the planets up the masters almost surely

3
00:00:11,270 --> 00:00:09,030

have a plan

4
00:00:15,289 --> 00:00:11,280

this clearly maybe something there

5
00:00:16,390 --> 00:00:15,299

beyond the realm of man already tested

6
00:00:21,189 --> 00:00:16,400

every

7
00:00:42,920 --> 00:00:24,920

that's true dr. Zaius

[Music]

00:00:48,750 --> 00:00:46,450

all right higher side chatters to unlock

10
00:00:51,000 --> 00:00:48,760

the deepest levels of the elites mindset

11
00:00:53,160 --> 00:00:51,010

their desires philosophy and secret

12
00:00:54,840 --> 00:00:53,170

religion it's not an easy thing to do

13
00:00:57,270 --> 00:00:54,850

sources are scattered sometimes

14

00:00:59,610 --> 00:00:57,280

contradictory and often contain both

15

00:01:02,160 --> 00:00:59,620

esoteric and esoteric meanings that add

16

00:01:04,080 --> 00:01:02,170

even more confusion to the mix but it

17

00:01:05,940 --> 00:01:04,090

does seem like their deepest motivations

18

00:01:08,190 --> 00:01:05,950

revolve around goals like jailbreaking

19

00:01:10,590 --> 00:01:08,200

our construct evolving man as they see

20

00:01:12,120 --> 00:01:10,600

fit and manifesting an ancient agenda

21

00:01:13,950 --> 00:01:12,130

passed down through long lasting

22

00:01:16,500 --> 00:01:13,960

bloodlines and secret groups behind the

23

00:01:18,450 --> 00:01:16,510

curtain that said occasionally something

24

00:01:20,250 --> 00:01:18,460

Clause out of the zeitgeist to grab the

25

00:01:22,620 --> 00:01:20,260

attention of those seeking these very

26
00:01:24,690 --> 00:01:22,630
answers and one such instance was what's

27
00:01:27,030 --> 00:01:24,700
known as the hidden hand dialogue where

28
00:01:29,370 --> 00:01:27,040
in 2008 a self-described member of the

29
00:01:30,990 --> 00:01:29,380
ruling class appendage of the Lucifer

30
00:01:33,510 --> 00:01:31,000
soul group an associate of an ancient

31
00:01:35,640 --> 00:01:33,520
order anonymously arrived at the above

32
00:01:38,190 --> 00:01:35,650
top-secret forum and offered to have an

33
00:01:40,920 --> 00:01:38,200
open and honest Q&A as part of a task he

34
00:01:42,780 --> 00:01:40,930
was given by his masters what resulted

35
00:01:44,730 --> 00:01:42,790
was an ear book length back and forth

36
00:01:46,320 --> 00:01:44,740
that spanned over five sessions and

37
00:01:48,210 --> 00:01:46,330
introduced some perspectives I've had

38
00:01:50,090 --> 00:01:48,220

rattling around upstairs ever since I

39

00:01:52,290 --> 00:01:50,100

first heard them almost a decade ago

40

00:01:54,150 --> 00:01:52,300

while folks you might remember a higher

41

00:01:56,070 --> 00:01:54,160

side chats episode from earlier in the

42

00:01:58,560 --> 00:01:56,080

year with elite belief system decoder

43

00:02:00,540 --> 00:01:58,570

extraordinaire Michael Joseph where we

44

00:02:02,340 --> 00:02:00,550

explored this secret religion of the

45

00:02:04,410 --> 00:02:02,350

elite and its influence in society

46

00:02:05,969 --> 00:02:04,420

through the lens of Michael's occult

47

00:02:09,660 --> 00:02:05,979

science series on his YouTube channel

48

00:02:12,000 --> 00:02:09,670

schism 206 since that time he's added

49

00:02:13,530 --> 00:02:12,010

roughly twenty more hours of content to

50

00:02:16,290 --> 00:02:13,540

the series which is now considered

51
00:02:18,690 --> 00:02:16,300
complete at ninety one video spanning 30

52
00:02:20,010 --> 00:02:18,700
chapters it's one hell of a watch and I

53
00:02:21,510 --> 00:02:20,020
brought them back to talk about some of

54
00:02:23,610 --> 00:02:21,520
these conclusions and see how they

55
00:02:26,040 --> 00:02:23,620
compare to that early staple of internet

56
00:02:28,140 --> 00:02:26,050
conspiracy lore the hidden hand dialogue

57
00:02:30,350 --> 00:02:28,150
so let's do the damn thing Michael my

58
00:02:33,180 --> 00:02:30,360
man welcome back to the higher side

59
00:02:35,309 --> 00:02:33,190
thanks Greg good to be here yeah man

60
00:02:37,410 --> 00:02:35,319
this is gonna be great I'm really

61
00:02:39,210 --> 00:02:37,420
psyched I really liked the last one and

62
00:02:41,130 --> 00:02:39,220
of course I wanted to have you back and

63
00:02:43,050 --> 00:02:41,140

so when I was trying to think of

64

00:02:45,480 --> 00:02:43,060

creative ways to cover these themes

65

00:02:47,850 --> 00:02:45,490

again we talked about focusing a show on

66

00:02:49,470 --> 00:02:47,860

that hidden hand stuff because some of

67

00:02:50,600 --> 00:02:49,480

it resonates with the research you've

68

00:02:52,680 --> 00:02:50,610

done and I just thought it would be

69

00:02:53,940 --> 00:02:52,690

different because I don't get to cover a

70

00:02:56,100 --> 00:02:53,950

lot of things that don't come from

71

00:02:58,170 --> 00:02:56,110

someone's latest book but

72

00:03:00,630 --> 00:02:58,180

looking back at it it doesn't seem quite

73

00:03:02,280 --> 00:03:00,640

as credible as it did at the time though

74

00:03:03,660 --> 00:03:02,290

it is still intriguing material to

75

00:03:05,910 --> 00:03:03,670

compare and contrast to what you've

76

00:03:08,340 --> 00:03:05,920

researched elsewhere and I guess to get

77

00:03:10,200 --> 00:03:08,350

us in the mindset to really lay the base

78

00:03:12,270 --> 00:03:10,210

remind the people about your research

79

00:03:17,730 --> 00:03:12,280

and how you've gone about trying to

80

00:03:21,360 --> 00:03:17,740

untangle this esoteric web sure well the

81

00:03:23,100 --> 00:03:21,370

fundamental I guess sources for the

82

00:03:25,470 --> 00:03:23,110

whole occult science series and

83

00:03:28,020 --> 00:03:25,480

everything that I've done is basically

84

00:03:30,660 --> 00:03:28,030

looking at authors like H people of

85

00:03:33,870 --> 00:03:30,670

ASCII and Albert Pike as more of the

86

00:03:37,350 --> 00:03:33,880

primary sources but as the series went

87

00:03:39,720 --> 00:03:37,360

on I definitely use Lebowsky because

88

00:03:42,210 --> 00:03:39,730

within secret doctrine Isis unveiled

89
00:03:44,100 --> 00:03:42,220
there's you know a couple thousand pages

90
00:03:47,430 --> 00:03:44,110
and there was a lot of stuff there and

91
00:03:49,949 --> 00:03:47,440
then more peripherally or secondary just

92
00:03:52,680 --> 00:03:49,959
kind of utilizing writings of Manley

93
00:03:55,830 --> 00:03:52,690
Palmer Hall elephants Libby and Aleister

94
00:03:59,390 --> 00:03:55,840
Crowley and again the whole reason for

95
00:04:03,630 --> 00:03:59,400
that is because the United Nations is

96
00:04:05,310 --> 00:04:03,640
more or less openly following Blavatsky

97
00:04:06,630 --> 00:04:05,320
I mean it's still kind of hidden not a

98
00:04:08,460 --> 00:04:06,640
lot of people know about it but through

99
00:04:09,900 --> 00:04:08,470
the Lucius Trust organization and on

100
00:04:12,420 --> 00:04:09,910
their website which is part of their

101
00:04:14,940 --> 00:04:12,430
nonprofit that's like their spiritual

102
00:04:17,370 --> 00:04:14,950
foundation so it's pretty much based on

103
00:04:19,740 --> 00:04:17,380
theosophy and of course we talked about

104
00:04:22,380 --> 00:04:19,750
last time the US government and its

105
00:04:24,510 --> 00:04:22,390
connections to Scottish Rite Freemasonry

106
00:04:26,880 --> 00:04:24,520
and NASA and of course everyone knows

107
00:04:29,280 --> 00:04:26,890
about Crowley in the influence in the

108
00:04:30,450 --> 00:04:29,290
entertainment industry and then I kind

109
00:04:31,800 --> 00:04:30,460
of throw the Vatican and with that

110
00:04:34,560 --> 00:04:31,810
because there's guilt by association

111
00:04:37,790 --> 00:04:34,570
where they intermingle with all those

112
00:04:41,400 --> 00:04:37,800
groups in one way or another and so

113
00:04:43,770 --> 00:04:41,410

that's kind of where I draw my

114

00:04:46,890 --> 00:04:43,780

understanding of occultism now if people

115

00:04:49,170 --> 00:04:46,900

out there think that you know that's not

116

00:04:51,360 --> 00:04:49,180

what occultism about or whatever it

117

00:04:53,760 --> 00:04:51,370

doesn't really bother me the point being

118

00:04:56,700 --> 00:04:53,770

is that you know a lot of the groups

119

00:04:59,700 --> 00:04:56,710

that people would generally target as

120

00:05:01,409 --> 00:04:59,710

part of the NWO this seems to be what

121

00:05:04,020 --> 00:05:01,419

they're saying that they're following so

122

00:05:05,290 --> 00:05:04,030

that's where I'm coming from I feel like

123

00:05:07,870 --> 00:05:05,300

that's

124

00:05:11,890 --> 00:05:07,880

the best insight that US profane folks

125

00:05:13,360 --> 00:05:11,900

can get into their world and you know as

126

00:05:17,920 --> 00:05:13,370

I've gone through it it's just amazing

127

00:05:20,740 --> 00:05:17,930

to me how much I see that has some

128

00:05:22,150 --> 00:05:20,750

pretty profound connections and not to

129

00:05:23,620 --> 00:05:22,160

me too long-winded but when I first

130

00:05:28,150 --> 00:05:23,630

started the occult science it was really

131

00:05:29,860 --> 00:05:28,160

gonna be like six seven eight videos and

132

00:05:31,450 --> 00:05:29,870

then all of a sudden it just spiraled

133

00:05:34,210 --> 00:05:31,460

into this whole other thing and now it's

134

00:05:36,640 --> 00:05:34,220

finally done and I'm glad but there's a

135

00:05:39,219 --> 00:05:36,650

lot there so that's where I'm at with it

136

00:05:41,740 --> 00:05:39,229

there is man and the depth that you've

137

00:05:43,870 --> 00:05:41,750

gone into on some of these little sagas

138

00:05:45,820 --> 00:05:43,880

and stories is just really really

139

00:05:48,129 --> 00:05:45,830

impressive and you mentioned the lucious

140

00:05:49,360 --> 00:05:48,139

trust I had another couple of guests

141

00:05:51,610 --> 00:05:49,370

who've mentioned them in passing

142

00:05:53,230 --> 00:05:51,620

recently but maybe you could tell us a

143

00:05:54,939 --> 00:05:53,240

little more about them and their

144

00:05:56,409 --> 00:05:54,949

influence in culture and where we see it

145

00:05:56,620 --> 00:05:56,419

because of course there's think tanks

146

00:05:58,210 --> 00:05:56,630

like

147

00:06:00,820 --> 00:05:58,220

bilderberg's Council on Foreign

148

00:06:02,320 --> 00:06:00,830

Relations trilateral commission we hear

149

00:06:05,290 --> 00:06:02,330

about them we hear about Skull and Bones

150

00:06:07,180 --> 00:06:05,300

we hear about Freemasonry but we don't

151
00:06:10,540 --> 00:06:07,190
hear quite as much about the lucious

152
00:06:14,260 --> 00:06:10,550
trust but why are they important well

153
00:06:16,870 --> 00:06:14,270
there's not a ton of information about

154
00:06:18,249 --> 00:06:16,880
them other than their website but early

155
00:06:20,589 --> 00:06:18,259
in the series and we might have talked

156
00:06:22,899 --> 00:06:20,599
about this last time the Rockefellers

157
00:06:25,689 --> 00:06:22,909
you know laid the foundations for the

158
00:06:28,029 --> 00:06:25,699
United Nations and the lucious Trust was

159
00:06:30,520 --> 00:06:28,039
located at their Plaza for a while I

160
00:06:32,860 --> 00:06:30,530
believe they'd switch locations or

161
00:06:35,830 --> 00:06:32,870
something but it is interesting that you

162
00:06:39,159 --> 00:06:35,840
can see so much of the symbolism in the

163
00:06:42,490 --> 00:06:39,169

UN logos and then the Rockefellers with

164

00:06:45,249 --> 00:06:42,500

the Twin Towers and their Prometheus

165

00:06:47,439 --> 00:06:45,259

statue Atlas statue right you know all

166

00:06:50,379 --> 00:06:47,449

these things are important concepts in

167

00:06:52,450 --> 00:06:50,389

theosophy so when you are their website

168

00:06:54,430 --> 00:06:52,460

the lucious trust website you knows a

169

00:06:57,909 --> 00:06:54,440

lot of stuff about bringing in the Age

170

00:07:00,850 --> 00:06:57,919

of Aquarius and the Christ consciousness

171

00:07:03,249 --> 00:07:00,860

that is a fact according to them that

172

00:07:06,070 --> 00:07:03,259

can be and dwelling in people so you

173

00:07:08,200 --> 00:07:06,080

know it really is the well that they're

174

00:07:10,990 --> 00:07:08,210

drawing from is esoteric philosophy

175

00:07:15,579 --> 00:07:11,000

Gnostic Eastern religions things of that

176

00:07:18,399 --> 00:07:15,589

nature so if that is driving the United

177

00:07:20,229 --> 00:07:18,409

Nations spiritually you know

178

00:07:21,219 --> 00:07:20,239

missions is they have their hands and

179

00:07:23,619 --> 00:07:21,229

everything and so I went through the

180

00:07:26,379 --> 00:07:23,629

series it's pretty crazy how influential

181

00:07:28,149 --> 00:07:26,389

they are on a lot of stuff so you know

182

00:07:30,969 --> 00:07:28,159

it's it's all there on their website I'd

183

00:07:33,969 --> 00:07:30,979

advise anybody to go check it out and my

184

00:07:35,409 --> 00:07:33,979

series also everything is sourced and in

185

00:07:38,019 --> 00:07:35,419

any of the videos there's a link below

186

00:07:40,359 --> 00:07:38,029

that says this is the references link

187

00:07:42,249 --> 00:07:40,369

you just go there it's a little drop box

188

00:07:43,949 --> 00:07:42,259

but in there there's a PDF file with the

189

00:07:46,869 --> 00:07:43,959

references you click on that and

190

00:07:48,219 --> 00:07:46,879

everything is all laid out and you can

191

00:07:50,139 --> 00:07:48,229

click on any of the links to go to

192

00:07:51,939 --> 00:07:50,149

anything so there's a ton of information

193

00:07:53,979 --> 00:07:51,949

in the references so I just want to make

194

00:07:57,129 --> 00:07:53,989

sure that everyone knows that everything

195

00:07:59,109 --> 00:07:57,139

I'm saying has a source of course of

196

00:08:00,759 --> 00:07:59,119

course yeah so I mean you can just see

197

00:08:02,799 --> 00:08:00,769

the occult influence when you look at

198

00:08:05,319 --> 00:08:02,809

their mission statements and their

199

00:08:06,790 --> 00:08:05,329

website and that kind of thing and it's

200

00:08:09,159 --> 00:08:06,800

quite telling especially when you know

201
00:08:11,799 --> 00:08:09,169
the source material like the Blavatsky

202
00:08:14,589 --> 00:08:11,809
Albert Pike stuff that you have read

203
00:08:16,419 --> 00:08:14,599
through so intensely and so when it

204
00:08:19,299 --> 00:08:16,429
comes to the aspects of what this hidden

205
00:08:21,459 --> 00:08:19,309
hand guy had said that are interesting

206
00:08:23,589 --> 00:08:21,469
probably the main thing is this claim

207
00:08:25,689 --> 00:08:23,599
that his bloodline isn't an earthly

208
00:08:27,069 --> 00:08:25,699
bloodline someone asked him about the

209
00:08:28,869 --> 00:08:27,079
Rothschilds and he said that they're

210
00:08:31,419 --> 00:08:28,879
just the foot soldiers and the lower

211
00:08:32,199 --> 00:08:31,429
level of the big pyramid compared to

212
00:08:34,540 --> 00:08:32,209
where he's at

213
00:08:37,540 --> 00:08:34,550

but regardless of the validity of his

214

00:08:39,909 --> 00:08:37,550

individual claim what has your research

215

00:08:41,469 --> 00:08:39,919

shown regarding elite bloodlines and

216

00:08:45,220 --> 00:08:41,479

their origins and the possibility of

217

00:08:48,280 --> 00:08:45,230

some nonhuman sources in there yeah this

218

00:08:51,460 --> 00:08:48,290

is tricky because

219

00:08:54,910 --> 00:08:51,470

when I read theosophy and Freemasonry

220

00:08:58,800 --> 00:08:54,920

like in morals and Dogma it's weird

221

00:09:02,740 --> 00:08:58,810

because there's a lot of institutions

222

00:09:04,660 --> 00:09:02,750

that are when we think about the New

223

00:09:08,740 --> 00:09:04,670

World Order and all this stuff we think

224

00:09:11,310 --> 00:09:08,750

about like oh the government's and you

225

00:09:14,260 --> 00:09:11,320

know the religious institutions and

226

00:09:17,350 --> 00:09:14,270

politics and stuff like that and it's

227

00:09:20,890 --> 00:09:17,360

very strange because when you read a lot

228

00:09:23,590 --> 00:09:20,900

of this literature you find that a lot

229

00:09:26,500 --> 00:09:23,600

of the enemies that the truthers target

230

00:09:27,940 --> 00:09:26,510

are actually enemies of Freemasonry in

231

00:09:30,310 --> 00:09:27,950

theosophy and that's something that's

232

00:09:33,150 --> 00:09:30,320

really hard for me to reconcile that

233

00:09:36,250 --> 00:09:33,160

outside of just some basic theological

234

00:09:37,240 --> 00:09:36,260

constructs but for example I think we

235

00:09:39,700 --> 00:09:37,250

did talk about this a little bit last

236

00:09:43,470 --> 00:09:39,710

time but Albert Pike kind of shits on

237

00:09:45,280 --> 00:09:43,480

monarchy and politics and even

238

00:09:47,890 --> 00:09:45,290

democratic or Republic

239

00:09:49,600 --> 00:09:47,900

and I think it's in the like the third

240

00:09:51,550 --> 00:09:49,610

chapter of morals and Dogma it's called

241

00:09:54,190 --> 00:09:51,560

the master I think he lays out a lot of

242

00:09:55,480 --> 00:09:54,200

his disdain for politicians and

243

00:09:58,510 --> 00:09:55,490

governments and things like that

244

00:10:00,550 --> 00:09:58,520

and also they don't seem to like the

245

00:10:03,640 --> 00:10:00,560

Jesuits very much which is interesting

246

00:10:05,700 --> 00:10:03,650

to me because that's a big target in a

247

00:10:09,220 --> 00:10:05,710

lot of the conspiracy circles and

248

00:10:12,910 --> 00:10:09,230

Blavatsky definitely has you know a lot

249

00:10:15,190 --> 00:10:12,920

of well I guess anti Abrahamic religion

250

00:10:18,040 --> 00:10:15,200

but specifically targeting a lot of

251
00:10:20,440 --> 00:10:18,050
Judaism so this is really where you have

252
00:10:22,360 --> 00:10:20,450
to get into the esoteric versus exoteric

253
00:10:24,130 --> 00:10:22,370
because anybody can say oh it's the Jews

254
00:10:24,850 --> 00:10:24,140
or oh it's a Jesuit since like what does

255
00:10:26,830 --> 00:10:24,860
that mean

256
00:10:29,230 --> 00:10:26,840
right you know and to me there's an

257
00:10:31,360 --> 00:10:29,240
esoteric and exoteric layer to all of

258
00:10:34,900 --> 00:10:31,370
these things every single religion has

259
00:10:36,580 --> 00:10:34,910
it and so to me what really binds them

260
00:10:38,800 --> 00:10:36,590
is the esoteric religion so it doesn't

261
00:10:41,740 --> 00:10:38,810
matter if they say I'm an atheist

262
00:10:44,560 --> 00:10:41,750
because Blavatsky is always complaining

263
00:10:46,420 --> 00:10:44,570

about how people mistake all of these

264

00:10:49,860 --> 00:10:46,430

Eastern traditions for being atheistic

265

00:10:53,200 --> 00:10:49,870

so again this is the veil that they use

266

00:10:54,820 --> 00:10:53,210

to disguise these secrets from the

267

00:10:57,160 --> 00:10:54,830

profane and we can talk a bit more about

268

00:11:00,000 --> 00:10:57,170

you know the veil of Isis and what then

269

00:11:03,120 --> 00:11:00,010

tales as far as I understand it so

270

00:11:05,550 --> 00:11:03,130

I can't remember what I kind of went up

271

00:11:07,170 --> 00:11:05,560

in a tangent no just blood lines yeah

272

00:11:09,330 --> 00:11:07,180

okay yeah so anyways the blood line

273

00:11:12,510 --> 00:11:09,340

thing this is interesting you know if

274

00:11:14,880 --> 00:11:12,520

they don't like monarchy to me that's

275

00:11:17,040 --> 00:11:14,890

being demeaning towards an earthly blood

276

00:11:20,610 --> 00:11:17,050

line if you will so I think what they

277

00:11:22,500 --> 00:11:20,620

look at as a blood line at least from

278

00:11:24,330 --> 00:11:22,510

the hidden hand perspective that would

279

00:11:26,760 --> 00:11:24,340

align with stuff that I've looked at is

280

00:11:28,500 --> 00:11:26,770

more of the consciousness of what they

281

00:11:31,080 --> 00:11:28,510

call you know the Adept the one that has

282

00:11:33,840 --> 00:11:31,090

been illuminated or is in the know

283

00:11:36,390 --> 00:11:33,850

whatever you want to call them I think

284

00:11:38,160 --> 00:11:36,400

it's more the idea that they have a

285

00:11:40,080 --> 00:11:38,170

consciousness that's alien or

286

00:11:43,170 --> 00:11:40,090

otherworldly and not of this earthly

287

00:11:46,170 --> 00:11:43,180

realm and that is why they have so much

288

00:11:48,450 --> 00:11:46,180

symbolism and doctrine casting you know

289

00:11:51,480 --> 00:11:48,460

the lower material world as profane and

290

00:11:54,330 --> 00:11:51,490

that's all of the square right so it is

291

00:11:56,700 --> 00:11:54,340

interesting how when they say bloodline

292

00:12:00,060 --> 00:11:56,710

in the hidden hand it seems like it's

293

00:12:02,640 --> 00:12:00,070

being more utilized in a spiritual sense

294

00:12:04,080 --> 00:12:02,650

yeah and I guess before we get too much

295

00:12:05,400 --> 00:12:04,090

further into this I'll just talk a

296

00:12:07,590 --> 00:12:05,410

little bit about the hidden hand and

297

00:12:09,090 --> 00:12:07,600

what I kind of get from it sure you know

298

00:12:11,970 --> 00:12:09,100

there's definitely some times where I'm

299

00:12:14,040 --> 00:12:11,980

like okay this sounds very hokey to me

300

00:12:15,510 --> 00:12:14,050

you know the failed predictions of some

301

00:12:18,210 --> 00:12:15,520

ridiculous statements and stuff like

302

00:12:21,300 --> 00:12:18,220

that but right I guess to me the value

303

00:12:24,690 --> 00:12:21,310

in discussing it here is there is quite

304

00:12:26,940 --> 00:12:24,700

a bit that does align with what I've

305

00:12:29,400 --> 00:12:26,950

been through and so regardless if that

306

00:12:32,250 --> 00:12:29,410

is a hoax or not I think it still has

307

00:12:34,260 --> 00:12:32,260

value and it's similar to me in the vein

308

00:12:36,210 --> 00:12:34,270

of the protocols the elders of zion or

309

00:12:39,240 --> 00:12:36,220

the Albert Pike world war three letter

310

00:12:43,050 --> 00:12:39,250

you know are those hoaxes or not but

311

00:12:44,640 --> 00:12:43,060

there is some strange parallel to a lot

312

00:12:46,890 --> 00:12:44,650

of things going on when you read through

313

00:12:48,900 --> 00:12:46,900

those things especially the protocols of

314

00:12:50,220 --> 00:12:48,910

Zion when I read through that that was

315

00:12:52,530 --> 00:12:50,230

creepy man I don't have you ever read

316

00:12:54,870 --> 00:12:52,540

that whole thing not in its entirety

317

00:12:57,510 --> 00:12:54,880

I read enough quotes to see that

318

00:13:01,290 --> 00:12:57,520

disturbing eerie coincidence that you're

319

00:13:02,730 --> 00:13:01,300

talking about yeah so I chalk it up to

320

00:13:05,400 --> 00:13:02,740

being along the lines of that where

321

00:13:09,420 --> 00:13:05,410

there's definitely things note worthy of

322

00:13:12,270 --> 00:13:09,430

discussing but the actual source could

323

00:13:13,630 --> 00:13:12,280

be a hoax and probably is I don't know

324

00:13:16,450 --> 00:13:13,640

that's what I get from it but I don't

325

00:13:18,370 --> 00:13:16,460

what your take on it is I mean yeah I'm

326

00:13:21,040 --> 00:13:18,380

pretty much in agreement with you but

327

00:13:23,680 --> 00:13:21,050

it's those elements that do seem to have

328

00:13:25,450 --> 00:13:23,690

some merit that I wanted to dig into a

329

00:13:27,310 --> 00:13:25,460

little bit more but on the subject of or

330

00:13:29,350 --> 00:13:27,320

the possibility of them having a

331

00:13:30,910 --> 00:13:29,360

nonhuman source in there when you really

332

00:13:33,100 --> 00:13:30,920

get into the details of some of the work

333

00:13:35,410 --> 00:13:33,110

that you've done around the layers of

334

00:13:38,470 --> 00:13:35,420

symbolism and astrological meaning

335

00:13:40,600 --> 00:13:38,480

behind major seemingly orchestrated

336

00:13:42,760 --> 00:13:40,610

events like the JFK assassination or the

337

00:13:45,310 --> 00:13:42,770

Apollo missions you start to think that

338

00:13:47,500 --> 00:13:45,320

it's like two layered and too detailed

339

00:13:50,530 --> 00:13:47,510

for human hands almost it almost has to

340

00:13:52,420 --> 00:13:50,540

have some cosmic puppet master influence

341

00:13:54,520 --> 00:13:52,430

because some of these events unfold as

342

00:13:57,610 --> 00:13:54,530

if someone is painting a picture with

343

00:13:59,800 --> 00:13:57,620

reality and symbols I'm absolutely there

344

00:14:01,270 --> 00:13:59,810

with you once I started looking at all

345

00:14:04,020 --> 00:14:01,280

this stuff I'm just like there's no way

346

00:14:05,170 --> 00:14:04,030

that this could all be done by just

347

00:14:07,660 --> 00:14:05,180

humans

348

00:14:08,950 --> 00:14:07,670

you know just wanting power and stuff

349

00:14:11,310 --> 00:14:08,960

like that there's just way too much

350

00:14:12,520 --> 00:14:11,320

stuff going on and to me again it's this

351

00:14:16,690 --> 00:14:12,530

esoteric

352

00:14:20,050 --> 00:14:16,700

religion that binds them and to me

353

00:14:21,960 --> 00:14:20,060

there's something to be said that when

354

00:14:24,550 --> 00:14:21,970

you have a certain mindset or worldview

355

00:14:25,930 --> 00:14:24,560

you're sharing a similar consciousness

356

00:14:27,640 --> 00:14:25,940

you know what I mean there might be some

357

00:14:29,230 --> 00:14:27,650

things here and there that differ right

358

00:14:31,450 --> 00:14:29,240

you know I kind of look at it like my

359

00:14:33,400 --> 00:14:31,460

relationship to whatever you want to

360

00:14:34,720 --> 00:14:33,410

call it the true through world where

361

00:14:36,130 --> 00:14:34,730

it's like yeah there's a lot of things

362

00:14:38,590 --> 00:14:36,140

that go on in it that I'm not really a

363

00:14:40,480 --> 00:14:38,600

huge fan of but I'm still part of that

364

00:14:42,630 --> 00:14:40,490

general mass consciousness that

365

00:14:46,690 --> 00:14:42,640

something is wrong and we're not being

366

00:14:48,310 --> 00:14:46,700

told things that are true and I think

367

00:14:50,260 --> 00:14:48,320

that we all for the most part can kind

368

00:14:52,930 --> 00:14:50,270

of agree that what is manipulating these

369

00:14:54,460 --> 00:14:52,940

things is not very good although I have

370

00:14:56,350 --> 00:14:54,470

had some strange reactions that you call

371

00:14:57,820 --> 00:14:56,360

science series where people say that

372

00:15:00,430 --> 00:14:57,830

they think they actually agree with the

373

00:15:01,960 --> 00:15:00,440

elites base of my series so I've had so

374

00:15:03,580 --> 00:15:01,970

many different reactions it's really

375

00:15:04,690 --> 00:15:03,590

crazy it's interesting in hey that's

376

00:15:05,410 --> 00:15:04,700

that that was my whole point hey if

377

00:15:06,970 --> 00:15:05,420

that's what you want to think that's

378

00:15:08,170 --> 00:15:06,980

what you want to think you know I don't

379

00:15:10,120 --> 00:15:08,180

want to try to convince anybody of

380

00:15:12,430 --> 00:15:10,130

anything right you do a great job of

381

00:15:15,700 --> 00:15:12,440

trying to just be impartial and that's

382

00:15:18,340 --> 00:15:15,710

fairly unique in this realm and in terms

383

00:15:20,650 --> 00:15:18,350

of their motivations for what the elite

384

00:15:22,630 --> 00:15:20,660

do the hidden Han says a lot of things

385

00:15:25,570 --> 00:15:22,640

that sync up with some Gnostic

386

00:15:27,650 --> 00:15:25,580

perspectives for example he says Yahweh

387

00:15:30,350 --> 00:15:27,660

due to the fact that he had not had

388

00:15:33,140 --> 00:15:30,360

his own free will to know thyself to

389

00:15:35,540 --> 00:15:33,150

those incarnated upon his planet it was

390

00:15:38,780 --> 00:15:35,550

having very little evolutionary progress

391

00:15:40,820 --> 00:15:38,790

therein so we the Lucifer group were

392

00:15:43,520 --> 00:15:40,830

sent to help once the order was given

393

00:15:45,740 --> 00:15:43,530

from the Council of Elders we quote fell

394

00:15:48,140 --> 00:15:45,750

or descended back to a place where we

395

00:15:50,170 --> 00:15:48,150

could with hard work and focus once

396

00:15:51,920 --> 00:15:50,180

again materialized a third density

397

00:15:54,410 --> 00:15:51,930

manifestation of ourselves and the

398

00:15:56,510 --> 00:15:54,420

absence of free will upon the planet

399

00:15:59,150 --> 00:15:56,520

there could be no polarity and therefore

400

00:16:01,430 --> 00:15:59,160

nothing to choose between just as it is

401
00:16:03,230 --> 00:16:01,440
portrayed in the book of Genesis with

402
00:16:05,810 --> 00:16:03,240
the Garden of Eden sure it was a lovely

403
00:16:08,510 --> 00:16:05,820
paradise but these beans incarnate in

404
00:16:09,950 --> 00:16:08,520
there had no aggregator towards evolving

405
00:16:11,780 --> 00:16:09,960
beyond the third density and therefore

406
00:16:15,110 --> 00:16:11,790
little hope of ever making the journey

407
00:16:17,180 --> 00:16:15,120
home to the one Yahweh has been happy to

408
00:16:19,850 --> 00:16:17,190
keep his own little pet Eden project in

409
00:16:21,890 --> 00:16:19,860
effect but with little chance of the

410
00:16:23,960 --> 00:16:21,900
souls here making it home it had become

411
00:16:26,180 --> 00:16:23,970
in effect a prison I'll bite a very

412
00:16:28,850 --> 00:16:26,190
beautiful prison Yahweh was running a

413
00:16:30,590 --> 00:16:28,860

benign dictatorship and that's really

414

00:16:32,540 --> 00:16:30,600

interesting of course that's something I

415

00:16:33,760 --> 00:16:32,550

got from Gnosticism generally of course

416

00:16:35,300 --> 00:16:33,770

a lot of things are considered

417

00:16:37,520 --> 00:16:35,310

Gnosticism there's many different

418

00:16:39,080 --> 00:16:37,530

perspectives there but that one is kind

419

00:16:41,000 --> 00:16:39,090

of one of the core things that unites

420

00:16:43,430 --> 00:16:41,010

that corpus of material but what are

421

00:16:45,410 --> 00:16:43,440

your thoughts on this justification for

422

00:16:46,790 --> 00:16:45,420

the elites injection of negativity and

423

00:16:51,580 --> 00:16:46,800

struggle on the planet you think it

424

00:16:53,990 --> 00:16:51,590

holds me water well let's just say that

425

00:16:56,690 --> 00:16:54,000

I'm not a huge fan of that philosophy

426
00:17:00,320 --> 00:16:56,700
not just what you just stated there with

427
00:17:03,350 --> 00:17:00,330
the hidden hands perspective but it is

428
00:17:07,430 --> 00:17:03,360
very parallel to a lot of what Blavatsky

429
00:17:08,900 --> 00:17:07,440
talks about in specific ways so one

430
00:17:11,840 --> 00:17:08,910
figure I talk about a lot is prometheus

431
00:17:14,360 --> 00:17:11,850
and livanski has a lot to say on

432
00:17:16,220 --> 00:17:14,370
Prometheus and I've read through this

433
00:17:18,520 --> 00:17:16,230
chapter so much I can remember it I

434
00:17:21,410 --> 00:17:18,530
should tell people to go check out

435
00:17:26,030 --> 00:17:21,420
anthropogenic sis vol 2 pages 409

436
00:17:29,720 --> 00:17:26,040
through 422 and that is really kind of

437
00:17:32,480 --> 00:17:29,730
like the crux of a lot of the series and

438
00:17:35,180 --> 00:17:32,490

sort of what I'm applying to is the

439

00:17:36,710 --> 00:17:35,190

elites take on the figure of Prometheus

440

00:17:39,830 --> 00:17:36,720

and this is similar to what you just

441

00:17:44,799 --> 00:17:39,840

read from the hidden hand where

442

00:17:48,739 --> 00:17:44,809

it's this idea that humanity was in this

443

00:17:50,600 --> 00:17:48,749

basic state of ignorance and kind of

444

00:17:53,299 --> 00:17:50,610

like a blissful ignorance I guess right

445

00:17:56,299 --> 00:17:53,309

and the whole point of Prometheus

446

00:17:58,639 --> 00:17:56,309

stealing the creative fire from the

447

00:18:01,100 --> 00:17:58,649

Elohim or the gods or whatever or the

448

00:18:03,919 --> 00:18:01,110

Olympic Zeus the tyrant Zeus as she

449

00:18:06,680 --> 00:18:03,929

would call him and that's the Demiurge

450

00:18:09,019 --> 00:18:06,690

Zeus right that's the exoteric one so

451
00:18:12,440 --> 00:18:09,029
that's essentially you know the Yahweh

452
00:18:13,419 --> 00:18:12,450
or Jehovah figure and that giving this

453
00:18:16,159 --> 00:18:13,429
to man

454
00:18:20,210 --> 00:18:16,169
basically infused him with a divine

455
00:18:22,669 --> 00:18:20,220
intellect but he's in this profane body

456
00:18:25,879 --> 00:18:22,679
and so this is what causes all the

457
00:18:29,210 --> 00:18:25,889
suffering and this starts the cycle of

458
00:18:32,440 --> 00:18:29,220
necessity or karma or whatever and this

459
00:18:34,820 --> 00:18:32,450
is for the purpose of evolution and that

460
00:18:36,769 --> 00:18:34,830
talking about like the idea of Saturn

461
00:18:38,509 --> 00:18:36,779
where you know people will associate

462
00:18:41,539 --> 00:18:38,519
Saturn was sort of the Demiurge or

463
00:18:44,090 --> 00:18:41,549

whatever in the negative sense but in

464

00:18:47,930 --> 00:18:44,100

the esoteric sense Saturn is simply this

465

00:18:50,869 --> 00:18:47,940

equilibrate ER so the function the

466

00:18:53,450 --> 00:18:50,879

proper function of this you know kind of

467

00:18:55,940 --> 00:18:53,460

Demiurge figure that is blessing and

468

00:18:58,899 --> 00:18:55,950

cursing or whatever she basically talks

469

00:19:02,509 --> 00:18:58,909

about how the esoteric version of Shiva

470

00:19:05,570 --> 00:19:02,519

that is the primordial archetype of

471

00:19:07,519 --> 00:19:05,580

Jehovah and that the Bible kind of

472

00:19:09,169 --> 00:19:07,529

anthropomorphize that and bastardized it

473

00:19:12,820 --> 00:19:09,179

and just made it the highest guy where

474

00:19:15,409 --> 00:19:12,830

that was just this active male force and

475

00:19:18,320 --> 00:19:15,419

part of that is the creative force and

476

00:19:20,450 --> 00:19:18,330

how it manifests it basically breaks

477

00:19:23,359 --> 00:19:20,460

things down and rebirths them in a more

478

00:19:25,940 --> 00:19:23,369

spiritual form over time and that is

479

00:19:27,499 --> 00:19:25,950

part of this process of moving towards

480

00:19:29,239 --> 00:19:27,509

equilibrium everything needs to be

481

00:19:31,009 --> 00:19:29,249

equilibrated all these polarities need

482

00:19:34,340 --> 00:19:31,019

to be equilibrate it and then that is

483

00:19:36,830 --> 00:19:34,350

what is their essence of deity basically

484

00:19:39,080 --> 00:19:36,840

there is no good or evil no light or

485

00:19:42,470 --> 00:19:39,090

dark it's just this unity and that's

486

00:19:45,619 --> 00:19:42,480

their idea of God and so we are going

487

00:19:47,659 --> 00:19:45,629

through this cycle of ascending back up

488

00:19:51,320 --> 00:19:47,669

to that something along those lines and

489

00:19:52,789 --> 00:19:51,330

that that was the the function of Shiva

490

00:19:53,629 --> 00:19:52,799

and so that's pretty interesting how

491

00:19:55,669 --> 00:19:53,639

that's

492

00:19:57,859 --> 00:19:55,679

figure and CERN and I pretty much

493

00:20:00,769 --> 00:19:57,869

associate Shiva to the functions of

494

00:20:02,749 --> 00:20:00,779

Pluto and astrology kind of breaking

495

00:20:05,690 --> 00:20:02,759

down structures and rebirthing them and

496

00:20:09,079 --> 00:20:05,700

whatnot it's the the active force and

497

00:20:11,899 --> 00:20:09,089

that's kind of what she talks about in

498

00:20:13,190 --> 00:20:11,909

that chapter and then there's so much in

499

00:20:15,319 --> 00:20:13,200

that chapter I don't want to go off on

500

00:20:16,699 --> 00:20:15,329

some huge tangent on it but I definitely

501
00:20:18,589 --> 00:20:16,709
recommend some people if you're gonna

502
00:20:22,009 --> 00:20:18,599
get one of Lebowski's book

503
00:20:23,389 --> 00:20:22,019
I think anthropogenic aslam too is one

504
00:20:24,979 --> 00:20:23,399
of the better ones if you want to get

505
00:20:27,919 --> 00:20:24,989
into like a lot of the mythology and

506
00:20:30,979 --> 00:20:27,929
what that means in terms of their

507
00:20:34,839 --> 00:20:30,989
viewpoints on human consciousness right

508
00:20:38,229 --> 00:20:34,849
and yeah that Prometheus Lucifer

509
00:20:40,639 --> 00:20:38,239
archetype the great gift giver to man

510
00:20:43,129 --> 00:20:40,649
motif that is popular with these

511
00:20:44,749 --> 00:20:43,139
particular figures something else that's

512
00:20:46,789 --> 00:20:44,759
been coming up with the other guests

513
00:20:49,310 --> 00:20:46,799

recently is that when you look at some

514

00:20:51,739 --> 00:20:49,320

of the symbols that seemed to represent

515

00:20:54,379 --> 00:20:51,749

Lucifer Prometheus and you look deeper

516

00:20:57,379 --> 00:20:54,389

they actually seem to represent Mithras

517

00:20:59,569 --> 00:20:57,389

in in some weird way like the statue at

518

00:21:03,289 --> 00:20:59,579

Rockefeller Center would be one example

519

00:21:05,659 --> 00:21:03,299

and I'm curious if you kind of see that

520

00:21:07,069 --> 00:21:05,669

or if you see Mithras is representing

521

00:21:10,459 --> 00:21:07,079

something else and maybe this is the

522

00:21:12,560 --> 00:21:10,469

esoteric esoteric idea of you know what

523

00:21:14,239 --> 00:21:12,570

they're presenting publicly but do you

524

00:21:15,649 --> 00:21:14,249

see a different meaning to that stuff or

525

00:21:17,659 --> 00:21:15,659

do you see it alluding to Mithras

526
00:21:21,529 --> 00:21:17,669
somehow and that conveying a different

527
00:21:23,810 --> 00:21:21,539
meaning yeah Mithras is interesting

528
00:21:25,399 --> 00:21:23,820
because I have read some explanations on

529
00:21:27,529 --> 00:21:25,409
it I think from Manley Palmer Hall and I

530
00:21:29,989 --> 00:21:27,539
wasn't really fully satisfied with it so

531
00:21:32,989 --> 00:21:29,999
I kind of draw some of my own

532
00:21:34,699 --> 00:21:32,999
understanding but also Blavatsky talks

533
00:21:37,279 --> 00:21:34,709
about he's the ruler of the solar year

534
00:21:39,709 --> 00:21:37,289
and this is kind of what the occultists

535
00:21:43,430 --> 00:21:39,719
do they view everything as a whole or as

536
00:21:46,310 --> 00:21:43,440
one and so in a year you have spring

537
00:21:48,049 --> 00:21:46,320
summer fall winter and you know us

538
00:21:50,839 --> 00:21:48,059

profane people would think of them as

539

00:21:53,509 --> 00:21:50,849

separate or something like that and so

540

00:21:54,949 --> 00:21:53,519

this is kind of the idea of Osiris and

541

00:21:58,009 --> 00:21:54,959

set or something like that you know

542

00:21:59,959 --> 00:21:58,019

Osiris represents the spring and the

543

00:22:02,359 --> 00:21:59,969

summer and the productivity of this

544

00:22:05,149 --> 00:22:02,369

active male force and then set

545

00:22:07,249 --> 00:22:05,159

represents the dark half of it and

546

00:22:07,820 --> 00:22:07,259

murdering that and then that's basically

547

00:22:12,680 --> 00:22:07,830

the fall

548

00:22:14,930 --> 00:22:12,690

into generation or into darkness and

549

00:22:17,659 --> 00:22:14,940

then being reborn out of that that's

550

00:22:20,330 --> 00:22:17,669

sort of like this wisdom that is taught

551
00:22:21,080 --> 00:22:20,340
and so Mithras encompasses the solar

552
00:22:22,580 --> 00:22:21,090
year

553
00:22:25,669 --> 00:22:22,590
that's what Lubezki was talking about

554
00:22:27,230 --> 00:22:25,679
related to a Brack sis and all of this

555
00:22:30,110 --> 00:22:27,240
is unified through what they call the

556
00:22:31,310 --> 00:22:30,120
central or spiritual Sun and this is

557
00:22:33,860 --> 00:22:31,320
something that the hidden hand talked

558
00:22:36,110 --> 00:22:33,870
about the central Sun and that's the

559
00:22:39,440 --> 00:22:36,120
esoteric Sun so that's this androgynous

560
00:22:42,590 --> 00:22:39,450
pure spirit and then the exoteric is

561
00:22:45,379 --> 00:22:42,600
like the lower egoic you know Demiurge

562
00:22:48,850 --> 00:22:45,389
God who is in duality right mm-hmm

563
00:22:52,100 --> 00:22:48,860

the idea is that this split polarity of

564

00:22:55,549 --> 00:22:52,110

summer in winter or whatever it all came

565

00:22:58,940 --> 00:22:55,559

from the same unity and so our current

566

00:23:00,560 --> 00:22:58,950

world is is unequal abraded as she calls

567

00:23:03,259 --> 00:23:00,570

it and that is kind of the goal of the

568

00:23:04,820 --> 00:23:03,269

adepts through alchemy is you know the

569

00:23:07,940 --> 00:23:04,830

staff of Hermes with the Serpent's

570

00:23:09,409 --> 00:23:07,950

separate and then they synthesize again

571

00:23:11,659 --> 00:23:09,419

and separate and you keep doing that

572

00:23:14,330 --> 00:23:11,669

process all the way up to perfection or

573

00:23:16,370 --> 00:23:14,340

whatever and you you eyes this active

574

00:23:19,340 --> 00:23:16,380

force that's why that staff is phallic

575

00:23:21,710 --> 00:23:19,350

or whatever so this is the generative

576

00:23:24,500 --> 00:23:21,720

force that is the fire of Prometheus

577

00:23:27,680 --> 00:23:24,510

essentially and to me Mithras is kind of

578

00:23:30,080 --> 00:23:27,690

like encompassing both where it could be

579

00:23:33,590 --> 00:23:30,090

representing this spiritual solar Savior

580

00:23:35,570 --> 00:23:33,600

or Sun that slays the bull and if you

581

00:23:37,639 --> 00:23:35,580

want to utilize the bull as an allegory

582

00:23:39,769 --> 00:23:37,649

for like the lower nature of man or of

583

00:23:41,840 --> 00:23:39,779

the square the base desires and whatnot

584

00:23:43,370 --> 00:23:41,850

because those are generally negative

585

00:23:46,850 --> 00:23:43,380

characteristics of the sign of Taurus

586

00:23:49,210 --> 00:23:46,860

and so this is the idea that you're

587

00:23:52,129 --> 00:23:49,220

slaying your lower nature that's in

588

00:23:53,930 --> 00:23:52,139

duality and you're ascending to your

589

00:23:55,610 --> 00:23:53,940

higher nature that's like one of the

590

00:23:57,710 --> 00:23:55,620

meanings that I think can be derived

591

00:24:00,110 --> 00:23:57,720

from it and then there's like a little

592

00:24:02,480 --> 00:24:00,120

serpent coming out of the ground there's

593

00:24:03,529 --> 00:24:02,490

a scorpion like biting the testicles of

594

00:24:06,350 --> 00:24:03,539

the bull and stuff like that so that's

595

00:24:09,409 --> 00:24:06,360

like the fertility symbolism where they

596

00:24:11,899 --> 00:24:09,419

view sexual generation in terms of like

597

00:24:15,080 --> 00:24:11,909

the sex is separated right polarities as

598

00:24:18,860 --> 00:24:15,090

sort of of the lower nature so male and

599

00:24:21,650 --> 00:24:18,870

female separated is kind of like this

600

00:24:23,600 --> 00:24:21,660

bad thing and this

601
00:24:25,640 --> 00:24:23,610
what Scorpio is about its it's the sign

602
00:24:27,920 --> 00:24:25,650
of sexual generation so Scorpio is

603
00:24:30,170 --> 00:24:27,930
opposite Taurus on the zodiac and so

604
00:24:32,660 --> 00:24:30,180
they call this look at these polarities

605
00:24:34,730 --> 00:24:32,670
on the zodiac as being very

606
00:24:37,070 --> 00:24:34,740
intrinsically related to each other so

607
00:24:38,960 --> 00:24:37,080
to me Mithras slaying the bull is like

608
00:24:41,030 --> 00:24:38,970
the Sun either coming into the

609
00:24:43,430 --> 00:24:41,040
constellation of Scorpio or tourists

610
00:24:45,830 --> 00:24:43,440
because the opposite end of the zodiac

611
00:24:48,560 --> 00:24:45,840
they view as like the spiritual Sun so

612
00:24:50,900 --> 00:24:48,570
if the Sun is in Scorpio then the

613
00:24:52,490 --> 00:24:50,910

spiritual Sun or the heliocentric Sun

614

00:24:54,680 --> 00:24:52,500

this is what mainly Palmer Hall talked

615

00:24:56,870 --> 00:24:54,690

about a bit would be in Taurus so I

616

00:25:00,290 --> 00:24:56,880

think that they kind of they play with

617

00:25:03,740 --> 00:25:00,300

these polarities and Mithras seems to be

618

00:25:05,480 --> 00:25:03,750

a hieroglyph that kind of encompasses

619

00:25:08,060 --> 00:25:05,490

all of these motifs and whichever way

620

00:25:09,740 --> 00:25:08,070

you want to take it you know apply it to

621

00:25:11,720 --> 00:25:09,750

the situation that makes sense but

622

00:25:12,950 --> 00:25:11,730

that's kind of where I'm at with it and

623

00:25:14,660 --> 00:25:12,960

again I'm using some of my own

624

00:25:16,970 --> 00:25:14,670

understanding of it into that but that's

625

00:25:19,940 --> 00:25:16,980

where I'm at right on so I mean at least

626

00:25:22,480 --> 00:25:19,950

at least it seems like the archetypes of

627

00:25:25,700 --> 00:25:22,490

Lucifer Prometheus Mithras they are

628

00:25:29,090 --> 00:25:25,710

thematically aligned either way right

629

00:25:31,250 --> 00:25:29,100

it's teaching divine wisdom it's an

630

00:25:33,110 --> 00:25:31,260

initiation thing and it's just

631

00:25:35,660 --> 00:25:33,120

understanding the true nature of good

632

00:25:38,000 --> 00:25:35,670

and evil according to them right whereas

633

00:25:40,400 --> 00:25:38,010

it doesn't really exist it's polarity

634

00:25:43,220 --> 00:25:40,410

split in this world and in the higher

635

00:25:45,260 --> 00:25:43,230

heavenly realms that's the pure spirit

636

00:25:47,570 --> 00:25:45,270

of Lucifer it's an androgynous essence

637

00:25:49,730 --> 00:25:47,580

that you know it transcends the material

638

00:25:51,350 --> 00:25:49,740

world right and that was gonna be

639

00:25:53,530 --> 00:25:51,360

another one of the things I was gonna

640

00:25:56,210 --> 00:25:53,540

ask you about because another

641

00:25:57,890 --> 00:25:56,220

foundational element to your research

642

00:26:00,650 --> 00:25:57,900

and the hidden ham material is the

643

00:26:04,250 --> 00:26:00,660

classic knowledge of good and evil tree

644

00:26:05,870 --> 00:26:04,260

of life story and of course then you

645

00:26:07,670 --> 00:26:05,880

have the perspective of what that means

646

00:26:10,250 --> 00:26:07,680

to the occultists what do you think is

647

00:26:12,080 --> 00:26:10,260

important to understand about this at

648

00:26:16,460 --> 00:26:12,090

the deeper levels that particular story

649

00:26:19,760 --> 00:26:16,470

and their esoteric meaning of it sure

650

00:26:22,460 --> 00:26:19,770

well the knowledge of good and evil I

651
00:26:26,090 --> 00:26:22,470
kind of focused on this a bit in the

652
00:26:28,370 --> 00:26:26,100
latter part of the series and in terms

653
00:26:31,760 --> 00:26:28,380
of the hidden hand it was pretty much

654
00:26:33,610 --> 00:26:31,770
directly in line with the philosophy

655
00:26:35,419 --> 00:26:33,620
so the hidden ham was talking about how

656
00:26:39,919 --> 00:26:35,429
you know the knowledge of good and evil

657
00:26:42,919 --> 00:26:39,929
is just knowledge of polarities and that

658
00:26:45,620 --> 00:26:42,929
is the knowledge that was given to

659
00:26:47,960 --> 00:26:45,630
mankind now what the hidden hand doesn't

660
00:26:49,640 --> 00:26:47,970
tell you that Blavatsky will talk about

661
00:26:52,549 --> 00:26:49,650
is that

662
00:26:55,700 --> 00:26:52,559
again this is just the true nature of

663
00:26:57,740 --> 00:26:55,710

good and evil and I did a bunch of

664

00:27:00,830 --> 00:26:57,750

videos on like the Garden of Eden and

665

00:27:03,740 --> 00:27:00,840

what livanski says that that originated

666

00:27:05,990 --> 00:27:03,750

from and I think she mentioned like

667

00:27:09,100 --> 00:27:06,000

twelve different things that it could

668

00:27:12,289 --> 00:27:09,110

mean and it got a little ridiculous but

669

00:27:15,260 --> 00:27:12,299

basically the story of the Garden of

670

00:27:19,029 --> 00:27:15,270

Eden according to Blavatsky the coats of

671

00:27:22,370 --> 00:27:19,039

skin that Adam and Eve are clothed with

672

00:27:23,930 --> 00:27:22,380

she says comes from some initiation

673

00:27:25,639 --> 00:27:23,940

ritual where if you understand the

674

00:27:27,320 --> 00:27:25,649

knowledge of good and evil you've got

675

00:27:29,539 --> 00:27:27,330

these skins when you're initiated into

676

00:27:33,260 --> 00:27:29,549

these societies so they're saying that

677

00:27:35,899 --> 00:27:33,270

that understanding got mixed in to the

678

00:27:37,669 --> 00:27:35,909

hebrew genesis which she says all this

679

00:27:39,830 --> 00:27:37,679

stuff comes from eastern religion and so

680

00:27:42,080 --> 00:27:39,840

all the knowledge of good and evil as

681

00:27:42,889 --> 00:27:42,090

they view it just comes from the eastern

682

00:27:46,760 --> 00:27:42,899

traditions

683

00:27:47,600 --> 00:27:46,770

now again I haven't read the Vedas and

684

00:27:49,340 --> 00:27:47,610

stuff like that

685

00:27:51,470 --> 00:27:49,350

so I don't know what they actually say

686

00:27:52,970 --> 00:27:51,480

because when Blavatsky goes through and

687

00:27:55,190 --> 00:27:52,980

says oh this passage in the Bible means

688

00:27:56,899 --> 00:27:55,200

this and that esoterically I've read

689

00:27:58,279 --> 00:27:56,909

enough for the Bible to be like you know

690

00:27:59,389 --> 00:27:58,289

sometimes that makes sense to me and

691

00:28:00,620 --> 00:27:59,399

sometimes I'm like I don't know where

692

00:28:01,700 --> 00:28:00,630

the hell she's getting that from it

693

00:28:02,899 --> 00:28:01,710

seems like they're just kind of pulling

694

00:28:05,090 --> 00:28:02,909

something out of their ass to make it

695

00:28:06,740 --> 00:28:05,100

fit so I don't know if they do that with

696

00:28:07,940 --> 00:28:06,750

the Eastern traditions too so I'm not

697

00:28:09,830 --> 00:28:07,950

saying that this is what the Eastern

698

00:28:11,990 --> 00:28:09,840

traditions teach but this is kind of

699

00:28:14,049 --> 00:28:12,000

what they say it teaches or they say

700

00:28:19,120 --> 00:28:14,059

it's the esoteric meaning of it so

701

00:28:20,750 --> 00:28:19,130

essentially that's like the primordial

702

00:28:22,669 --> 00:28:20,760

spirituality according to these

703

00:28:25,519 --> 00:28:22,679

occultists that it all comes from there

704

00:28:28,220 --> 00:28:25,529

and that if you understand that nature

705

00:28:29,720 --> 00:28:28,230

of good and evil that essentially is

706

00:28:32,360 --> 00:28:29,730

this knowledge of good and evil and that

707

00:28:34,789 --> 00:28:32,370

there is still wisdom and the split

708

00:28:37,100 --> 00:28:34,799

duality of it and that's the point of

709

00:28:39,710 --> 00:28:37,110

the Old Testament God and their

710

00:28:41,029 --> 00:28:39,720

viewpoint you know Jehovah blessing and

711

00:28:43,820 --> 00:28:41,039

cursing and being what they call

712

00:28:45,500 --> 00:28:43,830

bi-polar you know oh I'm angry at Israel

713

00:28:46,399 --> 00:28:45,510

I'm going to punish them oh now I bless

714

00:28:48,440 --> 00:28:46,409

them that kind of thing

715

00:28:50,630 --> 00:28:48,450

they say there's still wisdom in that

716

00:28:54,590 --> 00:28:50,640

but you need the esoteric books of the

717

00:28:56,350 --> 00:28:54,600

Kabbalah you know Sepher Yetzirah and i

718

00:29:00,850 --> 00:28:56,360

forget the other one

719

00:29:03,760 --> 00:29:00,860

you need those to unlock the Bible in

720

00:29:05,680 --> 00:29:03,770

its sixty-six books so that's what gives

721

00:29:08,289 --> 00:29:05,690

you the true understanding of the nature

722

00:29:11,980 --> 00:29:08,299

of good and evil so it's just what the

723

00:29:14,710 --> 00:29:11,990

adepts know as esoteric wisdom and that

724

00:29:17,799 --> 00:29:14,720

the profane people think that evil is

725

00:29:19,780 --> 00:29:17,809

some separate entity and you know the

726

00:29:20,440 --> 00:29:19,790

anthropomorphize devil that's like the

727

00:29:22,780 --> 00:29:20,450

enemy

728

00:29:24,549 --> 00:29:22,790

if you anthropomorphize God or the devil

729

00:29:28,090 --> 00:29:24,559

and you think it's something external

730

00:29:30,520 --> 00:29:28,100

than you that is essentially what they

731

00:29:32,230 --> 00:29:30,530

view is a profane and flawed philosophy

732

00:29:33,909 --> 00:29:32,240

and they think that that's part of all

733

00:29:36,669 --> 00:29:33,919

the problems of the world is that people

734

00:29:39,789 --> 00:29:36,679

don't understand these esoteric concepts

735

00:29:42,280 --> 00:29:39,799

and so you know if we're gonna worship

736

00:29:44,950 --> 00:29:42,290

dualistic gods then that is gonna be our

737

00:29:46,840 --> 00:29:44,960

own dualistic consciousness coming out

738

00:29:50,200 --> 00:29:46,850

and you know there is something to that

739

00:29:53,440 --> 00:29:50,210

but I think that there is other things

740

00:29:56,710 --> 00:29:53,450

that go along with that they kind of

741

00:29:58,659 --> 00:29:56,720

help that crazy come into the world if

742

00:30:01,690 --> 00:29:58,669

you know what I mean mm-hm

743

00:30:03,280 --> 00:30:01,700

yeah man and I wanted to of course ask

744

00:30:04,930 --> 00:30:03,290

you a little bit about Lucifer and then

745

00:30:06,789 --> 00:30:04,940

talk about that knowledge of good and

746

00:30:09,820 --> 00:30:06,799

evil story and how to interpret it

747

00:30:12,130 --> 00:30:09,830

because in the big picture it is hard to

748

00:30:14,530 --> 00:30:12,140

know if we live in the playpen of a

749

00:30:17,760 --> 00:30:14,540

tyrant or if this has just been hijacked

750

00:30:20,919 --> 00:30:17,770

by arrogant under minors of some kind of

751

00:30:23,200 --> 00:30:20,929

Yahweh entity or both but one parallel

752

00:30:25,480 --> 00:30:23,210

that you did draw to what's actually

753

00:30:27,760 --> 00:30:25,490

going on in the world is the CRISPR gene

754

00:30:29,380 --> 00:30:27,770

manipulation technology and how it's

755

00:30:31,120 --> 00:30:29,390

being peddled as something that might be

756

00:30:33,460 --> 00:30:31,130

the answer to all our medical prayers in

757

00:30:35,380 --> 00:30:33,470

fact you're also here in the philosophy

758

00:30:37,960 --> 00:30:35,390

being promoted that once the gene

759

00:30:41,200 --> 00:30:37,970

altering technology is perfected it

760

00:30:43,600 --> 00:30:41,210

would actually be a moral obligation to

761

00:30:46,240 --> 00:30:43,610

alter or you know quote perfects the

762

00:30:49,210 --> 00:30:46,250

genes of all the unborn or we'd be doing

763

00:30:51,690 --> 00:30:49,220

them a disservice and that is a creepy

764

00:30:53,919 --> 00:30:51,700

philosophy to be promoting and

765

00:30:56,680 --> 00:30:53,929

mythologically speaking it's effectively

766

00:30:58,750 --> 00:30:56,690

the same catalyst for casting down the

767

00:31:01,090 --> 00:30:58,760

Fallen Angels messing with the genes of

768

00:31:02,710 --> 00:31:01,100

man through either sex or science but

769

00:31:04,900 --> 00:31:02,720

you know what does it matter which

770

00:31:06,310 --> 00:31:04,910

method that is kind of what they did but

771

00:31:08,180 --> 00:31:06,320

I found that to be a pretty interesting

772

00:31:12,680 --> 00:31:08,190

parallel man

773

00:31:15,170 --> 00:31:12,690

yeah well to kind of set the stage for

774

00:31:17,720 --> 00:31:15,180

that the lucious trust website talks

775

00:31:20,420 --> 00:31:17,730

about the sons of God which is basically

776

00:31:24,350 --> 00:31:20,430

the Genesis six sons of God which in the

777

00:31:27,770 --> 00:31:24,360

Orthodox are very naughty these are the

778

00:31:30,040 --> 00:31:27,780

watcher angels and Enoch those are the

779

00:31:32,780 --> 00:31:30,050

good guys in esoteric philosophy and

780

00:31:34,460 --> 00:31:32,790

those are the ones that give us this

781

00:31:36,890 --> 00:31:34,470

divine wisdom or this knowledge of

782

00:31:39,050 --> 00:31:36,900

polarities and this leads to technology

783

00:31:42,290 --> 00:31:39,060

so there is a technological component to

784

00:31:45,290 --> 00:31:42,300

this and so what you were talking about

785

00:31:47,810 --> 00:31:45,300

before with like the CRISPR stuff it is

786

00:31:50,270 --> 00:31:47,820

weird how they said that this could lead

787

00:31:54,140 --> 00:31:50,280

to moral issues where it would be

788

00:31:56,630 --> 00:31:54,150

inhumane not to modify human beings or

789

00:31:58,760 --> 00:31:56,640

even animals and this is interesting

790

00:32:02,180 --> 00:31:58,770

because in the Orthodox side of the

791

00:32:04,490 --> 00:32:02,190

story the watcher angels were messing

792

00:32:07,850 --> 00:32:04,500

with human genetics however you said

793

00:32:09,800 --> 00:32:07,860

either by physically attaching

794

00:32:13,370 --> 00:32:09,810

themselves I guess through sexual

795

00:32:15,830 --> 00:32:13,380

intercourse or something else now again

796

00:32:17,420 --> 00:32:15,840

this is a mythology so I like to be a

797

00:32:19,490 --> 00:32:17,430

little bit more liberal about the

798

00:32:22,010 --> 00:32:19,500

Orthodox side and and view it like the

799

00:32:25,040 --> 00:32:22,020

occultists do where it's an allegory for

800

00:32:27,320 --> 00:32:25,050

human consciousness because sometimes I

801
00:32:29,600 --> 00:32:27,330
think a lot of the literalism is the

802
00:32:31,130 --> 00:32:29,610
weapon to take us away from I think

803
00:32:33,410 --> 00:32:31,140
things that have value at least in the

804
00:32:36,710 --> 00:32:33,420
Orthodox viewpoint but if you view them

805
00:32:39,020 --> 00:32:36,720
like the occult is do as more mows of

806
00:32:41,570 --> 00:32:39,030
our human experience I think that some

807
00:32:43,670 --> 00:32:41,580
very interesting things come up so back

808
00:32:46,820 --> 00:32:43,680
to what you were saying this is kind of

809
00:32:49,490 --> 00:32:46,830
the crux of transhumanism and the idea

810
00:32:51,280 --> 00:32:49,500
of avatars and how that relates to a lot

811
00:32:55,120 --> 00:32:51,290
of the stuff that I went over in

812
00:32:58,760 --> 00:32:55,130
Lebowski's philosophy and how

813
00:33:00,950 --> 00:32:58,770

essentially these sons of God or the

814

00:33:04,130 --> 00:33:00,960

kumaras of Shiva you know they're

815

00:33:06,140 --> 00:33:04,140

helping evolve mankind and that is the

816

00:33:07,790 --> 00:33:06,150

crux of all of this transhumanist stuff

817

00:33:09,890 --> 00:33:07,800

oh it's all evolution we're just

818

00:33:11,450 --> 00:33:09,900

evolving and then the interesting thing

819

00:33:13,690 --> 00:33:11,460

is this is evolving beyond all the

820

00:33:16,520 --> 00:33:13,700

polarities right male-female any

821

00:33:19,460 --> 00:33:16,530

division of race or nation or things

822

00:33:21,680 --> 00:33:19,470

like that it's kind of like being all

823

00:33:26,600 --> 00:33:21,690

unified into one and you can

824

00:33:31,249 --> 00:33:26,610

this Android right androgynous created

825

00:33:33,529 --> 00:33:31,259

body and this consciousness can be and

826

00:33:35,779 --> 00:33:33,539

dwelling in it and that's part of the

827

00:33:38,450 --> 00:33:35,789

goal it seems in a lot of the literature

828

00:33:40,519 --> 00:33:38,460

that I went through not really

829

00:33:42,649 --> 00:33:40,529

outwardly they don't ever say like we

830

00:33:44,509 --> 00:33:42,659

are going to make a human body out of

831

00:33:47,029 --> 00:33:44,519

technology and blend spirit with matter

832

00:33:50,690 --> 00:33:47,039

they don't say that but the philosophy

833

00:33:53,419 --> 00:33:50,700

is there to support that and so yeah all

834

00:33:55,340 --> 00:33:53,429

that stuff you know it is weird to me

835

00:33:58,159 --> 00:33:55,350

and I don't know how much of that is

836

00:34:00,980 --> 00:33:58,169

just reality and they can actually do

837

00:34:02,840 --> 00:34:00,990

these things or they just maybe they're

838

00:34:05,389 --> 00:34:02,850

being all new-agey about it know if we

839

00:34:06,740 --> 00:34:05,399

just imagine these things they'll happen

840

00:34:09,079 --> 00:34:06,750

and they think that they can create

841

00:34:10,339 --> 00:34:09,089

their own reality but maybe they can't

842

00:34:11,990 --> 00:34:10,349

to a certain degree I don't know there's

843

00:34:14,569 --> 00:34:12,000

a lot of stuff that goes with that it's

844

00:34:16,909 --> 00:34:14,579

very strange as to what their actual

845

00:34:18,530 --> 00:34:16,919

level of technology is with all of this

846

00:34:20,059 --> 00:34:18,540

stuff but they seem to have very high

847

00:34:22,270 --> 00:34:20,069

hopes and aspirations for it if you

848

00:34:26,569 --> 00:34:22,280

watch any of the transhumanist stuff

849

00:34:29,000 --> 00:34:26,579

right and it is just eerie how overall a

850

00:34:32,480 --> 00:34:29,010

lot of mythology and religion describes

851
00:34:35,389 --> 00:34:32,490
that cycle of man claws up only to be

852
00:34:36,950 --> 00:34:35,399
stricken back down and at the same time

853
00:34:40,569 --> 00:34:36,960
a lot of people have the feeling that

854
00:34:43,339 --> 00:34:40,579
things are sort of coming to a head

855
00:34:45,800 --> 00:34:43,349
technologically economically politically

856
00:34:49,520 --> 00:34:45,810
and it does make one wonder if we're

857
00:34:51,440 --> 00:34:49,530
nearing some reset of the cycle well we

858
00:34:53,020 --> 00:34:51,450
could get into the root race cycles if

859
00:34:54,770 --> 00:34:53,030
you want cuz that's a good segue

860
00:34:59,180 --> 00:34:54,780
absolutely let's do it

861
00:35:01,760 --> 00:34:59,190
sure this is something that I had heard

862
00:35:03,140 --> 00:35:01,770
about you know with both ASCII root race

863
00:35:04,700 --> 00:35:03,150

cycles it's just something I kind of

864

00:35:07,040 --> 00:35:04,710

knew about in passing but once I started

865

00:35:09,140 --> 00:35:07,050

reading about it I think there's some

866

00:35:10,790 --> 00:35:09,150

very revealing things in it and this

867

00:35:13,819 --> 00:35:10,800

does relate to the hidden hand in terms

868

00:35:16,359 --> 00:35:13,829

of you know that guys or girl I don't

869

00:35:19,010 --> 00:35:16,369

know it's calm a guy but his self

870

00:35:21,319 --> 00:35:19,020

proclamation that they've been steering

871

00:35:24,410 --> 00:35:21,329

humanity through evolutionary cycles

872

00:35:27,170 --> 00:35:24,420

over millennia right this would relate

873

00:35:29,690 --> 00:35:27,180

to Blavatsky's concept of root race

874

00:35:32,750 --> 00:35:29,700

cycles and I just encourage anyone out

875

00:35:34,640 --> 00:35:32,760

there to just google Blavatsky root race

876

00:35:35,670 --> 00:35:34,650

cycle and look up images and they'll

877

00:35:37,349 --> 00:35:35,680

show you the diagram

878

00:35:39,120 --> 00:35:37,359

and what I'm explaining now you'll be

879

00:35:42,569 --> 00:35:39,130

able to see a visual representation of

880

00:35:45,660 --> 00:35:42,579

it but this has very profound parallels

881

00:35:48,270 --> 00:35:45,670

to cosmology it starts with a single

882

00:35:51,930 --> 00:35:48,280

point that's like the creation of the

883

00:35:56,130 --> 00:35:51,940

primordial man as they call it and this

884

00:35:59,099 --> 00:35:56,140

is an androgynous spiritual man that is

885

00:36:02,430 --> 00:35:59,109

the Adam Kadmon as they call it and what

886

00:36:03,630 --> 00:36:02,440

happens is this idea of this cosmic egg

887

00:36:06,270 --> 00:36:03,640

we talked about this a little bit last

888

00:36:08,670 --> 00:36:06,280

time with a Big Bang Theory and George

889

00:36:10,559 --> 00:36:08,680

LeMay is theory of the cosmic egg and

890

00:36:13,829 --> 00:36:10,569

primordial matter now this is directly

891

00:36:18,420 --> 00:36:13,839

tied to Kabbalistic doctrine and it's

892

00:36:22,319 --> 00:36:18,430

this idea that Brahma is not the highest

893

00:36:26,250 --> 00:36:22,329

God but is the original prototype of I

894

00:36:28,890 --> 00:36:26,260

guess what Jehovah should be to the

895

00:36:30,480 --> 00:36:28,900

occultists whereas the Orthodox

896

00:36:34,740 --> 00:36:30,490

viewpoint of Jehovah is just a

897

00:36:37,200 --> 00:36:34,750

bastardization of this father God now

898

00:36:39,180 --> 00:36:37,210

this is what creates but it's not the

899

00:36:43,260 --> 00:36:39,190

highest God the highest God is just as

900

00:36:45,210 --> 00:36:43,270

essence it's like I 9 so at the top of

901
00:36:48,870 --> 00:36:45,220
the Tree of Life it's outside of the

902
00:36:51,420 --> 00:36:48,880
creation and some ray from this essence

903
00:36:54,329 --> 00:36:51,430
it's kind of abstract like hops into

904
00:36:57,960 --> 00:36:54,339
this cosmic egg and bursts it and that

905
00:37:00,180 --> 00:36:57,970
is this single point of light in which

906
00:37:01,710 --> 00:37:00,190
the infinite deity manifested and it's

907
00:37:03,660 --> 00:37:01,720
kind of like the idea of the infinite

908
00:37:06,390 --> 00:37:03,670
expanding universe right and everything

909
00:37:09,839 --> 00:37:06,400
was condensed in a single point and then

910
00:37:11,640 --> 00:37:09,849
let there be light right and so it's

911
00:37:13,740 --> 00:37:11,650
very parallel with a Big Bang now some

912
00:37:16,230 --> 00:37:13,750
people have talked about the Big Bang is

913
00:37:17,760 --> 00:37:16,240

it wasn't a single point but a lot of

914

00:37:19,530 --> 00:37:17,770

the theory as far as I've read does

915

00:37:21,750 --> 00:37:19,540

suggest a single point so there is some

916

00:37:23,250 --> 00:37:21,760

debate on this but there's enough of it

917

00:37:25,020 --> 00:37:23,260

that is out there in the mainstream that

918

00:37:28,770 --> 00:37:25,030

very much parallels this cabbalistic

919

00:37:33,420 --> 00:37:28,780

story of creation and so basically at

920

00:37:35,250 --> 00:37:33,430

the single point humanity is spiritual

921

00:37:37,740 --> 00:37:35,260

the creation is spiritual and it

922

00:37:40,740 --> 00:37:37,750

descends down this arc and goes down

923

00:37:44,010 --> 00:37:40,750

into more material nature and Blavatsky

924

00:37:46,890 --> 00:37:44,020

puts a point blank that there theosophy

925

00:37:49,230 --> 00:37:46,900

their viewpoint is panspermia meaning

926

00:37:51,990 --> 00:37:49,240

life on Earth evolved from

927

00:37:55,440 --> 00:37:52,000

whatever star stuff you know like we're

928

00:37:56,940 --> 00:37:55,450

told in science right and so it starts

929

00:37:59,670 --> 00:37:56,950

out as this androgynous spiritual

930

00:38:02,819 --> 00:37:59,680

essence and then in Genesis she says

931

00:38:06,359 --> 00:38:02,829

that in the Kabbalah of Genesis this

932

00:38:09,210 --> 00:38:06,369

evolution is taught and it's Darwinian

933

00:38:11,640 --> 00:38:09,220

in the sense that it's this natural

934

00:38:13,829 --> 00:38:11,650

selection but she's saying that the

935

00:38:15,839 --> 00:38:13,839

materialism of Darwin has it wrong and

936

00:38:18,599 --> 00:38:15,849

that's where the profane have it wrong

937

00:38:20,790 --> 00:38:18,609

where man didn't come from apes and

938

00:38:23,069 --> 00:38:20,800

that's where it started this spiritual

939

00:38:24,780 --> 00:38:23,079

essence came down and evolved through

940

00:38:27,000 --> 00:38:24,790

all of these different cycles from you

941

00:38:30,690 --> 00:38:27,010

know dust and stones and plants and

942

00:38:33,420 --> 00:38:30,700

trees and to animals and it's split the

943

00:38:34,890 --> 00:38:33,430

sexes into sexual reproduction and

944

00:38:37,859 --> 00:38:34,900

that's the animal nature that's the

945

00:38:39,900 --> 00:38:37,869

lower nature and then from the lowest

946

00:38:40,530 --> 00:38:39,910

point of this gross materialism she

947

00:38:43,440 --> 00:38:40,540

calls it

948

00:38:45,450 --> 00:38:43,450

that's when man starts evolving back up

949

00:38:47,549 --> 00:38:45,460

so that's kind of where the darwin picks

950

00:38:49,859 --> 00:38:47,559

up and she's saying he misses the

951

00:38:51,780 --> 00:38:49,869

spiritual component of it or at least

952

00:38:53,190 --> 00:38:51,790

people who are the materialists of that

953

00:38:54,930 --> 00:38:53,200

view point missed the spiritual

954

00:38:57,240 --> 00:38:54,940

component now whatever Darwin thought

955

00:39:00,059 --> 00:38:57,250

about all this if he was into this

956

00:39:02,280 --> 00:39:00,069

esoteric stuff or not I don't know but

957

00:39:04,799 --> 00:39:02,290

yeah this root ray cycle goes down and

958

00:39:07,260 --> 00:39:04,809

then comes up and apparently at this

959

00:39:10,079 --> 00:39:07,270

point at least in her writings which are

960

00:39:13,440 --> 00:39:10,089

supposedly in the 1800's late 1800s

961

00:39:16,650 --> 00:39:13,450

we're sort of approaching this six route

962

00:39:19,020 --> 00:39:16,660

race which is kind of a big deal because

963

00:39:21,680 --> 00:39:19,030

this goes above the original point of

964

00:39:24,000 --> 00:39:21,690

creation on this route race cycle and

965

00:39:26,910 --> 00:39:24,010

fast forward to a couple hundred years

966

00:39:28,920 --> 00:39:26,920

if we're approaching this then this

967

00:39:32,789 --> 00:39:28,930

would be like a really important time

968

00:39:36,120 --> 00:39:32,799

for occultists and she says that the

969

00:39:37,589 --> 00:39:36,130

initiate the adepts they only have the

970

00:39:41,370 --> 00:39:37,599

knowledge of these root race cycles it's

971

00:39:44,339 --> 00:39:41,380

not for the profane and so they're

972

00:39:46,200 --> 00:39:44,349

guiding humanity through this with all

973

00:39:48,450 --> 00:39:46,210

of this you know secret wisdom behind

974

00:39:50,039 --> 00:39:48,460

the scenes at least according to her and

975

00:39:52,380 --> 00:39:50,049

it seems pretty in line with the hidden

976
00:39:53,730 --> 00:39:52,390
hand and so this is why I think it's so

977
00:39:55,170 --> 00:39:53,740
strange a lot of this stuff is coming

978
00:39:56,849 --> 00:39:55,180
mainstream especially with this

979
00:39:58,559 --> 00:39:56,859
transhumanist stuff they're always

980
00:40:01,050 --> 00:39:58,569
talking old humanity is going to a new

981
00:40:02,670 --> 00:40:01,060
era you know we could go to an old [h__\h]

982
00:40:04,830 --> 00:40:02,680
right and I know you've been talking a

983
00:40:07,110 --> 00:40:04,840
lot about the dark ages and if that was

984
00:40:09,540 --> 00:40:07,120
even real or not right with the Fomenko

985
00:40:11,040 --> 00:40:09,550
stuff but they always use that thousand

986
00:40:13,860 --> 00:40:11,050
years of darkness this we can't go back

987
00:40:17,040 --> 00:40:13,870
to that and now we got to evolve and so

988
00:40:19,440 --> 00:40:17,050

if in their mind we're coming back from

989

00:40:21,330 --> 00:40:19,450

the separation of sexes you know male

990

00:40:23,340 --> 00:40:21,340

and female I'm a man I have to have a

991

00:40:26,490 --> 00:40:23,350

woman to have sex with the reproduce

992

00:40:28,890 --> 00:40:26,500

that's of the lower animal nature and so

993

00:40:31,230 --> 00:40:28,900

as you move up you go to bisexuality and

994

00:40:33,690 --> 00:40:31,240

then you go to androgen E and so this

995

00:40:36,090 --> 00:40:33,700

seems to be very relevant to a lot of

996

00:40:37,380 --> 00:40:36,100

the transgender stuff going on and I

997

00:40:40,080 --> 00:40:37,390

know that's a sensitive topic but I

998

00:40:42,060 --> 00:40:40,090

point out that a lot of this activism

999

00:40:45,480 --> 00:40:42,070

surrounding it seems to be this esoteric

1000

00:40:48,930 --> 00:40:45,490

allegory for the concept of the spirit

1001
00:40:50,670 --> 00:40:48,940
of Lucifer this androgynous essence now

1002
00:40:52,260 --> 00:40:50,680
I don't care what anybody wants to do

1003
00:40:54,270 --> 00:40:52,270
with their lifestyle or whatever but if

1004
00:40:56,280 --> 00:40:54,280
you're being used an alternative agenda

1005
00:40:58,050 --> 00:40:56,290
I think maybe you'd want to know about

1006
00:40:59,040 --> 00:40:58,060
that so that's why I'm questioning

1007
00:41:01,680 --> 00:40:59,050
what's going on with a lot of this

1008
00:41:04,350 --> 00:41:01,690
activism around it but that's the crux

1009
00:41:07,650 --> 00:41:04,360
of the root race cycle and they always

1010
00:41:10,290 --> 00:41:07,660
talk about how an old cycle needs to die

1011
00:41:12,930 --> 00:41:10,300
and that people who are stuck in that

1012
00:41:15,150 --> 00:41:12,940
way are going to fight and resist it and

1013
00:41:17,460 --> 00:41:15,160

so this is very interesting because a

1014

00:41:20,640 --> 00:41:17,470

lot of that is going on with this idea

1015

00:41:22,770 --> 00:41:20,650

of the mass immigration and you know all

1016

00:41:24,060 --> 00:41:22,780

the stuff with Rexha and all that well

1017

00:41:25,830 --> 00:41:24,070

you know whatever your opinion on that

1018

00:41:27,510 --> 00:41:25,840

I'm not trying to debate this but I'm

1019

00:41:30,510 --> 00:41:27,520

just saying that that is a theme that's

1020

00:41:32,550 --> 00:41:30,520

going on and I wonder if this decline of

1021

00:41:35,190 --> 00:41:32,560

the West or this killing of Western

1022

00:41:37,620 --> 00:41:35,200

civilization as part of their concept of

1023

00:41:38,730 --> 00:41:37,630

this root race cycle and it has to fall

1024

00:41:40,470 --> 00:41:38,740

or something like that because that

1025

00:41:43,260 --> 00:41:40,480

seems to be very relevant to a lot of

1026
00:41:45,660 --> 00:41:43,270
things going on mm-hmm yeah it gets a

1027
00:41:47,910 --> 00:41:45,670
little confusing but it is really

1028
00:41:50,820 --> 00:41:47,920
fascinating and it is pretty deep she

1029
00:41:52,890 --> 00:41:50,830
gives pretty provocative names to these

1030
00:41:55,440 --> 00:41:52,900
various root races mean she calls the

1031
00:41:57,750 --> 00:41:55,450
second one Hyperborean the third one Lou

1032
00:42:00,690 --> 00:41:57,760
Marian the fourth one atlantean the

1033
00:42:02,940 --> 00:42:00,700
fifth one Arian and you know there's a

1034
00:42:04,860 --> 00:42:02,950
lot of people who try to look back into

1035
00:42:07,200 --> 00:42:04,870
antiquity and they consider these to be

1036
00:42:10,769 --> 00:42:07,210
almost prior civilizations Atlantis

1037
00:42:12,989 --> 00:42:10,779
Sumeria hyperborea and perhaps they were

1038
00:42:16,049 --> 00:42:12,999

that is one thing that she doesn't seem

1039

00:42:18,839 --> 00:42:16,059

to allegorize she seems to indicate that

1040

00:42:21,120 --> 00:42:18,849

you know Atlantis was this real thing

1041

00:42:22,019 --> 00:42:21,130

now there's a lot of reading in those

1042

00:42:24,659 --> 00:42:22,029

books and I haven't gone through

1043

00:42:26,939 --> 00:42:24,669

everything so I actually have to read a

1044

00:42:28,620 --> 00:42:26,949

bit more on that that's like one thing

1045

00:42:30,599 --> 00:42:28,630

that I've kind of been waiting on but

1046

00:42:32,669 --> 00:42:30,609

that is involved with the hidden hand

1047

00:42:35,309 --> 00:42:32,679

saying yes Atlantis was perfectly real

1048

00:42:37,169 --> 00:42:35,319

and you know there obviously seems to be

1049

00:42:40,349 --> 00:42:37,179

something very profound with that and

1050

00:42:42,269 --> 00:42:40,359

there seems to me this idea that there

1051
00:42:45,359 --> 00:42:42,279
was a humorous surrounding the

1052
00:42:47,719 --> 00:42:45,369
Atlanteans where it seems like they were

1053
00:42:50,669 --> 00:42:47,729
kind of this idea of the Olympic Zeus

1054
00:42:52,319 --> 00:42:50,679
where it's it's kind of like Jupiter in

1055
00:42:55,019 --> 00:42:52,329
astrology and the negative sense where

1056
00:42:57,149 --> 00:42:55,029
it can be self-indulgent and egoic and

1057
00:42:59,909 --> 00:42:57,159
lazy and basically have everything

1058
00:43:02,309 --> 00:42:59,919
handed to it and be destructive in that

1059
00:43:07,169 --> 00:43:02,319
sense like a big fat lazy King something

1060
00:43:09,979 --> 00:43:07,179
like that and so I think that in some

1061
00:43:12,630 --> 00:43:09,989
weird way the Western world to them is

1062
00:43:13,620 --> 00:43:12,640
it's almost like they're paralleling

1063
00:43:16,079 --> 00:43:13,630

that now I don't know how much that

1064

00:43:17,519 --> 00:43:16,089

happens organically or if they're part

1065

00:43:20,459 --> 00:43:17,529

of this root race cycle and they believe

1066

00:43:23,009 --> 00:43:20,469

that these things repeat have they had a

1067

00:43:24,689 --> 00:43:23,019

hidden hand and trying to make the

1068

00:43:28,049 --> 00:43:24,699

Western world like that and that's where

1069

00:43:29,699 --> 00:43:28,059

it gets kind of crazy right and also oh

1070

00:43:31,789 --> 00:43:29,709

sorry go ahead no you go ahead I'm here

1071

00:43:35,719 --> 00:43:31,799

all the time

1072

00:43:38,699 --> 00:43:35,729

yeah so this is why you have bloodlines

1073

00:43:40,769 --> 00:43:38,709

like the Rockefellers and Rothschilds

1074

00:43:42,749 --> 00:43:40,779

and all of the ones that you would deem

1075

00:43:44,909 --> 00:43:42,759

is even like the Bush family and stuff

1076

00:43:47,849 --> 00:43:44,919

they fit this archetype of this

1077

00:43:49,999 --> 00:43:47,859

oppressive Zeus I guess more like the

1078

00:43:52,769 --> 00:43:50,009

bush regime with you know oil

1079

00:43:54,779 --> 00:43:52,779

imperialism and stuff like that and that

1080

00:43:58,530 --> 00:43:54,789

gets into this idea of are they playing

1081

00:44:00,900 --> 00:43:58,540

a role as this bad guy

1082

00:44:02,430 --> 00:44:00,910

but they are working in tandem with the

1083

00:44:04,080 --> 00:44:02,440

United Nations which would seem to be

1084

00:44:06,260 --> 00:44:04,090

like the antithesis of that where they

1085

00:44:08,580 --> 00:44:06,270

want all of this globalism and

1086

00:44:10,800 --> 00:44:08,590

redistribution of wealth and stuff like

1087

00:44:12,840 --> 00:44:10,810

that and this is in line with occultism

1088

00:44:14,910 --> 00:44:12,850

because they view these polarities as

1089

00:44:17,430 --> 00:44:14,920

coming from the same source and this is

1090

00:44:19,470 --> 00:44:17,440

in line with the hidden hand and so I'm

1091

00:44:22,830 --> 00:44:19,480

just wondering if they create a straw

1092

00:44:24,420 --> 00:44:22,840

man bad guy for us in a way that we can

1093

00:44:26,490 --> 00:44:24,430

all point our fingers at these specific

1094

00:44:28,590 --> 00:44:26,500

bloodlines which the hidden hand is

1095

00:44:30,510 --> 00:44:28,600

calling earthly or lower bloodlines and

1096

00:44:32,160 --> 00:44:30,520

we know that the occultists think

1097

00:44:35,550 --> 00:44:32,170

anything of the earthly nature is

1098

00:44:37,950 --> 00:44:35,560

profane but are those guys playing a

1099

00:44:39,600 --> 00:44:37,960

role and they're just best buds with the

1100

00:44:43,590 --> 00:44:39,610

other side of that you know what I mean

1101
00:44:45,930 --> 00:44:43,600
so this idea of the Olympians oppressing

1102
00:44:49,740 --> 00:44:45,940
the Titans and and prometheus is a Titan

1103
00:44:52,500 --> 00:44:49,750
and this is very relevant to the

1104
00:44:54,690 --> 00:44:52,510
political system that we have where the

1105
00:44:58,050 --> 00:44:54,700
Republicans are like the Demiurge Zeus

1106
00:45:01,470 --> 00:44:58,060
these oppressive phallic force right the

1107
00:45:03,240 --> 00:45:01,480
patriarchy and then the liberal side is

1108
00:45:05,700 --> 00:45:03,250
like the Titans who are oppressed they

1109
00:45:08,000 --> 00:45:05,710
have this divine intellect of love and

1110
00:45:10,260 --> 00:45:08,010
humanity and giving and nurturing and

1111
00:45:12,990 --> 00:45:10,270
you know this is the side that wants to

1112
00:45:15,120 --> 00:45:13,000
evolve gender and things like that and

1113
00:45:17,640 --> 00:45:15,130

so it's almost like they set up these

1114

00:45:19,800 --> 00:45:17,650

two pillars that they control both sides

1115

00:45:22,260 --> 00:45:19,810

but it's based on this mythology and

1116

00:45:24,600 --> 00:45:22,270

it's really strange and there's so much

1117

00:45:26,190 --> 00:45:24,610

going on right now with that with the

1118

00:45:27,900 --> 00:45:26,200

Trump thing and I don't want to get too

1119

00:45:29,970 --> 00:45:27,910

long-winded on this but I'll just throw

1120

00:45:31,830 --> 00:45:29,980

this out there really quickly have you

1121

00:45:33,450 --> 00:45:31,840

looked at the Economist Trump tarot

1122

00:45:36,060 --> 00:45:33,460

cards that were released in the end last

1123

00:45:37,590 --> 00:45:36,070

year yes but tell us about the details

1124

00:45:40,650 --> 00:45:37,600

there that you found most interesting

1125

00:45:42,540 --> 00:45:40,660

because that is pretty awesome yeah it

1126
00:45:44,280 --> 00:45:42,550
seems like they're portraying Trump as

1127
00:45:47,100 --> 00:45:44,290
the Demiurge basically yelled the bay

1128
00:45:50,010 --> 00:45:47,110
off and Gnosticism this lion serpent and

1129
00:45:52,460 --> 00:45:50,020
if you look at the judgement card they

1130
00:45:55,560 --> 00:45:52,470
placed him with an emperor card motif

1131
00:45:57,240 --> 00:45:55,570
where the Emperor if it's a tyrant

1132
00:46:00,570 --> 00:45:57,250
Emperor that's like the Olympics Seuss

1133
00:46:02,310 --> 00:46:00,580
and what is Trump's mo that people look

1134
00:46:04,740 --> 00:46:02,320
at him he's like this you know

1135
00:46:06,750 --> 00:46:04,750
capitalist he likes beautiful women

1136
00:46:09,420 --> 00:46:06,760
indulging in finer things these are all

1137
00:46:11,849 --> 00:46:09,430
these attributes of a sensual lustful

1138
00:46:13,470 --> 00:46:11,859

God like the Zeus that gets around and

1139

00:46:17,400 --> 00:46:13,480

you know gets laid all the time that

1140

00:46:19,289 --> 00:46:17,410

exoteric version and then he's always

1141

00:46:20,489 --> 00:46:19,299

been portrayed as like this lion's mane

1142

00:46:22,229 --> 00:46:20,499

you know I mean his head his lake

1143

00:46:25,259 --> 00:46:22,239

they'll have always memes online of his

1144

00:46:27,989 --> 00:46:25,269

lion face he's got a man all right yeah

1145

00:46:30,479 --> 00:46:27,999

exactly and so that's the head avi Alda

1146

00:46:33,720 --> 00:46:30,489

Bay off and then the serpent is the body

1147

00:46:35,880 --> 00:46:33,730

and they have him in black and a black

1148

00:46:38,849 --> 00:46:35,890

suit indicating like Saturnian colors

1149

00:46:41,220 --> 00:46:38,859

self devouring the lower serpent and

1150

00:46:43,529 --> 00:46:41,230

they have them on an American flag which

1151
00:46:46,289 --> 00:46:43,539
is shaped like a serpent on the world so

1152
00:46:49,410 --> 00:46:46,299
it's kind of like the tyrant holding the

1153
00:46:52,259 --> 00:46:49,420
humanity globe and bondage to its

1154
00:46:54,269 --> 00:46:52,269
profane lower nature and all the

1155
00:46:56,700 --> 00:46:54,279
symbolism is Saturnian things like that

1156
00:46:58,859 --> 00:46:56,710
and this is what I find it so

1157
00:47:02,640 --> 00:46:58,869
interesting is that the occult is view

1158
00:47:05,400 --> 00:47:02,650
this profane dualistic nature as still

1159
00:47:09,180 --> 00:47:05,410
wisdom and this is what Blavatsky says

1160
00:47:10,890 --> 00:47:09,190
we're not extinct yelled ABEO is this

1161
00:47:13,319 --> 00:47:10,900
evil thing and one nothing to do with it

1162
00:47:15,150 --> 00:47:13,329
they're kind of profaning the mysteries

1163
00:47:18,359 --> 00:47:15,160

where there's actually wisdom in this

1164

00:47:19,650 --> 00:47:18,369

so-called evil or this lower nature but

1165

00:47:22,019 --> 00:47:19,660

you just have to understand the true

1166

00:47:24,390 --> 00:47:22,029

nature of good and evil as it's unity so

1167

00:47:25,680 --> 00:47:24,400

to be able to utilize an alchemy and the

1168

00:47:28,319 --> 00:47:25,690

last point I'll make I know is getting

1169

00:47:31,259 --> 00:47:28,329

long-winded but if you look at Trump's

1170

00:47:33,569 --> 00:47:31,269

tower out front they have black and gold

1171

00:47:36,269 --> 00:47:33,579

and a clock kind of like Saturn Father

1172

00:47:38,519 --> 00:47:36,279

time they have all this alchemical

1173

00:47:41,279 --> 00:47:38,529

Saturnian symbolism of the letter gold

1174

00:47:42,630 --> 00:47:41,289

and they had that with 911 with the

1175

00:47:44,819 --> 00:47:42,640

Mecca Kaaba where they have the black

1176

00:47:46,769 --> 00:47:44,829

queue but the gold around it and I think

1177

00:47:51,180 --> 00:47:46,779

they utilize this black and gold motif

1178

00:47:54,120 --> 00:47:51,190

or alchemy and they push something into

1179

00:47:56,970 --> 00:47:54,130

a profane Saturnian self devouring motif

1180

00:47:58,650 --> 00:47:56,980

and then they unify the opposites from

1181

00:48:00,359 --> 00:47:58,660

that so that's what happened with 9/11

1182

00:48:02,880 --> 00:48:00,369

we have the imperialist West the

1183

00:48:05,609 --> 00:48:02,890

Demiurge Zeus and then we have the

1184

00:48:07,920 --> 00:48:05,619

creation of these terrorists or you know

1185

00:48:09,420 --> 00:48:07,930

the u.s. always funding all these

1186

00:48:11,880 --> 00:48:09,430

terrorist groups behind the scenes and

1187

00:48:14,670 --> 00:48:11,890

that comes back to devour the West you

1188

00:48:16,529 --> 00:48:14,680

have this devouring nature of Saturn but

1189

00:48:18,479 --> 00:48:16,539

then the occult is utilized that and

1190

00:48:20,400 --> 00:48:18,489

they unified the pillars of the you know

1191

00:48:22,710 --> 00:48:20,410

the Twin Towers into a one World Trade

1192

00:48:24,150 --> 00:48:22,720

Center right and so I wonder if they

1193

00:48:25,010 --> 00:48:24,160

have something up their sleeve with that

1194

00:48:26,900 --> 00:48:25,020

for Trump

1195

00:48:29,540 --> 00:48:26,910

because a lot of that alchemical

1196

00:48:33,109 --> 00:48:29,550

symbolism is there yeah man it is

1197

00:48:35,930 --> 00:48:33,119

definitely deep and interesting stuff

1198

00:48:38,650 --> 00:48:35,940

and I'm kind of curious because so much

1199

00:48:42,560 --> 00:48:38,660

your stuff is about mythology and

1200

00:48:44,420 --> 00:48:42,570

astrology and I've had an astrologer in

1201

00:48:46,370 --> 00:48:44,430

the past come on and talk about how this

1202

00:48:48,740 --> 00:48:46,380

great American eclipse coming is going

1203

00:48:50,540 --> 00:48:48,750

to be very significant and interacts

1204

00:48:53,330 --> 00:48:50,550

with Trump's natal chart in significant

1205

00:48:54,980 --> 00:48:53,340

ways but given what you've looked at in

1206

00:48:57,140 --> 00:48:54,990

astrology do you have any thoughts or

1207

00:48:58,880 --> 00:48:57,150

expectations in regards to the great

1208

00:49:00,560 --> 00:48:58,890

American eclipse coming up or what it

1209

00:49:03,620 --> 00:49:00,570

could represent or how it could be used

1210

00:49:05,090 --> 00:49:03,630

yeah I'm not good with eclipses and moon

1211

00:49:06,740 --> 00:49:05,100

cycles and stuff like that I have

1212

00:49:09,250 --> 00:49:06,750

actually been studying it a lot more but

1213

00:49:12,140 --> 00:49:09,260

what I think is interesting is this a

1214

00:49:15,350 --> 00:49:12,150

Pluto saturn conjunction coming up in

1215

00:49:18,740 --> 00:49:15,360

like 2020 or something like that and the

1216

00:49:22,820 --> 00:49:18,750

opposition was 9/11 that was Pluto

1217

00:49:25,070 --> 00:49:22,830

opposite Saturn and so now it's conjunct

1218

00:49:26,930 --> 00:49:25,080

so that's like you know you had the

1219

00:49:29,480 --> 00:49:26,940

opposition or the polarity and now it's

1220

00:49:31,490 --> 00:49:29,490

unifying and so I don't like to predict

1221

00:49:33,500 --> 00:49:31,500

things right right I'm not really in

1222

00:49:36,740 --> 00:49:33,510

that realm but you know obviously a lot

1223

00:49:40,190 --> 00:49:36,750

of this stuff has a profound meaning to

1224

00:49:41,480 --> 00:49:40,200

the elites but I also think that if it's

1225

00:49:45,790 --> 00:49:41,490

out there and people are talking about

1226

00:49:49,609 --> 00:49:45,800

it a lot I often think that sometimes

1227

00:49:51,920 --> 00:49:49,619

that stuff they give a version of it for

1228

00:49:53,660 --> 00:49:51,930

us to kind of meddle with now whether

1229

00:49:55,040 --> 00:49:53,670

people are researching and organically

1230

00:49:56,300 --> 00:49:55,050

coming up with stuff that's different

1231

00:49:58,040 --> 00:49:56,310

but like you know the whole September

1232

00:50:00,200 --> 00:49:58,050

23rd thing a few years ago there was

1233

00:50:02,180 --> 00:50:00,210

much ado about that turned out to be

1234

00:50:03,710 --> 00:50:02,190

nothing 2012

1235

00:50:05,510 --> 00:50:03,720

much ado about that turned out to be

1236

00:50:07,970 --> 00:50:05,520

nothing in terms of how we're all

1237

00:50:10,700 --> 00:50:07,980

portrayed but to me I think they view

1238

00:50:11,630 --> 00:50:10,710

things are happening but I think that

1239

00:50:13,880 --> 00:50:11,640

they probably have a different

1240

00:50:14,960 --> 00:50:13,890

understanding of it and so you know

1241

00:50:17,030 --> 00:50:14,970

again this is kind of like their

1242

00:50:22,099 --> 00:50:17,040

philosophy they give the masses a lot of

1243

00:50:23,930 --> 00:50:22,109

grandiose overly exaggerated stories and

1244

00:50:25,910 --> 00:50:23,940

stuff and I think that that's what they

1245

00:50:29,390 --> 00:50:25,920

think is the part of this veil to hide

1246

00:50:31,070 --> 00:50:29,400

the mysteries where unfortunately for

1247

00:50:32,450 --> 00:50:31,080

some people who might be more into some

1248

00:50:35,570 --> 00:50:32,460

that stuff a lot of this occultism I've

1249

00:50:36,910 --> 00:50:35,580

been reading is it's very not magical in

1250

00:50:38,840 --> 00:50:36,920

a way that most people would think

1251

00:50:41,180 --> 00:50:38,850

levansky says you know

1252

00:50:42,800 --> 00:50:41,190

channeling and using people as mediums

1253

00:50:44,870 --> 00:50:42,810

and stuff that's all profane and that

1254

00:50:46,700 --> 00:50:44,880

like any phenomena can be explained

1255

00:50:48,860 --> 00:50:46,710

through natural laws and things like

1256

00:50:51,440 --> 00:50:48,870

that and it's very non magical in that

1257

00:50:53,360 --> 00:50:51,450

sense so it's it's very interesting how

1258

00:50:55,790 --> 00:50:53,370

there's a lot of weird things that get

1259

00:50:57,350 --> 00:50:55,800

mixed up with all that so in terms of

1260

00:50:59,720 --> 00:50:57,360

the Eclipse stuff I just don't know

1261

00:51:01,550 --> 00:50:59,730

enough about it but I don't think that

1262

00:51:04,060 --> 00:51:01,560

anything too dramatic is gonna happen

1263

00:51:06,140 --> 00:51:04,070

because that just seems to be how things

1264

00:51:08,000 --> 00:51:06,150

work and I think that when stuff

1265

00:51:11,060 --> 00:51:08,010

dramatic happens it's it's more out of

1266

00:51:13,610 --> 00:51:11,070

the blue but who knows fair enough and I

1267

00:51:15,710 --> 00:51:13,620

cannot argue that there there's a long

1268

00:51:17,330 --> 00:51:15,720

history of conspiracy enthusiasts

1269

00:51:18,860 --> 00:51:17,340

getting worked up about a particular

1270

00:51:21,980 --> 00:51:18,870

date or something and then nothing

1271

00:51:23,810 --> 00:51:21,990

happening but I'm I don't know we'll see

1272

00:51:26,750 --> 00:51:23,820

the Eclipse is coming very soon so we'll

1273

00:51:29,330 --> 00:51:26,760

know if it's significant or not yes sure

1274

00:51:31,790 --> 00:51:29,340

but towards the end of your series you

1275

00:51:34,220 --> 00:51:31,800

make some great points about solutions

1276

00:51:36,110 --> 00:51:34,230

or at least ways to cope with this type

1277

00:51:37,640 --> 00:51:36,120

of stuff you mentioned the importance of

1278

00:51:39,680 --> 00:51:37,650

personal connections that we can

1279

00:51:42,170 --> 00:51:39,690

actually see people as human beings and

1280

00:51:43,490 --> 00:51:42,180

maybe try to see their perspectives but

1281

00:51:45,800 --> 00:51:43,500

I also like the parts where you talk

1282

00:51:47,390 --> 00:51:45,810

about this theme of the elites pushing

1283

00:51:49,880 --> 00:51:47,400

the envelope in terms of playing God and

1284

00:51:52,490 --> 00:51:49,890

testing the limits in that dangerous

1285

00:51:54,920 --> 00:51:52,500

Luciferian way and then maybe we should

1286

00:51:57,500 --> 00:51:54,930

focus on perfecting the situation within

1287

00:51:59,060 --> 00:51:57,510

our limits before we try to exceed them

1288

00:52:01,400 --> 00:51:59,070

something seems to be driving us ahead

1289

00:52:03,770 --> 00:52:01,410

when we haven't even solved the basic

1290

00:52:05,390 --> 00:52:03,780

problems of the human condition but of

1291

00:52:08,120 --> 00:52:05,400

course we can only do so much if we're

1292

00:52:09,500 --> 00:52:08,130

not gonna take control the ship yeah and

1293

00:52:12,050 --> 00:52:09,510

you know that's something that's tough

1294

00:52:14,270 --> 00:52:12,060

because I don't really have a lot of

1295

00:52:15,410 --> 00:52:14,280

great solutions it's it's really tough

1296

00:52:16,940 --> 00:52:15,420

looking at all this stuff and you're

1297

00:52:20,600 --> 00:52:16,950

like oh my god it's it's just so

1298

00:52:23,120 --> 00:52:20,610

ingrained but if you look at the

1299

00:52:25,010 --> 00:52:23,130

theology as far as I've understood it

1300

00:52:26,930 --> 00:52:25,020

and read it their version of guys seems

1301
00:52:29,660 --> 00:52:26,940
to be this idea of something that's

1302
00:52:32,240 --> 00:52:29,670
impersonal and everything that is

1303
00:52:34,220 --> 00:52:32,250
profane to them is this concept of a

1304
00:52:36,050 --> 00:52:34,230
personal creator god and again I don't

1305
00:52:38,810 --> 00:52:36,060
mean this in a way that we're accustomed

1306
00:52:42,080 --> 00:52:38,820
to understanding that and the exoteric

1307
00:52:44,210 --> 00:52:42,090
religion we've been given a version of

1308
00:52:47,270 --> 00:52:44,220
that but

1309
00:52:49,640 --> 00:52:47,280
you know maybe there is something going

1310
00:52:52,130 --> 00:52:49,650
on around us that has some personal

1311
00:52:54,410 --> 00:52:52,140
outer influence that is tailored to our

1312
00:52:55,790 --> 00:52:54,420
individual situation and it's just

1313
00:52:57,020 --> 00:52:55,800

something that I've had events happen in

1314

00:52:59,780 --> 00:52:57,030

my life that have seen to be very

1315

00:53:02,480 --> 00:52:59,790

personally tailored to me some of them

1316

00:53:03,830 --> 00:53:02,490

have been not so great but some of them

1317

00:53:05,630 --> 00:53:03,840

I maybe kind of deserve because I was

1318

00:53:07,490 --> 00:53:05,640

being an [h__\h] you know it's sort of

1319

00:53:09,470 --> 00:53:07,500

this karmic thing but it's very strange

1320

00:53:11,060 --> 00:53:09,480

because sometimes I see these things

1321

00:53:12,380 --> 00:53:11,070

like well that person did that and this

1322

00:53:16,339 --> 00:53:12,390

didn't happen in them but I immediately

1323

00:53:17,690 --> 00:53:16,349

got that blowback you know and so this

1324

00:53:19,490 --> 00:53:17,700

is kind of why I having sort of an

1325

00:53:22,520 --> 00:53:19,500

affinity with some ideas of astrology

1326

00:53:23,720 --> 00:53:22,530

that really allow me to be a lot more

1327

00:53:26,270 --> 00:53:23,730

sympathetic to other people's personal

1328

00:53:27,560 --> 00:53:26,280

situations that I'm not really in

1329

00:53:29,450 --> 00:53:27,570

control of some all-encompassing

1330

00:53:31,940 --> 00:53:29,460

judgment on somebody else

1331

00:53:33,859 --> 00:53:31,950

now I can look at their actions and be

1332

00:53:36,080 --> 00:53:33,869

like okay I'm not a fan of that or you

1333

00:53:37,580 --> 00:53:36,090

know I like that I do understand this

1334

00:53:38,810 --> 00:53:37,590

and that about them so I understand kind

1335

00:53:41,180 --> 00:53:38,820

of more why they're like that and I

1336

00:53:43,580 --> 00:53:41,190

think that the more you understand

1337

00:53:45,650 --> 00:53:43,590

somebody's background or perspective I

1338

00:53:47,630 --> 00:53:45,660

think the more you can actually help

1339

00:53:49,579 --> 00:53:47,640

them and actually tolerate them in

1340

00:53:51,700 --> 00:53:49,589

moments where you might want to just run

1341

00:53:53,660 --> 00:53:51,710

out the door and I think that that's

1342

00:53:56,500 --> 00:53:53,670

something I separate from a lot of

1343

00:54:00,920 --> 00:53:56,510

doctrine where they seem to have a very

1344

00:54:03,829 --> 00:54:00,930

impersonal look on people who are

1345

00:54:06,020 --> 00:54:03,839

I guess in the matrix right it's sort of

1346

00:54:07,730 --> 00:54:06,030

like well kali-yuga is gonna happen and

1347

00:54:09,920 --> 00:54:07,740

you profane people are just gonna have

1348

00:54:12,579 --> 00:54:09,930

to sort that out sorry you know I just

1349

00:54:15,200 --> 00:54:12,589

don't like that mentality right and I

1350

00:54:17,240 --> 00:54:15,210

see that coming out and some of the

1351
00:54:19,130 --> 00:54:17,250
truth or circles as well and I you know

1352
00:54:21,049 --> 00:54:19,140
I understand that because I get just as

1353
00:54:22,970 --> 00:54:21,059
pissed as the next person about why

1354
00:54:26,120 --> 00:54:22,980
people don't see this or that you know

1355
00:54:27,920 --> 00:54:26,130
so it's it's a fine line to tread but it

1356
00:54:31,040 --> 00:54:27,930
seems like that is their great enemy

1357
00:54:33,349 --> 00:54:31,050
this idea of this personal God that

1358
00:54:36,559 --> 00:54:33,359
cares about people on that individual

1359
00:54:39,020 --> 00:54:36,569
level and sometimes I think there's

1360
00:54:41,569 --> 00:54:39,030
wisdom and looking at these things and

1361
00:54:42,950 --> 00:54:41,579
deriving what you think isn't God or

1362
00:54:44,599 --> 00:54:42,960
divine or something that's a more

1363
00:54:47,180 --> 00:54:44,609

spiritual way of looking at things that

1364

00:54:48,740 --> 00:54:47,190

you think is profound it's kind of like

1365

00:54:49,819 --> 00:54:48,750

how they view the the polarities and

1366

00:54:51,380 --> 00:54:49,829

knowledge of good and evil there is

1367

00:54:53,150 --> 00:54:51,390

wisdom there but you got to read between

1368

00:54:55,730 --> 00:54:53,160

the lines and perform your own

1369

00:54:57,230 --> 00:54:55,740

unification of these opposites and I

1370

00:54:59,930 --> 00:54:57,240

think that that's what it is when I see

1371

00:55:02,089 --> 00:54:59,940

people acting in a polarized way a lot

1372

00:55:03,829 --> 00:55:02,099

of times I do see myself like okay I've

1373

00:55:05,630 --> 00:55:03,839

definitely done that before maybe not to

1374

00:55:07,849 --> 00:55:05,640

the extreme level that they are doing it

1375

00:55:09,319 --> 00:55:07,859

or maybe I have done it even more

1376
00:55:10,940 --> 00:55:09,329
extreme than somebody else and you know

1377
00:55:12,770 --> 00:55:10,950
you got to kind of differentiate what's

1378
00:55:15,380 --> 00:55:12,780
projection and what's actually you being

1379
00:55:17,089 --> 00:55:15,390
objective but you still need to

1380
00:55:18,650 --> 00:55:17,099
understand when you look at somebody

1381
00:55:20,539 --> 00:55:18,660
objectively to understand their

1382
00:55:22,400 --> 00:55:20,549
subjective viewpoint that might sound

1383
00:55:24,740 --> 00:55:22,410
overly philosophical but I think you

1384
00:55:26,839 --> 00:55:24,750
kind of have to have both and this is

1385
00:55:27,920 --> 00:55:26,849
what I relate to the internet that's

1386
00:55:30,140 --> 00:55:27,930
their creation

1387
00:55:32,240 --> 00:55:30,150
you know CERN creating the Internet and

1388
00:55:35,270 --> 00:55:32,250

with all these things with data mining

1389

00:55:38,270 --> 00:55:35,280

and this idea of creating this Universal

1390

00:55:40,670 --> 00:55:38,280

Mind the DARPA stuff I kind of went over

1391

00:55:44,990 --> 00:55:40,680

this in some of the later videos and

1392

00:55:46,789 --> 00:55:45,000

this is their idea of I guess the the

1393

00:55:48,289 --> 00:55:46,799

cosmic consciousness that we're all

1394

00:55:49,460 --> 00:55:48,299

participating in and this is very much

1395

00:55:51,349 --> 00:55:49,470

in line with a lot of the hidden hand

1396

00:55:54,470 --> 00:55:51,359

stuff it talked about a lot of this and

1397

00:55:56,990 --> 00:55:54,480

so if they view something as humanity

1398

00:55:58,970 --> 00:55:57,000

collectively as being very important I

1399

00:56:00,559 --> 00:55:58,980

think it's interesting that they try to

1400

00:56:02,510 --> 00:56:00,569

utilize that with the internet where

1401

00:56:04,819 --> 00:56:02,520

they're just data mining a lot of

1402

00:56:06,289 --> 00:56:04,829

people's personal information but

1403

00:56:07,339 --> 00:56:06,299

they're looking at it very impersonally

1404

00:56:08,960 --> 00:56:07,349

they just want to look at what makes

1405

00:56:11,120 --> 00:56:08,970

people tick and all these sorts of stuff

1406

00:56:13,490 --> 00:56:11,130

and then build their own AI based off of

1407

00:56:14,710 --> 00:56:13,500

it at least that seems to be what

1408

00:56:17,770 --> 00:56:14,720

they're saying and

1409

00:56:19,480 --> 00:56:17,780

you know to me I always found it very

1410

00:56:20,950 --> 00:56:19,490

strange when going on Facebook and stuff

1411

00:56:22,240 --> 00:56:20,960

I'm not on that anymore I mean I have

1412

00:56:23,620 --> 00:56:22,250

the account I just have a deactivator

1413

00:56:25,740 --> 00:56:23,630

that I just can't deal with it anymore

1414

00:56:29,020 --> 00:56:25,750

because you see people giving away

1415

00:56:31,390 --> 00:56:29,030

personal information that you can see

1416

00:56:34,210 --> 00:56:31,400

devoid of any puppet master controllers

1417

00:56:35,830 --> 00:56:34,220

just general people I just seen a lot of

1418

00:56:37,870 --> 00:56:35,840

my friends like these girls doing

1419

00:56:39,280 --> 00:56:37,880

selfies of them and bikinis I'm like you

1420

00:56:40,990 --> 00:56:39,290

don't realize how much of your

1421

00:56:42,849 --> 00:56:41,000

insecurities you're projecting to people

1422

00:56:44,080 --> 00:56:42,859

and there are wolves out there that will

1423

00:56:46,420 --> 00:56:44,090

take advantage of that and they're gonna

1424

00:56:48,339 --> 00:56:46,430

play to your vanity and then you get

1425

00:56:50,230 --> 00:56:48,349

those relationship posts that some guy

1426
00:56:51,760 --> 00:56:50,240
didn't work out because you realize he

1427
00:56:53,440 --> 00:56:51,770
was a big jerk but it's just like well

1428
00:56:54,880 --> 00:56:53,450
what are you putting out there and what

1429
00:56:56,560 --> 00:56:54,890
are you bringing to you and there's this

1430
00:56:59,710 --> 00:56:56,570
weird world of the internet where so

1431
00:57:02,349 --> 00:56:59,720
much of this is public and the internet

1432
00:57:03,849 --> 00:57:02,359
just brings out so much impersonal [h__h]

1433
00:57:06,070 --> 00:57:03,859
in people where they don't view people

1434
00:57:08,500 --> 00:57:06,080
as human beings and nothing is more true

1435
00:57:10,510 --> 00:57:08,510
than comment threads especially on

1436
00:57:12,580 --> 00:57:10,520
YouTube where it's like you would never

1437
00:57:15,130 --> 00:57:12,590
talk to somebody in real life like

1438
00:57:16,750 --> 00:57:15,140

you're talking to those people in a lot

1439

00:57:18,810 --> 00:57:16,760

of instances of what you see and I found

1440

00:57:22,030 --> 00:57:18,820

myself doing this you know I've been on

1441

00:57:23,829 --> 00:57:22,040

debates online where I start oh you know

1442

00:57:25,930 --> 00:57:23,839

what I'm gonna refute this guy's point

1443

00:57:27,250 --> 00:57:25,940

and show what an idiot he is but what am

1444

00:57:28,780 --> 00:57:27,260

I really doing that I'm just trying to

1445

00:57:30,040 --> 00:57:28,790

make myself you know it's just like what

1446

00:57:31,060 --> 00:57:30,050

am i doing and I find all this nasty

1447

00:57:33,760 --> 00:57:31,070

[h__\h] coming out of me and I'm just like

1448

00:57:35,020 --> 00:57:33,770

this is really impersonal izing things

1449

00:57:37,450 --> 00:57:35,030

for me and there's something really

1450

00:57:41,260 --> 00:57:37,460

weird about the internet and I think

1451

00:57:43,480 --> 00:57:41,270

that it was created with a mal-intent

1452

00:57:46,450 --> 00:57:43,490

at the beginning and there's something

1453

00:57:48,880 --> 00:57:46,460

about that that we have to really

1454

00:57:52,089 --> 00:57:48,890

struggle with that it brings that out in

1455

00:57:53,440 --> 00:57:52,099

us and I think it is a useful tool but

1456

00:57:55,420 --> 00:57:53,450

if it starts breeding all this

1457

00:57:56,859 --> 00:57:55,430

impersonal behavior we're just judging

1458

00:57:58,270 --> 00:57:56,869

people left and right because they

1459

00:58:01,320 --> 00:57:58,280

believe this or that and we just don't

1460

00:58:03,400 --> 00:58:01,330

even know them face to face as a person

1461

00:58:05,560 --> 00:58:03,410

there's something really dangerous about

1462

00:58:07,000 --> 00:58:05,570

that and you know that that was just

1463

00:58:09,099 --> 00:58:07,010

kind of my whole point with that where

1464

00:58:11,320 --> 00:58:09,109

to me it's reflecting their version of

1465

00:58:12,880 --> 00:58:11,330

God where all this impersonal behavior

1466

00:58:13,960 --> 00:58:12,890

is happening and so that just it's it's

1467

00:58:16,720 --> 00:58:13,970

very telling to me in a very

1468

00:58:18,760 --> 00:58:16,730

philosophical way and that's why I'm

1469

00:58:21,650 --> 00:58:18,770

really trying to get away from engaging

1470

00:58:23,090 --> 00:58:21,660

in online stuff

1471

00:58:24,830 --> 00:58:23,100

it's different when you know you have a

1472

00:58:26,240 --> 00:58:24,840

site and you have a forum and that's the

1473

00:58:27,860 --> 00:58:26,250

basis of your show connecting with

1474

00:58:29,690 --> 00:58:27,870

people work I don't know for my own

1475

00:58:31,070 --> 00:58:29,700

purposes I'm trying to just leave it up

1476

00:58:32,420 --> 00:58:31,080

to like if people want to email me they

1477

00:58:35,510 --> 00:58:32,430

can email me but I'm kind of done

1478

00:58:38,870 --> 00:58:35,520

talking and common threads because you

1479

00:58:40,780 --> 00:58:38,880

know I just find a lot of bad stuff can

1480

00:58:43,070 --> 00:58:40,790

escalate and it can give a lot of

1481

00:58:45,530 --> 00:58:43,080

preconceived biases and notions to

1482

00:58:46,790 --> 00:58:45,540

people and you know I'm trying to go a

1483

00:58:49,450 --> 00:58:46,800

different direction with that and I

1484

00:58:51,470 --> 00:58:49,460

guess to wrap up my point with this is

1485

00:58:53,360 --> 00:58:51,480

I'm thinking about going in a different

1486

00:58:55,880 --> 00:58:53,370

direction with my channel to begin with

1487

00:58:58,030 --> 00:58:55,890

and not really going through a lot of

1488

00:59:01,370 --> 00:58:58,040

this research like I had then because

1489

00:59:03,740 --> 00:59:01,380

you know everything that I presented the

1490

00:59:05,150 --> 00:59:03,750

fundamental concepts are there you just

1491

00:59:06,560 --> 00:59:05,160

take them and apply them to anything and

1492

00:59:08,690 --> 00:59:06,570

you're always gonna get a buttload of

1493

00:59:11,360 --> 00:59:08,700

details manifesting from that that say

1494

00:59:13,160 --> 00:59:11,370

the same thing you know and it's like

1495

00:59:14,810 --> 00:59:13,170

okay here you go everyone

1496

00:59:17,780 --> 00:59:14,820

all these ways they're [h__h] with you

1497

00:59:19,130 --> 00:59:17,790

and you didn't know it now you must feel

1498

00:59:20,900 --> 00:59:19,140

pretty awesome that you might have been

1499

00:59:23,060 --> 00:59:20,910

duped with this you know it's just so

1500

00:59:25,670 --> 00:59:23,070

[h__h] depressing but it's good to know

1501

00:59:27,500 --> 00:59:25,680

the ways you might be being steered

1502

00:59:28,970 --> 00:59:27,510

towards something you don't know but at

1503

00:59:30,890 --> 00:59:28,980

some point you got to kind of quit that

1504

00:59:32,870 --> 00:59:30,900

and so I'm gonna start I'm getting more

1505

00:59:36,080 --> 00:59:32,880

into studying astrology and maybe trying

1506

00:59:37,340 --> 00:59:36,090

to pursue that and trying to take some

1507

00:59:39,740 --> 00:59:37,350

of these concepts and all of these

1508

00:59:42,200 --> 00:59:39,750

philosophies and try to perform my own

1509

00:59:43,880 --> 00:59:42,210

alchemy on it in a way that okay what do

1510

00:59:46,130 --> 00:59:43,890

I find profound what do I think works

1511

00:59:49,040 --> 00:59:46,140

how can we use some of these things of

1512

00:59:52,100 --> 00:59:49,050

their system take out maybe the poison

1513

00:59:53,420 --> 00:59:52,110

bits you know like planetary cycles if

1514

00:59:55,520 --> 00:59:53,430

they're obsessed with this let me look

1515

00:59:58,820 --> 00:59:55,530

at these and see if I can make anything

1516

01:00:00,410 --> 00:59:58,830

that's more practical less fatalistic

1517

01:00:02,240 --> 01:00:00,420

and I'm trying to go in that direction

1518

01:00:05,480 --> 01:00:02,250

I'm not exactly sure where it's gonna go

1519

01:00:09,100 --> 01:00:05,490

but I kind of want to start giving more

1520

01:00:12,080 --> 01:00:09,110

I don't know of a positive practical

1521

01:00:13,430 --> 01:00:12,090

nature to some of the material and I

1522

01:00:15,080 --> 01:00:13,440

might go back to some of the research

1523

01:00:16,220 --> 01:00:15,090

similar to the vein that I'm doing but

1524

01:00:18,350 --> 01:00:16,230

where I'm going now

1525

01:00:19,460 --> 01:00:18,360

I'm trying to reinvent it a bit I'm not

1526

01:00:22,070 --> 01:00:19,470

just like oh sure how that's gonna work

1527

01:00:24,500 --> 01:00:22,080

but that last video where I just sat

1528

01:00:26,810 --> 01:00:24,510

there and you know let some stuff loose

1529

01:00:28,370 --> 01:00:26,820

that was me being like man I want to

1530

01:00:30,170 --> 01:00:28,380

just get away from this [h__h] and

1531

01:00:31,610 --> 01:00:30,180

transform it into something different

1532

01:00:35,450 --> 01:00:31,620

and so that's kind of the essence of

1533

01:00:37,310 --> 01:00:35,460

that cheers man I definitely get why

1534

01:00:38,450 --> 01:00:37,320

would want to do that and I think you

1535

01:00:41,540 --> 01:00:38,460

make a good point about there being

1536

01:00:42,860 --> 01:00:41,550

something to face-to-face interactions

1537

01:00:44,780 --> 01:00:42,870

or something about that internet

1538

01:00:46,400 --> 01:00:44,790

separateness and I mean it's kind of the

1539

01:00:48,650 --> 01:00:46,410

same as driving right I mean you

1540

01:00:50,000 --> 01:00:48,660

wouldn't dream of them or flip them off

1541

01:00:52,490 --> 01:00:50,010

or anything if it weren't in this

1542

01:00:54,440 --> 01:00:52,500

protective bubble of the vehicle and I

1543

01:00:56,420 --> 01:00:54,450

think that's the Internet it creates a

1544

01:00:58,730 --> 01:00:56,430

protective bubble where we can really

1545

01:01:02,480 --> 01:00:58,740

let our worst tendencies shine through

1546

01:01:04,190 --> 01:01:02,490

and you were talking about all the

1547

01:01:05,840 --> 01:01:04,200

devolve 'it's going on right now I mean

1548

01:01:08,210 --> 01:01:05,850

everywhere you look it's everything's

1549

01:01:11,050 --> 01:01:08,220

completely polarized black and white

1550

01:01:14,840 --> 01:01:11,060

left and right male-female gay straight

1551

01:01:17,360 --> 01:01:14,850

it's pretty crazy that not long ago all

1552

01:01:21,470 --> 01:01:17,370

those groups were somewhat united in the

1553

01:01:25,130 --> 01:01:21,480

Occupy protests against the 1% and then

1554

01:01:26,750 --> 01:01:25,140

just a few years later we have all these

1555

01:01:28,640 --> 01:01:26,760

same people who would have been involved

1556

01:01:31,970 --> 01:01:28,650

in Occupy protests but they're now

1557

01:01:35,390 --> 01:01:31,980

protesting what like other races other

1558

01:01:38,600 --> 01:01:35,400

sides and everybody's lost sight of the

1559

01:01:41,870 --> 01:01:38,610

elite and the unfairness and the

1560

01:01:44,420 --> 01:01:41,880

inequality and we were so close we had

1561

01:01:47,210 --> 01:01:44,430

it well yeah I don't know if you watch

1562

01:01:50,300 --> 01:01:47,220

the videos on Libya and Occupy that I

1563

01:01:54,110 --> 01:01:50,310

had where it's like oh god the Occupy

1564

01:01:56,180 --> 01:01:54,120

thing it's just it screams manipulation

1565

01:01:58,670 --> 01:01:56,190

to me from that and yeah I'm not gonna

1566

01:02:01,400 --> 01:01:58,680

get into that but it's true it's true it

1567

01:02:03,710 --> 01:02:01,410

was at least more on target yeah I guess

1568

01:02:05,900 --> 01:02:03,720

what it was was I talked about the

1569

01:02:09,020 --> 01:02:05,910

symbolism of Mary crushing the serpent

1570

01:02:10,970 --> 01:02:09,030

and how that's essentially a visual

1571

01:02:15,140 --> 01:02:10,980

representation of the constellations of

1572

01:02:18,110 --> 01:02:15,150

Virgo Libra and Scorpio and that's a

1573

01:02:20,930 --> 01:02:18,120

really important part of the sky in all

1574

01:02:22,610 --> 01:02:20,940

of this and zodiac signs and part of the

1575

01:02:24,080 --> 01:02:22,620

sky it's kind of a misnomer with like

1576

01:02:25,810 --> 01:02:24,090

Western astrology that's that's a whole

1577

01:02:29,420 --> 01:02:25,820

other thing but there's this idea that

1578

01:02:33,440 --> 01:02:29,430

the Virgin is this pure state of this

1579

01:02:35,210 --> 01:02:33,450

spirit of Lucifer or what I mean by

1580

01:02:37,180 --> 01:02:35,220

Lucifer is the reason they revere that

1581

01:02:41,090 --> 01:02:37,190

is because they think that the Orthodox

1582

01:02:44,270 --> 01:02:41,100

perverted the Eastern traditions pure

1583

01:02:45,980 --> 01:02:44,280

spiritual ideas and then they made

1584

01:02:47,540 --> 01:02:45,990

Lucifer the bad guy so this is why the

1585

01:02:49,370 --> 01:02:47,550

occultists used Lucifer as this

1586

01:02:51,440 --> 01:02:49,380

archetype but really loose

1587

01:02:52,940 --> 01:02:51,450

verjus refers to the pure spirit of the

1588

01:02:54,620 --> 01:02:52,950

Eastern traditions according to the

1589

01:02:56,420 --> 01:02:54,630

occultist that's the main component of

1590

01:02:59,990 --> 01:02:56,430

it so this is what the celestial virgin

1591

01:03:02,150 --> 01:03:00,000

represents and then the Scorpio

1592

01:03:05,270 --> 01:03:02,160

constellation when Virgo and Scorpio

1593

01:03:06,890 --> 01:03:05,280

split Libra is inserted and so that the

1594

01:03:09,470 --> 01:03:06,900

lower nature is the serpent and that's

1595

01:03:11,420 --> 01:03:09,480

like the exoteric serpent that's the

1596

01:03:13,270 --> 01:03:11,430

serpent of generation the the sexual

1597

01:03:18,650 --> 01:03:13,280

reproduction and a lot of cast stuff so

1598

01:03:21,530 --> 01:03:18,660

it is interesting how they occupy they

1599

01:03:24,140 --> 01:03:21,540

started it in the sign of Virgo and the

1600

01:03:26,240 --> 01:03:24,150

Sun is in Virgo and meanwhile while

1601
01:03:30,590 --> 01:03:26,250
that's going on the Libya conflict is

1602
01:03:32,960 --> 01:03:30,600
going on and they use this archetype of

1603
01:03:35,450 --> 01:03:32,970
the lower serpent the the phallic male

1604
01:03:38,120 --> 01:03:35,460
oppressor and that to me is like the

1605
01:03:39,380 --> 01:03:38,130
dictator right dick tater right I mean

1606
01:03:41,720 --> 01:03:39,390
that's that's the whole point of it and

1607
01:03:44,720 --> 01:03:41,730
then they say that Gaddafi is giving his

1608
01:03:47,060 --> 01:03:44,730
troops viagra right a phallic thing to

1609
01:03:50,450 --> 01:03:47,070
go rape all of these innocent pure

1610
01:03:52,100 --> 01:03:50,460
virgin women and children archetype so

1611
01:03:55,670 --> 01:03:52,110
they're using these archetypes of

1612
01:03:58,280 --> 01:03:55,680
astrology and then the Occupy symbol was

1613
01:04:00,290 --> 01:03:58,290

this ballerina on a bull conquering it

1614

01:04:03,470 --> 01:04:00,300

and you know the bull again and the

1615

01:04:05,330 --> 01:04:03,480

exoteric symbolism it's the profane

1616

01:04:07,370 --> 01:04:05,340

lower nature it's the bull of Wall

1617

01:04:09,710 --> 01:04:07,380

Street Western imperialism the phallic

1618

01:04:11,960 --> 01:04:09,720

nature all that stuff and again the bull

1619

01:04:13,610 --> 01:04:11,970

is opposite Scorpio on the zodiac so

1620

01:04:15,830 --> 01:04:13,620

they're just playing with the same motif

1621

01:04:18,260 --> 01:04:15,840

where this virgin goddess or this Divine

1622

01:04:20,660 --> 01:04:18,270

Feminine conquering this serpent or

1623

01:04:23,690 --> 01:04:20,670

conquering this bull so they give us the

1624

01:04:25,810 --> 01:04:23,700

occupy version of that where we think

1625

01:04:29,720 --> 01:04:25,820

we're conquering Western imperialism

1626

01:04:31,730 --> 01:04:29,730

meanwhile the West is invading Libya and

1627

01:04:34,550 --> 01:04:31,740

like you said all those groups that are

1628

01:04:36,350 --> 01:04:34,560

protesting that seemingly are involved

1629

01:04:38,840 --> 01:04:36,360

in all these racial black lives matter

1630

01:04:40,580 --> 01:04:38,850

issues later on with the brexit stuff

1631

01:04:43,130 --> 01:04:40,590

and all of that you know social justice

1632

01:04:45,410 --> 01:04:43,140

stuff well meanwhile the entire

1633

01:04:48,650 --> 01:04:45,420

continent of Africa where there are the

1634

01:04:50,900 --> 01:04:48,660

real African race is getting completely

1635

01:04:53,180 --> 01:04:50,910

[h__\h] over by Western imperialism and

1636

01:04:55,430 --> 01:04:53,190

we have this archetype of this evil

1637

01:04:57,140 --> 01:04:55,440

dictator but you know if you look into

1638

01:04:58,850 --> 01:04:57,150

the alternative stuff on Gaddafi it

1639

01:05:00,560 --> 01:04:58,860

seems like he was trying to unite Africa

1640

01:05:03,259 --> 01:05:00,570

on its own resources get away from the

1641

01:05:06,589 --> 01:05:03,269

petrodollar right and empower

1642

01:05:09,589 --> 01:05:06,599

the African race as we would know it and

1643

01:05:11,389 --> 01:05:09,599

so where are all these bleeding hearts

1644

01:05:14,239 --> 01:05:11,399

for that while they're protesting

1645

01:05:16,249 --> 01:05:14,249

Western imperialism at my point is we're

1646

01:05:18,829 --> 01:05:16,259

given all of this archetypal symbolism

1647

01:05:20,809 --> 01:05:18,839

of this phallic serpent dictator and

1648

01:05:23,569 --> 01:05:20,819

then this ballerina or whatever

1649

01:05:25,609 --> 01:05:23,579

conquering this so they did this all

1650

01:05:27,859 --> 01:05:25,619

when the Sun was going through Virgo

1651

01:05:28,370 --> 01:05:27,869

Libra and Scorpio and Gadhafi think

1652

01:05:32,359 --> 01:05:28,380

about it

1653

01:05:35,509 --> 01:05:32,369

the country Libya Libra liberate all

1654

01:05:37,279 --> 01:05:35,519

these motifs and esoteric philosophy is

1655

01:05:38,959 --> 01:05:37,289

liberating you from the Demiurge which

1656

01:05:41,689 --> 01:05:38,969

is represented by the patriarchy the

1657

01:05:43,669 --> 01:05:41,699

phallic oppressor but again they're

1658

01:05:45,199 --> 01:05:43,679

using this archetype so they'd play it

1659

01:05:47,089 --> 01:05:45,209

up with Gaddafi now who knows I don't

1660

01:05:49,009 --> 01:05:47,099

know Gaddafi was just in on this and

1661

01:05:50,569 --> 01:05:49,019

they're putting on a big grand play or

1662

01:05:53,209 --> 01:05:50,579

show like the hidden hand said I don't

1663

01:05:55,339 --> 01:05:53,219

know but it is interesting how all of

1664

01:05:58,370 --> 01:05:55,349

these nations have all these dictators

1665

01:06:00,139 --> 01:05:58,380

that fit this archetype yet they're

1666

01:06:02,239 --> 01:06:00,149

trying to break away from international

1667

01:06:03,499 --> 01:06:02,249

banking or they don't have a bank they

1668

01:06:05,539 --> 01:06:03,509

might have a central bank but it's not

1669

01:06:07,370 --> 01:06:05,549

tied to these international banking and

1670

01:06:08,779 --> 01:06:07,380

it's very interesting I don't want to go

1671

01:06:11,059 --> 01:06:08,789

off in a huge tangent here but if you go

1672

01:06:13,219 --> 01:06:11,069

back to World War two and all the stuff

1673

01:06:15,079 --> 01:06:13,229

around that there's a lot of things that

1674

01:06:16,519 --> 01:06:15,089

were going on with that regime that

1675

01:06:19,189 --> 01:06:16,529

we're trying to break away from this

1676
01:06:21,229 --> 01:06:19,199
stuff and they're the ultimate archetype

1677
01:06:23,029 --> 01:06:21,239
for the phallic oppressive dictator and

1678
01:06:24,379 --> 01:06:23,039
again I had mentioned this on the last

1679
01:06:26,779 --> 01:06:24,389
show that I've been through a lot of

1680
01:06:28,699 --> 01:06:26,789
World War two revisionism stuff and you

1681
01:06:30,289 --> 01:06:28,709
know I can't say that I fully ascribed

1682
01:06:32,120 --> 01:06:30,299
to a lot of that or not it's it's

1683
01:06:33,679 --> 01:06:32,130
difficult but man there's so much

1684
01:06:35,209 --> 01:06:33,689
distortion going on in that and I think

1685
01:06:37,279 --> 01:06:35,219
that they just keep using his motifs

1686
01:06:40,039 --> 01:06:37,289
over and over and over again and the

1687
01:06:42,169 --> 01:06:40,049
Occupy Libya thing was and as above so

1688
01:06:44,749 --> 01:06:42,179

below projection of that because of the

1689

01:06:47,959 --> 01:06:44,759

consolations going through Virgo through

1690

01:06:49,429 --> 01:06:47,969

Scorpio during the entire escalation of

1691

01:06:51,319 --> 01:06:49,439

all that and I think that that's one

1692

01:06:53,599 --> 01:06:51,329

instance where I'm like dude they got

1693

01:06:56,870 --> 01:06:53,609

the [h__\h] occultus signatures written

1694

01:06:59,239 --> 01:06:56,880

all over this and I just wonder how much

1695

01:07:01,279 --> 01:06:59,249

of that was just manufactured for an

1696

01:07:04,219 --> 01:07:01,289

agenda and meanwhile those people many

1697

01:07:05,749 --> 01:07:04,229

years later are protesting all the

1698

01:07:07,519 --> 01:07:05,759

brexit people and then they're telling

1699

01:07:09,769 --> 01:07:07,529

everybody the EU and the United Nations

1700

01:07:10,999 --> 01:07:09,779

are these saintly organizations because

1701
01:07:13,629 --> 01:07:11,009
they're bringing all these immigrants in

1702
01:07:16,500 --> 01:07:13,639
and they're all you know not being these

1703
01:07:17,880 --> 01:07:16,510
racist oppressors right right

1704
01:07:19,470 --> 01:07:17,890
but those are the organizations that

1705
01:07:21,480 --> 01:07:19,480
[h__\h] over Libya the UN and put

1706
01:07:23,940 --> 01:07:21,490
sanctions on them basically the hammer

1707
01:07:25,770 --> 01:07:23,950
of the west of the military might that

1708
01:07:27,530 --> 01:07:25,780
everyone is protesting against that

1709
01:07:30,330 --> 01:07:27,540
represents that Demiurge force is

1710
01:07:31,890 --> 01:07:30,340
combining with the the nurturing united

1711
01:07:34,950 --> 01:07:31,900
nations they're sanctioning these

1712
01:07:36,930 --> 01:07:34,960
countries and then four or five years

1713
01:07:38,490 --> 01:07:36,940

later everyone forgets that and it's

1714

01:07:39,840 --> 01:07:38,500

just like they have everyone spinning in

1715

01:07:41,820 --> 01:07:39,850

these contradictions and that's what's

1716

01:07:44,220 --> 01:07:41,830

so hard when I try to explain this stuff

1717

01:07:45,900 --> 01:07:44,230

to people who are screaming at brexit

1718

01:07:48,540 --> 01:07:45,910

people for being racists and I'm just

1719

01:07:52,380 --> 01:07:48,550

like you're just promoting institutions

1720

01:07:54,600 --> 01:07:52,390

that [h__h] over the the African people

1721

01:07:55,980 --> 01:07:54,610

in Africa you know an assist they they

1722

01:07:57,330 --> 01:07:55,990

just kind of look at you like well I

1723

01:07:58,740 --> 01:07:57,340

don't know about that I'm focusing on

1724

01:08:00,090 --> 01:07:58,750

this right now and I'm just like I can't

1725

01:08:01,320 --> 01:08:00,100

I can't I just have to get away from

1726

01:08:03,240 --> 01:08:01,330

that conversation because it's just like

1727

01:08:05,610 --> 01:08:03,250

it's just not gonna go anywhere hey man

1728

01:08:07,980 --> 01:08:05,620

I hear ya nothing is genuine

1729

01:08:11,040 --> 01:08:07,990

everything's manipulated we are being

1730

01:08:14,160 --> 01:08:11,050

led around by the nose it is so true but

1731

01:08:15,570 --> 01:08:14,170

if I was just gonna look at that silver

1732

01:08:17,579 --> 01:08:15,580

lining it's that at least we were

1733

01:08:19,860 --> 01:08:17,589

looking up at the time instead of

1734

01:08:21,749 --> 01:08:19,870

directing our anger at each other but

1735

01:08:24,050 --> 01:08:21,759

it's all sleight of hand and celestial

1736

01:08:27,030 --> 01:08:24,060

puppet strings what are you gonna do but

1737

01:08:28,740 --> 01:08:27,040

man I know that you mentioned taking a

1738

01:08:31,320 --> 01:08:28,750

break from all this now that the series

1739

01:08:33,450 --> 01:08:31,330

is done and I hope a lot of listeners

1740

01:08:35,519 --> 01:08:33,460

will go and digest that series in its

1741

01:08:37,349 --> 01:08:35,529

entirety is there anything else in the

1742

01:08:38,910 --> 01:08:37,359

cards for you in terms of this type of

1743

01:08:42,510 --> 01:08:38,920

research or anything else to tell the

1744

01:08:44,309 --> 01:08:42,520

listeners about the future yeah I'd kind

1745

01:08:46,470 --> 01:08:44,319

of toyed with the notion of starting a

1746

01:08:48,269 --> 01:08:46,480

patreon account and seeing if maybe I

1747

01:08:50,610 --> 01:08:48,279

could have some of this research sink

1748

01:08:52,620 --> 01:08:50,620

into my work time because I definitely

1749

01:08:54,539 --> 01:08:52,630

neglected a lot of things during the

1750

01:08:56,190 --> 01:08:54,549

course of this research and you know

1751

01:08:59,099 --> 01:08:56,200

again back to the astrology I have a lot

1752

01:09:02,039 --> 01:08:59,109

of Scorpio like tendencies to just dig

1753

01:09:03,660 --> 01:09:02,049

and be one fixed focus on things and

1754

01:09:05,849 --> 01:09:03,670

just kind of go crazy with it and

1755

01:09:07,170 --> 01:09:05,859

neglect my health and you know now I'm

1756

01:09:08,190 --> 01:09:07,180

looking and I just think that's a pipe

1757

01:09:10,200 --> 01:09:08,200

dream I don't think that that's gonna

1758

01:09:12,480 --> 01:09:10,210

happen and you know I always felt weird

1759

01:09:14,010 --> 01:09:12,490

about it's not that I don't have a

1760

01:09:16,320 --> 01:09:14,020

problem with people getting money for

1761

01:09:20,039 --> 01:09:16,330

these sorts of things but I just I just

1762

01:09:22,800 --> 01:09:20,049

think that I can maybe try to pursue

1763

01:09:25,200 --> 01:09:22,810

more professional type astrology and and

1764

01:09:26,700 --> 01:09:25,210

try to do it in a way that is more

1765

01:09:29,039 --> 01:09:26,710

affordable than I find a lot of

1766

01:09:30,300 --> 01:09:29,049

astrologers being not not to like you

1767

01:09:31,349 --> 01:09:30,310

know [h__h] on people

1768

01:09:33,059 --> 01:09:31,359

a lot or something but I'm just saying

1769

01:09:34,770 --> 01:09:33,069

from my own personal experience yeah I

1770

01:09:37,380 --> 01:09:34,780

kind of want to go in that direction and

1771

01:09:39,209 --> 01:09:37,390

and try to do it in a way that maybe can

1772

01:09:43,379 --> 01:09:39,219

help people but

1773

01:09:44,789 --> 01:09:43,389

try to do it so they help themselves be

1774

01:09:46,169 --> 01:09:44,799

like okay here's what I understand about

1775

01:09:48,240 --> 01:09:46,179

this and here's what this might say

1776

01:09:50,999 --> 01:09:48,250

about this so let's work with it and and

1777

01:09:53,550 --> 01:09:51,009

that kind of thing and so the research

1778

01:09:55,110 --> 01:09:53,560

stuff has I've done it I might come back

1779

01:09:58,169 --> 01:09:55,120

to it I mean there's so much stuff I

1780

01:10:00,390 --> 01:09:58,179

wanted to do like things on 9/11 I know

1781

01:10:02,669 --> 01:10:00,400

I already did a lot of done the JFK but

1782

01:10:04,709 --> 01:10:02,679

I'm really not very happy with that

1783

01:10:06,149 --> 01:10:04,719

there's just so much that was my infant

1784

01:10:08,850 --> 01:10:06,159

stages of learning all this stuff and I

1785

01:10:10,350 --> 01:10:08,860

it was just way way too much [h__h] going

1786

01:10:12,209 --> 01:10:10,360

on so I kind of want to do this thing on

1787

01:10:13,800 --> 01:10:12,219

JFK alchemy of the king and the Queen

1788

01:10:16,010 --> 01:10:13,810

because the king and the Queen and

1789

01:10:19,919 --> 01:10:16,020

alchemy is like a central motif in

1790

01:10:21,840 --> 01:10:19,929

specific types of all of these hermetic

1791

01:10:23,120 --> 01:10:21,850

traditions like the twelve keys of Basel

1792

01:10:25,830 --> 01:10:23,130

Valentine and stuff like that and

1793

01:10:27,570 --> 01:10:25,840

there's always weird parallels going on

1794

01:10:28,950 --> 01:10:27,580

with that and the JFK presidency so I

1795

01:10:31,379 --> 01:10:28,960

kind of wanted to maybe center around

1796

01:10:33,870 --> 01:10:31,389

that and simplify that series sometime

1797

01:10:35,850 --> 01:10:33,880

down the road and you know it's just

1798

01:10:37,740 --> 01:10:35,860

like when do you have time for that and

1799

01:10:40,020 --> 01:10:37,750

so for now I want to focus on this but

1800

01:10:41,700 --> 01:10:40,030

also you know again I'm a musician and I

1801

01:10:43,770 --> 01:10:41,710

really want to get back to focusing on

1802

01:10:47,189 --> 01:10:43,780

putting a lot of time into that because

1803

01:10:49,800 --> 01:10:47,199

that's what really it's very Venusian it

1804

01:10:52,020 --> 01:10:49,810

allows me to bridge the gap between all

1805

01:10:54,200 --> 01:10:52,030

of this esoteric spiritual stuff that I

1806

01:10:57,060 --> 01:10:54,210

research in isolation from my everyday

1807

01:10:59,250 --> 01:10:57,070

friends and family that are not looking

1808

01:11:00,689 --> 01:10:59,260

at any of this stuff and that's

1809

01:11:02,550 --> 01:11:00,699

something that I'm able to you know

1810

01:11:04,830 --> 01:11:02,560

write songs about these sorts of things

1811

01:11:07,229 --> 01:11:04,840

but it doesn't have to be very overt it

1812

01:11:08,790 --> 01:11:07,239

can be more veiled and then I can still

1813

01:11:10,260 --> 01:11:08,800

talk with people about it I can still be

1814

01:11:12,840 --> 01:11:10,270

excited about it you know and that's

1815

01:11:16,169 --> 01:11:12,850

really the bridge to all of the people

1816

01:11:17,970 --> 01:11:16,179

in my regular life and I need that and I

1817

01:11:19,379 --> 01:11:17,980

got away from that in the past three or

1818

01:11:22,350 --> 01:11:19,389

four years and you know it was probably

1819

01:11:24,390 --> 01:11:22,360

necessary but I kind of want to have

1820

01:11:27,570 --> 01:11:24,400

time for that and then I'm just reading

1821

01:11:30,530 --> 01:11:27,580

a butt ton of books on astrology trying

1822

01:11:32,640 --> 01:11:30,540

to understand it the best that I can

1823

01:11:35,669 --> 01:11:32,650

amalgamating the things that make sense

1824

01:11:37,169 --> 01:11:35,679

to me and utilizing what I have learned

1825

01:11:39,419 --> 01:11:37,179

from a lot of this esoteric stuff and

1826
01:11:42,209 --> 01:11:39,429
even learning from what the elites seem

1827
01:11:43,680 --> 01:11:42,219
to do with a lot of these events that's

1828
01:11:45,810 --> 01:11:43,690
actually helped me understand certain

1829
01:11:49,350 --> 01:11:45,820
things so I'm trying to fuse my own

1830
01:11:51,780 --> 01:11:49,360
version of it and maybe try to release

1831
01:11:52,950 --> 01:11:51,790
it at some point where I start with just

1832
01:11:54,750 --> 01:11:52,960
basic birth chart

1833
01:11:56,280 --> 01:11:54,760
stuff with people and then maybe I need

1834
01:11:58,560 --> 01:11:56,290
to learn more about transits and stuff

1835
01:12:00,420 --> 01:11:58,570
and see if I'm really even into that and

1836
01:12:02,340 --> 01:12:00,430
maybe sometime next year I can release

1837
01:12:04,680 --> 01:12:02,350
that I don't know that's my plan because

1838
01:12:07,190 --> 01:12:04,690

I kind of need to do something that I

1839

01:12:09,720 --> 01:12:07,200

feel more positive about rather than

1840

01:12:13,040 --> 01:12:09,730

digging through all this occult stuff

1841

01:12:15,900 --> 01:12:13,050

and just seeing how [h__h] up it all is

1842

01:12:17,310 --> 01:12:15,910

so bet that that's the future for me at

1843

01:12:19,709 --> 01:12:17,320

least as far as I'm planning right now

1844

01:12:21,660 --> 01:12:19,719

well you've definitely done a lot of

1845

01:12:24,030 --> 01:12:21,670

work you've stared deep into the abyss

1846

01:12:26,370 --> 01:12:24,040

definitely take a break and hopefully

1847

01:12:29,760 --> 01:12:26,380

you do see some benefits of the journey

1848

01:12:32,310 --> 01:12:29,770

you took but right on man again great

1849

01:12:33,510 --> 01:12:32,320

job I hope we do put another one of

1850

01:12:35,190 --> 01:12:33,520

these together a few months down the

1851

01:12:37,470 --> 01:12:35,200

road because we did leave some things on

1852

01:12:39,750 --> 01:12:37,480

the table but until then take care of a

1853

01:12:42,209 --> 01:12:39,760

man yeah for sure you can talk about

1854

01:12:44,459 --> 01:12:42,219

this stuff forever so thanks thanks

1855

01:12:47,010 --> 01:12:44,469

again for having me on and before we go

1856

01:12:50,100 --> 01:12:47,020

I'll just say that our show we did

1857

01:12:52,229 --> 01:12:50,110

earlier that really was the catalyst to

1858

01:12:54,660 --> 01:12:52,239

my channel it it brought in so many new

1859

01:12:56,250 --> 01:12:54,670

people and everyone was really gracious

1860

01:12:58,950 --> 01:12:56,260

and I think that that speaks to your

1861

01:13:00,860 --> 01:12:58,960

audience cuz I got zero trolls from your

1862

01:13:03,030 --> 01:13:00,870

audience coming over to my channel and

1863

01:13:06,120 --> 01:13:03,040

you know I got a couple here and there

1864

01:13:09,030 --> 01:13:06,130

later on I even got some transhumanists

1865

01:13:11,580 --> 01:13:09,040

people coming around h plus people

1866

01:13:12,990 --> 01:13:11,590

saying you know leaving links saying if

1867

01:13:15,180 --> 01:13:13,000

you want to know more about trans fumé

1868

01:13:17,160 --> 01:13:15,190

like how much acting transhumanists

1869

01:13:18,959 --> 01:13:17,170

promoters like they're looking for it so

1870

01:13:20,910 --> 01:13:18,969

i guess maybe you're doing something

1871

01:13:23,310 --> 01:13:20,920

right if you're trying to like call that

1872

01:13:25,110 --> 01:13:23,320

out and you're getting the actual people

1873

01:13:28,770 --> 01:13:25,120

in the mainstream coming in trying to

1874

01:13:30,750 --> 01:13:28,780

you know quell your opinions on it by

1875

01:13:33,270 --> 01:13:30,760

the skin of my teeth man but I'm trying

1876

01:13:36,120 --> 01:13:33,280

thanks again for the opportunity and and

1877

01:13:38,940 --> 01:13:36,130

I think that you know your audience is a

1878

01:13:41,250 --> 01:13:38,950

reflection of the way you approach your

1879

01:13:44,010 --> 01:13:41,260

show so thanks again right on well to

1880

01:13:44,400 --> 01:13:44,020

kind man and thank you take care out

1881

01:13:47,970 --> 01:13:44,410

there

1882

01:13:50,190 --> 01:13:47,980

all right thanks Greg you got it

1883

01:13:53,160 --> 01:13:50,200

holy hell people the triumphant return

1884

01:13:55,650 --> 01:13:53,170

of Michael Joseph I think the man does

1885

01:13:57,990 --> 01:13:55,660

good work I appreciate his approach and

1886

01:13:59,940 --> 01:13:58,000

trying to be impartial and trying to be

1887

01:14:01,740 --> 01:13:59,950

as true to the source material as best

1888

01:14:04,380 --> 01:14:01,750

he can when relaying these perspectives

1889

01:14:06,270 --> 01:14:04,390

and I think I just appreciate him

1890

01:14:08,370 --> 01:14:06,280

because of that and because I share a

1891

01:14:10,620 --> 01:14:08,380

similar mindset that these things are so

1892

01:14:13,080 --> 01:14:10,630

complex and you never really know how

1893

01:14:14,880 --> 01:14:13,090

genuine the writer is being so you have

1894

01:14:16,440 --> 01:14:14,890

to be very careful with the tendency to

1895

01:14:18,600 --> 01:14:16,450

think that you've got it all figured out

1896

01:14:20,250 --> 01:14:18,610

but big thanks to him for going out of

1897

01:14:22,050 --> 01:14:20,260

his way to digest the hidden hand

1898

01:14:24,630 --> 01:14:22,060

material so that we could compare and

1899

01:14:26,580 --> 01:14:24,640

contrast it hopefully many of you also

1900

01:14:28,290 --> 01:14:26,590

found that saga interesting a few years

1901

01:14:30,530 --> 01:14:28,300

back I thought it was a good opportunity

1902

01:14:32,970 --> 01:14:30,540

to build a show around it to a degree

1903

01:14:35,520 --> 01:14:32,980

trying to do things just a little bit

1904

01:14:37,890 --> 01:14:35,530

differently and I really hope Michael

1905

01:14:39,930 --> 01:14:37,900

does keep working in this wheelhouse I

1906

01:14:41,760 --> 01:14:39,940

understand how draining it can be to put

1907

01:14:44,400 --> 01:14:41,770

out such a body of work and feel like

1908

01:14:48,060 --> 01:14:44,410

you put so much into it and you might

1909

01:14:50,190 --> 01:14:48,070

wonder for what of course I said that he

1910

01:14:51,750 --> 01:14:50,200

didn't say that but seriously if you

1911

01:14:53,820 --> 01:14:51,760

like these subjects go through his

1912

01:14:55,740 --> 01:14:53,830

youtube series it'll definitely keep you

1913

01:14:58,110 --> 01:14:55,750

busy until the next higher side episode

1914

01:15:01,320 --> 01:14:58,120

and I think it deserves a lot of added

1915

01:15:03,570 --> 01:15:01,330

attention schism 206 tell them you're

1916

01:15:06,330 --> 01:15:03,580

into it encourage the guy to keep it up

1917

01:15:08,370 --> 01:15:06,340

it's not easy work to do and there's

1918

01:15:10,140 --> 01:15:08,380

definitely not enough people doing it

1919

01:15:13,920 --> 01:15:10,150

especially ones who can be humble about

1920

01:15:15,960 --> 01:15:13,930

it and as for the material itself I can

1921

01:15:18,480 --> 01:15:15,970

see the first part that a Garden of Eden

1922

01:15:21,000 --> 01:15:18,490

situation could be illusionary it's that

1923

01:15:22,470 --> 01:15:21,010

whole ignorant is bliss idea we all know

1924

01:15:24,450 --> 01:15:22,480

a lot of people who think they're happy

1925

01:15:27,450 --> 01:15:24,460

in their simple little slave job life

1926

01:15:29,970 --> 01:15:27,460

never upsetting the masters you do stay

1927

01:15:31,800 --> 01:15:29,980

stagnant living that way and if you

1928

01:15:33,750 --> 01:15:31,810

become knowledgeable about the truth of

1929

01:15:36,390 --> 01:15:33,760

the situation it definitely affects your

1930

01:15:39,330 --> 01:15:36,400

blissfulness but I don't see how the

1931

01:15:42,150 --> 01:15:39,340

elites actions match up at all with a

1932

01:15:45,780 --> 01:15:42,160

desire to inspire or toughen us up

1933

01:15:49,260 --> 01:15:45,790

tonality it's a terrible way to inject

1934

01:15:52,680 --> 01:15:49,270

choice into a society it just seems like

1935

01:15:55,500 --> 01:15:52,690

a more obvious form of abuse than the

1936

01:15:57,690 --> 01:15:55,510

former but I also get why Michael would

1937

01:16:00,290 --> 01:15:57,700

be saying that he sometimes sides with

1938

01:16:01,859 --> 01:16:00,300

the Orthodox view if it's them saying

1939

01:16:04,020 --> 01:16:01,869

technology isn't evil

1940

01:16:06,569 --> 01:16:04,030

trick and now the cutting-edge stuff in

1941

01:16:10,379 --> 01:16:06,579

every field is weaponized against us

1942

01:16:12,779 --> 01:16:10,389

vaccines Big Pharma geoengineering big

1943

01:16:15,750 --> 01:16:12,789

agro chemicals and roundup resistant

1944

01:16:18,299 --> 01:16:15,760

crops television brainwashing internet

1945

01:16:21,929 --> 01:16:18,309

surveillance and tracking ad in this

1946

01:16:25,469 --> 01:16:21,939

creepy suspicious Wi-Fi signals and 5g

1947

01:16:27,919 --> 01:16:25,479

stuff and it's like every field of

1948

01:16:31,049 --> 01:16:27,929

Applied Technology is [h__h] us up and

1949

01:16:32,369 --> 01:16:31,059

it's not all bad right it's masked I

1950

01:16:34,589 --> 01:16:32,379

mean that's the trick to it a

1951

01:16:36,899 --> 01:16:34,599

Renaissance King would be jealous of the

1952

01:16:40,049 --> 01:16:36,909

conveniences that even the lower class

1953

01:16:43,889 --> 01:16:40,059

has today Xboxes air-conditioning

1954

01:16:45,869 --> 01:16:43,899

iPhones cars airplanes but it could be

1955

01:16:48,929 --> 01:16:45,879

the dark agenda that's hidden behind

1956

01:16:51,600 --> 01:16:48,939

these industries some occult adepts

1957

01:16:53,429 --> 01:16:51,610

greasing the engines it's hard to say

1958

01:16:55,919 --> 01:16:53,439

but we will know if the cycle resets

1959

01:16:59,129 --> 01:16:55,929

right none of it will seem worth it if

1960

01:17:02,100 --> 01:16:59,139

that day ever comes it's also like do

1961

01:17:03,719 --> 01:17:02,110

you use SERP a god because ego gets in

1962

01:17:06,569 --> 01:17:03,729

the way or because that God is

1963

01:17:08,429 --> 01:17:06,579

legitimately a tyrant it's hard to know

1964

01:17:10,350 --> 01:17:08,439

exactly how the game started but I can

1965

01:17:12,810 --> 01:17:10,360

see a perspective where an Elite

1966

01:17:14,790 --> 01:17:12,820

realizes there's a being controlling the

1967

01:17:17,119 --> 01:17:14,800

construct and wants to rise above it

1968

01:17:19,679 --> 01:17:17,129

just because their ego can't help itself

1969

01:17:21,989 --> 01:17:19,689

regardless of this entity's feelings

1970

01:17:24,689 --> 01:17:21,999

about man man can be an arrogant

1971

01:17:27,299 --> 01:17:24,699

creature also though it's hard to not be

1972

01:17:29,459 --> 01:17:27,309

on Team human right part of me is like

1973

01:17:31,169 --> 01:17:29,469

yeah break that construct figure out

1974

01:17:33,659 --> 01:17:31,179

what's going on here but just stop

1975

01:17:36,330 --> 01:17:33,669

[h__\h] with the other people you've got

1976

01:17:38,580 --> 01:17:36,340

to punch up guys it's just funny because

1977

01:17:41,000 --> 01:17:38,590

I'd usually laugh at someone who says we

1978

01:17:44,009 --> 01:17:41,010

shouldn't play God and has just a super

1979

01:17:47,279 --> 01:17:44,019

Orthodox conservative viewpoint this

1980

01:17:49,409 --> 01:17:47,289

anti science nonsense or take the Amish

1981

01:17:52,259 --> 01:17:49,419

for example like that's a ridiculous

1982

01:17:53,759 --> 01:17:52,269

lifestyle borderline child abuse but

1983

01:17:56,939 --> 01:17:53,769

what if the Amish are the only ones on

1984

01:17:59,969 --> 01:17:56,949

the ark 2.0 or 6.0 for all we know

1985

01:18:03,330 --> 01:17:59,979

because they rejected Lucifer's light or

1986

01:18:04,889 --> 01:18:03,340

helping hand quote-unquote there are a

1987

01:18:06,989 --> 01:18:04,899

thousand different ways to look at it

1988

01:18:09,299 --> 01:18:06,999

and that's really all we can do because

1989

01:18:11,879 --> 01:18:09,309

we aren't steering the ship maybe it is

1990

01:18:15,149 --> 01:18:11,889

all just myth but it does reflect the

1991

01:18:16,500 --> 01:18:15,159

times with eerie levels of synchronicity

1992

01:18:19,799 --> 01:18:16,510

but maybe that's the power of a good

1993

01:18:21,870 --> 01:18:19,809

myth too but if that smartphone is the

1994

01:18:24,750 --> 01:18:21,880

mark of the beast and we all signed up

1995

01:18:25,770 --> 01:18:24,760

to be willing participants when the sea

1996

01:18:28,830 --> 01:18:25,780

levels rise

1997

01:18:30,179 --> 01:18:28,840

we got no one to blame but ourselves but

1998

01:18:33,330 --> 01:18:30,189

I got the Internet to thank for getting

1999

01:18:35,429 --> 01:18:33,340

me out of that boring rat race 9 to 5 so

2000

01:18:38,100 --> 01:18:35,439

I guess I'm just gonna have to go down

2001

01:18:40,679 --> 01:18:38,110

with the ship but folks it's another

2002

01:18:43,409 --> 01:18:40,689

you only heard that first hour that free

2007

01:18:55,259 --> 01:18:51,719

portion there's just nothing like it

2008

01:18:57,750 --> 01:18:55,269

it's more how could it not be better in

2009

01:19:00,299 --> 01:18:57,760

the extra hour of this episode we got

2010

01:19:02,250 --> 01:19:00,309

into how these esoteric ideas show up in

2011

01:19:05,520 --> 01:19:02,260

Hollywood movies like the game and Fight

2012

01:19:07,620 --> 01:19:05,530

Club the flaws inconsistencies and red

2013

01:19:09,959 --> 01:19:07,630

flags Michael finds amidst the hidden

2014

01:19:12,270 --> 01:19:09,969

hand material the possibility of

2015

01:19:15,000 --> 01:19:12,280

marginalizing magic and the paranormal

2016

01:19:17,790 --> 01:19:15,010

and culture to hide a hidden connection

2017

01:19:19,709 --> 01:19:17,800

to sinister forces seeding Chandler's in

2018

01:19:22,259 --> 01:19:19,719

the alternative community to backdoor

2019

01:19:25,080 --> 01:19:22,269

particular thoughts and ideas Michaels

2020

01:19:27,359 --> 01:19:25,090

personal paranormal experiences helper

2021

01:19:29,069 --> 01:19:27,369

beings of the Inner Earth symbolism

2022

01:19:31,049 --> 01:19:29,079

around planets and what that might mean

2023

01:19:33,330 --> 01:19:31,059

if we take them to represent modes of

2024

01:19:35,989 --> 01:19:33,340

consciousness and of course the Dalai

2025

01:19:40,350 --> 01:19:35,999

Lama the transhumanist agenda and the

2026

01:19:42,509 --> 01:19:40,360

2045 avatar project so I think that's

2027

01:19:44,729 --> 01:19:42,519

worth five dollars alone but you also of
