00:00:00,610 --> 00:00:03,880

[Music]

2
00:00:10,220 --> 00:00:07,160

the planets thought the Masters almost

3
00:00:13,770 --> 00:00:10,230

surely have a plan this clearly may be

4
00:00:19,450 --> 00:00:13,780

something there beyond the realm of man

5
00:00:22,210 --> 00:00:19,460

already tested every the more you think

6
00:00:24,920 --> 00:00:22,220

you know the less you really do that's

7
00:00:36,470 --> 00:00:24,930

true dr. Zaius

8
00:00:43,110 --> 00:00:38,130

[Applause]

9
00:00:47,680 --> 00:00:45,729

holy hell and hallelujah higher side

10
00:00:49,540 --> 00:00:47,690

shatters in tinfoil Hatter's drinkin

11
00:00:51,069 --> 00:00:49,550

little drink smoking a little smoke and

12
00:00:53,259 --> 00:00:51,079

just trying to tread water in this

13
00:00:55,569 --> 00:00:53,269

rockefeller rothschild debt based system

14

00:00:58,000 --> 00:00:55,579

of rule from sunny San Diego i'm greg

15

00:01:00,189 --> 00:00:58,010

carl wood and welcome to the recording

16

00:01:01,930 --> 00:01:00,199

of our first live podcast people

17

00:01:04,180 --> 00:01:01,940

definitely a different kind of thing for

18

00:01:06,130 --> 00:01:04,190

THC and really my first time on stage

19

00:01:08,230 --> 00:01:06,140

anywhere but also one of the most unique

20

00:01:09,550 --> 00:01:08,240

things I've been a part of because we

21

00:01:11,889 --> 00:01:09,560

all know that even under the broad

22

00:01:13,149 --> 00:01:11,899

umbrella of conspiracy different people

23

00:01:15,160 --> 00:01:13,159

get off on different levels of the

24

00:01:17,020 --> 00:01:15,170

elevator from the entry level notions

25

00:01:18,700 --> 00:01:17,030

that presidents are merely pre-selected

26
00:01:20,350 --> 00:01:18,710
puppets for the power pyramid behind the

27
00:01:22,690 --> 00:01:20,360
curtain and news media companies are

28
00:01:24,430 --> 00:01:22,700
little more than 24 hour infomercials

29
00:01:27,010 --> 00:01:24,440
for propaganda peddlers and their fear

30
00:01:29,169 --> 00:01:27,020
porn products to deeper dives into the

31
00:01:31,149 --> 00:01:29,179
depths of mind control and ritual magic

32
00:01:32,889 --> 00:01:31,159
entities and other realms are Connick

33
00:01:35,800 --> 00:01:32,899
overlords in the full spectrum dominance

34
00:01:37,149 --> 00:01:35,810
of the Saturn moon matrix you just don't

35
00:01:39,279 --> 00:01:37,159
always know what level you're going to

36
00:01:41,200 --> 00:01:39,289
be getting off on but in an era where

37
00:01:43,210 --> 00:01:41,210
divide and conquer is the conspiratorial

38
00:01:45,520 --> 00:01:43,220

course of action for the capstone cabal

39

00:01:47,229 --> 00:01:45,530

and the one-two punch of censorship and

40

00:01:49,809 --> 00:01:47,239

sensitivity is hitting us harder than

41

00:01:51,850 --> 00:01:49,819

usual it's a beautiful thing to navigate

42

00:01:53,350 --> 00:01:51,860

the rough waters the conspiracy and come

43

00:01:54,400 --> 00:01:53,360

out on the other side with everybody

44

00:01:56,559 --> 00:01:54,410

having a good time

45

00:01:58,570 --> 00:01:56,569

now the main reason to even preface this

46

00:02:00,460 --> 00:01:58,580

Pandora's box of conspirator Man is

47

00:02:02,199 --> 00:02:00,470

really just to give a quick thanks to

48

00:02:03,699 --> 00:02:02,209

the comics who joined the chaos and to

49

00:02:05,979 --> 00:02:03,709

give them the name drops they didn't

50

00:02:08,020 --> 00:02:05,989

always get in real time it's only right

51
00:02:10,389 --> 00:02:08,030
and besides the host you know and love

52
00:02:12,610 --> 00:02:10,399
big thanks to Steve Lee the woke prince

53
00:02:14,949 --> 00:02:12,620

55
00:02:19,300 --> 00:02:16,430
extraordinaire and host of the

56
00:02:21,520 --> 00:02:19,310

57
00:02:24,580 --> 00:02:21,530

00:02:26,979 --> 00:02:24,590
behind tenth planet jujitsu of course we

59
00:02:29,619 --> 00:02:26,989

60

podcast known as

73

00:02:59,720 --> 00:02:58,110

a dollop had to give credit where credit

74

00:03:01,760 --> 00:02:59,730

proverbial hand for pushing me out of my

80

00:03:13,550 --> 00:03:11,670

comfort zone like my own personal Harvey

81

00:03:15,680 --> 00:03:13,560

Weinstein and for leading your humble

my hazy higher side den and into the

84

00:03:22,790 --> 00:03:20,310

light and vulnerability of a public

backpack on like you're dirt you're

96

00:04:32,900 --> 00:04:27,240

trying to find Indiana Jones right now

97

00:04:36,110 --> 00:04:32,910

what are you doing okay that's how the

98

00:04:38,000 --> 00:04:36,120

creepiest bakra hi hey lil agent Kent

99

00:04:41,960 --> 00:04:38,010

the backpack I got a podcast in my

100

00:04:44,630 --> 00:04:41,970

ruling and joining me up on stage is one

101
00:04:46,340 --> 00:04:44,640
of my favorite people he is the the man

102
00:04:48,620 --> 00:04:46,350
the myth the legend of conspiracy

103
00:04:50,660 --> 00:04:48,630
theories without him none of this is

104
00:04:52,550 --> 00:04:50,670
possible please get up for I'm proud to

105
00:04:53,280 --> 00:04:52,560
say my good friend great car would

106
00:05:05,230 --> 00:04:53,290
everybody

107
00:05:12,080 --> 00:05:08,060
all right higher side shatters how we

108
00:05:14,210 --> 00:05:12,090
doing ma'am what's happening dude I'm so

109
00:05:15,379 --> 00:05:14,220
excited to saw this nice come together

110
00:05:17,689 --> 00:05:15,389
really well

111
00:05:19,700 --> 00:05:17,699
oh we were a little nervous on whether

112
00:05:28,010 --> 00:05:19,710
anybody was gonna show up but it's a

113
00:05:29,779 --> 00:05:28,020

packed house so give you guys my mean

114

00:05:31,879 --> 00:05:29,789

I'm so excited to be on stage you too my

115

00:05:34,310 --> 00:05:31,889

favorite people who've both been on our

116

00:05:36,080 --> 00:05:34,320

podcast in foil hat and you know the

117

00:05:37,670 --> 00:05:36,090

fact that we're all friends is amazing

118

00:05:41,960 --> 00:05:37,680

and I'm super stoked

119

00:05:43,580 --> 00:05:41,970

I mean I've wanted to do comedy for a

120

00:05:45,469 --> 00:05:43,590

long time obviously we're not doing

121

00:05:47,510 --> 00:05:45,479

comedy but to come full circle and be

122

00:05:49,909 --> 00:05:47,520

onstage at a comedy club it's pretty

123

00:05:52,550 --> 00:05:49,919

sick the oldest County club in the world

124

00:05:56,150 --> 00:05:52,560

right BMS house Pasadena I used to buy a

125

00:05:57,950 --> 00:05:56,160

lot of coke up here that's nice I used

126
00:06:02,180 --> 00:05:57,960
to you know I got a drug problem because

127
00:06:04,550 --> 00:06:02,190
I like drugs but I would you a ain't

128
00:06:08,719 --> 00:06:04,560
Hollywood but I didn't want even know I

129
00:06:10,310 --> 00:06:08,729
was doing coke in Pasadena yeah that's

130
00:06:12,140 --> 00:06:10,320
how we did it

131
00:06:14,480 --> 00:06:12,150
oh yeah man I think this is free sick

132
00:06:17,060 --> 00:06:14,490
because yeah I can do it was I said it

133
00:06:19,250 --> 00:06:17,070
on my show but in the old days it's only

134
00:06:20,240 --> 00:06:19,260
the Jester could speak truth of the king

135
00:06:22,250 --> 00:06:20,250
you know without getting his head cut

136
00:06:25,520 --> 00:06:22,260
off and so I think there's a special

137
00:06:28,040 --> 00:06:25,530
relationship between truth and comedy

138
00:06:29,990 --> 00:06:28,050

you know 100% it's kind of what got me

139

00:06:32,180 --> 00:06:30,000

into it guys like Bill Hicks and George

140

00:06:33,740 --> 00:06:32,190

Carlin there's not really anyone feeling

141

00:06:35,029 --> 00:06:33,750

that Andy anymore so the fact that

142

00:06:36,589 --> 00:06:35,039

you're doing this comedy show over here

143

00:06:38,360 --> 00:06:36,599

we're having them come in here I think

144

00:06:40,370 --> 00:06:38,370

it's pretty sick thank you dude it means

145

00:06:41,990 --> 00:06:40,380

a lot to me I mean I know this is gonna

146

00:06:44,120 --> 00:06:42,000

sound super weird but their friendship

147

00:06:46,040 --> 00:06:44,130

is like very important I mean all the

148

00:06:48,469 --> 00:06:46,050

hard work we've done over a long time is

149

00:06:50,210 --> 00:06:48,479

great I just got a real quick I just

150

00:06:54,220 --> 00:06:50,220

want him out a shout out to all the

151
00:06:59,120 --> 00:06:54,230
ladies here at a conspiracy night

152
00:07:00,950 --> 00:06:59,130
I'm fighting micro in 1999 to get it to

153
00:07:03,260 --> 00:07:00,960
stop watching the nightly news you know

154
00:07:04,820 --> 00:07:03,270
when I come home and I walk in I just

155
00:07:08,480 --> 00:07:04,830
hear trying to grab the remote to change

156
00:07:09,800 --> 00:07:08,490
the channel to get off of MSNBC so the

157
00:07:11,480 --> 00:07:09,810
fact that you have a woman here at your

158
00:07:13,340 --> 00:07:11,490
show with you or she dragged you here

159
00:07:31,130 --> 00:07:13,350
either way I think that's pretty awesome

160
00:07:32,930 --> 00:07:31,140
so have you come into issues that you

161
00:07:35,390 --> 00:07:32,940
didn't expect like when you first

162
00:07:37,100 --> 00:07:35,400
started if things are risen we're like

163
00:07:40,700 --> 00:07:37,110

wow maybe maybe in terms of

164

00:07:42,680 --> 00:07:40,710

responsibility or just certain topics or

165

00:07:44,840 --> 00:07:42,690

has anything happened that you might not

166

00:07:47,540 --> 00:07:44,850

expect well I think I think like just

167

00:07:49,670 --> 00:07:47,550

people I interact with you know to some

168

00:07:51,830 --> 00:07:49,680

people I've become this whack job you

169

00:07:54,170 --> 00:07:51,840

got a stigma and that everything is a

170

00:07:56,870 --> 00:07:54,180

conspiracy but then at the end of the

171

00:07:58,580 --> 00:07:56,880

day it we're always right do you know

172

00:08:00,560 --> 00:07:58,590

what I'm saying like that the narrative

173

00:08:02,660 --> 00:08:00,570

with a shooting that just happened how

174

00:08:04,160 --> 00:08:02,670

everybody refuses to look at a lot of

175

00:08:05,600 --> 00:08:04,170

stuff and I'm like no this is what I

176

00:08:07,640 --> 00:08:05,610

this well I think happened

177

00:08:09,290 --> 00:08:07,650

right and over time it becomes right I

178

00:08:11,060 --> 00:08:09,300

you know there's this great meme out

179

00:08:13,880 --> 00:08:11,070

there that says you know he shows a line

180

00:08:17,390 --> 00:08:13,890

this guy's has one dude has a booth and

181

00:08:19,310 --> 00:08:17,400

it says uncomfortable truth and nobody's

182

00:08:21,410 --> 00:08:19,320

at the booth right and then it says

183

00:08:23,510 --> 00:08:21,420

comforting lies and the lines around the

184

00:08:25,820 --> 00:08:23,520

block and I think that's what you kind

185

00:08:27,230 --> 00:08:25,830

of get into where this weird kind of you

186

00:08:29,480 --> 00:08:27,240

know you brought it up on your podcast

187

00:08:33,110 --> 00:08:29,490

when you were talking about you know the

188

00:08:35,510 --> 00:08:33,120

powers that be and how they this new

189

00:08:38,570 --> 00:08:35,520

media this new Internet they don't know

190

00:08:40,700 --> 00:08:38,580

how to handle it so like Hillary the

191

00:08:43,280 --> 00:08:40,710

Sith Lord just sends out all these

192

00:08:44,510 --> 00:08:43,290

emails all these crazy emails like why

193

00:08:46,280 --> 00:08:44,520

are you eating cuz she doesn't want to

194

00:08:47,810 --> 00:08:46,290

stay in hacking it's not like that and I

195

00:08:49,460 --> 00:08:47,820

think that's where this place of

196

00:08:51,200 --> 00:08:49,470

worrying where it's like you have the

197

00:08:53,540 --> 00:08:51,210

old school new school that old school is

198

00:08:56,570 --> 00:08:53,550

trust Authority we're all one team and

199

00:08:58,880 --> 00:08:56,580

old the new school is dude they're up to

200

00:09:01,240 --> 00:08:58,890

some shady ass [h__h] it's all about money

201

00:09:02,740 --> 00:09:01,250

power and Greek no amen we

202

00:09:05,440 --> 00:09:02,750

a great time to manifest into the

203

00:09:07,390 --> 00:09:05,450

simulation because we saw the Wild West

204

00:09:09,190 --> 00:09:07,400

of the internet the way it is still is

205

00:09:11,680 --> 00:09:09,200

not like that even now you know right

206

00:09:13,810 --> 00:09:11,690

calm I saw some weird [h__h] in eighth

207

00:09:16,090 --> 00:09:13,820

grade a lot of guys out your body into

208

00:09:18,700 --> 00:09:16,100

stuff that you know our parents didn't

209

00:09:20,320 --> 00:09:18,710

even see and you know now it's changing

210

00:09:21,970 --> 00:09:20,330

again but we are in that window to like

211

00:09:24,550 --> 00:09:21,980

you mentioned where a lot of the old

212

00:09:51,130 --> 00:09:24,560

people the elite they might not be super

213

00:09:59,230 --> 00:09:51,140

careful you know what's going on on the

214

00:10:01,300 --> 00:09:59,240

road you know I did more drugs than I

215

00:10:04,960 --> 00:10:01,310

should have and so I saw it weird stuff

216

00:10:07,600 --> 00:10:04,970

on LSD and so I talked about a demon

217

00:10:11,350 --> 00:10:07,610

Steve well my whole conspiracy started

218

00:10:16,420 --> 00:10:11,360

back then because I I did some badass

219

00:10:19,660 --> 00:10:16,430

key and during winter break and I I had

220

00:10:22,120 --> 00:10:19,670

a quarter said her first album on a

221

00:10:25,170 --> 00:10:22,130

boombox and me my friend Kendall were

222

00:10:28,090 --> 00:10:25,180

out breakdance into it and uh that we

223

00:10:34,930 --> 00:10:28,100

really top rocker pop lock I don't know

224

00:10:34,940 --> 00:10:45,280

remember those you do that all the time

225

00:10:55,040 --> 00:10:50,510

yeah no no I did something I drank too

226

00:10:58,760 --> 00:10:55,050

much so you go like and so when I was

227

00:11:01,190 --> 00:10:58,770

listening the porter said it was track 3

228

00:11:03,860 --> 00:11:01,200

called strangers on their first album

229

00:11:05,570 --> 00:11:03,870

and I don't know if I was like really

230

00:11:10,310 --> 00:11:05,580

listening to the lyrics but it did

231

00:11:15,470 --> 00:11:10,320

something to me I was you know juicy

232

00:11:18,260 --> 00:11:15,480

back there I was in the dorm row

233

00:11:22,010 --> 00:11:18,270

bathroom and it was kind of like like a

234

00:11:24,560 --> 00:11:22,020

rock type structure on the ground and I

235

00:11:27,470 --> 00:11:24,570

it started moving behind me like kind of

236

00:11:30,290 --> 00:11:27,480

circular motions and so I'm like whoa

237

00:11:32,480 --> 00:11:30,300

I'm like really tripping now but then I

238

00:11:35,230 --> 00:11:32,490

followed it up to the wall and I saw

239

00:11:38,660 --> 00:11:35,240

dead people like like like this like

240

00:11:40,310 --> 00:11:38,670

like they were like melting yeah so they

241

00:11:42,680 --> 00:11:40,320

were there and they wanted to get my

242

00:11:44,750 --> 00:11:42,690

attention and so that was when I

243

00:11:47,150 --> 00:11:44,760

realized that there was other dimensions

244

00:11:50,120 --> 00:11:47,160

on this plane of existence that were on

245

00:11:52,910 --> 00:11:50,130

like you know I knew that I knew that

246

00:11:54,830 --> 00:11:52,920

this was all kind of like just like like

247

00:11:57,170 --> 00:11:54,840

an illusion like there was other like

248

00:11:59,510 --> 00:11:57,180

dimensions like I don't know how else to

249

00:12:02,600 --> 00:11:59,520

put it but it was one of the scariest

250

00:12:06,380 --> 00:12:02,610

days of my life because my brake

251
00:12:14,440 --> 00:12:06,390
pendulum you know he didn't know I was

252
00:12:19,700 --> 00:12:17,840
he was like this he was like East Coast

253
00:12:22,100 --> 00:12:19,710
kind of like New York rapper kind of

254
00:12:26,540 --> 00:12:22,110
dude okay I guess they say done there

255
00:12:29,540 --> 00:12:26,550
okay yo yo gun what's up no what are you

256
00:12:32,530 --> 00:12:29,550
doing in there gun and I'm like and I

257
00:12:35,900 --> 00:12:32,540
don't know I go there's like demons

258
00:12:38,750 --> 00:12:35,910
I told there's demons in the bathroom

259
00:12:40,610 --> 00:12:38,760
and that he should go watch them too so

260
00:12:51,350 --> 00:12:40,620
it sounds like the roommate was black in

261
00:12:53,150 --> 00:12:51,360
your agency do you think they're how

262
00:12:56,960 --> 00:12:53,160
much of a connection to that music have

263
00:13:02,960 --> 00:12:56,970

to that experience music we talked about

264

00:13:05,180 --> 00:13:02,970

this supposed to tell them that because

265

00:13:08,300 --> 00:13:05,190

he opened my mind to it I still cannot

266

00:13:12,200 --> 00:13:08,310

listen to Portishead today because in my

267

00:13:13,580 --> 00:13:12,210

mind there's a witch right well I look

268

00:13:16,810 --> 00:13:13,590

at her like a witch because if you

269

00:13:16,820 --> 00:13:25,180

[Music]

270

00:13:29,800 --> 00:13:27,819

what's even but it's good she's a great

271

00:13:32,170 --> 00:13:29,810

ass but I just cannot listen to it

272

00:13:33,670 --> 00:13:32,180

because there's something cryptic and I

273

00:13:37,030 --> 00:13:33,680

think there's some witchcraft [h__h] going

274

00:13:38,980 --> 00:13:37,040

on well I you know a little insider

275

00:13:40,240 --> 00:13:38,990

knowledge I just interviewed a guy Chris

276

00:13:43,600 --> 00:13:40,250

Knowles I've had him on the show before

277

00:13:45,490 --> 00:13:43,610

but this interview is all about this

278

00:13:47,410 --> 00:13:45,500

deep dive he did into this woman

279

00:13:49,269 --> 00:13:47,420

Elizabeth Fraser who he thinks is a

280

00:13:51,100 --> 00:13:49,279

woman who's channelling entities and her

281

00:13:54,009 --> 00:13:51,110

music she was in a band called the

282

00:13:56,079 --> 00:13:54,019

Cocteau twins I remember that yeah so

283

00:13:58,449 --> 00:13:56,089

she does this wailing and moaning kind

284

00:13:59,980 --> 00:13:58,459

of like really eerie just like classic

285

00:14:04,059 --> 00:13:59,990

siren behavior you know if you see no

286

00:14:06,579 --> 00:14:04,069

brother where art thou on the side and

287

00:14:08,860 --> 00:14:06,589

the weird thing it's a twisted web but

288

00:14:12,249 --> 00:14:08,870

in a nutshell Tim Beck we wrote a song

289

00:14:15,220 --> 00:14:12,259

called song to the siren this girl years

290

00:14:17,410 --> 00:14:15,230

later covered that song his son another

291

00:14:19,900 --> 00:14:17,420

musician fell in love with her and then

292

00:14:22,090 --> 00:14:19,910

he eventually drowned he got dragged

293

00:14:24,759 --> 00:14:22,100

under the waves so this is literally the

294

00:14:26,860 --> 00:14:24,769

story of the siren the siren attracts

295

00:14:29,110 --> 00:14:26,870

you oh yeah and then kills you yeah and

296

00:14:30,670 --> 00:14:29,120

so Chris's opinion is that like there's

297

00:14:32,110 --> 00:14:30,680

some kind of entity that's collecting

298

00:14:43,120 --> 00:14:32,120

trophies through this song

299

00:14:44,920 --> 00:14:43,130

yeah it's creepy but when she recorded

300

00:14:46,749 --> 00:14:44,930

that song it was under the name of this

301
00:14:49,150 --> 00:14:46,759
mortal coil so if you listen to this

302
00:14:51,160 --> 00:14:49,160
mortal coil song to the siren

303
00:14:53,620 --> 00:14:51,170
you'll get creeped out but the copy do

304
00:14:57,610 --> 00:14:53,630
twins that's 98 rock sequence but that's

305
00:15:02,139 --> 00:14:57,620
some 90 that's early later I mean I'm

306
00:15:03,970 --> 00:15:02,149
sorry earlier earlier great kind of ask

307
00:15:05,949 --> 00:15:03,980
about what kind of blowback I got with

308
00:15:08,139 --> 00:15:05,959
in my own life you kind of had some

309
00:15:09,549 --> 00:15:08,149
weird kind of thing with your brother if

310
00:15:11,439 --> 00:15:09,559
you don't know his brother is he's that

311
00:15:12,040 --> 00:15:11,449
gentleman right there was crying and I

312
00:15:14,439 --> 00:15:12,050
all right

313
00:15:17,679 --> 00:15:14,449

Ivan's body Lee his brothers Bobby Lee

314

00:15:20,020 --> 00:15:17,689

but yeah and Bobby doesn't believe in

315

00:15:21,970 --> 00:15:20,030

any conspiracy no he's a straight

316

00:15:25,560 --> 00:15:21,980

when it comes to that he I actually

317

00:15:29,800 --> 00:15:25,570

ordered the realms of other realities of

318

00:16:11,380 --> 00:15:29,810

this Linda Moulton Howe yeah yeah yeah

319

00:16:17,110 --> 00:16:11,390

so I was interesting I had like a mental

320

00:16:22,210 --> 00:16:17,120

yeah like a mental facility you don't

321

00:16:23,770 --> 00:16:22,220

want to go get embedded in your body

322

00:16:25,390 --> 00:16:23,780

that's where you go because that's where

323

00:16:27,130 --> 00:16:25,400

the mind-control experiments happened

324

00:16:29,590 --> 00:16:27,140

that's right electroshock therapy goes

325

00:16:31,510 --> 00:16:29,600

on and that's what I think in MKULTRA

326

00:16:33,790 --> 00:16:31,520

was I think they opened some doorways to

327

00:16:35,320 --> 00:16:33,800

some things and then that became what

328

00:16:37,060 --> 00:16:35,330

they were experimenting it started with

329

00:16:39,160 --> 00:16:37,070

mind control and then once they open

330

00:16:40,510 --> 00:16:39,170

these doorways they start picking up the

331

00:16:42,250 --> 00:16:40,520

telephone and there's something weird on

332

00:16:43,960 --> 00:16:42,260

the other end like stranger things you

333

00:16:45,280 --> 00:16:43,970

know if you see that it comes out of I'm

334

00:16:47,560 --> 00:16:45,290

already for that yeah that's a good show

335

00:16:49,360 --> 00:16:47,570

I don't know why like communication with

336

00:16:51,570 --> 00:16:49,370

entities at least some it seems to come

337

00:16:55,390 --> 00:16:51,580

out of torture I mean that seems to be a

338

00:16:57,460 --> 00:16:55,400

pre-major theme well I mean the CIA are

339

00:16:59,650 --> 00:16:57,470

I mean like the Nazis weren't defeated

340

00:17:00,580 --> 00:16:59,660

they were just the answer the expense

341

00:17:03,700 --> 00:17:00,590

Iran

342

00:17:05,440 --> 00:17:03,710

draft and I drafted that like with with

343

00:17:09,579 --> 00:17:05,450

the third pick in the expansion draft

344

00:17:11,529 --> 00:17:09,589

the United States face ha ha

345

00:17:14,649 --> 00:17:11,539

no and then we then they came over here

346

00:17:16,960 --> 00:17:14,659

you know Russia got some you know I we

347

00:17:19,809 --> 00:17:16,970

got some so like of course it softened

348

00:17:21,970 --> 00:17:19,819

towards it's all from a very dark dark

349

00:17:23,769 --> 00:17:21,980

place IG Farben got some you know that a

350

00:17:25,769 --> 00:17:23,779

lot of a went corporate and became

351
00:17:27,699 --> 00:17:25,779
corporate lobbyists like there's a whole

352
00:17:29,610 --> 00:17:27,709
infrastructure places where they were

353
00:17:33,639 --> 00:17:29,620
put into place and I really think that

354
00:17:35,470 --> 00:17:33,649
the American system has become the you

355
00:17:37,029 --> 00:17:35,480
know ex-nazi apparatus and like it's

356
00:17:40,269 --> 00:17:37,039
kind of emerging again in a big way I

357
00:17:42,249 --> 00:17:40,279
think I think the deep state has no

358
00:17:45,159 --> 00:17:42,259
alliance for anybody except for this

359
00:17:46,989 --> 00:17:45,169
small group of people and it's a cult

360
00:17:49,090 --> 00:17:46,999
basic it is a cult and it's a deadly

361
00:17:50,950 --> 00:17:49,100
cult and it's like really I mean like

362
00:17:52,930 --> 00:17:50,960
this seemed Vegas really who are you

363
00:17:57,789 --> 00:17:52,940

helping and it's just like and you were

364

00:17:59,320 --> 00:17:57,799

there man not only was it a hard week

365

00:18:01,299 --> 00:17:59,330

for stand-up because I literally had to

366

00:18:03,639 --> 00:18:01,309

go out in from a crowd and tell

367

00:18:06,399 --> 00:18:03,649

well-crafted multi-layered dick jokes

368

00:18:08,739 --> 00:18:06,409

and get laughed on it but I also my

369

00:18:10,960 --> 00:18:08,749

friend Ralphie mate passed away and I

370

00:18:13,359 --> 00:18:10,970

had to do on top of that so it was a

371

00:18:15,609 --> 00:18:13,369

very but the crowds were amazing man it

372

00:18:19,629 --> 00:18:15,619

was it was a blessing but you know they

373

00:18:21,879 --> 00:18:19,639

whenever a story starts off and like I

374

00:18:24,519 --> 00:18:21,889

knew something was up because I think

375

00:18:27,519 --> 00:18:24,529

was Brian Williams right Brian Williams

376

00:18:31,509 --> 00:18:27,529

within what I got twenty minutes had

377

00:18:34,930 --> 00:18:31,519

some spook on in not yet not only did he

378

00:18:38,499 --> 00:18:34,940

have him on but he had a suit all done

379

00:18:39,820 --> 00:18:38,509

nice fully makeup ready to go like if

380

00:18:42,279 --> 00:18:39,830

you've done television you know makeup

381

00:18:43,840 --> 00:18:42,289

takes a half an hour 45 minutes so that

382

00:18:45,190 --> 00:18:43,850

guy was ready to rock and roll

383

00:18:46,389 --> 00:18:45,200

he didn't even run in like take off his

384

00:18:48,940 --> 00:18:46,399

hands like sorry I just got back from

385

00:18:50,440 --> 00:18:48,950

Pilates you guys need me real quick no I

386

00:18:52,210 --> 00:18:50,450

didn't think it would be a more chaotic

387

00:18:54,639 --> 00:18:52,220

than more like spur-of-the-moment thing

388

00:18:56,470 --> 00:18:54,649

right they're already spinning it with

389

00:18:59,200 --> 00:18:56,480

the this is what you saw on all that

390

00:19:01,269 --> 00:18:59,210

stuff so it's like I loved it man I love

391

00:19:11,900 --> 00:19:01,279

just trying to find out what they're up

392

00:19:16,350 --> 00:19:14,760

yeah I mean it checks a lot of boxes and

393

00:19:17,880 --> 00:19:16,360

that's another thing as a conspiracy

394

00:19:20,130 --> 00:19:17,890

host like this might be the first time

395

00:19:22,200 --> 00:19:20,140

that it got like really real for you

396

00:19:24,090 --> 00:19:22,210

like like them like a major event like

397

00:19:26,070 --> 00:19:24,100

while you're on that you know why you

398

00:19:27,750 --> 00:19:26,080

have that title as a conspiracy notion

399

00:19:29,450 --> 00:19:27,760

it's probably a little bit but cool Ryan

400

00:19:31,620 --> 00:19:29,460

you're you're that's it your hometown

401
00:19:33,750 --> 00:19:31,630
Vegas is where I went to college right

402
00:19:37,710 --> 00:19:33,760
on so I mean yeah it's hitting you on

403
00:19:38,700 --> 00:19:37,720
multiple levels but I mean our our you

404
00:19:40,500 --> 00:19:38,710
know it's different when you're talking

405
00:19:42,390 --> 00:19:40,510
about reptilians and the Hollow Earth

406
00:19:43,650 --> 00:19:42,400
I'm sure people have a different

407
00:19:45,660 --> 00:19:43,660
reaction than when you bring up the fact

408
00:19:48,060 --> 00:19:45,670
that Vegas might have been some type of

409
00:19:50,340 --> 00:19:48,070
false flag yeah I mean we're mammals we

410
00:19:52,290 --> 00:19:50,350
run in packs and we think our pack is

411
00:19:54,750 --> 00:19:52,300
our path and our pack takes care of us

412
00:19:57,300 --> 00:19:54,760
when we don't realize there's a bunch of

413
00:19:58,530 --> 00:19:57,310

like Wolf's in sheep clothing they have

414

00:20:00,300 --> 00:19:58,540

a higher thing going

415

00:20:02,490 --> 00:20:00,310

the first time I realized something was

416

00:20:04,560 --> 00:20:02,500

wrong is uh not me not the first but

417

00:20:07,470 --> 00:20:04,570

when I saw it happen in real time was

418

00:20:09,600 --> 00:20:07,480

the San Bernardino shooting I was at

419

00:20:13,230 --> 00:20:09,610

home cuz I'm a stand-up comedian and you

420

00:20:15,000 --> 00:20:13,240

know I'm home hey I got nowhere to

421

00:20:22,290 --> 00:20:15,010

siesta you'd be amazed how much time you

422

00:20:24,510 --> 00:20:22,300

have when you just write dick jokes so I

423

00:20:26,610 --> 00:20:24,520

have a new kind of television on and it

424

00:20:28,530 --> 00:20:26,620

broke into the story about the San

425

00:20:31,260 --> 00:20:28,540

Bernardino and I always tell people man

426

00:20:33,510 --> 00:20:31,270

the real story is in the first reporting

427

00:20:35,100 --> 00:20:33,520

when you first hear what's going on

428

00:20:37,470 --> 00:20:35,110

because for some reason they can't

429

00:20:40,620 --> 00:20:37,480

control it that just worked out really

430

00:20:42,660 --> 00:20:40,630

quickly and the first the reporters were

431

00:20:44,250 --> 00:20:42,670

on the on the ground at the facility

432

00:20:46,350 --> 00:20:44,260

where the shootings happened and the

433

00:20:49,110 --> 00:20:46,360

first thing they said one guy goes i

434

00:20:51,570 --> 00:20:49,120

watch four guys in black military

435

00:20:54,060 --> 00:20:51,580

fatigue walk in and start lighting

436

00:20:55,860 --> 00:20:54,070

people up now and i go holy [\h__\h] and i

437

00:20:57,840 --> 00:20:55,870

started thinking like there's some kind

438

00:21:01,020 --> 00:20:57,850

of like weird war about the start and

439

00:21:03,090 --> 00:21:01,030

then it started changing and then within

440

00:21:05,670 --> 00:21:03,100

two hours it was this middle-eastern

441

00:21:07,920 --> 00:21:05,680

couple hated America and they were with

442

00:21:10,380 --> 00:21:07,930

Isis and they caught him and he happened

443

00:21:12,960 --> 00:21:10,390

to be shot bound up you know and it's

444

00:21:14,940 --> 00:21:12,970

just like okay that's crazy because the

445

00:21:16,920 --> 00:21:14,950

same people you see walk around the

446

00:21:17,610 --> 00:21:16,930

Boston bombing those guys in all black

447

00:21:20,490 --> 00:21:17,620

with the

448

00:21:21,660 --> 00:21:20,500

sure simple on their hats it's like when

449

00:21:23,940 --> 00:21:21,670

they said that because I was already

450

00:21:25,470 --> 00:21:23,950

investigating the the Boston bombing and

451
00:21:26,880 --> 00:21:25,480
then when he said four guys military

452
00:21:29,010 --> 00:21:26,890
fatigue ago all those are the same

453
00:21:31,920 --> 00:21:29,020
[h__h] dudes that were at the Boston

454
00:21:34,970 --> 00:21:31,930
thing and I was like mmm interesting and

455
00:21:37,710 --> 00:21:34,980
this one seems more ritualistic

456
00:21:40,880 --> 00:21:37,720
settlements any of them you know it

457
00:21:43,080 --> 00:21:40,890
seems like it seems like there's more

458
00:21:45,360 --> 00:21:43,090
more magic involved more esoteric

459
00:21:47,610 --> 00:21:45,370
symbolism involved in this one that most

460
00:21:49,080 --> 00:21:47,620
32nd floor in front of the black pyramid

461
00:21:50,940 --> 00:21:49,090
have you seen the Freemasons I didn't

462
00:21:59,370 --> 00:21:50,950
interrupt you guys I'm reading some

463
00:22:01,410 --> 00:21:59,380

crazy [h__\h] I'm thinking if you're

464

00:22:04,770 --> 00:22:01,420

talking on the are time control nature

465

00:22:06,960 --> 00:22:04,780

on this house I don't carry like

466

00:22:08,610 --> 00:22:06,970

personal experiences are you going to

467

00:22:10,049 --> 00:22:08,620

lightly I don't know man I'm just

468

00:22:11,340 --> 00:22:10,059

starting to starting to get frightened a

469

00:22:13,860 --> 00:22:11,350

little bit right I'm gonna know what

470

00:22:20,280 --> 00:22:13,870

simulation theory is I've heard of em

471

00:22:28,130 --> 00:22:25,360

[Applause]

472

00:22:30,769 --> 00:22:28,140

Pellegrini door I've no engine each door

473

00:22:33,080 --> 00:22:30,779

fer I believe like 1516 years we've been

474

00:22:35,269 --> 00:22:33,090

out for a while and I've seen you in

475

00:22:39,049 --> 00:22:35,279

different phases but this new show you

476
00:22:41,149 --> 00:22:39,059
have on YouTube is extraordinary dude it

477
00:22:48,529 --> 00:22:41,159
is amazing if you guys haven't seen it

478
00:22:50,750 --> 00:22:48,539
it's whenever I do something and I talk

479
00:22:53,630 --> 00:22:50,760
politics I always tell people you guys

480
00:22:54,620 --> 00:22:53,640
see the Jimmy Dore show it is the he's

481
00:22:58,549 --> 00:22:54,630
doing the Lord's work

482
00:23:00,080 --> 00:22:58,559
you know I'm Sam well it takes a little

483
00:23:04,490 --> 00:23:00,090
bit more than hating you Larry Clinton

484
00:23:08,029 --> 00:23:04,500
to do a show with yeah I also hate all

485
00:23:09,350 --> 00:23:08,039
the do liberals and yeah yeah I really

486
00:23:11,750 --> 00:23:09,360
appreciate you saying that by the way

487
00:23:13,370 --> 00:23:11,760
you know it just came down to I couldn't

488
00:23:15,860 --> 00:23:13,380

see this country making the same mistake

489

00:23:17,419 --> 00:23:15,870

it kept making over and over a going to

490

00:23:19,700 --> 00:23:17,429

war every time and every one of our

491

00:23:21,080 --> 00:23:19,710

major news outlets Fanning the flames

492

00:23:22,700 --> 00:23:21,090

from Warren that's what really got me

493

00:23:24,320 --> 00:23:22,710

talking about [h__h] on stage that

494

00:23:26,419 --> 00:23:24,330

mattered was because I couldn't believe

495

00:23:29,960 --> 00:23:26,429

what was happening with Iraq war at the

496

00:23:32,120 --> 00:23:29,970

second time I just thought somebody said

497

00:23:33,289 --> 00:23:32,130

this yesterday was very funny said you

498

00:23:35,779 --> 00:23:33,299

know we should have been suspicious

499

00:23:42,500 --> 00:23:35,789

during the first Gulf War when they

500

00:23:44,930 --> 00:23:42,510

named it the first ball yeah now this is

501
00:23:47,000 --> 00:23:44,940
a conspiracy theory podcast he's in the

502
00:23:48,620 --> 00:23:47,010
injured dimensions we're into all the

503
00:23:50,480 --> 00:23:48,630
other stuff and a lot of people are like

504
00:23:52,130 --> 00:23:50,490
well Jimmy doors not conspiracy

505
00:23:54,080 --> 00:23:52,140
theorists but I do believe that you are

506
00:23:56,930 --> 00:23:54,090
because I really started following you

507
00:23:59,120 --> 00:23:56,940
during the primaries and you would put

508
00:24:00,710 --> 00:23:59,130
out you and especially camp and I love

509
00:24:03,440 --> 00:24:00,720
when you guys are on the same segments

510
00:24:07,490 --> 00:24:03,450
together and the the whole thing with

511
00:24:09,769 --> 00:24:07,500
Hillary and all that stuff the the deep

512
00:24:10,780 --> 00:24:09,779
stay on if you're into a holdout know

513
00:24:13,180 --> 00:24:10,790

that's happening

514

00:24:15,010 --> 00:24:13,190

that they did it to rock obama the deep

515

00:24:17,380 --> 00:24:15,020

state sabotage his deal with the

516

00:24:18,850 --> 00:24:17,390

Russians to have a we were going to we

517

00:24:20,830 --> 00:24:18,860

were sharing information with the

518

00:24:23,680 --> 00:24:20,840

Russians in Syria this isn't like

519

00:24:25,210 --> 00:24:23,690

October of last year for 2016 and Barack

520

00:24:26,830 --> 00:24:25,220

Obama set that up so we were going to

521

00:24:28,540 --> 00:24:26,840

work together to try to fight Isis well

522

00:24:32,200 --> 00:24:28,550

the CIA and the deep state didn't want

523

00:24:33,880 --> 00:24:32,210

that [h__h] right and I'm guessing Saudi

524

00:24:35,170 --> 00:24:33,890

Arabia didn't want us fighting Isis I

525

00:24:36,970 --> 00:24:35,180

don't know what the [h__h] but they didn't

526

00:24:38,530 --> 00:24:36,980

want it so they Sabbath this is from

527

00:24:42,100 --> 00:24:38,540

right from Dennis Kucinich send this on

528

00:24:44,920 --> 00:24:42,110

my show so that they sabotage Barack

529

00:24:46,900 --> 00:24:44,930

Obama's beef deal with with Russia and

530

00:24:48,850 --> 00:24:46,910

that because what they did was they had

531

00:24:50,980 --> 00:24:48,860

a mob they gave wrong coordinates and

532

00:24:52,960 --> 00:24:50,990

they ended up bombing a hundred Syrian

533

00:24:54,730 --> 00:24:52,970

soldiers the United States date and

534

00:24:56,650 --> 00:24:54,740

after they killed a hundred Syrian

535

00:24:57,970 --> 00:24:56,660

soldiers the [h__h] deal was off right

536

00:24:59,200 --> 00:24:57,980

with the sharing information but and

537

00:25:01,480 --> 00:24:59,210

that's exactly what the deeps they

538

00:25:02,680 --> 00:25:01,490

wanted and i said that it's the Cygnet

539

00:25:04,750 --> 00:25:02,690

when he said I can well why didn't broke

540

00:25:06,340 --> 00:25:04,760

Obama push back against this and he said

541

00:25:08,470 --> 00:25:06,350

Barack Obama doesn't push back and

542

00:25:10,030 --> 00:25:08,480

Barack Obama was on his way out the door

543

00:25:11,740 --> 00:25:10,040

anyway and that's what he figured he's

544

00:25:12,250 --> 00:25:11,750

gotta get over to trump and that's what

545

00:25:15,450 --> 00:25:12,260

he did

546

00:25:17,860 --> 00:25:15,460

so I forget what the question was but

547

00:25:22,330 --> 00:25:17,870

everything you're being told about Syria

548

00:25:25,840 --> 00:25:22,340

is a lot yeah the white helmets are

549

00:25:27,640 --> 00:25:25,850

talking Milan and all the like why are

550

00:25:29,560 --> 00:25:27,650

we in Syria well I was looking really

551
00:25:31,060 --> 00:25:29,570
other guys podcast a few weeks ago and

552
00:25:32,560 --> 00:25:31,070
the guy was trying to tell me this is a

553
00:25:38,070 --> 00:25:32,570
very famous guy that we're there because

554
00:25:42,010 --> 00:25:40,330
of course the people even know what the

555
00:25:43,810 --> 00:25:42,020
picture though is unbelievable how many

556
00:25:45,880 --> 00:25:43,820
people know what the petrodollar is you

557
00:25:47,950 --> 00:25:45,890
guys audience be honest the audience

558
00:25:49,390 --> 00:25:47,960
I'll tell you was not home real quick

559
00:25:50,710 --> 00:25:49,400
honestly how many people don't know

560
00:25:52,090 --> 00:25:50,720
about the texture that this isn't make

561
00:25:53,520 --> 00:25:52,100
fun really how many people know about

562
00:25:56,390 --> 00:25:53,530
clap if you know

563
00:25:58,520 --> 00:25:56,400

[Applause]

564

00:26:01,010 --> 00:25:58,530

Times CNN is not embarrassed that

565

00:26:02,840 --> 00:26:01,020

America doesn't know the [h__\h]

566

00:26:05,090 --> 00:26:02,850

linchpin of our foreign policy since

567

00:26:07,160 --> 00:26:05,100

1973 they don't care that you're running

568

00:26:08,930 --> 00:26:07,170

for because they're bought by the people

569

00:26:10,910 --> 00:26:08,940

who want to keep you on it for that's

570

00:26:12,860 --> 00:26:10,920

the whole [h__\h] point right and that's

571

00:26:14,510 --> 00:26:12,870

why Russia Russia Russia which is [h__\h]

572

00:26:16,280 --> 00:26:14,520

Trump is such a [h__\h]

573

00:26:18,740 --> 00:26:16,290

yeah he's able to [h__\h] stay one step

574

00:26:21,740 --> 00:26:18,750

ahead of the NSA the CIA and the FBI

575

00:26:23,720 --> 00:26:21,750

what the [h__\h] you have every phone call

576

00:26:25,490 --> 00:26:23,730

every text every detail Trump and

577

00:26:27,350 --> 00:26:25,500

everyone he knows ever [h__h] me and

578

00:26:29,150 --> 00:26:27,360

you still can't nail that [h__h] I

579

00:26:37,580 --> 00:26:29,160

believe you guys are bullshitting us

580

00:26:40,510 --> 00:26:37,590

right I agree with that I'm almost like

581

00:26:44,030 --> 00:26:40,520

these guys are so smart okay I just have

582

00:26:46,160 --> 00:26:44,040

jock Jonathan Lynn who directed my

583

00:26:48,260 --> 00:26:46,170

cousin Vinnie wonderful incredibly

584

00:26:50,570 --> 00:26:48,270

intelligent human being and you know

585

00:26:52,160 --> 00:26:50,580

he's an old-school Democrat you know I

586

00:26:54,740 --> 00:26:52,170

believe it was you did you talk about

587

00:26:57,920 --> 00:26:54,750

how the Koch brothers brought in Hillary

588

00:26:59,780 --> 00:26:57,930

to fill him moved up to the move the

589

00:27:01,760 --> 00:26:59,790

government brought up Hillary to Bill

590

00:27:03,860 --> 00:27:01,770

Clinton and Al Gore started thing called

591

00:27:05,720 --> 00:27:03,870

the DLC which stands for the Democratic

592

00:27:07,370 --> 00:27:05,730

Leadership Council and that was in

593

00:27:08,720 --> 00:27:07,380

response to Ronald Reagan scaring the

594

00:27:10,580 --> 00:27:08,730

[h__h] out of the Democrats they thought

595

00:27:12,740 --> 00:27:10,590

I'm never gonna win another election and

596

00:27:15,140 --> 00:27:12,750

so if Bill Clinton and Al Gore decide to

597

00:27:16,910 --> 00:27:15,150

do is we'll do triangulation will become

598

00:27:18,770 --> 00:27:16,920

just like them will take away their

599

00:27:20,450 --> 00:27:18,780

issues like their issues are oh the

600

00:27:22,370 --> 00:27:20,460

Democrats want to help poor people so

601
00:27:23,840 --> 00:27:22,380
we're gonna [h__h] over poor people the

602
00:27:26,540 --> 00:27:23,850
Democrats want to help unions we're

603
00:27:28,100 --> 00:27:26,550
gonna [h__h] over unions with NAFTA the

604
00:27:29,660 --> 00:27:28,110
Democrats want to have a stable banking

605
00:27:31,670 --> 00:27:29,670
system we're going to repeal the New

606
00:27:33,620 --> 00:27:31,680
Deal banking legislation and the economy

607
00:27:34,850 --> 00:27:33,630
will crash within 10 [h__h] years and

608
00:27:35,510 --> 00:27:34,860
we're going to balance again on your

609
00:27:42,500 --> 00:27:35,520
backs

610
00:27:44,390 --> 00:27:42,510
families other [h__h] houses that's how

611
00:27:45,920 --> 00:27:44,400
they fix the banks yeah that's what's

612
00:27:47,769 --> 00:27:45,930
happening right now so Bill Clinton and

613
00:27:50,019 --> 00:27:47,779

Al Gore started the democratic

614

00:27:51,430 --> 00:27:50,029

council and that was their corporate

615

00:27:53,080 --> 00:27:51,440

wing of the Democratic Party which is

616

00:27:54,849 --> 00:27:53,090

now the Democratic Party and they

617

00:27:55,269 --> 00:27:54,859

literally had executives from the Koch

618

00:27:57,339 --> 00:27:55,279

brothers

619

00:27:59,289 --> 00:27:57,349

I'm the panel of the Democratic

620

00:28:01,029 --> 00:27:59,299

Leadership Council and the Democratic

621

00:28:02,889 --> 00:28:01,039

Leadership Council they're big ideas was

622

00:28:04,539 --> 00:28:02,899

to gut welfare while exploring the

623

00:28:06,789 --> 00:28:04,549

prison population while revealing the

624

00:28:08,320 --> 00:28:06,799

New Deal baking legislation and Bill

625

00:28:10,419 --> 00:28:08,330

Clinton also tried to privatize Social

626

00:28:12,249 --> 00:28:10,429

Security he had a secret deal to

627

00:28:14,200 --> 00:28:12,259

privatize Social Security people don't

628

00:29:07,509 --> 00:28:14,210

know this he did with Newt Gingrich the

629

00:29:09,219 --> 00:29:07,519

next day we were just being into the

630

00:29:12,009 --> 00:29:09,229

whole deep state all that stuff and I

631

00:29:13,599 --> 00:29:12,019

know we're talking about a little minami

632

00:29:17,109 --> 00:29:13,609

[h__\h] babies we know when we're

633

00:29:19,629 --> 00:29:17,119

talking about you can sign these you

634

00:29:22,709 --> 00:29:19,639

know what that's the big move it's

635

00:29:31,990 --> 00:29:22,719

holding all the corruption together is

636

00:29:38,510 --> 00:29:35,930

the gate all that [h__\h] that's why people

637

00:29:38,870 --> 00:29:38,520

are being corrupt because they're all in

638

00:29:40,670 --> 00:29:38,880

on it

639

00:29:48,130 --> 00:29:40,680

everyone at the top they're all [h__h]

640

00:29:54,470 --> 00:29:52,100

because I did a little research and our

641

00:29:58,880 --> 00:29:54,480

defense contracting companies will often

642

00:30:01,160 --> 00:29:58,890

be pure young people young boys and

643

00:30:01,550 --> 00:30:01,170

girls for sex parties and around the

644

00:30:05,060 --> 00:30:01,560

world

645

00:30:07,040 --> 00:30:05,070

right no no this is not news by the way

646

00:30:09,290 --> 00:30:07,050

to the Pentagon or the CIA they know

647

00:30:11,090 --> 00:30:09,300

this this is how they do business over

648

00:30:12,560 --> 00:30:11,100

there so you're not far wrong

649

00:30:15,970 --> 00:30:12,570

that's that I'm not making that up you

650

00:30:21,200 --> 00:30:15,980

can come right on it they come right off

651
00:30:23,030 --> 00:30:21,210
right no just just because you're you're

652
00:30:26,630 --> 00:30:23,040
in the Illuminati doesn't mean you're

653
00:30:29,330 --> 00:30:26,640
getting the good things Rock Rockefeller

654
00:30:36,070 --> 00:30:29,340
dam Rockefeller and the mob top there

655
00:30:41,420 --> 00:30:38,230
you know I know

656
00:30:43,640 --> 00:30:41,430
hey listen listen by the way we're

657
00:30:46,280 --> 00:30:43,650
talking pedal gate why man drinks a

658
00:30:52,700 --> 00:30:48,650
you got her to agree with that or

659
00:30:55,280 --> 00:30:52,710
anything but that option why isn't why

660
00:30:57,770 --> 00:30:55,290
is everyone lying because they're all

661
00:31:00,680 --> 00:30:57,780
they're not all [h__h] babies but

662
00:31:02,210 --> 00:31:00,690
they're [h__h] kids that's what's going

663
00:31:04,100 --> 00:31:02,220

on well let's get into this real quick

664

00:31:05,570 --> 00:31:04,110

because some people might not know about

665

00:31:08,030 --> 00:31:05,580

this and I think this group if you're

666

00:31:10,880 --> 00:31:08,040

here you're there fan of his show or our

667

00:31:12,890 --> 00:31:10,890

show were either these guys show so but

668

00:31:15,640 --> 00:31:12,900

the whole thing is this if if there is

669

00:31:18,890 --> 00:31:15,650

out that there's a dark room then uses

670

00:31:20,900 --> 00:31:18,900

pedophilia to blackmail people into

671

00:31:22,580 --> 00:31:20,910

playing ball now the reason I think of

672

00:31:24,740 --> 00:31:22,590

big part of this is is I don't know if

673

00:31:26,420 --> 00:31:24,750

you saw Daniel Tosh did a big segment on

674

00:31:28,370 --> 00:31:26,430

his show about how there's all these

675

00:31:31,100 --> 00:31:28,380

YouTube channels there they have this

676

00:31:34,550 --> 00:31:31,110

very creepy element of children doing

677

00:31:36,560 --> 00:31:34,560

what appears to be like corporate kiddie

678

00:31:38,840 --> 00:31:36,570

porn the nice things in online but they

679

00:31:41,210 --> 00:31:38,850

do it and it's gotten billions of views

680

00:31:43,190 --> 00:31:41,220

and what I think they do do is they

681

00:31:45,170 --> 00:31:43,200

track who's watching these things and

682

00:31:47,210 --> 00:31:45,180

they follow these guys I know it's big

683

00:31:50,210 --> 00:31:47,220

thing they follow these guys and they've

684

00:31:52,250 --> 00:31:50,220

seen who is interested in going into

685

00:31:54,710 --> 00:31:52,260

office and then they start the fast

686

00:31:56,810 --> 00:31:54,720

track these guys and then winning that

687

00:31:58,910 --> 00:31:56,820

cartoon a little girls like a popsicle

688

00:32:00,080 --> 00:31:58,920

for 45 minutes and I even run for mayor

689

00:32:09,020 --> 00:32:00,090

we just won't

690

00:32:14,270 --> 00:32:11,779

so with the can't [\h__\h] in regards to

691

00:32:16,580 --> 00:32:14,280

do you think that there is something

692

00:32:18,830 --> 00:32:16,590

there besides just power and blackmail

693

00:32:21,710 --> 00:32:18,840

do you think there is like potentially a

694

00:32:26,390 --> 00:32:21,720

deeper element a deeper game to why they

695

00:32:28,279 --> 00:32:26,400

would do that it's like on the lowest

696

00:32:30,529 --> 00:32:28,289

possible level we're talking about the

697

00:32:33,590 --> 00:32:30,539

gangbangers like East LA Mexican

698

00:32:37,070 --> 00:32:33,600

gangbangers they will not let you into

699

00:32:44,210 --> 00:32:37,080

their gang unless you kill somebody

700

00:32:45,770 --> 00:32:44,220

that's a fact what is up so what I'm

701
00:32:48,230 --> 00:32:45,780
saying is if you're gonna let someone

702
00:32:50,330 --> 00:32:48,240
into the Illuminati Club you're not

703
00:32:52,010 --> 00:32:50,340
gonna let them in there's a club just

704
00:32:56,810 --> 00:32:52,020
like George Carlin said there's a club

705
00:32:58,549 --> 00:32:56,820
you're not invited if you're not gonna

706
00:33:00,260 --> 00:32:58,559
go you're not gonna be in that Club

707
00:33:01,760 --> 00:33:00,270
unless you're doing something that they

708
00:33:04,220 --> 00:33:01,770
could [h__\h] you up with unless they have

709
00:33:06,890 --> 00:33:04,230
black man and then I'm not just making

710
00:33:08,299 --> 00:33:06,900
this up I don't want to leave most you

711
00:33:11,750 --> 00:33:08,309
guys probably agree with this good you

712
00:33:16,970 --> 00:33:11,760
were here but what's holding everything

713
00:33:18,320 --> 00:33:16,980

together is man they bring people in and

714

00:33:20,270 --> 00:33:18,330

they're [h__h] underage people that's

715

00:33:22,370 --> 00:33:20,280

all that's all that's going on and when

716

00:33:25,789 --> 00:33:22,380

you get caught when you get caught

717

00:33:27,950 --> 00:33:25,799

[h__h] kids you'll do anything anything

718

00:33:28,580 --> 00:33:27,960

to not get caught and that's what's

719

00:33:30,440 --> 00:33:28,590

going on right now

720

00:33:32,510 --> 00:33:30,450

all right at the top the [h__h] kids

721

00:33:34,850 --> 00:33:32,520

that's what's going on watch the

722

00:33:36,980 --> 00:33:34,860

documentary conspiracy of silence watch

723

00:33:42,850 --> 00:33:36,990

that [h__h] what about Bill Clinton what

724

00:33:54,529 --> 00:33:47,379

with jerky and earth or epsteen epsteen

725

00:33:56,480 --> 00:33:54,539

from the right Bill Clinton was hanging

726

00:33:58,279 --> 00:33:56,490

out with it and not only say you know

727

00:33:58,909 --> 00:33:58,289

but he's the guy who threw parties on

728

00:34:00,409 --> 00:33:58,919

this island

729

00:34:02,899 --> 00:34:00,419

yeah there's an island ahead of my eye

730

00:34:06,499 --> 00:34:02,909

and there's a bunch of them only one cot

731

00:34:18,280 --> 00:34:06,509

there's a bunch go on YouTube and search

732

00:34:32,000 --> 00:34:24,700

that why is the media mine why is why

733

00:34:40,540 --> 00:34:32,010

you're gonna find out do you think it's

734

00:34:40,550 --> 00:34:49,550

they're all getting away with it

735

00:34:55,710 --> 00:34:52,680

[Applause]

736

00:34:58,650 --> 00:34:55,720

going on cooking garlic since the dawn

737

00:35:02,160 --> 00:34:58,660

of humanity the dawn of man through this

738

00:35:05,700 --> 00:35:02,170

is not new this is always been the elite

739

00:35:06,660 --> 00:35:05,710

bowl of [\h__\h] [\h__\h] religious

740

00:35:11,280 --> 00:35:06,670

it's been that way

741

00:35:13,290 --> 00:35:11,290

that's what's holding because everyone

742

00:35:15,630 --> 00:35:13,300

is being black because the world around

743

00:35:17,069 --> 00:35:15,640

if you were if you were in this club if

744

00:35:22,859 --> 00:35:17,079

you were in the club you got [\h__\h]

745

00:35:25,020 --> 00:35:22,869

blackmailed you would want as many every

746

00:35:26,400 --> 00:35:25,030

week you put together a party and this

747

00:35:29,190 --> 00:35:26,410

is what they do in Washington DC

748

00:35:30,630 --> 00:35:29,200

they put together parties they invite oh

749

00:35:32,760 --> 00:35:30,640

we gotta get this [\h__\h] this

750

00:35:34,770 --> 00:35:32,770

judge and that [\h__\h] the arrival

751

00:35:37,440 --> 00:35:34,780

of the party they think they're that a

752

00:35:39,690 --> 00:35:37,450

21 year old is making moves on them when

753

00:35:43,319 --> 00:35:39,700

it's really a 17 year old and then the

754

00:35:45,870 --> 00:35:43,329

70 this is the 17 year old thanks like

755

00:35:47,760 --> 00:35:45,880

she died she [h__h] his old politician

756

00:35:49,500 --> 00:35:47,770

she fakes you like Jasmine overdose they

757

00:35:51,960 --> 00:35:49,510

pull her away she's part of the program

758

00:35:53,460 --> 00:35:51,970

as well and then he thinks she died when

759

00:36:07,220 --> 00:35:53,470

she really didn't die and then guys

760

00:36:13,920 --> 00:36:11,730

that's what's going on I I don't I don't

761

00:36:16,530 --> 00:36:13,930

have I can't dispute that you saying I

762

00:36:19,230 --> 00:36:16,540

have any information but I will say that

763

00:36:20,640 --> 00:36:19,240

I don't doubt that something similar to

764

00:36:23,910 --> 00:36:20,650

that happens to people but I think the

765

00:36:27,150 --> 00:36:23,920

reason why the media is suck so bad it's

766

00:36:28,070 --> 00:36:27,160

just because of money they're [h__h]

767

00:36:30,920 --> 00:36:28,080

completely

768

00:36:33,620 --> 00:36:30,930

and they are empty vessels and they are

769

00:36:35,720 --> 00:36:33,630

chosen brian williams was chosen because

770

00:36:37,070 --> 00:36:35,730

he's a [h__h] empty suit you know I

771

00:36:40,040 --> 00:36:37,080

mean what do you think about that so

772

00:36:48,260 --> 00:36:40,050

Cooper Anderson Cooper looks fantastic

773

00:36:51,050 --> 00:36:48,270

in a t-shirt people like Mike as well he

774

00:36:53,890 --> 00:36:51,060

talked about working for the CIA he was

775

00:36:56,390 --> 00:36:53,900

in the CIA just an actor operation my

776
00:36:58,580 --> 00:36:56,400
operation Mockingbird was an operation

777
00:37:02,030 --> 00:36:58,590
designed to take over the media by the

778
00:37:03,530 --> 00:37:02,040
CIA I mean that's real that's real not

779
00:37:06,500 --> 00:37:03,540
even made-up all right so that but if

780
00:37:08,390 --> 00:37:06,510
you asked I saw a video where they asked

781
00:37:15,100 --> 00:37:08,400
I had the CIA about operation

782
00:37:20,540 --> 00:37:17,870
[h__\h] well I also wanted to say that

783
00:37:22,730 --> 00:37:20,550
if the propaganda is just as strong as

784
00:37:24,050 --> 00:37:22,740
conspiracies right so the propaganda is

785
00:37:26,030 --> 00:37:24,060
a conspiracy but it's right out in the

786
00:37:28,940 --> 00:37:26,040
open and right now the Russian thing is

787
00:37:39,710 --> 00:37:28,950
happening is a conspiracy and Russia

788
00:37:41,810 --> 00:37:39,720

what's going on Russia Russian did you

789

00:37:44,350 --> 00:37:41,820

know Russia bought a hundred thousand

790

00:37:56,230 --> 00:37:44,360

dollars worth of you too bad

791

00:38:03,020 --> 00:38:01,010

oh [h__h] the law opportunity oh that's

792

00:38:05,930 --> 00:38:03,030

happening right now that the Democratic

793

00:38:08,210 --> 00:38:05,940

Party invented a [h__h] lie which is

794

00:38:09,860 --> 00:38:08,220

Russia hacked our election and that's

795

00:38:11,690 --> 00:38:09,870

only been talking about and they get

796

00:38:13,430 --> 00:38:11,700

people that go go that gave up on them

797

00:38:18,890 --> 00:38:13,440

they did because they don't even have

798

00:38:23,340 --> 00:38:21,120

we're still alive I gave a moment

799

00:38:25,170 --> 00:38:23,350

Washington Post articles today that

800

00:38:29,430 --> 00:38:25,180

Russia because what do you know about

801
00:38:31,140 --> 00:38:29,440
Walmart I know Hillary knotted up choose

802
00:38:33,360 --> 00:38:31,150
to be a board member of Walmart is that

803
00:38:34,470 --> 00:38:33,370
all you know about Walmart what else do

804
00:38:36,090 --> 00:38:34,480
you know about I know that they are

805
00:38:38,070 --> 00:38:36,100
unionized around the world that point

806
00:38:39,510 --> 00:38:38,080
out that the other tournament in

807
00:38:41,730 --> 00:38:39,520
concentration camps when they really

808
00:38:46,140 --> 00:38:41,740
need oh yeah that's what's going on what

809
00:38:53,190 --> 00:38:46,150
the closing down successful the FEMA

810
00:38:54,960 --> 00:38:53,200
camps if the time were to come where

811
00:38:56,760 --> 00:38:54,970
they would need to have large amounts of

812
00:39:00,150 --> 00:38:56,770
people and warehouse type facilities

813
00:39:01,860 --> 00:39:00,160

that sounds like Amazon's would do that

814

00:39:04,020 --> 00:39:01,870

because Jeff Bezos sits on the Florida

815

00:39:06,030 --> 00:39:04,030

Pentagon you know that Jeff Bezos it's

816

00:39:07,620 --> 00:39:06,040

not a Florida at the Pentagon and Jeff

817

00:39:09,600 --> 00:39:07,630

Bezos is a six hundred million dollar

818

00:39:11,190 --> 00:39:09,610

deal with the CIA which is twice what he

819

00:39:12,570 --> 00:39:11,200

paid for that [h__h] Washington Post

820

00:39:14,550 --> 00:39:12,580

and he said he bought it because he's

821

00:39:15,990 --> 00:39:14,560

interested in democracy the predatory

822

00:39:18,540 --> 00:39:16,000

capitalist doesn't give a [h__h] about

823

00:39:19,950 --> 00:39:18,550

democracy he wants to crush you half of

824

00:39:21,900 --> 00:39:19,960

all internet purchases in the United

825

00:39:22,470 --> 00:39:21,910

States go through Amazon did you [h__h]

826

00:39:24,180 --> 00:39:22,480

know that

827

00:39:26,400 --> 00:39:24,190

that [h__h] sits on a pentagon

828

00:39:45,700 --> 00:39:26,410

board you're telling me conspiracies are

829

00:39:51,170 --> 00:39:48,650

and every time the Washington Post

830

00:39:54,230 --> 00:39:51,180

writes an article about the Russia

831

00:39:56,240 --> 00:39:54,240

hacking the election or about Seth Rache

832

00:39:58,340 --> 00:39:56,250

or about anything they are ethically

833

00:40:00,620 --> 00:39:58,350

required to put it note next to that

834

00:40:03,250 --> 00:40:00,630

editor's though that says we have a six

835

00:40:06,110 --> 00:40:03,260

hundred million dollar deal with the CIA

836

00:40:08,000 --> 00:40:06,120

just to let you know they don't look and

837

00:40:10,070 --> 00:40:08,010

do that why do you think they don't

838

00:40:11,780 --> 00:40:10,080

[\h__\h] do that because they don't want

839

00:40:13,730 --> 00:40:11,790

you to know that why because they're

840

00:40:17,000 --> 00:40:13,740

[\h__\h] complicit and they're pushing

841

00:40:18,230 --> 00:40:17,010

CIA propaganda that's why nothing in the

842

00:40:20,870 --> 00:40:18,240

Washington Post about foreign policy

843

00:40:22,670 --> 00:40:20,880

about the wars about the [\h__\h]

844

00:40:24,830 --> 00:40:22,680

Democratic Party none of it is [\h__\h]

845

00:40:26,690 --> 00:40:24,840

true none of it they just hired John

846

00:40:35,600 --> 00:40:26,700

Podesta to be on their editorial it

847

00:40:37,310 --> 00:40:35,610

though I love that guy you know we have

848

00:40:39,800 --> 00:40:37,320

the best our kids so let me just make

849

00:40:41,380 --> 00:40:39,810

the making so probably he's amazing when

850

00:40:44,900 --> 00:40:41,390

the girls said the guy's amazing

851

00:40:46,580 --> 00:40:44,910

oh my god amazing

852

00:40:48,170 --> 00:40:46,590

you know you all know this probably

853

00:40:49,610 --> 00:40:48,180

right then I just learned this so that's

854

00:40:52,490 --> 00:40:49,620

why what I was confirm that you all

855

00:40:55,520 --> 00:40:52,500

notice that the term conspiracy theorist

856

00:40:57,920 --> 00:40:55,530

was invented by the CIA after the JFK

857

00:40:59,870 --> 00:40:57,930

assassination Roger to retina invented

858

00:41:01,880 --> 00:40:59,880

show not anybody who comes out and says

859

00:41:03,950 --> 00:41:01,890

anything about what happened they go all

860

00:41:05,660 --> 00:41:03,960

converge there is crazy I think it would

861

00:41:07,430 --> 00:41:05,670

be here is on board with that so I might

862

00:41:09,710 --> 00:41:07,440

know what's happening in Las Vegas with

863

00:41:11,810 --> 00:41:09,720

that massacre so now people are putting

864

00:41:13,910 --> 00:41:11,820

up YouTube videos that question the

865

00:41:16,370 --> 00:41:13,920

visual narrative YouTube's taking those

866

00:41:18,440 --> 00:41:16,380

videos down right if they're wrong we'll

867

00:41:19,970 --> 00:41:18,450

give the [h__h] right so those videos are

868

00:41:22,490 --> 00:41:19,980

wrong because somebody got a news forum

869

00:41:24,320 --> 00:41:22,500

can't even carry a list of videos that

870

00:41:26,210 --> 00:41:24,330

proved your point they'll say that your

871

00:41:28,280 --> 00:41:26,220

list the very fact that you made a list

872

00:41:29,700 --> 00:41:28,290

isn't reason enough to take it right now

873

00:41:32,310 --> 00:41:29,710

those guys out there there's a

874

00:41:32,820 --> 00:41:32,320

naughty guys a brand name or maybe not

875

00:41:36,480 --> 00:41:32,830

that bright

876

00:41:39,030 --> 00:41:36,490

maybe they're old-school geez but

877

00:41:42,240 --> 00:41:39,040

they're bragging about the babies are

878

00:41:53,670 --> 00:41:42,250

having sex with I'm sure they are you

879

00:41:56,160 --> 00:41:53,680

know they got real babies they're eating

880

00:41:59,810 --> 00:41:56,170

babies are drinking their blood I think

881

00:42:02,010 --> 00:41:59,820

there is happening to the rejuvenation

882

00:42:04,170 --> 00:42:02,020

transfusion and if you want to know why

883

00:42:06,120 --> 00:42:04,180

Hillary could not walk being handled all

884

00:42:07,500 --> 00:42:06,130

the way and she stumbled at the ball is

885

00:42:16,500 --> 00:42:07,510

because she was injected with the wrong

886

00:42:18,240 --> 00:42:16,510

shoe everybody fell down everybody with

887

00:42:20,670 --> 00:42:18,250

money goes we got a new horse

888

00:42:22,500 --> 00:42:20,680

Donald Trump was the winner I got I got

889

00:42:24,120 --> 00:42:22,510

a drove because when she felt down and

890

00:42:25,560 --> 00:42:24,130

they lied about it for 10 hours right

891

00:42:26,700 --> 00:42:25,570

why she fell down they by anybody they

892

00:42:28,560 --> 00:42:26,710

didn't take her to a hospital

893

00:42:30,570 --> 00:42:28,570

a 68 year old woman with brain trauma

894

00:42:32,579 --> 00:42:30,580

history passes out you don't take her to

895

00:42:34,380 --> 00:42:32,589

a [h__\h] Hospital what the [h__\h] so

896

00:42:36,030 --> 00:42:34,390

something was going on and so I started

897

00:42:38,130 --> 00:42:36,040

to go well they lied about it for 10

898

00:42:39,240 --> 00:42:38,140

hours so I get to speculate why would

899

00:42:40,920 --> 00:42:39,250

give days she really just had pneumonia

900

00:42:42,030 --> 00:42:40,930

they wouldn't lie about that so I

901
00:42:42,780 --> 00:42:42,040
started to speculate if she had

902
00:42:44,550 --> 00:42:42,790
Parkinson's

903
00:42:46,710 --> 00:42:44,560
holy [h__\h] people still want to kill me

904
00:42:49,200 --> 00:42:46,720
today because I said that yeah I don't

905
00:43:02,010 --> 00:42:49,210
think we good well thank you Parkinson's

906
00:43:03,960 --> 00:43:02,020
I probably found this right in bones and

907
00:43:06,900 --> 00:43:03,970
shoulder six hours they give you a boner

908
00:43:10,620 --> 00:43:06,910
for six hours of the runs oh that's that

909
00:43:12,750 --> 00:43:10,630
that's not that's not going to like it

910
00:43:13,770 --> 00:43:12,760
I haven't got to drop it

911
00:43:15,540 --> 00:43:13,780
something that I thought was really

912
00:43:18,030 --> 00:43:15,550
interesting as an analogy in terms of

913
00:43:21,480 --> 00:43:18,040

the presidency yeah that is a comedy

914

00:43:23,730 --> 00:43:21,490

club very much so I think that's a great

915

00:43:26,790 --> 00:43:23,740

analogy the way that we look at this

916

00:43:30,000 --> 00:43:26,800

person and we give him so much real

917

00:43:31,530 --> 00:43:30,010

estate in our minds is just a continuing

918

00:43:34,470 --> 00:43:31,540

propaganda the fact that we have one

919

00:43:36,390 --> 00:43:34,480

central figure brought down and we color

920

00:43:38,010 --> 00:43:36,400

them with the color orange which is just

921

00:43:39,990 --> 00:43:38,020

hooked to our orange chakra which is

922

00:43:41,700 --> 00:43:40,000

just rooted right below our red chakra

923

00:43:44,370 --> 00:43:41,710

and that's the reason we're all so angry

924

00:43:46,110 --> 00:43:44,380

about this the more angry the world is

925

00:43:47,820 --> 00:43:46,120

the better the economy is because people

926
00:43:49,260 --> 00:43:47,830
don't have any time so you work harder

927
00:43:51,930 --> 00:43:49,270
with less time you make poor decisions

928
00:43:53,880 --> 00:43:51,940
and everything just continues to run and

929
00:43:56,190 --> 00:43:53,890
that's the way the business is as far as

930
00:43:58,050 --> 00:43:56,200
the presidency is concerned a comedy

931
00:43:59,610 --> 00:43:58,060
club if somebody asks me to come here

932
00:44:01,170 --> 00:43:59,620
and headline which I've talked to the

933
00:44:03,180 --> 00:44:01,180
Booker and it's never gonna happen but

934
00:44:07,110 --> 00:44:03,190
that's fine all right but at that time

935
00:44:10,170 --> 00:44:07,120
when I come here in headlines I am in

936
00:44:13,350 --> 00:44:10,180
charge I am in charge of this room I

937
00:44:15,870 --> 00:44:13,360
decided that policy is I decide how it

938
00:44:18,330 --> 00:44:15,880

goes I decide how you react and I make

939

00:44:20,760 --> 00:44:18,340

and I change based on what my game plan

940

00:44:23,160 --> 00:44:20,770

is based what you're saying am I really

941

00:44:25,170 --> 00:44:23,170

in charge no I don't own the building I

942

00:44:26,670 --> 00:44:25,180

don't put the lights on I didn't do any

943

00:44:29,400 --> 00:44:26,680

of the marketing I didn't do any of the

944

00:44:32,340 --> 00:44:29,410

advertising and win my 45 minutes or my

945

00:44:35,820 --> 00:44:32,350

four years or eight or in this case he

946

00:44:54,210 --> 00:44:35,830

is our last president he will go 12 okay

947

00:44:57,090 --> 00:44:54,220

that's my guess so I also got a lot of

948

00:44:58,760 --> 00:44:57,100

trouble for saying that Hillary Clinton

949

00:45:02,960 --> 00:44:58,770

presidency

950

00:45:06,350 --> 00:45:02,970

streamline they got rid of the planet

951
00:45:09,680 --> 00:45:06,360
because now Trump is an entertaining

952
00:45:13,010 --> 00:45:09,690
income food right and Hillary Clinton is

953
00:45:16,190 --> 00:45:13,020
an unattainable agaric who knows how to

954
00:45:17,720 --> 00:45:16,200
give horrible [h__h] done right and that's

955
00:45:20,000 --> 00:45:17,730
how they keep regulated the [h__h]

956
00:45:21,710 --> 00:45:20,010
banks and crash the economy that's how

957
00:45:23,480 --> 00:45:21,720
supported to get us in Iraq that's how

958
00:45:25,760 --> 00:45:23,490
they did [h__h] Libya that's how they

959
00:45:28,250 --> 00:45:25,770
overthrew Honduras that's how all that

960
00:45:30,650 --> 00:45:28,260
[h__h] horrible [h__h] they do they do it

961
00:45:32,060 --> 00:45:30,660
right you can't stop them so now what

962
00:45:34,310 --> 00:45:32,070
Trump is president he couldn't even

963
00:45:36,650 --> 00:45:34,320

repeal [\h__\h] Obamacare right then I

964

00:45:38,270 --> 00:45:36,660

predicted that I predicted that that he

965

00:45:40,070 --> 00:45:38,280

wouldn't be able to keep the Republicans

966

00:45:41,660 --> 00:45:40,080

together if the independents would go

967

00:45:43,730 --> 00:45:41,670

against them so that's exactly what's

968

00:45:45,230 --> 00:45:43,740

happening and so I still people again

969

00:45:46,700 --> 00:45:45,240

you're the Antichrist just for having a

970

00:45:48,560 --> 00:45:46,710

different opinion in this country and

971

00:45:50,960 --> 00:45:48,570

McCarthyism is happening right now at

972

00:45:52,580 --> 00:45:50,970

[\h__\h] 100 miles an hour at the top of

973

00:45:54,560 --> 00:45:52,590

everyone's lungs and no one who's

974

00:45:57,110 --> 00:45:54,570

[\h__\h] saying anything about it it's a

975

00:45:58,880 --> 00:45:57,120

weird time to be alive I started talking

976
00:46:01,550 --> 00:45:58,890
about this [h__\h] when we were going into

977
00:46:03,470 --> 00:46:01,560
Iraq everybody that I knew knew the Iraq

978
00:46:04,970 --> 00:46:03,480
war was [h__\h] it was alive everybody

979
00:46:06,830 --> 00:46:04,980
I knew there were a million people in

980
00:46:08,030 --> 00:46:06,840
the streets protesting they did not show

981
00:46:09,560 --> 00:46:08,040
them on the [h__\h] news

982
00:46:11,270 --> 00:46:09,570
you know when they started Occupy Wall

983
00:46:12,440 --> 00:46:11,280
Street for a week and a half those

984
00:46:14,570 --> 00:46:12,450
[h__\h] had to drive through

985
00:46:17,210 --> 00:46:14,580
Occupy Wall Street to get through their

986
00:46:20,780 --> 00:46:17,220
newsrooms and and they didn't [h__\h]

987
00:46:23,180 --> 00:46:20,790
mention it right and now but now that

988
00:46:25,760 --> 00:46:23,190

all of the micro divisions that we have

989

00:46:27,680 --> 00:46:25,770

and the fact that now even coming out in

990

00:46:30,110 --> 00:46:27,690

public is it quote unquote scary thing

991

00:46:32,240 --> 00:46:30,120

and that's how you stop peace movement

992

00:46:34,310 --> 00:46:32,250

is to give the fact that a hundred

993

00:46:36,440 --> 00:46:34,320

thousand people cannot come into one

994

00:46:39,290 --> 00:46:36,450

area with one single idea which is to

995

00:46:40,910 --> 00:46:39,300

stop war because everybody so at each

996

00:46:42,650 --> 00:46:40,920

other's throats because they're all mad

997

00:46:43,430 --> 00:46:42,660

because you didn't bring the right color

998

00:46:45,740 --> 00:46:43,440

back and

999

00:46:47,150 --> 00:46:45,750

colorspace scarf to come and start this

1000

00:46:56,510 --> 00:46:47,160

way this is Brendon Walsh everybody

1001
00:46:58,370 --> 00:46:56,520
around her ended he just mentioned the

1002
00:47:00,710 --> 00:46:58,380
anti-war movement now it's very strong

1003
00:47:03,410 --> 00:47:00,720
on the left it's very strong on the far

1004
00:47:04,670 --> 00:47:03,420
right the anti-war movement do you a lot

1005
00:47:06,980 --> 00:47:04,680
of people have said that they thought

1006
00:47:09,320 --> 00:47:06,990
Charlotte's bill was an attempt to drive

1007
00:47:11,720 --> 00:47:09,330
a wedge between the left and the right

1008
00:47:13,370 --> 00:47:11,730
because they leaked fear that we were

1009
00:47:15,770 --> 00:47:13,380
coming together to oppose them

1010
00:47:19,220 --> 00:47:15,780
economically and militaristically what

1011
00:47:20,720 --> 00:47:19,230
do you say to that I mean I don't know

1012
00:47:24,080 --> 00:47:20,730
what the [h__\h] real anymore

1013
00:47:25,640 --> 00:47:24,090

but I I mean I do think that I think

1014

00:47:28,790 --> 00:47:25,650

that's what this Vegas shit's about -

1015

00:47:31,580 --> 00:47:28,800

it's a [h__\h] it it's all static it's to

1016

00:47:34,130 --> 00:47:31,590

keep us all [h__\h] guests confused and

1017

00:47:36,080 --> 00:47:34,140

scared and the [h__\h] news and you know

1018

00:47:37,520 --> 00:47:36,090

and it's so easy to be label as a

1019

00:47:39,950 --> 00:47:37,530

[h__\h] psychic of it just by asking

1020

00:47:41,600 --> 00:47:39,960

questions like you know like the pizza

1021

00:47:44,870 --> 00:47:41,610

gate thing okay whatever maybe that's

1022

00:47:46,190 --> 00:47:44,880

crazy but like when the [h__\h] news and

1023

00:47:47,750 --> 00:47:46,200

everybody's like better than I think

1024

00:47:49,520 --> 00:47:47,760

that's debunk before the story that

1025

00:47:51,410 --> 00:47:49,530

comes out okay here that's a lot be

1026

00:47:54,110 --> 00:47:51,420

suspicious right you can't handle it

1027

00:47:55,670 --> 00:47:54,120

when they have [\h__\h] like tree pubes

1028

00:47:57,230 --> 00:47:55,680

for the fake leg it's like where did you

1029

00:47:59,060 --> 00:47:57,240

guys put these tributes together for the

1030

00:48:02,930 --> 00:47:59,070

Vegas man that seems like it's been in

1031

00:48:04,760 --> 00:48:02,940

production like it's just it's [\h__\h]

1032

00:48:07,910 --> 00:48:04,770

when it just immediately turned into a

1033

00:48:09,770 --> 00:48:07,920

button or a pin in a song it's [\h__\h]

1034

00:48:11,060 --> 00:48:09,780

curious tonight it's like I don't care

1035

00:48:12,980 --> 00:48:11,070

if people get it wrong

1036

00:48:14,060 --> 00:48:12,990

if someone's wrong about the Las Vegas

1037

00:48:16,100 --> 00:48:14,070

shooting or something

1038

00:48:18,080 --> 00:48:16,110

how's everything solved so far right

1039

00:48:21,080 --> 00:48:18,090

right and like I guarantee you this

1040

00:48:23,150 --> 00:48:21,090

Vegas much like the Pentagon more

1041

00:48:24,590 --> 00:48:23,160

[h__h] cameras on the Pentagon in May

1042

00:48:26,210 --> 00:48:24,600

that anyone in the world but you're

1043

00:48:27,440 --> 00:48:26,220

never gonna see a plane hit the [h__h]

1044

00:48:29,510 --> 00:48:27,450

Pentagon you're never going to see a

1045

00:48:31,100 --> 00:48:29,520

[h__h] idiot every way and you're never

1046

00:48:32,990 --> 00:48:31,110

going to see a video this guy bringing

1047

00:48:34,610 --> 00:48:33,000

all those [h__h] guns up to us by order

1048

00:48:36,620 --> 00:48:34,620

by himself you're never going to see

1049

00:48:38,210 --> 00:48:36,630

them all the anti soft page I saw one

1050

00:48:39,980 --> 00:48:38,220

picture of his room so maybe there's

1051
00:48:42,140 --> 00:48:39,990
more pictures I hope I'm sure there are

1052
00:48:45,980 --> 00:48:42,150
there's no seventeen shell casings I'm a

1053
00:48:47,810 --> 00:48:45,990
thousand [h__h] since we're picture of

1054
00:48:49,610 --> 00:48:47,820
a shattered glass on the ground there

1055
00:48:52,070 --> 00:48:49,620
should be a [h__h] piled shell casings

1056
00:48:53,960 --> 00:48:52,080
about four feet high he's shot 60

1057
00:48:56,060 --> 00:48:53,970
bullets a second for [h__h] ten minutes

1058
00:49:00,920 --> 00:48:56,070
and they should be one bullets are the

1059
00:49:02,810 --> 00:49:00,930
asphalt out of cars the heat of the

1060
00:49:05,000 --> 00:49:02,820
projectile should be burned into the

1061
00:49:06,980 --> 00:49:05,010
carpet because of how hot it was

1062
00:49:09,380 --> 00:49:06,990
you should be able to look at the ground

1063
00:49:10,760 --> 00:49:09,390

and see that it has been disturbed it

1064

00:49:12,860 --> 00:49:10,770

just looks like that hastily well

1065

00:49:14,390 --> 00:49:12,870

there's no question there's never going

1066

00:49:16,310 --> 00:49:14,400

to be a real investigation story's

1067

00:49:18,320 --> 00:49:16,320

already official yes and there's video

1068

00:49:36,650 --> 00:49:18,330

there's a videotape that I watch videos

1069

00:49:39,230 --> 00:49:36,660

on YouTube driver in the Mandalay Bay

1070

00:49:41,240 --> 00:49:39,240

around here gunfire far away to hear

1071

00:49:43,370 --> 00:49:41,250

right now right though and it's like

1072

00:49:45,230 --> 00:49:43,380

that sounds like two different places or

1073

00:49:46,340 --> 00:49:45,240

wholly different guns two totally

1074

00:49:49,039 --> 00:49:46,350

different placements boy you're a

1075

00:49:51,349 --> 00:49:49,049

[h__h] psycho

1076

00:49:53,569 --> 00:49:51,359

first of all this is an opening because

1077

00:49:55,939 --> 00:49:53,579

what's happening lately you can have an

1078

00:49:57,979 --> 00:49:55,949

open murder investigation which is what

1079

00:49:59,779 --> 00:49:57,989

this is and you ask questions about it

1080

00:50:01,189 --> 00:49:59,789

you're immediately shouted down that's

1081

00:50:03,439 --> 00:50:01,199

not supposed to happen

1082

00:50:04,939 --> 00:50:03,449

during an investigation they haven't

1083

00:50:06,889 --> 00:50:04,949

included with the [h__h] real

1084

00:50:09,019 --> 00:50:06,899

investigation is supposed to say so

1085

00:50:10,849 --> 00:50:09,029

that's exactly what you say super

1086

00:50:12,229 --> 00:50:10,859

suspicious why are they taking down

1087

00:50:13,639 --> 00:50:12,239

YouTube videos that question the

1088

00:50:15,889 --> 00:50:13,649

official narrative if those who do

1089

00:50:17,989 --> 00:50:15,899

videos are wrong who gives a [\h__\h] yeah

1090

00:50:20,029 --> 00:50:17,999

hey Joe don't you want to like explore

1091

00:50:25,549 --> 00:50:20,039

every but the thing just [\h__\h] happen

1092

00:50:26,929 --> 00:50:25,559

right right I have an opinion until four

1093

00:50:32,239 --> 00:50:26,939

years later so the fact that we're all

1094

00:50:34,249 --> 00:50:32,249

shot in towers go down [\h__\h] up two

1095

00:50:35,959 --> 00:50:34,259

thousand controlled demolition buildings

1096

00:50:38,059 --> 00:50:35,969

so fall straight [\h__\h] down like that

1097

00:50:39,949 --> 00:50:38,069

they do it all the time ever since 9/11

1098

00:50:42,169 --> 00:50:39,959

it happens every year doesn't it yeah

1099

00:50:44,539 --> 00:50:42,179

yeah every building that catches on fire

1100

00:50:46,339 --> 00:50:44,549

this [\h__\h] building 7 wasn't hit by a

1101
00:50:48,469 --> 00:50:46,349
plane well that's a big building 7 well

1102
00:50:50,059 --> 00:50:48,479
that's it ever since JFK you see JFK get

1103
00:50:53,029 --> 00:50:50,069
shot the face and like that gets shot in

1104
00:50:54,559 --> 00:50:53,039
the back of that [h__\h] plane a the

1105
00:50:56,299 --> 00:50:54,569
Pentagon got hit by something we're not

1106
00:50:58,249 --> 00:50:56,309
going to show you what do you think you

1107
00:50:59,899 --> 00:50:58,259
didn't see what you think you saw is the

1108
00:51:01,699 --> 00:50:59,909
[h__\h] official government story for

1109
00:51:03,949 --> 00:51:01,709
everything and people just take this

1110
00:51:06,620 --> 00:51:03,959
like you know and think this is a prop

1111
00:51:08,959 --> 00:51:06,630
is a problem reaction solution situation

1112
00:51:10,549 --> 00:51:08,969
if it is what do you think you know what

1113
00:51:12,439 --> 00:51:10,559

do you think that the motivation for

1114

00:51:14,749 --> 00:51:12,449

doing this is I think it's a little idea

1115

00:51:16,999 --> 00:51:14,759

well I do - arming it's getting people

1116

00:51:18,799 --> 00:51:17,009

like people were you know I think it's

1117

00:51:22,009 --> 00:51:18,809

getting people who might be on the fence

1118

00:51:23,929 --> 00:51:22,019

about the Second Amendment and about

1119

00:51:25,370 --> 00:51:23,939

owning guns to be more ok yeah you gotta

1120

00:51:28,189 --> 00:51:25,380

get rid of the gun stay with the Sandy

1121

00:51:31,219 --> 00:51:28,199

Hook just [h__\h] these are just like

1122

00:51:32,209 --> 00:51:31,229

ways to try and get people's guns away

1123

00:51:35,059 --> 00:51:32,219

because then it's easier to control

1124

00:51:36,739 --> 00:51:35,069

we're still really armed population and

1125

00:51:38,350 --> 00:51:36,749

that's the reason and people's arguments

1126
00:51:41,440 --> 00:51:38,360
with like well in the Second Amendment

1127
00:51:44,620 --> 00:51:41,450
that yeah it was affected let's get that

1128
00:51:46,960 --> 00:51:44,630
shot up the feeling is little BB gun and

1129
00:51:48,370 --> 00:51:46,970
that's it wasn't for automatic right

1130
00:51:52,240 --> 00:51:48,380
looks like no but that's what the

1131
00:51:54,670 --> 00:51:52,250
government had like reps well now is can

1132
00:51:56,530 --> 00:51:54,680
have whatever they [h__h] have is so in

1133
00:51:58,300 --> 00:51:56,540
the Constitution being attacked on all

1134
00:52:00,340 --> 00:51:58,310
angles so it's that it's the fact that

1135
00:52:02,020 --> 00:52:00,350
they are going after the guns in order

1136
00:52:03,910 --> 00:52:02,030
to do that they have to go after speech

1137
00:52:05,740 --> 00:52:03,920
because they're ultimately going after

1138
00:52:07,330 --> 00:52:05,750

police and if you believe in something

1139

00:52:09,400 --> 00:52:07,340

that does not go along with the

1140

00:52:11,050 --> 00:52:09,410

narrative that we can label you as

1141

00:52:13,270 --> 00:52:11,060

quote-unquote a conspiracy theorist

1142

00:52:15,430 --> 00:52:13,280

cortical crazy which puts you in the

1143

00:52:16,900 --> 00:52:15,440

group of the other and that's what the

1144

00:52:19,060 --> 00:52:16,910

business we are the business of

1145

00:52:20,320 --> 00:52:19,070

controlling the other right let me drop

1146

00:52:24,360 --> 00:52:20,330

it aside do you think it's suspicious

1147

00:52:27,190 --> 00:52:24,370

that the CEO of the MGM is on the

1148

00:52:29,260 --> 00:52:27,200

security infrastructure advisory council

1149

00:52:30,880 --> 00:52:29,270

to the president the very guy who says

1150

00:52:33,040 --> 00:52:30,890

hey mister president we need to roll out

1151
00:52:34,870 --> 00:52:33,050
tighter security more scanners

1152
00:52:36,730 --> 00:52:34,880
backscatter machines do you think it's

1153
00:52:39,220 --> 00:52:36,740
suspicious that that very guy who was on

1154
00:52:41,080 --> 00:52:39,230
that counter that man so sad suspicious

1155
00:52:43,390 --> 00:52:41,090
I was it event belong in it and because

1156
00:52:45,640 --> 00:52:43,400
you know as suspicious as because I know

1157
00:52:48,280 --> 00:52:45,650
guy who dumped all of the stock before

1158
00:52:50,650 --> 00:52:48,290
this happened is the same suspicion that

1159
00:52:52,660 --> 00:52:50,660
I have for the guy who has two different

1160
00:53:04,510 --> 00:52:52,670
insurance policies on each one of the

1161
00:53:07,120 --> 00:53:04,520
towers I'm cashed in twice it was no he

1162
00:53:08,590 --> 00:53:07,130
said it was covered under terrorist

1163
00:53:09,960 --> 00:53:08,600

attack so technically there were two

1164

00:53:12,640 --> 00:53:09,970

terrorist attack

1165

00:53:21,910 --> 00:53:12,650

my god he tried to get eight billion

1166

00:53:25,900 --> 00:53:21,920

dollars what was the second term he had

1167

00:53:29,289 --> 00:53:25,910

a student win no yes and he's also very

1168

00:53:31,779 --> 00:53:29,299

slow bursting he's all the way in a in a

1169

00:53:34,569 --> 00:53:31,789

front line of PBS Frontline where he

1170

00:53:37,059 --> 00:53:34,579

admits that building 7 was a controlled

1171

00:53:39,249 --> 00:53:37,069

demolition there says we decided to say

1172

00:53:42,460 --> 00:53:39,259

we pull it but we pulled it which is

1173

00:53:43,059 --> 00:53:42,470

right and so then people dispute what

1174

00:53:45,430 --> 00:53:43,069

that meant

1175

00:53:47,019 --> 00:53:45,440

right and it's weird that he would yeah

1176

00:53:48,730 --> 00:53:47,029

what he says he's like we had so much

1177

00:53:50,410 --> 00:53:48,740

loss of life that day I mean everything

1178

00:54:00,670 --> 00:53:50,420

leading up tonight he says so we just

1179

00:54:03,700 --> 00:54:00,680

decided at 5 o'clock you can build any I

1180

00:54:05,950 --> 00:54:03,710

don't know get I have I'm not an

1181

00:54:09,099 --> 00:54:05,960

engineer I have no idea what happened

1182

00:54:13,029 --> 00:54:09,109

that 911 with those buildings but I I do

1183

00:54:15,339 --> 00:54:13,039

know that the people who are on that 911

1184

00:54:16,690 --> 00:54:15,349

Commission the way it was put like I

1185

00:54:17,950 --> 00:54:16,700

think we should have another one just so

1186

00:54:19,870 --> 00:54:17,960

we could get straight answers because

1187

00:54:21,309 --> 00:54:19,880

that the government lied to the 9/11

1188

00:54:23,589 --> 00:54:21,319

Commission which they admitted they let

1189

00:54:25,989 --> 00:54:23,599

me be in the Pentagon and NORAD and all

1190

00:54:28,960 --> 00:54:25,999

that stuff they like continuously to the

1191

00:54:30,190 --> 00:54:28,970

9/11 Commission and so that's why I

1192

00:54:31,599 --> 00:54:30,200

would like to have there's another one

1193

00:54:33,910 --> 00:54:31,609

that maybe we could get one where they

1194

00:54:36,190 --> 00:54:33,920

did I don't know what else or ships the

1195

00:54:38,410 --> 00:54:36,200

stuff that they shipped the steel that

1196

00:54:40,180 --> 00:54:38,420

shiner right after having like it is the

1197

00:54:42,009 --> 00:54:40,190

biggest crime scene ornate I've never

1198

00:54:44,859 --> 00:54:42,019

seen what has had to go off and study

1199

00:54:45,940 --> 00:54:44,869

they dug up the Pentagon long looks like

1200

00:54:52,260 --> 00:54:45,950

it away

1201
00:54:56,650 --> 00:54:55,000
like I mean it's well I understand why

1202
00:54:59,260 --> 00:54:56,660
like we talked about JFK's assassination

1203
00:55:01,090 --> 00:54:59,270
for years and years and still we talk

1204
00:55:04,360 --> 00:55:01,100
about it never I shall be released this

1205
00:55:05,770 --> 00:55:04,370
month apparently right well they said

1206
00:55:08,050 --> 00:55:05,780
that the files were going to be released

1207
00:55:09,490 --> 00:55:08,060
and they lost yeah then they lost them

1208
00:55:10,960 --> 00:55:09,500
and then of course now no one's talking

1209
00:55:12,670 --> 00:55:10,970
about those files because there's this

1210
00:55:14,260 --> 00:55:12,680
that the other thing going on you know

1211
00:55:15,940 --> 00:55:14,270
they were supposed to be released and

1212
00:55:28,330 --> 00:55:15,950
they lost natural limitations yeah

1213
00:55:30,190 --> 00:55:28,340

they're not there no excuses it doesn't

1214

00:55:32,560 --> 00:55:30,200

have to be good it just has to be enough

1215

00:55:34,540 --> 00:55:32,570

of a hiccup for it to reset 24 hours in

1216

00:55:38,560 --> 00:55:34,550

we're talking about sometimes no I mean

1217

00:55:41,410 --> 00:55:38,570

again I'll restate about the 911 thing

1218

00:55:46,300 --> 00:55:41,420

okay I have no idea what happened with

1219

00:55:49,140 --> 00:55:46,310

the 911 Commission no one the people who

1220

00:55:52,750 --> 00:55:49,150

are on it [h__h] say it wasn't correct

1221

00:55:54,850 --> 00:55:52,760

the guys who wound up in power were part

1222

00:55:57,250 --> 00:55:54,860

of a think tank called the project for

1223

00:55:59,050 --> 00:55:57,260

new American Century which was a [h__h]

1224

00:56:01,300 --> 00:55:59,060

military industrial it was a military

1225

00:56:04,330 --> 00:56:01,310

funded think tank and at Paul Wolfowitz

1226

00:56:06,070 --> 00:56:04,340

Donald Rumsfeld Dick Cheney Jeb Bush had

1227

00:56:08,260 --> 00:56:06,080

a bunch of people who wound up being in

1228

00:56:10,060 --> 00:56:08,270

power required indistinct Hank and

1229

00:56:12,730 --> 00:56:10,070

they're the whole purpose of the think

1230

00:56:15,190 --> 00:56:12,740

tank was to figure out how to increase

1231

00:56:17,020 --> 00:56:15,200

military spending to like this crazy

1232

00:56:20,140 --> 00:56:17,030

degree and it even says in there they're

1233

00:56:22,180 --> 00:56:20,150

like well barring a Pearl Harbor style

1234

00:56:23,770 --> 00:56:22,190

attack it's going to take decades to

1235

00:56:26,140 --> 00:56:23,780

reach this right so then these guys get

1236

00:56:27,490 --> 00:56:26,150

into office and it's like what do you

1237

00:56:29,880 --> 00:56:27,500

think [h__h] happen like was Paul

1238

00:56:32,320 --> 00:56:29,890

Wolfowitz like hey guys I got an idea

1239

00:56:35,140 --> 00:56:32,330

that's too [h__h] up to even say it out

1240

00:56:36,460 --> 00:56:35,150

loud I mean I think I know how we can

1241

00:56:39,160 --> 00:56:36,470

achieve this overnight

1242

00:56:41,500 --> 00:56:39,170

I mean is it not suspicious enough like

1243

00:56:43,420 --> 00:56:41,510

if there's a guy who's got [h__h]

1244

00:56:46,030 --> 00:56:43,430

pictures of little boys in the Sears

1245

00:56:47,590 --> 00:56:46,040

catalog bathing suit section taped up in

1246

00:56:49,660 --> 00:56:47,600

his [h__h] bedroom and a little kid

1247

00:56:51,550 --> 00:56:49,670

gets his dick stuck I mean that's like

1248

00:56:54,690 --> 00:56:51,560

you're gonna go to that guy first find

1249

00:56:57,460 --> 00:56:54,700

out where you guys

1250

00:57:00,250 --> 00:56:57,470

to me that where I get the where cling

1251

00:57:02,320 --> 00:57:00,260

to me is that we know for a fact that

1252

00:57:04,870 --> 00:57:02,330

that was a real thing project American

1253

00:57:07,270 --> 00:57:04,880

second fiber that's a real when those

1254

00:57:11,170 --> 00:57:07,280

people planned on the invasion they in

1255

00:57:13,840 --> 00:57:11,180

fact Wes Clark senior this general was

1256

00:57:17,260 --> 00:57:13,850

at Democracy Now and he said after 9/11

1257

00:57:18,850 --> 00:57:17,270

he went into the Pentagon and he was and

1258

00:57:20,470 --> 00:57:18,860

he said had a guy take a man and say

1259

00:57:24,100 --> 00:57:20,480

well here's the seven countries were

1260

00:57:24,730 --> 00:57:24,110

going to invade and it was Iraq it was

1261

00:57:27,580 --> 00:57:24,740

Syria

1262

00:57:30,070 --> 00:57:27,590

it was Libya it was all good Afghanistan

1263

00:57:32,890 --> 00:57:30,080

it was almost all the countries that we

1264

00:57:34,870 --> 00:57:32,900

had been made except 9/11 and and and

1265

00:57:36,610 --> 00:57:34,880

Wesley Clark senior said well why are we

1266

00:57:38,800 --> 00:57:36,620

why are we doing that the guy goes I

1267

00:57:41,320 --> 00:57:38,810

don't know because we're good at

1268

00:57:43,600 --> 00:57:41,330

invading countries of taking over stuff

1269

00:57:44,830 --> 00:57:43,610

so that's we're gonna do well he didn't

1270

00:57:46,270 --> 00:57:44,840

know the real reason but the real reason

1271

00:57:47,980 --> 00:57:46,280

was laid out in the early nineties by

1272

00:57:50,230 --> 00:57:47,990

the new American Century or a prospect

1273

00:57:52,330 --> 00:57:50,240

pretty wicked century and that has

1274

00:57:54,430 --> 00:57:52,340

everything to do with the petrodollar

1275

00:57:56,410 --> 00:57:54,440

it has everything central banks and

1276

00:57:58,120 --> 00:57:56,420

thank you babe yes exactly

1277

00:57:59,830 --> 00:57:58,130

and this is and if you talk about this

1278

00:58:02,380 --> 00:57:59,840

stuff people will tell you crazy they

1279

00:58:03,970 --> 00:58:02,390

never mentioned the petrol dollar I have

1280

00:58:05,380 --> 00:58:03,980

the news they never talked about it in

1281

00:58:07,360 --> 00:58:05,390

the Washington Post or the New York

1282

00:58:09,640 --> 00:58:07,370

Times to the point where I was out at

1283

00:58:11,530 --> 00:58:09,650

the LA pod fest last of whatever weekend

1284

00:58:13,660 --> 00:58:11,540

and I was on with these super

1285

00:58:16,810 --> 00:58:13,670

intelligent lefty people from these

1286

00:58:17,980 --> 00:58:16,820

lefty podcasts and we were talking about

1287

00:58:19,810 --> 00:58:17,990

something and I go what do you guys

1288

00:58:21,160 --> 00:58:19,820

think about the petrodollar how these

1289

00:58:23,110 --> 00:58:21,170

people are all smarter than me I'm not

1290

00:58:25,360 --> 00:58:23,120

smart they were super smart these big

1291

00:58:27,100 --> 00:58:25,370

words I could understand about time and

1292

00:58:28,930 --> 00:58:27,110

they need none of them knew what the

1293

00:58:30,940 --> 00:58:28,940

[h__\h] the federal dollar was about but

1294

00:58:35,710 --> 00:58:30,950

dumb jagoff nightclub comedian Jimmy

1295

00:58:37,870 --> 00:58:35,720

Dore I but they don't know what the [h__\h]

1296

00:58:40,570 --> 00:58:37,880

is about how the [h__\h] do you not know

1297

00:58:42,610 --> 00:58:40,580

what the [h__\h] petrodollars about it's

1298

00:58:45,370 --> 00:58:42,620

the whole [h__\h] reason the world is

1299

00:58:47,350 --> 00:58:45,380

liking it what the [h__\h] but you know

1300

00:58:49,150 --> 00:58:47,360

about identity politics you know

1301
00:58:51,310 --> 00:58:49,160
let that [\h__\h] you don't know what's

1302
00:58:53,320 --> 00:58:51,320
really going on the whole thing is the

1303
00:58:55,270 --> 00:58:53,330
god damn petrodollar which is why we

1304
00:58:58,060 --> 00:58:55,280
want the [\h__\h] Lydia which is why we

1305
00:59:00,400 --> 00:58:58,070
propped up Isis which is why [\h__\h]

1306
00:59:02,800 --> 00:59:00,410
Qaddafi got a sword up his ass dude is

1307
00:59:05,050 --> 00:59:02,810
going to take the oil and monetize it on

1308
00:59:07,030 --> 00:59:05,060
the dinar I mean take African oil out of

1309
00:59:08,680 --> 00:59:07,040
the petro dollar and they can't [\h__\h]

1310
00:59:10,150 --> 00:59:08,690
have that and that's why they [\h__\h]

1311
00:59:12,340 --> 00:59:10,160
run into Libya which is right now a

1312
00:59:13,780 --> 00:59:12,350
failed state and a haven for terrorists

1313
00:59:23,790 --> 00:59:13,790

which is exactly what they want to turn

1314

00:59:29,800 --> 00:59:27,070

your power pyramid structure what's the

1315

00:59:32,680 --> 00:59:29,810

capstone as far as you can tell I mean

1316

00:59:35,440 --> 00:59:32,690

it's I it's gotta be I mean I think

1317

00:59:39,520 --> 00:59:35,450

there is some kind of a deep state CIA

1318

00:59:44,620 --> 00:59:39,530

run kind of there's something being run

1319

00:59:46,450 --> 00:59:44,630

by a deep state banks I mean the sexual

1320

00:59:48,550 --> 00:59:46,460

Fang I think it's really the essential

1321

00:59:50,740 --> 00:59:48,560

facts there's gotta be lost tryouts and

1322

00:59:53,110 --> 00:59:50,750

it's gotta be bankers and well

1323

00:59:55,810 --> 00:59:53,120

capitalism is now failing worldwide and

1324

00:59:58,420 --> 00:59:55,820

so the revolution is coming it's just a

1325

01:00:01,240 --> 00:59:58,430

way right now cattle Catalonia is just

1326

01:00:03,010 --> 01:00:01,250

eating from Spain and they do not that

1327

01:00:03,310 --> 01:00:03,020

European Union does not want to let that

1328

01:00:05,110 --> 01:00:03,320

happen

1329

01:00:07,270 --> 01:00:05,120

I know if you saw the videos they sent

1330

01:00:10,480 --> 01:00:07,280

outside cops into Catalonia to beat the

1331

01:00:12,040 --> 01:00:10,490

[h__h] out of them for voting yeah so

1332

01:00:14,320 --> 01:00:12,050

that's what that's how scared they are

1333

01:00:17,080 --> 01:00:14,330

in the European Union of someone leaving

1334

01:00:17,650 --> 01:00:17,090

the European Union so right now Greece's

1335

01:00:20,200 --> 01:00:17,660

[h__h]

1336

01:00:21,460 --> 01:00:20,210

Spain and stuff Italy 20% of their loans

1337

01:00:22,870 --> 01:00:21,470

are gonna [h__h] at the vault

1338

01:00:24,850 --> 01:00:22,880

right now cuz they got the same [h__h]

1339

01:00:28,120 --> 01:00:24,860

going on there in Italy all right so

1340

01:00:30,370 --> 01:00:28,130

it's all [h__h] up capitalism does not

1341

01:00:33,370 --> 01:00:30,380

work the way they're running it okay

1342

01:00:35,830 --> 01:00:33,380

capitalism is predatory and it's being

1343

01:00:37,890 --> 01:00:35,840

proven right now we live in the richest

1344

01:00:41,080 --> 01:00:37,900

country the face of the earth has ever

1345

01:00:41,420 --> 01:00:41,090

[h__h] created half of all wage earners

1346

01:00:43,309 --> 01:00:41,430

are

1347

01:00:45,020 --> 01:00:43,319

thirty thousand dollars and fifty

1348

01:00:47,540 --> 01:00:45,030

percent of this country is poor or

1349

01:00:49,400 --> 01:00:47,550

low-income what do you call that I pull

1350

01:00:59,030 --> 01:00:49,410

out a favor [h__h] system and that's

1351
01:01:00,559 --> 01:00:59,040
what they don't want you to know and

1352
01:01:03,339 --> 01:01:00,569
that they are going to move this to a

1353
01:01:05,780 --> 01:01:03,349
crypto currency and the battle is over

1354
01:01:07,940 --> 01:01:05,790
ultimately because of the way that

1355
01:01:10,819 --> 01:01:07,950
everything can be hacked and information

1356
01:01:12,710 --> 01:01:10,829
to become we're going to need to be halt

1357
01:01:14,180 --> 01:01:12,720
attempt call it whatever you're going to

1358
01:01:16,099 --> 01:01:14,190
need to look at your face in order to

1359
01:01:17,780 --> 01:01:16,109
make a transaction it's going to have

1360
01:01:20,089 --> 01:01:17,790
some kind of biometric that goes along

1361
01:01:22,640 --> 01:01:20,099
with the transaction which means that in

1362
01:01:25,309 --> 01:01:22,650
order to retain the power of the petro

1363
01:01:27,520 --> 01:01:25,319

dollar we need to continue to that scam

1364

01:01:30,559 --> 01:01:27,530

but then move it into a cryptocurrency

1365

01:01:32,240 --> 01:01:30,569

create a collapse of what our economy is

1366

01:01:34,370 --> 01:01:32,250

going to be and then the world currency

1367

01:01:36,740 --> 01:01:34,380

will come up to replace it and it'll be

1368

01:01:38,359 --> 01:01:36,750

business as usual but we'll have a brand

1369

01:01:40,250 --> 01:01:38,369

new new dollar sign in front of the

1370

01:01:41,630 --> 01:01:40,260

money hmm that's interesting

1371

01:01:43,540 --> 01:01:41,640

I don't know I know that the petrol

1372

01:01:46,480 --> 01:01:43,550

dollar was failing China's against it

1373

01:01:49,069 --> 01:01:46,490

Russia's Akabusi against it so I don't

1374

01:01:51,140 --> 01:01:49,079

in at the petrol dollar does fail our

1375

01:01:52,849 --> 01:01:51,150

economies fail where we are quacks

1376

01:01:54,170 --> 01:01:52,859

there's that's what we're built up we're

1377

01:01:56,150 --> 01:01:54,180

built on printing as much money as we

1378

01:01:59,329 --> 01:01:56,160

want and all the other four dollars

1379

01:02:01,730 --> 01:01:59,339

coming in so I don't things could get

1380

01:02:04,039 --> 01:02:01,740

really mad backseat if we go off the

1381

01:02:05,660 --> 01:02:04,049

petro dollar like I'm all against it

1382

01:02:07,819 --> 01:02:05,670

because it puts us in bed with people

1383

01:02:09,620 --> 01:02:07,829

like Saudi Arabia whoever is an

1384

01:02:11,750 --> 01:02:09,630

oppressive [h__\h] dictatorship

1385

01:02:13,370 --> 01:02:11,760

theocracy as opposed to lost being

1386

01:02:16,039 --> 01:02:13,380

friends with someone like Iran which is

1387

01:02:17,780 --> 01:02:16,049

which has elections they actually have a

1388

01:02:20,030 --> 01:02:17,790

Lexington and look at a lot of the

1389

01:02:21,020 --> 01:02:20,040

countries pro-west why aren't we [h__h]

1390

01:02:22,190 --> 01:02:21,030

friends with them while we're not

1391

01:02:23,990 --> 01:02:22,200

friends with them because the

1392

01:02:25,730 --> 01:02:24,000

another place through [h__h] Saudi

1393

01:02:27,080 --> 01:02:25,740

Arabia does it go through a ramp because

1394

01:02:29,150 --> 01:02:27,090

through Saudi Arabia in the early

1395

01:02:30,410 --> 01:02:29,160

seventies Nixon made a deal with Saudi

1396

01:02:32,990 --> 01:02:30,420

Arabia when we went off the gold

1397

01:02:35,660 --> 01:02:33,000

standard that if you monetize on your

1398

01:02:37,400 --> 01:02:35,670

oil and greenbacks and dollars that we

1399

01:02:39,260 --> 01:02:37,410

will give us give you our military

1400

01:02:41,030 --> 01:02:39,270

anywhere you want it which is why we're

1401

01:02:42,920 --> 01:02:41,040

in Yemen which is why we're in Somalia

1402

01:02:44,090 --> 01:02:42,930

which is why we're in Syria which is why

1403

01:02:45,590 --> 01:02:44,100

we're in Iraq which is why we're in

1404

01:02:47,630 --> 01:02:45,600

[\h__\h] Libya which is why we were

1405

01:02:49,790 --> 01:02:47,640

anywhere we forward Niger weird [\h__\h]

1406

01:02:51,560 --> 01:02:49,800

Niger right now okay we are everywhere

1407

01:02:53,240 --> 01:02:51,570

Barack Obama - two words expanded to the

1408

01:02:55,190 --> 01:02:53,250

Senate and they still gave him a [\h__\h]

1409

01:02:57,110 --> 01:02:55,200

Nobel Peace Prize so that's what's going

1410

01:02:58,130 --> 01:02:57,120

on right [\h__\h] now in front of your

1411

01:03:00,920 --> 01:02:58,140

[\h__\h] face

1412

01:03:03,410 --> 01:03:00,930

Barack Obama sells out America to the

1413

01:03:05,480 --> 01:03:03,420

banks he retires from the presidency and

1414

01:03:06,980 --> 01:03:05,490

his first public act is to come back and

1415

01:03:08,630 --> 01:03:06,990

take a half a million dollars from a

1416

01:03:10,400 --> 01:03:08,640

bank they're stealing right in your

1417

01:03:13,100 --> 01:03:10,410

[h__\h] face and they don't give a [h__\h]

1418

01:03:15,080 --> 01:03:13,110

that you know it wouldn't change you

1419

01:03:16,790 --> 01:03:15,090

brought to us right right with nowhere

1420

01:03:18,650 --> 01:03:16,800

to change with Democrats controlled the

1421

01:03:20,450 --> 01:03:18,660

house they control the Senate they

1422

01:03:22,040 --> 01:03:20,460

control the presidency and what do we

1423

01:03:23,450 --> 01:03:22,050

get we got a right wing health care

1424

01:03:25,970 --> 01:03:23,460

giveaway plan to the [h__\h] health

1425

01:03:27,650 --> 01:03:25,980

insurance company [h__\h] anyway we got

1426

01:03:29,870 --> 01:03:27,660

oh you got a vote because if Mitt Romney

1427

01:03:31,640 --> 01:03:29,880

wins we're gonna get Romney care but we

1428

01:03:33,560 --> 01:03:31,650

voted and Barack Obama won so we got

1429

01:03:35,600 --> 01:03:33,570

Romney care it doesn't [h__h] matter

1430

01:03:37,400 --> 01:03:35,610

and fold in the democratic or the

1431

01:03:39,350 --> 01:03:37,410

Republican you're getting more more

1432

01:03:41,480 --> 01:03:39,360

you're getting more [h__h] favors to

1433

01:03:43,310 --> 01:03:41,490

the oil industry you get more favors to

1434

01:03:45,350 --> 01:03:43,320

the banks and you are going to have a

1435

01:03:47,690 --> 01:03:45,360

bigger income disparity than the rest of

1436

01:03:49,040 --> 01:03:47,700

the top or 10% and that's a [h__h] fact

1437

01:03:50,990 --> 01:03:49,050

we're living in a bigger income

1438

01:03:53,720 --> 01:03:51,000

disparity right now than we had before

1439

01:03:55,130 --> 01:03:53,730

the gilded [h__\h] age right now and

1440

01:03:58,630 --> 01:03:55,140

there ain't no Teddy Roosevelt going to

1441

01:04:06,440 --> 01:03:58,640

save us things are going to hit the fan

1442

01:04:08,390 --> 01:04:06,450

no Jesus video gun we voted our way out

1443

01:04:10,490 --> 01:04:08,400

of this we voted for Bernie Sanders and

1444

01:04:12,470 --> 01:04:10,500

those [h__\h] cheated us and we

1445

01:04:14,120 --> 01:04:12,480

got [h__\h] from and that's where we are

1446

01:04:14,990 --> 01:04:14,130

people voted for Trump because they

1447

01:04:17,780 --> 01:04:15,000

didn't want to vote for the

1448

01:04:19,190 --> 01:04:17,790

establishment I understand that 100%

1449

01:04:21,859 --> 01:04:19,200

we got ass messiest

1450

01:04:24,589 --> 01:04:21,869

man hey Trump done to create a [h__\h]

1451

01:04:26,359 --> 01:04:24,599

space for us to smash the establishment

1452

01:04:29,180 --> 01:04:26,369

and we should take advantage of it right

1453

01:05:00,970 --> 01:04:42,280

[Applause]

1454

01:05:05,030 --> 01:05:04,339

she's got a podcast her now this is very

1455

01:05:07,970 --> 01:05:05,040

interesting

1456

01:05:14,000 --> 01:05:07,980

she says that her grandfather was a

1457

01:05:15,800 --> 01:05:14,010

level book number 32 loominatee so right

1458

01:05:18,380 --> 01:05:15,810

is that what he's and by the way for the

1459

01:05:20,359 --> 01:05:18,390

to me stop with the the guy shot from

1460

01:05:24,109 --> 01:05:20,369

the 32nd floor can we stop with that

1461

01:05:26,270 --> 01:05:24,119

already no 13th floor in the hotel he

1462

01:05:28,400 --> 01:05:26,280

shot from the 31st floor which is

1463

01:05:36,829 --> 01:05:28,410

turning around this 13th as the devil's

1464

01:05:39,140 --> 01:05:36,839

number thank you right yes a guy with a

1465

01:05:45,800 --> 01:05:39,150

last name Patek who's shot people that I

1466

01:05:47,930 --> 01:05:45,810

Corral at a harvest festival right by

1467

01:05:50,330 --> 01:05:47,940

the way I put up a video today on

1468

01:05:52,940 --> 01:05:50,340

YouTube and the title of the video

1469

01:05:57,050 --> 01:05:52,950

pat robertson's insane response to the

1470

01:05:59,600 --> 01:05:57,060

las vegas massacre to monetize so

1471

01:06:01,100 --> 01:05:59,610

anything that just has long right isn't

1472

01:06:02,780 --> 01:06:01,110

the time they don't want anybody talking

1473

01:06:04,700 --> 01:06:02,790

about it unless you're jimmy kimmel

1474

01:06:07,490 --> 01:06:04,710

everybody play from it are you gonna try

1475

01:06:09,920 --> 01:06:07,500

the only one to pre-approve corporate

1476

01:06:11,360 --> 01:06:09,930

mouthpieces to talk about las vegas and

1477

01:06:12,320 --> 01:06:11,370

that's it just like a really [h__\h]

1478

01:06:14,150 --> 01:06:12,330

thing by the way what are you talking

1479

01:06:15,950 --> 01:06:14,160

about money control that's the next step

1480

01:06:17,630 --> 01:06:15,960

this guy's like us who have shows that

1481

01:06:19,760 --> 01:06:17,640

are getting money through digital

1482

01:06:21,110 --> 01:06:19,770

channels just shut it off oh yeah we

1483

01:06:23,420 --> 01:06:21,120

don't you don't agree with paypal

1484

01:06:25,640 --> 01:06:23,430

standards anymore about these standards

1485

01:06:27,230 --> 01:06:25,650

you know that's what's common i think oh

1486

01:06:29,020 --> 01:06:27,240

they're already trying to do it that's a

1487

01:06:33,050 --> 01:06:29,030

whole push right now for net neutrality

1488

01:06:34,970 --> 01:06:33,060

people what was that fight what's up but

1489

01:06:37,190 --> 01:06:34,980

here's the beauty of it whatever they

1490

01:06:39,860 --> 01:06:37,200

come up with there's some dude who

1491

01:06:42,080 --> 01:06:39,870

hasn't been laid in years who only lives

1492

01:06:47,570 --> 01:06:42,090

with his mother his whole thing is right

1493

01:06:49,520 --> 01:06:47,580

here his whole thing is wreak havoc and

1494

01:06:51,290 --> 01:06:49,530

he will come up with something that will

1495

01:06:53,600 --> 01:06:51,300

counter that and like when you go to

1496

01:06:55,280 --> 01:06:53,610

china if you ever do shows in china like

1497

01:06:57,410 --> 01:06:55,290

once you i'll go to Shanghai it's

1498

01:06:59,900 --> 01:06:57,420

wonderful they have something called VPN

1499

01:07:03,200 --> 01:06:59,910

the government has all this censorship

1500

01:07:04,580 --> 01:07:03,210

for like a dollar you can buy VPN and

1501

01:07:07,070 --> 01:07:04,590

it's a program that blocks the

1502

01:07:15,740 --> 01:07:07,080

government from controlling your web

1503

01:07:18,050 --> 01:07:15,750

stuff because like that's gonna do

1504

01:07:21,260 --> 01:07:18,060

anything because I pay \$4.99 well I mean

1505

01:07:22,640 --> 01:07:21,270

what it will do is hold off the

1506

01:07:25,760 --> 01:07:22,650

censorship where it's like they're gonna

1507

01:07:28,190 --> 01:07:25,770

make it so you go to ESPN really easy

1508

01:07:31,370 --> 01:07:28,200

but you can't go to Jimmy John's Jimmy

1509

01:07:33,590 --> 01:07:31,380

Dore show calm because of the clog it

1510

01:07:35,120 --> 01:07:33,600

would be forever with this new thing we

1511

01:07:36,120 --> 01:07:35,130

like Simpsons if that's what I think

1512

01:07:37,290 --> 01:07:36,130

should happen

1513

01:07:38,520 --> 01:07:37,300

I wouldn't have thought the

1514

01:07:39,930 --> 01:07:38,530

corporatization of the internet would

1515

01:07:41,580 --> 01:07:39,940

have been like it is right now

1516

01:07:43,200 --> 01:07:41,590

like I you hear about it you hear it's

1517

01:07:44,280 --> 01:07:43,210

coming I know the deep state invented

1518

01:07:45,960 --> 01:07:44,290

this well clearly it's going to be

1519

01:07:48,030 --> 01:07:45,970

weaponized and used against us to some

1520

01:07:49,740 --> 01:07:48,040

degree but even 10 years ago I didn't

1521

01:07:53,190 --> 01:07:49,750

really see how now it really is just

1522

01:07:56,820 --> 01:07:53,200

Google just Facebook just Amazon dude I

1523

01:07:59,030 --> 01:07:56,830

temple and Google and Amazon will form

1524

01:08:01,890 --> 01:07:59,040

the matrix that's all happens around

1525

01:08:04,770 --> 01:08:01,900

employment very interesting Vanessa did

1526

01:08:06,120 --> 01:08:04,780

my shell and we did something on what we

1527

01:08:11,820 --> 01:08:06,130

do we both job states and the

1528

01:08:14,430 --> 01:08:11,830

Rothschilds yeah she started getting

1529

01:08:24,630 --> 01:08:14,440

like hit up by Rothschilds left and

1530

01:08:26,490 --> 01:08:24,640

right right yeah yeah they were like

1531

01:08:31,860 --> 01:08:26,500

last names Rothschild just hit her up

1532

01:08:52,110 --> 01:08:31,870

the men are sister what's a phone what

1533

01:09:35,740 --> 01:08:52,120

is that did he tell you why he killed

1534

01:09:35,750 --> 01:09:57,380

[Laughter]

1535

01:09:57,390 --> 01:10:07,260

[Music]

1536

01:10:16,350 --> 01:10:11,380

but that thirty third level that

1537

01:10:19,060 --> 01:10:16,360

alternate oh you're 33 here's the real

1538

01:10:22,060 --> 01:10:19,070

you can find out who the babushka lady

1539

01:10:25,120 --> 01:10:22,070

actually won that you get a run easy

1540

01:10:26,860 --> 01:10:25,130

yeah yeah it's interesting dude that's

1541

01:10:29,380 --> 01:10:26,870

it's very interesting when I go on shows

1542

01:10:32,290 --> 01:10:29,390

I often get asked about all your

1543

01:10:33,790 --> 01:10:32,300

conspiracy guy or what do you think name

1544

01:10:38,020 --> 01:10:33,800

the first one they bring up is Sandy

1545

01:10:40,300 --> 01:10:38,030

Hook so I am one time I answered it

1546

01:10:41,709 --> 01:10:40,310

and they were just oh and they went and

1547

01:10:43,780 --> 01:10:41,719

their listeners went on Tommy

1548

01:10:45,220 --> 01:10:43,790

so now I got it what do you believe

1549

01:10:47,290 --> 01:10:45,230

where do you want to start so it's like

1550

01:10:49,270 --> 01:10:47,300

jujitsu right you can't just start

1551

01:10:51,820 --> 01:10:49,280

teaching people omoplata

1552

01:10:53,620 --> 01:10:51,830

and you know you gotta start basic with

1553

01:10:55,840 --> 01:10:53,630

it right so it's like okay what do you

1554

01:10:57,610 --> 01:10:55,850

think of the JFK assassination and if

1555

01:10:59,229 --> 01:10:57,620

they're like oh we've got Harvey Oswald

1556

01:11:10,450 --> 01:10:59,239

I know we're not gonna be able to go

1557

01:11:15,140 --> 01:11:12,950

they never how they took all the steel

1558

01:11:20,300 --> 01:11:15,150

from the towers and sending off to China

1559

01:11:21,740 --> 01:11:20,310

they may do it there's a lot of

1560

01:11:23,660 --> 01:11:21,750

weirdness about that school there's

1561

01:11:25,790 --> 01:11:23,670

footage of the school that looks like it

1562

01:11:27,260 --> 01:11:25,800

had water damage in it the cup wasn't

1563

01:11:30,439 --> 01:11:27,270

even in active school and there's a guy

1564

01:11:32,180 --> 01:11:30,449

Wolfgang how big yeah and then he is

1565

01:11:34,459 --> 01:11:32,190

qualified to ask this question because

1566

01:11:36,530 --> 01:11:34,469

he was in law enforcement and he was

1567

01:11:38,630 --> 01:11:36,540

tasked at doing school infrastructure

1568

01:11:40,910 --> 01:11:38,640

safety this is literally his job is to

1569

01:11:42,680 --> 01:11:40,920

protect us from these situations he

1570

01:11:44,000 --> 01:11:42,690

looked at and said this ain't right

1571

01:11:46,100 --> 01:11:44,010

there's something messed up here really

1572

01:11:46,520 --> 01:11:46,110

he's actually going to court in like two

1573

01:11:48,650 --> 01:11:46,530

months

1574

01:11:50,810 --> 01:11:48,660

men arguing him next week to try to like

1575

01:11:54,620 --> 01:11:50,820

frock up some support for his charlie

1576

01:11:57,470 --> 01:11:54,630

yeah wolf can happen look what we need

1577

01:11:59,300 --> 01:11:57,480

of it so you don't think so so those

1578

01:12:01,100 --> 01:11:59,310

kids though their death certificates for

1579

01:12:02,720 --> 01:12:01,110

those kids right they're dead well this

1580

01:12:04,160 --> 01:12:02,730

is another angle he took even he doesn't

1581

01:12:05,600 --> 01:12:04,170

think there were kids there and now

1582

01:12:06,979 --> 01:12:05,610

that's an actually I know that sounds

1583

01:12:09,260 --> 01:12:06,989

strange but you know how they have kids

1584

01:12:13,000 --> 01:12:09,270

from Sandy Hook stay at the Super Bowl

1585

01:12:15,530 --> 01:12:13,010

the next year did they they did well he

1586

01:12:16,939 --> 01:12:15,540

was like well he's like where's the

1587

01:12:18,680 --> 01:12:16,949

paper trail there he said where's the

1588

01:12:20,030 --> 01:12:18,690

permission slip signed for parents

1589

01:12:21,890 --> 01:12:20,040

where's the names of these kids who were

1590

01:12:24,080 --> 01:12:21,900

singing they were just there's a couple

1591

01:12:24,919 --> 01:12:24,090

things about it there you go oh this is

1592

01:12:28,490 --> 01:12:24,929

interesting

1593

01:12:31,669 --> 01:12:28,500

first of all the 9-1-1 call that was put

1594

01:12:35,150 --> 01:12:31,679

in was not a active shooter it was an

1595

01:12:37,400 --> 01:12:35,160

unwanted guest is the actual call that

1596

01:12:39,380 --> 01:12:37,410

the number that they put it okay the

1597

01:12:42,140 --> 01:12:39,390

second thing that's very interesting is

1598

01:12:44,209 --> 01:12:42,150

when the FBI lists all the deaths from

1599

01:12:47,300 --> 01:12:44,219

Newton because that's how they allocate

1600

01:12:50,450 --> 01:12:47,310

money based on crime when they list all

1601
01:12:50,900 --> 01:12:50,460
the deaths of children that age it says

1602
01:12:53,600 --> 01:12:50,910
zero

1603
01:12:55,310 --> 01:12:53,610
there's where where's the Caesar it's

1604
01:12:57,860 --> 01:12:55,320
out it's not it's you can look it up

1605
01:12:59,810 --> 01:12:57,870
into the enemy's records really yes they

1606
01:13:06,240 --> 01:12:59,820
staged the helicopter footage of people

1607
01:13:14,290 --> 01:13:11,379
not one ambulance or medical person was

1608
01:13:17,770 --> 01:13:14,300
allowed on there however within two

1609
01:13:20,890 --> 01:13:17,780
hours porta-potties were filmed being

1610
01:13:23,350 --> 01:13:20,900
driven in and set up with it to outright

1611
01:13:24,520 --> 01:13:23,360
and he but not one if you look at all

1612
01:13:27,370 --> 01:13:24,530
the footage now

1613
01:13:29,529 --> 01:13:27,380

what ambulance is near that school and

1614

01:13:31,510 --> 01:13:29,539

what they do is all of guard talk about

1615

01:13:34,000 --> 01:13:31,520

this is what they do is they set up

1616

01:13:36,669 --> 01:13:34,010

emergency vehicles all over the place to

1617

01:13:39,790 --> 01:13:36,679

stop traffic so nobody can drive in

1618

01:13:42,549 --> 01:13:39,800

nobody's drive up and if you look at how

1619

01:13:45,160 --> 01:13:42,559

the the whole chaos on that thing

1620

01:13:47,200 --> 01:13:45,170

that drive up in that school is clogged

1621

01:13:51,510 --> 01:13:47,210

with any kind every kind of vehicle

1622

01:13:55,149 --> 01:13:51,520

please regular cars ambulances [h__\h]

1623

01:13:57,520 --> 01:13:55,159

buses fire but nothing's very there's no

1624

01:13:59,049 --> 01:13:57,530

ambulance actually next to school

1625

01:14:01,330 --> 01:13:59,059

it is clock you couldn't get any

1626
01:14:03,520 --> 01:14:01,340
emergency stuff in and now and the final

1627
01:14:05,890 --> 01:14:03,530
thing is this common by what did we see

1628
01:14:08,709 --> 01:14:05,900
we saw footage of people climbing out of

1629
01:14:11,290 --> 01:14:08,719
windows running for their lives doing

1630
01:14:13,899 --> 01:14:11,300
all that you see none of that there's

1631
01:14:16,870 --> 01:14:13,909
only one picture of one lady walking

1632
01:14:19,299 --> 01:14:16,880
five to six kids and is still shot out

1633
01:14:21,310 --> 01:14:19,309
of that you know the rugby Margaret but

1634
01:14:21,729 --> 01:14:21,320
maybe later because so let me just push

1635
01:14:24,220 --> 01:14:21,739
back

1636
01:14:26,799 --> 01:14:24,230
maybe it's because there were kids like

1637
01:14:28,330 --> 01:14:26,809
young kids and high schoolers of jump

1638
01:14:30,609 --> 01:14:28,340

out of a window but maybe little kids

1639

01:14:35,379 --> 01:14:30,619

walk but there's no scene of anybody

1640

01:14:38,859 --> 01:14:35,389

rushing children out is a guy who I

1641

01:14:40,209 --> 01:14:38,869

would see I obviously I guess is the

1642

01:14:41,859 --> 01:14:40,219

Sandy Hook thing there was a crazy guy

1643

01:14:43,720 --> 01:14:41,869

killed a bunch of kids as a normal and

1644

01:14:54,250 --> 01:14:43,730

that's a lot of thought I gave to it he

1645

01:14:58,090 --> 01:14:56,230

laughing have a good time then he gets

1646

01:14:59,950 --> 01:14:58,100

it to the mic he works himself up into a

1647

01:15:01,600 --> 01:14:59,960

cry and then talks about his kid that

1648

01:15:04,900 --> 01:15:01,610

was just killing Sammy if you actually

1649

01:15:08,620 --> 01:15:04,910

after if you ask me to listen Jimmy to

1650

01:15:10,960 --> 01:15:08,630

all the the cops but they gave their you

1651
01:15:12,700 --> 01:15:10,970
know official what happened they

1652
01:15:14,620 --> 01:15:12,710
actually say that they found kids

1653
01:15:17,610 --> 01:15:14,630
running around in the school they say

1654
01:15:21,490 --> 01:15:17,620
they entered it and they threw them into

1655
01:15:23,500 --> 01:15:21,500
classrooms which actually the shootings

1656
01:15:27,730 --> 01:15:23,510
happened meaning they told the kid

1657
01:15:29,920 --> 01:15:27,740
hey kick getting classroom 3013 right be

1658
01:15:31,690 --> 01:15:29,930
safe there don't move well through the

1659
01:15:33,550 --> 01:15:31,700
information has been out that's actually

1660
01:15:37,180 --> 01:15:33,560
where all the shootings happened so why

1661
01:15:39,610 --> 01:15:37,190
would in an active shooter cops be

1662
01:15:41,860 --> 01:15:39,620
throwing children in the school in the

1663
01:15:43,840 --> 01:15:41,870

rooms where the shootings rap and

1664

01:15:45,730 --> 01:15:43,850

wanting the footage of the guy who did

1665

01:15:48,100 --> 01:15:45,740

the autopsy the guy who runs the morgue

1666

01:15:50,140 --> 01:15:48,110

that is a Kree but he says in there and

1667

01:15:52,270 --> 01:15:50,150

I quote oh you could make things look

1668

01:15:53,740 --> 01:15:52,280

like a lot of things I have if you have

1669

01:15:55,330 --> 01:15:53,750

good photographers you can make things

1670

01:15:58,690 --> 01:15:55,340

look like everyone I have a really great

1671

01:16:00,670 --> 01:15:58,700

photographer he says in the girls I

1672

01:16:02,520 --> 01:16:00,680

think about the morgue the morgue I was

1673

01:16:06,730 --> 01:16:02,530

actually on a crime show earlier

1674

01:16:09,070 --> 01:16:06,740

testifying as a mortician but he was

1675

01:16:12,580 --> 01:16:09,080

later found and there's an article in

1676

01:16:15,460 --> 01:16:12,590

which he was suing the state for bigger

1677

01:16:16,390 --> 01:16:15,470

pension meaning he was retired he wasn't

1678

01:16:20,170 --> 01:16:16,400

actually working

1679

01:16:22,210 --> 01:16:20,180

he is a retiree I'm suing we think so

1680

01:16:23,920 --> 01:16:22,220

let's say let's say just just an X bar

1681

01:16:25,900 --> 01:16:23,930

so let's say through the sake of our

1682

01:16:27,730 --> 01:16:25,910

convinced all this stuff that you guys

1683

01:16:29,500 --> 01:16:27,740

have Jay can't back check right here but

1684

01:16:32,690 --> 01:16:29,510

they did say that it's true why would

1685

01:16:32,700 --> 01:16:35,970

[Music]

1686

01:16:40,710 --> 01:16:38,550

so they get the police force in tonight

1687

01:16:42,680 --> 01:16:40,720

- oh it's actually what it's called

1688

01:16:46,140 --> 01:16:42,690

there's a thing that says it's a

1689

01:16:50,340 --> 01:16:46,150

Homeland Security FEMA thing where the

1690

01:16:52,020 --> 01:16:50,350

entire city is involved in why drill it

1691

01:16:54,150 --> 01:16:52,030

makes a name for it starts with a CI

1692

01:16:56,430 --> 01:16:54,160

can't remember right now Coco Khan or

1693

01:16:59,850 --> 01:16:56,440

something like that I know that was so

1694

01:17:01,020 --> 01:16:59,860

wrong but the whole city sent out now if

1695

01:17:03,180 --> 01:17:01,030

you actually look the city of Newton

1696

01:17:05,430 --> 01:17:03,190

over the years it's got two hundred

1697

01:17:09,240 --> 01:17:05,440

million dollars worth of punished every

1698

01:17:15,060 --> 01:17:09,250

parent there got a house not one parent

1699

01:17:18,810 --> 01:17:15,070

there soon anybody not water then parent

1700

01:17:20,550 --> 01:17:18,820

will be sued somebody somebody okay it's

1701
01:17:22,050 --> 01:17:20,560
a problem reaction solution I mean we

1702
01:17:24,390 --> 01:17:22,060
talked about why something like this

1703
01:17:29,010 --> 01:17:24,400
would happen it's so you can relive gun

1704
01:17:31,650 --> 01:17:29,020
control we got that well that's it comes

1705
01:17:33,870 --> 01:17:31,660
out of the quotidian disruption where we

1706
01:17:35,940 --> 01:17:33,880
have our life that we normally have and

1707
01:17:38,310 --> 01:17:35,950
what they do is they create these

1708
01:17:42,030 --> 01:17:38,320
elaborate things that are going to shock

1709
01:17:44,130 --> 01:17:42,040
the public because they know the shock

1710
01:17:45,690 --> 01:17:44,140
is just a shock and it's neutral

1711
01:17:47,340 --> 01:17:45,700
but there's going to be one side it's

1712
01:17:48,510 --> 01:17:47,350
going to react exactly the way that

1713
01:17:49,920 --> 01:17:48,520

they're going to react the other side is

1714

01:17:51,540 --> 01:17:49,930

going to react exactly the way that

1715

01:17:52,920 --> 01:17:51,550

they're going to react so all that has

1716

01:17:55,650 --> 01:17:52,930

to happen is they just need to move the

1717

01:17:57,360 --> 01:17:55,660

people forward and that's why we have we

1718

01:17:59,160 --> 01:17:57,370

have Sandy Hook we have this operation

1719

01:18:01,080 --> 01:17:59,170

here in Las Vegas why was because it

1720

01:18:08,870 --> 01:18:01,090

needs to be disrupted because they need

1721

01:18:14,300 --> 01:18:11,360

but what they do you're wrong that's not

1722

01:18:16,310 --> 01:18:14,310

true but people are finding themselves

1723

01:18:19,130 --> 01:18:16,320

it's not defend the right place the

1724

01:18:24,770 --> 01:18:19,140

right to bear arms is to overthrow a

1725

01:18:34,460 --> 01:18:24,780

government because they know well if you

1726

01:18:38,150 --> 01:18:34,470

actually got everybody together yeah but

1727

01:18:39,800 --> 01:18:38,160

we are five million people that's the

1728

01:18:41,270 --> 01:18:39,810

whole thing it's like that's why you

1729

01:18:43,790 --> 01:18:41,280

know way that big reason people don't

1730

01:18:47,540 --> 01:18:43,800

make but back to the gun control do it

1731

01:18:49,730 --> 01:18:47,550

as we are asked they keep trying to tell

1732

01:18:51,920 --> 01:18:49,740

us we need far more gun control we are

1733

01:18:54,860 --> 01:18:51,930

seeing the militarization of our police

1734

01:18:56,480 --> 01:18:54,870

s take a look at North Dakota and you

1735

01:18:58,460 --> 01:18:56,490

brought up what's-your-face Elizabeth

1736

01:19:00,290 --> 01:18:58,470

Warren who didn't go that didn't say

1737

01:19:02,030 --> 01:19:00,300

anything forever up until the end when

1738

01:19:03,470 --> 01:19:02,040

it looked like it was over then she

1739

01:19:05,180 --> 01:19:03,480

jumped in okay

1740

01:19:07,850 --> 01:19:05,190

look at how they went out to those

1741

01:19:10,460 --> 01:19:07,860

[\h__\h] protesters they [\h__\h] beat

1742

01:19:13,490 --> 01:19:10,470

them down they shot it with [\h__\h] fake

1743

01:19:16,310 --> 01:19:13,500

bullets I mean with up with a pellet I

1744

01:19:19,010 --> 01:19:16,320

mean they drum strike them I mean that's

1745

01:19:22,790 --> 01:19:19,020

why you eat guns because most places

1746

01:19:25,130 --> 01:19:22,800

that where Noah's ladka have guns then

1747

01:19:27,020 --> 01:19:25,140

please don't carry guns either so what

1748

01:19:28,760 --> 01:19:27,030

do you say D arm you got what you're

1749

01:19:30,650 --> 01:19:28,770

saying D on the public you have to

1750

01:19:32,870 --> 01:19:30,660

demand that the police do it too that's

1751

01:19:35,850 --> 01:19:32,880

the only way it works is if both sides

1752

01:19:35,860 --> 01:19:46,600

[Applause]

1753

01:19:50,840 --> 01:19:49,520

well I'll disagree that that's fine I

1754

01:19:55,670 --> 01:19:50,850

mean we're not gonna no well I disagree

1755

01:19:58,229 --> 01:19:55,680

with both of you but I'll I'll see this

1756

01:20:00,090 --> 01:19:58,239

then the reason why people say they want

1757

01:20:01,050 --> 01:20:00,100

ultimately it was because of the fight

1758

01:20:03,630 --> 01:20:01,060

against the tyranny of the government

1759

01:20:04,890 --> 01:20:03,640

when they come for your rights well the

1760

01:20:07,800 --> 01:20:04,900

government already took away our rights

1761

01:20:08,940 --> 01:20:07,810

we live in a surveillance state right we

1762

01:20:11,490 --> 01:20:08,950

don't want to even have paid these

1763

01:20:12,930 --> 01:20:11,500

corporates habeas corpus is the linchpin

1764

01:20:14,790 --> 01:20:12,940

of democracy which means that the

1765

01:20:16,740 --> 01:20:14,800

government can't take you and put you in

1766

01:20:19,290 --> 01:20:16,750

jail forever they have to give you a

1767

01:20:19,950 --> 01:20:19,300

swift and speedy trial and charge you

1768

01:20:21,990 --> 01:20:19,960

immediately

1769

01:20:24,060 --> 01:20:22,000

that's habeas corpus so then you can

1770

01:20:26,459 --> 01:20:24,070

defend yourself right so they got rid of

1771

01:20:30,720 --> 01:20:26,469

that Barack Obama section 1021 of the

1772

01:20:32,729 --> 01:20:30,730

NDAA repeals habeas corpus only for

1773

01:20:34,500 --> 01:20:32,739

people deemed to be terrorists did you

1774

01:20:37,290 --> 01:20:34,510

know that Department of Homeland

1775

01:20:39,959 --> 01:20:37,300

Security were issued an edict in 2003

1776

01:20:42,180 --> 01:20:39,969

that said that any protesters peaceful

1777

01:20:44,850 --> 01:20:42,190

or not would be considered as terrorists

1778

01:20:46,800 --> 01:20:44,860

so if you want to ever protest your

1779

01:20:48,660 --> 01:20:46,810

government for a redress of grievances

1780

01:20:49,890 --> 01:20:48,670

you are now a terrorist and the

1781

01:20:53,220 --> 01:20:49,900

government cannot throw you in jail

1782

01:20:55,470 --> 01:20:53,230

forever without giving you a charge or a

1783

01:20:57,300 --> 01:20:55,480

trial date that's because we don't want

1784

01:20:59,610 --> 01:20:57,310

Moorhead habeas corpus Aviance corpus

1785

01:21:02,310 --> 01:20:59,620

was included in the Magna Carta

1786

01:21:04,229 --> 01:21:02,320

so we repealed the [h__h] Magna Carta

1787

01:21:27,090 --> 01:21:04,239

and now we are operating in a Liberty

1788

01:21:28,010 --> 01:21:27,100

level somewhere around the [h__h] black

1789

01:21:38,669 --> 01:21:28,020

ox

1790

01:21:47,520 --> 01:21:41,520

and this show has given me the courage

1791

01:21:49,709 --> 01:21:47,530

to admit it yeah now as far as so they

1792

01:21:51,990 --> 01:21:49,719

just found out all this crazy [h__h] about

1793

01:21:53,340 --> 01:21:52,000

Pluto now I don't know if you know Pluto

1794

01:21:55,620 --> 01:21:53,350

they said was a planet now it's not a

1795

01:21:57,810 --> 01:21:55,630

planet they went back there turns out

1796

01:21:58,950 --> 01:21:57,820

there's a heat on planet the coldest

1797

01:22:01,110 --> 01:21:58,960

planet of the [h__h] world

1798

01:22:04,080 --> 01:22:01,120

which is making ice stuff move all over

1799

01:22:05,490 --> 01:22:04,090

the surface of Pluto there's almost life

1800

01:22:07,860 --> 01:22:05,500

there's what they're saying all right

1801
01:22:11,189 --> 01:22:07,870
now thank God so if there's almost

1802
01:22:13,590 --> 01:22:11,199
[h__\h] life on Pluto I don't know I

1803
01:22:15,149 --> 01:22:13,600
have to think that we are not the only

1804
01:22:16,740 --> 01:22:15,159
life in the universe I think it's

1805
01:22:18,870 --> 01:22:16,750
[h__\h] arrogant to think that we are

1806
01:22:21,209 --> 01:22:18,880
and that's why we have things like SETI

1807
01:22:22,890 --> 01:22:21,219
and all the show set up to try to detect

1808
01:22:24,630 --> 01:22:22,900
life other place scientists the

1809
01:22:26,100 --> 01:22:24,640
smartypants people in the world think

1810
01:22:27,630 --> 01:22:26,110
that there's probably [h__\h] someone

1811
01:22:29,430 --> 01:22:27,640
else out there so I'm going to go along

1812
01:22:30,479 --> 01:22:29,440
with the smartest people in the [h__\h]

1813
01:22:32,040 --> 01:22:30,489

world and say yeah I think there

1814

01:22:33,570 --> 01:22:32,050

probably is some intelligent life

1815

01:22:36,090 --> 01:22:33,580

somewhere else in here but here's this

1816

01:22:38,280 --> 01:22:36,100

that's a great one you've talked about

1817

01:22:39,750 --> 01:22:38,290

this on the podcast do you guys are you

1818

01:22:44,370 --> 01:22:39,760

Hollow Earth Wow Wow

1819

01:22:45,720 --> 01:22:44,380

well I mean hollow moon tell your whole

1820

01:22:47,669 --> 01:22:45,730

theory about the hollow moon because I

1821

01:22:49,590 --> 01:22:47,679

it blew my mind when you were talking

1822

01:22:52,500 --> 01:22:49,600

about that well it's just that that we

1823

01:22:55,500 --> 01:22:52,510

do have in our in our oral history as a

1824

01:22:57,840 --> 01:22:55,510

planet there is stories that have been

1825

01:23:00,689 --> 01:22:57,850

passed along of the time when the moon

1826

01:23:02,340 --> 01:23:00,699

was not here and so what happens is they

1827

01:23:04,800 --> 01:23:02,350

they believe that the moon was brought

1828

01:23:07,140 --> 01:23:04,810

here as a way to get our agrarian

1829

01:23:08,850 --> 01:23:07,150

civilization and have the tides come in

1830

01:23:10,020 --> 01:23:08,860

and out and have the weather change and

1831

01:23:12,330 --> 01:23:10,030

have all this moving around

1832

01:23:14,669 --> 01:23:12,340

Roger that means Breyer by aliens in

1833

01:23:17,669 --> 01:23:14,679

order to control humanity and that's we

1834

01:23:19,410 --> 01:23:17,679

find ourselves in that ultimately we sit

1835

01:23:21,959 --> 01:23:19,420

here and we believe that we're being

1836

01:23:23,880 --> 01:23:21,969

controlled by the by the gravity of the

1837

01:23:26,700 --> 01:23:23,890

Moon and it's a placement even though

1838

01:23:28,439 --> 01:23:26,710

it's it has no reason to be there at the

1839

01:23:31,080 --> 01:23:28,449

size of this base from the distance that

1840

01:23:33,570 --> 01:23:31,090

it is it's this perfect thing and really

1841

01:23:36,180 --> 01:23:33,580

what I believe is that we're here to

1842

01:23:37,689 --> 01:23:36,190

feed the moon and that woman is taking

1843

01:23:45,189 --> 01:23:37,699

the chaotic energy

1844

01:23:46,479 --> 01:23:45,199

is being beamed over to the deep end now

1845

01:23:48,580 --> 01:23:46,489

with the interesting things you know

1846

01:23:53,379 --> 01:23:48,590

Jimmy that the moon is bigger than

1847

01:23:56,080 --> 01:23:53,389

coming up I know that it's bigger than

1848

01:23:58,629 --> 01:23:56,090

Pluto and it the fact that it not only

1849

01:24:01,290 --> 01:23:58,639

does he go around it goes around the are

1850

01:24:08,649 --> 01:24:01,300

in never turns and it's in a perfect

1851

01:24:29,290 --> 01:24:08,659

orbit it's a perfect you can see with

1852

01:24:46,600 --> 01:24:29,300

the naked eye in the room with to come

1853

01:24:51,680 --> 01:24:46,610

up hey by the way give up her slim

1854

01:24:56,400 --> 01:24:54,350

[Music]

1855

01:24:58,740 --> 01:24:56,410

Eric did you have a fun time in the

1856

01:25:02,630 --> 01:24:58,750

other room doing me off this show I did

1857

01:25:08,550 --> 01:25:02,640

yes honey girl named show ya behind okay

1858

01:25:11,070 --> 01:25:08,560

hi yeah it was great

1859

01:25:14,340 --> 01:25:11,080

lots of great energy and you know the

1860

01:25:16,110 --> 01:25:14,350

tapeworm drains yes I'm a little beat so

1861

01:25:18,030 --> 01:25:16,120

you've always been kind of that there's

1862

01:25:20,760 --> 01:25:18,040

a lot political corruption out there you

1863

01:25:22,830 --> 01:25:20,770

talked about it a you and any

1864

01:25:24,420 --> 01:25:22,840

conspiracies out there you know I've

1865

01:25:26,189 --> 01:25:24,430

been friends for a long time used to do

1866

01:25:34,380 --> 01:25:26,199

the naughty show and then you left me

1867

01:25:36,750 --> 01:25:34,390

for somebody better are you hate

1868

01:25:50,270 --> 01:25:36,760

conspiracies you enjoy anything any

1869

01:25:56,250 --> 01:25:53,729

geez get on my side so far I don't think

1870

01:25:58,830 --> 01:25:56,260

anything is really too far I I will

1871

01:26:02,160 --> 01:25:58,840

pretty much believe any time that there

1872

01:26:04,470 --> 01:26:02,170

are people who are standing to benefit

1873

01:26:06,959 --> 01:26:04,480

from something automatically I'm like no

1874

01:26:08,880 --> 01:26:06,969

no no you know even in Vegas you're like

1875

01:26:11,880 --> 01:26:08,890

there's stuff where you're just like I

1876

01:26:13,770 --> 01:26:11,890

don't believe I think there's a lot of

1877

01:26:15,779 --> 01:26:13,780

stuff people can do from inside and I

1878

01:26:19,109 --> 01:26:15,789

totally would and

1879

01:26:25,290 --> 01:26:19,119

just like Colin Kapernick job well

1880

01:26:28,049 --> 01:26:25,300

they're just you know the owner of the

1881

01:26:29,910 --> 01:26:28,059

Dallas Cowboys this guy taken to me you

1882

01:26:32,009 --> 01:26:29,920

know and he's like we can't have them

1883

01:26:35,580 --> 01:26:32,019

call our our players son of a [h__\h]

1884

01:26:38,339 --> 01:26:35,590

why they hate all the [h__\h] all the

1885

01:26:40,140 --> 01:26:38,349

head traumas information they keep

1886

01:26:42,660 --> 01:26:40,150

playing Thursdays when the players say

1887

01:26:44,189 --> 01:26:42,670

we don't want play Thursday sits too bad

1888

01:26:46,379 --> 01:26:44,199

in our bodies they don't give them all

1889

01:26:48,330 --> 01:26:46,389

the information on the money okay

1890

01:26:50,700 --> 01:26:48,340

and on top of that Jerry Jones is in oil

1891

01:26:52,020 --> 01:26:50,710

ok and what were you about to do

1892

01:26:55,470 --> 01:26:52,030

we're about to go into our eighth and

1893

01:26:58,770 --> 01:26:55,480

ninth war in Venezuela ok and what do we

1894

01:27:01,140 --> 01:26:58,780

do in Venezuela alright it's why are we

1895

01:27:03,270 --> 01:27:01,150

going in their oil reserves oh they want

1896

01:27:05,129 --> 01:27:03,280

to get off the petro dollar and nobody

1897

01:27:07,379 --> 01:27:05,139

wants things we're about to get our 8th

1898

01:27:10,379 --> 01:27:07,389

to 9th Ward people hate the network

1899

01:27:12,750 --> 01:27:10,389

those are Hitler numbers ok we are in

1900

01:27:15,060 --> 01:27:12,760

the area of Hitler I know we love our

1901

01:27:18,029 --> 01:27:15,070

snapchat and our porn up and all that

1902

01:27:20,819 --> 01:27:18,039

stuff but man when you go watch stammers

1903

01:27:22,799 --> 01:27:20,829

you know watch Star Wars just know where

1904

01:27:24,810 --> 01:27:22,809

the Empire we're the guys are like

1905

01:27:26,790 --> 01:27:24,820

that's storm and kick everything over

1906

01:27:28,979 --> 01:27:26,800

and that's we're not the good guys it's

1907

01:27:38,339 --> 01:27:28,989

not about freedom it's about taking your

1908

01:27:39,660 --> 01:27:38,349

[h__h] yo no I think you're right Sam the

1909

01:27:43,500 --> 01:27:39,670

stormtroopers are the height of white

1910

01:27:45,839 --> 01:27:43,510

power yeah really I think there's a

1911

01:27:48,240 --> 01:27:45,849

mistake what I think there's a mistake

1912

01:27:49,680 --> 01:27:48,250

you think there's a piss take some kind

1913

01:27:52,950 --> 01:27:49,690

of blackmail for sure I think there's a

1914

01:27:55,319 --> 01:27:52,960

guess so are you into the whole rushing

1915

01:27:58,560 --> 01:27:55,329

game the Russian [h__h] went down

1916

01:27:59,640 --> 01:27:58,570

Russians happy the off elections yes

1917

01:28:02,790 --> 01:27:59,650

since the 50s

1918

01:28:04,709 --> 01:28:02,800

yes yeah part right doesn't it yet for

1919

01:28:07,049 --> 01:28:04,719

years our election like we are we're

1920

01:28:12,340 --> 01:28:07,059

like those deep old [h__h] things when

1921

01:28:16,580 --> 01:28:14,750

what I live for new iPhones but our

1922

01:28:18,560 --> 01:28:16,590

voting system is just still working like

1923

01:28:21,620 --> 01:28:18,570

so you think Hillary should have won

1924

01:28:24,890 --> 01:28:21,630

that battle ection well I mean I think

1925

01:28:26,810 --> 01:28:24,900

we should definitely have a popular vote

1926

01:28:34,910 --> 01:28:26,820

in this country but that doesn't mean

1927

01:28:37,459 --> 01:28:34,920

that I think that's our you fer a permit

1928

01:28:39,290 --> 01:28:37,469

of action yeah before that yes it's the

1929

01:28:41,689 --> 01:28:39,300

same thing because if you go into

1930

01:28:44,300 --> 01:28:41,699

electoral college North Dakota South

1931

01:28:45,260 --> 01:28:44,310

Dakota their votes will never matter and

1932

01:28:47,420 --> 01:28:45,270

you're like well they shouldn't matter

1933

01:28:51,350 --> 01:28:47,430

but that's not how it opera I mean you

1934

01:28:53,870 --> 01:28:51,360

have to have everybody have a chance now

1935

01:28:56,750 --> 01:28:53,880

you're for your against electoral

1936

01:28:59,000 --> 01:28:56,760

college but Hillary completely jacked

1937

01:29:01,040 --> 01:28:59,010

the Electoral College in the Democratic

1938

01:29:03,830 --> 01:29:01,050

primary and the only reason she won that

1939

01:29:05,240 --> 01:29:03,840

[\h__\h] is some some [\h__\h] early life oh

1940

01:29:06,560 --> 01:29:05,250

we don't even care who you're running

1941

01:29:07,430 --> 01:29:06,570

against we're gonna give you all the

1942

01:29:09,439 --> 01:29:07,440

like Toro votes

1943

01:29:11,510 --> 01:29:09,449

so like what does she want does she want

1944

01:29:12,950 --> 01:29:11,520

electoral college or doesn't she want to

1945

01:29:15,260 --> 01:29:12,960

like twerk off because he got the

1946

01:29:17,150 --> 01:29:15,270

Democratic primary [\h__\h] vote and the

1947

01:29:19,520 --> 01:29:17,160

[\h__\h] nomination but then she's crying

1948

01:29:20,890 --> 01:29:19,530

about it when she got lit up by two

1949

01:29:24,709 --> 01:29:20,900

three groups

1950

01:29:27,050 --> 01:29:24,719

people affected by free trade okay that

1951

01:29:29,240 --> 01:29:27,060

were affected by NAFTA free trade the

1952

01:29:31,280 --> 01:29:29,250

black folk didn't vote for that and this

1953

01:29:33,740 --> 01:29:31,290

isn't racism because they know she

1954

01:29:36,350 --> 01:29:33,750

passed the crime fell of 1994 her

1955

01:29:37,130 --> 01:29:36,360

husband which incarcerated tons of

1956

01:29:39,439 --> 01:29:37,140

[h__\h] people

1957

01:29:42,709 --> 01:29:39,449

because crack this much crack was a

1958

01:29:43,640 --> 01:29:42,719

helicopters worth of [h__\h] coke so she

1959

01:29:46,070 --> 01:29:43,650

lost those votes

1960

01:29:49,910 --> 01:29:46,080

okay and then she didn't look at them

1961

01:29:51,770 --> 01:29:49,920

that women to vote for didn't agreed to

1962

01:29:53,630 --> 01:29:51,780

play ball we got to stop going for a

1963

01:29:56,209 --> 01:29:53,640

small select group of people who are

1964

01:29:59,800 --> 01:29:56,219

need to really liberate that donation

1965

01:30:02,050 --> 01:29:59,810

got robbed is is now laughable

1966

01:30:09,210 --> 01:30:02,060

and I think Hillary Clinton I'm you the

1967

01:30:14,440 --> 01:30:12,040

eight parties we should have multiple we

1968

01:30:16,180 --> 01:30:14,450

have multiple options that is what is

1969

01:30:18,850 --> 01:30:16,190

amazing about this country is that every

1970

01:30:22,470 --> 01:30:18,860

other every other part of our life we

1971

01:30:25,120 --> 01:30:22,480

demand options sauces [h__h] movies

1972

01:30:27,460 --> 01:30:25,130

Cheesecake factories menu is bigger than

1973

01:30:29,860 --> 01:30:27,470

the goddamn Bible and they want to calm

1974

01:30:32,770 --> 01:30:29,870

us down a little get to and we just sit

1975

01:30:35,230 --> 01:30:32,780

there go like [h__h] you she's perfect

1976

01:30:37,630 --> 01:30:35,240

yeah but it's like what the [h__h] there's

1977

01:30:39,700 --> 01:30:37,640

so many though yeah I'm like I'm totally

1978

01:30:41,830 --> 01:30:39,710

about that do you see that you see the

1979

01:30:43,900 --> 01:30:41,840

country breaking off into smaller states

1980

01:30:46,120 --> 01:30:43,910

well we should there's literally one

1981

01:30:47,470 --> 01:30:46,130

five states there's five countries in

1982

01:30:54,880 --> 01:30:47,480

America that's what I believe that's

1983

01:30:57,220 --> 01:30:54,890

where we think about how diverse they

1984

01:30:58,750 --> 01:30:57,230

are I wouldn't hate that people should

1985

01:31:00,460 --> 01:30:58,760

you know if you want to be conservative

1986

01:31:02,440 --> 01:31:00,470

from the south great you want to be

1987

01:31:10,210 --> 01:31:02,450

liberal live in California great we

1988

01:31:11,320 --> 01:31:10,220

should give this going around the whole

1989

01:31:17,830 --> 01:31:11,330

world maybe we all need such a big

1990

01:31:19,420 --> 01:31:17,840

military I support that too but what we

1991

01:31:21,730 --> 01:31:19,430

gotta understand this then we will have

1992

01:31:23,680 --> 01:31:21,740

like a Nazi state like nearby that we're

1993

01:31:27,100 --> 01:31:23,690

just gonna have to do like Godspeed guys

1994

01:31:37,630 --> 01:31:32,440

condoms are cheap and weed is legal in

1995

01:31:38,800 --> 01:31:37,640

Alabama Kahn saw John John do you think

1996

01:31:42,600 --> 01:31:38,810

we're gonna be able to solve our

1997

01:31:45,730 --> 01:31:42,610

problems before syrup and portal at all

1998

01:31:48,280 --> 01:31:45,740

is that when the simulation resets no I

1999

01:31:51,760 --> 01:31:48,290

think the simulation will just continue

2000

01:31:55,150 --> 01:31:51,770

to go on as it was designed we are going

2001
01:31:59,650 --> 01:31:55,160
to if you are we have attended 21 people

2002
01:32:01,780 --> 01:31:59,660
in there people you guys know that

2003
01:32:03,640 --> 01:32:01,790
there's just not enough land to grow

2004
01:32:05,800 --> 01:32:03,650
enough food to keep the population that

2005
01:32:08,170 --> 01:32:05,810
we have here we're gonna have a state

2006
01:32:10,630 --> 01:32:08,180
taking away our very ability to own

2007
01:32:13,330 --> 01:32:10,640
private property so they can grow food

2008
01:32:15,100 --> 01:32:13,340
on the land as everybody comes into the

2009
01:32:18,160 --> 01:32:15,110
city centers of the city Sinestro

2010
01:32:20,020 --> 01:32:18,170
skyward by the time that happens the

2011
01:32:21,760 --> 01:32:20,030
United States electoral college are very

2012
01:32:23,920 --> 01:32:21,770
currency and everything will believe in

2013
01:32:25,870 --> 01:32:23,930

will be gone and this will be a one

2014

01:32:36,880 --> 01:32:25,880

world government and it's already here

2015

01:32:49,630 --> 01:32:36,890

so I thought project 21 this is way more

2016

01:32:54,580 --> 01:32:49,640

interesting so I want to see what I

2017

01:33:00,250 --> 01:32:54,590

could do waiting I think Cruz told her

2018

01:33:03,340 --> 01:33:00,260

to calm down so that the the Russians

2019

01:33:05,410 --> 01:33:03,350

black belt Trump I'm sorry because if he

2020

01:33:07,660 --> 01:33:05,420

if we got in Hillary we most likely

2021

01:33:09,880 --> 01:33:07,670

would be in World War 3 right now she

2022

01:33:11,620 --> 01:33:09,890

wanted to enforce supply zone know like

2023

01:33:13,959 --> 01:33:11,630

zone in Syria which would've man

2024

01:33:16,390 --> 01:33:13,969

definitely a war with Russia but we are

2025

01:33:18,370 --> 01:33:16,400

we are in what they are conditioning us

2026

01:33:20,680 --> 01:33:18,380

for which is pray or which is why we

2027

01:33:24,010 --> 01:33:20,690

have automatic gunfire on our television

2028

01:33:26,770 --> 01:33:24,020

on the loop which is why we have gunfire

2029

01:33:29,350 --> 01:33:26,780

explosions going off in Paris and in

2030

01:33:31,330 --> 01:33:29,360

England and now here because they want

2031

01:33:33,879 --> 01:33:31,340

us to be used to hearing it so when we

2032

01:33:35,700 --> 01:33:33,889

do actually get to experience it we all

2033

01:33:38,050 --> 01:33:35,710

know now to yell active shooter

2034

01:33:40,780 --> 01:33:38,060

helicopters to the amount of a [\h__\h]

2035

01:33:42,430 --> 01:33:40,790

helicopter mingling was in town and they

2036

01:33:45,040 --> 01:33:42,440

saw a helicopter and you would have

2037

01:33:46,600 --> 01:33:45,050

thought they saw a [\h__\h] dinosaur we

2038

01:33:48,459 --> 01:33:46,610

have so there are so many there like

2039

01:33:59,949 --> 01:33:48,469

three helicopters over my place all the

2040

01:34:17,589 --> 01:34:02,589

one of those is sand with the cocaine

2041

01:34:19,569 --> 01:34:17,599

yeah South Pasadena literally literally

2042

01:34:21,489 --> 01:34:19,579

I don't see you in my garage and I

2043

01:34:25,600 --> 01:34:21,499

literally had to dump old [h__h] sound

2044

01:34:29,469 --> 01:34:25,610

insulation because of the helicopter and

2045

01:34:50,250 --> 01:34:29,479

then put a soundproof door I like to do

2046

01:35:04,350 --> 01:34:58,089

so I do leave express this would be just

2047

01:35:10,270 --> 01:35:07,509

than I thought

2048

01:35:13,929 --> 01:35:10,280

I thought 9/11 was all solved turns out

2049

01:35:15,459 --> 01:35:13,939

a lot of [h__h] still happening yeah and I

2050

01:35:16,239 --> 01:35:15,469

knew people were [h__h] babies but I

2051

01:35:19,719 --> 01:35:16,249

had no idea

2052

01:35:26,559 --> 01:35:19,729

guys guys please take your cocktail

2053

01:35:28,539 --> 01:35:26,569

waitress she's a wonderful person we

2054

01:35:31,479 --> 01:35:28,549

gotta wrap it up they still need a thing

2055

01:35:31,959 --> 01:35:31,489

I've only Express Jeff which is they

2056

01:35:40,299 --> 01:35:31,969

abstain

2057

01:35:43,509 --> 01:35:40,309

a bunch of people what are you talking

2058

01:35:46,389 --> 01:35:43,519

about the fact that Bill Clinton has

2059

01:35:49,059 --> 01:35:46,399

been on that flight to that island when

2060

01:35:50,409 --> 01:35:49,069

you're on an interim now ditch the

2061

01:35:52,329 --> 01:35:50,419

Secret Service to do

2062

01:35:54,429 --> 01:35:52,339

did he really smile to outsiders

2063

01:35:56,739 --> 01:35:54,439

institution it's just funny to see

2064

01:35:59,229 --> 01:35:56,749

Hillary Clinton wagging her finger at

2065

01:36:01,779 --> 01:35:59,239

Donald Trump for being a misogynist and

2066

01:36:03,309 --> 01:36:01,789

a sexist and all that stuff when her

2067

01:36:06,609 --> 01:36:03,319

husband's claim to fame was he got

2068

01:36:08,349 --> 01:36:06,619

jinsana interns dress and that's

2069

01:36:10,539 --> 01:36:08,359

literally what it was that's what took

2070

01:36:12,879 --> 01:36:10,549

him down so I think people watch that

2071

01:36:15,369 --> 01:36:12,889

happening in which you're full of [h__\h]

2072

01:36:17,409 --> 01:36:15,379

and he's full of [h__\h] and we're being

2073

01:36:19,750 --> 01:36:17,419

served as South Park tall as a [h__\h]

2074

01:36:21,279 --> 01:36:19,760

sandwich and I'm not [h__\h] voting for

2075

01:36:22,750 --> 01:36:21,289

that when that's why I didn't vote for

2076

01:36:24,309 --> 01:36:22,760

either of those [h__\h] well you

2077

01:36:26,829 --> 01:36:24,319

know what you did a post Donald Trump

2078

01:36:28,659 --> 01:36:26,839

without dropping up Hillary Clinton you

2079

01:36:31,119 --> 01:36:28,669

don't have to be a [h__\h] defender of

2080

01:36:32,859 --> 01:36:31,129

[h__\h] corporatist war mongers of the

2081

01:36:35,169 --> 01:36:32,869

word sort which is what Hillary Clinton

2082

01:36:36,879 --> 01:36:35,179

was to a post Donald Trump your new host

2083

01:36:38,169 --> 01:36:36,889

fascism without getting in bed with

2084

01:36:40,029 --> 01:36:38,179

corporate fascism

2085

01:36:42,279 --> 01:36:40,039

you can [h__\h] people things and that's

2086

01:36:46,089 --> 01:36:42,289

what not do it real quick we gotta wrap

2087

01:36:48,159 --> 01:36:46,099

it up here in the club and real quick

2088

01:36:50,559 --> 01:36:48,169

you've been in Hollywood for a while and

2089

01:36:52,750 --> 01:36:50,569

you you know we're friends with a lot of

2090

01:36:54,489 --> 01:36:52,760

these Hollywood of people who who we

2091

01:36:57,879 --> 01:36:54,499

know are movie stars and television

2092

01:37:00,609 --> 01:36:57,889

stars and you go really hard on Hillary

2093

01:37:03,129 --> 01:37:00,619

any blowback from that group of people

2094

01:37:04,209 --> 01:37:03,139

who just can't stop now I'm with her I

2095

01:37:06,219 --> 01:37:04,219

miss her so much

2096

01:37:08,079 --> 01:37:06,229

you guys said blah blah blah and like

2097

01:37:09,550 --> 01:37:08,089

you get any blowback from that group

2098

01:37:17,590 --> 01:37:09,560

well

2099

01:37:19,660 --> 01:37:17,600

I'm here and I yeah yeah that's a lot of

2100

01:37:21,190 --> 01:37:19,670

[h__\h] from a lot of people a lot of

2101

01:37:23,110 --> 01:37:21,200

people all the time and they just

2102

01:37:25,000 --> 01:37:23,120

whatever they feel like going on Twitter

2103

01:37:26,950 --> 01:37:25,010

and it's ultimately they [h__\h] people I

2104

01:37:30,310 --> 01:37:26,960

know producers in Hollywood people who

2105

01:37:44,230 --> 01:37:30,320

produced [h__\h] for that guy that the

2106

01:37:46,480 --> 01:37:44,240

Simpsons with the one of the big

2107

01:37:49,630 --> 01:37:46,490

producers always comes at me on Twitter

2108

01:37:52,360 --> 01:37:49,640

and I just say hey thanks for the thanks

2109

01:37:53,890 --> 01:37:52,370

for the likes and I'm a big fan of yours

2110

01:37:55,870 --> 01:37:53,900

that's what I say I never come back at

2111

01:37:57,820 --> 01:37:55,880

them so yes Sam to answer your question

2112

01:38:00,760 --> 01:37:57,830

I get a lot of [h__\h] [h__\h] for a lot of

2113

01:38:02,290 --> 01:38:00,770

people because I oppose fascism no

2114

01:38:04,690 --> 01:38:02,300

matter where I see a whatever it comes

2115

01:38:07,870 --> 01:38:04,700

from a corporate [h__\h] war monger like

2116

01:38:10,690 --> 01:38:07,880

John Kerry Bill Clinton or [h__\h] the

2117

01:38:12,190 --> 01:38:10,700

Hillary Clinton or Barack Obama where

2118

01:38:14,950 --> 01:38:12,200

whether it comes from George Bush or

2119

01:38:17,740 --> 01:38:14,960

Dick Cheney or or Donald conahan's truck

2120

01:38:19,540 --> 01:38:17,750

I [h__\h] apology no matter where I see

2121

01:38:21,070 --> 01:38:19,550

it and that's not OK in Hollywood in

2122

01:38:23,350 --> 01:38:21,080

Hollywood you're only you're only

2123

01:38:24,760 --> 01:38:23,360

allowed two choices and that's why

2124

01:38:26,260 --> 01:38:24,770

that's where those people are robbed in

2125

01:38:29,260 --> 01:38:26,270

that they think they have two choices

2126
01:38:31,300 --> 01:38:29,270
you have no [h__h] choice there are no

2127
01:38:32,440 --> 01:38:31,310
choice but if you picks Hillary Clinton

2128
01:38:36,160 --> 01:38:32,450
or Donald [h__h] Trump or Hillary

2129
01:38:38,940 --> 01:38:36,170
Clinton or Jeb Bush or mix or mix

2130
01:38:46,060 --> 01:38:41,980
I've not raised a lot of those mix

2131
01:38:47,830 --> 01:38:46,070
McConnell or a few pink rock obama over

2132
01:38:49,660 --> 01:38:47,840
the [h__h] [h__h] he ran again it

2133
01:38:51,160 --> 01:38:49,670
doesn't matter we get the same chick we

2134
01:38:53,650 --> 01:38:51,170
voted for John McCain you voted for

2135
01:38:54,160 --> 01:38:53,660
Sarah Palin or you voted for Barack

2136
01:38:54,940 --> 01:38:54,170
Obama

2137
01:38:56,560 --> 01:38:54,950
we got a right

2138
01:38:58,330 --> 01:38:56,570

the healthcare plan the banks got bigger

2139

01:39:00,310 --> 01:38:58,340

we expanded the wards with Judah Stefan

2140

01:39:02,050 --> 01:39:00,320

and the income disparity got greater you

2141

01:39:04,090 --> 01:39:02,060

tell me what the [h__h] we voted for we

2142

01:39:06,220 --> 01:39:04,100

voted for the party of power and that's

2143

01:39:08,380 --> 01:39:06,230

all we have left in America no [h__h]

2144

01:39:10,180 --> 01:39:08,390

[h__h] to the point where they pretend

2145

01:39:12,580 --> 01:39:10,190

that Jill Stein someone with no money

2146

01:39:15,070 --> 01:39:12,590

and no power somehow affected the

2147

01:39:16,510 --> 01:39:15,080

election no money and no [h__h] power

2148

01:39:17,950 --> 01:39:16,520

those are the people that they're

2149

01:39:19,690 --> 01:39:17,960

blaming and scapegoating not the

2150

01:39:21,700 --> 01:39:19,700

powerful so whenever you pick someone

2151
01:39:23,470 --> 01:39:21,710
scapegoating the powerless the people

2152
01:39:25,000 --> 01:39:23,480
with no money you know those people are

2153
01:39:42,220 --> 01:39:25,010
full of [h__\h] and you're protecting

2154
01:39:44,350 --> 01:39:42,230
corruption this has been fantastic you

2155
01:39:46,990 --> 01:39:44,360
guys have a great audience the fact that

2156
01:39:49,540 --> 01:39:47,000
I can come to a comedy club in both

2157
01:39:52,750 --> 01:39:49,550
rooms and have people with open minds is

2158
01:39:59,020 --> 01:39:52,760
[h__\h] mind-blowing to me so I applaud

2159
01:40:01,270 --> 01:39:59,030
your audience way to go do you think the

2160
01:40:02,740 --> 01:40:01,280
gap is widening between those that are

2161
01:40:05,200 --> 01:40:02,750
getting dumbed down and those that are

2162
01:40:06,850 --> 01:40:05,210
waiting yes yeah it's kind of sad right

2163
01:40:09,370 --> 01:40:06,860

yes I'm kind of sad people I used to

2164

01:40:11,410 --> 01:40:09,380

respect immensely have now lost their

2165

01:40:13,540 --> 01:40:11,420

[h__\h] minds because Hillary Clinton is

2166

01:40:15,010 --> 01:40:13,550

not president they've lost their [h__\h]

2167

01:40:16,750 --> 01:40:15,020

minds the Democratic Party has lost

2168

01:40:18,160 --> 01:40:16,760

their [h__\h] mind well the Democratic

2169

01:40:19,690 --> 01:40:18,170

Party isn't the Democratic party I told

2170

01:40:21,160 --> 01:40:19,700

you what happened in the 90s they

2171

01:40:22,720 --> 01:40:21,170

stopped being the Democratic Party which

2172

01:40:26,500 --> 01:40:22,730

is why raffia ran in the first [h__\h]

2173

01:40:28,090 --> 01:40:26,510

place and why we had Bernie Sanders this

2174

01:40:30,760 --> 01:40:28,100

time Bernie Sanders ready you want

2175

01:40:32,500 --> 01:40:30,770

[h__\h] run he ran because he saw that

2176

01:40:33,820 --> 01:40:32,510

there was no option that there was no

2177

01:40:36,220 --> 01:40:33,830

difference between Jeb Bush and Hillary

2178

01:40:38,410 --> 01:40:36,230

Clinton or Ted Cruz or whatever the [h__\h]

2179

01:40:40,780 --> 01:40:38,420

there is a difference between Donald

2180

01:40:44,890 --> 01:40:40,790

Trump and Hillary Clinton and it's very

2181

01:40:45,970 --> 01:40:44,900

little so people don't want you to

2182

01:40:48,350 --> 01:40:45,980

believe that right now the Democrats

2183

01:40:49,970 --> 01:40:48,360

least went along with that 700 billion

2184

01:40:51,560 --> 01:40:49,980

real military increase which could have

2185

01:40:52,820 --> 01:40:51,570

paid for all our student loans which it

2186

01:40:55,129 --> 01:40:52,830

gave us free College the two famous

2187

01:40:56,510 --> 01:40:55,139

[h__\h] healthcare they didn't do any of

2188

01:40:58,310 --> 01:40:56,520

that [\h__\h] [\h__\h] they gave it to bombs

2189

01:41:01,430 --> 01:40:58,320

that are gonna be dropped so right so

2190

01:41:03,470 --> 01:41:01,440

that's what they don't want and I fight

2191

01:41:05,689 --> 01:41:03,480

against that and I get [\h__\h] left half

2192

01:41:08,419 --> 01:41:05,699

the left hates my [\h__\h] guts so I'm

2193

01:41:10,700 --> 01:41:08,429

not that popular with people who think

2194

01:41:12,439 --> 01:41:10,710

critically I'm popular people who do

2195

01:41:14,270 --> 01:41:12,449

think critically and people want to push

2196

01:41:15,379 --> 01:41:14,280

back against the corporate state because

2197

01:41:17,450 --> 01:41:15,389

we live in the corporate times you know

2198

01:41:28,490 --> 01:41:17,460

idiocracy I thought was a movie about

2199

01:41:36,500 --> 01:41:28,500

the future because it used to be so

2200

01:41:40,100 --> 01:41:36,510

goddamn hilarious and and non-white

2201

01:41:42,169 --> 01:41:40,110

people the situation we just go down

2202

01:41:44,660 --> 01:41:42,179

with the ship like are we just [h__h]

2203

01:41:47,149 --> 01:41:44,670

I've been asking people how do we start

2204

01:41:48,439 --> 01:41:47,159

a revolution and I mean a real

2205

01:41:49,790 --> 01:41:48,449

revolution and they're like well you

2206

01:41:51,169 --> 01:41:49,800

have to get guns and stuff but I'm like

2207

01:41:53,870 --> 01:41:51,179

I don't know if you have to get god

2208

01:41:56,780 --> 01:41:53,880

Egypt had to to hear square although

2209

01:41:58,669 --> 01:41:56,790

they got crushed by the military but I

2210

01:42:00,290 --> 01:41:58,679

think that if we did slow we had a

2211

01:42:02,419 --> 01:42:00,300

million people on the streets against

2212

01:42:03,560 --> 01:42:02,429

the Iraq war and that wasn't enough so

2213

01:42:05,600 --> 01:42:03,570

we have to have more than a million

2214

01:42:06,890 --> 01:42:05,610

people in the streets but I think we can

2215

01:42:08,780 --> 01:42:06,900

get a billion people in this I think

2216

01:42:10,790 --> 01:42:08,790

when you get more than that I think well

2217

01:42:12,979 --> 01:42:10,800

half the country doesn't vote as it is

2218

01:42:14,000 --> 01:42:12,989

why because they know it's [h__h] and

2219

01:42:15,290 --> 01:42:14,010

they know they're not going to vote for

2220

01:42:16,939 --> 01:42:15,300

the puppet on the left or the right if

2221

01:42:18,260 --> 01:42:16,949

they vote for Jill Stein or Gary Johnson

2222

01:42:20,149 --> 01:42:18,270

they're going to be ostracized from

2223

01:42:22,399 --> 01:42:20,159

polite society which is [h__h] [h__h]

2224

01:42:24,320 --> 01:42:22,409

right so I think the real revolution

2225

01:42:27,020 --> 01:42:24,330

Bernie Sanders started every speech he

2226

01:42:27,530 --> 01:42:27,030

gave them the 2016 primary campaign my

2227

01:42:28,640 --> 01:42:27,540

state

2228

01:42:30,109 --> 01:42:28,650

sounds like you're ready for a

2229

01:42:32,959 --> 01:42:30,119

revolution and the place would go

2230

01:42:35,600 --> 01:42:32,969

[h__h] crazy because people know that

2231

01:42:38,000 --> 01:42:35,610

without a revolution work for it we are

2232

01:42:39,770 --> 01:42:38,010

right because the way that both parties

2233

01:42:42,500 --> 01:42:39,780

are won the ruling elite has a

2234

01:42:44,600 --> 01:42:42,510

stranglehold on corporate cash and our

2235

01:42:46,729 --> 01:42:44,610

[h__h] the left legislators and may are

2236

01:42:48,410 --> 01:42:46,739

not letting go so how do we get back

2237

01:42:50,120 --> 01:42:48,420

that Bernie Sanders the most popular

2238

01:42:52,700 --> 01:42:50,130

politician in the country right now by

2239

01:42:53,240 --> 01:42:52,710

far by a factor of [h__h] 30 the next

2240

01:42:54,890 --> 01:42:53,250

one is

2241

01:42:57,710 --> 01:42:54,900

but Lauren who is way down on the list

2242

01:42:59,420 --> 01:42:57,720

next to him and yet no everybody still

2243

01:43:01,400 --> 01:42:59,430

treats and lucky some kind of outsider

2244

01:43:02,690 --> 01:43:01,410

that guy couldn't be more [h__h]

2245

01:43:04,850 --> 01:43:02,700

mainstream I turn on Todd

2246

01:43:06,590 --> 01:43:04,860

Chuck Todd on NBC America's number one

2247

01:43:08,330 --> 01:43:06,600

newsman and he tells us that because

2248

01:43:10,490 --> 01:43:08,340

Bernie Sanders want Medicare for all

2249

01:43:12,380 --> 01:43:10,500

which is [h__h] favored by 65 percent

2250

01:43:14,060 --> 01:43:12,390

of the country and 80 percent of

2251

01:43:17,330 --> 01:43:14,070

Democrats he said that he's he is

2252

01:43:19,790 --> 01:43:17,340

divisive no Chuck Todd you're [h__\h]

2253

01:43:21,710 --> 01:43:19,800

divisive because your paycheck depends

2254

01:43:24,020 --> 01:43:21,720

on keeping good [h__\h] away from the

2255

01:43:26,210 --> 01:43:24,030

[h__\h] populace that's just the vices

2256

01:43:28,700 --> 01:43:26,220

he can [h__\h] compare Steve Bandhan and

2257

01:43:30,200 --> 01:43:28,710

Bernie Sanders in the same news segment

2258

01:43:39,380 --> 01:43:30,210

as being divisive about banning a

2259

01:43:41,720 --> 01:43:39,390

[h__\h] high back we just have to stop

2260

01:43:43,730 --> 01:43:41,730

stop having your face in front of the

2261

01:43:46,490 --> 01:43:43,740

screen in front of a television stop

2262

01:43:49,190 --> 01:43:46,500

being affected by the advertising live

2263

01:43:51,470 --> 01:43:49,200

on a needs-based society and take the

2264

01:43:52,910 --> 01:43:51,480

word want out of it and you'll realize

2265

01:43:54,740 --> 01:43:52,920

that you don't have to spend so much

2266

01:43:56,210 --> 01:43:54,750

time with your life working and you

2267

01:43:58,640 --> 01:43:56,220

don't have to spend so much time of your

2268

01:44:00,500 --> 01:43:58,650

life to paying for a place that you're

2269

01:44:02,150 --> 01:44:00,510

not at because you have to work to pay

2270

01:44:03,500 --> 01:44:02,160

for it because you're not there to

2271

01:44:06,170 --> 01:44:03,510

feeling the things that you're never

2272

01:44:08,960 --> 01:44:06,180

going to touch so why not just we're

2273

01:44:12,290 --> 01:44:08,970

gonna need a society and if you live

2274

01:44:14,540 --> 01:44:12,300

with just your passion you've realized

2275

01:44:17,060 --> 01:44:14,550

that every person that you interact with

2276

01:44:18,680 --> 01:44:17,070

when you go to the grocery store you

2277

01:44:20,780 --> 01:44:18,690

make eye contact with them and you're an

2278

01:44:22,580 --> 01:44:20,790

open listener and that's really what the

2279

01:44:24,800 --> 01:44:22,590

world needs is to realize how much in

2280

01:44:26,360 --> 01:44:24,810

common we have with everybody and if we

2281

01:44:28,820 --> 01:44:26,370

were open-hearted listeners and found

2282

01:44:30,620 --> 01:44:28,830

that unity in that and turned our backs

2283

01:44:33,260 --> 01:44:30,630

on the media and the actual of the

2284

01:44:35,690 --> 01:44:33,270

propaganda that's keeping us in this war

2285

01:44:37,640 --> 01:44:35,700

culture and we turned in mass and said

2286

01:44:39,530 --> 01:44:37,650

we're not going to watch anymore and

2287

01:44:40,820 --> 01:44:39,540

nobody would shock the world they'd have

2288

01:44:45,470 --> 01:44:40,830

to come up with a different plan we're

2289

01:44:45,480 --> 01:45:02,530

[Applause]

2290

01:45:07,760 --> 01:45:05,600

there's passionate on many many many

2291

01:45:09,590 --> 01:45:07,770

things yes me I I'm passionate about

2292

01:45:11,570 --> 01:45:09,600

love and that's what I think it's gonna

2293

01:45:13,970 --> 01:45:11,580

do this because it means like I might

2294

01:45:15,860 --> 01:45:13,980

look like a flower child yeah I got the

2295

01:45:18,290 --> 01:45:15,870

star soul and the heart of the punk

2296

01:45:20,030 --> 01:45:18,300

rocker so the fact that you guys around

2297

01:45:23,090 --> 01:45:20,040

here on a Tuesday you listen to us

2298

01:45:24,710 --> 01:45:23,100

babble in both rooms but you showing up

2299

01:45:26,090 --> 01:45:24,720

so you're showing up to your own lives

2300

01:45:33,350 --> 01:45:26,100
