

# RECLUSE

NAZI OCCULTISM, DEEP STATE MAGIC, & THE NINE

PRESENTED BY THE HIGHERSIDE CHATS

1  
00:00:10,190 --> 00:00:07,130  
the planets awesome masters almost

2  
00:00:12,890 --> 00:00:10,200  
surely have a plan this clearly maybe

3  
00:00:15,980 --> 00:00:12,900  
something there beyond the realm of man

4  
00:00:19,640 --> 00:00:15,990  
and until thoroughly tested every last

5  
00:00:27,480 --> 00:00:19,650  
goes just you find more you think you

6  
00:00:43,290 --> 00:00:36,630  
[Music]

7  
00:00:47,950 --> 00:00:45,850  
here we go higher side Cheddar's another

8  
00:00:50,049 --> 00:00:47,960  
day another dive into the deep end of

9  
00:00:52,410 --> 00:00:50,059  
this weird world with an exploration of

10  
00:00:54,939 --> 00:00:52,420  
elite factions occulted ideologies

11  
00:00:56,799 --> 00:00:54,949  
geopolitics covert operations and more

12  
00:00:58,329 --> 00:00:56,809  
in the proverbial Pandora's box that

13  
00:01:00,399 --> 00:00:58,339

keeps us trucking along this

14

00:01:01,750 --> 00:01:00,409

conspiratorial path because when a lot

15

00:01:04,030 --> 00:01:01,760

of us get our first glimpse of the

16

00:01:06,160 --> 00:01:04,040

hidden hand the tendency is to see an

17

00:01:08,109 --> 00:01:06,170

overarching oligarchy controlling all of

18

00:01:10,690 --> 00:01:08,119

the world like a debilitated marionette

19

00:01:12,520 --> 00:01:10,700

but as we go deeper many of us realize

20

00:01:14,440 --> 00:01:12,530

the power path splits into so many

21

00:01:16,719 --> 00:01:14,450

divergent directions that the tangled

22

00:01:18,969 --> 00:01:16,729

web of secret societies think-tanks

23

00:01:21,160 --> 00:01:18,979

corporate interests bloodlines networks

24

00:01:23,740 --> 00:01:21,170

and covert operations seems to knotted

25

00:01:25,540 --> 00:01:23,750

up to ever fully untangle but all hope

26  
00:01:27,249 --> 00:01:25,550  
is not lost ladies and gentlemen because

27  
00:01:28,930 --> 00:01:27,259  
today's guest has been dedicated to

28  
00:01:30,760 --> 00:01:28,940  
holding a microscope to each thread

29  
00:01:32,559 --> 00:01:30,770  
woven into the conspiracy cardigan and

30  
00:01:34,600 --> 00:01:32,569  
has been basking in the warmth and

31  
00:01:37,210 --> 00:01:34,610  
comfort of his nuanced understanding for

32  
00:01:39,550 --> 00:01:37,220  
nearly a decade he's a man known as the

33  
00:01:42,279 --> 00:01:39,560  
reclusive babylon or just recluse to his

34  
00:01:43,930 --> 00:01:42,289  
friends and his blog vissa pin tracking

35  
00:01:45,940 --> 00:01:43,940  
his conspiratorial and weird stuff

36  
00:01:48,040 --> 00:01:45,950  
research journey all along the way and

37  
00:01:49,930 --> 00:01:48,050  
I'm really psyched to get into it here

38  
00:01:52,419 --> 00:01:49,940

he is the man who knows the plan blowin

39

00:01:53,680 --> 00:01:52,429

more Minds than the US military recluse

40

00:01:56,290 --> 00:01:53,690

my good sir

41

00:01:58,540 --> 00:01:56,300

welcome to the higher side thank you for

42

00:02:00,430 --> 00:01:58,550

having me Greg yeah man you got it I

43

00:02:02,469 --> 00:02:00,440

really appreciate you being here I know

44

00:02:03,999 --> 00:02:02,479

it is a little rare for you to do

45

00:02:06,400 --> 00:02:04,009

interviews which makes this all the more

46

00:02:09,369 --> 00:02:06,410

sweeter for me but because this material

47

00:02:11,410 --> 00:02:09,379

can get so complex and many researchers

48

00:02:13,540 --> 00:02:11,420

have many different takes on the

49

00:02:15,640 --> 00:02:13,550

alternative can you tell us a bit about

50

00:02:18,339 --> 00:02:15,650

what got you into these things and break

51  
00:02:20,199 --> 00:02:18,349  
down your overarching perspective and

52  
00:02:24,250 --> 00:02:20,209  
worldview when it comes to these sorts

53  
00:02:26,350 --> 00:02:24,260  
of topics uh well like a lot of people I

54  
00:02:28,390 --> 00:02:26,360  
probably started to get into the stuff

55  
00:02:30,910 --> 00:02:28,400  
at least heavily kind of during the bush

56  
00:02:32,949 --> 00:02:30,920  
two years I was kind of brought up

57  
00:02:35,380 --> 00:02:32,959  
though in a conspiratorial oriented

58  
00:02:37,750 --> 00:02:35,390  
family my father who was a green beret

59  
00:02:39,940 --> 00:02:37,760  
was quite interested in this kind of

60  
00:02:42,610 --> 00:02:39,950  
stuff I can actually remember listening

61  
00:02:45,009 --> 00:02:42,620  
to William Cooper with him probably at

62  
00:02:46,959 --> 00:02:45,019  
some point in the early to mid 90s when

63  
00:02:48,530 --> 00:02:46,969

I was only you know maybe 10 12 years

64

00:02:51,500 --> 00:02:48,540

old or something like that

65

00:02:53,420 --> 00:02:51,510

so I've definitely been yay around this

66

00:02:55,220 --> 00:02:53,430

community for quite a while and

67

00:02:56,780 --> 00:02:55,230

certainly I wouldn't have described my

68

00:02:59,240 --> 00:02:56,790

dad as aperture or anything like that

69

00:03:01,160 --> 00:02:59,250

that I would say that he had been around

70

00:03:04,190 --> 00:03:01,170

some of those circles of his day before

71

00:03:06,890 --> 00:03:04,200

so I definitely I have I would say a

72

00:03:09,589 --> 00:03:06,900

pretty decent long-standing view of the

73

00:03:11,089 --> 00:03:09,599

community in the whole and as far as it

74

00:03:14,929 --> 00:03:11,099

goes to my approach I think that

75

00:03:16,309 --> 00:03:14,939

probably started to emerge around 2011

76

00:03:18,770 --> 00:03:16,319

there's from the 12 somewhere there

77

00:03:22,160 --> 00:03:18,780

about and it was really spurred when I

78

00:03:25,069 --> 00:03:22,170

first started to look into the Oklahoma

79

00:03:27,259 --> 00:03:25,079

City bombing and as a result of that

80

00:03:28,940 --> 00:03:27,269

kind of looking into a lot of the you

81

00:03:31,369 --> 00:03:28,950

know white supremists in the UH Nazi

82

00:03:33,289 --> 00:03:31,379

groups that Timothy McVeigh had been

83

00:03:35,750 --> 00:03:33,299

associated with and that really kind of

84

00:03:37,250 --> 00:03:35,760

opened up a whole new universe of groups

85

00:03:40,640 --> 00:03:37,260

and what-have-you that you just don't

86

00:03:43,429 --> 00:03:40,650

see a lot of conventional conspiracy

87

00:03:45,020 --> 00:03:43,439

researchers delve into and from there I

88

00:03:46,940 --> 00:03:45,030

learned about organizations like the

89

00:03:50,330 --> 00:03:46,950

American Security Council in the world

90

00:03:52,849 --> 00:03:50,340

anti-communist League and that spurred

91

00:03:54,619 --> 00:03:52,859

me to look into some very you know

92

00:03:57,699 --> 00:03:54,629

arcane topics that are very rarely

93

00:04:02,449 --> 00:03:57,709

addressed even and conspiracy circles

94

00:04:04,099 --> 00:04:02,459

mm-hmm Amen man yes that is exactly kind

95

00:04:06,170 --> 00:04:04,109

of what I wanted to get into is how

96

00:04:08,539 --> 00:04:06,180

those elements are kind of left out of

97

00:04:10,969 --> 00:04:08,549

conspiracy circles and to quote your

98

00:04:13,969 --> 00:04:10,979

blog I think this does a great job of

99

00:04:15,680 --> 00:04:13,979

summing up the journey you say many that

100

00:04:17,750 --> 00:04:15,690

have asked these questions have been led

101  
00:04:20,149 --> 00:04:17,760  
down a path that will progressively defy

102  
00:04:21,830 --> 00:04:20,159  
belief first they learn of international

103  
00:04:23,719 --> 00:04:21,840  
organizations such as the Council on

104  
00:04:25,430 --> 00:04:23,729  
Foreign Relations the Royal Institute

105  
00:04:27,560 --> 00:04:25,440  
the Bilderberg Group the trilateral

106  
00:04:30,890 --> 00:04:27,570  
commission and similar think tanks along

107  
00:04:33,140 --> 00:04:30,900  
the lines of the Royal Society MIT s RI

108  
00:04:35,870 --> 00:04:33,150  
and the JSON group and it is here that

109  
00:04:37,730 --> 00:04:35,880  
many rational people hit a wall for the

110  
00:04:39,770 --> 00:04:37,740  
organizations that stand behind these

111  
00:04:41,899 --> 00:04:39,780  
groups are generally to ISA Tareq for

112  
00:04:43,399 --> 00:04:41,909  
the layman to accept for it is here that

113  
00:04:46,159 --> 00:04:43,409

we descend into the realms of

114

00:04:48,469 --> 00:04:46,169

illumination of masonry and the so

115

00:04:50,719 --> 00:04:48,479

called Society of Jesus of legendary

116

00:04:53,749 --> 00:04:50,729

knight and assassin Brotherhood where

117

00:04:55,820 --> 00:04:53,759

the line between Kabul ISM and Nazism is

118

00:04:57,680 --> 00:04:55,830

forever blurred and it is here we

119

00:05:00,440 --> 00:04:57,690

discover the occult in other words and

120

00:05:02,390 --> 00:05:00,450

that is a great set up man but the

121

00:05:05,030 --> 00:05:02,400

phrase were the line

122

00:05:07,490 --> 00:05:05,040

between Kabul ISM and Nazism is forever

123

00:05:08,990 --> 00:05:07,500

blurred that is so key because I'm

124

00:05:11,090 --> 00:05:09,000

trying to balance the show where we talk

125

00:05:12,710 --> 00:05:11,100

about pockets of power equally and if we

126

00:05:15,230 --> 00:05:12,720

talk about the Germans that I get yelled

127

00:05:17,360 --> 00:05:15,240

at for ignoring the Jewish elite and the

128

00:05:19,790 --> 00:05:17,370

more I look the less I can really

129

00:05:21,980 --> 00:05:19,800

separate those quote-unquote teams I

130

00:05:23,840 --> 00:05:21,990

mean the lines are blurred but I guess

131

00:05:26,480 --> 00:05:23,850

can you give us any kind of clarity here

132

00:05:29,930 --> 00:05:26,490

what are your thoughts on that specific

133

00:05:32,210 --> 00:05:29,940

line between Kabul ISM and Nazism well

134

00:05:34,070 --> 00:05:32,220

obviously yeah I mean there's a lot of

135

00:05:35,570 --> 00:05:34,080

overlapping interests between these

136

00:05:37,730 --> 00:05:35,580

groups and what have you I mean I'm sure

137

00:05:38,870 --> 00:05:37,740

when you're you know at that level of

138

00:05:41,450 --> 00:05:38,880

kind of the power brokers and

139

00:05:42,860 --> 00:05:41,460

what-have-you you're almost inedibly

140

00:05:44,450 --> 00:05:42,870

there's only going to be certain

141

00:05:45,920 --> 00:05:44,460

interests and so forth the people that

142

00:05:47,930 --> 00:05:45,930

kind of power would even want to pursue

143

00:05:50,090 --> 00:05:47,940

so I think a lot of times it breaks into

144

00:05:52,310 --> 00:05:50,100

sort of different visions of how things

145

00:05:54,980 --> 00:05:52,320

should manifest that there are disputes

146

00:05:56,300 --> 00:05:54,990

among the elite breaking here I'm trying

147

00:05:58,670 --> 00:05:56,310

to remember actually I think it's been a

148

00:06:00,110 --> 00:05:58,680

while since I even wrote that so I'm

149

00:06:02,710 --> 00:06:00,120

trying to remember now pretty feel like

150

00:06:05,990 --> 00:06:02,720

what I was going with this with um oh

151

00:06:08,750 --> 00:06:06,000

gosh yeah I'm actually controlling a

152

00:06:11,000 --> 00:06:08,760

blank on that one right now sorry no

153

00:06:12,740 --> 00:06:11,010

worries man it is complex stuff and we

154

00:06:14,690 --> 00:06:12,750

are just still trying to get warmed up

155

00:06:16,909 --> 00:06:14,700

here but I do think you nailed it when

156

00:06:19,010 --> 00:06:16,919

you talked about that particular line I

157

00:06:20,629 --> 00:06:19,020

think at a certain level that is the

158

00:06:23,060 --> 00:06:20,639

division and you do have guys like

159

00:06:25,370 --> 00:06:23,070

Joseph Ferrell talking about a fascist

160

00:06:27,230 --> 00:06:25,380

faction I know your guy Chris Knowles

161

00:06:29,810 --> 00:06:27,240

also talked about this aspect to get

162

00:06:31,610 --> 00:06:29,820

them out oh yeah yeah Jim Marrs would

163

00:06:33,710 --> 00:06:31,620

obviously be a big one too

164

00:06:35,510 --> 00:06:33,720

really I think Farrell and bars have

165

00:06:38,150 --> 00:06:35,520

probably been the two researchers that

166

00:06:41,500 --> 00:06:38,160

have really shaped a lot of the you know

167

00:06:43,909 --> 00:06:41,510

occult not the sort of perspective and

168

00:06:48,350 --> 00:06:43,919

definitely researched I would say I have

169

00:06:50,629 --> 00:06:48,360

some with fair so well I think in case

170

00:06:52,490 --> 00:06:50,639

of Jim Marrs who's of one I'm somewhat

171

00:06:55,600 --> 00:06:52,500

familiar with I mean I definitely think

172

00:06:58,159 --> 00:06:55,610

he tends to go a little too far into the

173

00:07:00,740 --> 00:06:58,169

Council on Foreign Relations overlord

174

00:07:02,960 --> 00:07:00,750

perspective if you will I mean the CFR

175

00:07:05,240 --> 00:07:02,970

obviously has a lot of power no doubt

176

00:07:07,129 --> 00:07:05,250

that uh it's not the only game in town

177

00:07:09,529 --> 00:07:07,139

and I tend to think in general it's been

178

00:07:11,990 --> 00:07:09,539

misrepresented by a lot of researchers

179

00:07:13,790 --> 00:07:12,000

as to what its initial objectives were

180

00:07:14,700 --> 00:07:13,800

and you know how its kind of developed

181

00:07:17,070 --> 00:07:14,710

over the years

182

00:07:18,480 --> 00:07:17,080

obviously you know kind of emerged out

183

00:07:20,100 --> 00:07:18,490

of the round table groups which had

184

00:07:21,840 --> 00:07:20,110

their origins towards the end of the

185

00:07:24,960 --> 00:07:21,850

late nineteenth early twentieth century

186

00:07:27,540 --> 00:07:24,970

and they in turn actually seem to have

187

00:07:30,570 --> 00:07:27,550

been associated with even more exclusive

188

00:07:33,960 --> 00:07:30,580

sect known as the pilgrim society which

189

00:07:36,120 --> 00:07:33,970

you very very rarely hear addressed I've

190

00:07:37,830 --> 00:07:36,130

even heard Alex Jones for instance who's

191

00:07:39,900 --> 00:07:37,840

obsessed with this kind of research has

192

00:07:43,680 --> 00:07:39,910

deliberately censored references to the

193

00:07:45,930 --> 00:07:43,690

pilgrim society but anywho in essence

194

00:07:47,730 --> 00:07:45,940

the round table groups and the

195

00:07:49,560 --> 00:07:47,740

Institute's that emerge from it such as

196

00:07:50,400 --> 00:07:49,570

the CFR in the world inclusion of

197

00:07:53,370 --> 00:07:50,410

what-have-you

198

00:07:54,950 --> 00:07:53,380

were primarily concerned with expanding

199

00:07:57,930 --> 00:07:54,960

the influence of the British Empire

200

00:07:59,820 --> 00:07:57,940

principally by reuniting the British

201  
00:08:02,010 --> 00:07:59,830  
Empire in the United States into some

202  
00:08:04,200 --> 00:08:02,020  
kind of you know political structure

203  
00:08:06,629 --> 00:08:04,210  
along with a lot of the other crowned

204  
00:08:08,939 --> 00:08:06,639  
colonies such as Australia and New

205  
00:08:13,020 --> 00:08:08,949  
Zealand in South Africa and so forth and

206  
00:08:15,659 --> 00:08:13,030  
that was really the primary focus they

207  
00:08:16,469 --> 00:08:15,669  
had on internationalism and globalism if

208  
00:08:19,350 --> 00:08:16,479  
you will

209  
00:08:21,240 --> 00:08:19,360  
leading up to the Second World War it

210  
00:08:23,939 --> 00:08:21,250  
really wasn't until after the second

211  
00:08:25,529 --> 00:08:23,949  
world war that the lead faction that are

212  
00:08:29,339 --> 00:08:25,539  
generally referred to as globalist

213  
00:08:31,909 --> 00:08:29,349

genuinely became globalists so even

214

00:08:35,219 --> 00:08:31,919

despite that there was a long-standing

215

00:08:38,130 --> 00:08:35,229

strong scent of Anglophilia within the

216

00:08:41,670 --> 00:08:38,140

Council on Foreign Relations SiC and I

217

00:08:43,350 --> 00:08:41,680

suspected this day there's still an

218

00:08:44,640 --> 00:08:43,360

agenda that's focused around the British

219

00:08:47,130 --> 00:08:44,650

Empire and that's something would you

220

00:08:49,290 --> 00:08:47,140

kind of look into a lot of the

221

00:08:51,210 --> 00:08:49,300

roundtable affiliates from Britain

222

00:08:53,699 --> 00:08:51,220

itself a lot of these people actually

223

00:08:56,569 --> 00:08:53,709

became very opposed to the European

224

00:08:58,949 --> 00:08:56,579

Union beginning in the 60s and 70s and

225

00:09:00,720 --> 00:08:58,959

ironically a lot of them are usually

226

00:09:03,180 --> 00:09:00,730

considered to be staunch nationalists

227

00:09:05,310 --> 00:09:03,190

now in the United Kingdom's

228

00:09:06,780 --> 00:09:05,320

whereas obviously that's very different

229

00:09:08,819 --> 00:09:06,790

from how the sort of round table groups

230

00:09:10,980 --> 00:09:08,829

are perceived in the United States I

231

00:09:12,329 --> 00:09:10,990

think I may be lost when the point you

232

00:09:14,610 --> 00:09:12,339

were talking about there for a minute

233

00:09:16,740 --> 00:09:14,620

nah man I really love it I find this

234

00:09:18,150 --> 00:09:16,750

also interesting and I guess the

235

00:09:20,010 --> 00:09:18,160

simplification a lot of people are

236

00:09:22,319 --> 00:09:20,020

putting on is that we have this Zionist

237

00:09:25,530 --> 00:09:22,329

globalists One World Order Jewish

238

00:09:28,230 --> 00:09:25,540

faction and this other fascist Nazi

239

00:09:28,620 --> 00:09:28,240

nationalist side and I guess I'm just

240

00:09:31,350 --> 00:09:28,630

wondering

241

00:09:33,420 --> 00:09:31,360

mean if these two are really divided or

242

00:09:35,130 --> 00:09:33,430

if they're just played off each other

243

00:09:37,440 --> 00:09:35,140

from a higher level if it's more of a

244

00:09:42,120 --> 00:09:37,450

two puppets one-hand situation and just

245

00:09:44,370 --> 00:09:42,130

a divisive polarizing dichotomy to get

246

00:09:46,890 --> 00:09:44,380

people trapped is that kind of how you

247

00:09:50,100 --> 00:09:46,900

see it that maybe that separation tends

248

00:09:52,980 --> 00:09:50,110

to dissolve when you get to the higher

249

00:09:55,350 --> 00:09:52,990

levels yes I mean certainly and I mean

250

00:09:57,330 --> 00:09:55,360

there's a lot of you see a lot of these

251  
00:09:59,880 --> 00:09:57,340  
you know affiliations that are very

252  
00:10:03,090 --> 00:09:59,890  
strange and especially with the Zionist

253  
00:10:05,430 --> 00:10:03,100  
faction certainly because typically most

254  
00:10:07,470 --> 00:10:05,440  
researchers tend to affiliate them with

255  
00:10:08,910 --> 00:10:07,480  
you know the kind of Anglo-American the

256  
00:10:11,700 --> 00:10:08,920  
lead and of course this whole sea of our

257  
00:10:14,430 --> 00:10:11,710  
network we were talking about but again

258  
00:10:16,770 --> 00:10:14,440  
I would say that the CFR was very

259  
00:10:18,750 --> 00:10:16,780  
reluctant and embracing Israel in the

260  
00:10:20,580 --> 00:10:18,760  
first place a lot of it seems to have

261  
00:10:22,980 --> 00:10:20,590  
been driven by the American partners

262  
00:10:24,810 --> 00:10:22,990  
there's a lot of interesting theories as

263  
00:10:27,890 --> 00:10:24,820

to why the American partners opted to

264

00:10:31,620 --> 00:10:27,900

pack Israel but regardless they did and

265

00:10:33,990 --> 00:10:31,630

the European partners seem to have very

266

00:10:36,150 --> 00:10:34,000

early become disillusioned with this and

267

00:10:38,610 --> 00:10:36,160

nowadays especially in the you know more

268

00:10:40,860 --> 00:10:38,620

modern era I mean a lot of the most

269

00:10:43,380 --> 00:10:40,870

vocal opponents of Israel tend to come

270

00:10:45,570 --> 00:10:43,390

from the EU and that tended to create

271

00:10:48,270 --> 00:10:45,580

this sort of bizarre situation where

272

00:10:51,120 --> 00:10:48,280

increasingly Israel made common cause

273

00:10:52,230 --> 00:10:51,130

with the far-right especially you know

274

00:10:53,850 --> 00:10:52,240

organizations like the world

275

00:10:57,120 --> 00:10:53,860

anti-communist League which you know

276

00:11:00,000 --> 00:10:57,130

were littered with many former Nazis

277

00:11:02,490 --> 00:11:00,010

quote-unquote and you know obviously

278

00:11:05,540 --> 00:11:02,500

this is a very strange situation but the

279

00:11:07,920 --> 00:11:05,550

flip side of the coin Israel was sort of

280

00:11:09,960 --> 00:11:07,930

it was a lot of ways it was a natural

281

00:11:12,630 --> 00:11:09,970

alliance for Israel because the WACA

282

00:11:16,260 --> 00:11:12,640

also brought together South Africa and

283

00:11:19,020 --> 00:11:16,270

Taiwan two nations who much like Israel

284

00:11:21,030 --> 00:11:19,030

were essentially apartheid nations so

285

00:11:23,310 --> 00:11:21,040

there were these mutual interests there

286

00:11:27,390 --> 00:11:23,320

with some of these other affiliates in

287

00:11:28,860 --> 00:11:27,400

this group and yeah I mean so it kind of

288

00:11:30,990 --> 00:11:28,870

begs the question are they united in

289

00:11:32,880 --> 00:11:31,000

some sort of unified fronts maybe in

290

00:11:35,190 --> 00:11:32,890

some levels the different factions that

291

00:11:37,350 --> 00:11:35,200

there definitely seems to be a situation

292

00:11:39,210 --> 00:11:37,360

where in the case of kind of the

293

00:11:41,430 --> 00:11:39,220

European believe there is a perspective

294

00:11:42,120 --> 00:11:41,440

that Israel has really become an

295

00:11:44,910 --> 00:11:42,130

embarrassed

296

00:11:47,700 --> 00:11:44,920

and a major detriment to the greater

297

00:11:49,560 --> 00:11:47,710

global project which you know is rather

298

00:11:51,600 --> 00:11:49,570

obvious when you look at the anger that

299

00:11:55,350 --> 00:11:51,610

Israel's existence causes amongst the

300

00:11:57,000 --> 00:11:55,360

Islamic world so yes you have this kind

301  
00:11:58,860 --> 00:11:57,010  
of bizarre situation where increasingly

302  
00:12:01,170 --> 00:11:58,870  
the Jews have had to align more and more

303  
00:12:03,270 --> 00:12:01,180  
with Nazis because they're you know

304  
00:12:04,740 --> 00:12:03,280  
historic allies and the banking sector

305  
00:12:08,730 --> 00:12:04,750  
now consider them to be a kind of

306  
00:12:10,830 --> 00:12:08,740  
economic liability but again is this the

307  
00:12:13,230 --> 00:12:10,840  
actual situation or is that an elaborate

308  
00:12:15,690 --> 00:12:13,240  
ruse that's kind of the question and I

309  
00:12:17,190 --> 00:12:15,700  
don't know pretend to really know this I

310  
00:12:18,840 --> 00:12:17,200  
don't think anybody really knows that

311  
00:12:20,160 --> 00:12:18,850  
and we couldn't probably know that

312  
00:12:21,960 --> 00:12:20,170  
unless we're you know then the

313  
00:12:25,860 --> 00:12:21,970

boardrooms of power and what-have-you

314

00:12:27,900 --> 00:12:25,870

mm-hmm obviously it's a very very murky

315

00:12:30,180 --> 00:12:27,910

situation that's probably not as

316

00:12:33,450 --> 00:12:30,190

clear-cut I think as a lot of conspiracy

317

00:12:35,190 --> 00:12:33,460

researchers like to get into right

318

00:12:37,610 --> 00:12:35,200

and that I do agree with you on is

319

00:12:40,410 --> 00:12:37,620

there's a lot of nuances that get

320

00:12:42,960 --> 00:12:40,420

overlooked with the singular narratives

321

00:12:44,970 --> 00:12:42,970

and I try to avoid that as much as I can

322

00:12:46,800 --> 00:12:44,980

but the same time you try to seek some

323

00:12:48,060 --> 00:12:46,810

kind of clarity and that kind of makes

324

00:12:51,060 --> 00:12:48,070

those singular narratives more

325

00:12:53,550 --> 00:12:51,070

attractive but one series you have that

326

00:12:55,770 --> 00:12:53,560

I really love is a nine part and

327

00:12:57,960 --> 00:12:55,780

counting one that you have called fringe

328

00:13:00,000 --> 00:12:57,970

the strange and terrible history of the

329

00:13:02,100 --> 00:13:00,010

far-right and high weirdness because as

330

00:13:03,600 --> 00:13:02,110

I've been talking to guys like Chris

331

00:13:05,250 --> 00:13:03,610

Knowles and Gordon white and Joseph

332

00:13:07,620 --> 00:13:05,260

Ferrell I have really started to notice

333

00:13:09,270 --> 00:13:07,630

this nexus of far-right fascist and how

334

00:13:12,530 --> 00:13:09,280

intertwined they are with the majority

335

00:13:14,880 --> 00:13:12,540

of UFO stories and ET whistleblowers

336

00:13:16,850 --> 00:13:14,890

MKULTRA and artichoke and these deep

337

00:13:19,800 --> 00:13:16,860

state torture and abuse projects

338

00:13:22,080 --> 00:13:19,810

corporations like IG Farben and Merck

339

00:13:24,150 --> 00:13:22,090

eugenics campaigns in this crossroads

340

00:13:26,640 --> 00:13:24,160

between the occult and cutting edge

341

00:13:28,500 --> 00:13:26,650

technology and this fascist side of the

342

00:13:30,420 --> 00:13:28,510

coin seems to be stepping further out

343

00:13:32,280 --> 00:13:30,430

from behind the curtain these days but

344

00:13:34,140 --> 00:13:32,290

what can you tell us about this curious

345

00:13:36,000 --> 00:13:34,150

connection between the far right and

346

00:13:38,430 --> 00:13:36,010

what we could broadly call high

347

00:13:41,130 --> 00:13:38,440

weirdness or occult magic I mean how far

348

00:13:43,260 --> 00:13:41,140

back can you take this well I mean it

349

00:13:45,990 --> 00:13:43,270

definitely seems to going back to at

350

00:13:47,730 --> 00:13:46,000

least the post war era when you had you

351  
00:13:49,830 --> 00:13:47,740  
know a lot of the UFO counters the first

352  
00:13:52,470 --> 00:13:49,840  
wave of modern UFO encounters I should

353  
00:13:54,810 --> 00:13:52,480  
say the broke out in that period and in

354  
00:13:56,730 --> 00:13:54,820  
the case of Roswell which is one of the

355  
00:13:59,450 --> 00:13:56,740  
obviously the major incidences of this

356  
00:14:02,070 --> 00:13:59,460  
kind of mythos a lot of the generals

357  
00:14:04,410 --> 00:14:02,080  
associated with Roswell in the material

358  
00:14:06,360 --> 00:14:04,420  
would later end up being connected to

359  
00:14:09,600 --> 00:14:06,370  
the American Security Council which was

360  
00:14:12,000 --> 00:14:09,610  
for many years the kind of pinnacle

361  
00:14:13,980 --> 00:14:12,010  
outpost of the far right in the United

362  
00:14:16,560 --> 00:14:13,990  
States and it was also a vast

363  
00:14:19,530 --> 00:14:16,570

intelligence network as well originally

364

00:14:22,500 --> 00:14:19,540

it was designed to basically engage in

365

00:14:24,780 --> 00:14:22,510

blacklisting it kept thousands probably

366

00:14:27,210 --> 00:14:24,790

tens of thousands of records on American

367

00:14:29,670 --> 00:14:27,220

workers and their political views and

368

00:14:31,260 --> 00:14:29,680

what-have-you and then later on it

369

00:14:32,970 --> 00:14:31,270

became involved in just a host of

370

00:14:34,860 --> 00:14:32,980

incredible things drug trafficking

371

00:14:37,920 --> 00:14:34,870

supporting a lot of contours of Michigan

372

00:14:40,320 --> 00:14:37,930

in Afghanistan well anyway with the ASC

373

00:14:42,120 --> 00:14:40,330

they originally kind of became an

374

00:14:45,600 --> 00:14:42,130

intelligence organization in the early

375

00:14:47,220 --> 00:14:45,610

years to focus on blacklisting basically

376

00:14:48,960 --> 00:14:47,230

chronicling the political beliefs of

377

00:14:50,280 --> 00:14:48,970

American workers and what-have-yous of

378

00:14:52,260 --> 00:14:50,290

the corporations could essentially

379

00:14:54,960 --> 00:14:52,270

discriminate against individuals of

380

00:14:57,570 --> 00:14:54,970

liberal persuasion and then from there

381

00:15:00,090 --> 00:14:57,580

that had got into a host of major deep

382

00:15:02,550 --> 00:15:00,100

state activities they've been linked to

383

00:15:04,320 --> 00:15:02,560

drug trafficking and arms trafficking a

384

00:15:06,240 --> 00:15:04,330

lot of international terrorism

385

00:15:08,550 --> 00:15:06,250

especially in the 80s with contra

386

00:15:11,400 --> 00:15:08,560

networks and regime in Afghanistan and

387

00:15:12,690 --> 00:15:11,410

what happened to do but from the very

388

00:15:15,660 --> 00:15:12,700

beginning there were just a lot

389

00:15:19,050 --> 00:15:15,670

individuals in this you know network

390

00:15:21,060 --> 00:15:19,060

that had these keen interest in doing

391

00:15:23,460 --> 00:15:21,070

those and other kinds of arcane topics a

392

00:15:26,520 --> 00:15:23,470

lot of the generals had been involved in

393

00:15:27,960 --> 00:15:26,530

Roswell all this would include Nathan xx

394

00:15:30,770 --> 00:15:27,970

who was considered author who's also

395

00:15:34,320 --> 00:15:30,780

widely listed as a majestic 12 number

396

00:15:36,480 --> 00:15:34,330

Curtis LeMay bombs away LeMay who was

397

00:15:39,120 --> 00:15:36,490

probably kubert's inspiration for the

398

00:15:42,870 --> 00:15:39,130

character of a general Jackie Ripper in

399

00:15:44,090 --> 00:15:42,880

dr. Strangelove LeMay was pretty crazy

400

00:15:46,380 --> 00:15:44,100

to put it mildly

401  
00:15:48,060 --> 00:15:46,390  
Thomas Powers I mean some of these other

402  
00:15:49,650 --> 00:15:48,070  
generals in there and then you had some

403  
00:15:51,600 --> 00:15:49,660  
other curious figures that became

404  
00:15:54,480 --> 00:15:51,610  
involved with the ASCE early in the game

405  
00:15:57,750 --> 00:15:54,490  
like Stefan pausing I believe that's how

406  
00:15:59,670 --> 00:15:57,760  
the name is pronounced it could very

407  
00:16:02,340 --> 00:15:59,680  
well be butchering at those I'm very

408  
00:16:03,960 --> 00:16:02,350  
back to pronunciations but I'm posny

409  
00:16:06,240 --> 00:16:03,970  
originally had promoted a lot of

410  
00:16:07,720 --> 00:16:06,250  
nationalist movements in first Austria

411  
00:16:09,430 --> 00:16:07,730  
and then later a few other

412  
00:16:12,340 --> 00:16:09,440  
European countries before the Nazis

413  
00:16:14,560 --> 00:16:12,350

drove into the United States he was an

414

00:16:17,170 --> 00:16:14,570

absolutely navigable proponent of

415

00:16:19,329 --> 00:16:17,180

eugenics and had tried to incorporate

416

00:16:21,460 --> 00:16:19,339

something into the US air force after he

417

00:16:22,860 --> 00:16:21,470

ended up here during the war he worked

418

00:16:26,050 --> 00:16:22,870

with the Office of Naval Intelligence

419

00:16:29,139 --> 00:16:26,060

shortly afterwards the war had ended he

420

00:16:32,800 --> 00:16:29,149

became involved in a highly positive UFO

421

00:16:35,350 --> 00:16:32,810

study group in the early 1950s that was

422

00:16:38,800 --> 00:16:35,360

not affiliated with Bluebook this was an

423

00:16:40,540 --> 00:16:38,810

even more secretive Air Force group I

424

00:16:42,370 --> 00:16:40,550

think it was simply known as something

425

00:16:45,910 --> 00:16:42,380

like the UFO study group or something to

426

00:16:47,740 --> 00:16:45,920

that effect but after you joined the ASC

427

00:16:50,829 --> 00:16:47,750

posny would also hook up with Edward

428

00:16:53,590 --> 00:16:50,839

Teller who you know also I mean goes up

429

00:16:55,900 --> 00:16:53,600

a lot in the UFO literature posny would

430

00:16:58,090 --> 00:16:55,910

come on to become a major proponent of

431

00:17:01,810 --> 00:16:58,100

what will become the Strategic Defense

432

00:17:04,630 --> 00:17:01,820

Initiative Star Wars he would display a

433

00:17:07,240 --> 00:17:04,640

lot of interest in particle beam-weapons

434

00:17:09,640 --> 00:17:07,250

and kinetic energy and things that are

435

00:17:12,960 --> 00:17:09,650

typically associated with Tesla weapons

436

00:17:16,090 --> 00:17:12,970

another figure within dozen das the

437

00:17:19,600 --> 00:17:16,100

National Security Council by the 1980s

438

00:17:21,460 --> 00:17:19,610

reputedly was Colonel Michael Quinto who

439

00:17:23,140 --> 00:17:21,470

I'm sure a lot of your readers don't

440

00:17:24,819 --> 00:17:23,150

need much introduction to he was of

441

00:17:28,449 --> 00:17:24,829

course the infamous founder of the

442

00:17:30,789 --> 00:17:28,459

temple of said so you know going back to

443

00:17:33,430 --> 00:17:30,799

at least the foundation of the ASC in

444

00:17:35,350 --> 00:17:33,440

the 1950s and kind of his proto groups

445

00:17:37,750 --> 00:17:35,360

like that just the knie on the present

446

00:17:39,430 --> 00:17:37,760

danger Mach one which featured been over

447

00:17:41,799 --> 00:17:39,440

bullish and a lot of the other kind of

448

00:17:44,500 --> 00:17:41,809

architects of the American

449

00:17:47,620 --> 00:17:44,510

military-industrial complex these ties

450

00:17:49,590 --> 00:17:47,630

kind of began I think a lot of it might

451

00:17:53,440 --> 00:17:49,600

have gone back to Roswell

452

00:17:55,270 --> 00:17:53,450

Roswell of course there's a lot of

453

00:17:57,220 --> 00:17:55,280

interesting theories going on into what

454

00:17:58,510 --> 00:17:57,230

actually happened in Roswell I think one

455

00:18:01,810 --> 00:17:58,520

of the most compelling put forth by

456

00:18:03,640 --> 00:18:01,820

Christopher Nolan and his lucifer's

457

00:18:06,130 --> 00:18:03,650

technology series which he kind of

458

00:18:08,649 --> 00:18:06,140

dubbed it the Roswell working there may

459

00:18:13,330 --> 00:18:08,659

well have been some kind of

460

00:18:15,860 --> 00:18:13,340

magical aspect of the Roswell incident

461

00:18:16,940 --> 00:18:15,870

certainly the possibility would exist

462

00:18:18,380 --> 00:18:16,950

when you look at some of the other

463

00:18:20,659 --> 00:18:18,390

things that were going on at the same

464

00:18:22,789 --> 00:18:20,669

time and interestingly the Intelligence

465

00:18:24,310 --> 00:18:22,799

Agency that's most associated with the

466

00:18:27,080 --> 00:18:24,320

Roswell incident was the

467

00:18:29,990 --> 00:18:27,090

counterintelligence corps the US Army

468

00:18:31,909 --> 00:18:30,000

the CIC shortly after the Roswell

469

00:18:34,970 --> 00:18:31,919

incident would become involved in CIA's

470

00:18:37,009 --> 00:18:34,980

artichoke project they had also been

471

00:18:38,750 --> 00:18:37,019

engaged in their own quote/unquote

472

00:18:41,960 --> 00:18:38,760

enhanced interrogation methods priors

473

00:18:43,879 --> 00:18:41,970

artichoke being launched with the group

474

00:18:45,710 --> 00:18:43,889

that they had called the rough boys that

475

00:18:48,470 --> 00:18:45,720

specialized in special interrogations

476  
00:18:50,779 --> 00:18:48,480  
there was another individual named Lee

477  
00:18:52,490 --> 00:18:50,789  
Baxter who was also considered to be

478  
00:18:54,320 --> 00:18:52,500  
something of an architect of

479  
00:18:57,680 --> 00:18:54,330  
narco-hypnosis and that type of thing to

480  
00:18:59,180 --> 00:18:57,690  
work with the CIC and the CIC was also

481  
00:19:00,080 --> 00:18:59,190  
involved with the ratlines and

482  
00:19:04,070 --> 00:19:00,090  
what-have-you

483  
00:19:06,470 --> 00:19:04,080  
so the CIC definitely seems to have been

484  
00:19:09,830 --> 00:19:06,480  
involved with a lot of arcane research

485  
00:19:11,840 --> 00:19:09,840  
and the years following the Second World

486  
00:19:14,720 --> 00:19:11,850  
War and at the time when Roswell

487  
00:19:17,659 --> 00:19:14,730  
unfolded the CIA the CIA that exists

488  
00:19:19,490 --> 00:19:17,669

today not exist at the time there was a

489

00:19:21,740 --> 00:19:19,500

Central Intelligence Group but it was a

490

00:19:23,240 --> 00:19:21,750

pretty marginal institution the

491

00:19:24,860 --> 00:19:23,250

counterintelligence corps was one of the

492

00:19:27,379 --> 00:19:24,870

most powerful intelligence agencies

493

00:19:28,490 --> 00:19:27,389

we've really had at the time and they

494

00:19:31,789 --> 00:19:28,500

would have certainly been a repository

495

00:19:34,610 --> 00:19:31,799

of a lot of strange and information at

496

00:19:36,769 --> 00:19:34,620

this era so you have kind of this

497

00:19:38,389 --> 00:19:36,779

process where a lot of these CSE men

498

00:19:41,259 --> 00:19:38,399

were involved in Roswell and then later

499

00:19:45,200 --> 00:19:41,269

on you have the CIC men appearing and

500

00:19:47,659 --> 00:19:45,210

conjunction with artichoke artichoke had

501  
00:19:49,490 --> 00:19:47,669  
a lot of ties to the far right of the

502  
00:19:52,039 --> 00:19:49,500  
kind of man who ultimately oversaw

503  
00:19:54,379 --> 00:19:52,049  
project artichoke was General Paul

504  
00:19:57,379 --> 00:19:54,389  
Gaynor who managed the project out of

505  
00:20:01,490 --> 00:19:57,389  
the office of security security research

506  
00:20:03,560 --> 00:20:01,500  
staff Gaynor was an absolutely fanatical

507  
00:20:05,769 --> 00:20:03,570  
right-wing extremist he maintained what

508  
00:20:09,139 --> 00:20:05,779  
was known as the bag file in the CIA

509  
00:20:11,389 --> 00:20:09,149  
which essentially chronicled known

510  
00:20:13,700 --> 00:20:11,399  
homosexuals and the government at the

511  
00:20:15,980 --> 00:20:13,710  
time there are a lot of theories that he

512  
00:20:18,200 --> 00:20:15,990  
actually pushed several individuals

513  
00:20:20,960 --> 00:20:18,210

toward suicide by threatening to expose

514

00:20:22,370 --> 00:20:20,970

their homosexuality Gaynor actually

515

00:20:24,590 --> 00:20:22,380

specialized in general

516

00:20:27,529 --> 00:20:24,600

in sexual blackmail and entrapment and

517

00:20:29,180 --> 00:20:27,539

he had appointed Morris Allen to oversee

518

00:20:31,070 --> 00:20:29,190

what was initially known his Bluebird

519

00:20:32,840 --> 00:20:31,080

and then later artichoke and Morris

520

00:20:36,590 --> 00:20:32,850

Allen was another guy who had a lot of

521

00:20:38,450 --> 00:20:36,600

ties to the far right as well so you

522

00:20:40,430 --> 00:20:38,460

kind of have this sort of Nexus where

523

00:20:42,760 --> 00:20:40,440

you know you had the Roswell incident

524

00:20:45,350 --> 00:20:42,770

the Marine Island incident these

525

00:20:47,870 --> 00:20:45,360

behavior modification experiments that

526

00:20:51,020 --> 00:20:47,880

the military in the CIA were kind of

527

00:20:53,029 --> 00:20:51,030

engaged in during the late 40s and it's

528

00:20:55,789 --> 00:20:53,039

kind of spilled over into this network

529

00:20:58,730 --> 00:20:55,799

of right-wing military officers and CIA

530

00:21:00,890 --> 00:20:58,740

officers who would later end up in these

531

00:21:02,390 --> 00:21:00,900

you know private organizations like the

532

00:21:03,740 --> 00:21:02,400

American Security Council in the world

533

00:21:06,560 --> 00:21:03,750

and communist League that would

534

00:21:09,409 --> 00:21:06,570

effectively be used to run intelligence

535

00:21:12,950 --> 00:21:09,419

operations to Berkeley so does that

536

00:21:14,630 --> 00:21:12,960

answer your question yeah man the rabbit

537

00:21:16,610 --> 00:21:14,640

hole goes deep obviously we're just

538

00:21:19,970 --> 00:21:16,620

scratching the surface and it's already

539

00:21:22,010 --> 00:21:19,980

super complex but well you said to me

540

00:21:25,210 --> 00:21:22,020

that a lot of this occult thinking and

541

00:21:28,159 --> 00:21:25,220

influence comes from Julius Ebola right

542

00:21:30,470 --> 00:21:28,169

yes yes yes well I mean he seems to have

543

00:21:33,350 --> 00:21:30,480

been one of the strands of occult

544

00:21:34,940 --> 00:21:33,360

thought that I sort of been churning

545

00:21:37,430 --> 00:21:34,950

through the bar right now for at least

546

00:21:39,320 --> 00:21:37,440

half a century or so from what I can

547

00:21:41,810 --> 00:21:39,330

tell there were essentially three

548

00:21:44,419 --> 00:21:41,820

different branches of occultism that the

549

00:21:47,510 --> 00:21:44,429

Thar right has really embraced over the

550

00:21:50,539 --> 00:21:47,520

years if I would certainly be one of

551  
00:21:53,120 --> 00:21:50,549  
them another strain would be kind of the

552  
00:21:54,799 --> 00:21:53,130  
sin argus slash the bark nests and

553  
00:21:58,700 --> 00:21:54,809  
what-have-you and then finally you would

554  
00:22:01,220 --> 00:21:58,710  
have the Satanists and kind of use that

555  
00:22:05,240 --> 00:22:01,230  
phrase loosely because Satanism is such

556  
00:22:07,039 --> 00:22:05,250  
a it's used so widely now for so many

557  
00:22:08,240 --> 00:22:07,049  
different phenomena it's almost a

558  
00:22:10,070 --> 00:22:08,250  
meaningless word but then when I'm

559  
00:22:12,740 --> 00:22:10,080  
saying Satanism here I mean in the kind

560  
00:22:15,169 --> 00:22:12,750  
of historical since the Satanism that

561  
00:22:17,060 --> 00:22:15,179  
emerged out of the Middle Ages and seems

562  
00:22:20,029 --> 00:22:17,070  
to have been closely affiliated with the

563  
00:22:22,700 --> 00:22:20,039

Vatican throughout its history so do you

564

00:22:26,000 --> 00:22:22,710

put lavake in the theosophy society in

565

00:22:28,279 --> 00:22:26,010

any of those categories uh not exactly I

566

00:22:31,190 --> 00:22:28,289

mean belowski in theosophy society would

567

00:22:32,750 --> 00:22:31,200

sort of be a kind of proto influence to

568

00:22:34,850 --> 00:22:32,760

a lot of these strains obviously

569

00:22:36,080 --> 00:22:34,860

philosophy had a very strong influence

570

00:22:39,140 --> 00:22:36,090

on Martin ISM and

571

00:22:40,760 --> 00:22:39,150

in arcade I don't know how much lavake

572

00:22:41,870 --> 00:22:40,770

would have directly I mean well

573

00:22:43,519 --> 00:22:41,880

obviously she would have had a certain

574

00:22:45,320 --> 00:22:43,529

degree of direct influence because the

575

00:22:48,919 --> 00:22:45,330

Asif II was very popular in the early

576

00:22:51,049 --> 00:22:48,929

20th century but I do think that a lot

577

00:22:53,510 --> 00:22:51,059

of theosophy was kind of distorted by

578

00:22:56,029 --> 00:22:53,520

the right as they kind of got into the

579

00:22:58,720 --> 00:22:56,039

occult seeing more and more but I would

580

00:23:01,279 --> 00:22:58,730

kind of consider theosophy to be

581

00:23:03,169 --> 00:23:01,289

somewhat distinct I mean it's obviously

582

00:23:05,630 --> 00:23:03,179

an ideology that spawned a lot of

583

00:23:08,269 --> 00:23:05,640

difference of belief systems since it's

584

00:23:09,740 --> 00:23:08,279

our to emerge in the late 19th centuries

585

00:23:11,960 --> 00:23:09,750

I don't know that it would entirely

586

00:23:15,370 --> 00:23:11,970

there it's lump all theosophy and kind of

587

00:23:20,060 --> 00:23:15,380

a fascist section of a cult phenomenon

588

00:23:22,130 --> 00:23:20,070

certainly well the focus on Julia Savola

589

00:23:23,779 --> 00:23:22,140

from what you said to me it seems like

590

00:23:26,360 --> 00:23:23,789

you think that you have a theory that

591

00:23:28,580 --> 00:23:26,370

Ebola is where Landon got the concept of

592

00:23:31,700 --> 00:23:28,590

the Black Sun that appeared in his Dule

593

00:23:34,430 --> 00:23:31,710

novels and that of course is a major

594

00:23:35,810 --> 00:23:34,440

chunk of influence but that's a source

595

00:23:38,360 --> 00:23:35,820

that I don't think a lot of people would

596

00:23:40,850 --> 00:23:38,370

be familiar with but yeah yeah yeah we

597

00:23:43,010 --> 00:23:40,860

see ev Allah was great admirer of the

598

00:23:45,110 --> 00:23:43,020

effort of the SS throughout the war

599

00:23:47,750 --> 00:23:45,120

years he was originally Baird from the

600

00:23:49,399 --> 00:23:47,760

SS because of um Willa god I believe

601  
00:23:52,340 --> 00:23:49,409  
that's all pronounced carla maria

602  
00:23:54,440 --> 00:23:52,350  
Wiligut who was for many years in blurs

603  
00:23:56,750 --> 00:23:54,450  
kind of primary a cold advisor and so

604  
00:23:58,700 --> 00:23:56,760  
they it turned up some evidence of his

605  
00:24:00,470 --> 00:23:58,710  
mental instability which led to him

606  
00:24:02,720 --> 00:24:00,480  
being purged from the SS but anyway

607  
00:24:06,529 --> 00:24:02,730  
velope was brought in around the late

608  
00:24:09,440 --> 00:24:06,539  
1930s possibly sooner towards the end of

609  
00:24:10,240 --> 00:24:09,450  
the war Evelyn was actually stationed in

610  
00:24:12,769 --> 00:24:10,250  
Vienna

611  
00:24:15,350 --> 00:24:12,779  
excuse me Salzburg and this was the same

612  
00:24:17,930 --> 00:24:15,360  
city that landing it ended up stationed

613  
00:24:20,600 --> 00:24:17,940

in and at the time both men were working

614

00:24:23,840 --> 00:24:20,610

for the SD which was the intelligence

615

00:24:26,299 --> 00:24:23,850

division of the SS so they're basically

616

00:24:29,000 --> 00:24:26,309

in the same city working for the same

617

00:24:30,889 --> 00:24:29,010

division of the SS at the time and

618

00:24:33,710 --> 00:24:30,899

there's a lot of mysteries surrounding

619

00:24:35,930 --> 00:24:33,720

what exactly Evelyn was even doing the

620

00:24:39,139 --> 00:24:35,940

SS then he claimed that he had been

621

00:24:41,690 --> 00:24:39,149

writing a book that was um a history of

622

00:24:43,789 --> 00:24:41,700

secret societies the material which was

623

00:24:47,149 --> 00:24:43,799

later lost to the Russians apparently

624

00:24:49,450 --> 00:24:47,159

and some people such as Kevin googan

625

00:24:53,139 --> 00:24:49,460

have theorized that Evelyn was in fact

626  
00:24:55,330 --> 00:24:53,149  
trying to develop a mythology for Nazi

627  
00:24:57,279 --> 00:24:55,340  
Germany after the war was over with by

628  
00:24:58,810 --> 00:24:57,289  
this time they generally felt that it

629  
00:25:00,610 --> 00:24:58,820  
was inevitable that they were going to

630  
00:25:03,549 --> 00:25:00,620  
lose so they were already setting up the

631  
00:25:05,350 --> 00:25:03,559  
kind of post-war network for Nazism to

632  
00:25:07,899 --> 00:25:05,360  
survive which force plays into the

633  
00:25:09,850 --> 00:25:07,909  
ratlines and all this other stuff but

634  
00:25:11,380 --> 00:25:09,860  
the theory is that envelope had been

635  
00:25:13,720 --> 00:25:11,390  
tapped essentially to come up with a

636  
00:25:16,510 --> 00:25:13,730  
kind of Mythology for this post-war Nazi

637  
00:25:18,399 --> 00:25:16,520  
movement and certainly land dig does

638  
00:25:21,010 --> 00:25:18,409

seem to have provided a lot of this

639

00:25:23,950 --> 00:25:21,020

post-war Nazi movement with a mythology

640

00:25:26,380 --> 00:25:23,960

and obviously there was a lot of evert

641

00:25:30,100 --> 00:25:26,390

influence from Julius Avila and LAN

642

00:25:32,409 --> 00:25:30,110

Diggs ideology Land acknowledged this

643

00:25:35,080 --> 00:25:32,419

but it might have gone into Sivan more

644

00:25:38,080 --> 00:25:35,090

arcane concepts such as the Black Sun

645

00:25:40,899 --> 00:25:38,090

which landed and his kind of group are

646

00:25:44,139 --> 00:25:40,909

chiefly credited with introducing into

647

00:25:45,789 --> 00:25:44,149

the kind of esoteric Nazism pedalo would

648

00:25:47,409 --> 00:25:45,799

have been somebody who would have been

649

00:25:49,210 --> 00:25:47,419

probably would have been aware of such a

650

00:25:52,750 --> 00:25:49,220

concept he never wrote about the Black

651  
00:25:54,669 --> 00:25:52,760  
Sun but the Black Sun was a very arcane

652  
00:25:58,659 --> 00:25:54,679  
concept even within a lot of occult

653  
00:26:01,720 --> 00:25:58,669  
circles until really the early 90s late

654  
00:26:04,330 --> 00:26:01,730  
80s thereabouts so I definitely think

655  
00:26:07,380 --> 00:26:04,340  
that there's a strong chance that Evelyn

656  
00:26:10,480 --> 00:26:07,390  
did have enormous influence on land eggs

657  
00:26:11,980 --> 00:26:10,490  
ideology and what's more it might have

658  
00:26:13,990 --> 00:26:11,990  
been as part of some kind of

659  
00:26:16,720 --> 00:26:14,000  
intelligence agenda that went back to

660  
00:26:21,039 --> 00:26:16,730  
the wife and SS and the waning years of

661  
00:26:24,760 --> 00:26:21,049  
World War two hmm interesting then and

662  
00:26:27,010 --> 00:26:24,770  
to get a little bit more into UFOs in

663  
00:26:28,779 --> 00:26:27,020

the info that came out about them in the

664

00:26:31,149 --> 00:26:28,789

last few decades many of these stories

665

00:26:33,010 --> 00:26:31,159

and whistleblowers do have connections

666

00:26:35,230 --> 00:26:33,020

to military intelligence as you've said

667

00:26:36,010 --> 00:26:35,240

the Bob Lazar story the philip corso

668

00:26:38,590 --> 00:26:36,020

story

669

00:26:40,930 --> 00:26:38,600

I mean how likely is it that this was

670

00:26:44,440 --> 00:26:40,940

some distraction campaign to keep eyes

671

00:26:46,299 --> 00:26:44,450

away from occult rituals going on in the

672

00:26:48,940 --> 00:26:46,309

scientific and military communities like

673

00:26:51,460 --> 00:26:48,950

Jack Parsons in the Babylon working or

674

00:26:53,919 --> 00:26:51,470

what you mentioned earlier Chris Knowles

675

00:26:56,289 --> 00:26:53,929

and what he calls the Roswell working I

676  
00:26:59,200 --> 00:26:56,299  
mean how likely is it that this was kind

677  
00:27:01,900 --> 00:26:59,210  
of a limited hangout operation to hide

678  
00:27:04,510 --> 00:27:01,910  
these kind of occult things

679  
00:27:06,850 --> 00:27:04,520  
oh I definitely think that very much I

680  
00:27:09,820 --> 00:27:06,860  
mean that was yeah what was being done

681  
00:27:11,650 --> 00:27:09,830  
especially with the perception of UFOs

682  
00:27:13,660 --> 00:27:11,660  
that has been presented to the general

683  
00:27:15,640 --> 00:27:13,670  
public namely that there you know nuts

684  
00:27:17,590 --> 00:27:15,650  
and bolts spacecrafts that are piloted

685  
00:27:20,920 --> 00:27:17,600  
by extraterrestrial biological entities

686  
00:27:22,390 --> 00:27:20,930  
who you know decided to stop by here for

687  
00:27:24,070 --> 00:27:22,400  
a visit even though in our own

688  
00:27:25,690 --> 00:27:24,080

experience with safe travel we would

689

00:27:27,700 --> 00:27:25,700

have almost surely sent drones or

690

00:27:29,770 --> 00:27:27,710

something to that effect investigate on

691

00:27:32,830 --> 00:27:29,780

other planets but yeah and I mean I

692

00:27:35,080 --> 00:27:32,840

think a lot of that also plays into the

693

00:27:37,570 --> 00:27:35,090

actual purpose of some of these behavior

694

00:27:39,880 --> 00:27:37,580

modification programs that were being

695

00:27:42,850 --> 00:27:39,890

conducted by the Pentagon and the CIA at

696

00:27:45,700 --> 00:27:42,860

the same time - I know Chris Nola's has

697

00:27:47,250 --> 00:27:45,710

speculated a lot especially on you know

698

00:27:49,140 --> 00:27:47,260

the desire to do so many people

699

00:27:52,860 --> 00:27:49,150

massively with LSD

700

00:27:55,450 --> 00:27:52,870

during the early 50s especially since

701

00:27:58,480 --> 00:27:55,460

lfts track record as a drug for

702

00:28:01,930 --> 00:27:58,490

mind-control was pretty mediocre in all

703

00:28:04,210 --> 00:28:01,940

honesty and the CIA continued to use it

704

00:28:07,780 --> 00:28:04,220

over and over again even though their

705

00:28:11,080 --> 00:28:07,790

attempts its eliciting mind-control with

706

00:28:12,760 --> 00:28:11,090

it were not especially great based on

707

00:28:15,850 --> 00:28:12,770

some of the Declassified accounts of

708

00:28:17,560 --> 00:28:15,860

those that I've read so it does kind of

709

00:28:19,360 --> 00:28:17,570

beg the question why did they keep doing

710

00:28:21,820 --> 00:28:19,370

this over and over again and at some

711

00:28:23,620 --> 00:28:21,830

point did somebody start to wonder about

712

00:28:25,180 --> 00:28:23,630

the nature of the visions that they were

713

00:28:27,550 --> 00:28:25,190

seeing if there was something more to

714

00:28:29,620 --> 00:28:27,560

the visions themselves and it kind of

715

00:28:31,510 --> 00:28:29,630

raises the broader questions we'll you

716

00:28:33,580 --> 00:28:31,520

know then why was it released so broadly

717

00:28:35,440 --> 00:28:33,590

to the general public I mean the

718

00:28:37,090 --> 00:28:35,450

conspiratorial right as long as soon

719

00:28:39,670 --> 00:28:37,100

that this was again another part of an

720

00:28:41,530 --> 00:28:39,680

elaborate mind-control plot but was it

721

00:28:43,090 --> 00:28:41,540

actually part of an attempt for

722

00:28:44,710 --> 00:28:43,100

consciousness expansion and a

723

00:28:48,190 --> 00:28:44,720

consciousness expansion that was related

724

00:28:50,290 --> 00:28:48,200

to the UFO phenomenon certainly um in

725

00:28:52,930 --> 00:28:50,300

the early years of artichoke they had

726

00:28:55,120 --> 00:28:52,940

two goals that were rather interesting

727

00:28:57,280 --> 00:28:55,130

one of them was to develop more

728

00:29:00,010 --> 00:28:57,290

effective means of interrogation which

729

00:29:02,230 --> 00:29:00,020

is rather self-explanatory but another

730

00:29:05,530 --> 00:29:02,240

goal was to create what was referred to

731

00:29:07,300 --> 00:29:05,540

as more aggressive soldiers which

732

00:29:10,270 --> 00:29:07,310

nowadays would be referred to as super

733

00:29:12,580 --> 00:29:10,280

soldiers right and that that's something

734

00:29:14,260 --> 00:29:12,590

I wanted to make a point about because

735

00:29:15,370 --> 00:29:14,270

when you're writing and talking about

736

00:29:18,460 --> 00:29:15,380

Chris's eye

737

00:29:20,799 --> 00:29:18,470

of a Roswell working he points out how

738

00:29:23,320 --> 00:29:20,809

the Roswell incident mirrors the Greek

739

00:29:25,690 --> 00:29:23,330

myth of Cadmus and the Martian well and

740

00:29:27,940 --> 00:29:25,700

you note that when it comes to the beans

741

00:29:30,220 --> 00:29:27,950

that emerge from the well I was not

742

00:29:32,590 --> 00:29:30,230

reminded of reptiles rather I was struck

743

00:29:35,500 --> 00:29:32,600

by how much they resembled enhanced or

744

00:29:36,640 --> 00:29:35,510

super soldiers and it just so happens to

745

00:29:38,470 --> 00:29:36,650

be a reader that one of the primary

746

00:29:41,020 --> 00:29:38,480

objectives of Bluebird and later

747

00:29:43,150 --> 00:29:41,030

artichoke was the creation of super

748

00:29:44,650 --> 00:29:43,160

soldiers so you know I just want to

749

00:29:48,159 --> 00:29:44,660

throw that in there too because it ties

750

00:29:49,570 --> 00:29:48,169

in and I mean it's not say what what do

751

00:29:51,850 --> 00:29:49,580

you think is going on here this

752

00:29:54,700 --> 00:29:51,860

mirroring of ancient myth within the

753

00:29:56,980 --> 00:29:54,710

deep state well I think a lot of it kind

754

00:29:59,440 --> 00:29:56,990

of breaks down to psychic phenomenon I

755

00:30:01,720 --> 00:29:59,450

mean certainly it seems like a part of

756

00:30:03,640 --> 00:30:01,730

the super-soldier project was to

757

00:30:05,860 --> 00:30:03,650

investigate psychic phenomenon and that

758

00:30:07,960 --> 00:30:05,870

later kind of manifested in the you know

759

00:30:09,789 --> 00:30:07,970

projects grill flame and Stargate and

760

00:30:12,310 --> 00:30:09,799

what-have-you that were rated related to

761

00:30:13,990 --> 00:30:12,320

remote viewing and of course with the

762

00:30:16,149 --> 00:30:14,000

UFO phenomenon there's been a lot of

763

00:30:17,890 --> 00:30:16,159

speculation that it's closely related to

764

00:30:20,830 --> 00:30:17,900

psychic phenomenon of course a lot of

765

00:30:22,510 --> 00:30:20,840

people have reported instances of

766

00:30:24,279 --> 00:30:22,520

telepathy and what-have-you when having

767

00:30:27,610 --> 00:30:24,289

Close Encounters and what-have-you and

768

00:30:30,039 --> 00:30:27,620

there are even some theories that the

769

00:30:32,830 --> 00:30:30,049

spaceships or the UFOs themselves are

770

00:30:34,690 --> 00:30:32,840

not physically there there's some kind

771

00:30:37,240 --> 00:30:34,700

of astral projection or something of

772

00:30:38,919 --> 00:30:37,250

that nature as a means of visiting the

773

00:30:41,710 --> 00:30:38,929

planet or visiting it from wherever

774

00:30:43,539 --> 00:30:41,720

they're coming from rather than actually

775

00:30:45,850 --> 00:30:43,549

sending a physical craft there it's some

776

00:30:48,880 --> 00:30:45,860

kind of you know mental phenomenon if

777

00:30:51,370 --> 00:30:48,890

you will mm-hmm so we're talking a

778

00:30:53,890 --> 00:30:51,380

little bit about artichoke and you also

779

00:30:56,890 --> 00:30:53,900

write about the nine a bit and when it

780

00:30:59,049 --> 00:30:56,900

comes to the political corporate and

781

00:31:01,419 --> 00:30:59,059

military elite contacting non-human

782

00:31:04,000 --> 00:31:01,429

entities the story of and rayappa horik

783

00:31:05,560 --> 00:31:04,010

the seance with the Council of nine it's

784

00:31:07,930 --> 00:31:05,570

got to be one of my favorite stories

785

00:31:10,120 --> 00:31:07,940

this group of elite contact these nine

786

00:31:11,710 --> 00:31:10,130

multi-dimensional beings hovering and an

787

00:31:13,750 --> 00:31:11,720

invisible spaceship that want to

788

00:31:16,090 --> 00:31:13,760

influence world events we've talked

789

00:31:18,370 --> 00:31:16,100

about the basics of the story with Peter

790

00:31:20,289 --> 00:31:18,380

Levin de and Gordon white but you say

791

00:31:23,430 --> 00:31:20,299

that from your study the ties between

792

00:31:26,140 --> 00:31:23,440

the nine and the office of security and

793

00:31:27,880 --> 00:31:26,150

project artichoke are grossly under

794

00:31:28,930 --> 00:31:27,890

reported so what can you tell us about

795

00:31:31,870 --> 00:31:28,940

that and why

796

00:31:34,150 --> 00:31:31,880

it might be important well yeah again

797

00:31:36,100 --> 00:31:34,160

you know the office of security was of

798

00:31:38,710 --> 00:31:36,110

course the agency that had overseen

799

00:31:40,990 --> 00:31:38,720

artichoke it was not the TSS as is

800

00:31:42,970 --> 00:31:41,000

commonly claimed and another thing I

801  
00:31:45,330 --> 00:31:42,980  
should probably make a point here the

802  
00:31:48,900 --> 00:31:45,340  
mainland is very rarely mentioned but

803  
00:31:51,370 --> 00:31:48,910  
artichoke was not rolled in MKULTRA

804  
00:31:53,770 --> 00:31:51,380  
artichoke continued to function after

805  
00:31:56,310 --> 00:31:53,780  
MKULTRA was initiated and appears to

806  
00:31:58,990 --> 00:31:56,320  
have continued to at least the early 60s

807  
00:32:01,060 --> 00:31:59,000  
probably was finally wrapped up around

808  
00:32:04,660 --> 00:32:01,070  
the same time that MKULTRA was wrapping

809  
00:32:07,240 --> 00:32:04,670  
up in 1963 and then on top of that

810  
00:32:10,480 --> 00:32:07,250  
QED horik has long been believed to have

811  
00:32:12,460 --> 00:32:10,490  
been involved in MKULTRA and he does

812  
00:32:15,880 --> 00:32:12,470  
seem to have had some kind of ties to it

813  
00:32:19,090 --> 00:32:15,890

but as both HPL brilliant several

814

00:32:20,350 --> 00:32:19,100

mistake and oh gosh I can't remember the

815

00:32:23,080 --> 00:32:20,360

name of the other book right now but

816

00:32:25,570 --> 00:32:23,090

it's on the stage magician Jon Mahal and

817

00:32:27,460 --> 00:32:25,580

it also makes clear from recovered

818

00:32:29,710 --> 00:32:27,470

Freedom of Information Act documents

819

00:32:31,870 --> 00:32:29,720

that few horik actually was involved

820

00:32:35,050 --> 00:32:31,880

with artichoke and not MKULTRA an

821

00:32:38,620 --> 00:32:35,060

important fact the MKULTRA crew seems to

822

00:32:42,190 --> 00:32:38,630

have had some real reluctancy towards to

823

00:32:44,590 --> 00:32:42,200

Horrocks theories and that also raises

824

00:32:46,840 --> 00:32:44,600

some interesting possibilities there I

825

00:32:48,700 --> 00:32:46,850

mean Q hurrican he began with psychic

826

00:32:51,550 --> 00:32:48,710

research and what-have-you did it with

827

00:32:52,810 --> 00:32:51,560

the round table group and the round

828

00:32:54,940 --> 00:32:52,820

table group certainly brought together

829

00:32:56,680 --> 00:32:54,950

an interesting cross-section of kind of

830

00:32:59,650 --> 00:32:56,690

Eastern establishment of leads and

831

00:33:01,270 --> 00:32:59,660

military intelligence officers few hard

832

00:33:03,970 --> 00:33:01,280

from that was later brought into the

833

00:33:05,680 --> 00:33:03,980

deep state into the military and the CIA

834

00:33:08,830 --> 00:33:05,690

you know behavior modification

835

00:33:11,500 --> 00:33:08,840

experiments and then he did something

836

00:33:14,860 --> 00:33:11,510

that greatly upset John Holland who was

837

00:33:17,620 --> 00:33:14,870

a stage musician who was a consultant

838

00:33:20,350 --> 00:33:17,630

for NK ultra nobody really knows what

839

00:33:22,510 --> 00:33:20,360

exactly this is but anyway my Hollins

840

00:33:24,940 --> 00:33:22,520

went out of his way to essentially drum

841

00:33:27,190 --> 00:33:24,950

to horik out of the behavior

842

00:33:31,540 --> 00:33:27,200

modification experiments in the mid 50's

843

00:33:34,120 --> 00:33:31,550

and Mahalo was also very close to Nelson

844

00:33:36,790 --> 00:33:34,130

Rockefeller and as Chris Nola's kind of

845

00:33:38,050 --> 00:33:36,800

explained in his own account of the 9g

846

00:33:40,810 --> 00:33:38,060

horik would later runneth all the

847

00:33:42,310 --> 00:33:40,820

Rockefellers in the 1980s as well with

848

00:33:45,129 --> 00:33:42,320

his attempts to try to come

849

00:33:46,990 --> 00:33:45,139

with an alternative to oil for fuel so

850

00:33:48,999 --> 00:33:47,000

pure exceeds they've had a lot of issues

851

00:33:52,539 --> 00:33:49,009

with the Rockefeller group over the

852

00:33:54,490 --> 00:33:52,549

years and that's not entirely surprising

853

00:33:56,259 --> 00:33:54,500

you sort of look at what the

854

00:33:59,110 --> 00:33:56,269

Rockefellers have supported in the New

855

00:34:02,889 --> 00:33:59,120

Age community quote-unquote they tend to

856

00:34:04,600 --> 00:34:02,899

seem to prefer the most well basically

857

00:34:06,370 --> 00:34:04,610

they have usually going with more of

858

00:34:08,800 --> 00:34:06,380

like the nuts and bolts explanations of

859

00:34:11,379 --> 00:34:08,810

UFO phenomenon and they almost seem to

860

00:34:13,659 --> 00:34:11,389

prefer a kind of atheistic approach the

861

00:34:15,490 --> 00:34:13,669

New Age movement typically stripping a

862

00:34:17,319 --> 00:34:15,500

lot of these spiritual practices that

863

00:34:19,510 --> 00:34:17,329

they're you know innate spirituality and

864

00:34:21,040 --> 00:34:19,520

trying to reduce them to almost like a

865

00:34:25,270 --> 00:34:21,050

psychological state but I'm going

866

00:34:26,649 --> 00:34:25,280

off-topic but um in you I think that

867

00:34:28,780 --> 00:34:26,659

there was definitely kind of a division

868

00:34:31,480 --> 00:34:28,790

in the deep state over kuhar it was some

869

00:34:33,040 --> 00:34:31,490

people kind of you know feeling like

870

00:34:34,540 --> 00:34:33,050

that what he was doing was incredibly

871

00:34:36,309 --> 00:34:34,550

radical some people thinking it was

872

00:34:40,780 --> 00:34:36,319

totally fraudulent and what-have-you and

873

00:34:42,280 --> 00:34:40,790

that probably played into you know kind

874

00:34:43,869 --> 00:34:42,290

of some of the shake of the win in in

875

00:34:45,550 --> 00:34:43,879

these projects at the time of course

876

00:34:47,649 --> 00:34:45,560

Sidney Gottlieb I was kind of elevated

877

00:34:50,530 --> 00:34:47,659

to the top of the litter with MKULTRA

878

00:34:53,050 --> 00:34:50,540

and contrary to what you sort of hear

879

00:34:55,930 --> 00:34:53,060

Godley have actually wound down a lot of

880

00:34:58,870 --> 00:34:55,940

the LSD testing and what-have-you during

881

00:35:01,390 --> 00:34:58,880

his tenure is kind of the main agency

882

00:35:05,079 --> 00:35:01,400

directing this kind of things from 1955

883

00:35:06,460 --> 00:35:05,089

to 63 and well he did investigate some

884

00:35:08,380 --> 00:35:06,470

degree of psychic phenomenon

885

00:35:12,550 --> 00:35:08,390

what-have-you it was not nearly to the

886

00:35:14,260 --> 00:35:12,560

extent that artichoke did so it was kind

887

00:35:16,329 --> 00:35:14,270

of an interesting situation where you

888

00:35:19,690 --> 00:35:16,339

had that kind of period in the late 40s

889

00:35:22,120 --> 00:35:19,700

to the early 50s where the military and

890

00:35:25,720 --> 00:35:22,130

the CIA were really going into a lot of

891

00:35:27,339 --> 00:35:25,730

very very strange topics and then when

892

00:35:29,970 --> 00:35:27,349

the Rockefeller money kind of got

893

00:35:32,680 --> 00:35:29,980

involved with MKULTRA in the mid 50s

894

00:35:34,690 --> 00:35:32,690

they tended to start disengaging

895

00:35:37,720 --> 00:35:34,700

themselves from a lot of these projects

896

00:35:39,910 --> 00:35:37,730

until the mid 1960s and you had the

897

00:35:41,650 --> 00:35:39,920

initiation of MK often and then later

898

00:35:43,420 --> 00:35:41,660

grilled flame which eventually became

899

00:35:46,000 --> 00:35:43,430

Stargate and it kind of started back up

900

00:35:47,920 --> 00:35:46,010

again which was around the same time the

901  
00:35:50,770 --> 00:35:47,930  
Tijara himself was kind of brought back

902  
00:35:53,710 --> 00:35:50,780  
into the deep state with the very killer

903  
00:35:56,170 --> 00:35:53,720  
you know phenomenon and what have you

904  
00:35:59,380 --> 00:35:56,180  
so there does seem to have been some

905  
00:36:01,810 --> 00:35:59,390  
kind of conflict between elements of the

906  
00:36:03,310 --> 00:36:01,820  
national security establishment over you

907  
00:36:04,780 --> 00:36:03,320  
know what to do with this kind of

908  
00:36:07,690 --> 00:36:04,790  
information that they were uncovering

909  
00:36:10,930 --> 00:36:07,700  
and I suspect kind of a hard scientific

910  
00:36:14,099 --> 00:36:10,940  
weighing just didn't even want to really

911  
00:36:16,540 --> 00:36:14,109  
deal with it if that makes any sense

912  
00:36:19,390 --> 00:36:16,550  
right I mean yeah

913  
00:36:22,020 --> 00:36:19,400

harge is definitely a interesting

914

00:36:25,089 --> 00:36:22,030

character if you've ever seen that show

915

00:36:26,470 --> 00:36:25,099

one step beyond the episode he did with

916

00:36:28,720 --> 00:36:26,480

Gordon Watson where they go down and

917

00:36:30,460 --> 00:36:28,730

they take magic mushrooms on the air on

918

00:36:32,560 --> 00:36:30,470

black-and-white television in an era

919

00:36:34,720 --> 00:36:32,570

where a husband and wife couldn't even

920

00:36:38,140 --> 00:36:34,730

sleep in the same bed together it was

921

00:36:41,020 --> 00:36:38,150

just such a weird thing to see on TV and

922

00:36:42,820 --> 00:36:41,030

uh whoo harsh yeah was into a lot of

923

00:36:45,460 --> 00:36:42,830

crazy stuff with a nine being one of

924

00:36:47,109 --> 00:36:45,470

those favorite stories it's a

925

00:36:51,570 --> 00:36:47,119

provocative idea but how far do you

926

00:36:53,890 --> 00:36:51,580

think the influence of those beings got

927

00:36:56,230 --> 00:36:53,900

what I mean it certainly you know

928

00:36:57,849 --> 00:36:56,240

appears that it was very very advanced

929

00:36:59,920 --> 00:36:57,859

since the American state I mean of

930

00:37:01,300 --> 00:36:59,930

course a lot of you know a lot of

931

00:37:03,370 --> 00:37:01,310

information has come out about their

932

00:37:05,680 --> 00:37:03,380

ties to the Kennedy assassination of

933

00:37:07,870 --> 00:37:05,690

course Peter Loeb India was really at

934

00:37:10,030 --> 00:37:07,880

the forefront of that and then in my own

935

00:37:12,430 --> 00:37:10,040

series I kind of found out that there

936

00:37:14,859 --> 00:37:12,440

were a lot of interact links to

937

00:37:17,500 --> 00:37:14,869

Watergate as well to kind of briefly

938

00:37:19,810 --> 00:37:17,510

surmise that part of the plumbers team

939

00:37:22,329 --> 00:37:19,820

the guy who seems to have really bungled

940

00:37:25,480 --> 00:37:22,339

the Watergate break-in was James McCord

941

00:37:27,790 --> 00:37:25,490

and James McCord was himself a veteran

942

00:37:30,130 --> 00:37:27,800

of the office of security he had worked

943

00:37:33,550 --> 00:37:30,140

for Gaynor and Boris Allen going back to

944

00:37:37,000 --> 00:37:33,560

the 1940s when the court was in the FBI

945

00:37:38,500 --> 00:37:37,010

and the chord I don't know if he was

946

00:37:40,750 --> 00:37:38,510

involved in artichoke but there's a

947

00:37:43,060 --> 00:37:40,760

strong possibility that he was in some

948

00:37:46,020 --> 00:37:43,070

capacity he appears to have been the

949

00:37:48,880 --> 00:37:46,030

agent the office of security dispatch to

950

00:37:50,800 --> 00:37:48,890

investigate and or cover-up Franco's his

951  
00:37:52,930 --> 00:37:50,810  
death depending upon you know what you

952  
00:37:55,300 --> 00:37:52,940  
choose to believe in that matter but

953  
00:37:57,810 --> 00:37:55,310  
McCord definitely seems to have been

954  
00:38:01,180 --> 00:37:57,820  
very close to this you know group of

955  
00:38:03,670 --> 00:38:01,190  
artichoke people who oversaw the project

956  
00:38:06,350 --> 00:38:03,680  
in the same token Morris Allen was also

957  
00:38:08,030 --> 00:38:06,360  
to Horrocks major patron within

958  
00:38:11,180 --> 00:38:08,040  
you know the intelligence community at

959  
00:38:14,000 --> 00:38:11,190  
that time as well so you fast forwards

960  
00:38:15,920 --> 00:38:14,010  
at the time of Watergate McCord seems to

961  
00:38:18,650 --> 00:38:15,930  
have been running some kind of sexual

962  
00:38:20,510 --> 00:38:18,660  
blackmail operation which I kind of

963  
00:38:23,450 --> 00:38:20,520

hinted at earlier was a real specialty

964

00:38:26,000 --> 00:38:23,460

of the office of security and that kind

965

00:38:28,340 --> 00:38:26,010

of led to the Watergate break-in and

966

00:38:30,860 --> 00:38:28,350

ultimately the downfall of Nixon's

967

00:38:32,270 --> 00:38:30,870

presidency but I was definitely struck

968

00:38:34,250 --> 00:38:32,280

by the fact that I mean certainly you

969

00:38:37,070 --> 00:38:34,260

know you don't have a lot of degrees of

970

00:38:39,800 --> 00:38:37,080

separation between two hard who had

971

00:38:41,900 --> 00:38:39,810

contacted the 9/2 McCord the only real

972

00:38:43,880 --> 00:38:41,910

degree of separation being Morris Allen

973

00:38:45,550 --> 00:38:43,890

and this is kind of the same thing that

974

00:38:49,580 --> 00:38:45,560

you find in the Kennedy assassination

975

00:38:52,250 --> 00:38:49,590

where you know Marina Oswald was staying

976

00:38:54,470 --> 00:38:52,260

with the stepson I believe it was of

977

00:38:56,090 --> 00:38:54,480

Arthur Young who was another one of the

978

00:39:00,140 --> 00:38:56,100

individuals who had channeled the nine

979

00:39:02,840 --> 00:39:00,150

with euphoric back in the early 1950s so

980

00:39:05,060 --> 00:39:02,850

yeah it's just you know incredible the

981

00:39:06,710 --> 00:39:05,070

two of the really defining political

982

00:39:09,350 --> 00:39:06,720

events in the United States the second

983

00:39:11,390 --> 00:39:09,360

half of the 20th century ie the Kennedy

984

00:39:14,000 --> 00:39:11,400

assassination and Watergate do you have

985

00:39:17,120 --> 00:39:14,010

the presence of these no alleged beings

986

00:39:18,350 --> 00:39:17,130

not very far in the background and you

987

00:39:19,970 --> 00:39:18,360

know and certainly I mean this kind of

988

00:39:22,390 --> 00:39:19,980

underlined I mean it generally turbulent

989

00:39:26,300 --> 00:39:22,400

era for the United States in general so

990

00:39:28,460 --> 00:39:26,310

yeah it definitely makes you wonder just

991

00:39:30,050 --> 00:39:28,470

what exactly you know philosophies we're

992

00:39:33,590 --> 00:39:30,060

being bantered about in the ruling elite

993

00:39:36,470 --> 00:39:33,600

at the time circling but mm-hmm

994

00:39:38,510 --> 00:39:36,480

and you know I also like when you talk

995

00:39:40,460 --> 00:39:38,520

about the idea that everybody knows

996

00:39:43,220 --> 00:39:40,470

MKULTRA but they don't know these other

997

00:39:45,620 --> 00:39:43,230

things like project Bluebird project

998

00:39:49,610 --> 00:39:45,630

artichoke m'kay often and it does seem

999

00:39:51,350 --> 00:39:49,620

like it was a situation where they took

1000

00:39:52,880 --> 00:39:51,360

all these deep state projects going on

1001

00:39:55,100 --> 00:39:52,890

at the time and they just as soon as

1002

00:39:56,870 --> 00:39:55,110

MKULTRA was exposed they just tossed it

1003

00:39:59,150 --> 00:39:56,880

all under that umbrella and let it be

1004

00:40:00,890 --> 00:39:59,160

the scapegoat and said oh this is all

1005

00:40:04,130 --> 00:40:00,900

over and it was all just this one

1006

00:40:06,800 --> 00:40:04,140

program and that's it I think that might

1007

00:40:09,470 --> 00:40:06,810

be a way they covered their tracks for a

1008

00:40:12,800 --> 00:40:09,480

lot of this stuff well absolutely and

1009

00:40:14,600 --> 00:40:12,810

then also I think specifically to Sidney

1010

00:40:17,450 --> 00:40:14,610

Gottlieb I was really hung out to dry

1011

00:40:20,070 --> 00:40:17,460

but the CIA there's a very interesting

1012

00:40:22,890 --> 00:40:20,080

antidote that htl beryllium

1013

00:40:25,470 --> 00:40:22,900

a terrible mistake it was a leave either

1014

00:40:27,960 --> 00:40:25,480

a letter exchange or conversation he had

1015

00:40:29,760 --> 00:40:27,970

had with John Marx who would be

1016

00:40:31,500 --> 00:40:29,770

individual who rode in search of The

1017

00:40:34,230 --> 00:40:31,510

Manchurian Candidate which is the first

1018

00:40:35,760 --> 00:40:34,240

expose of these types of projects but it

1019

00:40:37,650 --> 00:40:35,770

wasn't the very first one but it was the

1020

00:40:41,040 --> 00:40:37,660

first really full range folk account of

1021

00:40:43,010 --> 00:40:41,050

it but anyway Marx had filed the Freedom

1022

00:40:45,660 --> 00:40:43,020

of Information Act and what have you

1023

00:40:47,820 --> 00:40:45,670

which led to the original documentation

1024

00:40:50,000 --> 00:40:47,830

coming out on MKULTRA and these other

1025

00:40:53,670 --> 00:40:50,010

projects and in the first bad

1026  
00:40:55,560 --> 00:40:53,680  
documentation he got us every single

1027  
00:40:59,610 --> 00:40:55,570  
name was blacked out

1028  
00:41:01,920 --> 00:40:59,620  
everyone except Sidney got lives ah that

1029  
00:41:04,380 --> 00:41:01,930  
was the only name and whole thing that

1030  
00:41:06,780 --> 00:41:04,390  
they gave him and got Liev is perceived

1031  
00:41:09,180 --> 00:41:06,790  
as this you know black sorcerer in the

1032  
00:41:11,640 --> 00:41:09,190  
CIA who was involved in these just you

1033  
00:41:14,370 --> 00:41:11,650  
know every arcane project and yet the

1034  
00:41:16,320 --> 00:41:14,380  
CIA did nothing to protect him I mean he

1035  
00:41:17,970 --> 00:41:16,330  
was the first person who they really

1036  
00:41:20,190 --> 00:41:17,980  
hung out I mean for the MKULTRA

1037  
00:41:22,710 --> 00:41:20,200  
experiment so ii mean i definitely

1038  
00:41:24,660 --> 00:41:22,720

raises the question of like why got Liev

1039

00:41:28,830 --> 00:41:24,670

if he was involved in get oh so much

1040

00:41:30,960 --> 00:41:28,840

secretive work I definitely think the

1041

00:41:33,240 --> 00:41:30,970

reason why God we have an MKULTRA were

1042

00:41:36,030 --> 00:41:33,250

sort of selected to be the ones that's

1043

00:41:38,010 --> 00:41:36,040

uh you know took the fall for these

1044

00:41:39,900 --> 00:41:38,020

other experiments is because whether I

1045

00:41:43,110 --> 00:41:39,910

think we're effectively two reasons on

1046

00:41:45,360 --> 00:41:43,120

the one hand I think that there was more

1047

00:41:47,940 --> 00:41:45,370

legal loopholes to exploit with the

1048

00:41:50,790 --> 00:41:47,950

MKULTRA experiments a lot of the

1049

00:41:53,790 --> 00:41:50,800

experiments were sort of done with quasi

1050

00:41:55,410 --> 00:41:53,800

volunteers and then even in the cases of

1051  
00:41:57,690 --> 00:41:55,420  
some of the experiments that words such

1052  
00:41:59,070 --> 00:41:57,700  
as the you know infamous camera and a

1053  
00:42:01,980 --> 00:41:59,080  
medical experiments that were conducted

1054  
00:42:06,600 --> 00:42:01,990  
in Canada the women in those experiments

1055  
00:42:08,700 --> 00:42:06,610  
had volunteered to be treated by Cameron

1056  
00:42:10,560 --> 00:42:08,710  
they were largely people who admitted

1057  
00:42:12,600 --> 00:42:10,570  
themselves for you know psychiatric

1058  
00:42:14,760 --> 00:42:12,610  
treatment and they knew the Cameron was

1059  
00:42:16,920 --> 00:42:14,770  
involved in you know radical procedures

1060  
00:42:18,270 --> 00:42:16,930  
obviously they did not know that he was

1061  
00:42:21,390 --> 00:42:18,280  
doing these experiments on behalf the

1062  
00:42:23,400 --> 00:42:21,400  
CIA but there was some you know legal

1063  
00:42:26,220 --> 00:42:23,410

wig wiggle room with this kind of stuff

1064

00:42:28,020 --> 00:42:26,230

whereas with artichoke for instance they

1065

00:42:30,810 --> 00:42:28,030

seem to have done a lot of experiments

1066

00:42:31,830 --> 00:42:30,820

on prisoners and military men and

1067

00:42:34,290 --> 00:42:31,840

what-have-you

1068

00:42:36,060 --> 00:42:34,300

were given no choice in any of this they

1069

00:42:37,830 --> 00:42:36,070

were not in many cases aware that they

1070

00:42:41,270 --> 00:42:37,840

were even being performed experiments

1071

00:42:44,820 --> 00:42:41,280

upon so there were I think legal

1072

00:42:47,130 --> 00:42:44,830

considerations for this and then the

1073

00:42:49,350 --> 00:42:47,140

other one which the other reason why I

1074

00:42:51,480 --> 00:42:49,360

think MKULTRA was really hung out is the

1075

00:42:55,200 --> 00:42:51,490

main one which is also interesting is

1076

00:42:59,610 --> 00:42:55,210

because MKULTRA was totally overseen by

1077

00:43:02,760 --> 00:42:59,620

the CIA artichoke and often by contrast

1078

00:43:05,010 --> 00:43:02,770

for Joint Pentagon and CIA experiments

1079

00:43:07,200 --> 00:43:05,020

and the general perception is that the

1080

00:43:09,270 --> 00:43:07,210

CIA led the Pentagon around by the nose

1081

00:43:11,400 --> 00:43:09,280

and these experiments and I don't think

1082

00:43:12,770 --> 00:43:11,410

though that that's a very accurate

1083

00:43:15,390 --> 00:43:12,780

description of the relationship

1084

00:43:17,490 --> 00:43:15,400

obviously the Pentagon had been doing

1085

00:43:21,690 --> 00:43:17,500

these experiments that predated the CIA

1086

00:43:24,300 --> 00:43:21,700

and even the foundation of the CIA so I

1087

00:43:25,920 --> 00:43:24,310

think certainly in revealing MKULTRA

1088

00:43:28,350 --> 00:43:25,930

there was also an attempt to try to

1089

00:43:30,150 --> 00:43:28,360

cover up the you know extent that the

1090

00:43:33,270 --> 00:43:30,160

Pentagon had also been involved in this

1091

00:43:35,670 --> 00:43:33,280

kind of research and you also mentioned

1092

00:43:37,260 --> 00:43:35,680

on your blog that Godley Ave was Jewish

1093

00:43:39,660 --> 00:43:37,270

do you think that has any real

1094

00:43:43,440 --> 00:43:39,670

significance and him being thrown under

1095

00:43:45,000 --> 00:43:43,450

the bus yeah yeah there was also I mean

1096

00:43:46,260 --> 00:43:45,010

of course there's a lot of you know

1097

00:43:48,390 --> 00:43:46,270

information out there that there was

1098

00:43:51,300 --> 00:43:48,400

quite a bit of annex and Metis ISM and

1099

00:43:53,940 --> 00:43:51,310

you know some of the early CIA sections

1100

00:43:55,590 --> 00:43:53,950

and yes there does seem to have been a

1101  
00:43:59,220 --> 00:43:55,600  
certain degree of resentment towards God

1102  
00:44:01,890 --> 00:43:59,230  
liev's jus he was sort of a golden boy

1103  
00:44:03,510 --> 00:44:01,900  
who rose very high in the ranks fast and

1104  
00:44:05,310 --> 00:44:03,520  
I do think there were probably some

1105  
00:44:08,400 --> 00:44:05,320  
people the CIA that were resentful of

1106  
00:44:11,010 --> 00:44:08,410  
that and then after MKULTRA kind of

1107  
00:44:13,680 --> 00:44:11,020  
surpassed artichoke is the primary

1108  
00:44:15,090 --> 00:44:13,690  
vehicle for these experiments definitely

1109  
00:44:17,910 --> 00:44:15,100  
a lot of the office of security

1110  
00:44:20,910 --> 00:44:17,920  
personnel I think were very bitter about

1111  
00:44:22,830 --> 00:44:20,920  
this and kind of begin with already men

1112  
00:44:24,720 --> 00:44:22,840  
like Paul Gaynor and Morris Allen who

1113  
00:44:27,330 --> 00:44:24,730

destroyed strong traces of antiques and

1114

00:44:30,000 --> 00:44:27,340

Metis ISM even prior to encountering got

1115

00:44:32,640 --> 00:44:30,010

leav I mean both Gaynor and Morris Allen

1116

00:44:34,500 --> 00:44:32,650

were friends with John Trevor who had

1117

00:44:36,450 --> 00:44:34,510

been a military intelligence officer

1118

00:44:38,940 --> 00:44:36,460

during the first world war

1119

00:44:41,190 --> 00:44:38,950

Trevor had actually developed a battle

1120

00:44:45,300 --> 00:44:41,200

plan for rounding up every Jew in New

1121

00:44:47,250 --> 00:44:45,310

York City during the first world war so

1122

00:44:50,640 --> 00:44:47,260

yeah these guys were definitely around

1123

00:44:52,920 --> 00:44:50,650

some pretty extreme any Semites and that

1124

00:44:54,690 --> 00:44:52,930

definitely could have played into the

1125

00:44:57,030 --> 00:44:54,700

decision to really hang godly about to

1126

00:44:58,800 --> 00:44:57,040

dry yeah I thought that was a pretty

1127

00:45:01,170 --> 00:44:58,810

interesting element because I kind of

1128

00:45:03,480 --> 00:45:01,180

started this off with you know your

1129

00:45:06,380 --> 00:45:03,490

quote about the lines between Kabul ISM

1130

00:45:09,180 --> 00:45:06,390

and Nazism being fairly blurred and

1131

00:45:11,670 --> 00:45:09,190

anti-semitism is an interesting thing to

1132

00:45:13,680 --> 00:45:11,680

me because I have no dog and the fight

1133

00:45:16,200 --> 00:45:13,690

at all in terms of like caring what

1134

00:45:18,840 --> 00:45:16,210

anybody's race is or any kind of

1135

00:45:20,520 --> 00:45:18,850

superiority agenda in that regard but

1136

00:45:22,530 --> 00:45:20,530

when it comes to groups of people that

1137

00:45:25,230 --> 00:45:22,540

work together behind the scenes to

1138

00:45:27,420 --> 00:45:25,240

control the global stage this is

1139

00:45:29,430 --> 00:45:27,430

obviously one group that is talked about

1140

00:45:31,740 --> 00:45:29,440

a lot it's just curious because at that

1141

00:45:33,600 --> 00:45:31,750

upper level you would think that some of

1142

00:45:36,570 --> 00:45:33,610

that anti-semitism would kind of fade

1143

00:45:38,490 --> 00:45:36,580

away because they're more in in concert

1144

00:45:40,280 --> 00:45:38,500

together they're more interconnected but

1145

00:45:42,600 --> 00:45:40,290

I guess I guess not

1146

00:45:45,120 --> 00:45:42,610

yeah no I definitely would say

1147

00:45:47,310 --> 00:45:45,130

especially amongst the you know kind of

1148

00:45:50,010 --> 00:45:47,320

anglo-american elite I mean yes there

1149

00:45:52,620 --> 00:45:50,020

was always a certain weariness of the

1150

00:45:54,150 --> 00:45:52,630

Jewish elites and then of course I think

1151  
00:45:57,960 --> 00:45:54,160  
another kind of factor that played into

1152  
00:46:00,900 --> 00:45:57,970  
that too is the fact is how can I put

1153  
00:46:02,520 --> 00:46:00,910  
this delicately uh certainly there were

1154  
00:46:05,130 --> 00:46:02,530  
a fair amount of Jews in the United

1155  
00:46:07,470 --> 00:46:05,140  
States in the early to mid 20th century

1156  
00:46:10,590 --> 00:46:07,480  
that were also involved in organized

1157  
00:46:12,270 --> 00:46:10,600  
crime and that type of thing Mir Lansky

1158  
00:46:14,280 --> 00:46:12,280  
of course who was for many years that's

1159  
00:46:16,710 --> 00:46:14,290  
an answer for the syndicate was a

1160  
00:46:18,840 --> 00:46:16,720  
prominent Jew who later fled Israel

1161  
00:46:22,650 --> 00:46:18,850  
briefly to avoid prosecution

1162  
00:46:25,110 --> 00:46:22,660  
there was um lefty Rosenthal I believe

1163  
00:46:27,240 --> 00:46:25,120

his name was who was the inspiration for

1164

00:46:32,100 --> 00:46:27,250

the Robert De Niro character in Casino

1165

00:46:34,080 --> 00:46:32,110

and so on so definitely some of the you

1166

00:46:37,350 --> 00:46:34,090

know Jewish families that acquired their

1167

00:46:39,240 --> 00:46:37,360

money and somewhat criminal enterprises

1168

00:46:41,010 --> 00:46:39,250

which I think put a certain taint to

1169

00:46:42,630 --> 00:46:41,020

them in the eyes of the you know more

1170

00:46:46,320 --> 00:46:42,640

prim and proper angle American

1171

00:46:47,580 --> 00:46:46,330

establishment as well so yeah there were

1172

00:46:49,560 --> 00:46:47,590

a lot of these kind of factors that

1173

00:46:52,590 --> 00:46:49,570

played into it and then as I've kind of

1174

00:46:54,470 --> 00:46:52,600

gotten to earlier as well there seems to

1175

00:46:57,330 --> 00:46:54,480

have been a lot more pronounced Anglo

1176  
00:46:58,890 --> 00:46:57,340  
excuse-me anti-semitism and some of the

1177  
00:47:01,500 --> 00:46:58,900  
European partners of this

1178  
00:47:04,410 --> 00:47:01,510  
the delete Network America that wasn't

1179  
00:47:07,260 --> 00:47:04,420  
quite as pronounced I would say right I

1180  
00:47:09,120 --> 00:47:07,270  
try to think of it as like and within

1181  
00:47:11,910 --> 00:47:09,130  
these high-level networks I kind of

1182  
00:47:14,279 --> 00:47:11,920  
think of it as a game of Thrones where

1183  
00:47:16,200 --> 00:47:14,289  
imagine you just discover someone as a

1184  
00:47:17,849 --> 00:47:16,210  
Bonesmen you might be a little more

1185  
00:47:19,710 --> 00:47:17,859  
skeptical because you're going to think

1186  
00:47:21,809 --> 00:47:19,720  
oh well this person's going to have an

1187  
00:47:24,180 --> 00:47:21,819  
allegiance to their group within the

1188  
00:47:26,549 --> 00:47:24,190

group before anything else and if you're

1189

00:47:28,650 --> 00:47:26,559

not part of that group you're going to

1190

00:47:31,049 --> 00:47:28,660

maybe be a little paranoid that they're

1191

00:47:33,299 --> 00:47:31,059

ready to stab you in the back so I kind

1192

00:47:34,680 --> 00:47:33,309

of try to think of the Jewish elite in

1193

00:47:37,529 --> 00:47:34,690

the same way is that they're definitely

1194

00:47:40,710 --> 00:47:37,539

working with Germans and fascists and

1195

00:47:42,660 --> 00:47:40,720

Nazis but maybe all these groups are

1196

00:47:45,000 --> 00:47:42,670

kind of looking at what smaller groups

1197

00:47:46,650 --> 00:47:45,010

you know wheels within wheels that these

1198

00:47:48,630 --> 00:47:46,660

people are part of and saying well I

1199

00:47:51,690 --> 00:47:48,640

know that's your true allegiance so you

1200

00:47:53,130 --> 00:47:51,700

might be smiling at me out of one corner

1201  
00:47:53,579 --> 00:47:53,140  
of your mouth with a knife behind your

1202  
00:47:55,410 --> 00:47:53,589  
back

1203  
00:47:56,839 --> 00:47:55,420  
I don't know I kind of try to think of

1204  
00:48:00,359 --> 00:47:56,849  
it maybe that's the source of

1205  
00:48:02,730 --> 00:48:00,369  
anti-semitism amongst that level if we

1206  
00:48:04,710 --> 00:48:02,740  
had a similar word like anti Bonesmen

1207  
00:48:06,390 --> 00:48:04,720  
you might see the same type of sentiment

1208  
00:48:09,450 --> 00:48:06,400  
there just isn't really a term to

1209  
00:48:11,279 --> 00:48:09,460  
describe that type of prejudice well

1210  
00:48:13,260 --> 00:48:11,289  
yeah I think that some extent and I mean

1211  
00:48:15,269 --> 00:48:13,270  
in the case of the Jewish leaves I mean

1212  
00:48:17,220 --> 00:48:15,279  
I definitely think that you know I mean

1213  
00:48:20,250 --> 00:48:17,230

as a people the Jews are definitely much

1214

00:48:22,620 --> 00:48:20,260

more cliquish shall we say than certain

1215

00:48:23,809 --> 00:48:22,630

other groups and again I think in a lot

1216

00:48:26,819 --> 00:48:23,819

of ways that's totally understandable

1217

00:48:29,039 --> 00:48:26,829

when you look at the history that

1218

00:48:31,410 --> 00:48:29,049

they've endured and that may also be a

1219

00:48:33,630 --> 00:48:31,420

kind of in the minds of other elites as

1220

00:48:35,309 --> 00:48:33,640

well well are Jews really going to turn

1221

00:48:37,289 --> 00:48:35,319

on other Jews when you sort of look at

1222

00:48:39,059 --> 00:48:37,299

the shared historic experiences of

1223

00:48:42,120 --> 00:48:39,069

persecution that they have for centuries

1224

00:48:43,769 --> 00:48:42,130

and so yeah I mean I think there's

1225

00:48:45,870 --> 00:48:43,779

definitely a lot of factors that play

1226  
00:48:49,500 --> 00:48:45,880  
into you know where people's allegiances

1227  
00:48:50,789 --> 00:48:49,510  
ultimately lie mm-hmm yeah and those

1228  
00:48:53,609 --> 00:48:50,799  
things are going to reinforce themselves

1229  
00:48:55,440 --> 00:48:53,619  
to like persecution it's going to happen

1230  
00:48:57,420 --> 00:48:55,450  
because you notice the quick enos and

1231  
00:48:58,710 --> 00:48:57,430  
then increased quick eNOS is going to

1232  
00:49:01,829 --> 00:48:58,720  
happen because you notice the

1233  
00:49:03,510 --> 00:49:01,839  
persecution so it really is like a back

1234  
00:49:04,920 --> 00:49:03,520  
and forth chicken and egg kind of thing

1235  
00:49:07,529 --> 00:49:04,930  
that reinforces itself

1236  
00:49:11,069 --> 00:49:07,539  
I guess all throughout history yes yes

1237  
00:49:12,450 --> 00:49:11,079  
definitely hmm well okay so if most of

1238  
00:49:14,280 --> 00:49:12,460

these programs were an exploration

1239

00:49:17,070 --> 00:49:14,290

of consciousness mind control

1240

00:49:19,680 --> 00:49:17,080

psychedelics potentially the opening of

1241

00:49:22,349 --> 00:49:19,690

other realms and magic and contacting

1242

00:49:25,500 --> 00:49:22,359

disembodied Egyptian gods by the time we

1243

00:49:27,359 --> 00:49:25,510

hit the 70's 80's 90's the trail sort of

1244

00:49:29,849 --> 00:49:27,369

runs dry with the exception of the

1245

00:49:31,290 --> 00:49:29,859

distance Oh cam pains around ufology but

1246

00:49:33,930 --> 00:49:31,300

what can be said about these programs

1247

00:49:35,970 --> 00:49:33,940

themselves or the continuing of this

1248

00:49:39,089 --> 00:49:35,980

occult exploration in more recent

1249

00:49:41,010 --> 00:49:39,099

decades well I definitely think a lot of

1250

00:49:42,870 --> 00:49:41,020

it went into the deep private it's

1251

00:49:46,200 --> 00:49:42,880

definitely the scenes to have been the

1252

00:49:48,510 --> 00:49:46,210

case the pace of it I think really

1253

00:49:51,540 --> 00:49:48,520

stepped up especially in the 1980s after

1254

00:49:53,250 --> 00:49:51,550

the you know iran-contra expose days and

1255

00:49:54,839 --> 00:49:53,260

what have you really the trail of a lot

1256

00:49:57,780 --> 00:49:54,849

of the stuff kind of starts to go cold

1257

00:50:00,240 --> 00:49:57,790

ever then but it seems like a lot of it

1258

00:50:03,450 --> 00:50:00,250

was picked up by Robert Bigelow

1259

00:50:05,510 --> 00:50:03,460

he kind of Nevada real estate mogul who

1260

00:50:07,800 --> 00:50:05,520

eventually got into private spaceflight

1261

00:50:09,540 --> 00:50:07,810

that's at least the kind of public

1262

00:50:12,870 --> 00:50:09,550

perception but I mean Bigelow has also

1263

00:50:14,700 --> 00:50:12,880

spent a lot of money promoting UFO ology

1264

00:50:17,430 --> 00:50:14,710

in various forms and he's gotten into

1265

00:50:20,579 --> 00:50:17,440

some very arcane research such as the

1266

00:50:22,650 --> 00:50:20,589

skinwalker ranch it's been what he did

1267

00:50:24,450 --> 00:50:22,660

is from as far as I can tell he did own

1268

00:50:26,310 --> 00:50:24,460

the skinwalker ranch for many years

1269

00:50:28,410 --> 00:50:26,320

Bigelow might have finally be invested

1270

00:50:30,120 --> 00:50:28,420

himself from it for the last two or

1271

00:50:32,430 --> 00:50:30,130

three or something to that effect that

1272

00:50:34,530 --> 00:50:32,440

certainly they do seem to have done some

1273

00:50:36,450 --> 00:50:34,540

serious investigations there there were

1274

00:50:38,579 --> 00:50:36,460

some heavy hitters that were linked to

1275

00:50:40,890 --> 00:50:38,589

it such as Colonel John Alexander and

1276

00:50:42,810 --> 00:50:40,900

that I think is one instance so going

1277

00:50:45,960 --> 00:50:42,820

into the 90s or you can kind of see how

1278

00:50:47,460 --> 00:50:45,970

these projects you know continued as I

1279

00:50:49,050 --> 00:50:47,470

mean with the skinwalker ranch well

1280

00:50:51,270 --> 00:50:49,060

there are some theories this might have

1281

00:50:53,579 --> 00:50:51,280

been a gateway into another dimension or

1282

00:50:55,380 --> 00:50:53,589

something to that effect it's also kind

1283

00:50:56,430 --> 00:50:55,390

of interesting where we're calling this

1284

00:50:58,950 --> 00:50:56,440

Bigelow

1285

00:51:01,470 --> 00:50:58,960

of course came out as a major backer

1286

00:51:03,630 --> 00:51:01,480

Russian same major as he did so some

1287

00:51:06,990 --> 00:51:03,640

support to Trump in the lead-up to the

1288

00:51:09,329 --> 00:51:07,000

2016 election as did Elon Musk who is

1289

00:51:11,599 --> 00:51:09,339

the other major backer for private

1290

00:51:14,070 --> 00:51:11,609

spaceflight and that type of thing so

1291

00:51:15,300 --> 00:51:14,080

yeah I mean I definitely think there's

1292

00:51:17,339 --> 00:51:15,310

some interesting developments that be

1293

00:51:19,440 --> 00:51:17,349

coming from that especially since in

1294

00:51:21,690 --> 00:51:19,450

general Trump you know seems like he's

1295

00:51:23,550 --> 00:51:21,700

very closed some of these private

1296

00:51:25,140 --> 00:51:23,560

intelligence networks certainly I mean

1297

00:51:26,940 --> 00:51:25,150

he's had a lot of advice from Erik

1298

00:51:29,160 --> 00:51:26,950

Prince the founder of black

1299

00:51:32,490 --> 00:51:29,170

there of course rumors circulating that

1300

00:51:34,920 --> 00:51:32,500

he was trying to get um I can't remember

1301  
00:51:37,049 --> 00:51:34,930  
the guys name but the CEO of Cerebus

1302  
00:51:39,510 --> 00:51:37,059  
which owns DynCorp to review the US

1303  
00:51:42,059 --> 00:51:39,520  
intelligence community so I definitely

1304  
00:51:44,220 --> 00:51:42,069  
think that a lot of it has continued in

1305  
00:51:46,289 --> 00:51:44,230  
the deep private and under Trump we may

1306  
00:51:48,299 --> 00:51:46,299  
we'll see this really going into

1307  
00:51:50,420 --> 00:51:48,309  
overdrive with some of the backers that

1308  
00:51:53,490 --> 00:51:50,430  
he had coming into the White House oh

1309  
00:51:54,599 --> 00:51:53,500  
yeah man and I did want to talk to you a

1310  
00:51:57,089 --> 00:51:54,609  
little bit about Trump because you've

1311  
00:51:59,609 --> 00:51:57,099  
written about him recently and the

1312  
00:52:03,990 --> 00:51:59,619  
back-and-forth going on in the current

1313  
00:52:06,180 --> 00:52:04,000

political circus and so when it comes to

1314

00:52:07,799 --> 00:52:06,190

the idea of a division among the elite

1315

00:52:09,839 --> 00:52:07,809

you know it really has been a popular

1316

00:52:12,150 --> 00:52:09,849

thing this whole election cycle right up

1317

00:52:14,549 --> 00:52:12,160

to today we had so much alternative

1318

00:52:16,829 --> 00:52:14,559

media support for Trump that Alex Jones

1319

00:52:18,960 --> 00:52:16,839

and shows like red ice are in support of

1320

00:52:21,870 --> 00:52:18,970

the president which is totally backwards

1321

00:52:23,880 --> 00:52:21,880

and it's always been and I was happy to

1322

00:52:25,920 --> 00:52:23,890

see Clinton defeated but I'm skeptical

1323

00:52:28,500 --> 00:52:25,930

about anyone that they quote-unquote

1324

00:52:31,079 --> 00:52:28,510

let's become president and that said the

1325

00:52:33,780 --> 00:52:31,089

nonstop media attacks and the constant

1326  
00:52:35,789 --> 00:52:33,790  
pressure has shown them picking apart

1327  
00:52:38,250 --> 00:52:35,799  
the administration to some degree and

1328  
00:52:39,780 --> 00:52:38,260  
now just a couple months in we got the

1329  
00:52:42,270 --> 00:52:39,790  
airstrikes in Syria

1330  
00:52:44,370 --> 00:52:42,280  
the Moab drop in Afghanistan it seems

1331  
00:52:46,859 --> 00:52:44,380  
like this let's stay home and put

1332  
00:52:49,140 --> 00:52:46,869  
America first attitude has flipped to

1333  
00:52:51,299 --> 00:52:49,150  
full-blown globalism what's going on

1334  
00:52:53,849 --> 00:52:51,309  
here are we dealing with real cooz and

1335  
00:52:55,530 --> 00:52:53,859  
counter-coup and infighting or is this

1336  
00:52:57,839 --> 00:52:55,540  
just another case of simulated

1337  
00:53:00,299 --> 00:52:57,849  
opposition well it's definitely

1338  
00:53:04,049 --> 00:53:00,309

difficult to say at this point still I

1339

00:53:06,599 --> 00:53:04,059

think in my opinion the real cost of the

1340

00:53:08,789 --> 00:53:06,609

dispute over elements of the deep state

1341

00:53:11,579 --> 00:53:08,799

and what-have-you would trump really had

1342

00:53:14,460 --> 00:53:11,589

to deal with a question of theaters I

1343

00:53:17,010 --> 00:53:14,470

guess essentially the Hillary backers

1344

00:53:19,680 --> 00:53:17,020

seem to have preferred to continue the

1345

00:53:21,329 --> 00:53:19,690

pressure on Russia which has been

1346

00:53:23,789 --> 00:53:21,339

building obviously throughout Barack

1347

00:53:25,710 --> 00:53:23,799

Obama's administration whereas it seems

1348

00:53:27,750 --> 00:53:25,720

like some of the talks who backed Trump

1349

00:53:31,380 --> 00:53:27,760

were much more concerned with the rise

1350

00:53:32,700 --> 00:53:31,390

of China so kind of going in to present

1351

00:53:35,130 --> 00:53:32,710

events that are unfolding right now

1352

00:53:37,349 --> 00:53:35,140

initially Trump kind of surprised

1353

00:53:39,960 --> 00:53:37,359

everyone by launching these airstrikes

1354

00:53:42,210 --> 00:53:39,970

in Syria but conversely he did

1355

00:53:44,130 --> 00:53:42,220

literally at the same time he was having

1356

00:53:46,950 --> 00:53:44,140

dinner with the president of China and

1357

00:53:49,040 --> 00:53:46,960

ever since this particular incident

1358

00:53:51,900 --> 00:53:49,050

unfolded you've seen some major

1359

00:53:53,670 --> 00:53:51,910

reversals coming out of China of course

1360

00:53:55,500 --> 00:53:53,680

they've you know started to step up

1361

00:53:57,390 --> 00:53:55,510

pressure on North Korea but I mean also

1362

00:53:59,310 --> 00:53:57,400

they've attended Lee talked about doing

1363

00:54:01,470 --> 00:53:59,320

some big economic concessions to the

1364

00:54:03,540 --> 00:54:01,480

United States in terms of lifting

1365

00:54:05,880 --> 00:54:03,550

restrictions on the selling of US speed

1366

00:54:08,730 --> 00:54:05,890

they're trying to buy Morgana's products

1367

00:54:10,859 --> 00:54:08,740

and probably most interestingly opening

1368

00:54:12,630 --> 00:54:10,869

up their securities and insurance

1369

00:54:16,140 --> 00:54:12,640

companies to ownership by foreign

1370

00:54:17,550 --> 00:54:16,150

individuals so I definitely think

1371

00:54:19,440 --> 00:54:17,560

they're still kind of an ongoing dispute

1372

00:54:21,270 --> 00:54:19,450

on folding within you know these

1373

00:54:23,310 --> 00:54:21,280

different factions the deep state over

1374

00:54:25,140 --> 00:54:23,320

what poses the greater threat to Pax

1375

00:54:27,990 --> 00:54:25,150

Americana whether it's Russia whether

1376

00:54:31,500 --> 00:54:28,000

it's China certainly the Hillary backers

1377

00:54:33,540 --> 00:54:31,510

were in the Russia camp and that would

1378

00:54:36,089 --> 00:54:33,550

be kind of consistent with the kind of

1379

00:54:38,160 --> 00:54:36,099

historic eastern establishment who has

1380

00:54:41,180 --> 00:54:38,170

long been obsessed with Europe they kind

1381

00:54:43,950 --> 00:54:41,190

of consider it to be the backbone of

1382

00:54:45,810 --> 00:54:43,960

American global power whereas conversely

1383

00:54:47,609 --> 00:54:45,820

I think there are other groups that are

1384

00:54:50,220 --> 00:54:47,619

far more interested in Asia at this

1385

00:54:52,530 --> 00:54:50,230

point they largely see Europe as kind of

1386

00:54:56,130 --> 00:54:52,540

wasteland and the future basically

1387

00:54:57,390 --> 00:54:56,140

unfolding in the Far East which you know

1388

00:55:01,079 --> 00:54:57,400

with the rise of China's economy

1389

00:55:03,660 --> 00:55:01,089

probably isn't a bad assumption mm-hmm

1390

00:55:05,099 --> 00:55:03,670

right on I also wanted to talk to you

1391

00:55:08,430 --> 00:55:05,109

about Jared Kushner because you've

1392

00:55:11,160 --> 00:55:08,440

written about him and he does kind of

1393

00:55:13,770 --> 00:55:11,170

make this idea of coos and counter coos

1394

00:55:15,780 --> 00:55:13,780

seem like it's really one big family and

1395

00:55:18,210 --> 00:55:15,790

less about competing factions because he

1396

00:55:20,820 --> 00:55:18,220

is Trump's son-in-law he's considered a

1397

00:55:23,730 --> 00:55:20,830

major force behind the campaign he

1398

00:55:26,130 --> 00:55:23,740

bought 666 5th Avenue across from

1399

00:55:29,640 --> 00:55:26,140

Rockefeller Plaza his startup company

1400

00:55:32,460 --> 00:55:29,650

was funded by George Soros and you refer

1401

00:55:34,980 --> 00:55:32,470

to him as the chief liaison between the

1402

00:55:36,750 --> 00:55:34,990

Trump people and the Jewish elite I mean

1403

00:55:39,420 --> 00:55:36,760

what else can be said about him and his

1404

00:55:41,280 --> 00:55:39,430

role in this thing well yeah that really

1405

00:55:43,020 --> 00:55:41,290

seems to have been you know his major

1406

00:55:44,820 --> 00:55:43,030

purpose I mean I believe Kushner played

1407

00:55:46,650 --> 00:55:44,830

a big role in getting Trump some

1408

00:55:48,720 --> 00:55:46,660

financial backing for Sheldon Hales and

1409

00:55:51,630 --> 00:55:48,730

I believe his name is the you know

1410

00:55:53,220 --> 00:55:51,640

casino mogul and what-have-you so yeah

1411

00:55:55,410 --> 00:55:53,230

and I mean I think that probably

1412

00:55:57,810 --> 00:55:55,420

place into Trump's kind of scene

1413

00:56:00,420 --> 00:55:57,820

reversed course on Syria my

1414

00:56:02,340 --> 00:56:00,430

understanding is that you know Israel is

1415

00:56:04,140 --> 00:56:02,350

obsessed with overthrowing Iran's

1416

00:56:06,020 --> 00:56:04,150

current government and you know

1417

00:56:09,930 --> 00:56:06,030

obviously part of that campaign would be

1418

00:56:12,000 --> 00:56:09,940

stabilizing Syria so yeah I mean there's

1419

00:56:13,560 --> 00:56:12,010

kind of these regional influences that

1420

00:56:16,260 --> 00:56:13,570

are playing into that and then there may

1421

00:56:18,630 --> 00:56:16,270

even be a current divide now within the

1422

00:56:20,490 --> 00:56:18,640

National Security Council over that the

1423

00:56:23,609 --> 00:56:20,500

kind of perception seems to be the de de

1424

00:56:26,580 --> 00:56:23,619

gitar McMaster is really pushing for the

1425

00:56:28,020 --> 00:56:26,590

escalation and puts I think somewhere

1426

00:56:30,080 --> 00:56:28,030

between fifty one hundred and fifty

1427

00:56:32,820 --> 00:56:30,090

thousand boots on the ground in Syria

1428

00:56:35,730 --> 00:56:32,830

versus James Madison Secretary of

1429

00:56:36,900 --> 00:56:35,740

Defense and Joseph Dunford I believe the

1430

00:56:39,810 --> 00:56:36,910

chairman of the Joint Chiefs of Staff

1431

00:56:42,720 --> 00:56:39,820

who in the past had been very reluctant

1432

00:56:44,040 --> 00:56:42,730

about escalating the situation in Syria

1433

00:56:45,599 --> 00:56:44,050

from comments they've made and a

1434

00:56:48,450 --> 00:56:45,609

reported to now be the ones who are

1435

00:56:51,930 --> 00:56:48,460

still very tentative about how far we

1436

00:56:54,090 --> 00:56:51,940

want to go in Syria so certainly I mean

1437

00:56:56,400 --> 00:56:54,100

there seems to be from what I can tell

1438

00:56:57,960 --> 00:56:56,410

is still annoying going dispute over you

1439

00:57:01,230 --> 00:56:57,970

know do we want to try to really push

1440

00:57:02,640 --> 00:57:01,240

things in Syria as far as they can go or

1441

00:57:05,580 --> 00:57:02,650

do we want to try to keep the pressure

1442

00:57:08,130 --> 00:57:05,590

on China or was and I mean certainly

1443

00:57:09,960 --> 00:57:08,140

with Trump's own particular nature I

1444

00:57:12,120 --> 00:57:09,970

could definitely see scenarios where you

1445

00:57:14,670 --> 00:57:12,130

could do another dramatic 180 at some

1446

00:57:16,830 --> 00:57:14,680

point to Steven Bannon for instance

1447

00:57:19,170 --> 00:57:16,840

seems to have been you know on the outs

1448

00:57:22,080 --> 00:57:19,180

and the administration but again which

1449

00:57:23,880 --> 00:57:22,090

way things are played out it could be in

1450

00:57:27,330 --> 00:57:23,890

a few months Kushner might be the one on

1451  
00:57:29,040 --> 00:57:27,340  
the outside looking in so good yeah I

1452  
00:57:30,720 --> 00:57:29,050  
guess we are in the middle of the story

1453  
00:57:33,950 --> 00:57:30,730  
so you can't draw too many conclusions

1454  
00:57:37,800 --> 00:57:33,960  
about it but you do bring up the idea of

1455  
00:57:40,680 --> 00:57:37,810  
Trump and his back-and-forth on who he's

1456  
00:57:42,540 --> 00:57:40,690  
taking his cues from and you bring up

1457  
00:57:44,250 --> 00:57:42,550  
the idea of a possible blackmail

1458  
00:57:46,530 --> 00:57:44,260  
situation which is something that's come

1459  
00:57:48,660 --> 00:57:46,540  
up before earlier you mentioned sexual

1460  
00:57:51,120 --> 00:57:48,670  
blackmail that's very much a theme today

1461  
00:57:54,000 --> 00:57:51,130  
pedophilia among the elite is a pretty

1462  
00:57:55,740 --> 00:57:54,010  
hot topic even in mainstream circles

1463  
00:57:57,480 --> 00:57:55,750

even if they're just calling it fake

1464

00:57:59,010 --> 00:57:57,490

news but at least it's out there I mean

1465

00:58:01,050 --> 00:57:59,020

the terms are being talked about I think

1466

00:58:03,750 --> 00:58:01,060

that has an effect but what are your

1467

00:58:06,740 --> 00:58:03,760

thoughts on blackmail actually playing

1468

00:58:08,210 --> 00:58:06,750

into the strings that are

1469

00:58:10,580 --> 00:58:08,220

being pulled behind the Trump

1470

00:58:13,280 --> 00:58:10,590

administration well yeah I definitely

1471

00:58:15,590 --> 00:58:13,290

think it's been a key role and certainly

1472

00:58:18,410 --> 00:58:15,600

his rise to power I mean Eric Prince

1473

00:58:21,260 --> 00:58:18,420

came out in a shortly before the

1474

00:58:23,150 --> 00:58:21,270

election and essentially indicated that

1475

00:58:25,130 --> 00:58:23,160

the New York Police Department was on

1476  
00:58:27,140 --> 00:58:25,140  
the verge of prosecuting Anthony Weiner

1477  
00:58:29,480 --> 00:58:27,150  
on charges related to pedophilia and

1478  
00:58:31,880 --> 00:58:29,490  
Weiner of course was married to a key

1479  
00:58:34,280 --> 00:58:31,890  
Hillary aide that probably played a

1480  
00:58:36,980 --> 00:58:34,290  
factor in her you know ultimate loss of

1481  
00:58:39,050 --> 00:58:36,990  
the election and then more recently you

1482  
00:58:41,510 --> 00:58:39,060  
kind of have being mayor of Seattle who

1483  
00:58:43,340 --> 00:58:41,520  
was suddenly implicated in you know

1484  
00:58:46,100 --> 00:58:43,350  
molestation of several kids several

1485  
00:58:47,870 --> 00:58:46,110  
years ago who has been a major opponent

1486  
00:58:50,510 --> 00:58:47,880  
of Trump and his policies and

1487  
00:58:52,220 --> 00:58:50,520  
immigration but then again you know I

1488  
00:58:54,350 --> 00:58:52,230

also think there's a possibility that

1489

00:58:54,830 --> 00:58:54,360

Trump himself might be implicated in

1490

00:58:57,020 --> 00:58:54,840

this

1491

00:59:00,800 --> 00:58:57,030

of course there's allegations that he

1492

00:59:02,480 --> 00:59:00,810

also took trips to Epstein Island where

1493

00:59:04,760 --> 00:59:02,490

I believe what the legal age of consent

1494

00:59:06,890 --> 00:59:04,770

was 12 or something to that effect

1495

00:59:08,420 --> 00:59:06,900

though Clinton of course was late to

1496

00:59:10,940 --> 00:59:08,430

this and that was a big issue in the

1497

00:59:12,650 --> 00:59:10,950

campaign so yeah I could definitely see

1498

00:59:14,660 --> 00:59:12,660

you know I mean somebody having

1499

00:59:17,440 --> 00:59:14,670

something on Trump as well certainly

1500

00:59:19,970 --> 00:59:17,450

Trump comes off as an individual who's

1501

00:59:22,870 --> 00:59:19,980

been engaged in a certain degree of

1502

00:59:25,460 --> 00:59:22,880

sexual decadence throughout his life so

1503

00:59:27,560 --> 00:59:25,470

yeah and then I mean of course you get

1504

00:59:29,840 --> 00:59:27,570

back into some of his women his sort of

1505

00:59:33,350 --> 00:59:29,850

deep statement or was most likely really

1506

00:59:35,780 --> 00:59:33,360

Kuhn who had started out as a attorney

1507

00:59:37,880 --> 00:59:35,790

for McCartney during the 1950's and

1508

00:59:40,190 --> 00:59:37,890

there have been allegations going around

1509

00:59:42,380 --> 00:59:40,200

for years that [h\_\_\h] was also involved in

1510

00:59:44,890 --> 00:59:42,390

running sexual blackmail rings possibly

1511

00:59:47,590 --> 00:59:44,900

involving children for CIA

1512

00:59:50,420 --> 00:59:47,600

so Trump might have been you know

1513

00:59:54,170 --> 00:59:50,430

initiated into this world going as far

1514

00:59:56,300 --> 00:59:54,180

back as possibly the 1970s well then

1515

00:59:58,580 --> 00:59:56,310

well we have covered a hell of a lot of

1516

01:00:01,370 --> 00:59:58,590

ground is there anything else on the

1517

01:00:03,380 --> 01:00:01,380

horizon or anything that you're seeing

1518

01:00:05,300 --> 01:00:03,390

or paying particular attention to down

1519

01:00:08,540 --> 01:00:05,310

the line that we should address before

1520

01:00:10,640 --> 01:00:08,550

we start wrapping it up really at this

1521

01:00:12,680 --> 01:00:10,650

point I'm just hoping we don't get into

1522

01:00:15,590 --> 01:00:12,690

a third world war on the gun you know

1523

01:00:17,840 --> 01:00:15,600

monks mmm amen

1524

01:00:19,670 --> 01:00:17,850

yeah it's it's definitely all we can do

1525

01:00:20,510 --> 01:00:19,680

is kind of sit on the sidelines and wait

1526

01:00:22,310 --> 01:00:20,520

and see what they

1527

01:00:23,690 --> 01:00:22,320

and store but I'm hoping so - yeah

1528

01:00:26,000 --> 01:00:23,700

there's no need for that

1529

01:00:28,430 --> 01:00:26,010

just although I know there's more going

1530

01:00:30,740 --> 01:00:28,440

on oh sorry to say but whenever there's

1531

01:00:33,290 --> 01:00:30,750

whispers of economic trouble you know

1532

01:00:36,230 --> 01:00:33,300

that a giant massive military conflict

1533

01:00:38,000 --> 01:00:36,240

is right around the corner oh yeah and I

1534

01:00:39,400 --> 01:00:38,010

mean well not just that - but I mean I

1535

01:00:42,260 --> 01:00:39,410

also just think the fact that

1536

01:00:45,020 --> 01:00:42,270

credibility in public institutions has

1537

01:00:46,910 --> 01:00:45,030

just collapsed so much not just in the

1538

01:00:49,100 --> 01:00:46,920

United States but in Europe and so many

1539

01:00:51,110 --> 01:00:49,110

other areas the world right now I mean

1540

01:00:53,330 --> 01:00:51,120

the public does not trust you know

1541

01:00:55,460 --> 01:00:53,340

politicians they don't trust the press

1542

01:00:58,910 --> 01:00:55,470

there's hardly anybody left that they do

1543

01:01:01,430 --> 01:00:58,920

trust so I think that's another kind of

1544

01:01:03,170 --> 01:01:01,440

driving factor for a major war with the

1545

01:01:05,180 --> 01:01:03,180

elite or the another factor that's

1546

01:01:08,090 --> 01:01:05,190

driving the elites towards a major war

1547

01:01:11,180 --> 01:01:08,100

right now is they need something that's

1548

01:01:12,740 --> 01:01:11,190

going to reestablish Authority in the

1549

01:01:14,690 --> 01:01:12,750

state or something to that effect

1550

01:01:17,240 --> 01:01:14,700

because I mean right now there's just so

1551

01:01:19,340 --> 01:01:17,250

much public disconnect with our

1552

01:01:22,220 --> 01:01:19,350

discontent with the way things are and I

1553

01:01:24,260 --> 01:01:22,230

think there is a realization that if it

1554

01:01:26,510 --> 01:01:24,270

continues in the current path you know

1555

01:01:28,220 --> 01:01:26,520

sooner or later somebody is going to get

1556

01:01:30,230 --> 01:01:28,230

elected or come to some kind of power

1557

01:01:32,180 --> 01:01:30,240

that's not going to be another Trump

1558

01:01:35,420 --> 01:01:32,190

that can be you know easily manipulated

1559

01:01:37,610 --> 01:01:35,430

by the powers that be so I definitely

1560

01:01:39,200 --> 01:01:37,620

think the push to war is also to try to

1561

01:01:41,510 --> 01:01:39,210

pretty empty you know some kind of

1562

01:01:44,030 --> 01:01:41,520

genuine political change that may occur

1563

01:01:45,830 --> 01:01:44,040

down the line so I mean certainly my

1564

01:01:47,780 --> 01:01:45,840

major hope is that we can avoid a major

1565

01:01:49,400 --> 01:01:47,790

war at this point so that we can get to

1566

01:01:53,120 --> 01:01:49,410

the possibility we're real chance of

1567

01:01:55,220 --> 01:01:53,130

change does present itself hmm very well

1568

01:01:57,350 --> 01:01:55,230

said man so yeah I'm right there with

1569

01:01:59,750 --> 01:01:57,360

you let's hope that doesn't happen let's

1570

01:02:02,900 --> 01:01:59,760

keep our guard up and keep our eyes open

1571

01:02:05,330 --> 01:02:02,910

for just this kind of manipulation but

1572

01:02:07,760 --> 01:02:05,340

that pretty much does it for us reclude

1573

01:02:09,470 --> 01:02:07,770

I do love the work you're doing I'm so

1574

01:02:11,480 --> 01:02:09,480

glad Chris Knowles turned me on to your

1575

01:02:14,150 --> 01:02:11,490

blog it's very much in the same vein as

1576

01:02:14,450 --> 01:02:14,160

his great stuff before I really cut you

1577

01:02:15,920 --> 01:02:14,460

loose

1578

01:02:17,600 --> 01:02:15,930

tell the people a little bit more about

1579

01:02:20,810 --> 01:02:17,610

it if they want to get more into these

1580

01:02:23,570 --> 01:02:20,820

things oh well like I said you can find

1581

01:02:29,660 --> 01:02:23,580

my website at our bodies of view com

1582

01:02:32,660 --> 01:02:29,670

that's V isup you biew com excuse me

1583

01:02:34,400 --> 01:02:32,670

logs com essentially yeah i chronicle a

1584

01:02:36,799 --> 01:02:34,410

lot of deep political

1585

01:02:39,349 --> 01:02:36,809

Treves a lot of you know arcane topics I

1586

01:02:41,420 --> 01:02:39,359

used to do some pop-culture oriented

1587

01:02:43,220 --> 01:02:41,430

things on music and movies and that type

1588

01:02:46,010 --> 01:02:43,230

of stuff but not as much in the last

1589

01:02:48,230 --> 01:02:46,020

year so yeah I guess if you've enjoyed

1590

01:02:50,210 --> 01:02:48,240

the webcast if you also enjoy some other

1591

01:02:52,370 --> 01:02:50,220

thing you see on the secret cylinder

1592

01:02:54,440 --> 01:02:52,380

ruins soup you may be interested in my

1593

01:02:56,359 --> 01:02:54,450

blog certainly I would consider mr.

1594

01:02:58,849 --> 01:02:56,369

Nola's and mr. white to the enormous

1595

01:03:00,410 --> 01:02:58,859

influences on my work I also actually

1596

01:03:02,630 --> 01:03:00,420

would like to take this moment to to

1597

01:03:04,819 --> 01:03:02,640

give a big thank you to Chris Nola's for

1598

01:03:05,599 --> 01:03:04,829

promoting my website among his readers

1599

01:03:07,789 --> 01:03:05,609

and what have you

1600

01:03:09,740 --> 01:03:07,799

obviously you know turning you on to my

1601  
01:03:11,779 --> 01:03:09,750  
website and what have you it definitely

1602  
01:03:13,250 --> 01:03:11,789  
means a lot to me I have a great degree

1603  
01:03:15,319 --> 01:03:13,260  
of respect for the work that Chris

1604  
01:03:17,240 --> 01:03:15,329  
Nola's has done over the last decade or

1605  
01:03:19,130 --> 01:03:17,250  
so and you know it's very gratifying

1606  
01:03:22,430 --> 01:03:19,140  
that he seems to enjoy the work that I'm

1607  
01:03:25,089 --> 01:03:22,440  
doing yeah I even saw Peter Levin to

1608  
01:03:27,980 --> 01:03:25,099  
himself commented on a couple of your

1609  
01:03:31,460 --> 01:03:27,990  
posts that involve his work that's up

1610  
01:03:33,829 --> 01:03:31,470  
something cool yeah yeah no I had some

1611  
01:03:35,930 --> 01:03:33,839  
contact lavinda I've had some contact

1612  
01:03:37,579 --> 01:03:35,940  
with HBO Borrelia usually I've talked to

1613  
01:03:39,019 --> 01:03:37,589

el Borrelia and email exchanges and

1614

01:03:41,630 --> 01:03:39,029

what-have-you so that's definitely been

1615

01:03:43,279 --> 01:03:41,640

exciting to have some contact with some

1616

01:03:45,769 --> 01:03:43,289

of the researchers that really inspired

1617

01:03:46,670 --> 01:03:45,779

my work it's been very gratifying and

1618

01:03:50,329 --> 01:03:46,680

probably one of the most rewarding

1619

01:03:52,370 --> 01:03:50,339

aspects it's on the blog and then man I

1620

01:03:54,170 --> 01:03:52,380

hear yeah I feel like I'm talking to

1621

01:03:56,089 --> 01:03:54,180

people every week that I'm not qualified

1622

01:03:56,569 --> 01:03:56,099

to be talking to but it's a beautiful

1623

01:03:59,089 --> 01:03:56,579

thing

1624

01:04:01,339 --> 01:03:59,099

and right on I had a great time talking

1625

01:04:03,380 --> 01:04:01,349

to you thanks again keep fighting the

1626

01:04:06,890 --> 01:04:03,390

good fight my man thanks a lot for

1627

01:04:09,470 --> 01:04:06,900

having me one you got it and boom goes

1628

01:04:13,069 --> 01:04:09,480

the dynamite dear listeners Rekluse of

1629

01:04:14,839 --> 01:04:13,079

babylon drop in knowledge and I do have

1630

01:04:16,849 --> 01:04:14,849

to apologize for the audio quality a

1631

01:04:18,200 --> 01:04:16,859

little bit I know we had connection

1632

01:04:20,539 --> 01:04:18,210

problems with the internet that would

1633

01:04:22,039 --> 01:04:20,549

just screw up like one word out of every

1634

01:04:24,410 --> 01:04:22,049

other sentence and then it would go away

1635

01:04:26,120 --> 01:04:24,420

for a while and there are parts that I

1636

01:04:27,859 --> 01:04:26,130

had to stitch together to sound more

1637

01:04:29,569 --> 01:04:27,869

fluid and there are parts that sound

1638

01:04:32,539 --> 01:04:29,579

like bad edits but I actually didn't

1639

01:04:34,519 --> 01:04:32,549

touch anything so a little subpar on the

1640

01:04:36,319 --> 01:04:34,529

audio quality but when it's like that

1641

01:04:38,329 --> 01:04:36,329

it's hard to keep interrupting a

1642

01:04:40,400 --> 01:04:38,339

person's flow and I just tend to think

1643

01:04:41,900 --> 01:04:40,410

oh I'm going to fix it later and then I

1644

01:04:43,970 --> 01:04:41,910

go back and it bothers me more than I

1645

01:04:46,910 --> 01:04:43,980

thought it would but it is what it is

1646

01:04:48,230 --> 01:04:46,920

serenity now right recluse does know

1647

01:04:50,240 --> 01:04:48,240

what he's talking about though and

1648

01:04:52,100 --> 01:04:50,250

terms of content and mapping out all

1649

01:04:53,480 --> 01:04:52,110

these connections I feel like he's got

1650

01:04:55,910 --> 01:04:53,490

to have one of the most elaborate

1651  
01:04:58,580 --> 01:04:55,920  
detective show corkboards up in his head

1652  
01:05:00,200 --> 01:04:58,590  
it's pretty impressive and being a guy

1653  
01:05:02,630 --> 01:05:00,210  
who doesn't do many interviews

1654  
01:05:04,760 --> 01:05:02,640  
especially a lengthy one like these here

1655  
01:05:07,880 --> 01:05:04,770  
higher side chefs I think he did a great

1656  
01:05:10,220 --> 01:05:07,890  
job this really is just one of my

1657  
01:05:12,650 --> 01:05:10,230  
attempts to find some new voices that

1658  
01:05:14,690 --> 01:05:12,660  
still mesh with this nexus of the occult

1659  
01:05:16,970 --> 01:05:14,700  
and the deep state and I don't want to

1660  
01:05:18,440 --> 01:05:16,980  
just go over the same stories so I try

1661  
01:05:20,330 --> 01:05:18,450  
to find people who have looked at

1662  
01:05:22,340 --> 01:05:20,340  
different aspects or highlight different

1663  
01:05:23,990 --> 01:05:22,350

details of that stuff that I like about

1664

01:05:26,810 --> 01:05:24,000

Gordon White and Chris Knowles

1665

01:05:30,110 --> 01:05:26,820

and yeah recluse was pretty committed to

1666

01:05:31,820 --> 01:05:30,120

Chris no less but I've always said

1667

01:05:34,430 --> 01:05:31,830

Knowles and I never really thought

1668

01:05:37,250 --> 01:05:34,440

anything about it but now he's got me

1669

01:05:39,230 --> 01:05:37,260

second-guessing myself but anyway it's

1670

01:05:41,330 --> 01:05:39,240

just one of my big curiosities is that

1671

01:05:43,730 --> 01:05:41,340

in the conspiracy world we hear the

1672

01:05:46,310 --> 01:05:43,740

buzzword Cabala we hear about old Jewish

1673

01:05:48,590 --> 01:05:46,320

magic and yes that is there but it's the

1674

01:05:50,540 --> 01:05:48,600

Bush family doing the skullenbones stuff

1675

01:05:52,520 --> 01:05:50,550

it's the Nazis who are the most open

1676

01:05:55,390 --> 01:05:52,530

about the occult and anyone alive

1677

01:05:57,260 --> 01:05:55,400

today's lifetime and it's German

1678

01:05:59,450 --> 01:05:57,270

petrochemical companies they're at the

1679

01:06:02,030 --> 01:05:59,460

heart of a lot of today's problems so I

1680

01:06:05,270 --> 01:06:02,040

don't know if someone was really going

1681

01:06:08,270 --> 01:06:05,280

to try and say that my show hides the

1682

01:06:10,100 --> 01:06:08,280

Jewish agenda I mean that might be fair

1683

01:06:12,920 --> 01:06:10,110

because it has been a long time since we

1684

01:06:14,930 --> 01:06:12,930

did a Jews run the world show mainly

1685

01:06:18,020 --> 01:06:14,940

just because I think that stuff is

1686

01:06:20,840 --> 01:06:18,030

outdated to a degree or maybe only

1687

01:06:23,270 --> 01:06:20,850

applies to banking circles not that it's

1688

01:06:25,220 --> 01:06:23,280

wrong but I think that people in that

1689

01:06:28,010 --> 01:06:25,230

camp have blinders on to other things

1690

01:06:31,040 --> 01:06:28,020

like this really easy to track largely

1691

01:06:35,000 --> 01:06:31,050

German Russian nationalist fascist

1692

01:06:36,680 --> 01:06:35,010

faction like Henry Ford for example who

1693

01:06:39,290 --> 01:06:36,690

worked heavily with the Rockefellers and

1694

01:06:41,180 --> 01:06:39,300

the oil barons who spawned the assembly

1695

01:06:43,760 --> 01:06:41,190

line and helped craft an education

1696

01:06:45,680 --> 01:06:43,770

system that reduced people to believing

1697

01:06:48,200 --> 01:06:45,690

that being a screw Turner is a

1698

01:06:50,420 --> 01:06:48,210

fulfilling life he wrote a book called

1699

01:06:52,250 --> 01:06:50,430

the International Jew and I bought it

1700

01:06:53,960 --> 01:06:52,260

because I want to understand this weird

1701

01:06:56,150 --> 01:06:53,970

element of the situation among the

1702

01:06:58,760 --> 01:06:56,160

elites and it's everything you might

1703

01:07:01,730 --> 01:06:58,770

expect how Jews use power Jewish

1704

01:07:04,250 --> 01:07:01,740

supremacy and cinema Jewish user

1705

01:07:07,160 --> 01:07:04,260

the G World Order perpetual victimhood

1706

01:07:09,770 --> 01:07:07,170

and I just find it interesting coming

1707

01:07:11,359 --> 01:07:09,780

from him because he's a real dick and I

1708

01:07:13,310 --> 01:07:11,369

also thought that when we say Jewish

1709

01:07:15,800 --> 01:07:13,320

elite that included families like

1710

01:07:18,320 --> 01:07:15,810

Rockefeller yet he seemed pretty cozy

1711

01:07:20,780 --> 01:07:18,330

with them and some say the highest elite

1712

01:07:22,820 --> 01:07:20,790

are just German Jews who use that

1713

01:07:23,690 --> 01:07:22,830

division the same way they use Democrats

1714

01:07:26,390 --> 01:07:23,700

and Republicans

1715

01:07:28,550 --> 01:07:26,400

honestly I guess I'm really just not

1716

01:07:30,830 --> 01:07:28,560

that good at I'm someone up and knowing

1717

01:07:33,200 --> 01:07:30,840

if they're Jewish unless we're talking

1718

01:07:36,380 --> 01:07:33,210

about like Larry David and Woody Allen

1719

01:07:38,510 --> 01:07:36,390

so I don't know but I do know that the

1720

01:07:41,690 --> 01:07:38,520

reason our food and medicine and

1721

01:07:43,790 --> 01:07:41,700

vaccines are all [h\_\_h] is petrochemical

1722

01:07:45,980 --> 01:07:43,800

companies and that's not the eugenics

1723

01:07:48,320 --> 01:07:45,990

residue my friends as far as I can tell

1724

01:07:51,080 --> 01:07:48,330

but maybe we will do a show for the

1725

01:07:53,270 --> 01:07:51,090

other side before too long I want to be

1726

01:07:55,520 --> 01:07:53,280

balanced but I actually don't know the

1727

01:07:57,490 --> 01:07:55,530

best researcher to get on for the Jewish

1728

01:08:00,380 --> 01:07:57,500

agenda side anymore so you tell me

1729

01:08:02,240 --> 01:08:00,390

anyway I hope you like this one and I

1730

01:08:04,880 --> 01:08:02,250

hope it filled out a few more areas on

1731

01:08:07,310 --> 01:08:04,890

your deep state map I think Rekluse is

1732

01:08:08,840 --> 01:08:07,320

right about the distrust being so high

1733

01:08:11,240 --> 01:08:08,850

right now that they're going to want a

1734

01:08:13,190 --> 01:08:11,250

distraction event we've seen it before

1735

01:08:15,710 --> 01:08:13,200

and we recorded the show just before

1736

01:08:17,180 --> 01:08:15,720

Comey was fired from the FBI that's why

1737

01:08:19,370 --> 01:08:17,190

you didn't hear it mentioned but I'm

1738

01:08:21,050 --> 01:08:19,380

sure this saga also has the

1739

01:08:24,620 --> 01:08:21,060

administration looking for a bigger

1740

01:08:27,710 --> 01:08:24,630

tragedy than their shady operation so be

1741

01:08:30,860 --> 01:08:27,720

awake be ready you do not know the hour

1742

01:08:32,990 --> 01:08:30,870

when World War 3 is coming and if you

1743

01:08:35,180 --> 01:08:33,000

like the first hour here of course

1744

01:08:38,030 --> 01:08:35,190

there's always a second if you sign up

1745

01:08:40,340 --> 01:08:38,040

for THC plus it's \$5 a month for five

1746

01:08:42,289 --> 01:08:40,350

extra hours and lifetime access to the

1747

01:08:45,019 --> 01:08:42,299

forum's there are three months six

1748

01:08:47,570 --> 01:08:45,029

months full-year options recurring

1749

01:08:50,510 --> 01:08:47,580

non-recurring check money order Bitcoin

1750

01:08:53,269 --> 01:08:50,520

whatever I want to make it easy so get

1751

01:08:54,769 --> 01:08:53,279

on the ride in this second hour we

1752

01:08:56,690 --> 01:08:54,779

talked about the impact of China's

1753

01:08:58,430 --> 01:08:56,700

decision to open up their securities and

1754

01:09:01,220 --> 01:08:58,440

insurance companies to foreign ownership

1755

01:09:03,289 --> 01:09:01,230

how Rekluse balances the positive

1756

01:09:05,090 --> 01:09:03,299

personal experiences with psychedelics

1757

01:09:07,039 --> 01:09:05,100

with the knowledge of deep state

1758

01:09:09,070 --> 01:09:07,049

connections around the psychedelic

1759

01:09:11,660 --> 01:09:09,080

movement and that the introspection

1760

01:09:14,059 --> 01:09:11,670

facilitated by these compounds probably

1761

01:09:15,559 --> 01:09:14,069

didn't line up all that well with deep

1762

01:09:17,419 --> 01:09:15,569

state agendas I really

1763

01:09:19,280 --> 01:09:17,429

like that part we talked about how

1764

01:09:21,439 --> 01:09:19,290

recluse takes issue with the trend of

1765

01:09:23,359 --> 01:09:21,449

conspiracy researchers focusing on the

1766

01:09:25,550 --> 01:09:23,369

distribution of India genes rather than

1767

01:09:28,280 --> 01:09:25,560

opioids considering how much more

1768

01:09:29,839 --> 01:09:28,290

damaging they are as these opioids are

1769

01:09:32,479 --> 01:09:29,849

the ones that are synthesized and pushed

1770

01:09:34,819 --> 01:09:32,489

by Big Pharma we got into the strange

1771

01:09:36,680 --> 01:09:34,829

history of events along the 33rd

1772

01:09:39,379 --> 01:09:36,690

parallel and how that relates to the

1773

01:09:42,229 --> 01:09:39,389

idea of a Faustian pact or the potential

1774

01:09:44,180 --> 01:09:42,239

for some type of spirit bargaining by

1775

01:09:46,339 --> 01:09:44,190

elements of the American machine the

1776

01:09:48,680 --> 01:09:46,349

true nature of the elite and entity

1777

01:09:51,019 --> 01:09:48,690

connection are they unconscious contact

1778

01:09:53,089 --> 01:09:51,029

or infected by a parasitic mind virus

1779

01:09:55,459 --> 01:09:53,099

why it's interesting that William

1780

01:09:57,530 --> 01:09:55,469

Shockley specifically would be chosen as

1781

01:09:59,569 --> 01:09:57,540

the inventor of the transistor if it was

1782

01:10:01,879 --> 01:09:59,579

in fact a ruse to hide a more occult

1783

01:10:03,709 --> 01:10:01,889

origin we talked about secret wars

1784

01:10:06,109 --> 01:10:03,719

vatican edition where we got into the

1785

01:10:07,760 --> 01:10:06,119

Jesuits and the Knights of Malta also

1786

01:10:09,770 --> 01:10:07,770

how Skull and Bones dominates the

1787

01:10:12,229 --> 01:10:09,780

military industrial complex and the

1788

01:10:14,149 --> 01:10:12,239

death of David Rockefeller and how that

1789

01:10:16,669 --> 01:10:14,159

might affect the power structure and the

1790

01:10:19,220 --> 01:10:16,679

plans of the elite other stuff as well

1791

01:10:21,950 --> 01:10:19,230

it's action-packed quite a bit of stuff

1792

01:10:25,250 --> 01:10:21,960

I enjoyed so big thanks again to recluse

1793

01:10:27,470 --> 01:10:25,260

I did like his point about LSD not being

1794

01:10:29,810 --> 01:10:27,480

that great for mind-control but maybe it

1795

01:10:32,120 --> 01:10:29,820

is good for other agendas like trying to

1796

01:10:33,709 --> 01:10:32,130

gain insight or math other realms I

1797

01:10:36,770 --> 01:10:33,719

think that's a great point

1798

01:10:43,180 --> 01:10:36,780

but anyway do check out his blog this up

1799

01:10:44,859 --> 01:10:43,190

view blog spot.com vis u P VI e wo

1800

01:10:47,330 --> 01:10:44,869

spot.com

1801  
01:10:48,979 --> 01:10:47,340  
just look in the show notes he's already

1802  
01:10:51,050 --> 01:10:48,989  
put up a new installment of his high

1803  
01:10:52,850 --> 01:10:51,060  
weirdness in the far right series I'm

1804  
01:10:56,600 --> 01:10:52,860  
sure that's a good read I already see

1805  
01:10:58,700 --> 01:10:56,610  
the Skull and Bones logo here and also I

1806  
01:11:01,609 --> 01:10:58,710  
haven't done this in a while but playing

1807  
01:11:03,680 --> 01:11:01,619  
us out today is a band called seven day

1808  
01:11:06,229 --> 01:11:03,690  
sleep because they asked if I could

1809  
01:11:08,660 --> 01:11:06,239  
close out a show with their song red

1810  
01:11:10,370 --> 01:11:08,670  
lipstick murders and I thought it was a

1811  
01:11:12,169 --> 01:11:10,380  
pretty great song so I'm happy to do

1812  
01:11:14,209 --> 01:11:12,179  
that I want two artists out there to

1813  
01:11:16,729 --> 01:11:14,219

make it especially say like this crazy

1814

01:11:18,890 --> 01:11:16,739

show right but that does it for me today

1815

01:11:20,510 --> 01:11:18,900

I am getting out of here your move deep

1816

01:11:22,520 --> 01:11:20,520

state dimensional door openers

1817

01:11:24,290 --> 01:11:22,530

underground occult fascist factions of

1818

01:11:26,089 --> 01:11:24,300

the far right and the interdimensional

1819

01:11:31,210 --> 01:11:26,099

entities of the other world that you

1820

01:11:40,250 --> 01:11:34,960

seven days sleep they took away the

1821

01:11:45,920 --> 01:11:40,260

bridal fell to the Riverside is it all

1822

01:11:49,190 --> 01:11:45,930

my sister they burned a man it was done

1823

01:11:58,160 --> 01:11:53,750

sing his chapters dead be quick well

1824

01:11:59,110 --> 01:11:58,170

crave them up before drink them with my

1825

01:12:09,320 --> 01:11:59,120

red

1826  
01:12:09,330 --> 01:12:14,080  
[Music]

1827  
01:12:20,180 --> 01:12:18,140  
to kill

1828  
01:12:22,950 --> 01:12:20,190  
I can't stop

1829  
01:12:35,590 --> 01:12:22,960  
[Applause]

1830  
01:12:35,600 --> 01:12:49,090  
hey save my soul

1831  
01:12:49,100 --> 01:12:53,790  
[Music]

1832  
01:12:53,800 --> 01:13:02,570  
they from the bottom of the river nobody

1833  
01:13:40,500 --> 01:13:12,370  
[Music]

1834  
01:13:43,330 --> 01:13:40,510  
[Applause]

1835  
01:13:49,580 --> 01:13:43,340  
Wow

1836  
01:13:49,590 --> 01:13:52,680  
[Applause]

1837  
01:13:54,050 --> 01:13:53,090  
[Music]

1838  
01:14:00,759 --> 01:13:54,060

[Applause]

1839

01:14:11,710 --> 01:14:02,840

Hey

1840

01:14:11,720 --> 01:14:17,420

[Music]

1841

01:14:34,790 --> 01:14:22,290

Oh

1842

01:15:01,830 --> 01:14:54,650

[Music]
