

1  
00:00:22,220 --> 00:00:08,629  
the Masters almost surely have a plan

2  
00:00:43,120 --> 00:00:22,230  
this clearly may be something that's

3  
00:00:47,360 --> 00:00:45,410  
how's it going higher side chatters

4  
00:00:49,190 --> 00:00:47,370  
anyone who swam and the deep end of the

5  
00:00:51,740 --> 00:00:49,200  
weird pool has inevitably come across

6  
00:00:53,479 --> 00:00:51,750  
stories of aliens UFOs and secret

7  
00:00:55,760 --> 00:00:53,489  
military bases in the southwestern

8  
00:00:57,860 --> 00:00:55,770  
United States whether it be crashed

9  
00:00:59,990 --> 00:00:57,870  
saucers near Roswell secret underground

10  
00:01:01,670 --> 00:01:00,000  
otherworldly battles at Dulce or a

11  
00:01:03,500 --> 00:01:01,680  
doomsday safe haven for the elite

12  
00:01:05,540 --> 00:01:03,510  
underneath the Denver Airport the

13  
00:01:09,230 --> 00:01:05,550

western frontier is ripe with weirdness

14  
00:01:10,999 --> 00:01:09,240  
this we know and many of us who have dug

15  
00:01:12,800 --> 00:01:11,009  
into the archives of early America have

16  
00:01:14,840 --> 00:01:12,810  
also found plenty of confirmation that

17  
00:01:16,370 --> 00:01:14,850  
Giants once walked these lands with

18  
00:01:18,350 --> 00:01:16,380  
evidence and dozens and dozens of

19  
00:01:20,600 --> 00:01:18,360  
newspaper reports and Native American

20  
00:01:22,040 --> 00:01:20,610  
legends that stayed the same well the

21  
00:01:23,900 --> 00:01:22,050  
fun thing about today's show is we're

22  
00:01:25,850 --> 00:01:23,910  
not going over these same old stories in

23  
00:01:27,859 --> 00:01:25,860  
fact we're doing a complete geographical

24  
00:01:29,690 --> 00:01:27,869  
180 because while everyone has their

25  
00:01:31,670 --> 00:01:29,700  
conspiracy spotlights shining on the New

26

00:01:33,590 --> 00:01:31,680

Mexico desert they're missing all the

27

00:01:35,510 --> 00:01:33,600

sweet sweet similar secretive stuff

28

00:01:37,219 --> 00:01:35,520

going on in the polar opposite part of

29

00:01:39,529 --> 00:01:37,229

the country the mountains of North

30

00:01:41,120 --> 00:01:39,539

Carolina and while Giants tend to

31

00:01:42,889 --> 00:01:41,130

dominate the narrative of strange

32

00:01:44,510 --> 00:01:42,899

ancient humanoids there are lesser

33

00:01:46,550 --> 00:01:44,520

discussed legends of little people

34

00:01:49,249 --> 00:01:46,560

living in that same Carolina area and

35

00:01:51,020 --> 00:01:49,259

lucky for us today's guest Mary Joyce is

36

00:01:52,880 --> 00:01:51,030

a longtime journalist and author who has

37

00:01:54,669 --> 00:01:52,890

written several books but among them are

38

00:01:57,230 --> 00:01:54,679

- were planning on detailing today

39

00:01:59,300 --> 00:01:57,240

Cherokee little people were real an

40

00:02:01,609 --> 00:01:59,310

underground military bases hidden in the

41

00:02:03,800 --> 00:02:01,619

North Carolina mountains she also is the

42

00:02:06,169 --> 00:02:03,810

editor of the website sky ships over

43

00:02:08,690 --> 00:02:06,179

cashers which details the UFO activity

44

00:02:10,339 --> 00:02:08,700

in the area and more it's an honor and a

45

00:02:12,949 --> 00:02:10,349

pleasure Mary Joyce welcome to the

46

00:02:15,620 --> 00:02:12,959

higher side thank you it's a pleasure to

47

00:02:17,449 --> 00:02:15,630

be on your show thank you yeah this is

48

00:02:19,220 --> 00:02:17,459

really exciting so often we hear the

49

00:02:20,809 --> 00:02:19,230

same old stories from the same old

50

00:02:22,820 --> 00:02:20,819

places but I'm looking forward to

51  
00:02:24,800 --> 00:02:22,830  
something new let's kick this off maybe

52  
00:02:26,780 --> 00:02:24,810  
talking about the area in general as a

53  
00:02:29,150 --> 00:02:26,790  
hotbed for strangeness how did you come

54  
00:02:30,949 --> 00:02:29,160  
to recognize all this stuff going on in

55  
00:02:32,960 --> 00:02:30,959  
the Carolina region what were some of

56  
00:02:36,050 --> 00:02:32,970  
the first oddities that you notice once

57  
00:02:38,330 --> 00:02:36,060  
you moved into the area well I moved

58  
00:02:40,520 --> 00:02:38,340  
here in 1998 and I lived just south of

59  
00:02:42,260 --> 00:02:40,530  
the Smoky Mountain National Park if that

60  
00:02:44,479 --> 00:02:42,270  
gives people an idea of the geography

61  
00:02:46,910 --> 00:02:44,489  
and so there's mountains everywhere and

62  
00:02:48,619 --> 00:02:46,920  
the job that I had for quite a number of

63  
00:02:51,530 --> 00:02:48,629

years I kept meeting very very

64

00:02:53,540 --> 00:02:51,540

interesting people so initially some of

65

00:02:55,030 --> 00:02:53,550

the stories started just by talking to

66

00:02:58,539 --> 00:02:55,040

people where I work

67

00:03:00,729 --> 00:02:58,549

and through them I began to find out

68

00:03:04,119 --> 00:03:00,739

about Cherokee little people that lived

69

00:03:07,440 --> 00:03:04,129

here in the mountains about Giants about

70

00:03:10,660 --> 00:03:07,450

underground facilities about UFOs

71

00:03:12,970 --> 00:03:10,670

eventually it inspired a website that we

72

00:03:14,890 --> 00:03:12,980

started in 2008 which you have mentioned

73

00:03:17,410 --> 00:03:14,900

already it's called sky ships over

74

00:03:19,720 --> 00:03:17,420

cashiers and we deal with those kind of

75

00:03:22,119 --> 00:03:19,730

subjects and and many other subjects

76

00:03:24,190 --> 00:03:22,129

that the regular media just simply

77

00:03:26,559 --> 00:03:24,200

doesn't cover mm-hmm yeah it's so weird

78

00:03:28,630 --> 00:03:26,569

that there is such a Pandora's box of

79

00:03:30,759 --> 00:03:28,640

strangeness there but let's get into the

80

00:03:33,160 --> 00:03:30,769

military bases maybe to start because

81

00:03:34,960 --> 00:03:33,170

these secret facilities they always

82

00:03:36,430 --> 00:03:34,970

intrigued me can you tell us how many

83

00:03:37,390 --> 00:03:36,440

you've been covered in that area and

84

00:03:39,699 --> 00:03:37,400

where they might be

85

00:03:41,860 --> 00:03:39,709

all right I've done a book I did it a

86

00:03:44,830 --> 00:03:41,870

year ago and the long title is

87

00:03:47,199 --> 00:03:44,840

underground military bases hidden in

88

00:03:49,750 --> 00:03:47,209

North Carolina mountains and I've

89

00:03:52,180 --> 00:03:49,760

featured five different facilities here

90

00:03:54,759 --> 00:03:52,190

in the mountains the one that anybody in

91

00:03:56,530 --> 00:03:54,769

the country would be familiar with would

92

00:03:59,379 --> 00:03:56,540

be the Smoky Mountain National Park and

93

00:04:01,289 --> 00:03:59,389

there is one that's beneath there it's

94

00:04:04,509 --> 00:04:01,299

one of the more recent ones because

95

00:04:08,770 --> 00:04:04,519

people have gotten photos that I have

96

00:04:12,400 --> 00:04:08,780

been able to acquire from basically 2012

97

00:04:15,039 --> 00:04:12,410

where you know major equipment is being

98

00:04:18,270 --> 00:04:15,049

dropped from the air to this site where

99

00:04:21,069 --> 00:04:18,280

we know the the entrance is our best

100

00:04:23,260 --> 00:04:21,079

Witnesses have had military background

101  
00:04:25,420 --> 00:04:23,270  
so they're able to identify you know

102  
00:04:28,810 --> 00:04:25,430  
machine guns and helicopters and

103  
00:04:31,000 --> 00:04:28,820  
transport planes and they know a lot

104  
00:04:33,310 --> 00:04:31,010  
that the average witness or eyewitness

105  
00:04:36,129 --> 00:04:33,320  
wouldn't know so they're very credible

106  
00:04:38,800 --> 00:04:36,139  
witnesses that I've been able to quote

107  
00:04:41,620 --> 00:04:38,810  
in the book mm-hmm you mentioned the

108  
00:04:43,120 --> 00:04:41,630  
Smoky Mountain National Park having a

109  
00:04:45,760 --> 00:04:43,130  
facility under there there's also one I

110  
00:04:48,610 --> 00:04:45,770  
believe Mountain Mitchell is that a

111  
00:04:50,020 --> 00:04:48,620  
separate facility yes some people

112  
00:04:51,640 --> 00:04:50,030  
believe and there's evidence that it

113  
00:04:53,800 --> 00:04:51,650

might be true that these various

114

00:04:55,930 --> 00:04:53,810

facilities beneath the mountains here in

115

00:04:58,620 --> 00:04:55,940

North Carolina are all connected by

116

00:05:02,080 --> 00:04:58,630

underground tunnels in transportation

117

00:05:04,690 --> 00:05:02,090

portals you might say hmm so they're not

118

00:05:08,710 --> 00:05:04,700

adjacent to each other but they're not

119

00:05:10,960 --> 00:05:08,720

that far apart and the Mount Mitchell

120

00:05:13,150 --> 00:05:10,970

is the tallest mountain east of the

121

00:05:16,080 --> 00:05:13,160

Mississippi and there is a large

122

00:05:18,730 --> 00:05:16,090

facility beneath that and again we had a

123

00:05:21,520 --> 00:05:18,740

military person who was a key witness

124

00:05:23,500 --> 00:05:21,530

and giving us information about that hmm

125

00:05:24,790 --> 00:05:23,510

and do we know how deep any of these

126  
00:05:26,680 --> 00:05:24,800  
facilities are have any of the witnesses

127  
00:05:30,010 --> 00:05:26,690  
been able to disclose that kind of info

128  
00:05:32,560 --> 00:05:30,020  
yes there's quite a variety the first

129  
00:05:34,450 --> 00:05:32,570  
facility that I learned about was called

130  
00:05:38,140 --> 00:05:34,460  
the Perry astronomical Research

131  
00:05:40,870 --> 00:05:38,150  
Institute it's gone back to the days of

132  
00:05:43,720 --> 00:05:40,880  
the Cold War and supposedly they've

133  
00:05:47,080 --> 00:05:43,730  
transformed it into just an educational

134  
00:05:49,060 --> 00:05:47,090  
astronomy place but we have people with

135  
00:05:52,570 --> 00:05:49,070  
high security clearance who say that

136  
00:05:54,640 --> 00:05:52,580  
it's a facility that city size it's six

137  
00:05:56,850 --> 00:05:54,650  
storeys deep it's totally

138  
00:06:00,430 --> 00:05:56,860

self-sufficient has electricity water

139

00:06:02,350 --> 00:06:00,440

roadways and we hear that with most of

140

00:06:04,690 --> 00:06:02,360

these so they're very extensive they're

141

00:06:07,540 --> 00:06:04,700

not just like a little bunker the one

142

00:06:11,290 --> 00:06:07,550

that is the biggest seems to be beneath

143

00:06:14,050 --> 00:06:11,300

Mount Mitchell and that is supposedly 20

144

00:06:17,560 --> 00:06:14,060

stories deep in from the top of the

145

00:06:20,500 --> 00:06:17,570

mountain Wow I mean that is that's huge

146

00:06:22,600 --> 00:06:20,510

and I've also got a note here apparently

147

00:06:24,520 --> 00:06:22,610

that this Mountain Mitchell facility

148

00:06:28,570 --> 00:06:24,530

might be controlled or at least

149

00:06:30,370 --> 00:06:28,580

facilitating UN troops this is one of

150

00:06:32,440 --> 00:06:30,380

the things that has puzzled me since I

151

00:06:35,350 --> 00:06:32,450

first moved to the mountains again in

152

00:06:37,870 --> 00:06:35,360

1998 and people would periodically talk

153

00:06:39,490 --> 00:06:37,880

about foreign troops being in the

154

00:06:41,500 --> 00:06:39,500

mountains around here and it always

155

00:06:46,960 --> 00:06:41,510

puzzled me why that was even permitted

156

00:06:49,180 --> 00:06:46,970

and I found out that in 1972 our country

157

00:06:53,020 --> 00:06:49,190

when Nixon was president signed the

158

00:06:55,960 --> 00:06:53,030

world heritage treaty and when we did

159

00:06:59,440 --> 00:06:55,970

that we actually turned over parcels of

160

00:07:02,080 --> 00:06:59,450

our land to the United Nations Mount

161

00:07:03,880 --> 00:07:02,090

Mitchell is one of those the Smoky

162

00:07:07,000 --> 00:07:03,890

Mountain National Park is one of those

163

00:07:09,250 --> 00:07:07,010

so even though it's in our country and

164

00:07:12,100 --> 00:07:09,260

even though our taxes may support the

165

00:07:15,159 --> 00:07:12,110

facilities there for tourists it's still

166

00:07:17,350 --> 00:07:15,169

owned by the UN and that can explain why

167

00:07:19,300 --> 00:07:17,360

they have free rein of places like Mount

168

00:07:21,760 --> 00:07:19,310

Mitchell around here they're known as

169

00:07:22,670 --> 00:07:21,770

blue hats I thought that was really

170

00:07:24,170 --> 00:07:22,680

interesting I didn't

171

00:07:26,240 --> 00:07:24,180

know much about the world heritage

172

00:07:28,490 --> 00:07:26,250

treaty at all but apparently the

173

00:07:30,320 --> 00:07:28,500

northwestern Hawaiian Islands which is a

174

00:07:33,409 --> 00:07:30,330

hundred and forty thousand square miles

175

00:07:36,800 --> 00:07:33,419

when under UN jurisdiction in 2010 then

176

00:07:38,990 --> 00:07:36,810

in 2014 the monumental earthworks of

177

00:07:41,659 --> 00:07:39,000

Poverty Point Louisiana was added and

178

00:07:43,610 --> 00:07:41,669

since then several more things have been

179

00:07:45,290 --> 00:07:43,620

added does this concern you what do you

180

00:07:46,340 --> 00:07:45,300

think the implications are of this what

181

00:07:48,980 --> 00:07:46,350

why is this happening

182

00:07:51,439 --> 00:07:48,990

it goes beyond our country and and I

183

00:07:54,020 --> 00:07:51,449

find it rather creepy that the UN is

184

00:07:56,990 --> 00:07:54,030

having control over so many places

185

00:07:59,570 --> 00:07:57,000

around the world 140,000 acres is no

186

00:08:00,249 --> 00:07:59,580

small thing personally I think we made a

187

00:08:03,650 --> 00:08:00,259

mistake

188

00:08:05,990 --> 00:08:03,660

the motivation originally was just to

189

00:08:08,510 --> 00:08:06,000

protect natural resources like the

190

00:08:12,770 --> 00:08:08,520

islands like Mount Mitchell but it's

191

00:08:14,570 --> 00:08:12,780

being used for you know military causes

192

00:08:17,240 --> 00:08:14,580

that our country doesn't even have

193

00:08:20,150 --> 00:08:17,250

control over so I wish it didn't exist I

194

00:08:22,430 --> 00:08:20,160

wish we could unsign it well I think it

195

00:08:23,719 --> 00:08:22,440

says a lot that these bases were ever in

196

00:08:26,180 --> 00:08:23,729

the country we're talking about are

197

00:08:27,589 --> 00:08:26,190

considered to be under national parks

198

00:08:30,050 --> 00:08:27,599

because driving through some of these

199

00:08:32,000 --> 00:08:30,060

areas you look at the way the country

200

00:08:34,130 --> 00:08:32,010

has been run how the elite operate with

201  
00:08:35,930 --> 00:08:34,140  
this extreme capitalist mindset

202  
00:08:37,399 --> 00:08:35,940  
completely alright with destroying the

203  
00:08:40,250 --> 00:08:37,409  
earth and I've often looked at these

204  
00:08:42,350 --> 00:08:40,260  
places these tens of thousands of square

205  
00:08:44,840 --> 00:08:42,360  
acres and I'm kind of impressed that we

206  
00:08:45,860 --> 00:08:44,850  
haven't just harvested it all and put in

207  
00:08:47,870 --> 00:08:45,870  
some suburbs

208  
00:08:49,699 --> 00:08:47,880  
it's pretty amazing we've resisted the

209  
00:08:51,980 --> 00:08:49,709  
temptation and greed you know but the

210  
00:08:54,230 --> 00:08:51,990  
altruism kind of falls apart when you

211  
00:08:56,600 --> 00:08:54,240  
consider the reason these areas might be

212  
00:08:58,610 --> 00:08:56,610  
largely blocked off in civilization is

213  
00:09:01,190 --> 00:08:58,620

so they can conceal operations

214

00:09:03,160 --> 00:09:01,200

underground more than anything else yeah

215

00:09:05,390 --> 00:09:03,170

I can give you another one one of the

216

00:09:07,850 --> 00:09:05,400

basics that I've written about in the

217

00:09:11,240 --> 00:09:07,860

book is at Sugarloaf Mountain

218

00:09:13,699 --> 00:09:11,250

well Sugarloaf Mountain is near a almost

219

00:09:16,240 --> 00:09:13,709

adjacent to chimney rock park which is

220

00:09:19,310 --> 00:09:16,250

another Park where tours like to go and

221

00:09:21,860 --> 00:09:19,320

since I first began doing that research

222

00:09:25,519 --> 00:09:21,870

they've even acquired more land as a

223

00:09:27,590 --> 00:09:25,529

buffer between the entrance that we know

224

00:09:31,970 --> 00:09:27,600

about which is at the top of the

225

00:09:34,610 --> 00:09:31,980

Sugarloaf Mountain and the chimney Rock

226

00:09:37,040 --> 00:09:34,620

Park so it's a buffer that keeps people

227

00:09:40,100 --> 00:09:37,050

away from it and they seem to

228

00:09:42,350 --> 00:09:40,110

do this a lot mm-hmm just to insulate it

229

00:09:44,630 --> 00:09:42,360

keep people off of the property and they

230

00:09:46,370 --> 00:09:44,640

also do things that you know keep people

231

00:09:48,830 --> 00:09:46,380

away from we've been wanting to go there

232

00:09:52,220 --> 00:09:48,840

when I was investigating things that

233

00:09:55,280 --> 00:09:52,230

were going on at Mount Mitchell we found

234

00:09:57,980 --> 00:09:55,290

a actually I found it on Google Maps and

235

00:10:00,590 --> 00:09:57,990

it was a hexagon shape that looked a lot

236

00:10:03,470 --> 00:10:00,600

like entrances to other facilities we'd

237

00:10:06,380 --> 00:10:03,480

seen and also looked a lot like well

238

00:10:09,920 --> 00:10:06,390

anyhow we'll leave it at that and when I

239

00:10:13,030 --> 00:10:09,930

went back to try to you know get the map

240

00:10:17,330 --> 00:10:13,040

up again when I would type in this

241

00:10:19,010 --> 00:10:17,340

location it wouldn't come up and the

242

00:10:20,690 --> 00:10:19,020

only way you can find it it was at the

243

00:10:22,760 --> 00:10:20,700

end of a road let's see if I can

244

00:10:24,950 --> 00:10:22,770

remember the name it was like Warren

245

00:10:26,660 --> 00:10:24,960

Wilson Road which is a terrible sounding

246

00:10:28,550 --> 00:10:26,670

name and when I would type that in

247

00:10:30,770 --> 00:10:28,560

suddenly instead of getting the map like

248

00:10:34,520 --> 00:10:30,780

they had been able to do the first few

249

00:10:37,640 --> 00:10:34,530

times I got connections to Walmart's

250

00:10:41,120 --> 00:10:37,650

I got connections to weren't removal

251  
00:10:42,800 --> 00:10:41,130  
products and so just on memory I started

252  
00:10:45,740 --> 00:10:42,810  
searching from other points and

253  
00:10:49,540 --> 00:10:45,750  
eventually found where this hexagon

254  
00:10:52,130 --> 00:10:49,550  
shape was in the ground and it was all

255  
00:10:53,950 --> 00:10:52,140  
covered up it didn't airbrushed out so

256  
00:10:56,750 --> 00:10:53,960  
it looked like the retrieves there now

257  
00:10:59,060 --> 00:10:56,760  
so there were signs all around that

258  
00:11:01,400 --> 00:10:59,070  
place when I went there on foot telling

259  
00:11:03,350 --> 00:11:01,410  
you not to trespass and you know very

260  
00:11:05,150 --> 00:11:03,360  
threatening signs and so they do

261  
00:11:08,530 --> 00:11:05,160  
everything they can to keep people away

262  
00:11:10,970 --> 00:11:08,540  
from these places hmm yeah one

263  
00:11:12,740 --> 00:11:10,980

interesting testimony I had written down

264

00:11:14,980 --> 00:11:12,750

here that's you know kind of in that

265

00:11:18,140 --> 00:11:14,990

vein is one of your witnesses said that

266

00:11:21,290 --> 00:11:18,150

one day some friends of ours drove ATVs

267

00:11:23,420 --> 00:11:21,300

on the one way section of hen tuga road

268

00:11:25,460 --> 00:11:23,430

from the hatchery of big cove road and

269

00:11:27,140 --> 00:11:25,470

Cherokee after they'd ridden three or

270

00:11:29,150 --> 00:11:27,150

four miles up the road they were stopped

271

00:11:32,750 --> 00:11:29,160

by Park Rangers who were carrying either

272

00:11:34,670 --> 00:11:32,760

m4s or ar-15 machine guns I mean what

273

00:11:37,100 --> 00:11:34,680

are Park Rangers doing with machine guns

274

00:11:40,130 --> 00:11:37,110

right you just really really have to

275

00:11:41,990 --> 00:11:40,140

wonder part of that same story well I

276  
00:11:44,810 --> 00:11:42,000  
can share more of that because that even

277  
00:11:46,700 --> 00:11:44,820  
gets expanded for these two gentlemen

278  
00:11:48,620 --> 00:11:46,710  
that worked at the Fish Hatchery which

279  
00:11:50,809 --> 00:11:48,630  
would be like at the bottom of the

280  
00:11:52,999 --> 00:11:50,819  
mountain and at the top of the mountain

281  
00:11:55,129 --> 00:11:53,009  
this world called hein to corrode and

282  
00:11:57,319 --> 00:11:55,139  
sure it's an old Indian name and that is

283  
00:11:59,989 --> 00:11:57,329  
the closest point to the entrance to

284  
00:12:02,239 --> 00:11:59,999  
this underground facility and so the

285  
00:12:04,849 --> 00:12:02,249  
water stopped flowing like it should

286  
00:12:07,309 --> 00:12:04,859  
from you know the tributary into the

287  
00:12:09,859 --> 00:12:07,319  
fish hatchery so these two guys started

288  
00:12:12,199 --> 00:12:09,869

going up the creek to find out if

289

00:12:14,900 --> 00:12:12,209

beavers or something heads stopped the

290

00:12:17,569 --> 00:12:14,910

flow of the water and they eventually

291

00:12:19,099 --> 00:12:17,579

found that there the tributary or the

292

00:12:22,309 --> 00:12:19,109

source of the water at the top of the

293

00:12:25,429 --> 00:12:22,319

mountain was all dried up not only was

294

00:12:29,449 --> 00:12:25,439

it all dried up but there was a 50,000

295

00:12:31,999 --> 00:12:29,459

gallon water tank mostly buried where

296

00:12:35,119 --> 00:12:32,009

that reservoir had been and there were

297

00:12:35,599 --> 00:12:35,129

pipes going from that tank down into the

298

00:12:38,029 --> 00:12:35,609

ground

299

00:12:40,789 --> 00:12:38,039

so the water was being siphoned off and

300

00:12:43,340 --> 00:12:40,799

funneled into the ground so that had to

301  
00:12:46,460 --> 00:12:43,350  
be a source of water for what was being

302  
00:12:48,349 --> 00:12:46,470  
and may be continuing to be built under

303  
00:12:51,499 --> 00:12:48,359  
the Smoky Mountain National Park that's

304  
00:12:54,729 --> 00:12:51,509  
the most lively one because there was a

305  
00:12:59,889 --> 00:12:54,739  
lot of activity going on especially in

306  
00:13:06,289 --> 00:12:59,899  
2012-2013 with major drops by Military

307  
00:13:08,359 --> 00:13:06,299  
Osprey sky cranes you know big huge

308  
00:13:11,299 --> 00:13:08,369  
cargo transport planes and they

309  
00:13:13,309 --> 00:13:11,309  
literally would airdrop major what they

310  
00:13:15,769 --> 00:13:13,319  
call packages down into the area where

311  
00:13:17,059 --> 00:13:15,779  
this entrance would be there's been a

312  
00:13:19,909 --> 00:13:17,069  
lot of things that have been seen

313  
00:13:22,699 --> 00:13:19,919

there's also been things felt from

314

00:13:24,759 --> 00:13:22,709

beneath the ground people hear sounds

315

00:13:29,389 --> 00:13:24,769

they hear grounding a grinding they hear

316

00:13:31,009 --> 00:13:29,399

like industrial pounding and there's no

317

00:13:32,840 --> 00:13:31,019

explanation for it other than

318

00:13:35,629 --> 00:13:32,850

something's going on beneath the ground

319

00:13:37,399 --> 00:13:35,639

mm-hmm and you mentioned those air drops

320

00:13:41,090 --> 00:13:37,409

there's a picture you have in the book

321

00:13:43,939 --> 00:13:41,100

of a cargo plane carrying like a Humvee

322

00:13:46,549 --> 00:13:43,949

and that's just so crazy that they would

323

00:13:48,739 --> 00:13:46,559

need that in the you know mountainous

324

00:13:50,090 --> 00:13:48,749

areas of North Carolina but we're

325

00:13:52,779 --> 00:13:50,100

talking about incentives for people to

326

00:13:55,759 --> 00:13:52,789

not go there you know intimidating signs

327

00:13:57,979 --> 00:13:55,769

intimidating Mounties with machine guns

328

00:14:00,319 --> 00:13:57,989

apparently you've also talked about this

329

00:14:02,449 --> 00:14:00,329

people repellent they seem to be using

330

00:14:04,190 --> 00:14:02,459

to keep people away that I've

331

00:14:06,460 --> 00:14:04,200

experienced myself

332

00:14:08,390 --> 00:14:06,470

I've gotten real close to the Perry

333

00:14:11,840 --> 00:14:08,400

facility which is the Pisgah

334

00:14:13,640 --> 00:14:11,850

astronomical Research Institute and I've

335

00:14:15,680 --> 00:14:13,650

been there with each time with other

336

00:14:18,260 --> 00:14:15,690

people and the closer you get to it

337

00:14:20,270 --> 00:14:18,270

it's like field I don't even know how to

338

00:14:22,880 --> 00:14:20,280

describe it but it's like this vibration

339

00:14:24,320 --> 00:14:22,890

in your head and it's not pleasant and

340

00:14:28,340 --> 00:14:24,330

it makes you want to get out of there

341

00:14:30,410 --> 00:14:28,350

and then we had another military witness

342

00:14:33,260 --> 00:14:30,420

who went up to take pictures of a

343

00:14:35,210 --> 00:14:33,270

monument that's near here to erode which

344

00:14:38,720 --> 00:14:35,220

is back to the Smoky Mountain National

345

00:14:41,600 --> 00:14:38,730

Park and she said the birds were singing

346

00:14:43,760 --> 00:14:41,610

on the way up there the sun was shining

347

00:14:46,070 --> 00:14:43,770

it was a beautiful day and as she got

348

00:14:48,950 --> 00:14:46,080

close to this place all the birds

349

00:14:51,170 --> 00:14:48,960

stopped singing she began to feel you

350

00:14:54,080 --> 00:14:51,180

know sensations in her head she began to

351  
00:14:56,810 --> 00:14:54,090  
feel nauseous and that's what I mean by

352  
00:15:00,520 --> 00:14:56,820  
a people repellent it seems to be an

353  
00:15:03,770 --> 00:15:00,530  
electronic vibration that sent out that

354  
00:15:06,320 --> 00:15:03,780  
repels the animals and people just

355  
00:15:08,510 --> 00:15:06,330  
because it's not pleasant yeah that's so

356  
00:15:09,410 --> 00:15:08,520  
wild but we have heard people talk about

357  
00:15:12,560 --> 00:15:09,420  
that stuff before

358  
00:15:14,600 --> 00:15:12,570  
now this Pisgah astronomical Research

359  
00:15:16,040 --> 00:15:14,610  
Institute this is pretty interesting and

360  
00:15:18,490 --> 00:15:16,050  
I've heard you talk about it before

361  
00:15:21,380 --> 00:15:18,500  
saying that it's an invite-only

362  
00:15:23,270 --> 00:15:21,390  
astronomical kind of research facility

363  
00:15:25,130 --> 00:15:23,280

have you been able to talk to you any

364

00:15:27,890 --> 00:15:25,140

astronomers or any scientists who've

365

00:15:29,780 --> 00:15:27,900

been able to get invites there it's it's

366

00:15:31,370 --> 00:15:29,790

very strange sometimes you can walk in

367

00:15:34,460 --> 00:15:31,380

the door and there's not a problem and

368

00:15:37,340 --> 00:15:34,470

some people have experienced that some

369

00:15:39,590 --> 00:15:37,350

days people have been at the gate and

370

00:15:44,330 --> 00:15:39,600

there has been somebody dressed in a

371

00:15:46,040 --> 00:15:44,340

swat suit at the entrance and so it may

372

00:15:49,010 --> 00:15:46,050

depend totally and what's going on

373

00:15:51,650 --> 00:15:49,020

sometimes we'll see UFOs you know flying

374

00:15:54,470 --> 00:15:51,660

low near that facility or flying into a

375

00:15:57,260 --> 00:15:54,480

lake that's near it sometimes you see

376

00:15:59,690 --> 00:15:57,270

military vehicles in the town that's

377

00:16:01,280 --> 00:15:59,700

closest to it but technically there's no

378

00:16:04,490 --> 00:16:01,290

base in the area there should be no

379

00:16:06,560 --> 00:16:04,500

reason that they're there it's so used

380

00:16:09,560 --> 00:16:06,570

as a camouflage that they say that this

381

00:16:12,800 --> 00:16:09,570

this astronomical facility is that

382

00:16:16,430 --> 00:16:12,810

that's all it is but you know we used we

383

00:16:18,110 --> 00:16:16,440

think of it very much as a cover-up we

384

00:16:20,150 --> 00:16:18,120

call it a capstone cover-up

385

00:16:23,030 --> 00:16:20,160

because you know it's not what it

386

00:16:25,100 --> 00:16:23,040

appears to be hmm and can you tell us

387

00:16:27,079 --> 00:16:25,110

about some of the UFOs that have been

388

00:16:29,870 --> 00:16:27,089

sighted around there are they classical

389

00:16:32,030 --> 00:16:29,880

shapes are they anything abnormal from

390

00:16:34,220 --> 00:16:32,040

what's typically reported in UFO 101

391

00:16:36,920 --> 00:16:34,230

well let me get back to the name of the

392

00:16:39,350 --> 00:16:36,930

website we initially named it sky ships

393

00:16:41,470 --> 00:16:39,360

over cashers dot-com because we were

394

00:16:45,320 --> 00:16:41,480

getting some pretty incredible

395

00:16:48,680 --> 00:16:45,330

information and photos over that

396

00:16:51,860 --> 00:16:48,690

mountain ridge and as the crow flies

397

00:16:53,810 --> 00:16:51,870

that's not that far from Paree so if

398

00:16:56,570 --> 00:16:53,820

you're talking about different kinds of

399

00:16:59,090 --> 00:16:56,580

spaceships we have seen incredible ones

400

00:17:01,430 --> 00:16:59,100

we've seen your typical saucer ones

401  
00:17:04,340 --> 00:17:01,440  
we've seen those that look like rotating

402  
00:17:07,669 --> 00:17:04,350  
rainbow colors we've seen them

403  
00:17:10,130 --> 00:17:07,679  
diamond-shaped the most unusual one and

404  
00:17:12,169 --> 00:17:10,140  
we've only been able to get pictures of

405  
00:17:17,150 --> 00:17:12,179  
this I think on one or two occasions

406  
00:17:19,910 --> 00:17:17,160  
they actually look like big rocks almost

407  
00:17:23,120 --> 00:17:19,920  
like volcanic rocks but they're UFOs

408  
00:17:25,730 --> 00:17:23,130  
yeah guy in the sky and we have that's

409  
00:17:28,250 --> 00:17:25,740  
the only time we've ever experienced

410  
00:17:31,280 --> 00:17:28,260  
that and they're hovering there so it's

411  
00:17:35,210 --> 00:17:31,290  
not like it's a meteorite or something

412  
00:17:37,730 --> 00:17:35,220  
flying across the sky and since we've

413  
00:17:40,340 --> 00:17:37,740

had the website for so many years now I

414

00:17:44,299 --> 00:17:40,350

can't necessarily tell you exactly where

415

00:17:49,549 --> 00:17:44,309

to go but in the archives of sky ship

416

00:17:51,740 --> 00:17:49,559

photos those pictures are there oh I

417

00:17:53,330 --> 00:17:51,750

think it was I think was last year but

418

00:17:54,500 --> 00:17:53,340

there may still be some from this year

419

00:17:56,360 --> 00:17:54,510

Wow

420

00:17:58,640 --> 00:17:56,370

asteroid looking crops do you think

421

00:18:00,919 --> 00:17:58,650

these in any way could be perhaps

422

00:18:02,990 --> 00:18:00,929

hologram tests like the floating cities

423

00:18:04,310 --> 00:18:03,000

we've seen or the rumors of blue beam

424

00:18:08,210 --> 00:18:04,320

technology or you think these were

425

00:18:11,000 --> 00:18:08,220

actual ships I think those would

426

00:18:12,620 --> 00:18:11,010

probably be something actual because if

427

00:18:14,390 --> 00:18:12,630

they're going to do Holograms I think

428

00:18:16,160 --> 00:18:14,400

they're going to try to broadcast

429

00:18:19,760 --> 00:18:16,170

something that people will instantly

430

00:18:21,140 --> 00:18:19,770

recognize as a UFO so I don't think that

431

00:18:21,890 --> 00:18:21,150

particular one would have been a

432

00:18:28,040 --> 00:18:21,900

hologram

433

00:18:30,620 --> 00:18:28,050

being used so I mean I'm not dismissing

434

00:18:32,660 --> 00:18:30,630

that but people have seen some of these

435

00:18:35,640 --> 00:18:32,670

go right into the lake

436

00:18:37,950 --> 00:18:35,650

so you just you know like this most of

437

00:18:39,750 --> 00:18:37,960

them have got to be real well yeah sure

438

00:18:41,220 --> 00:18:39,760

strange ships that come out of the water

439

00:18:43,020 --> 00:18:41,230

or seem to come out of the base of

440

00:18:44,940 --> 00:18:43,030

mountains they're talked about all the

441

00:18:46,620 --> 00:18:44,950

time in ufology but I'm starting to

442

00:18:49,440 --> 00:18:46,630

think that there might be something even

443

00:18:51,990 --> 00:18:49,450

weirder going on in the UFO realm than

444

00:18:54,210 --> 00:18:52,000

just aliens but kudos for you for

445

00:18:56,730 --> 00:18:54,220

bringing to light some areas that are

446

00:18:58,710 --> 00:18:56,740

just really off the radar and it's where

447

00:19:01,830 --> 00:18:58,720

you got to look because other sites and

448

00:19:04,260 --> 00:19:01,840

locations are just too overblown but

449

00:19:06,690 --> 00:19:04,270

people seen all sorts of UFOs in the sky

450

00:19:09,330 --> 00:19:06,700

that's definitely noteworthy but

451  
00:19:11,970 --> 00:19:09,340  
assuming this tech might be beyond human

452  
00:19:14,910 --> 00:19:11,980  
hands have any people reported

453  
00:19:16,950 --> 00:19:14,920  
interactions with the potential pilots

454  
00:19:20,820 --> 00:19:16,960  
of these crafts or any beings that might

455  
00:19:22,680 --> 00:19:20,830  
be related to them oh let's see I don't

456  
00:19:25,590 --> 00:19:22,690  
know exactly how to answer that for the

457  
00:19:29,070 --> 00:19:25,600  
most part no we do have one witness who

458  
00:19:32,940 --> 00:19:29,080  
lives up in cashiers and has seen quite

459  
00:19:34,500 --> 00:19:32,950  
a few of them and she did have someone

460  
00:19:37,800 --> 00:19:34,510  
that looked like they were dressed in a

461  
00:19:42,300 --> 00:19:37,810  
maroon spacesuit that briefly appeared

462  
00:19:45,930 --> 00:19:42,310  
in her house and she's had a UFO hover

463  
00:19:49,610 --> 00:19:45,940

over her backyard so that most likely

464

00:19:53,490 --> 00:19:49,620

would be an interdimensional being

465

00:19:55,470 --> 00:19:53,500

making its appearance mm-hmm so we kind

466

00:19:56,670 --> 00:19:55,480

of mentioned that these things are under

467

00:19:57,810 --> 00:19:56,680

the National Parks do you find the

468

00:19:59,580 --> 00:19:57,820

suspicious at all because there are

469

00:20:01,350 --> 00:19:59,590

people like David polite is talking

470

00:20:02,580 --> 00:20:01,360

about disappearances in the parks do you

471

00:20:05,070 --> 00:20:02,590

think there's any conjunction with that

472

00:20:07,470 --> 00:20:05,080

are there a lot of missing people cases

473

00:20:09,990 --> 00:20:07,480

in these areas that's something that I

474

00:20:13,230 --> 00:20:10,000

haven't investigated in a big way but I

475

00:20:16,200 --> 00:20:13,240

do have a new angle on it we did a story

476

00:20:20,010 --> 00:20:16,210

rather recently we were contacted by a

477

00:20:22,500 --> 00:20:20,020

man in eastern Tennessee and he said

478

00:20:24,540 --> 00:20:22,510

that he had little people living on his

479

00:20:26,400 --> 00:20:24,550

land and he sounded very credible on the

480

00:20:29,400 --> 00:20:26,410

phone so we followed through on it and

481

00:20:32,820 --> 00:20:29,410

went to visit him and that story in and

482

00:20:36,060 --> 00:20:32,830

of itself gets rather elaborate but he

483

00:20:39,090 --> 00:20:36,070

has about 200 acres on a river in

484

00:20:42,770 --> 00:20:39,100

rolling mountain type country and his

485

00:20:45,600 --> 00:20:42,780

family goes back 200 years at least and

486

00:20:46,440 --> 00:20:45,610

the little people have always lived on

487

00:20:53,879 --> 00:20:46,450

his

488

00:20:58,289 --> 00:20:53,889

Uchiha ins who believe it or not are

489

00:21:03,029 --> 00:20:58,299

actually white people who fled Ireland

490

00:21:05,249 --> 00:21:03,039

back in what's in 2250 BC when there was

491

00:21:07,830 --> 00:21:05,259

a major flood there we just found out

492

00:21:11,729 --> 00:21:07,840

this recently from a major researcher

493

00:21:13,409 --> 00:21:11,739

and these Irish people fled to many

494

00:21:15,479 --> 00:21:13,419

places just to get out of the flood and

495

00:21:17,489 --> 00:21:15,489

some of them ended up in Savannah

496

00:21:21,659 --> 00:21:17,499

Georgia then they would take the river

497

00:21:24,210 --> 00:21:21,669

up to the more mountain area and as a

498

00:21:26,909 --> 00:21:24,220

tribe they pretty much have disappeared

499

00:21:29,190 --> 00:21:26,919

because they look so much like regular

500

00:21:32,580 --> 00:21:29,200

Western people now when you think about

501  
00:21:35,460 --> 00:21:32,590  
it the Irish have always talked about

502  
00:21:38,009 --> 00:21:35,470  
the little people yeah well this

503  
00:21:39,659 --> 00:21:38,019  
researcher who I won't get into

504  
00:21:42,720 --> 00:21:39,669  
prudential right now but the person has

505  
00:21:44,399 --> 00:21:42,730  
good credentials maybe some of those

506  
00:21:47,129 --> 00:21:44,409  
little people came with them because

507  
00:21:49,590 --> 00:21:47,139  
there was this bond between the Uchiha

508  
00:21:51,749 --> 00:21:49,600  
original poochy Indians and these little

509  
00:21:54,330 --> 00:21:51,759  
people and this man that invited us

510  
00:21:57,720 --> 00:21:54,340  
there had some Gucci blood and he his

511  
00:21:59,279 --> 00:21:57,730  
father his grandfather all could

512  
00:22:02,460 --> 00:21:59,289  
communicate with the little people and

513  
00:22:05,909 --> 00:22:02,470

when I went there I had my camera of

514

00:22:08,909 --> 00:22:05,919

course and we found evidence of the

515

00:22:13,320 --> 00:22:08,919

little people so the little people say

516

00:22:16,909 --> 00:22:13,330

that there is a race of aliens that are

517

00:22:20,279 --> 00:22:16,919

very evil and that they actually eat

518

00:22:23,940 --> 00:22:20,289

people and that is like a nourishment

519

00:22:27,659 --> 00:22:23,950

that these this particular group of ETS

520

00:22:29,940 --> 00:22:27,669

call the earth the farm or the ranch hmm

521

00:22:31,889 --> 00:22:29,950

I know it wasn't that creepy and they

522

00:22:34,409 --> 00:22:31,899

like like two-year-olds they like little

523

00:22:36,450 --> 00:22:34,419

people I guess they're more tasty and so

524

00:22:39,450 --> 00:22:36,460

the little people on this man's land are

525

00:22:43,259 --> 00:22:39,460

very very afraid of them so that might

526  
00:22:47,009 --> 00:22:43,269  
be a very unusual possible explanation

527  
00:22:49,799 --> 00:22:47,019  
for the unusual number of disappearances

528  
00:22:53,249 --> 00:22:49,809  
that Paul talks about Wow

529  
00:22:54,930 --> 00:22:53,259  
so these aliens that feed on us were

530  
00:22:57,539 --> 00:22:54,940  
they described at all are they reptilian

531  
00:22:59,650 --> 00:22:57,549  
are they the greys they seemed to be

532  
00:23:01,390 --> 00:22:59,660  
well they're creepy I

533  
00:23:04,120 --> 00:23:01,400  
scene 1 the description that was given

534  
00:23:06,270 --> 00:23:04,130  
to us by the little people is that they

535  
00:23:09,970 --> 00:23:06,280  
look kind of like a cross between

536  
00:23:13,420 --> 00:23:09,980  
reptilian and dinosaurs and they're very

537  
00:23:16,450 --> 00:23:13,430  
large and they call them the dominators

538  
00:23:19,150 --> 00:23:16,460

that's what the little Wow

539

00:23:21,280 --> 00:23:19,160

I know I mean this gets into such deep

540

00:23:23,740 --> 00:23:21,290

craziness that you just go I can't

541

00:23:25,360 --> 00:23:23,750

believe this but you know I was able to

542

00:23:28,510 --> 00:23:25,370

get pictures of the little people

543

00:23:29,980 --> 00:23:28,520

footprints it was able to I mean there's

544

00:23:31,900 --> 00:23:29,990

a week you go off in a whole direction

545

00:23:33,970 --> 00:23:31,910

on that so you decide where you want to

546

00:23:36,540 --> 00:23:33,980

go with this conversation I've got more

547

00:23:38,980 --> 00:23:36,550

conversation that will fit in your hour

548

00:23:40,090 --> 00:23:38,990

absolutely I mean I do find it

549

00:23:42,880 --> 00:23:40,100

intriguing when people talk about

550

00:23:45,400 --> 00:23:42,890

reptilians that if you look at our past

551

00:23:48,280 --> 00:23:45,410

we had a planet dominated by large

552

00:23:50,230 --> 00:23:48,290

reptiles is it super implausible that

553

00:23:51,970 --> 00:23:50,240

there could be some type of intelligent

554

00:23:54,340 --> 00:23:51,980

humanoid form of that we live in a world

555

00:23:56,590 --> 00:23:54,350

dominated by mammals today and yet here

556

00:23:58,420 --> 00:23:56,600

we are intelligent mammals of some types

557

00:24:00,850 --> 00:23:58,430

I find those kind of stories really

558

00:24:02,710 --> 00:24:00,860

interesting well there's certainly

559

00:24:05,920 --> 00:24:02,720

evidence all over the country that's

560

00:24:07,450 --> 00:24:05,930

been found about giants there's been

561

00:24:10,270 --> 00:24:07,460

several books that have come out in very

562

00:24:12,100 --> 00:24:10,280

recent years exposing the Smithsonian

563

00:24:13,540 --> 00:24:12,110

because there are all sorts of stories

564

00:24:16,180 --> 00:24:13,550

in old newspapers

565

00:24:18,190 --> 00:24:16,190

going back to like the 1800s talking

566

00:24:20,440 --> 00:24:18,200

about giant skeletons that they found

567

00:24:21,970 --> 00:24:20,450

and they would give them to the

568

00:24:24,220 --> 00:24:21,980

Smithsonian thinking that was the

569

00:24:27,280 --> 00:24:24,230

smartest place that for them to be sent

570

00:24:29,980 --> 00:24:27,290

and then they kind of disappeared into

571

00:24:32,500 --> 00:24:29,990

the closets at the Smithsonian and it's

572

00:24:37,540 --> 00:24:32,510

like they didn't exist people say it's

573

00:24:39,640 --> 00:24:37,550

because the idea of giants disrupts the

574

00:24:42,280 --> 00:24:39,650

the ongoing history that's taught to all

575

00:24:46,210 --> 00:24:42,290

of us mm-hmm but there's been so much

576

00:24:49,570 --> 00:24:46,220

evidence that they you know they clearly

577

00:24:52,720 --> 00:24:49,580

existed yeah I've had researchers talk

578

00:24:54,430 --> 00:24:52,730

about the idea that a lot of things

579

00:24:55,960 --> 00:24:54,440

happened in ancient America that we

580

00:24:58,720 --> 00:24:55,970

aren't aware of and that when they're

581

00:25:01,800 --> 00:24:58,730

building things like even shopping malls

582

00:25:04,660 --> 00:25:01,810

or museums or universities they

583

00:25:07,780 --> 00:25:04,670

purposely place these things in areas

584

00:25:10,450 --> 00:25:07,790

that will obscure or completely cover up

585

00:25:12,460 --> 00:25:10,460

in level ancient sites or any sites that

586

00:25:12,930 --> 00:25:12,470

give us clues to what was here before us

587

00:25:14,640 --> 00:25:12,940

because

588

00:25:16,890 --> 00:25:14,650

one's ever gonna move a shopping mall or

589

00:25:19,290 --> 00:25:16,900

a university so if you can get it over

590

00:25:21,300 --> 00:25:19,300

one of these places I mean you're never

591

00:25:22,770 --> 00:25:21,310

gonna see it again and I'm kind of

592

00:25:25,110 --> 00:25:22,780

curious I wonder if that kind of thing

593

00:25:27,480 --> 00:25:25,120

really does happen or how widespread it

594

00:25:30,030 --> 00:25:27,490

is it continues to go on but sometimes

595

00:25:31,830 --> 00:25:30,040

for just monetary reasons one of the

596

00:25:35,400 --> 00:25:31,840

people that is in the construction

597

00:25:38,340 --> 00:25:35,410

business he was preparing land for a

598

00:25:41,520 --> 00:25:38,350

major I can't identify the building but

599

00:25:42,840 --> 00:25:41,530

let's say a major enterprise and when

600

00:25:44,820 --> 00:25:42,850

they cut into the side of a mountain

601  
00:25:49,230 --> 00:25:44,830  
they found five of the little-people

602  
00:25:50,790 --> 00:25:49,240  
tunnels and they quickly were instructed

603  
00:25:53,100 --> 00:25:50,800  
to cover them up and keep digging

604  
00:25:55,650 --> 00:25:53,110  
because they didn't want the project to

605  
00:25:58,260 --> 00:25:55,660  
be stopped because technically if

606  
00:25:58,860 --> 00:25:58,270  
there's an archeological find it has to

607  
00:26:01,140 --> 00:25:58,870  
be stopped

608  
00:26:04,500 --> 00:26:01,150  
until an archeologist can get in there

609  
00:26:08,100 --> 00:26:04,510  
and you know examine what's being found

610  
00:26:11,280 --> 00:26:08,110  
mm-hmm and that is a very common reason

611  
00:26:14,160 --> 00:26:11,290  
for things to be plowed over just pure

612  
00:26:17,550 --> 00:26:14,170  
monetary reasons right yeah who knows

613  
00:26:19,350 --> 00:26:17,560

how many times you know a contractor has

614

00:26:20,730 --> 00:26:19,360

said you know what let's just pretend we

615

00:26:22,410 --> 00:26:20,740

didn't see that because they're gonna

616

00:26:24,450 --> 00:26:22,420

have all this red tape they're gonna

617

00:26:25,860 --> 00:26:24,460

bring everybody down here so I mean

618

00:26:28,350 --> 00:26:25,870

there's so many different levels of

619

00:26:30,720 --> 00:26:28,360

incentivization to not disclose some

620

00:26:33,510 --> 00:26:30,730

kind of really anomalous fine like that

621

00:26:36,450 --> 00:26:33,520

it's pretty sad and it's not just pure

622

00:26:38,130 --> 00:26:36,460

monetary situations there's a university

623

00:26:41,130 --> 00:26:38,140

here called Western Carolina University

624

00:26:43,500 --> 00:26:41,140

which is in the same general area where

625

00:26:45,930 --> 00:26:43,510

all these things are being found and I

626  
00:26:49,500 --> 00:26:45,940  
focused on it in my book Cherokee little

627  
00:26:52,110 --> 00:26:49,510  
people were real and what happened in

628  
00:26:54,840 --> 00:26:52,120  
that case is the university didn't want

629  
00:26:58,050 --> 00:26:54,850  
to stop expanding and building buildings

630  
00:27:00,720 --> 00:26:58,060  
so they would you know try to keep this

631  
00:27:03,330 --> 00:27:00,730  
hush-hush and one of the interesting

632  
00:27:06,720 --> 00:27:03,340  
stories that's come out since I did the

633  
00:27:08,640 --> 00:27:06,730  
book I got a letter from a man who had

634  
00:27:10,410 --> 00:27:08,650  
been a student there and he said one day

635  
00:27:13,200 --> 00:27:10,420  
he and some of his buddies were just

636  
00:27:16,080 --> 00:27:13,210  
down by the river and they saw the head

637  
00:27:18,390 --> 00:27:16,090  
of security for the university coming by

638  
00:27:21,120 --> 00:27:18,400

with a box he described as a little bit

639

00:27:24,400 --> 00:27:21,130

bigger than a shoebox and somehow they

640

00:27:27,640 --> 00:27:24,410

got into a conversation with this man

641

00:27:29,800 --> 00:27:27,650

and he said oh it's bones that they

642

00:27:32,740 --> 00:27:29,810

found when they were you know digging

643

00:27:36,730 --> 00:27:32,750

this particular site and he was taking

644

00:27:40,300 --> 00:27:36,740

them to Ribery them on an old ATV trail

645

00:27:43,210 --> 00:27:40,310

so that was another example of ancient

646

00:27:47,470 --> 00:27:43,220

knowledge being covered up for you know

647

00:27:49,630 --> 00:27:47,480

real human reasons alright man and I

648

00:27:51,220 --> 00:27:49,640

definitely think that's fascinating I

649

00:27:53,770 --> 00:27:51,230

have planned to get into a little more

650

00:27:55,360 --> 00:27:53,780

of the little people stuff here in a

651  
00:27:58,390 --> 00:27:55,370  
minute but I guess one other question

652  
00:28:00,940 --> 00:27:58,400  
about these underground bases is have

653  
00:28:03,490 --> 00:28:00,950  
you heard any reports if we don't have a

654  
00:28:05,530 --> 00:28:03,500  
whole lot of interaction with aliens in

655  
00:28:07,030 --> 00:28:05,540  
the area or massive abductions other

656  
00:28:09,250 --> 00:28:07,040  
than these these beings that might be

657  
00:28:11,950 --> 00:28:09,260  
eating us have you heard any testimony

658  
00:28:13,930 --> 00:28:11,960  
of non-human entities operating in these

659  
00:28:17,590 --> 00:28:13,940  
underground bases in the same way we've

660  
00:28:20,110 --> 00:28:17,600  
heard stories of dulce the simple answer

661  
00:28:21,910 --> 00:28:20,120  
is no I don't know why we don't hear we

662  
00:28:23,470 --> 00:28:21,920  
do not hear abduction stories here if

663  
00:28:26,230 --> 00:28:23,480

they're if they're going on we're not

664

00:28:29,230 --> 00:28:26,240

hearing about them I did have a witness

665

00:28:32,770 --> 00:28:29,240

who as a young man worked at a Christmas

666

00:28:34,510 --> 00:28:32,780

tree farm near the Peary Center and the

667

00:28:38,110 --> 00:28:34,520

people that worked at the tree farm

668

00:28:42,070 --> 00:28:38,120

sometimes saw them carry in caged

669

00:28:44,920 --> 00:28:42,080

animals into this facility now at one

670

00:28:47,080 --> 00:28:44,930

time this was a defense operation during

671

00:28:50,410 --> 00:28:47,090

the Cold War and now it's passed off as

672

00:28:53,290 --> 00:28:50,420

an astronomy educational place why with

673

00:28:55,930 --> 00:28:53,300

animals in cages be taken into such a

674

00:28:58,630 --> 00:28:55,940

place from one of the witnesses who

675

00:29:00,070 --> 00:28:58,640

again at one point had high security

676

00:29:02,620 --> 00:29:00,080

clearance said that there are

677

00:29:06,520 --> 00:29:02,630

experiments of that kind going on now

678

00:29:08,470 --> 00:29:06,530

whether people are being involved in

679

00:29:11,200 --> 00:29:08,480

this we just don't hear about it I do

680

00:29:13,570 --> 00:29:11,210

not know the closest I can come to it is

681

00:29:16,870 --> 00:29:13,580

one of the witnesses worked for Social

682

00:29:19,780 --> 00:29:16,880

Services or of some kind and he would

683

00:29:22,330 --> 00:29:19,790

get occasionally cases of let's see what

684

00:29:25,750 --> 00:29:22,340

do you call it satanic ritual in the

685

00:29:29,410 --> 00:29:25,760

news cases and when these cases would

686

00:29:32,680 --> 00:29:29,420

come up the state FBI would get involved

687

00:29:34,390 --> 00:29:32,690

they would come in and his Co his whole

688

00:29:36,100 --> 00:29:34,400

case would be taken away from him and

689

00:29:37,670 --> 00:29:36,110

everybody would be shut up about it

690

00:29:40,400 --> 00:29:37,680

so that

691

00:29:44,420 --> 00:29:40,410

was happening in the little town that's

692

00:29:46,430 --> 00:29:44,430

closest to the Perry facility so maybe

693

00:29:49,040 --> 00:29:46,440

there are human experimentations going

694

00:29:52,280 --> 00:29:49,050

on but we only have those kind of

695

00:29:54,920 --> 00:29:52,290

indirect indications that that might be

696

00:29:56,420 --> 00:29:54,930

the case right right yeah obviously

697

00:29:59,030 --> 00:29:56,430

they're gonna keep that stuff pretty

698

00:30:01,160 --> 00:29:59,040

tight-lipped but hearing even just an

699

00:30:02,900 --> 00:30:01,170

anecdote about caged animals being taken

700

00:30:04,850 --> 00:30:02,910

in there is really interesting and you

701

00:30:07,160 --> 00:30:04,860

can extrapolate quite a bit from that

702

00:30:09,050 --> 00:30:07,170

they also the same people at the tree

703

00:30:12,170 --> 00:30:09,060

farm also saw them sometimes digging

704

00:30:15,950 --> 00:30:12,180

pits out in the land around the facility

705

00:30:18,200 --> 00:30:15,960

and you have to wonder why yeah and you

706

00:30:21,560 --> 00:30:18,210

mentioned satanic ritual abuse these

707

00:30:23,420 --> 00:30:21,570

things all seem to come together in many

708

00:30:25,040 --> 00:30:23,430

many cases and I've heard you say you

709

00:30:26,300 --> 00:30:25,050

don't really like to get into the dark

710

00:30:28,310 --> 00:30:26,310

and creepy but there's plenty of

711

00:30:30,260 --> 00:30:28,320

indications that there's dark and creepy

712

00:30:32,420 --> 00:30:30,270

yes yes yeah I mean government

713

00:30:34,040 --> 00:30:32,430

experiments with the occult that seems

714

00:30:36,980 --> 00:30:34,050

to be a big thing especially a few

715

00:30:39,680 --> 00:30:36,990

decades ago and having this connection

716

00:30:41,930 --> 00:30:39,690

to UFOs it seems strange that again you

717

00:30:43,940 --> 00:30:41,940

know the term satanic ritual abuse comes

718

00:30:46,040 --> 00:30:43,950

up in one of these areas where there's

719

00:30:48,740 --> 00:30:46,050

secret government facilities and UFOs

720

00:30:51,290 --> 00:30:48,750

and it just seems like a paranormal soup

721

00:30:53,480 --> 00:30:51,300

that always comes to gather and it's

722

00:30:56,540 --> 00:30:53,490

possible that the same things aren't

723

00:30:58,820 --> 00:30:56,550

going on at every facility right like we

724

00:31:01,760 --> 00:30:58,830

from my own research I can only speak to

725

00:31:04,310 --> 00:31:01,770

the Perry center I haven't heard stories

726

00:31:05,810 --> 00:31:04,320

like that associated with the Smoky

727

00:31:10,130 --> 00:31:05,820

Mountain National Park or Mount Mitchell

728

00:31:13,160 --> 00:31:10,140

or Sugarloaf Mountain or even there's a

729

00:31:15,920 --> 00:31:13,170

facility that's been sited in let's say

730

00:31:18,140 --> 00:31:15,930

Linville Gorge but that's the only one

731

00:31:20,360 --> 00:31:18,150

where you hear the the creepy side of it

732

00:31:22,750 --> 00:31:20,370

can you tell us about the testimony of I

733

00:31:27,080 --> 00:31:22,760

believe you're referring to him as hawk

734

00:31:29,510 --> 00:31:27,090

yes now he's the the man who was our key

735

00:31:31,880 --> 00:31:29,520

witness with the Mount Mitchell now what

736

00:31:34,100 --> 00:31:31,890

do you want to know what were some his

737

00:31:35,120 --> 00:31:34,110

disclosures because he seems to be one

738

00:31:39,110 --> 00:31:35,130

of the ones who's given you the most

739

00:31:40,760 --> 00:31:39,120

detail he was in the medical field when

740

00:31:43,130 --> 00:31:40,770

he retired he still had a lot of energy

741

00:31:45,260 --> 00:31:43,140

and he decided that he would volunteer

742

00:31:47,300 --> 00:31:45,270

for the National Guard here in North

743

00:31:49,670 --> 00:31:47,310

Carolina in their medical unit because

744

00:31:51,330 --> 00:31:49,680

he had been a medic during the Vietnam

745

00:31:54,210 --> 00:31:51,340

War and he also was in a

746

00:31:56,910 --> 00:31:54,220

related medical field and so when he

747

00:31:59,310 --> 00:31:56,920

went there they acceptable accepted him

748

00:32:01,950 --> 00:31:59,320

but they put him to work doing

749

00:32:05,880 --> 00:32:01,960

undercover surveillance because he had

750

00:32:09,990 --> 00:32:05,890

FBI and army intelligence clearance and

751  
00:32:12,410 --> 00:32:10,000  
so he's the one who ended up with a

752  
00:32:18,210 --> 00:32:12,420  
squad of men in a small squad

753  
00:32:19,650 --> 00:32:18,220  
surveilling Mount Mitchell and let's see

754  
00:32:22,320 --> 00:32:19,660  
there's so much I got to figure out how

755  
00:32:25,350 --> 00:32:22,330  
to tell it simply at one point he

756  
00:32:28,290 --> 00:32:25,360  
himself saw the side of the mountain

757  
00:32:31,410 --> 00:32:28,300  
open which was big enough for tanks to

758  
00:32:33,150 --> 00:32:31,420  
go into and he said he also saw it when

759  
00:32:35,580 --> 00:32:33,160  
it was shot and even though he knew it

760  
00:32:39,000 --> 00:32:35,590  
was there he could see no sign that it

761  
00:32:41,370 --> 00:32:39,010  
was there so these the camouflage they

762  
00:32:45,210 --> 00:32:41,380  
they do on some of these interests

763  
00:32:46,680 --> 00:32:45,220

entrances is quite extensive Wow open

764

00:32:48,960 --> 00:32:46,690

like the side of a mountain of course

765

00:32:50,460 --> 00:32:48,970

like we mentioned earlier UFO stories

766

00:32:52,500 --> 00:32:50,470

coming out of the mountains do we know

767

00:32:54,180 --> 00:32:52,510

how it opens or closes is it like a

768

00:32:58,260 --> 00:32:54,190

garage door or something more

769

00:33:00,450 --> 00:32:58,270

sophisticated from what I can gather

770

00:33:02,160 --> 00:33:00,460

it's kind of like a garage door huh I

771

00:33:03,510 --> 00:33:02,170

don't know if it goes up on the police

772

00:33:06,930 --> 00:33:03,520

just the way it does in your own garage

773

00:33:10,080 --> 00:33:06,940

but it's it's along those lines and when

774

00:33:11,460 --> 00:33:10,090

it when it's closed it it blends right

775

00:33:13,650 --> 00:33:11,470

in with the with the side of the

776

00:33:16,820 --> 00:33:13,660

mountain hmm I mean you'll find similar

777

00:33:19,680 --> 00:33:16,830

things stories out in the West to where

778

00:33:22,830 --> 00:33:19,690

things disappear into mountains and it's

779

00:33:25,440 --> 00:33:22,840

just you know I didn't garage door

780

00:33:28,350 --> 00:33:25,450

opening right right and I also wrote

781

00:33:30,810 --> 00:33:28,360

down one of the quotes of testimony is

782

00:33:32,970 --> 00:33:30,820

that somebody had told you that they

783

00:33:34,590 --> 00:33:32,980

have an ex-military friend who now works

784

00:33:36,000 --> 00:33:34,600

for the National Park Service who told

785

00:33:39,180 --> 00:33:36,010

them they're not allowed to even ask

786

00:33:40,770 --> 00:33:39,190

about any of the unusual activity at the

787

00:33:42,720 --> 00:33:40,780

park did this particular witness tell

788

00:33:44,550 --> 00:33:42,730

you about what they might have meant

789

00:33:45,990 --> 00:33:44,560

when they said unusual activity I'm sure

790

00:33:49,260 --> 00:33:46,000

just the things we're talking about but

791

00:33:51,930 --> 00:33:49,270

anything specific they saw why don't I

792

00:33:54,900 --> 00:33:51,940

tell your listeners about how that whole

793

00:33:57,510 --> 00:33:54,910

story started because it started right

794

00:34:00,420 --> 00:33:57,520

off on the deep end this man with them

795

00:34:02,910 --> 00:34:00,430

who was retired military I had known

796

00:34:05,310 --> 00:34:02,920

through my own work and so he let me

797

00:34:06,779 --> 00:34:05,320

know about it and I trusted him

798

00:34:09,839 --> 00:34:06,789

because I'd known him long before he had

799

00:34:13,169 --> 00:34:09,849

experienced any of this and he and his

800

00:34:15,899 --> 00:34:13,179

wife were part I think it a like a place

801  
00:34:18,809 --> 00:34:15,909  
to get gas a coke or something right at

802  
00:34:21,599 --> 00:34:18,819  
the intersection of 441 and 74 which is

803  
00:34:23,750 --> 00:34:21,609  
south of Cherokee and while they were

804  
00:34:26,339 --> 00:34:23,760  
parked there there was this big truck

805  
00:34:30,210 --> 00:34:26,349  
tractor trailer truck and on the back of

806  
00:34:32,849 --> 00:34:30,220  
it was some very unusual equipment he

807  
00:34:37,079 --> 00:34:32,859  
said from his experience it looked like

808  
00:34:39,089 --> 00:34:37,089  
a decontamination chamber and that was

809  
00:34:40,740 --> 00:34:39,099  
from you know from what he knew there is

810  
00:34:44,550 --> 00:34:40,750  
a picture of it in the book that I have

811  
00:34:46,379 --> 00:34:44,560  
hmm so they very friendly and outgoing

812  
00:34:49,859 --> 00:34:46,389  
and he went up and talked to the driver

813  
00:34:52,470 --> 00:34:49,869

and she said that she was there waiting

814

00:34:55,169 --> 00:34:52,480

for five other trucks and their escort

815

00:34:58,200 --> 00:34:55,179

and they were taking equipment to

816

00:35:00,660 --> 00:34:58,210

Newfound Gap Road which is where which

817

00:35:04,710 --> 00:35:00,670

connects North Carolina with Gatlinburg

818

00:35:06,960 --> 00:35:04,720

Tennessee and then from there the

819

00:35:08,940 --> 00:35:06,970

equipment would be air dropped in an

820

00:35:11,700 --> 00:35:08,950

undisclosed location well she told him

821

00:35:14,670 --> 00:35:11,710

quite a bit he was very curious so at a

822

00:35:16,650 --> 00:35:14,680

distance he he followed all of this and

823

00:35:19,400 --> 00:35:16,660

the five other trucks arrived they all

824

00:35:22,410 --> 00:35:19,410

had tarps over the equipment all had

825

00:35:25,589 --> 00:35:22,420

USAF or United States Air Force on the

826

00:35:31,890 --> 00:35:25,599

tarps and the escorts arrived they were

827

00:35:36,290 --> 00:35:31,900

white SUVs and the men in those SUVs

828

00:35:38,510 --> 00:35:36,300

were in black garb and had weapons so

829

00:35:42,930 --> 00:35:38,520

this man that we call Clarke

830

00:35:45,240 --> 00:35:42,940

followed this Caravan and it ended up in

831

00:35:47,490 --> 00:35:45,250

a place called smoke Mont campground and

832

00:35:49,740 --> 00:35:47,500

as soon as all the trucks went through

833

00:35:50,490 --> 00:35:49,750

the gate into that campground the gate

834

00:35:53,700 --> 00:35:50,500

was closed

835

00:35:56,550 --> 00:35:53,710

well that campground is really very very

836

00:35:59,069 --> 00:35:56,560

close to the entrance which is on Hein

837

00:36:00,870 --> 00:35:59,079

2d Road so it's the probably the nearest

838

00:36:02,849 --> 00:36:00,880

place they can transport that heavy

839

00:36:06,510 --> 00:36:02,859

equipment it's also in that same

840

00:36:11,000 --> 00:36:06,520

direction that repeatedly people have

841

00:36:14,670 --> 00:36:11,010

seen these cargo planes and Ospreys and

842

00:36:17,640 --> 00:36:14,680

Sky trains carrying large equipment hmm

843

00:36:18,670 --> 00:36:17,650

so there's a lot of evidence that you

844

00:36:20,320 --> 00:36:18,680

know

845

00:36:23,830 --> 00:36:20,330

something very real is going on and

846

00:36:25,690 --> 00:36:23,840

people will see SUVs white usually with

847

00:36:27,730 --> 00:36:25,700

plates that only have numbers on them

848

00:36:31,120 --> 00:36:27,740

and they have no identifying tag on them

849

00:36:34,710 --> 00:36:31,130

and they'll just be pulled off you know

850

00:36:37,870 --> 00:36:34,720

somewhere on the edge of a dirt road huh

851  
00:36:39,820 --> 00:36:37,880  
Wow and the things you said about UN

852  
00:36:41,650 --> 00:36:39,830  
troops I mean that's so fascinating the

853  
00:36:42,910 --> 00:36:41,660  
blue hats I mean because I've had

854  
00:36:45,670 --> 00:36:42,920  
researchers talk about the narrative

855  
00:36:47,440 --> 00:36:45,680  
that we're getting now with the police

856  
00:36:48,880 --> 00:36:47,450  
shooting things that's going on they've

857  
00:36:51,280 --> 00:36:48,890  
said that it's all going to come to a

858  
00:36:53,380 --> 00:36:51,290  
head where they're trying to put out in

859  
00:36:55,150 --> 00:36:53,390  
the culture that the police force is not

860  
00:36:56,770 --> 00:36:55,160  
equipped to handle what's going on or

861  
00:36:58,480 --> 00:36:56,780  
they're undertrained or this or that or

862  
00:37:00,520 --> 00:36:58,490  
whatever and they'll have to bring in

863  
00:37:02,560 --> 00:37:00,530

these other troops exactly all right

864

00:37:05,920 --> 00:37:02,570

let's go back that's you know let's go

865

00:37:09,370 --> 00:37:05,930

back to Mount Mitchell when Hawk was

866

00:37:12,370 --> 00:37:09,380

doing the observation of that area there

867

00:37:14,590 --> 00:37:12,380

was another group that was at a town

868

00:37:17,400 --> 00:37:14,600

about just to the east of Mount Mitchell

869

00:37:22,570 --> 00:37:17,410

called Marion and they were there and

870

00:37:25,660 --> 00:37:22,580

witnessed 20 to 25 tanks being wheeled

871

00:37:28,600 --> 00:37:25,670

off a train they were loaded onto big

872

00:37:31,030 --> 00:37:28,610

trucks and then they were taken up to

873

00:37:33,880 --> 00:37:31,040

the top of Mount Mitchell there's only

874

00:37:36,760 --> 00:37:33,890

two roads as I understand it from the

875

00:37:40,420 --> 00:37:36,770

witness and those were being guarded at

876

00:37:42,490 --> 00:37:40,430

every point those tanks went up the

877

00:37:43,810 --> 00:37:42,500

mountain and we're never seen again the

878

00:37:47,050 --> 00:37:43,820

trucks were never seen again

879

00:37:48,970 --> 00:37:47,060

so they disappeared into that garage

880

00:37:51,130 --> 00:37:48,980

door we were talking about and never

881

00:37:54,370 --> 00:37:51,140

came down in any conditional you know

882

00:37:56,500 --> 00:37:54,380

fashion he said that they were they were

883

00:37:58,240 --> 00:37:56,510

painted like the undercoating in other

884

00:38:01,240 --> 00:37:58,250

words they would they could be painted

885

00:38:03,010 --> 00:38:01,250

again it was like the primer on them so

886

00:38:05,680 --> 00:38:03,020

they at that point couldn't be

887

00:38:09,880 --> 00:38:05,690

identified as Army you win or whatever

888

00:38:11,440 --> 00:38:09,890

but they went into that facility Wow man

889

00:38:13,500 --> 00:38:11,450

it makes you wonder it seems like these

890

00:38:15,370 --> 00:38:13,510

things go a little beyond the

891

00:38:17,350 --> 00:38:15,380

description of a typical military

892

00:38:19,900 --> 00:38:17,360

exercise it seems like some type of

893

00:38:22,270 --> 00:38:19,910

preparation that's the way it sounds to

894

00:38:26,920 --> 00:38:22,280

me and we had a witness who was at

895

00:38:29,560 --> 00:38:26,930

Cherokee tribal offices and they were in

896

00:38:31,960 --> 00:38:29,570

one room and it was adjacent to the

897

00:38:32,490 --> 00:38:31,970

office of the chief well the walls were

898

00:38:33,960 --> 00:38:32,500

thin and

899

00:38:35,130 --> 00:38:33,970

and they were close enough to the wall

900

00:38:37,380 --> 00:38:35,140

that they could hear part of the

901  
00:38:41,720 --> 00:38:37,390  
conversation and at this point I can't

902  
00:38:44,040 --> 00:38:41,730  
quote it for you but they heard these

903  
00:38:46,440 --> 00:38:44,050  
officials come in and talk to the chief

904  
00:38:48,390 --> 00:38:46,450  
and told them explain to him what would

905  
00:38:50,820 --> 00:38:48,400  
happen if there was some kind of an

906  
00:38:52,380 --> 00:38:50,830  
emergency and how they would take him to

907  
00:38:55,620 --> 00:38:52,390  
an underground facility for his

908  
00:38:57,060 --> 00:38:55,630  
protection mm-hmm interesting yeah it

909  
00:38:59,670 --> 00:38:57,070  
seems like there's a certain class of

910  
00:39:02,400 --> 00:38:59,680  
people that have this have the right to

911  
00:39:04,620 --> 00:39:02,410  
be in right yeah this escape plan that

912  
00:39:05,250 --> 00:39:04,630  
the rest of us just don't have that's

913  
00:39:07,350 --> 00:39:05,260

correct

914

00:39:09,360 --> 00:39:07,360

and I know you've talked about people

915

00:39:10,950 --> 00:39:09,370

coming to you with information since

916

00:39:12,600 --> 00:39:10,960

writing the book about these underground

917

00:39:14,370 --> 00:39:12,610

bases is there anything that you've

918

00:39:16,320 --> 00:39:14,380

heard recently about these basins

919

00:39:18,240 --> 00:39:16,330

doesn't that's intrigued you yeah well

920

00:39:21,630 --> 00:39:18,250

there's one that I haven't even started

921

00:39:23,970 --> 00:39:21,640

working on I've done one taped interview

922

00:39:25,500 --> 00:39:23,980

I haven't even transcribed it yet then I

923

00:39:27,180 --> 00:39:25,510

got some stuff in the mail with more

924

00:39:30,990 --> 00:39:27,190

information and we have another third

925

00:39:35,730 --> 00:39:31,000

person but in the area of chimney rock

926  
00:39:38,640 --> 00:39:35,740  
there are major military people buying

927  
00:39:40,610 --> 00:39:38,650  
houses around there and when I talk

928  
00:39:43,440 --> 00:39:40,620  
about major people I'm talking about

929  
00:39:46,170 --> 00:39:43,450  
even people who are high up in the

930  
00:39:47,520 --> 00:39:46,180  
Pentagon and they don't live there most

931  
00:39:50,340 --> 00:39:47,530  
of the time so they're buying these

932  
00:39:53,340 --> 00:39:50,350  
really expensive homes and I'm talking

933  
00:39:55,620 --> 00:39:53,350  
palatial mountain cabin homes with great

934  
00:39:57,120 --> 00:39:55,630  
vistas and all of that and they're only

935  
00:39:59,010 --> 00:39:57,130  
there for just a short period of time

936  
00:40:02,070 --> 00:39:59,020  
they don't even live there all the time

937  
00:40:05,670 --> 00:40:02,080  
but you know why are so many military

938  
00:40:08,640 --> 00:40:05,680

people living around these places some

939

00:40:10,800 --> 00:40:08,650

of these facilities maybe not just here

940

00:40:13,380 --> 00:40:10,810

but other places will also be like

941

00:40:15,780 --> 00:40:13,390

adjacent to things like golf courses

942

00:40:18,870 --> 00:40:15,790

where the elite can live without being

943

00:40:20,040 --> 00:40:18,880

really noticed and if necessary they

944

00:40:23,280 --> 00:40:20,050

could easily get into one of these

945

00:40:24,450 --> 00:40:23,290

facilities Wow yeah that's interesting

946

00:40:26,520 --> 00:40:24,460

you always got to look at what the

947

00:40:28,800 --> 00:40:26,530

people who have insider information

948

00:40:30,810 --> 00:40:28,810

might be doing and that's very curious

949

00:40:32,280 --> 00:40:30,820

that they're all coming there I'm sure

950

00:40:35,540 --> 00:40:32,290

they're going to many other places too

951  
00:40:38,640 --> 00:40:35,550  
but and also cashiers and Highland's are

952  
00:40:41,310 --> 00:40:38,650  
where the rich come they usually tend to

953  
00:40:42,600 --> 00:40:41,320  
live there in the summer months and when

954  
00:40:46,530 --> 00:40:42,610  
it gets cold here in the mountains they

955  
00:40:49,980 --> 00:40:46,540  
go back to plant land in fact one of the

956  
00:40:52,680 --> 00:40:49,990  
people we contacted once was involved

957  
00:40:54,750 --> 00:40:52,690  
with developing the Hubble telescope it

958  
00:40:57,390 --> 00:40:54,760  
was very old at the time we met him but

959  
00:40:59,910 --> 00:40:57,400  
he lives up there Carter

960  
00:41:01,200 --> 00:40:59,920  
the former president he's vacationed up

961  
00:41:06,450 --> 00:41:01,210  
there and has friends up there

962  
00:41:09,140 --> 00:41:06,460  
it's a high-income area mm-hmm Wow

963  
00:41:11,550 --> 00:41:09,150

I'm also curious this is kind of a

964

00:41:14,370 --> 00:41:11,560

detour but I'm curious about this object

965

00:41:16,920 --> 00:41:14,380

that you photographed in the orbit of

966

00:41:18,750 --> 00:41:16,930

the Sun or in the eyesight of the Sun

967

00:41:21,630 --> 00:41:18,760

what is the deal I think you're calling

968

00:41:24,210 --> 00:41:21,640

it the Blue Moon okay it's a two levels

969

00:41:27,330 --> 00:41:24,220

we we in our section called sky ship

970

00:41:29,420 --> 00:41:27,340

photos we have what we have called the

971

00:41:32,400 --> 00:41:29,430

Blue Moon thing where they're no matter

972

00:41:36,180 --> 00:41:32,410

when it is when we've done this over

973

00:41:40,050 --> 00:41:36,190

since 2009 we've taken photos and there

974

00:41:41,160 --> 00:41:40,060

will be this orb that will usually be

975

00:41:43,080 --> 00:41:41,170

there in the middle of the day that you

976  
00:41:45,720 --> 00:41:43,090  
can catch on your camera not with your

977  
00:41:47,280 --> 00:41:45,730  
bare eye and sometimes it will disappear

978  
00:41:49,110 --> 00:41:47,290  
into the heart of the Sun or the

979  
00:41:53,420 --> 00:41:49,120  
brightness of the Sun and then pop out

980  
00:41:56,070 --> 00:41:53,430  
again so that's one type of photo and

981  
00:41:58,230 --> 00:41:56,080  
your listeners can find that under sky

982  
00:42:00,120 --> 00:41:58,240  
ship photos on our website there's

983  
00:42:03,180 --> 00:42:00,130  
another section on the website called

984  
00:42:05,070 --> 00:42:03,190  
global links and that is where you'll

985  
00:42:09,540 --> 00:42:05,080  
find some of these phenomenal photos

986  
00:42:12,630 --> 00:42:09,550  
that are from satellite NASA satellite

987  
00:42:15,390 --> 00:42:12,640  
photos and a man from the Netherlands

988  
00:42:19,230 --> 00:42:15,400

contacted us back in I think it was 2013

989

00:42:22,320 --> 00:42:19,240

and he was able to what he calls dust

990

00:42:24,780 --> 00:42:22,330

and clean these photos so that you can

991

00:42:28,740 --> 00:42:24,790

see a lot of the detail well these these

992

00:42:30,420 --> 00:42:28,750

are monster monster monster ships that

993

00:42:32,520 --> 00:42:30,430

will appear around the Sun they're

994

00:42:34,640 --> 00:42:32,530

bigger than Jupiter which is you know

995

00:42:38,790 --> 00:42:34,650

the biggest planet we have really and

996

00:42:41,670 --> 00:42:38,800

when those shots are cleaned up you can

997

00:42:45,750 --> 00:42:41,680

see the very mechanical structure of it

998

00:42:47,550 --> 00:42:45,760

or of them and I encourage people to go

999

00:42:49,320 --> 00:42:47,560

to the global links section of the

1000

00:42:53,550 --> 00:42:49,330

website and again it's called Sky ships

1001  
00:42:57,180 --> 00:42:53,560  
over cashers calm and those photos began

1002  
00:43:00,300 --> 00:42:57,190  
to come in in I'm pretty sure it was

1003  
00:43:01,800 --> 00:43:00,310  
2013 so 2013 14 and fifth

1004  
00:43:04,500 --> 00:43:01,810  
if you just scroll through those

1005  
00:43:05,970 --> 00:43:04,510  
sections you and stop at the photos that

1006  
00:43:08,370 --> 00:43:05,980  
catch your eye there's quite a few of

1007  
00:43:10,530 --> 00:43:08,380  
them that we've been able to give ya I

1008  
00:43:12,900 --> 00:43:10,540  
did like the photos I saw there some of

1009  
00:43:14,610 --> 00:43:12,910  
them are more intriguing than others but

1010  
00:43:16,890 --> 00:43:14,620  
there's definitely a couple that you're

1011  
00:43:18,660 --> 00:43:16,900  
like wow I don't know what that could be

1012  
00:43:20,400 --> 00:43:18,670  
so I guess you're not inclined to think

1013  
00:43:22,770 --> 00:43:20,410

this is some kind of Planet X then this

1014

00:43:26,220 --> 00:43:22,780

is more of a some kind of structure some

1015

00:43:28,080 --> 00:43:26,230

kind of man-made or being made vein out

1016

00:43:30,120 --> 00:43:28,090

there alright

1017

00:43:31,500 --> 00:43:30,130

again we let's go back to just the sky

1018

00:43:33,840 --> 00:43:31,510

ship photos because those are the ones

1019

00:43:37,590 --> 00:43:33,850

that people take from the earth not from

1020

00:43:40,020 --> 00:43:37,600

a satellite hmm and it's it cannot be

1021

00:43:43,170 --> 00:43:40,030

Nibiru or Planet X or Planet 12 or

1022

00:43:46,500 --> 00:43:43,180

whatever because a planet would not be

1023

00:43:48,960 --> 00:43:46,510

able to pop in and out of the intensity

1024

00:43:53,910 --> 00:43:48,970

of the central Sun it would be on a

1025

00:43:55,590 --> 00:43:53,920

continuous orbit and so we just we see

1026

00:43:58,080 --> 00:43:55,600

this variation and that just can't be

1027

00:43:59,700 --> 00:43:58,090

the case we've gotten I think no more

1028

00:44:02,970 --> 00:43:59,710

than three times we've gotten pictures

1029

00:44:05,430 --> 00:44:02,980

where one of those orbs has orbs around

1030

00:44:07,230 --> 00:44:05,440

it so it looks like like a giant

1031

00:44:09,770 --> 00:44:07,240

mothership with other ships showing up

1032

00:44:12,720 --> 00:44:09,780

around it that's when we met the guy who

1033

00:44:15,240 --> 00:44:12,730

was involved with the Hubble telescope

1034

00:44:18,060 --> 00:44:15,250

because we showed him this photo because

1035

00:44:22,380 --> 00:44:18,070

we wanted to make sure it wasn't blown

1036

00:44:24,300 --> 00:44:22,390

off it's just a camera anomaly and he

1037

00:44:29,190 --> 00:44:24,310

assured us that it wasn't he said that

1038

00:44:32,070 --> 00:44:29,200

was not what that was and so what can I

1039

00:44:34,470 --> 00:44:32,080

say yeah that we have more mysteries to

1040

00:44:37,020 --> 00:44:34,480

solve than we don't we definitely do and

1041

00:44:40,410 --> 00:44:37,030

I mean the ship a ship the size of

1042

00:44:42,960 --> 00:44:40,420

Jupiter it seems even straight even less

1043

00:44:44,370 --> 00:44:42,970

feasible but I guess if there's a race

1044

00:44:46,800 --> 00:44:44,380

of beings out there that considers the

1045

00:44:48,660 --> 00:44:46,810

earth a farm and they have to be

1046

00:44:51,150 --> 00:44:48,670

watching over it in some way right and

1047

00:44:52,830 --> 00:44:51,160

we cannot assume that all of the ones in

1048

00:44:56,580 --> 00:44:52,840

those big ships are the big evil ones

1049

00:44:59,310 --> 00:44:56,590

and we can't do that but it's I really

1050

00:45:01,050 --> 00:44:59,320

hope your listeners will scroll through

1051  
00:45:04,500 --> 00:45:01,060  
those sections and take a look at them

1052  
00:45:06,420 --> 00:45:04,510  
yeah absolutely but very awesome well

1053  
00:45:08,520 --> 00:45:06,430  
Mary thanks so much for doing this

1054  
00:45:10,080 --> 00:45:08,530  
I enjoy the weird world but I want to

1055  
00:45:12,030 --> 00:45:10,090  
get away from the same old story so this

1056  
00:45:13,349 --> 00:45:12,040  
was a lot of fun would you remind the

1057  
00:45:15,239 --> 00:45:13,359  
people once more where they can get

1058  
00:45:16,799 --> 00:45:15,249  
books in the URL the website before we

1059  
00:45:19,589 --> 00:45:16,809  
call it in I sure can

1060  
00:45:22,499 --> 00:45:19,599  
the website is sky ships over cashiers

1061  
00:45:25,259 --> 00:45:22,509  
dot-com I have three books that I've

1062  
00:45:28,289 --> 00:45:25,269  
written since 2013 they're all available

1063  
00:45:30,690 --> 00:45:28,299

on Amazon there's one underground

1064

00:45:33,720 --> 00:45:30,700

military bases hidden in North Carolina

1065

00:45:36,749 --> 00:45:33,730

mountains the second one is Cherokee

1066

00:45:38,279 --> 00:45:36,759

little people were real the third one we

1067

00:45:40,380 --> 00:45:38,289

haven't even talked about total

1068

00:45:43,769 --> 00:45:40,390

different subject is called tangible

1069

00:45:46,079 --> 00:45:43,779

evidence of Jesus the full long title is

1070

00:45:48,930 --> 00:45:46,089

tangible evidence of Jesus left behind

1071

00:45:51,289 --> 00:45:48,940

for us to find and it gets into the

1072

00:45:54,210 --> 00:45:51,299

scientific archaeological information on

1073

00:45:56,640 --> 00:45:54,220

Jesus that you simply don't find in most

1074

00:45:59,160 --> 00:45:56,650

places so those are the three books that

1075

00:46:02,009 --> 00:45:59,170

I have out there and the way that I've

1076

00:46:03,870 --> 00:46:02,019

written them is in what I call a cross

1077

00:46:06,870 --> 00:46:03,880

between newspaper and magazine style

1078

00:46:10,499 --> 00:46:06,880

there's lots of photos Maps visuals and

1079

00:46:13,259 --> 00:46:10,509

I write in a very concise easy it's a

1080

00:46:15,989 --> 00:46:13,269

way you know easy read and so you don't

1081

00:46:18,599 --> 00:46:15,999

have to wade through thick thick toms

1082

00:46:20,609 --> 00:46:18,609

of information mm-hmm it definitely

1083

00:46:23,160 --> 00:46:20,619

makes my job easier it works for every

1084

00:46:25,109 --> 00:46:23,170

guest but great stuff Mary thanks again

1085

00:46:25,589 --> 00:46:25,119

take care out there I enjoyed talking

1086

00:46:29,579 --> 00:46:25,599

with you

1087

00:46:32,130 --> 00:46:29,589

oh me too have a good one all right

1088

00:46:33,989 --> 00:46:32,140

fellas and ladies Mary Joyce coming in

1089

00:46:37,049 --> 00:46:33,999

hot with all sorts of interesting stuff

1090

00:46:39,180 --> 00:46:37,059

UN troops and secret bases ETS calling

1091

00:46:41,579 --> 00:46:39,190

the earth a farm knowledge of the world

1092

00:46:43,190 --> 00:46:41,589

heritage treaty jupiter-sized ships I

1093

00:46:47,519 --> 00:46:43,200

mean this is what we're dealing with in

1094

00:46:49,680 --> 00:46:47,529

2016 on a Tuesday in September you know

1095

00:46:52,979 --> 00:46:49,690

by now that I like the idea of some type

1096

00:46:55,739 --> 00:46:52,989

of shadowy non-human overseer but well

1097

00:46:57,390 --> 00:46:55,749

nobody likes the idea but it does get me

1098

00:47:00,029 --> 00:46:57,400

all jazzed up you know what I'm saying

1099

00:47:02,160 --> 00:47:00,039

there is weirdness out there in fact I

1100

00:47:04,620 --> 00:47:02,170

just learned about a guy named Norman

1101  
00:47:07,410 --> 00:47:04,630  
Bergeron who is very accomplished in

1102  
00:47:09,599 --> 00:47:07,420  
Aeronautics and engineering and he wrote

1103  
00:47:11,519 --> 00:47:09,609  
a book called ring makers of Saturn

1104  
00:47:14,519 --> 00:47:11,529  
because when he studied Saturn's rings

1105  
00:47:18,239 --> 00:47:14,529  
he concluded that these rings are

1106  
00:47:21,089 --> 00:47:18,249  
actually exhaust from ships circling the

1107  
00:47:22,680 --> 00:47:21,099  
planet Saturn it's wild but it's super

1108  
00:47:24,569 --> 00:47:22,690  
interesting in the context of the

1109  
00:47:27,259 --> 00:47:24,579  
Brotherhood of Saturn or guests who have

1110  
00:47:28,939 --> 00:47:27,269  
talked about Saturn as a control center

1111  
00:47:31,130 --> 00:47:28,949  
or that some signal perhaps the

1112  
00:47:34,849 --> 00:47:31,140  
projection of the entire solar system is

1113  
00:47:37,729 --> 00:47:34,859

coming from the hexagon shaped North

1114

00:47:40,069 --> 00:47:37,739

Pole of Saturn these are out their ideas

1115

00:47:41,779 --> 00:47:40,079

but I like them and I've tried to get

1116

00:47:44,239 --> 00:47:41,789

this guy on but last I heard he was in

1117

00:47:46,729 --> 00:47:44,249

his late 90s and I got no response from

1118

00:47:48,319 --> 00:47:46,739

his website but his book is such a

1119

00:47:50,809 --> 00:47:48,329

limited print run that you can find

1120

00:47:54,139 --> 00:47:50,819

copies on Amazon for over a thousand

1121

00:47:56,029 --> 00:47:54,149

bucks that must mean it's true but tie

1122

00:47:57,889 --> 00:47:56,039

that in with John Brandenburg and the

1123

00:47:59,989 --> 00:47:57,899

nuclear weapons signature and Mars's

1124

00:48:01,939 --> 00:47:59,999

atmosphere and we really got a party

1125

00:48:03,739 --> 00:48:01,949

going you know if you heard the Plus

1126  
00:48:05,749 --> 00:48:03,749  
show of this episode where we got into

1127  
00:48:06,919 --> 00:48:05,759  
the kid who has memories of fighting in

1128  
00:48:09,589 --> 00:48:06,929  
the Martian army

1129  
00:48:11,809 --> 00:48:09,599  
that's another log on the fire but

1130  
00:48:13,880 --> 00:48:11,819  
anyway I thought Mary was a solid guest

1131  
00:48:15,679 --> 00:48:13,890  
highlighted some lesser discuss topics

1132  
00:48:17,899 --> 00:48:15,689  
Cherokee little people that's

1133  
00:48:19,819 --> 00:48:17,909  
interesting to me who knows if we're

1134  
00:48:22,009 --> 00:48:19,829  
talking about just a small humanoid race

1135  
00:48:25,009 --> 00:48:22,019  
or something more mystical like

1136  
00:48:26,809 --> 00:48:25,019  
leprechauns or fairies but interestingly

1137  
00:48:28,549 --> 00:48:26,819  
a few months ago I was in Washington

1138  
00:48:31,159 --> 00:48:28,559

State and we walked this two mile

1139

00:48:34,519 --> 00:48:31,169

underground pitch-black tunnel called

1140

00:48:36,679 --> 00:48:34,529

ape cave which is a lava tube carved out

1141

00:48:39,159 --> 00:48:36,689

by a previous eruption of Mount st.

1142

00:48:41,329 --> 00:48:39,169

Helens it was a great experience

1143

00:48:44,389 --> 00:48:41,339

probably the most time I've ever spent

1144

00:48:46,249 --> 00:48:44,399

underground in the dark but the whole

1145

00:48:48,439 --> 00:48:46,259

time I was looking along the ridges for

1146

00:48:50,839 --> 00:48:48,449

some type of creature to be watching us

1147

00:48:52,759 --> 00:48:50,849

but I think it's a bit too touristy for

1148

00:48:55,999 --> 00:48:52,769

that there however it's called ape cave

1149

00:48:57,829 --> 00:48:56,009

because it is near ape Canyon which got

1150

00:49:00,679 --> 00:48:57,839

its name from an alleged Bigfoot

1151

00:49:02,449 --> 00:49:00,689

encounter in the 1920s here's a little

1152

00:49:04,549 --> 00:49:02,459

on it from Wikipedia what you know is

1153

00:49:07,309 --> 00:49:04,559

always a bit watered down anyway but

1154

00:49:09,079 --> 00:49:07,319

even there it says ape Canyon was

1155

00:49:11,719 --> 00:49:09,089

reportedly the site of a violent

1156

00:49:14,269 --> 00:49:11,729

encounter in 1924 between a group of

1157

00:49:18,339 --> 00:49:14,279

miners and a group of ape men these

1158

00:49:22,309 --> 00:49:18,349

allegations were reported in the July

1159

00:49:24,379 --> 00:49:22,319

1924 issue of the organ Fred Beck one of

1160

00:49:25,819 --> 00:49:24,389

the miners claimed that he shot and

1161

00:49:28,009 --> 00:49:25,829

possibly killed at least one of these

1162

00:49:29,959 --> 00:49:28,019

creatures following an attack on their

1163

00:49:32,179 --> 00:49:29,969

cabin during which the creatures

1164

00:49:34,849 --> 00:49:32,189

bombarded the cabin with rocks and tried

1165

00:49:37,159 --> 00:49:34,859

to break in Beck detailed his claims in

1166

00:49:39,199 --> 00:49:37,169

a 22 page booklet in which he identified

1167

00:49:39,530 --> 00:49:39,209

the creatures as mystical beings from

1168

00:49:41,870 --> 00:49:39,540

another--

1169

00:49:44,060 --> 00:49:41,880

to mention he also explained that he's

1170

00:49:46,550 --> 00:49:44,070

experienced psychic premonitions

1171

00:49:49,810 --> 00:49:46,560

envisions his entire life of which the

1172

00:49:52,280 --> 00:49:49,820

eight men were only one component and

1173

00:49:54,050 --> 00:49:52,290

we're off to the races again but I don't

1174

00:49:56,870 --> 00:49:54,060

know how relevant that is but it is cool

1175

00:49:59,720 --> 00:49:56,880

right anyway big thanks to Mary Joyce

1176  
00:50:01,040 --> 00:49:59,730  
check out sky ships over cashiers if you

1177  
00:50:03,080 --> 00:50:01,050  
like the first free hour of the

1178  
00:50:05,450 --> 00:50:03,090  
interview with Mary signup for THC plus

1179  
00:50:07,400 --> 00:50:05,460  
to hear more and go through hours and

1180  
00:50:09,620 --> 00:50:07,410  
hours of archives and all that good

1181  
00:50:11,390 --> 00:50:09,630  
stuff you know I love you keep your head

1182  
00:50:13,040 --> 00:50:11,400  
up your pimp and strong and I'll see you

1183  
00:50:15,200 --> 00:50:13,050  
soon I've done what I can

1184  
00:50:17,510 --> 00:50:15,210  
your move earth farming entities and

1185  
00:50:21,090 --> 00:50:17,520  
secret mountain base soldiers you're

1186  
00:50:27,130 --> 00:50:24,430  
lucid dreams are so vivid cuz you go to

1187  
00:50:30,640 --> 00:50:27,140  
bed at 7:00 and your brain comes alive

1188  
00:50:32,980 --> 00:50:30,650

cuz uhm nine to five you wake up with a

1189

00:50:35,470 --> 00:50:32,990

dread and make sure your cats are fed

1190

00:50:38,110 --> 00:50:35,480

did your brain talk to ghosts who moved

1191

00:50:42,310 --> 00:50:38,120

your coffee and toast as you listened to

1192

00:50:44,800 --> 00:50:42,320

the higher side chats you get to your

1193

00:50:47,620 --> 00:50:44,810

desk and your boss says it's a mess and

1194

00:50:49,600 --> 00:50:47,630

your soul slowly goes to a place where

1195

00:50:55,270 --> 00:50:49,610

nothing grows when you think he's not

1196

00:50:57,610 --> 00:50:55,280

around you insert a SETI sound vom says

1197

00:51:01,960 --> 00:50:57,620

turn it down and you say it's just the

1198

00:51:05,860 --> 00:51:01,970

higher side chats oh do you think you'd

1199

00:51:09,850 --> 00:51:05,870

be invited to Bohemian Grove to a

1200

00:51:14,040 --> 00:51:09,860

Bilderberg Club oh do you think could be

1201

00:51:18,670 --> 00:51:14,050

invited by Rasta to a party on a

1202

00:51:23,830 --> 00:51:21,070

to the center of the

1203

00:51:25,990 --> 00:51:23,840

through the Marianas Trench your teeth

1204

00:51:31,230 --> 00:51:26,000

begin to clench from the sulphureus

1205

00:51:36,710 --> 00:51:31,240

stench the mask you give in doesn't fit

1206

00:51:42,270 --> 00:51:39,630

starting today you'll make plans to get

1207

00:51:44,970 --> 00:51:42,280

away there's no one to hold you down and

1208

00:51:47,820 --> 00:51:44,980

the waters start to drown when you wake

1209

00:51:50,700 --> 00:51:47,830

to the glare of a co fluorescent stare

1210

00:51:53,040 --> 00:51:50,710

and the light winks at you cuz its life

1211

00:51:56,910 --> 00:51:53,050

is almost through but it's holding gone

1212

00:52:17,229 --> 00:51:56,920

to quit time just like you it's time for

1213

00:52:21,140 --> 00:52:19,549

hey guys thanks for listening to the

1214

00:52:23,450 --> 00:52:21,150

first hour of the higher side chats

1215

00:52:25,519 --> 00:52:23,460

podcast with me Greg Carl wood if you

1216

00:52:27,920 --> 00:52:25,529

don't know there is a second hour to all

1217

00:52:29,599 --> 00:52:27,930

the episodes we do around here generally

1218

00:52:31,339 --> 00:52:29,609

we're able to get a lot deeper into the

1219

00:52:33,349 --> 00:52:31,349

topics and ideas that a guest is about

1220

00:52:36,469 --> 00:52:33,359

so if you enjoyed what you've heard from

1221

00:52:38,690 --> 00:52:36,479

THC for free consider signing up at the

1222

00:52:40,640 --> 00:52:38,700

higher side chats plus com to get the

1223

00:52:42,979 --> 00:52:40,650

second hour of the 5 shows I put

1224

00:52:44,870 --> 00:52:42,989

together each month I never really

1225

00:52:46,579 --> 00:52:44,880

wanted to be a paid subscriber podcast

1226  
00:52:48,589 --> 00:52:46,589  
but I really hate the idea of spending

1227  
00:52:50,690 --> 00:52:48,599  
airtime promoting some product that's

1228  
00:52:52,339 --> 00:52:50,700  
completely unrelated and telling you the

1229  
00:52:55,130 --> 00:52:52,349  
best way to support the show is to buy

1230  
00:52:56,989 --> 00:52:55,140  
an audio book or new underwear by mail

1231  
00:52:59,329 --> 00:52:56,999  
or something crazy like that so instead

1232  
00:53:00,829 --> 00:52:59,339  
if you like the show double your time

1233  
00:53:03,049 --> 00:53:00,839  
with it for five bucks a month and let's

1234  
00:53:04,700 --> 00:53:03,059  
cut out all the other [h\_\_h] it's half the

1235  
00:53:06,440 --> 00:53:04,710  
price of a movie ticket and you get at

1236  
00:53:09,079 --> 00:53:06,450  
least an extra five hours of show a

1237  
00:53:10,880 --> 00:53:09,089  
month collectively it keeps us stable

1238  
00:53:12,469 --> 00:53:10,890

and it frees me from wasting your time

1239

00:53:15,019 --> 00:53:12,479

with anything but the show you came to

1240

00:53:16,999 --> 00:53:15,029

listen to it's really the only way for

1241

00:53:18,799 --> 00:53:17,009

an independent one-man show to make it

1242

00:53:21,049 --> 00:53:18,809

and I do what I can so that it's worth

1243

00:53:22,999 --> 00:53:21,059

your while since we started this I've

1244

00:53:25,039 --> 00:53:23,009

always tried to use the subscriptions to

1245

00:53:27,589 --> 00:53:25,049

improve the podcast and make signups

1246

00:53:29,509 --> 00:53:27,599

more advantageous it started with just a

1247

00:53:31,190 --> 00:53:29,519

second hour for the main show but now

1248

00:53:33,229 --> 00:53:31,200

we've got a nice forum going where

1249

00:53:34,969 --> 00:53:33,239

people can get deeper in conversation

1250

00:53:37,849 --> 00:53:34,979

about the episodes with other listeners

1251  
00:53:39,700 --> 00:53:37,859  
submit a candidate in the guest request

1252  
00:53:41,599 --> 00:53:39,710  
thread or share their own personal

1253  
00:53:43,849 --> 00:53:41,609  
projects to get out of the soul-crushing

1254  
00:53:46,430 --> 00:53:43,859  
nine-to-five cog in the wheel life on

1255  
00:53:48,140 --> 00:53:46,440  
the entrepreneurs thread the forum in

1256  
00:53:49,819 --> 00:53:48,150  
the Plus comments are always the first

1257  
00:53:52,069 --> 00:53:49,829  
places I try to go for listener

1258  
00:53:54,440 --> 00:53:52,079  
engagement but it does get harder as the

1259  
00:53:56,299 --> 00:53:54,450  
show gets more popular because of that

1260  
00:53:57,739 --> 00:53:56,309  
there's also a direct messaging feature

1261  
00:54:00,589 --> 00:53:57,749  
that you can use to reach me through the

1262  
00:54:02,120 --> 00:54:00,599  
plus site also but beyond the forum if

1263  
00:54:04,400 --> 00:54:02,130

you like any of the music I've used for

1264

00:54:06,170 --> 00:54:04,410

THC most of it I've hired artists to

1265

00:54:08,420 --> 00:54:06,180

make and I provided all its free

1266

00:54:09,890 --> 00:54:08,430

downloads to plus members too so if you

1267

00:54:12,079 --> 00:54:09,900

like a particular song you've heard

1268

00:54:14,479 --> 00:54:12,089

close the show out recently come get the

1269

00:54:16,459 --> 00:54:14,489

mp3 I should also mention that if you

1270

00:54:18,769 --> 00:54:16,469

don't like the idea of paying \$5

1271

00:54:20,959 --> 00:54:18,779

recurring every month I get that you can

1272

00:54:23,329 --> 00:54:20,969

buy three months six months or a year

1273

00:54:25,039 --> 00:54:23,339

upfront and just be done with it I have

1274

00:54:26,720 --> 00:54:25,049

plenty of listeners who send checks and

1275

00:54:29,150 --> 00:54:26,730

money orders to the PIO box too

1276

00:54:30,740 --> 00:54:29,160

I try to make it as easy for people as I

1277

00:54:32,720 --> 00:54:30,750

can and you can read more about it on

1278

00:54:35,270 --> 00:54:32,730

the signup page also be sure to check

1279

00:54:36,680 --> 00:54:35,280

out the FAQ help page on the plus site

1280

00:54:37,970 --> 00:54:36,690

if you have any questions or concerns

1281

00:54:40,010 --> 00:54:37,980

about how to listen to a

1282

00:54:41,900 --> 00:54:40,020

password-protected show on your devices

1283

00:54:44,210 --> 00:54:41,910

I've highlighted a lot of great

1284

00:54:46,250 --> 00:54:44,220

solutions and one of those would be the

1285

00:54:48,770 --> 00:54:46,260

iPhone app that just recently hit the

1286

00:54:50,930 --> 00:54:48,780

Apple App Store a super kind and

1287

00:54:52,760 --> 00:54:50,940

talented listener made it for us and you

1288

00:54:54,920 --> 00:54:52,770

can use it to stream or download either

1289

00:54:57,890 --> 00:54:54,930

the free or the plus show if you're on

1290

00:54:59,480 --> 00:54:57,900

Android I'd use pocket casts or podcast

1291

00:55:02,060 --> 00:54:59,490

addict and subscribe to the feed

1292

00:55:04,760 --> 00:55:02,070

manually that way I also try to throw an

1293

00:55:06,770 --> 00:55:04,770

occasional bonus shows or QA shows and

1294

00:55:08,930 --> 00:55:06,780

I've got a few other weird ideas I might

1295

00:55:10,880 --> 00:55:08,940

get to try out soon but I give you all I

1296

00:55:12,560 --> 00:55:10,890

can for five bucks and I hope you'll at

1297

00:55:14,270 --> 00:55:12,570

least give it a shot if you've listened

1298

00:55:16,010 --> 00:55:14,280

to a few free shows and you find them

1299

00:55:17,810 --> 00:55:16,020

unique or valuable I know there's a lot

1300

00:55:19,970 --> 00:55:17,820

of podcasts out there and I'm just one

1301  
00:55:21,800 --> 00:55:19,980  
of them but if you have any questions

1302  
00:55:23,210 --> 00:55:21,810  
concerns or comments about any of this

1303  
00:55:26,180 --> 00:55:23,220  
please get in touch with us at the

1304  
00:55:28,099 --> 00:55:26,190  
higher side chats team at gmail.com I

1305  
00:55:29,510 --> 00:55:28,109  
also wanted to plug the higher side

1306  
00:55:31,340 --> 00:55:29,520  
newsletter I'm going to be putting out

1307  
00:55:33,830 --> 00:55:31,350  
totally free for anyone who wants to

1308  
00:55:36,440 --> 00:55:33,840  
sign up at the main internet website for

1309  
00:55:38,240 --> 00:55:36,450  
the show the higher side chats comm you

1310  
00:55:39,920 --> 00:55:38,250  
can also get on that email list through

1311  
00:55:42,109 --> 00:55:39,930  
the higher side chats Facebook page

1312  
00:55:43,640 --> 00:55:42,119  
there's a button there as well but the

1313  
00:55:45,980 --> 00:55:43,650

reason I'm doing this is because I get

1314

00:55:48,050 --> 00:55:45,990

tons and tons of emails after a show

1315

00:55:49,940 --> 00:55:48,060

goes up asking me about how I feel about

1316

00:55:51,530 --> 00:55:49,950

a particular guest or topic and the

1317

00:55:53,450 --> 00:55:51,540

wrap-up isn't always the best place to

1318

00:55:55,490 --> 00:55:53,460

do that especially if I have anything

1319

00:55:57,349 --> 00:55:55,500

negative to say sometimes the dust needs

1320

00:55:59,840 --> 00:55:57,359

to settle sometimes they need to hear

1321

00:56:01,430 --> 00:55:59,850

feedback from you guys first there are a

1322

00:56:03,020 --> 00:56:01,440

lot of factors but I usually have

1323

00:56:05,599 --> 00:56:03,030

something to communicate to you and I

1324

00:56:05,990 --> 00:56:05,609

just don't get to do it so on the 1st of

1325

00:56:07,609 --> 00:56:06,000

the month

1326

00:56:09,500 --> 00:56:07,619

I plan to send out a little newsletter

1327

00:56:11,359 --> 00:56:09,510

with my thoughts about the 5 shows the

1328

00:56:13,400 --> 00:56:11,369

previous month and talk to you about

1329

00:56:15,740 --> 00:56:13,410

anything else that's on my mind or

1330

00:56:17,660 --> 00:56:15,750

that's going on and what's probably most

1331

00:56:19,520 --> 00:56:17,670

enticing is that I'm gonna give you some

1332

00:56:21,650 --> 00:56:19,530

insight into at least one guest I have

1333

00:56:23,630 --> 00:56:21,660

coming up in the month which people have

1334

00:56:24,620 --> 00:56:23,640

been begging for some posted schedule

1335

00:56:26,660 --> 00:56:24,630

for a long time

1336

00:56:28,220 --> 00:56:26,670

I personally think I'd like the surprise

1337

00:56:30,290 --> 00:56:28,230

but sign up for the higher side

1338

00:56:31,760 --> 00:56:30,300

newsletter it's free it comes out on the

1339

00:56:34,670 --> 00:56:31,770

1st of the month and I won't waste your

1340

00:56:36,590 --> 00:56:34,680

time with any other emails and that's it

1341

00:56:38,870 --> 00:56:36,600

I appreciate you listening I try to give

1342

00:56:40,580 --> 00:56:38,880

alternative ideas and guess a fair shake

1343

00:56:42,740 --> 00:56:40,590

on a high quality podcast

1344

00:56:44,810 --> 00:56:42,750

exposed some deep level conspiracies

1345

00:56:46,520 --> 00:56:44,820

without the yelling and I hope to offer

1346

00:56:48,680 --> 00:56:46,530

some inspiration that even though the

1347

00:56:50,990 --> 00:56:48,690

system relentlessly suggests you should

1348

00:56:52,820 --> 00:56:51,000

follow their blueprint to mediocrity you

1349

00:56:55,130 --> 00:56:52,830

can do your own thing and live a much

1350

00:56:56,990 --> 00:56:55,140

happier life despite all the negativity
