

JOSEPH FARRELL

COMMON CORE & THE CABAL

PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT THEHIGHERSIDECHATS.COM

LISTEN TO THE EXTENDED SHOW AT THEHIGHERSIDECHATSPLUS.COM

1
00:00:06,170 --> 00:00:03,949

hey there guys just a short

2
00:00:07,490 --> 00:00:06,180

not-so-subtle pre-show reminder from

3
00:00:10,220 --> 00:00:07,500

your humble host that you're listening

4
00:00:12,379 --> 00:00:10,230

to the free first hour of this year THC

5
00:00:14,419 --> 00:00:12,389

episode and we do reserve the second

6
00:00:16,039 --> 00:00:14,429

hour of each episode for plus members

7
00:00:18,290 --> 00:00:16,049

though I don't usually waste your time

8
00:00:20,090 --> 00:00:18,300

with ads or plugs but if you're curious

9
00:00:22,429 --> 00:00:20,100

enough to hear more you can now get a

10
00:00:23,990 --> 00:00:22,439

free 7-day trial membership by filling

11
00:00:26,779 --> 00:00:24,000

out the short form at the bottom of the

12
00:00:29,689 --> 00:00:26,789

page on the higher side chats calm so

13
00:00:32,540 --> 00:00:29,699

treat yourself and maybe fingers crossed

14

00:00:34,280 --> 00:00:32,550

you'll stick around if it works for

15

00:00:38,930 --> 00:00:34,290

Netflix it should work for me right now

16

00:00:42,080 --> 00:00:38,940

let's get this ride moving the planet of

17

00:00:44,360 --> 00:00:42,090

the Masters almost surely have a plan

18

00:00:51,210 --> 00:00:44,370

this clearly may be something there

19

00:01:02,080 --> 00:00:54,430

you think you know the less you really

20

00:01:08,010 --> 00:01:02,090

do that's true dr. Zaius uh with cuz we

21

00:01:16,340 --> 00:01:10,310

without tea

22

00:01:20,490 --> 00:01:18,840

all right higher side chatters we know

23

00:01:22,050 --> 00:01:20,500

all too well that there is plenty of

24

00:01:24,090 --> 00:01:22,060

power hidden behind the veil and

25

00:01:25,889 --> 00:01:24,100

unfortunately for us the earth has a

26

00:01:27,960 --> 00:01:25,899

rich history of control by vast

27

00:01:29,969 --> 00:01:27,970

interlocking networks of think-tanks

28

00:01:32,160 --> 00:01:29,979

multinational corporations secret

29

00:01:34,560 --> 00:01:32,170

societies esoteric orders and hidden

30

00:01:36,810 --> 00:01:34,570

finance seers all aimed at crafting

31

00:01:38,219 --> 00:01:36,820

society to their will and molding modern

32

00:01:40,679 --> 00:01:38,229

man as they see fit

33

00:01:42,330 --> 00:01:40,689

and while the conspiratorial baton has

34

00:01:44,190 --> 00:01:42,340

changed hands many times throughout

35

00:01:44,639 --> 00:01:44,200

history when it comes to the world stage

36

00:01:47,190 --> 00:01:44,649

today

37

00:01:49,050 --> 00:01:47,200

it's the post-world War two Nazi fascist

38

00:01:50,730 --> 00:01:49,060

international that our returning guest

39

00:01:52,919 --> 00:01:50,740

Joseph Ferrell has been tracking over

40

00:01:54,449 --> 00:01:52,929

the course of several years and their

41

00:01:56,580 --> 00:01:54,459

fingerprints seem to be on much more

42

00:01:58,380 --> 00:01:56,590

than you might think today we're going

43

00:02:00,359 --> 00:01:58,390

to focus on the content of his latest

44

00:02:02,580 --> 00:02:00,369

two books rotten to the common core

45

00:02:04,980 --> 00:02:02,590

public schooling standardized tests in

46

00:02:07,440 --> 00:02:04,990

the surveillance state and also hidden

47

00:02:09,749 --> 00:02:07,450

finance rogue networks in secret sorcery

48

00:02:12,240 --> 00:02:09,759

the fascist international 9/11 and

49

00:02:14,580 --> 00:02:12,250

penetrated operations both being further

50

00:02:16,559 --> 00:02:14,590

examples of amazing titles and

51
00:02:18,690 --> 00:02:16,569
examinations of where we see the game

52
00:02:20,460 --> 00:02:18,700
plan of this capstone cabal and the

53
00:02:22,590 --> 00:02:20,470
events and initiatives that reek of

54
00:02:24,210 --> 00:02:22,600
their underlying agendas one of my

55
00:02:26,430 --> 00:02:24,220
favorite guests and yours the man who

56
00:02:28,710 --> 00:02:26,440
died sex the plan Joseph P Farrell

57
00:02:30,180 --> 00:02:28,720
welcome back to the higher side thanks

58
00:02:32,250 --> 00:02:30,190
Greg thanks for having me back

59
00:02:34,349 --> 00:02:32,260
yeah honored a pleasure my good man you

60
00:02:37,020 --> 00:02:34,359
really are one of the greats I'm really

61
00:02:38,610 --> 00:02:37,030
excited for this and when I saw that

62
00:02:41,400 --> 00:02:38,620
rotten - the Common Core was coming out

63
00:02:43,620 --> 00:02:41,410

I was pumped because the education and

64

00:02:45,150 --> 00:02:43,630

schooling slice of the conspiracy pie is

65

00:02:47,309 --> 00:02:45,160

one that I think needs more attention

66

00:02:49,319 --> 00:02:47,319

because it affects us all so deeply I

67

00:02:51,000 --> 00:02:49,329

mean how could it not be rare you know

68

00:02:52,080 --> 00:02:51,010

we're forced to spend over a decade of

69

00:02:54,809 --> 00:02:52,090

our formative years under their

70

00:02:56,819 --> 00:02:54,819

nefarious guidance and slow slowly

71

00:02:58,770 --> 00:02:56,829

strips us down to nothing more but cogs

72

00:03:00,960 --> 00:02:58,780

in the machine and it leaves people

73

00:03:03,420 --> 00:03:00,970

unfulfilled often for their entire

74

00:03:05,009 --> 00:03:03,430

lifetime but even though compulsory

75

00:03:07,550 --> 00:03:05,019

schooling was sort of weaponized from

76
00:03:10,319 --> 00:03:07,560
the ground up they definitely seem to be

77
00:03:12,300 --> 00:03:10,329
tightening the screws so to speak with

78
00:03:15,479 --> 00:03:12,310
this new common core curriculum don't

79
00:03:18,509 --> 00:03:15,489
they oh absolutely absolutely you know

80
00:03:21,000 --> 00:03:18,519
the title says it all my co-author and I

81
00:03:24,539 --> 00:03:21,010
have both been involved in education in

82
00:03:26,640 --> 00:03:24,549
our lives he still is I was fortunate

83
00:03:28,050 --> 00:03:26,650
enough to get out although at the time I

84
00:03:31,050 --> 00:03:28,060
didn't think I was too

85
00:03:34,410 --> 00:03:31,060
fortunate but you know I saw the worst

86
00:03:36,960 --> 00:03:34,420
of the worst and to me doing the book

87
00:03:41,130 --> 00:03:36,970
was kind of it was kind of a bit of

88
00:03:43,199 --> 00:03:41,140

karma for me being able to expose some

89

00:03:46,020 --> 00:03:43,209

of the things that I saw going on as a

90

00:03:49,949 --> 00:03:46,030

professor one of my favorite anecdotes

91

00:03:52,199 --> 00:03:49,959

about the whole education methodology as

92

00:03:55,860 --> 00:03:52,209

it's taught in American quack edenia and

93

00:03:58,920 --> 00:03:55,870

that's how I refer to it is this shot

94

00:04:01,410 --> 00:03:58,930

through with psychological assumptions

95

00:04:03,750 --> 00:04:01,420

philosophical assumptions but my

96

00:04:05,550 --> 00:04:03,760

favorite anecdote from my teaching days

97

00:04:08,640 --> 00:04:05,560

was the fact I used to teach a variety

98

00:04:10,920 --> 00:04:08,650

of college-level history courses in

99

00:04:13,740 --> 00:04:10,930

modern European history Russian history

100

00:04:15,870 --> 00:04:13,750

even at one point I had to substitute

101
00:04:18,150 --> 00:04:15,880
for another professor who was on leave

102
00:04:20,759 --> 00:04:18,160
for a semester so I took his diplomatic

103
00:04:22,890 --> 00:04:20,769
history of the United States course and

104
00:04:25,500 --> 00:04:22,900
you know I had a wide range of courses

105
00:04:27,420 --> 00:04:25,510
that I taught but in teaching modern

106
00:04:30,390 --> 00:04:27,430
European history I used to give essay

107
00:04:32,400 --> 00:04:30,400
exams for the most part because I'm

108
00:04:34,380 --> 00:04:32,410
adamantly against the idea of the

109
00:04:38,280 --> 00:04:34,390
standardized test being able to capture

110
00:04:40,620 --> 00:04:38,290
anyone's process of the reasoning so in

111
00:04:43,350 --> 00:04:40,630
the end the examination the first

112
00:04:45,659 --> 00:04:43,360
question I put in the examination was

113
00:04:49,529 --> 00:04:45,669

list five things that the Treaty of

114

00:04:52,350 --> 00:04:49,539

Versailles stipulated with regard to

115

00:04:55,500 --> 00:04:52,360

Germany you know easy question you can

116

00:04:57,570 --> 00:04:55,510

write out your five answers and in the

117

00:05:02,760 --> 00:04:57,580

question obviously I had to spell

118

00:05:05,250 --> 00:05:02,770

Versailles the ER SI IL le s okay fair

119

00:05:06,659 --> 00:05:05,260

enough and the student answered and

120

00:05:09,659 --> 00:05:06,669

incidentally the student was an

121

00:05:11,840 --> 00:05:09,669

education major all right and this just

122

00:05:14,670 --> 00:05:11,850

goes to show as far as I'm concerned how

123

00:05:17,520 --> 00:05:14,680

colossal e stupefying

124

00:05:19,770 --> 00:05:17,530

and stupid icing the American

125

00:05:21,960 --> 00:05:19,780

educational system really is because

126

00:05:26,130 --> 00:05:21,970

this student responded by spelling

127

00:05:28,620 --> 00:05:26,140

versailles v ER SI GH huh verse

128

00:05:31,460 --> 00:05:28,630

versailles okay when it's spelled

129

00:05:34,200 --> 00:05:31,470

correctly in the question itself right

130

00:05:36,779 --> 00:05:34,210

so you know there's there's such a

131

00:05:39,690 --> 00:05:36,789

disconnect here that this whole

132

00:05:41,820 --> 00:05:39,700

methodology is made that people aren't

133

00:05:43,320 --> 00:05:41,830

even capable of thinking anymore

134

00:05:45,210 --> 00:05:43,330

so anyway that's that's kind of my

135

00:05:47,760 --> 00:05:45,220

anecdote to get it started

136

00:05:49,529 --> 00:05:47,770

fair enough and that really does go

137

00:05:51,510 --> 00:05:49,539

hand-in-hand with what I had is a first

138

00:05:53,909 --> 00:05:51,520

question for you which is early on in

139

00:05:55,770 --> 00:05:53,919

the book you do say that our focus is

140

00:05:58,320 --> 00:05:55,780

not so much upon the content or the

141

00:06:00,600 --> 00:05:58,330

standards themselves but rather upon the

142

00:06:02,850 --> 00:06:00,610

assessment process and its implicit

143

00:06:04,559 --> 00:06:02,860

consequences for parents students and

144

00:06:06,540 --> 00:06:04,569

the teaching profession right can you

145

00:06:08,070 --> 00:06:06,550

elaborate on that assessment process why

146

00:06:11,490 --> 00:06:08,080

it's so concerning and what it does

147

00:06:13,230 --> 00:06:11,500

exactly all right well the problem with

148

00:06:15,180 --> 00:06:13,240

most of the debate as far as my

149

00:06:18,570 --> 00:06:15,190

co-author and I were concerned with

150

00:06:22,110 --> 00:06:18,580

Common Core is that everybody's focused

151
00:06:24,390 --> 00:06:22,120
on the standards themselves well to us

152
00:06:27,779 --> 00:06:24,400
this was kind of a clever distraction

153
00:06:30,180 --> 00:06:27,789
because no one to my mind that is

154
00:06:32,159 --> 00:06:30,190
involved in education would question the

155
00:06:35,070 --> 00:06:32,169
idea that there is a certain central

156
00:06:37,770 --> 00:06:35,080
core or body of knowledge that education

157
00:06:39,600 --> 00:06:37,780
is designed to hand out whatever the

158
00:06:41,969 --> 00:06:39,610
subject matter you might be teaching be

159
00:06:44,640 --> 00:06:41,979
it history or physics or mathematics or

160
00:06:47,189 --> 00:06:44,650
music or whatever there is some sort of

161
00:06:49,860 --> 00:06:47,199
core that everybody acknowledges is

162
00:06:51,629 --> 00:06:49,870
there although individuals might draw up

163
00:06:53,809 --> 00:06:51,639

a different list as to what that core

164

00:06:56,790 --> 00:06:53,819

might be but their substantial agreement

165

00:07:00,480 --> 00:06:56,800

the real problem for us with Common Core

166

00:07:03,420 --> 00:07:00,490

is not in the actual idea that there

167

00:07:05,909 --> 00:07:03,430

should be some sort of common standard

168

00:07:10,740 --> 00:07:05,919

of disciplinary content that gets

169

00:07:15,510 --> 00:07:10,750

transmitted but rather the idea that you

170

00:07:17,369 --> 00:07:15,520

can assess that core solely on the basis

171

00:07:20,550 --> 00:07:17,379

of standardized tests because what

172

00:07:23,219 --> 00:07:20,560

Common Core does is it takes the

173

00:07:26,010 --> 00:07:23,229

standardized tests philosophy the a CT

174

00:07:28,080 --> 00:07:26,020

the SAT Iowa test the basic skills that

175

00:07:30,089 --> 00:07:28,090

we all grew up having to fill out our

176

00:07:32,850 --> 00:07:30,099

little ovals making sure to stay inside

177

00:07:35,129 --> 00:07:32,860

the lines of their number to let pencils

178

00:07:38,999 --> 00:07:35,139

and so on and so forth is the idea that

179

00:07:41,519 --> 00:07:39,009

these tests can test reasoning process

180

00:07:42,510 --> 00:07:41,529

at all they can't what they're doing is

181

00:07:45,300 --> 00:07:42,520

they're providing you with a

182

00:07:47,399 --> 00:07:45,310

pre-selected list of answers that you

183

00:07:49,950 --> 00:07:47,409

have to choose from these answers

184

00:07:53,219 --> 00:07:49,960

oftentimes punish the student that is

185

00:07:56,199 --> 00:07:53,229

much more aware of the subtleties of

186

00:07:58,089 --> 00:07:56,209

certain things than the test makers them

187

00:08:00,850 --> 00:07:58,099

so that's the first problem but the

188

00:08:04,899 --> 00:08:00,860

second problem is that common core's

189

00:08:09,029 --> 00:08:04,909

assessment process supposedly takes the

190

00:08:12,749 --> 00:08:09,039

standardized test to a new level by

191

00:08:16,929 --> 00:08:12,759

making the test questions individually

192

00:08:19,299 --> 00:08:16,939

adaptive and responsive to the way the

193

00:08:21,730 --> 00:08:19,309

student answers the previous question

194

00:08:24,820 --> 00:08:21,740

alright so in other words we're looking

195

00:08:27,939 --> 00:08:24,830

at the standardized test on steroids

196

00:08:32,290 --> 00:08:27,949

because like all such things these are

197

00:08:34,899 --> 00:08:32,300

proprietary property you cannot go in

198

00:08:37,149 --> 00:08:34,909

and look at the algorithms the people

199

00:08:40,269 --> 00:08:37,159

involved in setting up these tests and

200

00:08:43,829 --> 00:08:40,279

so on and so forth so again you as a

201
00:08:47,949 --> 00:08:43,839
test taker are put in to an even more

202
00:08:51,370 --> 00:08:47,959
insidious box of having to read the mind

203
00:08:54,009 --> 00:08:51,380
of the test preparers hmm and to guess

204
00:08:55,960 --> 00:08:54,019
their answers my classic example of what

205
00:08:59,019 --> 00:08:55,970
the standardized test the problem of the

206
00:09:01,269 --> 00:08:59,029
standardized test is first of all it's

207
00:09:04,059 --> 00:09:01,279
designed to reinforce an official

208
00:09:05,889 --> 00:09:04,069
narrative let me give you an example you

209
00:09:09,100 --> 00:09:05,899
might encounter on a standardized test

210
00:09:11,259 --> 00:09:09,110
who assassinated President John F

211
00:09:14,470 --> 00:09:11,269
Kennedy well the answer is Lee Harvey

212
00:09:16,629 --> 00:09:14,480
Oswald right mm-hmm but will those tests

213
00:09:20,530 --> 00:09:16,639

ever give you the option of selecting

214

00:09:24,280 --> 00:09:20,540

from say an answer that would say a

215

00:09:26,590 --> 00:09:24,290

conspiracy involving a coalescence of

216

00:09:30,069 --> 00:09:26,600

interest involving you know anti-castro

217

00:09:31,689 --> 00:09:30,079

Cubans disenfranchised elements of the

218

00:09:33,579 --> 00:09:31,699

American intelligence community or what

219

00:09:36,400 --> 00:09:33,589

have you because once you get into that

220

00:09:39,249 --> 00:09:36,410

kind of question then you're required to

221

00:09:41,710 --> 00:09:39,259

not only know of that research but be

222

00:09:44,590 --> 00:09:41,720

able to argue the case well these tests

223

00:09:48,850 --> 00:09:44,600

do not allow you to argue your process

224

00:09:52,090 --> 00:09:48,860

of reasoning for anything they simply

225

00:09:54,189 --> 00:09:52,100

make you a passive regurgitator of

226

00:09:56,769 --> 00:09:54,199

answers that they have pre-selected and

227

00:09:59,860 --> 00:09:56,779

that you simply select as the proper

228

00:10:01,900 --> 00:09:59,870

response right and they would argue that

229

00:10:04,840 --> 00:10:01,910

this is all scientific when we go into a

230

00:10:06,490 --> 00:10:04,850

lot of detail about some of these test

231

00:10:08,889 --> 00:10:06,500

questions that have appeared on previous

232

00:10:09,780 --> 00:10:08,899

tests and they're anything but you know

233

00:10:12,120 --> 00:10:09,790

you might be able

234

00:10:14,940 --> 00:10:12,130

to come up with a correct answer in a

235

00:10:17,910 --> 00:10:14,950

mathematics question but again part of

236

00:10:20,250 --> 00:10:17,920

deriving that answer is to show how you

237

00:10:22,560 --> 00:10:20,260

derive it I mean that's part of the

238

00:10:25,350 --> 00:10:22,570

mathematical process itself it's part of

239

00:10:27,650 --> 00:10:25,360

mathematical proofs so it's not simply

240

00:10:29,610 --> 00:10:27,660

selecting an answer it's showing how you

241

00:10:32,220 --> 00:10:29,620

reason to that answer

242

00:10:35,940 --> 00:10:32,230

and none of these tests do that so

243

00:10:38,460 --> 00:10:35,950

Common Core puts this all on steroids by

244

00:10:40,380 --> 00:10:38,470

making it individually adaptable your

245

00:10:42,990 --> 00:10:40,390

response is individually adaptable to

246

00:10:47,010 --> 00:10:43,000

the individual student you know so this

247

00:10:49,980 --> 00:10:47,020

this to me is the indicator that it is a

248

00:10:52,200 --> 00:10:49,990

huge data mining operation number one

249

00:10:54,330 --> 00:10:52,210

and number two with the standardized

250

00:10:56,460 --> 00:10:54,340

test particularly in this instance where

251
00:10:58,740 --> 00:10:56,470
it's individually adapted what this

252
00:11:01,470 --> 00:10:58,750
means is that the test itself becomes

253
00:11:04,020 --> 00:11:01,480
kind of a loyalty test do you accept the

254
00:11:06,840 --> 00:11:04,030
standard narrative are you capable of

255
00:11:09,240 --> 00:11:06,850
knowing it and regurgitating it or do

256
00:11:11,610 --> 00:11:09,250
you not so you know there's any number

257
00:11:14,070 --> 00:11:11,620
of ways to look at this but the bottom

258
00:11:16,980 --> 00:11:14,080
line is for us it's just a massive

259
00:11:19,020 --> 00:11:16,990
expansion of the surveillance state and

260
00:11:22,110 --> 00:11:19,030
it's handing over in the guise of

261
00:11:25,230 --> 00:11:22,120
education to these testing corporations

262
00:11:27,690 --> 00:11:25,240
mountains of data which again are

263
00:11:29,850 --> 00:11:27,700

proprietary to them they can in turn use

264

00:11:32,400 --> 00:11:29,860

that data sell it and so on and so forth

265

00:11:35,340 --> 00:11:32,410

so as far as we're concerned it's a huge

266

00:11:36,060 --> 00:11:35,350

huge scam I'm right there with you

267

00:11:38,670 --> 00:11:36,070

cheers to that

268

00:11:41,460 --> 00:11:38,680

and I I love the old George Carlin line

269

00:11:43,350 --> 00:11:41,470

that they just want obedient workers and

270

00:11:44,880 --> 00:11:43,360

I think that the best term for what

271

00:11:46,530 --> 00:11:44,890

they're trying to churn out yeah and uh

272

00:11:48,000 --> 00:11:46,540

you know I got some friends I think a

273

00:11:50,340 --> 00:11:48,010

lot of people do who might be in the

274

00:11:51,690 --> 00:11:50,350

teaching profession and I thought about

275

00:11:54,600 --> 00:11:51,700

as I was going to this book how would

276

00:11:57,450 --> 00:11:54,610

they respond to some of these things and

277

00:11:59,250 --> 00:11:57,460

really the question that I think they

278

00:12:02,190 --> 00:11:59,260

don't ask that you do in the book is

279

00:12:04,440 --> 00:12:02,200

when was the last time that a teacher

280

00:12:06,630 --> 00:12:04,450

went went to a seminar something to

281

00:12:09,000 --> 00:12:06,640

study their actual discipline as opposed

282

00:12:10,860 --> 00:12:09,010

to the new standard for how they're

283

00:12:13,340 --> 00:12:10,870

supposed to quote manage their class

284

00:12:17,070 --> 00:12:13,350

right exactly exactly

285

00:12:19,380 --> 00:12:17,080

American crack edenia is focused on what

286

00:12:22,230 --> 00:12:19,390

I consider the claptrap of educational

287

00:12:23,590 --> 00:12:22,240

methodology so in other words school

288

00:12:25,990 --> 00:12:23,600

districts will pay you

289

00:12:28,840 --> 00:12:26,000

to go to conferences or require unions

290

00:12:31,800 --> 00:12:28,850

in many cases to stay after school and

291

00:12:34,329 --> 00:12:31,810

attend the latest workshop where you

292

00:12:37,449 --> 00:12:34,339

basically are subjected to all sorts of

293

00:12:39,639 --> 00:12:37,459

childish activities that are passive

294

00:12:42,069 --> 00:12:39,649

aggressive in nature designed to make

295

00:12:43,210 --> 00:12:42,079

you be a team player and all of this you

296

00:12:46,569 --> 00:12:43,220

know codswallop

297

00:12:50,559 --> 00:12:46,579

but basically you would be hard-pressed

298

00:12:53,680 --> 00:12:50,569

to find a teacher say a teacher of

299

00:12:56,650 --> 00:12:53,690

English that would be paid to go attend

300

00:12:59,889 --> 00:12:56,660

a conference in the latest scholarship

301
00:13:02,530 --> 00:12:59,899
in literary criticism or the latest

302
00:13:04,360 --> 00:13:02,540
findings on such-and-such an author you

303
00:13:06,670 --> 00:13:04,370
know and scholarly research or if you're

304
00:13:08,590 --> 00:13:06,680
a mathematics teacher going to a

305
00:13:10,509 --> 00:13:08,600
conference of mathematicians and hearing

306
00:13:12,939 --> 00:13:10,519
the latest papers in mathematics they're

307
00:13:15,040 --> 00:13:12,949
not interested in other words in the

308
00:13:16,749 --> 00:13:15,050
content of the disciplines that you are

309
00:13:19,420 --> 00:13:16,759
supposed to teach what they're

310
00:13:23,710 --> 00:13:19,430
interested in is making the teacher a

311
00:13:25,360 --> 00:13:23,720
kind of equivalent to a paralegal in

312
00:13:28,240 --> 00:13:25,370
other words the teacher is now kind of a

313
00:13:30,040 --> 00:13:28,250

licensed pair of psychiatrist who gets

314

00:13:32,679 --> 00:13:30,050

their certification in applying the

315

00:13:34,569 --> 00:13:32,689

latest psychological or educational

316

00:13:36,129 --> 00:13:34,579

theories in the classroom and that's

317

00:13:38,439 --> 00:13:36,139

what they spend most of their time with

318

00:13:41,290 --> 00:13:38,449

these conferences quote-unquote learning

319

00:13:45,309 --> 00:13:41,300

to do again for me this is a clear sign

320

00:13:47,230 --> 00:13:45,319

that that American education is failing

321

00:13:50,019 --> 00:13:47,240

simply because you know an English

322

00:13:52,809 --> 00:13:50,029

teacher is there to teach English not to

323

00:13:55,120 --> 00:13:52,819

teach the latest psychological theory so

324

00:13:56,889 --> 00:13:55,130

you know this is the other big problem

325

00:13:59,410 --> 00:13:56,899

that we're facing with all of this

326

00:14:01,590 --> 00:13:59,420

claptrap there's another thing since you

327

00:14:04,059 --> 00:14:01,600

raise this issue that we learned about

328

00:14:07,660 --> 00:14:04,069

after the book came out a teacher

329

00:14:09,910 --> 00:14:07,670

emailed me and said that she is

330

00:14:13,410 --> 00:14:09,920

absolutely refusing to go along with

331

00:14:16,600 --> 00:14:13,420

Common Core because it also stipulates a

332

00:14:19,059 --> 00:14:16,610

universal kind of lesson plan for the

333

00:14:20,590 --> 00:14:19,069

teachers in her school district so in

334

00:14:22,629 --> 00:14:20,600

other words whether this whether or not

335

00:14:25,420 --> 00:14:22,639

this teachers students are ready at a

336

00:14:26,980 --> 00:14:25,430

certain time to progress on to the next

337

00:14:30,579 --> 00:14:26,990

level of whatever discipline they're

338

00:14:33,250 --> 00:14:30,589

supposedly studying she's mandated to

339

00:14:34,809 --> 00:14:33,260

proceed regardless so in other words you

340

00:14:36,750 --> 00:14:34,819

know what teacher can teach in an

341

00:14:38,610 --> 00:14:36,760

atmosphere like that this is

342

00:14:41,220 --> 00:14:38,620

just another example of the

343

00:14:43,560 --> 00:14:41,230

centralization mania that is afflicting

344

00:14:45,990 --> 00:14:43,570

this country we know that centralization

345

00:14:48,030 --> 00:14:46,000

doesn't work for the simple reason that

346

00:14:50,970 --> 00:14:48,040

every group of human beings from

347

00:14:53,160 --> 00:14:50,980

elementary school classrooms all the way

348

00:14:55,280 --> 00:14:53,170

up to Wall Street every group of human

349

00:14:59,250 --> 00:14:55,290

beings is going to respond differently

350

00:15:00,630 --> 00:14:59,260

so you know the whole thing is is shot

351

00:15:03,360 --> 00:15:00,640

through with all of these assumptions

352

00:15:05,760 --> 00:15:03,370

that as far as we're concerned just mean

353

00:15:07,560 --> 00:15:05,770

that the whole thing is a huge scam it's

354

00:15:10,200 --> 00:15:07,570

not going to fix anything the only thing

355

00:15:13,470 --> 00:15:10,210

it's going to do is make these companies

356

00:15:15,840 --> 00:15:13,480

even richer as the public trough mm-hmm

357

00:15:18,540 --> 00:15:15,850

yeah well said and those are pretty

358

00:15:20,220 --> 00:15:18,550

telling elements and let's look at some

359

00:15:22,070 --> 00:15:20,230

of the the people and the money behind

360

00:15:23,910 --> 00:15:22,080

this thing because people tend to think

361

00:15:25,860 --> 00:15:23,920

philanthropists like Bill Gates and

362

00:15:27,990 --> 00:15:25,870

their foundations who fund education are

363

00:15:30,870 --> 00:15:28,000

doing charitable works just the best

364

00:15:33,360 --> 00:15:30,880

altruistic stuff but of course what are

365

00:15:35,070 --> 00:15:33,370

the red flags that you see that tell you

366

00:15:36,920 --> 00:15:35,080

that there's a deeper agenda here they

367

00:15:40,530 --> 00:15:36,930

don't have our best interest at heart

368

00:15:43,590 --> 00:15:40,540

well first of all the idea that these

369

00:15:46,740 --> 00:15:43,600

foundations are philanthropic is the

370

00:15:48,800 --> 00:15:46,750

first problem what these foundations are

371

00:15:51,510 --> 00:15:48,810

and we have a chapter in the book about

372

00:15:54,540 --> 00:15:51,520

foundations themselves and how they

373

00:15:56,640 --> 00:15:54,550

arose and what they really do what they

374

00:15:59,280 --> 00:15:56,650

do educationally is they act as

375

00:16:01,830 --> 00:15:59,290

gatekeepers for the officially approved

376

00:16:03,660 --> 00:16:01,840

narratives is what they do and they fund

377

00:16:05,790 --> 00:16:03,670

those who agree with those narratives

378

00:16:08,310 --> 00:16:05,800

and withdraw funding or keep funding

379

00:16:10,440 --> 00:16:08,320

from those who don't so this is the

380

00:16:12,090 --> 00:16:10,450

first problem the second problem with

381

00:16:14,640 --> 00:16:12,100

these foundations and this is an

382

00:16:17,460 --> 00:16:14,650

observation that was not made by us it

383

00:16:19,500 --> 00:16:17,470

was actually made by the Council of the

384

00:16:22,080 --> 00:16:19,510

rece Committee in the US House of

385

00:16:24,240 --> 00:16:22,090

Representatives back in the 1950s it was

386

00:16:27,150 --> 00:16:24,250

investigating foundations a fella by the

387

00:16:28,770 --> 00:16:27,160

name of Rene Wormser and worms are made

388

00:16:32,430 --> 00:16:28,780

the observation that what these

389

00:16:35,100 --> 00:16:32,440

foundations in effect are the way

390

00:16:37,830 --> 00:16:35,110

that the wealthy can retain control of

391

00:16:41,340 --> 00:16:37,840

their wealth while putting them into a

392

00:16:43,860 --> 00:16:41,350

special chartered entity that avoids

393

00:16:45,930 --> 00:16:43,870

taxation because these are nonprofit

394

00:16:47,970 --> 00:16:45,940

entities so in other words it gives them

395

00:16:49,400 --> 00:16:47,980

a huge amount of power and he made the

396

00:16:52,579 --> 00:16:49,410

observation that because

397

00:16:55,519 --> 00:16:52,589

as of this phenomenon the closest analog

398

00:16:58,280 --> 00:16:55,529

to them were the medieval military

399

00:17:00,639 --> 00:16:58,290

orders like the Templars or the hospital

400

00:17:02,660 --> 00:17:00,649

errs more than the Teutonic Knights

401
00:17:05,120 --> 00:17:02,670
because what were they while they were

402
00:17:07,610 --> 00:17:05,130
essentially tax-exempt charitable

403
00:17:09,470 --> 00:17:07,620
foundations that allowed the

404
00:17:12,319 --> 00:17:09,480
intergenerational accumulation of

405
00:17:15,409 --> 00:17:12,329
capital on the one hand and allowed the

406
00:17:17,750 --> 00:17:15,419
people that were members of that order

407
00:17:20,960 --> 00:17:17,760
or in this case foundation to control

408
00:17:23,929 --> 00:17:20,970
the uses of that capital and to drive

409
00:17:27,289 --> 00:17:23,939
political agendas I look at mr. gates

410
00:17:29,810 --> 00:17:27,299
and his backing of common core with with

411
00:17:32,720 --> 00:17:29,820
a very jaundiced skeptical eye for the

412
00:17:35,029 --> 00:17:32,730
very simple reason that again under the

413
00:17:37,070 --> 00:17:35,039

computerized individually adaptive

414

00:17:39,909 --> 00:17:37,080

assessment process which again is

415

00:17:42,620 --> 00:17:39,919

standardized testing on steroids now

416

00:17:45,470 --> 00:17:42,630

what he's really doing is driving an

417

00:17:47,480 --> 00:17:45,480

agenda simply designed to put more and

418

00:17:50,330 --> 00:17:47,490

more profits into his computer

419

00:17:53,620 --> 00:17:50,340

technology companies that's all it is so

420

00:17:56,810 --> 00:17:53,630

this is not an education solution

421

00:17:59,990 --> 00:17:56,820

there's even a case that we put in the

422

00:18:01,940 --> 00:18:00,000

book of a common core conference of get

423

00:18:05,720 --> 00:18:01,950

together where they invited everybody

424

00:18:08,090 --> 00:18:05,730

except guess what teachers Hickel are

425

00:18:10,549 --> 00:18:08,100

they invited administrators and

426

00:18:13,610 --> 00:18:10,559

superintendents and principals and so on

427

00:18:15,740 --> 00:18:13,620

and so forth but no teachers because of

428

00:18:17,840 --> 00:18:15,750

course that's where the rubber meets the

429

00:18:20,810 --> 00:18:17,850

road and most teachers I've talked to

430

00:18:24,380 --> 00:18:20,820

you are simply appalled at what they see

431

00:18:26,470 --> 00:18:24,390

in common core so I get again you know I

432

00:18:29,720 --> 00:18:26,480

really question whether or not these

433

00:18:31,789 --> 00:18:29,730

foundations really are philanthropic to

434

00:18:35,210 --> 00:18:31,799

begin with I think all along they've

435

00:18:38,029 --> 00:18:35,220

been designed to promote the agendas of

436

00:18:41,750 --> 00:18:38,039

the super-rich and you know we see where

437

00:18:43,880 --> 00:18:41,760

that's illetís yeah not only is it better

438

00:18:46,370 --> 00:18:43,890

for them in terms of expanding wealth

439

00:18:48,950 --> 00:18:46,380

and power as well as limiting liability

440

00:18:51,230 --> 00:18:48,960

they also get the PR currency for all

441

00:18:54,529 --> 00:18:51,240

these quote noble deeds that nobody ever

442

00:18:56,450 --> 00:18:54,539

looks deeper on exactly so if we go back

443

00:18:58,340 --> 00:18:56,460

a few years and look at who laid the

444

00:18:59,810 --> 00:18:58,350

foundation for what we have now and who

445

00:19:02,090 --> 00:18:59,820

should we be holding responsible

446

00:19:02,930 --> 00:19:02,100

yeah you paint a nice bold target on

447

00:19:05,270 --> 00:19:02,940

this ville

448

00:19:07,100 --> 00:19:05,280

I'm Vaughn's character as well as John

449

00:19:09,620 --> 00:19:07,110

Dewey can you talk to us about them a

450

00:19:12,350 --> 00:19:09,630

bit and some of the history here well

451

00:19:15,980 --> 00:19:12,360

this is very very crucial for people to

452

00:19:17,570 --> 00:19:15,990

understand why American education and

453

00:19:22,040 --> 00:19:17,580

I'll be just very blunt here why

454

00:19:26,270 --> 00:19:22,050

American education sucks vilhelm vote

455

00:19:29,540 --> 00:19:26,280

was basically one of the founders not

456

00:19:32,300 --> 00:19:29,550

only of psychology but of educational

457

00:19:34,310 --> 00:19:32,310

psychology and his philosophy was that

458

00:19:37,340 --> 00:19:34,320

if we were going to put psychology on

459

00:19:40,000 --> 00:19:37,350

any sort of scientific footing at all we

460

00:19:44,660 --> 00:19:40,010

had to be able to reduce it to a

461

00:19:47,810 --> 00:19:44,670

materialistic approach because only the

462

00:19:50,420 --> 00:19:47,820

material in that kind of nifty Cartesian

463

00:19:53,600 --> 00:19:50,430

dualism between matter and mind could be

464

00:19:56,660 --> 00:19:53,610

measured you know the mind was something

465

00:19:58,220 --> 00:19:56,670

that was personal subjective and all of

466

00:19:59,900 --> 00:19:58,230

that it couldn't be measured you

467

00:20:02,840 --> 00:19:59,910

couldn't take out a tape measure and

468

00:20:04,850 --> 00:20:02,850

measure it so he began for one of the

469

00:20:08,300 --> 00:20:04,860

better expression the materialistic turn

470

00:20:11,330 --> 00:20:08,310

in psychology and he set up a laboratory

471

00:20:14,660 --> 00:20:11,340

at the University of Leipzig in Prussia

472

00:20:17,120 --> 00:20:14,670

at the time and began to churn out

473

00:20:19,190 --> 00:20:17,130

students that he had trained in this

474

00:20:20,870 --> 00:20:19,200

approach to psychology and basically

475

00:20:24,350 --> 00:20:20,880

it's a very important to remember that

476

00:20:27,410 --> 00:20:24,360

Pavlov was one of his students because

477

00:20:29,810 --> 00:20:27,420

Vogt took the approach that because of

478

00:20:32,180 --> 00:20:29,820

the fact that the then reigning

479

00:20:34,670 --> 00:20:32,190

scientific paradigm was materialism that

480

00:20:36,200 --> 00:20:34,680

the humanity itself the human being as

481

00:20:38,810 --> 00:20:36,210

an individual and humanity as a

482

00:20:42,200 --> 00:20:38,820

collective was basically a stimulus

483

00:20:44,530 --> 00:20:42,210

response mechanism so in other words the

484

00:20:46,580 --> 00:20:44,540

educator had to design appropriate

485

00:20:48,590 --> 00:20:46,590

environments in the classroom and this

486

00:20:51,230 --> 00:20:48,600

is why teacher certification here is now

487

00:20:53,090 --> 00:20:51,240

important and why I suggested earlier

488

00:20:55,400 --> 00:20:53,100

that the teacher is nothing but kind of

489

00:20:58,310 --> 00:20:55,410

a parapsychologist and in this view

490

00:21:01,750 --> 00:20:58,320

because the teacher is supposed to

491

00:21:04,220 --> 00:21:01,760

design the most apt stimulus response

492

00:21:07,070 --> 00:21:04,230

environment for the student to learn it

493

00:21:09,770 --> 00:21:07,080

so there is your turn away from the

494

00:21:11,540 --> 00:21:09,780

content of the discipline to a focus on

495

00:21:13,760 --> 00:21:11,550

the methodology of actually

496

00:21:15,389 --> 00:21:13,770

communicating that discipline in that

497

00:21:18,979 --> 00:21:15,399

context so

498

00:21:22,709 --> 00:21:18,989

he trains a whole generation either

499

00:21:25,229 --> 00:21:22,719

directly or through people that he is

500

00:21:28,379 --> 00:21:25,239

trained who then train others who

501
00:21:30,869 --> 00:21:28,389
influenced American education at the end

502
00:21:32,999 --> 00:21:30,879
of the 19th century and all the way on

503
00:21:36,359 --> 00:21:33,009
into the 20th and I would even include

504
00:21:38,759 --> 00:21:36,369
people like George as counts or James

505
00:21:41,549 --> 00:21:38,769
bryant conant of harvard university or

506
00:21:44,159 --> 00:21:41,559
even henry Chauncey who sets up the

507
00:21:47,519 --> 00:21:44,169
Educational Testing Service in Princeton

508
00:21:50,039 --> 00:21:47,529
as people that were imbibed with this

509
00:21:51,989 --> 00:21:50,049
philosophy of humanity as a stimulus

510
00:21:54,570 --> 00:21:51,999
response mechanism it works out very

511
00:21:56,249 --> 00:21:54,580
well if you have that philosophy for

512
00:21:58,759 --> 00:21:56,259
Madison Avenue and Wall Street you know

513
00:22:01,440 --> 00:21:58,769

because you're creating a generation of

514

00:22:05,190 --> 00:22:01,450

consumers rather than people who can

515

00:22:08,249 --> 00:22:05,200

think critically about anything so it's

516

00:22:10,529 --> 00:22:08,259

had a huge huge effect on American

517

00:22:12,869 --> 00:22:10,539

education now you mentioned Dewey but

518

00:22:15,539 --> 00:22:12,879

there's a whole host of other people we

519

00:22:18,450 --> 00:22:15,549

could mention here Thorndyke the fellow

520

00:22:21,599 --> 00:22:18,460

that I forget his name was Abraham Exner

521

00:22:24,839 --> 00:22:21,609

I think was his name let's set up his

522

00:22:27,329 --> 00:22:24,849

own kind of progressive education school

523

00:22:29,820 --> 00:22:27,339

where he wanted to test some of these

524

00:22:31,799 --> 00:22:29,830

ideas and he called it the Lincoln

525

00:22:35,789 --> 00:22:31,809

School to give it a nice patriotic

526

00:22:38,430 --> 00:22:35,799

sounding American name and we we bring

527

00:22:40,589 --> 00:22:38,440

out the fact that john d rockefeller

528

00:22:45,479 --> 00:22:40,599

sent his three sons David Lawrence and

529

00:22:48,810 --> 00:22:45,489

Nelson Aldrich to this school where as a

530

00:22:51,690 --> 00:22:48,820

result of their experience all three of

531

00:22:54,959 --> 00:22:51,700

the rockefeller brothers had difficulty

532

00:22:56,759 --> 00:22:54,969

reading they don't enjoy reading in fact

533

00:22:59,399 --> 00:22:56,769

they find it tedious they find it

534

00:23:01,739 --> 00:22:59,409

difficult well you know I'm sorry if

535

00:23:03,450 --> 00:23:01,749

you're a member of the elite and you've

536

00:23:05,549 --> 00:23:03,460

sent your kids to that kind of school

537

00:23:09,749 --> 00:23:05,559

then you're ending up with a stupid

538

00:23:12,450 --> 00:23:09,759

elite and we're in an election cycle

539

00:23:13,049 --> 00:23:12,460

that certainly is proving that to be the

540

00:23:15,060 --> 00:23:13,059

point

541

00:23:17,399 --> 00:23:15,070

you know they've surrounded themselves

542

00:23:19,139 --> 00:23:17,409

with their own philosophy to the point

543

00:23:21,359 --> 00:23:19,149

that they can't even think outside their

544

00:23:23,399 --> 00:23:21,369

own narratives anymore so this is the

545

00:23:25,019 --> 00:23:23,409

other danger of Common Core I think in

546

00:23:27,120 --> 00:23:25,029

the whole progressive education

547

00:23:30,390 --> 00:23:27,130

philosophy the materialism that

548

00:23:32,370 --> 00:23:30,400

underlies it you're basically to

549

00:23:35,370 --> 00:23:32,380

paraphrase CS Lewis you're turning out a

550

00:23:38,790 --> 00:23:35,380

whole generation of men without chest so

551
00:23:40,830 --> 00:23:38,800
in other words of men without virtues or

552
00:23:45,660 --> 00:23:40,840
moral principles or anything like that

553
00:23:47,610 --> 00:23:45,670
and that is to my mind that's the

554
00:23:49,500 --> 00:23:47,620
crucial component of being able to think

555
00:23:51,930 --> 00:23:49,510
critically about anything about a

556
00:23:54,600 --> 00:23:51,940
narrative and so on and so forth so it's

557
00:23:57,600 --> 00:23:54,610
had a huge effect this vilhelm blunt

558
00:23:59,700 --> 00:23:57,610
character and you know the interesting

559
00:24:03,570 --> 00:23:59,710
thing here that we have to ask ourselves

560
00:24:09,470 --> 00:24:03,580
Greg is why would American educators at

561
00:24:11,820 --> 00:24:09,480
that time use an example of oppression

562
00:24:13,950 --> 00:24:11,830
education not we're not even just

563
00:24:17,070 --> 00:24:13,960

talking you know Imperial Wilhelm in

564

00:24:19,440 --> 00:24:17,080

Germany here we're talking Prussian for

565

00:24:21,750 --> 00:24:19,450

the whole philosophy of education under

566

00:24:24,840 --> 00:24:21,760

grunt was we're turning out people to be

567

00:24:29,280 --> 00:24:24,850

good and obedient there's that key word

568

00:24:32,910 --> 00:24:29,290

and loyal products for the state because

569

00:24:34,920 --> 00:24:32,920

the state is all consuming the state is

570

00:24:38,100 --> 00:24:34,930

all-powerful in the Prussian model

571

00:24:42,180 --> 00:24:38,110

why would Americans turn to that model

572

00:24:44,370 --> 00:24:42,190

as a thing that they want to model

573

00:24:47,130 --> 00:24:44,380

American education on why did they

574

00:24:49,140 --> 00:24:47,140

abandon the tradition that we had

575

00:24:52,290 --> 00:24:49,150

inherited from you know the oxford

576

00:24:54,300 --> 00:24:52,300

universities in england and which played

577

00:24:56,040 --> 00:24:54,310

a huge role in setting up our own big

578

00:24:58,560 --> 00:24:56,050

name universities Harvard Yale Princeton

579

00:25:00,980 --> 00:24:58,570

and so on why would we abandon that

580

00:25:03,840 --> 00:25:00,990

tradition for something inherently alien

581

00:25:06,180 --> 00:25:03,850

to our philosophy of government to our

582

00:25:08,880 --> 00:25:06,190

philosophy of culture to our

583

00:25:10,830 --> 00:25:08,890

understanding of individual liberties

584

00:25:11,280 --> 00:25:10,840

and and so on and so forth why would we

585

00:25:13,830 --> 00:25:11,290

do that

586

00:25:16,860 --> 00:25:13,840

and the answer is when you read these

587

00:25:19,710 --> 00:25:16,870

people they really do believe in that

588

00:25:23,160 --> 00:25:19,720

Prussian philosophy they really have

589

00:25:25,710 --> 00:25:23,170

abandoned their commitment to that

590

00:25:29,010 --> 00:25:25,720

anglo-saxon tradition of individual

591

00:25:31,410 --> 00:25:29,020

skeptical critical inquiry so you know

592

00:25:33,570 --> 00:25:31,420

it's it's staring us right in the face

593

00:25:35,190 --> 00:25:33,580

if we stop and think about the obvious

594

00:25:38,040 --> 00:25:35,200

part of it mm-hmm

595

00:25:41,039 --> 00:25:38,050

well said and I do love that Rockefeller

596

00:25:42,060 --> 00:25:41,049

anecdote because for once it looks like

597

00:25:44,149 --> 00:25:42,070

they actually got a little bit of a

598

00:25:46,470 --> 00:25:44,159

taste of their own medicine and yeah

599

00:25:48,600 --> 00:25:46,480

it's nice to see that once in a while

600

00:25:51,359 --> 00:25:48,610

but I guess you know you kind of alluded

601
00:25:53,729 --> 00:25:51,369
this but it does seem like that has

602
00:25:55,499 --> 00:25:53,739
shown itself in the game plan today they

603
00:25:58,229 --> 00:25:55,509
don't seem to be quite as nimble or

604
00:26:00,659 --> 00:25:58,239
effective in some ways or at least as

605
00:26:03,450 --> 00:26:00,669
quick to be able to pivot as they once

606
00:26:05,489 --> 00:26:03,460
were wouldn't you say right well well I

607
00:26:08,609 --> 00:26:05,499
guess I would agree with you

608
00:26:10,529 --> 00:26:08,619
wholeheartedly several years ago on The

609
00:26:13,739 --> 00:26:10,539
Late Georgeann Hughes's radio show

610
00:26:17,369 --> 00:26:13,749
called the bite show I pointed out that

611
00:26:19,950 --> 00:26:17,379
the so-called elite really seems to be

612
00:26:21,930 --> 00:26:19,960
very very stupid in other words they are

613
00:26:24,539 --> 00:26:21,940

using the same playbook because they

614

00:26:27,109 --> 00:26:24,549

don't know anything else they have done

615

00:26:30,389 --> 00:26:27,119

to themselves down in the process of

616

00:26:32,310 --> 00:26:30,399

dumbing everybody else down to the point

617

00:26:35,190 --> 00:26:32,320

and this is something that the Katherine

618

00:26:38,999 --> 00:26:35,200

Fitz made me aware of last year last

619

00:26:40,940 --> 00:26:39,009

year in July The Economist magazine in

620

00:26:44,849 --> 00:26:40,950

Great Britain which you know most people

621

00:26:47,700 --> 00:26:44,859

think of as the magazine of record for

622

00:26:51,349 --> 00:26:47,710

the British oligarchy all right well

623

00:26:55,070 --> 00:26:51,359

last July in 2015 The Economist magazine

624

00:26:57,149 --> 00:26:55,080

ran an op-ed piece about the

625

00:26:57,539 --> 00:26:57,159

calcification this is their words not

626
00:26:59,340 --> 00:26:57,549
mine

627
00:27:01,950 --> 00:26:59,350
the calcification of the American

628
00:27:03,389 --> 00:27:01,960
political class and the effect of the

629
00:27:04,859 --> 00:27:03,399
article was you're kidding you're

630
00:27:07,619 --> 00:27:04,869
running Jeb Bush and Hillary Clinton

631
00:27:09,210 --> 00:27:07,629
again you know can't you guys come up

632
00:27:11,820 --> 00:27:09,220
with something different well the

633
00:27:15,090 --> 00:27:11,830
answer's no because because our own

634
00:27:17,759 --> 00:27:15,100
political elite has been calcified it

635
00:27:22,049 --> 00:27:17,769
can't think outside of its own construct

636
00:27:23,849 --> 00:27:22,059
and its own box and this you know the

637
00:27:25,970 --> 00:27:23,859
election that we're seeing now as far as

638
00:27:28,649 --> 00:27:25,980

I'm concerned is really a referendum

639

00:27:30,899 --> 00:27:28,659

it's not an election in any classic

640

00:27:33,029 --> 00:27:30,909

sense it's really a referendum on do we

641

00:27:35,129 --> 00:27:33,039

want more of this global centralization

642

00:27:37,289 --> 00:27:35,139

and these idiots running the world and

643

00:27:39,359 --> 00:27:37,299

running it according to a paradigm

644

00:27:42,180 --> 00:27:39,369

that's never been tested or proven and

645

00:27:43,919 --> 00:27:42,190

seems to be breaking down under the

646

00:27:48,359 --> 00:27:43,929

strain or do we want something different

647

00:27:50,879 --> 00:27:48,369

I really look at it that way and if you

648

00:27:53,249 --> 00:27:50,889

factor in education here and the

649

00:27:54,430 --> 00:27:53,259

material is turned that it took in the

650

00:27:57,130 --> 00:27:54,440

19th century

651

00:27:59,050 --> 00:27:57,140

I think what you're looking at is the

652

00:28:02,440 --> 00:27:59,060

collapse of that materialist philosophy

653

00:28:06,100 --> 00:28:02,450

these people are clinging to it Greg

654

00:28:07,960 --> 00:28:06,110

dogged Lee when science itself

655

00:28:11,110 --> 00:28:07,970

particularly quantum physics is

656

00:28:14,260 --> 00:28:11,120

increasingly pointing not toward a

657

00:28:16,450 --> 00:28:14,270

material primacy but really towards the

658

00:28:20,080 --> 00:28:16,460

primacy of mind and of consciousness

659

00:28:23,200 --> 00:28:20,090

itself so why would we stick to Bill

660

00:28:25,840 --> 00:28:23,210

Gates and these other people that are

661

00:28:26,800 --> 00:28:25,850

advocating the same-old same-old on

662

00:28:29,010 --> 00:28:26,810

steroids

663

00:28:31,630 --> 00:28:29,020

and not reassess the basic philosophical

664

00:28:34,870 --> 00:28:31,640

principles that have led to this

665

00:28:37,510 --> 00:28:34,880

educational mess that you know as far as

666

00:28:39,460 --> 00:28:37,520

I'm concerned Greg the way to solve it

667

00:28:42,610 --> 00:28:39,470

is first of all get rid of the

668

00:28:45,550 --> 00:28:42,620

requirement for teacher certification it

669

00:28:47,410 --> 00:28:45,560

is to the point you know I have a PhD

670

00:28:49,560 --> 00:28:47,420

from the oldest english-speaking

671

00:28:52,570 --> 00:28:49,570

University in the english-speaking world

672

00:28:55,540 --> 00:28:52,580

all right now incidentally that

673

00:28:58,120 --> 00:28:55,550

university has never been accredited by

674

00:29:01,690 --> 00:28:58,130

any American accreditation agency thank

675

00:29:05,080 --> 00:29:01,700

goodness but I cannot go into a high

676
00:29:07,260 --> 00:29:05,090
school classroom and teach American

677
00:29:09,370 --> 00:29:07,270
history or European history or whatever

678
00:29:12,430 --> 00:29:09,380
because I don't have a teaching

679
00:29:15,910 --> 00:29:12,440
certificate from some Teachers College

680
00:29:19,000 --> 00:29:15,920
where I spend time learning the latest

681
00:29:20,470 --> 00:29:19,010
educational claptrap in playing silly

682
00:29:22,780 --> 00:29:20,480
games and quite literally that's

683
00:29:26,110 --> 00:29:22,790
oftentimes what these courses consist of

684
00:29:28,990 --> 00:29:26,120
is playing games right so we have to

685
00:29:30,520 --> 00:29:29,000
examine the whole structure as far as

686
00:29:32,650 --> 00:29:30,530
we're concerned and this is really kind

687
00:29:34,330 --> 00:29:32,660
of what we were arguing in the book we

688
00:29:38,050 --> 00:29:34,340

have to examine the whole structure

689

00:29:40,300 --> 00:29:38,060

itself and you know we're in basic

690

00:29:41,980 --> 00:29:40,310

agreement with john taylor gatto you

691

00:29:44,230 --> 00:29:41,990

know the famous american teacher that's

692

00:29:45,640 --> 00:29:44,240

written so many books yes and he's you

693

00:29:47,320 --> 00:29:45,650

know he's come right out and said the

694

00:29:50,530 --> 00:29:47,330

whole system has to be completely

695

00:29:54,670 --> 00:29:50,540

scrapped no amount of money is going to

696

00:29:57,190 --> 00:29:54,680

fix this because the assumptions and the

697

00:29:59,200 --> 00:29:57,200

institutions put into place on the basis

698

00:30:01,900 --> 00:29:59,210

of those assumptions are completely

699

00:30:03,610 --> 00:30:01,910

fallacious mmhmm yeah yeah I mean the

700

00:30:05,680 --> 00:30:03,620

elite are getting what they pay for they

701
00:30:07,930 --> 00:30:05,690
built this thing to churn out obedient

702
00:30:09,879 --> 00:30:07,940
workers and it's working just great

703
00:30:11,470 --> 00:30:09,889
yeah you know and not and now we have

704
00:30:12,249 --> 00:30:11,480
bank managers it can't balance a

705
00:30:14,379 --> 00:30:12,259
checkbook

706
00:30:16,690 --> 00:30:14,389
you know also it's no wonder that we

707
00:30:18,789 --> 00:30:16,700
have trillions of dollars from accounted

708
00:30:20,950 --> 00:30:18,799
for the Pentagon or in this bank or that

709
00:30:24,730 --> 00:30:20,960
Bank because when you're dealing with

710
00:30:27,129 --> 00:30:24,740
stupid people the immoral people the

711
00:30:29,440 --> 00:30:27,139
greedy people the criminal class can

712
00:30:31,600 --> 00:30:29,450
thrive right and then that can be a

713
00:30:33,539 --> 00:30:31,610

silver lining or an even scarier

714

00:30:37,720 --> 00:30:33,549

assertion depending on your perspective

715

00:30:40,629 --> 00:30:37,730

precisely precisely hmm so we have this

716

00:30:42,299 --> 00:30:40,639

campaign to dumbest down and then we

717

00:30:44,680 --> 00:30:42,309

could also throw in this element of

718

00:30:47,350 --> 00:30:44,690

drugging us down which is something that

719

00:30:49,210 --> 00:30:47,360

happened Oh a bit later right yeah well

720

00:30:52,960 --> 00:30:49,220

we don't talk about that much in the

721

00:30:57,369 --> 00:30:52,970

book but that's quite true I mean I I

722

00:31:01,570 --> 00:30:57,379

have known and dealt with people that

723

00:31:05,049 --> 00:31:01,580

are genuinely ADHD adult attention

724

00:31:06,879 --> 00:31:05,059

deficit hyperactivity disorder I've met

725

00:31:10,050 --> 00:31:06,889

and dealt with people like that so I I

726

00:31:12,690 --> 00:31:10,060

do think it does exist however

727

00:31:15,300 --> 00:31:12,700

I think the other problem here is that

728

00:31:17,340 --> 00:31:15,310

basically and this is particularly true

729

00:31:21,030 --> 00:31:17,350

of little boys less so of little girls

730

00:31:23,460 --> 00:31:21,040

but basically they're diagnosing simple

731

00:31:25,950 --> 00:31:23,470

you know young male behavior all the

732

00:31:28,080 --> 00:31:25,960

time as ADHD and they're drugging these

733

00:31:31,440 --> 00:31:28,090

kids with all sorts of stuff that

734

00:31:33,810 --> 00:31:31,450

basically turns them into zombies mm-hmm

735

00:31:36,420 --> 00:31:33,820

not in contact with their emotions not

736

00:31:39,030 --> 00:31:36,430

in contact with their thought and above

737

00:31:41,400 --> 00:31:39,040

all not able to reason or think

738

00:31:44,550 --> 00:31:41,410

critically this goes back to why I

739

00:31:47,100 --> 00:31:44,560

always insisted as a professor on giving

740

00:31:51,780 --> 00:31:47,110

essay exams because it's in the act of

741

00:31:55,200 --> 00:31:51,790

writing that you you learn the art and

742

00:31:57,810 --> 00:31:55,210

craft of analyzing a position and

743

00:32:00,120 --> 00:31:57,820

arguing either against it or for your

744

00:32:02,120 --> 00:32:00,130

own position or for that position or

745

00:32:05,160 --> 00:32:02,130

what-have-you it's in the act of writing

746

00:32:08,270 --> 00:32:05,170

that you're actually reasoning something

747

00:32:11,070 --> 00:32:08,280

not simply spitting out an answer that

748

00:32:13,260 --> 00:32:11,080

the student is having to guess that the

749

00:32:16,500 --> 00:32:13,270

professor or the teacher or some hidden

750

00:32:21,000 --> 00:32:16,510

committee compiling test questions for

751
00:32:24,120 --> 00:32:21,010
standardized tests wants so for me the

752
00:32:26,540 --> 00:32:24,130
critical thing as a professor back when

753
00:32:29,670 --> 00:32:26,550
I was teaching was to be able to see if

754
00:32:31,980 --> 00:32:29,680
someone was genuinely engaged

755
00:32:34,530 --> 00:32:31,990
intellectually with the subject matter

756
00:32:37,440 --> 00:32:34,540
and able to understand it and argue a

757
00:32:39,390 --> 00:32:37,450
position based on the facts and data

758
00:32:41,610 --> 00:32:39,400
that they had been presented that for me

759
00:32:43,260 --> 00:32:41,620
was the key element and you can't get

760
00:32:45,720 --> 00:32:43,270
that on a standardized test and

761
00:32:48,210 --> 00:32:45,730
certainly can't get it on a test that is

762
00:32:50,220 --> 00:32:48,220
now computerized individually adaptive

763
00:32:52,260 --> 00:32:50,230

according to the latest psychological

764

00:32:55,020 --> 00:32:52,270

theory by a committee of test compilers

765

00:32:58,020 --> 00:32:55,030

in Princeton New Jersey or in Seattle

766

00:33:00,060 --> 00:32:58,030

Washington or wherever mm-hmm right and

767

00:33:02,580 --> 00:33:00,070

did the all-mighty infallible system

768

00:33:04,590 --> 00:33:02,590

it's like yes exactly right there to

769

00:33:06,240 --> 00:33:04,600

using the teachers as scapegoats and

770

00:33:07,530 --> 00:33:06,250

trying to say you know yeah these are

771

00:33:09,390 --> 00:33:07,540

the school suck is because these

772

00:33:11,520 --> 00:33:09,400

teachers there's no standards the

773

00:33:15,960 --> 00:33:11,530

teachers oh yeah exactly you know it's

774

00:33:18,960 --> 00:33:15,970

all the teachers for me and if anything

775

00:33:21,240 --> 00:33:18,970

what this system has done greg is it has

776

00:33:23,300 --> 00:33:21,250

created what I call the subversive

777

00:33:25,800 --> 00:33:23,310

teacher and the subversive student

778

00:33:27,870 --> 00:33:25,810

because their art and if you're a

779

00:33:29,880 --> 00:33:27,880

teacher listening to this and you

780

00:33:33,840 --> 00:33:29,890

probably have experienced this in your

781

00:33:36,210 --> 00:33:33,850

own career because the system dictates

782

00:33:39,390 --> 00:33:36,220

to you that you have to do such-and-such

783

00:33:41,040 --> 00:33:39,400

by such in such a time and get such and

784

00:33:44,160 --> 00:33:41,050

such a result on such and such a

785

00:33:46,320 --> 00:33:44,170

standardized test and you realize at

786

00:33:50,250 --> 00:33:46,330

some point when you're in the classroom

787

00:33:52,380 --> 00:33:50,260

teaching a group of people that this is

788

00:33:55,260 --> 00:33:52,390

simply not going to work for these

789

00:33:57,960 --> 00:33:55,270

people so you teach your discipline to

790

00:33:59,730 --> 00:33:57,970

the best that you can and it's in those

791

00:34:01,740 --> 00:33:59,740

subversive moments usually between

792

00:34:03,990 --> 00:34:01,750

classes that you have with students who

793

00:34:06,600 --> 00:34:04,000

are beginning to ask the right kind of

794

00:34:08,070 --> 00:34:06,610

questions and questions what is going on

795

00:34:10,650 --> 00:34:08,080

in the system that you have those

796

00:34:12,600 --> 00:34:10,660

conversations that expose the whole

797

00:34:15,720 --> 00:34:12,610

thing so in other words you're creating

798

00:34:18,860 --> 00:34:15,730

an underground here that is trying to

799

00:34:21,080 --> 00:34:18,870

preserve what's left of the Western

800

00:34:24,270 --> 00:34:21,090

civilization and its traditions of

801
00:34:27,060 --> 00:34:24,280
Education by content and discipline and

802
00:34:28,680 --> 00:34:27,070
critical reasoning ability but you're

803
00:34:31,470 --> 00:34:28,690
working against a system that is

804
00:34:33,960 --> 00:34:31,480
designed not to do that so you're

805
00:34:36,060 --> 00:34:33,970
literally creating a black market for

806
00:34:37,590 --> 00:34:36,070
these things and and I suspect

807
00:34:39,420 --> 00:34:37,600
eventually that's what's going to happen

808
00:34:41,670 --> 00:34:39,430
right you're going to have a massive

809
00:34:44,130 --> 00:34:41,680
black market of private tutors you know

810
00:34:46,620 --> 00:34:44,140
of people that can afford it and want

811
00:34:49,110 --> 00:34:46,630
their kids to learn something and learn

812
00:34:50,910 --> 00:34:49,120
a value mmm-hmm and the other thing that

813
00:34:53,460 --> 00:34:50,920

this system does and I'll be quite frank

814

00:34:55,830 --> 00:34:53,470

and I saw this over and over again when

815

00:35:00,300 --> 00:34:55,840

I was teaching the other thing that this

816

00:35:04,740 --> 00:35:00,310

system does is it produces waves of

817

00:35:07,920 --> 00:35:04,750

boredom tidal waves tsunamis of boredom

818

00:35:12,360 --> 00:35:07,930

right because most students are talked

819

00:35:14,310 --> 00:35:12,370

to at such a stupid level by the system

820

00:35:17,070 --> 00:35:14,320

that they know they're being taught down

821

00:35:20,070 --> 00:35:17,080

- mm-hmm I can't tell you how many times

822

00:35:21,690 --> 00:35:20,080

I heard when I was a professor Greg you

823

00:35:23,910 --> 00:35:21,700

know students would come up to me after

824

00:35:25,470 --> 00:35:23,920

the end of a course or something and say

825

00:35:28,850 --> 00:35:25,480

something to the effect that you're the

826

00:35:30,770 --> 00:35:28,860

first real professor I've had huh

827

00:35:33,140 --> 00:35:30,780

because I insisted at teaching at a

828

00:35:36,980 --> 00:35:33,150

genuinely collegiate level and not the

829

00:35:39,620 --> 00:35:36,990

dumbed down level that most professors

830

00:35:41,360 --> 00:35:39,630

now teach at in this country because the

831

00:35:44,030 --> 00:35:41,370

product that they're getting from the

832

00:35:46,970 --> 00:35:44,040

public education system is so colossal

833

00:35:49,040 --> 00:35:46,980

Il stupid witness and case in point the

834

00:35:51,410 --> 00:35:49,050

student who can't spell Versailles

835

00:35:54,470 --> 00:35:51,420

correctly when I've spelled it correctly

836

00:35:58,340 --> 00:35:54,480

in the test question itself right right

837

00:36:01,490 --> 00:35:58,350

they just don't make the connection hmm

838

00:36:02,810 --> 00:36:01,500

yeah in terms of the the pharmaceutical

839

00:36:04,520 --> 00:36:02,820

initiative that has got to be one of the

840

00:36:07,040 --> 00:36:04,530

best things that my parents did for me

841

00:36:09,920 --> 00:36:07,050

was reject those attempts to get me on

842

00:36:12,920 --> 00:36:09,930

that adderall train because there they

843

00:36:15,410 --> 00:36:12,930

were there and I have a note here that

844

00:36:16,940 --> 00:36:15,420

seems kind of disjointed maybe connected

845

00:36:19,100 --> 00:36:16,950

to that pharmaceutical initiative to ask

846

00:36:23,090 --> 00:36:19,110

you about the Society for the

847

00:36:24,320 --> 00:36:23,100

investigation of human oncology oh this

848

00:36:26,390 --> 00:36:24,330

might be where some of the deeper

849

00:36:28,130 --> 00:36:26,400

nefarious agendas show up I think oh

850

00:36:33,440 --> 00:36:28,140

yeah absolutely

851

00:36:37,160 --> 00:36:33,450

that was a CIA front back in the 1950s

852

00:36:39,500 --> 00:36:37,170

that was a CIA front for the mind

853

00:36:42,290 --> 00:36:39,510

control projects you know project

854

00:36:43,790 --> 00:36:42,300

artichoke MKULTRA and things like this

855

00:36:48,290 --> 00:36:43,800

that was set up

856

00:36:50,000 --> 00:36:48,300

they in turn approached the Educational

857

00:36:53,600 --> 00:36:50,010

Testing Service you know that huge

858

00:36:56,510 --> 00:36:53,610

nonprofit conglomerate that squats like

859

00:36:58,550 --> 00:36:56,520

you know a cancer in the middle of the

860

00:37:01,460 --> 00:36:58,560

American education system founded by

861

00:37:04,370 --> 00:37:01,470

Henry Chauncey and kind of wet nourished

862

00:37:07,730 --> 00:37:04,380

into existence by james bryant conant of

863

00:37:09,470 --> 00:37:07,740

harvard university during the 50s and of

864

00:37:12,230 --> 00:37:09,480

course the Educational Testing Service

865

00:37:14,920 --> 00:37:12,240

is the service that owns the scholastic

866

00:37:17,240 --> 00:37:14,930

aptitude test you know one of the famous

867

00:37:19,400 --> 00:37:17,250

standardized tests in this country

868

00:37:22,190 --> 00:37:19,410

well they approached the Educational

869

00:37:25,900 --> 00:37:22,200

Testing Service to see if the service

870

00:37:28,880 --> 00:37:25,910

could design for them various tests

871

00:37:31,550 --> 00:37:28,890

related to personality and and so on and

872

00:37:34,850 --> 00:37:31,560

so forth so in other words whatever the

873

00:37:38,110 --> 00:37:34,860

details of this association are the

874

00:37:42,650 --> 00:37:38,120

implication here is that the CIA

875

00:37:45,710 --> 00:37:42,660

recognized the power of the tool

876

00:37:48,230 --> 00:37:45,720

standardized testing as a tool of social

877

00:37:50,930 --> 00:37:48,240

engineering and therefore of mind

878

00:37:52,990 --> 00:37:50,940

manipulation now I mentioned that

879

00:37:57,020 --> 00:37:53,000

because we point out in the book that

880

00:37:59,690 --> 00:37:57,030

this was really the reason that Henry

881

00:38:02,180 --> 00:37:59,700

Chauncey wanted to find the Educational

882

00:38:05,240 --> 00:38:02,190

Testing Service he and James Bryant

883

00:38:07,730 --> 00:38:05,250

Conant had the idea that well we need to

884

00:38:10,280 --> 00:38:07,740

create a new kind of aristocracy in this

885

00:38:13,430 --> 00:38:10,290

country an aristocracy of merit and

886

00:38:15,110 --> 00:38:13,440

we're going to go search for the best

887

00:38:17,300 --> 00:38:15,120

and brightest people and we're going to

888

00:38:19,010 --> 00:38:17,310

give them better education than the kind

889

00:38:22,900 --> 00:38:19,020

of education we're giving everybody else

890

00:38:25,940 --> 00:38:22,910

and the way to do this is to test on a

891

00:38:28,130 --> 00:38:25,950

national level and to quote unquote test

892

00:38:30,860 --> 00:38:28,140

scientifically enter the standardized

893

00:38:33,590 --> 00:38:30,870

test in other words the test itself

894

00:38:35,480 --> 00:38:33,600

becomes a sorting mechanism you get

895

00:38:37,630 --> 00:38:35,490

certain scores you're eligible for

896

00:38:40,580 --> 00:38:37,640

certain scholarships you're eligible for

897

00:38:42,560 --> 00:38:40,590

entrance into this major university

898

00:38:44,420 --> 00:38:42,570

instead of that little university out

899

00:38:46,700 --> 00:38:44,430

there in the plains of the Midwest

900

00:38:51,170 --> 00:38:46,710

somewhere and so on and so forth so it

901
00:38:54,290 --> 00:38:51,180
becomes a tool of the American oligarchy

902
00:38:56,660 --> 00:38:54,300
to perpetuate their power and bring

903
00:38:59,960 --> 00:38:56,670
other people in the problem is of course

904
00:39:02,660 --> 00:38:59,970
that they selected what can only be

905
00:39:05,810 --> 00:39:02,670
called a kind of computerized phrenology

906
00:39:07,750 --> 00:39:05,820
to be able to do this you know the old

907
00:39:10,790 --> 00:39:07,760
idea that you could measure a person's

908
00:39:13,730 --> 00:39:10,800
mental capacity by taking calipers and

909
00:39:15,890 --> 00:39:13,740
measuring them measuring the brain when

910
00:39:18,320 --> 00:39:15,900
it's interesting to me because they even

911
00:39:20,540 --> 00:39:18,330
adopted the Iowa Test of Basic Skills at

912
00:39:22,700 --> 00:39:20,550
one point I remember seeing this as a

913
00:39:25,010 --> 00:39:22,710

kid would have these calibers these

914

00:39:27,770 --> 00:39:25,020

phrenology calibers as part of its logo

915

00:39:31,430 --> 00:39:27,780

stamped right on the test so you know

916

00:39:34,640 --> 00:39:31,440

they've adopted a very blunt measurement

917

00:39:38,300 --> 00:39:34,650

instrument here to try and identify the

918

00:39:40,880 --> 00:39:38,310

more gifted students and in illustration

919

00:39:44,230 --> 00:39:40,890

of this fact we point out in the book a

920

00:39:48,440 --> 00:39:44,240

number of sample test questions from the

921

00:39:49,760 --> 00:39:48,450

1960s in science particularly in physics

922

00:39:52,569 --> 00:39:49,770

which is kind of my you know my

923

00:39:55,329 --> 00:39:52,579

bailiwick where the answer is

924

00:39:58,179 --> 00:39:55,339

the SAT that the Educational Testing

925

00:40:01,749 --> 00:39:58,189

Service wanted were quite patently and

926

00:40:04,179 --> 00:40:01,759

simply wrong okay and they were taken to

927

00:40:06,640 --> 00:40:04,189

task at the time by a mathematician by

928

00:40:09,459 --> 00:40:06,650

the name of banished Hoffman who wrote a

929

00:40:12,849 --> 00:40:09,469

wonderful book called the fallacy of

930

00:40:14,769 --> 00:40:12,859

testing all right and Hoffman just to

931

00:40:16,749 --> 00:40:14,779

let you know who he was he was a member

932

00:40:18,459 --> 00:40:16,759

of the Institute for Advanced Study he

933

00:40:21,429 --> 00:40:18,469

was a personal friend of Albert Einstein

934

00:40:24,279 --> 00:40:21,439

so this guy is no fly-by-night and he

935

00:40:25,719 --> 00:40:24,289

just absolutely savages the Educational

936

00:40:27,959 --> 00:40:25,729

Testing Service on some of these

937

00:40:31,299 --> 00:40:27,969

questions but he points out in one case

938

00:40:34,359 --> 00:40:31,309

he had a student who had taken the SAT

939

00:40:37,809 --> 00:40:34,369

and also taken a test a standardized

940

00:40:41,949 --> 00:40:37,819

test for a National Merit Scholarship in

941

00:40:44,199 --> 00:40:41,959

which the word intentionally appeared in

942

00:40:46,839 --> 00:40:44,209

a list of words which they were to

943

00:40:49,359 --> 00:40:46,849

identify as being misspelled and the

944

00:40:53,559 --> 00:40:49,369

word intentionally was misspelled with

945

00:40:55,719 --> 00:40:53,569

an S all right and the Educational

946

00:40:57,370 --> 00:40:55,729

Testing Service of course wanted the

947

00:41:00,669 --> 00:40:57,380

students to identify this as the

948

00:41:04,779 --> 00:41:00,679

misspelled word but the problem was this

949

00:41:08,709 --> 00:41:04,789

student was smart this student had read

950

00:41:11,739 --> 00:41:08,719

the works of si Hayakawa on the nature

951
00:41:14,169 --> 00:41:11,749
of symbolic logic and so on and so forth

952
00:41:18,059 --> 00:41:14,179
where Hayakawa had intentionally

953
00:41:21,609 --> 00:41:18,069
misspelled that word to create a word

954
00:41:25,539 --> 00:41:21,619
that had a very specific technical

955
00:41:28,660 --> 00:41:25,549
meaning hmm so in other words the word

956
00:41:31,479 --> 00:41:28,670
wasn't misspelled and the student knew

957
00:41:33,699 --> 00:41:31,489
that it wasn't misspelled he just knew

958
00:41:37,509 --> 00:41:33,709
more than the test prepares at the

959
00:41:40,150 --> 00:41:37,519
Educational Testing Service Wow yeah you

960
00:41:42,009 --> 00:41:40,160
see so this is the problem you can have

961
00:41:45,459 --> 00:41:42,019
a committee of experts and there's

962
00:41:48,099 --> 00:41:45,469
always going to be some fallacy of the

963
00:41:50,919 --> 00:41:48,109

footnote somewhere that a bright student

964

00:41:53,620 --> 00:41:50,929

is going to be punished for knowing on

965

00:41:56,949 --> 00:41:53,630

the basis of these standardized tests

966

00:41:59,799 --> 00:41:56,959

because it puts them into the position

967

00:42:02,229 --> 00:41:59,809

of having to guess do they know this or

968

00:42:05,019 --> 00:42:02,239

do they not know this and if they don't

969

00:42:06,250 --> 00:42:05,029

know this then I select this answer but

970

00:42:09,670 --> 00:42:06,260

if they do know this

971

00:42:11,830 --> 00:42:09,680

then I select another answer so it's not

972

00:42:13,930 --> 00:42:11,840

a scientific measure of the students

973

00:42:17,110 --> 00:42:13,940

intelligence it's only a measure of

974

00:42:19,000 --> 00:42:17,120

whether or not they can guess what's in

975

00:42:22,180 --> 00:42:19,010

the mind of a committee that they don't

976
00:42:24,910 --> 00:42:22,190
even know and now Bill Gates wants to

977
00:42:26,910 --> 00:42:24,920
put all of this on computers and make

978
00:42:30,000 --> 00:42:26,920
the questions themselves individually

979
00:42:33,810 --> 00:42:30,010
adaptable by some algorithms and

980
00:42:39,280 --> 00:42:33,820
theories of some anonymous committee no

981
00:42:41,560 --> 00:42:39,290
no no boom there it is man ah so to get

982
00:42:43,090 --> 00:42:41,570
a little bit deeper and maybe also tie

983
00:42:45,520 --> 00:42:43,100
this into some other work that you've

984
00:42:48,400 --> 00:42:45,530
done I've heard you discuss the fairly

985
00:42:51,010 --> 00:42:48,410
complex elements where we see the larger

986
00:42:54,070 --> 00:42:51,020
transhumanist agenda as well as a tie-in

987
00:42:56,020 --> 00:42:54,080
of ancient esoteric doctrine playing a

988
00:42:58,060 --> 00:42:56,030

huge role in the changes that they're

989

00:43:00,490 --> 00:42:58,070

making to us through the schooling

990

00:43:02,530 --> 00:43:00,500

system maybe you can elaborate on that a

991

00:43:06,220 --> 00:43:02,540

bit and help us understand this deeper

992

00:43:09,640 --> 00:43:06,230

crossroads well as I'm not quite certain

993

00:43:12,970 --> 00:43:09,650

as to what you're getting at but my fear

994

00:43:16,270 --> 00:43:12,980

is that with this idea of individually

995

00:43:19,080 --> 00:43:16,280

adaptive computerized standardized tests

996

00:43:23,820 --> 00:43:19,090

that what they're building out is

997

00:43:28,360 --> 00:43:23,830

basically two things they're driving to

998

00:43:30,310 --> 00:43:28,370

memes into society the first meme is if

999

00:43:33,040 --> 00:43:30,320

it appears on a computer screen it's

1000

00:43:35,710 --> 00:43:33,050

true which would be you know the 21st

1001
00:43:37,600 --> 00:43:35,720
century equivalent of if Walter Cronkite

1002
00:43:40,480 --> 00:43:37,610
said it on CBS Evening News

1003
00:43:43,990 --> 00:43:40,490
it's true okay or if the New York Times

1004
00:43:46,090 --> 00:43:44,000
says it's true all right now we see that

1005
00:43:48,730 --> 00:43:46,100
mass media paradigm that held sway

1006
00:43:52,240 --> 00:43:48,740
throughout the latter half of the 20th

1007
00:43:54,460 --> 00:43:52,250
century breaking down but what is being

1008
00:43:57,190 --> 00:43:54,470
substituted in its place as if it's on

1009
00:43:59,890 --> 00:43:57,200
the internet it's true if it's on an

1010
00:44:02,830 --> 00:43:59,900
e-book it's true and so on and so forth

1011
00:44:05,490 --> 00:44:02,840
so they're driving that mean in other

1012
00:44:09,880 --> 00:44:05,500
words they're driving a dependency on

1013
00:44:13,750 --> 00:44:09,890

machines and they're driving a kind of

1014

00:44:15,220 --> 00:44:13,760

intellectual passivity before the agenda

1015

00:44:19,030 --> 00:44:15,230

here but the other thing that they're

1016

00:44:19,630 --> 00:44:19,040

doing in my mind Gregg is they're also

1017

00:44:29,110 --> 00:44:19,640

try

1018

00:44:32,230 --> 00:44:29,120

create the acceptability of the merger

1019

00:44:34,720 --> 00:44:32,240

of man and machine and to me that is the

1020

00:44:36,910 --> 00:44:34,730

most disturbing thing because you see

1021

00:44:39,940 --> 00:44:36,920

the transhumanist wanting to implant

1022

00:44:42,340 --> 00:44:39,950

people with microchips and so on and so

1023

00:44:44,050 --> 00:44:42,350

forth or download and upload memories

1024

00:44:46,300 --> 00:44:44,060

into computers so that they can have

1025

00:44:48,070 --> 00:44:46,310

their virtual immortality and you know

1026

00:44:50,580 --> 00:44:48,080

all of this happy nonsense

1027

00:44:55,090 --> 00:44:50,590

to me that's the most frightening thing

1028

00:44:56,530 --> 00:44:55,100

because in that kind of environment what

1029

00:44:59,230 --> 00:44:56,540

you're taking out of the learning

1030

00:45:01,600 --> 00:44:59,240

process itself is the human mentor of

1031

00:45:05,260 --> 00:45:01,610

the teacher the professor would whatever

1032

00:45:07,480 --> 00:45:05,270

you're taking out of the process the

1033

00:45:10,690 --> 00:45:07,490

human element and you're substituting a

1034

00:45:13,150 --> 00:45:10,700

very mechanistic element you're reducing

1035

00:45:15,160 --> 00:45:13,160

the student to a machine you're reducing

1036

00:45:18,100 --> 00:45:15,170

the student to an algorithm and this is

1037

00:45:21,250 --> 00:45:18,110

what I find to be the real heart of the

1038

00:45:24,640 --> 00:45:21,260

problem here and if we can go a step

1039

00:45:26,950 --> 00:45:24,650

further and envision this philosophy in

1040

00:45:29,560 --> 00:45:26,960

place say in the next century well why

1041

00:45:31,960 --> 00:45:29,570

even bother having a school where you

1042

00:45:33,880 --> 00:45:31,970

interact with other human beings why not

1043

00:45:35,350 --> 00:45:33,890

just learn online at home and there are

1044

00:45:37,570 --> 00:45:35,360

some places doing this already

1045

00:45:39,280 --> 00:45:37,580

mmm-hmm there are some places you know

1046

00:45:41,080 --> 00:45:39,290

there they're not building libraries

1047

00:45:43,450 --> 00:45:41,090

full of old-fashioned things called

1048

00:45:45,250 --> 00:45:43,460

books and you know where you're

1049

00:45:47,290 --> 00:45:45,260

interacting with other old-fashioned

1050

00:45:49,750 --> 00:45:47,300

things like students and teachers you're

1051

00:45:51,550 --> 00:45:49,760

doing this all online right you know

1052

00:45:53,440 --> 00:45:51,560

I've got news for people I write all of

1053

00:45:56,320 --> 00:45:53,450

these books but most of the information

1054

00:45:56,980 --> 00:45:56,330

that are in my books you cannot find on

1055

00:45:59,320 --> 00:45:56,990

the Internet

1056

00:46:00,940 --> 00:45:59,330

they're in old books they're in obscure

1057

00:46:03,730 --> 00:46:00,950

books you know they're in books that

1058

00:46:07,420 --> 00:46:03,740

that you have to literally buy and mark

1059

00:46:09,700 --> 00:46:07,430

and read right so they're also the other

1060

00:46:11,110 --> 00:46:09,710

transhumanist impulse the third thing I

1061

00:46:13,990 --> 00:46:11,120

think they're driving here is they are

1062

00:46:17,680 --> 00:46:14,000

attempting by means of all of this to

1063

00:46:20,620 --> 00:46:17,690

cut people off from their own culture

1064

00:46:23,740 --> 00:46:20,630

and tradition and to me that is the

1065

00:46:26,350 --> 00:46:23,750

central core of the problem because in

1066

00:46:29,070 --> 00:46:26,360

the absence of a culture and tradition

1067

00:46:31,650 --> 00:46:29,080

basically anything goes

1068

00:46:34,110 --> 00:46:31,660

yeah well said those definitely are

1069

00:46:36,060 --> 00:46:34,120

major problems and you know those old

1070

00:46:39,300 --> 00:46:36,070

physical books can't be changed the way

1071

00:46:42,090 --> 00:46:39,310

digital Kindle books can bingo bingo

1072

00:46:45,000 --> 00:46:42,100

bingo yeah I tell people all the time

1073

00:46:47,190 --> 00:46:45,010

Greg that the only canonical version in

1074

00:46:51,510 --> 00:46:47,200

other words the only authoritative

1075

00:46:54,750 --> 00:46:51,520

version of my books is the printed hard

1076

00:46:57,990 --> 00:46:54,760

copy it is not the real you know I

1077

00:47:01,200 --> 00:46:58,000

format my books myself on my computer to

1078

00:47:04,950 --> 00:47:01,210

look a certain way on the page and

1079

00:47:07,650 --> 00:47:04,960

that's all eradicated on an e-book and

1080

00:47:10,350 --> 00:47:07,660

more importantly on an e-book if you're

1081

00:47:12,150 --> 00:47:10,360

using that as your source what page do

1082

00:47:14,550 --> 00:47:12,160

you cite what's the page number that

1083

00:47:17,220 --> 00:47:14,560

it's on right you know it changes

1084

00:47:21,270 --> 00:47:17,230

everything and I was taught when you're

1085

00:47:24,660 --> 00:47:21,280

citing things you cite as specifically

1086

00:47:27,120 --> 00:47:24,670

as possible so this is the other thing

1087

00:47:31,140 --> 00:47:27,130

that they're doing in American education

1088

00:47:35,070 --> 00:47:31,150

I've ranted and raved on this a lot the

1089

00:47:39,120 --> 00:47:35,080

standards now for citation of a text the

1090

00:47:42,030 --> 00:47:39,130

so-called MLA or APA style manuals would

1091

00:47:44,330 --> 00:47:42,040

not have been acceptable when I was

1092

00:47:48,030 --> 00:47:44,340

going to public school as an accurate

1093

00:47:50,400 --> 00:47:48,040

citation when I cite it's the author

1094

00:47:52,260 --> 00:47:50,410

it's the publisher it's the place of

1095

00:47:54,900 --> 00:47:52,270

publication it was the year that it's

1096

00:47:58,590 --> 00:47:54,910

published the Edition if it's there and

1097

00:48:01,710 --> 00:47:58,600

the precise page on which you can find

1098

00:48:04,200 --> 00:48:01,720

either the point I'm referencing or the

1099

00:48:07,130 --> 00:48:04,210

quotation I'm using

1100

00:48:09,349 --> 00:48:07,140

but modern methods of citation

1101

00:48:11,790 --> 00:48:09,359

oftentimes particularly in education

1102

00:48:14,190 --> 00:48:11,800

departments believe it or not don't

1103

00:48:17,040 --> 00:48:14,200

require you to cite the page you simply

1104

00:48:19,079 --> 00:48:17,050

cite the author and the year and then

1105

00:48:21,210 --> 00:48:19,089

you have to flip back to the biography

1106

00:48:23,550 --> 00:48:21,220

and there you find lo and behold you're

1107

00:48:25,440 --> 00:48:23,560

citing a 500 page book and just telling

1108

00:48:27,930 --> 00:48:25,450

the poor person on the other hand go

1109

00:48:32,910 --> 00:48:27,940

read this 500 page book it's in there

1110

00:48:34,740 --> 00:48:32,920

somewhere you know to me this is you

1111

00:48:37,109 --> 00:48:34,750

know if I were to have received or

1112

00:48:39,030 --> 00:48:37,119

submitted a paper like that when I was

1113

00:48:42,270 --> 00:48:39,040

in high school guess what grade I would

1114

00:48:42,990 --> 00:48:42,280

have received for it not a good one not

1115

00:48:45,810 --> 00:48:43,000

a good one

1116

00:48:48,390 --> 00:48:45,820

this is Conor's in my world Lit class

1117

00:48:50,400 --> 00:48:48,400

and Lincoln senior high school in Sioux

1118

00:48:52,890 --> 00:48:50,410

Falls South Dakota would have handed

1119

00:48:58,589 --> 00:48:52,900

that paper back to me with a great big

1120

00:49:00,810 --> 00:48:58,599

red letter F and rightly so but this is

1121

00:49:03,359 --> 00:49:00,820

how the standards have changed right

1122

00:49:05,730 --> 00:49:03,369

since I was going to school to what's

1123

00:49:08,070 --> 00:49:05,740

happening now students aren't even aware

1124

00:49:11,510 --> 00:49:08,080

of the fact that what they're being

1125

00:49:14,630 --> 00:49:11,520

taught in terms of citations itself is

1126

00:49:18,810 --> 00:49:14,640

slipshod they're not even aware that

1127

00:49:22,650 --> 00:49:18,820

there was another method that demanded

1128

00:49:24,750 --> 00:49:22,660

extreme accuracy from citation and the

1129

00:49:29,430 --> 00:49:24,760

reason it demanded it is that's just

1130

00:49:33,540 --> 00:49:29,440

common courtesy now weird evolving on

1131

00:49:35,940 --> 00:49:33,550

all sides manage yes identity yes mam so

1132

00:49:38,579 --> 00:49:35,950

on another note I had here about where

1133

00:49:40,620 --> 00:49:38,589

this might tie into I guess potentially

1134

00:49:43,470 --> 00:49:40,630

the elite belief systems though is that

1135

00:49:45,780 --> 00:49:43,480

they want to reverse the stages of

1136

00:49:48,780 --> 00:49:45,790

esoteric man or the levels of Adam and

1137

00:49:51,000 --> 00:49:48,790

return to and drogyny yeah can you get

1138

00:49:52,560 --> 00:49:51,010

into that a little bit well that's not

1139

00:49:55,140 --> 00:49:52,570

something we actually covered in the

1140

00:49:56,790 --> 00:49:55,150

common core book right I had a co-author

1141

00:49:59,460 --> 00:49:56,800

in a book

1142

00:50:01,790 --> 00:49:59,470

his name is dr. Scott to heart he's also

1143

00:50:03,900 --> 00:50:01,800

in education and we wrote a book called

1144

00:50:05,880 --> 00:50:03,910

transhumanism and the subtitle is a

1145

00:50:09,170 --> 00:50:05,890

grimoire of our chemical agendas because

1146

00:50:13,170 --> 00:50:09,180

there's a basic kind of esoteric

1147

00:50:15,660 --> 00:50:13,180

doctrine of mankind that you find in

1148

00:50:17,730 --> 00:50:15,670

various esoteric systems and we we kind

1149

00:50:18,560 --> 00:50:17,740

of had to boil it all down but basically

1150

00:50:21,860 --> 00:50:18,570

there's

1151
00:50:23,420 --> 00:50:21,870
four stages of the devolution of man and

1152
00:50:25,280 --> 00:50:23,430
this this is very important for people

1153
00:50:28,280 --> 00:50:25,290
to understand the ancient cosmological

1154
00:50:30,050 --> 00:50:28,290
system as opposed to the modern one was

1155
00:50:31,780 --> 00:50:30,060
not a system of evolution but of

1156
00:50:34,250 --> 00:50:31,790
devolution all right

1157
00:50:36,920 --> 00:50:34,260
evolution assumes you know eternal

1158
00:50:38,450 --> 00:50:36,930
upward progress the survival of the

1159
00:50:41,090 --> 00:50:38,460
fittest and so on and so forth

1160
00:50:43,310 --> 00:50:41,100
devolution assumes that we were once

1161
00:50:46,070 --> 00:50:43,320
much higher in terms of our intellectual

1162
00:50:48,080 --> 00:50:46,080
and moral capacity than we are now so

1163
00:50:51,830 --> 00:50:48,090

there were essentially four stages in

1164

00:50:54,680 --> 00:50:51,840

that conceptual scaffolding for the

1165

00:50:56,750 --> 00:50:54,690

devolution of man at the top and most

1166

00:50:59,570 --> 00:50:56,760

advanced stage there was this idea of

1167

00:51:03,200 --> 00:50:59,580

the androgen in other words mankind in

1168

00:51:07,120 --> 00:51:03,210

his truest form combined both sexes into

1169

00:51:11,080 --> 00:51:07,130

kind of a chi miracle creature and then

1170

00:51:14,960 --> 00:51:11,090

mankind begins to fall so to speak into

1171

00:51:17,240 --> 00:51:14,970

materiality and during that fall of

1172

00:51:20,870 --> 00:51:17,250

course the sexes become divided so the

1173

00:51:24,740 --> 00:51:20,880

next lower stage would be mineral man

1174

00:51:26,570 --> 00:51:24,750

you know the fall into inert matter and

1175

00:51:29,420 --> 00:51:26,580

then the next stage lower than that

1176
00:51:32,060 --> 00:51:29,430
would be vegetable man and then the

1177
00:51:36,350 --> 00:51:32,070
lowest stage would be animal man which

1178
00:51:39,110 --> 00:51:36,360
is what we are now all right so you have

1179
00:51:41,000 --> 00:51:39,120
in that ancient cosmological view if you

1180
00:51:42,950 --> 00:51:41,010
look at it carefully there are certain

1181
00:51:46,480 --> 00:51:42,960
features of it that resemble the modern

1182
00:51:49,580 --> 00:51:46,490
one in that there's a kind of immaterial

1183
00:51:52,580 --> 00:51:49,590
pre-existence and then you have the

1184
00:51:54,770 --> 00:51:52,590
beginning of inert matter then you have

1185
00:51:56,630 --> 00:51:54,780
the appearance of simple life in the

1186
00:51:58,610 --> 00:51:56,640
form of vegetative life and then you

1187
00:52:01,580 --> 00:51:58,620
have the emergence of more complex life

1188
00:52:04,730 --> 00:52:01,590

so in that sense it does resemble the

1189

00:52:07,970 --> 00:52:04,740

modern cosmology but if you look

1190

00:52:10,640 --> 00:52:07,980

carefully at some of the esoteric

1191

00:52:13,580 --> 00:52:10,650

doctrines and in particular alchemy what

1192

00:52:17,710 --> 00:52:13,590

you see is an attempt to reassigned the

1193

00:52:20,120 --> 00:52:17,720

latter and to go back up to the state of

1194

00:52:23,560 --> 00:52:20,130

androgyny which is the highest

1195

00:52:26,390 --> 00:52:23,570

expression of man well I suspect

1196

00:52:28,610 --> 00:52:26,400

although I again I want to stress your

1197

00:52:32,359 --> 00:52:28,620

grade I have no evidence for this but I

1198

00:52:37,999 --> 00:52:32,369

suspect that what lurks behind

1199

00:52:40,599 --> 00:52:38,009

and the drive of so many people in the

1200

00:52:43,970 --> 00:52:40,609

progressive movement in various

1201

00:52:46,339 --> 00:52:43,980

countries is that there's a solid core

1202

00:52:47,900 --> 00:52:46,349

of people who have a very different

1203

00:52:50,089 --> 00:52:47,910

agenda from what they're telling people

1204

00:52:54,620 --> 00:52:50,099

publicly and that what they're trying to

1205

00:52:57,319 --> 00:52:54,630

do is to socially engineer society in

1206

00:52:59,779 --> 00:52:57,329

order to reach back and achieve that

1207

00:53:02,660 --> 00:52:59,789

state of androgynous consciousness I

1208

00:53:07,519 --> 00:53:02,670

think this is what's driving this war

1209

00:53:09,680 --> 00:53:07,529

against the sexes be it male or female a

1210

00:53:11,809 --> 00:53:09,690

note I said sex is not gender that's

1211

00:53:13,880 --> 00:53:11,819

another little fast switcheroo that

1212

00:53:15,589 --> 00:53:13,890

they've that they've played on us you

1213

00:53:17,690 --> 00:53:15,599

know I remember filling out forms when I

1214

00:53:20,150 --> 00:53:17,700

was a kid what's your sex are you male

1215

00:53:22,370 --> 00:53:20,160

or female but now it's gender and gender

1216

00:53:25,069 --> 00:53:22,380

is a linguistic property it's not a

1217

00:53:27,710 --> 00:53:25,079

sexual one you know there's Jews genders

1218

00:53:30,380 --> 00:53:27,720

in in the inflected languages like Greek

1219

00:53:33,650 --> 00:53:30,390

or Latin or Russian or German or Spanish

1220

00:53:36,769 --> 00:53:33,660

or French and so on sexuality is very

1221

00:53:39,859 --> 00:53:36,779

very different so they're pulling a kind

1222

00:53:41,690 --> 00:53:39,869

of a fast one with this gender agenda

1223

00:53:45,650 --> 00:53:41,700

because what they're trying to do in my

1224

00:53:48,650 --> 00:53:45,660

opinion is engineer a kind of sex free

1225

00:53:52,190 --> 00:53:48,660

or to put it even more accurately and

1226
00:53:55,489 --> 00:53:52,200
drogyn as consciousness hmm and that I

1227
00:53:58,460 --> 00:53:55,499
find very very disturbing because once

1228
00:54:00,710 --> 00:53:58,470
you get people to accept this and get

1229
00:54:03,620 --> 00:54:00,720
them living in a world of linguistic

1230
00:54:06,859 --> 00:54:03,630
virtual reality rather than in the real

1231
00:54:11,269 --> 00:54:06,869
world then you've severed people away

1232
00:54:13,549 --> 00:54:11,279
from from a mooring that can anchor them

1233
00:54:16,009 --> 00:54:13,559
in reality and you're creating a

1234
00:54:17,870 --> 00:54:16,019
situation where almost anything goes you

1235
00:54:21,559 --> 00:54:17,880
know this to me is very very disturbing

1236
00:54:24,890 --> 00:54:21,569
you see it almost everywhere now and to

1237
00:54:27,529 --> 00:54:24,900
me sexuality is one of those things that

1238
00:54:30,680 --> 00:54:27,539

grounds you in reality in fact it's

1239

00:54:34,249 --> 00:54:30,690

probably the thing that grounds you in

1240

00:54:36,140 --> 00:54:34,259

reality so I find that whole agenda very

1241

00:54:37,609 --> 00:54:36,150

very you know don't take me wrong here

1242

00:54:39,259 --> 00:54:37,619

I'm not against gay people or

1243

00:54:40,819 --> 00:54:39,269

transgendered people or anything like

1244

00:54:43,549 --> 00:54:40,829

that that's not what I'm saying I'm

1245

00:54:46,220 --> 00:54:43,559

saying that this linguistic agenda of

1246

00:54:48,530 --> 00:54:46,230

theirs is ultimately going

1247

00:54:51,620 --> 00:54:48,540

hurt everybody no matter where you fall

1248

00:54:53,750 --> 00:54:51,630

on the sexual spectrum that's my point

1249

00:54:55,700 --> 00:54:53,760

it's a linguistic agenda it's a creation

1250

00:54:56,930 --> 00:54:55,710

of a kind of virtual reality that

1251
00:55:00,859 --> 00:54:56,940
benefits no one

1252
00:55:03,109 --> 00:55:00,869
in the long run yeah man well said and

1253
00:55:04,700 --> 00:55:03,119
that high-octane speculation that kind

1254
00:55:06,980 --> 00:55:04,710
of stuff that is the sweet spot for me

1255
00:55:08,630 --> 00:55:06,990
it's a bit over my head at times but so

1256
00:55:11,840 --> 00:55:08,640
interesting and I like the way you break

1257
00:55:13,609 --> 00:55:11,850
that stuff down so I want to get into

1258
00:55:15,440 --> 00:55:13,619
your other book that came out this year

1259
00:55:17,750 --> 00:55:15,450
but before we close out on the education

1260
00:55:20,060 --> 00:55:17,760
topic what sort of advice would you have

1261
00:55:22,280 --> 00:55:20,070
for teachers or even parents who are

1262
00:55:24,560 --> 00:55:22,290
being made aware of these problems and

1263
00:55:27,680 --> 00:55:24,570

need some better options for their kids

1264

00:55:32,410 --> 00:55:27,690

well the first thing I would I would

1265

00:55:34,910 --> 00:55:32,420

advise is we are to the point I think

1266

00:55:37,670 --> 00:55:34,920

socially and culturally and as a

1267

00:55:40,940 --> 00:55:37,680

civilization where we are just going to

1268

00:55:42,980 --> 00:55:40,950

have to stand up and say no we're fast

1269

00:55:45,140 --> 00:55:42,990

approaching the time that we are going

1270

00:55:47,120 --> 00:55:45,150

to have to make some very hefty

1271

00:55:49,370 --> 00:55:47,130

decisions on what we're willing to die

1272

00:55:51,260 --> 00:55:49,380

for and I'm putting it that bluntly

1273

00:55:54,140 --> 00:55:51,270

because I believe the crisis is fast

1274

00:55:55,880 --> 00:55:54,150

approaching that state of profundity but

1275

00:55:58,730 --> 00:55:55,890

the other thing I think the people that

1276
00:56:00,140 --> 00:55:58,740
once you've made that determination that

1277
00:56:02,450 --> 00:56:00,150
you're just going to stand up and say no

1278
00:56:05,540 --> 00:56:02,460
to all of this that the next thing you

1279
00:56:09,550 --> 00:56:05,550
have to do is start to organize how can

1280
00:56:12,250 --> 00:56:09,560
we resist all of this in a way that is

1281
00:56:15,109 --> 00:56:12,260
so to speak particularly in this country

1282
00:56:18,910 --> 00:56:15,119
constitutionally approved and the way I

1283
00:56:25,660 --> 00:56:18,920
would suggest is that individual states

1284
00:56:27,859 --> 00:56:25,670
now need to the point special attorneys

1285
00:56:32,540 --> 00:56:27,869
prosecutors or whatever you wish to call

1286
00:56:34,970 --> 00:56:32,550
them that will will on the basis of 10th

1287
00:56:38,510 --> 00:56:34,980
and 14th amendment and so on and so

1288
00:56:40,750 --> 00:56:38,520

forth assert the right of state

1289

00:56:43,370 --> 00:56:40,760

sovereignty against federal mandates

1290

00:56:45,620 --> 00:56:43,380

whatever federal mandates may come down

1291

00:56:48,490 --> 00:56:45,630

in all of these you know huge omnibus

1292

00:56:51,890 --> 00:56:48,500

bills that nobody in Congress reads

1293

00:56:54,109 --> 00:56:51,900

these have to be challenged all the way

1294

00:56:57,030 --> 00:56:54,119

up to the Supreme Court just tie them up

1295

00:56:59,370 --> 00:56:57,040

in litigation

1296

00:57:02,070 --> 00:56:59,380

we saw something of that effort with

1297

00:57:04,350 --> 00:57:02,080

Obamacare but as far as I'm concerned

1298

00:57:06,540 --> 00:57:04,360

they rolled over way too early with that

1299

00:57:09,480 --> 00:57:06,550

they should keep harping on that but

1300

00:57:12,420 --> 00:57:09,490

every other federal mandate you know the

1301
00:57:15,420 --> 00:57:12,430
forced vaccinations common core you know

1302
00:57:17,640 --> 00:57:15,430
everything that is tied to a federal

1303
00:57:19,950 --> 00:57:17,650
mandate of how states must spend their

1304
00:57:23,940 --> 00:57:19,960
money should now be tied up in

1305
00:57:27,330 --> 00:57:23,950
litigation absolutely that to me is the

1306
00:57:31,140 --> 00:57:27,340
most practical way in the short term

1307
00:57:33,750 --> 00:57:31,150
that I think that we can respond to some

1308
00:57:36,260 --> 00:57:33,760
of this stuff and start fighting this

1309
00:57:39,240 --> 00:57:36,270
this trend towards massive global

1310
00:57:43,140 --> 00:57:39,250
centralization which as we can see isn't

1311
00:57:45,630 --> 00:57:43,150
working anywhere it's not working in

1312
00:57:47,520 --> 00:57:45,640
Europe it's not working here it didn't

1313
00:57:48,980 --> 00:57:47,530

work in Russia the Russians learned that

1314

00:57:52,320 --> 00:57:48,990

lesson so you know they're the ones

1315

00:57:55,160 --> 00:57:52,330

crying the loudest lately about this

1316

00:57:57,060 --> 00:57:55,170

trend towards mr. global and letting

1317

00:57:59,370 --> 00:57:57,070

multinational corporations run

1318

00:58:01,500 --> 00:57:59,380

everything over and over you're hearing

1319

00:58:03,750 --> 00:58:01,510

from Russia that no there is the

1320

00:58:05,910 --> 00:58:03,760

sovereign nation is not obsolete thank

1321

00:58:08,490 --> 00:58:05,920

you very much mr. Rockefeller and mr.

1322

00:58:09,870 --> 00:58:08,500

Brzezinski and by golly we're going to

1323

00:58:11,130 --> 00:58:09,880

stick to it and we're going to defend

1324

00:58:13,710 --> 00:58:11,140

our country and we're going to defend

1325

00:58:17,210 --> 00:58:13,720

our culture and incidentally isn't it

1326

00:58:19,950 --> 00:58:17,220

interesting that Russia Russia is

1327

00:58:22,260 --> 00:58:19,960

playing host to this year's

1328

00:58:23,870 --> 00:58:22,270

international homeschooling conference

1329

00:58:26,520 --> 00:58:23,880

mmm

1330

00:58:29,280 --> 00:58:26,530

now turn the clock back thirty years

1331

00:58:31,970 --> 00:58:29,290

folks and ask yourself if that would

1332

00:58:35,460 --> 00:58:31,980

have been possible in Brezhnev's or

1333

00:58:38,910 --> 00:58:35,470

Cherney anko's or an drop-offs or even

1334

00:58:41,250 --> 00:58:38,920

mr. Gorbachev to Russia no certainly not

1335

00:58:44,370 --> 00:58:41,260

so in other words it's like we're in

1336

00:58:46,590 --> 00:58:44,380

this upside-down world here the United

1337

00:58:48,690 --> 00:58:46,600

States is looking progressively more and

1338

00:58:51,270 --> 00:58:48,700

more like the United Socialist States of

1339

00:58:53,970 --> 00:58:51,280

America the u.s. SA and Russia

1340

00:58:56,340 --> 00:58:53,980

you know if they even proudly display

1341

00:59:00,660 --> 00:58:56,350

the Romanoff eagle on their flags at the

1342

00:59:06,510 --> 00:59:00,670

time Russia is embarked on this weird

1343

00:59:09,210 --> 00:59:06,520

new experiment in culture and nationhood

1344

00:59:11,910 --> 00:59:09,220

a kind of post-postmodern experiment as

1345

00:59:14,070 --> 00:59:11,920

I like to call it so it you know we're

1346

00:59:16,770 --> 00:59:14,080

just looking at this huge inversion this

1347

00:59:19,410 --> 00:59:16,780

is the fifth take like yeah you're right

1348

00:59:21,240 --> 00:59:19,420

it does seem quite backwards I mean the

1349

00:59:22,290 --> 00:59:21,250

whole schooling system does and it seems

1350

00:59:24,960 --> 00:59:22,300

like we're gonna have to resort to

1351

00:59:27,690 --> 00:59:24,970

handing out those secret passwords to

1352

00:59:28,860 --> 00:59:27,700

the underground educational speakeasies

1353

00:59:31,710 --> 00:59:28,870

before too long

1354

00:59:34,530 --> 00:59:31,720

waffles yes I I definitely think Greg I

1355

00:59:37,620 --> 00:59:34,540

definitely think that's coming oh no you

1356

00:59:40,650 --> 00:59:37,630

know already homeschooling has grown in

1357

00:59:43,230 --> 00:59:40,660

this country enormous Lea in the past

1358

00:59:45,600 --> 00:59:43,240

few years I think what's going to happen

1359

00:59:48,120 --> 00:59:45,610

eventually is that those teachers in the

1360

00:59:51,600 --> 00:59:48,130

pub I met a teacher just three weeks ago

1361

00:59:54,150 --> 00:59:51,610

Greg that told me that she quit teaching

1362

00:59:57,360 --> 00:59:54,160

because she just could not stand Common

1363

01:00:00,270 --> 00:59:57,370

Core because she had to conform to a

1364

01:00:04,560 --> 01:00:00,280

lesson plan schedule that she hadn't

1365

01:00:06,980 --> 01:00:04,570

even made for her own students now what

1366

01:00:10,380 --> 01:00:06,990

you know tell me that you can centralize

1367

01:00:12,270 --> 01:00:10,390

things to that point so what happens is

1368

01:00:14,760 --> 01:00:12,280

you're driving out the good teachers

1369

01:00:16,830 --> 01:00:14,770

from the education system and trust me

1370

01:00:19,170 --> 01:00:16,840

eventually the people that can afford it

1371

01:00:21,330 --> 01:00:19,180

are going to start picking up those

1372

01:00:23,610 --> 01:00:21,340

teachers and you're going to see a

1373

01:00:26,850 --> 01:00:23,620

collapse of the system simply due to

1374

01:00:29,460 --> 01:00:26,860

market pressures mm-hmm because this

1375

01:00:32,040 --> 01:00:29,470

system that we have now that we've

1376

01:00:35,250 --> 01:00:32,050

erected since you know the turn of the

1377

01:00:39,290 --> 01:00:35,260

late 19th century this system isn't

1378

01:00:43,590 --> 01:00:39,300

working it's producing a bumper crop of

1379

01:00:46,140 --> 01:00:43,600

stupid people who are more focused on

1380

01:00:48,990 --> 01:00:46,150

the latest football game than they are

1381

01:00:51,570 --> 01:00:49,000

on the Constitution or on physics or

1382

01:00:53,940 --> 01:00:51,580

mathematics or literature or music or

1383

01:00:56,640 --> 01:00:53,950

whatever and by music incidentally folks

1384

01:00:58,260 --> 01:00:56,650

I don't mean the latest band you know I

1385

01:01:01,290 --> 01:00:58,270

mean something going back a couple

1386

01:01:03,870 --> 01:01:01,300

hundred years right right so you know we

1387

01:01:05,760 --> 01:01:03,880

have a bumper crop of idiots in this

1388

01:01:08,550 --> 01:01:05,770

country and more and more I think the

1389

01:01:11,460 --> 01:01:08,560

people that have the money recognize

1390

01:01:13,560 --> 01:01:11,470

this and they're simply pulling their

1391

01:01:15,210 --> 01:01:13,570

kids out of this public education

1392

01:01:18,630 --> 01:01:15,220

nightmare and again that's that comes

1393

01:01:21,930 --> 01:01:18,640

down to just saying no

1394

01:01:24,299 --> 01:01:21,940

and you said it man so to segue over

1395

01:01:26,749 --> 01:01:24,309

into hidden finance rogue networks and

1396

01:01:29,700 --> 01:01:26,759

secret sorcery the fastest international

1397

01:01:31,259 --> 01:01:29,710

9/11 and penetrated operations I have to

1398

01:01:33,720 --> 01:01:31,269

say that doing a show like this over the

1399

01:01:34,829 --> 01:01:33,730

years I've gotten a little bit of 9/11

1400

01:01:37,470 --> 01:01:34,839

fatigue weather

1401

01:01:40,380 --> 01:01:37,480

whether by accident or design or a

1402

01:01:43,739 --> 01:01:40,390

little bit of both Hillary Clinton

1403

01:01:46,559 --> 01:01:43,749

Donald Trump fatigue I know oh yeah yeah

1404

01:01:48,269 --> 01:01:46,569

Touche and you know after having dr.

1405

01:01:50,339 --> 01:01:48,279

Judy Wood here and making her case for

1406

01:01:52,440 --> 01:01:50,349

exotic energy weapons being used on the

1407

01:01:54,779 --> 01:01:52,450

Twin Towers I kind of expected to close

1408

01:01:56,999 --> 01:01:54,789

the books on it for a while but you dig

1409

01:01:58,739 --> 01:01:57,009

up some really interesting stuff in your

1410

01:02:01,680 --> 01:01:58,749

investigation it's got to be talked

1411

01:02:03,299 --> 01:02:01,690

about and it can be complex but just

1412

01:02:06,180 --> 01:02:03,309

give us a little overview of the Joseph

1413

01:02:10,499 --> 01:02:06,190

Farrell approach to the 9/11 events well

1414

01:02:14,039 --> 01:02:10,509

my approach is essentially similar to

1415

01:02:16,859 --> 01:02:14,049

other 9/11 truth researchers but my

1416

01:02:18,809 --> 01:02:16,869

conclusions are very very different in

1417

01:02:20,999 --> 01:02:18,819

any criminal investigation particularly

1418

01:02:23,400 --> 01:02:21,009

where murder is involved you want to

1419

01:02:26,279 --> 01:02:23,410

know what the murder weapon is right and

1420

01:02:29,279 --> 01:02:26,289

in the case of the Twin Towers if you

1421

01:02:33,180 --> 01:02:29,289

look at the 9/11 truth community there

1422

01:02:36,479 --> 01:02:33,190

has been literally a an inability of

1423

01:02:38,220 --> 01:02:36,489

people to talk to each other civilly you

1424

01:02:41,249 --> 01:02:38,230

know you mentioned dr. Judy wood well

1425

01:02:43,440 --> 01:02:41,259

there are some people out there in the

1426

01:02:46,170 --> 01:02:43,450

9/11 truth community that absolutely

1427

01:02:48,509 --> 01:02:46,180

hate her and through you know for

1428

01:02:51,720 --> 01:02:48,519

proposing the idea right we should be on

1429

01:02:54,479 --> 01:02:51,730

the same side yeah and you know how she

1430

01:02:57,420 --> 01:02:54,489

manages to keep her head and remain

1431

01:02:59,940 --> 01:02:57,430

courteous to these people I just don't

1432

01:03:01,430 --> 01:02:59,950

know but but you know they've come up

1433

01:03:04,589 --> 01:03:01,440

with some of the most ludicrous

1434

01:03:07,079 --> 01:03:04,599

criticisms of her you know I read one

1435

01:03:09,539 --> 01:03:07,089

guy proposing the model of many nukes as

1436

01:03:11,999 --> 01:03:09,549

the mechanism for the destruction of the

1437

01:03:13,620 --> 01:03:12,009

twin towers just absolutely raking her

1438

01:03:16,440 --> 01:03:13,630

over the coals because she didn't

1439

01:03:18,479 --> 01:03:16,450

provide a model for how she thought this

1440

01:03:21,749 --> 01:03:18,489

exotic energy weaponry would work well

1441

01:03:23,880 --> 01:03:21,759

my question back to him is explain to me

1442

01:03:25,920 --> 01:03:23,890

how a mini nuke works what's the

1443

01:03:28,019 --> 01:03:25,930

critical mass what's the nuclear fuel

1444

01:03:30,329 --> 01:03:28,029

what's the neutron cross-section what's

1445

01:03:31,800 --> 01:03:30,339

the half-life and so on and so forth and

1446

01:03:35,370 --> 01:03:31,810

they'd never do

1447

01:03:37,740 --> 01:03:35,380

so you know it's tit for tat as far as

1448

01:03:39,570 --> 01:03:37,750

I'm concerned what she's trying to do is

1449

01:03:41,280 --> 01:03:39,580

simply propose a model that she thinks

1450

01:03:42,810 --> 01:03:41,290

makes sense of certain amounts of the

1451

01:03:44,370 --> 01:03:42,820

evidence and the same with the many new

1452

01:03:46,920 --> 01:03:44,380

people and the same with controlled

1453

01:03:48,840 --> 01:03:46,930

demolition people and so on and so forth

1454

01:03:53,490 --> 01:03:48,850

my approach to the question of the

1455

01:03:56,130 --> 01:03:53,500

murder weapon is that why must we

1456

01:03:59,400 --> 01:03:56,140

conclude when we have evidence for all

1457

01:04:03,420 --> 01:03:59,410

of these models and all of these models

1458

01:04:06,570 --> 01:04:03,430

have certain problems mm-hmm also all

1459

01:04:08,760 --> 01:04:06,580

right so my approach is is it's kind of

1460

01:04:10,620 --> 01:04:08,770

like the old Agatha Christie novel

1461

01:04:12,930 --> 01:04:10,630

Murder on the Orient Express you know

1462

01:04:15,360 --> 01:04:12,940

they made a movie out of this with Peter

1463

01:04:18,390 --> 01:04:15,370

Ustinov and at the end of the movie you

1464

01:04:21,720 --> 01:04:18,400

know like all Agatha Christie books the

1465

01:04:24,060 --> 01:04:21,730

detective in this case ikuo Poirot gets

1466

01:04:26,670 --> 01:04:24,070

everybody together in a room and gives

1467

01:04:29,760 --> 01:04:26,680

the solution you know wraps it all up in

1468

01:04:31,770 --> 01:04:29,770

a neat tidy package with a bow on well

1469

01:04:33,980 --> 01:04:31,780

in the case of murder on the Orient

1470

01:04:37,890 --> 01:04:33,990

Express what you had was a case of

1471

01:04:40,830 --> 01:04:37,900

everybody murdering the victim but using

1472

01:04:43,680 --> 01:04:40,840

a different way to do it so in other

1473

01:04:45,390 --> 01:04:43,690

words this to me describes the 9/11

1474

01:04:47,160 --> 01:04:45,400

truth community perfectly because

1475

01:04:51,300 --> 01:04:47,170

they've all assumed that there's only

1476

01:04:54,630 --> 01:04:51,310

one level of deeper player involved in

1477

01:04:59,370 --> 01:04:54,640

9/11 and therefore the murder weapon

1478

01:05:02,160 --> 01:04:59,380

must reflect that player mm-hmm what I'm

1479

01:05:05,610 --> 01:05:02,170

suggesting is that even at the deep

1480

01:05:07,860 --> 01:05:05,620

level of the operation that you might

1481

01:05:10,620 --> 01:05:07,870

have been dealing with a penetrated

1482

01:05:14,790 --> 01:05:10,630

operation and that there might be even

1483

01:05:17,460 --> 01:05:14,800

deeper levels than a second level rogue

1484

01:05:19,320 --> 01:05:17,470

network operating inside the American

1485

01:05:22,170 --> 01:05:19,330

government and how would they signal

1486

01:05:25,680 --> 01:05:22,180

their presence well if they penetrated

1487

01:05:27,870 --> 01:05:25,690

an operation in which they knew that

1488

01:05:30,090 --> 01:05:27,880

some of the mechanisms to take down the

1489

01:05:33,420 --> 01:05:30,100

Twin Towers would be either

1490

01:05:36,360 --> 01:05:33,430

controlled demolitions or nano-thermite

1491

01:05:38,610 --> 01:05:36,370

or many nukes you know the three the

1492

01:05:40,020 --> 01:05:38,620

three standard ones that most 9/11

1493

01:05:42,290 --> 01:05:40,030

truthers accept well how would you

1494

01:05:45,750 --> 01:05:42,300

signal your presence to that group and

1495

01:05:50,580 --> 01:05:45,760

pin it to its own plan like a chest

1496

01:05:53,070 --> 01:05:50,590

well you do so by using a technology

1497

01:05:55,830 --> 01:05:53,080

that signaled to that group that planned

1498

01:05:57,480 --> 01:05:55,840

and orchestrated the event that signaled

1499

01:06:00,650 --> 01:05:57,490

to them that they were facing another

1500

01:06:03,750 --> 01:06:00,660

player that had just revealed itself

1501

01:06:08,580 --> 01:06:03,760

okay and this is what I think actually

1502

01:06:10,830 --> 01:06:08,590

happens you do have I think enough

1503

01:06:13,770 --> 01:06:10,840

signatures of some sort of exotic

1504

01:06:16,530 --> 01:06:13,780

technology there at 9/11 that fall

1505

01:06:18,540 --> 01:06:16,540

outside the three standard mechanisms of

1506

01:06:21,090 --> 01:06:18,550

controlled demolitions be it standard

1507

01:06:23,220 --> 01:06:21,100

explosives nano thermite or mini nukes I

1508

01:06:26,400 --> 01:06:23,230

do think that dr. Wood is absolutely

1509

01:06:30,150 --> 01:06:26,410

correct on this so the real question is

1510

01:06:32,400 --> 01:06:30,160

what does that signify in terms of the

1511

01:06:34,350 --> 01:06:32,410

perpetrators well to me it signifies

1512

01:06:36,900 --> 01:06:34,360

that you're dealing with three levels

1513

01:06:38,760 --> 01:06:36,910

not two you're dealing with the patsies

1514

01:06:41,220 --> 01:06:38,770

you know the people flying the airplanes

1515

01:06:44,550 --> 01:06:41,230

into the buildings at a deeper level

1516

01:06:46,980 --> 01:06:44,560

you're dealing with a rogue network

1517

01:06:50,610 --> 01:06:46,990

within the American intelligence

1518

01:06:52,680 --> 01:06:50,620

community that had the capacity to plan

1519

01:06:55,050 --> 01:06:52,690

the event and to plant controlled

1520

01:06:57,330 --> 01:06:55,060

demolitions or had access to many nukes

1521

01:07:00,390 --> 01:06:57,340

or nano-thermite and so on and so forth

1522

01:07:02,430 --> 01:07:00,400

and what's their goal well their goal is

1523

01:07:04,410 --> 01:07:02,440

to do exactly what happened to inject

1524

01:07:07,110 --> 01:07:04,420

American power into the Middle East

1525

01:07:09,930 --> 01:07:07,120

and this is what they did but the

1526

01:07:13,290 --> 01:07:09,940

problem there is as I've always thought

1527

01:07:16,110 --> 01:07:13,300

Greg is you wouldn't have needed to

1528

01:07:18,450 --> 01:07:16,120

destroy those buildings you would only

1529

01:07:21,990 --> 01:07:18,460

have needed to severely damage them in

1530

01:07:24,720 --> 01:07:22,000

order to create enough of a climate of

1531

01:07:27,300 --> 01:07:24,730

opinion to inject American power in that

1532

01:07:29,700 --> 01:07:27,310

way it's when the building's come down

1533

01:07:32,040 --> 01:07:29,710

with whatever exotic technology that

1534

01:07:34,230 --> 01:07:32,050

brings them down that you're dealing

1535

01:07:36,990 --> 01:07:34,240

with a penetrated operation and

1536

01:07:39,630 --> 01:07:37,000

particularly I think if dr. wood is

1537

01:07:41,910 --> 01:07:39,640

correct and I happen to think she is you

1538

01:07:45,090 --> 01:07:41,920

know I've adhered to the exotic weaponry

1539

01:07:47,730 --> 01:07:45,100

hypothesis myself since 9/11 happened

1540

01:07:50,160 --> 01:07:47,740

you know I watched it happened so that

1541

01:07:53,430 --> 01:07:50,170

was my first thought when I saw what

1542

01:07:55,770 --> 01:07:53,440

happened so you know she's not alone she

1543

01:07:58,230 --> 01:07:55,780

certainly is kind of out there alone on

1544

01:07:59,190 --> 01:07:58,240

her own trying to defend the hypothesis

1545

01:08:01,589 --> 01:07:59,200

but she's certainly

1546

01:08:04,589 --> 01:08:01,599

not the only one that advocated it there

1547

01:08:07,140 --> 01:08:04,599

was another gentleman that did so years

1548

01:08:09,060 --> 01:08:07,150

before she published her book and then

1549

01:08:11,339 --> 01:08:09,070

he later retracted it but you know I

1550

01:08:13,410 --> 01:08:11,349

review what he said in my book very

1551

01:08:17,579 --> 01:08:13,420

carefully so I'm looking at a hair cool

1552

01:08:19,410 --> 01:08:17,589

a Paro Agatha Christie Murder on the

1553

01:08:23,640 --> 01:08:19,420

Orient Express type of thing where

1554

01:08:25,320 --> 01:08:23,650

everybody everybody essentially is in on

1555

01:08:28,019 --> 01:08:25,330

the movie but they're in on the murder I

1556

01:08:32,670 --> 01:08:28,029

should say but using a different murder

1557

01:08:36,630 --> 01:08:32,680

weapon yeah oh man I really find this

1558

01:08:39,030 --> 01:08:36,640

penetration pretty exciting but you know

1559

01:08:41,400 --> 01:08:39,040

I guess like most penetrations but um

1560

01:08:43,289 --> 01:08:41,410

you know to break down the three levels

1561

01:08:45,289 --> 01:08:43,299

you say level one we have the patsies

1562

01:08:48,030 --> 01:08:45,299

the hijackers the official narrative

1563

01:08:50,099 --> 01:08:48,040

level 2 we have the planners from within

1564

01:08:52,740 --> 01:08:50,109

the American military apparatus there's

1565

01:08:55,769 --> 01:08:52,750

got to be some and then thirdly this

1566

01:08:57,690 --> 01:08:55,779

fascist international right who seemed

1567

01:09:00,840 --> 01:08:57,700

to flip the script on the other two

1568

01:09:04,740 --> 01:09:00,850

right up at some point that is the best

1569

01:09:07,910 --> 01:09:04,750

and most succinctly reason and the

1570

01:09:10,110 --> 01:09:07,920

people are going to stay fascists

1571

01:09:12,170 --> 01:09:10,120

they're going to think what in the name

1572

01:09:16,499 --> 01:09:12,180

of sense is he talking about well in

1573

01:09:18,329 --> 01:09:16,509

researching the 9/11 phenomenon I

1574

01:09:20,940 --> 01:09:18,339

noticed something that again just

1575

01:09:24,959 --> 01:09:20,950

mystifies me that the 9/11 truth

1576

01:09:27,660 --> 01:09:24,969

community researchers don't pursue you

1577

01:09:29,910 --> 01:09:27,670

know I found this in doing the JFK book

1578

01:09:31,950 --> 01:09:29,920

right whenever they're confronted with a

1579

01:09:35,579 --> 01:09:31,960

mysterious fascist connection what do

1580

01:09:37,680 --> 01:09:35,589

they do they don't investigate so let's

1581

01:09:40,650 --> 01:09:37,690

look at what that connection is and most

1582

01:09:43,829 --> 01:09:40,660

people you know when i from this greg my

1583

01:09:46,170 --> 01:09:43,839

jaw i I literally was sitting here in my

1584

01:09:47,880 --> 01:09:46,180

place you know no one else is in the

1585

01:09:52,530 --> 01:09:47,890

room and I just said out loud you're

1586

01:09:55,380 --> 01:09:52,540

kidding and I dug a little deeper and I

1587

01:09:55,560 --> 01:09:55,390

thought again you've got to be kidding

1588

01:09:58,680 --> 01:09:55,570

me

1589

01:10:02,640 --> 01:09:58,690

you know so I'm just putting out there

1590

01:10:06,720 --> 01:10:02,650

what I found all right let's begin with

1591

01:10:08,970 --> 01:10:06,730

what happens after 9/11 when the 9/11

1592

01:10:11,729 --> 01:10:08,980

truth community goes into full

1593

01:10:12,890 --> 01:10:11,739

skepticism mode of the official

1594

01:10:15,110 --> 01:10:12,900

narrative

1595

01:10:16,580 --> 01:10:15,120

one of the first things that they find a

1596

01:10:19,400 --> 01:10:16,590

fellow by the name of Douglas hops

1597

01:10:21,890 --> 01:10:19,410

occurred did a book called terror land

1598

01:10:23,990 --> 01:10:21,900

alright it's all about the flight school

1599

01:10:26,930 --> 01:10:24,000

that Mohammed Atta and some of his

1600

01:10:32,680 --> 01:10:26,940

cohorts attended in Venice Florida

1601

01:10:35,390 --> 01:10:32,690

alright okay and he found first of all a

1602

01:10:37,970 --> 01:10:35,400

quotation by the then British Prime

1603

01:10:40,460 --> 01:10:37,980

Minister Tony Blair where Blair said

1604

01:10:46,130 --> 01:10:40,470

that al-qaeda is nothing but a global

1605

01:10:48,350 --> 01:10:46,140

network okay now global network implies

1606

01:10:50,870 --> 01:10:48,360

something right off the bat number one

1607

01:10:53,870 --> 01:10:50,880

financing number two organization and

1608

01:10:57,560 --> 01:10:53,880

number three deep deep connections right

1609

01:11:00,260 --> 01:10:57,570

so who could that be now when he says

1610

01:11:02,150 --> 01:11:00,270

Network he could have said power but he

1611

01:11:06,440 --> 01:11:02,160

doesn't say anything to indicate that

1612

01:11:08,570 --> 01:11:06,450

it's a particular nation involved be it

1613

01:11:11,470 --> 01:11:08,580

the Saudis the Israelis the Russians

1614

01:11:14,450 --> 01:11:11,480

United States nobody Jesus says network

1615

01:11:17,600 --> 01:11:14,460

so I dig a little further and I find an

1616

01:11:19,670 --> 01:11:17,610

interesting quotation by a Russian

1617

01:11:22,850 --> 01:11:19,680

economist by the name of dr. Tatiana

1618

01:11:26,810 --> 01:11:22,860

choreography that appeared in Pravda Jim

1619

01:11:28,880 --> 01:11:26,820

Marrs dug this one up and she stated and

1620

01:11:31,790 --> 01:11:28,890

this was approximately I think a couple

1621

01:11:33,410 --> 01:11:31,800

of months before 9/11 and again my

1622

01:11:34,970 --> 01:11:33,420

memory is a little foggy it may be in a

1623

01:11:38,600 --> 01:11:34,980

couple months after but in any case

1624

01:11:40,760 --> 01:11:38,610

within the window she says that the

1625

01:11:44,420 --> 01:11:40,770

United States is going to be attacked on

1626

01:11:47,000 --> 01:11:44,430

its own soil in a kind of fake terrorist

1627

01:11:49,850 --> 01:11:47,010

attack but really it's coming from a

1628

01:11:53,480 --> 01:11:49,860

group a small group of very powerful

1629

01:11:57,920 --> 01:11:53,490

people a network she calls it which has

1630

01:12:01,520 --> 01:11:57,930

in excess of 30 trillion dollars huh add

1631

01:12:03,800 --> 01:12:01,530

its disposal to recreate the world the

1632

01:12:05,840 --> 01:12:03,810

way they want pretty on the nose yeah

1633

01:12:08,060 --> 01:12:05,850

pretty on those I'm thinking okay here

1634

01:12:10,310 --> 01:12:08,070

we have Tony Blair says it's a network

1635

01:12:12,980 --> 01:12:10,320

and we have a Russian economist writing

1636

01:12:16,280 --> 01:12:12,990

in Pravda that says it's a network okay

1637

01:12:20,330 --> 01:12:16,290

is not a country so in other words we're

1638

01:12:22,850 --> 01:12:20,340

dealing there right off the bat with a

1639

01:12:25,850 --> 01:12:22,860

kind of prima facie indication that

1640

01:12:26,600 --> 01:12:25,860

there's a third level to this thing that

1641

01:12:29,450 --> 01:12:26,610

exceed

1642

01:12:32,000 --> 01:12:29,460

any particular nation-state player

1643

01:12:33,650 --> 01:12:32,010

including rogue groups within American

1644

01:12:35,360 --> 01:12:33,660

intelligence now they can certainly be

1645

01:12:38,450 --> 01:12:35,370

connected to that third network we're

1646

01:12:41,330 --> 01:12:38,460

going to get to that so I'm reading

1647

01:12:43,820 --> 01:12:41,340

Daniel hop stickers book called murder

1648

01:12:45,260 --> 01:12:43,830

in terror land or something I forget the

1649

01:12:48,470 --> 01:12:45,270

exact title of the book right off the

1650

01:12:50,390 --> 01:12:48,480

top of my head excellent book hops occur

1651
01:12:52,550 --> 01:12:50,400
goes down and he investigates the flight

1652
01:12:54,590 --> 01:12:52,560
school in Venice Florida and he

1653
01:12:59,270 --> 01:12:54,600
investigates none other than Mohammed

1654
01:13:00,890 --> 01:12:59,280
Atta okay and he points out something

1655
01:13:04,100 --> 01:13:00,900
that floored me

1656
01:13:06,350 --> 01:13:04,110
he points out that most of Mohammed

1657
01:13:10,730 --> 01:13:06,360
Atta's friends that would come to visit

1658
01:13:16,670 --> 01:13:10,740
him weren't Arabs they were people with

1659
01:13:19,310 --> 01:13:16,680
names like Jurgen Hans Wolfgang and so

1660
01:13:20,900 --> 01:13:19,320
on so you know my suspicion needle

1661
01:13:23,540 --> 01:13:20,910
immediately begins to creep into the

1662
01:13:26,240 --> 01:13:23,550
yellow zone so I do a little more

1663
01:13:28,310 --> 01:13:26,250

digging and you discover that Mohammed

1664

01:13:30,020 --> 01:13:28,320

Atta comes to this country from guess

1665

01:13:32,900 --> 01:13:30,030

where he comes to this country from

1666

01:13:36,770 --> 01:13:32,910

Hamburg Germany where he had been living

1667

01:13:39,230 --> 01:13:36,780

for a number of years with an unnamed

1668

01:13:42,440 --> 01:13:39,240

and nobody to my knowledge to this date

1669

01:13:44,480 --> 01:13:42,450

has named this German couple in a

1670

01:13:47,900 --> 01:13:44,490

middle-class neighborhood in Hamburg

1671

01:13:51,770 --> 01:13:47,910

Germany dig a little further you find

1672

01:13:54,110 --> 01:13:51,780

that Mohamed Atta was recruited by again

1673

01:13:54,950 --> 01:13:54,120

an anonymous German couple when he was

1674

01:13:58,820 --> 01:13:54,960

in Cairo

1675

01:14:01,700 --> 01:13:58,830

well recruited for what and why Germans

1676

01:14:03,200 --> 01:14:01,710

you know why not the Muslim Brotherhood

1677

01:14:06,500 --> 01:14:03,210

why not you know

1678

01:14:10,570 --> 01:14:06,510

the Saudis and the Wahabis why not Hamas

1679

01:14:14,510 --> 01:14:10,580

why not Hezbollah but no Germans of them

1680

01:14:17,480 --> 01:14:14,520

now to me right there Greg what what

1681

01:14:19,760 --> 01:14:17,490

this should have sparked in the 9/11

1682

01:14:22,430 --> 01:14:19,770

truth community was a tremendous amount

1683

01:14:27,760 --> 01:14:22,440

of curiosity why is that connection

1684

01:14:31,520 --> 01:14:27,770

there and why has nobody investigated

1685

01:14:33,260 --> 01:14:31,530

well I'll tell you why they probably did

1686

01:14:36,020 --> 01:14:33,270

do a little investigating but were a

1687

01:14:38,150 --> 01:14:36,030

little hesitant to go there dig a little

1688

01:14:40,129 --> 01:14:38,160

further into Mohammed Atta and you

1689

01:14:44,060 --> 01:14:40,139

discover that during his year

1690

01:14:47,719 --> 01:14:44,070

in Germany he was sponsored by a society

1691

01:14:51,199 --> 01:14:47,729

called the Karl Duisburg ghazal Shah and

1692

01:14:53,600 --> 01:14:51,209

when I found that Greg the suspicion

1693

01:14:57,649 --> 01:14:53,610

needle went from yellow to red right

1694

01:15:01,459 --> 01:14:57,659

okay on my suspicion meter because Karl

1695

01:15:04,040 --> 01:15:01,469

Duisburg was one of the founding members

1696

01:15:06,589 --> 01:15:04,050

he was the head of buyer during World

1697

01:15:07,909 --> 01:15:06,599

War one okay that should tell you what

1698

01:15:11,270 --> 01:15:07,919

this guy is

1699

01:15:16,299 --> 01:15:11,280

he becomes a founding member of I G

1700

01:15:19,339 --> 01:15:16,309

Farben and sits on the board okay now

1701

01:15:22,489 --> 01:15:19,349

this means that Muhammad Atta is being

1702

01:15:25,580 --> 01:15:22,499

sponsored in Germany by a society named

1703

01:15:27,949 --> 01:15:25,590

for one of the founders of IG Farben so

1704

01:15:31,040 --> 01:15:27,959

my suspicion meter goes a little further

1705

01:15:33,350 --> 01:15:31,050

into the red zone it's got to yeah it's

1706

01:15:35,479 --> 01:15:33,360

got to you know and you dig into the

1707

01:15:38,629 --> 01:15:35,489

Karl Duisburg society and you find oh

1708

01:15:41,779 --> 01:15:38,639

it's a wonderful society sponsored by

1709

01:15:44,029 --> 01:15:41,789

people like Bill Clinton and Henry

1710

01:15:46,129 --> 01:15:44,039

Kissinger and you know all these big

1711

01:15:49,339 --> 01:15:46,139

German industrialists and so on and so

1712

01:15:52,310 --> 01:15:49,349

forth so we have a society sponsoring

1713

01:15:55,040 --> 01:15:52,320

Mohammad Atta named after an IG Farben

1714

01:15:57,529 --> 01:15:55,050

safty member that's connected to all of

1715

01:16:01,639 --> 01:15:57,539

these let's be honest here globalists

1716

01:16:05,779 --> 01:16:01,649

alright so I did a little further I find

1717

01:16:09,290 --> 01:16:05,789

out that there's a banker involved in

1718

01:16:14,719 --> 01:16:09,300

all of this by the name of Francoise

1719

01:16:20,359 --> 01:16:14,729

Janu ge in oh you D is a Swiss French

1720

01:16:24,560 --> 01:16:20,369

banker he was the banker of record for

1721

01:16:27,409 --> 01:16:24,570

the estates of Adolf Hitler for yosef

1722

01:16:30,229 --> 01:16:27,419

Gibble's he handled all the Nazi

1723

01:16:34,219 --> 01:16:30,239

accounts in Switzerland during and after

1724

01:16:37,040 --> 01:16:34,229

a second clue after the war and Oh

1725

01:16:39,049 --> 01:16:37,050

lookie lookie he has ties to this

1726

01:16:41,659 --> 01:16:39,059

post-war Nazi international I've been

1727

01:16:43,549 --> 01:16:41,669

talking about and Oh looky looky he just

1728

01:16:45,319 --> 01:16:43,559

happens to be the bank roller for a

1729

01:16:48,229 --> 01:16:45,329

number of international terrorist groups

1730

01:16:51,020 --> 01:16:48,239

and Oh looky looky he just happens to be

1731

01:16:52,669 --> 01:16:51,030

the banker for guess who the bin Laden

1732

01:16:57,470 --> 01:16:52,679

family

1733

01:17:01,520 --> 01:16:57,480

ha that connected them to guess what

1734

01:17:03,200 --> 01:17:01,530

Deutsche Bank so in other words I'm

1735

01:17:06,080 --> 01:17:03,210

looking at all of this Greg and I'm

1736

01:17:10,160 --> 01:17:06,090

seeing this suspicious German connection

1737

01:17:13,640 --> 01:17:10,170

here that nobody and I I mean that quite

1738

01:17:16,399 --> 01:17:13,650

literally that nobody to my knowledge

1739

01:17:20,660 --> 01:17:16,409

has ever brought up in connection with

1740

01:17:23,750 --> 01:17:20,670

this unnamed global network that Tony

1741

01:17:26,479 --> 01:17:23,760

Blair and Tatiana Coriana suggested and

1742

01:17:28,820 --> 01:17:26,489

the problem here is whether we like it

1743

01:17:30,709 --> 01:17:28,830

or not when we're dealing with Françoise

1744

01:17:35,060 --> 01:17:30,719

Janu we're dealing with a man who lived

1745

01:17:37,160 --> 01:17:35,070

on up into the 1990s and he was deeply

1746

01:17:40,399 --> 01:17:37,170

connected to all of these different

1747

01:17:42,770 --> 01:17:40,409

fascist groups so it does look to me

1748

01:17:46,550 --> 01:17:42,780

like we're dealing yet again with some

1749

01:17:49,790 --> 01:17:46,560

sort of global for one of the better

1750

01:17:53,090 --> 01:17:49,800

expression fascist mafia that is behind

1751

01:17:55,970 --> 01:17:53,100

this now the problem is could this be

1752

01:18:00,709 --> 01:17:55,980

the group that would have had access to

1753

01:18:03,050 --> 01:18:00,719

an exotic energy technology such as dr.

1754

01:18:05,540 --> 01:18:03,060

wood or the fellow that I review in the

1755

01:18:08,000 --> 01:18:05,550

book have suggested might have been

1756

01:18:11,120 --> 01:18:08,010

involved as one of the quote-unquote

1757

01:18:13,970 --> 01:18:11,130

murder weapons well if you've read any

1758

01:18:15,830 --> 01:18:13,980

of my books about this this post-war

1759

01:18:18,050 --> 01:18:15,840

Nazi international you'll discover that

1760

01:18:20,959 --> 01:18:18,060

all along I've been arguing that this

1761

01:18:24,470 --> 01:18:20,969

group when it fled Europe at the end of

1762

01:18:27,530 --> 01:18:24,480

World War two deliberately made an

1763

01:18:31,070 --> 01:18:27,540

effort to retain control of its most

1764

01:18:34,640 --> 01:18:31,080

exotic and advanced hidden research

1765

01:18:37,360 --> 01:18:34,650

black projects and simply relocated all

1766

01:18:40,070 --> 01:18:37,370

of these initially to South America so

1767

01:18:42,680 --> 01:18:40,080

over time with enough money and so on

1768

01:18:45,770 --> 01:18:42,690

could such a group have access to

1769

01:18:47,450 --> 01:18:45,780

technologies like that well we have to

1770

01:18:49,910 --> 01:18:47,460

look at none other than than the

1771

01:18:52,669 --> 01:18:49,920

Secretary of Defense William Cohen under

1772

01:18:55,970 --> 01:18:52,679

Bill Clinton who had a conference said

1773

01:18:57,649 --> 01:18:55,980

yes we we are very worried that

1774

01:18:59,720 --> 01:18:57,659

terrorist groups are going to get their

1775

01:19:02,180 --> 01:18:59,730

hands on some of these exotic weapons

1776

01:19:03,919 --> 01:19:02,190

and be able to manipulate weather or

1777

01:19:05,400 --> 01:19:03,929

create earthquakes and so on and so

1778

01:19:07,020 --> 01:19:05,410

forth so he's in

1779

01:19:08,880 --> 01:19:07,030

lying by the nature of the case right

1780

01:19:12,150 --> 01:19:08,890

there that there's an exotic energy

1781

01:19:14,640 --> 01:19:12,160

technology that is not in the hands of

1782

01:19:17,070 --> 01:19:14,650

any one sovereign nation that's in the

1783

01:19:19,170 --> 01:19:17,080

hands of somebody else so you know

1784

01:19:21,180 --> 01:19:19,180

connect the dots at one end and and the

1785

01:19:24,000 --> 01:19:21,190

other and I think you see what the

1786

01:19:26,940 --> 01:19:24,010

picture is right great summary and it is

1787

01:19:29,820 --> 01:19:26,950

a tangled web for sure oh absolutely I

1788

01:19:31,860 --> 01:19:29,830

mean I was when I found out this stuff

1789

01:19:34,200 --> 01:19:31,870

about Mohammed Atta Greg I was just

1790

01:19:37,020 --> 01:19:34,210

dumbfounded yeah you know it was

1791

01:19:39,090 --> 01:19:37,030

confirmation of an intuition that I had

1792

01:19:41,850 --> 01:19:39,100

when 9/11 happened you know we were all

1793

01:19:44,820 --> 01:19:41,860

glued to the television set and to me it

1794

01:19:46,830 --> 01:19:44,830

was like you know Ill was a boy during

1795

01:19:50,160 --> 01:19:46,840

the JFK assassination and it was like

1796

01:19:52,470 --> 01:19:50,170

deja vu because you know that already

1797

01:19:55,050 --> 01:19:52,480

they were putting out a certain spin a

1798

01:19:56,430 --> 01:19:55,060

certain storyline but I was as I was

1799

01:19:57,900 --> 01:19:56,440

watching all this I was thinking no

1800

01:20:00,080 --> 01:19:57,910

doesn't make sense there's something

1801
01:20:03,300 --> 01:20:00,090
much much deeper going on here and right

1802
01:20:06,690 --> 01:20:03,310
you know the other aspects of 9/11 only

1803
01:20:07,830 --> 01:20:06,700
seem to confirm this webster tarpley for

1804
01:20:10,620 --> 01:20:07,840
a number of years and i think quite

1805
01:20:12,660 --> 01:20:10,630
rightly has been arguing that 9/11 has

1806
01:20:15,990 --> 01:20:12,670
aspects of a coup d'etat if you look

1807
01:20:21,090 --> 01:20:16,000
closely yes and the you know I narrowly

1808
01:20:23,310 --> 01:20:21,100
avoided coup d'etat and you know coupled

1809
01:20:26,060 --> 01:20:23,320
with this Mohammed Atta connection to

1810
01:20:28,200 --> 01:20:26,070
you know IG Farben societies and

1811
01:20:31,920 --> 01:20:28,210
international bankers with ties to the

1812
01:20:35,670 --> 01:20:31,930
Saudis and the bin Laden's everything

1813
01:20:39,180 --> 01:20:35,680

else it's a very very murky picture so

1814

01:20:41,310 --> 01:20:39,190

yeah 9/11 you know I was kind of like

1815

01:20:44,130 --> 01:20:41,320

you dragged when I decided to write the

1816

01:20:46,800 --> 01:20:44,140

book it was well do I do I write this

1817

01:20:49,890 --> 01:20:46,810

and put it out there or do I fall victim

1818

01:20:52,470 --> 01:20:49,900

to my own sense of 9/11 exhaustion and I

1819

01:20:54,840 --> 01:20:52,480

just decided well no it's it's time to

1820

01:20:56,370 --> 01:20:54,850

put this out there because there may be

1821

01:20:57,960 --> 01:20:56,380

another way of looking at this whole

1822

01:21:00,510 --> 01:20:57,970

thing that even the 9/11 truth movement

1823

01:21:02,760 --> 01:21:00,520

hasn't really considered right and I'm

1824

01:21:05,160 --> 01:21:02,770

so glad you did put it out there but as

1825

01:21:06,750 --> 01:21:05,170

we start to wrap this up by the time

1826

01:21:07,980 --> 01:21:06,760

this show airs because I don't think

1827

01:21:09,840 --> 01:21:07,990

we're going to get it out in time it's

1828

01:21:12,330 --> 01:21:09,850

going to be close but will most likely

1829

01:21:14,010 --> 01:21:12,340

know who the next president is and on

1830

01:21:16,710 --> 01:21:14,020

the plus side we can actually get

1831

01:21:18,900 --> 01:21:16,720

through all this drama but as I've been

1832

01:21:20,820 --> 01:21:18,910

reading your 9/11 breakdown and hearing

1833

01:21:22,770 --> 01:21:20,830

about these multiple levels in the

1834

01:21:24,450 --> 01:21:22,780

notion that it seems like the fascist

1835

01:21:26,430 --> 01:21:24,460

international network has somewhat

1836

01:21:28,500 --> 01:21:26,440

broken off from the American machine as

1837

01:21:30,750 --> 01:21:28,510

it seems to be declining and its

1838

01:21:32,910 --> 01:21:30,760

usefulness I'm curious how you see this

1839

01:21:34,920 --> 01:21:32,920

relating to the supporters of the two

1840

01:21:37,140 --> 01:21:34,930

horses in the presidential race or the

1841

01:21:39,480 --> 01:21:37,150

back-and-forth FBI investigation of

1842

01:21:41,070 --> 01:21:39,490

Clinton or really anything between the

1843

01:21:44,370 --> 01:21:41,080

lines of what we're seeing in the

1844

01:21:47,220 --> 01:21:44,380

mainstream news well I've said all along

1845

01:21:50,850 --> 01:21:47,230

that my approach to this election and

1846

01:21:52,620 --> 01:21:50,860

the two candidates first of all I view

1847

01:21:57,210 --> 01:21:52,630

this election not simply as an election

1848

01:22:00,470 --> 01:21:57,220

I view it as a referendum on two very

1849

01:22:04,400 --> 01:22:00,480

very different ideologies of the future

1850

01:22:08,490 --> 01:22:04,410

one is one ideology is the standard

1851
01:22:11,340 --> 01:22:08,500
globalist mantra of the obsolescence of

1852
01:22:14,250 --> 01:22:11,350
the nation-state you know the

1853
01:22:18,060 --> 01:22:14,260
multicultural agenda the the centrality

1854
01:22:20,670 --> 01:22:18,070
model and everything being run by big

1855
01:22:24,260 --> 01:22:20,680
corporations for the glorious benefit of

1856
01:22:27,630 --> 01:22:24,270
the big corporations and the other

1857
01:22:31,290 --> 01:22:27,640
candidate represents an ideology opposed

1858
01:22:33,330 --> 01:22:31,300
to this centralizing model that is

1859
01:22:34,080 --> 01:22:33,340
reasserting the sovereignty of the

1860
01:22:36,930 --> 01:22:34,090
nation-state

1861
01:22:40,620 --> 01:22:36,940
the centrality of having a culture and

1862
01:22:44,100 --> 01:22:40,630
protecting and defending it and when you

1863
01:22:45,900 --> 01:22:44,110

look at it in that fashion and I've been

1864

01:22:47,910 --> 01:22:45,910

saying this you know for a number of

1865

01:22:52,950 --> 01:22:47,920

months now since since Donald Trump

1866

01:22:57,960 --> 01:22:52,960

emerged as the Republican nominee what I

1867

01:23:02,760 --> 01:22:57,970

think you see is these two candidates

1868

01:23:06,660 --> 01:23:02,770

really represent two factions of the

1869

01:23:10,710 --> 01:23:06,670

American deep state that are battling it

1870

01:23:12,750 --> 01:23:10,720

out right behind the scenes you know

1871

01:23:16,380 --> 01:23:12,760

I've made no bones I call Trump the

1872

01:23:18,330 --> 01:23:16,390

Mafia candidate because you cannot be in

1873

01:23:21,060 --> 01:23:18,340

the business he's in particularly where

1874

01:23:25,320 --> 01:23:21,070

he's you know done most of his business

1875

01:23:28,320 --> 01:23:25,330

without having to have had at some point

1876

01:23:31,470 --> 01:23:28,330

in your business dealings dealings with

1877

01:23:33,060 --> 01:23:31,480

what we now call the mob or the Mafia

1878

01:23:35,100 --> 01:23:33,070

now there's one thing about the American

1879

01:23:38,400 --> 01:23:35,110

Mafia that people forget and that is it

1880

01:23:42,780 --> 01:23:38,410

is intensely patriotic has been

1881

01:23:44,460 --> 01:23:42,790

traditionally so and he therefore to me

1882

01:23:46,050 --> 01:23:44,470

represents that segment of the American

1883

01:23:49,260 --> 01:23:46,060

deep State that's looked at these

1884

01:23:51,180 --> 01:23:49,270

globalists and neo-cons and seen nothing

1885

01:23:54,660 --> 01:23:51,190

but a track record of disaster and

1886

01:23:57,870 --> 01:23:54,670

particularly in in the mafia's case with

1887

01:24:00,180 --> 01:23:57,880

Obamacare and everything else so gutting

1888

01:24:03,060 --> 01:24:00,190

the leisure capital of the middle class

1889

01:24:05,280 --> 01:24:03,070

this is cut very very heavily into the

1890

01:24:07,080 --> 01:24:05,290

casino business if you go out to Vegas

1891

01:24:08,940 --> 01:24:07,090

and places like that business is

1892

01:24:11,610 --> 01:24:08,950

dramatically down from where it used to

1893

01:24:14,700 --> 01:24:11,620

be so he represents you know a segment

1894

01:24:17,010 --> 01:24:14,710

of that economic interest that is

1895

01:24:19,500 --> 01:24:17,020

looking at this track record and seeing

1896

01:24:22,650 --> 01:24:19,510

things are not going the way that they

1897

01:24:24,660 --> 01:24:22,660

should so I view this as a contest

1898

01:24:26,400 --> 01:24:24,670

really between not only different

1899

01:24:28,290 --> 01:24:26,410

opposing ideologies but different

1900

01:24:30,810 --> 01:24:28,300

factions within the American deep State

1901

01:24:34,020 --> 01:24:30,820

now it's interesting that just I think

1902

01:24:37,620 --> 01:24:34,030

yesterday Gregg was that dr. Steven -

1903

01:24:39,930 --> 01:24:37,630

chanak a psychiatrist that has had

1904

01:24:40,440 --> 01:24:39,940

dealings with and had been part of the

1905

01:24:43,110 --> 01:24:40,450

CIA

1906

01:24:46,110 --> 01:24:43,120

just came out with a YouTube video where

1907

01:24:48,680 --> 01:24:46,120

he said that in effect what you're

1908

01:24:50,880 --> 01:24:48,690

seeing now is a soft counter coup

1909

01:24:53,460 --> 01:24:50,890

against Hillary Clinton and the

1910

01:24:55,110 --> 01:24:53,470

globalists by a group of people within

1911

01:24:57,410 --> 01:24:55,120

the American military intelligence

1912

01:24:59,760 --> 01:24:57,420

community that are deeply dissatisfied

1913

01:25:02,490 --> 01:24:59,770

with the direction that things have been

1914

01:25:04,890 --> 01:25:02,500

going for the last thirty years

1915

01:25:07,050 --> 01:25:04,900

under under the Bush Clinton Nexus and

1916

01:25:08,729 --> 01:25:07,060

again that plays very well to what I

1917

01:25:11,340 --> 01:25:08,739

said earlier about the Economist

1918

01:25:13,080 --> 01:25:11,350

magazine op-ed piece about the British

1919

01:25:15,810 --> 01:25:13,090

you know looking at this election back

1920

01:25:17,310 --> 01:25:15,820

in 2015 and seeing nothing but the

1921

01:25:20,130 --> 01:25:17,320

calcification of the American political

1922

01:25:21,330 --> 01:25:20,140

class and and no new solutions just the

1923

01:25:23,700 --> 01:25:21,340

same old same old

1924

01:25:26,550 --> 01:25:23,710

and more of it and you know I think the

1925

01:25:29,160 --> 01:25:26,560

brexit vote in a certain sense was the

1926

01:25:31,050 --> 01:25:29,170

British deep state taking stock of where

1927

01:25:32,760 --> 01:25:31,060

this is all going and deciding you know

1928

01:25:35,010 --> 01:25:32,770

we want out of it and we're going to go

1929

01:25:37,500 --> 01:25:35,020

a different direction so there's a lot

1930

01:25:40,320 --> 01:25:37,510

riding on this election there's much

1931

01:25:43,440 --> 01:25:40,330

more going on here I think then meets

1932

01:25:44,709 --> 01:25:43,450

the eye behind the scenes and to put the

1933

01:25:49,989 --> 01:25:44,719

icing on the cake for that

1934

01:25:52,089 --> 01:25:49,999

analysis I began to get very very I

1935

01:25:54,790 --> 01:25:52,099

would I won't say suspicious but in a

1936

01:25:57,459 --> 01:25:54,800

certain sense to have this kind of

1937

01:26:01,140 --> 01:25:57,469

analysis confirmed by the way Donald

1938

01:26:04,839 --> 01:26:01,150

Trump dealt with Jeb Bush and dealt with

1939

01:26:07,719 --> 01:26:04,849

senator Cruz because you'll recall

1940

01:26:10,839 --> 01:26:07,729

during the the Republican primary season

1941

01:26:15,100 --> 01:26:10,849

he came out as they were debating with

1942

01:26:18,609 --> 01:26:15,110

that statement against Jeb Bush where he

1943

01:26:21,759 --> 01:26:18,619

actually succeeded in injecting part of

1944

01:26:24,430 --> 01:26:21,769

the 9/11 truth narrative into the

1945

01:26:26,589 --> 01:26:24,440

political debate mmm-hmm you know by

1946

01:26:27,910 --> 01:26:26,599

questioning the Bush families potential

1947

01:26:32,830 --> 01:26:27,920

role in it yeah

1948

01:26:34,689 --> 01:26:32,840

now that was huge because what and he

1949

01:26:36,430 --> 01:26:34,699

did it with a sense of finesse and

1950

01:26:39,129 --> 01:26:36,440

timing but I don't think many people

1951

01:26:42,729 --> 01:26:39,139

appreciate because Bush's candidacy was

1952

01:26:44,709 --> 01:26:42,739

already failing and that just injected

1953

01:26:48,160 --> 01:26:44,719

the final coup de Gras and Bush dropped

1954

01:26:51,009 --> 01:26:48,170

out within days of that remark huh and I

1955

01:26:53,729 --> 01:26:51,019

think it was because you know by someone

1956

01:26:58,270 --> 01:26:53,739

of Trump's stature injecting that into

1957

01:27:03,040 --> 01:26:58,280

the mainstream meant that they could no

1958

01:27:05,319 --> 01:27:03,050

longer take refuge behind the official

1959

01:27:08,020 --> 01:27:05,329

narrative and then what happened to

1960

01:27:10,509 --> 01:27:08,030

senator Cruz well he dropped that little

1961

01:27:15,009 --> 01:27:10,519

bombshell about senator Cruz's father

1962

01:27:19,299 --> 01:27:15,019

having been in New Orleans and in the

1963

01:27:21,399 --> 01:27:19,309

circle of people that surrounded Lee

1964

01:27:22,839 --> 01:27:21,409

Harvey Oswald and therefore you know he

1965

01:27:25,779 --> 01:27:22,849

was he was making the implicit

1966

01:27:28,899 --> 01:27:25,789

connection of senator Cruz to the JFK

1967

01:27:31,149 --> 01:27:28,909

assassination well as a response to this

1968

01:27:32,950 --> 01:27:31,159

of course senator Cruz began by denying

1969

01:27:36,040 --> 01:27:32,960

and and so on and so forth but

1970

01:27:38,770 --> 01:27:36,050

eventually the researchers were able to

1971

01:27:40,899 --> 01:27:38,780

show that senator senator Cruz's father

1972

01:27:43,200 --> 01:27:40,909

really was in New Orleans and apparently

1973

01:27:45,250 --> 01:27:43,210

did have some sort of loose network

1974

01:27:47,200 --> 01:27:45,260

connection to that whole circle of

1975

01:27:49,040 --> 01:27:47,210

goings on down there so what happened to

1976

01:27:52,010 --> 01:27:49,050

senator Cruz well

1977

01:27:55,399 --> 01:27:52,020

his donations began to fail dramatically

1978

01:27:59,390 --> 01:27:55,409

after that statement and sooner rather

1979

01:28:02,120 --> 01:27:59,400

than later he drops out of the race now

1980

01:28:06,560 --> 01:28:02,130

what that signals to me is that somebody

1981

01:28:11,709 --> 01:28:06,570

is feeding Donald Trump with a lot of

1982

01:28:18,020 --> 01:28:15,169

studied practice on when and how to drop

1983

01:28:21,799 --> 01:28:18,030

those little zingers yeah into the

1984

01:28:24,109 --> 01:28:21,809

conversation besides the fact that I

1985

01:28:28,250 --> 01:28:24,119

strongly suspect that Trump himself is

1986

01:28:31,700 --> 01:28:28,260

an individual that would be inclined to

1987

01:28:33,890 --> 01:28:31,710

to question official narratives and read

1988

01:28:36,140 --> 01:28:33,900

things on his own so I think this is

1989

01:28:38,000 --> 01:28:36,150

coming from a two-fold source within the

1990

01:28:39,830 --> 01:28:38,010

Trump campaign I think he's being fed

1991

01:28:42,439 --> 01:28:39,840

intelligence and he's being carefully

1992

01:28:43,879 --> 01:28:42,449

steered as to how and when he drops

1993

01:28:46,280 --> 01:28:43,889

these little zingers into the

1994

01:28:49,040 --> 01:28:46,290

conversation mm-hmm and he's not afraid

1995

01:28:50,870 --> 01:28:49,050

of doing so you know he's dropped a

1996

01:28:52,490 --> 01:28:50,880

number of zingers into the presidential

1997

01:28:56,680 --> 01:28:52,500

debates he dropped at quite a few

1998

01:28:59,450 --> 01:28:56,690

zingers in in that joint dinner with

1999

01:29:02,870 --> 01:28:59,460

Cardinal what's-his-name everybody that

2000

01:29:05,510 --> 01:29:02,880

he and Hillary appeared at he's done

2001

01:29:07,339 --> 01:29:05,520

this repeatedly and this this plus the

2002

01:29:10,069 --> 01:29:07,349

fact that Stephen Botanic has come out

2003

01:29:14,450 --> 01:29:10,079

with the soft coupe the soft two video

2004

01:29:16,160 --> 01:29:14,460

has suggests to me by way of a kind of

2005

01:29:20,899 --> 01:29:16,170

confirmation that yes there's some sort

2006

01:29:24,770 --> 01:29:20,909

of an ad-hoc intelligence presence in

2007

01:29:27,859 --> 01:29:24,780

the Trump campaign that is very very

2008

01:29:29,899 --> 01:29:27,869

dissatisfied with with what Clinton

2009

01:29:31,850 --> 01:29:29,909

represents which is basically more of

2010

01:29:34,459 --> 01:29:31,860

the same Bush Clinton stuff that we've

2011

01:29:36,140 --> 01:29:34,469

had for the last thirty years so there's

2012

01:29:38,990 --> 01:29:36,150

a lot going on in this election

2013

01:29:41,510 --> 01:29:39,000

Greg behind the scenes you know your

2014

01:29:43,459 --> 01:29:41,520

guess is as good as mine or people's

2015

01:29:46,060 --> 01:29:43,469

guesses out there as good as mine but

2016

01:29:48,470 --> 01:29:46,070

that's kind of that's kind of my take on

2017

01:29:50,720 --> 01:29:48,480

what's happening yeah

2018

01:29:52,640 --> 01:29:50,730

man I love the way you read between the

2019

01:29:55,280 --> 01:29:52,650

lines but Wow

2020

01:29:56,930 --> 01:29:55,290

Joseph always always a highlight for me

2021

01:29:58,939 --> 01:29:56,940

to get you here to do this you break

2022

01:30:01,189 --> 01:29:58,949

down these complex situations with such

2023

01:30:02,030 --> 01:30:01,199

clarity I think you set a serious gold

2024

01:30:04,070 --> 01:30:02,040

standard for

2025

01:30:05,360 --> 01:30:04,080

the conspiratorial research community

2026

01:30:07,880 --> 01:30:05,370

and I'd have you here every month if I

2027

01:30:09,230 --> 01:30:07,890

could but before we call it in remind

2028

01:30:10,610 --> 01:30:09,240

everyone where they can dig deeper into

2029

01:30:32,110 --> 01:30:10,620

your work and even support you as a

2030

01:30:32,120 --> 01:30:51,020

www.pevs.com

2031

01:30:56,480 --> 01:30:53,650

they can they can do either one of those

2032

01:30:57,980 --> 01:30:56,490

awesome well another one in the can I

2033

01:30:59,300 --> 01:30:57,990

can't thank you enough keep fighting the

2034

01:31:01,070 --> 01:30:59,310

good fight out there all right my man

2035

01:31:02,300 --> 01:31:01,080

all right thank you for having me back

2036

01:31:05,930 --> 01:31:02,310

Greg you got it

2037

01:31:09,050 --> 01:31:05,940

all right people Joseph P Ferrell always

2038

01:31:11,060 --> 01:31:09,060

always one of my favorites he spent an

2039

01:31:13,600 --> 01:31:11,070

extra half hour with me so big thanks to

2040

01:31:17,630 --> 01:31:13,610

him too extended episodes back-to-back

2041

01:31:19,700 --> 01:31:17,640

how about that guys some people have

2042

01:31:21,920 --> 01:31:19,710

asked where the newsletter is and it is

2043

01:31:24,620 --> 01:31:21,930

behind because I'm trying to launch

2044

01:31:26,270 --> 01:31:24,630

t-shirt brand 2.0 and I want to include

2045

01:31:28,220 --> 01:31:26,280

that in the newsletter instead of having

2046

01:31:30,590 --> 01:31:28,230

to wait another month or send out two

2047

01:31:33,020 --> 01:31:30,600

stupid emails and we're closed for real

2048

01:31:35,810 --> 01:31:33,030

close so I'm trying to roll it all up

2049

01:31:38,120 --> 01:31:35,820

into one thing but as for this show I

2050

01:31:41,180 --> 01:31:38,130

definitely find the common core stuff

2051
01:31:43,790 --> 01:31:41,190
really creepy and I'm glad so glad that

2052
01:31:46,340 --> 01:31:43,800
I don't have kids right now I'm also

2053
01:31:48,050 --> 01:31:46,350
very lucky that the person I'm marrying

2054
01:31:50,390 --> 01:31:48,060
is on board with some type of

2055
01:31:52,790 --> 01:31:50,400
alternative schooling but we still don't

2056
01:31:55,130 --> 01:31:52,800
want to raise no weirdos so you got to

2057
01:31:58,030 --> 01:31:55,140
be careful it can be a slippery slope

2058
01:32:00,800 --> 01:31:58,040
but the aspect of these computerized

2059
01:32:03,320 --> 01:32:00,810
personally adaptable tests in this data

2060
01:32:04,820 --> 01:32:03,330
collection tie-in where the data can be

2061
01:32:06,710 --> 01:32:04,830
sold to corporations and they can

2062
01:32:09,170 --> 01:32:06,720
analyze it a thousand different ways and

2063
01:32:11,510 --> 01:32:09,180

cater marketing specifically to you for

2064

01:32:13,220 --> 01:32:11,520

the rest of your life no good

2065

01:32:15,850 --> 01:32:13,230

when these nefarious companies have

2066

01:32:17,500 --> 01:32:15,860

basically all these little sub company

2067

01:32:20,620 --> 01:32:17,510

their umbrella they're going to use it

2068

01:32:23,140 --> 01:32:20,630

any way they can this data teachers have

2069

01:32:25,840 --> 01:32:23,150

no power parents have no power the

2070

01:32:28,510 --> 01:32:25,850

material is proprietary it's a creepy

2071

01:32:30,670 --> 01:32:28,520

direction for education to be going in

2072

01:32:34,060 --> 01:32:30,680

and I'm glad Joseph decided to tackle it

2073

01:32:36,190 --> 01:32:34,070

same with 911 so many people say it's

2074

01:32:38,710 --> 01:32:36,200

the Jews that use the Jews Israel and

2075

01:32:41,770 --> 01:32:38,720

there is a Jewish sector but I just

2076

01:32:44,320 --> 01:32:41,780

don't know if it holds as much power as

2077

01:32:45,790 --> 01:32:44,330

it did in the rothschild days I think

2078

01:32:49,450 --> 01:32:45,800

there's really something to this

2079

01:32:51,700 --> 01:32:49,460

powerful post-war Nazi cabal and where

2080

01:32:53,380 --> 01:32:51,710

we've seen their influence but it's not

2081

01:32:55,420 --> 01:32:53,390

an either/or I've been listening to a

2082

01:32:56,770 --> 01:32:55,430

lot of Robert Anton Wilson lately I

2083

01:32:59,590 --> 01:32:56,780

think he's just a really compelling

2084

01:33:03,220 --> 01:32:59,600

speaker I like manly P Hall too but he

2085

01:33:05,920 --> 01:33:03,230

was just a few decades too soon for

2086

01:33:07,720 --> 01:33:05,930

quality audio recordings the ones I get

2087

01:33:10,000 --> 01:33:07,730

are usually pretty poor but anyway

2088

01:33:12,520 --> 01:33:10,010

Robert Anton Wilson he reiterates

2089

01:33:15,460 --> 01:33:12,530

several times in this lecture that I was

2090

01:33:17,830 --> 01:33:15,470

listening to that no model can encompass

2091

01:33:19,720 --> 01:33:17,840

everything which is also kind of his

2092

01:33:22,510 --> 01:33:19,730

beef with conspiracy folks is their

2093

01:33:24,580 --> 01:33:22,520

narrow models but it is true there's

2094

01:33:27,070 --> 01:33:24,590

always going to be something left out I

2095

01:33:29,020 --> 01:33:27,080

try to stay away from those types of

2096

01:33:31,420 --> 01:33:29,030

absolute statements for just that reason

2097

01:33:33,100 --> 01:33:31,430

but in this context I mention it only

2098

01:33:35,770 --> 01:33:33,110

because if you think a lot of control

2099

01:33:37,210 --> 01:33:35,780

comes from one area don't have blinders

2100

01:33:39,640 --> 01:33:37,220

on to other areas

2101
01:33:41,710 --> 01:33:39,650
I fully think we have a Jew thing going

2102
01:33:43,750 --> 01:33:41,720
on a Jesuit thing that's pretty serious

2103
01:33:46,450 --> 01:33:43,760
a triple-crown control problem

2104
01:33:48,130 --> 01:33:46,460
overarching iconic influence and a Nazi

2105
01:33:49,750 --> 01:33:48,140
fascist international network and even

2106
01:33:52,360 --> 01:33:49,760
that model wouldn't include everything

2107
01:33:54,610 --> 01:33:52,370
you got your think tanks you got your

2108
01:33:56,680 --> 01:33:54,620
secret societies you got your

2109
01:33:59,230 --> 01:33:56,690
multinationals it's a tangled web for

2110
01:34:01,900 --> 01:33:59,240
sure but that's ok I like to think that

2111
01:34:04,780 --> 01:34:01,910
at least as the show progresses we

2112
01:34:06,280 --> 01:34:04,790
examine all threads pretty equally but

2113
01:34:08,800 --> 01:34:06,290

I'm wrapping this thing up soon it's

2114

01:34:11,880 --> 01:34:08,810

actually 6 p.m. my time on election

2115

01:34:15,580 --> 01:34:11,890

night the electoral votes right now our

2116

01:34:19,780 --> 01:34:15,590

trump 60 Clinton 44 I'm looking at a

2117

01:34:22,690 --> 01:34:19,790

popular vote of Trump 51% Clinton 46% I

2118

01:34:25,270 --> 01:34:22,700

would be really really shocked if

2119

01:34:28,510 --> 01:34:25,280

Hillary didn't win because I'm just so

2120

01:34:29,800 --> 01:34:28,520

used to the boring thing happening Trump

2121

01:34:31,540 --> 01:34:29,810

would definitely be the chaos

2122

01:34:33,640 --> 01:34:31,550

candidate I don't think he's pure by any

2123

01:34:36,550 --> 01:34:33,650

means but he definitely would be the

2124

01:34:38,590 --> 01:34:36,560

more exciting chaos candidate if that's

2125

01:34:39,970 --> 01:34:38,600

what you're looking for and I don't even

2126

01:34:42,400 --> 01:34:39,980

know that that's what I'm looking for

2127

01:34:44,200 --> 01:34:42,410

I'm just saying when you look at the way

2128

01:34:46,000 --> 01:34:44,210

the media has basically completely

2129

01:34:48,100 --> 01:34:46,010

ignored the Podesta emails and the

2130

01:34:51,130 --> 01:34:48,110

Clinton Foundation stuff and instead

2131

01:34:54,610 --> 01:34:51,140

said that Trump is so scary I mean every

2132

01:34:58,030 --> 01:34:54,620

celebrity every media host it's all just

2133

01:34:59,620 --> 01:34:58,040

about how scary Trump is and how we have

2134

01:35:02,140 --> 01:34:59,630

to hold our nose and vote for Clinton I

2135

01:35:05,620 --> 01:35:02,150

mean everybody I can't remember a time

2136

01:35:08,200 --> 01:35:05,630

when people have been so aggressive

2137

01:35:12,160 --> 01:35:08,210

about telling audiences who to vote for

2138

01:35:13,750 --> 01:35:12,170

and how disastrous how apocalyptic the

2139

01:35:16,360 --> 01:35:13,760

other candidate would be I mean I know

2140

01:35:18,070 --> 01:35:16,370

this happens to a degree but I think we

2141

01:35:19,360 --> 01:35:18,080

can all acknowledge that there's

2142

01:35:21,700 --> 01:35:19,370

something different going on this time

2143

01:35:25,810 --> 01:35:21,710

so there is an argument to be made that

2144

01:35:28,390 --> 01:35:25,820

why would they set that trap not to use

2145

01:35:30,910 --> 01:35:28,400

it you drill into everyone's head how

2146

01:35:34,120 --> 01:35:30,920

dangerous it will be if X happens and

2147

01:35:36,400 --> 01:35:34,130

then you don't make X happen I don't

2148

01:35:38,110 --> 01:35:36,410

know there's the argument that the elite

2149

01:35:40,960 --> 01:35:38,120

are changing the game up and this might

2150

01:35:42,490 --> 01:35:40,970

parallel the brexit vote where everybody

2151

01:35:44,710 --> 01:35:42,500

goes to bed positive it's going to go

2152

01:35:46,900 --> 01:35:44,720

one way they wake up and it goes the

2153

01:35:50,290 --> 01:35:46,910

other way with the nationalistic choice

2154

01:35:53,020 --> 01:35:50,300

yeah that's possible but those options

2155

01:35:54,970 --> 01:35:53,030

are too chaotic for boring old America

2156

01:35:57,910 --> 01:35:54,980

we're getting Clinton I'm saying it

2157

01:35:59,710 --> 01:35:57,920

right now by morning I might completely

2158

01:36:02,170 --> 01:35:59,720

regret even talking about it but that's

2159

01:36:03,940 --> 01:36:02,180

what I see happening but as for those

2160

01:36:05,560 --> 01:36:03,950

Podesta emails yeah they're creepy and

2161

01:36:07,570 --> 01:36:05,570

I'm sure we'll be getting into that in a

2162

01:36:09,700 --> 01:36:07,580

full show once I feel confident that

2163

01:36:12,310 --> 01:36:09,710

it's all out there and we can talk about

2164

01:36:15,190 --> 01:36:12,320

it in full but if you do want to hear

2165

01:36:17,470 --> 01:36:15,200

more THC right now the Plus show today

2166

01:36:18,670 --> 01:36:17,480

is excellent all the 9/11 stuff was

2167

01:36:21,370 --> 01:36:18,680

going to be the plus show but since

2168

01:36:23,650 --> 01:36:21,380

Joseph gave me an extra half hour we got

2169

01:36:26,200 --> 01:36:23,660

to at least introduce everybody to his

2170

01:36:27,910 --> 01:36:26,210

9/11 analysis we did go deeper in the

2171

01:36:30,100 --> 01:36:27,920

plus show and then we talked about CERN

2172

01:36:32,050 --> 01:36:30,110

and the secret agenda behind the Large

2173

01:36:33,880 --> 01:36:32,060

Hadron Collider and how it relates to

2174

01:36:35,740 --> 01:36:33,890

this fascist international network the

2175

01:36:37,990 --> 01:36:35,750

Nazi bell and the off-the-books physics

2176
01:36:39,580 --> 01:36:38,000
we've talked about before we also talked

2177
01:36:42,490 --> 01:36:39,590
about other areas where we've seen some

2178
01:36:43,570 --> 01:36:42,500
of these exotic technologies tested the

2179
01:36:45,070 --> 01:36:43,580
Malaysian Airlines

2180
01:36:47,830 --> 01:36:45,080
disappearance the Bermuda Triangle

2181
01:36:51,850 --> 01:36:47,840
Norway spiral all might be examples of

2182
01:36:53,740 --> 01:36:51,860
it I also love love love the talk about

2183
01:36:56,110 --> 01:36:53,750
fighting in the Middle East might be

2184
01:36:58,840 --> 01:36:56,120
over cuneiform tablets and ancient

2185
01:37:00,550 --> 01:36:58,850
technologies buried in Babylon and that

2186
01:37:02,500 --> 01:37:00,560
might have been the coded language of

2187
01:37:05,680 --> 01:37:02,510
weapons of mass destruction and that

2188
01:37:08,310 --> 01:37:05,690

whole meme provocative stuff indeed we

2189

01:37:10,390 --> 01:37:08,320

also revisited the nefarious corporation

2190

01:37:12,250 --> 01:37:10,400

SAIC that we talked about in the

2191

01:37:14,320 --> 01:37:12,260

Camellia episode with Robert Guffey

2192

01:37:16,060 --> 01:37:14,330

because Joseph Ferrell relates some

2193

01:37:18,460 --> 01:37:16,070

super strong and sketchy connections

2194

01:37:22,690 --> 01:37:18,470

they have 9/11 so they need to be on the

2195

01:37:24,340 --> 01:37:22,700

radar guys SAIC but all great stuff

2196

01:37:26,470 --> 01:37:24,350

I hope you'll support the show by

2197

01:37:28,690 --> 01:37:26,480

becoming a plus member the free 7-day

2198

01:37:30,550 --> 01:37:28,700

offer is still going strong but sign up

2199

01:37:32,410 --> 01:37:30,560

and get the full length and girth of the

2200

01:37:34,030 --> 01:37:32,420

higher side chats but I'm going to get

2201

01:37:36,280 --> 01:37:34,040

out of here and find out who's going to

2202

01:37:38,620 --> 01:37:36,290

take this wheel as we watch the shadowy

2203

01:37:40,840 --> 01:37:38,630

puppet masters drive us right into the

2204

01:37:43,000 --> 01:37:40,850

ground see you next time

2205

01:37:45,940 --> 01:37:43,010

your move Nazi fascist international

2206

01:37:56,920 --> 01:37:45,950

network in the common core cabal you're

2207

01:38:01,020 --> 01:37:56,930

oh no you see no doesn't random

2208

01:38:08,530 --> 01:38:01,030

it's attached to my strength control

2209

01:38:12,360 --> 01:38:08,540

over everything a 95 is trying to steal

2210

01:38:15,290 --> 01:38:12,370

yeah now don't that jabs him say Lee

2211

01:38:21,110 --> 01:38:15,300

hello

2212

01:38:29,680 --> 01:38:21,120

hear me should I play back recordings

2213

01:38:36,980 --> 01:38:33,590

I'll be thankful when it's all exposed

2214

01:39:17,950 --> 01:38:36,990

the fats and spacing there's such a

2215

01:39:17,960 --> 01:39:42,919

here

2216

01:39:55,379 --> 01:39:51,089

No they're cartoons and so typical of me

2217

01:40:03,959 --> 01:39:55,389

to talk about the stuff I'm sorry that's

2218

01:40:07,500 --> 01:40:03,969

good and well did you ever hear argument

2219

01:40:12,810 --> 01:40:07,510

the nothing really happens it's no

2220

01:40:59,730 --> 01:40:12,820

secret let the bad stay

2221

01:40:59,740 --> 01:41:03,750

we

2222

01:41:03,760 --> 01:41:27,729

Oh

2223

01:41:27,739 --> 01:41:36,850

you

2224

01:41:36,860 --> 01:42:02,320

there

2225

01:42:02,330 --> 01:42:12,629

challenging

2226

01:42:12,639 --> 01:42:16,820

we can

2227

01:42:16,830 --> 01:42:29,340

and the one where we

2228

01:42:33,220 --> 01:42:31,660

hey guys thanks for listening to the

2229

01:42:35,590 --> 01:42:33,230

first hour of the higher side chats

2230

01:42:37,630 --> 01:42:35,600

podcast with me Greg Carl wood if you

2231

01:42:40,000 --> 01:42:37,640

don't know there is a second hour to all

2232

01:42:41,710 --> 01:42:40,010

the episodes we do around here generally

2233

01:42:43,450 --> 01:42:41,720

we're able to get a lot deeper into the

2234

01:42:45,460 --> 01:42:43,460

topics and ideas that a guest is about

2235

01:42:48,580 --> 01:42:45,470

so if you enjoyed what you've heard from

2236

01:42:50,770 --> 01:42:48,590

THC for free consider signing up at the

2237

01:42:52,750 --> 01:42:50,780

higher side chats plus com to get the

2238

01:42:55,060 --> 01:42:52,760

second hour of the 5 shows I put

2239

01:42:56,980 --> 01:42:55,070

together each month I never really

2240

01:42:58,690 --> 01:42:56,990

wanted to be a paid subscriber podcast

2241

01:43:00,670 --> 01:42:58,700

but I really hate the idea of spending

2242

01:43:02,770 --> 01:43:00,680

airtime promoting some product that's

2243

01:43:04,450 --> 01:43:02,780

completely unrelated and telling you the

2244

01:43:07,210 --> 01:43:04,460

best way to support the show is to buy

2245

01:43:08,890 --> 01:43:07,220

an audio book or new underwear by mail

2246

01:43:11,440 --> 01:43:08,900

or something crazy like that so instead

2247

01:43:13,060 --> 01:43:11,450

if you like the show double your time

2248

01:43:15,160 --> 01:43:13,070

with it for five bucks a month and let's

2249

01:43:16,780 --> 01:43:15,170

cut out all the other it's half the

2250

01:43:18,550 --> 01:43:16,790

price of a movie ticket and you get at

2251

01:43:21,160 --> 01:43:18,560

least an extra five hours of show a

2252

01:43:22,960 --> 01:43:21,170

month collectively it keeps us stable

2253

01:43:24,580 --> 01:43:22,970

and it frees me from wasting your time

2254

01:43:27,130 --> 01:43:24,590

with anything but the show you came to

2255

01:43:29,110 --> 01:43:27,140

listen to it's really the only way for

2256

01:43:30,910 --> 01:43:29,120

an independent one-man show to make it

2257

01:43:33,130 --> 01:43:30,920

and I do what I can so that it's worth

2258

01:43:35,110 --> 01:43:33,140

your while since we started this I've

2259

01:43:37,150 --> 01:43:35,120

always tried to use the subscriptions to

2260

01:43:39,700 --> 01:43:37,160

improve the podcast and make signups

2261

01:43:41,620 --> 01:43:39,710

more advantageous it started with just a

2262

01:43:43,300 --> 01:43:41,630

second hour for the main show but now

2263

01:43:45,340 --> 01:43:43,310

we've got a nice forum going where

2264

01:43:47,050 --> 01:43:45,350

people can get deeper in conversation

2265

01:43:49,960 --> 01:43:47,060

about the episodes with other listeners

2266

01:43:51,840 --> 01:43:49,970

submit a candidate in the guest request

2267

01:43:53,680 --> 01:43:51,850

thread or share their own personal

2268

01:43:55,930 --> 01:43:53,690

projects to get out of the soul-crushing

2269

01:43:58,540 --> 01:43:55,940

nine-to-five cog in the wheel life on

2270

01:44:00,220 --> 01:43:58,550

the entrepreneurs thread the forum in

2271

01:44:01,930 --> 01:44:00,230

the Plus comments are always the first

2272

01:44:04,180 --> 01:44:01,940

places I try to go for listener

2273

01:44:06,550 --> 01:44:04,190

engagement but it does get harder as the

2274

01:44:08,380 --> 01:44:06,560

show gets more popular because of that

2275

01:44:09,850 --> 01:44:08,390

there's also a direct messaging feature

2276

01:44:12,700 --> 01:44:09,860

that you can use to reach me through the

2277

01:44:14,200 --> 01:44:12,710

plus site also but beyond the forum if

2278

01:44:16,480 --> 01:44:14,210

you like any of the music I've used for

2279

01:44:18,280 --> 01:44:16,490

THC most of it I've hired artists to

2280

01:44:20,530 --> 01:44:18,290

make and I provided all its free

2281

01:44:21,970 --> 01:44:20,540

downloads to plus members too so if you

2282

01:44:24,190 --> 01:44:21,980

like a particular song you've heard

2283

01:44:26,560 --> 01:44:24,200

close the show out recently come get the

2284

01:44:28,540 --> 01:44:26,570

mp3 I should also mention that if you

2285

01:44:30,880 --> 01:44:28,550

don't like the idea of paying \$5

2286

01:44:33,070 --> 01:44:30,890

recurring every month I get that you can

2287

01:44:35,410 --> 01:44:33,080

buy three months six months or a year

2288

01:44:37,150 --> 01:44:35,420

upfront and just be done with it I have

2289

01:44:39,730 --> 01:44:37,160

plenty of listeners who send checks and

2290

01:44:41,050 --> 01:44:39,740

money orders to the PIO box too I try to

2291

01:44:42,760 --> 01:44:41,060

make it as easy for people

2292

01:44:44,830 --> 01:44:42,770

as I can and you can read more about it

2293

01:44:47,380 --> 01:44:44,840

on the signup page also be sure to check

2294

01:44:49,060 --> 01:44:47,390

out the FAQ help page on the plus site

2295

01:44:50,070 --> 01:44:49,070

if you have any questions or concerns

2296

01:44:52,120 --> 01:44:50,080

about how to listen to a

2297

01:44:54,010 --> 01:44:52,130

password-protected show on your devices

2298

01:44:56,290 --> 01:44:54,020

I've highlighted a lot of great

2299

01:44:58,360 --> 01:44:56,300

solutions and one of those would be the

2300

01:45:00,880 --> 01:44:58,370

iPhone app that just recently hit the

2301

01:45:03,010 --> 01:45:00,890

Apple App Store a super kind and

2302

01:45:04,870 --> 01:45:03,020

talented listener made it for us and you

2303

01:45:07,030 --> 01:45:04,880

can use it to stream or download either

2304

01:45:10,000 --> 01:45:07,040

the free or the plus show if you're on

2305

01:45:11,590 --> 01:45:10,010

Android I'd use pocket casts or podcast

2306

01:45:14,170 --> 01:45:11,600

addict and subscribe to the feed

2307

01:45:16,870 --> 01:45:14,180

manually that way I also try to throw an

2308

01:45:18,850 --> 01:45:16,880

occasional bonus shows or QA shows and

2309

01:45:21,040 --> 01:45:18,860

I've got a few other weird ideas I might

2310

01:45:22,960 --> 01:45:21,050

get to try out soon but I give you all I

2311

01:45:24,640 --> 01:45:22,970

can for five bucks and I hope you'll at

2312

01:45:26,350 --> 01:45:24,650

least give it a shot if you've listened

2313

01:45:28,120 --> 01:45:26,360

to a few free shows and you find them

2314

01:45:29,920 --> 01:45:28,130

unique or valuable I know there's a lot

2315

01:45:32,080 --> 01:45:29,930

of podcasts out there and I'm just one

2316

01:45:33,880 --> 01:45:32,090

of them but if you have any questions

2317

01:45:35,410 --> 01:45:33,890

concerns or comments about any of this

2318

01:45:38,290 --> 01:45:35,420

please get in touch with us at the

2319

01:45:40,210 --> 01:45:38,300

higher side chats team at gmail.com I

2320

01:45:41,620 --> 01:45:40,220

also wanted to plug the higher side

2321

01:45:43,450 --> 01:45:41,630

newsletter I'm going to be putting out

2322

01:45:45,910 --> 01:45:43,460

totally free for anyone who wants to

2323

01:45:48,100 --> 01:45:45,920

sign up at the main internet website for

2324

01:45:49,990 --> 01:45:48,110

the show the higher side chats com

2325

01:45:51,760 --> 01:45:50,000

you can also get on that email list

2326

01:45:53,500 --> 01:45:51,770

through the higher side chats Facebook

2327

01:45:55,180 --> 01:45:53,510

page there's a button there as well

2328

01:45:57,760 --> 01:45:55,190

but the reason I'm doing this is because

2329

01:45:59,860 --> 01:45:57,770

I get tons and tons of emails after a

2330

01:46:01,900 --> 01:45:59,870

show goes up asking me about how I feel

2331

01:46:03,580 --> 01:46:01,910

about a particular guest or topic and

2332

01:46:05,560 --> 01:46:03,590

the wrap-up isn't always the best place

2333

01:46:07,600 --> 01:46:05,570

to do that especially if I have anything

2334

01:46:09,460 --> 01:46:07,610

negative to say sometimes the dust needs

2335

01:46:11,950 --> 01:46:09,470

to settle sometimes I need to hear

2336

01:46:13,510 --> 01:46:11,960

feedback from you guys first there are a

2337

01:46:15,130 --> 01:46:13,520

lot of factors but I usually have

2338

01:46:17,560 --> 01:46:15,140

something to communicate to you and I

2339

01:46:19,180 --> 01:46:17,570

just don't get to do it so on the first

2340

01:46:20,770 --> 01:46:19,190

of the month I plan to send out a little

2341

01:46:23,140 --> 01:46:20,780

newsletter with my thoughts about the

2342

01:46:25,030 --> 01:46:23,150

five shows the previous month and talk

2343

01:46:27,190 --> 01:46:25,040

to you about anything else that's on my

2344

01:46:29,020 --> 01:46:27,200

mind or that's going on and what's

2345

01:46:30,550 --> 01:46:29,030

probably most enticing is that I'm going

2346

01:46:32,650 --> 01:46:30,560

to give you some insight into at least

2347

01:46:34,720 --> 01:46:32,660

one guest I have coming up in the month

2348

01:46:36,730 --> 01:46:34,730

which people have been begging for some

2349

01:46:38,740 --> 01:46:36,740

posted schedule for a long time I

2350

01:46:40,360 --> 01:46:38,750

personally think I'd like the surprise

2351

01:46:42,400 --> 01:46:40,370

but sign up for the higher side

2352

01:46:43,720 --> 01:46:42,410

newsletter it's free it comes out on the

2353

01:46:45,610 --> 01:46:43,730

first of the month and I won't waste

2354

01:46:48,190 --> 01:46:45,620

your time with any other emails and

2355

01:46:50,290 --> 01:46:48,200

that's it I appreciate you listening I

2356

01:46:52,480 --> 01:46:50,300

try to give alternative ideas and guests

2357

01:46:54,939 --> 01:46:52,490

a fair shake on a high-quality podcast

2358

01:46:56,919 --> 01:46:54,949

expose some deep level conspiracies

2359

01:46:58,629 --> 01:46:56,929

without the yelling and I hope to offer

2360

01:47:00,759 --> 01:46:58,639

some inspiration that even though the

2361

01:47:03,069 --> 01:47:00,769

system relentlessly suggests you should

2362

01:47:04,899 --> 01:47:03,079

follow their blueprint to mediocrity you

2363

01:47:07,209 --> 01:47:04,909

can do your own thing and live a much

2364

01:47:09,100 --> 01:47:07,219

happier life despite all the negativity
