

MASSIMO MAZZUCCO

MARIJUANA, MOON LANDINGS, & THE CANCER CONSPIRACY

PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT THEHIGHERSIDECHATS.COM

LISTEN TO THE EXTENDED SHOW AT THEHIGHERSIDECHATSPLUS.COM

1
00:00:10,970 --> 00:00:07,430
the planet surfing masters almost surely

2
00:00:13,749 --> 00:00:10,980
have a plan this clearly maybe something

3
00:00:18,290 --> 00:00:13,759
there beyond the realm of man headaches

4
00:00:20,510 --> 00:00:18,300
270 tempted every lap goes just in time

5
00:00:22,010 --> 00:00:20,520
the more you think you know the less you

6
00:00:31,980 --> 00:00:22,020
really do

7
00:00:37,209 --> 00:00:31,990
that's true don't know

8
00:00:43,000 --> 00:00:39,440
the highest tide

9
00:00:48,080 --> 00:00:46,250
all right higher side Cheddar's we

10
00:00:50,210 --> 00:00:48,090
assess the situation across many

11
00:00:52,549 --> 00:00:50,220
different seemingly separate subjects

12
00:00:53,990 --> 00:00:52,559
and areas of interest we realize much of

13
00:00:56,299 --> 00:00:54,000

what's there is not the result of the

14

00:00:58,670 --> 00:00:56,309

best research the purest motivations are

15

00:01:00,259 --> 00:00:58,680

even randomness to say the least no

16

00:01:02,479 --> 00:01:00,269

ladies and gentlemen unfortunately it

17

00:01:04,490 --> 00:01:02,489

seems a carefully crafted tapestry of

18

00:01:06,380 --> 00:01:04,500

propaganda has turned everything into a

19

00:01:08,060 --> 00:01:06,390

funnel to keep the fund flowing up to

20

00:01:09,800 --> 00:01:08,070

the shadowy cabal the capstone to the

21

00:01:12,140 --> 00:01:09,810

precious power pyramid and keep the

22

00:01:13,160 --> 00:01:12,150

people and ignorant servitude because

23

00:01:15,650 --> 00:01:13,170

whether we're talking about education

24

00:01:18,350 --> 00:01:15,660

the medical field the energy industry

25

00:01:21,170 --> 00:01:18,360

the space program regulatory agencies

26

00:01:23,350 --> 00:01:21,180

UFOs geopolitics or even world events

27

00:01:25,490 --> 00:01:23,360

the results seem to be largely the same

28

00:01:28,010 --> 00:01:25,500

well we're not alone in our realization

29

00:01:29,749 --> 00:01:28,020

because today's guest Massimo Mizzou Co

30

00:01:31,669 --> 00:01:29,759

is an award-winning Italian filmmaker

31

00:01:33,440 --> 00:01:31,679

who's been through an awakening of his

32

00:01:35,660 --> 00:01:33,450

own and after finding success making

33

00:01:37,370 --> 00:01:35,670

commercial films he decided to switch

34

00:01:38,810 --> 00:01:37,380

gears and use his talents to tell the

35

00:01:40,580 --> 00:01:38,820

tales they'd rather he not with

36

00:01:42,940 --> 00:01:40,590

documentaries like the new American

37

00:01:46,219 --> 00:01:42,950

Century the true history of marijuana

38

00:01:48,080 --> 00:01:46,229

cancer the forbidden cures global deceit

39

00:01:50,450 --> 00:01:48,090

which was the first Italian documentary

40

00:01:52,969 --> 00:01:50,460

on the truth about 9/11 and September

41

00:01:54,710 --> 00:01:52,979

11th the new Pearl Harbor a five hour

42

00:01:56,450 --> 00:01:54,720

plus film that looks to make the

43

00:01:58,429 --> 00:01:56,460

definitive case on 9/11 and

44

00:02:01,280 --> 00:01:58,439

point-by-point dismantle the paper-thin

45

00:02:03,289 --> 00:02:01,290

arguments made by so-called debunkers a

46

00:02:04,969 --> 00:02:03,299

man of the people a beacon of light in

47

00:02:07,100 --> 00:02:04,979

the darkness and an eight-millimeter

48

00:02:10,430 --> 00:02:07,110

magic maker Massimo welcome to the

49

00:02:12,860 --> 00:02:10,440

higher side hello Greg nice talks to you

50

00:02:14,449 --> 00:02:12,870

and tool your audience thank you thank

51
00:02:16,610 --> 00:02:14,459
you I'm so glad to have you here

52
00:02:18,650 --> 00:02:16,620
listener in our forms recommended I

53
00:02:20,360 --> 00:02:18,660
check out your film so I'm so glad I did

54
00:02:22,280 --> 00:02:20,370
because you've tackled a lot of

55
00:02:23,960 --> 00:02:22,290
seemingly separate subjects in your work

56
00:02:26,509 --> 00:02:23,970
but you seem to see a lot of the same

57
00:02:28,910 --> 00:02:26,519
patterns when it comes to why things are

58
00:02:31,720 --> 00:02:28,920
the way they are don't you absolutely

59
00:02:34,940 --> 00:02:31,730
the words seemingly is the key word here

60
00:02:38,030 --> 00:02:34,950
seemingly different you start off with

61
00:02:39,590 --> 00:02:38,040
one and then once you get to the second

62
00:02:42,560 --> 00:02:39,600
issue which whichever it is it can be

63
00:02:47,300 --> 00:02:42,570

the Kennedy assassination the UFO truth

64

00:02:49,340 --> 00:02:47,310

the 9/11 problem the marijuana problem

65

00:02:51,830 --> 00:02:49,350

the cancer the forbidden cures problem

66

00:02:53,960 --> 00:02:51,840

even as soon as you get to the second

67

00:02:54,550 --> 00:02:53,970

one of them you realize that there is a

68

00:03:00,100 --> 00:02:54,560

connection

69

00:03:02,230 --> 00:03:00,110

lines this is why I actually call my my

70

00:03:04,960 --> 00:03:02,240

the code the collection of my DVDs is

71

00:03:06,610 --> 00:03:04,970

called the great lives of history hmm

72

00:03:09,600 --> 00:03:06,620

because they're all different but they

73

00:03:12,010 --> 00:03:09,610

all fall under this umbrella name and

74

00:03:13,960 --> 00:03:12,020

you mentioned them I think you you

75

00:03:17,110 --> 00:03:13,970

skipped one which was you skipped two of

76

00:03:19,059 --> 00:03:17,120

them one was a the second Alice which

77

00:03:20,890 --> 00:03:19,069

was on the Robert Kennedy assassination

78

00:03:23,229 --> 00:03:20,900

right and the other one that you didn't

79

00:03:26,430 --> 00:03:23,239

mention is UFO and the military elite

80

00:03:29,710 --> 00:03:26,440

which is strangely not not a film about

81

00:03:31,509 --> 00:03:29,720

little green man that little green

82

00:03:33,670 --> 00:03:31,519

magnitude that the film talks about are

83

00:03:36,490 --> 00:03:33,680

the people in the Pentagon so it's

84

00:03:40,030 --> 00:03:36,500

really a film about how the military has

85

00:03:42,040 --> 00:03:40,040

been suppressing the information we have

86

00:03:44,380 --> 00:03:42,050

been having or receiving about UFOs

87

00:03:47,440 --> 00:03:44,390

since the 1950s so it really doesn't

88

00:03:49,990 --> 00:03:47,450

state that yes aliens do exist but it

89

00:03:52,270 --> 00:03:50,000

does state that a lot of things that

90

00:03:53,860 --> 00:03:52,280

have been kept from us and the only

91

00:03:55,210 --> 00:03:53,870

reason I can assume that they're being

92

00:03:57,400 --> 00:03:55,220

kept from us is because there's

93

00:04:02,370 --> 00:03:57,410

something to hide and that something can

94

00:04:04,930 --> 00:04:02,380

only be in my opinion alien life energy

95

00:04:06,759 --> 00:04:04,940

indeed my attache of my story very

96

00:04:09,340 --> 00:04:06,769

briefly you mentioned the global deceit

97

00:04:12,400 --> 00:04:09,350

that was actually the first DVD I made

98

00:04:14,229 --> 00:04:12,410

into in the first film I made in 2006

99

00:04:17,800 --> 00:04:14,239

was pretty much the equivalent of loose

100

00:04:20,949 --> 00:04:17,810

change in America I get the same for the

101
00:04:24,130 --> 00:04:20,959
Italian audience it simply shows and

102
00:04:26,500 --> 00:04:24,140
collects all the main criticism that we

103
00:04:29,890 --> 00:04:26,510
in the 9/11 truth movement have against

104
00:04:31,330 --> 00:04:29,900
the official version of 9/11 so the fact

105
00:04:33,310 --> 00:04:31,340
that now are very well known to

106
00:04:37,570 --> 00:04:33,320
everybody the fact that these people

107
00:04:39,730 --> 00:04:37,580
were world hijacking airplanes with box

108
00:04:41,230 --> 00:04:39,740
cutters and they're bad but there are no

109
00:04:43,960 --> 00:04:41,240
pictures of them at the airports and no

110
00:04:45,940 --> 00:04:43,970
names in the in the in the lists of

111
00:04:48,100 --> 00:04:45,950
passengers lists and all that the way

112
00:04:50,140 --> 00:04:48,110
the towers fell the the fact that the

113
00:04:52,480 --> 00:04:50,150

snow apparently the snow a friend at the

114

00:04:54,310 --> 00:04:52,490

Pentagon the fact that the hole in

115

00:04:56,830 --> 00:04:54,320

Shanksville does not contain a plane at

116

00:04:58,630 --> 00:04:56,840

all all this you know the major problems

117

00:05:01,450 --> 00:04:58,640

of the of the official version

118

00:05:04,210 --> 00:05:01,460

this film was was broadcast believe it

119

00:05:07,629 --> 00:05:04,220

or not in Italy on national television

120

00:05:10,570 --> 00:05:07,639

in 2006 by any buyer Berlin

121

00:05:12,369 --> 00:05:10,580

only channel so you could say the

122

00:05:15,279 --> 00:05:12,379

natural quiver length of fox but pretty

123

00:05:18,489 --> 00:05:15,289

much very conservative definitely not a

124

00:05:20,529 --> 00:05:18,499

liberal agenda and it created a big big

125

00:05:23,140 --> 00:05:20,539

big scandal of course because first time

126
00:05:24,939 --> 00:05:23,150
people in nature so the way the towers

127
00:05:26,290 --> 00:05:24,949
really collapse with with explosions on

128
00:05:27,489 --> 00:05:26,300
the site and the heard the testimony is

129
00:05:29,140 --> 00:05:27,499
about the people who are the explosions

130
00:05:32,170 --> 00:05:29,150
and it caused a big stir

131
00:05:34,510 --> 00:05:32,180
in fact the discussion in Italy on

132
00:05:37,450 --> 00:05:34,520
mainstream media went on about 911 for

133
00:05:39,249 --> 00:05:37,460
about a year after that and I have to

134
00:05:43,869 --> 00:05:39,259
say that up to this day I think it's the

135
00:05:46,629 --> 00:05:43,879
only Western country where the 911 issue

136
00:05:49,179 --> 00:05:46,639
has been thoroughly discussed at the

137
00:05:50,709 --> 00:05:49,189
level of mainstream media that doesn't

138
00:05:52,869 --> 00:05:50,719

mean of course that everybody now in

139

00:05:55,869 --> 00:05:52,879

Italy believes that 9/11 was an inside

140

00:05:56,920 --> 00:05:55,879

job but at least the issue at the fact

141

00:05:58,570 --> 00:05:56,930

that there is a problem with the

142

00:06:00,969 --> 00:05:58,580

official version has been exposed and

143

00:06:02,230 --> 00:06:00,979

has been thoroughly analyzed and in

144

00:06:05,290 --> 00:06:02,240

mainstream media of course the way they

145

00:06:06,989 --> 00:06:05,300

do it it's always a little tilted so

146

00:06:09,730 --> 00:06:06,999

it's always like you know have a little

147

00:06:11,170 --> 00:06:09,740

accent towards you are your conspiracy

148

00:06:12,850 --> 00:06:11,180

theories and all that but actually let

149

00:06:15,219 --> 00:06:12,860

you speak and I had my chances to speak

150

00:06:18,459 --> 00:06:15,229

on Italian television and that really

151
00:06:21,040 --> 00:06:18,469
opened up a whole new whole Pandora's

152
00:06:22,990 --> 00:06:21,050
box for me after that I started getting

153
00:06:24,760 --> 00:06:23,000
interested in because of a friend of

154
00:06:27,100 --> 00:06:24,770
mine I started getting interested in

155
00:06:30,010 --> 00:06:27,110
alternative cures for cancer and I found

156
00:06:32,230 --> 00:06:30,020
out that in the last 100 years there has

157
00:06:36,070 --> 00:06:32,240
been at least 10 if not more

158
00:06:38,709 --> 00:06:36,080
apparently valid alternative cures for

159
00:06:42,029 --> 00:06:38,719
cancer based on natural products which

160
00:06:45,579 --> 00:06:42,039
had either been dismissed or ignored or

161
00:06:46,809 --> 00:06:45,589
distorted lied on meaning they tell you

162
00:06:49,659 --> 00:06:46,819
that they don't work white when they

163
00:06:52,749 --> 00:06:49,669

know that they do work and so I made

164

00:06:55,540 --> 00:06:52,759

this this compilation of alternative

165

00:06:57,369 --> 00:06:55,550

methods I don't suggest anyone in

166

00:07:00,399 --> 00:06:57,379

particular I'm not a doctor so in my

167

00:07:03,459 --> 00:07:00,409

thermos it's very very clearly

168

00:07:05,679 --> 00:07:03,469

disclaimed that I only do this as an

169

00:07:08,320 --> 00:07:05,689

historical from a historical point of

170

00:07:09,639 --> 00:07:08,330

view but there are once used again you

171

00:07:11,499 --> 00:07:09,649

know once you start seeing all these

172

00:07:13,600 --> 00:07:11,509

cures that ever have emerged

173

00:07:16,809 --> 00:07:13,610

apparently valid with a lot a lot a lot

174

00:07:19,689 --> 00:07:16,819

of testimonies from people that they say

175

00:07:21,519 --> 00:07:19,699

they were cure with for example with the

176

00:07:24,339 --> 00:07:21,529

SE Act II which is a D made in

177

00:07:26,409 --> 00:07:24,349

nada or with the hoxsey treatment or

178

00:07:30,069 --> 00:07:26,419

with the Gerson Therapy or with the

179

00:07:32,439 --> 00:07:30,079

shark cartilage or with the vitamin b17

180

00:07:34,659 --> 00:07:32,449

vitamin and all that once you see the

181

00:07:38,709 --> 00:07:34,669

pattern again and every time you have

182

00:07:40,809 --> 00:07:38,719

this possibility of curing cancer you

183

00:07:43,629 --> 00:07:40,819

find out that official medicine does not

184

00:07:45,819 --> 00:07:43,639

come in and actually have an inquiry on

185

00:07:47,289 --> 00:07:45,829

it and then see if it's possible to cure

186

00:07:49,209 --> 00:07:47,299

it but if they suppress it they don't

187

00:07:51,729 --> 00:07:49,219

want to hear about it because you cannot

188

00:07:54,849 --> 00:07:51,739

make money out of a natural product you

189

00:07:57,759 --> 00:07:54,859

cannot patent vitamins for example in

190

00:08:00,099 --> 00:07:57,769

b12 baby 17 you cannot patent that so

191

00:08:01,689 --> 00:08:00,109

basically they did is that they cannot

192

00:08:04,299 --> 00:08:01,699

make money they disregard it they

193

00:08:06,399 --> 00:08:04,309

dismiss it and sometimes they even put

194

00:08:09,219 --> 00:08:06,409

people in jail they have in the past if

195

00:08:11,049 --> 00:08:09,229

there are two dangers in terms of or

196

00:08:14,409 --> 00:08:11,059

they force them to have their clinics

197

00:08:16,779 --> 00:08:14,419

outside the US for example Gershom whom

198

00:08:19,659 --> 00:08:16,789

I'm sure many of your listeners have

199

00:08:22,449 --> 00:08:19,669

heard of was forced to have his clinics

200

00:08:25,779 --> 00:08:22,459

only in Mexico he cannot operate he's

201
00:08:29,799 --> 00:08:25,789
dead now but his this is the son and

202
00:08:32,019 --> 00:08:29,809
daughter and grandson cannot operate in

203
00:08:34,209 --> 00:08:32,029
the United States it's forbidden the

204
00:08:36,399 --> 00:08:34,219
same as was done for Hoxie a guy who

205
00:08:38,559 --> 00:08:36,409
found the treatment herb of treatment

206
00:08:43,029 --> 00:08:38,569
for cancer back in the 50s low 40s and

207
00:08:45,579 --> 00:08:43,039
50s he this guy had up to 17 clinics in

208
00:08:49,269 --> 00:08:45,589
the 1950s people were coming in and were

209
00:08:51,220 --> 00:08:49,279
getting cured from cancer until the AMA

210
00:08:53,230 --> 00:08:51,230
the American Medical Association came in

211
00:08:55,960 --> 00:08:53,240
and they hadn't closed all the all the

212
00:08:57,939 --> 00:08:55,970
all the hospitals at once and they

213
00:09:00,549 --> 00:08:57,949

forced him to just open up in Mexico he

214

00:09:02,170 --> 00:09:00,559

cannot operate is that now but again his

215

00:09:05,110 --> 00:09:02,180

people cannot operate in the United

216

00:09:07,150 --> 00:09:05,120

States but so this was a common pattern

217

00:09:09,699 --> 00:09:07,160

when I saw that all the stories had the

218

00:09:11,590 --> 00:09:09,709

same pattern I realized that of course

219

00:09:15,280 --> 00:09:11,600

there must be some interested in really

220

00:09:18,460 --> 00:09:15,290

not curing cancer and that the real

221

00:09:22,179 --> 00:09:18,470

interest is of the so-called worldwide

222

00:09:24,879 --> 00:09:22,189

oncological system is to simply have the

223

00:09:27,040 --> 00:09:24,889

patients come in and force them to

224

00:09:29,400 --> 00:09:27,050

accept the only three available cures

225

00:09:32,679 --> 00:09:29,410

that they offer them which is surgery

226
00:09:34,509 --> 00:09:32,689
chemotherapy and radiotherapy and then

227
00:09:35,290 --> 00:09:34,519
until they live they make money out of

228
00:09:36,910 --> 00:09:35,300
them basically

229
00:09:39,310 --> 00:09:36,920
milk them like cows and when they die

230
00:09:41,680 --> 00:09:39,320
hopes coming in on that let's let let

231
00:09:43,810 --> 00:09:41,690
the next one come in they really do not

232
00:09:46,360 --> 00:09:43,820
have any interested in curing cancer the

233
00:09:48,940 --> 00:09:46,370
Machine the money-making machine that

234
00:09:50,829 --> 00:09:48,950
the cancer industry is does not allow

235
00:09:52,030 --> 00:09:50,839
them to find a cure for cancer even if

236
00:09:53,949 --> 00:09:52,040
they had one they would not tell you

237
00:09:56,710 --> 00:09:53,959
that was the conclusion I came to and

238
00:09:59,590 --> 00:09:56,720

that's why I made this term yeah man

239

00:10:01,509 --> 00:09:59,600

that is a pretty decent overview I mean

240

00:10:03,490 --> 00:10:01,519

you've made so many films the pattern of

241

00:10:05,680 --> 00:10:03,500

course like you said does seem to be

242

00:10:08,350 --> 00:10:05,690

fairly the same you know very parallel

243

00:10:10,569 --> 00:10:08,360

from one subject to another and you know

244

00:10:13,180 --> 00:10:10,579

seeing something like loose change on

245

00:10:15,340 --> 00:10:13,190

television seems pretty impossible over

246

00:10:17,259 --> 00:10:15,350

here yes were the Italian people a

247

00:10:21,190 --> 00:10:17,269

little more open to the idea of it being

248

00:10:25,240 --> 00:10:21,200

a false flag well in a way well think of

249

00:10:26,980 --> 00:10:25,250

this the tutu screen at the film on 9/11

250

00:10:29,500 --> 00:10:26,990

in the States would mean to have to

251

00:10:31,720 --> 00:10:29,510

basically admit that we did it to

252

00:10:35,170 --> 00:10:31,730

ourselves for a foreign country like

253

00:10:37,060 --> 00:10:35,180

Italy it is relatively easier to judge a

254

00:10:40,540 --> 00:10:37,070

foreign country like a met like the

255

00:10:41,920 --> 00:10:40,550

United States not that there are there

256

00:10:43,690 --> 00:10:41,930

are many lovers of the United States

257

00:10:46,030 --> 00:10:43,700

here in fact there was attacked as an

258

00:10:48,579 --> 00:10:46,040

anti-american here was the taxes an

259

00:10:49,900 --> 00:10:48,589

anti-democratic because a lot of people

260

00:10:53,500 --> 00:10:49,910

like the United States here of course

261

00:10:57,699 --> 00:10:53,510

but it is easier because it's not us you

262

00:11:00,910 --> 00:10:57,709

know talking about us in fact we have we

263

00:11:04,840 --> 00:11:00,920

have had a season of state-sponsored

264

00:11:07,690 --> 00:11:04,850

terrorism back in the 70s and 80s which

265

00:11:10,420 --> 00:11:07,700

was so intense that we have coined the

266

00:11:12,970 --> 00:11:10,430

term state-sponsored terrorism and it's

267

00:11:15,010 --> 00:11:12,980

actually used normally in mainstream

268

00:11:17,530 --> 00:11:15,020

conversation here Wow

269

00:11:20,160 --> 00:11:17,540

so we do accept we do accept the idea

270

00:11:23,019 --> 00:11:20,170

that state Punk's values sorry

271

00:11:25,060 --> 00:11:23,029

state-sponsored terrorism does exist and

272

00:11:27,100 --> 00:11:25,070

that you know this could be or could not

273

00:11:29,050 --> 00:11:27,110

be but at least the idea that this

274

00:11:32,530 --> 00:11:29,060

exists is accepted in the mainstream

275

00:11:34,000 --> 00:11:32,540

media and mainstream thinking so that

276

00:11:35,980 --> 00:11:34,010

helps a lot because you can always

277

00:11:38,050 --> 00:11:35,990

suggest that something is an inside job

278

00:11:40,240 --> 00:11:38,060

but you don't fall completely out of it

279

00:11:43,060 --> 00:11:40,250

thank you frame there is at least some

280

00:11:45,130 --> 00:11:43,070

precedent that we know for the United

281

00:11:47,410 --> 00:11:45,140

States is different we only had in the

282

00:11:48,940 --> 00:11:47,420

United States we've only had I say we

283

00:11:51,520 --> 00:11:48,950

because I'm also American I have the

284

00:11:53,110 --> 00:11:51,530

nationality so I can play you one

285

00:11:54,700 --> 00:11:53,120

whatever is more convenient for me when

286

00:11:59,440 --> 00:11:54,710

it's convenient a medallion completes

287

00:12:01,960 --> 00:11:59,450

convenient I'm America anyway in the

288

00:12:05,110 --> 00:12:01,970

United States there was only Oklahoma

289

00:12:09,820 --> 00:12:05,120

City and it was really the first time

290

00:12:12,130 --> 00:12:09,830

that terrorism hit home and that was put

291

00:12:14,740 --> 00:12:12,140

away with you know with with a guy from

292

00:12:16,990 --> 00:12:14,750

the from the right-wing groups this is

293

00:12:19,720 --> 00:12:17,000

the the right what he call in Christian

294

00:12:21,430 --> 00:12:19,730

Right military groups so that was put

295

00:12:23,680 --> 00:12:21,440

away of course I don't I'm not convinced

296

00:12:26,350 --> 00:12:23,690

it was that but there was the only one

297

00:12:30,160 --> 00:12:26,360

and for an American person average

298

00:12:32,470 --> 00:12:30,170

American to have to accept your own

299

00:12:35,470 --> 00:12:32,480

government no it does not is not

300

00:12:38,380 --> 00:12:35,480

actually there to protect you they don't

301
00:12:40,600 --> 00:12:38,390
care about you in fact and to have to

302
00:12:43,900 --> 00:12:40,610
come to that realization and to even

303
00:12:46,470 --> 00:12:43,910
consider that it could have killed 3,000

304
00:12:50,170 --> 00:12:46,480
of their own just to pursue their own

305
00:12:53,050 --> 00:12:50,180
geopolitical agenda in and Far Eastern

306
00:12:56,110 --> 00:12:53,060
Middle East Afghanistan and Iraq it's

307
00:13:00,420 --> 00:12:56,120
very hard it's not easy in fact I always

308
00:13:04,180 --> 00:13:00,430
say that 9/11 is primarily a

309
00:13:06,970 --> 00:13:04,190
psychological problem it's not a not a

310
00:13:09,640 --> 00:13:06,980
technical problem if you are ready to

311
00:13:11,890 --> 00:13:09,650
accept it psychologically the evidence

312
00:13:13,540 --> 00:13:11,900
is there and it's overwhelming there is

313
00:13:16,690 --> 00:13:13,550

no there is not no argument there

314

00:13:18,760 --> 00:13:16,700

the problem is that the human being has

315

00:13:21,340 --> 00:13:18,770

a mechanism of self-defense

316

00:13:22,870 --> 00:13:21,350

the denial mechanism if you know that

317

00:13:25,810 --> 00:13:22,880

you're going towards the conclusion that

318

00:13:28,030 --> 00:13:25,820

you are not able to accept then you'll

319

00:13:29,610 --> 00:13:28,040

just deny that pronti the denial

320

00:13:31,990 --> 00:13:29,620

mechanism kicks in it's actually a

321

00:13:34,510 --> 00:13:32,000

safety thing that we have it is good

322

00:13:36,670 --> 00:13:34,520

that humans have it because they they

323

00:13:39,210 --> 00:13:36,680

can keep away from things that would be

324

00:13:42,700 --> 00:13:39,220

too hurtful and I think in fact that

325

00:13:44,410 --> 00:13:42,710

this is the problem with 9/11 very few

326

00:13:47,830 --> 00:13:44,420

people are ready to accept it the other

327

00:13:49,840 --> 00:13:47,840

this was an inside job I'm speaking of

328

00:13:52,900 --> 00:13:49,850

course assuming that your audience at

329

00:13:54,700 --> 00:13:52,910

least mostly understand or agrees that

330

00:13:56,440 --> 00:13:54,710

this was an inside job if this is not

331

00:13:58,900 --> 00:13:56,450

the Korea is healthy because I should

332

00:14:00,220 --> 00:13:58,910

changed no no we're on that page ok and

333

00:14:02,440 --> 00:14:00,230

just you know just to make sure because

334

00:14:04,920 --> 00:14:02,450

otherwise detention

335

00:14:08,830 --> 00:14:04,930

what did he get this crazy cat is he fat

336

00:14:10,660 --> 00:14:08,840

okay so basically it's a psychological

337

00:14:13,120 --> 00:14:10,670

problem I have one one anecdote that

338

00:14:16,270 --> 00:14:13,130

that was very very meaningful to me one

339

00:14:17,530 --> 00:14:16,280

when I completed the second sum on 9/11

340

00:14:20,920 --> 00:14:17,540

as I said the first one was only in

341

00:14:23,410 --> 00:14:20,930

Italian it was 2006 and 2009 ma the new

342

00:14:26,250 --> 00:14:23,420

American Century which is in English and

343

00:14:29,110 --> 00:14:26,260

Italian and that covers not only the

344

00:14:32,230 --> 00:14:29,120

events of Mendes specific events of 9/11

345

00:14:34,840 --> 00:14:32,240

but the entire scenario that could have

346

00:14:38,790 --> 00:14:34,850

been behind the political scenario the

347

00:14:42,190 --> 00:14:38,800

economical do strategical aspects of why

348

00:14:44,230 --> 00:14:42,200

the United States need a 911 because

349

00:14:46,300 --> 00:14:44,240

they were it was absolutely needed and

350

00:14:48,970 --> 00:14:46,310

what happened in the last 15 years by

351

00:14:51,820 --> 00:14:48,980

the way showed it very clearly when I

352

00:14:54,310 --> 00:14:51,830

did that second film I gave it to my

353

00:14:56,350 --> 00:14:54,320

next-door neighbor and I was living in

354

00:14:57,640 --> 00:14:56,360

Los Angeles there and I said you know

355

00:14:59,140 --> 00:14:57,650

this is film that gives you an

356

00:15:01,720 --> 00:14:59,150

alternative idea of what could have

357

00:15:03,310 --> 00:15:01,730

happened on 9/11 and I remember her face

358

00:15:05,140 --> 00:15:03,320

and I gave it to her I gave it a DVD

359

00:15:07,140 --> 00:15:05,150

just came home with them in a box I just

360

00:15:10,600 --> 00:15:07,150

gave him one give her gave her one a

361

00:15:12,700 --> 00:15:10,610

week later she returns it to me and says

362

00:15:14,590 --> 00:15:12,710

oh yeah it's a very sad story and she

363

00:15:17,050 --> 00:15:14,600

gave it back to me and they still had

364

00:15:19,360 --> 00:15:17,060

the cellophane on that you know there's

365

00:15:22,630 --> 00:15:19,370

a plastic covering she had not even

366

00:15:24,880 --> 00:15:22,640

opened it up that showed to me what

367

00:15:27,010 --> 00:15:24,890

denies can do she knew that she had

368

00:15:29,590 --> 00:15:27,020

opened that thing and and positive into

369

00:15:32,680 --> 00:15:29,600

the DVD player she might have said to

370

00:15:34,930 --> 00:15:32,690

come to deal with with thoughts that she

371

00:15:36,220 --> 00:15:34,940

wasn't ready to deal with so she just

372

00:15:38,260 --> 00:15:36,230

preferred not to look at it that's

373

00:15:41,110 --> 00:15:38,270

really the problem in 9/11 it's such a

374

00:15:43,510 --> 00:15:41,120

large realization that you have to come

375

00:15:45,580 --> 00:15:43,520

to and such a large concept you have to

376

00:15:48,670 --> 00:15:45,590

accept that not many people are ready

377

00:15:51,670 --> 00:15:48,680

for it in fact the reason why 9/11

378

00:15:54,640 --> 00:15:51,680

remains to this day the biggest lie in

379

00:15:58,330 --> 00:15:54,650

recent history is a quote in a quote by

380

00:16:02,470 --> 00:15:58,340

Marshall McLuhan he said small secrets

381

00:16:04,720 --> 00:16:02,480

are the most difficult to keep for the

382

00:16:07,990 --> 00:16:04,730

very large ones people's incredulity

383

00:16:10,000 --> 00:16:08,000

will always be sufficient hmm in other

384

00:16:12,070 --> 00:16:10,010

words the very fact that you that you go

385

00:16:16,310 --> 00:16:12,080

oh come on that can't be it's too big

386

00:16:19,160 --> 00:16:16,320

you are the very Guardian the

387

00:16:21,460 --> 00:16:19,170

how you say sell holder the very you

388

00:16:24,010 --> 00:16:21,470

keep yourself prisoner by your own

389

00:16:26,210 --> 00:16:24,020

unwillingness to accept such a large

390

00:16:28,790 --> 00:16:26,220

reality which is uncomfortable and

391

00:16:30,590 --> 00:16:28,800

that's why it works that's true that's

392

00:16:31,910 --> 00:16:30,600

why it works was Hitler said the larger

393

00:16:33,740 --> 00:16:31,920

the light that more people would tend to

394

00:16:35,210 --> 00:16:33,750

believe it because except in such a

395

00:16:37,550 --> 00:16:35,220

large live would mean to change

396

00:16:39,430 --> 00:16:37,560

completely way of thinking and rather

397

00:16:42,440 --> 00:16:39,440

than do that most people just you know

398

00:16:44,150 --> 00:16:42,450

rather not look at it and then of that

399

00:16:46,700 --> 00:16:44,160

yeah I mean I was in high school at the

400

00:16:48,590 --> 00:16:46,710

time and the idea of self sabotage it

401
00:16:50,570 --> 00:16:48,600
did seem so radical when it was first

402
00:16:52,880 --> 00:16:50,580
presented to me but once you learn the

403
00:16:55,190 --> 00:16:52,890
history of false Flags and Operation

404
00:16:57,110 --> 00:16:55,200
Northwoods the gulf of tonkin i mean

405
00:17:00,380 --> 00:16:57,120
then you start to realize oh okay

406
00:17:03,440 --> 00:17:00,390
9/11 is really just one of many in a

407
00:17:05,420 --> 00:17:03,450
long pattern of deceptive elite doing

408
00:17:08,120 --> 00:17:05,430
this to themselves to justify their own

409
00:17:09,920 --> 00:17:08,130
means but you know all your films are so

410
00:17:12,020 --> 00:17:09,930
enjoyable I really did want to get into

411
00:17:13,550 --> 00:17:12,030
the true history of marijuana because it

412
00:17:15,260 --> 00:17:13,560
is a subject near and dear to my heart

413
00:17:17,000 --> 00:17:15,270

and a topic that doesn't get talked

414

00:17:19,069 --> 00:17:17,010

about nearly enough for a show called

415

00:17:21,559 --> 00:17:19,079

the higher side chats we also have that

416

00:17:23,960 --> 00:17:21,569

4/20 holiday right around the corner but

417

00:17:25,669 --> 00:17:23,970

uh truthfully this isn't a silly stoner

418

00:17:27,319 --> 00:17:25,679

issue I mean hundreds of thousands of

419

00:17:29,600 --> 00:17:27,329

lives have been affected through the

420

00:17:31,910 --> 00:17:29,610

prison system and the suppression of its

421

00:17:33,890 --> 00:17:31,920

medical uses so it really isn't a joke

422

00:17:35,720 --> 00:17:33,900

but talk to us about your decision to

423

00:17:38,780 --> 00:17:35,730

make this film and why you thought it

424

00:17:40,880 --> 00:17:38,790

was such a worthy topic well I'm

425

00:17:43,240 --> 00:17:40,890

probably loved the very few people who

426

00:17:46,190 --> 00:17:43,250

never smoked marijuana in my life ah

427

00:17:48,410 --> 00:17:46,200

sorry to hear the hell I tried but it

428

00:17:51,230 --> 00:17:48,420

was gave me headache my son kept saying

429

00:17:52,700 --> 00:17:51,240

trying trying daddy drug right and this

430

00:17:54,650 --> 00:17:52,710

few times I tried to just give me a

431

00:17:56,600 --> 00:17:54,660

headache so I'm not I that was not the

432

00:17:58,160 --> 00:17:56,610

reason certainly why I would do this I'm

433

00:17:59,600 --> 00:17:58,170

like that right no it's because when I

434

00:18:01,310 --> 00:17:59,610

started studying the history of the

435

00:18:04,090 --> 00:18:01,320

1930s and the Petzl the way the

436

00:18:06,770 --> 00:18:04,100

petrochemical industry was born I

437

00:18:08,870 --> 00:18:06,780

realized that the whole demonization of

438

00:18:11,390 --> 00:18:08,880

marijuana has almost everything to do

439

00:18:14,450 --> 00:18:11,400

with the industrial aspect of cannabis

440

00:18:17,960 --> 00:18:14,460

and almost nothing to do with the drug

441

00:18:20,660 --> 00:18:17,970

aspect of a plant right the consumption

442

00:18:22,100 --> 00:18:20,670

yeah that that was excuse that was used

443

00:18:23,810 --> 00:18:22,110

to actually get rid of the industrial

444

00:18:27,350 --> 00:18:23,820

cannabis which was the problem in the

445

00:18:28,520 --> 00:18:27,360

1930s not only was cannabis used

446

00:18:29,990 --> 00:18:28,530

regularly for

447

00:18:33,260 --> 00:18:30,000

everything and I mean everything from

448

00:18:35,240 --> 00:18:33,270

food to textiles to medicine to

449

00:18:37,190 --> 00:18:35,250

combustibles you could make everything

450

00:18:39,440 --> 00:18:37,200

from that so how are you going to create

451

00:18:42,070 --> 00:18:39,450

a whole new industry of petrochemical

452

00:18:45,110 --> 00:18:42,080

where you want to burn oil and not

453

00:18:47,890 --> 00:18:45,120

cannabis when you want to make chemical

454

00:18:51,020 --> 00:18:47,900

medicines in the lab and not use natural

455

00:18:53,480 --> 00:18:51,030

compounds like cannabis when you want to

456

00:18:56,390 --> 00:18:53,490

introduce new textiles that are

457

00:18:59,030 --> 00:18:56,400

synthetic as opposed to natural fabric

458

00:19:03,770 --> 00:18:59,040

like the cannabis fabric you have to get

459

00:19:05,750 --> 00:19:03,780

rid of this huge obstacle and the only

460

00:19:08,360 --> 00:19:05,760

way to do it was to demonize they were

461

00:19:10,220 --> 00:19:08,370

very smart they demonize not the plant

462

00:19:14,300 --> 00:19:10,230

itself which was beloved by everybody

463

00:19:17,570 --> 00:19:14,310

but its by-product or the flower or

464

00:19:22,610 --> 00:19:17,580

which contains that the THC the higher

465

00:19:27,080 --> 00:19:22,620

such as and by doing that they did such

466

00:19:29,750 --> 00:19:27,090

a good job in demonizing the devil's

467

00:19:31,790 --> 00:19:29,760

weed that even today there are people

468

00:19:33,860 --> 00:19:31,800

were still convinced from that

469

00:19:37,310 --> 00:19:33,870

propaganda from the 40s and 50s that

470

00:19:39,110 --> 00:19:37,320

quote unquote marijuana is a stepping

471

00:19:41,150 --> 00:19:39,120

stone to worse drugs and need to start

472

00:19:43,940 --> 00:19:41,160

you never come back and your brain is

473

00:19:47,390 --> 00:19:43,950

gonna be I mean all that stupidity that

474

00:19:50,840 --> 00:19:47,400

has no scientific validation whatsoever

475

00:19:52,820 --> 00:19:50,850

was done so well by the propaganda

476
00:19:55,070 --> 00:19:52,830
machine that even today we have people

477
00:19:57,410 --> 00:19:55,080
who are sincerely convinced that

478
00:19:58,790 --> 00:19:57,420
marijuana has all these bad effects on

479
00:20:01,220 --> 00:19:58,800
you which nobody can prove

480
00:20:03,560 --> 00:20:01,230
scientifically but still it's a common

481
00:20:07,070 --> 00:20:03,570
it's a common knowledge at the same time

482
00:20:10,490 --> 00:20:07,080
the only scientific research that has

483
00:20:13,910 --> 00:20:10,500
been done on marijuana from the nineteen

484
00:20:16,550 --> 00:20:13,920
forties on has shown over and over again

485
00:20:19,430 --> 00:20:16,560
that it is not does not damage your

486
00:20:22,190 --> 00:20:19,440
brain does not lead you to use heavier

487
00:20:25,180 --> 00:20:22,200
drugs not one person has ever died of

488
00:20:27,520 --> 00:20:25,190

marijuana overdosing in history and

489

00:20:30,050 --> 00:20:27,530

basically it's just you know it's just a

490

00:20:31,610 --> 00:20:30,060

very light drug that people can do

491

00:20:34,760 --> 00:20:31,620

whatever they want with it if they want

492

00:20:36,980 --> 00:20:34,770

to doesn't hurt anyone else but because

493

00:20:39,710 --> 00:20:36,990

of the industrial aspect they had to

494

00:20:42,269 --> 00:20:39,720

keep and of course now once we found out

495

00:20:45,739 --> 00:20:42,279

that it has great medical

496

00:20:48,060 --> 00:20:45,749

affect that part was jeopardized because

497

00:20:49,859 --> 00:20:48,070

already you can't use it because it's

498

00:20:52,320 --> 00:20:49,869

part of I think it's called schedule one

499

00:20:55,469 --> 00:20:52,330

yeah it was it was placed together with

500

00:20:57,899 --> 00:20:55,479

drugs which you cannot even test for

501
00:20:59,849 --> 00:20:57,909
medical use like heroine and some other

502
00:21:02,599 --> 00:20:59,859
drugs which I can no LSD I think and

503
00:21:05,459 --> 00:21:02,609
others so basically by by placing

504
00:21:08,190 --> 00:21:05,469
cannabis or marijuana in schedule one

505
00:21:10,229 --> 00:21:08,200
together with the other drugs it was

506
00:21:12,779 --> 00:21:10,239
made impossible to even test their

507
00:21:15,359 --> 00:21:12,789
medical validity and of course the first

508
00:21:17,039 --> 00:21:15,369
move would be to remove marijuana from

509
00:21:18,629 --> 00:21:17,049
Schedule one and put into schedule to

510
00:21:20,579 --> 00:21:18,639
where you can actually but then of

511
00:21:22,649 --> 00:21:20,589
course you know the cat would be out of

512
00:21:25,159 --> 00:21:22,659
the bag because everybody would have to

513
00:21:27,989 --> 00:21:25,169

admit scientifically that it has

514

00:21:30,509 --> 00:21:27,999

incredible medical powers especially

515

00:21:33,389 --> 00:21:30,519

against cancer in fact when I make the

516

00:21:34,919 --> 00:21:33,399

film on cancer oh I'm sorry actually

517

00:21:35,249 --> 00:21:34,929

this is the connection I even forgot

518

00:21:38,129 --> 00:21:35,259

about it

519

00:21:39,659 --> 00:21:38,139

when I made the film on cancer which

520

00:21:42,690 --> 00:21:39,669

came before they won no marijuana

521

00:21:44,789 --> 00:21:42,700

I also heard somebody told me you know

522

00:21:46,649 --> 00:21:44,799

it has good effects for cancer so I

523

00:21:49,499 --> 00:21:46,659

started studying marijuana for cancer

524

00:21:51,389 --> 00:21:49,509

and I started finding so many things

525

00:21:54,029 --> 00:21:51,399

about marijuana that I decided to remove

526
00:21:55,700 --> 00:21:54,039
the marijuana chapter from the cancer

527
00:21:58,229 --> 00:21:55,710
film and to make a film of its own

528
00:21:59,999 --> 00:21:58,239
because there was so much material on

529
00:22:01,589 --> 00:22:00,009
marijuana that's how it led me to it

530
00:22:03,479 --> 00:22:01,599
because you know again being a nonsmoker

531
00:22:05,549 --> 00:22:03,489
I was not particularly interested in

532
00:22:07,799 --> 00:22:05,559
this but on doing the cancer film I

533
00:22:10,859 --> 00:22:07,809
found that the connection and historical

534
00:22:12,899 --> 00:22:10,869
reasons why was removed led me to make a

535
00:22:14,820 --> 00:22:12,909
whole separate film from it which is

536
00:22:18,419 --> 00:22:14,830
called the true history of marijuana

537
00:22:20,489 --> 00:22:18,429
right it is so crazy how much influence

538
00:22:23,639 --> 00:22:20,499

just a couple billionaires can really

539

00:22:26,879 --> 00:22:23,649

yield and the industrial aspects they

540

00:22:28,469 --> 00:22:26,889

are vast and very serious because you

541

00:22:30,450 --> 00:22:28,479

know you take a drive up through the

542

00:22:32,549 --> 00:22:30,460

Pacific Northwest you see these huge

543

00:22:34,889 --> 00:22:32,559

mountain sides just with a bunch of dead

544

00:22:37,349 --> 00:22:34,899

trees just stumps everywhere hundreds of

545

00:22:39,839 --> 00:22:37,359

stumps of redwoods that take decades to

546

00:22:41,459 --> 00:22:39,849

grow and you know not to mention what

547

00:22:43,019 --> 00:22:41,469

we've done in the Amazon what the

548

00:22:45,599 --> 00:22:43,029

industries have done to destroy the

549

00:22:48,599 --> 00:22:45,609

rainforest and it's all about lumber and

550

00:22:51,690 --> 00:22:48,609

timber but yet marijuana can fulfill all

551
00:22:53,879 --> 00:22:51,700
of those roles very well even better in

552
00:22:55,349 --> 00:22:53,889
a lot of cases and it only takes a few

553
00:22:56,160 --> 00:22:55,359
months to grow and you can grow it on

554
00:22:59,100 --> 00:22:56,170
the same patch

555
00:23:01,230 --> 00:22:59,110
four times a year and it would be a

556
00:23:04,140 --> 00:23:01,240
beautiful thing so much more efficient

557
00:23:07,590 --> 00:23:04,150
and yet the pollution the destruction of

558
00:23:09,510 --> 00:23:07,600
the earth I mean it's no small thing no

559
00:23:10,950 --> 00:23:09,520
and you said it it would it would do it

560
00:23:14,100 --> 00:23:10,960
better and that's actually the reason

561
00:23:15,540 --> 00:23:14,110
why it would make uncompetitive hold the

562
00:23:19,400 --> 00:23:15,550
chain of products from the petrochemical

563
00:23:23,130 --> 00:23:19,410

industry from plastic to to oil to

564

00:23:24,720 --> 00:23:23,140

synthetic textiles to synthetic

565

00:23:29,040 --> 00:23:24,730

medicines a lot of that could be

566

00:23:31,290 --> 00:23:29,050

replaced with with cannabis and THC and

567

00:23:34,020 --> 00:23:31,300

the other cannabinoids but of course

568

00:23:35,340 --> 00:23:34,030

because it is better they would lose and

569

00:23:36,870 --> 00:23:35,350

that's like they can't afford it it's

570

00:23:38,280 --> 00:23:36,880

not even if it would not it would not be

571

00:23:40,620 --> 00:23:38,290

a fair competition that's actually the

572

00:23:42,660 --> 00:23:40,630

reason why they had to get it take it

573

00:23:45,630 --> 00:23:42,670

out of the game to begin with right you

574

00:23:48,810 --> 00:23:45,640

don't start playing football if you have

575

00:23:51,150 --> 00:23:48,820

the best national league team in front

576

00:23:53,580 --> 00:23:51,160

of you you want to get rid of them if

577

00:23:54,060 --> 00:23:53,590

you want to win something and that's

578

00:23:56,160 --> 00:23:54,070

what they did

579

00:24:00,210 --> 00:23:56,170

that's it it's very sad very sad because

580

00:24:02,280 --> 00:24:00,220

the whole pollution problem that even

581

00:24:05,210 --> 00:24:02,290

today is even more it's afflicting earth

582

00:24:09,390 --> 00:24:05,220

comes from that comes from that greed of

583

00:24:11,340 --> 00:24:09,400

wanting to win the battle against the

584

00:24:13,880 --> 00:24:11,350

natural products in order to be able to

585

00:24:17,040 --> 00:24:13,890

impose your petrochemical products

586

00:24:18,990 --> 00:24:17,050

mm-hmm and it is so interesting to me

587

00:24:22,320 --> 00:24:19,000

how when you really get down to things a

588

00:24:26,220 --> 00:24:22,330

lot of times it's one crucial action or

589

00:24:28,950 --> 00:24:26,230

one specific moment that changes the

590

00:24:31,560 --> 00:24:28,960

course of history for decades and at

591

00:24:34,920 --> 00:24:31,570

this time William Randolph Hearst had

592

00:24:37,650 --> 00:24:34,930

just bought a ton of Timberland he just

593

00:24:39,480 --> 00:24:37,660

invested so heavily in this and had he

594

00:24:42,780 --> 00:24:39,490

not done that he might not have been so

595

00:24:46,770 --> 00:24:42,790

motivated to demonize marijuana and set

596

00:24:48,150 --> 00:24:46,780

this course of action into motion it's

597

00:24:51,000 --> 00:24:48,160

kind of crazy because also at that time

598

00:24:53,580 --> 00:24:51,010

of course DuPont had just bought patents

599

00:24:56,160 --> 00:24:53,590

to make consumer products from oil that

600

00:24:59,220 --> 00:24:56,170

would have completely been displaced by

601
00:25:01,440 --> 00:24:59,230
hemp and so you have these billionaires

602
00:25:04,230 --> 00:25:01,450
who had just made these investments and

603
00:25:06,270 --> 00:25:04,240
so as a result they demonized their

604
00:25:08,460 --> 00:25:06,280
competition that would have put them out

605
00:25:09,900 --> 00:25:08,470
of business but it's these few people

606
00:25:12,930 --> 00:25:09,910
doing these very specific

607
00:25:15,450 --> 00:25:12,940
and it's very interesting it's always a

608
00:25:17,370 --> 00:25:15,460
few people Greg those a few people that

609
00:25:19,080 --> 00:25:17,380
control the world unfortunate because

610
00:25:20,640 --> 00:25:19,090
it's the amount of money they can move

611
00:25:24,590 --> 00:25:20,650
that matters it's not the number of

612
00:25:27,900 --> 00:25:24,600
people I think that we the normal people

613
00:25:29,700 --> 00:25:27,910

never stood a chance until some ten

614

00:25:33,000 --> 00:25:29,710

years ago when the internet started I

615

00:25:35,190 --> 00:25:33,010

think that the internet was and still is

616

00:25:37,200 --> 00:25:35,200

and will definitely be the most

617

00:25:40,560 --> 00:25:37,210

important revolution in history of

618

00:25:44,550 --> 00:25:40,570

humanity of humankind because for the

619

00:25:47,720 --> 00:25:44,560

first time since 10-15 years people have

620

00:25:50,010 --> 00:25:47,730

direct unfiltered access to information

621

00:25:51,210 --> 00:25:50,020

of course this comes with problems

622

00:25:53,250 --> 00:25:51,220

because you have to learn how to

623

00:25:55,890 --> 00:25:53,260

separate good information from bad

624

00:25:59,640 --> 00:25:55,900

information that's part of the game but

625

00:26:02,160 --> 00:25:59,650

for those who learn to do that direct

626
00:26:04,920 --> 00:26:02,170
acts I mean I could have not made any of

627
00:26:07,980 --> 00:26:04,930
these office items that I've made in the

628
00:26:09,780 --> 00:26:07,990
last ten years had it had internet none

629
00:26:12,360 --> 00:26:09,790
existed I would not know these things to

630
00:26:14,430 --> 00:26:12,370
begin with all the information I have

631
00:26:16,920 --> 00:26:14,440
which I put into my films come from from

632
00:26:20,340 --> 00:26:16,930
researching on the Internet so I'm just

633
00:26:22,740 --> 00:26:20,350
basically a manufacturer I transform

634
00:26:25,170 --> 00:26:22,750
goods I find information there and I put

635
00:26:27,330 --> 00:26:25,180
it out there again on the internet but

636
00:26:29,010 --> 00:26:27,340
none of that would I would I didn't know

637
00:26:31,890 --> 00:26:29,020
anything 15 years ago I didn't know

638
00:26:33,900 --> 00:26:31,900

anything about Canada but turns it cures

639

00:26:35,640 --> 00:26:33,910

for cancer about the suppression of

640

00:26:37,830 --> 00:26:35,650

truth on the UFOs about who really

641

00:26:39,630 --> 00:26:37,840

killed Robert Kennedy or John Kennedy

642

00:26:41,130 --> 00:26:39,640

you know you could have had doubts about

643

00:26:44,010 --> 00:26:41,140

those but today's you today you can

644

00:26:46,020 --> 00:26:44,020

really research and find out and in fact

645

00:26:48,690 --> 00:26:46,030

let me let me just add something here

646

00:26:51,420 --> 00:26:48,700

that the new film I'm working on which

647

00:26:53,370 --> 00:26:51,430

is almost completed it's going to be

648

00:26:56,100 --> 00:26:53,380

called American moon and it's about the

649

00:26:59,010 --> 00:26:56,110

the moon hoax issued them whether we

650

00:27:01,050 --> 00:26:59,020

went or not to the moon all the

651
00:27:02,760 --> 00:27:01,060
information that I'm using don't let me

652
00:27:04,310 --> 00:27:02,770
stay let me state where I stand first

653
00:27:08,610 --> 00:27:04,320
because of course you need to know that

654
00:27:12,480 --> 00:27:08,620
I was a professional photographer for 30

655
00:27:15,870 --> 00:27:12,490
for 25 years before just limiting myself

656
00:27:17,730 --> 00:27:15,880
to directing films as a professional

657
00:27:19,320 --> 00:27:17,740
photographer as a kid I of course

658
00:27:20,760 --> 00:27:19,330
believed who went to the moon when I

659
00:27:22,260 --> 00:27:20,770
became a professional photographer and

660
00:27:23,490 --> 00:27:22,270
then one day I bumped into the Apollo

661
00:27:27,000 --> 00:27:23,500
pictures again

662
00:27:29,180 --> 00:27:27,010
hmmm I said oh my god what a badly

663
00:27:31,440 --> 00:27:29,190

botched up job they did as a

664

00:27:34,710 --> 00:27:31,450

professional you can tell immediately

665

00:27:36,900 --> 00:27:34,720

that those pictures are not made they're

666

00:27:39,450 --> 00:27:36,910

not sunlit they are made in the studio

667

00:27:42,330 --> 00:27:39,460

actually with artificial light and a

668

00:27:44,370 --> 00:27:42,340

pretty bad job - which was the job you

669

00:27:46,710 --> 00:27:44,380

could do back in the 60s yet no digital

670

00:27:48,630 --> 00:27:46,720

retouching then you had to do everything

671

00:27:51,090 --> 00:27:48,640

in the darkroom now I happen to have

672

00:27:54,600 --> 00:27:51,100

learned in the same years I started

673

00:27:57,420 --> 00:27:54,610

being an assistant photographer in 74

674

00:27:59,100 --> 00:27:57,430

so basically okay because after the

675

00:28:01,440 --> 00:27:59,110

Apollo missions ended so I know

676
00:28:03,600 --> 00:28:01,450
everything about the darkroom and I can

677
00:28:06,150 --> 00:28:03,610
actually recognize all the little tricks

678
00:28:07,650 --> 00:28:06,160
that they used in the darkroom to make

679
00:28:10,080 --> 00:28:07,660
those pictures look like they're on the

680
00:28:11,610 --> 00:28:10,090
moon I can see where they added the

681
00:28:14,130 --> 00:28:11,620
background that was a distance that's

682
00:28:15,630 --> 00:28:14,140
just a picture but there's a line

683
00:28:17,490 --> 00:28:15,640
separating the foreground from the

684
00:28:18,990 --> 00:28:17,500
background I can see the shadows where

685
00:28:21,150 --> 00:28:19,000
they've been corrected and all that okay

686
00:28:25,410 --> 00:28:21,160
so that's where I stand so I decided to

687
00:28:28,200 --> 00:28:25,420
to make this film about the moon and I

688
00:28:30,270 --> 00:28:28,210

wanted to do this 20 years ago before

689

00:28:33,540 --> 00:28:30,280

the internet I would not know where to

690

00:28:35,640 --> 00:28:33,550

turn because until then until the end of

691

00:28:37,350 --> 00:28:35,650

last century all you had was a few

692

00:28:39,750 --> 00:28:37,360

pictures that were published by Life

693

00:28:40,920 --> 00:28:39,760

magazine Time magazine that and and if

694

00:28:42,420 --> 00:28:40,930

you wanted to get like three new

695

00:28:44,640 --> 00:28:42,430

pictures from NASA you would have to

696

00:28:47,570 --> 00:28:44,650

write to them pay for the print wait six

697

00:28:51,960 --> 00:28:47,580

months then that's not the only one now

698

00:28:55,080 --> 00:28:51,970

the entire archive of the Apollo

699

00:28:58,920 --> 00:28:55,090

pictures is available online each single

700

00:29:00,450 --> 00:28:58,930

shot six thousand shots were from Prima

701
00:29:02,730 --> 00:29:00,460
more or less six thousand shots from six

702
00:29:05,340 --> 00:29:02,740
missions to the moon or six alleged

703
00:29:09,720 --> 00:29:05,350
mission to the moon I've done loaded

704
00:29:12,360 --> 00:29:09,730
them all I can now work with comparing

705
00:29:14,400 --> 00:29:12,370
angles of the same sets and I get that

706
00:29:16,020 --> 00:29:14,410
helps a lot I mean the amount of

707
00:29:19,110 --> 00:29:16,030
information available today makes it

708
00:29:20,730 --> 00:29:19,120
much much easier for me to reach the

709
00:29:22,590 --> 00:29:20,740
conclusions or rather to show other

710
00:29:24,390 --> 00:29:22,600
people why I think that the pictures are

711
00:29:27,750 --> 00:29:24,400
fake it would have been very difficult

712
00:29:29,700 --> 00:29:27,760
back before the internet because you

713
00:29:33,030 --> 00:29:29,710

didn't have the material available now

714

00:29:35,880 --> 00:29:33,040

all the all the photos videos that last

715

00:29:37,320 --> 00:29:35,890

shot on the moon trips are available and

716

00:29:40,019 --> 00:29:37,330

all the pictures

717

00:29:41,909 --> 00:29:40,029

and even just by comparing the pictures

718

00:29:45,330 --> 00:29:41,919

with the videos which are supposed to be

719

00:29:47,249 --> 00:29:45,340

in continuity shot at the same time you

720

00:29:49,229 --> 00:29:47,259

can tell that there are changes and

721

00:29:50,700 --> 00:29:49,239

problems meaning that they shot first

722

00:29:52,979 --> 00:29:50,710

the pictures and then the same scene

723

00:29:55,200 --> 00:29:52,989

with the video or vice versa and all

724

00:29:58,109 --> 00:29:55,210

that anyway I mean I'm not going to get

725

00:30:00,690 --> 00:29:58,119

into details of what the evidence is but

726

00:30:01,499 --> 00:30:00,700

the fact that all this information is

727

00:30:04,109 --> 00:30:01,509

available

728

00:30:06,299 --> 00:30:04,119

it's a click away made everything much

729

00:30:08,279 --> 00:30:06,309

easier it's still a very difficult job

730

00:30:10,409 --> 00:30:08,289

to put together a film and prove

731

00:30:13,169 --> 00:30:10,419

something like that or make it truly

732

00:30:14,789 --> 00:30:13,179

believable but at least the access to

733

00:30:16,289 --> 00:30:14,799

the information is there and this is

734

00:30:18,060 --> 00:30:16,299

really what is changing the history of

735

00:30:20,849 --> 00:30:18,070

the world is going to take another at

736

00:30:22,950 --> 00:30:20,859

least another generation before the

737

00:30:25,979 --> 00:30:22,960

effects of the internet on humanity are

738

00:30:28,710 --> 00:30:25,989

really known right but by then there'll

739

00:30:30,779 --> 00:30:28,720

be so much less people watching TV and

740

00:30:33,029 --> 00:30:30,789

drinking their drinking I mean

741

00:30:35,180 --> 00:30:33,039

swallowing their news or the fake news

742

00:30:37,499 --> 00:30:35,190

from TV and looking for their own

743

00:30:39,629 --> 00:30:37,509

through on the Internet

744

00:30:40,950 --> 00:30:39,639

it's going to be another generation it's

745

00:30:42,899 --> 00:30:40,960

going to be hard because at the same

746

00:30:44,519 --> 00:30:42,909

time there's a big pushback from the

747

00:30:46,379 --> 00:30:44,529

powers that be so that you know they

748

00:30:47,729 --> 00:30:46,389

actually fight back on the internet so

749

00:30:49,049 --> 00:30:47,739

you have a lot of lies on the internet

750

00:30:50,879 --> 00:30:49,059

as well right

751

00:30:52,680 --> 00:30:50,889

the fake news stuff I mean that's

752

00:30:55,200 --> 00:30:52,690

exactly the campaign they're doing is

753

00:30:56,940 --> 00:30:55,210

trying to create so much ambiguity on

754

00:30:59,489 --> 00:30:56,950

the internet that you can't even trust

755

00:31:01,379 --> 00:30:59,499

that resource although right you know in

756

00:31:03,450 --> 00:31:01,389

those early stages for us we're so lucky

757

00:31:05,489 --> 00:31:03,460

to have really been there when the

758

00:31:07,769 --> 00:31:05,499

floodgates were just wide open because

759

00:31:09,840 --> 00:31:07,779

yeah I mean we've learned so much and

760

00:31:12,570 --> 00:31:09,850

the moon-landing definitely is

761

00:31:13,859 --> 00:31:12,580

suspicious I'm super convinced that the

762

00:31:15,779 --> 00:31:13,869

footage is fake I don't know if we ever

763

00:31:16,200 --> 00:31:15,789

went to the moon with some special tech

764

00:31:19,080 --> 00:31:16,210

Oh

765

00:31:20,700 --> 00:31:19,090

on the back end you can't know that but

766

00:31:23,430 --> 00:31:20,710

what was shown on TV is largely

767

00:31:26,039 --> 00:31:23,440

stagecraft and the space program itself

768

00:31:27,570 --> 00:31:26,049

is such a huge money sink to anybody

769

00:31:29,460 --> 00:31:27,580

who's like well why would they do this I

770

00:31:31,830 --> 00:31:29,470

mean why would they do it billions of

771

00:31:34,440 --> 00:31:31,840

dollars is why they would do it not only

772

00:31:37,139 --> 00:31:34,450

that but I think they got to a point I

773

00:31:41,009 --> 00:31:37,149

mean I've studied the the historical

774

00:31:43,049 --> 00:31:41,019

part from 1961 to 1969 so from the day

775

00:31:45,570 --> 00:31:43,059

Kennedy announced we'll put a man on the

776

00:31:48,330 --> 00:31:45,580

moon and return him safely to earth in

777

00:31:49,700 --> 00:31:48,340

61 until the actual alleged landing in

778

00:31:53,090 --> 00:31:49,710

69 I

779

00:31:56,060 --> 00:31:53,100

think that up until 1967 the entire

780

00:31:58,310 --> 00:31:56,070

Apollo program was real in that I mean

781

00:31:59,960 --> 00:31:58,320

they helped me along all the way in that

782

00:32:01,190 --> 00:31:59,970

they were really trying to build this

783

00:32:03,830 --> 00:32:01,200

machine to go to the moon they were

784

00:32:06,320 --> 00:32:03,840

really trying to build the survival

785

00:32:07,970 --> 00:32:06,330

system to breathe for eight hours on the

786

00:32:09,529 --> 00:32:07,980

moon they we're really trying to build a

787

00:32:11,899 --> 00:32:09,539

rover they would actually go across the

788

00:32:14,350 --> 00:32:11,909

moon with the batteries and all that the

789

00:32:17,570 --> 00:32:14,360

problem is that they got this is my

790

00:32:21,680 --> 00:32:17,580

conviction my conclusion they got around

791

00:32:24,080 --> 00:32:21,690

1967 and they realized that not only the

792

00:32:25,549 --> 00:32:24,090

deadline was coming closer but the

793

00:32:27,710 --> 00:32:25,559

problems and the stakes are getting

794

00:32:30,049 --> 00:32:27,720

higher and when the Apollo mission

795

00:32:32,690 --> 00:32:30,059

started in 67 they had a great accident

796

00:32:34,549 --> 00:32:32,700

where three astronauts were practically

797

00:32:36,860 --> 00:32:34,559

burnt out practically burn alive inside

798

00:32:38,840 --> 00:32:36,870

the capsule on a test flight and that

799

00:32:40,460 --> 00:32:38,850

put them back another year and a half

800

00:32:44,090 --> 00:32:40,470

and they were already late in the

801
00:32:45,620 --> 00:32:44,100
schedule and by then I think they on one

802
00:32:48,380 --> 00:32:45,630
side they realized they would not be

803
00:32:50,330 --> 00:32:48,390
able to do it but on the other they

804
00:32:53,149 --> 00:32:50,340
realize they could not admit that they

805
00:32:54,649 --> 00:32:53,159
could not do it they were prisoners I'm

806
00:32:56,299 --> 00:32:54,659
talking about NASA prisoners of their

807
00:32:58,970 --> 00:32:56,309
own propaganda they had been pushing for

808
00:33:00,799 --> 00:32:58,980
the last six or seven years if you look

809
00:33:04,389 --> 00:33:00,809
at that the propaganda films from NASA

810
00:33:06,860 --> 00:33:04,399
from from the sixties on every other

811
00:33:08,690 --> 00:33:06,870
sentences this will go to the moon this

812
00:33:12,200 --> 00:33:08,700
would take men to the moon the

813
00:33:14,090 --> 00:33:12,210

propaganda was so intense you couldn't

814

00:33:16,279 --> 00:33:14,100

just go on TV to sorry guys you know

815

00:33:17,570 --> 00:33:16,289

we're kidding actually we're not going

816

00:33:20,510 --> 00:33:17,580

to make it we really don't have the

817

00:33:23,230 --> 00:33:20,520

technology there's too many hurdles but

818

00:33:26,419 --> 00:33:23,240

at that point also they had all their

819

00:33:28,820 --> 00:33:26,429

simulation system in place so they could

820

00:33:31,700 --> 00:33:28,830

actually simulate I'm saying anybody by

821

00:33:36,139 --> 00:33:31,710

67 an entire mission to the moon and

822

00:33:38,120 --> 00:33:36,149

back in a studio so I'm sure I'm not

823

00:33:40,460 --> 00:33:38,130

convinced that somebody said hey you

824

00:33:43,310 --> 00:33:40,470

know what guys if we just give them this

825

00:33:45,710 --> 00:33:43,320

film's that we use everyday for to train

826

00:33:47,450 --> 00:33:45,720

for landing to train for walks to train

827

00:33:49,909 --> 00:33:47,460

for this and for that they look exactly

828

00:33:52,159 --> 00:33:49,919

like they were on the moon all we need

829

00:33:56,149 --> 00:33:52,169

to do is give them this film's free film

830

00:33:59,629 --> 00:33:56,159

it film go to a studio film the walks on

831

00:34:01,700 --> 00:33:59,639

the moon and insert that and broadcast

832

00:34:03,950 --> 00:34:01,710

it back as live

833

00:34:05,480 --> 00:34:03,960

who's going to know it's recorded I mean

834

00:34:07,610 --> 00:34:05,490

only a few people needed to know what

835

00:34:09,830 --> 00:34:07,620

was really sad into the big dish that

836

00:34:13,640 --> 00:34:09,840

was receiving the images from the moon

837

00:34:15,800 --> 00:34:13,650

live on July 20 1969 so if suppose you

838

00:34:20,420 --> 00:34:15,810

pre-recorded all that the first moonwalk

839

00:34:22,280 --> 00:34:20,430

was pre-recorded and on July 20 1969 you

840

00:34:25,100 --> 00:34:22,290

put that actual feed into the dish

841

00:34:27,520 --> 00:34:25,110

that's receiving the images from the

842

00:34:31,550 --> 00:34:27,530

moon the first people you would actually

843

00:34:33,230 --> 00:34:31,560

tube are those at NASA who stands up and

844

00:34:35,540 --> 00:34:33,240

clap and are convinced that we made it

845

00:34:37,580 --> 00:34:35,550

to the moon mm-hmm so here comes the big

846

00:34:39,050 --> 00:34:37,590

argument usually they say oh there's so

847

00:34:40,610 --> 00:34:39,060

many people involved in such a large

848

00:34:43,880 --> 00:34:40,620

conspiracy somebody would have thought

849

00:34:46,190 --> 00:34:43,890

sooner or later no these people nobody

850

00:34:48,050 --> 00:34:46,200

needed to know only a very very small

851
00:34:49,880 --> 00:34:48,060
handful of people needed to know right

852
00:34:53,030 --> 00:34:49,890
including the astronauts of course which

853
00:34:55,820 --> 00:34:53,040
is hope you know a thing on itself but

854
00:34:57,530 --> 00:34:55,830
besides the astronauts only like 2030

855
00:34:59,990 --> 00:34:57,540
people within to know at the very top of

856
00:35:03,800 --> 00:35:00,000
NASA the rest there would be the first

857
00:35:06,470 --> 00:35:03,810
victims of the deceit and that's why I

858
00:35:08,570 --> 00:35:06,480
think the lie has stayed on for such a

859
00:35:10,610 --> 00:35:08,580
long time and nobody talks because

860
00:35:13,700 --> 00:35:10,620
nobody really knows that we didn't

861
00:35:16,490 --> 00:35:13,710
except for those who actually worked on

862
00:35:20,090 --> 00:35:16,500
thinking very few people and there are

863
00:35:22,130 --> 00:35:20,100

so many factors in the moon landing hoax

864

00:35:24,440 --> 00:35:22,140

and people really should watch your

865

00:35:25,850 --> 00:35:24,450

documentary when it comes out or look at

866

00:35:27,830 --> 00:35:25,860

this stuff because a lot of it requires

867

00:35:31,040 --> 00:35:27,840

that visual element which we don't have

868

00:35:33,470 --> 00:35:31,050

here but I did want to ask you about the

869

00:35:34,790 --> 00:35:33,480

Van Allen radiation belt element it's

870

00:35:37,850 --> 00:35:34,800

something that gets brought up a lot

871

00:35:40,390 --> 00:35:37,860

that the Apollo mission astronauts are

872

00:35:43,100 --> 00:35:40,400

really the only human beings to ever

873

00:35:44,960 --> 00:35:43,110

supposedly get through this and even if

874

00:35:47,690 --> 00:35:44,970

you do get past it there's all kinds of

875

00:35:49,520 --> 00:35:47,700

cosmic rays and radiation flying around

876

00:35:51,500 --> 00:35:49,530

in space absolutely what can you tell us

877

00:35:53,690 --> 00:35:51,510

about that element in the fact that it

878

00:35:56,720 --> 00:35:53,700

just might not actually be physically

879

00:35:59,960 --> 00:35:56,730

possible well that's a very very big

880

00:36:02,090 --> 00:35:59,970

argument in the debate first of all the

881

00:36:03,680 --> 00:36:02,100

Sokolov an Allen bats were discovered in

882

00:36:06,110 --> 00:36:03,690

1968 by one

883

00:36:08,000 --> 00:36:06,120

Cheng's Van Alen who actually sent up a

884

00:36:09,230 --> 00:36:08,010

probe and just in the last minute

885

00:36:11,150 --> 00:36:09,240

thought it would put also a Geiger

886

00:36:13,790 --> 00:36:11,160

counter in it the problem is going up or

887

00:36:15,650 --> 00:36:13,800

something else but they realized that

888

00:36:18,279 --> 00:36:15,660

space was radioactive what

889

00:36:23,539 --> 00:36:18,289

realizes actually that there is this

890

00:36:25,309 --> 00:36:23,549

donut shape ring of radiation that goes

891

00:36:27,859 --> 00:36:25,319

basically not from the North Pole to the

892

00:36:31,250 --> 00:36:27,869

South Pole but maybe a little lower like

893

00:36:33,170 --> 00:36:31,260

on the 30th degree parallel I mean three

894

00:36:34,640 --> 00:36:33,180

quarters of the earth so to speak early

895

00:36:36,890 --> 00:36:34,650

Vox the South Pole in the North Pole

896

00:36:39,109 --> 00:36:36,900

it's open on the ends there's actually

897

00:36:41,569 --> 00:36:39,119

no radiation for the rest radiation goes

898

00:36:45,260 --> 00:36:41,579

from north to south in in a curved way

899

00:36:47,809 --> 00:36:45,270

and this bells are from 5,000 to 25,000

900

00:36:49,910 --> 00:36:47,819

miles high they realized that these

901
00:36:53,059 --> 00:36:49,920
bells are actually what keeps us alive

902
00:36:55,010 --> 00:36:53,069
on earth because they trap and and keep

903
00:36:59,240 --> 00:36:55,020
and trapped all that all the radiation

904
00:37:01,849 --> 00:36:59,250
that comes from from the cosmos so

905
00:37:04,130 --> 00:37:01,859
basically those are very high protons

906
00:37:07,250 --> 00:37:04,140
and electrons going at incredible speed

907
00:37:11,299 --> 00:37:07,260
in there and Van Allen said and wrote an

908
00:37:13,130 --> 00:37:11,309
article in 1958 or 59 or so where he

909
00:37:14,660 --> 00:37:13,140
said you know future astronauts that was

910
00:37:16,579 --> 00:37:14,670
already talked about going to the moon

911
00:37:18,890 --> 00:37:16,589
so he said future astronauts will better

912
00:37:21,019 --> 00:37:18,900
devise a way to protect themselves very

913
00:37:23,720 --> 00:37:21,029

heavily because there's no way you can

914

00:37:25,760 --> 00:37:23,730

get through this without dying I mean it

915

00:37:28,250 --> 00:37:25,770

could actually lethal radiations

916

00:37:30,829 --> 00:37:28,260

surround Earth that was the title of the

917

00:37:33,079 --> 00:37:30,839

of the scientific article the published

918

00:37:35,450 --> 00:37:33,089

so this is the first part of the problem

919

00:37:37,010 --> 00:37:35,460

Van Allen says and warns everybody

920

00:37:39,859 --> 00:37:37,020

there's no way out either you go out

921

00:37:41,660 --> 00:37:39,869

from the North Pole he said or you have

922

00:37:43,609 --> 00:37:41,670

to protect yourself very heavily which

923

00:37:45,740 --> 00:37:43,619

was impossible because of the weight you

924

00:37:47,870 --> 00:37:45,750

would have to put in space to protect

925

00:37:49,309 --> 00:37:47,880

astronauts but also you couldn't really

926
00:37:50,720 --> 00:37:49,319
go out from the North Pole because you

927
00:37:55,010 --> 00:37:50,730
can't just go up and then turn right

928
00:37:56,329 --> 00:37:55,020
it's like you're in intersection to go

929
00:37:58,760 --> 00:37:56,339
to the moon you have to go out through

930
00:38:00,710 --> 00:37:58,770
the the almost the equator so to speak

931
00:38:02,420 --> 00:38:00,720
so you have to go out horizontally so to

932
00:38:04,190 --> 00:38:02,430
speak you just you know get a better

933
00:38:06,890 --> 00:38:04,200
speed you can't just go out and then

934
00:38:09,410 --> 00:38:06,900
turn it when you travel a 27,000 miles

935
00:38:12,650 --> 00:38:09,420
per hour so it was basically impossible

936
00:38:16,490 --> 00:38:12,660
and this is part one of the problem in

937
00:38:18,799 --> 00:38:16,500
fact during that the 61 62 63 period

938
00:38:21,710 --> 00:38:18,809

during the preparation for Gemini on or

939

00:38:23,860 --> 00:38:21,720

that NASA was studying intensely what to

940

00:38:28,540 --> 00:38:23,870

do with this radiation belts

941

00:38:31,510 --> 00:38:28,550

strangely enough by 68 by the time the

942

00:38:33,910 --> 00:38:31,520

first mission man mission was actually

943

00:38:35,410 --> 00:38:33,920

sent through the belts and this end we

944

00:38:38,530 --> 00:38:35,420

need to go back and state one thing

945

00:38:40,210 --> 00:38:38,540

every single space operation that's ever

946

00:38:42,880 --> 00:38:40,220

happened in the history of humanity has

947

00:38:44,530 --> 00:38:42,890

happened within the Van Allen belts the

948

00:38:47,290 --> 00:38:44,540

Germany the mercury the Soyuz the

949

00:38:49,480 --> 00:38:47,300

Russian the actual space station now

950

00:38:51,790 --> 00:38:49,490

everything is bit below this belt so we

951
00:38:53,320 --> 00:38:51,800
are protected the only humans who have

952
00:38:55,420 --> 00:38:53,330
allegedly crossed them as you said

953
00:38:58,170 --> 00:38:55,430
before are the Apollo astronauts from

954
00:39:00,880 --> 00:38:58,180
Apollo 8 on so we come to 68 and

955
00:39:02,740 --> 00:39:00,890
suddenly they decide to launch Apollo 8

956
00:39:04,390 --> 00:39:02,750
to go around the moon and come back

957
00:39:05,650 --> 00:39:04,400
before they landed they wanted to go

958
00:39:08,230 --> 00:39:05,660
around and see you know there was

959
00:39:10,510 --> 00:39:08,240
everything was okay they put these

960
00:39:13,150 --> 00:39:10,520
people out through the Van Allen belts

961
00:39:14,710 --> 00:39:13,160
without even sending a monkey before so

962
00:39:17,230 --> 00:39:14,720
with all the warnings that they've had

963
00:39:19,120 --> 00:39:17,240

they put them out with no protection

964

00:39:20,440 --> 00:39:19,130

whatsoever because we're simply

965

00:39:22,510 --> 00:39:20,450

impossible to protect them because of

966

00:39:24,700 --> 00:39:22,520

the weight issue and without even

967

00:39:26,470 --> 00:39:24,710

sending a monkey and the funny thing is

968

00:39:29,050 --> 00:39:26,480

that if you listen to the recordings of

969

00:39:31,630 --> 00:39:29,060

Apollo 8 traveling to the moon they

970

00:39:33,130 --> 00:39:31,640

don't even mention the crossing hmm is

971

00:39:35,350 --> 00:39:33,140

that you would expect these guys to be

972

00:39:36,910 --> 00:39:35,360

the first in history to say you know

973

00:39:39,100 --> 00:39:36,920

what we're still alive we don't feel

974

00:39:41,620 --> 00:39:39,110

anything yet so so far so good

975

00:39:43,090 --> 00:39:41,630

no I don't they don't even mention that

976

00:39:46,150 --> 00:39:43,100

they talk about how the toothbrush

977

00:39:49,090 --> 00:39:46,160

floats in space that's what they do so

978

00:39:52,740 --> 00:39:49,100

basically we have this strange version

979

00:39:55,300 --> 00:39:52,750

of NASA where nothing in 69 to 72 says

980

00:39:57,220 --> 00:39:55,310

it turned out that there was not so

981

00:39:59,260 --> 00:39:57,230

dangerous actually the radiation you get

982

00:40:01,690 --> 00:39:59,270

through the belts is the same as getting

983

00:40:03,610 --> 00:40:01,700

three at chest x-rays in three years or

984

00:40:06,070 --> 00:40:03,620

something like that so everybody said

985

00:40:08,230 --> 00:40:06,080

okay well then okay Van Alen was wrong

986

00:40:11,470 --> 00:40:08,240

must have been wrong right nope

987

00:40:14,380 --> 00:40:11,480

because now now that your eye on mission

988

00:40:16,480 --> 00:40:14,390

the Orion project is actually planning

989

00:40:18,010 --> 00:40:16,490

and I believe for the first time to

990

00:40:20,890 --> 00:40:18,020

actually go out and go to the moon

991

00:40:23,440 --> 00:40:20,900

suddenly the radiation problem of the

992

00:40:25,330 --> 00:40:23,450

Van Allen belts is back now you have a

993

00:40:29,080 --> 00:40:25,340

video and you can look it up on YouTube

994

00:40:30,020 --> 00:40:29,090

look up Kelly Smith radiation belts

995

00:40:32,360 --> 00:40:30,030

because

996

00:40:35,960 --> 00:40:32,370

Kalas mr. - Lanza who confesses very

997

00:40:37,640 --> 00:40:35,970

candidly on camera that before we send

998

00:40:40,040 --> 00:40:37,650

people in outer space we have to cross

999

00:40:42,800 --> 00:40:40,050

this very dangerous radiation area

1000

00:40:45,040 --> 00:40:42,810

called banana bells and we need to test

1001
00:40:47,900 --> 00:40:45,050
this before we can put man through there

1002
00:40:49,790 --> 00:40:47,910
so the question comes excuse me didn't

1003
00:40:52,550 --> 00:40:49,800
we just do that 50 years ago and there

1004
00:40:54,260 --> 00:40:52,560
was no problem so you have this unique

1005
00:40:57,050 --> 00:40:54,270
situation where where after they

1006
00:40:58,310 --> 00:40:57,060
discovered an app until 1968 they are

1007
00:41:01,040 --> 00:40:58,320
defined lethal

1008
00:41:03,650 --> 00:41:01,050
by all scientific the scientific body

1009
00:41:05,200 --> 00:41:03,660
from 68 to 72 magically they become

1010
00:41:07,630 --> 00:41:05,210
harmless

1011
00:41:10,000 --> 00:41:07,640
and then after that and after today

1012
00:41:11,350 --> 00:41:10,010
they're dangerous again somebody's going

1013
00:41:15,040 --> 00:41:11,360

to clarify that or pry

1014

00:41:17,890 --> 00:41:15,050

so it's very difficult to quantify the

1015

00:41:20,320 --> 00:41:17,900

actual radiation impact because of the

1016

00:41:22,120 --> 00:41:20,330

actual angle that you take going out on

1017

00:41:25,450 --> 00:41:22,130

the tangent and all that so it's really

1018

00:41:27,490 --> 00:41:25,460

impossible to prove how much radiation

1019

00:41:30,490 --> 00:41:27,500

would the astronauts get on themselves

1020

00:41:32,590 --> 00:41:30,500

going through them but it is definitely

1021

00:41:35,140 --> 00:41:32,600

legitimate to ask excuse me if this was

1022

00:41:38,350 --> 00:41:35,150

done fifty years ago why is it a problem

1023

00:41:39,970 --> 00:41:38,360

again today and as you said before once

1024

00:41:42,760 --> 00:41:39,980

you get out there it's a whole different

1025

00:41:45,250 --> 00:41:42,770

ballgame because once you cross them you

1026
00:41:47,380 --> 00:41:45,260
really are out in outer space and that

1027
00:41:50,890 --> 00:41:47,390
that's where you get all kinds of cosmic

1028
00:41:52,930 --> 00:41:50,900
radiation gamma rays x-rays alpha

1029
00:41:54,010 --> 00:41:52,940
particles you name it and they all go

1030
00:41:56,470 --> 00:41:54,020
through the body

1031
00:41:58,750 --> 00:41:56,480
they all go through the ship there's no

1032
00:42:01,240 --> 00:41:58,760
way to stop those right and all the

1033
00:42:03,310 --> 00:42:01,250
space debris that's apparently flying

1034
00:42:05,200 --> 00:42:03,320
around our planet like thousands of

1035
00:42:06,640 --> 00:42:05,210
little pieces of metal and all kinds of

1036
00:42:08,560 --> 00:42:06,650
stuff that are apparently moving at

1037
00:42:11,170 --> 00:42:08,570
thousand miles an hour that seems pretty

1038
00:42:12,970 --> 00:42:11,180

dangerous and risky to just hop through

1039

00:42:15,130 --> 00:42:12,980

that well first of all this was not a

1040

00:42:17,470 --> 00:42:15,140

problem in 68 68 they were very few

1041

00:42:18,850 --> 00:42:17,480

satellites up there fair but today I

1042

00:42:20,380 --> 00:42:18,860

would certainly be careful what are you

1043

00:42:23,020 --> 00:42:20,390

going because yeah you have to know your

1044

00:42:25,270 --> 00:42:23,030

way to that stuff yet also if you just

1045

00:42:27,190 --> 00:42:25,280

put the astronauts statements and odd

1046

00:42:29,920 --> 00:42:27,200

body language under the microscope that

1047

00:42:33,040 --> 00:42:29,930

alone is quite telling the press

1048

00:42:35,080 --> 00:42:33,050

conference that they had three weeks

1049

00:42:38,050 --> 00:42:35,090

before after they returned from the moon

1050

00:42:39,760 --> 00:42:38,060

I'm strong Aldrin and Collins you

1051

00:42:42,550 --> 00:42:39,770

respect the most

1052

00:42:44,440 --> 00:42:42,560

the three most triumphant smiles on

1053

00:42:46,420 --> 00:42:44,450

their faces I mean in fact when they

1054

00:42:49,450 --> 00:42:46,430

come in and they go sit behind their

1055

00:42:52,000 --> 00:42:49,460

desk the entire body of journalists from

1056

00:42:54,100 --> 00:42:52,010

all over the world stands up and gives

1057

00:42:56,860 --> 00:42:54,110

them a standing ovation of some 10

1058

00:42:58,840 --> 00:42:56,870

minutes but these guys look like they're

1059

00:43:00,460 --> 00:42:58,850

in funeral yeah they have the eyes

1060

00:43:01,750 --> 00:43:00,470

looking down they look at each other

1061

00:43:04,090 --> 00:43:01,760

like what the hell are we doing here

1062

00:43:09,360 --> 00:43:04,100

what are we going to say their answers

1063

00:43:12,070 --> 00:43:09,370

are so scripted and unconvincing I mean

1064

00:43:14,590 --> 00:43:12,080

Armstrong is acid at some point he says

1065

00:43:16,030 --> 00:43:14,600

a journalist says from England says what

1066

00:43:18,070 --> 00:43:16,040

do you think this is the meaning for the

1067

00:43:22,600 --> 00:43:18,080

future of humanity and Antrim goes like

1068

00:43:25,150 --> 00:43:22,610

I think this is a very big step for the

1069

00:43:28,900 --> 00:43:25,160

future of mankind

1070

00:43:30,700 --> 00:43:28,910

I mean it's so odd so freaky and they

1071

00:43:33,280 --> 00:43:30,710

look at each other before after each

1072

00:43:34,480 --> 00:43:33,290

answer like could you see the stars from

1073

00:43:35,980 --> 00:43:34,490

the moon and they look at each other

1074

00:43:37,930 --> 00:43:35,990

like what are we going to say yes no I

1075

00:43:40,300 --> 00:43:37,940

don't know you speak now you say that I

1076

00:43:43,570 --> 00:43:40,310

mean it's really embarrassing mm-hmm and

1077

00:43:44,050 --> 00:43:43,580

you must take that if the trips were

1078

00:43:46,330 --> 00:43:44,060

faked

1079

00:43:49,120 --> 00:43:46,340

of course the astronauts would have to

1080

00:43:52,360 --> 00:43:49,130

spin on it and to convince these people

1081

00:43:55,120 --> 00:43:52,370

to have to carry this light through

1082

00:43:56,740 --> 00:43:55,130

their life must have been the hardest

1083

00:43:59,560 --> 00:43:56,750

part I think for them to swallow right

1084

00:44:01,990 --> 00:43:59,570

hey these guys grew up from the mercury

1085

00:44:04,180 --> 00:44:02,000

project the mercury seven meant many of

1086

00:44:05,770 --> 00:44:04,190

them with the dream of being one day

1087

00:44:07,810 --> 00:44:05,780

those who went to the moon

1088

00:44:09,220 --> 00:44:07,820

just imagine after you train for your

1089

00:44:11,590 --> 00:44:09,230

whole life or do you twenty years in

1090

00:44:13,660 --> 00:44:11,600

your life for this great event if coming

1091

00:44:16,000 --> 00:44:13,670

closer and closer and then a year before

1092

00:44:17,860 --> 00:44:16,010

or two days before you get on the rocket

1093

00:44:20,230 --> 00:44:17,870

for as much as far as we know you're

1094

00:44:21,550 --> 00:44:20,240

told you know what no way you can we can

1095

00:44:23,410 --> 00:44:21,560

get you back so we're gonna have to fake

1096

00:44:25,780 --> 00:44:23,420

it and you're gonna have to shut up

1097

00:44:28,000 --> 00:44:25,790

because this is basically the procedure

1098

00:44:30,250 --> 00:44:28,010

of America that's at stake right now if

1099

00:44:32,560 --> 00:44:30,260

anybody speaks you know we're going to

1100

00:44:35,710 --> 00:44:32,570

look like stupid people like like cooks

1101

00:44:37,990 --> 00:44:35,720

and and so they had to live with this

1102

00:44:40,270 --> 00:44:38,000

lie and this is I think the reason why

1103

00:44:43,570 --> 00:44:40,280

they all retire from NASA immediately

1104

00:44:46,000 --> 00:44:43,580

afterwards they all went into a very

1105

00:44:48,640 --> 00:44:46,010

very strange private life all dream

1106

00:44:51,250 --> 00:44:48,650

became alcoholic a drug addict

1107

00:44:53,740 --> 00:44:51,260

divorced three times I mean his life was

1108

00:44:55,510 --> 00:44:53,750

a wreck Armstrong retired to private

1109

00:44:57,130 --> 00:44:55,520

life never gave interview I think he

1110

00:45:00,250 --> 00:44:57,140

gave three interviews in his entire life

1111

00:45:03,760 --> 00:45:00,260

and one of those interviews wouldn't was

1112

00:45:07,810 --> 00:45:03,770

not actually very positive about NASA at

1113

00:45:09,430 --> 00:45:07,820

all three it was 1999 or 2000 he

1114

00:45:11,680 --> 00:45:09,440
presented was presented by Vice

1115

00:45:13,990 --> 00:45:11,690
President Gore at some award or

1116

00:45:17,350 --> 00:45:14,000
something he gave this speech and he

1117

00:45:19,510 --> 00:45:17,360
said we leave a lot I'm paraphrasing now

1118

00:45:23,020 --> 00:45:19,520
we leave a lot left for the new

1119

00:45:25,330 --> 00:45:23,030
generations to discover and there's

1120

00:45:27,250 --> 00:45:25,340
going to be a reward for those who can

1121

00:45:29,860 --> 00:45:27,260
remove one of many layers that cover

1122

00:45:30,830 --> 00:45:29,870
truth all right I mean what kind of talk

1123

00:45:32,870 --> 00:45:30,840
is that

1124

00:45:35,750 --> 00:45:32,880
for somebody you know what would you not

1125

00:45:37,310 --> 00:45:35,760
give us sir you just tell me that I want

1126

00:45:39,110 --> 00:45:37,320

to follow in your footsteps and now when

1127

00:45:41,090 --> 00:45:39,120

I go where you have been yeah you know

1128

00:45:42,620 --> 00:45:41,100

there's a lot of layers that cover truth

1129

00:45:44,680 --> 00:45:42,630

and Bay you guys got to work on it

1130

00:45:47,270 --> 00:45:44,690

basically that's the message he gave oh

1131

00:45:50,570 --> 00:45:47,280

and by the way I agree with you when you

1132

00:45:52,490 --> 00:45:50,580

say it doesn't mean that they never went

1133

00:45:54,140 --> 00:45:52,500

to the moon or diamond you know I never

1134

00:45:56,410 --> 00:45:54,150

said that we never went to the moon I

1135

00:45:59,450 --> 00:45:56,420

said that the Apollo missions are

1136

00:46:01,010 --> 00:45:59,460

definitely fake whether there's people

1137

00:46:03,440 --> 00:46:01,020

actually even now going back and forth

1138

00:46:05,840 --> 00:46:03,450

to the moon with different means that we

1139

00:46:07,910 --> 00:46:05,850

don't know about that are not public

1140

00:46:10,040 --> 00:46:07,920

it's very possible like I cannot exclude

1141

00:46:11,960 --> 00:46:10,050

that but I am convinced as a

1142

00:46:16,340 --> 00:46:11,970

photographer and from the research of

1143

00:46:19,040 --> 00:46:16,350

made that does the images are all staged

1144

00:46:21,080 --> 00:46:19,050

that's absolutely sure I mean that's all

1145

00:46:23,930 --> 00:46:21,090

we have access to analyze so it's all

1146

00:46:26,360 --> 00:46:23,940

the equations you can make let me give

1147

00:46:28,850 --> 00:46:26,370

you one little anecdote when I saw these

1148

00:46:31,700 --> 00:46:28,860

pictures as as a photographer and I was

1149

00:46:34,010 --> 00:46:31,710

shocked I called the guy who taught me

1150

00:46:35,600 --> 00:46:34,020

photography the guy whose assistant I

1151
00:46:37,400 --> 00:46:35,610
had been for three years and who taught

1152
00:46:39,740 --> 00:46:37,410
me everything about this business name

1153
00:46:42,020 --> 00:46:39,750
is Oliviero Toscani is in Italy is

1154
00:46:44,060 --> 00:46:42,030
extremely famous in America is

1155
00:46:46,460 --> 00:46:44,070
well-known at high levels I mean we're

1156
00:46:49,310 --> 00:46:46,470
talking about one of the ten worldwide

1157
00:46:51,770 --> 00:46:49,320
top photographers of that era so I call

1158
00:46:53,180 --> 00:46:51,780
him a persist what did you think the

1159
00:46:55,550 --> 00:46:53,190
first time you saw the Apollo pictures

1160
00:46:57,740 --> 00:46:55,560
of the moon and he said maximum I

1161
00:46:58,100 --> 00:46:57,750
thought that had they asked me to do

1162
00:47:01,400 --> 00:46:58,110
them

1163
00:47:02,930 --> 00:47:01,410

I would have done a much better job this

1164

00:47:05,000 --> 00:47:02,940

was the answer by one of the top

1165

00:47:08,660 --> 00:47:05,010

professional photographers photographers

1166

00:47:10,670 --> 00:47:08,670

no easy like like an expert on horse on

1167

00:47:13,070 --> 00:47:10,680

horses can immediately tell a quick

1168

00:47:16,040 --> 00:47:13,080

horse from from a from a loser right or

1169

00:47:17,300 --> 00:47:16,050

an expert in painting can tell us and I

1170

00:47:19,040 --> 00:47:17,310

cannot tell the difference between I

1171

00:47:21,440 --> 00:47:19,050

take Rembrandt and the real one an

1172

00:47:23,690 --> 00:47:21,450

expert it takes it takes in two seconds

1173

00:47:27,590 --> 00:47:23,700

so this is from photographers on the

1174

00:47:29,840 --> 00:47:27,600

moon pictures yeah man I am excited to

1175

00:47:32,720 --> 00:47:29,850

see your full breakdown in the film when

1176

00:47:34,880 --> 00:47:32,730

it does come out I wanted to segue a

1177

00:47:36,110 --> 00:47:34,890

little bit back to the cancer issue I

1178

00:47:39,230 --> 00:47:36,120

mean you did give us a little bit of an

1179

00:47:40,790 --> 00:47:39,240

overview but it is a pretty important

1180

00:47:42,740 --> 00:47:40,800

thing I mean you go into the chemo

1181

00:47:44,390 --> 00:47:42,750

treatment a bit which I knew was a

1182

00:47:46,910 --> 00:47:44,400

grueling process but

1183

00:47:50,000 --> 00:47:46,920

my god I did not know that it was nearly

1184

00:47:53,260 --> 00:47:50,010

as bad as it's described in the film it

1185

00:47:56,150 --> 00:47:53,270

is bad because it is actually

1186

00:47:58,430 --> 00:47:56,160

carcinogenic right and I'm not the one

1187

00:48:00,260 --> 00:47:58,440

who says that it says it on the nozzle

1188

00:48:01,730 --> 00:48:00,270

the little paper that comes with the

1189

00:48:03,470 --> 00:48:01,740

medicine when you open the medicine

1190

00:48:03,710 --> 00:48:03,480

there's a paper inside what you call

1191

00:48:06,829 --> 00:48:03,720

that

1192

00:48:08,120 --> 00:48:06,839

the flamer the list of all right the

1193

00:48:09,620 --> 00:48:08,130

paper with all the instructions it tells

1194

00:48:12,640 --> 00:48:09,630

everything about the medicine you just

1195

00:48:15,140 --> 00:48:12,650

bought and on top of many of these

1196

00:48:18,880 --> 00:48:15,150

chemotherapy drugs of the most popular

1197

00:48:22,370 --> 00:48:18,890

it says this drug is carcinogenic or

1198

00:48:25,029 --> 00:48:22,380

carcinogenic for humans and also

1199

00:48:28,519 --> 00:48:25,039

radiotherapy obviously is carcinogenic

1200

00:48:31,819 --> 00:48:28,529

so two out of the three quote unquote

1201

00:48:33,680 --> 00:48:31,829

solutions that we are offered except for

1202

00:48:35,210 --> 00:48:33,690

for surgery the other two which is radio

1203

00:48:39,859 --> 00:48:35,220

and chemotherapy are actually

1204

00:48:41,660 --> 00:48:39,869

carcinogenic now what kind of world can

1205

00:48:43,640 --> 00:48:41,670

pretend that you want to cure you when

1206

00:48:46,279 --> 00:48:43,650

they know that they're actually killing

1207

00:48:48,890 --> 00:48:46,289

you but in the process they're making a

1208

00:48:50,630 --> 00:48:48,900

lot of money of you some of these chemo

1209

00:48:53,390 --> 00:48:50,640

drugs are worth like thirty forty

1210

00:48:55,039 --> 00:48:53,400

thousand dollars a month so every every

1211

00:48:59,000 --> 00:48:55,049

month you can last on those drugs

1212

00:49:01,730 --> 00:48:59,010

somebody's making \$40,000 and the same

1213

00:49:04,819 --> 00:49:01,740

for radio right the whole radiology the

1214

00:49:08,269 --> 00:49:04,829

radiotherapy system is huge and

1215

00:49:09,799 --> 00:49:08,279

extremely expensive so of course every

1216

00:49:11,630 --> 00:49:09,809

time you go for a radio radio therapy

1217

00:49:15,049 --> 00:49:11,640

somebody makes a lot of money out there

1218

00:49:18,319 --> 00:49:15,059

right who wants to who wants to break

1219

00:49:22,279 --> 00:49:18,329

this this unless you say golden cow

1220

00:49:24,260 --> 00:49:22,289

women it's a Money Train yeah it's a

1221

00:49:26,630 --> 00:49:24,270

money-making thing and you cannot afford

1222

00:49:28,370 --> 00:49:26,640

to cure cancer because we probably going

1223

00:49:31,849 --> 00:49:28,380

to go with all this you can't sell

1224

00:49:34,190 --> 00:49:31,859

medicines anymore yeah man and you go

1225

00:49:35,599 --> 00:49:34,200

through so many cases of cancer cures

1226
00:49:37,430 --> 00:49:35,609
that have sprung up over the years and

1227
00:49:39,740 --> 00:49:37,440
then we're quickly suppressed tell us

1228
00:49:41,569 --> 00:49:39,750
about the infrastructure put in place to

1229
00:49:44,539 --> 00:49:41,579
do that because this again is a case of

1230
00:49:47,750 --> 00:49:44,549
rockefeller Morgan and Carnegie being

1231
00:49:50,289 --> 00:49:47,760
the major players responsible right well

1232
00:49:53,200 --> 00:49:50,299
the infrastructure is very simple Oh

1233
00:49:55,850 --> 00:49:53,210
after you studied it is very simple yeah

1234
00:49:59,660 --> 00:49:55,860
the AMA

1235
00:50:02,510 --> 00:49:59,670
in the 1930s took control of the over

1236
00:50:04,520 --> 00:50:02,520
the so-called naturalistic doctors up

1237
00:50:07,220 --> 00:50:04,530
until the beginning of the next century

1238
00:50:09,170 --> 00:50:07,230

the last century you could cure yourself

1239

00:50:12,520 --> 00:50:09,180

both ways with the naturalistic on the

1240

00:50:18,260 --> 00:50:12,530

allopathic doctors was both were allowed

1241

00:50:20,480 --> 00:50:18,270

1930s AMA was born and slowly they

1242

00:50:23,720 --> 00:50:20,490

started excluding the naturopathic

1243

00:50:26,030 --> 00:50:23,730

doctors and would only allow allopathic

1244

00:50:27,890 --> 00:50:26,040

doctors at the same time the

1245

00:50:29,750 --> 00:50:27,900

Rockefellers when we say Rockefellers we

1246

00:50:32,030 --> 00:50:29,760

say all the big bankers the Carnegie's

1247

00:50:34,130 --> 00:50:32,040

that the Madeleine's and all that the

1248

00:50:37,850 --> 00:50:34,140

big bankers were who are investing money

1249

00:50:41,990 --> 00:50:37,860

in chemical medicines also took control

1250

00:50:45,110 --> 00:50:42,000

of the universities by means of large

1251
00:50:48,880 --> 00:50:45,120
donations and in exchange for seats in

1252
00:50:52,820 --> 00:50:48,890
the in the board of the others

1253
00:50:55,160 --> 00:50:52,830
universities sawing in the between five

1254
00:50:57,470 --> 00:50:55,170
and ten years time they managed to take

1255
00:50:59,480 --> 00:50:57,480
controls or what was being taught at

1256
00:51:02,000 --> 00:50:59,490
university and this is why actually

1257
00:51:03,500 --> 00:51:02,010
today you have oncologist who come out

1258
00:51:06,320 --> 00:51:03,510
of the university and they're totally

1259
00:51:08,210 --> 00:51:06,330
convinced that no alternative cure is

1260
00:51:10,520 --> 00:51:08,220
available because that's what they teach

1261
00:51:12,230 --> 00:51:10,530
them they teach them out to laugh when

1262
00:51:14,120 --> 00:51:12,240
you come up with alternative cure go to

1263
00:51:16,490 --> 00:51:14,130

your oncologist who says you know

1264

00:51:18,170 --> 00:51:16,500

suppose one day I hope not you your

1265

00:51:20,360 --> 00:51:18,180

oncology tells you that your college

1266

00:51:22,130 --> 00:51:20,370

tells you that you have cancer when you

1267

00:51:24,950 --> 00:51:22,140

try to go up to him says you know doctor

1268

00:51:25,880 --> 00:51:24,960

I heard that chart cartilage works not

1269

00:51:29,300 --> 00:51:25,890

only just kind of saying how it's gonna

1270

00:51:31,640 --> 00:51:29,310

laugh at you please you know like I know

1271

00:51:34,520 --> 00:51:31,650

better that's the attitude right that

1272

00:51:36,590 --> 00:51:34,530

attitude is being taught they're not all

1273

00:51:39,500 --> 00:51:36,600

let me say this backwards are not all

1274

00:51:42,380 --> 00:51:39,510

[h__\h] in themselves it's the attitude

1275

00:51:45,440 --> 00:51:42,390

that's been taught in schools in

1276

00:51:48,650 --> 00:51:45,450

universities please don't even listen to

1277

00:51:50,630 --> 00:51:48,660

those alternative quacks you know your

1278

00:51:53,510 --> 00:51:50,640

mind is not ready to accept an

1279

00:51:55,940 --> 00:51:53,520

alternative anymore and that's why every

1280

00:51:58,370 --> 00:51:55,950

doctor you go to whenever you mention an

1281

00:52:00,380 --> 00:51:58,380

alternative cure will laugh at you I

1282

00:52:03,230 --> 00:52:00,390

always suggest you know when people ask

1283

00:52:05,300 --> 00:52:03,240

me what to do with cancer and what do I

1284

00:52:06,560 --> 00:52:05,310

do I said you know whatever you do don't

1285

00:52:07,430 --> 00:52:06,570

tell your doctor because it's going to

1286

00:52:09,560 --> 00:52:07,440

be a waste of time

1287

00:52:12,140 --> 00:52:09,570

and you're going to fight over in

1288

00:52:13,910 --> 00:52:12,150

break up your relationship with him and

1289

00:52:16,220 --> 00:52:13,920

in fact sometimes has happened that

1290

00:52:18,830 --> 00:52:16,230

people have taken an alternative route

1291

00:52:21,740 --> 00:52:18,840

and they didn't tell their doctors and

1292

00:52:23,120 --> 00:52:21,750

then they actually healed and went back

1293

00:52:25,310 --> 00:52:23,130

the doctors what the hell have you been

1294

00:52:27,560 --> 00:52:25,320

doing you supposed to be dead by now

1295

00:52:29,750 --> 00:52:27,570

and they didn't tell them as well you

1296

00:52:31,580 --> 00:52:29,760

know miracle you know because it's the

1297

00:52:33,200 --> 00:52:31,590

only way really that works for them let

1298

00:52:35,390 --> 00:52:33,210

me give you one one little anecdote it

1299

00:52:38,360 --> 00:52:35,400

to me was again something very very

1300

00:52:40,370 --> 00:52:38,370

meaningful about cancer when I moved to

1301

00:52:43,520 --> 00:52:40,380

the states I had this dog that was like

1302

00:52:45,380 --> 00:52:43,530

16 years old and one day I noticed that

1303

00:52:48,350 --> 00:52:45,390

the dog doesn't walk anymore she has

1304

00:52:50,750 --> 00:52:48,360

problems I take it to the vet that takes

1305

00:52:54,050 --> 00:52:50,760

x-rays and says look this dog has a

1306

00:52:56,090 --> 00:52:54,060

tumor on the liver this as large as the

1307

00:52:58,340 --> 00:52:56,100

liver itself basically so said I said

1308

00:52:59,660 --> 00:52:58,350

well if you want I can operate but in

1309

00:53:00,470 --> 00:52:59,670

six weeks from now this dog is going to

1310

00:53:03,170 --> 00:53:00,480

be dead anyway

1311

00:53:05,750 --> 00:53:03,180

and I said well you know operate and see

1312

00:53:08,360 --> 00:53:05,760

what happens I go home and I start

1313

00:53:09,920 --> 00:53:08,370

giving my dog shark cartilage which I

1314

00:53:13,700 --> 00:53:09,930

knew from an experience with a friend of

1315

00:53:16,310 --> 00:53:13,710

mine that works in that it stops new

1316

00:53:18,140 --> 00:53:16,320

tumors from growing it stops every

1317

00:53:20,510 --> 00:53:18,150

metastases that you have if it's small

1318

00:53:23,270 --> 00:53:20,520

enough which would be after the

1319

00:53:25,640 --> 00:53:23,280

operation it will be it gets suffocated

1320

00:53:28,010 --> 00:53:25,650

by the shark cartilage so I started

1321

00:53:31,970 --> 00:53:28,020

giving her shark cartilage and the dog

1322

00:53:34,910 --> 00:53:31,980

groups okay so move for fast forward two

1323

00:53:36,980 --> 00:53:34,920

years later the dog is now 18 has a bad

1324

00:53:39,470 --> 00:53:36,990

tooth I go back to the clinic I end up

1325

00:53:41,090 --> 00:53:39,480

by chance with the same vet he doesn't

1326
00:53:43,250 --> 00:53:41,100
remember the dog of course right so he

1327
00:53:45,790 --> 00:53:43,260
removed the tooth I tell him nothing

1328
00:53:48,350 --> 00:53:45,800
then he takes that the the paperwork and

1329
00:53:50,960 --> 00:53:48,360
stops this is wait a minute this dog

1330
00:53:52,850 --> 00:53:50,970
cannot be alive I operated this my

1331
00:53:55,640 --> 00:53:52,860
signature here I operate the carcinoma

1332
00:53:57,770 --> 00:53:55,650
two years ago it has to be dead if you

1333
00:53:59,720 --> 00:53:57,780
want to look that to you what did you do

1334
00:54:02,390 --> 00:53:59,730
what did you do says I did shark

1335
00:54:04,730 --> 00:54:02,400
cartilage and I explained everything so

1336
00:54:06,170 --> 00:54:04,740
I will for a moment he was interesting

1337
00:54:08,810 --> 00:54:06,180
because he had to dive in front of him

1338
00:54:11,720 --> 00:54:08,820

right so I said can I I said can I take

1339

00:54:13,400 --> 00:54:11,730

x-rays please just please go ahead so we

1340

00:54:16,580 --> 00:54:13,410

did a new round of x-rays and you could

1341

00:54:19,160 --> 00:54:16,590

see in the liver this little black dots

1342

00:54:21,590 --> 00:54:19,170

surrounded by like a gel like a grey gel

1343

00:54:23,000 --> 00:54:21,600

and that's exactly what shark cartilage

1344

00:54:25,970 --> 00:54:23,010

does the black

1345

00:54:28,760 --> 00:54:25,980

the dark dots were their metastasis the

1346

00:54:31,030 --> 00:54:28,770

cancer coming back and the gray gel

1347

00:54:34,340 --> 00:54:31,040

around was the shark cartilage actually

1348

00:54:37,160 --> 00:54:34,350

suffocating and killing the metastases

1349

00:54:40,820 --> 00:54:37,170

this is why the dog never had cancer

1350

00:54:41,900 --> 00:54:40,830

again so he was all like shocked is I'm

1351

00:54:42,170 --> 00:54:41,910

going to look it up I'm going to look it

1352

00:54:45,170 --> 00:54:42,180

up

1353

00:54:47,480 --> 00:54:45,180

two weeks later I walked by in front of

1354

00:54:48,440 --> 00:54:47,490

the place with the same dog and I ran

1355

00:54:50,480 --> 00:54:48,450

into him in the street

1356

00:54:52,940 --> 00:54:50,490

and I said so did you ever she has to

1357

00:54:54,560 --> 00:54:52,950

look up oh yeah I looked it up but that

1358

00:54:56,930 --> 00:54:54,570

it says it's all [h__h] basically it's

1359

00:55:00,050 --> 00:54:56,940

not really nice just it's a fad isn't it

1360

00:55:04,070 --> 00:55:00,060

ticket doesn't work and I had to talk

1361

00:55:06,140 --> 00:55:04,080

with me alive in front of him but his

1362

00:55:08,960 --> 00:55:06,150

mentality he when he went to ask

1363

00:55:10,370 --> 00:55:08,970

probably some some clinical master of

1364

00:55:13,490 --> 00:55:10,380

something some some of his colleagues

1365

00:55:15,230 --> 00:55:13,500

and they must have said it or BS so you

1366

00:55:17,390 --> 00:55:15,240

accepted it because this is their

1367

00:55:19,660 --> 00:55:17,400

mentality this is why you will never

1368

00:55:22,730 --> 00:55:19,670

have except for extremely rare

1369

00:55:26,420 --> 00:55:22,740

situations you will never have a in

1370

00:55:28,880 --> 00:55:26,430

oncology in Orthodox oncologist suggest

1371

00:55:31,280 --> 00:55:28,890

an alternative cure right that to answer

1372

00:55:33,170 --> 00:55:31,290

your question they made sure that these

1373

00:55:35,690 --> 00:55:33,180

alternative cures never are become

1374

00:55:40,130 --> 00:55:35,700

successful by simply teaching the

1375

00:55:43,040 --> 00:55:40,140

doctors to reject them upfront and you

1376

00:55:44,720 --> 00:55:43,050

also talked about how fear goes into the

1377

00:55:48,020 --> 00:55:44,730

whole thing and I get it I sometimes

1378

00:55:50,330 --> 00:55:48,030

worry if I got cancer what I really have

1379

00:55:52,490 --> 00:55:50,340

the courage to just put all my faith in

1380

00:55:54,320 --> 00:55:52,500

one of these alternatives even though

1381

00:55:56,900 --> 00:55:54,330

I've seen the research I mean it's very

1382

00:55:58,610 --> 00:55:56,910

difficult to to really follow through

1383

00:55:59,750 --> 00:55:58,620

when it's a personal thing like that I

1384

00:56:02,120 --> 00:55:59,760

mean if you came down with cancer

1385

00:56:03,800 --> 00:56:02,130

knowing what you know having done all

1386

00:56:07,370 --> 00:56:03,810

the research what would your game plan

1387

00:56:09,140 --> 00:56:07,380

be well in my particular case because I

1388

00:56:11,390 --> 00:56:09,150

have done extensive research I wouldn't

1389

00:56:14,030 --> 00:56:11,400

even go close to an Orthodox doctor I

1390

00:56:15,560 --> 00:56:14,040

would only use him to get the AG gnosis

1391

00:56:18,530 --> 00:56:15,570

and then I would go look I would go look

1392

00:56:21,560 --> 00:56:18,540

for my alternative cure but that's me

1393

00:56:24,770 --> 00:56:21,570

because I've been sat in such proximity

1394

00:56:27,080 --> 00:56:24,780

with studying this things you know and

1395

00:56:28,910 --> 00:56:27,090

in talking to for example I even there's

1396

00:56:31,190 --> 00:56:28,920

one doctor in a film named Simon Cheney

1397

00:56:33,380 --> 00:56:31,200

an Italian one who cures cancer with

1398

00:56:35,180 --> 00:56:33,390

sodium bicarbonate and I'm not going to

1399

00:56:36,859 --> 00:56:35,190

tell you now why that works but in the

1400

00:56:39,079 --> 00:56:36,869

beginning of course I was laughing at

1401
00:56:40,640 --> 00:56:39,089
yeah that you know so new macabre to

1402
00:56:43,489 --> 00:56:40,650
cure cancer then he explained to me why

1403
00:56:45,620 --> 00:56:43,499
and I accepted it but then I said I'd

1404
00:56:46,969 --> 00:56:45,630
like to interview some of you people you

1405
00:56:47,839 --> 00:56:46,979
have healed because you know what I talk

1406
00:56:50,870 --> 00:56:47,849
to them directly

1407
00:56:53,779 --> 00:56:50,880
well I ended up in three years I put

1408
00:56:56,509 --> 00:56:53,789
together a collection of maybe 40 or 50

1409
00:57:00,200 --> 00:56:56,519
patients who told me basically the same

1410
00:57:02,479 --> 00:57:00,210
story I was cancer with stage 4 stage 5

1411
00:57:03,950 --> 00:57:02,489
that was sent home to die official

1412
00:57:06,440 --> 00:57:03,960
medicine told me that they had not there

1413
00:57:08,359 --> 00:57:06,450

was nothing as they could do for me that

1414

00:57:10,759 --> 00:57:08,369

I was told to put my things in order and

1415

00:57:12,620 --> 00:57:10,769

and go home and enjoy my last days with

1416

00:57:15,319 --> 00:57:12,630

my family and that's when I started this

1417

00:57:16,910 --> 00:57:15,329

cure with dr. Simoncini and don't be

1418

00:57:18,769 --> 00:57:16,920

home suddenly I'm cured I have no more

1419

00:57:21,620 --> 00:57:18,779

cancer I didn't have to remove the

1420

00:57:24,079 --> 00:57:21,630

organs and everything so in my

1421

00:57:25,309 --> 00:57:24,089

particular case because I've you know

1422

00:57:26,959 --> 00:57:25,319

been in touch with these people I've

1423

00:57:30,200 --> 00:57:26,969

interviewed them directly I know that

1424

00:57:33,499 --> 00:57:30,210

this or any other cure like the Gerson

1425

00:57:37,279 --> 00:57:33,509

Therapy or the S II Act II do work for a

1426

00:57:38,779 --> 00:57:37,289

person who is in between a person let's

1427

00:57:40,519 --> 00:57:38,789

say who says who knows that there are

1428

00:57:42,950 --> 00:57:40,529

alternative cures but does not know for

1429

00:57:45,739 --> 00:57:42,960

sure it's a very difficult place to be

1430

00:57:47,029 --> 00:57:45,749

because on one side you don't have the

1431

00:57:49,160 --> 00:57:47,039

courage like you said to just throw

1432

00:57:50,870 --> 00:57:49,170

yourself into an alternative cure and

1433

00:57:53,209 --> 00:57:50,880

but on the other you need to understand

1434

00:57:56,329 --> 00:57:53,219

that the official medicine the academic

1435

00:57:58,160 --> 00:57:56,339

medicine preys on your fear they use the

1436

00:58:00,019 --> 00:57:58,170

fact that your fear in order to give you

1437

00:58:01,249 --> 00:58:00,029

what they want yeah once you know that

1438

00:58:03,859 --> 00:58:01,259

what they're going to give you will

1439

00:58:06,620 --> 00:58:03,869

eventually kill you because that's what

1440

00:58:09,079 --> 00:58:06,630

chemotherapy eventually does in the long

1441

00:58:10,489 --> 00:58:09,089

run to say you have a better quality of

1442

00:58:12,109 --> 00:58:10,499

life and all that well sure but then I'm

1443

00:58:16,219 --> 00:58:12,119

dead because what happens with

1444

00:58:18,109 --> 00:58:16,229

chemotherapy is that by killing or

1445

00:58:20,089 --> 00:58:18,119

trying to kill the cancer cells it also

1446

00:58:23,749 --> 00:58:20,099

kills the good cells of the immune

1447

00:58:25,759 --> 00:58:23,759

system like standing after the SWAT team

1448

00:58:27,890 --> 00:58:25,769

in the place where you know that there's

1449

00:58:30,529 --> 00:58:27,900

four terrorists but there's also 50

1450

00:58:31,849 --> 00:58:30,539

healthy 50 normal people sure you kill

1451

00:58:34,009 --> 00:58:31,859

everybody but you also killed the

1452

00:58:36,410 --> 00:58:34,019

healthy people the healthy people being

1453

00:58:40,219 --> 00:58:36,420

the immune system part that still works

1454

00:58:43,249 --> 00:58:40,229

you're relinquishing any possibilities

1455

00:58:44,749 --> 00:58:43,259

we have left to here by yourself what I

1456

00:58:47,499 --> 00:58:44,759

think is important to understand about

1457

00:58:49,480 --> 00:58:47,509

cancer is that all most of these

1458

00:58:52,750 --> 00:58:49,490

remedies do

1459

00:58:56,050 --> 00:58:52,760

actually cure cancer directly like the

1460

00:58:59,050 --> 00:58:56,060

SE Act II the hoxsey treatment or the

1461

00:59:02,620 --> 00:58:59,060

Gerson Therapy they don't actually fight

1462

00:59:05,290 --> 00:59:02,630

cancer they restore your immune system

1463

00:59:08,980 --> 00:59:05,300

and then your immune system takes care

1464

00:59:11,710 --> 00:59:08,990

of the cancer except for again a couple

1465

00:59:14,050 --> 00:59:11,720

which are shark cartilage and and

1466

00:59:16,900 --> 00:59:14,060

bicarbonate which attack directly the

1467

00:59:20,500 --> 00:59:16,910

tumor and in that they can be defined as

1468

00:59:24,010 --> 00:59:20,510

allopathic all the rest really does not

1469

00:59:27,280 --> 00:59:24,020

cure cancer it enables you to get rid of

1470

00:59:29,920 --> 00:59:27,290

cancer if you are not already at the

1471

00:59:33,640 --> 00:59:29,930

very last stage and your immune system

1472

00:59:37,780 --> 00:59:33,650

is still let's say decent you can help

1473

00:59:40,120 --> 00:59:37,790

it to become 110 percent efficient and

1474

00:59:42,930 --> 00:59:40,130

get rid of cancer if instead at that

1475

00:59:45,220 --> 00:59:42,940

point we immune system is already weak

1476

00:59:47,020 --> 00:59:45,230

debilitated and you go in the direction

1477

00:59:47,640 --> 00:59:47,030

of chemotherapy you end up killing the

1478

00:59:50,620 --> 00:59:47,650

rest

1479

00:59:52,510 --> 00:59:50,630

sure for 10 minutes you will have killed

1480

00:59:54,550 --> 00:59:52,520

cancer but by the end of the week you

1481

00:59:55,960 --> 00:59:54,560

have nothing left to defend you and when

1482

01:00:00,970 --> 00:59:55,970

cancer comes back it just eats you up

1483

01:00:02,950 --> 01:00:00,980

right I'm with you man ah and this has

1484

01:00:04,630 --> 01:00:02,960

been a lot of fun man it looks like

1485

01:00:07,660 --> 01:00:04,640

we're getting close to the finish line

1486

01:00:09,250 --> 01:00:07,670

here you've covered a lot of topics and

1487

01:00:11,590 --> 01:00:09,260

your documentaries of course you have

1488

01:00:13,780 --> 01:00:11,600

the moon landing one coming out next are

1489

01:00:15,580 --> 01:00:13,790

there any other subjects you plan on

1490

01:00:17,670 --> 01:00:15,590

tackling down the line that you want to

1491

01:00:20,530 --> 01:00:17,680

tell us about it give us a preview of

1492

01:00:22,870 --> 01:00:20,540

the next one if I have the energy the

1493

01:00:24,970 --> 01:00:22,880

brain and the time and all that that I

1494

01:00:27,250 --> 01:00:24,980

would like to do after the moon is one

1495

01:00:30,520 --> 01:00:27,260

on the economy in the banking system

1496

01:00:32,710 --> 01:00:30,530

yeah I think that's obviously the number

1497

01:00:34,930 --> 01:00:32,720

one issue of the world right now I am

1498

01:00:37,000 --> 01:00:34,940

NOT a big expert in economy so I need to

1499

01:00:38,770 --> 01:00:37,010

study a lot before I do that so that's

1500

01:00:41,680 --> 01:00:38,780

why I've been postponing it a little bit

1501

01:00:43,630 --> 01:00:41,690

and also it's but actually something

1502

01:00:46,450 --> 01:00:43,640

needs to be clarified once and for all I

1503

01:00:49,240 --> 01:00:46,460

mean this where all the whole humanity

1504

01:00:52,150 --> 01:00:49,250

is really enslaved strength now nations

1505

01:00:55,120 --> 01:00:52,160

are enslaved not people just nations are

1506

01:00:59,830 --> 01:00:55,130

enslaved in in the in the depth system

1507

01:01:01,690 --> 01:00:59,840

deaf slavery slaves of that and until

1508

01:01:02,920 --> 01:01:01,700

that is clarified and until people

1509

01:01:04,390 --> 01:01:02,930

really understand how

1510

01:01:07,329 --> 01:01:04,400

this works there's no way out of that

1511

01:01:09,579 --> 01:01:07,339

system slavery will continue in a very

1512

01:01:12,069 --> 01:01:09,589

nice form and in the formula it makes

1513

01:01:16,630 --> 01:01:12,079

you feel like you're free but really I

1514

01:01:21,280 --> 01:01:16,640

mean a country like mine has mm let me

1515

01:01:25,510 --> 01:01:21,290

think media mm billion the foreign debt

1516

01:01:27,490 --> 01:01:25,520

that we have to pay we basically put 40%

1517

01:01:30,339 --> 01:01:27,500

of the taxes we pay just to pay this

1518

01:01:32,950 --> 01:01:30,349

depth which obviously kills the entire

1519

01:01:36,040 --> 01:01:32,960

economy in our lifestyles just think

1520

01:01:38,079 --> 01:01:36,050

what we could do with 40% less taxes to

1521

01:01:41,079 --> 01:01:38,089

be paid that could go directly into the

1522

01:01:43,059 --> 01:01:41,089

economy and that really tells you what's

1523

01:01:44,760 --> 01:01:43,069

what's controlling the world I'm talking

1524

01:01:47,349 --> 01:01:44,770

about the Western of that yeah all

1525

01:01:50,290 --> 01:01:47,359

especially Europe Europe with with a

1526

01:01:52,960 --> 01:01:50,300

euro money with the currency that's been

1527

01:01:56,410 --> 01:01:52,970

unified that's really a political weapon

1528

01:01:58,839 --> 01:01:56,420

to control 27 nations with one button

1529

01:02:00,579 --> 01:01:58,849

right and you could see what happened

1530

01:02:05,049 --> 01:02:00,589

for example increase last year when when

1531

01:02:07,390 --> 01:02:05,059

Greece try to rebel or to were to react

1532

01:02:09,130 --> 01:02:07,400

and get out of Europe they immediately

1533

01:02:11,349 --> 01:02:09,140

press that button they close their banks

1534

01:02:14,289 --> 01:02:11,359

people were left with with no money and

1535

01:02:16,569 --> 01:02:14,299

obviously they had to accept the euro

1536

01:02:18,339 --> 01:02:16,579

system banking banking system because

1537

01:02:20,710 --> 01:02:18,349

otherwise you know they're gonna end up

1538

01:02:22,839 --> 01:02:20,720

with no money you control the money of a

1539

01:02:25,180 --> 01:02:22,849

country you control the country and when

1540

01:02:27,900 --> 01:02:25,190

you control the money of 27 countries

1541

01:02:29,760 --> 01:02:27,910

you control Europe

1542

01:02:31,380 --> 01:02:29,770

so from one little office somewhere in

1543

01:02:34,109 --> 01:02:31,390

Brussels out there with the capital of

1544

01:02:35,579 --> 01:02:34,119

Europe you somebody can control our life

1545

01:02:37,410 --> 01:02:35,589

this needs to be understood and

1546

01:02:40,559 --> 01:02:37,420

clarified at least it cannot be reversed

1547

01:02:42,990 --> 01:02:40,569

in a week or two but I think it's

1548

01:02:45,000 --> 01:02:43,000

necessary to make at least get that

1549

01:02:47,579 --> 01:02:45,010

information available the most possible

1550

01:02:49,170 --> 01:02:47,589

clear way so the people then can decide

1551

01:02:50,720 --> 01:02:49,180

whether they want it or not you know it

1552

01:02:53,069 --> 01:02:50,730

automatically is up to the people to

1553

01:02:56,430 --> 01:02:53,079

revolt again you cannot have a leader

1554

01:02:57,960 --> 01:02:56,440

that will go against the debate the

1555

01:03:00,720 --> 01:02:57,970

powers of the it will always be a loser

1556

01:03:02,700 --> 01:03:00,730

yeah the only way for any kind of change

1557

01:03:05,370 --> 01:03:02,710

of revolution to happen is when a large

1558

01:03:08,370 --> 01:03:05,380

enough number of people understand a

1559

01:03:11,190 --> 01:03:08,380

problem and the for the problem goes

1560

01:03:14,279 --> 01:03:11,200

away because you just unmasked it mm-hmm

1561

01:03:16,470 --> 01:03:14,289

but you can expose it but it has to be a

1562

01:03:18,539 --> 01:03:16,480

large number of people and it has to be

1563

01:03:21,059 --> 01:03:18,549

the majority as to get to a tipping

1564

01:03:23,520 --> 01:03:21,069

point a little bit is happening that

1565

01:03:26,309 --> 01:03:23,530

with vaccines and medicines there are a

1566

01:03:29,700 --> 01:03:26,319

lot of people now that don't respect

1567

01:03:32,700 --> 01:03:29,710

sins anymore and they're very weary of

1568

01:03:34,769 --> 01:03:32,710

just getting regular medicines without

1569

01:03:36,630 --> 01:03:34,779

at least checking themselves that's

1570

01:03:38,720 --> 01:03:36,640

getting near the tipping point already

1571

01:03:42,809 --> 01:03:38,730

in terms of self control of your own

1572

01:03:45,450 --> 01:03:42,819

health if that happened also with the

1573

01:03:47,700 --> 01:03:45,460

rest of our lives it's going to be fun

1574

01:03:49,799 --> 01:03:47,710

Hopa all right I'll be right along and

1575

01:03:51,779 --> 01:03:49,809

have to to see something like that

1576

01:03:53,460 --> 01:03:51,789

happened amen

1577

01:03:55,799 --> 01:03:53,470

and you are right there is a little bit

1578

01:03:58,109 --> 01:03:55,809

of Hope in some of these different areas

1579

01:04:00,240 --> 01:03:58,119

but it is true that the bankers

1580

01:04:01,620 --> 01:04:00,250

tentacles wrap around pretty much

1581

01:04:04,170 --> 01:04:01,630

everything in this world and one of my

1582

01:04:06,210 --> 01:04:04,180

favorite phrases or quotes I can't

1583

01:04:09,150 --> 01:04:06,220

remember who said it but about the way

1584

01:04:11,519 --> 01:04:09,160

the system has worked is that with

1585

01:04:13,410 --> 01:04:11,529

slavery that meant that owners had to

1586

01:04:16,019 --> 01:04:13,420

feed and clothe their slaves but an

1587

01:04:18,720 --> 01:04:16,029

economic slavery people have to feed and

1588

01:04:20,250 --> 01:04:18,730

clothe themselves yeah I just thought

1589

01:04:21,809 --> 01:04:20,260

that was an interesting way to look at

1590

01:04:24,599 --> 01:04:21,819

it because that really is the case but

1591

01:04:26,940 --> 01:04:24,609

very cool man it has been a real

1592

01:04:27,660 --> 01:04:26,950

pleasure a great range great let me just

1593

01:04:29,789 --> 01:04:27,670

ask you one thing

1594

01:04:31,559 --> 01:04:29,799

if I could do something that has me a

1595

01:04:33,299 --> 01:04:31,569

little bit if anybody wants to help me

1596

01:04:35,940 --> 01:04:33,309

with the American moon project and wants

1597

01:04:37,950 --> 01:04:35,950

to make a donation I'm I badly need that

1598

01:04:39,690 --> 01:04:37,960

because I need to travel and go

1599

01:04:41,430 --> 01:04:39,700

interview some photographers around the

1600

01:04:43,500 --> 01:04:41,440

world before I finish the film

1601
01:04:46,470 --> 01:04:43,510
if anybody has to have a GoFundMe page

1602
01:04:48,750 --> 01:04:46,480
that's called American moon so if you go

1603
01:04:50,970 --> 01:04:48,760
to go fund me.com slash American moon

1604
01:04:53,790 --> 01:04:50,980
you can find it and that information is

1605
01:04:55,410 --> 01:04:53,800
welcome there's a little bit of little

1606
01:04:57,960 --> 01:04:55,420
perks that come to you if you make a

1607
01:04:59,609 --> 01:04:57,970
donation and it's highly appreciated if

1608
01:05:02,250 --> 01:04:59,619
anybody wants to give me a hand thank

1609
01:05:03,660 --> 01:05:02,260
you of course and I also did want to

1610
01:05:06,089 --> 01:05:03,670
give you a second to remind the people

1611
01:05:08,069 --> 01:05:06,099
where to go and see your films there

1612
01:05:10,380 --> 01:05:08,079
anything else going on that might be

1613
01:05:12,630 --> 01:05:10,390

helpful for them to know about my films

1614

01:05:14,579 --> 01:05:12,640

I make them available usually they're

1615

01:05:16,800 --> 01:05:14,589

all available online on YouTube you

1616

01:05:18,450 --> 01:05:16,810

research just the titles you find them

1617

01:05:20,910 --> 01:05:18,460

you know the new American Century cancel

1618

01:05:22,770 --> 01:05:20,920

forbidden cures you'll find accounts of

1619

01:05:25,440 --> 01:05:22,780

that like 2 or 3 million views on

1620

01:05:27,720 --> 01:05:25,450

canceling cures a lot again if somebody

1621

01:05:31,650 --> 01:05:27,730

wants to give me a hand they can buy the

1622

01:05:35,609 --> 01:05:31,660

DVD from amazon.com and just look up my

1623

01:05:37,890 --> 01:05:35,619

name maximum at Zuko and all the DVDs I

1624

01:05:39,480 --> 01:05:37,900

sell are free duplications so you can

1625

01:05:42,180 --> 01:05:39,490

duplicate them and give them out to your

1626
01:05:44,579 --> 01:05:42,190
friends as much as you want and they're

1627
01:05:46,859 --> 01:05:44,589
all there there's like one one pack with

1628
01:05:48,960 --> 01:05:46,869
all the all the DVDs at once called the

1629
01:05:50,460 --> 01:05:48,970
great dice of history or you can buy

1630
01:05:53,819 --> 01:05:50,470
them circle if you're interested in some

1631
01:05:54,870 --> 01:05:53,829
titles alone that's about it that's my

1632
01:05:57,480 --> 01:05:54,880
way to support myself

1633
01:05:58,980 --> 01:05:57,490
right on well thanks for spending the

1634
01:06:00,270 --> 01:05:58,990
time with me Massimo I really do

1635
01:06:02,150 --> 01:06:00,280
appreciate it keep fighting the good

1636
01:06:04,380 --> 01:06:02,160
fight thanks again take care out there

1637
01:06:05,940 --> 01:06:04,390
I'll talk to them when the film is ready

1638
01:06:09,390 --> 01:06:05,950

when the American Lung is ready thank

1639

01:06:11,069 --> 01:06:09,400

you perfect happy days are here again

1640

01:06:15,510 --> 01:06:11,079

higher side shatters how about that

1641

01:06:18,059 --> 01:06:15,520

Massimo mizuka hmm another great guest

1642

01:06:20,910 --> 01:06:18,069

request from the O so sexy THC Plus

1643

01:06:23,069 --> 01:06:20,920

forums and I wanted to say I do so much

1644

01:06:25,710 --> 01:06:23,079

tech support and customer service for

1645

01:06:27,359 --> 01:06:25,720

THC plus forgotten passwords people who

1646

01:06:29,670 --> 01:06:27,369

can't get logged in or can't get the

1647

01:06:31,829 --> 01:06:29,680

feed or app working I handle a good

1648

01:06:33,359 --> 01:06:31,839

couple hours of those messages a week

1649

01:06:35,190 --> 01:06:33,369

and it eats up a lot of my time to

1650

01:06:38,220 --> 01:06:35,200

actually engage on the forums and have

1651

01:06:40,200 --> 01:06:38,230

some fun but I did put out a big Jared

1652

01:06:42,750 --> 01:06:40,210

Kushner thread there and I'm psyched to

1653

01:06:44,970 --> 01:06:42,760

see what you people think but anyway big

1654

01:06:46,890 --> 01:06:44,980

thanks to Massimo he's done a lot of

1655

01:06:49,319 --> 01:06:46,900

great work and to talk about marijuana

1656

01:06:51,150 --> 01:06:49,329

moon landings and suppress cancer cures

1657

01:06:53,700 --> 01:06:51,160

in one episode I thought was pretty

1658

01:06:55,330 --> 01:06:53,710

great I was hoping to get this out on

1659

01:06:57,700 --> 01:06:55,340

4/20 but

1660

01:06:59,440 --> 01:06:57,710

classic stoner fashion I didn't and you

1661

01:07:02,110 --> 01:06:59,450

know what's funny some of my detractors

1662

01:07:04,270 --> 01:07:02,120

have actually accused me of not being a

1663

01:07:06,370 --> 01:07:04,280

weed smoker that is how paranoid and

1664

01:07:08,530 --> 01:07:06,380

guarded some elements of the conspiracy

1665

01:07:10,720 --> 01:07:08,540

community are now that they don't have a

1666

01:07:12,790 --> 01:07:10,730

reason to be but to be skeptical of the

1667

01:07:15,310 --> 01:07:12,800

fact that I can be a daily smoker and

1668

01:07:16,840 --> 01:07:15,320

produce a good show maybe you should

1669

01:07:19,330 --> 01:07:16,850

change the stereotype you have in your

1670

01:07:20,860 --> 01:07:19,340

head of what a STONER can be maybe

1671

01:07:22,840 --> 01:07:20,870

you're buying into a little propaganda

1672

01:07:25,150 --> 01:07:22,850

that we have to make you lazy and stupid

1673

01:07:26,920 --> 01:07:25,160

could that just be a little more likely

1674

01:07:28,960 --> 01:07:26,930

than the idea that I'm faking it for

1675

01:07:30,730 --> 01:07:28,970

some reason it's just a little annoying

1676

01:07:32,830 --> 01:07:30,740

because I do get it from both sides I've

1677

01:07:35,230 --> 01:07:32,840

also had dozens of people write me and

1678

01:07:37,090 --> 01:07:35,240

say that they love the show but can't

1679

01:07:40,300 --> 01:07:37,100

join Plus because they don't want their

1680

01:07:42,520 --> 01:07:40,310

money to go to drugs which I say okay

1681

01:07:44,080 --> 01:07:42,530

your money won't go to drugs I'll make

1682

01:07:46,960 --> 01:07:44,090

sure that your five dollars go

1683

01:07:48,490 --> 01:07:46,970

specifically to rent is that okay do you

1684

01:07:50,440 --> 01:07:48,500

put a waiter or waitress through the

1685

01:07:52,060 --> 01:07:50,450

same scrutiny before you tip them do you

1686

01:07:54,160 --> 01:07:52,070

visit these sweatshops that make your

1687

01:07:56,530 --> 01:07:54,170

clothes and check for sobriety I mean

1688

01:07:59,380 --> 01:07:56,540

it's sort of an insane standard to hold

1689

01:08:01,960 --> 01:07:59,390

me to by comparison right but I am happy

1690

01:08:03,670 --> 01:08:01,970

to be the stoner conspiracy show and to

1691

01:08:05,950 --> 01:08:03,680

bucket least some of those stereotypes

1692

01:08:08,110 --> 01:08:05,960

it's marijuana that's largely helped to

1693

01:08:09,850 --> 01:08:08,120

pry open my mind it's helped me relax

1694

01:08:12,310 --> 01:08:09,860

hangover free after a shitty

1695

01:08:13,840 --> 01:08:12,320

nine-to-five day and retail and I think

1696

01:08:16,300 --> 01:08:13,850

it has a place in the alternative world

1697

01:08:18,460 --> 01:08:16,310

I'm glad we got to focus on the cannabis

1698

01:08:20,470 --> 01:08:18,470

conspiracy a little bit but I never want

1699

01:08:22,329 --> 01:08:20,480

to make it an obsession or overdo it

1700

01:08:25,000 --> 01:08:22,339

it's a subtle influence on the show at

1701

01:08:26,680 --> 01:08:25,010

least I hope so I try to make it that

1702

01:08:28,900 --> 01:08:26,690

way so people don't write us off as

1703

01:08:31,180 --> 01:08:28,910

silly or unserious because a lot of

1704

01:08:33,579 --> 01:08:31,190

great well-educated guests present

1705

01:08:35,290 --> 01:08:33,589

valuable and underrated research here

1706

01:08:37,750 --> 01:08:35,300

and I'm really not going to try to

1707

01:08:40,540 --> 01:08:37,760

cheapen that at all but on the subject

1708

01:08:43,420 --> 01:08:40,550

of 4/20 I did attend the cannabis cup in

1709

01:08:44,860 --> 01:08:43,430

San Bernardino and it totally exceeded

1710

01:08:47,770 --> 01:08:44,870

my expectations

1711

01:08:49,329 --> 01:08:47,780

like any convention type of event there

1712

01:08:51,340 --> 01:08:49,339

was a ton of vendors there who had

1713

01:08:53,470 --> 01:08:51,350

booths full of interesting new weed

1714

01:08:56,020 --> 01:08:53,480

related products and businesses almost

1715

01:08:58,630 --> 01:08:56,030

every booth had either a free DAB or

1716

01:09:00,579 --> 01:08:58,640

some type of edible sample so to say the

1717

01:09:03,700 --> 01:09:00,589

least by the end of the day me and my

1718

01:09:05,530 --> 01:09:03,710

people were super high and it was just

1719

01:09:07,960 --> 01:09:05,540

fun to be around so many other smokers

1720

01:09:08,340 --> 01:09:07,970

and not be worried about hiding it or

1721

01:09:10,530 --> 01:09:08,350

look

1722

01:09:12,330 --> 01:09:10,540

over my shoulder for cops I've always

1723

01:09:15,720 --> 01:09:12,340

said that drugs don't make you paranoid

1724

01:09:17,430 --> 01:09:15,730

it's the drug laws that do that so it

1725

01:09:20,250 --> 01:09:17,440

was a fun time and at the peak of my

1726

01:09:23,190 --> 01:09:20,260

high I was on a really high no pun

1727

01:09:26,849 --> 01:09:23,200

intended Ferris wheel in perfect weather

1728

01:09:28,950 --> 01:09:26,859

at sunset with 50 cent on stage planned

1729

01:09:30,900 --> 01:09:28,960

the hits and 50 cent holds a special

1730

01:09:32,550 --> 01:09:30,910

place in my heart as some good friends

1731

01:09:35,400 --> 01:09:32,560

of mine had a parody group in high

1732

01:09:37,560 --> 01:09:35,410

school called 25 cent with the album get

1733

01:09:40,320 --> 01:09:37,570

rich or die being poor so it was a

1734

01:09:43,050 --> 01:09:40,330

nostalgic moment another good anecdote

1735

01:09:45,000 --> 01:09:43,060

is I was at one booth and paid \$5 to

1736

01:09:47,430 --> 01:09:45,010

spin the wheel I'm sure you've seen this

1737

01:09:50,520 --> 01:09:47,440

kind of thing and I landed on the very

1738

01:09:52,860 --> 01:09:50,530

small sliver that said you won a 3-ounce

1739

01:09:55,530 --> 01:09:52,870

and that's pretty amazing right it

1740

01:09:58,020 --> 01:09:55,540

wasn't the best weed in the world but a

1741

01:10:01,170 --> 01:09:58,030

value of well over \$100 at least

1742

01:10:03,120 --> 01:10:01,180

probably \$200 it's like a three-week

1743

01:10:07,170 --> 01:10:03,130

supply for those of you who might not

1744

01:10:09,300 --> 01:10:07,180

know maybe my Magic's working but as for

1745

01:10:11,610 --> 01:10:09,310

today's show I'm really happy with it an

1746

01:10:13,500 --> 01:10:11,620

array of subjects most of us know some

1747

01:10:16,230 --> 01:10:13,510

stuff about but maybe some new threads

1748

01:10:17,970 --> 01:10:16,240

or bullet points were learned as always

1749

01:10:20,280 --> 01:10:17,980

we got deeper in the plus show and this

1750

01:10:22,740 --> 01:10:20,290

one we talked about where the medical

1751

01:10:24,840 --> 01:10:22,750

benefits of cannabis and the cancer

1752

01:10:26,460 --> 01:10:24,850

solutions converge talked about the

1753

01:10:28,410 --> 01:10:26,470

difference between European and American

1754

01:10:30,840 --> 01:10:28,420

healthcare systems and how that affects

1755

01:10:33,540 --> 01:10:30,850

access to alternative treatments overall

1756

01:10:35,370 --> 01:10:33,550

the story behind the SC at cancer

1757

01:10:37,320 --> 01:10:35,380

treatment the nurse and the medicine man

1758

01:10:39,570 --> 01:10:37,330

it started at all the shark cartilage

1759

01:10:41,040 --> 01:10:39,580

cure and it's controversy and I googled

1760

01:10:44,130 --> 01:10:41,050

this because this was new to me and I've

1761

01:10:46,680 --> 01:10:44,140

seen so much stuff that's saying it's

1762

01:10:49,110 --> 01:10:46,690

bunk and [h__h] and it's totally not a

1763

01:10:51,630 --> 01:10:49,120

legitimate thing but yet if you dig a

1764

01:10:54,180 --> 01:10:51,640

little deeper you will find cases where

1765

01:10:58,140 --> 01:10:54,190

people have used shark cartilage and

1766

01:11:00,720 --> 01:10:58,150

they say it fixed their cancer plenty of

1767

01:11:02,640 --> 01:11:00,730

links say that sharks do get cancer but

1768

01:11:04,380 --> 01:11:02,650

I really think that's kind of not the

1769

01:11:06,570 --> 01:11:04,390

point the point is does it help as a

1770

01:11:08,940 --> 01:11:06,580

treatment and there's a lot of

1771

01:11:10,320 --> 01:11:08,950

indications that it does but it was a

1772

01:11:12,540 --> 01:11:10,330

weird one that I hadn't really heard

1773

01:11:15,150 --> 01:11:12,550

before this show we also got into the

1774

01:11:18,060 --> 01:11:15,160

asbestos elements of 9/11 which I do

1775

01:11:20,550 --> 01:11:18,070

think are interesting and valid not that

1776

01:11:22,080 --> 01:11:20,560

it justifies a false flag in the middle

1777

01:11:23,760 --> 01:11:22,090

of New York City but

1778

01:11:26,190 --> 01:11:23,770

it furthers the point that they were

1779

01:11:27,990 --> 01:11:26,200

going to do something I actually think

1780

01:11:30,450 --> 01:11:28,000

the argument that it was built with

1781

01:11:33,570 --> 01:11:30,460

sacrifice in mind has some merit but

1782

01:11:34,950 --> 01:11:33,580

this asbestos angle can tie right into

1783

01:11:37,800 --> 01:11:34,960

that you know it's not an either/or

1784

01:11:40,140 --> 01:11:37,810

thing we also talked about the serious

1785

01:11:41,850 --> 01:11:40,150

saga Russia and current events which I

1786

01:11:44,240 --> 01:11:41,860

will say the show was recorded a few

1787

01:11:47,040 --> 01:11:44,250

weeks ago but the things we talked about

1788

01:11:48,780 --> 01:11:47,050

the things we said we kind of expected

1789

01:11:50,100 --> 01:11:48,790

to happen pretty much did and you really

1790

01:11:53,130 --> 01:11:50,110

wouldn't know that it was a few weeks

1791

01:11:55,470 --> 01:11:53,140

beforehand but I just wanted to Pat me

1792

01:11:57,810 --> 01:11:55,480

and Massimo on the back for kind of

1793

01:12:00,330 --> 01:11:57,820

being right on we also talked about the

1794

01:12:02,610 --> 01:12:00,340

history of the struggle Russia has had

1795

01:12:04,740 --> 01:12:02,620

with UFOs a little more violent than the

1796

01:12:06,870 --> 01:12:04,750

American side and we talked about

1797

01:12:08,790 --> 01:12:06,880

Massimo's assessment that the

1798

01:12:10,800 --> 01:12:08,800

competition between Russia and the

1799

01:12:13,140 --> 01:12:10,810

United States during the space race and

1800

01:12:14,970 --> 01:12:13,150

probably other areas is simulated to

1801
01:12:18,900 --> 01:12:14,980
some degree and when we were talking

1802
01:12:20,610 --> 01:12:18,910
about UFOs as if they're not the United

1803
01:12:22,830 --> 01:12:20,620
States's and they're not Russia's who

1804
01:12:26,060 --> 01:12:22,840
could they be they must be alien I do

1805
01:12:28,560 --> 01:12:26,070
think that some of them are non-human

1806
01:12:29,490 --> 01:12:28,570
technology but we did leave out the fact

1807
01:12:31,530 --> 01:12:29,500
that they could have very well been

1808
01:12:33,960 --> 01:12:31,540
German I mean I don't know what Massimo

1809
01:12:36,000 --> 01:12:33,970
thinks of that angle but we've heard

1810
01:12:39,060 --> 01:12:36,010
about the Sonora Aero Club we've heard

1811
01:12:41,610 --> 01:12:39,070
about the Nazi bell and I do think it is

1812
01:12:43,620 --> 01:12:41,620
a piece of that puzzle for sure but

1813
01:12:45,870 --> 01:12:43,630

interesting stuff overall do check out

1814

01:12:47,820 --> 01:12:45,880

his documentaries on YouTube links are

1815

01:12:50,100 --> 01:12:47,830

in the show notes and check out his site

1816

01:12:51,900 --> 01:12:50,110

by the DVD versions of these films if

1817

01:12:53,490 --> 01:12:51,910

you think that maybe you have an older

1818

01:12:55,680 --> 01:12:53,500

person in your life who might respond

1819

01:12:57,150 --> 01:12:55,690

better to a DVD Plus maybe you just want

1820

01:13:00,600 --> 01:12:57,160

to support him because he's doing great

1821

01:13:02,730 --> 01:13:00,610

work also his GoFundMe page for American

1822

01:13:04,530 --> 01:13:02,740

moon is in the show notes I would love

1823

01:13:06,120 --> 01:13:04,540

to see that get a little more support

1824

01:13:07,560 --> 01:13:06,130

because the window in which he can

1825

01:13:09,930 --> 01:13:07,570

actually interview some of these old

1826
01:13:10,500 --> 01:13:09,940
guys is closing and we really don't want

1827
01:13:14,280 --> 01:13:10,510
to miss that

1828
01:13:15,900 --> 01:13:14,290
and as always support THC if you can I

1829
01:13:17,720 --> 01:13:15,910
try to give you a lot of good shows and

1830
01:13:20,100 --> 01:13:17,730
keep the price as low as it can be

1831
01:13:22,260 --> 01:13:20,110
PayPal and the credit card processors

1832
01:13:24,300 --> 01:13:22,270
have to get their cut so I really can't

1833
01:13:26,550 --> 01:13:24,310
go any lower and most of you have been

1834
01:13:28,620 --> 01:13:26,560
listening for long enough to know that

1835
01:13:30,360 --> 01:13:28,630
you like the show go back and get those

1836
01:13:32,640 --> 01:13:30,370
second hours and you can stay current

1837
01:13:35,220 --> 01:13:32,650
from here on out if you signed up for a

1838
01:13:35,729 --> 01:13:35,230

year of the higher side chats plus you

1839

01:13:39,170 --> 01:13:35,739

would get

1840

01:13:42,180 --> 01:13:39,180

60 extra hours of content that's like 30

1841

01:13:45,090 --> 01:13:42,190

full-length movies worth in 12 months

1842

01:13:47,280 --> 01:13:45,100

for only 60 bucks so I think that it is

1843

01:13:49,890 --> 01:13:47,290

a hell of a deal and I hope you agree

1844

01:13:52,950 --> 01:13:49,900

I'm not asking you to break the bank I'm

1845

01:13:54,750 --> 01:13:52,960

hoping that collectively small amounts

1846

01:13:57,870 --> 01:13:54,760

from a large group of people can keep

1847

01:14:00,060 --> 01:13:57,880

this ship afloat and so far so good that

1848

01:14:01,890 --> 01:14:00,070

said love you guys thanks for listening

1849

01:14:04,140 --> 01:14:01,900

keep throwing off those chains and keep

1850

01:14:05,910 --> 01:14:04,150

your pimp and strong I've done my part

1851
01:14:07,650 --> 01:14:05,920
your move cannabis suppressors

1852
01:14:11,260 --> 01:14:07,660
moon-landing foragers and shadowy

1853
01:14:13,410 --> 01:14:11,270
members of the cancers of all yours

1854
01:14:22,050 --> 01:14:13,420
[Music]

1855
01:14:35,530 --> 01:14:22,060
what it's like to be on Rainmaker I

1856
01:14:37,470 --> 01:14:35,540
wonder what it's like to know down on

1857
01:14:39,690 --> 01:14:37,480
everyone

1858
01:14:42,310 --> 01:14:39,700
you can come in

1859
01:14:44,229 --> 01:14:42,320
[Music]

1860
01:14:49,530 --> 01:14:44,239
Carson

1861
01:15:21,200 --> 01:14:59,780
what like the pooper hero where I go

1862
01:15:27,910 --> 01:15:21,210
around down there

1863
01:15:34,310 --> 01:15:27,920

[Music]

1864

01:15:39,600 --> 01:15:34,320

flower here if I was wrong

1865

01:15:41,070 --> 01:15:39,610

thanks Harry when started with the whole

1866

01:15:51,040 --> 01:15:41,080

damn world

1867

01:16:01,660 --> 01:15:55,229

I wanna watch like to be the head honcho

1868

01:16:16,870 --> 01:16:01,670

I wonder what I do

1869

01:16:19,919 --> 01:16:16,880

Vegas you know what I say but I'll make

1870

01:16:19,929 --> 01:16:22,120

Oh

1871

01:16:33,440 --> 01:16:23,140

joy

1872

01:16:37,449 --> 01:16:33,450

[Music]

1873

01:16:37,459 --> 01:16:45,100

Larry started

1874

01:16:53,899 --> 01:16:50,590

we don't we don't great cause you're

1875

01:16:58,680 --> 01:16:53,909

dancing that seems to work it all heavy

1876

01:17:06,720 --> 01:16:58,690

you please don't change it all for me

1877

01:17:13,020 --> 01:17:06,730

[Music]

1878

01:17:17,379 --> 01:17:13,030

a ballet

1879

01:17:25,520 --> 01:17:22,220

we started this gig
