

1  
00:00:09,560 --> 00:00:06,530  
the plaintiff thought the masters almost

2  
00:00:13,160 --> 00:00:09,570  
surely have a plan this clearly maybe

3  
00:00:16,730 --> 00:00:13,170  
something there beyond the realm of man

4  
00:00:19,859 --> 00:00:16,740  
thoroughly tested every last question

5  
00:00:42,430 --> 00:00:19,869  
and the more you think you know the less

6  
00:00:46,639 --> 00:00:44,990  
folks we know deception crimes and

7  
00:00:48,590 --> 00:00:46,649  
cover-ups are instrumental to the way

8  
00:00:51,080 --> 00:00:48,600  
the power elite does things from staging

9  
00:00:52,510 --> 00:00:51,090  
coos overthrowing leaders creating false

10  
00:00:55,100 --> 00:00:52,520  
flags and carrying out assassinations

11  
00:00:56,930 --> 00:00:55,110  
they stop at nothing and spare no

12  
00:00:59,090 --> 00:00:56,940  
expense when it comes to advancing their

13  
00:01:01,160 --> 00:00:59,100

hidden agenda securing their wealth and

14

00:01:03,049 --> 00:01:01,170

power and deceiving the masses from

15

00:01:04,670 --> 00:01:03,059

these realities however out of

16

00:01:06,350 --> 00:01:04,680

everything they've done nothing has

17

00:01:08,780 --> 00:01:06,360

helped people see the light better than

18

00:01:10,730 --> 00:01:08,790

the very public assassination of JFK and

19

00:01:13,160 --> 00:01:10,740

the sideshow circus that resulted in the

20

00:01:15,020 --> 00:01:13,170

aftermath dare I call it the gateway

21

00:01:16,730 --> 00:01:15,030

conspiracy for most of the American

22

00:01:18,320 --> 00:01:16,740

people and those wise enough have been

23

00:01:20,480 --> 00:01:18,330

looking at events with a skeptical eye

24

00:01:22,639 --> 00:01:20,490

ever since and be that as it may

25

00:01:24,440 --> 00:01:22,649

few people realize the real depth of

26  
00:01:26,359 --> 00:01:24,450  
this saga what Lee Harvey Oswald was

27  
00:01:28,279 --> 00:01:26,369  
really doing and how this related to a

28  
00:01:29,540 --> 00:01:28,289  
cancer-causing monkey virus that has

29  
00:01:31,580 --> 00:01:29,550  
been administered to millions of

30  
00:01:33,620 --> 00:01:31,590  
Americans under the guise of a vaccine

31  
00:01:35,240 --> 00:01:33,630  
making the death of a president in

32  
00:01:37,850 --> 00:01:35,250  
Dallas really just the tip of the

33  
00:01:39,469 --> 00:01:37,860  
iceberg well lucky for us after decades

34  
00:01:41,270 --> 00:01:39,479  
of having to bite her tongue Judith

35  
00:01:43,010 --> 00:01:41,280  
Barry Baker has come forward to share

36  
00:01:44,960 --> 00:01:43,020  
her story of being intimately involved

37  
00:01:47,120 --> 00:01:44,970  
with Lee Harvey Oswald as well as a

38  
00:01:49,520 --> 00:01:47,130

secret operation to weaponize cancer

39

00:01:51,950 --> 00:01:49,530

which he details in her two books me and

40

00:01:54,499 --> 00:01:51,960

Lee how I came to know love and lose Lee

41

00:01:56,390 --> 00:01:54,509

Harvey Oswald and David Ferrie mafia

42

00:01:58,429 --> 00:01:56,400

pilot participant an anti-castro

43

00:02:00,649 --> 00:01:58,439

bioweapon plot friend of Lee Harvey

44

00:02:03,679 --> 00:02:00,659

Oswald and key to the JFK assassination

45

00:02:05,510 --> 00:02:03,689

I commend her bravery and breaking the

46

00:02:07,460 --> 00:02:05,520

silence I'm very happy to have her here

47

00:02:09,889 --> 00:02:07,470

Judith Barry Baker welcome to the higher

48

00:02:12,500 --> 00:02:09,899

side well I'm happy to be here thank you

49

00:02:14,449 --> 00:02:12,510

very much well this is a serious treat

50

00:02:16,250 --> 00:02:14,459

for me it's very surreal to talk to

51  
00:02:18,350 --> 00:02:16,260  
someone who has such intimate knowledge

52  
00:02:20,750 --> 00:02:18,360  
of these people and events and was very

53  
00:02:22,490 --> 00:02:20,760  
much involved firsthand and for people

54  
00:02:24,350 --> 00:02:22,500  
who might be unfamiliar I know you've

55  
00:02:25,970 --> 00:02:24,360  
talked about this story quite a bit in

56  
00:02:27,259 --> 00:02:25,980  
recent years but tell us about how you

57  
00:02:28,910 --> 00:02:27,269  
got involved with this cancer

58  
00:02:31,300 --> 00:02:28,920  
weaponization project which of course

59  
00:02:34,039 --> 00:02:31,310  
brought you to Lee Harvey Oswald as well

60  
00:02:35,569 --> 00:02:34,049  
okay and also I'm hoping that when

61  
00:02:38,090 --> 00:02:35,579  
people read the book is David Ferrie

62  
00:02:39,680 --> 00:02:38,100  
mafia pilot briefly wanted to say that a

63  
00:02:40,789 --> 00:02:39,690

lot of people thought that David Ferrie

64

00:02:43,430 --> 00:02:40,799

hated Kennedy

65

00:02:46,340 --> 00:02:43,440

I just wanted to in case we don't get

66

00:02:48,199 --> 00:02:46,350

back to it he actually did express

67

00:02:50,330 --> 00:02:48,209

hatred for Kennedy and the fact that he

68

00:02:52,089 --> 00:02:50,340

said Kennedy ought to be shot at a

69

00:02:54,710 --> 00:02:52,099

particular meeting of retired military

70

00:02:55,570 --> 00:02:54,720

officers in New Orleans right after the

71

00:02:58,360 --> 00:02:55,580

Bay of Pigs

72

00:03:01,240 --> 00:02:58,370

well they made a bit off the stage but

73

00:03:03,699 --> 00:03:01,250

as a matter of fact he actually changed

74

00:03:05,230 --> 00:03:03,709

his mind later but these men surrounded

75

00:03:07,600 --> 00:03:05,240

him and said you know what we feel the

76

00:03:10,120 --> 00:03:07,610

same way and you're a talented pilot

77

00:03:12,660 --> 00:03:10,130

you're going on from here to all these

78

00:03:15,220 --> 00:03:12,670

Texas cities and you can courier

79

00:03:18,160 --> 00:03:15,230

information for us faster than the US

80

00:03:20,350 --> 00:03:18,170

Mail you know you're he's trained pilots

81

00:03:22,690 --> 00:03:20,360

for you know anti-castro we trust you

82

00:03:25,300 --> 00:03:22,700

and then see David Ferrie change his

83

00:03:27,400 --> 00:03:25,310

mind you found out who was really

84

00:03:30,790 --> 00:03:27,410

responsible for the fiasco of the date

85

00:03:33,910 --> 00:03:30,800

Bay of Pigs and he realized that it

86

00:03:35,830 --> 00:03:33,920

wasn't Kennedy hmm and now he was in a

87

00:03:37,570 --> 00:03:35,840

position where he didn't dare say hey I

88

00:03:39,910 --> 00:03:37,580

changed my mind I like Kennedy is they

89

00:03:41,949 --> 00:03:39,920

talking about how to kill him right this

90

00:03:44,500 --> 00:03:41,959

is one of the ways that Lee Oswald was

91

00:03:47,199 --> 00:03:44,510

able to get information and that that's

92

00:03:49,390 --> 00:03:47,209

why he it helped him to penetrate so

93

00:03:51,729 --> 00:03:49,400

you'll find over 500 pages in the book

94

00:03:53,080 --> 00:03:51,739

David Ferrie mafia pilot it's the only

95

00:03:55,000 --> 00:03:53,090

book ever been written about David

96

00:03:57,190 --> 00:03:55,010

Ferrie of course for people out there

97

00:03:59,310 --> 00:03:57,200

who don't know who he might be Joe Pesci

98

00:04:02,729 --> 00:03:59,320

played that character in the film JFK

99

00:04:06,250 --> 00:04:02,739

and he is the first murder that you see

100

00:04:06,699 --> 00:04:06,260

in in that film so I just wanted to say

101  
00:04:10,240 --> 00:04:06,709  
that

102  
00:04:13,630 --> 00:04:10,250  
Lee Oswald knew him yeah I met Lee by

103  
00:04:15,759 --> 00:04:13,640  
accident it seemed that way actually we

104  
00:04:18,190 --> 00:04:15,769  
know now that it had to have been set up

105  
00:04:21,699 --> 00:04:18,200  
because they knew I was going to the

106  
00:04:25,240 --> 00:04:21,709  
post office all that I was invited to

107  
00:04:28,300 --> 00:04:25,250  
participate in a cancer research project

108  
00:04:30,760 --> 00:04:28,310  
with dr. Mary Sherman Merritt dr. Barry

109  
00:04:32,590 --> 00:04:30,770  
Sherman is famous today for different

110  
00:04:35,350 --> 00:04:32,600  
reasons than she was back then she was a

111  
00:04:37,930 --> 00:04:35,360  
famed oncologist and cancer researcher

112  
00:04:40,960 --> 00:04:37,940  
your papers were always being quoted she

113  
00:04:42,790 --> 00:04:40,970

was someone that I just admired so much

114

00:04:45,580 --> 00:04:42,800

and she was working with dr. Alton

115

00:04:47,140 --> 00:04:45,590

Ochsner in New Orleans and actually I've

116

00:04:49,029 --> 00:04:47,150

been overseeing when I was doing for

117

00:04:51,640 --> 00:04:49,039

quite a while we have all the newspaper

118

00:04:54,790 --> 00:04:51,650

articles and everything showing up the

119

00:04:57,700 --> 00:04:54,800

group of dr. Alton Ochsner dr. George

120

00:04:59,890 --> 00:04:57,710

Moore and dr. Harold deal they went

121

00:05:02,830 --> 00:04:59,900

around testifying about the dangers of

122

00:05:05,020 --> 00:05:02,840

cancer if people smoked and they went -

123

00:05:08,110 --> 00:05:05,030

together - trials and all that and they

124

00:05:08,920 --> 00:05:08,120

met me and mentored me because I've

125

00:05:11,469 --> 00:05:08,930

given my

126

00:05:13,719 --> 00:05:11,479

cancer in only seven days you can read

127

00:05:16,570 --> 00:05:13,729

about all the details of that in the

128

00:05:19,150 --> 00:05:16,580

book me and Lee mm-hmm okay so here I

129

00:05:21,820 --> 00:05:19,160

was you know invited to New Orleans and

130

00:05:23,439 --> 00:05:21,830

I was so excited but I was invited two

131

00:05:25,960 --> 00:05:23,449

weeks early and my doctors were out of

132

00:05:27,879 --> 00:05:25,970

town briefly when I got there they

133

00:05:29,529 --> 00:05:27,889

weren't there and I had nowhere to go I

134

00:05:31,900 --> 00:05:29,539

didn't want to go back to my parents if

135

00:05:34,330 --> 00:05:31,910

you read the book you'll see why but

136

00:05:36,760 --> 00:05:34,340

here there are special reasons why I was

137

00:05:39,400 --> 00:05:36,770

invited I was invited because for

138

00:05:41,770 --> 00:05:39,410

example I had worked in dr. Georges wars

139

00:05:44,140 --> 00:05:41,780

own private laboratory at Roswell Park

140

00:05:48,219 --> 00:05:44,150

Institute and also went to seminars

141

00:05:50,560 --> 00:05:48,229

there that were run by dr. Moran but the

142

00:05:52,629 --> 00:05:50,570

main thing I was working with first I

143

00:05:54,129 --> 00:05:52,639

was working with dr. more what's

144

00:05:57,670 --> 00:05:54,139

important about this is there's a

145

00:06:01,060 --> 00:05:57,680

formula called the RPM i 1640 and is

146

00:06:03,310 --> 00:06:01,070

still used today this formula was being

147

00:06:04,570 --> 00:06:03,320

created at the time I was there and

148

00:06:08,110 --> 00:06:04,580

would come out a few years later

149

00:06:10,480 --> 00:06:08,120

perfected but I had the formula to grow

150

00:06:12,339 --> 00:06:10,490

cancer faster than anybody in the

151  
00:06:16,150 --> 00:06:12,349  
newspapers you'll see that I was given

152  
00:06:18,219 --> 00:06:16,160  
the read a order actually to start

153  
00:06:20,710 --> 00:06:18,229  
researching on how to make cancer more

154  
00:06:22,990 --> 00:06:20,720  
deadly and the excuse they gave me was

155  
00:06:24,279 --> 00:06:23,000  
that after all if we can find out what

156  
00:06:26,649 --> 00:06:24,289  
makes it grow that will give us an idea

157  
00:06:29,110 --> 00:06:26,659  
of how to kill it you see that's the

158  
00:06:32,710 --> 00:06:29,120  
approach they use actually they were in

159  
00:06:36,670 --> 00:06:32,720  
a process it started on March 23rd 1962

160  
00:06:38,649 --> 00:06:36,680  
to weaponize cancer because they CIA

161  
00:06:41,200 --> 00:06:38,659  
tried all kinds of ways to kill Fidel

162  
00:06:42,580 --> 00:06:41,210  
Castro and they had not succeeded they

163  
00:06:45,159 --> 00:06:42,590

didn't want the United States to be

164

00:06:47,490 --> 00:06:45,169

blamed here he smoked cigars like a

165

00:06:50,020 --> 00:06:47,500

maniac you know one after the other and

166

00:06:52,180 --> 00:06:50,030

being sent to New Orleans in out of

167

00:06:54,879 --> 00:06:52,190

Florida and out of sight out of mind you

168

00:06:57,189 --> 00:06:54,889

might say I was practically untraceable

169

00:07:00,250 --> 00:06:57,199

in fact while I was in New Orleans I was

170

00:07:02,860 --> 00:07:00,260

Judy Baker I mean to t very but I

171

00:07:04,839 --> 00:07:02,870

married Robert Baker while I was there

172

00:07:07,870 --> 00:07:04,849

when I was kicked out of that program

173

00:07:09,219 --> 00:07:07,880

for protesting for the use of prisoners

174

00:07:11,409 --> 00:07:09,229

they were going to be injected as

175

00:07:13,360 --> 00:07:11,419

volunteers with this material that had

176

00:07:15,850 --> 00:07:13,370

been developed if it worked it would

177

00:07:17,800 --> 00:07:15,860

kill them and I've been told originally

178

00:07:20,050 --> 00:07:17,810

they had terminal illnesses turned out

179

00:07:22,870 --> 00:07:20,060

they were perfectly healthy hmm they

180

00:07:26,080 --> 00:07:22,880

resembled Castro in size height

181

00:07:28,090 --> 00:07:26,090

genetic characteristics at least one of

182

00:07:29,470 --> 00:07:28,100

them did I saw one prisoner lease on

183

00:07:32,500 --> 00:07:29,480

another so we know there had to be at

184

00:07:35,740 --> 00:07:32,510

least 2 so that's background on that now

185

00:07:38,230 --> 00:07:35,750

I arrived in New Orleans and expect I

186

00:07:40,480 --> 00:07:38,240

think to be working with dr. Sherman so

187

00:07:42,240 --> 00:07:40,490

excited and there on South America I

188

00:07:44,260 --> 00:07:42,250

think came two weeks early because

189

00:07:46,090 --> 00:07:44,270

University of Florida got out on

190

00:07:49,690 --> 00:07:46,100

schedule different it was trimester

191

00:07:51,870 --> 00:07:49,700

cysts kejal hmm so there i am and i io

192

00:07:54,880 --> 00:07:51,880

a-- had \$42 that's equivalent to about

193

00:07:56,350 --> 00:07:54,890

\$400 today that's not an awful lot if

194

00:07:58,240 --> 00:07:56,360

you're don't know where you're going and

195

00:08:02,350 --> 00:07:58,250

there's and they don't want you nobody's

196

00:08:04,870 --> 00:08:02,360

paying your way i know yeah it was scary

197

00:08:06,790 --> 00:08:04,880

so at the YWCA they say i'm sorry you're

198

00:08:07,780 --> 00:08:06,800

not on the record yet i said but you

199

00:08:10,060 --> 00:08:07,790

know i was invited

200

00:08:12,150 --> 00:08:10,070

here's my ticket you know the doctor had

201  
00:08:14,650 --> 00:08:12,160  
paid for my ticket to get to New Orleans

202  
00:08:17,620 --> 00:08:14,660  
well you have to wait till they get back

203  
00:08:19,810 --> 00:08:17,630  
sorry lady you know mm-hmm there's

204  
00:08:22,600 --> 00:08:19,820  
nothing there for me and oh my gosh well

205  
00:08:25,450 --> 00:08:22,610  
I decided I paid the least I couldn't

206  
00:08:27,580 --> 00:08:25,460  
and moved in to one of the room that

207  
00:08:31,870 --> 00:08:27,590  
already had four girls in it there to

208  
00:08:34,570 --> 00:08:31,880  
'extra purrs and a Playboy bunny and a

209  
00:08:36,760 --> 00:08:34,580  
tough waitress okay and they're all

210  
00:08:38,800 --> 00:08:36,770  
young girls but they're already getting

211  
00:08:41,200 --> 00:08:38,810  
kind of brassy and tough because of what

212  
00:08:42,760 --> 00:08:41,210  
they were doing and I had to pay one of

213  
00:08:45,220 --> 00:08:42,770

them 25 cents a day so she wouldn't

214

00:08:47,440 --> 00:08:45,230

steal my stuff that she was guarding it

215

00:08:49,180 --> 00:08:47,450

you know okay yeah you know so nobody

216

00:08:51,820 --> 00:08:49,190

would steal a little stripper mob going

217

00:08:54,490 --> 00:08:51,830

on right all right so they were taking

218

00:08:57,580 --> 00:08:54,500

me around I saw strip joints and I I

219

00:08:59,590 --> 00:08:57,590

went to this show bar and in the back

220

00:09:00,820 --> 00:08:59,600

rooms and watch the girls put pasties on

221

00:09:02,650 --> 00:09:00,830

these are things that we're really

222

00:09:04,840 --> 00:09:02,660

different from what the experience I'd

223

00:09:06,430 --> 00:09:04,850

have in human body which was testing for

224

00:09:09,880 --> 00:09:06,440

cancer and things like that

225

00:09:11,710 --> 00:09:09,890

mm-hmm so um it was shocking and here

226

00:09:13,090 --> 00:09:11,720

I'm waiting for my fiance to come I

227

00:09:15,910 --> 00:09:13,100

didn't want to tell him what I was doing

228

00:09:18,640 --> 00:09:15,920

because I was afraid if he knew I was

229

00:09:21,280 --> 00:09:18,650

offered a job not only this job for the

230

00:09:24,100 --> 00:09:21,290

summer which was I got a stipend for it

231

00:09:25,930 --> 00:09:24,110

and all expenses paid and so on but in

232

00:09:28,360 --> 00:09:25,940

the fall I would read it I would be able

233

00:09:31,720 --> 00:09:28,370

to enter Tulane Medical School two years

234

00:09:34,720 --> 00:09:31,730

at a time I was in a word of Robert

235

00:09:35,890 --> 00:09:34,730

Baker he had an IQ of 186 I think that

236

00:09:38,440 --> 00:09:35,900

was where fast

237

00:09:41,079 --> 00:09:38,450

with that than anything else in fact he

238

00:09:42,870 --> 00:09:41,089

was fairly good-looking he guy to and

239

00:09:46,420 --> 00:09:42,880

could play a good game of chess and I

240

00:09:48,430 --> 00:09:46,430

mistook sex for love people do that he

241

00:09:51,370 --> 00:09:48,440

was so different with Lee Oswald and

242

00:09:54,579 --> 00:09:51,380

that that was real love anyway there I

243

00:09:56,769 --> 00:09:54,589

am in New Orleans and Robert said he'd

244

00:09:57,490 --> 00:09:56,779

come and marry me and he didn't ask me

245

00:09:59,890 --> 00:09:57,500

so I'm coming

246

00:10:01,930 --> 00:09:59,900

but first I have to clear with my folks

247

00:10:03,460 --> 00:10:01,940

well he hadn't planned to go into New

248

00:10:05,380 --> 00:10:03,470

Orleans so it took him a while to get

249

00:10:08,440 --> 00:10:05,390

there but I told him I was going to stay

250

00:10:10,300 --> 00:10:08,450

there all summer and I didn't want to

251  
00:10:11,769 --> 00:10:10,310  
tell him everything because I was afraid

252  
00:10:13,900 --> 00:10:11,779  
he wouldn't marry me he still had

253  
00:10:17,050 --> 00:10:13,910  
another semester to go at University of

254  
00:10:19,870 --> 00:10:17,060  
Florida and he had switched to geology

255  
00:10:21,760 --> 00:10:19,880  
so I said look come to New Orleans come

256  
00:10:23,410 --> 00:10:21,770  
on follow me here you can get a job here

257  
00:10:24,460 --> 00:10:23,420  
there are a lot of oil companies you

258  
00:10:27,250 --> 00:10:24,470  
know and so on

259  
00:10:29,800 --> 00:10:27,260  
check out the schools would be wonderful

260  
00:10:32,829 --> 00:10:29,810  
for you to you know get your masters

261  
00:10:35,500 --> 00:10:32,839  
here in geology so I convinced him to

262  
00:10:37,960 --> 00:10:35,510  
come well he course he was delayed

263  
00:10:39,820 --> 00:10:37,970

because his parents had no idea and he

264

00:10:42,130 --> 00:10:39,830

didn't want to tell them about me

265

00:10:43,210 --> 00:10:42,140

because I was came from a Catholic

266

00:10:45,040 --> 00:10:43,220

family

267

00:10:47,949 --> 00:10:45,050

I had a Hungarian blood in me and they

268

00:10:51,070 --> 00:10:47,959

were very white and I was well his

269

00:10:54,130 --> 00:10:51,080

mother said I was swarthy had swarthy

270

00:10:57,550 --> 00:10:54,140

skin you know yeah you know and even

271

00:10:59,440 --> 00:10:57,560

like blue eyes you know this way yeah

272

00:11:01,510 --> 00:10:59,450

she said look she can eat doesn't even

273

00:11:04,750 --> 00:11:01,520

have to wear nylons her skin is so

274

00:11:07,960 --> 00:11:04,760

swarthy dark she could have said can do

275

00:11:10,930 --> 00:11:07,970

you know how rude yeah oh my goodness

276

00:11:12,760 --> 00:11:10,940

that woman to say so many things to me

277

00:11:14,050 --> 00:11:12,770

when the others weren't around well

278

00:11:16,600 --> 00:11:14,060

anyway you can read about it in the book

279

00:11:18,070 --> 00:11:16,610

and so he didn't want that his parents

280

00:11:20,560 --> 00:11:18,080

didn't know anything about it so I I

281

00:11:22,870 --> 00:11:20,570

even wrote it was only allowed to write

282

00:11:24,190 --> 00:11:22,880

one letter to him and I also put an ad

283

00:11:28,510 --> 00:11:24,200

in the paper because he was afraid to

284

00:11:30,850 --> 00:11:28,520

call all this fear you know well so I

285

00:11:32,440 --> 00:11:30,860

was going to the post office all the

286

00:11:34,480 --> 00:11:32,450

time to see because he promised to write

287

00:11:38,050 --> 00:11:34,490

every day well dadgum it he didn't do

288

00:11:39,490 --> 00:11:38,060

that and I was angry and like three or

289

00:11:42,760 --> 00:11:39,500

four days had gone by and he said he

290

00:11:45,940 --> 00:11:42,770

write every single day I mean no just no

291

00:11:47,920 --> 00:11:45,950

letter so obviously people could see

292

00:11:49,630 --> 00:11:47,930

that I was visiting there every day I

293

00:11:52,540 --> 00:11:49,640

had gotten a part-time job

294

00:11:55,780 --> 00:11:52,550

at royal castle which is a long bus ride

295

00:11:58,660 --> 00:11:55,790

way out an airline drive in kenner

296

00:12:00,519 --> 00:11:58,670

but the waitress was leaving that job

297

00:12:02,290 --> 00:12:00,529

and they took me on part time in the

298

00:12:04,120 --> 00:12:02,300

morning until they could find somebody

299

00:12:06,100 --> 00:12:04,130

for full-time you know and I'd of course

300

00:12:08,440 --> 00:12:06,110

wouldn't want to stay I mean it's hard

301  
00:12:11,440 --> 00:12:08,450  
to get income anyway it was enough to

302  
00:12:13,449 --> 00:12:11,450  
help pay my bill at the YWCA this is

303  
00:12:17,019 --> 00:12:13,459  
important because it looked very strange

304  
00:12:18,970 --> 00:12:17,029  
at Lee Oswald now Lee did come and to

305  
00:12:22,660 --> 00:12:18,980  
the post office and I thought it was all

306  
00:12:25,180 --> 00:12:22,670  
an accident he actually actually they

307  
00:12:26,800 --> 00:12:25,190  
must have known Lee said later he would

308  
00:12:29,920 --> 00:12:26,810  
tell me that he actually arrives a day

309  
00:12:32,440 --> 00:12:29,930  
before now I'm standing in line here

310  
00:12:35,019 --> 00:12:32,450  
I've started I write this one letter and

311  
00:12:38,350 --> 00:12:35,029  
I put an envelope and I mark it on there

312  
00:12:40,630 --> 00:12:38,360  
that is from it says our Roark you know

313  
00:12:42,940 --> 00:12:40,640

well he told me Robert told me to put

314

00:12:46,030 --> 00:12:42,950

this prints may have the male name on

315

00:12:50,530 --> 00:12:46,040

there Roark and it was set to rob our a

316

00:12:52,060 --> 00:12:50,540

baker okay Robert a baker at Eglin Air

317

00:12:56,290 --> 00:12:52,070

Force Base where his parents were

318

00:12:59,019 --> 00:12:56,300

actually erecting some housing for you

319

00:13:00,880 --> 00:12:59,029

know for the military out there so they

320

00:13:03,939 --> 00:13:00,890

were getting their mail out there Oh

321

00:13:06,939 --> 00:13:03,949

Fort Lee Oswald looking at this he told

322

00:13:10,720 --> 00:13:06,949

me later he saw an envelope it looked

323

00:13:12,880 --> 00:13:10,730

like it said our eighth birthday the--

324

00:13:14,889 --> 00:13:12,890

the cursive our I wrote looks a lot like

325

00:13:18,340 --> 00:13:14,899

an A and the Roark

326

00:13:21,790 --> 00:13:18,350

he knew Alexander Rourke and Jeffrey

327

00:13:25,210 --> 00:13:21,800

Sullivan the CIA associated pilots and

328

00:13:29,259 --> 00:13:25,220

he he had recently later he would tell

329

00:13:32,259 --> 00:13:29,269

me he recently met work Alex Roark Alex

330

00:13:34,780 --> 00:13:32,269

would be the pilot and do would try to

331

00:13:37,060 --> 00:13:34,790

get me to pick me up and the day that

332

00:13:41,319 --> 00:13:37,070

Lee Oswald actually crossed over into

333

00:13:43,269 --> 00:13:41,329

Mexico okay hey at Laredo there I was

334

00:13:45,100 --> 00:13:43,279

supposed to get on a plane that was

335

00:13:48,250 --> 00:13:45,110

going to be flown I was going to be

336

00:13:51,790 --> 00:13:48,260

flown in by work and Sullivan that plane

337

00:13:53,519 --> 00:13:51,800

was shot down that day and they've gone

338

00:13:56,620 --> 00:13:53,529

missing they've been missing ever since

339

00:13:58,540 --> 00:13:56,630

it's it was a frightening thing because

340

00:14:01,720 --> 00:13:58,550

we suspected that this was no accident

341

00:14:03,369 --> 00:14:01,730

that Cubans shot them down but maybe you

342

00:14:06,189 --> 00:14:03,379

know an attempt to make sure

343

00:14:08,409 --> 00:14:06,199

that he Lee and I would never be able to

344

00:14:11,439 --> 00:14:08,419

get away they were setting up there in

345

00:14:13,029 --> 00:14:11,449

Mexico City all kinds of ways to frame

346

00:14:16,269 --> 00:14:13,039

Lee Oswald and I would have been an

347

00:14:18,400 --> 00:14:16,279

impediment to that because we met and we

348

00:14:19,960 --> 00:14:18,410

were going to try to get out of there we

349

00:14:23,289 --> 00:14:19,970

were going to go to the Cayman Islands

350

00:14:25,869 --> 00:14:23,299

and everything Lee left his in fact he

351

00:14:28,359 --> 00:14:25,879

left his suit you can see in pictures

352

00:14:30,669 --> 00:14:28,369

Lee in his suit that he had from the

353

00:14:34,089 --> 00:14:30,679

Soviet Union a dark suit that he wore

354

00:14:37,239 --> 00:14:34,099

for interviews on August no right after

355

00:14:39,729 --> 00:14:37,249

August 9th around August 1517 somewhere

356

00:14:41,739 --> 00:14:39,739

in there because he looked very nice

357

00:14:44,409 --> 00:14:41,749

that suit is missing from all the

358

00:14:46,329 --> 00:14:44,419

collections of his personal items Leigha

359

00:14:48,759 --> 00:14:46,339

actually left a suit and a lot of his

360

00:14:51,129 --> 00:14:48,769

nice clothes in a locker in Laredo and

361

00:14:53,469 --> 00:14:51,139

we have of course a record that the FBI

362

00:14:55,960 --> 00:14:53,479

we searched the lockers the bus lockers

363

00:14:58,210 --> 00:14:55,970

and so on in Laredo we also have a

364

00:15:00,399 --> 00:14:58,220

record that they searched the safety

365

00:15:03,189 --> 00:15:00,409

deposit boxes in the two banks in Laredo

366

00:15:06,069 --> 00:15:03,199

so I rent went recently to Laredo and

367

00:15:07,419 --> 00:15:06,079

showed them other records so Lee had

368

00:15:09,849 --> 00:15:07,429

someone there and actually picked him up

369

00:15:12,279 --> 00:15:09,859

Lee did not write a bus back across over

370

00:15:14,199 --> 00:15:12,289

the border they nobody ever saw him do

371

00:15:16,269 --> 00:15:14,209

it they tried to assume that they always

372

00:15:18,069 --> 00:15:16,279

tried to say he's a lone nut but Lee was

373

00:15:21,549 --> 00:15:18,079

associated with others who were with the

374

00:15:23,229 --> 00:15:21,559

CIA and so on all right I'm giving you

375

00:15:25,659 --> 00:15:23,239

the background information because least

376

00:15:28,210 --> 00:15:25,669

looking at this our Roarke and thinks

377

00:15:31,599 --> 00:15:28,220

it's an aid work and it's to Robert a

378

00:15:34,659 --> 00:15:31,609

baker at Eglin Air Force Base and that's

379

00:15:36,969 --> 00:15:34,669

where it turned out that you have an FBI

380

00:15:39,609 --> 00:15:36,979

agent that Lee knew his name was Robert

381

00:15:41,769 --> 00:15:39,619

a baker hmm so you've got Roark and

382

00:15:44,049 --> 00:15:41,779

Baker on the same envelope I'm handing

383

00:15:46,599 --> 00:15:44,059

it over looks like I'm a courier of some

384

00:15:48,579 --> 00:15:46,609

kind right that's what Lee thought hmm

385

00:15:50,919 --> 00:15:48,589

then when he finds out later we're

386

00:15:53,710 --> 00:15:50,929

walking along that I was worked at royal

387

00:15:56,529 --> 00:15:53,720

castle that royal castle out there on

388

00:15:59,799 --> 00:15:56,539

airline was just a few blocks from Town

389

00:16:02,379 --> 00:15:59,809

and Country Inn Bobby Kennedy's team was

390

00:16:05,409 --> 00:16:02,389

out there doing surveillance 24 hours a

391

00:16:08,349 --> 00:16:05,419

day using that Royal Castle every day

392

00:16:10,359 --> 00:16:08,359

and all night watching the comings and

393

00:16:13,329 --> 00:16:10,369

goings because that's where carlos

394

00:16:15,279 --> 00:16:13,339

marcello the kingpin of the mafia that

395

00:16:17,500 --> 00:16:15,289

bobby kennedy hated and he of course

396

00:16:19,930 --> 00:16:17,510

marcelo hated kennedy that's

397

00:16:21,910 --> 00:16:19,940

where he was located and here I'm going

398

00:16:24,370 --> 00:16:21,920

out there for only a couple hours every

399

00:16:25,990 --> 00:16:24,380

morning early in the morning and I go

400

00:16:28,150 --> 00:16:26,000

back I mean all the way into New Orleans

401  
00:16:30,100 --> 00:16:28,160  
nobody in their right mind would just

402  
00:16:31,930 --> 00:16:30,110  
work a couple hours at least said you

403  
00:16:33,970 --> 00:16:31,940  
know he's saying why would she be out

404  
00:16:36,250 --> 00:16:33,980  
there just a couple of hours and then

405  
00:16:38,590 --> 00:16:36,260  
leave she may be she's currying he

406  
00:16:40,990 --> 00:16:38,600  
thought aha she's got a courage B curry

407  
00:16:42,940 --> 00:16:41,000  
your job you know just like this Alex

408  
00:16:45,550 --> 00:16:42,950  
work thing that's obviously that wasn't

409  
00:16:47,560 --> 00:16:45,560  
me and I'd put that on the unload on top

410  
00:16:50,440 --> 00:16:47,570  
of that I had put this and the paper and

411  
00:16:52,540 --> 00:16:50,450  
I had carried it under my arm around

412  
00:16:54,160 --> 00:16:52,550  
with me for several days because and I

413  
00:16:56,860 --> 00:16:54,170

just had circled it and I kissed it with

414

00:16:58,720 --> 00:16:56,870

lipstick and it was in code Robert said

415

00:17:00,220 --> 00:16:58,730

put something in the paper so I know you

416

00:17:02,380 --> 00:17:00,230

got there if I use the phone they'll

417

00:17:03,760 --> 00:17:02,390

know I made a long-distance call to New

418

00:17:07,240 --> 00:17:03,770

Orleans you know and he didn't want that

419

00:17:10,780 --> 00:17:07,250

and so I put to Jah Rio and pretty hair

420

00:17:13,689 --> 00:17:10,790

and you know and right and all that well

421

00:17:15,730 --> 00:17:13,699

when I put that envelope on the counter

422

00:17:18,310 --> 00:17:15,740

I dropped I dropped the rolled-up

423

00:17:21,340 --> 00:17:18,320

newspaper and Lee's standing behind me

424

00:17:23,470 --> 00:17:21,350

he picks it up now I'm Eric ated because

425

00:17:24,850 --> 00:17:23,480

Robert Baker he hadn't written and I'm

426

00:17:27,790 --> 00:17:24,860

not married to him yet

427

00:17:30,490 --> 00:17:27,800

I'm still a free woman and I look at

428

00:17:32,290 --> 00:17:30,500

this nice-looking guy behind me hands me

429

00:17:34,810 --> 00:17:32,300

the newspaper and I thought I'm gonna

430

00:17:37,780 --> 00:17:34,820

use this some kind of I'm gonna you know

431

00:17:39,280 --> 00:17:37,790

break the ice with him and so I said in

432

00:17:42,040 --> 00:17:39,290

Russian because I thought he'd say what

433

00:17:43,660 --> 00:17:42,050

did you say I said cut a shot the

434

00:17:45,370 --> 00:17:43,670

batteries you know like that but in

435

00:17:47,560 --> 00:17:45,380

other words well done comrade when he

436

00:17:50,230 --> 00:17:47,570

handed the paper back to me mm-hmm and

437

00:17:50,680 --> 00:17:50,240

Lee answered me in Russian it just blew

438

00:17:53,530 --> 00:17:50,690

me away

439

00:17:56,320 --> 00:17:53,540

he said it's not why is to speak Russian

440

00:17:58,780 --> 00:17:56,330

in New Orleans I mean you even did knock

441

00:18:01,390 --> 00:17:58,790

me over with a set feathered it was it

442

00:18:04,000 --> 00:18:01,400

was my grand way of saying hello to a

443

00:18:06,160 --> 00:18:04,010

guy why did I even flirt with him well I

444

00:18:07,990 --> 00:18:06,170

did it because first I was angry second

445

00:18:09,910 --> 00:18:08,000

he didn't have a wedding ring on his

446

00:18:12,100 --> 00:18:09,920

hand or so I thought

447

00:18:14,310 --> 00:18:12,110

soon I would notice that he did have a

448

00:18:16,960 --> 00:18:14,320

wedding ring it was on his right hand

449

00:18:19,420 --> 00:18:16,970

because Lee was married in Russia and

450

00:18:22,210 --> 00:18:19,430

just like my grandma did she was

451  
00:18:24,160 --> 00:18:22,220  
Hungarian he wore his wedding ring on

452  
00:18:26,920 --> 00:18:24,170  
his right hand it says the left so I was

453  
00:18:29,050 --> 00:18:26,930  
fooled see I would done that so people

454  
00:18:30,850 --> 00:18:29,060  
need to know that you know

455  
00:18:32,890 --> 00:18:30,860  
yeah it's an important point for your

456  
00:18:35,050 --> 00:18:32,900  
character that's right I don't think you

457  
00:18:38,530 --> 00:18:35,060  
mentioned this yet but Lee was also a

458  
00:18:40,660 --> 00:18:38,540  
runner for this ring of secret labs you

459  
00:18:42,460 --> 00:18:40,670  
were involved with right yes that's how

460  
00:18:44,050 --> 00:18:42,470  
it turned out originally he was not

461  
00:18:45,220 --> 00:18:44,060  
going to be doing that originally he was

462  
00:18:47,920 --> 00:18:45,230  
going to be a photographer in New

463  
00:18:49,600 --> 00:18:47,930

Orleans and then he learned that pervert

464

00:18:52,030 --> 00:18:49,610

Philbrick who was his when he was a

465

00:18:53,920 --> 00:18:52,040

child that was his Herald Philbrick was

466

00:18:56,760 --> 00:18:53,930

had written the book you know I led

467

00:19:00,490 --> 00:18:56,770

three lives and Lee had seen him on TV

468

00:19:02,410 --> 00:19:00,500

six or seven episodes in New York now

469

00:19:04,660 --> 00:19:02,420

his brother thought it was in Texas and

470

00:19:07,300 --> 00:19:04,670

so then they discounted that discredited

471

00:19:09,280 --> 00:19:07,310

that because Lee's brother Robert said

472

00:19:11,350 --> 00:19:09,290

Oh Lee saw those in Texas it was his

473

00:19:14,020 --> 00:19:11,360

favorite show but it wasn't playing at

474

00:19:16,210 --> 00:19:14,030

Texas at that time but it was playing in

475

00:19:18,970 --> 00:19:16,220

New York when Lee was there with his

476

00:19:21,370 --> 00:19:18,980

mother when Lee was around 12 years old

477

00:19:22,750 --> 00:19:21,380

so he did see some episodes and he told

478

00:19:24,730 --> 00:19:22,760

me this maybe they brought tears

479

00:19:27,250 --> 00:19:24,740

suicides he wanted to do the same thing

480

00:19:28,900 --> 00:19:27,260

he wanted to be a spy he wanted to do

481

00:19:31,240 --> 00:19:28,910

like Philbrick did pretending to be a

482

00:19:33,670 --> 00:19:31,250

communist and at the same time he'd be

483

00:19:36,430 --> 00:19:33,680

handing over information to the FBI and

484

00:19:38,800 --> 00:19:36,440

his desire was to enter the USSR while

485

00:19:40,300 --> 00:19:38,810

he was still a teenager hmm so this was

486

00:19:43,000 --> 00:19:40,310

stuck with him he tried to join the

487

00:19:46,060 --> 00:19:43,010

Marines when he was 16 he think he had a

488

00:19:47,890 --> 00:19:46,070

faked birth certificate this is how much

489

00:19:51,040 --> 00:19:47,900

he wanted to you know serve our country

490

00:19:52,990 --> 00:19:51,050

mm-hmm he did join a 17 you'll see in

491

00:19:54,910 --> 00:19:53,000

Wikipedia and other places they say he

492

00:19:56,830 --> 00:19:54,920

dropped out of school they don't mention

493

00:19:58,690 --> 00:19:56,840

that he got his GED when he was in the

494

00:20:01,240 --> 00:19:58,700

Marines he dropped out of school in

495

00:20:03,730 --> 00:20:01,250

order to join the Marines they don't put

496

00:20:05,320 --> 00:20:03,740

that in that context they say they make

497

00:20:07,090 --> 00:20:05,330

him look like a real failure he dropped

498

00:20:08,680 --> 00:20:07,100

out you know and then they have

499

00:20:10,780 --> 00:20:08,690

paragraphs and then they say he joined

500

00:20:12,730 --> 00:20:10,790

the Marines and well actually he dropped

501  
00:20:16,270 --> 00:20:12,740  
out right away in order to join the

502  
00:20:19,150 --> 00:20:16,280  
Marines his heart was set on serving his

503  
00:20:21,520 --> 00:20:19,160  
country he was reading Marx he was

504  
00:20:23,920 --> 00:20:21,530  
reading angles he was reading Lenin and

505  
00:20:25,660 --> 00:20:23,930  
all these communist literature that the

506  
00:20:27,880 --> 00:20:25,670  
Warren Commission says he was reading

507  
00:20:30,040 --> 00:20:27,890  
when he was so young starting when he

508  
00:20:32,260 --> 00:20:30,050  
was what he was couldn't have been more

509  
00:20:35,080 --> 00:20:32,270  
than 13 when he began reading all this

510  
00:20:36,850 --> 00:20:35,090  
and you smart very smart but what they

511  
00:20:38,800 --> 00:20:36,860  
don't mention is he was reading Thomas

512  
00:20:41,530 --> 00:20:38,810  
Jefferson he was reading the Federalist

513  
00:20:44,650 --> 00:20:41,540

Papers he was reading Leviathan he was

514

00:20:46,810 --> 00:20:44,660

the great works written by our American

515

00:20:48,490 --> 00:20:46,820

patriots our fathers our founding

516

00:20:50,440 --> 00:20:48,500

fathers they don't mention that he was

517

00:20:53,140 --> 00:20:50,450

reading both sides right and knew very

518

00:20:55,150 --> 00:20:53,150

much about both sides obviously there's

519

00:20:57,580 --> 00:20:55,160

been a lot of character assassination of

520

00:20:59,500 --> 00:20:57,590

course they do and and of course they've

521

00:21:02,730 --> 00:20:59,510

done it even to everyone they possibly

522

00:21:06,490 --> 00:21:02,740

can even to President Kennedy their

523

00:21:10,090 --> 00:21:06,500

focus on his foibles and his sins

524

00:21:12,580 --> 00:21:10,100

without so the people don't realize the

525

00:21:14,740 --> 00:21:12,590

great the greatness of this president

526

00:21:17,020 --> 00:21:14,750

and we fortunately we have the devil's

527

00:21:19,930 --> 00:21:17,030

chess board that book out there by David

528

00:21:22,690 --> 00:21:19,940

Talbott and we also have JFK an

529

00:21:24,960 --> 00:21:22,700

unspeakable by James Douglas these two

530

00:21:27,610 --> 00:21:24,970

books really showed the courage and the

531

00:21:29,770 --> 00:21:27,620

greatness of this president this

532

00:21:32,410 --> 00:21:29,780

president had to be murdered had to be

533

00:21:34,720 --> 00:21:32,420

got out of the way so that a man who's

534

00:21:36,160 --> 00:21:34,730

an overriding ambition was to become

535

00:21:38,710 --> 00:21:36,170

president more than anything in the

536

00:21:40,540 --> 00:21:38,720

world Lyndon Johnson could come in try

537

00:21:42,430 --> 00:21:40,550

to take his place even to the point that

538

00:21:43,950 --> 00:21:42,440

Lyndon Johnson got himself a rocking

539

00:21:47,710 --> 00:21:43,960

chair so he'd look like

540

00:21:50,050 --> 00:21:47,720

JFK hmm man so I also really wanted to

541

00:21:51,640 --> 00:21:50,060

talk to you about the cancer side of

542

00:21:54,310 --> 00:21:51,650

things here you mentioned Alton Ochsner

543

00:21:56,800 --> 00:21:54,320

of course people might remember him as

544

00:21:58,480 --> 00:21:56,810

the doctor who publicly injected his

545

00:22:00,580 --> 00:21:58,490

grandkids with the polio vaccine to

546

00:22:02,020 --> 00:22:00,590

prove it was safe and then one died

547

00:22:04,660 --> 00:22:02,030

pretty soon after and the other one

548

00:22:07,210 --> 00:22:04,670

contracted polio yeah a week later his

549

00:22:10,330 --> 00:22:07,220

grandson died and the other one guy had

550

00:22:13,780 --> 00:22:10,340

polio Rhodes that taught him a lesson

551  
00:22:17,560 --> 00:22:13,790  
and he even talked to me about this you

552  
00:22:19,900 --> 00:22:17,570  
see he said look Judy you know we have

553  
00:22:22,390 --> 00:22:19,910  
all kinds of people out there who trust

554  
00:22:25,150 --> 00:22:22,400  
their doctors even I trusted my doctors

555  
00:22:27,880 --> 00:22:25,160  
and I had lost I put my children at risk

556  
00:22:31,090 --> 00:22:27,890  
my grandchildren and he said don't you

557  
00:22:32,920 --> 00:22:31,100  
think that Castro trusts his doctors see

558  
00:22:35,530 --> 00:22:32,930  
hmm turned out there were a lot of

559  
00:22:38,140 --> 00:22:35,540  
doctors that pretended to just be his

560  
00:22:40,240 --> 00:22:38,150  
friend but it's not the doctors that had

561  
00:22:42,490 --> 00:22:40,250  
the problem so much as that we could

562  
00:22:44,950 --> 00:22:42,500  
really work with the text but a lot of

563  
00:22:47,800 --> 00:22:44,960

people don't understand is that whereas

564

00:22:51,340 --> 00:22:47,810

maybe Castro's doctors were just as

565

00:22:53,740 --> 00:22:51,350

loyal as they could possibly be when the

566

00:22:54,370 --> 00:22:53,750

doctor asked for a vial of penicillin he

567

00:22:56,740 --> 00:22:54,380

asked

568

00:22:58,930 --> 00:22:56,750

a nurse or a tech they get it out of the

569

00:23:00,760 --> 00:22:58,940

refrigerator or let's put it this way

570

00:23:02,380 --> 00:23:00,770

even if the doctor goes the refrigerator

571

00:23:05,320 --> 00:23:02,390

and something's labeled they'll take it

572

00:23:07,390 --> 00:23:05,330

out it was so easy you see you can't see

573

00:23:09,070 --> 00:23:07,400

cancer cells you could put them in a

574

00:23:10,720 --> 00:23:09,080

liquid that looks just like any like a

575

00:23:13,840 --> 00:23:10,730

dose of penicillin you'd never know

576

00:23:16,090 --> 00:23:13,850

mm-hmm the other thing is that Castro

577

00:23:17,830 --> 00:23:16,100

was getting x-rays about once a year you

578

00:23:19,390 --> 00:23:17,840

got you would get his different shots

579

00:23:21,250 --> 00:23:19,400

because it was out a lot in the jungle

580

00:23:23,110 --> 00:23:21,260

had been in the jungles and so on and

581

00:23:26,290 --> 00:23:23,120

they always checked his health it was

582

00:23:31,060 --> 00:23:26,300

important and he had a DPT shot coming

583

00:23:32,950 --> 00:23:31,070

up I was told and so on well imagine now

584

00:23:34,450 --> 00:23:32,960

if you put this let's go to the

585

00:23:36,190 --> 00:23:34,460

president United States put him in front

586

00:23:37,840 --> 00:23:36,200

of an x-ray to see how he's doing and

587

00:23:40,420 --> 00:23:37,850

all of a sudden you know he looks fine

588

00:23:43,810 --> 00:23:40,430

just looks just fine but what do you

589

00:23:46,390 --> 00:23:43,820

know back then if a tech is in charge of

590

00:23:48,850 --> 00:23:46,400

that big x-ray console and it turned it

591

00:23:51,310 --> 00:23:48,860

up and they didn't ask that so think of

592

00:23:53,320 --> 00:23:51,320

it that way bring down the immune system

593

00:23:56,590 --> 00:23:53,330

with a big dose of x-rays and that was

594

00:23:59,200 --> 00:23:56,600

part of it the other part is messing up

595

00:24:00,670 --> 00:23:59,210

one of his blood tests that is Kassir

596

00:24:02,260 --> 00:24:00,680

would have what it was going to have

597

00:24:05,080 --> 00:24:02,270

some blood mr. Ahn to see how he's doing

598

00:24:06,580 --> 00:24:05,090

do you have anemia you know so on and

599

00:24:08,170 --> 00:24:06,590

you take a smear you put it on the

600

00:24:09,670 --> 00:24:08,180

microscope and you know what if you see

601  
00:24:12,250 --> 00:24:09,680  
cancer cells running around in that

602  
00:24:14,350 --> 00:24:12,260  
blood imagine you're gonna put him under

603  
00:24:17,200 --> 00:24:14,360  
the x-ray again and look if you find any

604  
00:24:19,450 --> 00:24:17,210  
tumors right hmm well it would it be

605  
00:24:22,240 --> 00:24:19,460  
easy to contaminate a slide with cancer

606  
00:24:24,040 --> 00:24:22,250  
cells a tech could do it again and if

607  
00:24:25,960 --> 00:24:24,050  
you're gonna send him in front of x-rays

608  
00:24:28,540 --> 00:24:25,970  
again and there's another tick that's it

609  
00:24:30,400 --> 00:24:28,550  
is really zapped up then he's gonna get

610  
00:24:31,390 --> 00:24:30,410  
sick he's going to feel badly then

611  
00:24:33,310 --> 00:24:31,400  
they're gonna give him like maybe

612  
00:24:35,560 --> 00:24:33,320  
penicillin they're gonna turn make him

613  
00:24:39,640 --> 00:24:35,570

feel better so we had this kind of

614

00:24:41,920 --> 00:24:39,650

arrangement worked out why did these why

615

00:24:43,750 --> 00:24:41,930

do we have this kind of cooperation it

616

00:24:46,360 --> 00:24:43,760

wasn't necessarily because they hated

617

00:24:48,670 --> 00:24:46,370

Castro because of what he was doing

618

00:24:50,800 --> 00:24:48,680

because a lot of people he would like

619

00:24:53,170 --> 00:24:50,810

what tests it was doing it as a matter

620

00:24:54,670 --> 00:24:53,180

of fact Castro had changed the whole

621

00:24:56,920 --> 00:24:54,680

medical system around they weren't

622

00:24:58,870 --> 00:24:56,930

making a lot of money anymore all right

623

00:25:00,690 --> 00:24:58,880

they were on salaries and they were

624

00:25:02,860 --> 00:25:00,700

being sent out to help the peasants

625

00:25:06,160 --> 00:25:02,870

mm-hmm the other thing that was going on

626  
00:25:07,610 --> 00:25:06,170  
is instead of be sent to Ochsner and and

627  
00:25:09,500 --> 00:25:07,620  
others

628  
00:25:11,930 --> 00:25:09,510  
to Mayo Clinic or whatever for training

629  
00:25:14,180 --> 00:25:11,940  
that ochsner got a lot of them these

630  
00:25:15,380 --> 00:25:14,190  
young Cubans were being sent to the USSR

631  
00:25:17,150 --> 00:25:15,390  
they and they felt they were getting

632  
00:25:18,770 --> 00:25:17,160  
inferior training and of course they

633  
00:25:20,900 --> 00:25:18,780  
could never become famous doctors like

634  
00:25:23,660 --> 00:25:20,910  
dr. ox there she had a whole bunch of

635  
00:25:25,520 --> 00:25:23,670  
young doctors or those working Aztecs

636  
00:25:27,350 --> 00:25:25,530  
who wanted to become doctors who are

637  
00:25:29,750 --> 00:25:27,360  
very dissatisfied with the fact that

638  
00:25:32,990 --> 00:25:29,760

they were going to become rich hmm yeah

639

00:25:34,670 --> 00:25:33,000

and it's a massive story but obviously

640

00:25:37,640 --> 00:25:34,680

there was several different methods

641

00:25:39,740 --> 00:25:37,650

discussed to get Castro and obviously in

642

00:25:42,710 --> 00:25:39,750

the end we know that didn't happen but

643

00:25:44,810 --> 00:25:42,720

well I was I feel like we were so naive

644

00:25:48,290 --> 00:25:44,820

I remember I don't when Lee was only 23

645

00:25:51,169 --> 00:25:48,300

I was 19 when I met him and we believed

646

00:25:54,770 --> 00:25:51,179

our leaders we believed ochsner we

647

00:25:57,350 --> 00:25:54,780

believed these eminent doctors but when

648

00:26:00,200 --> 00:25:57,360

the you know what when Lee was supposed

649

00:26:02,900 --> 00:26:00,210

to take that bioweapon all the way to

650

00:26:06,169 --> 00:26:02,910

Mexico City and hand it off if you think

651  
00:26:09,200 --> 00:26:06,179  
about it would we really risk handing

652  
00:26:12,770 --> 00:26:09,210  
over a biological weapon to a Cuban all

653  
00:26:15,680 --> 00:26:12,780  
right bottom line we were fooled but it

654  
00:26:17,660 --> 00:26:15,690  
brought Lee Oswald into Mexico City and

655  
00:26:20,690 --> 00:26:17,670  
it was able they were able to frame him

656  
00:26:26,750 --> 00:26:20,700  
there and we have fake telephone calls

657  
00:26:28,850 --> 00:26:26,760  
to kostikova USSR assassin we have all

658  
00:26:31,100 --> 00:26:28,860  
kinds of shenanigans going on to make

659  
00:26:32,900 --> 00:26:31,110  
the Lee Oswald look like he really

660  
00:26:34,910 --> 00:26:32,910  
wanted to go to Cuba more anything the

661  
00:26:37,220 --> 00:26:34,920  
world well in the end he did try to get

662  
00:26:39,230 --> 00:26:37,230  
in mm-hmm he hoped he could get this

663  
00:26:41,930 --> 00:26:39,240

material in himself but there was a

664

00:26:43,820 --> 00:26:41,940

shelf-life on it you know after a few

665

00:26:45,380 --> 00:26:43,830

days you have to change the fluid

666

00:26:48,860 --> 00:26:45,390

leading you how to do that make one

667

00:26:51,740 --> 00:26:48,870

change to get new fluid into this this

668

00:26:53,870 --> 00:26:51,750

cancer soup you know but the problem

669

00:26:56,570 --> 00:26:53,880

that you then face is how it you you

670

00:26:59,000 --> 00:26:56,580

can't live in a thermos glass you know

671

00:27:00,490 --> 00:26:59,010

glass like thermos like a big test tube

672

00:27:04,760 --> 00:27:00,500

can't live in there forever

673

00:27:07,000 --> 00:27:04,770

now so Lee after a few days he has a two

674

00:27:09,620 --> 00:27:07,010

weeks visa and here he's trying

675

00:27:11,720 --> 00:27:09,630

arduously to get into Cuba but all of a

676

00:27:13,760 --> 00:27:11,730

sudden he gives up and he's only been a

677

00:27:16,790 --> 00:27:13,770

few days and he returns while he was

678

00:27:19,520 --> 00:27:16,800

ordered to return but all of a sudden

679

00:27:21,470 --> 00:27:19,530

Lee Oswald never talks about Cuba again

680

00:27:24,470 --> 00:27:21,480

he never tries to go to Kew

681

00:27:26,810 --> 00:27:24,480

again he is his birthday comes and

682

00:27:29,720 --> 00:27:26,820

there's some indication that he actually

683

00:27:31,430 --> 00:27:29,730

got the transit visa at that time he

684

00:27:34,520 --> 00:27:31,440

ignores it he doesn't even think about

685

00:27:37,340 --> 00:27:34,530

going to Cuba again why aren't the

686

00:27:39,740 --> 00:27:37,350

project had been cancelled project was

687

00:27:42,049 --> 00:27:39,750

over so they told him he could go back

688

00:27:45,669 --> 00:27:42,059

around Christmastime he could return to

689

00:27:48,320 --> 00:27:45,679

Mexico City they wanted to us to go to

690

00:27:51,140 --> 00:27:48,330

university by then we knew we're under

691

00:27:53,810 --> 00:27:51,150

lots of suspicion we planned to kind of

692

00:27:55,789 --> 00:27:53,820

just hide we had all kinds of things you

693

00:27:58,490 --> 00:27:55,799

could read about all our plans and what

694

00:28:01,220 --> 00:27:58,500

we intended to do now what's interesting

695

00:28:02,510 --> 00:28:01,230

I think to the people here is is that

696

00:28:05,140 --> 00:28:02,520

they need to know that

697

00:28:07,669 --> 00:28:05,150

Lee Oswald was a very brave man and

698

00:28:09,470 --> 00:28:07,679

because of David Ferrie who had got this

699

00:28:12,620 --> 00:28:09,480

information and I talked about in the

700

00:28:14,630 --> 00:28:12,630

beginning Lee was able to penetrate some

701  
00:28:16,549 --> 00:28:14,640  
of the groups that were in Dallas they

702  
00:28:19,850 --> 00:28:16,559  
had told him as I said that he could

703  
00:28:22,070 --> 00:28:19,860  
return her around Christmas so he did

704  
00:28:24,380 --> 00:28:22,080  
not get a permanent job the job that he

705  
00:28:26,080 --> 00:28:24,390  
got that he was that was arranged for

706  
00:28:28,370 --> 00:28:26,090  
him at the Texas School Book Depository

707  
00:28:30,620 --> 00:28:28,380  
was just a temporary job

708  
00:28:33,470 --> 00:28:30,630  
they were always laying off people in

709  
00:28:35,510 --> 00:28:33,480  
fact they made room for him when you

710  
00:28:36,710 --> 00:28:35,520  
have a school year has already begun and

711  
00:28:39,080 --> 00:28:36,720  
most of the books have been shipped out

712  
00:28:41,659 --> 00:28:39,090  
you do not need another book cart and

713  
00:28:43,340 --> 00:28:41,669

handler to locate books when you already

714

00:28:45,770 --> 00:28:43,350

have two of them they already had two

715

00:28:47,810 --> 00:28:45,780

clerks that were picking out books for

716

00:28:49,669 --> 00:28:47,820

other boxes and bring him down to be

717

00:28:52,940 --> 00:28:49,679

shipped off and they were already laying

718

00:28:55,130 --> 00:28:52,950

off other people Lee was actually in in

719

00:28:57,409 --> 00:28:55,140

this Texas School Book Depository he was

720

00:28:59,870 --> 00:28:57,419

placed there on purpose and he told me

721

00:29:01,669 --> 00:28:59,880

you know this is even better than Riley

722

00:29:03,799 --> 00:29:01,679

where he had to clock out and I would

723

00:29:05,630 --> 00:29:03,809

cover for him and you would clock in I

724

00:29:08,510 --> 00:29:05,640

should say I'd usually clock him out

725

00:29:11,180 --> 00:29:08,520

because he even there so we covered for

726

00:29:13,520 --> 00:29:11,190

him and I put my J or Monahan would put

727

00:29:16,159 --> 00:29:13,530

his am on the time cards and that

728

00:29:18,110 --> 00:29:16,169

cleared them that he made so many hours

729

00:29:19,880 --> 00:29:18,120

when he wasn't even around and leave

730

00:29:22,039 --> 00:29:19,890

tells me you know on the phone he says

731

00:29:23,900 --> 00:29:22,049

you know it's even easier here at the at

732

00:29:25,789 --> 00:29:23,910

the he called it the building he didn't

733

00:29:28,310 --> 00:29:25,799

call it Texas School Book Depository he

734

00:29:30,590 --> 00:29:28,320

called it another name day it was that

735

00:29:31,820 --> 00:29:30,600

he the name of the whole building and a

736

00:29:35,150 --> 00:29:31,830

different name than that

737

00:29:37,850 --> 00:29:35,160

and he told me at that time you know all

738

00:29:39,740 --> 00:29:37,860

I have to do here is she fills out that

739

00:29:42,500 --> 00:29:39,750

I've been working here all eight hours

740

00:29:45,320 --> 00:29:42,510

and I come and go as I please sure

741

00:29:48,110 --> 00:29:45,330

enough we have a record I'm trying to

742

00:29:50,270 --> 00:29:48,120

find it the original National Archives

743

00:29:51,980 --> 00:29:50,280

I'm going to find it unless it's being

744

00:29:54,110 --> 00:29:51,990

held back right now they're holding back

745

00:29:56,660 --> 00:29:54,120

a lot of the FBI is holding back a lot

746

00:29:58,100 --> 00:29:56,670

of Records right now that they're going

747

00:30:00,170 --> 00:29:58,110

through and which ones they're going to

748

00:30:01,790 --> 00:30:00,180

release what's silly about this is that

749

00:30:03,530 --> 00:30:01,800

a lot of these records have already been

750

00:30:05,810 --> 00:30:03,540

released so they're going to be the huge

751  
00:30:07,070 --> 00:30:05,820  
batch of records that have already been

752  
00:30:08,810 --> 00:30:07,080  
released they're going to re-release

753  
00:30:11,720 --> 00:30:08,820  
them some of them were pulled on a

754  
00:30:13,910 --> 00:30:11,730  
circulation well you'll find that there

755  
00:30:17,030 --> 00:30:13,920  
was a record of Lee's last day of work

756  
00:30:19,520 --> 00:30:17,040  
that was November 22nd when Kennedy was

757  
00:30:22,190 --> 00:30:19,530  
shot and as you know Lee Oswald was

758  
00:30:25,790 --> 00:30:22,200  
arrested within two hours of Kennedy's

759  
00:30:28,340 --> 00:30:25,800  
being shot but the work records shows

760  
00:30:29,690 --> 00:30:28,350  
that he'd worked a full day at the Texas

761  
00:30:33,710 --> 00:30:29,700  
schoolbook depository

762  
00:30:35,600 --> 00:30:33,720  
hmm yeah all eight hours Hey huh yeah a

763  
00:30:38,090 --> 00:30:35,610

lot of clarity to this and it's just

764

00:30:39,320 --> 00:30:38,100

such a huge story with a lot of details

765

00:30:41,780 --> 00:30:39,330

I wanted to ask you a few questions

766

00:30:44,210 --> 00:30:41,790

about the wider implications of this

767

00:30:46,070 --> 00:30:44,220

story and how it might affect even

768

00:30:47,840 --> 00:30:46,080

listeners and their families because you

769

00:30:52,310 --> 00:30:47,850

said that you know you guys trust it all

770

00:30:54,310 --> 00:30:52,320

nos noir which is not something not wise

771

00:30:57,490 --> 00:30:54,320

because these are going to be a Genesis

772

00:31:01,340 --> 00:30:57,500

we know that cancer weaponization

773

00:31:04,010 --> 00:31:01,350

occurred and unfortunately that's 50

774

00:31:06,650 --> 00:31:04,020

over 50 I mean it was 50 years ago right

775

00:31:08,870 --> 00:31:06,660

so imagine what they've done now and how

776

00:31:11,090 --> 00:31:08,880

sophisticated well they said they said

777

00:31:13,640 --> 00:31:11,100

that they had gotten this simian virus

778

00:31:15,950 --> 00:31:13,650

out of the polio vaccine but yet you

779

00:31:17,990 --> 00:31:15,960

said you've seen cases up until 1999

780

00:31:21,260 --> 00:31:18,000

that they still had it in there right

781

00:31:23,150 --> 00:31:21,270

yes here's the thing probably most of us

782

00:31:25,580 --> 00:31:23,160

are carrying it the trouble is most of

783

00:31:27,470 --> 00:31:25,590

us don't go for us who die of cancer

784

00:31:29,210 --> 00:31:27,480

they're not going and asking for an

785

00:31:30,380 --> 00:31:29,220

additional test to see if they have the

786

00:31:33,170 --> 00:31:30,390

simian virus

787

00:31:36,770 --> 00:31:33,180

you know the monkey virus sv40 in their

788

00:31:39,770 --> 00:31:36,780

system so when they do they fight they

789

00:31:42,290 --> 00:31:39,780

were finding of 60% 60% of them were

790

00:31:43,760 --> 00:31:42,300

carrying it hmm and this is so many

791

00:31:44,780 --> 00:31:43,770

years afterwards other words it's

792

00:31:47,960 --> 00:31:44,790

carried now for

793

00:31:50,390 --> 00:31:47,970

daughter you know two children of us

794

00:31:52,700 --> 00:31:50,400

husbands would get it from their wives

795

00:31:55,070 --> 00:31:52,710

maybe it could be any fluids would

796

00:31:56,720 --> 00:31:55,080

transmit it but mainly you're looking at

797

00:31:58,880 --> 00:31:56,730

it coming from the mother to the

798

00:32:01,789 --> 00:31:58,890

children it's passed along just like it

799

00:32:04,159 --> 00:32:01,799

is in monkeys for heaven's sakes a lot

800

00:32:05,900 --> 00:32:04,169

of people say oh no this don't connect

801  
00:32:08,810 --> 00:32:05,910  
this to AIDS either now I did not

802  
00:32:11,270 --> 00:32:08,820  
develop AIDS and I am NOT pleased that

803  
00:32:14,600 --> 00:32:11,280  
the History Channel has accused me of

804  
00:32:17,930 --> 00:32:14,610  
saying that I I worked in the laboratory

805  
00:32:21,740 --> 00:32:17,940  
that developed AIDS I worked with people

806  
00:32:25,490 --> 00:32:21,750  
who later apparently did work with more

807  
00:32:27,919 --> 00:32:25,500  
viruses and there is a good lot of

808  
00:32:31,010 --> 00:32:27,929  
evidence that despite what the

809  
00:32:33,110 --> 00:32:31,020  
government says that we definitely were

810  
00:32:37,190 --> 00:32:33,120  
working with precursors of the AIDS

811  
00:32:41,419 --> 00:32:37,200  
virus and all associated problems you

812  
00:32:45,560 --> 00:32:41,429  
have with that the polio vaccine is very

813  
00:32:48,289 --> 00:32:45,570

very simple virus it's loaded with and

814

00:32:50,030 --> 00:32:48,299

they were grown on the kidneys macerated

815

00:32:52,669 --> 00:32:50,040

kidneys and monkeys mm-hmm and these

816

00:32:55,940 --> 00:32:52,679

were filled with all kinds of viruses

817

00:33:00,070 --> 00:32:55,950

never cleaned up now when they said they

818

00:33:02,990 --> 00:33:00,080

that 98 million people got this in 19 in

819

00:33:05,330 --> 00:33:03,000

1963 but they failed to tell you is that

820

00:33:07,940 --> 00:33:05,340

those were what were on the Shelf they

821

00:33:09,680 --> 00:33:07,950

kept producing this right they said well

822

00:33:11,419 --> 00:33:09,690

after all you know we'll get a cure for

823

00:33:12,799 --> 00:33:11,429

cancer before this is going to show up

824

00:33:15,260 --> 00:33:12,809

because in humans

825

00:33:17,539 --> 00:33:15,270

since there was a monkey virus it wasn't

826

00:33:19,250 --> 00:33:17,549

just active it takes time and of course

827

00:33:21,680 --> 00:33:19,260

they've done everything they can to try

828

00:33:24,740 --> 00:33:21,690

to prove that the monkey virus doesn't

829

00:33:27,620 --> 00:33:24,750

cause cancer how come it shows up in so

830

00:33:29,659 --> 00:33:27,630

many people who have cancer well that's

831

00:33:31,280 --> 00:33:29,669

that's the bottom line if you could look

832

00:33:35,000 --> 00:33:31,290

at it under a microscope you can see

833

00:33:37,520 --> 00:33:35,010

that the polio virus is very interesting

834

00:33:40,820 --> 00:33:37,530

because it's like a donkey it can

835

00:33:42,980 --> 00:33:40,830

actually piggyback other viruses on top

836

00:33:45,560 --> 00:33:42,990

of it and carry them anywhere it wants

837

00:33:47,360 --> 00:33:45,570

to know it's just like that see that's

838

00:33:49,640 --> 00:33:47,370

what makes me curious because you were

839

00:33:51,500 --> 00:33:49,650

told that you were working on a cancer

840

00:33:53,180 --> 00:33:51,510

weapon to kill Castro but these other

841

00:33:54,799 --> 00:33:53,190

implications make me wonder if you think

842

00:33:57,680 --> 00:33:54,809

there were other goals and objectives of

843

00:33:58,999 --> 00:33:57,690

the secret ring of labs other than

844

00:34:00,740 --> 00:33:59,009

I mean and of course they were all

845

00:34:03,259 --> 00:34:00,750

separated for me so that I saw sign off

846

00:34:05,990 --> 00:34:03,269

initials the reason David fairies was

847

00:34:08,300 --> 00:34:06,000

off the grid like that now it's

848

00:34:10,609 --> 00:34:08,310

interesting that Ochsner they have been

849

00:34:13,940 --> 00:34:10,619

working on this since March of 60 to

850

00:34:17,210 --> 00:34:13,950

March 23rd 1962 is what when they

851

00:34:20,569 --> 00:34:17,220

decided to put all this together but it

852

00:34:22,879 --> 00:34:20,579

was only days earlier before Lee and I

853

00:34:24,950 --> 00:34:22,889

both reached New Orleans down you know

854

00:34:27,530 --> 00:34:24,960

Lee and I reached New Orleans we were

855

00:34:31,129 --> 00:34:27,540

both sent to New Orleans the same week

856

00:34:33,710 --> 00:34:31,139

we actually registered for our cover

857

00:34:35,419 --> 00:34:33,720

jobs at the same employment agency and

858

00:34:38,480 --> 00:34:35,429

there were five or six of them in New

859

00:34:41,540 --> 00:34:38,490

Orleans at a one together we were

860

00:34:44,809 --> 00:34:41,550

interviewed the same day at 6:40

861

00:34:46,990 --> 00:34:44,819

Magazine Street and we were hired that

862

00:34:50,569 --> 00:34:47,000

was May 9th on May 10th we were hired

863

00:34:53,059 --> 00:34:50,579

they we worked and luck the because

864

00:34:55,730 --> 00:34:53,069

Riley had their work week started on

865

00:34:58,250 --> 00:34:55,740

Friday not on set on Thursday I mean on

866

00:35:00,500 --> 00:34:58,260

Thursday usually it goes one you know

867

00:35:02,900 --> 00:35:00,510

Monday through Friday is a work week hmm

868

00:35:05,180 --> 00:35:02,910

for Riley it was from Friday all the way

869

00:35:06,800 --> 00:35:05,190

to Thursday so a lot of people thought

870

00:35:08,870 --> 00:35:06,810

that Lee Oswald didn't even start work

871

00:35:11,569 --> 00:35:08,880

till May 17th no he started on May 10th

872

00:35:14,420 --> 00:35:11,579

he got his first check on May 17th it's

873

00:35:17,059 --> 00:35:14,430

a full week's check and of course I did

874

00:35:18,770 --> 00:35:17,069

- we were there though not at Riley's

875

00:35:20,780 --> 00:35:18,780

but for one whole week we were at

876

00:35:23,660 --> 00:35:20,790

standard coffee company where our

877

00:35:25,819 --> 00:35:23,670

records were laundered so we have two

878

00:35:29,510 --> 00:35:25,829

records in the Warren Commission report

879

00:35:30,589 --> 00:35:29,520

and the 26 volumes where mr. Monahan

880

00:35:33,230 --> 00:35:30,599

says yes we did it

881

00:35:35,359 --> 00:35:33,240

Porter - background check on Lee Oswald

882

00:35:37,880 --> 00:35:35,369

and was ordered by standard coffee and

883

00:35:41,210 --> 00:35:37,890

it was an order by standard which was a

884

00:35:43,579 --> 00:35:41,220

subsidiary of Riley so what happened is

885

00:35:46,190 --> 00:35:43,589

of course we had made a fake we got the

886

00:35:48,530 --> 00:35:46,200

templates all right then stationery but

887

00:35:50,569 --> 00:35:48,540

and I explained how we did that in the

888

00:35:52,130 --> 00:35:50,579

book me and Lee and then we filled him

889

00:35:53,960 --> 00:35:52,140

out we had so much fun filling out that

890

00:35:57,260 --> 00:35:53,970

Lee was a wonderful you know model

891

00:35:58,130 --> 00:35:57,270

citizen never been in USSR yeah just got

892

00:36:00,770 --> 00:35:58,140

out of the Marines

893

00:36:03,349 --> 00:36:00,780

uh-huh and never had been fired from a

894

00:36:05,630 --> 00:36:03,359

job and so on and had like 20 equivalent

895

00:36:07,940 --> 00:36:05,640

of 25,000 dollars in his bank account

896

00:36:09,410 --> 00:36:07,950

we made him to her into what Lee called

897

00:36:12,319 --> 00:36:09,420

a rich capitalist it

898

00:36:15,890 --> 00:36:12,329

you know had a lot of fun doing it well

899

00:36:18,020 --> 00:36:15,900

we did that and I learned to type better

900

00:36:19,579 --> 00:36:18,030

because I was dreadful typist I was slow

901  
00:36:22,490 --> 00:36:19,589  
I was a pretty accurate

902  
00:36:25,970 --> 00:36:22,500  
are so slow so anyway after one week

903  
00:36:28,990 --> 00:36:25,980  
together on the same day on May 17th we

904  
00:36:33,410 --> 00:36:29,000  
both move over to Riley's and of course

905  
00:36:36,620 --> 00:36:33,420  
since he moved he his name Oswald there

906  
00:36:38,839 --> 00:36:36,630  
- Baker my actually got a check that was

907  
00:36:41,599 --> 00:36:38,849  
issued by standards so I can prove that

908  
00:36:44,210 --> 00:36:41,609  
I worked his standard that week but by

909  
00:36:47,030 --> 00:36:44,220  
the time he we processed over there they

910  
00:36:50,030 --> 00:36:47,040  
had not yet hit the O's you know so

911  
00:36:52,250 --> 00:36:50,040  
Lee's first check was issued by Riley's

912  
00:36:53,930 --> 00:36:52,260  
cuz we transferred over around 9:30 in

913  
00:36:55,730 --> 00:36:53,940

the morning well they already cut my

914

00:36:59,030 --> 00:36:55,740

check I was a B but they hadn't got

915

00:37:01,579 --> 00:36:59,040

leaves by then so he has my check is

916

00:37:04,190 --> 00:37:01,589

from standard this is from Riley why is

917

00:37:05,809 --> 00:37:04,200

this important nobody realized that Lee

918

00:37:08,059 --> 00:37:05,819

Oswald worked his stander because he had

919

00:37:09,770 --> 00:37:08,069

no check that said it and of course when

920

00:37:11,329 --> 00:37:09,780

I said that he did work at Standard

921

00:37:13,460 --> 00:37:11,339

nobody believed me until I showed the

922

00:37:15,890 --> 00:37:13,470

records to them so I have many internal

923

00:37:18,470 --> 00:37:15,900

ways of proving that Lee and I were

924

00:37:21,079 --> 00:37:18,480

associated with each other and I saved

925

00:37:22,309 --> 00:37:21,089

all these records myself of course right

926

00:37:24,559 --> 00:37:22,319

and I understand you've been vetted

927

00:37:26,900 --> 00:37:24,569

pretty heavily from Jim Marrs and Ed has

928

00:37:28,670 --> 00:37:26,910

them of course and I did hear you say in

929

00:37:30,049 --> 00:37:28,680

a previous interview to get back to the

930

00:37:32,510 --> 00:37:30,059

cancer thing a little bit that we could

931

00:37:35,059 --> 00:37:32,520

have cured cancer by the 1970s by using

932

00:37:37,000 --> 00:37:35,069

a bacterial fans can you educate us on

933

00:37:39,440 --> 00:37:37,010

that a little bit yeah bacteriophage

934

00:37:41,809 --> 00:37:39,450

that's the greek Fache is to eat

935

00:37:43,789 --> 00:37:41,819

bacterias in other words this is a virus

936

00:37:45,890 --> 00:37:43,799

at East bacteria they're really cute

937

00:37:47,510 --> 00:37:45,900

under the electron microscope it looks

938

00:37:49,190 --> 00:37:47,520

like a little mosquitoes they have

939

00:37:51,260 --> 00:37:49,200

sippers you know the dippers they're

940

00:37:53,539 --> 00:37:51,270

able to look just like what a mosquito

941

00:37:56,059 --> 00:37:53,549

might have and then there's they sit on

942

00:37:58,789 --> 00:37:56,069

legs like four legs and they in between

943

00:38:02,900 --> 00:37:58,799

down goes this dipper down into the cell

944

00:38:05,450 --> 00:38:02,910

and it'll inject its own RNA in there

945

00:38:07,339 --> 00:38:05,460

and that's the beginning of the end for

946

00:38:09,049 --> 00:38:07,349

that cell of course you have to have a

947

00:38:11,180 --> 00:38:09,059

lot of them that they multiply like

948

00:38:13,849 --> 00:38:11,190

crazy that what's interesting about

949

00:38:17,480 --> 00:38:13,859

bacteriophages they're easily easily

950

00:38:20,140 --> 00:38:17,490

manipulated and modified to the extent

951

00:38:23,210 --> 00:38:20,150

that you really can't patent a

952

00:38:24,710 --> 00:38:23,220

bacteriophage because the

953

00:38:26,810 --> 00:38:24,720

someone else could make a slight

954

00:38:29,349 --> 00:38:26,820

improvement they would patent it to you

955

00:38:32,180 --> 00:38:29,359

see and it's very easy to do and cheap

956

00:38:33,859 --> 00:38:32,190

bacteriophage in fact is the cheapest

957

00:38:37,520 --> 00:38:33,869

way probably there is to cure cancer

958

00:38:39,080 --> 00:38:37,530

besides the forbidden drugs which I'm

959

00:38:41,930 --> 00:38:39,090

not going to talk about right now but

960

00:38:44,450 --> 00:38:41,940

please think about Oregon all right hmm

961

00:38:47,450 --> 00:38:44,460

all right seriously if I had cancer I

962

00:38:49,460 --> 00:38:47,460

would move to Oregon all right yeah or I

963

00:38:52,250 --> 00:38:49,470

go to Australia where they allow it all

964

00:38:54,859 --> 00:38:52,260

right so or I go to the Netherlands but

965

00:38:59,000 --> 00:38:54,869

we're talking about bacteriophage being

966

00:39:01,280 --> 00:38:59,010

too cheap to modify therefore big pharma

967

00:39:04,730 --> 00:39:01,290

is not going to do it because they can't

968

00:39:06,200 --> 00:39:04,740

make enough money now we have online you

969

00:39:08,780 --> 00:39:06,210

can see a study where they're using

970

00:39:10,460 --> 00:39:08,790

bacteria files which can be and they've

971

00:39:12,200 --> 00:39:10,470

already modified it so we'll go to a

972

00:39:14,540 --> 00:39:12,210

cancer cell now you'd think they'd have

973

00:39:16,010 --> 00:39:14,550

attacked the cancer cell you know

974

00:39:19,160 --> 00:39:16,020

because they that's what they should do

975

00:39:21,920 --> 00:39:19,170

right and by doing so that cancer cell

976

00:39:24,740 --> 00:39:21,930

bursts and all kinds of baby bacterial

977

00:39:27,589 --> 00:39:24,750

files would be merged or spray out and I

978

00:39:29,210 --> 00:39:27,599

continue with a lovely thing is that

979

00:39:30,890 --> 00:39:29,220

when they can't find anymore cancer

980

00:39:33,560 --> 00:39:30,900

cells they go latent that is they'll

981

00:39:36,410 --> 00:39:33,570

keep multiplying on nothing mm-hmm well

982

00:39:39,680 --> 00:39:36,420

you would want to ask yourself why in

983

00:39:41,839 --> 00:39:39,690

the world aren't we using this well they

984

00:39:45,079 --> 00:39:41,849

found a way to make money on the cheap

985

00:39:46,910 --> 00:39:45,089

bacteriophage but they've taught these

986

00:39:49,250 --> 00:39:46,920

that call it teaching but you understand

987

00:39:51,829 --> 00:39:49,260

what I'm saying and dr. Newton that's

988

00:39:53,810 --> 00:39:51,839

right they can be selected to want to

989

00:39:56,930 --> 00:39:53,820

eat a certain particular type of cell

990

00:40:00,320 --> 00:39:56,940

and of course you can that you can

991

00:40:03,460 --> 00:40:00,330

modify them genetically very quickly so

992

00:40:07,070 --> 00:40:03,470

there you have this bacteriophage and

993

00:40:08,540 --> 00:40:07,080

it's modified they haven't modified so

994

00:40:10,099 --> 00:40:08,550

it'll go to cancer cells and what are

995

00:40:14,210 --> 00:40:10,109

they have they done they've piggybacked

996

00:40:17,390 --> 00:40:14,220

it with chemotherapy units on the nano

997

00:40:18,490 --> 00:40:17,400

scale that is expensive and that is what

998

00:40:21,500 --> 00:40:18,500

they are doing

999

00:40:24,470 --> 00:40:21,510

mmm-hmm we don't need that but you know

1000

00:40:26,120 --> 00:40:24,480

it's just another sad litany we have

1001

00:40:28,820 --> 00:40:26,130

these cancer I call them cancer

1002

00:40:31,280 --> 00:40:28,830

treatment Tallis's their cancer palaces

1003

00:40:33,320 --> 00:40:31,290

you look at the money they forward into

1004

00:40:35,060 --> 00:40:33,330

these huge buildings and you ask

1005

00:40:37,080 --> 00:40:35,070

yourself when you could have a small

1006

00:40:39,090 --> 00:40:37,090

clinic we have dozens of

1007

00:40:41,760 --> 00:40:39,100

different ways that that cancer could be

1008

00:40:43,770 --> 00:40:41,770

cured depending on the cancer now some

1009

00:40:45,540 --> 00:40:43,780

of them are incurable but there are

1010

00:40:48,330 --> 00:40:45,550

other ways to get even get around that

1011

00:40:49,950 --> 00:40:48,340

it's just pitiful that we are still in

1012

00:40:51,420 --> 00:40:49,960

the medieval stage where we're cutting

1013

00:40:54,810 --> 00:40:51,430

them burning them and poisoning them

1014

00:40:57,240 --> 00:40:54,820

mm-hmm that's people they it is it was

1015

00:40:59,250 --> 00:40:57,250

very sad a lot of people write to me one

1016

00:41:01,740 --> 00:40:59,260

person recently wrote his mother has

1017

00:41:04,170 --> 00:41:01,750

died of it his father has died of it his

1018

00:41:06,570 --> 00:41:04,180

brother has died of it his sister has it

1019

00:41:08,100 --> 00:41:06,580

and he's got it and they don't they

1020

00:41:11,940 --> 00:41:08,110

can't see that this is genetically

1021

00:41:13,440 --> 00:41:11,950

linked the people you do not want you

1022

00:41:14,640 --> 00:41:13,450

the government no there's they don't

1023

00:41:17,070 --> 00:41:14,650

want you to know that some of these

1024

00:41:19,230 --> 00:41:17,080

cancers are actually contagious right

1025

00:41:20,820 --> 00:41:19,240

and well I've learned a lot about cancer

1026

00:41:22,260 --> 00:41:20,830

in the industry from listening to your

1027

00:41:24,270 --> 00:41:22,270

previous interviews and your writing and

1028

00:41:26,010 --> 00:41:24,280

obviously we've established they want us

1029

00:41:27,930 --> 00:41:26,020

to stay sick and on the chemo payroll

1030

00:41:29,880 --> 00:41:27,940

but an aspect of this that really opened

1031

00:41:31,740 --> 00:41:29,890

my eyes that you've talked about is

1032

00:41:34,110 --> 00:41:31,750

biopsies can you talk to us about how

1033

00:41:37,560 --> 00:41:34,120

they make the problem worse yeah I

1034

00:41:39,960 --> 00:41:37,570

prefer therma grams not mammograms but

1035

00:41:42,570 --> 00:41:39,970

our x-rays but you can use a thermogram

1036

00:41:45,420 --> 00:41:42,580

and and you can see hot spots now as

1037

00:41:48,750 --> 00:41:45,430

cancer develops hot spots because

1038

00:41:52,110 --> 00:41:48,760

they're multiplying so quickly and they

1039

00:41:54,330 --> 00:41:52,120

need a lot of blood supply they kind of

1040

00:41:56,490 --> 00:41:54,340

carry in as much blood as they can they

1041

00:41:58,920 --> 00:41:56,500

create an acid environment by the way

1042

00:42:01,770 --> 00:41:58,930

people think that they need to go on an

1043

00:42:04,350 --> 00:42:01,780

anti acid diet there's a cancer is gonna

1044

00:42:06,210 --> 00:42:04,360

make acid that's what they do okay they

1045

00:42:08,280 --> 00:42:06,220

make their own acid no matter what type

1046

00:42:11,010 --> 00:42:08,290

of diet you're on what you want to have

1047

00:42:13,530 --> 00:42:11,020

is a good rounded diet with fresh fruits

1048

00:42:14,940 --> 00:42:13,540

and vegetables and and get your various

1049

00:42:17,280 --> 00:42:14,950

we could talk about the various

1050

00:42:19,320 --> 00:42:17,290

supplements that can help you but let's

1051  
00:42:21,450 --> 00:42:19,330  
look again what you were talking about

1052  
00:42:24,390 --> 00:42:21,460  
and would you repeat the question so I

1053  
00:42:26,730 --> 00:42:24,400  
do not want to what about biopsies makes

1054  
00:42:28,380 --> 00:42:26,740  
cancer worse because there are different

1055  
00:42:31,470 --> 00:42:28,390  
aspects that we could talk about for

1056  
00:42:34,290 --> 00:42:31,480  
example even lots of x-rays like

1057  
00:42:36,690 --> 00:42:34,300  
mammograms though can do so much harm to

1058  
00:42:39,150 --> 00:42:36,700  
the tissues and I'm just aged people

1059  
00:42:42,060 --> 00:42:39,160  
please choose the mammogram not the

1060  
00:42:45,000 --> 00:42:42,070  
mammogram but the thermogram a friend of

1061  
00:42:46,800 --> 00:42:45,010  
mine who did this they found a cancer in

1062  
00:42:48,690 --> 00:42:46,810  
her neck because the thermogram will

1063  
00:42:50,520 --> 00:42:48,700

scan parts of your body that besides

1064

00:42:52,260 --> 00:42:50,530

your breasts and

1065

00:42:55,650 --> 00:42:52,270

save your life never would have been

1066

00:42:59,130 --> 00:42:55,660

detected on her neck you know what's a

1067

00:43:01,830 --> 00:42:59,140

mammogram all right similarly they the

1068

00:43:04,350 --> 00:43:01,840

idea is you punch a hole when you have

1069

00:43:07,890 --> 00:43:04,360

to go and get it biopsy made you have to

1070

00:43:09,630 --> 00:43:07,900

take a needle and you insert it and when

1071

00:43:11,610 --> 00:43:09,640

you do this you're making an opening to

1072

00:43:14,400 --> 00:43:11,620

the outside of the body of course you

1073

00:43:16,230 --> 00:43:14,410

know you're punching it opening in and

1074

00:43:18,000 --> 00:43:16,240

even though it's microscopic it looks

1075

00:43:20,040 --> 00:43:18,010

like to us it's when you look at it

1076

00:43:22,410 --> 00:43:20,050

under a microscope it's a big hole it's

1077

00:43:24,300 --> 00:43:22,420

been punched in and of course viruses

1078

00:43:25,920 --> 00:43:24,310

and everything can enter so there's

1079

00:43:28,710 --> 00:43:25,930

always the risk of infection but here's

1080

00:43:30,900 --> 00:43:28,720

what happens it touches the cancer and

1081

00:43:32,850 --> 00:43:30,910

it penetrates into the cancer it's

1082

00:43:34,890 --> 00:43:32,860

pulled out again all right it sucks out

1083

00:43:36,810 --> 00:43:34,900

some of this or you cut some of it out

1084

00:43:38,070 --> 00:43:36,820

you clip it out and that's what they

1085

00:43:39,930 --> 00:43:38,080

usually do huh

1086

00:43:42,630 --> 00:43:39,940

all right when you clip it out remember

1087

00:43:45,390 --> 00:43:42,640

you have then a raw hole there and that

1088

00:43:47,490 --> 00:43:45,400

hole if you cells are very small most

1089

00:43:50,580 --> 00:43:47,500

most cells in the body are very small

1090

00:43:52,560 --> 00:43:50,590

you withdraw this item that you have

1091

00:43:55,290 --> 00:43:52,570

inserted and with it you're going to

1092

00:43:58,530 --> 00:43:55,300

pull who knows how many cancer cells out

1093

00:44:02,490 --> 00:43:58,540

with it you see it I'm saying right but

1094

00:44:04,680 --> 00:44:02,500

yet I with the tiny prostate gland I

1095

00:44:06,480 --> 00:44:04,690

know someone who had ten biopsies done

1096

00:44:09,330 --> 00:44:06,490

on his prostate before they just finally

1097

00:44:13,650 --> 00:44:09,340

decided oh he's got cancer I told this

1098

00:44:16,800 --> 00:44:13,660

man don't do the biopsy please just get

1099

00:44:18,540 --> 00:44:16,810

it out do your exercises your pelvic

1100

00:44:21,450 --> 00:44:18,550

exercises so you won't have to wear

1101

00:44:23,220 --> 00:44:21,460

diapers and be embarrassed and get

1102

00:44:26,400 --> 00:44:23,230

yourself a doctor who knows what he's

1103

00:44:29,700 --> 00:44:26,410

doing and get it out because you'll live

1104

00:44:33,090 --> 00:44:29,710

now my former husband Robert Baker was

1105

00:44:35,490 --> 00:44:33,100

diagnosed with prostatitis and I said to

1106

00:44:38,520 --> 00:44:35,500

him at that time we weren't very

1107

00:44:42,420 --> 00:44:38,530

friendly terms his wife really doesn't

1108

00:44:45,510 --> 00:44:42,430

like me but yeah yeah that's the way it

1109

00:44:47,820 --> 00:44:45,520

is sometimes he still writes on Facebook

1110

00:44:51,540 --> 00:44:47,830

and thinks that our anyway let's don't

1111

00:44:54,420 --> 00:44:51,550

go down boy the point is is that he did

1112

00:44:56,250 --> 00:44:54,430

not listen to me he said I don't want to

1113

00:44:58,770 --> 00:44:56,260

lose my sexual function when I said

1114

00:45:00,990 --> 00:44:58,780

you'd get it out instead he kept it you

1115

00:45:03,540 --> 00:45:01,000

got there useful seeds the radiation is

1116

00:45:04,160 --> 00:45:03,550

supposed to knock it out and so on

1117

00:45:09,289 --> 00:45:04,170

finally

1118

00:45:11,359 --> 00:45:09,299

giving him female hormones trying to

1119

00:45:14,539 --> 00:45:11,369

stop the discourage going through his

1120

00:45:17,109 --> 00:45:14,549

body he dies in agony after all their

1121

00:45:20,059 --> 00:45:17,119

chemo after all their radiation after

1122

00:45:22,880 --> 00:45:20,069

everything of bone cancer and that is

1123

00:45:25,339 --> 00:45:22,890

such a painful way to go right that's so

1124

00:45:27,289 --> 00:45:25,349

sad they're poking tumors trying to

1125

00:45:28,609 --> 00:45:27,299

release cancer so they can treat it and

1126

00:45:32,089 --> 00:45:28,619

you're paying them for that privilege

1127

00:45:33,530 --> 00:45:32,099

but they really they they want the

1128

00:45:35,539 --> 00:45:33,540

biopsy so you can see it under the

1129

00:45:37,400 --> 00:45:35,549

microscope for several reasons like oh

1130

00:45:38,630 --> 00:45:37,410

we better not take something out and

1131

00:45:40,670 --> 00:45:38,640

then find out it's not cancers they

1132

00:45:42,829 --> 00:45:40,680

could sue us you know they've got all

1133

00:45:44,870 --> 00:45:42,839

these excuses you know yeah I mean they

1134

00:45:47,120 --> 00:45:44,880

can claim ignorance to a degree but when

1135

00:45:48,980 --> 00:45:47,130

you find out that the simian virus was

1136

00:45:50,870 --> 00:45:48,990

in the polio vaccine for decades longer

1137

00:45:52,280 --> 00:45:50,880

than they said I mean I wonder like

1138

00:45:54,200 --> 00:45:52,290

what's an accident and what's a

1139

00:45:56,750 --> 00:45:54,210

carefully controlled campaign against

1140

00:45:59,210 --> 00:45:56,760

the people of the country oh it's yeah

1141

00:46:02,059 --> 00:45:59,220

if there are so many if you go and look

1142

00:46:04,849 --> 00:46:02,069

at the recalls on various most of them

1143

00:46:07,490 --> 00:46:04,859

are for recalls on like bags that are

1144

00:46:08,960 --> 00:46:07,500

that are that have dirtied up or they're

1145

00:46:10,520 --> 00:46:08,970

contaminated and they're putting blood

1146

00:46:12,710 --> 00:46:10,530

into the bags or something like that but

1147

00:46:15,559 --> 00:46:12,720

every once in a while you run into one

1148

00:46:17,450 --> 00:46:15,569

of the vaccines that is so dirty that

1149

00:46:18,920 --> 00:46:17,460

they have to recall it you know they

1150

00:46:21,200 --> 00:46:18,930

don't like you know about that but you

1151

00:46:23,809 --> 00:46:21,210

can find it online right yeah I mean

1152

00:46:26,180 --> 00:46:23,819

you're risk taking so much just fooling

1153

00:46:27,770 --> 00:46:26,190

around with these vaccines you're

1154

00:46:29,660 --> 00:46:27,780

supposed to be some kind of nut if you

1155

00:46:31,730 --> 00:46:29,670

believe that you should take every

1156

00:46:33,589 --> 00:46:31,740

vaccination and the doctor asks you to

1157

00:46:35,809 --> 00:46:33,599

take I want to tell you that

1158

00:46:38,329 --> 00:46:35,819

veterinarian you may have heard this and

1159

00:46:40,670 --> 00:46:38,339

from the talk I've had given before but

1160

00:46:42,890 --> 00:46:40,680

a veterinarian with a classic dog you

1161

00:46:44,630 --> 00:46:42,900

know pedigree dog they're puppies mm-hm

1162

00:46:46,190 --> 00:46:44,640

it gives them a test to see how the

1163

00:46:47,569 --> 00:46:46,200

mothers antibodies are doing because

1164

00:46:49,670 --> 00:46:47,579

they do not want to give a vaccination

1165

00:46:52,549 --> 00:46:49,680

too soon because it can cause all kinds

1166

00:46:55,250 --> 00:46:52,559

of damages but we don't give our our own

1167

00:46:57,230 --> 00:46:55,260

human children these tests so you have a

1168

00:46:59,450 --> 00:46:57,240

child that's that's drinking from its

1169

00:47:01,880 --> 00:46:59,460

mother's breast milk okay and getting

1170

00:47:03,559 --> 00:47:01,890

all kinds of all the kind of antibodies

1171

00:47:07,039 --> 00:47:03,569

they need but they go to go and throw

1172

00:47:09,079 --> 00:47:07,049

vaccinations on a child at birth

1173

00:47:11,030 --> 00:47:09,089

it's called insulting the system when

1174

00:47:13,430 --> 00:47:11,040

you give them an overburden of something

1175

00:47:15,500 --> 00:47:13,440

that's called an insult we insult the

1176

00:47:17,630 --> 00:47:15,510

baby's immune system which is just

1177

00:47:20,630 --> 00:47:17,640

barely getting started with

1178

00:47:21,859 --> 00:47:20,640

barrage of of challenges ah and here

1179

00:47:24,440 --> 00:47:21,869

they're drinking their mother's milk the

1180

00:47:28,099 --> 00:47:24,450

mother is supplying the antibodies that

1181

00:47:30,109 --> 00:47:28,109

will help kill this stuff off when they

1182

00:47:31,759 --> 00:47:30,119

don't need a vaccination on many counts

1183

00:47:33,230 --> 00:47:31,769

if the mothers antibodies have been

1184

00:47:36,079 --> 00:47:33,240

checked for what they what they're

1185

00:47:38,750 --> 00:47:36,089

strong in now we have over in Sweden and

1186

00:47:41,720 --> 00:47:38,760

scan all Scandinavia Iceland Finland

1187

00:47:45,920 --> 00:47:41,730

Denmark and like even Germany oh there

1188

00:47:48,410 --> 00:47:45,930

they do not require even on maybe 11 to

1189

00:47:52,250 --> 00:47:48,420

13 vaccinations and whereas in the

1190

00:47:53,779 --> 00:47:52,260

United States we begin at 45 46 why not

1191

00:47:56,960 --> 00:47:53,789

sell people another one if there's no

1192

00:47:59,120 --> 00:47:56,970

resistance whatsoever well what you try

1193

00:48:01,789 --> 00:47:59,130

to tell people what you have here in

1194

00:48:03,829 --> 00:48:01,799

your bloodstream think about traffic and

1195

00:48:05,809 --> 00:48:03,839

how you can have traffic jams and

1196

00:48:08,210 --> 00:48:05,819

clogging going on in intersections

1197

00:48:10,609 --> 00:48:08,220

because literally in some of these

1198

00:48:12,500 --> 00:48:10,619

overburdened systems there are so many

1199

00:48:13,549 --> 00:48:12,510

antibodies and old antibodies not

1200

00:48:15,710 --> 00:48:13,559

working where especially if they're

1201

00:48:18,099 --> 00:48:15,720

getting flu shots every year most of

1202

00:48:21,140 --> 00:48:18,109

shots are already obsolete before

1203

00:48:24,109 --> 00:48:21,150

because they those mutate so quickly

1204

00:48:27,710 --> 00:48:24,119

those viruses do so here you actually

1205

00:48:30,410 --> 00:48:27,720

are having people coming in with livers

1206

00:48:32,839 --> 00:48:30,420

that are so clogged with antibodies that

1207

00:48:34,910 --> 00:48:32,849

they're not functioning properly right

1208

00:48:36,589 --> 00:48:34,920

well I mean we could have any relation

1209

00:48:38,420 --> 00:48:36,599

to clogged arteries in the heart heart

1210

00:48:40,039 --> 00:48:38,430

disease being our number one killer

1211

00:48:41,930 --> 00:48:40,049

guess what heart disease is not the

1212

00:48:44,990 --> 00:48:41,940

number one killer oh that's not true

1213

00:48:47,150 --> 00:48:45,000

I'll tell you why it looks that way they

1214

00:48:48,289 --> 00:48:47,160

do not they count heart attacks but they

1215

00:48:50,870 --> 00:48:48,299

don't tell you where the heart attacks

1216

00:48:52,910 --> 00:48:50,880

are all coming from a significant

1217

00:48:56,509 --> 00:48:52,920

percentage I say significant when you

1218

00:48:58,910 --> 00:48:56,519

when otherwise it's 50/50 whether heart

1219

00:49:00,769 --> 00:48:58,920

disease and cardiovascular problems you

1220

00:49:04,700 --> 00:49:00,779

know are killing people more than

1221

00:49:07,220 --> 00:49:04,710

cancers because a lot of people die from

1222

00:49:09,170 --> 00:49:07,230

heart attacks from chemotherapy and

1223

00:49:11,870 --> 00:49:09,180

cancer and they count that as heart

1224

00:49:15,289 --> 00:49:11,880

attacks what's very related yeah so when

1225

00:49:18,799 --> 00:49:15,299

you add those in it's a 50-50 throw up

1226

00:49:20,420 --> 00:49:18,809

and cancer comes slightly ahead well

1227

00:49:23,059 --> 00:49:20,430

they love to fudge data we know that

1228

00:49:24,499 --> 00:49:23,069

well there's another way and people need

1229

00:49:26,779 --> 00:49:24,509

to understand you've heard about

1230

00:49:30,319 --> 00:49:26,789

five-year survival rate right mm-hmm

1231

00:49:31,500 --> 00:49:30,329

right sounds good right uh-huh well what

1232

00:49:33,960 --> 00:49:31,510

about five years and one

1233

00:49:36,330 --> 00:49:33,970

and the guy dies of cancer they include

1234

00:49:38,760 --> 00:49:36,340

him because he's still alive on but the

1235

00:49:43,440 --> 00:49:38,770

next day he dies but he's included in

1236

00:49:46,650 --> 00:49:43,450

that statistic worse it used to be when

1237

00:49:49,230 --> 00:49:46,660

I was in school as a kid it was five

1238

00:49:52,170 --> 00:49:49,240

years cancer-free they don't say that

1239

00:49:54,960 --> 00:49:52,180

anymore so though they by Saint by

1240

00:49:58,050 --> 00:49:54,970

mixing this five years cancer-free with

1241

00:50:01,460 --> 00:49:58,060

five year survival it makes it look like

1242

00:50:04,320 --> 00:50:01,470

hey you know some of these cancers are

1243

00:50:06,410 --> 00:50:04,330

level or they're actually some of the

1244

00:50:09,630 --> 00:50:06,420

breast cancers and especially childhood

1245

00:50:12,000 --> 00:50:09,640

leukemias and the reason those work so

1246

00:50:14,670 --> 00:50:12,010

well first early detection helps a

1247

00:50:17,520 --> 00:50:14,680

little but what really we're looking at

1248

00:50:18,540 --> 00:50:17,530

is anytime you have anything that where

1249

00:50:21,660 --> 00:50:18,550

you can treat it through the bloodstream

1250

00:50:23,730 --> 00:50:21,670

directly in leukemia will immediately

1251  
00:50:25,650 --> 00:50:23,740  
some of those keep some of those chemo

1252  
00:50:27,570 --> 00:50:25,660  
therapeutic actions will work because

1253  
00:50:30,390 --> 00:50:27,580  
you're working with the blood right

1254  
00:50:33,150 --> 00:50:30,400  
directly not in tissues and bone and so

1255  
00:50:35,670 --> 00:50:33,160  
on mm-hmm now I had a friend his name

1256  
00:50:37,470 --> 00:50:35,680  
was Ted sherry and his we called him

1257  
00:50:39,690 --> 00:50:37,480  
tree frog and he gave us all kinds of

1258  
00:50:42,450 --> 00:50:39,700  
wonderful information about the Kennedy

1259  
00:50:44,520 --> 00:50:42,460  
assassination he was very good to me and

1260  
00:50:47,100 --> 00:50:44,530  
often told me who my enemies were

1261  
00:50:50,580 --> 00:50:47,110  
because he was friends with them but

1262  
00:50:53,490 --> 00:50:50,590  
Eddie had bladder cancer those doctors

1263  
00:50:55,620 --> 00:50:53,500

never told him that he should never lie

1264

00:50:59,010 --> 00:50:55,630

down and put his leg his legs up above

1265

00:51:00,690 --> 00:50:59,020

you know his midriff never do it because

1266

00:51:02,940 --> 00:51:00,700

if you have bladder cancer you can go

1267

00:51:06,120 --> 00:51:02,950

and the cancer cells can actually leak

1268

00:51:08,670 --> 00:51:06,130

up into the kidneys hmm so you keep your

1269

00:51:11,310 --> 00:51:08,680

legs down that way and of course you

1270

00:51:13,620 --> 00:51:11,320

should drink lots of fluid and evacuate

1271

00:51:16,500 --> 00:51:13,630

your bladder as often as you possibly

1272

00:51:18,270 --> 00:51:16,510

can and if I were a doctor treating

1273

00:51:19,920 --> 00:51:18,280

someone like that I would throw vitamin

1274

00:51:21,630 --> 00:51:19,930

C and everything else right up into the

1275

00:51:24,690 --> 00:51:21,640

bladder I worked on it from the inside

1276

00:51:26,880 --> 00:51:24,700

out poor thing here what happened is

1277

00:51:28,980 --> 00:51:26,890

they said he was going to die like three

1278

00:51:31,380 --> 00:51:28,990

months and I asked him what he was doing

1279

00:51:35,190 --> 00:51:31,390

and anyway we he went on his very

1280

00:51:38,550 --> 00:51:35,200

special diet and it included all your

1281

00:51:40,320 --> 00:51:38,560

bright colored berries and so on but

1282

00:51:42,900 --> 00:51:40,330

mostly the brightly colored vegetables

1283

00:51:45,050 --> 00:51:42,910

anything orange or purple or dark green

1284

00:51:47,330 --> 00:51:45,060

all these are good for you he

1285

00:51:50,030 --> 00:51:47,340

cut back on pork interestingly enough

1286

00:51:51,710 --> 00:51:50,040

Denmark has the highest cancer death

1287

00:51:54,620 --> 00:51:51,720

rate in the world and they eat more pork

1288

00:51:58,040 --> 00:51:54,630

than anybody else and candy and when you

1289

00:51:59,630 --> 00:51:58,050

contrast that with with the over in

1290

00:52:01,010 --> 00:51:59,640

Muslim countries where they're not

1291

00:52:03,500 --> 00:52:01,020

allowed to eat pork but they're eating

1292

00:52:06,290 --> 00:52:03,510

camel and all kinds of different foods

1293

00:52:08,570 --> 00:52:06,300

over there that I say well they drink

1294

00:52:12,620 --> 00:52:08,580

camel milk they're eating camel meat and

1295

00:52:14,900 --> 00:52:12,630

so on lots of lamb red meats they're not

1296

00:52:17,390 --> 00:52:14,910

getting cancer and that was also true of

1297

00:52:19,700 --> 00:52:17,400

your many primitive tribes that we're

1298

00:52:22,040 --> 00:52:19,710

eating just nothing but meat so it's not

1299

00:52:25,010 --> 00:52:22,050

exactly the meat itself it is the sugar

1300

00:52:26,870 --> 00:52:25,020

and the conversions to sugar potatoes

1301

00:52:28,940 --> 00:52:26,880

for example but convert right in your

1302

00:52:31,430 --> 00:52:28,950

mouth start converting your own saliva

1303

00:52:33,230 --> 00:52:31,440

starts to converting it into sugar you

1304

00:52:35,780 --> 00:52:33,240

can also look at the patterns about the

1305

00:52:37,610 --> 00:52:35,790

diets of the Apaches and how it changed

1306

00:52:39,590 --> 00:52:37,620

over time as an indicator as some yeah

1307

00:52:41,300 --> 00:52:39,600

absolutely of course you know I worked

1308

00:52:42,770 --> 00:52:41,310

with Apaches I taught on the Indian

1309

00:52:45,290 --> 00:52:42,780

Reservation out there under White

1310

00:52:47,540 --> 00:52:45,300

Mountain and all with those poor people

1311

00:52:50,780 --> 00:52:47,550

of Ganzer I love them they are wonderful

1312

00:52:51,500 --> 00:52:50,790

people but a lot of their way 300 or 400

1313

00:52:53,630 --> 00:52:51,510

pounds

1314

00:52:57,590 --> 00:52:53,640

there have been four stood it to stay in

1315

00:53:00,860 --> 00:52:57,600

one place and to focus on a diet that's

1316

00:53:02,930 --> 00:53:00,870

very heavy and corn tortillas and so on

1317

00:53:04,360 --> 00:53:02,940

to me unfortunately for them they're

1318

00:53:07,490 --> 00:53:04,370

getting died they have a diabetes

1319

00:53:10,730 --> 00:53:07,500

epidemic because of it now I what I

1320

00:53:12,770 --> 00:53:10,740

think is fascinating is that yeah we had

1321

00:53:15,020 --> 00:53:12,780

no cancer you saw no cancer among these

1322

00:53:16,460 --> 00:53:15,030

Apaches when they were following the

1323

00:53:18,680 --> 00:53:16,470

Buffalo it was they were eating mainly

1324

00:53:20,780 --> 00:53:18,690

buffalo meat and any dried berries and

1325

00:53:23,600 --> 00:53:20,790

once awhile they would read you know the

1326

00:53:25,970 --> 00:53:23,610

Navajo which also really Apache but they

1327

00:53:28,370 --> 00:53:25,980

settled down they would raid them and

1328

00:53:30,040 --> 00:53:28,380

get some of their food and take some of

1329

00:53:32,840 --> 00:53:30,050

their kids you know things like that

1330

00:53:35,180 --> 00:53:32,850

well they were healthy and strong but

1331

00:53:38,240 --> 00:53:35,190

now that they're on reservations they're

1332

00:53:41,750 --> 00:53:38,250

fat and frankly they're ill they're sick

1333

00:53:44,630 --> 00:53:41,760

that's it's it's sad to see so it's not

1334

00:53:46,820 --> 00:53:44,640

necessarily a diet that avoids meat

1335

00:53:48,800 --> 00:53:46,830

completely although with our modern

1336

00:53:51,430 --> 00:53:48,810

diets and with whatever they're putting

1337

00:53:54,530 --> 00:53:51,440

in people cattles miles you know

1338

00:53:56,690 --> 00:53:54,540

probably you should really reduce your

1339

00:53:58,480 --> 00:53:56,700

red meat too and watch out if your

1340

00:54:01,330 --> 00:53:58,490

chicken has hormones in it or what

1341

00:54:03,130 --> 00:54:01,340

ever don't eat it stay away from sugar

1342

00:54:05,350 --> 00:54:03,140

more than anything and stay away from

1343

00:54:08,260 --> 00:54:05,360

too much fruit because fruit sugar

1344

00:54:09,820 --> 00:54:08,270

fructose is the problem now something

1345

00:54:12,970 --> 00:54:09,830

interesting in our country we have like

1346

00:54:15,760 --> 00:54:12,980

almost all your your sweet sweeteners

1347

00:54:18,600 --> 00:54:15,770

now they're based on corn syrup solids

1348

00:54:22,240 --> 00:54:18,610

corn syrup and high fructose

1349

00:54:24,250 --> 00:54:22,250

SERPs all of these are they'll give you

1350

00:54:27,400 --> 00:54:24,260

a good case of diabetes if you're a kid

1351

00:54:29,080 --> 00:54:27,410

and even sugar itself is better off

1352

00:54:32,620 --> 00:54:29,090

because there's some fructose in it and

1353

00:54:35,470 --> 00:54:32,630

all that it's not all sucrose but even

1354

00:54:38,890 --> 00:54:35,480

white sugar is better than this it's

1355

00:54:41,320 --> 00:54:38,900

this corn syrup chunk right we have it's

1356

00:54:44,380 --> 00:54:41,330

dangerous it's all for our part people

1357

00:54:46,000 --> 00:54:44,390

are on a poor diet you when you can

1358

00:54:48,760 --> 00:54:46,010

spend five dollars and can fill your

1359

00:54:50,710 --> 00:54:48,770

stomach and it's all dangerous for you

1360

00:54:53,320 --> 00:54:50,720

and you get to get fat you're gonna get

1361

00:54:55,450 --> 00:54:53,330

you know mm-hmm that's all and that was

1362

00:54:57,160 --> 00:54:55,460

one of my questions for you because as I

1363

00:54:59,170 --> 00:54:57,170

understand it if you have this sv40

1364

00:55:01,480 --> 00:54:59,180

virus it mutates into cancer and about

1365

00:55:03,490 --> 00:55:01,490

one in 200 people are these things the

1366

00:55:05,260 --> 00:55:03,500

factors and triggers that determine who

1367

00:55:07,090 --> 00:55:05,270

that one out of 200 is going to be or

1368

00:55:08,980 --> 00:55:07,100

are we just screwed if the damage is

1369

00:55:11,109 --> 00:55:08,990

already done if we know there are so

1370

00:55:13,330 --> 00:55:11,119

many ways you can trigger stress for

1371

00:55:15,849 --> 00:55:13,340

example Americans are among the highest

1372

00:55:17,980 --> 00:55:15,859

threats people and they work harder than

1373

00:55:20,260 --> 00:55:17,990

almost anybody else we've almost doubled

1374

00:55:23,230 --> 00:55:20,270

our production rates we haven't given it

1375

00:55:25,270 --> 00:55:23,240

the peoples of money what what makes me

1376  
00:55:26,740 --> 00:55:25,280  
almost laugh is I know so many people

1377  
00:55:28,570 --> 00:55:26,750  
they they don't dare take their

1378  
00:55:30,520 --> 00:55:28,580  
vacations it's on paper that they have

1379  
00:55:32,230 --> 00:55:30,530  
two weeks they don't dare take it right

1380  
00:55:34,750 --> 00:55:32,240  
all right you know and the other thing

1381  
00:55:37,000 --> 00:55:34,760  
is on paper they're paid maybe time and

1382  
00:55:39,970 --> 00:55:37,010  
a half but they make them work overtime

1383  
00:55:42,430 --> 00:55:39,980  
without putting on paper you know mm-hmm

1384  
00:55:45,760 --> 00:55:42,440  
and and if they don't do it they'll be

1385  
00:55:48,640 --> 00:55:45,770  
fired why if you can't just think we

1386  
00:55:50,650 --> 00:55:48,650  
have so many people overseas that their

1387  
00:55:53,650 --> 00:55:50,660  
workweek is 37 hours they're like in

1388  
00:55:57,070 --> 00:55:53,660

France it's even 30 just 35 they get

1389

00:55:59,500 --> 00:55:57,080

full benefits not in America when I see

1390

00:56:02,290 --> 00:55:59,510

that we have people overseas they're

1391

00:56:04,810 --> 00:56:02,300

getting free medical care I saw an 87

1392

00:56:06,970 --> 00:56:04,820

year old woman she was operated on for

1393

00:56:08,680 --> 00:56:06,980

stomach cancer she lived to be 90 after

1394

00:56:11,170 --> 00:56:08,690

the operation she was so happy

1395

00:56:12,160 --> 00:56:11,180

her family was happy in the United

1396

00:56:15,460 --> 00:56:12,170

States they never would

1397

00:56:18,490 --> 00:56:15,470

a chance mm-hmm and how many people are

1398

00:56:20,410 --> 00:56:18,500

losing their homes but let's go back to

1399

00:56:22,510 --> 00:56:20,420

this trigger factor about this before

1400

00:56:24,970 --> 00:56:22,520

you monkey virus almost anything could

1401

00:56:26,980 --> 00:56:24,980

cause it I have to go through TSA get

1402

00:56:30,460 --> 00:56:26,990

these x-rays but then I'm also on a

1403

00:56:33,160 --> 00:56:30,470

plane I've made I'll be making at the

1404

00:56:35,410 --> 00:56:33,170

end of July I'll have made eight trips

1405

00:56:37,510 --> 00:56:35,420

over this over the Atlantic Ocean back

1406

00:56:40,690 --> 00:56:37,520

and forth you know mm-hmm and a high

1407

00:56:43,900 --> 00:56:40,700

altitude where I'm being bathed in

1408

00:56:46,299 --> 00:56:43,910

radiation right there's nothing I can do

1409

00:56:48,849 --> 00:56:46,309

about it except try to fortify myself

1410

00:56:50,620 --> 00:56:48,859

but I probably will die of cancer I

1411

00:56:52,359 --> 00:56:50,630

worked with it I've even swallowed some

1412

00:56:53,710 --> 00:56:52,369

of it accidentally because when you're

1413

00:56:55,599 --> 00:56:53,720

working with test tubes and things you

1414

00:56:57,900 --> 00:56:55,609

have to suck yeah these suck up this

1415

00:57:00,280 --> 00:56:57,910

stuff in with pipettes

1416

00:57:02,380 --> 00:57:00,290

yeah you have cotton swab at the end

1417

00:57:04,329 --> 00:57:02,390

well if you that cotton swab gets wet

1418

00:57:06,579 --> 00:57:04,339

because you suck too hard hit your get

1419

00:57:08,200 --> 00:57:06,589

down on your mouth you know yeah you've

1420

00:57:10,150 --> 00:57:08,210

been exposed to a lot of radiation over

1421

00:57:11,980 --> 00:57:10,160

the years I was exposed to a lot of

1422

00:57:13,990 --> 00:57:11,990

radiation I really should be dead of

1423

00:57:16,450 --> 00:57:14,000

cancer by now but try to take good care

1424

00:57:18,910 --> 00:57:16,460

of myself and with all the x-rays and

1425

00:57:22,240 --> 00:57:18,920

things that where people are exposed to

1426

00:57:25,270 --> 00:57:22,250

the worst problem of all is nasty rotten

1427

00:57:26,980 --> 00:57:25,280

food sometimes literally that I can

1428

00:57:30,160 --> 00:57:26,990

hardly stand some of the food over here

1429

00:57:32,440 --> 00:57:30,170

having tasted really good food and like

1430

00:57:34,960 --> 00:57:32,450

go back to free medical care over there

1431

00:57:36,280 --> 00:57:34,970

here you lose your home in order to

1432

00:57:38,470 --> 00:57:36,290

trying to get yourself cared or

1433

00:57:41,440 --> 00:57:38,480

something we don't have inheritances

1434

00:57:44,079 --> 00:57:41,450

anymore when I'm overseas and I see that

1435

00:57:46,059 --> 00:57:44,089

I asked my friend George that was his

1436

00:57:48,700 --> 00:57:46,069

mother who said stomach cancer he had it

1437

00:57:51,039 --> 00:57:48,710

to again put add those up

1438

00:57:53,140 --> 00:57:51,049

he had it his mother had it well they

1439

00:57:55,390 --> 00:57:53,150

have a very they had a very poor diet

1440

00:57:57,789 --> 00:57:55,400

they didn't like they like to eat lots

1441

00:58:00,130 --> 00:57:57,799

of sugar and they ate they didn't like

1442

00:58:02,220 --> 00:58:00,140

fruits and vegetables and they got

1443

00:58:05,530 --> 00:58:02,230

stomach cancer it's very interesting

1444

00:58:07,780 --> 00:58:05,540

Wow yeah we live in troubled times and

1445

00:58:10,450 --> 00:58:07,790

people just seem to be letting it all

1446

00:58:13,480 --> 00:58:10,460

happen people feel helpless you when we

1447

00:58:16,329 --> 00:58:13,490

talked about against them giving these

1448

00:58:18,309 --> 00:58:16,339

shots over in Africa or India there

1449

00:58:20,410 --> 00:58:18,319

actually have more polio now than

1450

00:58:22,059 --> 00:58:20,420

they've ever had in use got so upset

1451  
00:58:23,289 --> 00:58:22,069  
about it I think they tried to sue or

1452  
00:58:26,070 --> 00:58:23,299  
something at least they kicked them out

1453  
00:58:27,960 --> 00:58:26,080  
because these poor people

1454  
00:58:30,300 --> 00:58:27,970  
I have lots more polio than they had

1455  
00:58:32,400 --> 00:58:30,310  
before the definition of polio has

1456  
00:58:35,220 --> 00:58:32,410  
changed you see it used to be that if

1457  
00:58:37,830 --> 00:58:35,230  
you got the fever and a headache or

1458  
00:58:40,170 --> 00:58:37,840  
whatever and it taking but it and and

1459  
00:58:42,210 --> 00:58:40,180  
you were paralyzed for say several days

1460  
00:58:45,000 --> 00:58:42,220  
but you got over it they don't they no

1461  
00:58:46,920 --> 00:58:45,010  
longer call that polio hmm you get that

1462  
00:58:49,950 --> 00:58:46,930  
a lot from some of these shots right

1463  
00:58:52,050 --> 00:58:49,960

they change definition because it has to

1464

00:58:54,690 --> 00:58:52,060

be a permanent I mean you know where

1465

00:58:56,760 --> 00:58:54,700

it's you you have you're paralyzed for

1466

00:58:59,040 --> 00:58:56,770

months then they say oh you have polio

1467

00:59:01,050 --> 00:58:59,050

but not you you and you you don't

1468

00:59:02,820 --> 00:59:01,060

have well that's a curiously on that

1469

00:59:04,710 --> 00:59:02,830

subject because you do seem to know so

1470

00:59:06,570 --> 00:59:04,720

much about the medical field and what's

1471

00:59:08,460 --> 00:59:06,580

going on I wonder doctor what helped

1472

00:59:10,830 --> 00:59:08,470

people you know right I've kept up with

1473

00:59:12,750 --> 00:59:10,840

these things do you have any thoughts on

1474

00:59:15,060 --> 00:59:12,760

the Morgellons stuff that's happening

1475

00:59:17,340 --> 00:59:15,070

well that's why I say it my story I have

1476

00:59:20,160 --> 00:59:17,350

plastic actually being created right out

1477

00:59:22,980 --> 00:59:20,170

of their heads wherever they want here's

1478

00:59:25,380 --> 00:59:22,990

the thing it's a shame I I'm not gonna

1479

00:59:26,910 --> 00:59:25,390

say that Morgellons is real I'm not

1480

00:59:29,520 --> 00:59:26,920

gonna go that far because I don't want

1481

00:59:33,630 --> 00:59:29,530

to get chomped on you know and broaden

1482

00:59:36,600 --> 00:59:33,640

upon but frankly it's possible it's

1483

00:59:38,790 --> 00:59:36,610

chemically and biochemically possible

1484

00:59:41,300 --> 00:59:38,800

because these flat plat there are

1485

00:59:45,060 --> 00:59:41,310

plastics that are so closely related to

1486

00:59:47,340 --> 00:59:45,070

keratin human hair that I can see if a

1487

00:59:49,380 --> 00:59:47,350

virus which is very very small

1488

00:59:51,770 --> 00:59:49,390

here's viruses are smaller than hairs

1489

00:59:54,000 --> 00:59:51,780

many Muslim re this is a mega virus I

1490

00:59:56,010 --> 00:59:54,010

can see where you could get a viral

1491

00:59:57,870 --> 00:59:56,020

infection that could take class could

1492

01:00:01,170 --> 00:59:57,880

take a regular hair and turn it into

1493

01:00:02,910 --> 01:00:01,180

plastic well it's possible I'm not

1494

01:00:05,760 --> 01:00:02,920

saying that's what's going on I'm saying

1495

01:00:07,860 --> 01:00:05,770

it is possible they they say all they've

1496

01:00:12,180 --> 01:00:07,870

done is scratch themselves and they got

1497

01:00:15,630 --> 01:00:12,190

fibers you know and in it it is possible

1498

01:00:18,620 --> 01:00:15,640

that nano fibers that have been

1499

01:00:21,600 --> 01:00:18,630

subjected to radiation could maybe be

1500

01:00:25,560 --> 01:00:21,610

activated when they hit DNA it could

1501

01:00:27,690 --> 01:00:25,570

even be a real kind of terrorism to put

1502

01:00:29,460 --> 01:00:27,700

on you can imagine if you wake up you've

1503

01:00:31,530 --> 01:00:29,470

got hair sprouting all over you this

1504

01:00:32,850 --> 01:00:31,540

green or something I mean what could

1505

01:00:34,860 --> 01:00:32,860

happen to us in the future of these

1506

01:00:37,350 --> 01:00:34,870

people we'll try anything if they could

1507

01:00:39,810 --> 01:00:37,360

spray whooping cough on us way back in

1508

01:00:42,780 --> 01:00:39,820

the 50s what can they do today

1509

01:00:44,820 --> 01:00:42,790

mm-hmm and I say they who are they so

1510

01:00:46,830 --> 01:00:44,830

many people say I just do what I'm told

1511

01:00:48,900 --> 01:00:46,840

well my friends as long as you do what

1512

01:00:52,620 --> 01:00:48,910

you told we're gonna have the world we

1513

01:00:54,510 --> 01:00:52,630

have mm-hmm well said and Wow Judy it is

1514

01:00:56,580 --> 01:00:54,520

about time I cut you loose but I

1515

01:00:58,140 --> 01:00:56,590

consider this a real milestone for me

1516

01:00:59,490 --> 01:00:58,150

just to spend some time talking with

1517

01:01:01,080 --> 01:00:59,500

someone who's so intimately involved

1518

01:01:02,760 --> 01:01:01,090

with this stuff and on behalf of the

1519

01:01:04,710 --> 01:01:02,770

listeners thanks for putting yourself at

1520

01:01:06,780 --> 01:01:04,720

risk to get the truth out it's a noble

1521

01:01:09,120 --> 01:01:06,790

thing you're very brave and to relive

1522

01:01:11,780 --> 01:01:09,130

this pain every time oh my god not

1523

01:01:14,790 --> 01:01:11,790

always brave in the middle of the night

1524

01:01:17,220 --> 01:01:14,800

it cannot be easy and to relive this

1525

01:01:19,830 --> 01:01:17,230

pain every time you speak out is got to

1526

01:01:22,290 --> 01:01:19,840

be difficult my friend but it's what's

1527

01:01:24,270 --> 01:01:22,300

nice is that you let me

1528

01:01:27,480 --> 01:01:24,280

they call it rambling on my enemies do

1529

01:01:29,700 --> 01:01:27,490

you know who rambles on but I think I

1530

01:01:31,260 --> 01:01:29,710

tried to do it give you a rich picture

1531

01:01:33,840 --> 01:01:31,270

of what's going on and not just keep it

1532

01:01:36,380 --> 01:01:33,850

in one spot you know we can't focus on

1533

01:01:38,460 --> 01:01:36,390

one spot I think it'd be kind of boring

1534

01:01:40,350 --> 01:01:38,470

that you feel like you've learned

1535

01:01:43,200 --> 01:01:40,360

something I hope it's helped somebody

1536

01:01:45,240 --> 01:01:43,210

absolutely absolutely if anybody wants

1537

01:01:48,690 --> 01:01:45,250

to go to see some of the stuff at my

1538

01:01:49,680 --> 01:01:48,700

blogs right it's Judith Baker Ju D Y th

1539

01:01:52,020 --> 01:01:49,690

Judith Baker

1540

01:01:54,750 --> 01:01:52,030

blogspot.com you can actually get

1541

01:01:56,670 --> 01:01:54,760

autographed books there and donations I

1542

01:01:58,650 --> 01:01:56,680

don't ask for don't I've never asked for

1543

01:02:02,070 --> 01:01:58,660

donations but I do tell you that there

1544

01:02:05,790 --> 01:02:02,080

is a button but that's as far as I'll go

1545

01:02:08,370 --> 01:02:05,800

I really appreciate all the people are

1546

01:02:10,050 --> 01:02:08,380

doing it sometimes I feel like the last

1547

01:02:13,050 --> 01:02:10,060

witness standing they are dying like

1548

01:02:17,130 --> 01:02:13,060

flies now hmm so as long as I can speak

1549

01:02:18,600 --> 01:02:17,140

and I show Amen and remind us once more

1550

01:02:19,980 --> 01:02:18,610

because he's mentioned it in the second

1551

01:02:21,990 --> 01:02:19,990

hour I wanted to say it again the

1552

01:02:24,120 --> 01:02:22,000

upcoming conference oh yes and it's

1553

01:02:27,510 --> 01:02:24,130

going to be held Dallas at the Crowne

1554

01:02:30,390 --> 01:02:27,520

Plaza Hotel you can go to JFK conference

1555

01:02:33,480 --> 01:02:30,400

calm or we're also going to put up JFK

1556

01:02:35,660 --> 01:02:33,490

conferences calm and the tickets are not

1557

01:02:41,190 --> 01:02:35,670

that expensive they're well they're

1558

01:02:44,010 --> 01:02:41,200

presently 80 I think they're \$85 \$95

1559

01:02:47,610 --> 01:02:44,020

like that and it's for all three days

1560

01:02:49,010 --> 01:02:47,620

the main thing is that we if there's

1561

01:02:51,150 --> 01:02:49,020

someone who really can't afford it

1562

01:02:52,579 --> 01:02:51,160

contact me I'll try and find a way to

1563

01:02:54,769 --> 01:02:52,589

get you a ticket because

1564

01:02:59,719 --> 01:02:54,779

that's more important than money this is

1565

01:03:02,839 --> 01:02:59,729

not we can't get a for a tax status that

1566

01:03:05,479 --> 01:03:02,849

says we're nonprofit it's they make it

1567

01:03:07,910 --> 01:03:05,489

really hard really good for someone like

1568

01:03:09,199 --> 01:03:07,920

us but what we do do is and the books

1569

01:03:11,599 --> 01:03:09,209

are open people can look we're not

1570

01:03:14,359 --> 01:03:11,609

making money off of this thing we but we

1571

01:03:16,279 --> 01:03:14,369

do I'm selling my paintings my paintings

1572

01:03:17,929 --> 01:03:16,289

sell for six thousand I do not keep the

1573

01:03:21,229 --> 01:03:17,939

money from that I can't afford to

1574

01:03:23,150 --> 01:03:21,239

actually mmm because I want people know

1575

01:03:25,459 --> 01:03:23,160

I don't keep money on this thing I just

1576

01:03:27,199 --> 01:03:25,469

story has never been for sale so it goes

1577

01:03:29,599 --> 01:03:27,209

straight into the conference so that's

1578

01:03:31,130 --> 01:03:29,609

that's how a lot of its being actually

1579

01:03:32,929 --> 01:03:31,140

financed but there are people have

1580

01:03:35,599 --> 01:03:32,939

really stuck their necks out here and

1581

01:03:38,179 --> 01:03:35,609

help finance it cut these conferences

1582

01:03:41,479 --> 01:03:38,189

are not cheap but we have probably the

1583

01:03:43,189 --> 01:03:41,489

best one in the world on something and

1584

01:03:44,689 --> 01:03:43,199

we're going to have another because of

1585

01:03:47,719 --> 01:03:44,699

all that's going on we're gonna have

1586

01:03:51,140 --> 01:03:47,729

surely rid everyone in Washington DC we

1587

01:03:53,420 --> 01:03:51,150

almost had one in Europe but it's the

1588

01:03:55,489 --> 01:03:53,430

legalities are kind of complicated we

1589

01:03:57,949 --> 01:03:55,499

probably will have one next year also in

1590

01:03:59,660 --> 01:03:57,959

Mexico City looking that way these

1591

01:04:01,519 --> 01:03:59,670

people are really excited they love

1592

01:04:02,900 --> 01:04:01,529

Kennedy and they haven't been told the

1593

01:04:03,679 --> 01:04:02,910

truth they really want to know it even

1594

01:04:06,679 --> 01:04:03,689

if they have to hear it through

1595

01:04:09,769 --> 01:04:06,689

translators hmm right on a lot of stuff

1596

01:04:11,150 --> 01:04:09,779

happening for sure Tippett somebody I'm

1597

01:04:12,769 --> 01:04:11,160

not saying take down the tip it's saying

1598

01:04:16,099 --> 01:04:12,779

but that's what I hear some some people

1599

01:04:18,890 --> 01:04:16,109

saying all right I'll set yeah take that

1600

01:04:20,900 --> 01:04:18,900

tip it sign down we've gotta do

1601

01:04:23,059 --> 01:04:20,910

something here to start turning it

1602

01:04:25,549 --> 01:04:23,069

around how dare the city of Dallas be

1603

01:04:27,650 --> 01:04:25,559

the judge and jury of Lee Oswald mm-hmm

1604

01:04:29,839 --> 01:04:27,660

great well hey Judy has been a real

1605

01:04:32,779 --> 01:04:29,849

pleasure getting to know you and talking

1606

01:04:34,549 --> 01:04:32,789

to you well thank you Greg absolutely

1607

01:04:36,439 --> 01:04:34,559

absolutely keep fighting the good fight

1608

01:04:39,169 --> 01:04:36,449

and do take care of yourself out there

1609

01:04:41,150 --> 01:04:39,179

it's dangerous join me on Facebook and

1610

01:04:43,549 --> 01:04:41,160

that's where I can help people and it

1611

01:04:45,769 --> 01:04:43,559

makes me really happy I always tell them

1612

01:04:47,779 --> 01:04:45,779

I have to you know be sure to see your

1613

01:04:49,910 --> 01:04:47,789

doctor you know get the information from

1614

01:04:52,309 --> 01:04:49,920

the doctor don't just believe me or all

1615

01:04:55,729 --> 01:04:52,319

that but I do hope that I could help

1616

01:04:57,499 --> 01:04:55,739

people and in some way at least even

1617

01:05:00,439 --> 01:04:57,509

though I couldn't go ahead and cure

1618

01:05:02,479 --> 01:05:00,449

cancer like I hoped or even be a doctor

1619

01:05:04,819 --> 01:05:02,489

I have been able to help some people and

1620

01:05:06,020 --> 01:05:04,829

that helped that helps well then that

1621

01:05:08,510 --> 01:05:06,030

dry-cell Almighty

1622

01:05:10,760 --> 01:05:08,520

mm-hmm well you're definitely making a

1623

01:05:12,620 --> 01:05:10,770

difference in more ways than one thanks

1624

01:05:14,810 --> 01:05:12,630

again all right and thank all of you

1625

01:05:17,440 --> 01:05:14,820

just thank you so much for everybody I'm

1626

01:05:21,320 --> 01:05:17,450

just so grateful perfect bye bye great

1627

01:05:23,120 --> 01:05:21,330

boom people Judith very Baker I feel a

1628

01:05:25,460 --> 01:05:23,130

little special getting this interview to

1629

01:05:27,770 --> 01:05:25,470

be one person removed from Lee Harvey

1630

01:05:31,130 --> 01:05:27,780

Oswald it's a cool feeling

1631

01:05:34,340 --> 01:05:31,140

but Judy is a very kind and empathetic

1632

01:05:36,410 --> 01:05:34,350

woman and I know she's stressed out this

1633

01:05:39,170 --> 01:05:36,420

wasn't exactly an easy interview to

1634

01:05:40,820 --> 01:05:39,180

secure and her having a scientific and

1635

01:05:42,740 --> 01:05:40,830

medical background as well as coming

1636

01:05:44,420 --> 01:05:42,750

forward with this story where I'm sure

1637

01:05:47,000 --> 01:05:44,430

she's taken a lot of criticism and

1638

01:05:49,850 --> 01:05:47,010

people picking apart her words trying to

1639

01:05:52,580 --> 01:05:49,860

find holes or ways to discredit this

1640

01:05:55,100 --> 01:05:52,590

saga so I understand and I don't mind

1641

01:05:57,050 --> 01:05:55,110

all the talking over me I think she's

1642

01:05:59,090 --> 01:05:57,060

just trying to be hyper-vigilant about

1643

01:06:01,520 --> 01:05:59,100

her words and everything that comes out

1644

01:06:05,510 --> 01:06:01,530

and how it comes out because of so much

1645

01:06:08,090 --> 01:06:05,520

scrutiny so I get it the details have to

1646

01:06:10,520 --> 01:06:08,100

be on point and consistent but as

1647

01:06:12,170 --> 01:06:10,530

interesting as the love affair angle is

1648

01:06:13,840 --> 01:06:12,180

I wanted to spend more time talking

1649

01:06:16,400 --> 01:06:13,850

about the weaponized cancer project

1650

01:06:18,620 --> 01:06:16,410

especially after last week's show with

1651  
01:06:20,630 --> 01:06:18,630  
Patrick Jordan I mean the weaponized

1652  
01:06:22,850 --> 01:06:20,640  
cancer Project and the polio vaccine

1653  
01:06:25,700 --> 01:06:22,860  
connection is something that affects all

1654  
01:06:27,470 --> 01:06:25,710  
of us way more than a love affair with

1655  
01:06:29,660 --> 01:06:27,480  
Lee Harvey Oswald as interesting as it

1656  
01:06:31,970 --> 01:06:29,670  
is also if you're trying to get a feel

1657  
01:06:34,310 --> 01:06:31,980  
for her truthfulness and legitimacy

1658  
01:06:35,900 --> 01:06:34,320  
I think that's easier to feel out when

1659  
01:06:38,060 --> 01:06:35,910  
talking about something like the medical

1660  
01:06:40,400 --> 01:06:38,070  
establishment and she definitely seems

1661  
01:06:42,620 --> 01:06:40,410  
to know her stuff do check out me and

1662  
01:06:44,540 --> 01:06:42,630  
Lee if you need any more evidence to go

1663  
01:06:46,250 --> 01:06:44,550

on because she throws a whole lot in

1664

01:06:48,230 --> 01:06:46,260

there but I thought it was a great show

1665

01:06:50,180 --> 01:06:48,240

I've been pretty preoccupied with the

1666

01:06:52,160 --> 01:06:50,190

medical and nutritional conspiracies

1667

01:06:53,930 --> 01:06:52,170

lately not that I have a lot of other

1668

01:06:55,880 --> 01:06:53,940

ones planned in this realm but it's

1669

01:06:58,010 --> 01:06:55,890

probably my biggest area of struggle

1670

01:07:00,560 --> 01:06:58,020

personally you know eating right and

1671

01:07:03,410 --> 01:07:00,570

avoiding the barrage of processed foods

1672

01:07:06,680 --> 01:07:03,420

and eating a diet more geared for just

1673

01:07:08,390 --> 01:07:06,690

health in general and exercise of course

1674

01:07:09,680 --> 01:07:08,400

it's all easier said than done but if

1675

01:07:12,710 --> 01:07:09,690

you look at the three pillars of

1676  
01:07:15,590 --> 01:07:12,720  
happiness typically being your romantic

1677  
01:07:18,500 --> 01:07:15,600  
life your financial life and your health

1678  
01:07:19,490 --> 01:07:18,510  
I'm with someone I love doing a job I

1679  
01:07:21,950 --> 01:07:19,500  
love but that the

1680  
01:07:23,390 --> 01:07:21,960  
pillar is sort of in shambles and we

1681  
01:07:24,980 --> 01:07:23,400  
should always focus on bringing our

1682  
01:07:26,870 --> 01:07:24,990  
weaknesses up to the level of our

1683  
01:07:28,160 --> 01:07:26,880  
strengths rather than just writing them

1684  
01:07:30,410 --> 01:07:28,170  
off as well

1685  
01:07:32,180 --> 01:07:30,420  
I just don't do good in that area screw

1686  
01:07:33,710 --> 01:07:32,190  
that I mean everybody's capable of being

1687  
01:07:36,110 --> 01:07:33,720  
in great health everyone can have a

1688  
01:07:38,630 --> 01:07:36,120

six-pack if they want one just do the

1689

01:07:40,700 --> 01:07:38,640

work try it out but because of all that

1690

01:07:43,010 --> 01:07:40,710

I like the medical and nutritional

1691

01:07:45,620 --> 01:07:43,020

topics we've kind of gotten into lately

1692

01:07:48,050 --> 01:07:45,630

and the cancer conversation always leads

1693

01:07:49,490 --> 01:07:48,060

to one about health and nutrition so we

1694

01:07:51,290 --> 01:07:49,500

got a little bit of it today of course

1695

01:07:53,000 --> 01:07:51,300

if you like the first hour sign up for

1696

01:07:55,400 --> 01:07:53,010

plus support the show that you know you

1697

01:07:57,110 --> 01:07:55,410

love you know I work hard on and you

1698

01:07:59,930 --> 01:07:57,120

know you've been listening to for free

1699

01:08:02,210 --> 01:07:59,940

for a long time \$5.00 here the whole

1700

01:08:05,030 --> 01:08:02,220

thing in today's plus show some of the

1701

01:08:07,070 --> 01:08:05,040

big things we got into were how the use

1702

01:08:09,140 --> 01:08:07,080

of antibiotics has decreased the

1703

01:08:11,210 --> 01:08:09,150

cleanliness standards and hospitals and

1704

01:08:13,520 --> 01:08:11,220

how ultraviolet lights in hospitals

1705

01:08:15,920 --> 01:08:13,530

could improve sanitation and probably

1706

01:08:18,710 --> 01:08:15,930

save a lot of lives if that was the goal

1707

01:08:21,260 --> 01:08:18,720

and we got into some details about Lee's

1708

01:08:23,210 --> 01:08:21,270

Widow Marina Oswald the couple's

1709

01:08:25,579 --> 01:08:23,220

marriage and why marina won't speak out

1710

01:08:27,559 --> 01:08:25,589

on her husband's behalf I was really

1711

01:08:29,870 --> 01:08:27,569

curious to ask Judy who's been very

1712

01:08:32,300 --> 01:08:29,880

public about her affair with Lee if

1713

01:08:35,539 --> 01:08:32,310

she's ever spoken with Lee's wife or

1714

01:08:38,360 --> 01:08:35,549

family she's still alive so I was

1715

01:08:40,269 --> 01:08:38,370

curious but it is a bit awkward and we

1716

01:08:42,920 --> 01:08:40,279

did get into that we also talked about

1717

01:08:45,349 --> 01:08:42,930

what some of Judy's critics have said

1718

01:08:48,440 --> 01:08:45,359

about our work lies they've told her

1719

01:08:51,349 --> 01:08:48,450

rebuttals and explanations and the

1720

01:08:53,930 --> 01:08:51,359

danger she's been in we also got into

1721

01:08:56,809 --> 01:08:53,940

the Ted Cruz thing insights into the

1722

01:08:59,180 --> 01:08:56,819

relationship to Ted Cruz's father Rafael

1723

01:09:01,280 --> 01:08:59,190

who was in Dallas at the time of the JFK

1724

01:09:03,789 --> 01:09:01,290

assassination we talked about why he was

1725

01:09:06,579 --> 01:09:03,799

there how suspicious it is that someone

1726

01:09:09,380 --> 01:09:06,589

connected to such a deep project and

1727

01:09:11,809 --> 01:09:09,390

propaganda would then have a son who is

1728

01:09:14,930 --> 01:09:11,819

one of the selected few who gets to

1729

01:09:17,240 --> 01:09:14,940

maybe be a presidential nominee and I

1730

01:09:19,249 --> 01:09:17,250

was also surprised this story kind of

1731

01:09:21,829 --> 01:09:19,259

hit the mainstream a little bit after

1732

01:09:23,630 --> 01:09:21,839

talking to Ed has him about it you know

1733

01:09:25,370 --> 01:09:23,640

Trump wasn't wrong on this one I think

1734

01:09:26,360 --> 01:09:25,380

he's the guy who brought it up and put

1735

01:09:29,090 --> 01:09:26,370

it out in the media and then they

1736

01:09:32,930 --> 01:09:29,100

quickly buried it and Judy had more to

1737

01:09:35,059 --> 01:09:32,940

add on that topic so all good stuff

1738

01:09:38,420 --> 01:09:35,069

really happy with the roster for the

1739

01:09:40,130 --> 01:09:38,430

next eight shows or so half of them are

1740

01:09:42,650 --> 01:09:40,140

already recorded I think you're gonna be

1741

01:09:44,090 --> 01:09:42,660

pretty impressed but that's it for me

1742

01:09:46,070 --> 01:09:44,100

and I guess I'll see you soon with the

1743

01:09:47,870 --> 01:09:46,080

fifth show of June your move

1744

01:09:49,970 --> 01:09:47,880

orchestrators of the chemo industrial

1745

01:09:52,059 --> 01:09:49,980

complex the cancer cure coverup and

1746

01:09:57,560 --> 01:09:52,069

bioweapon wielders of the power pyramid

1747

01:10:04,120 --> 01:09:57,570

your [h\_\_h] move no one knows what it's

1748

01:10:12,770 --> 01:10:04,130

like to be the bad man to be the sad man

1749

01:10:20,860 --> 01:10:12,780

behind blue eyes and no one knows what

1750

01:10:30,979 --> 01:10:20,870

it's like to be hated to be fated to

1751

01:10:45,760 --> 01:10:30,989

telling only lies but my dreams heart is

1752

01:11:00,680 --> 01:10:52,069

lonely since they exposed me

1753

01:11:17,250 --> 01:11:05,520

no one knows what it's like feel these

1754

01:11:23,060 --> 01:11:17,260

feelings like I do and I blame you no

1755

01:11:32,250 --> 01:11:23,070

one bites back is hard on their anger

1756

01:11:41,450 --> 01:11:32,260

love my pain one can show through but my

1757

01:11:59,300 --> 01:11:41,460

dreams aren't as empty as my conscience

1758

01:11:59,310 --> 01:12:36,650

see

1759

01:12:59,810 --> 01:12:45,330

but my dreams aren't as empty as my

1760

01:13:12,370 --> 01:12:59,820

conscience seems to be I have wait only

1761

01:13:30,439 --> 01:13:17,240

no one knows what it's like to be the

1762

01:13:34,350 --> 01:13:32,759

hey guys thanks for listening to the

1763

01:13:36,689 --> 01:13:34,360

first hour of the higher side chats

1764

01:13:38,759 --> 01:13:36,699

podcast with me Greg Carl wood if you

1765

01:13:41,129 --> 01:13:38,769

don't know there is a second hour to all

1766

01:13:42,810 --> 01:13:41,139

the episodes we do around here generally

1767

01:13:44,549 --> 01:13:42,820

we're able to get a lot deeper into the

1768

01:13:46,830 --> 01:13:44,559

topics and ideas that a guest is about

1769

01:13:49,680 --> 01:13:46,840

so if you enjoyed what you've heard from

1770

01:13:51,899 --> 01:13:49,690

THC for free consider signing up at the

1771

01:13:53,850 --> 01:13:51,909

higher side chats plus com to get the

1772

01:13:56,189 --> 01:13:53,860

second hour of the 5 shows I put

1773

01:13:58,080 --> 01:13:56,199

together each month I never really

1774

01:13:59,790 --> 01:13:58,090

wanted to be a paid subscriber podcast

1775

01:14:01,799 --> 01:13:59,800

but I really hate the idea of spending

1776

01:14:03,899 --> 01:14:01,809

airtime promoting some product that's

1777

01:14:05,549 --> 01:14:03,909

completely unrelated and telling you the

1778

01:14:08,339 --> 01:14:05,559

best way to support the show is to buy

1779

01:14:10,020 --> 01:14:08,349

an audio book or new underwear by mail

1780

01:14:12,569 --> 01:14:10,030

or something crazy like that so instead

1781

01:14:14,160 --> 01:14:12,579

if you like the show double your time

1782

01:14:16,259 --> 01:14:14,170

with it for five bucks a month and let's

1783

01:14:17,910 --> 01:14:16,269

cut out all the other [h\_\_h] it's half the

1784

01:14:19,680 --> 01:14:17,920

price of a movie ticket and you get at

1785

01:14:22,290 --> 01:14:19,690

least an extra five hours of show a

1786

01:14:24,089 --> 01:14:22,300

month collectively it keeps us stable

1787

01:14:25,680 --> 01:14:24,099

and it frees me from wasting your time

1788

01:14:28,229 --> 01:14:25,690

with anything but the show you came to

1789

01:14:30,209 --> 01:14:28,239

listen to it's really the only way for

1790

01:14:32,009 --> 01:14:30,219

an independent one-man show to make it

1791

01:14:34,259 --> 01:14:32,019

and I do what I can so that it's worth

1792

01:14:36,240 --> 01:14:34,269

your while since we started this I've

1793

01:14:38,250 --> 01:14:36,250

always tried to use the subscriptions to

1794

01:14:40,799 --> 01:14:38,260

improve the podcast and make signups

1795

01:14:42,720 --> 01:14:40,809

more advantageous it started with just a

1796

01:14:44,399 --> 01:14:42,730

second hour for the main show but now

1797

01:14:46,439 --> 01:14:44,409

we've got a nice forum going where

1798

01:14:48,180 --> 01:14:46,449

people can get deeper in conversation

1799

01:14:51,060 --> 01:14:48,190

about the episodes with other listeners

1800

01:14:53,310 --> 01:14:51,070

submit a candidate in the guest request

1801  
01:14:54,990 --> 01:14:53,320  
thread or share their own personal

1802  
01:14:57,089 --> 01:14:55,000  
projects to get out of the soul-crushing

1803  
01:14:59,669 --> 01:14:57,099  
nine-to-five cog in the wheel life on

1804  
01:15:01,109 --> 01:14:59,679  
the entrepreneurs thread the forum in

1805  
01:15:03,029 --> 01:15:01,119  
the Plus comments they're always the

1806  
01:15:05,279 --> 01:15:03,039  
first places I try to go for listener

1807  
01:15:07,649 --> 01:15:05,289  
engagement but it does get harder as the

1808  
01:15:09,509 --> 01:15:07,659  
show gets more popular because of that

1809  
01:15:10,979 --> 01:15:09,519  
there's also a direct messaging feature

1810  
01:15:13,799 --> 01:15:10,989  
that you can use to reach me through the

1811  
01:15:15,419 --> 01:15:13,809  
plus site also but beyond the forum if

1812  
01:15:17,609 --> 01:15:15,429  
you like any of the music I've used for

1813  
01:15:19,379 --> 01:15:17,619

THC most of it I've hired artists to

1814

01:15:21,629 --> 01:15:19,389

make and I provided all its free

1815

01:15:23,100 --> 01:15:21,639

downloads to plus members too so if you

1816

01:15:25,290 --> 01:15:23,110

like a particular song you've heard

1817

01:15:27,689 --> 01:15:25,300

close the show out recently come get the

1818

01:15:29,669 --> 01:15:27,699

mp3 I should also mention that if you

1819

01:15:32,009 --> 01:15:29,679

don't like the idea of paying \$5

1820

01:15:34,169 --> 01:15:32,019

recurring every month I get that you can

1821

01:15:36,540 --> 01:15:34,179

buy three months six months or a year

1822

01:15:38,279 --> 01:15:36,550

upfront and just be done with it I have

1823

01:15:40,830 --> 01:15:38,289

plenty of listeners who send checks and

1824

01:15:41,520 --> 01:15:40,840

money orders to the PIO box too I try to

1825

01:15:43,290 --> 01:15:41,530

make it as easy

1826

01:15:45,420 --> 01:15:43,300

for people as I can and you can read

1827

01:15:47,910 --> 01:15:45,430

more about it on the signup page also be

1828

01:15:49,620 --> 01:15:47,920

sure to check out the FAQ help page on

1829

01:15:51,180 --> 01:15:49,630

the plus site if you have any questions

1830

01:15:53,220 --> 01:15:51,190

or concerns about how to listen to a

1831

01:15:55,110 --> 01:15:53,230

password-protected show on your devices

1832

01:15:57,420 --> 01:15:55,120

I've highlighted a lot of great

1833

01:15:59,460 --> 01:15:57,430

solutions and one of those would be the

1834

01:16:01,980 --> 01:15:59,470

iPhone app that just recently hit the

1835

01:16:04,140 --> 01:16:01,990

Apple App Store a super kind and

1836

01:16:06,000 --> 01:16:04,150

talented listener made it for us and you

1837

01:16:08,160 --> 01:16:06,010

can use it to stream or download either

1838

01:16:11,130 --> 01:16:08,170

the free or the plus show if you're on

1839

01:16:12,690 --> 01:16:11,140

Android I'd use pocket casts or podcast

1840

01:16:15,270 --> 01:16:12,700

addict and subscribe to the feed

1841

01:16:17,970 --> 01:16:15,280

manually that way I also try to throw an

1842

01:16:19,980 --> 01:16:17,980

occasional bonus shows or QA shows and

1843

01:16:22,170 --> 01:16:19,990

I've got a few other weird ideas I might

1844

01:16:24,090 --> 01:16:22,180

get to try out soon but I give you all I

1845

01:16:25,770 --> 01:16:24,100

can for five bucks and I hope you'll at

1846

01:16:27,480 --> 01:16:25,780

least give it a shot if you've listened

1847

01:16:29,250 --> 01:16:27,490

to a few free shows and you find them

1848

01:16:31,020 --> 01:16:29,260

unique or valuable I know there's a lot

1849

01:16:33,180 --> 01:16:31,030

of podcasts out there and I'm just one

1850

01:16:35,010 --> 01:16:33,190

of them but if you have any questions

1851  
01:16:36,540 --> 01:16:35,020  
concerns or comments about any of this

1852  
01:16:39,390 --> 01:16:36,550  
please get in touch with us at the

1853  
01:16:41,340 --> 01:16:39,400  
higher side chats team @ gmail.com I

1854  
01:16:42,720 --> 01:16:41,350  
also wanted to plug the higher side

1855  
01:16:44,550 --> 01:16:42,730  
newsletter I'm going to be putting out

1856  
01:16:47,040 --> 01:16:44,560  
totally free for anyone who wants to

1857  
01:16:49,650 --> 01:16:47,050  
sign up at the main internet website for

1858  
01:16:51,480 --> 01:16:49,660  
the show the higher side chats comm you

1859  
01:16:53,130 --> 01:16:51,490  
can also get on that email list through

1860  
01:16:55,350 --> 01:16:53,140  
the higher side chats Facebook page

1861  
01:16:56,730 --> 01:16:55,360  
there's a button there as well but the

1862  
01:16:59,190 --> 01:16:56,740  
reason I'm doing this is because I get

1863  
01:17:01,050 --> 01:16:59,200

tons and tons of emails after a show

1864

01:17:03,150 --> 01:17:01,060

goes up asking me about how I feel about

1865

01:17:04,740 --> 01:17:03,160

a particular guest or topic and the

1866

01:17:06,660 --> 01:17:04,750

wrap-up isn't always the best place to

1867

01:17:08,700 --> 01:17:06,670

do that especially if I have anything

1868

01:17:10,590 --> 01:17:08,710

negative to say sometimes the dust needs

1869

01:17:13,050 --> 01:17:10,600

to settle sometimes they need to hear

1870

01:17:14,640 --> 01:17:13,060

feedback from you guys first there are a

1871

01:17:16,230 --> 01:17:14,650

lot of factors but I usually have

1872

01:17:18,840 --> 01:17:16,240

something to communicate to you and I

1873

01:17:19,200 --> 01:17:18,850

just don't get to do it so on the 1st of

1874

01:17:20,820 --> 01:17:19,210

the month

1875

01:17:22,740 --> 01:17:20,830

I plan to send out a little newsletter

1876

01:17:24,570 --> 01:17:22,750

with my thoughts about the 5 shows the

1877

01:17:26,610 --> 01:17:24,580

previous month and talk to you about

1878

01:17:28,980 --> 01:17:26,620

anything else that's on my mind or

1879

01:17:30,870 --> 01:17:28,990

that's going on and what's probably most

1880

01:17:32,730 --> 01:17:30,880

enticing is that I'm gonna give you some

1881

01:17:34,860 --> 01:17:32,740

insight into at least one guest I have

1882

01:17:36,870 --> 01:17:34,870

coming up in the month which people have

1883

01:17:37,830 --> 01:17:36,880

been begging for some posted schedule

1884

01:17:39,870 --> 01:17:37,840

for a long time

1885

01:17:41,430 --> 01:17:39,880

I personally think I'd like the surprise

1886

01:17:43,500 --> 01:17:41,440

but sign up for the higher side

1887

01:17:44,970 --> 01:17:43,510

newsletter it's free it comes out on the

1888

01:17:47,880 --> 01:17:44,980

1st of the month and I won't waste your

1889

01:17:49,800 --> 01:17:47,890

time with any other emails and that's it

1890

01:17:51,780 --> 01:17:49,810

I appreciate you listening I try to give

1891

01:17:54,420 --> 01:17:51,790

alternative ideas and guests a fair

1892

01:17:55,830 --> 01:17:54,430

shake on a high-quality podcast expose

1893

01:17:57,899 --> 01:17:55,840

some deep level

1894

01:17:59,580 --> 01:17:57,909

he's without the yelling and I hope to

1895

01:18:01,709 --> 01:17:59,590

offer some inspiration that even though

1896

01:18:03,120 --> 01:18:01,719

the system relentlessly suggests you

1897

01:18:05,399 --> 01:18:03,130

should follow their blueprint to

1898

01:18:07,770 --> 01:18:05,409

mediocrity you can do your own thing and

1899

01:18:09,870 --> 01:18:07,780

live a much happier life despite all the
