1
00:00:06,470 --> 00:00:04,280
my my good people of the internet it

2
00:00:08,299 --> 00:00:06,480
looks like christmas is finally here and

3
00:00:10,310 --> 00:00:08,309
i got some of my guests here to help me

4
00:00:13,190 --> 00:00:10,320
help you spread a little holiday love

5
00:00:15,140 --> 00:00:13,200
good look oh well I know you're a tire

6
00:00:16,970 --> 00:00:15,150
size yes we couldn't be more giddy about

7
00:00:18,740 --> 00:00:16,980
it and why not celebrate the corporate

8
00:00:21,019 --> 00:00:18,750
driven season of spending with a gift

9
00:00:22,759 --> 00:00:21,029
that oh so ironically spits right in the

10
00:00:24,859 --> 00:00:22,769
face of the Christmas machine with the

11
00:00:26,660 --> 00:00:24,869
sweet sweet softness of a t-shirt for

12
00:00:28,310 --> 00:00:26,670
the rebellious fashionista in your life

13
00:00:31,040 --> 00:00:28,320

for my little clothing brand over at

14

00:00:32,959 --> 00:00:31,050

conspiracy's net this is one of the most

15

00:00:33,830 --> 00:00:32,969

degrading things that anyone could

16

00:00:36,650 --> 00:00:33,840

possibly do

17

00:00:38,119 --> 00:00:36,660

thanks for even or better yet give them

18

00:00:40,400 --> 00:00:38,129

the gift that gives all year long with

19

00:00:42,590 --> 00:00:40,410

the subscription of THD plus for one of

20

00:00:44,330 --> 00:00:42,600

your oh so precious friends and family I

21

00:00:46,790 --> 00:00:44,340

know that's what Jim Marrs is doing

22

00:00:49,639 --> 00:00:46,800

right man well I'm kind of on the fence

23

00:00:51,200 --> 00:00:49,649

myself guys this is not constructive

24

00:00:54,500 --> 00:00:51,210

Duncan Trussell help me out here

25

00:00:56,299 --> 00:00:54,510

if I were sane the first idea I'd want

26

00:00:58,130 --> 00:00:56,309

to implant into their heads is okay

27

00:01:00,709 --> 00:00:58,140

that's not what I had in mind either but

28

00:01:02,779 --> 00:01:00,719

if you know someone who enjoys THC just

29

00:01:04,729 --> 00:01:02,789

go to the higher side chats plus calm

30

00:01:06,440 --> 00:01:04,739

with any credit or debit card and put in

31

00:01:08,090 --> 00:01:06,450

the email address and information for

32

00:01:10,370 --> 00:01:08,100

that special someone in your life rather

33

00:01:12,859 --> 00:01:10,380

than yourself I know I and all the great

34

00:01:14,960 --> 00:01:12,869

guests on THC would really appreciate it

35

00:01:17,840 --> 00:01:14,970

we don't want to kill anybody hurt

36

00:01:19,999 --> 00:01:17,850

anybody we want to make a system to work

37

00:01:22,070 --> 00:01:20,009

Jacque I think that approach is actually

38

00:01:24,560 --> 00:01:22,080

illegal let's not do that it was a great

39

00:01:26,539 --> 00:01:24,570

idea what it doesn't go far enough no

40

00:01:29,359 --> 00:01:26,549

man it went too far but guys all I'm

41

00:01:31,490 --> 00:01:29,369

saying is a year or six months the THC

42

00:01:33,020 --> 00:01:31,500

plus makes a great gift believe me I

43

00:01:34,870 --> 00:01:33,030

just signed douglas dietrich up for a

44

00:01:40,640 --> 00:01:34,880

year and he couldn't be happier

45

00:01:42,469 --> 00:01:40,650

okay I love you dearly yes honestly you

46

00:01:44,510 --> 00:01:42,479

flatter me too much if you were a member

47

00:01:47,680 --> 00:01:44,520

of the opposite sex I would propose see

48

00:01:55,950 --> 00:01:47,690

what I tell you Merry Christmas people

49

00:02:01,030 --> 00:01:59,530

the planets puffin masters almost surely

50

00:02:03,340 --> 00:02:01,040

have a plan

51
00:02:06,389 --> 00:02:03,350
this clearly made me something near

52
00:02:10,660 --> 00:02:06,399
beyond the realm of man

53
00:02:12,850 --> 00:02:10,670
tested every last coaster I find the

54
00:02:19,119 --> 00:02:12,860
more you think you know the less you

55
00:02:34,890 --> 00:02:19,129
really do that's true dr. Zaius without

56
00:02:40,059 --> 00:02:38,229
all right higher side chatters we've all

57
00:02:41,920 --> 00:02:40,069
heard the arthur c-- clark quote that

58
00:02:44,259 --> 00:02:41,930
any sufficiently advanced technology is

59
00:02:45,399 --> 00:02:44,269
indistinguishable from magic but maybe

60
00:02:47,619 --> 00:02:45,409
they're linked by more than just

61
00:02:49,240 --> 00:02:47,629
appearance because it seems that most

62
00:02:50,800 --> 00:02:49,250
people who study the smattering of

63
00:02:52,539 --> 00:02:50,810

crumbs the deep state has dropped over

64

00:02:54,640 --> 00:02:52,549

the past few decades we'll find a few

65

00:02:56,949 --> 00:02:54,650

curious connections between occult

66

00:02:58,809 --> 00:02:56,959

practices and technological advancements

67

00:03:00,850 --> 00:02:58,819

strange phenomenon and secret

68

00:03:02,559 --> 00:03:00,860

experiments and let's not forget the

69

00:03:04,449 --> 00:03:02,569

curious resurrection of ancient

70

00:03:05,710 --> 00:03:04,459

babylonian names from companies on the

71

00:03:08,740 --> 00:03:05,720

bleeding edge of things we'll probably

72

00:03:10,780 --> 00:03:08,750

never even see it's true that odd pieces

73

00:03:12,610 --> 00:03:10,790

that seem unrelated often come together

74

00:03:14,949 --> 00:03:12,620

when you dig deep enough to find the

75

00:03:16,930 --> 00:03:14,959

ties that bind although what can be

76
00:03:18,610 --> 00:03:16,940
overwhelming and often glossed over is

77
00:03:20,589 --> 00:03:18,620
the vast amount of knowledge a person

78
00:03:22,780 --> 00:03:20,599
needs to put these odd pieces in the

79
00:03:24,430 --> 00:03:22,790
proper context because what good is a

80
00:03:26,860 --> 00:03:24,440
NASA investigator who knows nothing

81
00:03:28,660 --> 00:03:26,870
about ancient Egyptian mythology how

82
00:03:30,640 --> 00:03:28,670
valuable is a ufologist who's never

83
00:03:32,440 --> 00:03:30,650
studied the occult and can a person

84
00:03:34,210 --> 00:03:32,450
really decode Hollywood symbolism

85
00:03:36,819 --> 00:03:34,220
accurately without crack and open a book

86
00:03:39,099 --> 00:03:36,829
on Kabbalah my point is that true

87
00:03:40,990 --> 00:03:39,109
conspiracy research is a vast and

88
00:03:42,580 --> 00:03:41,000

interdisciplinary undertaking that few

89

00:03:44,770 --> 00:03:42,590

people are willing to follow through to

90

00:03:46,839 --> 00:03:44,780

its deepest depths but lucky for us

91

00:03:49,180 --> 00:03:46,849

today's returning guest Chris Knowles is

92

00:03:50,830 --> 00:03:49,190

one of the respectable few who is chris

93

00:03:52,960 --> 00:03:50,840

is the author of several great books

94

00:03:54,879 --> 00:03:52,970

including our gods where spandex the

95

00:03:56,979 --> 00:03:54,889

secret history of comic book heroes and

96

00:03:59,620 --> 00:03:56,989

the secret history of rock and roll the

97

00:04:01,180 --> 00:03:59,630

mysterious roots of modern music and of

98

00:04:03,190 --> 00:04:01,190

course he's been decoding the esoteric

99

00:04:05,650 --> 00:04:03,200

themes of pop culture and para politics

100

00:04:07,420 --> 00:04:05,660

for years on his vlog the secret son you

101

00:04:09,789 --> 00:04:07,430

know him you love him Chris my man

102

00:04:11,589 --> 00:04:09,799

welcome back to the higher side oh it's

103

00:04:14,110 --> 00:04:11,599

great to be here Greg always a pleasure

104

00:04:16,060 --> 00:04:14,120

yeah I'm psyched to have you here thanks

105

00:04:18,250 --> 00:04:16,070

for doing it you've been diving down

106

00:04:20,050 --> 00:04:18,260

quite a few under explored rabbit holes

107

00:04:21,699 --> 00:04:20,060

on your blog these past few months from

108

00:04:22,240 --> 00:04:21,709

Bell Labs dirty laundry to the

109

00:04:24,640 --> 00:04:22,250

lesser-known

110

00:04:26,230 --> 00:04:24,650

m'kay often project and you always get

111

00:04:28,570 --> 00:04:26,240

me thinking differently about a lot of

112

00:04:31,210 --> 00:04:28,580

these things yeah well that's what I try

113

00:04:33,279 --> 00:04:31,220

to do I mean I tried to look at you know

114

00:04:35,260 --> 00:04:33,289

when people are marching down one Avenue

115

00:04:37,480 --> 00:04:35,270

I kind of look and see where the side

116

00:04:40,360 --> 00:04:37,490

streets are you know and where they lead

117

00:04:44,140 --> 00:04:40,370

and it's paid off in interesting ways

118

00:04:46,879 --> 00:04:44,150

especially this year I mean this is kind

119

00:04:50,119 --> 00:04:46,889

of an all bets are off year yes

120

00:04:54,670 --> 00:04:50,129

in so many ways it's like so many of

121

00:04:59,390 --> 00:04:54,680

like the strangest most off-the-wall

122

00:05:03,200 --> 00:04:59,400

theories and speculations that that

123

00:05:05,929 --> 00:05:03,210

we've had almost seem like conservative

124

00:05:07,999 --> 00:05:05,939

at some point is I mean it's so much

125

00:05:11,719 --> 00:05:08,009

high strangeness is bubbling to the

126

00:05:15,320 --> 00:05:11,729

surface yet again it definitely reminds

127

00:05:18,649 --> 00:05:15,330

me of that period during the first Bush

128

00:05:20,480 --> 00:05:18,659

administration when so much you know you

129

00:05:22,730 --> 00:05:20,490

had that the Franklin scandal come to

130

00:05:25,640 --> 00:05:22,740

light you had things like Waco and Ruby

131

00:05:29,420 --> 00:05:25,650

Ridge you had you know the emergence of

132

00:05:31,399 --> 00:05:29,430

hacker culture you had the the wars over

133

00:05:32,510 --> 00:05:31,409

political correctness and identity

134

00:05:36,529 --> 00:05:32,520

politics

135

00:05:39,920 --> 00:05:36,539

you had the wars in the Middle East so

136

00:05:43,850 --> 00:05:39,930

many of these themes and threads that

137

00:05:45,529 --> 00:05:43,860

emerged almost 30 years ago now and I'm

138

00:05:47,809 --> 00:05:45,539

not only back but they've kind of

139

00:05:52,700 --> 00:05:47,819

metastasized I mean if they kind of

140

00:05:55,550 --> 00:05:52,710

grown beyond anyone's wildest imaginings

141

00:05:59,300 --> 00:05:55,560

I mean hacker culture I think is very

142

00:06:02,719 --> 00:05:59,310

much a central story to this election

143

00:06:04,639 --> 00:06:02,729

and you know I have my own theories on

144

00:06:06,559 --> 00:06:04,649

that I you know I I don't believe that

145

00:06:10,249 --> 00:06:06,569

that all these leagues that we're seeing

146

00:06:12,800 --> 00:06:10,259

are the work of Russian hackers I think

147

00:06:14,659 --> 00:06:12,810

that's absurd right and I don't believe

148

00:06:16,309 --> 00:06:14,669

that the work is just like some guy

149

00:06:17,839 --> 00:06:16,319

whose basement you know munching on

150

00:06:19,969 --> 00:06:17,849

Cheetos and drinking Mountain Dew I

151
00:06:24,740 --> 00:06:19,979
think no that's equally absurd I think

152
00:06:30,230 --> 00:06:24,750
that this is a time like that

153
00:06:34,189 --> 00:06:30,240
era that point in the timeline is Gordon

154
00:06:39,529 --> 00:06:34,199
white would say where the machinations

155
00:06:42,320 --> 00:06:39,539
of the secret world emerge that pop up

156
00:06:44,600 --> 00:06:42,330
from their underground lairs from their

157
00:06:49,629 --> 00:06:44,610
you know their mile deep underground

158
00:06:53,029 --> 00:06:49,639
cities and whatnot yeah yeah and and and

159
00:06:56,240 --> 00:06:53,039
look around and move the the chess

160
00:06:58,519 --> 00:06:56,250
pieces around the board a bit right I

161
00:07:00,439 --> 00:06:58,529
think that's really what we see but it's

162
00:07:04,939 --> 00:07:00,449
just astonishing to me

163
00:07:08,839 --> 00:07:04,949

that we're seeing so many themes that

164

00:07:12,019 --> 00:07:08,849

feel so almost chop worn to me yeah like

165

00:07:16,999 --> 00:07:12,029

an like an old pair of jeans almost play

166

00:07:20,089 --> 00:07:17,009

out in such a way and not only in a para

167

00:07:24,469 --> 00:07:20,099

political sense but you know so many of

168

00:07:27,969 --> 00:07:24,479

the ideas that say a science fiction

169

00:07:30,200 --> 00:07:27,979

feature is like William Gibson was

170

00:07:34,309 --> 00:07:30,210

putting forth you know this whole idea

171

00:07:36,999 --> 00:07:34,319

of the super-rich trying to break away

172

00:07:40,089 --> 00:07:37,009

you know particularly in Silicon Valley

173

00:07:42,350 --> 00:07:40,099

trying to break away from reality

174

00:07:45,439 --> 00:07:42,360

they're actually trying to hack reality

175

00:07:50,119 --> 00:07:45,449

now it's I mean they've become so

176

00:07:52,790 --> 00:07:50,129

delusional and so dislocated from you

177

00:07:57,170 --> 00:07:52,800

know the the money and power it always

178

00:07:59,869 --> 00:07:57,180

it always creates I think a psychotic

179

00:08:03,559 --> 00:07:59,879

state of mind I think that's that's a

180

00:08:07,159 --> 00:08:03,569

story as old as time right but also the

181

00:08:09,589 --> 00:08:07,169

power of hacking not only these deep

182

00:08:12,820 --> 00:08:09,599

state players that we've seen but just

183

00:08:16,279 --> 00:08:12,830

that none of your secrets are safe from

184

00:08:18,559 --> 00:08:16,289

determined cyber thieves and things like

185

00:08:22,010 --> 00:08:18,569

that that hacking wars are going to

186

00:08:24,589 --> 00:08:22,020

become a major story you know we had the

187

00:08:26,360 --> 00:08:24,599

Obama administration say oh here we come

188

00:08:30,199 --> 00:08:26,370

Russkies put up your dukes we're going

189

00:08:32,000 --> 00:08:30,209

to be you know declaring cyber war on

190

00:08:34,490 --> 00:08:32,010

you you know here we come you know it

191

00:08:37,430 --> 00:08:34,500

was it was an absurd story it was just

192

00:08:40,490 --> 00:08:37,440

it was a story created to perpetuate

193

00:08:44,209 --> 00:08:40,500

this illusion that the leaks were all

194

00:08:47,449 --> 00:08:44,219

coming from Russia but it does speak to

195

00:08:49,790 --> 00:08:47,459

the steeper reality so I mean to make a

196

00:08:52,939 --> 00:08:49,800

very long story short all these themes

197

00:08:55,699 --> 00:08:52,949

that I've been watching for a very long

198

00:08:59,559 --> 00:08:55,709

time are now becoming dominant they're

199

00:09:02,689 --> 00:08:59,569

now becoming major news breakers

200

00:09:07,400 --> 00:09:02,699

absolutely and that's I think that's

201

00:09:11,569 --> 00:09:07,410

part of the tapestry of this year but

202

00:09:13,110 --> 00:09:11,579

also the underbelly of that you know of

203

00:09:14,790 --> 00:09:13,120

the ten

204

00:09:17,250 --> 00:09:14,800

you know that we also saw you know when

205

00:09:19,590 --> 00:09:17,260

the whole thing with the the midnight

206

00:09:21,570 --> 00:09:19,600

runs to the White House made the front

207

00:09:23,579 --> 00:09:21,580

page of the Washington Times during the

208

00:09:26,040 --> 00:09:23,589

first Bush administration I think we're

209

00:09:28,290 --> 00:09:26,050

seeing a repeat of that with these these

210

00:09:31,829 --> 00:09:28,300

a pizza parlors and things like that I

211

00:09:35,220 --> 00:09:31,839

mean it may well never you know does it

212

00:09:37,769 --> 00:09:35,230

may never pop publicly right but I think

213

00:09:40,920 --> 00:09:37,779

what we're seeing is very intense power

214

00:09:44,519 --> 00:09:40,930

politics play out in a semi-public

215

00:09:46,950 --> 00:09:44,529

fashion I agree with you so it's it's

216

00:09:52,110 --> 00:09:46,960

just really amazing becomes again the

217

00:09:55,019 --> 00:09:52,120

currents here are not the currents that

218

00:09:56,760 --> 00:09:55,029

you know Joe and Jane Q public think

219

00:09:59,430 --> 00:09:56,770

that they're watching I mean what we're

220

00:10:02,280 --> 00:09:59,440

seeing is it was seeing deep state

221

00:10:04,880 --> 00:10:02,290

technology we're seeing secret

222

00:10:07,980 --> 00:10:04,890

machinations we're seeing the occult

223

00:10:10,860 --> 00:10:07,990

we're seeing you know the sexual

224

00:10:14,460 --> 00:10:10,870

demi-monde and in the artistic

225

00:10:17,040 --> 00:10:14,470

demi-monde sort of combined in this very

226

00:10:21,810 --> 00:10:17,050

strange fashion right spirit cooking and

227

00:10:23,640 --> 00:10:21,820

all that yes exactly I mean it's uh

228

00:10:25,230 --> 00:10:23,650

you know and and the thing that I

229

00:10:28,620 --> 00:10:25,240

pointed out that was even worse in the

230

00:10:30,269 --> 00:10:28,630

spirit cooking which is repugnant enough

231

00:10:32,130 --> 00:10:30,279

I mean everybody's focusing on the this

232

00:10:34,829 --> 00:10:32,140

whole cakes of light kind of idea that

233

00:10:39,560 --> 00:10:34,839

you put to put that whole performance

234

00:10:43,560 --> 00:10:39,570

wishys she has this crouching statue of

235

00:10:48,360 --> 00:10:43,570

a child and she's drenching it in pig's

236

00:10:51,630 --> 00:10:48,370

blood it's psychotic its sadistic it's

237

00:10:55,590 --> 00:10:51,640

beyond psychopathic its repugnant but

238

00:10:58,850 --> 00:10:55,600

the installation that she did in Germany

239

00:11:02,400 --> 00:10:58,860

where she bakes these very realistic

240

00:11:06,060 --> 00:11:02,410

cakes in the shapes of naked women and

241

00:11:08,310 --> 00:11:06,070

then she invites all these sheshe night

242

00:11:11,660 --> 00:11:08,320

club people to essentially cannibalize

243

00:11:14,250 --> 00:11:11,670

them you know and this this is it

244

00:11:16,350 --> 00:11:14,260

reminds me of the kind of escalating

245

00:11:18,600 --> 00:11:16,360

behavior that you see among serial

246

00:11:21,449 --> 00:11:18,610

killers wit they don't just wake up one

247

00:11:22,710 --> 00:11:21,459

morning and decide to rape and mutilate

248

00:11:25,930 --> 00:11:22,720

some woman and

249

00:11:27,970 --> 00:11:25,940

you know cooker fingers or something you

250

00:11:30,310 --> 00:11:27,980

know it's like there's a series of steps

251
00:11:33,610 --> 00:11:30,320
that that lead them to that and in that

252
00:11:36,910 --> 00:11:33,620
whole that whole performance seemed to

253
00:11:39,190 --> 00:11:36,920
me like an invitation to that mindset it

254
00:11:44,139 --> 00:11:39,200
was just so repugnant it

255
00:11:45,940 --> 00:11:44,149
it's beyond imagining that this person

256
00:11:50,050 --> 00:11:45,950
has some sort of cachet in the

257
00:11:51,490 --> 00:11:50,060
legitimate art world because it's it's

258
00:11:57,240 --> 00:11:51,500
so obvious

259
00:12:01,840 --> 00:11:57,250
psychotic miss misogynist misanthropic

260
00:12:03,579 --> 00:12:01,850
you know adjectives value its beyond

261
00:12:06,850 --> 00:12:03,589
imagining and you can't believe that

262
00:12:08,590 --> 00:12:06,860
you're watching it yeah man these

263
00:12:10,990 --> 00:12:08,600

definitely are interesting times I'm

264

00:12:12,190 --> 00:12:11,000

sure a lot of the listeners have been

265

00:12:13,840 --> 00:12:12,200

keeping up with the peaks behind the

266

00:12:15,280 --> 00:12:13,850

veil that you're referring to but to

267

00:12:17,860 --> 00:12:15,290

give them some context of course we have

268

00:12:20,319 --> 00:12:17,870

the pizza gate child trafficking scandal

269

00:12:22,660 --> 00:12:20,329

where best of pizza seems to be a type

270

00:12:24,699 --> 00:12:22,670

of hub for this activity and then of

271

00:12:26,949 --> 00:12:24,709

course this Marina Abramovic

272

00:12:28,990 --> 00:12:26,959

artist who's doing all these cannibal

273

00:12:31,120 --> 00:12:29,000

cake dinners and real dark blood and

274

00:12:32,800 --> 00:12:31,130

semen paste rituals Palin around with

275

00:12:35,050 --> 00:12:32,810

the Clinton team and the Hollywood elite

276

00:12:37,240 --> 00:12:35,060

all coming out of the Podesta email

277

00:12:39,579 --> 00:12:37,250

leaks and there's still quite a bit of

278

00:12:42,160 --> 00:12:39,589

digging to be done but in terms of the

279

00:12:44,560 --> 00:12:42,170

election I mean in my lifetime I've only

280

00:12:46,840 --> 00:12:44,570

seen the baton handed from Bush to

281

00:12:48,730 --> 00:12:46,850

Clinton to Bush to Obama which is

282

00:12:51,009 --> 00:12:48,740

basically the Clinton Network again and

283

00:12:53,410 --> 00:12:51,019

I was pretty surprised that it didn't go

284

00:12:55,750 --> 00:12:53,420

to Hillary it is kind of exciting to see

285

00:12:58,000 --> 00:12:55,760

what at least seems on the surface to be

286

00:13:00,069 --> 00:12:58,010

a shock to the system and it makes me

287

00:13:02,769 --> 00:13:00,079

think that some higher level of the

288

00:13:04,689 --> 00:13:02,779

power pyramid has discarded the Clinton

289

00:13:05,620 --> 00:13:04,699

Network and aired enough dirty laundry

290

00:13:07,900 --> 00:13:05,630

of theirs that they're going to have a

291

00:13:10,329 --> 00:13:07,910

really hard time getting any footing at

292

00:13:13,240 --> 00:13:10,339

this point so at least that might be a

293

00:13:16,390 --> 00:13:13,250

good thing well it's interesting because

294

00:13:23,200 --> 00:13:20,019

yeah I might be jaundiced and jaded at

295

00:13:26,290 --> 00:13:23,210

this point in time and you know I'm sure

296

00:13:29,260 --> 00:13:26,300

a lot of Trump fans are going to be

297

00:13:32,290 --> 00:13:29,270

upset about this but I see him basically

298

00:13:34,480 --> 00:13:32,300

as you know an anchorman and that

299

00:13:37,390 --> 00:13:34,490

somebody else is writing the news yeah

300

00:13:41,260 --> 00:13:37,400

you know that there are players beyond

301
00:13:43,600 --> 00:13:41,270
our view that we can't really see what's

302
00:13:46,180 --> 00:13:43,610
happening I'm you know I'm getting a

303
00:13:48,190 --> 00:13:46,190
very strange vibe and I can't really

304
00:13:51,190 --> 00:13:48,200
tell you exactly what I think is

305
00:13:54,400 --> 00:13:51,200
happening but all I can say is that the

306
00:13:57,480 --> 00:13:54,410
the aftermath of this election is unlike

307
00:14:02,380 --> 00:13:57,490
any any which I've seen in the past

308
00:14:05,769 --> 00:14:02,390
there is an eerie calm that has sort of

309
00:14:08,440 --> 00:14:05,779
descended upon Washington I mean is

310
00:14:11,440 --> 00:14:08,450
everybody lawyer up you know just the

311
00:14:13,360 --> 00:14:11,450
fact as we speak today yesterday the

312
00:14:17,530 --> 00:14:13,370
trans-pacific partnership was just

313
00:14:19,480 --> 00:14:17,540

scrapped yeah I mean this trade

314

00:14:23,230 --> 00:14:19,490

agreement that had been worked on for a

315

00:14:25,930 --> 00:14:23,240

number of years by very very powerful

316

00:14:30,460 --> 00:14:25,940

players they just drop it just like that

317

00:14:33,670 --> 00:14:30,470

uh very strange are they changing the

318

00:14:36,340 --> 00:14:33,680

playbook yeah I I really don't know I

319

00:14:40,480 --> 00:14:36,350

don't really you know this gets into a

320

00:14:44,769 --> 00:14:40,490

layer of speculation that would require

321

00:14:49,449 --> 00:14:44,779

a whole different set of rules you know

322

00:14:53,320 --> 00:14:49,459

of engagement here I think that

323

00:14:55,990 --> 00:14:53,330

something very fundamental has changed I

324

00:14:58,390 --> 00:14:56,000

don't know what's going to replace it

325

00:15:01,110 --> 00:14:58,400

we have no idea with what could replace

326

00:15:04,990 --> 00:15:01,120

it could be much worse we don't know yet

327

00:15:08,140 --> 00:15:05,000

but I think that much more than an

328

00:15:10,449 --> 00:15:08,150

election was lost to certain parties and

329

00:15:13,810 --> 00:15:10,459

I don't mean political parties I mean to

330

00:15:16,480 --> 00:15:13,820

certain parties of interest I just get a

331

00:15:18,699 --> 00:15:16,490

very strange sense that's something much

332

00:15:22,390 --> 00:15:18,709

deeper is going on and it's probably

333

00:15:24,460 --> 00:15:22,400

something that is going to come out but

334

00:15:29,220 --> 00:15:24,470

I just want to be put on the record

335

00:15:32,759 --> 00:15:29,230

today as of 11 11 16

336

00:15:37,910 --> 00:15:32,769

I think that we saw something much more

337

00:15:42,629 --> 00:15:37,920

than an election we saw a very profound

338

00:15:44,900 --> 00:15:42,639

shift in power and I can't say whether

339

00:15:48,449 --> 00:15:44,910

that's a good thing or not right because

340

00:15:50,610 --> 00:15:48,459

we don't know who the players are but

341

00:15:53,129 --> 00:15:50,620

just the fact you know that I keep

342

00:15:56,340 --> 00:15:53,139

telling people that the fact that people

343

00:16:00,540 --> 00:15:56,350

like John Podesta enjoyed Soros and

344

00:16:03,000 --> 00:16:00,550

Hillary Clinton were basically batted

345

00:16:04,740 --> 00:16:03,010

around like kittens with a ball of

346

00:16:07,230 --> 00:16:04,750

string with all this hacking and all

347

00:16:09,569 --> 00:16:07,240

these revelations and you know even if

348

00:16:10,949 --> 00:16:09,579

the media didn't cover it they knew that

349

00:16:13,050 --> 00:16:10,959

the media wasn't going to cover it I

350

00:16:14,639 --> 00:16:13,060

don't think the point was to have this

351

00:16:18,030 --> 00:16:14,649

stuff come out like Watergate because

352

00:16:21,410 --> 00:16:18,040

they knew whoever is orchestrating these

353

00:16:25,050 --> 00:16:21,420

revelations knew that the media is

354

00:16:26,670 --> 00:16:25,060

basically the propaganda wing of the

355

00:16:28,579 --> 00:16:26,680

Democratic Party we know this because of

356

00:16:30,660 --> 00:16:28,589

the journalists during a list

357

00:16:34,230 --> 00:16:30,670

revelations that have come out we know

358

00:16:37,889 --> 00:16:34,240

this because of the DNC leaks where you

359

00:16:40,550 --> 00:16:37,899

know people from major news sites like

360

00:16:43,350 --> 00:16:40,560

Politico and everything are basically

361

00:16:44,970 --> 00:16:43,360

acting as gnaw grocers for the Clinton

362

00:16:49,110 --> 00:16:44,980

campaign and things like that so I don't

363

00:16:50,850 --> 00:16:49,120

think they were expecting this to end up

364

00:16:53,310 --> 00:16:50,860

as the new Watergate I think that they

365

00:16:55,560 --> 00:16:53,320

were just basically serving notice to

366

00:16:59,370 --> 00:16:55,570

the targets that their secrets are not

367

00:17:03,230 --> 00:16:59,380

safe and hence they themselves are not

368

00:17:07,169 --> 00:17:03,240

safe I think that there was a definite

369

00:17:08,490 --> 00:17:07,179

agenda that that we're not seeing so I'm

370

00:17:10,140 --> 00:17:08,500

again it's something that I can only

371

00:17:14,240 --> 00:17:10,150

speculate on I could be totally wrong

372

00:17:17,579 --> 00:17:14,250

but you don't get away with hacking

373

00:17:21,030 --> 00:17:17,589

somebody who's crashed the economies of

374

00:17:22,409 --> 00:17:21,040

entire nations you know it just doesn't

375

00:17:24,210 --> 00:17:22,419

happen these things just don't happen

376

00:17:26,880 --> 00:17:24,220

we're seeing things that aren't supposed

377

00:17:29,220 --> 00:17:26,890

to happen happen you know what I mean

378

00:17:31,110 --> 00:17:29,230

and this whole thing you know this whole

379

00:17:33,990 --> 00:17:31,120

I mean I was watching Bill Maher the

380

00:17:36,990 --> 00:17:34,000

other night and like this whole like red

381

00:17:39,899 --> 00:17:37,000

scare Russians did this the Russians did

382

00:17:41,159 --> 00:17:39,909

that they date Bill Maher is an idiot so

383

00:17:42,780 --> 00:17:41,169

he might actually believe that the

384

00:17:46,800 --> 00:17:42,790

Russians are responsible from it

385

00:17:50,490 --> 00:17:46,810

but there's no way there is no way I I

386

00:17:53,430 --> 00:17:50,500

would bet my my house on this that the

387

00:17:55,230 --> 00:17:53,440

people in positions of real power

388

00:17:57,150 --> 00:17:55,240

believe that the Russians had anything

389

00:18:00,560 --> 00:17:57,160

to do with this I just this is no way

390

00:18:03,420 --> 00:18:00,570

right so but it's interesting because

391

00:18:05,670 --> 00:18:03,430

this ties into you know what we are

392

00:18:10,140 --> 00:18:05,680

going to talk about this whole idea of

393

00:18:13,980 --> 00:18:10,150

technology as a Trojan horse and that's

394

00:18:18,990 --> 00:18:13,990

sort of the undercurrent all along and

395

00:18:22,200 --> 00:18:19,000

this that series that I had done quite

396

00:18:23,910 --> 00:18:22,210

accidentally I didn't intend to that for

397

00:18:26,580 --> 00:18:23,920

that to become a series it just it just

398

00:18:28,560 --> 00:18:26,590

happened I mean let me just preface this

399

00:18:32,070 --> 00:18:28,570

and we're talking about a series I but I

400

00:18:34,620 --> 00:18:32,080

called lucifer's technologies right and

401
00:18:36,960 --> 00:18:34,630
whether it actually started as was just

402
00:18:38,850 --> 00:18:36,970
a filler post I just needed I just

403
00:18:40,230 --> 00:18:38,860
hadn't posted for a couple of days and I

404
00:18:42,600 --> 00:18:40,240
need to just put up a post so I thought

405
00:18:46,170 --> 00:18:42,610
I'll just post on this you know this

406
00:18:48,480 --> 00:18:46,180
dopey Fox TV show about you know based

407
00:18:52,560 --> 00:18:48,490
on the Lucifer graphic novels which I

408
00:18:54,330 --> 00:18:52,570
was you know a fan of and I don't know

409
00:18:57,900 --> 00:18:54,340
something was just bugging me something

410
00:19:00,930 --> 00:18:57,910
was just itching at me and it just grew

411
00:19:03,930 --> 00:19:00,940
and grew and grew and grow right I

412
00:19:06,150 --> 00:19:03,940
definitely love that series and it gets

413
00:19:08,520 --> 00:19:06,160

deeper and deeper as it progresses but

414

00:19:09,960 --> 00:19:08,530

to get this well let me just say this of

415

00:19:12,900 --> 00:19:09,970

all the information that I put out there

416

00:19:15,390 --> 00:19:12,910

I mean this so much more that I didn't

417

00:19:18,680 --> 00:19:15,400

mm-hmm and the reason being is that when

418

00:19:23,250 --> 00:19:18,690

I post you know I edit very heavily I

419

00:19:25,380 --> 00:19:23,260

try to get to the core but there is a

420

00:19:27,390 --> 00:19:25,390

lot of information you know supplemental

421

00:19:30,780 --> 00:19:27,400

information explanatory information a

422

00:19:33,810 --> 00:19:30,790

lot of information that I feel to really

423

00:19:35,460 --> 00:19:33,820

get at this story and to really get the

424

00:19:40,320 --> 00:19:35,470

message across the people it really

425

00:19:42,419 --> 00:19:40,330

needs to be a book so I think you know

426

00:19:45,299 --> 00:19:42,429

at some point I mean I

427

00:19:47,369 --> 00:19:45,309

haven't published a book in a while and

428

00:19:49,619 --> 00:19:47,379

there there are a lot of good reasons

429

00:19:52,350 --> 00:19:49,629

for that a lot of it has to do with my

430

00:19:53,700 --> 00:19:52,360

schedule with my day job but a lot of it

431

00:19:56,399 --> 00:19:53,710

just has to do with the reality of the

432

00:19:58,739 --> 00:19:56,409

publishing world which is pretty grim

433

00:20:00,480 --> 00:19:58,749

right and a lot of it just has to do

434

00:20:04,289 --> 00:20:00,490

with when you deal with it with an

435

00:20:07,259 --> 00:20:04,299

actual publisher I've heard oh I mean

436

00:20:09,450 --> 00:20:07,269

it's it's brutal the amount of Hoops

437

00:20:11,549 --> 00:20:09,460

that you have to jump through even with

438

00:20:16,200 --> 00:20:11,559

it like what you would think would be a

439

00:20:18,060 --> 00:20:16,210

relatively accommodating independent

440

00:20:20,960 --> 00:20:18,070

publisher in some ways they're even

441

00:20:23,279 --> 00:20:20,970

worse but the point is is that that

442

00:20:25,999 --> 00:20:23,289

series which turned out to be rather

443

00:20:29,249 --> 00:20:26,009

large and then I did a spin-off series

444

00:20:32,659 --> 00:20:29,259

where I wanted to sort of dig into the

445

00:20:35,909 --> 00:20:32,669

actual origin of the Lucifer archetype

446

00:20:37,889 --> 00:20:35,919

because most people sort of stopped most

447

00:20:41,899 --> 00:20:37,899

people sort of stopped at a certain

448

00:20:44,930 --> 00:20:41,909

point sort of the greco-roman era and

449

00:20:48,539 --> 00:20:44,940

some reason I was sensing very strongly

450

00:20:50,489 --> 00:20:48,549

that it goes much farther back that it

451
00:20:54,749 --> 00:20:50,499
has nothing to do with devil as a

452
00:20:58,549 --> 00:20:54,759
demonology that is you know a number of

453
00:21:01,409 --> 00:20:58,559
different reasons why it became that way

454
00:21:05,840 --> 00:21:01,419
but the you know at the core of it there

455
00:21:09,950 --> 00:21:05,850
was a very powerful idea that is

456
00:21:13,799 --> 00:21:09,960
essentially a secret tradition and that

457
00:21:16,379 --> 00:21:13,809
the reality of this tradition has been

458
00:21:18,029 --> 00:21:16,389
kept from us right and how do we know

459
00:21:19,549 --> 00:21:18,039
this how do we know that you know

460
00:21:23,639 --> 00:21:19,559
anybody could never that sounds like

461
00:21:26,009 --> 00:21:23,649
just kind of all research hyperbole

462
00:21:28,350 --> 00:21:26,019
right how do we make that case well we

463
00:21:30,810 --> 00:21:28,360

make that case because when we see the

464

00:21:32,759 --> 00:21:30,820

shreds of information that we do have on

465

00:21:34,859 --> 00:21:32,769

this figure it's like you know this

466

00:21:37,289 --> 00:21:34,869

figure his his mind is greater than all

467

00:21:40,529 --> 00:21:37,299

the gods you know he's the first bro he

468

00:21:43,470 --> 00:21:40,539

is the firstborn son of God you know he

469

00:21:46,499 --> 00:21:43,480

eats before the other gods eat yeah the

470

00:21:50,039 --> 00:21:46,509

descriptions the language that's used to

471

00:21:52,169 --> 00:21:50,049

describe this figure is so exalted and

472

00:21:53,759 --> 00:21:52,179

you know that prayer is made to this God

473

00:21:56,340 --> 00:21:53,769

it's like I will worship you above all

474

00:21:56,610 --> 00:21:56,350

of the gods you you're my only God you

475

00:21:58,830 --> 00:21:56,620

know

476

00:22:02,010 --> 00:21:58,840

all this kind of thing it's like this is

477

00:22:06,390 --> 00:22:02,020

history's first recorded monotheism in

478

00:22:09,210 --> 00:22:06,400

some way and it's been erased like it's

479

00:22:12,000 --> 00:22:09,220

literally been erased I think that it's

480

00:22:13,350 --> 00:22:12,010

very possible that all these things

481

00:22:15,270 --> 00:22:13,360

we're seeing in the Middle East where

482

00:22:18,180 --> 00:22:15,280

they're destroying our archaeological

483

00:22:20,040 --> 00:22:18,190

sites with the destroying museums and

484

00:22:24,510 --> 00:22:20,050

things like that might have something to

485

00:22:27,750 --> 00:22:24,520

do with covering up this history yeah I

486

00:22:30,960 --> 00:22:27,760

mean that's an extraordinary claim I

487

00:22:32,190 --> 00:22:30,970

think and I do that I the first to admit

488

00:22:36,480 --> 00:22:32,200

that I do not have the extraordinary

489

00:22:39,570 --> 00:22:36,490

evidence to back that up but I'm just

490

00:22:41,700 --> 00:22:39,580

saying that when you go by the few

491

00:22:44,610 --> 00:22:41,710

scraps of excellent material that we

492

00:22:46,799 --> 00:22:44,620

have on this figure it's like wait a

493

00:22:49,110 --> 00:22:46,809

second this is the kind of stuff that I

494

00:22:51,750 --> 00:22:49,120

mean literally the language that you

495

00:22:53,370 --> 00:22:51,760

would read like early Christians writing

496

00:22:56,040 --> 00:22:53,380

about Jesus is written about this figure

497

00:23:01,470 --> 00:22:56,050

and you're just like what is going on

498

00:23:05,250 --> 00:23:01,480

here and nobody else has written about

499

00:23:09,660 --> 00:23:05,260

this so this is why this will probably

500

00:23:12,510 --> 00:23:09,670

be in a book anyway but you know it's

501
00:23:16,470 --> 00:23:12,520
just it's fascinating to me that this

502
00:23:18,870 --> 00:23:16,480
whole idea seems to be resonating with

503
00:23:21,540 --> 00:23:18,880
people in an interesting way bit that

504
00:23:24,620 --> 00:23:21,550
you have the Lucifer TV series but you

505
00:23:27,419 --> 00:23:24,630
also have this whole corpus of

506
00:23:31,020 --> 00:23:27,429
Luciferian conspiracy theory which you

507
00:23:33,900 --> 00:23:31,030
know I've discovered over the years is

508
00:23:38,600 --> 00:23:33,910
really based on absolutely nothing this

509
00:23:43,130 --> 00:23:38,610
is actually no evidence there's no

510
00:23:45,480 --> 00:23:43,140
literature there's no traces of actual

511
00:23:50,760 --> 00:23:45,490
Luciferian groups or shrines or temples

512
00:23:54,510 --> 00:23:50,770
or liturgy I mean this absolutely you

513
00:23:58,110 --> 00:23:54,520

will see that term used again and again

514

00:24:02,460 --> 00:23:58,120

and again and again you're particularly

515

00:24:05,010 --> 00:24:02,470

in the conspiracy realm and everyone

516

00:24:08,010 --> 00:24:05,020

assumes that it has some historical

517

00:24:09,280 --> 00:24:08,020

basis but the fact of it is that it

518

00:24:12,340 --> 00:24:09,290

has absolutely

519

00:24:15,040 --> 00:24:12,350

historical basis at all I'm not kidding

520

00:24:17,710 --> 00:24:15,050

and you know I mean there is Satanism

521

00:24:21,400 --> 00:24:17,720

Satanism is a very real thing it has a

522

00:24:26,040 --> 00:24:21,410

history it has a tradition it goes back

523

00:24:31,780 --> 00:24:26,050

a long way but there is nothing to

524

00:24:32,980 --> 00:24:31,790

justify any of that and you know people

525

00:24:34,240 --> 00:24:32,990

are going to be shocked to hear that

526
00:24:34,900 --> 00:24:34,250
they're going to think that can't be

527
00:24:38,830 --> 00:24:34,910
true

528
00:24:41,590 --> 00:24:38,840
think that there's no possibility that

529
00:24:43,920 --> 00:24:41,600
that what I'm saying is true but it is

530
00:24:48,280 --> 00:24:43,930
true and they'll say oh what about

531
00:24:50,890 --> 00:24:48,290
Albert Pike and what about Madame

532
00:24:52,180 --> 00:24:50,900
Blavatsky and what about Alice Bailey

533
00:24:53,830 --> 00:24:52,190
and things like that I mean yeah and

534
00:24:58,030 --> 00:24:53,840
I'll say you know yeah what about them I

535
00:24:59,500 --> 00:24:58,040
mean so what I mean they you know it two

536
00:25:02,010 --> 00:24:59,510
of them with the ostriches one this is a

537
00:25:05,770 --> 00:25:02,020
freemason you know what I mean the

538
00:25:09,820 --> 00:25:05,780

Luciferian quotes attributed to to Pike

539

00:25:12,730 --> 00:25:09,830

or approving hoaxes by a French satirist

540

00:25:14,320 --> 00:25:12,740

named Leo Taxil and it's interesting

541

00:25:16,570 --> 00:25:14,330

it's like you know I'm not sitting here

542

00:25:18,970 --> 00:25:16,580

trying to advocate quote-unquote

543

00:25:21,520 --> 00:25:18,980

luciferianism a because I don't believe

544

00:25:26,970 --> 00:25:21,530

that it actually exists but I'm just

545

00:25:29,980 --> 00:25:26,980

saying that this whole entire sphere of

546

00:25:33,340 --> 00:25:29,990

conspiracy thinking has no historical

547

00:25:36,580 --> 00:25:33,350

basis at all and most people don't even

548

00:25:42,370 --> 00:25:36,590

understand that yeah but there is this

549

00:25:44,410 --> 00:25:42,380

other idea that you see emerge that has

550

00:25:45,670 --> 00:25:44,420

to do with figures like Prometheus that

551
00:25:48,220 --> 00:25:45,680
has to do with three games like the

552
00:25:50,530 --> 00:25:48,230
Watchers that has a lot to do with

553
00:25:52,120 --> 00:25:50,540
technology yeah and it has a lot to do

554
00:25:54,430 --> 00:25:52,130
with like forbidden technology the

555
00:25:56,290 --> 00:25:54,440
ticking technology's forbidden and the

556
00:25:59,160 --> 00:25:56,300
reason why technology has been forbidden

557
00:26:01,660 --> 00:25:59,170
and why we see technology's forbidden

558
00:26:06,640 --> 00:26:01,670
you know in religious texts and whatnot

559
00:26:09,700 --> 00:26:06,650
is that it was regarded as a existential

560
00:26:11,830 --> 00:26:09,710
threat to church and state essential

561
00:26:14,200 --> 00:26:11,840
because if it was I mean as we've seen

562
00:26:17,740 --> 00:26:14,210
it was actually an existential threat to

563
00:26:20,680 --> 00:26:17,750

the monarchies of Europe no into the

564

00:26:23,299 --> 00:26:20,690

Catholic Church mmm-hmm a lot of their

565

00:26:27,110 --> 00:26:23,309

undoing was the result

566

00:26:28,970 --> 00:26:27,120

of technological advancement it was and

567

00:26:31,850 --> 00:26:28,980

this is one of my big takeaways from

568

00:26:33,320 --> 00:26:31,860

this part of the Lucifer technology

569

00:26:35,419 --> 00:26:33,330

series is we do see a lot of the same

570

00:26:37,669 --> 00:26:35,429

themes in ancient texts some of the same

571

00:26:39,830 --> 00:26:37,679

story patterns around the idea of a

572

00:26:41,869 --> 00:26:39,840

revolt against quote-unquote God or

573

00:26:43,549 --> 00:26:41,879

whatever the real authority was their

574

00:26:45,259 --> 00:26:43,559

day and there are a lot of opinions on

575

00:26:46,700 --> 00:26:45,269

how to interpret this who's good and

576

00:26:49,159 --> 00:26:46,710

who's really bad but I like this line

577

00:26:51,379 --> 00:26:49,169

where you say this war in heaven was

578

00:26:53,450 --> 00:26:51,389

rebellion against the first recorded

579

00:26:55,249 --> 00:26:53,460

attempt to create a new world order so

580

00:26:57,859 --> 00:26:55,259

to speak an insurrection that was

581

00:27:00,139 --> 00:26:57,869

ultimately successful despite the spin

582

00:27:01,759 --> 00:27:00,149

texts like the Book of Enoch or Paradise

583

00:27:03,409 --> 00:27:01,769

Lost might put on it and I think that

584

00:27:06,289 --> 00:27:03,419

makes a lot of sense it seems like the

585

00:27:08,230 --> 00:27:06,299

rebels have been demonized no pun

586

00:27:12,460 --> 00:27:08,240

intended since the beginning of time

587

00:27:17,330 --> 00:27:12,470

well understand see here's the thing

588

00:27:20,060 --> 00:27:17,340

people in previous centuries did not

589

00:27:25,029 --> 00:27:20,070

think the way we thought they thought

590

00:27:28,999 --> 00:27:25,039

the church and state were reflections of

591

00:27:31,159 --> 00:27:29,009

heavenly power and if you go against the

592

00:27:36,529 --> 00:27:31,169

power of the church in the state you are

593

00:27:39,499 --> 00:27:36,539

rebellling against God yeah right

594

00:27:43,009 --> 00:27:39,509

that was their mindset that's the way I

595

00:27:46,220 --> 00:27:43,019

mean okay so listen when the Orthodox

596

00:27:48,499 --> 00:27:46,230

Church schism away from the Catholic

597

00:27:52,399 --> 00:27:48,509

Church they would demonize the Satanists

598

00:27:55,070 --> 00:27:52,409

when the Protestants schism away from

599

00:27:55,820 --> 00:27:55,080

the Catholics they were regarded as

600

00:27:58,759 --> 00:27:55,830

Satanists

601
00:28:03,789 --> 00:27:58,769
John Calvin a well-known Protestant

602
00:28:05,899 --> 00:28:03,799
leader dealt with any dissent or

603
00:28:10,310 --> 00:28:05,909
disagreement with his policies by

604
00:28:12,859 --> 00:28:10,320
labeling his enemies as Satanists you

605
00:28:17,419 --> 00:28:12,869
know we saw this with the witch hunts we

606
00:28:21,590 --> 00:28:17,429
saw this you know in Salem because once

607
00:28:25,100 --> 00:28:21,600
upon a time Humanity believed that

608
00:28:28,789 --> 00:28:25,110
church and state were reflections of

609
00:28:32,280 --> 00:28:28,799
heaven but on earth as it is in heaven

610
00:28:35,880 --> 00:28:32,290
that there was the Divine Right of Kings

611
00:28:39,270 --> 00:28:35,890
the Kings were ordained by God you know

612
00:28:41,570 --> 00:28:39,280
that the church was literally the Vicar

613
00:28:44,070 --> 00:28:41,580

of Christ that they were literally the

614

00:28:49,590 --> 00:28:44,080

representations of the heavenly kingdom

615

00:28:53,460 --> 00:28:49,600

on earth so if you question that or you

616

00:28:57,630 --> 00:28:53,470

usurp that or you threaten that you are

617

00:29:00,540 --> 00:28:57,640

by definition satanic you are a

618

00:29:02,580 --> 00:29:00,550

representation of the devil do you

619

00:29:04,170 --> 00:29:02,590

understand what I'm saying right it's a

620

00:29:07,070 --> 00:29:04,180

nice trick they had played on everybody

621

00:29:09,630 --> 00:29:07,080

so this is how this all filters down

622

00:29:12,390 --> 00:29:09,640

this is what I did is I just worked my

623

00:29:14,160 --> 00:29:12,400

way back and a lot of the work that I

624

00:29:16,740 --> 00:29:14,170

put on the blog was just sort of like

625

00:29:19,710 --> 00:29:16,750

the notes I I have a lot more work that

626

00:29:23,010 --> 00:29:19,720

I've been doing outside of the blog so

627

00:29:26,010 --> 00:29:23,020

again this is gonna be a book but this

628

00:29:27,300 --> 00:29:26,020

is how we trace it back okay so we're

629

00:29:31,500 --> 00:29:27,310

going to look at you know this whole

630

00:29:34,650 --> 00:29:31,510

idea of Lucifer as the Light Bearer now

631

00:29:37,110 --> 00:29:34,660

that comes from Prometheus now what did

632

00:29:40,170 --> 00:29:37,120

Prometheus do Prometheus rebelled

633

00:29:43,440 --> 00:29:40,180

against Zeus Zeus the sky god Zeus you

634

00:29:47,370 --> 00:29:43,450

know the representation of the heavenly

635

00:29:49,650 --> 00:29:47,380

order but Prometheus was also credited

636

00:29:51,960 --> 00:29:49,660

with creating human beings with we

637

00:29:53,970 --> 00:29:51,970

teaching them the arts of civilization I

638

00:29:56,730 --> 00:29:53,980

mean he's one of these sort of ancient

639

00:30:02,070 --> 00:29:56,740

aliens kind of Stephanie than that yeah

640

00:30:05,370 --> 00:30:02,080

his whole history is all about as the

641

00:30:08,730 --> 00:30:05,380

patron of humanity but this is the

642

00:30:11,550 --> 00:30:08,740

interesting thing is that I traced his

643

00:30:15,240 --> 00:30:11,560

story back that there's a school of

644

00:30:17,790 --> 00:30:15,250

thinking that argues quite compellingly

645

00:30:20,460 --> 00:30:17,800

that his origin is pre Greek and that a

646

00:30:23,490 --> 00:30:20,470

lot of figures that we see as Greek are

647

00:30:26,640 --> 00:30:23,500

actually pre Greek and when I believe

648

00:30:29,190 --> 00:30:26,650

quite strongly and I'm very and I will

649

00:30:35,540 --> 00:30:29,200

literally go to the math - this is that

650

00:30:39,810 --> 00:30:35,550

Prometheus is a deified Sumerian king

651
00:30:43,260 --> 00:30:39,820
okay and a Sumerian king who is deposed

652
00:30:45,750 --> 00:30:43,270
by a figure called Sargon the great

653
00:30:48,360 --> 00:30:45,760
so what you had is that you had you know

654
00:30:50,310 --> 00:30:48,370
the kingdom Sumer and this is really

655
00:30:53,040 --> 00:30:50,320
interesting because this is ties you

656
00:30:55,320 --> 00:30:53,050
know you can get as weird as you really

657
00:30:57,419 --> 00:30:55,330
want to be this is the Anunnaki this is

658
00:31:00,419 --> 00:30:57,429
all that kind of stuff right right

659
00:31:01,799 --> 00:31:00,429
all right so Sumer was Sumer had a

660
00:31:04,200 --> 00:31:01,809
problem is that it was it was a

661
00:31:05,460 --> 00:31:04,210
collection of city-states and they were

662
00:31:07,380 --> 00:31:05,470
constantly fighting with each other

663
00:31:09,470 --> 00:31:07,390

because you know they only had so much

664

00:31:12,570 --> 00:31:09,480

water they only had so much arable land

665

00:31:14,570 --> 00:31:12,580

they had a lot of problems so they were

666

00:31:18,060 --> 00:31:14,580

constantly battling with each other and

667

00:31:21,540 --> 00:31:18,070

a king came along a Sumerian king came

668

00:31:25,160 --> 00:31:21,550

along and said listen we have to all

669

00:31:28,169 --> 00:31:25,170

create a confederation here because

670

00:31:29,700 --> 00:31:28,179

we're very vulnerable which turned out

671

00:31:34,680 --> 00:31:29,710

to be true we're very vulnerable to

672

00:31:37,020 --> 00:31:34,690

attack from outside and what he did is

673

00:31:41,630 --> 00:31:37,030

that he created basically a unified

674

00:31:44,490 --> 00:31:41,640

Sumer and what happened is that when his

675

00:31:47,490 --> 00:31:44,500

allies was an Akkadian and Acadians were

676

00:31:50,640 --> 00:31:47,500

sort of like this parallel civilization

677

00:31:55,080 --> 00:31:50,650

to the north and their leader Sargon

678

00:31:58,790 --> 00:31:55,090

betrayed the Sumerian king and conquered

679

00:32:01,860 --> 00:31:58,800

his kingdom which was unified Sumer and

680

00:32:04,799 --> 00:32:01,870

actually led him to the you know the

681

00:32:07,650 --> 00:32:04,809

gate of the gods in Chains just you know

682

00:32:09,960 --> 00:32:07,660

exactly the way that Prometheus was so

683

00:32:11,760 --> 00:32:09,970

they're all these if you if you read the

684

00:32:14,460 --> 00:32:11,770

stories if you parallel the stories

685

00:32:17,730 --> 00:32:14,470

together you see all these very

686

00:32:19,740 --> 00:32:17,740

interesting connections between this

687

00:32:23,250 --> 00:32:19,750

character whose name was Iugol's the

688

00:32:25,200 --> 00:32:23,260

Ghazi and Prometheus and if you really

689

00:32:27,330 --> 00:32:25,210

want to get get down to it you start to

690

00:32:29,760 --> 00:32:27,340

see that maybe Sargon the great was the

691

00:32:31,320 --> 00:32:29,770

serpent in the Garden of Eden

692

00:32:34,799 --> 00:32:31,330

and there are very interesting reasons

693

00:32:37,799 --> 00:32:34,809

for that so I mean is all these very

694

00:32:43,020 --> 00:32:37,809

interesting because don't forget this is

695

00:32:45,180 --> 00:32:43,030

the first organized civilization in that

696

00:32:47,250 --> 00:32:45,190

part of the world that have extensive

697

00:32:49,049 --> 00:32:47,260

libraries I mean you had people from

698

00:32:52,440 --> 00:32:49,059

other parts of the world coming to

699

00:32:53,460 --> 00:32:52,450

Babylon to study because they did they

700

00:32:56,010 --> 00:32:53,470

were the people who have the library

701
00:32:56,320 --> 00:32:56,020
right you didn't have libraries in Rome

702
00:33:02,740 --> 00:32:56,330
you

703
00:33:05,500 --> 00:33:02,750
because this was the center of

704
00:33:07,269 --> 00:33:05,510
civilization so this is why so many of

705
00:33:09,610 --> 00:33:07,279
the stories you know Sargon becomes

706
00:33:13,779 --> 00:33:09,620
Moses you know that that so many of the

707
00:33:15,549 --> 00:33:13,789
stories that we think are part of Moses

708
00:33:17,560 --> 00:33:15,559
his biography are actually part of saw

709
00:33:19,389 --> 00:33:17,570
guards but biography but but the long

710
00:33:22,000 --> 00:33:19,399
short of this is that Sargon wanted to

711
00:33:24,850 --> 00:33:22,010
create a new world order he wanted to

712
00:33:26,620 --> 00:33:24,860
create a kingdom that spread he said you

713
00:33:29,440 --> 00:33:26,630

know from the Persian Gulf to the

714

00:33:32,080 --> 00:33:29,450

Mediterranean Sea he wanted to conquer

715

00:33:36,879 --> 00:33:32,090

the entire known world

716

00:33:39,220 --> 00:33:36,889

and what I believe very strongly happen

717

00:33:43,419 --> 00:33:39,230

is that the Sumerians the Sumerians who

718

00:33:48,159 --> 00:33:43,429

were deposed by this invasion went north

719

00:33:51,549 --> 00:33:48,169

they went north to the gold mines in the

720

00:33:55,360 --> 00:33:51,559

Georgian mountains which had been around

721

00:33:57,820 --> 00:33:55,370

for at least 6,000 years and that's this

722

00:33:59,529 --> 00:33:57,830

is how they financed their you know

723

00:34:01,090 --> 00:33:59,539

their insurrection against Sargon

724

00:34:04,120 --> 00:34:01,100

because their insurrection is against

725

00:34:07,120 --> 00:34:04,130

Sargon I think Sargon had two or three

726
00:34:10,750 --> 00:34:07,130
heirs and then the Sumerians took power

727
00:34:14,950 --> 00:34:10,760
again and that was called the Sumerian

728
00:34:17,790 --> 00:34:14,960
Renaissance so I think all this was told

729
00:34:21,190 --> 00:34:17,800
and retold and all this kind of thing

730
00:34:22,810 --> 00:34:21,200
over the years and you know the long and

731
00:34:25,329 --> 00:34:22,820
short of this is that this is where

732
00:34:27,730 --> 00:34:25,339
these stories became Prometheus and

733
00:34:30,159 --> 00:34:27,740
later on prometheus is told and retold

734
00:34:32,050 --> 00:34:30,169
that he becomes Lucifer do you

735
00:34:37,540 --> 00:34:32,060
understand what I'm saying but it all

736
00:34:40,690 --> 00:34:37,550
ties back to this rebellion against

737
00:34:42,909 --> 00:34:40,700
Sargon the great now the reason why I

738
00:34:46,300 --> 00:34:42,919

feel so strongly about this is that

739

00:34:47,980 --> 00:34:46,310

Sargon's daughter was a poet and what

740

00:34:50,470 --> 00:34:47,990

she did is that she wrote all these

741

00:34:53,760 --> 00:34:50,480

poems in the voice of the goddess and

742

00:34:56,800 --> 00:34:53,770

Nana and Anon is sort of the she's the

743

00:34:59,470 --> 00:34:56,810

equivalent of goddesses like Ishtar and

744

00:35:02,470 --> 00:34:59,480

Aphrodite and everything I got but she

745

00:35:05,620 --> 00:35:02,480

is saying you rebels up there in the

746

00:35:08,170 --> 00:35:05,630

mountains of northern Iraq you are going

747

00:35:10,329 --> 00:35:08,180

against God you are rebelling against

748

00:35:13,120 --> 00:35:10,339

God you are not just rebelling against

749

00:35:17,259 --> 00:35:13,130

are gone - usurper the Akkadian who's

750

00:35:19,630 --> 00:35:17,269

who's overtaking Sumeria you are going

751

00:35:21,640 --> 00:35:19,640

against the wishes of the gods the gods

752

00:35:25,299 --> 00:35:21,650

hate you the gods will strike you down

753

00:35:27,819 --> 00:35:25,309

the gods you know are against you do you

754

00:35:29,440 --> 00:35:27,829

see what I'm getting at here Lucifer

755

00:35:31,209 --> 00:35:29,450

could almost be equated to a figure that

756

00:35:33,969 --> 00:35:31,219

uses technology to subvert the

757

00:35:36,190 --> 00:35:33,979

established power center that's exactly

758

00:35:38,049 --> 00:35:36,200

what it is because because what it

759

00:35:41,410 --> 00:35:38,059

what's going on is that these stories

760

00:35:43,779 --> 00:35:41,420

get told and retold and the rebellious

761

00:35:46,029 --> 00:35:43,789

Sumerian Kings become the Watchers how

762

00:35:49,299 --> 00:35:46,039

do we know this because what is Summa

763

00:35:52,209 --> 00:35:49,309

mean it means land of the Watchers you

764

00:35:54,519 --> 00:35:52,219

see what I'm saying I very strongly

765

00:35:58,930 --> 00:35:54,529

believe that the Titans of a Greek

766

00:36:01,329 --> 00:35:58,940

mythology were also these Sumerian Kings

767

00:36:04,809 --> 00:36:01,339

why do I believe that because the

768

00:36:07,749 --> 00:36:04,819

Sumerian Kings were called Iugol's okay

769

00:36:10,900 --> 00:36:07,759

what does Iugol mean it means giant it

770

00:36:12,700 --> 00:36:10,910

means Titan it's the same word

771

00:36:15,190 --> 00:36:12,710

you know what I'm saying so this

772

00:36:17,829 --> 00:36:15,200

connections are really not very hard to

773

00:36:20,459 --> 00:36:17,839

find so the point I'm trying to make

774

00:36:23,410 --> 00:36:20,469

here and this might sound like complete

775

00:36:28,180 --> 00:36:23,420

you know Argyl Bartle to most people

776

00:36:30,930 --> 00:36:28,190

but this whole idea that has been passed

777

00:36:35,349 --> 00:36:30,940

down you know with the Midwife being

778

00:36:39,130 --> 00:36:35,359

Christian fundamentalism which is the

779

00:36:40,690 --> 00:36:39,140

source of so much modern conspiracy that

780

00:36:45,099 --> 00:36:40,700

more than most people are willing to

781

00:36:47,589 --> 00:36:45,109

admit this whole idea of this whole you

782

00:36:51,430 --> 00:36:47,599

know this whole Luciferian all this kind

783

00:36:54,430 --> 00:36:51,440

of thing is in fact the exact opposite

784

00:36:57,099 --> 00:36:54,440

of what it originally means through

785

00:36:59,079 --> 00:36:57,109

figures like Prometheus you know and

786

00:37:00,729 --> 00:36:59,089

this is not conjecture here I mean all

787

00:37:03,099 --> 00:37:00,739

you have to do is read the Promethean

788

00:37:06,759 --> 00:37:03,109

myth I mean Prometheus is rebelling

789

00:37:10,029 --> 00:37:06,769

against Zeus is heavenly rule he's doing

790

00:37:11,529 --> 00:37:10,039

so on behalf of humanity the embassy

791

00:37:14,440 --> 00:37:11,539

what I'm saying he's rebelling against

792

00:37:16,539 --> 00:37:14,450

the God to our tyrants on behalf of

793

00:37:19,420 --> 00:37:16,549

humanity so I'm not just making things

794

00:37:22,329 --> 00:37:19,430

up out of thin air here I'm just saying

795

00:37:23,450 --> 00:37:22,339

that there's a much deeper origin to all

796

00:37:26,000 --> 00:37:23,460

this

797

00:37:27,950 --> 00:37:26,010

yeah I mean I see it it makes sense when

798

00:37:30,529 --> 00:37:27,960

you lay it all out like that how can we

799

00:37:32,900 --> 00:37:30,539

take that template or these connections

800

00:37:35,240 --> 00:37:32,910

between Lucifer and technology and kind

801
00:37:36,859 --> 00:37:35,250
of bring them out of the ancient

802
00:37:39,650 --> 00:37:36,869
scriptures and into like the last

803
00:37:41,900 --> 00:37:39,660
hundred years well this is where things

804
00:37:43,519 --> 00:37:41,910
get weird I mean this you know I mean

805
00:37:46,130 --> 00:37:43,529
how weird you want to get yeah

806
00:37:47,539 --> 00:37:46,140
let's wrap it up huh how weird you want

807
00:37:50,359 --> 00:37:47,549
to get I mean because here's the thing

808
00:37:52,279 --> 00:37:50,369
it's like the figure who is called

809
00:37:54,319 --> 00:37:52,289
Lucifer in the Bible is actually

810
00:37:56,750 --> 00:37:54,329
Nebuchadnezzar okay

811
00:37:59,720 --> 00:37:56,760
and Nebuchadnezzar was the Babylonian

812
00:38:02,329 --> 00:37:59,730
king who conquered Israel and took the

813
00:38:06,019 --> 00:38:02,339

Jews or some of the Jews he took like

814

00:38:08,210 --> 00:38:06,029

all the scribes and the doctors you know

815

00:38:11,000 --> 00:38:08,220

he took all the sign it was like you

816

00:38:14,029 --> 00:38:11,010

know it was almost like a kind of brain

817

00:38:16,609 --> 00:38:14,039

drain let's say right he took all the

818

00:38:18,559 --> 00:38:16,619

the people that you want the Operation

819

00:38:21,980 --> 00:38:18,569

Paperclip of its day he didn't take the

820

00:38:26,450 --> 00:38:21,990

farm or is he didn't take the Shepherds

821

00:38:28,460 --> 00:38:26,460

he took people like Daniel so then you

822

00:38:30,289 --> 00:38:28,470

have this whole thing with the fiery

823

00:38:32,539 --> 00:38:30,299

furnace in the Book of Daniel

824

00:38:34,549 --> 00:38:32,549

like what the hell of that all about I

825

00:38:36,859 --> 00:38:34,559

mean that's a very strange story

826

00:38:38,450 --> 00:38:36,869

what's the mythological you know if

827

00:38:41,349 --> 00:38:38,460

you're going to get all Joseph Campbell

828

00:38:43,730 --> 00:38:41,359

about that like what what psychological

829

00:38:45,950 --> 00:38:43,740

impulse does the [h__h] of the fiery

830

00:38:48,140 --> 00:38:45,960

furnace and then this other figure shows

831

00:38:50,150 --> 00:38:48,150

up and everything like that like what

832

00:38:52,069 --> 00:38:50,160

psychological impulse does that serve

833

00:38:54,650 --> 00:38:52,079

you know I mean it's like this is where

834

00:38:57,859 --> 00:38:54,660

I really break with the unions now

835

00:39:00,349 --> 00:38:57,869

you had this figure of Lucifer who is in

836

00:39:03,650 --> 00:39:00,359

the Bible in the Book of Isaiah is

837

00:39:05,260 --> 00:39:03,660

actually Nebuchadnezzar okay now the

838

00:39:08,260 --> 00:39:05,270

interesting thing about this is that

839

00:39:10,039 --> 00:39:08,270

where else did we hear about

840

00:39:11,839 --> 00:39:10,049

Nebuchadnezzar we heard about

841

00:39:15,380 --> 00:39:11,849

Nebuchadnezzar during the Iraq war

842

00:39:18,430 --> 00:39:15,390

because Saddam Hussein believed himself

843

00:39:19,750 --> 00:39:18,440

to be the reincarnation

844

00:39:24,190 --> 00:39:19,760

[Music]

845

00:39:28,650 --> 00:39:24,200

Nebuchadnezzar mm-hmm okay and what

846

00:39:31,170 --> 00:39:28,660

happened as soon as troops pulled into

847

00:39:38,430 --> 00:39:31,180

Iraq

848

00:39:40,440 --> 00:39:38,440

National Museum why well gee I don't

849

00:39:43,380 --> 00:39:40,450

know maybe it's the fact that all the

850

00:39:45,299 --> 00:39:43,390

Sumerian tablets went missing and that

851
00:39:49,410 --> 00:39:45,309
only a third of them have been recovered

852
00:39:52,319 --> 00:39:49,420
you know 13 years later what's that

853
00:39:54,839 --> 00:39:52,329
about like why do you do that right

854
00:39:56,579 --> 00:39:54,849
think about that for a minute you know

855
00:39:58,349 --> 00:39:56,589
we've heard that story so many times

856
00:40:01,520 --> 00:39:58,359
that we take it for granted and it just

857
00:40:05,850 --> 00:40:01,530
becomes part of the high weirdness

858
00:40:09,480 --> 00:40:05,860
conspiracy wallpaper No

859
00:40:12,000 --> 00:40:09,490
stop stop just a minute you're invading

860
00:40:14,790 --> 00:40:12,010
a country you know with all this oil

861
00:40:16,350 --> 00:40:14,800
wealth and all the rest of it I'm going

862
00:40:17,850 --> 00:40:16,360
to let you in on a little secret

863
00:40:22,440 --> 00:40:17,860

we really haven't gotten that much oil

864

00:40:25,560 --> 00:40:22,450

out of Iraq Iraq its military pose no

865

00:40:28,500 --> 00:40:25,570

threat to Israel or to anybody else its

866

00:40:30,090 --> 00:40:28,510

military was a paper tiger they knew

867

00:40:33,530 --> 00:40:30,100

they had no weapons of mass destruction

868

00:40:37,830 --> 00:40:33,540

we knew that that whole campaign was

869

00:40:40,110 --> 00:40:37,840

fiction was Hollywood right so what

870

00:40:42,450 --> 00:40:40,120

actually happened what actually happened

871

00:40:46,200 --> 00:40:42,460

is that the first thing they do is they

872

00:40:49,410 --> 00:40:46,210

make a beeline to the museum and what's

873

00:40:53,280 --> 00:40:49,420

this alleged terrorist group Isis doing

874

00:40:57,180 --> 00:40:53,290

you know it's like they - eluding all

875

00:40:59,790 --> 00:40:57,190

these artifacts what is so important

876

00:41:01,530 --> 00:40:59,800

about these artifacts right you know

877

00:41:03,660 --> 00:41:01,540

what I mean here's the problem

878

00:41:05,040 --> 00:41:03,670

I'm going to tell you a problem and I

879

00:41:06,900 --> 00:41:05,050

just want to get back to the election

880

00:41:10,740 --> 00:41:06,910

about this because in my look my latest

881

00:41:13,260 --> 00:41:10,750

post I talked about maybe Hillary was

882

00:41:15,180 --> 00:41:13,270

targeted maybe John Podesta was targeted

883

00:41:17,790 --> 00:41:15,190

and maybe you had something to do with

884

00:41:19,530 --> 00:41:17,800

the fact that back in March Hillary said

885

00:41:21,810 --> 00:41:19,540

oh we're going to open up the secrets of

886

00:41:24,570 --> 00:41:21,820

area 51 we're going to you know finally

887

00:41:27,240 --> 00:41:24,580

get to the bottom of what these UFOs are

888

00:41:28,890 --> 00:41:27,250

all about and you think oh you know

889

00:41:31,710 --> 00:41:28,900

everybody's eyes were all out come on

890

00:41:33,000 --> 00:41:31,720

you know and then people like Richard

891

00:41:36,000 --> 00:41:33,010

Dolan will say well she's going after

892

00:41:39,330 --> 00:41:36,010

the UFO it's like what UFO ho yes

893

00:41:42,240 --> 00:41:39,340

seriously the UFO ho all right you know

894

00:41:44,670 --> 00:41:42,250

John Podesta SH and he's keeping on this

895

00:41:48,050 --> 00:41:44,680

uh this whole hobby horse for a long

896

00:41:50,160 --> 00:41:48,060

time now it has nothing to do with

897

00:41:53,670 --> 00:41:50,170

reptilians it has nothing to do with

898

00:41:56,580 --> 00:41:53,680

Zeta Reticuli it has to do with the

899

00:41:59,340 --> 00:41:56,590

black budget world it has to do with

900

00:42:02,040 --> 00:41:59,350

secret aircraft it has to do with the

901
00:42:05,840 --> 00:42:02,050
secret space program it has to do with

902
00:42:09,960 --> 00:42:05,850
when these politicians get lippy and

903
00:42:12,600 --> 00:42:09,970
step outside their little square they

904
00:42:17,190 --> 00:42:12,610
get spanked they get spanked and it's

905
00:42:18,910 --> 00:42:17,200
been happening since JFK because ten

906
00:42:21,069 --> 00:42:18,920
days before JFK

907
00:42:24,760 --> 00:42:21,079
was assassinated he wrote a memo saying

908
00:42:30,010 --> 00:42:24,770
I want you know whatever secrets we have

909
00:42:32,680 --> 00:42:30,020
about UFO technology released and shared

910
00:42:35,140 --> 00:42:32,690
with the Russians it's like oh yeah

911
00:42:35,559 --> 00:42:35,150
that's gonna happen you know what I'm

912
00:42:37,450 --> 00:42:35,569
saying

913
00:42:41,859 --> 00:42:37,460

and it's like every time one of these

914

00:42:45,579 --> 00:42:41,869

politicians messes with this issue they

915

00:42:47,549 --> 00:42:45,589

run into a wall of misfortune mm-hmm

916

00:42:50,530 --> 00:42:47,559

until there's more about that pattern

917

00:42:52,299 --> 00:42:50,540

okay about this pattern do you mean

918

00:42:54,760 --> 00:42:52,309

right I mean cuz there's a lot more than

919

00:42:56,319 --> 00:42:54,770

just JFK and now Clinton there's other

920

00:43:00,579 --> 00:42:56,329

people who have run into the same

921

00:43:02,779 --> 00:43:00,589

problem right well here's how it goes

922

00:43:05,349 --> 00:43:02,789

so JFK

923

00:43:07,819 --> 00:43:05,359

was messing around with this stuff you

924

00:43:11,299 --> 00:43:07,829

know and then we had people like Dorothy

925

00:43:13,279 --> 00:43:11,309

Kilgallen who ended up dead like so many

926

00:43:15,380 --> 00:43:13,289

other people involved with the day of

927

00:43:18,919 --> 00:43:15,390

Kay situation and she was not only

928

00:43:20,529 --> 00:43:18,929

looking into the JFK assassination she

929

00:43:24,890 --> 00:43:20,539

was also looking into the UFO situation

930

00:43:27,169 --> 00:43:24,900

and she winds up dead Gerald Ford was

931

00:43:30,979 --> 00:43:27,179

Speaker of the House in the late 1960s

932

00:43:33,769 --> 00:43:30,989

and he got a lot of complaints about the

933

00:43:35,839 --> 00:43:33,779

way the Air Force had treated a series

934

00:43:39,229 --> 00:43:35,849

of UFO flaps in his home state of

935

00:43:42,859 --> 00:43:39,239

Michigan and ordered congressional

936

00:43:46,219 --> 00:43:42,869

hearings on the subject which eventually

937

00:43:48,079 --> 00:43:46,229

led to the the Condon committee in the

938

00:43:50,329 --> 00:43:48,089

University of Colorado which you know

939

00:43:53,539 --> 00:43:50,339

turned out to be a total whitewash but

940

00:43:56,509 --> 00:43:53,549

he made the effort and I mean the

941

00:44:00,380 --> 00:43:56,519

timeline is little shaky but I've been

942

00:44:03,709 --> 00:44:00,390

told that the big UFO document dump that

943

00:44:07,759 --> 00:44:03,719

we saw in the 70s was actually begun

944

00:44:09,919 --> 00:44:07,769

under his administration so you know all

945

00:44:13,099 --> 00:44:09,929

those documents that that really created

946

00:44:16,099 --> 00:44:13,109

UFO conspiracy I mean the whole UFO

947

00:44:19,640 --> 00:44:16,109

conspiracy world that was so prevalent

948

00:44:22,759 --> 00:44:19,650

in the 70s 80s and 90s and the doors

949

00:44:24,769 --> 00:44:22,769

really slammed shut after 9/11 came

950

00:44:25,909 --> 00:44:24,779

about because of all these documents

951
00:44:29,449 --> 00:44:25,919
that were released because of the

952
00:44:31,849 --> 00:44:29,459
Freedom of Information Act now again

953
00:44:33,949 --> 00:44:31,859
everyone credits Carter with that but

954
00:44:37,219 --> 00:44:33,959
I've been told by a prominent UFO

955
00:44:39,649 --> 00:44:37,229
skeptic who's also a scholar of the

956
00:44:40,669 --> 00:44:39,659
phenomenon that it was actually Ford who

957
00:44:42,709 --> 00:44:40,679
was involved list

958
00:44:45,289 --> 00:44:42,719
now the interesting thing about Ford is

959
00:44:47,719 --> 00:44:45,299
that Ford had two assassination attempts

960
00:44:50,359 --> 00:44:47,729
one of which was by a Manson family

961
00:44:54,259 --> 00:44:50,369
member I mean what are the odds of that

962
00:44:57,109 --> 00:44:54,269
and the other one was by a woman who was

963
00:44:59,059 --> 00:44:57,119

obsessed with the sibian Eze Liberation

964

00:45:04,069 --> 00:44:59,069

Army which takes us back to Project

965

00:45:06,409 --> 00:45:04,079

often MK often yes and arguably as does

966

00:45:08,089 --> 00:45:06,419

you know the Manson Family I mean I

967

00:45:11,409 --> 00:45:08,099

would argue that the Manson Family is

968

00:45:13,909 --> 00:45:11,419

more an MK often project than an MKULTRA

969

00:45:14,929 --> 00:45:13,919

project and talk to us about the

970

00:45:16,539 --> 00:45:14,939

difference there because I don't think a

971

00:45:18,609 --> 00:45:16,549

lot of listeners will have heard of them

972

00:45:20,229 --> 00:45:18,619

often yet well I are willing just a

973

00:45:21,459 --> 00:45:20,239

moment but let me just you know continue

974

00:45:24,459 --> 00:45:21,469

this timeline that you had asked about

975

00:45:28,359 --> 00:45:24,469

so so Gerald Ford you know he does this

976
00:45:30,459 --> 00:45:28,369
and boom two assassination attempts

977
00:45:32,739 --> 00:45:30,469
Jimmy card is very outspoken on the

978
00:45:37,239 --> 00:45:32,749
topic and then he gets hit with the

979
00:45:38,919 --> 00:45:37,249
whole Iran hostages issue and it turns

980
00:45:41,620 --> 00:45:38,929
out there was a lot of chicane eree with

981
00:45:44,140 --> 00:45:41,630
intelligence services making sure that

982
00:45:47,499 --> 00:45:44,150
the hostages weren't released before the

983
00:45:50,499 --> 00:45:47,509
election Reagan's a little iffy but you

984
00:45:53,019 --> 00:45:50,509
know Clinton is really activist on this

985
00:45:54,519 --> 00:45:53,029
issue orders an investigation of the

986
00:45:57,160 --> 00:45:54,529
Roswell incident doesn't like the

987
00:46:00,969 --> 00:45:57,170
results or there's another one and then

988
00:46:03,069 --> 00:46:00,979

he's impeached is a congressman from New

989

00:46:06,339 --> 00:46:03,079

Mexico who also gets involved in this

990

00:46:08,499 --> 00:46:06,349

dies of cancer shortly after he orders

991

00:46:13,269 --> 00:46:08,509

an investigation of the financial

992

00:46:15,370 --> 00:46:13,279

records of Roswell at age 51 so now we

993

00:46:17,499 --> 00:46:15,380

have Hillary who was very outspoken

994

00:46:20,829 --> 00:46:17,509

about this issue in the campaign trail

995

00:46:23,679 --> 00:46:20,839

much to the mocking of the press and

996

00:46:25,359 --> 00:46:23,689

whatnot but I think that she knew what

997

00:46:26,979 --> 00:46:25,369

she was really talking about and I think

998

00:46:29,410 --> 00:46:26,989

the Destiny what he was really talking

999

00:46:32,349 --> 00:46:29,420

about they were talking about sticking

1000

00:46:36,549 --> 00:46:32,359

their nose in the black-budget world and

1001
00:46:39,009 --> 00:46:36,559
they got they got spanked do like badly

1002
00:46:41,859 --> 00:46:39,019
I mean they lost the election first of

1003
00:46:44,349 --> 00:46:41,869
all and you know they may be more to

1004
00:46:46,660 --> 00:46:44,359
come you know certainly Podesta's been

1005
00:46:48,549 --> 00:46:46,670
humiliated I mean when the the

1006
00:46:50,579 --> 00:46:48,559
Washington Post has to say no John

1007
00:46:53,199 --> 00:46:50,589
Podesta doesn't drink blood and urine

1008
00:46:55,989 --> 00:46:53,209
with his dinner or something in a

1009
00:46:57,249 --> 00:46:55,999
headline you know that it's bad yeah you

1010
00:46:59,229 --> 00:46:57,259
know what I'm saying you know that

1011
00:47:03,669 --> 00:46:59,239
things are much much worse behind the

1012
00:47:04,959 --> 00:47:03,679
scenes so people hear UFOs and they've

1013
00:47:08,279 --> 00:47:04,969

been so conditioned by the

1014

00:47:11,229 --> 00:47:08,289

disinformation program to think

1015

00:47:12,930 --> 00:47:11,239

silliness but they should really be

1016

00:47:16,319 --> 00:47:12,940

thinking

1017

00:47:20,010 --> 00:47:16,329

secret aircraft black budgets black ops

1018

00:47:21,839 --> 00:47:20,020

things like that and they don't and a

1019

00:47:24,359 --> 00:47:21,849

lot of people in the conspiracy world

1020

00:47:26,609 --> 00:47:24,369

think they're going to appear more

1021

00:47:29,460 --> 00:47:26,619

serious if they make fun of UFOs and

1022

00:47:32,339 --> 00:47:29,470

stuff but they don't realize how

1023

00:47:36,000 --> 00:47:32,349

important the subject really is and how

1024

00:47:39,210 --> 00:47:36,010

many of the like say disinfo techniques

1025

00:47:42,569 --> 00:47:39,220

that are used across the board now were

1026
00:47:45,420 --> 00:47:42,579
first perfected on the UFO community I

1027
00:47:48,000 --> 00:47:45,430
mean it's it's a it's a whole the whole

1028
00:47:49,950 --> 00:47:48,010
thing in a nutshell you think that these

1029
00:47:52,200 --> 00:47:49,960
cover stories where we're told about

1030
00:47:54,210 --> 00:47:52,210
aliens from Zeta Reticuli might really

1031
00:47:57,510 --> 00:47:54,220
be covering up something that's more

1032
00:47:59,130 --> 00:47:57,520
steeped in the occult right I think it's

1033
00:48:02,160 --> 00:47:59,140
all of the above to be honest with you

1034
00:48:04,079 --> 00:48:02,170
I'm like in a both/and person I think I

1035
00:48:07,170 --> 00:48:04,089
mean I don't believe personally I don't

1036
00:48:10,319 --> 00:48:07,180
believe in extra solar aliens I don't

1037
00:48:12,210 --> 00:48:10,329
believe that we're dealing with aliens

1038
00:48:14,250 --> 00:48:12,220

coming from Zeta Reticuli I just don't

1039

00:48:16,230 --> 00:48:14,260

believe it you know I know that you know

1040

00:48:19,790 --> 00:48:16,240

they're saying oh well now the emdrive

1041

00:48:22,559 --> 00:48:19,800

is possible and things like that but I

1042

00:48:24,329 --> 00:48:22,569

think that and I've been saying this for

1043

00:48:27,319 --> 00:48:24,339

several years now is that I think what

1044

00:48:30,870 --> 00:48:27,329

we call aliens are what I call our

1045

00:48:32,130 --> 00:48:30,880

elusive companions and it's not just me

1046

00:48:33,809 --> 00:48:32,140

that segment I mean this is something

1047

00:48:34,079 --> 00:48:33,819

that Charles Ford set a hundred years

1048

00:48:36,930 --> 00:48:34,089

ago

1049

00:48:41,300 --> 00:48:36,940

I mean I'm even kind of iffy on the

1050

00:48:44,160 --> 00:48:41,310

whole hyper dimensional way of thinking

1051
00:48:47,270 --> 00:48:44,170
because I think those effects could just

1052
00:48:51,750 --> 00:48:47,280
as easily be explained by exotic

1053
00:48:54,750 --> 00:48:51,760
cloaking technology so I think it's a

1054
00:48:57,630 --> 00:48:54,760
very complex I think a lot of it is just

1055
00:49:01,290 --> 00:48:57,640
hokum and nonsense you know maybe even

1056
00:49:04,380 --> 00:49:01,300
most of it but the stuff that isn't is a

1057
00:49:06,390 --> 00:49:04,390
very complex tapestry of things that

1058
00:49:08,270 --> 00:49:06,400
will keep people up at night if they

1059
00:49:11,010 --> 00:49:08,280
really think about it seriously

1060
00:49:12,930 --> 00:49:11,020
no I mean that I mean that with all you

1061
00:49:15,720 --> 00:49:12,940
know with all seriousness of course I

1062
00:49:18,290 --> 00:49:15,730
mean my family and I had like an orb

1063
00:49:21,450 --> 00:49:18,300

sighting last year we were coming up the

1064

00:49:23,069 --> 00:49:21,460

highway into New Hampshire we just

1065

00:49:26,310 --> 00:49:23,079

crossed the border and we saw these two

1066

00:49:27,990 --> 00:49:26,320

orange orbs basically harassing a

1067

00:49:30,120 --> 00:49:28,000

private plane that just taken off in the

1068

00:49:32,610 --> 00:49:30,130

airport and this thing was I don't know

1069

00:49:35,220 --> 00:49:32,620

maybe a thousand feet over our head so

1070

00:49:37,710 --> 00:49:35,230

we got a really good look at this and we

1071

00:49:39,559 --> 00:49:37,720

were just shocked and we saw these

1072

00:49:42,199 --> 00:49:39,569

things and we like

1073

00:49:44,689 --> 00:49:42,209

I mean personally I was like that's not

1074

00:49:46,489 --> 00:49:44,699

aircraft that's not technology that's I

1075

00:49:48,949 --> 00:49:46,499

don't know what the hell that is but

1076

00:49:51,589 --> 00:49:48,959

these things have been seen you know

1077

00:49:54,650 --> 00:49:51,599

since the Middle Ages elusive companions

1078

00:49:56,689 --> 00:49:54,660

yeah so I mean God knows what we're

1079

00:50:00,620 --> 00:49:56,699

talking about it's it's just it's crazy

1080

00:50:03,579 --> 00:50:00,630

but a lot of it is black ops and bi

1081

00:50:06,170 --> 00:50:03,589

projects and I think that that's

1082

00:50:10,069 --> 00:50:06,180

probably the stuff that that gets a lot

1083

00:50:11,269 --> 00:50:10,079

of UFO investigators killed right but

1084

00:50:13,549 --> 00:50:11,279

and that's where we get into the tie-in

1085

00:50:15,799 --> 00:50:13,559

to magic because at the heart of the

1086

00:50:18,410 --> 00:50:15,809

black projects we see all this kind of

1087

00:50:21,259 --> 00:50:18,420

symbolism and the strange naming from

1088

00:50:23,359 --> 00:50:21,269

ancient sources yeah and yeah yeah the

1089

00:50:25,069 --> 00:50:23,369

lines of demarcation are very blurry

1090

00:50:27,309 --> 00:50:25,079

it's the other thing that I sort of just

1091

00:50:29,479 --> 00:50:27,319

discovered with the de Lucifer's

1092

00:50:30,799 --> 00:50:29,489

technology series and yeah that's one of

1093

00:50:32,599 --> 00:50:30,809

things I discovered and I was looking to

1094

00:50:34,849 --> 00:50:32,609

Roswell you know Roswell has always sort

1095

00:50:37,489 --> 00:50:34,859

of bothered me because the standard UFO

1096

00:50:40,789 --> 00:50:37,499

narrative doesn't really work for me

1097

00:50:43,219 --> 00:50:40,799

and the debunker explanations don't

1098

00:50:45,140 --> 00:50:43,229

really work for me but here's the thing

1099

00:50:47,509 --> 00:50:45,150

and I don't think a lot of people

1100

00:50:51,469 --> 00:50:47,519

understand this that don't read ancient

1101
00:50:55,430 --> 00:50:51,479
mythology is that there's a very long

1102
00:50:58,430 --> 00:50:55,440
and illustrious tradition of like things

1103
00:51:01,430 --> 00:50:58,440
crashing to earth and strange creatures

1104
00:51:04,729 --> 00:51:01,440
getting out of them and interacting with

1105
00:51:07,029 --> 00:51:04,739
people and giving them technology this

1106
00:51:09,199 --> 00:51:07,039
isn't just like ancient aliens wild

1107
00:51:11,839 --> 00:51:09,209
misinterpretations of ancient texts I

1108
00:51:17,689 --> 00:51:11,849
mean you know the thing that really ties

1109
00:51:21,319 --> 00:51:17,699
into Roswell is the myth of Cadmus yes

1110
00:51:26,019 --> 00:51:21,329
now why is Cadmus important you know

1111
00:51:29,809 --> 00:51:26,029
Cadmus was a Phoenician okay and the

1112
00:51:32,539 --> 00:51:29,819
plane to st. Agustin where the alleged

1113
00:51:34,009 --> 00:51:32,549

crash actually took place and again I

1114

00:51:36,739 --> 00:51:34,019

don't believe it was actually a crash I

1115

00:51:42,079 --> 00:51:36,749

think it was a ritual I think this was

1116

00:51:45,559 --> 00:51:42,089

all ritual are exactly parallel with

1117

00:51:48,439 --> 00:51:45,569

Baalbek which was in ancient Phoenicia

1118

00:51:51,680 --> 00:51:48,449

again the see what I'm saying right 34th

1119

00:51:52,970 --> 00:51:51,690

parallel right yeah so there's like okay

1120

00:51:55,550 --> 00:51:52,980

well why is that

1121

00:51:58,940 --> 00:51:55,560

not only like roughly parallel but

1122

00:52:02,060 --> 00:51:58,950

exactly like on the on the nose up to

1123

00:52:05,240 --> 00:52:02,070

the second parallel how does that happen

1124

00:52:08,810 --> 00:52:05,250

and this whole thing like Roswell hmm

1125

00:52:12,530 --> 00:52:08,820

well what does that mean well Cadmus one

1126
00:52:16,700 --> 00:52:12,540
of his myths is that he raided the Well

1127
00:52:19,430 --> 00:52:16,710
of Mars and he slayed the dragon the

1128
00:52:23,359 --> 00:52:19,440
dragon of Mars and he used the teeth

1129
00:52:29,000 --> 00:52:23,369
from the dragon of Mars to create a race

1130
00:52:30,770 --> 00:52:29,010
of superhumans so we're kind of looking

1131
00:52:35,300 --> 00:52:30,780
at like wouldn't you know what does this

1132
00:52:37,579 --> 00:52:35,310
story mean the well of Mars dragon you

1133
00:52:41,180 --> 00:52:37,589
know it's all this very loaded symbology

1134
00:52:47,150 --> 00:52:41,190
here Mars the red plant yeah you know

1135
00:52:48,890 --> 00:52:47,160
raw red Roz Rose well okay so oh well

1136
00:52:50,630 --> 00:52:48,900
that's interesting well maybe that's

1137
00:52:55,730 --> 00:52:50,640
just coincidental except for here's a

1138
00:53:00,500 --> 00:52:55,740

problem is that Cadmus he was initiated

1139

00:53:04,970 --> 00:53:00,510

into the into the arts of Technology

1140

00:53:07,490 --> 00:53:04,980

let's just say by the great gods of

1141

00:53:11,200 --> 00:53:07,500

Samothrace they have a number of

1142

00:53:15,230 --> 00:53:11,210

different names the khabiri the

1143

00:53:17,000 --> 00:53:15,240

telchines the dactyls

1144

00:53:21,500 --> 00:53:17,010

I mean they would know by number of

1145

00:53:25,190 --> 00:53:21,510

different names but they were the sons

1146

00:53:27,559 --> 00:53:25,200

of Hephaestus and they crashed to

1147

00:53:29,660 --> 00:53:27,569

Samothrace in what was called the meteor

1148

00:53:33,620 --> 00:53:29,670

you know they were inside a meteor that

1149

00:53:38,180 --> 00:53:33,630

crashed on an island and then they set

1150

00:53:41,390 --> 00:53:38,190

up this temple where people came to

1151

00:53:43,069 --> 00:53:41,400

study the arts of you know the mystery

1152

00:53:44,599 --> 00:53:43,079

cults I don't use the term mystery

1153

00:53:47,930 --> 00:53:44,609

school because mystery school is a term

1154

00:53:51,010 --> 00:53:47,940

that was coined by Alice Bailey it's

1155

00:53:53,660 --> 00:53:51,020

actually not historically accurate term

1156

00:53:56,930 --> 00:53:53,670

there were no actual mystery schools

1157

00:53:58,970 --> 00:53:56,940

they were mystery cults but a you know

1158

00:54:00,339 --> 00:53:58,980

it's it's a submitted semantic argument

1159

00:54:01,450 --> 00:54:00,349

but

1160

00:54:03,460 --> 00:54:01,460

it's just something that always kind of

1161

00:54:05,410 --> 00:54:03,470

bugs me because it's an Alice Bailey ISM

1162

00:54:08,410 --> 00:54:05,420

right then anyway but the point is is

1163

00:54:13,390 --> 00:54:08,420

that okay so not only is Cadmus linked

1164

00:54:17,799 --> 00:54:13,400

to a red well a rose well he's also

1165

00:54:21,430 --> 00:54:17,809

linked to this spacecraft that crashed

1166

00:54:23,380 --> 00:54:21,440

earth and was filled with these what can

1167

00:54:25,120 --> 00:54:23,390

only really be called alien creatures I

1168

00:54:26,680 --> 00:54:25,130

mean it's been a number of different

1169

00:54:29,200 --> 00:54:26,690

descriptions of them but they were said

1170

00:54:30,670 --> 00:54:29,210

to have pincers for hands sometimes they

1171

00:54:32,859 --> 00:54:30,680

were described as crab like being

1172

00:54:34,749 --> 00:54:32,869

sometimes described as men with pincers

1173

00:54:36,910 --> 00:54:34,759

sometimes they described as men with

1174

00:54:38,799 --> 00:54:36,920

pincers and dog heads you know I know

1175

00:54:41,859 --> 00:54:38,809

Gordon why I just talked a lot about the

1176
00:54:45,400 --> 00:54:41,869
whole idea of dog heads so now here's

1177
00:54:48,789 --> 00:54:45,410
the interesting thing so later on there

1178
00:54:53,289 --> 00:54:48,799
is a lot of speculation that Bell

1179
00:54:56,999 --> 00:54:53,299
Laboratories acquired the technology for

1180
00:54:59,380 --> 00:54:57,009
the transistor which of course enabled

1181
00:55:00,099 --> 00:54:59,390
everything that we are familiar with

1182
00:55:02,979 --> 00:55:00,109
today

1183
00:55:06,489 --> 00:55:02,989
you know enabled solid-state technology

1184
00:55:10,660 --> 00:55:06,499
and enabled computer technology

1185
00:55:12,880 --> 00:55:10,670
everything after that by our discovery

1186
00:55:16,269 --> 00:55:12,890
on you know a quote-unquote crashed

1187
00:55:17,709 --> 00:55:16,279
spaceship at Rob Lowe for timeline is

1188
00:55:21,519 --> 00:55:17,719

fascinating because you had the crash at

1189

00:55:24,910 --> 00:55:21,529

Roswell and what five months later six

1190

00:55:28,799 --> 00:55:24,920

months later a team connected to

1191

00:55:32,799 --> 00:55:28,809

Vannevar Bush who is definitively

1192

00:55:37,089 --> 00:55:32,809

connected to a group that was charged

1193

00:55:41,109 --> 00:55:37,099

with studying UFO technology so his team

1194

00:55:44,829 --> 00:55:41,119

and he was also the chairman of the

1195

00:55:46,900 --> 00:55:44,839

board of 18t which owned Bell Labs I

1196

00:55:49,749 --> 00:55:46,910

mean the connections here make your head

1197

00:55:52,569 --> 00:55:49,759

spin but the point is is that Bell Labs

1198

00:55:55,329 --> 00:55:52,579

are the people who give us the

1199

00:55:57,160 --> 00:55:55,339

transistor the first transistor okay

1200

00:55:59,019 --> 00:55:57,170

Bell Labs lady becomes loose in

1201
00:56:00,789 --> 00:55:59,029
technology everybody thinks this is a

1202
00:56:05,989 --> 00:56:00,799
nod to Lucifer okay

1203
00:56:09,269 --> 00:56:05,999
no Lucent is the same word as Cadmus

1204
00:56:11,069 --> 00:56:09,279
see what I'm saying it's like Lucent

1205
00:56:14,279 --> 00:56:11,079
actually could just as well be called

1206
00:56:18,059 --> 00:56:14,289
Cadmus technologies before Bell Labs

1207
00:56:20,699 --> 00:56:18,069
became loosened the last major computer

1208
00:56:25,140 --> 00:56:20,709
program was called plan 9 from Bell Labs

1209
00:56:26,969 --> 00:56:25,150
and its mascot was with an alien a

1210
00:56:29,400 --> 00:56:26,979
connection to the seance that channeled

1211
00:56:31,829 --> 00:56:29,410
the nine maybe Arthur Young was in that

1212
00:56:36,809 --> 00:56:31,839
group and he worked for Bell Labs yeah

1213
00:56:39,989 --> 00:56:36,819

and exactly so like literally you need a

1214

00:56:42,900 --> 00:56:39,999

spreadsheet like a flow chart mm-hmm to

1215

00:56:44,549 --> 00:56:42,910

make all these connections but let me

1216

00:56:47,069 --> 00:56:44,559

just boil this all down for people

1217

00:56:48,920 --> 00:56:47,079

because they're probably just like what

1218

00:56:53,839 --> 00:56:48,930

the hell is this guy talk about

1219

00:56:57,799 --> 00:56:53,849

basically there is a very strong and

1220

00:57:00,930 --> 00:56:57,809

definitive connection between what is

1221

00:57:02,729 --> 00:57:00,940

not just mythology you know not just

1222

00:57:04,410 --> 00:57:02,739

like what you see on ancient aliens or

1223

00:57:06,209 --> 00:57:04,420

they just take like sort of random myths

1224

00:57:08,910 --> 00:57:06,219

and say old what they really meant was

1225

00:57:12,049 --> 00:57:08,920

that it was a spaceship you know not no

1226

00:57:15,390 --> 00:57:12,059

not that I'm talking about mystery cult

1227

00:57:19,309 --> 00:57:15,400

where you had to be initiated this was

1228

00:57:24,329 --> 00:57:19,319

all secret between mystery cults

1229

00:57:27,989 --> 00:57:24,339

symbolism quote-unquote alien technology

1230

00:57:32,579 --> 00:57:27,999

and phenomena and then high-technology

1231

00:57:36,329 --> 00:57:32,589

and then this combination is now

1232

00:57:38,189 --> 00:57:36,339

bleeding over into our politics now

1233

00:57:42,870 --> 00:57:38,199

here's the thing I began writing about

1234

00:57:46,130 --> 00:57:42,880

this and I didn't even know why but

1235

00:57:49,440 --> 00:57:46,140

I believe very strongly that this all

1236

00:57:52,109 --> 00:57:49,450

bled over into our political arena in a

1237

00:57:54,269 --> 00:57:52,119

big bad way I mean I haven't sort of

1238

00:57:57,359 --> 00:57:54,279

nailed this down this connection down I

1239

00:58:00,690 --> 00:57:57,369

will in my next post but Hillary stuck

1240

00:58:04,140 --> 00:58:00,700

her nose she basically stuck her nose in

1241

00:58:06,359 --> 00:58:04,150

in area 51 and they cut it off for her

1242

00:58:08,460 --> 00:58:06,369

you know I'm saying and that's basically

1243

00:58:09,660 --> 00:58:08,470

what happened here and she was someone

1244

00:58:11,190 --> 00:58:09,670

that you would have thought I think a

1245

00:58:12,900 --> 00:58:11,200

lot of people in their rudimentary

1246

00:58:14,999 --> 00:58:12,910

understanding this of these things would

1247

00:58:18,569 --> 00:58:15,009

have thought that she was kind of above

1248

00:58:23,940 --> 00:58:18,579

that you know what this is this is what

1249

00:58:28,680 --> 00:58:23,950

scares me like literally because this is

1250

00:58:32,730 --> 00:58:28,690

obviously a higher level above you know

1251

00:58:34,769 --> 00:58:32,740

yeah the bushes and the Clintons and the

1252

00:58:37,950 --> 00:58:34,779

saw roses and all these other people

1253

00:58:40,019 --> 00:58:37,960

there's obviously somebody who can take

1254

00:58:43,980 --> 00:58:40,029

a stroll through George Soros his email

1255

00:58:47,789 --> 00:58:43,990

and put it up on the internet without

1256

00:58:53,400 --> 00:58:47,799

any repercussions whatsoever right who

1257

00:58:56,190 --> 00:58:53,410

has the power to do that honestly I mean

1258

00:58:58,680 --> 00:58:56,200

when you begin to think about that it's

1259

00:59:01,650 --> 00:58:58,690

rather frightening and the interesting

1260

00:59:03,779 --> 00:59:01,660

thing is is that um when loosened

1261

00:59:05,249 --> 00:59:03,789

changed over it or when 18 when bell

1262

00:59:08,130 --> 00:59:05,259

labs change over to loosen my wife was

1263

00:59:09,690 --> 00:59:08,140

actually working there so I was driving

1264

00:59:11,279 --> 00:59:09,700

you know we only had one car at the time

1265

00:59:12,749 --> 00:59:11,289

so I was dropping her off there all the

1266

00:59:17,039 --> 00:59:12,759

time you know sort of like picking up

1267

00:59:20,160 --> 00:59:17,049

that vibe but talk about the political

1268

00:59:23,630 --> 00:59:20,170

world sort of bleeding over here collie

1269

00:59:27,150 --> 00:59:23,640

Fiorina who ran for the Republican

1270

00:59:28,470 --> 00:59:27,160

nomination for president was I think

1271

00:59:30,450 --> 00:59:28,480

she's the one to blame

1272

00:59:33,569 --> 00:59:30,460

I think she's basically the one who

1273

00:59:36,630 --> 00:59:33,579

destroyed Lucent Technologies like we

1274

00:59:38,819 --> 00:59:36,640

had had loosened stock and at one point

1275

00:59:40,349 --> 00:59:38,829

it was like I think it was like \$66 and

1276

00:59:41,700 --> 00:59:40,359

I told my wife because this is when the

1277

00:59:43,230 --> 00:59:41,710

dot-com crash and everything was

1278

00:59:45,390 --> 00:59:43,240

happening I told my wife I said cash out

1279

00:59:47,670 --> 00:59:45,400

on that stock now and she's like well I

1280

00:59:51,299 --> 00:59:47,680

heard it's going up to 99 I said no cash

1281

00:59:53,490 --> 00:59:51,309

out on it now and like a month later it

1282

00:59:56,430 --> 00:59:53,500

was like a nine cents or something to

1283

00:59:59,339 --> 00:59:56,440

him yeah it was it was brutal

1284

01:00:02,760 --> 00:59:59,349

um yeah I you know it's really familiar

1285

01:00:05,220 --> 01:00:02,770

with that stuff from the inside as much

1286

01:00:09,470 --> 01:00:05,230

as possible and it's really interesting

1287

01:00:12,750 --> 01:00:09,480

too because I mean Lucent is owned by a

1288

01:00:14,339 --> 01:00:12,760

Nokia now and you know it's just goes to

1289

01:00:18,150 --> 01:00:14,349

show you that the you know that whole

1290

01:00:20,370 --> 01:00:18,160

world of international corporate power

1291

01:00:23,309 --> 01:00:20,380

is so incestuous

1292

01:00:26,790 --> 01:00:23,319

and so transnational yeah you know this

1293

01:00:28,950 --> 01:00:26,800

is the power behind globalism it's not

1294

01:00:32,190 --> 01:00:28,960

this kumbaya we're all going to be

1295

01:00:35,730 --> 01:00:32,200

brothers kind of business it's all about

1296

01:00:38,089 --> 01:00:35,740

the fact that these corporations are all

1297

01:00:41,339 --> 01:00:38,099

transnational that they don't respect

1298

01:00:45,180 --> 01:00:41,349

international borders they find national

1299

01:00:47,520 --> 01:00:45,190

borders to be a nuisance a nuisance and

1300

01:00:51,180 --> 01:00:47,530

it's interesting too because Bernie

1301
01:00:53,670 --> 01:00:51,190
Sanders was very frank about this I

1302
01:00:56,520 --> 01:00:53,680
guess before he got the talk you know he

1303
01:00:59,220 --> 01:00:56,530
said this whole open borders business

1304
01:01:01,380 --> 01:00:59,230
this is the Koch brothers this isn't you

1305
01:01:04,859 --> 01:01:01,390
know this isn't liberalism this is this

1306
01:01:06,329 --> 01:01:04,869
is a Wall Street so they want to consume

1307
01:01:08,849 --> 01:01:06,339
everything until there's just one thing

1308
01:01:11,970 --> 01:01:08,859
yeah they just you know it's like a

1309
01:01:13,770 --> 01:01:11,980
drain and drop program this has just

1310
01:01:17,370 --> 01:01:13,780
been a really fascinating year because

1311
01:01:19,260 --> 01:01:17,380
so many of the the streams that I've

1312
01:01:20,849 --> 01:01:19,270
been studying all the little side

1313
01:01:23,010 --> 01:01:20,859

streets that I've been exploring have

1314

01:01:24,839 --> 01:01:23,020

become like the Main Street mm-hmm and

1315

01:01:27,839 --> 01:01:24,849

and I don't know how much of it is

1316

01:01:30,510 --> 01:01:27,849

taking seriously by other researches I

1317

01:01:32,579 --> 01:01:30,520

think a lot of people still look in

1318

01:01:34,710 --> 01:01:32,589

particular directions but you know the

1319

01:01:36,690 --> 01:01:34,720

thing was with the models that I work

1320

01:01:38,730 --> 01:01:36,700

with their predictive it's like I know

1321

01:01:44,490 --> 01:01:38,740

where things are going to go because I

1322

01:01:46,740 --> 01:01:44,500

see the patterns from past events mm-hmm

1323

01:01:48,960 --> 01:01:46,750

I just wanted to close the the Roswell

1324

01:01:51,270 --> 01:01:48,970

loop real quick so sure we have this

1325

01:01:53,520 --> 01:01:51,280

this ancient story of Cadmus and the

1326

01:01:57,120 --> 01:01:53,530

Well of Souls we have Roswell beetles

1327

01:01:59,490 --> 01:01:57,130

Mars or I'm sorry the well Mars slip and

1328

01:02:02,130 --> 01:01:59,500

then we have the 34th parallel which is

1329

01:02:03,809 --> 01:02:02,140

the same whereas we see Baalbek and it's

1330

01:02:06,180 --> 01:02:03,819

just it's odd I mean it seems like

1331

01:02:08,550 --> 01:02:06,190

they're trying to set up conditions to

1332

01:02:10,320 --> 01:02:08,560

mirror ancient texts or ancient stories

1333

01:02:11,670 --> 01:02:10,330

is that the indication that you

1334

01:02:14,480 --> 01:02:11,680

well I think that's always the

1335

01:02:16,740 --> 01:02:14,490

indication it's job you know what uh

1336

01:02:19,500 --> 01:02:16,750

what I what I call getting their

1337

01:02:24,150 --> 01:02:19,510

attention you know what I mean it's it's

1338

01:02:27,090 --> 01:02:24,160

pulling off big events in signing you

1339

01:02:29,430 --> 01:02:27,100

know the names of various figures that

1340

01:02:32,070 --> 01:02:29,440

you're trying to appeal to it's

1341

01:02:33,150 --> 01:02:32,080

basically the modus operandi of the

1342

01:02:36,150 --> 01:02:33,160

space program

1343

01:02:40,590 --> 01:02:36,160

I mean why why on earth would you call

1344

01:02:43,080 --> 01:02:40,600

that program a Syrus Rex it's the most

1345

01:02:46,380 --> 01:02:43,090

tortured acronym I think I've ever seen

1346

01:02:48,060 --> 01:02:46,390

in my life it's a it's it's absurd but

1347

01:02:50,790 --> 01:02:48,070

it's like no we have to call us as high

1348

01:02:52,440 --> 01:02:50,800

as Rex will make it fit you know I mean

1349

01:02:54,690 --> 01:02:52,450

I think the same thing with the Lucifer

1350

01:02:59,510 --> 01:02:54,700

telescope exactly you know I mean it's

1351
01:03:03,440 --> 01:02:59,520
like they want to call upon these powers

1352
01:03:06,330 --> 01:03:03,450
they want to channel this energy and

1353
01:03:08,130 --> 01:03:06,340
part of it is this naming and this goes

1354
01:03:10,500 --> 01:03:08,140
back I mean this goes back to the whole

1355
01:03:12,600 --> 01:03:10,510
idea of names you know what I mean I

1356
01:03:15,000 --> 01:03:12,610
mean you name something you name

1357
01:03:17,850 --> 01:03:15,010
somebody something or something or place

1358
01:03:20,730 --> 01:03:17,860
that the whole idea of naming to begin

1359
01:03:25,140 --> 01:03:20,740
with is was with a you know a way a

1360
01:03:27,420 --> 01:03:25,150
magical art of accruing power you know

1361
01:03:29,910 --> 01:03:27,430
what I'm saying it's like I am running

1362
01:03:32,040 --> 01:03:29,920
Fox well that means you want to be

1363
01:03:34,350 --> 01:03:32,050

speedy you want to be stealthy you want

1364

01:03:38,160 --> 01:03:34,360

to have that energy you know what I'm

1365

01:03:39,630 --> 01:03:38,170

saying it's like I am proud bull you

1366

01:03:42,210 --> 01:03:39,640

know trying to invoke those

1367

01:03:45,000 --> 01:03:42,220

characteristics yeah it's it's it's it

1368

01:03:46,590 --> 01:03:45,010

exactly what you you put your finger on

1369

01:03:49,470 --> 01:03:46,600

the button there it's the art of

1370

01:03:51,600 --> 01:03:49,480

invocation I believe that this whole

1371

01:03:55,230 --> 01:03:51,610

thing with Roswell like why would you

1372

01:03:58,920 --> 01:03:55,240

put you know all the nuclear bombs in

1373

01:04:02,400 --> 01:03:58,930

like this Army Air Force Base well

1374

01:04:04,740 --> 01:04:02,410

because Roswell ties back to the well of

1375

01:04:07,470 --> 01:04:04,750

Mars its Mars you're trying to invoke

1376

01:04:10,230 --> 01:04:07,480

Mars that's why you see what I'm saying

1377

01:04:13,320 --> 01:04:10,240

yeah that's why I really very strongly

1378

01:04:15,140 --> 01:04:13,330

believe that it was a ritual and the

1379

01:04:17,790 --> 01:04:15,150

whole thing with general ramey the RAM

1380

01:04:20,610 --> 01:04:17,800

Jupiter Oman you know and it's like

1381

01:04:23,040 --> 01:04:20,620

calling on very powerful gods and these

1382

01:04:25,230 --> 01:04:23,050

gods go back Allah

1383

01:04:27,330 --> 01:04:25,240

way before Jehovah and all these other

1384

01:04:29,970 --> 01:04:27,340

figures you know I told you about this

1385

01:04:31,650 --> 01:04:29,980

figure that he goes by a number of

1386

01:04:35,900 --> 01:04:31,660

different names whether you're looking

1387

01:04:38,610 --> 01:04:35,910

at it from a Babylonian or Sumerian or

1388

01:04:40,500 --> 01:04:38,620

Akkadian and it's interesting because

1389

01:04:43,170 --> 01:04:40,510

there's an invocation to this figure and

1390

01:04:45,990 --> 01:04:43,180

the Simon decrement icon as well this

1391

01:04:48,750 --> 01:04:46,000

character what he's called gira or bill

1392

01:04:51,900 --> 01:04:48,760

or era you know number of different

1393

01:04:53,340 --> 01:04:51,910

names Isom this ancient lucifer figure

1394

01:04:55,320 --> 01:04:53,350

that i'm that i discussed at the

1395

01:04:59,550 --> 01:04:55,330

beginning of the year the program now

1396

01:05:02,120 --> 01:04:59,560

this figure goes back at least I mean we

1397

01:05:06,720 --> 01:05:02,130

have written evidence of this figure

1398

01:05:09,510 --> 01:05:06,730

2500 years before Christ okay now he's

1399

01:05:11,280 --> 01:05:09,520

called the Shepherd of God 2500 years

1400

01:05:13,290 --> 01:05:11,290

before Christ who do you think came

1401

01:05:15,300 --> 01:05:13,300

first you know it's like you know the

1402

01:05:16,620 --> 01:05:15,310

people who wrote the Bible where do you

1403

01:05:18,150 --> 01:05:16,630

think they were getting all this

1404

01:05:20,640 --> 01:05:18,160

information from they were getting from

1405

01:05:23,610 --> 01:05:20,650

the library of Babylon you know what I

1406

01:05:25,620 --> 01:05:23,620

mean it's like so it's the same process

1407

01:05:29,700 --> 01:05:25,630

it's drawing upon these very ancient

1408

01:05:32,190 --> 01:05:29,710

powerful energies to appropriate that

1409

01:05:34,200 --> 01:05:32,200

power for yourself right it's human

1410

01:05:36,120 --> 01:05:34,210

nature it's something that

1411

01:05:40,740 --> 01:05:36,130

anthropologists and psychologists will

1412

01:05:44,030 --> 01:05:40,750

have to explain but I would argue that

1413

01:05:47,040 --> 01:05:44,040

it most certainly has magical

1414

01:05:50,340 --> 01:05:47,050

repercussions that it produces results

1415

01:05:52,320 --> 01:05:50,350

and it why do I say that because if it

1416

01:05:54,720 --> 01:05:52,330

didn't people wouldn't do it anymore

1417

01:05:56,850 --> 01:05:54,730

mhmmm you know people don't be cute on

1418

01:05:58,530 --> 01:05:56,860

me tea leaves anymore mm-hmm

1419

01:06:01,590 --> 01:05:58,540

they're all kind of magical practices

1420

01:06:04,320 --> 01:06:01,600

that that aren't in use anymore you know

1421

01:06:08,340 --> 01:06:04,330

what I mean right and some that are yeah

1422

01:06:12,120 --> 01:06:08,350

the whole psychological explanation for

1423

01:06:14,760 --> 01:06:12,130

these practices really doesn't pan out

1424

01:06:16,590 --> 01:06:14,770

because you have to wonder like well why

1425

01:06:18,750 --> 01:06:16,600

do people still work with tarot decks

1426

01:06:21,390 --> 01:06:18,760

well because they're happy with the

1427

01:06:23,820 --> 01:06:21,400

results you know what I mean I mean

1428

01:06:25,050 --> 01:06:23,830

puris people don't really least in the

1429

01:06:26,670 --> 01:06:25,060

West I mean you don't see a lot of

1430

01:06:28,230 --> 01:06:26,680

people working with I Ching I mean there

1431

01:06:31,290 --> 01:06:28,240

are a lot of divination systems that

1432

01:06:33,750 --> 01:06:31,300

people just don't use but they still use

1433

01:06:34,380 --> 01:06:33,760

astrology they still use the Tarot you

1434

01:06:37,799 --> 01:06:34,390

know they still

1435

01:06:40,319 --> 01:06:37,809

use a Ouija boards why do they use them

1436

01:06:42,120 --> 01:06:40,329

because they work you know as far as

1437

01:06:43,859 --> 01:06:42,130

they're concerned you know I mean if

1438

01:06:47,190 --> 01:06:43,869

they didn't work they wouldn't be used

1439

01:06:49,470 --> 01:06:47,200

yep so let me ask you about if we get

1440

01:06:51,269 --> 01:06:49,480

into technology today there's a lot of

1441

01:06:54,450 --> 01:06:51,279

people that get caught up in the latest

1442

01:06:56,039 --> 01:06:54,460

apps and VR but in areas where is where

1443

01:06:58,019 --> 01:06:56,049

it really counts I mean you're pretty

1444

01:06:59,460 --> 01:06:58,029

critical saying that innovation seems to

1445

01:07:01,650 --> 01:06:59,470

be long dead what are your thoughts on

1446

01:07:05,400 --> 01:07:01,660

Silicon Valley and what's happening see

1447

01:07:07,890 --> 01:07:05,410

that isn't just me the only major figure

1448

01:07:09,420 --> 01:07:07,900

in Silicon Valley who supported Donald

1449

01:07:11,039 --> 01:07:09,430

Trump is a guy named Peter Thiel and

1450

01:07:13,650 --> 01:07:11,049

he's one of the founders of PayPal and

1451

01:07:16,049 --> 01:07:13,660

he also runs this security company

1452

01:07:18,420 --> 01:07:16,059

called Talent here and you know he says

1453

01:07:21,930 --> 01:07:18,430

that we haven't had real innovation in

1454

01:07:24,930 --> 01:07:21,940

40 years or maybe even 45 years he said

1455

01:07:26,789 --> 01:07:24,940

since the early 1970s everything that

1456

01:07:30,000 --> 01:07:26,799

would they're working with now say

1457

01:07:32,420 --> 01:07:30,010

snapchat and instant messaging and all

1458

01:07:34,559 --> 01:07:32,430

this kind of stuff these are all

1459

01:07:38,579 --> 01:07:34,569

refinements of technologies that were

1460

01:07:40,799 --> 01:07:38,589

being developed in the 60s like in

1461

01:07:42,870 --> 01:07:40,809

literally in the 1960s you know we

1462

01:07:46,079 --> 01:07:42,880

talked about this guy Vannevar Bush okay

1463

01:07:49,319 --> 01:07:46,089

the guy who is provably through

1464

01:07:50,999 --> 01:07:49,329

government documents at least was known

1465

01:07:54,150 --> 01:07:51,009

to be interested in studying UFO

1466

01:07:55,710 --> 01:07:54,160

technology at the same time he's deeply

1467

01:07:58,099 --> 01:07:55,720

connected to the development of

1468

01:08:00,289 --> 01:07:58,109

transistor and all the rest of it he

1469

01:08:04,490 --> 01:08:00,299

basically

1470

01:08:08,839 --> 01:08:04,500

conceptualized the world wide web in the

1471

01:08:11,789 --> 01:08:08,849

1940s okay he wrote a very famous essay

1472

01:08:14,819 --> 01:08:11,799

that conceptualized the the world wide

1473

01:08:19,249 --> 01:08:14,829

web all the way back then so there's

1474

01:08:22,979 --> 01:08:19,259

been a whole movement of very brave

1475

01:08:24,930 --> 01:08:22,989

sociologists professors all these kind

1476

01:08:27,240 --> 01:08:24,940

of people are saying you know what all

1477

01:08:30,390 --> 01:08:27,250

the [h__\h] you're reading about technology

1478

01:08:32,910 --> 01:08:30,400

and science and all the rest of it none

1479

01:08:34,169 --> 01:08:32,920

of it is true and this is something that

1480

01:08:37,110 --> 01:08:34,179

I've been talking about for years

1481

01:08:39,870 --> 01:08:37,120

because I was reading wired back in the

1482

01:08:42,479 --> 01:08:39,880

early 90s I was reading mondo 2000 you

1483

01:08:45,599 --> 01:08:42,489

know I was always like every time DARPA

1484

01:08:47,400 --> 01:08:45,609

put out a headline I mean I just counted

1485

01:08:50,760 --> 01:08:47,410

the amount of headlines the DARPA put

1486

01:08:53,010 --> 01:08:50,770

out that never appear you know that

1487

01:08:55,530 --> 01:08:53,020

never hit the market or never hit the

1488

01:08:59,130 --> 01:08:55,540

battlefield oh you know you name it and

1489

01:09:01,709 --> 01:08:59,140

the thing is is that all these articles

1490

01:09:03,479 --> 01:09:01,719

that people put in their Facebook feeds

1491

01:09:06,240 --> 01:09:03,489

and and I think it's starting to sort of

1492

01:09:08,450 --> 01:09:06,250

died down a bit but you know all this I

1493

01:09:11,700 --> 01:09:08,460

I [h__h] love science kind of stuff

1494

01:09:14,340 --> 01:09:11,710

when you actually read the articles

1495

01:09:18,120 --> 01:09:14,350

they're so filled with qualifiers and

1496

01:09:21,300 --> 01:09:18,130

and walk backs and oh maybe this will

1497

01:09:22,740 --> 01:09:21,310

happen we'll see you know it's like say

1498

01:09:24,930 --> 01:09:22,750

an example it's like you know you will

1499

01:09:27,269 --> 01:09:24,940

grow two heads in the future and it's

1500

01:09:29,820 --> 01:09:27,279

like oh my god it'll be amazing and it's

1501

01:09:32,280 --> 01:09:29,830

like it's like well if the technology

1502

01:09:34,019 --> 01:09:32,290

emerges it will allow you to grow two

1503

01:09:35,970 --> 01:09:34,029

heads you'll grow two heads I mean like

1504

01:09:37,769 --> 01:09:35,980

literally that's like the article it's

1505

01:09:40,470 --> 01:09:37,779

like yeah it's that amount of

1506

01:09:42,240 --> 01:09:40,480

foolishness smoke and mirrors it's smoke

1507

01:09:44,870 --> 01:09:42,250

and mirrors because it's it has a

1508

01:09:49,740 --> 01:09:44,880

political it reminds me very much of

1509

01:09:52,820 --> 01:09:49,750

like late Soviet propagandizing my wife

1510

01:09:55,530 --> 01:09:52,830

had given me some Soviet world magazines

1511

01:09:57,270 --> 01:09:55,540

because they had some stuff on Mars and

1512

01:09:59,070 --> 01:09:57,280

some interesting things on the space

1513

01:10:01,709 --> 01:09:59,080

program you know it's interesting that

1514

01:10:04,709 --> 01:10:01,719

our modern version of the Soviet

1515

01:10:06,419 --> 01:10:04,719

government the Obama administration was

1516

01:10:08,820 --> 01:10:06,429

also pushing this whole thing with Mars

1517

01:10:10,860 --> 01:10:08,830

and all of the rest of it you know this

1518

01:10:13,709 --> 01:10:10,870

whole like techno hype and techno

1519

01:10:14,400 --> 01:10:13,719

worship and everything it's part of this

1520

01:10:19,920 --> 01:10:14,410

whole

1521

01:10:22,650 --> 01:10:19,930

false concept of futurism of progress

1522

01:10:24,750 --> 01:10:22,660

being a straight line a linear process

1523

01:10:27,420 --> 01:10:24,760

that's that's constantly going up and

1524

01:10:29,840 --> 01:10:27,430

when you really look at progress it's a

1525

01:10:32,220 --> 01:10:29,850

scribbly line that has a lot of sharp

1526

01:10:35,070 --> 01:10:32,230

lines going backwards and things like

1527

01:10:36,360 --> 01:10:35,080

that I mean the thing is is that I mean

1528

01:10:38,370 --> 01:10:36,370

I'm older than you

1529

01:10:43,830 --> 01:10:38,380

I'm older than probably a lot of your

1530

01:10:45,480 --> 01:10:43,840

audience okay so I grew up really just

1531

01:10:48,090 --> 01:10:45,490

as a lot of this technology we're

1532

01:10:50,250 --> 01:10:48,100

starting to dig in here's an example

1533

01:10:53,010 --> 01:10:50,260

it's like when I was a kid like the big

1534

01:10:54,990 --> 01:10:53,020

thing was pong okay like how great

1535

01:10:56,430 --> 01:10:55,000

because you could play like you didn't

1536

01:10:58,320 --> 01:10:56,440

you didn't need like somebody to play

1537

01:11:00,150 --> 01:10:58,330

against you could just play the Machine

1538

01:11:02,880 --> 01:11:00,160

you know I was playing games like

1539

01:11:05,610 --> 01:11:02,890

Seawolf and later on I was playing like

1540

01:11:08,390 --> 01:11:05,620

asteroids and space invaders and stuff

1541

01:11:13,110 --> 01:11:08,400

like that really super primitive stuff

1542

01:11:16,080 --> 01:11:13,120

but it was so new it was so different it

1543

01:11:21,420 --> 01:11:16,090

was just like you could play Monopoly

1544

01:11:24,720 --> 01:11:21,430

or solitaire or tinker toys or you could

1545

01:11:26,910 --> 01:11:24,730

play Seawolf I mean just like it was a

1546

01:11:27,300 --> 01:11:26,920

paradigm shift right you know what I

1547

01:11:30,390 --> 01:11:27,310

mean

1548

01:11:34,580 --> 01:11:30,400

the technocrats have been trying to sell

1549

01:11:38,160 --> 01:11:34,590

this whole concept of a never-ending

1550

01:11:40,980 --> 01:11:38,170

paradigm shift but this is where I start

1551

01:11:44,150 --> 01:11:40,990

to just question the whole nature of

1552

01:11:47,520 --> 01:11:44,160

this paradigm shift because you saw

1553

01:11:49,710 --> 01:11:47,530

basically a static line of technological

1554

01:11:51,360 --> 01:11:49,720

advancement you know maybe going up

1555

01:11:54,390 --> 01:11:51,370

maybe going down maybe going up maybe

1556

01:11:56,280 --> 01:11:54,400

going down you know over a couple of

1557

01:12:00,300 --> 01:11:56,290

millennia and then the line shoots

1558

01:12:02,910 --> 01:12:00,310

straight up right after 1947 oh gee what

1559

01:12:05,610 --> 01:12:02,920

happened then right interesting I mean

1560

01:12:09,720 --> 01:12:05,620

I'm not saying that you know they

1561

01:12:11,850 --> 01:12:09,730

reversed spacecraft technology I don't

1562

01:12:13,910 --> 01:12:11,860

necessarily believe that's true but I

1563

01:12:17,110 --> 01:12:13,920

believe that something happened

1564

01:12:19,180 --> 01:12:17,120

extraordinary something that

1565

01:12:22,420 --> 01:12:19,190

would freak people the hell out if they

1566

01:12:25,660 --> 01:12:22,430

if they actually understood we may never

1567

01:12:27,670 --> 01:12:25,670

actually know how it went down you know

1568

01:12:29,740 --> 01:12:27,680

what I mean we can only speculate but I

1569

01:12:33,100 --> 01:12:29,750

do think it has to do with non-human

1570

01:12:35,140 --> 01:12:33,110

intelligences absolutely absolutely I

1571

01:12:37,930 --> 01:12:35,150

don't know who they are I don't know how

1572

01:12:40,570 --> 01:12:37,940

they how they operate but somehow they

1573

01:12:43,780 --> 01:12:40,580

decided okay now now it's the time for

1574

01:12:44,260 --> 01:12:43,790

this to click in mm-hmm yeah you know

1575

01:12:46,240 --> 01:12:44,270

what I mean

1576

01:12:51,790 --> 01:12:46,250

because the line just shot straight up

1577

01:12:52,450 --> 01:12:51,800

but the problem is is that since Xerox

1578

01:12:56,170 --> 01:12:52,460

PARC

1579

01:12:58,630 --> 01:12:56,180

and the personal computer and all the

1580

01:13:01,390 --> 01:12:58,640

rest of it it's just been incremental

1581

01:13:03,910 --> 01:13:01,400

all they've been doing is just little

1582

01:13:05,380 --> 01:13:03,920

touch-ups up at the at the edges right

1583

01:13:07,570 --> 01:13:05,390

where's the advancements in energy

1584

01:13:09,240 --> 01:13:07,580

transportation space travel you know

1585

01:13:12,250 --> 01:13:09,250

rockets are the same as they were then

1586

01:13:15,190 --> 01:13:12,260

essentially exactly so there's this

1587

01:13:19,060 --> 01:13:15,200

whole idea of the e/m drives I don't

1588

01:13:22,750 --> 01:13:19,070

know how much of it is still theoretical

1589

01:13:26,590 --> 01:13:22,760

there's a lot of science that can work

1590

01:13:29,170 --> 01:13:26,600

like gangbusters on paper but once you

1591

01:13:30,850 --> 01:13:29,180

get to the application stage it requires

1592

01:13:34,420 --> 01:13:30,860

too much energy you know blah blah blah

1593

01:13:37,810 --> 01:13:34,430

there's just too much qualification that

1594

01:13:40,420 --> 01:13:37,820

makes it untenable now here's the thing

1595

01:13:42,040 --> 01:13:40,430

interestingly enough electromagnetic and

1596

01:13:44,260 --> 01:13:42,050

electric grid expand all the stuff and

1597

01:13:45,940 --> 01:13:44,270

these are things that people in the u.s.

1598

01:13:50,110 --> 01:13:45,950

follow G field I've been talking you

1599

01:13:52,480 --> 01:13:50,120

know as relates to recovered and reverse

1600

01:13:54,340 --> 01:13:52,490

engineered technology for a number of

1601
01:13:56,710 --> 01:13:54,350
years so I mean we'll just put that

1602
01:14:00,610 --> 01:13:56,720
aside I'll just table that for now but

1603
01:14:03,220 --> 01:14:00,620
the point is is that we're not going to

1604
01:14:05,320 --> 01:14:03,230
work in jetpacks cars are essentially

1605
01:14:05,860 --> 01:14:05,330
the same as they've been for 50 or 60

1606
01:14:07,870 --> 01:14:05,870
years

1607
01:14:11,860 --> 01:14:07,880
I mean refrigerated and essentially the

1608
01:14:14,260 --> 01:14:11,870
same dishwashers actually our Public

1609
01:14:16,210 --> 01:14:14,270
Works infrastructure is deteriorating

1610
01:14:20,770 --> 01:14:16,220
it's getting worse

1611
01:14:22,780 --> 01:14:20,780
you know bridges water gas electric it's

1612
01:14:24,280 --> 01:14:22,790
in serious trouble I mean that's one

1613
01:14:26,470 --> 01:14:24,290

thing that the Trump was actually

1614

01:14:28,420 --> 01:14:26,480

dead-on about is that we've got some

1615

01:14:30,040 --> 01:14:28,430

serious major problems with with our

1616

01:14:30,930 --> 01:14:30,050

infrastructure in the United States

1617

01:14:34,410 --> 01:14:30,940

right

1618

01:14:36,990 --> 01:14:34,420

it's deteriorating and it threatens you

1619

01:14:39,000 --> 01:14:37,000

know our economic future mm-hmm what

1620

01:14:41,550 --> 01:14:39,010

about the argument that for the past

1621

01:14:42,540 --> 01:14:41,560

couple decades all the technologies we

1622

01:14:44,580 --> 01:14:42,550

don't see them because they've gone

1623

01:14:46,230 --> 01:14:44,590

underground deep state projects I'll

1624

01:14:47,880 --> 01:14:46,240

rake away civilization stuff do you

1625

01:14:50,700 --> 01:14:47,890

think those claims might be overinflated

1626

01:14:53,160 --> 01:14:50,710

I think they're overinflated but I but

1627

01:14:54,360 --> 01:14:53,170

like I said I mean get back to what I

1628

01:14:58,230 --> 01:14:54,370

was saying about Hillary and John

1629

01:15:01,350 --> 01:14:58,240

Podesta I think that there is a core of

1630

01:15:04,980 --> 01:15:01,360

truth to them I think that there is wild

1631

01:15:08,160 --> 01:15:04,990

speculation pasted on to them I'll give

1632

01:15:10,340 --> 01:15:08,170

you a perfect example now this is an

1633

01:15:12,660 --> 01:15:10,350

example I always like to bring up in

1634

01:15:14,100 --> 01:15:12,670

1966 which seems to be a very crucial

1635

01:15:17,460 --> 01:15:14,110

year because that's also the other name

1636

01:15:21,590 --> 01:15:17,470

chaos and kicked in in 1966

1637

01:15:26,180 --> 01:15:21,600

we saw the secret technology of the

1638

01:15:29,580 --> 01:15:26,190

sr-71 blackbird emerge from skunk works

1639

01:15:33,930 --> 01:15:29,590

this is a plane that has yet to be

1640

01:15:37,260 --> 01:15:33,940

equalled so 50 years ago the greatest

1641

01:15:40,770 --> 01:15:37,270

form of human transportation that has

1642

01:15:44,190 --> 01:15:40,780

ever been unleashed was Unleashed you

1643

01:15:48,630 --> 01:15:44,200

know it could outrun anything flying

1644

01:15:50,640 --> 01:15:48,640

today now the Obama administration put

1645

01:15:52,680 --> 01:15:50,650

all its chips behind what was called the

1646

01:15:54,870 --> 01:15:52,690

f-35 program which was supposed to be

1647

01:15:57,720 --> 01:15:54,880

the cutting edge of technology and it's

1648

01:16:00,480 --> 01:15:57,730

turning out to be a dog a lot of our

1649

01:16:02,910 --> 01:16:00,490

allies of stuck with it but there was a

1650

01:16:05,220 --> 01:16:02,920

lot of speculation that the reports of

1651

01:16:07,680 --> 01:16:05,230

this program being a dog or all this

1652

01:16:09,630 --> 01:16:07,690

info to fool the Russians exist and now

1653

01:16:11,010 --> 01:16:09,640

we're seeing that the the a-10 warthog

1654

01:16:12,690 --> 01:16:11,020

isn't going to be replaced and

1655

01:16:14,430 --> 01:16:12,700

everything like that so you know the

1656

01:16:15,690 --> 01:16:14,440

proof is in the pudding it's like if

1657

01:16:18,240 --> 01:16:15,700

they're not going to replace this

1658

01:16:20,790 --> 01:16:18,250

ancient plane you know the thing that

1659

01:16:24,900 --> 01:16:20,800

we're supposed to replace it as a dog so

1660

01:16:29,750 --> 01:16:24,910

I just wonder like okay if we had the

1661

01:16:33,270 --> 01:16:29,760

sr-71 50 years ago 50 years ago mind you

1662

01:16:35,460 --> 01:16:33,280

like what happened after that what's

1663

01:16:37,800 --> 01:16:35,470

happened since you know we've had the b2

1664

01:16:40,440 --> 01:16:37,810

which is which is pretty impressive and

1665

01:16:42,300 --> 01:16:40,450

it's an impressive machine you know all

1666

01:16:45,300 --> 01:16:42,310

these different kind of stealth things

1667

01:16:45,890 --> 01:16:45,310

but still I mean we peaked fifty years

1668

01:16:49,560 --> 01:16:45,900

ago

1669

01:16:52,560 --> 01:16:49,570

why now now the thing is is that I

1670

01:16:57,000 --> 01:16:52,570

believe I do believe that there are more

1671

01:16:58,050 --> 01:16:57,010

that the black world is keeping things

1672

01:17:00,030 --> 01:16:58,060

to themselves

1673

01:17:02,490 --> 01:17:00,040

yeah and I think that there's a major

1674

01:17:04,080 --> 01:17:02,500

power struggle over this and I think

1675

01:17:06,000 --> 01:17:04,090

that you know what they called the

1676

01:17:07,860 --> 01:17:06,010

Rockefeller report that Clinton was

1677

01:17:09,360 --> 01:17:07,870

involved in Lawrence Rockefeller and I

1678

01:17:13,740 --> 01:17:09,370

think Steven Greer got involved with it

1679

01:17:16,980 --> 01:17:13,750

I think this was that world that ended

1680

01:17:19,910 --> 01:17:16,990

the power structure that facet trying to

1681

01:17:23,580 --> 01:17:19,920

sort of muscle in on the action and

1682

01:17:25,560 --> 01:17:23,590

paying the price yeah my problem with a

1683

01:17:28,170 --> 01:17:25,570

lot of conspiracy thinking is this whole

1684

01:17:32,580 --> 01:17:28,180

idea of a monolithic power structure I

1685

01:17:35,250 --> 01:17:32,590

think that that is just not true right

1686

01:17:37,170 --> 01:17:35,260

it's more Game of Thrones I think it was

1687

01:17:38,670 --> 01:17:37,180

literally a game of Thrones right and I

1688

01:17:41,160 --> 01:17:38,680

think we might've just seen the red

1689

01:17:43,860 --> 01:17:41,170

wedding haha it might have taken place

1690

01:17:46,500 --> 01:17:43,870

behind the scenes but you know like I

1691

01:17:49,980 --> 01:17:46,510

said I get a very strange sense there's

1692

01:17:52,560 --> 01:17:49,990

an eerie calm descending of Washington

1693

01:17:55,260 --> 01:17:52,570

right now you know I can strangely

1694

01:17:57,210 --> 01:17:55,270

enough I mean let's just tie this all

1695

01:18:00,150 --> 01:17:57,220

back because I'm going on a lot of

1696

01:18:02,280 --> 01:18:00,160

different tangents here but let me just

1697

01:18:06,210 --> 01:18:02,290

say what this is all really about is

1698

01:18:08,340 --> 01:18:06,220

that all these kind of side streets that

1699

01:18:10,710 --> 01:18:08,350

I've been wandering down led me back

1700

01:18:11,910 --> 01:18:10,720

into the Main Street you know and a lot

1701

01:18:13,410 --> 01:18:11,920

of things that I've been studying that

1702

01:18:16,710 --> 01:18:13,420

people thought were maybe kind of

1703

01:18:18,750 --> 01:18:16,720

eccentric or irrelevant you know you

1704

01:18:20,850 --> 01:18:18,760

should be studying marnark program and

1705

01:18:22,290 --> 01:18:20,860

butterflies and kitten program and all

1706

01:18:24,690 --> 01:18:22,300

this kind of stuff it's like a well you

1707

01:18:26,310 --> 01:18:24,700

know whatever when I started doing the

1708

01:18:28,260 --> 01:18:26,320

whole thing with him pay off and I think

1709

01:18:30,030 --> 01:18:28,270

a lot of people thought like well why is

1710

01:18:33,810 --> 01:18:30,040

he talking about that you know and that

1711

01:18:36,240 --> 01:18:33,820

was 50 years ago well what do we see now

1712

01:18:40,200 --> 01:18:36,250

we see the Satanic temple trying to

1713

01:18:43,800 --> 01:18:40,210

start satanic clubs in elementary

1714

01:18:48,150 --> 01:18:43,810

schools and we see the guy who runs that

1715

01:18:50,820 --> 01:18:48,160

little operation he was a neuroscience

1716

01:18:52,680 --> 01:18:50,830

major at Harvard he's involved with

1717

01:18:55,250 --> 01:18:52,690

people like Richard Dawkins he's

1718

01:18:58,490 --> 01:18:55,260

involved with the false

1719

01:19:02,180 --> 01:18:58,500

memory syndrome foundation which is just

1720

01:19:04,460 --> 01:19:02,190

riddled with pedophiles and CIA and k14

1721

01:19:07,880 --> 01:19:04,470

people you see do you see what I'm

1722

01:19:09,890 --> 01:19:07,890

getting at here it's like I don't know

1723

01:19:11,479 --> 01:19:09,900

why exactly why I started writing about

1724

01:19:13,640 --> 01:19:11,489

that stuff either like I had no idea

1725

01:19:16,490 --> 01:19:13,650

that they were doing an exorcist TV

1726

01:19:19,010 --> 01:19:16,500

series and then that popped up it was

1727

01:19:21,050 --> 01:19:19,020

very it was very interesting that well I

1728

01:19:24,380 --> 01:19:21,060

was in the middle of that like The

1729

01:19:26,300 --> 01:19:24,390

Exorcist thing pops up again so I don't

1730

01:19:28,040 --> 01:19:26,310

know it's just a very it's been a very

1731

01:19:30,050 --> 01:19:28,050

strange year it's been an extremely

1732

01:19:32,930 --> 01:19:30,060

strange year you know it's like for me

1733

01:19:34,400 --> 01:19:32,940

personally and and and in the world and

1734

01:19:36,760 --> 01:19:34,410

I don't think that people really

1735

01:19:39,380 --> 01:19:36,770

understand how strange it is I mean

1736

01:19:40,910 --> 01:19:39,390

maybe it'll take till next year to fit

1737

01:19:42,530 --> 01:19:40,920

you know for the dust is settled but

1738

01:19:43,910 --> 01:19:42,540

like very strange things have been

1739

01:19:46,280 --> 01:19:43,920

happening I mean Donald Trump is

1740

01:19:48,410 --> 01:19:46,290

president think about that I mean just

1741

01:19:51,500 --> 01:19:48,420

like think about that for a minute like

1742

01:19:55,479 --> 01:19:51,510

a guy who like is a couple years ago was

1743

01:19:58,130 --> 01:19:55,489

like on Celebrity Apprentice is now

1744

01:20:01,850 --> 01:19:58,140

ostensibly the most powerful man in the

1745

01:20:03,560 --> 01:20:01,860

world makes no sense this is surreal so

1746

01:20:06,410 --> 01:20:03,570

what I do want to ask you this though in

1747

01:20:07,700 --> 01:20:06,420

terms of the technological halts that we

1748

01:20:10,790 --> 01:20:07,710

are talking about just a few minutes ago

1749

01:20:12,620 --> 01:20:10,800

um the idea that we're in an artificial

1750

01:20:14,510 --> 01:20:12,630

environment has always been interesting

1751

01:20:15,860 --> 01:20:14,520

to me and you tie this into the

1752

01:20:18,200 --> 01:20:15,870

surprising lack of technological

1753

01:20:21,380 --> 01:20:18,210

achievements lately in your astro

1754

01:20:23,840 --> 01:20:21,390

gnostic posts saying things like one has

1755

01:20:25,910 --> 01:20:23,850

to wonder what would a world in which

1756

01:20:27,590 --> 01:20:25,920

humanity were trapped or quarantine on a

1757

01:20:29,450 --> 01:20:27,600

prison planet looked like maybe our

1758

01:20:31,729 --> 01:20:29,460

spacecraft would be subject to constant

1759

01:20:33,590 --> 01:20:31,739

monitoring harassment maybe after 60

1760

01:20:35,060 --> 01:20:33,600

years of trying we'd be no closer to

1761

01:20:37,220 --> 01:20:35,070

breaking Earth's orbit than we were when

1762

01:20:39,350 --> 01:20:37,230

we started and maybe our most ambitious

1763

01:20:41,600 --> 01:20:39,360

attempts to jailbreak earth would be

1764

01:20:44,450 --> 01:20:41,610

subject to devastating acts of sabotage

1765

01:20:45,920 --> 01:20:44,460

sightings a SpaceX launch and certain

1766

01:20:48,830 --> 01:20:45,930

experiments they've had wrenches thrown

1767

01:20:50,720 --> 01:20:48,840

in the Columbia yeah I love that stuff I

1768

01:20:52,760 --> 01:20:50,730

mean do you think it's getting easier to

1769

01:20:54,650 --> 01:20:52,770

make the case that we might be on some

1770

01:20:56,930 --> 01:20:54,660

type of quarantine situation with these

1771

01:20:59,990 --> 01:20:56,940

over Watchers not really allowing us to

1772

01:21:02,030 --> 01:21:00,000

get beyond our little snow globe well

1773

01:21:05,450 --> 01:21:02,040

here's the thing who made that argument

1774

01:21:08,300 --> 01:21:05,460

a hundred years ago Charles Ford hmm

1775

01:21:08,520 --> 01:21:08,310

okay I mean let me just give credit

1776

01:21:11,610 --> 01:21:08,530

where

1777

01:21:15,360 --> 01:21:11,620

credit is due I did not invent that

1778

01:21:16,650 --> 01:21:15,370

whole way of looking at the world you

1779

01:21:19,680 --> 01:21:16,660

know that groundwork had been laid for

1780

01:21:21,360 --> 01:21:19,690

for all of us you really have to wonder

1781

01:21:24,540 --> 01:21:21,370

because the interesting thing to me is

1782

01:21:26,760 --> 01:21:24,550

that we find out that Elon Musk is

1783

01:21:28,710 --> 01:21:26,770

starting to talk about maybe we're

1784

01:21:30,750 --> 01:21:28,720

living in a computer simulation you know

1785

01:21:33,140 --> 01:21:30,760

not long after one of his very expensive

1786

01:21:37,290 --> 01:21:33,150

rockets blows up on the launch pad

1787

01:21:41,970 --> 01:21:37,300

mm-hmm now we've all seen that video

1788

01:21:45,030 --> 01:21:41,980

with that strange object that flies by

1789

01:21:47,640 --> 01:21:45,040

just before that thing blows up you know

1790

01:21:49,560 --> 01:21:47,650

this is a very interesting kind of

1791

01:21:54,900 --> 01:21:49,570

cognitive dissonance that applies to

1792

01:21:59,160 --> 01:21:54,910

that because I believe in many ways so

1793

01:22:02,190 --> 01:21:59,170

much of ufology and movies and Hollywood

1794

01:22:04,980 --> 01:22:02,200

and everything is not part of a

1795

01:22:07,800 --> 01:22:04,990

conditioning program to get us to accept

1796

01:22:11,130 --> 01:22:07,810

our alien overlords and whatever kind of

1797

01:22:15,810 --> 01:22:11,140

nonsense you know you hear I think it's

1798

01:22:19,650 --> 01:22:15,820

actually to just make us to dismiss to

1799

01:22:21,570 --> 01:22:19,660

ignore when things like that happen when

1800

01:22:24,750 --> 01:22:21,580

we see all these things flying around

1801

01:22:26,730 --> 01:22:24,760

harassing the space station and

1802

01:22:30,150 --> 01:22:26,740

everything like that I mean it's been

1803

01:22:31,560 --> 01:22:30,160

happening fairly regularly now and they

1804

01:22:33,600 --> 01:22:31,570

always cut the feed and it's like oh

1805

01:22:35,550 --> 01:22:33,610

well wheat that's what we just cut the

1806

01:22:38,040 --> 01:22:35,560

feed anyway it was it was time to cut

1807

01:22:39,920 --> 01:22:38,050

the feed yeah sure well if you don't

1808

01:22:42,390 --> 01:22:39,930

think so you're a conspiracy theorist

1809

01:22:44,100 --> 01:22:42,400

okay well I guess you know I won't be

1810

01:22:45,390 --> 01:22:44,110

invited to the good parties then huh

1811

01:22:48,660 --> 01:22:45,400

never mind

1812

01:22:50,310 --> 01:22:48,670

right you know I mean mm-hmm well to tie

1813

01:22:52,290 --> 01:22:50,320

it back into ancient texts about a

1814

01:22:54,390 --> 01:22:52,300

cosmic war might we be dealing with some

1815

01:22:58,140 --> 01:22:54,400

kind of consequences or ramifications

1816

01:23:01,320 --> 01:22:58,150

for that ancient rebellion I you know

1817

01:23:03,720 --> 01:23:01,330

it's it would be pure conjecture on my

1818

01:23:06,210 --> 01:23:03,730

part I mean all I can do is just look at

1819

01:23:09,120 --> 01:23:06,220

the fact that you know we're constantly

1820

01:23:11,370 --> 01:23:09,130

hearing all this stuff oh we have the

1821

01:23:14,130 --> 01:23:11,380

technology to send et home we have the

1822

01:23:16,440 --> 01:23:14,140

technology to reach the stars you know

1823

01:23:18,270 --> 01:23:16,450

we have the technology to put men on the

1824

01:23:21,030 --> 01:23:18,280

moon and all this kind of stuff and it's

1825

01:23:21,990 --> 01:23:21,040

like well okay why aren't we you know

1826

01:23:29,550 --> 01:23:22,000

what

1827

01:23:33,150 --> 01:23:29,560

hearing all these drags from the

1828

01:23:36,840 --> 01:23:33,160

aerospace quarter but nothing is ever

1829

01:23:39,480 --> 01:23:36,850

done I mean all we ever see is all this

1830

01:23:41,340 --> 01:23:39,490

junk parked in low-earth orbit and they

1831

01:23:42,960 --> 01:23:41,350

grow in tomatoes and playing guitars up

1832

01:23:45,150 --> 01:23:42,970

there you know what they're really doing

1833

01:23:49,170 --> 01:23:45,160

is putting up surveillance satellites

1834

01:23:51,780 --> 01:23:49,180

and things like that but I would say

1835

01:23:54,680 --> 01:23:51,790

quite strongly that that is the

1836

01:23:57,390 --> 01:23:54,690

strongest possibilities of all the

1837

01:24:00,300 --> 01:23:57,400

various scenarios that people would

1838

01:24:03,150 --> 01:24:00,310

would argue about is that that we are

1839

01:24:05,310 --> 01:24:03,160

stuck here yeah a lot of pieces fit that

1840

01:24:10,260 --> 01:24:05,320

puzzle you know the Gnostics are right

1841

01:24:12,570 --> 01:24:10,270

so how they knew you know before there

1842

01:24:15,650 --> 01:24:12,580

was manned space flight somehow they

1843

01:24:20,400 --> 01:24:15,660

figured it all out I'd love to know how

1844

01:24:22,260 --> 01:24:20,410

I'd love to know who told them I mean

1845

01:24:24,000 --> 01:24:22,270

when you read those texts and I'm not

1846

01:24:26,310 --> 01:24:24,010

talking like the NAG Hammadi stuff

1847

01:24:28,770 --> 01:24:26,320

that's an entirely different culture

1848

01:24:31,530 --> 01:24:28,780

that's sort of like you know when people

1849

01:24:32,430 --> 01:24:31,540

talk about the NAG Hammadi Gnostics that

1850

01:24:34,380 --> 01:24:32,440

to me is like those are the

1851
01:24:37,200 --> 01:24:34,390
hippie-dippie Gnostics you know I mean

1852
01:24:38,700 --> 01:24:37,210
those are like the city dwellers they're

1853
01:24:40,710 --> 01:24:38,710
like sort of like the Occupy Wall Street

1854
01:24:42,710 --> 01:24:40,720
Gnostics the kind of Gnostics that I'm

1855
01:24:45,540 --> 01:24:42,720
interested in the ones who've like

1856
01:24:47,130 --> 01:24:45,550
survived for 2,000 years and like the

1857
01:24:49,800 --> 01:24:47,140
worst neighborhoods in the world I'm

1858
01:24:54,210 --> 01:24:49,810
talking like the mandaeans and the musi

1859
01:24:57,720 --> 01:24:54,220
D and the Druze people like that who

1860
01:25:00,210 --> 01:24:57,730
like dealt with numerous attempts to

1861
01:25:02,880 --> 01:25:00,220
genocide them out of existence and still

1862
01:25:05,040 --> 01:25:02,890
keep on tickin those are the kind of

1863
01:25:06,600 --> 01:25:05,050

Gnostics that I'm interested in and it's

1864

01:25:07,860 --> 01:25:06,610

interesting because a lot of people who

1865

01:25:09,450 --> 01:25:07,870

are interested in Gnosticism don't

1866

01:25:11,400 --> 01:25:09,460

necessarily recognize those people as

1867

01:25:14,450 --> 01:25:11,410

Gnostics but those people to meet other

1868

01:25:18,270 --> 01:25:14,460

real Gnostics and if you read their um

1869

01:25:20,880 --> 01:25:18,280

their literature it's just chock filled

1870

01:25:23,460 --> 01:25:20,890

with like one flying saucer after

1871

01:25:25,260 --> 01:25:23,470

another so I think that they were keyed

1872

01:25:28,590 --> 01:25:25,270

in from where a long time ago and I

1873

01:25:30,990 --> 01:25:28,600

think that their cosmology is bearing

1874

01:25:33,710 --> 01:25:31,000

fruit now you know interestingly enough

1875

01:25:35,310 --> 01:25:33,720

and maybe that's why there's such a

1876

01:25:39,060 --> 01:25:35,320

determined effort

1877

01:25:40,010 --> 01:25:39,070

today to wipe them out it wouldn't

1878

01:25:43,319 --> 01:25:40,020

surprise me

1879

01:25:45,419 --> 01:25:43,329

you know seriously yeah you know and not

1880

01:25:48,740 --> 01:25:45,429

in all seriousness I think that you know

1881

01:25:53,479 --> 01:25:48,750

because they have access to information

1882

01:25:57,180 --> 01:25:53,489

very possibly from sources outside

1883

01:26:01,530 --> 01:25:57,190

everyday reality right it's part of this

1884

01:26:03,419 --> 01:26:01,540

game I get it but man it's been a great

1885

01:26:06,689 --> 01:26:03,429

time talking to you we all we've gone

1886

01:26:08,520 --> 01:26:06,699

into three hours now to wrap this up if

1887

01:26:11,700 --> 01:26:08,530

people want to get more crystals and who

1888

01:26:16,050 --> 01:26:11,710

doesn't where should they go just go to

1889

01:26:19,589 --> 01:26:16,060

secrets on blog spot.com and as soon as

1890

01:26:22,770 --> 01:26:19,599

I possibly can I have a lot of material

1891

01:26:23,550 --> 01:26:22,780

for new books that I will definitely be

1892

01:26:27,410 --> 01:26:23,560

self-publishing

1893

01:26:30,510 --> 01:26:27,420

gordon has convinced me to do so nice I

1894

01:26:32,250 --> 01:26:30,520

definitely see the light now it's just a

1895

01:26:35,129 --> 01:26:32,260

question of getting the time to put them

1896

01:26:37,080 --> 01:26:35,139

together but a lot of this will make a

1897

01:26:39,089 --> 01:26:37,090

lot more sense when it's put into book

1898

01:26:42,839 --> 01:26:39,099

form I know we sort of rambled and we

1899

01:26:45,479 --> 01:26:42,849

sort of wandered around a lot but when

1900

01:26:48,510 --> 01:26:45,489

you see it all laid out you'll make a

1901

01:26:52,319 --> 01:26:48,520

lot more sense and what we should do is

1902

01:26:55,109 --> 01:26:52,329

that if you link to the blog I will link

1903

01:26:58,500 --> 01:26:55,119

to the post in question so people can

1904

01:27:01,229 --> 01:26:58,510

see things laid out more coherently than

1905

01:27:04,290 --> 01:27:01,239

what I was able to do here

1906

01:27:07,859 --> 01:27:04,300

sure when people see like the lucifer's

1907

01:27:10,050 --> 01:27:07,869

technologies material laid out that it

1908

01:27:12,990 --> 01:27:10,060

will make a lot more sense to them yeah

1909

01:27:15,300 --> 01:27:13,000

it's it's dense and it's just a short

1910

01:27:16,800 --> 01:27:15,310

conversation but I appreciate you coming

1911

01:27:19,080 --> 01:27:16,810

back you are one of the Great's when it

1912

01:27:20,370 --> 01:27:19,090

comes to getting past the dramatic cover

1913

01:27:23,010 --> 01:27:20,380

stories and getting into the real meat

1914

01:27:24,870 --> 01:27:23,020

of things I think personally I try to

1915

01:27:26,879 --> 01:27:24,880

adopt a more mature approach to the

1916

01:27:28,589 --> 01:27:26,889

stuff and a big part of that is your

1917

01:27:30,540 --> 01:27:28,599

influence and gordon's influence so

1918

01:27:32,280 --> 01:27:30,550

thanks again and take care of yourself

1919

01:27:36,390 --> 01:27:32,290

out there all right man all right thank

1920

01:27:39,959 --> 01:27:36,400

you sir you got it all right peace boom

1921

01:27:41,339 --> 01:27:39,969

people I know Chris thinks we jumped

1922

01:27:44,160 --> 01:27:41,349

around a little too much but I loved

1923

01:27:46,140 --> 01:27:44,170

this one I've read all the posts he was

1924

01:27:48,779 --> 01:27:46,150

referring to so maybe I had some helpful

1925

01:27:50,459 --> 01:27:48,789

context to stitch it together

1926

01:27:52,409 --> 01:27:50,469

but I think it all worked I hope it all

1927

01:27:54,389 --> 01:27:52,419

makes sense you could tell we were

1928

01:27:57,179 --> 01:27:54,399

clearly distracted with the election

1929

01:27:58,709 --> 01:27:57,189

results and the Podesta leaks we left a

1930

01:28:01,289 --> 01:27:58,719

lot on the table from what we were going

1931

01:28:03,149 --> 01:28:01,299

to talk about because of that but check

1932

01:28:05,279 --> 01:28:03,159

out is Lucifer Tec series itself if you

1933

01:28:08,479 --> 01:28:05,289

want to dig deeper or just wait for the

1934

01:28:11,250 --> 01:28:08,489

book you know early on Chris mentioned

1935

01:28:13,289 --> 01:28:11,260

Lucifer's prayers always emphasizing

1936

01:28:16,799 --> 01:28:13,299

I'll have no other gods before you and

1937

01:28:19,289 --> 01:28:16,809

that kind of thing almost being the

1938

01:28:20,699 --> 01:28:19,299

first recorded monotheism it's funny

1939

01:28:22,649 --> 01:28:20,709

because there's a lot of talk about the

1940

01:28:24,629 --> 01:28:22,659

deity flip that the Vatican is

1941

01:28:27,239 --> 01:28:24,639

channeling energy for a negative being

1942

01:28:29,759 --> 01:28:27,249

painted in a positive light and at the

1943

01:28:32,399 --> 01:28:29,769

same time have no other gods before me

1944

01:28:35,520 --> 01:28:32,409

is what we're told the one true God says

1945

01:28:37,169 --> 01:28:35,530

according to the Bible and then throw in

1946

01:28:38,879 --> 01:28:37,179

the fact that Chris says a lot of this

1947

01:28:40,819 --> 01:28:38,889

history around Lucifer has been erased

1948

01:28:44,039 --> 01:28:40,829

and I think we have a perfect

1949

01:28:45,959 --> 01:28:44,049

conspiratorial storm here he's also

1950

01:28:50,309 --> 01:28:45,969

pretty clear though that Lucifer is a

1951

01:28:53,239 --> 01:28:50,319

title not necessarily a character so it

1952

01:28:55,949 --> 01:28:53,249

gets really weird because it's Lucifer a

1953

01:28:58,279 --> 01:28:55,959

rebel who's working to help us and that

1954

01:29:01,829 --> 01:28:58,289

Promethean censor is it more satanic

1955

01:29:03,809 --> 01:29:01,839

it's a mess it's a tangled web I guess

1956

01:29:06,419 --> 01:29:03,819

just because someone goes up against the

1957

01:29:08,789 --> 01:29:06,429

established order we see them as a rebel

1958

01:29:10,159 --> 01:29:08,799

we see them as a William Wallace but

1959

01:29:12,809 --> 01:29:10,169

that doesn't mean they're a good person

1960

01:29:16,559 --> 01:29:12,819

they could be just as controlling and

1961

01:29:18,029 --> 01:29:16,569

psychopathic as the current guard they

1962

01:29:22,229 --> 01:29:18,039

just want that [h__h] for themselves

1963

01:29:23,729 --> 01:29:22,239

so obviously it's complex but I just

1964

01:29:27,529 --> 01:29:23,739

wanted to throw in a little [h__h] the

1965

01:29:29,969 --> 01:29:27,539

Vatican while we were on the subject I

1966

01:29:32,309 --> 01:29:29,979

don't know but a veneration of these

1967

01:29:34,289 --> 01:29:32,319

entities gives you power the Vatican

1968

01:29:36,479 --> 01:29:34,299

certainly had that for a while and still

1969

01:29:37,919 --> 01:29:36,489

has a gold Palace in its own City so

1970

01:29:41,039 --> 01:29:37,929

they're not doing too shabby let's not

1971

01:29:43,500 --> 01:29:41,049

get ourselves a tangent I know but I do

1972

01:29:44,789 --> 01:29:43,510

love the tone in Chris's voice when

1973

01:29:47,789 --> 01:29:44,799

talking about the behind-the-scenes

1974

01:29:50,369 --> 01:29:47,799

events of this last election I actually

1975

01:29:52,500 --> 01:29:50,379

wanted to add and the big spank or the

1976

01:29:54,719 --> 01:29:52,510

Clinton spanking to the title because I

1977

01:29:57,119 --> 01:29:54,729

do think that's what happened but now

1978

01:29:59,129 --> 01:29:57,129

with this recount thing I mean I guess

1979

01:30:00,869 --> 01:29:59,139

Jill Stein's behind most of it I had to

1980

01:30:03,500 --> 01:30:00,879

tune out now that we actually have

1981

01:30:07,010 --> 01:30:03,510

results but I did hear Clinton

1982

01:30:09,439 --> 01:30:07,020

making a few comments about this recount

1983

01:30:12,410 --> 01:30:09,449

thing but you know what are you doing

1984

01:30:14,570 --> 01:30:12,420

lady just stop you falling down in

1985

01:30:16,640 --> 01:30:14,580

events people are equated the spot on

1986

01:30:18,979 --> 01:30:16,650

your tongue to assist from eating human

1987

01:30:21,530 --> 01:30:18,989

flesh have you seen that one fairly

1988

01:30:23,030 --> 01:30:21,540

convincing to be honest your closest

1989

01:30:26,030 --> 01:30:23,040

friends have been exposed your

1990

01:30:29,990 --> 01:30:26,040

Foundation's been exposed your old just

1991

01:30:31,910 --> 01:30:30,000

stop take some vacations just build a

1992

01:30:34,939 --> 01:30:31,920

little fortress of solitude and order

1993

01:30:37,880 --> 01:30:34,949

your kids delivery we've seen enough of

1994

01:30:39,350 --> 01:30:37,890

you what I also liked about this episode

1995

01:30:42,080 --> 01:30:39,360

is how well it fits in with some

1996

01:30:44,240 --> 01:30:42,090

previous Joseph Ferrell episodes both in

1997

01:30:46,729 --> 01:30:44,250

the third level of power pyramid being

1998

01:30:49,160 --> 01:30:46,739

the fascist international and also based

1999

01:30:51,350 --> 01:30:49,170

on the nimza and sonora arrow club stuff

2000

01:30:54,500 --> 01:30:51,360

we talked about a while back it could

2001
01:30:56,300 --> 01:30:54,510
very well be them with the hidden

2002
01:30:59,720 --> 01:30:56,310
technologies in the large piggy bank

2003
01:31:01,729 --> 01:30:59,730
that's working behind the scenes I'm

2004
01:31:03,500 --> 01:31:01,739
sure there are more - but the globalists

2005
01:31:05,570 --> 01:31:03,510
got spanked in exchange for a

2006
01:31:08,660 --> 01:31:05,580
nationalist and the TPP was scrapped

2007
01:31:12,890 --> 01:31:08,670
that seems like that kind of fascist

2008
01:31:15,560 --> 01:31:12,900
international play in a way to me but

2009
01:31:19,100 --> 01:31:15,570
I'm dumb and I'm sure there are other

2010
01:31:21,229 --> 01:31:19,110
players too but also the idea of the

2011
01:31:22,760 --> 01:31:21,239
planetary quarantine was brought up in

2012
01:31:25,729 --> 01:31:22,770
the Treaty of Versailles template

2013
01:31:28,189 --> 01:31:25,739

episode with Jo a while back that idea

2014

01:31:30,140 --> 01:31:28,199

is that if there was a major cosmic war

2015

01:31:33,189 --> 01:31:30,150

in the past some higher level would have

2016

01:31:35,780 --> 01:31:33,199

instituted some post-war rules for us

2017

01:31:38,479 --> 01:31:35,790

surveillance and whatnot maybe that's

2018

01:31:40,910 --> 01:31:38,489

what UFOs are it does fit with the

2019

01:31:43,850 --> 01:31:40,920

mythology and the circle-jerk reality of

2020

01:31:46,910 --> 01:31:43,860

modern tech hard to say but it is a deep

2021

01:31:49,160 --> 01:31:46,920

one I dig it and I'm glad we got it all

2022

01:31:50,930 --> 01:31:49,170

in before the end of the month we came

2023

01:31:53,150 --> 01:31:50,940

in hot out of the gate with Joseph

2024

01:31:54,860 --> 01:31:53,160

Ferrell and Anthony peek then we hobbled

2025

01:31:57,290 --> 01:31:54,870

across the finish line at the last

2026

01:31:59,570 --> 01:31:57,300

minute with John McMurtry Daniel

2027

01:32:01,790 --> 01:31:59,580

Pinchbeck and Chris Knowles but we did

2028

01:32:05,479 --> 01:32:01,800

it and I think they're all pretty choice

2029

01:32:06,620 --> 01:32:05,489

episodes but this and dr. ferral would

2030

01:32:09,140 --> 01:32:06,630

have to be my favorites for the month

2031

01:32:11,450 --> 01:32:09,150

for sure the links between magic and

2032

01:32:12,950 --> 01:32:11,460

tech are strong the idea that most of

2033

01:32:14,600 --> 01:32:12,960

the strange phenomenon the

2034

01:32:16,850 --> 01:32:14,610

counterculture is familiar with is the

2035

01:32:19,460 --> 01:32:16,860

result of occult workings and rituals

2036

01:32:22,010 --> 01:32:19,470

I love it if you're a flat earther or a

2037

01:32:24,410 --> 01:32:22,020

fan of this prison planet perspective

2038

01:32:26,720 --> 01:32:24,420

you have to have an answer for some of

2039

01:32:29,720 --> 01:32:26,730

the weird stuff like Roswell and these

2040

01:32:32,180 --> 01:32:29,730

other sagas where elements are said to

2041

01:32:34,340 --> 01:32:32,190

have come from other places well with

2042

01:32:38,240 --> 01:32:34,350

this mindset it could all very well just

2043

01:32:40,790 --> 01:32:38,250

be here in other realms anyway a lot to

2044

01:32:42,980 --> 01:32:40,800

like and it was another longer show so

2045

01:32:44,990 --> 01:32:42,990

you're welcome for that if you want to

2046

01:32:46,760 --> 01:32:45,000

hear more sign up for plus or get the

2047

01:32:48,620 --> 01:32:46,770

7-day free trial at the bottom of the

2048

01:32:51,530 --> 01:32:48,630

page at the higher side chats calm in

2049

01:32:53,870 --> 01:32:51,540

this plus show we got deep into some

2050

01:32:55,640 --> 01:32:53,880

projects like operation crossroads what

2051
01:32:57,260 --> 01:32:55,650
an interesting name since crossroads is

2052
01:32:59,870 --> 01:32:57,270
where you make offerings to entities to

2053
01:33:01,580 --> 01:32:59,880
get what you want we also got into what

2054
01:33:03,830 --> 01:33:01,590
Chris thinks was really behind the

2055
01:33:06,650 --> 01:33:03,840
Montauk Project and he breaks down how

2056
01:33:08,960 --> 01:33:06,660
MK often was an offshoot of MKULTRA with

2057
01:33:11,300 --> 01:33:08,970
less emphasis on mind-control per se and

2058
01:33:14,210 --> 01:33:11,310
more on weaponizing the occult and

2059
01:33:16,670 --> 01:33:14,220
torturing kids for good measure classic

2060
01:33:18,830 --> 01:33:16,680
deep state stuff we also got to the fact

2061
01:33:20,600 --> 01:33:18,840
that Night of the Living Dead was billed

2062
01:33:22,880 --> 01:33:20,610
as a children's movie originally and

2063
01:33:25,700 --> 01:33:22,890

that it and the Exorcist were both way

2064

01:33:27,950 --> 01:33:25,710

more powerful in their first theater run

2065

01:33:30,770 --> 01:33:27,960

and that's probably because they're a

2066

01:33:32,720 --> 01:33:30,780

weaponize to cause trauma I think this

2067

01:33:34,640 --> 01:33:32,730

is a common observation that these

2068

01:33:37,850 --> 01:33:34,650

movies were way more intense in theaters

2069

01:33:40,310 --> 01:33:37,860

and the official story is just that oh

2070

01:33:43,310 --> 01:33:40,320

well the technology was so fresh and new

2071

01:33:45,890 --> 01:33:43,320

and because people weren't familiar with

2072

01:33:48,530 --> 01:33:45,900

CGI and all this stuff it was the most

2073

01:33:50,120 --> 01:33:48,540

real they had to date but I think that's

2074

01:33:54,140 --> 01:33:50,130

flimsy I think there might be something

2075

01:33:56,390 --> 01:33:54,150

deeper going on as does Chris but it's a

2076

01:33:58,520 --> 01:33:56,400

lot check it out because it is an

2077

01:34:01,250 --> 01:33:58,530

interesting perspective on little

2078

01:34:03,380 --> 01:34:01,260

pockets of unknown history so yeah I

2079

01:34:05,510 --> 01:34:03,390

think any higher side fan should dig

2080

01:34:07,310 --> 01:34:05,520

this one like I've mentioned I've got

2081

01:34:10,730 --> 01:34:07,320

several shows recorded we are going to

2082

01:34:12,290 --> 01:34:10,740

get away from some politics [h__h] because

2083

01:34:14,900 --> 01:34:12,300

I think we're all kind of sick of it and

2084

01:34:17,710 --> 01:34:14,910

this one to me was getting away from

2085

01:34:20,990 --> 01:34:17,720

that or at least analyzing it in as

2086

01:34:24,440 --> 01:34:21,000

interesting a way as could be but anyway

2087

01:34:26,990 --> 01:34:24,450

also higher side clothing is here my new

2088

01:34:29,959 --> 01:34:27,000

t-shirt company 2.0 better quality

2089

01:34:32,209 --> 01:34:29,969

designs from passionate higher side fan

2090

01:34:34,969 --> 01:34:32,219

artists and they all relate directly to

2091

01:34:36,799 --> 01:34:34,979

episodes I would love to see a design

2092

01:34:39,469 --> 01:34:36,809

based on this episode that would be

2093

01:34:41,509 --> 01:34:39,479

quite while but check out all the shirts

2094

01:34:43,370 --> 01:34:41,519

full color designs I'm sure you'll see

2095

01:34:44,779 --> 01:34:43,380

something you like it's my new baby and

2096

01:34:47,660 --> 01:34:44,789

I'm so happy because it's real

2097

01:34:50,000 --> 01:34:47,670

professional quality as good as the best

2098

01:34:51,799 --> 01:34:50,010

t-shirt brands out there when you get a

2099

01:34:54,200 --> 01:34:51,809

little money you can actually stop

2100

01:34:56,600 --> 01:34:54,210

compromising and do things the way you

2101

01:34:59,479 --> 01:34:56,610

wanted to originally and it's a

2102

01:35:01,430 --> 01:34:59,489

beautiful thing but either way I'm

2103

01:35:03,890 --> 01:35:01,440

getting out of here I'll see you soon

2104

01:35:06,890 --> 01:35:03,900

with what I think will be a pizza gate

2105

01:35:09,709 --> 01:35:06,900

show with David Seaman we shall see but

2106

01:35:11,509 --> 01:35:09,719

I've done my part today your move a cult

2107

01:35:12,919 --> 01:35:11,519

conjures of Lucifer's tech and

2108

01:35:20,180 --> 01:35:12,929

Quarantine errs of this island earth

2109

01:35:30,550 --> 01:35:25,870

oh no you see

2110

01:35:38,610 --> 01:35:30,560

no world isn't random it's attached to

2111

01:35:43,120 --> 01:35:38,620

power strength control over everything a

2112

01:35:47,840 --> 01:35:43,130

95 I strive steel yeah now don't that

2113

01:35:54,830 --> 01:35:47,850

job seem silly hello

2114

01:36:02,290 --> 01:35:54,840

here should I play recordings I'm some

2115

01:36:09,560 --> 01:36:06,800

I'll be thankful when all exposed the

2116

01:36:17,090 --> 01:36:09,570

fastest way we see there's such a

2117

01:36:50,780 --> 01:36:17,100

difference between us and them dead

2118

01:36:56,380 --> 01:36:53,370

the

2119

01:37:23,719 --> 01:37:02,000

[Music]

2120

01:37:27,979 --> 01:37:23,729

they're cartoons and so typical of me to

2121

01:37:36,560 --> 01:37:27,989

talk about the stuff I'm sorry that's

2122

01:37:40,099 --> 01:37:36,570

good and well did you ever hear argument

2123

01:37:47,770 --> 01:37:40,109

the nothing really happens it's no

2124

01:37:53,150 --> 01:37:47,780

secret that the state plans it's done

2125

01:38:36,300 --> 01:38:06,100

[Music]

2126
01:38:54,189 --> 01:38:36,460
Oh

2127
01:38:55,750 --> 01:38:54,199
[Music]

2128
01:39:09,799 --> 01:38:55,760
you

2129
01:39:09,809 --> 01:39:15,310
they're coming

2130
01:39:15,320 --> 01:39:34,910
[Music]

2131
01:39:34,920 --> 01:39:40,450
challenging

2132
01:39:40,460 --> 01:39:45,230
[Music]

2133
01:39:49,379 --> 01:39:47,439
we can

2134
01:39:53,100 --> 01:39:49,389
with
