

1
00:00:08,330 --> 00:00:06,530
the plaintiff thought the masters almost

2
00:00:10,610 --> 00:00:08,340
surely have a plan

3
00:00:13,160 --> 00:00:10,620
this clearly maybe something there

4
00:00:18,870 --> 00:00:13,170
beyond the realm of man

5
00:00:38,819 --> 00:00:22,269
unless you really do that's true dr.

6
00:00:38,829 --> 00:00:41,960
ciao

7
00:00:47,040 --> 00:00:44,639
all right folks were no stranger to the

8
00:00:48,720 --> 00:00:47,050
et abduction scenario as anybody with an

9
00:00:50,250 --> 00:00:48,730
interest can pour over countless cases

10
00:00:52,290 --> 00:00:50,260
stretching back decades and even

11
00:00:54,630 --> 00:00:52,300
centuries but a lesser talked-about

12
00:00:56,700 --> 00:00:54,640
phenomenon are the military abductions

13
00:00:58,829 --> 00:00:56,710

or mill abs where shadow state and black

14

00:01:00,869 --> 00:00:58,839

ops groups follow up on genuine ET

15

00:01:02,549 --> 00:01:00,879

experiences with their own simulated

16

00:01:04,890 --> 00:01:02,559

abductions and interrogations and

17

00:01:06,719 --> 00:01:04,900

shining a spotlight on this slice of the

18

00:01:08,100 --> 00:01:06,729

pie can be even more insightful when we

19

00:01:10,200 --> 00:01:08,110

try to get a grip on the big picture

20

00:01:12,630 --> 00:01:10,210

because we get indications of who knows

21

00:01:14,400 --> 00:01:12,640

what who's working with who and what the

22

00:01:16,650 --> 00:01:14,410

deeper motivations might be behind all

23

00:01:18,600 --> 00:01:16,660

this high strangeness well today's guest

24

00:01:20,400 --> 00:01:18,610

Melinda Lesley is just the person to

25

00:01:22,380 --> 00:01:20,410

talk to because not only has she had her

26

00:01:24,120 --> 00:01:22,390

own life long string of occasional

27

00:01:27,810 --> 00:01:24,130

encounters with these beans and of

28

00:01:29,370 --> 00:01:27,820

course about 8 million recall she's also

29

00:01:31,290 --> 00:01:29,380

interviewed over a hundred fellow

30

00:01:33,359 --> 00:01:31,300

experiencers and as a result has a

31

00:01:35,160 --> 00:01:33,369

pretty well educated opinion on some of

32

00:01:37,469 --> 00:01:35,170

the major commonalities and possible

33

00:01:40,080 --> 00:01:37,479

agendas but that's not all folks she

34

00:01:42,150 --> 00:01:40,090

also leads night-vision goggle clad UFO

35

00:01:44,550 --> 00:01:42,160

tours in the desert of Arizona with a

36

00:01:46,139 --> 00:01:44,560

near-perfect sighting record as well as

37

00:01:47,820 --> 00:01:46,149

being a medium and psychic who

38

00:01:50,010 --> 00:01:47,830

specializes in connecting with one

39

00:01:51,719 --> 00:01:50,020

spirit guides you've seen her on TV and

40

00:01:53,279 --> 00:01:51,729

conferences around the country as well

41

00:01:55,080 --> 00:01:53,289

as her tour on coast to coast and all

42

00:01:56,760 --> 00:01:55,090

the other major hubs of weird and it's

43

00:01:59,339 --> 00:01:56,770

an honor to have her here today Melinda

44

00:02:01,290 --> 00:01:59,349

Leslie welcome to the higher side thank

45

00:02:02,820 --> 00:02:01,300

you great thank you for having me well

46

00:02:04,620 --> 00:02:02,830

thanks so much for being here this is

47

00:02:06,809 --> 00:02:04,630

really exciting as you know I recently

48

00:02:08,850 --> 00:02:06,819

had Robert Guffey on to talk about his

49

00:02:10,770 --> 00:02:08,860

book camellia which details the case of

50

00:02:13,380 --> 00:02:10,780

military gang stalking and electronic

51
00:02:15,120 --> 00:02:13,390
harassment here in San Diego and as we

52
00:02:17,160 --> 00:02:15,130
got deeper into things like mill abbe

53
00:02:19,500 --> 00:02:17,170
experiences and eerie corporate

54
00:02:21,479 --> 00:02:19,510
connections here in town your name came

55
00:02:23,850 --> 00:02:21,489
up is the real go-to person to find out

56
00:02:25,770 --> 00:02:23,860
more so this is a real treat for me but

57
00:02:28,050 --> 00:02:25,780
to start this off I've heard mill Ave

58
00:02:30,030 --> 00:02:28,060
experiences described in a couple of

59
00:02:31,680 --> 00:02:30,040
different ways that the shadow State is

60
00:02:33,869 --> 00:02:31,690
doing all this to try to play catch up

61
00:02:37,170 --> 00:02:33,879
and investigate the genuine abduction

62
00:02:39,030 --> 00:02:37,180
phenomenon that the UFO experiences of

63
00:02:40,770 --> 00:02:39,040

the past few decades were just a cover

64

00:02:43,440 --> 00:02:40,780

and then it's been military the whole

65

00:02:45,510 --> 00:02:43,450

time and of course the third option that

66

00:02:47,760 --> 00:02:45,520

they're working together so to clarify

67

00:02:49,580 --> 00:02:47,770

give us a better idea of how you define

68

00:02:52,319 --> 00:02:49,590

the mill AB experience

69

00:02:54,930 --> 00:02:52,329

well first off I'll let people know I

70

00:02:57,020 --> 00:02:54,940

don't like that term right I didn't know

71

00:03:01,140 --> 00:02:57,030

and the reason is I think it's extremely

72

00:03:03,840 --> 00:03:01,150

limiting it leads one to think that it

73

00:03:06,480 --> 00:03:03,850

is all military or that the only people

74

00:03:08,070 --> 00:03:06,490

involved in this are military and so it

75

00:03:12,000 --> 00:03:08,080

really falls short from even coming

76

00:03:18,570 --> 00:03:12,010

close to describing it it's any covert

77

00:03:21,030 --> 00:03:18,580

human organization involved in the in

78

00:03:23,460 --> 00:03:21,040

the abduct a lien abduction scenario and

79

00:03:26,460 --> 00:03:23,470

it's also come to mean things that have

80

00:03:29,010 --> 00:03:26,470

stuff going on that has no relationship

81

00:03:32,340 --> 00:03:29,020

to alien abduction in my research I

82

00:03:34,200 --> 00:03:32,350

focus on people who have had alien or

83

00:03:37,470 --> 00:03:34,210

extraterrestrial abductions who then get

84

00:03:40,830 --> 00:03:37,480

targeted by covert human agencies now

85

00:03:42,690 --> 00:03:40,840

sometimes these agencies are military as

86

00:03:45,870 --> 00:03:42,700

far as they have military uniforms and

87

00:03:49,890 --> 00:03:45,880

their military bases and etc and

88

00:03:52,470 --> 00:03:49,900

military equipment and sometimes they

89

00:03:53,970 --> 00:03:52,480

seem to be more like covert human

90

00:03:57,120 --> 00:03:53,980

organizations like intelligence

91

00:04:00,380 --> 00:03:57,130

organizations and offshoots of that I

92

00:04:03,060 --> 00:04:00,390

mean that's not just one body that's

93

00:04:06,690 --> 00:04:03,070

it's like a huge octopus with multiple

94

00:04:08,760 --> 00:04:06,700

arms so there can be multiple branches

95

00:04:09,750 --> 00:04:08,770

and groups within groups and that kind

96

00:04:10,980 --> 00:04:09,760

of thing and it's extremely

97

00:04:13,650 --> 00:04:10,990

compartmentalized

98

00:04:16,050 --> 00:04:13,660

and you can be having involvement with

99

00:04:18,599 --> 00:04:16,060

more than one group or more than one

100

00:04:22,159 --> 00:04:18,609

aspect of that at one time and again on

101
00:04:24,600 --> 00:04:22,169
my research I choose to limit it to

102
00:04:27,330 --> 00:04:24,610
because otherwise it gets just too big

103
00:04:29,159 --> 00:04:27,340
too broad too much into various

104
00:04:31,500 --> 00:04:29,169
mind-control subjects and whatnot and

105
00:04:34,560 --> 00:04:31,510
that's all well and good and certainly I

106
00:04:37,140 --> 00:04:34,570
come across search but I'd really choose

107
00:04:40,050 --> 00:04:37,150
for mine to have a very specific focus

108
00:04:41,790 --> 00:04:40,060
of people who've had alien abduction or

109
00:04:44,520 --> 00:04:41,800
you know extraterrestrial abduction who

110
00:04:46,500 --> 00:04:44,530
then get targeted mm-hm and and it's

111
00:04:49,230 --> 00:04:46,510
because they're very real abject ease

112
00:04:51,240 --> 00:04:49,240
now with what you're just saying we're

113
00:04:53,640 --> 00:04:51,250

know some people say it's all military

114

00:04:56,040 --> 00:04:53,650

well that rules out all the experiences

115

00:04:59,700 --> 00:04:56,050

where people are seeing military and ETS

116

00:05:02,640 --> 00:04:59,710

combined right and I think one of the

117

00:05:03,690 --> 00:05:02,650

other things you said is it's all one of

118

00:05:06,690 --> 00:05:03,700

the theories is that they're

119

00:05:09,280 --> 00:05:06,700

investigating it well no

120

00:05:12,370 --> 00:05:09,290

no no they're working with them and

121

00:05:15,580 --> 00:05:12,380

they're actually a whole bunch of things

122

00:05:18,430 --> 00:05:15,590

are going on but one of the things kind

123

00:05:20,980 --> 00:05:18,440

of like down the road in the experiences

124

00:05:23,920 --> 00:05:20,990

if you start to have this it starts one

125

00:05:26,500 --> 00:05:23,930

way it kind of ramps up by actually in

126
00:05:28,750 --> 00:05:26,510
my presentations I showed this diagram I

127
00:05:30,760 --> 00:05:28,760
made of like a curve you know going

128
00:05:32,530 --> 00:05:30,770
along and then you know like a kind like

129
00:05:34,450 --> 00:05:32,540
a bar chart you know but a curved line

130
00:05:36,610 --> 00:05:34,460
going up and I say it starts like this

131
00:05:38,470 --> 00:05:36,620
and then it escalates escalates

132
00:05:42,340 --> 00:05:38,480
escalates and at any point you can

133
00:05:45,580 --> 00:05:42,350
repeat any portion of that but the the

134
00:05:48,960 --> 00:05:45,590
thing I have it escalating to way down

135
00:05:52,060 --> 00:05:48,970
the road is people being recruited into

136
00:05:54,430 --> 00:05:52,070
these programs to participate themselves

137
00:05:56,920 --> 00:05:54,440
and there's a whole string of programs

138
00:05:58,810 --> 00:05:56,930

that people get recruited in everything

139

00:06:01,660 --> 00:05:58,820

from things that fall under the category

140

00:06:03,340 --> 00:06:01,670

of secret space program to things that

141

00:06:05,920 --> 00:06:03,350

fall under the category of mind-control

142

00:06:08,680 --> 00:06:05,930

to things that fall into the categories

143

00:06:11,860 --> 00:06:08,690

of time travel programs and of course

144

00:06:13,720 --> 00:06:11,870

the SCI paranormal programs you know and

145

00:06:16,270 --> 00:06:13,730

those are just some of them you know so

146

00:06:17,830 --> 00:06:16,280

you fit into any one of those programs

147

00:06:20,350 --> 00:06:17,840

oh and another one would be ET

148

00:06:22,300 --> 00:06:20,360

communication programs where you're use

149

00:06:25,120 --> 00:06:22,310

as a communicator with DTS and then

150

00:06:27,640 --> 00:06:25,130

another program might be to become a

151
00:06:30,040 --> 00:06:27,650
perpetrator of the mylabs and so some of

152
00:06:33,460 --> 00:06:30,050
the guys who are doing my labs started

153
00:06:35,800 --> 00:06:33,470
off as APNIC T's and got recruited hmm

154
00:06:38,100 --> 00:06:35,810
often those people then at some point

155
00:06:41,110 --> 00:06:38,110
had a military or intelligence

156
00:06:43,480 --> 00:06:41,120
background so that combined with being

157
00:06:48,310 --> 00:06:43,490
the abductee you know and and that's

158
00:06:50,920 --> 00:06:48,320
just it eat your chances of having the

159
00:06:53,290 --> 00:06:50,930
my lab stuff goes up exponentially

160
00:06:54,970 --> 00:06:53,300
depending on your background your

161
00:06:57,760 --> 00:06:54,980
family's background in a variety of

162
00:06:59,860 --> 00:06:57,770
things right as we know alien abductions

163
00:07:03,640 --> 00:06:59,870

runs in families that has been long

164

00:07:05,410 --> 00:07:03,650

proven in abduction research that if

165

00:07:07,060 --> 00:07:05,420

you're an app dick T you find it happen

166

00:07:09,550 --> 00:07:07,070

to your parents you have kids it happens

167

00:07:11,740 --> 00:07:09,560

to them I mean three generations is

168

00:07:13,469 --> 00:07:11,750

common like almost all abdic T's realize

169

00:07:16,270 --> 00:07:13,479

that there's a third generation thing

170

00:07:17,950 --> 00:07:16,280

now if for a long time there's been a

171

00:07:19,290 --> 00:07:17,960

lot of fourth generations now we're even

172

00:07:22,559 --> 00:07:19,300

starting to see

173

00:07:25,649 --> 00:07:22,569

generation so we realize that this goes

174

00:07:27,420 --> 00:07:25,659

back in families and and then it a

175

00:07:30,779 --> 00:07:27,430

synaptic tea when you have kids it goes

176
00:07:33,510 --> 00:07:30,789
forward in your family you know so and

177
00:07:35,939 --> 00:07:33,520
we know that well it's also true with

178
00:07:38,279 --> 00:07:35,949
the my lab experience it often runs in

179
00:07:39,960 --> 00:07:38,289
families as well much for the same

180
00:07:42,149 --> 00:07:39,970
reason if they're following you as an

181
00:07:44,010 --> 00:07:42,159
abductee they may have followed your

182
00:07:46,379 --> 00:07:44,020
parents the reason you're probably being

183
00:07:48,390 --> 00:07:46,389
targeted is your parents already had

184
00:07:52,080 --> 00:07:48,400
involvement and there starts to be these

185
00:07:55,939 --> 00:07:52,090
patterns like people's parents were

186
00:07:58,409 --> 00:07:55,949
maybe in in intelligence in some way in

187
00:08:01,920 --> 00:07:58,419
not just military because you know

188
00:08:05,879 --> 00:08:01,930

people probably your age and my age and

189

00:08:08,129 --> 00:08:05,889

you know or certainly anyone who's maybe

190

00:08:10,649 --> 00:08:08,139

30 and older or certainly 50 and older

191

00:08:12,570 --> 00:08:10,659

for certain is gonna have parents that

192

00:08:14,520 --> 00:08:12,580

were probably in the military at least a

193

00:08:17,700 --> 00:08:14,530

father that was mm-hm and that's because

194

00:08:20,520 --> 00:08:17,710

of world war ii or vietnam is just so

195

00:08:21,719 --> 00:08:20,530

prevalent but so military loan doesn't

196

00:08:24,269 --> 00:08:21,729

necessarily mean anything but if they

197

00:08:30,559 --> 00:08:24,279

were higher-level military if they were

198

00:08:34,589 --> 00:08:30,569

officer if a parent or a close relative

199

00:08:36,569 --> 00:08:34,599

was in the intelligence community was in

200

00:08:39,600 --> 00:08:36,579

the aerospace community again

201
00:08:42,920 --> 00:08:39,610
particularly if their higher level if

202
00:08:45,600 --> 00:08:42,930
they were deep into secret society stuff

203
00:08:47,970 --> 00:08:45,610
so these are things that start to add up

204
00:08:49,889 --> 00:08:47,980
and a lot of these MyLab cases go

205
00:08:52,410 --> 00:08:49,899
ding-ding-ding on multiple combinations

206
00:08:54,269 --> 00:08:52,420
in them right and and it could be you

207
00:08:57,180 --> 00:08:54,279
know because of you because of that

208
00:08:59,639 --> 00:08:57,190
parent or that grandparent is why they

209
00:09:02,430 --> 00:08:59,649
watch for what are the what was gonna

210
00:09:05,939 --> 00:09:02,440
happen to the kids you know and if you

211
00:09:08,699 --> 00:09:05,949
end up being extremely intelligent

212
00:09:11,220 --> 00:09:08,709
if you end up being extremely you know

213
00:09:14,490 --> 00:09:11,230

psychic or have paranormal abilities if

214

00:09:16,769 --> 00:09:14,500

you end up being an alien abductee you

215

00:09:19,380 --> 00:09:16,779

could get targeted and recruited and

216

00:09:21,300 --> 00:09:19,390

often that's that's the same series of

217

00:09:23,910 --> 00:09:21,310

events that happens for people who get

218

00:09:25,920 --> 00:09:23,920

taken into a mind-control program even

219

00:09:26,660 --> 00:09:25,930

if it has seemingly nothing to do with

220

00:09:28,920 --> 00:09:26,670

anything

221

00:09:30,930 --> 00:09:28,930

extraterrestrial it seems to be that

222

00:09:33,120 --> 00:09:30,940

it's recruited and again it runs in

223

00:09:35,670 --> 00:09:33,130

families well same with this it's

224

00:09:37,620 --> 00:09:35,680

like they're using the same I don't know

225

00:09:39,570 --> 00:09:37,630

what I'm trying to say template yeah the

226

00:09:41,280 --> 00:09:39,580

same yeah perfect word perfect word a

227

00:09:42,780 --> 00:09:41,290

lot of words we're starting to come up

228

00:09:46,020 --> 00:09:42,790

but that's the perfect word the same

229

00:09:48,930 --> 00:09:46,030

template our template for finding these

230

00:09:51,900 --> 00:09:48,940

individuals and using them etc etc now a

231

00:09:55,980 --> 00:09:51,910

lot of times some abductees just have

232

00:09:58,320 --> 00:09:55,990

really low-grade harassment surveillance

233

00:10:00,300 --> 00:09:58,330

stuff yes and they kind of and it can

234

00:10:02,250 --> 00:10:00,310

stop in other words there may be where

235

00:10:05,070 --> 00:10:02,260

they start to kind of monitor you like

236

00:10:06,960 --> 00:10:05,080

are we interested in this person do they

237

00:10:08,580 --> 00:10:06,970

know enough about their experience you

238

00:10:12,810 --> 00:10:08,590

know do they have the things we're

239

00:10:14,280 --> 00:10:12,820

looking for and if not then that can

240

00:10:16,650 --> 00:10:14,290

kind of happen and then it kind of dies

241

00:10:18,180 --> 00:10:16,660

off so I know it a lot of abdic T's who

242

00:10:20,310 --> 00:10:18,190

had a certain amount of stuff and then

243

00:10:21,960 --> 00:10:20,320

that it just ends there but like I said

244

00:10:23,400 --> 00:10:21,970

then it can ramp up to the next thing

245

00:10:25,290 --> 00:10:23,410

and the next thing and the next thing

246

00:10:28,280 --> 00:10:25,300

and before you know it you're going up

247

00:10:31,710 --> 00:10:28,290

this curve mm-hmm where you end up in a

248

00:10:34,080 --> 00:10:31,720

Sai program a alien communication

249

00:10:36,720 --> 00:10:34,090

program the secret space program you

250

00:10:38,880 --> 00:10:36,730

know oh that far or you become a

251
00:10:40,680 --> 00:10:38,890
perpetrator I mean to me got a woman

252
00:10:43,680 --> 00:10:40,690
who's a perpetrator I'm sure they must

253
00:10:46,260 --> 00:10:43,690
exist but so far I've met a few guys and

254
00:10:48,660 --> 00:10:46,270
in every case they started out being

255
00:10:52,080 --> 00:10:48,670
alien abductee well if you can't beat

256
00:10:56,250 --> 00:10:52,090
them join them you know well tell you

257
00:10:58,710 --> 00:10:56,260
this the usual case is that it is

258
00:11:01,170 --> 00:10:58,720
against their will the usual case is

259
00:11:03,450 --> 00:11:01,180
it's in still like an abduction related

260
00:11:05,610 --> 00:11:03,460
scenario they're under mind control it's

261
00:11:09,780 --> 00:11:05,620
not something they made a choice to

262
00:11:12,150 --> 00:11:09,790
participate in in with a few of them yes

263
00:11:15,500 --> 00:11:12,160

they made a choice and and it usually

264

00:11:19,710 --> 00:11:15,510

became because they were recruited into

265

00:11:22,350 --> 00:11:19,720

secret operations often military related

266

00:11:24,510 --> 00:11:22,360

or intelligence related usually out of

267

00:11:26,730 --> 00:11:24,520

the military so those guys that were in

268

00:11:30,450 --> 00:11:26,740

the military or in the intelligence

269

00:11:32,730 --> 00:11:30,460

community who then get recruited but

270

00:11:35,610 --> 00:11:32,740

also happened to be alien abductees some

271

00:11:38,790 --> 00:11:35,620

of them it's it's a choice in their

272

00:11:40,980 --> 00:11:38,800

participation but I've met guys that it

273

00:11:43,710 --> 00:11:40,990

is done in an altered state under

274

00:11:45,600 --> 00:11:43,720

drugged or hypnosis or so it's seemingly

275

00:11:46,560 --> 00:11:45,610

the same kind of event like an abduction

276

00:11:47,910 --> 00:11:46,570

event

277

00:11:49,920 --> 00:11:47,920

except for their use used as a

278

00:11:52,860 --> 00:11:49,930

perpetrator and that's really a really

279

00:11:54,660 --> 00:11:52,870

unfortunate I think they want your

280

00:11:56,790 --> 00:11:54,670

cooperation but they're gonna use you

281

00:11:58,710 --> 00:11:56,800

whether they get it or not maybe right

282

00:12:01,020 --> 00:11:58,720

unfortunately you know I mean I know

283

00:12:04,050 --> 00:12:01,030

this sounds pretty dark but it can be

284

00:12:06,120 --> 00:12:04,060

and I've fortunately come across all

285

00:12:08,580 --> 00:12:06,130

this to go OK ice you know that's where

286

00:12:10,470 --> 00:12:08,590

I started to come up with this pattern

287

00:12:12,720 --> 00:12:10,480

of this you know ramping up in someone's

288

00:12:14,550 --> 00:12:12,730

life and and it can start really low

289

00:12:17,190 --> 00:12:14,560

great and and interestingly enough you

290

00:12:20,030 --> 00:12:17,200

know even on my timeline I don't have

291

00:12:22,680 --> 00:12:20,040

that it starts with the alien abduction

292

00:12:25,470 --> 00:12:22,690

you know on this line I have a couple

293

00:12:27,510 --> 00:12:25,480

things before that on the timeline if

294

00:12:30,030 --> 00:12:27,520

you will of how it can ramp up for

295

00:12:32,220 --> 00:12:30,040

instance what makes you an alien

296

00:12:34,950 --> 00:12:32,230

abductee can go back in your family as

297

00:12:37,380 --> 00:12:34,960

we just said so it can be family

298

00:12:40,320 --> 00:12:37,390

involvement in any of those programs

299

00:12:42,150 --> 00:12:40,330

that I mentioned it can be and like I

300

00:12:45,500 --> 00:12:42,160

said then the secret society stuff it

301

00:12:49,140 --> 00:12:45,510

can also be involved in the aerospace

302

00:12:50,790 --> 00:12:49,150

engineering programmer or NASA or in you

303

00:12:53,040 --> 00:12:50,800

know ER or the intelligence community or

304

00:12:55,200 --> 00:12:53,050

high-level military or any combination

305

00:12:58,320 --> 00:12:55,210

thereof you know but as those things go

306

00:13:00,930 --> 00:12:58,330

back so that can all exist long before

307

00:13:03,810 --> 00:13:00,940

you ever realize or even have an alien

308

00:13:05,790 --> 00:13:03,820

abduction and of course alien abductions

309

00:13:08,550 --> 00:13:05,800

themselves can go back in your family

310

00:13:12,750 --> 00:13:08,560

and and then there's a historical

311

00:13:15,360 --> 00:13:12,760

pattern going back even into not to make

312

00:13:16,830 --> 00:13:15,370

a cheap connection here but I mean this

313

00:13:19,800 --> 00:13:16,840

very seriously because they've actually

314

00:13:21,840 --> 00:13:19,810

addressed it on the show ancient aliens

315

00:13:23,190 --> 00:13:21,850

where they've addressed not only of

316

00:13:25,050 --> 00:13:23,200

course it's all about the historical

317

00:13:28,140 --> 00:13:25,060

connection but they've even gotten back

318

00:13:29,490 --> 00:13:28,150

to the elite and those in power and

319

00:13:32,040 --> 00:13:29,500

those in military and those and

320

00:13:34,020 --> 00:13:32,050

intelligence going back in history were

321

00:13:35,460 --> 00:13:34,030

involved in this you know make address

322

00:13:38,850 --> 00:13:35,470

that a couple times you go okay this

323

00:13:43,260 --> 00:13:38,860

goes way back but for the individual it

324

00:13:44,970 --> 00:13:43,270

can go back in your family not only just

325

00:13:47,640 --> 00:13:44,980

the alien abduction of course that can

326

00:13:50,370 --> 00:13:47,650

but also these other things these other

327

00:13:52,470 --> 00:13:50,380

areas involvement and so all that can

328

00:13:57,060 --> 00:13:52,480

pre exist and then even as an advocate

329

00:13:58,680 --> 00:13:57,070

It often you start to have some kind of

330

00:14:00,840 --> 00:13:58,690

communication with ETS

331

00:14:03,329 --> 00:14:00,850

before you have a physical of

332

00:14:05,700 --> 00:14:03,339

now most optic T's it starts in

333

00:14:08,100 --> 00:14:05,710

childhood so it's real hard to pinpoint

334

00:14:10,260 --> 00:14:08,110

that but in a few cases where maybe it

335

00:14:12,960 --> 00:14:10,270

started a little later in life there was

336

00:14:16,019 --> 00:14:12,970

some involvement it's very common for an

337

00:14:18,360 --> 00:14:16,029

object or at least that involvement is

338

00:14:20,970 --> 00:14:18,370

what causes you to then realize you've

339

00:14:23,430 --> 00:14:20,980

had this all along like with me I didn't

340

00:14:26,310 --> 00:14:23,440

find out I had alien abductions till

341

00:14:26,870 --> 00:14:26,320

1989 but it turned out I had had them my

342

00:14:30,060 --> 00:14:26,880

whole life

343

00:14:32,610 --> 00:14:30,070

mm-hmm and it turns out once I start

344

00:14:34,800 --> 00:14:32,620

doing all this research of course my own

345

00:14:37,050 --> 00:14:34,810

dad and my own families I start checking

346

00:14:39,150 --> 00:14:37,060

off those things I was coming up for

347

00:14:41,180 --> 00:14:39,160

other people and I just start go well do

348

00:14:45,329 --> 00:14:41,190

I have that oh [\h__\h] yeah I do

349

00:14:48,510 --> 00:14:45,339

my language but no worries that

350

00:14:50,460 --> 00:14:48,520

Internet's like cable TV absolutely we

351
00:14:52,230 --> 00:14:50,470
are like HBO here say whatever the hell

352
00:14:55,350 --> 00:14:52,240
you need to say what's interesting about

353
00:14:57,960 --> 00:14:55,360
the family lines thing is that so many

354
00:15:00,060 --> 00:14:57,970
of us who aren't involved in it or just

355
00:15:01,460 --> 00:15:00,070
you know our enthusiasts in it a lot of

356
00:15:04,290 --> 00:15:01,470
people want some kind of verification

357
00:15:06,300 --> 00:15:04,300
that these things happen and since we

358
00:15:08,240 --> 00:15:06,310
know the exact families that are being

359
00:15:10,620 --> 00:15:08,250
taken it seems like we should be able to

360
00:15:13,500 --> 00:15:10,630
monitor those people and catch them in

361
00:15:16,199 --> 00:15:13,510
the act and in some regard has that ever

362
00:15:19,650 --> 00:15:16,209
been attempted no we're not that far

363
00:15:21,900 --> 00:15:19,660

down the road there's a lot of things

364

00:15:24,900 --> 00:15:21,910

even an alien abduction research there's

365

00:15:28,019 --> 00:15:24,910

so much that can be done and i-i-i used

366

00:15:29,670 --> 00:15:28,029

to joke with bud and john mack and dave

367

00:15:32,519 --> 00:15:29,680

and stuff date still life but the other

368

00:15:34,680 --> 00:15:32,529

to her past unfortunately and i involved

369

00:15:37,710 --> 00:15:34,690

very much with Yvonne Smith and Barbara

370

00:15:43,260 --> 00:15:37,720

Lam and you know I said tried cetera

371

00:15:45,630 --> 00:15:43,270

Kathleen Martina but um there's kind of

372

00:15:47,690 --> 00:15:45,640

this thing like it's it's we're so

373

00:15:50,730 --> 00:15:47,700

caught up in triage it's all about

374

00:15:52,470 --> 00:15:50,740

helping the traumatized abdic T figure

375

00:15:54,990 --> 00:15:52,480

out is this really going on what's going

376

00:15:57,030 --> 00:15:55,000

on you know is there physical evidence

377

00:15:58,319 --> 00:15:57,040

and helping them come to terms with it

378

00:16:01,530 --> 00:15:58,329

and getting them in some kind of support

379

00:16:04,260 --> 00:16:01,540

mm-hmm but that's where it keeps just

380

00:16:06,810 --> 00:16:04,270

cycling through a grenade on that in the

381

00:16:08,730 --> 00:16:06,820

research because it's so much about

382

00:16:11,400 --> 00:16:08,740

trying to help that person and help that

383

00:16:13,290 --> 00:16:11,410

person integrate it into their life and

384

00:16:14,290 --> 00:16:13,300

live with it and feel supported and

385

00:16:16,780 --> 00:16:14,300

filled whole and

386

00:16:21,070 --> 00:16:16,790

all healed that it's work we're just

387

00:16:23,440 --> 00:16:21,080

always in triage yeah and so to do a lot

388

00:16:26,500 --> 00:16:23,450

of the research that could be done on it

389

00:16:28,780 --> 00:16:26,510

it's very tough now occasionally just

390

00:16:32,350 --> 00:16:28,790

when things start to get motivated to

391

00:16:34,080 --> 00:16:32,360

kind of maybe do that research somebody

392

00:16:36,820 --> 00:16:34,090

fall you know somebody passes away

393

00:16:38,440 --> 00:16:36,830

someone has something other traumatic

394

00:16:40,450 --> 00:16:38,450

happen in their life and you know I mean

395

00:16:42,940 --> 00:16:40,460

like a researcher passes life passes

396

00:16:44,380 --> 00:16:42,950

away or someone has trauma or something

397

00:16:46,390 --> 00:16:44,390

you know in their own personal life

398

00:16:49,060 --> 00:16:46,400

unrelated and they're caught up doing

399

00:16:51,340 --> 00:16:49,070

that or whatever so like you could think

400

00:16:53,290 --> 00:16:51,350

of like the MIT study that happened

401
00:16:54,700 --> 00:16:53,300
years ago wow we're starting to make

402
00:16:56,890 --> 00:16:54,710
some real headway and get some real

403
00:16:58,840 --> 00:16:56,900
information some real research and then

404
00:17:01,800 --> 00:16:58,850
it's dead in the water you know right

405
00:17:03,760 --> 00:17:01,810
and just for a million reasons

406
00:17:06,100 --> 00:17:03,770
occasionally there's things even now

407
00:17:08,320 --> 00:17:06,110
where organizations are trying to say

408
00:17:10,180 --> 00:17:08,330
let's take this to the next level and do

409
00:17:12,520 --> 00:17:10,190
some more research and get some more

410
00:17:14,680 --> 00:17:12,530
data and one of the organizations doing

411
00:17:17,080 --> 00:17:14,690
that that I'm very proud to be a part of

412
00:17:18,850 --> 00:17:17,090
I'm not on their primary board I'm kind

413
00:17:20,560 --> 00:17:18,860

of just a consultant to them but I

414

00:17:24,760 --> 00:17:20,570

really support what they do is called

415

00:17:26,920 --> 00:17:24,770

free free which is the dr. Edgar

416

00:17:29,850 --> 00:17:26,930

Mitchell foundation for research into

417

00:17:32,410 --> 00:17:29,860

extra tongue-tied into extra

418

00:17:35,530 --> 00:17:32,420

extraterrestrial encounters there we go

419

00:17:37,750 --> 00:17:35,540

but the and of course dr. Edgar Mitchell

420

00:17:40,030 --> 00:17:37,760

was one of the founders and on the board

421

00:17:44,980 --> 00:17:40,040

event and tell his unfortunately you

422

00:17:47,770 --> 00:17:44,990

know recent passing but but he what he

423

00:17:50,530 --> 00:17:47,780

was involved in it and kind of the

424

00:17:52,420 --> 00:17:50,540

managing director kind of managing the

425

00:17:54,580 --> 00:17:52,430

business of it as a guy named ray

426

00:17:57,070 --> 00:17:54,590

Hernandez and it has I mentioned

427

00:17:59,160 --> 00:17:57,080

Kathleen Martin and and it has a whole

428

00:18:01,600 --> 00:17:59,170

she's on the board but a whole list of

429

00:18:04,150 --> 00:18:01,610

scientists and some physicists even on

430

00:18:06,790 --> 00:18:04,160

the board so it's it's trying to really

431

00:18:08,710 --> 00:18:06,800

come about it from a very kind of a

432

00:18:10,090 --> 00:18:08,720

pragmatic grounded yet they're all

433

00:18:13,060 --> 00:18:10,100

people who are also involved in

434

00:18:14,800 --> 00:18:13,070

consciousness study and research and so

435

00:18:16,930 --> 00:18:14,810

they're also looking at it from the

436

00:18:19,180 --> 00:18:16,940

consciousness angle and from a spiritual

437

00:18:21,250 --> 00:18:19,190

angle and that's really nice that

438

00:18:22,420 --> 00:18:21,260

they're it's like they're no stone

439

00:18:24,940 --> 00:18:22,430

untuned you know they're they're

440

00:18:26,710 --> 00:18:24,950

willing to consider all the angles all

441

00:18:28,000 --> 00:18:26,720

the aspects because of how complicated

442

00:18:29,980 --> 00:18:28,010

it is

443

00:18:32,710 --> 00:18:29,990

and they're starting off with doing

444

00:18:34,780 --> 00:18:32,720

these surveys that people can go online

445

00:18:36,790 --> 00:18:34,790

and take these surveys that help you

446

00:18:38,430 --> 00:18:36,800

both determine how much you're having

447

00:18:41,800 --> 00:18:38,440

happen and if you're an abductee or

448

00:18:44,020 --> 00:18:41,810

contactee and then it goes and then they

449

00:18:46,900 --> 00:18:44,030

the surveys get more involved now they

450

00:18:48,520 --> 00:18:46,910

had me put together a complete my lab

451

00:18:50,500 --> 00:18:48,530

related survey for them covert

452

00:18:52,750 --> 00:18:50,510

involvement survey it was whole series

453

00:18:54,250 --> 00:18:52,760

of questions that's kind of on hold

454

00:18:56,650 --> 00:18:54,260

because they're still getting the

455

00:18:58,300 --> 00:18:56,660

results and and trying to do the science

456

00:19:01,000 --> 00:18:58,310

and the statistics on the initial

457

00:19:03,370 --> 00:19:01,010

surveys but they tell me down the road

458

00:19:05,920 --> 00:19:03,380

they do want to use that now even in

459

00:19:08,110 --> 00:19:05,930

their second survey I lap related

460

00:19:10,150 --> 00:19:08,120

questions but kind of what spurred me on

461

00:19:12,850 --> 00:19:10,160

to really work with them as I thought I

462

00:19:13,990 --> 00:19:12,860

mean I I'm glad that they asked anything

463

00:19:16,360 --> 00:19:14,000

and that they thought to include

464

00:19:18,250 --> 00:19:16,370

anything is wonderful but they asked the

465

00:19:19,900 --> 00:19:18,260

wrong questions so they're getting a

466

00:19:21,550 --> 00:19:19,910

very small percentage because the

467

00:19:23,380 --> 00:19:21,560

questions weren't the right questions it

468

00:19:25,780 --> 00:19:23,390

was like have you been abducted by the

469

00:19:27,550 --> 00:19:25,790

military well okay that's limiting it to

470

00:19:29,620 --> 00:19:27,560

military that's limiting it to only the

471

00:19:34,060 --> 00:19:29,630

times where you're physically removed by

472

00:19:36,040 --> 00:19:34,070

humans right and it's like oh wait wait

473

00:19:39,400 --> 00:19:36,050

they didn't even ask the question have

474

00:19:41,830 --> 00:19:39,410

you been abducted by ETS and seen humans

475

00:19:44,680 --> 00:19:41,840

at military outfits or people in lab

476

00:19:47,500 --> 00:19:44,690

attire or people in suits present didn't

477

00:19:49,180 --> 00:19:47,510

in the sea you know right right you got

478

00:19:52,840 --> 00:19:49,190

to be very careful with your wording

479

00:19:55,180 --> 00:19:52,850

yeah exactly so even with that though I

480

00:19:58,300 --> 00:19:55,190

think they said they were getting about

481

00:19:59,920 --> 00:19:58,310

a 10 or 12 percent return from and then

482

00:20:02,080 --> 00:19:59,930

that's out of thousands of people taking

483

00:20:03,730 --> 00:20:02,090

this thing so that's still pretty high

484

00:20:05,440 --> 00:20:03,740

numbers now that's not the only question

485

00:20:08,500 --> 00:20:05,450

they asked but all the questions were

486

00:20:11,740 --> 00:20:08,510

kind of predicated on that idea and and

487

00:20:14,980 --> 00:20:11,750

so you know so even then they're getting

488

00:20:18,820 --> 00:20:14,990

you know 10 12 percent response which is

489

00:20:22,120 --> 00:20:18,830

is pretty high yeah and when they start

490

00:20:25,450 --> 00:20:22,130

asking the right questions I highly

491

00:20:30,430 --> 00:20:25,460

suspect it'll be at least a 40 percent

492

00:20:32,650 --> 00:20:30,440

response Wow could use hi a 60% mmm when

493

00:20:34,120 --> 00:20:32,660

they asked the right questions it was

494

00:20:36,430 --> 00:20:34,130

some of the other related questions so

495

00:20:38,050 --> 00:20:36,440

that's why I developed that for them and

496

00:20:40,810 --> 00:20:38,060

I look really forward to when they start

497

00:20:41,560 --> 00:20:40,820

using that and have it be a place where

498

00:20:44,020 --> 00:20:41,570

we can really

499

00:20:46,150 --> 00:20:44,030

get some real numbers on this ya see

500

00:20:48,880 --> 00:20:46,160

much it's really involved that will be

501
00:20:50,320 --> 00:20:48,890
nice so another aspect I'm interested in

502
00:20:53,290 --> 00:20:50,330
as I've heard you talk about this

503
00:20:55,960 --> 00:20:53,300
pattern of equations or advanced math or

504
00:20:57,490 --> 00:20:55,970
formulas being communicated or shown to

505
00:20:59,500 --> 00:20:57,500
abduct T's and that's really interesting

506
00:21:01,570 --> 00:20:59,510
because that also comes up in other

507
00:21:03,970 --> 00:21:01,580
areas of strange contact like beans

508
00:21:05,980 --> 00:21:03,980
encountered on psychedelics can you

509
00:21:07,990 --> 00:21:05,990
elaborate on that angle at all this is

510
00:21:11,050 --> 00:21:08,000
what the mill ABS groups are after in at

511
00:21:13,270 --> 00:21:11,060
least some cases right yes yeah yeah

512
00:21:16,540 --> 00:21:13,280
good question in some cases yeah I'll

513
00:21:18,970 --> 00:21:16,550

say this in my research I kind of have

514

00:21:20,350 --> 00:21:18,980

it in five I could do this off top my

515

00:21:21,640 --> 00:21:20,360

head cuz I'm in I don't have any notes

516

00:21:24,670 --> 00:21:21,650

in front of me so you guys this is all

517

00:21:27,970 --> 00:21:24,680

just I just done this for so long it's

518

00:21:29,650 --> 00:21:27,980

in the brain so I could go through that

519

00:21:31,540 --> 00:21:29,660

file you know rifle through the files

520

00:21:35,470 --> 00:21:31,550

pull that one out okay there we go um

521

00:21:38,190 --> 00:21:35,480

okay there's five major things that

522

00:21:42,580 --> 00:21:38,200

they're interested in from the abductees

523

00:21:44,350 --> 00:21:42,590

one is alien agenda and motives so like

524

00:21:45,910 --> 00:21:44,360

what do you know about the alien agenda

525

00:21:48,850 --> 00:21:45,920

what do you know about their motives

526

00:21:51,040 --> 00:21:48,860

what are they really doing why are they

527

00:21:52,780 --> 00:21:51,050

producing the hybrids to the degree that

528

00:21:56,020 --> 00:21:52,790

they are we get it more into that if you

529

00:21:58,180 --> 00:21:56,030

want why are they picking you up do you

530

00:21:59,650 --> 00:21:58,190

know why they're involved with you do

531

00:22:02,710 --> 00:21:59,660

you know why they might be involved with

532

00:22:05,020 --> 00:22:02,720

your family have they told you what

533

00:22:08,860 --> 00:22:05,030

their agendas or their motives and so

534

00:22:10,870 --> 00:22:08,870

that's category 1 category 2 is is psy

535

00:22:12,970 --> 00:22:10,880

ability they're looking for the

536

00:22:14,380 --> 00:22:12,980

solubility in the abdic t psy being of

537

00:22:16,750 --> 00:22:14,390

course the psychic the paranormal

538

00:22:19,420 --> 00:22:16,760

abilities do you do remote viewing do

539

00:22:23,170 --> 00:22:19,430

you do psychokinesis do you do telepathy

540

00:22:24,880 --> 00:22:23,180

you know etc etc so those kinds of

541

00:22:26,830 --> 00:22:24,890

things you know they're and then they'll

542

00:22:29,860 --> 00:22:26,840

test you in those abilities and try to

543

00:22:32,440 --> 00:22:29,870

turn what you have and how much have you

544

00:22:35,260 --> 00:22:32,450

learned that from the ETS has it been

545

00:22:38,740 --> 00:22:35,270

enhanced by thee T's which gets us also

546

00:22:41,410 --> 00:22:38,750

to the next category which is genetics

547

00:22:42,820 --> 00:22:41,420

so why are they interested in you

548

00:22:44,800 --> 00:22:42,830

genetically is there something different

549

00:22:47,410 --> 00:22:44,810

about your genetics have you been

550

00:22:49,390 --> 00:22:47,420

altered are you a hybrid to whatever

551
00:22:51,280 --> 00:22:49,400
degree you know little or a lot or

552
00:22:54,640 --> 00:22:51,290
anything in between have you been

553
00:22:55,090 --> 00:22:54,650
affected and changed genetically and is

554
00:22:57,490 --> 00:22:55,100
there

555
00:22:59,830 --> 00:22:57,500
think different about your genetics that

556
00:23:01,360 --> 00:22:59,840
kind of thing and the net and all these

557
00:23:02,980 --> 00:23:01,370
things cross-correlate you can see

558
00:23:04,360 --> 00:23:02,990
because as I just took that out of the

559
00:23:06,850 --> 00:23:04,370
side thing there's a genetic component

560
00:23:08,799 --> 00:23:06,860
to the side part and then there's a

561
00:23:10,870 --> 00:23:08,809
genic genetic component obviously to

562
00:23:12,340 --> 00:23:10,880
Bayley an agenda and motive so you know

563
00:23:13,299 --> 00:23:12,350

all these things is it's very hard to

564

00:23:15,970 --> 00:23:13,309

separating because they're all

565

00:23:17,830 --> 00:23:15,980

intertwined but ok so the first being

566

00:23:19,419 --> 00:23:17,840

agenda motives the second thing your

567

00:23:21,999 --> 00:23:19,429

side abilities the third being your

568

00:23:24,009 --> 00:23:22,009

genetics or anything different about you

569

00:23:25,870 --> 00:23:24,019

genetically and if it's happening to

570

00:23:28,930 --> 00:23:25,880

your kids why them to blah blah blah

571

00:23:31,269 --> 00:23:28,940

okay and then the next would be mind

572

00:23:32,830 --> 00:23:31,279

control and and I'm gonna put the one

573

00:23:34,389 --> 00:23:32,840

you brought up last but these aren't in

574

00:23:36,549 --> 00:23:34,399

a particular order if anything I would

575

00:23:39,009 --> 00:23:36,559

say the technology one might be second

576

00:23:40,720 --> 00:23:39,019

after alien agenda and motives but so

577

00:23:42,029 --> 00:23:40,730

you know these this order doesn't mean

578

00:23:44,590 --> 00:23:42,039

anything these are all equal in

579

00:23:47,139 --> 00:23:44,600

significance to them but the next being

580

00:23:49,149 --> 00:23:47,149

mind control how much of you could

581

00:23:51,990 --> 00:23:49,159

control her influence by the aliens and

582

00:23:55,899 --> 00:23:52,000

and what can we practice or learn from

583

00:23:57,879 --> 00:23:55,909

your mind control and and can we develop

584

00:24:00,220 --> 00:23:57,889

our mind control I mean and we mean you

585

00:24:02,769 --> 00:24:00,230

know that the covert guys that you know

586

00:24:04,570 --> 00:24:02,779

can they develop the mind control

587

00:24:07,060 --> 00:24:04,580

techniques and abilities and stuff so

588

00:24:08,950 --> 00:24:07,070

you become a useful target guinea pig in

589

00:24:10,180 --> 00:24:08,960

all that stuff and so that's where

590

00:24:12,190 --> 00:24:10,190

there's so much bleed over into those

591

00:24:13,749 --> 00:24:12,200

areas and then of course then last but

592

00:24:16,450 --> 00:24:13,759

not least the fifth one which might

593

00:24:20,560 --> 00:24:16,460

actually be second really in importance

594

00:24:22,480 --> 00:24:20,570

is technology so it gets into a bunch of

595

00:24:24,999 --> 00:24:22,490

different aspects of technology have you

596

00:24:27,519 --> 00:24:25,009

been shown technology by ETS have you

597

00:24:30,330 --> 00:24:27,529

should be shown navigation systems

598

00:24:32,740 --> 00:24:30,340

propulsion systems weapon systems as

599

00:24:35,740 --> 00:24:32,750

structural architectural systems have

600

00:24:37,749 --> 00:24:35,750

you been shown alien languages and this

601
00:24:41,560 --> 00:24:37,759
gets into the formula things now alien

602
00:24:43,629 --> 00:24:41,570
math formulas alien science you know so

603
00:24:47,590 --> 00:24:43,639
how many technology information have

604
00:24:50,889 --> 00:24:47,600
they giving you like that and and really

605
00:24:52,960 --> 00:24:50,899
a next agenda and motives I think this

606
00:24:55,480 --> 00:24:52,970
is the thing that there seem to be most

607
00:24:57,310 --> 00:24:55,490
interested in right and in my case now

608
00:24:59,230 --> 00:24:57,320
maybe I'm a little bit jaded because in

609
00:25:00,820 --> 00:24:59,240
my own experience that's what they

610
00:25:02,289 --> 00:25:00,830
wanted you know and some of the other

611
00:25:04,000 --> 00:25:02,299
things too but that was you know

612
00:25:05,470 --> 00:25:04,010
predominantly are there any other

613
00:25:06,970 --> 00:25:05,480

details you can give us about the

614

00:25:09,040 --> 00:25:06,980

technology that people are shown in

615

00:25:11,860 --> 00:25:09,050

these experiences in the

616

00:25:12,310 --> 00:25:11,870

in alien abductions right all sorts of

617

00:25:15,070 --> 00:25:12,320

stuff

618

00:25:17,140 --> 00:25:15,080

oh gosh all sorts of appearances you

619

00:25:20,590 --> 00:25:17,150

mentioned formulas and stuff so formulas

620

00:25:23,020 --> 00:25:20,600

equations math some of these get very

621

00:25:25,060 --> 00:25:23,030

complex rarely does the apnic t really

622

00:25:27,340 --> 00:25:25,070

understand anything that they're being

623

00:25:29,440 --> 00:25:27,350

shown mm-hmm and this could be done

624

00:25:31,780 --> 00:25:29,450

where they where they're downloading

625

00:25:34,510 --> 00:25:31,790

this information and you start coming up

626

00:25:36,580 --> 00:25:34,520

with it and you in your dreams and and

627

00:25:38,440 --> 00:25:36,590

in your journaling and your writing I

628

00:25:40,870 --> 00:25:38,450

mean I keep thinking as I'm talking

629

00:25:44,080 --> 00:25:40,880

about this a very famous case for this

630

00:25:46,360 --> 00:25:44,090

involvement would be Stan Romanek who

631

00:25:48,670 --> 00:25:46,370

would wake up in the morning and have

632

00:25:49,870 --> 00:25:48,680

his walls covered with these he was

633

00:25:51,430 --> 00:25:49,880

writing him in the middle of night and

634

00:25:54,130 --> 00:25:51,440

had no idea he was doing it you know

635

00:25:56,260 --> 00:25:54,140

these formulas or you know on pieces of

636

00:25:58,480 --> 00:25:56,270

paper and stuff around but he on his on

637

00:26:00,010 --> 00:25:58,490

his door on his walls you know other

638

00:26:01,600 --> 00:26:00,020

people have done that you know or they

639

00:26:03,490 --> 00:26:01,610

suddenly will start writing them

640

00:26:04,990 --> 00:26:03,500

sometimes you remember that you were

641

00:26:06,700 --> 00:26:05,000

shown it in the experience and sometimes

642

00:26:08,730 --> 00:26:06,710

it's just like there in your brain and

643

00:26:11,080 --> 00:26:08,740

you're not sure where it came from

644

00:26:13,270 --> 00:26:11,090

sometimes it's done in kind of a like in

645

00:26:15,910 --> 00:26:13,280

Stan's case almost like automatic

646

00:26:18,220 --> 00:26:15,920

writing kind of thing you know in an

647

00:26:19,930 --> 00:26:18,230

altered state or during the night or

648

00:26:21,520 --> 00:26:19,940

something sometimes this is just

649

00:26:24,190 --> 00:26:21,530

downloading to your brain sometimes

650

00:26:27,130 --> 00:26:24,200

you're shown on board I mean I question

651
00:26:29,140 --> 00:26:27,140
some symbols and stuff on a screen now

652
00:26:31,330 --> 00:26:29,150
not a lot and I think it wasn't really

653
00:26:33,490 --> 00:26:31,340
necessary intended for me I think the

654
00:26:34,690 --> 00:26:33,500
aliens were doing something you know can

655
00:26:37,060 --> 00:26:34,700
you King with each other and I just

656
00:26:39,880 --> 00:26:37,070
happened to see it in that particular

657
00:26:41,500 --> 00:26:39,890
case interesting but but so that's it

658
00:26:44,650 --> 00:26:41,510
you know were you shown it on a screen

659
00:26:46,600 --> 00:26:44,660
did they have you draw it or do

660
00:26:49,000 --> 00:26:46,610
something similar to work in computer

661
00:26:51,400 --> 00:26:49,010
typing or something or on a computer

662
00:26:53,110 --> 00:26:51,410
screen with your finger you know so did

663
00:26:55,180 --> 00:26:53,120

they have you you know draw it or type

664

00:26:56,650 --> 00:26:55,190

it out in some way and did they show or

665

00:26:59,320 --> 00:26:56,660

did they show it to you as some kind of

666

00:27:01,630 --> 00:26:59,330

3d thing in the air so that all these

667

00:27:03,370 --> 00:27:01,640

things happen mm-hmm and so and sing

668

00:27:05,170 --> 00:27:03,380

with alien languages so first that was

669

00:27:07,630 --> 00:27:05,180

all about like math and symbols and that

670

00:27:10,840 --> 00:27:07,640

kind of stuff which can be number

671

00:27:12,970 --> 00:27:10,850

symbols all sorts of stuff and equations

672

00:27:15,640 --> 00:27:12,980

and sometimes they'll visually show you

673

00:27:16,960 --> 00:27:15,650

kind of like a science experiment or

674

00:27:19,360 --> 00:27:16,970

something you know and then like I said

675

00:27:22,060 --> 00:27:19,370

eight languages which can be letters or

676
00:27:22,690 --> 00:27:22,070
numbers letters say words you know etc

677
00:27:26,169 --> 00:27:22,700
it

678
00:27:29,799 --> 00:27:26,179
sounds and thus the people gets get

679
00:27:32,440 --> 00:27:29,809
shown in propulsion systems we can show

680
00:27:35,470 --> 00:27:32,450
how the craft works or flies or what

681
00:27:39,570 --> 00:27:35,480
drives it or you know drive mechanism

682
00:27:42,190 --> 00:27:39,580
type drive mechanisms propulsion systems

683
00:27:44,649 --> 00:27:42,200
navigation systems that's interesting

684
00:27:46,450 --> 00:27:44,659
sometimes it shows you like you're just

685
00:27:48,190 --> 00:27:46,460
being taught as if they're showing you a

686
00:27:50,379 --> 00:27:48,200
3d thing or they're showing you an

687
00:27:53,470 --> 00:27:50,389
actual piece of equipment and sometimes

688
00:27:55,599 --> 00:27:53,480

that abductee is sat at a control panel

689

00:27:57,279 --> 00:27:55,609

and they understand it's Kaiba a mock-up

690

00:27:59,619 --> 00:27:57,289

situation no you didn't just crash the

691

00:28:01,419 --> 00:27:59,629

ship that you know it was like driver's

692

00:28:04,659 --> 00:28:01,429

training or say you know us now but

693

00:28:06,999 --> 00:28:04,669

something but sometimes the object he

694

00:28:09,639 --> 00:28:07,009

knows I'm actually sad at real controls

695

00:28:11,739 --> 00:28:09,649

and sometimes that's like a control

696

00:28:13,659 --> 00:28:11,749

panel with knobs or buttons and

697

00:28:16,539 --> 00:28:13,669

sometimes it's literally just a computer

698

00:28:19,599 --> 00:28:16,549

screen and everything between people get

699

00:28:23,019 --> 00:28:19,609

shown that so navigation systems like I

700

00:28:25,509 --> 00:28:23,029

said propulsion other mechanical systems

701
00:28:27,999 --> 00:28:25,519
I mean one abdic TV says they went into

702
00:28:30,340 --> 00:28:28,009
all this detail of how the doors on the

703
00:28:33,099 --> 00:28:30,350
ship's work you know like passageways

704
00:28:35,229 --> 00:28:33,109
and doors like I have no idea why

705
00:28:38,019 --> 00:28:35,239
they're showing all that to me but you

706
00:28:42,460 --> 00:28:38,029
know and I think too if you're an APNIC

707
00:28:45,039 --> 00:28:42,470
T and you show first off if your trick

708
00:28:47,619 --> 00:28:45,049
number one and abductions is learning to

709
00:28:50,080 --> 00:28:47,629
be conscious and present and not

710
00:28:51,639 --> 00:28:50,090
overcome by trauma or fear in the

711
00:28:52,869 --> 00:28:51,649
experience and if you are extremely

712
00:28:55,539 --> 00:28:52,879
traumatic and fearful they're going to

713
00:28:57,869 --> 00:28:55,549

shut you down yeah and which is

714

00:29:01,659 --> 00:28:57,879

everything from parallelization

715

00:29:04,509 --> 00:29:01,669

immobilization to memory erase mint blah

716

00:29:07,690 --> 00:29:04,519

blah etc etc so you have to learn to to

717

00:29:09,849 --> 00:29:07,700

have control and be conscious in the

718

00:29:13,090 --> 00:29:09,859

experience and it can be learned and

719

00:29:15,700 --> 00:29:13,100

many abductees do and once you become

720

00:29:18,759 --> 00:29:15,710

present and conscious and free will in

721

00:29:20,950 --> 00:29:18,769

the experience where you have an ability

722

00:29:22,779 --> 00:29:20,960

to interact well as soon as you show

723

00:29:24,970 --> 00:29:22,789

interest in one of those things like if

724

00:29:26,229 --> 00:29:24,980

they start to show you and you're asking

725

00:29:27,940 --> 00:29:26,239

questions and you're involved and you're

726

00:29:29,529 --> 00:29:27,950

interested in it well they're gonna show

727

00:29:30,940 --> 00:29:29,539

you more so in her case they might have

728

00:29:33,310 --> 00:29:30,950

shown her a door and she might have said

729

00:29:35,769 --> 00:29:33,320

how's that work and next thing she's in

730

00:29:36,580 --> 00:29:35,779

class on how the doors work you know but

731

00:29:38,200 --> 00:29:36,590

I'm just saying it

732

00:29:41,409 --> 00:29:38,210

it could be like that like showing

733

00:29:43,570 --> 00:29:41,419

interest in my case unfortunately a lot

734

00:29:45,640 --> 00:29:43,580

of times I'm I'm out of it and I don't

735

00:29:48,549 --> 00:29:45,650

I'm not in the presence of mine or where

736

00:29:50,560 --> 00:29:48,559

I'm asking those things but a few times

737

00:29:52,840 --> 00:29:50,570

I have or when they start to show me

738

00:29:54,700 --> 00:29:52,850

something and that's those those few

739

00:29:56,409 --> 00:29:54,710

times when I have been shown technology

740

00:29:57,430 --> 00:29:56,419

I actually wish they would do that more

741

00:29:59,169 --> 00:29:57,440

mm-hmm

742

00:30:01,659 --> 00:29:59,179

yeah of course and so I've been a

743

00:30:03,580 --> 00:30:01,669

handful of times and some abductees get

744

00:30:06,640 --> 00:30:03,590

it quite heavily but maybe it's because

745

00:30:09,010 --> 00:30:06,650

a lot of times I'm you know you're I

746

00:30:12,250 --> 00:30:09,020

mean you're taking usually taken under

747

00:30:15,279 --> 00:30:12,260

duress against your will in an altered

748

00:30:18,700 --> 00:30:15,289

state there isn't it there its initial

749

00:30:20,710 --> 00:30:18,710

reaction is to have fear or some amount

750

00:30:23,019 --> 00:30:20,720

of panic even if you know it's gonna be

751

00:30:25,960 --> 00:30:23,029

okay just the high strangeness at the

752

00:30:27,760 --> 00:30:25,970

beginning if you have a beginning you

753

00:30:31,269 --> 00:30:27,770

know and I think a lot of times they

754

00:30:32,980 --> 00:30:31,279

instantly kind of shut that down so it's

755

00:30:36,760 --> 00:30:32,990

hard to get beyond that mm-hmm

756

00:30:39,220 --> 00:30:36,770

so you know it's it's a it's a trick to

757

00:30:41,769 --> 00:30:39,230

learn and a few times I feel like I've

758

00:30:44,529 --> 00:30:41,779

been able to remain fairly conscious and

759

00:30:46,990 --> 00:30:44,539

interactive and other times not at all

760

00:30:49,240 --> 00:30:47,000

and then there's the times where I

761

00:30:51,370 --> 00:30:49,250

didn't remember darn thing without I

762

00:30:52,450 --> 00:30:51,380

mean it's something people say what do

763

00:30:54,850 --> 00:30:52,460

you need a regression or do you remember

764

00:30:56,289 --> 00:30:54,860

consciously it's not like that you know

765

00:30:57,430 --> 00:30:56,299

yeah their experiences I remember

766

00:30:58,870 --> 00:30:57,440

completely consciously and there's

767

00:31:00,490 --> 00:30:58,880

experiences I remember only with

768

00:31:02,620 --> 00:31:00,500

regression and there's a lot of

769

00:31:04,510 --> 00:31:02,630

experiences maybe I remember 80% of it

770

00:31:07,450 --> 00:31:04,520

consciously and then I get regression to

771

00:31:09,310 --> 00:31:07,460

fill in the details mm-hmm but you know

772

00:31:11,740 --> 00:31:09,320

those ones they're fully conscious and I

773

00:31:13,120 --> 00:31:11,750

remember versus the ones that bought a

774

00:31:14,950 --> 00:31:13,130

regression to get through and I don't

775

00:31:17,680 --> 00:31:14,960

know why it was so blocked and then is

776

00:31:18,610 --> 00:31:17,690

that is that me that's imposing that or

777

00:31:20,710 --> 00:31:18,620

is that them

778

00:31:24,310 --> 00:31:20,720

that's imposing that and we still don't

779

00:31:26,620 --> 00:31:24,320

know those answers I think a lot of is

780

00:31:28,480 --> 00:31:26,630

self-imposed I think when a person gets

781

00:31:31,350 --> 00:31:28,490

in fear because this we know this I mean

782

00:31:33,430 --> 00:31:31,360

this is this is a known thing in in

783

00:31:35,110 --> 00:31:33,440

psychology where people have had

784

00:31:37,299 --> 00:31:35,120

traumatic experiences in their life

785

00:31:40,120 --> 00:31:37,309

you're you're in a plane crash you block

786

00:31:42,370 --> 00:31:40,130

it out you know you'll remember very few

787

00:31:44,350 --> 00:31:42,380

details is just you know there's a

788

00:31:46,750 --> 00:31:44,360

tendency for the brain to shut off that

789

00:31:49,000 --> 00:31:46,760

area like you know like healing a wound

790

00:31:49,980 --> 00:31:49,010

or scarred it shuts it off walls it off

791

00:31:53,130 --> 00:31:49,990

in the brain

792

00:31:56,669 --> 00:31:53,140

I think because otherwise when you do

793

00:31:58,290 --> 00:31:56,679

have those memories you have severe

794

00:31:59,760 --> 00:31:58,300

post-traumatic stress and all sorts of

795

00:32:02,520 --> 00:31:59,770

trauma and stuff in your life that can

796

00:32:04,520 --> 00:32:02,530

lead to a million-in-one problems you

797

00:32:07,530 --> 00:32:04,530

know yeah it's a defense mechanism

798

00:32:08,760 --> 00:32:07,540

psychological problems drug alcohol you

799

00:32:11,070 --> 00:32:08,770

know medical problems mental problems

800

00:32:14,190 --> 00:32:11,080

you name it so I think there's a

801
00:32:16,530 --> 00:32:14,200
tendency for we know that anyways it

802
00:32:18,870 --> 00:32:16,540
that the human mind does that so of

803
00:32:20,430 --> 00:32:18,880
course it makes perfect sense that with

804
00:32:24,120 --> 00:32:20,440
this traumatic experience it would do

805
00:32:25,919 --> 00:32:24,130
that as well mm-hmm man thank great

806
00:32:30,360 --> 00:32:25,929
answer so time is really speeding by

807
00:32:33,360 --> 00:32:30,370
here my answers are short so to jump

808
00:32:35,549 --> 00:32:33,370
over to the male labs experiences one of

809
00:32:37,440 --> 00:32:35,559
my major curiosities here like I

810
00:32:40,500 --> 00:32:37,450
mentioned in that intro is corporate

811
00:32:42,060 --> 00:32:40,510
involvement and this SAIC corporation in

812
00:32:45,660 --> 00:32:42,070
particular what kind of details can you

813
00:32:48,000 --> 00:32:45,670

give us on that front well in all

814

00:32:51,900 --> 00:32:48,010

honesty it's been a very very long time

815

00:32:55,620 --> 00:32:51,910

since I've come across them it was just

816

00:32:58,310 --> 00:32:55,630

some insiders and some meetings of some

817

00:33:02,970 --> 00:32:58,320

people in some of these covert

818

00:33:05,310 --> 00:33:02,980

monitoring abdic teas folks mm-hmm I

819

00:33:06,900 --> 00:33:05,320

came across a bunch of them there's this

820

00:33:09,990 --> 00:33:06,910

there's this a bunch of them that were

821

00:33:13,850 --> 00:33:10,000

connected to SAIC or at least at one

822

00:33:17,100 --> 00:33:13,860

time but I think it is lessened in its

823

00:33:18,299 --> 00:33:17,110

significance as when I came across and

824

00:33:20,100 --> 00:33:18,309

I'm like wow what's this all these

825

00:33:21,480 --> 00:33:20,110

people are connected all these people

826

00:33:23,160 --> 00:33:21,490

are connected to a lot of things that's

827

00:33:26,190 --> 00:33:23,170

just one of the organizations you know

828

00:33:28,430 --> 00:33:26,200

and and it's not like si si knows all

829

00:33:31,110 --> 00:33:28,440

about is all involved no it's just a few

830

00:33:33,690 --> 00:33:31,120

perpetrators or people involved or

831

00:33:35,580 --> 00:33:33,700

people who are monitoring just happen to

832

00:33:37,200 --> 00:33:35,590

have a connection to that and like I

833

00:33:39,570 --> 00:33:37,210

said now it's other organizations so

834

00:33:43,620 --> 00:33:39,580

it's significance that standing out by

835

00:33:48,390 --> 00:33:43,630

itself has lessened over time and I have

836

00:33:50,400 --> 00:33:48,400

not come across it in probably at least

837

00:33:53,430 --> 00:33:50,410

10 years since I've even come across it

838

00:33:55,110 --> 00:33:53,440

as a continued connection now some of

839

00:33:56,490 --> 00:33:55,120

those individuals are priced don't bald

840

00:33:58,260 --> 00:33:56,500

with it so therefore there would still

841

00:34:00,180 --> 00:33:58,270

be a connection because do they still

842

00:34:03,210 --> 00:34:00,190

have some connection to it yeah mm-hmm

843

00:34:03,910 --> 00:34:03,220

but in their words when I came across a

844

00:34:10,090 --> 00:34:03,920

pot

845

00:34:11,320 --> 00:34:10,100

it was just which is sei sees what's I'm

846

00:34:13,690 --> 00:34:11,330

trying to remember the letters stand for

847

00:34:15,700 --> 00:34:13,700

strategic science applications

848

00:34:17,260 --> 00:34:15,710

international corporation correct right

849

00:34:19,780 --> 00:34:17,270

that's yeah science application

850

00:34:21,880 --> 00:34:19,790

international corporation and and it was

851

00:34:23,980 --> 00:34:21,890

just it's just you know corporate entity

852

00:34:26,350 --> 00:34:23,990

that does science research and stuff in

853

00:34:29,470 --> 00:34:26,360

in San Diego that that name just popped

854

00:34:31,290 --> 00:34:29,480

up a you know for me like 15 years not

855

00:34:33,490 --> 00:34:31,300

for a while it with different people

856

00:34:35,440 --> 00:34:33,500

because at the time I think they were

857

00:34:37,870 --> 00:34:35,450

involved with it now not so much

858

00:34:40,630 --> 00:34:37,880

you know so that's it and but it's a

859

00:34:42,760 --> 00:34:40,640

good representation of how that can

860

00:34:44,890 --> 00:34:42,770

happen yeah I mean everybody knows

861

00:34:46,750 --> 00:34:44,900

companies like Lockheed and Boeing and

862

00:34:48,580 --> 00:34:46,760

groups like DARPA are all part of this

863

00:34:50,350 --> 00:34:48,590

puzzle to some extent but yeah I'd

864

00:34:52,690 --> 00:34:50,360

assume there are some lesser-known

865

00:34:55,419 --> 00:34:52,700

corporations are off the radar groups

866

00:34:58,180 --> 00:34:55,429

that have popped up sure when you get

867

00:35:00,540 --> 00:34:58,190

into for instance um okay let's just

868

00:35:02,920 --> 00:35:00,550

take a subject like secret space program

869

00:35:03,760 --> 00:35:02,930

cuz that's a good one that's related

870

00:35:06,700 --> 00:35:03,770

directly to what we're talking about

871

00:35:09,340 --> 00:35:06,710

sure and and so you okay secret space

872

00:35:12,190 --> 00:35:09,350

program well it ain't NASA doing it and

873

00:35:14,620 --> 00:35:12,200

then it's not secret you know so it's

874

00:35:17,830 --> 00:35:14,630

like okay well who's doing this how they

875

00:35:20,650 --> 00:35:17,840

firm stuff out well even now a lot of

876

00:35:22,780 --> 00:35:20,660

military stuff is you know you get milk

877

00:35:25,570 --> 00:35:22,790

drill complex and you get military

878

00:35:27,520 --> 00:35:25,580

contractors you know I'm you go out to

879

00:35:29,290 --> 00:35:27,530

area 51 and the security is all handled

880

00:35:31,960 --> 00:35:29,300

by whack and Hut back and that's not the

881

00:35:33,820 --> 00:35:31,970

military they're a contractor so what

882

00:35:36,460 --> 00:35:33,830

happens with SCA I see is there a

883

00:35:39,430 --> 00:35:36,470

military contractor and they're a space

884

00:35:40,830 --> 00:35:39,440

contractor with other ones so so you get

885

00:35:44,260 --> 00:35:40,840

into these companies that are the

886

00:35:46,270 --> 00:35:44,270

subcontractors working for the shadow

887

00:35:47,710 --> 00:35:46,280

government the court court you know

888

00:35:52,720 --> 00:35:47,720

covert ops whatever you want to call it

889

00:35:54,790 --> 00:35:52,730

and breakaway civilization you start on

890

00:35:56,920 --> 00:35:54,800

that but those folks they're the

891

00:35:59,050 --> 00:35:56,930

contractors to those of which if you

892

00:36:01,900 --> 00:35:59,060

start digging you will learn we find a

893

00:36:04,030 --> 00:36:01,910

thousand companies even everything is

894

00:36:06,100 --> 00:36:04,040

handled by different subcontract so one

895

00:36:08,820 --> 00:36:06,110

time and maybe currently I don't even

896

00:36:11,800 --> 00:36:08,830

know sei sei C was one of those

897

00:36:14,380 --> 00:36:11,810

subcontractors but I do know meetings

898

00:36:16,960 --> 00:36:14,390

there there were also a couple meetings

899

00:36:17,320 --> 00:36:16,970

at another company in Georgia that keeps

900

00:36:18,730 --> 00:36:17,330

coming

901
00:36:20,320 --> 00:36:18,740
I'll think of their name in a second ah

902
00:36:20,560 --> 00:36:20,330
shoot I hate it when the brain doesn't

903
00:36:23,050 --> 00:36:20,570
work

904
00:36:24,460 --> 00:36:23,060
mm HM HM hm oh there's a [h__h] man okay

905
00:36:25,960 --> 00:36:24,470
I'll think of their name in a second but

906
00:36:27,400 --> 00:36:25,970
another one Georgia where people met you

907
00:36:29,770 --> 00:36:27,410
know so there's these there's these

908
00:36:31,030 --> 00:36:29,780
companies that have been like a meeting

909
00:36:33,430 --> 00:36:31,040
place for some of these people for

910
00:36:34,960 --> 00:36:33,440
discussing whatever and it was just

911
00:36:36,790 --> 00:36:34,970
because you know they were involved

912
00:36:38,650 --> 00:36:36,800
they're in it and it was a current

913
00:36:40,990 --> 00:36:38,660

convenient place to meet and you could

914

00:36:43,600 --> 00:36:41,000

meet secretly in a conference room and

915

00:36:46,030 --> 00:36:43,610

cetera etc so these it's okay and that's

916

00:36:48,640 --> 00:36:46,040

just one of many I've come across at the

917

00:36:51,190 --> 00:36:48,650

time it seems significant and it can

918

00:36:52,480 --> 00:36:51,200

occasionally like for I guess Robert

919

00:36:53,740 --> 00:36:52,490

came across it right that's what you're

920

00:36:56,650 --> 00:36:53,750

saying in use it in this book

921

00:36:59,940 --> 00:36:56,660

okay well occasionally it resurfaces but

922

00:37:02,680 --> 00:36:59,950

the other one so there's multiple these

923

00:37:05,700 --> 00:37:02,690

companies that will resurface and their

924

00:37:07,930 --> 00:37:05,710

name will pop up again because of some

925

00:37:10,120 --> 00:37:07,940

involvement or someone associated with

926

00:37:12,490 --> 00:37:10,130

them involved so I'm never surprised

927

00:37:14,500 --> 00:37:12,500

when I keep coming up with all these

928

00:37:16,540 --> 00:37:14,510

various names and and then they'll go

929

00:37:19,510 --> 00:37:16,550

away for a while and come back you know

930

00:37:21,910 --> 00:37:19,520

etc etc so I'm not sure that he came I'm

931

00:37:25,510 --> 00:37:21,920

not am I trying to say I'm not surprised

932

00:37:27,370 --> 00:37:25,520

that he came across a SAIC connection

933

00:37:28,810 --> 00:37:27,380

and if he came to me and said well what

934

00:37:31,090 --> 00:37:28,820

about this company this company or this

935

00:37:33,460 --> 00:37:31,100

company I'd probably go oh yeah those

936

00:37:34,690 --> 00:37:33,470

two hahahaha I mean I haven't heard all

937

00:37:36,130 --> 00:37:34,700

of them you know I've only heard a few

938

00:37:38,140 --> 00:37:36,140

here and there but I'm not surprised

939

00:37:40,450 --> 00:37:38,150

when I hear right it's a revolving door

940

00:37:41,890 --> 00:37:40,460

and that's when it comes up a lot

941

00:37:44,170 --> 00:37:41,900

there's there's a well-known one in

942

00:37:47,410 --> 00:37:44,180

Texas that comes up a lot because of the

943

00:37:49,840 --> 00:37:47,420

people involved with it I'll I'll say

944

00:37:52,870 --> 00:37:49,850

one that keeps coming up in various ways

945

00:37:54,790 --> 00:37:52,880

Bigelow Aerospace there's one mm-hmm

946

00:37:57,190 --> 00:37:54,800

that's more currently coming up than

947

00:37:59,320 --> 00:37:57,200

SAIC you know I happens to be some of

948

00:38:02,350 --> 00:37:59,330

the same individuals so and that's just

949

00:38:04,600 --> 00:38:02,360

one little group that's in me labs and

950

00:38:07,600 --> 00:38:04,610

in alien-abduction there's this term

951
00:38:09,430 --> 00:38:07,610
that an abject he who is also very well

952
00:38:11,230 --> 00:38:09,440
known in the remote viewing field and

953
00:38:14,050 --> 00:38:11,240
teaches that and everything by the name

954
00:38:16,450 --> 00:38:14,060
of Angela Thompson Smith she wrote a

955
00:38:18,100 --> 00:38:16,460
book called diary diary of an abduction

956
00:38:20,200 --> 00:38:18,110
I'd have known having friend me but her

957
00:38:21,730 --> 00:38:20,210
she I think that's the name hmm I'm at

958
00:38:25,300 --> 00:38:21,740
home doing this and my books are all in

959
00:38:26,890 --> 00:38:25,310
my office at work but diary diary an

960
00:38:29,110 --> 00:38:26,900
abduction diary of an abductee I forget

961
00:38:30,730 --> 00:38:29,120
but a ways diary diary of an abductee

962
00:38:33,040 --> 00:38:30,740
and in that

963
00:38:35,800 --> 00:38:33,050

she talked about her own MyLab related

964

00:38:37,359 --> 00:38:35,810

experiences and obviously my lab we

965

00:38:39,100 --> 00:38:37,369

haven't really addressed this just as mi

966

00:38:40,870 --> 00:38:39,110

I for military and AV for abduction

967

00:38:43,810 --> 00:38:40,880

right it just means military abduction

968

00:38:45,940 --> 00:38:43,820

and again i I hate the term but I still

969

00:38:48,370 --> 00:38:45,950

use it cuz it's the term known by so

970

00:38:50,920 --> 00:38:48,380

many people but going back to our thing

971

00:38:55,440 --> 00:38:50,930

about her she coined determine that book

972

00:38:59,070 --> 00:38:55,450

for individuals that were involved in

973

00:39:02,680 --> 00:38:59,080

keeping tabs on her monitoring her

974

00:39:04,690 --> 00:39:02,690

befriended her and other abdic T's and

975

00:39:07,960 --> 00:39:04,700

that term was minders like your being

976

00:39:09,910 --> 00:39:07,970

someone's minding you okay and I like

977

00:39:11,950 --> 00:39:09,920

the term because it just makes sense as

978

00:39:15,730 --> 00:39:11,960

you're being minded you know when

979

00:39:18,070 --> 00:39:15,740

someone's minding you sure and and it's

980

00:39:19,710 --> 00:39:18,080

just where these individuals get

981

00:39:23,650 --> 00:39:19,720

involved in your life to varying degrees

982

00:39:26,560 --> 00:39:23,660

so outside of the abduction events you

983

00:39:29,680 --> 00:39:26,570

could have these intelligence people

984

00:39:31,570 --> 00:39:29,690

aerospace people covert world people who

985

00:39:34,359 --> 00:39:31,580

operate in covert projects on many

986

00:39:36,280 --> 00:39:34,369

levels will suddenly befriend themselves

987

00:39:38,109 --> 00:39:36,290

to you and sometimes the object he sees

988

00:39:40,030 --> 00:39:38,119

is well this is like a whistleblower

989

00:39:42,460 --> 00:39:40,040

providing the information maybe

990

00:39:45,340 --> 00:39:42,470

confirming part of my experience so it's

991

00:39:48,310 --> 00:39:45,350

not necessary bad I have a couple these

992

00:39:50,020 --> 00:39:48,320

individuals and I have over time and

993

00:39:52,480 --> 00:39:50,030

they've kind of switched positions with

994

00:39:55,180 --> 00:39:52,490

each other and and I don't see it as

995

00:39:57,490 --> 00:39:55,190

something bad I see it is okay I'm

996

00:39:59,200 --> 00:39:57,500

flagged I'm of interest so I renew that

997

00:40:01,270 --> 00:39:59,210

in a million ways have them for a long

998

00:40:03,220 --> 00:40:01,280

time so it's like okay so they're kind

999

00:40:05,349 --> 00:40:03,230

of keeping tabs on me and yet I also

1000

00:40:07,300 --> 00:40:05,359

kind of get fed some information of

1001
00:40:08,890 --> 00:40:07,310
course you you take that with a grain of

1002
00:40:10,090 --> 00:40:08,900
salt and you don't you don't necessarily

1003
00:40:11,920 --> 00:40:10,100
believe it but you don't instantly

1004
00:40:13,660 --> 00:40:11,930
disbelieve it it's like is this useful

1005
00:40:15,820 --> 00:40:13,670
but it usually fits my researcher

1006
00:40:17,710 --> 00:40:15,830
support so they're kind of you know they

1007
00:40:20,140 --> 00:40:17,720
leading you along by the nose yeah but I

1008
00:40:21,820 --> 00:40:20,150
admit that and and it's not I'm not

1009
00:40:24,280 --> 00:40:21,830
gonna turn around and spouse something

1010
00:40:25,930 --> 00:40:24,290
they say is the God's truth because I'm

1011
00:40:28,300 --> 00:40:25,940
not an idiot you know but at the same

1012
00:40:31,150 --> 00:40:28,310
time it's like okay so far it's helpful

1013
00:40:32,050 --> 00:40:31,160

it's interesting in its confirming of

1014

00:40:34,630 --> 00:40:32,060

some stuff

1015

00:40:36,730 --> 00:40:34,640

she had that too and she's also

1016

00:40:37,710 --> 00:40:36,740

befriended you or become very good

1017

00:40:39,940 --> 00:40:37,720

friends with some of them

1018

00:40:42,130 --> 00:40:39,950

sometimes in that in the minder

1019

00:40:44,500 --> 00:40:42,140

scenarios there can be threats and

1020

00:40:47,130 --> 00:40:44,510

warnings sometimes

1021

00:40:50,940 --> 00:40:47,140

getting into very abusive relationships

1022

00:40:53,620 --> 00:40:50,950

some people end up getting into romantic

1023

00:40:57,460 --> 00:40:53,630

relationships with someone in that role

1024

00:40:58,780 --> 00:40:57,470

hmm and those usually end very badly I

1025

00:41:02,440 --> 00:40:58,790

can understand that

1026
00:41:04,390 --> 00:41:02,450
yes and now in my case I've never gotten

1027
00:41:05,350 --> 00:41:04,400
involved into my knowledge well actually

1028
00:41:07,270 --> 00:41:05,360
I take that back

1029
00:41:09,040 --> 00:41:07,280
there was someone loosely involved that

1030
00:41:11,500 --> 00:41:09,050
was almost a little romantic thing but

1031
00:41:13,900 --> 00:41:11,510
but it was short-lived and and it's okay

1032
00:41:16,420 --> 00:41:13,910
but but he was an insider and kind of a

1033
00:41:20,050 --> 00:41:16,430
whistleblower for sure this can happen

1034
00:41:21,640 --> 00:41:20,060
and I tell abdic T's be Leary know the

1035
00:41:23,520 --> 00:41:21,650
background of the person if you start

1036
00:41:26,620 --> 00:41:23,530
dating someone what's their background

1037
00:41:28,570 --> 00:41:26,630
even if you have someone who seems like

1038
00:41:30,450 --> 00:41:28,580

they come from the corporate world as a

1039

00:41:33,400 --> 00:41:30,460

whistleblower providing you information

1040

00:41:35,890 --> 00:41:33,410

think well why why why are they what is

1041

00:41:38,530 --> 00:41:35,900

this leading to a handle or situation

1042

00:41:40,780 --> 00:41:38,540

perhaps a handler and it could be

1043

00:41:42,400 --> 00:41:40,790

towards eventually recruiting you

1044

00:41:44,710 --> 00:41:42,410

they're checking you out on deeper level

1045

00:41:49,930 --> 00:41:44,720

I mean if you if you flag that kind of

1046

00:41:51,880 --> 00:41:49,940

involvement your way down the curve as I

1047

00:41:54,250 --> 00:41:51,890

say you know you know yeah and and so

1048

00:41:55,480 --> 00:41:54,260

it's like what's coming next

1049

00:41:57,430 --> 00:41:55,490

what do they want to get you involved

1050

00:42:00,130 --> 00:41:57,440

with and then you can either choose to

1051
00:42:02,590 --> 00:42:00,140
say okay or no to something that you

1052
00:42:04,840 --> 00:42:02,600
might be proposed to you mmm but be very

1053
00:42:07,050 --> 00:42:04,850
cautious yeah some people get very

1054
00:42:09,640 --> 00:42:07,060
paranoid when this starts to happen and

1055
00:42:11,740 --> 00:42:09,650
again it can be very low-grade like I

1056
00:42:13,830 --> 00:42:11,750
was saying earlier the MyLab involvement

1057
00:42:15,910 --> 00:42:13,840
can start with just really basic

1058
00:42:18,340 --> 00:42:15,920
harassment surveillance kind of stuff

1059
00:42:20,770 --> 00:42:18,350
and then and then can just slowly

1060
00:42:23,350 --> 00:42:20,780
escalate and ramp up to more and more

1061
00:42:25,990 --> 00:42:23,360
and so it may not involve getting

1062
00:42:28,420 --> 00:42:26,000
abducted by these covert humans or

1063
00:42:31,900 --> 00:42:28,430

having covert humans present in an eg

1064

00:42:34,330 --> 00:42:31,910

abduction that may come later and even

1065

00:42:36,010 --> 00:42:34,340

if that happens it doesn't necessarily

1066

00:42:39,580 --> 00:42:36,020

move beyond that so again you could be

1067

00:42:41,530 --> 00:42:39,590

anywhere along that curve of ramping up

1068

00:42:43,390 --> 00:42:41,540

in your life and and then have it stop

1069

00:42:45,190 --> 00:42:43,400

more have it stop for a while and start

1070

00:42:47,590 --> 00:42:45,200

up again I mean that happens for people

1071

00:42:49,660 --> 00:42:47,600

or just keep repeating through the same

1072

00:42:51,670 --> 00:42:49,670

cycle just as how much are they

1073

00:42:53,820 --> 00:42:51,680

interested in you how involved because

1074

00:42:56,830 --> 00:42:53,830

if you think about these are groups and

1075

00:42:58,540 --> 00:42:56,840

organizations and if they are connected

1076

00:43:00,250 --> 00:42:58,550

to something official as far as

1077

00:43:02,590 --> 00:43:00,260

shadow government or covert ops or

1078

00:43:04,570 --> 00:43:02,600

something or military well they're

1079

00:43:07,810 --> 00:43:04,580

spending time energy and money on you

1080

00:43:09,490 --> 00:43:07,820

and how much time energy personnel and

1081

00:43:12,280 --> 00:43:09,500

how much money are they going to spend

1082

00:43:14,200 --> 00:43:12,290

on you depends on how valuable are you

1083

00:43:16,630 --> 00:43:14,210

useful yeah how valuable you are to them

1084

00:43:19,840 --> 00:43:16,640

exactly and so a lot of times they just

1085

00:43:22,150 --> 00:43:19,850

check someone out and realize nope it's

1086

00:43:25,330 --> 00:43:22,160

not what I want or that person is such a

1087

00:43:26,770 --> 00:43:25,340

pain in the ass and I think that's

1088

00:43:27,850 --> 00:43:26,780

happened to me a couple times because

1089

00:43:29,260 --> 00:43:27,860

I'll get a little moment then they'll

1090

00:43:31,510 --> 00:43:29,270

leave me alone for a long time and I'm

1091

00:43:36,010 --> 00:43:31,520

thinking they're like somebody goes not

1092

00:43:40,090 --> 00:43:36,020

not worth it because they think they do

1093

00:43:41,530 --> 00:43:40,100

to me I'm gonna go blablabla yeah leave

1094

00:43:43,450 --> 00:43:41,540

me alone and I go I always tell people

1095

00:43:45,310 --> 00:43:43,460

if this starts happening to you the best

1096

00:43:49,060 --> 00:43:45,320

way to get them to leave you alone go

1097

00:43:52,270 --> 00:43:49,070

public and talk talking yeah become more

1098

00:43:54,040 --> 00:43:52,280

of a hassle than your work so another

1099

00:43:55,840 --> 00:43:54,050

element I want to talk about is getting

1100

00:43:57,820 --> 00:43:55,850

back to technology just a little bit a

1101

00:43:59,710 --> 00:43:57,830

big part of the secrecy we're told is

1102

00:44:01,780 --> 00:43:59,720

always that it has to do with the

1103

00:44:03,100 --> 00:44:01,790

technologies involved that these kind of

1104

00:44:04,780 --> 00:44:03,110

technologies could put the energy

1105

00:44:06,730 --> 00:44:04,790

companies out of business all that kind

1106

00:44:09,130 --> 00:44:06,740

of speculation I've heard you talk about

1107

00:44:11,590 --> 00:44:09,140

the idea that we're having a slow

1108

00:44:13,420 --> 00:44:11,600

indoctrination to disclosure on some of

1109

00:44:17,110 --> 00:44:13,430

these things and yeah that's a testing

1110

00:44:18,910 --> 00:44:17,120

because this guy this guy Gordon white

1111

00:44:20,440 --> 00:44:18,920

he never ceases to blow my mind but he's

1112

00:44:22,030 --> 00:44:20,450

talked about some of the major trade

1113

00:44:24,400 --> 00:44:22,040

agreements and things like the

1114

00:44:25,690 --> 00:44:24,410

trans-pacific partnership as potential

1115

00:44:27,700 --> 00:44:25,700

evidence for this that it could quite

1116

00:44:29,500 --> 00:44:27,710

possibly be the legal and political

1117

00:44:31,600 --> 00:44:29,510

framework for releasing some of this

1118

00:44:33,580 --> 00:44:31,610

tech without losing control of it are

1119

00:44:35,680 --> 00:44:33,590

there any things like that that you

1120

00:44:38,260 --> 00:44:35,690

would point to to suggest that this roll

1121

00:44:40,480 --> 00:44:38,270

out is being prepared a part of me is

1122

00:44:42,040 --> 00:44:40,490

like where do I start I mean yeah I'd

1123

00:44:43,450 --> 00:44:42,050

like to hear what he said not familiar

1124

00:44:45,940 --> 00:44:43,460

with his stuff and it sounds like he

1125

00:44:48,490 --> 00:44:45,950

might be really on it so I should check

1126
00:44:51,220 --> 00:44:48,500
that out I admit sometimes I just get so

1127
00:44:53,230 --> 00:44:51,230
caught up in regular life that I I'm not

1128
00:44:54,760 --> 00:44:53,240
always progressing forward with the

1129
00:44:56,890 --> 00:44:54,770
research in the way that I should and

1130
00:44:59,380 --> 00:44:56,900
again triage I'm usually helping people

1131
00:45:01,240 --> 00:44:59,390
who've had experiences come to terms

1132
00:45:02,980 --> 00:45:01,250
with have they had any my lab stuff and

1133
00:45:05,710 --> 00:45:02,990
if so why and you know it's just again

1134
00:45:08,080 --> 00:45:05,720
triage sorry but that's one area as far

1135
00:45:10,210 --> 00:45:08,090
as someone who says look I think this is

1136
00:45:11,830 --> 00:45:10,220
the framework for disclosure happening

1137
00:45:13,630 --> 00:45:11,840
I'm very interested of

1138
00:45:15,520 --> 00:45:13,640

like no bassett real well and follow his

1139

00:45:17,830 --> 00:45:15,530

stuff and I was following all the the

1140

00:45:21,340 --> 00:45:17,840

greer stuff when he was doing disclosure

1141

00:45:24,340 --> 00:45:21,350

hmm not so much lately stuff now yeah

1142

00:45:26,770 --> 00:45:24,350

yeah yeah sure I'm here to save you

1143

00:45:29,950 --> 00:45:26,780

stuff it's not working for me or for you

1144

00:45:31,840 --> 00:45:29,960

agreed so if not the TPP what are the

1145

00:45:34,600 --> 00:45:31,850

things that are the clues that show you

1146

00:45:37,060 --> 00:45:34,610

that there is some type of indication

1147

00:45:39,700 --> 00:45:37,070

that there's disclosure coming oh god

1148

00:45:43,450 --> 00:45:39,710

okay I'll stick I'll start with two

1149

00:45:45,910 --> 00:45:43,460

things that stand out like sore thumbs

1150

00:45:48,010 --> 00:45:45,920

sure I'm not sure which to make number

1151
00:45:49,630 --> 00:45:48,020
one mm-hmm I'm gonna start with the one

1152
00:45:51,190 --> 00:45:49,640
I might have more trouble remembering

1153
00:45:53,650 --> 00:45:51,200
once I start talking about the other so

1154
00:45:55,870 --> 00:45:53,660
I'll start with the one which is and

1155
00:45:58,150 --> 00:45:55,880
maybe it's number two but just so I

1156
00:45:59,080 --> 00:45:58,160
don't so I don't spend so much time time

1157
00:46:01,810 --> 00:45:59,090
about the other that I don't talk about

1158
00:46:04,180 --> 00:46:01,820
this and the first so the first one I'll

1159
00:46:06,250 --> 00:46:04,190
say is the amount of whistleblowers and

1160
00:46:07,960 --> 00:46:06,260
insiders coming out talking and saying I

1161
00:46:10,410 --> 00:46:07,970
was told to talk about this which is

1162
00:46:14,200 --> 00:46:10,420
right now rife and rampant in ufology

1163
00:46:16,330 --> 00:46:14,210

and in the covert conspiracy worlds and

1164

00:46:18,330 --> 00:46:16,340

everything everything from basiago

1165

00:46:20,620 --> 00:46:18,340

running for president you know to

1166

00:46:22,000 --> 00:46:20,630

everyone asked me about Corey Goode all

1167

00:46:25,000 --> 00:46:22,010

the time you know all these kinds of

1168

00:46:27,610 --> 00:46:25,010

things so I think I I just think there's

1169

00:46:30,430 --> 00:46:27,620

so many insiders coming out and talking

1170

00:46:32,230 --> 00:46:30,440

and pretty much all of them say I'm

1171

00:46:33,610 --> 00:46:32,240

being told to do this I'm being allowed

1172

00:46:36,700 --> 00:46:33,620

to say certain things it's being

1173

00:46:37,870 --> 00:46:36,710

encouraged that there's some and it and

1174

00:46:40,060 --> 00:46:37,880

when you you know when you say the

1175

00:46:42,610 --> 00:46:40,070

shadow world is not like one unanimous

1176

00:46:45,460 --> 00:46:42,620

thought or body you know making

1177

00:46:48,160 --> 00:46:45,470

decisions it could be one group wanting

1178

00:46:50,290 --> 00:46:48,170

some information out in direct face of

1179

00:46:52,690 --> 00:46:50,300

someone other group who doesn't you know

1180

00:46:54,910 --> 00:46:52,700

what I mean it could be but in in the

1181

00:46:56,530 --> 00:46:54,920

case of so may these individuals all the

1182

00:46:58,420 --> 00:46:56,540

people they carry Cassie's been

1183

00:46:59,980 --> 00:46:58,430

interviewing and I mean I could I mean I

1184

00:47:02,170 --> 00:46:59,990

don't want to start listing names but I

1185

00:47:04,240 --> 00:47:02,180

could prop the top my head just ramble

1186

00:47:06,400 --> 00:47:04,250

up and there's these they're all just

1187

00:47:09,460 --> 00:47:06,410

starting to talk about their involvement

1188

00:47:12,370 --> 00:47:09,470

in these deep projects that are secret

1189

00:47:14,590 --> 00:47:12,380

space program projects and technology

1190

00:47:16,120 --> 00:47:14,600

development projects and side

1191

00:47:18,070 --> 00:47:16,130

development projects and you know all

1192

00:47:20,110 --> 00:47:18,080

these various aspects of this subject

1193

00:47:22,510 --> 00:47:20,120

and they're saying I'm literally being

1194

00:47:24,310 --> 00:47:22,520

told to talk about this and and I think

1195

00:47:25,030 --> 00:47:24,320

people miss that part of their message

1196

00:47:26,020 --> 00:47:25,040

what

1197

00:47:27,250 --> 00:47:26,030

you think about this do you think he's

1198

00:47:28,510 --> 00:47:27,260

really involved like oh you guys are you

1199

00:47:31,810 --> 00:47:28,520

listen to the fact that he keeps saying

1200

00:47:34,270 --> 00:47:31,820

like Cory good kids say I'm being told

1201
00:47:35,590 --> 00:47:34,280
to talk about this and therefore take a

1202
00:47:37,000 --> 00:47:35,600
lot of what they say with a grain of

1203
00:47:38,110 --> 00:47:37,010
salt are you really getting the truth

1204
00:47:40,060 --> 00:47:38,120
you getting what they want you to hear

1205
00:47:42,400 --> 00:47:40,070
and what are they leaving out now that

1206
00:47:44,260 --> 00:47:42,410
person may have the I'd met Cory good

1207
00:47:45,430 --> 00:47:44,270
and had dinner with him and his wife and

1208
00:47:46,990 --> 00:47:45,440
I thought and they talked all about

1209
00:47:49,210 --> 00:47:47,000
their kids and he was really down to

1210
00:47:51,250 --> 00:47:49,220
earth and I was pleasantly surprised to

1211
00:47:52,660 --> 00:47:51,260
learn all that about and then you go

1212
00:47:54,430 --> 00:47:52,670
okay well and he said you know I am

1213
00:47:56,410 --> 00:47:54,440

being told to talk about this and and

1214

00:47:58,540 --> 00:47:56,420

you go okay so he's saying what he can

1215

00:48:00,730 --> 00:47:58,550

he knows what he can't I think he has

1216

00:48:02,740 --> 00:48:00,740

good intentions I don't think he has a

1217

00:48:04,990 --> 00:48:02,750

lot of ulterior motives other than to

1218

00:48:06,940 --> 00:48:05,000

say what he can I think it's like

1219

00:48:09,220 --> 00:48:06,950

therapy for him I think that with a lot

1220

00:48:11,740 --> 00:48:09,230

of these guys I knew I knew bill uhouse

1221

00:48:13,300 --> 00:48:11,750

him for Chile's passed away but I knew

1222

00:48:15,340 --> 00:48:13,310

bill uhouse really well and that was his

1223

00:48:18,310 --> 00:48:15,350

whole thing mm-hmm and when he when he

1224

00:48:20,320 --> 00:48:18,320

pushed it too far he got shot didn't

1225

00:48:21,700 --> 00:48:20,330

kill but he did you know and and Cory

1226

00:48:23,380 --> 00:48:21,710

good knows what will get him hurt I mean

1227

00:48:25,660 --> 00:48:23,390

these guys know what they can't say that

1228

00:48:27,160 --> 00:48:25,670

it's that's too much right that was one

1229

00:48:28,720 --> 00:48:27,170

of my questions for it is there's

1230

00:48:30,640 --> 00:48:28,730

definitely a sea change where they seem

1231

00:48:32,740 --> 00:48:30,650

to be talking about a lot of stuff that

1232

00:48:34,960 --> 00:48:32,750

wasn't previously talked about but as

1233

00:48:37,540 --> 00:48:34,970

far as those sensitive subjects that

1234

00:48:40,870 --> 00:48:37,550

they seem to not they're not supposed to

1235

00:48:43,180 --> 00:48:40,880

go into what do those subjects seem to

1236

00:48:44,920 --> 00:48:43,190

revolve around as far as he's noticed I

1237

00:48:45,880 --> 00:48:44,930

don't know you know because you don't

1238

00:48:47,230 --> 00:48:45,890

you don't know what you don't know you

1239

00:48:48,700 --> 00:48:47,240

don't know what they're not saying right

1240

00:48:50,950 --> 00:48:48,710

they're saying some pretty wild stuff

1241

00:48:52,750 --> 00:48:50,960

yeah Cory good talks about the Inner

1242

00:48:55,870 --> 00:48:52,760

Earth stuff which is fascinating to me

1243

00:48:58,990 --> 00:48:55,880

yeah what's off the table I don't know

1244

00:49:01,840 --> 00:48:59,000

maybe I don't think they're getting into

1245

00:49:03,670 --> 00:49:01,850

a lot of why the ETS are really here

1246

00:49:05,320 --> 00:49:03,680

stuff the alien agenda and motive stuff

1247

00:49:06,400 --> 00:49:05,330

mm-hmm I don't think they're getting

1248

00:49:08,470 --> 00:49:06,410

into that so much

1249

00:49:11,020 --> 00:49:08,480

I think they talk about the programs but

1250

00:49:13,300 --> 00:49:11,030

not why and what they're trying to do

1251
00:49:16,150 --> 00:49:13,310
with those programs so that's just my

1252
00:49:17,620 --> 00:49:16,160
guess but truth is Ill and then their

1253
00:49:19,810 --> 00:49:17,630
thing is I admit I don't follow these

1254
00:49:21,340 --> 00:49:19,820
guys that closely you start hearing them

1255
00:49:23,050 --> 00:49:21,350
in the end they just it all just sounds

1256
00:49:24,520 --> 00:49:23,060
like so much stuff and you're like how

1257
00:49:26,980 --> 00:49:24,530
do you ever verifying this how do you

1258
00:49:29,260 --> 00:49:26,990
know if it's true right it just becomes

1259
00:49:31,210 --> 00:49:29,270
noise is after a while exactly

1260
00:49:32,920 --> 00:49:31,220
agreed and yet I could be missing

1261
00:49:35,010 --> 00:49:32,930
something significant by not paying more

1262
00:49:38,320 --> 00:49:35,020
attention to but I leave that to

1263
00:49:41,200 --> 00:49:38,330

obviously David Wilcock and and

1264

00:49:44,320 --> 00:49:41,210

and earlier I mentioned Project Camelot

1265

00:49:46,150 --> 00:49:44,330

and and and what Bill was doing and what

1266

00:49:47,860 --> 00:49:46,160

Kerry was doing you know I lived two

1267

00:49:48,970 --> 00:49:47,870

folks like that who follow it and say

1268

00:49:50,140 --> 00:49:48,980

okay what are they saying now what's

1269

00:49:51,790 --> 00:49:50,150

different how's this relate to what

1270

00:49:54,460 --> 00:49:51,800

someone said before and those people

1271

00:49:56,470 --> 00:49:54,470

make a whole research community out of

1272

00:49:57,960 --> 00:49:56,480

that and great that's good I'm glad

1273

00:50:01,090 --> 00:49:57,970

they're doing it then I don't have to

1274

00:50:01,270 --> 00:50:01,100

yeah and then I can if I really want to

1275

00:50:03,520 --> 00:50:01,280

know

1276
00:50:04,840 --> 00:50:03,530
can I ask David Wilcock or Carrie Cassie

1277
00:50:07,570 --> 00:50:04,850
and say no what do you think about this

1278
00:50:09,160 --> 00:50:07,580
person and did that sound like what this

1279
00:50:10,630 --> 00:50:09,170
other person are said cuz they'll go oh

1280
00:50:12,610 --> 00:50:10,640
yeah Allah Allah Allah and all the

1281
00:50:15,430 --> 00:50:12,620
cross-correlation because that's their

1282
00:50:17,350 --> 00:50:15,440
research again in my research I'm still

1283
00:50:18,970 --> 00:50:17,360
the poor abductees who are wondering

1284
00:50:21,250 --> 00:50:18,980
what the hell's happening to him yeah

1285
00:50:22,870 --> 00:50:21,260
and unfortunately I'm kind of stuck

1286
00:50:25,450 --> 00:50:22,880
there but I only have so much time and

1287
00:50:27,520 --> 00:50:25,460
energy I mean I have a full life and of

1288
00:50:28,810 --> 00:50:27,530

course and yet that needs to happen a

1289

00:50:31,330 --> 00:50:28,820

lot of people say hey M'Lynn don't ever

1290

00:50:32,890 --> 00:50:31,340

feel bad about doing that that needs to

1291

00:50:35,320 --> 00:50:32,900

happen the addict he needs that

1292

00:50:36,940 --> 00:50:35,330

spokesperson I'm out there talking about

1293

00:50:39,700 --> 00:50:36,950

the my lava that's happening to people

1294

00:50:42,670 --> 00:50:39,710

right and that's so that's my dig if you

1295

00:50:45,490 --> 00:50:42,680

will and yet and yet these people who do

1296

00:50:47,020 --> 00:50:45,500

follow again you know I think at Kerry

1297

00:50:48,640 --> 00:50:47,030

casting David Wilcock off the top my

1298

00:50:50,470 --> 00:50:48,650

head is say we follow what these other

1299

00:50:52,540 --> 00:50:50,480

people are saying we cross correlate

1300

00:50:54,520 --> 00:50:52,550

what they're saying and and and I can

1301
00:50:56,860 --> 00:50:54,530
think of oh what's his name Steve and

1302
00:50:58,840 --> 00:50:56,870
then Tania man for him and and I forget

1303
00:51:00,730 --> 00:50:58,850
the guy names she made the movie with

1304
00:51:02,620 --> 00:51:00,740
packing for Mars but so they're

1305
00:51:03,940 --> 00:51:02,630
following what these guys are saying so

1306
00:51:06,250 --> 00:51:03,950
it's like okay there's enough people

1307
00:51:08,230 --> 00:51:06,260
following that that I can I know where

1308
00:51:10,630 --> 00:51:08,240
to go get that data when I when I want

1309
00:51:12,250 --> 00:51:10,640
to know it I think but again for me for

1310
00:51:14,380 --> 00:51:12,260
me personally it starts to just be so

1311
00:51:16,030 --> 00:51:14,390
much noise you start hearing all these

1312
00:51:18,670 --> 00:51:16,040
people and you're like okay this is all

1313
00:51:20,200 --> 00:51:18,680

very interesting I'm really like where's

1314

00:51:22,540 --> 00:51:20,210

the evidence and I'm not saying they're

1315

00:51:24,700 --> 00:51:22,550

not legit I'm just saying bring out the

1316

00:51:27,610 --> 00:51:24,710

evidence you're wasting my time when I

1317

00:51:29,950 --> 00:51:27,620

work with a big piece I help gather the

1318

00:51:31,360 --> 00:51:29,960

evidence for their experiences and let's

1319

00:51:32,950 --> 00:51:31,370

talk about some of physical evidence

1320

00:51:35,110 --> 00:51:32,960

because you have talked about that

1321

00:51:37,000 --> 00:51:35,120

you've talked about not only implants

1322

00:51:39,850 --> 00:51:37,010

which most people have heard about but

1323

00:51:42,010 --> 00:51:39,860

other little indications that people's

1324

00:51:44,140 --> 00:51:42,020

stories do check out can you tell us

1325

00:51:46,060 --> 00:51:44,150

about some of those examples yeah yeah

1326

00:51:48,070 --> 00:51:46,070

before we get into that people might

1327

00:51:49,900 --> 00:51:48,080

realize we might left them hanging in

1328

00:51:52,059 --> 00:51:49,910

what I think was the number one thing

1329

00:51:54,699 --> 00:51:52,069

that tells us disclosure is coming

1330

00:51:57,609 --> 00:51:54,709

it is current topic politically right

1331

00:51:59,049 --> 00:51:57,619

now in our presidential race hmm now

1332

00:52:01,299 --> 00:51:59,059

whether that means anything's gonna come

1333

00:52:03,549 --> 00:52:01,309

of it or not I don't know but every word

1334

00:52:05,829 --> 00:52:03,559

these folks utter well not so much I

1335

00:52:09,699 --> 00:52:05,839

used to think every birthday uttered was

1336

00:52:12,279 --> 00:52:09,709

plan I'm beginning to wonder but having

1337

00:52:14,049 --> 00:52:12,289

had said that the information that John

1338

00:52:15,759 --> 00:52:14,059

Podesta put out in the tweets that he

1339

00:52:21,069 --> 00:52:15,769

put out in his last days of office

1340

00:52:22,630 --> 00:52:21,079

working as working for Obama as was he

1341

00:52:26,199 --> 00:52:22,640

chief of staff for the White House and

1342

00:52:29,769 --> 00:52:26,209

now being campaign director for Hillary

1343

00:52:32,890 --> 00:52:29,779

and the comments that Hillary keeps

1344

00:52:34,599 --> 00:52:32,900

making over and over again you guys the

1345

00:52:37,660 --> 00:52:34,609

fact that this isn't this hasn't been

1346

00:52:42,689 --> 00:52:37,670

said once this is being said over and

1347

00:52:45,969 --> 00:52:42,699

over and over something's afoot yeah

1348

00:52:48,279 --> 00:52:45,979

what are they doing that why she's

1349

00:52:49,599 --> 00:52:48,289

making an issue of it ish is she really

1350

00:52:52,989 --> 00:52:49,609

gonna go look at it

1351

00:52:56,410 --> 00:52:52,999

I doubt it are they gonna send up a

1352

00:52:57,999 --> 00:52:56,420

smoke screen hmm you know um I think

1353

00:53:00,789 --> 00:52:58,009

she's just pandering to the Internet

1354

00:53:04,029 --> 00:53:00,799

community I doubt that an outsider like

1355

00:53:06,189 --> 00:53:04,039

her would really expose much nobody but

1356

00:53:09,009 --> 00:53:06,199

you have to that's easy to say but you

1357

00:53:10,870 --> 00:53:09,019

have to go back and realize their

1358

00:53:13,359 --> 00:53:10,880

previous involvement their previous

1359

00:53:16,089 --> 00:53:13,369

questions it's more serious than you

1360

00:53:18,069 --> 00:53:16,099

think and I think it's pandering to the

1361

00:53:20,439 --> 00:53:18,079

Internet means what that's nobody come

1362

00:53:23,049 --> 00:53:20,449

on that's you know really we're talking

1363

00:53:24,459 --> 00:53:23,059

about it yeah okay but I'm just saying I

1364

00:53:26,439 --> 00:53:24,469

no I don't think so

1365

00:53:30,329 --> 00:53:26,449

not that much of the internet community

1366

00:53:32,829 --> 00:53:30,339

even has an interest in the subject good

1367

00:53:34,900 --> 00:53:32,839

when you go back to people she's

1368

00:53:38,650 --> 00:53:34,910

connected with the question she's asked

1369

00:53:40,449 --> 00:53:38,660

on the inside the book she's read how

1370

00:53:40,930 --> 00:53:40,459

long her and Bill have been pursuing

1371

00:53:48,819 --> 00:53:40,940

this

1372

00:53:51,459 --> 00:53:48,829

has been a 20 year gig for her you know

1373

00:53:53,229 --> 00:53:51,469

and it's been behind the scenes and

1374

00:53:54,579 --> 00:53:53,239

what's interesting is it suddenly come

1375

00:53:56,920 --> 00:53:54,589

from behind the scenes day out in the

1376

00:53:58,479 --> 00:53:56,930

open why bringing it out in the open

1377

00:53:59,620 --> 00:53:58,489

Hillary all of a sudden when you've been

1378

00:54:01,269 --> 00:53:59,630

secretly doing this for a long time

1379

00:54:02,920 --> 00:54:01,279

night and secretly you've been doing

1380

00:54:04,479 --> 00:54:02,930

this with your friends and close

1381

00:54:05,740 --> 00:54:04,489

associates and words been leaking out

1382

00:54:08,260 --> 00:54:05,750

but now you're public

1383

00:54:10,210 --> 00:54:08,270

stating it when before you and bill when

1384

00:54:12,760 --> 00:54:10,220

publicly asked would dance around it or

1385

00:54:15,640 --> 00:54:12,770

run away now your publicly stating it

1386

00:54:17,230 --> 00:54:15,650

what's going on and Podesta come on you

1387

00:54:19,060 --> 00:54:17,240

guys he was chief of staff of the White

1388

00:54:20,440 --> 00:54:19,070

House saying his biggest regret is he

1389

00:54:22,420 --> 00:54:20,450

didn't get that done it's like

1390

00:54:24,220 --> 00:54:22,430

something's afoot and I don't know what

1391

00:54:26,740 --> 00:54:24,230

that means is it is it we're being

1392

00:54:28,360 --> 00:54:26,750

primed for some kind of smokescreen to

1393

00:54:29,550 --> 00:54:28,370

deflect and say oh look there's nothing

1394

00:54:32,860 --> 00:54:29,560

to it after all

1395

00:54:34,150 --> 00:54:32,870

mm-hmm why the question it's not that

1396

00:54:37,510 --> 00:54:34,160

they're gonna come out with disclosures

1397

00:54:39,760 --> 00:54:37,520

why now and what is their endgame

1398

00:54:42,640 --> 00:54:39,770

that's not asked but I think something's

1399

00:54:44,920 --> 00:54:42,650

afoot because it is current topic right

1400

00:54:47,980 --> 00:54:44,930

I don't think they have much wiggle room

1401

00:54:50,560 --> 00:54:47,990

left I think I don't i think the

1402

00:54:52,720 --> 00:54:50,570

involvement of tom delonge right

1403

00:54:55,150 --> 00:54:52,730

blink-182 yeah we're talking about maybe

1404

00:54:57,880 --> 00:54:55,160

getting him on here yeah well i hope

1405

00:54:59,860 --> 00:54:57,890

yeah but but I think that's very curious

1406

00:55:01,390 --> 00:54:59,870

who's talking to him and why do they

1407

00:55:02,980 --> 00:55:01,400

think he's the voice of young people why

1408

00:55:04,630 --> 00:55:02,990

did they chose him and I get to get why

1409

00:55:07,180 --> 00:55:04,640

they chose him it's he's the voice of

1410

00:55:08,950 --> 00:55:07,190

young people I get it but who's trying

1411

00:55:12,400 --> 00:55:08,960

to set up the young people for whatever

1412

00:55:13,810 --> 00:55:12,410

this agenda is why him and who is he

1413

00:55:16,480 --> 00:55:13,820

talking to him why are they being so

1414

00:55:18,910 --> 00:55:16,490

freely talking to him again you guys if

1415

00:55:21,070 --> 00:55:18,920

he is really meeting with Pentagon

1416

00:55:22,360 --> 00:55:21,080

officials and stuff like he claims and I

1417

00:55:22,960 --> 00:55:22,370

believe he is I don't believe he's

1418

00:55:24,820 --> 00:55:22,970

making that up

1419

00:55:27,610 --> 00:55:24,830

if he's really hearing the stuff that he

1420

00:55:29,980 --> 00:55:27,620

is and and if you listen to what he's

1421

00:55:31,450 --> 00:55:29,990

saying he's saying oh I totally agree

1422

00:55:33,640 --> 00:55:31,460

with why they've done this

1423

00:55:35,500 --> 00:55:33,650

he sings their praises they've done no

1424

00:55:37,810 --> 00:55:35,510

wrong there's nothing illegal when you

1425

00:55:40,720 --> 00:55:37,820

understand why you will accept it too

1426

00:55:44,800 --> 00:55:40,730

and that to me sends up a tremendous red

1427

00:55:46,960 --> 00:55:44,810

flag right cuz I'm like wait a second if

1428

00:55:49,840 --> 00:55:46,970

this is the voice of the 20-something

1429

00:55:52,120 --> 00:55:49,850

crowd you know the 15 to 25 year olds

1430

00:55:54,700 --> 00:55:52,130

and this is the guy that's talking to

1431

00:55:55,780 --> 00:55:54,710

them and this is the message they're

1432

00:55:57,040 --> 00:55:55,790

gonna start putting out oh there's

1433

00:55:58,840 --> 00:55:57,050

nothing wrong there they've not done

1434

00:56:01,540 --> 00:55:58,850

anything illegal everything's okay it's

1435

00:56:03,400 --> 00:56:01,550

all justified there's been no policy of

1436

00:56:05,320 --> 00:56:03,410

disclosure for completely justifiable

1437

00:56:07,870 --> 00:56:05,330

right it's like they're setting us up

1438

00:56:09,340 --> 00:56:07,880

for the idea of immunity but I'm willing

1439

00:56:12,670 --> 00:56:09,350

to give them immunity for disclosure

1440

00:56:15,790 --> 00:56:12,680

I'll make that trade Allah yeah I'm fine

1441

00:56:17,950 --> 00:56:15,800

what he says curious and alarming right

1442

00:56:19,540 --> 00:56:17,960

but I but gonna pay attention because

1443

00:56:21,610 --> 00:56:19,550

somebody's talking to them and

1444

00:56:23,350 --> 00:56:21,620

why and what are they saying and I'm

1445

00:56:24,970 --> 00:56:23,360

looking for the day when he wakes up and

1446

00:56:27,340 --> 00:56:24,980

the light bulb goes off and he goes wait

1447

00:56:29,080 --> 00:56:27,350

a second because dude you are being used

1448

00:56:32,340 --> 00:56:29,090

you're being had you're being used I

1449

00:56:34,630 --> 00:56:32,350

hope you fully realized that mm-hmm just

1450

00:56:36,160 --> 00:56:34,640

playing along he seems like a smart guy

1451
00:56:38,740 --> 00:56:36,170
so he might just be playing along to see

1452
00:56:42,160 --> 00:56:38,750
how far it goes mm-hmm but I if he if he

1453
00:56:43,630 --> 00:56:42,170
turns tail on them right and says no I'm

1454
00:56:45,820 --> 00:56:43,640
not gonna put out that message but we'll

1455
00:56:47,680 --> 00:56:45,830
see I mean we'll see yeah and I'm not

1456
00:56:48,910 --> 00:56:47,690
sure what to make it but I'm and I the

1457
00:56:50,410 --> 00:56:48,920
jury's still out I have made up my mind

1458
00:56:52,480 --> 00:56:50,420
on many of these things I have made in

1459
00:56:55,240 --> 00:56:52,490
my mind but they are curious and and his

1460
00:56:56,620 --> 00:56:55,250
whole ball wax thing time Hillary and

1461
00:57:00,070 --> 00:56:56,630
John Podesta are making those statements

1462
00:57:02,200 --> 00:57:00,080
yeah it's like something's afoot well I

1463
00:57:04,720 --> 00:57:02,210

think in some way they don't have a lot

1464

00:57:06,550 --> 00:57:04,730

of room left because a lot of these

1465

00:57:08,560 --> 00:57:06,560

secret sciences and technologies have

1466

00:57:10,570 --> 00:57:08,570

been quarantined but yet people have

1467

00:57:12,700 --> 00:57:10,580

stumbled on them more and more over time

1468

00:57:14,410 --> 00:57:12,710

physics is only working with half a

1469

00:57:17,050 --> 00:57:14,420

puzzle so I think they have really no

1470

00:57:18,610 --> 00:57:17,060

choice but I put this out to us but try

1471

00:57:20,560 --> 00:57:18,620

to get out in front of it so that they

1472

00:57:22,330 --> 00:57:20,570

can profit like they've always profited

1473

00:57:24,970 --> 00:57:22,340

yeah I think you're right I think it

1474

00:57:26,560 --> 00:57:24,980

might be now we're just looking stupid

1475

00:57:28,960 --> 00:57:26,570

and so we got to come out with us

1476

00:57:30,130 --> 00:57:28,970

another thing that's pressing that so

1477

00:57:31,660 --> 00:57:30,140

you have the whole time the long thing

1478

00:57:33,760 --> 00:57:31,670

you have your Podesta and Hillary and

1479

00:57:35,800 --> 00:57:33,770

that whole thing at the same time part

1480

00:57:37,660 --> 00:57:35,810

of what's pushing that is you have Putin

1481

00:57:39,490 --> 00:57:37,670

pushing the button on it right goodness

1482

00:57:41,620 --> 00:57:39,500

think I'm gonna come out and do this if

1483

00:57:44,230 --> 00:57:41,630

you guys don't he's threatened that

1484

00:57:45,970 --> 00:57:44,240

publicly in lectures like five times or

1485

00:57:48,370 --> 00:57:45,980

something if you don't do this I'm going

1486

00:57:51,820 --> 00:57:48,380

to mmm-hmm our government's going well

1487

00:57:54,120 --> 00:57:51,830

we can't let him do it first right that

1488

00:57:56,500 --> 00:57:54,130

would be a mess for a million reasons

1489

00:57:58,630 --> 00:57:56,510

for the whole world that would be a mess

1490

00:58:01,150 --> 00:57:58,640

and so they probably realized we got it

1491

00:58:03,190 --> 00:58:01,160

we can't let him do this first mm-hmm

1492

00:58:05,050 --> 00:58:03,200

and he's really pushing some of that

1493

00:58:08,620 --> 00:58:05,060

threat that could be driving some of it

1494

00:58:10,390 --> 00:58:08,630

too along it cuz that to me that tied

1495

00:58:13,540 --> 00:58:10,400

directly in with what you're saying with

1496

00:58:16,030 --> 00:58:13,550

with the technologies are out there to

1497

00:58:17,590 --> 00:58:16,040

move forward and to really profit them

1498

00:58:19,810 --> 00:58:17,600

they've got to start bringing everybody

1499

00:58:21,850 --> 00:58:19,820

along mm-hmm I think you're right

1500

00:58:23,260 --> 00:58:21,860

because I think oh I don't think these

1501

00:58:25,660 --> 00:58:23,270

folks ever do anything that isn't

1502

00:58:27,460 --> 00:58:25,670

completely profit and financial gain

1503

00:58:29,830 --> 00:58:27,470

based and driven right and well

1504

00:58:33,250 --> 00:58:29,840

calculated - yeah yeah exactly you got

1505

00:58:34,390 --> 00:58:33,260

it I'm great I think you're on it well

1506

00:58:36,010 --> 00:58:34,400

getting down to it I know you're also

1507

00:58:37,330 --> 00:58:36,020

gonna be a contact in the desert coming

1508

00:58:38,860 --> 00:58:37,340

up it's a great event where I've

1509

00:58:40,930 --> 00:58:38,870

actually gotten my hands on night-vision

1510

00:58:42,970 --> 00:58:40,940

goggles the past couple of years and saw

1511

00:58:45,910 --> 00:58:42,980

a lot of bad stuff in the sky so I have

1512

00:58:48,280 --> 00:58:45,920

full faith in the idea of your UFO tours

1513

00:58:50,230 --> 00:58:48,290

but give us some details on what those

1514

00:58:51,460 --> 00:58:50,240

are like what are you seeing when you're

1515

00:58:58,170 --> 00:58:51,470

looking out there and the night-vision

1516

00:59:00,340 --> 00:58:58,180

goggles well last night was tour number

1517

00:59:02,350 --> 00:59:00,350

574 Wow

1518

00:59:04,420 --> 00:59:02,360

so in five hundred and seventy four

1519

00:59:06,040 --> 00:59:04,430

tours only once did my clients feel they

1520

00:59:08,320 --> 00:59:06,050

didn't have a sighting the other five

1521

00:59:09,610 --> 00:59:08,330

hundred and seventy three tours the

1522

00:59:11,200 --> 00:59:09,620

other five hundred and seventy three

1523

00:59:13,420 --> 00:59:11,210

tours my clients always thought they had

1524

00:59:15,580 --> 00:59:13,430

sightings and we see a variety of stuff

1525

00:59:16,960 --> 00:59:15,590

we you know I I always tell my class I

1526
00:59:19,300 --> 00:59:16,970
know where whether we're gonna get ten

1527
00:59:21,070 --> 00:59:19,310
or forty or ten or fifty but you know I

1528
00:59:24,040 --> 00:59:21,080
would think my clients last night would

1529
00:59:26,080 --> 00:59:24,050
probably tell you they saw 30 or so so

1530
00:59:29,320 --> 00:59:26,090
we always see a bunch of stuff I educate

1531
00:59:31,480 --> 00:59:29,330
everyone on planes helicopters shooting

1532
00:59:32,830 --> 00:59:31,490
stars and of course satellites so you

1533
00:59:34,630 --> 00:59:32,840
know all about when you're seeing those

1534
00:59:36,700 --> 00:59:34,640
things and you can rule those things out

1535
00:59:38,350 --> 00:59:36,710
so when you have things that stop turn

1536
00:59:39,850 --> 00:59:38,360
changed and when I say things I

1537
00:59:41,410 --> 00:59:39,860
predominately what we're getting your

1538
00:59:44,140 --> 00:59:41,420

lights at high altitude predominantly

1539

00:59:46,420 --> 00:59:44,150

right on 15 of the tour's we've seen

1540

00:59:48,400 --> 00:59:46,430

fully structured craft like two ties

1541

00:59:51,130 --> 00:59:48,410

were big discs six times were big

1542

00:59:53,200 --> 00:59:51,140

triangles two ties were big boomerang

1543

00:59:55,180 --> 00:59:53,210

shapes one time was a big teardrop shape

1544

00:59:57,250 --> 00:59:55,190

one time with big diamond and three

1545

00:59:59,800 --> 00:59:57,260

times we had big round spheres like you

1546

01:00:02,020 --> 00:59:59,810

know ball shape but in two times your

1547

01:00:04,180 --> 01:00:02,030

classic UFO discs and like I said six

1548

01:00:07,060 --> 01:00:04,190

times big triangles okay but and

1549

01:00:09,040 --> 01:00:07,070

sometimes those have been three inches

1550

01:00:10,450 --> 01:00:09,050

in diameter at arms legs you make three

1551
01:00:12,040 --> 01:00:10,460
inches in diameter at arms like make

1552
01:00:13,660 --> 01:00:12,050
that a solid object take your hand down

1553
01:00:15,970 --> 01:00:13,670
your time stuff so I'm hovering right

1554
01:00:18,730 --> 01:00:15,980
over you and sometimes they've been

1555
01:00:21,070 --> 01:00:18,740
maybe an quarter inch at arm's length

1556
01:00:23,830 --> 01:00:21,080
hmm but if we're seeing full structure

1557
01:00:25,570 --> 01:00:23,840
and so we've had triangles up high there

1558
01:00:27,550 --> 01:00:25,580
half an inch at arm's length and we've

1559
01:00:29,380 --> 01:00:27,560
had triangles that I had a professional

1560
01:00:30,370 --> 01:00:29,390
pilot out in one night who said it

1561
01:00:32,140 --> 01:00:30,380
thought it was about four or five

1562
01:00:33,760 --> 01:00:32,150
hundred feet above us two great big

1563
01:00:36,040 --> 01:00:33,770

triangles that we thought were about 300

1564

01:00:37,990 --> 01:00:36,050

feet in diameter only about 500 feet

1565

01:00:40,930 --> 01:00:38,000

above us no it's right on top of us yeah

1566

01:00:42,520 --> 01:00:40,940

so you know so but but 15 times we've

1567

01:00:44,020 --> 01:00:42,530

seen structure craft and all their times

1568

01:00:46,210 --> 01:00:44,030

were seeing lights at high altitude

1569

01:00:47,230 --> 01:00:46,220

right that's what I've seen occasionally

1570

01:00:49,630 --> 01:00:47,240

we get great

1571

01:00:50,920 --> 01:00:49,640

big lights and my clients go my god

1572

01:00:53,290 --> 01:00:50,930

that's so close that's so close what

1573

01:00:56,560 --> 01:00:53,300

shape is it you know it what shape and

1574

01:00:58,630 --> 01:00:56,570

I'll say that shape is big light because

1575

01:01:01,150 --> 01:00:58,640

it's not structure unless you can see

1576

01:01:02,710 --> 01:01:01,160

structure but we get big light a lot but

1577

01:01:04,570 --> 01:01:02,720

we also get lights at really high

1578

01:01:08,080 --> 01:01:04,580

altitude but things that stop turn

1579

01:01:10,810 --> 01:01:08,090

change direction wobble zig zag make

1580

01:01:12,370 --> 01:01:10,820

right angle turns make u-turns shoot off

1581

01:01:14,350 --> 01:01:12,380

into space last night we had a couple

1582

01:01:15,790 --> 01:01:14,360

that is they took off out of the

1583

01:01:17,650 --> 01:01:15,800

atmosphere they were getting dimmer and

1584

01:01:19,240 --> 01:01:17,660

smaller you could tell that they

1585

01:01:20,620 --> 01:01:19,250

suddenly were going three times faster

1586

01:01:21,760 --> 01:01:20,630

like they were going faster faster

1587

01:01:23,230 --> 01:01:21,770

faster faster faster and then they'd go

1588

01:01:24,940 --> 01:01:23,240

shoot and shoot out like you know like

1589

01:01:27,000 --> 01:01:24,950

streak out mm-hmm it's always a

1590

01:01:29,680 --> 01:01:27,010

combination we also get things that fly

1591

01:01:32,380 --> 01:01:29,690

informations not last night but night

1592

01:01:34,600 --> 01:01:32,390

before last we had a triangle of three

1593

01:01:37,570 --> 01:01:34,610

three separate objects flying in a

1594

01:01:40,840 --> 01:01:37,580

triangle formation and we also have that

1595

01:01:43,720 --> 01:01:40,850

happen about seven nights ago we had oh

1596

01:01:45,600 --> 01:01:43,730

my god we had a good a good triple oh my

1597

01:01:48,250 --> 01:01:45,610

god it wasn't gonna be coming from the

1598

01:01:50,140 --> 01:01:48,260

southeast straight towards us three

1599

01:01:51,190 --> 01:01:50,150

separate objects you could see stars

1600

01:01:53,380 --> 01:01:51,200

between them and they're kind of a

1601
01:01:56,260 --> 01:01:53,390
distance apart you know but perfect

1602
01:01:58,180 --> 01:01:56,270
equilateral perfectly evenly spaced from

1603
01:02:01,540 --> 01:01:58,190
each other awesome the one in the front

1604
01:02:03,220 --> 01:02:01,550
starts dropping to the left and the to

1605
01:02:04,510 --> 01:02:03,230
the other to kind of behind us was like

1606
01:02:07,090 --> 01:02:04,520
one in the front two in the back I guess

1607
01:02:10,599 --> 01:02:07,100
they they start turning and keeping that

1608
01:02:12,370 --> 01:02:10,609
exact shape they do this u-turn so they

1609
01:02:14,800 --> 01:02:12,380
come up from the southeast and they took

1610
01:02:17,590 --> 01:02:14,810
off due east and they they just kind of

1611
01:02:20,230 --> 01:02:17,600
did this big arcing u-turn and took off

1612
01:02:23,080 --> 01:02:20,240
dewey's holding that and as they flew

1613
01:02:24,670 --> 01:02:23,090

away from us they then we're starting to

1614

01:02:26,859 --> 01:02:24,680

go up and out of the atmosphere because

1615

01:02:28,090 --> 01:02:26,869

they were getting smaller dimmer and

1616

01:02:29,500 --> 01:02:28,100

closer together all at the same time

1617

01:02:32,050 --> 01:02:29,510

meaning they were holding that exact

1618

01:02:34,330 --> 01:02:32,060

formation but as it flew out away from

1619

01:02:36,490 --> 01:02:34,340

us they got not only dimmer tiny or

1620

01:02:39,250 --> 01:02:36,500

dimmer tinier but much closer together

1621

01:02:41,020 --> 01:02:39,260

and they were like tiny really close

1622

01:02:42,700 --> 01:02:41,030

together before they finally completely

1623

01:02:44,200 --> 01:02:42,710

disappeared so they had made a big

1624

01:02:47,200 --> 01:02:44,210

u-turn and then took off for space

1625

01:02:50,040 --> 01:02:47,210

holding that exact formation it was just

1626

01:02:54,580 --> 01:02:50,050

a perfect textbook triad you know

1627

01:02:57,130 --> 01:02:54,590

awesome I had I had I had clients with

1628

01:02:59,620 --> 01:02:57,140

me that night a couple who are making a

1629

01:03:00,880 --> 01:02:59,630

documentary and they're gonna be a

1630

01:03:02,710 --> 01:03:00,890

contact in the dead

1631

01:03:05,410 --> 01:03:02,720

interviewing and filming people with the

1632

01:03:06,910 --> 01:03:05,420

documentary for contact in the desert

1633

01:03:09,220 --> 01:03:06,920

like they're officially doing it in

1634

01:03:11,200 --> 01:03:09,230

conjunction with contact in the desert

1635

01:03:12,759 --> 01:03:11,210

and whether it's a documentary just

1636

01:03:14,140 --> 01:03:12,769

about that or a documentary about

1637

01:03:16,299 --> 01:03:14,150

current ufology and they're just gonna

1638

01:03:18,130 --> 01:03:16,309

do a a big part of that but if any one

1639

01:03:19,720 --> 01:03:18,140

out there's gonna be a contact or is a

1640

01:03:21,970 --> 01:03:19,730

speaker there or anything

1641

01:03:25,150 --> 01:03:21,980

you're gonna meet these guys this lovely

1642

01:03:27,460 --> 01:03:25,160

couple I think he's from Brazil and they

1643

01:03:29,979 --> 01:03:27,470

were the ones I had out there who got to

1644

01:03:31,239 --> 01:03:29,989

see that so I'm sure I'm actually

1645

01:03:33,430 --> 01:03:31,249

looking forward to seeing them at

1646

01:03:35,259 --> 01:03:33,440

contact and being able to go behind you

1647

01:03:37,359 --> 01:03:35,269

guys that triangle ways I was I was so

1648

01:03:39,370 --> 01:03:37,369

good I mean it wasn't a solid stretcher

1649

01:03:42,190 --> 01:03:39,380

crash was three objects in formation

1650

01:03:45,069 --> 01:03:42,200

when I say we've seen triangle structure

1651

01:03:48,130 --> 01:03:45,079

craft six times that's solid solid

1652

01:03:49,870 --> 01:03:48,140

structure yeah so why do you think

1653

01:03:51,339 --> 01:03:49,880

Sedona is such a hot spot outside of

1654

01:03:53,140 --> 01:03:51,349

military presence do you think there's

1655

01:03:54,819 --> 01:03:53,150

natural reasons why the environment

1656

01:03:58,269 --> 01:03:54,829

might be such a hotbed for this activity

1657

01:04:01,269 --> 01:03:58,279

oh gosh okay Sedona has always been a

1658

01:04:02,950 --> 01:04:01,279

hot spot for sightings they're places in

1659

01:04:04,420 --> 01:04:02,960

the world that will be hot spots for

1660

01:04:06,370 --> 01:04:04,430

like days you know like all of a sudden

1661

01:04:08,650 --> 01:04:06,380

they'll be a sighting wave a sine wave

1662

01:04:11,009 --> 01:04:08,660

can last days it can last weeks it can

1663

01:04:13,299 --> 01:04:11,019

last months it can last years

1664

01:04:15,519 --> 01:04:13,309

then there are places on the planet that

1665

01:04:17,470 --> 01:04:15,529

are true hot spots meaning there's like

1666

01:04:19,569 --> 01:04:17,480

sighting waves there for epochs of time

1667

01:04:21,940 --> 01:04:19,579

where like a thousand years and reported

1668

01:04:24,130 --> 01:04:21,950

or since you know since the beginning of

1669

01:04:25,450 --> 01:04:24,140

recorded time and and and so they're

1670

01:04:27,370 --> 01:04:25,460

these places on the planet that are

1671

01:04:30,039 --> 01:04:27,380

always known for having sightings all

1672

01:04:33,309 --> 01:04:30,049

the time Sedona is one of those northern

1673

01:04:36,489 --> 01:04:33,319

Arizona is one of those and and the

1674

01:04:38,920 --> 01:04:36,499

leading theory as to why Sedona is this

1675

01:04:40,749 --> 01:04:38,930

hot spot for epochs of time is our

1676

01:04:42,789 --> 01:04:40,759

vortexes which are these increased

1677

01:04:46,239 --> 01:04:42,799

electromagnetic fields spiraling up from

1678

01:04:48,640 --> 01:04:46,249

the ground and that that's why but

1679

01:04:52,120 --> 01:04:48,650

Sedona and northern Arizona and the Four

1680

01:04:54,160 --> 01:04:52,130

Corners area is all a big hotspot and as

1681

01:04:55,779 --> 01:04:54,170

well as you know many places in the

1682

01:04:56,979 --> 01:04:55,789

world I could go on listing them but

1683

01:04:59,079 --> 01:04:56,989

there's a lot of these places and

1684

01:05:00,940 --> 01:04:59,089

they're all places that are known as

1685

01:05:03,059 --> 01:05:00,950

places of power these places with these

1686

01:05:06,940 --> 01:05:03,069

large electromagnetic increased

1687

01:05:08,829 --> 01:05:06,950

electromagnetic fields and so just like

1688

01:05:11,589 --> 01:05:08,839

those other places in the world what the

1689

01:05:14,080 --> 01:05:11,599

increased electromagnetic fields are hot

1690

01:05:15,670 --> 01:05:14,090

spots for epochs of time so is Sedona

1691

01:05:17,380 --> 01:05:15,680

and then there's kind of two schools of

1692

01:05:18,730 --> 01:05:17,390

thought we don't really know why but

1693

01:05:20,260 --> 01:05:18,740

they're two schools of thought one is

1694

01:05:22,420 --> 01:05:20,270

they're getting cite some kind of energy

1695

01:05:24,910 --> 01:05:22,430

from it maybe I'm not a big proponent of

1696

01:05:27,610 --> 01:05:24,920

that but I can't say you know what do I

1697

01:05:29,620 --> 01:05:27,620

know maybe and then the other is that

1698

01:05:31,480 --> 01:05:29,630

they're using them as navigation beacons

1699

01:05:34,060 --> 01:05:31,490

they're they're like coming into Earth's

1700

01:05:35,830 --> 01:05:34,070

atmosphere I had an engineering guy one

1701

01:05:37,990 --> 01:05:35,840

night come out of my tour who said what

1702

01:05:40,420 --> 01:05:38,000

if they're anti-gravity navigation

1703

01:05:42,580 --> 01:05:40,430

system is just locking on to these

1704

01:05:45,310 --> 01:05:42,590

electromagnetic fields their navigation

1705

01:05:47,110 --> 01:05:45,320

system being electromagnetic is locking

1706

01:05:48,850 --> 01:05:47,120

on to these electromagnetic fields and

1707

01:05:51,190 --> 01:05:48,860

that's why when they come into Earth's

1708

01:05:53,080 --> 01:05:51,200

atmosphere they come into these places

1709

01:05:55,240 --> 01:05:53,090

of power and then maybe redirect from

1710

01:05:58,480 --> 01:05:55,250

there and I said man that makes perfect

1711

01:05:59,560 --> 01:05:58,490

sense so I think I think that made

1712

01:06:01,780 --> 01:05:59,570

perfect sense so that's why I think

1713

01:06:03,520 --> 01:06:01,790

they're doing yeah that is intriguing

1714

01:06:05,530 --> 01:06:03,530

for sure I mean that pretty much does it

1715

01:06:07,450 --> 01:06:05,540

for us Melinda this has been really

1716

01:06:08,830 --> 01:06:07,460

insightful I appreciate you sharing all

1717

01:06:10,600 --> 01:06:08,840

this research with us are there any

1718

01:06:12,300 --> 01:06:10,610

links or contact information you'd like

1719

01:06:15,490 --> 01:06:12,310

to give people before we call it a wrap

1720

01:06:18,160 --> 01:06:15,500

so the best way to get a hold of me to

1721

01:06:22,060 --> 01:06:18,170

access all my information is to go to my

1722

01:06:23,980 --> 01:06:22,070

website UFO sighting tours calm and when

1723

01:06:26,620 --> 01:06:23,990

you go to UFO sighting tours calm you

1724

01:06:28,390 --> 01:06:26,630

scroll down I got videos in might

1725

01:06:31,750 --> 01:06:28,400

there's a little brief bio down the page

1726

01:06:34,510 --> 01:06:31,760

ways and that bio has links in it and

1727

01:06:38,680 --> 01:06:34,520

that'll take you to all my stuff

1728

01:06:40,540 --> 01:06:38,690

basically awesome well have a great time

1729

01:06:42,310 --> 01:06:40,550

at contact in the desert and hopefully I

1730

01:06:44,710 --> 01:06:42,320

can end up on one of those UFO tours

1731

01:06:46,180 --> 01:06:44,720

eventually but yeah come to Sedona I

1732

01:06:48,370 --> 01:06:46,190

miss it you know there's a million

1733

01:06:49,900 --> 01:06:48,380

reasons to come to Sedona of course my

1734

01:06:52,720 --> 01:06:49,910

tours being one of them all right but

1735

01:06:55,000 --> 01:06:52,730

but there's there's Sedona is it is a

1736

01:06:57,460 --> 01:06:55,010

destination it's an amazing location

1737

01:06:59,980 --> 01:06:57,470

it's very spiritual it's very healing

1738

01:07:03,060 --> 01:06:59,990

very metaphysical Ross and incredible

1739

01:07:06,490 --> 01:07:03,070

outdoor enthusiasts hiking and dirt bike

1740

01:07:10,030 --> 01:07:06,500

destination as well as an art community

1741

01:07:11,920 --> 01:07:10,040

destination so come to Sedona come on my

1742

01:07:14,020 --> 01:07:11,930

tour I'd love to take you right on it's

1743

01:07:15,850 --> 01:07:14,030

not too far so I will do that and anyone

1744

01:07:17,800 --> 01:07:15,860

come into contact in the desert make

1745

01:07:20,850 --> 01:07:17,810

sure you come up to me and say hi I'm

1746

01:07:23,620 --> 01:07:20,860

gonna be running two free night-vision

1747

01:07:25,180 --> 01:07:23,630

experiences there at the location on

1748

01:07:26,730 --> 01:07:25,190

Friday and Saturday nights and then

1749

01:07:28,050 --> 01:07:26,740

Sunday night

1750

01:07:29,970 --> 01:07:28,060

paid one where we're gonna go out to

1751

01:07:32,280 --> 01:07:29,980

giant rock but you'll have goggle use

1752

01:07:33,480 --> 01:07:32,290

the entire time you won't have to if the

1753

01:07:35,880 --> 01:07:33,490

other ones you're gonna have goggles for

1754

01:07:36,750 --> 01:07:35,890

like five minutes at a time every 15

1755

01:07:39,300 --> 01:07:36,760

minutes you might get in for five

1756

01:07:41,609 --> 01:07:39,310

minutes so you might have three or four

1757

01:07:42,930 --> 01:07:41,619

five minutes segments in a three hour

1758

01:07:44,940 --> 01:07:42,940

period you know blah blah blah but

1759

01:07:46,710 --> 01:07:44,950

you'll get to look but it when we go out

1760

01:07:48,930 --> 01:07:46,720

to giant rock on Sunday night that's a

1761

01:07:50,790 --> 01:07:48,940

paid event but you get you'll have

1762

01:07:52,020 --> 01:07:50,800

goggles usage the whole two hours that

1763

01:07:53,609 --> 01:07:52,030

you view I'm gonna be out there for like

1764

01:07:55,410 --> 01:07:53,619

three but two hours of viewing you'll

1765

01:07:57,420 --> 01:07:55,420

get goggle usage the whole time yeah

1766

01:07:59,550 --> 01:07:57,430

it's definitely worth doing I've looked

1767

01:08:01,590 --> 01:07:59,560

into getting goggles myself but man they

1768

01:08:03,420 --> 01:08:01,600

are so expensive the ones I've seen are

1769

01:08:05,690 --> 01:08:03,430

like ten thousand dollars so I can

1770

01:08:09,990 --> 01:08:05,700

understand no no no no gem gem threes

1771

01:08:13,380 --> 01:08:10,000

right now are ranging between about

1772

01:08:14,520 --> 01:08:13,390

thirty us cuz he 3646 number maybe it's

1773

01:08:17,309 --> 01:08:14,530

more like thirty eight and forty eight

1774

01:08:19,740 --> 01:08:17,319

hundred they're good gem threes are in

1775

01:08:21,780 --> 01:08:19,750

that range you can get souped-up gentoos

1776

01:08:23,039 --> 01:08:21,790

for like twenty five hundred but I

1777

01:08:24,390 --> 01:08:23,049

actually don't recommend it if you're

1778

01:08:26,670 --> 01:08:24,400

serious about really doing this all the

1779

01:08:29,099 --> 01:08:26,680

time but some people say those are

1780

01:08:30,690 --> 01:08:29,109

pretty good I'm not a big fan but some

1781

01:08:32,070 --> 01:08:30,700

people say they're good and and I hear

1782

01:08:33,900 --> 01:08:32,080

that they're getting better so I'm maybe

1783

01:08:36,510 --> 01:08:33,910

I'll be turned around on it mmm-hmm

1784

01:08:38,820 --> 01:08:36,520

but I use gem threes I get ones that

1785

01:08:40,320 --> 01:08:38,830

would retail right now for about thirty

1786

01:08:41,910 --> 01:08:40,330

eight hundred I admit I have a contact I

1787

01:08:43,920 --> 01:08:41,920

get them for less than that but and it

1788

01:08:44,249 --> 01:08:43,930

but yeah and that's what I use on the

1789

01:08:46,349 --> 01:08:44,259

tour

1790

01:08:48,329 --> 01:08:46,359

all right on very cool all right well

1791

01:08:50,220 --> 01:08:48,339

until that tour take care yourself out

1792

01:08:52,039 --> 01:08:50,230

there thank you well thanks again for

1793

01:08:55,289 --> 01:08:52,049

having me

1794

01:08:57,390 --> 01:08:55,299

boom people melinda leslie big thanks to

1795

01:09:00,450 --> 01:08:57,400

her you know I liked the episodes to be

1796

01:09:02,340 --> 01:09:00,460

pretty wildly varied and this episode

1797

01:09:04,320 --> 01:09:02,350

along with last week's with evil org and

1798

01:09:06,570 --> 01:09:04,330

are a bit too similar but that's

1799

01:09:08,760 --> 01:09:06,580

nobody's fault but mine this really was

1800

01:09:11,070 --> 01:09:08,770

me trying to follow up on a lead from

1801

01:09:13,349 --> 01:09:11,080

Robert Guffey I thought we might get a

1802

01:09:14,970 --> 01:09:13,359

little insight into these lesser-known

1803

01:09:17,160 --> 01:09:14,980

companies that might be part of the

1804

01:09:20,160 --> 01:09:17,170

agenda maybe get deeper than what's

1805

01:09:22,499 --> 01:09:20,170

commonly discussed on coast to coast and

1806

01:09:23,700 --> 01:09:22,509

some of the surfaced programs that talk

1807

01:09:26,190 --> 01:09:23,710

about this stuff all the time

1808

01:09:28,499 --> 01:09:26,200

but apparently the things I wanted to

1809

01:09:31,050 --> 01:09:28,509

follow up on most were kind of old news

1810

01:09:33,570 --> 01:09:31,060

but there were some insights about why

1811

01:09:35,970 --> 01:09:33,580

these things occur and where pockets of

1812

01:09:39,269 --> 01:09:35,980

the shadow state might be and carrying

1813

01:09:40,649 --> 01:09:39,279

out this partnered agenda sometimes I do

1814

01:09:43,740 --> 01:09:40,659

get critics that

1815

01:09:46,169 --> 01:09:43,750

say all I do is plug books but it's hard

1816

01:09:49,019 --> 01:09:46,179

to get into the level of depth that I

1817

01:09:50,849 --> 01:09:49,029

like to when a guest hasn't written a

1818

01:09:53,640 --> 01:09:50,859

ton of material that I can comb through

1819

01:09:56,040 --> 01:09:53,650

those details are always nice what sort

1820

01:09:57,330 --> 01:09:56,050

of technology are people seen how are

1821

01:09:59,490 --> 01:09:57,340

they interacting with it

1822

01:10:01,470 --> 01:09:59,500

what imagery and messages are people

1823

01:10:05,040 --> 01:10:01,480

being given you know I would have liked

1824

01:10:07,649 --> 01:10:05,050

to dig into those areas a little bit

1825

01:10:09,840 --> 01:10:07,659

deeper as much as possible and the Plus

1826

01:10:11,790 --> 01:10:09,850

show we did talk largely about Melinda's

1827

01:10:14,189 --> 01:10:11,800

own personal experience with both types

1828

01:10:16,350 --> 01:10:14,199

of phenomenon as well as her penchant

1829

01:10:18,840 --> 01:10:16,360

for contacting spirit guides and how

1830

01:10:20,520 --> 01:10:18,850

those two things might intersect it's

1831

01:10:22,439 --> 01:10:20,530

always great to hear the details of

1832

01:10:24,629 --> 01:10:22,449

personal accounts and try to flush out

1833

01:10:27,240 --> 01:10:24,639

some of the big picture so I do

1834

01:10:29,370 --> 01:10:27,250

appreciate her going through that for us

1835

01:10:31,439 --> 01:10:29,380

I do worry parts of the episode were a

1836

01:10:33,750 --> 01:10:31,449

bit too introductory for you guys this

1837

01:10:35,100 --> 01:10:33,760

isn't the first time you've heard of the

1838

01:10:37,169 --> 01:10:35,110

mill ABS experience and you're

1839

01:10:39,689 --> 01:10:37,179

definitely not new to the et abduction

1840

01:10:41,040 --> 01:10:39,699

phenomenon but I hope we got beyond the

1841

01:10:43,050 --> 01:10:41,050

basics enough to keep you interested

1842

01:10:45,180 --> 01:10:43,060

it's hard to get answers sometimes

1843

01:10:47,580 --> 01:10:45,190

because nobody really knows much more

1844

01:10:50,040 --> 01:10:47,590

than the basics on subjects of such high

1845

01:10:52,800 --> 01:10:50,050

secrecy I mean Melinda is someone who

1846

01:10:55,080 --> 01:10:52,810

researches his stuff intensely has

1847

01:10:57,330 --> 01:10:55,090

interviewed tons of experiencers and

1848

01:11:00,270 --> 01:10:57,340

she's given us all she knows

1849

01:11:02,189 --> 01:11:00,280

surprise surprise humanoid beans taking

1850

01:11:04,050 --> 01:11:02,199

people in the night is something that's

1851

01:11:06,510 --> 01:11:04,060

hard to get a lot of details on and

1852

01:11:09,180 --> 01:11:06,520

again I respect the work Melinda has

1853

01:11:11,459 --> 01:11:09,190

done and her opinions but I don't think

1854

01:11:12,930 --> 01:11:11,469

you can take any comments about UFO

1855

01:11:14,970 --> 01:11:12,940

disclosure from Hillary Clinton

1856

01:11:17,520 --> 01:11:14,980

seriously I don't consider her to be on

1857

01:11:19,890 --> 01:11:17,530

Team people in any sense of the word and

1858

01:11:21,600 --> 01:11:19,900

I would never suggest that getting her

1859

01:11:24,510 --> 01:11:21,610

in office would do anything good for us

1860

01:11:27,479 --> 01:11:24,520

especially not the revealing of secrets

1861

01:11:29,220 --> 01:11:27,489

that are decades old unless of course

1862

01:11:32,459 --> 01:11:29,230

they were stored on her private Internet

1863

01:11:34,530 --> 01:11:32,469

server and you did get a taste of some

1864

01:11:37,700 --> 01:11:34,540

of the material in tomorrow's show with

1865

01:11:40,080 --> 01:11:37,710

Gordon when I asked about disclosure or

1866

01:11:41,910 --> 01:11:40,090

technological rollout indicators like

1867

01:11:44,550 --> 01:11:41,920

the trans-pacific partnership I think

1868

01:11:46,229 --> 01:11:44,560

that's really smart thinking on Gordon's

1869

01:11:49,050 --> 01:11:46,239

part and we'll get deeper into that in

1870

01:11:51,419 --> 01:11:49,060

the next show it was also nice to have

1871

01:11:53,250 --> 01:11:51,429

Melinda bring up Cori Goods name in this

1872

01:11:54,660 --> 01:11:53,260

episode a lot of people have written me

1873

01:11:57,180 --> 01:11:54,670

and asked why I haven't had

1874

01:12:00,390 --> 01:11:57,190

especially when the inner earth is such

1875

01:12:02,340 --> 01:12:00,400

a big part of his Thane I just don't

1876

01:12:03,750 --> 01:12:02,350

know if I trust his story we have a lot

1877

01:12:06,570 --> 01:12:03,760

of people come out on the conspiracy

1878

01:12:09,780 --> 01:12:06,580

stage and talk about their wild tales

1879

01:12:12,510 --> 01:12:09,790

Cory good Donald Marshall captain K and

1880

01:12:15,200 --> 01:12:12,520

Eva sake oh I don't really trust these

1881

01:12:17,970 --> 01:12:15,210

guys their stories are too sensational

1882

01:12:20,400 --> 01:12:17,980

unverifiable and yeah sometimes they

1883

01:12:23,310 --> 01:12:20,410

make for a good THC I won't deny that

1884

01:12:25,110 --> 01:12:23,320

that's a part of our roster here but

1885

01:12:28,110 --> 01:12:25,120

they're not usually my favorite episodes

1886

01:12:30,540 --> 01:12:28,120

and I'm realizing I'm better off with

1887

01:12:33,060 --> 01:12:30,550

in-depth researchers and authors that I

1888

01:12:36,570 --> 01:12:33,070

respect and find to be logical and

1889

01:12:38,790 --> 01:12:36,580

intelligent rather than sensational and

1890

01:12:41,400 --> 01:12:38,800

over-the-top so that's where my head's

1891

01:12:43,709 --> 01:12:41,410

been at in picking the guests for June I

1892

01:12:45,840 --> 01:12:43,719

think that's what worked so well for us

1893

01:12:49,530 --> 01:12:45,850

in April and I think you'll be pretty

1894

01:12:51,380 --> 01:12:49,540

happy but Melinda's tours are another

1895

01:12:53,459 --> 01:12:51,390

thing I haven't been out with her

1896

01:12:55,800 --> 01:12:53,469

personally but I've done the exact same

1897

01:12:57,990 --> 01:12:55,810

thing twice and it is really interesting

1898

01:13:01,110 --> 01:12:58,000

I actually think it's less impressive

1899

01:13:03,180 --> 01:13:01,120

than I expected but there's no doubt

1900

01:13:05,370 --> 01:13:03,190

little points of light that do

1901

01:13:07,770 --> 01:13:05,380

right-angle turns move back and forth

1902

01:13:10,140 --> 01:13:07,780

change speed and direction but they're

1903

01:13:13,770 --> 01:13:10,150

so small you can't tell if they're

1904

01:13:16,050 --> 01:13:13,780

really just points of light or some type

1905

01:13:17,910 --> 01:13:16,060

of craft I mean an airplane at night

1906

01:13:20,370 --> 01:13:17,920

looks like a point of light especially

1907

01:13:22,050 --> 01:13:20,380

the higher up it is but something's

1908

01:13:24,240 --> 01:13:22,060

clearly there maybe it's the archons

1909

01:13:26,820 --> 01:13:24,250

maintenance crew but the fact that they

1910

01:13:28,140 --> 01:13:26,830

have a near-perfect sighting record

1911

01:13:30,780 --> 01:13:28,150

tells you that it's something that's

1912

01:13:32,850 --> 01:13:30,790

always up there and that in itself is

1913

01:13:35,010 --> 01:13:32,860

something to walk away pondering and

1914

01:13:37,590 --> 01:13:35,020

treat yourself to the experience if you

1915

01:13:40,380 --> 01:13:37,600

get the chance why would you not but

1916

01:13:43,380 --> 01:13:40,390

that is it for me you're getting two

1917

01:13:45,270 --> 01:13:43,390

more shows in the next five days we had

1918

01:13:48,030 --> 01:13:45,280

scheduling issues so I'm all backed up

1919

01:13:51,270 --> 01:13:48,040

but I'm hitting you with a flood of THC

1920

01:13:53,850 --> 01:13:51,280

episodes so brace yourself until then

1921

01:13:55,940 --> 01:13:53,860

your move corporate alien co-operators

1922

01:14:03,020 --> 01:13:55,950

and abduction overseers

1923

01:14:09,440 --> 01:14:03,030

you're [h__h] woke up this morning with

1924

01:14:13,760 --> 01:14:09,450

light in my eyes and then realize it was

1925

01:14:28,399 --> 01:14:19,440

it was the light coming down from the

1926

01:14:38,040 --> 01:14:32,820

must be those strangers

1927

01:14:43,120 --> 01:14:38,050

every night hos saucer-shaped a light

1928

01:14:47,140 --> 01:14:43,130

but people time

1929

01:14:49,150 --> 01:14:47,150

the blue-green footprint is left the

1930

01:14:59,600 --> 01:14:49,160

home and the dark

1931

01:15:15,060 --> 01:15:05,759

mr. spaceman won't you please take me

1932

01:15:26,090 --> 01:15:15,070

along I won't do anything wrong hey mr.

1933

01:15:26,100 --> 01:15:31,560

moved up this small

1934

01:15:41,820 --> 01:15:34,359

weird I had it

1935

01:15:49,590 --> 01:15:48,510

open the window lake written my name so

1936

01:15:57,700 --> 01:15:49,600

long

1937

01:16:03,960 --> 01:16:01,209

mr. spaceman

1938

01:16:12,830 --> 01:16:03,970

won't you please take me

1939

01:16:15,680 --> 01:16:12,840

I won't do anything wrong hey mr.

1940

01:16:23,860 --> 01:16:15,690

spaceman

1941

01:16:23,870 --> 01:16:26,479

Hey

1942

01:16:35,520 --> 01:16:29,450

mr. spaceman

1943

01:16:44,070 --> 01:16:35,530

all to please take me along I won't do

1944

01:16:51,210 --> 01:16:49,250

won't you please take me along the high

1945

01:17:15,540 --> 01:16:51,220

side

1946

01:17:19,450 --> 01:17:17,860

hey guys thanks for listening to the

1947

01:17:21,790 --> 01:17:19,460

first hour of the higher side chats

1948

01:17:23,860 --> 01:17:21,800

podcast with me Greg Carl wood if you

1949

01:17:26,230 --> 01:17:23,870

don't know there is a second hour to all

1950

01:17:27,940 --> 01:17:26,240

the episodes we do around here generally

1951

01:17:29,650 --> 01:17:27,950

we're able to get a lot deeper into the

1952

01:17:31,660 --> 01:17:29,660

topics and ideas that a guest is about

1953

01:17:34,810 --> 01:17:31,670

so if you enjoyed what you've heard from

1954

01:17:37,000 --> 01:17:34,820

THC for free consider signing up at the

1955

01:17:38,980 --> 01:17:37,010

higher side chats plus com to get the

1956

01:17:41,290 --> 01:17:38,990

second hour of the 5 shows I put

1957

01:17:43,180 --> 01:17:41,300

together each month I never really

1958

01:17:44,890 --> 01:17:43,190

wanted to be a paid subscriber podcast

1959

01:17:46,900 --> 01:17:44,900

but I really hate the idea of spending

1960

01:17:49,000 --> 01:17:46,910

airtime promoting some product that's

1961

01:17:50,650 --> 01:17:49,010

completely unrelated and telling you the

1962

01:17:53,440 --> 01:17:50,660

best way to support the show is to buy

1963

01:17:55,330 --> 01:17:53,450

an audio book or new underwear by mail

1964

01:17:57,670 --> 01:17:55,340

or something crazy like that so instead

1965

01:17:59,260 --> 01:17:57,680

if you like the show double your time

1966

01:18:01,360 --> 01:17:59,270

with it for five bucks a month and let's

1967

01:18:03,010 --> 01:18:01,370

cut out all the other [h__h] it's half the

1968

01:18:04,780 --> 01:18:03,020

price of a movie ticket and you get at

1969

01:18:07,390 --> 01:18:04,790

least an extra five hours of show a

1970

01:18:09,190 --> 01:18:07,400

month collectively it keeps us stable

1971

01:18:10,780 --> 01:18:09,200

and it frees me from wasting your time

1972

01:18:13,330 --> 01:18:10,790

with anything but the show you came to

1973

01:18:15,340 --> 01:18:13,340

listen to it's really the only way for

1974

01:18:17,140 --> 01:18:15,350

an independent one-man show to make it

1975

01:18:19,360 --> 01:18:17,150

and I do what I can so that it's worth

1976

01:18:21,340 --> 01:18:19,370

your while since we started this I've

1977

01:18:23,350 --> 01:18:21,350

always tried to use the subscriptions to

1978

01:18:25,930 --> 01:18:23,360

improve the podcast and make signups

1979

01:18:27,850 --> 01:18:25,940

more advantageous it started with just a

1980

01:18:29,500 --> 01:18:27,860

second hour for the main show but now

1981

01:18:31,570 --> 01:18:29,510

we've got a nice forum going where

1982

01:18:33,280 --> 01:18:31,580

people can get deeper in conversation

1983

01:18:36,190 --> 01:18:33,290

about the episodes with other listeners

1984

01:18:38,070 --> 01:18:36,200

submit a candidate in the guest request

1985

01:18:39,910 --> 01:18:38,080

thread or share their own personal

1986

01:18:42,160 --> 01:18:39,920

projects to get out of the soul-crushing

1987

01:18:44,770 --> 01:18:42,170

nine-to-five cog in the wheel life on

1988

01:18:46,210 --> 01:18:44,780

the entrepreneurs thread the forum in

1989

01:18:48,130 --> 01:18:46,220

the Plus comments they're always the

1990

01:18:50,380 --> 01:18:48,140

first places I try to go for listener

1991

01:18:52,750 --> 01:18:50,390

engagement but it does get harder as the

1992

01:18:54,610 --> 01:18:52,760

show gets more popular because of that

1993

01:18:56,080 --> 01:18:54,620

there's also a direct messaging feature

1994

01:18:58,900 --> 01:18:56,090

that you can use to reach me through the

1995

01:19:00,520 --> 01:18:58,910

plus site also but beyond the forum if

1996

01:19:02,710 --> 01:19:00,530

you like any of the music I've used for

1997

01:19:04,480 --> 01:19:02,720

THC most of it I've hired artists to

1998

01:19:06,760 --> 01:19:04,490

make and I provided all its free

1999

01:19:08,200 --> 01:19:06,770

downloads to plus members too so if you

2000

01:19:10,390 --> 01:19:08,210

like a particular song you've heard

2001

01:19:12,730 --> 01:19:10,400

close the show out recently come get the

2002

01:19:14,770 --> 01:19:12,740

mp3 I should also mention that if you

2003

01:19:17,110 --> 01:19:14,780

don't like the idea of paying \$5

2004

01:19:19,270 --> 01:19:17,120

recurring every month I get that you can

2005

01:19:21,640 --> 01:19:19,280

buy three months six months or a year

2006

01:19:23,560 --> 01:19:21,650

upfront and just be done with it I have

2007

01:19:26,260 --> 01:19:23,570

plenty of listeners who send checks in

2008

01:19:28,210 --> 01:19:26,270

orders to the PIO box - I try to make it

2009

01:19:29,680 --> 01:19:28,220

as easy for people as I can and you can

2010

01:19:32,440 --> 01:19:29,690

read more about it on the signup page

2011

01:19:34,120 --> 01:19:32,450

also be sure to check out the FAQ help

2012

01:19:35,770 --> 01:19:34,130

page on the plus side if you have any

2013

01:19:37,690 --> 01:19:35,780

questions or concerns about how to

2014

01:19:40,030 --> 01:19:37,700

listen to a password-protected show on

2015

01:19:41,950 --> 01:19:40,040

your devices I've highlighted a lot of

2016

01:19:44,440 --> 01:19:41,960

great solutions and one of those would

2017

01:19:45,640 --> 01:19:44,450

be the iPhone app that just recently hit

2018

01:19:48,220 --> 01:19:45,650

the Apple App Store

2019

01:19:50,080 --> 01:19:48,230

a super kind and talented listener made

2020

01:19:52,090 --> 01:19:50,090

it for us and you can use it to stream

2021

01:19:54,430 --> 01:19:52,100

or download either the free or the plus

2022

01:19:57,550 --> 01:19:54,440

show if you're on Android I'd use pocket

2023

01:19:59,950 --> 01:19:57,560

casts or podcast addict and subscribe to

2024

01:20:02,260 --> 01:19:59,960

the feed manually that way I also try to

2025

01:20:04,210 --> 01:20:02,270

throw an occasional bonus shows or QA

2026

01:20:06,760 --> 01:20:04,220

shows and I've got a few other weird

2027

01:20:08,680 --> 01:20:06,770

ideas I might get to try out soon but I

2028

01:20:10,330 --> 01:20:08,690

give you all I can for five bucks and I

2029

01:20:12,070 --> 01:20:10,340

hope you'll at least give it a shot if

2030

01:20:13,840 --> 01:20:12,080

you've listened to a few free shows and

2031

01:20:15,610 --> 01:20:13,850

you find them unique or valuable I know

2032

01:20:17,590 --> 01:20:15,620

there's a lot of podcasts out there and

2033

01:20:19,870 --> 01:20:17,600

I'm just one of them but if you have any

2034

01:20:21,520 --> 01:20:19,880

questions concerns or comments about any

2035

01:20:22,630 --> 01:20:21,530

of this please get in touch with us at

2036

01:20:25,870 --> 01:20:22,640

the higher side chats

2037

01:20:27,340 --> 01:20:25,880

team at gmail.com I also wanted to plug

2038

01:20:29,410 --> 01:20:27,350

the higher side newsletter I'm gonna be

2039

01:20:31,270 --> 01:20:29,420

putting out totally free for anyone who

2040

01:20:33,220 --> 01:20:31,280

wants to sign up at the main Internet

2041

01:20:35,800 --> 01:20:33,230

web site for the show the higher side

2042

01:20:37,420 --> 01:20:35,810

chats com you can also get on that email

2043

01:20:39,310 --> 01:20:37,430

list through the higher side chats

2044

01:20:41,380 --> 01:20:39,320

Facebook page there's a button there as

2045

01:20:43,540 --> 01:20:41,390

well but the reason I'm doing this is

2046

01:20:45,670 --> 01:20:43,550

because I get tons and tons of emails

2047

01:20:47,950 --> 01:20:45,680

after a show goes up asking me about how

2048

01:20:49,420 --> 01:20:47,960

I feel about a particular guest or topic

2049

01:20:50,530 --> 01:20:49,430

and the wrap-up isn't always the best

2050

01:20:52,000 --> 01:20:50,540

place to do that

2051

01:20:53,980 --> 01:20:52,010

especially if I have anything negative

2052

01:20:55,690 --> 01:20:53,990

to say sometimes the dust needs to

2053

01:20:58,150 --> 01:20:55,700

settle sometimes they need to hear

2054

01:20:59,740 --> 01:20:58,160

feedback from you guys first there are a

2055

01:21:01,330 --> 01:20:59,750

lot of factors but I usually have

2056

01:21:03,790 --> 01:21:01,340

something to communicate to you and I

2057

01:21:05,410 --> 01:21:03,800

just don't get to do it so on the first

2058

01:21:07,000 --> 01:21:05,420

of the month I plan to send out a little

2059

01:21:09,340 --> 01:21:07,010

newsletter with my thoughts about the

2060

01:21:11,260 --> 01:21:09,350

five shows the previous month and talk

2061

01:21:13,420 --> 01:21:11,270

to you about anything else that's on my

2062

01:21:15,220 --> 01:21:13,430

mind or that's going on and what's

2063

01:21:16,960 --> 01:21:15,230

probably most enticing is that I'm gonna

2064

01:21:18,910 --> 01:21:16,970

give you some insight into at least one

2065

01:21:20,950 --> 01:21:18,920

guest I have coming up in the month

2066

01:21:22,960 --> 01:21:20,960

which people have been begging for some

2067

01:21:24,880 --> 01:21:22,970

posted schedule for a long time I

2068

01:21:26,590 --> 01:21:24,890

personally think I'd like the surprise

2069

01:21:28,570 --> 01:21:26,600

but sign up for the higher side

2070

01:21:30,070 --> 01:21:28,580

newsletter it's free it comes out on the

2071

01:21:32,980 --> 01:21:30,080

1st of the month and I won't waste your

2072

01:21:34,900 --> 01:21:32,990

time with any other emails and that's it

2073

01:21:36,640 --> 01:21:34,910

I appreciate you listening I try to give

2074

01:21:38,710 --> 01:21:36,650

alternative ideas and guess

2075

01:21:41,050 --> 01:21:38,720

fair shake on a high-quality podcast

2076

01:21:43,180 --> 01:21:41,060

expose some deep level conspiracies

2077

01:21:44,860 --> 01:21:43,190

without the yelling and I hope to offer

2078

01:21:46,990 --> 01:21:44,870

some inspiration that even though the

2079

01:21:49,300 --> 01:21:47,000

system relentlessly suggests you should

2080

01:21:51,130 --> 01:21:49,310

follow their blueprint to mediocrity you

2081

01:21:53,440 --> 01:21:51,140

can do your own thing and live a much

2082

01:21:55,330 --> 01:21:53,450

happier life despite all the negativity
