

1  
00:00:08,360 --> 00:00:06,530  
the planets drop the Masters almost

2  
00:00:10,640 --> 00:00:08,370  
surely have a plan

3  
00:00:13,490 --> 00:00:10,650  
this clearly made me something there

4  
00:00:17,450 --> 00:00:13,500  
beyond the realm of man

5  
00:00:42,170 --> 00:00:20,670  
you think you know the less you really

6  
00:00:46,410 --> 00:00:44,790  
all right people we know the past is

7  
00:00:48,389 --> 00:00:46,420  
paved with high trickery from the

8  
00:00:50,130 --> 00:00:48,399  
shadowy elite and when we really examine

9  
00:00:52,049 --> 00:00:50,140  
the history and the legal framework of

10  
00:00:53,729 --> 00:00:52,059  
America you can learn a lot about how a

11  
00:00:55,680 --> 00:00:53,739  
nation that was once positioned to be a

12  
00:00:57,660 --> 00:00:55,690  
haven of freedom and independence was

13  
00:00:58,979 --> 00:00:57,670

slowly sucked back into the clutches of

14

00:01:01,200 --> 00:00:58,989

what many called the Triple Crown

15

00:01:03,240 --> 00:01:01,210

controllers and that freedom and

16

00:01:05,369 --> 00:01:03,250

independence was replaced by a system of

17

00:01:06,990 --> 00:01:05,379

never-ending certificates licenses and

18

00:01:09,300 --> 00:01:07,000

identification more appropriate for

19

00:01:11,010 --> 00:01:09,310

processing cattle instituted by a

20

00:01:12,480 --> 00:01:11,020

tyrannical Trojan horse federal

21

00:01:14,160 --> 00:01:12,490

government that was never supposed to be

22

00:01:16,620 --> 00:01:14,170

the all-encompassing iron-fisted

23

00:01:18,630 --> 00:01:16,630

authority it is today and maybe we share

24

00:01:20,400 --> 00:01:18,640

some responsibility in that exchanging

25

00:01:22,380 --> 00:01:20,410

our freedoms for a constant need to ask

26

00:01:24,210 --> 00:01:22,390

permission allowing ourselves to be

27

00:01:25,919 --> 00:01:24,220

regulated numbered and reduced to

28

00:01:28,380 --> 00:01:25,929

property of the state without much of a

29

00:01:30,210 --> 00:01:28,390

second thought well today's guest Corey

30

00:01:32,010 --> 00:01:30,220

I band Todd McGreevy have been working

31

00:01:33,809 --> 00:01:32,020

together to unravel the legalese and

32

00:01:36,059 --> 00:01:33,819

untangle the tyranny surrounding this

33

00:01:38,070 --> 00:01:36,069

subject for several years now having hit

34

00:01:40,080 --> 00:01:38,080

it off at the constitutional sheriff and

35

00:01:43,020 --> 00:01:40,090

Peace Officers Association national

36

00:01:44,910 --> 00:01:43,030

convention in 2012 they formed the show

37

00:01:47,339 --> 00:01:44,920

Common Sense revisited which has now

38

00:01:49,859 --> 00:01:47,349

become agenda 31 which you can hear at

39

00:01:52,260 --> 00:01:49,869

agenda 31 org as well as following the

40

00:01:55,020 --> 00:01:52,270

no agenda show at the no agenda stream

41

00:01:56,460 --> 00:01:55,030

com there they break down a lot of what

42

00:01:58,169 --> 00:01:56,470

we're going to talk about today as well

43

00:01:59,669 --> 00:01:58,179

as follow Corey's personal journey

44

00:02:01,559 --> 00:01:59,679

putting much of what he's learned about

45

00:02:03,359 --> 00:02:01,569

these subjects into practice as he

46

00:02:04,740 --> 00:02:03,369

personally fights the good fight against

47

00:02:07,020 --> 00:02:04,750

the agents of the system here in

48

00:02:08,969 --> 00:02:07,030

California do you guys know a hell of a

49

00:02:11,369 --> 00:02:08,979

lot more about this than me Corey and

50

00:02:13,470 --> 00:02:11,379

Todd welcome to the higher side thanks

51  
00:02:15,330 --> 00:02:13,480  
Greg thank you great to be on Craig

52  
00:02:17,250 --> 00:02:15,340  
of course thanks so much for being here

53  
00:02:18,869 --> 00:02:17,260  
guys you know I tried to navigate that

54  
00:02:21,960 --> 00:02:18,879  
intro without saying anything too

55  
00:02:23,430 --> 00:02:21,970  
inaccurate or contradictory because this

56  
00:02:24,930 --> 00:02:23,440  
stuff can be quite technical when you

57  
00:02:26,970 --> 00:02:24,940  
get into the details and I think I've

58  
00:02:29,430 --> 00:02:26,980  
covered some subjects like this in the

59  
00:02:31,979 --> 00:02:29,440  
past with guests like Jordan Maxwell and

60  
00:02:33,479 --> 00:02:31,989  
Kate of Gaia but still this is a little

61  
00:02:34,860 --> 00:02:33,489  
different and you both made it very

62  
00:02:36,600 --> 00:02:34,870  
clear to me that we're not talking about

63  
00:02:39,030 --> 00:02:36,610

the sovereign citizens stuff here in

64

00:02:41,850 --> 00:02:39,040

this case we're talking about being a

65

00:02:43,410 --> 00:02:41,860

citizen of one of the several states and

66

00:02:45,540 --> 00:02:43,420

I think we should probably kick this off

67

00:02:47,250 --> 00:02:45,550

by explaining that difference and why

68

00:02:50,670 --> 00:02:47,260

it's so valuable and important to you

69

00:02:53,069 --> 00:02:50,680

guys take it away Chloe yeah a state

70

00:02:55,559 --> 00:02:53,079

citizen is what I refer to the term

71

00:02:58,410 --> 00:02:55,569

citizen that references our

72

00:03:01,020 --> 00:02:58,420

four of the constitution or or the term

73

00:03:03,899 --> 00:03:01,030

citizen as it's used in article four a

74

00:03:06,179 --> 00:03:03,909

sovereign citizen first off that term is

75

00:03:09,839 --> 00:03:06,189

just contradictory it's like calling

76

00:03:12,809 --> 00:03:09,849

somebody a king subject it just is it's

77

00:03:15,509 --> 00:03:12,819

contradictory in terms in itself but the

78

00:03:18,270 --> 00:03:15,519

real error in that whole kind of theory

79

00:03:21,089 --> 00:03:18,280

of sovereign citizenship is in my

80

00:03:23,069 --> 00:03:21,099

opinion that there's no legal mechanism

81

00:03:25,440 --> 00:03:23,079

to bind the government to offer you any

82

00:03:27,270 --> 00:03:25,450

protections if you're claiming some

83

00:03:30,300 --> 00:03:27,280

status that's outside of the

84

00:03:34,080 --> 00:03:30,310

Constitution mhm and the idea of being a

85

00:03:37,259 --> 00:03:34,090

state citizen is what the framers put

86

00:03:39,270 --> 00:03:37,269

the whole Constitution together with

87

00:03:41,610 --> 00:03:39,280

that whole idea that there are citizens

88

00:03:44,490 --> 00:03:41,620

of the several states and through

89

00:03:46,679 --> 00:03:44,500

history and just a myriad of small

90

00:03:49,170 --> 00:03:46,689

changes you know kind of like a frog in

91

00:03:53,069 --> 00:03:49,180

a pot just slowly turning up the heat

92

00:03:55,050 --> 00:03:53,079

over a hundred and twenty years of the

93

00:03:57,360 --> 00:03:55,060

government constantly pushing people

94

00:03:59,429 --> 00:03:57,370

towards a new type of citizenship that

95

00:04:01,469 --> 00:03:59,439

was never even contemplated by the

96

00:04:04,080 --> 00:04:01,479

framers and that's a national

97

00:04:07,140 --> 00:04:04,090

citizenship guaranteed by the 14th

98

00:04:09,089 --> 00:04:07,150

amendment the idea is if you're a 14th

99

00:04:10,710 --> 00:04:09,099

amendment citizen that that really is

100

00:04:13,379 --> 00:04:10,720

the problem you don't have any real

101  
00:04:16,649 --> 00:04:13,389  
standing to make the government really

102  
00:04:20,580 --> 00:04:16,659  
do much of anything and when comparing

103  
00:04:22,439 --> 00:04:20,590  
what was the status of citizens of the

104  
00:04:25,589 --> 00:04:22,449  
several states compared to what the

105  
00:04:27,659 --> 00:04:25,599  
status is of a US citizen I find it much

106  
00:04:31,620 --> 00:04:27,669  
more advantageous to restrain government

107  
00:04:34,290 --> 00:04:31,630  
by maintaining state citizenship yeah

108  
00:04:35,999 --> 00:04:34,300  
federal citizenship is the problem I

109  
00:04:37,890 --> 00:04:36,009  
used to share with friends and family

110  
00:04:39,689 --> 00:04:37,900  
I've never voted for a Democrat a

111  
00:04:41,760 --> 00:04:39,699  
Republican president in my life

112  
00:04:43,170 --> 00:04:41,770  
I voted in many elections or I should

113  
00:04:45,209 --> 00:04:43,180

say the birth record has voted in many

114

00:04:46,589 --> 00:04:45,219

elections I've not been part of the

115

00:04:48,300 --> 00:04:46,599

problem you people are part of the

116

00:04:49,740 --> 00:04:48,310

problem keep you know electing these

117

00:04:52,529 --> 00:04:49,750

these puppets

118

00:04:54,629 --> 00:04:52,539

I now have shifted to that's all just a

119

00:04:56,370 --> 00:04:54,639

huge distraction that the election means

120

00:04:58,110 --> 00:04:56,380

nothing at the federal level it's just a

121

00:05:01,290 --> 00:04:58,120

total just waste of our time

122

00:05:03,240 --> 00:05:01,300

whereas what the problem is with regards

123

00:05:05,790 --> 00:05:03,250

to how the ills of our society manifests

124

00:05:07,700 --> 00:05:05,800

themselves is because we are US citizens

125

00:05:10,460 --> 00:05:07,710

or federal cities

126

00:05:12,379 --> 00:05:10,470

and that means that you have elected as

127

00:05:14,150 --> 00:05:12,389

a raising your hands when you when you

128

00:05:16,400 --> 00:05:14,160

get the birth record is assigned to you

129

00:05:18,200 --> 00:05:16,410

when you go to public school when you

130

00:05:20,480 --> 00:05:18,210

sign up for a student loan when you get

131

00:05:22,879 --> 00:05:20,490

a driver's license when you register to

132

00:05:25,189 --> 00:05:22,889

vote all of these applications are

133

00:05:28,040 --> 00:05:25,199

requiring you to raise your hand and say

134

00:05:29,810 --> 00:05:28,050

I am a US citizen and that raising of

135

00:05:32,810 --> 00:05:29,820

the hand consenting to that federal

136

00:05:35,150 --> 00:05:32,820

status you're leaving behind your

137

00:05:36,260 --> 00:05:35,160

article for state citizen status and

138

00:05:38,689 --> 00:05:36,270

you're saying I'm going to step over

139

00:05:41,060 --> 00:05:38,699

here and move myself into federal hood

140

00:05:43,580 --> 00:05:41,070

and in that situation you have you have

141

00:05:45,890 --> 00:05:43,590

abdicated your ability to have the Bill

142

00:05:48,110 --> 00:05:45,900

of Rights enforced and and that's what

143

00:05:49,879 --> 00:05:48,120

we primarily deal with and Cory the

144

00:05:52,100 --> 00:05:49,889

reason I'm so enamored of what Cory's

145

00:05:55,010 --> 00:05:52,110

been doing is that he's walking the talk

146

00:05:57,439 --> 00:05:55,020

in California which is one of the

147

00:06:00,589 --> 00:05:57,449

largest leviathan's in the world the

148

00:06:02,240 --> 00:06:00,599

state of California and for Cory to be

149

00:06:05,270 --> 00:06:02,250

able to achieve what he's done in

150

00:06:07,070 --> 00:06:05,280

California speaks just massive volumes

151

00:06:08,839 --> 00:06:07,080

that he's on to something

152

00:06:11,600 --> 00:06:08,849

something very powerful and important

153

00:06:12,920 --> 00:06:11,610

and that's why I work with Cory so much

154

00:06:15,529 --> 00:06:12,930

is because I want to see him succeed

155

00:06:17,240 --> 00:06:15,539

well said yeah it is an interesting saga

156

00:06:18,770 --> 00:06:17,250

we'll definitely get into it one more

157

00:06:20,089 --> 00:06:18,780

thing about the sovereign citizen thing

158

00:06:21,439 --> 00:06:20,099

Todd I think you actually were the one

159

00:06:23,029 --> 00:06:21,449

who shared with me a little interview

160

00:06:25,339 --> 00:06:23,039

where it's becoming apparent that law

161

00:06:27,589 --> 00:06:25,349

enforcement are getting very wise and

162

00:06:29,990 --> 00:06:27,599

also very hostile towards people

163

00:06:31,790 --> 00:06:30,000

invoking what they hear from these

164

00:06:35,330 --> 00:06:31,800

sovereign citizens speakers out there

165

00:06:37,939 --> 00:06:35,340

right absolutely it was probably two two

166

00:06:41,600 --> 00:06:37,949

and a half years ago Sheriff chief ABAB

167

00:06:44,210 --> 00:06:41,610

powder to PA UD e RT powdered in West

168

00:06:46,999 --> 00:06:44,220

Memphis Arkansas just on other side of

169

00:06:48,830 --> 00:06:47,009

Tennessee came to Scott County Iowa to

170

00:06:50,629 --> 00:06:48,840

give a training session to for law

171

00:06:53,629 --> 00:06:50,639

enforcement about the dangers of

172

00:06:56,540 --> 00:06:53,639

sovereign citizens and I went to that

173

00:06:58,999 --> 00:06:56,550

event it was it was pretty fascinating

174

00:07:00,920 --> 00:06:59,009

actually and I had seen chief powder on

175

00:07:02,480 --> 00:07:00,930

60 minutes he was featured because his

176

00:07:04,999 --> 00:07:02,490

son was murdered

177

00:07:07,189 --> 00:07:05,009

roadside at a road stop ma some

178

00:07:08,420 --> 00:07:07,199

so-called sovereign citizens and if you

179

00:07:10,520 --> 00:07:08,430

look into that there's a whole story

180

00:07:12,680 --> 00:07:10,530

thread there I mean the the video

181

00:07:15,020 --> 00:07:12,690

doesn't really show him getting killed

182

00:07:16,459 --> 00:07:15,030

but I'm sure he died but you know

183

00:07:19,879 --> 00:07:16,469

whether or not who shot him I'm not sure

184

00:07:21,320 --> 00:07:19,889

even chief powder verbally acknowledged

185

00:07:23,719 --> 00:07:21,330

that to me when I spoke to him when he

186

00:07:25,460 --> 00:07:23,729

here in Scott County and he the Southern

187

00:07:27,260 --> 00:07:25,470

Poverty Law Center it'll pretty much

188

00:07:29,600 --> 00:07:27,270

preyed upon that the powdered families

189

00:07:31,610 --> 00:07:29,610

tragedy and recruited him as a

190

00:07:33,290 --> 00:07:31,620

spokesperson for training of law

191

00:07:35,600 --> 00:07:33,300

enforcement of the dangers of sovereign

192

00:07:39,020 --> 00:07:35,610

citizens and and I went to this event

193

00:07:41,809 --> 00:07:39,030

and I do you really want to go into this

194

00:07:43,100 --> 00:07:41,819

because it's I mean it's not you can I

195

00:07:44,990 --> 00:07:43,110

know you can cut this if you want it's

196

00:07:46,670 --> 00:07:45,000

it's up to you but but sure give us the

197

00:07:47,809 --> 00:07:46,680

cliff notes yes well I'll try and give

198

00:07:50,809 --> 00:07:47,819

you the cliff notes cuz it's fascinating

199

00:07:52,339 --> 00:07:50,819

I sit down in in the in the room and of

200

00:07:54,649 --> 00:07:52,349

course I'm waiting to be escorted out

201  
00:07:57,409 --> 00:07:54,659  
I'm surrounded by FBI agents see you

202  
00:07:59,300 --> 00:07:57,419  
know all kinds of people TSA Sheriff

203  
00:08:00,890 --> 00:07:59,310  
police all hundred fifty people from all

204  
00:08:03,110 --> 00:08:00,900  
over the Midwest here for this guy and

205  
00:08:04,490 --> 00:08:03,120  
there's a booklet on the table and in

206  
00:08:06,709 --> 00:08:04,500  
the booklet it has a page of the most

207  
00:08:09,499 --> 00:08:06,719  
dangerous organizations and on that it

208  
00:08:11,390 --> 00:08:09,509  
listed that we the people foundation man

209  
00:08:12,769 --> 00:08:11,400  
I'm very familiar with me the people on

210  
00:08:15,499 --> 00:08:12,779  
nation I worked with them closely in

211  
00:08:18,260 --> 00:08:15,509  
2009 four hundred Schultz named Bob

212  
00:08:20,300 --> 00:08:18,270  
Schultz as a dangerous individual so at

213  
00:08:21,920 --> 00:08:20,310

the break none of the cops wanted to

214

00:08:24,409 --> 00:08:21,930

talk to powder and he came right up to

215

00:08:25,760 --> 00:08:24,419

me and talked to me and we spoke about

216

00:08:27,980 --> 00:08:25,770

that and I said why do you have these

217

00:08:29,600 --> 00:08:27,990

guys listed as dangerous he's like yeah

218

00:08:31,580 --> 00:08:29,610

I know that's what the Southern Poverty

219

00:08:32,689 --> 00:08:31,590

Law Center wanted to do it you know so

220

00:08:36,110 --> 00:08:32,699

anyway the reason I didn't bring all

221

00:08:37,969 --> 00:08:36,120

this up is that powder was sharing with

222

00:08:42,139 --> 00:08:37,979

everybody there that you know the the

223

00:08:43,939 --> 00:08:42,149

people that are available trying to say

224

00:08:45,350 --> 00:08:43,949

that the you have no authority these are

225

00:08:46,880 --> 00:08:45,360

dangerous people when I tried to share

226

00:08:48,139 --> 00:08:46,890

with him was those of us who were

227

00:08:49,970 --> 00:08:48,149

studying the Constitution are not

228

00:08:51,230 --> 00:08:49,980

necessarily all dangerous and he goes I

229

00:08:53,000 --> 00:08:51,240

agree with you the federal government's

230

00:08:54,530 --> 00:08:53,010

completely out of control and so forth

231

00:08:58,490 --> 00:08:54,540

anyway I don't know where I went with

232

00:09:00,860 --> 00:08:58,500

that sorry no it's okay but yeah that's

233

00:09:03,259 --> 00:09:00,870

an interesting side note to this guy's

234

00:09:05,829 --> 00:09:03,269

crusade against sovereign citizens is

235

00:09:08,120 --> 00:09:05,839

that perhaps there was manipulation

236

00:09:10,040 --> 00:09:08,130

emotional manipulation on the part of

237

00:09:12,110 --> 00:09:10,050

the death of his son to send him off on

238

00:09:13,400 --> 00:09:12,120

this crusade I mean you can't be sure

239

00:09:15,710 --> 00:09:13,410

but you do have to question everything

240

00:09:17,060 --> 00:09:15,720

manipulation can exist any step of the

241

00:09:20,750 --> 00:09:17,070

way whether or not there was

242

00:09:23,480 --> 00:09:20,760

manipulation clearly they got a crusader

243

00:09:25,670 --> 00:09:23,490

for their campaign I also want to ask

244

00:09:27,710 --> 00:09:25,680

you about the name of your show agenda

245

00:09:30,380 --> 00:09:27,720

31 where'd you get that name obviously

246

00:09:33,290 --> 00:09:30,390

it is a play off of agenda 21 for those

247

00:09:34,700 --> 00:09:33,300

who know that right correct it's also a

248

00:09:37,640 --> 00:09:34,710

nod to

249

00:09:39,650 --> 00:09:37,650

3,100 plus counties that are in the

250

00:09:41,210 --> 00:09:39,660

country and that's one of the things I

251

00:09:43,880 --> 00:09:41,220

really like Todd came up with this is

252

00:09:47,480 --> 00:09:43,890

one of the things that I think is really

253

00:09:50,330 --> 00:09:47,490

important to the show and and to the

254

00:09:52,610 --> 00:09:50,340

success of being able to adopt a legal

255

00:09:55,430 --> 00:09:52,620

strategy of employing state citizenship

256

00:09:57,710 --> 00:09:55,440

is recognizing the significant power in

257

00:10:00,290 --> 00:09:57,720

the original form of government that was

258

00:10:02,720 --> 00:10:00,300

at the local level and that's something

259

00:10:05,600 --> 00:10:02,730

that Todd and I both you know really

260

00:10:08,210 --> 00:10:05,610

find incredibly important to get into

261

00:10:10,850 --> 00:10:08,220

the psyche of people to understand how

262

00:10:12,470 --> 00:10:10,860

the system actually functions and that

263

00:10:14,210 --> 00:10:12,480

that helps you identify the difference

264

00:10:16,730 --> 00:10:14,220

between the federal and state

265

00:10:19,190 --> 00:10:16,740

citizenship and jurisdictions right

266

00:10:21,320 --> 00:10:19,200

people age enough locally is the

267

00:10:22,970 --> 00:10:21,330

challenge they're they're filled with

268

00:10:27,230 --> 00:10:22,980

distractions of the national elections

269

00:10:29,630 --> 00:10:27,240

and originally when we started agenda 31

270

00:10:32,870 --> 00:10:29,640

we wanted to have the photos guide or

271

00:10:34,220 --> 00:10:32,880

the Zagat guide to Liberty mm-hmm

272

00:10:35,900 --> 00:10:34,230

meeting like wouldn't it be great if you

273

00:10:37,880 --> 00:10:35,910

could come to a website and type in like

274

00:10:39,770 --> 00:10:37,890

well I want to see the what's the freest

275

00:10:40,940 --> 00:10:39,780

county in America and what are the

276

00:10:42,860 --> 00:10:40,950

criteria well it could be everything

277

00:10:44,870 --> 00:10:42,870

from do they fluoridate the water supply

278

00:10:48,740 --> 00:10:44,880

do you get to know who your grand jury

279

00:10:50,360 --> 00:10:48,750

is in that County - are you taxed to

280

00:10:52,040 --> 00:10:50,370

collect your rain water in that county

281

00:10:54,560 --> 00:10:52,050

huh you know what's the status of

282

00:10:56,630 --> 00:10:54,570

freedom in that county and we had kind

283

00:10:59,990 --> 00:10:56,640

of envisioned this this concept of being

284

00:11:02,180 --> 00:11:00,000

able to access a database of 30 100 plus

285

00:11:05,150 --> 00:11:02,190

counties across America so we've shifted

286

00:11:07,610 --> 00:11:05,160

it into we hope to have an article for

287

00:11:09,740 --> 00:11:07,620

state citizen in each and every county

288

00:11:12,470 --> 00:11:09,750

across America that would be 30 100 plus

289

00:11:14,360 --> 00:11:12,480

state citizens and and and that would be

290

00:11:17,090 --> 00:11:14,370

a starting point for for something

291

00:11:19,070 --> 00:11:17,100

significant right on this kind of ties

292

00:11:21,020 --> 00:11:19,080

into that but I've heard you guys say on

293

00:11:24,380 --> 00:11:21,030

your show that a fundamental question

294

00:11:27,230 --> 00:11:24,390

behind a Jena Genda 31 is how do you

295

00:11:29,660 --> 00:11:27,240

identify yourself or am i letting the

296

00:11:32,360 --> 00:11:29,670

government define me as they see fit and

297

00:11:34,420 --> 00:11:32,370

I don't think this crosses the minds of

298

00:11:36,860 --> 00:11:34,430

most Americans very often at all but

299

00:11:40,280 --> 00:11:36,870

elaborate on why these are important

300

00:11:42,050 --> 00:11:40,290

questions for people to reflect on using

301  
00:11:44,660 --> 00:11:42,060  
a birth record which is kind of the

302  
00:11:46,580 --> 00:11:44,670  
fundamental document to every engagement

303  
00:11:47,760 --> 00:11:46,590  
you have with government on a personal

304  
00:11:49,200 --> 00:11:47,770  
level

305  
00:11:51,000 --> 00:11:49,210  
when you get your driver's license

306  
00:11:52,800 --> 00:11:51,010  
before you can get a driver's license

307  
00:11:55,800 --> 00:11:52,810  
you have to go down to the county

308  
00:11:59,700 --> 00:11:55,810  
recorders office and get a certified

309  
00:12:02,040 --> 00:11:59,710  
copy of a birth record and in California

310  
00:12:03,900 --> 00:12:02,050  
that birth record the original that has

311  
00:12:06,510 --> 00:12:03,910  
your mom's wedding signature on it

312  
00:12:08,940 --> 00:12:06,520  
that's up at the Department of Public

313  
00:12:11,130 --> 00:12:08,950

Health in Sacramento and so you're

314

00:12:14,160 --> 00:12:11,140

getting a certified copy of their

315

00:12:16,920 --> 00:12:14,170

property which is a person who is

316

00:12:19,620 --> 00:12:16,930

protected under the 14th amendment but

317

00:12:21,120 --> 00:12:19,630

the nature of that person if you look at

318

00:12:22,650 --> 00:12:21,130

it very carefully and I encourage

319

00:12:24,840 --> 00:12:22,660

everybody get a copy of your birth

320

00:12:26,670 --> 00:12:24,850

certificate out and look at it really

321

00:12:29,280 --> 00:12:26,680

closely look at the title that they gave

322

00:12:32,310 --> 00:12:29,290

your mom on mine it says it's signature

323

00:12:35,160 --> 00:12:32,320

of informant and look up the definition

324

00:12:36,930 --> 00:12:35,170

of what informant means and my

325

00:12:39,060 --> 00:12:36,940

interpretation of the birth record is

326

00:12:41,010 --> 00:12:39,070

it's created in such a way that it will

327

00:12:42,930 --> 00:12:41,020

guarantee you Fourteenth Amendment

328

00:12:44,820 --> 00:12:42,940

rights if you want to call them rights

329

00:12:46,410 --> 00:12:44,830

but it guarantees you access to

330

00:12:49,370 --> 00:12:46,420

citizenship under the Fourteenth

331

00:12:52,410 --> 00:12:49,380

Amendment while simultaneously

332

00:12:55,019 --> 00:12:52,420

preventing you from citizenship in the

333

00:12:56,610 --> 00:12:55,029

several states and that's because the

334

00:12:58,650 --> 00:12:56,620

laws in the several states are very

335

00:13:01,769 --> 00:12:58,660

different from what we're familiar with

336

00:13:04,740 --> 00:13:01,779

today there's nobody alive today that

337

00:13:07,410 --> 00:13:04,750

can recollect what it was like to live

338

00:13:09,480 --> 00:13:07,420

under a state that isn't it that is a

339

00:13:12,390 --> 00:13:09,490

operates as a Republican form of

340

00:13:14,640 --> 00:13:12,400

government and operates under common law

341

00:13:16,980 --> 00:13:14,650

so a lot of the things that we see today

342

00:13:19,590 --> 00:13:16,990

that we might think well that's no big

343

00:13:23,340 --> 00:13:19,600

deal who cares if on the birth record if

344

00:13:26,699 --> 00:13:23,350

my mom used for her maiden name rather

345

00:13:29,010 --> 00:13:26,709

than my dad's family name well in these

346

00:13:31,470 --> 00:13:29,020

common law states which are the several

347

00:13:34,319 --> 00:13:31,480

states that that's a very important

348

00:13:36,690 --> 00:13:34,329

subject we also talked about the lowest

349

00:13:38,579 --> 00:13:36,700

risk highest reward that's one of our

350

00:13:39,720 --> 00:13:38,589

themes and we asked people to ask

351  
00:13:41,699 --> 00:13:39,730  
themselves you know what risk are you

352  
00:13:43,260 --> 00:13:41,709  
wanted to take for what reward and we

353  
00:13:44,699 --> 00:13:43,270  
assert that if you're concerned about

354  
00:13:47,069 --> 00:13:44,709  
your freedoms if you're concerned about

355  
00:13:48,420 --> 00:13:47,079  
the overreach of the of the tyrannical

356  
00:13:50,250 --> 00:13:48,430  
government whether it's at the federal

357  
00:13:52,260 --> 00:13:50,260  
level or down to tier two your county or

358  
00:13:53,970 --> 00:13:52,270  
state level which are all subsidiaries

359  
00:13:56,130 --> 00:13:53,980  
of the feds by the way if you're

360  
00:13:58,260 --> 00:13:56,140  
concerned about that well rather than

361  
00:13:59,940 --> 00:13:58,270  
just complain about it do something and

362  
00:14:01,440 --> 00:13:59,950  
we assert that the first step is to

363  
00:14:04,110 --> 00:14:01,450

identify yourself

364

00:14:06,450 --> 00:14:04,120

on your own terms not on the government

365

00:14:09,390 --> 00:14:06,460

terms and that simply means making your

366

00:14:11,040 --> 00:14:09,400

own common-law ID and that was Cory's

367

00:14:12,660 --> 00:14:11,050

term he called it a common ID we're

368

00:14:16,080 --> 00:14:12,670

shifting towards calling in an article

369

00:14:18,960 --> 00:14:16,090

for state citizen ID but that is a

370

00:14:21,510 --> 00:14:18,970

effort to say this is who I am and I am

371

00:14:23,940 --> 00:14:21,520

asserting or average that I am a state

372

00:14:26,550 --> 00:14:23,950

citizen as of the year that this state

373

00:14:28,050 --> 00:14:26,560

entered the Union or when the

374

00:14:29,700 --> 00:14:28,060

Constitution was first formed for that

375

00:14:31,770 --> 00:14:29,710

state and whether it's in Tennessee or

376

00:14:33,960 --> 00:14:31,780

you know Georgia or California or

377

00:14:35,130 --> 00:14:33,970

Kentucky wherever it might be it means

378

00:14:36,240 --> 00:14:35,140

you need to go look up the history of

379

00:14:38,100 --> 00:14:36,250

the state you live in

380

00:14:40,020 --> 00:14:38,110

means you had to do a little work that

381

00:14:41,400 --> 00:14:40,030

should be pretty low risk looking

382

00:14:43,350 --> 00:14:41,410

history of your state your state

383

00:14:45,660 --> 00:14:43,360

Constitution when it was Oh turns out

384

00:14:47,850 --> 00:14:45,670

that there were five constitutional

385

00:14:49,770 --> 00:14:47,860

conventions before the current one was

386

00:14:50,940 --> 00:14:49,780

was ratified that there but the state is

387

00:14:54,690 --> 00:14:50,950

claiming that they're operating under

388

00:14:56,370 --> 00:14:54,700

when there's all that swipe in this cat

389

00:14:57,990 --> 00:14:56,380

each state's gonna have its own history

390

00:14:59,250 --> 00:14:58,000

so we don't propose to know every

391

00:15:01,320 --> 00:14:59,260

state's history we can only deal with

392

00:15:04,380 --> 00:15:01,330

where we live go make your own common ID

393

00:15:07,500 --> 00:15:04,390

we say we are domiciled in calories case

394

00:15:09,810 --> 00:15:07,510

California 18-49 in my case Iowa 1846

395

00:15:12,060 --> 00:15:09,820

that's our assertion or a Vermont state

396

00:15:14,580 --> 00:15:12,070

citizenship that we are operating under

397

00:15:17,070 --> 00:15:14,590

that rule of law where that was the

398

00:15:19,650 --> 00:15:17,080

Constitution that was passed when the

399

00:15:20,340 --> 00:15:19,660

state was entered into the Union by that

400

00:15:22,260 --> 00:15:20,350

compact

401

00:15:24,630 --> 00:15:22,270

of states which make up the federal

402

00:15:26,400 --> 00:15:24,640

government and and you can't make your

403

00:15:28,820 --> 00:15:26,410

own commonly ID then you're really just

404

00:15:33,720 --> 00:15:28,830

kind of just you know pissin in the wind

405

00:15:36,570 --> 00:15:33,730

yeah yeah my my common-law ID is by far

406

00:15:39,150 --> 00:15:36,580

the most important document I have out

407

00:15:41,070 --> 00:15:39,160

of anything that if I were to lose

408

00:15:43,110 --> 00:15:41,080

everything if my house burned down and

409

00:15:45,200 --> 00:15:43,120

all the documents went away the very

410

00:15:48,510 --> 00:15:45,210

first thing I would do is make another

411

00:15:51,570 --> 00:15:48,520

article for citizen ID for myself that

412

00:15:54,900 --> 00:15:51,580

and that is the basis of everything as

413

00:15:57,750 --> 00:15:54,910

far as who I am and what the status is

414

00:16:00,240 --> 00:15:57,760

that Todd's used his to travel on

415

00:16:02,460 --> 00:16:00,250

aircraft you know get through TSA right

416

00:16:04,560 --> 00:16:02,470

he's mine to cross the border I have

417

00:16:07,680 --> 00:16:04,570

used it to enter into federal buildings

418

00:16:10,170 --> 00:16:07,690

it is I've used it to cash money orders

419

00:16:14,310 --> 00:16:10,180

at the post office it is a valid

420

00:16:14,720 --> 00:16:14,320

document that is a highly important

421

00:16:17,269 --> 00:16:14,730

thing

422

00:16:18,019 --> 00:16:17,279

that really if you're buying it from

423

00:16:19,310 --> 00:16:18,029

somebody else

424

00:16:21,590 --> 00:16:19,320

you know there's a lot of people that

425

00:16:22,970 --> 00:16:21,600

put websites up that say they'll sell

426

00:16:25,370 --> 00:16:22,980

you there's another guy out there who is

427

00:16:28,069 --> 00:16:25,380

claiming he's selling common Leidy's if

428

00:16:31,189 --> 00:16:28,079

somebody else is creating the ID for you

429

00:16:34,069 --> 00:16:31,199

then in my opinion it's worthless

430

00:16:36,590 --> 00:16:34,079

because you it's something that you have

431

00:16:38,150 --> 00:16:36,600

to claim yourself and if you have

432

00:16:40,460 --> 00:16:38,160

somebody else make it for you and you

433

00:16:43,040 --> 00:16:40,470

don't understand why it's created the

434

00:16:45,350 --> 00:16:43,050

way it is based on your own research or

435

00:16:47,480 --> 00:16:45,360

your own knowledge then you're gonna

436

00:16:50,240 --> 00:16:47,490

have a hard time defending it right and

437

00:16:53,269 --> 00:16:50,250

the name of the game is I say I am the

438

00:16:56,930 --> 00:16:53,279

person who's identified on my article

439

00:16:58,370 --> 00:16:56,940

for citizenship ID and I go about when

440

00:17:01,220 --> 00:16:58,380

I'm in a contest with the government

441

00:17:03,829 --> 00:17:01,230

defending that that's who I am their job

442

00:17:07,010 --> 00:17:03,839

is to get me to say or put me in a

443

00:17:09,740 --> 00:17:07,020

position where I am their property which

444

00:17:11,780 --> 00:17:09,750

is the birth record and that's why it's

445

00:17:13,309 --> 00:17:11,790

so important to have that common law ID

446

00:17:15,860 --> 00:17:13,319

and it's not either/or you can actually

447

00:17:18,199 --> 00:17:15,870

have both but to achieve any type of

448

00:17:20,329 --> 00:17:18,209

restriction on the government it's only

449

00:17:22,490 --> 00:17:20,339

an article for citizens so somebody

450

00:17:23,900 --> 00:17:22,500

could kind of make their own it's fun

451  
00:17:27,230 --> 00:17:23,910  
and it's actually really kind of neat

452  
00:17:29,060 --> 00:17:27,240  
you can make your own ID keep your

453  
00:17:31,490 --> 00:17:29,070  
driver's license and kind of learn how

454  
00:17:34,220 --> 00:17:31,500  
this works make your own ID and go to

455  
00:17:36,409 --> 00:17:34,230  
the post office purchase a money order

456  
00:17:39,110 --> 00:17:36,419  
and then send it to somebody else who

457  
00:17:42,169 --> 00:17:39,120  
has a similar ID we talked about using

458  
00:17:44,360 --> 00:17:42,179  
the authority of the 37th Congress in

459  
00:17:46,520 --> 00:17:44,370  
doing this example where you can mail a

460  
00:17:49,190 --> 00:17:46,530  
letter for two cents if it's local or

461  
00:17:51,110 --> 00:17:49,200  
three cents if it's out-of-town and the

462  
00:17:52,760 --> 00:17:51,120  
person on the other end they could take

463  
00:17:55,130 --> 00:17:52,770

that money order and take it to the post

464

00:17:57,169 --> 00:17:55,140

office and cash it with a common law ID

465

00:17:59,600 --> 00:17:57,179

and now you've just completed a circle

466

00:18:01,940 --> 00:17:59,610

of a very primitive form of common law

467

00:18:03,799 --> 00:18:01,950

banking that's available to us in the

468

00:18:06,169 --> 00:18:03,809

country and what what's interesting is I

469

00:18:07,310 --> 00:18:06,179

think Bernie Sanders has mentioned that

470

00:18:10,130 --> 00:18:07,320

we should be able to do additional

471

00:18:11,960 --> 00:18:10,140

banking at the post office recently hmm

472

00:18:14,299 --> 00:18:11,970

yeah this stuff is really fascinating

473

00:18:17,150 --> 00:18:14,309

because it's I guess to clarify we're

474

00:18:18,830 --> 00:18:17,160

talking about two parallel governments

475

00:18:21,080 --> 00:18:18,840

and over the years it seems like we've

476

00:18:22,760 --> 00:18:21,090

just been kind of slowly led to believe

477

00:18:24,100 --> 00:18:22,770

that there's only one and it's the

478

00:18:26,560 --> 00:18:24,110

federal government and that's

479

00:18:27,880 --> 00:18:26,570

the rule of law and you're under their

480

00:18:30,490 --> 00:18:27,890

thumb and don't even think about

481

00:18:33,190 --> 00:18:30,500

anything else but I guess some of the

482

00:18:35,919 --> 00:18:33,200

old forms of government that were state

483

00:18:38,320 --> 00:18:35,929

specific are actually still in place

484

00:18:40,930 --> 00:18:38,330

just kind of more covert and hidden is

485

00:18:43,299 --> 00:18:40,940

that kind of the gist here yeah that

486

00:18:45,460 --> 00:18:43,309

that's exactly it that this jurisdiction

487

00:18:47,730 --> 00:18:45,470

exists it's an entire playing field and

488

00:18:50,080 --> 00:18:47,740

that's the playing field that the

489

00:18:52,330 --> 00:18:50,090

framers of the country originally

490

00:18:54,789 --> 00:18:52,340

intended all the citizens to be when

491

00:18:57,129 --> 00:18:54,799

they created Washington DC after the

492

00:19:00,100 --> 00:18:57,139

mutiny of the Pennsylvania line which is

493

00:19:03,310 --> 00:19:00,110

just a fascinating story that's how we

494

00:19:05,529 --> 00:19:03,320

ended up with a Washington DC they never

495

00:19:06,879 --> 00:19:05,539

intended for Washington DC to have

496

00:19:09,490 --> 00:19:06,889

citizens and if you were to tell the

497

00:19:12,879 --> 00:19:09,500

framers today that the entire country

498

00:19:14,289 --> 00:19:12,889

had is basically a US citizen I think

499

00:19:16,060 --> 00:19:14,299

they would find it how in the world were

500

00:19:17,889 --> 00:19:16,070

they able to do that because in the

501  
00:19:20,799 --> 00:19:17,899  
original there was such a separation

502  
00:19:22,509 --> 00:19:20,809  
between citizens of a state and the

503  
00:19:24,370 --> 00:19:22,519  
federal government but the two

504  
00:19:26,350 --> 00:19:24,380  
governments as you mentioned there's one

505  
00:19:28,659 --> 00:19:26,360  
government that's kind of hidden well

506  
00:19:31,000 --> 00:19:28,669  
there's always been two parallel

507  
00:19:33,460 --> 00:19:31,010  
governments in every state as soon as a

508  
00:19:36,100 --> 00:19:33,470  
state entered the Union then within the

509  
00:19:37,659 --> 00:19:36,110  
borders of that state immediately began

510  
00:19:40,060 --> 00:19:37,669  
to operate the jurisdiction and

511  
00:19:42,149 --> 00:19:40,070  
authority of the federal government so

512  
00:19:45,190 --> 00:19:42,159  
things like the authority to coin money

513  
00:19:47,200 --> 00:19:45,200

that no longer is something that the

514

00:19:49,870 --> 00:19:47,210

state could do once it joined the Union

515

00:19:52,899 --> 00:19:49,880

and that was a jurisdiction that is

516

00:19:55,090 --> 00:19:52,909

granted to the federal government and of

517

00:19:57,490 --> 00:19:55,100

course in California right up near San

518

00:19:59,500 --> 00:19:57,500

Francisco there was a I'm not sure if

519

00:20:02,470 --> 00:19:59,510

they still operate but there was a mint

520

00:20:04,659 --> 00:20:02,480

that I have a few coins that were minted

521

00:20:08,169 --> 00:20:04,669

from that mint when California was

522

00:20:09,519 --> 00:20:08,179

operating off its 1849 Constitution but

523

00:20:11,259 --> 00:20:09,529

if you were a citizen and you began to

524

00:20:13,060 --> 00:20:11,269

counterfeit money for any reason that

525

00:20:16,090 --> 00:20:13,070

would be federal authority and you could

526

00:20:18,129 --> 00:20:16,100

absolutely be prosecuted by the feds and

527

00:20:20,529 --> 00:20:18,139

those two governments operated in your

528

00:20:21,730 --> 00:20:20,539

state but at the time you know when

529

00:20:24,220 --> 00:20:21,740

we're talking about when the state first

530

00:20:26,259 --> 00:20:24,230

entered the Union it was very easy to

531

00:20:29,740 --> 00:20:26,269

tell the difference between somebody who

532

00:20:32,230 --> 00:20:29,750

was a federal authority and somebody who

533

00:20:34,870 --> 00:20:32,240

was a state authority and in California

534

00:20:38,060 --> 00:20:34,880

if you're a federal employee of any kind

535

00:20:39,980 --> 00:20:38,070

you're not allowed to hold state office

536

00:20:43,490 --> 00:20:39,990

raaah that's right in the 18-49

537

00:20:45,260 --> 00:20:43,500

Constitution so the feds which were

538

00:20:47,660 --> 00:20:45,270

operating right right within your state

539

00:20:49,160 --> 00:20:47,670

you didn't have to worry if the feds had

540

00:20:51,800 --> 00:20:49,170

their own citizens they were only

541

00:20:54,140 --> 00:20:51,810

employees of the government well after

542

00:20:55,700 --> 00:20:54,150

the 14th amendment that portion of

543

00:20:57,860 --> 00:20:55,710

government which had always been there

544

00:21:00,320 --> 00:20:57,870

that portion of government began to have

545

00:21:03,800 --> 00:21:00,330

citizens of its own and they were from

546

00:21:06,740 --> 00:21:03,810

Washington DC and then the government

547

00:21:08,300 --> 00:21:06,750

found it to be very easy over a very

548

00:21:11,000 --> 00:21:08,310

short period of time after the 14th

549

00:21:12,650 --> 00:21:11,010

amendment to get people to participate

550

00:21:14,870 --> 00:21:12,660

in activities that would make them think

551  
00:21:17,510 --> 00:21:14,880  
that they are altering or adjusting

552  
00:21:19,280 --> 00:21:17,520  
their own state but in reality in my

553  
00:21:20,480 --> 00:21:19,290  
opinion they were just participating in

554  
00:21:22,760 --> 00:21:20,490  
a big big magic show

555  
00:21:25,370 --> 00:21:22,770  
the magician got the audience to say

556  
00:21:27,680 --> 00:21:25,380  
abracadabra and out comes the rabbit

557  
00:21:29,690 --> 00:21:27,690  
which is a new constitution here in

558  
00:21:32,300 --> 00:21:29,700  
California but it had nothing to do with

559  
00:21:35,330 --> 00:21:32,310  
what the audience you know participating

560  
00:21:37,370 --> 00:21:35,340  
it was all just a game in my opinion the

561  
00:21:39,860 --> 00:21:37,380  
federal government doesn't need a vote

562  
00:21:41,570 --> 00:21:39,870  
to create a constitution the

563  
00:21:44,450 --> 00:21:41,580

Constitution that California operates

564

00:21:46,880 --> 00:21:44,460

under right now which is the 1879

565

00:21:49,100 --> 00:21:46,890

Constitution is an administrative

566

00:21:52,130 --> 00:21:49,110

government and its headquarters are

567

00:21:54,830 --> 00:21:52,140

located in Washington DC and I send

568

00:21:56,720 --> 00:21:54,840

letters to local officials via the

569

00:21:58,160 --> 00:21:56,730

headquarters in Washington DC just to

570

00:22:01,160 --> 00:21:58,170

demonstrate that difference in

571

00:22:02,210 --> 00:22:01,170

jurisdiction hmm yeah that's such an

572

00:22:06,350 --> 00:22:02,220

important point I've heard you guys

573

00:22:08,480 --> 00:22:06,360

mention on the show that on paper being

574

00:22:10,580 --> 00:22:08,490

a federal employee doesn't allow you to

575

00:22:13,010 --> 00:22:10,590

participate in state government and that

576

00:22:16,820 --> 00:22:13,020

is one explanation for why the federal

577

00:22:19,190 --> 00:22:16,830

government expands so much right well

578

00:22:21,560 --> 00:22:19,200

there's the the Constitution was built

579

00:22:24,590 --> 00:22:21,570

in such a way that you have the states

580

00:22:26,510 --> 00:22:24,600

and and its population adversaries with

581

00:22:28,280 --> 00:22:26,520

the federal government and what the

582

00:22:30,740 --> 00:22:28,290

federal government is been able to do is

583

00:22:33,560 --> 00:22:30,750

just kind of manage all of that make the

584

00:22:34,850 --> 00:22:33,570

states just be empty by voluntary

585

00:22:37,310 --> 00:22:34,860

consent and they're able to maintain

586

00:22:40,790 --> 00:22:37,320

plausible deniability on why these

587

00:22:43,100 --> 00:22:40,800

states are empty and there's nobody with

588

00:22:46,340 --> 00:22:43,110

standing who's been able to bring a case

589

00:22:49,250 --> 00:22:46,350

that is able to invoke the substantive

590

00:22:51,180 --> 00:22:49,260

rights associated with being an article

591

00:22:52,860 --> 00:22:51,190

4 citizen and

592

00:22:54,510 --> 00:22:52,870

it escapes me right now Todd but what

593

00:23:00,540 --> 00:22:54,520

was the name of that case with the

594

00:23:02,280 --> 00:23:00,550

sheriff with a Mac V Prince V yeah sorry

595

00:23:06,840 --> 00:23:02,290

yeah there it's V United States

596

00:23:08,550 --> 00:23:06,850

you know gotcha yeah PRI and T Z and at

597

00:23:10,050 --> 00:23:08,560

the same time Sheriff Richard Mack was

598

00:23:13,410 --> 00:23:10,060

involved in that their cases got

599

00:23:15,710 --> 00:23:13,420

collapsed into into the same one and and

600

00:23:19,680 --> 00:23:15,720

the reason you bring that up quarry is

601  
00:23:22,740 --> 00:23:19,690  
well the Justice Thomas who is very well

602  
00:23:25,680 --> 00:23:22,750  
known for you know saying very little he

603  
00:23:27,480 --> 00:23:25,690  
wrote a concurring opinion and in that

604  
00:23:29,250 --> 00:23:27,490  
concurring opinion you know from the

605  
00:23:31,500 --> 00:23:29,260  
position of being an article 4 citizen

606  
00:23:34,350 --> 00:23:31,510  
to me it's just the the federal courts

607  
00:23:36,060 --> 00:23:34,360  
screaming for somebody to bring this

608  
00:23:38,760 --> 00:23:36,070  
Authority of the several states to

609  
00:23:41,160 --> 00:23:38,770  
resist the federal government right on

610  
00:23:43,020 --> 00:23:41,170  
so you guys have touched on several

611  
00:23:46,470 --> 00:23:43,030  
things that I want to get into deeper

612  
00:23:48,780 --> 00:23:46,480  
but on the common law ID how exactly do

613  
00:23:50,010 --> 00:23:48,790

we go about making one for ourselves and

614

00:23:52,140 --> 00:23:50,020

you talked about some of its benefits

615

00:23:55,170 --> 00:23:52,150

but a lot of those benefits are also

616

00:23:57,300 --> 00:23:55,180

things that you can do with a typical

617

00:24:00,960 --> 00:23:57,310

driver's license or federal ID what's

618

00:24:03,480 --> 00:24:00,970

the benefit of going with this second

619

00:24:04,950 --> 00:24:03,490

system and and how exactly do we make

620

00:24:07,350 --> 00:24:04,960

that ID for ourselves if we're

621

00:24:09,630 --> 00:24:07,360

interested I think one of the biggest

622

00:24:11,730 --> 00:24:09,640

benefits is that it's it's training

623

00:24:14,790 --> 00:24:11,740

yourself to be self-determining it's

624

00:24:17,160 --> 00:24:14,800

it's it's it's retraining your synapse

625

00:24:20,070 --> 00:24:17,170

is in your brain it's it's it's it's

626  
00:24:23,100 --> 00:24:20,080  
like exercising exercising your article

627  
00:24:27,030 --> 00:24:23,110  
for state citizenship by using it I mean

628  
00:24:28,740 --> 00:24:27,040  
I get I'll go to Best Buy electronic

629  
00:24:29,820 --> 00:24:28,750  
store to get a cell phone for one of my

630  
00:24:31,320 --> 00:24:29,830  
employees and they want to see a

631  
00:24:32,790 --> 00:24:31,330  
driver's license and I say well here's

632  
00:24:34,800 --> 00:24:32,800  
my ID and well where's your driver's

633  
00:24:36,510 --> 00:24:34,810  
license well this is my ID and then it

634  
00:24:37,980 --> 00:24:36,520  
just starts a dialogue about what we're

635  
00:24:39,240 --> 00:24:37,990  
talking about and they finally go okay

636  
00:24:41,010 --> 00:24:39,250  
because well you don't they don't really

637  
00:24:42,450 --> 00:24:41,020  
need a driver's license they just they

638  
00:24:44,100 --> 00:24:42,460

needed something some identification

639

00:24:46,350 --> 00:24:44,110

right and you start a dialogue with

640

00:24:48,120 --> 00:24:46,360

people about these respective concepts

641

00:24:49,620 --> 00:24:48,130

and until we're talking about this stuff

642

00:24:51,510 --> 00:24:49,630

people don't even think about it that's

643

00:24:53,910 --> 00:24:51,520

one benefit of using it the other

644

00:24:56,640 --> 00:24:53,920

benefit I can think of is it is proof

645

00:24:58,650 --> 00:24:56,650

positive action actions you have taken

646

00:25:01,380 --> 00:24:58,660

behavior you have exhibited that you are

647

00:25:04,440 --> 00:25:01,390

average a ve are the verb of varying

648

00:25:05,070 --> 00:25:04,450

your state citizenship you keep your not

649

00:25:06,960 --> 00:25:05,080

identified

650

00:25:09,000 --> 00:25:06,970

yourself as government property you're

651  
00:25:10,620 --> 00:25:09,010  
identifying yourself with a given name

652  
00:25:12,750 --> 00:25:10,630  
and a family name you're not identifying

653  
00:25:14,610 --> 00:25:12,760  
yourself with a first name and a last

654  
00:25:16,500 --> 00:25:14,620  
name because those identifications are

655  
00:25:18,990 --> 00:25:16,510  
labels and attributes that the

656  
00:25:22,140 --> 00:25:19,000  
government owns via the birth record and

657  
00:25:24,210 --> 00:25:22,150  
so you have to walk the talk it's it's

658  
00:25:26,010 --> 00:25:24,220  
not easy you know you get it you get

659  
00:25:28,320 --> 00:25:26,020  
your genitals felt up at the airport

660  
00:25:30,000 --> 00:25:28,330  
when you hands it yeah you get a special

661  
00:25:33,840 --> 00:25:30,010  
pat-down because you didn't have govco

662  
00:25:36,990 --> 00:25:33,850  
ID but you know it you you are you're

663  
00:25:38,250 --> 00:25:37,000

standing upright is that trade-off worth

664

00:25:41,880 --> 00:25:38,260

it I guess that's the big question

665

00:25:44,340 --> 00:25:41,890

because it seems kind of like semantics

666

00:25:46,830 --> 00:25:44,350

to have the second idea especially if

667

00:25:49,650 --> 00:25:46,840

it's gonna bring in more increased

668

00:25:51,240 --> 00:25:49,660

scrutiny because you know I'm fighting

669

00:25:53,610 --> 00:25:51,250

against the clock here we have limited

670

00:25:55,650 --> 00:25:53,620

time on this earth and I want my

671

00:25:58,290 --> 00:25:55,660

interactions with this system to be as

672

00:26:00,960 --> 00:25:58,300

minimal as possible and maybe that

673

00:26:02,400 --> 00:26:00,970

sounds like nails on a chalkboard do you

674

00:26:05,100 --> 00:26:02,410

guys who are actually trying to do much

675

00:26:07,890 --> 00:26:05,110

more but oh I like minimal involvement

676

00:26:10,290 --> 00:26:07,900

well yeah right of course

677

00:26:12,300 --> 00:26:10,300

I just mean I can understand how it

678

00:26:14,430 --> 00:26:12,310

might be frustrating for people doing

679

00:26:17,430 --> 00:26:14,440

the hard work you're doing to hear

680

00:26:18,990 --> 00:26:17,440

someone like me say that I don't know if

681

00:26:21,360 --> 00:26:19,000

I feel that it's worth it but I have to

682

00:26:23,880 --> 00:26:21,370

ask you I mean is that trade-off really

683

00:26:25,440 --> 00:26:23,890

worth it you know Greg I think from

684

00:26:28,200 --> 00:26:25,450

looking at it from a different point of

685

00:26:30,690 --> 00:26:28,210

view big picture it is worth it when you

686

00:26:33,000 --> 00:26:30,700

a ver article for citizenship versus

687

00:26:35,610 --> 00:26:33,010

being a citizen or a resident of one of

688

00:26:37,440 --> 00:26:35,620

the administrative states there's a huge

689

00:26:39,270 --> 00:26:37,450  
difference in responsibility for the

690

00:26:41,040 --> 00:26:39,280  
federal government those administrative

691

00:26:42,600 --> 00:26:41,050  
states have no guarantee to exist

692

00:26:44,670 --> 00:26:42,610  
there's nothing that absolutely

693

00:26:46,590 --> 00:26:44,680  
guarantees that they can exist they're

694

00:26:49,440 --> 00:26:46,600  
there if they're profitable for the

695

00:26:52,080 --> 00:26:49,450  
overlords however the article for state

696

00:26:54,360 --> 00:26:52,090  
is guaranteed a Republican form of

697

00:26:56,610 --> 00:26:54,370  
government in fact in a court case Texas

698

00:26:58,530 --> 00:26:56,620  
v white part of what the court

699

00:27:00,720 --> 00:26:58,540  
attributed the authority of the Civil

700

00:27:02,940 --> 00:27:00,730  
War to be prosecuted by the north was

701  
00:27:05,040 --> 00:27:02,950  
based on the southern states having

702  
00:27:07,200 --> 00:27:05,050  
become rebellious and that they had an

703  
00:27:09,720 --> 00:27:07,210  
obligation to guarantee a Republican

704  
00:27:12,960 --> 00:27:09,730  
form of government to those states so

705  
00:27:16,080 --> 00:27:12,970  
now what would happen think about it if

706  
00:27:18,050 --> 00:27:16,090  
we had a system where these states were

707  
00:27:19,400 --> 00:27:18,060  
the dominant authority rather than

708  
00:27:23,120 --> 00:27:19,410  
Washington DC to be the dominant

709  
00:27:25,310 --> 00:27:23,130  
authority the benefit is just amazing

710  
00:27:27,680 --> 00:27:25,320  
for example in California if you own a

711  
00:27:32,270 --> 00:27:27,690  
corporation and that corporation does

712  
00:27:34,460 --> 00:27:32,280  
something illegal the the the principles

713  
00:27:36,770 --> 00:27:34,470

of that corporation are responsible for

714

00:27:39,350 --> 00:27:36,780

the behavior of the company as if they

715

00:27:41,600 --> 00:27:39,360

were doing this themselves unlike the

716

00:27:43,700 --> 00:27:41,610

current corporations we have now where

717

00:27:45,560 --> 00:27:43,710

there's nobody responsible for the

718

00:27:48,830 --> 00:27:45,570

behavior of these corporations that's

719

00:27:52,070 --> 00:27:48,840

one huge benefit as a people that we can

720

00:27:55,460 --> 00:27:52,080

we can absolutely demand without any

721

00:27:57,080 --> 00:27:55,470

question that the state be run properly

722

00:28:00,050 --> 00:27:57,090

and that the people be guaranteed

723

00:28:02,330 --> 00:28:00,060

article for citizenship if there's if

724

00:28:03,830 --> 00:28:02,340

there's fewer and fewer customers that

725

00:28:04,970 --> 00:28:03,840

are in the administrative form of

726

00:28:08,180 --> 00:28:04,980

government under the fourteenth

727

00:28:10,130 --> 00:28:08,190

amendment then it will starve these this

728

00:28:12,920 --> 00:28:10,140

Leviathan that we're all resisting

729

00:28:14,750 --> 00:28:12,930

against so I think cumulatively Grieg be

730

00:28:16,610 --> 00:28:14,760

if you were to take the easy road

731

00:28:18,680 --> 00:28:16,620

because you're absolutely right I I

732

00:28:21,140 --> 00:28:18,690

don't think there's anything that I can

733

00:28:22,610 --> 00:28:21,150

say that makes it easier to travel

734

00:28:24,260 --> 00:28:22,620

around without a driver's license

735

00:28:26,060 --> 00:28:24,270

without plates on the car and having a

736

00:28:28,610 --> 00:28:26,070

common law ID there's there's not really

737

00:28:31,520 --> 00:28:28,620

anything that I can say right now is a

738

00:28:33,290 --> 00:28:31,530

huge benefit so for the people that are

739

00:28:34,810 --> 00:28:33,300

deeply concerned about what kind of

740

00:28:36,950 --> 00:28:34,820

world we're gonna leave to our grandkids

741

00:28:39,830 --> 00:28:36,960

trying to right the mistakes of our

742

00:28:42,350 --> 00:28:39,840

great-grandparents and and the financial

743

00:28:44,660 --> 00:28:42,360

system the unsecured money supply the

744

00:28:47,270 --> 00:28:44,670

allow the elastic money supply that is

745

00:28:50,150 --> 00:28:47,280

allowed to operate because the states

746

00:28:52,370 --> 00:28:50,160

are not there to give competition to it

747

00:28:55,340 --> 00:28:52,380

and the States for example California or

748

00:28:58,070 --> 00:28:55,350

or any of the several states they're not

749

00:29:00,680 --> 00:28:58,080

allowed to use fiat currency they must

750

00:29:03,320 --> 00:29:00,690

pay their bills in gold and silver and

751  
00:29:05,930 --> 00:29:03,330  
if we have gold and silver that is being

752  
00:29:08,360 --> 00:29:05,940  
circulated by employees who work for

753  
00:29:11,360 --> 00:29:08,370  
these several states then that would put

754  
00:29:13,490 --> 00:29:11,370  
a fantastic restraint on the

755  
00:29:15,380 --> 00:29:13,500  
government's ability to or the Federal

756  
00:29:18,050 --> 00:29:15,390  
Reserve's ability to just print

757  
00:29:21,170 --> 00:29:18,060  
unlimited numbers of Federal Reserve

758  
00:29:23,390 --> 00:29:21,180  
notes because there would be a competing

759  
00:29:25,790 --> 00:29:23,400  
currency that would be circulating so

760  
00:29:27,320 --> 00:29:25,800  
for the people who are you know what the

761  
00:29:29,030 --> 00:29:27,330  
tip of the spear I know Todd going

762  
00:29:31,070 --> 00:29:29,040  
through the airport it's not fun getting

763  
00:29:31,769 --> 00:29:31,080

your nuts grabbed because you're using a

764

00:29:34,169 --> 00:29:31,779

common law

765

00:29:36,029 --> 00:29:34,179

d and I can tell you it is not fun

766

00:29:39,180 --> 00:29:36,039

getting pulled over and having your car

767

00:29:41,430 --> 00:29:39,190

towed but it does give me the standing

768

00:29:44,609 --> 00:29:41,440

to be able to hit back as hard as I

769

00:29:47,190 --> 00:29:44,619

possibly can using the authority of an

770

00:29:49,889 --> 00:29:47,200

article for citizen domiciled in one of

771

00:29:52,349 --> 00:29:49,899

the states as defined in article 4 so

772

00:29:54,749 --> 00:29:52,359

it's more of a big-picture benefit long

773

00:29:56,310 --> 00:29:54,759

term benefit for people who are you know

774

00:29:59,339 --> 00:29:56,320

interested in preserving freedom

775

00:30:01,169 --> 00:29:59,349

preserving a form of government that is

776

00:30:04,289 --> 00:30:01,179

much more stable than we currently have

777

00:30:06,690 --> 00:30:04,299

the 18:49 government is very difficult

778

00:30:09,509 --> 00:30:06,700

to change it's very difficult for

779

00:30:10,709 --> 00:30:09,519

politicians to make wild changes to it

780

00:30:13,799 --> 00:30:10,719

like we currently have in our

781

00:30:16,769 --> 00:30:13,809

Constitution where you know anybody a

782

00:30:18,749 --> 00:30:16,779

union who can afford to get 500,000

783

00:30:20,759 --> 00:30:18,759

signatures can put something on the

784

00:30:22,799 --> 00:30:20,769

ballot add a few million bucks to it and

785

00:30:25,669 --> 00:30:22,809

have a constitutional change right away

786

00:30:27,810 --> 00:30:25,679

where there isn't the time to be able to

787

00:30:29,820 --> 00:30:27,820

for people to understand what that

788

00:30:32,399 --> 00:30:29,830

change is going to be it's all just lies

789

00:30:34,859 --> 00:30:32,409

that they tell whereas in the old form

790

00:30:37,560 --> 00:30:34,869

of government that Republic is

791

00:30:39,749 --> 00:30:37,570

incredibly stable for the politicians to

792

00:30:42,659 --> 00:30:39,759

make a change it requires a time period

793

00:30:46,109 --> 00:30:42,669

that involves them getting reelected

794

00:30:47,759 --> 00:30:46,119

before that change occurs and there's a

795

00:30:50,609 --> 00:30:47,769

reason why there was hardly any changes

796

00:30:52,979 --> 00:30:50,619

to it and it's a it's a government that

797

00:30:54,719 --> 00:30:52,989

works much better for the people rather

798

00:30:56,909 --> 00:30:54,729

than the current system that we have

799

00:30:59,310 --> 00:30:56,919

where everybody works for the federal

800

00:31:01,950 --> 00:30:59,320

government that makes sense that really

801  
00:31:04,680 --> 00:31:01,960  
does and solid answer to because there

802  
00:31:07,139 --> 00:31:04,690  
is really not going to be a victory over

803  
00:31:09,419 --> 00:31:07,149  
the system without some sacrifice

804  
00:31:11,759 --> 00:31:09,429  
without some inconvenience and to be on

805  
00:31:13,729 --> 00:31:11,769  
the front lines of that fight is a noble

806  
00:31:16,019 --> 00:31:13,739  
thing especially when so many people are

807  
00:31:18,539 --> 00:31:16,029  
distracted don't even realize it's

808  
00:31:20,099 --> 00:31:18,549  
happening it can be probably pretty

809  
00:31:22,759 --> 00:31:20,109  
frustrating to feel those things on a

810  
00:31:25,109 --> 00:31:22,769  
personal level when the greater

811  
00:31:26,999 --> 00:31:25,119  
population is just completely ignorant

812  
00:31:30,060 --> 00:31:27,009  
but Todd I wanted to ask you a little

813  
00:31:32,310 --> 00:31:30,070

bit more about flying because flying is

814

00:31:35,579 --> 00:31:32,320

one of the most document heavy and

815

00:31:37,320 --> 00:31:35,589

regulated activities that a person in

816

00:31:39,659 --> 00:31:37,330

America can go through especially in a

817

00:31:41,489 --> 00:31:39,669

post-911 world to say that you actually

818

00:31:43,049 --> 00:31:41,499

got onto a plane with one of these

819

00:31:44,940 --> 00:31:43,059

common-law IDs I mean this does

820

00:31:46,799 --> 00:31:44,950

something to kind of show

821

00:31:48,389 --> 00:31:46,809

that there's validity to this type of

822

00:31:51,330 --> 00:31:48,399

identification how did that play out

823

00:31:53,310 --> 00:31:51,340

where you actually flew without a

824

00:31:55,980 --> 00:31:53,320

federal ID that probably shocks some

825

00:31:58,049 --> 00:31:55,990

people well I have to give credit where

826

00:32:00,450 --> 00:31:58,059

credit's to fill most SEC is the first

827

00:32:02,100 --> 00:32:00,460

one to to investigate this and walk the

828

00:32:04,259 --> 00:32:02,110

talk he didn't use a common law idea he

829

00:32:06,450 --> 00:32:04,269

just didn't have any ID and I believe

830

00:32:09,659 --> 00:32:06,460

he's from New Mexico but was flying in

831

00:32:12,299 --> 00:32:09,669

Seattle and he was and if you just look

832

00:32:14,700 --> 00:32:12,309

up MOC ek fill most sectors hold videos

833

00:32:16,830 --> 00:32:14,710

about him out there and he took it to a

834

00:32:19,350 --> 00:32:16,840

court hearing and it was proven in court

835

00:32:21,000 --> 00:32:19,360

that there is no requirement to have a

836

00:32:24,450 --> 00:32:21,010

government-issued ID at the checkpoint

837

00:32:26,310 --> 00:32:24,460

so I offered my common ID just as a

838

00:32:27,299 --> 00:32:26,320

courtesy to start the dialogue of who I

839

00:32:29,039 --> 00:32:27,309

say I am

840

00:32:31,259 --> 00:32:29,049

I could have stepped up and said I don't

841

00:32:31,830 --> 00:32:31,269

need an ID and just you know let's you

842

00:32:33,870 --> 00:32:31,840

deal with me

843

00:32:36,240 --> 00:32:33,880

what do you technically what they have

844

00:32:38,549 --> 00:32:36,250

to do is the TSA just has to determine

845

00:32:40,529 --> 00:32:38,559

that you are not on the list the

846

00:32:43,919 --> 00:32:40,539

so-called terrorist list that's their

847

00:32:45,840 --> 00:32:43,929

technical empirical mandate for the

848

00:32:48,480 --> 00:32:45,850

checkpoint to pass through which is

849

00:32:50,220 --> 00:32:48,490

folly on its surface because when you

850

00:32:52,529 --> 00:32:50,230

when when when the plane ticket is put

851  
00:32:54,570 --> 00:32:52,539  
in the name of the passenger the system

852  
00:32:56,340 --> 00:32:54,580  
can check that right away and already

853  
00:32:57,750 --> 00:32:56,350  
know that here comes somebody who's you

854  
00:33:00,360 --> 00:32:57,760  
know it's on our list let's set them

855  
00:33:03,299 --> 00:33:00,370  
aside and grill them right not on the

856  
00:33:06,210 --> 00:33:03,309  
list why am I being talked to and this

857  
00:33:08,310 --> 00:33:06,220  
is the the travesty of the checkpoint at

858  
00:33:10,830 --> 00:33:08,320  
TSA is that if everybody showed up and

859  
00:33:12,840 --> 00:33:10,840  
said screw you we're not showing an ID

860  
00:33:14,430 --> 00:33:12,850  
it would shut down the airlines the

861  
00:33:16,649 --> 00:33:14,440  
airlines would be livid the airports

862  
00:33:18,810 --> 00:33:16,659  
wouldn't have any any revenue they would

863  
00:33:20,460 --> 00:33:18,820

go away so it isn't really about a

864

00:33:21,960 --> 00:33:20,470

common ID that got me through it was

865

00:33:25,379 --> 00:33:21,970

just that I'd refused to use a

866

00:33:27,659 --> 00:33:25,389

government-issued ID and when I handed

867

00:33:29,460 --> 00:33:27,669

it to him they on my way out word I was

868

00:33:31,289 --> 00:33:29,470

going to visit Corey actually I was

869

00:33:32,940 --> 00:33:31,299

flying out of a small airport out of

870

00:33:34,259 --> 00:33:32,950

Illinois I mean they the audio is on are

871

00:33:35,370 --> 00:33:34,269

they just were like oh we're you don't

872

00:33:38,460 --> 00:33:35,380

have a government I said this is my

873

00:33:39,720 --> 00:33:38,470

identification and all fairness he said

874

00:33:41,490 --> 00:33:39,730

well do you have anything else I said

875

00:33:44,220 --> 00:33:41,500

you know I've got a business car and

876

00:33:46,470 --> 00:33:44,230

I've got a Costco card and Oh a Costco

877

00:33:48,379 --> 00:33:46,480

card okay all right I can so you know

878

00:33:50,909 --> 00:33:48,389

that that checked a box for him

879

00:33:53,340 --> 00:33:50,919

corporate America yeah you still have to

880

00:33:55,799 --> 00:33:53,350

get it and technically that's probably

881

00:33:57,869 --> 00:33:55,809

working for him because to get a Costco

882

00:33:58,840 --> 00:33:57,879

card you typically have to show a

883

00:34:00,460 --> 00:33:58,850

driver's license

884

00:34:02,890 --> 00:34:00,470

it always goes back to that that that

885

00:34:05,620 --> 00:34:02,900

original application for who you say you

886

00:34:07,570 --> 00:34:05,630

are mmm and that's the thread they

887

00:34:09,310 --> 00:34:07,580

probably followed if you will to check a

888

00:34:11,230 --> 00:34:09,320

box but nonetheless I was still given an

889

00:34:12,880 --> 00:34:11,240

enhanced pat-down and it's set aside but

890

00:34:15,070 --> 00:34:12,890

there was no big bells and whistles

891

00:34:18,310 --> 00:34:15,080

there was no freakout session I was

892

00:34:20,100 --> 00:34:18,320

probably you know took me you know seven

893

00:34:22,420 --> 00:34:20,110

minutes to get through instead of two

894

00:34:24,760 --> 00:34:22,430

mm-hmm you know so it wasn't like it was

895

00:34:26,860 --> 00:34:24,770

a big crisis and I just think people

896

00:34:28,810 --> 00:34:26,870

should avail themselves a bit more often

897

00:34:32,380 --> 00:34:28,820

imagine if all the Bernie Sanders

898

00:34:34,690 --> 00:34:32,390

followers decided to you know that fly

899

00:34:37,780 --> 00:34:34,700

decided to not use a government-issued

900

00:34:39,940 --> 00:34:37,790

ID and it which is they I've talked to

901  
00:34:42,280 --> 00:34:39,950  
TSA people I've been in meetings with

902  
00:34:44,650 --> 00:34:42,290  
the airport that where I live here is is

903  
00:34:46,420 --> 00:34:44,660  
the head of all training for all TSA in

904  
00:34:47,860 --> 00:34:46,430  
Illinois except for Cook County except

905  
00:34:50,590 --> 00:34:47,870  
for the Chicago area they train every

906  
00:34:52,660 --> 00:34:50,600  
other TSA agent for Illinois and so they

907  
00:34:54,430 --> 00:34:52,670  
have some you know high ups here and I'm

908  
00:34:56,110 --> 00:34:54,440  
in morning meetings because I actually

909  
00:34:57,610 --> 00:34:56,120  
sell the advertising at this Airport

910  
00:34:59,320 --> 00:34:57,620  
here and I go to these monthly meetings

911  
00:35:02,110 --> 00:34:59,330  
in this guy sitting there and he says

912  
00:35:05,080 --> 00:35:02,120  
out loud there was a concern with the

913  
00:35:06,940 --> 00:35:05,090

business community that our Illinois

914

00:35:08,530 --> 00:35:06,950

driver's license gonna be accepted at

915

00:35:10,540 --> 00:35:08,540

the checkpoint because of the national

916

00:35:12,520 --> 00:35:10,550

ID Act kind of on the rise that still

917

00:35:14,320 --> 00:35:12,530

kind of be a push behind the scenes and

918

00:35:16,540 --> 00:35:14,330

there's scuttlebutt about it and he said

919

00:35:17,890 --> 00:35:16,550

oh if you don't have your ID you know

920

00:35:19,870 --> 00:35:17,900

you just need to talk to us and we'll

921

00:35:21,430 --> 00:35:19,880

work it out kind of thing and I raised

922

00:35:23,950 --> 00:35:21,440

my hand and I said correct me if I'm

923

00:35:24,970 --> 00:35:23,960

wrong Jeff but technically there is no

924

00:35:26,440 --> 00:35:24,980

requirement to have any

925

00:35:28,360 --> 00:35:26,450

government-issued ID to get through the

926

00:35:30,670 --> 00:35:28,370

checkpoint correct and he looked at me

927

00:35:32,140 --> 00:35:30,680

it goes yep and then he moved on hahaha

928

00:35:33,640 --> 00:35:32,150

it was like nothing to see here like

929

00:35:35,410 --> 00:35:33,650

nobody was you know I didn't want to

930

00:35:36,970 --> 00:35:35,420

make a huge scene about it but I wanted

931

00:35:38,350 --> 00:35:36,980

to check the box in front of others and

932

00:35:40,810 --> 00:35:38,360

he knew exactly what I was talking about

933

00:35:43,410 --> 00:35:40,820

and there it is there there is no

934

00:35:46,150 --> 00:35:43,420

requirement right it's heavily heavily

935

00:35:48,370 --> 00:35:46,160

recommended but there's no legal

936

00:35:51,160 --> 00:35:48,380

requirement all they can do is kind of

937

00:35:55,300 --> 00:35:51,170

use all those that forceful language

938

00:35:58,180 --> 00:35:55,310

yeah its total total theater for mind

939

00:36:00,460 --> 00:35:58,190

control of a populace right and to your

940

00:36:02,710 --> 00:36:00,470

earlier point about it being a magic

941

00:36:04,690 --> 00:36:02,720

trick maybe we should spend a little

942

00:36:08,080 --> 00:36:04,700

time on the fact that the government

943

00:36:11,230 --> 00:36:08,090

purposefully uses homonyms or homophones

944

00:36:12,460 --> 00:36:11,240

to be extra deceptive these are those

945

00:36:14,859 --> 00:36:12,470

words that have the same

946

00:36:17,230 --> 00:36:14,869

spelling and they're phonetically the

947

00:36:18,700 --> 00:36:17,240

same but have dual meanings when it's

948

00:36:22,599 --> 00:36:18,710

convenient this is one of their big

949

00:36:24,339 --> 00:36:22,609

tricks right absolutely so when they

950

00:36:26,320 --> 00:36:24,349

refer to the state of California or they

951  
00:36:28,420 --> 00:36:26,330  
use the term United States you know all

952  
00:36:30,190 --> 00:36:28,430  
of those are words that you have to

953  
00:36:33,700 --> 00:36:30,200  
really drill down what are they talking

954  
00:36:36,280 --> 00:36:33,710  
about so there's two different state of

955  
00:36:38,470 --> 00:36:36,290  
California there's the one that we think

956  
00:36:40,960 --> 00:36:38,480  
of classically where you know you're in

957  
00:36:42,960 --> 00:36:40,970  
San Diego and I'm up here in Los Angeles

958  
00:36:45,070 --> 00:36:42,970  
were both within the borders of

959  
00:36:46,570 --> 00:36:45,080  
California we would agree with that

960  
00:36:48,970 --> 00:36:46,580  
but now we've got to figure out which

961  
00:36:53,170 --> 00:36:48,980  
California we're in the only one that

962  
00:36:56,440 --> 00:36:53,180  
has borders is the 18-49 California so

963  
00:36:58,570 --> 00:36:56,450

geographically speaking we are in you

964

00:37:00,700 --> 00:36:58,580

know are located standing on dirt that

965

00:37:02,859 --> 00:37:00,710

is within the territorial limits of

966

00:37:06,010 --> 00:37:02,869

California one of the several states

967

00:37:08,560 --> 00:37:06,020

now the other California operates very

968

00:37:11,349 --> 00:37:08,570

differently it doesn't have borders and

969

00:37:13,120 --> 00:37:11,359

it's physically located in the United

970

00:37:15,430 --> 00:37:13,130

States and if you look at California

971

00:37:17,740 --> 00:37:15,440

Commercial Code ninety-three o7h it's

972

00:37:20,290 --> 00:37:17,750

very clear the United States is located

973

00:37:23,380 --> 00:37:20,300

in the District of Columbia and so that

974

00:37:26,730 --> 00:37:23,390

state of California that is the one that

975

00:37:30,000 --> 00:37:26,740

they refer to is physically located at

976  
00:37:32,380 --> 00:37:30,010  
4:44 North Capitol Way Northwest

977  
00:37:36,720 --> 00:37:32,390  
District of Columbia that that's where

978  
00:37:38,859 --> 00:37:36,730  
it's located so if you're in the the

979  
00:37:41,560 --> 00:37:38,869  
California that's in the United States

980  
00:37:43,960 --> 00:37:41,570  
it's kind of like saying you're in a

981  
00:37:45,250 --> 00:37:43,970  
religion so there's one California

982  
00:37:46,870 --> 00:37:45,260  
that's the dirt that you stand on

983  
00:37:49,240 --> 00:37:46,880  
there's another one that through your

984  
00:37:51,339 --> 00:37:49,250  
actions you can be a part of just like

985  
00:37:52,900 --> 00:37:51,349  
you could be a part of any church and if

986  
00:37:55,690 --> 00:37:52,910  
you and I were standing outside in a

987  
00:37:59,079 --> 00:37:55,700  
park you know if I were to ask you are

988  
00:38:01,420 --> 00:37:59,089

you part of a church organization or are

989

00:38:03,220 --> 00:38:01,430

you in the church you would know in that

990

00:38:04,810 --> 00:38:03,230

context I'm not asking you right then

991

00:38:06,730 --> 00:38:04,820

physically are you standing in a church

992

00:38:09,670 --> 00:38:06,740

because obviously we're outside in a

993

00:38:11,230 --> 00:38:09,680

park right that so that it's the same

994

00:38:13,390 --> 00:38:11,240

thing by saying you're in the state of

995

00:38:15,730 --> 00:38:13,400

California they use that all the time

996

00:38:17,050 --> 00:38:15,740

and what they do with the words is

997

00:38:20,200 --> 00:38:17,060

they'll switch them around for example

998

00:38:21,400 --> 00:38:20,210

if you go look at the the limit sign I

999

00:38:23,079 --> 00:38:21,410

don't know if you drive up to San

1000

00:38:25,630 --> 00:38:23,089

Clemente at all but there's a Orange

1001  
00:38:27,820 --> 00:38:25,640  
County line and then the

1002  
00:38:29,320 --> 00:38:27,830  
the city of San Clemente city limit sign

1003  
00:38:31,240 --> 00:38:29,330  
that is right there on the border

1004  
00:38:33,760 --> 00:38:31,250  
between San Clemente and where San

1005  
00:38:36,460 --> 00:38:33,770  
Onofre is and that's a great sign

1006  
00:38:38,860 --> 00:38:36,470  
because it's very clear it says orange

1007  
00:38:41,800 --> 00:38:38,870  
in big words it just says orange and

1008  
00:38:44,170 --> 00:38:41,810  
then below it county limit and then

1009  
00:38:47,500 --> 00:38:44,180  
below that is a sign that says San

1010  
00:38:49,570 --> 00:38:47,510  
Clemente city limit you know if you're

1011  
00:38:51,370 --> 00:38:49,580  
in either one of those jurisdictions if

1012  
00:38:53,860 --> 00:38:51,380  
somebody's giving you a problem if you

1013  
00:38:56,290 --> 00:38:53,870

get a ticket from you know parking

1014

00:39:00,130 --> 00:38:56,300

ticket in San Clemente which I've gotten

1015

00:39:03,040 --> 00:39:00,140

quite a few then the parking ticket

1016

00:39:06,700 --> 00:39:03,050

comes from a organization called city of

1017

00:39:10,360 --> 00:39:06,710

San Clemente and that is a corporation

1018

00:39:12,760 --> 00:39:10,370

that has a very special political power

1019

00:39:15,430 --> 00:39:12,770

to it under the Fourteenth Amendment and

1020

00:39:18,370 --> 00:39:15,440

so that that's where they get you just I

1021

00:39:21,160 --> 00:39:18,380

try and use the illustration of like

1022

00:39:24,250 --> 00:39:21,170

computer code if if there's a line in

1023

00:39:27,370 --> 00:39:24,260

computer code that requires the wording

1024

00:39:29,980 --> 00:39:27,380

to be Orange County limit and you were

1025

00:39:31,930 --> 00:39:29,990

to put in County of Orange then that

1026

00:39:35,740 --> 00:39:31,940

particular line of computer code won't

1027

00:39:37,690 --> 00:39:35,750

work and so that that's how identify or

1028

00:39:40,390 --> 00:39:37,700

to begin with that's just one of the

1029

00:39:41,890 --> 00:39:40,400

many attributes I use to identify what

1030

00:39:45,730 --> 00:39:41,900

is the organization that I'm dealing

1031

00:39:48,370 --> 00:39:45,740

with and that that's something that's

1032

00:39:50,560 --> 00:39:48,380

really important so right on yeah and

1033

00:39:52,540 --> 00:39:50,570

another thing I wanted to go into a

1034

00:39:55,690 --> 00:39:52,550

little more in depth was the birth

1035

00:39:57,760 --> 00:39:55,700

record because I hear that these birth

1036

00:40:00,250 --> 00:39:57,770

certificates are traded on the stock

1037

00:40:02,350 --> 00:40:00,260

market as if we are livestock

1038

00:40:03,820 --> 00:40:02,360

quote-unquote and I'm not sure how much

1039

00:40:06,250 --> 00:40:03,830

truth there is to that but do we really

1040

00:40:08,110 --> 00:40:06,260

know the extent in which they use these

1041

00:40:10,600 --> 00:40:08,120

birth certificates is that the same kind

1042

00:40:11,920 --> 00:40:10,610

of impression you guys get to in

1043

00:40:13,390 --> 00:40:11,930

California I don't know Todd have you

1044

00:40:15,730 --> 00:40:13,400

checked it out out there but I know in

1045

00:40:18,430 --> 00:40:15,740

California I verified that the actual

1046

00:40:19,600 --> 00:40:18,440

original birth record is on file at the

1047

00:40:21,130 --> 00:40:19,610

Department of Public Health in

1048

00:40:23,500 --> 00:40:21,140

Sacramento it's in Department of Public

1049

00:40:26,050 --> 00:40:23,510

Health vital records in Sacramento it's

1050

00:40:28,660 --> 00:40:26,060

a document that the state owns I've

1051  
00:40:32,200 --> 00:40:28,670  
never been able to verify any of the you

1052  
00:40:34,390 --> 00:40:32,210  
know what I call PJ and or P&J theory of

1053  
00:40:37,150 --> 00:40:34,400  
being physically traded on the stock

1054  
00:40:38,470 --> 00:40:37,160  
market and all of that that just kind of

1055  
00:40:40,450 --> 00:40:38,480  
to me is a rabbit hole

1056  
00:40:42,670 --> 00:40:40,460  
I've tried to research and find some

1057  
00:40:44,349 --> 00:40:42,680  
evidence of that being true and have not

1058  
00:40:46,810 --> 00:40:44,359  
been able to find that nor do I think

1059  
00:40:48,430 --> 00:40:46,820  
they really need it because if you're

1060  
00:40:50,980 --> 00:40:48,440  
identifying yourself using a

1061  
00:40:52,810 --> 00:40:50,990  
state-issued birth record then they've

1062  
00:40:54,790 --> 00:40:52,820  
got you they don't need to trade the

1063  
00:40:58,390 --> 00:40:54,800

birth record on the stock market they

1064

00:40:59,859 --> 00:40:58,400

control you 100% and they control how

1065

00:41:02,470 --> 00:40:59,869

much income you get to keep when you

1066

00:41:04,180 --> 00:41:02,480

work what licenses you have to have you

1067

00:41:06,550 --> 00:41:04,190

know they control everything once you

1068

00:41:08,890 --> 00:41:06,560

have subscribed yourself through a

1069

00:41:11,290 --> 00:41:08,900

political pledge of being the person on

1070

00:41:13,089 --> 00:41:11,300

that birth record and then operating

1071

00:41:15,280 --> 00:41:13,099

within federal authority under the

1072

00:41:18,280 --> 00:41:15,290

Fourteenth Amendment PN J stands for

1073

00:41:20,500 --> 00:41:18,290

Patriot nutjob by the way ha ha ha right

1074

00:41:23,020 --> 00:41:20,510

on get it clarify it coordinate both

1075

00:41:24,520 --> 00:41:23,030

dealt with plenty of P and J's along the

1076

00:41:27,460 --> 00:41:24,530

way many of them are well-intentioned

1077

00:41:28,839 --> 00:41:27,470

and that that concept of the the birth

1078

00:41:30,849 --> 00:41:28,849

record or birth certificate being a

1079

00:41:32,950 --> 00:41:30,859

trade on the stock what I think happens

1080

00:41:35,109 --> 00:41:32,960

is that it's a very very they call it

1081

00:41:37,240 --> 00:41:35,119

vital statistics for a reason in each

1082

00:41:39,040 --> 00:41:37,250

state and we're back to the homograph

1083

00:41:41,440 --> 00:41:39,050

the state I'm talking about is the

1084

00:41:43,000 --> 00:41:41,450

administrative division of the federal

1085

00:41:44,950 --> 00:41:43,010

government that also is known as the

1086

00:41:47,530 --> 00:41:44,960

state of Iowa or state of California

1087

00:41:49,540 --> 00:41:47,540

that's the state we're talking about you

1088

00:41:52,630 --> 00:41:49,550

know if you go to this little sidebar if

1089

00:41:54,400 --> 00:41:52,640

you go to the CIA World Factbook we've

1090

00:41:56,020 --> 00:41:54,410

talked about this many times on our show

1091

00:41:57,849 --> 00:41:56,030

if you just search for CIA World

1092

00:41:59,920 --> 00:41:57,859

Factbook you'll get a link to it it

1093

00:42:01,540 --> 00:41:59,930

talks about the each country throughout

1094

00:42:04,480 --> 00:42:01,550

the world and what kind of government

1095

00:42:06,790 --> 00:42:04,490

they have and they name the states as

1096

00:42:09,460 --> 00:42:06,800

administrative divisions right there at

1097

00:42:11,170 --> 00:42:09,470

the CIA fact so back to the to the to

1098

00:42:13,270 --> 00:42:11,180

the birth certificate I think what

1099

00:42:15,970 --> 00:42:13,280

happens is these vital vital records and

1100

00:42:18,819 --> 00:42:15,980

vital statistics agencies are being

1101  
00:42:21,339 --> 00:42:18,829  
tapped for actuary information you know

1102  
00:42:23,980 --> 00:42:21,349  
forecasting a populace forecasting of

1103  
00:42:25,839 --> 00:42:23,990  
resources things like that so in a in an

1104  
00:42:29,230 --> 00:42:25,849  
empirical manner there might be some you

1105  
00:42:30,700 --> 00:42:29,240  
know utility to those but only you know

1106  
00:42:33,550 --> 00:42:30,710  
if you're the federal government and you

1107  
00:42:34,750 --> 00:42:33,560  
are in the thing that people have a hard

1108  
00:42:36,760 --> 00:42:34,760  
time understanding is the federal

1109  
00:42:38,530 --> 00:42:36,770  
government was never designed to have

1110  
00:42:39,849 --> 00:42:38,540  
citizens of its own it wasn't until the

1111  
00:42:41,170 --> 00:42:39,859  
14th amendment they had citizens of

1112  
00:42:43,599 --> 00:42:41,180  
their own the federal government was

1113  
00:42:46,000 --> 00:42:43,609

never designed to have a direct impact

1114

00:42:48,040 --> 00:42:46,010

to individuals it was supposed to have

1115

00:42:50,050 --> 00:42:48,050

an impact on the states and the state

1116

00:42:51,790 --> 00:42:50,060

governments so that the state and state

1117

00:42:52,390 --> 00:42:51,800

governments played nice with the state

1118

00:42:54,099 --> 00:42:52,400

and state

1119

00:42:55,839 --> 00:42:54,109

didn't violate the people's rights

1120

00:42:58,720 --> 00:42:55,849

gotcha just like a middleman like an

1121

00:43:01,210 --> 00:42:58,730

intermediary between sovereign states it

1122

00:43:04,230 --> 00:43:01,220

was a compact compact the states decided

1123

00:43:06,849 --> 00:43:04,240

to have a compact and have the the

1124

00:43:09,370 --> 00:43:06,859

enforcer so we all play nice together

1125

00:43:12,279 --> 00:43:09,380

and maintain this civility and maintain

1126  
00:43:14,589 --> 00:43:12,289  
an open society and it's been morphed

1127  
00:43:16,029 --> 00:43:14,599  
into this top-down I mean I heard you

1128  
00:43:17,769 --> 00:43:16,039  
know on some radio show the other day

1129  
00:43:19,329 --> 00:43:17,779  
you know President Obama is deciding a

1130  
00:43:21,999 --> 00:43:19,339  
new executive order regarding overtime

1131  
00:43:24,089 --> 00:43:22,009  
and just the general concept that there

1132  
00:43:26,739 --> 00:43:24,099  
would be some top-down all you know

1133  
00:43:29,259 --> 00:43:26,749  
overtime shall be like this for

1134  
00:43:32,259 --> 00:43:29,269  
everybody really how did how did that

1135  
00:43:35,289 --> 00:43:32,269  
happen where are we totally in this we

1136  
00:43:37,690 --> 00:43:35,299  
have a king now I mean it's just it's

1137  
00:43:39,640 --> 00:43:37,700  
incredible to me and then the thing that

1138  
00:43:41,799 --> 00:43:39,650

corey coined that i we hammer a lot on

1139

00:43:44,890 --> 00:43:41,809

our show about is is that the as a

1140

00:43:46,299 --> 00:43:44,900

federal citizen you are guaranteed core

1141

00:43:47,440 --> 00:43:46,309

use that term really the 14-minute

1142

00:43:49,390 --> 00:43:47,450

guarantees certain things that

1143

00:43:50,829 --> 00:43:49,400

guarantees some protections but the

1144

00:43:53,109 --> 00:43:50,839

protections the 14th amendment

1145

00:43:55,930 --> 00:43:53,119

guarantees is that the state the other

1146

00:43:58,569 --> 00:43:55,940

state in that homograph the the actual

1147

00:44:02,049 --> 00:43:58,579

one of the several states the original

1148

00:44:03,400 --> 00:44:02,059

state that that state shall not violate

1149

00:44:06,249 --> 00:44:03,410

your rights and this worked for the

1150

00:44:09,249 --> 00:44:06,259

slaves when the 14th amendment was was

1151  
00:44:10,839 --> 00:44:09,259  
originally impacted because they needed

1152  
00:44:12,489 --> 00:44:10,849  
to have protections because you know

1153  
00:44:14,200 --> 00:44:12,499  
people still wanted to have slaves even

1154  
00:44:15,609 --> 00:44:14,210  
after the Civil War the feds had to

1155  
00:44:17,019 --> 00:44:15,619  
enforce it and say no we're gonna afford

1156  
00:44:19,239 --> 00:44:17,029  
to eat the money you can be a federal

1157  
00:44:21,279 --> 00:44:19,249  
citizen and we'll make sure you're not

1158  
00:44:23,470 --> 00:44:21,289  
violated as a slave now anybody know

1159  
00:44:25,960 --> 00:44:23,480  
yeah I'm in I'm in but that same

1160  
00:44:28,979 --> 00:44:25,970  
protection does not apply from the

1161  
00:44:31,450 --> 00:44:28,989  
federal government violating your rights

1162  
00:44:33,549 --> 00:44:31,460  
it doesn't work that way you don't get

1163  
00:44:35,410 --> 00:44:33,559

that same protection so you when you

1164

00:44:37,920 --> 00:44:35,420

signed up for federal citizenship you

1165

00:44:41,890 --> 00:44:37,930

signed up for violation by your very

1166

00:44:43,900 --> 00:44:41,900

master Wow

1167

00:44:46,930 --> 00:44:43,910

yeah there's absolutely no protections

1168

00:44:49,059 --> 00:44:46,940

from the federal government upon 14th

1169

00:44:52,150 --> 00:44:49,069

amendment citizens other than what is

1170

00:44:53,890 --> 00:44:52,160

statutory civil rights and and that's

1171

00:44:55,950 --> 00:44:53,900

what you know you hear that term all the

1172

00:44:58,960 --> 00:44:55,960

time demanding your civil rights well

1173

00:45:01,059 --> 00:44:58,970

civil rights are akin to a father's

1174

00:45:03,130 --> 00:45:01,069

right over a four-year-old child you

1175

00:45:05,529 --> 00:45:03,140

know the father may say ok you have the

1176

00:45:06,160 --> 00:45:05,539

right to stay up late tonight but if we

1177

00:45:07,930 --> 00:45:06,170

want to change

1178

00:45:10,180 --> 00:45:07,940

bedtime tomorrow we change your bedtime

1179

00:45:12,780 --> 00:45:10,190

tomorrow that there there is just

1180

00:45:14,590 --> 00:45:12,790

absolutely no protections on a

1181

00:45:16,930 --> 00:45:14,600

constitutional basis between a

1182

00:45:18,880 --> 00:45:16,940

Fourteenth Amendment citizen being

1183

00:45:21,490 --> 00:45:18,890

impacted directly from the federal

1184

00:45:23,500 --> 00:45:21,500

government unlike a for an article for

1185

00:45:26,980 --> 00:45:23,510

citizen one of the biggest examples is

1186

00:45:28,600 --> 00:45:26,990

income taxes you know it's obviously one

1187

00:45:31,240 --> 00:45:28,610

hundred percent abundantly clear to me

1188

00:45:33,460 --> 00:45:31,250

that income taxes in the way that they

1189

00:45:35,530 --> 00:45:33,470

are implemented in the way that they're

1190

00:45:37,900 --> 00:45:35,540

processed are a hundred percent legal

1191

00:45:40,570 --> 00:45:37,910

even though the federal government is

1192

00:45:42,610 --> 00:45:40,580

not allowed to apply taxes directly upon

1193

00:45:45,310 --> 00:45:42,620

the citizens right in the organic

1194

00:45:47,890 --> 00:45:45,320

portion of the Constitution and that's

1195

00:45:50,290 --> 00:45:47,900

because the 14th amendment citizen does

1196

00:45:53,320 --> 00:45:50,300

not have the same protections as an

1197

00:45:55,450 --> 00:45:53,330

article 4 citizen Greg I I've been in

1198

00:45:57,670 --> 00:45:55,460

the courtroom on three occasions here in

1199

00:45:59,950 --> 00:45:57,680

Scott County where the judge somebody

1200

00:46:01,540 --> 00:45:59,960

was being adjudicated was you know

1201  
00:46:02,800 --> 00:46:01,550  
struggling to protect themselves and

1202  
00:46:04,480 --> 00:46:02,810  
their rights and brought up either the

1203  
00:46:07,120 --> 00:46:04,490  
state constitution or the federal

1204  
00:46:09,100 --> 00:46:07,130  
constitution and on three occasions out

1205  
00:46:10,960 --> 00:46:09,110  
loud I've heard judges say the

1206  
00:46:14,860 --> 00:46:10,970  
Constitution has no place in these

1207  
00:46:16,480 --> 00:46:14,870  
proceedings in this matter well that

1208  
00:46:18,310 --> 00:46:16,490  
says it right there when you hear these

1209  
00:46:21,220 --> 00:46:18,320  
things you know right there right before

1210  
00:46:22,660 --> 00:46:21,230  
your very eyes the the topics that

1211  
00:46:25,600 --> 00:46:22,670  
Corinne are talking about don't become

1212  
00:46:28,300 --> 00:46:25,610  
so stretched or or unbelievable they're

1213  
00:46:30,100 --> 00:46:28,310

totally believable right and another

1214

00:46:32,380 --> 00:46:30,110

thing I thought was fascinating on this

1215

00:46:35,470 --> 00:46:32,390

same subject is in one of your episodes

1216

00:46:37,570 --> 00:46:35,480

you break down some language used by

1217

00:46:41,470 --> 00:46:37,580

Obama and of course Obama's a

1218

00:46:44,110 --> 00:46:41,480

constitutional law professor I guess and

1219

00:46:45,940 --> 00:46:44,120

he obviously knows these things down to

1220

00:46:48,220 --> 00:46:45,950

a tee these are the details that I think

1221

00:46:50,920 --> 00:46:48,230

that those people should know and when

1222

00:46:53,290 --> 00:46:50,930

he talks he's very careful about the

1223

00:46:56,650 --> 00:46:53,300

terms he uses it's clear from your

1224

00:46:58,540 --> 00:46:56,660

breakdown that he's definitely pivoting

1225

00:47:02,320 --> 00:46:58,550

from word to word based on its technical

1226

00:47:04,810 --> 00:47:02,330

application we absolutely yeah that's

1227

00:47:06,790 --> 00:47:04,820

when there's a clip we play from time to

1228

00:47:10,690 --> 00:47:06,800

time on there and he's down in Mexico

1229

00:47:13,000 --> 00:47:10,700

and it's during the the what's the name

1230

00:47:15,670 --> 00:47:13,010

of the controversy with the gun running

1231

00:47:17,740 --> 00:47:15,680

the Fast and Furious Fast and Furious

1232

00:47:20,000 --> 00:47:17,750

had reached kind of a critical mass and

1233

00:47:22,310 --> 00:47:20,010

he was down at some Museum down there

1234

00:47:23,900 --> 00:47:22,320

and he said we all know that a lot of

1235

00:47:26,839 --> 00:47:23,910

the guns coming into Mexico are coming

1236

00:47:29,660 --> 00:47:26,849

from the United States but at the same

1237

00:47:31,339 --> 00:47:29,670

time in America I've taken an oath of

1238

00:47:34,099 --> 00:47:31,349

office to protect the Second Amendment

1239

00:47:36,500 --> 00:47:34,109

and I always will hmm but meanwhile

1240

00:47:38,000 --> 00:47:36,510

we're gonna pass laws that keep the guns

1241

00:47:39,859 --> 00:47:38,010

out of dangerous people's hands and so

1242

00:47:41,329 --> 00:47:39,869

there's that flip-flop back and forth

1243

00:47:43,849 --> 00:47:41,339

between those two worlds right there

1244

00:47:45,290 --> 00:47:43,859

it's right in your face yeah man I

1245

00:47:47,630 --> 00:47:45,300

thought that was so interesting because

1246

00:47:50,690 --> 00:47:47,640

it does validate a lot of this kind of

1247

00:47:53,540 --> 00:47:50,700

material and you know growing up the

1248

00:47:56,599 --> 00:47:53,550

United States definitely seemed like one

1249

00:47:59,720 --> 00:47:56,609

big blanket nation but as I've gotten

1250

00:48:02,120 --> 00:47:59,730

older especially as a STONER myself the

1251

00:48:03,500 --> 00:48:02,130

fact that some states are radically

1252

00:48:05,750 --> 00:48:03,510

different than other states has never

1253

00:48:07,250 --> 00:48:05,760

really been more apparent than it is

1254

00:48:09,710 --> 00:48:07,260

today the fact that they do have some

1255

00:48:11,420 --> 00:48:09,720

power because doing my favorite habit in

1256

00:48:13,609 --> 00:48:11,430

Texas is far different than doing it in

1257

00:48:15,500 --> 00:48:13,619

Colorado right now and I guess I'm

1258

00:48:17,569 --> 00:48:15,510

curious as you guys see it what would

1259

00:48:19,940 --> 00:48:17,579

the country look like today if it was

1260

00:48:22,339 --> 00:48:19,950

run as intended where all the states

1261

00:48:23,870 --> 00:48:22,349

basically be their own sovereign nations

1262

00:48:26,510 --> 00:48:23,880

with their own rules as different as

1263

00:48:28,700 --> 00:48:26,520

they wanted them to be absolutely as

1264

00:48:31,700 --> 00:48:28,710

abrogated yeah that's exactly it as

1265

00:48:33,740 --> 00:48:31,710

abrogated by the Constitution there are

1266

00:48:35,960 --> 00:48:33,750

certain natural laws that the states

1267

00:48:38,000 --> 00:48:35,970

have to follow and in order for them to

1268

00:48:40,010 --> 00:48:38,010

maintain and you know maintain their

1269

00:48:42,290 --> 00:48:40,020

Republican form of government if they

1270

00:48:44,390 --> 00:48:42,300

don't if they begin to misbehave then

1271

00:48:46,400 --> 00:48:44,400

there's certainly remedy available for

1272

00:48:49,250 --> 00:48:46,410

article for citizens to be able to take

1273

00:48:52,130 --> 00:48:49,260

their own state to federal court for

1274

00:48:53,930 --> 00:48:52,140

violations of constitutional protections

1275

00:48:56,480 --> 00:48:53,940

that are at the federal level so they

1276

00:48:58,940 --> 00:48:56,490

can't just go crazy but be the

1277

00:49:02,140 --> 00:48:58,950

restrictions on these states in their

1278

00:49:05,030 --> 00:49:02,150

relationship with article 4 citizens is

1279

00:49:08,120 --> 00:49:05,040

nothing short of profound compared to

1280

00:49:10,190 --> 00:49:08,130

what we're used to today to us to most

1281

00:49:13,040 --> 00:49:10,200

citizens today traveling along in your

1282

00:49:15,140 --> 00:49:13,050

car and getting pulled over for what is

1283

00:49:18,050 --> 00:49:15,150

really no crime at all you know maybe

1284

00:49:20,120 --> 00:49:18,060

doing 65 and a 55 is if you were driving

1285

00:49:21,920 --> 00:49:20,130

safe and not put anybody in danger or

1286

00:49:25,040 --> 00:49:21,930

anything like that that type of activity

1287

00:49:27,620 --> 00:49:25,050

becomes a crime when I say that type of

1288

00:49:30,140 --> 00:49:27,630

activity I mean somebody dressed up in a

1289

00:49:32,420 --> 00:49:30,150

uniform pulling you over a costume you

1290

00:49:33,560 --> 00:49:32,430

arresting you and then making you go

1291

00:49:35,510 --> 00:49:33,570

through the administrative

1292

00:49:38,090 --> 00:49:35,520

process that we know is traffic courts

1293

00:49:39,880 --> 00:49:38,100

well in these article four states that

1294

00:49:43,580 --> 00:49:39,890

type of behavior is completely

1295

00:49:47,450 --> 00:49:43,590

unconstitutional and so we just haven't

1296

00:49:49,970 --> 00:49:47,460

had both a as a people the technology

1297

00:49:54,320 --> 00:49:49,980

has not been available for people to be

1298

00:49:56,030 --> 00:49:54,330

able to research the the massive volumes

1299

00:49:57,890 --> 00:49:56,040

I mean one things that the government's

1300

00:50:01,160 --> 00:49:57,900

really good at is profiting from

1301  
00:50:04,130 --> 00:50:01,170  
confusion and looking at old newspapers

1302  
00:50:06,340 --> 00:50:04,140  
and then the way the 1879 Constitution

1303  
00:50:08,990 --> 00:50:06,350  
was passed what was in that Constitution

1304  
00:50:12,020 --> 00:50:09,000  
the average person would just have no

1305  
00:50:14,780 --> 00:50:12,030  
clue back in 1879 that their government

1306  
00:50:16,610 --> 00:50:14,790  
was being hijacked and they would just

1307  
00:50:19,220 --> 00:50:16,620  
willingly identify themselves as

1308  
00:50:21,680 --> 00:50:19,230  
citizens of this new government simply

1309  
00:50:23,600 --> 00:50:21,690  
because they just didn't have the tools

1310  
00:50:25,340 --> 00:50:23,610  
that we have available today today I can

1311  
00:50:27,230 --> 00:50:25,350  
do a word search at a PDF document to

1312  
00:50:29,180 --> 00:50:27,240  
find out how many times the term United

1313  
00:50:31,760 --> 00:50:29,190

States is being used in that document

1314

00:50:34,250 --> 00:50:31,770

and then scan it really quick and ingest

1315

00:50:35,750 --> 00:50:34,260

that information critical information in

1316

00:50:37,760 --> 00:50:35,760

a matter of minutes rather than it

1317

00:50:39,530 --> 00:50:37,770

taking hours you know to get to a

1318

00:50:42,620 --> 00:50:39,540

library and so forth the people had

1319

00:50:44,420 --> 00:50:42,630

before so today the work the job of

1320

00:50:47,120 --> 00:50:44,430

being able to identify which state

1321

00:50:51,020 --> 00:50:47,130

you're in as a citizen is much easier

1322

00:50:53,180 --> 00:50:51,030

than it was 20 years ago and and so I

1323

00:50:55,430 --> 00:50:53,190

think it's it's just I kind of got off

1324

00:50:57,410 --> 00:50:55,440

on a tangent on searching but I don't

1325

00:50:59,330 --> 00:50:57,420

think that's absolutely attainable

1326  
00:51:01,430 --> 00:50:59,340  
thinking of ingesting things Greg you

1327  
00:51:03,740 --> 00:51:01,440  
brought up you know marijuana in

1328  
00:51:06,140 --> 00:51:03,750  
Colorado versus Texas and to that point

1329  
00:51:07,880 --> 00:51:06,150  
consider that nuance there that you know

1330  
00:51:09,620 --> 00:51:07,890  
we think that there's the ability to

1331  
00:51:12,860 --> 00:51:09,630  
ingest marijuana and Colorado has been

1332  
00:51:15,020 --> 00:51:12,870  
granted now go ahead it's hilarious when

1333  
00:51:16,490 --> 00:51:15,030  
you think about it just on its face you

1334  
00:51:18,590 --> 00:51:16,500  
know a weed that grows out of the ground

1335  
00:51:22,550 --> 00:51:18,600  
is now you're allowed to eat it or smoke

1336  
00:51:24,470 --> 00:51:22,560  
it or do it absolutely attacks and only

1337  
00:51:27,650 --> 00:51:24,480  
if you have a license I mean it just it

1338  
00:51:29,240 --> 00:51:27,660

becomes even more laborious and so it's

1339

00:51:31,790 --> 00:51:29,250

what that is is that's the federal

1340

00:51:33,290 --> 00:51:31,800

government allowing discretion with

1341

00:51:35,570 --> 00:51:33,300

their administrator division called

1342

00:51:38,210 --> 00:51:35,580

Colorado and so there's there's this

1343

00:51:39,140 --> 00:51:38,220

this perception that wow it's it's state

1344

00:51:42,650 --> 00:51:39,150

states rights

1345

00:51:44,540 --> 00:51:42,660

well they enough enough people wanted to

1346

00:51:46,130 --> 00:51:44,550

have it okay we're gonna let him do it

1347

00:51:46,860 --> 00:51:46,140

but by god it's gonna be taxed heavily

1348

00:51:49,530 --> 00:51:46,870

and we're gonna

1349

00:51:51,150 --> 00:51:49,540

get a piece of it now in an article for

1350

00:51:53,040 --> 00:51:51,160

state you know that necessarily would

1351  
00:51:54,660 --> 00:51:53,050  
not happen that there wouldn't even be a

1352  
00:51:55,710 --> 00:51:54,670  
law against marijuana to begin with

1353  
00:52:00,420 --> 00:51:55,720  
right

1354  
00:52:02,190 --> 00:52:00,430  
about profiting from confusion that is

1355  
00:52:04,680 --> 00:52:02,200  
definitely what they do creating

1356  
00:52:07,290 --> 00:52:04,690  
ambiguity is a term I use a lot and

1357  
00:52:09,060 --> 00:52:07,300  
that's exactly how all these different

1358  
00:52:11,460 --> 00:52:09,070  
sectors operate especially the economic

1359  
00:52:13,170 --> 00:52:11,470  
system you know they want it that way so

1360  
00:52:15,300 --> 00:52:13,180  
that you don't understand any of these

1361  
00:52:17,520 --> 00:52:15,310  
terms that are going on default credit

1362  
00:52:19,170 --> 00:52:17,530  
swaps all this kind of stuff it's just

1363  
00:52:21,180 --> 00:52:19,180

you tune out from it because it's so

1364

00:52:23,370 --> 00:52:21,190

complex yet this is where the rubber

1365

00:52:25,440 --> 00:52:23,380

meets the road this is where you know

1366

00:52:27,660 --> 00:52:25,450

everybody's being fleeced and only

1367

00:52:29,160 --> 00:52:27,670

because you don't want to dial into the

1368

00:52:31,320 --> 00:52:29,170

technical applications that some of this

1369

00:52:33,360 --> 00:52:31,330

stuff you really just you let it all

1370

00:52:35,520 --> 00:52:33,370

happen or at least you know the larger

1371

00:52:36,870 --> 00:52:35,530

citizenry does they just go with the

1372

00:52:38,610 --> 00:52:36,880

flow because it's a path of least

1373

00:52:40,770 --> 00:52:38,620

resistance and of course a lot of the

1374

00:52:42,510 --> 00:52:40,780

things you've spoken about on and guess

1375

00:52:44,730 --> 00:52:42,520

you've had on your show are dealing with

1376

00:52:47,010 --> 00:52:44,740

the things that have dumbed America down

1377

00:52:48,600 --> 00:52:47,020

whether it's vaccinations or what they

1378

00:52:50,550 --> 00:52:48,610

put in the drinking water you know I

1379

00:52:52,500 --> 00:52:50,560

mean it's it's it's all part of the mix

1380

00:52:54,090 --> 00:52:52,510

what they're spraying us with it's it's

1381

00:52:56,370 --> 00:52:54,100

all there it's all what keeps everybody

1382

00:52:58,740 --> 00:52:56,380

dumbed down and you know we've you know

1383

00:53:01,260 --> 00:52:58,750

coined we talked about how it's easier

1384

00:53:05,040 --> 00:53:01,270

to fool a US citizen than it is to

1385

00:53:07,290 --> 00:53:05,050

convince him he's been fooled amen it

1386

00:53:08,910 --> 00:53:07,300

definitely is and another point you

1387

00:53:11,280 --> 00:53:08,920

talked about the court system earlier

1388

00:53:13,230 --> 00:53:11,290

and having dealt with a lot of this both

1389

00:53:16,140 --> 00:53:13,240

of you guys is there much of a

1390

00:53:17,790 --> 00:53:16,150

difference between Superior Court and

1391

00:53:19,500 --> 00:53:17,800

federal court and does either really

1392

00:53:22,440 --> 00:53:19,510

have the best interest of the people in

1393

00:53:24,690 --> 00:53:22,450

mind well you know my I have not been in

1394

00:53:27,150 --> 00:53:24,700

a federal court action yet everything

1395

00:53:29,880 --> 00:53:27,160

that I've put together is geared towards

1396

00:53:32,280 --> 00:53:29,890

heading to a federal court action but I

1397

00:53:34,350 --> 00:53:32,290

want to be incredibly prepared and have

1398

00:53:37,620 --> 00:53:34,360

the absolute best foundation I possibly

1399

00:53:39,270 --> 00:53:37,630

can and that requires me to engage with

1400

00:53:42,180 --> 00:53:39,280

the administrative government here in

1401  
00:53:46,020 --> 00:53:42,190  
California and so at the administrative

1402  
00:53:48,360 --> 00:53:46,030  
level the superior courts are courts of

1403  
00:53:51,030 --> 00:53:48,370  
the United States you know they're they

1404  
00:53:53,340 --> 00:53:51,040  
openly show the flag with the gold

1405  
00:53:56,010 --> 00:53:53,350  
fringe on it which I interpret is

1406  
00:53:58,920 --> 00:53:56,020  
indicating through from the basis of

1407  
00:54:00,720 --> 00:53:58,930  
executive authority that you're in

1408  
00:54:02,370 --> 00:54:00,730  
United States jurisdiction in these

1409  
00:54:05,820 --> 00:54:02,380  
kourt's you're not in one of the several

1410  
00:54:08,550 --> 00:54:05,830  
states and those courts their job is to

1411  
00:54:11,340 --> 00:54:08,560  
protect the infrastructure from US

1412  
00:54:13,650 --> 00:54:11,350  
citizens and then fleece as much as they

1413  
00:54:15,560 --> 00:54:13,660

possibly can and I have some good

1414

00:54:18,360 --> 00:54:15,570

friends here in California that have

1415

00:54:21,390 --> 00:54:18,370

dedicated a tremendous amount of time to

1416

00:54:23,880 --> 00:54:21,400

working within the system and fighting

1417

00:54:27,240 --> 00:54:23,890

you know traffic tickets registration

1418

00:54:29,220 --> 00:54:27,250

tickets and so forth and they lose not

1419

00:54:31,560 --> 00:54:29,230

because their arguments aren't sound

1420

00:54:33,840 --> 00:54:31,570

it's because the authority and these

1421

00:54:36,810 --> 00:54:33,850

jurisdictions are you're going to lose

1422

00:54:39,330 --> 00:54:36,820

that that's just how it is so when I

1423

00:54:40,920 --> 00:54:39,340

engage with for instance the Superior

1424

00:54:44,010 --> 00:54:40,930

Court there's limitations on their

1425

00:54:45,870 --> 00:54:44,020

authority if if you can show that

1426

00:54:48,420 --> 00:54:45,880

they're blatantly violating the rights

1427

00:54:52,440 --> 00:54:48,430

of an article for citizen and willfully

1428

00:54:55,350 --> 00:54:52,450

ignoring evidence of maybe misconduct by

1429

00:54:57,720 --> 00:54:55,360

prosecutorial agencies then my opinion

1430

00:54:59,670 --> 00:54:57,730

is I would be able to have standing to

1431

00:55:01,560 --> 00:54:59,680

create an action with not only the

1432

00:55:04,020 --> 00:55:01,570

courts but the other parties involved is

1433

00:55:07,650 --> 00:55:04,030

as well as other government officials in

1434

00:55:10,350 --> 00:55:07,660

a federal action under article 3 an

1435

00:55:12,600 --> 00:55:10,360

article 3 is there's a diversity of

1436

00:55:14,250 --> 00:55:12,610

citizenship so my citizenship is

1437

00:55:17,220 --> 00:55:14,260

different than the citizenship of these

1438

00:55:19,410 --> 00:55:17,230

courts the Superior Court and so the

1439

00:55:21,810 --> 00:55:19,420

proper jurisdiction when that when that

1440

00:55:25,440 --> 00:55:21,820

event occurs would be at the federal

1441

00:55:28,560 --> 00:55:25,450

level and so my my documents that I

1442

00:55:30,840 --> 00:55:28,570

submit and my defense in the case is all

1443

00:55:33,690 --> 00:55:30,850

geared towards just exposing that

1444

00:55:35,900 --> 00:55:33,700

difference between citizenship that

1445

00:55:39,030 --> 00:55:35,910

there's a diversity there and then also

1446

00:55:41,280 --> 00:55:39,040

dealing with any of the documents that

1447

00:55:43,170 --> 00:55:41,290

they may be able to produce that would

1448

00:55:45,720 --> 00:55:43,180

show I willingly consent to their

1449

00:55:47,640 --> 00:55:45,730

jurisdiction and so that would be being

1450

00:55:49,740 --> 00:55:47,650

able to show that the signature that I

1451  
00:55:51,810 --> 00:55:49,750  
had previously placed on a driver's

1452  
00:55:54,150 --> 00:55:51,820  
license application is no longer valid

1453  
00:55:57,290 --> 00:55:54,160  
because I've taken the steps to rescind

1454  
00:55:59,580 --> 00:55:57,300  
that signature so all of the obligations

1455  
00:56:01,860 --> 00:55:59,590  
associated with the driver's license

1456  
00:56:04,920 --> 00:56:01,870  
don't apply because they don't have my

1457  
00:56:07,260 --> 00:56:04,930  
consent for it that that's the some of

1458  
00:56:09,450 --> 00:56:07,270  
the information that I try and get on

1459  
00:56:10,980 --> 00:56:09,460  
the record I I don't expect to win at

1460  
00:56:13,080 --> 00:56:10,990  
the state level I guess I'll put it that

1461  
00:56:15,660 --> 00:56:13,090  
way that I don't expect there to ever be

1462  
00:56:18,600 --> 00:56:15,670  
a win either the case will be dismissed

1463  
00:56:20,550 --> 00:56:18,610

before it ever goes to trial or if it

1464

00:56:22,890 --> 00:56:20,560

goes to trial it'll require me to go to

1465

00:56:26,460 --> 00:56:22,900

federal court and file for perhaps

1466

00:56:28,740 --> 00:56:26,470

injunctive relief of some sort now and

1467

00:56:30,180 --> 00:56:28,750

having gone to federal court you know at

1468

00:56:32,460 --> 00:56:30,190

least here in Los Angeles on Spring

1469

00:56:35,670 --> 00:56:32,470

Street when you walk in there's a big

1470

00:56:38,610 --> 00:56:35,680

sign that says I D you know positive

1471

00:56:40,620 --> 00:56:38,620

photo ID is required to get through the

1472

00:56:43,440 --> 00:56:40,630

the security checkpoint

1473

00:56:46,140 --> 00:56:43,450

and when I I was in federal court

1474

00:56:47,100 --> 00:56:46,150

they're just doing some research about

1475

00:56:49,290 --> 00:56:47,110

three weeks ago

1476  
00:56:50,940 --> 00:56:49,300  
and all I had brought with me was my

1477  
00:56:52,800 --> 00:56:50,950  
common-law ID to get through the

1478  
00:56:55,680 --> 00:56:52,810  
checkpoint I hand it to him and it was a

1479  
00:56:57,300 --> 00:56:55,690  
female marshal and she said she had

1480  
00:56:59,850 --> 00:56:57,310  
never seen that before and showed it to

1481  
00:57:01,860 --> 00:56:59,860  
her supervisor the supervisor responded

1482  
00:57:02,910 --> 00:57:01,870  
by saying that's a valid state ID and I

1483  
00:57:05,550 --> 00:57:02,920  
went right through the checkpoint

1484  
00:57:07,350 --> 00:57:05,560  
without any delay at all maybe the whole

1485  
00:57:10,890 --> 00:57:07,360  
delay was 40 seconds tops

1486  
00:57:12,720 --> 00:57:10,900  
but they were very very polite and and

1487  
00:57:14,640 --> 00:57:12,730  
treated me no different than somebody

1488  
00:57:16,650 --> 00:57:14,650

you know who's showing a

1489

00:57:19,080 --> 00:57:16,660

government-issued ID as far as granting

1490

00:57:20,910 --> 00:57:19,090

access to the courts now I would say

1491

00:57:24,240 --> 00:57:20,920

that's because at the federal level to

1492

00:57:26,130 --> 00:57:24,250

the courts they presume and and this is

1493

00:57:28,920 --> 00:57:26,140

in you know court cases where they

1494

00:57:31,620 --> 00:57:28,930

presume that the original states the

1495

00:57:33,300 --> 00:57:31,630

several states exist and it's presumed

1496

00:57:35,850 --> 00:57:33,310

that those states have citizens of their

1497

00:57:37,830 --> 00:57:35,860

own and that's plainly stated again in

1498

00:57:40,050 --> 00:57:37,840

Texas v white I think one of the most

1499

00:57:43,770 --> 00:57:40,060

interesting cases anybody could read is

1500

00:57:46,530 --> 00:57:43,780

the history around Texas v white because

1501  
00:57:48,420 --> 00:57:46,540  
it does show that that case happened in

1502  
00:57:51,300 --> 00:57:48,430  
the time period when Texas was going

1503  
00:57:54,780 --> 00:57:51,310  
from the original republic that entered

1504  
00:57:56,940 --> 00:57:54,790  
the Union to being a administrative

1505  
00:57:59,790 --> 00:57:56,950  
leakin trolled government under military

1506  
00:58:03,030 --> 00:57:59,800  
rule and the difference between the two

1507  
00:58:06,560 --> 00:58:03,040  
is plainly stated by the judiciary that

1508  
00:58:09,630 --> 00:58:06,570  
the the the original government is

1509  
00:58:12,330 --> 00:58:09,640  
guaranteed to exist forever and that

1510  
00:58:15,960 --> 00:58:12,340  
it's presumed forever to have citizens

1511  
00:58:18,300 --> 00:58:15,970  
of its own and when the person when mr.

1512  
00:58:19,950 --> 00:58:18,310  
white had taken this case to court there

1513  
00:58:21,420 --> 00:58:19,960

wasn't the mechanisms yet that the

1514

00:58:23,040 --> 00:58:21,430

federal government had created that we

1515

00:58:24,740 --> 00:58:23,050

have today there wasn't the IRS there

1516

00:58:26,120 --> 00:58:24,750

wasn't driver's licenses

1517

00:58:28,370 --> 00:58:26,130

there wasn't all these other mechanisms

1518

00:58:30,920 --> 00:58:28,380

that could bind you to 14th amendment

1519

00:58:32,930 --> 00:58:30,930

citizenship so the presumption was and

1520

00:58:35,450 --> 00:58:32,940

and it it was correct

1521

00:58:38,210 --> 00:58:35,460

is that his citizenship was sourced

1522

00:58:40,910 --> 00:58:38,220

under article 4 of the Constitution and

1523

00:58:42,860 --> 00:58:40,920

he prevailed and it was over a monetary

1524

00:58:46,580 --> 00:58:42,870

you know as a monetary battle but it's

1525

00:58:49,100 --> 00:58:46,590

still a very fascinating case and so

1526

00:58:52,310 --> 00:58:49,110

when you get to the federal level at

1527

00:58:54,290 --> 00:58:52,320

least in theory the federal courts would

1528

00:58:56,060 --> 00:58:54,300

presume that it's completely normal for

1529

00:58:58,160 --> 00:58:56,070

somebody who's identifying themselves as

1530

00:59:00,590 --> 00:58:58,170

an article 4 citizen to come to their

1531

00:59:02,930 --> 00:59:00,600

court to deal with an administrative

1532

00:59:06,220 --> 00:59:02,940

agency that is sourced out of Washington

1533

00:59:10,970 --> 00:59:06,230

DC operating within their the the

1534

00:59:12,740 --> 00:59:10,980

defined territory of their state hmm and

1535

00:59:14,570 --> 00:59:12,750

Greg we're not claiming that we're a

1536

00:59:16,940 --> 00:59:14,580

hundred percent you know knowledgeable

1537

00:59:19,430 --> 00:59:16,950

and everything we are asserting is is

1538

00:59:21,140 --> 00:59:19,440

act I mean where I'm going with this is

1539

00:59:22,760 --> 00:59:21,150

a lot of people were like Lindley have a

1540

00:59:24,620 --> 00:59:22,770

system that's perfect we're not grinding

1541

00:59:27,440 --> 00:59:24,630

that this is what you have to do we're

1542

00:59:28,820 --> 00:59:27,450

just claiming do something yeah it's

1543

00:59:30,710 --> 00:59:28,830

different than what you're doing now

1544

00:59:32,690 --> 00:59:30,720

because I know people who have wasted a

1545

00:59:35,480 --> 00:59:32,700

waste is not as to strongboard have

1546

00:59:37,010 --> 00:59:35,490

invested dozens and dozens of years of

1547

00:59:39,350 --> 00:59:37,020

their lives and their their family

1548

00:59:41,180 --> 00:59:39,360

treasure to trying to fight this battle

1549

00:59:43,010 --> 00:59:41,190

at up at the federal level to the

1550

00:59:45,920 --> 00:59:43,020

highest level just beneath the Supreme

1551  
00:59:48,470 --> 00:59:45,930  
Court and been told time and again no

1552  
00:59:51,290 --> 00:59:48,480  
standing because they continue to apply

1553  
00:59:53,630 --> 00:59:51,300  
themselves as this ends legit entities

1554  
00:59:55,490 --> 00:59:53,640  
this creature of law called a birth

1555  
00:59:57,530 --> 00:59:55,500  
certificate and it they just we're

1556  
00:59:59,960 --> 00:59:57,540  
allowed to have this facsimile that we

1557  
01:00:02,480 --> 00:59:59,970  
have rights that are protected like the

1558  
01:00:03,980 --> 01:00:02,490  
First Amendment but then why if the

1559  
01:00:05,390 --> 01:00:03,990  
First Amendment so protected how do you

1560  
01:00:09,020 --> 01:00:05,400  
have free speech zones on college

1561  
01:00:10,820 --> 01:00:09,030  
campuses because there's discretion

1562  
01:00:12,590 --> 01:00:10,830  
because you're a federal citizen and in

1563  
01:00:13,610 --> 01:00:12,600

a federal citizenry we get to have

1564

01:00:16,520 --> 01:00:13,620

discretion sorry

1565

01:00:18,920 --> 01:00:16,530

yeah well said and I mean it makes sense

1566

01:00:21,080 --> 01:00:18,930

you're you're testing the system and I

1567

01:00:24,290 --> 01:00:21,090

think that's a noble cause and it's

1568

01:00:26,300 --> 01:00:24,300

obviously tough because nobody is is

1569

01:00:28,910 --> 01:00:26,310

giving you the tools to succeed you have

1570

01:00:30,920 --> 01:00:28,920

to try different mechanisms and see what

1571

01:00:33,920 --> 01:00:30,930

works and the feds have a lot of

1572

01:00:36,410 --> 01:00:33,930

different tricks and illusions to kind

1573

01:00:37,880 --> 01:00:36,420

of keep you down we're hopeful there's

1574

01:00:38,480 --> 01:00:37,890

there's white hats out there Greg that

1575

01:00:40,460 --> 01:00:38,490

are

1576

01:00:47,350 --> 01:00:40,470

get this and know it and we think one of

1577

01:00:50,030 --> 01:00:47,360

them might be Justice Thomas yeah and

1578

01:00:52,670 --> 01:00:50,040

and because he wrote in that and that

1579

01:00:54,350 --> 01:00:52,680

Prince case the the sheriff this it was

1580

01:00:56,960 --> 01:00:54,360

about the Brady Bill was about enforcing

1581

01:00:58,910 --> 01:00:56,970

gun control at the local level and it

1582

01:01:00,830 --> 01:00:58,920

got and and the the sheriff's prevailed

1583

01:01:02,450 --> 01:01:00,840

it was but it was considered a tenth

1584

01:01:03,620 --> 01:01:02,460

Amendment prevail man it wasn't anything

1585

01:01:05,630 --> 01:01:03,630

to do with diversity of citizenship is

1586

01:01:07,490 --> 01:01:05,640

just about Tenth Amendment and he any

1587

01:01:09,050 --> 01:01:07,500

wrote that the the second amendment

1588

01:01:11,450 --> 01:01:09,060

appears to contain an express limitation

1589

01:01:13,280 --> 01:01:11,460

the government's authority the court has

1590

01:01:14,660 --> 01:01:13,290

not had recent occasion to consider the

1591

01:01:16,220 --> 01:01:14,670

nature of the substantive right

1592

01:01:18,350 --> 01:01:16,230

safeguarded by the Second Amendment

1593

01:01:19,730 --> 01:01:18,360

however if if the Second Amendment is

1594

01:01:20,960 --> 01:01:19,740

read to confer a personal right to keep

1595

01:01:22,700 --> 01:01:20,970

them bear arms a colorable argument

1596

01:01:24,680 --> 01:01:22,710

exists at the federal government's

1597

01:01:27,109 --> 01:01:24,690

regulatory scheme at least as it

1598

01:01:29,330 --> 01:01:27,119

pertains to the purely intrastate sale

1599

01:01:31,940 --> 01:01:29,340

or possession of firearms runs afoul of

1600

01:01:33,260 --> 01:01:31,950

that Amendment's protections as the

1601

01:01:35,630 --> 01:01:33,270

parties did not raise this argument

1602

01:01:38,180 --> 01:01:35,640

however we need not consider it here

1603

01:01:40,550 --> 01:01:38,190

perhaps at some future date the court

1604

01:01:42,290 --> 01:01:40,560

will have the opportunity to and that's

1605

01:01:44,630 --> 01:01:42,300

where we're that would be kind of the

1606

01:01:46,670 --> 01:01:44,640

long ball play if you will is to have

1607

01:01:48,859 --> 01:01:46,680

somebody with standing to answer that

1608

01:01:51,020 --> 01:01:48,869

call that we think he put out there all

1609

01:01:52,790 --> 01:01:51,030

right on and uh this is another thing

1610

01:01:55,430 --> 01:01:52,800

that was touched on a bit earlier but

1611

01:01:57,800 --> 01:01:55,440

can one of you guys talk to us about the

1612

01:01:59,900 --> 01:01:57,810

legal name and its importance as to how

1613

01:02:02,780 --> 01:01:59,910

its formatted what is so important about

1614

01:02:05,780 --> 01:02:02,790

going by first middle last name as

1615

01:02:09,650 --> 01:02:05,790

opposed to the terms given name and

1616

01:02:12,710 --> 01:02:09,660

surname well I you know they it's the

1617

01:02:15,040 --> 01:02:12,720

title so the way the I interpret the

1618

01:02:19,520 --> 01:02:15,050

Constitution is having been put together

1619

01:02:21,380 --> 01:02:19,530

to use a military example the title of

1620

01:02:23,300 --> 01:02:21,390

given name and surname or given name and

1621

01:02:26,060 --> 01:02:23,310

family name would be akin to being

1622

01:02:28,670 --> 01:02:26,070

general whereas the title first middle

1623

01:02:30,440 --> 01:02:28,680

last name would be again akin to being

1624

01:02:33,770 --> 01:02:30,450

you know a conscripted private

1625

01:02:35,270 --> 01:02:33,780

cannon-fodder and you know when it comes

1626  
01:02:37,670 --> 01:02:35,280  
to dealing with government I want them

1627  
01:02:40,010 --> 01:02:37,680  
to view me as the highest political

1628  
01:02:45,050 --> 01:02:40,020  
standing possible not something that's

1629  
01:02:48,890 --> 01:02:45,060  
just their property to be fleeced and if

1630  
01:02:51,230 --> 01:02:48,900  
you're invoking or responding to what

1631  
01:02:52,320 --> 01:02:51,240  
you know I think is really just a slave

1632  
01:02:54,990 --> 01:02:52,330  
name

1633  
01:02:57,030 --> 01:02:55,000  
by using those titles first middle last

1634  
01:02:59,460 --> 01:02:57,040  
name and saying yeah that's me

1635  
01:03:01,740 --> 01:02:59,470  
you're literally identifying yourself as

1636  
01:03:03,870 --> 01:03:01,750  
government property because the

1637  
01:03:07,080 --> 01:03:03,880  
government owns the property that you're

1638  
01:03:09,690 --> 01:03:07,090

using to say yeah that's me mm-hmm kind

1639

01:03:11,610 --> 01:03:09,700

of another trick with the homophone then

1640

01:03:13,980 --> 01:03:11,620

right you terms that sound exactly the

1641

01:03:17,970 --> 01:03:13,990

same absolutely and it's ingrained in us

1642

01:03:20,970 --> 01:03:17,980

from you know from birth you know I know

1643

01:03:23,580 --> 01:03:20,980

in when I first started to understand

1644

01:03:25,560 --> 01:03:23,590

this trying to separate the two in my

1645

01:03:27,720 --> 01:03:25,570

head and be able to get clarity on this

1646

01:03:30,030 --> 01:03:27,730

was very difficult and I later learned

1647

01:03:33,210 --> 01:03:30,040

that the reason why it's so difficult in

1648

01:03:34,920 --> 01:03:33,220

the beginning is the literally the

1649

01:03:38,010 --> 01:03:34,930

connections in your brain to recognize

1650

01:03:40,890 --> 01:03:38,020

how important it is or to recognize the

1651

01:03:43,200 --> 01:03:40,900

difference you're not used to being

1652

01:03:44,970 --> 01:03:43,210

addressed by your given and surname yet

1653

01:03:47,460 --> 01:03:44,980

if you have a passport open it up and

1654

01:03:49,950 --> 01:03:47,470

look at it you're on the passport it

1655

01:03:52,170 --> 01:03:49,960

says bearer as far as where your

1656

01:03:54,420 --> 01:03:52,180

signature goes it doesn't say applicant

1657

01:03:57,210 --> 01:03:54,430

or owner or anything else it just says

1658

01:03:59,370 --> 01:03:57,220

bearer and then lists your name given

1659

01:04:02,610 --> 01:03:59,380

and surname now there's a reason why

1660

01:04:04,530 --> 01:04:02,620

it's done that way because if they were

1661

01:04:06,780 --> 01:04:04,540

to if you were to be identified as a

1662

01:04:09,930 --> 01:04:06,790

state-issued birth record outside of the

1663

01:04:13,590 --> 01:04:09,940

country then you wouldn't be recognized

1664

01:04:15,710 --> 01:04:13,600

as a citizen and that that's part goes

1665

01:04:20,990 --> 01:04:15,720

into all the different treaties that

1666

01:04:24,360 --> 01:04:21,000

surround passports and so forth but the

1667

01:04:26,280 --> 01:04:24,370

the training from day one in school

1668

01:04:28,410 --> 01:04:26,290

you're taught first metal last name date

1669

01:04:30,180 --> 01:04:28,420

of birth when you get pulled over or if

1670

01:04:31,560 --> 01:04:30,190

a cop you know approaches you and says

1671

01:04:32,700 --> 01:04:31,570

you know what's your first name what's

1672

01:04:35,340 --> 01:04:32,710

your last name what's your date of birth

1673

01:04:38,300 --> 01:04:35,350

all of these things are just ingrained

1674

01:04:40,530 --> 01:04:38,310

in us from such a young age that it is a

1675

01:04:43,320 --> 01:04:40,540

personal challenge for each and every

1676

01:04:47,190 --> 01:04:43,330

one of us who wants to a ver article for

1677

01:04:51,030 --> 01:04:47,200

citizenship to be able to not submit to

1678

01:04:53,330 --> 01:04:51,040

that type of title and it's a title that

1679

01:04:56,490 --> 01:04:53,340

the government wishes to impose on you

1680

01:04:58,440 --> 01:04:56,500

and you notice it when you no longer

1681

01:05:01,140 --> 01:04:58,450

want to accept that title I mean I've

1682

01:05:03,540 --> 01:05:01,150

had the in fact when I was put in

1683

01:05:05,970 --> 01:05:03,550

handcuffs at the beach in San Clemente

1684

01:05:08,550 --> 01:05:05,980

it was simply because

1685

01:05:10,650 --> 01:05:08,560

the officer wanted me to say first

1686

01:05:12,300 --> 01:05:10,660

middle last name and I kept responding

1687

01:05:14,550 --> 01:05:12,310

saying I don't have a first name I've

1688

01:05:16,290 --> 01:05:14,560

got a given and surname and if it's not

1689

01:05:17,400 --> 01:05:16,300

a big deal then why would they need to

1690

01:05:18,930 --> 01:05:17,410

handcuff you over it

1691

01:05:20,670 --> 01:05:18,940

you know if they could just scratch out

1692

01:05:22,349 --> 01:05:20,680

on a ticket all right well doesn't

1693

01:05:24,150 --> 01:05:22,359

matter what your title is on your name

1694

01:05:27,000 --> 01:05:24,160

will scratch out this thing that says

1695

01:05:29,130 --> 01:05:27,010

first name and we will put a given name

1696

01:05:31,710 --> 01:05:29,140

here and that should make you happy well

1697

01:05:34,530 --> 01:05:31,720

they can't because it would be similar

1698

01:05:36,810 --> 01:05:34,540

to scratching out conscripted private

1699

01:05:39,680 --> 01:05:36,820

cannon fodder title and then replacing

1700

01:05:41,849 --> 01:05:39,690

that with general and that's just not

1701

01:05:43,589 --> 01:05:41,859

something that's going to fly so it's

1702

01:05:45,120 --> 01:05:43,599

the same thing and in my you know I've

1703

01:05:48,270 --> 01:05:45,130

got a court case going on right now

1704

01:05:50,069 --> 01:05:48,280

where I'm requesting the court grant a

1705

01:05:53,099 --> 01:05:50,079

motion to compel the state to produce

1706

01:05:55,170 --> 01:05:53,109

evidence and some of that evidence is

1707

01:05:57,630 --> 01:05:55,180

geared towards showing the difference

1708

01:05:59,460 --> 01:05:57,640

between the political status of an

1709

01:06:03,060 --> 01:05:59,470

article for citizen using a given and

1710

01:06:04,740 --> 01:06:03,070

surname versus a 14th amendment citizen

1711

01:06:07,380 --> 01:06:04,750

using first middle last name

1712

01:06:10,380 --> 01:06:07,390

construction and in the you know when an

1713

01:06:12,120 --> 01:06:10,390

officer gives a ticket the rules that

1714

01:06:15,780 --> 01:06:12,130  
are established by the California

1715

01:06:18,480 --> 01:06:15,790  
Judicial Council requires that it shall

1716

01:06:21,089 --> 01:06:18,490  
be in the specific sequence of first

1717

01:06:23,700 --> 01:06:21,099  
middle last so to them it's incredibly

1718

01:06:27,210 --> 01:06:23,710  
important and you know there's nothing

1719

01:06:29,760 --> 01:06:27,220  
that I find beneficial to granting them

1720

01:06:31,829 --> 01:06:29,770  
that so I deny them in my personal life

1721

01:06:35,490 --> 01:06:31,839  
the ability to address me first middle

1722

01:06:37,920 --> 01:06:35,500  
last name whenever possible right I mean

1723

01:06:39,839 --> 01:06:37,930  
that makes a lot of sense I do respect

1724

01:06:42,599 --> 01:06:39,849  
you guys a lot for putting yourself out

1725

01:06:45,089 --> 01:06:42,609  
there and you have been talking the talk

1726

01:06:45,750 --> 01:06:45,099

and walking the walk for a long time on

1727

01:06:47,730 --> 01:06:45,760

this subject

1728

01:06:50,160 --> 01:06:47,740

educating listeners along the way have

1729

01:06:52,109 --> 01:06:50,170

you had any personal victories from your

1730

01:06:54,750 --> 01:06:52,119

listeners over the years that are worth

1731

01:06:57,750 --> 01:06:54,760

sharing well there's there's lots of

1732

01:07:00,450 --> 01:06:57,760

small victories the big victory that I

1733

01:07:03,990 --> 01:07:00,460

think we're looking for is a court case

1734

01:07:06,390 --> 01:07:04,000

that you know in modern times in in our

1735

01:07:08,790 --> 01:07:06,400

era says that the federal government has

1736

01:07:10,170 --> 01:07:08,800

an obligation to guarantee a Republican

1737

01:07:12,839 --> 01:07:10,180

form of government to the States

1738

01:07:15,300 --> 01:07:12,849

and so far nobody has brought that issue

1739

01:07:17,640 --> 01:07:15,310

or has successfully brought that issue

1740

01:07:19,170 --> 01:07:17,650

in a federal court case there's been

1741

01:07:21,870 --> 01:07:19,180

lots of people who have attempt

1742

01:07:23,520 --> 01:07:21,880

to argue a similar thing but when you

1743

01:07:26,700 --> 01:07:23,530

really break down what they're arguing

1744

01:07:28,559 --> 01:07:26,710

they're arguing that the state that we

1745

01:07:31,290 --> 01:07:28,569

see today these administrative states

1746

01:07:32,910 --> 01:07:31,300

that are running are separate when in

1747

01:07:36,900 --> 01:07:32,920

fact they're not they're missing the

1748

01:07:39,329 --> 01:07:36,910

article four argument so the the big win

1749

01:07:41,490 --> 01:07:39,339

that once that win happens then it's

1750

01:07:44,040 --> 01:07:41,500

going to become incredibly easy for

1751

01:07:46,740 --> 01:07:44,050

anybody to a ver article for citizenship

1752

01:07:48,480 --> 01:07:46,750

but until that happens there are a whole

1753

01:07:49,680 --> 01:07:48,490

bunch of little wins I've got a friend

1754

01:07:51,750 --> 01:07:49,690

here who actually lives in North

1755

01:07:53,970 --> 01:07:51,760

Hollywood he's been traveling now for a

1756

01:07:56,970 --> 01:07:53,980

long time with no plates no driver's

1757

01:07:59,059 --> 01:07:56,980

license and he was pulled over about two

1758

01:08:02,250 --> 01:07:59,069

months ago from the Highway Patrol and

1759

01:08:04,200 --> 01:08:02,260

they let him go so in a case like that

1760

01:08:06,690 --> 01:08:04,210

there's there's nothing to prove that it

1761

01:08:09,270 --> 01:08:06,700

was a win other than they asked him

1762

01:08:10,500 --> 01:08:09,280

questions and it was probably officers

1763

01:08:12,210 --> 01:08:10,510

since it was in the areas probably

1764

01:08:14,490 --> 01:08:12,220

officers from the West Valley Division

1765

01:08:17,729 --> 01:08:14,500

they might be familiar with the contact

1766

01:08:20,010 --> 01:08:17,739

that that I have but either way he kept

1767

01:08:22,559 --> 01:08:20,020

his property and continues to keep his

1768

01:08:24,870 --> 01:08:22,569

property and continues to function as an

1769

01:08:26,849 --> 01:08:24,880

article for citizen without having gone

1770

01:08:29,220 --> 01:08:26,859

to court so his contact with the

1771

01:08:31,260 --> 01:08:29,230

officers was you know textbook example

1772

01:08:33,990 --> 01:08:31,270

like like I say if I get pulled over I

1773

01:08:35,640 --> 01:08:34,000

roll down all my windows I pay rapt

1774

01:08:39,780 --> 01:08:35,650

attention to the directions that the

1775

01:08:41,789 --> 01:08:39,790

officer is giving I turn on you know mr.

1776

01:08:44,039 --> 01:08:41,799

polite as much as possible while

1777

01:08:45,840 --> 01:08:44,049

maintaining my my status and then

1778

01:08:47,550 --> 01:08:45,850

mentally prepare that if the officer is

1779

01:08:49,650 --> 01:08:47,560

going to take me to jail that's an

1780

01:08:52,289 --> 01:08:49,660

absolute possibility but I engage with

1781

01:08:55,050 --> 01:08:52,299

the officer in such a way that I want to

1782

01:08:57,090 --> 01:08:55,060

encourage them or I want to win their

1783

01:08:59,999 --> 01:08:57,100

hearts and minds so that they hope that

1784

01:09:11,760 --> 01:09:00,009

I win because if if I even though it's a

1785

01:09:13,769 --> 01:09:11,770

direct existe month at doesn't have such

1786

01:09:17,490 --> 01:09:13,779

centralized control that we have today

1787

01:09:20,280 --> 01:09:17,500

and so you know I mean I've had officers

1788

01:09:22,890 --> 01:09:20,290

especially in Orange County Sheriff I've

1789

01:09:25,860 --> 01:09:22,900

had those officers be very kind to me

1790

01:09:27,450 --> 01:09:25,870

and nice to me in fact one time when I

1791

01:09:30,599 --> 01:09:27,460

was at the clerk's window at the Orange

1792

01:09:32,799 --> 01:09:30,609

County Superior Court I was looking to

1793

01:09:34,930 --> 01:09:32,809

access public information

1794

01:09:36,910 --> 01:09:34,940

and I forget if they at wanted me to

1795

01:09:39,099 --> 01:09:36,920

show ID or something like that but

1796

01:09:40,359 --> 01:09:39,109

basically through an intimidation tactic

1797

01:09:42,490 --> 01:09:40,369

they hit the panic button and they've

1798

01:09:44,319 --> 01:09:42,500

done this to me a few times when they

1799

01:09:45,819 --> 01:09:44,329

hit the panic button that means there's

1800

01:09:47,620 --> 01:09:45,829

gonna be sheriff's deputies that come

1801  
01:09:49,779 --> 01:09:47,630  
running with guns they're expecting an

1802  
01:09:52,419 --> 01:09:49,789  
emergency when really the court clerk is

1803  
01:09:53,680 --> 01:09:52,429  
just using that to intimidate and so I

1804  
01:09:56,290 --> 01:09:53,690  
just stay calm

1805  
01:09:59,080 --> 01:09:56,300  
maintain my position and those officers

1806  
01:10:01,600 --> 01:09:59,090  
showed up they appropriately addressed

1807  
01:10:04,899 --> 01:10:01,610  
the situation and within a minute or two

1808  
01:10:07,569 --> 01:10:04,909  
they left and they didn't infringe or

1809  
01:10:09,580 --> 01:10:07,579  
anything upon how I was engaged with the

1810  
01:10:11,410 --> 01:10:09,590  
government even though the the court

1811  
01:10:13,060 --> 01:10:11,420  
clerk really did not like at all what I

1812  
01:10:14,410 --> 01:10:13,070  
was saying or how I was going about

1813  
01:10:16,959 --> 01:10:14,420

asserting my authority

1814

01:10:19,060 --> 01:10:16,969

the sheriff's recognized there was no

1815

01:10:21,399 --> 01:10:19,070

breach of the peace and let me go I have

1816

01:10:23,560 --> 01:10:21,409

been placed in handcuffs before I've had

1817

01:10:26,529 --> 01:10:23,570

you know numerous contacts with police

1818

01:10:28,810 --> 01:10:26,539

but for the most part I really can't

1819

01:10:31,029 --> 01:10:28,820

complain about the physical treatment

1820

01:10:33,760 --> 01:10:31,039

that I've received but I credit that to

1821

01:10:35,979 --> 01:10:33,770

paying just rapt attention to playing my

1822

01:10:38,439 --> 01:10:35,989

part and that is making sure that they

1823

01:10:41,410 --> 01:10:38,449

don't ever have use of violence being

1824

01:10:43,270 --> 01:10:41,420

approved by policy mm-hmm Greg we do

1825

01:10:44,859 --> 01:10:43,280

share stories on our show with people

1826

01:10:47,169 --> 01:10:44,869

that are retweeting or emailing or

1827

01:10:48,310 --> 01:10:47,179

chatting us in our chat room about what

1828

01:10:49,450 --> 01:10:48,320

they've done there's a lot of Public

1829

01:10:52,060 --> 01:10:49,460

Records Act requests there's people

1830

01:10:54,490 --> 01:10:52,070

engaging their state senators asking

1831

01:10:57,339 --> 01:10:54,500

about state citizenship Corey got a note

1832

01:10:59,379 --> 01:10:57,349

from a guy that said he was on a tram or

1833

01:11:00,850 --> 01:10:59,389

a subway with a cop inserted I asked him

1834

01:11:02,319 --> 01:11:00,860

about his oath of office and he got

1835

01:11:03,819 --> 01:11:02,329

right off at the next stop and you know

1836

01:11:06,129 --> 01:11:03,829

fled you know didn't want to hear about

1837

01:11:08,049 --> 01:11:06,139

it anymore it's it's a consciousness

1838

01:11:09,399 --> 01:11:08,059

that's happening it's not huge by any

1839

01:11:11,919 --> 01:11:09,409

stretch because everybody's so

1840

01:11:13,779 --> 01:11:11,929

distracted with Hillary and Bernie you

1841

01:11:16,419 --> 01:11:13,789

know and the Trump isms and all that

1842

01:11:19,600 --> 01:11:16,429

stuff but the other thing that I would

1843

01:11:19,990 --> 01:11:19,610

say about you know if you've ever heard

1844

01:11:23,529 --> 01:11:20,000

the term

1845

01:11:26,200 --> 01:11:23,539

tar baby yes yeah so if you know the

1846

01:11:29,649 --> 01:11:26,210

talk if they take Cory if they take Cory

1847

01:11:31,720 --> 01:11:29,659

in and arrest him it's it's a it's a tar

1848

01:11:34,240 --> 01:11:31,730

baby they took his car away it is now a

1849

01:11:36,549 --> 01:11:34,250

tar baby because of them taking his car

1850

01:11:38,529 --> 01:11:36,559

away on the side of the road there is a

1851

01:11:39,939 --> 01:11:38,539

situation now that is uncovered that the

1852

01:11:41,740 --> 01:11:39,949

Secretary of State has sent a letter

1853

01:11:43,299 --> 01:11:41,750

that says they have no oaths of office

1854

01:11:45,700 --> 01:11:43,309

on file for any California Highway

1855

01:11:46,600 --> 01:11:45,710

Patrol officers there's 10,000 officers

1856

01:11:47,920 --> 01:11:46,610

in the state

1857

01:11:49,360 --> 01:11:47,930

they're the secret service of the

1858

01:11:51,430 --> 01:11:49,370

governor and they don't have any oaths

1859

01:11:53,980 --> 01:11:51,440

of office we have it in writing from the

1860

01:11:56,590 --> 01:11:53,990

Secretary of State this it just opens up

1861

01:11:58,660 --> 01:11:56,600

all these other doors so it's Tower baby

1862

01:12:00,580 --> 01:11:58,670

time if you if you get arrested if you

1863

01:12:02,350 --> 01:12:00,590

know what you're doing and you've heard

1864

01:12:03,730 --> 01:12:02,360

yourself properly and you do have to

1865

01:12:05,110 --> 01:12:03,740

have this isn't for everybody

1866

01:12:07,270 --> 01:12:05,120

it just isn't we know that we're not

1867

01:12:09,160 --> 01:12:07,280

expecting B but we're hopeful that you

1868

01:12:10,750 --> 01:12:09,170

know the there's books written about the

1869

01:12:13,180 --> 01:12:10,760

three percenters we've ever heard of

1870

01:12:15,940 --> 01:12:13,190

that term mm-hmm yeah with three percent

1871

01:12:17,680 --> 01:12:15,950

of a populous with civil disobedience or

1872

01:12:19,450 --> 01:12:17,690

asserting themselves you can move a

1873

01:12:22,150 --> 01:12:19,460

society so you know that's you know

1874

01:12:23,830 --> 01:12:22,160

we're at 3.1 percent with agenda 31

1875

01:12:26,110 --> 01:12:23,840

we're hopeful that you can get that kind

1876  
01:12:28,450 --> 01:12:26,120  
of thing going yeah well a great advice

1877  
01:12:29,800 --> 01:12:28,460  
well said and you know from my

1878  
01:12:31,360 --> 01:12:29,810  
perspective if you haven't been in

1879  
01:12:32,650 --> 01:12:31,370  
handcuffs at least once and you're not

1880  
01:12:37,120 --> 01:12:32,660  
living you know you're way too

1881  
01:12:38,440 --> 01:12:37,130  
complacent but guys thanks for sticking

1882  
01:12:40,450 --> 01:12:38,450  
around I know we went a little bit long

1883  
01:12:42,700 --> 01:12:40,460  
this is super interesting I appreciate

1884  
01:12:43,990 --> 01:12:42,710  
what you do very informative and you

1885  
01:12:46,120 --> 01:12:44,000  
guys are fighting the good fight for

1886  
01:12:47,770 --> 01:12:46,130  
people who aren't even aware and in some

1887  
01:12:50,350 --> 01:12:47,780  
cases don't appreciate it so let me

1888  
01:12:51,580 --> 01:12:50,360

thank you on their behalf and mine I'm

1889

01:12:53,380 --> 01:12:51,590

really glad we were able to do this

1890

01:12:55,660 --> 01:12:53,390

before we go please remind the people

1891

01:12:56,340 --> 01:12:55,670

where to dig a little deeper and to

1892

01:13:01,090 --> 01:12:56,350

catch your show

1893

01:13:02,650 --> 01:13:01,100

yeah agenda 3100 RG is the website we

1894

01:13:04,810 --> 01:13:02,660

typically broadcast our show on

1895

01:13:07,660 --> 01:13:04,820

Saturdays it just varies we do a live

1896

01:13:10,030 --> 01:13:07,670

stream at agenda 31 or G slash stream

1897

01:13:12,190 --> 01:13:10,040

you can if you subscribe at our blog

1898

01:13:13,600 --> 01:13:12,200

it's a wordpress blog you see there's a

1899

01:13:15,460 --> 01:13:13,610

subscription button complimentary

1900

01:13:16,990 --> 01:13:15,470

subscription we'll send out a notice

1901

01:13:18,220 --> 01:13:17,000

about an hour two hours before we go

1902

01:13:20,050 --> 01:13:18,230

live if you want to check it out live

1903

01:13:22,530 --> 01:13:20,060

otherwise you can you could get it on

1904

01:13:25,120 --> 01:13:22,540

all the RSS feeds like iTunes and others

1905

01:13:26,890 --> 01:13:25,130

to subscribe we're also played back on

1906

01:13:30,880 --> 01:13:26,900

the no agenda stream at No Agenda Stream

1907

01:13:32,530 --> 01:13:30,890

comm on Thursdays and Sundays after the

1908

01:13:33,850 --> 01:13:32,540

no agendas Show with Adam Korean

1909

01:13:35,920 --> 01:13:33,860

Chauncey Dvorak which is a show I think

1910

01:13:38,470 --> 01:13:35,930

which is a stream I think Greg your show

1911

01:13:39,820 --> 01:13:38,480

should be on as well hahaha yeah we can

1912

01:13:42,100 --> 01:13:39,830

definitely talk about making that happen

1913

01:13:44,350 --> 01:13:42,110

but and I'm Ally do you think just so

1914

01:13:46,870 --> 01:13:44,360

you know if you subscribe to our blog we

1915

01:13:48,820 --> 01:13:46,880

we have one section that is how to make

1916

01:13:50,560 --> 01:13:48,830

a common ID which the price of admission

1917

01:13:52,600 --> 01:13:50,570

is just subscribing to the blog and get

1918

01:13:54,910 --> 01:13:52,610

access to it and you can see Corey's

1919

01:13:56,550 --> 01:13:54,920

comedy my common ID there's a template

1920

01:14:00,160 --> 01:13:56,560

there and some more explanation about it

1921

01:14:02,320 --> 01:14:00,170

nice awesome well Todd Corey

1922

01:14:04,419 --> 01:14:02,330

thanks again keep it up and take care of

1923

01:14:06,130 --> 01:14:04,429

yourselves out there Greg thank you very

1924

01:14:07,240 --> 01:14:06,140

great being excellent talking with you

1925

01:14:10,030 --> 01:14:07,250

yeah you too

1926

01:14:12,640 --> 01:14:10,040

boom there we have it people Todd and

1927

01:14:14,770 --> 01:14:12,650

Corey of agenda 31 at an extra 15

1928

01:14:16,720 --> 01:14:14,780

minutes no less can't complain about

1929

01:14:18,820 --> 01:14:16,730

that big thanks to them for being here

1930

01:14:21,160 --> 01:14:18,830

and big thanks to meme troll on the +

1931

01:14:23,470 --> 01:14:21,170

show forums for the suggestion whenever

1932

01:14:26,740 --> 01:14:23,480

I draw a blank on who to have in the

1933

01:14:29,950 --> 01:14:26,750

show I look at the endless list of

1934

01:14:32,650 --> 01:14:29,960

suggestions on the guest request forum

1935

01:14:34,660 --> 01:14:32,660

and I know I'll never get to a lot of

1936

01:14:36,070 --> 01:14:34,670

them but I thought what Todd and Cory

1937

01:14:38,530 --> 01:14:36,080

are doing was interesting enough to

1938

01:14:40,450 --> 01:14:38,540

dedicate an episode to it and I'm glad

1939

01:14:43,000 --> 01:14:40,460

we did it's a little refreshing to hear

1940

01:14:44,979 --> 01:14:43,010

an alternative to the sovereign citizens

1941

01:14:46,570 --> 01:14:44,989

stuff cuz that seems like more trouble

1942

01:14:48,640 --> 01:14:46,580

than it's worth it almost seems like the

1943

01:14:51,550 --> 01:14:48,650

sovereign citizen stuff could be a big

1944

01:14:52,689 --> 01:14:51,560

distraction from what Todd and Cory are

1945

01:14:55,689 --> 01:14:52,699

doing because there's actually an

1946

01:14:57,700 --> 01:14:55,699

underlying basis for the fight they're

1947

01:14:59,620 --> 01:14:57,710

fighting and I feel bad because I think

1948

01:15:01,510 --> 01:14:59,630

I was a little critical at times during

1949

01:15:03,070 --> 01:15:01,520

the episode but I actually think what

1950

01:15:05,320 --> 01:15:03,080

they're doing is really intriguing and I

1951

01:15:06,580 --> 01:15:05,330

like their low-risk high-reward approach

1952

01:15:08,830 --> 01:15:06,590

I think that's the only way to go about

1953

01:15:10,390 --> 01:15:08,840

it in the modern world but why not mess

1954

01:15:12,459 --> 01:15:10,400

with the system why not draw a little

1955

01:15:16,060 --> 01:15:12,469

attention to the underlying framework

1956

01:15:17,530 --> 01:15:16,070

that they'd rather we ignored I realized

1957

01:15:19,090 --> 01:15:17,540

that if everyone just keeps their head

1958

01:15:21,760 --> 01:15:19,100

down and says I don't want any trouble

1959

01:15:23,439 --> 01:15:21,770

that nothing will ever change so I think

1960

01:15:25,030 --> 01:15:23,449

this is an interesting way to engage

1961

01:15:27,640 --> 01:15:25,040

with the system that's a bit more

1962

01:15:29,890 --> 01:15:27,650

measured than other people in this space

1963

01:15:31,120 --> 01:15:29,900

have talked about in the past I don't

1964

01:15:32,560 --> 01:15:31,130

know if I'm gonna do too much of this

1965

01:15:34,209 --> 01:15:32,570

personally but I might I've been

1966

01:15:36,280 --> 01:15:34,219

thinking about it I mean why the hell

1967

01:15:38,410 --> 01:15:36,290

not but I am gonna keep up with what

1968

01:15:40,630 --> 01:15:38,420

they're doing and how Corey's saga

1969

01:15:42,100 --> 01:15:40,640

unfolds if you like the first hour

1970

01:15:45,700 --> 01:15:42,110

that's really what we talked about in

1971

01:15:47,020 --> 01:15:45,710

the + show we got into how Cory and Todd

1972

01:15:49,270 --> 01:15:47,030

have used these things in their own

1973

01:15:52,180 --> 01:15:49,280

lives and we got into their backgrounds

1974

01:15:54,280 --> 01:15:52,190

and stories a bit too in particular we

1975

01:15:57,100 --> 01:15:54,290

talked about the sunflower seed incident

1976

01:15:59,800 --> 01:15:57,110

and they also gave us more details on

1977

01:16:01,930 --> 01:15:59,810

how to make our own citizen 4 IDs if we

1978

01:16:04,419 --> 01:16:01,940

so choose they just seem like cool

1979

01:16:06,030 --> 01:16:04,429

level-headed like-minded guys and

1980

01:16:08,470 --> 01:16:06,040

they've definitely done their research

1981

01:16:11,169 --> 01:16:08,480

legal research - you got to give a guy

1982

01:16:13,959 --> 01:16:11,179

extra credit for that kind of stuff but

1983

01:16:16,029 --> 01:16:13,969

that's the show many of you probably

1984

01:16:18,310 --> 01:16:16,039

this episode coming in the first THC

1985

01:16:20,709 --> 01:16:18,320

newsletter on the first of the month

1986

01:16:22,899 --> 01:16:20,719

lots of great responses came back to

1987

01:16:24,729 --> 01:16:22,909

that to which I do appreciate sign up at

1988

01:16:27,279 --> 01:16:24,739

the higher side shots calm if you want

1989

01:16:29,049 --> 01:16:27,289

to get in on it next month or don't it's

1990

01:16:30,819 --> 01:16:29,059

just a free little extra thing not a big

1991

01:16:33,459 --> 01:16:30,829

deal but thanks for listening either way

1992

01:16:35,979 --> 01:16:33,469

we have exceeded my wildest dreams I am

1993

01:16:37,989 --> 01:16:35,989

a lucky guy and I hope I can keep

1994

01:16:40,089 --> 01:16:37,999

bringing you great shows with amazing

1995

01:16:42,219 --> 01:16:40,099

guests week after week From Here to

1996

01:16:44,229 --> 01:16:42,229

Eternity and I don't think that's too

1997

01:16:47,469 --> 01:16:44,239

much to ask but it's a long road to

1998

01:16:48,149 --> 01:16:47,479

Eternity and for today I think I've done

1999

01:16:50,830 --> 01:16:48,159

my part

2000

01:17:11,030 --> 01:16:50,840

your move political perpetrators of the

2001  
01:17:21,300 --> 01:17:16,860  
to the game and saw rapport we twist the

2002  
01:17:26,790 --> 01:17:21,310  
siRNA kitted up on the pipeline that he

2003  
01:17:32,370 --> 01:17:26,800  
carries all our pain as we blindly

2004  
01:17:35,850 --> 01:17:32,380  
clapping cheer from the sidelines from

2005  
01:17:52,440 --> 01:17:35,860  
the very start and that's where they

2006  
01:17:52,450 --> 01:18:35,170  
th TV

2007  
01:19:02,360 --> 01:18:44,790  
smoking my free sing

2008  
01:19:02,370 --> 01:19:34,890  
TAC me

2009  
01:19:34,900 --> 01:19:52,090  
small

2010  
01:19:56,000 --> 01:19:54,439  
hey guys thanks for listening to the

2011  
01:19:58,340 --> 01:19:56,010  
first hour of the higher side chats

2012  
01:20:00,410 --> 01:19:58,350  
podcast with me Greg Carl wood if you

2013  
01:20:02,780 --> 01:20:00,420

don't know there is a second hour to all

2014

01:20:04,490 --> 01:20:02,790

the episodes we do around here generally

2015

01:20:06,229 --> 01:20:04,500

we're able to get a lot deeper into the

2016

01:20:08,209 --> 01:20:06,239

topics and ideas that a guest is about

2017

01:20:11,360 --> 01:20:08,219

so if you enjoyed what you've heard from

2018

01:20:13,550 --> 01:20:11,370

THC for free consider signing up at the

2019

01:20:15,530 --> 01:20:13,560

higher side chats plus com to get the

2020

01:20:17,840 --> 01:20:15,540

second hour of the 5 shows I put

2021

01:20:19,729 --> 01:20:17,850

together each month I never really

2022

01:20:21,470 --> 01:20:19,739

wanted to be a paid subscriber podcast

2023

01:20:23,450 --> 01:20:21,480

but I really hate the idea of spending

2024

01:20:25,550 --> 01:20:23,460

airtime promoting some product that's

2025

01:20:27,200 --> 01:20:25,560

completely unrelated and telling you the

2026

01:20:29,990 --> 01:20:27,210

best way to support the show is to buy

2027

01:20:31,880 --> 01:20:30,000

an audio book or new underwear by mail

2028

01:20:34,220 --> 01:20:31,890

or something crazy like that so instead

2029

01:20:35,689 --> 01:20:34,230

if you like the show double your time

2030

01:20:37,910 --> 01:20:35,699

with it for five bucks a month and let's

2031

01:20:39,560 --> 01:20:37,920

cut out all the other [h\_\_h] it's half the

2032

01:20:41,330 --> 01:20:39,570

price of a movie ticket and you get at

2033

01:20:43,939 --> 01:20:41,340

least an extra five hours of show a

2034

01:20:45,740 --> 01:20:43,949

month collectively it keeps us stable

2035

01:20:47,330 --> 01:20:45,750

and it frees me from wasting your time

2036

01:20:49,910 --> 01:20:47,340

with anything but the show you came to

2037

01:20:51,890 --> 01:20:49,920

listen to it's really the only way for

2038

01:20:53,689 --> 01:20:51,900

an independent one-man show to make it

2039

01:20:55,910 --> 01:20:53,699

and I do what I can so that it's worth

2040

01:20:57,890 --> 01:20:55,920

your while since we started this I've

2041

01:20:59,900 --> 01:20:57,900

always tried to use the subscriptions to

2042

01:21:02,479 --> 01:20:59,910

improve the podcast and make signups

2043

01:21:04,400 --> 01:21:02,489

more advantageous it started with just a

2044

01:21:06,050 --> 01:21:04,410

second hour for the main show but now

2045

01:21:08,120 --> 01:21:06,060

we've got a nice forum going where

2046

01:21:09,830 --> 01:21:08,130

people can get deeper in conversation

2047

01:21:12,740 --> 01:21:09,840

about the episodes with other listeners

2048

01:21:14,959 --> 01:21:12,750

submit a candidate in the guest request

2049

01:21:16,459 --> 01:21:14,969

thread or share their own personal

2050

01:21:18,770 --> 01:21:16,469

projects to get out of the soul-crushing

2051

01:21:21,320 --> 01:21:18,780

nine-to-five cog in the wheel life on

2052

01:21:23,000 --> 01:21:21,330

the entrepreneurs thread the forum in

2053

01:21:24,709 --> 01:21:23,010

the Plus comments are always the first

2054

01:21:26,930 --> 01:21:24,719

places I try to go for listener

2055

01:21:29,330 --> 01:21:26,940

engagement but it does get harder as the

2056

01:21:31,160 --> 01:21:29,340

show gets more popular because of that

2057

01:21:32,630 --> 01:21:31,170

there's also a direct messaging feature

2058

01:21:35,450 --> 01:21:32,640

that you can use to reach me through the

2059

01:21:36,979 --> 01:21:35,460

plus site also but beyond the forum if

2060

01:21:39,260 --> 01:21:36,989

you like any of the music I've used for

2061

01:21:41,030 --> 01:21:39,270

THC most of it I've hired artists to

2062

01:21:43,310 --> 01:21:41,040

make and I provided all as free

2063

01:21:44,750 --> 01:21:43,320

downloads to plus members too so if you

2064

01:21:46,939 --> 01:21:44,760

like a particular song you've heard

2065

01:21:49,280 --> 01:21:46,949

close the show out recently come get the

2066

01:21:51,320 --> 01:21:49,290

mp3 I should also mention that if you

2067

01:21:53,660 --> 01:21:51,330

don't like the idea of paying \$5

2068

01:21:55,820 --> 01:21:53,670

recurring every month I get that you can

2069

01:21:58,189 --> 01:21:55,830

buy three months six months or a year

2070

01:21:59,930 --> 01:21:58,199

upfront and just be done with it I have

2071

01:22:02,479 --> 01:21:59,940

plenty of listeners who send checks and

2072

01:22:04,520 --> 01:22:02,489

money orders to the PIO box too I try to

2073

01:22:04,790 --> 01:22:04,530

make it as easy for people as I can and

2074

01:22:06,260 --> 01:22:04,800

you can

2075

01:22:08,990 --> 01:22:06,270

read more about it on the signup page

2076

01:22:10,669 --> 01:22:09,000

also be sure to check out the FAQ help

2077

01:22:12,319 --> 01:22:10,679

page on the plus site if you have any

2078

01:22:14,240 --> 01:22:12,329

questions or concerns about how to

2079

01:22:16,609 --> 01:22:14,250

listen to a password-protected show on

2080

01:22:18,530 --> 01:22:16,619

your devices I've highlighted a lot of

2081

01:22:20,959 --> 01:22:18,540

great solutions and one of those would

2082

01:22:23,660 --> 01:22:20,969

be the iPhone app that just recently hit

2083

01:22:25,790 --> 01:22:23,670

the Apple App Store a super kind and

2084

01:22:27,649 --> 01:22:25,800

talented listener made it for us and you

2085

01:22:29,810 --> 01:22:27,659

can use it to stream or download either

2086

01:22:32,780 --> 01:22:29,820

the free or the plus show if you're on

2087

01:22:34,339 --> 01:22:32,790

Android I'd use pocket casts or podcast

2088

01:22:36,950 --> 01:22:34,349

addict and subscribe to the feed

2089

01:22:39,649 --> 01:22:36,960

manually that way I also try to throw an

2090

01:22:41,629 --> 01:22:39,659

occasional bonus shows or QA shows and

2091

01:22:43,819 --> 01:22:41,639

I've got a few other weird ideas I might

2092

01:22:45,740 --> 01:22:43,829

get to try out soon but I give you all I

2093

01:22:47,419 --> 01:22:45,750

can for five bucks and I hope you'll at

2094

01:22:49,129 --> 01:22:47,429

least give it a shot if you've listened

2095

01:22:50,870 --> 01:22:49,139

to a few free shows and you find them

2096

01:22:52,700 --> 01:22:50,880

unique or valuable I know there's a lot

2097

01:22:54,830 --> 01:22:52,710

of podcasts out there and I'm just one

2098

01:22:56,660 --> 01:22:54,840

of them but if you have any questions

2099

01:22:58,189 --> 01:22:56,670

concerns or comments about any of this

2100

01:23:01,040 --> 01:22:58,199

please get in touch with us at the

2101  
01:23:02,990 --> 01:23:01,050  
higher side chats team at gmail.com I

2102  
01:23:04,399 --> 01:23:03,000  
also wanted to plug the higher side

2103  
01:23:06,229 --> 01:23:04,409  
newsletter I'm gonna be putting out

2104  
01:23:08,479 --> 01:23:06,239  
totally free for anyone who wants to

2105  
01:23:10,879 --> 01:23:08,489  
sign up at the main Internet web site

2106  
01:23:12,740 --> 01:23:10,889  
for the show the higher side chats com

2107  
01:23:14,540 --> 01:23:12,750  
you can also get on that email list

2108  
01:23:16,850 --> 01:23:14,550  
through the higher side chats Facebook

2109  
01:23:18,319 --> 01:23:16,860  
page there's a button there as well but

2110  
01:23:20,839 --> 01:23:18,329  
the reason I'm doing this is because I

2111  
01:23:22,700 --> 01:23:20,849  
get tons and tons of emails after a show

2112  
01:23:24,830 --> 01:23:22,710  
goes up asking me about how I feel about

2113  
01:23:26,390 --> 01:23:24,840

a particular guest or topic and the

2114

01:23:26,930 --> 01:23:26,400

wrap-up isn't always the best place to

2115

01:23:28,549 --> 01:23:26,940

do that

2116

01:23:30,530 --> 01:23:28,559

especially if I have anything negative

2117

01:23:32,240 --> 01:23:30,540

to say sometimes the dust needs to

2118

01:23:34,729 --> 01:23:32,250

settle sometimes they need to hear

2119

01:23:36,290 --> 01:23:34,739

feedback from you guys first there are a

2120

01:23:37,879 --> 01:23:36,300

lot of factors but I usually have

2121

01:23:40,339 --> 01:23:37,889

something to communicate to you and I

2122

01:23:40,850 --> 01:23:40,349

just don't get to do it so on the first

2123

01:23:42,500 --> 01:23:40,860

of the month

2124

01:23:44,149 --> 01:23:42,510

I plan to send out a little newsletter

2125

01:23:46,220 --> 01:23:44,159

with my thoughts about the five shows

2126  
01:23:48,260 --> 01:23:46,230  
the previous month and talk to you about

2127  
01:23:50,629 --> 01:23:48,270  
anything else that's on my mind or

2128  
01:23:52,549 --> 01:23:50,639  
that's going on and what's probably most

2129  
01:23:54,200 --> 01:23:52,559  
enticing is that I'm gonna give you some

2130  
01:23:56,510 --> 01:23:54,210  
insight into at least one guest I have

2131  
01:23:58,520 --> 01:23:56,520  
coming up in the month which people have

2132  
01:24:00,740 --> 01:23:58,530  
been begging for some posted schedule

2133  
01:24:02,689 --> 01:24:00,750  
for a long time I personally think I'd

2134  
01:24:04,520 --> 01:24:02,699  
like the surprise but sign up for the

2135  
01:24:06,109 --> 01:24:04,530  
higher side newsletter it's free it

2136  
01:24:07,640 --> 01:24:06,119  
comes out on the 1st of the month and I

2137  
01:24:10,399 --> 01:24:07,650  
won't waste your time with any other

2138  
01:24:12,080 --> 01:24:10,409

emails and that's it I appreciate you

2139

01:24:14,240 --> 01:24:12,090

listening I try to give alternative

2140

01:24:16,609 --> 01:24:14,250

ideas and guess a fair shake on a high

2141

01:24:18,740 --> 01:24:16,619

quality podcast expose some deep level

2142

01:24:20,690 --> 01:24:18,750

conspiracies without the yelling

2143

01:24:22,430 --> 01:24:20,700

and I hope to offer some inspiration

2144

01:24:24,080 --> 01:24:22,440

that even though the system relentlessly

2145

01:24:26,540 --> 01:24:24,090

suggests you should follow their

2146

01:24:28,250 --> 01:24:26,550

blueprint to mediocrity you can do your

2147

01:24:30,230 --> 01:24:28,260

own thing and live a much happier life

2148

01:24:33,050 --> 01:24:30,240

despite all the negativity in the world
