

FREDDY SILVA

THE RESURRECTION RITUAL, CROP CIRCLES, & THE OTHERWORLD

PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT THEHIGHERSIDECHATS.COM

LISTEN TO THE EXTENDED SHOW AT THEHIGHERSIDECHATSPLUS.COM

1
00:00:07,430 --> 00:00:03,849
[Music]

2
00:00:10,190 --> 00:00:07,440
the planet surfing masters almost surely

3
00:00:12,860 --> 00:00:10,200
have a plan this clearly may be

4
00:00:15,950 --> 00:00:12,870
something there beyond the realm of man

5
00:00:19,939 --> 00:00:15,960
headaches to sell it tested every cloud

6
00:00:23,090 --> 00:00:19,949
poster in a tiny more you think you know

7
00:00:25,990 --> 00:00:23,100
the that you really do that's true dr.

8
00:00:33,680 --> 00:00:32,049
without easy cuz we know the Thyatira

9
00:00:35,080 --> 00:00:33,690
yes well

10
00:00:36,470 --> 00:00:35,090
[Music]

11
00:00:37,930 --> 00:00:36,480
without me

12
00:00:40,060 --> 00:00:37,940
[Applause]

13
00:00:43,200 --> 00:00:40,070

I am died jack

14

00:00:48,549 --> 00:00:46,360

all right higher side shatters when we

15

00:00:51,100 --> 00:00:48,559

look at gnostic teachings Celtic stone

16

00:00:53,049 --> 00:00:51,110

circles the Giza Plateau the ruins of

17

00:00:55,149 --> 00:00:53,059

Central and South America oral

18

00:00:57,399 --> 00:00:55,159

traditions the world over and many other

19

00:00:59,829 --> 00:00:57,409

breadcrumbs from our fragmented history

20

00:01:01,569 --> 00:00:59,839

it becomes apparent that our ancestors

21

00:01:04,090 --> 00:01:01,579

lived much differently than we do today

22

00:01:05,740 --> 00:01:04,100

but despite their vast geographical

23

00:01:08,050 --> 00:01:05,750

distances a lot of similarities in

24

00:01:10,180 --> 00:01:08,060

mindset and traditions seem to emerge

25

00:01:11,529 --> 00:01:10,190

from the distant past and the largest

26

00:01:12,880 --> 00:01:11,539

factor and why these people and

27

00:01:14,800 --> 00:01:12,890

traditions are no more is their

28

00:01:16,870 --> 00:01:14,810

systematic destruction and cultural

29

00:01:19,660 --> 00:01:16,880

obscuration by the Holy Roman

30

00:01:20,889 --> 00:01:19,670

Empire and European expansion this much

31

00:01:23,050 --> 00:01:20,899

we seem to know and even though our

32

00:01:24,730 --> 00:01:23,060

education system and so-called experts

33

00:01:26,080 --> 00:01:24,740

have routinely painted the picture that

34

00:01:28,270 --> 00:01:26,090

these cultures were primitive and

35

00:01:29,680 --> 00:01:28,280

unimportant we look at the unique

36

00:01:31,600 --> 00:01:29,690

alignments and qualities of their

37

00:01:33,700 --> 00:01:31,610

structures the richness and depth of the

38

00:01:35,350 --> 00:01:33,710

traditions and the ever-important

39

00:01:37,809 --> 00:01:35,360

context that history is written by the

40

00:01:39,940 --> 00:01:37,819

winners and many of us remain skeptical

41

00:01:41,950 --> 00:01:39,950

and lucky for us today's guests Freddy

42

00:01:43,690 --> 00:01:41,960

Silva feels largely the same way and

43

00:01:45,580 --> 00:01:43,700

these realizations have been a true

44

00:01:47,139 --> 00:01:45,590

driving force in his quest for knowledge

45

00:01:49,479 --> 00:01:47,149

and restoration of the ancient

46

00:01:51,609 --> 00:01:49,489

traditions Freddy has dedicated his

47

00:01:53,740 --> 00:01:51,619

career to researching ancient systems of

48

00:01:55,630 --> 00:01:53,750

knowledge crop circles alternative

49

00:01:57,580 --> 00:01:55,640

history and more and is the best-selling

50

00:01:59,830 --> 00:01:57,590

author of several interesting books

51
00:02:01,510 --> 00:01:59,840
including secrets in the field the

52
00:02:04,029 --> 00:02:01,520
science and mysticism of crop circles

53
00:02:06,040 --> 00:02:04,039
the divine blueprint temples power

54
00:02:08,169 --> 00:02:06,050
places in the global plan to shape the

55
00:02:10,510 --> 00:02:08,179
human soul and the main thing I plan to

56
00:02:13,360 --> 00:02:10,520
talk to him about today the lost art of

57
00:02:15,640 --> 00:02:13,370
Resurrection initiation secret chambers

58
00:02:16,930 --> 00:02:15,650
and the quest for the Otherworld he

59
00:02:18,670 --> 00:02:16,940
knows his stuff and it's a real pleasure

60
00:02:21,070 --> 00:02:18,680
to have him here Freddy my man welcome

61
00:02:23,770 --> 00:02:21,080
to the higher side hello Greg good to be

62
00:02:25,720 --> 00:02:23,780
land yeah man a big fan thanks for being

63
00:02:27,550 --> 00:02:25,730

here I read your latest book and was

64

00:02:29,470 --> 00:02:27,560

really impressed with all the data that

65

00:02:31,540 --> 00:02:29,480

you have that backs up your main point

66

00:02:33,940 --> 00:02:31,550

about the tweaking of this word

67

00:02:35,770 --> 00:02:33,950

resurrection and I think most of us are

68

00:02:38,470 --> 00:02:35,780

broadly aware that the Catholic Church

69

00:02:40,509 --> 00:02:38,480

is a hodgepodge of older traditions and

70

00:02:43,000 --> 00:02:40,519

by absorbing some of these things that

71

00:02:45,430 --> 00:02:43,010

made it easier for them to aggressively

72

00:02:47,649 --> 00:02:45,440

massage their worldview into the minds

73

00:02:49,180 --> 00:02:47,659

of many people but let's start with that

74

00:02:50,860 --> 00:02:49,190

word resurrection and some of those

75

00:02:52,990 --> 00:02:50,870

major elements in the Catholic faith

76

00:02:55,330 --> 00:02:53,000

that are a bit nonsensical until you

77

00:02:56,610 --> 00:02:55,340

restore that original context what can

78

00:02:59,800 --> 00:02:56,620

you tell us

79

00:03:01,929 --> 00:02:59,810

well exactly I mean I sort of grew up

80

00:03:03,789 --> 00:03:01,939

the same way in the Western religious

81

00:03:05,349 --> 00:03:03,799

tradition thinking that resurrection was

82

00:03:07,990 --> 00:03:05,359

a word that was always associated with

83

00:03:09,309 --> 00:03:08,000

one guy who gets nailed to a cross on

84

00:03:11,709 --> 00:03:09,319

the winter solstice and gets up again

85

00:03:14,500 --> 00:03:11,719

three days later or in this case Easter

86

00:03:15,970 --> 00:03:14,510

and it turns out that as I kept

87

00:03:17,740 --> 00:03:15,980

wandering around the world looking at

88

00:03:20,199 --> 00:03:17,750

ancient sacred sites I kept hearing the

89

00:03:22,660 --> 00:03:20,209

story about the raising rituals and

90

00:03:24,220 --> 00:03:22,670

risen from the dead and the few and the

91

00:03:27,309 --> 00:03:24,230

many and then I came across the living

92

00:03:29,830 --> 00:03:27,319

resurrection mention in the Near East by

93

00:03:32,920 --> 00:03:29,840

to actual apostles whose original

94

00:03:34,270 --> 00:03:32,930

Gospels were seriously they were just

95

00:03:36,610 --> 00:03:34,280

censored by the church they were

96

00:03:38,800 --> 00:03:36,620

actually removed from the entire Canon

97

00:03:40,929 --> 00:03:38,810

and they became the bane of the church

98

00:03:42,399 --> 00:03:40,939

if anybody tried to sort of you mention

99

00:03:44,649 --> 00:03:42,409

about it they were basically boiled

100

00:03:46,990 --> 00:03:44,659

alive and I thought it seems a bit sort

101
00:03:49,089 --> 00:03:47,000
of odd that people who seem to profess a

102
00:03:51,309 --> 00:03:49,099
religion this based on love and charity

103
00:03:53,050 --> 00:03:51,319
should be behaving this way so what is

104
00:03:54,879 --> 00:03:53,060
this all about and it turns out that

105
00:03:57,339 --> 00:03:54,889
when you actually read the banned

106
00:03:59,319 --> 00:03:57,349
Gospels of Philip principally and also

107
00:04:01,210 --> 00:03:59,329
Thomas the brother of Jesus they

108
00:04:03,699 --> 00:04:01,220
actually talk about an impostor Church

109
00:04:05,890 --> 00:04:03,709
that takes over from the true Christian

110
00:04:08,110 --> 00:04:05,900
Brotherhood and that really got me very

111
00:04:10,089 --> 00:04:08,120
excited that perhaps we've been barking

112
00:04:11,860 --> 00:04:10,099
up the wrong tree mm-hmm and as it turns

113
00:04:13,300 --> 00:04:11,870

out they were discussing something

114

00:04:15,060 --> 00:04:13,310

called the living resurrection where

115

00:04:17,349 --> 00:04:15,070

nobody actually gets nailed to a cross

116

00:04:18,849 --> 00:04:17,359

nobody actually physically gets up from

117

00:04:21,099 --> 00:04:18,859

the dead and comes back again from the

118

00:04:22,930 --> 00:04:21,109

grave because they say bless contrary to

119

00:04:24,790 --> 00:04:22,940

the laws of nature you just can't do

120

00:04:27,879 --> 00:04:24,800

that and the whole thing is basically a

121

00:04:30,580 --> 00:04:27,889

metaphor for the most important ritual

122

00:04:32,920 --> 00:04:30,590

of initiation that was conducted not

123

00:04:34,540 --> 00:04:32,930

just during Jesus's time but also the

124

00:04:37,060 --> 00:04:34,550

tradition that goes back as far as I can

125

00:04:39,129 --> 00:04:37,070

figure it out three and a half thousand

126

00:04:41,170 --> 00:04:39,139

years before Christianity so

127

00:04:43,330 --> 00:04:41,180

Christianity is really as basically a

128

00:04:45,640 --> 00:04:43,340

new kid on the block when it comes to

129

00:04:47,680 --> 00:04:45,650

this ritual and like I said the church

130

00:04:50,499 --> 00:04:47,690

basically didn't understand the ritual

131

00:04:53,680 --> 00:04:50,509

but also they knew they also wanted to

132

00:04:55,930 --> 00:04:53,690

take that another stage further from the

133

00:04:58,480 --> 00:04:55,940

actual ritual into something they could

134

00:04:59,740 --> 00:04:58,490

own so they created this concept of a

135

00:05:00,820 --> 00:04:59,750

guide that gets nailed to a cross and

136

00:05:03,610 --> 00:05:00,830

then gets out three days later

137

00:05:06,159 --> 00:05:03,620

essentially drafting the story of Jesus

138

00:05:08,730 --> 00:05:06,169

onto the story of Mithra it was a 6,000

139

00:05:10,589 --> 00:05:08,740

year old risen god man

140

00:05:12,689 --> 00:05:10,599

who does exactly the same thing down to

141

00:05:14,640 --> 00:05:12,699

the point where his birthday's heralded

142

00:05:15,930 --> 00:05:14,650

by shepherds and angels and all kinds of

143

00:05:18,510 --> 00:05:15,940

things that we know in the Christian

144

00:05:20,339 --> 00:05:18,520

narrative so the whole resurrection

145

00:05:22,620 --> 00:05:20,349

concept really was nothing more than a

146

00:05:24,719 --> 00:05:22,630

very secret ritual where you crossed

147

00:05:26,490 --> 00:05:24,729

into the other world you undertook a

148

00:05:28,559 --> 00:05:26,500

near-death experience which sounds very

149

00:05:29,909 --> 00:05:28,569

harrowing but apparently people did this

150

00:05:31,680 --> 00:05:29,919

again and again and again

151
00:05:33,529 --> 00:05:31,690
so obviously there was a huge benefit to

152
00:05:36,839 --> 00:05:33,539
it and people like Plato and Pythagoras

153
00:05:38,700 --> 00:05:36,849
themselves even said that the experience

154
00:05:41,159 --> 00:05:38,710
of living resurrection was the highest

155
00:05:42,899 --> 00:05:41,169
point of spiritual self-development so

156
00:05:46,020 --> 00:05:42,909
if they're saying it there has to be

157
00:05:48,779 --> 00:05:46,030
some benefit mm-hmm yeah I think that's

158
00:05:51,210 --> 00:05:48,789
a really eye-opening moment to realize

159
00:05:53,820 --> 00:05:51,220
that that is kind of the switch and that

160
00:05:56,279 --> 00:05:53,830
resurrection really does relate to this

161
00:05:58,469 --> 00:05:56,289
kind of psychedelic ritual in the astral

162
00:05:59,909 --> 00:05:58,479
plane but you mentioned that you can

163
00:06:02,399 --> 00:05:59,919

trace it back to three-and-a-half

164

00:06:03,779 --> 00:06:02,409

thousand years before Christianity what

165

00:06:06,540 --> 00:06:03,789

do we know about that

166

00:06:09,390 --> 00:06:06,550

earliest instance of this usage can you

167

00:06:11,100 --> 00:06:09,400

elaborate on that a bit yeah if you sort

168

00:06:13,830 --> 00:06:11,110

of look at the context of the Middle

169

00:06:15,810 --> 00:06:13,840

East and also in China you start getting

170

00:06:17,909 --> 00:06:15,820

these instances in texts that have

171

00:06:19,700 --> 00:06:17,919

survived and there's not many but a few

172

00:06:22,920 --> 00:06:19,710

that have survived they talk about

173

00:06:25,409 --> 00:06:22,930

people basically getting taken aside

174

00:06:27,510 --> 00:06:25,419

from real life and joining this in a

175

00:06:29,700 --> 00:06:27,520

brotherhood and this included women as

176

00:06:32,850 --> 00:06:29,710

well and they basically gave up most of

177

00:06:35,010 --> 00:06:32,860

their lives to undertake this teaching

178

00:06:36,480 --> 00:06:35,020

if you like and when you stop sort of

179

00:06:38,610 --> 00:06:36,490

bring these packs together it turns out

180

00:06:40,379 --> 00:06:38,620

that in the southwest of North America

181

00:06:42,600 --> 00:06:40,389

they're also doing a very similar

182

00:06:44,700 --> 00:06:42,610

concept as well during a rite of passage

183

00:06:47,339 --> 00:06:44,710

and whether she had in common was the

184

00:06:49,860 --> 00:06:47,349

fact that they basically went into

185

00:06:52,290 --> 00:06:49,870

learning the secret mysteries teachings

186

00:06:54,600 --> 00:06:52,300

of how the universe really works the

187

00:06:57,749 --> 00:06:54,610

mechanics of nature how to control those

188

00:07:00,240 --> 00:06:57,759

mechanics and also how to learn about

189

00:07:03,240 --> 00:07:00,250

the true mystery and the importance of

190

00:07:06,540 --> 00:07:03,250

the soul and the last portion of the

191

00:07:08,309 --> 00:07:06,550

initiation involved a kind of induced

192

00:07:11,430 --> 00:07:08,319

near-death experience either inside a

193

00:07:14,219 --> 00:07:11,440

man-made chamber an underground room or

194

00:07:17,010 --> 00:07:14,229

an actual cave on a sacred mountain and

195

00:07:19,409 --> 00:07:17,020

in China specifically these people call

196

00:07:22,080 --> 00:07:19,419

the gentleman of the way and it wasn't

197

00:07:23,850 --> 00:07:22,090

specifically geared towards men it was

198

00:07:25,770 --> 00:07:23,860

a euphemism that covered everybody that

199

00:07:27,360 --> 00:07:25,780

did this and they said that they're

200

00:07:29,490 --> 00:07:27,370

basically in order to actually

201
00:07:31,530 --> 00:07:29,500
understand the true mystery of nature

202
00:07:33,210 --> 00:07:31,540
and the purpose of the soul you

203
00:07:35,909 --> 00:07:33,220
literally had to die and have to be

204
00:07:37,590 --> 00:07:35,919
reborn in this lifetime and what the did

205
00:07:39,090 --> 00:07:37,600
was was that they actually crossed over

206
00:07:42,330 --> 00:07:39,100
into the other world for several days

207
00:07:43,950 --> 00:07:42,340
and there's one person account where one

208
00:07:47,400 --> 00:07:43,960
person actually did it for seven days

209
00:07:49,770 --> 00:07:47,410
out of body and they basically left the

210
00:07:51,540 --> 00:07:49,780
body as they you completely comatose and

211
00:07:52,920 --> 00:07:51,550
they came back again and that's the

212
00:07:54,900 --> 00:07:52,930
point when they were declared to be

213
00:07:56,820 --> 00:07:54,910

risen from the dead and they made a

214

00:07:59,190 --> 00:07:56,830

distinction between the risen and the

215

00:08:01,230 --> 00:07:59,200

dead in real life by saying that the

216

00:08:03,480 --> 00:08:01,240

people who have not experienced the

217

00:08:06,480 --> 00:08:03,490

initiation are basically walking a

218

00:08:08,370 --> 00:08:06,490

living death whereby you are born and

219

00:08:10,830 --> 00:08:08,380

you have a very difficult life you think

220

00:08:13,320 --> 00:08:10,840

that everything is based on the physical

221

00:08:15,540 --> 00:08:13,330

narrowness of the world in other words

222

00:08:16,980 --> 00:08:15,550

everything that exists literally is what

223

00:08:19,170 --> 00:08:16,990

is physical and what you can see where

224

00:08:21,540 --> 00:08:19,180

you can touch and then you die and these

225

00:08:23,670 --> 00:08:21,550

people had had an earth-shattering

226

00:08:25,439 --> 00:08:23,680

experience where they were shown that

227

00:08:28,379 --> 00:08:25,449

actually that's not how things really

228

00:08:30,420 --> 00:08:28,389

are there's a much bigger plan that

229

00:08:32,550 --> 00:08:30,430

takes place in the universe and once you

230

00:08:34,680 --> 00:08:32,560

understand your souls purpose in this

231

00:08:37,620 --> 00:08:34,690

bigger scheme of things you come back

232

00:08:41,279 --> 00:08:37,630

aware awake or living you are truly

233

00:08:42,839 --> 00:08:41,289

living yourself living alive rather than

234

00:08:44,579 --> 00:08:42,849

just walking about as if you have no

235

00:08:46,019 --> 00:08:44,589

idea what's going on kind of like people

236

00:08:47,970 --> 00:08:46,029

who sort of walk down the street looking

237

00:08:49,680 --> 00:08:47,980

at their cell phone nowadays and can

238

00:08:51,840 --> 00:08:49,690

I've rode the cars or get run over by

239

00:08:53,790 --> 00:08:51,850

cars so in a way it's a sort of a

240

00:08:57,180 --> 00:08:53,800

repetitive concept to try and wake up

241

00:09:00,090 --> 00:08:57,190

the human soul yeah I mean we like you

242

00:09:02,460 --> 00:09:00,100

say we use the terms awake and asleep to

243

00:09:03,990 --> 00:09:02,470

describe the masses or people who have

244

00:09:05,310 --> 00:09:04,000

been quote-unquote initiated into a

245

00:09:06,960 --> 00:09:05,320

psychedelic experience

246

00:09:08,850 --> 00:09:06,970

we use those terms today so it's really

247

00:09:10,860 --> 00:09:08,860

not much of a stretch that they would

248

00:09:13,620 --> 00:09:10,870

say alive and dead I mean it's very

249

00:09:16,260 --> 00:09:13,630

similar terminology and a lot of us have

250

00:09:19,019 --> 00:09:16,270

taken some kind of psychedelics or had

251
00:09:20,910 --> 00:09:19,029
some type of out-of-body experience that

252
00:09:24,000 --> 00:09:20,920
maybe gave us a glimpse to the other

253
00:09:26,100 --> 00:09:24,010
side but this is a much deeper and more

254
00:09:30,240 --> 00:09:26,110
sustained exploration I mean seven days

255
00:09:31,800 --> 00:09:30,250
that is pretty intense absolutely and

256
00:09:33,900 --> 00:09:31,810
that's the thing I also asked during

257
00:09:35,610 --> 00:09:33,910
this whole research was you know how

258
00:09:36,000 --> 00:09:35,620
does this differ from something like you

259
00:09:37,530 --> 00:09:36,010
know a

260
00:09:39,810 --> 00:09:37,540
weekends retreat in the Amazon doing

261
00:09:42,300 --> 00:09:39,820
ayahuasca and apparently it's very very

262
00:09:45,150 --> 00:09:42,310
different it seems that our concept of

263
00:09:48,720 --> 00:09:45,160

shamanism at least in the last 3,000

264

00:09:51,120 --> 00:09:48,730

years is a kind of trying to mimic this

265

00:09:52,620 --> 00:09:51,130

art that literally is lost I mean we

266

00:09:55,680 --> 00:09:52,630

doesn't do this anymore unless you go to

267

00:09:57,780 --> 00:09:55,690

some very very obscure parts of Central

268

00:09:59,190 --> 00:09:57,790

America or Indonesia where it's still

269

00:10:00,990 --> 00:09:59,200

practiced and then you really got to

270

00:10:03,420 --> 00:10:01,000

know someone who knows somebody else and

271

00:10:05,490 --> 00:10:03,430

that they might alive sort of join in

272

00:10:07,350 --> 00:10:05,500

but yeah because you can do basically

273

00:10:08,670 --> 00:10:07,360

shamanism in a weekend although you

274

00:10:10,680 --> 00:10:08,680

really shouldn't you take longer than

275

00:10:12,330 --> 00:10:10,690

this for preparation and here they're

276

00:10:14,970 --> 00:10:12,340

talking about three years of preparation

277

00:10:16,620 --> 00:10:14,980

because they recognize that in order to

278

00:10:19,380 --> 00:10:16,630

have a voluntary near-death experience

279

00:10:21,300 --> 00:10:19,390

they actually had to prepare you in all

280

00:10:23,820 --> 00:10:21,310

kinds of not just mental ways more

281

00:10:25,320 --> 00:10:23,830

practical ways and the connecting point

282

00:10:27,900 --> 00:10:25,330

between the two was the fact that they

283

00:10:29,250 --> 00:10:27,910

two also took a narcotic but a

284

00:10:32,610 --> 00:10:29,260

difference from was that these narcotics

285

00:10:35,580 --> 00:10:32,620

that you find in Central America South

286

00:10:37,890 --> 00:10:35,590

America the Middle East also in Egypt

287

00:10:40,080 --> 00:10:37,900

they were looking for specific plants

288

00:10:42,480 --> 00:10:40,090

which actually had a certain poison to

289

00:10:44,490 --> 00:10:42,490

them and the people who administer this

290

00:10:47,100 --> 00:10:44,500

poison had to be trained for many many

291

00:10:48,870 --> 00:10:47,110

years it was a huge responsibility if

292

00:10:50,970 --> 00:10:48,880

they slipped up on any moments of the

293

00:10:52,500 --> 00:10:50,980

procedure there would be disbarred for

294

00:10:54,780 --> 00:10:52,510

life I mean it they're really serious

295

00:10:56,430 --> 00:10:54,790

about this because they understood did

296

00:10:58,830 --> 00:10:56,440

these poisons if you take him in a

297

00:10:59,880 --> 00:10:58,840

certain dosage they can actually help

298

00:11:02,040 --> 00:10:59,890

calm you down

299

00:11:03,450 --> 00:11:02,050

kinda like an anaesthetic because when

300

00:11:05,850 --> 00:11:03,460

you think about it after three years

301
00:11:07,290 --> 00:11:05,860
you've been told well at the very height

302
00:11:08,430 --> 00:11:07,300
of your initiation you're going to die

303
00:11:10,530 --> 00:11:08,440
and then you're going to come back three

304
00:11:11,970 --> 00:11:10,540
days later no amount of training can

305
00:11:14,040 --> 00:11:11,980
prepare you for that moment

306
00:11:16,320 --> 00:11:14,050
it sounds very harrowing so I guess you

307
00:11:18,150 --> 00:11:16,330
gotta have a certain anaesthetic to calm

308
00:11:21,000 --> 00:11:18,160
you down and that's how they use these

309
00:11:23,760 --> 00:11:21,010
drugs now in shamanism of course use a

310
00:11:25,230 --> 00:11:23,770
drug to induce kind of envision but

311
00:11:26,910 --> 00:11:25,240
they're differentiated between the two

312
00:11:29,850 --> 00:11:26,920
these are not visions these were the

313
00:11:33,060 --> 00:11:29,860

actual experience of the soul leaving

314

00:11:35,220 --> 00:11:33,070

the body completely aware of being in

315

00:11:37,050 --> 00:11:35,230

another level of reality can't like be

316

00:11:39,540 --> 00:11:37,060

in a different radio station and that

317

00:11:41,430 --> 00:11:39,550

world is absolutely real as the world we

318

00:11:43,320 --> 00:11:41,440

live in right now and this is why

319

00:11:45,570 --> 00:11:43,330

philosophers chose to do this rather

320

00:11:47,100 --> 00:11:45,580

than take drugs because they recognize

321

00:11:49,380 --> 00:11:47,110

that the information that they gleaned

322

00:11:51,090 --> 00:11:49,390

about the nature of the soul

323

00:11:53,160 --> 00:11:51,100

the nature of the universe do you know

324

00:11:55,350 --> 00:11:53,170

how the mechanics of nature really work

325

00:11:57,300 --> 00:11:55,360

if you're able to remember that when you

326

00:11:59,540 --> 00:11:57,310

answer body and you come back into your

327

00:12:02,190 --> 00:11:59,550

living body and go about your daily life

328

00:12:04,470 --> 00:12:02,200

with that knowledge well that makes you

329

00:12:06,480 --> 00:12:04,480

into a kind of God without sort of the

330

00:12:08,730 --> 00:12:06,490

ego part of it you can actually apply

331

00:12:11,040 --> 00:12:08,740

that practically in your daily life and

332

00:12:13,200 --> 00:12:11,050

that's why some of these people that

333

00:12:15,900 --> 00:12:13,210

undertook this living resurrection

334

00:12:18,090 --> 00:12:15,910

initiation they went on to be fabulous

335

00:12:20,490 --> 00:12:18,100

teachers and canasa furs you know

336

00:12:21,870 --> 00:12:20,500

sometimes famous religious people as

337

00:12:24,270 --> 00:12:21,880

well who practiced all kinds of

338

00:12:26,130 --> 00:12:24,280

wonderful things so the benefits of

339

00:12:27,840 --> 00:12:26,140

course would not just for the self but

340

00:12:30,000 --> 00:12:27,850

it was supposed to be something that you

341

00:12:31,920 --> 00:12:30,010

also apply to the world around you to

342

00:12:33,870 --> 00:12:31,930

make the world a better place so that's

343

00:12:35,850 --> 00:12:33,880

a differentiation between shamanism and

344

00:12:38,130 --> 00:12:35,860

the resurrection ritual one was

345

00:12:41,820 --> 00:12:38,140

basically inducing a state the other one

346

00:12:43,970 --> 00:12:41,830

was the state itself hmm yeah it is

347

00:12:46,140 --> 00:12:43,980

fascinating and we always hear the term

348

00:12:48,210 --> 00:12:46,150

immortal thrown around with the

349

00:12:50,760 --> 00:12:48,220

Egyptians and again like I've had

350

00:12:53,220 --> 00:12:50,770

slivers of experiences that felt like

351

00:12:55,500 --> 00:12:53,230

they took a long long time and really

352

00:12:58,290 --> 00:12:55,510

it's only a fifteen minute or less stain

353

00:13:01,830 --> 00:12:58,300

I can only imagine if you were in that

354

00:13:04,470 --> 00:13:01,840

place you know much stronger way for

355

00:13:06,720 --> 00:13:04,480

seven actual days in real time I mean

356

00:13:09,140 --> 00:13:06,730

you could live a lifetime over there it

357

00:13:11,820 --> 00:13:09,150

would feel like you had some type of

358

00:13:13,440 --> 00:13:11,830

immortality to an extent oh they came

359

00:13:15,630 --> 00:13:13,450

back they're discombobulated they

360

00:13:17,160 --> 00:13:15,640

certainly did the few remaining accounts

361

00:13:19,740 --> 00:13:17,170

they described it as a very difficult

362

00:13:21,240 --> 00:13:19,750

re-entry and I'm not surprised because I

363

00:13:23,730 --> 00:13:21,250

mean these people were forbidden to

364

00:13:25,680 --> 00:13:23,740

describe what they saw for a very good

365

00:13:27,480 --> 00:13:25,690

reason I found out and it was to do the

366

00:13:29,490 --> 00:13:27,490

fact that the journey is very personal

367

00:13:31,620 --> 00:13:29,500

no two journeys are the same so for you

368

00:13:33,390 --> 00:13:31,630

and me to describe our journey sitting

369

00:13:34,620 --> 00:13:33,400

at a cafe to your friends and saying hey

370

00:13:37,170 --> 00:13:34,630

guess where I've been the last three

371

00:13:39,570 --> 00:13:37,180

days it would actually color the

372

00:13:41,490 --> 00:13:39,580

experience for somebody else they would

373

00:13:42,990 --> 00:13:41,500

expect to have that experience but that

374

00:13:45,570 --> 00:13:43,000

would not be the experience that would

375

00:13:47,640 --> 00:13:45,580

be someone else's and what the priests

376

00:13:48,990 --> 00:13:47,650

and priestesses and in fact the women

377

00:13:51,240 --> 00:13:49,000

actually had the highest level of

378

00:13:52,230 --> 00:13:51,250

guardianship over the actual process by

379

00:13:53,700 --> 00:13:52,240

the way which is something that the

380

00:13:56,550 --> 00:13:53,710

church completely removed

381

00:13:58,410 --> 00:13:56,560

they basically recognized that you had

382

00:14:00,930 --> 00:13:58,420

to go in with a completely empty slate

383

00:14:03,060 --> 00:14:00,940

this was your particular journey not

384

00:14:04,439 --> 00:14:03,070

somebody else's otherwise you know

385

00:14:05,960 --> 00:14:04,449

you're getting a false impression and

386

00:14:09,240 --> 00:14:05,970

that's not what the point is about

387

00:14:11,220 --> 00:14:09,250

mm-hmm that makes a lot of sense it's

388

00:14:13,530 --> 00:14:11,230

definitely an impressionable experience

389

00:14:16,410 --> 00:14:13,540

for sure and I'm a little curious about

390

00:14:18,150 --> 00:14:16,420

the details around that process itself

391

00:14:19,769 --> 00:14:18,160

or explaining that to the listeners and

392

00:14:21,809 --> 00:14:19,779

how it differs from just taking

393

00:14:24,329 --> 00:14:21,819

mushrooms in mom's basement I mean there

394

00:14:26,460 --> 00:14:24,339

are other elements that strengthen the

395

00:14:29,340 --> 00:14:26,470

experience outside of just the compounds

396

00:14:31,710 --> 00:14:29,350

they're taking right yeah and it was a

397

00:14:34,079 --> 00:14:31,720

very strict science and again I had to

398

00:14:35,910 --> 00:14:34,089

piece this together piecemeal going

399

00:14:37,319 --> 00:14:35,920

around the world looking at similarities

400

00:14:39,629 --> 00:14:37,329

because so little the information

401
00:14:41,249 --> 00:14:39,639
survives and what little there is you

402
00:14:43,410 --> 00:14:41,259
really have to go and look in some very

403
00:14:45,300 --> 00:14:43,420
weird places to find it them once you

404
00:14:47,579 --> 00:14:45,310
find it it's a matter of like knitting

405
00:14:50,309 --> 00:14:47,589
together this big best of a story and

406
00:14:52,710 --> 00:14:50,319
basically they actually designed these

407
00:14:54,540 --> 00:14:52,720
specific chambers and we know quite a

408
00:14:56,100 --> 00:14:54,550
lot of these the most famous one of them

409
00:14:57,269 --> 00:14:56,110
of course is the Great Pyramid we know

410
00:14:58,800 --> 00:14:57,279
that there's not a shred of evidence

411
00:15:00,720 --> 00:14:58,810
that it was ever used as a burial

412
00:15:02,189 --> 00:15:00,730
chamber despite the fact that the

413
00:15:04,530 --> 00:15:02,199

Orthodox are key I'll just keep

414

00:15:07,410 --> 00:15:04,540

repeating this saying ad nauseam without

415

00:15:09,120 --> 00:15:07,420

a shred of back that up and anyone

416

00:15:11,220 --> 00:15:09,130

that's actually had some quiet time the

417

00:15:12,809 --> 00:15:11,230

King's Chamber knows that there's

418

00:15:15,389 --> 00:15:12,819

something very unusual about that place

419

00:15:17,610 --> 00:15:15,399

and the box itself even the dimensions

420

00:15:19,949 --> 00:15:17,620

of the actual chamber is very specific

421

00:15:21,300 --> 00:15:19,959

so if you've actually undertaken the

422

00:15:23,040 --> 00:15:21,310

route from the bottom of the pyramid all

423

00:15:25,350 --> 00:15:23,050

the way up you can see that you start up

424

00:15:28,139 --> 00:15:25,360

this well which is a very roughly shaped

425

00:15:29,939 --> 00:15:28,149

room under the actual pyramid and as you

426

00:15:31,530 --> 00:15:29,949

progress up the chambers and the

427

00:15:33,900 --> 00:15:31,540

passageways all the way up to the top

428

00:15:36,090 --> 00:15:33,910

chamber the stone gets more refined and

429

00:15:39,210 --> 00:15:36,100

more polished and that in the esoteric

430

00:15:40,949 --> 00:15:39,220

terms is a metaphor for the polishing of

431

00:15:42,930 --> 00:15:40,959

the diamond so you start off as a rough

432

00:15:44,759 --> 00:15:42,940

diamond at the bottom and you end up as

433

00:15:46,829 --> 00:15:44,769

a polished stone at the top and that

434

00:15:49,920 --> 00:15:46,839

tells you exactly what these buildings

435

00:15:52,050 --> 00:15:49,930

were doing so basically they would make

436

00:15:54,120 --> 00:15:52,060

sure the first of all that the locations

437

00:15:56,790 --> 00:15:54,130

were specially chosen for their

438

00:15:58,170 --> 00:15:56,800

geomagnetism and every single sacred

439

00:16:00,240 --> 00:15:58,180

space on the face of the earth and

440

00:16:03,300 --> 00:16:00,250

specifically places for out-of-body

441

00:16:05,850 --> 00:16:03,310

experiences were located at the

442

00:16:07,559 --> 00:16:05,860

geomagnetic hotspots of the earth then

443

00:16:09,720 --> 00:16:07,569

they would go around looking for some

444

00:16:11,250 --> 00:16:09,730

specific stones if anybody's ever paid

445

00:16:13,170 --> 00:16:11,260

attention to the building methods of

446

00:16:14,759 --> 00:16:13,180

these temples you never didn't just

447

00:16:16,079 --> 00:16:14,769

chose the stone that was lying around

448

00:16:18,389 --> 00:16:16,089

that was so conveniently

449

00:16:20,519 --> 00:16:18,399

so cost-effective sometimes there would

450

00:16:22,920 --> 00:16:20,529

go as much as 400 miles down the Nile

451

00:16:24,329 --> 00:16:22,930

just to pick up the right stone so you

452

00:16:26,819 --> 00:16:24,339

look at these things and you figure out

453

00:16:28,199 --> 00:16:26,829

are these stones have a specific type of

454

00:16:30,590 --> 00:16:28,209

quartz which when you put them under

455

00:16:32,610 --> 00:16:30,600

pressure creates a pH of electric effect

456

00:16:35,850 --> 00:16:32,620

secondly they have a lot of magnetite

457

00:16:37,710 --> 00:16:35,860

and that begins to work to create the

458

00:16:40,230 --> 00:16:37,720

other magnetic environment around it

459

00:16:42,900 --> 00:16:40,240

which stimulates all the particles of

460

00:16:45,480 --> 00:16:42,910

magnetite in the human skull and also

461

00:16:47,879 --> 00:16:45,490

the iron that flows through the actual

462

00:16:49,259 --> 00:16:47,889

blood in the body so the building's

463

00:16:51,660 --> 00:16:49,269

themselves were kind of a mirror image

464

00:16:54,780 --> 00:16:51,670

of the human body and they did that in

465

00:16:56,670 --> 00:16:54,790

order to exert this effect this calming

466

00:16:57,540 --> 00:16:56,680

effect in this out-of-body effect onto

467

00:17:00,420 --> 00:16:57,550

the actual person

468

00:17:02,369 --> 00:17:00,430

so everything was carefully chosen to

469

00:17:04,769 --> 00:17:02,379

put you into another world state even

470

00:17:06,539 --> 00:17:04,779

while you're in the body and if we visit

471

00:17:08,159 --> 00:17:06,549

some of these places today you can't

472

00:17:10,860 --> 00:17:08,169

help but thinking that you've actually

473

00:17:12,600 --> 00:17:10,870

gone away and stepped into a different

474

00:17:15,029 --> 00:17:12,610

environment and when you come back from

475

00:17:17,309 --> 00:17:15,039

texts like Chichen Itza or Stonehenge

476
00:17:19,439 --> 00:17:17,319
you are not the same person when you

477
00:17:21,510 --> 00:17:19,449
went in because something about the

478
00:17:23,429 --> 00:17:21,520
environment has already altered you

479
00:17:25,470 --> 00:17:23,439
which is an interesting word altering

480
00:17:27,480 --> 00:17:25,480
because we get so many churches there's

481
00:17:28,769 --> 00:17:27,490
a place called the altar that's exactly

482
00:17:31,799 --> 00:17:28,779
where it comes from this basically

483
00:17:34,200 --> 00:17:31,809
altering it and so they actually design

484
00:17:37,080 --> 00:17:34,210
the shape the position of the room would

485
00:17:38,940 --> 00:17:37,090
begin to induce this space and it would

486
00:17:39,389 --> 00:17:38,950
actually start to melt you into the

487
00:17:41,909 --> 00:17:39,399
actual

488
00:17:43,409 --> 00:17:41,919

matrix of the earth and then finally it

489

00:17:46,200 --> 00:17:43,419

would release you into the matrix of the

490

00:17:48,000 --> 00:17:46,210

cosmos and hope you bring it back mm-hmm

491

00:17:50,340 --> 00:17:48,010

yeah I mean I also watched your

492

00:17:52,409 --> 00:17:50,350

documentary stairways to heaven the

493

00:17:54,630 --> 00:17:52,419

practical magic of sacred space and that

494

00:17:57,000 --> 00:17:54,640

gets into a lot of this stuff too

495

00:17:58,740 --> 00:17:57,010

especially relating to early churches

496

00:18:01,169 --> 00:17:58,750

and temples and the qualities of them

497

00:18:02,730 --> 00:18:01,179

like like you said altars and these ones

498

00:18:05,490 --> 00:18:02,740

I guess were built on quartz in the

499

00:18:07,320 --> 00:18:05,500

beginning uneven spires to encode the

500

00:18:09,570 --> 00:18:07,330

Sun and Moon and create those resonance

501
00:18:13,380 --> 00:18:09,580
effects inside certain cathedrals

502
00:18:14,850 --> 00:18:13,390
absolutely it is interesting stuff it's

503
00:18:16,500 --> 00:18:14,860
all about resonance in the end I mean

504
00:18:19,980 --> 00:18:16,510
even physicists today who are much more

505
00:18:23,549 --> 00:18:19,990
aware they do state that the body is a

506
00:18:26,250 --> 00:18:23,559
bunch of resonances the vibrations even

507
00:18:28,260 --> 00:18:26,260
diseases by Bray Tree by Nature and the

508
00:18:29,600 --> 00:18:28,270
once you understand nature of vibration

509
00:18:31,160 --> 00:18:29,610
and sounds which

510
00:18:33,860 --> 00:18:31,170
so many of these temples were designed

511
00:18:35,510 --> 00:18:33,870
to the actual harmonics of sound even

512
00:18:37,370 --> 00:18:35,520
the mathematics correspond to me to the

513
00:18:40,040 --> 00:18:37,380

music scale you begin to get a sense

514

00:18:42,260 --> 00:18:40,050

that the whole building was as it's

515

00:18:45,020 --> 00:18:42,270

written some temples around the world to

516

00:18:47,300 --> 00:18:45,030

transform the human into a God into a

517

00:18:49,640 --> 00:18:47,310

bright star that's a natural phrase from

518

00:18:51,200 --> 00:18:49,650

a template you Janita it was to try and

519

00:18:52,910 --> 00:18:51,210

remind you of the fact that you are a

520

00:18:55,280 --> 00:18:52,920

God we all are gods

521

00:18:56,930 --> 00:18:55,290

God is not a separate form as modern

522

00:18:59,480 --> 00:18:56,940

religion has taught us and got us an

523

00:19:01,460 --> 00:18:59,490

inferior thing and the ancient cultures

524

00:19:03,860 --> 00:19:01,470

and indigenous cultures understood this

525

00:19:05,210 --> 00:19:03,870

but they also understood that when

526

00:19:08,750 --> 00:19:05,220

you're down here on earth you are also

527

00:19:10,730 --> 00:19:08,760

sort of influenced by physical things

528

00:19:13,490 --> 00:19:10,740

you know you want that mini-cooper you

529

00:19:15,890 --> 00:19:13,500

want that girl or that guy you want that

530

00:19:17,330 --> 00:19:15,900

beautiful house and you crave this and

531

00:19:18,980 --> 00:19:17,340

you know all of those things are

532

00:19:21,260 --> 00:19:18,990

wonderful but if you start over

533

00:19:23,900 --> 00:19:21,270

associating with the material world you

534

00:19:26,390 --> 00:19:23,910

succumb also to its influences and

535

00:19:28,910 --> 00:19:26,400

sometimes those influences do begin to

536

00:19:31,460 --> 00:19:28,920

distract you from your purpose as a soul

537

00:19:33,380 --> 00:19:31,470

and also it starts leading into places

538

00:19:35,510 --> 00:19:33,390

that you really wouldn't be going into

539

00:19:37,670 --> 00:19:35,520

so the building was designed as a mirror

540

00:19:40,730 --> 00:19:37,680

image that of the perfection of the

541

00:19:42,770 --> 00:19:40,740

cosmos at a very basic level to remind

542

00:19:45,140 --> 00:19:42,780

you of your own perfection in case you

543

00:19:47,060 --> 00:19:45,150

forgot and it should you want to find

544

00:19:48,950 --> 00:19:47,070

out further what your connection is to

545

00:19:50,750 --> 00:19:48,960

the bigger picture and to remind you

546

00:19:53,480 --> 00:19:50,760

that you are also a god and your

547

00:19:55,340 --> 00:19:53,490

extraordinary potential you go into the

548

00:19:57,800 --> 00:19:55,350

building and you'd have this initiation

549

00:20:00,470 --> 00:19:57,810

experience and then you come back and go

550

00:20:02,630 --> 00:20:00,480

hey I remember who I am and I know who I

551
00:20:04,370 --> 00:20:02,640
am and now I can walk my life aware

552
00:20:06,500 --> 00:20:04,380
which brings us a course to the whole

553
00:20:09,290 --> 00:20:06,510
meaning of initiation which the word

554
00:20:11,120 --> 00:20:09,300
literally means to become aware of the

555
00:20:13,640 --> 00:20:11,130
self we tend to think of this as sort of

556
00:20:15,470 --> 00:20:13,650
you know like an animal house going for

557
00:20:17,480 --> 00:20:15,480
initiation with a baseball bat whacked

558
00:20:19,310 --> 00:20:17,490
on the back of your bum but it's nothing

559
00:20:23,050 --> 00:20:19,320
to do with that initiation misery means

560
00:20:25,280 --> 00:20:23,060
to become aware mm-hmm yeah

561
00:20:27,050 --> 00:20:25,290
intellectually I really do love this

562
00:20:28,670 --> 00:20:27,060
perspective and I have taken enough

563
00:20:31,580 --> 00:20:28,680

psychedelics to know there is another

564

00:20:34,520 --> 00:20:31,590

side of some kind but I am really

565

00:20:37,190 --> 00:20:34,530

interested in having a sober out-of-body

566

00:20:39,290 --> 00:20:37,200

experience that's facilitated by some

567

00:20:40,340 --> 00:20:39,300

type of you know hot spot or

568

00:20:43,039 --> 00:20:40,350

geomagnetism

569

00:20:44,779 --> 00:20:43,049

situation or you know us

570

00:20:46,580 --> 00:20:44,789

the drill that's built for increased

571

00:20:48,590 --> 00:20:46,590

resonance but I mean are there any

572

00:20:50,330 --> 00:20:48,600

places left where a person can go and

573

00:20:52,749 --> 00:20:50,340

have this type of experience that aren't

574

00:20:55,310 --> 00:20:52,759

destroyed or under heavy guard

575

00:20:57,080 --> 00:20:55,320

well they're all around the world for

576

00:21:00,049 --> 00:20:57,090

example here in North America you have

577

00:21:03,560 --> 00:21:00,059

make American sacred sites the mounds of

578

00:21:05,389 --> 00:21:03,570

Ohio for example it's amazing how of all

579

00:21:07,310 --> 00:21:05,399

the ones that have been dug up only 10%

580

00:21:09,799 --> 00:21:07,320

have actually got people buried in them

581

00:21:12,019 --> 00:21:09,809

so it makes you wonder why are they

582

00:21:15,019 --> 00:21:12,029

actually there and it's the same thing

583

00:21:16,849 --> 00:21:15,029

in Northern Europe 90% of all the mounds

584

00:21:18,560 --> 00:21:16,859

that have been dug there's no way there

585

00:21:20,229 --> 00:21:18,570

but there's a chamber inside that and

586

00:21:22,369 --> 00:21:20,239

it's empty so it's kind of odd that

587

00:21:24,470 --> 00:21:22,379

these things should be standing in the

588

00:21:26,779 --> 00:21:24,480

landscape and as they're marking

589

00:21:29,210 --> 00:21:26,789

something and they are they're marking

590

00:21:31,759 --> 00:21:29,220

the hotspots of energy that we don't see

591

00:21:33,470 --> 00:21:31,769

with our physical eyes but anyone who's

592

00:21:34,639 --> 00:21:33,480

sensitive to them can actually figure

593

00:21:37,310 --> 00:21:34,649

out that yes there's something unusual

594

00:21:38,659 --> 00:21:37,320

about the energy about these places and

595

00:21:40,460 --> 00:21:38,669

we talk about these things in very

596

00:21:42,919 --> 00:21:40,470

new-age terms but these people are

597

00:21:44,479 --> 00:21:42,929

absolutely correct and I know this for a

598

00:21:46,970 --> 00:21:44,489

fact because this is what I do as well I

599

00:21:49,070 --> 00:21:46,980

mean I look for science to back up what

600

00:21:51,440 --> 00:21:49,080

I say but my first impression is there

601
00:21:52,700 --> 00:21:51,450
was an ethereal thing I didn't go back

602
00:21:54,590 --> 00:21:52,710
and look for the information to try and

603
00:21:56,330 --> 00:21:54,600
back this up so one of my favorite

604
00:21:57,739 --> 00:21:56,340
places actually is in the Native

605
00:22:00,440 --> 00:21:57,749
American Southwest around the four

606
00:22:03,229 --> 00:22:00,450
corners we call it Shiprock the Native

607
00:22:05,690 --> 00:22:03,239
Americans call it sabbatai I've even

608
00:22:08,210 --> 00:22:05,700
watched grown men break down like girly

609
00:22:10,460 --> 00:22:08,220
men at the base of this incredible

610
00:22:12,590 --> 00:22:10,470
eroded throat of an old volcano

611
00:22:14,419 --> 00:22:12,600
it looks like an angel with wings that

612
00:22:17,180 --> 00:22:14,429
just suddenly sprouted out of the ground

613
00:22:19,460 --> 00:22:17,190

and it's been sacred since the time of

614

00:22:22,220 --> 00:22:19,470

the Anasazi so we're talking over four

615

00:22:24,560 --> 00:22:22,230

to six thousand years and there's a

616

00:22:26,090 --> 00:22:24,570

sense of presence about this place you

617

00:22:28,310 --> 00:22:26,100

don't even have to be psychic to

618

00:22:30,680 --> 00:22:28,320

understand there's something about it

619

00:22:32,599 --> 00:22:30,690

you can hear people chanting around it

620

00:22:35,060 --> 00:22:32,609

there's nobody around to be seen

621

00:22:36,979 --> 00:22:35,070

so these spots are very important and

622

00:22:40,369 --> 00:22:36,989

they also produce something else that

623

00:22:42,169 --> 00:22:40,379

the temples came much later the temples

624

00:22:44,180 --> 00:22:42,179

came at a time when we began to lose

625

00:22:45,739 --> 00:22:44,190

that connection if you look at the

626
00:22:48,139 --> 00:22:45,749
negative American cultures and how they

627
00:22:50,359 --> 00:22:48,149
on a place like Saiga tire even to this

628
00:22:52,669 --> 00:22:50,369
very day or if you're a part of the

629
00:22:54,950 --> 00:22:52,679
Taylor tribe near Santa Fe there's

630
00:22:56,780 --> 00:22:54,960
actually a hill they're called Sakuma

631
00:22:58,520 --> 00:22:56,790
just outside Santa Fe

632
00:23:00,590 --> 00:22:58,530
and that is where they still do their

633
00:23:02,960 --> 00:23:00,600
ceremony the out-of-body ceremony and

634
00:23:05,120 --> 00:23:02,970
the initiate scum back raised after

635
00:23:07,550 --> 00:23:05,130
three days on the mountain which tells

636
00:23:10,820 --> 00:23:07,560
you something about yourself the spot

637
00:23:12,650 --> 00:23:10,830
itself of though is geomagnetic you are

638
00:23:15,830 --> 00:23:12,660

also part of this technology you are

639

00:23:18,560 --> 00:23:15,840

also the temple so if you learn how also

640

00:23:20,420 --> 00:23:18,570

to steel yourself and put yourself in a

641

00:23:22,370 --> 00:23:20,430

state of oneness with your environment

642

00:23:24,320 --> 00:23:22,380

you actually don't need to take any

643

00:23:26,660 --> 00:23:24,330

narcotic you don't need to take any of

644

00:23:28,970 --> 00:23:26,670

that plant is a poison to steel yourself

645

00:23:31,940 --> 00:23:28,980

and have that upon the experience and

646

00:23:32,720 --> 00:23:31,950

I'm always amazed to read stories by

647

00:23:36,290 --> 00:23:32,730

present-day

648

00:23:38,600 --> 00:23:36,300

and also not too far away stories from

649

00:23:40,100 --> 00:23:38,610

about a thousand years ago of native

650

00:23:42,230 --> 00:23:40,110

cultures from North America Central

651
00:23:44,270 --> 00:23:42,240
America and Polynesia where they

652
00:23:46,640 --> 00:23:44,280
actually went into these sacred

653
00:23:49,070 --> 00:23:46,650
mountains and specifically a cave where

654
00:23:50,930 --> 00:23:49,080
the energy was just so and they would

655
00:23:53,060 --> 00:23:50,940
basically spout there for three days and

656
00:23:55,850 --> 00:23:53,070
nights completely gone in a state of

657
00:23:58,160 --> 00:23:55,860
total meditation like a Zen Buddhist and

658
00:23:59,480 --> 00:23:58,170
in India they will say that yes you

659
00:24:01,340 --> 00:23:59,490
don't actually need a physical temple

660
00:24:03,500 --> 00:24:01,350
you can do this by yourself

661
00:24:05,810 --> 00:24:03,510
the temple is really just to remind you

662
00:24:08,330 --> 00:24:05,820
in case you forgot and one of the things

663
00:24:11,750 --> 00:24:08,340

that I was told was that Kriya yoga as

664

00:24:13,460 --> 00:24:11,760

it is practiced in India is actually one

665

00:24:15,890 --> 00:24:13,470

of the closest approximation to the

666

00:24:17,510 --> 00:24:15,900

resurrection ritual that was performed

667

00:24:20,390 --> 00:24:17,520

around the world it's a way to

668

00:24:21,470 --> 00:24:20,400

completely harness the electrical energy

669

00:24:24,260 --> 00:24:21,480

of your body

670

00:24:26,360 --> 00:24:24,270

you then have to steal your breath lower

671

00:24:28,880 --> 00:24:26,370

your heart rate right down to one beat a

672

00:24:30,950 --> 00:24:28,890

minute and once you've mastered that and

673

00:24:32,450 --> 00:24:30,960

there are people that can do that then

674

00:24:34,910 --> 00:24:32,460

obviously you've crossed into the other

675

00:24:37,090 --> 00:24:34,920

world and you come back wisdom exactly

676

00:24:40,340 --> 00:24:37,100

as they used to do it hmm

677

00:24:43,010 --> 00:24:40,350

man that's amazing and I have been lucky

678

00:24:45,470 --> 00:24:43,020

enough to visit a lot of sacred sites

679

00:24:47,930 --> 00:24:45,480

places where people say they do feel a

680

00:24:49,820 --> 00:24:47,940

serious energetic effect and I've never

681

00:24:52,760 --> 00:24:49,830

felt anything and maybe it's because of

682

00:24:54,530 --> 00:24:52,770

the crowds or maybe the magic is as

683

00:24:56,960 --> 00:24:54,540

duller than it used to be or something

684

00:24:58,880 --> 00:24:56,970

but our guess what I would ask is are

685

00:25:01,130 --> 00:24:58,890

there specific actions that you could

686

00:25:03,520 --> 00:25:01,140

recommend or something that would maybe

687

00:25:07,330 --> 00:25:03,530

nudge that type of energy effect along

688

00:25:09,549 --> 00:25:07,340

you just come a couple one of my tools

689

00:25:10,480 --> 00:25:09,559

now yes there is I mean you're

690

00:25:12,789 --> 00:25:10,490

absolutely yes you touched upon

691

00:25:15,669 --> 00:25:12,799

something Greg for example go back

692

00:25:17,529 --> 00:25:15,679

dreaming of Stonehenge I take people

693

00:25:20,440 --> 00:25:17,539

long small groups around the world to

694

00:25:22,749 --> 00:25:20,450

these sides and it's funny how it takes

695

00:25:25,090 --> 00:25:22,759

some people a long time to get out of

696

00:25:26,820 --> 00:25:25,100

their heads they take all their problems

697

00:25:29,200 --> 00:25:26,830

with them when they go on tour and

698

00:25:30,970 --> 00:25:29,210

depending on where you are in life and

699

00:25:32,619 --> 00:25:30,980

how where you are some people get it

700

00:25:34,419 --> 00:25:32,629

immediately once they step out of that

701
00:25:37,239 --> 00:25:34,429
van and we're on the first sacred slide

702
00:25:38,950 --> 00:25:37,249
they get it they understand they totally

703
00:25:41,289 --> 00:25:38,960
are present within the moment and they

704
00:25:42,730 --> 00:25:41,299
pick up the energy of the site and then

705
00:25:44,769 --> 00:25:42,740
I tell them about the slide and it's

706
00:25:47,259 --> 00:25:44,779
amazing how how much they've picked up

707
00:25:49,119 --> 00:25:47,269
without me saying anything and then you

708
00:25:50,680 --> 00:25:49,129
get the odd person who you know still

709
00:25:53,799 --> 00:25:50,690
inside their hair they're thinking about

710
00:25:55,629 --> 00:25:53,809
their mortgage payments and the politics

711
00:25:58,149 --> 00:25:55,639
at the moment and it takes me a few days

712
00:26:00,070 --> 00:25:58,159
but by the end of the week they're to

713
00:26:02,320 --> 00:26:00,080

begin to realize that when you walk to

714

00:26:05,680 --> 00:26:02,330

these sides and specific times of the

715

00:26:07,930 --> 00:26:05,690

day in a certain calm state yes you do

716

00:26:09,999 --> 00:26:07,940

come back and you begin to question the

717

00:26:13,090 --> 00:26:10,009

world around you begin to perceive that

718

00:26:14,320 --> 00:26:13,100

the world around you is very different

719

00:26:16,239 --> 00:26:14,330

and you see things with different eyes

720

00:26:18,460 --> 00:26:16,249

and that's how you start doing it it's

721

00:26:19,960 --> 00:26:18,470

very simple actually but you're right

722

00:26:21,519 --> 00:26:19,970

you do have to get away from the crowds

723

00:26:23,649 --> 00:26:21,529

when you go to this place like

724

00:26:26,289 --> 00:26:23,659

Stonehenge and there's a hundred people

725

00:26:28,690 --> 00:26:26,299

you know or two hundred people sitting

726

00:26:30,639 --> 00:26:28,700

there doing selfies and stuff right and

727

00:26:33,009 --> 00:26:30,649

you look at the stones and I do this all

728

00:26:34,570 --> 00:26:33,019

the time I go there's just a bunch of

729

00:26:36,639 --> 00:26:34,580

rocks they really do feel like a bunch

730

00:26:37,450 --> 00:26:36,649

of rocks they look bored and they

731

00:26:39,549 --> 00:26:37,460

switched off

732

00:26:41,980 --> 00:26:39,559

well the temples do switch on and off

733

00:26:43,690 --> 00:26:41,990

and happy Egyptians were very good about

734

00:26:46,419 --> 00:26:43,700

describing this and they wrote about

735

00:26:47,799 --> 00:26:46,429

this copiously they talked about how the

736

00:26:49,749 --> 00:26:47,809

temple is a living breathing organism

737

00:26:52,060 --> 00:26:49,759

it's not a bunch of rock it's actually a

738

00:26:54,879 --> 00:26:52,070

person and the priests actually used to

739

00:26:57,430 --> 00:26:54,889

go into the temple before dawn and wake

740

00:27:00,369 --> 00:26:57,440

up every single part of the temple every

741

00:27:02,379 --> 00:27:00,379

room as their their rousing a being from

742

00:27:04,629 --> 00:27:02,389

slumber and it's not just a romantic

743

00:27:07,060 --> 00:27:04,639

notion we have science to come back this

744

00:27:09,430 --> 00:27:07,070

up now we've planted electrodes around

745

00:27:11,109 --> 00:27:09,440

sacred sites like Stonehenge Avebury in

746

00:27:14,230 --> 00:27:11,119

England and also in the Carnac in

747

00:27:16,840 --> 00:27:14,240

Northern Europe and we found but yes the

748

00:27:19,630 --> 00:27:16,850

energy does go down during the night and

749

00:27:22,419 --> 00:27:19,640

just before dawn something weird happens

750

00:27:24,610 --> 00:27:22,429

the site begins to suddenly open up and

751

00:27:26,919 --> 00:27:24,620

it attracts all the electromagnetism

752

00:27:28,930 --> 00:27:26,929

that's flowing around the land and it

753

00:27:30,940 --> 00:27:28,940

draws down also an energy from the

754

00:27:33,310 --> 00:27:30,950

atmosphere and suddenly and this is

755

00:27:36,190 --> 00:27:33,320

using measurable techniques today the

756

00:27:38,380 --> 00:27:36,200

site begins to suck in the energy at

757

00:27:40,870 --> 00:27:38,390

twice the rate of the surrounding land

758

00:27:44,169 --> 00:27:40,880

the mum the Sun actually comes up and

759

00:27:46,570 --> 00:27:44,179

then these stones actually harness that

760

00:27:48,490 --> 00:27:46,580

energy like a battery throughout most of

761

00:27:50,890 --> 00:27:48,500

the day and it's slowly like a person

762

00:27:52,900 --> 00:27:50,900

who's worn out after working the energy

763

00:27:54,909 --> 00:27:52,910

declines towards sunset and the whole

764

00:27:56,289 --> 00:27:54,919

process repeats again and again but if

765

00:27:58,240 --> 00:27:56,299

you're just standing there looking with

766

00:28:00,100 --> 00:27:58,250

200 people at stonehenge trying to pick

767

00:28:02,140 --> 00:28:00,110

photographs it's just a second pile of

768

00:28:04,600 --> 00:28:02,150

rocks if you go there afterwards after

769

00:28:06,520 --> 00:28:04,610

hours and you pay a lot of money to get

770

00:28:09,520 --> 00:28:06,530

special access can't let the Great

771

00:28:11,650 --> 00:28:09,530

Pyramid as well the place is very very

772

00:28:13,600 --> 00:28:11,660

different it reacts to you and he also

773

00:28:15,730 --> 00:28:13,610

reacts you're intense in fact it even

774

00:28:17,289 --> 00:28:15,740

knows that you're coming if you prepare

775

00:28:19,630 --> 00:28:17,299

yourself before you go to these places

776

00:28:22,270 --> 00:28:19,640

they pick up on that these living beings

777

00:28:23,890 --> 00:28:22,280

pick up on you and when you get there

778

00:28:25,870 --> 00:28:23,900

and you've done your preparation and

779

00:28:28,539 --> 00:28:25,880

you're quiet and you're humble you'd be

780

00:28:30,539 --> 00:28:28,549

amazed how the stones suddenly feel is

781

00:28:33,159 --> 00:28:30,549

like being in contact with the family

782

00:28:34,930 --> 00:28:33,169

that you've always wanted to have a good

783

00:28:36,610 --> 00:28:34,940

time with and you never want to go home

784

00:28:38,620 --> 00:28:36,620

despite the fact you filled your belly

785

00:28:42,159 --> 00:28:38,630

up with Turkey that's how it feels I

786

00:28:43,900 --> 00:28:42,169

love it and I know you actually are

787

00:28:45,520 --> 00:28:43,910

speaking from personal experience

788

00:28:48,220 --> 00:28:45,530

because you've had a pretty intense one

789

00:28:50,590 --> 00:28:48,230

in a pyramid that you've described in

790

00:28:52,750 --> 00:28:50,600

writing and in interviews in the past

791

00:28:54,850 --> 00:28:52,760

tell us a little bit about that

792

00:28:57,130 --> 00:28:54,860

experience because you know firsthand

793

00:29:00,340 --> 00:28:57,140

knowledge is always the most convincing

794

00:29:02,289 --> 00:29:00,350

oh I totally agree and I I mean when I

795

00:29:04,630 --> 00:29:02,299

start doing research I really like books

796

00:29:06,310 --> 00:29:04,640

that not only have very very big

797

00:29:08,590 --> 00:29:06,320

bibliographies because it tells me to

798

00:29:11,560 --> 00:29:08,600

the person there's not to be right they

799

00:29:13,659 --> 00:29:11,570

at least did the homework and - if it

800

00:29:15,130 --> 00:29:13,669

comes from a personal point of view it

801
00:29:16,960 --> 00:29:15,140
means that you cannot really making it

802
00:29:18,640 --> 00:29:16,970
up and a lot of the work that I do and

803
00:29:21,250 --> 00:29:18,650
why it takes so long to write books is

804
00:29:22,990 --> 00:29:21,260
that I kind of go at it with an open

805
00:29:25,419 --> 00:29:23,000
mind and I don't approach it from a

806
00:29:27,250 --> 00:29:25,429
particular angle I want to know what is

807
00:29:28,720 --> 00:29:27,260
this really about and when you ask that

808
00:29:31,930 --> 00:29:28,730
question with relation to the sacred

809
00:29:33,340 --> 00:29:31,940
sites and initiation places it's amazing

810
00:29:35,230 --> 00:29:33,350
how much information comes back

811
00:29:37,720 --> 00:29:35,240
thank you and then you can I get sent on

812
00:29:40,600 --> 00:29:37,730
this journey to actually find out how

813
00:29:42,730 --> 00:29:40,610

can I back this up with real facts and

814

00:29:45,070 --> 00:29:42,740

they're there you just have to take your

815

00:29:47,230 --> 00:29:45,080

time and the one experience of the Great

816

00:29:49,120 --> 00:29:47,240

Pyramid is a very good example of that I

817

00:29:51,430 --> 00:29:49,130

work with a small group of people who

818

00:29:53,080 --> 00:29:51,440

keeps a very low profile and we go

819

00:29:54,730 --> 00:29:53,090

around the world cleaning up the nest of

820

00:29:57,130 --> 00:29:54,740

people leave behind psychically at

821

00:29:58,990 --> 00:29:57,140

sacred sites and yes you can do that you

822

00:30:00,580 --> 00:29:59,000

can leave impressions in these buildings

823

00:30:02,650 --> 00:30:00,590

and they soak up everything and

824

00:30:04,779 --> 00:30:02,660

sometimes they don't feel right so

825

00:30:06,399 --> 00:30:04,789

that's our job and it was our

826

00:30:08,049 --> 00:30:06,409

opportunity to go into the Great Pyramid

827

00:30:09,760 --> 00:30:08,059

into the King's Chamber one day and

828

00:30:12,159 --> 00:30:09,770

though we weren't able to get private

829

00:30:14,890 --> 00:30:12,169

access which means sharing the building

830

00:30:17,049 --> 00:30:14,900

with about 200 very noisy people which

831

00:30:18,760 --> 00:30:17,059

is very disconcerting and there were

832

00:30:20,890 --> 00:30:18,770

four of us that managed to get up to the

833

00:30:23,080 --> 00:30:20,900

top and suddenly everybody left I

834

00:30:25,570 --> 00:30:23,090

thought wow that doesn't happen by

835

00:30:26,350 --> 00:30:25,580

accident let's just sit down and do what

836

00:30:29,190 --> 00:30:26,360

we do best

837

00:30:31,330 --> 00:30:29,200

and had this opportunity and take this

838

00:30:32,640 --> 00:30:31,340

remarkable coincidence

839

00:30:34,750 --> 00:30:32,650

and of course nothing's by coincidence

840

00:30:37,149 --> 00:30:34,760

let's take this remarkable coincidence

841

00:30:38,620 --> 00:30:37,159

and do our work so it began to tone in

842

00:30:41,140 --> 00:30:38,630

the actual chamber get the sound

843

00:30:42,580 --> 00:30:41,150

frequency going and there were sounds

844

00:30:44,350 --> 00:30:42,590

coming out of me that I've never done

845

00:30:45,880 --> 00:30:44,360

before a sense I don't know what was

846

00:30:48,970 --> 00:30:45,890

going on but it was just extraordinary

847

00:30:50,350 --> 00:30:48,980

and these three other guys and by the

848

00:30:53,470 --> 00:30:50,360

way the Great Pyramid is a guide place

849

00:30:55,149 --> 00:30:53,480

it's a very guy energy the ladies

850

00:30:57,010 --> 00:30:55,159

usually like the pyramid next door to

851
00:30:58,360 --> 00:30:57,020
the Great Pyramid and the guys don't and

852
00:31:00,669 --> 00:30:58,370
there's a reason for all this

853
00:31:02,140 --> 00:31:00,679
but anyway so there's four guys doing

854
00:31:04,149 --> 00:31:02,150
this turning and suddenly the lights go

855
00:31:06,070 --> 00:31:04,159
out so now we're learning the Great

856
00:31:08,289 --> 00:31:06,080
Pyramid without having had to pay huge

857
00:31:10,480 --> 00:31:08,299
amounts of money it's complete darkness

858
00:31:12,640 --> 00:31:10,490
and as four of us is turning in the

859
00:31:14,230 --> 00:31:12,650
King's Chamber and I don't know it must

860
00:31:16,690 --> 00:31:14,240
have been a couple of minutes later I

861
00:31:18,779 --> 00:31:16,700
saw must have been about thirty-three

862
00:31:21,010 --> 00:31:18,789
people coming out of the stones and

863
00:31:22,810 --> 00:31:21,020

surrounding us and I'm looking at this

864

00:31:24,820 --> 00:31:22,820

with my open eyes and complete darkness

865

00:31:26,560 --> 00:31:24,830

and I can't see my three friends but I

866

00:31:28,539 --> 00:31:26,570

can see these people surrounding us and

867

00:31:31,450 --> 00:31:28,549

they're very tall question is kind of

868

00:31:33,460 --> 00:31:31,460

sat in white satin' elegant elegant

869

00:31:36,130 --> 00:31:33,470

people and this wonderful sense of love

870

00:31:37,060 --> 00:31:36,140

and that we just kept going and going I

871

00:31:39,250 --> 00:31:37,070

thought this is the most remarkable

872

00:31:41,710 --> 00:31:39,260

thing I've ever seen and then suddenly

873

00:31:43,419 --> 00:31:41,720

twenty minutes is gone and you get the

874

00:31:45,399 --> 00:31:43,429

sense as a light bulb coming on and we

875

00:31:47,110 --> 00:31:45,409

could take turns to go into the King's

876

00:31:49,060 --> 00:31:47,120

Chamber and EXR confer

877

00:31:51,160 --> 00:31:49,070

and five minutes in there you

878

00:31:53,110 --> 00:31:51,170

disappeared for a lifetime we had to

879

00:31:55,060 --> 00:31:53,120

pull people out of there and then we

880

00:31:57,160 --> 00:31:55,070

come downstairs we come out in full

881

00:31:58,930 --> 00:31:57,170

daylight and it's quite obvious that

882

00:32:00,610 --> 00:31:58,940

four grown men are trying to say

883

00:32:03,310 --> 00:32:00,620

something but they're too many to say it

884

00:32:06,040 --> 00:32:03,320

and I'll say to them okay did anybody

885

00:32:08,410 --> 00:32:06,050

see what I saw in there and the first

886

00:32:09,549 --> 00:32:08,420

guy says oh god there's those people

887

00:32:10,870 --> 00:32:09,559

that came out of the stands and they're

888

00:32:13,660 --> 00:32:10,880

really tall in the dress in this pattern

889

00:32:15,430 --> 00:32:13,670

and suddenly we all filled in the story

890

00:32:17,290 --> 00:32:15,440

and everybody is so exactly the same

891

00:32:19,299 --> 00:32:17,300

thing and you can't make that up that

892

00:32:21,370 --> 00:32:19,309

were in complete darkness but here's the

893

00:32:23,590 --> 00:32:21,380

funniest part of the story but when I

894

00:32:25,150 --> 00:32:23,600

began to write about this in the divine

895

00:32:27,220 --> 00:32:25,160

blueprint and the lost art of

896

00:32:29,470 --> 00:32:27,230

resurrection I actually wanted to find

897

00:32:31,810 --> 00:32:29,480

out has someone else done this because I

898

00:32:33,730 --> 00:32:31,820

really graves if some could back this up

899

00:32:35,710 --> 00:32:33,740

and it turns out in my library of books

900

00:32:38,230 --> 00:32:35,720

there was a book by a guy called Paul

901
00:32:39,910 --> 00:32:38,240
Brunton who wrote this in the 20s when

902
00:32:41,740 --> 00:32:39,920
he became disillusioned with modern life

903
00:32:44,260 --> 00:32:41,750
so you see that nothing really changes

904
00:32:45,880 --> 00:32:44,270
he wrote about his experiences in in the

905
00:32:47,650 --> 00:32:45,890
in Egypt in the Great Pyramid and I

906
00:32:50,440 --> 00:32:47,660
never got a chance to read the book and

907
00:32:52,750 --> 00:32:50,450
sure enough there's a chapter where he

908
00:32:55,000 --> 00:32:52,760
describes exactly the same thing

909
00:32:57,460 --> 00:32:55,010
happened to him and he describes the

910
00:33:00,190 --> 00:32:57,470
people that he saw in darkness in the

911
00:33:02,940 --> 00:33:00,200
King's Chamber in exactly the same way I

912
00:33:05,320 --> 00:33:02,950
thought you cannot make this up and that

913
00:33:08,169 --> 00:33:05,330

as a third person as a friend of mine

914

00:33:11,230 --> 00:33:08,179

who's a sound he's kind of a sound

915

00:33:14,140 --> 00:33:11,240

scientist a genius and very left brain

916

00:33:15,790 --> 00:33:14,150

but very intuitive and he's asked me on

917

00:33:17,560 --> 00:33:15,800

pain of death not reveal his name

918

00:33:20,290 --> 00:33:17,570

because he doesn't be ridiculed by his

919

00:33:21,850 --> 00:33:20,300

peers but he said yeah when we hit a

920

00:33:24,549 --> 00:33:21,860

certain frequency in the pyramid with

921

00:33:26,950 --> 00:33:24,559

all our technical equipment we begin to

922

00:33:28,780 --> 00:33:26,960

feel a presence around us and it's like

923

00:33:31,810 --> 00:33:28,790

we can see people out of the corner of

924

00:33:33,669 --> 00:33:31,820

the eye coming out of stones as well so

925

00:33:35,140 --> 00:33:33,679

again it backs up what the Egyptians

926
00:33:37,690 --> 00:33:35,150
were saying that these places are alive

927
00:33:39,730 --> 00:33:37,700
they remember everything and to a

928
00:33:41,919 --> 00:33:39,740
certain degree all the people that also

929
00:33:43,870 --> 00:33:41,929
carry their initiation and their their

930
00:33:46,480 --> 00:33:43,880
memories are also in there so it's kind

931
00:33:48,130 --> 00:33:46,490
of like a like attraction to like you're

932
00:33:49,630 --> 00:33:48,140
never alone in these places they really

933
00:33:51,460 --> 00:33:49,640
do look after you and it's a good reason

934
00:33:52,169 --> 00:33:51,470
why we should go back to them again and

935
00:33:54,730 --> 00:33:52,179
again

936
00:33:58,210 --> 00:33:54,740
wow man thanks for sharing that that is

937
00:33:59,620 --> 00:33:58,220
a pretty wild story I love it and now to

938
00:34:00,940 --> 00:33:59,630

switch gears a little bit you mentioned

939

00:34:03,159 --> 00:34:00,950

that the Roman Catholic

940

00:34:05,409 --> 00:34:03,169

they started out line access to these

941

00:34:07,720 --> 00:34:05,419

spaces because they clearly had value

942

00:34:09,280 --> 00:34:07,730

and apparently they even had Springs

943

00:34:11,680 --> 00:34:09,290

that were healing people and energy

944

00:34:13,240 --> 00:34:11,690

healing centers and not a main factor

945

00:34:14,859 --> 00:34:13,250

and all this seems to be this ability to

946

00:34:17,200 --> 00:34:14,869

go out of body and hang out on the

947

00:34:19,000 --> 00:34:17,210

astral plane for seriously extended

948

00:34:21,280 --> 00:34:19,010

periods of time but what can be said

949

00:34:23,050 --> 00:34:21,290

about other qualities or abilities that

950

00:34:26,200 --> 00:34:23,060

people had unlocked through these

951
00:34:28,569 --> 00:34:26,210
magical means and places well there were

952
00:34:31,000 --> 00:34:28,579
also aliens that were also involved some

953
00:34:33,159 --> 00:34:31,010
sacred sites it really depends on how

954
00:34:36,220 --> 00:34:33,169
the design was built in how its

955
00:34:37,960 --> 00:34:36,230
resonance was work in a certain way if I

956
00:34:40,119 --> 00:34:37,970
want to say manipulated because they did

957
00:34:41,950 --> 00:34:40,129
manipulate the laws of nature and they

958
00:34:43,599 --> 00:34:41,960
will create certain science which today

959
00:34:44,770 --> 00:34:43,609
if you read the legends and the myths

960
00:34:45,970 --> 00:34:44,780
associated with them

961
00:34:48,280 --> 00:34:45,980
each one does something completely

962
00:34:50,879 --> 00:34:48,290
different it's like I was saying earlier

963
00:34:53,200 --> 00:34:50,889

about the pyramids on the Giza Plateau

964

00:34:54,220 --> 00:34:53,210

that's the two big ones of course you

965

00:34:56,050 --> 00:34:54,230

know you look at them and you go wow

966

00:34:56,649 --> 00:34:56,060

this is impressive and that they're

967

00:34:58,480 --> 00:34:56,659

identical

968

00:35:00,880 --> 00:34:58,490

well actually they're not they're subtly

969

00:35:03,730 --> 00:35:00,890

different and it's to do with the angle

970

00:35:05,470 --> 00:35:03,740

of the slope and that's why anybody who

971

00:35:07,750 --> 00:35:05,480

looks the masculine energy really likes

972

00:35:09,309 --> 00:35:07,760

the bigger pyramid and the feminine

973

00:35:11,859 --> 00:35:09,319

energy people want to go to the slightly

974

00:35:15,460 --> 00:35:11,869

smaller one and it's all to do with the

975

00:35:17,650 --> 00:35:15,470

manipulation of space so this is why

976

00:35:20,500 --> 00:35:17,660

some places healing places some

977

00:35:22,599 --> 00:35:20,510

initiation places summer places where

978

00:35:23,980 --> 00:35:22,609

you go and do mental work we're learning

979

00:35:26,770 --> 00:35:23,990

about the mysteries because the site

980

00:35:30,010 --> 00:35:26,780

itself induces a certain clarity of mind

981

00:35:33,190 --> 00:35:30,020

it's all a big sort of cornucopia a big

982

00:35:35,050 --> 00:35:33,200

potpourri of temples and all of them are

983

00:35:35,620 --> 00:35:35,060

designed to do very very different

984

00:35:38,319 --> 00:35:35,630

things

985

00:35:40,120 --> 00:35:38,329

hmmm that is so interesting about the

986

00:35:42,280 --> 00:35:40,130

pyramids having the two different

987

00:35:44,079 --> 00:35:42,290

energies like that now I guess the third

988

00:35:47,440 --> 00:35:44,089

of course would have to be for

989

00:35:49,480 --> 00:35:47,450

transgendered you know I don't look it

990

00:35:50,890 --> 00:35:49,490

that way or you never know but you know

991

00:35:53,319 --> 00:35:50,900

what that's the one that always

992

00:35:56,470 --> 00:35:53,329

fascinates me and people always go for

993

00:35:58,540 --> 00:35:56,480

sighs you know humans like sighs mmm but

994

00:36:00,220 --> 00:35:58,550

you know what even bigger mystery is it

995

00:36:01,960 --> 00:36:00,230

once you've done this for many years you

996

00:36:04,120 --> 00:36:01,970

begin to realize that you've been

997

00:36:05,620 --> 00:36:04,130

getting in your way all the time and you

998

00:36:07,480 --> 00:36:05,630

begin to actually appreciate the smaller

999

00:36:09,220 --> 00:36:07,490

things in life the things that don't

1000

00:36:12,099 --> 00:36:09,230

really get your attention and that's

1001
00:36:14,230 --> 00:36:12,109
where the big AHA comes in because even

1002
00:36:14,710 --> 00:36:14,240
someone like Zoey how was the former

1003
00:36:16,630 --> 00:36:14,720
ministry

1004
00:36:19,599 --> 00:36:16,640
tickity in egypt you know this huge

1005
00:36:21,550 --> 00:36:19,609
bombastic ego which is undeniable but

1006
00:36:24,099 --> 00:36:21,560
you know what if you just catch him one

1007
00:36:26,109 --> 00:36:24,109
day and you said to him shall we the

1008
00:36:29,320 --> 00:36:26,119
small pyramid and that's what you say

1009
00:36:31,240 --> 00:36:29,330
and a different person pops into his

1010
00:36:33,220 --> 00:36:31,250
body he's on a different level of

1011
00:36:34,480 --> 00:36:33,230
reality you know he's seen and

1012
00:36:36,700 --> 00:36:34,490
experienced something in depth is

1013
00:36:38,140 --> 00:36:36,710

profound and I totally agree in fact if

1014

00:36:40,570 --> 00:36:38,150

I was actually looking for the true

1015

00:36:43,420 --> 00:36:40,580

entrance of the Hall of Records that

1016

00:36:45,339 --> 00:36:43,430

lies somewhere along that area that's

1017

00:36:46,480 --> 00:36:45,349

where I would begin to look because

1018

00:36:48,880 --> 00:36:46,490

that's the one place too few people

1019

00:36:50,710 --> 00:36:48,890

actually look at you see so something

1020

00:36:52,210 --> 00:36:50,720

that's worth looking at the smaller

1021

00:36:54,310 --> 00:36:52,220

things it's kind of like the genuine

1022

00:36:56,380 --> 00:36:54,320

crop circles when they used to appear

1023

00:36:58,210 --> 00:36:56,390

nowadays in most big man-made but in the

1024

00:37:00,190 --> 00:36:58,220

old days they were absolutely genuine

1025

00:37:01,720 --> 00:37:00,200

most people never paid attention to the

1026
00:37:03,790 --> 00:37:01,730
small ones but that's where the real

1027
00:37:05,530 --> 00:37:03,800
power is that's where you get a lot of

1028
00:37:07,839 --> 00:37:05,540
work done and where we got so much of

1029
00:37:10,030 --> 00:37:07,849
our scientific research from the big

1030
00:37:11,800 --> 00:37:10,040
ones are impressive for sure but it's a

1031
00:37:13,870 --> 00:37:11,810
with simple things that you should be

1032
00:37:15,700 --> 00:37:13,880
aware of the universe has a mischievous

1033
00:37:18,040 --> 00:37:15,710
sense of humor and you should pay

1034
00:37:20,260 --> 00:37:18,050
attention to it yeah I mean I know

1035
00:37:22,120 --> 00:37:20,270
you've done quite a bit of work on the

1036
00:37:24,310 --> 00:37:22,130
crop circles too which have always been

1037
00:37:26,020 --> 00:37:24,320
interesting to me and knowing what you

1038
00:37:28,000 --> 00:37:26,030

know about the ancient past and the

1039

00:37:30,099 --> 00:37:28,010

connection that we had of the spirit

1040

00:37:33,250 --> 00:37:30,109

world is your impression that when these

1041

00:37:34,780 --> 00:37:33,260

crop circles started showing up that it

1042

00:37:36,280 --> 00:37:34,790

was maybe the entities of the spirit

1043

00:37:38,859 --> 00:37:36,290

world coming in and saying hey where'd

1044

00:37:41,530 --> 00:37:38,869

you guys go oh absolutely

1045

00:37:43,690 --> 00:37:41,540

we had good proof of this as well at one

1046

00:37:44,829 --> 00:37:43,700

particular group consciousness I call

1047

00:37:46,359 --> 00:37:44,839

the group consciousness but to me

1048

00:37:48,730 --> 00:37:46,369

they're real people they're kind of

1049

00:37:51,190 --> 00:37:48,740

behind the original phenomenon and they

1050

00:37:53,230 --> 00:37:51,200

seem to appear in different times of

1051
00:37:54,940 --> 00:37:53,240
history under different names sometimes

1052
00:37:56,770 --> 00:37:54,950
we call them the Watchers sometimes we

1053
00:37:58,990 --> 00:37:56,780
call them the shining ones sometimes we

1054
00:38:01,120 --> 00:37:59,000
call them guardian angels and they

1055
00:38:02,740 --> 00:38:01,130
basically said that you know you got to

1056
00:38:04,120 --> 00:38:02,750
think about the association between crop

1057
00:38:05,920 --> 00:38:04,130
circles and temples and they were

1058
00:38:07,990 --> 00:38:05,930
absolutely right because everywhere

1059
00:38:10,060 --> 00:38:08,000
they're where they'll appear the genuine

1060
00:38:12,250 --> 00:38:10,070
crop circle it was always next an

1061
00:38:15,280 --> 00:38:12,260
ancient sacred site now we stopped

1062
00:38:17,140 --> 00:38:15,290
building sacred sites in the last 2,000

1063
00:38:19,300 --> 00:38:17,150

years two-and-a-half thousand years the

1064

00:38:21,160 --> 00:38:19,310

only time we've really put effort into

1065

00:38:23,530 --> 00:38:21,170

doing things for the real reason with

1066

00:38:25,780 --> 00:38:23,540

good intent was the Gothic building the

1067

00:38:28,470 --> 00:38:25,790

Cathedral period which is put up by the

1068

00:38:30,780 --> 00:38:28,480

Knights Templar and the Cistercian monks

1069

00:38:33,300 --> 00:38:30,790

with doing exactly the same principles

1070

00:38:35,730 --> 00:38:33,310

and Egyptians I mean exactly and also

1071

00:38:38,670 --> 00:38:35,740

over an ankle water that's exactly the

1072

00:38:41,190 --> 00:38:38,680

same century this massive 60 square mile

1073

00:38:43,650 --> 00:38:41,200

series of temple suddenly was erected so

1074

00:38:45,359 --> 00:38:43,660

after that is nothing and that's what I

1075

00:38:47,609 --> 00:38:45,369

think the crop circles are so important

1076
00:38:49,859 --> 00:38:47,619
because they also are built on the same

1077
00:38:52,410 --> 00:38:49,869
principles as a Stonehenge or as a

1078
00:38:55,050 --> 00:38:52,420
pyramid just just happen to be placed on

1079
00:38:56,609 --> 00:38:55,060
cereal crop and that there's filling in

1080
00:38:58,290 --> 00:38:56,619
a gap in our connection and our

1081
00:39:00,660 --> 00:38:58,300
consciousness and it was always said

1082
00:39:02,460 --> 00:39:00,670
that the temple was a mirror image of

1083
00:39:04,470 --> 00:39:02,470
the cosmos and they were supposed to

1084
00:39:06,570 --> 00:39:04,480
remind you of your godliness when you

1085
00:39:09,300 --> 00:39:06,580
forgot so when you remind yourself of

1086
00:39:10,830 --> 00:39:09,310
your godliness and you act as a God on

1087
00:39:13,830 --> 00:39:10,840
the face of the earth without the ego

1088
00:39:15,120 --> 00:39:13,840

part people begin to look at you and go

1089

00:39:17,190 --> 00:39:15,130

wait a minute that's a good way of doing

1090

00:39:19,950 --> 00:39:17,200

this why don't we imitate this person

1091

00:39:22,770 --> 00:39:19,960

and that's how society becomes cohesive

1092

00:39:25,290 --> 00:39:22,780

you lose that connection you lose your

1093

00:39:28,050 --> 00:39:25,300

connection to nature the perfection of

1094

00:39:30,690 --> 00:39:28,060

things and slowly society falls apart

1095

00:39:33,960 --> 00:39:30,700

now there is no argument that the day

1096

00:39:35,849 --> 00:39:33,970

Society has fallen apart we have also

1097

00:39:37,380 --> 00:39:35,859

not created temples and something the

1098

00:39:39,660 --> 00:39:37,390

crop circles are here reminding us of

1099

00:39:41,609 --> 00:39:39,670

the same profit concept now here's the

1100

00:39:43,650 --> 00:39:41,619

other connection you can also have the

1101
00:39:45,570 --> 00:39:43,660
same antibody experiencing crop circles

1102
00:39:48,060 --> 00:39:45,580
and this has been also very well

1103
00:39:49,680 --> 00:39:48,070
documented in research circles and I am

1104
00:39:51,450 --> 00:39:49,690
one of those people that also has or has

1105
00:39:53,910 --> 00:39:51,460
had an experience in one of these things

1106
00:39:55,170 --> 00:39:53,920
and I also got taken out of body just

1107
00:39:57,450 --> 00:39:55,180
like I wasn't a great pyramid

1108
00:39:58,920 --> 00:39:57,460
so they're actually reminding you that

1109
00:40:00,780 --> 00:39:58,930
you can do this for yourselves but also

1110
00:40:02,640 --> 00:40:00,790
you have to go back to the past

1111
00:40:04,770 --> 00:40:02,650
find out what's here in our history in

1112
00:40:07,650 --> 00:40:04,780
order to not to repeat the same mistakes

1113
00:40:09,810 --> 00:40:07,660

so that's the bigger picture that these

1114

00:40:11,910 --> 00:40:09,820

entities are trying to tell us that they

1115

00:40:13,830 --> 00:40:11,920

used to come here at certain pivotal

1116

00:40:16,170 --> 00:40:13,840

times in our history and they mentioned

1117

00:40:17,970 --> 00:40:16,180

certain periods around 2600 BC for

1118

00:40:19,920 --> 00:40:17,980

example when they actually appeared with

1119

00:40:21,810 --> 00:40:19,930

the shining ones in Egypt and oddly

1120

00:40:23,760 --> 00:40:21,820

enough they also appeared as the

1121

00:40:26,099 --> 00:40:23,770

Watchers in England at the same time and

1122

00:40:28,349 --> 00:40:26,109

suddenly we get a big construction boom

1123

00:40:30,090 --> 00:40:28,359

of pyramids and temples at that moment

1124

00:40:32,220 --> 00:40:30,100

and they said that because of their

1125

00:40:34,980 --> 00:40:32,230

frequency was so high compared to normal

1126
00:40:37,859 --> 00:40:34,990
human frequency they had to manifest

1127
00:40:40,050 --> 00:40:37,869
bodies that take in that frequency and

1128
00:40:41,260 --> 00:40:40,060
that means that they were had to be very

1129
00:40:43,300 --> 00:40:41,270
tall Anu

1130
00:40:46,150 --> 00:40:43,310
little and also had the elongated heads

1131
00:40:48,610 --> 00:40:46,160
because as we know today Homo sapiens

1132
00:40:50,350 --> 00:40:48,620
requires a large frontal lobe in order

1133
00:40:52,030 --> 00:40:50,360
to do mental processing that's how we

1134
00:40:53,500 --> 00:40:52,040
get out of trouble and sometimes we get

1135
00:40:54,970 --> 00:40:53,510
into trouble as well by thinking of

1136
00:40:56,530 --> 00:40:54,980
ourselves too much into it

1137
00:40:58,330 --> 00:40:56,540
at the back of the brain is the most

1138
00:40:59,950 --> 00:40:58,340

mysterious one that's your spiritual

1139

00:41:02,050 --> 00:40:59,960

lobe that connects you to an another

1140

00:41:03,820 --> 00:41:02,060

level of reality which we're still in

1141

00:41:05,710 --> 00:41:03,830

the science world trying to understand

1142

00:41:08,260 --> 00:41:05,720

it and these entities were basically

1143

00:41:10,120 --> 00:41:08,270

saying that's what helps us maintain our

1144

00:41:12,610 --> 00:41:10,130

connection to the invisible world

1145

00:41:14,230 --> 00:41:12,620

because we found living on earth so damn

1146

00:41:16,510 --> 00:41:14,240

difficult because it's such a dense

1147

00:41:18,580 --> 00:41:16,520

plane of existence so we understand how

1148

00:41:20,440 --> 00:41:18,590

difficult it is and that's what we come

1149

00:41:22,960 --> 00:41:20,450

down here at certain times when things

1150

00:41:24,190 --> 00:41:22,970

are really going wrong to help remind

1151

00:41:25,540 --> 00:41:24,200

you that you've got to fix this with

1152

00:41:27,970 --> 00:41:25,550

yourselves but we'll give you a little

1153

00:41:30,220 --> 00:41:27,980

nudge and that tracks very nicely not

1154

00:41:32,020 --> 00:41:30,230

just with the crop circles but also the

1155

00:41:34,510 --> 00:41:32,030

building periods of temples around the

1156

00:41:36,970 --> 00:41:34,520

world and specifically the ones used for

1157

00:41:39,880 --> 00:41:36,980

initiation because they seem from my

1158

00:41:43,000 --> 00:41:39,890

research this building period of temples

1159

00:41:44,890 --> 00:41:43,010

seems to proceed major cataclysms on the

1160

00:41:47,050 --> 00:41:44,900

earth when things really go wrong and

1161

00:41:50,260 --> 00:41:47,060

usually within fifty to a hundred years

1162

00:41:53,710 --> 00:41:50,270

so I do know for a fact without alarming

1163

00:41:56,110 --> 00:41:53,720

anybody too much that there is NASA is

1164

00:41:57,670 --> 00:41:56,120

tracking a comet that's on a very close

1165

00:42:00,100 --> 00:41:57,680

collision course with this for in about

1166

00:42:02,530 --> 00:42:00,110

sixteen years and if you keep a tracker

1167

00:42:04,660 --> 00:42:02,540

at the news you'll know that NASA keeps

1168

00:42:07,600 --> 00:42:04,670

talking more about finding ways to

1169

00:42:08,710 --> 00:42:07,610

destroy and comment and also to look for

1170

00:42:11,140 --> 00:42:08,720

ones that we don't know where they are

1171

00:42:12,430 --> 00:42:11,150

so they know about this stuff they just

1172

00:42:14,650 --> 00:42:12,440

don't want to seem like they're very new

1173

00:42:16,750 --> 00:42:14,660

agey they trying to sort of polish it in

1174

00:42:19,210 --> 00:42:16,760

scientific terms but they know that we

1175

00:42:20,890 --> 00:42:19,220

periodically get hit so the crop circles

1176

00:42:22,780 --> 00:42:20,900

fit in beautifully within this time

1177

00:42:24,580 --> 00:42:22,790

period but again the good news is that

1178

00:42:27,340 --> 00:42:24,590

you know even though we get hit all the

1179

00:42:29,170 --> 00:42:27,350

time by this stuff we do survive there

1180

00:42:31,210 --> 00:42:29,180

are always survivors is this part of the

1181

00:42:32,980 --> 00:42:31,220

big plan we continue and life is

1182

00:42:34,900 --> 00:42:32,990

cyclicals so the reason why we're all

1183

00:42:36,970 --> 00:42:34,910

here and you're here and I'm here is

1184

00:42:39,520 --> 00:42:36,980

because we're part of this plan so

1185

00:42:40,120 --> 00:42:39,530

accept that and you're you're here to do

1186

00:42:42,580 --> 00:42:40,130

a change

1187

00:42:44,560 --> 00:42:42,590

you hit have an experience in your part

1188

00:42:47,980 --> 00:42:44,570

of the actual process so live your life

1189

00:42:49,810 --> 00:42:47,990

as as you would well said man and I've

1190

00:42:51,250 --> 00:42:49,820

heard you describe that crop circle

1191

00:42:53,200 --> 00:42:51,260

experience before and it is so

1192

00:42:54,730 --> 00:42:53,210

interesting the idea that they mentioned

1193

00:42:56,020 --> 00:42:54,740

like coming into

1194

00:42:59,170 --> 00:42:56,030

sickle bodies and that that would

1195

00:43:01,210 --> 00:42:59,180

explain some of the giant skeleton some

1196

00:43:02,530 --> 00:43:01,220

of the Baracus skulls and some people

1197

00:43:04,750 --> 00:43:02,540

call them those elongated skulls

1198

00:43:07,240 --> 00:43:04,760

absolutely I think that makes a lot of

1199

00:43:10,660 --> 00:43:07,250

sense it also does explain or goes a

1200

00:43:12,609 --> 00:43:10,670

long way to explain why cultures on

1201

00:43:14,620 --> 00:43:12,619

different parts of the planet would

1202

00:43:16,660 --> 00:43:14,630

develop these things that that are

1203

00:43:19,030 --> 00:43:16,670

fairly similar when they really weren't

1204

00:43:20,350 --> 00:43:19,040

supposed to be communicating they're

1205

00:43:22,540 --> 00:43:20,360

supposed to have great distances between

1206

00:43:23,940 --> 00:43:22,550

them and so that is a bit of a mystery

1207

00:43:27,910 --> 00:43:23,950

but if there is some kind of like

1208

00:43:30,340 --> 00:43:27,920

watcher beams that kind of are guardians

1209

00:43:33,580 --> 00:43:30,350

of the planet and kind of jumpstart the

1210

00:43:36,390 --> 00:43:33,590

reset of humanity after a cataclysm well

1211

00:43:38,590 --> 00:43:36,400

then a picture does start to emerge

1212

00:43:39,970 --> 00:43:38,600

absolutely and the reason why they call

1213

00:43:41,859 --> 00:43:39,980

themselves Watchers of the saying well

1214

00:43:44,140 --> 00:43:41,869

we come directly intervene in human

1215

00:43:46,090 --> 00:43:44,150

affairs because that would undermine the

1216

00:43:47,710 --> 00:43:46,100

whole point of your experience I mean

1217

00:43:49,570 --> 00:43:47,720

why get born and then have someone else

1218

00:43:51,190 --> 00:43:49,580

do the work for you doesn't make any

1219

00:43:53,859 --> 00:43:51,200

sense but in it sometimes like a good

1220

00:43:55,630 --> 00:43:53,869

teacher you need a nudge and it also

1221

00:43:57,760 --> 00:43:55,640

ties in nicely all the disparate

1222

00:43:59,590 --> 00:43:57,770

cultures that talk about exactly the

1223

00:44:01,599 --> 00:43:59,600

same process I mean the process of

1224

00:44:03,220 --> 00:44:01,609

initiation in living resurrection was

1225

00:44:05,710 --> 00:44:03,230

described all around the world so yes

1226

00:44:07,630 --> 00:44:05,720

how did they get the same story I was

1227

00:44:09,220 --> 00:44:07,640

just in Central America and also in Peru

1228

00:44:11,020 --> 00:44:09,230

and I wasn't expecting to find this

1229

00:44:12,760 --> 00:44:11,030

concept of resurrection down there and

1230

00:44:15,370 --> 00:44:12,770

my god I found it all over the place and

1231

00:44:17,859 --> 00:44:15,380

if I just put half the information on a

1232

00:44:19,990 --> 00:44:17,869

new information on a DVD because I was

1233

00:44:22,450 --> 00:44:20,000

amazed how much the temples of the Andes

1234

00:44:24,460 --> 00:44:22,460

are actually exactly the same process

1235

00:44:26,830 --> 00:44:24,470

that you find say in the Egyptian

1236

00:44:28,440 --> 00:44:26,840

temples when no one was ever buried and

1237

00:44:31,030 --> 00:44:28,450

yet on the walls it tells you exactly

1238

00:44:32,770 --> 00:44:31,040

what the building was used for and it

1239

00:44:34,240 --> 00:44:32,780

was for this out-of-body journey where

1240

00:44:36,340 --> 00:44:34,250

you expected to come back and get on

1241

00:44:38,440 --> 00:44:36,350

with your life and yes all of the

1242

00:44:41,680 --> 00:44:38,450

stories that follow all of these

1243

00:44:43,720 --> 00:44:41,690

teachings also associated with unusual

1244

00:44:45,910 --> 00:44:43,730

people that came across the ocean from a

1245

00:44:47,590 --> 00:44:45,920

sinking land this suddenly appeared with

1246

00:44:49,330 --> 00:44:47,600

all the knowledge of the cosmos the

1247

00:44:52,450 --> 00:44:49,340

knowledge of the Stars animal husbandry

1248

00:44:54,550 --> 00:44:52,460

how to domesticate crops I mean they

1249

00:44:56,380 --> 00:44:54,560

came with their own built-in library of

1250

00:44:58,900 --> 00:44:56,390

books so these people brought us here

1251
00:45:01,720 --> 00:44:58,910
brain trusts they'd been around quite a

1252
00:45:04,000 --> 00:45:01,730
bit and they the cultures also said that

1253
00:45:06,609 --> 00:45:04,010
they helped bring humanity from a state

1254
00:45:08,520 --> 00:45:06,619
a state of bestiality back into a state

1255
00:45:10,950 --> 00:45:08,530
of elegance and grace

1256
00:45:13,350 --> 00:45:10,960
so yes I do believe that there's

1257
00:45:15,570 --> 00:45:13,360
something unifying to this that these

1258
00:45:17,880 --> 00:45:15,580
strange beings do appear a specific

1259
00:45:19,860 --> 00:45:17,890
point in our time to how things regrow

1260
00:45:21,810 --> 00:45:19,870
but again we can take this for granted

1261
00:45:24,300 --> 00:45:21,820
and we shouldn't take this for granted

1262
00:45:26,580 --> 00:45:24,310
you know it's like I hope you say we are

1263
00:45:28,410 --> 00:45:26,590

the ones we were waiting for we have to

1264

00:45:30,510 --> 00:45:28,420

do this for ourselves otherwise it

1265

00:45:32,880 --> 00:45:30,520

nullifies the whole point of coming here

1266

00:45:35,070 --> 00:45:32,890

and gently you know horrible process of

1267

00:45:36,930 --> 00:45:35,080

coming into the physical bodies our soul

1268

00:45:38,490 --> 00:45:36,940

getting whacked in your bum by a doctor

1269

00:45:40,620 --> 00:45:38,500

when you get or your mother gives birth

1270

00:45:42,690 --> 00:45:40,630

and then having an existence and then

1271

00:45:46,260 --> 00:45:42,700

you die there's more to it than that it

1272

00:45:48,810 --> 00:45:46,270

really is all right and have you taken

1273

00:45:50,580 --> 00:45:48,820

much of a look at the Tibetan area

1274

00:45:52,830 --> 00:45:50,590

because that culture has been pretty

1275

00:45:54,540 --> 00:45:52,840

isolated and we hear about their

1276

00:45:57,420 --> 00:45:54,550

mystical traditions it seemed to have

1277

00:45:59,310 --> 00:45:57,430

survived and remains fairly undisturbed

1278

00:46:00,720 --> 00:45:59,320

have you looked at them and kind of seen

1279

00:46:03,420 --> 00:46:00,730

where the pieces fit with this larger

1280

00:46:06,240 --> 00:46:03,430

story very difficult to get information

1281

00:46:07,980 --> 00:46:06,250

from them for obvious reasons one of

1282

00:46:10,350 --> 00:46:07,990

them being that much of it never got

1283

00:46:13,380 --> 00:46:10,360

translated into English secondly because

1284

00:46:15,540 --> 00:46:13,390

so much of the areas around Tibetan

1285

00:46:18,120 --> 00:46:15,550

Nepal obviously that a lot of the books

1286

00:46:19,950 --> 00:46:18,130

have been stolen a by the Chinese they

1287

00:46:21,660 --> 00:46:19,960

have been burned by them to be honest

1288

00:46:24,720 --> 00:46:21,670

they've actually been removed

1289

00:46:26,580 --> 00:46:24,730

so obviously the Chinese authorities tie

1290

00:46:28,770 --> 00:46:26,590

back in the church repeating itself in

1291

00:46:30,630 --> 00:46:28,780

Europe the curious about it enough to

1292

00:46:33,270 --> 00:46:30,640

keep the information but they will steal

1293

00:46:36,240 --> 00:46:33,280

it there was one very important thing

1294

00:46:38,580 --> 00:46:36,250

that I did come across and that was of

1295

00:46:40,290 --> 00:46:38,590

an actual drawing that was made by a

1296

00:46:42,840 --> 00:46:40,300

travelling month from Europe who went

1297

00:46:45,690 --> 00:46:42,850

all the way to Tibet old actually was

1298

00:46:47,250 --> 00:46:45,700

Nepal I beg your pardon if Nepal and he

1299

00:46:49,560 --> 00:46:47,260

said that he was amazed that when he got

1300

00:46:52,620 --> 00:46:49,570

there that he heard the story of this

1301
00:46:55,680 --> 00:46:52,630
resurrected God man who goes into this

1302
00:46:58,280 --> 00:46:55,690
box death ray gets it into this box a

1303
00:47:00,750 --> 00:46:58,290
sarcophagus on the winter solstice and

1304
00:47:02,370 --> 00:47:00,760
he comes back three days later as a

1305
00:47:05,640 --> 00:47:02,380
risen god man called

1306
00:47:08,130 --> 00:47:05,650
Al and he then is nailed to an actual

1307
00:47:09,900 --> 00:47:08,140
cross a foliated cross and he actually

1308
00:47:11,430 --> 00:47:09,910
drew these I actually had the drawings

1309
00:47:13,410 --> 00:47:11,440
in the in the book of the last Arthur

1310
00:47:15,630 --> 00:47:13,420
Resurrection which is astonishing and

1311
00:47:17,430 --> 00:47:15,640
this monk who was a Christian said I

1312
00:47:20,880 --> 00:47:17,440
couldn't believe that this story was at

1313
00:47:22,320 --> 00:47:20,890

least 500 years older than the story of

1314

00:47:23,550 --> 00:47:22,330

Christ we had been taught

1315

00:47:26,160 --> 00:47:23,560

and that's where he actually wrote and

1316

00:47:27,920 --> 00:47:26,170

you quite clearly seen this drawing that

1317

00:47:29,970 --> 00:47:27,930

was drawn from an original source

1318

00:47:31,920 --> 00:47:29,980

clearly showing that there's a man

1319

00:47:33,900 --> 00:47:31,930

coming out of her sarcophagus he has a

1320

00:47:36,570 --> 00:47:33,910

little sort of dot on his forehead just

1321

00:47:39,990 --> 00:47:36,580

like a Zen Buddhist with today and also

1322

00:47:42,150 --> 00:47:40,000

he is Nelson nailed to this cross that

1323

00:47:44,520 --> 00:47:42,160

has foliage all over it so in other

1324

00:47:46,260 --> 00:47:44,530

words anybody from modern Europe would

1325

00:47:48,480 --> 00:47:46,270

have Lucas and said yes he's the

1326

00:47:51,540 --> 00:47:48,490

representation of the green man the

1327

00:47:54,240 --> 00:47:51,550

revitalizing fully dated man of nature

1328

00:47:56,430 --> 00:47:54,250

that on the winter solstice comes out of

1329

00:47:58,800 --> 00:47:56,440

the woodwork he represents the light as

1330

00:48:01,080 --> 00:47:58,810

suddenly begins to overwhelmed the

1331

00:48:03,060 --> 00:48:01,090

darkness at that time of the year so

1332

00:48:04,860 --> 00:48:03,070

it's as much symbolic as it is practical

1333

00:48:06,870 --> 00:48:04,870

that they said that you know there were

1334

00:48:08,280 --> 00:48:06,880

people actual human beings who then

1335

00:48:10,230 --> 00:48:08,290

looked at this metaphor for the

1336

00:48:12,090 --> 00:48:10,240

rejuvenation of life and they would

1337

00:48:13,800 --> 00:48:12,100

actually undertake at that very same

1338

00:48:15,360 --> 00:48:13,810

journey as part of their initiation

1339

00:48:17,250 --> 00:48:15,370

concepts and this is where it gets a

1340

00:48:19,040 --> 00:48:17,260

little bit confusing for some people now

1341

00:48:22,200 --> 00:48:19,050

you know was it a metaphor was it real

1342

00:48:24,180 --> 00:48:22,210

well the initiation was both it was the

1343

00:48:25,740 --> 00:48:24,190

concept came first this is what you're

1344

00:48:28,800 --> 00:48:25,750

supposed to be doing is supposed to be

1345

00:48:31,140 --> 00:48:28,810

mirroring the regenerative cycle of

1346

00:48:33,060 --> 00:48:31,150

nature and hey you can do this also for

1347

00:48:35,250 --> 00:48:33,070

yourself you could regenerate yourself

1348

00:48:37,590 --> 00:48:35,260

you can go from being a dead person

1349

00:48:39,600 --> 00:48:37,600

someone who basically does not see the

1350

00:48:41,760 --> 00:48:39,610

big picture and you can basically give

1351

00:48:43,740 --> 00:48:41,770

yourself a rebirth a resurrection and

1352

00:48:45,930 --> 00:48:43,750

you can come back as a living being and

1353

00:48:47,790 --> 00:48:45,940

you go about living your life fully

1354

00:48:49,740 --> 00:48:47,800

aware so that's what a concept really

1355

00:48:52,410 --> 00:48:49,750

comes from and it's amazing that even

1356

00:48:53,700 --> 00:48:52,420

they have the concept of the man nailed

1357

00:48:54,570 --> 00:48:53,710

to a cross five hundred years before

1358

00:48:57,450 --> 00:48:54,580

Christ

1359

00:48:59,190 --> 00:48:57,460

yeah that is fascinating then you are

1360

00:49:01,110 --> 00:48:59,200

right about kind of Tibet and China

1361

00:49:03,270 --> 00:49:01,120

their relationship really does have

1362

00:49:05,010 --> 00:49:03,280

parallels to that same struggle in the

1363

00:49:07,800 --> 00:49:05,020

West and if we were going to talk more

1364

00:49:09,420 --> 00:49:07,810

about that loss of this tradition

1365

00:49:11,220 --> 00:49:09,430

because it seemed to be all over the

1366

00:49:13,890 --> 00:49:11,230

place and pretty well established in the

1367

00:49:16,440 --> 00:49:13,900

past can you take us back to that nexus

1368

00:49:18,060 --> 00:49:16,450

of this deception and how the Roman

1369

00:49:20,700 --> 00:49:18,070

Catholic Church pulled it off when so

1370

00:49:22,110 --> 00:49:20,710

many people saw such value and it seems

1371

00:49:25,520 --> 00:49:22,120

like a hell of a task to get the

1372

00:49:30,000 --> 00:49:27,540

and you know when John the Baptist

1373

00:49:32,070 --> 00:49:30,010

learned this for himself because I mean

1374

00:49:34,200 --> 00:49:32,080

he was taught within the spiritual

1375

00:49:36,180 --> 00:49:34,210

traditions of the Middle East he brought

1376

00:49:38,130 --> 00:49:36,190

this to Jerusalem and it

1377

00:49:39,870 --> 00:49:38,140

didn't cause a battered eyelid because

1378

00:49:41,309 --> 00:49:39,880

the local people said hey this is like

1379

00:49:43,440 --> 00:49:41,319

the old story that we're getting back

1380

00:49:45,300 --> 00:49:43,450

and we can practice this again because

1381

00:49:46,530 --> 00:49:45,310

the Romans had also outlawed it before

1382

00:49:48,420 --> 00:49:46,540

the Christians showed up and the

1383

00:49:50,309 --> 00:49:48,430

Catholic Church showed up and the idea

1384

00:49:52,620 --> 00:49:50,319

was that there was some a power vacuum

1385

00:49:54,960 --> 00:49:52,630

and it really comes back to the idea of

1386

00:49:57,180 --> 00:49:54,970

Agnes the earth and humanity and

1387

00:50:00,089 --> 00:49:57,190

civilization works in the psychical

1388

00:50:01,859 --> 00:50:00,099

motion in ages and these ages take about

1389

00:50:04,020 --> 00:50:01,869

four thousand three hundred twenty years

1390

00:50:06,059 --> 00:50:04,030

to complete we're at the end of one such

1391

00:50:08,490 --> 00:50:06,069

age right now you may have noticed and

1392

00:50:10,800 --> 00:50:08,500

things around the sort of change of Ages

1393

00:50:12,690 --> 00:50:10,810

begins to get a little bit scruffy

1394

00:50:15,440 --> 00:50:12,700

there's a lot of violence goes on

1395

00:50:17,550 --> 00:50:15,450

against these enteric religions a lot of

1396

00:50:20,010 --> 00:50:17,560

people who really understand a bigger

1397

00:50:22,790 --> 00:50:20,020

picture with regard to initiation and

1398

00:50:25,109 --> 00:50:22,800

shamanism get you know killed or

1399

00:50:26,940 --> 00:50:25,119

physically nailed to a cross I mean that

1400

00:50:30,210 --> 00:50:26,950

was an actual sort of Roman form of

1401
00:50:32,400 --> 00:50:30,220
torture and so within this power vacuum

1402
00:50:34,680 --> 00:50:32,410
another time when the Romans show up and

1403
00:50:37,440 --> 00:50:34,690
also the Persians begin to decimate the

1404
00:50:38,790 --> 00:50:37,450
Near East this idea that people could

1405
00:50:41,430 --> 00:50:38,800
actually empower themselves to

1406
00:50:43,760 --> 00:50:41,440
understand who they are as a soul and go

1407
00:50:46,410 --> 00:50:43,770
about aware and awake through life

1408
00:50:47,670 --> 00:50:46,420
without any fear of death and they

1409
00:50:50,220 --> 00:50:47,680
actually wrote about this they actually

1410
00:50:52,290 --> 00:50:50,230
had no fear of death after that actually

1411
00:50:53,790 --> 00:50:52,300
gone for the initiation because they

1412
00:50:55,920 --> 00:50:53,800
felt that they were liberated they

1413
00:50:58,050 --> 00:50:55,930

understood that flashes just flash and

1414

00:50:59,940 --> 00:50:58,060

in if someone kills you well I'm going

1415

00:51:01,589 --> 00:50:59,950

to go and live in the room next door in

1416

00:51:03,960 --> 00:51:01,599

another level of reality it's no big

1417

00:51:06,750 --> 00:51:03,970

deal they were totally you know unafraid

1418

00:51:08,790 --> 00:51:06,760

so for the Romans and the Persians and

1419

00:51:10,859 --> 00:51:08,800

all the other little fascists that were

1420

00:51:12,569 --> 00:51:10,869

going around at the time they couldn't

1421

00:51:15,839 --> 00:51:12,579

handle this because this is the time of

1422

00:51:18,270 --> 00:51:15,849

Caesars and ingrained power you can't

1423

00:51:20,370 --> 00:51:18,280

have people thinking for themselves so

1424

00:51:22,200 --> 00:51:20,380

of course the ultimate thing that came

1425

00:51:24,059 --> 00:51:22,210

from the collapse of the Roman Empire

1426

00:51:26,220 --> 00:51:24,069

was the Catholic Church I mean the

1427

00:51:28,620 --> 00:51:26,230

Empire and the cheerful one the same

1428

00:51:31,589 --> 00:51:28,630

thing they also couldn't handle the idea

1429

00:51:34,940 --> 00:51:31,599

as a bunch of guys that the women would

1430

00:51:37,890 --> 00:51:34,950

have the most highest important level of

1431

00:51:39,569 --> 00:51:37,900

position within the temple and they

1432

00:51:42,540 --> 00:51:39,579

thought no no no no this whole thing has

1433

00:51:44,069 --> 00:51:42,550

to be a patriarchal thing and we're in

1434

00:51:46,589 --> 00:51:44,079

charge we're going to be your

1435

00:51:48,960 --> 00:51:46,599

intermediary with God you can't say that

1436

00:51:50,160 --> 00:51:48,970

you can contact God yourself you have to

1437

00:51:52,080 --> 00:51:50,170

come through us because we need

1438

00:51:54,390 --> 00:51:52,090

job and a paycheck and it's literally

1439

00:51:57,180 --> 00:51:54,400

that crass it's really that simple

1440

00:52:00,330 --> 00:51:57,190

nothing more heinous than that and

1441

00:52:02,820 --> 00:52:00,340

they're basically were hounding Emperor

1442

00:52:05,790 --> 00:52:02,830

Constantine who was a worshipper of this

1443

00:52:08,070 --> 00:52:05,800

god man called Mithra which say a

1444

00:52:11,430 --> 00:52:08,080

tradition which I have now found goes

1445

00:52:14,190 --> 00:52:11,440

back to India in 6000 BC and here's the

1446

00:52:17,430 --> 00:52:14,200

story this God man Mithra is born to a

1447

00:52:19,290 --> 00:52:17,440

virgin in a cave his birth is held by

1448

00:52:22,050 --> 00:52:19,300

shepherds and guardian angels and his

1449

00:52:24,420 --> 00:52:22,060

father comes over the cave he goes away

1450

00:52:26,970 --> 00:52:24,430

on their walkabout to the sacred

1451

00:52:29,130 --> 00:52:26,980

mountains for forty days has an

1452

00:52:29,820 --> 00:52:29,140

incredible enlightened vision of how

1453

00:52:31,830 --> 00:52:29,830

things really are

1454

00:52:33,750 --> 00:52:31,840

comes back to teacher religion to the

1455

00:52:36,240 --> 00:52:33,760

masses then he gets nailed to a cross

1456

00:52:38,340 --> 00:52:36,250

puts in a sarcophagus gets up three days

1457

00:52:40,290 --> 00:52:38,350

later he's declared risen from the dead

1458

00:52:43,320 --> 00:52:40,300

the church thought that this is a pretty

1459

00:52:45,030 --> 00:52:43,330

interesting story and so the constant

1460

00:52:47,340 --> 00:52:45,040

plan because he was worshipping Mithra

1461

00:52:48,750 --> 00:52:47,350

and they handed him so much to the point

1462

00:52:50,730 --> 00:52:48,760

where he finally just gave up and said

1463

00:52:53,010 --> 00:52:50,740

look you know I'm getting a little old

1464

00:52:55,890 --> 00:52:53,020

I'm getting final as harassment I'm just

1465

00:52:57,810 --> 00:52:55,900

going to take Mithra remove that name

1466

00:52:59,490 --> 00:52:57,820

and I'm going to put the word Jesus in

1467

00:53:02,850 --> 00:52:59,500

the story and you look at the story of

1468

00:53:04,920 --> 00:53:02,860

Mithra and Jesus and it's exactly the

1469

00:53:07,560 --> 00:53:04,930

same story and that's how I basically

1470

00:53:09,180 --> 00:53:07,570

fooled everybody because the church and

1471

00:53:11,700 --> 00:53:09,190

all the powers that be at the time had

1472

00:53:13,170 --> 00:53:11,710

basically massacred anybody that was an

1473

00:53:15,420 --> 00:53:13,180

intellectual so there's a lot of

1474

00:53:17,370 --> 00:53:15,430

illiteracy there was known to challenge

1475

00:53:19,770 --> 00:53:17,380

this role unless you're actually hiding

1476

00:53:21,600 --> 00:53:19,780

away in some places like Alexandria and

1477

00:53:23,040 --> 00:53:21,610

this is why the library gets burned in

1478

00:53:25,830 --> 00:53:23,050

Alexandria because you got all these

1479

00:53:28,920 --> 00:53:25,840

dangerous liberals intellectuals who can

1480

00:53:30,840 --> 00:53:28,930

spill the beans so again nothing new to

1481

00:53:33,060 --> 00:53:30,850

what we're experiencing today you always

1482

00:53:36,350 --> 00:53:33,070

go after the power source which is the

1483

00:53:39,210 --> 00:53:36,360

intellect anybody who can undo the

1484

00:53:41,940 --> 00:53:39,220

nonsense that you're coming up with is

1485

00:53:43,740 --> 00:53:41,950

dangerous to the elite so we're really

1486

00:53:45,480 --> 00:53:43,750

reliving this thing again and again but

1487

00:53:48,120 --> 00:53:45,490

that's pretty much how the story of

1488

00:53:50,340 --> 00:53:48,130

Jesus the martyr comes into play now the

1489

00:53:52,410 --> 00:53:50,350

story is that Jesus is a real person

1490

00:53:54,870 --> 00:53:52,420

he was an initiate of the mysteries and

1491

00:53:56,760 --> 00:53:54,880

when you understand the language of the

1492

00:53:59,760 --> 00:53:56,770

mystery schools and how he was naturally

1493

00:54:02,040 --> 00:53:59,770

initiate you read the Bible again with

1494

00:54:03,640 --> 00:54:02,050

this in mind and suddenly a lot of stuff

1495

00:54:05,890 --> 00:54:03,650

that makes no sense makes

1496

00:54:07,660 --> 00:54:05,900

a lot of sense because he was speaking

1497

00:54:09,370 --> 00:54:07,670

as an initiate that's why the Bible

1498

00:54:11,500 --> 00:54:09,380

doesn't make any sense when they

1499

00:54:14,560 --> 00:54:11,510

describe me as the Son of God that

1500

00:54:17,160 --> 00:54:14,570

actually gives away his highest level of

1501

00:54:20,020 --> 00:54:17,170

initiation and here's how it works you

1502

00:54:23,050 --> 00:54:20,030

went in into the mysteries tradition as

1503

00:54:25,750 --> 00:54:23,060

a disciple and you entered the school as

1504

00:54:27,880 --> 00:54:25,760

a son of a woman when you graduated from

1505

00:54:30,850 --> 00:54:27,890

your first year you would declare a son

1506

00:54:32,140 --> 00:54:30,860

of a man if you're able to proceed to

1507

00:54:34,240 --> 00:54:32,150

the next level of in the earth

1508

00:54:36,940 --> 00:54:34,250

initiation you'd be declared a son of

1509

00:54:38,890 --> 00:54:36,950

the gods and if you did proceed with the

1510

00:54:41,530 --> 00:54:38,900

final out-of-body experience and you

1511

00:54:43,330 --> 00:54:41,540

came back alive and Muslim did as far as

1512

00:54:45,910 --> 00:54:43,340

I'm aware and you were risen from the

1513

00:54:48,880 --> 00:54:45,920

dead you were declared a son of God

1514

00:54:50,650 --> 00:54:48,890

because you were as a god that's what it

1515

00:54:52,810 --> 00:54:50,660

means it doesn't mean that you are the

1516

00:54:55,000 --> 00:54:52,820

only person is a son of God because

1517

00:54:58,090 --> 00:54:55,010

surprise surprise we all are sons and

1518

00:55:00,130 --> 00:54:58,100

daughters of God God is us it's not some

1519

00:55:02,770 --> 00:55:00,140

person with a big beard up there it's

1520

00:55:04,960 --> 00:55:02,780

within us so just by saying that in the

1521

00:55:06,640 --> 00:55:04,970

Bible Jesus gives away his highest level

1522

00:55:09,460 --> 00:55:06,650

of initiation but you head into the

1523

00:55:11,410 --> 00:55:09,470

language in order to understand it hmm

1524

00:55:13,030 --> 00:55:11,420

and it does make sense you know you have

1525

00:55:15,700 --> 00:55:13,040

a lot of examples in the book where you

1526

00:55:18,250 --> 00:55:15,710

point out that restored context and does

1527

00:55:21,010 --> 00:55:18,260

add clarity and I get the desire for

1528

00:55:22,690 --> 00:55:21,020

power and control but man if they just

1529

00:55:24,610 --> 00:55:22,700

would have had the experience how would

1530

00:55:26,560 --> 00:55:24,620

they not just get on board like what was

1531

00:55:28,450 --> 00:55:26,570

the stick up the Romans asses that have

1532

00:55:30,790 --> 00:55:28,460

them destroying that stuff rather than

1533

00:55:32,820 --> 00:55:30,800

just adopting it and experiencing it

1534

00:55:35,740 --> 00:55:32,830

like the Egyptians or even the Greeks

1535

00:55:37,180 --> 00:55:35,750

well because the world in the bigger

1536

00:55:38,830 --> 00:55:37,190

picture of things and this is something

1537

00:55:40,540 --> 00:55:38,840

that's very deep in the mysteries

1538

00:55:42,820 --> 00:55:40,550

teachings you have to understand the

1539

00:55:44,920 --> 00:55:42,830

bigger picture of cycles we are here

1540

00:55:46,930 --> 00:55:44,930

having an experience we have personal

1541

00:55:49,210 --> 00:55:46,940

experiences as a soul we will come here

1542

00:55:53,260 --> 00:55:49,220

to do an individual journey and that's

1543

00:55:55,030 --> 00:55:53,270

fine but in the bigger cog of things we

1544

00:55:56,860 --> 00:55:55,040

also are here to have a collective

1545

00:55:58,060 --> 00:55:56,870

experience and that's where it gets a

1546

00:56:00,190 --> 00:55:58,070

little bit more confusing for some

1547

00:56:01,990 --> 00:56:00,200

people once you understand this and

1548

00:56:04,510 --> 00:56:02,000

accept that life becomes very much

1549

00:56:07,510 --> 00:56:04,520

simpler because every four thousand or

1550

00:56:08,980 --> 00:56:07,520

so years we live out an experience and

1551

00:56:10,870 --> 00:56:08,990

the current experience the current

1552

00:56:13,630 --> 00:56:10,880

paradigm is about giving away our

1553

00:56:15,579 --> 00:56:13,640

personal power to the few to

1554

00:56:17,349 --> 00:56:15,589

understand what happens with that

1555

00:56:20,500 --> 00:56:17,359

experience and you can see where that

1556

00:56:22,450 --> 00:56:20,510

we've learnt this and we're living in

1557

00:56:25,089 --> 00:56:22,460

very dangerous times right now at Kaos

1558

00:56:27,009 --> 00:56:25,099

where we've as a culture understand that

1559

00:56:29,019 --> 00:56:27,019

oK we've understood a giving away our

1560

00:56:31,630 --> 00:56:29,029

power to feed people does not work very

1561

00:56:33,309 --> 00:56:31,640

well so let's try something else

1562

00:56:35,980 --> 00:56:33,319

this is why there's so much chaos around

1563

00:56:37,930 --> 00:56:35,990

right now we are subconsciously I'm

1564

00:56:40,299 --> 00:56:37,940

striving to achieve another level of

1565

00:56:42,279 --> 00:56:40,309

order and it will come because even

1566

00:56:44,740 --> 00:56:42,289

physics knows that you know in order to

1567

00:56:46,599 --> 00:56:44,750

go from one level of order to another

1568

00:56:48,730 --> 00:56:46,609

level of order you had to have chaos and

1569

00:56:50,319 --> 00:56:48,740

the greater the amount of chaos the

1570

00:56:52,420 --> 00:56:50,329

greater the potential jump to another

1571

00:56:55,029 --> 00:56:52,430

level of order and that's how the

1572

00:56:57,700 --> 00:56:55,039

universe really works this stuff keeps

1573

00:57:00,700 --> 00:56:57,710

happening again and again again so the

1574

00:57:03,490 --> 00:57:00,710

Romans the Catholic Church and also you

1575

00:57:05,650 --> 00:57:03,500

know people who are extremists take for

1576

00:57:07,720 --> 00:57:05,660

example the idea of Islam which is

1577

00:57:09,279 --> 00:57:07,730

actually a very beautiful face if you

1578

00:57:11,349 --> 00:57:09,289

just read it for what it is

1579

00:57:14,289 --> 00:57:11,359

you've got these extremists we're using

1580

00:57:16,960 --> 00:57:14,299

this for narrow political game they're

1581

00:57:18,609 --> 00:57:16,970

part of the actual puzzle we're not just

1582

00:57:20,109 --> 00:57:18,619

sort of playing out this experience

1583

00:57:21,339 --> 00:57:20,119

they're also waking people up but

1584

00:57:23,589 --> 00:57:21,349

violence doesn't work

1585

00:57:25,630 --> 00:57:23,599

miscommunication doesn't work like a

1586

00:57:28,990 --> 00:57:25,640

corporation doesn't work so in a way

1587

00:57:30,700 --> 00:57:29,000

these violent acts are also mirrors for

1588

00:57:32,109 --> 00:57:30,710

us to wake up and bring yourselves

1589

00:57:35,079 --> 00:57:32,119

together I'll give you a very good

1590

00:57:37,630 --> 00:57:35,089

example actually when the tsunami hit

1591

00:57:38,920 --> 00:57:37,640

Indonesia a few years ago all the

1592

00:57:39,970 --> 00:57:38,930

governments in the world said oh yes

1593

00:57:41,529 --> 00:57:39,980

we're going to donate billions of

1594

00:57:43,539 --> 00:57:41,539

dollars to the rebuilding and

1595

00:57:46,269 --> 00:57:43,549

humanitarian aid absolute nonsense

1596

00:57:47,859 --> 00:57:46,279

hardly anyone gave anything money most

1597

00:57:50,529 --> 00:57:47,869

of the money came from donations from

1598

00:57:52,809 --> 00:57:50,539

you and me to help local people and it

1599

00:57:55,390 --> 00:57:52,819

showed that under certain conditions in

1600

00:57:57,130 --> 00:57:55,400

the state of great crisis humans will

1601
00:57:58,839 --> 00:57:57,140
pull together and look after themselves

1602
00:58:01,120 --> 00:57:58,849
and I thought that was a wonderful way

1603
00:58:02,589 --> 00:58:01,130
of showing that you know we do have a

1604
00:58:05,170 --> 00:58:02,599
certain level of control but it does

1605
00:58:07,480 --> 00:58:05,180
sometimes does take a catastrophe to

1606
00:58:09,009 --> 00:58:07,490
bring out the best in us it's just part

1607
00:58:10,900 --> 00:58:09,019
of the human condition unfortunately

1608
00:58:12,970 --> 00:58:10,910
that sometimes people have to be shocked

1609
00:58:15,069 --> 00:58:12,980
into action and it's just the way things

1610
00:58:17,740 --> 00:58:15,079
are and the way things always will be

1611
00:58:20,079 --> 00:58:17,750
but things are in their correct place in

1612
00:58:22,329 --> 00:58:20,089
order for us to have this experience so

1613
00:58:23,950 --> 00:58:22,339

you know this is why I self help people

1614

00:58:26,259 --> 00:58:23,960

you know don't fret that you know we got

1615

00:58:27,510 --> 00:58:26,269

the wrong president and we got the all

1616

00:58:30,060 --> 00:58:27,520

of these violent acts around

1617

00:58:31,380 --> 00:58:30,070

world they're part of a big picture just

1618

00:58:33,540 --> 00:58:31,390

accept them for what they are

1619

00:58:35,580 --> 00:58:33,550

you know don't become like a robot and

1620

00:58:37,680 --> 00:58:35,590

don't feel empathy for people who get

1621

00:58:39,630 --> 00:58:37,690

caught in the crosshairs but at the same

1622

00:58:41,340 --> 00:58:39,640

time recognize that this is part of a

1623

00:58:43,500 --> 00:58:41,350

wake up call and there's a large

1624

00:58:45,480 --> 00:58:43,510

underground movement and it never gets

1625

00:58:48,270 --> 00:58:45,490

any attention and there's a lot more of

1626
00:58:50,520 --> 00:58:48,280
us than there are of them and sooner or

1627
00:58:52,650 --> 00:58:50,530
later and I'm pretty close now that the

1628
00:58:53,670 --> 00:58:52,660
switch is very close to being clicked so

1629
00:58:56,430 --> 00:58:53,680
they're I think people have had enough

1630
00:58:58,650 --> 00:58:56,440
and you can feel it so you know this is

1631
00:59:00,570 --> 00:58:58,660
what me what it means to understand the

1632
00:59:02,160 --> 00:59:00,580
mystery secrets and to play into this

1633
00:59:03,540 --> 00:59:02,170
knowledge and once you understand this

1634
00:59:05,760 --> 00:59:03,550
you can live your life with a certain

1635
00:59:07,590 --> 00:59:05,770
peace and be part of the bigger problems

1636
00:59:10,770 --> 00:59:07,600
of the chaotic world but you know be

1637
00:59:13,110 --> 00:59:10,780
able to rise above it yeah I think those

1638
00:59:15,810 --> 00:59:13,120

are great points and definitely a good

1639

00:59:17,790 --> 00:59:15,820

personal philosophy to live by but you

1640

00:59:19,950 --> 00:59:17,800

have done some great work man and you

1641

00:59:21,810 --> 00:59:19,960

really have gotten to the heart of I

1642

00:59:24,300 --> 00:59:21,820

think a major manipulation especially

1643

00:59:26,460 --> 00:59:24,310

with this living resurrection ritual I

1644

00:59:27,900 --> 00:59:26,470

got mad respect for you before we really

1645

00:59:29,670 --> 00:59:27,910

call it and remind the people where they

1646

00:59:31,170 --> 00:59:29,680

can find more your work your website

1647

00:59:32,910 --> 00:59:31,180

anything else you got going on that they

1648

00:59:35,300 --> 00:59:32,920

should know about don't like you have a

1649

00:59:38,040 --> 00:59:35,310

few days to spare well a few weeks

1650

00:59:40,080 --> 00:59:38,050

invisible temple comm has all kinds of

1651
00:59:43,170 --> 00:59:40,090
books and DVDs in there and all kinds of

1652
00:59:45,510 --> 00:59:43,180
articles so enjoy and if you like it

1653
00:59:45,960 --> 00:59:45,520
tell somebody else right on short and

1654
00:59:47,910 --> 00:59:45,970
sweet

1655
00:59:49,680 --> 00:59:47,920
awesome you are the man Freddy thanks

1656
00:59:52,890 --> 00:59:49,690
again and take care out there thanks

1657
00:59:55,500 --> 00:59:52,900
Greg hallelujah people and sweet Easter

1658
00:59:58,410 --> 00:59:55,510
to you Freddy Silva big hand to him

1659
01:00:00,330 --> 00:59:58,420
great job so glad I found his book when

1660
01:00:02,070 --> 01:00:00,340
I did and that it just so happened to

1661
01:00:04,590 --> 01:00:02,080
work out that this was released on

1662
01:00:06,900 --> 01:00:04,600
Easter a little extra prankster energy

1663
01:00:09,090 --> 01:00:06,910

for you and I think Freddy makes a great

1664

01:00:11,010 --> 01:00:09,100

case for this being the truth about the

1665

01:00:12,840 --> 01:00:11,020

Roman Catholic manipulation and the

1666

01:00:15,360 --> 01:00:12,850

twisted material the Bible was talking

1667

01:00:17,010 --> 01:00:15,370

about it also makes sense out of a lot

1668

01:00:18,930 --> 01:00:17,020

of what's said about Egyptian mystery

1669

01:00:21,090 --> 01:00:18,940

schools and all that and I can

1670

01:00:22,890 --> 01:00:21,100

completely see all the steps of warping

1671

01:00:24,960 --> 01:00:22,900

this romantic tradition where we used to

1672

01:00:27,270 --> 01:00:24,970

chant and take some mushroom caps and

1673

01:00:29,580 --> 01:00:27,280

drink some psychedelic brew and quote

1674

01:00:32,370 --> 01:00:29,590

unquote become one with God and they

1675

01:00:34,350 --> 01:00:32,380

said no no no this is Jesus he died for

1676
01:00:36,240 --> 01:00:34,360
your sins he was brutally murdered just

1677
01:00:38,460 --> 01:00:36,250
look at that cross and now we're going

1678
01:00:39,060 --> 01:00:38,470
to eat his body and drink his blood it's

1679
01:00:41,190 --> 01:00:39,070
cool

1680
01:00:43,080 --> 01:00:41,200
this isn't up at all

1681
01:00:44,880 --> 01:00:43,090
meanwhile they took away the useful

1682
01:00:46,620 --> 01:00:44,890
compounds for having a spiritual

1683
01:00:49,470 --> 01:00:46,630
experience and replace them with a

1684
01:00:52,230 --> 01:00:49,480
cracker and some cheap wine this is the

1685
01:00:54,060 --> 01:00:52,240
great sin folks oh I don't really know

1686
01:00:57,000 --> 01:00:54,070
but this is sort of the narrative I've

1687
01:00:59,460 --> 01:00:57,010
always had and enjoyed and Freddie has

1688
01:01:02,310 --> 01:00:59,470

really helped to fill in more space on

1689

01:01:04,290 --> 01:01:02,320

that map definitely I love the book and

1690

01:01:06,630 --> 01:01:04,300

had a blast talking to them and I hope

1691

01:01:08,280 --> 01:01:06,640

you take time in the Easter season to

1692

01:01:10,320 --> 01:01:08,290

Xiamen your way to enlightenment rather

1693

01:01:13,140 --> 01:01:10,330

than taking kids to see a guy in a bunny

1694

01:01:14,820 --> 01:01:13,150

suit or worse going to math because I

1695

01:01:16,800 --> 01:01:14,830

think we need to speed up our evolution

1696

01:01:18,930 --> 01:01:16,810

as best we can friends because these are

1697

01:01:21,660 --> 01:01:18,940

troubled times like our friend Gordon

1698

01:01:23,880 --> 01:01:21,670

White says in chaos protocols first step

1699

01:01:26,220 --> 01:01:23,890

you got to become invincible

1700

01:01:28,980 --> 01:01:26,230

so take risks and get comfortable with

1701

01:01:31,110 --> 01:01:28,990

the unknown and wild swings because the

1702

01:01:33,570 --> 01:01:31,120

pendulum has broken loose if you ask me

1703

01:01:36,000 --> 01:01:33,580

but again to back up Freddie's wider

1704

01:01:37,770 --> 01:01:36,010

perspective here if you dig there have

1705

01:01:39,420 --> 01:01:37,780

been quite a few researchers who have

1706

01:01:41,100 --> 01:01:39,430

dug deep into the scriptures and

1707

01:01:42,540 --> 01:01:41,110

Christian traditions and come to the

1708

01:01:44,430 --> 01:01:42,550

conclusion that it's all based on

1709

01:01:46,410 --> 01:01:44,440

psychedelics and tripping out at its

1710

01:01:48,210 --> 01:01:46,420

source a lot of the time these are

1711

01:01:49,680 --> 01:01:48,220

straight narrow religious scholars

1712

01:01:51,960 --> 01:01:49,690

because who else is really going to look

1713

01:01:53,610 --> 01:01:51,970

that deeply at this stuff and they say

1714

01:01:54,960 --> 01:01:53,620

wait a minute this is all about

1715

01:01:57,360 --> 01:01:54,970

something else entirely

1716

01:01:58,830 --> 01:01:57,370

John Michael Allegro who wrote sacred

1717

01:02:01,470 --> 01:01:58,840

mushroom in the cross is probably the

1718

01:02:03,300 --> 01:02:01,480

most famous example he said Santa's suit

1719

01:02:05,400 --> 01:02:03,310

is red and white because of the Amanita

1720

01:02:07,260 --> 01:02:05,410

muscaria mushroom this is why we hang

1721

01:02:09,600 --> 01:02:07,270

stockings to dry the mushroom on the

1722

01:02:11,820 --> 01:02:09,610

mantle this is why reindeer fly with

1723

01:02:13,740 --> 01:02:11,830

names like dancer and Prancer and

1724

01:02:15,390 --> 01:02:13,750

Blitzen because people are looking at

1725

01:02:17,370 --> 01:02:15,400

them and tripping out and if you look at

1726

01:02:19,500 --> 01:02:17,380

nature videos on YouTube you can see

1727

01:02:20,970 --> 01:02:19,510

that reindeer actually eat this mushroom

1728

01:02:22,860 --> 01:02:20,980

so that's what people are seen and how

1729

01:02:25,170 --> 01:02:22,870

the story got started it's all based on

1730

01:02:27,270 --> 01:02:25,180

the mushroom experience apparently and

1731

01:02:30,000 --> 01:02:27,280

who is Santa himself that a person who

1732

01:02:32,070 --> 01:02:30,010

comes from the north pole or the hole in

1733

01:02:34,410 --> 01:02:32,080

the in earth and brings gifts or

1734

01:02:36,210 --> 01:02:34,420

supplies to the people of the northern

1735

01:02:37,080 --> 01:02:36,220

regions where it's most cold when they

1736

01:02:39,390 --> 01:02:37,090

need them most

1737

01:02:41,460 --> 01:02:39,400

I just love this sort of stuff these

1738

01:02:43,290 --> 01:02:41,470

types of interpretations of why things

1739

01:02:46,380 --> 01:02:43,300

are the way they are what are the roots

1740

01:02:48,240 --> 01:02:46,390

of these traditions and holidays Easter

1741

01:02:50,670 --> 01:02:48,250

of course is a big one it's multifaceted

1742

01:02:53,040 --> 01:02:50,680

just like Christmas I'm sure but I think

1743

01:02:54,779 --> 01:02:53,050

this lost art of resurrection the outer

1744

01:02:57,539 --> 01:02:54,789

body experience and his gourd

1745

01:03:00,120 --> 01:02:57,549

says becoming invincible might be a big

1746

01:03:02,009 --> 01:03:00,130

part of it and it's a message that at

1747

01:03:04,229 --> 01:03:02,019

least would be one of the most valuable

1748

01:03:07,049 --> 01:03:04,239

useful interpretations for listeners

1749

01:03:08,819 --> 01:03:07,059

today looking at the rocky road ahead so

1750

01:03:10,739 --> 01:03:08,829

if you've yet to support the plus show

1751

01:03:13,229 --> 01:03:10,749

you are really missing out on twice as

1752

01:03:15,089 --> 01:03:13,239

much conversation every week you'll love

1753

01:03:17,370 --> 01:03:15,099

it so much more and this week we talked

1754

01:03:19,380 --> 01:03:17,380

about the story of Jesus the initiate in

1755

01:03:22,049 --> 01:03:19,390

those missing years some of the

1756

01:03:24,449 --> 01:03:22,059

forbidden or excluded Gospels and the

1757

01:03:27,599 --> 01:03:24,459

NAG Hammadi texts and some of the exotic

1758

01:03:29,939 --> 01:03:27,609

things they say how the Morningstar term

1759

01:03:32,729 --> 01:03:29,949

originated with this living resurrection

1760

01:03:34,679 --> 01:03:32,739

ritual and the amou rumor ooh portal

1761

01:03:36,809 --> 01:03:34,689

near Lake Titicaca I'm sure I'm

1762

01:03:39,209 --> 01:03:36,819

butchering that but that is interesting

1763

01:03:42,539 --> 01:03:39,219

we also got into the ball courts of the

1764

01:03:44,669 --> 01:03:42,549

Olmec and the Maya and correcting the

1765

01:03:46,289 --> 01:03:44,679

played with severed heads narrative and

1766

01:03:48,689 --> 01:03:46,299

actually describing their true purpose

1767

01:03:51,269 --> 01:03:48,699

which was mimicking the game of the gods

1768

01:03:52,859 --> 01:03:51,279

we talked about the Celts and sites like

1769

01:03:55,559 --> 01:03:52,869

Newgrange in this tradition in their

1770

01:03:56,870 --> 01:03:55,569

culture how funny that Newgrange is in

1771

01:03:59,999 --> 01:03:56,880

the book when I just got back from

1772

01:04:02,699 --> 01:04:00,009

Ireland and actually saw it firsthand a

1773

01:04:04,529 --> 01:04:02,709

little bit of synchronicity there and we

1774

01:04:06,359 --> 01:04:04,539

also talked about the Templars and how

1775

01:04:09,089 --> 01:04:06,369

the secret traditions got to them and

1776

01:04:11,189 --> 01:04:09,099

how Freddy looks at them as opposed to

1777

01:04:12,989 --> 01:04:11,199

some other researchers we've talked to I

1778

01:04:15,299 --> 01:04:12,999

also added a link in the show notes

1779

01:04:17,370 --> 01:04:15,309

about that Wrigley Museum on Catalina

1780

01:04:19,529 --> 01:04:17,380

Island of giant bones that were actually

1781

01:04:21,209 --> 01:04:19,539

used in the construction the article

1782

01:04:23,339 --> 01:04:21,219

puts a different spin on it and says

1783

01:04:25,399 --> 01:04:23,349

that the Wrigley family is who helped to

1784

01:04:27,779 --> 01:04:25,409

break it all down and ship off these

1785

01:04:30,059 --> 01:04:27,789

Native American bones to all their

1786

01:04:32,339 --> 01:04:30,069

proper places for study and research and

1787

01:04:34,439 --> 01:04:32,349

all that and sure an elite family

1788

01:04:37,289 --> 01:04:34,449

contributing to the removal of this kind

1789

01:04:39,870 --> 01:04:37,299

of thing spawn is an altruistic morally

1790

01:04:41,880 --> 01:04:39,880

upstanding mission yeah that does make

1791

01:04:43,890 --> 01:04:41,890

more sense but there was definitely

1792

01:04:46,079 --> 01:04:43,900

something strange in that neighborhood I

1793

01:04:48,899 --> 01:04:46,089

also put out a video you'll find on

1794

01:04:50,880 --> 01:04:48,909

YouTube or Facebook or Twitter of me and

1795

01:04:52,890 --> 01:04:50,890

Mark Devlin going around Laurel Canyon

1796

01:04:55,709 --> 01:04:52,900

touring some of the serious hotspots

1797

01:04:57,659 --> 01:04:55,719

talked about in Dave McGowan's book we

1798

01:04:58,919 --> 01:04:57,669

didn't get close to a lot of things but

1799

01:05:01,289 --> 01:04:58,929

it is kind of informative mark

1800

01:05:03,599 --> 01:05:01,299

definitely breaks it down for you and it

1801

01:05:07,469 --> 01:05:03,609

might be a little bit of icing on the

1802

01:05:08,460 --> 01:05:07,479

THC cake this week check it out so there

1803

01:05:10,620 --> 01:05:08,470

it is

1804

01:05:13,740 --> 01:05:10,630

religion stuff isn't usually in my bag

1805

01:05:15,980 --> 01:05:13,750

but getting to a source that I think is

1806

01:05:18,780 --> 01:05:15,990

more useful to people is interesting

1807

01:05:22,170 --> 01:05:18,790

can't deny it's that time of year I like

1808

01:05:25,050 --> 01:05:22,180

the added provocative nosov beliefs in

1809

01:05:28,500 --> 01:05:25,060

it today but it's all in good fun I hope

1810

01:05:29,880 --> 01:05:28,510

nobody is so attached to those aspects

1811

01:05:32,160 --> 01:05:29,890

in their life that they can't look at

1812

01:05:34,560 --> 01:05:32,170

them a different way but either way I

1813

01:05:36,330 --> 01:05:34,570

love you guys got some great shows

1814

01:05:38,070 --> 01:05:36,340

coming for the rest of the month but

1815

01:05:38,580 --> 01:05:38,080

that's all for me today I've done my

1816

01:05:41,070 --> 01:05:38,590

part

1817

01:05:43,020 --> 01:05:41,080

your move shaman suppressor spirituality

1818

01:05:51,060 --> 01:05:43,030

staplers and consciousness controllers

1819

01:05:58,460 --> 01:05:51,070

you're sweet really work on mouth

1820

01:06:02,160 --> 01:05:58,470

on me or covering everything you see

1821

01:06:11,170 --> 01:06:02,170

everybody's looking for something some

1822

01:06:19,300 --> 01:06:15,960

to abuse you some of them want to be

1823

01:06:29,190 --> 01:06:24,850

[Music]

1824

01:06:41,310 --> 01:06:31,210

we

1825

01:06:41,320 --> 01:06:45,900

everybody damn

1826
01:06:45,910 --> 01:06:58,000

[Music]

1827
01:06:58,010 --> 01:07:07,080

be

1828
01:07:07,090 --> 01:07:19,840

[Music]

1829
01:07:25,250 --> 01:07:22,520
as you mop up the remnants of your

1830
01:07:27,500 --> 01:07:25,260
melted mind consider this the high

1831
01:07:31,640 --> 01:07:27,510
quality commercial free show you just

1832
01:07:33,410 --> 01:07:31,650
enjoyed is what we call THC free but you

1833
01:07:35,630 --> 01:07:33,420
can spend twice as much time with Greg

1834
01:07:37,250 --> 01:07:35,640
Carl wood and all his great guests by

1835
01:07:40,580 --> 01:07:37,260
becoming a member of the higher side

1836
01:07:43,580 --> 01:07:40,590
chats elite for just \$5 and you'll get

1837
01:07:46,070 --> 01:07:43,590
the 5 extended to hour episodes that

1838
01:07:48,890 --> 01:07:46,080

come out each month because an honest

1839

01:07:51,440 --> 01:07:48,900

open-minded an uncensored exploration

1840

01:07:53,630 --> 01:07:51,450

into the fringe will never be brought to

1841

01:07:55,760 --> 01:07:53,640

you by your corporate overlords but

1842

01:07:58,340 --> 01:07:55,770

rather must be funded by the loyal

1843

01:08:00,770 --> 01:07:58,350

listeners willing to take that ride so

1844

01:08:03,470 --> 01:08:00,780

join at the higher side chats plus calm

1845

01:08:06,560 --> 01:08:03,480

and on top of twice as much show get

1846

01:08:09,200 --> 01:08:06,570

your own easy-to-use RSS feed URL for

1847

01:08:11,510 --> 01:08:09,210

convenient listening on any device the

1848

01:08:13,310 --> 01:08:11,520

just guests on your member profile call

1849

01:08:15,740 --> 01:08:13,320

through the archives of all the ones you

1850

01:08:19,160 --> 01:08:15,750

missed and continues a conversation even

1851

01:08:21,200 --> 01:08:19,170

further on the new THC Plus forum where

1852

01:08:23,060 --> 01:08:21,210

you can scratch that higher side H in

1853

01:08:25,220 --> 01:08:23,070

between shows with the rest of us and

1854

01:08:27,200 --> 01:08:25,230

hold your head up high knowing that your

1855

01:08:29,570 --> 01:08:27,210

subscription supports a show you love

1856

01:08:31,790 --> 01:08:29,580

produces the free version for everyone

1857

01:08:33,770 --> 01:08:31,800

else and stands as a small act of

1858

01:08:35,930 --> 01:08:33,780

rebellion against those nefarious puppet

1859

01:08:36,650 --> 01:08:35,940

masters of the power pyramid treat

1860

01:08:39,249 --> 01:08:36,660

yourself
