1
00:00:06,079 --> 00:00:02,960
ladies and gentlemen we are here today

2
00:00:09,230 --> 00:00:06,089
with Greg Carlin for the higher side

3
00:00:12,169 --> 00:00:09,240
chats presents hot ones this is your

4
00:00:14,060 --> 00:00:12,179
regular host and I will be the host of

5
00:00:15,410 --> 00:00:14,070
this episode Anthony Sabatini also the

6
00:00:17,960 --> 00:00:15,420
voice of all higher side chats

7
00:00:20,480 --> 00:00:17,970
advertising right art bell personally

8
00:00:22,250 --> 00:00:20,490
got pissed and Anthony's use of the

9
00:00:23,570 --> 00:00:22,260
f-bomb that is true got us kicked off

10
00:00:26,450 --> 00:00:23,580
Dark Matter Network I'm glad you're

11
00:00:29,029 --> 00:00:26,460
going you know I'm very pleased art done

12
00:00:31,910 --> 00:00:29,039
those yeah that's something now are you

13
00:00:34,610 --> 00:00:31,920

excited brother I am excited I love the

14

00:00:37,549 --> 00:00:34,620

hot ones show I used to do a lot of

15

00:00:38,959 --> 00:00:37,559

jackass type stunts in high school so I

16

00:00:40,040 --> 00:00:38,969

thought this is pretty perfect by the

17

00:00:41,840 --> 00:00:40,050

time I get to the end of the board I

18

00:00:44,330 --> 00:00:41,850

believe that will be accurate we should

19

00:00:46,490 --> 00:00:44,340

say which do a lot of work to try to get

20

00:00:47,840 --> 00:00:46,500

all the right sauces from the show which

21

00:00:50,600 --> 00:00:47,850

is actually kind of difficult because

22

00:00:52,220 --> 00:00:50,610

some make multiples and the Scoville

23

00:00:55,100 --> 00:00:52,230

rating can differ by like two hundred

24

00:00:57,650 --> 00:00:55,110

thousand percent better numbers whatever

25

00:01:00,130 --> 00:00:57,660

so it can be difficult but we actually

26
00:01:03,830 --> 00:01:00,140
don't have Blair's Megadeth so we have

27
00:01:07,730 --> 00:01:03,840
Melendez which is a Potter I promise

28
00:01:10,789 --> 00:01:07,740
look it up I think it's I think it's 555

29
00:01:12,410 --> 00:01:10,799
versus 575 so it does sound accurate why

30
00:01:18,230 --> 00:01:12,420
do it if you're gonna go weaker go big

31
00:01:24,209 --> 00:01:19,940
all right

32
00:01:31,080 --> 00:01:27,779
so I'm not a big deal no I don't like it

33
00:01:40,620 --> 00:01:31,090
no don't care for it the flavors not bad

34
00:01:41,160 --> 00:01:40,630
it is not hot and a bit of a meeting all

35
00:01:42,959 --> 00:01:41,170
right good

36
00:01:45,719 --> 00:01:42,969
now this challenge is not for the faint

37
00:01:51,330 --> 00:01:45,729
of heart what the [h__h] possessed you to

38
00:01:53,099 --> 00:01:51,340

take on this masochistic endeavor when I

39

00:01:55,440 --> 00:01:53,109

saw the show I was like this is really a

40

00:01:57,959 --> 00:01:55,450

throwback to the Jackass days it's

41

00:02:01,559 --> 00:01:57,969

something I can do I don't really do

42

00:02:03,179 --> 00:02:01,569

well with hot stuff and so I thought

43

00:02:10,169 --> 00:02:03,189

like goes a recipe for a good time

44

00:02:12,990 --> 00:02:10,179

I do like singing supper so plus the

45

00:02:14,309 --> 00:02:13,000

listeners sometimes ask about doing I'm

46

00:02:16,940 --> 00:02:14,319

going right for it like it subscribe

47

00:02:21,950 --> 00:02:16,950

through you know listener sometimes app

48

00:02:32,309 --> 00:02:24,530

[Music]

49

00:02:35,250 --> 00:02:32,319

that would have been wise next up we

50

00:02:38,400 --> 00:02:35,260

have Tapatio another sort of mild but

51
00:02:41,250 --> 00:02:38,410
still hopefully Conte that's all you're

52
00:02:43,830 --> 00:02:41,260
gonna be perfect guys to host us because

53
00:02:46,020 --> 00:02:43,840
Sean Evans he handles he's like it's no

54
00:02:47,550 --> 00:02:46,030
thing and you just had some Blair's

55
00:02:51,589 --> 00:02:47,560
death sauce on hand

56
00:02:54,390 --> 00:02:51,599
nice not for a challenge just to eat

57
00:02:58,690 --> 00:02:54,400
alright

58
00:03:00,670 --> 00:02:58,700
not very much arms so continuing with

59
00:03:02,470 --> 00:03:00,680
our discussion of the hot ones who would

60
00:03:06,940 --> 00:03:02,480
you say is your all-time favorite hot

61
00:03:09,099 --> 00:03:06,950
ones just favorite hot ones guest Bert

62
00:03:11,649 --> 00:03:09,109
Kreischer I feel like Dirk rice is a

63
00:03:13,959 --> 00:03:11,659

good introductory episode because he

64

00:03:16,179 --> 00:03:13,969

talks about so many other episodes which

65

00:03:18,190 --> 00:03:16,189

is great and that's right for I wouldn't

66

00:03:20,679 --> 00:03:18,200

have watched you take Khalid and I not

67

00:03:23,860 --> 00:03:20,689

known from Bert Kreischer that he taps

68

00:03:26,020 --> 00:03:23,870

out at the third wing so I mean we're

69

00:03:29,199 --> 00:03:26,030

already we're already to Cal level

70

00:03:30,909 --> 00:03:29,209

almost okay all right so it wasn't just

71

00:03:33,129 --> 00:03:30,919

that you saw an episode you like you saw

72

00:03:34,839 --> 00:03:33,139

an episode that branched you into a ton

73

00:03:37,439 --> 00:03:34,849

of different episodes all right I know

74

00:03:39,849 --> 00:03:37,449

the perfect forest all of them and I

75

00:03:41,170 --> 00:03:39,859

mean they're great and I also that's

76

00:03:42,729 --> 00:03:41,180

another reason why I wanted to do it

77

00:03:44,800 --> 00:03:42,739

because when you watch it and you see

78

00:03:46,809 --> 00:03:44,810

like how far certain celebrities get

79

00:03:54,250 --> 00:03:46,819

it's like I'm wondering how far I would

80

00:03:56,470 --> 00:03:54,260

get all right next update to the streets

81

00:03:59,439 --> 00:03:56,480

what do we got next up we have L it you

82

00:04:01,990 --> 00:03:59,449

got echo Yucatec oh yeah hot sauce it

83

00:04:04,800 --> 00:04:02,000

calls into counting chili habanero it is

84

00:04:08,979 --> 00:04:04,810

never a week yeah ain't nothing

85

00:04:10,659 --> 00:04:08,989

shouldn't be yeah when I find I guess

86

00:04:15,720 --> 00:04:10,669

some of these minor on the house some

87

00:04:15,730 --> 00:04:23,840

[Music]

88

00:04:34,499 --> 00:04:31,529

we all got a tiny crack this one is not

89

00:04:36,120 --> 00:04:34,509

Oh over there do you need this one no

90

00:04:37,260 --> 00:04:36,130

but it shouldn't be over there so

91

00:04:39,629 --> 00:04:37,270

different I don't think there's a Pew be

92

00:04:42,420 --> 00:04:39,639

back in wait you I have 20 bucks riding

93

00:04:43,499 --> 00:04:42,430

on this cannot bomb the rollaway so if I

94

00:04:47,129 --> 00:04:43,509

need it and then you're gonna bring it

95

00:04:49,200 --> 00:04:47,139

over yeah let's get basic for a second

96

00:04:52,610 --> 00:04:49,210

what would you say is your all-time

97

00:04:55,920 --> 00:04:52,620

favorite and least favorite conspiracy

98

00:04:57,540 --> 00:04:55,930

that's right most common okay so every

99

00:04:59,279 --> 00:04:57,550

time someone's like what do you do I'm

100

00:05:00,779 --> 00:04:59,289

like I host a conspiracy podcast that's

101
00:05:03,029 --> 00:05:00,789
the first question what's your favorite

102
00:05:05,510 --> 00:05:03,039
conspiracy what hard question to answer

103
00:05:08,850 --> 00:05:05,520
to so many of them are tied in together

104
00:05:11,310 --> 00:05:08,860
it's also hard because like favorite

105
00:05:14,159 --> 00:05:11,320
conspiracy so if it's true it's usually

106
00:05:15,749 --> 00:05:14,169
bad for regular people so it's also hard

107
00:05:18,270 --> 00:05:15,759
to pick a favorite in that sense looks

108
00:05:20,040 --> 00:05:18,280
like you're most likely to be true but

109
00:05:21,629 --> 00:05:20,050
let me let me go ahead and rephrase it

110
00:05:23,550 --> 00:05:21,639
then what would you say is the

111
00:05:26,879 --> 00:05:23,560
conspiracy would like to hear the most

112
00:05:28,290 --> 00:05:26,889
about in general if you had to hear

113
00:05:30,600 --> 00:05:28,300

about somebody talk about one of the

114

00:05:33,870 --> 00:05:30,610

Hollow Earth okay got it be Hollow Earth

115

00:05:36,029 --> 00:05:33,880

what about that do you like well I like

116

00:05:38,250 --> 00:05:36,039

that the Nazis had some pretty extensive

117

00:05:40,200 --> 00:05:38,260

maps of the Inner Earth I like that a

118

00:05:44,249 --> 00:05:40,210

lot of the Nazis were not at the

119

00:05:46,409 --> 00:05:44,259

Nuremberg trials I like that when they

120

00:05:49,170 --> 00:05:46,419

tested Hitler's skull a few years ago a

121

00:05:50,810 --> 00:05:49,180

decade ago it was a woman's skull so we

122

00:05:53,249 --> 00:05:50,820

don't know where he is

123

00:05:55,770 --> 00:05:53,259

and I like the idea that they had an

124

00:05:56,879 --> 00:05:55,780

escape plan and it was underground under

125

00:05:59,969 --> 00:05:56,889

breath okay

126
00:06:01,649 --> 00:05:59,979
and what do you wasn't 30 do you never

127
00:06:03,270 --> 00:06:01,659
want to hear about again that you're too

128
00:06:07,800 --> 00:06:03,280
tired of hearing about it works just

129
00:06:10,710 --> 00:06:07,810
boring I'm sick of the someone's gonna

130
00:06:13,770 --> 00:06:10,720
come and save us conspiracies there's a

131
00:06:16,290 --> 00:06:13,780
certain sector of the conspiracy world

132
00:06:19,020 --> 00:06:16,300
where people think there's infighting

133
00:06:20,700 --> 00:06:19,030
among the elite more than running the

134
00:06:22,230 --> 00:06:20,710
show running us into the ground for so

135
00:06:25,080 --> 00:06:22,240
many generations right a carefully

136
00:06:26,999 --> 00:06:25,090
grasses plans or um you know just to

137
00:06:29,100 --> 00:06:27,009
lose it from some secret shadow a group

138
00:06:30,809 --> 00:06:29,110

that's never announced themselves and we

139

00:06:32,939 --> 00:06:30,819

don't know who they are but just hold

140

00:06:35,939 --> 00:06:32,949

tight cuz they're working for you keep

141

00:06:38,520 --> 00:06:35,949

on that hamster goes right around the

142

00:06:39,600 --> 00:06:38,530

corner there so guys the white dragon

143

00:06:41,189 --> 00:06:39,610

society is ready

144

00:06:42,480 --> 00:06:41,199

a popular well you know white dragon

145

00:06:51,600 --> 00:06:42,490

martial arts is downtown you can just

146

00:06:55,439 --> 00:06:51,610

try them out home I'm sure they got so

147

00:06:57,330 --> 00:06:55,449

number for the inspiration right this is

148

00:07:00,180 --> 00:06:57,340

the actual hot sauce made by the hot

149

00:07:02,159 --> 00:07:00,190

ones if they fiery Chipotle this is

150

00:07:04,050 --> 00:07:02,169

usually five ok

151
00:07:06,330 --> 00:07:04,060
but it's our four because we're going

152
00:07:08,370 --> 00:07:06,340
harder yeah that make sense and go hard

153
00:07:09,930 --> 00:07:08,380
to paint I'm anxious to try this one

154
00:07:13,559 --> 00:07:09,940
because everybody on the show says it's

155
00:07:18,780 --> 00:07:13,569
good but you're on their show so let's

156
00:07:18,790 --> 00:07:23,010
[Music]

157
00:07:35,020 --> 00:07:25,439
cuz ain't got gonna kind of like a

158
00:07:40,120 --> 00:07:37,930
I am required to ask you a question it

159
00:07:44,470 --> 00:07:40,130
doesn't win so it rules the game more

160
00:07:48,390 --> 00:07:44,480
likely jump rooms to other planets or

161
00:07:54,370 --> 00:07:49,750
Wow

162
00:07:55,570 --> 00:07:54,380
let's love it but I would say more

163
00:07:57,760 --> 00:07:55,580

likely yes

164

00:07:59,590 --> 00:07:57,770

jump rooms to Mars so straight up you

165

00:08:01,900 --> 00:07:59,600

walk in you press the button you're on

166

00:08:03,580 --> 00:08:01,910

you walk out on Mars okay that we have

167

00:08:06,190 --> 00:08:03,590

that technology right that's that's

168

00:08:09,070 --> 00:08:06,200

nothing more that they feel lead our

169

00:08:10,990 --> 00:08:09,080

reptilian in nature in some sense now

170

00:08:12,940 --> 00:08:11,000

are we talking full-blown shape-shifting

171

00:08:15,280 --> 00:08:12,950

lizards what would you prefer to you

172

00:08:16,990 --> 00:08:15,290

want to be wearing people's the question

173

00:08:18,130 --> 00:08:17,000

all right Charlie define so I can tell

174

00:08:20,080 --> 00:08:18,140

you with more life all right you know

175

00:08:21,430 --> 00:08:20,090

what I don't I'm not even interested in

176

00:08:24,820 --> 00:08:21,440

the same thing let's go with people

177

00:08:26,320 --> 00:08:24,830

suits but they're lizards and people

178

00:08:28,510 --> 00:08:26,330

suits well I mean if you know that's

179

00:08:29,050 --> 00:08:28,520

hard that's I can't say because that's

180

00:08:31,000 --> 00:08:29,060

tough

181

00:08:33,640 --> 00:08:31,010

well because it seems like you don't

182

00:08:38,230 --> 00:08:33,650

think shape-shifting is like is likely

183

00:08:39,579 --> 00:08:38,240

not like okay so is it possible that the

184

00:08:42,700 --> 00:08:39,589

elite have some kind of ancient

185

00:08:44,590 --> 00:08:42,710

bloodline that just has that an

186

00:08:46,510 --> 00:08:44,600

interpreted as rep to the sentence of

187

00:08:48,340 --> 00:08:46,520

these reptilian tax rates I think that's

188

00:08:50,170 --> 00:08:48,350

more likely than jump rings to Mars

189

00:08:52,690 --> 00:08:50,180

okay alright we're like talking

190

00:08:54,160 --> 00:08:52,700

hypotheticals here you got it I mean

191

00:08:54,700 --> 00:08:54,170

there's a longer icarly Meyer that

192

00:08:56,560 --> 00:08:54,710

traffic

193

00:08:58,180 --> 00:08:56,570

reptilians and people Jews or maybe a

194

00:09:03,490 --> 00:08:58,190

bloodline pipe yeah they're happy

195

00:09:08,920 --> 00:09:07,309

or peppers usually usually was able to

196

00:09:11,930 --> 00:09:08,930

get a bite at the back of your tongue

197

00:09:19,240 --> 00:09:11,940

faster whereas like a Reaper is a longer

198

00:09:19,250 --> 00:09:25,689

[Music]

199

00:09:39,829 --> 00:09:28,699

think this one also has a fairly fruity

200

00:09:47,420 --> 00:09:39,839

flavor not get that bite well this is

201
00:09:49,160 --> 00:09:47,430
the easy half alright so you've had the

202
00:09:50,990 --> 00:09:49,170
who's who of the conspiracy world on

203
00:09:52,340 --> 00:09:51,000
your podcast the higher side chats but

204
00:09:54,350 --> 00:09:52,350
if there's one guest you'd love to have

205
00:09:56,749 --> 00:09:54,360
on your show the a haven't yet who would

206
00:10:01,189 --> 00:09:56,759
it be who's that white whale that is not

207
00:10:04,220 --> 00:10:01,199
dead fear joseph probably because the

208
00:10:07,639 --> 00:10:04,230
zeitgeist movies were so instrumental to

209
00:10:09,949 --> 00:10:07,649
set me down the weird path and I've had

210
00:10:12,410 --> 00:10:09,959
Jacque fresco on who is half of those

211
00:10:15,170 --> 00:10:12,420
movies he's like a hundred and one I

212
00:10:18,379 --> 00:10:15,180
think and you know he had someone there

213
00:10:20,269 --> 00:10:18,389

to reread my questions and he answered

214

00:10:24,079 --> 00:10:20,279

them as best he could but he 101 years

215

00:10:26,210 --> 00:10:24,089

old and Peter Joseph I feel like I was

216

00:10:28,100 --> 00:10:26,220

more in line but he was the younger dude

217

00:10:30,470 --> 00:10:28,110

and we kind of directed and put those

218

00:10:32,749 --> 00:10:30,480

movies together I'd like to have more on

219

00:10:34,490 --> 00:10:32,759

he wrote a new book his publisher sent

220

00:10:37,639 --> 00:10:34,500

it to me it's upstairs we're working on

221

00:10:39,679 --> 00:10:37,649

it but he's not scheduled yet he would

222

00:10:42,379 --> 00:10:39,689

be probably a big asset like that more

223

00:10:43,790 --> 00:10:42,389

than anybody okay all right all right

224

00:10:45,110 --> 00:10:43,800

yeah you know that's acting that's

225

00:10:47,990 --> 00:10:45,120

pretty fair I like it is that okay I

226

00:10:54,880 --> 00:10:48,000

like it heavily in that heart okay

227

00:10:56,949 --> 00:10:54,890

[Music]

228

00:11:02,930 --> 00:10:56,959

so loudly in the middle yes have you

229

00:11:02,940 --> 00:11:11,639

[Music]

230

00:11:23,110 --> 00:11:18,180

nuts bro Stacey that's so gross isn't it

231

00:11:28,060 --> 00:11:23,120

it's not a great flavor kind of um I

232

00:11:31,930 --> 00:11:28,070

couldn't live like Burt be so wrong it's

233

00:11:33,490 --> 00:11:31,940

not bad I mean I've had worse oh but you

234

00:11:42,930 --> 00:11:33,500

can't feel the heat shot in the building

235

00:12:59,670 --> 00:11:46,759

[Music]

236

00:13:08,610 --> 00:12:59,680

yeah it starts out pretty easy to sit

237

00:13:10,139 --> 00:13:08,620

around alright so you've said before

238

00:13:12,329 --> 00:13:10,149

that the higher side chats as we all

239

00:13:14,730 --> 00:13:12,339

know and love it came to be what it is

240

00:13:16,440 --> 00:13:14,740

after a serious mushroom trip tell us

241

00:13:19,170 --> 00:13:16,450

the audience about another memorable

242

00:13:20,220 --> 00:13:19,180

drug experience that you feel has

243

00:13:25,290 --> 00:13:20,230

changed you

244

00:13:29,870 --> 00:13:25,300

maybe the person might make my cold act

245

00:13:35,340 --> 00:13:33,120

meaningful salvia the first time I took

246

00:13:38,069 --> 00:13:35,350

salvia that morning I was an atheist is

247

00:13:39,780 --> 00:13:38,079

like you die you die I got sent

248

00:13:41,460 --> 00:13:39,790

somewhere talked to a couple entities

249

00:13:42,900 --> 00:13:41,470

came back and I was like there is

250

00:13:45,420 --> 00:13:42,910

something else you die okay

251
00:13:47,759 --> 00:13:45,430
and the weirdest thing is you

252
00:13:50,460 --> 00:13:47,769
immediately thought about here I was and

253
00:13:50,910 --> 00:13:50,470
the first thought is this is totally

254
00:13:53,370 --> 00:13:50,920
normal

255
00:13:55,170 --> 00:13:53,380
I did not feel like jarring or like

256
00:13:57,270 --> 00:13:55,180
completely porn it was like oh

257
00:13:59,910 --> 00:13:57,280
I do this all the time like what

258
00:14:01,140 --> 00:13:59,920
experience life outside of body I just

259
00:14:02,940 --> 00:14:01,150
guess I forget about it

260
00:14:05,400 --> 00:14:02,950
it was weird I can see the people that

261
00:14:07,020 --> 00:14:05,410
were watching me freak out right I was

262
00:14:08,550 --> 00:14:07,030
like should I just have this experience

263
00:14:09,540 --> 00:14:08,560

where should I go back there and tell

264

00:14:12,240 --> 00:14:09,550

them I'll be alright

265

00:14:14,730 --> 00:14:12,250

and I was like don't they'll be back

266

00:14:17,340 --> 00:14:14,740

they'll be fine now yeah so hung out

267

00:14:20,610 --> 00:14:17,350

with these entities the guy was super it

268

00:14:23,940 --> 00:14:20,620

was a female and male may entities or

269

00:14:25,830 --> 00:14:23,950

the other hand okay dr. Helmick male is

270

00:14:27,480 --> 00:14:25,840

a super excited like dude I can't

271

00:14:28,590 --> 00:14:27,490

believe you're here you're I can't

272

00:14:31,800 --> 00:14:28,600

believe you like found a way to

273

00:14:33,750 --> 00:14:31,810

communicate with them and the the girl

274

00:14:35,610 --> 00:14:33,760

is way more cynical like you know why

275

00:14:37,050 --> 00:14:35,620

even messages when we gonna last five

276

00:14:39,870 --> 00:14:37,060

minutes you're gonna be gone

277

00:14:42,060 --> 00:14:39,880

I'm not gonna stay so why even like bite

278

00:14:44,040 --> 00:14:42,070

me talk to him it's like just you're be

279

00:14:46,050 --> 00:14:44,050

gone and so that was like the the

280

00:14:48,150 --> 00:14:46,060

personalities there were that I was

281

00:14:51,450 --> 00:14:48,160

dealing with her enthusiastic versus

282

00:14:53,040 --> 00:14:51,460

kind of a [h__\h] exactly I came back and

283

00:15:07,970 --> 00:14:53,050

I was like yeah I think there's

284

00:15:10,590 --> 00:15:07,980

something so one of our original entries

285

00:15:13,200 --> 00:15:10,600

couldn't get but conveniently in my

286

00:15:15,330 --> 00:15:13,210

cupboard I had Blair's after - gotta be

287

00:15:17,340 --> 00:15:15,340

careful so this is several steps below

288

00:15:20,640 --> 00:15:17,350

Meg enough but still pretty good got a

289

00:15:22,389 --> 00:15:20,650

great flavor I think you're gonna enjoy

290

00:15:30,100 --> 00:15:22,399

it

291

00:15:32,170 --> 00:15:30,110

if they're all hotter than that \$100 the

292

00:15:34,600 --> 00:15:32,180

hundred percent was pretty hot who would

293

00:15:38,280 --> 00:15:34,610

need more room to enter your mouth they

294

00:15:44,220 --> 00:15:39,509

Cheers

295

00:15:50,739 --> 00:15:46,600

[Music]

296

00:15:52,569 --> 00:15:50,749

oh I can split those first don't have to

297

00:15:53,769 --> 00:15:52,579

[h__\h] with it after out them well that's

298

00:15:58,119 --> 00:15:53,779

actually one of the best ways to do it

299

00:16:01,720 --> 00:15:58,129

do a little bad little piece and do a

300

00:16:20,859 --> 00:16:01,730

little better than you actually this is

301

00:16:24,160 --> 00:16:20,869

good I love this must have predictive

302

00:16:26,499 --> 00:16:24,170

programming 911 or predictive

303

00:16:28,660 --> 00:16:26,509

programming Donald Trump a man they did

304

00:16:29,889 --> 00:16:28,670

do that but Jim how weird is that a sign

305

00:16:31,840 --> 00:16:29,899

that was weird

306

00:16:34,539 --> 00:16:31,850

that's a while ago you got to admit that

307

00:16:37,960 --> 00:16:34,549

it's [h__h] weird that Simpsons more

308

00:16:40,329 --> 00:16:37,970

than a couple of times has predicted

309

00:16:43,090 --> 00:16:40,339

major events that are conspiratorial in

310

00:16:46,509 --> 00:16:43,100

nature all right well let me actually

311

00:16:49,769 --> 00:16:46,519

ask you about that do you think it is

312

00:16:55,210 --> 00:16:49,779

more likely that it's actually

313

00:16:56,949 --> 00:16:55,220

predictive in a purposeful sense or they

314

00:16:58,840 --> 00:16:56,959

just try to think of the most ridiculous

315

00:17:00,629 --> 00:16:58,850

thing that could happen and we are in

316

00:17:02,919 --> 00:17:00,639

the darkest timeline where that occurred

317

00:17:05,829 --> 00:17:02,929

no I think it's I think it's more than

318

00:17:08,319 --> 00:17:05,839

that because the 9/11 one if you've seen

319

00:17:11,230 --> 00:17:08,329

it before it holds up the magazine yeah

320

00:17:13,389 --> 00:17:11,240

9/11 foots ours that could be fluent in

321

00:17:14,769 --> 00:17:13,399

perhaps but there's other cases of

322

00:17:17,379 --> 00:17:14,779

addictive programming that are even

323

00:17:19,269 --> 00:17:17,389

crazier it's Justin Simpson seems to be

324

00:17:21,850 --> 00:17:19,279

getting them more often it gets them

325

00:17:23,620 --> 00:17:21,860

once in a while and that shows also been

326

00:17:25,809 --> 00:17:23,630

one of the longest-running shows but

327

00:17:27,639 --> 00:17:25,819

breaking program in the best instances

328

00:17:30,039 --> 00:17:27,649

neo's passport in the matrix

329

00:17:31,210 --> 00:17:30,049

Neos passport in the Matrix movie made

330

00:17:35,190 --> 00:17:31,220

in like 1999

331

00:17:38,019 --> 00:17:35,200

yes passport expires September 11 2001

332

00:17:41,440 --> 00:17:38,029

specifically okay how interesting that a

333

00:17:44,110 --> 00:17:41,450

movies about waking up out of a you know

334

00:17:46,600 --> 00:17:44,120

a sleepwalking culture his literal

335

00:17:47,880 --> 00:17:46,610

expiration date is the day of 9/11 I

336

00:17:49,530 --> 00:17:47,890

don't know

337

00:17:50,700 --> 00:17:49,540

because now you feel like do you feel

338

00:17:52,410 --> 00:17:50,710

like there was some sort of cultural

339

00:17:54,840 --> 00:17:52,420

awakening on September 11th not

340

00:17:56,730 --> 00:17:54,850

awakening but a definite shift a

341

00:17:58,890 --> 00:17:56,740

definite change you can see awake an

342

00:18:00,600 --> 00:17:58,900

incan so many people 9/11 was the first

343

00:18:11,039 --> 00:18:00,610

like conspiracy where they're like oh

344

00:18:11,970 --> 00:18:11,049

[h__h] this is actually uh yeah we coded

345

00:18:14,400 --> 00:18:11,980

this one so this is probably gonna be

346

00:18:23,340 --> 00:18:14,410

bad I feel like this is what probably

347

00:18:25,260 --> 00:18:23,350

suffering tastes like tastes bad

348

00:18:28,049 --> 00:18:25,270

well you know some a lot of times people

349

00:18:30,570 --> 00:18:28,059

will sacrifice flavor and enjoyability

350

00:18:32,520 --> 00:18:30,580

for pure heat so that's actually pretty

351

00:18:39,450 --> 00:18:32,530

common Josefa one a lot of times they

352

00:18:44,460 --> 00:18:39,460

don't balance that play very well all

353

00:18:47,909 --> 00:18:44,470

right oh yeah that actually tastes just

354

00:18:54,720 --> 00:18:47,919

awful that is not enjoyable

355

00:18:56,789 --> 00:18:54,730

oh never marry good flavor now this one

356

00:18:58,620 --> 00:18:56,799

is not hot immediately which probably

357

00:18:59,240 --> 00:18:58,630

means it's going to get real bad the

358

00:19:01,320 --> 00:18:59,250

minute

359

00:19:07,590 --> 00:19:01,330

that's usually how that goes either pick

360

00:19:09,659 --> 00:19:07,600

it fast or not all right where we at all

361

00:19:17,720 --> 00:19:09,669

right sub brick skip flash from the

362

00:19:24,030 --> 00:19:23,340

this is mad dog 357 this sauce will blow

363

00:19:25,920 --> 00:19:24,040

you away

364

00:19:29,550 --> 00:19:25,930
