

1
00:00:09,620 --> 00:00:06,860
the planets up the Masters almost surely

2
00:00:13,080 --> 00:00:09,630
have a plan this clearly may be

3
00:00:16,310 --> 00:00:13,090
something there beyond the realm of man

4
00:00:19,650 --> 00:00:16,320
thoroughly tested every

5
00:00:23,450 --> 00:00:19,660
I'm fine the more you think you know the

6
00:00:25,590 --> 00:00:23,460
less you really do where would we be

7
00:00:39,910 --> 00:00:25,600
without you

8
00:00:44,030 --> 00:00:42,350
half B days are here higher set

9
00:00:46,010 --> 00:00:44,040
Cheddar's how the hell are ya drinkin

10
00:00:47,990 --> 00:00:46,020
little drinks smokin a little smoke and

11
00:00:49,549 --> 00:00:48,000
gearing up to throw some verbal stones

12
00:00:51,650 --> 00:00:49,559
at the shadowy puppet-masters of the

13
00:00:53,840 --> 00:00:51,660

power pyramid from sunny san diego i'm

14

00:00:55,520 --> 00:00:53,850

greg carl wood and folks we all know

15

00:00:57,470 --> 00:00:55,530

there are many corporate concoctions

16

00:00:59,060 --> 00:00:57,480

poisoning our air water land people

17

00:01:01,070 --> 00:00:59,070

plants and animals and if these

18

00:01:02,689 --> 00:01:01,080

multinational conglomerates have their

19

00:01:04,820 --> 00:01:02,699

way they'll still be posting their

20

00:01:07,310 --> 00:01:04,830

annual 10% growth on a dead decaying

21

00:01:08,960 --> 00:01:07,320

empty planet today we're gonna shine the

22

00:01:10,430 --> 00:01:08,970

spotlight squarely on these corporate

23

00:01:12,080 --> 00:01:10,440

criminals and their campaigns against

24

00:01:13,490 --> 00:01:12,090

humanity because if you want to find

25

00:01:15,590 --> 00:01:13,500

terrorists you don't have to go to the

26

00:01:17,210 --> 00:01:15,600

caves of afghanistan you need look no

27

00:01:19,999 --> 00:01:17,220

further than the new york stock exchange

28

00:01:22,280 --> 00:01:20,009

your local grocery store and your own

29

00:01:23,930 --> 00:01:22,290

kitchen sink with me to forge this path

30

00:01:25,760 --> 00:01:23,940

for today's show is one of my favorite

31

00:01:26,210 --> 00:01:25,770

authors and yours the legendary jim

32

00:01:28,219 --> 00:01:26,220

marrs

33

00:01:30,230 --> 00:01:28,229

we talked a couple months back in depth

34

00:01:32,150 --> 00:01:30,240

about the Anunnaki genetic engineering

35

00:01:33,980 --> 00:01:32,160

Kazari and banking dynasties and many

36

00:01:36,080 --> 00:01:33,990

other aspects of the past in his book

37

00:01:37,639 --> 00:01:36,090

our occulted history but today we're

38

00:01:40,100 --> 00:01:37,649

putting our attention on the present and

39

00:01:42,650 --> 00:01:40,110

talking about Jim's new book population

40

00:01:44,719 --> 00:01:42,660

control how corporate owners are killing

41

00:01:46,520 --> 00:01:44,729

us these are troubled times so why wait

42

00:01:48,559 --> 00:01:46,530

any longer here to talk about the true

43

00:01:51,139 --> 00:01:48,569

meat of the modern conspiracy sandwich a

44

00:01:52,210 --> 00:01:51,149

God among mere mortals Jim a man welcome

45

00:01:55,669 --> 00:01:52,220

back to THC

46

00:01:58,730 --> 00:01:55,679

hi gosh Greg thanks a bunch appreciate

47

00:02:00,529 --> 00:01:58,740

that you got a man my pleasure this is a

48

00:02:03,290 --> 00:02:00,539

really serious topic and something that

49

00:02:05,139 --> 00:02:03,300

everyone and I mean everyone I mean I

50

00:02:07,550 --> 00:02:05,149

know everybody is not necessarily

51
00:02:11,900 --> 00:02:07,560
interested in the stock exchange or

52
00:02:14,930 --> 00:02:11,910
politics or philosophies or world events

53
00:02:17,870 --> 00:02:14,940
you know but hey we all should be

54
00:02:20,300 --> 00:02:17,880
concerned about self-preservation ain't

55
00:02:23,059 --> 00:02:20,310
true because what I'm talking about here

56
00:02:25,640 --> 00:02:23,069
and what I detail in my book population

57
00:02:28,220 --> 00:02:25,650
control how corporate owners are killing

58
00:02:30,770 --> 00:02:28,230
us this goes beyond politics it goes

59
00:02:33,199 --> 00:02:30,780
beyond philosophical debate we're

60
00:02:35,420 --> 00:02:33,209
talking about self-defense there are

61
00:02:42,290 --> 00:02:35,430
people at the top of the food chain who

62
00:02:44,540 --> 00:02:42,300
want you dead okay and I have to point

63
00:02:47,569 --> 00:02:44,550

out right away that I think almost

64

00:02:50,250 --> 00:02:47,579

everyone who has their ears and eyes

65

00:02:52,710 --> 00:02:50,260

open realize that

66

00:02:55,080 --> 00:02:52,720

the corporate business does not really

67

00:02:57,720 --> 00:02:55,090

care about morality or what's truly good

68

00:02:59,039 --> 00:02:57,730

for anybody the corporations are in

69

00:03:01,589 --> 00:02:59,049

business for one thing and one thing

70

00:03:05,130 --> 00:03:01,599

only and that's to keep the profit line

71

00:03:07,920 --> 00:03:05,140

up right now I want to clearly make it

72

00:03:10,440 --> 00:03:07,930

make it known here then I'm not I'm not

73

00:03:13,440 --> 00:03:10,450

talking about corporate executives okay

74

00:03:15,539 --> 00:03:13,450

not the presidents or vice presidents of

75

00:03:18,509 --> 00:03:15,549

some of these corporations I'm sure many

76
00:03:21,240 --> 00:03:18,519
of those people are good thoughtful well

77
00:03:23,880 --> 00:03:21,250
educated people probably have harvard

78
00:03:26,520 --> 00:03:23,890
business degrees okay but you have to

79
00:03:30,080 --> 00:03:26,530
understand they do not decide the

80
00:03:32,910 --> 00:03:30,090
policies they are simply capable

81
00:03:35,520 --> 00:03:32,920
administrators they are there to see the

82
00:03:38,640 --> 00:03:35,530
corporation run smoothly efficiently and

83
00:03:41,849 --> 00:03:38,650
that the profit line stays up and in

84
00:03:43,979 --> 00:03:41,859
fact increases if you ask anybody in

85
00:03:46,170 --> 00:03:43,989
business do you want to just keep your

86
00:03:48,330 --> 00:03:46,180
business right where it is and just stay

87
00:03:50,580 --> 00:03:48,340
there for the rest of your life they're

88
00:03:52,649 --> 00:03:50,590

gonna go no they want to grow the whole

89

00:03:53,970 --> 00:03:52,659

idea of business and corporations is

90

00:03:56,520 --> 00:03:53,980

they got to grow they got to keep

91

00:04:00,390 --> 00:03:56,530

growing they got to get more okay so now

92

00:04:03,089 --> 00:04:00,400

this leads to a very common idea that

93

00:04:07,080 --> 00:04:03,099

these major multinational corporations

94

00:04:08,970 --> 00:04:07,090

are just impersonal and they just are

95

00:04:11,640 --> 00:04:08,980

they're greedy and they just don't

96

00:04:14,280 --> 00:04:11,650

really care about what they're doing and

97

00:04:16,409 --> 00:04:14,290

I don't think that's necessarily true

98

00:04:17,849 --> 00:04:16,419

again I think corporate officers and

99

00:04:19,740 --> 00:04:17,859

then certainly the people in the workers

100

00:04:21,960 --> 00:04:19,750

that work for these corporations they're

101
00:04:23,850 --> 00:04:21,970
all good people and they would like to

102
00:04:24,360 --> 00:04:23,860
think that they're really doing good for

103
00:04:26,010 --> 00:04:24,370
everybody

104
00:04:28,740 --> 00:04:26,020
and that's what they're told by their

105
00:04:30,810 --> 00:04:28,750
superiors I'm talking about the people

106
00:04:35,670 --> 00:04:30,820
at the top of the food chain

107
00:04:38,640 --> 00:04:35,680
the CEOs the major stockholders okay the

108
00:04:40,620 --> 00:04:38,650
people who actually decide policies for

109
00:04:42,899 --> 00:04:40,630
these multinational corporations and

110
00:04:46,020 --> 00:04:42,909
contrary to a popular belief you don't

111
00:04:49,020 --> 00:04:46,030
necessarily have to own 51% of a

112
00:04:53,520 --> 00:04:49,030
corporation to have control for example

113
00:04:56,610 --> 00:04:53,530

if you own say just 10% of a major

114

00:04:59,700 --> 00:04:56,620

corporation but nobody owned more than

115

00:05:02,670 --> 00:04:59,710

say 8% you're the majority stockholder

116

00:05:04,890 --> 00:05:02,680

and you get to make the decision right

117

00:05:08,040 --> 00:05:04,900

okay now this is who we're talking about

118

00:05:10,320 --> 00:05:08,050

self style globalist that's what they

119

00:05:12,840 --> 00:05:10,330

call themselves globalist because

120

00:05:16,260 --> 00:05:12,850

they're interested in global revenues

121

00:05:18,300 --> 00:05:16,270

global business to them the United

122

00:05:22,080 --> 00:05:18,310

States of America is just a not very

123

00:05:24,450 --> 00:05:22,090

profitable subsidiary okay because we

124

00:05:26,969 --> 00:05:24,460

have environmental laws we have labor

125

00:05:29,790 --> 00:05:26,979

unions we have all kinds of impediments

126

00:05:33,749 --> 00:05:29,800

to these corporations just running wild

127

00:05:36,839 --> 00:05:33,759

and so they just basically would like to

128

00:05:41,490 --> 00:05:36,849

change this a hold paradigm turn this

129

00:05:43,409 --> 00:05:41,500

world into a big fiefdom where you have

130

00:05:46,379 --> 00:05:43,419

the slaves and then you have the masters

131

00:05:48,810 --> 00:05:46,389

and of course naturally they want to be

132

00:05:51,689 --> 00:05:48,820

the masters right but now it gets even

133

00:05:54,689 --> 00:05:51,699

worse because at the very top of these

134

00:06:00,150 --> 00:05:54,699

globalist these controllers we find that

135

00:06:03,749 --> 00:06:00,160

most of them adhere to eugenics the idea

136

00:06:07,620 --> 00:06:03,759

of lisam proved the human race let's

137

00:06:09,659 --> 00:06:07,630

improve the gene pool you know we need

138

00:06:12,450 --> 00:06:09,669

to get rid of we need to get rid of

139

00:06:14,850 --> 00:06:12,460

these people who we feel like maybe

140

00:06:18,210 --> 00:06:14,860

leaving a dirty ring around the gene

141

00:06:20,520 --> 00:06:18,220

pool and believe it or not the eugenics

142

00:06:22,860 --> 00:06:20,530

movement actually got started in the

143

00:06:26,100 --> 00:06:22,870

United States one of the first leaders

144

00:06:29,879 --> 00:06:26,110

was the Herman's okay Herman's who are

145

00:06:33,029 --> 00:06:29,889

the mentors of the Bush family okay a

146

00:06:35,550 --> 00:06:33,039

big railroad magnate who worked hand in

147

00:06:37,580 --> 00:06:35,560

glove with john d rockefeller through

148

00:06:40,890 --> 00:06:37,590

his railroads to totally control

149

00:06:44,279 --> 00:06:40,900

railroads and the transportation of oil

150

00:06:46,649 --> 00:06:44,289

and had total control over the oil until

151
00:06:49,140 --> 00:06:46,659
they supposedly were broken up about

152
00:06:50,640 --> 00:06:49,150
1909 by the Supreme Court that said well

153
00:06:53,219 --> 00:06:50,650
you've got a monopoly and that's not

154
00:06:55,710 --> 00:06:53,229
right of course all they did then was

155
00:06:57,930 --> 00:06:55,720
take Standard Oil owned by john d

156
00:07:00,689 --> 00:06:57,940
rockefeller who controlled just about

157
00:07:02,790 --> 00:07:00,699
all of the petroleum in the world and

158
00:07:06,450 --> 00:07:02,800
they broke it up into thirty-three

159
00:07:08,760 --> 00:07:06,460
different corporations you know but know

160
00:07:11,850 --> 00:07:08,770
that it was instead of profiting from

161
00:07:13,709 --> 00:07:11,860
his one big monopolistic corporation now

162
00:07:16,019 --> 00:07:13,719
he's drawn the profits from 33

163
00:07:16,320 --> 00:07:16,029

corporations and he became the world's

164

00:07:18,210 --> 00:07:16,330

four

165

00:07:20,610 --> 00:07:18,220

billionaire that's who we're talking

166

00:07:24,270 --> 00:07:20,620

about these billionaires these globalist

167

00:07:29,399 --> 00:07:24,280

billionaires now they want you dead as

168

00:07:34,260 --> 00:07:29,409

voiced by Prince Philip who who pretty

169

00:07:36,149 --> 00:07:34,270

well lines it out when he wrote human

170

00:07:37,860 --> 00:07:36,159

population growth is probably the single

171

00:07:39,510 --> 00:07:37,870

most serious long-term threat to

172

00:07:42,170 --> 00:07:39,520

survival if it isn't controlled

173

00:07:45,170 --> 00:07:42,180

voluntarily it will be controlled

174

00:07:49,980 --> 00:07:45,180

involuntarily by an increase in disease

175

00:07:51,450 --> 00:07:49,990

starvation and war now isn't that pretty

176

00:07:53,249 --> 00:07:51,460

much what we see going on in the

177

00:07:55,020 --> 00:07:53,259

third-world countries right been warned

178

00:07:56,550 --> 00:07:55,030

middle-east we got starvation in

179

00:07:59,459 --> 00:07:56,560

sub-sahara Africa

180

00:08:02,580 --> 00:07:59,469

we got diseases like Ebola this strange

181

00:08:06,869 --> 00:08:02,590

diseases keep cropping up and just to

182

00:08:09,749 --> 00:08:06,879

show that he's not kidding at another

183

00:08:11,939 --> 00:08:09,759

date Prince Philip said quote in the

184

00:08:15,209 --> 00:08:11,949

event that I'm reincarnated I would like

185

00:08:16,999 --> 00:08:15,219

to return as a deadly virus in order to

186

00:08:20,309 --> 00:08:17,009

contribute something to solve

187

00:08:22,589 --> 00:08:20,319

overpopulation he wants you dead and

188

00:08:24,600 --> 00:08:22,599

he's not the only one in my book I have

189

00:08:27,420 --> 00:08:24,610

quotes from many other people and right

190

00:08:30,570 --> 00:08:27,430

up to and including Henry Kissinger Bill

191

00:08:32,339 --> 00:08:30,580

Gates okay they have bought into this

192

00:08:34,219 --> 00:08:32,349

idea that there's just too many people

193

00:08:38,219 --> 00:08:34,229

and we have to reduce the population

194

00:08:39,810 --> 00:08:38,229

mm-hmm now I've already had some people

195

00:08:41,760 --> 00:08:39,820

go yeah but wait a minute if they're

196

00:08:43,769 --> 00:08:41,770

greedy corporations and you know why

197

00:08:46,199 --> 00:08:43,779

would they want to kill off their their

198

00:08:48,150 --> 00:08:46,209

customer base you know do you think did

199

00:08:50,790 --> 00:08:48,160

one more people so we could buy more

200

00:08:54,870 --> 00:08:50,800

stuff right but they don't quite

201
00:08:56,220 --> 00:08:54,880
understand that it's not about money

202
00:08:57,510 --> 00:08:56,230
it's not about the money it's about

203
00:08:59,970 --> 00:08:57,520
power

204
00:09:03,420 --> 00:08:59,980
okay and the fewer people you have the

205
00:09:06,090 --> 00:09:03,430
easier it is to control them and also

206
00:09:09,210 --> 00:09:06,100
it's about eugenics they they want to

207
00:09:11,160 --> 00:09:09,220
get rid of undesirables and as I said

208
00:09:15,509 --> 00:09:11,170
you gents movement actually started the

209
00:09:18,689 --> 00:09:15,519
United States in the 1930s most states

210
00:09:20,730 --> 00:09:18,699
have eugenics laws that said if you

211
00:09:25,110 --> 00:09:20,740
didn't come up to their expectations of

212
00:09:28,670 --> 00:09:25,120
race skin color or our bone structure

213
00:09:30,360 --> 00:09:28,680

you know that you might be subjected to

214

00:09:32,970 --> 00:09:30,370

sterilization laws

215

00:09:36,480 --> 00:09:32,980

and of course this was picked up by the

216

00:09:39,829 --> 00:09:36,490

Germans particularly the Nazi Party and

217

00:09:42,450 --> 00:09:39,839

that was a background of the Nazi

218

00:09:44,370 --> 00:09:42,460

organization in Germany in the 30s and

219

00:09:46,560 --> 00:09:44,380

40s and they took it to its logical

220

00:09:49,110 --> 00:09:46,570

extreme you know we got some people here

221

00:09:51,960 --> 00:09:49,120

some gypsies some Jews you know we don't

222

00:09:54,870 --> 00:09:51,970

think they're adding to the Nordic

223

00:09:56,490 --> 00:09:54,880

population so we need to remove them but

224

00:09:58,290 --> 00:09:56,500

that's going to be costly expensive

225

00:10:00,390 --> 00:09:58,300

inefficient so well let's just kill them

226

00:10:02,670 --> 00:10:00,400

okay and of course that led to the

227

00:10:04,769 --> 00:10:02,680

Holocaust World War two and the whole

228

00:10:07,230 --> 00:10:04,779

world recoiled and said wait a minute

229

00:10:09,360 --> 00:10:07,240

we we don't think that's the way to go

230

00:10:10,230 --> 00:10:09,370

we it's not right to just go and kill

231

00:10:12,840 --> 00:10:10,240

innocent people

232

00:10:16,079 --> 00:10:12,850

right and so the eugenics movement had

233

00:10:19,380 --> 00:10:16,089

to kind of go quiet and today though one

234

00:10:21,480 --> 00:10:19,390

of the top eugenicist was Margaret

235

00:10:24,260 --> 00:10:21,490

Sanger who then turned around in four

236

00:10:27,840 --> 00:10:24,270

and founded Planned Parenthood hmm and

237

00:10:32,760 --> 00:10:27,850

in Planned Parenthood you'll find has

238

00:10:34,920 --> 00:10:32,770

most of its clinics in poor ethnic

239

00:10:38,880 --> 00:10:34,930

neighborhoods okay because they are

240

00:10:41,940 --> 00:10:38,890

still pursuing their agenda of trying to

241

00:10:43,800 --> 00:10:41,950

cull the human population but now they

242

00:10:46,079 --> 00:10:43,810

can't do it overtly they can't round you

243

00:10:47,940 --> 00:10:46,089

up send you to camp and gas you right so

244

00:10:49,280 --> 00:10:47,950

what are they doing through their

245

00:10:51,660 --> 00:10:49,290

control of the multinational

246

00:10:55,590 --> 00:10:51,670

corporations they're providing us with

247

00:10:57,960 --> 00:10:55,600

chemicals that impact on our health both

248

00:11:02,160 --> 00:10:57,970

in the food we eat the air we breathe

249

00:11:08,250 --> 00:11:02,170

the cleansers the beauty aids that we

250

00:11:10,500 --> 00:11:08,260

use they are harming us through water by

251

00:11:12,660 --> 00:11:10,510

chlorine which is not good in fact

252

00:11:14,190 --> 00:11:12,670

chlorine gas was one of the gases they

253

00:11:17,449 --> 00:11:14,200

used in World War one that killed

254

00:11:21,060 --> 00:11:17,459

soldiers and of course sodium fluoride

255

00:11:24,449 --> 00:11:21,070

sodium fluoride in the 1920s and 30s who

256

00:11:27,570 --> 00:11:24,459

was sold as a rat poison it's it's a

257

00:11:31,170 --> 00:11:27,580

poison yeah and and yet the Nazis found

258

00:11:34,440 --> 00:11:31,180

out that just a little bit of this rat

259

00:11:37,079 --> 00:11:34,450

poison fluoride put into the drinking

260

00:11:39,870 --> 00:11:37,089

water of the concentration camps kept

261

00:11:41,830 --> 00:11:39,880

those inmates kind of dulled down and

262

00:11:45,190 --> 00:11:41,840

dumbed down and kind

263

00:11:47,860 --> 00:11:45,200

of non-aggressive you know right foot

264

00:11:49,120 --> 00:11:47,870

putting up with it and so they put them

265

00:11:50,950 --> 00:11:49,130

with the fluoride in the water the

266

00:11:53,590 --> 00:11:50,960

concentration camps well this was

267

00:11:56,020 --> 00:11:53,600

learned by the Russians when they took

268

00:11:57,730 --> 00:11:56,030

over an attack Germany and they were

269

00:12:00,630 --> 00:11:57,740

putting it in the water of the gulag

270

00:12:03,340 --> 00:12:00,640

okay and then after the war the

271

00:12:07,960 --> 00:12:03,350

eugenicist in the united states figured

272

00:12:10,060 --> 00:12:07,970

this out and so they arranged for a

273

00:12:12,970 --> 00:12:10,070

couple of studies to show that between

274

00:12:13,480 --> 00:12:12,980

the age of six and twelve especially

275

00:12:16,120 --> 00:12:13,490

abundant

276

00:12:20,680 --> 00:12:16,130

a little bit of sodium fluoride in the

277

00:12:23,200 --> 00:12:20,690

water might prevent a lot of cavities

278

00:12:25,180 --> 00:12:23,210

and they sold this to the American

279

00:12:26,920 --> 00:12:25,190

Dental Association and they've been

280

00:12:30,160 --> 00:12:26,930

pushing it ever since to the point to

281

00:12:31,720 --> 00:12:30,170

where today seventy percent of the

282

00:12:33,820 --> 00:12:31,730

drinking water in the cities of the

283

00:12:36,970 --> 00:12:33,830

United States contains sodium fluoride

284

00:12:39,610 --> 00:12:36,980

yeah it's incredible and yet there's

285

00:12:42,640 --> 00:12:39,620

been studies there's one study of about

286

00:12:46,720 --> 00:12:42,650

8,000 children that showed that children

287

00:12:49,390 --> 00:12:46,730

who were in areas of fluoridation did

288

00:12:52,710 --> 00:12:49,400

worse on the IQ test than the children

289

00:12:57,040 --> 00:12:52,720

in the non-fluoridated areas well means

290

00:12:59,680 --> 00:12:57,050

fluoride can actually lower your IQ it's

291

00:13:03,130 --> 00:12:59,690

amazing it's just amazing in fact now

292

00:13:05,110 --> 00:13:03,140

they're in reflecting all that I might

293

00:13:06,880 --> 00:13:05,120

point out that the guy named Laverra's

294

00:13:09,240 --> 00:13:06,890

who happens to be the CEO of Dow

295

00:13:15,670 --> 00:13:09,250

Chemical is on the record as saying

296

00:13:17,920 --> 00:13:15,680

water is the oil of the 21st century and

297

00:13:20,080 --> 00:13:17,930

that's true that's true

298

00:13:21,670 --> 00:13:20,090

when I was a young guy started working

299

00:13:23,230 --> 00:13:21,680

in a grocery store and if you'd come in

300

00:13:25,120 --> 00:13:23,240

the store and ask me where's the water

301

00:13:28,420 --> 00:13:25,130

Ida pointed to the drinking fountain

302

00:13:30,880 --> 00:13:28,430

okay there was nobody but today you

303

00:13:33,400 --> 00:13:30,890

point to the aisle under complete long

304

00:13:35,410 --> 00:13:33,410

aisle of bottled water right they want

305

00:13:37,240 --> 00:13:35,420

to get total control over the water just

306

00:13:41,560 --> 00:13:37,250

like they got total control over the oil

307

00:13:45,310 --> 00:13:41,570

hmm okay and they're they're doing this

308

00:13:48,580 --> 00:13:45,320

by a variety of methods one of them is

309

00:13:50,680 --> 00:13:48,590

through fracking okay yeah the fracking

310

00:13:52,900 --> 00:13:50,690

is hydraulic fracturing where you pump

311

00:13:54,910 --> 00:13:52,910

water under high pressure filled with a

312

00:13:55,330 --> 00:13:54,920

lot of chemicals including heavy metals

313

00:13:57,850 --> 00:13:55,340

and very

314

00:14:00,760 --> 00:13:57,860

dangerous chemicals and you pump it deep

315

00:14:03,970 --> 00:14:00,770

in underground under pressure and you

316

00:14:06,190 --> 00:14:03,980

even sometimes add ball bearings and all

317

00:14:09,100 --> 00:14:06,200

kinds of stuff to the cotton cause and

318

00:14:11,710 --> 00:14:09,110

create and maintain cracks within the

319

00:14:14,770 --> 00:14:11,720

ground strata so that they can draw out

320

00:14:16,870 --> 00:14:14,780

more petroleum and more gas and the

321

00:14:19,870 --> 00:14:16,880

reason for this is because going back

322

00:14:21,970 --> 00:14:19,880

to a fella in the 1950s call Hubert he

323

00:14:24,580 --> 00:14:21,980

said by the year 2000 we're going to be

324

00:14:27,070 --> 00:14:24,590

running a low oil it's finite there's

325

00:14:29,470 --> 00:14:27,080

only so much and at current rates of

326

00:14:32,020 --> 00:14:29,480

consumption we're going to have peak oil

327

00:14:33,730 --> 00:14:32,030

it's going to peak in 2000 and after

328

00:14:35,260 --> 00:14:33,740

that it's just going to be less and less

329

00:14:39,840 --> 00:14:35,270

and less well it turns out that's

330

00:14:40,990 --> 00:14:39,850

totally bogus okay in fact in fact in

331

00:14:43,390 --> 00:14:41,000

2011-2012

332

00:14:44,680 --> 00:14:43,400

oil production was higher than it has

333

00:14:46,780 --> 00:14:44,690

ever been okay

334

00:14:48,880 --> 00:14:46,790

and also anybody tries to tell you that

335

00:14:52,240 --> 00:14:48,890

we're running out of oil you give them

336

00:14:54,640 --> 00:14:52,250

three words back in rock formation the

337

00:14:57,640 --> 00:14:54,650

back in rock formation that's ba ke ke

338

00:15:00,100 --> 00:14:57,650

and check it out it stretches from North

339

00:15:03,250 --> 00:15:00,110

Dakota and Montana all the way up into

340

00:15:06,640 --> 00:15:03,260

Canada and the experts estimate there's

341

00:15:09,610 --> 00:15:06,650

enough untapped oil under there to last

342

00:15:13,120 --> 00:15:09,620

us at increased rates of consumption for

343

00:15:14,740 --> 00:15:13,130

perhaps two thousand years okay Wow but

344

00:15:16,480 --> 00:15:14,750

of course we don't want to get into that

345

00:15:19,390 --> 00:15:16,490

anyway because we're choking ourselves

346

00:15:24,070 --> 00:15:19,400

to death on petroleum and gasoline

347

00:15:24,550 --> 00:15:24,080

engines and the carbon monoxide it puts

348

00:15:28,720 --> 00:15:24,560

out

349

00:15:30,760 --> 00:15:28,730

okay so here's so here's an idea a

350

00:15:32,980 --> 00:15:30,770

concept that we've been sold peak oil

351

00:15:35,830 --> 00:15:32,990

that oil and we're running out of oil

352

00:15:38,200 --> 00:15:35,840

which this turns out just is simply not

353

00:15:40,210 --> 00:15:38,210

true yeah and Greg you know what it's

354

00:15:44,140 --> 00:15:40,220

the same thing actually with the whole

355

00:15:46,180 --> 00:15:44,150

idea of overpopulation if you live in a

356

00:15:48,160 --> 00:15:46,190

big city you get caught the traffic jams

357

00:15:51,010 --> 00:15:48,170

are you trying to work your way through

358

00:15:52,600 --> 00:15:51,020

a crowd it's real easy to buy into this

359

00:15:54,910 --> 00:15:52,610

thing say you know there's just too damn

360

00:15:56,920 --> 00:15:54,920

many people maybe maybe we'd be better

361

00:15:59,260 --> 00:15:56,930

off if there wasn't quite so many people

362

00:16:01,540 --> 00:15:59,270

but all you got to do is get in the

363

00:16:03,640 --> 00:16:01,550

countryside better yet just try to drive

364

00:16:06,350 --> 00:16:03,650

through West Texas yeah

365

00:16:10,190 --> 00:16:06,360

there's miles and miles

366

00:16:12,139 --> 00:16:10,200

of miles and miles mm-hmm and so it's

367

00:16:14,470 --> 00:16:12,149

been estimated when I first saw this I

368

00:16:17,090 --> 00:16:14,480

thought no that can't be true but it is

369

00:16:21,160 --> 00:16:17,100

today the world population stands at

370

00:16:26,030 --> 00:16:21,170

about seven point five billion soul and

371

00:16:29,269 --> 00:16:26,040

if you allotted 1,700 square feet almost

372

00:16:31,370 --> 00:16:29,279

two thousand square feet of living space

373

00:16:33,650 --> 00:16:31,380

to each of the people in the entire

374

00:16:36,470 --> 00:16:33,660

world everyone could live pretty

375

00:16:39,980 --> 00:16:36,480

comfortably in the state of Texas Wow

376

00:16:42,560 --> 00:16:39,990

Wow and if you really wanted to spread

377

00:16:44,300 --> 00:16:42,570

out and maybe have an acre half acre so

378

00:16:46,370 --> 00:16:44,310

for everybody so you could have a garden

379

00:16:49,940 --> 00:16:46,380

and grow your own vegetables and fruits

380

00:16:50,889 --> 00:16:49,950

and stuff everybody could live in

381

00:16:53,690 --> 00:16:50,899

Australia

382

00:16:56,560 --> 00:16:53,700

nobody else in the rest of the world so

383

00:16:58,910 --> 00:16:56,570

you see overpopulation is overblown

384

00:17:01,910 --> 00:16:58,920

there's really not an overpopulation

385

00:17:03,500 --> 00:17:01,920

problem it's a population concentration

386

00:17:06,470 --> 00:17:03,510

problem mm-hmm

387

00:17:08,569 --> 00:17:06,480

and everybody's jammed into these big

388

00:17:09,949 --> 00:17:08,579

cities and again that's not for

389

00:17:13,280 --> 00:17:09,959

financial gain

390

00:17:16,909 --> 00:17:13,290

that's for control mm-hmm cattle on a

391

00:17:19,579 --> 00:17:16,919

pen yeah exactly and now now it's not

392

00:17:22,340 --> 00:17:19,589

only just the pen but now you've got TV

393

00:17:24,289 --> 00:17:22,350

cameras and sensors and all kinds of

394

00:17:26,659 --> 00:17:24,299

stuff every few feet where they can

395

00:17:29,990 --> 00:17:26,669

actually just track you and they have

396

00:17:32,240 --> 00:17:30,000

you know wall penetrating radar

397

00:17:33,650 --> 00:17:32,250

they've got satellites you can read a

398

00:17:36,260 --> 00:17:33,660

beer can

399

00:17:38,060 --> 00:17:36,270

you know they I mean there's no more

400

00:17:39,860 --> 00:17:38,070

privacy there's hardly anywhere you can

401
00:17:41,780 --> 00:17:39,870
go that they can't find you right

402
00:17:43,430 --> 00:17:41,790
everybody's worried about an RFID chip

403
00:17:45,140 --> 00:17:43,440
meanwhile they're carrying around

404
00:17:48,080 --> 00:17:45,150
basically the same thing in their

405
00:17:49,370 --> 00:17:48,090
pockets with the cell phone exactly

406
00:17:51,370 --> 00:17:49,380
exactly

407
00:17:53,840 --> 00:17:51,380
they've been having massive successes

408
00:17:55,940 --> 00:17:53,850
consolidating power and nearly every

409
00:17:57,169 --> 00:17:55,950
major industry and it seems like now

410
00:17:58,970 --> 00:17:57,179
with things like the trans-pacific

411
00:18:01,400 --> 00:17:58,980
partnership much of which is still

412
00:18:02,930 --> 00:18:01,410
secret their power over the planet is

413
00:18:03,890 --> 00:18:02,940

only going to get even more apparent if

414

00:18:08,799 --> 00:18:03,900

we don't do something

415

00:18:12,409 --> 00:18:08,809

well the TPP basically is a corporate

416

00:18:16,220 --> 00:18:12,419

movement for and by the corporation's

417

00:18:18,110 --> 00:18:16,230

under the trans-pacific partnership what

418

00:18:20,140 --> 00:18:18,120

little we do know about it because

419

00:18:22,180 --> 00:18:20,150

although as you said Greg you know there

420

00:18:24,760 --> 00:18:22,190

it's all we got to pass this so we can

421

00:18:27,880 --> 00:18:24,770

find out what's in it mm-hmm as they did

422

00:18:29,920 --> 00:18:27,890

with Obamacare and but one of the things

423

00:18:32,110 --> 00:18:29,930

that has come out is that the

424

00:18:36,100 --> 00:18:32,120

corporation's would be able to sue

425

00:18:39,490 --> 00:18:36,110

national entities if they felt like that

426

00:18:42,820 --> 00:18:39,500

the national laws were somehow impacting

427

00:18:45,370 --> 00:18:42,830

adversely their profit line which means

428

00:18:49,390 --> 00:18:45,380

if the United States government in the

429

00:18:51,220 --> 00:18:49,400

form of our representatives said no as

430

00:18:53,190 --> 00:18:51,230

they have started to do in some

431

00:18:57,520 --> 00:18:53,200

locations saying we're going to prohibit

432

00:18:59,260 --> 00:18:57,530

fracking here you know then the all

433

00:19:01,840 --> 00:18:59,270

companies could come in and say well

434

00:19:04,660 --> 00:19:01,850

that's hurting our bottom line those

435

00:19:07,450 --> 00:19:04,670

laws are null and void and make it stick

436

00:19:10,660 --> 00:19:07,460

under the trans-pacific partnership it

437

00:19:13,270 --> 00:19:10,670

would be the ultimate world control by

438

00:19:19,270 --> 00:19:13,280

the corporations mm-hmm and by the way I

439

00:19:22,770 --> 00:19:19,280

might point out that the term fascism of

440

00:19:26,080 --> 00:19:22,780

course refers to the centralized

441

00:19:29,020 --> 00:19:26,090

governments in Nazi Germany and fascist

442

00:19:31,330 --> 00:19:29,030

Italy in fact the term fascism actually

443

00:19:34,150 --> 00:19:31,340

comes from the Italian dictator Benito

444

00:19:38,620 --> 00:19:34,160

Mussolini and his Blackshirt 'add fish

445

00:19:42,160 --> 00:19:38,630

Easter's okay and but Mussolini himself

446

00:19:44,890 --> 00:19:42,170

said that fascism is not really perhaps

447

00:19:50,020 --> 00:19:44,900

the correct term the more correct term

448

00:19:53,050 --> 00:19:50,030

is corporatism and it is the blending of

449

00:19:55,690 --> 00:19:53,060

state and corporate power that is the

450

00:19:58,720 --> 00:19:55,700

very dictionary definition of fascism

451

00:20:00,640 --> 00:19:58,730

and I think we see that this is exactly

452

00:20:01,960 --> 00:20:00,650

what's growing around us here in the

453

00:20:04,600 --> 00:20:01,970

United States today

454

00:20:07,420 --> 00:20:04,610

yeah in fact the only difference really

455

00:20:09,370 --> 00:20:07,430

between the rise of fascism in Germany

456

00:20:11,530 --> 00:20:09,380

and Italy in World War two

457

00:20:13,930 --> 00:20:11,540

and the rise of fascism in the United

458

00:20:16,750 --> 00:20:13,940

States today is that in Germany and

459

00:20:19,390 --> 00:20:16,760

Italy the state gain control over the

460

00:20:22,270 --> 00:20:19,400

corporations and it was that combination

461

00:20:24,670 --> 00:20:22,280

of state and corporate control that that

462

00:20:26,470 --> 00:20:24,680

made fascism and today in the United

463

00:20:28,660 --> 00:20:26,480

States the corporations have gained

464

00:20:30,550 --> 00:20:28,670

control over the state all right

465

00:20:33,490 --> 00:20:30,560

particularly in light of the Supreme

466

00:20:35,140 --> 00:20:33,500

Court decision that says yes

467

00:20:37,690 --> 00:20:35,150

corporations can be treated just like

468

00:20:39,490 --> 00:20:37,700

individuals and they can contribute any

469

00:20:41,800 --> 00:20:39,500

amount they want to a politician's

470

00:20:44,500 --> 00:20:41,810

campaign and they don't necessarily have

471

00:20:46,750 --> 00:20:44,510

to detail where all that money's coming

472

00:20:49,360 --> 00:20:46,760

from so in other words they can buy and

473

00:20:51,040 --> 00:20:49,370

sell politicians and this is exactly

474

00:20:54,700 --> 00:20:51,050

what's going on in this country

475

00:20:56,560 --> 00:20:54,710

yeah fascism is here and the TPP is one

476

00:20:58,150 --> 00:20:56,570

of the major rappers another thing

477

00:20:59,620 --> 00:20:58,160

that's going on right now that's kind of

478

00:21:01,780 --> 00:20:59,630

connected to this and also pretty

479

00:21:04,420 --> 00:21:01,790

mind-blowing is that Philip Morris the

480

00:21:06,730 --> 00:21:04,430

cigarette company is suing like three or

481

00:21:08,440 --> 00:21:06,740

four countries right now because they

482

00:21:10,030 --> 00:21:08,450

say these nations have over blown the

483

00:21:12,070 --> 00:21:10,040

warnings on cigarettes and limited their

484

00:21:14,200 --> 00:21:12,080

marketing so much that it's hurt profits

485

00:21:16,150 --> 00:21:14,210

and that's something the TPP wants to

486

00:21:19,060 --> 00:21:16,160

set in stone that a country can be sued

487

00:21:21,160 --> 00:21:19,070

for making laws that get in the way of a

488

00:21:23,020 --> 00:21:21,170

company's profits it's crazy

489

00:21:24,640 --> 00:21:23,030

and in this case it's just a nation

490

00:21:26,140 --> 00:21:24,650

trying to protect its people with a fair

491

00:21:27,420 --> 00:21:26,150

warning but you can't be doing that

492

00:21:29,860 --> 00:21:27,430

anymore I guess

493

00:21:31,870 --> 00:21:29,870

exactly and see that's already happening

494

00:21:34,600 --> 00:21:31,880

right now but see they're running a risk

495

00:21:37,030 --> 00:21:34,610

there because they sue Philip Morris

496

00:21:39,250 --> 00:21:37,040

Sue's you get in front of a jury

497

00:21:41,770 --> 00:21:39,260

you can probably a fish effectively show

498

00:21:44,800 --> 00:21:41,780

that cigarette smoking is harmful and

499

00:21:47,620 --> 00:21:44,810

can cause cancer and so a jury might

500

00:21:49,480 --> 00:21:47,630

actually say well you know we think this

501
00:21:51,640 --> 00:21:49,490
is in the best interest of the public so

502
00:21:53,140 --> 00:21:51,650
sorry you can't see the government and

503
00:21:55,330 --> 00:21:53,150
they can keep putting warnings on the

504
00:21:57,640 --> 00:21:55,340
cigarette packages but if the transfer

505
00:21:59,260 --> 00:21:57,650
to Pacific Partnership goes through and

506
00:22:01,390 --> 00:21:59,270
all of a sudden you've got a corporate

507
00:22:02,650 --> 00:22:01,400
run structure they're going to say well

508
00:22:04,900 --> 00:22:02,660
no you can't do that because it's

509
00:22:06,430 --> 00:22:04,910
impacting our bottom line and the trade

510
00:22:08,290 --> 00:22:06,440
agreement people are going to go yeah

511
00:22:10,720 --> 00:22:08,300
that's right and that's the end of that

512
00:22:13,030 --> 00:22:10,730
no more protection for the population

513
00:22:14,920 --> 00:22:13,040

right and we are right on that line of

514

00:22:17,260 --> 00:22:14,930

tipping over to that really scary place

515

00:22:19,210 --> 00:22:17,270

where corporations just have zero red

516

00:22:21,700 --> 00:22:19,220

tape or obstacles to the total rape and

517

00:22:24,580 --> 00:22:21,710

pillage of the planet exactly and again

518

00:22:26,830 --> 00:22:24,590

it's not that a corporation in and of

519

00:22:29,200 --> 00:22:26,840

itself is evil okay

520

00:22:31,240 --> 00:22:29,210

I mean think how many people work for a

521

00:22:34,600 --> 00:22:31,250

corporation and though some are good

522

00:22:36,850 --> 00:22:34,610

people and want to do good but it's the

523

00:22:40,240 --> 00:22:36,860

owners the people who actually make the

524

00:22:43,360 --> 00:22:40,250

decision and as I say they are not just

525

00:22:46,930 --> 00:22:43,370

only greedy grass feed corporatist they

526

00:22:50,980 --> 00:22:46,940

want to thin the population

527

00:22:54,370 --> 00:22:50,990

as they have codified in the Georgia

528

00:22:57,220 --> 00:22:54,380

Guidestones monument in Georgia which

529

00:23:00,970 --> 00:22:57,230

they said this is a this is a guide to a

530

00:23:05,470 --> 00:23:00,980

more rational world and their very first

531

00:23:10,360 --> 00:23:05,480

admonition is maintain humanity at the

532

00:23:11,890 --> 00:23:10,370

level of 500 million people for to be in

533

00:23:14,500 --> 00:23:11,900

harmony with nature

534

00:23:16,780 --> 00:23:14,510

well that sounds all-new agency and

535

00:23:20,320 --> 00:23:16,790

grand and good but wait a minute

536

00:23:22,630 --> 00:23:20,330

next 7.5 billion of us on this planet

537

00:23:24,850 --> 00:23:22,640

what are they expect to do with the

538

00:23:27,370 --> 00:23:24,860

other 7 billion and even more

539

00:23:29,890 --> 00:23:27,380

importantly whose goodness aside what

540

00:23:33,460 --> 00:23:29,900

happens to that 7 billion all right

541

00:23:35,860 --> 00:23:33,470

those are scary questions and of course

542

00:23:37,420 --> 00:23:35,870

the medical establishment is a big part

543

00:23:39,580 --> 00:23:37,430

of this campaign do you thin the herd

544

00:23:40,780 --> 00:23:39,590

and a stat you have in the book that I

545

00:23:43,150 --> 00:23:40,790

thought was pretty telling is that

546

00:23:45,580 --> 00:23:43,160

apparently the American medical system

547

00:23:47,440 --> 00:23:45,590

itself is the third leading cause of

548

00:23:49,960 --> 00:23:47,450

death in America next to heart disease

549

00:23:51,550 --> 00:23:49,970

and cancer and that comes right from the

550

00:23:54,130 --> 00:23:51,560

Journal of the American Medical

551
00:23:55,210 --> 00:23:54,140
Association yeah I mean that's pretty

552
00:23:58,000 --> 00:23:55,220
ironic isn't it

553
00:24:00,330 --> 00:23:58,010
it is and the thing is you have to

554
00:24:04,980 --> 00:24:00,340
understand that that does not include

555
00:24:07,720 --> 00:24:04,990
people misusing drugs or illegal drugs

556
00:24:09,820 --> 00:24:07,730
this is just normal standard

557
00:24:12,520 --> 00:24:09,830
conventional medical treatment right

558
00:24:15,580 --> 00:24:12,530
the over-prescription I have had

559
00:24:18,880 --> 00:24:15,590
reactions to certain drugs infections

560
00:24:21,940 --> 00:24:18,890
picked up in hospitals surgeries gone

561
00:24:23,560 --> 00:24:21,950
wrong you know is true third season

562
00:24:25,540 --> 00:24:23,570
cause of death in the United States is

563
00:24:28,330 --> 00:24:25,550

just conventional medical treatment and

564

00:24:29,710 --> 00:24:28,340

yet you know somehow we're always taught

565

00:24:34,330 --> 00:24:29,720

that we had the best medical treatment

566

00:24:36,520 --> 00:24:34,340

in the world so it's really amazing but

567

00:24:39,250 --> 00:24:36,530

I tell you I've been looking at this for

568

00:24:41,860 --> 00:24:39,260

a number of years and I know for an

569

00:24:44,830 --> 00:24:41,870

absolute fact that there are alternative

570

00:24:49,660 --> 00:24:44,840

energy systems there's alternative

571

00:24:54,460 --> 00:24:49,670

health systems for example there's a

572

00:24:57,070 --> 00:24:54,470

huge conspiracy if you want to call it I

573

00:24:59,110 --> 00:24:57,080

think going on right now in regards to

574

00:25:01,990 --> 00:24:59,120

cancer

575

00:25:03,910 --> 00:25:02,000

dr. otto warburg in the early 1930s got

576

00:25:06,910 --> 00:25:03,920

a nobel prize because he figured out

577

00:25:12,010 --> 00:25:06,920

that cancer cannot cancer cells cannot

578

00:25:15,760 --> 00:25:12,020

grow in a in an environment other than

579

00:25:18,130 --> 00:25:15,770

an acidic environment which is sugar you

580

00:25:19,870 --> 00:25:18,140

know yellow sugar if you can knock the

581

00:25:23,440 --> 00:25:19,880

sugar out of your system and that means

582

00:25:26,710 --> 00:25:23,450

no breads and no pastas and no sugars

583

00:25:29,770 --> 00:25:26,720

you know cancer cells can't live and

584

00:25:32,740 --> 00:25:29,780

they'll probably die so we've had a cure

585

00:25:35,350 --> 00:25:32,750

actually since the 30s more recently

586

00:25:37,360 --> 00:25:35,360

there were eight doctors in the florida

587

00:25:44,290 --> 00:25:37,370

area working for a naturally-occurring

588

00:25:47,470 --> 00:25:44,300

protein called c GcMAF GC mass and they

589

00:25:50,560 --> 00:25:47,480

found out that large doses of that can

590

00:25:52,390 --> 00:25:50,570

reverse cancer and in fact they should

591

00:25:55,840 --> 00:25:52,400

they were finding out that it was

592

00:26:00,040 --> 00:25:55,850

reversing the symptoms of autism as well

593

00:26:03,220 --> 00:26:00,050

as curing viruses and bacteria but then

594

00:26:08,470 --> 00:26:03,230

what happened in the american drug

595

00:26:12,190 --> 00:26:08,480

Association came in the ad a and raided

596

00:26:16,000 --> 00:26:12,200

their offices labs particularly looking

597

00:26:17,740 --> 00:26:16,010

for their material on GcMAF and then

598

00:26:22,390 --> 00:26:17,750

within a few weeks all these doctors

599

00:26:24,880 --> 00:26:22,400

turned up dead suicided or or their

600

00:26:27,160 --> 00:26:24,890

single car accident or you know one of

601
00:26:29,620 --> 00:26:27,170
these plausible deniability

602
00:26:32,380 --> 00:26:29,630
it's really incredible I mean there are

603
00:26:36,250 --> 00:26:32,390
this whole earth could be a garden spot

604
00:26:38,860 --> 00:26:36,260
for everyone except at the top they

605
00:26:40,990 --> 00:26:38,870
don't won't pay exactly yeah and that's

606
00:26:44,350 --> 00:26:41,000
that doctor saga is definitely very

607
00:26:46,600 --> 00:26:44,360
scary but now being called the higher

608
00:26:48,730 --> 00:26:46,610
side chats I have to ask you to talk to

609
00:26:50,680 --> 00:26:48,740
us about the medical benefits of THC in

610
00:26:52,720 --> 00:26:50,690
marijuana as it relates to cancer I was

611
00:26:55,900 --> 00:26:52,730
so happy to see this in the book it's

612
00:26:57,510 --> 00:26:55,910
pretty legit isn't it absolutely that's

613
00:27:02,530 --> 00:26:57,520

another thing by the way

614

00:27:05,620 --> 00:27:02,540

they have shown for example at the

615

00:27:07,570 --> 00:27:05,630

University of Madrid along with studies

616

00:27:09,690 --> 00:27:07,580

at the University of London Saint Jordan

617

00:27:13,050 --> 00:27:09,700

Medical School they found that

618

00:27:15,280 --> 00:27:13,060

tetrahydrocannabinol which is THC that's

619

00:27:18,370 --> 00:27:15,290

psychoactive and chemical found in

620

00:27:21,610 --> 00:27:18,380

marijuana kills cancer cells mm-hmm

621

00:27:23,650 --> 00:27:21,620

without damaging healthy cells and so

622

00:27:28,180 --> 00:27:23,660

you know all of a sudden it's like wow

623

00:27:30,070 --> 00:27:28,190

you know marijuana can cure cancer and

624

00:27:32,080 --> 00:27:30,080

of course this has been known for a long

625

00:27:35,200 --> 00:27:32,090

time medical marijuana which by the way

626

00:27:38,620 --> 00:27:35,210

I understand correct me if I'm wrong but

627

00:27:40,960 --> 00:27:38,630

I think that they've already said at the

628

00:27:44,530 --> 00:27:40,970

national level that regardless of state

629

00:27:47,920 --> 00:27:44,540

laws if you are using medical marijuana

630

00:27:49,630 --> 00:27:47,930

that is now legal yeah it's it's really

631

00:27:51,160 --> 00:27:49,640

tough to know because they say one thing

632

00:27:53,230 --> 00:27:51,170

and yeah half the places here in

633

00:27:55,660 --> 00:27:53,240

California still get raided you know I

634

00:27:57,790 --> 00:27:55,670

know well that's your federal government

635

00:28:02,260 --> 00:27:57,800

for you you know in fact I can remember

636

00:28:05,830 --> 00:28:02,270

when California voted the voters voted

637

00:28:07,720 --> 00:28:05,840

to legalize medical marijuana the

638

00:28:09,400 --> 00:28:07,730

federal government the Department of

639

00:28:11,580 --> 00:28:09,410

Justice said well the people have spoken

640

00:28:14,020 --> 00:28:11,590

you know then we're not going to

641

00:28:15,940 --> 00:28:14,030

challenge in the event and within two

642

00:28:18,490 --> 00:28:15,950

weeks they were raiding the medical

643

00:28:24,760 --> 00:28:18,500

marijuana laboratory right that's

644

00:28:27,490 --> 00:28:24,770

because that's because marijuana can be

645

00:28:29,920 --> 00:28:27,500

of such benefit but the main thing is it

646

00:28:35,530 --> 00:28:29,930

could eat totally into social control

647

00:28:37,870 --> 00:28:35,540

right you know after writing about that

648

00:28:39,550 --> 00:28:37,880

first off you have to understand one of

649

00:28:44,290 --> 00:28:39,560

the reasons is they are now beginning to

650

00:28:46,750 --> 00:28:44,300

legalize it is because in 2003 the US

651
00:28:49,090 --> 00:28:46,760
government in the form of the Department

652
00:28:52,390 --> 00:28:49,100
of Health and Human Services got a

653
00:28:55,930 --> 00:28:52,400
patent on medical marijuana saying that

654
00:28:57,550 --> 00:28:55,940
it actually helped in many illnesses so

655
00:29:01,690 --> 00:28:57,560
you know once the government gets a lock

656
00:29:05,850 --> 00:29:01,700
on it then it's okay exactly so it's

657
00:29:07,900 --> 00:29:05,860
pretty incredible and but I got a

658
00:29:10,090 --> 00:29:07,910
communication from a fellow who'd read

659
00:29:11,890 --> 00:29:10,100
my book and he said well I was with you

660
00:29:13,800 --> 00:29:11,900
on everything except that marijuana and

661
00:29:16,590 --> 00:29:13,810
of course he's still under the

662
00:29:20,110 --> 00:29:16,600
conditioning that we've had ever since

663
00:29:24,280 --> 00:29:20,120

you know the killer weed of the 1930s

664

00:29:25,900 --> 00:29:24,290

yeah and he says I don't want to be on

665

00:29:29,200 --> 00:29:25,910

the road with somebody who's been

666

00:29:31,150 --> 00:29:29,210

smoking marijuana and I'd I never have a

667

00:29:32,710 --> 00:29:31,160

chance to answer everybody I want to I

668

00:29:34,720 --> 00:29:32,720

certainly want to answering though the

669

00:29:37,240 --> 00:29:34,730

show that they've done studies and

670

00:29:40,390 --> 00:29:37,250

they've shown driving studies and they

671

00:29:42,790 --> 00:29:40,400

put people under the effects of

672

00:29:46,600 --> 00:29:42,800

marijuana and they've gotten them drunk

673

00:29:48,340 --> 00:29:46,610

you know with in 1.10 alcohol and then

674

00:29:50,740 --> 00:29:48,350

drive straight what they did basically

675

00:29:52,930 --> 00:29:50,750

the test was they line up some cars and

676
00:29:54,670 --> 00:29:52,940
drive along you know one after the other

677
00:29:57,100 --> 00:29:54,680
and then the one at front would jam on

678
00:29:58,960 --> 00:29:57,110
the brakes and they see the reaction

679
00:30:02,800 --> 00:29:58,970
time you're going to hit the car are you

680
00:30:04,270 --> 00:30:02,810
going to react in time the the the

681
00:30:06,010 --> 00:30:04,280
needless to say as you would probably

682
00:30:09,340 --> 00:30:06,020
suspect the people who are drunk on

683
00:30:12,370 --> 00:30:09,350
alcohol right you know we're like 20 25

684
00:30:15,120 --> 00:30:12,380
percent worse than the normal drivers

685
00:30:18,580 --> 00:30:15,130
you know they'd end up running in people

686
00:30:21,550 --> 00:30:18,590
the people how impart and actually we're

687
00:30:22,120 --> 00:30:21,560
better than the people that were not on

688
00:30:25,060 --> 00:30:22,130

anything

689

00:30:26,680 --> 00:30:25,070

yeah I'm elated I think that's because I

690

00:30:29,200 --> 00:30:26,690

guess if you go a bit stoned you're

691

00:30:32,260 --> 00:30:29,210

really into whatever you're doing and

692

00:30:34,120 --> 00:30:32,270

and I'm not advocating driving under the

693

00:30:36,010 --> 00:30:34,130

influence not at all

694

00:30:38,350 --> 00:30:36,020

you shouldn't drive on the influence of

695

00:30:40,570 --> 00:30:38,360

anything but I'll do I will say this I

696

00:30:44,140 --> 00:30:40,580

think I'd take my chances on the road

697

00:30:46,690 --> 00:30:44,150

with somebody smoking pot over somebody

698

00:30:49,630 --> 00:30:46,700

talking on their cell phone ah yeah

699

00:30:51,250 --> 00:30:49,640

that's a great point too man yeah I

700

00:30:53,620 --> 00:30:51,260

believe those results I mean Iran

701
00:30:56,440 --> 00:30:53,630
similar experiments in my own in college

702
00:30:58,630 --> 00:30:56,450
but those results seem to hold up but

703
00:31:00,310 --> 00:30:58,640
now is something I I do try to just keep

704
00:31:02,590 --> 00:31:00,320
out of sight and out of mind but

705
00:31:05,560 --> 00:31:02,600
realistically can be a concern do you

706
00:31:07,870 --> 00:31:05,570
think corporate less natural GMO wheat

707
00:31:10,510 --> 00:31:07,880
or marijuana is going to be a concern in

708
00:31:14,040 --> 00:31:10,520
the future or even now really well I

709
00:31:19,960 --> 00:31:14,050
think GMOs period are huge concern right

710
00:31:22,930 --> 00:31:19,970
it's really incredible there is a an MIT

711
00:31:26,620 --> 00:31:22,940
research scientist dr. stephanie synod

712
00:31:31,600 --> 00:31:26,630
who has found that GMO and particularly

713
00:31:33,289 --> 00:31:31,610

the monsanto herbicide roundup which a

714

00:31:35,840 --> 00:31:33,299

major ingredient is

715

00:31:38,450 --> 00:31:35,850

with US aid and she's found that there

716

00:31:42,169 --> 00:31:38,460

is a direct correlation between the rise

717

00:31:44,989 --> 00:31:42,179

of this group of state-funded

718

00:31:49,399 --> 00:31:44,999

Roundup herbicide year by Monsanto and

719

00:31:52,190 --> 00:31:49,409

the rise of autism and in fact I have a

720

00:31:59,299 --> 00:31:52,200

chart you can just see that it parallels

721

00:32:02,710 --> 00:31:59,309

from starting about 2000 or maybe maybe

722

00:32:06,529 --> 00:32:02,720

even before that let me see here

723

00:32:08,450 --> 00:32:06,539

yeah starting about 1990 up through the

724

00:32:10,700 --> 00:32:08,460

present day you've just got this graph

725

00:32:14,090 --> 00:32:10,710

that just steadily climbs up words and

726

00:32:16,999 --> 00:32:14,100

it matches almost exactly the rise of

727

00:32:20,269 --> 00:32:17,009

autism and the rise of the use of

728

00:32:23,180 --> 00:32:20,279

roundup and so you know that that's

729

00:32:27,009 --> 00:32:23,190

clear enough right there but then and

730

00:32:29,239 --> 00:32:27,019

GMOs the the basic problem is is that

731

00:32:31,210 --> 00:32:29,249

there have been you know they've been

732

00:32:34,519 --> 00:32:31,220

improving crops and animals and

733

00:32:36,289 --> 00:32:34,529

interbreeding and mixed breeding plants

734

00:32:37,669 --> 00:32:36,299

and animals for thousands of years and

735

00:32:41,060 --> 00:32:37,679

that's not that's not that big a problem

736

00:32:44,690 --> 00:32:41,070

but with genetically modified organisms

737

00:32:48,499 --> 00:32:44,700

as GMOs they are actually intermixing

738

00:32:51,859 --> 00:32:48,509

species right and we have no real idea

739

00:32:53,479 --> 00:32:51,869

on what that's doing to us one thing

740

00:32:55,940 --> 00:32:53,489

that some of the critics point to though

741

00:32:58,820 --> 00:32:55,950

is the collapse of the bee colonies yes

742

00:33:01,940 --> 00:32:58,830

they say that's due to the fact of the

743

00:33:04,580 --> 00:33:01,950

GMOs and of course the problem is all of

744

00:33:07,369 --> 00:33:04,590

this is so new is such new technology

745

00:33:09,229 --> 00:33:07,379

that we don't have enough long term

746

00:33:12,080 --> 00:33:09,239

experience to know exactly what it is

747

00:33:14,450 --> 00:33:12,090

doing to us but we do know that if the

748

00:33:16,249 --> 00:33:14,460

bee colonies continue to collapse and

749

00:33:18,769 --> 00:33:16,259

there's no bees than you're you know you

750

00:33:21,379 --> 00:33:18,779

just knocked out a vital chain in the

751
00:33:25,399 --> 00:33:21,389
food supply because the bees of course

752
00:33:29,389 --> 00:33:25,409
you know pollinate the plants and cross

753
00:33:31,519 --> 00:33:29,399
pollinate and we do know that in the

754
00:33:34,039 --> 00:33:31,529
food chain if you knock out one of the

755
00:33:36,919 --> 00:33:34,049
links the whole chain starts crumbling

756
00:33:38,419 --> 00:33:36,929
exactly so it's really dangerous and we

757
00:33:41,389 --> 00:33:38,429
don't really know what we're doing but

758
00:33:43,430 --> 00:33:41,399
we're allowing these corporations handed

759
00:33:46,340 --> 00:33:43,440
by be owned by people who want us dead

760
00:33:46,799 --> 00:33:46,350
to make the decisions you know that's

761
00:33:49,320 --> 00:33:46,809
pretty

762
00:33:50,789 --> 00:33:49,330
stupid oh it definitely is and there's

763
00:33:53,100 --> 00:33:50,799

also a lot of concern that the

764

00:33:54,659 --> 00:33:53,110

pesticides they're using they transfer

765

00:33:56,279 --> 00:33:54,669

right into the far food supply and then

766

00:33:59,009 --> 00:33:56,289

into our bodies and one major criticism

767

00:34:00,629 --> 00:33:59,019

of conspiracy folks is that if the elite

768

00:34:02,220 --> 00:34:00,639

are poisoning us aren't they poisoning

769

00:34:04,110 --> 00:34:02,230

themselves but they really aren't and

770

00:34:06,389 --> 00:34:04,120

you say in the book that the elite just

771

00:34:07,919 --> 00:34:06,399

don't live like us and you have a couple

772

00:34:09,000 --> 00:34:07,929

of good examples can you tell us what

773

00:34:11,970 --> 00:34:09,010

you're talking about there how did the

774

00:34:13,530 --> 00:34:11,980

elite not live like us I gave you a

775

00:34:16,079 --> 00:34:13,540

great example that's not even in the

776

00:34:18,389 --> 00:34:16,089

book all right there's a fellow who

777

00:34:22,079 --> 00:34:18,399

during the Clinton administration was

778

00:34:24,450 --> 00:34:22,089

the head chef at the White House okay so

779

00:34:27,530 --> 00:34:24,460

and then he was also that chef for a

780

00:34:31,050 --> 00:34:27,540

while under the Bush administration and

781

00:34:34,079 --> 00:34:31,060

he wrote an article for a food magazine

782

00:34:35,940 --> 00:34:34,089

because some people were saying that our

783

00:34:38,490 --> 00:34:35,950

presidents were not eating you know

784

00:34:40,859 --> 00:34:38,500

really good food and so he wrote and

785

00:34:43,020 --> 00:34:40,869

said no that's not right he said Hillary

786

00:34:46,290 --> 00:34:43,030

Clinton who by the way is a huge

787

00:34:47,940 --> 00:34:46,300

advocate of GMOs and Monsanto who

788

00:34:51,210 --> 00:34:47,950

happens to be one of our largest

789

00:34:54,980 --> 00:34:51,220

campaign contributors and a Monsanto

790

00:34:57,809 --> 00:34:54,990

lobbyist is heading her reelection pack

791

00:35:01,260 --> 00:34:57,819

campaign so she's obviously in the

792

00:35:04,890 --> 00:35:01,270

pocket of Monsanto and it's GMO prior

793

00:35:06,870 --> 00:35:04,900

progress and yet when she was running

794

00:35:10,559 --> 00:35:06,880

the White House under her husband Bill

795

00:35:13,559 --> 00:35:10,569

Clinton according to this chef they only

796

00:35:16,140 --> 00:35:13,569

ate he was ordered only to get locally

797

00:35:18,329 --> 00:35:16,150

produced organic fruits and vegetables

798

00:35:20,579 --> 00:35:18,339

and they even had a garden on the roof

799

00:35:23,339 --> 00:35:20,589

of the White House so see these

800

00:35:26,309 --> 00:35:23,349

eugenecist these globalist at the table

801
00:35:28,710 --> 00:35:26,319
they want us eating this crap but they

802
00:35:30,630 --> 00:35:28,720
don't do it themselves mm-hmm I heard

803
00:35:33,120 --> 00:35:30,640
another great story about one of the

804
00:35:37,160 --> 00:35:33,130
Rothschilds who came to Texas some time

805
00:35:40,829 --> 00:35:37,170
back and - he was looking into buying a

806
00:35:43,319 --> 00:35:40,839
yacht a large boat down south Texas and

807
00:35:45,630 --> 00:35:43,329
when he flew in he brought his own food

808
00:35:48,809 --> 00:35:45,640
and his own water and he would not eat

809
00:35:52,109 --> 00:35:48,819
the public supplies here in the United

810
00:35:55,829 --> 00:35:52,119
States so see you know they've got

811
00:35:59,160 --> 00:35:55,839
themselves taken care of but they want

812
00:36:01,069 --> 00:35:59,170
us to eat all this crud right it's

813
00:36:06,920 --> 00:36:01,079

really just incredible

814

00:36:10,539 --> 00:36:06,930

and most of the by the way the the there

815

00:36:15,009 --> 00:36:10,549

are ten giant multinational corporations

816

00:36:17,960 --> 00:36:15,019

Nestle Pepsi Mars Kellogg's coca-cola

817

00:36:21,229 --> 00:36:17,970

United Association British Foods Journal

818

00:36:23,630 --> 00:36:21,239

Mills and two or three more that pretty

819

00:36:27,410 --> 00:36:23,640

well dominate the entire food supply of

820

00:36:29,390 --> 00:36:27,420

the developed world incredible yeah yeah

821

00:36:31,430 --> 00:36:29,400

the consolidation is happening more

822

00:36:33,859 --> 00:36:31,440

every day in every possible industry

823

00:36:35,539 --> 00:36:33,869

it's really concerning and that not only

824

00:36:37,160 --> 00:36:35,549

are they consolidating the corporations

825

00:36:39,950 --> 00:36:37,170

themselves but a lot of them have

826
00:36:41,599 --> 00:36:39,960
interlocking management systems there's

827
00:36:42,710 --> 00:36:41,609
people the revolving door that the same

828
00:36:44,660 --> 00:36:42,720
people go through all these different

829
00:36:46,789 --> 00:36:44,670
corporations and just take care of each

830
00:36:50,180 --> 00:36:46,799
different oily appendage of the giant

831
00:36:52,549 --> 00:36:50,190
squid of power yeah exactly and by the

832
00:36:56,450 --> 00:36:52,559
way the ending of the White House chefs

833
00:36:59,779 --> 00:36:56,460
story is that shortly after his he came

834
00:37:04,700 --> 00:36:59,789
out and was telling people that Hillary

835
00:37:07,999 --> 00:37:04,710
Clinton demanded only locally grown farm

836
00:37:11,539 --> 00:37:08,009
fresh organic food for her family

837
00:37:15,529 --> 00:37:11,549
you know while still touting for

838
00:37:17,269 --> 00:37:15,539

Monsanto he died on a hiking accidents

839

00:37:18,079 --> 00:37:17,279

on a creek or something terrible

840

00:37:20,089 --> 00:37:18,089

terrible

841

00:37:21,559 --> 00:37:20,099

Wow yeah he wouldn't be the first he's

842

00:37:24,170 --> 00:37:21,569

found themselves dead in the wake of the

843

00:37:25,910 --> 00:37:24,180

Clintons is he admit the truth

844

00:37:27,769 --> 00:37:25,920

I don't know except to what fifty

845

00:37:30,559 --> 00:37:27,779

seventy five hundred something like that

846

00:37:32,450 --> 00:37:30,569

right it's crazy that that that a person

847

00:37:33,769 --> 00:37:32,460

that person can still even run for

848

00:37:35,690 --> 00:37:33,779

office that they even have the audacity

849

00:37:37,130 --> 00:37:35,700

to not just slip into the background

850

00:37:39,620 --> 00:37:37,140

they want to draw attention to the life

851

00:37:40,880 --> 00:37:39,630

after after all the whispers and things

852

00:37:43,460 --> 00:37:40,890

that have happened behind the scenes

853

00:37:45,680 --> 00:37:43,470

well you know if you if you're really

854

00:37:49,489 --> 00:37:45,690

something about it the war on terror and

855

00:37:52,249 --> 00:37:49,499

9/11 and the wars in the Middle East and

856

00:37:55,370 --> 00:37:52,259

the food and the bad air and you know

857

00:37:57,529 --> 00:37:55,380

just anything to mention it probably

858

00:37:59,509 --> 00:37:57,539

could track back to either the Clinton

859

00:38:02,599 --> 00:37:59,519

administration or the George Bush

860

00:38:04,759 --> 00:38:02,609

administration more perhaps the George

861

00:38:07,880 --> 00:38:04,769

Herbert Walker Bush administration prior

862

00:38:10,039 --> 00:38:07,890

to that okay and so here we go and so I

863

00:38:12,380 --> 00:38:10,049

don't know of anybody who is perfectly

864

00:38:13,670 --> 00:38:12,390

happy and satisfied with the way this

865

00:38:17,840 --> 00:38:13,680

country is being run right

866

00:38:22,310 --> 00:38:17,850

now no one okay and yet here we go ray

867

00:38:24,170 --> 00:38:22,320

go into election year 2016 and we got

868

00:38:27,320 --> 00:38:24,180

well we choose another Clinton or

869

00:38:29,660 --> 00:38:27,330

another Bush right by God what's wrong

870

00:38:30,440 --> 00:38:29,670

with people yeah you know I think it was

871

00:38:32,990 --> 00:38:30,450

Eisenhower

872

00:38:35,690 --> 00:38:33,000

I know hidin Eric Einstein Einstein who

873

00:38:37,760 --> 00:38:35,700

said that the definition of insanity is

874

00:38:39,890 --> 00:38:37,770

doing the same thing over and over again

875

00:38:43,040 --> 00:38:39,900

and expecting different results

876

00:38:44,720 --> 00:38:43,050

mmm okay well you know nobody's

877

00:38:46,490 --> 00:38:44,730

satisfied with what they're doing but

878

00:38:48,440 --> 00:38:46,500

yet the longer well vote for the same

879

00:38:51,470 --> 00:38:48,450

jerks that got us in this mess in the

880

00:38:53,780 --> 00:38:51,480

first place right I don't get it I'm

881

00:38:55,940 --> 00:38:53,790

with you man and out of all the

882

00:38:58,310 --> 00:38:55,950

multitude of poisons another one worth

883

00:39:00,410 --> 00:38:58,320

discussing is aspartame I still know so

884

00:39:02,360 --> 00:39:00,420

many people women mostly who drink diet

885

00:39:04,100 --> 00:39:02,370

soda because all they see is that zero

886

00:39:06,650 --> 00:39:04,110

calories but it's actually much more

887

00:39:10,040 --> 00:39:06,660

dangerous isn't it it absolutely is and

888

00:39:11,600 --> 00:39:10,050

in fact as the other consciousness begin

889

00:39:14,180 --> 00:39:11,610

to be raised and more and more people

890

00:39:16,310 --> 00:39:14,190

understand that aspartame is really

891

00:39:17,600 --> 00:39:16,320

dangerous to you they've started to

892

00:39:20,420 --> 00:39:17,610

change the name

893

00:39:22,190 --> 00:39:20,430

they even catch me you know I'll I'll go

894

00:39:24,110 --> 00:39:22,200

in and find some drink and you'll say

895

00:39:26,600 --> 00:39:24,120

very low in sugar and I'm going oh great

896

00:39:28,850 --> 00:39:26,610

just what I need so I'll check to see if

897

00:39:29,630 --> 00:39:28,860

there's any aspartame in it and no

898

00:39:32,960 --> 00:39:29,640

there's not

899

00:39:35,930 --> 00:39:32,970

but they're Splenda which is same stuff

900

00:39:37,820 --> 00:39:35,940

they just changed the name so if you

901
00:39:39,920 --> 00:39:37,830
really want to protect yourself and your

902
00:39:41,630 --> 00:39:39,930
family you've got to become aware of

903
00:39:43,670 --> 00:39:41,640
these things and you've got to start

904
00:39:46,070 --> 00:39:43,680
looking out for yourself and you've got

905
00:39:48,740 --> 00:39:46,080
to learn how to read the labels in the

906
00:39:51,970 --> 00:39:48,750
grocery store yeah if it says high

907
00:39:55,610 --> 00:39:51,980
fructose corn syrup or Splenda or

908
00:39:58,190 --> 00:39:55,620
aspartame put it back right yeah I mean

909
00:40:00,050 --> 00:39:58,200
I for years I loved chewing gum but now

910
00:40:01,940 --> 00:40:00,060
I've had to switch just specifically to

911
00:40:04,430 --> 00:40:01,950
Altoid mints because everything else in

912
00:40:06,680 --> 00:40:04,440
that checkout Lane has aspartame in it I

913
00:40:09,320 --> 00:40:06,690

know I know isn't that in that something

914

00:40:10,970 --> 00:40:09,330

it's the same thing with toothpaste you

915

00:40:12,860 --> 00:40:10,980

have to go to a health food store and

916

00:40:15,560 --> 00:40:12,870

look real carefully to find toothpaste

917

00:40:17,990 --> 00:40:15,570

it does not have fluoride in it and in

918

00:40:20,810 --> 00:40:18,000

fact it was a toothpaste I think and the

919

00:40:22,850 --> 00:40:20,820

brand name was Tom's and it was fluoride

920

00:40:25,880 --> 00:40:22,860

freed so that's what I used to buy and

921

00:40:26,750 --> 00:40:25,890

then all of a sudden I see Tom's it says

922

00:40:29,630 --> 00:40:26,760

with flora

923

00:40:31,099 --> 00:40:29,640

so I checked and sure enough Tom's got

924

00:40:33,140 --> 00:40:31,109

bought out by one of the big

925

00:40:35,420 --> 00:40:33,150

corporations and they started putting

926
00:40:38,870 --> 00:40:35,430
the fluoride in the toothpaste and see

927
00:40:40,400 --> 00:40:38,880
again you know if they bought if they

928
00:40:42,920 --> 00:40:40,410
bought out a company chances are that

929
00:40:45,230 --> 00:40:42,930
company either was doing well or had the

930
00:40:47,120 --> 00:40:45,240
potential to do well so why would they

931
00:40:48,890 --> 00:40:47,130
go in there and mess with it they do it

932
00:40:51,050 --> 00:40:48,900
because at the top they're told to do

933
00:40:52,849 --> 00:40:51,060
that because at the top these people

934
00:40:54,800 --> 00:40:52,859
want everybody on fluoride something

935
00:40:56,839 --> 00:40:54,810
dumb them down so they can eventually

936
00:40:58,250 --> 00:40:56,849
kill them right yeah and every time

937
00:40:59,390 --> 00:40:58,260
someone tries to fight me on the

938
00:41:00,500 --> 00:40:59,400

fluoride in the water thing I'm like

939

00:41:02,359 --> 00:41:00,510

well why not just put something

940

00:41:04,160 --> 00:41:02,369

completely non-controversial like

941

00:41:06,290 --> 00:41:04,170

vitamins and nutrients in the water and

942

00:41:08,000 --> 00:41:06,300

yeah it's just funny because another

943

00:41:10,099 --> 00:41:08,010

point about fluoride is it's from what I

944

00:41:12,200 --> 00:41:10,109

understand it's also a byproduct of the

945

00:41:13,940 --> 00:41:12,210

industries that Rockefeller and company

946

00:41:15,650 --> 00:41:13,950

are dominant and aluminum and nuclear

947

00:41:17,329 --> 00:41:15,660

weaponry isn't that convenient they

948

00:41:19,220 --> 00:41:17,339

don't have to throw away their trash

949

00:41:21,710 --> 00:41:19,230

they just put it in our water that's

950

00:41:24,400 --> 00:41:21,720

right but how brilliant is that under

951
00:41:27,170 --> 00:41:24,410
conventions after World War two the

952
00:41:30,829 --> 00:41:27,180
corporations were by law prevented from

953
00:41:33,349 --> 00:41:30,839
dumping the waste the sodium fluoride

954
00:41:35,870 --> 00:41:33,359
and waste into the water because it

955
00:41:38,089 --> 00:41:35,880
would flow into the oceans and so what

956
00:41:40,280 --> 00:41:38,099
they do they figure out a way to tell us

957
00:41:43,940 --> 00:41:40,290
it'll stop cavities and so they do we

958
00:41:45,890 --> 00:41:43,950
they get us to drink it for it yeah it's

959
00:41:49,760 --> 00:41:45,900
absolutely brilliant in fact that's the

960
00:41:53,120 --> 00:41:49,770
whole thing this this whole globalist

961
00:41:56,300 --> 00:41:53,130
plot to reduce the population it for

962
00:42:00,319 --> 00:41:56,310
them is a win-win situation first off

963
00:42:03,680 --> 00:42:00,329

and you know they are culling the human

964

00:42:06,010 --> 00:42:03,690

population and where they can get more

965

00:42:09,230 --> 00:42:06,020

and more control keep people dumb down

966

00:42:11,450 --> 00:42:09,240

numb to down and that's the same time

967

00:42:13,220 --> 00:42:11,460

they make people sick and they have to

968

00:42:15,920 --> 00:42:13,230

keep going to get more and more of their

969

00:42:17,809 --> 00:42:15,930

pharmaceuticals so so they're trimming

970

00:42:21,079 --> 00:42:17,819

the population and then profiting from

971

00:42:22,579 --> 00:42:21,089

it Yeah right it just makes it so hard

972

00:42:24,109 --> 00:42:22,589

to know the truth because we know the

973

00:42:26,089 --> 00:42:24,119

government's line we just don't know to

974

00:42:28,280 --> 00:42:26,099

what degree we know the news media is

975

00:42:29,630 --> 00:42:28,290

not covering anything so we're kind of

976
00:42:31,099 --> 00:42:29,640
left to our own devices we have to

977
00:42:33,440 --> 00:42:31,109
believe the crazy youtubers because

978
00:42:34,220 --> 00:42:33,450
they're at least trying that's right

979
00:42:36,440 --> 00:42:34,230
exactly

980
00:42:37,910 --> 00:42:36,450
people ask me well you know how can I

981
00:42:39,800 --> 00:42:37,920
find out the truth and all I can tell

982
00:42:41,660 --> 00:42:39,810
them is they need to listen to

983
00:42:44,090 --> 00:42:41,670
Greig they need to listen to Alex Jones

984
00:42:46,640 --> 00:42:44,100
they need to listen to Mike Adams they

985
00:42:49,550 --> 00:42:46,650
need to listen to any number of these

986
00:42:51,230 --> 00:42:49,560
alternative media people and listen all

987
00:42:52,940 --> 00:42:51,240
of them and then go and look at some

988
00:42:55,250 --> 00:42:52,950

conservative sites and they go look at

989

00:42:57,230 --> 00:42:55,260

some liberal sites and then just start

990

00:43:01,340 --> 00:42:57,240

using that god-given computer in your

991

00:43:04,280 --> 00:43:01,350

head called your brain to figure out

992

00:43:06,770 --> 00:43:04,290

what's right what's not what's true and

993

00:43:09,200 --> 00:43:06,780

what's not and then once you have

994

00:43:11,570 --> 00:43:09,210

figured out for yourself what you think

995

00:43:13,610 --> 00:43:11,580

the truth is then start sharing that

996

00:43:15,680 --> 00:43:13,620

with everybody around you right because

997

00:43:17,570 --> 00:43:15,690

I think most people are kind of confused

998

00:43:19,160 --> 00:43:17,580

they know something's not right but they

999

00:43:22,010 --> 00:43:19,170

don't you know they don't know what it

1000

00:43:23,600 --> 00:43:22,020

isn't and since they don't know what it

1001

00:43:25,430 --> 00:43:23,610

is they don't know what to do about it

1002

00:43:27,200 --> 00:43:25,440

you're right and and none of these shows

1003

00:43:28,510 --> 00:43:27,210

are a hundred percent accurate none of

1004

00:43:31,370 --> 00:43:28,520

these guests are a hundred percent

1005

00:43:32,660 --> 00:43:31,380

accurate at times but you know my friend

1006

00:43:35,330 --> 00:43:32,670

Gordon white who's been a guest before

1007

00:43:38,000 --> 00:43:35,340

he put it as that it is a the approach

1008

00:43:39,440 --> 00:43:38,010

of witnesses to a car accident you know

1009

00:43:41,210 --> 00:43:39,450

you need to go you need to get answers

1010

00:43:43,640 --> 00:43:41,220

from everybody to figure out what's

1011

00:43:45,380 --> 00:43:43,650

going on yeah and I learned that as a

1012

00:43:47,210 --> 00:43:45,390

young reporter I'd go out to you know

1013

00:43:49,610 --> 00:43:47,220

chasing ambulances and go to the racks

1014

00:43:51,770 --> 00:43:49,620

and stuff and if you talk to ten

1015

00:43:53,450 --> 00:43:51,780

different witnesses you know sometimes

1016

00:43:56,060 --> 00:43:53,460

it was amazing you know let's get ten

1017

00:43:59,900 --> 00:43:56,070

separate stories but if you would

1018

00:44:02,660 --> 00:43:59,910

synthesize the ten stories then and you

1019

00:44:05,000 --> 00:44:02,670

find out that you know eight or nine of

1020

00:44:07,220 --> 00:44:05,010

the ten said the black car went through

1021

00:44:09,050 --> 00:44:07,230

the stop sign hit the red car you could

1022

00:44:10,520 --> 00:44:09,060

pretty much take that to the bank you

1023

00:44:13,040 --> 00:44:10,530

know that's probably exactly what

1024

00:44:15,470 --> 00:44:13,050

happened yeah amen and I think that's a

1025

00:44:16,970 --> 00:44:15,480

pretty good point to to bring us to the

1026
00:44:18,290 --> 00:44:16,980
end of the line thanks so much for doing

1027
00:44:19,820 --> 00:44:18,300
this again Jim you are one of my

1028
00:44:21,710 --> 00:44:19,830
favorite guys out there this book

1029
00:44:22,850 --> 00:44:21,720
population control is as good as the

1030
00:44:25,010 --> 00:44:22,860
rest would you like to tell them

1031
00:44:26,720 --> 00:44:25,020

1032
00:44:29,270 --> 00:44:26,730

informative and necessary for people to

1041

00:44:53,360 --> 00:44:50,940

know that you probably are not going to

1042

00:44:56,300 --> 00:44:53,370

see in the mainstream media

1043

00:44:57,740 --> 00:44:56,310

rocket launch but again always an honor

1050

00:45:12,140 --> 00:45:10,920

and a pleasure do what you can do to

1051

00:45:15,440 --> 00:45:12,150

right everybody there we have it Jim

1055

00:45:24,410 --> 00:45:21,570

Marrs Wow

1056

00:45:27,080 --> 00:45:24,420

always a pleasure great well researched

1057

00:45:29,240 --> 00:45:27,090

journalists who will also be speaking at

1058

00:45:31,670 --> 00:45:29,250

the secret space program conference in

1059

00:45:33,800 --> 00:45:31,680

Austin at the end of October and they

1060

00:45:35,540 --> 00:45:33,810

actually helped me book up most of my

1061

00:45:37,100 --> 00:45:35,550

shows for October we're going to talk to

1062

00:45:39,620 --> 00:45:37,110

several of the speakers that are going

1063

00:45:41,510 --> 00:45:39,630

to be there I can't go but anyone that

1064

00:45:43,550 --> 00:45:41,520

is considering it they did reach out to

1065

00:45:44,930 --> 00:45:43,560

me and offered the listeners a coupon

1066

00:45:50,480 --> 00:45:44,940

code it's

1067

00:45:52,670 --> 00:45:50,490

ssp THC 2015 SSP for secret space

1068

00:45:54,920 --> 00:45:52,680

program use that you know get a nice

1069

00:45:57,020 --> 00:45:54,930

little discount which is always great I

1070

00:45:59,120 --> 00:45:57,030

thought the first half of today's show

1071

00:46:00,800 --> 00:45:59,130

was very solid I knew when I saw Jim's

1072

00:46:02,840 --> 00:46:00,810

presentation at contacting the desert

1073

00:46:04,910 --> 00:46:02,850

that this was going to make a great THC

1074

00:46:07,460 --> 00:46:04,920

and the book is definitely well worth

1075

00:46:09,020 --> 00:46:07,470

your time pretty well rounded and in the

1076

00:46:11,120 --> 00:46:09,030

Plus show we talked about some other

1077

00:46:14,090 --> 00:46:11,130

major cards against humanity' in the

1078

00:46:17,330 --> 00:46:14,100

power pyramids poker hand nukes on 9/11

1079

00:46:19,400 --> 00:46:17,340

Fukushima economic warfare Jim's ideas

1080

00:46:22,010 --> 00:46:19,410

for changing the system Jade helm

1081

00:46:25,160 --> 00:46:22,020

strange rocket launches earth changes

1082

00:46:26,990 --> 00:46:25,170

it's all there people believe it I'm

1083

00:46:28,970 --> 00:46:27,000

happy with the roster coming up in

1084

00:46:30,860 --> 00:46:28,980

October again it's mainly speakers from

1085

00:46:32,690 --> 00:46:30,870

the secret space program conference but

1086

00:46:34,850 --> 00:46:32,700

all different angles all different

1087

00:46:36,440 --> 00:46:34,860

layers of the conspiracy onion it's

1088

00:46:38,180 --> 00:46:36,450

gonna be a good month the new

1089

00:46:39,890 --> 00:46:38,190

conspiracies designs are rolling out

1090

00:46:43,310 --> 00:46:39,900

nicely if you'd like to see what's going

1091

00:46:45,470 --> 00:46:43,320

on there and ways to subtly force pastor

1092

00:46:48,050 --> 00:46:45,480

bys to confront the Beast and go to

1093

00:46:51,110 --> 00:46:48,060

conspiracies net or click store at the

1094

00:46:53,630 --> 00:46:51,120

higher side shots calm and there it is

1095

00:46:55,730 --> 00:46:53,640

and hello October don't let your kids

1096

00:46:57,710 --> 00:46:55,740

eat too much corporate poison just for

1097

00:46:59,390 --> 00:46:57,720

the sake of tradition this Halloween but

1098

00:47:01,460 --> 00:46:59,400

really what can you do you don't want to

1099

00:47:03,800 --> 00:47:01,470

make your child the weird kid even if he

1100

00:47:05,780 --> 00:47:03,810

is the weird and healthy kid we all knew

1101

00:47:07,109 --> 00:47:05,790

a weird and healthy kid and we probably

1102

00:47:09,299 --> 00:47:07,119

don't talk to him anymore

1103

00:47:11,130 --> 00:47:09,309

I don't know what I'm talking about but

1104

00:47:12,329 --> 00:47:11,140

keep your head up people it seems like

1105

00:47:14,309 --> 00:47:12,339

we didn't make it through September

1106

00:47:17,159 --> 00:47:14,319

without the sky falling in on us or a

1107

00:47:19,319 --> 00:47:17,169

full-scale parasitic Overlord invasion

1108

00:47:20,969 --> 00:47:19,329

so you still have time to hatch that

1109

00:47:23,459 --> 00:47:20,979

perfect plan to live a more fulfilling

1110

00:47:25,319 --> 00:47:23,469

life outside of your corporate serfdom

1111

00:47:28,769 --> 00:47:25,329

that's it for me tonight

1112

00:47:34,529 --> 00:47:28,779

your move corporate owners your frickin

1113

00:47:39,299 --> 00:47:34,539

new god it's your show now so what's it

1114

00:47:43,349 --> 00:47:39,309

gonna be people will tune in to hear

1115

00:47:47,459 --> 00:47:43,359

another new conspiracy almost too much

1116

00:47:49,259 --> 00:47:47,469

oh we thought this was low it's bad

1117

00:47:55,620 --> 00:47:49,269

getting worse

1118

00:47:57,209 --> 00:47:55,630

so when all the good people go there on

1119

00:48:01,890 --> 00:47:57,219

the higher side chats cuz it's

1120

00:48:07,380 --> 00:48:01,900

everybody's favorite show where all the

1121

00:48:13,649 --> 00:48:07,390

good people go he gotcha Mars caught in

1122

00:48:16,499 --> 00:48:13,659

white and then this crow they talk this

1123

00:48:19,199 --> 00:48:16,509

and that on the high side chat testing

1124

00:48:21,569 --> 00:48:19,209

1127

00:48:32,069 --> 00:48:27,369

whatever you say turn on the boob tube

1128

00:48:38,029 --> 00:48:32,079

I'm in mood to obey so lead me astray by

1129

00:48:45,569 --> 00:48:40,349

they lock them up it seems were

1130

00:48:49,010 --> 00:48:45,579

protesting Monsanto where'd all the good

1131

00:48:49,020 --> 00:48:57,380

1135

the elite scams schemes conspiracies and

1140

treason

1141

00:49:43,520 --> 00:49:37,840

it's an excellent show what I need to

1142

00:49:51,480 --> 00:49:46,560
