2  
00:00:10,970 --> 00:00:07,440

the planet surfing masters almost surely

3  
00:00:13,789 --> 00:00:10,980

have a plan this clearly maybe something

4  
00:00:17,240 --> 00:00:13,799

there beyond the realm of man panic to

5  
00:00:20,210 --> 00:00:17,250

parity just did every sample just you

6  
00:00:23,800 --> 00:00:20,220

I'm fine the more you think you know the

7  
00:00:28,939 --> 00:00:23,810

less you really do that's true dr. Zaius

8  
00:00:31,000 --> 00:00:28,949

where would we be without because we

9  
00:00:31,999 --> 00:00:31,010

know that

10  
00:00:34,750 --> 00:00:32,009

don't know what

11  
00:00:36,750 --> 00:00:34,760

[Music]

12  
00:00:38,660 --> 00:00:36,760

without me

13  
00:00:43,000 --> 00:00:38,670

the highest

14

00:00:47,810 --> 00:00:46,190

all right higher side chatters while we

15

00:00:50,450 --> 00:00:47,820

always try to keep a close eye on

16

00:00:52,220 --> 00:00:50,460

pockets of unchecked power it seems that

17

00:00:53,810 --> 00:00:52,230

over the years the nefarious elite have

18

00:00:55,400 --> 00:00:53,820

realized that they can come out from

19

00:00:56,900 --> 00:00:55,410

behind the curtain relishing the

20

00:00:59,330 --> 00:00:56,910

protection spell that is limited

21

00:01:00,950 --> 00:00:59,340

liability and coast on the ignorance and

22

00:01:02,750 --> 00:01:00,960

apathy of the masses as long as they

23

00:01:05,960 --> 00:01:02,760

offer up a catchy jingle and the fake

24

00:01:07,610 --> 00:01:05,970

smile of an underpaid PR shill meanwhile

25

00:01:11,330 --> 00:01:07,620

their true weapons of mass destruction

26  
00:01:13,460 --> 00:01:11,340  
Merc Monsanto Dow Chemical Pfizer Nestle

27  
00:01:15,430 --> 00:01:13,470  
Exxon Mobil coca-cola and a nearly

28  
00:01:18,230 --> 00:01:15,440  
endless list of corrupt corporations

29  
00:01:20,180 --> 00:01:18,240  
ruthlessly consumed market share as we

30  
00:01:22,760 --> 00:01:20,190  
the people and the planet itself suffer

31  
00:01:24,980 --> 00:01:22,770  
in their wake but lucky for us today's

32  
00:01:26,690 --> 00:01:24,990  
guest Richard Belzer is not fooled and

33  
00:01:29,120 --> 00:01:26,700  
along with his writing partner David

34  
00:01:31,070 --> 00:01:29,130  
Wain has just released a powerful book

35  
00:01:33,380 --> 00:01:31,080  
exposing the inner workings and dirty

36  
00:01:35,390 --> 00:01:33,390  
deeds of these very companies entitled

37  
00:01:37,700 --> 00:01:35,400  
corporate conspiracies how Wall Street

38  
00:01:40,010 --> 00:01:37,710

took over Washington Richard has had a

39

00:01:42,020 --> 00:01:40,020

long career as a well-known stand-up

40

00:01:44,450 --> 00:01:42,030

comedian and actor as well best known

41

00:01:46,550 --> 00:01:44,460

for his role as John Munch on the TV

42

00:01:49,550 --> 00:01:46,560

shows homicide life on the street and

43

00:01:51,200 --> 00:01:49,560

Law & Order Special Victims Unit but

44

00:01:53,300 --> 00:01:51,210

he's also one of the few celebrities out

45

00:01:54,859 --> 00:01:53,310

there willing to use their popularity to

46

00:01:56,779 --> 00:01:54,869

draw attention to the things they don't

47

00:01:58,520 --> 00:01:56,789

want you to know and has authored or

48

00:02:02,090 --> 00:01:58,530

co-authored several previous

49

00:02:04,100 --> 00:02:02,100

conspiratorial books including UFOs JFK

50

00:02:06,290 --> 00:02:04,110

and Elvis conspiracies you don't have to

51  
00:02:07,730 --> 00:02:06,300  
be crazy to believe hit list and

52  
00:02:09,529 --> 00:02:07,740  
in-depth investigation into the

53  
00:02:12,590 --> 00:02:09,539  
mysterious depths of witnesses of the

54  
00:02:14,210 --> 00:02:12,600  
JFK assassination and someone is hiding

55  
00:02:16,120 --> 00:02:14,220  
something what happened to Malaysia

56  
00:02:18,980 --> 00:02:16,130  
Airlines flight 370

57  
00:02:21,080 --> 00:02:18,990  
finally a guest you can actually say not

58  
00:02:23,480 --> 00:02:21,090  
only is he a conspiracy enthusiast but

59  
00:02:25,700 --> 00:02:23,490  
he plays one on TV and I'm pleased to

60  
00:02:28,700 --> 00:02:25,710  
have him here the bells himself Richard

61  
00:02:31,670 --> 00:02:28,710  
my man welcome to the higher side um

62  
00:02:33,590 --> 00:02:31,680  
thrilled to be here thank you yeah man

63  
00:02:35,630 --> 00:02:33,600

it is a real treat thanks for being here

64

00:02:37,100 --> 00:02:35,640

I know you've had a long career working

65

00:02:39,199 --> 00:02:37,110

with some of the Great's and I really

66

00:02:41,360 --> 00:02:39,209

enjoyed this book too it's awesome that

67

00:02:42,980 --> 00:02:41,370

while you could just coast on that sweet

68

00:02:45,290 --> 00:02:42,990

sweet Network money you still write

69

00:02:46,730 --> 00:02:45,300

about these subjects quite often and you

70

00:02:49,010 --> 00:02:46,740

don't need to get into these thorny

71

00:02:50,930 --> 00:02:49,020

subjects and sketchy conspiracy podcasts

72

00:02:53,060 --> 00:02:50,940

like mine so I find it all that more

73

00:02:54,200 --> 00:02:53,070

respectable that you do maybe start us

74

00:02:55,730 --> 00:02:54,210

off there talk to us about

75

00:02:57,110 --> 00:02:55,740

that decision why do you find yourself

76

00:02:58,900 --> 00:02:57,120

compelled to draw attention to these

77

00:03:03,080 --> 00:02:58,910

things when you really don't have to

78

00:03:06,620 --> 00:03:03,090

yeah well I've always been thrown out of

79

00:03:10,010 --> 00:03:06,630

every school I ever went to and you know

80

00:03:12,110 --> 00:03:10,020

for uncontrollable widths and I always

81

00:03:15,140 --> 00:03:12,120

questioned the authority as a little kid

82

00:03:18,380 --> 00:03:15,150

I would listen to the what the adults

83

00:03:21,050 --> 00:03:18,390

were saying and kind of at the risk of

84

00:03:23,600 --> 00:03:21,060

being a modest I was very curious and

85

00:03:26,480 --> 00:03:23,610

very smart and adults would say things

86

00:03:29,210 --> 00:03:26,490

in front of me that they wouldn't say in

87

00:03:31,790 --> 00:03:29,220

front of another child hmm it was

88

00:03:33,530 --> 00:03:31,800

interesting at any rate I've always been

89

00:03:36,110 --> 00:03:33,540

you know I was a newspaper reporter for

90

00:03:39,290 --> 00:03:36,120

a while in fact I wasn't an actor and a

91

00:03:42,350 --> 00:03:39,300

comedian I would be a journalist so you

92

00:03:45,020 --> 00:03:42,360

know this is not far from my you know

93

00:03:47,360 --> 00:03:45,030

interest the question Authority and the

94

00:03:50,270 --> 00:03:47,370

fact that I'm a celebrity now is really

95

00:03:52,940 --> 00:03:50,280

I you know I'm in France not kind of

96

00:03:55,370 --> 00:03:52,950

like I don't work that much and I could

97

00:03:57,830 --> 00:03:55,380

just be back here with my five dogs I'm

98

00:04:00,860 --> 00:03:57,840

a beautiful wife but now I have the

99

00:04:04,450 --> 00:04:00,870

leisure of studying and interviewing and

100

00:04:07,100 --> 00:04:04,460

really going into depth and so I feel

101

00:04:09,920 --> 00:04:07,110

compelled to write this stuff you know

102

00:04:12,470 --> 00:04:09,930

as a because of the journalistic part of

103

00:04:15,940 --> 00:04:12,480

me in my blood and the capitalized on my

104

00:04:19,330 --> 00:04:15,950

celebrity and not sit back and you know

105

00:04:23,330 --> 00:04:19,340

although I could very easily and I do

106

00:04:25,430 --> 00:04:23,340

your turn well cheers to that I mean

107

00:04:27,410 --> 00:04:25,440

it's a beautiful thing I'm curious do

108

00:04:29,420 --> 00:04:27,420

you ever find people dismissing your

109

00:04:30,740 --> 00:04:29,430

serious book work because you are an

110

00:04:32,800 --> 00:04:30,750

actor and you know you're not supposed

111

00:04:36,950 --> 00:04:32,810

to know anything about anything really

112

00:04:39,170 --> 00:04:36,960

yeah somebody the other night I was

113

00:04:42,770 --> 00:04:39,180

being interviewed a caller saying you

114

00:04:45,170 --> 00:04:42,780

know you actors you don't have time to

115

00:04:47,210 --> 00:04:45,180

really study the issues and I said lady

116

00:04:50,060 --> 00:04:47,220

you don't know me I've in my trailer

117

00:04:52,340 --> 00:04:50,070

five six hours a day reading on the

118

00:04:54,560 --> 00:04:52,350

phone on the internet you know so to

119

00:04:57,970 --> 00:04:54,570

summarily dismiss a celebrity because

120

00:05:00,350 --> 00:04:57,980

they're compassionate you know look what

121

00:05:02,480 --> 00:05:00,360

celebrities have done in terms of the

122

00:05:05,360 --> 00:05:02,490

civil rights moving in the you know

123

00:05:07,190 --> 00:05:05,370

healthcare movements and education the

124

00:05:07,890 --> 00:05:07,200

arts thank God

125

00:05:11,580 --> 00:05:07,900

that

126

00:05:13,379 --> 00:05:11,590

artists are compelled to be citizens you

127

00:05:15,629 --> 00:05:13,389

know your occupation doesn't exclude you

128

00:05:18,629 --> 00:05:15,639

from being a participant in our

129

00:05:20,700 --> 00:05:18,639

democracy yes agreed I think it was John

130

00:05:22,469 --> 00:05:20,710

Malkovich had a great line I act for

131

00:05:25,140 --> 00:05:22,479

free they pay me to wait around all day

132

00:05:27,210 --> 00:05:25,150

because you do so much waiting but

133

00:05:29,400 --> 00:05:27,220

everybody has to have a job so to think

134

00:05:32,189 --> 00:05:29,410

that like you can't have a job and also

135

00:05:34,020 --> 00:05:32,199

research conspiracies is pretty crazy so

136

00:05:36,120 --> 00:05:34,030

this book about corporate conspiracies

137

00:05:38,370 --> 00:05:36,130

of course it is dedicated to Robin

138

00:05:40,740 --> 00:05:38,380

Williams who you also wrote about in it

139

00:05:42,870 --> 00:05:40,750

right but some people might be surprised

140

00:05:44,730 --> 00:05:42,880

to hear that you considered his death a

141

00:05:47,250 --> 00:05:44,740

murder as another victim of corporate

142

00:05:49,680 --> 00:05:47,260

greed can you elaborate on that for us

143

00:05:51,980 --> 00:05:49,690

well we did a lot of research on

144

00:05:55,010 --> 00:05:51,990

pharmaceuticals Facebook and we included

145

00:05:58,110 --> 00:05:55,020

very detailed charts showing what

146

00:05:59,420 --> 00:05:58,120

prescription drugs can do now Robin

147

00:06:01,800 --> 00:05:59,430

apparently was given for different

148

00:06:06,270 --> 00:06:01,810

powerful prescriptions in his final

149

00:06:08,870 --> 00:06:06,280

months Merck topping Remeron Sara Coyle

150

00:06:11,659 --> 00:06:08,880

Mara packs cinnamon I mean the so-called

151

00:06:14,730 --> 00:06:11,669

side effects of these drugs include

152

00:06:17,930 --> 00:06:14,740

strong suicidal ideation thoughts of

153

00:06:20,700 --> 00:06:17,940

self-harm depression psychotic like

154

00:06:23,879 --> 00:06:20,710

behavior and unusually strong unhealthy

155

00:06:25,680 --> 00:06:23,889

urges now one thing is you know Robin

156

00:06:28,920 --> 00:06:25,690

was clean and sober at the time of his

157

00:06:31,100 --> 00:06:28,930

death but the news reports that no drugs

158

00:06:33,480 --> 00:06:31,110

are found in his body were misleading

159

00:06:36,089 --> 00:06:33,490

psychiatric drugs were found in his body

160

00:06:38,339 --> 00:06:36,099

in our opinion and the opinion of many

161

00:06:41,670 --> 00:06:38,349

many others that was the real cause of

162

00:06:42,990 --> 00:06:41,680

his death what drove him to it and he

163

00:06:46,110 --> 00:06:43,000

won't hear about this on the news but

164

00:06:48,960 --> 00:06:46,120

big pharma is mainstream media's biggest

165

00:06:52,020 --> 00:06:48,970

advertising customer right and put that

166

00:06:54,060 --> 00:06:52,030

together with 23,000 suicides are

167

00:06:57,029 --> 00:06:54,070

attributed to psychiatric drugs every

168

00:06:59,370 --> 00:06:57,039

year in America hmm and so you know

169

00:07:02,029 --> 00:06:59,380

they're advertising the [h\_\_h] out of this

170

00:07:04,649 --> 00:07:02,039

stuff and you know they're not really

171

00:07:06,600 --> 00:07:04,659

following up too much on the

172

00:07:09,689 --> 00:07:06,610

ramifications of it because tremendous

173

00:07:11,399 --> 00:07:09,699

amount of money that's involved right

174

00:07:13,379 --> 00:07:11,409

the prescription drug problem is

175

00:07:15,689 --> 00:07:13,389

seriously out of control these Big

176

00:07:17,430 --> 00:07:15,699

Pharma reps they bribe the doctors and

177

00:07:18,870 --> 00:07:17,440

offer them big commissions for writing

178

00:07:21,120 --> 00:07:18,880

prescriptions they don't really know a

179

00:07:21,780 --> 00:07:21,130

lot about and then we're also one of the

180

00:07:23,430 --> 00:07:21,790

only country

181

00:07:25,590 --> 00:07:23,440

where you can advertise these drugs to

182

00:07:28,140 --> 00:07:25,600

the people directly on TV so they hit us

183

00:07:30,990 --> 00:07:28,150

on both sides we go in asking for this

184

00:07:33,540 --> 00:07:31,000

stuff and doctors are set up to supply

185

00:07:36,510 --> 00:07:33,550

it it is a pretty messed up system yeah

186

00:07:40,680 --> 00:07:36,520

and one of the tragedies of the system

187

00:07:43,230 --> 00:07:40,690

is that we don't want to humanize these

188

00:07:44,970 --> 00:07:43,240

drugs for people that really need them

189

00:07:47,100 --> 00:07:44,980

do you know what I mean and I think

190

00:07:50,550 --> 00:07:47,110

that's right lost in the conversation I

191

00:07:53,010 --> 00:07:50,560

mean I personally and I know a lot of

192

00:07:55,260 --> 00:07:53,020

people you know that after surgery or

193

00:07:57,840 --> 00:07:55,270

cancer or whatever some of these drugs

194

00:08:00,720 --> 00:07:57,850

are are prescribed for a reason

195

00:08:04,080 --> 00:08:00,730

it's the abuse of them that you know

196

00:08:08,370 --> 00:08:04,090

should be curtailed and I think there is

197

00:08:10,380 --> 00:08:08,380

a correlation between who is governing

198

00:08:11,700 --> 00:08:10,390

the country what is at the head of the

199

00:08:14,190 --> 00:08:11,710

country what does it move the country

200

00:08:18,440 --> 00:08:14,200

and the amount of drug use

201  
00:08:22,020 --> 00:08:18,450  
and spousal abuse and domestic violence

202  
00:08:23,490 --> 00:08:22,030  
and I did say that barometer has gone up

203  
00:08:26,190 --> 00:08:23,500  
the last few months

204  
00:08:28,410 --> 00:08:26,200  
hmm do you know what I'm saying like you

205  
00:08:30,540 --> 00:08:28,420  
know I'm getting us absolutely the

206  
00:08:33,150 --> 00:08:30,550  
president even if they are just a puppet

207  
00:08:35,159 --> 00:08:33,160  
they at least set a tone for the country

208  
00:08:38,100 --> 00:08:35,169  
and their personality plays into the way

209  
00:08:39,750 --> 00:08:38,110  
people act exactly you know when John

210  
00:08:42,540 --> 00:08:39,760  
Kennedy was president but he wanted to

211  
00:08:44,580 --> 00:08:42,550  
be in govern you know what I mean yeah

212  
00:08:47,280 --> 00:08:44,590  
you know then along comes somebody like

213  
00:08:48,530 --> 00:08:47,290

Nixon and Johnson and Nixon and

214

00:08:51,630 --> 00:08:48,540

disillusioned

215

00:08:53,070 --> 00:08:51,640

everybody again but no you're right it's

216

00:09:21,090 --> 00:08:53,080

a

217

00:09:23,160 --> 00:09:21,100

we're given choices between two people

218

00:09:25,710 --> 00:09:23,170

you know quote-unquote choices between

219

00:09:26,970 --> 00:09:25,720

people who on these issues that are in

220

00:09:28,860 --> 00:09:26,980

your book that we really care about

221

00:09:30,990 --> 00:09:28,870

there's very little wiggle room they

222

00:09:34,320 --> 00:09:31,000

seem to be pretty aligned on most of

223

00:09:36,540 --> 00:09:34,330

those things you know that is true and

224

00:09:38,790 --> 00:09:36,550

you know in Europe and France for

225

00:09:41,760 --> 00:09:38,800

instance you know eight ten twelve

226

00:09:43,380 --> 00:09:41,770

people run not just to write and then

227

00:09:45,570 --> 00:09:43,390

they you know have primaries and they

228

00:09:49,050 --> 00:09:45,580

eliminate and people may vote to

229

00:09:51,390 --> 00:09:49,060

somebody extreme as a protest vote but

230

00:09:53,910 --> 00:09:51,400

when it comes to the main vote they vote

231

00:09:56,820 --> 00:09:53,920

more mainstream so I think it's

232

00:10:00,180 --> 00:09:56,830

healthier it's a sickness to have just

233

00:10:02,280 --> 00:10:00,190

you know two parties the remic rats you

234

00:10:05,250 --> 00:10:02,290

know the deep publicans or whatever you

235

00:10:08,430 --> 00:10:05,260

want to call them right they all are all

236

00:10:11,610 --> 00:10:08,440

owned to a degree but I think it's a

237

00:10:14,400 --> 00:10:11,620

matter of degree that's true yeah well

238

00:10:16,380 --> 00:10:14,410

said and so expect to get back to the

239

00:10:18,000 --> 00:10:16,390

big pharma thing and Robin Williams

240

00:10:19,710 --> 00:10:18,010

situation you also write about Rob

241

00:10:21,960 --> 00:10:19,720

Schneider and that he was pretty vocal

242

00:10:24,420 --> 00:10:21,970

about this prescription drug problem and

243

00:10:27,110 --> 00:10:24,430

Robin Williams death and he got a pretty

244

00:10:30,270 --> 00:10:27,120

serious PR pummeling for it didn't he

245

00:10:33,120 --> 00:10:30,280

you have to be careful because you know

246

00:10:36,570 --> 00:10:33,130

some people again because it's a

247

00:10:38,520 --> 00:10:36,580

celebrity speaking out but it's

248

00:10:40,550 --> 00:10:38,530

interesting why people would react that

249

00:10:42,930 --> 00:10:40,560

way for someone who was you know

250

00:10:46,530 --> 00:10:42,940

devastated by his friend's death and has

251  
00:10:49,200 --> 00:10:46,540  
an opinion mm-hmm right as you put it in

252  
00:10:51,780 --> 00:10:49,210  
the book the media helped do a lot of

253  
00:10:54,000 --> 00:10:51,790  
damage control around Robin's death and

254  
00:10:55,320 --> 00:10:54,010  
we see Good Morning America defending

255  
00:10:57,810 --> 00:10:55,330  
these pharmaceutical companies and

256  
00:11:00,360 --> 00:10:57,820  
blasting Rob Schneider which airs on ABC

257  
00:11:02,130 --> 00:11:00,370  
which is owned by Disney which is one of

258  
00:11:04,320 --> 00:11:02,140  
the largest recipients of Big Pharma's

259  
00:11:06,510 --> 00:11:04,330  
money so it gets to be pretty clear when

260  
00:11:06,960 --> 00:11:06,520  
you put it in those terms yeah and you

261  
00:11:09,420 --> 00:11:06,970  
know when you

262  
00:11:11,910 --> 00:11:09,430  
once that is sometimes you see McDonnell

263  
00:11:13,650 --> 00:11:11,920

Douglas advertising on there but who's

264

00:11:17,160 --> 00:11:13,660

that for are you and I going to buy a

265

00:11:20,329 --> 00:11:17,170

jet plane ah it's like they're just

266

00:11:24,119 --> 00:11:20,339

showing us who owns who owns the news

267

00:11:25,769 --> 00:11:24,129

absolutely and Rob Schneider as well as

268

00:11:28,170 --> 00:11:25,779

Jenny McCarthy have both been pretty

269

00:11:30,869 --> 00:11:28,180

vocal on the vaccine issue too and if

270

00:11:32,460 --> 00:11:30,879

these drugs have a laundry list of side

271

00:11:34,079 --> 00:11:32,470

effects and dangers why wouldn't we

272

00:11:35,790 --> 00:11:34,089

think vaccines made by the same

273

00:11:37,800 --> 00:11:35,800

companies you know why would we think

274

00:11:40,199 --> 00:11:37,810

that somehow they're completely perfect

275

00:11:41,759 --> 00:11:40,209

and immune to these same issues but you

276

00:11:44,369 --> 00:11:41,769

know what our comedians and Playboy

277

00:11:47,280 --> 00:11:44,379

Bunnies know about anything right yeah

278

00:11:50,220 --> 00:11:47,290

well you know Robin F Kennedy jr. wrote

279

00:11:52,679 --> 00:11:50,230

an entire book on the subject and as you

280

00:11:55,139 --> 00:11:52,689

know he's not a bunny and you know he's

281

00:11:58,220 --> 00:11:55,149

concluded as many others have that it's

282

00:12:01,319 --> 00:11:58,230

because of the dangerous preservatives

283

00:12:04,829 --> 00:12:01,329

that the big drug companies put in the

284

00:12:08,040 --> 00:12:04,839

vaccines to maximize their profit by

285

00:12:10,350 --> 00:12:08,050

increasing vaccines shelf life just like

286

00:12:12,420 --> 00:12:10,360

with all these drug issues big pharma

287

00:12:14,910 --> 00:12:12,430

uses its medium machine its financial

288

00:12:16,920 --> 00:12:14,920

clout and the influence of advise in

289

00:12:19,410 --> 00:12:16,930

Washington to keep the system from

290

00:12:22,470 --> 00:12:19,420

changing and I keep maximizing profit

291

00:12:24,780 --> 00:12:22,480

because they clearly care more about

292

00:12:28,110 --> 00:12:24,790

money than they care about people to

293

00:12:30,030 --> 00:12:28,120

what clean you know mm-hmm and the

294

00:12:32,490 --> 00:12:30,040

vaccine issue really worries me because

295

00:12:34,499 --> 00:12:32,500

if you read between the lines and dig

296

00:12:36,749 --> 00:12:34,509

into the suppressed data on them the

297

00:12:38,549 --> 00:12:36,759

case gets pretty clear but people just

298

00:12:41,189 --> 00:12:38,559

aren't open to it meanwhile how many

299

00:12:42,900 --> 00:12:41,199

people calling the anti-vaccine owed and

300

00:12:45,360 --> 00:12:42,910

delusional actually know what the [h\_\_\h]

301

00:12:48,629 --> 00:12:45,370

the marisol even is yeah that's a good

302

00:12:51,269 --> 00:12:48,639

point you know people have a mindset and

303

00:12:53,639 --> 00:12:51,279

it's cognitive dissidence to tell them

304

00:12:56,879 --> 00:12:53,649

is that something they may have trusted

305

00:12:59,610 --> 00:12:56,889

for years is untrustworthy it's very

306

00:13:02,100 --> 00:12:59,620

hard to break through that you think the

307

00:13:03,960 --> 00:13:02,110

reason would win out but there's a big

308

00:13:06,769 --> 00:13:03,970

emotional investment in a lot of these

309

00:13:08,699 --> 00:13:06,779

things and you know it's not just

310

00:13:11,340 --> 00:13:08,709

presenting people with the facts

311

00:13:14,699 --> 00:13:11,350

apparently it's very distressing because

312

00:13:18,389 --> 00:13:14,709

of an emotional home it is that we also

313

00:13:21,510 --> 00:13:18,399

have a bit of a trend a big farm making

314

00:13:23,910 --> 00:13:21,520

up new terms for diseases and conditions

315

00:13:26,220 --> 00:13:23,920

some would say a DD is an example of

316

00:13:28,380 --> 00:13:26,230

that but it is a fairly common practice

317

00:13:31,530 --> 00:13:28,390

right I mean make a problem and then

318

00:13:34,860 --> 00:13:31,540

sell the solution well

319

00:13:37,199 --> 00:13:34,870

because of social media

320

00:13:40,009 --> 00:13:37,209

I think everyone now is diagnosing

321

00:13:44,370 --> 00:13:40,019

themselves and looking things up and

322

00:13:48,030 --> 00:13:44,380

really confusing not only themselves but

323

00:13:49,889 --> 00:13:48,040

also I think the ethical challenge of

324

00:13:52,230 --> 00:13:49,899

the medical community when somebody

325

00:13:56,009 --> 00:13:52,240

comes to them and says you know I saw

326

00:13:58,800 --> 00:13:56,019

this drug can I get it and it's a whole

327

00:14:00,509 --> 00:13:58,810

other issue in the old days when you

328

00:14:03,569 --> 00:14:00,519

went to the doctor and you trusted the

329

00:14:07,620 --> 00:14:03,579

doctor and pay five dollars a visit and

330

00:14:09,509 --> 00:14:07,630

I'm aging myself you know it was it's a

331

00:14:11,579 --> 00:14:09,519

different time now you don't know what

332

00:14:13,319 --> 00:14:11,589

the doctor unless you know the doctor

333

00:14:16,050 --> 00:14:13,329

well you don't know what he's selling

334

00:14:18,269 --> 00:14:16,060

and what he's prescribing that is you

335

00:14:19,829 --> 00:14:18,279

know actually necessary we're just

336

00:14:22,710 --> 00:14:19,839

vaguely in the ballpark of what you

337

00:14:25,110 --> 00:14:22,720

might need right and people get this

338

00:14:26,819 --> 00:14:25,120

false sense of security that well these

339

00:14:29,579 --> 00:14:26,829

aren't really drugs because they're

340

00:14:32,400 --> 00:14:29,589

regulated and you know they're produced

341

00:14:35,310 --> 00:14:32,410

legally and they're far safer than these

342

00:14:36,720 --> 00:14:35,320

completely unregulated and dirty street

343

00:14:40,800 --> 00:14:36,730

drugs that are out there but that's

344

00:14:44,250 --> 00:14:40,810

really not the case no it's not and you

345

00:14:45,870 --> 00:14:44,260

know people will convince themselves or

346

00:14:49,170 --> 00:14:45,880

delude themselves however we want to say

347

00:14:50,730 --> 00:14:49,180

to justify what they're doing but at the

348

00:14:53,069 --> 00:14:50,740

same time we turn around and condemn

349

00:14:56,730 --> 00:14:53,079

others for doing the same thing mm-hmm

350

00:14:59,370 --> 00:14:56,740

and so if we're talking about health

351

00:15:02,040 --> 00:14:59,380

issues from corporate products we've got

352

00:15:05,639 --> 00:15:02,050

to give Monsanto and Dow Chemical some

353

00:15:07,820 --> 00:15:05,649

mentions here too don't we well you know

354

00:15:10,940 --> 00:15:07,830

the biggest

355

00:15:13,300 --> 00:15:10,950

most depressing thing is the enormity of

356

00:15:15,560 --> 00:15:13,310

these corporations in the world

357

00:15:18,170 --> 00:15:15,570

worldwide reach Monsanto has the

358

00:15:21,350 --> 00:15:18,180

reputation now of being the world's most

359

00:15:23,120 --> 00:15:21,360

evil corporation and I can tell you

360

00:15:25,540 --> 00:15:23,130

that's a reputation well well-earned

361

00:15:30,770 --> 00:15:25,550

they're responsible for everything from

362

00:15:34,760 --> 00:15:30,780

say the DDT Agent Orange hormones

363

00:15:37,180 --> 00:15:34,770

saccharine GM foods roundup which is the

364

00:15:40,940 --> 00:15:37,190

world's best-selling and extremely toxic

365

00:15:42,770 --> 00:15:40,950

planet polluting pesticide GMO farming

366

00:15:45,170 --> 00:15:42,780

is linked to the dwindling bee

367

00:15:47,840 --> 00:15:45,180

population the duelling monarch

368

00:15:51,230 --> 00:15:47,850

butterfly population annual soil

369

00:15:55,310 --> 00:15:51,240

toxicity water toxicity toxins in the

370

00:15:57,740 --> 00:15:55,320

food we is rates we have now in the

371

00:16:00,050 --> 00:15:57,750

early honks of diabetes and childhood

372

00:16:02,900 --> 00:16:00,060

obesity so like I said their reputation

373

00:16:06,860 --> 00:16:02,910

for evil is well deserved that's month

374

00:16:08,780 --> 00:16:06,870

one one company yeah it's so sad I mean

375

00:16:10,040 --> 00:16:08,790

what are really the solutions for

376

00:16:11,750 --> 00:16:10,050

something like that how do we keep a

377

00:16:13,310 --> 00:16:11,760

company from getting that big should we

378

00:16:15,440 --> 00:16:13,320

get rid of the corporate structure

379

00:16:17,750 --> 00:16:15,450

entirely and make each company have a

380

00:16:19,340 --> 00:16:17,760

accountable owner that has to be

381

00:16:20,930 --> 00:16:19,350

responsible for what their company does

382

00:16:22,940 --> 00:16:20,940

which would kind of keep their greed in

383

00:16:24,920 --> 00:16:22,950

check by making sure that they can at

384

00:16:26,660 --> 00:16:24,930

least keep a handle on everything their

385

00:16:28,490 --> 00:16:26,670

company's doing I mean I really don't

386

00:16:31,310 --> 00:16:28,500

know how to handle this stuff when they

387

00:16:33,970 --> 00:16:31,320

have this limited liability clause well

388

00:16:37,370 --> 00:16:33,980

I think one thing that we can do is

389

00:16:39,850 --> 00:16:37,380

reduce the amount of money these

390

00:16:41,510 --> 00:16:39,860

corporations can give to politicians

391

00:16:44,360 --> 00:16:41,520

that's a start

392

00:16:47,570 --> 00:16:44,370

yeah and also boycotting products

393

00:16:50,720 --> 00:16:47,580

actually works and I think people are

394

00:16:53,570 --> 00:16:50,730

more and more aware of that I mean it's

395

00:16:55,730 --> 00:16:53,580

a it's like you know these companies are

396

00:16:58,930 --> 00:16:55,740

like countries we're not fighting the

397

00:17:01,880 --> 00:16:58,940

corner grocery store these are gigantic

398

00:17:05,210 --> 00:17:01,890

corporations with lawyers and political

399

00:17:07,130 --> 00:17:05,220

connections but you know the day after

400

00:17:08,240 --> 00:17:07,140

the inauguration there is millions of

401

00:17:12,940 --> 00:17:08,250

people in the street

402

00:17:15,260 --> 00:17:12,950

so there's I'm not disheartened by

403

00:17:18,620 --> 00:17:15,270

American people waking up because of

404

00:17:20,200 --> 00:17:18,630

this last election and taking on some of

405

00:17:23,180 --> 00:17:20,210

these issues that they never did before

406

00:17:27,670 --> 00:17:23,190

because they realized that our current

407

00:17:30,710 --> 00:17:27,680

government is totally a corp autocracy

408

00:17:33,680 --> 00:17:30,720

amen and I've talked to many guests

409

00:17:35,990 --> 00:17:33,690

before about the EPA and the FDA and how

410

00:17:37,610 --> 00:17:36,000

they do provide a false sense of

411

00:17:40,070 --> 00:17:37,620

security because a lot of them are paid

412

00:17:42,860 --> 00:17:40,080

off and they're not really doing their

413

00:17:44,960 --> 00:17:42,870

job but you note that in a 2010

414

00:17:47,570 --> 00:17:44,970

California State Senate review it

415

00:17:50,300 --> 00:17:47,580

actually revealed that of the 83,000

416

00:17:52,340 --> 00:17:50,310

chemicals used in consumer products only

417

00:17:55,190 --> 00:17:52,350

a fraction of them have actually been

418

00:17:57,530 --> 00:17:55,200

tested by the EPA even if they were

419

00:17:59,150 --> 00:17:57,540

doing their job with full integrity and

420

00:18:02,630 --> 00:17:59,160

I mean what the hell that's pretty

421

00:18:04,520 --> 00:18:02,640

shocking man yeah they keep defunding

422

00:18:06,350 --> 00:18:04,530

the EPA now well here's the thing that

423

00:18:06,920 --> 00:18:06,360

people have to pay attention to any

424

00:18:08,690 --> 00:18:06,930

wheel

425

00:18:10,670 --> 00:18:08,700

is you know we talked about the

426

00:18:12,620 --> 00:18:10,680

revolving door between banks and

427

00:18:14,240 --> 00:18:12,630

Washington it's because there's an

428

00:18:17,720 --> 00:18:14,250

obvious conflict of interest when a

429

00:18:20,630 --> 00:18:17,730

company like Monsanto the head of

430

00:18:23,000 --> 00:18:20,640

Monsanto becomes the Secretary of

431

00:18:25,160 --> 00:18:23,010

Agriculture that's a conflict of

432

00:18:27,500 --> 00:18:25,170

interest when somebody from golden Sachs

433

00:18:30,740 --> 00:18:27,510

or citigroup becomes a secretary of the

434

00:18:32,270 --> 00:18:30,750

Treasury you know it's like it's so

435

00:18:33,110 --> 00:18:32,280

obvious it's like that's Turing you

436

00:18:35,540 --> 00:18:33,120

right in our faces

437

00:18:37,760 --> 00:18:35,550

I make no mistake that loser the

438

00:18:40,580 --> 00:18:37,770

American people and the winner is Wall

439

00:18:44,330 --> 00:18:40,590

Street in the 1% or in some cases less

440

00:18:47,540 --> 00:18:44,340

than 1% and you know Elizabeth Warren

441

00:18:50,180 --> 00:18:47,550

and Senator Warren noted that three of

442

00:18:51,950 --> 00:18:50,190

the last four Treasury secretaries under

443

00:18:54,230 --> 00:18:51,960

Democratic presidents starting with

444

00:18:58,040 --> 00:18:54,240

Robert Rubin have been affiliated with

445

00:19:01,580 --> 00:18:58,050

Citigroup either before or after their

446

00:19:03,740 --> 00:19:01,590

service and that's got to stop and this

447

00:19:05,660 --> 00:19:03,750

whole thing about too big to fail that's

448

00:19:07,970 --> 00:19:05,670

got to start amen

449

00:19:10,450 --> 00:19:07,980

and you mentioned a revolving door and

450

00:19:13,070 --> 00:19:10,460

Monsanto and that is such a great

451  
00:19:15,050 --> 00:19:13,080  
clear-cut example I had it written down

452  
00:19:17,330 --> 00:19:15,060  
here from your book this guy's name is

453  
00:19:18,290 --> 00:19:17,340  
Michael Taylor he was an attorney for

454  
00:19:20,600 --> 00:19:18,300  
Monsanto

455  
00:19:22,760 --> 00:19:20,610  
then joined the FDA as Deputy

456  
00:19:25,550 --> 00:19:22,770  
Commissioner of food then went back to

457  
00:19:27,590 --> 00:19:25,560  
Monsanto as VP of public policy then

458  
00:19:29,870 --> 00:19:27,600  
went back to the FDA as Deputy

459  
00:19:31,820 --> 00:19:29,880  
Commissioner for policy rigging the game

460  
00:19:33,290 --> 00:19:31,830  
for Monsanto all along the way and

461  
00:19:35,780 --> 00:19:33,300  
that's pretty insane I mean shouldn't

462  
00:19:37,730 --> 00:19:35,790  
the FDA Commissioner of foods be like a

463  
00:19:39,920 --> 00:19:37,740

leading nutritionist or something not

464

00:19:44,090 --> 00:19:39,930

just a freakin lawyer yeah I think

465

00:19:46,250 --> 00:19:44,100

wasn't the guy the last head of the FDA

466

00:19:47,360 --> 00:19:46,260

was a you know as a physicist or

467

00:19:49,880 --> 00:19:47,370

something you know I mean they're like

468

00:19:53,750 --> 00:19:49,890

there's a guy with some brains no you

469

00:19:56,210 --> 00:19:53,760

it's just disgusting lean obviously

470

00:19:58,850 --> 00:19:56,220

everything's a political appointee that

471

00:20:01,160 --> 00:19:58,860

to meet the needs of the corporations

472

00:20:03,490 --> 00:20:01,170

this all started with Reagan when he

473

00:20:06,500 --> 00:20:03,500

would appoint the heads of different

474

00:20:09,010 --> 00:20:06,510

departments to disassemble those

475

00:20:11,930 --> 00:20:09,020

departments like education and

476

00:20:14,330 --> 00:20:11,940

agriculture and and so this has been

477

00:20:17,880 --> 00:20:14,340

going on for a long time and Bush was

478

00:20:21,990 --> 00:20:17,890

you know a dream to corporations

479

00:20:24,960 --> 00:20:22,000

imagine how much they love Trump he's

480

00:20:27,299 --> 00:20:24,970

just like this you know twelve year old

481

00:20:31,259 --> 00:20:27,309

albino gorilla bouncing on trees and

482

00:20:33,450 --> 00:20:31,269

eating whatever he can grab yeah man and

483

00:20:36,180 --> 00:20:33,460

there also is a real parallel between

484

00:20:38,700 --> 00:20:36,190

say the disinfo we experienced around

485

00:20:40,200 --> 00:20:38,710

cigarettes a few decades ago and what

486

00:20:42,389 --> 00:20:40,210

we're dealing with now when it comes to

487

00:20:43,610 --> 00:20:42,399

something like sugar and soda isn't that

488

00:20:47,370 --> 00:20:43,620

yeah

489

00:20:50,039 --> 00:20:47,380

good comparison I mean the tobacco

490

00:20:52,919 --> 00:20:50,049

industry spent millions and millions of

491

00:20:55,259 --> 00:20:52,929

dollars of these fake studies over years

492

00:20:58,580 --> 00:20:55,269

and years I remember when I was a kid

493

00:21:01,350 --> 00:20:58,590

you know my doctor recommends Camel

494

00:21:05,100 --> 00:21:01,360

dependent and it will be pictures of

495

00:21:08,370 --> 00:21:05,110

doctors smoking so yeah that's a good

496

00:21:11,519 --> 00:21:08,380

model for these other industries and I

497

00:21:16,379 --> 00:21:11,529

think you know that would lend itself to

498

00:21:20,279 --> 00:21:16,389

big oil to to convince them to at least

499

00:21:21,960 --> 00:21:20,289

start to switch over to green because

500

00:21:24,240 --> 00:21:21,970

they can make just as much money with

501  
00:21:26,639 --> 00:21:24,250  
solar panels and thermal energy from the

502  
00:21:30,870 --> 00:21:26,649  
earth and wind farms and lose all cotton

503  
00:21:33,000 --> 00:21:30,880  
you know better batteries and it's

504  
00:21:35,460 --> 00:21:33,010  
ridiculous that they're so drunk on oil

505  
00:21:38,909 --> 00:21:35,470  
and it's such a everywhere there's oil

506  
00:21:41,549 --> 00:21:38,919  
there's human suffering I think this

507  
00:21:44,340 --> 00:21:41,559  
next generation coming up you know I was

508  
00:21:46,740 --> 00:21:44,350  
kind of losing all hope for a while

509  
00:21:48,480 --> 00:21:46,750  
there but it looks like a lot of people

510  
00:21:51,570 --> 00:21:48,490  
are energized it never wears been before

511  
00:21:53,580 --> 00:21:51,580  
this alleged mmhmm yeah there's a little

512  
00:21:55,860 --> 00:21:53,590  
bit of Hope in there and the oil

513  
00:21:57,690 --> 00:21:55,870

companies that a lot of the modern

514

00:21:59,610 --> 00:21:57,700

pharmaceutical chemicals are derived

515

00:22:02,789 --> 00:21:59,620

from the products of these oil companies

516

00:22:04,830 --> 00:22:02,799

to Rockefeller medicine and so you you

517

00:22:06,720 --> 00:22:04,840

know you look at these particular early

518

00:22:08,730 --> 00:22:06,730

industrialists and they are responsible

519

00:22:10,230 --> 00:22:08,740

for a hell of a lot especially you have

520

00:22:12,090 --> 00:22:10,240

some documentary as you mentioned in the

521

00:22:13,830 --> 00:22:12,100

book that I have seen and interviewed

522

00:22:16,740 --> 00:22:13,840

people from before that go over the

523

00:22:19,370 --> 00:22:16,750

history of transportation and energy and

524

00:22:21,750 --> 00:22:19,380

the manipulation and the suppression of

525

00:22:23,519 --> 00:22:21,760

alternatives that have been there for a

526  
00:22:25,560 --> 00:22:23,529  
long time that people don't even realize

527  
00:22:27,539 --> 00:22:25,570  
they think that we're just now on the

528  
00:22:29,370 --> 00:22:27,549  
cutting edge of coming up with some of

529  
00:22:31,060 --> 00:22:29,380  
these electric vehicles and other

530  
00:22:32,590 --> 00:22:31,070  
technologies but that's

531  
00:22:35,050 --> 00:22:32,600  
not the case I mean the history shows

532  
00:22:37,660 --> 00:22:35,060  
that they have been there and they have

533  
00:22:40,990 --> 00:22:37,670  
been quarantined away from the public

534  
00:22:44,130 --> 00:22:41,000  
knowledge yeah you know the documentary

535  
00:22:47,140 --> 00:22:44,140  
who killed the electric car yeah now

536  
00:22:50,170 --> 00:22:47,150  
there have been electric cars for a long

537  
00:22:53,200 --> 00:22:50,180  
time that you know work fine but then GM

538  
00:22:54,460 --> 00:22:53,210

or Ford will buy the patent and bury it

539

00:22:57,390 --> 00:22:54,470

yep

540

00:22:59,830 --> 00:22:57,400

rather than be you know cutting-edge and

541

00:23:04,450 --> 00:22:59,840

that's a Vista Faiz me they could make

542

00:23:07,450 --> 00:23:04,460

just as much money by adapting to not

543

00:23:09,730 --> 00:23:07,460

choking the planet to do right it is

544

00:23:11,350 --> 00:23:09,740

such a shame that just these handful of

545

00:23:15,010 --> 00:23:11,360

people maybe a hundred two hundred

546

00:23:17,130 --> 00:23:15,020

people have taken us down a course of

547

00:23:20,050 --> 00:23:17,140

serious destruction and set us back

548

00:23:21,910 --> 00:23:20,060

centuries and you know so many people

549

00:23:24,520 --> 00:23:21,920

are just oblivious they don't understand

550

00:23:26,110 --> 00:23:24,530

that yeah we really do have a pyramid

551  
00:23:27,610 --> 00:23:26,120  
hierarchy and there are a couple of

552  
00:23:29,710 --> 00:23:27,620  
people at the top that have influenced

553  
00:23:33,490 --> 00:23:29,720  
your life too incredibly detailed

554  
00:23:35,110 --> 00:23:33,500  
degrees and nothing gets done well

555  
00:23:37,990 --> 00:23:35,120  
people don't want to hear that they

556  
00:23:40,270 --> 00:23:38,000  
don't want to believe that I have I'm

557  
00:23:43,000 --> 00:23:40,280  
sure you have too you're spoken to

558  
00:23:44,490 --> 00:23:43,010  
highly intelligent people and you tell

559  
00:23:48,430 --> 00:23:44,500  
them something that's factually true

560  
00:23:50,800 --> 00:23:48,440  
Leon no that's not true yep and you go

561  
00:23:53,200 --> 00:23:50,810  
yeah it's true and it's like it's part

562  
00:23:54,580 --> 00:23:53,210  
of the reason I write books is I'm tired

563  
00:23:57,910 --> 00:23:54,590

of people rolling your eyes with me at

564

00:24:00,220 --> 00:23:57,920

dinner parties I'm kidding but you know

565

00:24:03,510 --> 00:24:00,230

it's like there are so many things that

566

00:24:05,530 --> 00:24:03,520

are truly we don't generally know and

567

00:24:08,020 --> 00:24:05,540

that's what you know that's what I'm

568

00:24:11,170 --> 00:24:08,030

into is finding those things off and

569

00:24:14,680 --> 00:24:11,180

just revealing them I'm not you know you

570

00:24:18,510 --> 00:24:14,690

could your own conclusions but facts are

571

00:24:21,550 --> 00:24:18,520

facts and this history of the

572

00:24:25,030 --> 00:24:21,560

corporatization of America is spelled

573

00:24:27,760 --> 00:24:25,040

out for us all to see them very easy you

574

00:24:28,930 --> 00:24:27,770

know ya couldn't agree more and you

575

00:24:31,270 --> 00:24:28,940

mentioned that you split your time

576  
00:24:33,180 --> 00:24:31,280  
between the United States and France and

577  
00:24:35,500 --> 00:24:33,190  
these companies we're talking about are

578  
00:24:37,360 --> 00:24:35,510  
international and scope but do you see

579  
00:24:39,970 --> 00:24:37,370  
these corporations in the food and

580  
00:24:42,550 --> 00:24:39,980  
medical areas having as big a field day

581  
00:24:44,900 --> 00:24:42,560  
and Europe as they do in America well

582  
00:24:48,530 --> 00:24:44,910  
some countries are much more

583  
00:24:50,950 --> 00:24:48,540  
careful and restrictive for instance in

584  
00:24:53,570 --> 00:24:50,960  
the area I live in a farming area a

585  
00:24:59,450 --> 00:24:53,580  
small village in the southwest of France

586  
00:25:02,690 --> 00:24:59,460  
and no GMO here all organic farmers no

587  
00:25:06,350 --> 00:25:02,700  
pesticides there are pesticides but

588  
00:25:09,230 --> 00:25:06,360

there they're natural and there's no

589

00:25:10,910 --> 00:25:09,240

hormones I mean so I'm very spoiled here

590

00:25:14,150 --> 00:25:10,920

and there's no reason why I can't be

591

00:25:16,910 --> 00:25:14,160

that way everywhere you know the people

592

00:25:20,120 --> 00:25:16,920

in America don't realize how much

593

00:25:24,500 --> 00:25:20,130

garbage they eat every day literally and

594

00:25:27,260 --> 00:25:24,510

then this one again this trend of by

595

00:25:29,720 --> 00:25:27,270

local is you know catching on in a lot

596

00:25:32,480 --> 00:25:29,730

of places and people are slowly coming

597

00:25:34,700 --> 00:25:32,490

around yeah I mean there is a little

598

00:25:36,470 --> 00:25:34,710

hope and that especially Here I am in

599

00:25:38,420 --> 00:25:36,480

Southern California and I experienced a

600

00:25:41,150 --> 00:25:38,430

lot but I grew up in Missouri where it

601  
00:25:44,420 --> 00:25:41,160  
isn't quite as prevalent and the idea of

602  
00:25:46,610 --> 00:25:44,430  
food deserts I mean those are quite real

603  
00:25:49,040 --> 00:25:46,620  
and that a lot of people in their

604  
00:25:51,290 --> 00:25:49,050  
smaller towns in the Midwest their only

605  
00:25:53,330 --> 00:25:51,300  
choices are the five fast-food

606  
00:25:56,000 --> 00:25:53,340  
restaurants in town the Pizza Hut or

607  
00:25:58,640 --> 00:25:56,010  
going to Walmart for their processed

608  
00:26:00,740 --> 00:25:58,650  
foods which a lot of times our [h\_\_h]

609  
00:26:03,490 --> 00:26:00,750  
quality too so a lot of times people are

610  
00:26:08,210 --> 00:26:03,500  
kind of up the creek without a paddle

611  
00:26:11,930 --> 00:26:08,220  
mm-hmm and that's something that people

612  
00:26:16,040 --> 00:26:11,940  
do not want to hear because they feel

613  
00:26:18,440 --> 00:26:16,050

it's too much but as they put it you

614

00:26:20,660 --> 00:26:18,450

know a really good like they're doing

615

00:26:22,040 --> 00:26:20,670

this like holes which is somebody's

616

00:26:24,200 --> 00:26:22,050

purposely going into these neighborhoods

617

00:26:26,600 --> 00:26:24,210

where they just have the corner shitty

618

00:26:28,940 --> 00:26:26,610

little grocery store and so you know

619

00:26:31,280 --> 00:26:28,950

there's some corporate responsibility in

620

00:26:35,120 --> 00:26:31,290

this also there's no reason why these

621

00:26:38,570 --> 00:26:35,130

more healthful outlets can't spread out

622

00:26:41,090 --> 00:26:38,580

more and it's good PR also right

623

00:26:43,940 --> 00:26:41,100

speaking of PR we mentioned the media's

624

00:26:46,820 --> 00:26:43,950

work in doing PR for Big Pharma and you

625

00:26:48,770 --> 00:26:46,830

also talked about movies like American

626

00:26:50,990 --> 00:26:48,780

sniper and zero dark thirty in the book

627

00:26:53,150 --> 00:26:51,000

is pretty transparent examples of

628

00:26:55,100 --> 00:26:53,160

propaganda designed to glorify the

629

00:26:57,950 --> 00:26:55,110

military-industrial complex in the war

630

00:26:58,700 --> 00:26:57,960

machine but how deep does this Hollywood

631

00:27:00,649 --> 00:26:58,710

arm

632

00:27:02,180 --> 00:27:00,659

of manipulation go are there less

633

00:27:06,409 --> 00:27:02,190

obvious examples that you might have

634

00:27:07,850 --> 00:27:06,419

picked up on in your career I'm going to

635

00:27:12,230 --> 00:27:07,860

get too many people in trouble but it's

636

00:27:14,060 --> 00:27:12,240

true that there are people and high

637

00:27:17,130 --> 00:27:14,070

levels of our government I'm not making

638

00:27:20,520 --> 00:27:17,140

this up this is in the public domain

639

00:27:24,600 --> 00:27:20,530

from the CIA and the government from the

640

00:27:27,850 --> 00:27:24,610

Pentagon whose certain filmmakers will

641

00:27:30,100 --> 00:27:27,860

get if they want an aircraft carrier

642

00:27:33,850 --> 00:27:30,110

or jet planes or you know they're doing

643

00:27:35,740 --> 00:27:33,860

a war movie or sci-fi movie or any kind

644

00:27:38,980 --> 00:27:35,750

of movie that you know has those

645

00:27:40,540 --> 00:27:38,990

elements in it then they have script

646

00:27:44,050 --> 00:27:40,550

approval you know if I'm going to give

647

00:27:46,660 --> 00:27:44,060

you a battle fleet and you know 20 jets

648

00:27:47,380 --> 00:27:46,670

what are you writing about so keep that

649

00:27:49,480 --> 00:27:47,390

in mind

650

00:27:51,580 --> 00:27:49,490

you know listeners when you go see one

651  
00:27:54,400 --> 00:27:51,590  
of these movies and there's all this

652  
00:27:58,420 --> 00:27:54,410  
hardware there a lot of that is not CGI

653  
00:28:03,940 --> 00:27:58,430  
a lot of that is real and so that means

654  
00:28:10,750 --> 00:28:03,950  
it's just approval my dogs are drawn

655  
00:28:13,330 --> 00:28:10,760  
with yeah I mean I'm right there with

656  
00:28:15,940 --> 00:28:13,340  
you to these movies the military is

657  
00:28:17,680 --> 00:28:15,950  
always going to be painted in a positive

658  
00:28:19,300 --> 00:28:17,690  
light because you're just not going to

659  
00:28:22,330 --> 00:28:19,310  
be able to use their equipment without

660  
00:28:24,880 --> 00:28:22,340  
it and we also know the CIA has placed

661  
00:28:27,250 --> 00:28:24,890  
or at least trained certain people that

662  
00:28:29,410 --> 00:28:27,260  
they put in these positions and news

663  
00:28:32,350 --> 00:28:29,420

media they push a narrative that's

664

00:28:35,620 --> 00:28:32,360

cooked up in the deep state and that's

665

00:28:38,290 --> 00:28:35,630

another area where I just wonder how far

666

00:28:40,150 --> 00:28:38,300

that influence spreads over other areas

667

00:28:42,490 --> 00:28:40,160

of Hollywood and other aspects of

668

00:28:44,740 --> 00:28:42,500

broadcasting besides just these major

669

00:28:47,050 --> 00:28:44,750

news networks that everybody seems to be

670

00:28:51,510 --> 00:28:47,060

waking up to at least

671

00:28:54,910 --> 00:28:51,520

well in 1970 I think was 74

672

00:28:57,100 --> 00:28:54,920

roughly Carl Bernstein wrote a piece for

673

00:29:00,270 --> 00:28:57,110

ruin Stone magazine

674

00:29:05,680 --> 00:29:00,280

in which he said there is I think he

675

00:29:09,940 --> 00:29:05,690

listed a number like 320 publications

676  
00:29:14,230 --> 00:29:09,950  
that were getting information from the

677  
00:29:17,230 --> 00:29:14,240  
CIA directly and when that came out

678  
00:29:21,160 --> 00:29:17,240  
shortly thereafter there was an outraged

679  
00:29:23,770 --> 00:29:21,170  
piece in The New York Times admitting

680  
00:29:26,500 --> 00:29:23,780  
that they did it and saying they all

681  
00:29:29,010 --> 00:29:26,510  
know the numbers much higher so you know

682  
00:29:32,470 --> 00:29:29,020  
in their own defense ain't advertently

683  
00:29:35,470 --> 00:29:32,480  
admitted that you know everybody CBS

684  
00:29:38,850 --> 00:29:35,480  
News beginning to see ABC all these

685  
00:29:41,830 --> 00:29:38,860  
companies were getting information

686  
00:29:45,010 --> 00:29:41,840  
directly from the CIA talking points

687  
00:29:47,289 --> 00:29:45,020  
cetera et cetera and you know the CIA's

688  
00:29:49,000 --> 00:29:47,299

nickname is the company because it

689

00:29:51,400 --> 00:29:49,010

protects the corporate interests of the

690

00:29:54,159 --> 00:29:51,410

United States so the CIA is giving

691

00:29:56,560 --> 00:29:54,169

talking points to Network News those

692

00:30:01,120 --> 00:29:56,570

talking points figure i won't come from

693

00:30:02,080 --> 00:30:01,130

a major corporation right man and you

694

00:30:04,510 --> 00:30:02,090

know that article you mentioned is

695

00:30:06,220 --> 00:30:04,520

written in 74 do you think we ever have

696

00:30:09,010 --> 00:30:06,230

had a free press or has it's been a

697

00:30:11,460 --> 00:30:09,020

propaganda machine from the beginning no

698

00:30:15,039 --> 00:30:11,470

I it's you know there are still people

699

00:30:16,780 --> 00:30:15,049

that are you know writing the truth as

700

00:30:18,880 --> 00:30:16,790

they find it but they're not in you know

701  
00:30:21,430 --> 00:30:18,890  
they're not you don't see blaring

702  
00:30:24,010 --> 00:30:21,440  
headlines leading off the news every

703  
00:30:26,620 --> 00:30:24,020  
night but you know there are really good

704  
00:30:29,470 --> 00:30:26,630  
reporters out there who don't have

705  
00:30:32,110 --> 00:30:29,480  
millions and millions of viewers but

706  
00:30:34,210 --> 00:30:32,120  
there are people doing the work and even

707  
00:30:37,270 --> 00:30:34,220  
though that like if somebody works for a

708  
00:30:39,700 --> 00:30:37,280  
network for some reason certain people

709  
00:30:42,070 --> 00:30:39,710  
even though that network is beholden to

710  
00:30:44,770 --> 00:30:42,080  
some dark forces they allow certain

711  
00:30:48,090 --> 00:30:44,780  
people to say whatever they want because

712  
00:30:50,320 --> 00:30:48,100  
they're not afraid of the repercussions

713  
00:30:53,320 --> 00:30:50,330

you know what I mean it's like right

714

00:30:56,230 --> 00:30:53,330

like Lawrence O'Donnell is great it's a

715

00:30:59,289 --> 00:30:56,240

great reporter every night you know he

716

00:31:01,780 --> 00:30:59,299

tells the truth as he sees it and I like

717

00:31:03,340 --> 00:31:01,790

Rachel Maddow 80 80 90 percent of the

718

00:31:06,340 --> 00:31:03,350

time she's fantastic

719

00:31:09,190 --> 00:31:06,350

and the Nation magazine is pretty

720

00:31:12,310 --> 00:31:09,200

reliable and Vox and

721

00:31:15,850 --> 00:31:12,320

you know they if you fish around you can

722

00:31:17,830 --> 00:31:15,860

find things in the public domain you

723

00:31:20,530 --> 00:31:17,840

know before the internet I used to read

724

00:31:23,080 --> 00:31:20,540

like 10 newspapers a day and now

725

00:31:26,560 --> 00:31:23,090

fortunately I can read you know or loose

726

00:31:28,840 --> 00:31:26,570

reference a hundred newspapers right and

727

00:31:31,180 --> 00:31:28,850

there are definitely good people in

728

00:31:32,920 --> 00:31:31,190

journalism as long as they don't go too

729

00:31:34,900 --> 00:31:32,930

far down the rabbit hole but you don't

730

00:31:37,060 --> 00:31:34,910

really need to control every individual

731

00:31:41,590 --> 00:31:37,070

person if you have an editor at each

732

00:31:43,870 --> 00:31:41,600

paper or producer at each network and

733

00:31:45,940 --> 00:31:43,880

you just have a list of well we don't

734

00:31:48,940 --> 00:31:45,950

talk about these 10 things and other

735

00:31:51,930 --> 00:31:48,950

than that go at it you know I think

736

00:31:55,690 --> 00:31:51,940

that's pretty pretty close to reality

737

00:31:57,580 --> 00:31:55,700

there are certain things that they could

738

00:32:01,450 --> 00:31:57,590

talk about them going to be discouraged

739

00:32:04,750 --> 00:32:01,460

from talking about and there are certain

740

00:32:07,300 --> 00:32:04,760

things that just not not to address

741

00:32:10,300 --> 00:32:07,310

things that I worry about especially

742

00:32:12,820 --> 00:32:10,310

with this president is self-censorship

743

00:32:15,010 --> 00:32:12,830

in other words thinking in your mind

744

00:32:19,360 --> 00:32:15,020

that you shouldn't say something that's

745

00:32:21,160 --> 00:32:19,370

almost as bad as state censorship you

746

00:32:25,110 --> 00:32:21,170

know what I mean it's like and I think

747

00:32:27,910 --> 00:32:25,120

Trump is trying to instill this kind of

748

00:32:30,820 --> 00:32:27,920

dictator bully mentality over everybody

749

00:32:33,370 --> 00:32:30,830

that works for him you know like you

750

00:32:35,230 --> 00:32:33,380

could be fired in a second right

751

00:32:37,060 --> 00:32:35,240

call me knows that I'll do well at this

752

00:32:38,380 --> 00:32:37,070

point well yeah I mean you know the

753

00:32:43,530 --> 00:32:38,390

United States another [h\_\_h] reality

754

00:32:46,870 --> 00:32:43,540

show this is serious [h\_\_h] and and

755

00:32:49,480 --> 00:32:46,880

everyday I can't no one can remember

756

00:32:52,360 --> 00:32:49,490

getting up every single day and going

757

00:32:54,970 --> 00:32:52,370

wait a minute she's the president what's

758

00:32:57,580 --> 00:32:54,980

he gonna do today it's every day he's

759

00:33:00,430 --> 00:32:57,590

changing or every hour I don't think

760

00:33:01,930 --> 00:33:00,440

people were nervous systems are mint I

761

00:33:05,290 --> 00:33:01,940

don't know how long it's gonna last

762

00:33:06,490 --> 00:33:05,300

just section these guys given the world

763

00:33:09,730 --> 00:33:06,500

a nervous breakdown

764

00:33:12,580 --> 00:33:09,740

alright and I was definitely shocked

765

00:33:14,260 --> 00:33:12,590

even though so much shocking things have

766

00:33:17,140 --> 00:33:14,270

happened I was really surprised to see

767

00:33:18,880 --> 00:33:17,150

Comey actually get fired it seems like

768

00:33:20,650 --> 00:33:18,890

pretty transparent what was going on

769

00:33:22,660 --> 00:33:20,660

there but then you know you go to the

770

00:33:23,080 --> 00:33:22,670

other side and Bill Clinton he fired the

771

00:33:25,480 --> 00:33:23,090

F

772

00:33:28,410 --> 00:33:25,490

by director just before they found Vince

773

00:33:33,880 --> 00:33:28,420

Foster's body which is a big conspiracy

774

00:33:35,920 --> 00:33:33,890

yeah that's yeah but I don't think

775

00:33:38,350 --> 00:33:35,930

they're comfortable I think there's

776

00:33:40,390 --> 00:33:38,360

certainly - Vince Foster of death

777

00:33:45,490 --> 00:33:40,400

I mean I've written about it so is

778

00:33:47,620 --> 00:33:45,500

incredibly suspicious but I can't

779

00:33:50,020 --> 00:33:47,630

Clinton's fingerprints on it although I

780

00:33:53,980 --> 00:33:50,030

wouldn't be shocked

781

00:33:58,029 --> 00:33:53,990

I have no wares in this situation he's

782

00:34:00,250 --> 00:33:58,039

admitting that stuff to Lester Holt so

783

00:34:03,279 --> 00:34:00,260

it's a different you know what I mean he

784

00:34:06,750 --> 00:34:03,289

he had his whole administration gone why

785

00:34:08,800 --> 00:34:06,760

and then he goes on the next day and

786

00:34:11,500 --> 00:34:08,810

refutes everything was saying that's

787

00:34:14,290 --> 00:34:11,510

like no one's ever seen anything like

788

00:34:16,990 --> 00:34:14,300

this right I mean it is definitely more

789

00:34:18,430 --> 00:34:17,000

obvious and in-your-face but as you know

790

00:34:20,320 --> 00:34:18,440

with a lot of these conspiracies

791

00:34:22,419 --> 00:34:20,330

sometimes we don't get that smoking gun

792

00:34:24,490 --> 00:34:22,429

and we have to do a little speculation I

793

00:34:26,619 --> 00:34:24,500

don't think it's you know too far to say

794

00:34:29,230 --> 00:34:26,629

that Vince Foster situation was quite

795

00:34:32,349 --> 00:34:29,240

sketchy as well oh yeah very suspicious

796

00:34:34,540 --> 00:34:32,359

incredibly suspicious so you know I

797

00:34:36,639 --> 00:34:34,550

mentioned American sniper and zero dark

798

00:34:38,470 --> 00:34:36,649

thirty some movies that are made as

799

00:34:42,129 --> 00:34:38,480

examples of propaganda that you talk

800

00:34:45,280 --> 00:34:42,139

about in the book Top Gun oh of course

801  
00:34:47,500 --> 00:34:45,290  
and as an actor yourself I'm curious do

802  
00:34:50,020 --> 00:34:47,510  
you think that actors have any

803  
00:34:52,990 --> 00:34:50,030  
responsibility for this and the parts

804  
00:34:54,760 --> 00:34:53,000  
that they take and play oh I think

805  
00:34:58,300 --> 00:34:54,770  
actors some still they have a

806  
00:35:01,000 --> 00:34:58,310  
responsibility to themselves as artists

807  
00:35:02,920 --> 00:35:01,010  
and to their fans and you know we'll

808  
00:35:06,220 --> 00:35:02,930  
turn stuff down I mean I know that for a

809  
00:35:08,170 --> 00:35:06,230  
fact so if you see somebody an actor in

810  
00:35:10,930 --> 00:35:08,180  
a jingoistic movie that's really

811  
00:35:14,920 --> 00:35:10,940  
repellant nobody put a gun to their head

812  
00:35:18,609 --> 00:35:14,930  
to do it and he did it period right so

813  
00:35:21,130 --> 00:35:18,619

some movies have an agenda and some are

814

00:35:24,070 --> 00:35:21,140

just you know garbage sometimes

815

00:35:25,660 --> 00:35:24,080

distraction is all that you need yeah

816

00:35:28,359 --> 00:35:25,670

and I'm all for that if it's

817

00:35:31,720 --> 00:35:28,369

entertaining and not malevolent at this

818

00:35:34,150 --> 00:35:31,730

core mm-hmm I mean it is kind of a

819

00:35:35,470 --> 00:35:34,160

slippery slope to say they should take

820

00:35:37,120 --> 00:35:35,480

too much responsibility because you can

821

00:35:38,560 --> 00:35:37,130

always just find somebody else I mean I

822

00:35:40,570 --> 00:35:38,570

mentioned I'm from Missouri and I have

823

00:35:42,400 --> 00:35:40,580

three friends who work at Monsanto and

824

00:35:44,890 --> 00:35:42,410

we just don't talk about it but I mean

825

00:35:46,900 --> 00:35:44,900

really where else is a biochemistry

826

00:35:48,910 --> 00:35:46,910

major in Missouri going to work you know

827

00:35:51,970 --> 00:35:48,920

people have to pay the rent but it does

828

00:35:55,170 --> 00:35:51,980

kind of bum me out yeah I know exactly

829

00:36:00,920 --> 00:35:55,180

what you're saying I have a plan to

830

00:36:06,990 --> 00:36:00,930

was approached when he was in college by

831

00:36:08,819 --> 00:36:07,000

Ken Agha CIA Oh an eye on this Office of

832

00:36:12,809 --> 00:36:08,829

Naval Intelligence because he was so

833

00:36:16,079 --> 00:36:12,819

smart and he you know he had kind of

834

00:36:18,660 --> 00:36:16,089

modified Holograms in buzina was into

835

00:36:21,240 --> 00:36:18,670

this really brilliant stuff and they

836

00:36:23,069 --> 00:36:21,250

just wanted to appropriate um for

837

00:36:24,540 --> 00:36:23,079

military purposes Wow

838

00:36:27,540 --> 00:36:24,550

and he turned them all down and they

839

00:36:31,200 --> 00:36:27,550

offered him like you know his own lab

840

00:36:34,020 --> 00:36:31,210

and tons of money and scholarships for

841

00:36:34,950 --> 00:36:34,030

his kids you know all this stuff and he

842

00:36:37,530 --> 00:36:34,960

didn't do it

843

00:36:40,140 --> 00:36:37,540

so and you know he never had it there

844

00:36:42,480 --> 00:36:40,150

were no like he wasn't didn't get cancer

845

00:36:46,650 --> 00:36:42,490

after that run over like cars so that's

846

00:36:47,579 --> 00:36:46,660

that's a plus right one of the lucky one

847

00:36:50,010 --> 00:36:47,589

yeah right

848

00:36:52,410 --> 00:36:50,020

it is rare to have someone with such a

849

00:36:54,510 --> 00:36:52,420

successful acting career here have you

850

00:36:56,760 --> 00:36:54,520

ever faced situations where in your

851

00:36:59,220 --> 00:36:56,770

career as an actor that's conflicted

852

00:37:00,569 --> 00:36:59,230

with your conspiratorial opinions or

853

00:37:02,039 --> 00:37:00,579

your the books that you're writing are

854

00:37:04,920 --> 00:37:02,049

the personal beliefs you have in these

855

00:37:07,140 --> 00:37:04,930

areas has I ever faced a situation that

856

00:37:09,450 --> 00:37:07,150

was against my principles as I what

857

00:37:11,010 --> 00:37:09,460

you're saying tastin yeah where your

858

00:37:14,210 --> 00:37:11,020

acting career and your conspiracy

859

00:37:18,030 --> 00:37:14,220

interests were kind of conflicted yeah

860

00:37:21,299 --> 00:37:18,040

fortunately on homicide in law and order

861

00:37:22,620 --> 00:37:21,309

and this happened very rarely if there

862

00:37:24,240 --> 00:37:22,630

was something in the script that I

863

00:37:27,900 --> 00:37:24,250

didn't agree with her that I knew not to

864

00:37:31,530 --> 00:37:27,910

be true you know we would change it or

865

00:37:34,349 --> 00:37:31,540

at least you know meet me halfway so now

866

00:37:36,960 --> 00:37:34,359

I'm fortunate I was really never in that

867

00:37:39,180 --> 00:37:36,970

position I've been censored I was

868

00:37:43,079 --> 00:37:39,190

supposed to do this big this is years

869

00:37:45,630 --> 00:37:43,089

ago up here at some symposium for this

870

00:37:49,170 --> 00:37:45,640

radio station it turned out the owner

871

00:37:52,200 --> 00:37:49,180

the radio station was shall I say was

872

00:37:54,450 --> 00:37:52,210

delicately an anti-semite and so now we

873

00:37:56,910 --> 00:37:54,460

don't want that New York comedian to do

874

00:38:00,799 --> 00:37:56,920

this New York comedian is euphemism for

875

00:38:04,539 --> 00:38:00,809

Jew Jew comedian Jewish community and

876

00:38:07,660 --> 00:38:04,549

there is a couple other times where I

877

00:38:10,229 --> 00:38:07,670

was censored but never never nothing

878

00:38:13,479 --> 00:38:10,239

egregious just mm-hmm

879

00:38:16,109 --> 00:38:13,489

kind of embarrassed people who didn't

880

00:38:18,999 --> 00:38:16,119

want to hear what I was wanted to say

881

00:38:19,769 --> 00:38:19,009

you know what invited me to certain

882

00:38:23,559 --> 00:38:19,779

things

883

00:38:28,419 --> 00:38:23,569

nothing really I want to ask that I know

884

00:38:33,640 --> 00:38:28,429

a few people in the CIA and in Secret

885

00:38:36,339 --> 00:38:33,650

Service and I asked this X Secret

886

00:38:40,089 --> 00:38:36,349

Service gun because I was writing a book

887

00:38:42,160 --> 00:38:40,099

at the time about JFK and but UFOs and I

888

00:38:44,319 --> 00:38:42,170

said there anything I should worry about

889

00:38:47,829 --> 00:38:44,329

he said no no you you're a comedian

890

00:38:50,049 --> 00:38:47,839

oldest they won't kill you and what

891

00:38:51,309 --> 00:38:50,059

struck me was they do kill people but

892

00:38:55,630 --> 00:38:51,319

they won't kill you is what he was

893

00:38:57,339 --> 00:38:55,640

saying like they won't kill you yeah man

894

00:38:58,959 --> 00:38:57,349

that is something I've been worried

895

00:39:01,329 --> 00:38:58,969

about more and more as the show grows

896

00:39:02,829 --> 00:39:01,339

but I always say that I'm probably safe

897

00:39:04,179 --> 00:39:02,839

because it's the guests who are doing

898

00:39:06,789 --> 00:39:04,189

the research and as long as they're

899

00:39:10,569 --> 00:39:06,799

still around I guess I should be fine no

900

00:39:13,569 --> 00:39:10,579

they don't you know Pete we are we can

901  
00:39:17,049 --> 00:39:13,579  
be easily marginal hold on you know I've

902  
00:39:19,959 --> 00:39:17,059  
gotten in trouble actually I got no I

903  
00:39:23,559 --> 00:39:19,969  
forgot to tell you one story you may

904  
00:39:27,429 --> 00:39:23,569  
have known this I was on Fox News in the

905  
00:39:30,099 --> 00:39:27,439  
morning they're not Fox News um anyway

906  
00:39:33,309 --> 00:39:30,109  
was a talk show not to the one that's on

907  
00:39:35,630 --> 00:39:33,319  
now but another one and they were

908  
00:39:38,509 --> 00:39:35,640  
interviewing me about

909  
00:39:41,269 --> 00:39:38,519  
Law & Order and stuff and I said to them

910  
00:39:44,599 --> 00:39:41,279  
say Heil to your friends in the news

911  
00:39:45,799 --> 00:39:44,609  
division and I got in a lot of trouble

912  
00:39:48,890 --> 00:39:45,809  
and was cut fired

913  
00:39:52,039 --> 00:39:48,900

damn I believe it I believe it that's a

914

00:39:54,969 --> 00:39:52,049

touchy subject and I gave them you know

915

00:39:58,219 --> 00:39:54,979

the salute because I [h\_\_h] a Fox News

916

00:40:00,769 --> 00:39:58,229

and you know almost got fired and I said

917

00:40:02,809 --> 00:40:00,779

to one of my bosses who will go unnamed

918

00:40:05,630 --> 00:40:02,819

I said don't they have 24 hours a day

919

00:40:08,690 --> 00:40:05,640

seven days a week I'm a comedian with a

920

00:40:12,319 --> 00:40:08,700

few minutes on TV show I don't think we

921

00:40:14,690 --> 00:40:12,329

can equate to yeah no you're stupid

922

00:40:16,009 --> 00:40:14,700

you're stupid for doing I mean I keep

923

00:40:18,920 --> 00:40:16,019

your mouth shut and don't talk to the

924

00:40:21,949 --> 00:40:18,930

press but they didn't find me so that's

925

00:40:25,339 --> 00:40:21,959

that's a good thing that is a good thing

926  
00:40:26,839 --> 00:40:25,349  
man so I know as an actor you obviously

927  
00:40:29,180 --> 00:40:26,849  
move in those circles you've had a lot

928  
00:40:32,269 --> 00:40:29,190  
of conversations with other actors do

929  
00:40:34,999 --> 00:40:32,279  
you think in general most of the people

930  
00:40:36,620 --> 00:40:35,009  
in this field are aware of how

931  
00:40:38,180 --> 00:40:36,630  
influential Hollywood and mainstream

932  
00:40:40,130 --> 00:40:38,190  
media is or is this something that gets

933  
00:40:41,569 --> 00:40:40,140  
talked about a lot among the actors or

934  
00:40:45,499 --> 00:40:41,579  
do you think some of it gets more

935  
00:40:48,979 --> 00:40:45,509  
glossed over no I think now more than

936  
00:40:51,219 --> 00:40:48,989  
ever people in so-called Hollywood

937  
00:40:54,109 --> 00:40:51,229  
people are much more aware their

938  
00:40:55,880 --> 00:40:54,119

responsibility to their to their public

939

00:40:57,499 --> 00:40:55,890

and so I think that's good I think

940

00:40:59,599 --> 00:40:57,509

they're you know they're being more

941

00:41:03,259 --> 00:40:59,609

careful or they're being more active or

942

00:41:06,559 --> 00:41:03,269

whatever it's not like you know those

943

00:41:09,620 --> 00:41:06,569

innocent times where you know under

944

00:41:13,729 --> 00:41:09,630

World War two every major Hollywood star

945

00:41:16,219 --> 00:41:13,739

was raising money for the war and doing

946

00:41:18,289 --> 00:41:16,229

all this patriotic stuff and nobody said

947

00:41:21,709 --> 00:41:18,299

what are these Hollywood people do

948

00:41:24,559 --> 00:41:21,719

nobody questioned it so if anything I

949

00:41:26,299 --> 00:41:24,569

think celebrities have a responsibility

950

00:41:29,420 --> 00:41:26,309

because we are in the public eye right

951  
00:41:31,430 --> 00:41:29,430  
at least you know I have some opinion or

952  
00:41:33,890 --> 00:41:31,440  
I'd say you know I don't therefore I

953  
00:41:37,699 --> 00:41:33,900  
respectfully decline or you know

954  
00:41:41,089 --> 00:41:37,709  
whatever right I think more people are

955  
00:41:43,370 --> 00:41:41,099  
aware of their responsibilities of being

956  
00:41:45,979 --> 00:41:43,380  
a syllable and that's a beautiful thing

957  
00:41:49,100 --> 00:41:45,989  
we're also in a really fortunate time

958  
00:41:51,230 --> 00:41:49,110  
where you can be an entertainer and

959  
00:41:53,270 --> 00:41:51,240  
reach a large audience without having to

960  
00:41:54,710 --> 00:41:53,280  
play ball with the media gatekeepers

961  
00:41:56,780 --> 00:41:54,720  
without potentially having to make

962  
00:41:58,670 --> 00:41:56,790  
compromises that you might not want to

963  
00:42:00,530 --> 00:41:58,680

make just to have a job because the

964

00:42:01,730 --> 00:42:00,540

floodgates on the internet are sort of

965

00:42:04,970 --> 00:42:01,740

open at least for now

966

00:42:07,250 --> 00:42:04,980

but you still don't know who's watching

967

00:42:11,270 --> 00:42:07,260

and listening and saying I'll never work

968

00:42:14,000 --> 00:42:11,280

with that [h\_\_h] again through his

969

00:42:17,720 --> 00:42:14,010

or her views but I'm not I'm kidding one

970

00:42:19,670 --> 00:42:17,730

has to so you also mentioned UFOs and

971

00:42:21,650 --> 00:42:19,680

you know one of my favorite quotes is

972

00:42:23,690 --> 00:42:21,660

from Bill Clinton's book where he says

973

00:42:25,520 --> 00:42:23,700

just after the Apollo 11 mission

974

00:42:27,440 --> 00:42:25,530

astronauts walked on the moon an old

975

00:42:29,840 --> 00:42:27,450

carpenter asked me if I really believed

976  
00:42:32,240 --> 00:42:29,850  
that it happened and I said sure I saw

977  
00:42:33,650 --> 00:42:32,250  
it on television he disagreed he said

978  
00:42:35,630 --> 00:42:33,660  
that he didn't believe it for a minute

979  
00:42:38,000 --> 00:42:35,640  
and that them television fellers could

980  
00:42:39,650 --> 00:42:38,010  
make things look real that weren't and

981  
00:42:41,330 --> 00:42:39,660  
back then I thought he was a crank but

982  
00:42:43,400 --> 00:42:41,340  
during my eight years in Washington I

983  
00:42:45,080 --> 00:42:43,410  
saw some things on TV that made me

984  
00:42:47,720 --> 00:42:45,090  
wonder if he wasn't ahead of his time

985  
00:42:49,760 --> 00:42:47,730  
and that is just such a provocative

986  
00:42:51,800 --> 00:42:49,770  
quote from an ex-president but as

987  
00:42:54,050 --> 00:42:51,810  
someone who is more familiar with what

988  
00:42:55,820 --> 00:42:54,060

can be done on a Hollywood sound stage

989

00:42:58,360 --> 00:42:55,830

do you think that moon landing footage

990

00:43:01,840 --> 00:42:58,370

is real or was that a fake

991

00:43:05,770 --> 00:43:01,850

my feeling and this is clearly from my

992

00:43:09,340 --> 00:43:05,780

years of studying all this stuff I think

993

00:43:12,160 --> 00:43:09,350

we went to the moon once and we were

994

00:43:14,710 --> 00:43:12,170

warned off and never went back that's

995

00:43:16,270 --> 00:43:14,720

why we've never gone back hmm that's

996

00:43:20,290 --> 00:43:16,280

what I've heard

997

00:43:22,030 --> 00:43:20,300

learned red and found out from a lot of

998

00:43:24,820 --> 00:43:22,040

different from many many different

999

00:43:28,630 --> 00:43:24,830

sources who are really familiar with

1000

00:43:31,360 --> 00:43:28,640

this and it seems like when they went up

1001

00:43:33,430 --> 00:43:31,370

there they saw I mean this is in the

1002

00:43:36,850 --> 00:43:33,440

public domain they saw row of lights on

1003

00:43:42,070 --> 00:43:36,860

the horizon that were you know idling a

1004

00:43:44,440 --> 00:43:42,080

craft and you know Edgar Mitchell and

1005

00:43:47,350 --> 00:43:44,450

who's an astronaut you know there's no

1006

00:43:49,300 --> 00:43:47,360

doubt several astronauts said yes they

1007

00:43:53,620 --> 00:43:49,310

if you hear some of the recordings that

1008

00:43:56,320 --> 00:43:53,630

were not censored the code word for UFOs

1009

00:43:59,710 --> 00:43:56,330

was Santa Claus is here you know like

1010

00:44:04,570 --> 00:43:59,720

they had a couple of terms to use so I

1011

00:44:07,390 --> 00:44:04,580

by I believe that if we could we would

1012

00:44:09,490 --> 00:44:07,400

have gone back there there demining

1013

00:44:12,520 --> 00:44:09,500

there the medical scan we could do so

1014

00:44:18,370 --> 00:44:12,530

much on the moon in terms of scientific

1015

00:44:20,680 --> 00:44:18,380

research and it would put us ahead maybe

1016

00:44:22,210 --> 00:44:20,690

centuries because of the nature of the

1017

00:44:24,520 --> 00:44:22,220

atmosphere up there and the minerals

1018

00:44:29,470 --> 00:44:24,530

that are there and what we could do

1019

00:44:31,510 --> 00:44:29,480

there but no we never went back so that

1020

00:44:33,690 --> 00:44:31,520

to me says as and I've heard this

1021

00:44:37,630 --> 00:44:33,700

tournament and we were one golf

1022

00:44:39,250 --> 00:44:37,640

scientists that I find that so

1023

00:44:41,110 --> 00:44:39,260

provocative and I've heard those very

1024

00:44:42,880 --> 00:44:41,120

same tapes where they talk about hey we

1025

00:44:44,260 --> 00:44:42,890

got a Santa Claus coming up on our right

1026  
00:44:46,000 --> 00:44:44,270  
and you're like hey you're supposed to

1027  
00:44:47,680 --> 00:44:46,010  
be out in space on your way to the moon

1028  
00:44:50,350 --> 00:44:47,690  
there's not supposed to be a person for

1029  
00:44:52,300 --> 00:44:50,360  
like tens of thousands of miles what are

1030  
00:44:53,650 --> 00:44:52,310  
you talking about but that is super

1031  
00:44:55,900 --> 00:44:53,660  
provocative do you think there was a

1032  
00:44:58,150 --> 00:44:55,910  
from what you I mean maybe some of your

1033  
00:45:00,220 --> 00:44:58,160  
connections you've been able to extract

1034  
00:45:02,110 --> 00:45:00,230  
some details but was there a real

1035  
00:45:04,510 --> 00:45:02,120  
conversation there what did it get

1036  
00:45:06,850 --> 00:45:04,520  
beyond just seen some saucers in the sky

1037  
00:45:10,600 --> 00:45:06,860  
did they actually land on the moon and

1038  
00:45:11,890 --> 00:45:10,610

have some type of meeting with people in

1039

00:45:13,690 --> 00:45:11,900

the flesh or how sea

1040

00:45:15,880 --> 00:45:13,700

yes sir what kind of details about that

1041

00:45:19,900 --> 00:45:15,890

warning off have you heard or been able

1042

00:45:24,039 --> 00:45:19,910

to detect yes that's a great question I

1043

00:45:28,440 --> 00:45:24,049

I don't know how that was specifically

1044

00:45:32,349 --> 00:45:28,450

communicated to us meaning earth

1045

00:45:34,269 --> 00:45:32,359

Earthlings but that's a great question I

1046

00:45:38,019 --> 00:45:34,279

don't know if you know they got a

1047

00:45:40,150 --> 00:45:38,029

message or they just you know maybe it

1048

00:45:42,910 --> 00:45:40,160

was like somebody you know walking in

1049

00:45:46,120 --> 00:45:42,920

the jungle then coming to a clearing and

1050

00:45:48,069 --> 00:45:46,130

there's like five hundred thousand men

1051  
00:45:50,859 --> 00:45:48,079  
with spears pointed at you you would

1052  
00:45:54,670 --> 00:45:50,869  
turn around and I wouldn't go back right

1053  
00:45:56,500 --> 00:45:54,680  
right and I have heard some of those

1054  
00:45:58,269 --> 00:45:56,510  
far-out conspiracies that the moon

1055  
00:46:01,180 --> 00:45:58,279  
itself is some kind of alien base

1056  
00:46:03,670 --> 00:46:01,190  
brought into orbit long ago to monitor

1057  
00:46:05,289 --> 00:46:03,680  
and that is pretty far-fetched but when

1058  
00:46:08,950 --> 00:46:05,299  
you add this component you're like well

1059  
00:46:10,569 --> 00:46:08,960  
it might be a base now at least well

1060  
00:46:14,400 --> 00:46:10,579  
there's two things about the moon that

1061  
00:46:21,700 --> 00:46:14,410  
have yet to be explained one is the

1062  
00:46:24,460 --> 00:46:21,710  
surface gravel and rocks are older than

1063  
00:46:31,359 --> 00:46:24,470

the rocks beneath it think about that

1064

00:46:33,670 --> 00:46:31,369

for a second hmm also when the first

1065

00:46:37,749 --> 00:46:33,680

shuttle landed on the moon it

1066

00:46:42,130 --> 00:46:37,759

reverberate it like a bell yeah so that

1067

00:46:45,549 --> 00:46:42,140

means you know it was Hollow and you

1068

00:46:50,700 --> 00:46:45,559

know there's no reason to disbelieve

1069

00:46:53,559 --> 00:46:50,710

that it was not towed into into place

1070

00:46:55,960 --> 00:46:53,569

for whatever reason as a base to affect

1071

00:46:59,319 --> 00:46:55,970

our tides who knows and that there's

1072

00:47:02,499 --> 00:46:59,329

certainly a case to be made for it not

1073

00:47:05,680 --> 00:47:02,509

being with a naturally formed object you

1074

00:47:08,200 --> 00:47:05,690

know it faces the same way I think it's

1075

00:47:13,210 --> 00:47:08,210

mainly celestial body in our solar

1076  
00:47:16,720 --> 00:47:13,220  
system that doesn't rotate right which

1077  
00:47:19,720 --> 00:47:16,730  
is kind of strange it is well but it's

1078  
00:47:21,759 --> 00:47:19,730  
odd I said the same thing

1079  
00:47:25,989 --> 00:47:21,769  
yeah I'm not allergic to the idea that

1080  
00:47:29,039 --> 00:47:25,999  
it that it's an artificial thing you

1081  
00:47:32,670 --> 00:47:29,049  
know that's not just a chest to me I

1082  
00:47:37,390 --> 00:47:32,680  
agree and to maybe talk about the wider

1083  
00:47:39,160 --> 00:47:37,400  
alien ET UFO situation what do you

1084  
00:47:41,289 --> 00:47:39,170  
think's going on kind of in a wider

1085  
00:47:43,059 --> 00:47:41,299  
sense outside of just that moon landing

1086  
00:47:45,460 --> 00:47:43,069  
situation have some of your contacts

1087  
00:47:46,989 --> 00:47:45,470  
talked about to which degree they're

1088  
00:47:52,329 --> 00:47:46,999

knowledgeable about what might be going

1089

00:47:57,190 --> 00:47:52,339

on with alien well I've heard that we

1090

00:48:02,230 --> 00:47:57,200

are in fact working with Phoebe's extra

1091

00:48:04,780 --> 00:48:02,240

biological entities in the United States

1092

00:48:07,300 --> 00:48:04,790

some underground bases and that has been

1093

00:48:10,960 --> 00:48:07,310

going on for a while and there's some

1094

00:48:14,109 --> 00:48:10,970

people that who are not crazy who's

1095

00:48:16,510 --> 00:48:14,119

become very very neither of factly about

1096

00:48:20,140 --> 00:48:16,520

it there aren't many of them but there

1097

00:48:22,660 --> 00:48:20,150

are you know like retired military or

1098

00:48:24,190 --> 00:48:22,670

scientists or that I go and these people

1099

00:48:27,490 --> 00:48:24,200

I think most of those people can be

1100

00:48:30,100 --> 00:48:27,500

found on the Internet and what's so

1101

00:48:32,950 --> 00:48:30,110

great about it is that clearly not crazy

1102

00:48:35,050 --> 00:48:32,960

and there's a lot you know that people

1103

00:48:38,140 --> 00:48:35,060

say well what's the proof the proof is

1104

00:48:40,950 --> 00:48:38,150

thousands of pilots and generals and you

1105

00:48:43,660 --> 00:48:40,960

know sober civilians four years of steam

1106

00:48:47,350 --> 00:48:43,670

crack that are not explainable by our

1107

00:48:49,780 --> 00:48:47,360

physics it's not distant idea it's been

1108

00:48:52,600 --> 00:48:49,790

a part of all at least since thank you

1109

00:48:56,560 --> 00:48:52,610

for the seven there's been so many cases

1110

00:49:00,160 --> 00:48:56,570

of the UFOs like for LA during World War

1111

00:49:03,340 --> 00:49:00,170

two and over Washington in 1952 with

1112

00:49:06,700 --> 00:49:03,350

squadrons of ships that will be fired

1113

00:49:10,330 --> 00:49:06,710

upon to no avail and people you know

1114

00:49:12,340 --> 00:49:10,340

people go no but this that happened so

1115

00:49:15,250 --> 00:49:12,350

it's a thing I keep going back to what

1116

00:49:16,540 --> 00:49:15,260

cognitive dissonance people don't want

1117

00:49:19,230 --> 00:49:16,550

it's like you don't want to believe your

1118

00:49:21,930 --> 00:49:19,240

parents or having sex in actually yeah

1119

00:49:24,460 --> 00:49:21,940

they're not my mother about it it's like

1120

00:49:25,780 --> 00:49:24,470

maybe that's a bad analogy but it's like

1121

00:49:28,240 --> 00:49:25,790

now it's a good one because the evidence

1122

00:49:31,060 --> 00:49:28,250

is there that that did happen yeah right

1123

00:49:34,750 --> 00:49:31,070

so you know there are very few things I

1124

00:49:38,890 --> 00:49:34,760

don't want to know you know I think we

1125

00:49:41,920 --> 00:49:38,900

can take it in actually 1962 the

1126

00:49:44,140 --> 00:49:41,930

Brookings Institute did a study was

1127

00:49:46,000 --> 00:49:44,150

commissioned to do a study about what

1128

00:49:47,680 --> 00:49:46,010

the effect would be on you know on the

1129

00:49:49,960 --> 00:49:47,690

people of the United States it's a

1130

00:49:52,090 --> 00:49:49,970

flying saucer oil craft from another

1131

00:49:55,750 --> 00:49:52,100

civilization landed on the earth and

1132

00:49:58,960 --> 00:49:55,760

they concluded that scientists science

1133

00:50:01,690 --> 00:49:58,970

would be called into question could the

1134

00:50:04,420 --> 00:50:01,700

military in fact protect us and would

1135

00:50:06,790 --> 00:50:04,430

cause great sphere religion would be

1136

00:50:10,240 --> 00:50:06,800

called into question all these things

1137

00:50:12,280 --> 00:50:10,250

were brought up like people of children

1138

00:50:15,140 --> 00:50:12,290

they couldn't handle it I dare say that

1139

00:50:16,820 --> 00:50:15,150

after the UFO landed today and Rene lien

1140

00:50:18,830 --> 00:50:16,830

out in three weeks they have their own

1141

00:50:20,630 --> 00:50:18,840

talk show and we folded into the culture

1142

00:50:23,000 --> 00:50:20,640

you know what I mean when people

1143

00:50:25,580 --> 00:50:23,010

wouldn't be shocked they would perhaps

1144

00:50:28,670 --> 00:50:25,590

the way they would have a 1962 I thought

1145

00:50:30,290 --> 00:50:28,680

people would you know accept it and I

1146

00:50:32,390 --> 00:50:30,300

think people would not believe it's

1147

00:50:34,310 --> 00:50:32,400

leaving a you know the sitting there

1148

00:50:37,160 --> 00:50:34,320

with you on television will never lose

1149

00:50:38,750 --> 00:50:37,170

saying you know people of the earth we

1150

00:50:41,720 --> 00:50:38,760

have been existence or billions and

1151  
00:50:43,610 --> 00:50:41,730  
billions of years you know yeah and so

1152  
00:50:45,890 --> 00:50:43,620  
alright I'm gonna get a little weird on

1153  
00:50:49,370 --> 00:50:45,900  
you because I do how much weirder to me

1154  
00:50:51,080 --> 00:50:49,380  
did I know I know who'd have thought but

1155  
00:50:53,200 --> 00:50:51,090  
you know I do a lot of interviews with

1156  
00:50:55,700 --> 00:50:53,210  
researchers who will talk about

1157  
00:50:57,170 --> 00:50:55,710  
conspiracies involving Hollywood but

1158  
00:50:59,150 --> 00:50:57,180  
they're usually looking at it from the

1159  
00:51:01,880 --> 00:50:59,160  
outside they'll talk about things like

1160  
00:51:04,340 --> 00:51:01,890  
Illuminati sacrifices this idea that you

1161  
00:51:06,080 --> 00:51:04,350  
can't crack the top levels unless you're

1162  
00:51:07,910 --> 00:51:06,090  
serving that agenda or in some cases

1163  
00:51:09,770 --> 00:51:07,920

they even talk about mind-control being

1164

00:51:11,510 --> 00:51:09,780

involved this kind of stuff when it

1165

00:51:13,490 --> 00:51:11,520

comes to some of those wilder claims

1166

00:51:14,900 --> 00:51:13,500

have you seen anything in your career

1167

00:51:16,580 --> 00:51:14,910

that would suggest that they have some

1168

00:51:22,730 --> 00:51:16,590

merit or are those things largely

1169

00:51:25,670 --> 00:51:22,740

overblown I have in my experience you

1170

00:51:29,690 --> 00:51:25,680

know what a kid now I don't have seen no

1171

00:51:32,690 --> 00:51:29,700

evidence of people

1172

00:51:34,790 --> 00:51:32,700

first second third or 14th and I know

1173

00:51:37,310 --> 00:51:34,800

all kinds of people believe me you know

1174

00:51:39,680 --> 00:51:37,320

from drug dealers to Superstars

1175

00:51:43,640 --> 00:51:39,690

everything in between not to brag or

1176

00:51:47,090 --> 00:51:43,650

drop names which I won't but no think

1177

00:51:50,030 --> 00:51:47,100

you know there's an element of like if

1178

00:51:51,830 --> 00:51:50,040

somebody becomes a a huge star maybe

1179

00:51:53,480 --> 00:51:51,840

it's because they're you know it was the

1180

00:51:55,580 --> 00:51:53,490

zeitgeist and because of their talent

1181

00:51:57,890 --> 00:51:55,590

and they met the needs of the culture at

1182

00:51:59,900 --> 00:51:57,900

that time and you know and they're good

1183

00:52:02,570 --> 00:51:59,910

at what they do and then not some

1184

00:52:04,760 --> 00:52:02,580

ceremony that they went to with a you

1185

00:52:07,340 --> 00:52:04,770

know [h\_\_\h] a goat and you know said

1186

00:52:10,460 --> 00:52:07,350

something and wore masks and you know or

1187

00:52:13,850 --> 00:52:10,470

undated to a satanic or Illuminati I

1188

00:52:17,390 --> 00:52:13,860

don't deny the existence of secret

1189

00:52:19,250 --> 00:52:17,400

societies and I don't know if you want

1190

00:52:24,260 --> 00:52:19,260

to get into that but I see no evidence

1191

00:52:26,420 --> 00:52:24,270

of any of that remotely in the circles

1192

00:52:30,080 --> 00:52:26,430

I've been in in film and in television

1193

00:52:33,620 --> 00:52:30,090

and in the recording industry musicians

1194

00:52:38,300 --> 00:52:33,630

actors the theater I mean I have not

1195

00:52:40,520 --> 00:52:38,310

seen anything remotely resembling that I

1196

00:52:44,120 --> 00:52:40,530

was Cedric yeah I wish I did it would be

1197

00:52:45,920 --> 00:52:44,130

fascinating yeah I mean well I had to

1198

00:52:47,360 --> 00:52:45,930

ask cause you're here but I figured you

1199

00:52:49,250 --> 00:52:47,370

might say something along those lines

1200

00:52:50,960 --> 00:52:49,260

have you seen you mentioned secret

1201  
00:52:52,640 --> 00:52:50,970  
societies any influence that you know

1202  
00:52:55,400 --> 00:52:52,650  
just to broaden that out any influence

1203  
00:52:56,840 --> 00:52:55,410  
from Freemasons or Skull and Bones or

1204  
00:52:59,150 --> 00:52:56,850  
anything like that in Hollywood do they

1205  
00:53:03,110 --> 00:52:59,160  
do they put their agents in that pie I

1206  
00:53:07,030 --> 00:53:03,120  
think the skullenbones thing is a north

1207  
00:53:10,850 --> 00:53:07,040  
eastern Boston to Washington DC corridor

1208  
00:53:13,340 --> 00:53:10,860  
Yale entity it's very popular in

1209  
00:53:17,090 --> 00:53:13,350  
Hollywood smore involved in high finance

1210  
00:53:20,780 --> 00:53:17,100  
and the international banking and stuff

1211  
00:53:23,420 --> 00:53:20,790  
like that so no Hollywood is not like

1212  
00:53:25,850 --> 00:53:23,430  
the North eat you know the Wall Street

1213  
00:53:28,310 --> 00:53:25,860

core Washington corridor it's a

1214

00:53:31,190 --> 00:53:28,320

different you know there's an old joke

1215

00:53:34,940 --> 00:53:31,200

that says that Washington is Hollywood

1216

00:53:39,320 --> 00:53:34,950

for ugly people but you know this wasn't

1217

00:53:40,550 --> 00:53:39,330

even Washington fair enough so to get

1218

00:53:42,830 --> 00:53:40,560

back to the book a little bit another

1219

00:53:43,610 --> 00:53:42,840

thing I want to bring up that we could

1220

00:53:46,010 --> 00:53:43,620

actually

1221

00:53:47,840 --> 00:53:46,020

put some laws in place to stop we talked

1222

00:53:50,840 --> 00:53:47,850

about that revolving door a little bit

1223

00:53:53,120 --> 00:53:50,850

with Michael Taylor and the FDA but when

1224

00:53:55,910 --> 00:53:53,130

it gets into regulatory agencies

1225

00:53:59,120 --> 00:53:55,920

government agencies the CEO positions

1226  
00:54:00,500 --> 00:53:59,130  
all these different deputy directors and

1227  
00:54:04,160 --> 00:54:00,510  
commissioners and all these kind of

1228  
00:54:06,080 --> 00:54:04,170  
[h\_\_\h] titles that is probably one of

1229  
00:54:07,820 --> 00:54:06,090  
the most damaging things that create

1230  
00:54:09,740 --> 00:54:07,830  
these loopholes for corporations and it

1231  
00:54:11,630 --> 00:54:09,750  
also is one of those things that would

1232  
00:54:14,510 --> 00:54:11,640  
be easiest to fix with legislation

1233  
00:54:17,330 --> 00:54:14,520  
wouldn't you say yeah that's one of the

1234  
00:54:20,000 --> 00:54:17,340  
things that we have in our book is what

1235  
00:54:23,210 --> 00:54:20,010  
can we do about it and one of the things

1236  
00:54:26,900 --> 00:54:23,220  
is just in this revolving door like you

1237  
00:54:29,360 --> 00:54:26,910  
gave an example of before and you know

1238  
00:54:31,400 --> 00:54:29,370

again somebody that was crafting

1239

00:54:34,310 --> 00:54:31,410

legislation to affect an industry they

1240

00:54:37,850 --> 00:54:34,320

worked for eventually against the law

1241

00:54:40,430 --> 00:54:37,860

right I mean and I think that people

1242

00:54:41,870 --> 00:54:40,440

becoming more and more aware especially

1243

00:54:43,730 --> 00:54:41,880

with these town halls you know they're

1244

00:54:46,610 --> 00:54:43,740

they're this - getting more and more

1245

00:54:51,890 --> 00:54:46,620

what is their congressman actually do

1246

00:54:53,690 --> 00:54:51,900

and they're finding out you know that

1247

00:54:55,400 --> 00:54:53,700

it's not pretty

1248

00:54:58,700 --> 00:54:55,410

and they don't think there's

1249

00:55:00,589 --> 00:54:58,710

constituents needs always I think that's

1250

00:55:02,690 --> 00:55:00,599

an interesting point because a lot of

1251  
00:55:04,309 --> 00:55:02,700  
people I think are waking up to the idea

1252  
00:55:07,430 --> 00:55:04,319  
that they need to pay way more attention

1253  
00:55:09,349 --> 00:55:07,440  
to local government and left to the you

1254  
00:55:11,509 --> 00:55:09,359  
know dog and pony show that is the

1255  
00:55:12,829 --> 00:55:11,519  
presidential election because if you

1256  
00:55:14,960 --> 00:55:12,839  
really want to get into what's going to

1257  
00:55:16,609 --> 00:55:14,970  
affect your community that you actually

1258  
00:55:18,589 --> 00:55:16,619  
can influence because you're not going

1259  
00:55:20,210 --> 00:55:18,599  
to influence anything Trump wants to do

1260  
00:55:21,710 --> 00:55:20,220  
I mean it's going to be difficult as an

1261  
00:55:24,380 --> 00:55:21,720  
individual unless you get a lot of other

1262  
00:55:26,450 --> 00:55:24,390  
individuals but you yourself you can

1263  
00:55:28,299 --> 00:55:26,460

talk to these local representatives you

1264

00:55:31,099 --> 00:55:28,309

know just load these local officials and

1265

00:55:34,250 --> 00:55:31,109

fix the potholes in your neighborhood or

1266

00:55:35,960 --> 00:55:34,260

get marijuana legalized or do any of the

1267

00:55:38,599 --> 00:55:35,970

other things that you might care about

1268

00:55:40,490 --> 00:55:38,609

work on your local water supply and

1269

00:55:41,180 --> 00:55:40,500

keeping the pharmaceuticals and fluoride

1270

00:55:42,950 --> 00:55:41,190

out of it

1271

00:55:44,710 --> 00:55:42,960

that kind of stuff so I think people are

1272

00:55:48,289 --> 00:55:44,720

waking up and there is some hope in

1273

00:55:50,089 --> 00:55:48,299

going local in all kinds of areas I'm

1274

00:55:53,349 --> 00:55:50,099

glad you brought that up because that's

1275

00:55:56,059 --> 00:55:53,359

exactly the way to do it and that's what

1276  
00:55:58,490 --> 00:55:56,069  
evangelicals did three years that three

1277  
00:56:00,559 --> 00:55:58,500  
years is angelicus thought that they

1278  
00:56:02,990 --> 00:56:00,569  
were above politics I don't know if we

1279  
00:56:06,589 --> 00:56:03,000  
were old enough to remember them but

1280  
00:56:09,400 --> 00:56:06,599  
then they became politicized and they

1281  
00:56:13,339 --> 00:56:09,410  
started taking over school boards and

1282  
00:56:15,230 --> 00:56:13,349  
legislators and share of some judgeships

1283  
00:56:18,470 --> 00:56:15,240  
and before you will wake up and turn

1284  
00:56:21,049 --> 00:56:18,480  
around and we're in this kind of you

1285  
00:56:24,440 --> 00:56:21,059  
know religious semi fascists [h\_\_h]

1286  
00:56:27,710 --> 00:56:24,450  
country so I'm with you a hundred

1287  
00:56:30,529 --> 00:56:27,720  
percent there people have to on the

1288  
00:56:34,460 --> 00:56:30,539

local level start which you know local

1289

00:56:37,430 --> 00:56:34,470

level as Tip O'Neill said don't politics

1290

00:56:41,240 --> 00:56:37,440

is local and you know if we the people

1291

00:56:43,940 --> 00:56:41,250

control their local politics and keep

1292

00:56:47,089 --> 00:56:43,950

their congressman on his toes or her

1293

00:56:50,839 --> 00:56:47,099

toes but that is a way of affecting the

1294

00:56:52,819 --> 00:56:50,849

national dialogue it is well set before

1295

00:56:54,200 --> 00:56:52,829

we we run out of time I want to see if

1296

00:56:56,329 --> 00:56:54,210

maybe we can't offer a little

1297

00:56:58,309 --> 00:56:56,339

inspiration to people on a personal

1298

00:57:00,019 --> 00:56:58,319

level because all of these problems with

1299

00:57:03,049 --> 00:57:00,029

corporations that we've talked about a

1300

00:57:05,660 --> 00:57:03,059

lot of us have no other options for work

1301  
00:57:07,300 --> 00:57:05,670  
for our careers and we go to these cog

1302  
00:57:09,100 --> 00:57:07,310  
in the machine jobs

1303  
00:57:11,050 --> 00:57:09,110  
early enough to get by while the CEO

1304  
00:57:13,210 --> 00:57:11,060  
buys a house for every day of the

1305  
00:57:15,850 --> 00:57:13,220  
[h\_\_\h] week and we put a lot of our

1306  
00:57:18,010 --> 00:57:15,860  
dreams on hold and our talents go unused

1307  
00:57:20,110 --> 00:57:18,020  
and fear of failure plays such a huge

1308  
00:57:23,230 --> 00:57:20,120  
role in why people play it safe in this

1309  
00:57:25,330 --> 00:57:23,240  
regard - and as a guy who has taken that

1310  
00:57:27,370 --> 00:57:25,340  
leap many years ago and has had it pay

1311  
00:57:29,560 --> 00:57:27,380  
off quite well what would you say to

1312  
00:57:31,750 --> 00:57:29,570  
advise people who might have similar

1313  
00:57:35,140 --> 00:57:31,760

dreams but also have a lot of fear

1314

00:57:37,630 --> 00:57:35,150

around pursuing them well as I said I

1315

00:57:41,080 --> 00:57:37,640

think I said before the worst thing we

1316

00:57:44,770 --> 00:57:41,090

can do is self-censorship and it's the

1317

00:57:50,530 --> 00:57:44,780

thing I fear most almost as much a state

1318

00:57:54,180 --> 00:57:50,540

censorship but you know had its 2017 the

1319

00:57:56,250 --> 00:57:54,190

world is not spinning out of control

1320

00:57:59,820 --> 00:57:56,260

I think that now is a time for anyone

1321

00:58:02,430 --> 00:57:59,830

who has any notion of you know doing

1322

00:58:04,980 --> 00:58:02,440

something for themselves should go about

1323

00:58:06,680 --> 00:58:04,990

it a bit more clearly and look around to

1324

00:58:09,630 --> 00:58:06,690

other examples of people that you admire

1325

00:58:12,650 --> 00:58:09,640

there's so many people I know and untrue

1326  
00:58:15,150 --> 00:58:12,660  
that everyone knows who have overcome

1327  
00:58:18,950 --> 00:58:15,160  
seemingly impossible odds or at least

1328  
00:58:22,040 --> 00:58:18,960  
did some difficulties and

1329  
00:58:24,920 --> 00:58:22,050  
life as Jack Kennedy said life is life

1330  
00:58:26,750 --> 00:58:24,930  
is unfair and sometimes we have to you

1331  
00:58:30,740 --> 00:58:26,760  
know work a little harder than the next

1332  
00:58:33,260 --> 00:58:30,750  
person but the main thing is maintaining

1333  
00:58:35,870 --> 00:58:33,270  
our self-esteem and dignity and having

1334  
00:58:38,089 --> 00:58:35,880  
an uncertain future certainly doesn't

1335  
00:58:41,270 --> 00:58:38,099  
help but it's something that I think

1336  
00:58:43,070 --> 00:58:41,280  
people can exercise their will I don't

1337  
00:58:46,060 --> 00:58:43,080  
think everything is predestined I think

1338  
00:58:50,390 --> 00:58:46,070

you can exercise your will away at fate

1339

00:58:52,220 --> 00:58:50,400

at least you know in my experience well

1340

00:58:53,960 --> 00:58:52,230

yeah I mean that's also what they say in

1341

00:58:56,960 --> 00:58:53,970

the East etheric circles for sure

1342

00:58:58,970 --> 00:58:56,970

I also agree and I think that getting

1343

00:59:01,010 --> 00:58:58,980

into this conspiracy stuff yes we would

1344

00:59:04,310 --> 00:59:01,020

like to see some major structural

1345

00:59:07,910 --> 00:59:04,320

changes to the system that we have but

1346

00:59:09,680 --> 00:59:07,920

on an individual basis I think the value

1347

00:59:12,260 --> 00:59:09,690

in learning about this stuff is to get

1348

00:59:14,180 --> 00:59:12,270

just a more accurate map of the world

1349

00:59:16,940 --> 00:59:14,190

that we live in and with a more accurate

1350

00:59:19,040 --> 00:59:16,950

map you can navigate it more

1351

00:59:20,660 --> 00:59:19,050

appropriately for yourself maybe you see

1352

00:59:22,609 --> 00:59:20,670

all the damaging things these

1353

00:59:24,440 --> 00:59:22,619

corporations do and the way they

1354

00:59:26,570 --> 00:59:24,450

undercut their own employees and the way

1355

00:59:28,700 --> 00:59:26,580

pensions are going away and benefits are

1356

00:59:31,099 --> 00:59:28,710

cut and you say well [h\_\_h] this I'm not

1357

00:59:33,230 --> 00:59:31,109

going to be able to work for AT&T for

1358

00:59:35,210 --> 00:59:33,240

the next 30 years I'm have to go do

1359

00:59:36,920 --> 00:59:35,220

something on my own and I think that

1360

00:59:38,599 --> 00:59:36,930

kind of that's the value on an

1361

00:59:40,820 --> 00:59:38,609

individual basis would you kind of

1362

00:59:45,620 --> 00:59:40,830

concur with that yeah I think that's a

1363

00:59:49,010 --> 00:59:45,630

well put that some people just kind of

1364

00:59:52,550 --> 00:59:49,020

reflexively fall in line so to speak

1365

00:59:56,510 --> 00:59:52,560

right and others you know I have an urge

1366

00:59:59,870 --> 00:59:56,520

to maybe stop and step out of the line I

1367

01:00:04,460 --> 00:59:59,880

look around you know but a lot of people

1368

01:00:06,680 --> 01:00:04,470

need a security that you know their job

1369

01:00:09,010 --> 01:00:06,690

their the family their rent or mortgage

1370

01:00:11,020 --> 01:00:09,020

whatever

1371

01:00:13,720 --> 01:00:11,030

in the leadership of the country is is

1372

01:00:15,730 --> 01:00:13,730

so uncertain it throws everything into a

1373

01:00:18,970 --> 01:00:15,740

certainty and you know that's it's

1374

01:00:22,990 --> 01:00:18,980

harder to do what we've been talking

1375

01:00:28,720 --> 01:00:23,000

about then it than it was ten years ago

1376

01:00:31,600 --> 01:00:28,730

I think that's that and I'm oh I hope so

1377

01:00:33,850 --> 01:00:31,610

too and you know we mentioned Trump a

1378

01:00:36,970 --> 01:00:33,860

few times I wanted to throw out there I

1379

01:00:39,970 --> 01:00:36,980

saw a clip of you actually got to roast

1380

01:00:41,170 --> 01:00:39,980

Donald Trump at the Friars Club almost a

1381

01:00:45,330 --> 01:00:41,180

decade ago

1382

01:00:48,010 --> 01:00:45,340

and maybe even longer she had some for

1383

01:00:50,200 --> 01:00:48,020

2004 you pointed out some of these same

1384

01:00:52,600 --> 01:00:50,210

issues the fact that he's made a lot of

1385

01:00:54,340 --> 01:00:52,610

his money by abusing workers and taking

1386

01:00:57,220 --> 01:00:54,350

advantage of people and making shady

1387

01:00:59,050 --> 01:00:57,230

deals and I was just curious as you hold

1388

01:01:01,359 --> 01:00:59,060

a bit of personal pride at this point

1389

01:01:05,280 --> 01:01:01,369

that you got that opportunity to kind of

1390

01:01:09,670 --> 01:01:05,290

speak right to him yo living in New York

1391

01:01:11,920 --> 01:01:09,680

we knew all about Trump before he went

1392

01:01:13,830 --> 01:01:11,930

into politics so long you know that's

1393

01:01:17,230 --> 01:01:13,840

who he was he's a man he's always been

1394

01:01:20,960 --> 01:01:17,240

so when he became president it was like

1395

01:01:24,560 --> 01:01:20,970

not him not our Donald

1396

01:01:29,570 --> 01:01:24,570

not our bloviating Pig Donald he's the

1397

01:01:32,510 --> 01:01:29,580

president so yeah I very prideful over

1398

01:01:34,250 --> 01:01:32,520

that well it's just so interesting that

1399

01:01:35,960 --> 01:01:34,260

after everything we've been through with

1400

01:01:37,730 --> 01:01:35,970

the back and forth from Democrats

1401

01:01:39,950 --> 01:01:37,740

Republicans and just things never

1402

01:01:43,640 --> 01:01:39,960

changing that we would look to some

1403

01:01:45,800 --> 01:01:43,650

billionaire real estate executive as the

1404

01:01:48,950 --> 01:01:45,810

saving grace and the the champion of the

1405

01:01:51,650 --> 01:01:48,960

people it really made zero sense yeah

1406

01:01:55,010 --> 01:01:51,660

and don't forget he did not win the

1407

01:01:56,330 --> 01:01:55,020

popular one to there

1408

01:01:58,820 --> 01:01:56,340

can you imagine what would happen

1409

01:02:01,760 --> 01:01:58,830

ability was president there'd be

1410

01:02:05,720 --> 01:02:01,770

hearings so you know but for four years

1411

01:02:08,450 --> 01:02:05,730

we've driven her crazy yeah seems like

1412

01:02:12,500 --> 01:02:08,460

we were in trouble either way yeah but I

1413

01:02:17,020 --> 01:02:12,510

think that the activists and regular

1414

01:02:20,450 --> 01:02:17,030

people that I've woken up is very very

1415

01:02:23,150 --> 01:02:20,460

heartening to me Americans taking the

1416

01:02:26,990 --> 01:02:23,160

responsibility as Jefferson said to be

1417

01:02:27,530 --> 01:02:27,000

an informed citizenry and that's what's

1418

01:02:30,680 --> 01:02:27,540

happened

1419

01:02:33,140 --> 01:02:30,690

yeah well said that is a positive note

1420

01:02:34,910 --> 01:02:33,150

and I love it man I really do appreciate

1421

01:02:37,010 --> 01:02:34,920

what you do and the way you choose to

1422

01:02:38,690 --> 01:02:37,020

use your platform and I really enjoyed

1423

01:02:41,030 --> 01:02:38,700

the book and I hope people pick it up is

1424

01:02:42,050 --> 01:02:41,040

there anything else you're working on or

1425

01:02:44,720 --> 01:02:42,060

would like to tell the people about

1426

01:02:47,630 --> 01:02:44,730

before we wrap this thing up I have a

1427

01:02:50,180 --> 01:02:47,640

talk show on YouTube it's called Richard

1428

01:02:52,790 --> 01:02:50,190

Belzer conversations and I interviewed

1429

01:02:54,380 --> 01:02:52,800

for the dog food and Paul Shaffer and

1430

01:02:56,780 --> 01:02:54,390

you know a bunch of the really

1431

01:02:59,510 --> 01:02:56,790

interesting people so people may want to

1432

01:03:01,430 --> 01:02:59,520

check that out yeah very cool getting

1433

01:03:03,230 --> 01:03:01,440

outside of the corporate stranglehold

1434

01:03:06,910 --> 01:03:03,240

and coming out on your own I love it

1435

01:03:09,350 --> 01:03:06,920

exactly uh you and Bill O'Reilly he said

1436

01:03:12,680 --> 01:03:09,360

nothing yeah me either

1437

01:03:14,330 --> 01:03:12,690

uh well then Richard thanks again keep

1438

01:03:16,840 --> 01:03:14,340

fighting the good fight my man okay

1439

01:03:19,430 --> 01:03:16,850

great take care thanks again you got it

1440

01:03:21,620 --> 01:03:19,440

all right all right good people of the

1441

01:03:23,480 --> 01:03:21,630

internet big guest today in Richard

1442

01:03:26,360 --> 01:03:23,490

Belzer blowing the doors off some

1443

01:03:28,970 --> 01:03:26,370

corporate conspiracies this will be one

1444

01:03:30,650 --> 01:03:28,980

of those shows where people I haven't

1445

01:03:32,630 --> 01:03:30,660

talked to in many years from high school

1446

01:03:34,520 --> 01:03:32,640

will see that I posted this on Facebook

1447

01:03:36,500 --> 01:03:34,530

and wonder what the hell

1448

01:03:39,680 --> 01:03:36,510

is the law and order guy doing on Greg

1449

01:03:41,990 --> 01:03:39,690

Carl would stupid podcast and those are

1450

01:03:43,820 --> 01:03:42,000

fun moments for me but I thought we

1451  
01:03:45,830 --> 01:03:43,830  
covered a lot of good ground too I love

1452  
01:03:47,450 --> 01:03:45,840  
the book and it worked out because I

1453  
01:03:49,940 --> 01:03:47,460  
literally was typing corporate

1454  
01:03:51,950 --> 01:03:49,950  
conspiracies into Amazon to see what

1455  
01:03:54,800 --> 01:03:51,960  
books came up and of course Richards was

1456  
01:03:56,900 --> 01:03:54,810  
top of the list and a new release and to

1457  
01:03:58,790 --> 01:03:56,910  
add icing on that cake his people

1458  
01:04:00,890 --> 01:03:58,800  
already knew about the higher side chats

1459  
01:04:04,040 --> 01:04:00,900  
when I asked if we could get him on

1460  
01:04:06,230 --> 01:04:04,050  
so everything slid right into place big

1461  
01:04:07,790 --> 01:04:06,240  
thanks to him for taking the time I also

1462  
01:04:09,680 --> 01:04:07,800  
kind of did this one for my dad who's

1463  
01:04:11,840 --> 01:04:09,690

seen Richard a lot through the years is

1464

01:04:14,510 --> 01:04:11,850

a bit of a fan and I think it's just

1465

01:04:17,390 --> 01:04:14,520

cool for him to see this episode come to

1466

01:04:19,220 --> 01:04:17,400

fruition too so shout out to pops also

1467

01:04:21,650 --> 01:04:19,230

when I was going over some clips from

1468

01:04:24,290 --> 01:04:21,660

Richard's career just looking at all the

1469

01:04:25,700 --> 01:04:24,300

crazy stuff he's been a part of I

1470

01:04:29,240 --> 01:04:25,710

thought a clip with Hulk Hogan

1471

01:04:32,480 --> 01:04:29,250

apparently in the 80s or maybe early 90s

1472

01:04:34,750 --> 01:04:32,490

Richard at his own show and Hulk Hogan

1473

01:04:37,460 --> 01:04:34,760

was on it put him in a headlock and

1474

01:04:39,890 --> 01:04:37,470

choked him out dropped him in his head

1475

01:04:42,320 --> 01:04:39,900

slammed against the stage and pretty

1476

01:04:44,620 --> 01:04:42,330

dramatic fashion and the crowd gasps and

1477

01:04:47,960 --> 01:04:44,630

it was just one of those interesting

1478

01:04:50,810 --> 01:04:47,970

real things didn't go expected on live

1479

01:04:53,090 --> 01:04:50,820

TV moments that I always get a kick out

1480

01:04:55,100 --> 01:04:53,100

of so I did want to talk about his book

1481

01:04:57,200 --> 01:04:55,110

of course but I also focused a lot of

1482

01:04:59,660 --> 01:04:57,210

questions on the media and Hollywood

1483

01:05:02,060 --> 01:04:59,670

because it is sort of rare to have such

1484

01:05:04,250 --> 01:05:02,070

a well-known actor here I wanted to get

1485

01:05:06,710 --> 01:05:04,260

a bit into that stuff here things from

1486

01:05:08,630 --> 01:05:06,720

his side and I was also a pretty big

1487

01:05:11,270 --> 01:05:08,640

Robin Williams fan the guy really was

1488

01:05:12,950 --> 01:05:11,280

one of a kind and we do have researchers

1489

01:05:15,110 --> 01:05:12,960

in the conspiracy world who are saying

1490

01:05:17,690 --> 01:05:15,120

he faked his death or was an Illuminati

1491

01:05:19,880 --> 01:05:17,700

sacrifice these are things that I will

1492

01:05:22,520 --> 01:05:19,890

never know and you can have those

1493

01:05:24,290 --> 01:05:22,530

theories but Richard was a friend of his

1494

01:05:26,090 --> 01:05:24,300

and I am more than happy to paint a

1495

01:05:28,850 --> 01:05:26,100

target on Big Pharma for this one I

1496

01:05:31,640 --> 01:05:28,860

think that's fairly cut and dry there is

1497

01:05:33,830 --> 01:05:31,650

a serious pill problem these days also

1498

01:05:35,360 --> 01:05:33,840

like I said in the intro Richard doesn't

1499

01:05:36,980 --> 01:05:35,370

have to put out these books he doesn't

1500

01:05:39,340 --> 01:05:36,990

have to draw attention to these things

1501  
01:05:42,470 --> 01:05:39,350  
but he does so we should respect that

1502  
01:05:44,660 --> 01:05:42,480  
even if we might disagree on some of the

1503  
01:05:46,190 --> 01:05:44,670  
finer points personally the only area

1504  
01:05:48,420 --> 01:05:46,200  
I'd really disagree with him on would be

1505  
01:05:50,490 --> 01:05:48,430  
that he seems to be a little bio

1506  
01:05:52,410 --> 01:05:50,500  
when it comes to liberals and the

1507  
01:05:54,750 --> 01:05:52,420  
Democrats I don't know that he holds

1508  
01:05:57,660 --> 01:05:54,760  
them to the fire the same way he would

1509  
01:05:59,730 --> 01:05:57,670  
Republicans for a conspiracy enthusiast

1510  
01:06:01,440 --> 01:05:59,740  
I just think it's better to step outside

1511  
01:06:04,560 --> 01:06:01,450  
of both parties and consider them

1512  
01:06:06,480 --> 01:06:04,570  
equally corrupt and unusable of course

1513  
01:06:09,000 --> 01:06:06,490

philosophically I do find more common

1514

01:06:11,370 --> 01:06:09,010

ground with liberal leaning folks but I

1515

01:06:14,310 --> 01:06:11,380

do try to separate that from actual

1516

01:06:16,980 --> 01:06:14,320

career politicians news anchors and team

1517

01:06:19,740 --> 01:06:16,990

democrat in general but that's just me

1518

01:06:22,350 --> 01:06:19,750

and it really wasn't even the point or

1519

01:06:24,030 --> 01:06:22,360

the focus of today's show obviously

1520

01:06:25,830 --> 01:06:24,040

people have their own way of looking at

1521

01:06:27,960 --> 01:06:25,840

these things and we can still come

1522

01:06:29,820 --> 01:06:27,970

together and have a productive solid

1523

01:06:31,770 --> 01:06:29,830

conversation about Big Pharma the

1524

01:06:33,810 --> 01:06:31,780

regulatory agencies that aren't doing

1525

01:06:36,030 --> 01:06:33,820

their jobs the revolving door of

1526

01:06:38,220 --> 01:06:36,040

politics and corporate players media

1527

01:06:39,600 --> 01:06:38,230

manipulation and some alien talk of

1528

01:06:42,000 --> 01:06:39,610

course for good measure

1529

01:06:44,370 --> 01:06:42,010

so I hope you liked it I appreciate each

1530

01:06:46,830 --> 01:06:44,380

and every one who listened as always an

1531

01:06:48,420 --> 01:06:46,840

ad-free one our version goes out to the

01:06:50,400 --> 01:06:48,430

world and if you want to hear the

extended to our episodes you sign up

1534

01:06:55,140 --> 01:06:52,390

with me for the higher side chats plus

1535

01:06:56,850 --> 01:06:55,150

for five bucks a month in this episode

1536

01:06:59,520 --> 01:06:56,860

we talked about the prison industrial

1537

01:07:02,100 --> 01:06:59,530

complex the drug war and its role in a

1538

01:07:04,230 --> 01:07:02,110

big conspiracy the bank bailout and why

1539

01:07:06,960 --> 01:07:04,240

it shouldn't just be glossed over the

1540

01:07:10,560 --> 01:07:06,970

prospects for a bailout round two in our

1541

01:07:11,940 --> 01:07:10,570

future how bear developed heroin what

1542

01:07:14,550 --> 01:07:11,950

Richard thinks about the motivations

1543

01:07:17,580 --> 01:07:14,560

behind the JFK assassination Malaysian

1544

01:07:20,040 --> 01:07:17,590

Airlines flight 370 Richards thoughts on

1545

01:07:22,740 --> 01:07:20,050

the Franklin scandal blackmail and

1546

01:07:26,160 --> 01:07:22,750

pedophilia networks in elite circles and

1547

01:07:28,530 --> 01:07:26,170

from that dark place we got words of

1548

01:07:30,270 --> 01:07:28,540

artistic inspiration and Richards advice

1549

01:07:32,550 --> 01:07:30,280

to people who aren't living out their

1550

01:07:34,380 --> 01:07:32,560

dreams due to fear pressure and the

1551

01:07:36,360 --> 01:07:34,390

multitude of things that hold us back I

1552

01:07:38,400 --> 01:07:36,370

thought it was important to hit that

1553

01:07:40,950 --> 01:07:38,410

before we ended it because a lot of

1554

01:07:43,170 --> 01:07:40,960

people out there are dreaming not living

1555

01:07:44,820 --> 01:07:43,180

and I know the corporate stranglehold

1556

01:07:46,680 --> 01:07:44,830

and big conspiracy can seem so

1557

01:07:50,010 --> 01:07:46,690

overwhelming and absolute that the

1558

01:07:53,220 --> 01:07:50,020

situation seems unfixable and maybe in a

1559

01:07:57,600 --> 01:07:53,230

lot of ways it is but you can still live

1560

01:07:59,820 --> 01:07:57,610

a good happy successful life despite all

1561

01:08:01,830 --> 01:07:59,830

that and when it comes to the big system

1562

01:08:02,120 --> 01:08:01,840

we absolutely know there are differences

1563

01:08:03,859 --> 01:08:02,130

but

1564

01:08:05,690 --> 01:08:03,869

Queen the corporate stranglehold on a

1565

01:08:08,120 --> 01:08:05,700

place like France first the United

1566

01:08:11,120 --> 01:08:08,130

States so don't say we can't do anything

1567

01:08:12,680 --> 01:08:11,130

we do have to pay attention we got to

1568

01:08:15,109 --> 01:08:12,690

watch where we put our money call out

1569

01:08:16,220 --> 01:08:15,119

[h\_\_h] and make sure politicians know

1570

01:08:19,220 --> 01:08:16,230

that we're just not [h\_\_h] around

1571

01:08:20,930 --> 01:08:19,230

anymore people will say oh when you vote

1572

01:08:22,700 --> 01:08:20,940

you give your power to the system and

1573

01:08:25,729 --> 01:08:22,710

validate their paradigm and all that

1574

01:08:28,220 --> 01:08:25,739

okay so do nothing then and then we'll

1575

01:08:30,320 --> 01:08:28,230

only have absalom criminals in office

1576

01:08:32,990 --> 01:08:30,330

with even less accountability than they

1577

01:08:34,939 --> 01:08:33,000

have now we have to actually watch them

1578

01:08:37,129 --> 01:08:34,949

and we're really not we got to own that

1579

01:08:39,530 --> 01:08:37,139

a little bit but the world's a

1580

01:08:42,050 --> 01:08:39,540

complicated mess these are just some

1581

01:08:44,300 --> 01:08:42,060

parts of it either way I love you guys

1582

01:08:46,490 --> 01:08:44,310

thanks for listening I'm out of here the

1583

01:08:48,320 --> 01:08:46,500

higher side chats clothing calm for all

1584

01:08:50,450 --> 01:08:48,330

your conspiracy t-shirt needs and I'll

1585

01:08:52,910 --> 01:08:50,460

see you in just a couple days with a new

1586

01:08:54,829 --> 01:08:52,920

episode your move Big Pharma pill

1587

01:09:01,090 --> 01:08:54,839

pushers corporate food for anglers and

1588

01:09:12,700 --> 01:09:06,870

oh no you see

1589

01:09:22,870 --> 01:09:12,710

no random it's attached to pop Wall

1590

01:09:25,950 --> 01:09:22,880

Street control of i-95 trustee

1591

01:09:31,109 --> 01:09:25,960
