --> 00:33:46,590

this is C which is where the lizard

883

00:33:50,330 --> 00:33:48,960

stuff come from again because a lot of

884

00:33:51,590 --> 00:33:50,340

recent acted because it was such a high

885

00:33:52,760 --> 00:33:51,600

copper content the blood where this

886

00:33:56,090 --> 00:33:52,770

actually spilled on the floor will

887

00:33:57,590 --> 00:33:56,100

actually turn bluey green Wow yeah

888

00:33:59,630 --> 00:33:57,600

because it's the copper content yeah but

889

00:34:00,740 --> 00:33:59,640

again doctors will just dismiss it as

890

00:34:03,980 --> 00:34:00,750

well that's absolute levers but I've

891

00:34:05,899 --> 00:34:03,990

actually seen it like you know I'm we're

892

00:34:07,370 --> 00:34:05,909

of a type of person well you don't get

893

00:34:09,109 --> 00:34:07,380

any help from doctors you don't get any

894

00:34:12,649 --> 00:34:09,119

help from the scientists so you

895

00:34:14,300 --> 00:34:12,659

experiment on yourself yeah damn so you

896

00:34:15,770 --> 00:34:14,310

put these things you do it yourself you

897

00:34:17,060 --> 00:34:15,780

think wow and you can actually witness

898

00:34:18,560 --> 00:34:17,070

this thing happen in front your eyes

899

00:34:19,669 --> 00:34:18,570

yeah a doctor says no it's absolute

900

00:34:22,849 --> 00:34:19,679

rubbish you don't know we're talking

901
00:34:23,690 --> 00:34:22,859
about you know I mean it's yeah they're

902
00:34:26,480 --> 00:34:23,700
the experts

903
00:34:28,879 --> 00:34:26,490
oh of course blue bloods are considered

904
00:34:30,619 --> 00:34:28,889
to be the royalty in the elite that's a

905
00:34:33,050 --> 00:34:30,629
meme that's gone for some time I guess

906
00:34:34,520 --> 00:34:33,060
this is the origin well yeah well they

907
00:34:36,230 --> 00:34:34,530
actually really no they prove beyond

908
00:34:38,060 --> 00:34:36,240
doubt no the royal family of England

909
00:34:41,389 --> 00:34:38,070
they're all rizzo rhesus negative yeah

910
00:34:42,680 --> 00:34:41,399
hmm they also find it's nothing to do

911
00:34:44,389 --> 00:34:42,690
with it with allege and they say they

912
00:34:45,800 --> 00:34:44,399
won't mathematically exhaust rubbish

913
00:34:47,750 --> 00:34:45,810

they just will not marry rhesus positive

914

00:34:50,000 --> 00:34:47,760

right they want to keep the bloodlines

915

00:34:51,220 --> 00:34:50,010

pure yeah it's interesting it's like I

916

00:34:53,659 --> 00:34:51,230

mean well if you consider these

917

00:34:56,750 --> 00:34:53,669

qualities these characteristics that are

918

00:34:57,710 --> 00:34:56,760

pretty extraordinary you'd want to keep

919

00:34:59,990 --> 00:34:57,720

that intact

920

00:35:01,730 --> 00:35:00,000

if mixing around would kind of muddy the

921

00:35:04,099 --> 00:35:01,740

waters but it's funny that they they

922

00:35:06,290 --> 00:35:04,109

preach multiculturalism to us and then

923

00:35:08,780 --> 00:35:06,300

practice arranged marriages and pure

924

00:35:10,460 --> 00:35:08,790

bloodlines yeah from what I found out

925

00:35:10,960 --> 00:35:10,470

what I'm a-saying in that multicultural

926

00:35:13,960 --> 00:35:10,970

they call it

927

00:35:16,390 --> 00:35:13,970

cultural menu in u.s. yeah right yeah

928

00:35:19,150 --> 00:35:16,400

yeah we're basically that's basically to

929

00:35:20,620 --> 00:35:19,160

dilute the blood mm-hmm they want

930

00:35:21,940 --> 00:35:20,630

everybody the same color so if they

931

00:35:23,530 --> 00:35:21,950

interbreed with all the different races

932

00:35:26,620 --> 00:35:23,540

it basically they end up in there but

933

00:35:30,220 --> 00:35:26,630

basically I'm imagine a child in school

934

00:35:31,570 --> 00:35:30,230

yeah do the paint in the sky will be

935

00:35:33,640 --> 00:35:31,580

blue the grass will be green the Sun

936

00:35:34,900 --> 00:35:33,650

will be yellow yeah but you'll get one

937

00:35:36,490 --> 00:35:34,910

kid who basically mix all the colors

938

00:35:38,830 --> 00:35:36,500

together and he'll end up like a brown

939

00:35:42,490 --> 00:35:38,840

color yeah that's what they want

940

00:35:44,200 --> 00:35:42,500

yeah so basically I'm not basically when

941

00:35:46,900 --> 00:35:44,210

when you got in about three generations

942

00:35:47,859 --> 00:35:46,910

when everybody is the same color they're

943

00:35:50,589 --> 00:35:47,869

not going to know where the hell he came

944

00:35:53,290 --> 00:35:50,599

from all right I get that

945

00:35:55,210 --> 00:35:53,300

we're already confused enough and then

946

00:35:57,820 --> 00:35:55,220

if you can muddy that up then no one

947

00:35:59,890 --> 00:35:57,830

even knows what origin to trace back

948

00:36:01,870 --> 00:35:59,900

that makes a lot of sense because it's

949

00:36:04,060 --> 00:36:01,880

all about ambiguity and confusion that

950

00:36:05,980 --> 00:36:04,070

seems to be their constant campaign as

951
00:36:08,650 --> 00:36:05,990
the pushes in the direction of more

952
00:36:10,570 --> 00:36:08,660
unknowing because because they know that

953
00:36:13,210 --> 00:36:10,580
if I can see if humankind actually woke

954
00:36:15,640 --> 00:36:13,220
up tomorrow and found out exactly what

955
00:36:17,200 --> 00:36:15,650
their oranges were who love history

956
00:36:18,820 --> 00:36:17,210
would after you rewritten right

957
00:36:20,530 --> 00:36:18,830
everything would collapse and people

958
00:36:23,430 --> 00:36:20,540
would either panic or they'd wake up and

959
00:36:28,300 --> 00:36:23,440
every system that's keeping a

960
00:36:30,400 --> 00:36:28,310
stranglehold on the planet would panic

961
00:36:31,180 --> 00:36:30,410
they would they just couldn't keep

962
00:36:33,609 --> 00:36:31,190
control anymore

963
00:36:35,710 --> 00:36:33,619

yeah well it's also really interesting

964

00:36:37,329 --> 00:36:35,720

what you say about you know copper and

965

00:36:38,980 --> 00:36:37,339

electricity because I just had a recent

966

00:36:41,290 --> 00:36:38,990

guest who talked about the secret

967

00:36:43,060 --> 00:36:41,300

sciences of electricity how it's been

968

00:36:45,520 --> 00:36:43,070

kind of marginalized and kept from us

969

00:36:49,240 --> 00:36:45,530

and he was talking about there being a

970

00:36:51,550 --> 00:36:49,250

more electrical component to life that

971

00:36:53,260 --> 00:36:51,560

isn't even discussed or talked about you

972

00:36:56,230 --> 00:36:53,270

know we are we know we're electric beans

973

00:36:57,880 --> 00:36:56,240

you get shocked a couple times a day but

974

00:37:00,400 --> 00:36:57,890

yet and we just were told that that

975

00:37:02,200 --> 00:37:00,410

system isn't part of our biology and yet

976
00:37:04,240 --> 00:37:02,210
it seems to come into play here with the

977
00:37:05,740 --> 00:37:04,250
copper blood well yeah look what

978
00:37:07,660 --> 00:37:05,750
happened to Tesla he discovered the

979
00:37:08,800 --> 00:37:07,670
discover the secrets the universe didn't

980
00:37:11,620 --> 00:37:08,810
lan look what happened to it right of

981
00:37:13,120 --> 00:37:11,630
course fighting poverty that man built a

982
00:37:15,640 --> 00:37:13,130
machine that could destroy the planet it

983
00:37:17,560 --> 00:37:15,650
was the size of a suitcase you know mean

984
00:37:19,900 --> 00:37:17,570
and who got those plans now the

985
00:37:22,180 --> 00:37:19,910
Americans they've got them all yeah the

986
00:37:24,230 --> 00:37:22,190
shadow state they got stuff going on man

987
00:37:25,790 --> 00:37:24,240
that they could take it to you know

988
00:37:28,370 --> 00:37:25,800

keeping the computers we go now a hyper

989

00:37:29,599 --> 00:37:28,380

quick you know hyper-threading processes

990

00:37:31,730 --> 00:37:29,609

and stuff that's that's child's play

991

00:37:34,130 --> 00:37:31,740

compared to stuff they got mm-hmm you

992

00:37:36,079 --> 00:37:34,140

know they discovered like um the um it

993

00:37:37,820 --> 00:37:36,089

on the visit the unenacted machine that

994

00:37:40,250 --> 00:37:37,830

it's over a 2,000 year old computer

995

00:37:42,020 --> 00:37:40,260

Denis in Egypt there's actually well is

996

00:37:43,820 --> 00:37:42,030

where Alex and stuff you know we've had

997

00:37:45,680 --> 00:37:43,830

this knowledge for eons but you know we

998

00:37:47,000 --> 00:37:45,690

already as a as you know but only in the

999

00:37:49,700 --> 00:37:47,010

last 200 years that we actually

1000

00:37:51,109 --> 00:37:49,710

progressed mmm-hmm you know we've

1001
00:37:52,490 --> 00:37:51,119
actually taken giant leaps fall in the

1002
00:37:55,280 --> 00:37:52,500
last 200 years we've been on this planet

1003
00:37:56,930 --> 00:37:55,290
about 25 million years but only in the

1004
00:37:59,870 --> 00:37:56,940
last 200 years we progressed

1005
00:38:02,109 --> 00:37:59,880
ya know who is keeping us back because

1006
00:38:05,900 --> 00:38:02,119
the human mind has got a phenomenal

1007
00:38:09,109 --> 00:38:05,910
capacity but we we don't even use a

1008
00:38:11,000 --> 00:38:09,119
tenth of our brain capacity and the DNA

1009
00:38:13,460 --> 00:38:11,010
linking percent a good eat junk what's

1010
00:38:15,200 --> 00:38:13,470
that about exactly they call it junk but

1011
00:38:17,150 --> 00:38:15,210
I'm sure there's something there it's

1012
00:38:18,589 --> 00:38:17,160
about to be switched on I believe that

1013
00:38:20,660 --> 00:38:18,599

beyond the shadow of doubt and I think

1014

00:38:22,490 --> 00:38:20,670

what they sprained in the skies at the

1015

00:38:23,839 --> 00:38:22,500

moment you you know you're well aware of

1016

00:38:24,859 --> 00:38:23,849

the candy field stuff going on the sky

1017

00:38:27,589 --> 00:38:24,869

yeah of course

1018

00:38:28,760 --> 00:38:27,599

well a lot la it's affecting people in

1019

00:38:29,990 --> 00:38:28,770

different ways and a lot of that is

1020

00:38:31,970 --> 00:38:30,000

keeping people dumb because there's

1021

00:38:34,670 --> 00:38:31,980

enzymes a lot of Alan many of you yeah

1022

00:38:37,099 --> 00:38:34,680

and when you got aluminium sprayed on

1023

00:38:38,540 --> 00:38:37,109

mass overpopulation aluminium causes one

1024

00:38:40,970 --> 00:38:38,550

of the main things it causes is our

1025

00:38:42,260 --> 00:38:40,980

famous disease I don't know about the US

1026

00:38:44,930 --> 00:38:42,270

but in this country you've got an

1027

00:38:47,359 --> 00:38:44,940

epidemic of it yeah we do through yeah

1028

00:38:49,550 --> 00:38:47,369

it's all come as a saying no salt is

1029

00:38:51,020 --> 00:38:49,560

being sprayed with its design you know

1030

00:38:52,490 --> 00:38:51,030

they put the [h__h] in the water to keep

1031

00:38:55,040 --> 00:38:52,500

us down the everything because most

1032

00:38:56,480 --> 00:38:55,050

people stop switching on its going to be

1033

00:38:59,030 --> 00:38:56,490

the end of them they know that their

1034

00:39:00,530 --> 00:38:59,040

days are numbered between the water and

1035

00:39:02,750 --> 00:39:00,540

what's in the skies and what's in the

1036

00:39:04,400 --> 00:39:02,760

food there's so many poisons in our

1037

00:39:07,099 --> 00:39:04,410

culture it's and you know you can throw

1038

00:39:09,680 --> 00:39:07,109

vaccines in there there's so many things

1039

00:39:11,510 --> 00:39:09,690

no one knows we have all this increased

1040

00:39:14,410 --> 00:39:11,520

problem all this increased Alzheimer's

1041

00:39:18,710 --> 00:39:14,420

increased cancer increased Asperger's

1042

00:39:20,150 --> 00:39:18,720

autism and we just we don't know there's

1043

00:39:21,470 --> 00:39:20,160

there's so much so many different

1044

00:39:23,270 --> 00:39:21,480

poisons there could be so many different

1045

00:39:26,270 --> 00:39:23,280

culprits they're attacking us from all

1046

00:39:28,010 --> 00:39:26,280

sides it's up to because I could and you

1047

00:39:29,690 --> 00:39:28,020

know everybody's talking about this this

1048

00:39:30,500 --> 00:39:29,700

great revelation of this child I

1049

00:39:32,900 --> 00:39:30,510

wouldn't call it that

1050

00:39:34,430 --> 00:39:32,910

no be awakening where there you know

1051
00:39:35,750 --> 00:39:34,440
we're going to discover something that's

1052
00:39:36,280 --> 00:39:35,760
going to change history but the I think

1053
00:39:38,620 --> 00:39:36,290
we've all

1054
00:39:39,760 --> 00:39:38,630
discovered it and if they discover

1055
00:39:41,890 --> 00:39:39,770
selling I think it's going to take a

1056
00:39:43,690 --> 00:39:41,900
form of a virus Greg yeah yikes

1057
00:39:45,430 --> 00:39:43,700
they're gonna figured I'd find it

1058
00:39:47,890 --> 00:39:45,440
probably Antarctica someone like out

1059
00:39:48,970 --> 00:39:47,900
there gonna discover some relic yeah and

1060
00:39:51,400 --> 00:39:48,980
it's gonna change history

1061
00:39:52,690 --> 00:39:51,410
and but this this relic is can contain

1062
00:39:54,910 --> 00:39:52,700
something like a virus and it's going to

1063
00:39:56,710 --> 00:39:54,920

wipe out probably 90% of the world's

1064

00:39:58,990 --> 00:39:56,720

population yeah well what if they have a

1065

00:40:01,900 --> 00:39:59,000

virus targeted just for specific

1066

00:40:05,170 --> 00:40:01,910

genetics I know they've got one targeted

1067

00:40:07,030 --> 00:40:05,180

for specific blood groups right you can

1068

00:40:11,110 --> 00:40:07,040

do it from the echos it because don't

1069

00:40:12,610 --> 00:40:11,120

forget damn you got all your leat ruling

1070

00:40:15,610 --> 00:40:12,620

families in this country all share the

1071

00:40:17,020 --> 00:40:15,620

same genetics yeah mm-hmm so if they put

1072

00:40:18,790 --> 00:40:17,030

something in the air that's only gonna

1073

00:40:21,670 --> 00:40:18,800

target people of not of that genetic

1074

00:40:23,920 --> 00:40:21,680

makeup gob-dan yeah of course

1075

00:40:25,360 --> 00:40:23,930

yeah that's definitely security right

1076

00:40:29,080 --> 00:40:25,370

there just knowing that it won't affect

1077

00:40:30,670 --> 00:40:29,090

you or your elite family yeah well you

1078

00:40:32,260 --> 00:40:30,680

know mankind's the only ones who can

1079

00:40:34,510 --> 00:40:32,270

weaponize viruses how do you know what

1080

00:40:37,360 --> 00:40:34,520

no other species actually uses viruses

1081

00:40:38,790 --> 00:40:37,370

to wipe other people out no no it seems

1082

00:40:41,140 --> 00:40:38,800

like a dangerous game to be playing

1083

00:40:42,730 --> 00:40:41,150

because there was there was a rumor on

1084

00:40:44,710 --> 00:40:42,740

the internet a few years ago about they

1085

00:40:46,480 --> 00:40:44,720

discovered something another thing was

1086

00:40:47,740 --> 00:40:46,490

only gonna target rhesus negative people

1087

00:40:50,410 --> 00:40:47,750

and everybody else was we remain

1088

00:40:52,660 --> 00:40:50,420

unaffected and they said that 20% of

1089

00:40:54,820 --> 00:40:52,670

them were going to die but the eightieth

1090

00:40:56,530 --> 00:40:54,830

the remaining 80% of them what was left

1091

00:40:59,650 --> 00:40:56,540

were going to be sort of switched on

1092

00:41:03,040 --> 00:40:59,660

throw some really super B and all the

1093

00:41:04,390 --> 00:41:03,050

DNA sort of gonna wake up and what I was

1094

00:41:06,190 --> 00:41:04,400

going through all the America website

1095

00:41:07,870 --> 00:41:06,200

Alex Jones even covered it for a while

1096

00:41:09,850 --> 00:41:07,880

that's this room but if I was them to do

1097

00:41:11,560 --> 00:41:09,860

with Russia Russia the Russians have

1098

00:41:15,340 --> 00:41:11,570

discovered some some artifact in

1099

00:41:18,190 --> 00:41:15,350

Antarctica and it basically it was gonna

1100

00:41:19,540 --> 00:41:18,200

target specific people I believe the

1101

00:41:21,610 --> 00:41:19,550

ones it didn't kill he was gonna wake up

1102

00:41:23,550 --> 00:41:21,620

and become almost like superbee and you

1103

00:41:25,780 --> 00:41:23,560

know their DNA was gonna switch colonies

1104

00:41:27,190 --> 00:41:25,790

it's interesting isn't it the kind of

1105

00:41:28,990 --> 00:41:27,200

stuff but the only other things though

1106

00:41:31,270 --> 00:41:29,000

he says always something you know

1107

00:41:34,360 --> 00:41:31,280

absolutely yeah they could definitely

1108

00:41:37,330 --> 00:41:34,370

put a specific chemical in chemtrails or

1109

00:41:39,550 --> 00:41:37,340

a virus to target just rhesus negative

1110

00:41:40,990 --> 00:41:39,560

even vaccines you know they could tell

1111

00:41:42,580 --> 00:41:41,000

you that vaccines oh well they're

1112

00:41:43,930 --> 00:41:42,590

they're largely safe and they're

1113

00:41:47,350 --> 00:41:43,940

necessary but they're going to cause

1114

00:41:49,060 --> 00:41:47,360

autism in a small percentage of people

1115

00:41:51,100 --> 00:41:49,070

and you know their whole

1116

00:41:53,250 --> 00:41:51,110

campaign could be just to affect those

1117

00:41:56,710 --> 00:41:53,260

people the whole purpose of it could be

1118

00:41:59,370 --> 00:41:56,720

just to screw up the minds in the

1119

00:42:02,230 --> 00:41:59,380

chemistry of those that are different

1120

00:42:03,400 --> 00:42:02,240

absolutely you have I'd yeah if I think

1121

00:42:05,200 --> 00:42:03,410

the world is different I don't think

1122

00:42:07,180 --> 00:42:05,210

there's no way there's nothing elitist

1123

00:42:08,650 --> 00:42:07,190

about about the blood type that we got

1124

00:42:10,810 --> 00:42:08,660

this is different that's all it is it's

1125

00:42:12,490 --> 00:42:10,820

not special it's not better than anybody

1126

00:42:14,290 --> 00:42:12,500

else it's just different and it doesn't

1127

00:42:15,910 --> 00:42:14,300

fit and basically we're looking for

1128

00:42:17,350 --> 00:42:15,920

answers you know we won't know where we

1129

00:42:19,210 --> 00:42:17,360

fit into the grand scheme of things you

1130

00:42:20,770 --> 00:42:19,220

know and but people see that there's

1131

00:42:23,590 --> 00:42:20,780

some sort of elitist view but it's not

1132

00:42:25,000 --> 00:42:23,600

right well where they come from why

1133

00:42:26,320 --> 00:42:25,010

can't you accept that there's people

1134

00:42:29,260 --> 00:42:26,330

that are different than you without

1135

00:42:31,060 --> 00:42:29,270

needing to wipe them out or enslave them

1136

00:42:33,250 --> 00:42:31,070

you know it's just it's just different

1137

00:42:35,110 --> 00:42:33,260

it's cool don't worry about it it's

1138

00:42:36,910 --> 00:42:35,120

additive absolutely terrified when they

1139

00:42:38,200 --> 00:42:36,920

fear them you know I lost think about it

1140

00:42:40,480 --> 00:42:38,210

actually the other day on the blog I

1141

00:42:42,730 --> 00:42:40,490

basically was science can't explain us

1142

00:42:44,680 --> 00:42:42,740

medicine cannot categorize us theology

1143

00:42:47,200 --> 00:42:44,690

does not even recognize us and most

1144

00:42:49,090 --> 00:42:47,210

people simply cannot explain us we do

1145

00:42:50,860 --> 00:42:49,100

not fit into any known evolutionary

1146

00:42:52,900 --> 00:42:50,870

template nor do we fit it with a greater

1147

00:42:54,760 --> 00:42:52,910

majority of humankind we attract a

1148

00:42:56,530 --> 00:42:54,770

monotone from birth we are studied

1149

00:42:56,950 --> 00:42:56,540

feared adored and loathe an equal

1150

00:42:59,260 --> 00:42:56,960

measure

1151
00:43:01,210 --> 00:42:59,270
we are unique nowhere else in nature

1152
00:43:02,830 --> 00:43:01,220
will you find a species like ours one

1153
00:43:04,750 --> 00:43:02,840
that physically rejects all other blood

1154
00:43:06,700 --> 00:43:04,760
types but its own nor will you find

1155
00:43:08,260 --> 00:43:06,710
another species whose females massively

1156
00:43:10,330 --> 00:43:08,270
reject a fetus which carries another

1157
00:43:12,490 --> 00:43:10,340
blood type they also they see it as

1158
00:43:14,080 --> 00:43:12,500
alien we can donate our blood to all you

1159
00:43:17,140 --> 00:43:14,090
have to receive any better own type will

1160
00:43:19,450 --> 00:43:17,150
cause untold disease and death in us we

1161
00:43:21,730 --> 00:43:19,460
are nature's outlaws that's the way I

1162
00:43:24,280 --> 00:43:21,740
look there that's what my website is

1163
00:43:25,840 --> 00:43:24,290

named after I love it it's always been

1164

00:43:27,790 --> 00:43:25,850

seen as an outside I've always been seen

1165

00:43:31,030 --> 00:43:27,800

most people of my type I always been

1166

00:43:33,070 --> 00:43:31,040

seen as an outside we feel outsiders now

1167

00:43:36,340 --> 00:43:33,080

man we get it together now via the

1168

00:43:37,930 --> 00:43:36,350

internet I'm this but I'm also finding

1169

00:43:40,570 --> 00:43:37,940

all the people who've been you know you

1170

00:43:42,700 --> 00:43:40,580

mean by troweled online yeah yeah loving

1171

00:43:44,530 --> 00:43:42,710

all these problems I think the vast

1172

00:43:45,910 --> 00:43:44,540

majority of these and Reese's negatives

1173

00:43:47,530 --> 00:43:45,920

because you know obviously because I

1174

00:43:50,230 --> 00:43:47,540

write the site and stuff I get contacted

1175

00:43:51,490 --> 00:43:50,240

by a lot of people and they say I can't

1176
00:43:54,430 --> 00:43:51,500
think of why these people are doing this

1177
00:43:56,950 --> 00:43:54,440
to me mm-hmm we get talk and it turns

1178
00:43:58,660 --> 00:43:56,960
out seeing all Reese's negatives and

1179
00:44:00,340 --> 00:43:58,670
it's almost like a gang stalking because

1180
00:44:01,839 --> 00:44:00,350
these total strangers coming up and

1181
00:44:04,779 --> 00:44:01,849
doing film you know

1182
00:44:06,249 --> 00:44:04,789
it is really bizarre Burruss it's too

1183
00:44:07,689 --> 00:44:06,259
much we go along free to be just a

1184
00:44:08,979 --> 00:44:07,699
coincidence you know basic knowledge

1185
00:44:11,289 --> 00:44:08,989
people share the same blood type it's

1186
00:44:13,479 --> 00:44:11,299
just too much you know I don't believe

1187
00:44:15,519 --> 00:44:13,489
in coincidences I believe everything has

1188
00:44:17,859 --> 00:44:15,529

a purpose yeah I hear you man and this

1189

00:44:19,630 --> 00:44:17,869

is fascinating stuff and we're getting

1190

00:44:22,359 --> 00:44:19,640

close to wrapping this thing up I did

1191

00:44:23,859 --> 00:44:22,369

want to bring up that you know you

1192

00:44:26,739 --> 00:44:23,869

mentioned in the very beginning that

1193

00:44:28,239 --> 00:44:26,749

ever since this is realized that you're

1194

00:44:29,559 --> 00:44:28,249

one of these people it seems like you've

1195

00:44:31,269 --> 00:44:29,569

been marginalized and had a lot of

1196

00:44:34,180 --> 00:44:31,279

campaigns against you all it seems like

1197

00:44:36,689 --> 00:44:34,190

right around the time of a schedule in

1198

00:44:39,819 --> 00:44:36,699

this interview your website has become

1199

00:44:42,189 --> 00:44:39,829

the victim of a lot of attacks and a lot

1200

00:44:44,410 --> 00:44:42,199

of security problems and worms and

1201

00:44:46,509 --> 00:44:44,420

Trojans right I got to rewrite my who

1202

00:44:47,650 --> 00:44:46,519

psyche yeah I got them basically back up

1203

00:44:50,049 --> 00:44:47,660

you switched your new horse because he's

1204

00:44:51,489 --> 00:44:50,059

gonna tack right up his best the wormer

1205

00:44:54,939 --> 00:44:51,499

was sent to the system actually brought

1206

00:44:56,650 --> 00:44:54,949

down a bank in America and it's actually

1207

00:44:58,420 --> 00:44:56,660

that's basically unplug the server

1208

00:45:00,039 --> 00:44:58,430

because this thing was nasty they said

1209

00:45:01,120 --> 00:45:00,049

he almost they said they haven't seen

1210

00:45:04,120 --> 00:45:01,130

anything you like it outside the

1211

00:45:06,099 --> 00:45:04,130

military Wow well my site is not popular

1212

00:45:08,099 --> 00:45:06,109

I get like 1215 under dates a day it's

1213

00:45:10,839 --> 00:45:08,109

not too snow it's not groundbreaking but

1214

00:45:12,969 --> 00:45:10,849

ever since I started it I'd been at a

1215

00:45:15,039 --> 00:45:12,979

clog which is I don't know why I'm not

1216

00:45:16,390 --> 00:45:15,049

threat to anybody okay yeah it was

1217

00:45:17,799 --> 00:45:16,400

really interesting because I've been

1218

00:45:19,329 --> 00:45:17,809

looking at your site and getting ready

1219

00:45:22,059 --> 00:45:19,339

for this interview and then just

1220

00:45:23,469 --> 00:45:22,069

recently like yesterday I popped on and

1221

00:45:24,729 --> 00:45:23,479

I was like whoa it's all different the

1222

00:45:25,900 --> 00:45:24,739

colors are different the formats

1223

00:45:28,150 --> 00:45:25,910

different then of course you have

1224

00:45:29,199 --> 00:45:28,160

several posts explaining it yeah I had

1225

00:45:30,729 --> 00:45:29,209

to I had to rewrite the whole thing

1226

00:45:34,089 --> 00:45:30,739

because he was basically trashed the

1227

00:45:35,920 --> 00:45:34,099

whole database was wiped hmm and my my

1228

00:45:37,150 --> 00:45:35,930

provider said well I'm sorry just don't

1229

00:45:38,529 --> 00:45:37,160

know how it just happened at four

1230

00:45:40,599 --> 00:45:38,539

o'clock in the morning as soon as I

1231

00:45:43,569 --> 00:45:40,609

walked on the whole system crashed man

1232

00:45:46,120 --> 00:45:43,579

but then it's good no it's okay no on

1233

00:45:49,150 --> 00:45:46,130

top of stuff like that have you had any

1234

00:45:50,890 --> 00:45:49,160

other weird instances of talking out

1235

00:45:52,709 --> 00:45:50,900

about this stuff and then kind of just

1236

00:45:56,680 --> 00:45:52,719

having that go by the wayside

1237

00:45:59,620 --> 00:45:56,690

yeah well as a family we've been stalled

1238

00:46:01,509 --> 00:45:59,630

we've been watched constantly hmm and we

1239

00:46:02,890 --> 00:46:01,519

know that because the people who do into

1240

00:46:06,279 --> 00:46:02,900

us have actually put it up on YouTube

1241

00:46:08,170 --> 00:46:06,289

like what are they putting up there yes

1242

00:46:11,109 --> 00:46:08,180

wall has walking down the street or get

1243

00:46:14,049 --> 00:46:11,119

into the car oh my god yeah tell me

1244

00:46:14,930 --> 00:46:14,059

about it but when we actually show the

1245

00:46:15,920 --> 00:46:14,940

because we

1246

00:46:17,780 --> 00:46:15,930

you have to go to the police about it

1247

00:46:20,240 --> 00:46:17,790

got so bad and they you know the piece

1248

00:46:21,770 --> 00:46:20,250

try to access it and he being wiped so

1249

00:46:23,030 --> 00:46:21,780

we have to give my own copy at yeah and

1250

00:46:24,530 --> 00:46:23,040

it's very weird stuff you know because

1251

00:46:25,940 --> 00:46:24,540

my kids have said there's been people

1252

00:46:27,740 --> 00:46:25,950

sitting outside the school watching them

1253

00:46:30,440 --> 00:46:27,750

yeah wearing clown masks of things you

1254

00:46:32,540 --> 00:46:30,450

know oh my god are your kids negative oh

1255

00:46:35,030 --> 00:46:32,550

yeah absolutely you got to crystal

1256

00:46:37,130 --> 00:46:35,040

children yeah yeah I remember yeah they

1257

00:46:39,680 --> 00:46:37,140

both a net yeah Wow have they ever

1258

00:46:42,200 --> 00:46:39,690

brought up to you and the idea of scene

1259

00:46:44,270 --> 00:46:42,210

Watchers or anything absolutely my

1260

00:46:47,270 --> 00:46:44,280

daughter I used to shed an imaginary

1261

00:46:48,559 --> 00:46:47,280

friend cuz I used to be a single dad you

1262

00:46:49,849 --> 00:46:48,569

see I brought the children up the first

1263

00:46:53,690 --> 00:46:49,859

five years their lives on my own and

1264

00:46:54,980 --> 00:46:53,700

them she used to go to a bedroom I used

1265

00:46:57,020 --> 00:46:54,990

to you know laughing in the night then

1266

00:46:58,940 --> 00:46:57,030

she saw us my friend Emily he's the kind

1267

00:47:00,740 --> 00:46:58,950

of seem iam but but I went into a room

1268

00:47:03,349 --> 00:47:00,750

one day and there was all trophy tea on

1269

00:47:05,930 --> 00:47:03,359

a on a bedroom wall and he was about my

1270

00:47:07,579 --> 00:47:05,940

height height and he was all the way

1271

00:47:08,540 --> 00:47:07,589

around the room and there was nothing in

1272

00:47:10,099 --> 00:47:08,550

the room they could have climbed all

1273

00:47:12,140 --> 00:47:10,109

like but there she was on her own and

1274

00:47:14,290 --> 00:47:12,150

all his graffiti anyways he was really

1275

00:47:16,819 --> 00:47:14,300

weird symbology stuff all right across

1276

00:47:18,500 --> 00:47:16,829

the room you know so he said all my

1277

00:47:20,750 --> 00:47:18,510

friend Emily did it you know and she's

1278

00:47:22,250 --> 00:47:20,760

always had things with that and but

1279

00:47:23,630 --> 00:47:22,260

she's another one she can't use any

1280

00:47:25,579 --> 00:47:23,640

electrical equipment it'll blow up if

1281

00:47:27,829 --> 00:47:25,589

she comes near it you know Wow

1282

00:47:29,420 --> 00:47:27,839

yes she'll and she can walk past the

1283

00:47:31,370 --> 00:47:29,430

light she switches on a light it'll blow

1284

00:47:33,470 --> 00:47:31,380

the bulb so we I got a do it normally

1285

00:47:35,809 --> 00:47:33,480

for other things you know yeah because

1286

00:47:36,950 --> 00:47:35,819

she's 13 years old now so she's gone

1287

00:47:39,620 --> 00:47:36,960

through some changes like and it's

1288

00:47:41,150 --> 00:47:39,630

basically blowing things are going crazy

1289

00:47:42,890 --> 00:47:41,160

around our you know like well no the

1290

00:47:46,190 --> 00:47:42,900

dodgem cars like in the fairground yeah

1291

00:47:48,050 --> 00:47:46,200

you out there the Dodge like go-karts no

1292

00:47:50,630 --> 00:47:48,060

I like you go to fair they their task

1293

00:47:52,670 --> 00:47:50,640

time you try round on the bumper cars in

1294

00:47:54,530 --> 00:47:52,680

this country no bumper cars yeah we have

1295

00:47:55,910 --> 00:47:54,540

those yeah well we went up to one of

1296

00:47:57,319 --> 00:47:55,920

those women on holiday and she got into

1297

00:47:59,089 --> 00:47:57,329

it then she started it and the whole

1298

00:48:00,800 --> 00:47:59,099

thing fused Wow

1299

00:48:03,109 --> 00:48:00,810

yeah cuz they're tied to the electrical

1300

00:48:05,540 --> 00:48:03,119

grid above the hole right broke down

1301

00:48:08,000 --> 00:48:05,550

everybody had to get off

1302

00:48:09,559 --> 00:48:08,010

and it's always it's always electrical

1303

00:48:12,109 --> 00:48:09,569

stuff going on you know and she she sees

1304

00:48:13,790 --> 00:48:12,119

a lot of things and she's really clever

1305

00:48:16,339 --> 00:48:13,800

kid like really bright you know but um

1306

00:48:18,950 --> 00:48:16,349

but again she's another one she's years

1307

00:48:20,809 --> 00:48:18,960

ahead of she's she's looking at stuff on

1308

00:48:22,280 --> 00:48:20,819

internet like that I you know it was in

1309

00:48:23,900 --> 00:48:22,290

my 30s I would know about you know they

1310

00:48:25,550 --> 00:48:23,910

really really glanced kids like and they

1311

00:48:27,410 --> 00:48:25,560

seemed to be nude and at such an

1312

00:48:28,190 --> 00:48:27,420

accelerated rate I'm struggling to keep

1313

00:48:30,890 --> 00:48:28,200

up with um you know

1314

00:48:32,630 --> 00:48:30,900

Wow that there's a lot of page number

1315

00:48:33,740 --> 00:48:32,640

there the day of the next generation the

1316

00:48:38,060 --> 00:48:33,750

other ones there's going to take us into

1317

00:48:40,069 --> 00:48:38,070

the light right because they cause like

1318

00:48:41,750 --> 00:48:40,079

because I'm an empath as well if Greg

1319

00:48:44,390 --> 00:48:41,760

you know what an empath is yeah a

1320

00:48:46,520 --> 00:48:44,400

sensitive like an energetic sensitive

1321

00:48:47,810 --> 00:48:46,530

yes olives like say for example I could

1322

00:48:50,660 --> 00:48:47,820

be sitting you're know say some

1323

00:48:52,160 --> 00:48:50,670

earthquake happens in China I know I

1324

00:48:55,280 --> 00:48:52,170

wanted not to look at the news I will

1325

00:48:57,020 --> 00:48:55,290

feel it hmm like I'm at a lot of Lisa's

1326
00:48:58,220 --> 00:48:57,030
neck see that as well they know when

1327
00:49:00,020 --> 00:48:58,230
certain events happened the world

1328
00:49:01,940 --> 00:49:00,030
without being told they feel it's almost

1329
00:49:05,540 --> 00:49:01,950
like no Star Wars thing with a force

1330
00:49:07,790 --> 00:49:05,550
yeah right you feel like it's almost

1331
00:49:10,160 --> 00:49:07,800
like I'm like a ripple you got the

1332
00:49:11,960 --> 00:49:10,170
midi-chlorians well I don't know what it

1333
00:49:12,890 --> 00:49:11,970
is we turn the news on a sub major event

1334
00:49:14,810 --> 00:49:12,900
does happen in the world you'll always

1335
00:49:18,020 --> 00:49:14,820
crease quite I'm used to it no so it's

1336
00:49:20,420 --> 00:49:18,030
normal for me you know yeah wow man

1337
00:49:22,460 --> 00:49:20,430
stuff this has been fascinating if you

1338
00:49:24,410 --> 00:49:22,470

also recently had another you were going

1339

00:49:28,760 --> 00:49:24,420

to do another interview that got kind of

1340

00:49:31,370 --> 00:49:28,770

cancelled on you didn't it yeah yeah if

1341

00:49:32,660 --> 00:49:31,380

no reason I'm they just he got it

1342

00:49:35,089 --> 00:49:32,670

touched me I would we can't go ahead

1343

00:49:37,370 --> 00:49:35,099

because we've had some anonymous calls

1344

00:49:39,230 --> 00:49:37,380

the station say they're gonna sue my

1345

00:49:43,130 --> 00:49:39,240

sponsors if you come on the show I

1346

00:49:44,870 --> 00:49:43,140

should oh okay Wow Wow and see that see

1347

00:49:48,950 --> 00:49:44,880

people that is why you don't have

1348

00:49:50,780 --> 00:49:48,960

sponsors I know we had a tough time

1349

00:49:52,160 --> 00:49:50,790

getting connected to and I'm sure you

1350

00:49:54,230 --> 00:49:52,170

were kind of probably getting a bit

1351
00:49:57,050 --> 00:49:54,240
skeptical that it would happen because

1352
00:49:59,300 --> 00:49:57,060
of the reoccurring pattern that you seem

1353
00:50:01,069 --> 00:49:59,310
to be experiencing yeah I seem to be

1354
00:50:03,440 --> 00:50:01,079
talking out imma go online on targeted I

1355
00:50:05,059 --> 00:50:03,450
probably got more more trolls want to do

1356
00:50:06,620 --> 00:50:05,069
me physical harm on anybody else I know

1357
00:50:08,630 --> 00:50:06,630
you know and I sight on nothing actually

1358
00:50:11,089 --> 00:50:08,640
wrong except I'm talking about stuff on

1359
00:50:13,609 --> 00:50:11,099
my site you know right you've also ran

1360
00:50:16,640 --> 00:50:13,619
into some trouble trying to expose a

1361
00:50:19,040 --> 00:50:16,650
little bit of the pedophilia networks of

1362
00:50:20,420 --> 00:50:19,050
the elite right oh absolutely oh yeah

1363
00:50:21,740 --> 00:50:20,430

that's been that's been a nightmare I

1364

00:50:23,660 --> 00:50:21,750

was arrested by the police you know

1365

00:50:25,520 --> 00:50:23,670

because they basically called me a

1366

00:50:27,829 --> 00:50:25,530

pedophile and stuff you know what windy

1367

00:50:29,599 --> 00:50:27,839

all things on them they try to get they

1368

00:50:32,390 --> 00:50:29,609

say I was abused on my own children and

1369

00:50:34,280 --> 00:50:32,400

all sorts you know Jesus all it's quite

1370

00:50:36,500 --> 00:50:34,290

crazy because of this in this country is

1371

00:50:38,359 --> 00:50:36,510

actually it's actually gone mad it's

1372

00:50:40,190 --> 00:50:38,369

like a massive massive witch hunt and

1373

00:50:41,630 --> 00:50:40,200

they basically blaming everybody you

1374

00:50:43,069 --> 00:50:41,640

know you got doctors your PA

1375

00:50:45,019 --> 00:50:43,079

Christiane's you got social workers

1376
00:50:46,849 --> 00:50:45,029
everybody is being accused of being a

1377
00:50:49,160 --> 00:50:46,859
pedophile you know it's bonkers like and

1378
00:50:50,690 --> 00:50:49,170
it's a lot of it is basically a

1379
00:50:52,309 --> 00:50:50,700
smokescreen to hide what's really

1380
00:50:54,170 --> 00:50:52,319
happening you know right the more people

1381
00:50:56,150 --> 00:50:54,180
you can accuse the more people who are

1382
00:50:58,460 --> 00:50:56,160
actually guilty that'll get lost in the

1383
00:51:00,019 --> 00:50:58,470
confusion yeah it's like a scattergun

1384
00:51:01,609 --> 00:51:00,029
approach today just basically aim the

1385
00:51:04,670 --> 00:51:01,619
gun shoot that you don't get someone

1386
00:51:06,289 --> 00:51:04,680
guilty and or meanness but it's I think

1387
00:51:07,880 --> 00:51:06,299
a lot of that is almost a smokescreen

1388
00:51:09,769 --> 00:51:07,890

because like the pedophilia is bad

1389

00:51:11,420 --> 00:51:09,779

enough but I think pedophilia is the

1390

00:51:13,390 --> 00:51:11,430

very tip of the iceberg iceberg what's

1391

00:51:15,559 --> 00:51:13,400

going on in this country and in America

1392

00:51:17,779 --> 00:51:15,569

the high netgain there who is

1393

00:51:19,220 --> 00:51:17,789

ritualistic and satanic I don't think

1394

00:51:22,930 --> 00:51:19,230

Satan has got anything to do this I

1395

00:51:26,569 --> 00:51:22,940

think it is this is purely transhumanism

1396

00:51:27,620 --> 00:51:26,579

horrible cloning nonsense hell softly

1397

00:51:29,809 --> 00:51:27,630

just basically want to live forever

1398

00:51:31,099 --> 00:51:29,819

these people he just can't exactly gonna

1399

00:51:33,230 --> 00:51:31,109

die and they doing everything they can

1400

00:51:34,970 --> 00:51:33,240

and if it means they taking away

1401

00:51:37,880 --> 00:51:34,980

children or adults and draining the

1402

00:51:39,859 --> 00:51:37,890

blood out of them it's happening that's

1403

00:51:41,690 --> 00:51:39,869

no he's far easy to call him a pedophile

1404

00:51:43,849 --> 00:51:41,700

and because what can be worse than that

1405

00:51:47,269 --> 00:51:43,859

you know right of course

1406

00:51:49,009 --> 00:51:47,279

man well Jimmy this has been great it is

1407

00:51:50,839 --> 00:51:49,019

about time we get out of here I mean

1408

00:51:53,509 --> 00:51:50,849

thanks again for taking the time would

1409

00:51:55,069 --> 00:51:53,519

you like to give out your website again

1410

00:51:57,589 --> 00:51:55,079

for the people so maybe they can follow

1411

00:52:03,440 --> 00:51:57,599

up on some of this stuff yeah well space

1412

00:52:05,660 --> 00:52:03,450

peace wwwo Jimmy calm is me get a while

1413

00:52:08,450 --> 00:52:05,670

still they're people I did have a great

1414

00:52:10,460 --> 00:52:08,460

time the rh- saga is an interesting one

1415

00:52:11,990 --> 00:52:10,470

it indeed I very much appreciate a man

1416

00:52:16,759 --> 00:52:12,000

take care yourself out there alright

1417

00:52:18,950 --> 00:52:16,769

okay my chick boom there we have it guys

1418

00:52:20,690 --> 00:52:18,960

I think that one went pretty well we

1419

00:52:23,809 --> 00:52:20,700

circled back around to some of the same

1420

00:52:25,700 --> 00:52:23,819

subjects but I still liked it a lot I've

1421

00:52:27,710 --> 00:52:25,710

been taking more risks with interviewing

1422

00:52:29,420 --> 00:52:27,720

difficult people or researchers I

1423

00:52:31,730 --> 00:52:29,430

haven't really heard give interviews

1424

00:52:33,920 --> 00:52:31,740

before which definitely has its

1425

00:52:36,289 --> 00:52:33,930

challenges but I think it usually turns

1426
00:52:38,660 --> 00:52:36,299
out awesome with very few whiffs and

1427
00:52:40,670 --> 00:52:38,670
it's the uncharted territory that I'm

1428
00:52:42,650 --> 00:52:40,680
most excited about getting into I don't

1429
00:52:45,109 --> 00:52:42,660
want to just turn out the same guests

1430
00:52:46,789 --> 00:52:45,119
and rehash the same old topics I want

1431
00:52:48,859 --> 00:52:46,799
the show to be different and better

1432
00:52:50,630 --> 00:52:48,869
honestly at a time when I think

1433
00:52:52,670 --> 00:52:50,640
podcasting is getting a little bit worse

1434
00:52:55,640 --> 00:52:52,680
I know a lot of you listen to all kinds

1435
00:52:57,740 --> 00:52:55,650
of different shows and so you know that

1436
00:52:59,720 --> 00:52:57,750
a lot of these comics and hosts are

1437
00:53:02,420 --> 00:52:59,730
really compromising their integrity and

1438
00:53:05,060 --> 00:53:02,430

their art to read LegalZoom and Burger

1439

00:53:06,710 --> 00:53:05,070

King adds more at the beginning and the

1440

00:53:09,380 --> 00:53:06,720

end and some shows are now putting them

1441

00:53:11,660 --> 00:53:09,390

in the middle too so thanks to THC plus

1442

00:53:13,790 --> 00:53:11,670

members for keeping me honest and not

1443

00:53:16,250 --> 00:53:13,800

scrambling for some type of outside

1444

00:53:18,650 --> 00:53:16,260

revenue so we can just focus on

1445

00:53:20,480 --> 00:53:18,660

interesting interviews what really

1446

00:53:22,700 --> 00:53:20,490

drives me nuts is the shows that do both

1447

00:53:24,880 --> 00:53:22,710

they have subscriptions and ads like

1448

00:53:28,340 --> 00:53:24,890

Hulu Plus does and I think that's just

1449

00:53:30,530 --> 00:53:28,350

super greedy and as long as we never dip

1450

00:53:32,810 --> 00:53:30,540

too far below the subscribers we have

1451

00:53:34,310 --> 00:53:32,820

now which we shouldn't we get a couple

1452

00:53:36,500 --> 00:53:34,320

more every day we're never going to

1453

00:53:38,630 --> 00:53:36,510

really have those problems and THC plus

1454

00:53:40,850 --> 00:53:38,640

membership should never go up I'm never

1455

00:53:43,070 --> 00:53:40,860

going to make serious changes to the

1456

00:53:45,890 --> 00:53:43,080

format never going to be scrambling for

1457

00:53:47,900 --> 00:53:45,900

more money you see these guys they want

1458

00:53:50,000 --> 00:53:47,910

to get a manager and a publicist and a

1459

00:53:52,040 --> 00:53:50,010

marketing team and a social media

1460

00:53:54,110 --> 00:53:52,050

director and so it becomes a big

1461

00:53:56,990 --> 00:53:54,120

corporate entity and they get to be the

1462

00:53:59,300 --> 00:53:57,000

CEO of Nerdist industries or whatever

1463

00:54:00,980 --> 00:53:59,310

and they just need more and more money

1464

00:54:02,690 --> 00:54:00,990

but I'm just going to keep doing what

1465

00:54:04,640 --> 00:54:02,700

we're doing without all that nonsense

1466

00:54:07,010 --> 00:54:04,650

that you don't really need for a guy a

1467

00:54:08,870 --> 00:54:07,020

guest in a microphone and unlike that

1468

00:54:11,630 --> 00:54:08,880

other show who had to cancel their

1469

00:54:13,580 --> 00:54:11,640

rhesus negative episode nobody is out

1470

00:54:15,320 --> 00:54:13,590

there telling me what to do and the only

1471

00:54:17,540 --> 00:54:15,330

thing I'll do is tell you what happened

1472

00:54:19,100 --> 00:54:17,550

in the plus shows just so you know what

1473

00:54:21,800 --> 00:54:19,110

it contained if you're interested in

1474

00:54:23,870 --> 00:54:21,810

hearing more and because I don't split

1475

00:54:26,630 --> 00:54:23,880

the two hours up sometimes the plus

1476
00:54:28,400 --> 00:54:26,640
members are curious where the show would

1477
00:54:30,740 --> 00:54:28,410
have ended otherwise and so I like a

1478
00:54:32,480 --> 00:54:30,750
little recap it also helps my terrible

1479
00:54:34,910 --> 00:54:32,490
stoner memory and in this week's plus

1480
00:54:37,970 --> 00:54:34,920
show with Jimmy we went on to talk about

1481
00:54:40,040 --> 00:54:37,980
more underground origin possibilities

1482
00:54:41,900 --> 00:54:40,050
for the rhesus negatives the Smithsonian

1483
00:54:44,270 --> 00:54:41,910
and the Giants cover up you know we're

1484
00:54:46,010 --> 00:54:44,280
told a lot of them had red hair and it's

1485
00:54:48,260 --> 00:54:46,020
interesting that Rh negatives would have

1486
00:54:51,140 --> 00:54:48,270
an extra vertebrae or an extra rib not

1487
00:54:53,450 --> 00:54:51,150
exactly making them Giants but it is an

1488
00:54:56,360 --> 00:54:53,460

interesting detail we talked more about

1489

00:54:58,610 --> 00:54:56,370

the tribe of Dan and them settling in

1490

00:55:01,640 --> 00:54:58,620

Ireland which ties into the Irish lore

1491

00:55:04,370 --> 00:55:01,650

of underground beans we talked a lien

1492

00:55:06,200 --> 00:55:04,380

visitation the elite harvesting RH next

1493

00:55:08,570 --> 00:55:06,210

for blood and organs if there's only 7%

1494

00:55:09,349 --> 00:55:08,580

of them and the elite are largely Rh

1495

00:55:10,609 --> 00:55:09,359

negative

1496

00:55:13,039 --> 00:55:10,619

well they got to have a resource for

1497

00:55:14,989 --> 00:55:13,049

themselves we talked about the idea that

1498

00:55:16,940 --> 00:55:14,999

the Germans had a cloning program after

1499

00:55:18,799 --> 00:55:16,950

World War one just to have the manpower

1500

00:55:20,779 --> 00:55:18,809

they did in World War two

1501

00:55:23,299 --> 00:55:20,789

also that Jesus was an Rh negative

1502

00:55:24,949 --> 00:55:23,309

redhead and survived the crucifixion and

1503

00:55:26,329 --> 00:55:24,959

some more interesting stuff that I had

1504

00:55:27,949 --> 00:55:26,339

never heard so check it out if you're

1505

00:55:30,410 --> 00:55:27,959

interested I also have to thank you guys

1506

00:55:33,079 --> 00:55:30,420

for answering my call last week for a

1507

00:55:34,880 --> 00:55:33,089

little boost THC plus and conspiracies

1508

00:55:36,620 --> 00:55:34,890

this trip seems like it's going to be

1509

00:55:38,779 --> 00:55:36,630

good to go I can't wait to tell you more

1510

00:55:41,989 --> 00:55:38,789

about it and put together some awesome

1511

00:55:44,029 --> 00:55:41,999

footage of some ancient sites it's going

1512

00:55:46,640 --> 00:55:44,039

to be one of the first real big give

1513

00:55:49,069 --> 00:55:46,650

backs to THC plus but I do have another

1514

00:55:50,660 --> 00:55:49,079

one actually lately a lot of people have

1515

00:55:52,339 --> 00:55:50,670

been asking me where they can get the

1516

00:55:54,019 --> 00:55:52,349

closing tracks I've been using for the

1517

00:55:56,209 --> 00:55:54,029

show and several of them were actually

1518

00:55:58,370 --> 00:55:56,219

made for the show so you can't really

1519

00:56:01,130 --> 00:55:58,380

get them anywhere some of them were just

1520

00:56:04,249 --> 00:56:01,140

made by listeners and some I paid for in

1521

00:56:06,709 --> 00:56:04,259

fact I just worked with a musician named

1522

00:56:09,229 --> 00:56:06,719

Lauren Silva for three more cover songs

1523

00:56:11,660 --> 00:56:09,239

with some lyrical changes to make them

1524

00:56:13,819 --> 00:56:11,670

about conspiracy and the higher side

1525

00:56:14,989 --> 00:56:13,829

chats I think they turned out awesome

1526
00:56:17,630 --> 00:56:14,999
and I've been doing this more and more

1527
00:56:19,309 --> 00:56:17,640
because I like it but also because you

1528
00:56:21,439 --> 00:56:19,319
can't go playing music you don't have

1529
00:56:23,839 --> 00:56:21,449
the rights to I got to try to rein that

1530
00:56:25,969 --> 00:56:23,849
in just so we don't have problems down

1531
00:56:28,189 --> 00:56:25,979
the road take a lot of podcasts are kind

1532
00:56:29,420 --> 00:56:28,199
of doing the same but these songs I'm

1533
00:56:31,370 --> 00:56:29,430
talking about I'm going to put them up

1534
00:56:33,469 --> 00:56:31,380
on the plus site to download for free if

1535
00:56:35,239 --> 00:56:33,479
you're interested in them the plus

1536
00:56:36,949 --> 00:56:35,249
people basically paid for them and I

1537
00:56:38,719 --> 00:56:36,959
think they make the show better and now

1538
00:56:41,029 --> 00:56:38,729

they're available if you want to listen

1539

00:56:43,849 --> 00:56:41,039

to them anywhere else other than the end

1540

00:56:45,410 --> 00:56:43,859

of a two-hour podcast also a new CRO

1541

00:56:46,699 --> 00:56:45,420

article is going up today a lot of

1542

00:56:48,829 --> 00:56:46,709

people have been following those and

1543

00:56:51,380 --> 00:56:48,839

he's doing a great job writing them you

1544

00:56:53,599 --> 00:56:51,390

can check that out as well and that's

1545

00:56:55,219 --> 00:56:53,609

really it I did like today's show the

1546

00:56:57,170 --> 00:56:55,229

rhesus negative blood type could

1547

00:56:59,029 --> 00:56:57,180

definitely be a clue to several things

1548

00:57:00,890 --> 00:56:59,039

and it was worth getting into big thanks

1549

00:57:03,589 --> 00:57:00,900

to the outlaw for coming through I'll be

1550

00:57:06,019 --> 00:57:03,599

back in a few short days with another

1551

00:57:09,469 --> 00:57:06,029

interesting topic to say the least

1552

00:57:11,599 --> 00:57:09,479

so take care guys here's one of those

1553

00:57:13,849 --> 00:57:11,609

songs I worked on with Lauren Silva hope

1554

00:57:14,749 --> 00:57:13,859

you like some of the changes and that's

1555

00:57:18,850 --> 00:57:14,759

it from me this week

1556

00:57:24,470 --> 00:57:18,860

your move blue bloods your frickin

1557

00:57:29,840 --> 00:57:24,480

have a drink enough smoke listen to the

1558

00:57:34,820 --> 00:57:29,850

cast shine a shiny spot light but

1559

00:57:40,400 --> 00:57:34,830

criminals on blast the pinstripe man of

1560

00:57:44,240 --> 00:57:40,410

morning and families of Finance do pawn

1561

00:57:48,950 --> 00:57:44,250

Windsor and Rothschild the kids don't

1562

00:57:51,860 --> 00:57:48,960

stand a chance the kids don't the kids

1563

00:57:55,730 --> 00:57:51,870

don't stand the kids don't stand a

1564

00:57:58,760 --> 00:57:55,740

chance I said the kids don't the kids

1565

00:57:59,740 --> 00:57:58,770

don't stand the kids don't stand a

1566

00:58:04,100 --> 00:57:59,750

chance

1567

00:58:08,660 --> 00:58:04,110

we're looking for the answer to

1568

00:58:14,300 --> 00:58:08,670

questions never asked so we come to the

1569

00:58:18,670 --> 00:58:14,310

car wood for the higher side chats the

1570

00:58:23,090 --> 00:58:18,680

pinstripe man of morning and families of

1571

00:58:28,370 --> 00:58:23,100

Finance do pawn Windsor and Rothschild

1572

00:58:31,820 --> 00:58:28,380

the kids don't stand a chance the kids

1573

00:58:33,920 --> 00:58:31,830

don't the kids don't stand the kids

1574

00:58:37,310 --> 00:58:33,930

don't stand a chance

1575

00:58:55,109 --> 00:58:37,320

I said the kids don't the kids don't

1576
00:59:05,430 --> 00:59:00,370
involved in shady business we try to get

1577
00:59:09,940 --> 00:59:05,440
a glance we're working on the numbers

1578
00:59:15,059 --> 00:59:09,950
resistance must advance the pinstripe

1579
00:59:19,870 --> 00:59:15,069
man of morning and families of Finance

1580
00:59:24,609 --> 00:59:19,880
do pawn Windsor and Rothschild the kids

1581
00:59:27,880 --> 00:59:24,619
don't stand a chance the kids don't the

1582
00:59:31,779 --> 00:59:27,890
kids don't stand the kids don't stand a

1583
00:59:34,749 --> 00:59:31,789
chance I said the kids don't the kids

1584
00:59:39,009 --> 00:59:34,759
don't stand the kids don't stand a

1585
00:59:42,549 --> 00:59:39,019
chance the kids don't the kids don't

1586
00:59:46,359 --> 00:59:42,559
stand the kids don't stand a chance I

1587
00:59:55,509 --> 00:59:46,369
said the kids don't the kids don't stand

1588
00:59:57,370 --> 00:59:55,519

the kids don't stand a chance as you mop

1589

00:59:59,620 --> 00:59:57,380

up the remnants of your melted mine

1590

01:00:02,410 --> 00:59:59,630
