surely have a plan

4
00:00:13,780 --> 00:00:11,280
this clearly maybe something there

5
00:00:19,510 --> 00:00:13,790
beyond the realm of man

6
00:00:33,470 --> 00:00:24,920

all right higher side chatters as we

12
00:00:50,210 --> 00:00:48,000
continue our adventure and examine our

13
00:00:51,770 --> 00:00:50,220

weird reality I think it's about time to

14

00:00:54,380 --> 00:00:51,780

revisit that tasty slice of the

15

00:00:56,450 --> 00:00:54,390

paranormal pie known as cryptozoology

16

00:00:57,890 --> 00:00:56,460

because like it or not thousands of

17

00:00:59,540 --> 00:00:57,900

people over the years have claimed to

18

00:01:02,030 --> 00:00:59,550

have encounters with everything from

19

00:01:04,460 --> 00:01:02,040

Bigfoot and dog men to lizard people and

20

00:01:06,440 --> 00:01:04,470

modern-day pterosaurs now while I find

21

00:01:07,850 --> 00:01:06,450

the subject fascinating one of my

22

00:01:09,650 --> 00:01:07,860

biggest complaints about the field is

23

00:01:11,240 --> 00:01:09,660

that were oftentimes digging up stories

24

00:01:14,150 --> 00:01:11,250

and accounts from decades or even

25

00:01:16,040 --> 00:01:14,160

centuries ago times far removed from our

26

00:01:18,890 --> 00:01:16,050

own with entities that should be long

27

00:01:21,170 --> 00:01:18,900

gone but today is a special case people

28

00:01:22,820 --> 00:01:21,180

because as you may not know we are in

29

00:01:25,130 --> 00:01:22,830

the midst of what seems to be the

30

00:01:26,930 --> 00:01:25,140

largest concentration of strange cryptid

31

00:01:29,270 --> 00:01:26,940

sightings in my lifetime and probably

32

00:01:31,160 --> 00:01:29,280

the largest sense that saga of the

33

00:01:34,249 --> 00:01:31,170

infamous Mothman of Point Pleasant back

34

00:01:36,320 --> 00:01:34,259

in the 60s as it seems one or several

35

00:01:38,300 --> 00:01:36,330

winged humanoids have taken to the skies

36

00:01:40,460 --> 00:01:38,310

of the Windy City and have been seen by

37

00:01:42,530 --> 00:01:40,470

far too many people now to be ignored

38

00:01:44,359 --> 00:01:42,540

well lucky for us we have one of

39

00:01:46,580 --> 00:01:44,369

cryptozoology x' most well-known and

40

00:01:48,469 --> 00:01:46,590

respected 40 and researchers and

41

00:01:50,630 --> 00:01:48,479

investigators to give us a scoop his

42

00:01:52,820 --> 00:01:50,640

name is Ion Strickler the man behind the

to you when it comes to situations like

48

00:02:06,919 --> 00:02:04,830

we have in Chicago I know I'm psyched to

49

00:02:08,600 --> 00:02:06,929

find out what's going on here as well as

50

00:02:10,400 --> 00:02:08,610

with several of the other open and

51
00:02:12,650 --> 00:02:10,410
ongoing cases he's got on the books

52
00:02:14,990 --> 00:02:12,660
ladies and gentlemen Pennsylvania's own

54

the fourteen files an explorer of

55
00:02:21,770 --> 00:02:19,110
everything lon Strickler my good man

56
00:02:23,930 --> 00:02:21,780
welcome to the higher side thanks for

57
00:02:25,460 --> 00:02:23,940
having me on Greg yeah this is a real

58
00:02:27,170 --> 00:02:25,470
treat for me I've been a fan of

59
00:02:29,510 --> 00:02:27,180
Phantom's and monsters for probably

60
00:02:31,370 --> 00:02:29,520
around a decade now and I just can't

61
00:02:34,460 --> 00:02:31,380
believe we're having such a situation

62
00:02:36,559 --> 00:02:34,470
where many people in one area are seeing

63
00:02:38,480 --> 00:02:36,569

something like this and to jump right

64

00:02:40,280 --> 00:02:38,490

into it what's going on in Chicago and

65

00:02:42,589 --> 00:02:40,290

when did this string of sightings first

66

00:02:44,390 --> 00:02:42,599

start we're up to around 30 or 40 at

67

00:02:47,479 --> 00:02:44,400

this point right

68

00:02:51,070 --> 00:02:47,489

well right now we're at 40 for the year

69

00:02:55,520 --> 00:02:51,080

and I just put the 40th up yesterday and

70

00:02:58,490 --> 00:02:55,530

actually this started back in 2011

71

00:02:59,839 --> 00:02:58,500

there were three sightings in the late

72

00:03:02,539 --> 00:02:59,849

summer early fall

73

00:03:05,839 --> 00:03:02,549

and I stretched for about three months

74

00:03:09,979 --> 00:03:05,849

there was a photograph taken in the

75

00:03:12,229 --> 00:03:09,989

Pulaski Road area and it kind of looked

76

00:03:14,990 --> 00:03:12,239

like what the person who's the witness

77

00:03:17,240 --> 00:03:15,000

saw was a sugar glider a large sugar

78

00:03:18,710 --> 00:03:17,250

glider you know sugar glider is one of

79

00:03:21,140 --> 00:03:18,720

those things you sitting in palm of your

80

00:03:25,180 --> 00:03:21,150

hand yeah like a flying squirrel

81

00:03:28,099 --> 00:03:25,190

yeah flying squirrel and this picture

82

00:03:30,890 --> 00:03:28,109

it's hard to top big it was but it had

83

00:03:34,789 --> 00:03:30,900

some size to it but some of the

84

00:03:37,220 --> 00:03:34,799

witnesses that we have been getting this

85

00:03:40,460 --> 00:03:37,230

year have been saying that some of what

86

00:03:42,319 --> 00:03:40,470

they saw looks very similar to that but

87

00:03:44,360 --> 00:03:42,329

then again there have been a lot of

88

00:03:47,780 --> 00:03:44,370

differences in some of these sightings

89

00:03:51,259 --> 00:03:47,790
so our first report the first report

90

00:03:54,440 --> 00:03:51,269
that I saw for this year was in early

91

00:03:58,879 --> 00:03:54,450
April and that was originally reported

92

00:04:03,369 --> 00:03:58,889
on MUFON and it was by a professional

93

00:04:07,250 --> 00:04:03,379
woman who was walking her dog in Oz Park

94

00:04:11,000 --> 00:04:07,260
in Chicago and she came across this

95

00:04:13,599 --> 00:04:11,010
black being about seven foot tall

96

00:04:16,279 --> 00:04:13,609
standing in the middle of the park and

97

00:04:19,640 --> 00:04:16,289
she didn't know what to make of it the

98

00:04:22,159 --> 00:04:19,650
dog basically the dog freaked he tried

99

00:04:24,529 --> 00:04:22,169
to stay away you know back up behind the

100

00:04:26,779 --> 00:04:24,539
witness and this a jack terrier rustle

101
00:04:30,620 --> 00:04:26,789
so you know he knows things are pretty

102
00:04:33,290 --> 00:04:30,630
placed he's a you know mm-hmm so anyway

103
00:04:38,150 --> 00:04:33,300
this thing she described it as about

104
00:04:40,760 --> 00:04:38,160
seven foot high black in color and it

105
00:04:44,930 --> 00:04:40,770
had wings on its back quarters behind

106
00:04:47,390 --> 00:04:44,940
its back and the wings actually stood

107
00:04:51,140 --> 00:04:47,400
about a foot and a half above this thing

108
00:04:53,750 --> 00:04:51,150
so these are pretty good-sized wings

109
00:04:57,110 --> 00:04:53,760
so as she stood there and watched it it

110
00:05:00,650 --> 00:04:57,120
turned and it looked at her with these

111
00:05:05,120 --> 00:05:00,660
bright red ruby eyes you know that was

112
00:05:08,450 --> 00:05:05,130
it she she just had this weird reaction

113
00:05:11,270 --> 00:05:08,460

to it and it looked at her it took off

114

00:05:14,540 --> 00:05:11,280

like a rocket just straight up and when

115

00:05:17,390 --> 00:05:14,550

it got to the apex it kind of you know

116

00:05:19,760 --> 00:05:17,400

was still in the air unfurled its wings

117

00:05:23,420 --> 00:05:19,770

flap them and was gone at a pretty good

118

00:05:25,640 --> 00:05:23,430

rate of speed yeah it is just so amazing

119

00:05:27,500 --> 00:05:25,650

and uh I guess I've been hearing some

120

00:05:30,409 --> 00:05:27,510

descriptions that are saying an hour man

121

00:05:32,270 --> 00:05:30,419

some that are saying a bat man what are

122

00:05:34,279 --> 00:05:32,280

you hearing more of are they acquainting

123

00:05:37,730 --> 00:05:34,289

it more to an owl or more to a bad in

124

00:05:40,790 --> 00:05:37,740

most cases well that first sighting was

125

00:05:43,400 --> 00:05:40,800

pretty similar to what the Mothman

126

00:05:47,060 --> 00:05:43,410

sightings were in Point Pleasant I've

127

00:05:49,939 --> 00:05:47,070

had other similar settings all over the

128

00:05:53,360 --> 00:05:49,949

place but mostly in the Ohio River

129

00:05:55,700 --> 00:05:53,370

Valley well anyway the next couple of

130

00:06:01,089 --> 00:05:55,710

sightings after that sighting were

131

00:06:03,969 --> 00:06:01,099

driving as large humanoid owls alman

132

00:06:06,650 --> 00:06:03,979

they were you know about the same size

133

00:06:11,270 --> 00:06:06,660

anywhere from six to seven foot in

134

00:06:14,960 --> 00:06:11,280

height 22 12-foot wingspan the both of

135

00:06:19,279 --> 00:06:14,970

those the next two were perched as well

136

00:06:21,580 --> 00:06:19,289

and several witnesses saw it and it

137

00:06:26,420 --> 00:06:21,590

would just flap its wings and take off

138

00:06:30,909 --> 00:06:26,430

but as time went on the sightings

139

00:06:33,620 --> 00:06:30,919

started to be more like a large bag

140

00:06:37,089 --> 00:06:33,630

people even described the wings like its

141

00:06:40,400 --> 00:06:37,099

dragon wings but that membrane type wing

142

00:06:43,310 --> 00:06:40,410

but mixed in with those as well were

143

00:06:46,370 --> 00:06:43,320

others that had rounded wings wings that

144

00:06:49,460 --> 00:06:46,380

look like an insect or a butterfly moth

145

00:06:51,550 --> 00:06:49,470

or whatever but the size really didn't

146

00:06:54,070 --> 00:06:51,560

change the whole wide

147

00:06:56,530 --> 00:06:54,080

so you know some of them had this red

148

00:06:58,810 --> 00:06:56,540

eyes some of them didn't there were

149

00:07:00,850 --> 00:06:58,820

others that were said to have like a

150

00:07:04,140 --> 00:07:00,860

small crest on its head

151

00:07:07,840 --> 00:07:04,150

I have sighting just a few days ago

152

00:07:09,760 --> 00:07:07,850

where as reported that there was a crest

153

00:07:13,510 --> 00:07:09,770

that went from the head and standing

154

00:07:16,240 --> 00:07:13,520

along the back of this thing so they

155

00:07:18,700 --> 00:07:16,250

have many variations right yeah those

156

00:07:22,360 --> 00:07:18,710

variations are super interesting and I

157

00:07:24,430 --> 00:07:22,370

mean I guess some feathered creatures

158

00:07:26,380 --> 00:07:24,440

tend to Maltz we could be dealing with a

159

00:07:28,090 --> 00:07:26,390

malting creature that now looks more

160

00:07:30,460 --> 00:07:28,100

like a bat than an owl but I guess I've

161

00:07:31,980 --> 00:07:30,470

heard you say based on the descriptions

162

00:07:34,360 --> 00:07:31,990

it seems like you think there might be

163

00:07:36,190 --> 00:07:34,370

actually three different things that

164

00:07:40,030 --> 00:07:36,200

have been unleashed on Chicago somehow

165

00:07:42,610 --> 00:07:40,040

right I think it's at least three man I

166

00:07:45,909 --> 00:07:42,620

would even venture to say there may be

167

00:07:48,400 --> 00:07:45,919

up to six different but I'm saying I I'm

168

00:07:51,370 --> 00:07:48,410

pretty sure at least three at this point

169

00:07:53,350 --> 00:07:51,380

have you been able to triangulate the

170

00:07:55,300 --> 00:07:53,360

sightings on the map and try to find

171

00:07:57,719 --> 00:07:55,310

like a source for where these things

172

00:08:00,820 --> 00:07:57,729

might be coming from a nest if you will

173

00:08:02,409 --> 00:08:00,830

yeah we've tried that you know we've

174

00:08:05,260 --> 00:08:02,419

taken the sightings and actually put

175

00:08:08,260 --> 00:08:05,270

them in chronological order and nothing

176

00:08:11,350 --> 00:08:08,270

really panned out of that I mean though

177

00:08:14,050 --> 00:08:11,360

we have had areas where there have been

178

00:08:15,820 --> 00:08:14,060

more sightings and others and of course

179

00:08:19,120 --> 00:08:15,830

there have been a lot of sightings

180

00:08:21,580 --> 00:08:19,130

downtown along the lake but there have

181

00:08:28,690 --> 00:08:21,590

been a lot of sightings as well in South

182

00:08:30,490 --> 00:08:28,700

Chicago into Indiana and we've got an

183

00:08:33,700 --> 00:08:30,500

interesting area down there that we're

184

00:08:35,920 --> 00:08:33,710

looking into as well so you know I I

185

00:08:39,610 --> 00:08:35,930

don't know these last couple sightings

186

00:08:42,339 --> 00:08:39,620

we had just week were a long water both

187

00:08:46,000 --> 00:08:42,349

of them one was along the Des Plaines

188

00:08:47,420 --> 00:08:46,010

River and the other one was a long Salt

189

00:08:50,030 --> 00:08:47,430

Creek

190

00:08:53,540 --> 00:08:50,040

so you know I don't know I mean this

191

00:08:55,490 --> 00:08:53,550

last sighting was made near possum

192

00:08:59,390 --> 00:08:55,500

Hollow woods which is out by Lagrange

193

00:09:03,230 --> 00:08:59,400

Park and the woman who saw this was

194

00:09:05,360 --> 00:09:03,240

actually an Avenue burden Raptor watcher

195

00:09:07,700 --> 00:09:05,370

and that's exactly what she was doing

196

00:09:12,950 --> 00:09:07,710

when she saw this thing she looked up

197

00:09:14,900 --> 00:09:12,960

and out over the park or Salt Creek she

198

00:09:19,460 --> 00:09:14,910

saw this huge what she described as a

199

00:09:21,350 --> 00:09:19,470

huge flying shadow and you know being a

200

00:09:23,690 --> 00:09:21,360

bird watching and knowing the Raptors

201
00:09:26,329 --> 00:09:23,700
and birds in the area she was amazed by

202
00:09:28,640 --> 00:09:26,339
it yeah and she was getting ready to

203
00:09:31,190 --> 00:09:28,650
take a photograph of it and by that time

204
00:09:33,920 --> 00:09:31,200
this thing took a dive right into the

205
00:09:35,269 --> 00:09:33,930
woods and she said do so fast you just

206
00:09:38,480 --> 00:09:35,279
couldn't believe it she's never seen

207
00:09:41,600 --> 00:09:38,490
dive that quick and she said when I went

208
00:09:45,530 --> 00:09:41,610
into the woods the birds in the woods

209
00:09:47,060 --> 00:09:45,540
that scattered mm and I asked her why

210
00:09:49,640 --> 00:09:47,070
didn't she'd go into the woods well

211
00:09:53,000 --> 00:09:49,650
actually she was along side the road on

212
00:09:55,070 --> 00:09:53,010
North Lagrange Road so she really

213
00:09:57,400 --> 00:09:55,080

actually couldn't go in there unless you

214

00:10:00,530 --> 00:09:57,410

put it over a guardrail and down a slope

215

00:10:02,150 --> 00:10:00,540

so yeah but she stood around waiting for

216

00:10:04,490 --> 00:10:02,160

this thing pasta come out and it just

217

00:10:05,660 --> 00:10:04,500

didn't but she was on the horn with me

218

00:10:08,960 --> 00:10:05,670

in about 40 minutes

219

00:10:11,030 --> 00:10:08,970

I loved imagine to say that like the

220

00:10:14,840 --> 00:10:11,040

first sighting is around April and we've

221

00:10:17,260 --> 00:10:14,850

had 40 cents then I mean this is mind

222

00:10:19,250 --> 00:10:17,270

blowing stuff are there any other major

223

00:10:21,170 --> 00:10:19,260

commonalities across the sighting

224

00:10:23,360 --> 00:10:21,180

spectrum that we could point to that add

225

00:10:25,490 --> 00:10:23,370

to the overall credibility for the

226

00:10:27,410 --> 00:10:25,500

skeptical ones out there I guess red

227

00:10:29,300 --> 00:10:27,420

eyes does seem to be one that comes up

228

00:10:31,130 --> 00:10:29,310

quite often that's a weird detail to add

229

00:10:34,370 --> 00:10:31,140

unless you actually saw something like

230

00:10:36,140 --> 00:10:34,380

that yeah I think the sightings that

231

00:10:39,680 --> 00:10:36,150

have been seen the night the red eyes

232

00:10:41,750 --> 00:10:39,690

really show up and I don't hear it that

233

00:10:44,240 --> 00:10:41,760

much with the daytime sightings make

234

00:10:46,190 --> 00:10:44,250

sense so that might be one aspect to it

235

00:10:48,470 --> 00:10:46,200

I you know the fact that it does come

236

00:10:50,390 --> 00:10:48,480

out during the day and has been seen

237

00:10:56,510 --> 00:10:50,400

during a day and it's not afraid to be

238

00:10:59,900 --> 00:10:56,520

seen though it does seem to move off

239

00:11:00,950 --> 00:10:59,910

quickly after it's been seen it people

240

00:11:02,540 --> 00:11:00,960

been having a

241

00:11:05,120 --> 00:11:02,550

I'm trying to get a photograph of this

242

00:11:07,370 --> 00:11:05,130

thing you know they'd had the camera out

243

00:11:10,370 --> 00:11:07,380

and it would just take all so quickly

244

00:11:13,310 --> 00:11:10,380

or that it would be a night time not

245

00:11:17,000 --> 00:11:13,320

enough light and some had actually

246

00:11:17,540 --> 00:11:17,010

snapped photographs and nothing was seen

247

00:11:20,329 --> 00:11:17,550

on it

248

00:11:23,269 --> 00:11:20,339

damn so I don't know that's you know

249

00:11:25,550 --> 00:11:23,279

something I believe that there's some

250

00:11:27,199 --> 00:11:25,560

type of supernatural aspect of these

251
00:11:30,710 --> 00:11:27,209
being even though I think the flesh and

252
00:11:32,150 --> 00:11:30,720
blood I think there's something that may

253
00:11:35,030 --> 00:11:32,160
actually keep them from being

254
00:11:37,190 --> 00:11:35,040
photographed as well mmm yeah that's a

255
00:11:38,690 --> 00:11:37,200
popular opinion in the cryptid world and

256
00:11:41,210 --> 00:11:38,700
I have seen those photos that have been

257
00:11:43,730 --> 00:11:41,220
posted so far you're right a few people

258
00:11:46,010 --> 00:11:43,740
have snapped off some shots but cell

259
00:11:47,960 --> 00:11:46,020
phones just are not good at a distance

260
00:11:50,810 --> 00:11:47,970
or with moving objects so you can't

261
00:11:52,670 --> 00:11:50,820
really see that much but I guess is

262
00:11:54,920 --> 00:11:52,680
there any evidence worth mentioning that

263
00:11:57,920 --> 00:11:54,930

does go beyond just the reports of

264

00:11:58,850 --> 00:11:57,930

sightings well we had a couple sketches

265

00:12:01,400 --> 00:11:58,860

and that's about it

266

00:12:04,430 --> 00:12:01,410

but I tell you the one thing that has

267

00:12:06,890 --> 00:12:04,440

really been a big part of this for me is

268

00:12:09,290 --> 00:12:06,900

that when we talk to the witnesses they

269

00:12:12,410 --> 00:12:09,300

don't deviate from what their original

270

00:12:15,320 --> 00:12:12,420

report is I've had sober reports where

271

00:12:17,720 --> 00:12:15,330

the witness would write down send it to

272

00:12:20,690 --> 00:12:17,730

me by email and you know had me contact

273

00:12:23,030 --> 00:12:20,700

them by phone and they just will not

274

00:12:26,600 --> 00:12:23,040

embellish they just stick to what they

275

00:12:28,190 --> 00:12:26,610

originally said and they stay with that

276

00:12:30,440 --> 00:12:28,200

even after I've tried to get them to

277

00:12:33,410 --> 00:12:30,450

embellish the sighting or what they saw

278

00:12:36,130 --> 00:12:33,420

the description it never deviates hmm

279

00:12:38,150 --> 00:12:36,140

and that's a good sign and in terms of

280

00:12:40,910 --> 00:12:38,160

commonalities I guess some other ones

281

00:12:43,040 --> 00:12:40,920

are I've heard in more than one report

282

00:12:46,400 --> 00:12:43,050

that the sound it makes is like

283

00:12:48,050 --> 00:12:46,410

screeching similar to train brakes I've

284

00:12:50,360 --> 00:12:48,060

also heard of course like you said six

285

00:12:53,329 --> 00:12:50,370

feet tall and with a 10-foot wingspan

286

00:12:55,460 --> 00:12:53,339

that's a pretty on point number to hear

287

00:12:58,970 --> 00:12:55,470

from multiple people and I guess a few

288

00:13:00,980 --> 00:12:58,980

others have conveyed a sense of doom or

289

00:13:03,110 --> 00:13:00,990

some type of internal feeling I'm sure

290

00:13:05,329 --> 00:13:03,120

it's a scary thing to see but I guess

291

00:13:06,889 --> 00:13:05,339

there are reports of some feeling I

292

00:13:08,660 --> 00:13:06,899

don't know if it's being projected into

293

00:13:11,810 --> 00:13:08,670

them or just that's what happens when

294

00:13:13,480 --> 00:13:11,820

you see the unknown you know some of the

295

00:13:16,269 --> 00:13:13,490

earlier sightings the

296

00:13:19,360 --> 00:13:16,279

has had that type of emotion or they

297

00:13:23,230 --> 00:13:19,370

felt like some foreboding or fear the

298

00:13:27,639 --> 00:13:23,240

first sighting that we had received any

299

00:13:29,290 --> 00:13:27,649

sound was on the kalman River were a man

300

00:13:31,750 --> 00:13:29,300

his son who were fishing heard the

301
00:13:35,110 --> 00:13:31,760
screeching sound they said like the

302
00:13:37,449 --> 00:13:35,120
wheels of a train screeching but then we

303
00:13:40,449 --> 00:13:37,459
had another sighting in the Auburn

304
00:13:42,280 --> 00:13:40,459
Gresham area of the city when it was

305
00:13:45,670 --> 00:13:42,290
actually seen by two police offers that

306
00:13:49,120 --> 00:13:45,680
the crowd flagged down and this thing

307
00:13:52,120 --> 00:13:49,130
was on top of a three-story building and

308
00:13:55,750 --> 00:13:52,130
when it took off they heard a screeching

309
00:13:59,040 --> 00:13:55,760
sound the other sounds that we have

310
00:14:02,940 --> 00:13:59,050
heard about was there was an encounter

311
00:14:06,130 --> 00:14:02,950
with a man and woman who were down at

312
00:14:09,760 --> 00:14:06,140
North Lake Shore Drive 1,400 North

313
00:14:12,820 --> 00:14:09,770

Lakeshore Drive and this thing flew

314

00:14:16,060 --> 00:14:12,830

across their path went up the building

315

00:14:18,280 --> 00:14:16,070

side of a building got to the near the

316

00:14:20,920 --> 00:14:18,290

top and just froze

317

00:14:24,670 --> 00:14:20,930

still midair like I was looking through

318

00:14:27,970 --> 00:14:24,680

a window then it leaned back took a big

319

00:14:30,030 --> 00:14:27,980

dive into the trees they saw that they

320

00:14:32,710 --> 00:14:30,040

were going back toward the building

321

00:14:35,889 --> 00:14:32,720

because they were there visiting her

322

00:14:37,810 --> 00:14:35,899

mother and she lived in that building at

323

00:14:40,750 --> 00:14:37,820

condominium and when they turned the

324

00:14:43,810 --> 00:14:40,760

corner to head toward the entrance this

325

00:14:47,050 --> 00:14:43,820

thing descended right in front of them

326

00:14:49,269 --> 00:14:47,060

like midair and the wings were out and

327

00:14:52,329 --> 00:14:49,279

it wasn't flapping its wings it was just

328

00:14:56,230 --> 00:14:52,339

like was hovering and they stated that

329

00:14:58,420 --> 00:14:56,240

they heard a vibration like I don't know

330

00:15:00,400 --> 00:14:58,430

they even felt it as well but it was

331

00:15:05,230 --> 00:15:00,410

coming like a humming coming from the

332

00:15:07,510 --> 00:15:05,240

legs the legs were vibrating Wow that's

333

00:15:09,280 --> 00:15:07,520

you only sound other sound that we have

334

00:15:11,949 --> 00:15:09,290

heard about that's so interesting

335

00:15:13,630 --> 00:15:11,959

because I think possibly that could be a

336

00:15:16,620 --> 00:15:13,640

key when wherever we talk about

337

00:15:19,569 --> 00:15:16,630

multi-dimensional entities the idea of

338

00:15:23,230 --> 00:15:19,579

portal openings or something is always

339

00:15:25,030 --> 00:15:23,240

talked about and vibration seems to be a

340

00:15:27,490 --> 00:15:25,040

pretty big key when it comes to

341

00:15:30,280 --> 00:15:27,500

wavelengths and the possible

342

00:15:32,830 --> 00:15:30,290

scene of multiple dimensions who knows

343

00:15:36,100 --> 00:15:32,840

but vibration is an interesting detail

344

00:15:38,890 --> 00:15:36,110

there for sure yeah it is interesting I

345

00:15:42,310 --> 00:15:38,900

started thinking that this may be an

346

00:15:44,980 --> 00:15:42,320

extra dimensional type being early on

347

00:15:48,340 --> 00:15:44,990

because around the same time as some of

348

00:15:50,680 --> 00:15:48,350

the earlier sightings there were huge

349

00:15:53,770 --> 00:15:50,690

flashes of light being seen south of the

350

00:15:57,880 --> 00:15:53,780

city in the area around Chicago Heights

351
00:16:02,500 --> 00:15:57,890
and there was another large flash just

352
00:16:06,850 --> 00:16:02,510
across the border into Indiana so I you

353
00:16:09,970 --> 00:16:06,860
know I have noticed before when doing

354
00:16:12,520 --> 00:16:09,980
with cryptids that you know there would

355
00:16:15,640 --> 00:16:12,530
be flashes of light sometimes an orb

356
00:16:19,270 --> 00:16:15,650
seen during a sighting of like a Bigfoot

357
00:16:21,130 --> 00:16:19,280
or some other type of being or after an

358
00:16:23,820 --> 00:16:21,140
investigator we're go into the area

359
00:16:26,410 --> 00:16:23,830
they'd see these orbs in the same area

360
00:16:28,960 --> 00:16:26,420
so I don't know if it's related but I

361
00:16:32,170 --> 00:16:28,970
believe it is related now I don't know

362
00:16:33,730 --> 00:16:32,180
that's where they originated from I just

363
00:16:37,930 --> 00:16:33,740

don't know but a lot of these that were

364

00:16:41,380 --> 00:16:37,940

seen downtown they seem to be coming

365

00:16:44,200 --> 00:16:41,390

from under one of the overpasses on

366

00:16:46,110 --> 00:16:44,210

Lakeshore Drive so I don't know if

367

00:16:48,700 --> 00:16:46,120

that's where they're hanging out or

368

00:16:50,980 --> 00:16:48,710

there's some tunnels in that areas will

369

00:16:54,160 --> 00:16:50,990

there's a lot of underground that area

370

00:16:56,530 --> 00:16:54,170

so I don't know I don't really don't

371

00:16:58,210 --> 00:16:56,540

know that's so amazing man and then I

372

00:17:00,910 --> 00:16:58,220

find this extra exciting because I know

373

00:17:02,829 --> 00:17:00,920

Chicago pretty well and I spent some

374

00:17:04,510 --> 00:17:02,839

time with that interactive map you have

375

00:17:06,670 --> 00:17:04,520

and I'm shocked that so many of these

376

00:17:08,890 --> 00:17:06,680

sightings are deep in the city many of

377

00:17:11,800 --> 00:17:08,900

they are right along Lakeshore Drive I

378

00:17:14,439 --> 00:17:11,810

mean that's a tourist hotspot I mean

379

00:17:16,329 --> 00:17:14,449

that is a a real corridor of a lot of

380

00:17:18,790 --> 00:17:16,339

action there we have sightings both day

381

00:17:20,590 --> 00:17:18,800

and night that's a little unusual right

382

00:17:23,199 --> 00:17:20,600

usually these things are when people are

383

00:17:25,600 --> 00:17:23,209

alone in the backwoods somewhere but to

384

00:17:29,810 --> 00:17:25,610

have multiple people sometimes couples

385

00:17:32,450 --> 00:17:29,820

seeing these things in the city Wow

386

00:17:35,570 --> 00:17:32,460

that is unusual most times when I get a

387

00:17:37,700 --> 00:17:35,580

report over the years it'll be either

388

00:17:39,380 --> 00:17:37,710

one witness or a witness with their kids

389

00:17:42,470 --> 00:17:39,390

or you know something like that going

390

00:17:45,020 --> 00:17:42,480

down the road a fleeting sighting but

391

00:17:48,920 --> 00:17:45,030

now these sightings have been in front

392

00:17:50,810 --> 00:17:48,930

of fairly large crowds and several of

393

00:17:54,290 --> 00:17:50,820

these settings have been verified by

394

00:17:57,320 --> 00:17:54,300

more than one witness so right yeah it

395

00:17:59,210 --> 00:17:57,330

is unusual and I gotta ask I would like

396

00:18:01,280 --> 00:17:59,220

to think that people have the sense to

397

00:18:03,650 --> 00:18:01,290

be able to tell the difference between a

398

00:18:05,600 --> 00:18:03,660

bat human-hybrid

399

00:18:08,030 --> 00:18:05,610

and something like a person in a

400

00:18:09,170 --> 00:18:08,040

wingsuit or a drone but you got to ask

401
00:18:11,540 --> 00:18:09,180
that kind of question is there any

402
00:18:15,140 --> 00:18:11,550
reasonable explanation for this outside

403
00:18:18,440 --> 00:18:15,150
of some cryptid creature we have looked

404
00:18:22,280 --> 00:18:18,450
at every possible explanation you know

405
00:18:25,700 --> 00:18:22,290
this thing has been seen along the river

406
00:18:27,710 --> 00:18:25,710
downtown along those high buildings if

407
00:18:29,870 --> 00:18:27,720
that was somebody in a squirrel suit

408
00:18:32,780 --> 00:18:29,880
they just done a splat on one of those

409
00:18:35,030 --> 00:18:32,790
buildings there's just no way they could

410
00:18:37,580 --> 00:18:35,040
have stopped and flew across the river

411
00:18:40,190 --> 00:18:37,590
under bridges over bridges they just

412
00:18:43,550 --> 00:18:40,200
would have been impossible as far as a

413
00:18:46,580 --> 00:18:43,560

drone I just don't see that being

414

00:18:50,500 --> 00:18:46,590

possibility because this thing flapped

415

00:18:52,910 --> 00:18:50,510

its wings and would turn its head and

416

00:18:55,970 --> 00:18:52,920

acknowledge the people that it was going

417

00:18:58,550 --> 00:18:55,980

by and come back and do all kinds of

418

00:19:00,590 --> 00:18:58,560

strange maneuvers we actually had a

419

00:19:02,780 --> 00:19:00,600

sighting out on the lake where there was

420

00:19:07,040 --> 00:19:02,790

two of these things seem together Wow

421

00:19:09,020 --> 00:19:07,050

and they were doing figure 8 and going

422

00:19:12,410 --> 00:19:09,030

to brown to each other and such and took

423

00:19:14,990 --> 00:19:12,420

off so yeah you know the the maneuvers

424

00:19:17,750 --> 00:19:15,000

that this thing has demonstrated and the

425

00:19:19,640 --> 00:19:17,760

way it has flown and the speed as well

426

00:19:22,640 --> 00:19:19,650

you know and if you had a drone you'd

427

00:19:25,250 --> 00:19:22,650

hear so I I just don't believe that's

428

00:19:27,680 --> 00:19:25,260

what it is at all and as far as wildlife

429

00:19:30,560 --> 00:19:27,690

goes you know I've had people say well

430

00:19:34,220 --> 00:19:30,570

it may be a sandhill crane or a blue

431

00:19:37,100 --> 00:19:34,230

heron well I haven't seen any six or

432

00:19:39,580 --> 00:19:37,110

seven foot creams you know cream doesn't

433

00:19:41,810 --> 00:19:39,590

get any bigger maybe thirty pounds and

434

00:19:43,170 --> 00:19:41,820

you know they don't have a wingspan of

435

00:19:44,940 --> 00:19:43,180

ten foot or more

436

00:19:49,500 --> 00:19:44,950

no they also don't really have the shape

437

00:19:51,360 --> 00:19:49,510

of a person either no hey man I just

438

00:19:53,130 --> 00:19:51,370

love it and you mentioned earlier that

439

00:19:54,810 --> 00:19:53,140

we have a few police officers who have

440

00:19:56,490 --> 00:19:54,820

seen it I feel like that adds a little

441

00:19:56,940 --> 00:19:56,500

credibility they don't want that kind of

442

00:20:01,350 --> 00:19:56,950

trouble

443

00:20:03,900 --> 00:20:01,360

but in terms of the local media or the

444

00:20:05,820 --> 00:20:03,910

local police how much attention is this

445

00:20:07,970 --> 00:20:05,830

getting outside of the cryptozoology

446

00:20:10,350 --> 00:20:07,980

community our people in Chicago actually

447

00:20:12,270 --> 00:20:10,360

wakin up to this thing or would you say

448

00:20:15,360 --> 00:20:12,280

it's more of under the radar media

449

00:20:18,120 --> 00:20:15,370

blackout well there's been somewhat of a

450

00:20:19,800 --> 00:20:18,130

media blackout but the residents are

451

00:20:22,620 --> 00:20:19,810

getting the word it's traveling

452

00:20:26,280 --> 00:20:22,630

word-of-mouth and I've been saying that

453

00:20:28,320 --> 00:20:26,290

for the last five or six weeks and I was

454

00:20:30,060 --> 00:20:28,330

on the phone with someone just before

455

00:20:32,790 --> 00:20:30,070

you call I I'm getting anywhere from 10

456

00:20:36,210 --> 00:20:32,800

to 20 calls a day from just regular

457

00:20:39,120 --> 00:20:36,220

residents of Chicago wondering what this

458

00:20:42,300 --> 00:20:39,130

is worry about what it is one no what I

459

00:20:44,520 --> 00:20:42,310

think it is and you know I don't buy

460

00:20:47,730 --> 00:20:44,530

into that harbinger of doom theory at

461

00:20:51,570 --> 00:20:47,740

all but myself you know even if I did I

462

00:20:55,260 --> 00:20:51,580

would said and I try to dispel as much

463

00:20:57,570 --> 00:20:55,270

beer as I can with people but this is

464

00:20:59,520 --> 00:20:57,580

you know since we had the two police

465

00:21:01,740 --> 00:20:59,530

officers who were together then earlier

466

00:21:06,000 --> 00:21:01,750

we had a state police officer and his

467

00:21:07,920 --> 00:21:06,010

son near the lakefront see this thing so

468

00:21:10,830 --> 00:21:07,930

you know we had two sets of police

469

00:21:13,800 --> 00:21:10,840

officers we've had city workers who have

470

00:21:16,080 --> 00:21:13,810

seen it I've had city workers you have

471

00:21:18,300 --> 00:21:16,090

contact and me even people who are

472

00:21:22,830 --> 00:21:18,310

involved with the political side of the

473

00:21:26,580 --> 00:21:22,840

city tell me that City Hall definitely

474

00:21:28,380 --> 00:21:26,590

knows about it and the major media just

475

00:21:29,360 --> 00:21:28,390

trying to stay away from as much as

476

00:21:32,910 --> 00:21:29,370

possible

477

00:21:34,800 --> 00:21:32,920

makes sense another interesting element

478

00:21:37,590 --> 00:21:34,810

that I've heard you talk about is that

479

00:21:39,360 --> 00:21:37,600

Chicago tends to get a lot of UFO

480

00:21:42,570 --> 00:21:39,370

sightings are at least a fairly steady

481

00:21:45,180 --> 00:21:42,580

amount but since these oh man man-bat

482

00:21:48,330 --> 00:21:45,190

sightings these other types of sightings

483

00:21:50,340 --> 00:21:48,340

have kind of come to a halt right yeah

484

00:21:53,160 --> 00:21:50,350

that's something that we discovered

485

00:21:56,610 --> 00:21:53,170

early which Kowski and I have you know

486

00:21:58,920 --> 00:21:56,620

he's mostly into UFOs

487

00:22:02,310 --> 00:21:58,930

and we've been keeping an eye on the

488

00:22:04,350 --> 00:22:02,320

reporting centers and the sightings in

489

00:22:07,860 --> 00:22:04,360

and around the Chicago area and into

490

00:22:10,650 --> 00:22:07,870

over the lake have really waned since it

491

00:22:15,180 --> 00:22:10,660

started you know that it was nothing to

492

00:22:20,310 --> 00:22:15,190

get on to the CMS the MUFON CMS are the

493

00:22:22,410 --> 00:22:20,320

new Fork reporter reporting log and see

494

00:22:26,880 --> 00:22:22,420

sightings in and around Chicago every

495

00:22:29,610 --> 00:22:26,890

day that just hasn't been going on now I

496

00:22:33,600 --> 00:22:29,620

don't know if this is the reason why my

497

00:22:37,500 --> 00:22:33,610

body it's interesting and I've had a

498

00:22:41,700 --> 00:22:37,510

couple paranormal investigators also

499

00:22:45,540 --> 00:22:41,710

tell me that the actual calls to them

500

00:22:48,350 --> 00:22:45,550

for hauntings and other type of activity

501
00:22:50,970 --> 00:22:48,360
hasn't been as strong as as well so

502
00:22:53,760 --> 00:22:50,980
maybe this thing is affecting all that I

503
00:22:56,070 --> 00:22:53,770
had no idea right I mean that's

504
00:22:58,080 --> 00:22:56,080
interesting to note for sure how is

505
00:22:59,790 --> 00:22:58,090
MUFON responding to this I know cryptids

506
00:23:01,500 --> 00:22:59,800
aren't really their wheelhouse but I

507
00:23:03,570 --> 00:23:01,510
think all this stuff is connected are

508
00:23:05,370 --> 00:23:03,580
they getting on this with you and kind

509
00:23:07,980 --> 00:23:05,380
of helping to try to get to the bottom

510
00:23:10,470 --> 00:23:07,990
of it you know that's a long story but I

511
00:23:13,980 --> 00:23:10,480
will say this when the first sighting

512
00:23:15,930 --> 00:23:13,990
came out of MUFON I jumped on it and

513
00:23:17,940 --> 00:23:15,940

reported it didn't add to that they had

514

00:23:20,430 --> 00:23:17,950

actually gotten all together about four

515

00:23:23,760 --> 00:23:20,440

reports and I'm not going to name names

516

00:23:28,080 --> 00:23:23,770

but the person in charge of everything

517

00:23:30,750 --> 00:23:28,090

in in state of Illinois contacted me and

518

00:23:32,700 --> 00:23:30,760

wanted to work together you know I've

519

00:23:35,100 --> 00:23:32,710

had my issues with MUFON over the years

520

00:23:36,480 --> 00:23:35,110

and you know I told him I said well you

521

00:23:39,150 --> 00:23:36,490

know if you're gonna be sincere about

522

00:23:40,620 --> 00:23:39,160

this and share information I had no

523

00:23:43,710 --> 00:23:40,630

problem with that whether that didn't

524

00:23:45,330 --> 00:23:43,720

last long so I told them I said I'm not

525

00:23:46,860 --> 00:23:45,340

even gonna share information you know I

526
00:23:49,260 --> 00:23:46,870
don't even want to have being bald and

527
00:23:50,669 --> 00:23:49,270
Buffon on this and for the most part

528
00:23:54,000 --> 00:23:50,679
they've been staying away from it now

529
00:23:56,970 --> 00:23:54,010
they had a problem with people who are

530
00:24:00,600 --> 00:23:56,980
following reports not talking to them

531
00:24:02,460 --> 00:24:00,610
and they were getting frustrated and

532
00:24:05,370 --> 00:24:02,470
getting upset with us thinking that we

533
00:24:07,590 --> 00:24:05,380
were telling them not to talk to them

534
00:24:10,200 --> 00:24:07,600
well I don't know how they do that

535
00:24:10,480 --> 00:24:10,210
because I don't have any other contact

536
00:24:12,250 --> 00:24:10,490
you

537
00:24:14,740 --> 00:24:12,260
formation so I wasn't talking to these

538
00:24:17,320 --> 00:24:14,750

people though later on we did have one

539

00:24:19,410 --> 00:24:17,330

of the witches contact us the cause

540

00:24:22,570 --> 00:24:19,420

MUFON wouldn't investigate it with them

541

00:24:24,850 --> 00:24:22,580

right not as strange you think they'd be

542

00:24:26,950 --> 00:24:24,860

all about this but you know you

543

00:24:28,419 --> 00:24:26,960

mentioned that harbinger of doom theory

544

00:24:30,820 --> 00:24:28,429

that you're not really into of course

545

00:24:32,700 --> 00:24:30,830

that is the closest association to the

546

00:24:35,620 --> 00:24:32,710

Mothman sightings in Point Pleasant

547

00:24:37,690 --> 00:24:35,630

popularized by John keel he kind of

548

00:24:39,370 --> 00:24:37,700

brought that theory out that it was some

549

00:24:41,770 --> 00:24:39,380

type of omen for the Silver Bridge

550

00:24:43,810 --> 00:24:41,780

collapse and I'm sure some people

551
00:24:46,030 --> 00:24:43,820
wondered the same thing in this case

552
00:24:48,549 --> 00:24:46,040
because there are some parallels and it

553
00:24:50,440 --> 00:24:48,559
is interesting that Chicago is the gang

554
00:24:53,590 --> 00:24:50,450
violence capital of the country earning

555
00:24:55,900 --> 00:24:53,600
at that nickname of chiraq could such

556
00:24:58,000 --> 00:24:55,910
strong emotional and negative energy

557
00:24:59,830 --> 00:24:58,010
manifest such beans do you think there

558
00:25:02,460 --> 00:24:59,840
could be some energetic effect somehow

559
00:25:05,650 --> 00:25:02,470
that's making them come into existence

560
00:25:07,990 --> 00:25:05,660
you know I think it's possible you know

561
00:25:11,080 --> 00:25:08,000
I have been following this phenomena for

562
00:25:13,220 --> 00:25:11,090
years now and it does seem that these

563
00:25:16,580 --> 00:25:13,230

things show up

564

00:25:19,610 --> 00:25:16,590

at times when people are having personal

565

00:25:21,200 --> 00:25:19,620

issues dysfunction and quite frankly I

566

00:25:23,720 --> 00:25:21,210

don't know of any city in the United

567

00:25:25,159 --> 00:25:23,730

States is a dysfunctional Chicago at the

568

00:25:28,759 --> 00:25:25,169

moment so that may very well be

569

00:25:31,519 --> 00:25:28,769

something but yeah this harbinger of

570

00:25:34,850 --> 00:25:31,529

doom theory yeah that was perpetuated by

571

00:25:37,519 --> 00:25:34,860

John keel I believe right and in the

572

00:25:39,980 --> 00:25:37,529

residents of Point Pleasant when the

573

00:25:43,039 --> 00:25:39,990

bridge collapsed it was kind of like an

574

00:25:44,840 --> 00:25:43,049

excuse for what happened I believe but

575

00:25:47,480 --> 00:25:44,850

there were other things going on as well

576

00:25:49,639 --> 00:25:47,490

even the men in black the UFO sightings

577

00:25:52,940 --> 00:25:49,649

and a lot of other strange things

578

00:25:54,560 --> 00:25:52,950

associated with the Mothman but that's a

579

00:25:56,899 --> 00:25:54,570

weird area anyway because your stuff

580

00:25:58,940 --> 00:25:56,909

still happens there I get reports out of

581

00:26:02,060 --> 00:25:58,950

Point Pleasant a lot and the fact I'm

582

00:26:05,090 --> 00:26:02,070

dealing with a couple now who believe

583

00:26:07,610 --> 00:26:05,100

that they were somehow affected by the

584

00:26:11,060 --> 00:26:07,620

Mothman or some type of other entity at

585

00:26:13,039 --> 00:26:11,070

one of those TNT cones several years ago

586

00:26:15,980 --> 00:26:13,049

but it's still sticking with them so I

587

00:26:18,620 --> 00:26:15,990

don't know how much it has affected them

588

00:26:20,990 --> 00:26:18,630

though I do believe people have been

589

00:26:23,960 --> 00:26:21,000

affected by some things that go on that

590

00:26:27,470 --> 00:26:23,970

McClintock area at McClintock preserve

591

00:26:29,600 --> 00:26:27,480

area where the TNT plants located so

592

00:26:32,649 --> 00:26:29,610

yeah yeah and also as far as this

593

00:26:36,440 --> 00:26:32,659

harbinger of doom theory there have been

594

00:26:38,210 --> 00:26:36,450

disasters where people would claim after

595

00:26:40,399 --> 00:26:38,220

the fact that they had seen something

596

00:26:45,169 --> 00:26:40,409

the Mississippi River bridge in

597

00:26:46,129 --> 00:26:45,179

Minneapolis Fukushima Chernobyl there

598

00:26:48,500 --> 00:26:46,139

were people that would come out

599

00:26:51,799 --> 00:26:48,510

afterwards and say uh you know I saw

600

00:26:53,690 --> 00:26:51,809

flying being above where this happened

601
00:26:55,490 --> 00:26:53,700
well but it's always after the fact so I

602
00:26:57,450 --> 00:26:55,500
don't you know I really don't know if

603
00:27:00,690 --> 00:26:57,460
that's true or not

604
00:27:03,360 --> 00:27:00,700
yeah I mean things happening near an

605
00:27:05,700 --> 00:27:03,370
AT&T facility is kind of interesting

606
00:27:09,150 --> 00:27:05,710
because a lot of times people suggest

607
00:27:12,210 --> 00:27:09,160
that signals in the air might be doing

608
00:27:13,890 --> 00:27:12,220
something to cross over into opening

609
00:27:15,510 --> 00:27:13,900
portals to other dimensions that again

610
00:27:19,440 --> 00:27:15,520
it might be some kind of frequency based

611
00:27:21,630 --> 00:27:19,450
thing but AT&T Bell Labs Lockheed Martin

612
00:27:24,120 --> 00:27:21,640
how often do you find these big

613
00:27:26,220 --> 00:27:24,130

companies having some kind of facility

614

00:27:29,610 --> 00:27:26,230

nearby because that's something I would

615

00:27:32,690 --> 00:27:29,620

probably think about yeah I've looked

616

00:27:36,480 --> 00:27:32,700

into that the only thing I can think of

617

00:27:39,930 --> 00:27:36,490

in the Chicago area is that they have a

618

00:27:43,110 --> 00:27:39,940

CERN like a Collider that's been in the

619

00:27:47,070 --> 00:27:43,120

area for about 40 years now it's up in

620

00:27:50,850 --> 00:27:47,080

the north western part of one of the

621

00:27:52,890 --> 00:27:50,860

suburbs northwest of the city there I've

622

00:27:55,740 --> 00:27:52,900

had people tell me that they've seen

623

00:27:57,900 --> 00:27:55,750

some bizarre things in that area but we

624

00:27:59,880 --> 00:27:57,910

haven't really had any sightings there

625

00:28:02,520 --> 00:27:59,890

it's just something that we're looking

626

00:28:04,500 --> 00:28:02,530

into as well he almost got to look at

627

00:28:06,150 --> 00:28:04,510

everything huh really I mean because

628

00:28:10,200 --> 00:28:06,160

these sightings have been spread all

629

00:28:14,010 --> 00:28:10,210

over the city plus as far as 20 30 miles

630

00:28:16,560 --> 00:28:14,020

outside the city as well so you know

631

00:28:18,740 --> 00:28:16,570

we're taking the reports and just going

632

00:28:21,660 --> 00:28:18,750

with it trying to come up with theories

633

00:28:24,000 --> 00:28:21,670

people going into areas and checking

634

00:28:25,080 --> 00:28:24,010

them out so you know we got a few

635

00:28:27,510 --> 00:28:25,090

possibilities

636

00:28:32,760 --> 00:28:27,520

I mean we've even gotten to the point

637

00:28:35,340 --> 00:28:32,770

where we're using I'm using conduits or

638

00:28:38,669 --> 00:28:35,350

Chandler's to try to get an idea of what

639

00:28:41,100 --> 00:28:38,679

this is I even have an RV group that

640

00:28:44,610 --> 00:28:41,110

I've been working with as well so um

641

00:28:46,530 --> 00:28:44,620

right you know I I'm almost at the point

642

00:28:48,510 --> 00:28:46,540

where I you know I will take any little

643

00:28:51,299 --> 00:28:48,520

bit of information and see if I discern

644

00:28:53,640 --> 00:28:51,309

any type of decent information from it

645

00:28:55,919 --> 00:28:53,650

yeah I heard you talking about working

646

00:28:58,560 --> 00:28:55,929

with remote viewers on this and trying

647

00:29:00,690 --> 00:28:58,570

to do some sessions around this creature

648

00:29:03,180 --> 00:29:00,700

or these creatures has anything

649

00:29:06,180 --> 00:29:03,190

interesting come out of those you know

650

00:29:08,050 --> 00:29:06,190

we've got a few possible pieces of

651
00:29:11,800 --> 00:29:08,060
evidence that

652
00:29:14,470 --> 00:29:11,810
may help us but at the present time I

653
00:29:16,120 --> 00:29:14,480
haven't really seen the connection but

654
00:29:18,370 --> 00:29:16,130
something that we're keeping on the back

655
00:29:20,760 --> 00:29:18,380
burner in case this thing shows up at

656
00:29:24,400 --> 00:29:20,770
some place where these are bees

657
00:29:25,780 --> 00:29:24,410
pinpointed you know right this tyreal II

658
00:29:27,880 --> 00:29:25,790
don't want to say a whole lot about it

659
00:29:30,580 --> 00:29:27,890
unless we get something that kind of

660
00:29:32,860 --> 00:29:30,590
coincides with what we're hearing sure

661
00:29:34,930 --> 00:29:32,870
sure but you are right about those

662
00:29:36,730 --> 00:29:34,940
hotspots and just looking at every

663
00:29:39,070 --> 00:29:36,740

possible angle I mean you got to look

664

00:29:40,990 --> 00:29:39,080

for DARPA facilities in the area of

665

00:29:42,640 --> 00:29:41,000

military bases any of those kind of

666

00:29:44,890 --> 00:29:42,650

hotspots because my first thought would

667

00:29:48,790 --> 00:29:44,900

be that this would be some kind of deep

668

00:29:52,390 --> 00:29:48,800

state project gone wrong or some kind of

669

00:29:53,560 --> 00:29:52,400

a cult ritual that got out of hand it

670

00:29:55,510 --> 00:29:53,570

really does make you wonder I know

671

00:29:57,820 --> 00:29:55,520

there's museums right in that area I

672

00:30:01,290 --> 00:29:57,830

mean possibly someone broke open an

673

00:30:04,120 --> 00:30:01,300

ancient statue in the history museum

674

00:30:06,730 --> 00:30:04,130

that ancient Egyptian curse or something

675

00:30:08,320 --> 00:30:06,740

yeah I don't know that I you know that's

676
00:30:11,710 --> 00:30:08,330
a new angle I haven't heard anything

677
00:30:15,360 --> 00:30:11,720
about that but you know the Chicago area

678
00:30:18,040 --> 00:30:15,370
doesn't really have a lot of military

679
00:30:20,410 --> 00:30:18,050
installations as opposed to some other

680
00:30:23,110 --> 00:30:20,420
cities there are some government

681
00:30:25,150 --> 00:30:23,120
projects in and around the city some

682
00:30:27,490 --> 00:30:25,160
independent projects associated with the

683
00:30:29,350 --> 00:30:27,500
government we've been doing some

684
00:30:31,600 --> 00:30:29,360
checking I've been doing some checking

685
00:30:34,150 --> 00:30:31,610
and I've been talking to people they

686
00:30:37,480 --> 00:30:34,160
live in the city that are familiar with

687
00:30:40,660 --> 00:30:37,490
things that are going on or have been

688
00:30:45,100 --> 00:30:40,670

going on so you know I got a huge list

689

00:30:47,740 --> 00:30:45,110

of things on my checklist that just you

690

00:30:52,450 --> 00:30:47,750

know at this point it's really hard for

691

00:30:55,390 --> 00:30:52,460

me to kind of put a connection with

692

00:30:58,150 --> 00:30:55,400

these that you know and another thing is

693

00:30:59,530 --> 00:30:58,160

you check out the witnesses as far as

694

00:31:01,960 --> 00:30:59,540

maybe there's a connection between

695

00:31:05,110 --> 00:31:01,970

witnesses this thing is going to certain

696

00:31:08,920 --> 00:31:05,120

people so far we really haven't made

697

00:31:11,830 --> 00:31:08,930

that connection either Wow well it's

698

00:31:14,530 --> 00:31:11,840

definitely fascinating and maybe it is

699

00:31:17,470 --> 00:31:14,540

hard to peg it to anything but in terms

700

00:31:19,600 --> 00:31:17,480

of it being a flesh-and-blood creature

701
00:31:21,820 --> 00:31:19,610
burse is having a paranormal aspect has

702
00:31:24,100 --> 00:31:21,830
anybody seen it material

703
00:31:29,130 --> 00:31:24,110
lies or dematerialize or anything like

704
00:31:31,480 --> 00:31:29,140
that no not manifesting or or

705
00:31:34,450 --> 00:31:31,490
disappearing no nothing like that it

706
00:31:37,509 --> 00:31:34,460
usually seems to come from somewhere

707
00:31:39,220 --> 00:31:37,519
quickly then move off again but nobody

708
00:31:45,370 --> 00:31:39,230
ever sees where it comes from a word

709
00:31:48,130 --> 00:31:45,380
goes to amazing man and also we talked a

710
00:31:50,470 --> 00:31:48,140
little bit about the cover up angle of

711
00:31:52,120 --> 00:31:50,480
it the media blackout and that kind of

712
00:31:54,519 --> 00:31:52,130
thing I don't think we mentioned this

713
00:31:56,620 --> 00:31:54,529

yet but it's in my notes I guess there's

714

00:31:58,149 --> 00:31:56,630

been four Freedom of Information Act Stu

715

00:32:00,070 --> 00:31:58,159

the Chicago Police all coming back

716

00:32:02,049 --> 00:32:00,080

nothing reported which I would think

717

00:32:03,870 --> 00:32:02,059

seems odd considering how many reports

718

00:32:06,940 --> 00:32:03,880

you've got they'd have to have some oh

719

00:32:09,759 --> 00:32:06,950

they've got them I'm quite sure the

720

00:32:11,919 --> 00:32:09,769

police officer Albert Gresham stated

721

00:32:14,710 --> 00:32:11,929

emphatically that he bought a report now

722

00:32:15,820 --> 00:32:14,720

right you know just because he filed a

723

00:32:18,220 --> 00:32:15,830

report doesn't mean they're gonna

724

00:32:20,139 --> 00:32:18,230

release it you know normally when you

725

00:32:22,840 --> 00:32:20,149

put in the Freedom of Information Act

726

00:32:24,909 --> 00:32:22,850

request it takes several weeks before

727

00:32:28,810 --> 00:32:24,919

you even hear back we're getting

728

00:32:30,789 --> 00:32:28,820

responses within a few days mm just

729

00:32:33,930 --> 00:32:30,799

stating well we had nothing on record

730

00:32:38,950 --> 00:32:33,940

there's nothing ever been reported I

731

00:32:43,750 --> 00:32:38,960

made a request for 9-1-1 logs that was

732

00:32:45,700 --> 00:32:43,760

denied so you know I I'm pretty sure

733

00:32:48,399 --> 00:32:45,710

they are keeping a lid on it you know

734

00:32:52,000 --> 00:32:48,409

I've heard a lot of reasons why you know

735

00:32:54,669 --> 00:32:52,010

one being tourists because most of the

736

00:32:56,889 --> 00:32:54,679

sightings are downtown I don't know if

737

00:32:58,960 --> 00:32:56,899

that's true or not I just believe

738

00:33:01,840 --> 00:32:58,970

the point where Chicago is right now

739

00:33:03,909 --> 00:33:01,850

with as many issues that they do have I

740

00:33:05,529 --> 00:33:03,919

just feel that they think that they

741

00:33:08,200 --> 00:33:05,539

don't want to pal over something else

742

00:33:09,730 --> 00:33:08,210

right right yeah you know they just

743

00:33:11,500 --> 00:33:09,740

don't want a whole lot of people asking

744

00:33:12,340 --> 00:33:11,510

them questions about what's going on

745

00:33:14,769 --> 00:33:12,350

mm-hmm

746

00:33:16,690 --> 00:33:14,779

well denying those requests is

747

00:33:18,820 --> 00:33:16,700

definitely a bit of a red flag that

748

00:33:20,950 --> 00:33:18,830

shows some kind of fishiness going on

749

00:33:22,360 --> 00:33:20,960

have there been any other red flags in

750

00:33:25,200 --> 00:33:22,370

the investigation that we haven't

751
00:33:29,649 --> 00:33:25,210
mentioned yet that you've come across

752
00:33:32,919 --> 00:33:29,659
well yeah I've talked to a few reporters

753
00:33:35,240 --> 00:33:32,929
in the city with television stations for

754
00:33:37,610 --> 00:33:35,250
the most part

755
00:33:41,090 --> 00:33:37,620
I had at least one verified he knew

756
00:33:43,330 --> 00:33:41,100
about it but I have had other people

757
00:33:47,260 --> 00:33:43,340
that he worked with or they work with

758
00:33:49,700 --> 00:33:47,270
that simply denied it so you know I

759
00:33:52,790 --> 00:33:49,710
don't know I'm still trying to figure

760
00:33:54,740 --> 00:33:52,800
out what the angle was on that I don't

761
00:33:56,450 --> 00:33:54,750
know I mean it just seems that there is

762
00:34:00,140 --> 00:33:56,460
a concerted effort to keep this thing

763
00:34:02,990 --> 00:34:00,150

quiet for the most part but people are

764

00:34:07,430 --> 00:34:03,000

talking about it I mean I talked to

765

00:34:09,110 --> 00:34:07,440

people you call me and I asked them well

766

00:34:10,310 --> 00:34:09,120

you know where did you hear about it and

767

00:34:12,980 --> 00:34:10,320

they said oh it's all over the

768

00:34:15,830 --> 00:34:12,990

neighborhood you know people are talking

769

00:34:17,780 --> 00:34:15,840

about it on the internet you know so

770

00:34:21,350 --> 00:34:17,790

yeah the words out there's no doubt

771

00:34:24,950 --> 00:34:21,360

about that mom and I guess it does seem

772

00:34:27,500 --> 00:34:24,960

to be more creature than Manor more

773

00:34:29,570 --> 00:34:27,510

animal than man we mentioned those

774

00:34:31,850 --> 00:34:29,580

feelings of fear and those sounds of

775

00:34:34,730 --> 00:34:31,860

screeching but sometimes encrypted

776

00:34:36,379 --> 00:34:34,740

encounters people seem to lock up and

777

00:34:38,419 --> 00:34:36,389

sync up with these things and get some

778

00:34:41,300 --> 00:34:38,429

type of telepathic message is anything

779

00:34:43,970 --> 00:34:41,310

like that come through well this last

780

00:34:46,669 --> 00:34:43,980

sighting seemed to be like that the

781

00:34:49,940 --> 00:34:46,679

woman who was watching this thing she

782

00:34:51,260 --> 00:34:49,950

stated that it seemed like it was well

783

00:34:54,260 --> 00:34:51,270

she said she had like a whimsical

784

00:34:55,940 --> 00:34:54,270

reaction to this sighting though she was

785

00:34:58,940 --> 00:34:55,950

really calm when I talked to her she

786

00:35:02,630 --> 00:34:58,950

said it seemed to her that does link

787

00:35:05,390 --> 00:35:02,640

being wanted her to see it and I was

788

00:35:07,220 --> 00:35:05,400

giving her a message though you know I

789

00:35:10,730 --> 00:35:07,230

don't know but she got ready to take the

790

00:35:13,580 --> 00:35:10,740

picture the thing took the dive so maybe

791

00:35:15,350 --> 00:35:13,590

just didn't want to be seen but she you

792

00:35:19,130 --> 00:35:15,360

know she didn't have any sense of and

793

00:35:20,930 --> 00:35:19,140

fear anything from it but when she said

794

00:35:22,100 --> 00:35:20,940

whimsical that was the first time I

795

00:35:24,620 --> 00:35:22,110

heard of it

796

00:35:27,880 --> 00:35:24,630

so I don't know some people have said

797

00:35:31,670 --> 00:35:27,890

well I have felt that he knew that I was

798

00:35:34,820 --> 00:35:31,680

watching it somehow some of the people

799

00:35:36,710 --> 00:35:34,830

well yeah one couple in particular this

800

00:35:40,060 --> 00:35:36,720

was in Lake Shore Drive as well

801
00:35:43,490 --> 00:35:40,070
said this thing flew over top of them

802
00:35:46,160 --> 00:35:43,500
flew off turned its head looked back at

803
00:35:47,750 --> 00:35:46,170
them with these red eyes turned on a

804
00:35:48,950 --> 00:35:47,760
dime it came right back to him again

805
00:35:51,680 --> 00:35:48,960
like it knew that

806
00:35:53,510 --> 00:35:51,690
they had seen it yeah you know and of

807
00:35:56,420 --> 00:35:53,520
course the one I mentioned where this

808
00:35:59,570 --> 00:35:56,430
thing ascended slowly and hovered in

809
00:36:01,520 --> 00:35:59,580
front of them the reaction that they had

810
00:36:03,770 --> 00:36:01,530
now there were people there on the other

811
00:36:06,140 --> 00:36:03,780
side of the street and in fact she

812
00:36:09,200 --> 00:36:06,150
didn't mention that she noticed the

813
00:36:12,470 --> 00:36:09,210

flash from a phone camera so it was at

814

00:36:14,839 --> 00:36:12,480

nighttime but her reaction was when this

815

00:36:18,800 --> 00:36:14,849

thing took off ascended away from them

816

00:36:22,480 --> 00:36:18,810

she just felt her knees her husband had

817

00:36:25,430 --> 00:36:22,490

actually dragged her back to the condo

818

00:36:26,870 --> 00:36:25,440

so there have been reactions like that

819

00:36:30,430 --> 00:36:26,880

there was an encounter out in

820

00:36:33,079 --> 00:36:30,440

Bolingbrook where this woman came across

821

00:36:36,440 --> 00:36:33,089

what she described as what she thought

822

00:36:38,720 --> 00:36:36,450

were two people embracing on a path by

823

00:36:40,490 --> 00:36:38,730

the playground the park and it was at

824

00:36:43,160 --> 00:36:40,500

night and it was part of her MoMA

825

00:36:45,859 --> 00:36:43,170

routine and I take a walk out there and

826

00:36:48,680 --> 00:36:45,869

when she came across this thing she said

827

00:36:51,740 --> 00:36:48,690

did say it heard like a like a slurping

828

00:36:53,720 --> 00:36:51,750

sound or sucking sound she didn't know

829

00:36:57,079 --> 00:36:53,730

what it was it wasn't loud but she

830

00:37:00,500 --> 00:36:57,089

noticed it but for one thing she did

831

00:37:03,230 --> 00:37:00,510

notice that kind of freaked herb it was

832

00:37:06,109 --> 00:37:03,240

about seven foot high but it was wide

833

00:37:09,589 --> 00:37:06,119

her first reaction was that it was two

834

00:37:11,359 --> 00:37:09,599

people embracing each other because it

835

00:37:12,890 --> 00:37:11,369

seemed to have something wrapped around

836

00:37:15,860 --> 00:37:12,900

it which I believe were probably the

837

00:37:19,150 --> 00:37:15,870

wings right and

838

00:37:22,100 --> 00:37:19,160

she didn't notice any eyes or anything

839

00:37:25,630 --> 00:37:22,110

I'm thinking it was probably sleep or

840

00:37:29,180 --> 00:37:25,640

something though it did turn towards her

841

00:37:32,180 --> 00:37:29,190

as she was standing she got about within

842

00:37:35,410 --> 00:37:32,190

15 feet of it you know and when she

843

00:37:38,420 --> 00:37:35,420

realized that it wasn't two people she

844

00:37:40,520 --> 00:37:38,430

moved around through the grass enough to

845

00:37:43,340 --> 00:37:40,530

get to the other side of the park as she

846

00:37:46,130 --> 00:37:43,350

was walking away she became very very

847

00:37:48,250 --> 00:37:46,140

tired she said it's like all the energy

848

00:37:50,510 --> 00:37:48,260

was sucked out of it she had to sit down

849

00:37:53,390 --> 00:37:50,520

even though she kept her eye on this

850

00:37:54,890 --> 00:37:53,400

thing or to see where was that when she

851

00:37:58,310 --> 00:37:54,900

was able to get up she had it right

852

00:38:01,820 --> 00:37:58,320

straight to her house so they did have

853

00:38:03,800 --> 00:38:01,830

that effect on her so I don't know damn

854

00:38:06,110 --> 00:38:03,810

so interesting man I mean as someone

855

00:38:07,940 --> 00:38:06,120

who's made this their livelihood this

856

00:38:10,220 --> 00:38:07,950

has to be super exciting because we're

857

00:38:13,010 --> 00:38:10,230

talking about the scale of something

858

00:38:14,840 --> 00:38:13,020

maybe that's even surpassed the Point

859

00:38:17,210 --> 00:38:14,850

Pleasant sightings at this point and

860

00:38:18,440 --> 00:38:17,220

we're still talking about that and we

861

00:38:20,600 --> 00:38:18,450

might be in the middle of something that

862

00:38:21,370 --> 00:38:20,610

people are talking about for decades to

863

00:38:25,250 --> 00:38:21,380

come

864

00:38:27,770 --> 00:38:25,260

well I believe this is historical as far

865

00:38:30,620 --> 00:38:27,780

as flying humanoid type being these

866

00:38:33,290 --> 00:38:30,630

sightings probably the largest group of

867

00:38:35,480 --> 00:38:33,300

sightings one general area since Point

868

00:38:37,190 --> 00:38:35,490

Pleasant yeah you know any type of

869

00:38:39,290 --> 00:38:37,200

cryptid is very rare that you get a

870

00:38:41,930 --> 00:38:39,300

multiple number of sightings like this

871

00:38:44,690 --> 00:38:41,940

the reason why it's happening now I have

872

00:38:48,110 --> 00:38:44,700

no idea but yeah it's pretty remarkable

873

00:38:52,160 --> 00:38:48,120

and it's probably most like a historical

874

00:38:53,240 --> 00:38:52,170

event it definitely is man and I guess I

875

00:38:55,880 --> 00:38:53,250

would ask is there anything else we

876

00:38:57,470 --> 00:38:55,890

should note about this Chicago situation

877

00:39:00,110 --> 00:38:57,480

before we look at some of the other open

878

00:39:02,240 --> 00:39:00,120

investigations you have going on that's

879

00:39:04,730 --> 00:39:02,250

just about it I mean it's one of these

880

00:39:06,770 --> 00:39:04,740

things were I just got to wait and see

881

00:39:10,010 --> 00:39:06,780

what else comes in and maybe we'll get a

882

00:39:11,450 --> 00:39:10,020

break get a good photographed or you

883

00:39:14,210 --> 00:39:11,460

know get some other type of evidence

884

00:39:16,550 --> 00:39:14,220

that helps us to distinguish what this

885

00:39:19,760 --> 00:39:16,560

is where it's coming from where it's

886

00:39:21,680 --> 00:39:19,770

going and why it's around right it is

887

00:39:23,960 --> 00:39:21,690

kind of tough to say much more than

888

00:39:27,620 --> 00:39:23,970

people are seeing something weird but

889

00:39:29,570 --> 00:39:27,630

that alone is just so fascinating and to

890

00:39:31,610 --> 00:39:29,580

get into maybe alien abduction

891

00:39:33,980 --> 00:39:31,620

a bit in one blog post you talk about

892

00:39:35,960 --> 00:39:33,990

David Jacobs he's a big proponent of the

893

00:39:38,450 --> 00:39:35,970

hybridization theory that humans are

894

00:39:40,820 --> 00:39:38,460

being abducted for reproductive and

895

00:39:44,000 --> 00:39:40,830

hybrid making purposes but you go on to

896

00:39:46,670 --> 00:39:44,010

say contrary to David Jacobs assertions

897

00:39:48,890 --> 00:39:46,680

I have an opposing opinion and reference

898

00:39:50,570 --> 00:39:48,900

to alien abductions based on testimony

899

00:39:52,100 --> 00:39:50,580

and research I've conducted over the

900

00:39:54,640 --> 00:39:52,110

years can you tell us about that

901
00:39:59,870 --> 00:39:54,650
opposing opinion what's the why behind

902
00:40:03,670 --> 00:39:59,880
abductions based on your research well

903
00:40:07,220 --> 00:40:03,680
you know he admits that the evidence of

904
00:40:09,230 --> 00:40:07,230
basically body snatching is that

905
00:40:12,380 --> 00:40:09,240
abductees have been reporting a similar

906
00:40:14,270 --> 00:40:12,390
experience recalling common details you

907
00:40:18,470 --> 00:40:14,280
know I really don't know if he's ever

908
00:40:21,050 --> 00:40:18,480
gotten a case are mentioned a case like

909
00:40:23,780 --> 00:40:21,060
I had gotten when I was working with

910
00:40:25,670 --> 00:40:23,790
David Eckhart in his family I don't know

911
00:40:27,710 --> 00:40:25,680
if you're familiar with that case but oh

912
00:40:29,300 --> 00:40:27,720
yeah I'm leading right into it that is a

913
00:40:32,180 --> 00:40:29,310

hell of a case definitely tell us a

914

00:40:34,850 --> 00:40:32,190

little bit about his well basically they

915

00:40:36,860 --> 00:40:34,860

lived in the Pensacola area not really

916

00:40:38,540 --> 00:40:36,870

far from the Gulf Breeze would you know

917

00:40:40,670 --> 00:40:38,550

you're familiar with Gulf Breeze and all

918

00:40:43,990 --> 00:40:40,680

the crash sightings but David was a

919

00:40:46,790 --> 00:40:44,000

contractor he had built a beautiful home

920

00:40:49,940 --> 00:40:46,800

what he called the home of his dreams

921

00:40:53,390 --> 00:40:49,950

and Fanny had lived there for a maybe

922

00:40:56,930 --> 00:40:53,400

year so when they started encountering

923

00:41:00,680 --> 00:40:56,940

these small beings that were coming

924

00:41:02,120 --> 00:41:00,690

somehow into the bedroom he saw them but

925

00:41:04,730 --> 00:41:02,130

you know there was so quickly the

926
00:41:08,900 --> 00:41:04,740
fleeting sightings well over the years

927
00:41:10,880 --> 00:41:08,910
he started placing cameras in the

928
00:41:13,250 --> 00:41:10,890
bedroom to try to capture these things

929
00:41:14,840 --> 00:41:13,260
coming in and out I mean these things

930
00:41:17,240 --> 00:41:14,850
were actually destroying some of the

931
00:41:19,010 --> 00:41:17,250
cameras it got to the point where the

932
00:41:22,820 --> 00:41:19,020
only way he could keep a camera from

933
00:41:25,520 --> 00:41:22,830
getting destroyed was mounting one of

934
00:41:29,570 --> 00:41:25,530
those corner mirrors that security

935
00:41:33,140 --> 00:41:29,580
mirrors and shining you know have the

936
00:41:35,570 --> 00:41:33,150
camera focused on that and take the

937
00:41:38,690 --> 00:41:35,580
reflection off of that thing that seemed

938
00:41:40,670 --> 00:41:38,700

to be the only way he could do it and he

939

00:41:43,130 --> 00:41:40,680

would use strobe lights and a lot of

940

00:41:45,590 --> 00:41:43,140

other things but he did capture it he

941

00:41:48,500 --> 00:41:45,600

captured a and I have it up on my

942

00:41:51,830 --> 00:41:48,510

Facebook page but it's the video of this

943

00:41:56,390 --> 00:41:51,840

being at the doorway B's bathroom but

944

00:42:00,850 --> 00:41:56,400

when the abduction started these beings

945

00:42:04,700 --> 00:42:00,860

plus what I believe was an overlord a

946

00:42:06,560 --> 00:42:04,710

reptilian type being we're coming in

947

00:42:08,410 --> 00:42:06,570

through a portal in the bedroom and I

948

00:42:13,370 --> 00:42:08,420

know it sounds ridiculous and so huh

949

00:42:15,530 --> 00:42:13,380

just so fantastical but I'm telling you

950

00:42:18,110 --> 00:42:15,540

you know you know I'll be honest with

951
00:42:20,570 --> 00:42:18,120
you I for the first couple months I had

952
00:42:23,390 --> 00:42:20,580
a hard time believing David as well but

953
00:42:27,530 --> 00:42:23,400
he came forth with more more evidence

954
00:42:30,200 --> 00:42:27,540
about these beings actually taken in two

955
00:42:33,110 --> 00:42:30,210
other locations two underground

956
00:42:37,100 --> 00:42:33,120
locations two underwater locations on

957
00:42:40,250 --> 00:42:37,110
this planet he was cured of a real bad

958
00:42:43,400 --> 00:42:40,260
case of rheumatoid arthritis it's just a

959
00:42:45,830 --> 00:42:43,410
fantastic story right and this actually

960
00:42:49,190 --> 00:42:45,840
went on for almost ten years I mean his

961
00:42:51,050 --> 00:42:49,200
family was being abducted as well but he

962
00:42:53,570 --> 00:42:51,060
was always taken somewhere other than

963
00:42:55,340 --> 00:42:53,580

where his family was taken and they

964

00:42:58,280 --> 00:42:55,350

acknowledged that that they'd be taken

965

00:43:00,020 --> 00:42:58,290

someplace else but he was seeing all

966

00:43:01,820 --> 00:43:00,030

cons that they were showing it to it it

967

00:43:04,220 --> 00:43:01,830

was almost like you know we're gonna

968

00:43:05,480 --> 00:43:04,230

pick you up let's take a tour ah do you

969

00:43:08,570 --> 00:43:05,490

know they were showing him underground

970

00:43:11,830 --> 00:43:08,580

taverns where there were other alien

971

00:43:14,570 --> 00:43:11,840

beings acting basically as slave labor

972

00:43:16,570 --> 00:43:14,580

mm-hmm there were also human beings that

973

00:43:20,210 --> 00:43:16,580

were working as slave labor

974

00:43:23,120 --> 00:43:20,220

it seemed that DS reptilian type B were

975

00:43:25,250 --> 00:43:23,130

the overlords but this one reptilian was

976

00:43:28,130 --> 00:43:25,260

the one who came and got in each and

977

00:43:32,270 --> 00:43:28,140

every time that occurred for about ten

978

00:43:35,540 --> 00:43:32,280

years by the time he talked to me it was

979

00:43:37,640 --> 00:43:35,550

almost over with and in fact they still

980

00:43:40,100 --> 00:43:37,650

check up on him occasionally it's like

981

00:43:42,680 --> 00:43:40,110

maybe twice a year around April and once

982

00:43:44,540 --> 00:43:42,690

another time in November it seems to be

983

00:43:47,210 --> 00:43:44,550

a cycle where they just come back and

984

00:43:49,910 --> 00:43:47,220

check up on him Wow but it's a bizarre

985

00:43:51,710 --> 00:43:49,920

story but I'm telling you I and there's

986

00:43:53,900 --> 00:43:51,720

a lot of it I just really have not

987

00:43:56,539 --> 00:43:53,910

released I mean there's some really

988

00:43:59,539 --> 00:43:56,549

horrific things he saw

989

00:44:02,870 --> 00:43:59,549

describe to me Wow can you give us one

990

00:44:05,689 --> 00:44:02,880

of those crazy things that he saw well I

991

00:44:09,229 --> 00:44:05,699

guess one of them would be when they

992

00:44:13,549 --> 00:44:09,239

actually took him into a an area of one

993

00:44:17,959 --> 00:44:13,559

of these facilities where they would

994

00:44:21,709 --> 00:44:17,969

dissect humans living humans I mean they

995

00:44:23,809 --> 00:44:21,719

were awake and these were reptilians

996

00:44:26,900 --> 00:44:23,819

were doing the actual dissecting and

997

00:44:31,880 --> 00:44:26,910

they were always cutting them from the

998

00:44:35,329 --> 00:44:31,890

back on the end and you saw the area

999

00:44:39,079 --> 00:44:35,339

where they disposed of these bodies it

1000

00:44:42,430 --> 00:44:39,089

was like a huge furnace but

1001
00:44:45,890 --> 00:44:42,440
they would descend slowly into this

1002
00:44:49,339 --> 00:44:45,900
cauldron of some type and that's how

1003
00:44:51,079 --> 00:44:49,349
they would be disposed of and you know I

1004
00:44:53,450 --> 00:44:51,089
told him I said what did he ever explain

1005
00:44:55,940 --> 00:44:53,460
to you what they were doing he said no

1006
00:44:58,160 --> 00:44:55,950
he said from what he was told those

1007
00:45:00,469 --> 00:44:58,170
people just never made it back they were

1008
00:45:03,579 --> 00:45:00,479
taken for good basically and he said

1009
00:45:07,880 --> 00:45:03,589
there was another device he had seen

1010
00:45:10,579 --> 00:45:07,890
where they would take these humans and

1011
00:45:14,029 --> 00:45:10,589
it had other beings as well and they put

1012
00:45:16,370 --> 00:45:14,039
him in like a cylindrical type of

1013
00:45:18,469 --> 00:45:16,380

transport but it was small they were

1014

00:45:21,259 --> 00:45:18,479

actually shrink this thing and shrink

1015

00:45:23,930 --> 00:45:21,269

whoever was and put it in there and when

1016

00:45:28,099 --> 00:45:23,940

it would be placed in to this device

1017

00:45:29,959 --> 00:45:28,109

several other these cylindrical pods or

1018

00:45:34,819 --> 00:45:29,969

whatever they were this is what they

1019

00:45:36,529 --> 00:45:34,829

used to transport all planet nice almost

1020

00:45:40,009 --> 00:45:36,539

like you know Stargate or something that

1021

00:45:41,749 --> 00:45:40,019

effect but he was able to you know he's

1022

00:45:45,529 --> 00:45:41,759

very good at drawing in because it was

1023

00:45:47,839 --> 00:45:45,539

working such and he had remembered some

1024

00:45:49,870 --> 00:45:47,849

of the symbols he had seen he drew a

1025

00:45:52,640 --> 00:45:49,880

sketch of this device

1026

00:45:55,700 --> 00:45:52,650

he had also written down a bunch of

1027

00:45:58,609 --> 00:45:55,710

formulas that were projected to in

1028

00:46:00,579 --> 00:45:58,619

telepathically I have taken these

1029

00:46:03,339 --> 00:46:00,589

formulas to a lot of different people

1030

00:46:05,690 --> 00:46:03,349

they can't figure out what it is Wow

1031

00:46:09,140 --> 00:46:05,700

yeah it's an amazing story

1032

00:46:09,499 --> 00:46:09,150

you know David was lemme the paranormal

1033

00:46:13,130 --> 00:46:09,509

files

1034

00:46:16,069 --> 00:46:13,140

fact or faked show with Ben Harris and

1035

00:46:17,900 --> 00:46:16,079

when they then they had moved out of the

1036

00:46:21,650 --> 00:46:17,910

house by then but when they were there

1037

00:46:23,959 --> 00:46:21,660

they tried to recreate some of the

1038

00:46:26,239 --> 00:46:23,969

things that David claimed I Kauai

1039

00:46:28,560 --> 00:46:26,249

frankly when I talked to Dan he told me

1040

00:46:30,300 --> 00:46:28,570

you know

1041

00:46:32,930 --> 00:46:30,310

I have to believe the guy he said I

1042

00:46:35,940 --> 00:46:32,940

really can't disprove what he's claiming

1043

00:46:38,850 --> 00:46:35,950

I mean I had him on our radio show a

1044

00:46:40,560 --> 00:46:38,860

couple weeks that the show was aired cuz

1045

00:46:42,000 --> 00:46:40,570

you know I had some issues with wait

1046

00:46:43,590 --> 00:46:42,010

some of the things were showing but he

1047

00:46:46,410 --> 00:46:43,600

told me he said right over the radio he

1048

00:46:48,300 --> 00:46:46,420

said I cannot dispute what he said I

1049

00:46:50,790 --> 00:46:48,310

mean I couldn't tell he was faking and

1050

00:46:52,740 --> 00:46:50,800

not there was one instance that really

1051
00:46:55,350 --> 00:46:52,750
freaked him out that happened and it was

1052
00:46:58,410 --> 00:46:55,360
something that David told me before when

1053
00:47:00,930 --> 00:46:58,420
they had the truck outside and it was at

1054
00:47:02,400 --> 00:47:00,940
nighttime and you know they had the

1055
00:47:04,860 --> 00:47:02,410
production crew and everything out in

1056
00:47:07,110 --> 00:47:04,870
this truck outside the house and David

1057
00:47:12,060 --> 00:47:07,120
was in the house so David had told me

1058
00:47:15,270 --> 00:47:12,070
before that when these beings came into

1059
00:47:17,100 --> 00:47:15,280
the house he believed that there was an

1060
00:47:19,680 --> 00:47:17,110
electrical charge that kind of

1061
00:47:22,350 --> 00:47:19,690
surrounded the place and got into the

1062
00:47:25,910 --> 00:47:22,360
soil around the house because thousands

1063
00:47:30,450 --> 00:47:25,920

of my cars would come up to the surface

1064

00:47:34,410 --> 00:47:30,460

so as they were filming David inside the

1065

00:47:36,150 --> 00:47:34,420

house David had mentioned that he could

1066

00:47:37,770 --> 00:47:36,160

feel something happening and they're

1067

00:47:40,380 --> 00:47:37,780

looking around they can't tell what's

1068

00:47:43,500 --> 00:47:40,390

going on in the house but when they went

1069

00:47:45,510 --> 00:47:43,510

outside there were thousands of these

1070

00:47:49,680 --> 00:47:45,520

night crawlers all over the yard on the

1071

00:47:53,310 --> 00:47:49,690

pathway on the sidewalk the driveway and

1072

00:47:55,350 --> 00:47:53,320

David used to tell me every morning that

1073

00:47:57,630 --> 00:47:55,360

he would get up after he'd have an

1074

00:47:59,970 --> 00:47:57,640

encounter at home he had to take the

1075

00:48:02,640 --> 00:47:59,980

hose and wash down the driveway into the

1076

00:48:04,860 --> 00:48:02,650

sidewalks out into the street and they

1077

00:48:08,130 --> 00:48:04,870

were just to raise hell about it he said

1078

00:48:10,530 --> 00:48:08,140

all these night girls being washed down

1079

00:48:12,420 --> 00:48:10,540

out into the road every time it happened

1080

00:48:14,280 --> 00:48:12,430

these things came up weird what do you

1081

00:48:16,080 --> 00:48:14,290

think's behind that some type of field

1082

00:48:19,500 --> 00:48:16,090

effect or some type of magnetism

1083

00:48:20,940 --> 00:48:19,510

disrupting their navigation perhaps oh I

1084

00:48:23,000 --> 00:48:20,950

don't know you know it just seemed that

1085

00:48:25,740 --> 00:48:23,010

everything seemed to light up or become

1086

00:48:28,200 --> 00:48:25,750

charged I guess you could say when they

1087

00:48:30,270 --> 00:48:28,210

showed up he said there would be power

1088

00:48:33,120 --> 00:48:30,280

surge in the electrical lines sometimes

1089

00:48:35,610 --> 00:48:33,130

he actually thought that some of these

1090

00:48:37,580 --> 00:48:35,620

beings could travel through the

1091

00:48:42,170 --> 00:48:37,590

electrical conduits

1092

00:48:45,230 --> 00:48:42,180

I did capture an image in his bedroom at

1093

00:48:48,080 --> 00:48:45,240

one point where this beam was coming out

1094

00:48:51,290 --> 00:48:48,090

of a wall about half way and then ducked

1095

00:48:54,290 --> 00:48:51,300

back in it was hard to see but it was

1096

00:48:57,110 --> 00:48:54,300

pretty bizarre yeah yeah so you know

1097

00:49:00,140 --> 00:48:57,120

that's basically what was going on with

1098

00:49:02,120 --> 00:49:00,150

David I did talk to him occasionally you

1099

00:49:05,270 --> 00:49:02,130

know this was about eight years ago you

1100

00:49:07,340 --> 00:49:05,280

know I started interviewing him and I'm

1101
00:49:08,780 --> 00:49:07,350
interested the key touch within just to

1102
00:49:10,340 --> 00:49:08,790
know what you know try to figure out

1103
00:49:14,360 --> 00:49:10,350
what's been going on with him this

1104
00:49:16,310 --> 00:49:14,370
family yeah yeah it's a bizarre it was a

1105
00:49:18,650 --> 00:49:16,320
bizarre thing and it's interesting

1106
00:49:21,230 --> 00:49:18,660
because for years she tried to get MUFON

1107
00:49:23,780 --> 00:49:21,240
in Florida getting involved with it and

1108
00:49:25,670 --> 00:49:23,790
they just refused to get involved a lot

1109
00:49:28,070 --> 00:49:25,680
of other investigators turned him down I

1110
00:49:29,960 --> 00:49:28,080
just happened to see the video one day

1111
00:49:32,270 --> 00:49:29,970
what somebody had put it up on YouTube

1112
00:49:35,060 --> 00:49:32,280
for him and I started asking around

1113
00:49:36,770 --> 00:49:35,070

wondering where this person was were you

1114

00:49:40,610 --> 00:49:36,780

know where David was where the witness

1115

00:49:42,380 --> 00:49:40,620

was and I got a hold of him by email and

1116

00:49:44,330 --> 00:49:42,390

we eventually started talking you know

1117

00:49:47,540 --> 00:49:44,340

Dave and I talked on the phone I think

1118

00:49:53,060 --> 00:49:47,550

we talked every day for at least four to

1119

00:49:55,370 --> 00:49:53,070

five hours for almost six months yeah he

1120

00:49:57,590 --> 00:49:55,380

was showing me all kinds of video and

1121

00:49:59,810 --> 00:49:57,600

pictures he had taken over the years but

1122

00:50:02,570 --> 00:49:59,820

there's so much evidence and I'm really

1123

00:50:06,260 --> 00:50:02,580

I am kind of hesitant to release some of

1124

00:50:09,950 --> 00:50:06,270

it I had released part of it but there's

1125

00:50:12,680 --> 00:50:09,960

just so much that quite frankly I don't

1126

00:50:14,180 --> 00:50:12,690

think people can handle you know I don't

1127

00:50:16,760 --> 00:50:14,190

wanna start sounding like the government

1128

00:50:19,040 --> 00:50:16,770

not disclosing anything but yeah man I

1129

00:50:20,960 --> 00:50:19,050

personally think that some of this stuff

1130

00:50:23,350 --> 00:50:20,970

is maybe more than what people can

1131

00:50:26,680 --> 00:50:23,360

handle well hearing about

1132

00:50:30,470 --> 00:50:26,690

experimentation on live people and a

1133

00:50:32,150 --> 00:50:30,480

cauldron of dead bodies is it's a lot to

1134

00:50:34,490 --> 00:50:32,160

take in I mean that alone is a lot to

1135

00:50:37,790 --> 00:50:34,500

take in but you mentioned these glyphs

1136

00:50:39,200 --> 00:50:37,800

and these formulas like I've seen some

1137

00:50:43,100 --> 00:50:39,210

pictures of those that you've posted

1138

00:50:44,570 --> 00:50:43,110

super fascinating and no educated person

1139

00:50:47,210 --> 00:50:44,580

that you forwarded these to has been

1140

00:50:49,400 --> 00:50:47,220

able to make heads or tails of it at all

1141

00:50:52,310 --> 00:50:49,410

have there been any decent guesses

1142

00:50:56,810 --> 00:50:52,320

I sent it to three mathematicians one a

1143

00:50:59,870 --> 00:50:56,820

Caltech one an MIT and another ad RAM

1144

00:51:02,150 --> 00:50:59,880

and none of them could make heads or

1145

00:51:05,390 --> 00:51:02,160

tails what a mad Wow

1146

00:51:07,370 --> 00:51:05,400

I was thinking about sending to someone

1147

00:51:09,170 --> 00:51:07,380

into quantum physics that's what David

1148

00:51:11,570 --> 00:51:09,180

said he thought it might be work but I

1149

00:51:14,750 --> 00:51:11,580

had one individual tell me that there's

1150

00:51:17,740 --> 00:51:14,760

nothing in physics that even comes close

1151
00:51:21,050 --> 00:51:17,750
to being able to decipher what that was

1152
00:51:24,230 --> 00:51:21,060
hmm and I brought that up because we

1153
00:51:26,210 --> 00:51:24,240
were talking about the other possible

1154
00:51:28,760 --> 00:51:26,220
motivations for alien abduction other

1155
00:51:30,710 --> 00:51:28,770
than hybridization you know what do you

1156
00:51:33,620 --> 00:51:30,720
think the motivation was in David's case

1157
00:51:35,210 --> 00:51:33,630
is it just to transport this information

1158
00:51:37,490 --> 00:51:35,220
to him somehow I mean because if you see

1159
00:51:39,530 --> 00:51:37,500
in slave's and medical experiments it's

1160
00:51:42,470 --> 00:51:39,540
interesting that he wouldn't be used in

1161
00:51:44,660 --> 00:51:42,480
that same way yeah I thought that was

1162
00:51:46,490 --> 00:51:44,670
interesting there were some things that

1163
00:51:48,350 --> 00:51:46,500

had occurred you know one particular

1164

00:51:50,720 --> 00:51:48,360

time he told me that he and his family

1165

00:51:53,360 --> 00:51:50,730

were sitting down for breakfast one

1166

00:51:55,910 --> 00:51:53,370

morning and all of a sudden he saw this

1167

00:51:57,650 --> 00:51:55,920

group of these small aliens walking out

1168

00:52:00,880 --> 00:51:57,660

of the living room into the kitchen and

1169

00:52:04,070 --> 00:52:00,890

just walking by them he questioned it

1170

00:52:08,720 --> 00:52:04,080

when that reptilian came a couple days

1171

00:52:10,970 --> 00:52:08,730

later basically what he was told is that

1172

00:52:12,560 --> 00:52:10,980

they were giving these other alien

1173

00:52:16,370 --> 00:52:12,570

beings tours that they were so

1174

00:52:18,019 --> 00:52:16,380

fascinated by the way humans lived

1175

00:52:21,109 --> 00:52:18,029

that they were almost like giving him a

1176

00:52:25,599 --> 00:52:21,119

tour of David's place Wow I know it

1177

00:52:29,839 --> 00:52:25,609

sounds bizarre but he was dead serious

1178

00:52:31,549 --> 00:52:29,849

so I tell ya it's like I jump in the

1179

00:52:33,470 --> 00:52:31,559

wormhole or whatever you want to call it

1180

00:52:35,720 --> 00:52:33,480

but every time I talk about or think

1181

00:52:38,480 --> 00:52:35,730

about it it really is some fascinating

1182

00:52:41,230 --> 00:52:38,490

stuff you know I had talked a lot of

1183

00:52:45,109 --> 00:52:41,240

people about this over the years and

1184

00:52:47,359 --> 00:52:45,119

there have been people that have told me

1185

00:52:50,630 --> 00:52:47,369

stories that closely resembled some of

1186

00:52:54,019 --> 00:52:50,640

this stuff as well so you know I don't

1187

00:52:57,980 --> 00:52:54,029

know why he was chosen to see this

1188

00:53:00,890 --> 00:52:57,990

they told him a few things that may

1189

00:53:03,230 --> 00:53:00,900

happen in the future that haven't

1190

00:53:06,140 --> 00:53:03,240

happened and I don't know if they're

1191

00:53:07,789 --> 00:53:06,150

gonna happen but they gave dates you

1192

00:53:11,180 --> 00:53:07,799

know when the certain date comes up

1193

00:53:13,549 --> 00:53:11,190

every year I just kind of hold my breath

1194

00:53:16,900 --> 00:53:13,559

hoping nothing's gonna happen this has

1195

00:53:19,370 --> 00:53:16,910

been going now for about six years and

1196

00:53:22,339 --> 00:53:19,380

I'm not gonna mention the date I told

1197

00:53:24,170 --> 00:53:22,349

David I wouldn't do that but it see

1198

00:53:25,700 --> 00:53:24,180

every year when this date comes up I'm

1199

00:53:29,660 --> 00:53:25,710

holding my breath hoping something

1200

00:53:31,490 --> 00:53:29,670

doesn't happen right Wow and you already

1201
00:53:35,690 --> 00:53:31,500
kind of mentioned this but I've read

1202
00:53:37,160 --> 00:53:35,700
through his reports and I wrote this

1203
00:53:39,529 --> 00:53:37,170
down because it was just a really

1204
00:53:41,210 --> 00:53:39,539
interesting paragraph but he says David

1205
00:53:43,700 --> 00:53:41,220
describes seeing vast underground

1206
00:53:45,799 --> 00:53:43,710
caverns that he was told were under the

1207
00:53:48,230 --> 00:53:45,809
Earth's surface in these caverns it

1208
00:53:50,569 --> 00:53:48,240
became obvious what species was in

1209
00:53:53,599 --> 00:53:50,579
charge the reptilians there were other

1210
00:53:56,390 --> 00:53:53,609
beans as well namely the lesser class or

1211
00:53:58,430 --> 00:53:56,400
greys as well as other species these

1212
00:54:00,950 --> 00:53:58,440
caverns appeared to be some type of

1213
00:54:05,150 --> 00:54:00,960

mining operation that uses manual labor

1214

00:54:07,249 --> 00:54:05,160

this included human laborers and I love

1215

00:54:09,529 --> 00:54:07,259

anything that has to do with the

1216

00:54:11,930 --> 00:54:09,539

underground is there anything more you

1217

00:54:15,049 --> 00:54:11,940

could tell us about maybe other species

1218

00:54:18,980 --> 00:54:15,059

he saw or the scope of these operations

1219

00:54:21,680 --> 00:54:18,990

that are supposed to be underground I do

1220

00:54:24,650 --> 00:54:21,690

know that there are so many different

1221

00:54:26,990 --> 00:54:24,660

types of grey beings you know you hear

1222

00:54:30,080 --> 00:54:27,000

about the small greys and the tall greys

1223

00:54:31,700 --> 00:54:30,090

well he told me at one point he thought

1224

00:54:34,580 --> 00:54:31,710

there were at least 11 different types

1225

00:54:37,430 --> 00:54:34,590

of brave beings there are some that are

1226

00:54:39,500 --> 00:54:37,440

just workers or some that are kind of a

1227

00:54:42,620 --> 00:54:39,510

hierarchy you know I've had other

1228

00:54:46,520 --> 00:54:42,630

abduction reports over the years it

1229

00:54:50,300 --> 00:54:46,530

seems to me that the reptilians are more

1230

00:54:53,540 --> 00:54:50,310

like foremen and that another group of

1231

00:54:55,220 --> 00:54:53,550

like insectoid type beings are usually

1232

00:54:58,100 --> 00:54:55,230

the ones in charge everything but I

1233

00:55:01,510 --> 00:54:58,110

think these beings that are said to be

1234

00:55:05,900 --> 00:55:01,520

in sect order basically some type of

1235

00:55:10,090 --> 00:55:05,910

reptilian that has morphed into another

1236

00:55:13,070 --> 00:55:10,100

level hmm like a butterfly in a cocoon

1237

00:55:15,830 --> 00:55:13,080

basically a metamorphosis you know I

1238

00:55:18,200 --> 00:55:15,840

believe that's actually what happens now

1239

00:55:20,360 --> 00:55:18,210

I have talked a few people about that

1240

00:55:21,980 --> 00:55:20,370

some who say that well you know you

1241

00:55:24,170 --> 00:55:21,990

can't prove any and I came through that

1242

00:55:26,300 --> 00:55:24,180

but I'm just going about what I hear you

1243

00:55:30,170 --> 00:55:26,310

know in just what people tell me that

1244

00:55:32,780 --> 00:55:30,180

they've seen you know as far as suppose

1245

00:55:36,230 --> 00:55:32,790

of hybrid I think there is some hybrid

1246

00:55:38,330 --> 00:55:36,240

programs but I don't believe that that's

1247

00:55:41,180 --> 00:55:38,340

the main reason why people are abducted

1248

00:55:43,160 --> 00:55:41,190

right I'm sure it's a whole bunch of

1249

00:55:46,220 --> 00:55:43,170

reasons yeah I think the biggest reason

1250

00:55:49,030 --> 00:55:46,230

is tissue collection or body fluid

1251

00:55:51,620 --> 00:55:49,040

collection for certain other reasons

1252

00:55:55,450 --> 00:55:51,630

maybe why I mean that scope out to just

1253

00:56:02,180 --> 00:55:55,460

say medical procedures might be better

1254

00:56:03,710 --> 00:56:02,190

experimentation yeah yeah and also just

1255

00:56:05,630 --> 00:56:03,720

before we start really wrapping it up

1256

00:56:08,960 --> 00:56:05,640

your next book from what I understand is

1257

00:56:12,140 --> 00:56:08,970

going to be on UFO encounters right

1258

00:56:14,270 --> 00:56:12,150

I decide to change that okay I'm gonna

1259

00:56:17,510 --> 00:56:14,280

concentrate on what's going on Chicago

1260

00:56:19,580 --> 00:56:17,520

yeah why's because there's some

1261

00:56:21,950 --> 00:56:19,590

behind-the-scenes stuff that hasn't been

1262

00:56:25,070 --> 00:56:21,960

disclosed that very well may be able to

1263

00:56:26,930 --> 00:56:25,080

disclose later on down the road but I

1264

00:56:28,790 --> 00:56:26,940

want to get it down in writing I want to

1265

00:56:30,620 --> 00:56:28,800

get it all together put a few of my

1266

00:56:32,900 --> 00:56:30,630

thoughts into it maybe a little

1267

00:56:36,109 --> 00:56:32,910

speculation on my part other than what

1268

00:56:38,599 --> 00:56:36,119

I've already speculated but uh you know

1269

00:56:41,630 --> 00:56:38,609

I don't know I think a book may be

1270

00:56:43,940 --> 00:56:41,640

warranted absolutely I would say so I

1271

00:56:46,010 --> 00:56:43,950

mean considering this is setting the

1272

00:56:48,440 --> 00:56:46,020

record for a concentration of sites

1273

00:56:51,260 --> 00:56:48,450

going back all the way to Point Pleasant

1274

00:56:53,420 --> 00:56:51,270

yeah warrants a book yeah I really don't

1275

00:56:55,790 --> 00:56:53,430

want to relate it to what happened to

1276
00:56:57,560 --> 00:56:55,800
Point Pleasant you know all the strange

1277
00:56:59,810 --> 00:56:57,570
activity that happened during that

1278
00:57:03,109 --> 00:56:59,820
period you know there may be some

1279
00:57:05,570 --> 00:57:03,119
correlation eventually but right you

1280
00:57:07,130 --> 00:57:05,580
know I just I don't know I don't know I

1281
00:57:09,290 --> 00:57:07,140
know you know where this whole thing's

1282
00:57:11,780 --> 00:57:09,300
gonna leave me too I mean this thing

1283
00:57:13,579 --> 00:57:11,790
could continue to go on for indefinite I

1284
00:57:15,440 --> 00:57:13,589
mean I don't know yeah I mean well

1285
00:57:17,120 --> 00:57:15,450
that's half the fun of it I'm kind of

1286
00:57:19,880 --> 00:57:17,130
thinking of when the weather changes

1287
00:57:22,220 --> 00:57:19,890
maybe me and all the snow is hitting in

1288
00:57:25,010 --> 00:57:22,230

Chicago maybe it's taking bite level off

1289

00:57:27,980 --> 00:57:25,020

so I'm out right right well you know we

1290

00:57:29,599 --> 00:57:27,990

also had the great American Eclipse who

1291

00:57:32,300 --> 00:57:29,609

knows if it has something to do with

1292

00:57:33,829 --> 00:57:32,310

some aspect of our cosmic grandfather

1293

00:57:36,700 --> 00:57:33,839

clock you know some kind of portal

1294

00:57:39,680 --> 00:57:36,710

opening in relation to that event you

1295

00:57:42,710 --> 00:57:39,690

know who knows I mean I had people that

1296

00:57:44,599 --> 00:57:42,720

are scared to death that kim jeong-hoon

1297

00:57:47,270 --> 00:57:44,609

is gonna drop a nuclear weapon on

1298

00:57:49,849 --> 00:57:47,280

Chicago and that this is some portent of

1299

00:57:51,440 --> 00:57:49,859

doom I don't know you know I hear all

1300

00:57:53,480 --> 00:57:51,450

kinds of things you know people are

1301
00:57:55,940 --> 00:57:53,490
freaking out but I tried to spell that

1302
00:57:59,480 --> 00:57:55,950
as best I can I'm telling you I did hear

1303
00:58:01,460 --> 00:57:59,490
people talk about the Eclipse and what

1304
00:58:03,710 --> 00:58:01,470
was going on Scott but in fact you know

1305
00:58:04,579 --> 00:58:03,720
there was a sighting in Chicago during

1306
00:58:07,250 --> 00:58:04,589
the Eclipse

1307
00:58:09,890 --> 00:58:07,260
hi yeah and a lot of people saw it

1308
00:58:12,829 --> 00:58:09,900
tickets right downtown right by the

1309
00:58:14,470 --> 00:58:12,839
harbor so I guess one more question

1310
00:58:18,109 --> 00:58:14,480
would be on when it comes to the

1311
00:58:20,480 --> 00:58:18,119
sightings in Chicago what is the largest

1312
00:58:22,789 --> 00:58:20,490
number of people that have been able to

1313
00:58:25,160 --> 00:58:22,799

corroborate a single sighting

1314

00:58:27,739 --> 00:58:25,170

I guess the Adler Planetarium sightings

1315

00:58:31,809 --> 00:58:27,749

the sighting of the other polarity room

1316

00:58:35,169 --> 00:58:31,819

we've had two groups that saw this thing

1317

00:58:38,029 --> 00:58:35,179

as well as the thing at auburn gresham

1318

00:58:41,299 --> 00:58:38,039

or we had two two police officers then I

1319

00:58:43,339 --> 00:58:41,309

had another witness come forward had

1320

00:58:44,719 --> 00:58:43,349

seen this thing in the nearby tree

1321

00:58:46,759 --> 00:58:44,729

before the police have gotten that

1322

00:58:48,079 --> 00:58:46,769

people have been seeing that thing in

1323

00:58:53,630 --> 00:58:48,089

that neighborhood for about two days

1324

00:58:55,579 --> 00:58:53,640

prior to that as well damn that's just

1325

00:58:57,709 --> 00:58:55,589

amazing and I think it adds so much

1326

00:59:01,099 --> 00:58:57,719

credibility to have a group sighting

1327

00:59:03,019 --> 00:59:01,109

like that just amazing and to have a

1328

00:59:05,029 --> 00:59:03,029

concentration of sightings like we're

1329

00:59:06,979 --> 00:59:05,039

having in Chicago just blows my mind I

1330

00:59:09,799 --> 00:59:06,989

love it along with all the other wild

1331

00:59:12,349 --> 00:59:09,809

stuff we talked about before we do close

1332

00:59:13,549 --> 00:59:12,359

it out please remind people where they

1333

00:59:16,009 --> 00:59:13,559

and monsters one of the best cryptid

1373

01:00:46,279 --> 01:00:44,460

news sites on the internet and I just

1374

01:00:48,890 --> 01:00:46,289

find this to be so fascinating this is

1375

01:00:51,229 --> 01:00:48,900

such a large group of sightings just let

1376

01:00:54,019 --> 01:00:51,239

me run through the headlines here that

01:02:21,829 --> 01:02:19,440
flying over Melrose Park winged humanoid

1412
01:02:24,709 --> 01:02:21,839
confronts shocking Chicago witnesses big

1413
01:02:27,920 --> 01:02:24,719

owl circles offshore near Chicago's Ohio

1414

01:02:30,499 --> 01:02:27,930

Street Beach big winged bean observed on

1415

01:02:32,239 --> 01:02:30,509

Chicago suburb house roof Chicago

1416

01:02:34,969 --> 01:02:32,249

phantom makes another appearance at

1417

01:02:37,640 --> 01:02:34,979

Lollapalooza Chicago phantom sighting

1418

01:02:39,469 --> 01:02:37,650

red eyes over the water strange creature

1419

01:02:42,319 --> 01:02:39,479

witnessed over Burnham Harbor before

1420

01:02:45,019 --> 01:02:42,329

solar eclipse and shadowy beam lurking

1421

01:02:46,160 --> 01:02:45,029

about in Chicago's wicker park I skipped

1422

01:02:47,780 --> 01:02:46,170

a lot of them there because they

1423

01:02:50,720 --> 01:02:47,790

are kind of repetitive headlines but

1424

01:02:53,180 --> 01:02:50,730

that's something that I don't think we

1425

01:02:54,530 --> 01:02:53,190

should just straight-up ignore I think

1426

01:02:56,540 --> 01:02:54,540

it's tough to say people are seeing

1427

01:02:58,490 --> 01:02:56,550

nothing or that they're miss identifying

1428

01:03:01,370 --> 01:02:58,500

something which would have such similar

1429

01:03:03,590 --> 01:03:01,380

descriptions I also find it suspect that

1430

01:03:05,360 --> 01:03:03,600

MUFON has gotten reports lawns clearly

1431

01:03:07,040 --> 01:03:05,370

gotten reports but Freedom of

1432

01:03:09,380 --> 01:03:07,050

Information Act requests returned

1433

01:03:11,330 --> 01:03:09,390

nothing nobody is called the police on

1434

01:03:13,580 --> 01:03:11,340

this even though a couple officers are

1435

01:03:15,620 --> 01:03:13,590

actually in the witness pool I don't

1436

01:03:17,690 --> 01:03:15,630

like that something definitely seems off

1437

01:03:19,820 --> 01:03:17,700

there and I know lawn doesn't really

1438

01:03:21,710 --> 01:03:19,830

like the harbinger of doom angle

1439

01:03:23,840 --> 01:03:21,720

I think it's incomplete at best too

1440

01:03:25,100 --> 01:03:23,850

personally but I've been told Nick

1441

01:03:27,500 --> 01:03:25,110

Redfern has written a couple pieces

1442

01:03:30,170 --> 01:03:27,510

about strange apocalyptic dreams in the

1443

01:03:32,480 --> 01:03:30,180

Chicago area specifically recently so

1444

01:03:33,890 --> 01:03:32,490

that's worth mentioning even though I do

1445

01:03:36,350 --> 01:03:33,900

think that that should be thought about

1446

01:03:38,210 --> 01:03:36,360

symbolically if it's connected at all

1447

01:03:40,160 --> 01:03:38,220

I don't think these are signs of a

1448

01:03:41,960 --> 01:03:40,170

literal apocalypse but there's still

1449

01:03:44,750 --> 01:03:41,970

something to throw on the pile of weird

1450

01:03:46,370 --> 01:03:44,760

and I know I'll get people say no these

1451

01:03:49,580 --> 01:03:46,380

cryptid episodes are just dumb

1452

01:03:52,520 --> 01:03:49,590

distractions but I really disagree first

1453

01:03:54,290 --> 01:03:52,530

I do them pretty rarely because you

1454

01:03:56,150 --> 01:03:54,300

don't need constant updates but it's

1455

01:03:57,710 --> 01:03:56,160

something to keep an eye on and I know

1456

01:04:00,110 --> 01:03:57,720

I've said many times that I've never

1457

01:04:01,880 --> 01:04:00,120

really seen anything and it's pretty

1458

01:04:03,680 --> 01:04:01,890

late in the game now to disclose that I

1459

01:04:05,540 --> 01:04:03,690

have but truthfully I did see something

1460

01:04:07,970 --> 01:04:05,550

strange when I was a kid and I don't

1461

01:04:10,370 --> 01:04:07,980

talk about it because number one I've

1462

01:04:12,440 --> 01:04:10,380

never really heard a matching encrypted

1463

01:04:14,390 --> 01:04:12,450

description it wasn't a Bigfoot it

1464

01:04:17,240 --> 01:04:14,400

wasn't an owl man so I don't really have

1465

01:04:19,610 --> 01:04:17,250

a box to put it in number two it was a

1466

01:04:22,400 --> 01:04:19,620

pretty short situation probably 30

1467

01:04:23,810 --> 01:04:22,410

seconds or so which can feel like an

1468

01:04:26,210 --> 01:04:23,820

eternity when you're staring at a

1469

01:04:27,620 --> 01:04:26,220

clearly intelligent and unknown beam but

1470

01:04:29,900 --> 01:04:27,630

it's still a short amount of time not

1471

01:04:32,210 --> 01:04:29,910

much happens other than it spots you and

1472

01:04:33,500 --> 01:04:32,220

then runs away number three I didn't

1473

01:04:35,120 --> 01:04:33,510

want to be one of those kinds of hosts

1474

01:04:36,560 --> 01:04:35,130

that makes everything about them and

1475

01:04:38,060 --> 01:04:36,570

puts themselves at the center of

1476

01:04:40,070 --> 01:04:38,070

everything and I still don't want to be

1477

01:04:41,630 --> 01:04:40,080

that and number four I'm the only one

1478

01:04:43,190 --> 01:04:41,640

who saw it although my parents were

1479

01:04:44,990 --> 01:04:43,200

close enough to know that I called out

1480

01:04:47,000 --> 01:04:45,000

for them and ended up a sobbing mess

1481

01:04:49,190 --> 01:04:47,010

when I knew they didn't see it also and

1482

01:04:51,320 --> 01:04:49,200

the only reason I'm saying something now

1483

01:04:53,120 --> 01:04:51,330

and I'm also not going into a ton of

1484

01:04:55,250 --> 01:04:53,130

detail is because it did come up with

1485

01:04:56,510 --> 01:04:55,260

Gordon white when he had me on rune soup

1486

01:04:58,640 --> 01:04:56,520

recently and I think it's going to be

1487

01:04:59,680 --> 01:04:58,650

his next episode it feels like it would

1488

01:05:01,510 --> 01:04:59,690

be kind

1489

01:05:03,790 --> 01:05:01,520

shitty to undercut that and leapfrog

1490

01:05:06,370 --> 01:05:03,800

this in front of him

1491

01:05:08,859 --> 01:05:06,380

seems like poor podcast etiquette right

1492

01:05:10,329 --> 01:05:08,869

if there really is any but I think I'm

1493

01:05:12,520 --> 01:05:10,339

gonna write something up for the forum's

1494

01:05:14,410 --> 01:05:12,530

because there have been some odd things

1495

01:05:16,900 --> 01:05:14,420

in my life that when you put them in

1496

01:05:19,210 --> 01:05:16,910

aggregate and you also put them in the

1497

01:05:22,390 --> 01:05:19,220

context of a guy who ended up on the

1498

01:05:24,520 --> 01:05:22,400

path of conspiracy podcaster they become

1499

01:05:27,010 --> 01:05:24,530

a bit weirder and a bit more impactful

1500

01:05:29,200 --> 01:05:27,020

and I do think cryptids are out there I

1501

01:05:31,630 --> 01:05:29,210

don't consider them flesh-and-blood

1502

01:05:33,370 --> 01:05:31,640

animals only that they can appear that

1503

01:05:35,440 --> 01:05:33,380

way and you can say it's a dumb

1504

01:05:37,300 --> 01:05:35,450

distraction not worth exploring but if

1505

01:05:39,760 --> 01:05:37,310

you saw something unexplainable even

1506

01:05:41,740 --> 01:05:39,770

briefly you'd probably keep checking in

1507

01:05:45,520 --> 01:05:41,750

on the latest encrypted research every

1508

01:05:47,140 --> 01:05:45,530

so often and so we do I mean biologists

1509

01:05:48,970 --> 01:05:47,150

are getting hard over the discovery of a

1510

01:05:50,319 --> 01:05:48,980

new color a frog in the Amazon but they

1511

01:05:53,010 --> 01:05:50,329

don't want to look at this stuff not

1512

01:05:55,930 --> 01:05:53,020

even curious I find that hard to believe

1513

01:05:58,120 --> 01:05:55,940

but anyway that's the show hear me on

1514

01:06:00,220 --> 01:05:58,130

rune soup this week I'm also really

1515

01:06:01,780 --> 01:06:00,230

happy with the next two episodes of THC

1516

01:06:03,670 --> 01:06:01,790

that you're gonna get both of them are

1517

01:06:05,740 --> 01:06:03,680

return guests expanding on their

1518

01:06:07,839 --> 01:06:05,750

previous appearances because their areas

1519

01:06:10,240 --> 01:06:07,849

of expertise definitely need an update

1520

01:06:13,450 --> 01:06:10,250

and to be honest both guests sort of

1521

01:06:15,130 --> 01:06:13,460

come with some lifestyle or personal

1522

01:06:17,589 --> 01:06:15,140

belief system elements that I'm not a

1523

01:06:19,059 --> 01:06:17,599

big fan of it's true whether it's the

1524

01:06:20,980 --> 01:06:19,069

consequence of being raised with a

1525

01:06:23,980 --> 01:06:20,990

military background or someone who's

1526
01:06:26,440 --> 01:06:23,990
deeply religious these things don't vibe

1527
01:06:28,150 --> 01:06:26,450
with me at all but I sort of ignore

1528
01:06:30,460 --> 01:06:28,160
those aspects because what they have to

1529
01:06:32,859 --> 01:06:30,470
share is so fascinating and few can do

1530
01:06:34,569 --> 01:06:32,869
it better and it is partly these

1531
01:06:36,760 --> 01:06:34,579
elements that I'm not a fan of that

1532
01:06:39,579 --> 01:06:36,770
actually drive a person to do the

1533
01:06:41,800 --> 01:06:39,589
research so it is all connected but I

1534
01:06:44,470 --> 01:06:41,810
say this all the time try not to hang on

1535
01:06:46,599 --> 01:06:44,480
every word a person says I always see

1536
01:06:48,910 --> 01:06:46,609
comments well I had to turn this off as

1537
01:06:50,829 --> 01:06:48,920
soon as the guest set X and I think a

1538
01:06:52,300 --> 01:06:50,839

lot of the time we are missing the

1539

01:06:54,460 --> 01:06:52,310

forest for the trees if you're

1540

01:06:57,910 --> 01:06:54,470

open-minded and know how to interpret or

1541

01:07:00,069 --> 01:06:57,920

even sidestep a person's biases you can

1542

01:07:02,410 --> 01:07:00,079

still learn a lot from them and maybe

1543

01:07:04,450 --> 01:07:02,420

it's my bias but what I'm saying is we

1544

01:07:06,280 --> 01:07:04,460

don't all look through the same lens and

1545

01:07:08,470 --> 01:07:06,290

if we can take a person's research and

1546

01:07:10,480 --> 01:07:08,480

reconfigure it for our own lens I think

1547

01:07:12,190 --> 01:07:10,490

we're better off than saying oh this

1548

01:07:13,150 --> 01:07:12,200

guest doesn't believe in chemtrails so

1549

01:07:13,370 --> 01:07:13,160

I'm not going to listen to what they

1550

01:07:15,340 --> 01:07:13,380

have

1551

01:07:17,420 --> 01:07:15,350

say about the history of false flags or

1552

01:07:19,190 --> 01:07:17,430

this guest drinks the kool-aid on

1553

01:07:21,650 --> 01:07:19,200

vaccine so I can't hear what they have

1554

01:07:23,930 --> 01:07:21,660

to say about astrology or this guy's

1555

01:07:25,430 --> 01:07:23,940

research GMOs his whole life but because

1556

01:07:27,560 --> 01:07:25,440

he made a comment about the moon-landing

1557

01:07:30,350 --> 01:07:27,570

happening I think he must be a

1558

01:07:32,300 --> 01:07:30,360

disinformation agent you know stuff like

1559

01:07:34,340 --> 01:07:32,310

that and sometimes it is surprising to

1560

01:07:37,010 --> 01:07:34,350

find out a person sees through illusion

1561

01:07:38,690 --> 01:07:37,020

a but is caught up in illusion B but

1562

01:07:40,970 --> 01:07:38,700

that's life we're all on our own journey

1563

01:07:43,370 --> 01:07:40,980

trying to navigate this weird reality

1564

01:07:45,980 --> 01:07:43,380

and I hope by now higher side listeners

1565

01:07:48,140 --> 01:07:45,990

can see why a person was brought here

1566

01:07:51,020 --> 01:07:48,150

and if they make a poorly thought-out

1567

01:07:53,000 --> 01:07:51,030

comment on something unrelated I don't

1568

01:07:54,530 --> 01:07:53,010

think we should crucify them just put

1569

01:07:57,290 --> 01:07:54,540

them in the proper context and that

1570

01:07:59,150 --> 01:07:57,300

includes me but that was a rather

1571

01:08:00,770 --> 01:07:59,160

unnecessary rant about something that

1572

01:08:03,110 --> 01:08:00,780

had nothing to do with today's show in

1573

01:08:04,970 --> 01:08:03,120

fact I actually like how in a lot of

1574

01:08:06,860 --> 01:08:04,980

interviews when it does get political or

1575

01:08:09,320 --> 01:08:06,870

off-topic with lon he isn't shy about

1576

01:08:12,020 --> 01:08:09,330

saying I don't know about that or I

1577

01:08:13,730 --> 01:08:12,030

don't really want to go there etc and

1578

01:08:15,320 --> 01:08:13,740

that's a pretty smart way to be in a

1579

01:08:17,750 --> 01:08:15,330

time where everyone is looking for a

1580

01:08:19,430 --> 01:08:17,760

reason to pounce on you that said one

1581

01:08:21,350 --> 01:08:19,440

other little bit of news like I

1582

01:08:22,970 --> 01:08:21,360

mentioned I'm going to be on the next

1583

01:08:24,920 --> 01:08:22,980

episode of rune soup I'm also going to

1584

01:08:27,380 --> 01:08:24,930

be on the next episode of tinfoil hat

1585

01:08:30,260 --> 01:08:27,390

with Sam Tripoli and I'm going to be

1586

01:08:33,260 --> 01:08:30,270

doing a reddit AMA this Thursday at 6

1587

01:08:34,880 --> 01:08:33,270

p.m. Pacific time I'm really excited

1588

01:08:37,070 --> 01:08:34,890

about it I think it's a pretty big plug

1589

01:08:39,320 --> 01:08:37,080

for me in the show if you're unfamiliar

1590

01:08:42,140 --> 01:08:39,330

with reddit AMA stands for ask me

1591

01:08:45,470 --> 01:08:42,150

anything so it's like a text comment

1592

01:08:47,300 --> 01:08:45,480

based QA and reddit can be a raw in

1593

01:08:49,820 --> 01:08:47,310

harsh crowd so hopefully I don't get

1594

01:08:51,860 --> 01:08:49,830

beat up too badly but come join in if

1595

01:08:53,960 --> 01:08:51,870

you want to ask me some questions I've

1596

01:08:56,630 --> 01:08:53,970

read a lot of AMA so I think I know what

1597

01:09:00,620 --> 01:08:56,640

separates a good one from a bad one so

1598

01:09:03,920 --> 01:09:00,630

reddit.com slash are slash conspiracy at

1599

01:09:07,820 --> 01:09:03,930

6:00 p.m. on Thursday the 14th so be

1600

01:09:09,560 --> 01:09:07,830

there or move on with your life of

1601
01:09:11,180 --> 01:09:09,570
course today's free show with lon

1602
01:09:13,280 --> 01:09:11,190
covered everything we could about the

1603
01:09:15,800 --> 01:09:13,290
almond sightings and we got in-depth

1604
01:09:18,050 --> 01:09:15,810
into the strange David Eckert case and

1605
01:09:20,840 --> 01:09:18,060
in the Plus show we tackled several

1606
01:09:23,000 --> 01:09:20,850
other open cases lon has on his plate we

1607
01:09:25,400 --> 01:09:23,010
got into underground reptilian humanoid

1608
01:09:26,910 --> 01:09:25,410
encounters in Missouri the strange death

1609
01:09:29,340 --> 01:09:26,920
the Todd sees

1610
01:09:31,620 --> 01:09:29,350
problems with mufon dog man wolf man

1611
01:09:34,740 --> 01:09:31,630
sightings in Pennsylvania skinwalkers

1612
01:09:36,180 --> 01:09:34,750
lawns personal alien encounters and one

1613
01:09:37,740 --> 01:09:36,190

of the creepier things I've seen on

1614

01:09:41,850 --> 01:09:37,750

YouTube whether it was fake or not

1615

01:09:43,950 --> 01:09:41,860

flying manta ray entities all sorts of

1616

01:09:46,020 --> 01:09:43,960

wild stuff please do consider signing up

1617

01:09:48,090 --> 01:09:46,030

for plus to support the show and get the

1618

01:09:50,100 --> 01:09:48,100

full episodes I think I have one of the

1619

01:09:52,080 --> 01:09:50,110

most honest pitches in podcasting I

1620

01:09:54,270 --> 01:09:52,090

don't try to pretend I'm suffering and

1621

01:09:56,580 --> 01:09:54,280

raise a lot of drama over this or that

1622

01:09:58,320 --> 01:09:56,590

or server costs even though anyone

1623

01:10:01,470 --> 01:09:58,330

paying attention knows it's been a rough

1624

01:10:04,920 --> 01:10:01,480

summer for us that's my [h__h] to handle I

1625

01:10:07,290 --> 01:10:04,930

say sign up for THC plus for you not for

1626

01:10:09,390 --> 01:10:07,300

me if you like the show pick it up I

1627

01:10:11,160 --> 01:10:09,400

keep the price basically as low as it

1628

01:10:13,440 --> 01:10:11,170

can be because you do have to pay

1629

01:10:14,820 --> 01:10:13,450

processing fees and service fees for

1630

01:10:17,580 --> 01:10:14,830

having companies process the

1631

01:10:20,730 --> 01:10:17,590

transactions so if it's like 45 cents a

1632

01:10:23,430 --> 01:10:20,740

transaction plus 5% I mean there's

1633

01:10:25,500 --> 01:10:23,440

nothing there at less than five bucks so

1634

01:10:27,750 --> 01:10:25,510

I do like the McDonald's approach low

1635

01:10:30,480 --> 01:10:27,760

price low barrier of entry and

1636

01:10:33,570 --> 01:10:30,490

high-volume I want people to have every

1637

01:10:36,690 --> 01:10:33,580

reason to get the free show so that's

1638

01:10:38,850 --> 01:10:36,700

how we do it and hopefully THC plus is

1639

01:10:40,520 --> 01:10:38,860

better for you than McDonald's it's hard

1640

01:10:42,410 --> 01:10:40,530

to be worse right

1641

01:10:44,209 --> 01:10:42,420

but that's it for me I love you guys

1642

01:10:45,950 --> 01:10:44,219

keep your seats laid-back your glasses

1643

01:10:48,439 --> 01:10:45,960

packed in your pimp and strong out there

1644

01:10:50,720 --> 01:10:48,449

and I'll see you soon your move

1645

01:10:51,879 --> 01:10:50,730

owl men man bats and odd ethereal

1646

01:10:55,500 --> 01:10:51,889

entities of our mysterious

1647

01:10:57,770 --> 01:10:55,510

multi-dimensional reality you're [h__\h]

1648

01:11:02,960 --> 01:10:57,780

[Music]

1649

01:11:07,900 --> 01:11:02,970

woke up this morning with light in my

1650

01:11:11,779 --> 01:11:07,910

eyes and then realized it was dark

1651

01:11:24,080 --> 01:11:18,740

it was like coming down from the sky I

1652

01:11:24,090 --> 01:11:26,720

you

1653

01:11:37,010 --> 01:11:31,820

must be those strangers that come every

1654

01:11:40,970 --> 01:11:37,020

night who's a saucer-shaped a light but

1655

01:11:44,470 --> 01:11:40,980

people die

1656

01:11:51,790 --> 01:11:44,480

the blue-green footprint is my

1657

01:11:57,580 --> 01:11:51,800

glow-in-the-dark I hope they get home

1658

01:12:13,040 --> 01:12:03,740

1659

01:12:20,850 --> 01:12:13,050

along I won't do anything wrong hey mr.

1660

01:12:32,840 --> 01:12:28,340

[Music]

1661

01:12:39,759 --> 01:12:32,850

feeling quite weird I had its lights in

1662

01:12:49,680 --> 01:12:46,479

open my window late written lightning so

1663

01:12:59,230 --> 01:12:49,690

long we'll see you

1664

01:13:10,790 --> 01:13:02,030

won't you please give me

1665

01:13:12,180 --> 01:13:10,800

I won't do anything wrong hey mr.

1666

01:13:13,840 --> 01:13:12,190

spaceman

1667

01:13:27,419 --> 01:13:13,850

[Music]

1668

01:13:33,520 --> 01:13:27,429
