

A black and white photograph of Peter Robbins, a man with glasses and a mustache, wearing a suit and tie. He is standing in a field, looking towards the camera. To his right is a large, dark, cylindrical object with many wires extending from it, resembling a radio antenna or a piece of scientific equipment. The background is a cloudy sky with a bright light source, possibly the sun or moon, creating a silhouette effect on the man and the device.

PETER ROBBINS

WILHELM REICH, ORGONE ENERGY, & UFOS

PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EXTENDED SHOW AT THEHIGHERSIDECHATSPLUS.COM

1
00:00:18,460 --> 00:00:07,460
the planets up the masters almost surely

2
00:00:22,220 --> 00:00:18,470
have a plan already tested every you

3
00:00:28,340 --> 00:00:22,230
think you know the less you do that's

4
00:00:28,350 --> 00:00:35,150
because we know

5
00:00:35,160 --> 00:00:42,880
without you

6
00:00:47,630 --> 00:00:45,650
all right higher side chatters we've all

7
00:00:49,340 --> 00:00:47,640
heard the stories of Nikola Tesla and

8
00:00:51,260 --> 00:00:49,350
his exotic advancements in areas of

9
00:00:53,510 --> 00:00:51,270
science and energy that the gatekeepers

10
00:00:54,830 --> 00:00:53,520
wish to keep quarantined as well as the

11
00:00:56,420 --> 00:00:54,840
massive amount of character

12
00:00:58,130 --> 00:00:56,430
assassination and historical

13
00:01:00,890 --> 00:00:58,140

marginalization that plagued him as a

14

00:01:02,540 --> 00:01:00,900

result and sad as Tesla story might be

15

00:01:04,670 --> 00:01:02,550

you'll find that he's really just the

16

00:01:06,740 --> 00:01:04,680

most well-known example in a series of

17

00:01:08,780 --> 00:01:06,750

brilliant minds whose work wandered in

18

00:01:11,060 --> 00:01:08,790

areas too problematic for those powerful

19

00:01:12,830 --> 00:01:11,070

puppet masters and they end up regulated

20

00:01:14,810 --> 00:01:12,840

to the fringes of alternative history

21

00:01:16,940 --> 00:01:14,820

well today we're going to dig into just

22

00:01:19,010 --> 00:01:16,950

such a situation with a deep look into

23

00:01:21,050 --> 00:01:19,020

the life and work of dr. wilhelm reich

24

00:01:22,940 --> 00:01:21,060

just like Tesla the study of this

25

00:01:25,370 --> 00:01:22,950

discarded greatness opens up many

26

00:01:27,529 --> 00:01:25,380

strange doors it's a story that involves

27

00:01:29,719 --> 00:01:27,539

unknown energies weather modification

28

00:01:31,910 --> 00:01:29,729

alchemy UFO is your standard-issue

29

00:01:34,550 --> 00:01:31,920

establishment attacks and of course an

30

00:01:36,560 --> 00:01:34,560

unfortunate and untimely death and with

31

00:01:39,050 --> 00:01:36,570

us to pave the way is peter robbins an

32

00:01:41,270 --> 00:01:39,060

amazing UFO and abduction researcher

33

00:01:43,040 --> 00:01:41,280

with 30-plus years of experience who was

34

00:01:44,930 --> 00:01:43,050

also introduced to Reich's work as a

35

00:01:46,880 --> 00:01:44,940

teenager and has been studying writing

36

00:01:48,770 --> 00:01:46,890

and speaking about both subjects ever

37

00:01:50,330 --> 00:01:48,780

since he's authored and co-authored

38

00:01:52,820 --> 00:01:50,340

several books that are available

39

00:01:55,040 --> 00:01:52,830

including halt in Woodbridge an Air

40

00:01:57,859 --> 00:01:55,050

Force Colonels 30-year fight to silence

41

00:02:00,260 --> 00:01:57,869

and authentic UFO whistleblower as well

42

00:02:02,210 --> 00:02:00,270

as left at Eastgate a first-hand account

43

00:02:04,249 --> 00:02:02,220

of the Brent waters Woodbridge UFO

44

00:02:06,290 --> 00:02:04,259

incident its cover-up an investigation

45

00:02:07,910 --> 00:02:06,300

and I couldn't be more pumped people

46

00:02:11,240 --> 00:02:07,920

Peter my man welcome to the higher side

47

00:02:12,860 --> 00:02:11,250

thank you it's good to be on absolutely

48

00:02:14,780 --> 00:02:12,870

man this is exciting thanks for being

49

00:02:17,000 --> 00:02:14,790

here Reich has come up in several other

50

00:02:19,970 --> 00:02:17,010

shows with other guests I've done fairly

51
00:02:21,860 --> 00:02:19,980
recently so I went looking for a Reich

52
00:02:24,650 --> 00:02:21,870
expert and it didn't take long for me to

53
00:02:26,390 --> 00:02:24,660
find you it does seem like the man was

54
00:02:27,979 --> 00:02:26,400
doing some amazing stuff and maybe we

55
00:02:29,750 --> 00:02:27,989
can start with an introduction to the

56
00:02:32,150 --> 00:02:29,760
life of Wright for people who might not

57
00:02:34,280 --> 00:02:32,160
know much of anything can you give us a

58
00:02:37,400 --> 00:02:34,290
little background on him I'd be glad to

59
00:02:40,220 --> 00:02:37,410
in your brief introduction you mentioned

60
00:02:43,850 --> 00:02:40,230
alchemy as some aspect of touching into

61
00:02:45,589 --> 00:02:43,860
his work or discoveries and I would say

62
00:02:48,050 --> 00:02:45,599
that's not the case everything else

63
00:02:51,860 --> 00:02:48,060

here's spot on about though let me begin

64

00:02:54,410 --> 00:02:51,870

by introducing how I got involved in the

65

00:02:55,910 --> 00:02:54,420

work before giving you an idea of the

66

00:02:59,030 --> 00:02:55,920

work itself

67

00:03:02,120 --> 00:02:59,040

to locate myself as your guest on the

68

00:03:04,120 --> 00:03:02,130

subject as you said I was introduced to

69

00:03:07,699 --> 00:03:04,130

his work while I was still a teenager by

70

00:03:10,100 --> 00:03:07,709

university roommate and I knew in

71

00:03:11,960 --> 00:03:10,110

attempting to read that first book which

72

00:03:15,500 --> 00:03:11,970

I got about halfway through the first

73

00:03:18,590 --> 00:03:15,510

time called character analysis that I

74

00:03:21,229 --> 00:03:18,600

was reading the work of somebody who was

75

00:03:23,660 --> 00:03:21,239

unlike anybody who I had ever read

76

00:03:26,330 --> 00:03:23,670

before that now is a very inquisitive

77

00:03:28,490 --> 00:03:26,340

kid I grew up in a reading family I

78

00:03:32,750 --> 00:03:28,500

loved the world of books and knowledge

79

00:03:35,120 --> 00:03:32,760

and coming of age in the sixties this

80

00:03:37,910 --> 00:03:35,130

really appealed to me but it wasn't for

81

00:03:40,370 --> 00:03:37,920

another ten years that I really got

82

00:03:41,949 --> 00:03:40,380

involved in the work ten years of

83

00:03:46,250 --> 00:03:41,959

reading made it come alive

84

00:03:49,600 --> 00:03:46,260

intellectually but at a certain point I

85

00:03:52,520 --> 00:03:49,610

learned that dr. Reich's first assistant

86

00:03:56,720 --> 00:03:52,530

for the last 11 years of his life and he

87

00:03:59,150 --> 00:03:56,730

passed in 1957 was alive and well

88

00:04:03,650 --> 00:03:59,160

certainly in his 70s at the time but

89

00:04:06,650 --> 00:04:03,660

still practicing as a medical organist

90

00:04:10,430 --> 00:04:06,660

and two terms the science that Reich

91

00:04:13,280 --> 00:04:10,440

established he called or gaana me it's a

92

00:04:17,750 --> 00:04:13,290

word that simply is a hybrid word

93

00:04:20,360 --> 00:04:17,760

between organism orgasm the operating

94

00:04:23,420 --> 00:04:20,370

functioning principle of which is how

95

00:04:26,930 --> 00:04:23,430

energy functions in the living and

96

00:04:29,360 --> 00:04:26,940

non-living realm so that organa me as a

97

00:04:32,570 --> 00:04:29,370

science because it's about how energy

98

00:04:35,540 --> 00:04:32,580

functions cuts across literally every

99

00:04:38,750 --> 00:04:35,550

other area of science even ones that

100

00:04:41,900 --> 00:04:38,760

seem somewhat disconnected and including

101
00:04:46,360 --> 00:04:41,910
social thinking everything from cancer

102
00:04:49,300 --> 00:04:46,370
formation to how star systems form to

103
00:04:52,940 --> 00:04:49,310
raising a healthy child to

104
00:04:55,400 --> 00:04:52,950
socio-political movements to human

105
00:04:59,930 --> 00:04:55,410
functioning it sweeps across the

106
00:05:03,909 --> 00:04:59,940
subjects and I studied Organa missed was

107
00:05:07,370 --> 00:05:03,919
the term that he coined for the

108
00:05:09,370 --> 00:05:07,380
therapists that do the work now I should

109
00:05:12,790 --> 00:05:09,380
say here that anybody in the world

110
00:05:14,560 --> 00:05:12,800
with any kind of degree or not in mental

111
00:05:18,010 --> 00:05:14,570
health or otherwise can simply declare

112
00:05:21,400 --> 00:05:18,020
themselves a reichian therapist by just

113
00:05:24,100 --> 00:05:21,410

doing it a medical organist is a

114

00:05:26,650 --> 00:05:24,110

physician who has become a psychiatrist

115

00:05:30,280 --> 00:05:26,660

who then goes through X number of years

116

00:05:32,770 --> 00:05:30,290

of being trained in the method that

117

00:05:36,070 --> 00:05:32,780

Wright developed to work with people and

118

00:05:39,160 --> 00:05:36,080

help release the constrictions on them

119

00:05:42,450 --> 00:05:39,170

physiological as well as mental they are

120

00:05:46,120 --> 00:05:42,460

folks who are extremely well trained and

121

00:05:48,370 --> 00:05:46,130

again realizing that dr. Baker dr.

122

00:05:50,290 --> 00:05:48,380

Ellsworth F Baker was alive and well at

123

00:05:53,560 --> 00:05:50,300

that time I set out to meet him and

124

00:05:56,470 --> 00:05:53,570

ended up going into that therapy for

125

00:05:59,410 --> 00:05:56,480

almost seven years at the time I was

126
00:06:02,050 --> 00:05:59,420
very fortunate there were courses on the

127
00:06:03,850 --> 00:06:02,060
social and scientific aspects of Reich's

128
00:06:06,340 --> 00:06:03,860
work that were taught at New York

129
00:06:08,590 --> 00:06:06,350
University where I studied and then

130
00:06:12,990 --> 00:06:08,600
joined a seminar on the subject I was

131
00:06:14,950 --> 00:06:13,000
also a volunteer fundraiser in the

132
00:06:17,320 --> 00:06:14,960
organization that actually became a

133
00:06:19,030 --> 00:06:17,330
brick-and-mortar group in this country

134
00:06:22,720 --> 00:06:19,040
the american college of autonomy in

135
00:06:26,650 --> 00:06:22,730
Princeton New Jersey and my involvement

136
00:06:29,830 --> 00:06:26,660
in UFO studies connected me with the

137
00:06:32,500 --> 00:06:29,840
most troubling for people within or

138
00:06:35,200 --> 00:06:32,510

gaana me and difficult to deal with

139

00:06:37,090 --> 00:06:35,210

aspect of Reich's work namely toward the

140

00:06:40,480 --> 00:06:37,100

end of his career in developing weather

141

00:06:42,790 --> 00:06:40,490

modification a device that very solidly

142

00:06:44,830 --> 00:06:42,800

did modify the weather and for the

143

00:06:47,830 --> 00:06:44,840

better properly use and we'll get into

144

00:06:51,910 --> 00:06:47,840

that more later Gregg that it attracted

145

00:06:54,070 --> 00:06:51,920

UFO activity and Reich had the courage

146

00:06:56,320 --> 00:06:54,080

and I guess to a degree the naivete to

147

00:06:58,630 --> 00:06:56,330

publish around that even though backed

148

00:07:02,680 --> 00:06:58,640

up by the observations of local people

149

00:07:05,710 --> 00:07:02,690

and colleagues and scientifically noted

150

00:07:09,010 --> 00:07:05,720

during all the observations it was still

151

00:07:12,220 --> 00:07:09,020

used very effectively to help identify

152

00:07:14,290 --> 00:07:12,230

him in the popular imagination as a

153

00:07:18,430 --> 00:07:14,300

quack he thought he could modify the

154

00:07:20,590 --> 00:07:18,440

weather he you know saw UFOs etc I've

155

00:07:22,600 --> 00:07:20,600

also had the privilege and pleasure of

156

00:07:23,480 --> 00:07:22,610

speaking at Wright conferences around

157

00:07:27,140 --> 00:07:23,490

the war

158

00:07:30,470 --> 00:07:27,150

most recently this past summer in Athens

159

00:07:33,310 --> 00:07:30,480

Greece so where do we stand here or

160

00:07:36,130 --> 00:07:33,320

Ghana me itself offers groundbreaking

161

00:07:40,520 --> 00:07:36,140

applications in fields as diverse as

162

00:07:42,740 --> 00:07:40,530

biology psychology meteorology sociology

163

00:07:47,960 --> 00:07:42,750

cancer research human sexuality

164

00:07:50,930 --> 00:07:47,970

political science UFO studies but some

165

00:07:53,000 --> 00:07:50,940

of its key findings challenge accepted

166

00:07:56,660 --> 00:07:53,010

physical laws and this was something

167

00:07:58,760 --> 00:07:56,670

that caused a brief connection with

168

00:08:01,550 --> 00:07:58,770

Albert Einstein and then a split with

169

00:08:04,430 --> 00:08:01,560

him in 1940 it also challenges some of

170

00:08:07,070 --> 00:08:04,440

society's most significant social and

171

00:08:10,400 --> 00:08:07,080

moral underpinnings and for many this is

172

00:08:15,470 --> 00:08:10,410

unforgivable hence the biases that we

173

00:08:21,140 --> 00:08:15,480

see in his work so as far as a sketch of

174

00:08:23,300 --> 00:08:21,150

his life Reich was born in 1897 and

175

00:08:27,440 --> 00:08:23,310

what's now the austro-hungarian Empire

176

00:08:30,860 --> 00:08:27,450

and as in all people great and modest

177

00:08:34,459 --> 00:08:30,870

early childhood experiences add up his

178

00:08:37,310 --> 00:08:34,469

father was a very stern bureaucrat his

179

00:08:39,020 --> 00:08:37,320

mother very sensitive and artistic piano

180

00:08:41,060 --> 00:08:39,030

teacher Willy

181

00:08:44,020 --> 00:08:41,070

as he was called as a child and his

182

00:08:47,180 --> 00:08:44,030

brother Robert grew up on a rural state

183

00:08:49,730 --> 00:08:47,190

observing nature at every turn including

184

00:08:52,550 --> 00:08:49,740

you know animals having sex this was

185

00:08:55,430 --> 00:08:52,560

just part of his basic life and not

186

00:08:58,280 --> 00:08:55,440

something special he was half Christian

187

00:09:01,340 --> 00:08:58,290

half Jewish by birth but never practiced

188

00:09:04,310 --> 00:09:01,350

either religion and grew to observe that

189

00:09:07,130 --> 00:09:04,320

in his mind all organized religions tend

190

00:09:08,720 --> 00:09:07,140

to be more of a source of ignorant and

191

00:09:11,480 --> 00:09:08,730

suffering than enlightenment or

192

00:09:13,250 --> 00:09:11,490

happiness here's to that yeah yeah

193

00:09:16,640 --> 00:09:13,260

exactly

194

00:09:21,170 --> 00:09:16,650

I guess one could say that the critical

195

00:09:24,590 --> 00:09:21,180

moment in his adolescence was as a

196

00:09:28,550 --> 00:09:24,600

teenager coming upon his mother and her

197

00:09:30,829 --> 00:09:28,560

lover and being so upset and so confused

198

00:09:32,570 --> 00:09:30,839

and so troubled about it that he brought

199

00:09:36,020 --> 00:09:32,580

the subject to the attention of his

200

00:09:37,129 --> 00:09:36,030

father who came down like ten tons on

201

00:09:40,429 --> 00:09:37,139

his mother who committed

202

00:09:42,019 --> 00:09:40,439

suicide his father guilt-ridden stood

203

00:09:46,009 --> 00:09:42,029

out in a storm until he got pneumonia

204

00:09:49,220 --> 00:09:46,019

and passed away this is how he came

205

00:09:52,069 --> 00:09:49,230

through his teenage years I think as a

206

00:09:55,569 --> 00:09:52,079

psychotherapist one of the things that

207

00:09:59,329 --> 00:09:55,579

it gave him was a tremendous depth of

208

00:10:03,139 --> 00:09:59,339

compassion and understanding about the

209

00:10:06,729 --> 00:10:03,149

human condition and how difficult things

210

00:10:09,799 --> 00:10:06,739

could be in just growing up intact

211

00:10:11,929 --> 00:10:09,809

19:14 the first world war begins he

212

00:10:15,889 --> 00:10:11,939

enlists in the austro-hungarian military

213

00:10:18,079 --> 00:10:15,899

and for the next four years fights in

214

00:10:23,539 --> 00:10:18,089

World War one he is an artillery officer

215

00:10:26,059 --> 00:10:23,549

and by 1918 and the end of the war old

216

00:10:28,789 --> 00:10:26,069

Europe has been blown into oblivion

217

00:10:30,949 --> 00:10:28,799

there is no more state to go back to

218

00:10:33,470 --> 00:10:30,959

there is no money there is nothing

219

00:10:36,019 --> 00:10:33,480

his brother is still alive but for him

220

00:10:38,960 --> 00:10:36,029

that's an extremely bright young man

221

00:10:41,509 --> 00:10:38,970

with an eye toward the sciences he

222

00:10:43,879 --> 00:10:41,519

enrolls in medical school in Vienna

223

00:10:48,379 --> 00:10:43,889

where he supports himself as a tutor for

224

00:10:50,090 --> 00:10:48,389

other medical students now can any of us

225

00:10:53,379 --> 00:10:50,100

imagine what it must have been like to

226

00:10:56,479 --> 00:10:53,389

be in Vienna in medical school in

227

00:11:01,970 --> 00:10:56,489

1920-21 whenever and hearing more and

228

00:11:04,939 --> 00:11:01,980

more about this brilliant pioneering man

229

00:11:07,759 --> 00:11:04,949

of science and the human condition named

230

00:11:10,009 --> 00:11:07,769

Sigmund Freud and Reich was certainly

231

00:11:12,850 --> 00:11:10,019

drawn to Freud's work and after

232

00:11:15,350 --> 00:11:12,860

graduating from medical school he

233

00:11:18,439 --> 00:11:15,360

presented himself to Freud so to say

234

00:11:21,169 --> 00:11:18,449

became a pupil of his then went on to

235

00:11:23,869 --> 00:11:21,179

become one of his inner circle and in

236

00:11:27,710 --> 00:11:23,879

fact worked as Freud's primary first

237

00:11:30,919 --> 00:11:27,720

assistant for the next six years the two

238

00:11:34,549 --> 00:11:30,929

of them parted ways in about not in 1929

239

00:11:37,419 --> 00:11:34,559

when Reich after much clinical work and

240

00:11:39,619 --> 00:11:37,429

observation in the Freudian

241

00:11:42,259 --> 00:11:39,629

psychoanalytic tradition that was being

242

00:11:44,840 --> 00:11:42,269

developed at that time presented case

243

00:11:47,720 --> 00:11:44,850

findings to Freud supporting his view

244

00:11:50,870 --> 00:11:47,730

that literally all human neuroses at

245

00:11:54,680 --> 00:11:50,880

their deepest levels were rooted in

246

00:11:58,940 --> 00:11:54,690

some kind of sexual dysfunction malaise

247

00:11:59,720 --> 00:11:58,950

pathology absence thereof however you

248

00:12:02,600 --> 00:11:59,730

want to see it

249

00:12:07,280 --> 00:12:02,610

Freud of course had become famous for

250

00:12:10,850 --> 00:12:07,290

his theory that some if not many if not

251

00:12:14,900 --> 00:12:10,860

most human neuroses had their roots in a

252

00:12:19,040 --> 00:12:14,910

sexual basis but all of them I think for

253

00:12:20,750 --> 00:12:19,050

Freud himself who did and I don't mean

254

00:12:23,210 --> 00:12:20,760

to play games with language now but at

255

00:12:25,910 --> 00:12:23,220

that point was emerging from his

256

00:12:29,210 --> 00:12:25,920

pioneering brilliant young idealistic

257

00:12:33,230 --> 00:12:29,220

self to become the great Sigmund Freud

258

00:12:36,200 --> 00:12:33,240

and an institution so to say also in

259

00:12:38,930 --> 00:12:36,210

Victorian somewhat prim Vienna at that

260

00:12:41,990 --> 00:12:38,940

point in the early 20s this was too much

261

00:12:45,410 --> 00:12:42,000

of a stretch and they went their ways

262

00:12:48,350 --> 00:12:45,420

Reich was not able to persuade Freud of

263

00:12:50,240 --> 00:12:48,360

his point of view at least to the point

264

00:12:52,970 --> 00:12:50,250

that Freud could public Sept it although

265

00:12:54,740 --> 00:12:52,980

who knows what he felt privately rikes

266

00:12:56,990 --> 00:12:54,750

departure from the Freudian ranks

267

00:12:59,060 --> 00:12:57,000

created kind of a backlash of resentment

268

00:13:00,740 --> 00:12:59,070

among many of his colleagues many of

269

00:13:03,230 --> 00:13:00,750

them who went on to become the

270

00:13:06,770 --> 00:13:03,240

best-known of that first wave of

271

00:13:09,980 --> 00:13:06,780

Freudians and it was here that the myth

272

00:13:11,840 --> 00:13:09,990

of Reich's mental instability began and

273

00:13:14,360 --> 00:13:11,850

it was something that would follow him

274

00:13:16,430 --> 00:13:14,370

for the rest of the life but why did the

275

00:13:18,740 --> 00:13:16,440

Freudians in the circle who closed

276

00:13:22,040 --> 00:13:18,750

around Freud after Reich's departure

277

00:13:23,510 --> 00:13:22,050

feel that he was mentally ill well

278

00:13:25,640 --> 00:13:23,520

because he had left Freud in the

279

00:13:28,550 --> 00:13:25,650

Freudian circle surely that in itself

280

00:13:29,090 --> 00:13:28,560

was an indication of it I mean give me a

281

00:13:33,230 --> 00:13:29,100

break

282

00:13:35,480 --> 00:13:33,240

but at this point the so-called great

283

00:13:38,390 --> 00:13:35,490

social experiment going on in the Soviet

284

00:13:41,120 --> 00:13:38,400

Union yes it was totalitarian government

285

00:13:44,810 --> 00:13:41,130

yes it was the origins of modern

286

00:13:48,890 --> 00:13:44,820

communism but many people still held out

287

00:13:52,280 --> 00:13:48,900

hope that the revolution might evolve to

288

00:13:55,400 --> 00:13:52,290

become something of a genuine you know

289

00:13:57,650 --> 00:13:55,410

workers state with justice for all and

290

00:13:59,030 --> 00:13:57,660

all of that of course and nothing could

291

00:14:01,670 --> 00:13:59,040

have been further from the truth

292

00:14:04,310 --> 00:14:01,680

however it was right in that window of

293

00:14:08,720 --> 00:14:04,320

time that Reich this

294

00:14:13,100 --> 00:14:08,730

well the Communists are willing to allow

295

00:14:16,640 --> 00:14:13,110

me to do my work in a sponsored setting

296

00:14:20,840 --> 00:14:16,650

and so he joined the Austrian Communist

297

00:14:22,730 --> 00:14:20,850

Party in 1927 intending on marrying the

298

00:14:25,070 --> 00:14:22,740

revolutionary mission of their already

299

00:14:27,290 --> 00:14:25,080

existing mental health clinics which

300

00:14:30,080 --> 00:14:27,300

they had around the country to helping

301
00:14:33,610 --> 00:14:30,090
to restore healthy sexually functioning

302
00:14:37,850 --> 00:14:33,620
in couples in workers who were primarily

303
00:14:41,030 --> 00:14:37,860
uneducated factory people so these

304
00:14:42,980 --> 00:14:41,040
clinics were called sex pol simple

305
00:14:46,120 --> 00:14:42,990
hybrid word between sex and politics

306
00:14:49,280 --> 00:14:46,130
clinics and they were extended from

307
00:14:54,260 --> 00:14:49,290
Austria into Germany and into the Soviet

308
00:14:56,150 --> 00:14:54,270
Union and Reich began to work with the

309
00:14:58,730 --> 00:14:56,160
therapist that he trained in and

310
00:15:00,740 --> 00:14:58,740
directly working with workers in helping

311
00:15:03,800 --> 00:15:00,750
them restore what he termed a meaningful

312
00:15:06,800 --> 00:15:03,810
sexual equilibrium well horror of

313
00:15:10,730 --> 00:15:06,810

Horrors for the Communists as couples

314

00:15:14,320 --> 00:15:10,740

would actually begin to become what I

315

00:15:17,620 --> 00:15:14,330

would term emotionally healthier and

316

00:15:19,910 --> 00:15:17,630

build more and more of their lives on

317

00:15:22,520 --> 00:15:19,920

this wonderful thing at the center of

318

00:15:26,590 --> 00:15:22,530

their relationship a loving sexual

319

00:15:31,010 --> 00:15:26,600

reality their first concern shifted from

320

00:15:34,430 --> 00:15:31,020

production quotas and the revolutionary

321

00:15:36,920 --> 00:15:34,440

principles of the party and fulfilling

322

00:15:40,460 --> 00:15:36,930

their jobs as cogs in the great machine

323

00:15:43,000 --> 00:15:40,470

of scientific socialism to each other

324

00:15:47,030 --> 00:15:43,010

and to raising healthy happy children

325

00:15:51,650 --> 00:15:47,040

this caused the Communists to boot Reich

326

00:15:54,560 --> 00:15:51,660

out of the party and to extend the myth

327

00:15:57,590 --> 00:15:54,570

of his insanity because how could he

328

00:16:00,620 --> 00:15:57,600

possibly be a decent socialist human

329

00:16:03,740 --> 00:16:00,630

being and put individuals before the

330

00:16:06,830 --> 00:16:03,750

needs of society from that point on

331

00:16:08,180 --> 00:16:06,840

Reich became an avowed anti-communist

332

00:16:12,920 --> 00:16:08,190

and was expelled from the party

333

00:16:14,990 --> 00:16:12,930

officially in 1934 so where does this

334

00:16:17,780 --> 00:16:15,000

leave him now I'm bringing up a quote

335

00:16:20,660 --> 00:16:17,790

here to give our listeners

336

00:16:23,840 --> 00:16:20,670

sense of where this extraordinary man

337

00:16:25,940 --> 00:16:23,850

stood at this point in his life and this

338

00:16:29,210 --> 00:16:25,950

is the quote this is what I am fighting

339

00:16:31,940 --> 00:16:29,220

for the prevention of emotional human

340

00:16:34,670 --> 00:16:31,950

misery by the establishment of a normal

341

00:16:37,400 --> 00:16:34,680

and natural that is organic ly

342

00:16:39,980 --> 00:16:37,410

satisfying human life in the masses of

343

00:16:42,620 --> 00:16:39,990

people now I don't have to tell you

344

00:16:44,900 --> 00:16:42,630

Gregg that to any group or individuals

345

00:16:48,500 --> 00:16:44,910

intent on controlling the lives of

346

00:16:50,930 --> 00:16:48,510

others in any number of ways these are

347

00:16:53,510 --> 00:16:50,940

the words of a truly dangerous man right

348

00:16:56,690 --> 00:16:53,520

the party never forgave him for this and

349

00:16:59,180 --> 00:16:56,700

would go on to help to damage his

350

00:17:03,140 --> 00:16:59,190

reputation in a way almost to death

351

00:17:05,840 --> 00:17:03,150

later on in his life so driven from

352

00:17:09,890 --> 00:17:05,850

Austria then from Germany he emigrated

353

00:17:13,300 --> 00:17:09,900

to Norway and he did it just under the

354

00:17:16,160 --> 00:17:13,310

wire when I was deeply involved in

355

00:17:20,980 --> 00:17:16,170

studying his life history and had access

356

00:17:23,320 --> 00:17:20,990

in the 70s and primarily the 80s to a

357

00:17:26,980 --> 00:17:23,330

surprising number of people who knew him

358

00:17:29,930 --> 00:17:26,990

studied with Reich had been his patients

359

00:17:36,170 --> 00:17:29,940

students etc one of the stories that

360

00:17:37,580 --> 00:17:36,180

emerged was as he got through customs to

361

00:17:40,370 --> 00:17:37,590

emigrate to Norway

362

00:17:43,430 --> 00:17:40,380

it was literally within weeks of

363

00:17:47,570 --> 00:17:43,440

Hitler's having consolidated power in

364

00:17:50,720 --> 00:17:47,580

Germany and Stalin becoming more and

365

00:17:54,920 --> 00:17:50,730

more aware of how dangerous Reich was

366

00:17:59,360 --> 00:17:54,930

potentially to explaining the true

367

00:18:01,820 --> 00:17:59,370

dynamics of communism and both of these

368

00:18:06,380 --> 00:18:01,830

men knew who Reich was and wanted him

369

00:18:08,660 --> 00:18:06,390

dead and the story goes that as he was

370

00:18:12,620 --> 00:18:08,670

leaving Germany the customs official

371

00:18:14,660 --> 00:18:12,630

realized who he was and could at that

372

00:18:17,330 --> 00:18:14,670

point have had him arrested or detained

373

00:18:19,610 --> 00:18:17,340

ending up in a camp and a footnote to

374

00:18:21,140 --> 00:18:19,620

history and that customs official for

375

00:18:24,160 --> 00:18:21,150

whatever number of reasons turned the

376

00:18:28,010 --> 00:18:24,170

other way and dr. Reich got out in

377

00:18:29,680 --> 00:18:28,020

Norway aided by a core group of

378

00:18:32,259 --> 00:18:29,690

colleagues he devoted

379

00:18:35,799 --> 00:18:32,269

much of is at work and study - the

380

00:18:38,310 --> 00:18:35,809

dynamics of cancer formation let me jump

381

00:18:42,369 --> 00:18:38,320

out for a moment here and observe that

382

00:18:45,279 --> 00:18:42,379

for most people who have heard dr.

383

00:18:48,340 --> 00:18:45,289

reicks name they've heard it you know

384

00:18:51,519 --> 00:18:48,350

maybe on a radio show like yours or in a

385

00:18:54,669 --> 00:18:51,529

documentary or they've read something

386

00:18:57,669 --> 00:18:54,679

about him in an article or somebody's

387

00:19:01,060 --> 00:18:57,679

book or you know heard somebody give a

388

00:19:03,759 --> 00:19:01,070

lecture on him but the great number of

389

00:19:07,149 --> 00:19:03,769

people who know his name have never read

390

00:19:09,759 --> 00:19:07,159

a single word of any book that he ever

391

00:19:12,129 --> 00:19:09,769

wrote or any of the hundreds of articles

392

00:19:14,409 --> 00:19:12,139

or monographs he ever wrote he was an

393

00:19:17,919 --> 00:19:14,419

incredibly prolific writer and there at

394

00:19:20,950 --> 00:19:17,929

the time of his death in 1957 there were

395

00:19:23,769 --> 00:19:20,960

some tens of thousands of pages of

396

00:19:25,869 --> 00:19:23,779

unpublished material in his estate I

397

00:19:29,110 --> 00:19:25,879

don't know how many of his books have

398

00:19:31,899 --> 00:19:29,120

been published 20 or more certainly but

399

00:19:36,310 --> 00:19:31,909

it was at this time that his outstanding

400

00:19:39,970 --> 00:19:36,320

books the impulsive character character

401
00:19:43,090 --> 00:19:39,980
analysis people in trouble the mass

402
00:19:45,399 --> 00:19:43,100
psychology of fascism and the cancer by

403
00:19:49,539 --> 00:19:45,409
APPA 'they were all written during this

404
00:19:52,330 --> 00:19:49,549
period and considering the work he was

405
00:19:54,369 --> 00:19:52,340
doing in getting to some of the

406
00:19:56,470 --> 00:19:54,379
essentials of cancer formation this with

407
00:19:58,419 --> 00:19:56,480
the understanding of course that there

408
00:20:01,629 --> 00:19:58,429
are certain kinds of cancers that are

409
00:20:02,980 --> 00:20:01,639
environmental hereditary and caused by

410
00:20:06,840 --> 00:20:02,990
other factors but there are other

411
00:20:08,320 --> 00:20:06,850
cancers that are aided by or have

412
00:20:12,310 --> 00:20:08,330
emotionally-driven

413
00:20:15,159 --> 00:20:12,320

basis that the resignation of the human

414

00:20:18,009 --> 00:20:15,169

bioenergetics system the character

415

00:20:19,990 --> 00:20:18,019

logically breathing more shallowly for

416

00:20:22,360 --> 00:20:20,000

most of your life and making parts of

417

00:20:25,419 --> 00:20:22,370

your body more oxygen starved than

418

00:20:28,720 --> 00:20:25,429

others will create sites where cancer

419

00:20:31,600 --> 00:20:28,730

loves to attach itself and form in

420

00:20:34,749 --> 00:20:31,610

norway again people who heard about his

421

00:20:36,930 --> 00:20:34,759

work but did not educate themselves to

422

00:20:40,389 --> 00:20:36,940

it laypeople people of science alike

423

00:20:42,610 --> 00:20:40,399

began to wonder about this guy and a

424

00:20:45,280 --> 00:20:42,620

rather nasty

425

00:20:49,180 --> 00:20:45,290

Payne emerged in the press kind of a

426

00:20:51,790 --> 00:20:49,190

sign of signs to come of the terrible

427

00:20:54,430 --> 00:20:51,800

campaign against him in the American

428

00:20:59,080 --> 00:20:54,440

press and the late 40s and into the 50s

429

00:21:02,049 --> 00:20:59,090

but in 1939 dr. Reich was invited to

430

00:21:05,560 --> 00:21:02,059

join the Faculty of New York City's new

431

00:21:08,110 --> 00:21:05,570

School for Social Research and so in 40

432

00:21:12,820 --> 00:21:08,120

he emigrated to the United States where

433

00:21:15,220 --> 00:21:12,830

he settled in Forest Hills Queens a then

434

00:21:17,950 --> 00:21:15,230

very quiet district of the borough where

435

00:21:19,930 --> 00:21:17,960

I was born in New York City and it's

436

00:21:23,680 --> 00:21:19,940

here that he established a private

437

00:21:26,260 --> 00:21:23,690

practice he continued his writing he

438

00:21:28,200 --> 00:21:26,270

refined his character analytic therapy

439

00:21:30,910 --> 00:21:28,210

as he called it at the time and

440

00:21:33,900 --> 00:21:30,920

energetic functioning in people was now

441

00:21:37,510 --> 00:21:33,910

his primary interest and his key efforts

442

00:21:39,520 --> 00:21:37,520

directed toward I can best say

443

00:21:43,540 --> 00:21:39,530

dissolving the chronic muscular

444

00:21:46,720 --> 00:21:43,550

contractions in his patients and I think

445

00:21:48,610 --> 00:21:46,730

for anybody whether or not this kind of

446

00:21:52,120 --> 00:21:48,620

work is familiar for you or not

447

00:21:55,060 --> 00:21:52,130

visualize yourself growing up or

448

00:21:58,240 --> 00:21:55,070

somebody else and at a certain point

449

00:22:03,040 --> 00:21:58,250

they experienced a very rough period or

450

00:22:05,950 --> 00:22:03,050

a tragedy or a totally traumatic moment

451

00:22:08,740 --> 00:22:05,960

or time in their life we withdraw to our

452

00:22:12,970 --> 00:22:08,750

core in a way we we shut down we we're

453

00:22:17,169 --> 00:22:12,980

aspire less we become more defensive

454

00:22:20,380 --> 00:22:17,179

actually and physiologically and when

455

00:22:22,750 --> 00:22:20,390

these things happen and you become more

456

00:22:25,419 --> 00:22:22,760

resigned to a well who's ever really

457

00:22:28,210 --> 00:22:25,429

happy in life who really has an ecstatic

458

00:22:29,710 --> 00:22:28,220

sex life whose dreams ever really come

459

00:22:32,530 --> 00:22:29,720

true I guess it's just a matter of

460

00:22:34,450 --> 00:22:32,540

settling and you know who's ever really

461

00:22:37,210 --> 00:22:34,460

happy and what does the word mean anyway

462

00:22:38,710 --> 00:22:37,220

and I think I need more starchy and

463

00:22:40,540 --> 00:22:38,720

sugary foods and to watch more

464

00:22:44,830 --> 00:22:40,550

television and just get real with the

465

00:22:48,040 --> 00:22:44,840

world that we do create physical armor

466

00:22:51,040 --> 00:22:48,050

in our musculature that it sort of

467

00:22:55,090 --> 00:22:51,050

reestablished itself it sets in it holds

468

00:22:56,549 --> 00:22:55,100

us in place in the kind of therapy that

469

00:22:59,220 --> 00:22:56,559

Reich

470

00:23:02,909 --> 00:22:59,230

designed which is I think absolutely

471

00:23:04,850 --> 00:23:02,919

brilliant and not to be confused with

472

00:23:08,489 --> 00:23:04,860

many of the so-called reichian

473

00:23:11,940 --> 00:23:08,499

techniques but medical or gone through P

474

00:23:14,789 --> 00:23:11,950

per se is about attacking and breaking

475

00:23:17,759 --> 00:23:14,799

down this musculature Armour and

476

00:23:20,940 --> 00:23:17,769

allowing people to respire at a deeper

477

00:23:23,430 --> 00:23:20,950

level to become enraged if you know

478

00:23:25,350 --> 00:23:23,440

they've kind of lost the ability to be

479

00:23:28,619 --> 00:23:25,360

angry and it's very important for a

480

00:23:30,239 --> 00:23:28,629

healthy person to be angry anyway these

481

00:23:33,060 --> 00:23:30,249

were the main things that he was

482

00:23:37,830 --> 00:23:33,070

involved in at this point in his work

483

00:23:41,909 --> 00:23:37,840

and then in his laboratory work in

484

00:23:44,850 --> 00:23:41,919

looking for a possible way to measure or

485

00:23:49,289 --> 00:23:44,860

calibrate what he called orgone energy

486

00:23:52,889 --> 00:23:49,299

he developed a very simple device let me

487

00:23:54,530 --> 00:23:52,899

also say here that the term orgone

488

00:23:57,410 --> 00:23:54,540

energy

489

00:24:00,380 --> 00:23:57,420

is a generic term it's about the sea of

490

00:24:01,850 --> 00:24:00,390

energy in which we live that animates

491

00:24:05,050 --> 00:24:01,860

all living things

492

00:24:08,090 --> 00:24:05,060

the Hindus called it the prana the

493

00:24:10,850 --> 00:24:08,100

Victorians called it the ether but it's

494

00:24:13,490 --> 00:24:10,860

been given different names but it's not

495

00:24:15,830 --> 00:24:13,500

some weird thing that he came up with

496

00:24:19,430 --> 00:24:15,840

it's simply the way he identified it

497

00:24:23,110 --> 00:24:19,440

scientifically the apparatus that he

498

00:24:26,150 --> 00:24:23,120

created is called the orgone energy

499

00:24:28,340 --> 00:24:26,160

accumulator his other term for it was

500

00:24:32,510 --> 00:24:28,350

the ORAC and I forget what the acronym

501
00:24:37,130 --> 00:24:32,520
was but the orgone energy accumulator is

502
00:24:39,280 --> 00:24:37,140
often referred to as an organ box which

503
00:24:41,630 --> 00:24:39,290
to anybody involved in the work is

504
00:24:44,450 --> 00:24:41,640
somewhat demeaning and insulting and an

505
00:24:49,790 --> 00:24:44,460
improper term what the accumulator does

506
00:24:52,370 --> 00:24:49,800
is that by a very simple method so

507
00:24:54,970 --> 00:24:52,380
simple that official science has

508
00:24:58,040 --> 00:24:54,980
rejected it and never bothered to

509
00:25:02,240 --> 00:24:58,050
replicate rikes tests proving his point

510
00:25:06,200 --> 00:25:02,250
that it does focus and intensify energy

511
00:25:10,280 --> 00:25:06,210
it's simply layers of organic and

512
00:25:12,830 --> 00:25:10,290
inorganic material in a box like form it

513
00:25:16,430 --> 00:25:12,840

can be as big as a shoebox which you

514

00:25:21,320 --> 00:25:16,440

could use for seed germination or other

515

00:25:23,600 --> 00:25:21,330

experimental uses or as large as say a

516

00:25:27,290 --> 00:25:23,610

old-fashioned phone booth that you can

517

00:25:30,800 --> 00:25:27,300

sit in reich built and designed a room

518

00:25:33,920 --> 00:25:30,810

on his property in maine later in life

519

00:25:37,880 --> 00:25:33,930

to function as an accumulator and I know

520

00:25:40,400 --> 00:25:37,890

dr. James DeMaio who runs the organ by a

521

00:25:42,740 --> 00:25:40,410

physical research laboratory which

522

00:25:45,740 --> 00:25:42,750

anybody can google and learn more about

523

00:25:47,480 --> 00:25:45,750

and I should say it's up in the

524

00:25:50,090 --> 00:25:47,490

Northeast closer to you than a North

525

00:25:52,160 --> 00:25:50,100

West closer to you than me the organ

526

00:25:56,330 --> 00:25:52,170

biophysical research laboratory

527

00:25:59,560 --> 00:25:56,340

you can also google Oh be RL or the

528

00:26:03,140 --> 00:25:59,570

Green Springs laboratory just outside of

529

00:26:06,830 --> 00:26:03,150

beautiful Ashland Oregon dr. DiMaio

530

00:26:08,490 --> 00:26:06,840

has also built a room in which there are

531

00:26:10,410 --> 00:26:08,500

separate accumulators but the

532

00:26:15,710 --> 00:26:10,420

room itself is an accumulator so how do

533

00:26:25,250 --> 00:26:15,720

they work organic material holds energy

534

00:26:27,890 --> 00:26:25,260

whether it's wood or clay or cotton

535

00:26:32,220 --> 00:26:27,900

inorganic material reflects energy

536

00:26:35,700 --> 00:26:32,230

whether it's sheet metal or screening or

537

00:26:41,840 --> 00:26:35,710

steel wool so you could build an

538

00:26:46,020 --> 00:26:41,850

accumulator out of layers of plywood and

539

00:26:49,320 --> 00:26:46,030

steel wool or out of layers of Homa so

540

00:26:52,170 --> 00:26:49,330

that kind of heavy gauge board that you

541

00:26:57,960 --> 00:26:52,180

can buy at a lumberyard and cotton

542

00:27:00,600 --> 00:26:57,970

batting or out of pine panels and the

543

00:27:02,940 --> 00:27:00,610

sheet metal the strength of an

544

00:27:06,300 --> 00:27:02,950

accumulator is determined by the number

545

00:27:09,210 --> 00:27:06,310

of layers this summer when I was in

546

00:27:12,500 --> 00:27:09,220

Greece staying with a good friend after

547

00:27:15,840 --> 00:27:12,510

the conference I spoke at she had a

548

00:27:18,140 --> 00:27:15,850

accumulator that you could sit in that I

549

00:27:23,490 --> 00:27:18,150

believe was 12 layers of alternating

550

00:27:26,310 --> 00:27:23,500

metal and wood the metallic layer as I

551

00:27:28,740 --> 00:27:26,320

recall needs to be on the inside the

552

00:27:31,320 --> 00:27:28,750

organic layer yup on the outside and

553

00:27:33,240 --> 00:27:31,330

when you sit in one of these devices

554

00:27:37,770 --> 00:27:33,250

which I've been doing on and off since I

555

00:27:39,870 --> 00:27:37,780

was in my 20s and you relax depending on

556

00:27:41,730 --> 00:27:39,880

how light sensitive it is many of them

557

00:27:44,100 --> 00:27:41,740

have openings you know for air as you

558

00:27:47,190 --> 00:27:44,110

can see out of or maybe in a completely

559

00:27:49,560 --> 00:27:47,200

dark environment you begin to feel a

560

00:27:51,720 --> 00:27:49,570

slight tingling on your skin a slightly

561

00:27:54,750 --> 00:27:51,730

elevated sense of energy in your body

562

00:27:57,810 --> 00:27:54,760

and if it's in complete darkness you

563

00:28:01,860 --> 00:27:57,820

will ultimately see what right called

564

00:28:04,650 --> 00:28:01,870

spinning waves these tiny little endless

565

00:28:06,390 --> 00:28:04,660

particles of light that will just spin

566

00:28:09,960 --> 00:28:06,400

like a corkscrew for a second and then

567

00:28:12,330 --> 00:28:09,970

disappear we see similar things if we

568

00:28:15,540 --> 00:28:12,340

allow ourselves to kind of get past our

569

00:28:18,600 --> 00:28:15,550

grown-up conditioning and let's say lie

570

00:28:21,650 --> 00:28:18,610

on your back on the grass in a quiet

571

00:28:24,530 --> 00:28:21,660

area and look up at the sky

572

00:28:26,540 --> 00:28:24,540

as children we see these things

573

00:28:28,490 --> 00:28:26,550

automatically that the sky is filled

574

00:28:30,920 --> 00:28:28,500

with energy when you bring it to the

575

00:28:32,990 --> 00:28:30,930

attention of an adult they will explain

576

00:28:35,930 --> 00:28:33,000

to you that you are seeing things or

577

00:28:39,440 --> 00:28:35,940

that it's just some this or that but not

578

00:28:40,850 --> 00:28:39,450

actual real energy in the sky when it

579

00:28:43,510 --> 00:28:40,860

really is hmm

580

00:28:47,570 --> 00:28:43,520

again the size of the accumulators

581

00:28:50,540 --> 00:28:47,580

really determines their power but they

582

00:28:53,480 --> 00:28:50,550

do work and it is a real scientific

583

00:28:55,850 --> 00:28:53,490

principle however because they don't

584

00:28:58,220 --> 00:28:55,860

plug into anything because they don't

585

00:29:00,440 --> 00:28:58,230

have a motor attached to them because

586

00:29:02,960 --> 00:29:00,450

they don't run on some kind of chemical

587

00:29:06,500 --> 00:29:02,970

thing they have simply been dismissed

588

00:29:09,860 --> 00:29:06,510

outright as quackery by establishment

589

00:29:13,250 --> 00:29:09,870

science and as we see with the ridicule

590

00:29:15,350 --> 00:29:13,260

factor in UFO studies is a very similar

591

00:29:18,370 --> 00:29:15,360

one here and one could argue the same

592

00:29:21,140 --> 00:29:18,380

for some of the brilliant nikola tesla's

593

00:29:25,760 --> 00:29:21,150

discoveries and findings during his

594

00:29:28,490 --> 00:29:25,770

lifetime but for that kind of mind the

595

00:29:29,930 --> 00:29:28,500

mantra is it can't be therefore it isn't

596

00:29:32,480 --> 00:29:29,940

therefore it's something else

597

00:29:34,880 --> 00:29:32,490

and it's obvious that this guy was some

598

00:29:37,520 --> 00:29:34,890

kind of sex quack who believed in

599

00:29:40,490 --> 00:29:37,530

hocus-pocus alternate energy and flying

600

00:29:42,230 --> 00:29:40,500

saucers and in that sense is easy to

601
00:29:45,140 --> 00:29:42,240
dismiss I guess the point I'm trying to

602
00:29:49,790 --> 00:29:45,150
make here is for any of you folks

603
00:29:52,640 --> 00:29:49,800
listening to this radio show and you

604
00:29:54,740 --> 00:29:52,650
know greg has an amazing history as a

605
00:29:57,080 --> 00:29:54,750
broadcaster and bringing topics to the

606
00:29:59,660 --> 00:29:57,090
public attention which are certainly

607
00:30:01,760 --> 00:29:59,670
outsider topics for most of you I hope

608
00:30:03,860 --> 00:30:01,770
this will be at the least an interesting

609
00:30:05,870 --> 00:30:03,870
couple of hours of radio mm-hmm but

610
00:30:08,690 --> 00:30:05,880
there will be some of you who will say

611
00:30:10,340 --> 00:30:08,700
hmm I have heard about dr. Reich's work

612
00:30:11,750 --> 00:30:10,350
I've heard different things about him

613
00:30:14,570 --> 00:30:11,760

but you know what I am one of those

614

00:30:18,320 --> 00:30:14,580

people who has never actually read any

615

00:30:22,010 --> 00:30:18,330

of his books maybe I should read a book

616

00:30:24,800 --> 00:30:22,020

or two by him and see if this work is as

617

00:30:27,860 --> 00:30:24,810

engaging for me as it seems to be for

618

00:30:29,810 --> 00:30:27,870

Peter Robbins here and start to learn

619

00:30:32,720 --> 00:30:29,820

more about it and see if this is

620

00:30:35,539 --> 00:30:32,730

something that I could value and learn

621

00:30:37,820 --> 00:30:35,549

from and gain a fuller half

622

00:30:41,269 --> 00:30:37,830

your life from and that is something I

623

00:30:44,379 --> 00:30:41,279

encourage any one of your listeners to

624

00:30:47,419 --> 00:30:44,389

do more about the energy though because

625

00:30:50,570 --> 00:30:47,429

orgone energy as identified by Reich

626

00:30:52,909 --> 00:30:50,580

didn't follow or doesn't follow all the

627

00:30:56,239 --> 00:30:52,919

normal laws of you know like ac/dc

628

00:30:59,690 --> 00:30:56,249

current and more conventional energetic

629

00:31:02,210 --> 00:30:59,700

sources that were familiar with unlike

630

00:31:04,220 --> 00:31:02,220

conventional energy systems we are

631

00:31:07,369 --> 00:31:04,230

customed to thinking in terms of in

632

00:31:08,509 --> 00:31:07,379

which like electrical conventional

633

00:31:12,019 --> 00:31:08,519

electrical energy

634

00:31:14,090 --> 00:31:12,029

the energetic potential moves from the

635

00:31:17,090 --> 00:31:14,100

stronger system or the source to the

636

00:31:19,729 --> 00:31:17,100

weaker one organ energy flows from the

637

00:31:23,180 --> 00:31:19,739

weaker system to the stronger and that's

638

00:31:26,269 --> 00:31:23,190

very important to keep in mind again

639

00:31:29,180 --> 00:31:26,279

Reich is now it's the early 1940s he's

640

00:31:32,749 --> 00:31:29,190

living and working in this quiet borough

641

00:31:36,649 --> 00:31:32,759

of New York City and he is continuing

642

00:31:38,840 --> 00:31:36,659

his experiments which he hopes will in a

643

00:31:42,440 --> 00:31:38,850

scientific way in a laboratory setting

644

00:31:44,899 --> 00:31:42,450

allow him to isolate and confirm the

645

00:31:47,779 --> 00:31:44,909

reality of this kind of energy he's also

646

00:31:50,029 --> 00:31:47,789

aware of the controversy an announcement

647

00:31:53,450 --> 00:31:50,039

of such a discovery might create in

648

00:31:55,789 --> 00:31:53,460

conventional scientific circles so he

649

00:31:59,419 --> 00:31:55,799

continues to verify his findings without

650

00:32:03,009 --> 00:31:59,429

seeking or public acknowledgement or

651
00:32:06,259 --> 00:32:03,019
other official scientific verifications

652
00:32:09,310 --> 00:32:06,269
now one of the experiments he develops

653
00:32:11,899 --> 00:32:09,320
and it's one that as a layperson I

654
00:32:13,669 --> 00:32:11,909
replicated many years ago and that's

655
00:32:16,549 --> 00:32:13,679
another exciting thing about Reich

656
00:32:19,759 --> 00:32:16,559
scientific work that he makes certain

657
00:32:23,090 --> 00:32:19,769
claims and with rare exceptions anybody

658
00:32:26,349 --> 00:32:23,100
who studies the work and who has even

659
00:32:29,090 --> 00:32:26,359
the most basic sense of conducting an

660
00:32:32,029 --> 00:32:29,100
experiment which you don't need you know

661
00:32:34,909 --> 00:32:32,039
even a high school education to do you

662
00:32:38,690 --> 00:32:34,919
can verify for yourselves the results of

663
00:32:46,490 --> 00:32:42,860

this one which he named t o- t was

664

00:32:49,060 --> 00:32:46,500

calculated to measure the actual heat

665

00:32:51,890 --> 00:32:49,070

differential inside of an organ

666

00:32:55,100 --> 00:32:51,900

accumulator when compared with an

667

00:32:57,110 --> 00:32:55,110

identical size control box now for some

668

00:33:00,920 --> 00:32:57,120

people this is like ho-hum stuff for me

669

00:33:04,340 --> 00:33:00,930

it was terribly exciting to think wow if

670

00:33:07,910 --> 00:33:04,350

this is true then not only does it show

671

00:33:10,340 --> 00:33:07,920

in scientific terms what I experience

672

00:33:12,590 --> 00:33:10,350

when I sit in an accumulator and what

673

00:33:15,470 --> 00:33:12,600

other people have reported as well but

674

00:33:17,210 --> 00:33:15,480

it does it in a way that official

675

00:33:21,470 --> 00:33:17,220

science would really have to contend

676

00:33:23,630 --> 00:33:21,480

with and in fact he does create this

677

00:33:26,480 --> 00:33:23,640

experiment and replicates it

678

00:33:29,510 --> 00:33:26,490

successfully on a number of occasions as

679

00:33:32,750 --> 00:33:29,520

do colleagues of his following the exact

680

00:33:35,750 --> 00:33:32,760

same series of protocols again it would

681

00:33:38,120 --> 00:33:35,760

be about building a small orgone energy

682

00:33:39,920 --> 00:33:38,130

accumulator X number of layers of

683

00:33:42,680 --> 00:33:39,930

organic and inorganic material but

684

00:33:45,590 --> 00:33:42,690

nothing else going on with it and a

685

00:33:48,440 --> 00:33:45,600

control box the exact same size and

686

00:33:51,770 --> 00:33:48,450

dimension each with a thermometer

687

00:33:54,860 --> 00:33:51,780

inserted in a prescribed way to read on

688

00:33:57,380 --> 00:33:54,870

a daily basis so he fulfills these

689

00:34:00,410 --> 00:33:57,390

experiments and then we come to a rather

690

00:34:03,260 --> 00:34:00,420

remarkable moment in his life in history

691

00:34:05,480 --> 00:34:03,270

where in December of 1940 he sends a

692

00:34:08,540 --> 00:34:05,490

carefully worded letter about his work

693

00:34:11,150 --> 00:34:08,550

specifically focusing in on the teo- T

694

00:34:13,460 --> 00:34:11,160

experiment to dr. Albert Einstein

695

00:34:17,030 --> 00:34:13,470

arguably the best known scientist in the

696

00:34:20,450 --> 00:34:17,040

world at this time the actual letter

697

00:34:22,760 --> 00:34:20,460

Greg written in German says in part and

698

00:34:25,640 --> 00:34:22,770

I'm quoting here several years ago I

699

00:34:28,160 --> 00:34:25,650

discovered a specific biological energy

700

00:34:30,220 --> 00:34:28,170

which in many ways behaves differently

701
00:34:32,690 --> 00:34:30,230
from anything that is known about

702
00:34:35,360 --> 00:34:32,700
electromagnetic energy the matter is too

703
00:34:37,790 --> 00:34:35,370
complicated and sounds too improbable

704
00:34:40,700 --> 00:34:37,800
to be explained clearly in a brief

705
00:34:43,130 --> 00:34:40,710
letter I can only indicate that I have

706
00:34:46,310 --> 00:34:43,140
evidence that this energy which I have

707
00:34:49,160 --> 00:34:46,320
called organ exists not only in living

708
00:34:52,399 --> 00:34:49,170
organisms but also in the soil and in

709
00:34:55,819 --> 00:34:52,409
the atmosphere it is visible and can

710
00:34:57,950 --> 00:34:55,829
be concentrated and measured and he put

711
00:35:01,220 --> 00:34:57,960
that in italics that was his emphasis

712
00:35:04,180 --> 00:35:01,230
and I am using it with some success in

713
00:35:08,599 --> 00:35:04,190

research on cancer therapy and quote

714

00:35:11,390 --> 00:35:08,609

well hmm exactly six days later he

715

00:35:14,150 --> 00:35:11,400

received a response from dr. Einstein

716

00:35:17,240 --> 00:35:14,160

inviting him to demonstrate this claim

717

00:35:21,109 --> 00:35:17,250

in person in his laboratories in

718

00:35:24,170 --> 00:35:21,119

Princeton New Jersey now for those

719

00:35:26,210 --> 00:35:24,180

people who have read treatments of

720

00:35:28,190 --> 00:35:26,220

Reich's life and said oh god he thought

721

00:35:31,450 --> 00:35:28,200

you know the commies were out to get him

722

00:35:34,640 --> 00:35:31,460

and then the FDA was out to get him and

723

00:35:36,620 --> 00:35:34,650

then official science and he was

724

00:35:38,029 --> 00:35:36,630

paranoid and you know thought the

725

00:35:40,490 --> 00:35:38,039

government was watching him and things

726

00:35:43,940 --> 00:35:40,500

well all these things were actually true

727

00:35:45,829 --> 00:35:43,950

and it's important to note here that the

728

00:35:48,620 --> 00:35:45,839

meeting was arranged through Einstein's

729

00:35:52,660 --> 00:35:48,630

secretary assistant a woman named Helen

730

00:35:56,900 --> 00:35:52,670

Dukas and it was set for January 31st

731

00:36:00,319 --> 00:35:56,910

1941 now that afternoon Reich had driven

732

00:36:04,190 --> 00:36:00,329

from from Queens New York to Princeton

733

00:36:07,190 --> 00:36:04,200

and the two men met together for more

734

00:36:09,740 --> 00:36:07,200

than four hours during that time Reich

735

00:36:11,240 --> 00:36:09,750

actually demonstrated his findings with

736

00:36:15,559 --> 00:36:11,250

the laboratory equipment he had brought

737

00:36:19,640 --> 00:36:15,569

for Einstein and more they observed the

738

00:36:21,859 --> 00:36:19,650

glowing orgone energy together through a

739

00:36:24,349 --> 00:36:21,869

laboratory apparatus that Reich had

740

00:36:27,620 --> 00:36:24,359

designed for the purpose and it does

741

00:36:30,579 --> 00:36:27,630

glow in a laboratory setting this basic

742

00:36:34,609 --> 00:36:30,589

energy in a beautiful light blue the

743

00:36:37,130 --> 00:36:34,619

physicist hind stein that is acknowledge

744

00:36:39,859 --> 00:36:37,140

the glow that he was seeing but refused

745

00:36:42,589 --> 00:36:39,869

to rule out what he described as the

746

00:36:47,760 --> 00:36:42,599

subjective element toward the end of his

747

00:36:52,080 --> 00:36:47,770

meeting with Reich he noted that

748

00:36:53,550 --> 00:36:52,090

he said to Reich that if true and he was

749

00:36:56,000 --> 00:36:53,560

seeing it for himself it would be a

750

00:36:57,660 --> 00:36:56,010

great bomb the understanding there was

751
00:37:01,710 --> 00:36:57,670
to physics

752
00:37:03,870 --> 00:37:01,720
he asked because among other things what

753
00:37:06,200 --> 00:37:03,880
he was seeing violated a little

754
00:37:09,120 --> 00:37:06,210
something called the second law of

755
00:37:11,850 --> 00:37:09,130
thermodynamics which is that equal

756
00:37:15,510 --> 00:37:11,860
volumes tend to equalize in temperature

757
00:37:19,500 --> 00:37:15,520
and in fact they were not doing so in t

758
00:37:21,180 --> 00:37:19,510
o- t he asked write to loan him the

759
00:37:24,210 --> 00:37:21,190
equipment that he had brought so that he

760
00:37:26,340 --> 00:37:24,220
could continue to replicate these

761
00:37:28,350 --> 00:37:26,350
experiment mends for himself and i'm

762
00:37:30,450 --> 00:37:28,360
bringing up another quote here because

763
00:37:33,000 --> 00:37:30,460

although I'm well versed in this

764

00:37:35,600 --> 00:37:33,010

material and obviously you know can talk

765

00:37:38,750 --> 00:37:35,610

about it pretty much free willingly

766

00:37:42,660 --> 00:37:38,760

quotations are important and in

767

00:37:46,140 --> 00:37:42,670

anticipation of their meeting Reich had

768

00:37:48,780 --> 00:37:46,150

written in his notes quote organ

769

00:37:51,920 --> 00:37:48,790

constitutes the field that Reich is

770

00:37:54,390 --> 00:37:51,930

searching for electricity magnetism

771

00:37:58,440 --> 00:37:54,400

gravitation etcetera depends on its

772

00:38:01,140 --> 00:37:58,450

functions so again Reich loans him the

773

00:38:03,150 --> 00:38:01,150

equipment and Einstein spends the next

774

00:38:06,570 --> 00:38:03,160

week conducting and studying and

775

00:38:10,080 --> 00:38:06,580

replicating again and again t o- t and

776

00:38:12,330 --> 00:38:10,090
on February 7th I mean this is all

777

00:38:14,840 --> 00:38:12,340
moving very quickly he wrote to Reich

778

00:38:17,250 --> 00:38:14,850
that he had confirmed and reconfirmed

779

00:38:22,470 --> 00:38:17,260
Reich's findings the accumulator

780

00:38:26,460 --> 00:38:22,480
repeatedly registered an average of 0.3

781

00:38:30,570 --> 00:38:26,470
to 0.4 degrees centigrade higher in the

782

00:38:33,000 --> 00:38:30,580
control box amazing it was at this time

783

00:38:36,750 --> 00:38:33,010
however that one of I'm Stein's

784

00:38:39,240 --> 00:38:36,760
assistance offered a simple explanation

785

00:38:42,510 --> 00:38:39,250
for the temperature differential and in

786

00:38:46,170 --> 00:38:42,520
fact a much too simple explanation that

787

00:38:47,400 --> 00:38:46,180
it was caused by convection or that is

788

00:38:49,980 --> 00:38:47,410

the difference between the air

789

00:38:52,710 --> 00:38:49,990

temperatures under and above the table

790

00:38:56,310 --> 00:38:52,720

the accumulator and the control box had

791

00:38:59,550 --> 00:38:56,320

been set on Einstein closed his letter

792

00:39:01,560 --> 00:38:59,560

to Reich relative to this I hope this

793

00:39:04,020 --> 00:39:01,570

will awaken your sense of skepticism

794

00:39:06,090 --> 00:39:04,030

so that you will not allow yourself to

795

00:39:07,920 --> 00:39:06,100

be deceived by an illusion that can be

796

00:39:10,260 --> 00:39:07,930

easily explained please have someone

797

00:39:13,260 --> 00:39:10,270

pick up your instruments since they are

798

00:39:16,950 --> 00:39:13,270

of some value they are undamaged with

799

00:39:20,010 --> 00:39:16,960

friendly greetings a Einstein sadly this

800

00:39:22,340 --> 00:39:20,020

was the last actual communication that

801
00:39:26,580 --> 00:39:22,350
passed between the two of them although

802
00:39:29,370 --> 00:39:26,590
this discussion continued on for some

803
00:39:33,110 --> 00:39:29,380
years between in correspondence between

804
00:39:35,790 --> 00:39:33,120
their assistance and that volume is

805
00:39:38,880 --> 00:39:35,800
available from a very unique bookstore

806
00:39:41,820 --> 00:39:38,890
the one at the wilhelm reich museum

807
00:39:44,190 --> 00:39:41,830
which is in Rangeley main it is the

808
00:39:47,070 --> 00:39:44,200
location of his last residence his

809
00:39:49,320 --> 00:39:47,080
estate his laboratory his workshop his

810
00:39:53,040 --> 00:39:49,330
home and it's called the Einstein affair

811
00:39:55,230 --> 00:39:53,050
and his fascinating reading in German

812
00:39:57,630 --> 00:39:55,240
and English everything translated for

813
00:39:58,530 --> 00:39:57,640

anybody that's interested but how did

814

00:40:02,730 --> 00:39:58,540

Reich respond

815

00:40:05,060 --> 00:40:02,740

he wrote back of course that the strict

816

00:40:08,520 --> 00:40:05,070

protocols that he had established

817

00:40:10,530 --> 00:40:08,530

eliminated such false explanations even

818

00:40:13,260 --> 00:40:10,540

describing how he had repeatedly and

819

00:40:16,260 --> 00:40:13,270

successfully conducted the experiment

820

00:40:18,660 --> 00:40:16,270

with both boxes buried underground thus

821

00:40:21,450 --> 00:40:18,670

eliminating any possibility of so called

822

00:40:24,810 --> 00:40:21,460

convection unfortunately by this time

823

00:40:27,330 --> 00:40:24,820

Einstein seems to have lost all interest

824

00:40:30,030 --> 00:40:27,340

Reich thought it memorable that the

825

00:40:32,070 --> 00:40:30,040

physicists had been so willing to accept

826

00:40:35,190 --> 00:40:32,080

the first explanation that had come

827

00:40:37,800 --> 00:40:35,200

along and refused to reconnect the

828

00:40:42,600 --> 00:40:37,810

experiment under the properly controlled

829

00:40:46,560 --> 00:40:42,610

conditions now here is why I mentioned

830

00:40:50,220 --> 00:40:46,570

miss dukas's name Einstein's secretary

831

00:40:52,590 --> 00:40:50,230

at the time all of Einsteins mail was

832

00:40:54,990 --> 00:40:52,600

being screened by her and she might have

833

00:40:57,030 --> 00:40:55,000

had her own reasons for not wanting her

834

00:40:59,790 --> 00:40:57,040

employer to confirm Reich's findings

835

00:41:04,080 --> 00:40:59,800

when they entered the country the United

836

00:41:07,140 --> 00:41:04,090

States in 1933 both miss Dukas and dr.

837

00:41:09,660 --> 00:41:07,150

Einstein were put under fairly close FBI

838

00:41:12,780 --> 00:41:09,670

observation they were aware of course of

839

00:41:15,190 --> 00:41:12,790

the great scientists leftist leaning

840

00:41:17,799 --> 00:41:15,200

sympathies but they more

841

00:41:19,839 --> 00:41:17,809

we strongly suspected ms Dukas of being

842

00:41:24,849 --> 00:41:19,849

an active asset of soviet intelligence

843

00:41:28,240 --> 00:41:24,859

it's at least 1929 so for the Soviets to

844

00:41:31,930 --> 00:41:28,250

have a active agent in place as the

845

00:41:34,599 --> 00:41:31,940

secretary to Einstein who again liked

846

00:41:37,120 --> 00:41:34,609

her she knew his routines he had no

847

00:41:38,710 --> 00:41:37,130

cause to dismiss her he thought of her I

848

00:41:41,819 --> 00:41:38,720

think as he thought of himself as a

849

00:41:45,010 --> 00:41:41,829

leftist leaning progressive person but

850

00:41:49,089 --> 00:41:45,020

probably was too busy and caught up in

851
00:41:51,460 --> 00:41:49,099
too many more ethereal thoughts and

852
00:41:55,359 --> 00:41:51,470
scientific thoughts to consider her an

853
00:41:57,940 --> 00:41:55,369
actual Soviet spy mm-hmm again the

854
00:41:59,770 --> 00:41:57,950
Soviets were out to destroy Reich's

855
00:42:02,710 --> 00:41:59,780
reputation in any way that they could

856
00:42:06,370 --> 00:42:02,720
and it's also important to note here

857
00:42:09,130 --> 00:42:06,380
that about this time Einstein would

858
00:42:12,390 --> 00:42:09,140
already have been drafted into a project

859
00:42:16,390 --> 00:42:12,400
called the Manhattan Project and been

860
00:42:21,010 --> 00:42:16,400
very involved in developing the first

861
00:42:24,640 --> 00:42:21,020
nuclear bomb and certainly had interests

862
00:42:27,670 --> 00:42:24,650
that on their own even if he had not

863
00:42:33,039 --> 00:42:27,680

been sort of directed away from Reich's

864

00:42:35,799 --> 00:42:33,049

work in not having the time or the

865

00:42:39,880 --> 00:42:35,809

interest perhaps in replicating this

866

00:42:42,910 --> 00:42:39,890

experiment properly and maybe felt who

867

00:42:44,859 --> 00:42:42,920

needed to if it was true a great deal of

868

00:42:47,530 --> 00:42:44,869

what his reputation was built on and

869

00:42:50,530 --> 00:42:47,540

that of other physicists would be open

870

00:42:53,380 --> 00:42:50,540

to question that Organa me as such and

871

00:42:56,230 --> 00:42:53,390

Reich study of how energy function in

872

00:43:00,010 --> 00:42:56,240

this specific realm might be problematic

873

00:43:01,770 --> 00:43:00,020

to his work his philosophy etc there we

874

00:43:05,319 --> 00:43:01,780

have that now

875

00:43:09,039 --> 00:43:05,329

Reich had trained other physician

876

00:43:11,410 --> 00:43:09,049

psychiatrists in the method that he had

877

00:43:13,270 --> 00:43:11,420

developed coming way out of Freud it

878

00:43:16,510 --> 00:43:13,280

involved very little talk and a lot of

879

00:43:18,280 --> 00:43:16,520

physical activity and I know it not in

880

00:43:20,770 --> 00:43:18,290

an intellectual way but having done it

881

00:43:23,680 --> 00:43:20,780

for almost seven years of my life and

882

00:43:26,359 --> 00:43:23,690

appreciated the benefits of it but the

883

00:43:29,689 --> 00:43:26,369

FDA which

884

00:43:32,719 --> 00:43:29,699

now it's a problem enough for us at the

885

00:43:35,120 --> 00:43:32,729

time was really run by not much more

886

00:43:39,309 --> 00:43:35,130

than a bunch of thugs we're looking to

887

00:43:41,839 --> 00:43:39,319

take Reich down their red flag was that

888

00:43:44,029 --> 00:43:41,849

coming into this period that was going

889

00:43:46,359 --> 00:43:44,039

to be the McCarthy era and out of a

890

00:43:51,079 --> 00:43:46,369

period in American public life that was

891

00:43:54,410 --> 00:43:51,089

fairly sexually tamp down at the edges

892

00:43:58,069 --> 00:43:54,420

that he posed a threat to the American

893

00:44:02,989 --> 00:43:58,079

public because he was interested in sex

894

00:44:06,469 --> 00:44:02,999

and this weird energy and you know their

895

00:44:09,439 --> 00:44:06,479

problem though was that no one had ever

896

00:44:11,569 --> 00:44:09,449

once registered a complaint about dr.

897

00:44:14,089 --> 00:44:11,579

Reich about any of the therapists that

898

00:44:16,880 --> 00:44:14,099

he had trained either with the AMA the

899

00:44:22,549 --> 00:44:16,890

American Psychiatric Association or with

900

00:44:25,130 --> 00:44:22,559

the FDA itself but in 1947 a first-

901
00:44:26,959 --> 00:44:25,140
article and a more vicious more

902
00:44:29,239 --> 00:44:26,969
inaccurate article on reich has never

903
00:44:32,569 --> 00:44:29,249
been published it was called The Strange

904
00:44:34,939 --> 00:44:32,579
Case of Wilhelm Reich the author was a

905
00:44:36,370 --> 00:44:34,949
woman named Mildred Edie Brady and it

906
00:44:39,529 --> 00:44:36,380
appeared in the New Republic magazine

907
00:44:43,370 --> 00:44:39,539
which of course is still in print had

908
00:44:45,890 --> 00:44:43,380
Reich followed the advice of his

909
00:44:49,729 --> 00:44:45,900
attorney and those closest to him and

910
00:44:53,809 --> 00:44:49,739
taken legal action against Ms Brady for

911
00:44:56,150 --> 00:44:53,819
the scurrilous and in fact libelous

912
00:44:59,839 --> 00:44:56,160
remarks that she made I think it would

913
00:45:01,429 --> 00:44:59,849

have shut her up and very little in the

914

00:45:04,370 --> 00:45:01,439

way of similar attacks would have

915

00:45:07,189 --> 00:45:04,380

followed unfortunately he did not do

916

00:45:09,620 --> 00:45:07,199

this and shortly thereafter the Time

917

00:45:14,239 --> 00:45:09,630

magazine published an article called the

918

00:45:15,949 --> 00:45:14,249

marvelous X Box Brady's article was read

919

00:45:18,469 --> 00:45:15,959

by more and more people and you can go

920

00:45:20,150 --> 00:45:18,479

online and find The Strange Case of

921

00:45:22,549 --> 00:45:20,160

Wilhelm Reich in the New Republic

922

00:45:26,989 --> 00:45:22,559

published in May of 47 and read it for

923

00:45:29,269 --> 00:45:26,999

yourself but it accused Reich of stating

924

00:45:33,079 --> 00:45:29,279

which he never did that the organ

925

00:45:36,800 --> 00:45:33,089

accumulator was a cure-all and Miss

926

00:45:40,130 --> 00:45:36,810

Brady we should note here was not

927

00:45:43,280 --> 00:45:40,140

a routine freelancer she had a history

928

00:45:47,540 --> 00:45:43,290

working actively with communist causes

929

00:45:50,990 --> 00:45:47,550

and was a person who seemed to have a

930

00:45:55,490 --> 00:45:51,000

real investment in bringing down right

931

00:45:57,980 --> 00:45:55,500

now there's no question that the article

932

00:46:00,080 --> 00:45:57,990

was completely libelous what we were

933

00:46:02,960 --> 00:46:00,090

also what Reich was also not aware of at

934

00:46:06,320 --> 00:46:02,970

the time was that Brady was friends with

935

00:46:09,650 --> 00:46:06,330

Reich's actual lawyer something that the

936

00:46:13,040 --> 00:46:09,660

lawyer never made public or never told

937

00:46:16,010 --> 00:46:13,050

his client and in fact they conspired

938

00:46:19,490 --> 00:46:16,020

together to a degree sad stop for sure

939

00:46:22,220 --> 00:46:19,500

ultimately Reich went on from here to

940

00:46:24,560 --> 00:46:22,230

realize that he could continue to Train

941

00:46:28,490 --> 00:46:24,570

therapists and do therapy himself and

942

00:46:32,180 --> 00:46:28,500

that individuals would gain some real

943

00:46:34,330 --> 00:46:32,190

benefit from it however it would be the

944

00:46:38,090 --> 00:46:34,340

equivalent of trying to straighten out a

945

00:46:42,200 --> 00:46:38,100

fully-grown twisted tree you can't do it

946

00:46:44,390 --> 00:46:42,210

and he felt although he encouraged and

947

00:46:46,520 --> 00:46:44,400

his therapist certainly continued and

948

00:46:48,590 --> 00:46:46,530

continued now to do the work and there's

949

00:46:50,800 --> 00:46:48,600

a great deal of value to it that he

950

00:46:56,240 --> 00:46:50,810

should put more of his attention on

951
00:46:58,610 --> 00:46:56,250
infants and what matters in bringing a

952
00:47:01,820 --> 00:46:58,620
healthy infant into the world and

953
00:47:04,370 --> 00:47:01,830
protecting its rights its safety its

954
00:47:08,750 --> 00:47:04,380
emotional health to have a potential to

955
00:47:12,230 --> 00:47:08,760
grow to be a healthy happy contributing

956
00:47:14,360 --> 00:47:12,240
human being and it's not hard to damage

957
00:47:17,510 --> 00:47:14,370
an infant God knows we've all seen it

958
00:47:21,260 --> 00:47:17,520
done with some you know poor harassed

959
00:47:24,050 --> 00:47:21,270
mother screaming at a baby because she's

960
00:47:25,820 --> 00:47:24,060
hit her limit it's you know Reich would

961
00:47:29,270 --> 00:47:25,830
call it the murder of Christ yet one

962
00:47:32,360 --> 00:47:29,280
more time hmm he also felt that he

963
00:47:35,140 --> 00:47:32,370

needed to be in a place where he could

964

00:47:37,760 --> 00:47:35,150

conduct his experiments in a more open

965

00:47:40,430 --> 00:47:37,770

natural atmosphere than Queens New York

966

00:47:43,850 --> 00:47:40,440

and ended up buying a very beautiful

967

00:47:47,120 --> 00:47:43,860

property in Rangeley Maine where he

968

00:47:50,630 --> 00:47:47,130

built a remarkable building it is now

969

00:47:53,090 --> 00:47:50,640

again the Wilhelm Reich Museum

970

00:47:56,860 --> 00:47:53,100

but when he was living there it was his

971

00:48:00,740 --> 00:47:56,870

home his laboratory an observatory a

972

00:48:04,460 --> 00:48:00,750

painting studio library examination

973

00:48:07,460 --> 00:48:04,470

rooms all integrated into one brilliant

974

00:48:10,570 --> 00:48:07,470

structure in fact I don't know if I've

975

00:48:14,990 --> 00:48:10,580

ever been in a building which is so

976
00:48:17,000 --> 00:48:15,000
intelligently designed to be a home and

977
00:48:19,930 --> 00:48:17,010
you move to another part of it a

978
00:48:23,590 --> 00:48:19,940
laboratory another part of it

979
00:48:27,530 --> 00:48:23,600
examination rooms for patients etc etc

980
00:48:31,220 --> 00:48:27,540
he began to do a series of experiments

981
00:48:34,780 --> 00:48:31,230
in Maine one involving a very small

982
00:48:38,360 --> 00:48:34,790
amount of radium in an accumulator and

983
00:48:43,630 --> 00:48:38,370
the results that it produced were

984
00:48:46,310 --> 00:48:43,640
horrific this tiny speck of obviously

985
00:48:50,900 --> 00:48:46,320
radioactive material in a simple

986
00:48:54,740 --> 00:48:50,910
accumulator toxified the entire area for

987
00:48:57,740 --> 00:48:54,750
months and made people working with

988
00:49:02,120 --> 00:48:57,750

reich and in the general area ill it

989

00:49:04,970 --> 00:49:02,130

took months to clean the area of the

990

00:49:07,730 --> 00:49:04,980

effects but for anybody who feels that

991

00:49:10,990 --> 00:49:07,740

accumulators you know are nonsensical

992

00:49:15,110 --> 00:49:11,000

and try that experiment for yourself and

993

00:49:19,430 --> 00:49:15,120

experience the results so this brings us

994

00:49:23,690 --> 00:49:19,440

Gregg up into the early 1950s and at

995

00:49:26,110 --> 00:49:23,700

that time working with his groundskeeper

996

00:49:29,180 --> 00:49:26,120

he developed a very simple apparatus

997

00:49:32,180 --> 00:49:29,190

again bearing in mind all he had learned

998

00:49:34,790 --> 00:49:32,190

about how energy functions and when

999

00:49:38,060 --> 00:49:34,800

dealing with orgone energy how the

1000

00:49:41,780 --> 00:49:38,070

energetic potential flows from the

1001
00:49:43,340 --> 00:49:41,790
stronger to the weaker rather than the

1002
00:49:45,860 --> 00:49:43,350
weaker to the stronger as in

1003
00:49:49,340 --> 00:49:45,870
conventional electricity what he

1004
00:49:52,460 --> 00:49:49,350
developed was a brilliant yet incredibly

1005
00:49:54,070 --> 00:49:52,470
simple apparatus that came to be called

1006
00:49:58,670 --> 00:49:54,080
the cloud buster

1007
00:50:04,070 --> 00:49:58,680
water is an energetic attractor and what

1008
00:50:08,090 --> 00:50:04,080
he did was design the simple apparatus

1009
00:50:10,280 --> 00:50:08,100
of metal pipes that basically standard

1010
00:50:13,040 --> 00:50:10,290
cloud busters might be for over four or

1011
00:50:16,100 --> 00:50:13,050
five over five of a certain appreciable

1012
00:50:20,450 --> 00:50:16,110
lengths he experimented with different

1013
00:50:23,540 --> 00:50:20,460

metals and the pipes again were in sort

1014

00:50:27,980 --> 00:50:23,550

of two rows one over one under the back

1015

00:50:31,940 --> 00:50:27,990

of each pipe was connected to a long

1016

00:50:35,210 --> 00:50:31,950

piece of industrial BX cable with the

1017

00:50:38,540 --> 00:50:35,220

wiring pulled out again this is the

1018

00:50:40,580 --> 00:50:38,550

larger equivalent of the BX cable that

1019

00:50:44,000 --> 00:50:40,590

snakes through all of our homes with

1020

00:50:47,420 --> 00:50:44,010

wiring in it it was mounted in a manner

1021

00:50:50,630 --> 00:50:47,430

that could be adjusted for elevation and

1022

00:50:56,030 --> 00:50:50,640

for direction and using this apparatus

1023

00:50:59,660 --> 00:50:56,040

with the BX cable ends grounded in his

1024

00:51:02,960 --> 00:50:59,670

pond on his property in Rangeley he

1025

00:51:06,410 --> 00:51:02,970

aimed the pipes in an easterly direction

1026
00:51:10,400 --> 00:51:06,420
now at the time there was also a drought

1027
00:51:15,700 --> 00:51:10,410
in the area of South Main that he lived

1028
00:51:19,070 --> 00:51:15,710
and his thought was perhaps if the water

1029
00:51:21,470 --> 00:51:19,080
actually grounded the energy and acted

1030
00:51:25,280 --> 00:51:21,480
as an attractor and you can do it in a

1031
00:51:25,700 --> 00:51:25,290
pond in running water in a well in still

1032
00:51:31,970 --> 00:51:25,710
water

1033
00:51:34,880 --> 00:51:31,980
the movement potential certainly doesn't

1034
00:51:39,100 --> 00:51:34,890
hurt that it would begin to create

1035
00:51:43,610 --> 00:51:39,110
movement in the atmosphere where

1036
00:51:46,910 --> 00:51:43,620
moisture-rich air not that far away over

1037
00:51:49,060 --> 00:51:46,920
the Atlantic would be drawn in a

1038
00:51:54,190 --> 00:51:49,070

westerly direction and ultimately

1039

00:51:56,750 --> 00:51:54,200

increase the humidity index in the air

1040

00:52:00,380 --> 00:51:56,760

hypothetically leading to a point where

1041

00:52:04,190 --> 00:52:00,390

it might create rain hmm well it

1042

00:52:08,180 --> 00:52:04,200

certainly did increase the humidity in

1043

00:52:11,690 --> 00:52:08,190

the air and did create rain so much so

1044

00:52:15,050 --> 00:52:11,700

that the drought conditions in that area

1045

00:52:16,250 --> 00:52:15,060

of Maine went away in the surrounding

1046

00:52:18,890 --> 00:52:16,260

area they

1047

00:52:21,650 --> 00:52:18,900

remained which was not surprisingly of

1048

00:52:24,020 --> 00:52:21,660

interest to farmers as well as local

1049

00:52:25,580 --> 00:52:24,030

folks who were aware of what he was

1050

00:52:32,630 --> 00:52:25,590

doing he certainly didn't keep it secret

1051

00:52:35,150 --> 00:52:32,640

and in October of 53 he I guess that's

1052

00:52:37,160 --> 00:52:35,160

really when he dates when we have to

1053

00:52:39,800 --> 00:52:37,170

date his interest in the UFO phenomena

1054

00:52:44,180 --> 00:52:39,810

because that's when they started to

1055

00:52:47,330 --> 00:52:44,190

appear over his property and there is no

1056

00:52:49,670 --> 00:52:47,340

question that this happened he observed

1057

00:52:51,880 --> 00:52:49,680

it people in Rangeley observed that

1058

00:52:55,340 --> 00:52:51,890

people in the surrounding area did and

1059

00:52:57,680 --> 00:52:55,350

certainly the scientists physicians

1060

00:52:59,480 --> 00:52:57,690

therapists coming and going from his

1061

00:53:02,420 --> 00:52:59,490

property or working there and the

1062

00:53:07,340 --> 00:53:02,430

students as well observed UFO phenomena

1063

00:53:10,790 --> 00:53:07,350

over the property he read his first two

1064

00:53:13,760 --> 00:53:10,800

books on UFOs at that time and for those

1065

00:53:16,040 --> 00:53:13,770

listeners who are somewhat well-versed

1066

00:53:18,650 --> 00:53:16,050

on the subject of UFOs you should be

1067

00:53:22,820 --> 00:53:18,660

aware that they were flying saucers from

1068

00:53:25,910 --> 00:53:22,830

outer space by Donald Akiho a highly

1069

00:53:27,830 --> 00:53:25,920

respected retired Marine Corps major who

1070

00:53:31,490 --> 00:53:27,840

was a fighter pilot during World War two

1071

00:53:34,880 --> 00:53:31,500

and arguably the father of the real

1072

00:53:36,830 --> 00:53:34,890

scientific study of UFOs Kehoe's books

1073

00:53:39,620 --> 00:53:36,840

are still worth reading the second book

1074

00:53:43,190 --> 00:53:39,630

that Reich read was EJ Rou Pelt's report

1075

00:53:44,150 --> 00:53:43,200

on UFOs repelled had been as a captain

1076

00:53:47,090 --> 00:53:44,160

in the Air Force

1077

00:53:49,820 --> 00:53:47,100

head of Project Blue Book at one time an

1078

00:53:51,820 --> 00:53:49,830

important public relations effort on the

1079

00:53:56,750 --> 00:53:51,830

part of the Air Force masquerading as a

1080

00:53:58,370 --> 00:53:56,760

genuine aspect of UFO studies really

1081

00:54:01,340 --> 00:53:58,380

wasn't

1082

00:54:05,000 --> 00:54:01,350

a quote here is important after reading

1083

00:54:07,670 --> 00:54:05,010

the rue Pelt book Reich wrote the repeal

1084

00:54:10,280 --> 00:54:07,680

report on UFOs clearly reveals the

1085

00:54:12,650 --> 00:54:10,290

helplessness of mechanistic method in

1086

00:54:15,590 --> 00:54:12,660

coming to grips with the problem posed

1087

00:54:18,500 --> 00:54:15,600

by the spaceman the cosmic orgone energy

1088

00:54:21,590 --> 00:54:18,510

which these living beings are using in

1089

00:54:24,860 --> 00:54:21,600

their technology is beyond the grasp of

1090

00:54:27,320 --> 00:54:24,870

mechanistic science since cosmic laws of

1091

00:54:30,140 --> 00:54:27,330

functioning are not mechanical but what

1092

00:54:32,510 --> 00:54:30,150

I term functional the helplessness of

1093

00:54:35,000 --> 00:54:32,520

mechanical thinking appears in the

1094

00:54:37,730 --> 00:54:35,010

tragic shortcomings of our fastest

1095

00:54:41,090 --> 00:54:37,740

fighter jets to make and hold contact

1096

00:54:43,790 --> 00:54:41,100

with UFOs being unavoidably outdistance

1097

00:54:46,790 --> 00:54:43,800

is not a flattering situation for

1098

00:54:49,070 --> 00:54:46,800

military pride the conclusion seems

1099

00:54:52,580 --> 00:54:49,080

correct mechanistic methods of

1100

00:54:55,460 --> 00:54:52,590

locomotion must be counted out in coping

1101

00:54:58,280 --> 00:54:55,470

with the spaceship problem now that

1102

00:55:01,990 --> 00:54:58,290

statement among others is almost

1103

00:55:04,640 --> 00:55:02,000

outrageously prophetic Reich early on

1104

00:55:08,470 --> 00:55:04,650

observed and I think rightly concluded

1105

00:55:12,500 --> 00:55:08,480

that the propulsive systems of these

1106

00:55:16,490 --> 00:55:12,510

truly anomalous UFOs went beyond any

1107

00:55:19,280 --> 00:55:16,500

kind of motor that we could visualize as

1108

00:55:22,520 --> 00:55:19,290

human beings certainly in the 1950s and

1109

00:55:26,360 --> 00:55:22,530

that somehow the propulsive systems of

1110

00:55:28,610 --> 00:55:26,370

UFOs which I have no idea how they

1111

00:55:31,010 --> 00:55:28,620

function however I think Reich was

1112

00:55:35,600 --> 00:55:31,020

correct and that they somehow have been

1113

00:55:38,000 --> 00:55:35,610

able to harness this sea of energy which

1114

00:55:40,850 --> 00:55:38,010

they moved through from wherever they

1115

00:55:46,790 --> 00:55:40,860

originate to earth where we observe them

1116

00:55:49,700 --> 00:55:46,800

now in March of 54 he sent a copy of his

1117

00:55:52,030 --> 00:55:49,710

writing developed at that point on UFOs

1118

00:55:54,650 --> 00:55:52,040

to the Air Force it was an actual

1119

00:55:56,960 --> 00:55:54,660

manuscript right and a lot of the stuff

1120

00:55:58,520 --> 00:55:56,970

he was studying here had implications

1121

00:56:01,190 --> 00:55:58,530

they were pretty far reaching outside of

1122

00:56:03,580 --> 00:56:01,200

just our earthly environment right when

1123

00:56:06,320 --> 00:56:03,590

all was said and done basic to Reich's

1124

00:56:08,510 --> 00:56:06,330

understanding of the universe was the

1125

00:56:09,780 --> 00:56:08,520

pervasive presence of this energy which

1126

00:56:12,450 --> 00:56:09,790

he called organ

1127

00:56:15,060 --> 00:56:12,460

implying the possibility of life in

1128

00:56:17,550 --> 00:56:15,070

space which is something that we now

1129

00:56:21,080 --> 00:56:17,560

fully acknowledge even on the most

1130

00:56:23,610 --> 00:56:21,090

conservative ideas put forward by

1131

00:56:26,340 --> 00:56:23,620

astronomers at this time Reich's

1132

00:56:29,100 --> 00:56:26,350

questioning encompass a great deal more

1133

00:56:32,160 --> 00:56:29,110

than human neuroses and armoring and

1134

00:56:35,790 --> 00:56:32,170

health and infants and weather systems

1135

00:56:38,970 --> 00:56:35,800

he was looking at how galactic currents

1136

00:56:40,920 --> 00:56:38,980

worked the formation and destruction of

1137

00:56:44,550 --> 00:56:40,930

star systems the origins of the universe

1138

00:56:46,940 --> 00:56:44,560

itself and again along with his

1139

00:56:51,480 --> 00:56:46,950

deepening involvement in cloud busting

1140

00:56:54,630 --> 00:56:51,490

he now began just amazing the way this

1141

00:56:58,380 --> 00:56:54,640

mind the this man's mind work in terms

1142

00:57:00,690 --> 00:56:58,390

of nuts and bolts scientific thinking he

1143

00:57:04,170 --> 00:57:00,700

now began a careful examination of the

1144

00:57:07,950 --> 00:57:04,180

stars themselves and said about to prove

1145

00:57:12,600 --> 00:57:07,960

that some stars did not behave like

1146

00:57:15,440 --> 00:57:12,610

others and in fact were UFOs I remember

1147

00:57:19,310 --> 00:57:15,450

when I first read about this stuff Greg

1148

00:57:23,940 --> 00:57:19,320

it all appears in a book called

1149

00:57:26,940 --> 00:57:23,950

contact with space which is absolutely

1150

00:57:30,480 --> 00:57:26,950

brilliant and the last book that he

1151
00:57:35,150 --> 00:57:30,490
wrote it was published a month after he

1152
00:57:38,340 --> 00:57:35,160
died posthumously in December of 1957

1153
00:57:41,130 --> 00:57:38,350
however it was only printed in an

1154
00:57:43,230 --> 00:57:41,140
edition of 500 even if you're not

1155
00:57:45,500 --> 00:57:43,240
interested in or gaana me oh boy what a

1156
00:57:47,700 --> 00:57:45,510
valuable book to have in your library I

1157
00:57:50,400 --> 00:57:47,710
know a handful of people who actually

1158
00:57:53,690 --> 00:57:50,410
have editions of the book like most

1159
00:57:58,110 --> 00:57:53,700
readers of the book I have long had a

1160
00:58:00,650 --> 00:57:58,120
first-generation copy made and sold at

1161
00:58:04,200 --> 00:58:00,660
the bookstore of the Wilhelm Reich

1162
00:58:06,600 --> 00:58:04,210
Museum in Rangeley Maine but I would

1163
00:58:09,690 --> 00:58:06,610

also say that contact with space is

1164

00:58:12,630 --> 00:58:09,700

probably the worst first book of dr.

1165

00:58:18,230 --> 00:58:12,640

will hum Reich's to read it is based on

1166

00:58:21,940 --> 00:58:18,240

more than 35 years of scientific study

1167

00:58:26,050 --> 00:58:21,950

experimentation theoretical thinking

1168

00:58:28,870 --> 00:58:26,060

proving for himself in a way that makes

1169

00:58:32,260 --> 00:58:28,880

perfect sense going from one subject to

1170

00:58:35,050 --> 00:58:32,270

another when you understand how energy

1171

00:58:38,170 --> 00:58:35,060

functioning cuts across all of his

1172

00:58:40,810 --> 00:58:38,180

interest going back to Freud and into

1173

00:58:44,950 --> 00:58:40,820

the world of galactic formations UFOs

1174

00:58:49,599 --> 00:58:44,960

etc but to read it as a first book where

1175

00:58:53,020 --> 00:58:49,609

he is simply going on about the reality

1176

00:58:56,010 --> 00:58:53,030

of UFOs and cloud busting for a

1177

00:58:58,690 --> 00:58:56,020

layperson especially somebody who is

1178

00:59:01,150 --> 00:58:58,700

predisposed to think that he was not

1179

00:59:04,029 --> 00:59:01,160

mentally all there

1180

00:59:06,460 --> 00:59:04,039

it ain't the best book to start with but

1181

00:59:09,819 --> 00:59:06,470

an essential book to any serious student

1182

00:59:12,819 --> 00:59:09,829

of his work and in contact with space

1183

00:59:14,170 --> 00:59:12,829

again brilliant nuts and bolts thinking

1184

00:59:17,279 --> 00:59:14,180

about how do you establish certain

1185

00:59:20,230 --> 00:59:17,289

things that are so sweeping with

1186

00:59:23,460 --> 00:59:20,240

conventional apparatus and what he did

1187

00:59:27,849 --> 00:59:23,470

in this examination of stars was used

1188

00:59:30,490 --> 00:59:27,859

nocturnal time-lapse photography the

1189

00:59:33,970 --> 00:59:30,500

investigative technique was simply using

1190

00:59:37,359 --> 00:59:33,980

a 35-millimeter camera which was mounted

1191

00:59:40,120 --> 00:59:37,369

on a tripod carefully set to face the

1192

00:59:42,309 --> 00:59:40,130

night sky with the shutter open and the

1193

00:59:45,940 --> 00:59:42,319

experiment produced some unexpected

1194

00:59:49,270 --> 00:59:45,950

results the huge majority of stars of

1195

00:59:52,900 --> 00:59:49,280

course caused a slight line as the Earth

1196

00:59:55,210 --> 00:59:52,910

rotates in the course of a night and you

1197

01:00:01,029 --> 00:59:55,220

know that's what you get this huge

1198

01:00:05,200 --> 01:00:01,039

series of lines in this circle revolving

1199

01:00:08,230 --> 01:00:05,210

around you know the North Star some of

1200

01:00:09,990 --> 01:00:08,240

the stars obviously the the stars the

1201

01:00:13,690 --> 01:00:10,000

real stars produce the white lines

1202

01:00:17,339 --> 01:00:13,700

indicating the Earth's rotation however

1203

01:00:20,920 --> 01:00:17,349

a small number of other dots of light

1204

01:00:24,730 --> 01:00:20,930

that were there to start with simply

1205

01:00:26,710 --> 01:00:24,740

vanished in the course of that open

1206

01:00:31,329 --> 01:00:26,720

shutter during the night indicating that

1207

01:00:33,940 --> 01:00:31,339

they were not stars and in fact the only

1208

01:00:37,720 --> 01:00:33,950

logical deduction was that they were

1209

01:00:41,950 --> 01:00:37,730

truly anomalous UFOs I should also say

1210

01:00:44,769 --> 01:00:41,960

here I'm using the term UFOs but flying

1211

01:00:48,779 --> 01:00:44,779

saucers was still the accepted term in

1212

01:00:53,250 --> 01:00:48,789

that point in the 1950s it wasn't until

1213

01:00:56,160 --> 01:00:53,260

55 or certainly 1956 when the term

1214

01:00:58,690 --> 01:00:56,170
unidentified flying object or UFO

1215

01:01:03,190 --> 01:00:58,700
actually emerged

1216

01:01:08,470 --> 01:01:03,200
so we're now in October early October of

1217

01:01:10,630 --> 01:01:08,480
that year of 1953 and UFOs are being

1218

01:01:15,630 --> 01:01:10,640
observed over the property as he

1219

01:01:20,110 --> 01:01:15,640
continues cloud busting and finally he

1220

01:01:23,470 --> 01:01:20,120
decides to do something that he had been

1221

01:01:28,690 --> 01:01:23,480
hesitating which was to aim the cloud

1222

01:01:30,970 --> 01:01:28,700
buster at a UFO and who knew what was

1223

01:01:33,490 --> 01:01:30,980
going to happen was it you know going to

1224

01:01:36,820 --> 01:01:33,500
blast him with sense some scientific

1225

01:01:40,060 --> 01:01:36,830
science fiction beam of light er what

1226

01:01:42,430 --> 01:01:40,070

was going to happen and again I pulled

1227

01:01:45,700 --> 01:01:42,440

up a quote here because I feel it's

1228

01:01:49,090 --> 01:01:45,710

warranted at this point and my going on

1229

01:01:51,790 --> 01:01:49,100

I hesitated for weeks to turn my

1230

01:01:56,530 --> 01:01:51,800

cloudbuster pipes toward a star in

1231

01:01:58,000 --> 01:01:56,540

quotes as if I had known that some of

1232

01:02:00,700 --> 01:01:58,010

the blinking lights hanging in the sky

1233

01:02:03,730 --> 01:02:00,710

were not planets or stars but space

1234

01:02:06,610 --> 01:02:03,740

machines when I saw the quote-unquote

1235

01:02:09,880 --> 01:02:06,620

star to the west fade out four times in

1236

01:02:13,120 --> 01:02:09,890

succession what had been left of the old

1237

01:02:18,490 --> 01:02:13,130

world of human knowledge tumbled beyond

1238

01:02:20,890 --> 01:02:18,500

retrieve from now on everything anything

1239

01:02:23,890 --> 01:02:20,900

was possible there was no mistake about

1240

01:02:27,010 --> 01:02:23,900

it three more people had seen it there

1241

01:02:30,640 --> 01:02:27,020

was only one conclusion the thing we we

1242

01:02:33,670 --> 01:02:30,650

had drawn from was not a star it was

1243

01:02:36,430 --> 01:02:33,680

something else and I take it back the

1244

01:02:39,610 --> 01:02:36,440

term UFO wasn't being used at that time

1245

01:02:42,220 --> 01:02:39,620

a UFO the shock of this experience was

1246

01:02:46,030 --> 01:02:42,230

great enough not to repeat such an

1247

01:02:51,250 --> 01:02:46,040

action until 10 October 1954

1248

01:02:53,920 --> 01:02:51,260

well Reich and his

1249

01:02:57,460 --> 01:02:53,930

the scientists working with him decided

1250

01:03:00,339 --> 01:02:57,470

that what needed to be done in the same

1251

01:03:03,670 --> 01:03:00,349

way that before presenting his findings

1252

01:03:07,060 --> 01:03:03,680

to Einstein he had to establish his

1253

01:03:10,780 --> 01:03:07,070

findings in such concrete scientific

1254

01:03:12,460 --> 01:03:10,790

terms that the world of establishment

1255

01:03:15,940 --> 01:03:12,470

scientists would have a real challenge

1256

01:03:19,870 --> 01:03:15,950

in refuting them and so what they said

1257

01:03:23,010 --> 01:03:19,880

about to do was find an area where he

1258

01:03:27,490 --> 01:03:23,020

could conduct weather modification work

1259

01:03:30,670 --> 01:03:27,500

with the intention of creating rain in

1260

01:03:34,750 --> 01:03:30,680

an area where it did not rain for such a

1261

01:03:35,530 --> 01:03:34,760

long time and in such an amount that the

1262

01:03:39,010 --> 01:03:35,540

cloudbuster

1263

01:03:41,380 --> 01:03:39,020

work itself would have to be seen as the

1264

01:03:44,620 --> 01:03:41,390

cause of the rain they established

1265

01:03:47,770 --> 01:03:44,630

fairly early on that the driest area in

1266

01:03:51,450 --> 01:03:47,780

the United States was in Death Valley

1267

01:03:55,150 --> 01:03:51,460

but it was not practical to conduct

1268

01:03:57,790 --> 01:03:55,160

cloud busting experiments there the area

1269

01:04:01,210 --> 01:03:57,800

that they settled on was just outside of

1270

01:04:04,450 --> 01:04:01,220

Tucson Arizona where he least 10 acres

1271

01:04:11,710 --> 01:04:04,460

on the Prairie right outside of Tucson

1272

01:04:15,490 --> 01:04:11,720

and that summer he and a small cadre of

1273

01:04:17,370 --> 01:04:15,500

colleagues including his daughter dr.

1274

01:04:20,200 --> 01:04:17,380

Eva Reich who was a physician

1275

01:04:22,750 --> 01:04:20,210

dr. Baker for some of the time who was

1276

01:04:27,970 --> 01:04:22,760

my therapist when I was in medical organ

1277

01:04:34,080 --> 01:04:27,980

therapy in the 1980s and the 70s late

1278

01:04:37,560 --> 01:04:34,090

70s dr. Eva Reich's husband who

1279

01:04:40,070 --> 01:04:37,570

was a man named William Moyes who was a

1280

01:04:44,430 --> 01:04:40,080

trained cloudbuster operator and others

1281

01:04:48,000 --> 01:04:44,440

drove to cloud busters out from Maine to

1282

01:04:53,340 --> 01:04:48,010

this area in Arizona where they set up

1283

01:05:00,440 --> 01:04:53,350

and began to work and over the next

1284

01:05:03,720 --> 01:05:00,450

weeks the energetic potential the

1285

01:05:07,470 --> 01:05:03,730

humidity the relative humidity index in

1286

01:05:10,230 --> 01:05:07,480

the air began to build very exciting

1287

01:05:12,150 --> 01:05:10,240

certainly and I should say this was not

1288

01:05:15,720 --> 01:05:12,160

in the summer this was already autumn in

1289

01:05:18,750 --> 01:05:15,730

October of 54 once they had settled in

1290

01:05:21,030 --> 01:05:18,760

they commenced their drawing operations

1291

01:05:23,550 --> 01:05:21,040

which was the term applied to cloud

1292

01:05:26,160 --> 01:05:23,560

busting regularly observing the

1293

01:05:30,330 --> 01:05:26,170

atmosphere with the media meteorological

1294

01:05:32,640 --> 01:05:30,340

instruments recording every aspect of

1295

01:05:37,260 --> 01:05:32,650

what they were observing in accordance

1296

01:05:39,090 --> 01:05:37,270

with strict scientific method and dr.

1297

01:05:42,330 --> 01:05:39,100

Reich also encouraged all present to

1298

01:05:47,880 --> 01:05:42,340

keep individual journals which were also

1299

01:05:52,260 --> 01:05:47,890

maintained by November 7th and they

1300

01:05:56,690 --> 01:05:52,270

began work the 19th or the 20th by

1301

01:06:01,140 --> 01:05:56,700

November 7th the usual humidity index

1302

01:06:05,340 --> 01:06:01,150

relative humidity so to say a 15 of

1303

01:06:09,960 --> 01:06:05,350

let's see if had risen I'm sorry from

1304

01:06:14,030 --> 01:06:09,970

its usual 15 or so percent to 65 percent

1305

01:06:16,710 --> 01:06:14,040

which was unheard of for the Tucson area

1306

01:06:20,370 --> 01:06:16,720

drawing continued from the southwest

1307

01:06:24,090 --> 01:06:20,380

direction again drawing from ultimately

1308

01:06:27,620 --> 01:06:24,100

the Pacific Ocean area and on November

1309

01:06:30,630 --> 01:06:27,630

7th the first clouds were forming and

1310

01:06:33,150 --> 01:06:30,640

indicated that it would rain soon they

1311

01:06:35,700 --> 01:06:33,160

then observed without apparent

1312

01:06:39,090 --> 01:06:35,710

explanation the clouds beginning to

1313

01:06:42,360 --> 01:06:39,100

compose it was then they observed a

1314

01:06:43,770 --> 01:06:42,370

large bright UFO coming up from the

1315

01:06:46,960 --> 01:06:43,780

north

1316

01:06:50,950 --> 01:06:46,970

the struggle so to say continued over

1317

01:06:54,579 --> 01:06:50,960

the next weeks the humidity index kept

1318

01:06:57,520 --> 01:06:54,589

rising UFOs would appear and the

1319

01:07:02,140 --> 01:06:57,530

humidity index would dramatically drop

1320

01:07:05,260 --> 01:07:02,150

it is also worth noting here that in

1321

01:07:07,530 --> 01:07:05,270

Tucson there is a very distinguished

1322

01:07:11,230 --> 01:07:07,540

institution called the Institute of

1323

01:07:15,270 --> 01:07:11,240

atmospheric physics it was founded in

1324

01:07:18,730 --> 01:07:15,280

1953 interestingly as a direct result of

1325

01:07:21,640 --> 01:07:18,740

the formation of President Eisenhower's

1326

01:07:25,539 --> 01:07:21,650

advisory board on weather control

1327

01:07:29,559 --> 01:07:25,549

earlier that year Eisenhower was very

1328

01:07:32,400 --> 01:07:29,569

interested in potential methods to

1329

01:07:35,559 --> 01:07:32,410

affect the weather one can theorize that

1330

01:07:40,079 --> 01:07:35,569

perhaps part of it was interest in

1331

01:07:43,420 --> 01:07:40,089

weather as a weapon but certainly in

1332

01:07:45,789 --> 01:07:43,430

farming and in creating rain where there

1333

01:07:48,220 --> 01:07:45,799

was none in busting droughts it would be

1334

01:07:51,190 --> 01:07:48,230

a very valuable tool to have the

1335

01:07:53,339 --> 01:07:51,200

administrator of the Institute for

1336

01:07:56,049 --> 01:07:53,349

atmospherics was a good friend of

1337

01:07:58,569 --> 01:07:56,059

Eisenhower's named Lou Douglas who was

1338

01:08:01,780 --> 01:07:58,579

also a major fundraiser for the

1339

01:08:04,150 --> 01:08:01,790

Republican Party and Douglas had hired a

1340

01:08:07,539 --> 01:08:04,160

brilliant atmospheric physicist named

1341

01:08:10,630 --> 01:08:07,549

dr. James McDonald who was working at

1342

01:08:13,750 --> 01:08:10,640

the newly established Institute for

1343

01:08:17,249 --> 01:08:13,760

atmospheric physics in Tucson at the

1344

01:08:19,959 --> 01:08:17,259

exact time that wilhelm reich was

1345

01:08:23,550 --> 01:08:19,969

overseeing cloud busting operations at

1346

01:08:26,110 --> 01:08:23,560

the edge of tucson right then and there

1347

01:08:30,220 --> 01:08:26,120

dr. McDonald certainly would have had a

1348

01:08:33,610 --> 01:08:30,230

genuine interest in Reich's work but we

1349

01:08:37,390 --> 01:08:33,620

don't know if the two actually ever met

1350

01:08:41,200 --> 01:08:37,400

and talked we do know that a local

1351

01:08:43,660 --> 01:08:41,210

television program filmed the cloud

1352

01:08:47,470 --> 01:08:43,670

busting operation at a certain point and

1353

01:08:50,410 --> 01:08:47,480

that McDonald was seen that he was

1354

01:08:53,169 --> 01:08:50,420

watching it at a distance reich was not

1355

01:08:55,130 --> 01:08:53,179

on location at that moment so it's

1356

01:08:57,410 --> 01:08:55,140

interesting to

1357

01:09:01,730 --> 01:08:57,420

wonder about this the reason I bring it

1358

01:09:04,850 --> 01:09:01,740

up is because this brilliant decent man

1359

01:09:07,970 --> 01:09:04,860

James McDonald who again was an

1360

01:09:10,190 --> 01:09:07,980

atmospheric physicist whether or not he

1361

01:09:13,760 --> 01:09:10,200

was able to connect with Reich whatever

1362

01:09:20,110 --> 01:09:13,770

his interested was in cloud busting he

1363

01:09:24,350 --> 01:09:20,120

emerged some years later as the most

1364

01:09:27,800 --> 01:09:24,360

significant proponent for scientific

1365

01:09:30,050 --> 01:09:27,810

ufology and the study of ufology to be

1366

01:09:33,020 --> 01:09:30,060

taken very seriously by the American

1367

01:09:36,320 --> 01:09:33,030

scientific establishment put his life

1368

01:09:42,500 --> 01:09:36,330

and his reputation on the line to try to

1369

01:09:47,270 --> 01:09:42,510

create this Herculean effect in the

1370

01:09:52,280 --> 01:09:47,280

scientific community was beaten down was

1371

01:09:53,840 --> 01:09:52,290

made fun of was taken to task by not

1372

01:09:56,720 --> 01:09:53,850

just the scientific community but

1373

01:09:59,930 --> 01:09:56,730

members of Congress when he testified

1374

01:10:02,270 --> 01:09:59,940

about the viability of a supersonic

1375

01:10:05,740 --> 01:10:02,280

transport which ultimately emerged as

1376

01:10:08,240 --> 01:10:05,750

the Concorde in the late 60s early 70s

1377

01:10:10,700 --> 01:10:08,250

to such a degree that it broke him

1378

01:10:13,640 --> 01:10:10,710

contributed to massive depression that

1379

01:10:16,640 --> 01:10:13,650

he experienced and ultimately to his

1380

01:10:19,510 --> 01:10:16,650

untimely and tragic suicide off on a

1381

01:10:22,550 --> 01:10:19,520

tangent but I think an important one by

1382

01:10:25,070 --> 01:10:22,560

the 13th of November Gregg the cloud

1383

01:10:27,350 --> 01:10:25,080

busting operation was showing amazing

1384

01:10:30,700 --> 01:10:27,360

results the relative humidity had rose

1385

01:10:34,400 --> 01:10:30,710

into 67 degrees there was foliage

1386

01:10:37,730 --> 01:10:34,410

observable on mountain ranges that could

1387

01:10:41,990 --> 01:10:37,740

be seen from Tucson something that had

1388

01:10:44,540 --> 01:10:42,000

never been observed in modern times that

1389

01:10:48,470 --> 01:10:44,550

the mountain ranges were turning green

1390

01:10:52,040 --> 01:10:48,480

for me you know as a layperson with a

1391

01:10:54,620 --> 01:10:52,050

passionate interest in aspects of

1392

01:10:56,450 --> 01:10:54,630

science obviously dr. reicks work which

1393

01:10:59,600 --> 01:10:56,460

has governed a certain amount of my life

1394

01:11:01,820 --> 01:10:59,610

for most of my life the same things that

1395

01:11:04,370 --> 01:11:01,830

I apply as an investigative writer in

1396

01:11:05,870 --> 01:11:04,380

UFOs looking for small details human

1397

01:11:11,030 --> 01:11:05,880

details

1398

01:11:14,660 --> 01:11:11,040

illuminate the bigger story emerge right

1399

01:11:16,850 --> 01:11:14,670

here several weeks a week two weeks

1400

01:11:20,690 --> 01:11:16,860

before it actually began to rain and

1401

01:11:23,260 --> 01:11:20,700

broke every weather record in the

1402

01:11:27,440 --> 01:11:23,270

history of Arizona still to this day

1403

01:11:30,890 --> 01:11:27,450

prairie grass began to spontaneously

1404

01:11:33,920 --> 01:11:30,900

sprout up in the acreage of the leased

1405

01:11:37,220 --> 01:11:33,930

site where they were doing the cloud

1406

01:11:38,780 --> 01:11:37,230

busting operation and I want your

1407

01:11:45,010 --> 01:11:38,790

listeners to take a moment and think

1408

01:11:50,120 --> 01:11:45,020

about that that dormant seeds in that

1409

01:11:52,550 --> 01:11:50,130

sand for decades and decades and you

1410

01:11:54,980 --> 01:11:52,560

know seeds are amazing things we seeds

1411

01:11:57,290 --> 01:11:54,990

that were in the great pyramid for

1412

01:11:59,750 --> 01:11:57,300

millennia have been sprouted and there

1413

01:12:01,790 --> 01:11:59,760

are other examples of that it's it's

1414

01:12:04,130 --> 01:12:01,800

just one of the great miracles of the

1415

01:12:07,520 --> 01:12:04,140

way that life functions on this amazing

1416

01:12:09,410 --> 01:12:07,530

planet that grass began to grow around

1417

01:12:12,560 --> 01:12:09,420

the site there was that much moisture in

1418

01:12:15,500 --> 01:12:12,570

the air before it actually began raining

1419

01:12:18,470 --> 01:12:15,510

I know I've been going on for a long

1420

01:12:21,170 --> 01:12:18,480

time obviously the two hours we've

1421

01:12:23,690 --> 01:12:21,180

allotted for this show this is such a

1422

01:12:26,630 --> 01:12:23,700

huge subject dr. reicks work for me is

1423

01:12:29,120 --> 01:12:26,640

filled decades of my life and made it a

1424

01:12:31,850 --> 01:12:29,130

much more fulfilling life than I think

1425

01:12:33,200 --> 01:12:31,860

it might have been otherwise but to sum

1426

01:12:36,140 --> 01:12:33,210

things up and then go to whatever

1427

01:12:39,110 --> 01:12:36,150

questions we had time for in the next

1428

01:12:41,960 --> 01:12:39,120

day or so the temperature dropped to 47

1429

01:12:45,380 --> 01:12:41,970

percent humidity the humidity dropped to

1430

01:12:48,320 --> 01:12:45,390

40% percent not the temperature it was

1431

01:12:52,480 --> 01:12:48,330

accompanied by major UFO activity and I

1432

01:12:55,670 --> 01:12:52,490

mean flashing pulsating UFOs in the air

1433

01:12:58,970 --> 01:12:55,680

observed by people in Tucson this is not

1434

01:13:01,490 --> 01:12:58,980

some you know crazy conspiratorial story

1435

01:13:03,890 --> 01:13:01,500

this was being seen by the public many

1436

01:13:06,070 --> 01:13:03,900

of whom were increasingly interested in

1437

01:13:10,400 --> 01:13:06,080

Reich's weather modification work

1438

01:13:12,040 --> 01:13:10,410

ultimately it resulted in what Wright

1439

01:13:15,920 --> 01:13:12,050

described as something like a battle

1440

01:13:19,339 --> 01:13:15,930

between UFO activity and cloud busting

1441

01:13:22,369 --> 01:13:19,349

activity and ultimately into

1442

01:13:23,989 --> 01:13:22,379

December and I'm kind of compressing the

1443

01:13:28,819 --> 01:13:23,999

story here tremendously

1444

01:13:30,109 --> 01:13:28,829

it not only rained but it snowed at the

1445

01:13:34,239 --> 01:13:30,119

Tucson Airport

1446

01:13:39,619 --> 01:13:34,249

I believe on the Christmas Day of of

1447

01:13:43,279 --> 01:13:39,629

1954 every weather record in the history

1448

01:13:49,369 --> 01:13:43,289

of the state of Arizona was broken it

1449

01:13:51,979 --> 01:13:49,379

rained so hard that drainage ditches

1450

01:13:55,280 --> 01:13:51,989

that had not seen rain for more than

1451

01:13:57,830 --> 01:13:55,290

half a century flooded out

1452

01:13:59,660 --> 01:13:57,840

and people who had built their homes in

1453

01:14:03,080 --> 01:13:59,670

those drainage ditches over the

1454

01:14:07,130 --> 01:14:03,090

preceding decades were flooded out snow

1455

01:14:09,470 --> 01:14:07,140

could be seen on mount Catalina 2,000

1456

01:14:12,530 --> 01:14:09,480

families had to be evacuated from the

1457

01:14:15,650 --> 01:14:12,540

perennially dry riverbed where they had

1458

01:14:18,410 --> 01:14:15,660

built their homes the rain moved on to

1459

01:14:21,500 --> 01:14:18,420

Texas and New Mexico while the Phoenix

1460

01:14:24,800 --> 01:14:21,510

Valley experienced fog for the first

1461

01:14:25,220 --> 01:14:24,810

time in memory it went on and on from

1462

01:14:30,710 --> 01:14:25,230

there

1463

01:14:33,830 --> 01:14:30,720

and into January a local bank had

1464

01:14:36,560 --> 01:14:33,840

approached dr. Reich with an offer to

1465

01:14:40,100 --> 01:14:36,570

fund his continuing work in the area

1466

01:14:43,730 --> 01:14:40,110

local farmers asked to meet with him to

1467

01:14:46,010 --> 01:14:43,740

learn the techniques and begin this

1468

01:14:48,740 --> 01:14:46,020

weather modification on their own and

1469

01:14:52,700 --> 01:14:48,750

then history interceded in another way

1470

01:14:58,030 --> 01:14:52,710

the FDA which again had been trying for

1471

01:15:00,080 --> 01:14:58,040

years to destroy Reich managed to create

1472

01:15:03,680 --> 01:15:00,090

legislation that was fair enough

1473

01:15:06,110 --> 01:15:03,690

that Reichs orgone energy accumulators

1474

01:15:10,810 --> 01:15:06,120

which were being manufactured on a one

1475

01:15:16,670 --> 01:15:10,820

by one manufacturing schedule out of the

1476

01:15:19,580 --> 01:15:16,680

Rangeley location and being shipped to

1477

01:15:21,710 --> 01:15:19,590

people interested in them the FDA was

1478

01:15:25,390 --> 01:15:21,720

able to get an injunction against

1479

01:15:29,120 --> 01:15:25,400

interstate shipping of accumulators and

1480

01:15:31,130 --> 01:15:29,130

classifying them as experimental medical

1481

01:15:34,270 --> 01:15:31,140

or scientific devices which was fair

1482

01:15:37,220 --> 01:15:34,280

enough unfortunately one of Reich's

1483

01:15:39,100 --> 01:15:37,230

physicians a brilliant clinician and a

1484

01:15:42,890 --> 01:15:39,110

very decent man named Michael silvered

1485

01:15:46,100 --> 01:15:42,900

screwed up and he shipped panels for an

1486

01:15:49,400 --> 01:15:46,110

accumulator out of state and so an

1487

01:15:52,280 --> 01:15:49,410

injunction was created it happened right

1488

01:15:56,090 --> 01:15:52,290

at this moment in this extraordinary

1489

01:16:00,410 --> 01:15:56,100

moment in Arizona and Reich decided to

1490

01:16:03,020 --> 01:16:00,420

return to Maine and against once again

1491

01:16:05,880 --> 01:16:03,030

the advice of all who cared about him as

1492

01:16:11,130 --> 01:16:05,890

well as the people who had his best

1493

01:16:15,520 --> 01:16:11,140

um best interest

1494

01:16:18,300 --> 01:16:15,530

yes exactly in mind that he decided that

1495

01:16:23,610 --> 01:16:18,310

he would take personal responsibility

1496

01:16:27,490 --> 01:16:23,620

absolving the clinician who actually

1497

01:16:29,200 --> 01:16:27,500

shipped the panels although dr. Silber

1498

01:16:33,210 --> 01:16:29,210

was consumed with guilt about having

1499

01:16:37,420 --> 01:16:33,220

done so more that he would use the court

1500

01:16:39,700 --> 01:16:37,430

case as an opportunity to present the

1501

01:16:43,150 --> 01:16:39,710

validity of his work in an American

1502

01:16:47,670 --> 01:16:43,160

Court well it blew up against him in

1503

01:16:51,310 --> 01:16:47,680

several ways number one his attorney who

1504

01:16:55,180 --> 01:16:51,320

really had been conspiring against him

1505

01:16:58,860 --> 01:16:55,190

for years and was a friend of the judge

1506

01:17:02,620 --> 01:16:58,870

who had the case really let him down and

1507

01:17:05,520 --> 01:17:02,630

his attempt to present his the validity

1508

01:17:09,100 --> 01:17:05,530

of his work would absolutely not be

1509

01:17:12,070 --> 01:17:09,110

accepted by the court he was judged

1510

01:17:15,490 --> 01:17:12,080

guilty of interstate shipment of a

1511

01:17:19,060 --> 01:17:15,500

scientific unproven scientific medical

1512

01:17:24,430 --> 01:17:19,070

device and was sentenced to a year in

1513

01:17:28,750 --> 01:17:24,440

prison which he served in Lewisburg

1514

01:17:30,970 --> 01:17:28,760

State Penitentiary in Pennsylvania it

1515

01:17:34,340 --> 01:17:30,980

broke him though and I should also say

1516

01:17:38,330 --> 01:17:34,350

that starting at this time

1517

01:17:42,440 --> 01:17:38,340

until 1960 or so several years after his

1518

01:17:44,930 --> 01:17:42,450

death and several months before the

1519

01:17:47,750 --> 01:17:44,940

inauguration of President Kennedy more

1520

01:17:50,300 --> 01:17:47,760

than eight tons of Reich's original

1521

01:17:53,810 --> 01:17:50,310

scientific literature first edition

1522

01:17:56,600 --> 01:17:53,820

public books monographs pamphlets case

1523

01:18:00,590 --> 01:17:56,610

histories were destroyed in government

1524

01:18:04,010 --> 01:18:00,600

incinerators why because the FDA had

1525

01:18:09,740 --> 01:18:04,020

managed in their injunction to state

1526

01:18:13,190 --> 01:18:09,750

that orgone energy was a hoax a fraud a

1527

01:18:17,000 --> 01:18:13,200

fantasy and any reference to it they had

1528

01:18:19,550 --> 01:18:17,010

the right to burn books many of the

1529

01:18:22,220 --> 01:18:19,560

books that were burned made no mention

1530

01:18:25,190 --> 01:18:22,230

of orgone energy but it might have been

1531

01:18:27,530 --> 01:18:25,200

included in a description of one of his

1532

01:18:31,670 --> 01:18:27,540

other books on the back of the book

1533

01:18:35,270 --> 01:18:31,680

jacket or in the Flyleaf dr. Reich was

1534

01:18:39,260 --> 01:18:35,280

found dead in his prison cell about a

1535

01:18:43,400 --> 01:18:39,270

week before he was due to be discharged

1536

01:18:46,610 --> 01:18:43,410

from prison on parole I know from dr.

1537

01:18:48,860 --> 01:18:46,620

Baker and having spoken with his

1538

01:18:52,010 --> 01:18:48,870

daughter when she was still alive dr.

1539

01:18:55,700 --> 01:18:52,020

Eva Reich that he had completed a

1540

01:18:56,930 --> 01:18:55,710

manuscript for a book that the working

1541

01:18:59,090 --> 01:18:56,940

title was creation

1542

01:19:01,190 --> 01:18:59,100

dr. Baker had read a certain amount of

1543

01:19:04,150 --> 01:19:01,200

it he said it was the most brilliant

1544

01:19:07,420 --> 01:19:04,160

work that he had yet published and that

1545

01:19:11,750 --> 01:19:07,430

manuscript not surprisingly was missing

1546

01:19:14,120 --> 01:19:11,760

my guess is that the FBI has it and that

1547

01:19:17,240 --> 01:19:14,130

it's with you know material that was

1548

01:19:22,210 --> 01:19:17,250

confiscated from Tesla's hotel room when

1549

01:19:26,320 --> 01:19:22,220

he passed away in 42 as I recall but

1550

01:19:31,120 --> 01:19:26,330

this has been the most compressed

1551

01:19:34,660 --> 01:19:31,130

concise sort of transistorized version

1552

01:19:36,940 --> 01:19:34,670

of dr. reicks life and work for anyone

1553

01:19:40,930 --> 01:19:36,950

interested in reading a serious

1554

01:19:43,990 --> 01:19:40,940

biography of dr. Reich and his books can

1555

01:19:50,350 --> 01:19:44,000

be found online the book that I would

1556

01:19:53,170 --> 01:19:50,360

recommend is called fury on earth and it

1557

01:19:56,050 --> 01:19:53,180

was written by dr. Myron sheriff who was

1558

01:19:58,990 --> 01:19:56,060

a student of dr. Reich's and a friend of

1559

01:20:01,060 --> 01:19:59,000

mine it's a very important book a

1560

01:20:04,690 --> 01:20:01,070

powerful biography and will probably

1561

01:20:08,920 --> 01:20:04,700

stand as the definitive biography of dr.

1562

01:20:12,250 --> 01:20:08,930

Reich you can find his books used all

1563

01:20:15,310 --> 01:20:12,260

over the place my favorite place one of

1564

01:20:18,910 --> 01:20:15,320

them is a book service called Abe books

1565

01:20:22,360 --> 01:20:18,920

that's a biz an Abe Lincoln a B e books

1566

01:20:25,240 --> 01:20:22,370

calm although you know Barnes and Noble

1567

01:20:27,430 --> 01:20:25,250

Amazon I don't know if any of his books

1568

01:20:29,920 --> 01:20:27,440

are in print right now but there are

1569

01:20:33,220 --> 01:20:29,930

more than 20 books that are out there

1570

01:20:37,000 --> 01:20:33,230

and new books appearing irregularly as

1571

01:20:39,940 --> 01:20:37,010

the estate is able to call the

1572

01:20:43,780 --> 01:20:39,950

information from the extraordinary

1573

01:20:47,890 --> 01:20:43,790

archive that was basically locked up at

1574

01:20:53,560 --> 01:20:47,900

Reich's request for 50 years and opened

1575

01:20:57,100 --> 01:20:53,570

it was a ball in Portland Maine and that

1576

01:20:59,800 --> 01:20:57,110

is the basic story and happy to go to

1577

01:21:02,800 --> 01:20:59,810

whatever questions you might have that I

1578

01:21:05,410 --> 01:21:02,810

may be able to answer Gregg absolutely

1579

01:21:06,790 --> 01:21:05,420

man damn that was a great breakdown

1580

01:21:08,140 --> 01:21:06,800

thanks for laying it all out and

1581

01:21:10,180 --> 01:21:08,150

basically walking us through the

1582

01:21:12,910 --> 01:21:10,190

important bullet points in the life of

1583

01:21:15,790 --> 01:21:12,920

dr. Reich we have gone a bit past what

1584

01:21:17,620 --> 01:21:15,800

is the typical half point for one of

1585

01:21:19,510 --> 01:21:17,630

these episodes but for the sake of not

1586

01:21:21,700 --> 01:21:19,520

breaking up a good story we'll just end

1587

01:21:24,550 --> 01:21:21,710

the free show here and I'll ask you some

1588

01:21:26,680 --> 01:21:24,560

questions for the plus side but before

1589

01:21:28,060 --> 01:21:26,690

we do close it out is there anything

1590

01:21:30,100 --> 01:21:28,070

else you'd like to tell the people about

1591

01:21:33,919 --> 01:21:30,110

Reich's work or your own or where they

1592

01:21:36,890 --> 01:21:33,929

can follow up with you well just that

1593

01:21:40,130 --> 01:21:36,900

any of your listeners that have found

1594

01:21:43,610 --> 01:21:40,140

our conversation and my rambling here

1595

01:21:47,479 --> 01:21:43,620

interesting enough to pursue it go

1596

01:21:49,189 --> 01:21:47,489

online and buy some books by wilhelm

1597

01:21:52,000 --> 01:21:49,199

reich you can find used copies for a

1598

01:21:57,169 --> 01:21:52,010

couple of bucks each and read them and

1599

01:22:00,439 --> 01:21:57,179

read them there are occasionally organa

1600

01:22:05,030 --> 01:22:00,449

me conferences here and abroad if you're

1601
01:22:06,770 --> 01:22:05,040
able to attend do your welcome to the

1602
01:22:09,169 --> 01:22:06,780
Facebook friend of mine I always post

1603
01:22:12,350 --> 01:22:09,179
what I'm doing I have a very underused

1604
01:22:15,500 --> 01:22:12,360
website which I need to be more involved

1605
01:22:18,020 --> 01:22:15,510
with called peter robbins NY dot-com

1606
01:22:21,530 --> 01:22:18,030
where i will post any relevant

1607
01:22:24,290 --> 01:22:21,540
announcements as well and i think if you

1608
01:22:27,470 --> 01:22:24,300
go on youtube you can find some of my

1609
01:22:29,510 --> 01:22:27,480
talks on dr. reich and otherwise i

1610
01:22:31,850 --> 01:22:29,520
really enjoyed having this opportunity

1611
01:22:34,490 --> 01:22:31,860
greg and we look forward to returning

1612
01:22:35,570 --> 01:22:34,500
the show at some future date absolutely

1613
01:22:37,490 --> 01:22:35,580

man i know you've done a lot more

1614

01:22:39,530 --> 01:22:37,500

research in the UFO field we didn't even

1615

01:22:41,720 --> 01:22:39,540

really get to touch on but until that

1616

01:22:44,030 --> 01:22:41,730

day take care of yourself out there man

1617

01:22:48,410 --> 01:22:44,040

keep doing what you do thanks again you

1618

01:22:51,979 --> 01:22:48,420

bet alright people wow we did it

1619

01:22:53,510 --> 01:22:51,989

a rike show i think the man's worthy of

1620

01:22:57,620 --> 01:22:53,520

it and i think a lot of us know details

1621

01:22:59,090 --> 01:22:57,630

now that we didn't previously free

1622

01:23:00,860 --> 01:22:59,100

listeners might have noticed they got

1623

01:23:02,810 --> 01:23:00,870

over 90 minutes a show because that's

1624

01:23:04,939 --> 01:23:02,820

just how long it took to get through

1625

01:23:07,430 --> 01:23:04,949

Reich's biography and I didn't want to

1626

01:23:09,620 --> 01:23:07,440

cut you guys off in the middle I wasn't

1627

01:23:11,570 --> 01:23:09,630

expecting to only ask one question the

1628

01:23:13,189 --> 01:23:11,580

show but Peter was walking through all

1629

01:23:15,200 --> 01:23:13,199

the bullet points I wanted to hit anyway

1630

01:23:17,930 --> 01:23:15,210

so I figured I just let him do his thing

1631

01:23:19,610 --> 01:23:17,940

so the plus show just became my follow

1632

01:23:22,160 --> 01:23:19,620

up questions and since I knew I only had

1633

01:23:24,590 --> 01:23:22,170

time for a couple I went with most of my

1634

01:23:26,810 --> 01:23:24,600

weirder ones and I am still surprised

1635

01:23:28,399 --> 01:23:26,820

that Reich's position on our various

1636

01:23:30,740 --> 01:23:28,409

issues was that they can all be traced

1637

01:23:32,810 --> 01:23:30,750

back to sexual trauma but he never

1638

01:23:34,790 --> 01:23:32,820

mentioned circumcision I mean if you're

1639

01:23:38,209 --> 01:23:34,800

trying to make that case I would think

1640

01:23:41,750 --> 01:23:38,219

that'd be Exhibit A have you seen a

1641

01:23:43,520 --> 01:23:41,760

video of a circumcision especially a

1642

01:23:45,350 --> 01:23:43,530

tradition suos one where the moil

1643

01:23:47,670 --> 01:23:45,360

actually removes the foreskin with his

1644

01:23:49,350 --> 01:23:47,680

mouth you can see it on YouTube

1645

01:23:52,080 --> 01:23:49,360

I wouldn't have believed it myself

1646

01:23:55,560 --> 01:23:52,090

otherwise but hey it may look a little

1647

01:23:57,420 --> 01:23:55,570

funky but that's what God wants but

1648

01:23:59,220 --> 01:23:57,430

either way I do think Reich was on to

1649

01:24:01,740 --> 01:23:59,230

some really interesting things just the

1650

01:24:04,110 --> 01:24:01,750

segment on the cloud Busters and their

1651

01:24:06,240 --> 01:24:04,120

interactions with the UFOs I think we

1652

01:24:09,120 --> 01:24:06,250

have to maybe be able to get some kind

1653

01:24:12,000 --> 01:24:09,130

of insight from those interactions they

1654

01:24:14,580 --> 01:24:12,010

seem very unique and somewhat telling

1655

01:24:16,620 --> 01:24:14,590

and maybe we need to build a THC

1656

01:24:19,260 --> 01:24:16,630

cloudbuster gun to get to the bottom of

1657

01:24:21,120 --> 01:24:19,270

some of that stuff but I love it Peter

1658

01:24:22,530 --> 01:24:21,130

also had mentioned that my saying

1659

01:24:24,630 --> 01:24:22,540

Reich's work had anything to do with

1660

01:24:26,850 --> 01:24:24,640

alchemy it was a bit of a stretch but I

1661

01:24:28,860 --> 01:24:26,860

consider alchemy to be completely

1662

01:24:31,500 --> 01:24:28,870

related to working with the ether and

1663

01:24:34,280 --> 01:24:31,510

what is orgone energy is it not just

1664

01:24:36,840 --> 01:24:34,290

another name for the same thing so to me

1665

01:24:39,450 --> 01:24:36,850

harnessing and manipulating energy from

1666

01:24:41,730 --> 01:24:39,460

the fabric of reality is as much alchemy

1667

01:24:43,920 --> 01:24:41,740

as anything it's all under the umbrella

1668

01:24:46,560 --> 01:24:43,930

of Sciences that were removed from the

1669

01:24:47,700 --> 01:24:46,570

books a long time ago but maybe that's

1670

01:24:50,790 --> 01:24:47,710

just how I've been seeing it lately

1671

01:24:53,670 --> 01:24:50,800

that's a big thanks to Peter kicking off

1672

01:24:56,190 --> 01:24:53,680

October in a big way new website coming

1673

01:24:58,830 --> 01:24:56,200

real soon new higher side clothing

1674

01:25:01,200 --> 01:24:58,840

company coming real soon sign up for

1675

01:25:03,090 --> 01:25:01,210

plus if you like what I do and I'll see

1676
01:25:05,970 --> 01:25:03,100
you guys next week thanks for listening

1677
01:25:08,130 --> 01:25:05,980
that's it for me your move keepers of

1678
01:25:14,810 --> 01:25:08,140
the secret sciences and Oregon obsessed

1679
01:25:24,880 --> 01:25:19,970
woke up this morning with light in my

1680
01:25:29,189 --> 01:25:24,890
eyes and then realized it was dark

1681
01:25:29,199 --> 01:25:43,739
it was like coming down from the sky

1682
01:25:53,030 --> 01:25:47,910
must be those strangers

1683
01:25:59,960 --> 01:25:53,040
every night whose saucers she's alive

1684
01:26:04,460 --> 01:25:59,970
but people obtain the blue-green

1685
01:26:14,590 --> 01:26:04,470
footprints led love away in the dark I

1686
01:26:30,020 --> 01:26:20,750
mr. spaceman won't you please take me

1687
01:26:32,350 --> 01:26:30,030
along I won't do anything wrong hey mr.

1688
01:26:41,050 --> 01:26:32,360

spaceman

1689

01:26:50,120 --> 01:26:45,350

moved up this morning

1690

01:26:56,790 --> 01:26:50,130

feeling quite weird I had a slice in my

1691

01:27:05,580 --> 01:26:58,530

open my window

1692

01:27:15,700 --> 01:27:05,590

wait written my name so long we'll see

1693

01:27:26,840 --> 01:27:20,930

won't you please take me along I won't

1694

01:27:38,590 --> 01:27:30,770

mrs. basement

1695

01:27:38,600 --> 01:27:41,520

Hey

1696

01:27:58,910 --> 01:27:44,390

face man

1697

01:28:10,310 --> 01:28:03,600

why don't you please take me along the

1698

01:28:10,320 --> 01:28:23,610

take me along the high

1699

01:28:27,520 --> 01:28:25,960

hey guys thanks for listening to the

1700

01:28:29,860 --> 01:28:27,530

first hour of the higher side chats

1701

01:28:31,930 --> 01:28:29,870

podcast with me Greg Carl wood if you

1702

01:28:34,300 --> 01:28:31,940

don't know there is a second hour to all

1703

01:28:36,010 --> 01:28:34,310

the episodes we do around here generally

1704

01:28:37,750 --> 01:28:36,020

we're able to get a lot deeper into the

1705

01:28:39,730 --> 01:28:37,760

topics and ideas that a guest is about

1706

01:28:42,880 --> 01:28:39,740

so if you enjoyed what you've heard from

1707

01:28:45,070 --> 01:28:42,890

THC for free consider signing up at the

1708

01:28:47,050 --> 01:28:45,080

higher side chats plus com to get the

1709

01:28:49,360 --> 01:28:47,060

second hour of the 5 shows I put

1710

01:28:51,250 --> 01:28:49,370

together each month I never really

1711

01:28:52,990 --> 01:28:51,260

wanted to be a paid subscriber podcast

1712

01:28:54,970 --> 01:28:53,000

but I really hate the idea of spending

1713

01:28:57,070 --> 01:28:54,980

airtime promoting some product that's

1714

01:28:58,720 --> 01:28:57,080

completely unrelated and telling you the

1715

01:29:01,510 --> 01:28:58,730

best way to support the show is to buy

1716

01:29:03,400 --> 01:29:01,520

an audio book or new underwear by mail

1717

01:29:05,740 --> 01:29:03,410

or something crazy like that so instead

1718

01:29:07,330 --> 01:29:05,750

if you like the show double your time

1719

01:29:09,430 --> 01:29:07,340

with it for five bucks a month and let's

1720

01:29:11,080 --> 01:29:09,440

cut out all the other [h__h] it's half the

1721

01:29:12,850 --> 01:29:11,090

price of a movie ticket and you get at

1722

01:29:15,460 --> 01:29:12,860

least an extra five hours of show a

1723

01:29:17,260 --> 01:29:15,470

month collectively it keeps us stable

1724

01:29:18,850 --> 01:29:17,270

and it frees me from wasting your time

1725

01:29:21,430 --> 01:29:18,860

with anything but the show you came to

1726

01:29:23,410 --> 01:29:21,440

listen to it's really the only way for

1727

01:29:25,210 --> 01:29:23,420

an independent one-man show to make it

1728

01:29:27,430 --> 01:29:25,220

and I do what I can so that it's worth

1729

01:29:29,410 --> 01:29:27,440

your while since we started this I've

1730

01:29:31,420 --> 01:29:29,420

always tried to use the subscriptions to

1731

01:29:34,000 --> 01:29:31,430

improve the podcast and make signups

1732

01:29:35,920 --> 01:29:34,010

more advantageous it started with just a

1733

01:29:37,570 --> 01:29:35,930

second hour for the main show but now

1734

01:29:39,640 --> 01:29:37,580

we've got a nice forum going where

1735

01:29:41,350 --> 01:29:39,650

people can get deeper in conversation

1736

01:29:44,260 --> 01:29:41,360

about the episodes with other listeners

1737

01:29:46,480 --> 01:29:44,270

submit a candidate in the guest request

1738

01:29:48,160 --> 01:29:46,490

thread or share their own personal

1739

01:29:50,260 --> 01:29:48,170

projects to get out of the soul-crushing

1740

01:29:52,840 --> 01:29:50,270

nine-to-five cog in the wheel life on

1741

01:29:54,280 --> 01:29:52,850

the entrepreneurs thread the forum in

1742

01:29:56,230 --> 01:29:54,290

the Plus comments they're always the

1743

01:29:58,450 --> 01:29:56,240

first places I try to go for listener

1744

01:30:00,850 --> 01:29:58,460

engagement but it does get harder as the

1745

01:30:02,680 --> 01:30:00,860

show gets more popular because of that

1746

01:30:04,150 --> 01:30:02,690

there's also a direct messaging feature

1747

01:30:06,970 --> 01:30:04,160

that you can use to reach me through the

1748

01:30:08,500 --> 01:30:06,980

plus site also but beyond the forum if

1749

01:30:10,780 --> 01:30:08,510

you like any of the music I've used for

1750

01:30:12,580 --> 01:30:10,790

THC most of it I've hired artists to

1751

01:30:14,830 --> 01:30:12,590

make and I provided all its free

1752

01:30:16,270 --> 01:30:14,840

downloads to plus members too so if you

1753

01:30:18,460 --> 01:30:16,280

like a particular song you've heard

1754

01:30:20,800 --> 01:30:18,470

close the show out recently come get the

1755

01:30:22,840 --> 01:30:20,810

mp3 I should also mention that if you

1756

01:30:25,180 --> 01:30:22,850

don't like the idea of paying \$5

1757

01:30:27,340 --> 01:30:25,190

recurring every month I get that you can

1758

01:30:29,710 --> 01:30:27,350

buy three months six months or a year

1759

01:30:31,450 --> 01:30:29,720

upfront and just be done with it I have

1760

01:30:34,000 --> 01:30:31,460

plenty of listeners who send checks and

1761

01:30:36,100 --> 01:30:34,010

money orders to the PIO box too I try to

1762

01:30:37,180 --> 01:30:36,110

make it as easy for people as I can and

1763

01:30:39,310 --> 01:30:37,190

you can read more about it on

1764

01:30:41,830 --> 01:30:39,320

sign up page also be sure to check out

1765

01:30:43,510 --> 01:30:41,840

the FAQ help page on the plus side if

1766

01:30:45,340 --> 01:30:43,520

you have any questions or concerns about

1767

01:30:47,680 --> 01:30:45,350

how to listen to a password-protected

1768

01:30:49,840 --> 01:30:47,690

show on your devices I've highlighted a

1769

01:30:51,880 --> 01:30:49,850

lot of great solutions and one of those

1770

01:30:54,550 --> 01:30:51,890

would be the iPhone app that just

1771

01:30:56,680 --> 01:30:54,560

recently hit the Apple App Store a super

1772

01:30:58,420 --> 01:30:56,690

kind and talented listener made it for

1773

01:31:00,160 --> 01:30:58,430

us and you can use it to stream or

1774

01:31:02,680 --> 01:31:00,170

download either the free or the plus

1775

01:31:05,620 --> 01:31:02,690

show if you're on Android I'd use pocket

1776

01:31:08,050 --> 01:31:05,630

casts or podcast addict and subscribe to

1777

01:31:10,330 --> 01:31:08,060

the feed manually that way I also try to

1778

01:31:12,280 --> 01:31:10,340

throw an occasional bonus shows or QA

1779

01:31:14,830 --> 01:31:12,290

shows and I've got a few other weird

1780

01:31:16,750 --> 01:31:14,840

ideas I might get to try out soon but I

1781

01:31:18,400 --> 01:31:16,760

give you all I can for 5 bucks and I

1782

01:31:20,140 --> 01:31:18,410

hope you'll at least give it a shot if

1783

01:31:21,910 --> 01:31:20,150

you've listened to a few free shows and

1784

01:31:23,680 --> 01:31:21,920

you find them unique or valuable I know

1785

01:31:25,660 --> 01:31:23,690

there's a lot of podcasts out there and

1786

01:31:27,820 --> 01:31:25,670

I'm just one of them but if you have any

1787

01:31:29,590 --> 01:31:27,830

questions concerns or comments about any

1788

01:31:31,810 --> 01:31:29,600

of this please get in touch with us at

1789

01:31:34,510 --> 01:31:31,820

the higher side Chad's team at gmail.com

1790

01:31:35,920 --> 01:31:34,520

I also wanted to plug the higher side

1791

01:31:37,750 --> 01:31:35,930

newsletter I'm gonna be putting out

1792

01:31:40,000 --> 01:31:37,760

totally free for anyone who wants to

1793

01:31:42,130 --> 01:31:40,010

sign up at the main Internet web site

1794

01:31:44,260 --> 01:31:42,140

for the show the higher side chats comm

1795

01:31:46,060 --> 01:31:44,270

you can also get on that email list

1796

01:31:48,370 --> 01:31:46,070

through the higher side chats Facebook

1797

01:31:49,840 --> 01:31:48,380

page there's a button there as well but

1798

01:31:52,360 --> 01:31:49,850

the reason I'm doing this is because I

1799

01:31:54,220 --> 01:31:52,370

get tons and tons of emails after a show

1800

01:31:56,350 --> 01:31:54,230

goes up asking me about how I feel about

1801

01:31:57,910 --> 01:31:56,360

a particular guest or topic and the

1802

01:31:59,830 --> 01:31:57,920

wrap-up isn't always the best place to

1803

01:32:01,870 --> 01:31:59,840

do that especially if I have anything

1804

01:32:03,760 --> 01:32:01,880

negative to say sometimes the dust needs

1805

01:32:06,220 --> 01:32:03,770

to settle sometimes they need to hear

1806

01:32:07,810 --> 01:32:06,230

feedback from you guys first there are a

1807

01:32:09,400 --> 01:32:07,820

lot of factors but I usually have

1808

01:32:11,860 --> 01:32:09,410

something to communicate to you and I

1809

01:32:12,370 --> 01:32:11,870

just don't get to do it so on the first

1810

01:32:14,020 --> 01:32:12,380

of the month

1811

01:32:15,670 --> 01:32:14,030

I plan to send out a little newsletter

1812

01:32:17,740 --> 01:32:15,680

with my thoughts about the five shows

1813

01:32:19,780 --> 01:32:17,750

the previous month and talk to you about

1814

01:32:22,150 --> 01:32:19,790

anything else that's on my mind or

1815

01:32:24,070 --> 01:32:22,160

that's going on and what's probably most

1816

01:32:25,720 --> 01:32:24,080

enticing is that I'm gonna give you some

1817

01:32:28,030 --> 01:32:25,730

insight into at least one guest I have

1818

01:32:30,040 --> 01:32:28,040

coming up in the month which people have

1819

01:32:32,260 --> 01:32:30,050

been begging for some posted schedule

1820

01:32:34,209 --> 01:32:32,270

for a long time I personally think I'd

1821

01:32:36,040 --> 01:32:34,219

like the surprise but sign up for the

1822

01:32:37,510 --> 01:32:36,050

higher side newsletter it's free it

1823

01:32:39,160 --> 01:32:37,520

comes out on the first of the month and

1824

01:32:41,920 --> 01:32:39,170

I won't waste your time with any other

1825

01:32:43,600 --> 01:32:41,930

emails and that's it I appreciate you

1826

01:32:45,760 --> 01:32:43,610

listening I try to give alternative

1827

01:32:48,130 --> 01:32:45,770

ideas and guess a fair shake on a high

1828

01:32:50,709 --> 01:32:48,140

quality podcast expose some deep level

1829

01:32:52,330 --> 01:32:50,719

conspiracies without the yelling and

1830

01:32:53,950 --> 01:32:52,340

I hope to offer some inspiration that

1831

01:32:55,600 --> 01:32:53,960

even though the system relentlessly

1832

01:32:58,060 --> 01:32:55,610

suggests you should follow their

1833

01:32:59,770 --> 01:32:58,070

blueprint to mediocrity you can do your

1834

01:33:02,140 --> 01:32:59,780

own thing and live a much happier life

1835

01:33:04,600 --> 01:33:02,150

despite all the negativity in the world
