

1
00:00:08,330 --> 00:00:06,530
the planets but the Masters almost

2
00:00:10,610 --> 00:00:08,340
surely have a plan

3
00:00:13,440 --> 00:00:10,620
this clearly may be something there

4
00:00:16,950 --> 00:00:13,450
beyond the realm of man

5
00:00:20,170 --> 00:00:16,960
he tested every

6
00:00:42,620 --> 00:00:20,180
the more you think you know the less you

7
00:00:47,100 --> 00:00:45,030
alright folks we know deception runs

8
00:00:48,510 --> 00:00:47,110
deep and we try to hold all our accepted

9
00:00:50,729 --> 00:00:48,520
truths up to the light and make sure

10
00:00:52,860 --> 00:00:50,739
they check out but the most far-out idea

11
00:00:54,960 --> 00:00:52,870
the most polarizing possibility that

12
00:00:56,729 --> 00:00:54,970
we've ever really tackled here has got

13
00:00:58,920 --> 00:00:56,739

to be the Flat Earth episode with Eric

14

00:01:00,360 --> 00:00:58,930

Dubay since that show I've had many

15

00:01:02,100 --> 00:01:00,370

people write me to say that they've

16

00:01:04,260 --> 00:01:02,110

stopped listening after wasting their

17

00:01:06,120 --> 00:01:04,270

time with such a ridiculous concept I've

18

00:01:07,530 --> 00:01:06,130

had Plus members canceled because that

19

00:01:09,630 --> 00:01:07,540

episode changed their life for the

20

00:01:11,340 --> 00:01:09,640

better and it's become their sole topic

21

00:01:12,750 --> 00:01:11,350

of interest and I've lost potential

22

00:01:14,130 --> 00:01:12,760

guests because they couldn't be

23

00:01:16,230 --> 00:01:14,140

associated with a show that would even

24

00:01:18,270 --> 00:01:16,240

discuss such a thing so I figured why

25

00:01:19,950 --> 00:01:18,280

not make more trouble for myself and do

26

00:01:22,440 --> 00:01:19,960

it again because Marty leads another

27

00:01:24,210 --> 00:01:22,450

previous THC guest one of the few that

28

00:01:26,670 --> 00:01:24,220

I'd call a friend now and a researcher I

29

00:01:28,889 --> 00:01:26,680

really respect set off to disprove that

30

00:01:30,719 --> 00:01:28,899

ludicrous Flat Earth fallacy and found

31

00:01:32,820 --> 00:01:30,729

that he really couldn't it's since

32

00:01:34,680 --> 00:01:32,830

become a bigger part of his paradigm his

33

00:01:36,359 --> 00:01:34,690

spiritual journey and the amazing stuff

34

00:01:39,090 --> 00:01:36,369

you can find on his website at Marty

35

00:01:40,710 --> 00:01:39,100

leaves 33 com along with the four books

36

00:01:42,960 --> 00:01:40,720

he's written in his kick-ass music

37

00:01:45,510 --> 00:01:42,970

ladies and gentlemen my go-to gematria

38

00:01:46,949 --> 00:01:45,520

guru effervescent and always pleasant

39

00:01:48,660 --> 00:01:46,959

Marty my man welcome back to the higher

40

00:01:51,059 --> 00:01:48,670

side hey thanks man

41

00:01:54,870 --> 00:01:51,069

yeah pleasure to have you it's always

42

00:01:57,029 --> 00:01:54,880

love the intros dude well I try you got

43

00:01:59,940 --> 00:01:57,039

to put a little effort into it I feel of

44

00:02:02,309 --> 00:01:59,950

course but I consider you a smart

45

00:02:04,559 --> 00:02:02,319

science minded guy you've done great

46

00:02:07,020 --> 00:02:04,569

stuff with gematria and your English

47

00:02:09,540 --> 00:02:07,030

language cipher as well as pie and the

48

00:02:11,640 --> 00:02:09,550

sequential codes in nature and it was

49

00:02:13,949 --> 00:02:11,650

really a big surprise to me to see you

50

00:02:15,660 --> 00:02:13,959

put out Flat Earth the ultimate litmus

51
00:02:18,210 --> 00:02:15,670
test which was a really good video and

52
00:02:20,309 --> 00:02:18,220
because I do know you a little bit I

53
00:02:22,650 --> 00:02:20,319
have a real interest in that journey

54
00:02:24,300 --> 00:02:22,660
that conversion process maybe you could

55
00:02:26,250 --> 00:02:24,310
walk us through that a little bit you

56
00:02:29,160 --> 00:02:26,260
had to find it ridiculous at first right

57
00:02:32,250 --> 00:02:29,170
I think most people do I mean because

58
00:02:34,470 --> 00:02:32,260
when we've been told since since our

59
00:02:36,330 --> 00:02:34,480
kindergarten or whatever that I mean

60
00:02:38,250 --> 00:02:36,340
this is an absolute fact the earth is a

61
00:02:40,830 --> 00:02:38,260
sphere the Sun is you know as a

62
00:02:42,570 --> 00:02:40,840
heliocentric system etc etc so I think

63
00:02:44,130 --> 00:02:42,580

that most people have that initial

64

00:02:45,660 --> 00:02:44,140

reaction then it's like oh okay

65

00:02:46,890 --> 00:02:45,670

well this is this is garbage what the

66

00:02:50,039 --> 00:02:46,900

hell oh says this is the dumbest

67

00:02:52,020 --> 00:02:50,049

conspiracy I've ever heard and so I had

68

00:02:54,220 --> 00:02:52,030

that reaction as well but it was a very

69

00:02:55,720 --> 00:02:54,230

it was very short-lived

70

00:02:57,580 --> 00:02:55,730

and the reason it was short-lived is

71

00:02:58,990 --> 00:02:57,590

because I'd done a lot of four years

72

00:03:01,089 --> 00:02:59,000

studied a lot of other cultures like

73

00:03:03,479 --> 00:03:01,099

comparative mythology sort of like some

74

00:03:06,190 --> 00:03:03,489

syncretic study that sort of thing and

75

00:03:07,530 --> 00:03:06,200

mila I mean I knew right away that there

76

00:03:10,960 --> 00:03:07,540

was all of these other cultures

77

00:03:13,330 --> 00:03:10,970

throughout history that absolutely 100%

78

00:03:16,600 --> 00:03:13,340

claim that the earth was flat you know

79

00:03:18,789 --> 00:03:16,610

and even the the the themes of how they

80

00:03:20,770 --> 00:03:18,799

how they explained the earth were very

81

00:03:23,170 --> 00:03:20,780

similar a lot of times it was sitting in

82

00:03:25,330 --> 00:03:23,180

water there was four pillars that were

83

00:03:26,920 --> 00:03:25,340

holding up there was a dome firmament

84

00:03:29,890 --> 00:03:26,930

that sort of thing and that the land was

85

00:03:32,080 --> 00:03:29,900

flat so yeah that initial reaction was

86

00:03:34,360 --> 00:03:32,090

like yeah that this is a joke and I

87

00:03:36,280 --> 00:03:34,370

actually set out like most people I set

88

00:03:38,740 --> 00:03:36,290

out to say okay well I'm just gonna

89

00:03:40,930 --> 00:03:38,750

debunk this or whatever and then after

90

00:03:43,119 --> 00:03:40,940

it didn't take long like I said maybe a

91

00:03:45,580 --> 00:03:43,129

day or two and I was head first into

92

00:03:47,770 --> 00:03:45,590

exploring this and that's led up to

93

00:03:50,530 --> 00:03:47,780

talking to me do you hear me talking do

94

00:03:52,630 --> 00:03:50,540

you today yeah right oh man for sure

95

00:03:54,789 --> 00:03:52,640

it's funny because neither one of us has

96

00:03:57,910 --> 00:03:54,799

a problem discussing it regardless of

97

00:03:59,650 --> 00:03:57,920

how far we go with it but it is such a

98

00:04:02,530 --> 00:03:59,660

polarizing topic what are your thoughts

99

00:04:05,170 --> 00:04:02,540

on how it's been received because just

100

00:04:07,509 --> 00:04:05,180

the aggressive emotional response it

101
00:04:10,390 --> 00:04:07,519
tends to stir up seems to have been a

102
00:04:12,789 --> 00:04:10,400
big part of your commentary on it up to

103
00:04:14,650 --> 00:04:12,799
this point at least what about that

104
00:04:16,870 --> 00:04:14,660
aspect would you say is worth mentioning

105
00:04:18,670 --> 00:04:16,880
well I mean it is a polarizing subject

106
00:04:21,190 --> 00:04:18,680
because you're asking I mean it's the

107
00:04:23,290 --> 00:04:21,200
one it's a it's a trigger it's the the

108
00:04:26,680 --> 00:04:23,300
subject itself as a trigger subject it's

109
00:04:28,390 --> 00:04:26,690
because it's such an easy thing to start

110
00:04:30,339 --> 00:04:28,400
a conversation with hey I think the

111
00:04:32,379 --> 00:04:30,349
earth is flat well immediately people

112
00:04:34,390 --> 00:04:32,389
it's not like when I I said in that

113
00:04:37,629 --> 00:04:34,400

video like when you when I start talking

114

00:04:40,540 --> 00:04:37,639

to people about sacred geometry gamaya

115

00:04:42,550 --> 00:04:40,550

tria numerology religions and their ties

116

00:04:44,230 --> 00:04:42,560

to mathematics and secret societies and

117

00:04:45,760 --> 00:04:44,240

their ties to language and mapping all

118

00:04:48,370 --> 00:04:45,770

of these subjects people don't really

119

00:04:50,469 --> 00:04:48,380

have a grip on or a grasp up really and

120

00:04:51,909 --> 00:04:50,479

so it's really easy for somebody to just

121

00:04:53,800 --> 00:04:51,919

dismiss that and not even pay any

122

00:04:55,510 --> 00:04:53,810

attention but when you we go to somebody

123

00:04:56,620 --> 00:04:55,520

and say hey I believe that the earth is

124

00:04:59,110 --> 00:04:56,630

flat or this is something I'm

125

00:05:00,580 --> 00:04:59,120

considering immediately that can get

126

00:05:01,930 --> 00:05:00,590

their attention because it's something

127

00:05:04,540 --> 00:05:01,940

that they've known the whole their whole

128

00:05:06,399 --> 00:05:04,550

life they've been told 1492 Columbus

129

00:05:07,719 --> 00:05:06,409

sailed the ocean blue everybody thought

130

00:05:09,939 --> 00:05:07,729

it was flat he

131

00:05:11,200 --> 00:05:09,949

proved it was wrong around and so what's

132

00:05:14,260 --> 00:05:11,210

this thing that gets people's attention

133

00:05:16,329 --> 00:05:14,270

right away so it is a polarizing subject

134

00:05:18,010 --> 00:05:16,339

in in that respect because it was made

135

00:05:20,950 --> 00:05:18,020

to be polarizing our quote-unquote

136

00:05:22,510 --> 00:05:20,960

educational indoctrination curriculum as

137

00:05:24,760 --> 00:05:22,520

is made of polarizing

138

00:05:26,320 --> 00:05:24,770

it really has and you mentioned the

139

00:05:28,149 --> 00:05:26,330

cultures maybe you can elaborate on that

140

00:05:30,820 --> 00:05:28,159

a little bit because a lot of ancient

141

00:05:32,469 --> 00:05:30,830

cultures that we oftentimes in the

142

00:05:35,219 --> 00:05:32,479

alternative community put up on a

143

00:05:37,390 --> 00:05:35,229

pedestal for one reason or another their

144

00:05:39,369 --> 00:05:37,400

architecture or their measurements and

145

00:05:41,290 --> 00:05:39,379

calendars a lot of them believe the

146

00:05:43,029 --> 00:05:41,300

earth was flat and when we're busy

147

00:05:45,040 --> 00:05:43,039

saying how advanced and sometimes

148

00:05:47,379 --> 00:05:45,050

superior they were we do ignore that

149

00:05:49,540 --> 00:05:47,389

fact I obviously see the argument that

150

00:05:51,100 --> 00:05:49,550

we just give them a pass because they

151
00:05:53,469 --> 00:05:51,110
didn't have modern telescopes or

152
00:05:55,540 --> 00:05:53,479
technology but it doesn't change what

153
00:05:58,299 --> 00:05:55,550
they thought and if I'm going to be fair

154
00:05:59,799 --> 00:05:58,309
about it and if it's a deception it

155
00:06:01,480 --> 00:05:59,809
hasn't been that long because as a

156
00:06:03,279 --> 00:06:01,490
people we've thought the earth was flat

157
00:06:06,219 --> 00:06:03,289
far longer than we believed it was

158
00:06:09,070 --> 00:06:06,229
around right yeah much much longer this

159
00:06:10,389 --> 00:06:09,080
is one that I actually had snowing for a

160
00:06:11,829 --> 00:06:10,399
long time knowing that a lot of these

161
00:06:14,469 --> 00:06:11,839
cultures thought it was flat I actually

162
00:06:16,480 --> 00:06:14,479
had a lot light a hard time for instance

163
00:06:18,879 --> 00:06:16,490

the Egyptians the Egyptians absolutely

164

00:06:20,260 --> 00:06:18,889

believed as far as I've read and knew

165

00:06:20,529 --> 00:06:20,270

this for a long time that the earth was

166

00:06:22,570 --> 00:06:20,539

flat

167

00:06:24,459 --> 00:06:22,580

it was held up that the involve of the

168

00:06:25,629 --> 00:06:24,469

sky was held up by four like mountains

169

00:06:26,800 --> 00:06:25,639

or pillars or whatever that sort of

170

00:06:30,010 --> 00:06:26,810

thing but they thought the earth was

171

00:06:33,249 --> 00:06:30,020

flat and so I had a I've talked about

172

00:06:35,350 --> 00:06:33,259

how the Great Pyramid of Giza is a 1:1

173

00:06:37,510 --> 00:06:35,360

scale model of the atmosphere of the

174

00:06:40,119 --> 00:06:37,520

earth and so it's like well how can you

175

00:06:41,709 --> 00:06:40,129

reconcile those things right if you say

176

00:06:43,269 --> 00:06:41,719

that the Great Pyramid of Giza is one

177

00:06:44,829 --> 00:06:43,279

scale model the earth and this actually

178

00:06:46,749 --> 00:06:44,839

this doesn't come for me this comes from

179

00:06:48,790 --> 00:06:46,759

other researchers guys like Randall

180

00:06:51,579 --> 00:06:48,800

Carlson and John Michell and Scot

181

00:06:52,629 --> 00:06:51,589

onstott and cats like this when you talk

182

00:06:54,159 --> 00:06:52,639

about that it's like well how can you

183

00:06:55,029 --> 00:06:54,169

say that if they actually thought the

184

00:06:56,679 --> 00:06:55,039

earth was flat so that obviously

185

00:06:59,230 --> 00:06:56,689

whatever the Great Pyramid of Giza is

186

00:07:00,909 --> 00:06:59,240

the measurements of it do not are not of

187

00:07:02,589 --> 00:07:00,919

a hemisphere of the earth so what are

188

00:07:04,540 --> 00:07:02,599

they so the Egyptians thought the earth

189

00:07:05,230 --> 00:07:04,550

is flat the Hindus absolutely thought

190

00:07:07,360 --> 00:07:05,240

the earth was flat

191

00:07:10,179 --> 00:07:07,370

the Mayans absolutely thought the earth

192

00:07:12,129 --> 00:07:10,189

was flat numerous numerous historians

193

00:07:13,600 --> 00:07:12,139

and researchers would tell you that many

194

00:07:15,699 --> 00:07:13,610

of the native cultures on in the

195

00:07:19,240 --> 00:07:15,709

Americas firmly believed that the earth

196

00:07:21,059 --> 00:07:19,250

was a flat land mass and movable so we

197

00:07:23,219 --> 00:07:21,069

have to look at all these cultures and

198

00:07:25,920 --> 00:07:23,229

at least for me if I given them the

199

00:07:28,559 --> 00:07:25,930

respect of looking at their histories

200

00:07:31,049 --> 00:07:28,569

their mythology's their rituals some of

201
00:07:32,489 --> 00:07:31,059
the gods that they've passed on but that

202
00:07:34,950 --> 00:07:32,499
sort of thing well then I have to give

203
00:07:35,609 --> 00:07:34,960
credence to this as well right I think

204
00:07:38,579 --> 00:07:35,619
so

205
00:07:40,439 --> 00:07:38,589
now you know being a convert you're

206
00:07:42,420 --> 00:07:40,449
talking to a lot of people who probably

207
00:07:43,920 --> 00:07:42,430
aren't but what do you find to be some

208
00:07:45,329 --> 00:07:43,930
of the most convincing evidence of it

209
00:07:47,489 --> 00:07:45,339
what were the things that really got you

210
00:07:50,100 --> 00:07:47,499
well let me say this too I'm not

211
00:07:52,320 --> 00:07:50,110
necessarily a convert and in one way I

212
00:07:54,389 --> 00:07:52,330
will say this though that and this is

213
00:07:57,480 --> 00:07:54,399

something I mentioned in the video is

214

00:08:00,089 --> 00:07:57,490

that I can no longer argue for the

215

00:08:02,219 --> 00:08:00,099

heliocentric system that there are if

216

00:08:03,389 --> 00:08:02,229

you know you go a B you know if you look

217

00:08:05,700 --> 00:08:03,399

at the heliocentric and you look at a

218

00:08:07,980 --> 00:08:05,710

geocentric system and then you say will

219

00:08:10,079 --> 00:08:07,990

prove the heliocentric system I can't

220

00:08:11,909 --> 00:08:10,089

anymore there's nothing that there's

221

00:08:13,860 --> 00:08:11,919

literally the amount of anomalies and

222

00:08:16,439 --> 00:08:13,870

paradoxes and things like that in the

223

00:08:18,899 --> 00:08:16,449

heliocentric system Trump the ones in a

224

00:08:21,179 --> 00:08:18,909

geocentric system there are still a ton

225

00:08:23,189 --> 00:08:21,189

of questions that I have surrounding

226

00:08:25,709 --> 00:08:23,199

Flat Earth and the mechanics of it is a

227

00:08:28,230 --> 00:08:25,719

completely flat is it a dome or is it

228

00:08:29,760 --> 00:08:28,240

infinite plane how do you know certain

229

00:08:32,309 --> 00:08:29,770

mechanics work these sorts of things so

230

00:08:34,620 --> 00:08:32,319

I'm just more open to the discussion now

231

00:08:37,050 --> 00:08:34,630

but I will say this that as far as I can

232

00:08:39,480 --> 00:08:37,060

tell from my own terrestrial scientific

233

00:08:42,139 --> 00:08:39,490

investigation you know of this earth

234

00:08:44,189 --> 00:08:42,149

that it does appear absolutely flat

235

00:08:46,470 --> 00:08:44,199

everything that I've seen though I've

236

00:08:47,730 --> 00:08:46,480

only seen a small chunk of this plane or

237

00:08:50,879 --> 00:08:47,740

planet or whatever the hell you want to

238

00:08:53,910 --> 00:08:50,889

call it from what I gather it is it is

239

00:08:55,680 --> 00:08:53,920

flat and not or if it is you know

240

00:08:57,720 --> 00:08:55,690

spherical it's a much bigger sphere than

241

00:08:59,600 --> 00:08:57,730

they've been telling us so either way

242

00:09:03,120 --> 00:08:59,610

I'm open to the discussion and I know

243

00:09:05,430 --> 00:09:03,130

this for sure that the people in power

244

00:09:07,410 --> 00:09:05,440

that have indoctrinated us and things

245

00:09:10,110 --> 00:09:07,420

like that are absolutely hiding things I

246

00:09:11,939 --> 00:09:10,120

mean I I make the analogy to 9/11 I

247

00:09:13,350 --> 00:09:11,949

don't know what happened on 9/11 but I

248

00:09:15,569 --> 00:09:13,360

know for sure that what the government

249

00:09:16,889 --> 00:09:15,579

told us isn't incorrect you know so I

250

00:09:18,480 --> 00:09:16,899

say the same thing with the Flat Earth

251

00:09:20,370 --> 00:09:18,490

and I tried to I try to bring some

252

00:09:22,019 --> 00:09:20,380

reason to that discussion and and not

253

00:09:24,000 --> 00:09:22,029

just be like well it's flat [h__h] you

254

00:09:25,980 --> 00:09:24,010

this is how it is you know it just

255

00:09:28,860 --> 00:09:25,990

doesn't do any good in my opinion right

256

00:09:30,960 --> 00:09:28,870

and that's needed because people are

257

00:09:33,210 --> 00:09:30,970

very aggressive on this topic but that

258

00:09:34,769 --> 00:09:33,220

is fair I definitely don't want to label

259

00:09:36,929 --> 00:09:34,779

you something you aren't I

260

00:09:38,850 --> 00:09:36,939

would say I'm right there with you I'm

261

00:09:42,030 --> 00:09:38,860

kind of earth shape agnostic at this

262

00:09:44,069 --> 00:09:42,040

point which is really going pretty far

263

00:09:45,869 --> 00:09:44,079

already you know just I wouldn't have

264

00:09:47,759 --> 00:09:45,879

thought that a year ago I would even be

265

00:09:50,160 --> 00:09:47,769

saying something like that but when it

266

00:09:52,740 --> 00:09:50,170

comes to the the evidence one thing that

267

00:09:55,290 --> 00:09:52,750

I have seen is that being right here on

268

00:09:57,329 --> 00:09:55,300

the coast people always talk about oh

269

00:09:59,069 --> 00:09:57,339

well when when a ship goes out and it

270

00:10:01,800 --> 00:09:59,079

disappears it's because it goes below

271

00:10:03,420 --> 00:10:01,810

the horizon well I have seen that when

272

00:10:06,119 --> 00:10:03,430

it goes out of your view you can take a

273

00:10:09,090 --> 00:10:06,129

camera with a good zoom zoom in and see

274

00:10:10,439 --> 00:10:09,100

that ship again so I don't know that's

275

00:10:13,230 --> 00:10:10,449

one of the things that got me the other

276

00:10:15,840 --> 00:10:13,240

one it's in your video is when you take

277

00:10:19,019 --> 00:10:15,850

a camera in a balloon and you send it up

278

00:10:22,110 --> 00:10:19,029

there and you see the Sun over the ocean

279

00:10:25,110 --> 00:10:22,120

and there's that big hot spot and we're

280

00:10:27,600 --> 00:10:25,120

told that it's 93 million miles away but

281

00:10:29,850 --> 00:10:27,610

it's putting a spot right below it like

282

00:10:31,350 --> 00:10:29,860

a light bulb what if it was that close I

283

00:10:33,030 --> 00:10:31,360

don't know yeah that's the kind of

284

00:10:35,819 --> 00:10:33,040

things that have me stuck in the gray

285

00:10:36,869 --> 00:10:35,829

yeah and it's it's it's okay to question

286

00:10:38,249 --> 00:10:36,879

these things that's the other thing I

287

00:10:40,230 --> 00:10:38,259

brought up in the video is like is there

288

00:10:42,210 --> 00:10:40,240

anything wrong with fundamentally

289

00:10:45,299 --> 00:10:42,220

questioning things that we've been told

290

00:10:46,829 --> 00:10:45,309

whatever that is I mean I've done I've

291

00:10:48,449 --> 00:10:46,839

done this for a long time with

292

00:10:50,280 --> 00:10:48,459

mathematics and language and the

293

00:10:52,139 --> 00:10:50,290

religions where it's like I just went

294

00:10:53,819 --> 00:10:52,149

head-on and questioned everything that

295

00:10:55,559 --> 00:10:53,829

they were saying and I came to my own

296

00:10:57,480 --> 00:10:55,569

conclusions and I think the conclusions

297

00:10:59,939 --> 00:10:57,490

at least for me personally that I've

298

00:11:01,980 --> 00:10:59,949

come to have been extremely illuminating

299

00:11:04,170 --> 00:11:01,990

and changed my life in ways I would have

300

00:11:06,569 --> 00:11:04,180

never thought possible so is almost like

301
00:11:08,189 --> 00:11:06,579
this rebellious autodidactic sort of way

302
00:11:10,199 --> 00:11:08,199
of looking at these things well what's

303
00:11:12,059 --> 00:11:10,209
so wrong with doing that with the shape

304
00:11:15,389 --> 00:11:12,069
of the earth there were certain things

305
00:11:17,730 --> 00:11:15,399
that yeah like once I once I grasped how

306
00:11:20,369 --> 00:11:17,740
especially since there was a model there

307
00:11:22,049 --> 00:11:20,379
wouldn't have been a model to go to and

308
00:11:24,179 --> 00:11:22,059
actually say hey well this is what the

309
00:11:26,160 --> 00:11:24,189
the Jin general how the Sun works and

310
00:11:27,210 --> 00:11:26,170
how the moon works and a flat plane you

311
00:11:29,220 --> 00:11:27,220
know we have a history of these things

312
00:11:31,470 --> 00:11:29,230
if I wouldn't have had that then it

313
00:11:33,809 --> 00:11:31,480

might be a difficult thing to try to

314

00:11:35,999 --> 00:11:33,819

tackle but since there was that I could

315

00:11:38,610 --> 00:11:36,009

actually look and okay what am I seeing

316

00:11:41,249 --> 00:11:38,620

here is this the Sun coming at me and

317

00:11:41,769 --> 00:11:41,259

and to you know turning in a around a

318

00:11:43,989 --> 00:11:41,779

central

319

00:11:45,819 --> 00:11:43,999

poll and is it coming at me you know

320

00:11:48,189 --> 00:11:45,829

according to the laws of perspective or

321

00:11:49,960 --> 00:11:48,199

is that or am i spinning on a ball a

322

00:11:51,999 --> 00:11:49,970

thousand miles an hour and that thing's

323

00:11:53,710 --> 00:11:52,009

93 million miles away well when it comes

324

00:11:55,420 --> 00:11:53,720

to terrestrial science things that you

325

00:11:56,949 --> 00:11:55,430

can actually verify yourself I couldn't

326

00:11:59,470 --> 00:11:56,959

verify anything in the heliocentric

327

00:12:01,569 --> 00:11:59,480

model so so yeah I mean it's things like

328

00:12:03,879 --> 00:12:01,579

that that I think people that come to

329

00:12:06,429 --> 00:12:03,889

this come to this subject and they start

330

00:12:08,319 --> 00:12:06,439

asking those questions they a lot of

331

00:12:09,579 --> 00:12:08,329

them like I said a lot of people wanted

332

00:12:11,230 --> 00:12:09,589

to debunk it and they end up coming to

333

00:12:12,670 --> 00:12:11,240

the same conclusions as well this makes

334

00:12:14,319 --> 00:12:12,680

a lot of sense and it's things I can

335

00:12:16,360 --> 00:12:14,329

verify which is what science is supposed

336

00:12:19,749 --> 00:12:16,370

to be you know it bear verifiability

337

00:12:22,030 --> 00:12:19,759

repeatability experiments investigations

338

00:12:23,499 --> 00:12:22,040

research and verify that stuff and of

339

00:12:26,559 --> 00:12:23,509

course this is honestly what we're doing

340

00:12:28,030 --> 00:12:26,569

at well said absolutely and I am very

341

00:12:30,160 --> 00:12:28,040

much willing to have the conversation to

342

00:12:32,889 --> 00:12:30,170

and I can't commit but the common ground

343

00:12:35,860 --> 00:12:32,899

that I enjoy most with Flat Earth folks

344

00:12:37,739 --> 00:12:35,870

is the distrust for the various bricks

345

00:12:40,809 --> 00:12:37,749

in the power pyramid and especially

346

00:12:43,869 --> 00:12:40,819

dismantling the lies of NASA that to me

347

00:12:45,639 --> 00:12:43,879

is the most fun thing about it you know

348

00:12:48,249 --> 00:12:45,649

more so than the actual shape of the

349

00:12:49,929 --> 00:12:48,259

earth but this was a big part of the

350

00:12:51,999 --> 00:12:49,939

process for you to write I mean you've

351
00:12:53,679 --> 00:12:52,009
looked hard at NASA and you see it full

352
00:12:56,470 --> 00:12:53,689
of holes like Swiss cheese right

353
00:12:58,749 --> 00:12:56,480
yeah and that that was so quick to I

354
00:13:00,490 --> 00:12:58,759
mean I the thing about NASA's I never

355
00:13:02,829 --> 00:13:00,500
really paid attention to it that much

356
00:13:05,170 --> 00:13:02,839
because it was just another government

357
00:13:06,160 --> 00:13:05,180
organization I just assumed that just

358
00:13:08,350 --> 00:13:06,170
like every other girl from an

359
00:13:10,420 --> 00:13:08,360
organization that 10% of what they were

360
00:13:12,790 --> 00:13:10,430
doing might be have some legitimacy in

361
00:13:14,199 --> 00:13:12,800
90% of it was all [h__\h] you know like

362
00:13:16,869 --> 00:13:14,209
I never thought we went to the moon I

363
00:13:18,910 --> 00:13:16,879

never believed that there was a rover on

364

00:13:20,679 --> 00:13:18,920

Mars you know did I consider that there

365

00:13:22,749 --> 00:13:20,689

was some sort of telescope or something

366

00:13:24,639 --> 00:13:22,759

like a Hubble up there yeah possibly but

367

00:13:26,619 --> 00:13:24,649

I thought it was just another you know

368

00:13:27,790 --> 00:13:26,629

to be honest just another place where

369

00:13:30,220 --> 00:13:27,800

they could funnel money into doing

370

00:13:32,889 --> 00:13:30,230

whatever nefarious and evil [h__h] that

371

00:13:34,360 --> 00:13:32,899

they do you know when it turns out no

372

00:13:36,699 --> 00:13:34,370

they were actually using it as a branch

373

00:13:38,319 --> 00:13:36,709

of the military to as you know a tool of

374

00:13:39,069 --> 00:13:38,329

propaganda mass propaganda and that's

375

00:13:42,220 --> 00:13:39,079

exactly what it is

376

00:13:44,769 --> 00:13:42,230

so NASA that took it didn't take long

377

00:13:46,929 --> 00:13:44,779

all you have to do is investigate it for

378

00:13:48,489 --> 00:13:46,939

a few days and you can see in numerous

379

00:13:50,980 --> 00:13:48,499

problems with the things that they're

380

00:13:53,079 --> 00:13:50,990

presenting to us and how no one can

381

00:13:53,810 --> 00:13:53,089

verify any of it you have to trust them

382

00:13:56,210 --> 00:13:53,820

and of course

383

00:13:58,490 --> 00:13:56,220

as we know as ever probably every guest

384

00:13:59,810 --> 00:13:58,500

you've ever had hon says you can't trust

385

00:14:01,850 --> 00:13:59,820

the government right I mean what's the

386

00:14:03,200 --> 00:14:01,860

what's the age-old adage that you know

387

00:14:05,030 --> 00:14:03,210

your parents told you you know there's

388

00:14:07,280 --> 00:14:05,040

two people that you can't trust lawyers

389

00:14:11,090 --> 00:14:07,290

and politicians isn't it funny that most

390

00:14:13,850 --> 00:14:11,100

politicians are lawyers good point good

391

00:14:16,010 --> 00:14:13,860

point and for the people who maybe

392

00:14:17,810 --> 00:14:16,020

haven't seen your your video we've

393

00:14:20,060 --> 00:14:17,820

talked about a lot of problems with the

394

00:14:22,820 --> 00:14:20,070

things NASA puts out but the Hubble what

395

00:14:24,980 --> 00:14:22,830

is it about the Hubble that now has you

396

00:14:27,440 --> 00:14:24,990

doubting that it exists because that

397

00:14:29,900 --> 00:14:27,450

might be one of the most accepted things

398

00:14:32,180 --> 00:14:29,910

that NASA has done so far well I mean

399

00:14:34,070 --> 00:14:32,190

just the whole space in and of itself

400

00:14:35,660 --> 00:14:34,080

verifying any of that is you know

401
00:14:38,420 --> 00:14:35,670
substantiate anything they're saying

402
00:14:40,370 --> 00:14:38,430
there the existence of gravity I mean

403
00:14:42,410 --> 00:14:40,380
okay here's here's one that I find

404
00:14:44,090 --> 00:14:42,420
that's so interesting like I mean the

405
00:14:46,340 --> 00:14:44,100
the International Space Station is

406
00:14:49,010 --> 00:14:46,350
supposedly what 250 300 miles up there

407
00:14:51,170 --> 00:14:49,020
it's traveling at 17,500 miles an hour

408
00:14:53,630 --> 00:14:51,180
in the thermosphere that gets up to

409
00:14:55,370 --> 00:14:53,640
several thousand degrees Fahrenheit or

410
00:14:57,140 --> 00:14:55,380
Celsius it doesn't even matter at that

411
00:15:00,470 --> 00:14:57,150
point it gets really effing hot up there

412
00:15:02,930 --> 00:15:00,480
this is considered that as like one of

413
00:15:05,540 --> 00:15:02,940

the greatest engineering feats man has

414

00:15:07,310 --> 00:15:05,550

ever done to be able to go and piece by

415

00:15:09,530 --> 00:15:07,320

piece and put that thing together and

416

00:15:11,420 --> 00:15:09,540

then make it run why don't we have any

417

00:15:13,310 --> 00:15:11,430

footage of that why is there not a

418

00:15:14,810 --> 00:15:13,320

documentary on that why shouldn't it

419

00:15:16,610 --> 00:15:14,820

like when that whole thing was happening

420

00:15:18,080 --> 00:15:16,620

when it was I'm guessing what mid 90s

421

00:15:20,090 --> 00:15:18,090

early 90s I don't even know the history

422

00:15:21,770 --> 00:15:20,100

of it but why don't we have why wasn't

423

00:15:24,410 --> 00:15:21,780

there well feed showing these guys

424

00:15:27,230 --> 00:15:24,420

putting this stuff together at 17,500

425

00:15:29,750 --> 00:15:27,240

miles an hour it's things like that that

426

00:15:31,790 --> 00:15:29,760

there's just nothing just hardly

427

00:15:34,640 --> 00:15:31,800

anything to prove that that thing is

428

00:15:36,560 --> 00:15:34,650

even up there so right Union we look at

429

00:15:39,620 --> 00:15:36,570

that like okay explain to me how any

430

00:15:41,620 --> 00:15:39,630

sort of metals even exist up there let

431

00:15:44,750 --> 00:15:41,630

alone how does it handle traveling

432

00:15:47,330 --> 00:15:44,760

17,500 miles an hour never hits any

433

00:15:50,510 --> 00:15:47,340

debris never hits a saddle I mean and

434

00:15:52,400 --> 00:15:50,520

and I'm really what I did with the the

435

00:15:53,270 --> 00:15:52,410

movie was try to sum up the discussion

436

00:15:55,040 --> 00:15:53,280

as best as I could

437

00:15:56,630 --> 00:15:55,050

that's really what I wanted to do that

438

00:15:58,520 --> 00:15:56,640

was the impetus behind the movie was to

439

00:16:00,500 --> 00:15:58,530

like bring the discussion and bring some

440

00:16:02,990 --> 00:16:00,510

balance to it not tell you how it is and

441

00:16:05,390 --> 00:16:03,000

just lay out hey why are people thinking

442

00:16:09,500 --> 00:16:05,400

this why are people looking into this

443

00:16:11,750 --> 00:16:09,510

and that I mean the thing about that

444

00:16:14,450 --> 00:16:11,760

what I came to is that you can't verify

445

00:16:16,130 --> 00:16:14,460

any of this stuff you just can't so what

446

00:16:18,790 --> 00:16:16,140

does that say what does what does that

447

00:16:22,760 --> 00:16:18,800

say about science in general are these

448

00:16:24,470 --> 00:16:22,770

erudite NASA scientific priests are we

449

00:16:26,990 --> 00:16:24,480

just supposed to prostrate to them or

450

00:16:29,360 --> 00:16:27,000

what right another couple of good points

451
00:16:30,740 --> 00:16:29,370
you make about NASA and conventional

452
00:16:32,750 --> 00:16:30,750
American politics whether you're on the

453
00:16:34,700 --> 00:16:32,760
left of the right there's always someone

454
00:16:36,770 --> 00:16:34,710
who's critical of an organization and

455
00:16:39,680 --> 00:16:36,780
the other side is in support but when it

456
00:16:40,360 --> 00:16:39,690
comes to NASA it's everyone across the

457
00:16:43,460 --> 00:16:40,370
board

458
00:16:45,560 --> 00:16:43,470
unwavering religious acceptance of

459
00:16:47,930 --> 00:16:45,570
everything they say and do and that's a

460
00:16:49,880 --> 00:16:47,940
bit of a red flag as well as the moon

461
00:16:52,430 --> 00:16:49,890
landing the the whole moon landing thing

462
00:16:56,030 --> 00:16:52,440
which I think has been thoroughly shown

463
00:16:57,560 --> 00:16:56,040

to be stagecraft was only 11 years after

464

00:17:00,590 --> 00:16:57,570

NASA was funded and if they're willing

465

00:17:02,900 --> 00:17:00,600

to do something that's that elaborate of

466

00:17:04,340 --> 00:17:02,910

a forgery just 11 years into their

467

00:17:06,140 --> 00:17:04,350

existence I mean what does that say

468

00:17:07,820 --> 00:17:06,150

about the organization as a whole I mean

469

00:17:10,430 --> 00:17:07,830

I think it says everything that needs to

470

00:17:13,400 --> 00:17:10,440

be said right I mean what more what more

471

00:17:15,380 --> 00:17:13,410

do you want to say it's just I mean it's

472

00:17:17,510 --> 00:17:15,390

yet it's once again the government's

473

00:17:19,550 --> 00:17:17,520

screwing the people and one thing I

474

00:17:23,210 --> 00:17:19,560

didn't really bring up which the other

475

00:17:25,370 --> 00:17:23,220

work that I do like covers but one thing

476

00:17:27,079 --> 00:17:25,380

I try to like repeat is that our world

477

00:17:29,180 --> 00:17:27,089

is run by a cultists man

478

00:17:32,810 --> 00:17:29,190

these are eclectic these are people who

479

00:17:35,750 --> 00:17:32,820

are masters of language and symbol and

480

00:17:37,310 --> 00:17:35,760

numbers and reality and science and they

481

00:17:38,780 --> 00:17:37,320

know how to manipulate it I mean I've

482

00:17:39,980 --> 00:17:38,790

been saying this with the language for a

483

00:17:41,240 --> 00:17:39,990

long time I've been saying this about

484

00:17:43,400 --> 00:17:41,250

the religions for a long time I've been

485

00:17:45,650 --> 00:17:43,410

saying this about the math for a long

486

00:17:48,590 --> 00:17:45,660

time and so when we see this happening

487

00:17:50,570 --> 00:17:48,600

with NASA it's just yeah of course when

488

00:17:52,640 --> 00:17:50,580

we the other thing about you know these

489

00:17:54,380 --> 00:17:52,650

Dario cultists you have to understand

490

00:17:56,480 --> 00:17:54,390

this is something I repeat all the time

491

00:17:58,970 --> 00:17:56,490

- is that the occult isn't necessarily

492

00:18:01,130 --> 00:17:58,980

evil you have evil a cultists in charge

493

00:18:02,810 --> 00:18:01,140

yeah but the same information that

494

00:18:04,310 --> 00:18:02,820

they're using to manipulate you is the

495

00:18:07,220 --> 00:18:04,320

same information that's going to free

496

00:18:09,110 --> 00:18:07,230

you it's it's you know that's I think

497

00:18:09,770 --> 00:18:09,120

there's just a truth there I just posted

498

00:18:11,600 --> 00:18:09,780

this thing

499

00:18:13,280 --> 00:18:11,610

a couple days ago there's just a quote

500

00:18:16,370 --> 00:18:13,290

that I came up with and it said you know

501
00:18:17,950 --> 00:18:16,380
go young seeker go dig dig down deep

502
00:18:19,720 --> 00:18:17,960
through our occulted world

503
00:18:21,940 --> 00:18:19,730
go mining and spelunking into what has

504
00:18:24,039 --> 00:18:21,950
been hidden but know this the further

505
00:18:26,169 --> 00:18:24,049
you go into the darkness the more light

506
00:18:28,810 --> 00:18:26,179
you're gonna need the same place where

507
00:18:30,430 --> 00:18:28,820
you go to find how evil and terrible

508
00:18:32,889 --> 00:18:30,440
these people are is the same place

509
00:18:34,930 --> 00:18:32,899
you're gonna find the the snake that bit

510
00:18:36,460 --> 00:18:34,940
you is that's where you're gonna find

511
00:18:41,080 --> 00:18:36,470
the anti-venom you know what I mean yeah

512
00:18:43,419 --> 00:18:41,090
yeah poetic man and I also know that

513
00:18:45,370 --> 00:18:43,429

you're a fan of many of the great

514

00:18:47,919 --> 00:18:45,380

thinkers of the past I mean how is this

515

00:18:51,970 --> 00:18:47,929

affected the way you view guys like

516

00:18:55,330 --> 00:18:51,980

Copernicus or Pythagoras or Galileo well

517

00:18:56,919 --> 00:18:55,340

I mean I I mean I I've never really been

518

00:18:58,750 --> 00:18:56,929

like that big of a fan of these guys you

519

00:19:00,730 --> 00:18:58,760

know what I mean as far as like I mean

520

00:19:02,440 --> 00:19:00,740

it's like just because you point out

521

00:19:03,730 --> 00:19:02,450

somebody has you know has done some

522

00:19:05,320 --> 00:19:03,740

things in the past or whatever but it's

523

00:19:08,380 --> 00:19:05,330

not like I was you know Galileo was a

524

00:19:10,330 --> 00:19:08,390

hero of my like it was for maybe like

525

00:19:12,580 --> 00:19:10,340

Steven Hawkings or something like that

526

00:19:15,250 --> 00:19:12,590

better the other thing about when you

527

00:19:17,769 --> 00:19:15,260

say like like I've used the quote all

528

00:19:19,539 --> 00:19:17,779

this number pythagoras said right well

529

00:19:22,750 --> 00:19:19,549

people have said like Pythagoras was

530

00:19:23,260 --> 00:19:22,760

like a sphere earth or whatever just so

531

00:19:25,210 --> 00:19:23,270

you know

532

00:19:28,690 --> 00:19:25,220

Pythagoras might probably didn't even

533

00:19:31,029 --> 00:19:28,700

exist in fact I did a whole broadcast

534

00:19:33,580 --> 00:19:31,039

not a whole broadcast but a good portion

535

00:19:35,500 --> 00:19:33,590

of a broadcast on 42 minutes over at the

536

00:19:37,180 --> 00:19:35,510

sink book talking to Douglas Bowles

537

00:19:38,860 --> 00:19:37,190

about how we there was he was actually

538

00:19:41,289 --> 00:19:38,870

quoting from this other book about how

539

00:19:43,899 --> 00:19:41,299

Pythagoras was probably more like a

540

00:19:45,430 --> 00:19:43,909

mythological character that there was

541

00:19:46,990 --> 00:19:45,440

just a group of people that created this

542

00:19:49,510 --> 00:19:47,000

sort of like whatever you want to call

543

00:19:51,940 --> 00:19:49,520

enlightened human being and that this

544

00:19:53,560 --> 00:19:51,950

was a Pythagoras and so when we say uh

545

00:19:55,659 --> 00:19:53,570

Pythagoras he you know he was a

546

00:19:58,480 --> 00:19:55,669

heliocentric - whatever dude you don't

547

00:20:00,490 --> 00:19:58,490

even know if that guy existed it's like

548

00:20:02,500 --> 00:20:00,500

when people argue about Jesus's birthday

549

00:20:04,600 --> 00:20:02,510

it's like well Noah was on September

550

00:20:06,909 --> 00:20:04,610

11th man was you know it's like dude we

551
00:20:08,440 --> 00:20:06,919
don't even know if that guy lived so are

552
00:20:10,779 --> 00:20:08,450
you really going to have some grand

553
00:20:12,789 --> 00:20:10,789
argument over these things or are we

554
00:20:14,980 --> 00:20:12,799
just going to you know take what we know

555
00:20:15,820 --> 00:20:14,990
and and and try to find the truth as

556
00:20:18,700 --> 00:20:15,830
best as we can

557
00:20:20,470 --> 00:20:18,710
so um I don't it's not like I've looked

558
00:20:21,460 --> 00:20:20,480
back and be like oh I was following the

559
00:20:22,720 --> 00:20:21,470
wrong people or anything because I

560
00:20:24,490 --> 00:20:22,730
wouldn't you know I was following what

561
00:20:26,710 --> 00:20:24,500
was in my heart and following truth some

562
00:20:28,510 --> 00:20:26,720
period yeah I mean that makes sense but

563
00:20:31,520 --> 00:20:28,520

it just has me curious because I think

564

00:20:34,940 --> 00:20:31,530

if the Flat Earth model is the correct

565

00:20:38,870 --> 00:20:34,950

model and we've been tricked into a Big

566

00:20:41,300 --> 00:20:38,880

Bang heliocentric randomized universe

567

00:20:44,060 --> 00:20:41,310

type of model it just makes me wonder

568

00:20:47,930 --> 00:20:44,070

are these people deceivers you know like

569

00:20:50,600 --> 00:20:47,940

I've kind of wanted to deconstruct the

570

00:20:52,190 --> 00:20:50,610

globe models implementation and rise and

571

00:20:55,400 --> 00:20:52,200

kind of see because I think there might

572

00:20:57,680 --> 00:20:55,410

be clues there into not only is it

573

00:20:59,090 --> 00:20:57,690

really a manipulation and obviously who

574

00:21:01,250 --> 00:20:59,100

would be behind it how did it get

575

00:21:02,390 --> 00:21:01,260

implemented so those are kind of curious

576

00:21:04,850 --> 00:21:02,400

things to me I don't know how much

577

00:21:06,950 --> 00:21:04,860

you've dug into that aspect of it well

578

00:21:09,200 --> 00:21:06,960

this is the problem I have with history

579

00:21:10,790 --> 00:21:09,210

is that we know history is made by the

580

00:21:13,520 --> 00:21:10,800

winners you know for lack of a better

581

00:21:15,560 --> 00:21:13,530

term that history is full of lies it's

582

00:21:17,510 --> 00:21:15,570

constantly full of ice it's constantly

583

00:21:19,730 --> 00:21:17,520

being manipulated it's constantly being

584

00:21:22,280 --> 00:21:19,740

distorted I mean whatever you think

585

00:21:24,740 --> 00:21:22,290

about like a Poorna kiss or whatever

586

00:21:27,110 --> 00:21:24,750

that book was released on his deathbed

587

00:21:29,150 --> 00:21:27,120

so who the [h__\h] to say that guy even

588

00:21:32,420 --> 00:21:29,160

wrote that you know what I'm saying

589

00:21:33,860 --> 00:21:32,430

Henry Cavendish right Henry I talked

590

00:21:36,200 --> 00:21:33,870

about Henry Cavendish was the guy that

591

00:21:38,450 --> 00:21:36,210

supposedly created or found the

592

00:21:40,550 --> 00:21:38,460

gravitational constant big Qi well

593

00:21:42,140 --> 00:21:40,560

supposedly his manuscripts and stuff

594

00:21:44,590 --> 00:21:42,150

weren't even found till he was dead

595

00:21:46,700 --> 00:21:44,600

right so who's to say that's like Oh

596

00:21:48,770 --> 00:21:46,710

Copernicus and Cavendish were part of

597

00:21:50,690 --> 00:21:48,780

some grand conspiracy or they were just

598

00:21:52,400 --> 00:21:50,700

tools they were just tools they were

599

00:21:54,170 --> 00:21:52,410

what do they call me useful idiots or

600

00:21:55,580 --> 00:21:54,180

whatever you want to say that there's

601
00:21:57,230 --> 00:21:55,590
somebody that wanted manipulate history

602
00:22:00,170 --> 00:21:57,240
and evil dark occultist came along and

603
00:22:01,670 --> 00:22:00,180
said nah well we'll distort this so I

604
00:22:03,830 --> 00:22:01,680
mean how much of that has happened in

605
00:22:06,800 --> 00:22:03,840
our history most of it we could say that

606
00:22:08,360 --> 00:22:06,810
most of our history is like that and so

607
00:22:10,250 --> 00:22:08,370
it's and we since we don't have an

608
00:22:12,500 --> 00:22:10,260
objective record of history it's really

609
00:22:15,020 --> 00:22:12,510
hard for us to come back through 500

610
00:22:16,670 --> 00:22:15,030
years a thousand years and say well this

611
00:22:18,860 --> 00:22:16,680
is exactly what happened we can't trust

612
00:22:20,690 --> 00:22:18,870
this character because history told us

613
00:22:24,610 --> 00:22:20,700

this well that's a dangerous room to go

614

00:22:27,200 --> 00:22:24,620

down it is is and that Copernicus

615

00:22:28,520 --> 00:22:27,210

anecdote is interesting and it parallels

616

00:22:31,160 --> 00:22:28,530

something we've talked about recently

617

00:22:34,430 --> 00:22:31,170

with Stephen Hawking the tark

618

00:22:36,650 --> 00:22:34,440

possibility that he's not saying what

619

00:22:38,390 --> 00:22:36,660

his computer says he's saying and that

620

00:22:39,950 --> 00:22:38,400

you know everybody stands up in claps

621

00:22:42,620 --> 00:22:39,960

when he comes in the room and he's the

622

00:22:44,029 --> 00:22:42,630

champion of the entire scientific model

623

00:22:47,330 --> 00:22:44,039

basically everything that comes

624

00:22:49,820 --> 00:22:47,340

his mind is basically what science

625

00:22:52,789 --> 00:22:49,830

thinks and there's no guarantee that

626

00:22:55,430 --> 00:22:52,799

he's saying that yeah I mean and it

627

00:22:59,599 --> 00:22:55,440

that's dark but yeah but at the same

628

00:23:02,060 --> 00:22:59,609

time would you put it past a psychopath

629

00:23:04,099 --> 00:23:02,070

to do that right and how convenient that

630

00:23:06,799 --> 00:23:04,109

the leading scientific mind can't

631

00:23:09,590 --> 00:23:06,809

actually speak his own real way he can't

632

00:23:11,899 --> 00:23:09,600

speak he can't write I mean I I'm not

633

00:23:13,999 --> 00:23:11,909

saying this or whatever but is it a

634

00:23:15,619 --> 00:23:14,009

possibility yes some people it's

635

00:23:17,299 --> 00:23:15,629

interesting even people that listen to

636

00:23:20,180 --> 00:23:17,309

the show like this would be like oh this

637

00:23:22,849 --> 00:23:20,190

is ridiculous [h__\h] reg [h__\h] Marty and or

638

00:23:24,049 --> 00:23:22,859

whatever I have and it's amazing how

639

00:23:25,909 --> 00:23:24,059

many people will not even consider

640

00:23:27,229 --> 00:23:25,919

things like this like I had this was

641

00:23:29,119 --> 00:23:27,239

several years back this kind of ought

642

00:23:31,519 --> 00:23:29,129

topic but it's kind of an analogy that

643

00:23:33,289 --> 00:23:31,529

I'm a friend who's Lisa pretties a

644

00:23:34,609 --> 00:23:33,299

really smart dude you know he's pretty

645

00:23:37,669 --> 00:23:34,619

open mind and stuff like that

646

00:23:39,619 --> 00:23:37,679

and I showed him a rock obama's birth

647

00:23:41,119 --> 00:23:39,629

certIFICATE my friend my friend Dylan

648

00:23:42,680 --> 00:23:41,129

just like that like I said this is six

649

00:23:44,060 --> 00:23:42,690

seven years back whatever it was he sent

650

00:23:45,289 --> 00:23:44,070

me this things like dude you got him

651
00:23:47,119 --> 00:23:45,299
over and check out Barack Obama's birth

652
00:23:49,399 --> 00:23:47,129
certificate it's online at the

653
00:23:51,889 --> 00:23:49,409
government you know daca go check it out

654
00:23:53,239 --> 00:23:51,899
so I downloaded the thing and I'm like I

655
00:23:55,190 --> 00:23:53,249
don't I don't give a [h__h] where he's

656
00:23:56,899 --> 00:23:55,200
born I have no stake in that who cares I

657
00:23:58,159 --> 00:23:56,909
don't care at all it doesn't it's I'm

658
00:24:00,560 --> 00:23:58,169
not part of that conversation whatsoever

659
00:24:02,509 --> 00:24:00,570
but it interested me so I downloaded the

660
00:24:04,849 --> 00:24:02,519
thing opened it up and the thing is in

661
00:24:07,339 --> 00:24:04,859
layers which if you know the Adobe suite

662
00:24:09,739 --> 00:24:07,349
and when he was born is impossible it's

663
00:24:11,359 --> 00:24:09,749

just impossible so not only is the thing

664

00:24:13,279 --> 00:24:11,369

in layers but you can actually go and

665

00:24:16,249 --> 00:24:13,289

see where the government or whoever was

666

00:24:17,690 --> 00:24:16,259

manipulated the document so I don't care

667

00:24:19,399 --> 00:24:17,700

where he's born I have no stake this

668

00:24:21,289 --> 00:24:19,409

isn't a Democrat Republican thing I just

669

00:24:23,359 --> 00:24:21,299

don't give a [h__h] but I want to go tell

670

00:24:25,159 --> 00:24:23,369

my friend I'm like look man I work on

671

00:24:27,649 --> 00:24:25,169

the Adobe suite I've been doing this

672

00:24:30,349 --> 00:24:27,659

stuff my whole life I can tell you 100%

673

00:24:32,930 --> 00:24:30,359

that this document would out wherever he

674

00:24:34,669 --> 00:24:32,940

was born whatever is a fake and I told

675

00:24:36,680 --> 00:24:34,679

him this and he just would not have it I

676

00:24:38,930 --> 00:24:36,690

could I could have shown him proof after

677

00:24:41,299 --> 00:24:38,940

proof after proof and it does not matter

678

00:24:42,560 --> 00:24:41,309

it didn't matter to him because he had

679

00:24:45,830 --> 00:24:42,570

already had it in his mind that that's

680

00:24:47,899 --> 00:24:45,840

ridiculous well welcome to Flat Earth it

681

00:24:49,580 --> 00:24:47,909

is the same thing people have it in

682

00:24:51,349 --> 00:24:49,590

their mind that this is ridiculous shut

683

00:24:52,729 --> 00:24:51,359

up I'm not listening to this so it

684

00:24:54,379 --> 00:24:52,739

doesn't matter you can show improve so

685

00:24:56,629 --> 00:24:54,389

you can show hey man I've seen something

686

00:24:57,919 --> 00:24:56,639

that's 30 miles off the coast that's

687

00:24:59,389 --> 00:24:57,929

supposed to be over those

688

00:25:01,070 --> 00:24:59,399

here I can show them that hey there's no

689

00:25:02,720 --> 00:25:01,080

way that we can even prove that the Sun

690

00:25:04,820 --> 00:25:02,730

is 93 million miles away or that the

691

00:25:06,409 --> 00:25:04,830

moon is a reflective let me blow below

692

00:25:08,570 --> 00:25:06,419

you can go down that and a lot of times

693

00:25:10,159 --> 00:25:08,580

it just doesn't matter because people

694

00:25:12,769 --> 00:25:10,169

they've already formed their opinions

695

00:25:14,840 --> 00:25:12,779

and it's they base their entire image of

696

00:25:17,389 --> 00:25:14,850

themselves on those things and so to

697

00:25:19,460 --> 00:25:17,399

destroy them is to ask them to go

698

00:25:21,379 --> 00:25:19,470

through that process of really

699

00:25:22,970 --> 00:25:21,389

enlightenment which is a destructive

700

00:25:26,899 --> 00:25:22,980

process you know what I'm saying

701
00:25:28,820 --> 00:25:26,909
yeah absolutely and I know that as soon

702
00:25:31,489 --> 00:25:28,830
as you put that video out it's got to be

703
00:25:33,080 --> 00:25:31,499
all anybody wants to talk to you about

704
00:25:36,049 --> 00:25:33,090
it's just you know I know how these

705
00:25:38,389 --> 00:25:36,059
things are and now the Flat Earth is but

706
00:25:40,519 --> 00:25:38,399
you know your work about gematria has

707
00:25:41,960 --> 00:25:40,529
also advanced a lot lately and I want to

708
00:25:44,600 --> 00:25:41,970
make sure we talk about that too so just

709
00:25:47,119 --> 00:25:44,610
to Segway into it has this seemingly

710
00:25:49,340 --> 00:25:47,129
unrelated work helped to shed light on

711
00:25:53,269 --> 00:25:49,350
NASA or the Flat Earth in any way this

712
00:25:55,489 --> 00:25:53,279
gematria work yeah actually what I plan

713
00:25:57,980 --> 00:25:55,499

to do I'm finishing the I'm actually

714

00:25:59,570 --> 00:25:57,990

taking going to for tens at work and I'm

715

00:26:00,830 --> 00:25:59,580

gonna finish my book in the next couple

716

00:26:03,470 --> 00:26:00,840

months and then after that I'm going to

717

00:26:04,879 --> 00:26:03,480

do a web series lecture series where I'm

718

00:26:06,409 --> 00:26:04,889

actually gonna stand up in front of

719

00:26:08,810 --> 00:26:06,419

people and do like 40 minutes at

720

00:26:10,399 --> 00:26:08,820

whatever of electro series in the first

721

00:26:12,259 --> 00:26:10,409

two then I've already sort of sketched

722

00:26:14,419 --> 00:26:12,269

out is I'm going to go over the cipher

723

00:26:16,009 --> 00:26:14,429

and then actually show this how it's

724

00:26:17,960 --> 00:26:16,019

expressed in the UN logo which is

725

00:26:20,239 --> 00:26:17,970

supposedly well so as a monthly

726

00:26:22,070 --> 00:26:20,249

equidistant projection but what many

727

00:26:24,590 --> 00:26:22,080

people are claiming could be a variation

728

00:26:26,060 --> 00:26:24,600

anyway of a Flat Earth Map so I'm going

729

00:26:27,859 --> 00:26:26,070

to show how the mathematics of the

730

00:26:29,869 --> 00:26:27,869

English alphabet er encoded in that and

731

00:26:31,220 --> 00:26:29,879

so that's going to be the first video

732

00:26:33,859 --> 00:26:31,230

and then the second one I'm going to do

733

00:26:36,139 --> 00:26:33,869

a little bit on the International Space

734

00:26:39,230 --> 00:26:36,149

Station directly because there's a ton

735

00:26:41,389 --> 00:26:39,240

of esoteric [h__h] in that that it's just

736

00:26:42,950 --> 00:26:41,399

pretty amazing but it's gonna be a while

737

00:26:44,779 --> 00:26:42,960

before I do it just as I'm a busy guy

738

00:26:46,730 --> 00:26:44,789

but so there has been a lot of things

739

00:26:49,129 --> 00:26:46,740

that have you know that have come out

740

00:26:50,509 --> 00:26:49,139

with the work that I'm engaged in so and

741

00:26:51,980 --> 00:26:50,519

it's pretty interesting then you know

742

00:26:53,480 --> 00:26:51,990

but the other thing too is though is

743

00:26:55,460 --> 00:26:53,490

that as much as I feel like this is a

744

00:26:57,350 --> 00:26:55,470

great really important discussion to

745

00:26:59,570 --> 00:26:57,360

have I also don't think it's the only

746

00:27:00,980 --> 00:26:59,580

discussion I have and in the next book

747

00:27:03,350 --> 00:27:00,990

that I'm putting out if there's nothing

748

00:27:04,489 --> 00:27:03,360

Flat Earth in it at all because there

749

00:27:05,749 --> 00:27:04,499

you know I'd already had the book

750

00:27:06,889 --> 00:27:05,759

sketched out and there was there's no

751

00:27:08,570 --> 00:27:06,899

need to it because there's all these

752

00:27:10,570 --> 00:27:08,580

other things that I want to discuss that

753

00:27:13,440 --> 00:27:10,580

to me are as infinitely import

754

00:27:16,360 --> 00:27:13,450

this discussion yeah man and one

755

00:27:18,730 --> 00:27:16,370

connection I did see you make between

756

00:27:21,399 --> 00:27:18,740

gematria decipher for the English

757

00:27:25,210 --> 00:27:21,409

language and some of this stuff with

758

00:27:27,159 --> 00:27:25,220

NASA is numerically I guess the degrees

759

00:27:31,720 --> 00:27:27,169

of the free Masonic Square and compass

760

00:27:35,470 --> 00:27:31,730

would be 47 for the compass and 90 for

761

00:27:39,130 --> 00:27:35,480

the square which equals 137 which is the

762

00:27:41,380 --> 00:27:39,140

same as the numerical value of National

763

00:27:44,230 --> 00:27:41,390

Aeronautics Space Administration when

764

00:27:46,539 --> 00:27:44,240

you lay it onto your cipher I mean

765

00:27:51,580 --> 00:27:46,549

that's pretty impressive right and just

766

00:27:53,769 --> 00:27:51,590

a coincidence man no I mean that shows

767

00:27:57,009 --> 00:27:53,779

you that what how cultists are running

768

00:27:59,019 --> 00:27:57,019

our world man so yeah but what you were

769

00:28:01,600 --> 00:27:59,029

saying is on the cover of the Masonic

770

00:28:03,430 --> 00:28:01,610

Bible I have which is just a it's just a

771

00:28:05,320 --> 00:28:03,440

King James Bible it was just made by the

772

00:28:07,180 --> 00:28:05,330

Masons you know so it's the same King

773

00:28:08,889 --> 00:28:07,190

James Bible that anybody gets but they

774

00:28:10,750 --> 00:28:08,899

put some more stuff in the beginning in

775

00:28:12,909 --> 00:28:10,760

the end and there's this this that a

776

00:28:15,730 --> 00:28:12,919

freemason symbol on the cover of it and

777

00:28:17,500 --> 00:28:15,740

although the compass is open 247 degrees

778

00:28:19,210 --> 00:28:17,510

well the degrees between Tropic of

779

00:28:21,930 --> 00:28:19,220

Cancer and Tropic of Capricorn no matter

780

00:28:25,299 --> 00:28:21,940

what model you look at are at 47 degrees

781

00:28:26,620 --> 00:28:25,309

so here you have the path of the Sun in

782

00:28:30,039 --> 00:28:26,630

the Tropic of Cancer and Tropic of

783

00:28:31,870 --> 00:28:30,049

Capricorn in the degrees of the compass

784

00:28:32,919 --> 00:28:31,880

right on the cover there and then of

785

00:28:37,269 --> 00:28:32,929

course I guess you're saying you have

786

00:28:38,350 --> 00:28:37,279

the 90 NATO 90 plus 47 is 137 and yes

787

00:28:41,220 --> 00:28:38,360

National Aeronautics and Space

788

00:28:46,210 --> 00:28:41,230

Administration equals 137 and decipher

789

00:28:49,509 --> 00:28:46,220

137 is the 33rd prime number hmm so 137

790

00:28:51,639 --> 00:28:49,519

137.5 this is the degree of phyllotaxis

791

00:28:53,889 --> 00:28:51,649

it's the degree in which plants will

792

00:28:56,139 --> 00:28:53,899

arrange their leaves around a central

793

00:28:58,450 --> 00:28:56,149

stalk in order to receive the optimal

794

00:29:01,389 --> 00:28:58,460

light and and rain and that sort of

795

00:29:03,190 --> 00:29:01,399

thing so here you have a singular number

796

00:29:05,110 --> 00:29:03,200

pointing to the number 33 and pointing

797

00:29:06,850 --> 00:29:05,120

to a fundamental architecture

798

00:29:10,210 --> 00:29:06,860

architecture within our creation and

799

00:29:12,399 --> 00:29:10,220

it's all in a symbol and so this these

800

00:29:15,159 --> 00:29:12,409

this is the level of information that

801
00:29:18,250 --> 00:29:15,169
these these dark cultist are hiding from

802
00:29:20,799 --> 00:29:18,260
you and if you've seen any of the videos

803
00:29:23,200 --> 00:29:20,809
that I do and read any of the books and

804
00:29:24,549 --> 00:29:23,210
things like that the and this is

805
00:29:26,710 --> 00:29:24,559
actually I'm speaking at the lightning

806
00:29:28,659 --> 00:29:26,720
in a bottle festival this this weekend

807
00:29:30,549 --> 00:29:28,669
this upcoming weekend in California and

808
00:29:33,100 --> 00:29:30,559
this is actually what I'm be covering is

809
00:29:35,350 --> 00:29:33,110
that one of the things the main thing

810
00:29:37,269 --> 00:29:35,360
that these dark occultists are hiding

811
00:29:39,669 --> 00:29:37,279
from you is the nature of your own

812
00:29:42,039 --> 00:29:39,679
divinity is how to understand it how to

813
00:29:44,710 --> 00:29:42,049

verify it math with the precision and

814

00:29:46,029 --> 00:29:44,720

exactitude of mathematics and this is

815

00:29:47,830 --> 00:29:46,039

the thing that they're ultimately hiding

816

00:29:50,289 --> 00:29:47,840

from you right I've heard you put it

817

00:29:52,119 --> 00:29:50,299

brilliantly because people ask why would

818

00:29:53,409 --> 00:29:52,129

they hide the composition of the earth

819

00:29:56,200 --> 00:29:53,419

well when you get into the Flat Earth

820

00:29:58,830 --> 00:29:56,210

and its implications its religious and

821

00:30:01,149 --> 00:29:58,840

spiritual implications for a creator I

822

00:30:03,639 --> 00:30:01,159

don't like those kind of questions in

823

00:30:06,879 --> 00:30:03,649

that area that I'm not comfortable there

824

00:30:09,070 --> 00:30:06,889

but you can't deny that it brings in all

825

00:30:11,080 --> 00:30:09,080

these other questions and why would they

826

00:30:13,419 --> 00:30:11,090

do this well as you've put it they're

827

00:30:14,320 --> 00:30:13,429

playing God they're literally replacing

828

00:30:16,570 --> 00:30:14,330

God

829

00:30:18,100 --> 00:30:16,580

yes that's what they're doing I mean

830

00:30:21,129 --> 00:30:18,110

that's exactly what they're doing

831

00:30:23,919 --> 00:30:21,139

the thing is except their god isn't the

832

00:30:26,680 --> 00:30:23,929

god of the great spiritual essence you

833

00:30:29,350 --> 00:30:26,690

know the the creator of the whole thing

834

00:30:31,060 --> 00:30:29,360

their God is themselves you know what I

835

00:30:33,129 --> 00:30:31,070

mean that they're they're gonna watch

836

00:30:35,590 --> 00:30:33,139

out for their bloodline and their family

837

00:30:36,940 --> 00:30:35,600

and they want to control the world

838

00:30:38,470 --> 00:30:36,950

because if they control the world they

839

00:30:40,149 --> 00:30:38,480

get to play God which means they do it

840

00:30:42,100 --> 00:30:40,159

they want to control the money system I

841

00:30:44,769 --> 00:30:42,110

mean we've had a conversation before it

842

00:30:47,980 --> 00:30:44,779

was like well what would be the end goal

843

00:30:50,889 --> 00:30:47,990

of the elite money well know they they

844

00:30:52,480 --> 00:30:50,899

they print all the money now that make

845

00:30:54,850 --> 00:30:52,490

it they make it so what was it's

846

00:30:56,409 --> 00:30:54,860

obviously not money so and then and then

847

00:30:58,060 --> 00:30:56,419

you say well it's power well why well

848

00:31:00,519 --> 00:30:58,070

they're just drunk on power no because

849

00:31:03,669 --> 00:31:00,529

their power is so is the power of of

850

00:31:05,739 --> 00:31:03,679

epic proportions and so once again

851
00:31:07,330 --> 00:31:05,749
that's a that's a realization that

852
00:31:09,669 --> 00:31:07,340
people need to come to and you're really

853
00:31:12,519 --> 00:31:09,679
only going to come to if you study the

854
00:31:14,649 --> 00:31:12,529
occult or the or the deep esoteric is to

855
00:31:16,389 --> 00:31:14,659
realize that the greatest of Lights has

856
00:31:17,769 --> 00:31:16,399
that shadow and we're looking at that

857
00:31:19,960 --> 00:31:17,779
shadow right now and unfortunately that

858
00:31:21,430 --> 00:31:19,970
shadow is in control right whether or

859
00:31:23,980 --> 00:31:21,440
not you put stock in the Flat Earth

860
00:31:26,109 --> 00:31:23,990
model the materialist paradigm itself

861
00:31:27,730 --> 00:31:26,119
does the same thing right I mean they

862
00:31:29,889 --> 00:31:27,740
took the world from a place where many

863
00:31:32,350 --> 00:31:29,899

cultures had a connection to nature to

864

00:31:34,180 --> 00:31:32,360

the spirit world and consciousness and

865

00:31:36,909 --> 00:31:34,190

yes a creator if we want to throw that

866

00:31:37,769 --> 00:31:36,919

into and despite the composition of the

867

00:31:39,719 --> 00:31:37,779

earth

868

00:31:41,969 --> 00:31:39,729

you've gone to some extreme lengths to

869

00:31:44,159 --> 00:31:41,979

pull us away from that mindset it's just

870

00:31:45,570 --> 00:31:44,169

how bold do you think that lie was at

871

00:31:47,999 --> 00:31:45,580

what stopped you want to get off the

872

00:31:50,249 --> 00:31:48,009

train but broadly speaking I think a lot

873

00:31:51,839 --> 00:31:50,259

of us are in agreement about recognizing

874

00:31:54,719 --> 00:31:51,849

that manipulated shift in human

875

00:31:57,779 --> 00:31:54,729

understanding yeah I mean I think so at

876

00:31:59,430 --> 00:31:57,789

this point it's just like whether flat

877

00:32:01,019 --> 00:31:59,440

earth or not flat earth that this is

878

00:32:02,489 --> 00:32:01,029

what they're doing anyway I mean this is

879

00:32:04,229 --> 00:32:02,499

something once again that I'd come to

880

00:32:06,029 --> 00:32:04,239

long before I did or even heard a flat

881

00:32:08,070 --> 00:32:06,039

earth you know it's like I completely

882

00:32:09,209 --> 00:32:08,080

understood that this is what these

883

00:32:11,430 --> 00:32:09,219

people were doing that they were

884

00:32:12,810 --> 00:32:11,440

controlling humanity to play God just

885

00:32:14,729 --> 00:32:12,820

play God with you to control your life

886

00:32:17,219 --> 00:32:14,739

to control your children your children's

887

00:32:18,930 --> 00:32:17,229

children's children to dumb you down to

888

00:32:20,940 --> 00:32:18,940

manipulate you to doctrine ate you to

889

00:32:22,889 --> 00:32:20,950

propagate you know propagandize you and

890

00:32:25,169 --> 00:32:22,899

they're gonna use every tool in their

891

00:32:27,029 --> 00:32:25,179

chest and what what is that it's the

892

00:32:29,070 --> 00:32:27,039

money system it's the media it's the

893

00:32:31,409 --> 00:32:29,080

languages the symbols it's the religions

894

00:32:33,749 --> 00:32:31,419

it's the science everything and it's a

895

00:32:35,789 --> 00:32:33,759

that's a that's a dark thing to talk

896

00:32:38,070 --> 00:32:35,799

about one of the reasons I don't talk

897

00:32:40,320 --> 00:32:38,080

about a lot of this stuff or harp on it

898

00:32:41,999 --> 00:32:40,330

is because well I mean just you know go

899

00:32:44,310 --> 00:32:42,009

perusing through YouTube and you can

900

00:32:45,659 --> 00:32:44,320

find a thousand ten thousand different

901
00:32:47,820 --> 00:32:45,669
channels they're going to be talking

902
00:32:49,109 --> 00:32:47,830
about the dark side of this stuff and

903
00:32:51,570 --> 00:32:49,119
Here I am

904
00:32:54,509 --> 00:32:51,580
Marty Leeds 33 over in my dusty corner

905
00:32:56,969 --> 00:32:54,519
of the internet showing the light that

906
00:32:58,739 --> 00:32:56,979
these people have taken you know and

907
00:33:00,930 --> 00:32:58,749
looking at the body of knowledge and

908
00:33:02,729 --> 00:33:00,940
saying no mankind what there is a

909
00:33:03,719 --> 00:33:02,739
creator you can come to understand the

910
00:33:05,579 --> 00:33:03,729
Creator it

911
00:33:08,310 --> 00:33:05,589
it's interpenetrates and interweaves

912
00:33:10,379 --> 00:33:08,320
through every single bit of us every

913
00:33:12,269 --> 00:33:10,389

single aspect of this creation and we

914

00:33:14,159 --> 00:33:12,279

can come we can take the knowledge back

915

00:33:15,690 --> 00:33:14,169

because if you understand what they're

916

00:33:18,930 --> 00:33:15,700

doing you understand the knowledge of

917

00:33:21,359 --> 00:33:18,940

the divine how that can be understood

918

00:33:23,759 --> 00:33:21,369

through geometry and even our language

919

00:33:25,200 --> 00:33:23,769

and the numbers and the symbols and

920

00:33:26,639 --> 00:33:25,210

things like that you can take this back

921

00:33:30,269 --> 00:33:26,649

and then they can't use it against you

922

00:33:32,249 --> 00:33:30,279

you know I'm like I'm I made my peace

923

00:33:33,389 --> 00:33:32,259

with the earth which isn't to say I want

924

00:33:36,329 --> 00:33:33,399

to get out of here or anything like that

925

00:33:37,619 --> 00:33:36,339

but I'm not scared of these people at

926

00:33:41,099 --> 00:33:37,629

all I'm not scared of what they do

927

00:33:43,320 --> 00:33:41,109

because I've I've made peace with myself

928

00:33:45,269 --> 00:33:43,330

and and the people around me and the

929

00:33:47,009 --> 00:33:45,279

creation itself because I've come to

930

00:33:48,300 --> 00:33:47,019

understand this stuff intrinsically

931

00:33:51,000 --> 00:33:48,310

intuitively

932

00:33:52,320 --> 00:33:51,010

and so that's I don't know that's just

933

00:33:53,070 --> 00:33:52,330

kind of worry about matter and that's

934

00:33:56,580 --> 00:33:53,080

why I do what I do

935

00:33:58,140 --> 00:33:56,590

mm-hmm for sure man and you mentioned

936

00:34:00,150 --> 00:33:58,150

that you're putting together something

937

00:34:02,130 --> 00:34:00,160

on the ISS I know it's probably not

938

00:34:04,230 --> 00:34:02,140

totally flushed out yet but can you give

939

00:34:07,800 --> 00:34:04,240

us a little taste because the ISS is one

940

00:34:09,600 --> 00:34:07,810

of those things that has me a little bit

941

00:34:11,700 --> 00:34:09,610

confused because I've seen the fake

942

00:34:14,580 --> 00:34:11,710

videos I've seen plenty of NASA footage

943

00:34:16,860 --> 00:34:14,590

they say it's people on the ISS but yet

944

00:34:19,770 --> 00:34:16,870

their hair moves as if it's propped up

945

00:34:21,390 --> 00:34:19,780

with hairspray you can see wires there's

946

00:34:24,060 --> 00:34:21,400

all kinds of inconsistencies in the

947

00:34:26,220 --> 00:34:24,070

video but then you know you go on NASA's

948

00:34:28,110 --> 00:34:26,230

website and they tell you where the ISS

949

00:34:29,790 --> 00:34:28,120

is supposed to be flying over and I've

950

00:34:31,560 --> 00:34:29,800

gone out into the street in front of my

951
00:34:34,800 --> 00:34:31,570
house of course it's just a little dot

952
00:34:37,110 --> 00:34:34,810
but you do see something move across the

953
00:34:38,730 --> 00:34:37,120
sky and the exact place where they say

954
00:34:41,850 --> 00:34:38,740
it's gonna be and I've heard people say

955
00:34:43,770 --> 00:34:41,860
that if you have the ham radios or

956
00:34:45,510 --> 00:34:43,780
whatever you can sometimes catch a

957
00:34:48,270 --> 00:34:45,520
signal from it if it's flying overhead

958
00:34:49,530 --> 00:34:48,280
but what can you say about the ISS

959
00:34:53,550 --> 00:34:49,540
because it is one of those things that's

960
00:34:54,810 --> 00:34:53,560
got me right in the middle well a lot of

961
00:34:58,350 --> 00:34:54,820
the things that I'm going to cover with

962
00:35:00,120 --> 00:34:58,360
the ISS are in the esoteric realm I'm

963
00:35:03,000 --> 00:35:00,130

looking at the the numbers letter

964

00:35:04,950 --> 00:35:03,010

associated with the ISS what ISS stands

965

00:35:06,540 --> 00:35:04,960

for what they're looking a look at their

966

00:35:07,710 --> 00:35:06,550

logo and and that sort of thing so

967

00:35:10,320 --> 00:35:07,720

that's some of the stuff I'm going to

968

00:35:12,750 --> 00:35:10,330

cover as far as like substantiating the

969

00:35:15,360 --> 00:35:12,760

ISS I mean there's been people that have

970

00:35:16,560 --> 00:35:15,370

said yeah I can see it look I mean all I

971

00:35:18,210 --> 00:35:16,570

have to do is look up in the sky and I

972

00:35:20,280 --> 00:35:18,220

can take telescope and I can see an

973

00:35:23,280 --> 00:35:20,290

image of the ISS is it's flying across

974

00:35:25,020 --> 00:35:23,290

yeah well in Japan they have an image of

975

00:35:28,200 --> 00:35:25,030

somebody singing on stage and they get

976
00:35:31,170 --> 00:35:28,210
40,000 people to go and it's a hologram

977
00:35:33,240 --> 00:35:31,180
I know when people you have to realize

978
00:35:35,610 --> 00:35:33,250
that this is well known even in not even

979
00:35:37,440 --> 00:35:35,620
in conspiracy circles or whatever that

980
00:35:39,690 --> 00:35:37,450
the RNG you know the research and

981
00:35:42,630 --> 00:35:39,700
development of the government is 20 to

982
00:35:45,180 --> 00:35:42,640
25 years if not more beyond what we get

983
00:35:47,430 --> 00:35:45,190
at BestBuy and probably more than that

984
00:35:49,020 --> 00:35:47,440
so the idea that when you look at

985
00:35:51,060 --> 00:35:49,030
Project Blue Beam and stuff like that

986
00:35:53,460 --> 00:35:51,070
that they couldn't fabricate this what

987
00:35:56,190 --> 00:35:53,470
would be easier to flash something on a

988
00:35:58,290 --> 00:35:56,200

dome a hologram up there to convince

989

00:35:59,640 --> 00:35:58,300

people that they made this International

990

00:36:01,049 --> 00:35:59,650

Space Station

991

00:36:06,089 --> 00:36:01,059

construct the International Space

992

00:36:06,720 --> 00:36:06,099

Station from spaceships at 17,500 miles

993

00:36:08,339 --> 00:36:06,730

an hour

994

00:36:10,109 --> 00:36:08,349

what about what do you think's easier

995

00:36:12,569 --> 00:36:10,119

what what do we have the technology to

996

00:36:14,789 --> 00:36:12,579

actually do right now well we know we

997

00:36:17,670 --> 00:36:14,799

have the technology to blast a hologram

998

00:36:20,249 --> 00:36:17,680

up there we know we have that do we have

999

00:36:22,289 --> 00:36:20,259

can we right now can we send people up

1000

00:36:24,450 --> 00:36:22,299

in a spaceship even even if it was just

1001
00:36:25,950 --> 00:36:24,460
a few miles up in the air and create

1002
00:36:28,109 --> 00:36:25,960
something like the International Space

1003
00:36:30,660 --> 00:36:28,119
Station you know as we are flying

1004
00:36:32,910 --> 00:36:30,670
through you know just regular jets yeah

1005
00:36:35,039 --> 00:36:32,920
you know I mean you just be reasonable

1006
00:36:37,289 --> 00:36:35,049
so you know you ask questions like that

1007
00:36:38,400 --> 00:36:37,299
and then you say no I don't know what's

1008
00:36:40,920 --> 00:36:38,410
going on with the International Space

1009
00:36:42,749 --> 00:36:40,930
Station do I believe it's up there I

1010
00:36:46,019 --> 00:36:42,759
have no evidence to say it is whatsoever

1011
00:36:48,210 --> 00:36:46,029
and then the the people give a little

1012
00:36:49,740 --> 00:36:48,220
shadow to jaren ISM here gee I don't

1013
00:36:52,410 --> 00:36:49,750

know piano Jaron Campanella he's got a

1014

00:36:55,799 --> 00:36:52,420

whole channel called jaron ISM and he's

1015

00:36:57,150 --> 00:36:55,809

had a lot of time deconstructing the

1016

00:36:59,039 --> 00:36:57,160

International Space Station he's got

1017

00:37:03,029 --> 00:36:59,049

video upon video of it and you know you

1018

00:37:05,819 --> 00:37:03,039

spend an hour to smoke a J so damage

1019

00:37:08,249 --> 00:37:05,829

Aaron is some few hours and you're gonna

1020

00:37:10,319 --> 00:37:08,259

see how much [h__\h] it is there's just

1021

00:37:12,450 --> 00:37:10,329

and that's just where I'm at right now

1022

00:37:13,620 --> 00:37:12,460

once again you know what I'm not the

1023

00:37:16,140 --> 00:37:13,630

kind of guy that's trying to convince

1024

00:37:17,940 --> 00:37:16,150

you of anything I'm just saying as for

1025

00:37:20,400 --> 00:37:17,950

me going into this discussion when I

1026

00:37:22,049 --> 00:37:20,410

started to do the video I didn't have

1027

00:37:23,910 --> 00:37:22,059

any stake in the matter I didn't care

1028

00:37:25,950 --> 00:37:23,920

whether the earth was round or flat I

1029

00:37:27,749 --> 00:37:25,960

went in and I was like okay I'm gonna

1030

00:37:29,609 --> 00:37:27,759

I'm gonna perform a scientific

1031

00:37:31,620 --> 00:37:29,619

experiment on this subject and I'm

1032

00:37:33,930 --> 00:37:31,630

myself what am I willing to consider

1033

00:37:35,609 --> 00:37:33,940

that sort of thing and what can I prove

1034

00:37:37,349 --> 00:37:35,619

and the International Space Station was

1035

00:37:38,039 --> 00:37:37,359

one of them that just had red flags all

1036

00:37:41,039 --> 00:37:38,049

day long

1037

00:37:42,359 --> 00:37:41,049

mm-hmm yeah and obviously I know you're

1038

00:37:43,589 --> 00:37:42,369

not trying to be a champion for this I

1039

00:37:45,690 --> 00:37:43,599

don't to hit you with too many of these

1040

00:37:48,210 --> 00:37:45,700

Flat Earth questions but on the subject

1041

00:37:49,859 --> 00:37:48,220

of projecting something onto suppose a

1042

00:37:51,630 --> 00:37:49,869

dome I mean what do you think about

1043

00:37:53,460 --> 00:37:51,640

space because I mean just like some

1044

00:37:56,190 --> 00:37:53,470

people say they can see the ISS you can

1045

00:37:57,690 --> 00:37:56,200

look in the telescope and see planets

1046

00:37:59,279 --> 00:37:57,700

shaped like they say they're supposed to

1047

00:38:00,900 --> 00:37:59,289

be shaped I guess you can see rings

1048

00:38:03,779 --> 00:38:00,910

around Saturn and that kind of thing

1049

00:38:05,069 --> 00:38:03,789

what do you think people are seeing when

1050

00:38:08,400 --> 00:38:05,079

they're looking at a telescope like that

1051

00:38:10,170 --> 00:38:08,410

more projections well I mean the idea

1052

00:38:12,029 --> 00:38:10,180

that people have said well the moon is a

1053

00:38:13,109 --> 00:38:12,039

hologram and things like that and it's

1054

00:38:15,390 --> 00:38:13,119

created by the

1055

00:38:18,480 --> 00:38:15,400

US government don't I know it yeah right

1056

00:38:20,249 --> 00:38:18,490

so and whatever I mean talk about that

1057

00:38:21,809 --> 00:38:20,259

consider it obviously throw it on the

1058

00:38:23,910 --> 00:38:21,819

table for consideration otherwise you're

1059

00:38:25,980 --> 00:38:23,920

not really doing science one thing I

1060

00:38:27,329 --> 00:38:25,990

always went back to was the traditions

1061

00:38:29,670 --> 00:38:27,339

though what did what did the people of

1062

00:38:32,039 --> 00:38:29,680

the past have to say about and as far as

1063

00:38:34,079 --> 00:38:32,049

I know the Stars have always hung like

1064

00:38:35,849 --> 00:38:34,089

lamps in the heavens the Moon and Sun

1065

00:38:38,130 --> 00:38:35,859

have been there for a very very long

1066

00:38:40,799 --> 00:38:38,140

time and they were not they were not

1067

00:38:42,900 --> 00:38:40,809

fabrications made by man one thing I

1068

00:38:44,910 --> 00:38:42,910

think that's happened in and how I

1069

00:38:47,249 --> 00:38:44,920

understand it because the things that I

1070

00:38:49,259 --> 00:38:47,259

discuss are more theologically based how

1071

00:38:51,299 --> 00:38:49,269

I've come to understand it is what these

1072

00:38:52,799 --> 00:38:51,309

these evil dark occultist you want to

1073

00:38:54,569 --> 00:38:52,809

call them demonic you want to call them

1074

00:38:56,489 --> 00:38:54,579

Satanist whatever you want to call them

1075

00:38:58,410 --> 00:38:56,499

one thing that they've done is like I

1076
00:39:01,470 --> 00:38:58,420
said they're playing God they've taken

1077
00:39:03,749 --> 00:39:01,480
these spiritual realms the things up in

1078
00:39:07,170 --> 00:39:03,759
the heavens and made them material

1079
00:39:09,239 --> 00:39:07,180
they've objectified them so how many

1080
00:39:11,700 --> 00:39:09,249
people of the past have actually gone up

1081
00:39:14,160 --> 00:39:11,710
and touched the surface of the Moon well

1082
00:39:15,960 --> 00:39:14,170
I don't really know for a fact but I can

1083
00:39:17,910 --> 00:39:15,970
pretty much say that nobody there's

1084
00:39:19,950 --> 00:39:17,920
nobody that's ever been up to the moon

1085
00:39:22,620 --> 00:39:19,960
if you can even touch the moon if it is

1086
00:39:24,420 --> 00:39:22,630
even terra firma or whatever so what

1087
00:39:26,430 --> 00:39:24,430
what is the Moon and Sun to you

1088
00:39:29,190 --> 00:39:26,440

ultimately well it's it's a spiritual

1089

00:39:30,569 --> 00:39:29,200

subjective thing looks like that Robert

1090

00:39:32,009 --> 00:39:30,579

Anton Wilson thing where if he was

1091

00:39:33,839 --> 00:39:32,019

talking about William Blake and so he

1092

00:39:36,359 --> 00:39:33,849

said oh what's the Sun well it's just a

1093

00:39:38,489 --> 00:39:36,369

big burning ball of gas and then Willie

1094

00:39:40,289 --> 00:39:38,499

Blake's like no it's a it's a thousand

1095

00:39:43,140 --> 00:39:40,299

choir it's a thousand angels

1096

00:39:45,539 --> 00:39:43,150

angelic choir singing me songs of the

1097

00:39:47,700 --> 00:39:45,549

heavens what is that subjectively to you

1098

00:39:49,410 --> 00:39:47,710

what does the Sun subjectively mean to

1099

00:39:52,079 --> 00:39:49,420

you what does the moon subjectively mean

1100

00:39:54,479 --> 00:39:52,089

to you what does it mean that no matter

1101
00:39:56,579 --> 00:39:54,489
what the model is that the Sun and the

1102
00:39:58,859 --> 00:39:56,589
moon and the stars appear to revolve

1103
00:40:00,930 --> 00:39:58,869
around you what does that mean we we

1104
00:40:03,390 --> 00:40:00,940
talk about the like is what is the moon

1105
00:40:05,069 --> 00:40:03,400
is it round is it flat is it concave as

1106
00:40:07,529 --> 00:40:05,079
a convex ba-ba-ba-ba-ba

1107
00:40:09,839 --> 00:40:07,539
but then what do we ever ask well what

1108
00:40:12,029 --> 00:40:09,849
does the moon mean to us that's and in

1109
00:40:14,279 --> 00:40:12,039
the in the video I said the Sun and the

1110
00:40:16,559 --> 00:40:14,289
moon to me are declarations of cosmic

1111
00:40:19,769 --> 00:40:16,569
grace that's exactly what they are the

1112
00:40:21,720 --> 00:40:19,779
Sun is that that chronicler it's the

1113
00:40:23,970 --> 00:40:21,730

it's the tempo and rate and rhythm of

1114

00:40:25,710 --> 00:40:23,980

time it's what creates day and night you

1115

00:40:26,850 --> 00:40:25,720

know so what does the Sun it brings me

1116

00:40:28,980 --> 00:40:26,860

the light and it brings

1117

00:40:30,270 --> 00:40:28,990

the darkness what is the moon to me well

1118

00:40:32,070 --> 00:40:30,280

this is something I'm actually going to

1119

00:40:34,200 --> 00:40:32,080

talk about in this next lecture I'm

1120

00:40:36,060 --> 00:40:34,210

doing but it's interesting that women's

1121

00:40:38,970 --> 00:40:36,070

menstrual cycles are tied to the moon

1122

00:40:42,210 --> 00:40:38,980

and the moon is oh you know pretty much

1123

00:40:43,710 --> 00:40:42,220

been clocked as a 28-day period and of

1124

00:40:45,540 --> 00:40:43,720

course women's menstrual cycles are

1125

00:40:47,520 --> 00:40:45,550

every 28 days well you find the number

1126
00:40:49,440 --> 00:40:47,530
twenty-eight right in your two hands and

1127
00:40:51,990 --> 00:40:49,450
it's also interesting that when a woman

1128
00:40:54,720 --> 00:40:52,000
when her egg drops during ovulation it's

1129
00:40:56,340 --> 00:40:54,730
actually at the 14th day so you have 14

1130
00:40:59,040 --> 00:40:56,350
phalanges on your left hand and you have

1131
00:41:01,410 --> 00:40:59,050
14 on your right so here it is the month

1132
00:41:03,300 --> 00:41:01,420
or the month or the moon and the 28-day

1133
00:41:04,980 --> 00:41:03,310
cycle of the moon not only is tied to

1134
00:41:06,390 --> 00:41:04,990
menstruation which means that it's tied

1135
00:41:08,310 --> 00:41:06,400
to every single human being that's been

1136
00:41:10,410 --> 00:41:08,320
born on the planet the time of ovulation

1137
00:41:13,620 --> 00:41:10,420
when a woman is most fertile is right

1138
00:41:15,120 --> 00:41:13,630

between your hands so how many people

1139

00:41:16,650 --> 00:41:15,130

know this how many people have never

1140

00:41:19,140 --> 00:41:16,660

considered this and then how many people

1141

00:41:22,020 --> 00:41:19,150

take that information and then say what

1142

00:41:23,940 --> 00:41:22,030

is the moon what will the moon is once

1143

00:41:26,430 --> 00:41:23,950

again it's a it's an example of a cosmic

1144

00:41:28,380 --> 00:41:26,440

race it's it's that's that object or

1145

00:41:30,720 --> 00:41:28,390

subject or whatever you want to call it

1146

00:41:32,730 --> 00:41:30,730

that's in the heavens that allows us to

1147

00:41:34,350 --> 00:41:32,740

understand as above so below that allows

1148

00:41:35,490 --> 00:41:34,360

us to tie ourselves to the heavens and

1149

00:41:37,980 --> 00:41:35,500

the cycles of heavens and that's what

1150

00:41:39,900 --> 00:41:37,990

spiritual means spiritual means spiral

1151

00:41:41,940 --> 00:41:39,910

ritual that's where the word comes from

1152

00:41:45,030 --> 00:41:41,950

so when you talk about am i a spiritual

1153

00:41:46,830 --> 00:41:45,040

person man well how connected to you are

1154

00:41:48,240 --> 00:41:46,840

you to these things because you can be

1155

00:41:51,300 --> 00:41:48,250

very connected to them in my opinion

1156

00:41:53,670 --> 00:41:51,310

yeah interesting man another thing I got

1157

00:41:55,770 --> 00:41:53,680

from your video that I think would shock

1158

00:41:57,420 --> 00:41:55,780

a lot of people who might be kind of

1159

00:42:00,900 --> 00:41:57,430

rolling their eyes at Flat Earth talked

1160

00:42:02,580 --> 00:42:00,910

we talked about old cultures that people

1161

00:42:05,490 --> 00:42:02,590

respect their esoteric knowledge but

1162

00:42:07,740 --> 00:42:05,500

ignore the Flat Earth component of you

1163

00:42:10,080 --> 00:42:07,750

have a quote from Nikola Tesla that

1164

00:42:12,900 --> 00:42:10,090

surprised me that he's talking about

1165

00:42:15,060 --> 00:42:12,910

that the earth is a realm not a planet

1166

00:42:18,360 --> 00:42:15,070

and that these stars are attached to the

1167

00:42:21,120 --> 00:42:18,370

firmament I mean who knew that well let

1168

00:42:23,070 --> 00:42:21,130

me let me say this I believe that quote

1169

00:42:25,200 --> 00:42:23,080

I attributed that quote incorrectly and

1170

00:42:26,910 --> 00:42:25,210

so but I'm glad you're bringing it up

1171

00:42:28,830 --> 00:42:26,920

because other people have brought it up

1172

00:42:31,650 --> 00:42:28,840

and this is actually an important point

1173

00:42:34,410 --> 00:42:31,660

when we talk about doing science so I

1174

00:42:36,660 --> 00:42:34,420

did that movie it took me like three and

1175

00:42:38,580 --> 00:42:36,670

a half months just on my spare time and

1176

00:42:39,770 --> 00:42:38,590

I covered a lot of stuff I was going

1177

00:42:41,420 --> 00:42:39,780

through a ton of

1178

00:42:43,520 --> 00:42:41,430

information at that point not only the

1179

00:42:45,530 --> 00:42:43,530

information but writing it editing it

1180

00:42:46,970 --> 00:42:45,540

things like that so just like every

1181

00:42:49,010 --> 00:42:46,980

other video I put out in every other

1182

00:42:50,660 --> 00:42:49,020

book I put out in every other record

1183

00:42:52,460 --> 00:42:50,670

I've put out ever since as you do it you

1184

00:42:54,860 --> 00:42:52,470

look back and say ah [h__h] I shoulda did

1185

00:42:56,780 --> 00:42:54,870

that better that was incorrect that sort

1186

00:42:59,090 --> 00:42:56,790

of thing you always have the the

1187

00:43:00,560 --> 00:42:59,100

criticism so I knew in this video that I

1188

00:43:01,910 --> 00:43:00,570

was going to do that and as soon as I

1189

00:43:03,770 --> 00:43:01,920

put it out there was things I was like I

1190

00:43:05,240 --> 00:43:03,780

could have done that better I see and I

1191

00:43:07,010 --> 00:43:05,250

did that wrong that sort of thing so one

1192

00:43:09,920 --> 00:43:07,020

of the things in that video was that

1193

00:43:12,020 --> 00:43:09,930

quote that I that I had two sources of

1194

00:43:14,420 --> 00:43:12,030

it and one was actually cosmic creations

1195

00:43:17,120 --> 00:43:14,430

calm and it turns out that that was

1196

00:43:19,520 --> 00:43:17,130

incorrect and so some people had jumped

1197

00:43:21,680 --> 00:43:19,530

on it right it was like oh you're a liar

1198

00:43:23,300 --> 00:43:21,690

you know you're trying to deceive people

1199

00:43:26,720 --> 00:43:23,310

and stuff like that it's like no man I

1200

00:43:28,670 --> 00:43:26,730

made a mistake you know and so what

1201
00:43:32,300 --> 00:43:28,680
you're doing there is cherry picking out

1202
00:43:33,800 --> 00:43:32,310
of a general trajectory of an idea going

1203
00:43:35,360 --> 00:43:33,810
to cherry pick something and then

1204
00:43:38,810 --> 00:43:35,370
therefore using that as something to

1205
00:43:40,430 --> 00:43:38,820
discredit or back up your beliefs so to

1206
00:43:42,350 --> 00:43:40,440
me it's actually important that I left

1207
00:43:45,380 --> 00:43:42,360
it in there number one if it's incorrect

1208
00:43:47,600 --> 00:43:45,390
that everybody goes and says look Marty

1209
00:43:49,580 --> 00:43:47,610
[h__\h] up Marty made a mistake go point

1210
00:43:52,250 --> 00:43:49,590
that out and make sure everybody knows

1211
00:43:54,620 --> 00:43:52,260
about it but what you also have to do in

1212
00:43:56,210 --> 00:43:54,630
the scientific method to uphold justice

1213
00:43:58,340 --> 00:43:56,220

you know civility and the scientific

1214

00:43:59,690 --> 00:43:58,350

method is that when you point out things

1215

00:44:01,880 --> 00:43:59,700

that are incorrect you also have to

1216

00:44:03,620 --> 00:44:01,890

point out the things that I got right or

1217

00:44:06,290 --> 00:44:03,630

the things that are you know that are

1218

00:44:08,810 --> 00:44:06,300

legitimate things to discuss legitimate

1219

00:44:11,120 --> 00:44:08,820

arguments yeah and we're not doing that

1220

00:44:13,490 --> 00:44:11,130

in this community we're not it's not

1221

00:44:15,710 --> 00:44:13,500

happening in in academia that's for sure

1222

00:44:17,480 --> 00:44:15,720

and I've said that with the you know the

1223

00:44:19,310 --> 00:44:17,490

gamma tree and numerology work that I've

1224

00:44:21,050 --> 00:44:19,320

done I've made mistakes in the past

1225

00:44:23,000 --> 00:44:21,060

and so somebody will go along and be

1226
00:44:24,500 --> 00:44:23,010
like oh look he made a mistake he you

1227
00:44:26,150 --> 00:44:24,510
know added a word wrong or he got a

1228
00:44:27,590 --> 00:44:26,160
historical context wrong therefore we

1229
00:44:30,860 --> 00:44:27,600
should just dismiss the entirety of his

1230
00:44:34,310 --> 00:44:30,870
work and that's asinine here's an

1231
00:44:36,260 --> 00:44:34,320
analogy like if you go and you you know

1232
00:44:38,720 --> 00:44:36,270
you're in college or your university and

1233
00:44:40,970 --> 00:44:38,730
you take a final exam on chemistry or

1234
00:44:43,250 --> 00:44:40,980
Anatomy or whatever it is and you

1235
00:44:45,500 --> 00:44:43,260
there's a hundred questions and you get

1236
00:44:46,910 --> 00:44:45,510
20 of them wrong well you've got 20

1237
00:44:48,770 --> 00:44:46,920
questions just wrong you were wrong

1238
00:44:50,780 --> 00:44:48,780

wrong klar percent wrong you got them

1239

00:44:52,960 --> 00:44:50,790

wrong you got eighty four eighty of them

1240

00:44:55,060 --> 00:44:52,970

right which means that you pass

1241

00:44:56,650 --> 00:44:55,070

right but how many people in this

1242

00:44:58,120 --> 00:44:56,660

community will go and look at the 20

1243

00:45:00,010 --> 00:44:58,130

things that somebody got wrong and then

1244

00:45:02,680 --> 00:45:00,020

completely dismiss it yet in a

1245

00:45:05,080 --> 00:45:02,690

university setting that's a B you know

1246

00:45:07,540 --> 00:45:05,090

what I mean so I know that everything

1247

00:45:10,270 --> 00:45:07,550

that I've produced everything the videos

1248

00:45:12,040 --> 00:45:10,280

the books this this last video there are

1249

00:45:13,480 --> 00:45:12,050

things that are wrong and so it's very

1250

00:45:15,040 --> 00:45:13,490

important that people go employment

1251
00:45:16,150 --> 00:45:15,050
those things out but you also have to

1252
00:45:19,780 --> 00:45:16,160
point out what you got right it's

1253
00:45:21,430 --> 00:45:19,790
important yeah it is fair my bad man

1254
00:45:22,570 --> 00:45:21,440
no no it's not your bad I'm actually

1255
00:45:24,010 --> 00:45:22,580
glad we're talking about this because

1256
00:45:26,440 --> 00:45:24,020
people have brought it up and it's an

1257
00:45:28,600 --> 00:45:26,450
important point yeah so that is I mean

1258
00:45:31,060 --> 00:45:28,610
you wanna be yeah yeah okay so to ask

1259
00:45:32,560 --> 00:45:31,070
you the big a key question for me I know

1260
00:45:34,540 --> 00:45:32,570
it's something that's important to you

1261
00:45:37,090 --> 00:45:34,550
and I think it jobs with a lot of people

1262
00:45:39,760 --> 00:45:37,100
who are listening and also people who

1263
00:45:42,820 --> 00:45:39,770

are in the flat of community but how has

1264

00:45:45,820 --> 00:45:42,830

this this journey affected your thoughts

1265

00:45:48,160 --> 00:45:45,830

about life and spirituality and a

1266

00:45:50,470 --> 00:45:48,170

possible creator because this is a your

1267

00:45:53,740 --> 00:45:50,480

most recent presentation is pretty

1268

00:45:55,930 --> 00:45:53,750

focused on this it it hasn't okay so for

1269

00:45:58,510 --> 00:45:55,940

me it really did not change too much

1270

00:46:00,430 --> 00:45:58,520

because I had already come to the

1271

00:46:02,440 --> 00:46:00,440

conclusion that man was central to the

1272

00:46:05,740 --> 00:46:02,450

mystery no matter if this was an

1273

00:46:08,410 --> 00:46:05,750

illusion a hologram I had already come

1274

00:46:10,120 --> 00:46:08,420

to this idea that somehow no matter what

1275

00:46:11,800 --> 00:46:10,130

was going on that man and his

1276
00:46:14,260 --> 00:46:11,810
consciousness was sort of central to the

1277
00:46:17,290 --> 00:46:14,270
thing and that and that a creator this

1278
00:46:19,000 --> 00:46:17,300
great spirit or grand architect or great

1279
00:46:21,490 --> 00:46:19,010
geometers or whatever you want to call

1280
00:46:23,290 --> 00:46:21,500
this thing put mankind central to the

1281
00:46:25,840 --> 00:46:23,300
mystery and actually put its

1282
00:46:28,570 --> 00:46:25,850
consciousness through man and so man was

1283
00:46:30,760 --> 00:46:28,580
actually an experienter of the god thing

1284
00:46:33,370 --> 00:46:30,770
in and of itself and so that's sort of

1285
00:46:35,440 --> 00:46:33,380
feedback loop that's sort of mobius

1286
00:46:36,880 --> 00:46:35,450
strip of consciousness or whatever you

1287
00:46:39,820 --> 00:46:36,890
want to call is actually what's going on

1288
00:46:41,650 --> 00:46:39,830

so when the flatter thing came up not

1289

00:46:43,570 --> 00:46:41,660

only did it was it in accord with a lot

1290

00:46:45,730 --> 00:46:43,580

of the ancient what the ancient people

1291

00:46:48,070 --> 00:46:45,740

had said it was in accord with what I

1292

00:46:49,570 --> 00:46:48,080

was already thinking it's the only only

1293

00:46:52,360 --> 00:46:49,580

difference was it wasn't saying that oh

1294

00:46:54,400 --> 00:46:52,370

no what we're saying is man is literally

1295

00:46:55,900 --> 00:46:54,410

central to the entire universe that

1296

00:46:58,330 --> 00:46:55,910

literally the landmass that he is

1297

00:47:00,010 --> 00:46:58,340

standing on and his you know the drama

1298

00:47:01,810 --> 00:47:00,020

and experience of mankind is central to

1299

00:47:04,270 --> 00:47:01,820

the whole thing so I was already there

1300

00:47:06,420 --> 00:47:04,280

you know in that respect so it didn't

1301

00:47:08,210 --> 00:47:06,430

really change much spiritually for me

1302

00:47:11,339 --> 00:47:08,220

but I I know it has helped people

1303

00:47:12,270 --> 00:47:11,349

spiritually there was there's been a lot

1304

00:47:13,890 --> 00:47:12,280

of people that have been like hey you

1305

00:47:16,290 --> 00:47:13,900

know this has helped me understand a

1306

00:47:18,089 --> 00:47:16,300

creator better so that's good I don't

1307

00:47:20,040 --> 00:47:18,099

know if this is going to help or hurt

1308

00:47:21,420 --> 00:47:20,050

what I'm doing it doesn't really matter

1309

00:47:23,670 --> 00:47:21,430

I'm just gonna keep onto what I'm doing

1310

00:47:25,140 --> 00:47:23,680

anyway but it really hasn't changed my

1311

00:47:26,640 --> 00:47:25,150

opinions towards a creator at all

1312

00:47:30,120 --> 00:47:26,650

because I was like I said it was already

1313

00:47:32,549 --> 00:47:30,130

there fair yeah well I like getting into

1314

00:47:34,140 --> 00:47:32,559

the depth of some of the stuff you

1315

00:47:36,890 --> 00:47:34,150

talked about in that latest presentation

1316

00:47:39,960 --> 00:47:36,900

you get into the idea that there is a

1317

00:47:42,030 --> 00:47:39,970

cohesive message parallel messages that

1318

00:47:44,130 --> 00:47:42,040

come through not only nearly all

1319

00:47:46,650 --> 00:47:44,140

religions but also the teachings of the

1320

00:47:48,839 --> 00:47:46,660

Kabbalah the core beliefs of the main

1321

00:47:52,710 --> 00:47:48,849

secret societies like Freemasons and the

1322

00:47:54,660 --> 00:47:52,720

OTO what is that central message to you

1323

00:47:57,150 --> 00:47:54,670

what is that core message about life

1324

00:48:00,660 --> 00:47:57,160

consciousness our origins that whole

1325

00:48:03,240 --> 00:48:00,670

thing the the central thing is that man

1326

00:48:06,180 --> 00:48:03,250

is put on this earth to undergo a great

1327

00:48:08,190 --> 00:48:06,190

journey a great quest that he has put on

1328

00:48:09,660 --> 00:48:08,200

the path and ultimately that path is to

1329

00:48:11,490 --> 00:48:09,670

find something that was hidden within

1330

00:48:13,049 --> 00:48:11,500

him and that is the entire reason that

1331

00:48:15,450 --> 00:48:13,059

the thing was created in and of itself

1332

00:48:18,270 --> 00:48:15,460

at least as far as the drama of man is

1333

00:48:20,760 --> 00:48:18,280

concerned that God lost itself in its

1334

00:48:23,520 --> 00:48:20,770

own creation and that man is put through

1335

00:48:25,740 --> 00:48:23,530

the tests and trials to go through and

1336

00:48:28,530 --> 00:48:25,750

find that thing and ultimately that

1337

00:48:31,079 --> 00:48:28,540

thing is to put it simply and not to

1338

00:48:32,910 --> 00:48:31,089

sound all new-agey and [\h__\h] but love one

1339

00:48:35,370 --> 00:48:32,920

of the things that I came to I talked

1340

00:48:37,680 --> 00:48:35,380

about in that video the Flat Earth video

1341

00:48:41,160 --> 00:48:37,690

was the weighing of the heart ceremony

1342

00:48:42,870 --> 00:48:41,170

that the crux of Egyptian philosophical

1343

00:48:45,270 --> 00:48:42,880

thought was basically this idea that

1344

00:48:46,380 --> 00:48:45,280

after you died you're just like in a lot

1345

00:48:48,660 --> 00:48:46,390

of other cultures they talked about

1346

00:48:50,520 --> 00:48:48,670

you'd have this sort of review of your

1347

00:48:53,670 --> 00:48:50,530

life right that God would pop in the DVD

1348

00:48:55,260 --> 00:48:53,680

and take a look at what you did and then

1349

00:48:57,780 --> 00:48:55,270

you know you'd have that review and

1350

00:48:59,609 --> 00:48:57,790

ultimately if you your heart was as

1351
00:49:02,760 --> 00:48:59,619
light or as lighter than a feather then

1352
00:49:05,160 --> 00:49:02,770
you would go back and embrace with the

1353
00:49:06,990 --> 00:49:05,170
oneness the great undifferentiated and

1354
00:49:09,089 --> 00:49:07,000
differentiate light of the Creator kind

1355
00:49:11,849 --> 00:49:09,099
of thing and so that to me is the

1356
00:49:14,339 --> 00:49:11,859
central thing that's being hidden and so

1357
00:49:15,750 --> 00:49:14,349
when you look at the dark occultists of

1358
00:49:18,150 --> 00:49:15,760
the world the people that are

1359
00:49:19,680 --> 00:49:18,160
manipulating our reality they're trying

1360
00:49:21,540 --> 00:49:19,690
to steer you away from that

1361
00:49:23,490 --> 00:49:21,550
is any way that they can and that's why

1362
00:49:26,940 --> 00:49:23,500
you have so much of this appealing to

1363
00:49:29,849 --> 00:49:26,950

man's lower nature's sex eating you know

1364

00:49:31,079 --> 00:49:29,859

fighting fear all of these sorts of

1365

00:49:33,500 --> 00:49:31,089

things these are the things that are

1366

00:49:36,390 --> 00:49:33,510

like highlighted in our society because

1367

00:49:38,520 --> 00:49:36,400

because it steers you away from that

1368

00:49:41,160 --> 00:49:38,530

path which is a path of nobility it's a

1369

00:49:43,380 --> 00:49:41,170

path of a spiritual path of morality and

1370

00:49:45,270 --> 00:49:43,390

ethics and how much care and compassion

1371

00:49:47,370 --> 00:49:45,280

you have towards your fellow man how

1372

00:49:49,220 --> 00:49:47,380

much love you're bringing to the earth

1373

00:49:53,010 --> 00:49:49,230

how much you're inspiring people and

1374

00:49:55,740 --> 00:49:53,020

that is really what the work that I'm

1375

00:49:58,140 --> 00:49:55,750

focused on it's all about what does what

1376

00:49:59,309 --> 00:49:58,150

is Flat Earth and have to say about if

1377

00:50:01,740 --> 00:49:59,319

you and I were standing next to each

1378

00:50:04,319 --> 00:50:01,750

other right now would it matter what the

1379

00:50:06,089 --> 00:50:04,329

shape of the earth is what it is flat

1380

00:50:07,589 --> 00:50:06,099

around what it right now what would what

1381

00:50:09,089 --> 00:50:07,599

would matter we just make you know we'd

1382

00:50:12,000 --> 00:50:09,099

probably just say hey we're gonna finish

1383

00:50:14,370 --> 00:50:12,010

smokin this whole bag and you know but

1384

00:50:15,960 --> 00:50:14,380

what what would matter how are we fall

1385

00:50:17,400 --> 00:50:15,970

on the Golden Rule are we being care or

1386

00:50:19,050 --> 00:50:17,410

you know do we care for one another are

1387

00:50:20,849 --> 00:50:19,060

we being kind to one another are we

1388

00:50:22,470 --> 00:50:20,859

choosing to coexist even though we have

1389

00:50:25,380 --> 00:50:22,480

differences these are the things that

1390

00:50:28,230 --> 00:50:25,390

matter and so that I think is the the

1391

00:50:29,370 --> 00:50:28,240

great mystery and quest of human being

1392

00:50:30,990 --> 00:50:29,380

and that's what's being hidden

1393

00:50:32,700 --> 00:50:31,000

once again that's just hiding the divine

1394

00:50:34,079 --> 00:50:32,710

within it's trying is trying to divert

1395

00:50:37,349 --> 00:50:34,089

you from that path of finding that

1396

00:50:38,760 --> 00:50:37,359

mm-hmm well then I would say this this

1397

00:50:40,680 --> 00:50:38,770

is the other thing that this isn't

1398

00:50:42,540 --> 00:50:40,690

something that has to be hidden in fact

1399

00:50:44,309 --> 00:50:42,550

I think cultures of the past actually

1400

00:50:46,380 --> 00:50:44,319

taught us stuff to their children that

1401
00:50:48,569 --> 00:50:46,390
it was actually a process of growing up

1402
00:50:50,790 --> 00:50:48,579
was the process of like you couldn't

1403
00:50:53,130 --> 00:50:50,800
enter the tribe unless you decided

1404
00:50:54,839 --> 00:50:53,140
unless you were going to be a man if you

1405
00:50:57,030 --> 00:50:54,849
will you were going to be an upstanding

1406
00:50:58,829 --> 00:50:57,040
human being you're gonna live nobly and

1407
00:51:00,359 --> 00:50:58,839
ethically and morally and you were going

1408
00:51:01,980 --> 00:51:00,369
to do what was best for the community

1409
00:51:03,270 --> 00:51:01,990
you know these are the things and these

1410
00:51:05,069 --> 00:51:03,280
these sorts of things were taught to

1411
00:51:06,450 --> 00:51:05,079
children when you especially when you

1412
00:51:08,420 --> 00:51:06,460
look at like native cultures I think

1413
00:51:11,099 --> 00:51:08,430

this is exactly what they were teaching

1414

00:51:13,620 --> 00:51:11,109

right and apparently you know it's not

1415

00:51:15,470 --> 00:51:13,630

really that hidden according to some of

1416

00:51:18,450 --> 00:51:15,480

your presentations if you look at

1417

00:51:19,770 --> 00:51:18,460

mathematics and nature you know one of

1418

00:51:21,510 --> 00:51:19,780

the things I'm talking about in this

1419

00:51:24,180 --> 00:51:21,520

this lecture I'm doing it's just like

1420

00:51:26,220 --> 00:51:24,190

thou shalt reach true and laymen when

1421

00:51:28,829 --> 00:51:26,230

thou comes to know that true shape of

1422

00:51:31,890 --> 00:51:28,839

the earth sentence said no philosopher

1423

00:51:32,760 --> 00:51:31,900

ever write what did the philosopher say

1424

00:51:35,880 --> 00:51:32,770

what did the dal PO

1425

00:51:37,380 --> 00:51:35,890

Oracle's say oh man know thyself and you

1426
00:51:40,080 --> 00:51:37,390
shall know the universe and the gods

1427
00:51:42,630 --> 00:51:40,090
so these mysteries all of these things

1428
00:51:44,370 --> 00:51:42,640
that you know are hidden they're right

1429
00:51:45,570 --> 00:51:44,380
in front of us like I was just talking

1430
00:51:47,700 --> 00:51:45,580
about with the phalanges of our hands

1431
00:51:49,710 --> 00:51:47,710
this right there our connection to the

1432
00:51:52,290 --> 00:51:49,720
moon and our connection to this man's

1433
00:51:54,570 --> 00:51:52,300
the the cycle of man coming to the

1434
00:51:56,310 --> 00:51:54,580
menstruation cycle ovulation cycle and

1435
00:51:57,840 --> 00:51:56,320
all that stuff is connected to the Sun

1436
00:51:59,220 --> 00:51:57,850
is connected to the moon and all you

1437
00:52:00,600 --> 00:51:59,230
have to do is a little math and so all

1438
00:52:02,490 --> 00:52:00,610

this stuff is right in front of us and

1439

00:52:04,620 --> 00:52:02,500

they've done everything in their power

1440

00:52:06,150 --> 00:52:04,630

to keep us from this to keep us from

1441

00:52:08,790 --> 00:52:06,160

even understanding what's right in front

1442

00:52:11,760 --> 00:52:08,800

of us yeah it's secrets in plain sight

1443

00:52:12,420 --> 00:52:11,770

mm-hmm and I see the motivations there I

1444

00:52:14,490 --> 00:52:12,430

really do

1445

00:52:16,470 --> 00:52:14,500

and I want to give people a little bit

1446

00:52:19,050 --> 00:52:16,480

of context for your gematria work if

1447

00:52:21,630 --> 00:52:19,060

they're not familiar but to back it up a

1448

00:52:23,910 --> 00:52:21,640

bit there it seems like to simplify some

1449

00:52:25,650 --> 00:52:23,920

of it when languages are formed all the

1450

00:52:28,020 --> 00:52:25,660

major ones tend to have a mathematical

1451
00:52:30,690 --> 00:52:28,030
code to them and the cipher or the way

1452
00:52:32,910 --> 00:52:30,700
to decode the message tends to be in the

1453
00:52:34,530 --> 00:52:32,920
core religious texts of that language is

1454
00:52:37,020 --> 00:52:34,540
that basically it can that template be

1455
00:52:38,880 --> 00:52:37,030
applied to most languages I honestly

1456
00:52:40,560 --> 00:52:38,890
don't know I don't have a direct answer

1457
00:52:43,470 --> 00:52:40,570
for that I do know that some of the

1458
00:52:45,780 --> 00:52:43,480
major languages without question have a

1459
00:52:47,340 --> 00:52:45,790
mathematical foundation this is just you

1460
00:52:49,140 --> 00:52:47,350
know I'd mentioned this um I did a

1461
00:52:50,490 --> 00:52:49,150
couple podcast back and I was my friend

1462
00:52:52,860 --> 00:52:50,500
gave me this book and it's by there's a

1463
00:52:55,740 --> 00:52:52,870

German linguist and he's just a regular

1464

00:52:57,690 --> 00:52:55,750

run-of-the-mill academia linguist he's

1465

00:52:59,400 --> 00:52:57,700

not an esotericist he's not a conspiracy

1466

00:53:01,860 --> 00:52:59,410

theorist he's just a you know professor

1467

00:53:04,650 --> 00:53:01,870

and he wrote this book on number words

1468

00:53:06,930 --> 00:53:04,660

and symbols and and that sort of thing

1469

00:53:08,750 --> 00:53:06,940

and he's got there's several pages in

1470

00:53:11,760 --> 00:53:08,760

there where he goes and shows how

1471

00:53:13,590 --> 00:53:11,770

explicitly how Greek had a site for Ebru

1472

00:53:15,570 --> 00:53:13,600

has numbers attached to their languages

1473

00:53:17,760 --> 00:53:15,580

there's the abjad in the Arabic there's

1474

00:53:19,560 --> 00:53:17,770

etc etc etc that all of these different

1475

00:53:22,440 --> 00:53:19,570

languages absolutely had a mathematical

1476

00:53:24,300 --> 00:53:22,450

cipher nothing controversial at all so

1477

00:53:25,680 --> 00:53:24,310

when you look at English and say is

1478

00:53:28,140 --> 00:53:25,690

there one for that well that's what I'm

1479

00:53:30,270 --> 00:53:28,150

that's that I'm trying to put for it is

1480

00:53:32,070 --> 00:53:30,280

and that yes they were encoding these

1481

00:53:34,410 --> 00:53:32,080

things with in for instance the Holy

1482

00:53:35,970 --> 00:53:34,420

Bible you know and that's that that

1483

00:53:38,310 --> 00:53:35,980

particular one is something I've looked

1484

00:53:41,070 --> 00:53:38,320

at because I know for a fact at least

1485

00:53:43,500 --> 00:53:41,080

the best of my knowledge that it was

1486

00:53:45,600 --> 00:53:43,510

encoded with this cipher and there's

1487

00:53:45,970 --> 00:53:45,610

just amazing things you can draw from it

1488

00:53:47,290 --> 00:53:45,980

and

1489

00:53:48,520 --> 00:53:47,300

yeah when you look at the Holy Bible

1490

00:53:51,790 --> 00:53:48,530

you're looking at a mathematical

1491

00:53:54,130 --> 00:53:51,800

document and what I'm trying to say is

1492

00:53:55,750 --> 00:53:54,140

that you can prove that yeah I find that

1493

00:53:57,970 --> 00:53:55,760

interesting because I'm not into the

1494

00:54:00,849 --> 00:53:57,980

Bible as a literal thing of course but

1495

00:54:02,859 --> 00:54:00,859

we're talking about some people hiding a

1496

00:54:05,080 --> 00:54:02,869

coded message in there that describes

1497

00:54:07,540 --> 00:54:05,090

reality I mean that's that's something I

1498

00:54:09,880 --> 00:54:07,550

can get into can you give us a couple of

1499

00:54:13,300 --> 00:54:09,890

examples of of where you see that the

1500

00:54:14,950 --> 00:54:13,310

most well yeah there's there's I mean

1501

00:54:16,599 --> 00:54:14,960

there's honestly it's one of those

1502

00:54:17,980 --> 00:54:16,609

things like as soon as we go into any

1503

00:54:20,260 --> 00:54:17,990

one of them we could spend two hours

1504

00:54:22,060 --> 00:54:20,270

talking about it you know it's just

1505

00:54:23,470 --> 00:54:22,070

that's why I have to do videos and books

1506

00:54:26,050 --> 00:54:23,480

and stuff like that because it's just

1507

00:54:27,130 --> 00:54:26,060

there's just so much you can extract one

1508

00:54:29,080 --> 00:54:27,140

thing I always like to bring up to

1509

00:54:31,930 --> 00:54:29,090

people is how this is hidden how this is

1510

00:54:33,609 --> 00:54:31,940

occulted and why it's so cryptic and why

1511

00:54:35,740 --> 00:54:33,619

it's written so cryptic number one the

1512

00:54:37,840 --> 00:54:35,750

information has to be hidden in some way

1513

00:54:40,780 --> 00:54:37,850

so that it will last throughout the ages

1514

00:54:42,370 --> 00:54:40,790

well I mean the Bible if anybody that

1515

00:54:44,109 --> 00:54:42,380

picks up the Bible that has any sort of

1516

00:54:47,020 --> 00:54:44,119

reason to rationale can tell you very

1517

00:54:49,870 --> 00:54:47,030

very clearly that it's highly symbolic

1518

00:54:51,760 --> 00:54:49,880

highly cryptic and there's obviously you

1519

00:54:54,280 --> 00:54:51,770

know where do you think the read between

1520

00:54:56,440 --> 00:54:54,290

the lines comes from you know it comes

1521

00:54:59,500 --> 00:54:56,450

from the Bible you know so the opening

1522

00:55:01,420 --> 00:54:59,510

pages of the Bible Genesis you know 1 1

1523

00:55:03,880 --> 00:55:01,430

2 whatever it is talks about how God

1524

00:55:05,859 --> 00:55:03,890

treated the universe in seven days did

1525

00:55:08,080 --> 00:55:05,869

some [h__h] on first day it was good did

1526

00:55:09,730 --> 00:55:08,090

stop second day was good third day blah

1527

00:55:12,090 --> 00:55:09,740

blah blah and then rested on the seventh

1528

00:55:16,060 --> 00:55:12,100

day well anybody with any sort of

1529

00:55:18,070 --> 00:55:16,070

philosophy can you know or studies of

1530

00:55:19,960 --> 00:55:18,080

theology can look at this and say wait a

1531

00:55:21,490 --> 00:55:19,970

second God is all-powerful he's

1532

00:55:23,200 --> 00:55:21,500

omnipotent omniscient omnipresent you

1533

00:55:25,030 --> 00:55:23,210

can create universes upon universes

1534

00:55:26,890 --> 00:55:25,040

about a universe is in a split second

1535

00:55:29,410 --> 00:55:26,900

why in the world would it take this

1536

00:55:31,870 --> 00:55:29,420

great this grand architect this great

1537

00:55:33,280 --> 00:55:31,880

being seven days to create anything that

1538

00:55:36,340 --> 00:55:33,290

doesn't make any sense

1539

00:55:38,410 --> 00:55:36,350

it's just fall that just fails logic 101

1540

00:55:40,060 --> 00:55:38,420

so then you have to say what are they

1541

00:55:41,770 --> 00:55:40,070

talking about then well then you can

1542

00:55:44,380 --> 00:55:41,780

actually go and talk and find out that

1543

00:55:46,000 --> 00:55:44,390

there's six directions mathematically

1544

00:55:47,920 --> 00:55:46,010

when we look at your universe your

1545

00:55:50,230 --> 00:55:47,930

experience here there's six directions

1546

00:55:52,630 --> 00:55:50,240

of space resting on a seven point so

1547

00:55:52,900 --> 00:55:52,640

there's board reverse up down left and

1548

00:55:54,370 --> 00:55:52,910

right

1549

00:55:55,990 --> 00:55:54,380

and this is three-dimensional

1550

00:55:58,090 --> 00:55:56,000

mathematics and those opposites come

1551
00:55:59,130 --> 00:55:58,100
together to a central point a resting

1552
00:56:01,200 --> 00:55:59,140
point in origin

1553
00:56:03,210 --> 00:56:01,210
point well if you understand that the

1554
00:56:05,100 --> 00:56:03,220
genesis of the creation of the universe

1555
00:56:07,710 --> 00:56:05,110
is talking about the genetics and

1556
00:56:09,960 --> 00:56:07,720
genesis of the human being the universe

1557
00:56:12,750 --> 00:56:09,970
of the human being then you realize that

1558
00:56:14,040 --> 00:56:12,760
that allegory of God doing is working

1559
00:56:16,560 --> 00:56:14,050
six days is resting on the seventh is

1560
00:56:17,790 --> 00:56:16,570
talking about the creation of you and so

1561
00:56:20,340 --> 00:56:17,800
therefore it's like what is the Holy

1562
00:56:22,020 --> 00:56:20,350
Bible it's talking about the I mean what

1563
00:56:23,370 --> 00:56:22,030

else do you think it's talking about you

1564

00:56:26,460 --> 00:56:23,380

know it's talking about the divinity of

1565

00:56:29,100 --> 00:56:26,470

man about how God lives through man

1566

00:56:31,020 --> 00:56:29,110

right so you know that's one thing that

1567

00:56:33,090 --> 00:56:31,030

you can kind of talk about to to really

1568

00:56:36,450 --> 00:56:33,100

just start to open that a cult book up

1569

00:56:39,510 --> 00:56:36,460

well man I gotta let you go sometime I

1570

00:56:41,130 --> 00:56:39,520

do love talking to you obviously we've

1571

00:56:43,500 --> 00:56:41,140

been lied to in many areas I like

1572

00:56:45,150 --> 00:56:43,510

entertaining that to its furthest

1573

00:56:47,400 --> 00:56:45,160

extreme and I respect you for putting

1574

00:56:48,840 --> 00:56:47,410

yourself out there for it before we go

1575

00:56:50,730 --> 00:56:48,850

remind the people where they can get

1576

00:56:52,320 --> 00:56:50,740

more Marty Marty leans three three com

1577

00:56:54,450 --> 00:56:52,330

is the website main website and then

1578

00:56:56,400 --> 00:56:54,460

Marty leads three on YouTube and then

1579

00:56:58,380 --> 00:56:56,410

muscle on Facebook you know friend me

1580

00:57:00,300 --> 00:56:58,390

there post stuff all the time so that's

1581

00:57:01,950 --> 00:57:00,310

cool and what's coming up like I said I

1582

00:57:03,660 --> 00:57:01,960

got a book coming up I'm gonna hopefully

1583

00:57:06,360 --> 00:57:03,670

record another record this year so

1584

00:57:07,860 --> 00:57:06,370

that's coming up and then after the book

1585

00:57:09,360 --> 00:57:07,870

is done I'm thinking about doing a

1586

00:57:10,740 --> 00:57:09,370

planning on doing another lecture series

1587

00:57:11,760 --> 00:57:10,750

and kind of starting from the ground

1588

00:57:13,140 --> 00:57:11,770

floor again

1589

00:57:15,060 --> 00:57:13,150

and just kind of you know working

1590

00:57:16,920 --> 00:57:15,070

through all this stuff again so all

1591

00:57:19,920 --> 00:57:16,930

right on and also you mentioned this

1592

00:57:21,690 --> 00:57:19,930

earlier and I pushed out myself but you

1593

00:57:23,280 --> 00:57:21,700

are speaking at the lightning in a

1594

00:57:26,430 --> 00:57:23,290

bottle festival right yes I'm speaking

1595

00:57:28,050 --> 00:57:26,440

this Sunday with people like Charles

1596

00:57:30,180 --> 00:57:28,060

Eisenstein who's gonna be there Prince

1597

00:57:31,080 --> 00:57:30,190

EA it was like a hip-hop artist there's

1598

00:57:32,310 --> 00:57:31,090

a bunch of people that are gonna be

1599

00:57:34,920 --> 00:57:32,320

there that should be pretty cool so

1600

00:57:36,870 --> 00:57:34,930

looking forward to that mmm and I think

1601

00:57:38,130 --> 00:57:36,880

I think the tickets are sold out so if

1602

00:57:39,000 --> 00:57:38,140

you're there well you know looking

1603

00:57:42,360 --> 00:57:39,010

forward to seeing you in otherwise

1604

00:57:43,770 --> 00:57:42,370

another time for sure and one other

1605

00:57:46,110 --> 00:57:43,780

thing I forgot to throw out there that I

1606

00:57:47,940 --> 00:57:46,120

gotta throw out is when I went to

1607

00:57:51,330 --> 00:57:47,950

Armenia with Graham Hancock we took a

1608

00:57:53,220 --> 00:57:51,340

picture by a stone that had a pyramid

1609

00:57:54,570 --> 00:57:53,230

that's supposedly a buried pyramid looks

1610

00:57:56,730 --> 00:57:54,580

like a hill but they think it's a buried

1611

00:57:59,400 --> 00:57:56,740

pyramid out there but they found a stone

1612

00:58:01,740 --> 00:57:59,410

that looks like the pyramid that might

1613

00:58:04,650 --> 00:58:01,750

be under the dirt and there's some

1614

00:58:06,930 --> 00:58:04,660

leaves around it and it was you who

1615

00:58:09,060 --> 00:58:06,940

looked at that picture on Facebook and

1616

00:58:10,800 --> 00:58:09,070

found that when you take the steps of

1617

00:58:12,750 --> 00:58:10,810

that pyramid it was broken up into

1618

00:58:16,440 --> 00:58:12,760

levels and you take the

1619

00:58:18,630 --> 00:58:16,450

leaves around it encoded pi and only you

1620

00:58:20,160 --> 00:58:18,640

were gonna we're gonna find that man and

1621

00:58:21,450 --> 00:58:20,170

I thought it was pretty fascinating and

1622

00:58:23,040 --> 00:58:21,460

I told Graham he thought it was

1623

00:58:24,990 --> 00:58:23,050

interesting but I just wanted to give

1624

00:58:28,140 --> 00:58:25,000

you props because you do a lot of great

1625

00:58:30,180 --> 00:58:28,150

work in that number decoding realm and

1626

00:58:31,740 --> 00:58:30,190

that was just more icing on the cake

1627

00:58:33,600 --> 00:58:31,750

thanks man yeah when I saw that I

1628

00:58:35,910 --> 00:58:33,610

immediately immediately picked that up

1629

00:58:37,890 --> 00:58:35,920

and I was like oh yeah that's like it

1630

00:58:39,840 --> 00:58:37,900

figured you'd get it so that's cool yeah

1631

00:58:41,580 --> 00:58:39,850

the freakin Internet man here yet

1632

00:58:42,990 --> 00:58:41,590

researchers in Armenia that have been

1633

00:58:44,640 --> 00:58:43,000

there for a long time looking at these

1634

00:58:46,440 --> 00:58:44,650

things they got the stone they never

1635

00:58:51,030 --> 00:58:46,450

mentioned that you know Marty leads

1636

00:58:53,160 --> 00:58:51,040

figures of that but or not you know yeah

1637

00:58:54,960 --> 00:58:53,170

well keep doing what you do man I do

1638

00:58:56,280 --> 00:58:54,970

enjoy it look me up when you're in the

1639

00:58:57,060 --> 00:58:56,290

neighborhood and take care out there

1640

00:59:00,390 --> 00:58:57,070

right thanks man

1641

00:59:02,910 --> 00:59:00,400

you got it there it is guys the great

1642

00:59:05,460 --> 00:59:02,920

Marty Leeds I love that guy and as soon

1643

00:59:07,080 --> 00:59:05,470

as I saw his Flat Earth doc go up I knew

1644

00:59:09,060 --> 00:59:07,090

we were probably going to talk about it

1645

00:59:10,710 --> 00:59:09,070

here it's a good video for sure for

1646

00:59:13,380 --> 00:59:10,720

those who have any interest in this kind

1647

00:59:15,480 --> 00:59:13,390

of stuff obviously I had a lot of Flat

1648

00:59:17,370 --> 00:59:15,490

Earth questions prepared but as we went

1649

00:59:19,650 --> 00:59:17,380

on I tried to flex around to other areas

1650

00:59:22,560 --> 00:59:19,660

because I don't want a pigeonhole Marty

1651
00:59:23,880 --> 00:59:22,570
into this being his only topic and I got

1652
00:59:26,490 --> 00:59:23,890
the vibe that he's trying to be cautious

1653
00:59:29,130 --> 00:59:26,500
about that too and he should he's done a

1654
00:59:31,260 --> 00:59:29,140
lot of great gematria work decoding the

1655
00:59:33,810 --> 00:59:31,270
cipher and seeing just how many areas it

1656
00:59:36,030 --> 00:59:33,820
applies to as well as PI and the natural

1657
00:59:38,940 --> 00:59:36,040
codes of reality you don't want your

1658
00:59:40,830 --> 00:59:38,950
whole identity reduced to oh he's a flat

1659
00:59:42,660 --> 00:59:40,840
earth guy you know and I don't want to

1660
00:59:45,000 --> 00:59:42,670
contribute to that happening to him so

1661
00:59:47,340 --> 00:59:45,010
it's a fine line but allow me to

1662
00:59:49,680 --> 00:59:47,350
speculate a bit on this overreaching

1663
00:59:51,480 --> 00:59:49,690

topic and take it to a darker place

1664

00:59:53,580 --> 00:59:51,490

because imagine any simulated

1665

00:59:55,260 --> 00:59:53,590

environment there's gonna be patterns in

1666

00:59:57,300 --> 00:59:55,270

the code things like pie and the

1667

01:00:00,300 --> 00:59:57,310

Fibonacci sequence make total sense if

1668

01:00:03,000 --> 01:00:00,310

there is a quote-unquote creator but we

1669

01:00:04,830 --> 01:00:03,010

use that term almost exclusively in a

1670

01:00:07,290 --> 01:00:04,840

positive sense and that's a slippery

1671

01:00:09,990 --> 01:00:07,300

slope to me because any gamer knows

1672

01:00:12,630 --> 01:00:10,000

banjo kazooie and dead space are both

1673

01:00:15,420 --> 01:00:12,640

video game worlds both contain evidence

1674

01:00:17,460 --> 01:00:15,430

of a creator of higher intelligence and

1675

01:00:19,560 --> 01:00:17,470

patterns in the structure you could

1676

01:00:22,290 --> 01:00:19,570

spend a lot of time appreciating the

1677

01:00:24,690 --> 01:00:22,300

elegance and sublime patterns that make

1678

01:00:25,850 --> 01:00:24,700

up these equally perfect incomplete

1679

01:00:27,650 --> 01:00:25,860

worlds

1680

01:00:30,230 --> 01:00:27,660

but world-building genius doesn't really

1681

01:00:32,390 --> 01:00:30,240

have many implications for a creators

1682

01:00:34,760 --> 01:00:32,400

morality does it because believe me the

1683

01:00:37,160 --> 01:00:34,770

dead space and banjo-kazooie worlds are

1684

01:00:39,470 --> 01:00:37,170

very different places to be so to judge

1685

01:00:41,090 --> 01:00:39,480

a creators morality I suppose you have

1686

01:00:43,220 --> 01:00:41,100

to look at the experience in the

1687

01:00:45,440 --> 01:00:43,230

simulation and we live in a world where

1688

01:00:48,050 --> 01:00:45,450

love is no guarantee but pain and death

1689

01:00:49,880 --> 01:00:48,060

surely are say what you will about being

1690

01:00:51,830 --> 01:00:49,890

a vegetarian and not eating God's

1691

01:00:54,290 --> 01:00:51,840

creatures but they'll sure as [h__h] eat

1692

01:00:56,060 --> 01:00:54,300

you without human intervention almost

1693

01:00:58,040 --> 01:00:56,070

any animal on this planet would die

1694

01:01:00,770 --> 01:00:58,050

slowly as the plaything in the jaws of

1695

01:01:02,540 --> 01:01:00,780

something larger with human intervention

1696

01:01:04,640 --> 01:01:02,550

they're locked in zoo cages where their

1697

01:01:06,590 --> 01:01:04,650

natural desires are crushed under the

1698

01:01:08,750 --> 01:01:06,600

weight of our fondness for seeing every

1699

01:01:11,240 --> 01:01:08,760

animal when we choose to wander past and

1700

01:01:12,770 --> 01:01:11,250

snap a few pictures or even worse if

1701

01:01:14,420 --> 01:01:12,780

we're talking about one of the random

1702

01:01:17,150 --> 01:01:14,430

animals we've marked for consumption

1703

01:01:19,490 --> 01:01:17,160

well welcome to the slaughterhouse it

1704

01:01:21,710 --> 01:01:19,500

just begs the question is our reality a

1705

01:01:24,620 --> 01:01:21,720

perfect happy place birthed from the

1706

01:01:26,960 --> 01:01:24,630

mind of a just and loving God or will

1707

01:01:28,790 --> 01:01:26,970

you die if you can't find water in 24

1708

01:01:31,070 --> 01:01:28,800

hours or for some reason find yourself

1709

01:01:33,800 --> 01:01:31,080

in 10 hours of the New Mexico desert Sun

1710

01:01:35,840 --> 01:01:33,810

is this really a paradise or is it more

1711

01:01:37,640 --> 01:01:35,850

of a terrarium of Terror we've luckily

1712

01:01:40,460 --> 01:01:37,650

beaten to submission so we can live out

1713

01:01:42,410 --> 01:01:40,470

our lives we do have ourselves to thank

1714

01:01:43,850 --> 01:01:42,420

for building shelters and tweaking our

1715

01:01:46,280 --> 01:01:43,860

environment so it doesn't seem that

1716

01:01:48,350 --> 01:01:46,290

hostile but when I look at the framework

1717

01:01:49,760 --> 01:01:48,360

of the world built around us try living

1718

01:01:52,160 --> 01:01:49,770

in it for a week without the cushy

1719

01:01:53,690 --> 01:01:52,170

comforts we've added to the game when I

1720

01:01:56,450 --> 01:01:53,700

look at areas of the planet that don't

1721

01:01:58,340 --> 01:01:56,460

have these cushy amenities like parts of

1722

01:02:00,830 --> 01:01:58,350

Africa that's where I see the

1723

01:02:03,260 --> 01:02:00,840

environment as the Creator intended and

1724

01:02:06,350 --> 01:02:03,270

it's not great a lot of bloated babies

1725

01:02:08,390 --> 01:02:06,360

slowly dying in the hot Sun or take it

1726

01:02:09,200 --> 01:02:08,400

to the Amazon sure they seem happy but

1727

01:02:11,300 --> 01:02:09,210

that's because they're constantly

1728

01:02:13,160 --> 01:02:11,310

tripping out on ayahuasca setting their

1729

01:02:15,440 --> 01:02:13,170

consciousness as far away from here as

1730

01:02:17,960 --> 01:02:15,450

they can requiring a constant reminder

1731

01:02:18,680 --> 01:02:17,970

that this is just a dream otherwise that

1732

01:02:20,930 --> 01:02:18,690

go nuts

1733

01:02:22,940 --> 01:02:20,940

of course I'm kind of joking and just

1734

01:02:25,160 --> 01:02:22,950

playing devil's advocate for the

1735

01:02:26,840 --> 01:02:25,170

counterpoints here and I'm not trying to

1736

01:02:29,210 --> 01:02:26,850

make light of people in horrible

1737

01:02:32,120 --> 01:02:29,220

situations just pointing out the reality

1738

01:02:35,300 --> 01:02:32,130

trying to redefine this paradise in more

1739

01:02:36,890 --> 01:02:35,310

realistic terms if you disagree go live

1740

01:02:39,170 --> 01:02:36,900

in the natural world for a bit have you

1741

01:02:41,180 --> 01:02:39,180

even seen naked and afraid they

1742

01:02:43,370 --> 01:02:41,190

no the game ends in 21 days in half of

1743

01:02:46,460 --> 01:02:43,380

them still can't make it through but if

1744

01:02:48,859 --> 01:02:46,470

I were to use the material world as the

1745

01:02:49,790 --> 01:02:48,869

basis for understanding the personality

1746

01:02:52,130 --> 01:02:49,800

of the creator

1747

01:02:54,680 --> 01:02:52,140

I'd say he's chaotic neutral at best

1748

01:02:56,900 --> 01:02:54,690

which is fine by me obviously it's not

1749

01:02:59,420 --> 01:02:56,910

all bad I did just get engaged this

1750

01:03:00,920 --> 01:02:59,430

weekend but if you haven't seen the Book

1751

01:03:02,839 --> 01:03:00,930

of Mormon that's basically its whole

1752

01:03:04,970 --> 01:03:02,849

premise simple-minded Mormons on a

1753

01:03:06,470 --> 01:03:04,980

mission to Uganda telling impoverished

1754

01:03:08,299 --> 01:03:06,480

people under the thumb of brutal

1755

01:03:11,120 --> 01:03:08,309

warlords about the loving embrace of

1756

01:03:13,309 --> 01:03:11,130

Jesus you know yeah maybe bring them

1757

01:03:16,250 --> 01:03:13,319

food or supplies for a hospital instead

1758

01:03:18,650 --> 01:03:16,260

of a box of Bibles but I've gotten

1759

01:03:20,420 --> 01:03:18,660

pretty far away from any real point here

1760

01:03:22,309 --> 01:03:20,430

but I do hope that you liked this

1761

01:03:24,559 --> 01:03:22,319

episode overall regardless of how you

1762

01:03:25,819 --> 01:03:24,569

feel about the Flat Earth I do think we

1763

01:03:28,730 --> 01:03:25,829

should have a little self awareness

1764

01:03:31,190 --> 01:03:28,740

about our aggressive emotional knee-jerk

1765

01:03:32,990 --> 01:03:31,200

reactions to something as unoffensive as

1766

01:03:35,329 --> 01:03:33,000

someone considering a different shape of

1767

01:03:37,490 --> 01:03:35,339

the earth you know because honestly I

1768

01:03:39,500 --> 01:03:37,500

have more in common with a flat earther

1769

01:03:41,059 --> 01:03:39,510

than I do someone who stands in line for

1770

01:03:43,430 --> 01:03:41,069

hours just to give Hillary Clinton a

1771

01:03:45,380 --> 01:03:43,440

standing ovation right and there's a lot

1772

01:03:47,210 --> 01:03:45,390

of them out there I'd rather hang out

1773

01:03:49,700 --> 01:03:47,220

with someone who takes their analysis of

1774

01:03:52,339 --> 01:03:49,710

deception a little too far rather than

1775

01:03:53,870 --> 01:03:52,349

someone who doesn't see it at all and we

1776

01:03:55,940 --> 01:03:53,880

can find a lot of common ground around

1777

01:03:58,039 --> 01:03:55,950

the manipulation of the education system

1778

01:04:00,470 --> 01:03:58,049

and the scientific quarantine and the

1779

01:04:02,720 --> 01:04:00,480

lives of NASA I actually think some of

1780

01:04:04,670 --> 01:04:02,730

the satellite material is their best

1781

01:04:07,069 --> 01:04:04,680

stuff we're told tens of thousands of

1782

01:04:09,079 --> 01:04:07,079

satellites are up there their designs

1783

01:04:10,700 --> 01:04:09,089

haven't really advanced in decades if

1784

01:04:13,940 --> 01:04:10,710

you do some google searching we have no

1785

01:04:15,799 --> 01:04:13,950

real photos they never seem to crash or

1786

01:04:17,900 --> 01:04:15,809

fall to earth the International Space

1787

01:04:19,400 --> 01:04:17,910

Station never hits any of them it's

1788

01:04:21,680 --> 01:04:19,410

compelling to think that that was all a

1789

01:04:23,510 --> 01:04:21,690

lie although I've had listeners write me

1790

01:04:25,819 --> 01:04:23,520

and say they work on satellites and

1791

01:04:28,010 --> 01:04:25,829

tracked them every day and I understand

1792

01:04:30,680 --> 01:04:28,020

how someone like that would think I'm a

1793

01:04:32,720 --> 01:04:30,690

[h__\h] idiot but what are you really

1794

01:04:35,059 --> 01:04:32,730

tracking are you seeing satellites with

1795

01:04:37,099 --> 01:04:35,069

your own eyes are you tracking dots on a

1796

01:04:39,799 --> 01:04:37,109

radar system if I gave you a job

1797

01:04:41,210 --> 01:04:39,809

watching an automated game of pong on a

1798

01:04:43,490 --> 01:04:41,220

screen and told you that that was

1799

01:04:45,079 --> 01:04:43,500

something going on in space and when you

1800

01:04:47,210 --> 01:04:45,089

see a shooting star you're getting a

1801
01:04:49,010 --> 01:04:47,220
short glimpse of the ball going from one

1802
01:04:51,079 --> 01:04:49,020
paddle to the other you know just

1803
01:04:52,640 --> 01:04:51,089
because you see it on a screen doesn't

1804
01:04:54,440 --> 01:04:52,650
mean it's a real thing

1805
01:04:57,470 --> 01:04:54,450
it's not gonna be sufficient evidence

1806
01:04:59,690 --> 01:04:57,480
and you can get stuck in a cycle of

1807
01:05:01,970 --> 01:04:59,700
confirmation bias and taking this to a

1808
01:05:02,510 --> 01:05:01,980
place where no evidence is gonna be good

1809
01:05:04,220 --> 01:05:02,520
enough

1810
01:05:05,750 --> 01:05:04,230
I don't want to be like that of course

1811
01:05:07,880 --> 01:05:05,760
but I don't know why people get so

1812
01:05:10,160 --> 01:05:07,890
emotional about the stuff in this flat

1813
01:05:12,140 --> 01:05:10,170

earth realm and we alternative thinkers

1814

01:05:14,300 --> 01:05:12,150

are already a small group why divide

1815

01:05:17,570 --> 01:05:14,310

ourselves further I get constant emails

1816

01:05:19,880 --> 01:05:17,580

about how listeners love the general THC

1817

01:05:21,560 --> 01:05:19,890

material and wish they had someone to

1818

01:05:23,630 --> 01:05:21,570

talk about these things with in their

1819

01:05:25,670 --> 01:05:23,640

regular life so be nice to the

1820

01:05:28,580 --> 01:05:25,680

flat-earthers they agree with everything

1821

01:05:30,590 --> 01:05:28,590

you do up into a point and that's better

1822

01:05:33,080 --> 01:05:30,600

than nothing a lot of the times right or

1823

01:05:36,800 --> 01:05:33,090

you can join the THC subreddit which

1824

01:05:39,580 --> 01:05:36,810

could use some new posters or if you

1825

01:05:41,690 --> 01:05:39,590

want to go further the THC Plus forums

1826
01:05:44,210 --> 01:05:41,700
where good things do seem to be

1827
01:05:46,070 --> 01:05:44,220
happening but I guess that's it in the

1828
01:05:48,860 --> 01:05:46,080
Plus show we did talk about some great

1829
01:05:50,270 --> 01:05:48,870
stuff how the nearly universal disliking

1830
01:05:53,120 --> 01:05:50,280
of math as part of the indoctrination

1831
01:05:55,700 --> 01:05:53,130
design Martis thoughts on Neil deGrasse

1832
01:05:57,620 --> 01:05:55,710
Tyson we talked about the Arctic and

1833
01:05:59,870 --> 01:05:57,630
Antarctic regions of the Flat Earth one

1834
01:06:02,150 --> 01:05:59,880
of my favorite areas to talk about in

1835
01:06:04,010 --> 01:06:02,160
either paradigm Marty talked about how

1836
01:06:05,570 --> 01:06:04,020
the number seven encodes the Sun and the

1837
01:06:07,400 --> 01:06:05,580
moon and why the government finds it

1838
01:06:10,790 --> 01:06:07,410

necessary to withhold this information

1839

01:06:12,440 --> 01:06:10,800

from schoolchildren and we got into ufos

1840

01:06:14,900 --> 01:06:12,450

and alien abduction which Marty doesn't

1841

01:06:17,360 --> 01:06:14,910

talk about a whole lot but we went there

1842

01:06:19,490 --> 01:06:17,370

and speculated a bit about it and how

1843

01:06:21,500 --> 01:06:19,500

that fits into a flat earth paradigm and

1844

01:06:24,140 --> 01:06:21,510

maybe these beans have been here longer

1845

01:06:26,380 --> 01:06:24,150

than us and live under the ground fun

1846

01:06:29,810 --> 01:06:26,390

stuff this week is no exception

1847

01:06:33,770 --> 01:06:29,820

sign up for Marty leads stay for the

1848

01:06:36,440 --> 01:06:33,780

week after week after week of conspiracy

1849

01:06:38,660 --> 01:06:36,450

goodness so let me leave it there big

1850

01:06:40,490 --> 01:06:38,670

thanks to Marty congrats to him for

1851
01:06:42,620 --> 01:06:40,500
speaking at lightning in a bottle where

1852
01:06:44,300 --> 01:06:42,630
your humble host had slammed his door in

1853
01:06:46,160 --> 01:06:44,310
the face of the universe and said I

1854
01:06:48,440 --> 01:06:46,170
don't want your opportunity for new

1855
01:06:52,730 --> 01:06:48,450
experiences and exciting life milestones

1856
01:06:54,830 --> 01:06:52,740
I'm too comfortable where it's safe so

1857
01:06:57,230 --> 01:06:54,840
be a better man than I and I'll see you

1858
01:06:59,600 --> 01:06:57,240
next week June is gonna kick ass for THD

1859
01:07:01,190 --> 01:06:59,610
listeners sign up for plus if you

1860
01:07:04,310 --> 01:07:01,200
haven't it's the air that I breathe

1861
01:07:06,440 --> 01:07:04,320
people that's it for me this week your

1862
01:07:08,650 --> 01:07:06,450
move masters of manipulation and core

1863
01:07:13,280 --> 01:07:08,660

teeners of the composition conspiracy

1864

01:07:16,280 --> 01:07:13,290

your [h__h] move and here's a little to

1865

01:07:20,240 --> 01:07:16,290

tidge by Marty himself called torture to

1866

01:07:26,610 --> 01:07:24,150

it goes all the same

1867

01:07:29,980 --> 01:07:26,620

play now all breeze sounds with the

1868

01:08:17,660 --> 01:07:32,690

- where's away

1869

01:08:39,039 --> 01:08:20,519

that brings me

1870

01:08:39,049 --> 01:11:00,459

it was great as well

1871

01:11:04,370 --> 01:11:02,810

hey guys thanks for listening to the

1872

01:11:06,709 --> 01:11:04,380

first hour of the higher side chats

1873

01:11:08,779 --> 01:11:06,719

podcast with me Greg Carl wood if you

1874

01:11:11,149 --> 01:11:08,789

don't know there is a second hour to all

1875

01:11:12,859 --> 01:11:11,159

the episodes we do around here generally

1876

01:11:14,569 --> 01:11:12,869

we're able to get a lot deeper into the

1877

01:11:16,580 --> 01:11:14,579

topics and ideas that a guest is about

1878

01:11:19,729 --> 01:11:16,590

so if you enjoyed what you've heard from

1879

01:11:21,919 --> 01:11:19,739

THC for free consider signing up at the

1880

01:11:23,899 --> 01:11:21,929

higher side chats plus com to get the

1881

01:11:26,209 --> 01:11:23,909

second hour of the 5 shows I put

1882

01:11:28,100 --> 01:11:26,219

together each month I never really

1883

01:11:29,839 --> 01:11:28,110

wanted to be a paid subscriber podcast

1884

01:11:31,819 --> 01:11:29,849

but I really hate the idea of spending

1885

01:11:33,919 --> 01:11:31,829

airtime promoting some product that's

1886

01:11:35,569 --> 01:11:33,929

completely unrelated and telling you the

1887

01:11:38,359 --> 01:11:35,579

best way to support the show is to buy

1888

01:11:40,040 --> 01:11:38,369

an audio book or new underwear by mail

1889

01:11:42,589 --> 01:11:40,050

or something crazy like that so instead

1890

01:11:44,180 --> 01:11:42,599

if you like the show double your time

1891

01:11:46,279 --> 01:11:44,190

with it for five bucks a month and let's

1892

01:11:47,930 --> 01:11:46,289

cut out all the other [h__h] it's half the

1893

01:11:49,700 --> 01:11:47,940

price of a movie ticket and you get at

1894

01:11:52,310 --> 01:11:49,710

least an extra five hours of show a

1895

01:11:54,109 --> 01:11:52,320

month collectively it keeps us stable

1896

01:11:55,700 --> 01:11:54,119

and it frees me from wasting your time

1897

01:11:58,279 --> 01:11:55,710

with anything but the show you came to

1898

01:12:00,259 --> 01:11:58,289

listen to it's really the only way for

1899

01:12:02,060 --> 01:12:00,269

an independent one-man show to make it

1900

01:12:04,279 --> 01:12:02,070

and I do what I can so that it's worth

1901

01:12:06,259 --> 01:12:04,289

your while since we started this I've

1902

01:12:08,270 --> 01:12:06,269

always tried to use the subscriptions to

1903

01:12:10,850 --> 01:12:08,280

improve the podcast and make signups

1904

01:12:12,770 --> 01:12:10,860

more advantageous it started with just a

1905

01:12:14,419 --> 01:12:12,780

second hour for the main show but now

1906

01:12:16,489 --> 01:12:14,429

we've got a nice forum going where

1907

01:12:18,200 --> 01:12:16,499

people can get deeper in conversation

1908

01:12:21,109 --> 01:12:18,210

about the episodes with other listeners

1909

01:12:23,330 --> 01:12:21,119

submit a candidate in the guest request

1910

01:12:24,830 --> 01:12:23,340

thread or share their own personal

1911

01:12:27,080 --> 01:12:24,840

projects to get out of the soul-crushing

1912

01:12:29,689 --> 01:12:27,090

nine-to-five cog in the wheel life on

1913

01:12:31,129 --> 01:12:29,699

the entrepreneurs thread the forum in

1914

01:12:33,080 --> 01:12:31,139

the Plus comments they're always the

1915

01:12:35,299 --> 01:12:33,090

first places I try to go for listener

1916

01:12:37,669 --> 01:12:35,309

engagement but it does get harder as the

1917

01:12:39,529 --> 01:12:37,679

show gets more popular because of that

1918

01:12:41,000 --> 01:12:39,539

there's also a direct messaging feature

1919

01:12:43,819 --> 01:12:41,010

that you can use to reach me through the

1920

01:12:45,350 --> 01:12:43,829

plus site also but beyond the forum if

1921

01:12:47,629 --> 01:12:45,360

you like any of the music I've used for

1922

01:12:49,399 --> 01:12:47,639

THC most of it I've hired artists to

1923

01:12:51,680 --> 01:12:49,409

make and I provided all its free

1924

01:12:53,120 --> 01:12:51,690

downloads to plus members too so if you

1925

01:12:55,310 --> 01:12:53,130

like a particular song you've heard

1926

01:12:57,649 --> 01:12:55,320

close the show out recently come get the

1927

01:12:59,689 --> 01:12:57,659

mp3 I should also mention that if you

1928

01:13:02,029 --> 01:12:59,699

don't like the idea of paying \$5

1929

01:13:02,560 --> 01:13:02,039

recurring every month I get that you can

1930

01:13:04,209 --> 01:13:02,570

buy the

1931

01:13:06,550 --> 01:13:04,219

three months six months or a year

1932

01:13:08,290 --> 01:13:06,560

upfront and just be done with it I have

1933

01:13:10,870 --> 01:13:08,300

plenty of listeners who send checks and

1934

01:13:12,910 --> 01:13:10,880

money orders to the PIO box too I try to

1935

01:13:14,319 --> 01:13:12,920

make it as easy for people as I can and

1936

01:13:16,689 --> 01:13:14,329

you can read more about it on the signup

1937

01:13:18,879 --> 01:13:16,699

page also be sure to check out the FAQ

1938

01:13:20,709 --> 01:13:18,889

help page on the plus side if you have

1939

01:13:22,600 --> 01:13:20,719

any questions or concerns about how to

1940

01:13:24,970 --> 01:13:22,610

listen to a password-protected show on

1941

01:13:26,890 --> 01:13:24,980

your devices I've highlighted a lot of

1942

01:13:29,319 --> 01:13:26,900

great solutions and one of those would

1943

01:13:32,020 --> 01:13:29,329

be the iPhone app that just recently hit

1944

01:13:34,180 --> 01:13:32,030

the Apple App Store a super kind and

1945

01:13:36,010 --> 01:13:34,190

talented listener made it for us and you

1946

01:13:38,169 --> 01:13:36,020

can use it to stream or download either

1947

01:13:41,140 --> 01:13:38,179

the free or the plus show if you're on

1948

01:13:42,729 --> 01:13:41,150

Android I'd use pocket casts or podcast

1949

01:13:45,310 --> 01:13:42,739

addict and subscribe to the feed

1950

01:13:48,010 --> 01:13:45,320

manually that way I also try to throw an

1951

01:13:49,990 --> 01:13:48,020

occasional bonus shows or QA shows and

1952

01:13:52,180 --> 01:13:50,000

I've got a few other weird ideas I might

1953

01:13:54,129 --> 01:13:52,190

get to try out soon but I give you all I

1954

01:13:55,810 --> 01:13:54,139

can for five bucks and I hope you'll at

1955

01:13:57,520 --> 01:13:55,820

least give it a shot if you've listened

1956

01:13:59,260 --> 01:13:57,530

to a few free shows and you find them

1957

01:14:01,060 --> 01:13:59,270

unique or valuable I know there's a lot

1958

01:14:03,220 --> 01:14:01,070

of podcasts out there and I'm just one

1959

01:14:05,020 --> 01:14:03,230

of them but if you have any questions

1960

01:14:06,550 --> 01:14:05,030

concerns or comments about any of this

1961

01:14:07,600 --> 01:14:06,560

please get in touch with us at the

1962

01:14:10,780 --> 01:14:07,610

higher side chats

1963

01:14:12,189 --> 01:14:10,790

team at gmail.com I also wanted to plug

1964

01:14:14,109 --> 01:14:12,199

the higher side newsletter I'm going to

1965

01:14:15,669 --> 01:14:14,119

be putting out totally free for anyone

1966

01:14:17,649 --> 01:14:15,679

who wants to sign up at the main

1967

01:14:20,229 --> 01:14:17,659

Internet web site for the show the

1968

01:14:21,790 --> 01:14:20,239

higher side chats comm you can also get

1969

01:14:23,530 --> 01:14:21,800

on that email list through the higher

1970

01:14:24,640 --> 01:14:23,540

side chats Facebook page there's a

1971

01:14:26,319 --> 01:14:24,650

button there as well

1972

01:14:28,899 --> 01:14:26,329

but the reason I'm doing this is because

1973

01:14:31,030 --> 01:14:28,909

I get tons and tons of emails after a

1974

01:14:33,069 --> 01:14:31,040

show goes up asking me about how I feel

1975

01:14:34,750 --> 01:14:33,079

about a particular guest or topic and

1976

01:14:36,700 --> 01:14:34,760

the wrap-up isn't always the best place

1977

01:14:38,740 --> 01:14:36,710

to do that especially if I have anything

1978

01:14:40,600 --> 01:14:38,750

negative to say sometimes the dust needs

1979

01:14:43,089 --> 01:14:40,610

to settle sometimes I need to hear

1980

01:14:44,649 --> 01:14:43,099

feedback from you guys first there are a

1981

01:14:46,270 --> 01:14:44,659

lot of factors but I usually have

1982

01:14:48,729 --> 01:14:46,280

something to communicate to you and I

1983

01:14:50,350 --> 01:14:48,739

just don't get to do it so on the first

1984

01:14:51,939 --> 01:14:50,360

of the month I plan to send out a little

1985

01:14:54,280 --> 01:14:51,949

newsletter with my thoughts about the

1986

01:14:56,169 --> 01:14:54,290

five shows the previous month and talk

1987

01:14:58,330 --> 01:14:56,179

to you about anything else that's on my

1988

01:15:00,129 --> 01:14:58,340

mind or that's going on and what's

1989

01:15:01,899 --> 01:15:00,139

probably most enticing is that I'm gonna

1990

01:15:03,850 --> 01:15:01,909

give you some insight into at least one

1991

01:15:05,859 --> 01:15:03,860

guest I have coming up in the month

1992

01:15:07,870 --> 01:15:05,869

which people have been begging for some

1993

01:15:09,910 --> 01:15:07,880

posted schedule for a long time I

1994

01:15:11,500 --> 01:15:09,920

personally think I'd like the surprise

1995

01:15:13,540 --> 01:15:11,510

but sign up for the higher side

1996

01:15:15,010 --> 01:15:13,550

newsletter it's free it comes out on the

1997

01:15:15,890 --> 01:15:15,020

1st of the month and I won't waste your

1998

01:15:18,320 --> 01:15:15,900

time with an

1999

01:15:20,419 --> 01:15:18,330

other emails and that's it I appreciate

2000

01:15:22,610 --> 01:15:20,429

you listening I try to give alternative

2001

01:15:24,970 --> 01:15:22,620

ideas and guess a fair shake on a high

2002

01:15:27,590 --> 01:15:24,980

quality podcast expose some deep level

2003

01:15:29,479 --> 01:15:27,600

conspiracies without the yelling and I

2004

01:15:31,580 --> 01:15:29,489

hope to offer some inspiration that even

2005

01:15:33,140 --> 01:15:31,590

though the system relentlessly suggests

2006

01:15:35,600 --> 01:15:33,150

you should follow their blueprint to

2007

01:15:37,790 --> 01:15:35,610

mediocrity you can do your own thing and

2008

01:15:39,890 --> 01:15:37,800

live a much happier life despite all the
