[Music]

2
00:00:10,190 --> 00:00:07,140

the planet crossing masters almost

3
00:00:12,890 --> 00:00:10,200

surely have a plan this clearly may be

4
00:00:15,980 --> 00:00:12,900

something there beyond the realm of man

5
00:00:19,640 --> 00:00:15,990

and if you sell it adjusted every lap

6
00:00:22,880 --> 00:00:19,650

goes to you a lot more you think you

7
00:00:28,320 --> 00:00:22,890

know that you really do that's true dr.

8
00:00:30,980 --> 00:00:28,330

Zaius without

9
00:00:33,680 --> 00:00:30,990

because we know that

10
00:00:34,880 --> 00:00:33,690

so don't know what

11
00:00:42,340 --> 00:00:34,890

[Music]

12
00:00:47,390 --> 00:00:45,350

all right higher side chatters as we

13
00:00:49,490 --> 00:00:47,400

continue to awaken from a carefully

14

00:00:51,860 --> 00:00:49,500

crafted reality full of seductive ads

15

00:00:53,930 --> 00:00:51,870

shallow distractions and sad cubicles

16

00:00:55,250 --> 00:00:53,940

we've come to face the fact that we know

17

00:00:57,320 --> 00:00:55,260

very little about the bigger picture

18

00:00:59,360 --> 00:00:57,330

beyond the smoke and mirrors of modern

19

00:01:01,670 --> 00:00:59,370

culture thus we take it upon ourselves

20

00:01:03,590 --> 00:01:01,680

to keep on keeping on exploring the

21

00:01:05,119 --> 00:01:03,600

multitude of alternative paradigms and

22

00:01:07,070 --> 00:01:05,129

models attempting to answer the big

23

00:01:08,750 --> 00:01:07,080

questions the system seems intent on

24

00:01:11,810 --> 00:01:08,760

keeping securely behind the curtain

25

00:01:13,430 --> 00:01:11,820

where did the human story begin why does

26

00:01:14,930 --> 00:01:13,440

there seem to be an occult subtext to

27

00:01:17,030 --> 00:01:14,940

nearly everything when you learn how to

28

00:01:18,980 --> 00:01:17,040

look for it and who's really pulling the

29

00:01:21,590 --> 00:01:18,990

strings of the publicly facing elite

30

00:01:23,030 --> 00:01:21,600

class well we realize a lot of effort

31

00:01:24,889 --> 00:01:23,040

has been exhausted destroying very

32

00:01:27,050 --> 00:01:24,899

specific world views it seemed to be

33

00:01:29,660 --> 00:01:27,060

reemerging again now more than ever and

34

00:01:31,460 --> 00:01:29,670

while the details names archetypes and

35

00:01:33,740 --> 00:01:31,470

their moral alignments can vary from

36

00:01:35,389 --> 00:01:33,750

researcher to researcher one thing that

37

00:01:37,100 --> 00:01:35,399

comes back consistently is that the

38

00:01:39,380 --> 00:01:37,110

world is not what we're told it is and

39

00:01:41,480 --> 00:01:39,390

the big secret very well may be that all

40

00:01:42,980 --> 00:01:41,490

of society's razzle dazzle is there to

41

00:01:45,469 --> 00:01:42,990

distract us from our servitude to

42

00:01:47,300 --> 00:01:45,479

something unseen call them the wardens

43

00:01:49,219 --> 00:01:47,310

of our prison planet or the cultivators

44

00:01:51,350 --> 00:01:49,229

of human crops in some type of energy

45

00:01:53,660 --> 00:01:51,360

farm but however you view it the truth

46

00:01:55,639 --> 00:01:53,670

seems very ancient very well hidden and

47

00:01:58,309 --> 00:01:55,649

lucky for us is very much the focus of

48

00:01:59,990 --> 00:01:58,319

today's guest Robert Stanley Robert has

49

00:02:01,850 --> 00:02:00,000

been exploring these questions about as

50

00:02:03,919 --> 00:02:01,860

long as I've been alive having come face

51
00:02:06,919 --> 00:02:03,929
to face with mine parasite possession in

52
00:02:08,660 --> 00:02:06,929
1985 and his widely discussed account of

53
00:02:10,430 --> 00:02:08,670
seeing a young boy thrust himself

54
00:02:13,160 --> 00:02:10,440
through a sliding glass door firsthand

55
00:02:15,260 --> 00:02:13,170
as Robert attempted to help the arconti

56
00:02:17,150 --> 00:02:15,270
soft swarming overhead sent him on a

57
00:02:18,380 --> 00:02:17,160
lifelong pursuit of answers and a

58
00:02:20,750 --> 00:02:18,390
dedication to sharing the information

59
00:02:23,120 --> 00:02:20,760
he's gathered in the three decades since

60
00:02:24,949 --> 00:02:23,130
he's released numerous deep level

61
00:02:26,960 --> 00:02:24,959
research articles on many topics that

62
00:02:28,610 --> 00:02:26,970
touch on these themes and two very

63
00:02:29,990 --> 00:02:28,620

revealing books that explore this

64

00:02:32,270 --> 00:02:30,000

otherworldly influence in our

65

00:02:34,550 --> 00:02:32,280

governmental epicenter entitled close

66

00:02:37,130 --> 00:02:34,560

encounters on Capitol Hill and covert

67

00:02:38,990 --> 00:02:37,140

encounters in Washington DC during his

68

00:02:41,180 --> 00:02:39,000

passionate pursuit of modern and ancient

69

00:02:43,910 --> 00:02:41,190

mysteries Robert has traveled 258

70

00:02:45,500 --> 00:02:43,920

countries in 57 years and his ongoing

71

00:02:47,839 --> 00:02:45,510

investigations have been featured on

72

00:02:50,030 --> 00:02:47,849

television radio print and now on the

73

00:02:53,869 --> 00:02:50,040

higher side chats all the way from Hong

74

00:02:56,059 --> 00:02:53,879

Kong Robert my man welcome to THC

75

00:02:59,030 --> 00:02:56,069

Wow thank you I'm honored that was an

76
00:03:01,220 --> 00:02:59,040
awesome introduction thanks man thanks I

77
00:03:03,170 --> 00:03:01,230
try and I appreciate you being here I'm

78
00:03:04,819 --> 00:03:03,180
really excited to dive right into the

79
00:03:06,890 --> 00:03:04,829
deep end of the pool obviously I tried

80
00:03:09,440 --> 00:03:06,900
to grease the wheels a little bit there

81
00:03:11,509 --> 00:03:09,450
with that introduction but talk to us a

82
00:03:12,679 --> 00:03:11,519
little bit about your path through the

83
00:03:14,750 --> 00:03:12,689
research and some of the conclusions

84
00:03:17,720 --> 00:03:14,760
you've been able to come to at this

85
00:03:18,559 --> 00:03:17,730
stage of the game okay I mean that's a

86
00:03:21,470 --> 00:03:18,569
good question

87
00:03:23,209 --> 00:03:21,480
you know hair is the problem most of the

88
00:03:27,890 --> 00:03:23,219

information that's what round out there

89

00:03:31,879 --> 00:03:27,900

is speculative yes and okay so when we

90

00:03:34,699 --> 00:03:31,889

talk about information it's not that it

91

00:03:40,490 --> 00:03:34,709

hasn't been validated and that's where I

92

00:03:43,670 --> 00:03:40,500

feel like we've been shortchanged ice

93

00:03:45,470 --> 00:03:43,680

obvious that someone whether they be in

94

00:03:47,679 --> 00:03:45,480

the government or extraterrestrials and

95

00:03:52,759 --> 00:03:47,689

so if they're not giving the public

96

00:03:55,250 --> 00:03:52,769

access to credible hardcore information

97

00:03:59,569 --> 00:03:55,260

stuff that we can actually bet and know

98

00:04:01,640 --> 00:03:59,579

is factual you know and that's one of

99

00:04:04,550 --> 00:04:01,650

the problems with this field yes there's

100

00:04:06,939 --> 00:04:04,560

a lot of theory running around lot of

101

00:04:10,640 --> 00:04:06,949

speculation and it's fascinating and

102

00:04:14,659 --> 00:04:10,650

some of it is probably accurate but

103

00:04:18,009 --> 00:04:14,669

again it's you know okay so I try and

104

00:04:22,339 --> 00:04:18,019

put pictures up on a lot of my material

105

00:04:24,860 --> 00:04:22,349

but that by themselves doesn't prove

106

00:04:26,629 --> 00:04:24,870

anything for example you mentioned I

107

00:04:28,850 --> 00:04:26,639

wrote two books about the UFOs and

108

00:04:31,310 --> 00:04:28,860

extraterrestrials in Washington DC we

109

00:04:33,800 --> 00:04:31,320

have authentic photo something landing

110

00:04:35,330 --> 00:04:33,810

on the Capitol building July 16th you

111

00:04:36,140 --> 00:04:35,340

dozen - yeah you think that would be a

112

00:04:40,189 --> 00:04:36,150

big story

113

00:04:41,899 --> 00:04:40,199

nobody wants to touch it and you know

114

00:04:44,390 --> 00:04:41,909

the problem there again is the

115

00:04:46,159 --> 00:04:44,400

government won't talk about it the

116

00:04:48,950 --> 00:04:46,169

extraterrestrials themselves didn't hang

117

00:04:50,330 --> 00:04:48,960

out long enough to give a press

118

00:04:52,430 --> 00:04:50,340

conference which I'm sure they could

119

00:04:54,589 --> 00:04:52,440

have done even though I'm sure the

120

00:04:56,510 --> 00:04:54,599

military would have shown up they really

121

00:04:58,010 --> 00:04:56,520

hungry I'm on it because that seems to

122

00:05:01,129 --> 00:04:58,020

be part of the deal - there they play

123

00:05:04,189 --> 00:05:01,139

cat-and-mouse games with our military

124

00:05:06,320 --> 00:05:04,199

but anyway I fault not only our

125

00:05:07,380 --> 00:05:06,330

government is certainly needing the

126

00:05:08,490 --> 00:05:07,390

Vatican

127

00:05:11,280 --> 00:05:08,500

a lot of information that withholding

128

00:05:14,910 --> 00:05:11,290

and the extraterrestrials themselves are

129

00:05:18,870 --> 00:05:14,920

really they're not forthcoming with any

130

00:05:21,330 --> 00:05:18,880

hardcore information artifacts that's

131

00:05:23,130 --> 00:05:21,340

true and it does seem like as I've

132

00:05:25,170 --> 00:05:23,140

gotten into your research it expands a

133

00:05:27,330 --> 00:05:25,180

lot further than just what's going on in

134

00:05:29,940 --> 00:05:27,340

the microcosm of Washington DC but it

135

00:05:32,160 --> 00:05:29,950

does still seem like that is a really

136

00:05:33,930 --> 00:05:32,170

important piece of the puzzle what can

137

00:05:36,450 --> 00:05:33,940

you say to kind of clarify people's

138

00:05:38,520 --> 00:05:36,460

understanding of how the archons or et

139

00:05:41,630 --> 00:05:38,530

are working with or controlling the

140

00:05:44,550 --> 00:05:41,640

American machine in particular is he

141

00:05:49,020 --> 00:05:44,560

that the kid help alarm correct yeah

142

00:05:55,170 --> 00:05:49,030

look I didn't even plan on that I mean

143

00:05:57,570 --> 00:05:55,180

it was I think was May of 9 2005 Darryl

144

00:06:00,860 --> 00:05:57,580

sim sent me an email that he got from a

145

00:06:03,960 --> 00:06:00,870

photographer in Washington DC and

146

00:06:06,330 --> 00:06:03,970

Carroll was asking me if I thought that

147

00:06:09,060 --> 00:06:06,340

the photographs are real well I mean in

148

00:06:11,250 --> 00:06:09,070

the age of Photoshop how could you tell

149

00:06:12,960 --> 00:06:11,260

right right but there was a contact

150

00:06:14,550 --> 00:06:12,970

information there for the photographer

151
00:06:15,990 --> 00:06:14,560
and so I called them up and we talked

152
00:06:17,820 --> 00:06:16,000
and we've been friends ever since

153
00:06:19,510 --> 00:06:17,830
but that's what led to me writing the

154
00:06:21,879 --> 00:06:19,520
first article

155
00:06:23,969 --> 00:06:21,889
and that's also what led to a black

156
00:06:26,890 --> 00:06:23,979
helicopter coming directly to my home

157
00:06:28,839 --> 00:06:26,900
and harassing me at my home in the

158
00:06:32,290 --> 00:06:28,849
afternoon in Los Angeles when I was

159
00:06:33,700 --> 00:06:32,300
living there so clearly they they were

160
00:06:35,170 --> 00:06:33,710
very concerned about the fact I

161
00:06:40,570 --> 00:06:35,180
published those pictures that were taken

162
00:06:43,839 --> 00:06:40,580
in Washington DC on July 16th 2002 why

163
00:06:46,300 --> 00:06:43,849

are they hiding all this stuff well in

164

00:06:49,420 --> 00:06:46,310

my opinion now all these years later

165

00:06:51,189 --> 00:06:49,430

after having written two books I mean

166

00:06:54,309 --> 00:06:51,199

this literally like over 800 pages of

167

00:06:56,710 --> 00:06:54,319

material that I wrote on that subject

168

00:06:59,830 --> 00:06:56,720

and also all the photos it wasn't just

169

00:07:02,200 --> 00:06:59,840

those photographs that were taken by mr.

170

00:07:05,499 --> 00:07:02,210

will brown it was all the other people's

171

00:07:10,059 --> 00:07:05,509

photographs that corroborated what you

172

00:07:11,499 --> 00:07:10,069

know he had gotten and so I started to

173

00:07:13,959 --> 00:07:11,509

especially the second book in the

174

00:07:16,300 --> 00:07:13,969

conclusion second book I realized that

175

00:07:18,279 --> 00:07:16,310

and this is an historical record it's

176

00:07:21,059 --> 00:07:18,289

not something I made up but there is a

177

00:07:24,420 --> 00:07:21,069

very strong satanic and Luciferian

178

00:07:27,209 --> 00:07:24,430

undercurrent if not foundation or

179

00:07:29,740 --> 00:07:27,219

Washington even existing the way it is

180

00:07:32,230 --> 00:07:29,750

that was very surprised as I was writing

181

00:07:34,540 --> 00:07:32,240

that but I think a lot of people know

182

00:07:35,860 --> 00:07:34,550

that there's these weird like pentagrams

183

00:07:37,860 --> 00:07:35,870

and other things that that were

184

00:07:40,180 --> 00:07:37,870

incorporated into the city itself but

185

00:07:43,689 --> 00:07:40,190

it's more than that I mean that the

186

00:07:46,689 --> 00:07:43,699

Vatican was a huge influence and in all

187

00:07:48,279 --> 00:07:46,699

of this and they do have some sort of

188

00:07:50,800 --> 00:07:48,289

serious problems they go way back to

189

00:07:53,769 --> 00:07:50,810

Babylon and all the the Anunnaki

190

00:07:56,350 --> 00:07:53,779

gods and basically they're in my opinion

191

00:07:58,379 --> 00:07:56,360

what I've learned about it they they

192

00:08:00,930 --> 00:07:58,389

look at us as just the property and

193

00:08:03,249 --> 00:08:00,940

that's not a good thing obviously so

194

00:08:04,899 --> 00:08:03,259

alright but the thing that really

195

00:08:07,209 --> 00:08:04,909

disturbed me about my research of

196

00:08:10,269 --> 00:08:07,219

Washington DC was the true story

197

00:08:12,339 --> 00:08:10,279

allegedly of a boy thirteen-year-old boy

198

00:08:15,459 --> 00:08:12,349

that was the best

199

00:08:16,540 --> 00:08:15,469

he's looking just on the outskirts of

200

00:08:18,429 --> 00:08:16,550

the city

201
00:08:21,519 --> 00:08:18,439
Washington proper okay but I mean I'm

202
00:08:24,010 --> 00:08:21,529
still near the district and it was in

203
00:08:25,659 --> 00:08:24,020
the newspapers I think it was 47 around

204
00:08:28,320 --> 00:08:25,669
the time when a lot of yoga activity was

205
00:08:31,119 --> 00:08:28,330
really starting to become prevalent and

206
00:08:33,759 --> 00:08:31,129
reported in the newspapers back then and

207
00:08:36,159 --> 00:08:33,769
this thirteen-year-old boy allegedly was

208
00:08:38,379 --> 00:08:36,169
acting like he was to death it was

209
00:08:40,149 --> 00:08:38,389
driving his family crazy they called it

210
00:08:42,339 --> 00:08:40,159
a psychiatrist psychiatrist gave him

211
00:08:44,800 --> 00:08:42,349
drugs that didn't stop it then somebody

212
00:08:47,230 --> 00:08:44,810
said well you need to get some

213
00:08:50,470 --> 00:08:47,240

you know you need to get an exorcist in

214

00:08:52,450 --> 00:08:50,480

here and they did multiple exorcisms

215

00:08:54,190 --> 00:08:52,460

there as well in some Chicago and

216

00:08:56,080 --> 00:08:54,200

eventually the boy from what I

217

00:08:58,270 --> 00:08:56,090

understand and this family they got some

218

00:09:00,070 --> 00:08:58,280

relief went on with their life but it

219

00:09:02,620 --> 00:09:00,080

got me thinking it reminded me of what

220

00:09:05,140 --> 00:09:02,630

happened in 1985 when I was in Malibu

221

00:09:07,600 --> 00:09:05,150

right with that boy yeah it made me

222

00:09:11,230 --> 00:09:07,610

think back like why wait hold on second

223

00:09:12,430 --> 00:09:11,240

if these parasites are if they're all

224

00:09:15,070 --> 00:09:12,440

over the place it would make sense

225

00:09:18,550 --> 00:09:15,080

they'd go to Washington DC and I don't

226

00:09:20,140 --> 00:09:18,560

think it's just that for now do you

227

00:09:21,820 --> 00:09:20,150

think the government and politicians

228

00:09:24,070 --> 00:09:21,830

that are being affected by these archons

229

00:09:25,600 --> 00:09:24,080

do you think they know of it are they

230

00:09:28,270 --> 00:09:25,610

like in partnership with these entities

231

00:09:30,670 --> 00:09:28,280

or is it some kind of mind parasite that

232

00:09:31,990 --> 00:09:30,680

they might be ignorant of it depends on

233

00:09:32,950 --> 00:09:32,000

talking about I mean that's so there's a

234

00:09:34,390 --> 00:09:32,960

lot of people that work for the

235

00:09:36,370 --> 00:09:34,400

government and then different levels

236

00:09:38,350 --> 00:09:36,380

yeah compartmentalize that's right but

237

00:09:40,300 --> 00:09:38,360

Nick Radford wrote a book about this

238

00:09:42,820 --> 00:09:40,310

side I never can remember the title of

239

00:09:44,890 --> 00:09:42,830

the book but it essentially exposed a

240

00:09:46,930 --> 00:09:44,900

group within the US government that

241

00:09:51,780 --> 00:09:46,940

knows about this they're called the

242

00:09:54,820 --> 00:09:51,790

Collins elite fallen elite and they

243

00:09:56,470 --> 00:09:54,830

foolishly thought that they could create

244

00:10:00,160 --> 00:09:56,480

some sort of alliance with these

245

00:10:02,440 --> 00:10:00,170

entities to defeat our perceived enemies

246

00:10:04,450 --> 00:10:02,450

whatever it may be to not to use the

247

00:10:07,270 --> 00:10:04,460

Russians you name it right maybe now

248

00:10:10,630 --> 00:10:07,280

it's in one is it seeing it I mean

249

00:10:11,560 --> 00:10:10,640

really technically this is a form of

250

00:10:14,740 --> 00:10:11,570

insanity

251
00:10:17,800 --> 00:10:14,750
these parasites do make people crazy and

252
00:10:20,700 --> 00:10:17,810
it is very clear when someone is badly

253
00:10:22,870 --> 00:10:20,710
infected by the mental parasite they are

254
00:10:26,110 --> 00:10:22,880
psychopathic meaning they have no

255
00:10:31,090 --> 00:10:26,120
empathy it's the opposite of empathy is

256
00:10:33,190 --> 00:10:31,100
psychopathy and they also although most

257
00:10:36,640 --> 00:10:33,200
people want to knit it they're hearing

258
00:10:39,610 --> 00:10:36,650
voices and those voices are very clear

259
00:10:43,750 --> 00:10:39,620
as far as I know they can mimic whoever

260
00:10:45,880 --> 00:10:43,760
they want to manipulate a person so

261
00:10:47,680 --> 00:10:45,890
let's just say you know my only hearing

262
00:10:49,720 --> 00:10:47,690
the voice of my deceased grandmother

263
00:10:51,910 --> 00:10:49,730

telling me you know I need to go do

264

00:10:54,010 --> 00:10:51,920

something typically it wouldn't be my

265

00:10:57,370 --> 00:10:54,020

crime unless there would be these

266

00:10:58,240 --> 00:10:57,380

entities and so you know the harshest

267

00:11:00,640 --> 00:10:58,250

thing that I

268

00:11:02,980 --> 00:11:00,650

about all this and my years of actually

269

00:11:06,520 --> 00:11:02,990

decades of research is that these things

270

00:11:09,100 --> 00:11:06,530

apparently need us they feed off of

271

00:11:11,290 --> 00:11:09,110

energy that's released through our DNA

272

00:11:14,320 --> 00:11:11,300

on a cellular level when we hurt

273

00:11:17,110 --> 00:11:14,330

ourselves and/or others and this is why

274

00:11:21,640 --> 00:11:17,120

they're constantly part woking us to do

275

00:11:23,620 --> 00:11:21,650

harm interesting men and so you know

276

00:11:24,760 --> 00:11:23,630

your books talk about UFOs we're talking

277

00:11:26,770 --> 00:11:24,770

about mind parasites

278

00:11:30,130 --> 00:11:26,780

I wouldn't think these mental parasites

279

00:11:32,500 --> 00:11:30,140

are the same as these UFO pilots how can

280

00:11:35,110 --> 00:11:32,510

we kind of parse out who's who and what

281

00:11:40,000 --> 00:11:35,120

we're dealing with here no that's an

282

00:11:41,890 --> 00:11:40,010

excellent question so unfortunately when

283

00:11:43,480 --> 00:11:41,900

I first started down this path in 1980

284

00:11:47,350 --> 00:11:43,490

but I really didn't know what was going

285

00:11:49,810 --> 00:11:47,360

on I had no clue and most people that I

286

00:11:52,120 --> 00:11:49,820

spoke to have no idea either

287

00:11:56,620 --> 00:11:52,130

however one of my friends that I grew up

288

00:11:58,210 --> 00:11:56,630

with we were talking and he he went to

289

00:11:59,980 --> 00:11:58,220

his parents libraries they're they're

290

00:12:01,900 --> 00:11:59,990

writers and Hollywood

291

00:12:03,510 --> 00:12:01,910

naturally Malaba is just that kind of a

292

00:12:05,920 --> 00:12:03,520

place there's a lot of celebrities and

293

00:12:07,660 --> 00:12:05,930

Hollywood types anyway he went to his

294

00:12:09,670 --> 00:12:07,670

parents library grabbed his book and he

295

00:12:11,620 --> 00:12:09,680

said I think you should read this he

296

00:12:13,780 --> 00:12:11,630

hadn't even read it but he's kidding

297

00:12:16,000 --> 00:12:13,790

because you know there's probably some

298

00:12:18,190 --> 00:12:16,010

answers in here it was just kind of a

299

00:12:21,370 --> 00:12:18,200

thing he did so I was started reading it

300

00:12:25,390 --> 00:12:21,380

and sure enough there was I was about

301
00:12:28,510 --> 00:12:25,400
1986 I didn't fully understand that the

302
00:12:31,840 --> 00:12:28,520
information was right there until 2014

303
00:12:35,590 --> 00:12:31,850
and it here's what it is I know this

304
00:12:37,060 --> 00:12:35,600
sounds controversial but allegedly the

305
00:12:39,700 --> 00:12:37,070
guy that wrote the book he was a friend

306
00:12:41,470 --> 00:12:39,710
of my dad turned out uh-huh a lot of

307
00:12:44,170 --> 00:12:41,480
weird coincidences right synchronicities

308
00:12:46,930 --> 00:12:44,180
waiting applaud so this guy writes a

309
00:12:48,940 --> 00:12:46,940
book part of it he says the information

310
00:12:53,079 --> 00:12:48,950
was given to him by benevolent came an

311
00:12:55,630 --> 00:12:53,089
extraterrestrial in 1950 and they

312
00:12:58,240 --> 00:12:55,640
describe to this authors named Norman

313
00:13:00,100 --> 00:12:58,250

Paulson he was seized now but he claims

314

00:13:02,680 --> 00:13:00,110

that they told him that Lucifer was the

315

00:13:04,660 --> 00:13:02,690

one that had created these mental

316

00:13:07,240 --> 00:13:04,670

parasites that the Gnostics called the

317

00:13:12,549 --> 00:13:07,250

archons not he didn't say it exactly in

318

00:13:16,599 --> 00:13:12,559

those words but I actually have a post

319

00:13:19,329 --> 00:13:16,609

his exact transcript or that section of

320

00:13:22,029 --> 00:13:19,339

the book and it gave some pretty clear

321

00:13:23,559 --> 00:13:22,039

explanation about a kissy as I read it I

322

00:13:26,949 --> 00:13:23,569

didn't know that he was talking about

323

00:13:29,769 --> 00:13:26,959

the mental Paris - and how lucifer also

324

00:13:31,119 --> 00:13:29,779

known as inky - most people that read

325

00:13:35,709 --> 00:13:31,129

Sitchin they'll know who I'm talking

326

00:13:38,019 --> 00:13:35,719

about he's the one who he his crew used

327

00:13:40,599 --> 00:13:38,029

to be builders of worlds they were

328

00:13:44,109 --> 00:13:40,609

divine beings and they still are on some

329

00:13:46,419 --> 00:13:44,119

level unfortunately they went into an

330

00:13:48,249 --> 00:13:46,429

area that was off-limits when Norman

331

00:13:51,369 --> 00:13:48,259

called a Forbidden Zone

332

00:13:53,439 --> 00:13:51,379

I don't know what that is he didn't say

333

00:13:57,819 --> 00:13:53,449

okay but this is what he was told

334

00:13:59,439 --> 00:13:57,829

and when Anki when he and his crew went

335

00:14:02,969 --> 00:13:59,449

into the Forbidden Zone they were so

336

00:14:05,139 --> 00:14:02,979

badly traumatized they suffered multiple

337

00:14:07,809 --> 00:14:05,149

personality disorder which they still

338

00:14:09,519 --> 00:14:07,819

suffer from today and they also

339

00:14:13,539 --> 00:14:09,529

accidentally created these mental

340

00:14:16,059 --> 00:14:13,549

parasites and only last year yeah unless

341

00:14:19,599 --> 00:14:16,069

this last year I found an article about

342

00:14:22,299 --> 00:14:19,609

Tibetan Buddhist monks that they can

343

00:14:26,549 --> 00:14:22,309

actually they say that if they feel

344

00:14:30,219 --> 00:14:26,559

threatened they will create an external

345

00:14:34,869 --> 00:14:30,229

thought-form entity that will attack

346

00:14:36,819 --> 00:14:34,879

their adversary interesting so yeah it's

347

00:14:38,979 --> 00:14:36,829

just there's a lot of clues here that

348

00:14:40,119 --> 00:14:38,989

I've kind of pulled together to sort of

349

00:14:43,749 --> 00:14:40,129

help people understand what we're

350

00:14:46,149 --> 00:14:43,759

dealing with here ultimately one of the

351
00:14:47,979 --> 00:14:46,159
biggest clues was when I studied digital

352
00:14:51,549 --> 00:14:47,989
physics have you ever heard of that

353
00:14:53,710 --> 00:14:51,559
no only from your work yeah and you know

354
00:14:57,309 --> 00:14:53,720
here's the thing I never heard of it

355
00:15:00,009 --> 00:14:57,319
either but at some point a guy that

356
00:15:04,239 --> 00:15:00,019
works at the Patent Office in Washington

357
00:15:07,239 --> 00:15:04,249
DC heard me speaking on radio show and

358
00:15:09,519 --> 00:15:07,249
just sent me three books it was a series

359
00:15:12,039 --> 00:15:09,529
about the theory of everything and it

360
00:15:13,899 --> 00:15:12,049
was everything he needs to know about

361
00:15:17,739 --> 00:15:13,909
digital physics it took me almost acute

362
00:15:21,779 --> 00:15:17,749
I swear I'm a good reader but the thing

363
00:15:26,920 --> 00:15:25,269

alien to me no pun intended

364

00:15:29,860 --> 00:15:26,930

yeah but it was it was really foreign

365

00:15:33,100 --> 00:15:29,870

and now I think what it wide okay so

366

00:15:36,460 --> 00:15:33,110

we're all programmed right through

367

00:15:38,739 --> 00:15:36,470

education and entertainment and I have

368

00:15:40,780 --> 00:15:38,749

an open mind but it's like it was like

369

00:15:42,189 --> 00:15:40,790

having to unlearn certain things and

370

00:15:45,100 --> 00:15:42,199

that's why I took me a year to read

371

00:15:47,590 --> 00:15:45,110

through these 1,200 pages and here's the

372

00:15:50,519 --> 00:15:47,600

summary I can give people benefit of

373

00:15:52,989 --> 00:15:50,529

that is kind of a headache actually but

374

00:15:55,449 --> 00:15:52,999

it makes a lot of sense in regards to

375

00:15:58,470 --> 00:15:55,459

this consciousness is primary right now

376

00:16:01,090 --> 00:15:58,480

physics thing it's just an accident they

377

00:16:02,259 --> 00:16:01,100

they don't factor it in you know it's

378

00:16:03,970 --> 00:16:02,269

crazy like we're like a bunch of

379

00:16:06,429 --> 00:16:03,980

chemicals accidentally combine and

380

00:16:07,840 --> 00:16:06,439

suddenly there's constantly right kind

381

00:16:09,879 --> 00:16:07,850

of like the Gnostic idea that the

382

00:16:12,489 --> 00:16:09,889

material world is illusionary and that

383

00:16:13,210 --> 00:16:12,499

the primary existence is our

384

00:16:15,850 --> 00:16:13,220

consciousness

385

00:16:17,379 --> 00:16:15,860

yeah taste existent right and that's one

386

00:16:19,449 --> 00:16:17,389

of the reasons that I believe they were

387

00:16:22,439 --> 00:16:19,459

completely eradicated yeah because they

388

00:16:24,699 --> 00:16:22,449

did have they had access to it Nagamani

389

00:16:27,519 --> 00:16:24,709

so-called library that's nothing that's

390

00:16:29,379 --> 00:16:27,529

absolutely just a drop in a bucket there

391

00:16:31,269 --> 00:16:29,389

were thousands of thousands of thousands

392

00:16:33,879 --> 00:16:31,279

of Scrolls they were all destroyed just

393

00:16:36,249 --> 00:16:33,889

like the Gnostics themselves they had to

394

00:16:38,470 --> 00:16:36,259

go because they were I guess they knew

395

00:16:40,449 --> 00:16:38,480

too much you know they weren't playing

396

00:16:42,939 --> 00:16:40,459

the game anyway so here's the deal

397

00:16:46,329 --> 00:16:42,949

digital physics means that consciousness

398

00:16:48,610 --> 00:16:46,339

is a way but it can be measured as a

399

00:16:51,850 --> 00:16:48,620

digit in other words if you think of a

400

00:16:53,650 --> 00:16:51,860

weight if you could just draw a

401
00:16:56,290 --> 00:16:53,660
horizontal wave in your mind right

402
00:16:57,999 --> 00:16:56,300
you've got a peak in the trough the top

403
00:17:02,530 --> 00:16:58,009
of the wave or the peak would be

404
00:17:05,919 --> 00:17:02,540
considered and on like a1 the trough

405
00:17:09,460 --> 00:17:05,929
will be considered a zero or off off

406
00:17:10,659 --> 00:17:09,470
doesn't mean non-existent okay that

407
00:17:13,000 --> 00:17:10,669
won't people will be very clear about

408
00:17:16,210 --> 00:17:13,010
this so the reason I tell you this is

409
00:17:18,760 --> 00:17:16,220
because what they're claiming in this

410
00:17:22,990 --> 00:17:18,770
new model of physics is that everything

411
00:17:26,399 --> 00:17:23,000
is being processed as information all

412
00:17:30,159 --> 00:17:26,409
the wave forms in all creation are

413
00:17:33,039 --> 00:17:30,169

essentially digital even though we think

414

00:17:36,290 --> 00:17:33,049

of as analog it can be processed on a

415

00:17:38,660 --> 00:17:36,300

digital level so

416

00:17:40,090 --> 00:17:38,670

I know it's a little convoluted but here

417

00:17:43,250 --> 00:17:40,100

so here's the bottom line for me

418

00:17:46,100 --> 00:17:43,260

consciousness is the highest wave form

419

00:17:48,410 --> 00:17:46,110

that we know up mm-hmm if you slow it

420

00:17:50,090 --> 00:17:48,420

down it becomes what we would call

421

00:17:50,840 --> 00:17:50,100

energy is slowed down even more it

422

00:17:53,510 --> 00:17:50,850

becomes matter

423

00:17:55,250 --> 00:17:53,520

so if matter is not an illusion it's an

424

00:17:56,900 --> 00:17:55,260

extension of consciousness and that the

425

00:17:59,060 --> 00:17:56,910

reason I'm telling people this when I

426

00:18:00,530 --> 00:17:59,070

heard me say it before but a lot of

427

00:18:02,530 --> 00:18:00,540

people haven't heard this before and

428

00:18:04,880 --> 00:18:02,540

it's really important our thoughts I

429

00:18:07,880 --> 00:18:04,890

mean nothing would happen if we didn't

430

00:18:10,970 --> 00:18:07,890

have spots right and we just be just try

431

00:18:12,140 --> 00:18:10,980

and just be a bag of bones a trap effect

432

00:18:15,110 --> 00:18:12,150

all the words coming out of my mouth

433

00:18:18,230 --> 00:18:15,120

right now physically are being initiated

434

00:18:19,730 --> 00:18:18,240

by non-physical consciousness all right

435

00:18:22,190 --> 00:18:19,740

it's okay in other words we're

436

00:18:23,480 --> 00:18:22,200

multi-dimensional beings and this makes

437

00:18:25,669 --> 00:18:23,490

a lot of sense because we live in a

438

00:18:28,400 --> 00:18:25,679

multi-dimensional universe it's not all

439

00:18:30,290 --> 00:18:28,410

physical it's not all energetic or

440

00:18:33,290 --> 00:18:30,300

non-physical it's a combination of both

441

00:18:37,070 --> 00:18:33,300

and that's where I feel one of the great

442

00:18:38,900 --> 00:18:37,080

services that education science or done

443

00:18:41,580 --> 00:18:38,910

ptosis

444

00:18:44,240 --> 00:18:41,590

forces to only see it one way it's not

445

00:18:47,640 --> 00:18:44,250

holistic okay it's mechanistic its

446

00:18:51,930 --> 00:18:47,650

reductionist kind of it's I think it's

447

00:18:54,750 --> 00:18:51,940

kind of insane actually right and I mean

448

00:18:57,750 --> 00:18:54,760

it is and that's a very good kind of

449

00:19:00,570 --> 00:18:57,760

visual roadmap for reality but how did

450

00:19:03,080 --> 00:19:00,580

the frequently visiting UFOs tie into

451
00:19:08,400 --> 00:19:03,090
the Archon situation how do they relate

452
00:19:10,590 --> 00:19:08,410
yeah that's a little okay most of the

453
00:19:13,860 --> 00:19:10,600
craft that we see here are part of

454
00:19:15,750 --> 00:19:13,870
inky's Empire my understand this is

455
00:19:19,110 --> 00:19:15,760
again I fit I don't just pull that out

456
00:19:20,790 --> 00:19:19,120
of my hat it took me a lot of research

457
00:19:23,520 --> 00:19:20,800
and when people say where do you get

458
00:19:26,190 --> 00:19:23,530
this information well anywhere and

459
00:19:28,140 --> 00:19:26,200
everywhere I can find it and the thing

460
00:19:29,850 --> 00:19:28,150
is I don't just accept one person as an

461
00:19:33,090 --> 00:19:29,860
authority on this because I don't think

462
00:19:37,290 --> 00:19:33,100
anybody nobody has all the answers right

463
00:19:38,610 --> 00:19:37,300

so I tend to just look at things and see

464

00:19:40,980 --> 00:19:38,620

if they fit because it's kind of like a

465

00:19:43,470 --> 00:19:40,990

cosmic jigsaw puzzle and it's really

466

00:19:45,870 --> 00:19:43,480

difficult because I have no idea what

467

00:19:47,970 --> 00:19:45,880

the picture is that we're trying to put

468

00:19:51,270 --> 00:19:47,980

together here nobody gave us that

469

00:19:53,040 --> 00:19:51,280

roadmap exactly okay so it's really

470

00:19:54,840 --> 00:19:53,050

difficult to find pieces when they fit

471

00:19:55,680 --> 00:19:54,850

it and eventually so this is what it was

472

00:19:57,440 --> 00:19:55,690

like to me right now

473

00:20:03,210 --> 00:19:57,450

that

474

00:20:08,070 --> 00:20:03,220

okay when Anke list for went mad at the

475

00:20:10,860 --> 00:20:08,080

time he was a prince and his parents

476
00:20:11,580 --> 00:20:10,870
were the king and queen of the Orion

477
00:20:15,600 --> 00:20:11,590
Empire

478
00:20:18,120 --> 00:20:15,610
and because he went insane when he

479
00:20:19,620 --> 00:20:18,130
finally he and his crew when they

480
00:20:20,460 --> 00:20:19,630
finally made their way out of the

481
00:20:22,740 --> 00:20:20,470
Forbidden Zone

482
00:20:27,450 --> 00:20:22,750
and they were just you know literally

483
00:20:31,530 --> 00:20:27,460
mad and gone mad and saying when he got

484
00:20:34,860 --> 00:20:31,540
home they said oh wow you're not fit to

485
00:20:37,650 --> 00:20:34,870
rule we can't allow you to ascend to the

486
00:20:41,130 --> 00:20:37,660
kingship at some point the future

487
00:20:42,720 --> 00:20:41,140
unless you can get well that would be

488
00:20:46,020 --> 00:20:42,730

irresponsible we can't just let you do

489

00:20:49,020 --> 00:20:46,030

that I'm not sure he knows he's crazy

490

00:20:51,570 --> 00:20:49,030

you know sometimes people with multiple

491

00:20:53,430 --> 00:20:51,580

personalities or don't even know it or

492

00:20:54,870 --> 00:20:53,440

they can't control it because you never

493

00:20:56,580 --> 00:20:54,880

know which personality in other words

494

00:20:57,360 --> 00:20:56,590

they don't they've sort of lost their

495

00:20:58,950 --> 00:20:57,370

integrity

496

00:21:00,840 --> 00:20:58,960

internally there's this internal

497

00:21:04,140 --> 00:21:00,850

conflict that's raging all the time

498

00:21:06,450 --> 00:21:04,150

between these various personalities

499

00:21:08,760 --> 00:21:06,460

what it is the soul has literally been

500

00:21:10,650 --> 00:21:08,770

fragmented because the soul is the

501
00:21:13,080 --> 00:21:10,660
hologram to begin with it's easy to

502
00:21:15,210 --> 00:21:13,090
break it up into pieces but when you

503
00:21:18,000 --> 00:21:15,220
know what when they're competing with

504
00:21:21,890 --> 00:21:18,010
one another that is not a good thing no

505
00:21:24,450 --> 00:21:21,900
pride frightened yeah so anyway he said

506
00:21:26,970 --> 00:21:24,460
my understanding is on summarizing that

507
00:21:29,610 --> 00:21:26,980
folks okay I don't expect you to just

508
00:21:32,640 --> 00:21:29,620
quote me on this but my understanding is

509
00:21:35,580 --> 00:21:32,650
hid he just decided hey you know what

510
00:21:38,610 --> 00:21:35,590
screw you guys I'll start my own Empire

511
00:21:40,200 --> 00:21:38,620
I don't need you so he went off and did

512
00:21:44,190 --> 00:21:40,210
that and that's where the war in the

513
00:21:47,430 --> 00:21:44,200

heavens started and it actually became a

514

00:21:50,370 --> 00:21:47,440

real problem ultimately he took over

515

00:21:53,460 --> 00:21:50,380

this solar system and made it part of

516

00:21:55,290 --> 00:21:53,470

his empire previously this world is

517

00:21:59,010 --> 00:21:55,300

awesome all the life on here had been

518

00:22:02,310 --> 00:21:59,020

put here by his mother and his half a

519

00:22:04,130 --> 00:22:02,320

gender half-brother and it was a

520

00:22:06,930 --> 00:22:04,140

paradise in a sense that they were

521

00:22:09,720 --> 00:22:06,940

cultivating it to be a blueprint for the

522

00:22:11,940 --> 00:22:09,730

rest of the empire the way I understand

523

00:22:14,130 --> 00:22:11,950

it is that this is why there's such a

524

00:22:16,500 --> 00:22:14,140

great diversity of DNA and life form

525

00:22:19,200 --> 00:22:16,510

Sears could they brought life from all

526

00:22:21,800 --> 00:22:19,210

over their empire placed it in one

527

00:22:25,200 --> 00:22:21,810

planet to see how that would play out

528

00:22:26,970 --> 00:22:25,210

interesting and it was it was fine it

529

00:22:29,340 --> 00:22:26,980

was fine up until the time that inky

530

00:22:31,730 --> 00:22:29,350

year Lucifer came here and took over by

531

00:22:34,800 --> 00:22:31,740

forests killed most of the life-forms

532

00:22:37,530 --> 00:22:34,810

started manipulating them genetically

533

00:22:39,360 --> 00:22:37,540

and this is important it goes back to

534

00:22:41,880 --> 00:22:39,370

what I was saying before everything is

535

00:22:45,210 --> 00:22:41,890

consciousness okay so a god or goddess

536

00:22:48,300 --> 00:22:45,220

would literally manifest things by

537

00:22:49,980 --> 00:22:48,310

starting with their consciousness it

538

00:22:52,590 --> 00:22:49,990

would then translate to energy and

539

00:22:56,190 --> 00:22:52,600

matter so this is how they literally

540

00:22:58,110 --> 00:22:56,200

manifested everything this how universes

541

00:22:59,720 --> 00:22:58,120

are created this is how our souls are

542

00:23:03,390 --> 00:22:59,730

created everything is thoughtful or

543

00:23:06,930 --> 00:23:03,400

wavelengths but the problem is if you

544

00:23:10,680 --> 00:23:06,940

think back what I said inky his

545

00:23:13,340 --> 00:23:10,690

consciousness is corrupted it's broken

546

00:23:17,100 --> 00:23:13,350

okay shattered and so if you can't

547

00:23:17,490 --> 00:23:17,110

manifest with it any longer at least not

548

00:23:24,270 --> 00:23:17,500

in

549

00:23:29,190 --> 00:23:24,280

what has already been created he can no

550

00:23:31,260 --> 00:23:29,200

longer manifest new energy and matter

551
00:23:33,570 --> 00:23:31,270
with this consciousness and that's a

552
00:23:35,760 --> 00:23:33,580
problem obviously so he is a mad

553
00:23:39,750 --> 00:23:35,770
scientist technically I might raise the

554
00:23:41,460 --> 00:23:39,760
first but he and his people are so this

555
00:23:44,340 --> 00:23:41,470
is getting is a long way around

556
00:23:44,760 --> 00:23:44,350
answering your question has most of my

557
00:23:46,860 --> 00:23:44,770
things

558
00:23:49,080 --> 00:23:46,870
most of the UFO technology that we see

559
00:23:51,510 --> 00:23:49,090
coming in and the people in them are

560
00:23:54,360 --> 00:23:51,520
part of inky's empire and they're just

561
00:23:55,890 --> 00:23:54,370
maintaining it so all the rumors were

562
00:23:59,070 --> 00:23:55,900
hearing all the speculation of uh

563
00:24:00,930 --> 00:23:59,080

so-called secret space program and super

564

00:24:03,360 --> 00:24:00,940

soldiers that's a continuation of what

565

00:24:06,120 --> 00:24:03,370

Anki has been doing here ever since he

566

00:24:08,010 --> 00:24:06,130

established the atlantis but that's what

567

00:24:12,450 --> 00:24:08,020

we call it and it wasn't just an island

568

00:24:14,820 --> 00:24:12,460

connolly was a global power right yeah

569

00:24:17,340 --> 00:24:14,830

it sure that a central base maybe it was

570

00:24:19,770 --> 00:24:17,350

in Arctica I don't know ah a lot of

571

00:24:22,770 --> 00:24:19,780

interest in Antarctica now yeah yeah

572

00:24:24,960 --> 00:24:22,780

yeah but it's well I mean the maps the

573

00:24:29,010 --> 00:24:24,970

ancient maps clearly showed that it was

574

00:24:30,180 --> 00:24:29,020

ice-free not that long ago at least I

575

00:24:31,170 --> 00:24:30,190

think it's just that's what it looks

576

00:24:33,390 --> 00:24:31,180

like to me all right

577

00:24:35,160 --> 00:24:33,400

I don't know about it I know a lot of

578

00:24:37,470 --> 00:24:35,170

flour 3/4 I was like rolling her eyes

579

00:24:39,720 --> 00:24:37,480

well hey don't you know it's all when we

580

00:24:43,710 --> 00:24:39,730

live in a man who will have a dad this

581

00:24:46,710 --> 00:24:43,720

is all whatever I can't address that but

582

00:24:49,830 --> 00:24:46,720

I do think that he took over this world

583

00:24:51,610 --> 00:24:49,840

by force he changed everything from

584

00:24:56,080 --> 00:24:51,620

being a

585

00:24:58,779 --> 00:24:56,090

symbiotic life I mean that this is again

586

00:25:01,149 --> 00:24:58,789

finds very very interesting contrast all

587

00:25:03,100 --> 00:25:01,159

life on this world with symbiotic is

588

00:25:04,960 --> 00:25:03,110

incredibly diverse the humans were

589

00:25:07,810 --> 00:25:04,970

actually allegedly they were

590

00:25:11,769 --> 00:25:07,820

hermaphrodite and they were telepathic

591

00:25:14,590 --> 00:25:11,779

they had the ability to not just remote

592

00:25:17,739 --> 00:25:14,600

view but literally project part of their

593

00:25:19,269 --> 00:25:17,749

consciousness at a distance mm-hmm we've

594

00:25:23,019 --> 00:25:19,279

been like split into a world of duality

595

00:25:25,450 --> 00:25:23,029

oh yeah yes physically and in our

596

00:25:28,859 --> 00:25:25,460

consciousness we became like him he

597

00:25:31,570 --> 00:25:28,869

forced us to be like him in his Empire

598

00:25:33,430 --> 00:25:31,580

most people don't have a clue about this

599

00:25:35,889 --> 00:25:33,440

but I tell you what the people this will

600

00:25:38,799 --> 00:25:35,899

call the elite the bloodlines was

601
00:25:40,720 --> 00:25:38,809
they're very aware of it they actually

602
00:25:43,509 --> 00:25:40,730
have a lot of pride in the fact that

603
00:25:45,909 --> 00:25:43,519
they're closely related to and spin

604
00:25:48,369 --> 00:25:45,919
effect they're consciously they're aware

605
00:25:52,060 --> 00:25:48,379
defect they're serving this for Enki

606
00:25:53,680 --> 00:25:52,070
right such a new to by the way I found

607
00:25:57,700 --> 00:25:53,690
that information recently I was going

608
00:25:59,590 --> 00:25:57,710
away but he told us yeah he thought he

609
00:26:00,999 --> 00:25:59,600
might interject I do want to get to the

610
00:26:02,470 --> 00:26:01,009
stitches that but let me interject for a

611
00:26:04,509 --> 00:26:02,480
second because that is a pretty good

612
00:26:06,639 --> 00:26:04,519
background and you started talking about

613
00:26:08,499 --> 00:26:06,649

the families and to bring this up into

614

00:26:10,749 --> 00:26:08,509

modern times I did pull this paragraph

615

00:26:12,639 --> 00:26:10,759

off your website that might even take us

616

00:26:15,009 --> 00:26:12,649

a bit deeper into how this works we say

617

00:26:16,899 --> 00:26:15,019

in the audio clip I created Hillary

618

00:26:19,180 --> 00:26:16,909

Clinton strange statements like I don't

619

00:26:21,279 --> 00:26:19,190

sweat because I'm a robot are followed

620

00:26:23,200 --> 00:26:21,289

by revelations from a Washington DC

621

00:26:25,090 --> 00:26:23,210

Attorney about the covert development

622

00:26:27,580 --> 00:26:25,100

and deployment of androids that were

623

00:26:29,739 --> 00:26:27,590

created to replace powerful politicians

624

00:26:31,779 --> 00:26:29,749

this is no laughing matter this is the

625

00:26:34,539 --> 00:26:31,789

very information I was researching in

626
00:26:37,389 --> 00:26:34,549
1991 when I was psychically attacked by

627
00:26:39,310 --> 00:26:37,399
one of Angie's androids wow man yeah

628
00:26:42,039 --> 00:26:39,320
and I've also heard you talk about the

629
00:26:44,230 --> 00:26:42,049
Rodham family being in this elite class

630
00:26:46,389 --> 00:26:44,240
where they considered a treat to become

631
00:26:48,100 --> 00:26:46,399
a vessel for the overlords they serve

632
00:26:50,830 --> 00:26:48,110
which might explain some of our odds

633
00:26:52,659 --> 00:26:50,840
campaign trail behavior the way that is

634
00:26:55,419 --> 00:26:52,669
going on here do we have Archon

635
00:26:57,489 --> 00:26:55,429
possessed politicians AI driven Android

636
00:27:00,009 --> 00:26:57,499
replacements or a bit of both is this

637
00:27:01,869 --> 00:27:00,019
two stages in the same agenda yes

638
00:27:03,850 --> 00:27:01,879

actually it is and that's what I was

639

00:27:04,990 --> 00:27:03,860

trying to say before it is just black

640

00:27:08,169 --> 00:27:05,000

and white

641

00:27:10,330 --> 00:27:08,179

multiple shades of gray and it makes it

642

00:27:12,340 --> 00:27:10,340

difficult I understand it's a little

643

00:27:15,250 --> 00:27:12,350

confusing from people because they want

644

00:27:17,560 --> 00:27:15,260

it to be we may condition to try and

645

00:27:20,110 --> 00:27:17,570

oversimplify things instead of looking

646

00:27:22,539 --> 00:27:20,120

at it holistically I know it's a pain I

647

00:27:24,730 --> 00:27:22,549

understand but yeah there are people

648

00:27:27,039 --> 00:27:24,740

that are possessed or manipulated by the

649

00:27:28,960 --> 00:27:27,049

archons that they typically the ones

650

00:27:30,610 --> 00:27:28,970

that are really badly affected are just

651
00:27:32,560 --> 00:27:30,620
puppets they're pawns with the archons

652
00:27:34,029 --> 00:27:32,570
and they rise the power because they're

653
00:27:35,440 --> 00:27:34,039
psychopathic it's easy for that to

654
00:27:37,659 --> 00:27:35,450
manipulate other people because they

655
00:27:39,880 --> 00:27:37,669
feel nothing right they have no

656
00:27:42,850 --> 00:27:39,890
emotional connection can you give us any

657
00:27:44,590 --> 00:27:42,860
like publicly facing examples of people

658
00:27:46,659 --> 00:27:44,600
you might suspect would be in that camp

659
00:27:49,539 --> 00:27:46,669
Oh God

660
00:27:51,399 --> 00:27:49,549
well yeah actually there's actually be

661
00:27:53,680 --> 00:27:51,409
the link to that new music video I did

662
00:27:56,110 --> 00:27:53,690
we are the arc oh you did

663
00:27:58,060 --> 00:27:56,120

okay so yeah but for people listening

664

00:27:59,890 --> 00:27:58,070

you didn't see yeah yeah yeah well I

665

00:28:02,169 --> 00:27:59,900

mean okay I was just sort of promoting

666

00:28:04,990 --> 00:28:02,179

it because that's new and yeah there's

667

00:28:07,360 --> 00:28:05,000

some famous person faces of people that

668

00:28:11,039 --> 00:28:07,370

to me look like and act like they are

669

00:28:13,880 --> 00:28:11,049

clearly upon with the Archon

670

00:28:19,409 --> 00:28:13,890

you know politicians like George Bush

671

00:28:23,120 --> 00:28:19,419

Senior George Soros clearly now two main

672

00:28:25,830 --> 00:28:23,130

looks like he is Pope Benedict and

673

00:28:26,399 --> 00:28:25,840

others you can see them all flashing

674

00:28:28,320 --> 00:28:26,409

across screen

675

00:28:30,779 --> 00:28:28,330

I don't want it we can sit here for an

676

00:28:33,630 --> 00:28:30,789

hour Nate people that I think are or

677

00:28:36,389 --> 00:28:33,640

they certainly act like they are you

678

00:28:38,490 --> 00:28:36,399

know and that's how you usually can tell

679

00:28:39,930 --> 00:28:38,500

because it's really hard to hide yeah

680

00:28:41,789 --> 00:28:39,940

there are some people who you look in

681

00:28:43,919 --> 00:28:41,799

their eyes and it looks like there's

682

00:28:46,529 --> 00:28:43,929

something else driving that train right

683

00:28:48,090 --> 00:28:46,539

but I guess I wanted to try to contrast

684

00:28:49,769 --> 00:28:48,100

if there were some that we could see

685

00:28:51,990 --> 00:28:49,779

might be examples of an Android

686

00:28:54,830 --> 00:28:52,000

replacement versus someone who's

687

00:28:57,750 --> 00:28:54,840

possessed oh I see you're asking me

688

00:29:01,980 --> 00:28:57,760

here's the thing they would never put

689

00:29:04,560 --> 00:29:01,990

out an Android that looked like an

690

00:29:06,810 --> 00:29:04,570

Android right okay cuz that was three

691

00:29:08,850 --> 00:29:06,820

people out just like you don't see

692

00:29:10,649 --> 00:29:08,860

aliens walking down the street that look

693

00:29:13,830 --> 00:29:10,659

like aliens they look like humans and

694

00:29:16,850 --> 00:29:13,840

that's that's a real problem I did cover

695

00:29:20,600 --> 00:29:16,860

that my first book my conversation with

696

00:29:23,250 --> 00:29:20,610

plant sergeant major Robert Dean he's

697

00:29:26,039 --> 00:29:23,260

not feeling too coffee space but I mean

698

00:29:29,549 --> 00:29:26,049

he allegedly saw some report when he was

699

00:29:32,340 --> 00:29:29,559

working with NATO about top-secret

700

00:29:33,870 --> 00:29:32,350

whatever they know that there are

701
00:29:37,200 --> 00:29:33,880
different groups here and the one

702
00:29:38,639 --> 00:29:37,210
allegedly that that worries the most are

703
00:29:40,590 --> 00:29:38,649
the ones that are completely human

704
00:29:42,510 --> 00:29:40,600
natural because they can they can

705
00:29:44,130 --> 00:29:42,520
infiltrate and it's not a problem but

706
00:29:48,090 --> 00:29:44,140
you know my understanding but people

707
00:29:51,360 --> 00:29:48,100
like inky is I mean human enough are

708
00:29:54,240 --> 00:29:51,370
humanoid we know people would know him

709
00:29:56,310 --> 00:29:54,250
as the fish god this is what the Pope

710
00:29:59,370 --> 00:29:56,320
wears a fish at and he came out of the

711
00:30:04,169 --> 00:29:59,380
Mediterranean or the Persian Gulf known

712
00:30:05,519 --> 00:30:04,179
as the Lamas or eehe e a and another he

713
00:30:07,740 --> 00:30:05,529

came out and it's not where he's from

714

00:30:10,289 --> 00:30:07,750

but I mean he he's aquatic even an ant

715

00:30:12,779 --> 00:30:10,299

said it all but he's also a shapeshifter

716

00:30:15,000 --> 00:30:12,789

like most of them are they have it is

717

00:30:17,399 --> 00:30:15,010

the ability that somehow change their

718

00:30:21,520 --> 00:30:17,409

appearance to look like whatever they

719

00:30:27,010 --> 00:30:23,529

I really don't know how that works I'm

720

00:30:29,529 --> 00:30:27,020

so I'm very confused about it but maybe

721

00:30:31,510 --> 00:30:29,539

that will come out yeah I imagine all

722

00:30:35,110 --> 00:30:31,520

this is getting it's got to come out so

723

00:30:37,480 --> 00:30:35,120

here's a bottom line I feel that like I

724

00:30:39,549 --> 00:30:37,490

said before inky does have artificial

725

00:30:42,250 --> 00:30:39,559

intelligence he want all of us to go

726

00:30:44,350 --> 00:30:42,260

that direction clearly that's part of

727

00:30:46,450 --> 00:30:44,360

his agenda right now and into the future

728

00:30:47,799 --> 00:30:46,460

you know they're calling them

729

00:30:50,919 --> 00:30:47,809

singularity or at least I thought Ray

730

00:30:52,330 --> 00:30:50,929

Kurzweil is calling it and I said you

731

00:30:55,060 --> 00:30:52,340

link today it's on the Drudge Report

732

00:30:57,760 --> 00:30:55,070

like every day there's a story or two

733

00:30:59,799 --> 00:30:57,770

stories about robotics artificial

734

00:31:01,510 --> 00:30:59,809

intelligence it's not going to go away

735

00:31:05,159 --> 00:31:01,520

it's going to keep getting more and more

736

00:31:07,390 --> 00:31:05,169

interface I think behind the scene is

737

00:31:12,159 --> 00:31:07,400

far more advanced than we ever could

738

00:31:15,580 --> 00:31:12,169

imagine and some of it is non-physical

739

00:31:18,039 --> 00:31:15,590

which I find really weird the final book

740

00:31:19,810 --> 00:31:18,049

in the trilogy the Space Odyssey by

741

00:31:23,649 --> 00:31:19,820

arthur c clarke he actually talks about

742

00:31:26,740 --> 00:31:23,659

how these entities went from being what

743

00:31:29,440 --> 00:31:26,750

they were - they evolved into they

744

00:31:31,120 --> 00:31:29,450

merged with their machines and then at

745

00:31:32,770 --> 00:31:31,130

some point they became non-physical

746

00:31:35,950 --> 00:31:32,780

which is weird I mean I don't know how

747

00:31:38,230 --> 00:31:35,960

he maybe he just got lucky but I doubt

748

00:31:40,539 --> 00:31:38,240

it I think he was a Mason and I think he

749

00:31:43,060 --> 00:31:40,549

knew some things and I think they put

750

00:31:44,560 --> 00:31:43,070

these things where they all predicted

751
00:31:47,409 --> 00:31:44,570
programming now that's kind of a

752
00:31:49,899 --> 00:31:47,419
buzzword right I think they put the

753
00:31:53,380 --> 00:31:49,909
truth in front of us as those

754
00:31:55,720 --> 00:31:53,390
entertainment or fiction typically

755
00:31:58,870 --> 00:31:55,730
because they want to distract or confuse

756
00:32:01,270 --> 00:31:58,880
or distort our perception of reality and

757
00:32:04,260 --> 00:32:01,280
they do a pretty good job of it most of

758
00:32:06,580 --> 00:32:04,270
the time but I see it on apart

759
00:32:09,250 --> 00:32:06,590
absolutely I think that's why they're

760
00:32:11,230 --> 00:32:09,260
acting more desperately more

761
00:32:13,029 --> 00:32:11,240
increasingly they're acting desperate

762
00:32:16,390 --> 00:32:13,039
because they know they're losing control

763
00:32:19,240 --> 00:32:16,400

over at least some of us are starting to

764

00:32:21,490 --> 00:32:19,250

wake up yeah I definitely see it that

765

00:32:24,370 --> 00:32:21,500

way and I also want to ask you about

766

00:32:26,890 --> 00:32:24,380

your next book which I know is on malabu

767

00:32:28,180 --> 00:32:26,900

I heard a bit about it so far and that

768

00:32:30,250 --> 00:32:28,190

you found some ancient megalithic

769

00:32:32,560 --> 00:32:30,260

structures in the Malibu area and you've

770

00:32:34,109 --> 00:32:32,570

written about the importance of the two

771

00:32:36,359 --> 00:32:34,119

mosh Indians who had

772

00:32:38,669 --> 00:32:36,369

lived there for over 11,000 years that

773

00:32:40,829 --> 00:32:38,679

they had a cosmology of three flat

774

00:32:42,629 --> 00:32:40,839

worlds which is interesting but it also

775

00:32:44,129 --> 00:32:42,639

can be said about them and their lore

776

00:32:47,489 --> 00:32:44,139

that might tie into the themes that

777

00:32:49,229 --> 00:32:47,499

we've been getting into well let me

778

00:32:50,849 --> 00:32:49,239

finish a little bit about what you asked

779

00:32:53,969 --> 00:32:50,859

previously then we'll go on to Malibu is

780

00:32:56,069 --> 00:32:53,979

that so this world that he took over

781

00:32:58,409 --> 00:32:56,079

here actually judge our solar system but

782

00:33:01,079 --> 00:32:58,419

especially the earth at some point

783

00:33:03,299 --> 00:33:01,089

what we know is Atlantis he wasn't just

784

00:33:05,669 --> 00:33:03,309

doing genetic experiments for fun he was

785

00:33:08,639 --> 00:33:05,679

doing that because he was building an

786

00:33:11,069 --> 00:33:08,649

army right to attack his parents right

787

00:33:12,419 --> 00:33:11,079

so he created Atlantis was not they

788

00:33:14,339 --> 00:33:12,429

didn't just get crazy and blow

789

00:33:17,309 --> 00:33:14,349

themselves up they were wiped out

790

00:33:19,919 --> 00:33:17,319

because of this war and he had created

791

00:33:22,529 --> 00:33:19,929

such a huge army here of genetic

792

00:33:25,769 --> 00:33:22,539

monsters and other technologies that

793

00:33:29,129 --> 00:33:25,779

were deadly and are deadly that his

794

00:33:32,429 --> 00:33:29,139

parents had to attack so they wiped out

795

00:33:34,229 --> 00:33:32,439

most life on this world and scientists

796

00:33:36,779 --> 00:33:34,239

called us the Younger Dryas event right

797

00:33:38,939 --> 00:33:36,789

okay so whether it was caused by a

798

00:33:42,119 --> 00:33:38,949

comment or something else like a super

799

00:33:45,269 --> 00:33:42,129

wave it's irrelevant bottom line is that

800

00:33:48,449 --> 00:33:45,279

the world was essentially destroyed but

801
00:33:51,869 --> 00:33:48,459
it was rebuilt and guess who rebuilt it

802
00:33:54,659 --> 00:33:51,879
it was inky he said he ate his parents

803
00:33:57,269 --> 00:33:54,669
on stand-down we are going to want that

804
00:33:59,609 --> 00:33:57,279
planet clean you've made such a mess

805
00:34:01,979 --> 00:33:59,619
there you're threatening our very

806
00:34:04,739 --> 00:34:01,989
existence with all the stuff that you

807
00:34:07,739 --> 00:34:04,749
made there and he can go yell all right

808
00:34:10,739 --> 00:34:07,749
yes yes yes uh you know I'll step aside

809
00:34:12,299 --> 00:34:10,749
well he didn't he didn't I mean I'm sure

810
00:34:15,029 --> 00:34:12,309
you're familiar with the story of Noah

811
00:34:16,859 --> 00:34:15,039
right hittable plot right there's a much

812
00:34:20,009 --> 00:34:16,869
older version is called the epic of

813
00:34:21,690 --> 00:34:20,019

gilgamesh right and in there the one

814

00:34:24,629 --> 00:34:21,700

that we think of as Noah is called

815

00:34:26,609 --> 00:34:24,639

niscitam I plan I'm not saying that well

816

00:34:30,869 --> 00:34:26,619

Lewton official it's something like that

817

00:34:32,669 --> 00:34:30,879

anyway inky Lucifer says to him hey

818

00:34:34,229 --> 00:34:32,679

there's a flood coming I want you to

819

00:34:37,169 --> 00:34:34,239

build a boat and put some things in it

820

00:34:39,389 --> 00:34:37,179

blah blah blah that's the real story it

821

00:34:43,799 --> 00:34:39,399

isn't the God of all creation it's inky

822

00:34:46,019 --> 00:34:43,809

trying to preserve his work and it's

823

00:34:47,879 --> 00:34:46,029

like a three like you mentioning him

824

00:34:51,919 --> 00:34:47,889

because now we're going to go to Malibu

825

00:34:55,259 --> 00:34:51,929

all right cool after I saw that boy

826

00:34:56,759 --> 00:34:55,269

nearly died at the house err on the

827

00:34:59,940 --> 00:34:56,769

beach where I was working as a security

828

00:35:03,180 --> 00:34:59,950

guard and I started I was being attacked

829

00:35:05,029 --> 00:35:03,190

by the what I I didn't know what they

830

00:35:07,259 --> 00:35:05,039

were but they look like amoeba or

831

00:35:08,880 --> 00:35:07,269

actually they look to me I thought I

832

00:35:11,609 --> 00:35:08,890

knew their parasites that was my first

833

00:35:13,620 --> 00:35:11,619

impression actually I thought I was just

834

00:35:15,150 --> 00:35:13,630

hallucinating but then they were

835

00:35:16,739 --> 00:35:15,160

starting something was attacking me

836

00:35:17,249 --> 00:35:16,749

after the paramedics picked up the boy

837

00:35:19,920 --> 00:35:17,259

and took away

838

00:35:22,710 --> 00:35:19,930

it took him away I felt like I was on

839

00:35:25,710 --> 00:35:22,720

your attack and I couldn't understand

840

00:35:28,769 --> 00:35:25,720

why so I went up it was an equinox it

841

00:35:32,400 --> 00:35:28,779

was September 21st 1985 and I went up in

842

00:35:34,769 --> 00:35:32,410

the mountains that evening and I was

843

00:35:37,019 --> 00:35:34,779

watching a sunset was watching moonrise

844

00:35:41,549 --> 00:35:37,029

at the same time was very interesting

845

00:35:46,170 --> 00:35:41,559

and I started to meditate and I had an

846

00:35:49,499 --> 00:35:46,180

out-of-body experience and when I

847

00:35:50,759 --> 00:35:49,509

entered the light this other dimension

848

00:35:52,859 --> 00:35:50,769

of being which a lot of people are

849

00:35:55,259 --> 00:35:52,869

familiar with if they've ever studied in

850

00:35:56,130 --> 00:35:55,269

or actually experiences near-death out

851
00:35:59,670 --> 00:35:56,140
of all these things

852
00:36:02,279 --> 00:35:59,680
an entity what looked like a man

853
00:36:04,130 --> 00:36:02,289
approached me and he was glowing

854
00:36:06,870 --> 00:36:04,140
brighter than the light that we're in

855
00:36:10,470 --> 00:36:06,880
including even his eyes are glowing and

856
00:36:12,569 --> 00:36:10,480
I thought Sham and said Wow

857
00:36:17,220 --> 00:36:12,579
who's that I mean I'm just thinking

858
00:36:19,710 --> 00:36:17,230
myself like who is this guy and he said

859
00:36:22,799 --> 00:36:19,720
I'm the father and then he started

860
00:36:25,380 --> 00:36:22,809
laughing unfortunately it wasn't a

861
00:36:26,789 --> 00:36:25,390
pleasure glad I know for people who've

862
00:36:29,329 --> 00:36:26,799
heard me say it before Oh wasn't

863
00:36:33,450 --> 00:36:29,339

sinister I'm sorry I was actually denial

864

00:36:35,249 --> 00:36:33,460

he did a number on okay I'm sorry it

865

00:36:39,210 --> 00:36:35,259

just is just the way it is and it's not

866

00:36:43,559 --> 00:36:39,220

me he does it to everybody but again I

867

00:36:45,239 --> 00:36:43,569

had no idea who that was until 2014

868

00:36:48,059 --> 00:36:45,249

it took me that long to figure it out

869

00:36:49,769 --> 00:36:48,069

obviously he wasn't helping he wanted me

870

00:36:51,239 --> 00:36:49,779

to and he looked like Christ all right

871

00:36:53,789 --> 00:36:51,249

I'm not going to lie that guy's look

872

00:36:57,930 --> 00:36:53,799

like and I'm sure he wanted me to think

873

00:36:59,940 --> 00:36:57,940

that too and he said on the father well

874

00:37:01,630 --> 00:36:59,950

if I was religious I would think oh you

875

00:37:04,210 --> 00:37:01,640

mean like God

876

00:37:06,940 --> 00:37:04,220

but now you see this entity is Lucifer

877

00:37:09,279 --> 00:37:06,950

or Anki yeah yeah because right I've

878

00:37:12,009 --> 00:37:09,289

done my homework and I said it wasn't

879

00:37:13,900 --> 00:37:12,019

easy to figure this out everything about

880

00:37:17,170 --> 00:37:13,910

him and his Empire is very convoluted

881

00:37:19,509 --> 00:37:17,180

but he thinks he's our Father because he

882

00:37:22,059 --> 00:37:19,519

created has genetically in a laboratory

883

00:37:24,609 --> 00:37:22,069

to be his subjects in his crazy Empire

884

00:37:27,640 --> 00:37:24,619

uh-huh and if this entity was kind of

885

00:37:29,559 --> 00:37:27,650

deceptive in nature and its interactions

886

00:37:32,200 --> 00:37:29,569

with you couldn't could it really be any

887

00:37:35,259 --> 00:37:32,210

entity that's just claiming to be a

888

00:37:37,630 --> 00:37:35,269

certain archetype or a certain main

889

00:37:41,559 --> 00:37:37,640

figure in the kind of the historical

890

00:37:44,079 --> 00:37:41,569

story well of course this is the thing

891

00:37:46,170 --> 00:37:44,089

he is the father of all lies he's

892

00:37:49,539 --> 00:37:46,180

considered the father of the archons a

893

00:37:51,519 --> 00:37:49,549

master of deception like I said he's

894

00:37:53,829 --> 00:37:51,529

very intelligent he was a divine being

895

00:37:55,239 --> 00:37:53,839

but now he's gone insane so you're

896

00:37:55,979 --> 00:37:55,249

dealing with somebody it's very very

897

00:38:00,370 --> 00:37:55,989

dangerous

898

00:38:00,910 --> 00:38:00,380

the thing is he's not alone he he is not

899

00:38:02,529 --> 00:38:00,920

alone

900

00:38:04,900 --> 00:38:02,539

he has created an entire empire of

901
00:38:06,999 --> 00:38:04,910
people that are royalty and they have

902
00:38:09,190 --> 00:38:07,009
some of his skills but they also have

903
00:38:11,620 --> 00:38:09,200
his mental issues as well they're

904
00:38:15,729 --> 00:38:11,630
infected as well they suffer from trauma

905
00:38:18,069 --> 00:38:15,739
it's part of the I mean you like look

906
00:38:20,559 --> 00:38:18,079
you can't get into satanic cults or the

907
00:38:22,440 --> 00:38:20,569
Illuminati or whatever without being

908
00:38:25,900 --> 00:38:22,450
involved in something that's utterly a

909
00:38:27,430 --> 00:38:25,910
traumatic right corrupt right okay

910
00:38:29,249 --> 00:38:27,440
that's that's why they act that way

911
00:38:33,009 --> 00:38:29,259
they're all part of the same group

912
00:38:34,960 --> 00:38:33,019
that's are like vampires mm-hmm and it

913
00:38:36,670 --> 00:38:34,970

is interesting because I have so many

914

00:38:39,579 --> 00:38:36,680

guests who have different perspectives

915

00:38:42,489 --> 00:38:39,589

on these entities like Lucifer and Anki

916

00:38:44,140 --> 00:38:42,499

as you know and most commonly I hear the

917

00:38:46,210 --> 00:38:44,150

Gnostic perspective that the creator of

918

00:38:48,220 --> 00:38:46,220

this material world is the Demiurge or a

919

00:38:50,349 --> 00:38:48,230

tyrannical lower god of some kind and

920

00:38:52,269 --> 00:38:50,359

that Lucifer is the one to come down

921

00:38:53,799 --> 00:38:52,279

wake humanity up and say hey you're

922

00:38:55,390 --> 00:38:53,809

landing a construct run by an

923

00:38:58,120 --> 00:38:55,400

egotistical overlord let me lead you

924

00:38:59,979 --> 00:38:58,130

into overcoming that but you contend

925

00:39:02,140 --> 00:38:59,989

that Lucifer is the overlord of this

926

00:39:05,529 --> 00:39:02,150

world like the Demiurge and Lucifer is

927

00:39:07,289 --> 00:39:05,539

just one character remember I told you

928

00:39:11,529 --> 00:39:07,299

he's got multiple personality disorder

929

00:39:14,110 --> 00:39:11,539

right okay so not only does he make a

930

00:39:16,870 --> 00:39:14,120

very convoluted narrative

931

00:39:19,000 --> 00:39:16,880

my understanding is he's not a victim he

932

00:39:21,130 --> 00:39:19,010

knows on some level what stealing

933

00:39:23,590 --> 00:39:21,140

obviously or he couldn't achieve what

934

00:39:27,280 --> 00:39:23,600

he's you know created this Empire which

935

00:39:32,830 --> 00:39:27,290

I believe is based on the research of my

936

00:39:35,920 --> 00:39:32,840

friend Wes Henry P en r e I believe that

937

00:39:38,020 --> 00:39:35,930

this is a digital construct we live in

938

00:39:40,810 --> 00:39:38,030

an artificial universe that he created

939

00:39:45,270 --> 00:39:40,820

in his creative empire he created a very

940

00:39:47,380 --> 00:39:45,280

small synthetic universe that is

941

00:39:51,250 --> 00:39:47,390

administrated by and artificial

942

00:39:53,530 --> 00:39:51,260

intelligence and it's only like four or

943

00:39:55,240 --> 00:39:53,540

five percent of the known universe that

944

00:39:57,330 --> 00:39:55,250

we actually exist in now his mother

945

00:39:59,950 --> 00:39:57,340

isn't anything people don't realize that

946

00:40:01,660 --> 00:39:59,960

because he has set up so many false

947

00:40:04,330 --> 00:40:01,670

narratives it's really hard to

948

00:40:06,670 --> 00:40:04,340

understand what happened and who he is

949

00:40:09,850 --> 00:40:06,680

right but obviously she's like everybody

950

00:40:12,910 --> 00:40:09,860

else is created he has a mother his

951
00:40:15,100 --> 00:40:12,920
father didn't create you know give me an

952
00:40:17,020 --> 00:40:15,110
example of where anybody is created by

953
00:40:18,910 --> 00:40:17,030
their father along seems like it's a

954
00:40:21,700 --> 00:40:18,920
partnership usually mother and father

955
00:40:24,820 --> 00:40:21,710
yeah that's that's the way it works as

956
00:40:27,550 --> 00:40:24,830
far as I know yeah or occasionally I

957
00:40:29,680 --> 00:40:27,560
mean again according to West NRA Lucifer

958
00:40:32,440 --> 00:40:29,690
was unusual because he was born from

959
00:40:35,680 --> 00:40:32,450
virgin birth and that's something that

960
00:40:39,940 --> 00:40:35,690
the Queen has the option to do because

961
00:40:42,940 --> 00:40:39,950
that's just you know as part of her away

962
00:40:45,910 --> 00:40:42,950
she's designed she can if she chooses

963
00:40:48,190 --> 00:40:45,920

she can I have a virgin birth and that

964

00:40:52,750 --> 00:40:48,200

was a different some so I said he had a

965

00:40:54,640 --> 00:40:52,760

half-brother who's younger so in other

966

00:40:57,220 --> 00:40:54,650

words he does come from royalty but he's

967

00:41:00,010 --> 00:40:57,230

also a royal pain in the ass he really

968

00:41:01,600 --> 00:41:00,020

is he knows how to break the law really

969

00:41:03,940 --> 00:41:01,610

well and that's one reason once we see

970

00:41:08,260 --> 00:41:03,950

the analogy in the book so called the

971

00:41:10,060 --> 00:41:08,270

Bible where he a tricks Eve into the

972

00:41:12,940 --> 00:41:10,070

original sin which were all suffering

973

00:41:14,530 --> 00:41:12,950

from allegedly he knows how to

974

00:41:17,080 --> 00:41:14,540

manipulate our thought process and the

975

00:41:19,690 --> 00:41:17,090

thing is he he gets us to agree to do

976

00:41:22,300 --> 00:41:19,700

things not just him but he in his his

977

00:41:25,660 --> 00:41:22,310

minions they know how to get us to agree

978

00:41:27,860 --> 00:41:25,670

to do things are actually not to our our

979

00:41:30,410 --> 00:41:27,870

our own death is to serve the

980

00:41:32,380 --> 00:41:30,420

right yeah reason he does that various

981

00:41:35,870 --> 00:41:32,390

because he knows that his parents and

982

00:41:39,860 --> 00:41:35,880

the entire Ryan Empire actually has a

983

00:41:44,180 --> 00:41:39,870

legal system and that he has violated so

984

00:41:46,730 --> 00:41:44,190

many different laws but he can point he

985

00:41:50,120 --> 00:41:46,740

can say well look they they agreed to do

986

00:41:53,510 --> 00:41:50,130

it you know which kind of negates some

987

00:41:57,170 --> 00:41:53,520

of the penalties that are being leveled

988

00:42:00,290 --> 00:41:57,180

at him and his minions here now the

989

00:42:04,280 --> 00:42:00,300

thing about Atlantis is he didn't stop

990

00:42:06,470 --> 00:42:04,290

there he rebuilt Atlantis that's why Sir

991

00:42:08,840 --> 00:42:06,480

Francis Bacon called America the new

992

00:42:11,000 --> 00:42:08,850

Atlantis that wasn't an accident he

993

00:42:13,910 --> 00:42:11,010

didn't just kind of like fabricate that

994

00:42:15,590 --> 00:42:13,920

they knew all along that they were going

995

00:42:18,950 --> 00:42:15,600

to rebuild and so the secret space

996

00:42:21,680 --> 00:42:18,960

program and the super soldiers mellon

997

00:42:23,840 --> 00:42:21,690

stuff that's all Anke feeling it's only

998

00:42:27,500 --> 00:42:23,850

secret to those of us who don't need to

999

00:42:29,990 --> 00:42:27,510

know what he up to and has been up to

1000

00:42:32,210 --> 00:42:30,000

for a long time because why should we

1001
00:42:34,040 --> 00:42:32,220
know we're just subjects of the Empire

1002
00:42:35,840 --> 00:42:34,050
doesn't matter if we know or not right

1003
00:42:38,540 --> 00:42:35,850
right and another element of that

1004
00:42:40,100 --> 00:42:38,550
apparently is that well you know while

1005
00:42:40,670 --> 00:42:40,110
we're slaves in the system from cradle

1006
00:42:43,550 --> 00:42:40,680
to grave

1007
00:42:45,200 --> 00:42:43,560
even then the control scheme isn't over

1008
00:42:46,840 --> 00:42:45,210
because we have the death trap to worry

1009
00:42:49,160 --> 00:42:46,850
about right

1010
00:42:51,680 --> 00:42:49,170
exactly and then again as a huge

1011
00:42:54,380 --> 00:42:51,690
violation of our free will unless when

1012
00:42:57,650 --> 00:42:54,390
we pass over and our soul is liberated

1013
00:43:00,320 --> 00:42:57,660

from the physical bondage and they trick

1014

00:43:02,900 --> 00:43:00,330

us into coming back down into the

1015

00:43:05,500 --> 00:43:02,910

physical form then there's nothing that

1016

00:43:08,690 --> 00:43:05,510

the Divine Being can do to intervene so

1017

00:43:11,300 --> 00:43:08,700

it's a really tricky situation and I

1018

00:43:14,030 --> 00:43:11,310

liken it to a hostage situation right

1019

00:43:17,750 --> 00:43:14,040

and there's a lot of danger involved in

1020

00:43:20,450 --> 00:43:17,760

all of this but the reason I we can talk

1021

00:43:23,000 --> 00:43:20,460

about this a lot lately is because we're

1022

00:43:27,590 --> 00:43:23,010

being encouraged to merge with machine

1023

00:43:29,720 --> 00:43:27,600

becomes basically cyborgs and that is to

1024

00:43:32,870 --> 00:43:29,730

further serve his agenda which is to

1025

00:43:37,070 --> 00:43:32,880

ultimately use a contingent of us to

1026

00:43:41,060 --> 00:43:37,080

attack his family in the Orion belt

1027

00:43:44,420 --> 00:43:41,070

where the court of Iran is located so

1028

00:43:46,520 --> 00:43:44,430

we are legitimate targets again this is

1029

00:43:48,770 --> 00:43:46,530

a problem most people don't know it

1030

00:43:50,960 --> 00:43:48,780

obviously some people do like

1031

00:43:53,150 --> 00:43:50,970

politicians the ones that are you know

1032

00:43:55,730 --> 00:43:53,160

the satanic pedophilia type thing

1033

00:43:58,100 --> 00:43:55,740

they've got going on that's all part of

1034

00:43:59,840 --> 00:43:58,110

his empire and they know it maybe

1035

00:44:01,640 --> 00:43:59,850

they're deep into it I think a lot

1036

00:44:03,590 --> 00:44:01,650

that's a lot of people I don't think

1037

00:44:06,650 --> 00:44:03,600

they can get out if they want it yeah

1038

00:44:08,480 --> 00:44:06,660

very well maybe and let's elaborate on

1039

00:44:10,460 --> 00:44:08,490

the death trap a bit because I think

1040

00:44:13,160 --> 00:44:10,470

that's very interesting and a lot of

1041

00:44:16,040 --> 00:44:13,170

people that might be new to them but the

1042

00:44:18,020 --> 00:44:16,050

idea is that when we die I mean we we've

1043

00:44:19,310 --> 00:44:18,030

all heard of reincarnation that we come

1044

00:44:21,020 --> 00:44:19,320

back in other cycles but we're coming

1045

00:44:24,050 --> 00:44:21,030

right back to a prison planet coming

1046

00:44:26,960 --> 00:44:24,060

right back to a human crop farm and

1047

00:44:29,090 --> 00:44:26,970

energy farm and we're just having our

1048

00:44:32,330 --> 00:44:29,100

memories wiped and living these lives as

1049

00:44:34,400 --> 00:44:32,340

they kind of suck us dry so I guess what

1050

00:44:35,960 --> 00:44:34,410

I'm at is knowing what you know what do

1051

00:44:39,440 --> 00:44:35,970

you plan on doing at the time of death

1052

00:44:41,780 --> 00:44:39,450

how can we escape the cycle well there

1053

00:44:44,090 --> 00:44:41,790

is an article on my website it's

1054

00:44:47,450 --> 00:44:44,100

actually West Penn railroad it called

1055

00:44:48,860 --> 00:44:47,460

how to avoid the death trap I don't know

1056

00:44:51,470 --> 00:44:48,870

if that's true or not but I'm going to

1057

00:44:54,080 --> 00:44:51,480

try I'd like to place it at the

1058

00:44:55,880 --> 00:44:54,090

possibility you know so what are you

1059

00:44:58,670 --> 00:44:55,890

going to do you die everything goes dark

1060

00:45:00,950 --> 00:44:58,680

and then what does Robert Stanley do

1061

00:45:02,660 --> 00:45:00,960

well then they're going to show me the

1062

00:45:04,040 --> 00:45:02,670

tunnel of light and the guides are going

1063

00:45:07,130 --> 00:45:04,050

to show up when I tell them to politely

1064

00:45:08,780 --> 00:45:07,140

go F themselves I'm not going into their

1065

00:45:11,240 --> 00:45:08,790

light I'm not going back into the

1066

00:45:15,650 --> 00:45:11,250

bug-zapper I I will turn my back on them

1067

00:45:19,130 --> 00:45:15,660

and they're all white and look for the

1068

00:45:21,830 --> 00:45:19,140

grid now this is the I know this sounds

1069

00:45:23,810 --> 00:45:21,840

like just what you know crazy talk but

1070

00:45:26,950 --> 00:45:23,820

it turns out a couple years ago

1071

00:45:29,570 --> 00:45:26,960

scientists actually found another energy

1072

00:45:32,330 --> 00:45:29,580

field around the planet beyond the Van

1073

00:45:34,790 --> 00:45:32,340

Allen radiation belts and they said to

1074

00:45:36,290 --> 00:45:34,800

themselves what the hell is that it

1075

00:45:40,580 --> 00:45:36,300

looks like something out of Star Trek

1076

00:45:42,650 --> 00:45:40,590

and you know I Wes didn't know anything

1077

00:45:45,320 --> 00:45:42,660

about that when he wrote what he wrote

1078

00:45:47,240 --> 00:45:45,330

about the what he calls a degree

1079

00:45:51,260 --> 00:45:47,250

part of the soul trap is some sort of

1080

00:45:54,440 --> 00:45:51,270

energy field around our planet and that

1081

00:45:56,080 --> 00:45:54,450

is so even if you want to get out you

1082

00:45:59,210 --> 00:45:56,090

know it would prevent you from traveling

1083

00:46:02,300 --> 00:45:59,220

on your own beyond that like fishing and

1084

00:46:04,250 --> 00:46:02,310

net really we can't get out he didn't

1085

00:46:07,130 --> 00:46:04,260

used to be a grid or a net it used to be

1086

00:46:09,380 --> 00:46:07,140

it was just a field of energy I mean

1087

00:46:12,410 --> 00:46:09,390

according to West it only recently

1088

00:46:16,430 --> 00:46:12,420

became perforated like a net or a grid

1089

00:46:19,210 --> 00:46:16,440

it's only since 87 to 2012 when our

1090

00:46:22,550 --> 00:46:19,220

consciousness has gradually been

1091

00:46:25,100 --> 00:46:22,560

liberated there's been waves of energy

1092

00:46:28,100 --> 00:46:25,110

have been coming washing over this

1093

00:46:31,070 --> 00:46:28,110

planet since that time anybody who's

1094

00:46:33,830 --> 00:46:31,080

lived between 87 and 2012 they've had

1095

00:46:36,620 --> 00:46:33,840

their consciousness altered dramatically

1096

00:46:37,940 --> 00:46:36,630

I mean in a good way that's why the

1097

00:46:41,060 --> 00:46:37,950

archons are freaking out because they

1098

00:46:43,430 --> 00:46:41,070

know that we're slowly waking up and can

1099

00:46:47,840 --> 00:46:43,440

no longer be manipulated as easily by

1100

00:46:51,200 --> 00:46:47,850

them so after 2012 is when things really

1101
00:46:52,670 --> 00:46:51,210
have been accelerated because the divine

1102
00:46:54,890 --> 00:46:52,680
beings that's just what I'm going to

1103
00:46:58,070 --> 00:46:54,900
call the ones who are still well we have

1104
00:47:00,130 --> 00:46:58,080
intact consciousness know that what

1105
00:47:02,750 --> 00:47:00,140
they're dealing with here is

1106
00:47:06,140 --> 00:47:02,760
consciousness energy and matter so the

1107
00:47:09,710 --> 00:47:06,150
way that they are helping to heal us is

1108
00:47:13,570 --> 00:47:09,720
by sending extra waves of energy /

1109
00:47:16,430 --> 00:47:13,580
consciousness to us and that will help

1110
00:47:20,150 --> 00:47:16,440
reactivate and has been every activating

1111
00:47:23,030 --> 00:47:20,160
our DNA which has been badly manipulated

1112
00:47:26,090 --> 00:47:23,040
and a lot of it what they call the junk

1113
00:47:27,140 --> 00:47:26,100

DNA has been switched off that was part

1114

00:47:30,500 --> 00:47:27,150

of what he did to us

1115

00:47:33,590 --> 00:47:30,510

mm-hmm now when we die as you said when

1116

00:47:35,720 --> 00:47:33,600

were sent back they actually get us

1117

00:47:39,140 --> 00:47:35,730

agreed to it'll go like this

1118

00:47:41,510 --> 00:47:39,150

okay so Robert we've had a good lives or

1119

00:47:44,870 --> 00:47:41,520

whatever but now you know there's this

1120

00:47:46,340 --> 00:47:44,880

family down there that would back on

1121

00:47:48,980 --> 00:47:46,350

earth but they would really like to have

1122

00:47:51,260 --> 00:47:48,990

whatever little boy or girl and they

1123

00:47:53,810 --> 00:47:51,270

would benefit from you doing this and

1124

00:47:57,050 --> 00:47:53,820

that look down and you know in other

1125

00:47:58,010 --> 00:47:57,060

words if they do a sales job honey all

1126

00:47:59,010 --> 00:47:58,020

right they try to force you to

1127

00:48:01,110 --> 00:47:59,020

reincarnate or can

1128

00:48:03,720 --> 00:48:01,120

then she guilt you into reincarnating

1129

00:48:06,810 --> 00:48:03,730

yes uh how they would know what triggers

1130

00:48:09,870 --> 00:48:06,820

me to say oh okay sure

1131

00:48:12,600 --> 00:48:09,880

but then here's the kicker you know

1132

00:48:15,360 --> 00:48:12,610

would be a lot easier for you and then

1133

00:48:19,050 --> 00:48:15,370

if you were forget your previous family

1134

00:48:21,960 --> 00:48:19,060

and friends you can just start over that

1135

00:48:23,310 --> 00:48:21,970

way everything will work a lot better it

1136

00:48:27,300 --> 00:48:23,320

is the kind of crap that they pull on

1137

00:48:28,770 --> 00:48:27,310

people and so you know I look it

1138

00:48:31,080 --> 00:48:28,780

shouldn't be this easy but they're

1139

00:48:33,930 --> 00:48:31,090

they're really good at it that's the

1140

00:48:35,220 --> 00:48:33,940

problem so they but they I don't know if

1141

00:48:38,090 --> 00:48:35,230

it technology or what but they

1142

00:48:41,010 --> 00:48:38,100

definitely know how to erase a person's

1143

00:48:43,410 --> 00:48:41,020

consciousness or part of their memory I

1144

00:48:45,420 --> 00:48:43,420

don't know that it maybe it's more just

1145

00:48:48,830 --> 00:48:45,430

blocked because I know what what he did

1146

00:48:51,660 --> 00:48:48,840

to me that night on the mountain when I

1147

00:48:55,410 --> 00:48:51,670

I've been meditating for hours and I

1148

00:48:57,270 --> 00:48:55,420

laid down I was just going to rest for a

1149

00:49:00,750 --> 00:48:57,280

little while I wasn't planning on going

1150

00:49:02,940 --> 00:49:00,760

to sleep I just needed to rest before I

1151
00:49:07,230 --> 00:49:02,950
would go back to meditating and asking

1152
00:49:08,820 --> 00:49:07,240
for help but when I laid down I had that

1153
00:49:10,920 --> 00:49:08,830
you never had a feeling what they call

1154
00:49:12,420 --> 00:49:10,930
falling asleep where you literally feel

1155
00:49:13,710 --> 00:49:12,430
like your fault and you kind of snap

1156
00:49:15,540 --> 00:49:13,720
yourself back as well

1157
00:49:18,510 --> 00:49:15,550
you know yeah that's the normal thing if

1158
00:49:20,700 --> 00:49:18,520
you fall you nobody want to fall back

1159
00:49:22,080 --> 00:49:20,710
right I tried you normally you catch

1160
00:49:23,580 --> 00:49:22,090
yourself and then you just like kind of

1161
00:49:25,830 --> 00:49:23,590
just jerk away

1162
00:49:28,320 --> 00:49:25,840
not that you're fully asleep yet so

1163
00:49:30,210 --> 00:49:28,330

anyway I I had that sensation I felt

1164

00:49:33,780 --> 00:49:30,220

like I was falling but I didn't fight it

1165

00:49:36,060 --> 00:49:33,790

I just let it go and that's how I ended

1166

00:49:38,850 --> 00:49:36,070

up having that out just it was very very

1167

00:49:40,470 --> 00:49:38,860

smooth transition I was just just went

1168

00:49:42,780 --> 00:49:40,480

out of my body right into that other

1169

00:49:44,700 --> 00:49:42,790

dimension and I wasn't there it felt

1170

00:49:48,480 --> 00:49:44,710

like I was there for I don't know a

1171

00:49:52,260 --> 00:49:48,490

minute or so until I was confronted by

1172

00:49:54,450 --> 00:49:52,270

him I mean literally in my face and the

1173

00:49:57,690 --> 00:49:54,460

next thing I know when he started

1174

00:49:59,140 --> 00:49:57,700

laughing at me i said i sat up in my

1175

00:50:02,410 --> 00:49:59,150

body

1176

00:50:04,329 --> 00:50:02,420

100% awake and I thought I really

1177

00:50:05,709 --> 00:50:04,339

thought maybe a couple minutes have

1178

00:50:08,049 --> 00:50:05,719

passed and I was just having some weird

1179

00:50:10,239 --> 00:50:08,059

vision close 'national something right

1180

00:50:12,880 --> 00:50:10,249

right because obviously I'd had a very

1181

00:50:14,559 --> 00:50:12,890

stressful day in here I end up in the

1182

00:50:18,069 --> 00:50:14,569

wilderness at night in the video the

1183

00:50:20,170 --> 00:50:18,079

moon it was bizarre right but I saw I've

1184

00:50:24,160 --> 00:50:20,180

set up and I'm thinking god that was

1185

00:50:25,719 --> 00:50:24,170

weird and then I looked and because when

1186

00:50:26,529 --> 00:50:25,729

I laid down the moon was pretty much

1187

00:50:29,319 --> 00:50:26,539

directly overhead

1188

00:50:31,569 --> 00:50:29,329

when I sat up the moon was now setting

1189

00:50:35,319 --> 00:50:31,579

on horizon which was out being met hours

1190

00:50:38,380 --> 00:50:35,329

ago by mmm missing time well yeah but I

1191

00:50:40,569 --> 00:50:38,390

mean okay sizzly oh you fell asleep no I

1192

00:50:44,890 --> 00:50:40,579

don't even sleep that well in a bit I

1193

00:50:47,109 --> 00:50:44,900

was laying on cement and I I mean I

1194

00:50:49,180 --> 00:50:47,119

really I have sleep problems I don't I

1195

00:50:51,729 --> 00:50:49,190

you know I don't I can't sleep like that

1196

00:50:53,769 --> 00:50:51,739

for others that a shot and even if I do

1197

00:50:58,109 --> 00:50:53,779

sleep especially how could I go from

1198

00:51:02,200 --> 00:50:58,119

being 100% lucid to having blank nothing

1199

00:51:04,630 --> 00:51:02,210

nothing okay it's a mystery well okay

1200

00:51:07,630 --> 00:51:04,640

yes it was up until the time I went back

1201
00:51:09,519 --> 00:51:07,640
to work and get the mystery got deeper I

1202
00:51:12,069 --> 00:51:09,529
went back to work after the Sun came up

1203
00:51:15,339 --> 00:51:12,079
I go back to the beach because I had a

1204
00:51:18,519 --> 00:51:15,349
go to work and it was really nagging me

1205
00:51:20,799 --> 00:51:18,529
that I saw the paramedics take the boy

1206
00:51:23,349 --> 00:51:20,809
away in the ambulance and I knew he was

1207
00:51:26,079 --> 00:51:23,359
I mean come on we can't run into I knew

1208
00:51:28,059 --> 00:51:26,089
he was pointing to death I just I

1209
00:51:30,339 --> 00:51:28,069
wouldn't know if he lived or not and

1210
00:51:32,229 --> 00:51:30,349
it's not wasn't just curiosity there's

1211
00:51:35,349 --> 00:51:32,239
something else pushing me so I went back

1212
00:51:37,779 --> 00:51:35,359
to the house I went inside I talked to

1213
00:51:40,660 --> 00:51:37,789

the grandparents they said he had lost a

1214

00:51:42,459 --> 00:51:40,670

lot of water oh yeah and that he had to

1215

00:51:46,209 --> 00:51:42,469

have all the 300 stitches in his face

1216

00:51:51,700 --> 00:51:46,219

and head and then he was he's going to

1217

00:51:53,979 --> 00:51:51,710

live my okay great and then I and then I

1218

00:51:56,160 --> 00:51:53,989

heard myself saying because that fact

1219

00:51:58,650 --> 00:51:56,170

that I felt like

1220

00:52:01,680 --> 00:51:58,660

you can heal the scars on his face but

1221

00:52:04,350 --> 00:52:01,690

unless you heal the scars on his soul

1222

00:52:07,170 --> 00:52:04,360

this is going to happen dr cohn

1223

00:52:09,150 --> 00:52:07,180

connection well I didn't know that not a

1224

00:52:11,700 --> 00:52:09,160

head no understand no I was completely

1225

00:52:16,080 --> 00:52:11,710

clueless but I mean and so into working

1226
00:52:17,700 --> 00:52:16,090
out of my mouth I was shocked I felt

1227
00:52:19,860 --> 00:52:17,710
horrible for his grandparents because

1228
00:52:22,200 --> 00:52:19,870
they've been traumatized they'd already

1229
00:52:25,050 --> 00:52:22,210
been through some hell and Here I am

1230
00:52:28,350 --> 00:52:25,060
saying this and I'm like did I just say

1231
00:52:31,620 --> 00:52:28,360
that oh god I was embarrassed I felt bad

1232
00:52:34,320 --> 00:52:31,630
you know and actually even now I feel

1233
00:52:38,210 --> 00:52:34,330
tears but this sort of taught you about

1234
00:52:42,570 --> 00:52:38,220
the archon influence and then I assume

1235
00:52:45,060 --> 00:52:42,580
aspects of the death drop well the thing

1236
00:52:47,790 --> 00:52:45,070
is I couldn't understand I was saying

1237
00:52:50,580 --> 00:52:47,800
that and what I really believe is that I

1238
00:52:52,800 --> 00:52:50,590

was out of my body for a lot longer than

1239

00:52:55,020 --> 00:52:52,810

just a few seconds or minutes and then I

1240

00:52:56,730 --> 00:52:55,030

was traveling in the astral plane or

1241

00:52:58,830 --> 00:52:56,740

whatever you want to call it in a non

1242

00:53:01,290 --> 00:52:58,840

physical sense I think I must have seen

1243

00:53:03,420 --> 00:53:01,300

the boy because that's who I am that's

1244

00:53:04,470 --> 00:53:03,430

just how I am I'm very empathic and even

1245

00:53:08,280 --> 00:53:04,480

though I didn't know this boy is

1246

00:53:11,040 --> 00:53:08,290

entering I got sucked into that the

1247

00:53:13,110 --> 00:53:11,050

trauma that they were experiencing in

1248

00:53:16,410 --> 00:53:13,120

other words I was I was concerned

1249

00:53:20,250 --> 00:53:16,420

obviously and so on if I had the ability

1250

00:53:22,050 --> 00:53:20,260

to to visit him in the hospital I think

1251

00:53:23,910 --> 00:53:22,060

that's what I did I had no memory of it

1252

00:53:26,730 --> 00:53:23,920

but that would explain why I said to

1253

00:53:29,730 --> 00:53:26,740

them you need to heal the scars on his

1254

00:53:31,980 --> 00:53:29,740

soul right caffeine is wrote about

1255

00:53:34,350 --> 00:53:31,990

this a little bit and it was not very

1256

00:53:37,290 --> 00:53:34,360

clear to me but I do think that when

1257

00:53:41,190 --> 00:53:37,300

they feed off of our energy it does have

1258

00:53:43,440 --> 00:53:41,200

a scarring effect on us certainly on our

1259

00:53:45,810 --> 00:53:43,450

emotions whatever that may be are

1260

00:53:49,770 --> 00:53:45,820

scarred right our psyche is scarred

1261

00:53:53,390 --> 00:53:49,780

that's the terminology we use so and he

1262

00:53:56,010 --> 00:53:53,400

had he already had a scar on his head

1263

00:53:58,080 --> 00:53:56,020

prior to him running into the to the

1264

00:54:01,140 --> 00:53:58,090

sliding glass door I saw it was a very

1265

00:54:03,720 --> 00:54:01,150

deep scar right right I mean and so he

1266

00:54:06,180 --> 00:54:03,730

isn't wasn't first time I thought I kind

1267

00:54:07,410 --> 00:54:06,190

of logically I knew something bad was

1268

00:54:09,780 --> 00:54:07,420

happening with this kid

1269

00:54:12,360 --> 00:54:09,790

but here's the deal so after

1270

00:54:15,420 --> 00:54:12,370

after I left the house and I went I sat

1271

00:54:18,810 --> 00:54:15,430

down a little security post there on the

1272

00:54:22,050 --> 00:54:18,820

beach and girl came up to me she knew me

1273

00:54:23,790 --> 00:54:22,060

she said she was very excited and I was

1274

00:54:25,800 --> 00:54:23,800

extremely tired and confused but she

1275

00:54:30,150 --> 00:54:25,810

said to me Robert I saw you in my dream

1276

00:54:34,410 --> 00:54:30,160

I'm like so hot and she said taught me

1277

00:54:36,230 --> 00:54:34,420

how to fly I did and she says yeah you

1278

00:54:42,390 --> 00:54:36,240

took me up some mountains

1279

00:54:44,670 --> 00:54:42,400

what she says yeah you couldn't meet him

1280

00:54:46,740 --> 00:54:44,680

since I like Peter Pan took my hand we

1281

00:54:48,960 --> 00:54:46,750

flew up to the mountains and she says

1282

00:54:50,970 --> 00:54:48,970

you taught me how to fly and then once I

1283

00:54:52,920 --> 00:54:50,980

got the hang of it you followed me back

1284

00:54:54,300 --> 00:54:52,930

down to my my house and made sure I was

1285

00:54:57,060 --> 00:54:54,310

home safe and loved

1286

00:54:58,650 --> 00:54:57,070

strange I'm like I'm looking at her

1287

00:55:01,230 --> 00:54:58,660

because this was completely out of

1288

00:55:03,750 --> 00:55:01,240

character for this person right didn't

1289

00:55:05,250 --> 00:55:03,760

mean there's like metaphysics and she

1290

00:55:07,110 --> 00:55:05,260

said to me I think this has something to

1291

00:55:08,640 --> 00:55:07,120

do with spirituality I read something

1292

00:55:11,520 --> 00:55:08,650

about this in my psych class on I'm

1293

00:55:13,020 --> 00:55:11,530

looking at her I'm thinking I can't

1294

00:55:14,370 --> 00:55:13,030

believe you're saying this to me but you

1295

00:55:16,980 --> 00:55:14,380

know it's like but and then I was

1296

00:55:20,190 --> 00:55:16,990

thinking wait a second wait a second if

1297

00:55:22,920 --> 00:55:20,200

I really was out of my body and I was up

1298

00:55:26,790 --> 00:55:22,930

in the mountains maybe I would hope

1299

00:55:29,700 --> 00:55:26,800

because geographically her house was not

1300

00:55:32,880 --> 00:55:29,710

far from where I was okay it would have

1301

00:55:34,560 --> 00:55:32,890

been to the south just due south of

1302

00:55:36,750 --> 00:55:34,570

where I was in the mountain I could have

1303

00:55:39,360 --> 00:55:36,760

easily gone to her yeah right now I

1304

00:55:42,090 --> 00:55:39,370

don't know why I did that but other than

1305

00:55:44,810 --> 00:55:42,100

if I take you to face value I was trying

1306

00:55:46,230 --> 00:55:44,820

to teach her something about her her

1307

00:55:48,240 --> 00:55:46,240

spiritual self

1308

00:55:49,710 --> 00:55:48,250

yeah that would totally make sense okay

1309

00:55:53,910 --> 00:55:49,720

but it didn't stop there

1310

00:55:55,910 --> 00:55:53,920

great all right I went home after work

1311

00:55:58,290 --> 00:55:55,920

and my grandmother called me

1312

00:55:59,550 --> 00:55:58,300

geographically she lives just due north

1313

00:56:01,980 --> 00:55:59,560

of where I was that night

1314

00:56:03,840 --> 00:56:01,990

in the mountains and she says she tells

1315

00:56:07,020 --> 00:56:03,850

me that she saw me at the foot of her

1316

00:56:09,960 --> 00:56:07,030

bed in a dream she said it was the most

1317

00:56:11,640 --> 00:56:09,970

amazing dream she's ever had that she

1318

00:56:14,730 --> 00:56:11,650

saw me standing a little bit as that

1319

00:56:15,960 --> 00:56:14,740

telling her something but she could

1320

00:56:17,790 --> 00:56:15,970

remember what it was because she was so

1321

00:56:19,170 --> 00:56:17,800

blown away by my parents she said I was

1322

00:56:21,730 --> 00:56:19,180

lit up like a Christmas tree

1323

00:56:23,920 --> 00:56:21,740

it was hmm

1324

00:56:27,730 --> 00:56:23,930

there's lights all around me dancing

1325

00:56:29,410 --> 00:56:27,740

around me and she my grandmother with

1326

00:56:33,580 --> 00:56:29,420

his complete opposite this young lady

1327

00:56:36,520 --> 00:56:33,590

very spiritual woman but she never told

1328

00:56:39,700 --> 00:56:36,530

me anything about any of her dreams ever

1329

00:56:42,160 --> 00:56:39,710

that was the only time and so forth so

1330

00:56:44,950 --> 00:56:42,170

so women that cannot be elucidation

1331

00:56:48,870 --> 00:56:44,960

right that has to be an example or a

1332

00:56:51,420 --> 00:56:48,880

testimony of what I was doing I

1333

00:56:52,570 --> 00:56:51,430

considered that actually a divine

1334

00:56:54,820 --> 00:56:52,580

intervention

1335

00:56:57,940 --> 00:56:54,830

I know Anki wasn't involved in that I

1336

00:57:00,580 --> 00:56:57,950

there's other beings his family I think

1337

00:57:02,350 --> 00:57:00,590

this is like a giant chess game that's

1338

00:57:04,540 --> 00:57:02,360

being played it's not a game but I mean

1339

00:57:06,850 --> 00:57:04,550

if I had to use an analogy I'd say this

1340

00:57:09,810 --> 00:57:06,860

is like nine dimensional chess and they

1341

00:57:14,109 --> 00:57:09,820

wanted me to know what I'd been doing

1342

00:57:14,740 --> 00:57:14,119

because if those two women hadn't told

1343

00:57:17,320 --> 00:57:14,750

me that

1344

00:57:19,570 --> 00:57:17,330

I would have thought I was going nuts

1345

00:57:22,510 --> 00:57:19,580

and I would have completely gone into

1346

00:57:25,960 --> 00:57:22,520

denial and said none of that happened

1347

00:57:28,900 --> 00:57:25,970

none of that was real okay the parasite

1348

00:57:31,080 --> 00:57:28,910

this this glowing guy that got in my

1349

00:57:34,750 --> 00:57:31,090

face none of that could be real unless

1350

00:57:37,510 --> 00:57:34,760

those two women witnessed to me what

1351
00:57:40,060 --> 00:57:37,520
they told me okay that is what launched

1352
00:57:41,980 --> 00:57:40,070
me all these decades later and we're

1353
00:57:44,560 --> 00:57:41,990
still talking about it because it's

1354
00:57:46,300 --> 00:57:44,570
significant it's relevant to the human

1355
00:57:48,880 --> 00:57:46,310
condition I mean the real human

1356
00:57:51,630 --> 00:57:48,890
condition right so the thing is I went

1357
00:57:54,430 --> 00:57:51,640
back up to the mountains looking for

1358
00:57:56,380 --> 00:57:54,440
whoever this guy is I thought maybe I

1359
00:57:59,620 --> 00:57:56,390
could find him again and ask him some

1360
00:58:01,990 --> 00:57:59,630
questions that's when I first found that

1361
00:58:05,140 --> 00:58:02,000
ancient megalithic statues up in those

1362
00:58:07,060 --> 00:58:05,150
mountains hmm right that is so

1363
00:58:09,280 --> 00:58:07,070

interesting and clearly you did have a

1364

00:58:11,410 --> 00:58:09,290

lot of personal experiences but jen is

1365

00:58:14,020 --> 00:58:11,420

going by so fast you want to get back

1366

00:58:16,359 --> 00:58:14,030

just to the death trap makes you close

1367

00:58:18,520 --> 00:58:16,369

that wrap that topic up because we were

1368

00:58:20,620 --> 00:58:18,530

saying that at the moment of death

1369

00:58:22,540 --> 00:58:20,630

you're going to see the tunnel of light

1370

00:58:24,430 --> 00:58:22,550

you're going to tell the people who

1371

00:58:26,380 --> 00:58:24,440

greet you there to [h__\h] off and then

1372

00:58:29,080 --> 00:58:26,390

you're going to do what you talked about

1373

00:58:30,670 --> 00:58:29,090

the ocean already IP have a net but what

1374

00:58:32,530 --> 00:58:30,680

should people do at that moment of death

1375

00:58:34,820 --> 00:58:32,540

if they want to escape this cycle onto

1376

00:58:36,770 --> 00:58:34,830

the the greater big picture escape the

1377

00:58:39,500 --> 00:58:36,780

trap throw off the shackles what are the

1378

00:58:41,720 --> 00:58:39,510

steps anything great sorry I'm tend to

1379

00:58:45,050 --> 00:58:41,730

wander and no worries yeah no that's a

1380

00:58:49,220 --> 00:58:45,060

good good one so the way West puts it is

1381

00:58:50,960 --> 00:58:49,230

that at that point when we look away

1382

00:58:55,100 --> 00:58:50,970

from the light we turn our back on them

1383

00:58:57,800 --> 00:58:55,110

we will see a grid or a net and to look

1384

00:59:01,370 --> 00:58:57,810

for the spaces in between and simply

1385

00:59:03,650 --> 00:59:01,380

intend to go through it that's the first

1386

00:59:07,070 --> 00:59:03,660

step just intention and that will

1387

00:59:10,550 --> 00:59:07,080

transport allegedly transport a soul

1388

00:59:13,610 --> 00:59:10,560

through the net and beyond and where you

1389

00:59:18,320 --> 00:59:13,620

go from there is completely up to you

1390

00:59:20,750 --> 00:59:18,330

but for me I would like to go visit the

1391

00:59:23,210 --> 00:59:20,760

Cordova Rhine because that's at all

1392

00:59:26,060 --> 00:59:23,220

possible I would like to go there mainly

1393

00:59:28,580 --> 00:59:26,070

because I have some questions and I know

1394

00:59:31,910 --> 00:59:28,590

I got a few classes to ask these guys

1395

00:59:36,740 --> 00:59:31,920

okay because I mean I they put me on a

1396

00:59:41,260 --> 00:59:36,750

treadmill I've been doing a service for

1397

00:59:43,310 --> 00:59:41,270

them or it feels like a long time and

1398

00:59:46,280 --> 00:59:43,320

some of the artifacts but I found

1399

00:59:48,620 --> 00:59:46,290

actually I think prove that that there's

1400

00:59:51,440 --> 00:59:48,630

a connection to recognition to a lot but

1401
00:59:53,630 --> 00:59:51,450
anyway again what was is saying is you

1402
00:59:56,270 --> 00:59:53,640
can go anywhere in the universe after

1403
01:00:00,350 --> 00:59:56,280
that because that's the first step

1404
01:00:03,350 --> 01:00:00,360
toward leaving Enki's synthetic universe

1405
01:00:05,120 --> 01:00:03,360
is get out of the soul trap that energy

1406
01:00:07,970 --> 01:00:05,130
create around the planet once you're

1407
01:00:10,190 --> 01:00:07,980
beyond there you have a greater ability

1408
01:00:12,380 --> 01:00:10,200
to and that's why he put up the grid or

1409
01:00:14,270 --> 01:00:12,390
the net whatever you want to call it not

1410
01:00:18,530 --> 01:00:14,280
only just a soldier you know he knows we

1411
01:00:20,150 --> 01:00:18,540
can they call that like file locate now

1412
01:00:24,440 --> 01:00:20,160
it's like I'm arguing but you're

1413
01:00:26,210 --> 01:00:24,450

projecting astral projects yeah like

1414

01:00:27,980 --> 01:00:26,220

it's like astral travelling yes that's

1415

01:00:30,140 --> 01:00:27,990

right okay so what I was describing

1416

01:00:35,740 --> 01:00:30,150

myself doing that's a natural state

1417

01:00:37,600 --> 01:00:35,750

being for us when we're healthy so

1418

01:00:39,790 --> 01:00:37,610

they didn't want us to have that ability

1419

01:00:44,920 --> 01:00:39,800

they not only imprisoned us physically

1420

01:00:49,569 --> 01:00:44,930

they don't allow our souls to travel

1421

01:00:52,390 --> 01:00:49,579

very far okay so I mean it takes a huge

1422

01:00:54,849 --> 01:00:52,400

effort to get beyond that at least it

1423

01:00:57,519 --> 01:00:54,859

used to but the other thing I said was

1424

01:00:59,980 --> 01:00:57,529

the reason to hold exists is because as

1425

01:01:03,819 --> 01:00:59,990

people wake up their consciousness

1426

01:01:08,140 --> 01:01:03,829

becomes empowered and we have been

1427

01:01:10,029 --> 01:01:08,150

poking holes in that force feel sort of

1428

01:01:12,190 --> 01:01:10,039

like pecking at the egg from the inside

1429

01:01:13,930 --> 01:01:12,200

it's strong from the outside but you

1430

01:01:17,230 --> 01:01:13,940

know from if you pack it from the inside

1431

01:01:19,390 --> 01:01:17,240

it'll crack right and that's that's the

1432

01:01:22,150 --> 01:01:19,400

whole thing is that as more and more of

1433

01:01:24,039 --> 01:01:22,160

us are waking up and realizing that

1434

01:01:26,400 --> 01:01:24,049

we're our free wills be violated and

1435

01:01:29,559 --> 01:01:26,410

then we're just imprisoned here and

1436

01:01:32,049 --> 01:01:29,569

obviously that's that goes directly

1437

01:01:34,690 --> 01:01:32,059

against the human condition it's not the

1438

01:01:36,700 --> 01:01:34,700

way we were created right and this info

1439

01:01:38,170 --> 01:01:36,710

largely comes from West Penn Ray as

1440

01:01:40,450 --> 01:01:38,180

you've mentioned I know he's a huge

1441

01:01:41,589 --> 01:01:40,460

influence on you and your research but

1442

01:01:43,390 --> 01:01:41,599

do you know where he's getting this

1443

01:01:45,279 --> 01:01:43,400

information from great effect needs to

1444

01:01:49,989 --> 01:01:45,289

be some of the most guarded secrets on

1445

01:01:53,799 --> 01:01:49,999

earth yeah obviously some of it he is

1446

01:01:56,799 --> 01:01:53,809

not saying he can't devote to sources he

1447

01:01:58,900 --> 01:01:56,809

at least not yet and not even to me as a

1448

01:02:02,039 --> 01:01:58,910

friend and I've only known West's I

1449

01:02:05,079 --> 01:02:02,049

started reading his stuff in 2014 late

1450

01:02:08,440 --> 01:02:05,089

I've reached out to him and obviously we

1451
01:02:10,210 --> 01:02:08,450
have some common ground and I mean he

1452
01:02:11,799 --> 01:02:10,220
blew my mind actually and I think I've

1453
01:02:13,690 --> 01:02:11,809
blown his mind a couple times not that

1454
01:02:15,609 --> 01:02:13,700
that's a week that's not all we want to

1455
01:02:18,220 --> 01:02:15,619
do which is that you know it's been

1456
01:02:20,200 --> 01:02:18,230
pretty surprising some of the level of

1457
01:02:21,999 --> 01:02:20,210
information and we're sharing or

1458
01:02:24,700 --> 01:02:22,009
realizations or insights whatever you

1459
01:02:27,279 --> 01:02:24,710
want to call it and most people don't

1460
01:02:28,870 --> 01:02:27,289
know about it I do it was completely by

1461
01:02:31,509 --> 01:02:28,880
accident but I ran across some stuff

1462
01:02:33,400 --> 01:02:31,519
again I think you know the thing about

1463
01:02:36,789 --> 01:02:33,410

the way that the bindings work is that

1464

01:02:38,049 --> 01:02:36,799

they're very subtle you know they never

1465

01:02:39,940 --> 01:02:38,059

violate our free will

1466

01:02:41,529 --> 01:02:39,950

building suggestions but they you know

1467

01:02:45,099 --> 01:02:41,539

and sometimes they have to intervene

1468

01:02:47,499 --> 01:02:45,109

forcefully in a crisis but they never

1469

01:02:51,309 --> 01:02:47,509

want any kind of promotion or publicity

1470

01:02:53,019 --> 01:02:51,319

or you know they don't need that in fact

1471

01:02:54,910 --> 01:02:53,029

it's actually kind of I think it's kind

1472

01:02:57,009 --> 01:02:54,920

of dangerous along so you think there's

1473

01:02:58,060 --> 01:02:57,019

something subtly influencing West -

1474

01:03:00,250 --> 01:02:58,070

given this information

1475

01:03:02,050 --> 01:03:00,260

of course and sometimes it's not that

1476

01:03:03,580 --> 01:03:02,060

photo I think you've asked for it and I

1477

01:03:06,160 --> 01:03:03,590

think you know it's a huge

1478

01:03:09,640 --> 01:03:06,170

responsibility what he's doing he has a

1479

01:03:13,330 --> 01:03:09,650

very uh themeing stuff and it's not for

1480

01:03:16,390 --> 01:03:13,340

everybody he also admits that his early

1481

01:03:18,640 --> 01:03:16,400

writing is not as advanced as Malia

1482

01:03:21,010 --> 01:03:18,650

ready I mean you could start the first

1483

01:03:22,810 --> 01:03:21,020

paper there let's make it he got the

1484

01:03:24,600 --> 01:03:22,820

first level of learning you can see that

1485

01:03:27,070 --> 01:03:24,610

he's still trying to figure it out

1486

01:03:29,650 --> 01:03:27,080

nothing he has all the answers either

1487

01:03:32,200 --> 01:03:29,660

it's just that you can see his thinking

1488

01:03:33,670 --> 01:03:32,210

and awareness progress from one paper to

1489

01:03:34,990 --> 01:03:33,680

the next learn equity so the reason he

1490

01:03:36,910 --> 01:03:35,000

didn't go back and correct it is because

1491

01:03:40,330 --> 01:03:36,920

he just he wanted to be very transparent

1492

01:03:43,360 --> 01:03:40,340

about his process right and I did read

1493

01:03:44,770 --> 01:03:43,370

some West Henry in preparation and he's

1494

01:03:46,900 --> 01:03:44,780

great because he does talk about some

1495

01:03:48,340 --> 01:03:46,910

other opinions in his papers too there's

1496

01:03:51,040 --> 01:03:48,350

a part where he talks about the idea of

1497

01:03:52,930 --> 01:03:51,050

a grand portal he says because we're all

1498

01:03:54,760 --> 01:03:52,940

fractions of the Queen of Orion you

1499

01:03:56,650 --> 01:03:54,770

shouldn't try to ascend alone but the

1500

01:03:59,290 --> 01:03:56,660

experiment might have an end date around

1501
01:04:02,110 --> 01:03:59,300
2080 with something called the grand

1502
01:04:04,120 --> 01:04:02,120
portal opening up and that the elite or

1503
01:04:05,590 --> 01:04:04,130
the archons are trying desperately to

1504
01:04:08,230 --> 01:04:05,600
reach the technological singularity

1505
01:04:10,810 --> 01:04:08,240
before then because they can prolong the

1506
01:04:13,210 --> 01:04:10,820
trap maybe indefinitely yes he also says

1507
01:04:14,800 --> 01:04:13,220
because of our violent nature many star

1508
01:04:16,810 --> 01:04:14,810
races don't want us to leave the planet

1509
01:04:18,910 --> 01:04:16,820
and travel into space or they are afraid

1510
01:04:20,650 --> 01:04:18,920
that we would create conflicts and Wars

1511
01:04:23,110 --> 01:04:20,660
and try to conquer other worlds wherever

1512
01:04:24,370 --> 01:04:23,120
we go this is a given if the singularity

1513
01:04:27,370 --> 01:04:24,380

happens because according to their

1514

01:04:28,600 --> 01:04:27,380

famous singularity guru dr. Ray Kurzweil

1515

01:04:31,000 --> 01:04:28,610

post-humans

1516

01:04:33,700 --> 01:04:31,010

or the singularity cyborg race that will

1517

01:04:35,500 --> 01:04:33,710

replace us their next step after the

1518

01:04:36,880 --> 01:04:35,510

singularity is to conquer space it's

1519

01:04:39,730 --> 01:04:36,890

directly from the horse's mouth

1520

01:04:43,750 --> 01:04:39,740

thus the star races concerns are well

1521

01:04:45,880 --> 01:04:43,760

grounded and that is a amazing stuff man

1522

01:04:47,230 --> 01:04:45,890

I mean he also just to fill that fill in

1523

01:04:49,270 --> 01:04:47,240

the gaps there he says some races have

1524

01:04:50,680 --> 01:04:49,280

complained to the Queen and asked her to

1525

01:04:52,840 --> 01:04:50,690

terminate the human experiment

1526

01:04:54,520 --> 01:04:52,850

altogether while other star races still

1527

01:04:56,590 --> 01:04:54,530

want to give humanity a chance to evolve

1528

01:04:59,350 --> 01:04:56,600

and break free of our chains the Queen

1529

01:05:02,230 --> 01:04:59,360

apparently decided to wait and see okay

1530

01:05:05,200 --> 01:05:02,240

that's pretty well but I guess in our

1531

01:05:08,110 --> 01:05:05,210

lifetime perhaps if I if I make it to

1532

01:05:10,330 --> 01:05:08,120

the ripe old age of nearly a hundred but

1533

01:05:13,070 --> 01:05:10,340

2080 that's indeed

1534

01:05:15,470 --> 01:05:13,080

is coming up at us very quickly you know

1535

01:05:17,540 --> 01:05:15,480

and as good thing is that they they have

1536

01:05:19,250 --> 01:05:17,550

life extension technology we're not

1537

01:05:22,130 --> 01:05:19,260

supposed to live such short lifespans

1538

01:05:24,740 --> 01:05:22,140

that's artificial they made us right

1539

01:05:27,110 --> 01:05:24,750

right this is part of them it makes it

1540

01:05:28,910 --> 01:05:27,120

easier to control us just like we don't

1541

01:05:31,370 --> 01:05:28,920

see them in the light spectrum outside

1542

01:05:34,460 --> 01:05:31,380

of our narrow range true true that is

1543

01:05:37,910 --> 01:05:34,470

done to us as well so yes we we've been

1544

01:05:40,340 --> 01:05:37,920

badly regulated and lied to you and yes

1545

01:05:42,500 --> 01:05:40,350

all that needs to stop and I believe it

1546

01:05:44,810 --> 01:05:42,510

is coming to an end I don't know exactly

1547

01:05:48,280 --> 01:05:44,820

the date and actually I think it's a

1548

01:05:50,480 --> 01:05:48,290

series of events it's not just an event

1549

01:05:52,460 --> 01:05:50,490

right there will culminate in our

1550

01:05:56,990 --> 01:05:52,470

liberation and the other thing that was

1551
01:06:00,050 --> 01:05:57,000
shown to me as I was having a telepathic

1552
01:06:01,790 --> 01:06:00,060
dialogue with some of the I considered

1553
01:06:04,430 --> 01:06:01,800
to be divine beings as I hope that sort

1554
01:06:05,780 --> 01:06:04,440
of talked to when I asked them how in

1555
01:06:07,760 --> 01:06:05,790
the world are you going to resolve this

1556
01:06:11,750 --> 01:06:07,770
they showed me not only these waves of

1557
01:06:14,690 --> 01:06:11,760
energy but how people DNA would switch

1558
01:06:17,030 --> 01:06:14,700
on and how whether they like it or not

1559
01:06:19,220 --> 01:06:17,040
everybody was going to gradually have

1560
01:06:20,810 --> 01:06:19,230
increased awareness and there would be

1561
01:06:22,530 --> 01:06:20,820
no way that they could be lied to

1562
01:06:24,420 --> 01:06:22,540
anymore

1563
01:06:28,050 --> 01:06:24,430

that would be very painful for a lot of

1564

01:06:31,380 --> 01:06:28,060

people but some people are actually

1565

01:06:34,890 --> 01:06:31,390

going to willingly choose to continue

1566

01:06:35,280 --> 01:06:34,900

down the path with Anki and that blew my

1567

01:06:38,010 --> 01:06:35,290

mind

1568

01:06:40,680 --> 01:06:38,020

one day they were actually trying to

1569

01:06:43,740 --> 01:06:40,690

warn me that you need to prepare

1570

01:06:46,710 --> 01:06:43,750

yourselves with this some prisoners like

1571

01:06:50,310 --> 01:06:46,720

to go back to jail - yes exactly

1572

01:06:53,640 --> 01:06:50,320

that was the analogy that I offer I

1573

01:06:55,080 --> 01:06:53,650

guess you're right so we've a lot of

1574

01:06:57,390 --> 01:06:55,090

folks have been here for far too long

1575

01:07:00,560 --> 01:06:57,400

under these conditions and the thought

1576

01:07:04,290 --> 01:07:00,570

of being free within the universe is

1577

01:07:06,020 --> 01:07:04,300

striking to them so yes they're going to

1578

01:07:09,270 --> 01:07:06,030

choose to remain in some sort of

1579

01:07:10,650 --> 01:07:09,280

imprisoned state of being for I don't

1580

01:07:15,810 --> 01:07:10,660

know how long that's completely up to

1581

01:07:19,560 --> 01:07:15,820

them but for me no way oh god I've had

1582

01:07:21,210 --> 01:07:19,570

enough of this a man man I mean it can

1583

01:07:24,720 --> 01:07:21,220

get you down for sure the more you

1584

01:07:26,340 --> 01:07:24,730

research it well man we really ran the

1585

01:07:29,609 --> 01:07:26,350

gamut here we talked about pretty much

1586

01:07:31,859 --> 01:07:29,619

yeah everything there is in the spectrum

1587

01:07:33,960 --> 01:07:31,869

of things to discuss rabbit holes they

1588

01:07:35,820 --> 01:07:33,970

do go deep you know since we aren't on a

1589

01:07:37,320 --> 01:07:35,830

seriously strict time limit that's the

1590

01:07:39,690 --> 01:07:37,330

joys of having control of your own

1591

01:07:42,510 --> 01:07:39,700

network are there any other aspects

1592

01:07:44,250 --> 01:07:42,520

maybe we haven't touched on or at things

1593

01:07:46,320 --> 01:07:44,260

and your research that you've yet to

1594

01:07:48,060 --> 01:07:46,330

talk or write about that could help

1595

01:07:51,170 --> 01:07:48,070

further our understanding of the big

1596

01:07:54,300 --> 01:07:51,180

picture before we really wrap this up

1597

01:07:56,640 --> 01:07:54,310

yeah there's something I I don't want I

1598

01:08:01,080 --> 01:07:56,650

have my my really hard time explaining

1599

01:08:01,950 --> 01:08:01,090

this to people because it's so what in

1600

01:08:06,630 --> 01:08:01,960

Malibu

1601

01:08:09,540 --> 01:08:06,640

there was the great flood the first

1602

01:08:12,330 --> 01:08:09,550

people were destroyed in that flood that

1603

01:08:15,960 --> 01:08:12,340

was a form of genocide and I understand

1604

01:08:19,650 --> 01:08:15,970

why and key parents did that they had to

1605

01:08:22,860 --> 01:08:19,660

do that they felt it was necessary for

1606

01:08:25,289 --> 01:08:22,870

their their own survival but it was

1607

01:08:28,410 --> 01:08:25,299

genocide nonetheless and I actually

1608

01:08:31,200 --> 01:08:28,420

blame a key for it if he had to created

1609

01:08:32,519 --> 01:08:31,210

a mess then you know we will all of us

1610

01:08:34,019 --> 01:08:32,529

who were there at the time would not

1611

01:08:37,090 --> 01:08:34,029

have had to suffer that kind of

1612

01:08:41,510 --> 01:08:37,100

devastation with the deluge

1613

01:08:44,660 --> 01:08:41,520

but after recreating he started it all

1614

01:08:47,030 --> 01:08:44,670

up again and even though the shamash

1615

01:08:51,170 --> 01:08:47,040

live a fairly intact life of thousands

1616

01:08:54,680 --> 01:08:51,180

of years / years they were genocide by

1617

01:09:00,230 --> 01:08:54,690

the Franciscan Brotherhood - extension

1618

01:09:02,360 --> 01:09:00,240

of the Vatican you know so there's at

1619

01:09:05,090 --> 01:09:02,370

least two genocides that occurred in

1620

01:09:09,460 --> 01:09:05,100

malleable and unfortunately there's a

1621

01:09:15,470 --> 01:09:09,470

third one that's going on now and I

1622

01:09:17,840 --> 01:09:15,480

really hate you and bring it up but the

1623

01:09:18,410 --> 01:09:17,850

levels of radiation there are extremely

1624

01:09:21,050 --> 01:09:18,420

high

1625

01:09:23,120 --> 01:09:21,060

they have been it actually started

1626
01:09:25,340 --> 01:09:23,130
leaving some of this stuff actually

1627
01:09:26,450 --> 01:09:25,350
bought with mine like I thought I knew

1628
01:09:29,690 --> 01:09:26,460
these things yeah

1629
01:09:31,580 --> 01:09:29,700
I mean I grew up there I mean I knew

1630
01:09:35,000 --> 01:09:31,590
about the nuclear accidents just you

1631
01:09:37,580 --> 01:09:35,010
know over the hill back in the 50s I was

1632
01:09:39,140 --> 01:09:37,590
there I was I was still in detour my mom

1633
01:09:43,820 --> 01:09:39,150
I was pregnant when that the first

1634
01:09:46,280 --> 01:09:43,830
reactor was vented just not even ten

1635
01:09:50,090 --> 01:09:46,290
miles from my house they did that a

1636
01:09:51,410 --> 01:09:50,100
series of times 59 to 64 they vented it

1637
01:09:52,840 --> 01:09:51,420
directly into the atmosphere they didn't

1638
01:09:55,610 --> 01:09:52,850

tell anybody

1639

01:09:58,370 --> 01:09:55,620

and that was NASA by the way as

1640

01:10:02,030 --> 01:09:58,380

Department of Energy that was a crime

1641

01:10:05,360 --> 01:10:02,040

what they were doing was crying but they

1642

01:10:08,810 --> 01:10:05,370

did it right well it turns out the first

1643

01:10:12,830 --> 01:10:08,820

nuclear material broadens Malibu was for

1644

01:10:16,820 --> 01:10:12,840

toggery of all things down Central

1645

01:10:18,650 --> 01:10:16,830

Malibu near the Malibu pier there's a

1646

01:10:20,750 --> 01:10:18,660

place called Mountain Potteries and they

1647

01:10:24,940 --> 01:10:20,760

were bringing in the glaze that they

1648

01:10:27,220 --> 01:10:24,950

were using for their tiles

1649

01:10:29,190 --> 01:10:27,230

was radioactive and had Cobalt uranium

1650

01:10:31,870 --> 01:10:29,200

in it geez

1651

01:10:35,230 --> 01:10:31,880

so you guess what happens when you put

1652

01:10:37,500 --> 01:10:35,240

that in a kennel anybody doesn't want to

1653

01:10:40,870 --> 01:10:37,510

kill it it's basically a really hot fire

1654

01:10:43,000 --> 01:10:40,880

so we can have a look at them some of

1655

01:10:45,580 --> 01:10:43,010

that stuff is goes poop it goes right up

1656

01:10:47,470 --> 01:10:45,590

into the air but it doesn't just keep

1657

01:10:50,350 --> 01:10:47,480

going into outer space it falls down

1658

01:10:53,800 --> 01:10:50,360

into the environment and it stays there

1659

01:10:55,660 --> 01:10:53,810

for a long long time so central

1660

01:11:01,210 --> 01:10:55,670

knowledge was the radioactive since be

1661

01:11:03,550 --> 01:11:01,220

weird too late nice early 20s yeah and

1662

01:11:07,570 --> 01:11:03,560

eventually they got the whole building

1663

01:11:12,070 --> 01:11:07,580

on fire they stopped doing that but now

1664

01:11:17,410 --> 01:11:12,080

it's what's going on what happened in

1665

01:11:19,050 --> 01:11:17,420

Japan with the reactors there we you

1666

01:11:21,520 --> 01:11:19,060

know that we probably saw that story

1667

01:11:23,620 --> 01:11:21,530

recently they're saying Fukushima

1668

01:11:25,270 --> 01:11:23,630

they're saying that it's leaking worse

1669

01:11:28,080 --> 01:11:25,280

than ever it's actually killing the

1670

01:11:30,340 --> 01:11:28,090

robots if they go send in there and

1671

01:11:33,760 --> 01:11:30,350

they're saying that this is going to

1672

01:11:38,110 --> 01:11:33,770

contaminate the planet entirely this is

1673

01:11:39,550 --> 01:11:38,120

the worst environmental catastrophe you

1674

01:11:41,710 --> 01:11:39,560

know that's obviously not the only place

1675

01:11:44,920 --> 01:11:41,720

right there's really like committee all

1676

01:11:49,930 --> 01:11:44,930

over the planet and this is the direct

1677

01:11:53,760 --> 01:11:49,940

result I feel of what most people would

1678

01:11:56,800 --> 01:11:53,770

understand be Anunnaki even Illuminati

1679

01:11:58,320 --> 01:11:56,810

particularly these are the same guys and

1680

01:12:02,830 --> 01:11:58,330

they're different names but they're all

1681

01:12:04,990 --> 01:12:02,840

inky this is his empire right so I'm not

1682

01:12:08,500 --> 01:12:05,000

sure what their love affair is with

1683

01:12:14,500 --> 01:12:08,510

radioactivity but they turn this planet

1684

01:12:16,570 --> 01:12:14,510

into a really hot mess and we know that

1685

01:12:19,240 --> 01:12:16,580

there's been multiple extinction events

1686

01:12:22,480 --> 01:12:19,250

on this planet that are probably

1687

01:12:28,480 --> 01:12:22,490

naturally occurring but not all of them

1688

01:12:30,160 --> 01:12:28,490

are and it it's just hard for me today

1689

01:12:32,890 --> 01:12:30,170

say it's great because I feel horrible

1690

01:12:34,900 --> 01:12:32,900

about this but there is a very slow

1691

01:12:37,240 --> 01:12:34,910

genocide underway I know for a fact

1692

01:12:38,879 --> 01:12:37,250

because part of my research for the next

1693

01:12:40,830 --> 01:12:38,889

book is how many people

1694

01:12:43,760 --> 01:12:40,840

have contracted and died from cancer in

1695

01:12:47,700 --> 01:12:43,770

Malibu it's huge

1696

01:12:50,760 --> 01:12:47,710

most of them that I cite are movie stars

1697

01:12:53,280 --> 01:12:50,770

the authorities because their lives are

1698

01:12:56,930 --> 01:12:53,290

in the public record a lot of the people

1699

01:13:01,050 --> 01:12:56,940

I know that got sick in their obituaries

1700

01:13:03,570 --> 01:13:01,060

it's not on there because their family

1701

01:13:05,609 --> 01:13:03,580

didn't want to disclose it I don't know

1702

01:13:09,750 --> 01:13:05,619

why but that's their choice okay I

1703

01:13:11,220 --> 01:13:09,760

understand there's also been I know for

1704

01:13:17,100 --> 01:13:11,230

a fact there's a lot of suicide in

1705

01:13:19,950 --> 01:13:17,110

Malibu because I I I say that boy I

1706

01:13:23,129 --> 01:13:19,960

think he was suicidal but I mean I I

1707

01:13:24,930 --> 01:13:23,139

need like eight or nine people to kill

1708

01:13:28,260 --> 01:13:24,940

themselves available i honest thinking

1709

01:13:30,180 --> 01:13:28,270

one of them so that's a huge issue too

1710

01:13:34,680 --> 01:13:30,190

but like I said the bigger picture is

1711

01:13:38,060 --> 01:13:34,690

the genocide is happening and just like

1712

01:13:41,870 --> 01:13:38,070

the shamash replaced the first people to

1713

01:13:44,040 --> 01:13:41,880

the next level is as humans physically

1714

01:13:46,050 --> 01:13:44,050

start to pass away they're going to be

1715

01:13:48,840 --> 01:13:46,060

replaced by the atomic Punx with side

1716

01:13:52,320 --> 01:13:48,850

Wars I'm sorry to say that but that's

1717

01:13:58,350 --> 01:13:52,330

the goal I hope it doesn't happen but

1718

01:14:01,620 --> 01:13:58,360

that is part of the agenda yeah I'm very

1719

01:14:03,270 --> 01:14:01,630

very sorry to say that hey gotta hear

1720

01:14:07,590 --> 01:14:03,280

the truth regardless of how

1721

01:14:09,780 --> 01:14:07,600

uncomfortable it may be yeah well thank

1722

01:14:12,630 --> 01:14:09,790

you for letting me

1723

01:14:15,150 --> 01:14:12,640

big-assed and share what I've learned or

1724

01:14:17,400 --> 01:14:15,160

what I think is accurate and hopefully

1725

01:14:19,770 --> 01:14:17,410

it helps some people I would also say

1726

01:14:21,660 --> 01:14:19,780

that you know every I know some people

1727

01:14:24,630 --> 01:14:21,670

are going to have questions or comments

1728

01:14:27,630 --> 01:14:24,640

so I do answer all my email through my

1729

01:14:29,610 --> 01:14:27,640

website at unicast Aggie decom right on

1730

01:14:33,180 --> 01:14:29,620

the 30 final book should be out this

1731

01:14:35,490 --> 01:14:33,190

year that's my goal and it's all at my

1732

01:14:39,900 --> 01:14:35,500

website at eunuch is magazine comments

1733

01:14:42,479 --> 01:14:39,910

WN I see US magazine calm most of the

1734

01:14:45,420 --> 01:14:42,489

information there so free I would urge

1735

01:14:48,240 --> 01:14:45,430

people strongly urge people to read the

1736

01:14:50,580 --> 01:14:48,250

article they're called techno side as a

1737

01:14:52,920 --> 01:14:50,590

ton of links there I don't expect people

1738

01:14:55,140 --> 01:14:52,930

to read everything but you should at

1739

01:14:57,540 --> 01:14:55,150

least trigger a notification about what

1740

01:15:00,300 --> 01:14:57,550

what's happening where humanity is

1741

01:15:04,410 --> 01:15:00,310

headed please please please you need to

1742

01:15:07,020 --> 01:15:04,420

check that out some solid heavy stuff

1743

01:15:10,200 --> 01:15:07,030

but definitely I know I'm sorry I

1744

01:15:11,640 --> 01:15:10,210

actually got that sour note but you okay

1745

01:15:13,590 --> 01:15:11,650

despite what I just told you I'm

1746

01:15:16,260 --> 01:15:13,600

extremely optimistic if I know who we

1747

01:15:20,070 --> 01:15:16,270

really I know that there's a life

1748

01:15:21,870 --> 01:15:20,080

there's an eternal life for us and that

1749

01:15:23,900 --> 01:15:21,880

we are divine beings and that's not

1750

01:15:27,450 --> 01:15:23,910

going to solve no matter what inky and

1751

01:15:30,210 --> 01:15:27,460

minions do eventually we all will pass

1752

01:15:31,650 --> 01:15:30,220

away physically anyway but I'm concerned

1753

01:15:33,360 --> 01:15:31,660

about it a lot of people are going to

1754

01:15:35,729 --> 01:15:33,370

agree thinking that they're going to get

1755

01:15:37,890 --> 01:15:35,739

immortality by going you know signing up

1756

01:15:40,080 --> 01:15:37,900

for the AI program circularity whatever

1757

01:15:41,220 --> 01:15:40,090

you wanna call it becoming a cyborg is a

1758

01:15:43,790 --> 01:15:41,230

really bad idea

1759

01:15:46,920 --> 01:15:43,800

and most people aren't aware so

1760

01:15:47,310 --> 01:15:46,930

hopefully they hopefully see through

1761

01:15:49,080 --> 01:15:47,320

that

1762

01:15:52,440 --> 01:15:49,090

well it's gradual they got it in our

1763

01:15:53,910 --> 01:15:52,450

pockets now and soon in our bodies right

1764

01:15:57,690 --> 01:15:53,920

yes that's right

1765

01:16:00,479 --> 01:15:57,700

right right okay so anyway like I said

1766

01:16:05,580 --> 01:16:00,489

we have a tremendous potential as the

1767

01:16:08,220 --> 01:16:05,590

seeds of life in garden it it it's kind

1768

01:16:11,610 --> 01:16:08,230

of difficult words actually would pale I

1769

01:16:14,970 --> 01:16:11,620

try to subscribe to you how incredibly

1770

01:16:17,220 --> 01:16:14,980

profound we are and the potential that

1771

01:16:22,170 --> 01:16:17,230

we have this being on realize this is

1772

01:16:23,570 --> 01:16:22,180

just I feel it with infinite so so try

1773

01:16:26,610 --> 01:16:23,580

and hold on to Oh

1774

01:16:27,870 --> 01:16:26,620

Brooklyn three things I do recommend to

1775

01:16:30,840 --> 01:16:27,880

people when you're dealing with the

1776

01:16:34,979 --> 01:16:30,850

archons in society right now is being

1777

01:16:37,920 --> 01:16:34,989

freezing calm kind and creative I know

1778

01:16:39,570 --> 01:16:37,930

that sounds simple it's not a being calm

1779

01:16:42,630 --> 01:16:39,580

when people are you know losing their

1780

01:16:44,430 --> 01:16:42,640

minds and going crazy it's really really

1781

01:16:47,400 --> 01:16:44,440

difficult but it's essential especially

1782

01:16:50,430 --> 01:16:47,410

today especially today because that is

1783

01:16:51,870 --> 01:16:50,440

like if you think that these people if

1784

01:16:53,760 --> 01:16:51,880

you didn't let me talk Wow

1785

01:16:55,800 --> 01:16:53,770

God they're on fire but slamming crazy

1786

01:16:57,420 --> 01:16:55,810

if you start getting pissed off at them

1787

01:16:58,800 --> 01:16:57,430

you're actually pouring gasoline on the

1788

01:17:01,680 --> 01:16:58,810

fire and you're feeding the archons

1789

01:17:04,050 --> 01:17:01,690

exactly what they want so if you don't

1790

01:17:06,000 --> 01:17:04,060

control your emotions somebody else or

1791

01:17:08,729 --> 01:17:06,010

something else will that's what I've

1792

01:17:10,200 --> 01:17:08,739

learned so we actually have a loan we

1793

01:17:12,360 --> 01:17:10,210

can make a huge difference every day

1794

01:17:14,850 --> 01:17:12,370

just by being calm in the midst of

1795

01:17:17,070 --> 01:17:14,860

crisis number two being kind is

1796

01:17:19,160 --> 01:17:17,080

extremely important because if you have

1797

01:17:22,200 --> 01:17:19,170

that capacity that means that you're not

1798

01:17:24,209 --> 01:17:22,210

terribly infected you know if you have

1799

01:17:25,950 --> 01:17:24,219

some empathy towards others if you show

1800

01:17:28,880 --> 01:17:25,960

kindness especially when others are

1801
01:17:31,470 --> 01:17:28,890
being cool as part of the antidote the

1802
01:17:34,140 --> 01:17:31,480
infection number three is probably the

1803
01:17:36,630 --> 01:17:34,150
most important could be creative why

1804
01:17:39,479 --> 01:17:36,640
because we're created by a creator or to

1805
01:17:43,740 --> 01:17:39,489
be creative it's part of our divine

1806
01:17:46,800 --> 01:17:43,750
nature it's constructive it is who what

1807
01:17:49,200 --> 01:17:46,810
is it as par but if we deny that aspect

1808
01:17:51,060 --> 01:17:49,210
of ourselves a little atrophy and we

1809
01:17:54,270 --> 01:17:51,070
become weaker and so does the all of

1810
01:17:57,000 --> 01:17:54,280
creation so it doesn't matter what it is

1811
01:17:58,530 --> 01:17:57,010
any creative act is a step in the right

1812
01:18:00,120 --> 01:17:58,540
direction and you'll find it you

1813
01:18:02,040 --> 01:18:00,130

actually start to enjoy it more and more

1814

01:18:03,959 --> 01:18:02,050

as you do it and you can share it with

1815

01:18:06,510 --> 01:18:03,969

others and it has a very key militant

1816

01:18:08,939 --> 01:18:06,520

effects so please those are three very

1817

01:18:11,130 --> 01:18:08,949

simple things let's be calm be kind and

1818

01:18:12,870 --> 01:18:11,140

creative whenever possible and you'll

1819

01:18:16,290 --> 01:18:12,880

find things actually are getting better

1820

01:18:20,160 --> 01:18:16,300

right on grating and I would advise a

1821

01:18:21,540 --> 01:18:20,170

man cheers that okay okay all right yeah

1822

01:18:23,370 --> 01:18:21,550

thanks so much for laying this all out

1823

01:18:24,890 --> 01:18:23,380

for us and keep fighting the good fight

1824

01:18:28,290 --> 01:18:24,900

take care out there

1825

01:18:30,870 --> 01:18:28,300

praise Jesus people Robert Stanley big

1826

01:18:32,550 --> 01:18:30,880

thanks to him for answering my call he

1827

01:18:35,850 --> 01:18:32,560

was a recommendation from the higher

1828

01:18:37,240 --> 01:18:35,860

side chats plus forum and I do hope it

1829

01:18:40,360 --> 01:18:37,250

was everything you guys drew

1830

01:18:42,370 --> 01:18:40,370

dov and more and when I heard Robert was

1831

01:18:44,980 --> 01:18:42,380

talking about the deathtrap in his

1832

01:18:47,140 --> 01:18:44,990

material I was totally in because after

1833

01:18:49,300 --> 01:18:47,150

the political season and all the stuff

1834

01:18:52,000 --> 01:18:49,310

going on in three Pizza Gate pedophile

1835

01:18:54,340 --> 01:18:52,010

ring shows and archons and the death

1836

01:18:57,040 --> 01:18:54,350

trap episode is really just what I

1837

01:18:59,530 --> 01:18:57,050

needed you could think of it as an even

1838

01:19:03,580 --> 01:18:59,540

more soul-crushing no pun intended

1839

01:19:06,400 --> 01:19:03,590

paradigm but for me I was happy to go

1840

01:19:08,500 --> 01:19:06,410

down this road the recommendation from

1841

01:19:11,500 --> 01:19:08,510

the forum was really more focused on the

1842

01:19:13,360 --> 01:19:11,510

Lucifer Anki aspect of Roberts work and

1843

01:19:16,300 --> 01:19:13,370

to be honest there were just a lot of

1844

01:19:18,640 --> 01:19:16,310

other aspects that I personally was more

1845

01:19:21,610 --> 01:19:18,650

interested in we have so many

1846

01:19:23,800 --> 01:19:21,620

researchers now who are compiling their

1847

01:19:25,480 --> 01:19:23,810

breakdowns of the anunnaki family tree

1848

01:19:27,070 --> 01:19:25,490

and who is good and bad and who's

1849

01:19:29,410 --> 01:19:27,080

pretending to be good but is really a

1850

01:19:31,630 --> 01:19:29,420

deceiver well he's a trickster entity

1851

01:19:32,500 --> 01:19:31,640

but tricksters aren't really bad I mean

1852

01:19:35,200 --> 01:19:32,510

I get it

1853

01:19:37,510 --> 01:19:35,210

I really do everyone has the best

1854

01:19:40,870 --> 01:19:37,520

intentions but to really debate

1855

01:19:43,120 --> 01:19:40,880

Anke and little stuff is not what I like

1856

01:19:46,000 --> 01:19:43,130

to do I see it's important

1857

01:19:49,150 --> 01:19:46,010

I know its implications I've heard many

1858

01:19:51,310 --> 01:19:49,160

arguments and it is what it is there are

1859

01:19:53,770 --> 01:19:51,320

just a lot of opinions and of course not

1860

01:19:55,600 --> 01:19:53,780

everyone has done the research and had

1861

01:19:58,810 --> 01:19:55,610

personal interactions with Lucifer

1862

01:20:01,230 --> 01:19:58,820

himself that's not nothing so I do

1863

01:20:03,970 --> 01:20:01,240

appreciate Robert sharing that ai

1864

01:20:06,730 --> 01:20:03,980

replacements for prominent politicians I

1865

01:20:09,370 --> 01:20:06,740

mean yeah I do wish we could have spent

1866

01:20:11,470 --> 01:20:09,380

a little more time on his work into

1867

01:20:13,750 --> 01:20:11,480

Malibu megaliths he's got some really

1868

01:20:15,760 --> 01:20:13,760

impressive photos that should be looked

1869

01:20:18,040 --> 01:20:15,770

at they very well could be ancient

1870

01:20:20,770 --> 01:20:18,050

man-made structures along the Malibu

1871

01:20:22,780 --> 01:20:20,780

coastline we touched on it more of that

1872

01:20:24,190 --> 01:20:22,790

really in the plus show but you got to

1873

01:20:26,320 --> 01:20:24,200

see the pictures to make up your own

1874

01:20:28,060 --> 01:20:26,330

mind I think some of them are super

1875

01:20:30,220 --> 01:20:28,070

interesting and it's not a stretch to me

1876

01:20:32,080 --> 01:20:30,230

at all that there would be man-made

1877

01:20:33,880 --> 01:20:32,090

structures that have eroded that we

1878

01:20:36,670 --> 01:20:33,890

can't recognize them right in plain

1879

01:20:38,980 --> 01:20:36,680

sight Malibu would just be one of many I

1880

01:20:40,570 --> 01:20:38,990

mean it's still really cool but there

1881

01:20:43,030 --> 01:20:40,580

are so many holes the official narrative

1882

01:20:45,430 --> 01:20:43,040

now that throwing another place on the

1883

01:20:47,230 --> 01:20:45,440

pile shouldn't really shock anyone so

1884

01:20:48,730 --> 01:20:47,240

another episode in the can I hope you

1885

01:20:49,960 --> 01:20:48,740

were entertained and are walking away

1886

01:20:51,110 --> 01:20:49,970

with at least a few things to think

1887

01:20:53,060 --> 01:20:51,120

about I

1888

01:20:55,910 --> 01:20:53,070

always really compelled with that prison

1889

01:20:57,980 --> 01:20:55,920

planet idea anyone who reads conspiracy

1890

01:21:00,110 --> 01:20:57,990

news probably saw that report that the

1891

01:21:02,690 --> 01:21:00,120

Black Knight satellite has been shot

1892

01:21:04,820 --> 01:21:02,700

down or taken down it's been talked

1893

01:21:06,410 --> 01:21:04,830

about in episodes with Olaf Phillips and

1894

01:21:08,090 --> 01:21:06,420

a few others but it's been a while but

1895

01:21:10,550 --> 01:21:08,100

there's this big-ass thing out there

1896

01:21:11,960 --> 01:21:10,560

that does seem to be out there a lot of

1897

01:21:14,240 --> 01:21:11,970

people do have pictures and the

1898

01:21:16,610 --> 01:21:14,250

suggestion is that it is ancient it

1899

01:21:19,820 --> 01:21:16,620

might go back to Joseph ales cosmic war

1900

01:21:22,310 --> 01:21:19,830

a remnant left in orbit or some suggest

1901

01:21:24,800 --> 01:21:22,320

a device to keep us grounded here on the

1902

01:21:27,110 --> 01:21:24,810

earth the very invisible bars of our

1903

01:21:28,580 --> 01:21:27,120

prison planet because the idea that

1904

01:21:30,590 --> 01:21:28,590

we're locked here is in a lot of

1905

01:21:32,690 --> 01:21:30,600

mythology but to consider a real

1906

01:21:35,720 --> 01:21:32,700

physical device creating a barrier

1907

01:21:37,760 --> 01:21:35,730

that's interesting but there are reports

1908

01:21:39,950 --> 01:21:37,770

that this thing was shot down which

1909

01:21:41,900 --> 01:21:39,960

would mesh with the idea that the deep

1910

01:21:44,240 --> 01:21:41,910

state is trying to jailbreak us out of

1911

01:21:46,370 --> 01:21:44,250

here or themselves really but whatever

1912

01:21:48,050 --> 01:21:46,380

you know look around and you can find

1913

01:21:49,520 --> 01:21:48,060

that story about the Black Knight

1914

01:21:52,040 --> 01:21:49,530

satellite I don't know how you're going

1915

01:21:53,720 --> 01:21:52,050

to verify any of that but it is

1916

01:21:56,150 --> 01:21:53,730

interesting that's all I can really say

1917

01:21:59,030 --> 01:21:56,160

so if you are listening to the first

1918

01:22:01,280 --> 01:21:59,040

free hour on YouTube or stitcher or some

1919

01:22:03,230 --> 01:22:01,290

podcast step know that there is a second

1920

01:22:05,120 --> 01:22:03,240

hour to every higher side schatz episode

1921

01:22:07,220 --> 01:22:05,130

if you sign up for THC plus for five

1922

01:22:09,590 --> 01:22:07,230

bucks a month sure you could just go to

1923

01:22:13,400 --> 01:22:09,600

the next show on your rotation out of

1924

01:22:16,700 --> 01:22:13,410

many and it'll all be free but this show

1925

01:22:19,550 --> 01:22:16,710

does need that kind of support it's not

1926

01:22:21,770 --> 01:22:19,560

my favorite model in the world but the

1927

01:22:23,840 --> 01:22:21,780

show has to come commercial free and we

1928

01:22:26,270 --> 01:22:23,850

are all fighting a solitary economic

1929

01:22:28,430 --> 01:22:26,280

uphill battle so it can't just all be

1930

01:22:30,380 --> 01:22:28,440

out of the kindness of my heart it is

1931

01:22:32,480 --> 01:22:30,390

though and thanks to the plus members

1932

01:22:34,160 --> 01:22:32,490

who do sign up it is because of them

1933

01:22:37,370 --> 01:22:34,170

that I'm able to provide everyone else

1934

01:22:38,840 --> 01:22:37,380

with the first free hour and know that

1935

01:22:40,820 --> 01:22:38,850

we're not going anywhere so big thanks

1936

01:22:42,530 --> 01:22:40,830

to them either way and the Plus show

1937

01:22:45,680 --> 01:22:42,540

with Robert today we finally got back to

1938

01:22:47,630 --> 01:22:45,690

that topic of the Chumash Indians that I

1939

01:22:49,850 --> 01:22:47,640

brought up something I thought was very

1940

01:22:52,130 --> 01:22:49,860

cool but it did get away from us in the

1941

01:22:54,260 --> 01:22:52,140

first hour we also talked about

1942

01:22:56,690 --> 01:22:54,270

stitching as well we got into the Billy

1943

01:22:59,780 --> 01:22:56,700

Meyer saga and I talked about why his

1944

01:23:01,010 --> 01:22:59,790

representative was denied from the

1945

01:23:04,520 --> 01:23:01,020

higher side airwaves

1946

01:23:05,810 --> 01:23:04,530

oh [h__h] did not expect that to come up

1947

01:23:08,300 --> 01:23:05,820

it's not really that big of a deal but

1948

01:23:11,330 --> 01:23:08,310

underground Archon legends from South

1949

01:23:13,550 --> 01:23:11,340

American culture any idea of Archon

1950

01:23:15,650 --> 01:23:13,560

cities under our very feet in modern

1951

01:23:18,140 --> 01:23:15,660

times portals on the planet the Bermuda

1952

01:23:21,050 --> 01:23:18,150

Triangle missing people questions about

1953

01:23:23,690 --> 01:23:21,060

the Vatican influence and NASA the stuff

1954

01:23:25,580 --> 01:23:23,700

we've all come to wonder about to try to

1955

01:23:28,760 --> 01:23:25,590

give you as much as I can in that first

1956

01:23:30,800 --> 01:23:28,770

hour and squeeze even more into the

1957

01:23:33,650 --> 01:23:30,810

second sign up for Plus and you will get

1958

01:23:35,000 --> 01:23:33,660

years of archives lifetime membership to

1959

01:23:36,920 --> 01:23:35,010

the new form system where your

1960

01:23:39,200 --> 01:23:36,930

suggestions are heard that's how we got

1961

01:23:42,200 --> 01:23:39,210

today's episode and of course you can

1962

01:23:44,600 --> 01:23:42,210

download all the THC cover songs that

1963

01:23:47,360 --> 01:23:44,610

end these lovely lovely episodes and

1964

01:23:50,060 --> 01:23:47,370

speaking of that we got a new one today

1965

01:23:52,250 --> 01:23:50,070

my good buddy Tony has a bit of musical

1966

01:23:55,130 --> 01:23:52,260

talent and makes a lot of good stuff in

1967

01:23:56,660 --> 01:23:55,140

his spare time and an idea came to me

1968

01:23:59,990 --> 01:23:56,670

when I was listening to some of the old

1969

01:24:02,180 --> 01:24:00,000

90s nerd rock I used to love so I wrote

1970

01:24:05,030 --> 01:24:02,190

up some lyrics and solicited the help of

1971

01:24:07,400 --> 01:24:05,040

this dear friend Tony and it's not

1972

01:24:09,860 --> 01:24:07,410

really relevant to today's show but it

1973

01:24:12,320 --> 01:24:09,870

covers a glaring omission from the array

1974

01:24:15,080 --> 01:24:12,330

of THD closing covers we've done so far

1975

01:24:17,120 --> 01:24:15,090

the goal is to have at least one that is

1976

01:24:17,780 --> 01:24:17,130

relevant to every type of show we do

1977

01:24:20,540 --> 01:24:17,790

around here

1978

01:24:22,580 --> 01:24:20,550

so I'm sure you'll hear it again but

1979

01:24:24,560 --> 01:24:22,590

that is it for me this week guys big

1980

01:24:26,420 --> 01:24:24,570

thanks to Robert Stanley once again and

1981

01:24:29,440 --> 01:24:26,430

to all the listeners who enjoy what I do

1982

01:24:33,110 --> 01:24:29,450

and continue to tune in every episode

1983

01:24:35,120 --> 01:24:33,120

much love to you guys I've done my part

1984

01:24:37,070 --> 01:24:35,130

your move are Connick overlords of the

1985

01:24:42,110 --> 01:24:37,080

soul recycling system in our prison

1986

01:24:44,680 --> 01:24:42,120

planet paradigm your [h__h] move hit it

1987

01:24:59,210 --> 01:24:52,270

[Music]

1988

01:25:05,660 --> 01:24:59,220

maybe you'll see goddamn this plan no

1989

01:25:09,939 --> 01:25:05,670

fan spraying on me cronies don't you

1990

01:25:15,760 --> 01:25:12,100

with other

1991

01:25:22,170 --> 01:25:15,770

they call that a friend

1992

01:25:29,620 --> 01:25:22,180

oh it goes it's gone bye-bye

1993

01:25:34,459 --> 01:25:29,630

who I I think I think it I don't you

1994

01:25:34,469 --> 01:25:40,760

with all the candy comes a friend

1995

01:26:22,220 --> 01:25:42,859

[Music]

1996

01:26:22,230 --> 01:26:28,060

with the big heart

1997

01:26:33,090 --> 01:26:29,440

and the earth

1998

01:26:40,280 --> 01:26:33,100

[Music]

1999

01:26:51,480 --> 01:26:47,390

don't you know they can draw with a

2000

01:26:54,060 --> 01:26:51,490

chemical bath they

2001

01:27:00,609 --> 01:26:54,070

[Music]

2002

01:27:07,110 --> 01:27:00,619

and it's all to the poor volunteer for

2003

01:28:09,740 --> 01:27:58,230

[Music]
