

Jim Chesnar

The Bock Saga

THE
HIGHERSIDE
MILKSHOTS

1
00:00:08,990 --> 00:00:07,460
the planets up the masters almost surely

2
00:00:11,299 --> 00:00:09,000
have a plan

3
00:00:13,710 --> 00:00:11,309
this clearly maybe something there

4
00:00:16,710 --> 00:00:13,720
beyond the realm of man

5
00:00:20,250 --> 00:00:16,720
thoroughly tested every last close to

6
00:00:28,360 --> 00:00:20,260
you and the more you think you know the

7
00:00:28,370 --> 00:00:42,950
because we

8
00:00:47,010 --> 00:00:45,150
how's it going higher side chatters

9
00:00:48,780 --> 00:00:47,020
drinking a little drink smoking a little

10
00:00:50,280 --> 00:00:48,790
smoke and ready to dive straight into

11
00:00:52,500 --> 00:00:50,290
the deep end of the weird pool from

12
00:00:54,509 --> 00:00:52,510
sunny San Diego I'm Greg coral wood and

13
00:00:56,790 --> 00:00:54,519

it has been quite a while since I pre

14

00:00:58,410 --> 00:00:56,800

introduced a show but this one is pretty

15

00:01:00,479 --> 00:00:58,420

unique and it might help to say a few

16

00:01:02,460 --> 00:01:00,489

things up top today we're talking about

17

00:01:04,829 --> 00:01:02,470

a little something called the box saga

18

00:01:07,800 --> 00:01:04,839

and brace yourselves I think the best

19

00:01:10,080 --> 00:01:07,810

description of it is a dense body of

20

00:01:12,690 --> 00:01:10,090

esoteric knowledge passed down very

21

00:01:15,090 --> 00:01:12,700

carefully in a very methodical oral

22

00:01:18,359 --> 00:01:15,100

tradition through one prominent family

23

00:01:19,980 --> 00:01:18,369

whose lineage has come to an end so

24

00:01:21,749 --> 00:01:19,990

they're opening up the floodgates in

25

00:01:24,630 --> 00:01:21,759

hopes the knowledge contained within

26

00:01:26,880 --> 00:01:24,640

will live on that's pretty much it in a

27

00:01:28,560 --> 00:01:26,890

nutshell and here on THC we've spent a

28

00:01:30,690 --> 00:01:28,570

lot of time on the realization that the

29

00:01:33,060 --> 00:01:30,700

shadowy elite have put great effort into

30

00:01:35,550 --> 00:01:33,070

wiping out pagans Gnostics indigenous

31

00:01:37,410 --> 00:01:35,560

people and anyone else they found along

32

00:01:39,510 --> 00:01:37,420

the way destroying their culture

33

00:01:41,309 --> 00:01:39,520

libraries and writings and promptly

34

00:01:43,230 --> 00:01:41,319

converting them to a proper God and

35

00:01:46,020 --> 00:01:43,240

educating them on the quote-unquote

36

00:01:48,719 --> 00:01:46,030

official story so knowledge of this type

37

00:01:51,030 --> 00:01:48,729

that survives always gets me excited in

38

00:01:53,340 --> 00:01:51,040

this case the Box saga contains an

39

00:01:55,590 --> 00:01:53,350

elaborate mythology that describes how

40

00:01:58,289 --> 00:01:55,600

our reality was formed and where we came

41

00:01:59,429 --> 00:01:58,299

from it contains a history radically

42

00:02:01,530 --> 00:01:59,439

different from what we hear in the

43

00:02:04,050 --> 00:02:01,540

mainstream and most interestingly it

44

00:02:06,359 --> 00:02:04,060

contains a very detailed description of

45

00:02:09,060 --> 00:02:06,369

the origins of the Swedish and Finnish

46

00:02:11,789 --> 00:02:09,070

and ultimately English languages and

47

00:02:14,310 --> 00:02:11,799

etymology describing the development of

48

00:02:15,960 --> 00:02:14,320

letters sounds words and language that's

49

00:02:18,210 --> 00:02:15,970

far different from what the mainstream

50

00:02:21,330 --> 00:02:18,220

says but it's still very internally

51
00:02:22,890 --> 00:02:21,340
consistent it really impresses me and it

52
00:02:23,550 --> 00:02:22,900
touches on so many things I find

53
00:02:25,860 --> 00:02:23,560
interesting

54
00:02:26,670 --> 00:02:25,870
including the Hollow Earth always near

55
00:02:28,740 --> 00:02:26,680
and dear to my heart

56
00:02:30,449 --> 00:02:28,750
consider this one of the missing puzzle

57
00:02:32,370 --> 00:02:30,459
pieces you just found under the couch

58
00:02:34,349 --> 00:02:32,380
and this saga is going to be relayed by

59
00:02:36,750 --> 00:02:34,359
one of the few people qualified one of

60
00:02:38,250 --> 00:02:36,760
the few people who studied it inside and

61
00:02:41,310 --> 00:02:38,260
out and can speak on it very

62
00:02:43,949 --> 00:02:41,320
methodically and accurately his name is

63
00:02:45,630 --> 00:02:43,959

Jim Chester he's a fascinating guy who's

64

00:02:48,180 --> 00:02:45,640

out there walking a simple path

65

00:02:50,460 --> 00:02:48,190

consistent with a Gnostic lifestyle he

66

00:02:53,400 --> 00:02:50,470

takes very seriously and I respect the

67

00:02:54,000 --> 00:02:53,410

man for being so genuine in this day and

68

00:02:56,160 --> 00:02:54,010

age

69

00:02:57,600 --> 00:02:56,170

but as a podcast producer it's a bit

70

00:02:59,339 --> 00:02:57,610

frustrating because he's not being

71

00:03:01,530 --> 00:02:59,349

patched in from some Silicon Valley

72

00:03:03,780 --> 00:03:01,540

studio apartment talking to me on a 4k

73

00:03:06,750 --> 00:03:03,790

webcam with a Google Fiber connection no

74

00:03:09,149 --> 00:03:06,760

he's holding an old laptop over a shoddy

75

00:03:11,100 --> 00:03:09,159

Wi-Fi router in an open-air location

76

00:03:13,559 --> 00:03:11,110

complete with roosters dogs and a few

77

00:03:15,990 --> 00:03:13,569

other background distractions but be

78

00:03:18,690 --> 00:03:16,000

that as it may I think it adds a little

79

00:03:20,520 --> 00:03:18,700

ambience in this situation this is

80

00:03:22,530 --> 00:03:20,530

really the only way a story like this

81

00:03:24,990 --> 00:03:22,540

gets told and I personally think there's

82

00:03:26,610 --> 00:03:25,000

more than enough here to mull over so

83

00:03:28,470 --> 00:03:26,620

let's do the damn thing guys park your

84

00:03:40,570 --> 00:03:28,480

ass and pack your glass because the box

85

00:03:46,040 --> 00:03:43,150

the information about the secret

86

00:03:48,830 --> 00:03:46,050

manipulation and the wisest aficionados

87

00:03:53,120 --> 00:03:51,199

banker know what we thought we knew for

88

00:04:03,950 --> 00:03:53,130

certain so we can see the world with the

89

00:04:08,460 --> 00:04:06,510

all right people we know the nefarious

90

00:04:09,810 --> 00:04:08,470

puppet masters the power pyramid worked

91

00:04:11,850 --> 00:04:09,820

hard to control our thoughts and

92

00:04:13,260 --> 00:04:11,860

feelings about nearly everything they've

93

00:04:14,910 --> 00:04:13,270

rewritten history to suit their needs

94

00:04:16,710 --> 00:04:14,920

for control and have stripped out any

95

00:04:18,660 --> 00:04:16,720

real insight or enlightenment from it

96

00:04:21,210 --> 00:04:18,670

because knowledge is power and power

97

00:04:22,980 --> 00:04:21,220

ain't for us but not all hope is lost

98

00:04:24,660 --> 00:04:22,990

because many of us have come to realize

99

00:04:26,580 --> 00:04:24,670

that the occulted knowledge passed down

100

00:04:28,350 --> 00:04:26,590

through various secret societies in eso

101

00:04:30,330 --> 00:04:28,360

Tarek orders as well as the oral

102

00:04:32,100 --> 00:04:30,340

traditions of enlightened people are the

103

00:04:33,750 --> 00:04:32,110

real places we should be looking if we

104

00:04:35,700 --> 00:04:33,760

want to piece the human story back

105

00:04:37,410 --> 00:04:35,710

together well today we're going to take

106

00:04:39,210 --> 00:04:37,420

an in-depth look at one such oral

107

00:04:41,250 --> 00:04:39,220

tradition called the Box saga which has

108

00:04:44,010 --> 00:04:41,260

been passed down through the ages among

109

00:04:46,440 --> 00:04:44,020

the BOK family and in 1984 the last

110

00:04:48,060 --> 00:04:46,450

remaining member your bak hoping to

111

00:04:49,860 --> 00:04:48,070

preserve the knowledge started sharing

112

00:04:52,050 --> 00:04:49,870

the secret story of humanity among his

113

00:04:54,000 --> 00:04:52,060

closest friends and lucky for us we have

114

00:04:56,190 --> 00:04:54,010

just such a friend with us today his

115

00:04:57,960 --> 00:04:56,200

name is Jim Chester and Jim is an elder

116

00:05:00,000 --> 00:04:57,970

leader of the order of the Gnostics and

117

00:05:02,010 --> 00:05:00,010

has taken up the task of sharing the Box

118

00:05:04,650 --> 00:05:02,020

saga with the world since the passing of

119

00:05:05,730 --> 00:05:04,660

his friend Eeyore in 2010 we've been

120

00:05:07,620 --> 00:05:05,740

able to catch him just days before

121

00:05:09,330 --> 00:05:07,630

setting off for Finland to shoot the

122

00:05:10,890 --> 00:05:09,340

third film in a series about the saga

123

00:05:13,680 --> 00:05:10,900

and I couldn't be more psyched Jim

124

00:05:15,900 --> 00:05:13,690

welcome to the higher side Thank You

125

00:05:19,409 --> 00:05:15,910

Greg it sounds really good you know what

126

00:05:21,719 --> 00:05:19,419

an introduction there I try a man so

127

00:05:24,120 --> 00:05:21,729

just just as a primer I pulled this off

128

00:05:26,070 --> 00:05:24,130

the website it says the saga explains

129

00:05:27,810 --> 00:05:26,080

the origins of man on earth and the

130

00:05:29,790 --> 00:05:27,820

origins of the Nordic culture that

131

00:05:33,090 --> 00:05:29,800

according to the tradition existed long

132

00:05:34,500 --> 00:05:33,100

before Babylon and Mesopotamia so that's

133

00:05:36,570 --> 00:05:34,510

what we're talking about a body of

134

00:05:38,430 --> 00:05:36,580

knowledge older than the origin cultures

135

00:05:41,520 --> 00:05:38,440

that were told about and has been hidden

136

00:05:43,440 --> 00:05:41,530

away for various reasons so Jim I know

137

00:05:46,080 --> 00:05:43,450

that this body of knowledge is very old

138

00:05:47,760 --> 00:05:46,090

and very dense and it's best to kind of

139

00:05:49,440 --> 00:05:47,770

lay it out methodically so we don't

140

00:05:51,360 --> 00:05:49,450

confuse the listeners just give us a

141

00:05:53,640 --> 00:05:51,370

little more context for where the story

142

00:05:55,730 --> 00:05:53,650

comes from and why it's important before

143

00:05:58,740 --> 00:05:55,740

we really get into the material itself I

144

00:06:02,340 --> 00:05:58,750

would just have to start it this whole

145

00:06:04,710 --> 00:06:02,350

story it comes from the Sun we put

146

00:06:07,620 --> 00:06:04,720

everything to the Sun there was one

147

00:06:11,490 --> 00:06:07,630

family in Finland that according to this

148

00:06:14,610 --> 00:06:11,500

story into this saga they're the oldest

149

00:06:15,550 --> 00:06:14,620

family on the planet and his family was

150

00:06:18,730 --> 00:06:15,560

called box

151

00:06:24,190 --> 00:06:18,740

and in this family they pass down one

152

00:06:27,070 --> 00:06:24,200

oral history of humanity today we give

153

00:06:30,910 --> 00:06:27,080

history from the front where we are now

154

00:06:33,010 --> 00:06:30,920

we go 50 years back we go 200 years who

155

00:06:34,420 --> 00:06:33,020

we were 500 and by the time we get to

156

00:06:36,400 --> 00:06:34,430

two or three thousand we're kind of

157

00:06:39,670 --> 00:06:36,410

guessing what what we were in those days

158

00:06:42,490 --> 00:06:39,680

mm-hmm where is in this story we start

159

00:06:45,040 --> 00:06:42,500

from the beginning from the beginning of

160

00:06:46,420 --> 00:06:45,050

the human and we come to now so when you

161

00:06:49,240 --> 00:06:46,430

read a book you don't read it from the

162

00:06:51,760 --> 00:06:49,250

back to the front you read it from the

163

00:06:55,030 --> 00:06:51,770

front to the back so this history begins

164

00:06:58,990 --> 00:06:55,040

in the beginning and it is a creation

165

00:07:02,760 --> 00:06:59,000

story it is a mythology called the vine

166

00:07:06,970 --> 00:07:02,770

in moaña mythology it's a history

167

00:07:08,950 --> 00:07:06,980

it's a saga called the Box saga and it

168

00:07:13,240 --> 00:07:08,960

is based in one what we call root

169

00:07:15,750 --> 00:07:13,250

alphabet one beginning alphabet they say

170

00:07:19,540 --> 00:07:15,760

that in the beginning there was the word

171

00:07:22,659 --> 00:07:19,550

but at the words for may the sound so

172

00:07:25,420 --> 00:07:22,669

the sounds are before the word hmm and

173

00:07:29,140 --> 00:07:25,430

so this story it's based in one root

174

00:07:31,150 --> 00:07:29,150

alphabet which is 29 sounds each sound

175

00:07:35,110 --> 00:07:31,160

has a mark for the sound and a meaning

176

00:07:38,800 --> 00:07:35,120

for the sound and in this surah it it

177

00:07:43,030 --> 00:07:38,810

gives one story it's based around Sun

178

00:07:45,820 --> 00:07:43,040

Moon stars in the planet and these

179

00:07:50,770 --> 00:07:45,830

people they were called Oscar people the

180

00:07:56,020 --> 00:07:50,780

sound is us Oscar and they had a true

181

00:07:59,380 --> 00:07:56,030

logic that's my rooster going and they

182

00:08:05,290 --> 00:07:59,390

had a true logic called us true Logie

183

00:08:08,140 --> 00:08:05,300

what we call astrology hmm and this us

184

00:08:11,170 --> 00:08:08,150

is the Oz people true means to believe

185

00:08:15,190 --> 00:08:11,180

and logy means logic so their belief in

186

00:08:19,840 --> 00:08:15,200

logic piastres so in this logic that he

187

00:08:23,529 --> 00:08:19,850

said that there's only one Sun they say

188

00:08:26,820 --> 00:08:23,539

there is only one moon and they say

189

00:08:31,469 --> 00:08:26,830

there is only one planet and there

190

00:08:33,870 --> 00:08:31,479

countless countless stars they say that

191

00:08:37,829 --> 00:08:33,880

this universe has always been here it

192

00:08:43,310 --> 00:08:37,839

didn't just come one day and nobody made

193

00:08:49,319 --> 00:08:43,320

the universe and uni means one universe

194

00:08:54,240 --> 00:08:49,329

solo solo son so it means one and more

195

00:08:57,569 --> 00:08:54,250

no mono means one moon so we say that

196

00:09:00,180 --> 00:08:57,579

there's one Sun and today we want to

197

00:09:02,040 --> 00:09:00,190

call the Sun a medium yellow dwarf star

198

00:09:03,690 --> 00:09:02,050

it's going to burn out in seven trillion

199

00:09:05,180 --> 00:09:03,700

four hundred and sixty four thousand

200

00:09:08,940 --> 00:09:05,190

twelve hundred eleven years somebody

201
00:09:11,430 --> 00:09:08,950
said own some kind of computer but our

202
00:09:15,060 --> 00:09:11,440
story we say that the Sun has always

203
00:09:20,460 --> 00:09:15,070
been and the Sun will always be in the

204
00:09:22,620 --> 00:09:20,470
Sun is not a star and what makes a Sun

205
00:09:28,170 --> 00:09:22,630
different than anything else is because

206
00:09:31,800 --> 00:09:28,180
the Sun shines his straw it's light rays

207
00:09:34,470 --> 00:09:31,810
in every direction all through the

208
00:09:37,010 --> 00:09:34,480
universe through the vacuum all these

209
00:09:40,380 --> 00:09:37,020
rays are shining in every direction

210
00:09:42,630 --> 00:09:40,390
constantly the Sun doesn't go on and off

211
00:09:46,470 --> 00:09:42,640
and even from the backside of the sun is

212
00:09:49,260 --> 00:09:46,480
shining rays backwards so the sun is

213
00:09:52,740 --> 00:09:49,270

shining everywhere in the universe the

214

00:09:55,550 --> 00:09:52,750

sunshine and when these trawlers this

215

00:09:59,190 --> 00:09:55,560

astrology these strollers of light as

216

00:10:01,230 --> 00:09:59,200

they travel through the vacuum then they

217

00:10:03,569 --> 00:10:01,240

come to these things that we call stars

218

00:10:09,180 --> 00:10:03,579

and these stars are made from three

219

00:10:13,139 --> 00:10:09,190

material they're made from ice metal and

220

00:10:15,210 --> 00:10:13,149

gas and when these straws of light leave

221

00:10:17,400 --> 00:10:15,220

from the Sun and they go out three light

222

00:10:19,860 --> 00:10:17,410

years sixty-five years a hundred light

223

00:10:23,280 --> 00:10:19,870

years because these light rays in the

224

00:10:27,689 --> 00:10:23,290

vacuum that these light rays of the Sun

225

00:10:30,750 --> 00:10:27,699

can go forever before this star that we

226

00:10:34,319 --> 00:10:30,760

see out there the Sun can shine past

227

00:10:36,540 --> 00:10:34,329

that star so as the light rays are

228

00:10:40,019 --> 00:10:36,550

leaving from the Sun they come to one

229

00:10:40,380 --> 00:10:40,029

time we call one star and when it hits

230

00:11:17,850 --> 00:10:40,390

the

231

00:11:22,110 --> 00:11:17,860

planet Earth would be completely black

232

00:11:25,170 --> 00:11:22,120

frozen no life no soul nothing going on

233

00:11:28,680 --> 00:11:25,180

in the plant so the way that people

234

00:11:29,490 --> 00:11:28,690

thought a long time ago was the Sun was

235

00:11:32,100 --> 00:11:29,500

the Creator

236

00:11:35,010 --> 00:11:32,110

it creates the life it keeps everything

237

00:11:39,690 --> 00:11:35,020

growing and in the end it burns it away

238

00:11:43,010 --> 00:11:39,700

so the new can come so in the logic of

239

00:11:45,900 --> 00:11:43,020

these ask people there was only one Sun

240

00:11:47,880 --> 00:11:45,910

the mud is different than the Sun and

241

00:11:50,910 --> 00:11:47,890

anything else because the moon and we

242

00:11:55,140 --> 00:11:50,920

only see one side of the Moon in the

243

00:11:58,080 --> 00:11:55,150

moon we call raw not not the sunrise the

244

00:12:02,730 --> 00:11:58,090

moon and marat has to do with our what

245

00:12:04,980 --> 00:12:02,740

we call gravity they call gravity and

246

00:12:10,350 --> 00:12:04,990

this planet is a special special

247

00:12:12,780 --> 00:12:10,360

creation if you think that the Sun is

248

00:12:15,300 --> 00:12:12,790

what's creating the light in the

249

00:12:20,340 --> 00:12:15,310

universe and we call the Sun Odin and

250

00:12:23,580 --> 00:12:20,350

the Sun is now creating all the life on

251

00:12:26,610 --> 00:12:23,590

this planet if the Sun didn't shine

252

00:12:30,120 --> 00:12:26,620

there would be no life there be no light

253

00:12:32,880 --> 00:12:30,130

there'd be no soul there would be no

254

00:12:35,430 --> 00:12:32,890

consciousness so everything that we

255

00:12:38,490 --> 00:12:35,440

think every word that we speak every

256

00:12:41,190 --> 00:12:38,500

thought when we think everything that we

257

00:12:45,300 --> 00:12:41,200

smell oh that we see around us is

258

00:12:47,250 --> 00:12:45,310

created from Sun from soul you see

259

00:12:50,820 --> 00:12:47,260

mm-hmm okay

260

00:12:52,770 --> 00:12:50,830

oh I'll just keep going off you know I

261

00:12:53,970 --> 00:12:52,780

mean I I know you could probably just

262

00:12:56,940 --> 00:12:53,980

keep going forever and it

263

00:12:59,490 --> 00:12:56,950

so dense but I know that a big part of

264

00:13:01,980 --> 00:12:59,500

the story revolves around a hole at the

265

00:13:04,410 --> 00:13:01,990

top of the earth which definitely gets

266

00:13:05,970 --> 00:13:04,420

my ears to perk up can you walk us

267

00:13:08,220 --> 00:13:05,980

through that part of the story or how

268

00:13:09,000 --> 00:13:08,230

that incorporates into this wealth of

269

00:13:11,340 --> 00:13:09,010

information

270

00:13:16,200 --> 00:13:11,350

yes I'm heading that direction right now

271

00:13:22,070 --> 00:13:16,210

sure so this story industry call this

272

00:13:27,690 --> 00:13:22,080

root language this sound it means one

273

00:13:30,300 --> 00:13:27,700

x-ray and the sound plan means a plan so

274

00:13:34,110 --> 00:13:30,310

it says in the word planet that there's

275

00:13:36,090 --> 00:13:34,120

only one plan so in our story Mars and

276

00:13:40,230 --> 00:13:36,100

Venus and Saturn these are not planets

277

00:13:42,840 --> 00:13:40,240

these are stars it says that a planet

278

00:13:46,260 --> 00:13:42,850

must have plants and this is the only

279

00:13:52,710 --> 00:13:46,270

ball that has plants and the story says

280

00:13:56,100 --> 00:13:52,720

that the Sun had one plant that to

281

00:13:58,320 --> 00:13:56,110

create one incredible thing it had never

282

00:14:00,570 --> 00:13:58,330

created before there were millions of

283

00:14:03,810 --> 00:14:00,580

stars there was a moon already in its

284

00:14:07,290 --> 00:14:03,820

place but the Sun decided one day that

285

00:14:11,310 --> 00:14:07,300

it would make one one planet one ball

286

00:14:15,000 --> 00:14:11,320

that had life on it it had water it had

287

00:14:16,740 --> 00:14:15,010

soul something there's nowhere else in

288

00:14:19,410 --> 00:14:16,750

the universe there is no other other

289

00:14:21,420 --> 00:14:19,420

places like this nowhere it's a vacuum

290

00:14:23,100 --> 00:14:21,430

out there it's and the farther away

291

00:14:29,550 --> 00:14:23,110

thing you get from the Sun the colder

292

00:14:32,280 --> 00:14:29,560

gift so this son created one egg this

293

00:14:36,150 --> 00:14:32,290

egg left from the Sun and this egg had

294

00:14:38,670 --> 00:14:36,160

one what we call one ball of magma what

295

00:14:44,520 --> 00:14:38,680

we call magma in English they call it ma

296

00:14:47,340 --> 00:14:44,530

Guam and the Sun put off this ball of

297

00:14:50,550 --> 00:14:47,350

magma and around this ball of magma was

298

00:14:55,170 --> 00:14:50,560

one sack of water and around this sack

299

00:14:58,230 --> 00:14:55,180

of water was one shell called atmosphere

300

00:15:01,380 --> 00:14:58,240

and we were floating to the universe

301

00:15:04,560 --> 00:15:01,390

like a little Sun like an egg the yolk

302

00:15:06,410 --> 00:15:04,570

the water around the yolk into the shell

303

00:15:09,650 --> 00:15:06,420

of atmosphere

304

00:15:14,000 --> 00:15:09,660

if this ball got exactly the perfect

305

00:15:17,240 --> 00:15:14,010

distance from the Sun not because the

306

00:15:19,340 --> 00:15:17,250

the next ball in is too hot for life and

307

00:15:22,100 --> 00:15:19,350

the next ball out is too cold for life

308

00:15:26,019 --> 00:15:22,110

so when this planet got to the exact

309

00:15:29,840 --> 00:15:26,029

distance from the Sun this magma

310

00:15:34,150 --> 00:15:29,850

exploded and it just went boom and when

311

00:15:36,829 --> 00:15:34,160

it exploded it blew all the continents

312

00:15:38,960 --> 00:15:36,839

exactly where they are today we weren't

313

00:15:41,660 --> 00:15:38,970

all sitting on one side of this planet

314

00:15:44,150 --> 00:15:41,670

it blew Australia down were Australia it

315

00:15:46,940 --> 00:15:44,160

blew Antarctica down to the bottom it

316

00:15:50,720 --> 00:15:46,950

blew South America where it is Europe

317

00:15:53,990 --> 00:15:50,730

China this whole explosion as marma as

318

00:15:57,860 --> 00:15:54,000

it blew these continents they all came

319

00:16:01,790 --> 00:15:57,870

out in the form of granite and in the

320

00:16:04,730 --> 00:16:01,800

very same second of this explosion this

321

00:16:08,750 --> 00:16:04,740

water bubble around this hot ball of

322

00:16:11,030 --> 00:16:08,760

magma it exploded it popped and it

323

00:16:14,990 --> 00:16:11,040

rushed in and filled in the spaces

324

00:16:18,610 --> 00:16:15,000

between the hot rock so this planet was

325

00:16:21,380 --> 00:16:18,620

created in one flash not seven days and

326

00:16:24,079 --> 00:16:21,390

in the very very beginning of this

327

00:16:27,860 --> 00:16:24,089

planet the very first sound was the wind

328

00:16:32,150 --> 00:16:27,870

and this his planet was still in a very

329

00:16:34,900 --> 00:16:32,160

hot molding kind of form as his water

330

00:16:37,850 --> 00:16:34,910

rushed in and started to make the rivers

331

00:16:40,009 --> 00:16:37,860

started to make the oceans the lakes as

332

00:16:45,319 --> 00:16:40,019

it rushed in and fill in those spaces

333

00:16:48,079 --> 00:16:45,329

between these continents there was one

334

00:16:51,710 --> 00:16:48,089

hot air bubble that came from the center

335

00:16:56,120 --> 00:16:51,720

of the planet one gas ball it rose to

336

00:16:58,220 --> 00:16:56,130

the very top of the earth and in these

337

00:17:00,439 --> 00:16:58,230

days the earth wasn't sitting on its

338

00:17:02,689 --> 00:17:00,449

side like it is today this side and

339

00:17:05,419 --> 00:17:02,699

these days the plant was sitting

340

00:17:07,400 --> 00:17:05,429

straight up and down the axle or the

341

00:17:09,650 --> 00:17:07,410

pole was spinning in harmony with the

342

00:17:13,069 --> 00:17:09,660

moon it wasn't tilted over this story

343

00:17:17,360 --> 00:17:13,079

tells about the tilt and is this hot

344

00:17:19,730 --> 00:17:17,370

ball of gas rose to the very North Pole

345

00:17:23,000 --> 00:17:19,740

the very top of the earth

346

00:17:29,450 --> 00:17:23,010

it created one huge

347

00:17:32,240 --> 00:17:29,460

averin 250 kilometers across and it

348

00:17:37,790 --> 00:17:32,250

created one cavern a hole in the very

349

00:17:42,140 --> 00:17:37,800

North Pole and as this gas made this

350

00:17:45,470 --> 00:17:42,150

dome part of this gas went up even more

351
00:17:48,590 --> 00:17:45,480
and made one tunnel and from the top of

352
00:17:51,230 --> 00:17:48,600
the tunnel the very last little part of

353
00:17:54,950 --> 00:17:51,240
this hot gas made one little small round

354
00:17:57,350 --> 00:17:54,960
room it's shaped like a Santa Claus hat

355
00:17:59,810 --> 00:17:57,360
if you can think that is a round hat

356
00:18:04,549 --> 00:17:59,820
with this part it falls over in a little

357
00:18:07,610 --> 00:18:04,559
round ball on the top and this hole is

358
00:18:10,510 --> 00:18:07,620
still there today this is what we would

359
00:18:15,650 --> 00:18:10,520
call in this story the underworld

360
00:18:18,799 --> 00:18:15,660
there is one entranceway one temple 30

361
00:18:21,140 --> 00:18:18,809
kilometers east of Helsinki we work for

362
00:18:24,169 --> 00:18:21,150
years to get inside it's one ancient

363
00:18:27,040 --> 00:18:24,179

temple from before ice time and there is

364

00:18:29,930 --> 00:18:27,050

one tunnel that will go down inside this

365

00:18:33,590 --> 00:18:29,940

Hollow Earth at the top of the North

366

00:18:35,150 --> 00:18:33,600

Pole hmm a long time ago the axle the

367

00:18:37,610 --> 00:18:35,160

planet was sitting straight up and down

368

00:18:40,790 --> 00:18:37,620

in this saga it says if you went to the

369

00:18:44,630 --> 00:18:40,800

top of the true North Pole not the North

370

00:18:48,260 --> 00:18:44,640

Pole up on top but you follow the axis

371

00:18:53,030 --> 00:18:48,270

of a globe if you go to the actual true

372

00:18:55,520 --> 00:18:53,040

North Pole it comes on one island three

373

00:18:58,310 --> 00:18:55,530

kilometers in front of Helsinki Finland

374

00:19:01,010 --> 00:18:58,320

and in some of my videos I explained

375

00:19:03,140 --> 00:19:01,020

about this but yes there is this Hollow

376

00:19:05,600 --> 00:19:03,150

Earth thing it's it's a conscious thing

377

00:19:07,669 --> 00:19:05,610

it's an incredible thing what's inside

378

00:19:09,560 --> 00:19:07,679

this thing that people did they did use

379

00:19:11,240 --> 00:19:09,570

this but that's another story if we want

380

00:19:13,100 --> 00:19:11,250

to go into what's inside this and we can

381

00:19:14,630 --> 00:19:13,110

do that also yes I definitely want to

382

00:19:16,190 --> 00:19:14,640

get into what's inside but it's also

383

00:19:18,830 --> 00:19:16,200

interesting to note that in this saga

384

00:19:21,919 --> 00:19:18,840

the hole in the top of the earth is

385

00:19:28,970 --> 00:19:21,929

referred to as the original Holy Land

386

00:19:30,740 --> 00:19:28,980

right yes yes on this island this axle

387

00:19:34,230 --> 00:19:30,750

of the planet we have many many names

388

00:19:37,600 --> 00:19:34,240

for it we can call it one Land

389

00:19:41,080 --> 00:19:37,610

Lance's went poll and the earth is one

390

00:19:42,789 --> 00:19:41,090

ball so you have one Lance in the middle

391

00:19:45,010 --> 00:19:42,799

of the ball that's where the word ball

392

00:19:48,340 --> 00:19:45,020

ants we say balanced so you don't get

393

00:19:50,890 --> 00:19:48,350

the association of ball with bow but

394

00:19:54,760 --> 00:19:50,900

ball and root languages ball and Lance

395

00:19:57,100 --> 00:19:54,770

is a pole so this planet has one

396

00:19:59,409 --> 00:19:57,110

launched in the middle of it and that is

397

00:20:01,690 --> 00:19:59,419

the ball on so a long time ago the pole

398

00:20:06,190 --> 00:20:01,700

was sitting straight up and down and we

399

00:20:10,960 --> 00:20:06,200

were in balance the hilt at over 23

400

00:20:13,240 --> 00:20:10,970

degrees and we fell out of balance but

401
00:20:16,539 --> 00:20:13,250
if you go to the very top of this Lance

402
00:20:20,289 --> 00:20:16,549
or we can call it one axle we can call

403
00:20:23,830 --> 00:20:20,299
it one axes but we also call it one a

404
00:20:27,640 --> 00:20:23,840
pole North Pole South Pole but we also

405
00:20:31,090 --> 00:20:27,650
knew story call it one E and E is what

406
00:20:35,890 --> 00:20:31,100
in English we call ie it's a pole with a

407
00:20:38,680 --> 00:20:35,900
dot like Hawaii and E is one pole and a

408
00:20:43,659 --> 00:20:38,690
little dot above the E is the North Star

409
00:20:46,299 --> 00:20:43,669
and so at the top of the e of the planet

410
00:20:50,500 --> 00:20:46,309
on this island in the granite still

411
00:20:52,810 --> 00:20:50,510
there today there is one hole from the

412
00:20:55,510 --> 00:20:52,820
beginning of the human race there is one

413
00:20:59,380 --> 00:20:55,520

hole in the granite in the very top of

414

00:21:02,530 --> 00:20:59,390

the E or the axle of the planet and this

415

00:21:05,260 --> 00:21:02,540

is where the word holy comes from

416

00:21:07,270 --> 00:21:05,270

the hole in the top of the e also every

417

00:21:09,820 --> 00:21:07,280

man if he looks at the end of his Eve

418

00:21:12,159 --> 00:21:09,830

where that little dot comes out he has

419

00:21:17,530 --> 00:21:12,169

one hole in the end of his each so every

420

00:21:20,049 --> 00:21:17,540

man can be one holy man hmm and straight

421

00:21:22,030 --> 00:21:20,059

above this Ivan if you go straight up in

422

00:21:26,650 --> 00:21:22,040

the sky you'll come to what we call the

423

00:21:29,380 --> 00:21:26,660

North Star or Polaris so we say that the

424

00:21:31,630 --> 00:21:29,390

true North Pole is on one Island you can

425

00:21:33,610 --> 00:21:31,640

take one ferryboat and one of my videos

426

00:21:36,640 --> 00:21:33,620

welcome to hell I explained about this

427

00:21:38,470 --> 00:21:36,650

this hole and what it was and what part

428

00:21:41,200 --> 00:21:38,480

it had it says the first two humans on

429

00:21:43,120 --> 00:21:41,210

the planet were born in it soul yeah man

430

00:21:45,880 --> 00:21:43,130

I love that video all the ones I've seen

431

00:21:47,409 --> 00:21:45,890

they just add more and more to the story

432

00:21:49,810 --> 00:21:47,419

and as you get deeper and deeper you

433

00:21:51,940 --> 00:21:49,820

kind of get more of it you understand

434

00:21:54,580 --> 00:21:51,950

more of it a big part of it is like you

435

00:21:56,919 --> 00:21:54,590

just said the movie welcome to Hell hell

436

00:22:00,100 --> 00:21:56,929

of course now we think of it as a

437

00:22:03,220 --> 00:22:00,110

negative place thanks to the Vatican

438

00:22:06,130 --> 00:22:03,230

but I guess hell wasn't always demonized

439

00:22:09,669 --> 00:22:06,140

in the way that the Catholics decided to

440

00:22:11,500 --> 00:22:09,679

demonize it right oh I think if you look

441

00:22:13,870 --> 00:22:11,510

in the dictionary there's more than 60

442

00:22:15,700 --> 00:22:13,880

words that begin with hell the number 1

443

00:22:18,070 --> 00:22:15,710

is not spelled with two L's it's spelled

444

00:22:20,380 --> 00:22:18,080

with one health and you know you have

445

00:22:22,510 --> 00:22:20,390

hell N and you have hell oz which is

446

00:22:25,090 --> 00:22:22,520

grease and you help hell Vaisey over to

447

00:22:29,680 --> 00:22:25,100

Switzerland and we have the word health

448

00:22:31,900 --> 00:22:29,690

and hello and so hell there's only one

449

00:22:34,690 --> 00:22:31,910

out of 60 some-odd words it has a

450

00:22:37,539 --> 00:22:34,700

negative and that's the the only people

451

00:22:38,890 --> 00:22:37,549

who speak negative of health is of the

452

00:22:40,840 --> 00:22:38,900

Catholics and the Muslims they're the

453

00:22:42,430 --> 00:22:40,850

only ones who have one it's one place

454

00:22:46,030 --> 00:22:42,440

that you go if you don't do what they

455

00:22:48,520 --> 00:22:46,040

say you know mm-hmm but hell was a real

456

00:22:51,850 --> 00:22:48,530

place you know but the thing about it is

457

00:22:53,830 --> 00:22:51,860

as hell it's been such a fear factor you

458

00:22:56,200 --> 00:22:53,840

know so many generations all our

459

00:22:59,140 --> 00:22:56,210

foremothers forefathers people all the

460

00:23:01,030 --> 00:22:59,150

Aborigines all the indigenous people you

461

00:23:04,030 --> 00:23:01,040

know if we don't do what we say we go to

462

00:23:06,909 --> 00:23:04,040

hell so I mean if you say the word hell

463

00:23:10,030 --> 00:23:06,919

people their ears they twist because

464

00:23:12,190 --> 00:23:10,040

it's it's so negative we've been taught

465

00:23:15,890 --> 00:23:12,200

that hell is this burning place of fire

466

00:23:19,610 --> 00:23:15,900

but it's not at all hell is actually a

467

00:23:25,580 --> 00:23:19,620

we called one pagan don't there was a

468

00:23:29,180 --> 00:23:25,590

whole dome of pagan all these Celts all

469

00:23:31,190 --> 00:23:29,190

these Druids the Vikings the whole

470

00:23:34,790 --> 00:23:31,200

planet was pagan at one time the Red

471

00:23:38,299 --> 00:23:34,800

Indians the Aborigines and even us from

472

00:23:40,760 --> 00:23:38,309

Northern Europe we were paid and they

473

00:23:46,310 --> 00:23:40,770

had one Center from the beginning of

474

00:23:48,919 --> 00:23:46,320

time that was called hell and in Swedish

475

00:23:53,150 --> 00:23:48,929

language the word for the holy is called

476
00:23:56,180 --> 00:23:53,160
hell League the holy ground G means the

477
00:23:59,720 --> 00:23:56,190
ground so in this story we say that the

478
00:24:03,830 --> 00:23:59,730
land around the hole in the top of the e

479
00:24:06,080 --> 00:24:03,840
is the holy land and this is one if you

480
00:24:10,010 --> 00:24:06,090
go from this hole that's true North Pole

481
00:24:14,030 --> 00:24:10,020
and you make one radius a hundred and 25

482
00:24:16,340 --> 00:24:14,040
kilometers it goes down to Estonia and

483
00:24:18,680 --> 00:24:16,350
you turn this around you have one ring

484
00:24:20,270 --> 00:24:18,690
land at the very top of the planet with

485
00:24:21,830 --> 00:24:20,280
this island in the middle of the ring

486
00:24:24,590 --> 00:24:21,840
land with this hole in the middle of

487
00:24:27,049 --> 00:24:24,600
this island and this was what we call

488
00:24:30,350 --> 00:24:27,059

the holy land it was a land around the

489

00:24:32,150 --> 00:24:30,360

holy a later on it became Israel but

490

00:24:33,740 --> 00:24:32,160

Israel is not the true holy land because

491

00:24:35,419 --> 00:24:33,750

there's no hole in the top of the either

492

00:24:37,760 --> 00:24:35,429

all right that was like a bait and

493

00:24:42,169 --> 00:24:37,770

switch to throw people off the scent

494

00:24:46,070 --> 00:24:42,179

yeah so this ring land they call us

495

00:24:49,700 --> 00:24:46,080

guard they call it dude and mom and who

496

00:24:52,970 --> 00:24:49,710

didn't was the son they call it meat

497

00:24:55,190 --> 00:24:52,980

garden it was the garden in the middle

498

00:24:58,160 --> 00:24:55,200

the me the guard meat means metal and

499

00:25:03,080 --> 00:24:58,170

gourd means garden the land the land in

500

00:25:05,890 --> 00:25:03,090

the middle it was also called oz hell

501
00:25:09,200 --> 00:25:05,900
and that's from Oz hell they make a loss

502
00:25:11,120 --> 00:25:09,210
the grief is hell off our cell it had

503
00:25:14,110 --> 00:25:11,130
many names but hell was the name for

504
00:25:21,230 --> 00:25:14,120
this ring land this real true holy land

505
00:25:26,360 --> 00:25:21,240
and this hell was from ancient times but

506
00:25:29,360 --> 00:25:26,370
in 1050 this church is making two arms

507
00:25:31,340 --> 00:25:29,370
that are coming up I just want to

508
00:25:34,490 --> 00:25:31,350
this little health story about it just a

509
00:25:37,640 --> 00:25:34,500
minute and from one side from the Greek

510
00:25:40,450 --> 00:25:37,650
Orthodox from Constantinople become one

511
00:25:44,270 --> 00:25:40,460
army called Greek Orthodox with this

512
00:25:46,730 --> 00:25:44,280
crucifix and from the other side there

513
00:25:49,280 --> 00:25:46,740

was another race of people that had

514

00:25:51,860 --> 00:25:49,290

divided and they were called the Roman

515

00:25:54,710 --> 00:25:51,870

and from the Roman Catholic dis armies

516

00:25:58,700 --> 00:25:54,720

coming up and as they come into your

517

00:26:00,860 --> 00:25:58,710

land your pagan king can no longer be

518

00:26:04,250 --> 00:26:00,870

pagan because he cannot be the king

519

00:26:07,910 --> 00:26:04,260

because Jesus is the king you have to

520

00:26:10,040 --> 00:26:07,920

get a king to accept it's been converted

521

00:26:12,410 --> 00:26:10,050

so all these stories about these

522

00:26:16,400 --> 00:26:12,420

horrible kings we've had they're all

523

00:26:18,470 --> 00:26:16,410

from church time mm-hmm so it's pagan or

524

00:26:21,020 --> 00:26:18,480

seeing these people coming up this

525

00:26:24,680 --> 00:26:21,030

armies coming up by 500 they're in

526

00:26:26,570 --> 00:26:24,690

England 600 they're in Saxon land and

527

00:26:28,340 --> 00:26:26,580

what they do is they come in and they

528

00:26:31,640 --> 00:26:28,350

get all your elders together they have

529

00:26:33,890 --> 00:26:31,650

these priests that are trained in Latin

530

00:26:35,600 --> 00:26:33,900

and Greek Orthodox and nobody can read

531

00:26:37,640 --> 00:26:35,610

this except for the Pope and the priests

532

00:26:39,830 --> 00:26:37,650

so you can't intercept these note and

533

00:26:42,470 --> 00:26:39,840

these priests are coming up and they're

534

00:26:45,680 --> 00:26:42,480

saying these letters back to the Pope to

535

00:26:47,299 --> 00:26:45,690

tell them exactly who the elders who the

536

00:26:48,980 --> 00:26:47,309

shamans who the people who have the

537

00:26:52,940 --> 00:26:48,990

knowledge and so they do send these

538

00:26:54,620 --> 00:26:52,950

people up and they just can wipe them

539

00:26:56,830 --> 00:26:54,630

out and when you wipe out the knowledge

540

00:27:00,080 --> 00:26:56,840

of the tribes we when you knock out the

541

00:27:01,700 --> 00:27:00,090

the people with the knowledge then the

542

00:27:04,910 --> 00:27:01,710

people have to come to church and listen

543

00:27:06,770 --> 00:27:04,920

to what the Pope said hmm so if this

544

00:27:08,360 --> 00:27:06,780

church had already written in the book

545

00:27:10,180 --> 00:27:08,370

that hell was the worst place in the

546

00:27:17,480 --> 00:27:10,190

world because hell was this ancient

547

00:27:19,970 --> 00:27:17,490

pagan information system and by 987 they

548

00:27:22,700 --> 00:27:19,980

had got to the Russia from the Greek

549

00:27:25,130 --> 00:27:22,710

Greek Orthodox ID and from 1008 they got

550

00:27:27,770 --> 00:27:25,140

to the Swedish side and now this little

551

00:27:30,020 --> 00:27:27,780

country in between Finland with this

552

00:27:32,090 --> 00:27:30,030

place called hell they had to destroy

553

00:27:33,620 --> 00:27:32,100

help because they had already written it

554

00:27:36,440 --> 00:27:33,630

it was the worst place and only the

555

00:27:39,650 --> 00:27:36,450

horrible people go to it and they were

556

00:27:44,080 --> 00:27:39,660

putting it in his new Christian and so

557

00:27:49,100 --> 00:27:44,090

on the 24th of July in the year 10

558

00:27:53,539 --> 00:27:49,110

this Pope Leo the night when Saxon Pope

559

00:27:56,180 --> 00:27:53,549

he sends 30,000 army men mercenaries

560

00:27:59,930 --> 00:27:56,190

from Helvetia which is Switzerland today

561

00:28:02,180 --> 00:27:59,940

and this army comes up to Sweden they

562

00:28:05,270 --> 00:28:02,190

come into Sweden they take the Swedish

563

00:28:07,880 --> 00:28:05,280

King and a bishop and they go to one

564

00:28:11,750 --> 00:28:07,890

island called old land and they kill

565

00:28:14,810 --> 00:28:11,760

everybody and then they go to hell and

566

00:28:17,990 --> 00:28:14,820

southern Finland and they make a ring

567

00:28:19,850 --> 00:28:18,000

around this 250 kilometer radius land

568

00:28:22,520 --> 00:28:19,860

around the holy land they make a ring

569

00:28:25,669 --> 00:28:22,530

around the holy land he's 30000 paid

570

00:28:27,890 --> 00:28:25,679

murders and they come and they kill

571

00:28:30,200 --> 00:28:27,900

everybody in hell and they burn hell and

572

00:28:32,720 --> 00:28:30,210

we had family trees we call oak trees

573

00:28:34,720 --> 00:28:32,730

they burned all of our family trees and

574

00:28:37,730 --> 00:28:34,730

they left hell and destruction

575

00:28:40,070 --> 00:28:37,740

completely destroyed but this family who

576

00:28:43,430 --> 00:28:40,080

had this story they escaped and they

577

00:28:47,890 --> 00:28:43,440

went up into the north and for 500 years

578

00:28:52,070 --> 00:28:47,900

hell laid in complete ruin and then in

579

00:28:54,710 --> 00:28:52,080

1550 exactly 500 years later this family

580

00:28:57,529 --> 00:28:54,720

they started to read mill hell they came

581

00:28:59,539 --> 00:28:57,539

back into South Yemen but this time they

582

00:29:02,590 --> 00:28:59,549

renamed it and they didn't call it hell

583

00:29:05,419 --> 00:29:02,600

anymore they call it Helsinki so

584

00:29:08,779 --> 00:29:05,429

Helsinki it is the name the new name for

585

00:29:10,580 --> 00:29:08,789

the word we call help from before and

586

00:29:12,409 --> 00:29:10,590

that's a little story about Hell it's a

587

00:29:15,409 --> 00:29:12,419

it's a real place but it's no place

588

00:29:17,360 --> 00:29:15,419

where bad Souls go through it's talked

589

00:29:19,549 --> 00:29:17,370

about in that Norse mythology is they

590

00:29:22,840 --> 00:29:19,559

talk about Hell and yeah it has a

591

00:29:27,020 --> 00:29:22,850

feminine hell as a feminine before it

592

00:29:30,590 --> 00:29:27,030

hmm I love that story I love hearing

593

00:29:32,270 --> 00:29:30,600

about the corruption and the way that

594

00:29:33,680 --> 00:29:32,280

knowledge has been wiped off the planet

595

00:29:35,930 --> 00:29:33,690

I mean I definitely think there's

596

00:29:37,940 --> 00:29:35,940

something to the idea that the Vatican

597

00:29:40,730 --> 00:29:37,950

and the Roman Catholic Church has done

598

00:29:42,890 --> 00:29:40,740

so much to destroy any real knowledge

599

00:29:44,899 --> 00:29:42,900

and you know that a lot of people talk

600

00:29:47,480 --> 00:29:44,909

about that but it fits centrally in this

601
00:29:50,510 --> 00:29:47,490
story so I love that aspect

602
00:29:52,159 --> 00:29:50,520
we've lost our history this story says

603
00:29:54,710 --> 00:29:52,169
that the human race has been here

604
00:29:56,630 --> 00:29:54,720
millions of years you know for years and

605
00:29:57,630 --> 00:29:56,640
years I mean I know your friend with

606
00:29:59,789 --> 00:29:57,640
some of these other

607
00:30:01,440 --> 00:29:59,799
Graham I tried to get this story to him

608
00:30:03,690 --> 00:30:01,450
for years you know and also the

609
00:30:05,669 --> 00:30:03,700
beautiful Russian lady Sylvia and

610
00:30:07,380 --> 00:30:05,679
Michael cream with several people who

611
00:30:09,810 --> 00:30:07,390
say hey we've been here longer than just

612
00:30:11,610 --> 00:30:09,820
a fifty thousand years and this story

613
00:30:14,100 --> 00:30:11,620

says we've been here more than a hundred

614

00:30:15,360 --> 00:30:14,110

million years with this temple we'll

615

00:30:17,910 --> 00:30:15,370

talk about in a minute

616

00:30:20,010 --> 00:30:17,920

it's from the paradise time but before

617

00:30:22,590 --> 00:30:20,020

the time that the axle tilted when the

618

00:30:25,500 --> 00:30:22,600

whole planet was trouble mm-hmm but you

619

00:30:27,440 --> 00:30:25,510

know it's like both they are saying that

620

00:30:30,450 --> 00:30:27,450

there was some kind of ancient

621

00:30:33,510 --> 00:30:30,460

civilization there's some kind of reason

622

00:30:35,760 --> 00:30:33,520

why we find pyramids you know down in

623

00:30:37,740 --> 00:30:35,770

Chichen itzá and why we find pyramids in

624

00:30:39,780 --> 00:30:37,750

Egypt and why we find them in Bosnia and

625

00:30:41,909 --> 00:30:39,790

why we find them in China while we

626
00:30:44,280 --> 00:30:41,919
vitamin in India you know where did the

627
00:30:46,380 --> 00:30:44,290
idea of the pyramid why did all these

628
00:30:50,539 --> 00:30:46,390
different cultures it there must have

629
00:30:54,330 --> 00:30:50,549
been some kind of an ancient culture

630
00:30:55,830 --> 00:30:54,340
that gave this information to all these

631
00:30:57,330 --> 00:30:55,840
different cultures how to do this

632
00:30:58,980 --> 00:30:57,340
because they're all doing it it didn't

633
00:31:00,659 --> 00:30:58,990
just pop up one day and have other side

634
00:31:02,520 --> 00:31:00,669
that will make a pyramid and you know

635
00:31:04,799 --> 00:31:02,530
and there's a whole math the math X

636
00:31:07,350 --> 00:31:04,809
that's a whole other story but you know

637
00:31:09,330 --> 00:31:07,360
it's a lot of people have done a lot of

638
00:31:11,549 --> 00:31:09,340

research and they've done really really

639

00:31:14,340 --> 00:31:11,559

well and they really looking deep and

640

00:31:17,039 --> 00:31:14,350

it's really a lot of people who want to

641

00:31:18,990 --> 00:31:17,049

know what we really are and where we

642

00:31:23,400 --> 00:31:19,000

really came from and who we really are

643

00:31:25,770 --> 00:31:23,410

and they have a lot of pieces but they

644

00:31:27,270 --> 00:31:25,780

don't know how to put it all together in

645

00:31:31,590 --> 00:31:27,280

the ring and I throw that this saga

646

00:31:34,280 --> 00:31:31,600

would let these people realize that all

647

00:31:36,600 --> 00:31:34,290

their thoughts and all their time and

648

00:31:38,760 --> 00:31:36,610

thinking like this isn't taking [\h__\h]

649

00:31:40,950 --> 00:31:38,770

from everybody all this institutions

650

00:31:42,840 --> 00:31:40,960

academic people you know being shunned

651
00:31:44,490 --> 00:31:42,850
because though you said it was thirty

652
00:31:46,590 --> 00:31:44,500
five thousand and it can't be thirty

653
00:31:48,690 --> 00:31:46,600
thousand it can only be ten thousand

654
00:31:50,190 --> 00:31:48,700
because of you know Graham and all of

655
00:31:52,260 --> 00:31:50,200
them they talk about you know this you

656
00:31:54,030 --> 00:31:52,270
can't bring anything out like this

657
00:31:57,060 --> 00:31:54,040
because you can't be a professor anymore

658
00:31:58,470 --> 00:31:57,070
so right yeah it's it's horrible we've

659
00:32:00,480 --> 00:31:58,480
been here a long time I don't know I

660
00:32:03,419 --> 00:32:00,490
mean the answer to that like the first

661
00:32:05,250 --> 00:32:03,429
question from me and my life was you

662
00:32:08,580 --> 00:32:05,260
know who's making up this movie where

663
00:32:10,320 --> 00:32:08,590

does this resist life where do I come

664

00:32:11,549 --> 00:32:10,330

pretty you come from I mean who's made

665

00:32:13,919 --> 00:32:11,559

this telephone I mean who

666

00:32:17,489 --> 00:32:13,929

made us how on the what and then when he

667

00:32:19,560 --> 00:32:17,499

told me that the Sun everything we see

668

00:32:21,749 --> 00:32:19,570

these computers who were looking into

669

00:32:24,539 --> 00:32:21,759

we're talking through that the floor was

670

00:32:27,149 --> 00:32:24,549

standing on not every cell every cell in

671

00:32:29,909 --> 00:32:27,159

our body is made of Sun and that made

672

00:32:31,919 --> 00:32:29,919

like wow that's really it really make

673

00:32:33,930 --> 00:32:31,929

sense that's it the you know Sun don't

674

00:32:36,230 --> 00:32:33,940

shine there's no there's no soul it's

675

00:32:39,330 --> 00:32:36,240

like our souls come from the solar and

676
00:32:41,610 --> 00:32:39,340
you know a long time ago people they

677
00:32:44,009 --> 00:32:41,620
looked at the Sun they built the Sun

678
00:32:46,080 --> 00:32:44,019
temple because they felt like the Sun is

679
00:32:48,149 --> 00:32:46,090
the consciousness if the Sun doesn't

680
00:32:50,970 --> 00:32:48,159
shine there is no consciousness so it's

681
00:32:53,279 --> 00:32:50,980
making up everything we see yeah

682
00:32:55,379 --> 00:32:53,289
and so people realize this and they

683
00:32:57,600 --> 00:32:55,389
looked up and they built the Sun temple

684
00:32:59,759 --> 00:32:57,610
because they felt like the Sun was

685
00:33:01,830 --> 00:32:59,769
looking down and smiling and saying hey

686
00:33:05,249 --> 00:33:01,840
look the people built the Sun temple for

687
00:33:08,070 --> 00:33:05,259
me so it's not like some UFO reason they

688
00:33:09,659 --> 00:33:08,080

built this thing so people only up atop

689

00:33:11,159 --> 00:33:09,669

they thought the Sun was looking band

690

00:33:13,859 --> 00:33:11,169

then they also said the moon that

691

00:33:15,600 --> 00:33:13,869

consciousness that the moon was looking

692

00:33:18,600 --> 00:33:15,610

down the man and the moon is called

693

00:33:20,519 --> 00:33:18,610

wrong and so they felt they when they

694

00:33:22,259 --> 00:33:20,529

built a moon temple for the moon that

695

00:33:24,029 --> 00:33:22,269

the moon was shining and looking down

696

00:33:25,769 --> 00:33:24,039

and smiling they didn't think about some

697

00:33:27,899 --> 00:33:25,779

God who's sitting out there on the star

698

00:33:29,639 --> 00:33:27,909

that was looking down they just realized

699

00:33:31,680 --> 00:33:29,649

that the Sun the moon they are making

700

00:33:33,600 --> 00:33:31,690

our gravity or our water system

701
00:33:36,570 --> 00:33:33,610
everything's made by the sound of Moon

702
00:33:39,450 --> 00:33:36,580
mm-hmm so they worshiped the sign of

703
00:33:42,299 --> 00:33:39,460
moon but they did have gods and

704
00:33:44,489 --> 00:33:42,309
goddesses but gods and goddesses come

705
00:33:47,879 --> 00:33:44,499
later the Sun and the moons before the

706
00:33:49,470 --> 00:33:47,889
concept of gods and goddesses hmm I've

707
00:33:51,119 --> 00:33:49,480
heard you tell the story a couple

708
00:33:53,100 --> 00:33:51,129
different times in a couple different

709
00:33:55,440 --> 00:33:53,110
ways and it did really resonate with me

710
00:33:57,930 --> 00:33:55,450
this idea that we think of the earth as

711
00:34:00,269 --> 00:33:57,940
our mother and you could think of the

712
00:34:04,169 --> 00:34:00,279
Sun as the father and the sun's rays

713
00:34:06,149 --> 00:34:04,179

penetrate the mother earth and thus

714

00:34:08,339 --> 00:34:06,159

everything else is born out of the

715

00:34:11,270 --> 00:34:08,349

mother earth I think that really is a

716

00:34:13,849 --> 00:34:11,280

simplistic and easy to understand

717

00:34:18,359 --> 00:34:13,859

cosmology of how this all came to be

718

00:34:22,770 --> 00:34:18,369

yeah I mean historian says that the moon

719

00:34:25,110 --> 00:34:22,780

is male and female is that the front

720

00:34:27,270 --> 00:34:25,120

side of the Moon is call wrong

721

00:34:31,740 --> 00:34:27,280

and the dark side of the moon is called

722

00:34:34,140 --> 00:34:31,750

Maher & Maher is that is the female side

723

00:34:35,820 --> 00:34:34,150

it doesn't mean negative it just means

724

00:34:38,070 --> 00:34:35,830

the mystical side we don't know what's

725

00:34:40,410 --> 00:34:38,080

going on the back of the moon and the

726

00:34:42,990 --> 00:34:40,420

light side of the Moon is called Ross -

727

00:34:45,360 --> 00:34:43,000

the raw is represented by the king and

728

00:34:49,500 --> 00:34:45,370

queen and it's the moon is male and

729

00:34:51,570 --> 00:34:49,510

female the earth is only female it there

730

00:34:54,860 --> 00:34:51,580

is no masculine represents the earth

731

00:35:03,510 --> 00:34:54,870

it's the mother earth is made from magma

732

00:35:06,360 --> 00:35:03,520

and spell him on day M or ma g ma but

733

00:35:08,460 --> 00:35:06,370

and this G in the middle like I said in

734

00:35:11,940 --> 00:35:08,470

the sound system the sounds have

735

00:35:16,830 --> 00:35:11,950

meanings so the scent hound G or gay

736

00:35:20,400 --> 00:35:16,840

means to groom or the ground so you have

737

00:35:23,250 --> 00:35:20,410

M R and then you have gay you pull the

738

00:35:26,490 --> 00:35:23,260

gate down you pull the groom down and if

739

00:35:30,330 --> 00:35:26,500

you look on top you have mama your mom

740

00:35:34,080 --> 00:35:30,340

gay mr the ground is our mama

741

00:35:37,110 --> 00:35:34,090

and it's made from magma so the word

742

00:35:40,890 --> 00:35:37,120

mama comes from this red stuff is in the

743

00:35:43,410 --> 00:35:40,900

centre of our planet and the Sun is

744

00:35:46,290 --> 00:35:43,420

actually is represented by male and

745

00:35:49,170 --> 00:35:46,300

female it has a form around anything

746

00:35:52,380 --> 00:35:49,180

round is female anything is like a pole

747

00:35:54,780 --> 00:35:52,390

is masculine so that the Sun it's one

748

00:35:58,890 --> 00:35:54,790

disc up there and it's represented by

749

00:36:02,250 --> 00:35:58,900

but in our stories to God and the

750

00:36:04,350 --> 00:36:02,260

goddess in the mythology we have God and

751

00:36:06,290 --> 00:36:04,360

Goddess this is a mythology this is not

752

00:36:10,050 --> 00:36:06,300

a religion that I'm speaking about

753

00:36:12,060 --> 00:36:10,060

mythology is much much older than

754

00:36:14,040 --> 00:36:12,070

religion there's only really three

755

00:36:16,620 --> 00:36:14,050

religions on the planet and that's the

756

00:36:18,960 --> 00:36:16,630

Hebrew the Christian and the Muslim and

757

00:36:21,060 --> 00:36:18,970

they believe in one God who sits up

758

00:36:23,490 --> 00:36:21,070

there in a space somewhere where his

759

00:36:26,370 --> 00:36:23,500

mythology's we have gods and goddesses

760

00:36:28,860 --> 00:36:26,380

we have a whole pantheon of gods and

761

00:36:31,080 --> 00:36:28,870

goddesses so the women they can go for

762

00:36:35,430 --> 00:36:31,090

the female deities and the men we can go

763

00:36:38,190 --> 00:36:35,440

to the men deity so the female is 50% of

764

00:36:38,910 --> 00:36:38,200

the mythology in the religion she's kind

765

00:36:42,120 --> 00:36:38,920

of cut out of the

766

00:36:45,690 --> 00:36:42,130

story right yeah so this is a mythology

767

00:36:48,059 --> 00:36:45,700

and so we do have people who represents

768

00:36:50,640 --> 00:36:48,069

the Sun the ideal of god and goddess

769

00:36:52,319 --> 00:36:50,650

would be the earth goddesses in this

770

00:36:56,010 --> 00:36:52,329

story she's called the Swan

771

00:36:58,440 --> 00:36:56,020

she's the the children maker and the

772

00:37:02,250 --> 00:36:58,450

moon god and goddess is called Ron Maya

773

00:37:05,910 --> 00:37:02,260

and the Sun God and Goddess

774

00:37:10,740 --> 00:37:05,920

he's called bubay and she's called guma

775

00:37:14,309 --> 00:37:10,750

a finnish language she's called akka

776

00:37:16,500 --> 00:37:14,319

he's called oopall and in english he's

777

00:37:19,470 --> 00:37:16,510

called pear and we're caught and she's

778

00:37:21,299 --> 00:37:19,480

call up and pear means father for us

779

00:37:24,690 --> 00:37:21,309

like we were all sons and daughters of

780

00:37:27,690 --> 00:37:24,700

pear repair son her sons their son

781

00:37:31,260 --> 00:37:27,700

so pear is our father we we he's our

782

00:37:33,030 --> 00:37:31,270

parent we come from his parama so then

783

00:37:34,920 --> 00:37:33,040

this sound system I'm not going to go so

784

00:37:38,370 --> 00:37:34,930

much into how this linguistics works

785

00:37:42,720 --> 00:37:38,380

today but yeah so the the ideal that the

786

00:37:47,730 --> 00:37:44,990

this whole planet was full of nature

787

00:37:50,070 --> 00:37:47,740

butterflies and fish and lizards and

788

00:37:53,070 --> 00:37:50,080

everything it was created for us the

789

00:37:55,800 --> 00:37:53,080

human being there's no other planet

790

00:37:58,109 --> 00:37:55,810

anywhere else into the solar system this

791

00:38:02,810 --> 00:37:58,119

is the only one that has plants on it is

792

00:38:06,480 --> 00:38:02,820

a plan and his son created this planet

793

00:38:09,030 --> 00:38:06,490

for us the people it was the most

794

00:38:11,190 --> 00:38:09,040

precious gift he's ever given anything

795

00:38:13,740 --> 00:38:11,200

there's no life anywhere in the universe

796

00:38:16,770 --> 00:38:13,750

I know this blows all the UFO people but

797

00:38:19,790 --> 00:38:16,780

anyway this says that there's yeah

798

00:38:23,310 --> 00:38:19,800

there's nobody else out there if the Sun

799

00:38:26,250 --> 00:38:23,320

created this planet full of nature full

800

00:38:28,320 --> 00:38:26,260

of beauty and then one day it created a

801
00:38:31,440 --> 00:38:28,330
human being and we have a story about

802
00:38:33,510 --> 00:38:31,450
how the human being was created I mean

803
00:38:37,530 --> 00:38:33,520
we could go in a dad or whatever you

804
00:38:40,620 --> 00:38:37,540
know this but anyway this planet is for

805
00:38:42,750 --> 00:38:40,630
us you know this and what makes us two

806
00:38:45,260 --> 00:38:42,760
people different than the nature is that

807
00:38:49,920 --> 00:38:45,270
the Sun gave to us for different things

808
00:38:51,840 --> 00:38:49,930
he gave us linguistics we can speak the

809
00:38:53,970 --> 00:38:51,850
squirrel he can like okay you know okay

810
00:38:56,520 --> 00:38:53,980
but he can't really go into detail about

811
00:38:58,710 --> 00:38:56,530
look at the tree with the green leaf and

812
00:39:00,599 --> 00:38:58,720
look at the vein in the leaf and look at

813
00:39:02,820 --> 00:39:00,609

the brown edge on the leaf and look at

814

00:39:05,099 --> 00:39:02,830

serrated leaf so we can with a

815

00:39:08,160 --> 00:39:05,109

linguistics language we can describe

816

00:39:10,800 --> 00:39:08,170

this incredible nature around them which

817

00:39:14,730 --> 00:39:10,810

gives us a higher appreciation than the

818

00:39:17,940 --> 00:39:14,740

animal out there the Sun also gave us

819

00:39:20,670 --> 00:39:17,950

fire the first woman was given fire

820

00:39:23,010 --> 00:39:20,680

through a lightning bolt because the

821

00:39:26,250 --> 00:39:23,020

fire for something does the human beings

822

00:39:28,950 --> 00:39:26,260

could use the women before they they

823

00:39:30,690 --> 00:39:28,960

would take one stone and hollow out the

824

00:39:32,580 --> 00:39:30,700

stone they with a pillow full of water

825

00:39:35,430 --> 00:39:32,590

it bill went fire under it and then they

826

00:39:38,520 --> 00:39:35,440

put these leaves from the tree and put a

827

00:39:40,770 --> 00:39:38,530

bush and this hot water this bubbling

828

00:39:44,670 --> 00:39:40,780

water would suck something to some

829

00:39:47,670 --> 00:39:44,680

energy out from the leaf they call

830

00:39:49,950 --> 00:39:47,680

taeyang what we call we call in a year

831

00:39:52,320 --> 00:39:49,960

energy and these women and these people

832

00:39:54,450 --> 00:39:52,330

were drinking this tea but it was a fire

833

00:39:57,090 --> 00:39:54,460

we could extract it so the fire was

834

00:40:00,510 --> 00:39:57,100

given to us from the very

835

00:40:02,760 --> 00:40:00,520

it was called hell tea we were very

836

00:40:06,590 --> 00:40:02,770

healthy people healthy people healthy

837

00:40:09,390 --> 00:40:06,600

because we were drinking tea from hell

838

00:40:12,290 --> 00:40:09,400

they were burning forty thousand women a

839

00:40:15,089 --> 00:40:12,300

year in middle Europe for drinking tea

840

00:40:19,799 --> 00:40:15,099

which is they call

841

00:40:21,299 --> 00:40:19,809

so anyways the father the Linguistics

842

00:40:25,210 --> 00:40:21,309

the third thing that we got was

843

00:40:29,589 --> 00:40:25,220

mathematics what they call Marte Marty

844

00:40:34,050 --> 00:40:29,599

and ma Tama is female so the mathematics

845

00:40:38,050 --> 00:40:34,060

it's not Part A Part A MA motto Maddux

846

00:40:41,650 --> 00:40:38,060

was given to the female and mathematics

847

00:40:44,430 --> 00:40:41,660

is just a ring it's a circle it's a pole

848

00:40:47,580 --> 00:40:44,440

as a center point

849

00:40:50,220 --> 00:40:47,590

if you make a center point in the dirt

850

00:40:51,840 --> 00:40:50,230

and you you draw a ring around that

851

00:40:54,630 --> 00:40:51,850

center point and you put a pole in the

852

00:40:58,380 --> 00:40:54,640

middle this the Sun would make this

853

00:41:02,430 --> 00:40:58,390

shadow q and q is quadrant

854

00:41:04,740 --> 00:41:02,440

it's a sundial so all mathematics are

855

00:41:07,790 --> 00:41:04,750

computers everything is based around a

856

00:41:11,340 --> 00:41:07,800

ring a pole and a center point or a dot

857

00:41:13,799 --> 00:41:11,350

hmm so mathematics was given to the

858

00:41:15,329 --> 00:41:13,809

first people

859

00:41:17,099 --> 00:41:15,339

had it from the very beginning but it

860

00:41:19,199 --> 00:41:17,109

was more of a female thing and the poor

861

00:41:20,999 --> 00:41:19,209

thing is the son gave to the people that

862

00:41:22,560 --> 00:41:21,009

didn't get to the nature was a walking

863

00:41:24,690 --> 00:41:22,570

stick

864

00:41:27,690 --> 00:41:24,700

because in the nature when the bird

865

00:41:31,260 --> 00:41:27,700

can't fly and the animal cannot walk in

866

00:41:32,730 --> 00:41:31,270

the dish cannot swim anymore it falls on

867

00:41:34,770 --> 00:41:32,740

the ground it's finished it can't go

868

00:41:37,020 --> 00:41:34,780

anymore but the human being one day when

869

00:41:40,260 --> 00:41:37,030

we find that we cannot walk anymore we

870

00:41:42,420 --> 00:41:40,270

can get one walking stick it's a little

871

00:41:46,440 --> 00:41:42,430

bit gives us a few more weeks a few more

872

00:41:48,360 --> 00:41:46,450

months of getting around bulky stick was

873

00:41:50,310 --> 00:41:48,370

a very valuable thing today we have

874

00:41:52,020 --> 00:41:50,320

hospitals so we don't need walking stick

875

00:41:54,660 --> 00:41:52,030

but before when you couldn't walk with

876

00:41:57,450 --> 00:41:54,670

your stick it was time to go away in

877

00:41:59,970 --> 00:41:57,460

these days but it gave us a little bit

878

00:42:03,750 --> 00:41:59,980

extra like I said when we can still go a

879

00:42:05,940 --> 00:42:03,760

few more weeks or months so yeah these

880

00:42:08,640 --> 00:42:05,950

are like gifts but this planet is made

881

00:42:10,500 --> 00:42:08,650

for the people today we treat it like we

882

00:42:13,020 --> 00:42:10,510

do and we think there's some other place

883

00:42:14,790 --> 00:42:13,030

to go and we do all what we do and we

884

00:42:18,390 --> 00:42:14,800

just nothing we can do we live in this

885

00:42:22,380 --> 00:42:18,400

normal world this society but everything

886

00:42:24,420 --> 00:42:22,390

that we do today is toxic the life of

887

00:42:27,570 --> 00:42:24,430

this saga people would not even think

888

00:42:31,920 --> 00:42:27,580

the hurt the earth the water was pure

889

00:42:33,900 --> 00:42:31,930

there was pure people cared I mean we

890

00:42:36,510 --> 00:42:33,910

really realized in these days that this

891

00:42:39,030 --> 00:42:36,520

earth was a gift from the Sun and the

892

00:42:41,580 --> 00:42:39,040

moon and so we really should take care

893

00:42:45,090 --> 00:42:41,590

for it it was really brains and the

894

00:42:46,560 --> 00:42:45,100

people in the ancient times right our

895

00:42:48,900 --> 00:42:46,570

attitude now seems to be that we can

896

00:42:50,640 --> 00:42:48,910

just trash the planet we've lost the

897

00:42:52,770 --> 00:42:50,650

connection to it and we'll just wait

898

00:42:54,540 --> 00:42:52,780

until they colonize Mars supposedly and

899

00:42:56,580 --> 00:42:54,550

we'll get a new planet but we wouldn't

900

00:42:58,260 --> 00:42:56,590

have that mindset if we thought of this

901
00:43:01,980 --> 00:42:58,270
more as our home that we're actually a

902
00:43:04,560 --> 00:43:01,990
part of and sirs own yeah absolutely we

903
00:43:06,690 --> 00:43:04,570
should care more but we've been shoehorn

904
00:43:09,480 --> 00:43:06,700
into a dirty wasteful system we don't

905
00:43:11,070 --> 00:43:09,490
get to choose our energy sources major

906
00:43:13,350 --> 00:43:11,080
companies do more damage than

907
00:43:15,360 --> 00:43:13,360
individuals ever really could but I did

908
00:43:17,700 --> 00:43:15,370
want to get back to the whole a bit more

909
00:43:19,800 --> 00:43:17,710
and this excavation that you were a part

910
00:43:21,810 --> 00:43:19,810
of for some time going down into the

911
00:43:23,700 --> 00:43:21,820
inner chamber you sent me a picture of

912
00:43:26,100 --> 00:43:23,710
you at the entrance of this cave like

913
00:43:28,620 --> 00:43:26,110

hole very cool but I pulled this little

914

00:43:29,670 --> 00:43:28,630

paragraph off a website I don't think it

915

00:43:32,640 --> 00:43:29,680

was yours but it gives a good

916

00:43:34,680 --> 00:43:32,650

description for people it says while

917

00:43:36,059 --> 00:43:34,690

excavating on the other side of the door

918

00:43:37,859 --> 00:43:36,069

they found

919

00:43:40,079 --> 00:43:37,869

that the stone hallway continued into a

920

00:43:42,479 --> 00:43:40,089

sine-wave signature for some distance

921

00:43:44,819 --> 00:43:42,489

and then turned into a right spin spiral

922

00:43:47,249 --> 00:43:44,829

corridor that went 10 to 15 miles into

923

00:43:49,469 --> 00:43:47,259

the earth lining the hall were arched

924

00:43:51,299 --> 00:43:49,479

doorways on both sides behind the first

925

00:43:53,729 --> 00:43:51,309

door they found a life-size golden

926

00:43:55,920 --> 00:43:53,739

statue of the last austere King and a

927

00:43:57,359 --> 00:43:55,930

room full of priceless artifacts if one

928

00:43:59,249 --> 00:43:57,369

considers that the portion of the

929

00:44:01,650 --> 00:43:59,259

hallway that had been excavated to date

930

00:44:03,930 --> 00:44:01,660

is just the beginning of a large cave

931

00:44:06,150 --> 00:44:03,940

system and can be presumed that each

932

00:44:08,549 --> 00:44:06,160

successive chamber holds more relics in

933

00:44:10,559 --> 00:44:08,559

a statue of every austere King going all

934

00:44:14,309 --> 00:44:10,569

the way back through the lineage to Frey

935

00:44:16,589 --> 00:44:14,319

I mean that's pretty amazing man can you

936

00:44:19,709 --> 00:44:16,599

give us some more information about this

937

00:44:22,709 --> 00:44:19,719

excavation and what this inner chamber

938

00:44:24,630 --> 00:44:22,719

might have been used for in the past we

939

00:44:26,519 --> 00:44:24,640

haven't come to that Golden Door yet but

940

00:44:29,640 --> 00:44:26,529

anyway yeah I'll explain what's inside

941

00:44:33,120 --> 00:44:29,650

this thing I sent you a picture

942

00:44:36,900 --> 00:44:33,130

yes great picture all right that that

943

00:44:40,740 --> 00:44:36,910

entranceway there is the entrance to the

944

00:44:44,430 --> 00:44:40,750

underworld to this hollow er

945

00:44:45,840 --> 00:44:44,440

and these old times we go back to the

946

00:44:47,910 --> 00:44:45,850

time when the planet was sitting

947

00:44:50,549 --> 00:44:47,920

straight up and down

948

00:44:53,609 --> 00:44:50,559

and where hell or Helsinki is today was

949

00:44:55,259 --> 00:44:53,619

the very North Pole and the planet was

950

00:44:58,170 --> 00:44:55,269

spinning around in harmony we weren't

951
00:45:00,870 --> 00:44:58,180
tilted over and at the very very top of

952
00:45:03,210 --> 00:45:00,880
the planet if he stood on the top of the

953
00:45:05,819 --> 00:45:03,220
plant the Sun never it never went down

954
00:45:09,299 --> 00:45:05,829
it it made a golden ring around and

955
00:45:12,509 --> 00:45:09,309
around to thought the earth so in the

956
00:45:15,870 --> 00:45:12,519
middle of this neat guard or hell or the

957
00:45:17,549 --> 00:45:15,880
Garden of Eden it was a 24-hour Sun and

958
00:45:21,079 --> 00:45:17,559
in these days the whole planet was

959
00:45:23,840 --> 00:45:21,089
tropical the ice even the North Pole had

960
00:45:26,060 --> 00:45:23,850
bananas and papayas

961
00:45:28,610 --> 00:45:26,070
the ice came when we tilt it over and

962
00:45:30,350 --> 00:45:28,620
the story tells about that and two

963
00:45:32,270 --> 00:45:30,360

people were living all over this planet

964

00:45:34,220 --> 00:45:32,280

more people than we have today and they

965

00:45:38,660 --> 00:45:34,230

were all in link they were all in

966

00:45:41,030 --> 00:45:38,670

contact through one elaborate system to

967

00:45:44,240 --> 00:45:41,040

this North Pole through these Oscar

968

00:45:46,460 --> 00:45:44,250

people to this bog family and the people

969

00:45:48,050 --> 00:45:46,470

in this planet the appreciate is king

970

00:45:49,700 --> 00:45:48,060

and queen there was a king and there was

971

00:45:53,180 --> 00:45:49,710

a queen of the whole ball in the

972

00:45:57,070 --> 00:45:53,190

beginning and this game queen they lived

973

00:46:01,060 --> 00:45:57,080

among they had one system called Yehovah

974

00:46:06,890 --> 00:46:01,070

but we call jehovah they call yay

975

00:46:12,530 --> 00:46:06,900

hoo-aah yahuveh and the sound yay means

976
00:46:15,950 --> 00:46:12,540
to give EI EI EI and to sound who bore

977
00:46:18,560 --> 00:46:15,960
hole it means the court of the castle

978
00:46:21,170 --> 00:46:18,570
the court the hole

979
00:46:23,660 --> 00:46:21,180
also it comes from the word hoof which

980
00:46:27,530 --> 00:46:23,670
is the the horseshoe which is shaped

981
00:46:30,560 --> 00:46:27,540
like a a good luck the whole the who and

982
00:46:32,750 --> 00:46:30,570
the sound all meant the Oscar people so

983
00:46:37,420 --> 00:46:32,760
it was one giving system where people

984
00:46:41,090 --> 00:46:37,430
could give to the court of the Oscar and

985
00:46:44,210 --> 00:46:41,100
the people this whole planet was divided

986
00:46:45,560 --> 00:46:44,220
into ring land billions of people living

987
00:46:47,930 --> 00:46:45,570
on this earth and they were all

988
00:46:50,810 --> 00:46:47,940

connected through one system of children

989

00:46:54,050 --> 00:46:50,820

making one information system to this

990

00:46:56,450 --> 00:46:54,060

highest family through this bought

991

00:46:58,010 --> 00:46:56,460

family sitting at the north pole in the

992

00:46:59,690 --> 00:46:58,020

middle of this ring land with the Sun

993

00:47:01,819 --> 00:46:59,700

going around it around this is called

994

00:47:05,779 --> 00:47:01,829

the paradise

995

00:47:09,199 --> 00:47:05,789

Impa para despise the proper and rise

996

00:47:11,870 --> 00:47:09,209

his son Kings is afar off the Paradise

997

00:47:17,090 --> 00:47:14,450

and they had one system where in these

998

00:47:19,700 --> 00:47:17,100

days there was gold all over the planet

999

00:47:22,220 --> 00:47:19,710

it had no value because there was no

1000

00:47:23,540 --> 00:47:22,230

money system as we have it today it was

1001
00:47:26,150 --> 00:47:23,550
just something that you can make

1002
00:47:30,050 --> 00:47:26,160
beautiful handicraft gold belongs to the

1003
00:47:31,520 --> 00:47:30,060
Sun because gold it never tarnishes when

1004
00:47:33,710 --> 00:47:31,530
you make something to go you don't have

1005
00:47:36,080 --> 00:47:33,720
to keep polishing so it really reflects

1006
00:47:39,380 --> 00:47:36,090
it it belongs to the Sun that's the goal

1007
00:47:40,810 --> 00:47:39,390
and it was everywhere and people were

1008
00:47:43,160 --> 00:47:40,820
making beautiful and beautiful

1009
00:47:45,470 --> 00:47:43,170
handicrafts stuff that we don't even

1010
00:47:48,020 --> 00:47:45,480
know how to make today it wasn't made

1011
00:47:49,970 --> 00:47:48,030
for time people weren't working by the

1012
00:47:51,830 --> 00:47:49,980
hour these people were creating

1013
00:47:54,170 --> 00:47:51,840

something for the highest family on the

1014

00:47:57,140 --> 00:47:54,180

planet it was out of complete love they

1015

00:47:59,630 --> 00:47:57,150

were creating this beautiful handy would

1016

00:48:02,020 --> 00:47:59,640

he call it aesthetics and root language

1017

00:48:04,450 --> 00:48:02,030

they call it esta tea

1018

00:48:07,090 --> 00:48:04,460

and s is the Sun Tom means to take

1019

00:48:11,290 --> 00:48:07,100

antique means time like tick tock tick

1020

00:48:13,390 --> 00:48:11,300

tock antiquity so esta t for aesthetics

1021

00:48:15,640 --> 00:48:13,400

is something that is when it's made it

1022

00:48:18,190 --> 00:48:15,650

should be forever because it's so

1023

00:48:19,930 --> 00:48:18,200

beautiful it's made out of gold in gold

1024

00:48:22,770 --> 00:48:19,940

is forever and if somebody doesn't

1025

00:48:29,140 --> 00:48:22,780

destroy it it will last forever and

1026

00:48:32,110 --> 00:48:29,150

every 50 years was one air of raw and

1027

00:48:36,850 --> 00:48:32,120

raw was the king he made the race the

1028

00:48:40,000 --> 00:48:36,860

ross of human era okay okay so every era

1029

00:48:43,990 --> 00:48:40,010

was about fifty years because it's this

1030

00:48:47,320 --> 00:48:44,000

king he became king at 27 and about 77

1031

00:48:49,450 --> 00:48:47,330

he retired became the O king and the new

1032

00:48:52,870 --> 00:48:49,460

king became because every generation of

1033

00:48:55,840 --> 00:48:52,880

this Bach family was like that and his

1034

00:48:57,760 --> 00:48:55,850

King in this queen they had to assistant

1035

00:49:01,210 --> 00:48:57,770

where they was singing the one most

1036

00:49:03,490 --> 00:49:01,220

beautiful handicraft from over two

1037

00:49:05,920 --> 00:49:03,500

thousand ring land this planet was

1038

00:49:08,680 --> 00:49:05,930

divided into two over two thousand ring

1039

00:49:11,920 --> 00:49:08,690

lands in a ring land was 250 kilometres

1040

00:49:13,720 --> 00:49:11,930

about 180 miles in diameter and they

1041

00:49:15,040 --> 00:49:13,730

were shaped in this actually rings we

1042

00:49:17,260 --> 00:49:15,050

call them ring lands but they were

1043

00:49:19,210 --> 00:49:17,270

actually hexagon so it was like a

1044

00:49:21,550 --> 00:49:19,220

football when you can put hexagons and

1045

00:49:24,430 --> 00:49:21,560

make a ball out and when they say that

1046

00:49:26,350 --> 00:49:24,440

the four corners of the world the four

1047

00:49:29,470 --> 00:49:26,360

corners of the world is where the four

1048

00:49:31,960 --> 00:49:29,480

hemispheres meet and two poor

1049

00:49:34,120 --> 00:49:31,970

hemispheres of them of the earth they

1050

00:49:36,550 --> 00:49:34,130

meet at the North Pole and a South Pole

1051

00:49:38,500 --> 00:49:36,560

so hell is a place where the four

1052

00:49:40,690 --> 00:49:38,510

corners of the earth actually come

1053

00:49:42,670 --> 00:49:40,700

together it's the only place they all

1054

00:49:46,300 --> 00:49:42,680

come together at this hole on the top of

1055

00:49:48,569 --> 00:49:46,310

the axle that is the true four corners

1056

00:49:51,599 --> 00:49:48,579

where they all meet

1057

00:49:53,880 --> 00:49:51,609

and every 50 years they would send one

1058

00:49:55,949 --> 00:49:53,890

of the most beautiful handicraft from

1059

00:49:59,819 --> 00:49:55,959

each of these ring lands they would send

1060

00:50:02,200 --> 00:49:59,829

it up to hell and was given to the

1061

00:50:06,520 --> 00:50:02,210

officer to the king

1062

00:50:09,400 --> 00:50:06,530

and he would collect his stuff for 50

1063

00:50:11,980 --> 00:50:09,410

years now when he became the O king the

1064

00:50:15,490 --> 00:50:11,990

new king was coming the new raw they

1065

00:50:18,070 --> 00:50:15,500

started a new Yehovah system a new

1066

00:50:21,310 --> 00:50:18,080

giving to the court of the officer and

1067

00:50:24,040 --> 00:50:21,320

so that he needed a place to store all

1068

00:50:27,100 --> 00:50:24,050

these beautiful handicrafts that were

1069

00:50:30,070 --> 00:50:27,110

made more than 100 million years ago the

1070

00:50:32,230 --> 00:50:30,080

story says that the the paradise time is

1071

00:50:34,750 --> 00:50:32,240

longer than the ice time and it says

1072

00:50:37,750 --> 00:50:34,760

that the ice came on this planet 50

1073

00:50:39,610 --> 00:50:37,760

million 10032 years ago it's when the

1074

00:50:42,760 --> 00:50:39,620

axial tilted in the Ice King there's

1075

00:50:45,790 --> 00:50:42,770

another story for that so into eight

1076
00:50:50,140 --> 00:50:45,800
thirty kilometers to the east Helsinki

1077
00:50:55,390 --> 00:50:50,150
there was this entranceway that went

1078
00:51:00,190 --> 00:50:55,400
down to this huge opening to this Hollow

1079
00:51:03,250 --> 00:51:00,200
Earth and this entranceway went down

1080
00:51:07,360 --> 00:51:03,260
underneath this hill that we call he

1081
00:51:08,640 --> 00:51:07,370
belly lorry today mr. Hill is a granite

1082
00:51:12,210 --> 00:51:08,650
hill

1083
00:51:16,019 --> 00:51:12,220
this tunnel it went down and went into

1084
00:51:19,859 --> 00:51:16,029
this empty hundred and eighty mile two

1085
00:51:22,799 --> 00:51:19,869
hundred fifty kilometers massive empty

1086
00:51:28,200 --> 00:51:22,809
spot in the North Pole and there they

1087
00:51:31,799 --> 00:51:28,210
started to carve the wall away and they

1088
00:51:34,079 --> 00:51:31,809

made like one pathway so they carved two

1089

00:51:36,420 --> 00:51:34,089

or three how many meters they carved a

1090

00:51:38,760 --> 00:51:36,430

wall and then it left a path at the

1091

00:51:43,380 --> 00:51:38,770

bottom and they started to create one

1092

00:51:50,790 --> 00:51:46,740

to go down and down and down around and

1093

00:51:53,690 --> 00:51:50,800

around this huge empty opening

1094

00:51:57,840 --> 00:51:53,700

and it sits underneath Helsinki today

1095

00:51:59,790 --> 00:51:57,850

and they plated the walls in the path

1096

00:52:03,090 --> 00:51:59,800

with gold

1097

00:52:04,980 --> 00:52:03,100

so when you went inside this hole in the

1098

00:52:07,470 --> 00:52:04,990

top of the earth you could take one

1099

00:52:10,200 --> 00:52:07,480

candle and this goal walls and go back

1100

00:52:10,680 --> 00:52:10,210

it reflected like New York Saturday

1101

00:52:15,390 --> 00:52:10,690

night

1102

00:52:17,990 --> 00:52:15,400

the only needed one candle and they

1103

00:52:23,920 --> 00:52:18,000

started to build these chambers for each

1104

00:52:28,000 --> 00:52:23,930

generation from each air of raw

1105

00:52:29,890 --> 00:52:28,010

from each pair renewed period fairy

1106

00:52:40,720 --> 00:52:29,900

fairy means the father

1107

00:52:40,730 --> 00:52:45,359

you

1108

00:52:51,510 --> 00:52:48,580

into this granite

1109

00:52:54,280 --> 00:52:51,520

and two of these rooms were storeroom

1110

00:52:56,680 --> 00:52:54,290

where they can store these beautiful

1111

00:52:59,710 --> 00:52:56,690

pieces of handicraft from this air of

1112

00:53:01,960 --> 00:52:59,720

robbing this yay hö assistant

1113

00:53:04,740 --> 00:53:01,970

and they had one small room out front

1114

00:53:07,930 --> 00:53:04,750

where it was called the showroom all

1115

00:53:10,240 --> 00:53:07,940

gold-plated rook floor all gold plated

1116

00:53:12,460 --> 00:53:10,250

walls everything gold-plated in this

1117

00:53:14,710 --> 00:53:12,470

father of the planet he could go in

1118

00:53:18,010 --> 00:53:14,720

there with one candle and he could go to

1119

00:53:20,140 --> 00:53:18,020

one of these two store chambers pull out

1120

00:53:23,080 --> 00:53:20,150

one of these pieces incredible beautiful

1121

00:53:25,570 --> 00:53:23,090

art made of gold and put in the showroom

1122

00:53:29,410 --> 00:53:25,580

and now with this candles he could

1123

00:53:33,099 --> 00:53:29,420

examine the work that this craftsman had

1124

00:53:35,920 --> 00:53:33,109

made these are things that they're like

1125

00:53:38,470 --> 00:53:35,930

Faberge eggs of today I mean these were

1126

00:53:40,300 --> 00:53:38,480

these people that's all they had to do

1127

00:53:41,500 --> 00:53:40,310

they didn't have jobs like we did they

1128

00:53:47,050 --> 00:53:41,510

just had to sit around and make

1129

00:53:50,470 --> 00:53:47,060

beautiful things and so each one of

1130

00:53:55,060 --> 00:53:50,480

these generations of this Bach family

1131

00:53:59,560 --> 00:53:55,070

they made one solid gold statue of the

1132

00:54:03,640 --> 00:53:59,570

all-father at that time and there he is

1133

00:54:06,430 --> 00:54:03,650

with solid gold statue and he's standing

1134

00:54:08,530 --> 00:54:06,440

there with a big erection and it will

1135

00:54:10,990 --> 00:54:08,540

show what that first all-father looked

1136

00:54:13,990 --> 00:54:11,000

like in the next three chambers as you

1137

00:54:16,290 --> 00:54:14,000

go down this golden spiral road is three

1138

00:54:19,510 --> 00:54:16,300

more chambers and that's his 12 son

1139

00:54:22,240 --> 00:54:19,520

another golden statue another yaho bus

1140

00:54:24,040 --> 00:54:22,250

system sitting in three chambers you go

1141

00:54:26,410 --> 00:54:24,050

a little farther there's the third

1142

00:54:28,359 --> 00:54:26,420

generation that's what them that's what

1143

00:54:30,849 --> 00:54:28,369

the bark or the all-father look like in

1144

00:54:33,700 --> 00:54:30,859

these chambers and chambers and this

1145

00:54:37,420 --> 00:54:33,710

golden spiral goes thousands of

1146

00:54:42,370 --> 00:54:37,430

kilometres millions of generations of

1147

00:54:45,130 --> 00:54:42,380

this bachpan lee Wow and this is what's

1148

00:54:48,190 --> 00:54:45,140

in the underworld this is the this is

1149

00:54:51,790 --> 00:54:48,200

the storehouse for the story for the

1150

00:54:54,700 --> 00:54:51,800

history because the men kept the history

1151

00:54:57,349 --> 00:54:54,710

and the women made the future and this

1152

00:54:59,870 --> 00:54:57,359

is the his story

1153

00:55:01,759 --> 00:54:59,880

and they closed this temple up they seal

1154

00:55:04,489 --> 00:55:01,769

it up in the year nine eighty seven

1155

00:55:06,460 --> 00:55:04,499

because as Roman Catholics were coming

1156

00:55:08,470 --> 00:55:06,470

up to Europe

1157

00:55:10,630 --> 00:55:08,480

the Greek Orthodox are coming up through

1158

00:55:14,890 --> 00:55:10,640

the Greek or what we call the air world

1159

00:55:15,670 --> 00:55:14,900

today and in 1987 the Greek Orthodox got

1160

00:55:18,279 --> 00:55:15,680

to Russia

1161

00:55:20,049 --> 00:55:18,289

these austere people does bark family

1162

00:55:21,579 --> 00:55:20,059

they understood and now they had to seal

1163

00:55:24,130 --> 00:55:21,589

this temple up they couldn't let this

1164

00:55:26,320 --> 00:55:24,140

church find what was inside it

1165

00:55:31,270 --> 00:55:26,330

because this is the whole history it's

1166

00:55:33,910 --> 00:55:31,280

the whole story of humanity in gold

1167

00:55:36,990 --> 00:55:33,920

and so they seal this place up and when

1168

00:55:39,610 --> 00:55:37,000

they seal it up they really did a job

1169

00:55:41,170 --> 00:55:39,620

welcome to hell I explained because I

1170

00:55:44,050 --> 00:55:41,180

was there from the beginning of the dig

1171

00:55:45,130 --> 00:55:44,060

I was I put the first shovel and in 1987

1172

00:55:50,320 --> 00:55:45,140

Wow

1173

00:55:56,060 --> 00:55:53,330

they made it look very natural

1174

00:55:57,890 --> 00:55:56,070

because as they knew that one of these

1175

00:55:59,420 --> 00:55:57,900

Christian churches was going to come to

1176

00:56:03,430 --> 00:55:59,430

get him one day because the Greek

1177

00:56:06,850 --> 00:56:03,440

Orthodox and 987 they sealed it up and

1178

00:56:11,560 --> 00:56:06,860

they said at the Bach

1179

00:56:16,240 --> 00:56:11,570

that was alive in 1,000 years it was his

1180

00:56:18,730 --> 00:56:16,250

obligation to open a temple and he

1181

00:56:22,060 --> 00:56:18,740

Orbach he was that bar

1182

00:56:25,240 --> 00:56:22,070

in 1987 we were all sitting in India he

1183

00:56:27,340 --> 00:56:25,250

said you know what my family he the

1184

00:56:29,230 --> 00:56:27,350

story came slowly slowly it didn't come

1185

00:56:32,950 --> 00:56:29,240

all in one day I said many many years

1186

00:56:36,819 --> 00:56:32,960

with York to learn what I learned

1187

00:56:40,210 --> 00:56:36,829

and he said my family there's a there's

1188

00:56:42,280 --> 00:56:40,220

a temple there's a storehouse and his

1189

00:56:44,440 --> 00:56:42,290

family had gotten this land back so we

1190

00:56:46,299 --> 00:56:44,450

knew exactly where it was and we're not

1191

00:56:51,609 --> 00:56:46,309

looking for any temple we know where it

1192

00:56:53,589 --> 00:56:51,619

is we're just trying to get to it and he

1193

00:56:55,870 --> 00:56:53,599

told us about this yellow assistant

1194

00:56:57,880 --> 00:56:55,880

about this giving system but people were

1195

00:57:04,180 --> 00:56:57,890

offering these beautiful handicrafts in

1196

00:57:07,210 --> 00:57:04,190

this storehouse and on July 19 1987 I

1197

00:57:09,700 --> 00:57:07,220

started the dig and we worked for

1198

00:57:12,910 --> 00:57:09,710

summers we took all the sand out we came

1199

00:57:15,819 --> 00:57:12,920

to rectangular stones and stone stuck

1200

00:57:18,339 --> 00:57:15,829

into the mouth of the cave and inside

1201
00:57:20,280 --> 00:57:18,349
the cave was just all these rock walls I

1202
00:57:23,890 --> 00:57:20,290
mean the whole place is man-made

1203
00:57:27,040 --> 00:57:23,900
somebody they went to a lot of problem

1204
00:57:28,750 --> 00:57:27,050
to pose this thing up this is nothing

1205
00:57:31,660 --> 00:57:28,760
natural about it Eve we had the most

1206
00:57:33,549 --> 00:57:31,670
professional the drilling masters

1207
00:57:37,500 --> 00:57:33,559
blowing through these stones for us and

1208
00:57:40,000 --> 00:57:37,510
they said this is completely man-made in

1209
00:57:42,130 --> 00:57:40,010
1990 some friends of ours bought a

1210
00:57:45,039 --> 00:57:42,140
little bit too much hashish up a femine

1211
00:57:45,579 --> 00:57:45,049
but we all got busted I had to go to

1212
00:57:47,349 --> 00:57:45,589
prison

1213
00:57:51,900 --> 00:57:47,359

or you know some other people being

1214

00:57:59,020 --> 00:57:56,309

since then we it sits there in a wait

1215

00:58:02,230 --> 00:57:59,030

but you were only aware about 30 maybe

1216

00:58:03,880 --> 00:58:02,240

30 40 meters down and we're just going

1217

00:58:05,710 --> 00:58:03,890

through rock walls there's a perfect

1218

00:58:08,620 --> 00:58:05,720

granite floor is a perfect granite

1219

00:58:11,589 --> 00:58:08,630

ceiling and down somewhere in promise

1220

00:58:14,950 --> 00:58:11,599

there will be one golden door and then

1221

00:58:18,040 --> 00:58:14,960

when you go into that golden door

1222

00:58:22,150 --> 00:58:18,050

it's a door to the core it's the

1223

00:58:24,670 --> 00:58:22,160

corridor the core three door the door

1224

00:58:28,120 --> 00:58:24,680

will read the core and Courreges hole in

1225

00:58:30,339 --> 00:58:28,130

the top of the planet Wow yeah and

1226

00:58:32,470 --> 00:58:30,349

that's what that's still inside the

1227

00:58:36,069 --> 00:58:32,480

temple we called the lemon kind in

1228

00:58:39,940 --> 00:58:36,079

Temple it can also be called the temple

1229

00:58:44,829 --> 00:58:39,950

of Superbook and Baldr it can also be

1230

00:58:46,870 --> 00:58:44,839

the temple of odin hmm so knowing the

1231

00:58:48,549 --> 00:58:46,880

location of this what would it take to

1232

00:58:50,530 --> 00:58:48,559

start this back up again because now you

1233

00:58:52,599 --> 00:58:50,540

actually have problems from the

1234

00:58:54,130 --> 00:58:52,609

authorities in Finland and apparently a

1235

00:58:59,980 --> 00:58:54,140

museum as well right

1236

00:59:02,559 --> 00:58:59,990

oh I mean the data tooth it's a very big

1237

00:59:06,309 --> 00:59:02,569

story but that place got auctioned off

1238

00:59:09,190 --> 00:59:06,319

he or his parents had his sole few

1239

00:59:11,770 --> 00:59:09,200

hundred year old house sitting there on

1240

00:59:13,450 --> 00:59:11,780

the archipelago that's out of Helsinki

1241

00:59:15,850 --> 00:59:13,460

30 kilometers in a place called boom

1242

00:59:18,610 --> 00:59:15,860

booster on

1243

00:59:20,590 --> 00:59:18,620

and in the story goes on but anyway they

1244

00:59:22,780 --> 00:59:20,600

auction this place all and a really

1245

00:59:26,020 --> 00:59:22,790

really nice lady bought the house for

1246

00:59:28,150 --> 00:59:26,030

the beach but some friends of ours who

1247

00:59:31,930 --> 00:59:28,160

are Istanbul yoga teachers in Finland

1248

00:59:33,280 --> 00:59:31,940

really really super super great people

1249

00:59:35,170 --> 00:59:33,290

these two brought these two prints

1250

00:59:39,250 --> 00:59:35,180

reminded both our instructors for

1251
00:59:41,290 --> 00:59:39,260
Istanbul yoga they bought the entrance

1252
00:59:44,650 --> 00:59:41,300
they bought the land with the entrance

1253
00:59:47,050 --> 00:59:44,660
to the temple so the interest to the

1254
00:59:49,120 --> 00:59:47,060
temple is actually in it's in our

1255
00:59:51,100 --> 00:59:49,130
possession and these two people said we

1256
00:59:53,620 --> 00:59:51,110
can go in there anytime we want to and

1257
00:59:55,270 --> 00:59:53,630
we don't have to get Authority people

1258
00:59:58,210 --> 00:59:55,280
blow and Finland they blow holes all the

1259
01:00:00,100 --> 00:59:58,220
time with dynamite us so it could

1260
01:00:02,440 --> 01:00:00,110
actually be going in but I think it

1261
01:00:04,810 --> 01:00:02,450
actually the best thing is I think that

1262
01:00:06,370 --> 01:00:04,820
this saga has to go out people have to

1263
01:00:09,250 --> 01:00:06,380

start to understand what this story's

1264

01:00:11,430 --> 01:00:09,260

about you just bring the cameras in and

1265

01:00:15,700 --> 01:00:11,440

start to show this Golden Spiral Street

1266

01:00:20,980 --> 01:00:15,710

going down and around this 180 but you

1267

01:00:23,050 --> 01:00:20,990

know mile across cavern you know and the

1268

01:00:25,210 --> 01:00:23,060

millions of chambers full of incredible

1269

01:00:27,730 --> 01:00:25,220

stuff you know the humans not ready to

1270

01:00:29,250 --> 01:00:27,740

see that yet we need to find out this

1271

01:00:31,570 --> 01:00:29,260

agra has to come first

1272

01:00:32,920 --> 01:00:31,580

yeah there's other places in Finland

1273

01:00:34,450 --> 01:00:32,930

where other things are buried too

1274

01:00:36,340 --> 01:00:34,460

there's many things there the

1275

01:00:38,800 --> 01:00:36,350

authorities they won't let us dig up

1276

01:00:40,570 --> 01:00:38,810

these other things because when he or

1277

01:00:42,490 --> 01:00:40,580

died they thought it was over with you

1278

01:00:44,830 --> 01:00:42,500

know we got rid of him but just you know

1279

01:00:46,660 --> 01:00:44,840

it it just keeps coming I don't know and

1280

01:00:48,100 --> 01:00:46,670

the story makes too much logic you know

1281

01:00:50,410 --> 01:00:48,110

I was always looking for something that

1282

01:00:52,270 --> 01:00:50,420

made sense yeah it's really out there I

1283

01:00:54,310 --> 01:00:52,280

mean this story is unbelievable

1284

01:00:56,470 --> 01:00:54,320

you can't even believe there's such a

1285

01:00:58,210 --> 01:00:56,480

thing in the top of the planet you can't

1286

01:01:00,700 --> 01:00:58,220

believe that it could be one storehouse

1287

01:01:02,920 --> 01:01:00,710

and a little bitty temple it's only got

1288

01:01:04,570 --> 01:01:02,930

one piece of furniture it's a divan it's

1289

01:01:07,000 --> 01:01:04,580

only for two people there's one little

1290

01:01:09,130 --> 01:01:07,010

bitty room at the top for the temple is

1291

01:01:12,100 --> 01:01:09,140

very very small but the storehouse

1292

01:01:13,870 --> 01:01:12,110

Thunder Neath it it's okay you know the

1293

01:01:16,090 --> 01:01:13,880

Steven Spielberg theme come up with such

1294

01:01:18,130 --> 01:01:16,100

as going right oh it's it's beyond

1295

01:01:20,080 --> 01:01:18,140

belief but you know I don't believe this

1296

01:01:21,220 --> 01:01:20,090

story you know I understand the story

1297

01:01:24,060 --> 01:01:21,230

and it's a big difference between

1298

01:01:28,300 --> 01:01:24,070

understanding and believing mm-hmm a

1299

01:01:29,590 --> 01:01:28,310

small boy demands is a uncle where does

1300

01:01:31,180 --> 01:01:29,600

my life come from I

1301

01:01:33,640 --> 01:01:31,190

drive away I point my finger to

1302

01:01:35,350 --> 01:01:33,650

dishonest that big disk up there in a

1303

01:01:37,060 --> 01:01:35,360

shine it doesn't shine there you don't

1304

01:01:38,710 --> 01:01:37,070

have a life there's nothing living here

1305

01:01:40,750 --> 01:01:38,720

it's all black the oceans are frozen

1306

01:01:44,620 --> 01:01:40,760

there's nothing so your life comes from

1307

01:01:46,840 --> 01:01:44,630

the Sun the kid can go yeah okay well

1308

01:01:48,730 --> 01:01:46,850

I've come for the Sun I can get that but

1309

01:01:51,970 --> 01:01:48,740

but if I say there's some space cowboy

1310

01:01:54,430 --> 01:01:51,980

up there and in the vacuum the make the

1311

01:01:56,920 --> 01:01:54,440

Sun on the first day he made the light

1312

01:01:59,110 --> 01:01:56,930

on the first day then you really have to

1313

01:02:00,970 --> 01:01:59,120

go to an abstract concept if there's

1314

01:02:02,350 --> 01:02:00,980

somebody out there who made the Sun on

1315

01:02:05,260 --> 01:02:02,360

the first day hmm

1316

01:02:07,390 --> 01:02:05,270

I mean that's really believe so I don't

1317

01:02:10,510 --> 01:02:07,400

believe that the Sun is making my life I

1318

01:02:12,460 --> 01:02:10,520

understand that the Sun is making my my

1319

01:02:15,100 --> 01:02:12,470

life I have to believe you someone made

1320

01:02:17,980 --> 01:02:15,110

the Sun so there's a big difference you

1321

01:02:20,470 --> 01:02:17,990

you cannot change an understanding I can

1322

01:02:22,270 --> 01:02:20,480

add all bunch of understanding but I

1323

01:02:24,490 --> 01:02:22,280

believe if you can change from day to

1324

01:02:27,520 --> 01:02:24,500

day to day today there's no basis to it

1325

01:02:29,500 --> 01:02:27,530

but always understand if the Sun is the

1326

01:02:31,540 --> 01:02:29,510

source of our life I cannot change that

1327

01:02:33,280 --> 01:02:31,550

and it's actually where the word

1328

01:02:35,470 --> 01:02:33,290

discussion comes from what we're having

1329

01:02:38,410 --> 01:02:35,480

right now one discussion the Sun is one

1330

01:02:40,510 --> 01:02:38,420

discus because everything we say is

1331

01:02:42,790 --> 01:02:40,520

coming from this discus the Sun and

1332

01:02:44,140 --> 01:02:42,800

every word that we speak in the Sun

1333

01:02:46,600 --> 01:02:44,150

didn't shine we would be sitting here

1334

01:02:49,720 --> 01:02:46,610

talking anything so it's you know it's a

1335

01:02:54,490 --> 01:02:49,730

concept that the source of consciousness

1336

01:02:56,950 --> 01:02:54,500

is the Sun mm-hmm man I kind of let you

1337

01:02:58,510 --> 01:02:56,960

go ventually this has been amazing I've

1338

01:03:01,660 --> 01:02:58,520

talked to you for quite some time

1339

01:03:04,390 --> 01:03:01,670

already and of course if anyone wants to

1340

01:03:07,570 --> 01:03:04,400

hear more about this you've got hours

1341

01:03:09,790 --> 01:03:07,580

and hours on your YouTube page would you

1342

01:03:11,860 --> 01:03:09,800

like to let the people know what might

1343

01:03:13,510 --> 01:03:11,870

be coming up for your work in this box

1344

01:03:15,730 --> 01:03:13,520

all you're about to take another trip

1345

01:03:17,140 --> 01:03:15,740

maybe give the people some more

1346

01:03:19,750 --> 01:03:17,150

information about where they can dig

1347

01:03:22,720 --> 01:03:19,760

deeper there's a there's a site in

1348

01:03:26,830 --> 01:03:22,730

Finland where the archaeologists there

1349

01:03:28,780 --> 01:03:26,840

they start an excavation in 1995 which

1350

01:03:31,690 --> 01:03:28,790

is after we started to the temple

1351

01:03:35,980 --> 01:03:31,700

excavation and this site is over in

1352

01:03:38,740 --> 01:03:35,990

South Finland it's a huge cave this half

1353

01:03:41,410 --> 01:03:38,750

the size of a football field it has

1354

01:03:43,670 --> 01:03:41,420

reinforced floors built inside of it and

1355

01:03:45,500 --> 01:03:43,680

disappear geology

1356

01:03:47,210 --> 01:03:45,510

they start to go down into this floor

1357

01:03:48,620 --> 01:03:47,220

and they see that there's fires that

1358

01:03:52,490 --> 01:03:48,630

have been burning at the mouth of the

1359

01:03:54,890 --> 01:03:52,500

state they find bones of mastodons which

1360

01:03:57,559 --> 01:03:54,900

are their article for health its master

1361

01:04:01,430 --> 01:03:57,569

guns and they find tools these people

1362

01:04:03,559 --> 01:04:01,440

were making more than a hundred and

1363

01:04:06,620 --> 01:04:03,569

twenty thousand years ago the

1364

01:04:08,569 --> 01:04:06,630

archaeologist puts the date on this now

1365

01:04:13,220 --> 01:04:08,579

a hundred and twenty thousand years ago

1366

01:04:15,829 --> 01:04:13,230

we have nothing no artifacts no anything

1367

01:04:17,750 --> 01:04:15,839

anywhere it's a hundred and twenty

1368

01:04:21,349 --> 01:04:17,760

thousand years we have bones and stuff

1369

01:04:22,730 --> 01:04:21,359

like that now Michael Cremona and those

1370

01:04:24,410 --> 01:04:22,740

kind of people they have found things

1371

01:04:26,359 --> 01:04:24,420

that are much older than that too but a

1372

01:04:28,640 --> 01:04:26,369

hundred and twenty thousand years is way

1373

01:04:30,410 --> 01:04:28,650

beyond anything right and now there was

1374

01:04:34,160 --> 01:04:30,420

this settlement of people who were

1375

01:04:37,309 --> 01:04:34,170

living in this heist time next to this

1376

01:04:38,900 --> 01:04:37,319

gulf of finland and in the posaga we

1377

01:04:41,150 --> 01:04:38,910

talk about these people how they were

1378

01:04:44,180 --> 01:04:41,160

living in this it's called the all aunts

1379

01:04:47,390 --> 01:04:44,190

all auntie's time now this group of

1380

01:04:50,120 --> 01:04:47,400

people were progressively becoming white

1381

01:04:52,250 --> 01:04:50,130

that we're making a hacker culture first

1382

01:04:54,109 --> 01:04:52,260

so they could grow food and store it for

1383

01:04:56,150 --> 01:04:54,119

the winners they were making domestic

1384

01:04:57,890 --> 01:04:56,160

animals but we had to start eating meat

1385

01:05:00,230 --> 01:04:57,900

is a very big story about how these

1386

01:05:02,329 --> 01:05:00,240

people lived inside this old land but

1387

01:05:04,309 --> 01:05:02,339

these people from this wolf cave in

1388

01:05:06,410 --> 01:05:04,319

southern finland one hundred twenty

1389

01:05:09,289 --> 01:05:06,420

thousand years ago this is one

1390

01:05:11,180 --> 01:05:09,299

settlement of atlantis this is really

1391

01:05:13,490 --> 01:05:11,190

one one place where people they weren't

1392

01:05:15,109 --> 01:05:13,500

living in Huayra towers they were living

1393

01:05:18,530 --> 01:05:15,119

a very basic life they were eating

1394

01:05:20,930 --> 01:05:18,540

Mastodon they were building fires they

1395

01:05:23,059 --> 01:05:20,940

were making tools and they were living

1396

01:05:25,280 --> 01:05:23,069

there in southern Finland a hundred and

1397

01:05:27,530 --> 01:05:25,290

twenty thousand years ago where the saga

1398

01:05:30,799 --> 01:05:27,540

says there were people living there they

1399

01:05:33,650 --> 01:05:30,809

were white they had white skin they have

1400

01:05:35,539 --> 01:05:33,660

blue eyes dead yellow hair and they

1401

01:05:37,220 --> 01:05:35,549

spoke Finnish language one hundred

1402

01:05:39,010 --> 01:05:37,230

twenty-five thousand years ago that's

1403

01:05:43,760 --> 01:05:39,020

what we're going to make my next door

1404

01:05:45,589 --> 01:05:43,770

nice it backs up the story it backs up

1405

01:05:47,180 --> 01:05:45,599

the story that's what I do I look for

1406

01:05:48,829 --> 01:05:47,190

things that make the story true there's

1407

01:05:51,260 --> 01:05:48,839

also we're gonna make another piece on

1408

01:05:53,000 --> 01:05:51,270

Gotland he has a very big story in here

1409

01:05:54,589 --> 01:05:53,010

that's where they came out of the ice do

1410

01:05:56,390 --> 01:05:54,599

it's where the Vikings come out so we'll

1411

01:05:57,170 --> 01:05:56,400

do another on this island at this

1412

01:06:00,500 --> 01:05:57,180

between school

1413

01:06:02,990 --> 01:06:00,510

feminine and I just was just tell you

1414

01:06:05,660 --> 01:06:03,000

Greg I appreciate so much this this

1415

01:06:07,549 --> 01:06:05,670

opportunity today anyway yeah and I'm

1416

01:06:08,299 --> 01:06:07,559

open to do any time if you want to do

1417

01:06:10,130 --> 01:06:08,309

another one

1418

01:06:13,970 --> 01:06:10,140

you know I said there's smoke pot all

1419

01:06:16,579 --> 01:06:13,980

day and paint I'm an artist and I really

1420

01:06:18,170 --> 01:06:16,589

appreciate the opportunity for sure good

1421

01:06:19,910 --> 01:06:18,180

yeah man it was great talking to you

1422

01:06:21,980 --> 01:06:19,920

you're a wealth of information and you

1423

01:06:24,920 --> 01:06:21,990

really do know this stuff really well

1424

01:06:26,329 --> 01:06:24,930

and I do appreciate it fascinating great

1425

01:06:27,770 --> 01:06:26,339

talking to you hopefully we can do this

1426

01:06:29,809 --> 01:06:27,780

again and maybe we can get down in that

1427

01:06:32,870 --> 01:06:29,819

hole eventually but until then take care

1428

01:06:38,329 --> 01:06:32,880

of yourself man all right you too Kevon

1429

01:06:40,730 --> 01:06:38,339

spoken always oh there we go people

1430

01:06:42,740 --> 01:06:40,740

another pretty out-of-the-box episode

1431

01:06:44,599 --> 01:06:42,750

but I think anyone who made it to the

1432

01:06:47,089 --> 01:06:44,609

end here in either the 1-hour or the

1433

01:06:48,859 --> 01:06:47,099

extended two-hour show probably felt at

1434

01:06:50,930 --> 01:06:48,869

least a little intrigued in this thing

1435

01:06:52,849 --> 01:06:50,940

it's dense stuff requires a lot of

1436

01:06:55,010 --> 01:06:52,859

explanation but I love that a myth like

1437

01:06:57,170 --> 01:06:55,020

this talks about the Inner Earth and

1438

01:06:58,849 --> 01:06:57,180

when you see some of Jim's videos on

1439

01:07:01,490 --> 01:06:58,859

YouTube especially the root language

1440

01:07:04,220 --> 01:07:01,500

wheel man it just makes me want to know

1441

01:07:05,960 --> 01:07:04,230

more and I tried to jump around aspects

1442

01:07:08,059 --> 01:07:05,970

I found most interesting it's a little

1443

01:07:09,589 --> 01:07:08,069

disjointed but I think we got to a lot

1444

01:07:12,260 --> 01:07:09,599

of it after the Harry Hubbard show I

1445

01:07:13,789 --> 01:07:12,270

felt like this also struck a similar

1446

01:07:16,069 --> 01:07:13,799

chord in some ways when we're talking

1447

01:07:18,289 --> 01:07:16,079

about the Helsinki whole another place

1448

01:07:21,289 --> 01:07:18,299

I'd love to just take a risk and go

1449

01:07:23,270 --> 01:07:21,299

inside and stop all the guesswork but it

1450

01:07:24,680 --> 01:07:23,280

does make the story a little more

1451

01:07:27,559 --> 01:07:24,690

interesting knowing there's a place you

1452

01:07:29,480 --> 01:07:27,569

could actually go connected with it as

1453

01:07:31,520 --> 01:07:29,490

for the saga itself I mean what can I

1454

01:07:33,920 --> 01:07:31,530

say it's kind of like digging into

1455

01:07:35,569 --> 01:07:33,930

Hattie Bob just this little pocket of

1456

01:07:37,430 --> 01:07:35,579

strange information that you can mine

1457

01:07:39,410 --> 01:07:37,440

and see if anything resonates with you I

1458

01:07:42,020 --> 01:07:39,420

think the further you go with it the

1459

01:07:43,670 --> 01:07:42,030

more sense it makes I think I said this

1460

01:07:45,890 --> 01:07:43,680

in the intro but I would rather get my

1461

01:07:47,809 --> 01:07:45,900

information this way then through an

1462

01:07:50,150 --> 01:07:47,819

education system we know is built for

1463

01:07:52,099 --> 01:07:50,160

delivering very specific and selective

1464

01:07:53,750 --> 01:07:52,109

information all crafted by groups who

1465

01:07:56,150 --> 01:07:53,760

don't have our best interests at heart

1466

01:07:58,339 --> 01:07:56,160

much of it lies just to prop up their

1467

01:08:00,349 --> 01:07:58,349

power so yeah let me take my chances

1468

01:08:02,180 --> 01:08:00,359

with this er Bach thing and the Gnostic

1469

01:08:05,299 --> 01:08:02,190

rooster Whisperer Jim Chester what do I

1470

01:08:07,370 --> 01:08:05,309

got to lose besides if you know your

1471

01:08:09,260 --> 01:08:07,380

ancient Mesopotamian kings and you might

1472

01:08:11,089 --> 01:08:09,270

find another interesting phonetic link

1473

01:08:13,699 --> 01:08:11,099

you know Sargon Hammurabi

1474

01:08:15,949 --> 01:08:13,709

ah sure Bonner Pell and Gilgamesh thank

1475

01:08:19,189 --> 01:08:15,959

you they might be giants but uh sure

1476

01:08:21,709 --> 01:08:19,199

Bonner pal there's something there maybe

1477

01:08:23,629 --> 01:08:21,719

you know despite the audio issues I

1478

01:08:25,519 --> 01:08:23,639

thought Jim was a really fun guy to talk

1479

01:08:27,649 --> 01:08:25,529

to you I tried to fix as much of it as I

1480

01:08:31,760 --> 01:08:27,659

could and editing but it is still a

1481

01:08:34,039 --> 01:08:31,770

little rough at parts oh and how wild

1482

01:08:36,109 --> 01:08:34,049

that weed and hashed Chargers are what

1483

01:08:38,450 --> 01:08:36,119

put the brakes on the big excavation

1484

01:08:40,280 --> 01:08:38,460

adventure when I have an app on my phone

1485

01:08:43,249 --> 01:08:40,290

that will deliver these things to me

1486

01:08:46,280 --> 01:08:43,259

within 15 minutes I mean that's a little

1487

01:08:48,470 --> 01:08:46,290

crazy right but I do suggest the smokers

1488

01:08:50,419 --> 01:08:48,480

burn one in the honor of the Bach family

1489

01:08:52,399 --> 01:08:50,429

and Jim's willingness to preserve this

1490

01:08:54,499 --> 01:08:52,409

information and reflect on what we've

1491

01:08:56,629 --> 01:08:54,509

just heard and follow up with Jim's

1492

01:08:59,269 --> 01:08:56,639

higher quality video breakdowns on

1493

01:09:01,879 --> 01:08:59,279

YouTube which Eric Edney has helped to

1494

01:09:04,099 --> 01:09:01,889

make he uses high quality equipment and

1495

01:09:06,439 --> 01:09:04,109

isn't reliant on internet connection so

1496

01:09:08,450 --> 01:09:06,449

I urge you to follow up there the first

1497

01:09:09,740 --> 01:09:08,460

one I believe is called welcome to hell

1498

01:09:12,649 --> 01:09:09,750

also Jim's

1499

01:09:14,959 --> 01:09:12,659

eight powers videos are great but if you

1500

01:09:16,999 --> 01:09:14,969

want to go deeper with me on the line or

1501
01:09:19,459 --> 01:09:17,009
encourage me to get Jim back on form or

1502
01:09:22,039 --> 01:09:19,469
sign up for plus we talked about several

1503
01:09:25,490 --> 01:09:22,049
other aspects of the saga and how it

1504
01:09:27,800 --> 01:09:25,500
ties in to Krishna and Moses deceivers

1505
01:09:29,300 --> 01:09:27,810
of humanity and a whole lot of other

1506
01:09:31,280 --> 01:09:29,310
stuff but you should sign up for this

1507
01:09:33,050 --> 01:09:31,290
one and last week's with Harry Hubbard

1508
01:09:35,599 --> 01:09:33,060
and F William Inge doll and Jeff Berwick

1509
01:09:38,209 --> 01:09:35,609
before that it's been a great month so

1510
01:09:39,620 --> 01:09:38,219
far pretty buried the next show is going

1511
01:09:41,899 --> 01:09:39,630
to cover new ground in the realm of

1512
01:09:45,289 --> 01:09:41,909
secrets Sciences ether theory and

1513
01:09:48,410 --> 01:09:45,299

alchemy it really is gonna require the

1514

01:09:51,319 --> 01:09:48,420

full two hours and it is a great one a

1515

01:09:52,939 --> 01:09:51,329

fun time with a plus member actually

1516

01:09:55,669 --> 01:09:52,949

who's never given an interview before

1517

01:09:57,919 --> 01:09:55,679

how about that so help me grow the show

1518

01:10:00,050 --> 01:09:57,929

to demagogue in proportions five bucks

1519

01:10:02,240 --> 01:10:00,060

at a time if you can't afford it but you

1520

01:10:05,120 --> 01:10:02,250

really want it email me about being a

1521

01:10:08,120 --> 01:10:05,130

part of the new THC digital street team

1522

01:10:09,950 --> 01:10:08,130

and with that said I've done what I can

1523

01:10:11,540 --> 01:10:09,960

brought some underground info out into

1524

01:10:14,899 --> 01:10:11,550

the light so I'm out of here

1525

01:10:17,370 --> 01:10:14,909

your move bock saga concealers you're

1526

01:10:22,030 --> 01:10:17,380

[h__\h]

1527

01:10:27,420 --> 01:10:22,040

sweet dreams to the Olly we're calling

1528

01:10:32,050 --> 01:10:27,430

them out on TAC uncovering secrets and

1529

01:10:37,050 --> 01:10:32,060

conspiracies everybody's looking for

1530

01:10:38,650 --> 01:10:37,060

something some of them want to use you

1531

01:10:42,580 --> 01:10:38,660

down

1532

01:10:46,729 --> 01:10:42,590

can you find you some of them want to

1533

01:11:15,040 --> 01:10:46,739

abuse you just on my damn

1534

01:11:15,050 --> 01:11:29,800

someday

1535

01:11:29,810 --> 01:11:49,510

savvy

1536

01:11:53,390 --> 01:11:51,830

hey guys thanks for listening to the

1537

01:11:55,729 --> 01:11:53,400

first hour of the higher side chats

1538

01:11:57,800 --> 01:11:55,739

podcast with me Greg Carl wood if you

1539

01:12:00,169 --> 01:11:57,810

don't know there is a second hour to all

1540

01:12:01,879 --> 01:12:00,179

the episodes we do around here generally

1541

01:12:03,620 --> 01:12:01,889

we're able to get a lot deeper into the

1542

01:12:05,899 --> 01:12:03,630

topics and ideas that a guest is about

1543

01:12:08,750 --> 01:12:05,909

so if you enjoyed what you've heard from

1544

01:12:10,970 --> 01:12:08,760

THC for free consider signing up at the

1545

01:12:12,919 --> 01:12:10,980

higher side chats plus com to get the

1546

01:12:15,260 --> 01:12:12,929

second hour of the 5 shows I put

1547

01:12:17,149 --> 01:12:15,270

together each month I never really

1548

01:12:18,859 --> 01:12:17,159

wanted to be a paid subscriber podcast

1549

01:12:20,870 --> 01:12:18,869

but I really hate the idea of spending

1550

01:12:22,970 --> 01:12:20,880

airtime promoting some product that's

1551
01:12:24,620 --> 01:12:22,980
completely unrelated and telling you the

1552
01:12:27,410 --> 01:12:24,630
best way to support the show is to buy

1553
01:12:29,060 --> 01:12:27,420
an audio book or new underwear by mail

1554
01:12:31,609 --> 01:12:29,070
or something crazy like that so instead

1555
01:12:33,109 --> 01:12:31,619
if you like the show double your time

1556
01:12:35,330 --> 01:12:33,119
with it for five bucks a month and let's

1557
01:12:36,950 --> 01:12:35,340
cut out all the other [h__h] it's half the

1558
01:12:38,720 --> 01:12:36,960
price of a movie ticket and you get at

1559
01:12:41,330 --> 01:12:38,730
least an extra five hours of show a

1560
01:12:43,160 --> 01:12:41,340
month collectively it keeps us stable

1561
01:12:44,750 --> 01:12:43,170
and it frees me from wasting your time

1562
01:12:47,300 --> 01:12:44,760
with anything but the show you came to

1563
01:12:49,280 --> 01:12:47,310

listen to it's really the only way for

1564

01:12:51,080 --> 01:12:49,290

an independent one-man show to make it

1565

01:12:53,330 --> 01:12:51,090

and I do what I can so that it's worth

1566

01:12:55,280 --> 01:12:53,340

your while since we started this I've

1567

01:12:57,319 --> 01:12:55,290

always tried to use the subscriptions to

1568

01:12:59,870 --> 01:12:57,329

improve the podcast and make signups

1569

01:13:01,790 --> 01:12:59,880

more advantageous it started with just a

1570

01:13:03,470 --> 01:13:01,800

second hour for the main show but now

1571

01:13:05,510 --> 01:13:03,480

we've got a nice forum going where

1572

01:13:07,220 --> 01:13:05,520

people can get deeper in conversation

1573

01:13:10,129 --> 01:13:07,230

about the episodes with other listeners

1574

01:13:11,979 --> 01:13:10,139

submit a candidate in the guest requests

1575

01:13:13,879 --> 01:13:11,989

thread or share their own personal

1576

01:13:16,129 --> 01:13:13,889

projects to get out of the soul-crushing

1577

01:13:18,709 --> 01:13:16,139

nine-to-five cog in the wheel life on

1578

01:13:20,419 --> 01:13:18,719

the entrepreneurs thread the forum in

1579

01:13:22,100 --> 01:13:20,429

the Plus comments are always the first

1580

01:13:24,350 --> 01:13:22,110

places I try to go for listener

1581

01:13:26,720 --> 01:13:24,360

engagement but it does get harder as the

1582

01:13:28,580 --> 01:13:26,730

show gets more popular because of that

1583

01:13:30,020 --> 01:13:28,590

there's also a direct messaging feature

1584

01:13:32,870 --> 01:13:30,030

that you can use to reach me through the

1585

01:13:34,490 --> 01:13:32,880

plus site also well beyond the forum if

1586

01:13:36,649 --> 01:13:34,500

you like any of the music I've used for

1587

01:13:38,450 --> 01:13:36,659

THC most of it I've hired artists to

1588

01:13:40,760 --> 01:13:38,460

make and I provided all its free

1589

01:13:42,169 --> 01:13:40,770

downloads to Plus members too so if you

1590

01:13:44,359 --> 01:13:42,179

like a particular song you've heard

1591

01:13:46,700 --> 01:13:44,369

close the show out recently come get the

1592

01:13:48,709 --> 01:13:46,710

mp3 I should also mention that if you

1593

01:13:49,649 --> 01:13:48,719

don't like the idea of paying \$5

1594

01:13:52,530 --> 01:13:49,659

recurring every

1595

01:13:54,330 --> 01:13:52,540

I get that you can buy three months six

1596

01:13:56,490 --> 01:13:54,340

months or a year upfront and just be

1597

01:13:58,080 --> 01:13:56,500

done with it I have plenty of listeners

1598

01:14:00,629 --> 01:13:58,090

who send checks and money orders to the

1599

01:14:02,550 --> 01:14:00,639

PIO box - I try to make it as easy for

1600

01:14:04,649 --> 01:14:02,560

people as I can and you can read more

1601
01:14:07,080 --> 01:14:04,659
about it on the signup page also be sure

1602
01:14:08,820 --> 01:14:07,090
to check out the FAQ help page on the

1603
01:14:10,229 --> 01:14:08,830
plus site if you have any questions or

1604
01:14:12,300 --> 01:14:10,239
concerns about how to listen to a

1605
01:14:14,189 --> 01:14:12,310
password-protected show on your devices

1606
01:14:16,470 --> 01:14:14,199
I've highlighted a lot of great

1607
01:14:18,510 --> 01:14:16,480
solutions and one of those would be the

1608
01:14:21,060 --> 01:14:18,520
iPhone app that just recently hit the

1609
01:14:23,189 --> 01:14:21,070
Apple App Store a super kind and

1610
01:14:25,050 --> 01:14:23,199
talented listener made it for us and you

1611
01:14:27,209 --> 01:14:25,060
can use it to stream or download either

1612
01:14:30,180 --> 01:14:27,219
the free or the plus show if you're on

1613
01:14:31,770 --> 01:14:30,190

Android I'd use pocket casts or podcast

1614

01:14:34,350 --> 01:14:31,780

addict and subscribe to the feed

1615

01:14:37,050 --> 01:14:34,360

manually that way I also try to throw an

1616

01:14:39,030 --> 01:14:37,060

occasional bonus shows or QA shows and

1617

01:14:41,220 --> 01:14:39,040

I've got a few other weird ideas I might

1618

01:14:43,140 --> 01:14:41,230

get to try out soon but I give you all I

1619

01:14:44,820 --> 01:14:43,150

can for five bucks and I hope you'll at

1620

01:14:46,530 --> 01:14:44,830

least give it a shot if you've listened

1621

01:14:48,300 --> 01:14:46,540

to a few free shows and you find them

1622

01:14:50,100 --> 01:14:48,310

unique or valuable I know there's a lot

1623

01:14:52,229 --> 01:14:50,110

of podcasts out there and I'm just one

1624

01:14:54,060 --> 01:14:52,239

of them but if you have any questions

1625

01:14:55,500 --> 01:14:54,070

concerns or comments about any of this

1626

01:14:58,439 --> 01:14:55,510

please get in touch with us at the

1627

01:15:00,390 --> 01:14:58,449

higher side chats team at gmail.com I

1628

01:15:01,800 --> 01:15:00,400

also wanted to plug the higher side

1629

01:15:03,629 --> 01:15:01,810

newsletter I'm going to be putting out

1630

01:15:06,090 --> 01:15:03,639

totally free for anyone who wants to

1631

01:15:08,700 --> 01:15:06,100

sign up at the main internet website for

1632

01:15:10,530 --> 01:15:08,710

the show the higher side chats comm you

1633

01:15:12,180 --> 01:15:10,540

can also get on that email list through

1634

01:15:14,399 --> 01:15:12,190

the higher side chats Facebook page

1635

01:15:15,899 --> 01:15:14,409

there's a button there as well but the

1636

01:15:18,240 --> 01:15:15,909

reason I'm doing this is because I get

1637

01:15:20,280 --> 01:15:18,250

tons and tons of emails after a show

1638

01:15:22,229 --> 01:15:20,290

goes up asking me about how I feel about

1639

01:15:23,790 --> 01:15:22,239

a particular guest or topic and the

1640

01:15:25,740 --> 01:15:23,800

wrap-up isn't always the best place to

1641

01:15:27,780 --> 01:15:25,750

do that especially if I have anything

1642

01:15:29,640 --> 01:15:27,790

negative to say sometimes the dust needs

1643

01:15:32,100 --> 01:15:29,650

to settle sometimes they need to hear

1644

01:15:33,689 --> 01:15:32,110

feedback from you guys first there are a

1645

01:15:35,280 --> 01:15:33,699

lot of factors but I usually have

1646

01:15:37,740 --> 01:15:35,290

something to communicate to you and I

1647

01:15:39,360 --> 01:15:37,750

just don't get to do it so on the first

1648

01:15:40,950 --> 01:15:39,370

of the month I plan to send out a little

1649

01:15:43,320 --> 01:15:40,960

newsletter with my thoughts about the

1650

01:15:45,209 --> 01:15:43,330

five shows the previous month and talk

1651
01:15:47,370 --> 01:15:45,219
to you about anything else that's on my

1652
01:15:49,169 --> 01:15:47,380
mind or that's going on and what's

1653
01:15:50,910 --> 01:15:49,179
probably most enticing is that I'm gonna

1654
01:15:52,800 --> 01:15:50,920
give you some insight into at least one

1655
01:15:54,899 --> 01:15:52,810
guest I have coming up in the month

1656
01:15:56,910 --> 01:15:54,909
which people have been begging for some

1657
01:15:58,830 --> 01:15:56,920
posted schedule for a long time I

1658
01:16:00,540 --> 01:15:58,840
personally think I'd like the surprise

1659
01:16:02,580 --> 01:16:00,550
but sign up for the higher side

1660
01:16:03,390 --> 01:16:02,590
newsletter it's free it comes out on the

1661
01:16:04,860 --> 01:16:03,400
first of the month

1662
01:16:07,650 --> 01:16:04,870
and I won't waste your time with any

1663
01:16:09,480 --> 01:16:07,660

other emails and that's it I appreciate

1664

01:16:11,430 --> 01:16:09,490

you listening I try to give alternative

1665

01:16:13,980 --> 01:16:11,440

ideas and guests a fair shake on a

1666

01:16:15,780 --> 01:16:13,990

high-quality podcast expose some deep

1667

01:16:18,090 --> 01:16:15,790

level conspiracies without the yelling

1668

01:16:19,830 --> 01:16:18,100

and I hope to offer some inspiration

1669

01:16:21,480 --> 01:16:19,840

that even though the system relentlessly

1670

01:16:23,940 --> 01:16:21,490

suggests you should follow their

1671

01:16:25,650 --> 01:16:23,950

blueprint to mediocrity you can do your

1672

01:16:27,630 --> 01:16:25,660

own thing and live a much happier life

1673

01:16:30,450 --> 01:16:27,640

despite all the negativity in the world
