**Bold designs for troubled times.  
Hard truths. Soft cotton.**

1  
00:00:08,990 --> 00:00:07,460  
the planets up the masters almost surely

2  
00:00:11,299 --> 00:00:09,000  
have a plan

3  
00:00:14,060 --> 00:00:11,309  
this clearly maybe something there

4  
00:00:17,380 --> 00:00:14,070  
beyond the realm of man

5  
00:00:20,240 --> 00:00:17,390  
thoroughly tested every last coaster I

6  
00:00:43,450 --> 00:00:20,250  
find the more you think you know the

7  
00:00:47,960 --> 00:00:46,130  
happy days are here again higher side

8  
00:00:49,910 --> 00:00:47,970  
shatters how the hell are you doing what

9  
00:00:51,650 --> 00:00:49,920  
I do in sunny San Diego just trying to

10  
00:00:53,750 --> 00:00:51,660  
get a handle on this weird world i'm

11  
00:00:55,670 --> 00:00:53,760  
greg carl wood and as you know we've

12  
00:00:57,229 --> 00:00:55,680  
been examining the et situation for a

13  
00:00:59,390 --> 00:00:57,239

long time and i don't think you can have

14

00:01:01,130 --> 00:00:59,400

a full diagram of the planetary power

15

00:01:03,049 --> 00:01:01,140

pyramid of puppet masters without

16

00:01:04,820 --> 00:01:03,059

leaving a space for this non-human

17

00:01:06,530 --> 00:01:04,830

presence and whether you're looking at

18

00:01:08,540 --> 00:01:06,540

the rituals of the skull and bone to the

19

00:01:10,430 --> 00:01:08,550

Ordo Templi Orientis or the Bohemian

20

00:01:12,650 --> 00:01:10,440

Grove Club I see a veneration for

21

00:01:14,270 --> 00:01:12,660

something a worship of something that

22

00:01:16,219 --> 00:01:14,280

seems a little more real than what's

23

00:01:17,870 --> 00:01:16,229

going on in Sunday Mass and we've been

24

00:01:20,210 --> 00:01:17,880

talking about this proverbial deal with

25

00:01:21,680 --> 00:01:20,220

the devil the Faustian pacts this let me

26  
00:01:23,780 --> 00:01:21,690  
have a little bit of your power and I'll

27  
00:01:25,460 --> 00:01:23,790  
serve you idea that the elite might be

28  
00:01:26,660 --> 00:01:25,470  
playing with and I'm becoming fairly

29  
00:01:29,330 --> 00:01:26,670  
convinced that this is a vague

30  
00:01:31,550 --> 00:01:29,340  
description of the situation and when we

31  
00:01:33,260 --> 00:01:31,560  
get into why some multi-dimensional

32  
00:01:35,330 --> 00:01:33,270  
extraterrestrial beings would even

33  
00:01:37,550 --> 00:01:35,340  
bother with our global elite to me the

34  
00:01:39,440 --> 00:01:37,560  
only purpose that serves is secrecy and

35  
00:01:41,150 --> 00:01:39,450  
middle management and when you examine

36  
00:01:42,830 --> 00:01:41,160  
what happens in these cases what

37  
00:01:44,690 --> 00:01:42,840  
abductions seem to be about in the

38  
00:01:46,609 --> 00:01:44,700

messages people leave these encounters

39

00:01:49,190 --> 00:01:46,619

with it seems like the agenda is to

40

00:01:50,990 --> 00:01:49,200

merge our genetics with theirs whether

41

00:01:52,550 --> 00:01:51,000

it's for their own needs of survival or

42

00:01:54,559 --> 00:01:52,560

to unlock some unique human

43

00:01:56,540 --> 00:01:54,569

characteristic is unclear but as

44

00:01:57,740 --> 00:01:56,550

transhumanism hits the forefront of the

45

00:02:00,020 --> 00:01:57,750

counterculture and the Hollywood

46

00:02:02,570 --> 00:02:00,030

propaganda machine it's starting to feel

47

00:02:04,760 --> 00:02:02,580

like the fog on this hazy agenda is

48

00:02:06,980 --> 00:02:04,770

starting to lift well lucky for us in

49

00:02:08,620 --> 00:02:06,990

this dense complex material today we

50

00:02:11,270 --> 00:02:08,630

have the champion of conspiratorial

51  
00:02:12,949 --> 00:02:11,280  
clarification Linda Moulton Howe first

52  
00:02:15,140 --> 00:02:12,959  
we are gonna hear from September's Money

53  
00:02:17,360 --> 00:02:15,150  
bomb winner real quick all you know by

54  
00:02:18,890 --> 00:02:17,370  
now I take half of the donations in a

55  
00:02:20,839 --> 00:02:18,900  
given month and gift them back to a

56  
00:02:23,630 --> 00:02:20,849  
random listener and this past month Nate

57  
00:02:25,550 --> 00:02:23,640  
took it home it was 297 bucks

58  
00:02:27,080 --> 00:02:25,560  
here's a quick check in with him and

59  
00:02:29,210 --> 00:02:27,090  
we'll be getting into all the latest

60  
00:02:31,550 --> 00:02:29,220  
details of Linda's research into the et

61  
00:02:36,080 --> 00:02:31,560  
phenomenon and the larger agenda on the

62  
00:02:40,620 --> 00:02:38,280  
Gregg thank you so much for the money

63  
00:02:43,650 --> 00:02:40,630

bomb you're awesome I'm gonna throw a

64

00:02:45,930 --> 00:02:43,660

dollar at free Barrett Brown org that's

65

00:02:48,060 --> 00:02:45,940

the courage foundation and y'all should

66

00:02:50,910 --> 00:02:48,070

check that out man I love your show I

67

00:02:53,790 --> 00:02:50,920

just finished the a 432 frequency

68

00:02:57,420 --> 00:02:53,800

episode it's mind blowing I also really

69

00:02:59,310 --> 00:02:57,430

love the old Firebird episode I saw a

70

00:03:01,500 --> 00:02:59,320

Firebird when I was a kid so thanks for

71

00:03:03,270 --> 00:03:01,510

putting a name on that and in the future

72

00:03:05,880 --> 00:03:03,280

I'd really like to hear more about

73

00:03:07,710 --> 00:03:05,890

Central and South America current events

74

00:03:10,050 --> 00:03:07,720

maybe why do we have the School of the

75

00:03:12,570 --> 00:03:10,060

Americas what's our agenda there why do

76  
00:03:14,400 --> 00:03:12,580  
we get away with so much terrorism when

77  
00:03:16,140 --> 00:03:14,410  
we claim we're trying to prevent

78  
00:03:17,940 --> 00:03:16,150  
terrorism yeah so uh

79  
00:03:20,280 --> 00:03:17,950  
shed a light on that or really

80  
00:03:22,259 --> 00:03:20,290  
appreciate it and keep on rocking

81  
00:03:26,440 --> 00:03:22,269  
thanks a lot

82  
00:03:30,240 --> 00:03:26,450  
the market to little Sparky does pricked

83  
00:03:32,160 --> 00:03:30,250  
about to open up your mind

84  
00:03:34,119 --> 00:03:32,170  
information about the secret

85  
00:03:37,030 --> 00:03:34,129  
manipulation and the wine assist

86  
00:03:39,970 --> 00:03:37,040  
aficionados he can find

87  
00:03:42,069 --> 00:03:39,980  
woman back care normally thought we knew

88  
00:03:46,030 --> 00:03:42,079

for certain so we can see the world with

89

00:03:52,300 --> 00:03:46,040

a brand new said about you listening to

90

00:03:56,360 --> 00:03:54,860

all right people we know the world is

91

00:03:58,340 --> 00:03:56,370

full of weirdness just beyond the

92

00:04:00,110 --> 00:03:58,350

humdrum nine-to-five they put before us

93

00:04:01,910 --> 00:04:00,120

and today's guest has been hot on the

94

00:04:03,640 --> 00:04:01,920

trail of nearly all of it animal

95

00:04:05,750 --> 00:04:03,650

mutilations strange booms

96

00:04:07,940 --> 00:04:05,760

extraterrestrial biological entity

97

00:04:10,100 --> 00:04:07,950

encounters strange blackops projects

98

00:04:11,570 --> 00:04:10,110

genetic experimentation and everything

99

00:04:13,340 --> 00:04:11,580

else that makes up the mysterious

100

00:04:15,440 --> 00:04:13,350

magnitude of alternative information

101  
00:04:17,330 --> 00:04:15,450  
that she chronicles at earth files.com

102  
00:04:19,130 --> 00:04:17,340  
one of the most well respected and

103  
00:04:20,840 --> 00:04:19,140  
journalistic sites dig into these depths

104  
00:04:22,790 --> 00:04:20,850  
of the rabbit hole gearing up for her

105  
00:04:25,100 --> 00:04:22,800  
presentation to the secret space program

106  
00:04:27,560 --> 00:04:25,110  
conference in Austin Texas you know her

107  
00:04:31,040 --> 00:04:27,570  
you love her Linda Moulton Howe welcome

108  
00:04:34,220 --> 00:04:31,050  
to THC well thank you very much and I am

109  
00:04:37,700 --> 00:04:34,230  
really looking forward to the gathering

110  
00:04:41,140 --> 00:04:37,710  
near Austin at the end of October I

111  
00:04:45,409 --> 00:04:41,150  
think that this secret space program

112  
00:04:49,250 --> 00:04:45,419  
2015 is coming at exactly the right time

113  
00:04:51,830 --> 00:04:49,260

because a lot of us know that there is a

114

00:04:54,800 --> 00:04:51,840

secret space program and there has been

115

00:04:58,640 --> 00:04:54,810

a secret space program for decades it's

116

00:05:00,830 --> 00:04:58,650

time that the taxpayers knew yes agreed

117

00:05:02,420 --> 00:05:00,840

cheers to that Linda and I am so happy

118

00:05:04,250 --> 00:05:02,430

to finally have you on you've definitely

119

00:05:05,810 --> 00:05:04,260

done a lot to move my needle further

120

00:05:07,969 --> 00:05:05,820

into the fringe over the years and make

121

00:05:10,250 --> 00:05:07,979

these strange topics seem a lot more

122

00:05:11,719 --> 00:05:10,260

palatable and I've also loved hearing

123

00:05:14,090 --> 00:05:11,729

you at contact in the desert the last

124

00:05:15,260 --> 00:05:14,100

few times there are so many things I'd

125

00:05:17,510 --> 00:05:15,270

like to talk to you about and things

126  
00:05:20,030 --> 00:05:17,520  
seem to be moving so fast it seems like

127  
00:05:21,440 --> 00:05:20,040  
you're on a new thread every week so to

128  
00:05:22,820 --> 00:05:21,450  
get the ball rolling here tell us a

129  
00:05:25,700 --> 00:05:22,830  
little bit about what's got your

130  
00:05:28,460 --> 00:05:25,710  
attention at the moment well first I

131  
00:05:32,560 --> 00:05:28,470  
wish that everybody working in media

132  
00:05:35,890 --> 00:05:32,570  
would drop the word fringe drop the word

133  
00:05:39,530 --> 00:05:35,900  
paranormal drop the word supernatural

134  
00:05:42,680 --> 00:05:39,540  
we're talking about a physical universe

135  
00:05:45,800 --> 00:05:42,690  
we're talking about the earth that we

136  
00:05:49,969 --> 00:05:45,810  
live on and that this is the discovery

137  
00:05:52,219 --> 00:05:49,979  
its science and environment this is a

138  
00:05:55,880 --> 00:05:52,229

discovery that there is an alien

139

00:05:57,770 --> 00:05:55,890

presence on earth and it has been here

140

00:05:59,570 --> 00:05:57,780

for millions of years according to

141

00:06:03,050 --> 00:05:59,580

whistleblowers who have talked to me

142

00:06:04,470 --> 00:06:03,060

and the more we would move away as

143

00:06:06,840 --> 00:06:04,480

people who are

144

00:06:10,980 --> 00:06:06,850

journalist and in the media and doing

145

00:06:14,850 --> 00:06:10,990

web if we can move away and change all

146

00:06:17,310 --> 00:06:14,860

of the words that people now look at

147

00:06:20,580 --> 00:06:17,320

what we're going to talk about as this

148

00:06:22,650 --> 00:06:20,590

is reality these are facts this is not

149

00:06:26,100 --> 00:06:22,660

something on the fringe I think it would

150

00:06:27,990 --> 00:06:26,110

help the audience's to listen and not

151

00:06:30,120 --> 00:06:28,000

think that they were listening to

152

00:06:32,610 --> 00:06:30,130

something that might not be true and was

153

00:06:36,240 --> 00:06:32,620

on the margin everything that I am

154

00:06:40,650 --> 00:06:36,250

trying to report and do and in my books

155

00:06:44,280 --> 00:06:40,660

and documentaries and DVDs now and web

156

00:06:46,680 --> 00:06:44,290

reporting I'm trying to bring facts to

157

00:06:49,740 --> 00:06:46,690

bear I'm trying to bring first-hand

158

00:06:53,250 --> 00:06:49,750

eyewitnesses to bear and that to me

159

00:06:55,350 --> 00:06:53,260

separates now from what once upon a time

160

00:06:58,890 --> 00:06:55,360

the government of the United States with

161

00:07:02,010 --> 00:06:58,900

England they got away with policies of

162

00:07:05,910 --> 00:07:02,020

denial and lies because they could

163

00:07:08,910 --> 00:07:05,920

generate hubcaps in the air photograph

164

00:07:12,360 --> 00:07:08,920

them by government cameras distribute

165

00:07:14,550 --> 00:07:12,370

them to media that was willing to

166

00:07:16,080 --> 00:07:14,560

cooperate after World War two with

167

00:07:19,830 --> 00:07:16,090

anything that the government told them

168

00:07:22,980 --> 00:07:19,840

to do and say there is no UFO phenomena

169

00:07:26,280 --> 00:07:22,990

we are alone in the universe here here

170

00:07:29,460 --> 00:07:26,290

is a hubcap that proves that all of

171

00:07:32,010 --> 00:07:29,470

these thousands of people reporting some

172

00:07:35,730 --> 00:07:32,020

kind of disc in the skies that they're

173

00:07:38,370 --> 00:07:35,740

all delusional and that's so important

174

00:07:41,370 --> 00:07:38,380

today to draw the line in the sand and

175

00:07:43,280 --> 00:07:41,380

say historically we now understand how

176

00:07:45,480 --> 00:07:43,290

the government accomplished that

177

00:07:48,330 --> 00:07:45,490

counterintelligence that got us through

178

00:07:51,150 --> 00:07:48,340

World War two they are very brilliant

179

00:07:52,800 --> 00:07:51,160

they are extremely competent when it

180

00:07:56,760 --> 00:07:52,810

comes to somebody giving them an

181

00:07:59,670 --> 00:07:56,770

assignment and said you go out and you

182

00:08:02,100 --> 00:07:59,680

make sure that there isn't anybody on

183

00:08:04,740 --> 00:08:02,110

the planet who is going to believe that

184

00:08:08,960 --> 00:08:04,750

there is a two-mile triangle over

185

00:08:14,340 --> 00:08:08,970

Phoenix or a hundred-foot disc over

186

00:08:17,400 --> 00:08:14,350

Texas all of this is the legacy from

187

00:08:18,380 --> 00:08:17,410

policies of denial that were set in

188

00:08:21,980 --> 00:08:18,390

motion

189

00:08:25,310 --> 00:08:21,990

Eisenhower Churchill and Truman during

190

00:08:29,270 --> 00:08:25,320

and after World War two and something

191

00:08:32,180 --> 00:08:29,280

has been shifting rapidly I would say

192

00:08:35,210 --> 00:08:32,190

myself in the last decade where the the

193

00:08:38,720 --> 00:08:35,220

people of this planet not just the

194

00:08:41,150 --> 00:08:38,730

United States there are we are 7.2

195

00:08:44,450 --> 00:08:41,160

billion people and as the population has

196

00:08:48,140 --> 00:08:44,460

grown it has been harder and harder for

197

00:08:52,400 --> 00:08:48,150

the governments to put out all of these

198

00:08:55,130 --> 00:08:52,410

phony stories phony photographs and make

199

00:08:57,440 --> 00:08:55,140

them stick because the number of people

200

00:09:01,270 --> 00:08:57,450

who have been experiencing high

201  
00:09:04,250 --> 00:09:01,280  
strangeness that has been rising and

202  
00:09:08,780 --> 00:09:04,260  
when you are looking at it all from

203  
00:09:11,330 --> 00:09:08,790  
where I sit every day and the number

204  
00:09:14,390 --> 00:09:11,340  
hundreds of emails are coming to me

205  
00:09:17,600 --> 00:09:14,400  
literally every day thousands in a month

206  
00:09:19,490 --> 00:09:17,610  
and this is non-stop these are not

207  
00:09:21,740 --> 00:09:19,500  
coming from people who are wild-eyed

208  
00:09:24,710 --> 00:09:21,750  
these are coming from people who sign

209  
00:09:27,350 --> 00:09:24,720  
their emails as professors in

210  
00:09:31,360 --> 00:09:27,360  
universities working for government

211  
00:09:34,720 --> 00:09:31,370  
agencies working for police departments

212  
00:09:37,790 --> 00:09:34,730  
airline pilots and they are telling

213  
00:09:40,910 --> 00:09:37,800

really legitimate stories but here is

214

00:09:43,640 --> 00:09:40,920

the current problem lots of

215

00:09:46,580 --> 00:09:43,650

professionals but they know that they

216

00:09:48,710 --> 00:09:46,590

could still lose their jobs if their

217

00:09:53,060 --> 00:09:48,720

public with their names and identity

218

00:09:56,990 --> 00:09:53,070

right so tragically and sadly I still

219

00:10:00,980 --> 00:09:57,000

have to say I promise I will keep your

220

00:10:03,350 --> 00:10:00,990

name your up your title your location

221

00:10:07,550 --> 00:10:03,360

anonymous but what is important is to

222

00:10:09,530 --> 00:10:07,560

report what you know are facts so I try

223

00:10:12,110 --> 00:10:09,540

to do that at earth files.com

224

00:10:15,050 --> 00:10:12,120

on a regular basis because the

225

00:10:19,550 --> 00:10:15,060

information is so important and here is

226

00:10:23,150 --> 00:10:19,560

what is very very I think strong for

227

00:10:25,730 --> 00:10:23,160

everybody listening to keep in mind for

228

00:10:26,780 --> 00:10:25,740

every report that I do at Earth

229

00:10:28,400 --> 00:10:26,790

files.com

230

00:10:31,010 --> 00:10:28,410

whether it is with somebody who is

231

00:10:32,090 --> 00:10:31,020

requesting anonymity or they're willing

232

00:10:36,439 --> 00:10:32,100

to go on the record

233

00:10:40,639 --> 00:10:36,449

their name I must get a hundred more

234

00:10:44,269 --> 00:10:40,649

emails for every story of people saying

235

00:10:46,759 --> 00:10:44,279

I've never told anybody this before but

236

00:10:51,410 --> 00:10:46,769

I just read your report

237

00:10:54,590 --> 00:10:51,420

and I hear a vast vast and more

238

00:10:59,540 --> 00:10:54,600

increased number of stories a good

239

00:11:03,199 --> 00:10:59,550

example is that on Thursday going from

240

00:11:05,240 --> 00:11:03,209

September 24th to 25th starting at

241

00:11:08,180 --> 00:11:05,250

midnight to 3:00 a.m. for me mountain

242

00:11:09,069 --> 00:11:08,190

time the last Thursday of every month I

243

00:11:11,689 --> 00:11:09,079

do

244

00:11:14,269 --> 00:11:11,699

earthfiles news on coast to coast am

245

00:11:18,470 --> 00:11:14,279

with George Noory right and each

246

00:11:20,540 --> 00:11:18,480

half-hour is it moves from the first

247

00:11:23,600 --> 00:11:20,550

half-hour to the second third and fourth

248

00:11:26,480 --> 00:11:23,610

through different subjects that I think

249

00:11:30,220 --> 00:11:26,490

are current and important to report and

250

00:11:33,470 --> 00:11:30,230

in this most recent my second half hour

251  
00:11:37,639 --> 00:11:33,480  
was with a massage therapist in Chicago

252  
00:11:40,879 --> 00:11:37,649  
Illinois who contacted me and we did an

253  
00:11:44,300 --> 00:11:40,889  
interview recorded about her having her

254  
00:11:47,800 --> 00:11:44,310  
hands the back of the neck of a woman

255  
00:11:52,040 --> 00:11:47,810  
who had come to I it's a prestigious

256  
00:11:53,329 --> 00:11:52,050  
sort of like a gym and massage and all

257  
00:11:55,699 --> 00:11:53,339  
of that - MA

258  
00:12:00,230 --> 00:11:55,709  
yeah like a spa a hundred dollars an

259  
00:12:02,360 --> 00:12:00,240  
hour so she's used to clients she got

260  
00:12:06,350 --> 00:12:02,370  
her professional license in Chicago in

261  
00:12:10,249 --> 00:12:06,360  
2001 this is an event that happened

262  
00:12:15,439 --> 00:12:10,259  
around the 2005 to 6 period which shows

263  
00:12:18,590 --> 00:12:15,449

you she waited until 2015 to finally get

264

00:12:22,220 --> 00:12:18,600

in touch in this case with me because

265

00:12:22,759 --> 00:12:22,230

she had seen me on television on History

266

00:12:25,670 --> 00:12:22,769

Channel's

267

00:12:29,179 --> 00:12:25,680

ancient aliens and she had heard me on

268

00:12:32,150 --> 00:12:29,189

cuss to Coast AM and she had seen

269

00:12:35,540 --> 00:12:32,160

earthfiles reports and she decided as

270

00:12:36,800 --> 00:12:35,550

she said in her email I have been living

271

00:12:41,420 --> 00:12:36,810

with this puzzle

272

00:12:44,210 --> 00:12:41,430

since 2005 to 2006 and I decided I

273

00:12:45,440 --> 00:12:44,220

really wanted to see if somebody could

274

00:12:46,910 --> 00:12:45,450

help me understand

275

00:12:49,700 --> 00:12:46,920

she reached out and we did this

276

00:12:54,670 --> 00:12:49,710

recording and I put it on coast to coast

277

00:12:58,750 --> 00:12:54,680

I have since let's see it's been now

278

00:13:01,700 --> 00:12:58,760

from I got off the air at 3 a.m. on

279

00:13:03,590 --> 00:13:01,710

Friday and you and I are talking on

280

00:13:06,800 --> 00:13:03,600

Saturday the 26

281

00:13:11,380 --> 00:13:06,810

mm-hm and in the 24 hours after the

282

00:13:13,700 --> 00:13:11,390

broadcast I have received at least 115

283

00:13:16,550 --> 00:13:13,710

emails and they are coming it's a

284

00:13:19,940 --> 00:13:16,560

constant stream from people who are

285

00:13:23,740 --> 00:13:19,950

telling me their own experiences was

286

00:13:27,620 --> 00:13:23,750

seeing some kind of a gray looking body

287

00:13:33,140 --> 00:13:27,630

floating up out of a human lots of it in

288

00:13:36,950 --> 00:13:33,150

massage Reiki various states of what we

289

00:13:39,230 --> 00:13:36,960

would call relaxation but it's I never

290

00:13:42,920 --> 00:13:39,240

expected that there would be this much

291

00:13:46,700 --> 00:13:42,930

and yesterday in the afternoon of Friday

292

00:13:48,980 --> 00:13:46,710

I did an hour special with Whitley

293

00:13:53,720 --> 00:13:48,990

Strieber for his unknown country

294

00:13:57,620 --> 00:13:53,730

dreamland and to my astonishment Whitley

295

00:13:59,950 --> 00:13:57,630

for the very first time ever described

296

00:14:03,050 --> 00:13:59,960

that he has had the same experience

297

00:14:06,290 --> 00:14:03,060

understands it has had people who have

298

00:14:10,550 --> 00:14:06,300

communicated but he had never recorded

299

00:14:12,950 --> 00:14:10,560

it until I did the cus broadcast and

300

00:14:17,390 --> 00:14:12,960

then we decided we would do one with him

301  
00:14:19,730 --> 00:14:17,400  
yesterday so now we have expanded the

302  
00:14:24,500 --> 00:14:19,740  
territory in the feedback that is coming

303  
00:14:28,670 --> 00:14:24,510  
what does it mean what in the world does

304  
00:14:30,290 --> 00:14:28,680  
it mean that perhaps hundreds thousands

305  
00:14:33,220 --> 00:14:30,300  
of people have been sitting on a

306  
00:14:38,420 --> 00:14:33,230  
phenomena that they have not shared

307  
00:14:42,350 --> 00:14:38,430  
about being massage therapist and seeing

308  
00:14:45,500 --> 00:14:42,360  
what looks like a black almond shaped

309  
00:14:52,980 --> 00:14:45,510  
black eyed shaped like almonds large

310  
00:14:58,960 --> 00:14:52,990  
head gray slit mouth thin neck gray body

311  
00:15:03,579 --> 00:14:58,970  
and not human come up out of a body a

312  
00:15:07,629 --> 00:15:03,589  
human body that is being massaged what

313  
00:15:12,189 --> 00:15:07,639

does it mean well it isn't just right

314

00:15:18,180 --> 00:15:12,199

now as I opened up in my broadcast both

315

00:15:22,629 --> 00:15:18,190

for cousin with dreamland in the 1980's

316

00:15:25,389 --> 00:15:22,639

after I had produced a strange harvest

317

00:15:27,749 --> 00:15:25,399

the documentary about animal mutilations

318

00:15:30,999 --> 00:15:27,759

around the world and had law enforcement

319

00:15:34,090 --> 00:15:31,009

telling me people forget this as well

320

00:15:36,519 --> 00:15:34,100

it was law enforcement telling me the

321

00:15:40,300 --> 00:15:36,529

director of special projects at the CBS

322

00:15:43,389 --> 00:15:40,310

station in Denver I had won all kinds of

323

00:15:45,970 --> 00:15:43,399

awards had a National Emmy nomination

324

00:15:48,129 --> 00:15:45,980

where I went back to New York City

325

00:15:50,769 --> 00:15:48,139

because the documentaries that I was

326

00:15:54,220 --> 00:15:50,779

doing on the environment and science and

327

00:15:55,990 --> 00:15:54,230

medicine were having impacts and that's

328

00:15:59,829 --> 00:15:56,000

part of what national Emmys for

329

00:16:02,410 --> 00:15:59,839

documentaries are related to so I had

330

00:16:05,679 --> 00:16:02,420

done a strange harvest on the animal

331

00:16:09,249 --> 00:16:05,689

mutilations and that seemed to open up a

332

00:16:11,470 --> 00:16:09,259

door like it's happening today at more

333

00:16:13,569 --> 00:16:11,480

levels you know 'then up a door for

334

00:16:16,809 --> 00:16:13,579

people who had never talked even to

335

00:16:20,139 --> 00:16:16,819

their families to come out come to me

336

00:16:23,110 --> 00:16:20,149

starting to report all kinds of high

337

00:16:26,679 --> 00:16:23,120

strangeness that went beyond what i had

338

00:16:28,600 --> 00:16:26,689

focused on animal mutilations and this

339

00:16:31,749 --> 00:16:28,610

was about two or three years after that

340

00:16:33,550 --> 00:16:31,759

broadcast and it's memorable because i

341

00:16:37,749 --> 00:16:33,560

had never heard anything like it before

342

00:16:40,019 --> 00:16:37,759

then and ties to today i got a call from

343

00:16:44,040 --> 00:16:40,029

a massage therapist in boulder colorado

344

00:16:47,559 --> 00:16:44,050

now in boulder colorado in the 1980s

345

00:16:51,100 --> 00:16:47,569

massage therapy was a huge part of the

346

00:16:53,199 --> 00:16:51,110

community when you think about East

347

00:16:56,379 --> 00:16:53,209

Coast cities they have always put

348

00:16:59,370 --> 00:16:56,389

massage having to do with some form of

349

00:17:02,980 --> 00:16:59,380

prostitution mm-hmm it's never been fair

350

00:17:06,210 --> 00:17:02,990

historically Colorado was completely the

351  
00:17:08,880 --> 00:17:06,220  
opposite so many people use massage

352  
00:17:11,329 --> 00:17:08,890  
therapists for massage therapy in the

353  
00:17:14,100 --> 00:17:11,339  
state of Colorado say it was not unusual

354  
00:17:18,240 --> 00:17:14,110  
to get a phone call from somebody in

355  
00:17:20,699 --> 00:17:18,250  
Boulder especially saying Linda I saw

356  
00:17:23,069 --> 00:17:20,709  
you on television I've just had

357  
00:17:25,230 --> 00:17:23,079  
something that is freaked me out I don't

358  
00:17:27,840 --> 00:17:25,240  
understand it I've seen you on

359  
00:17:30,539 --> 00:17:27,850  
television I figured that I could call

360  
00:17:32,190 --> 00:17:30,549  
you and you might be able to explain to

361  
00:17:33,330 --> 00:17:32,200  
me what has just happened and here

362  
00:17:36,049 --> 00:17:33,340  
briefly

363  
00:17:40,950 --> 00:17:36,059

she was massaging it was a male client

364

00:17:43,890 --> 00:17:40,960

she had her hands on his chest and then

365

00:17:45,899 --> 00:17:43,900

suddenly she can't move her hands she

366

00:17:46,950 --> 00:17:45,909

can't move her body she doesn't know

367

00:17:50,460 --> 00:17:46,960

what is happening

368

00:17:53,310 --> 00:17:50,470

the man is not saying anything or doing

369

00:17:56,220 --> 00:17:53,320

anything but coming up out of the man's

370

00:17:59,880 --> 00:17:56,230

body translucent just like the Chicago

371

00:18:02,310 --> 00:17:59,890

case recently translucent she can see

372

00:18:05,310 --> 00:18:02,320

her hands through this grey body that is

373

00:18:08,310 --> 00:18:05,320

rising up and she cannot move she cannot

374

00:18:11,430 --> 00:18:08,320

yell she can't do anything she's frozen

375

00:18:14,880 --> 00:18:11,440

but whatever this phenomena is it was

376

00:18:19,049 --> 00:18:14,890

able to keep rising past her hands her

377

00:18:22,950 --> 00:18:19,059

arms up into the air and it seemed to

378

00:18:27,090 --> 00:18:22,960

fade out and she described the black eye

379

00:18:29,190 --> 00:18:27,100

shaped almond slanted the same that I

380

00:18:31,919 --> 00:18:29,200

just described from the Chicago massage

381

00:18:35,279 --> 00:18:31,929

therapist Wow she said when it faded out

382

00:18:37,770 --> 00:18:35,289

in the sky in the air in the room she

383

00:18:40,620 --> 00:18:37,780

suddenly everything her hands could move

384

00:18:46,500 --> 00:18:40,630

her arms could move she could talk and

385

00:18:49,620 --> 00:18:46,510

she said Linda I was so scared I didn't

386

00:18:54,090 --> 00:18:49,630

even want to say to the client on the

387

00:18:57,510 --> 00:18:54,100

masseuse on the massage table what just

388

00:19:00,570 --> 00:18:57,520

happened right yeah think about that

389

00:19:03,299 --> 00:19:00,580

she's had this experience she doesn't

390

00:19:05,250 --> 00:19:03,309

even talk with the man who has had no

391

00:19:07,770 --> 00:19:05,260

reaction doesn't say anything doesn't

392

00:19:11,490 --> 00:19:07,780

his eyes are still closed he's unaware

393

00:19:14,130 --> 00:19:11,500

but she calls and tells me that it was

394

00:19:18,020 --> 00:19:14,140

very shortly thereafter that I got a

395

00:19:19,790 --> 00:19:18,030

call from a male massage therapist in

396

00:19:24,770 --> 00:19:19,800

Memphis Tenn

397

00:19:30,560 --> 00:19:24,780

see and it was the same story exactly so

398

00:19:34,700 --> 00:19:30,570

now I had those two cases as a

399

00:19:38,300 --> 00:19:34,710

background for the 1980s I never had

400

00:19:42,800 --> 00:19:38,310

received any other reports until the

401  
00:19:47,810 --> 00:19:42,810  
woman in Chicago I put it on the air in

402  
00:19:51,530 --> 00:19:47,820  
two broadcasts and I now have over 100

403  
00:19:54,640 --> 00:19:51,540  
emails coming from people all over the

404  
00:19:57,110 --> 00:19:54,650  
country and some in Canada as well

405  
00:20:02,750 --> 00:19:57,120  
saying that they've had a similar

406  
00:20:05,600 --> 00:20:02,760  
experience either watching somebody in a

407  
00:20:09,680 --> 00:20:05,610  
massage or it's been some meditative or

408  
00:20:12,290 --> 00:20:09,690  
massage experience and everybody is

409  
00:20:14,930 --> 00:20:12,300  
saying the same thing including Whitley

410  
00:20:18,110 --> 00:20:14,940  
Strieber who has had the experience

411  
00:20:20,930 --> 00:20:18,120  
himself he said Linda what do you think

412  
00:20:23,780 --> 00:20:20,940  
this means right and I turned it around

413  
00:20:26,870 --> 00:20:23,790

to him and I said Whitley of all of us

414

00:20:30,350 --> 00:20:26,880

you are the one person that I know who

415

00:20:33,440 --> 00:20:30,360

has had the longest closest we'll call

416

00:20:36,230 --> 00:20:33,450

it interactive experiences with the

417

00:20:39,140 --> 00:20:36,240

non-human intelligence at least one type

418

00:20:40,750 --> 00:20:39,150

the greys and what do you think is

419

00:20:44,510 --> 00:20:40,760

happening and he said very

420

00:20:48,710 --> 00:20:44,520

straightforwardly and honestly I think

421

00:20:53,990 --> 00:20:48,720

that there is a physics a technology

422

00:20:57,430 --> 00:20:54,000

that the greys are able to project some

423

00:21:06,130 --> 00:20:57,440

now this is the question are they

424

00:21:10,340 --> 00:21:06,140

projecting a life force from themselves

425

00:21:13,460 --> 00:21:10,350

into humans in order to learn what it is

426

00:21:18,020 --> 00:21:13,470

like to be human and that their gray

427

00:21:21,890 --> 00:21:18,030

physical body is is it in animate

428

00:21:24,590 --> 00:21:21,900

someplace or are they able to split into

429

00:21:26,630 --> 00:21:24,600

two which has been what several people

430

00:21:30,050 --> 00:21:26,640

in the abduction syndrome over decades

431

00:21:32,560 --> 00:21:30,060

have suggested that we are dealing with

432

00:21:35,290 --> 00:21:32,570

an intelligence that can be

433

00:21:38,440 --> 00:21:35,300

let's say that it's a Zeta Reticuli 1 &

434

00:21:41,260 --> 00:21:38,450

2 or in a completely different galaxy it

435

00:21:44,470 --> 00:21:41,270

literally has been able to make drones

436

00:21:48,130 --> 00:21:44,480

what we would call androids that can

437

00:21:51,460 --> 00:21:48,140

come into other galaxies do physical

438

00:21:54,880 --> 00:21:51,470

exploration match the biology of

439

00:21:57,550 --> 00:21:54,890

whatever these exploratory androids are

440

00:22:01,900 --> 00:21:57,560

with the planet that they are assigned

441

00:22:02,610 --> 00:22:01,910

to explore and that that's splitting in

442

00:22:05,610 --> 00:22:02,620

two

443

00:22:09,700 --> 00:22:05,620

Jim sparks has talked about this quite

444

00:22:12,580 --> 00:22:09,710

in detail that he was shown that they

445

00:22:15,640 --> 00:22:12,590

can they can project a percentage of

446

00:22:20,140 --> 00:22:15,650

whatever their consciousness is into

447

00:22:22,090 --> 00:22:20,150

human bodies and that the difference is

448

00:22:25,240 --> 00:22:22,100

that Jim sparks has never described

449

00:22:27,100 --> 00:22:25,250

seeing the pale translucent version of a

450

00:22:32,110 --> 00:22:27,110

gray rising up out of somebody in

451  
00:22:35,020 --> 00:22:32,120  
massage but the physics of this might be

452  
00:22:37,960 --> 00:22:35,030  
somewhat similar between the Jim sparks

453  
00:22:40,630 --> 00:22:37,970  
experience talking about a technology

454  
00:22:44,170 --> 00:22:40,640  
that doesn't even have to leave its home

455  
00:22:46,630 --> 00:22:44,180  
planet and can send out at androids that

456  
00:22:50,860 --> 00:22:46,640  
can have a percentage of consciousness

457  
00:22:53,560 --> 00:22:50,870  
that couldn't enter humans to learn so

458  
00:22:58,360 --> 00:22:53,570  
there's the common denominator enter

459  
00:23:01,600 --> 00:22:58,370  
humans to learn Wow I remember another

460  
00:23:03,760 --> 00:23:01,610  
very important case and will lead in

461  
00:23:05,800 --> 00:23:03,770  
from all of this will lead into this

462  
00:23:10,000 --> 00:23:05,810  
whole question that I'm going to be

463  
00:23:17,920 --> 00:23:10,010

talking about in the Bastrop Convention

464

00:23:22,770 --> 00:23:17,930

Center November 1st of 2015 and that has

465

00:23:26,880 --> 00:23:22,780

to do my subject is self-activating

466

00:23:30,700 --> 00:23:26,890

software and technology that is alien

467

00:23:34,210 --> 00:23:30,710

hmm that's whole big subject

468

00:23:36,100 --> 00:23:34,220

now relates to what I'm beginning to

469

00:23:38,310 --> 00:23:36,110

enter into it's this question of what

470

00:23:42,690 --> 00:23:38,320

kind of physics are we dealing with and

471

00:23:46,340 --> 00:23:42,700

how would it work well there was a case

472

00:23:49,820 --> 00:23:46,350

it was outside of Manhattan in

473

00:23:53,030 --> 00:23:49,830

and the man was a artist they started

474

00:24:01,060 --> 00:23:53,040

when he was in his probably his teenage

475

00:24:04,100 --> 00:24:01,070

years he would be waked up at night and

476  
00:24:06,380 --> 00:24:04,110  
what I'm beginning to unfold has been

477  
00:24:11,390 --> 00:24:06,390  
reported thousands of times by men

478  
00:24:14,570 --> 00:24:11,400  
around the world and he would see a

479  
00:24:20,360 --> 00:24:14,580  
version of a female that was not human

480  
00:24:24,140 --> 00:24:20,370  
but was female floating over his bed on

481  
00:24:26,780 --> 00:24:24,150  
the bed there would be sexual

482  
00:24:29,060 --> 00:24:26,790  
intercourse and it would happen on a

483  
00:24:32,480 --> 00:24:29,070  
frequent basis and he began to

484  
00:24:35,480 --> 00:24:32,490  
understand this was not a human female

485  
00:24:39,200 --> 00:24:35,490  
and that the whole point was his

486  
00:24:45,010 --> 00:24:39,210  
ejaculation of sperm and that he knew

487  
00:24:48,500 --> 00:24:45,020  
that she was a holographic projection

488  
00:24:51,380 --> 00:24:48,510

over a technology that was there to

489

00:24:53,120 --> 00:24:51,390

gather sperm and other men have

490

00:24:57,710 --> 00:24:53,130

described this but his it's the most

491

00:25:02,450 --> 00:24:57,720

detail and it leads to I've always kept

492

00:25:04,780 --> 00:25:02,460

this case as remember this remember this

493

00:25:07,460 --> 00:25:04,790

with david huggins in Hoboken New Jersey

494

00:25:09,740 --> 00:25:07,470

because someday this might what I'm

495

00:25:12,970 --> 00:25:09,750

gonna now share might be very very

496

00:25:16,220 --> 00:25:12,980

important and understanding why the

497

00:25:20,090 --> 00:25:16,230

nonhumans are here how they interact

498

00:25:23,600 --> 00:25:20,100

male and female and what it is that he's

499

00:25:27,860 --> 00:25:23,610

most valuable to them so now going

500

00:25:29,960 --> 00:25:27,870

beyond the collection of sperm through

501  
00:25:34,070 --> 00:25:29,970  
something that seems to be like a

502  
00:25:36,049 --> 00:25:34,080  
holographic projection one night after

503  
00:25:40,460 --> 00:25:36,059  
this had been going on for several years

504  
00:25:44,960 --> 00:25:40,470  
a praying mantis and the praying mantis

505  
00:25:50,330 --> 00:25:44,970  
type shows up in various whether it's

506  
00:25:55,540 --> 00:25:50,340  
between well in front of human females

507  
00:25:58,490 --> 00:25:55,550  
or human males or even human children

508  
00:25:59,630 --> 00:25:58,500  
seven seven to eight foot tall looks

509  
00:26:02,450 --> 00:25:59,640  
just lie

510  
00:26:03,460 --> 00:26:02,460  
on earth what would be like a praying

511  
00:26:10,539 --> 00:26:03,470  
mantis

512  
00:26:13,940 --> 00:26:10,549  
green large scares people to death

513  
00:26:16,490 --> 00:26:13,950

for a like a fraction of a second to a

514

00:26:20,510 --> 00:26:16,500

second or two and then however the

515

00:26:22,850 --> 00:26:20,520

praying mantis manages this I don't know

516

00:26:24,530 --> 00:26:22,860

a human who has had this experience with

517

00:26:28,490 --> 00:26:24,540

the praying mantises that have not had

518

00:26:35,419 --> 00:26:28,500

this next part happen there the human is

519

00:26:39,440 --> 00:26:35,429

flooded with peace relaxation from their

520

00:26:44,110 --> 00:26:39,450

fear telepathic communication from this

521

00:26:47,990 --> 00:26:44,120

huge gigantic insect looking being and

522

00:26:50,000 --> 00:26:48,000

every man woman and teenager that I've

523

00:26:53,270 --> 00:26:50,010

ever talked to who has encountered one

524

00:27:00,860 --> 00:26:53,280

of these things says almost exactly the

525

00:27:01,640 --> 00:27:00,870

same words have no fear I'm not here to

526

00:27:05,950 --> 00:27:01,650

hurt you

527

00:27:10,010 --> 00:27:05,960

and they feel a flood of huge sadness

528

00:27:13,850 --> 00:27:10,020

coming from this and they get a

529

00:27:17,570 --> 00:27:13,860

telepathic sometimes an image sometimes

530

00:27:20,110 --> 00:27:17,580

a telepathic download and this is the

531

00:27:23,419 --> 00:27:20,120

part that's impossible for the human to

532

00:27:25,430 --> 00:27:23,429

comprehend but this is what is almost

533

00:27:29,630 --> 00:27:25,440

universal in the interaction with these

534

00:27:33,169 --> 00:27:29,640

preying mantises they are given images

535

00:27:38,169 --> 00:27:33,179

of our solar system they recognize our

536

00:27:47,350 --> 00:27:38,179

solar system and the being communicates

537

00:27:53,320 --> 00:27:47,360

that it's job has been to seed life in

538

00:27:57,140 --> 00:27:53,330

planets earth being one of many and that

539

00:28:05,630 --> 00:27:57,150

the praying mantis in front of the human

540

00:28:08,990 --> 00:28:05,640

is as old as our solar system now our

541

00:28:12,899 --> 00:28:09,000

solar system is supposed to be 4.6

542

00:28:17,669 --> 00:28:12,909

billion years old the idea that the

543

00:28:21,509 --> 00:28:17,679

could be a continuous organic life-form

544

00:28:25,219 --> 00:28:21,519

that could sustain itself mentally

545

00:28:29,909 --> 00:28:25,229

physically spiritually any other way for

546

00:28:34,200 --> 00:28:29,919

4.6 billion years it is outside of any

547

00:28:38,190 --> 00:28:34,210

frame of understanding that humans could

548

00:28:42,029 --> 00:28:38,200

ever have right right now that doesn't

549

00:28:45,149 --> 00:28:42,039

mean that human knowledge is all there

550

00:28:48,450 --> 00:28:45,159

is it just means that when everybody

551  
00:28:51,379 --> 00:28:48,460  
reaches that point that a seven to eight

552  
00:28:54,570 --> 00:28:51,389  
foot tall praying mantis insect is

553  
00:28:57,810 --> 00:28:54,580  
communicating that it is a cedar of life

554  
00:29:00,570 --> 00:28:57,820  
in solar systems and that it is as old

555  
00:29:04,710 --> 00:29:00,580  
as our solar system where it has seeded

556  
00:29:08,669 --> 00:29:04,720  
life on other planets and earth that

557  
00:29:13,589 --> 00:29:08,679  
everybody goes tilt and I understand why

558  
00:29:15,509 --> 00:29:13,599  
but with that as sort of background I'm

559  
00:29:17,759 --> 00:29:15,519  
now going to tell you what happened with

560  
00:29:19,979 --> 00:29:17,769  
David Huggins in Hoboken New Jersey

561  
00:29:23,249 --> 00:29:19,989  
across the river from New York

562  
00:29:26,339 --> 00:29:23,259  
after having years of knowing that he

563  
00:29:29,279 --> 00:29:26,349

was sperm was being collected from him

564

00:29:33,119 --> 00:29:29,289

and now one of these tall praying

565

00:29:36,259 --> 00:29:33,129

mantises and with a detail that david

566

00:29:40,589 --> 00:29:36,269

huggins because he was a painter drew

567

00:29:44,669 --> 00:29:40,599

painting in oil painting that I have used

568

00:29:47,279 --> 00:29:44,679

in slides that the we'll call it the

569

00:29:50,070 --> 00:29:47,289

lower half think of a praying mantises

570

00:29:54,960 --> 00:29:50,080

how the face comes down to a narrow

571

00:29:57,149 --> 00:29:54,970

point in his and surprisingly enough

572

00:29:59,070 --> 00:29:57,159

I've learned over time other people have

573

00:30:01,259 --> 00:29:59,080

seen this but they were afraid to say it

574

00:30:02,869 --> 00:30:01,269

because they were already describing

575

00:30:07,379 --> 00:30:02,879

something so strange

576

00:30:11,339 --> 00:30:07,389

he drew or painted that in the lower

577

00:30:17,369 --> 00:30:11,349

part of the praying mantises head it

578

00:30:22,399 --> 00:30:17,379

glowed light that blowing of light in

579

00:30:24,570 --> 00:30:22,409

the praying mantises face when you

580

00:30:26,520 --> 00:30:24,580

listen to other people who have

581

00:30:28,590 --> 00:30:26,530

encountered the praying mantises

582

00:30:32,670 --> 00:30:28,600

and because I have had that background

583

00:30:35,280 --> 00:30:32,680

with david huggins I can ask people was

584

00:30:38,460 --> 00:30:35,290

there anything else unusual about the

585

00:30:41,880 --> 00:30:38,470

praying mantises face I'd say six out of

586

00:30:45,630 --> 00:30:41,890

ten people say oh god it even glowed

587

00:30:47,880 --> 00:30:45,640

light I've heard right okay so these are

588

00:30:51,360 --> 00:30:47,890

the things that the more cases you have

589

00:30:54,180 --> 00:30:51,370

and you begin to learn well ask you

590

00:30:56,720 --> 00:30:54,190

don't want to lead you don't want to say

591

00:30:59,940 --> 00:30:56,730

did you see light right that's wrong

592

00:31:02,240 --> 00:30:59,950

every reporter and investigator should

593

00:31:05,010 --> 00:31:02,250

never ever lead but you can ask

594

00:31:07,710 --> 00:31:05,020

legitimately that question was there

595

00:31:09,630 --> 00:31:07,720

anything else unusual about the head or

596

00:31:13,410 --> 00:31:09,640

the face that's a legitimate question

597

00:31:17,820 --> 00:31:13,420

when you hear six out of ten people say

598

00:31:21,660 --> 00:31:17,830

oh my god it was glowing light then you

599

00:31:24,690 --> 00:31:21,670

know that david huggins oil painting

600

00:31:28,710 --> 00:31:24,700

going back he drew that or painted that

601  
00:31:31,140 --> 00:31:28,720  
in the early 1970s Wow you have to take

602  
00:31:36,570 --> 00:31:31,150  
it seriously and here's now what he said

603  
00:31:40,200 --> 00:31:36,580  
next happened the praying mantis this is

604  
00:31:43,890 --> 00:31:40,210  
all telepathic puts images and thoughts

605  
00:31:47,970 --> 00:31:43,900  
into david huggins who is standing stark

606  
00:31:50,160 --> 00:31:47,980  
naked in the he had a it was a bed it

607  
00:31:52,260 --> 00:31:50,170  
was like a big living room with a bed at

608  
00:31:55,080 --> 00:31:52,270  
one end so he didn't have like an

609  
00:31:58,650 --> 00:31:55,090  
apartment or a house he had like a loft

610  
00:32:04,320 --> 00:31:58,660  
type place so he has gotten out of bed

611  
00:32:09,180 --> 00:32:04,330  
and the feet now there is a female that

612  
00:32:13,350 --> 00:32:09,190  
looks exactly like all of these females

613  
00:32:16,160 --> 00:32:13,360

that have a female image that has come

614

00:32:21,660 --> 00:32:16,170

and collected sperm now there is one

615

00:32:24,540 --> 00:32:21,670

standing next to him he's standing she's

616

00:32:27,330 --> 00:32:24,550

standing this is now not like the

617

00:32:30,720 --> 00:32:27,340

holographic drama and the praying mantis

618

00:32:37,020 --> 00:32:30,730

is in front of both of them and he gets

619

00:32:40,640 --> 00:32:37,030

the download essentially that now david

620

00:32:45,890 --> 00:32:40,650

huggins loves this

621

00:32:49,590 --> 00:32:45,900

form this this white skinned black eyed

622

00:32:52,409 --> 00:32:49,600

female form that he associates with all

623

00:32:56,010 --> 00:32:52,419

this collection of sperm and the praying

624

00:32:58,980 --> 00:32:56,020

mantises said saying and I want you to

625

00:33:03,620 --> 00:32:58,990

now understand that I the praying mantis

626

00:33:08,640 --> 00:33:03,630

I'm going to place her who you now love

627

00:33:13,409 --> 00:33:08,650

inside of you so she can learn now

628

00:33:15,750 --> 00:33:13,419

here's the part david huggins sees he

629

00:33:16,409 --> 00:33:15,760

watches this with his human eyes and

630

00:33:22,909 --> 00:33:16,419

retina

631

00:33:27,299 --> 00:33:22,919

he's totally conscious the female form

632

00:33:32,130 --> 00:33:27,309

dissolves transforms whatever verb into

633

00:33:35,700 --> 00:33:32,140

a ball of light it is gold and that ball

634

00:33:38,970 --> 00:33:35,710

of light comes into his chest abdomen

635

00:33:42,600 --> 00:33:38,980

area enters him he's completely

636

00:33:46,130 --> 00:33:42,610

conscious he feels a warmth entering him

637

00:33:50,220 --> 00:33:46,140

and he said and then the praying mantis

638

00:33:53,880 --> 00:33:50,230

fades away here was this huge thing in

639

00:33:56,669 --> 00:33:53,890

his room and it fades away how did they

640

00:33:59,970 --> 00:33:56,679

do this how does the technology for the

641

00:34:02,190 --> 00:33:59,980

fading in fading out popping in popping

642

00:34:04,049 --> 00:34:02,200

out that's a whole other issue of this

643

00:34:06,840 --> 00:34:04,059

self activating software that I'm going

644

00:34:09,889 --> 00:34:06,850

to be talking about at the Austin

645

00:34:15,690 --> 00:34:09,899

conference the secret space conference

646

00:34:17,820 --> 00:34:15,700

but David Huggins who called me only a

647

00:34:18,720 --> 00:34:17,830

couple years ago just as an update I

648

00:34:23,070 --> 00:34:18,730

asked him

649

00:34:25,260 --> 00:34:23,080

is she still in you and he said no she

650

00:34:28,950 --> 00:34:25,270

was there and he knew she was there for

651  
00:34:32,339 --> 00:34:28,960  
two or three years and it gave him oddly

652  
00:34:36,800 --> 00:34:32,349  
comfort he said he was never afraid of

653  
00:34:40,740 --> 00:34:36,810  
it but the collection of the sperm

654  
00:34:44,399 --> 00:34:40,750  
stopped 100% there was no more of that

655  
00:34:47,760 --> 00:34:44,409  
she's now living inside of him looking

656  
00:34:51,419 --> 00:34:47,770  
through his eyes and mind and who knows

657  
00:34:53,400 --> 00:34:51,429  
I'm filling in here on the assumption

658  
00:34:58,640 --> 00:34:53,410  
that all of our senses

659  
00:35:05,340 --> 00:34:58,650  
what we are as humans can somehow be

660  
00:35:10,830 --> 00:35:05,350  
entered and that whatever form you want

661  
00:35:16,250 --> 00:35:10,840  
to say that light is it is a it is a

662  
00:35:21,060 --> 00:35:16,260  
consciousness using human consciousness

663  
00:35:24,150 --> 00:35:21,070

to learn and can leave now

664

00:35:27,660 --> 00:35:24,160

Whitley used almost the same words

665

00:35:30,150 --> 00:35:27,670

yesterday in the very he said it's the

666

00:35:33,660 --> 00:35:30,160

first time he had ever described his own

667

00:35:39,960 --> 00:35:33,670

experience with this and he said his

668

00:35:44,250 --> 00:35:39,970

residue was and is that these beings the

669

00:35:45,780 --> 00:35:44,260

gray ones do have this ability in a form

670

00:35:47,670 --> 00:35:45,790

that he doesn't understand

671

00:35:49,740 --> 00:35:47,680

Whitley doesn't pretend to understand

672

00:35:53,730 --> 00:35:49,750

anything about the physics of this I

673

00:35:56,820 --> 00:35:53,740

neither do i but you have to take the

674

00:35:59,070 --> 00:35:56,830

human abduction syndrome and say in a

675

00:36:02,490 --> 00:35:59,080

person let's say me I've interviewed

676  
00:36:04,440 --> 00:36:02,500  
personally in depth about 1,500 people

677  
00:36:06,960 --> 00:36:04,450  
over the last 35 years

678  
00:36:11,340 --> 00:36:06,970  
and when you do that you begin to get

679  
00:36:14,700 --> 00:36:11,350  
sort of a playing field if that's if

680  
00:36:18,600 --> 00:36:14,710  
that's a term meaning it's kind of a

681  
00:36:22,170 --> 00:36:18,610  
bell-shaped curve of experiences and in

682  
00:36:26,220 --> 00:36:22,180  
that you begin to as soon as somebody

683  
00:36:28,470 --> 00:36:26,230  
says a particular color a ball of light

684  
00:36:31,170 --> 00:36:28,480  
whatever it is you then have all this

685  
00:36:34,110 --> 00:36:31,180  
background in your own experience that

686  
00:36:37,080 --> 00:36:34,120  
you now are going to ask questions to

687  
00:36:39,120 --> 00:36:37,090  
see not to lead but just to see if

688  
00:36:43,770 --> 00:36:39,130

anything more comes out that's on this

689

00:36:49,020 --> 00:36:43,780

big playing field or a profile of what

690

00:36:53,130 --> 00:36:49,030

others have experienced right and when

691

00:36:57,390 --> 00:36:53,140

you step back from this and you see that

692

00:37:00,930 --> 00:36:57,400

even now about 36 hours from the coast

693

00:37:03,290 --> 00:37:00,940

broadcast and less than 24 hours from

694

00:37:08,150 --> 00:37:03,300

the dreamland broadcast

695

00:37:10,870 --> 00:37:08,160

that I have over 100 I'm not talking

696

00:37:14,600 --> 00:37:10,880

subsonic emails these are intelligent

697

00:37:18,800 --> 00:37:14,610

well-written people who are from all

698

00:37:23,060 --> 00:37:18,810

over the place geographically who have

699

00:37:26,180 --> 00:37:23,070

been provoked to now tell something that

700

00:37:26,810 --> 00:37:26,190

they've never shared with another human

701  
00:37:30,530 --> 00:37:26,820  
being

702  
00:37:35,300 --> 00:37:30,540  
Wow now take this and let's go a month

703  
00:37:38,030 --> 00:37:35,310  
forward to Bastrop outside of Austin

704  
00:37:42,460 --> 00:37:38,040  
Texas and there is going to be this

705  
00:37:47,680 --> 00:37:42,470  
gathering for the secret space program

706  
00:37:52,310 --> 00:37:47,690  
2015 and that I'm going to be taking

707  
00:37:55,070 --> 00:37:52,320  
from all of this river of communication

708  
00:37:57,550 --> 00:37:55,080  
that comes to me on a regular basis that

709  
00:38:00,530 --> 00:37:57,560  
includes people who have been I think

710  
00:38:07,820 --> 00:38:00,540  
legitimate whistleblowers and that I

711  
00:38:12,110 --> 00:38:07,830  
have sort of a it's a it's like I'm

712  
00:38:15,050 --> 00:38:12,120  
going to try to present what would be

713  
00:38:18,730 --> 00:38:15,060

common denominators that have come from

714

00:38:21,970 --> 00:38:18,740

whistleblowers that all add up to self

715

00:38:26,690 --> 00:38:21,980

activating software in self activating

716

00:38:30,880 --> 00:38:26,700

machines interacting on this planet for

717

00:38:36,710 --> 00:38:30,890

a very long time and here is the kicker

718

00:38:39,350 --> 00:38:36,720

those self activating technologies with

719

00:38:44,080 --> 00:38:39,360

complex self activating software that

720

00:38:47,780 --> 00:38:44,090

needs no other mind organic mind

721

00:38:52,730 --> 00:38:47,790

presence for it to operate at every

722

00:38:57,350 --> 00:38:52,740

level including repairing itself the

723

00:39:00,130 --> 00:38:57,360

prime intelligence that has made all of

724

00:39:04,070 --> 00:39:00,140

this self activating technology

725

00:39:06,890 --> 00:39:04,080

including androids could be literally on

726

00:39:12,900 --> 00:39:06,900

the other side of this universe that's

727

00:39:17,070 --> 00:39:14,880

that's a pretty my employing possibility

728

00:39:19,260 --> 00:39:17,080

now when I heard you talking about this

729

00:39:21,060 --> 00:39:19,270

Chicago masseuse case you mentioned the

730

00:39:22,920 --> 00:39:21,070

person's cell phone making a strange

731

00:39:25,830 --> 00:39:22,930

noise it seemed like it played a role

732

00:39:27,570 --> 00:39:25,840

perhaps maybe it was a catalyst for what

733

00:39:29,130 --> 00:39:27,580

was going on and I wondered if this is

734

00:39:31,260 --> 00:39:29,140

something you see in other cases some

735

00:39:33,510 --> 00:39:31,270

kind of sound or frequency technology

736

00:39:36,540 --> 00:39:33,520

allowing these beans to phase in and out

737

00:39:39,030 --> 00:39:36,550

perhaps thank you for bringing it up

738

00:39:42,180 --> 00:39:39,040

because the whole issue of frequency

739

00:39:46,890 --> 00:39:42,190

seems to be key to all of the phenomena

740

00:39:51,240 --> 00:39:46,900

and that frequencies in this case it was

741

00:39:54,930 --> 00:39:51,250

the cell phone that the very

742

00:40:00,330 --> 00:39:54,940

well-dressed expensive looking woman had

743

00:40:02,880 --> 00:40:00,340

a large and expensive handbag and the

744

00:40:06,050 --> 00:40:02,890

massage therapist Cindy sylph

745

00:40:10,050 --> 00:40:06,060

she allowed me to use her real name

746

00:40:13,760 --> 00:40:10,060

Cindy shelf said it was always standard

747

00:40:19,530 --> 00:40:13,770

operation you asked anybody male female

748

00:40:23,400 --> 00:40:19,540

please shut off don't put it on pause or

749

00:40:27,870 --> 00:40:23,410

quiet shut off your cell phone so they

750

00:40:30,240 --> 00:40:27,880

cannot go off during the massage and she

751

00:40:33,480 --> 00:40:30,250

watched and she said this in my

752

00:40:40,020 --> 00:40:33,490

interview I watched her Linda she not

753

00:40:45,420 --> 00:40:40,030

she she went off off off she clicked the

754

00:40:48,690 --> 00:40:45,430

button three times off off up put the

755

00:40:52,950 --> 00:40:48,700

cell phone back in her expensive handbag

756

00:40:56,270 --> 00:40:52,960

and then the message began normal

757

00:40:58,800 --> 00:40:56,280

routine absolutely nothing unusual and

758

00:41:00,750 --> 00:40:58,810

here is another part of this that I

759

00:41:02,280 --> 00:41:00,760

think is very significant because this

760

00:41:04,520 --> 00:41:02,290

also comes up in the human abduction

761

00:41:09,990 --> 00:41:04,530

syndrome

762

00:41:15,200 --> 00:41:10,000

Cindy shelf says that her mind began

763

00:41:19,710 --> 00:41:15,210

drifting into thoughts and images of

764

00:41:23,190 --> 00:41:19,720

gray aliens and finds her own mental

765

00:41:26,279 --> 00:41:23,200

processes wondering why am I thinking

766

00:41:28,769 --> 00:41:26,289

about grey aliens

767

00:41:33,199 --> 00:41:28,779

and then all of this happened very

768

00:41:37,259 --> 00:41:33,209

suddenly all it within seconds that

769

00:41:40,919 --> 00:41:37,269

washed when she says why am I thinking

770

00:41:46,709 --> 00:41:40,929

and then she's looking at the body of

771

00:41:53,549 --> 00:41:46,719

the woman are you an alien immediately

772

00:41:56,189 --> 00:41:53,559

all of this the she sees the and drew I

773

00:42:00,719 --> 00:41:56,199

think her illustration is just excellent

774

00:42:04,529 --> 00:42:00,729

at earthfiles calm she said at first it

775

00:42:08,549 --> 00:42:04,539

was it's if the sheet over the woman's

776

00:42:11,699 --> 00:42:08,559

body transformed very quickly with

777

00:42:15,089 --> 00:42:11,709

zigzag lines that she drew and then when

778

00:42:17,429 --> 00:42:15,099

I said do you mean like electrostatic

779

00:42:21,469 --> 00:42:17,439

energy she said Linda that's that's it

780

00:42:27,679 --> 00:42:21,479

like electrostatic energy and that

781

00:42:30,779 --> 00:42:27,689

becoming becoming visible in the zigzag

782

00:42:33,719 --> 00:42:30,789

electrostatic energy is the form of the

783

00:42:37,169 --> 00:42:33,729

gray so that there was a rapid

784

00:42:41,059 --> 00:42:37,179

transition in which the sheet itself

785

00:42:44,839 --> 00:42:41,069

over the woman seemed to be at the first

786

00:42:48,179 --> 00:42:44,849

what do we call it the first level that

787

00:42:52,890 --> 00:42:48,189

Cindy could see of this change which was

788

00:42:56,130 --> 00:42:52,900

rapidly transforming into the gray to

789

00:43:01,140 --> 00:42:56,140

the exclusion when this transition was

790

00:43:06,449 --> 00:43:01,150

over in a matter of a second the female

791

00:43:08,999 --> 00:43:06,459

woman can no longer be seen the it's as

792

00:43:13,069 --> 00:43:09,009

if the female woman now is completely

793

00:43:19,620 --> 00:43:13,079

transformed into that gray and that

794

00:43:23,729 --> 00:43:19,630

Cindy said she now oh my god it is an

795

00:43:28,349 --> 00:43:23,739

alien she came that sound that she tried

796

00:43:30,179 --> 00:43:28,359

to mimic and her words were different

797

00:43:35,069 --> 00:43:30,189

than what she was able to utter as a

798

00:43:38,339 --> 00:43:35,079

human that it was metallic she compared

799

00:43:39,480 --> 00:43:38,349

it to the trumpet sounds that people

800

00:43:43,800 --> 00:43:39,490

have recorded

801  
00:43:45,630 --> 00:43:43,810  
on the planet since 2011 and they don't

802  
00:43:48,330 --> 00:43:45,640  
know what those trumpet sounds are but

803  
00:43:52,140 --> 00:43:48,340  
it's metallic but more of a metallic

804  
00:43:54,030 --> 00:43:52,150  
scraping sound with air in it that's how

805  
00:43:57,150 --> 00:43:54,040  
she tried to describe what she heard

806  
00:43:59,220 --> 00:43:57,160  
that chief estimated that it must have

807  
00:44:06,500 --> 00:43:59,230  
sound it must have been there for three

808  
00:44:11,390 --> 00:44:06,510  
seconds and then the woman is back and

809  
00:44:14,790 --> 00:44:11,400  
Cindy is saying and the woman is saying

810  
00:44:15,740 --> 00:44:14,800  
almost simultaneously I thought I shut

811  
00:44:23,010 --> 00:44:15,750  
it off

812  
00:44:25,920 --> 00:44:23,020  
so now is it that the alien presence can

813  
00:44:31,440 --> 00:44:25,930

use cellphones for anything that they

814

00:44:33,870 --> 00:44:31,450

want meaning we have a digital we have a

815

00:44:36,840 --> 00:44:33,880

digital technology that is now is

816

00:44:39,030 --> 00:44:36,850

networking the whole planet may be

817

00:44:40,940 --> 00:44:39,040

inspired by nonhumans because they

818

00:44:44,640 --> 00:44:40,950

wanted to step occur

819

00:44:47,370 --> 00:44:44,650

everybody's got now these three by five

820

00:44:53,430 --> 00:44:47,380

or four by six they're growing maybe

821

00:44:56,070 --> 00:44:53,440

behind by seven iPhones that the alien

822

00:44:58,410 --> 00:44:56,080

presence can interact with humans now

823

00:44:59,910 --> 00:44:58,420

much eat more easily that's a

824

00:45:00,600 --> 00:44:59,920

possibility a lot of people have

825

00:45:06,020 --> 00:45:00,610

questioned that

826

00:45:10,290 --> 00:45:06,030

and that they the frequency with which

827

00:45:14,370 --> 00:45:10,300

the nonhumans do anything that we don't

828

00:45:19,460 --> 00:45:14,380

understand that whatever occurred in

829

00:45:25,380 --> 00:45:19,470

that cellphone as Cindy said it was like

830

00:45:28,770 --> 00:45:25,390

watching Oh get back in your she said

831

00:45:31,230 --> 00:45:28,780

get back into your cage that and then I

832

00:45:33,450 --> 00:45:31,240

said what is it that you saw and she

833

00:45:35,700 --> 00:45:33,460

said well very rapidly it reminded me of

834

00:45:38,760 --> 00:45:35,710

something like molecules coming back

835

00:45:42,270 --> 00:45:38,770

together like oh get back into your

836

00:45:47,390 --> 00:45:42,280

shape and then the woman was there and

837

00:45:51,250 --> 00:45:47,400

so the only thing that you can say

838

00:45:56,320 --> 00:45:51,260

caused that to happen was the sound

839

00:45:59,950 --> 00:45:56,330

and why was this freaky sound emanating

840

00:46:02,590 --> 00:45:59,960

from the cellphone only once for three

841

00:46:05,349 --> 00:46:02,600

seconds and Cindy said you know if it's

842

00:46:08,940 --> 00:46:05,359

a normal phone that goes off you have a

843

00:46:13,270 --> 00:46:08,950

ring and then a ring and then a ring and

844

00:46:17,160 --> 00:46:13,280

so forth this was just one blast that

845

00:46:19,240 --> 00:46:17,170

seemed to bring the grey alien

846

00:46:22,330 --> 00:46:19,250

transition to an end

847

00:46:25,270 --> 00:46:22,340

and the woman was there and just like

848

00:46:28,380 --> 00:46:25,280

those cases that I told you about in

849

00:46:32,920 --> 00:46:28,390

Boulder in Memphis all right the woman

850

00:46:36,220 --> 00:46:32,930

did not have she didn't even there was

851  
00:46:37,930 --> 00:46:36,230  
nothing beyond the the sound of her

852  
00:46:40,780 --> 00:46:37,940  
phone going off and herself I thought I

853  
00:46:43,780 --> 00:46:40,790  
shut that off the woman would have no

854  
00:46:47,080 --> 00:46:43,790  
awareness of what it was that Cindy

855  
00:46:50,410 --> 00:46:47,090  
shelf saw happened and Cindy's shelf

856  
00:46:53,470 --> 00:46:50,420  
like the other two said literally

857  
00:46:56,320 --> 00:46:53,480  
nothing to the woman nothing about what

858  
00:46:59,080 --> 00:46:56,330  
just happened did you know that I gray

859  
00:47:02,349 --> 00:46:59,090  
being just nothing so you have a

860  
00:47:05,410 --> 00:47:02,359  
disconnect that the humans who observe

861  
00:47:06,790 --> 00:47:05,420  
this in other humans are so shocked are

862  
00:47:09,609 --> 00:47:06,800  
so stunned

863  
00:47:11,710 --> 00:47:09,619

they can't have dialogue with the person

864

00:47:14,980 --> 00:47:11,720

that they saw just transition from a

865

00:47:17,980 --> 00:47:14,990

grey what would happen in those moments

866

00:47:20,740 --> 00:47:17,990

if humans did say do you know that I

867

00:47:24,040 --> 00:47:20,750

just saw you turn into a grey being what

868

00:47:28,800 --> 00:47:24,050

happened what what would the response be

869

00:47:32,680 --> 00:47:28,810

my guess is there is no consciousness

870

00:47:35,920 --> 00:47:32,690

that it is not like david huggins

871

00:47:39,790 --> 00:47:35,930

knowing that he saw a transition into a

872

00:47:45,480 --> 00:47:39,800

ball of light entering that humans are

873

00:47:48,070 --> 00:47:45,490

not aware that in the 7.2 billion now

874

00:47:50,290 --> 00:47:48,080

living it's affected I think the new

875

00:47:52,840 --> 00:47:50,300

number is seven point six billion keeps

876

00:47:56,320 --> 00:47:52,850

going up exponentially all the time the

877

00:47:59,109 --> 00:47:56,330

population on earth that they're

878

00:48:03,340 --> 00:47:59,119

probably there might be hundreds of

879

00:48:05,180 --> 00:48:03,350

thousands of people who have some will

880

00:48:07,880 --> 00:48:05,190

call it technological relation

881

00:48:10,730 --> 00:48:07,890

ship in which greys are seeing the world

882

00:48:12,109 --> 00:48:10,740

and feeling emotions and doing all of us

883

00:48:14,150 --> 00:48:12,119

through humans and they haven't got a

884

00:48:17,420 --> 00:48:14,160

clue mm-hmm

885

00:48:20,740 --> 00:48:17,430

back to Cindy's question to me and to

886

00:48:26,779 --> 00:48:20,750

what least question what does this mean

887

00:48:28,930 --> 00:48:26,789

what are all of these learning episodes

888

00:48:33,500 --> 00:48:28,940

if you put it that way

889

00:48:36,309 --> 00:48:33,510

being able to be students of Earth by

890

00:48:39,829 --> 00:48:36,319

somehow technologically

891

00:48:42,589 --> 00:48:39,839

putting consciousness of the greys

892

00:48:43,760 --> 00:48:42,599

inside of human consciousness for some

893

00:48:47,599 --> 00:48:43,770

period of time

894

00:48:49,520 --> 00:48:47,609

what is that evolving toward right

895

00:48:51,980 --> 00:48:49,530

that's a lot of trouble and effort just

896

00:48:54,049 --> 00:48:51,990

to occupy a human body there must be

897

00:48:57,710 --> 00:48:54,059

something else we don't understand

898

00:49:00,260 --> 00:48:57,720

what's the end goal here I do not have

899

00:49:02,839 --> 00:49:00,270

an answer what least Reaper has does not

900

00:49:05,359 --> 00:49:02,849

have an answer Jim Marrs does not have

901  
00:49:09,020 --> 00:49:05,369  
an answer none of us have an answer to

902  
00:49:11,690 --> 00:49:09,030  
that question and then jump to where the

903  
00:49:15,200 --> 00:49:11,700  
whistleblowers come from the government

904  
00:49:17,569 --> 00:49:15,210  
and the military you get the impression

905  
00:49:22,430 --> 00:49:17,579  
that these guys have whistle blows they

906  
00:49:26,690 --> 00:49:22,440  
get they become exposed to some small

907  
00:49:28,809 --> 00:49:26,700  
piece they either it's because they're

908  
00:49:31,819 --> 00:49:28,819  
in a military operation and they see

909  
00:49:35,180 --> 00:49:31,829  
nonhumans not necessarily greys there

910  
00:49:38,420 --> 00:49:35,190  
are other types but they see nonhumans

911  
00:49:40,609 --> 00:49:38,430  
during a black ops operation they know

912  
00:49:43,339 --> 00:49:40,619  
that we're working with some kind of

913  
00:49:48,200 --> 00:49:43,349

nonhumans they know that we have a

914

00:49:51,589 --> 00:49:48,210

secret space program we they know that

915

00:49:54,620 --> 00:49:51,599

we are very concerned about some kind of

916

00:49:59,000 --> 00:49:54,630

intelligence coming from outside of our

917

00:50:03,650 --> 00:49:59,010

satellites to earth everybody who has

918

00:50:07,250 --> 00:50:03,660

tried to investigate a lot into the

919

00:50:09,859 --> 00:50:07,260

extra-terrestrial question you it

920

00:50:13,010 --> 00:50:09,869

doesn't take long but you have people

921

00:50:15,890 --> 00:50:13,020

that are frustrated or angry because

922

00:50:18,230 --> 00:50:15,900

they do not think it is right that they

923

00:50:20,750 --> 00:50:18,240

know that there are non-human

924

00:50:22,910 --> 00:50:20,760

among us they know that the government

925

00:50:24,890 --> 00:50:22,920

is working with nonhumans and they think

926  
00:50:28,160 --> 00:50:24,900  
that the human family should know that's

927  
00:50:29,510 --> 00:50:28,170  
why their whistle blows well Linda that

928  
00:50:31,370 --> 00:50:29,520  
pretty much brings us to the end of the

929  
00:50:33,590 --> 00:50:31,380  
show fascinating stuff again Earth

930  
00:50:35,150 --> 00:50:33,600  
files.com is your website and you're

931  
00:50:37,100 --> 00:50:35,160  
going to be at the secret space program

932  
00:50:39,410 --> 00:50:37,110  
conference in Austin Texas the weekend

933  
00:50:40,940 --> 00:50:39,420  
of the 31st of October is there anything

934  
00:50:43,940 --> 00:50:40,950  
else you'd like to tell the listeners

935  
00:50:47,990 --> 00:50:43,950  
before we call it a day I just want them

936  
00:50:49,820 --> 00:50:48,000  
to know you are an extremely intelligent

937  
00:50:52,790 --> 00:50:49,830  
interviewer and it has been a pleasure

938  
00:50:54,290 --> 00:50:52,800

to work with you today thank you so much

939

00:50:56,030 --> 00:50:54,300

that means a lot coming from you in

940

00:50:57,410 --> 00:50:56,040

particular you're one of my favorite

941

00:50:59,810 --> 00:50:57,420

alternative journalists you're always

942

00:51:02,330 --> 00:50:59,820

well researched and you make the most

943

00:51:03,950 --> 00:51:02,340

far-out possibilities seem so plausible

944

00:51:05,630 --> 00:51:03,960

and that's a beautiful thing so thank

945

00:51:06,920 --> 00:51:05,640

you so much have a great time in Austin

946

00:51:10,070 --> 00:51:06,930

hopefully we can do this again sometime

947

00:51:13,160 --> 00:51:10,080

and just take that word alternative away

948

00:51:15,830 --> 00:51:13,170

I am a mainstream a reporter and always

949

00:51:18,080 --> 00:51:15,840

have been fair point fair point I'm

950

00:51:20,630 --> 00:51:18,090

gonna have to retrain myself but thanks

951  
00:51:22,580 --> 00:51:20,640  
again Linda this has been awesome keep

952  
00:51:26,600 --> 00:51:22,590  
doing what you do and take care thank

953  
00:51:29,240 --> 00:51:26,610  
you whoa guys whoa Linda Moulton Howe

954  
00:51:30,770 --> 00:51:29,250  
let's hear it I'm talking about some

955  
00:51:32,660 --> 00:51:30,780  
really interesting sagas and

956  
00:51:34,910 --> 00:51:32,670  
corroborating encounters that might give

957  
00:51:37,010 --> 00:51:34,920  
us some clues into the larger agenda and

958  
00:51:38,360 --> 00:51:37,020  
I think it does and it's great to hear

959  
00:51:40,430 --> 00:51:38,370  
about these things in a format that

960  
00:51:43,040 --> 00:51:40,440  
isn't limited by commercial breaks and

961  
00:51:44,450 --> 00:51:43,050  
egotistical hosts Melinda does not

962  
00:51:45,020 --> 00:51:44,460  
really need assistance and I thought it

963  
00:51:47,000 --> 00:51:45,030

was great

964

00:51:49,010 --> 00:51:47,010

I actually tried to chime in even less

965

00:51:50,750 --> 00:51:49,020

than normal because Linda speakers were

966

00:51:52,730 --> 00:51:50,760

a little loud and it was causing some

967

00:51:55,190 --> 00:51:52,740

feedback when I would speak I spliced

968

00:51:56,780 --> 00:51:55,200

out as much of it as I could but you did

969

00:51:58,220 --> 00:51:56,790

probably hear a little bit of it and

970

00:52:00,170 --> 00:51:58,230

hopefully we can talk to her again

971

00:52:02,090 --> 00:52:00,180

because I have a lot of questions we

972

00:52:04,940 --> 00:52:02,100

couldn't get into but Linda has no

973

00:52:07,400 --> 00:52:04,950

shortage of fascinating material beans

974

00:52:09,590 --> 00:52:07,410

embedded into unknowing human hosts

975

00:52:12,170 --> 00:52:09,600

animal mutilations self-activating

976  
00:52:12,950 --> 00:52:12,180  
extra-terrestrial machinery where we

977  
00:52:14,390 --> 00:52:12,960  
heard that before

978  
00:52:16,730 --> 00:52:14,400  
sounds a little bit like Hattie Bob's

979  
00:52:18,590 --> 00:52:16,740  
paradigm to me machines set to autopilot

980  
00:52:20,210 --> 00:52:18,600  
monitoring the earth and controlling

981  
00:52:22,850 --> 00:52:20,220  
this terrarium just beyond the

982  
00:52:25,040 --> 00:52:22,860  
electromagnetic spectrum I don't know

983  
00:52:26,780 --> 00:52:25,050  
but if you did like the first hour you

984  
00:52:28,580 --> 00:52:26,790  
know we have the extended second hour

985  
00:52:30,290 --> 00:52:28,590  
with all the great guests here and today

986  
00:52:31,880 --> 00:52:30,300  
is no different with Linda we got into

987  
00:52:34,370 --> 00:52:31,890  
more ideas of the big agenda

988  
00:52:36,350 --> 00:52:34,380

the Prometheus archetype the Randalls

989

00:52:38,000 --> 00:52:36,360

from forest incident as an example of

990

00:52:40,460 --> 00:52:38,010

the self activating alien hardware

991

00:52:43,100 --> 00:52:40,470

hunting for samples and we speculate on

992

00:52:45,080 --> 00:52:43,110

what is it about humans that makes us so

993

00:52:46,640 --> 00:52:45,090

special in this scenario it's a

994

00:52:48,710 --> 00:52:46,650

fascinating time with a legendary

995

00:52:50,780 --> 00:52:48,720

researcher and a real milestone for me

996

00:52:52,580 --> 00:52:50,790

and after five years of building up this

997

00:52:54,740 --> 00:52:52,590

show and going for who I think are the

998

00:52:57,050 --> 00:52:54,750

best of the best there's very few people

999

00:52:59,540 --> 00:52:57,060

left to scratch off my shortlist and

1000

00:53:01,640 --> 00:52:59,550

Linda was definitely one of them so big

1001

00:53:03,830 --> 00:53:01,650

thanks to her definitely keep up with

1002

00:53:06,410 --> 00:53:03,840

her detailed and journalistic reporting

1003

00:53:08,030 --> 00:53:06,420

at earthfiles dot-com and if you're in

1004

00:53:09,890 --> 00:53:08,040

the Midwest journey down to the secret

1005

00:53:11,960 --> 00:53:09,900

space program conference I went to the

1006

00:53:14,060 --> 00:53:11,970

one last year in California had a great

1007

00:53:17,980 --> 00:53:14,070

time and I'm sure Austin's gonna be a

1008

00:53:20,600 --> 00:53:17,990

blast to use that coupon code ssp THC

1009

00:53:23,660 --> 00:53:20,610

2015 if you plan to go and get yourself

1010

00:53:25,280 --> 00:53:23,670

some cheaper tickets you are welcome and

1011

00:53:27,800 --> 00:53:25,290

I guess that's it for your favorite show

1012

00:53:30,260 --> 00:53:27,810

and your humble host here I will see you

1013

00:53:35,210 --> 00:53:30,270

next time but until then your move

1014

00:53:41,450 --> 00:53:35,220

previous your frickin move no one knows

1015

00:53:45,210 --> 00:53:41,460

what it's like to be the bad man to be

1016

00:53:59,310 --> 00:53:51,220

behind the lights and no one knows what

1017

00:54:08,890 --> 00:53:59,320

it's like to be hated to be fated to

1018

00:54:24,750 --> 00:54:08,900

telling only lies but my dreams aren't

1019

00:54:24,760 --> 00:54:39,110

lonely since they exposed me I'm THC

1020

00:54:55,710 --> 00:54:43,980

no one knows what it's like feel these

1021

00:55:01,490 --> 00:54:55,720

feelings like I do and I blame you no

1022

00:55:10,280 --> 00:55:01,500

one bites back is hard on their anger

1023

00:55:21,050 --> 00:55:10,290

none of my pain can show through but my

1024

00:55:21,060 --> 00:56:15,460

I always lonely sake exposed me THC

1025

00:56:33,470 --> 00:56:23,790

but my dreams aren't as empty as my

1026

00:56:43,510 --> 00:56:33,480

conscience seems to be I have

1027

00:56:50,800 --> 00:56:43,520

oh wait only since they exposed me on
