1
00:00:37,160 --> 00:00:34,729
happy days are here again people

2
00:00:38,990 --> 00:00:37,170
drinking my drink smoking my smoke and

3
00:00:41,210 --> 00:00:39,000
looking to shine the spotlight in one of

4
00:00:43,790 --> 00:00:41,220
the many dark corners commonly glossed

5
00:00:45,440 --> 00:00:43,800
over or ignored by many of us yet

6
00:00:47,780 --> 00:00:45,450
featured prominently in the work of

7
00:00:49,160 --> 00:00:47,790
today's guests we do come out pretty

8
00:00:50,690 --> 00:00:49,170
hard against the Red Cross and other

9
00:00:53,090 --> 00:00:50,700
charities that seemed to be nothing more

10
00:00:54,920 --> 00:00:53,100
than front groups to siphon more wealth

11
00:00:56,960 --> 00:00:54,930
from the masses and this is important

12
00:00:59,240 --> 00:00:56,970
because when I see one guy like Stephen

13
00:01:01,310 --> 00:00:59,250

Colbert with a wave of his hand fund

14

00:01:03,530 --> 00:01:01,320

every donation request from the schools

15

00:01:05,870 --> 00:01:03,540

of North Carolina or see some of the

16

00:01:07,460 --> 00:01:05,880

success of direct funding websites I

17

00:01:09,230 --> 00:01:07,470

know there's enough abundance and

18

00:01:10,880 --> 00:01:09,240

support out there for the people who are

19

00:01:12,709 --> 00:01:10,890

slipping through the poverty crack or

20

00:01:14,719 --> 00:01:12,719

suffering in the wake of a disaster but

21

00:01:17,239 --> 00:01:14,729

if we don't call out institutionalized

22

00:01:19,010 --> 00:01:17,249

corruption in such a key area as the

23

00:01:20,840 --> 00:01:19,020

charity community we're letting

24

00:01:23,330 --> 00:01:20,850

organizations like the Red Cross and

25

00:01:25,730 --> 00:01:23,340

United Way clog up the pipes of support

26
00:01:27,469 --> 00:01:25,740
skimming more and more each time until

27
00:01:29,899 --> 00:01:27,479
we get to a situation like we had

28
00:01:30,919 --> 00:01:29,909
recently with the Red Cross in Haiti do

29
00:01:33,889 --> 00:01:30,929
you think they're gonna be honest about

30
00:01:35,389 --> 00:01:33,899
the next disaster probably not but

31
00:01:37,580 --> 00:01:35,399
they're still getting funding I think

32
00:01:40,039 --> 00:01:37,590
it's a worthy exploration and includes a

33
00:01:42,319 --> 00:01:40,049
few elements and tie-ins I definitely

34
00:01:44,300 --> 00:01:42,329
wasn't aware of and of course our guest

35
00:01:45,949 --> 00:01:44,310
today John Hamer is really one of the

36
00:01:47,779 --> 00:01:45,959
most premier researchers when it comes

37
00:01:50,120 --> 00:01:47,789
to the Titanic conspiracy and the

38
00:01:52,099 --> 00:01:50,130

multi-pronged attack from JP Morgan &

39

00:01:54,199 --> 00:01:52,109

Associates I'm glad we were able to talk

40

00:01:56,449 --> 00:01:54,209

about that too so because the way THC

41

00:01:59,090 --> 00:01:56,459

splits up we did a half hour on these

42

00:02:01,339 --> 00:01:59,100

corrupt charities an hour on the Titanic

43

00:02:03,230 --> 00:02:01,349

saga and then a swan song of charities

44

00:02:05,749 --> 00:02:03,240

to close it out and I think all you guys

45

00:02:07,879 --> 00:02:05,759

will get a fair dose of both threads

46

00:02:09,800 --> 00:02:07,889

even though John is way more used to

47

00:02:12,290 --> 00:02:09,810

presenting his work in the written form

48

00:02:14,000 --> 00:02:12,300

I've been doing this long enough to help

49

00:02:15,680 --> 00:02:14,010

someone make the best case for their

50

00:02:17,780 --> 00:02:15,690

work and that's what I try to do here so

51
00:02:18,070 --> 00:02:17,790
thanks for giving us your ear and let's

52
00:02:21,490 --> 00:02:18,080
do

53
00:02:22,510 --> 00:02:21,500
damn thing with John Hamer boom have a

54
00:02:28,360 --> 00:02:22,520
drink

55
00:02:33,810 --> 00:02:28,370
in the smoke listen to the cast shiny

56
00:02:38,010 --> 00:02:33,820
shiny spotlight but criminals on blast

57
00:02:43,330 --> 00:02:38,020
the pinstripe man of morning and

58
00:02:47,550 --> 00:02:43,340
families of Finance dupe on Windsor and

59
00:02:52,000 --> 00:02:47,560
Rothschild the kids don't stand a chance

60
00:02:57,160 --> 00:02:52,010
the kids don't the kids don't stand the

61
00:02:59,260 --> 00:02:57,170
kids don't stand a chance alright people

62
00:03:00,850 --> 00:02:59,270
sad as it may be we're well aware that

63
00:03:02,650 --> 00:03:00,860

most of the world's respected

64

00:03:04,720 --> 00:03:02,660

institutions and trusted official

65

00:03:06,699 --> 00:03:04,730

stories would not be so ingrained into

66

00:03:08,290 --> 00:03:06,709

our collective consciousness unless they

67

00:03:10,449 --> 00:03:08,300

serve some purpose for the nefarious

68

00:03:12,010 --> 00:03:10,459

elite and their culture creation machine

69

00:03:13,960 --> 00:03:12,020

so when you hear the names of the

70

00:03:16,150 --> 00:03:13,970

planets largest charities like Red Cross

71

00:03:17,530 --> 00:03:16,160

and UNICEF or you think about a story so

72

00:03:19,510 --> 00:03:17,540

ingrained in everyone's mind like the

73

00:03:21,460 --> 00:03:19,520

freak accident that sunk the Titanic you

74

00:03:23,800 --> 00:03:21,470

got to ask yourself if you're being sold

75

00:03:25,660 --> 00:03:23,810

a lie and in many cases you'll find the

76

00:03:27,160 --> 00:03:25,670

truth to be exactly that and that's

77

00:03:29,050 --> 00:03:27,170

where the work of today's guests comes

78

00:03:30,550 --> 00:03:29,060

in John Hamer is a journalist and author

79

00:03:32,590 --> 00:03:30,560

who's been setting fire to the puppet

80

00:03:34,870 --> 00:03:32,600

masters web of lies for some time now

81

00:03:37,240 --> 00:03:34,880

most notably in his books RMS Olympic

82

00:03:39,670 --> 00:03:37,250

which tackles the truth of the Titanic

83

00:03:41,440 --> 00:03:39,680

sinking saga and a brilliant and lengthy

84

00:03:43,690 --> 00:03:41,450

conspiratorial textbook called the

85

00:03:46,449 --> 00:03:43,700

falsification of history our distorted

86

00:03:48,490 --> 00:03:46,459

reality that weighs in at a hefty 700

87

00:03:50,500 --> 00:03:48,500

pages that sets the record straight on a

88

00:03:52,120 --> 00:03:50,510

whole host of issues today we're getting

89

00:03:53,979 --> 00:03:52,130

creative with some truth-telling that's

90

00:03:55,990 --> 00:03:53,989

a little off the beaten path but no less

91

00:03:58,060 --> 00:03:56,000

important it's an honor a pleasure and a

92

00:03:59,490 --> 00:03:58,070

bona fide tree dab here John my man

93

00:04:01,810 --> 00:03:59,500

welcome to THC

94

00:04:03,400 --> 00:04:01,820

thanks very much Greg it's a pleasure to

95

00:04:05,680 --> 00:04:03,410

be here thank you for inviting me

96

00:04:07,870 --> 00:04:05,690

of course man thanks for being here I am

97

00:04:09,759 --> 00:04:07,880

really pumped for this one I like to do

98

00:04:12,370 --> 00:04:09,769

shows about topics that aren't part of

99

00:04:13,960 --> 00:04:12,380

the conspiracy 101 introductory brochure

100

00:04:16,090 --> 00:04:13,970

that we all get at the meeting and this

101
00:04:17,770 --> 00:04:16,100
is going to be one of them it was kind

102
00:04:19,539 --> 00:04:17,780
of set in motion when I heard the news

103
00:04:21,219 --> 00:04:19,549
that the Red Cross had only built six

104
00:04:23,110 --> 00:04:21,229
homes with the half a billion dollars in

105
00:04:25,480 --> 00:04:23,120
donations they received for rebuilding

106
00:04:28,810 --> 00:04:25,490
Haiti after the big earthquake they had

107
00:04:30,810 --> 00:04:28,820
in 2010 and I thought this cannot be an

108
00:04:32,520 --> 00:04:30,820
isolated incident even the name red

109
00:04:34,920 --> 00:04:32,530
sounds like something cooked up by a

110
00:04:36,570 --> 00:04:34,930
secret society and I kind of set off to

111
00:04:38,610 --> 00:04:36,580
find anyone who tackled this piece of

112
00:04:40,710 --> 00:04:38,620
the puzzle to a larger extent I came

113
00:04:42,660 --> 00:04:40,720

across your work and found several great

114

00:04:44,460 --> 00:04:42,670

things to talk about but I guess to

115

00:04:46,290 --> 00:04:44,470

start with the Red Cross this Haiti

116

00:04:48,120 --> 00:04:46,300

situation is far from the first time

117

00:04:49,650 --> 00:04:48,130

they've double-crossed the people that

118

00:04:51,750 --> 00:04:49,660

they claim they want to help isn't it

119

00:04:54,060 --> 00:04:51,760

absolutely I mean it's just an ongoing

120

00:04:56,100 --> 00:04:54,070

saga Greg give it to the Frank and I

121

00:04:58,560 --> 00:04:56,110

mean this has been going on at least

122

00:05:01,290 --> 00:04:58,570

since World War two and probably before

123

00:05:02,430 --> 00:05:01,300

then to the Red Cross were caught

124

00:05:05,910 --> 00:05:02,440

red-handed

125

00:05:09,030 --> 00:05:05,920

as it were actually stealing from not

126

00:05:11,280 --> 00:05:09,040

just individual Red Cross parcels but

127

00:05:14,070 --> 00:05:11,290

honor on an industrial scale from Red

128

00:05:16,710 --> 00:05:14,080

Cross parcels they've been absolutely up

129

00:05:18,870 --> 00:05:16,720

to their necks in in the conspiracy

130

00:05:21,540 --> 00:05:18,880

world if you like for a long long time

131

00:05:23,010 --> 00:05:21,550

and I suppose the Haiti one is just it's

132

00:05:25,410 --> 00:05:23,020

just the latest in a long series of

133

00:05:27,480 --> 00:05:25,420

stuff that they've got up to behind the

134

00:05:28,680 --> 00:05:27,490

scenes I know you're gonna come on to it

135

00:05:30,270 --> 00:05:28,690

later but I don't want to single out the

136

00:05:33,180 --> 00:05:30,280

Red Cross for any special attention

137

00:05:35,700 --> 00:05:33,190

because believe me they're all at it you

138

00:05:37,860 --> 00:05:35,710

know the Red Cross is just one one small

139

00:05:40,590 --> 00:05:37,870

example but you can bet your life that

140

00:05:42,000 --> 00:05:40,600

if it's got the label of a large charity

141

00:05:44,610 --> 00:05:42,010

then there are all sorts of nefarious

142

00:05:46,020 --> 00:05:44,620

things going on behind the scenes and as

143

00:05:47,850 --> 00:05:46,030

I say the Red Cross is just one of them

144

00:05:49,290 --> 00:05:47,860

yeah I mean your first clue should be

145

00:05:52,170 --> 00:05:49,300

that it's a household name and it's

146

00:05:53,700 --> 00:05:52,180

lasted for decades that's because they

147

00:05:56,880 --> 00:05:53,710

don't just let things like that

148

00:05:59,370 --> 00:05:56,890

stick around no no I mean the out

149

00:06:02,130 --> 00:05:59,380

getting a little bit deeper perhaps but

150

00:06:03,720 --> 00:06:02,140

but it's safe to say that you know if a

151

00:06:05,550 --> 00:06:03,730

if a charity has been around so long

152

00:06:07,860 --> 00:06:05,560

it's obviously failing and what it's

153

00:06:09,240 --> 00:06:07,870

trying to achieve you know is it may be

154

00:06:12,480 --> 00:06:09,250

a simplistic way of looking at it but

155

00:06:14,340 --> 00:06:12,490

that's what I believe you know it's not

156

00:06:16,080 --> 00:06:14,350

actually solving the problems it's meant

157

00:06:18,570 --> 00:06:16,090

to be there to solve because it's still

158

00:06:20,640 --> 00:06:18,580

in existence so it's quite a paradox

159

00:06:23,430 --> 00:06:20,650

really yeah I actually think that's a

160

00:06:25,410 --> 00:06:23,440

great point and yeah in your piece about

161

00:06:27,120 --> 00:06:25,420

the Red Cross you write that the

162

00:06:28,800 --> 00:06:27,130

International Red Cross like the

163

00:06:31,020 --> 00:06:28,810

International Monetary Fund and the

164

00:06:33,270 --> 00:06:31,030

World Bank is an elite controlled front

165

00:06:34,890 --> 00:06:33,280

organization whose true purpose is the

166

00:06:36,900 --> 00:06:34,900

complete opposite from their stated

167

00:06:40,770 --> 00:06:36,910

purpose and I think that's really a

168

00:06:43,590 --> 00:06:40,780

great way to sum it up can you give us a

169

00:06:44,589 --> 00:06:43,600

little bit of detail about the actions

170

00:06:47,320 --> 00:06:44,599

that they they

171

00:06:48,790 --> 00:06:47,330

performed that show that they are kind

172

00:06:52,059 --> 00:06:48,800

of in it for the opposite of their

173

00:06:54,449 --> 00:06:52,069

stated purpose well for example every

174

00:06:57,489 --> 00:06:54,459

time that there's a so-called disaster

175

00:07:00,909 --> 00:06:57,499

most of them as many of the listeners

176
00:07:02,139 --> 00:07:00,919
will know were far from being accidental

177
00:07:04,029 --> 00:07:02,149
they're that old most of them are

178
00:07:07,089 --> 00:07:04,039
contrived anyway but but take Hurricane

179
00:07:08,739 --> 00:07:07,099
Katrina for example the Red Cross always

180
00:07:11,679 --> 00:07:08,749
are always at the forefront of the money

181
00:07:14,980 --> 00:07:11,689
raising to actually get the funds to

182
00:07:16,869 --> 00:07:14,990
supposedly aid the poor victims but

183
00:07:18,999 --> 00:07:16,879
unfortunately it's been proven time and

184
00:07:21,609 --> 00:07:19,009
time again that the money that the Red

185
00:07:24,939 --> 00:07:21,619
Cross takes in the audited figures that

186
00:07:27,939 --> 00:07:24,949
the Red Cross publish those totals never

187
00:07:31,629 --> 00:07:27,949
actually get put where they need to be

188
00:07:34,629 --> 00:07:31,639

in other words to to actually alleviate

189

00:07:36,549 --> 00:07:34,639

the suffering caused by the in inverted

190

00:07:39,129 --> 00:07:36,559

commas in in quote marks natural

191

00:07:40,929 --> 00:07:39,139

disasters time and time again they've

192

00:07:44,499 --> 00:07:40,939

been caught with that with the hands in

193

00:07:46,869 --> 00:07:44,509

the in the tail so to speak and it's

194

00:07:50,109 --> 00:07:46,879

just monotonous regularity that they are

195

00:07:51,609 --> 00:07:50,119

constantly being caught out with things

196

00:07:53,820 --> 00:07:51,619

like the Haiti thing that you mentioned

197

00:07:56,439 --> 00:07:53,830

at the beginning and Hurricane Katrina

198

00:07:59,739 --> 00:07:56,449

something else was the the Japanese

199

00:08:03,129 --> 00:07:59,749

tsunami they absolutely blast the

200

00:08:06,850 --> 00:08:03,139

airwaves with heart-rending pleas for

201

00:08:09,219 --> 00:08:06,860

blood for money but I can tell you this

202

00:08:11,409 --> 00:08:09,229

it never actually goes where it's

203

00:08:12,790 --> 00:08:11,419

supposed to go or the right amount never

204

00:08:15,759 --> 00:08:12,800

actually goes where it's supposed to go

205

00:08:17,019 --> 00:08:15,769

yeah you actually have in terms of some

206

00:08:19,689 --> 00:08:17,029

of the things you had mentioned some of

207

00:08:21,699 --> 00:08:19,699

the disasters that had happened I wrote

208

00:08:23,799 --> 00:08:21,709

down here a couple notes you write that

209

00:08:26,469 --> 00:08:23,809

following the disaster of San Francisco

210

00:08:28,659 --> 00:08:26,479

earthquake in 1989 the Red Cross donated

211

00:08:30,449 --> 00:08:28,669

only 10 million of the 50 million that

212

00:08:33,159 --> 00:08:30,459

they raised and they kept the rest also

213

00:08:36,670 --> 00:08:33,169

following the Oklahoma City bombing in

214

00:08:38,649 --> 00:08:36,680

95 and the Red River flooding in 97 most

215

00:08:41,379 --> 00:08:38,659

of those donations were withheld as well

216

00:08:43,990 --> 00:08:41,389

so I mean we're talking about taking

217

00:08:46,420 --> 00:08:44,000

millions of dollars in donating maybe

218

00:08:47,800 --> 00:08:46,430

10% just to make it look like you're

219

00:08:49,629 --> 00:08:47,810

actually doing something and with this

220

00:08:52,120 --> 00:08:49,639

Haiti thing building six houses it

221

00:08:53,799 --> 00:08:52,130

seemed like they just took that greed to

222

00:08:55,809 --> 00:08:53,809

a ridiculous level because they're kind

223

00:08:57,460 --> 00:08:55,819

of off the radar in terms of anyone

224

00:08:57,850 --> 00:08:57,470

prosecuting them because they're in the

225

00:08:59,889 --> 00:08:57,860

club

226

00:09:01,860 --> 00:08:59,899

but they they got a little greedy with

227

00:09:04,449 --> 00:09:01,870

that one that one was a little bald

228

00:09:06,490 --> 00:09:04,459

absolutely I mean well their official

229

00:09:09,819 --> 00:09:06,500

position is you know their stated

230

00:09:11,410 --> 00:09:09,829

position is that they donate 91 cents on

231

00:09:14,199 --> 00:09:11,420

the dollar to the courses that they're

232

00:09:16,710 --> 00:09:14,209

supposed to go to but in actual fact as

233

00:09:18,790 --> 00:09:16,720

you say it's a lot less than that and

234

00:09:21,190 --> 00:09:18,800

personally I would love to know where

235

00:09:23,530 --> 00:09:21,200

that money is going I know where some of

236

00:09:26,410 --> 00:09:23,540

its going but it's a little difficult to

237

00:09:29,110 --> 00:09:26,420

prove it of course but there are other

238

00:09:31,780 --> 00:09:29,120

instance of it being siphoned away into

239

00:09:34,389 --> 00:09:31,790

into shall we say other less worthy

240

00:09:35,610 --> 00:09:34,399

causes shall we say for example well

241

00:09:37,750 --> 00:09:35,620

let's talk about that but where

242

00:09:41,050 --> 00:09:37,760

specifically would you speculate that

243

00:09:42,550 --> 00:09:41,060

the money is going well I guess it's

244

00:09:46,920 --> 00:09:42,560

going into the pockets of the people at

245

00:09:51,160 --> 00:09:46,930

the top yeah I hope I'm not being too

246

00:09:53,160 --> 00:09:51,170

unkind by saying that but a little while

247

00:09:56,680 --> 00:09:53,170

ago that the president of the Red Cross

248

00:09:59,680 --> 00:09:56,690

she's no longer now but dr. Bernardin

249

00:10:03,370 --> 00:09:59,690

Haley was actually openly accused of

250

00:10:07,180 --> 00:10:03,380

withholding funds and her arrogant

251
00:10:09,569 --> 00:10:07,190
response was that that they had to set

252
00:10:13,810 --> 00:10:09,579
up a war fund they weren't withholding

253
00:10:15,730 --> 00:10:13,820
from specifically from any given

254
00:10:18,670 --> 00:10:15,740
disaster they were sadly using them to

255
00:10:20,500 --> 00:10:18,680
set up a war fund she said it is that

256
00:10:22,329 --> 00:10:20,510
it's evolved into a war fund we must

257
00:10:24,370 --> 00:10:22,339
have blood readiness we must have the

258
00:10:26,470 --> 00:10:24,380
ability to help our troops if we go into

259
00:10:28,870 --> 00:10:26,480
a ground war we must have the ability to

260
00:10:30,579 --> 00:10:28,880
help the victims of tomorrow well that's

261
00:10:32,470 --> 00:10:30,589
not their mandate you know she's no

262
00:10:35,230 --> 00:10:32,480
right to say that it's not their

263
00:10:37,150 --> 00:10:35,240

business to start collecting money for

264

00:10:39,009 --> 00:10:37,160

future Wars that may not even happen

265

00:10:41,380 --> 00:10:39,019

they're supposed to collect money for

266

00:10:44,439 --> 00:10:41,390

disasters that are current and actually

267

00:10:46,300 --> 00:10:44,449

deal with those not start a fund for

268

00:10:47,889 --> 00:10:46,310

something in the future that's not how

269

00:10:50,560 --> 00:10:47,899

it's supposed to work I'm afraid and

270

00:10:52,689 --> 00:10:50,570

that's just so typical of the you know

271

00:10:54,910 --> 00:10:52,699

the the way the charities work that

272

00:10:58,449 --> 00:10:54,920

they're a lawn to themselves they're not

273

00:11:01,150 --> 00:10:58,459

really accountable enough to outside

274

00:11:03,819 --> 00:11:01,160

organizations the money just falls into

275

00:11:05,050 --> 00:11:03,829

a bottomless pit into a black hole and

276

00:11:06,939 --> 00:11:05,060

it's never seen again

277

00:11:09,370 --> 00:11:06,949

most of the time yeah I thought that was

278

00:11:11,170 --> 00:11:09,380

actually a great little quote you had

279

00:11:13,750 --> 00:11:11,180

from that previous president because

280

00:11:15,700 --> 00:11:13,760

it's just an example of a little crack

281

00:11:17,500 --> 00:11:15,710

in the armor we actually get to see

282

00:11:20,110 --> 00:11:17,510

through the lie a little bit yeah

283

00:11:22,870 --> 00:11:20,120

another example kind of in line with

284

00:11:25,060 --> 00:11:22,880

that that war fun thing was after 9/11

285

00:11:27,670 --> 00:11:25,070

or during 9/11 they opened up the

286

00:11:29,410 --> 00:11:27,680

Liberty fund and this is a great example

287

00:11:31,090 --> 00:11:29,420

of the corruption because apparently

288

00:11:33,190 --> 00:11:31,100

they got five hundred and sixty four

289

00:11:35,079 --> 00:11:33,200

million from donations around the world

290

00:11:37,060 --> 00:11:35,089

and only released about a hundred and

291

00:11:37,570 --> 00:11:37,070

fifty million and that's pretty messed

292

00:11:40,000 --> 00:11:37,580

up

293

00:11:42,430 --> 00:11:40,010

that's exactly right what did the other

294

00:11:44,170 --> 00:11:42,440

400 million go I'd love to know but I

295

00:11:48,610 --> 00:11:44,180

don't suppose we'll ever ever find out

296

00:11:50,829 --> 00:11:48,620

right I'm gonna tell us exactly so do we

297

00:11:52,900 --> 00:11:50,839

know much about who started the Red

298

00:11:56,190 --> 00:11:52,910

Cross or how they came to be that could

299

00:11:58,030 --> 00:11:56,200

maybe give us some clues as to how

300

00:12:00,310 --> 00:11:58,040

dastardly they really are was this a

301
00:12:02,050 --> 00:12:00,320
disaster racket as you put it from day

302
00:12:05,050 --> 00:12:02,060
one I

303
00:12:06,790 --> 00:12:05,060
I'm not so sure actually I wouldn't want

304
00:12:09,970 --> 00:12:06,800
to go stick my neck out and say that

305
00:12:14,290 --> 00:12:09,980
much I think maybe at the beginning it

306
00:12:17,199 --> 00:12:14,300
was meant to be beneficial shall we say

307
00:12:18,850 --> 00:12:17,209
in the event of emergencies but it's

308
00:12:20,650 --> 00:12:18,860
difficult to say I don't really know the

309
00:12:23,710 --> 00:12:20,660
answer to that to be honest yeah

310
00:12:25,420 --> 00:12:23,720
apparently another element to the 9/11

311
00:12:27,970 --> 00:12:25,430
thing that I thought was interesting is

312
00:12:29,710 --> 00:12:27,980
they asked for a lot of blood donations

313
00:12:31,449 --> 00:12:29,720

which is a little odd because who would

314

00:12:34,720 --> 00:12:31,459

the blood be for a large majority the

315

00:12:36,670 --> 00:12:34,730

victims would be dead and of course for

316

00:12:39,640 --> 00:12:36,680

them blood is a commodity that they can

317

00:12:42,160 --> 00:12:39,650

sell but you also stated that they also

318

00:12:43,870 --> 00:12:42,170

use blood donations for things the

319

00:12:45,790 --> 00:12:43,880

public isn't privy to now we've been

320

00:12:47,860 --> 00:12:45,800

down a lot of strange rabbit holes on

321

00:12:50,890 --> 00:12:47,870

this show so I'm curious what you think

322

00:12:51,730 --> 00:12:50,900

they could be using blood for okay well

323

00:12:53,320 --> 00:12:51,740

first of all let me say you're

324

00:12:56,019 --> 00:12:53,330

absolutely right what you say what you

325

00:12:59,380 --> 00:12:56,029

just said I suppose what I believe that

326

00:13:02,620 --> 00:12:59,390

they use the blood for is is things that

327

00:13:05,110 --> 00:13:02,630

perhaps people would find at totally

328

00:13:07,720 --> 00:13:05,120

abhorrent and that is satanic rituals

329

00:13:09,880 --> 00:13:07,730

that kind of thing again I don't know

330

00:13:12,040 --> 00:13:09,890

whether you really want to go down this

331

00:13:14,829 --> 00:13:12,050

road particularly or not it's a very

332

00:13:16,990 --> 00:13:14,839

deep and dark hole I'm afraid if we do

333

00:13:18,319 --> 00:13:17,000

but I suspect there is that kind of

334

00:13:20,629 --> 00:13:18,329

thing going on

335

00:13:22,039 --> 00:13:20,639

I think most people are aware most

336

00:13:25,160 --> 00:13:22,049

people in the conspiracy world they're

337

00:13:28,129 --> 00:13:25,170

aware that these people these elite at

338

00:13:31,309 --> 00:13:28,139

the top are well into satanic rituals

339

00:13:33,799 --> 00:13:31,319

and and also on all sorts of murky

340

00:13:36,679 --> 00:13:33,809

practices and I suspect that some of the

341

00:13:39,799 --> 00:13:36,689

blood is certainly used in shall we say

342

00:13:42,619 --> 00:13:39,809

quite unsavory rituals yeah I mean I'm

343

00:13:45,139 --> 00:13:42,629

totally comfortable getting weird as

344

00:13:46,669 --> 00:13:45,149

much as you are but it is kind of that's

345

00:13:48,439 --> 00:13:46,679

where we get into that area where it's

346

00:13:50,689 --> 00:13:48,449

kind of hard to prove these are rumors

347

00:13:53,210 --> 00:13:50,699

and whispers and speculation but if

348

00:13:54,619 --> 00:13:53,220

they're doing satanic rituals we've hear

349

00:13:56,809 --> 00:13:54,629

a lot of things about the pedophilia

350

00:13:58,669 --> 00:13:56,819

Network of the elite that kids get used

351

00:14:00,979 --> 00:13:58,679

in these rituals it makes sense that

352

00:14:04,129 --> 00:14:00,989

blood would as well I've also heard that

353

00:14:07,850 --> 00:14:04,139

the top top elite they're trying to

354

00:14:10,069 --> 00:14:07,860

prolong their lives and in the past when

355

00:14:11,539 --> 00:14:10,079

before they had the technologies of

356

00:14:13,449 --> 00:14:11,549

today where we're getting into the

357

00:14:15,910 --> 00:14:13,459

transhumanist agenda they used to

358

00:14:18,289 --> 00:14:15,920

apparently do like full blood

359

00:14:20,419 --> 00:14:18,299

transfusions to try to restore their

360

00:14:23,379 --> 00:14:20,429

youth and that's another weird and

361

00:14:26,629 --> 00:14:23,389

fringe way they could be using the blood

362

00:14:29,419 --> 00:14:26,639

absolutely I mean there's all sorts of

363

00:14:31,579 --> 00:14:29,429

rumors are bounding about David

364

00:14:35,449 --> 00:14:31,589

Rockefeller for example is just turned

365

00:14:38,479 --> 00:14:35,459

100 only and they say that is ad blood

366

00:14:41,629 --> 00:14:38,489

transfusions and heart transplants by

367

00:14:43,189 --> 00:14:41,639

the yeah by the bucketload to keep him

368

00:14:45,799 --> 00:14:43,199

going whether that's true or not it's

369

00:14:48,530 --> 00:14:45,809

only speculation but it's certainly an

370

00:14:50,389 --> 00:14:48,540

interesting idea it is and it's still an

371

00:14:52,159 --> 00:14:50,399

interesting fact that they would ask for

372

00:14:54,259 --> 00:14:52,169

blood in such high quantities at an

373

00:14:56,210 --> 00:14:54,269

event like 9/11 because it doesn't

374

00:14:59,299 --> 00:14:56,220

really fit what they should have been

375

00:15:02,289 --> 00:14:59,309

going for no I mean obviously relatively

376

00:15:03,470 --> 00:15:02,299

speaking on 9/11 there were very few

377

00:15:05,960 --> 00:15:03,480

injuries

378

00:15:09,139 --> 00:15:05,970

you know comparatively speaking and most

379

00:15:11,229 --> 00:15:09,149

people died as you said earlier so what

380

00:15:13,850 --> 00:15:11,239

on earth did they do with all our blood

381

00:15:17,210 --> 00:15:13,860

presumably they sold some of it but

382

00:15:20,419 --> 00:15:17,220

again it's all speculation but it's

383

00:15:22,129 --> 00:15:20,429

quite an interesting speculation as to

384

00:15:24,710 --> 00:15:22,139

as to what else may have been going on

385

00:15:26,989 --> 00:15:24,720

with it yeah it is and let's talk about

386

00:15:29,059 --> 00:15:26,999

the I guess the current president of the

387

00:15:32,240 --> 00:15:29,069

organization a little bit Marsha Evans

388

00:15:35,060 --> 00:15:32,250

do you know much about her dr. Walton

389

00:15:37,550 --> 00:15:35,070

I'm sorry I don't to be honest we do

390

00:15:42,440 --> 00:15:37,560

know her salary he wrote that in 2012

391

00:15:45,830 --> 00:15:42,450

that her salary was 651 thousand dollars

392

00:15:48,080 --> 00:15:45,840

and per year and the total revenue of

393

00:15:51,140 --> 00:15:48,090

the Red Cross was well in excess of

394

00:15:53,000 --> 00:15:51,150

three billion I mean you guys you can be

395

00:15:54,740 --> 00:15:53,010

a devil's advocate and say oh a person

396

00:15:56,300 --> 00:15:54,750

handling a three billion dollar fund

397

00:15:58,760 --> 00:15:56,310

should be paid well but I mean we're

398

00:16:00,530 --> 00:15:58,770

talking close to like six six hundred

399

00:16:03,080 --> 00:16:00,540

and fifty thousand dollars it's a little

400

00:16:04,820 --> 00:16:03,090

much and three billion a year if they

401
00:16:07,040 --> 00:16:04,830
really were trying to do good think

402
00:16:10,010 --> 00:16:07,050
about the amount of good that could do

403
00:16:12,200 --> 00:16:10,020
on an annual basis yeah and that was in

404
00:16:13,820 --> 00:16:12,210
2012 of course so you know the figures

405
00:16:15,920 --> 00:16:13,830
may have changed and certainly and

406
00:16:18,460 --> 00:16:15,930
certainly we won't have gone down not so

407
00:16:21,580 --> 00:16:18,470
sure so they're either similar or

408
00:16:24,680 --> 00:16:21,590
they're out they are considerably more

409
00:16:26,660 --> 00:16:24,690
yeah six hundred and fifty one thousand

410
00:16:28,520 --> 00:16:26,670
dollars is an obscene amount of money

411
00:16:31,760 --> 00:16:28,530
for someone who purports to be the head

412
00:16:35,960 --> 00:16:31,770
of a charitable organization to to earn

413
00:16:37,400 --> 00:16:35,970

you know you would think that someone in

414

00:16:39,350 --> 00:16:37,410

that position would have a little bit of

415

00:16:41,990 --> 00:16:39,360

compassion and say that I will do this

416

00:16:44,870 --> 00:16:42,000

job for a reasonable salary I'm not

417

00:16:47,600 --> 00:16:44,880

expecting that that the woman should

418

00:16:50,930 --> 00:16:47,610

should live on 20,000 a year or anything

419

00:16:53,450 --> 00:16:50,940

but you know 650 1,000 I mean come on

420

00:16:56,240 --> 00:16:53,460

that's taking me yeah taking the Mickey

421

00:16:58,190 --> 00:16:56,250

yeah that's a little excessive and when

422

00:17:00,860 --> 00:16:58,200

we're talking about these charities I

423

00:17:02,630 --> 00:17:00,870

see a real parallel with groups like the

424

00:17:04,189 --> 00:17:02,640

Freemasons who are considered by the

425

00:17:05,900 --> 00:17:04,199

mainstream to just be a group of good

426

00:17:07,429 --> 00:17:05,910

old guys who get together for a couple

427

00:17:09,740 --> 00:17:07,439

of beers and are largely a charitable

428

00:17:11,870 --> 00:17:09,750

organization but then yeah what they

429

00:17:14,150 --> 00:17:11,880

really seem to do is they use the

430

00:17:16,340 --> 00:17:14,160

lower-level members to actually go out

431

00:17:17,630 --> 00:17:16,350

there and do philanthropy and be a part

432

00:17:20,300 --> 00:17:17,640

of the community and that's just a small

433

00:17:22,640 --> 00:17:20,310

fraction of their actual wealth and then

434

00:17:25,189 --> 00:17:22,650

at the top of the pyramid there they've

435

00:17:27,530 --> 00:17:25,199

got other agendas real goals of wealth

436

00:17:29,780 --> 00:17:27,540

and power at the top and I think so

437

00:17:32,810 --> 00:17:29,790

there's a kind of a parallel with these

438

00:17:35,240 --> 00:17:32,820

charities there is indeed I mean most of

439

00:17:36,920 --> 00:17:35,250

the you know workers on the ground floor

440

00:17:38,540 --> 00:17:36,930

of the Red Cross and many of the big

441

00:17:41,390 --> 00:17:38,550

charities don't even get paid they're

442

00:17:44,480 --> 00:17:41,400

all volunteers and to be frank they're

443

00:17:45,710 --> 00:17:44,490

just being used I mean unfortunately you

444

00:17:47,210 --> 00:17:45,720

know I feel sorry for them really

445

00:17:49,100 --> 00:17:47,220

because they don't even know what's

446

00:17:50,779 --> 00:17:49,110

going on above their heads they just

447

00:17:55,250 --> 00:17:50,789

believe that they're working for a very

448

00:17:58,399 --> 00:17:55,260

worthy cause and you know they give

449

00:18:00,470 --> 00:17:58,409

their time freely and for nothing you

450

00:18:02,960 --> 00:18:00,480

know it's it's a sad state of affairs

451

00:18:05,390 --> 00:18:02,970

really yeah and also the people who

452

00:18:07,310 --> 00:18:05,400

donate I mean these we so many people

453

00:18:09,409 --> 00:18:07,320

are spread pretty thin yet they still

454

00:18:10,820 --> 00:18:09,419

want to give when something happens I

455

00:18:13,580 --> 00:18:10,830

mean you use the term in the book

456

00:18:15,919 --> 00:18:13,590

emotional blackmail which is such a good

457

00:18:18,560 --> 00:18:15,929

way of putting what what these media

458

00:18:20,750 --> 00:18:18,570

companies do and of course we know that

459

00:18:23,510 --> 00:18:20,760

a lot of different arms of the

460

00:18:25,010 --> 00:18:23,520

conspiracy squid work together and one

461

00:18:27,440 --> 00:18:25,020

of those would be the media and another

462

00:18:30,110 --> 00:18:27,450

one being these charities and it seems

463

00:18:32,330 --> 00:18:30,120

like when a disaster happens the media

464

00:18:34,700 --> 00:18:32,340

plays a serious role in making sure that

465

00:18:36,440 --> 00:18:34,710

United Way and the Red Cross are the

466

00:18:38,899 --> 00:18:36,450

first and biggest things you hear about

467

00:18:41,419 --> 00:18:38,909

you also wrote that like on Yahoo's

468

00:18:44,210 --> 00:18:41,429

homepage they took a spot out a banner

469

00:18:45,950 --> 00:18:44,220

ad for one charity and they gave it to

470

00:18:48,020 --> 00:18:45,960

of course the Red Cross so this is a big

471

00:18:49,789 --> 00:18:48,030

circle jerk and none of this money is

472

00:18:51,549 --> 00:18:49,799

really getting where it needs to go but

473

00:18:54,200 --> 00:18:51,559

by playing that role the media

474

00:18:56,330 --> 00:18:54,210

overshadows all these organizations that

475

00:18:58,820 --> 00:18:56,340

might be a little more honest yeah

476

00:19:00,740 --> 00:18:58,830

absolutely I actually think that in a

477

00:19:04,730 --> 00:19:00,750

way they enjoy they enjoy laughing it's

478

00:19:07,279 --> 00:19:04,740

as I believe it sounds rather trite but

479

00:19:09,169 --> 00:19:07,289

I actually do believe that they they do

480

00:19:11,120 --> 00:19:09,179

have a good ol laugh about it you know

481

00:19:15,020 --> 00:19:11,130

that about taking us the mugs you know

482

00:19:16,610 --> 00:19:15,030

those mug punters yeah yeah and another

483

00:19:19,310 --> 00:19:16,620

element to this let's talk about these

484

00:19:21,169 --> 00:19:19,320

professional charity patrons guys like

485

00:19:23,840 --> 00:19:21,179

Bono which I always thought there was

486

00:19:26,840 --> 00:19:23,850

something off and fishy about Bono and

487

00:19:28,730 --> 00:19:26,850

him yeah you know rubbin elbows with the

488

00:19:30,649 --> 00:19:28,740

elite and kissing the Queen on the

489

00:19:32,419 --> 00:19:30,659

cheeks but yet he's some big

490

00:19:33,799 --> 00:19:32,429

philanthropist and there's a guy I'm like

491

00:19:36,380 --> 00:19:33,809

there's got to be something darker to

492

00:19:38,570 --> 00:19:36,390

this [h__h] yeah then also there's this

493

00:19:40,010 --> 00:19:38,580

Robert Geldof guy I guess he's another

494

00:19:43,070 --> 00:19:40,020

one on your side of the pond

495

00:19:45,919 --> 00:19:43,080

yeah Bob Geldof I mean he was the some

496

00:19:48,470 --> 00:19:45,929

some older listeners may remember him as

497

00:19:51,950 --> 00:19:48,480

the lead singer in the pop band the

498

00:19:55,370 --> 00:19:51,960

Boomtown Rats in the 70s and he's become

499

00:19:58,610 --> 00:19:55,380

I would say like a charity entrepreneur

500

00:19:59,360 --> 00:19:58,620

if you like and he's always regarded by

501
00:20:01,310 --> 00:19:59,370
that

502
00:20:05,120 --> 00:20:01,320
the masses in this country anyway as a

503
00:20:07,910 --> 00:20:05,130
sort of a hero a superhero who who looks

504
00:20:09,440 --> 00:20:07,920
after the poor and needy and he raises

505
00:20:12,260 --> 00:20:09,450
all this money for them you know good

506
00:20:15,260 --> 00:20:12,270
old Bob but really is just in league

507
00:20:19,090 --> 00:20:15,270
with them and and one of the things that

508
00:20:22,670 --> 00:20:19,100
he organized was the y8 concerts in in

509
00:20:24,350 --> 00:20:22,680
was it 2005 it was atfirst years 30th

510
00:20:25,370 --> 00:20:24,360
anniversary of library I don't know

511
00:20:27,320 --> 00:20:25,380
whether you're a bit too young to

512
00:20:30,560 --> 00:20:27,330
remember all that Greg but it was all a

513
00:20:33,500 --> 00:20:30,570

big charity done for the poor in Africa

514

00:20:36,290 --> 00:20:33,510

etc etc and they raised tens and tens of

515

00:20:38,540 --> 00:20:36,300

millions it was a worldwide thing mm-hmm

516

00:20:40,640 --> 00:20:38,550

that was always one big scam as it

517

00:20:43,430 --> 00:20:40,650

turned out because all they were doing

518

00:20:45,740 --> 00:20:43,440

was using the money to pay off the the

519

00:20:48,080 --> 00:20:45,750

debt to the people at the IMF and the

520

00:20:51,140 --> 00:20:48,090

World Bank that had lent the third world

521

00:20:53,030 --> 00:20:51,150

countries obscene amounts of money and

522

00:20:55,580 --> 00:20:53,040

then completely hammered them with

523

00:20:57,890 --> 00:20:55,590

interest rates and that's all that the

524

00:20:59,990 --> 00:20:57,900

money raised was useful to pay off the

525

00:21:02,150 --> 00:21:00,000

debts to the to the World Bank and the

526

00:21:04,070 --> 00:21:02,160

IMF basically yeah so with them

527

00:21:05,630 --> 00:21:04,080

there was another ripoff that is one of

528

00:21:07,930 --> 00:21:05,640

the elements that I think is most

529

00:21:10,580 --> 00:21:07,940

fascinating and kind of complex and

530

00:21:11,990 --> 00:21:10,590

something that people probably hadn't

531

00:21:13,850 --> 00:21:12,000

put together on their own because I sure

532

00:21:15,410 --> 00:21:13,860

didn't but we have talked to John

533

00:21:18,410 --> 00:21:15,420

Perkins who wrote the book Confessions

534

00:21:22,040 --> 00:21:18,420

of an economic hitman and we've been

535

00:21:23,870 --> 00:21:22,050

down the road of how they send you know

536

00:21:25,490 --> 00:21:23,880

these big multinationals and the elite

537

00:21:28,280 --> 00:21:25,500

they send these people into third world

538

00:21:30,140 --> 00:21:28,290

nations get them to take huge loans they

539

00:21:32,030 --> 00:21:30,150

can never pay back get them to sell off

540

00:21:33,370 --> 00:21:32,040

their natural resources to corporations

541

00:21:36,020 --> 00:21:33,380

who charge them for their own

542

00:21:38,240 --> 00:21:36,030

commodities and then they get into such

543

00:21:39,800 --> 00:21:38,250

a debt and we've heard that story but

544

00:21:42,650 --> 00:21:39,810

then there's another step to it the

545

00:21:46,400 --> 00:21:42,660

second step is to bring in your own crew

546

00:21:48,680 --> 00:21:46,410

of Bono and u2 and all these big-name

547

00:21:52,100 --> 00:21:48,690

acts who do these huge benefit concerts

548

00:21:53,630 --> 00:21:52,110

to raise money for the loans that they

549

00:21:55,640 --> 00:21:53,640

force these nations to take they're

550

00:21:58,040 --> 00:21:55,650

basically paying themselves off and the

551
00:22:00,920 --> 00:21:58,050
poor people are left there still with

552
00:22:02,120 --> 00:22:00,930
nothing absolutely and you know they

553
00:22:04,310 --> 00:22:02,130
give us the impression that our

554
00:22:06,350 --> 00:22:04,320
hard-earned money is going towards you

555
00:22:08,450 --> 00:22:06,360
know starving children and in the back

556
00:22:10,190 --> 00:22:08,460
waters of Africa but in actual fact it's

557
00:22:11,820 --> 00:22:10,200
going straight into the coffers of the

558
00:22:15,180 --> 00:22:11,830
IMF you know which

559
00:22:17,700 --> 00:22:15,190
totally obscene in my view which is

560
00:22:19,590 --> 00:22:17,710
absolutely outrageous to be frank it is

561
00:22:22,170 --> 00:22:19,600
ridiculous because they're they're

562
00:22:24,270 --> 00:22:22,180
basically taking the the charity of

563
00:22:26,280 --> 00:22:24,280

people around the world who recognize

564

00:22:29,100 --> 00:22:26,290

poverty and want to do something about

565

00:22:31,010 --> 00:22:29,110

it and it just never gets there it's

566

00:22:33,780 --> 00:22:31,020

kind of like if a guy takes out a

567

00:22:36,510 --> 00:22:33,790

massive loan from a loan shark and then

568

00:22:38,970 --> 00:22:36,520

that loan shark then has a fundraiser to

569

00:22:41,640 --> 00:22:38,980

pay off that debt it's just a guy you

570

00:22:43,230 --> 00:22:41,650

know having a party to pay himself and

571

00:22:46,100 --> 00:22:43,240

that the poor guy is still sitting there

572

00:22:47,460 --> 00:22:46,110

he never had anything to begin with

573

00:22:50,460 --> 00:22:47,470

exactly yeah

574

00:22:55,290 --> 00:22:50,470

just about sums it up I mean yeah

575

00:22:57,960 --> 00:22:55,300

it's it's absolutely disgraceful really

576
00:23:00,480 --> 00:22:57,970
what's going on and you know the more

577
00:23:03,540 --> 00:23:00,490
people that become aware of it then the

578
00:23:05,600 --> 00:23:03,550
sooner it will get stopped but I ain't

579
00:23:08,580 --> 00:23:05,610
old in my breath right now I'll tell you

580
00:23:11,670 --> 00:23:08,590
this this geldof guy being another

581
00:23:14,460 --> 00:23:11,680
musician I mean that is also interesting

582
00:23:16,230 --> 00:23:14,470
because there's been a lot of musicians

583
00:23:18,330 --> 00:23:16,240
knighted and you point this out in the

584
00:23:20,100 --> 00:23:18,340
book to that know if that Geldof has

585
00:23:21,930 --> 00:23:20,110
been knighted so is Bono and then you

586
00:23:23,430 --> 00:23:21,940
rightly followed up with the question do

587
00:23:25,170 --> 00:23:23,440
you think this was for helping third

588
00:23:26,970 --> 00:23:25,180

world nations or the bottom line of the

589

00:23:29,160 --> 00:23:26,980

IMF World Bank and British royal family

590

00:23:31,020 --> 00:23:29,170

which is a great point and exactly it

591

00:23:32,430 --> 00:23:31,030

explains the knighting of a lot of these

592

00:23:34,680 --> 00:23:32,440

higher up musicians who do these

593

00:23:36,860 --> 00:23:34,690

concerts I I mean I like Elton John but

594

00:23:40,200 --> 00:23:36,870

he was the go-to guy before Bono

595

00:23:42,660 --> 00:23:40,210

absolutely yeah they're all in it up to

596

00:23:44,730 --> 00:23:42,670

the little scrawny necks believe me and

597

00:23:48,060 --> 00:23:44,740

any of them that have got to the

598

00:23:49,950 --> 00:23:48,070

positions of high power that they're in

599

00:23:52,890 --> 00:23:49,960

at the moment but they've only done it

600

00:23:55,380 --> 00:23:52,900

one way and that's by serving me the

601
00:23:57,960 --> 00:23:55,390
establishment basically mm-hmm I just

602
00:24:01,410 --> 00:23:57,970
cannot see any other anyway that it's

603
00:24:04,440 --> 00:24:01,420
possible to do it and both Robert Geldof

604
00:24:05,990 --> 00:24:04,450
and Bono have been accused of corruption

605
00:24:09,180 --> 00:24:06,000
in their own charities haven't they

606
00:24:12,150 --> 00:24:09,190
absolutely yeah Bono's charity which is

607
00:24:15,600 --> 00:24:12,160
meant to place money in again in the

608
00:24:18,240 --> 00:24:15,610
hands of starving Africans again he's

609
00:24:22,050 --> 00:24:18,250
been caught out withholding money and he

610
00:24:25,560 --> 00:24:22,060
turned over about 12 million dollars not

611
00:24:26,760 --> 00:24:25,570
last year couple years ago and I think

612
00:24:28,650 --> 00:24:26,770
remember the exact figures now but it

613
00:24:30,810 --> 00:24:28,660

was a tiny tiny amount that actually

614

00:24:33,420 --> 00:24:30,820

found its way to where it should have

615

00:24:35,370 --> 00:24:33,430

gone to get and gone to and the rest was

616

00:24:37,230 --> 00:24:35,380

just withheld and again because they're

617

00:24:39,570 --> 00:24:37,240

so unaccountable nobody knows what

618

00:24:41,940 --> 00:24:39,580

happened to that money at all right yeah

619

00:24:44,250 --> 00:24:41,950

there is no nobody's watching this money

620

00:24:46,860 --> 00:24:44,260

in no there's no auditing or you know

621

00:24:49,050 --> 00:24:46,870

either internally or externally auditing

622

00:24:51,780 --> 00:24:49,060

that the accounts of these these

623

00:24:53,970 --> 00:24:51,790

charities all right should be a serious

624

00:24:56,580 --> 00:24:53,980

red flag in today's world but yeah you

625

00:24:58,560 --> 00:24:56,590

you also point out in November of 2008

626

00:25:01,100 --> 00:24:58,570

Geldof was paid a hundred thousand

627

00:25:03,510 --> 00:25:01,110

dollars in Australia for a brief speech

628

00:25:05,210 --> 00:25:03,520

addressing third-world poverty I mean

629

00:25:08,520 --> 00:25:05,220

there's a lot of irony there too

630

00:25:10,560 --> 00:25:08,530

absolutely yeah yeah I mean why not do

631

00:25:14,040 --> 00:25:10,570

it for free and put the hundred thousand

632

00:25:15,480 --> 00:25:14,050

pounds to you know to good use serving

633

00:25:18,780 --> 00:25:15,490

the charity that he's supposed to

634

00:25:21,180 --> 00:25:18,790

represent know obviously pocketed the

635

00:25:23,640 --> 00:25:21,190

money that was his fee yeah but there's

636

00:25:28,200 --> 00:25:23,650

also there's also people that believe in

637

00:25:30,360 --> 00:25:28,210

and I guess it's not so ridiculous to

638

00:25:32,670 --> 00:25:30,370

believe it that is that the big

639

00:25:33,330 --> 00:25:32,680

charities are just users used for tax

640

00:25:35,850 --> 00:25:33,340

write-offs

641

00:25:40,140 --> 00:25:35,860

so a lot of people like Geldof and bono

642

00:25:42,120 --> 00:25:40,150

they can use their charities to write

643

00:25:44,310 --> 00:25:42,130

off their own taxes so there's a lot of

644

00:25:46,560 --> 00:25:44,320

sort of creative accounting going on in

645

00:25:49,380 --> 00:25:46,570

the background I believe yeah definitely

646

00:25:50,730 --> 00:25:49,390

there's that too yeah and you also say

647

00:25:53,610 --> 00:25:50,740

in your piece that the Queen is the

648

00:25:56,310 --> 00:25:53,620

patron of over 600 charities and you

649

00:25:58,350 --> 00:25:56,320

write do you really believe that this

650

00:26:00,000 --> 00:25:58,360

woman head of the most ruthless family

651
00:26:02,460 --> 00:26:00,010
on the planet and personally responsible

652
00:26:04,890 --> 00:26:02,470
directly aren't indirectly for millions

653
00:26:06,780 --> 00:26:04,900
of deaths worldwide in her own lifetime

654
00:26:08,580 --> 00:26:06,790
actually gives a damn about starving

655
00:26:10,530 --> 00:26:08,590
children or victims of the wars that her

656
00:26:12,450 --> 00:26:10,540
and her ilk are actually responsible for

657
00:26:16,080 --> 00:26:12,460
causing in the first place somehow I

658
00:26:17,490 --> 00:26:16,090
think not yeah absolutely and what else

659
00:26:21,180 --> 00:26:17,500
can I say I mean that just runs it

660
00:26:23,700 --> 00:26:21,190
really doesn't it yeah yeah I mean this

661
00:26:26,970 --> 00:26:23,710
is this person is the richest person on

662
00:26:28,740 --> 00:26:26,980
the planet burn on and a doubt that she

663
00:26:31,650 --> 00:26:28,750

gives a single penny to charity to be

664

00:26:35,130 --> 00:26:31,660

honest despite the fact that she is as

665

00:26:37,440 --> 00:26:35,140

you say patron of around 600 of them

666

00:26:40,500 --> 00:26:37,450

yeah it's it's really messed up and I

667

00:26:42,240 --> 00:26:40,510

had never really looked into this you

668

00:26:43,620 --> 00:26:42,250

always hear people say hey be careful

669

00:26:45,090 --> 00:26:43,630

with your money when you donate make

670

00:26:46,740 --> 00:26:45,100

sure you know where it goes look these

671

00:26:49,380 --> 00:26:46,750

things up but if you look these things

672

00:26:51,270 --> 00:26:49,390

up on the surface I mean the Red Cross

673

00:26:53,610 --> 00:26:51,280

the United Way they've got their asses

674

00:26:55,919 --> 00:26:53,620

covered they've got websites that look

675

00:26:57,780 --> 00:26:55,929

very official organizations that you

676
00:26:59,580 --> 00:26:57,790
know audit and then not audit but they

677
00:27:01,440 --> 00:26:59,590
kind of rank these charities and of

678
00:27:04,200 --> 00:27:01,450
course they can be bought off just like

679
00:27:06,600 --> 00:27:04,210
the FDA can I mean it's just a another

680
00:27:07,919 --> 00:27:06,610
false layer of truth that they think the

681
00:27:09,870 --> 00:27:07,929
you know people think that they're

682
00:27:12,330 --> 00:27:09,880
getting clued into but it's really just

683
00:27:15,030 --> 00:27:12,340
not that way no absolutely they're

684
00:27:18,240 --> 00:27:15,040
really as I say taking the mickey and it

685
00:27:21,480 --> 00:27:18,250
is a complete it simply scam basically

686
00:27:23,039 --> 00:27:21,490
the whole thing I would vie stew anyone

687
00:27:24,270 --> 00:27:23,049
is if they want to donate money to

688
00:27:26,070 --> 00:27:24,280

charity and there are some decent

689

00:27:27,480 --> 00:27:26,080

charities don't get me wrong I'm not I'm

690

00:27:32,810 --> 00:27:27,490

not painting them all with the same

691

00:27:36,060 --> 00:27:32,820

brush and I would pick a nice small

692

00:27:37,169 --> 00:27:36,070

local charity and donate to that if

693

00:27:40,080 --> 00:27:37,179

that's what you want to do if you really

694

00:27:42,510 --> 00:27:40,090

feel that you do need to give money but

695

00:27:45,600 --> 00:27:42,520

please stay away from people like the

696

00:27:48,570 --> 00:27:45,610

Red Cross from the WWF and the United

697

00:27:51,180 --> 00:27:48,580

Way as you say and even even places like

698

00:27:54,330 --> 00:27:51,190

cancer research and I don't know whether

699

00:27:56,610 --> 00:27:54,340

that will create a shock wave throughout

700

00:28:00,390 --> 00:27:56,620

the listening community by saying that

701
00:28:03,210 --> 00:28:00,400
but it won't here okay I would say that

702
00:28:05,730 --> 00:28:03,220
because we talked to Rick Simpson who's

703
00:28:09,419 --> 00:28:05,740
a guy who's big on the cannabis oil and

704
00:28:11,789 --> 00:28:09,429
Rick Simpson oil and he claims it's

705
00:28:14,100 --> 00:28:11,799
basically a cure for a lot of things

706
00:28:16,140 --> 00:28:14,110
cancer being one of them and we've also

707
00:28:20,360 --> 00:28:16,150
heard of other people there was a guy

708
00:28:22,110 --> 00:28:20,370
who had a sound base a frequency based

709
00:28:24,330 --> 00:28:22,120
technology that was getting rid of

710
00:28:26,730 --> 00:28:24,340
cancer cells in the body so it seems

711
00:28:28,680 --> 00:28:26,740
like there's definitely cures out there

712
00:28:31,440 --> 00:28:28,690
that have been purposely suppressed for

713
00:28:33,150 --> 00:28:31,450

the profits of the pharmaceutical

714

00:28:35,280 --> 00:28:33,160

companies for the profits of the cancer

715

00:28:38,010 --> 00:28:35,290

industry and so it's no surprise that

716

00:28:40,200 --> 00:28:38,020

charities like the Breast Cancer

717

00:28:41,940 --> 00:28:40,210

Foundation they're just again they're

718

00:28:44,010 --> 00:28:41,950

just circled jerks of money for these

719

00:28:45,659 --> 00:28:44,020

people to make a lot of money and

720

00:28:48,220 --> 00:28:45,669

nothing goes into research because the

721

00:28:50,320 --> 00:28:48,230

cures are suppressed absolutely

722

00:28:53,169 --> 00:28:50,330

you've got a bear man that cancer is a

723

00:28:56,889 --> 00:28:53,179

trillion dollar industry worldwide you

724

00:29:01,210 --> 00:28:56,899

know and and the and the raising of

725

00:29:03,970 --> 00:29:01,220

money - supposedly cure it is is another

726
00:29:05,919 --> 00:29:03,980
massive scam I'm sad to say I mean and I

727
00:29:08,320 --> 00:29:05,929
really hate to say that because I feel

728
00:29:10,899 --> 00:29:08,330
that I'm actually denigrating the work

729
00:29:13,149 --> 00:29:10,909
of a lot of decent people again at the

730
00:29:15,610 --> 00:29:13,159
ground level everyone that works in

731
00:29:18,190 --> 00:29:15,620
these charities a genuine sincere people

732
00:29:19,750 --> 00:29:18,200
who are doing a great job and I'd be the

733
00:29:21,759 --> 00:29:19,760
last person in the world to criticize

734
00:29:24,399 --> 00:29:21,769
them for that but why cause they're

735
00:29:27,190 --> 00:29:24,409
being absolutely deceived on a grand

736
00:29:28,419 --> 00:29:27,200
scale right and it's just very very sad

737
00:29:30,549 --> 00:29:28,429
the whole situation

738
00:29:32,590 --> 00:29:30,559

yeah and it's definitely important to

739

00:29:34,720 --> 00:29:32,600

point out this corruption and it's not

740

00:29:36,279 --> 00:29:34,730

just that it's systemic that it's part

741

00:29:38,769 --> 00:29:36,289

it's ingrained in these huge

742

00:29:41,470 --> 00:29:38,779

organizations we have to starve these

743

00:29:43,899 --> 00:29:41,480

beasts like it's not helping anyone for

744

00:29:46,360 --> 00:29:43,909

the Red Cross to exist it'd be better if

745

00:29:48,549 --> 00:29:46,370

we took that 3 billion a year that they

746

00:29:51,639 --> 00:29:48,559

make in donations and gave it to an

747

00:29:54,820 --> 00:29:51,649

organization that was more interested in

748

00:29:57,639 --> 00:29:54,830

helping the poor incidentally that this

749

00:29:59,529 --> 00:29:57,649

is why I say give it to local local

750

00:30:01,450 --> 00:29:59,539

charities local organizations that you

751

00:30:04,180 --> 00:30:01,460

can actually see on the streets doing

752

00:30:06,399 --> 00:30:04,190

some good and that you know you know you

753

00:30:08,289 --> 00:30:06,409

know where your money is going instead

754

00:30:11,169 --> 00:30:08,299

of into this bottomless pit this black

755

00:30:12,700 --> 00:30:11,179

hole which you know you never see again

756

00:30:15,399 --> 00:30:12,710

and neither does anyone else that

757

00:30:18,519 --> 00:30:15,409

deserves to receive it and one last

758

00:30:20,889 --> 00:30:18,529

little piece of the charitable puzzle

759

00:30:22,629 --> 00:30:20,899

that I wanted to talk about before we

760

00:30:25,210 --> 00:30:22,639

went on to the Titanic is I lifted this

761

00:30:27,610 --> 00:30:25,220

from your writings but you put for every

762

00:30:29,710 --> 00:30:27,620

dollar of debt cancellation to the

763

00:30:32,110 --> 00:30:29,720

international financial institutions the

764

00:30:33,850 --> 00:30:32,120

g8 will reduce the flow of foreign aid

765

00:30:35,980 --> 00:30:33,860

to these countries in other words the

766

00:30:38,080 --> 00:30:35,990

foreign aid earmarked to finance

767

00:30:39,879 --> 00:30:38,090

much-needed social programs will now go

768

00:30:42,610 --> 00:30:39,889

directly into the coffers of the IMF in

769

00:30:46,840 --> 00:30:42,620

the World Bank can you elaborate just on

770

00:30:48,909 --> 00:30:46,850

the the point of the g8 nations reducing

771

00:30:50,970 --> 00:30:48,919

their aid I mean this is like a double

772

00:30:53,889 --> 00:30:50,980

whammy for these third-world countries

773

00:30:55,840 --> 00:30:53,899

yeah basically it's just it's just what

774

00:30:58,139 --> 00:30:55,850

you've said every dollar every cent

775

00:31:01,960 --> 00:30:58,149

every pound every penny that goes into

776
00:31:02,540 --> 00:31:01,970
paying off the IMF debt is then reduced

777
00:31:06,260 --> 00:31:02,550
from

778
00:31:08,510 --> 00:31:06,270
amount that they provide into in terms

779
00:31:10,130 --> 00:31:08,520
of ongoing relief back again to Africa

780
00:31:12,770 --> 00:31:10,140
which is which is the way it's meant to

781
00:31:15,470 --> 00:31:12,780
work so if they let's just use some

782
00:31:17,330 --> 00:31:15,480
round figures let's say that a country

783
00:31:19,820 --> 00:31:17,340
in Africa anonymous country in Africa

784
00:31:23,290 --> 00:31:19,830
rose the IMF 1 million dollars it's

785
00:31:27,020 --> 00:31:23,300
obviously vastly more than that and then

786
00:31:28,610 --> 00:31:27,030
the IMF is paid back fifty thousand

787
00:31:31,010 --> 00:31:28,620
dollars through some sort of a

788
00:31:33,920 --> 00:31:31,020

charitable donation which was meant to

789

00:31:37,790 --> 00:31:33,930

go to the African people then the IMF

790

00:31:40,390 --> 00:31:37,800

then will reduce its ongoing aid to that

791

00:31:43,610 --> 00:31:40,400

country by that amount or by that

792

00:31:45,770 --> 00:31:43,620

proportion of that amount so that they

793

00:31:47,960 --> 00:31:45,780

actually end up worse off the more money

794

00:31:50,060 --> 00:31:47,970

that you give to charity and is funneled

795

00:31:52,850 --> 00:31:50,070

through the African countries into the

796

00:31:54,380 --> 00:31:52,860

IMF the worse of those African countries

797

00:31:56,810 --> 00:31:54,390

and therefore the poor people on the

798

00:31:58,820 --> 00:31:56,820

ground are right sorry yeah I don't know

799

00:32:01,520 --> 00:31:58,830

if that's clear but it's it's quite

800

00:32:04,700 --> 00:32:01,530

complex it is clear to me but that is

801
00:32:06,620 --> 00:32:04,710
worth pointing out because it is such it

802
00:32:08,150 --> 00:32:06,630
is a double whammy because it's like

803
00:32:09,770 --> 00:32:08,160
they're saying they're saying to the

804
00:32:09,980 --> 00:32:09,780
world or like the IMF is saying to the

805
00:32:12,200 --> 00:32:09,990
world

806
00:32:14,090 --> 00:32:12,210
oh well now that Africa has money we're

807
00:32:16,490 --> 00:32:14,100
gonna reduce the aid but they never had

808
00:32:19,460 --> 00:32:16,500
money exactly that that's more or less

809
00:32:21,560 --> 00:32:19,470
sums it up in a nutshell yeah man it's

810
00:32:22,910 --> 00:32:21,570
it's definitely dark I'm glad we talked

811
00:32:24,170 --> 00:32:22,920
about I want to come back to some of

812
00:32:25,910 --> 00:32:24,180
this stuff and maybe a couple other

813
00:32:28,340 --> 00:32:25,920

organizations but I want to make sure we

814

00:32:29,900 --> 00:32:28,350

get some of the Titanic saga into the

815

00:32:31,880 --> 00:32:29,910

first hour because we have really yet to

816

00:32:33,770 --> 00:32:31,890

tackle that on the show with much depth

817

00:32:36,830 --> 00:32:33,780

and you've investigated this heavily

818

00:32:39,230 --> 00:32:36,840

written both a nonfiction book about it

819

00:32:41,120 --> 00:32:39,240

as well as a novel based on the hidden

820

00:32:43,760 --> 00:32:41,130

reality you uncovered so where do we

821

00:32:44,870 --> 00:32:43,770

start with this one well just give you a

822

00:32:48,620 --> 00:32:44,880

little bit of background as to how I

823

00:32:51,530 --> 00:32:48,630

came to to write the write the books cuz

824

00:32:54,230 --> 00:32:51,540

I think that might be interesting might

825

00:32:56,150 --> 00:32:54,240

not be but it might be yeah I think

826

00:32:58,550 --> 00:32:56,160

that'd be perfect what happened was they

827

00:33:00,050 --> 00:32:58,560

you've seen the presentation on YouTube

828

00:33:01,490 --> 00:33:00,060

the standard presentation that I did

829

00:33:05,120 --> 00:33:01,500

about three four years ago

830

00:33:07,430 --> 00:33:05,130

mm-hm and that this had about 160,000

831

00:33:09,140 --> 00:33:07,440

hits now so it's in white pop and a lot

832

00:33:12,590 --> 00:33:09,150

of people have contacted me through that

833

00:33:15,990 --> 00:33:12,600

well about what must be two years ago

834

00:33:18,210 --> 00:33:16,000

now I had a very strange phone call no

835

00:33:20,610 --> 00:33:18,220

email first it was a Becky pardon I had

836

00:33:23,670 --> 00:33:20,620

a very strange email it just said please

837

00:33:27,480 --> 00:33:23,680

give me a call on this number so I

838

00:33:29,430 --> 00:33:27,490

ignored it I thought no and then I left

839

00:33:33,120 --> 00:33:29,440

it for a while and then I eventually

840

00:33:34,740 --> 00:33:33,130

kept eating away at me and and this

841

00:33:36,390 --> 00:33:34,750

person emailed me back again and said

842

00:33:38,010 --> 00:33:36,400

please call me on such and such a number

843

00:33:39,660 --> 00:33:38,020

and I thought well what the heck what

844

00:33:43,050 --> 00:33:39,670

are they gonna do arrest me over the

845

00:33:45,210 --> 00:33:43,060

phone you know I mean so I called the

846

00:33:47,700 --> 00:33:45,220

number sort of era tentatively and it

847

00:33:49,500 --> 00:33:47,710

was this lady and she said you don't

848

00:33:51,270 --> 00:33:49,510

know me but I I'm a Hollywood film

849

00:33:52,710 --> 00:33:51,280

director and I'm really interested in

850

00:33:54,960 --> 00:33:52,720

this version of the Titanic that you've

851
00:33:56,790 --> 00:33:54,970
could have come up with and I said well

852
00:33:59,130 --> 00:33:56,800
first of all it's not exactly my version

853
00:34:01,380 --> 00:33:59,140
such you know I've done a lot of

854
00:34:03,360 --> 00:34:01,390
research on it but you know I've been

855
00:34:05,220 --> 00:34:03,370
standing on the shoulders of the people

856
00:34:07,710 --> 00:34:05,230
who did all the original spadework

857
00:34:10,080 --> 00:34:07,720
and I found out a lot of other stuff but

858
00:34:12,419 --> 00:34:10,090
it's not really like to call it my idea

859
00:34:14,460 --> 00:34:12,429
she said well anyway you you you you

860
00:34:17,040 --> 00:34:14,470
know the story inside out I guess and I

861
00:34:18,360 --> 00:34:17,050
said he will yeah pretty much and she

862
00:34:19,340 --> 00:34:18,370
said well I would like to make a film

863
00:34:22,560 --> 00:34:19,350

about it

864

00:34:25,200 --> 00:34:22,570

so I said okay then she said but in

865

00:34:26,490 --> 00:34:25,210

order to get funding there needs to be a

866

00:34:28,619 --> 00:34:26,500

book first

867

00:34:30,570 --> 00:34:28,629

so she said how would you feel about

868

00:34:31,889 --> 00:34:30,580

writing a book about it first off and

869

00:34:36,330 --> 00:34:31,899

that she says we can take you from that

870

00:34:39,330 --> 00:34:36,340

so I set off on that tack and I be bird

871

00:34:40,470 --> 00:34:39,340

away for a few weeks and I got the basis

872

00:34:42,060 --> 00:34:40,480

of the book together and it was all

873

00:34:44,639 --> 00:34:42,070

going on very nicely and I was having

874

00:34:47,850 --> 00:34:44,649

cut phone calls every week with her and

875

00:34:50,430 --> 00:34:47,860

and you know we were we were getting on

876

00:34:52,649 --> 00:34:50,440

really well and planning it all such etc

877

00:34:54,270 --> 00:34:52,659

and then about two-thirds of the work

878

00:34:57,150 --> 00:34:54,280

the book was about two-thirds of the way

879

00:35:00,390 --> 00:34:57,160

complete and she got back to me and said

880

00:35:03,210 --> 00:35:00,400

I've been in touch with someone who was

881

00:35:04,830 --> 00:35:03,220

interested in helping me to get some

882

00:35:10,530 --> 00:35:04,840

funding together but they say it has to

883

00:35:12,630 --> 00:35:10,540

be a novel so so I've written two-thirds

884

00:35:15,090 --> 00:35:12,640

written this this nonfiction book

885

00:35:16,710 --> 00:35:15,100

containing all the anomalous facts that

886

00:35:18,840 --> 00:35:16,720

I knew about the Olympic story and

887

00:35:20,370 --> 00:35:18,850

trying to construct a story that I

888

00:35:22,650 --> 00:35:20,380

thought was more likely than the

889

00:35:23,970 --> 00:35:22,660

official story if you like and I was

890

00:35:25,560 --> 00:35:23,980

simply hit with this bombshell well no

891

00:35:29,160 --> 00:35:25,570

I've never written a novel before in my

892

00:35:30,150 --> 00:35:29,170

life but with her help I actually wrote

893

00:35:33,120 --> 00:35:30,160

this novel

894

00:35:35,760 --> 00:35:33,130

which was the the fictional story based

895

00:35:38,880 --> 00:35:35,770

on the what I believed was the real

896

00:35:41,640 --> 00:35:38,890

story anyway - I'm sorry to ramble on

897

00:35:42,840 --> 00:35:41,650

but I'm so very long story short nothing

898

00:35:44,520 --> 00:35:42,850

ever happened with the film because you

899

00:35:46,440 --> 00:35:44,530

could never get funding but it was a

900

00:35:48,690 --> 00:35:46,450

nice idea while it lasted for about 18

901
00:35:50,880 --> 00:35:48,700
months and but that was the story about

902
00:35:54,000 --> 00:35:50,890
how it came about that there are two

903
00:35:55,740 --> 00:35:54,010
books one non-fictional one fiction so I

904
00:35:57,570 --> 00:35:55,750
suppose in that sense it wasn't wasted

905
00:35:59,700 --> 00:35:57,580
effort because I got two books out of it

906
00:36:01,770 --> 00:35:59,710
and it was disappointing in the end but

907
00:36:03,540 --> 00:36:01,780
I suppose it was only to be expected

908
00:36:07,050 --> 00:36:03,550
Hollywood had not really going to fund

909
00:36:08,880 --> 00:36:07,060
something that you know goes against

910
00:36:10,320 --> 00:36:08,890
their version of events are they they've

911
00:36:13,290 --> 00:36:10,330
already driven home the official

912
00:36:17,520 --> 00:36:13,300
narrative once before exactly once or

913
00:36:19,920 --> 00:36:17,530

twice yeah yeah so yeah that's let's get

914

00:36:21,750 --> 00:36:19,930

into some of the story itself I mean JP

915

00:36:24,300 --> 00:36:21,760

Morgan I guess would be the place to

916

00:36:26,970 --> 00:36:24,310

start would you say yeah absolutely yeah

917

00:36:29,760 --> 00:36:26,980

JP Morgan as a lot of people may know

918

00:36:33,690 --> 00:36:29,770

was a you know quite a ruthless

919

00:36:35,010 --> 00:36:33,700

character he was he was the yeah well he

920

00:36:37,980 --> 00:36:35,020

was one of the richest guys in the world

921

00:36:40,080 --> 00:36:37,990

that in his day I mean he he was into

922

00:36:43,560 --> 00:36:40,090

banking and was into railroads who was

923

00:36:46,680 --> 00:36:43,570

into all sorts of different industrial

924

00:36:48,480 --> 00:36:46,690

and commercial aspects and it had a lot

925

00:36:50,340 --> 00:36:48,490

of fingers in a lot of pies basically

926

00:36:53,640 --> 00:36:50,350

and he was one of the most prominent

927

00:36:55,860 --> 00:36:53,650

industrialists in the u.s. in the world

928

00:36:58,140 --> 00:36:55,870

if you like at the turn of the last

929

00:37:04,200 --> 00:36:58,150

century the turn of the 19th is the 20th

930

00:37:07,670 --> 00:37:04,210

century and he had an idea amongst many

931

00:37:11,160 --> 00:37:07,680

other ideas that a very hand that

932

00:37:13,860 --> 00:37:11,170

because there was such a great deal of

933

00:37:16,560 --> 00:37:13,870

emigration and into the States from

934

00:37:20,370 --> 00:37:16,570

Europe and other places that he saw an

935

00:37:23,220 --> 00:37:20,380

opportunity to build a pepping line

936

00:37:24,600 --> 00:37:23,230

based on a different premise - - quite a

937

00:37:26,430 --> 00:37:24,610

lot of the other competitive shipping

938

00:37:28,490 --> 00:37:26,440

lines that were going at the time and

939

00:37:32,630 --> 00:37:28,500

I'll come on to that in a minute and

940

00:37:35,220 --> 00:37:32,640

basically invested a lot of money into a

941

00:37:37,860 --> 00:37:35,230

shipping line called the White Star Line

942

00:37:40,350 --> 00:37:37,870

which was at the time before he bought

943

00:37:44,360 --> 00:37:40,360

it was British owned and so he bought

944

00:37:48,690 --> 00:37:44,370

that line and he he brought it into his

945

00:37:50,160 --> 00:37:48,700

shipping conglomerate if you like which

946

00:37:52,050 --> 00:37:50,170

had already been established it got a

947

00:37:54,180 --> 00:37:52,060

few different shipping lines but it

948

00:37:57,600 --> 00:37:54,190

brought the white style line and into is

949

00:38:01,350 --> 00:37:57,610

is his little cartel if you like but

950

00:38:05,790 --> 00:38:01,360

wasn't a bit phrase and so what happened

951

00:38:08,190 --> 00:38:05,800

then was he liaised with a company

952

00:38:10,200 --> 00:38:08,200

called harland and wolff in belfast who

953

00:38:13,050 --> 00:38:10,210

were shipbuilders and he actually took

954

00:38:15,120 --> 00:38:13,060

them under his umbrella as well and and

955

00:38:16,860 --> 00:38:15,130

made them part of his conglomerate and

956

00:38:18,930 --> 00:38:16,870

they were as i say there was

957

00:38:21,980 --> 00:38:18,940

shipbuilders and and he commissioned

958

00:38:24,540 --> 00:38:21,990

them to build the series of three liners

959

00:38:26,940 --> 00:38:24,550

three sister ships that were meant to be

960

00:38:29,670 --> 00:38:26,950

the most the largest and most exclusive

961

00:38:34,370 --> 00:38:29,680

in luxurious at the world that ever seen

962

00:38:39,080 --> 00:38:34,380

and these were in chronological order

963

00:38:41,700 --> 00:38:39,090

rms olympic rms titanic and RMS

964

00:38:45,000 --> 00:38:41,710

Britannic the wind pit was the first off

965

00:38:47,340 --> 00:38:45,010

the production line and titanic was a

966

00:38:49,500 --> 00:38:47,350

second and Britannic actually didn't get

967

00:38:52,950 --> 00:38:49,510

built till after the Titanic had gone

968

00:38:55,410 --> 00:38:52,960

but so for all intents and purposes it

969

00:38:57,960 --> 00:38:55,420

was about the two the two liners Olympic

970

00:38:59,250 --> 00:38:57,970

and Titanic and that's where it all

971

00:39:01,950 --> 00:38:59,260

starts to get interesting

972

00:39:05,550 --> 00:39:01,960

mmm-hmm geometry just continued from

973

00:39:09,390 --> 00:39:05,560

there or sure yeah let's do the story as

974

00:39:11,460 --> 00:39:09,400

as you uncovered it okay it's it's quite

975

00:39:13,050 --> 00:39:11,470

complex actually because there are two

976

00:39:18,510 --> 00:39:13,060

different strands to it which come

977

00:39:21,870 --> 00:39:18,520

together and and and create a WoW moment

978

00:39:23,850 --> 00:39:21,880

at the end but it's I'll do my best but

979

00:39:25,140 --> 00:39:23,860

it'll mean skipping about from strength

980

00:39:27,540 --> 00:39:25,150

to strength as we go along

981

00:39:29,130 --> 00:39:27,550

so please do bear with me and and if

982

00:39:32,580 --> 00:39:29,140

anything gets confusing by all means

983

00:39:35,160 --> 00:39:32,590

stop me and clarify you will do okay let

984

00:39:37,920 --> 00:39:35,170

me just go back to so this was about

985

00:39:40,530 --> 00:39:37,930

1908 when the decision was made to build

986

00:39:42,240 --> 00:39:40,540

the the the liners which were going to

987

00:39:44,730 --> 00:39:42,250

be called the Olympic class of liners

988

00:39:46,440 --> 00:39:44,740

and then a couple years after that and

989

00:39:52,140 --> 00:39:46,450

we're moving on to another strand of the

990

00:39:55,050 --> 00:39:52,150

story here in 1910 there was a meeting

991

00:39:57,590 --> 00:39:55,060

as a place called Jekyll Island just off

992

00:39:59,270 --> 00:39:57,600

the coast of Georgia on

993

00:40:02,420 --> 00:39:59,280

west coast of the sir the east coast of

994

00:40:05,660 --> 00:40:02,430

the US which was basically a plan to

995

00:40:07,160 --> 00:40:05,670

usurp the power to create money from the

996

00:40:09,680 --> 00:40:07,170

American government and place it into

997

00:40:11,720 --> 00:40:09,690

private hands a lot of people know with

998

00:40:13,580 --> 00:40:11,730

that is that that was the prelude to the

999

00:40:16,520 --> 00:40:13,590

beginning of the Federal Reserve Bank

1000

00:40:18,530 --> 00:40:16,530

right which is the equivalent to the

1001

00:40:21,650 --> 00:40:18,540

Bank of England in the UK which is a

1002

00:40:25,570 --> 00:40:21,660

central bank in which has sole rights

1003

00:40:28,760 --> 00:40:25,580

for creating money mm-hmm however this

1004

00:40:31,670 --> 00:40:28,770

wasn't without strong opposition from

1005

00:40:34,550 --> 00:40:31,680

certain mega rich individuals and we'll

1006

00:40:36,740 --> 00:40:34,560

come on to that later okay so they set

1007

00:40:39,050 --> 00:40:36,750

off back to the shipbuilding strand now

1008

00:40:40,700 --> 00:40:39,060

they set off and built a liner called

1009

00:40:43,130 --> 00:40:40,710

the Olympic which as I said was the

1010

00:40:46,370 --> 00:40:43,140

first one off the production line and it

1011

00:40:48,290 --> 00:40:46,380

was a brilliant ship it was fantastic it

1012

00:40:50,710 --> 00:40:48,300

was launched in 1911 which was about

1013

00:40:53,660 --> 00:40:50,720

twelve months before the Titanic and

1014

00:40:55,610 --> 00:40:53,670

done about four crossings across the

1015

00:40:57,590 --> 00:40:55,620

Atlantic backwards and forwards with

1016

00:41:00,290 --> 00:40:57,600

great success you know everybody was

1017

00:41:01,820 --> 00:41:00,300

saying what a fantastic shape and Morgan

1018

00:41:03,500 --> 00:41:01,830

was rubbing his hands with glee you

1019

00:41:05,750 --> 00:41:03,510

could see all this Olli

1020

00:41:08,920 --> 00:41:05,760

Oh his investment coming back to him and

1021

00:41:11,900 --> 00:41:08,930

next to no time when something really

1022

00:41:14,210 --> 00:41:11,910

tragic happened not in the sense of the

1023

00:41:18,080 --> 00:41:14,220

loss of human life but in in terms of

1024

00:41:20,420 --> 00:41:18,090

the loss of Morgan's projected income

1025

00:41:22,850 --> 00:41:20,430

shall we say what happened was on its

1026
00:41:25,910 --> 00:41:22,860
fifth journey as it left Southampton

1027
00:41:27,860 --> 00:41:25,920
dogs in him in England went down the

1028
00:41:29,690 --> 00:41:27,870
narrow inlet of water call that

1029
00:41:31,550 --> 00:41:29,700
Southampton water to a place called the

1030
00:41:32,780 --> 00:41:31,560
Isle of Wight which is just the Isle of

1031
00:41:35,840 --> 00:41:32,790
Wight we should just off the south coast

1032
00:41:39,710 --> 00:41:35,850
of England as it approached the Isle of

1033
00:41:45,500 --> 00:41:39,720
Wight it was in a massive collision with

1034
00:41:47,540 --> 00:41:45,510
a British Navy warship now this damage

1035
00:41:50,240 --> 00:41:47,550
was a lot worse than they believed at

1036
00:41:53,240 --> 00:41:50,250
first they got everybody off it safely

1037
00:41:55,640 --> 00:41:53,250
there were no injuries or deaths and the

1038
00:41:58,610 --> 00:41:55,650

ship went back into Southampton Harbor

1039

00:42:00,410 --> 00:41:58,620

to be patched up but as soon as the

1040

00:42:02,180 --> 00:42:00,420

divers got underneath and could see the

1041

00:42:04,720 --> 00:42:02,190

damage they realized this was going to

1042

00:42:07,340 --> 00:42:04,730

be rather a bigger job than perhaps

1043

00:42:09,770 --> 00:42:07,350

Southampton could cope with because it

1044

00:42:11,380 --> 00:42:09,780

needed to go into drydock and they only

1045

00:42:13,089 --> 00:42:11,390

drydock beginner

1046

00:42:15,609 --> 00:42:13,099

to take her was where she'd been built

1047

00:42:17,789 --> 00:42:15,619

in Belfast so they had to get her back

1048

00:42:20,710 --> 00:42:17,799

to Belfast now it took about four weeks

1049

00:42:23,529 --> 00:42:20,720

just patching her up just to make the

1050

00:42:25,539 --> 00:42:23,539

short six hundred mile trip back up to

1051

00:42:26,829 --> 00:42:25,549

Belfast to get her into drydock

1052

00:42:29,859 --> 00:42:26,839

where they could do a proper damage

1053

00:42:33,460 --> 00:42:29,869

assessment and you know complete the

1054

00:42:35,529 --> 00:42:33,470

repairs that were needed now once they

1055

00:42:39,759 --> 00:42:35,539

got it back to Belfast which was no mean

1056

00:42:42,190 --> 00:42:39,769

feat they realized that basically what

1057

00:42:45,130 --> 00:42:42,200

they had on their hands was 46,000 tons

1058

00:42:48,160 --> 00:42:45,140

of scrap metal now this was a real blow

1059

00:42:51,549 --> 00:42:48,170

to Morgan because he had put all his

1060

00:42:54,250 --> 00:42:51,559

eggs in this basket and put a massive

1061

00:42:56,529 --> 00:42:54,260

amount of investment into the building

1062

00:43:00,609 --> 00:42:56,539

of these ships and all the time

1063

00:43:02,609 --> 00:43:00,619

that Olympic was not on the sea earning

1064

00:43:06,120 --> 00:43:02,619

money for him he was losing money

1065

00:43:09,250 --> 00:43:06,130

massively and more importantly than that

1066

00:43:10,809 --> 00:43:09,260

the British naval inquiry found that it

1067

00:43:13,089 --> 00:43:10,819

was a win pick that was at fault for the

1068

00:43:16,660 --> 00:43:13,099

accident and therefore they had to pay

1069

00:43:18,339 --> 00:43:16,670

for the damage to not only the Olympic

1070

00:43:20,349 --> 00:43:18,349

themselves in other words they couldn't

1071

00:43:22,390 --> 00:43:20,359

make an insurance claim because it was

1072

00:43:25,029 --> 00:43:22,400

their fault but also they had to pay for

1073

00:43:28,450 --> 00:43:25,039

all the damage to all the repairs to the

1074

00:43:30,579 --> 00:43:28,460

to the battleship HMS Hawke as well so

1075

00:43:32,470 --> 00:43:30,589

it was a double whammy for for Morgan

1076

00:43:35,319 --> 00:43:32,480

and you know although it was a rich man

1077

00:43:37,359 --> 00:43:35,329

he wasn't a bottomless piss and he just

1078

00:43:39,700 --> 00:43:37,369

couldn't keep chucking money at this

1079

00:43:42,609 --> 00:43:39,710

this project he had to find a way out of

1080

00:43:45,430 --> 00:43:42,619

it right so that was that

1081

00:43:49,960 --> 00:43:45,440

in the meantime Titanic is about half

1082

00:43:54,160 --> 00:43:49,970

way built at this point and she is being

1083

00:43:55,779 --> 00:43:54,170

built almost identically to Olympic but

1084

00:43:57,670 --> 00:43:55,789

they're actually making small

1085

00:43:59,740 --> 00:43:57,680

improvements because obviously with the

1086

00:44:01,180 --> 00:43:59,750

benefit of experience they've noticed

1087

00:44:03,190 --> 00:44:01,190

things that could be perhaps done have

1088

00:44:06,519 --> 00:44:03,200

been a little bit better done on Olympic

1089

00:44:07,990 --> 00:44:06,529

and so Titanic is being is like a super

1090

00:44:10,569 --> 00:44:08,000

Olympic if you like she looks

1091

00:44:14,230 --> 00:44:10,579

superficially identical but she's got

1092

00:44:16,569 --> 00:44:14,240

all the all the latest gadgets more

1093

00:44:19,420 --> 00:44:16,579

niceties little bits of improvements

1094

00:44:22,660 --> 00:44:19,430

that just make it overall a better ship

1095

00:44:24,990 --> 00:44:22,670

mm-hmm then eventually they get Olympic

1096

00:44:27,510 --> 00:44:25,000

back up back on the sea

1097

00:44:29,370 --> 00:44:27,520

money again but there's something not

1098

00:44:32,130 --> 00:44:29,380

right with Olympic and they know this

1099

00:44:33,810 --> 00:44:32,140

it's not running well it's they're

1100

00:44:35,430 --> 00:44:33,820

having all sorts of engine problems

1101

00:44:39,390 --> 00:44:35,440

they're having problems with the prop

1102

00:44:42,120 --> 00:44:39,400

shaft vibration heavy vibration and then

1103

00:44:46,830 --> 00:44:42,130

a couple of wide transatlantic voyages

1104

00:44:50,250 --> 00:44:46,840

later Olympic actually ran over a sunken

1105

00:44:52,020 --> 00:44:50,260

wreck just off the off the coast at

1106

00:44:56,160 --> 00:44:52,030

Sandy Hook which is famous for something

1107

00:44:58,710 --> 00:44:56,170

else as well isn't it but yeah she run

1108

00:45:00,630 --> 00:44:58,720

over a wreck and it and she threw a

1109

00:45:02,190 --> 00:45:00,640

propeller blade right which is quite

1110

00:45:03,930 --> 00:45:02,200

serious even though she had three

1111

00:45:05,520 --> 00:45:03,940

propellers it wasn't the fact that she

1112

00:45:07,080 --> 00:45:05,530

didn't have enough power with only two

1113

00:45:09,330 --> 00:45:07,090

it was the fact that the ship was

1114

00:45:11,670 --> 00:45:09,340

unbalanced so she went all the way back

1115

00:45:14,570 --> 00:45:11,680

3,000 miles back across the water to

1116

00:45:17,310 --> 00:45:14,580

Southampton with only two propellers and

1117

00:45:19,830 --> 00:45:17,320

basically you know it shook itself to

1118

00:45:21,720 --> 00:45:19,840

bits so when it actually got back to

1119

00:45:23,760 --> 00:45:21,730

Southampton it was taken straight back

1120

00:45:26,280 --> 00:45:23,770

to Belfast for further damage assessment

1121

00:45:32,550 --> 00:45:26,290

and it was at that point that I believe

1122

00:45:34,590 --> 00:45:32,560

that Olympic was deemed irreparable okay

1123

00:45:37,320 --> 00:45:34,600

so Morgan had a problem mm-hmm

1124

00:45:41,160 --> 00:45:37,330

I believe that Morgan's answer to the

1125

00:45:45,180 --> 00:45:41,170

problem was to continue to complete

1126

00:45:49,500 --> 00:45:45,190

Titanic make her look like Olympic make

1127

00:45:53,070 --> 00:45:49,510

a Wimpy look like Titanic and switch the

1128

00:45:55,800 --> 00:45:53,080

ships and then organise an accident for

1129

00:45:58,380 --> 00:45:55,810

Titanic or Olympic whichever one you

1130

00:45:59,670 --> 00:45:58,390

believe it was in order to collect the

1131

00:46:01,080 --> 00:45:59,680

insurance money because there's no

1132

00:46:04,140 --> 00:46:01,090

insurance company on earth would have

1133

00:46:06,780 --> 00:46:04,150

paid out knowing all the damage that had

1134

00:46:08,430 --> 00:46:06,790

been done to Olympic they knew that if

1135

00:46:10,800 --> 00:46:08,440

because it was quite a common thing in

1136

00:46:12,780 --> 00:46:10,810

those days for just to sink a ship for

1137

00:46:14,910 --> 00:46:12,790

the insurance money but that was just

1138

00:46:16,680 --> 00:46:14,920

doing it as a one-off when a ship had

1139

00:46:17,670 --> 00:46:16,690

been involved in so many incidents and

1140

00:46:19,020 --> 00:46:17,680

there's a couple of other smaller ones

1141

00:46:22,470 --> 00:46:19,030

as well like which I've not mentioned

1142

00:46:24,600 --> 00:46:22,480

but Olympic had been in her short life

1143

00:46:27,540 --> 00:46:24,610

she'd been almost battered to death with

1144

00:46:29,640 --> 00:46:27,550

various different incidents and so I

1145

00:46:32,970 --> 00:46:29,650

think Morgan saw a way out to that and

1146

00:46:35,970 --> 00:46:32,980

the only way could do it was by swapping

1147

00:46:38,220 --> 00:46:35,980

identities of the two ships and sinking

1148

00:46:39,750 --> 00:46:38,230

Olympic as Titanic but I think things

1149

00:46:41,820 --> 00:46:39,760

went

1150

00:46:43,380 --> 00:46:41,830

that does make a lot of sense I mean

1151

00:46:46,050 --> 00:46:43,390

that's how you would get rid of your

1152

00:46:49,110 --> 00:46:46,060

lemon ship and replace it with your

1153

00:46:50,250 --> 00:46:49,120

great untainted ship and yet claim that

1154

00:46:52,950 --> 00:46:50,260

oh this one's the one we've been using

1155

00:46:54,600 --> 00:46:52,960

forever exactly and it wasn't the

1156

00:46:56,040 --> 00:46:54,610

precedent I mean this was quite

1157

00:46:57,630 --> 00:46:56,050

apparently you know I've done quite a

1158

00:47:00,090 --> 00:46:57,640

bit of research on this over the years

1159

00:47:03,240 --> 00:47:00,100

now and apparently it was quite a common

1160

00:47:06,060 --> 00:47:03,250

thing to do to do that kind of thing

1161

00:47:08,910 --> 00:47:06,070

maritime insurance fraud was rife in

1162

00:47:10,080 --> 00:47:08,920

those days and it was a lot easier to do

1163

00:47:12,570 --> 00:47:10,090

something like that in those days

1164

00:47:14,340 --> 00:47:12,580

because you know you didn't have all the

1165

00:47:17,520 --> 00:47:14,350

mass media that you have today there was

1166

00:47:20,130 --> 00:47:17,530

no radio or TV or internet there was

1167

00:47:22,320 --> 00:47:20,140

just the the written press that's all

1168

00:47:23,760 --> 00:47:22,330

the walls so it was it was quite easy to

1169

00:47:25,950 --> 00:47:23,770

cover stuff up like you know about how

1170

00:47:27,240 --> 00:47:25,960

people say to me well how could you how

1171

00:47:27,960 --> 00:47:27,250

could you do that people would know

1172

00:47:30,900 --> 00:47:27,970

about it

1173

00:47:32,460 --> 00:47:30,910

yeah they would but you know there's a

1174

00:47:33,840 --> 00:47:32,470

lot of other instances of things that

1175

00:47:35,580 --> 00:47:33,850

people might know about as well like

1176

00:47:39,420 --> 00:47:35,590

9/11 but they still pull it off right

1177

00:47:42,270 --> 00:47:39,430

and and those days it was even easier

1178

00:47:44,880 --> 00:47:42,280

because as I say there was no mass media

1179

00:47:46,590 --> 00:47:44,890

yeah man looking at the context of the

1180

00:47:49,350 --> 00:47:46,600

time I think you're right and it has

1181

00:47:51,390 --> 00:47:49,360

gotten harder over time for them to pull

1182

00:47:53,010 --> 00:47:51,400

off these kind of things but I do think

1183

00:47:56,190 --> 00:47:53,020

we still see a lot of moves from the

1184

00:47:57,840 --> 00:47:56,200

same old playbook but so okay following

1185

00:48:00,000 --> 00:47:57,850

the two threads of this story if we're

1186

00:48:02,130 --> 00:48:00,010

saying JP Morgan was trying to kill two

1187

00:48:04,140 --> 00:48:02,140

birds with one stone with this event and

1188

00:48:06,120 --> 00:48:04,150

that's one of the birds he wanted to get

1189

00:48:08,550 --> 00:48:06,130

rid of this junked up lemon ship the

1190

00:48:10,230 --> 00:48:08,560

Olympic pass it off as the Titanic so we

1191

00:48:13,080 --> 00:48:10,240

could collect the insurance money and

1192

00:48:15,210 --> 00:48:13,090

cut ties with that liability in one fell

1193

00:48:17,820 --> 00:48:15,220

swoop that's one of the birds talk to us

1194

00:48:22,470 --> 00:48:17,830

about the other big bird here what else

1195

00:48:24,360 --> 00:48:22,480

is going on will revert back now to the

1196

00:48:27,420 --> 00:48:24,370

Federal Reserve side of things there

1197

00:48:29,970 --> 00:48:27,430

were there were four major opponents of

1198

00:48:32,070 --> 00:48:29,980

the Federal Reserve Bank between 1910

1199

00:48:35,580 --> 00:48:32,080

and 1930 when it when it came to pass

1200

00:48:38,100 --> 00:48:35,590

through Congress and that was Benjamin

1201

00:48:41,160 --> 00:48:38,110

Guggenheim there was a wealthy

1202

00:48:43,680 --> 00:48:41,170

industrialist at the time John Jacob

1203

00:48:46,680 --> 00:48:43,690

Astor was part of the Astor family were

1204

00:48:48,570 --> 00:48:46,690

also stinking rich and a guy called

1205

00:48:50,080 --> 00:48:48,580

Isidor Straus who owned made his

1206

00:48:52,780 --> 00:48:50,090

department store in New York

1207

00:48:55,150 --> 00:48:52,790

and he was also a very rich guy now

1208

00:48:58,150 --> 00:48:55,160

these guys had not accrued their

1209

00:48:59,830 --> 00:48:58,160

fortunes through financial means and so

1210

00:49:01,750 --> 00:48:59,840

they were sort of cut out the loop if

1211

00:49:03,910 --> 00:49:01,760

you like in terms of what the financial

1212

00:49:05,170 --> 00:49:03,920

reserve was going to do and just in case

1213

00:49:07,060 --> 00:49:05,180

there's anyone out there doesn't

1214

00:49:11,080 --> 00:49:07,070

understand what impact the Federal

1215

00:49:14,020 --> 00:49:11,090

Reserve would have by its instigation on

1216

00:49:16,660 --> 00:49:14,030

on the finances of not just rich people

1217

00:49:19,240 --> 00:49:16,670

bought on ordinary people as well I'll

1218

00:49:21,730 --> 00:49:19,250

do a little sort of snapshot of that

1219

00:49:23,710 --> 00:49:21,740

just to put that into perspective okay

1220

00:49:27,550 --> 00:49:23,720

basically what the Federal Reserve would

1221

00:49:30,610 --> 00:49:27,560

do would remove the authority to create

1222

00:49:34,210 --> 00:49:30,620

and print money from the US government

1223

00:49:37,120 --> 00:49:34,220

and put it into private hands now this

1224

00:49:40,960 --> 00:49:37,130

money would then only be lent to

1225

00:49:43,330 --> 00:49:40,970

government not given so they had to pay

1226

00:49:45,730 --> 00:49:43,340

interest on that money back to the

1227

00:49:47,830 --> 00:49:45,740

owners of the Federal Reserve it was

1228

00:49:50,500 --> 00:49:47,840

some of the rich fat cat bankers white

1229

00:49:54,700 --> 00:49:50,510

JP Morgan who had instigated it in the

1230

00:49:58,480 --> 00:49:54,710

first place and Strauss Guggenheim and

1231

00:50:02,500 --> 00:49:58,490

Astor and another guy who everyone's

1232

00:50:05,890 --> 00:50:02,510

probably heard of Lindbergh Lindbergh

1233

00:50:09,400 --> 00:50:05,900

yeah Charles Lindbergh senior it was a

1234

00:50:10,780 --> 00:50:09,410

father of the famous flyer realized that

1235

00:50:13,420 --> 00:50:10,790

what would happen is that their own

1236

00:50:15,940 --> 00:50:13,430

fortunes would be massively eroded by

1237

00:50:17,380 --> 00:50:15,950

this because they weren't they weren't

1238

00:50:19,900 --> 00:50:17,390

part the deal basically they weren't

1239

00:50:23,440 --> 00:50:19,910

doing it through any sort of benevolence

1240

00:50:24,760 --> 00:50:23,450

or feeling of charity towards poor

1241

00:50:26,650 --> 00:50:24,770

people they were doing it for very

1242

00:50:29,170 --> 00:50:26,660

selfish reasons but nevertheless they

1243

00:50:31,900 --> 00:50:29,180

understood exactly the impact that it

1244

00:50:33,370 --> 00:50:31,910

would have and of course that's come

1245

00:50:36,070 --> 00:50:33,380

true now because the Federal Reserve

1246

00:50:37,630 --> 00:50:36,080

before the Federal Reserve was brought

1247

00:50:41,110 --> 00:50:37,640

into being there was no national debt

1248

00:50:43,240 --> 00:50:41,120

there was no income tax and the country

1249

00:50:44,500 --> 00:50:43,250

was very wealthy it was a you know it

1250

00:50:46,930 --> 00:50:44,510

was probably the wealthiest country in

1251
00:50:49,540 --> 00:50:46,940
the world at that time the states you

1252
00:50:51,880 --> 00:50:49,550
know the turn of the last century but

1253
00:50:53,680 --> 00:50:51,890
ever since then it's probably the you

1254
00:50:55,180 --> 00:50:53,690
know the one that's most in debt because

1255
00:50:57,130 --> 00:50:55,190
of the Federal Reserve Bank and

1256
00:51:01,560 --> 00:50:57,140
intrinsic and the intrinsic way that

1257
00:51:03,569 --> 00:51:01,570
that works in terms of creating debt by

1258
00:51:06,870 --> 00:51:03,579
creating money which I

1259
00:51:08,880 --> 00:51:06,880
is just debt dollar bills are just a

1260
00:51:13,079 --> 00:51:08,890
dollar of debt to the Federal Reserve

1261
00:51:15,630 --> 00:51:13,089
that's all they are right but it's real

1262
00:51:17,309 --> 00:51:15,640
that not just paper debt so anyway

1263
00:51:23,670 --> 00:51:17,319

that's the background to that so these

1264

00:51:26,009 --> 00:51:23,680

four gowns were vociferous Lee opposed

1265

00:51:28,709 --> 00:51:26,019

to the instigation of the Federal

1266

00:51:31,620 --> 00:51:28,719

Reserve Bank and in fact aster was on

1267

00:51:36,029 --> 00:51:31,630

his way back from an extended honeymoon

1268

00:51:39,660 --> 00:51:36,039

on Titanic to actually instigate a very

1269

00:51:41,249 --> 00:51:39,670

big campaign against the the formation

1270

00:51:43,709 --> 00:51:41,259

of the Federal Reserve Bank and he got

1271

00:51:46,109 --> 00:51:43,719

all this campaign managers in place all

1272

00:51:48,930 --> 00:51:46,119

on the East Coast and he was going to

1273

00:51:51,809 --> 00:51:48,940

fund a massive campaign to bring the

1274

00:51:53,400 --> 00:51:51,819

real truth to the attention of the

1275

00:51:55,289 --> 00:51:53,410

American people so that you know that

1276

00:51:57,509 --> 00:51:55,299

could be a popular movement against it

1277

00:52:01,709 --> 00:51:57,519

and pretended from happening prevent it

1278

00:52:05,089 --> 00:52:01,719

from happening sorry so Morgan was aware

1279

00:52:08,370 --> 00:52:05,099

of this and you know he was very very

1280

00:52:10,380 --> 00:52:08,380

angry about what these four guys were

1281

00:52:12,329 --> 00:52:10,390

doing and it's my belief that he

1282

00:52:15,569 --> 00:52:12,339

actually lured managed to lure three of

1283

00:52:19,799 --> 00:52:15,579

them onto the Titanic using various

1284

00:52:21,390 --> 00:52:19,809

means in order to sort of as I say you

1285

00:52:23,430 --> 00:52:21,400

keep using this phrase but kill two

1286

00:52:24,930 --> 00:52:23,440

birds with one stone or in this case

1287

00:52:28,620 --> 00:52:24,940

three Birds ask the Strauss and

1288

00:52:32,370 --> 00:52:28,630

Guggenheim in the aftermath of getting

1289

00:52:34,680 --> 00:52:32,380

rid of the RMS Olympic as well so it was

1290

00:52:36,329 --> 00:52:34,690

very much a win-win situation for for

1291

00:52:39,239 --> 00:52:36,339

Morgan and I believe that is actually

1292

00:52:41,279 --> 00:52:39,249

what happened boom there you go man it

1293

00:52:42,959 --> 00:52:41,289

really is a great story and I think the

1294

00:52:44,939 --> 00:52:42,969

motivations are there I think the

1295

00:52:46,979 --> 00:52:44,949

evidence is there which we can dig into

1296

00:52:50,039 --> 00:52:46,989

more in the second hour but yeah just to

1297

00:52:52,589 --> 00:52:50,049

reiterate the timeline here 1908 JP

1298

00:52:56,640 --> 00:52:52,599

Morgan buys the White Star gets that

1299

00:52:58,650 --> 00:52:56,650

whole shipping line in order 1910 the

1300

00:52:59,969 --> 00:52:58,660

nefarious meeting on Jekyll Island to

1301

00:53:02,579 --> 00:52:59,979

talk about how to get the Federal

1302

00:53:05,729 --> 00:53:02,589

Reserve into place 1911 they launched

1303

00:53:08,969 --> 00:53:05,739

the Olympic after many problems in 1912

1304

00:53:12,329 --> 00:53:08,979

they sunk the Titanic or the Olympic and

1305

00:53:14,849 --> 00:53:12,339

then in 1913 on December 23rd right

1306

00:53:17,190 --> 00:53:14,859

before Christmas Eve the Federal Reserve

1307

00:53:19,470 --> 00:53:17,200

when everybody's looking the other way

1308

00:53:21,569 --> 00:53:19,480

goes into law so there it is in a

1309

00:53:23,970 --> 00:53:21,579

nutshell absolutely a bullet point for

1310

00:53:26,099 --> 00:53:23,980

every move on a five-year plan and by

1311

00:53:28,799 --> 00:53:26,109

removing the opposition to the Fed he

1312

00:53:31,770 --> 00:53:28,809

helped to enslave a nation and here in

1313

00:53:33,690 --> 00:53:31,780

2015 they still got us by the balls I

1314

00:53:35,309 --> 00:53:33,700

think that makes this pretty important

1315

00:53:38,880 --> 00:53:35,319

and something that everybody should know

1316

00:53:41,609 --> 00:53:38,890

about yeah again I've got no actual

1317

00:53:44,309 --> 00:53:41,619

proof of this but I just think there's a

1318

00:53:46,289 --> 00:53:44,319

lot well I think I know there's a lot of

1319

00:53:47,010 --> 00:53:46,299

circumstantial evidence that points to

1320

00:53:49,890 --> 00:53:47,020

it mm-hmm

1321

00:53:52,559 --> 00:53:49,900

I've done several years of almost

1322

00:53:54,960 --> 00:53:52,569

full-time research before I before I

1323

00:53:57,299 --> 00:53:54,970

came up with this theory and again I'm

1324

00:53:59,099 --> 00:53:57,309

not saying that it was mine my original

1325

00:54:00,720 --> 00:53:59,109

thought and I'm standing on the

1326

00:54:03,180 --> 00:54:00,730

shoulders of other people to actually

1327

00:54:06,539 --> 00:54:03,190

take it one step further if you like but

1328

00:54:10,289 --> 00:54:06,549

it I've done a lot of unique individual

1329

00:54:13,670 --> 00:54:10,299

research that attends to point out my my

1330

00:54:16,859 --> 00:54:13,680

feelings in that way what's a well said

1331

00:54:18,660 --> 00:54:16,869

men Wow John that pretty much does it

1332

00:54:20,099 --> 00:54:18,670

for us I think we did a great job of

1333

00:54:21,660 --> 00:54:20,109

shining the spotlight on these little

1334

00:54:23,700 --> 00:54:21,670

pockets of corruption that are still

1335

00:54:25,890 --> 00:54:23,710

fairly well masked so thanks so much for

1336

00:54:27,690 --> 00:54:25,900

taking the time my pleasure

1337

00:54:29,339 --> 00:54:27,700

before we do go would you like to tell

1338

00:54:31,020 --> 00:54:29,349

the people a bit about your books and

1339

00:54:32,370 --> 00:54:31,030

anything else you got going on where

1340

00:54:37,970 --> 00:54:32,380

they can check out other work you've

1341

00:54:40,680 --> 00:54:37,980

done sure I've got I've got three books

1342

00:54:42,660 --> 00:54:40,690

at present that are available for sale

1343

00:54:44,160 --> 00:54:42,670

the first one is one that you can be

1344

00:54:46,230 --> 00:54:44,170

alluded to the falsification of history

1345

00:54:47,870 --> 00:54:46,240

which is almost like the conspiracy

1346

00:54:50,910 --> 00:54:47,880

Bible if you like mm-hmm

1347

00:54:53,789 --> 00:54:50,920

and the other two are the ones that we

1348

00:54:56,400 --> 00:54:53,799

also mentioned the woman wants RMS

1349

00:54:59,039 --> 00:54:56,410

Olympic which is the nonfiction version

1350

00:55:00,990 --> 00:54:59,049

of the Titanic story and the other one

1351
00:55:03,839 --> 00:55:01,000
it's got Titanic's last secret and that

1352
00:55:05,579 --> 00:55:03,849
that's just a little story that I in

1353
00:55:09,230 --> 00:55:05,589
conjunction with the film director in

1354
00:55:10,799 --> 00:55:09,240
Hollywood and built around that same

1355
00:55:12,930 --> 00:55:10,809
true story

1356
00:55:16,410 --> 00:55:12,940
obviously the it's a fictional story but

1357
00:55:18,870 --> 00:55:16,420
it's based on the true story and it's

1358
00:55:22,559 --> 00:55:18,880
quite whimsical it's not very serious

1359
00:55:24,569 --> 00:55:22,569
you know but those are the three that

1360
00:55:26,160 --> 00:55:24,579
I've got in publication at the minute I

1361
00:55:27,599 --> 00:55:26,170
am actually working on one this is a

1362
00:55:30,279 --> 00:55:27,609
long project very much like

1363
00:55:32,410 --> 00:55:30,289

falsification of history was to

1364

00:55:35,049 --> 00:55:32,420

and it's called behind the curtain this

1365

00:55:36,339 --> 00:55:35,059

is an expose of the of the banking

1366

00:55:38,769 --> 00:55:36,349

industry oh nice

1367

00:55:41,190 --> 00:55:38,779

which got little bits of elements of

1368

00:55:44,259 --> 00:55:41,200

everything that we've talked about today

1369

00:55:45,940 --> 00:55:44,269

but it's you know it covers all the

1370

00:55:47,680 --> 00:55:45,950

Federal Reserve and all the elite

1371

00:55:50,140 --> 00:55:47,690

families and all the rest of it and I'm

1372

00:55:53,049 --> 00:55:50,150

so intrinsically linked it's similar in

1373

00:55:54,519 --> 00:55:53,059

some ways to falsification but it's it

1374

00:55:56,079 --> 00:55:54,529

comes at it from a different angle and

1375

00:55:58,420 --> 00:55:56,089

obviously there's lots of more new

1376

00:56:00,130 --> 00:55:58,430

information in there Gazza falsification

1377

00:56:03,069 --> 00:56:00,140

was written about four years ago four or

1378

00:56:06,279 --> 00:56:03,079

five years ago and but yeah that you

1379

00:56:08,460 --> 00:56:06,289

know if anybody wants to buy the books

1380

00:56:10,539 --> 00:56:08,470

they're available on amazon.com just

1381

00:56:14,650 --> 00:56:10,549

type in my name and I'm sure you'll find

1382

00:56:16,809 --> 00:56:14,660

them it's John Hamer H a very awesome

1383

00:56:19,000 --> 00:56:16,819

yeah I'm so glad I stumbled into your

1384

00:56:21,730 --> 00:56:19,010

work I did buy your book and I found a

1385

00:56:23,380 --> 00:56:21,740

lot of other little sagas that I've yet

1386

00:56:25,450 --> 00:56:23,390

to investigate no problem it was

1387

00:56:27,519 --> 00:56:25,460

actually very convenient because I can

1388

00:56:29,170 --> 00:56:27,529

tell that it's a huge book you can you

1389

00:56:30,910 --> 00:56:29,180

can see that it's set got seven hundred

1390

00:56:33,819 --> 00:56:30,920

pages in there and the kindle edition is

1391

00:56:35,380 --> 00:56:33,829

only six dollars so that's less than a

1392

00:56:38,009 --> 00:56:35,390

dollar for a hundred pages that's a

1393

00:56:41,140 --> 00:56:38,019

pretty good bargain yeah

1394

00:56:42,759 --> 00:56:41,150

well you know I did find a lot of those

1395

00:56:44,799 --> 00:56:42,769

a lot of those little sagas that I

1396

00:56:47,079 --> 00:56:44,809

haven't seen before or haven't dove into

1397

00:56:48,190 --> 00:56:47,089

yet so maybe down the road we can do

1398

00:56:49,390 --> 00:56:48,200

another show and hit some of those

1399

00:56:51,089 --> 00:56:49,400

points as well as some of the things

1400

00:56:53,549 --> 00:56:51,099

that are gonna be in behind the curtain

1401

00:56:56,440 --> 00:56:53,559

that would be great I'd love to do it

1402

00:56:58,839 --> 00:56:56,450

awesome well until then man thanks again

1403

00:57:02,200 --> 00:56:58,849

and keep fighting the good fight thanks

1404

00:57:03,549 --> 00:57:02,210

Greg Eureka people Eureka indeed

1405

00:57:04,210 --> 00:57:03,559

hopefully we all learned a little

1406

00:57:06,430 --> 00:57:04,220

something

1407

00:57:08,529 --> 00:57:06,440

of course we strengthened the Titanic

1408

00:57:10,509 --> 00:57:08,539

conspiracy argument in the second hour

1409

00:57:13,240 --> 00:57:10,519

but I think we got a full explanation in

1410

00:57:15,160 --> 00:57:13,250

the first and within the extra mountain

1411

00:57:17,349 --> 00:57:15,170

of info that John lays out about this

1412

00:57:19,809 --> 00:57:17,359

situation the thing I find most damning

1413

00:57:22,299 --> 00:57:19,819

that I'll point out is that at a time of

1414

00:57:23,650 --> 00:57:22,309

a coal crisis where very few ships like

1415

00:57:26,200 --> 00:57:23,660

this where even supposed to be on the

1416

00:57:29,319 --> 00:57:26,210

ocean you have this ship that's from

1417

00:57:31,509 --> 00:57:29,329

another wing of JP Morgan's line called

1418

00:57:33,910 --> 00:57:31,519

the Californian parked 20 miles away

1419

00:57:36,190 --> 00:57:33,920

from the seemingly random and unplanned

1420

00:57:38,079 --> 00:57:36,200

accident and what were they carrying on

1421

00:57:40,450 --> 00:57:38,089

board well it's just an empty ship

1422

00:57:44,230 --> 00:57:40,460

except for 3,000 wool blankets and

1423

00:57:46,270 --> 00:57:44,240

sweaters I just think that's too damn

1424

00:57:48,039 --> 00:57:46,280

on top of everything it shows that they

1425

00:57:51,069 --> 00:57:48,049

did have some people in place to save

1426

00:57:53,140 --> 00:57:51,079

some lives but of course not those key

1427

00:57:54,819 --> 00:57:53,150

opponents to the Federal Reserve and I

1428

00:57:57,130 --> 00:57:54,829

think it's a great piece of alternative

1429

00:57:59,680 --> 00:57:57,140

history and a way to break people into

1430

00:58:01,539 --> 00:57:59,690

these types of events if 9/11 is too hot

1431

00:58:03,309 --> 00:58:01,549

for your friends and family talk to them

1432

00:58:05,500 --> 00:58:03,319

about the Gulf of Tonkin incident or

1433

00:58:07,599 --> 00:58:05,510

this saga that we talked about today I

1434

00:58:09,130 --> 00:58:07,609

mean this one also provides bread crumbs

1435

00:58:11,049 --> 00:58:09,140

to walk them right into the Federal

1436

00:58:13,210 --> 00:58:11,059

Reserve ball of wax and if you get that

1437

00:58:14,650 --> 00:58:13,220

you kind of get 80 or 90 percent of

1438

00:58:17,049 --> 00:58:14,660

what's really important out there and

1439

00:58:18,910 --> 00:58:17,059

then these charities in this whole

1440

00:58:20,620 --> 00:58:18,920

putting third world nations in debt

1441

00:58:22,390 --> 00:58:20,630

coming in and having a big concert

1442

00:58:24,010 --> 00:58:22,400

blowout and selling trucks around the

1443

00:58:26,410 --> 00:58:24,020

world then reducing the aid of them

1444

00:58:27,430 --> 00:58:26,420

Kansas City shuffle kind of thing it's

1445

00:58:29,349 --> 00:58:27,440

pretty interesting to me

1446

00:58:30,880 --> 00:58:29,359

and there's an article from Snopes that

1447

00:58:32,470 --> 00:58:30,890

i printed out that has even more

1448

00:58:35,380 --> 00:58:32,480

information on corrupt charities i

1449

00:58:37,420 --> 00:58:35,390

wanted to read it to you guys to add yet

1450

00:58:38,770 --> 00:58:37,430

another exhibit to the case and i

1451

00:58:41,140 --> 00:58:38,780

figured i could do this in the after

1452

00:58:43,569 --> 00:58:41,150

show as not to take up John's time this

1453

00:58:46,599 --> 00:58:43,579

piece ranks the most corrupt charities

1454

00:58:48,849 --> 00:58:46,609

and it goes a little something like this

1455

00:58:51,579 --> 00:58:48,859

the worst offender yet again for the

1456

00:58:55,809 --> 00:58:51,589

11th year in a row is UNICEF the CEO

1457

00:58:57,970 --> 00:58:55,819

receives 1.2 million a year plus use of

1458

00:59:00,010 --> 00:58:57,980

a Rolls Royce for his exclusive use

1459

00:59:01,990 --> 00:59:00,020

wherever he goes and an expense account

1460

00:59:03,789 --> 00:59:02,000

that is rumored to be well over a

1461

00:59:06,010 --> 00:59:03,799

hundred and fifty thousand dollars a

1462

00:59:09,130 --> 00:59:06,020

year only pennies from the actual

1463

00:59:13,059 --> 00:59:09,140

donation goes to the UNICEF causes less

1464

00:59:14,920 --> 00:59:13,069

than 14 cents per dollar of income the

1465

00:59:18,279 --> 00:59:14,930

second worst offender this year is

1466

00:59:20,349 --> 00:59:18,289

Marsha J Evans yes president and CEO of

1467

00:59:23,529 --> 00:59:20,359

the American Red Cross her salary for

1468

00:59:25,359 --> 00:59:23,539

the year ending 2009 was 650 thousand

1469

00:59:27,490 --> 00:59:25,369

dollars I think we mentioned that she

1470

00:59:29,799 --> 00:59:27,500

also gets six weeks of fully paid

1471

00:59:31,930 --> 00:59:29,809

holidays a year including all related

1472

00:59:34,930 --> 00:59:31,940

expenses during the holiday trip for her

1473

00:59:37,029 --> 00:59:34,940

and her husband and kids it's a little

1474

00:59:39,339 --> 00:59:37,039

excessive and all this means that out of

1475

00:59:42,400 --> 00:59:39,349

every dollar they bring in about 39

1476
00:59:44,829 --> 00:59:42,410
cents goes to related causes the third

1477
00:59:47,500 --> 00:59:44,839
worst offender again for the seventh

1478
00:59:50,470 --> 00:59:47,510
time was Brian Gallagher president of

1479
00:59:52,180 --> 00:59:50,480
United Way he receives a salary of three

1480
00:59:54,760 --> 00:59:52,190
hundred and seventy five thousand

1481
00:59:56,620 --> 00:59:54,770
dollars plus so many numerous expense

1482
00:59:57,790 --> 00:59:56,630
benefits it's hard to keep track as to

1483
00:59:59,560 --> 00:59:57,800
what it's all worth it

1484
01:00:01,840 --> 00:59:59,570
including a fully paid lifetime

1485
01:00:04,090 --> 01:00:01,850
membership for two golf courses one in

1486
01:00:06,970 --> 01:00:04,100
Canada and one in the US two luxury

1487
01:00:09,490 --> 01:00:06,980
vehicles a yacht club membership three

1488
01:00:12,640 --> 01:00:09,500

major company gold credit cards for his

1489

01:00:15,880 --> 01:00:12,650

personal expenses and so on this equates

1490

01:00:18,660 --> 01:00:15,890

to about 51 cents per dollar of income

1491

01:00:21,160 --> 01:00:18,670

that ends up going to the charity causes

1492

01:00:23,080 --> 01:00:21,170

fourth worst offender on the list has

1493

01:00:24,790 --> 01:00:23,090

also been in this spot before in fact

1494

01:00:26,610 --> 01:00:24,800

every year since the information has

1495

01:00:30,190 --> 01:00:26,620

been made available from the start of

1496

01:00:32,620 --> 01:00:30,200

1998 amazingly here yet again the

1497

01:00:35,470 --> 01:00:32,630

president of World Vision a charity

1498

01:00:39,340 --> 01:00:35,480

based in Canada the position holds with

1499

01:00:42,160 --> 01:00:39,350

it a salary of 300,000 plus what also is

1500

01:00:44,410 --> 01:00:42,170

supplied a home valued in the 700 to 800

1501
01:00:46,690 --> 01:00:44,420
thousand dollar range completely

1502
01:00:50,080 --> 01:00:46,700
furnished completely paid all housing

1503
01:00:53,380 --> 01:00:50,090
expenses including taxes water sewer HD

1504
01:00:55,300 --> 01:00:53,390
high speed cable weekly maid service and

1505
01:00:57,160 --> 01:00:55,310
pool and yard maintenance fully paid

1506
01:00:59,980 --> 01:00:57,170
private schooling Forest children

1507
01:01:02,200 --> 01:00:59,990
upscale automobile and a \$55,000

1508
01:01:04,060 --> 01:01:02,210
personal expense account for food and

1509
01:01:06,160 --> 01:01:04,070
clothing with a hundred and twenty five

1510
01:01:08,410 --> 01:01:06,170
thousand dollar business expense account

1511
01:01:10,570 --> 01:01:08,420
and also get this because it is a

1512
01:01:12,310 --> 01:01:10,580
religious based charity it pays little

1513
01:01:14,380 --> 01:01:12,320

or no taxes can receive government

1514

01:01:17,500 --> 01:01:14,390

assistance and does not have to declare

1515

01:01:20,410 --> 01:01:17,510

where the money goes only about 52 cents

1516

01:01:22,900 --> 01:01:20,420

of earned income per dollar is available

1517

01:01:24,400 --> 01:01:22,910

for charity causes also noted the March

1518

01:01:27,340 --> 01:01:24,410

of Dimes is called the March of Dimes

1519

01:01:29,530 --> 01:01:27,350

because only a dime for every dollar is

1520

01:01:31,540 --> 01:01:29,540

given to the needy which they source

1521

01:01:33,520 --> 01:01:31,550

some links for and also if with

1522

01:01:37,480 --> 01:01:33,530

honorable mention is the goodwill CEO

1523

01:01:39,880 --> 01:01:37,490

and owner mark Curran who profits 2.3

1524

01:01:41,770 --> 01:01:39,890

million a year goodwill is a very catchy

1525

01:01:43,690 --> 01:01:41,780

name for his business because you donate

1526

01:01:46,180 --> 01:01:43,700

to his business and then he sells the

1527

01:01:48,520 --> 01:01:46,190

items for profit he pays nothing for his

1528

01:01:51,490 --> 01:01:48,530

products and pays his workers minimum

1529

01:01:54,280 --> 01:01:51,500

wage what a great guy so there's just a

1530

01:01:56,620 --> 01:01:54,290

little extra to think about a little

1531

01:01:59,350 --> 01:01:56,630

extra to know it does seem a little

1532

01:02:02,050 --> 01:01:59,360

depressing a little cynical but this is

1533

01:02:04,090 --> 01:02:02,060

what's going on so just be careful but I

1534

01:02:05,680 --> 01:02:04,100

guess be optimistic about the amount of

1535

01:02:07,270 --> 01:02:05,690

people who want to help and are willing

1536

01:02:09,400 --> 01:02:07,280

to share their income to help a brother

1537

01:02:11,220 --> 01:02:09,410

out it's not hopeless it's just that

1538

01:02:13,140 --> 01:02:11,230

we're giving it to the wrong

1539

01:02:15,630 --> 01:02:13,150

they had a chance what have they been

1540

01:02:18,000 --> 01:02:15,640

doing for the last three decades so to

1541

01:02:20,579 --> 01:02:18,010

me it's again somewhat positive in the

1542

01:02:22,349 --> 01:02:20,589

end to really look at this and say oh so

1543

01:02:24,059 --> 01:02:22,359

we're not really just leaving half the

1544

01:02:25,859 --> 01:02:24,069

world to rot there really are enough of

1545

01:02:27,240 --> 01:02:25,869

us who care it's just a few people

1546

01:02:29,430 --> 01:02:27,250

burning through billions of our dollars

1547

01:02:31,349 --> 01:02:29,440

and if we get them out of the way maybe

1548

01:02:33,029 --> 01:02:31,359

we can do something right another thing

1549

01:02:34,890 --> 01:02:33,039

John mentioned in the + show that I

1550

01:02:38,250 --> 01:02:34,900

wanted to mention was he brought up the

1551
01:02:40,500 --> 01:02:38,260
point that when JP Morgan was trying to

1552
01:02:42,630 --> 01:02:40,510
buy the white star line of ships it was

1553
01:02:44,670 --> 01:02:42,640
illegal for a foreigner to own a British

1554
01:02:46,200 --> 01:02:44,680
shipping company but the elites just

1555
01:02:47,849 --> 01:02:46,210
rubber stamped it and made a deal with

1556
01:02:50,309 --> 01:02:47,859
him that if they ever need the ships

1557
01:02:52,799 --> 01:02:50,319
during wartime he'll give him up well

1558
01:02:55,260 --> 01:02:52,809
that sounds exactly like Sam Walton

1559
01:02:57,269 --> 01:02:55,270
founder of Walmart and his apparent deal

1560
01:02:58,950 --> 01:02:57,279
with FEMA Walmart agreed to turn over

1561
01:03:01,019 --> 01:02:58,960
some of the stores in the event of a

1562
01:03:03,180 --> 01:03:01,029
national emergency and got paid a huge

1563
01:03:05,760 --> 01:03:03,190

retainer under the table who knows

1564

01:03:07,349 --> 01:03:05,770

that's what Jim Fetzer says and I

1565

01:03:09,029 --> 01:03:07,359

thought I saw a parallel there that was

1566

01:03:11,400 --> 01:03:09,039

worth bringing up I've also been hearing

1567

01:03:13,470 --> 01:03:11,410

about this AI component Jade helm I

1568

01:03:15,299 --> 01:03:13,480

might just have to have someone on about

1569

01:03:18,089 --> 01:03:15,309

it but some are saying that this whole

1570

01:03:19,829 --> 01:03:18,099

operation might be a test of AI control

1571

01:03:21,779 --> 01:03:19,839

for a military operation

1572

01:03:23,490 --> 01:03:21,789

it's a thread that's kind of new to me I

1573

01:03:24,839 --> 01:03:23,500

have to look more into it but it

1574

01:03:26,760 --> 01:03:24,849

definitely freaks me out a little bit

1575

01:03:30,420 --> 01:03:26,770

and kind of like a real-life Ultron

1576

01:03:32,490 --> 01:03:30,430

Skynet scenario I don't know I could do

1577

01:03:34,109 --> 01:03:32,500

this all day but I'm just the stupid

1578

01:03:36,359 --> 01:03:34,119

stoner host the guests are the real

1579

01:03:38,549 --> 01:03:36,369

stars of the show thanks to every one of

1580

01:03:40,740 --> 01:03:38,559

them and all of you that's it from me

1581

01:03:42,150 --> 01:03:40,750

people do what you do and enjoy the

1582

01:03:44,279 --> 01:03:42,160

little extra ammunition for your

1583

01:03:46,410 --> 01:03:44,289

conspiratorial repertoire that you got

1584

01:03:49,079 --> 01:03:46,420

here today and I'll see you soon enough

1585

01:03:51,120 --> 01:03:49,089

your move banking families Triple Crown

1586

01:03:56,460 --> 01:03:51,130

controllers and Morgan align monsters of

1587

01:04:02,359 --> 01:03:56,470

financial tyranny your frickin move have

1588

01:04:07,829 --> 01:04:02,369

a drink in the smoke listen to the cast

1589

01:04:13,010 --> 01:04:07,839

shiny shiny spotlight but criminal zone

1590

01:04:18,480 --> 01:04:13,020

blast the pinstripe man of morning and

1591

01:04:23,550 --> 01:04:18,490

families of Finance dupe on Windsor and

1592

01:04:27,300 --> 01:04:23,560

child the kids don't stand a chance the

1593

01:04:30,720 --> 01:04:27,310

kids don't the kids don't stand the kids

1594

01:04:34,140 --> 01:04:30,730

don't stand a chance I said the kids

1595

01:04:38,460 --> 01:04:34,150

don't the kids don't stand the kids

1596

01:04:43,950 --> 01:04:38,470

don't stand a chance we're looking for

1597

01:04:47,940 --> 01:04:43,960

the answer the questions never asked so

1598

01:04:53,220 --> 01:04:47,950

we come to the car wood for the higher

1599

01:04:58,980 --> 01:04:53,230

side chats the Pinstripe man of morning

1600

01:05:02,820 --> 01:04:58,990

1604
01:05:31,890 --> 01:05:14,410
said the kids don't the kids don't stand

1605
01:05:38,060 --> 01:05:31,900
the kids don't stand a chance involved

1606
01:05:43,050 --> 01:05:38,070
in shady business we try to get a glance

1607
01:05:47,430 --> 01:05:43,060
we're working on the numbers resistance

1608
01:05:53,010 --> 01:05:47,440
must advance the pinstripe man of

1609
01:05:56,910 --> 01:05:53,020
morning and families of Finance do pawn

1610
01:06:01,500 --> 01:05:56,920
Windsor and Rothschild the kids don't

1611
01:06:05,470 --> 01:06:01,510
stand a chance the kids don't the kids

1613
01:06:13,270 --> 01:06:08,780

I said the kids don't the kids don't
