[Music]

2
00:00:08,990 --> 00:00:07,470
the planets up the masters almost surely

3
00:00:11,270 --> 00:00:09,000
have a plan

4
00:00:13,920 --> 00:00:11,280
this clearly maybe something there

5
00:00:21,190 --> 00:00:13,930
beyond the realm of man

6
00:00:38,870 --> 00:00:24,920
that's true dr. Zaius

7
00:00:40,570 --> 00:00:38,880
[Music]

8
00:00:43,760 --> 00:00:40,580
should show

9
00:00:47,940 --> 00:00:46,170
here we go higher side chatters as we

10
00:00:49,470 --> 00:00:47,950
try to avoid the slow roll a total

11
00:00:51,990 --> 00:00:49,480
control in this rockefeller rothschild

12
00:00:54,000 --> 00:00:52,000
debt based system rule and that is no

13
00:00:56,010 --> 00:00:54,010

easy task we know we have a toxic

14

00:00:57,870 --> 00:00:56,020

culture drenched in poisons and

15

00:01:00,000 --> 00:00:57,880

chemicals from fluoride and

16

00:01:02,070 --> 00:01:00,010

pharmaceuticals in the water to aluminum

17

00:01:04,170 --> 00:01:02,080

barium and strontium raining from the

18

00:01:06,300 --> 00:01:04,180

skies as well as nearly everything in

19

00:01:08,550 --> 00:01:06,310

between not to mention the Western

20

00:01:11,310 --> 00:01:08,560

medical system itself seems to make us

21

00:01:13,380 --> 00:01:11,320

sicker in many cases suppress cures and

22

00:01:15,870 --> 00:01:13,390

forges any real nutritional education

23

00:01:17,640 --> 00:01:15,880

in exchange for pills to make us feel

24

00:01:19,469 --> 00:01:17,650

barely well enough to keep dragging

25

00:01:21,660 --> 00:01:19,479

ourselves to those shitty jobs we love

26

00:01:23,400 --> 00:01:21,670

so much it's no way to live and today

27

00:01:25,499 --> 00:01:23,410

we're gonna hone in on a specific area

28

00:01:27,210 --> 00:01:25,509

we haven't really spent a lot of time in

29

00:01:29,490 --> 00:01:27,220

and that's how these counterintuitive

30

00:01:32,100 --> 00:01:29,500

ways and nefarious practices apply to

31

00:01:33,960 --> 00:01:32,110

the hospital birthing process from

32

00:01:35,850 --> 00:01:33,970

prenatal to postpartum we're gonna

33

00:01:38,160 --> 00:01:35,860

address this system down with Jenice

34

00:01:39,960 --> 00:01:38,170

barceló a woman who's dedicated a big

35

00:01:42,300 --> 00:01:39,970

slice of her life to understanding and

36

00:01:45,359 --> 00:01:42,310

dismantling this Western traditional way

37

00:01:48,300 --> 00:01:45,369

Jenice is a TV and radio show host

38

00:01:50,670 --> 00:01:48,310

researcher writer educator and activist

39

00:01:52,860 --> 00:01:50,680

dedicated to exposing the dark side of

40

00:01:54,870 --> 00:01:52,870

modern medicine she's also a trained

41

00:01:57,240 --> 00:01:54,880

doula and independent childbirth

42

00:01:59,399 --> 00:01:57,250

educator with expertise in the healing

43

00:02:01,950 --> 00:01:59,409

and prevention of prenatal and birth

44

00:02:03,570 --> 00:02:01,960

trauma her first book is titled birth

45

00:02:05,280 --> 00:02:03,580

trauma and the dark side of modern

46

00:02:08,070 --> 00:02:05,290

medicine and I understand she's working

47

00:02:10,109 --> 00:02:08,080

on a second called MK ultrasound she

48

00:02:12,479 --> 00:02:10,119

also has a website birth of a new earth

49

00:02:13,890 --> 00:02:12,489

calm and I'm site because I think this

50

00:02:15,570 --> 00:02:13,900

is a subject that has some pretty

51
00:02:16,979 --> 00:02:15,580
far-reaching implications and some

52
00:02:19,380 --> 00:02:16,989
deeper agendas that we might have

53
00:02:21,330 --> 00:02:19,390
overlooked a champion of the people a

54
00:02:21,960 --> 00:02:21,340
light in the darkness and a hero of the

55
00:02:24,930 --> 00:02:21,970
unborn

56
00:02:30,090 --> 00:02:24,940
Jenice welcome to the higher side Wow

57
00:02:32,130 --> 00:02:30,100
isn't that beautiful of the unborn yeah

58
00:02:34,199 --> 00:02:32,140
thank you so much I'm really happy to be

59
00:02:36,420 --> 00:02:34,209
here Greg and happy to have the

60
00:02:39,180 --> 00:02:36,430
opportunity to discuss this information

61
00:02:41,610 --> 00:02:39,190
so I appreciate you inviting me on Oh

62
00:02:43,949 --> 00:02:41,620
likewise I'm so psyched you could come

63
00:02:46,229 --> 00:02:43,959

because I've been wanting to do a show

64

00:02:48,810 --> 00:02:46,239

on this subject for a while we've looked

65

00:02:50,670 --> 00:02:48,820

at many conspiratorial aspects of

66

00:02:53,040 --> 00:02:50,680

Western medicine but we've never really

67

00:02:55,590 --> 00:02:53,050

focused just on the birthing process and

68

00:02:57,210 --> 00:02:55,600

even I was pretty shocked at the scope

69

00:02:59,400 --> 00:02:57,220

this stuff when I got deeper into your

70

00:03:01,230 --> 00:02:59,410

work and I think the best way to do is

71

00:03:03,840 --> 00:03:01,240

probably just to go through the hospital

72

00:03:06,150 --> 00:03:03,850

birth protocols chronologically but

73

00:03:08,400 --> 00:03:06,160

before we do that what would you say

74

00:03:09,780 --> 00:03:08,410

about this subject overall like I

75

00:03:12,120 --> 00:03:09,790

mentioned in the intro we have so many

76

00:03:14,300 --> 00:03:12,130

aspects of life weaponized against us

77

00:03:17,400 --> 00:03:14,310

why would this be any different right

78

00:03:20,730 --> 00:03:17,410

exactly and to understand that we're

79

00:03:23,390 --> 00:03:20,740

being deliberately altered from the gate

80

00:03:26,130 --> 00:03:23,400

basically I mean the attack starts

81

00:03:28,890 --> 00:03:26,140

prenatally with what's called prenatal

82

00:03:33,050 --> 00:03:28,900

care and it's followed up by a series of

83

00:03:36,180 --> 00:03:33,060

intense traumas and chemical assaults on

84

00:03:38,010 --> 00:03:36,190

newborns during hospital birth the

85

00:03:40,590 --> 00:03:38,020

interesting thing and this is probably a

86

00:03:43,830 --> 00:03:40,600

topic for a separate show is that it

87

00:03:47,010 --> 00:03:43,840

actually begins preconception because we

88

00:03:50,580 --> 00:03:47,020

have also been manipulated sexually so

89

00:03:52,830 --> 00:03:50,590

the way that we are behaving sexually

90

00:03:55,020 --> 00:03:52,840

and the way that we are conceiving

91

00:03:57,540 --> 00:03:55,030

children the overwhelming majority of

92

00:04:01,260 --> 00:03:57,550

the time is haphazardly and as a side

93

00:04:05,400 --> 00:04:01,270

effect of fleshy indulgence basically

94

00:04:08,550 --> 00:04:05,410

this conception in print also affects

95

00:04:12,330 --> 00:04:08,560

our capacity to incarnate in a

96

00:04:15,510 --> 00:04:12,340

fully-realized way so the attack is

97

00:04:17,099 --> 00:04:15,520

beginning preconception with the

98

00:04:19,470 --> 00:04:17,109

influence that it's having on the

99

00:04:21,840 --> 00:04:19,480

consciousness of parents and how they're

100

00:04:23,490 --> 00:04:21,850

approaching each other and conceiving

101

00:04:27,120 --> 00:04:23,500

children that's number one

102

00:04:29,250 --> 00:04:27,130

pornographic influence is huge in our

103

00:04:31,380 --> 00:04:29,260

culture and I've done several talks on

104

00:04:33,780 --> 00:04:31,390

the impact of pornography which you can

105

00:04:36,420 --> 00:04:33,790

find on my youtube channel there's quite

106

00:04:38,910 --> 00:04:36,430

a few on the Internet but getting to the

107

00:04:39,930 --> 00:04:38,920

birth process getting to the prenatal

108

00:04:43,080 --> 00:04:39,940

care

109

00:04:45,300 --> 00:04:43,090

okay understanding the forces that are

110

00:04:48,030 --> 00:04:45,310

behind this and what their agenda is

111

00:04:49,980 --> 00:04:48,040

and how this is impacting us I actually

112

00:04:53,580 --> 00:04:49,990

can't think of a more important topic

113

00:04:57,600 --> 00:04:53,590

then to deal with what's been affecting

114

00:05:01,110 --> 00:04:57,610

us from the moment of incarnation which

115

00:05:04,140 --> 00:05:01,120

begins with the spark of conception hmm

116

00:05:06,620 --> 00:05:04,150

yeah it's clearly a really deep subject

117

00:05:08,600 --> 00:05:06,630

and obviously these practices in

118

00:05:10,610 --> 00:05:08,610

the hospital birthing process didn't all

119

00:05:12,860 --> 00:05:10,620

come at once and they've been kind of

120

00:05:14,600 --> 00:05:12,870

altered and refined along the way but

121

00:05:16,130 --> 00:05:14,610

what can be said about the history here

122

00:05:18,200 --> 00:05:16,140

like how did we move from a natural

123

00:05:20,810 --> 00:05:18,210

process that we clearly had for

124

00:05:24,710 --> 00:05:20,820

centuries or we wouldn't be here to such

125

00:05:27,890 --> 00:05:24,720

a cold and clinical system well we have

126

00:05:30,770 --> 00:05:27,900

the Rockefeller let's say the

127

00:05:33,080 --> 00:05:30,780

Rockefeller cartel to thank for this

128

00:05:36,320 --> 00:05:33,090

actually because what they did in the

129

00:05:39,770 --> 00:05:36,330

late 1800s in the early 1900's is they

130

00:05:42,080 --> 00:05:39,780

basically they were philanthropic so

131

00:05:45,140 --> 00:05:42,090

they gave medical schools a bunch of

132

00:05:47,000 --> 00:05:45,150

money and then they said listen we're

133

00:05:49,940 --> 00:05:47,010

giving you all this money we really need

134

00:05:51,920 --> 00:05:49,950

to have our people on your boards to

135

00:05:55,700 --> 00:05:51,930

make sure our money is going to good

136

00:05:59,150 --> 00:05:55,710

places so they basically infiltrated the

137

00:06:02,150 --> 00:05:59,160

medical schools and then change the

138

00:06:05,630 --> 00:06:02,160

whole structure of what medical students

139

00:06:07,460 --> 00:06:05,640

were being taught they also you know

140

00:06:10,820 --> 00:06:07,470

there's a cult and I don't want to go

141

00:06:15,010 --> 00:06:10,830

deep into this Luciferian cult that is

142

00:06:19,030 --> 00:06:15,020

actually of Judaic origin but this cult

143

00:06:22,940 --> 00:06:19,040

bought out all the medical journals and

144

00:06:25,190 --> 00:06:22,950

subsequently started promoting lies in

145

00:06:28,490 --> 00:06:25,200

their medical journals for example lies

146

00:06:32,710 --> 00:06:28,500

about alleged benefits of things like

147

00:06:35,570 --> 00:06:32,720

circumcision so they have been able to

148

00:06:40,070 --> 00:06:35,580

mind-control the population from what we

149

00:06:43,430 --> 00:06:40,080

call science which is totally satanic

150

00:06:45,350 --> 00:06:43,440

from top to bottom what science has been

151
00:06:48,320 --> 00:06:45,360
promoting if we look at what science has

152
00:06:51,320 --> 00:06:48,330
delivered in the form of nuclear weapons

153
00:06:55,190 --> 00:06:51,330
nuclear radiation genetically modified

154
00:07:00,260 --> 00:06:55,200
foods fluoridated water vaccines all of

155
00:07:02,660 --> 00:07:00,270
this extremely harmful stuff has been

156
00:07:06,050 --> 00:07:02,670
coming through the scientific community

157
00:07:08,720 --> 00:07:06,060
which is part of this Luciferian cult

158
00:07:11,780 --> 00:07:08,730
and the medical system is a fundamental

159
00:07:14,500 --> 00:07:11,790
component of this that's also controlled

160
00:07:17,510 --> 00:07:14,510
by the same cult this may be

161
00:07:19,070 --> 00:07:17,520
uncomfortable for people to hear but

162
00:07:19,999 --> 00:07:19,080
understanding that we're dealing with

163
00:07:23,149 --> 00:07:20,009

elusive

164

00:07:26,950 --> 00:07:23,159

Berrien force that has masterminded the

165

00:07:31,029 --> 00:07:26,960

means of mind controlling us and

166

00:07:35,359 --> 00:07:31,039

genetically altering us so that we are

167

00:07:38,029 --> 00:07:35,369

mutants literally we have very little of

168

00:07:41,239 --> 00:07:38,039

our brain capacity actually functioning

169

00:07:44,869 --> 00:07:41,249

and most of our genetic potential is

170

00:07:47,059 --> 00:07:44,879

dormant right they say we use five or

171

00:07:50,059 --> 00:07:47,069

ten percent of our brain potential and

172

00:07:52,760 --> 00:07:50,069

they call this genetic potential junk

173

00:07:55,579 --> 00:07:52,770

junk DNA but I'm here to tell you it's

174

00:07:57,439 --> 00:07:55,589

not junk it's dormant and it's dormant

175

00:08:02,439 --> 00:07:57,449

because we have been genetically

176

00:08:04,730 --> 00:08:02,449

modified through this cult hmmm very

177

00:08:09,679 --> 00:08:04,740

systematic approach that they've taken

178

00:08:12,499 --> 00:08:09,689

to create a mutant and enslaved species

179

00:08:14,089 --> 00:08:12,509

so we're coming out of it now and I want

180

00:08:17,600 --> 00:08:14,099

to sort of give people a heads up that

181

00:08:20,149 --> 00:08:17,610

as you begin the awakening process and

182

00:08:23,059 --> 00:08:20,159

as the mind control begins to break down

183

00:08:25,749 --> 00:08:23,069

which is what this show is bound to

184

00:08:28,010 --> 00:08:25,759

cause okay it can be very

185

00:08:30,860 --> 00:08:28,020

physiologically uncomfortable you can

186

00:08:33,110 --> 00:08:30,870

feel your whole nervous system speeding

187

00:08:35,029 --> 00:08:33,120

up you can feel extremely agitated you

188

00:08:37,639 --> 00:08:35,039

can feel like you don't even want to be

189

00:08:40,459 --> 00:08:37,649

in your own skin as the mind control

190

00:08:44,149 --> 00:08:40,469

begins to break down and I apologize

191

00:08:46,850 --> 00:08:44,159

ahead of time for any discomfort that

192

00:08:49,519 --> 00:08:46,860

what I'm about to share may cause people

193

00:08:50,960 --> 00:08:49,529

because that's really never my intention

194

00:08:52,460 --> 00:08:50,970

I don't want to hurt people I don't want

195

00:08:56,059 --> 00:08:52,470

to upset people I don't want to

196

00:08:58,129 --> 00:08:56,069

traumatize people what I do think needs

197

00:09:01,160 --> 00:08:58,139

to happen and this is why I'm doing this

198

00:09:04,879 --> 00:09:01,170

is that people absolutely need to get

199

00:09:07,129 --> 00:09:04,889

this we have got to understand what's

200

00:09:09,920 --> 00:09:07,139

happening how we're being attacked and

201
00:09:12,319 --> 00:09:09,930
step up to the plate to begin to protect

202
00:09:14,569 --> 00:09:12,329
our children and ourselves but

203
00:09:16,939 --> 00:09:14,579
especially our children because right

204
00:09:20,689 --> 00:09:16,949
now we have been willingly handing our

205
00:09:23,870 --> 00:09:20,699
children over to this Luciferian satanic

206
00:09:26,329 --> 00:09:23,880
system we've been putting ourselves in

207
00:09:29,900 --> 00:09:26,339
our bodies and our children's bodies

208
00:09:33,019 --> 00:09:29,910
into their hands and this is a very very

209
00:09:34,240 --> 00:09:33,029
dangerous thing that we are doing and we

210
00:09:38,230 --> 00:09:34,250
have

211
00:09:40,540 --> 00:09:38,240
get ahold of ourselves well said and of

212
00:09:41,830 --> 00:09:40,550
course here were no strangers to the

213
00:09:44,560 --> 00:09:41,840

analysis of occult

214

00:09:47,230 --> 00:09:44,570

orders comes up all the time but to get

215

00:09:49,330 --> 00:09:47,240

into the stages of the hospital birthing

216

00:09:51,490 --> 00:09:49,340

protocol like you said it seems like

217

00:09:54,280 --> 00:09:51,500

almost everything they do along the way

218

00:09:56,440 --> 00:09:54,290

is essentially an attack so to start at

219

00:09:58,630 --> 00:09:56,450

the beginning with this process I guess

220

00:10:00,670 --> 00:09:58,640

would be the prenatal care you know a

221

00:10:02,560 --> 00:10:00,680

woman finds out she's pregnant she goes

222

00:10:05,680 --> 00:10:02,570

to a doctor and what are some of the

223

00:10:07,410 --> 00:10:05,690

first things that they do that you

224

00:10:09,820 --> 00:10:07,420

really start to take issue with

225

00:10:12,940 --> 00:10:09,830

everything they do I take issue with

226

00:10:15,970 --> 00:10:12,950

every single thing that they do is

227

00:10:17,590 --> 00:10:15,980

harmful let me start by saying that the

228

00:10:20,730 --> 00:10:17,600

main things that we want to get across

229

00:10:24,160 --> 00:10:20,740

today are regarding ultrasound and

230

00:10:26,140 --> 00:10:24,170

prenatal vaccinations there's other

231

00:10:28,690 --> 00:10:26,150

things that are causing concern as well

232

00:10:31,660 --> 00:10:28,700

like the gestational diabetes testing

233

00:10:35,170 --> 00:10:31,670

it's a totally fake diagnosis that's

234

00:10:38,590 --> 00:10:35,180

pushing women to be allow themselves to

235

00:10:40,600 --> 00:10:38,600

be induced the rhogam shot for Rh

236

00:10:43,120 --> 00:10:40,610

negative women all of these things are

237

00:10:47,310 --> 00:10:43,130

incredibly harmful but understanding

238

00:10:50,620 --> 00:10:47,320

that ultrasound okay these ultrasonic

239

00:10:53,620 --> 00:10:50,630

scans that they do it's usually an

240

00:10:57,010 --> 00:10:53,630

average of five for pregnancy right now

241

00:11:00,790 --> 00:10:57,020

and some women are experienced in 10 to

242

00:11:03,910 --> 00:11:00,800

17 ultrasonic scans during a single

243

00:11:07,080 --> 00:11:03,920

pregnancy and this is also combined with

244

00:11:12,330 --> 00:11:07,090

Doppler fetal heart monitors this is all

245

00:11:17,170 --> 00:11:12,340

ultrasonic irradiation it is a radiation

246

00:11:19,780 --> 00:11:17,180

ultrasound is the new x-rays and even

247

00:11:23,290 --> 00:11:19,790

though the medical system will lie

248

00:11:26,140 --> 00:11:23,300

through their teeth and tell you that

249

00:11:29,980 --> 00:11:26,150

ultrasound does not cause the same

250

00:11:32,890 --> 00:11:29,990

damage that x-rays cause I can tell you

251
00:11:35,140 --> 00:11:32,900
with absolute certainty after three

252
00:11:38,410 --> 00:11:35,150
years of very deep research on this

253
00:11:43,270 --> 00:11:38,420
topic but it is having the exact same

254
00:11:48,090 --> 00:11:43,280
effects as x-ray exposure and the

255
00:11:51,920 --> 00:11:48,100
biggest problem with radiation exposure

256
00:11:55,069 --> 00:11:51,930
is that the effects may not show up for

257
00:11:59,730 --> 00:11:55,079
5 10 20 years

258
00:12:01,410 --> 00:11:59,740
hmm so let me give you an example of how

259
00:12:03,930 --> 00:12:01,420
this works with radiation

260
00:12:07,920 --> 00:12:03,940
I'll give you specifically ultrasound

261
00:12:11,340 --> 00:12:07,930
okay they are using ultrasound as a form

262
00:12:15,960 --> 00:12:11,350
of male contraception because they have

263
00:12:18,270 --> 00:12:15,970

known since the 1950s that it stops

264

00:12:22,500 --> 00:12:18,280

sperm production

265

00:12:27,540 --> 00:12:22,510

so two 15-minute blasts to the adult

266

00:12:30,930 --> 00:12:27,550

male scrotum will ensure a minimum of

267

00:12:35,430 --> 00:12:30,940

six months in fertility and the

268

00:12:38,250 --> 00:12:35,440

infertility can be permanent so what do

269

00:12:42,240 --> 00:12:38,260

we think is going to be happening to the

270

00:12:44,310 --> 00:12:42,250

developing testes and ovaries which by

271

00:12:47,430 --> 00:12:44,320

the way ultrasound has also been shown

272

00:12:52,230 --> 00:12:47,440

to alter the structural development of

273

00:12:54,870 --> 00:12:52,240

ovarian and testicular cells so what do

274

00:12:57,570 --> 00:12:54,880

we think is happening is it developing

275

00:13:00,750 --> 00:12:57,580

testes and ovaries of babies in the womb

276

00:13:03,870 --> 00:13:00,760

who are being blasted with ultrasonic

277

00:13:09,330 --> 00:13:03,880

irradiation in order to discover the sec

278

00:13:12,840 --> 00:13:09,340

and we have a situation right now that

279

00:13:16,290 --> 00:13:12,850

has been building since the 1970s which

280

00:13:21,540 --> 00:13:16,300

is when ultrasound was mainstreamed okay

281

00:13:26,970 --> 00:13:21,550

of male infertility since the 1970s and

282

00:13:32,190 --> 00:13:26,980

to this day we now have 60% less sperm

283

00:13:36,090 --> 00:13:32,200

in the male's of the Western world hmm

284

00:13:40,050 --> 00:13:36,100

this is not a coincidence but the thing

285

00:13:43,020 --> 00:13:40,060

is this will not show up until the

286

00:13:45,750 --> 00:13:43,030

babies that have been exposed are of

287

00:13:49,230 --> 00:13:45,760

reproductive age and begins to become

288

00:13:50,620 --> 00:13:49,240

concerned that they're unable to create

289

00:13:52,840 --> 00:13:50,630

a baby

290

00:13:56,829 --> 00:13:52,850

so they will not be making the

291

00:13:58,600 --> 00:13:56,839

connection generally speaking between

292

00:14:01,470 --> 00:13:58,610

what happened to them in the womb and

293

00:14:05,620 --> 00:14:01,480

the fact that they hardly have any sperm

294

00:14:07,749 --> 00:14:05,630

right I mean obviously that's a huge

295

00:14:09,939 --> 00:14:07,759

concern we know the elite have been

296

00:14:11,829 --> 00:14:09,949

talking about depopulation for years and

297

00:14:13,210 --> 00:14:11,839

everybody and the conspiracy world has

298

00:14:16,660 --> 00:14:13,220

been so concerned that there was going

299

00:14:18,610 --> 00:14:16,670

to be some nuclear warfare or some huge

300

00:14:21,009 --> 00:14:18,620

attack something very epic and

301
00:14:22,240 --> 00:14:21,019
in-your-face but why would that be the

302
00:14:24,400 --> 00:14:22,250
case when they could just do these

303
00:14:26,559 --> 00:14:24,410
covert methods and you know you don't

304
00:14:28,120 --> 00:14:26,569
hear it quite as much because maybe it's

305
00:14:30,579 --> 00:14:28,130
already taken care of the depopulation

306
00:14:32,829 --> 00:14:30,589
agenda I mean here it is but you also

307
00:14:36,340 --> 00:14:32,839
have a long list of problems associated

308
00:14:37,360 --> 00:14:36,350
with ultrasound for the baby can you

309
00:14:39,610 --> 00:14:37,370
talk to us about some of those other

310
00:14:42,100 --> 00:14:39,620
negative side effects beyond just the

311
00:14:45,519 --> 00:14:42,110
infertility let me just back up for a

312
00:14:49,360 --> 00:14:45,529
second and say ultrasound is a nuclear

313
00:14:52,300 --> 00:14:49,370

attack okay this this is atomic

314

00:14:56,850 --> 00:14:52,310

radiation in other words this involves

315

00:15:00,730 --> 00:14:56,860

the blasting a part of atomic atoms

316

00:15:02,769 --> 00:15:00,740

okay atoms inside of crystals that's how

317

00:15:06,280 --> 00:15:02,779

they produce the ultrasound is by

318

00:15:09,400 --> 00:15:06,290

bombarding crystals with electricity and

319

00:15:12,460 --> 00:15:09,410

causing the atoms within the crystals

320

00:15:14,559 --> 00:15:12,470

the electrons that are circling around

321

00:15:16,900 --> 00:15:14,569

the nucleus get blown out of their

322

00:15:19,269 --> 00:15:16,910

orbits through these electrical attacks

323

00:15:21,569 --> 00:15:19,279

it's the exact same thing that they are

324

00:15:24,970 --> 00:15:21,579

using to create artificial radiation

325

00:15:29,139 --> 00:15:24,980

man-made radiation this is all an atomic

326

00:15:32,800 --> 00:15:29,149

attack hmm meaning they're attacking the

327

00:15:35,590 --> 00:15:32,810

basic building blocks of our universe

328

00:15:38,530 --> 00:15:35,600

the foundational building blocks of our

329

00:15:41,590 --> 00:15:38,540

universe to create this man-made

330

00:15:45,590 --> 00:15:41,600

radiation fair enough all right let me

331

00:15:49,310 --> 00:15:45,600

leave it at that it's a very dark

332

00:15:51,080 --> 00:15:49,320

dark world and it's very strongly

333

00:15:53,390 --> 00:15:51,090

orchestrated so coming back to your

334

00:15:56,390 --> 00:15:53,400

second question which involves all the

335

00:15:58,310 --> 00:15:56,400

other things that this causes one of the

336

00:16:01,420 --> 00:15:58,320

main things that really should get

337

00:16:05,260 --> 00:16:01,430

across well two things when you could a

338

00:16:08,270 --> 00:16:05,270

cell a DNA molecule

339

00:16:11,570 --> 00:16:08,280

happens is that the DNA creates a

340

00:16:16,580 --> 00:16:11,580

beautiful symphony of sound it's like an

341

00:16:21,290 --> 00:16:16,590

orchestra of sound when you then expose

342

00:16:23,930 --> 00:16:21,300

the water to ultrasound and by the way

343

00:16:26,720 --> 00:16:23,940

ultrasound has to be carried through a

344

00:16:31,220 --> 00:16:26,730

medium like water or like the amniotic

345

00:16:35,000 --> 00:16:31,230

cell okay when you expose that water to

346

00:16:38,300 --> 00:16:35,010

ultrasound the DNA stops producing this

347

00:16:44,930 --> 00:16:38,310

beautiful melody and puts out a

348

00:16:48,680 --> 00:16:44,940

monotonous drone one monotonous sound so

349

00:16:52,340 --> 00:16:48,690

we have at least one Russian scientists

350

00:16:55,580 --> 00:16:52,350

making the comment that the genetic

351
00:16:59,380 --> 00:16:55,590
information in this DNA has been

352
00:17:02,290 --> 00:16:59,390
completely deactivated from one exposure

353
00:17:04,600 --> 00:17:02,300
to ultrasound

354
00:17:06,460 --> 00:17:04,610
and he made the comment that oh my god

355
00:17:09,550 --> 00:17:06,470
you know we have no healthy children

356
00:17:11,949 --> 00:17:09,560
left because virtually all of them in

357
00:17:14,800 --> 00:17:11,959
the Western world certainly have been

358
00:17:20,560 --> 00:17:14,810
exposed to ultrasonic irradiation in

359
00:17:23,079 --> 00:17:20,570
uterus this deeply affects the DNA it's

360
00:17:26,970 --> 00:17:23,089
deeply affecting the mitochondria inside

361
00:17:30,940 --> 00:17:26,980
of the DNA and when the mitochondria

362
00:17:34,930 --> 00:17:30,950
begin to deform or become dysfunctional

363
00:17:37,120 --> 00:17:34,940

because of irradiation this affects

364

00:17:40,590 --> 00:17:37,130

oregon development it affects many many

365

00:17:43,450 --> 00:17:40,600

aspects of the development of a baby

366

00:17:45,970 --> 00:17:43,460

which could show up in multiple ways

367

00:17:49,090 --> 00:17:45,980

right on your website you have a pretty

368

00:17:53,650 --> 00:17:49,100

lengthy list of things like from birth

369

00:17:56,590 --> 00:17:53,660

defects autism to low IQ to even like

370

00:17:59,200 --> 00:17:56,600

leukemia and I'm just curious cuz with a

371

00:18:01,990 --> 00:17:59,210

culture so full of problems diet

372

00:18:04,810 --> 00:18:02,000

nutrition drugs chemicals how can we

373

00:18:06,460 --> 00:18:04,820

really peg all this to the ultrasound

374

00:18:08,680 --> 00:18:06,470

itself can you tell us a little bit more

375

00:18:10,030 --> 00:18:08,690

about where that data comes from for

376

00:18:13,120 --> 00:18:10,040

people who might be a little skeptical

377

00:18:14,980 --> 00:18:13,130

well ask me about a specific one you

378

00:18:18,010 --> 00:18:14,990

know as which thing are you interested

379

00:18:20,860 --> 00:18:18,020

in and I how about autism for starters

380

00:18:25,840 --> 00:18:20,870

okay with autism what we have happening

381

00:18:29,740 --> 00:18:25,850

and with ultrasonic exposure is the

382

00:18:33,280 --> 00:18:29,750

neurons in the brain and first of all I

383

00:18:36,570 --> 00:18:33,290

just explained that mitochondria can be

384

00:18:39,010 --> 00:18:36,580

damaged inside of the DNA okay

385

00:18:41,460 --> 00:18:39,020

mitochondrial damage also leads to

386

00:18:45,330 --> 00:18:41,470

neuronal death

387

00:18:49,860 --> 00:18:45,340

alright neurons when you expose a brain

388

00:18:54,509 --> 00:18:49,870

to ultrasound neurons that are intended

389

00:18:57,889 --> 00:18:54,519

to make it into the cortex to generate

390

00:19:01,860 --> 00:18:57,899

cortical development do not get there

391

00:19:05,909 --> 00:19:01,870

they are trapped in the lower levels of

392

00:19:09,240 --> 00:19:05,919

the brain which means that the cortex is

393

00:19:11,399 --> 00:19:09,250

not going to develop properly and the

394

00:19:14,399 --> 00:19:11,409

cortex is the part of our brain that

395

00:19:17,759 --> 00:19:14,409

allows us to develop language it allows

396

00:19:20,460 --> 00:19:17,769

us to analyze the world around us it

397

00:19:22,799 --> 00:19:20,470

allows us to control our impulses and to

398

00:19:25,080 --> 00:19:22,809

ask the question of whether or not it's

399

00:19:28,860 --> 00:19:25,090

an appropriate time to get violent or

400

00:19:30,869 --> 00:19:28,870

you know am i okay to not get violent

401
00:19:33,690 --> 00:19:30,879
here it's it's the part of our brain

402
00:19:35,940 --> 00:19:33,700
that helps us regulate our behavior it's

403
00:19:38,759 --> 00:19:35,950
also the part of our brain that allows

404
00:19:43,350 --> 00:19:38,769
us to communicate with the divine mind

405
00:19:46,230 --> 00:19:43,360
and to receive information from source

406
00:19:49,680 --> 00:19:46,240
consciousness so we are directly

407
00:19:52,619 --> 00:19:49,690
interfering with cortical development we

408
00:19:57,139 --> 00:19:52,629
are directly interfering with the

409
00:19:59,780 --> 00:19:57,149
creation of apoptosis of cell death of

410
00:20:02,330 --> 00:19:59,790
neuronal death

411
00:20:05,750 --> 00:20:02,340
there's massive ways that this is

412
00:20:08,420 --> 00:20:05,760
causing brain damage and autism of

413
00:20:12,380 --> 00:20:08,430

course I would say about ultrasound that

414

00:20:13,310 --> 00:20:12,390

it is the first precursor to autism so

415

00:20:16,250 --> 00:20:13,320

I'm not going to tell you that

416

00:20:18,950 --> 00:20:16,260

ultrasound is responsible for the autism

417

00:20:21,230 --> 00:20:18,960

epidemic because something else people

418

00:20:25,100 --> 00:20:21,240

should know is that ultrasound opens up

419

00:20:28,310 --> 00:20:25,110

the blood-brain barrier okay so when you

420

00:20:30,910 --> 00:20:28,320

take a pregnant woman and you expose her

421

00:20:35,570 --> 00:20:30,920

to ultrasound and then inject her with

422

00:20:39,950 --> 00:20:35,580

prenatal vaccines we now have a direct

423

00:20:42,920 --> 00:20:39,960

route into the brain of that baby for

424

00:20:45,920 --> 00:20:42,930

the vaccine toxins because the

425

00:20:50,300 --> 00:20:45,930

blood-brain barrier has been opened

426
00:20:52,580 --> 00:20:50,310
through the ultrasound hmm radiation in

427
00:20:55,400 --> 00:20:52,590
general breaks down the blood-brain

428
00:20:57,830 --> 00:20:55,410
barrier which allows toxins that would

429
00:21:01,070 --> 00:20:57,840
never otherwise get to the brain get to

430
00:21:02,990 --> 00:21:01,080
the brain okay so there's a number of

431
00:21:06,980 --> 00:21:03,000
things that are happening at the same

432
00:21:11,540 --> 00:21:06,990
time to generate autism vaccines are a

433
00:21:14,360 --> 00:21:11,550
huge contributor right right that's the

434
00:21:15,800 --> 00:21:14,370
one we usually hear yes and because so

435
00:21:18,440 --> 00:21:15,810
many parents have witnessed their

436
00:21:22,550 --> 00:21:18,450
children regressing immediately into

437
00:21:25,100 --> 00:21:22,560
autism or dying within hours or days of

438
00:21:28,130 --> 00:21:25,110

receiving a vaccine caused by

439

00:21:30,980 --> 00:21:28,140

encephalitis or brain swelling so

440

00:21:33,290 --> 00:21:30,990

vaccines are a huge culprit but when we

441

00:21:36,290 --> 00:21:33,300

think about autism we have to think

442

00:21:39,320 --> 00:21:36,300

about the inability of these children to

443

00:21:42,200 --> 00:21:39,330

be able to bond properly to be able to

444

00:21:46,760 --> 00:21:42,210

connect on a human level through eye

445

00:21:48,380 --> 00:21:46,770

contact through emotional contact and we

446

00:21:50,300 --> 00:21:48,390

have a series of things that are

447

00:21:52,040 --> 00:21:50,310

contributing to this and hopefully we'll

448

00:21:55,340 --> 00:21:52,050

have time to talk about each but let me

449

00:21:57,500 --> 00:21:55,350

let me say very quickly okay we have

450

00:22:00,730 --> 00:21:57,510

ultrasound vaccines and pregnancy

451
00:22:06,560 --> 00:22:00,740
induction that includes the use of

452
00:22:09,510 --> 00:22:06,570
pitocin pitocin being synthetic oxytocin

453
00:22:13,260 --> 00:22:09,520
oxytocin in its natural form being the

454
00:22:15,830 --> 00:22:13,270
primary bonding agent that allows babies

455
00:22:18,660 --> 00:22:15,840
and mothers and fathers to bond and

456
00:22:23,490 --> 00:22:18,670
experience love for each other at birth

457
00:22:25,170 --> 00:22:23,500
that hormone will not be circulating

458
00:22:27,860 --> 00:22:25,180
through the mother's system properly

459
00:22:30,510 --> 00:22:27,870
because of the introduction of pitocin

460
00:22:33,510 --> 00:22:30,520
into the bloodstream which tricks the

461
00:22:36,420 --> 00:22:33,520
brain okay and stops the production of

462
00:22:40,800 --> 00:22:36,430
natural oxytocin or undermines it

463
00:22:44,360 --> 00:22:40,810

severely blocking bonding and destroying

464

00:22:47,150 --> 00:22:44,370

the babies oxytocin receptor sites

465

00:22:51,030 --> 00:22:47,160

they're damaging the babies for life

466

00:22:54,420 --> 00:22:51,040

because lack of oxytocin at birth okay

467

00:22:56,580 --> 00:22:54,430

this is followed by epidural which also

468

00:22:58,860 --> 00:22:56,590

trips the mother's brain so that she's

469

00:23:00,540 --> 00:22:58,870

not producing the opiates and beta

470

00:23:03,420 --> 00:23:00,550

endorphins and all of these beautiful

471

00:23:05,760 --> 00:23:03,430

things that will also create powerful

472

00:23:08,310 --> 00:23:05,770

bonding in a powerful experience of

473

00:23:11,610 --> 00:23:08,320

well-being and love okay

474

00:23:14,670 --> 00:23:11,620

followed by cesarean section which also

475

00:23:17,220 --> 00:23:14,680

interferes with bonding followed by cord

476

00:23:20,220 --> 00:23:17,230

clamping which cuts off the baby's

477

00:23:21,060 --> 00:23:20,230

oxygen supply causing further brain

478

00:23:24,150 --> 00:23:21,070

damage

479

00:23:28,380 --> 00:23:24,160

followed by eye alignments which also

480

00:23:31,350 --> 00:23:28,390

block bonding eye contact is critical

481

00:23:33,360 --> 00:23:31,360

for the activation of the brain to

482

00:23:35,640 --> 00:23:33,370

produce the neurochemicals of love and

483

00:23:38,820 --> 00:23:35,650

bonding they are blocking it with the

484

00:23:42,060 --> 00:23:38,830

eye ointment followed by newborn hats

485

00:23:45,000 --> 00:23:42,070

that are blocking the ability of parents

486

00:23:47,940 --> 00:23:45,010

to smell the pheromones coming off the

487

00:23:50,820 --> 00:23:47,950

baby's head which also activate the

488

00:23:54,560 --> 00:23:50,830

brains of the parents to fall in love

489

00:23:58,190 --> 00:23:54,570

and identify their child followed by

490

00:24:00,360 --> 00:23:58,200

swaddling and followed by circumcision

491

00:24:03,600 --> 00:24:00,370

swaddling as a form of torture

492

00:24:07,550 --> 00:24:03,610

unbelievable torture and circumcision is

493

00:24:10,500 --> 00:24:07,560

the absolute most unbelievable

494

00:24:14,310 --> 00:24:10,510

disgusting attack that we could ever

495

00:24:17,010 --> 00:24:14,320

conceive of strapping an infant to a

496

00:24:19,500 --> 00:24:17,020

torture board literally strapping his

497

00:24:20,340 --> 00:24:19,510

arms and his legs to a torture board so

498

00:24:22,860 --> 00:24:20,350

that all he can

499

00:24:26,279 --> 00:24:22,870

do is move his head sometimes shoving a

500

00:24:29,480 --> 00:24:26,289

pacifier in his mouth so he's choking on

501
00:24:32,549 --> 00:24:29,490
his screams while you systematically Jam

502
00:24:36,389 --> 00:24:32,559
sorry I get really intense about this

503
00:24:38,820 --> 00:24:36,399
because it is outrageous it is that we

504
00:24:41,220 --> 00:24:38,830
have not seen this and parents are

505
00:24:43,230 --> 00:24:41,230
handing their babies over but while you

506
00:24:47,340 --> 00:24:43,240
and your baby over for this while they

507
00:24:50,220 --> 00:24:47,350
Jam a sharp metal instrument into his

508
00:24:53,360 --> 00:24:50,230
penis sticking it in between the

509
00:24:57,240 --> 00:24:53,370
foreskin which is attached to the glans

510
00:25:00,919 --> 00:24:57,250
jamming it in there and then ripping the

511
00:25:06,029 --> 00:25:00,929
foreskin off of the glans of the penis

512
00:25:09,930 --> 00:25:06,039
without that aesthetic 96% of the time

513
00:25:14,310 --> 00:25:09,940

the babies are given nothing

514

00:25:16,770 --> 00:25:14,320

zero man yeah it's definitely dark stuff

515

00:25:18,660 --> 00:25:16,780

and that is a great overview of most of

516

00:25:22,200 --> 00:25:18,670

those major points I do want to dig

517

00:25:24,840 --> 00:25:22,210

deeper into them you know as we can but

518

00:25:26,520 --> 00:25:24,850

to get back to the ultrasound thing let

519

00:25:28,770 --> 00:25:26,530

me say one thing before we move on back

520

00:25:32,820 --> 00:25:28,780

to ultrasound I do believe the reason

521

00:25:35,610 --> 00:25:32,830

boys are becoming autistic so much more

522

00:25:38,810 --> 00:25:35,620

than girls is because of the extreme

523

00:25:40,920 --> 00:25:38,820

brain damage that is being caused by

524

00:25:41,580 --> 00:25:40,930

circumcision well you could say it's

525

00:25:43,190 --> 00:25:41,590

trauma

526

00:25:46,260 --> 00:25:43,200

it causes I've heard you talk about

527

00:25:49,890 --> 00:25:46,270

disassociation which could contribute to

528

00:25:51,960 --> 00:25:49,900

those kind of neurological issues yes

529

00:25:54,540 --> 00:25:51,970

and babies that are capable of

530

00:25:56,730 --> 00:25:54,550

dissociating not all babies do this

531

00:25:59,610 --> 00:25:56,740

that's something I people should

532

00:26:02,280 --> 00:25:59,620

understand is those who are involved in

533

00:26:04,700 --> 00:26:02,290

trauma-based mind control are looking

534

00:26:07,080 --> 00:26:04,710

for the children who can dissociate

535

00:26:08,850 --> 00:26:07,090

because those are the ones those are the

536

00:26:12,390 --> 00:26:08,860

ones that can be tortured again and

537

00:26:15,780 --> 00:26:12,400

again without dying interesting yeah

538

00:26:18,600 --> 00:26:15,790

very dark not all these can disassociate

539

00:26:20,490 --> 00:26:18,610

but it can dissociate but ultrasound is

540

00:26:23,640 --> 00:26:20,500

also causing babies to dissociate

541

00:26:25,650 --> 00:26:23,650

there's a lot going on this is a lot

542

00:26:28,410 --> 00:26:25,660

going on right and certainly certainly

543

00:26:33,450 --> 00:26:28,420

with circumcision boys are being pushed

544

00:26:35,610 --> 00:26:33,460

to dissociate man it is quite a bit of

545

00:26:37,590 --> 00:26:35,620

stuff and another point I just wanted to

546

00:26:39,990 --> 00:26:37,600

make about the ultrasound is that you

547

00:26:42,060 --> 00:26:40,000

know I've heard so many times

548

00:26:43,500 --> 00:26:42,070

doctors tell pregnant women not to get

549

00:26:46,110 --> 00:26:43,510

into a hot tub or something because

550

00:26:48,720 --> 00:26:46,120

their stomach and incubator is so

551

00:26:51,420 --> 00:26:48,730

sensitive to heat but I've also heard

552

00:26:54,030 --> 00:26:51,430

you talk about how ultrasound can cook

553

00:26:57,030 --> 00:26:54,040

an egg inside of a shell or it could in

554

00:27:00,120 --> 00:26:57,040

the case of using it on a womb can cause

555

00:27:03,090 --> 00:27:00,130

burning on the bone I mean that is

556

00:27:05,720 --> 00:27:03,100

pretty nutty stuff and especially if

557

00:27:08,520 --> 00:27:05,730

that's true the trauma that it causes

558

00:27:11,000 --> 00:27:08,530

that kind of imprinting is not good

559

00:27:13,770 --> 00:27:11,010

because we know that babies are sort of

560

00:27:16,350 --> 00:27:13,780

environmentally prepared before they

561

00:27:19,020 --> 00:27:16,360

even come out of the mother and you know

562

00:27:21,210 --> 00:27:19,030

you're kind of setting the kid up for an

563

00:27:23,580 --> 00:27:21,220

environment of torture you're setting

564

00:27:25,919 --> 00:27:23,590

that life up to think that

565

00:27:27,360 --> 00:27:25,929

everything is going to just be putting

566

00:27:29,940 --> 00:27:27,370

it through the wringer from the

567

00:27:32,009 --> 00:27:29,950

ultrasounds to the circumcision it is

568

00:27:34,830 --> 00:27:32,019

not a good way to start life you know

569

00:27:37,950 --> 00:27:34,840

jamming ten needles into it for all

570

00:27:40,830 --> 00:27:37,960

these various vaccines is pretty dark

571

00:27:43,169 --> 00:27:40,840

stuff for sure and I guess I would ask

572

00:27:45,090 --> 00:27:43,179

you is there any kind of control culture

573

00:27:47,430 --> 00:27:45,100

that we can look at you know a culture

574

00:27:49,529 --> 00:27:47,440

of course that doesn't use ultrasounds

575

00:27:52,889 --> 00:27:49,539

and have these practices that we could

576

00:27:57,149 --> 00:27:52,899

compare our Western stats to theirs to

577

00:27:59,310 --> 00:27:57,159

see all this damage in the data well my

578

00:28:01,080 --> 00:27:59,320

book which I've changed the name it's

579

00:28:04,109 --> 00:28:01,090

going to simply be called the dark side

580

00:28:07,379 --> 00:28:04,119

of prenatal ultrasound will lay out I

581

00:28:10,799 --> 00:28:07,389

mean many many hundreds of studies that

582

00:28:13,259 --> 00:28:10,809

are pointing to the damage being done by

583

00:28:15,629 --> 00:28:13,269

ultrasound you've got and not just

584

00:28:18,389 --> 00:28:15,639

ultrasound it's all the things that that

585

00:28:22,350 --> 00:28:18,399

are adding up together but ultrasound is

586

00:28:24,720 --> 00:28:22,360

a huge huge contributor to the health

587

00:28:27,330 --> 00:28:24,730

issues that we're seeing in children

588

00:28:30,450 --> 00:28:27,340

today it's becoming more and more

589

00:28:32,580 --> 00:28:30,460

difficult to look for a society where

590

00:28:35,009 --> 00:28:32,590

they're not using ultrasound and this is

591

00:28:37,139 --> 00:28:35,019

part of their game okay now we're not

592

00:28:39,060 --> 00:28:37,149

going to have any comparison to another

593

00:28:41,310 --> 00:28:39,070

culture because the babies all around

594

00:28:44,730 --> 00:28:41,320

the world are being exposed to this and

595

00:28:48,389 --> 00:28:44,740

are going to become equally sick but if

596

00:28:51,239 --> 00:28:48,399

you look at the damage to the children

597

00:28:54,930 --> 00:28:51,249

in the United States alone not just with

598

00:28:57,690 --> 00:28:54,940

autism okay when I was a child I'm sixty

599

00:29:00,440 --> 00:28:57,700

now we didn't have any autistic kids I

600

00:29:04,379 --> 00:29:00,450

don't remember a single autistic child

601
00:29:08,820 --> 00:29:04,389
hmm okay now you cannot walk into a

602
00:29:12,480 --> 00:29:08,830
classroom ask any teacher without having

603
00:29:14,580 --> 00:29:12,490
several children on the spectrum quote

604
00:29:18,710 --> 00:29:14,590
unquote

605
00:29:21,930 --> 00:29:18,720
okay children have allergies asthma

606
00:29:23,940 --> 00:29:21,940
right all kinds of allergies to foods

607
00:29:27,830 --> 00:29:23,950
and different things like that they're

608
00:29:31,169 --> 00:29:27,840
having very serious health problems that

609
00:29:35,789 --> 00:29:31,179
we did not see neurological damage

610
00:29:38,909 --> 00:29:35,799
seizures blood disorders cancers

611
00:29:41,909 --> 00:29:38,919
all right you spoke earlier about the

612
00:29:42,629 --> 00:29:41,919
heating and especially the heating of

613
00:29:49,019 --> 00:29:42,639

bone

614

00:29:52,529 --> 00:29:49,029

much more well ultrasound causes massive

615

00:29:56,399 --> 00:29:52,539

heating okay up to 10 degrees the

616

00:30:00,090 --> 00:29:56,409

amniotic sac can go that warm which will

617

00:30:02,690 --> 00:30:00,100

cause damage to the developing baby in

618

00:30:05,789 --> 00:30:02,700

terms of the bones they are crystals

619

00:30:10,289 --> 00:30:05,799

alright the bones will begin to resonate

620

00:30:14,609 --> 00:30:10,299

with the frequencies the extremely

621

00:30:16,379 --> 00:30:14,619

intense frequencies of ultrasound when

622

00:30:19,830 --> 00:30:16,389

they are exposed to ultrasound

623

00:30:23,310 --> 00:30:19,840

irradiation there are crystals inside of

624

00:30:24,869 --> 00:30:23,320

that ultrasound transducer that are

625

00:30:28,409 --> 00:30:24,879

being tortured they're being

626

00:30:31,919 --> 00:30:28,419

electronically tortured the crystals are

627

00:30:34,399 --> 00:30:31,929

morphing and deforming and as they morph

628

00:30:37,049 --> 00:30:34,409

into form they push and call the air

629

00:30:39,930 --> 00:30:37,059

around them which causes what they're

630

00:30:43,169 --> 00:30:39,940

what they've termed ultrasound it's a

631

00:30:45,029 --> 00:30:43,179

crystal screaming basically but the same

632

00:30:48,210 --> 00:30:45,039

thing is happening to the crystals in

633

00:30:50,850 --> 00:30:48,220

our body they are also morphing and

634

00:30:53,100 --> 00:30:50,860

deforming so are we really surprised

635

00:30:56,720 --> 00:30:53,110

that we're seeing bone cancers or things

636

00:31:00,180 --> 00:30:56,730

like leukemia in very large numbers in

637

00:31:03,509 --> 00:31:00,190

children younger than 3 while we really

638

00:31:06,749 --> 00:31:03,519

surprised to see that there's so much

639

00:31:09,379 --> 00:31:06,759

hearing damage when there's crystals

640

00:31:12,889 --> 00:31:09,389

inside of our ears

641

00:31:15,319 --> 00:31:12,899

there are also morphing and deforming in

642

00:31:18,069 --> 00:31:15,329

response to their resonating with the

643

00:31:19,430 --> 00:31:18,079

crystals in the ultrasound transducer

644

00:31:23,329 --> 00:31:19,440

Wow

645

00:31:26,629 --> 00:31:23,339

it's unbelievable it's unbelievable that

646

00:31:28,129 --> 00:31:26,639

nobody I mean it's like the elephants

647

00:31:30,499 --> 00:31:28,139

sitting in the middle of the living room

648

00:31:34,489 --> 00:31:30,509

and nobody's willing to look at it come

649

00:31:37,459 --> 00:31:34,499

on write some pop is the hearing damage

650

00:31:41,989 --> 00:31:37,469

also started in the 1970s isn't that a

651
00:31:44,149 --> 00:31:41,999
coincidence mm-hmm so to get to the next

652
00:31:46,579 --> 00:31:44,159
step so we got prenatal drugs of course

653
00:31:48,560 --> 00:31:46,589
we know those are no good ultrasounds

654
00:31:50,869 --> 00:31:48,570
are seeming increasingly dangerous and

655
00:31:52,759 --> 00:31:50,879
then if we get to the birth itself I

656
00:31:53,930 --> 00:31:52,769
think you know the first thing we should

657
00:31:55,749 --> 00:31:53,940
talk about is what you mentioned

658
00:31:59,899 --> 00:31:55,759
induction and I've heard you talk about

659
00:32:02,539 --> 00:31:59,909
induction as initiation into a call that

660
00:32:03,829 --> 00:32:02,549
they specifically use that word for a

661
00:32:06,709 --> 00:32:03,839
reason and earlier you mentioned

662
00:32:08,299 --> 00:32:06,719
spiritual systems that you know we

663
00:32:10,310 --> 00:32:08,309

aren't even aware of that are being

664

00:32:12,399 --> 00:32:10,320

damaged and affected but what can be

665

00:32:15,019 --> 00:32:12,409

said about inducing labor

666

00:32:18,109 --> 00:32:15,029

well induction is a word that people

667

00:32:20,329 --> 00:32:18,119

should be conscious of because it is a

668

00:32:22,639 --> 00:32:20,339

word that's used when we speak about

669

00:32:26,409 --> 00:32:22,649

being inducted into the military or

670

00:32:30,979 --> 00:32:26,419

inducted into the police academy or

671

00:32:33,460 --> 00:32:30,989

inducted into a cult a cult that is in

672

00:32:38,820 --> 00:32:33,470

service to the dark side

673

00:32:41,680 --> 00:32:38,830

okay that is what is happening when we

674

00:32:45,269 --> 00:32:41,690

acquiesce to the induction of labour our

675

00:32:48,120 --> 00:32:45,279

baby is being initiated into a

676
00:32:51,480 --> 00:32:48,130
Luciferian order

677
00:32:54,690 --> 00:32:51,490
that is that runs the medical system and

678
00:32:59,570 --> 00:32:54,700
that basically runs our entire society

679
00:33:02,580 --> 00:32:59,580
at this point but what induction is is

680
00:33:05,280 --> 00:33:02,590
forcing the baby out of the womb before

681
00:33:09,510 --> 00:33:05,290
it's ready to be born okay

682
00:33:12,480 --> 00:33:09,520
so babies in a natural birth are the

683
00:33:15,420 --> 00:33:12,490
ones that initiate labor they are the

684
00:33:17,910 --> 00:33:15,430
ones that signaled a mother's body that

685
00:33:19,470 --> 00:33:17,920
they're ready to be born and then the

686
00:33:23,430 --> 00:33:19,480
mother will begin producing the

687
00:33:25,410 --> 00:33:23,440
neurochemicals of birth so in a in a

688
00:33:30,030 --> 00:33:25,420

beautiful world the one that the Creator

689

00:33:32,670 --> 00:33:30,040

has given us the baby has dominion over

690

00:33:36,529 --> 00:33:32,680

the timing of its birth and the baby

691

00:33:39,589 --> 00:33:36,539

knows when that time is

692

00:33:43,029 --> 00:33:39,599

however they are usurping the baby's

693

00:33:48,909 --> 00:33:43,039

control over the timing of its birth

694

00:33:53,209 --> 00:33:48,919

mm-hmm they are imposing a mental idea

695

00:33:57,349 --> 00:33:53,219

that the baby has no control over its

696

00:34:00,499 --> 00:33:57,359

life that they are the ones who we will

697

00:34:03,999 --> 00:34:00,509

be controlling its destiny right okay

698

00:34:06,589 --> 00:34:04,009

this is a very subtle unconscious thing

699

00:34:10,419 --> 00:34:06,599

but induction is going to have this

700

00:34:14,359 --> 00:34:10,429

effect on top of which induction is

701
00:34:16,899 --> 00:34:14,369
created through extreme violence to the

702
00:34:20,269 --> 00:34:16,909
baby all right everything that they do

703
00:34:20,809 --> 00:34:20,279
for an induction let me go through this

704
00:34:23,210 --> 00:34:20,819
okay

705
00:34:25,760 --> 00:34:23,220
amniotic

706
00:34:28,849 --> 00:34:25,770
many atoms is the breaking of the waters

707
00:34:32,510 --> 00:34:28,859
the breaking of the amniotic sac that

708
00:34:35,419 --> 00:34:32,520
beautiful watery oceanic SEC that

709
00:34:38,059 --> 00:34:35,429
surrounds the baby happens to be there

710
00:34:41,180 --> 00:34:38,069
in order to protect the baby from the

711
00:34:44,899 --> 00:34:41,190
intensity of contractions so when you

712
00:34:48,260 --> 00:34:44,909
break it the baby is going to be feeling

713
00:34:50,109 --> 00:34:48,270

the intensity of contractions much more

714

00:34:53,190 --> 00:34:50,119

that's number one

715

00:34:55,829 --> 00:34:53,200

okay number two

716

00:35:00,270 --> 00:34:55,839

fetal heart monitors as soon as you say

717

00:35:01,859 --> 00:35:00,280

yes to pitocin and induction and we're

718

00:35:04,920 --> 00:35:01,869

going to get to pitocin because it's a

719

00:35:07,559 --> 00:35:04,930

major problem they're going to put these

720

00:35:10,160 --> 00:35:07,569

women on fetal heart monitors the ones

721

00:35:12,400 --> 00:35:10,170

that go around the belly are using

722

00:35:15,250 --> 00:35:12,410

ultrasound

723

00:35:18,130 --> 00:35:15,260

so the baby is going to be exposed to

724

00:35:21,760 --> 00:35:18,140

ultra sound frequencies which the baby

725

00:35:24,460 --> 00:35:21,770

can hear okay to the baby it is like

726

00:35:27,970 --> 00:35:24,470

standing in a subway station when the

727

00:35:29,500 --> 00:35:27,980

trains are rolling in these frequencies

728

00:35:32,770 --> 00:35:29,510

can go up to a hundred and twenty

729

00:35:35,920 --> 00:35:32,780

decibels and we wonder why there's

730

00:35:37,720 --> 00:35:35,930

hearing problems also it's like standing

731

00:35:41,770 --> 00:35:37,730

next to them you know somebody with a

732

00:35:43,600 --> 00:35:41,780

chainsaw hmm alright so babies are

733

00:35:45,340 --> 00:35:43,610

hearing these frequencies they're being

734

00:35:47,070 --> 00:35:45,350

blasted with the radiation they're

735

00:35:50,760 --> 00:35:47,080

burning up

736

00:35:53,100 --> 00:35:50,770

throughout the entire labor and that's

737

00:35:55,200 --> 00:35:53,110

just if they're using the external fetal

738

00:35:57,090 --> 00:35:55,210

heart monitors in some cases they're

739

00:36:01,380 --> 00:35:57,100

gonna use an internal fetal heart

740

00:36:04,710 --> 00:36:01,390

monitor during which a middle probe will

741

00:36:07,800 --> 00:36:04,720

be screwed into the baby's head right I

742

00:36:09,870 --> 00:36:07,810

thought that was really like so over the

743

00:36:12,830 --> 00:36:09,880

top I had a hard time believing it and I

744

00:36:16,670 --> 00:36:12,840

looked it up and that really does happen

745

00:36:19,410 --> 00:36:16,680

yes look up electronic fetal probes

746

00:36:22,240 --> 00:36:19,420

take a look at these screws that they're

747

00:36:24,400 --> 00:36:22,250

putting in your baby's head

748

00:36:27,670 --> 00:36:24,410

that they're sticking their hands up

749

00:36:30,520 --> 00:36:27,680

into the bodies of labouring women which

750

00:36:34,099 --> 00:36:30,530

is incredibly painful dangerous in terms

751

00:36:37,849 --> 00:36:34,109

of infection and damaging

752

00:36:41,690 --> 00:36:37,859

and screwing a metal probe into the

753

00:36:44,120 --> 00:36:41,700

baby's head while it's in the womb what

754

00:36:46,460 --> 00:36:44,130

a welcoming right so now we've got the

755

00:36:48,589 --> 00:36:46,470

ante otta me which makes room for them

756

00:36:51,410 --> 00:36:48,599

to put this probe in the sand the baby

757

00:36:54,620 --> 00:36:51,420

said okay and then we're going to

758

00:36:56,029 --> 00:36:54,630

introduce something like cytotec cytotec

759

00:36:59,059 --> 00:36:56,039

is a drug that they're going to say

760

00:37:01,519 --> 00:36:59,069

ripens the cervix it basically causes a

761

00:37:03,650 --> 00:37:01,529

miscarriage state so that your your

762

00:37:05,989 --> 00:37:03,660

cervix will open up in the baby will

763

00:37:10,519 --> 00:37:05,999

ideally just fall right out

764

00:37:14,000 --> 00:37:10,529

however cytotec is an ulcer drug that is

765

00:37:17,470 --> 00:37:14,010

being used against label

766

00:37:20,660 --> 00:37:17,480

by the medical system which label

767

00:37:22,910 --> 00:37:20,670

specifically says should not be used on

768

00:37:26,000 --> 00:37:22,920

pregnant women because it can cause

769

00:37:30,010 --> 00:37:26,010

uterine hyperstimulation and uterine

770

00:37:32,630 --> 00:37:30,020

rupture uterine hyperstimulation meaning

771

00:37:36,650 --> 00:37:32,640

the uterus is going to be turned into a

772

00:37:38,420 --> 00:37:36,660

trash compactor instead of a an organ

773

00:37:41,410 --> 00:37:38,430

which is designed to help the baby get

774

00:37:44,390 --> 00:37:41,420

born it's going to crush the baby guys

775

00:37:46,370 --> 00:37:44,400

that's you're in hyperstimulation it's

776

00:37:49,280 --> 00:37:46,380

going to cut off the baby's oxygen

777

00:37:52,190 --> 00:37:49,290

supply it's going to put the baby into

778

00:37:54,440 --> 00:37:52,200

fetal distress or it'll rupture the

779

00:37:56,510 --> 00:37:54,450

uterus perhaps threatening the life of

780

00:37:59,150 --> 00:37:56,520

the mother and the baby perhaps causing

781

00:38:01,849 --> 00:37:59,160

an amniotic fluid embolism and

782

00:38:05,900 --> 00:38:01,859

immediately killing the mother right

783

00:38:08,359 --> 00:38:05,910

mothers are dying in large numbers as a

784

00:38:10,460 --> 00:38:08,369

result of medical interference in the

785

00:38:13,700 --> 00:38:10,470

birth process in fact the United States

786

00:38:17,030 --> 00:38:13,710

has one of the highest rates of maternal

787

00:38:22,660 --> 00:38:17,040

mortality and infant mortality in the

788

00:38:24,620 --> 00:38:22,670

world Wow so I wanted to step back to

789

00:38:27,230 --> 00:38:24,630

induction for a second because this is

790

00:38:29,300 --> 00:38:27,240

where I wanted to point out of induction

791

00:38:32,120 --> 00:38:29,310

everything I'm talking about right now

792

00:38:34,280 --> 00:38:32,130

is part of the induction process fair

793

00:38:36,620 --> 00:38:34,290

enough and I've heard you use that

794

00:38:39,320 --> 00:38:36,630

phrase usurping the destiny of the

795

00:38:41,420 --> 00:38:39,330

unborn before and it might sound a

796

00:38:43,550 --> 00:38:41,430

little new agey but I've become a big

797

00:38:45,320 --> 00:38:43,560

believer in astrology I just see the

798

00:38:48,020 --> 00:38:45,330

data and it seems to work and if souls

799

00:38:49,430 --> 00:38:48,030

do incarnate and we pick our vessel so

800

00:38:51,859 --> 00:38:49,440

to speak when we come back into the

801

00:38:54,980 --> 00:38:51,869

material world if you intentionally set

802

00:38:57,349 --> 00:38:54,990

up a system to screw with that I can see

803

00:38:59,450 --> 00:38:57,359

how you really can alter the course of

804

00:39:01,430 --> 00:38:59,460

an entire life that might have had a

805

00:39:03,200 --> 00:39:01,440

whole different life path laid out or

806

00:39:06,140 --> 00:39:03,210

had a life different life paths in mind

807

00:39:08,210 --> 00:39:06,150

and then yeah usurping the destiny of

808

00:39:10,099 --> 00:39:08,220

the unborn is a great way to express

809

00:39:12,410 --> 00:39:10,109

that because you are changing quite a

810

00:39:15,140 --> 00:39:12,420

bit with the way that baby comes into

811

00:39:18,800 --> 00:39:15,150

the world I'm not sure that they can

812

00:39:21,050 --> 00:39:18,810

usurp the destiny let me say that they

813

00:39:23,720 --> 00:39:21,060

can definitely use CERP the Dominion

814

00:39:28,040 --> 00:39:23,730

that the baby has over the timing of its

815

00:39:30,700 --> 00:39:28,050

birth and they can also scramble the

816

00:39:34,280 --> 00:39:30,710

baby's ability to fulfill its destiny

817

00:39:38,030 --> 00:39:34,290

with all the trauma if I look at how far

818

00:39:41,750 --> 00:39:38,040

of course my life was until I started

819

00:39:44,450 --> 00:39:41,760

getting on this I was very very very far

820

00:39:47,599 --> 00:39:44,460

of course from what I believe I was

821

00:39:50,120 --> 00:39:47,609

designed to do in this lifetime and I

822

00:39:52,070 --> 00:39:50,130

think many people are if you're involved

823

00:39:53,660 --> 00:39:52,080

in a job that you hate if you hate

824

00:39:56,660 --> 00:39:53,670

waking up in the morning and doing what

825

00:39:59,420 --> 00:39:56,670

you do every day you are not on course

826

00:40:03,320 --> 00:39:59,430

with your destiny you have become a

827

00:40:06,080 --> 00:40:03,330

slave mm-hmm you have become enslaved to

828

00:40:11,490 --> 00:40:06,090

a system and you're probably raising

829

00:40:13,349 --> 00:40:11,500

children to fit into that slave system

830

00:40:15,810 --> 00:40:13,359

and now it'll increase with each

831

00:40:18,630 --> 00:40:15,820

generation so I don't know that they can

832

00:40:21,720 --> 00:40:18,640

succeed and usurping the destiny they

833

00:40:25,040 --> 00:40:21,730

can certainly try to interfere with it

834

00:40:29,910 --> 00:40:25,050

and they are doing that on a grand scale

835

00:40:32,640 --> 00:40:29,920

some of us are strong enough to pull

836

00:40:35,640 --> 00:40:32,650

through it and get back on our you know

837

00:40:37,890 --> 00:40:35,650

get back on our paths but not all of us

838

00:40:40,050 --> 00:40:37,900

will alright so yeah they are

839

00:40:43,560 --> 00:40:40,060

interfering at some level but they can

840

00:40:46,620 --> 00:40:43,570

succeed wholly and in interrupting the

841

00:40:49,890 --> 00:40:46,630

destiny they absolutely have succeeded

842

00:40:51,930 --> 00:40:49,900

in interfering with the Dominion that

843

00:40:54,420 --> 00:40:51,940

that child has over the timing of its

844

00:40:57,839 --> 00:40:54,430

birth for at least one in three children

845

00:41:02,130 --> 00:40:57,849

in the United States today one in three

846

00:41:06,440 --> 00:41:02,140

babies has been forcefully ejected from

847

00:41:09,260 --> 00:41:06,450

the womb before it was ready to be born

848

00:41:11,150 --> 00:41:09,270

and that's very mean-spirited and don't

849

00:41:13,849 --> 00:41:11,160

for a minute believe that the babies

850

00:41:16,819 --> 00:41:13,859

cannot feel how mean-spirited this

851
00:41:20,120 --> 00:41:16,829
attack is the babies know they're

852
00:41:23,870 --> 00:41:20,130
completely telepathic they can sense

853
00:41:26,990 --> 00:41:23,880
every aspect of it even if the parents

854
00:41:29,539 --> 00:41:27,000
cannot hear most of the parents are

855
00:41:31,760 --> 00:41:29,549
completely unconscious completely

856
00:41:33,620 --> 00:41:31,770
clueless and they allow these things to

857
00:41:37,299 --> 00:41:33,630
happen without doing an ounce of

858
00:41:40,069 --> 00:41:37,309
research about the damage that it causes

859
00:41:42,620 --> 00:41:40,079
so induction is a major problem in

860
00:41:46,280 --> 00:41:42,630
everything that I have just shared okay

861
00:41:48,799 --> 00:41:46,290
from the amniotic to the fetal heart

862
00:41:51,319 --> 00:41:48,809
monitors to the cytotec and the pitocin

863
00:41:53,089 --> 00:41:51,329

which I haven't talked about all of

864

00:41:56,710 --> 00:41:53,099

these things are part of the induction

865

00:41:59,839 --> 00:41:56,720

process mm-hmm elaborate on the pitocin

866

00:42:03,359 --> 00:41:59,849

angle a little bit if you could as I

867

00:42:05,789 --> 00:42:03,369

stated pitocin is synthetic oxytocin

868

00:42:07,739 --> 00:42:05,799

all right synthetic oxytocin when it is

869

00:42:10,769 --> 00:42:07,749

injected into the body of a laboring

870

00:42:15,180 --> 00:42:10,779

mother will undermine her ability to

871

00:42:18,720 --> 00:42:15,190

produce real oxytocin real oxytocin

872

00:42:20,240 --> 00:42:18,730

being absolutely necessary for the

873

00:42:23,330 --> 00:42:20,250

bonding

874

00:42:25,700 --> 00:42:23,340

between mother baby and father oxytocin

875

00:42:29,300 --> 00:42:25,710

is critically important for an

876

00:42:33,500 --> 00:42:29,310

experience of deep love and a sense of

877

00:42:35,630 --> 00:42:33,510

well-being at birth when it's not

878

00:42:37,310 --> 00:42:35,640

happening when it's not you know the

879

00:42:40,040 --> 00:42:37,320

mother's body should be flooded with

880

00:42:42,940 --> 00:42:40,050

this hormone at birth but if she's had

881

00:42:44,990 --> 00:42:42,950

pitocin injected into her bloodstream

882

00:42:46,849 --> 00:42:45,000

I'm telling you there's going to be

883

00:42:49,700 --> 00:42:46,859

issues is going to be issues with her

884

00:42:51,680 --> 00:42:49,710

being able to breastfeed because natural

885

00:42:53,930 --> 00:42:51,690

oxytocin controls the letdown of

886

00:42:56,990 --> 00:42:53,940

colostrum and the ability to breastfeed

887

00:42:58,849 --> 00:42:57,000

your baby natural oxytocin if you don't

888

00:43:01,520 --> 00:42:58,859

have it you're likely to experience

889

00:43:04,400 --> 00:43:01,530

postpartum depression because you

890

00:43:08,390 --> 00:43:04,410

haven't been able to experience love at

891

00:43:11,420 --> 00:43:08,400

birth right alright it's going to

892

00:43:14,780 --> 00:43:11,430

interfere with bonding and when bonding

893

00:43:16,820 --> 00:43:14,790

is interfered with your body may think

894

00:43:20,750 --> 00:43:16,830

your baby is dead literally if you

895

00:43:23,510 --> 00:43:20,760

cannot hold your baby if your baby's

896

00:43:26,270 --> 00:43:23,520

been taken away to be poked and prodded

897

00:43:29,150 --> 00:43:26,280

and injected with toxins and poisons

898

00:43:31,490 --> 00:43:29,160

burning gunk put in its eyes and I have

899

00:43:35,510 --> 00:43:31,500

put on its head and swaddled so it goes

900

00:43:37,760 --> 00:43:35,520

into parasympathetic chakra dissociation

901
00:43:41,780 --> 00:43:37,770
if you've had your baby taken away

902
00:43:44,780 --> 00:43:41,790
during that first hour after birth do

903
00:43:47,300 --> 00:43:44,790
not be surprised if you experience

904
00:43:49,790 --> 00:43:47,310
postpartum depression and I'm not just

905
00:43:52,210 --> 00:43:49,800
talking about mothers now yeah and I

906
00:43:55,130 --> 00:43:52,220
thought those elements of bonding were

907
00:43:56,630 --> 00:43:55,140
just really great I some stuff I didn't

908
00:43:58,609 --> 00:43:56,640
really think about all that much but

909
00:44:00,230 --> 00:43:58,619
earlier you kind of went through a

910
00:44:02,000 --> 00:44:00,240
little bit of it was saying you know we

911
00:44:04,579 --> 00:44:02,010
wrapped the babies up and we put those

912
00:44:07,010 --> 00:44:04,589
hats on their heads and that blocks

913
00:44:08,359 --> 00:44:07,020

skin-to-skin contact on one level and

914

00:44:10,280 --> 00:44:08,369

then also those pheromones that

915

00:44:13,579 --> 00:44:10,290

apparently come from the baby's head on

916

00:44:15,470 --> 00:44:13,589

another and the swaddling was something

917

00:44:17,630 --> 00:44:15,480

that I was like really swaddling is bad

918

00:44:19,960 --> 00:44:17,640

but I mean you're basically putting that

919

00:44:22,370 --> 00:44:19,970

baby in a straitjacket I mean those are

920

00:44:25,160 --> 00:44:22,380

restraints and this is a newborn baby

921

00:44:27,650 --> 00:44:25,170

it's probably trying to flex its muscles

922

00:44:30,650 --> 00:44:27,660

a little bit you know I kind of stretch

923

00:44:34,130 --> 00:44:30,660

out and it's like stuck in this little

924

00:44:36,079 --> 00:44:34,140

cocoon basically in a mummified state

925

00:44:37,670 --> 00:44:36,089

not to be super dramatic but you know

926
00:44:40,609 --> 00:44:37,680
you got this baby screaming at the top

927
00:44:42,620 --> 00:44:40,619
of its lungs it's been prodded with ten

928
00:44:45,170 --> 00:44:42,630
needles by this time probably had the

929
00:44:47,089 --> 00:44:45,180
tip of its penis cut off and now it's in

930
00:44:49,359 --> 00:44:47,099
a straitjacket I mean this is just a

931
00:44:52,279 --> 00:44:49,369
hell of a way to come into the world

932
00:44:55,579 --> 00:44:52,289
it's off the charts but again this is

933
00:44:59,599 --> 00:44:55,589
the reinforcement of the thought the

934
00:45:01,339 --> 00:44:59,609
idea that we have control over you we

935
00:45:04,549 --> 00:45:01,349
have control over you we have control

936
00:45:07,010 --> 00:45:04,559
over your life now it's time for you to

937
00:45:08,960 --> 00:45:07,020
learn how to dissociate

938
00:45:11,330 --> 00:45:08,970

so that you can deal with the extreme

939

00:45:14,090 --> 00:45:11,340

torture that we are going to subject you

940

00:45:16,870 --> 00:45:14,100

to throughout your life and they are

941

00:45:21,380 --> 00:45:16,880

doing this okay we are being tortured

942

00:45:22,820 --> 00:45:21,390

all of us through the radiation grid

943

00:45:25,490 --> 00:45:22,830

there's a myriad of ways that we're

944

00:45:29,120 --> 00:45:25,500

being tortured and you've talked about

945

00:45:31,730 --> 00:45:29,130

this this satanic initiation and that

946

00:45:34,870 --> 00:45:31,740

this whole process basically boils down

947

00:45:37,640 --> 00:45:34,880

to black magic I mean this seems to be

948

00:45:39,950 --> 00:45:37,650

taking everything they've learned and

949

00:45:42,410 --> 00:45:39,960

studied about the human birth process

950

00:45:45,410 --> 00:45:42,420

and then flipping it on its head or

951
00:45:47,420 --> 00:45:45,420
extracting the most trauma that they can

952
00:45:51,020 --> 00:45:47,430
out of the situation and there are

953
00:45:52,640 --> 00:45:51,030
little subtleties to this like causing

954
00:45:54,230 --> 00:45:52,650
resentment between the mother and child

955
00:45:56,330 --> 00:45:54,240
because the mother's like well you've

956
00:45:58,310 --> 00:45:56,340
caused me all this pain coming out and

957
00:46:00,050 --> 00:45:58,320
there's a little bit of a problem there

958
00:46:01,760 --> 00:46:00,060
or it causes resentment between the

959
00:46:04,010 --> 00:46:01,770
mother and father like why aren't you

960
00:46:05,840 --> 00:46:04,020
protecting me when I'm in this huge

961
00:46:08,030 --> 00:46:05,850
state of pain which is the father's role

962
00:46:10,520 --> 00:46:08,040
so it's just like all these little

963
00:46:12,800 --> 00:46:10,530

subtleties - and that disassociation

964

00:46:15,830 --> 00:46:12,810

like the maximizing of pain and

965

00:46:17,540 --> 00:46:15,840

suffering I mean in a lot of magical

966

00:46:20,240 --> 00:46:17,550

conversations this is where you get into

967

00:46:22,700 --> 00:46:20,250

the idea of making room for some other

968

00:46:24,859 --> 00:46:22,710

entity or multiple personalities I mean

969

00:46:26,560 --> 00:46:24,869

this is essentially exactly what I'm Keo

970

00:46:28,390 --> 00:46:26,570

ultra was up to

971

00:46:30,010 --> 00:46:28,400

there's so many things that you just

972

00:46:33,160 --> 00:46:30,020

said that really need to be addressed

973

00:46:36,040 --> 00:46:33,170

okay for example the fact that mothers

974

00:46:38,710 --> 00:46:36,050

are going to feel that they can't trust

975

00:46:40,930 --> 00:46:38,720

their partners to protect them and that

976
00:46:45,780 --> 00:46:40,940
this can be the beginning of the end for

977
00:46:49,180 --> 00:46:45,790
that marriage okay it's very unconscious

978
00:46:52,810 --> 00:46:49,190
for most people all right when a father

979
00:46:55,510 --> 00:46:52,820
is forced to stand by and watch as his

980
00:46:59,560 --> 00:46:55,520
wife will partner and his child are

981
00:47:04,110 --> 00:46:59,570
being abused by the medical system that

982
00:47:07,000 --> 00:47:04,120
mother will begin to have less respect

983
00:47:07,600 --> 00:47:07,010
for the father because he didn't protect

984
00:47:14,750 --> 00:47:07,610
her

985
00:47:17,460 --> 00:47:14,760
have also been extremely traumatized

986
00:47:20,430 --> 00:47:17,470
from their own births many of them

987
00:47:24,120 --> 00:47:20,440
circumsized many of them condition to

988
00:47:26,880 --> 00:47:24,130

dissociate immediately in the face of

989

00:47:30,900 --> 00:47:26,890

our of a threat so they walk into the

990

00:47:33,750 --> 00:47:30,910

hospital okay and they go numb there's

991

00:47:35,250 --> 00:47:33,760

no way that they can speak out

992

00:47:38,220 --> 00:47:35,260

I know because this happened to me

993

00:47:41,010 --> 00:47:38,230

personally hmm all right I watched my

994

00:47:43,800 --> 00:47:41,020

husband stand there and do absolutely

995

00:47:47,250 --> 00:47:43,810

nothing as these doctors were torturing

996

00:47:52,170 --> 00:47:47,260

my baby and I never was able to forgive

997

00:47:56,070 --> 00:47:52,180

him for that they and I mean to this day

998

00:48:00,930 --> 00:47:56,080

even now that I understand what caused

999

00:48:04,210 --> 00:48:00,940

him to go into that catatonic state

1000

00:48:07,040 --> 00:48:04,220

instead of doing something

1001

00:48:10,540 --> 00:48:07,050

I still Harbor resentment

1002

00:48:13,910 --> 00:48:10,550

for the fact that he did not protect us

1003

00:48:18,200 --> 00:48:13,920

he did not say a word he stood by and

1004

00:48:23,240 --> 00:48:18,210

watched but he couldn't help it because

1005

00:48:24,920 --> 00:48:23,250

he went into shock man see I I started

1006

00:48:26,330 --> 00:48:24,930

cursing at the doctor and then they

1007

00:48:28,610 --> 00:48:26,340

threatened to move me out of the

1008

00:48:32,780 --> 00:48:28,620

hospital have me removed my husband

1009

00:48:34,850 --> 00:48:32,790

stood there like a mute my baby was in a

1010

00:48:37,090 --> 00:48:34,860

NICU my baby was in the neonatal

1011

00:48:39,440 --> 00:48:37,100

intensive care unit which is

1012

00:48:41,000 --> 00:48:39,450

unbelievable torture but let's not go

1013

00:48:45,350 --> 00:48:41,010

there yet cuz I don't know if we'll even

1014

00:48:47,749 --> 00:48:45,360

get there I mean it's unbelievable what

1015

00:48:52,609 --> 00:48:47,759

they are getting away with

1016

00:48:55,849 --> 00:48:52,619

how much torture of these babies is

1017

00:48:58,370 --> 00:48:55,859

happening but this issue between about

1018

00:49:01,789 --> 00:48:58,380

family breakdown after a traumatic birth

1019

00:49:03,169 --> 00:49:01,799

is a very very big one and people need

1020

00:49:06,199 --> 00:49:03,179

to become hip to it

1021

00:49:08,749 --> 00:49:06,209

childbirth should be it's actually the

1022

00:49:11,479 --> 00:49:08,759

most important event in the life of any

1023

00:49:15,079 --> 00:49:11,489

couple when it happens in the way it was

1024

00:49:18,649 --> 00:49:15,089

designed to happen that is in a Love

1025

00:49:20,629 --> 00:49:18,659

Field gentle way when mother father and

1026

00:49:23,269 --> 00:49:20,639

child are able to bond they're able to

1027

00:49:24,949 --> 00:49:23,279

make eye contact they're able to smell

1028

00:49:28,370 --> 00:49:24,959

those pheromones they're able to make

1029

00:49:30,919 --> 00:49:28,380

skin-to-skin contact the bonding that

1030

00:49:33,439 --> 00:49:30,929

the brain will be triggered to flood the

1031

00:49:35,899 --> 00:49:33,449

system with an experience of love the

1032

00:49:38,899 --> 00:49:35,909

likes of which will never happen at any

1033

00:49:42,259 --> 00:49:38,909

other time then during the birth of a

1034

00:49:45,219 --> 00:49:42,269

child okay this is an experience that

1035

00:49:48,889 --> 00:49:45,229

can bond that family permanently and

1036

00:49:51,559 --> 00:49:48,899

that's what it is designed to do it's a

1037

00:49:53,239 --> 00:49:51,569

reference point that if you get into

1038

00:49:55,819 --> 00:49:53,249

situations later in life that are

1039

00:49:59,779 --> 00:49:55,829

difficult in your marriage all right you

1040

00:50:04,159 --> 00:49:59,789

can refer back to that point where there

1041

00:50:06,799 --> 00:50:04,169

was so much love flowing that you will

1042

00:50:10,099 --> 00:50:06,809

remain bonded to your partner and to

1043

00:50:12,859 --> 00:50:10,109

your child that's what is supposed to

1044

00:50:15,769 --> 00:50:12,869

happen what is happening now is the

1045

00:50:17,839 --> 00:50:15,779

furthest thing from that I mean you yeah

1046

00:50:20,419 --> 00:50:17,849

I've got pictures of fathers sitting in

1047

00:50:22,370 --> 00:50:20,429

the waiting room alone there can be I

1048

00:50:24,859 --> 00:50:22,380

mean you have a the whole friggin

1049

00:50:27,499 --> 00:50:24,869

Medical School is in the room with the

1050

00:50:29,539 --> 00:50:27,509

mother right everybody's watching her

1051
00:50:31,639 --> 00:50:29,549
sticking their hands in her vagina I

1052
00:50:34,579 --> 00:50:31,649
mean there's a whole ton of people in

1053
00:50:36,799 --> 00:50:34,589
there the janitor in the hood you got a

1054
00:50:39,579 --> 00:50:36,809
whole freaking audience in there right

1055
00:50:42,649 --> 00:50:39,589
but your husband the baby's father is

1056
00:50:44,959 --> 00:50:42,659
outside in the waiting room or even if

1057
00:50:48,109 --> 00:50:44,969
he's in the room if you're lucky enough

1058
00:50:50,179 --> 00:50:48,119
to have them your partner with you all

1059
00:50:53,329 --> 00:50:50,189
right many times you've got this doctor

1060
00:50:56,659 --> 00:50:53,339
standing in front of the woman catching

1061
00:50:58,429 --> 00:50:56,669
his baby like what are we doing here

1062
00:51:01,009 --> 00:50:58,439
it's like they're stepping in and

1063
00:51:02,899 --> 00:51:01,019

usurping the father's role right well

1064

00:51:06,919 --> 00:51:02,909

we're so conditioned to just trust the

1065

00:51:09,519 --> 00:51:06,929

experts and to give our power away right

1066

00:51:13,519 --> 00:51:09,529

okay that is his baby

1067

00:51:15,849 --> 00:51:13,529

first eyes that that baby should look

1068

00:51:19,399 --> 00:51:15,859

into are the father's or the mothers

1069

00:51:21,620 --> 00:51:19,409

period the first hands-on that child

1070

00:51:24,349 --> 00:51:21,630

should be the fathers or the mothers

1071

00:51:27,949 --> 00:51:24,359

right the first connection that that

1072

00:51:31,729 --> 00:51:27,959

baby makes should be with his or her

1073

00:51:35,299 --> 00:51:31,739

parents imprinting is a real thing yes

1074

00:51:36,409 --> 00:51:35,309

it is and you would never see an animal

1075

00:51:39,829 --> 00:51:36,419

in the wild

1076
00:51:44,779 --> 00:51:39,839
handoff their young to somebody else oh

1077
00:51:48,769 --> 00:51:44,789
no no no they are front and center very

1078
00:51:52,090 --> 00:51:48,779
present right okay a mother would never

1079
00:51:55,840 --> 00:51:52,100
hand over her offspring

1080
00:51:57,700 --> 00:51:55,850
to somebody else that's true well all of

1081
00:51:59,470 --> 00:51:57,710
these things see people need to

1082
00:52:02,230 --> 00:51:59,480
understand how bonding happens how the

1083
00:52:06,130 --> 00:52:02,240
brain works how the neurobiology of love

1084
00:52:08,710 --> 00:52:06,140
is activated at Birth the neurobiology

1085
00:52:12,370 --> 00:52:08,720
of love being a fundamentally neuro

1086
00:52:15,040 --> 00:52:12,380
chemical physiological experience of

1087
00:52:19,710 --> 00:52:15,050
love because your body floods with these

1088
00:52:22,780 --> 00:52:19,720

chemicals of well-being and of bonding

1089

00:52:25,390 --> 00:52:22,790

all right when you don't have that at

1090

00:52:28,510 --> 00:52:25,400

Birth you're going to be looking at the

1091

00:52:31,540 --> 00:52:28,520

neurobiology of grief instead which is

1092

00:52:35,110 --> 00:52:31,550

what we call postpartum depression right

1093

00:52:37,390 --> 00:52:35,120

and so man I guess to get back to the

1094

00:52:38,950 --> 00:52:37,400

stages of the protocol I mean we

1095

00:52:40,840 --> 00:52:38,960

obviously fast forward it a little bit

1096

00:52:42,970 --> 00:52:40,850

but is there more to say about something

1097

00:52:44,650 --> 00:52:42,980

like the epidural I think this is one

1098

00:52:46,270 --> 00:52:44,660

thing that a lot of mothers actually do

1099

00:52:48,550 --> 00:52:46,280

reject and then they say that they had a

1100

00:52:51,640 --> 00:52:48,560

quote/unquote natural birth but it's

1101
00:52:53,560 --> 00:52:51,650
still obviously so far from natural but

1102
00:52:57,070 --> 00:52:53,570
a lot of problems arise from that

1103
00:52:59,170 --> 00:52:57,080
epidural right oh yes now let me say

1104
00:53:01,750 --> 00:52:59,180
that it's hilarious what passes for

1105
00:53:03,190 --> 00:53:01,760
natural birth you know if it comes out

1106
00:53:05,800 --> 00:53:03,200
of your if your baby comes out of your

1107
00:53:07,450 --> 00:53:05,810
vagina you're gonna you know qualify

1108
00:53:09,880 --> 00:53:07,460
that as a natural birth even if you've

1109
00:53:13,690 --> 00:53:09,890
had you know the induction the pitocin

1110
00:53:15,070 --> 00:53:13,700
the Amiaata me all of this stops the cord

1111
00:53:18,040 --> 00:53:15,080
clamping they're gonna call it there's

1112
00:53:20,500 --> 00:53:18,050
nothing natural about any of this

1113
00:53:22,570 --> 00:53:20,510

zero you've exposed your baby doll

1114

00:53:26,680 --> 00:53:22,580

ultrasound you've had your vaccines I

1115

00:53:28,780 --> 00:53:26,690

mean this is not natural folks okay the

1116

00:53:32,530 --> 00:53:28,790

every aspect of this is an interference

1117

00:53:34,450 --> 00:53:32,540

with respect to the epidural I didn't

1118

00:53:36,940 --> 00:53:34,460

get very deep into pitocin and it's a

1119

00:53:39,880 --> 00:53:36,950

very deep topic but with epidural the

1120

00:53:43,840 --> 00:53:39,890

epidural also tricks the mother's brain

1121

00:53:46,150 --> 00:53:43,850

okay so that she will not be producing

1122

00:53:50,530 --> 00:53:46,160

the beta endorphins and the natural

1123

00:53:52,900 --> 00:53:50,540

opiates of birth now in childbirth those

1124

00:53:56,470 --> 00:53:52,910

beta endorphins and natural opiates are

1125

00:54:00,190 --> 00:53:56,480

needed for the baby also they help the

1126
00:54:03,420 --> 00:54:00,200
baby to overcome the intensity of the

1127
00:54:05,710 --> 00:54:03,430
childbirth experience so we have pitocin

1128
00:54:08,680 --> 00:54:05,720
contractions which

1129
00:54:11,980 --> 00:54:08,690
by the way our extremely intense

1130
00:54:15,280 --> 00:54:11,990
they are unrelenting over-the-top one

1131
00:54:18,160 --> 00:54:15,290
after another after another on top of

1132
00:54:20,700 --> 00:54:18,170
each other with no rest totally

1133
00:54:23,590 --> 00:54:20,710
different than natural contractions

1134
00:54:28,300 --> 00:54:23,600
natural contractions will start they'll

1135
00:54:30,160 --> 00:54:28,310
feel you know peak for 30 seconds it

1136
00:54:32,310 --> 00:54:30,170
will ease off and the body will rest

1137
00:54:35,410 --> 00:54:32,320
they'll build again they'll peak

1138
00:54:37,300 --> 00:54:35,420

Billie's off the body will rest all of

1139

00:54:39,280 --> 00:54:37,310

this is necessary for the well-being of

1140

00:54:42,400 --> 00:54:39,290

the mother for the well-being of the

1141

00:54:45,550 --> 00:54:42,410

baby with pitocin the contractions are

1142

00:54:48,760 --> 00:54:45,560

going to be off the charts not just for

1143

00:54:53,260 --> 00:54:48,770

the mother okay but for the baby who

1144

00:54:55,870 --> 00:54:53,270

will have a screw in its stead who will

1145

00:55:00,330 --> 00:54:55,880

not have the protection of the amniotic

1146

00:55:02,950 --> 00:55:00,340

sac who will be exposed to ultrasound

1147

00:55:04,590 --> 00:55:02,960

frequencies I mean the baby is being

1148

00:55:06,330 --> 00:55:04,600

attacked

1149

00:55:09,720 --> 00:55:06,340

and the contractions are gonna be

1150

00:55:11,550 --> 00:55:09,730

smashing too baby hmm all right now the

1151
00:55:13,110 --> 00:55:11,560
mother's gonna beg for the epidural the

1152
00:55:16,350 --> 00:55:13,120
epidural is gonna come in and further

1153
00:55:19,080 --> 00:55:16,360
disrupt the natural chemicals of births

1154
00:55:22,590 --> 00:55:19,090
that are necessary not just for the

1155
00:55:24,480 --> 00:55:22,600
mother but for the baby okay so when

1156
00:55:27,270 --> 00:55:24,490
those natural opiates and beta

1157
00:55:29,580 --> 00:55:27,280
endorphins are not flooding the mother

1158
00:55:32,070 --> 00:55:29,590
system because she's had an epidural the

1159
00:55:33,510 --> 00:55:32,080
epidural is telling the body I there's

1160
00:55:35,700 --> 00:55:33,520
nothing happening here I guess I can

1161
00:55:37,860 --> 00:55:35,710
kick back and relax I don't need to you

1162
00:55:40,680 --> 00:55:37,870
know produce these things there's

1163
00:55:42,150 --> 00:55:40,690

nothing happening all right so now even

1164

00:55:45,110 --> 00:55:42,160

though the mothers not feeling anything

1165

00:55:48,540 --> 00:55:45,120

the baby's gonna be feeling more pain

1166

00:55:50,400 --> 00:55:48,550

Wow and you know I saw a documentary

1167

00:55:52,320 --> 00:55:50,410

years ago called the business of being

1168

00:55:54,540 --> 00:55:52,330

born and it didn't go as deep as you're

1169

00:55:56,790 --> 00:55:54,550

going but it did talk about that process

1170

00:55:58,590 --> 00:55:56,800

that hospitals use like clockwork and

1171

00:56:00,300 --> 00:55:58,600

that you get the epidural then the

1172

00:56:02,340 --> 00:56:00,310

baby's heart rate speeds up so they

1173

00:56:04,260 --> 00:56:02,350

scare you into another drug and then the

1174

00:56:06,570 --> 00:56:04,270

heart rate is too low and so then they

1175

00:56:08,970 --> 00:56:06,580

say okay now we got to do that c-section

1176

00:56:11,400 --> 00:56:08,980

it's the only way and now they've got

1177

00:56:13,020 --> 00:56:11,410

you on the hook for an expensive surgery

1178

00:56:15,000 --> 00:56:13,030

and you're gonna have to pay for a

1179

00:56:16,770 --> 00:56:15,010

couple of overnights of course you know

1180

00:56:20,250 --> 00:56:16,780

this documentaries focus was on the

1181

00:56:22,560 --> 00:56:20,260

money aspect but a c-section does a lot

1182

00:56:25,320 --> 00:56:22,570

more damage than just to the wallet

1183

00:56:27,780 --> 00:56:25,330

right the c-section does a tremendous

1184

00:56:30,840 --> 00:56:27,790

amount of damage and let me say that the

1185

00:56:33,420 --> 00:56:30,850

pitocin we need to really cover this in

1186

00:56:35,370 --> 00:56:33,430

more depth before we move on sure with

1187

00:56:39,380 --> 00:56:35,380

respect to the baby's heart rate which

1188

00:56:42,270 --> 00:56:39,390

you just mentioned okay the pitocin is

1189

00:56:45,810 --> 00:56:42,280

going to escalate the baby's heart rate

1190

00:56:49,280 --> 00:56:45,820

because the pitocin contractions are

1191

00:56:53,880 --> 00:56:49,290

going to be crushing the baby and

1192

00:56:58,130 --> 00:56:53,890

because in that crushing the umbilical

1193

00:57:02,070 --> 00:56:58,140

cord is also going to be compressed

1194

00:57:05,910 --> 00:57:02,080

cutting off the baby's oxygen supply

1195

00:57:09,000 --> 00:57:05,920

you understand mm-hmm absolutely so they

1196

00:57:11,220 --> 00:57:09,010

they there's been several people also

1197

00:57:13,110 --> 00:57:11,230

coming forward this is in my book birth

1198

00:57:15,810 --> 00:57:13,120

trauma and the dark side of Medicine

1199

00:57:16,950 --> 00:57:15,820

dark side of modern medicine oh this is

1200

00:57:19,530 --> 00:57:16,960

in my book by the way

1201
00:57:21,240 --> 00:57:19,540
but specifically nurses and other people

1202
00:57:25,530 --> 00:57:21,250
coming forward to talk about something

1203
00:57:27,960 --> 00:57:25,540
called pit to de-stress which means the

1204
00:57:30,390 --> 00:57:27,970
doctor gives an order to the nurses to

1205
00:57:33,600 --> 00:57:30,400
ramp up that pitocin to the highest

1206
00:57:37,230 --> 00:57:33,610
level possible in order to deliberately

1207
00:57:40,420 --> 00:57:37,240
put the baby in distress so that they

1208
00:57:43,780 --> 00:57:40,430
can move more quickly to a c-section

1209
00:57:46,950 --> 00:57:43,790
this is not uncommon so they know that

1210
00:57:49,690 --> 00:57:46,960
pitocin is gonna cause fetal distress

1211
00:57:53,230 --> 00:57:49,700
this is why they hook up to fetal heart

1212
00:57:55,420 --> 00:57:53,240
monitors to you so they can watch as the

1213
00:57:58,300 --> 00:57:55,430

baby goes into fetal distress and say oh

1214

00:58:01,090 --> 00:57:58,310

my look at that your baby's in fetal

1215

00:58:02,800 --> 00:58:01,100

distress what a surprise I wonder what

1216

00:58:05,530 --> 00:58:02,810

could possibly be causing it we're only

1217

00:58:07,380 --> 00:58:05,540

blasting these sound frequencies at your

1218

00:58:13,360 --> 00:58:07,390

baby through the fetal heart monitor

1219

00:58:15,640 --> 00:58:13,370

terrorizing your babies and crushing

1220

00:58:17,500 --> 00:58:15,650

your baby through the pitocin

1221

00:58:20,200 --> 00:58:17,510

contractions but you know we don't have

1222

00:58:23,740 --> 00:58:20,210

any idea that we might be the ones that

1223

00:58:26,500 --> 00:58:23,750

are iatrogenic lis inducing the fetal

1224

00:58:29,380 --> 00:58:26,510

distress so that we can then move you

1225

00:58:30,940 --> 00:58:29,390

more quickly to a c-section and you know

1226

00:58:33,670 --> 00:58:30,950

they talk about the Cascade of

1227

00:58:37,390 --> 00:58:33,680

interventions which is that if you allow

1228

00:58:40,150 --> 00:58:37,400

induction yeah sure enough the induction

1229

00:58:42,400 --> 00:58:40,160

is going to mean you have it like a 70%

1230

00:58:45,400 --> 00:58:42,410

chance of ending up with a c-section

1231

00:58:48,340 --> 00:58:45,410

well why is that because your baby's not

1232

00:58:50,800 --> 00:58:48,350

ready to be born and because your baby's

1233

00:58:52,630 --> 00:58:50,810

going to go into distress from all of

1234

00:58:54,880 --> 00:58:52,640

these things that they're doing to try

1235

00:59:00,160 --> 00:58:54,890

to force the baby to come out of the

1236

00:59:02,800 --> 00:59:00,170

womb before it's ready now you also have

1237

00:59:05,260 --> 00:59:02,810

like a 70% chance that your baby will

1238

00:59:08,860 --> 00:59:05,270

end up in a neonatal intensive care unit

1239

00:59:12,190 --> 00:59:08,870

which will extremely interfere with

1240

00:59:14,750 --> 00:59:12,200

bonding extremely harm the neurological

1241

00:59:17,150 --> 00:59:14,760

development of your baby

1242

00:59:20,260 --> 00:59:17,160

and during which your baby will be

1243

00:59:24,620 --> 00:59:20,270

tortured several times a day every day

1244

00:59:25,670 --> 00:59:24,630

that it spins in the NICU and I'm not

1245

00:59:29,600 --> 00:59:25,680

making this up

1246

00:59:33,910 --> 00:59:29,610

NICU babies are systematically tortured

1247

00:59:37,400 --> 00:59:33,920

they are repeatedly paralyzed with drugs

1248

00:59:40,210 --> 00:59:37,410

so they can't move and they can't cry

1249

00:59:42,920 --> 00:59:40,220

but very painful things are done to them

1250

00:59:47,030 --> 00:59:42,930

while they're on paralysis drugs like

1251
00:59:50,930 --> 00:59:47,040
having tubes shoved down into their

1252
00:59:54,260 --> 00:59:50,940
throats and put on incubators having IV

1253
00:59:57,280 --> 00:59:54,270
tubes stuck into every vein of their

1254
01:00:00,230 --> 00:59:57,290
body including veins in their heads and

1255
01:00:03,830 --> 01:00:00,240
inserting feeding tubes doing surgery

1256
01:00:07,970 --> 01:00:03,840
just like circumcision doing surgery on

1257
01:00:09,390 --> 01:00:07,980
babies without anesthetic but paralyzing

1258
01:00:13,809 --> 01:00:09,400
them

1259
01:00:17,799 --> 01:00:13,819
so they can't move or scream man that is

1260
01:00:22,140 --> 01:00:17,809
dark it is sick [h__h] excuse me it is

1261
01:00:24,819 --> 01:00:22,150
evil to the core right isolating babies

1262
01:00:27,789 --> 01:00:24,829
preventing them from being held putting

1263
01:00:30,150 --> 01:00:27,799

them in incubators where nobody the only

1264

01:00:32,979 --> 01:00:30,160

touch they receive is painful touch

1265

01:00:36,130 --> 01:00:32,989

repeatedly sticking them with needles in

1266

01:00:39,160 --> 01:00:36,140

their toes and in their heels in the

1267

01:00:41,829 --> 01:00:39,170

most sensitive parts of their body

1268

01:00:43,719 --> 01:00:41,839

several times a day every day putting

1269

01:00:46,329 --> 01:00:43,729

tape on their skin ripping it off

1270

01:00:48,930 --> 01:00:46,339

putting it back on ripping it off until

1271

01:00:51,060 --> 01:00:48,940

the skin is raw

1272

01:00:53,339 --> 01:00:51,070

sticking them with so many needles that

1273

01:00:56,489 --> 01:00:53,349

they get gangrene

1274

01:00:59,609 --> 01:00:56,499

in their feet in their it's disgusting

1275

01:01:02,309 --> 01:00:59,619

it's disgusting evil and these are all

1276

01:01:04,109 --> 01:01:02,319

you know strangers you don't know what

1277

01:01:06,420 --> 01:01:04,119

they're doing you're not even around at

1278

01:01:08,789 --> 01:01:06,430

that point but before we run out of time

1279

01:01:10,920 --> 01:01:08,799

I did want to just maybe hopefully give

1280

01:01:13,049 --> 01:01:10,930

some people hopefully give some people

1281

01:01:15,329 --> 01:01:13,059

some positive information we clearly see

1282

01:01:17,819 --> 01:01:15,339

what not to do but I don't think people

1283

01:01:19,769 --> 01:01:17,829

know much about home birth or water

1284

01:01:21,539 --> 01:01:19,779

birth we are so conditioned to trust the

1285

01:01:24,140 --> 01:01:21,549

experts we get no information on this

1286

01:01:26,519 --> 01:01:24,150

stuff generally but how would you advise

1287

01:01:28,170 --> 01:01:26,529

soon-to-be parents like what should

1288

01:01:31,229 --> 01:01:28,180

people know about home births or

1289

01:01:33,209 --> 01:01:31,239

dispelling those myths before we go one

1290

01:01:36,479 --> 01:01:33,219

of the things I do with my clients first

1291

01:01:38,430 --> 01:01:36,489

and foremost ideally we begin working

1292

01:01:39,719 --> 01:01:38,440

before they are pregnant but in the case

1293

01:01:41,789 --> 01:01:39,729

that they come to me while they're

1294

01:01:44,519 --> 01:01:41,799

pregnant the first thing is to start

1295

01:01:46,979 --> 01:01:44,529

working with their own birth trauma and

1296

01:01:50,759 --> 01:01:46,989

to help them move out their own birth

1297

01:01:52,829 --> 01:01:50,769

trauma this is very important because we

1298

01:01:55,349 --> 01:01:52,839

don't want traumatic repetition we don't

1299

01:01:57,779 --> 01:01:55,359

want to recreate our own birth trauma

1300

01:02:00,420 --> 01:01:57,789

when we give birth to our children which

1301
01:02:02,849 --> 01:02:00,430
is very very common because the body is

1302
01:02:04,410 --> 01:02:02,859
always trying to work it out and one of

1303
01:02:07,499 --> 01:02:04,420
the ways it works it out is by

1304
01:02:10,259 --> 01:02:07,509
recreating it in an attempt to create a

1305
01:02:12,599 --> 01:02:10,269
happy outcome but usually it's not a

1306
01:02:14,789 --> 01:02:12,609
happy outcome usually traumatic

1307
01:02:16,859 --> 01:02:14,799
repetition compounds the trauma it's a

1308
01:02:19,309 --> 01:02:16,869
very deep topic but that's the first

1309
01:02:22,019 --> 01:02:19,319
thing is to address any past trauma

1310
01:02:24,209 --> 01:02:22,029
especially any trauma that people have

1311
01:02:27,209 --> 01:02:24,219
experienced in the womb what during

1312
01:02:29,819 --> 01:02:27,219
birth their own birth or the birth of

1313
01:02:33,089 --> 01:02:29,829

past children if they come to me

1314

01:02:35,880 --> 01:02:33,099

prenatally I'm going to encourage them

1315

01:02:38,759 --> 01:02:35,890

about conscious conception the creation

1316

01:02:41,609 --> 01:02:38,769

of a space of love I'm going to

1317

01:02:44,939 --> 01:02:41,619

encourage them to conceive in that space

1318

01:02:49,079 --> 01:02:44,949

of love and to find ways to gestate that

1319

01:02:52,349 --> 01:02:49,089

baby outside of a field of trauma to

1320

01:02:55,380 --> 01:02:52,359

avoid prenatal care as much as possible

1321

01:02:57,539 --> 01:02:55,390

what passes for prenatal care to get

1322

01:03:00,059 --> 01:02:57,549

themselves a midwife a home birth

1323

01:03:02,759 --> 01:03:00,069

midwife there are two different kinds of

1324

01:03:03,809 --> 01:03:02,769

midwives there are certified nurse

1325

01:03:06,510 --> 01:03:03,819

midwives

1326

01:03:08,820 --> 01:03:06,520

that are usually midwife

1327

01:03:11,700 --> 01:03:08,830

it's their very medically oriented and

1328

01:03:14,730 --> 01:03:11,710

medically trained very often working

1329

01:03:18,030 --> 01:03:14,740

within the hospital system and generally

1330

01:03:20,040 --> 01:03:18,040

not very helpful it's not everybody but

1331

01:03:22,890 --> 01:03:20,050

a much better bet is to go for a

1332

01:03:26,280 --> 01:03:22,900

certified professional Midwife in the

1333

01:03:28,800 --> 01:03:26,290

United States so that they are much more

1334

01:03:31,800 --> 01:03:28,810

prepared to work with people who are

1335

01:03:34,290 --> 01:03:31,810

interested in avoiding technological

1336

01:03:36,900 --> 01:03:34,300

interference and doing home births

1337

01:03:40,110 --> 01:03:36,910

they're usually much more skilled and

1338

01:03:42,000 --> 01:03:40,120

adept and practiced at the art of home

1339

01:03:44,490 --> 01:03:42,010

birth so finding a certified

1340

01:03:48,900 --> 01:03:44,500

professional Midwife doing everything

1341

01:03:51,630 --> 01:03:48,910

you can to learn about natural birth

1342

01:03:54,600 --> 01:03:51,640

watching as many films as you can on

1343

01:03:57,360 --> 01:03:54,610

this topic I think birth as we know it

1344

01:03:59,670 --> 01:03:57,370

birth as we know it is the most

1345

01:04:00,510 --> 01:03:59,680

important film that I've ever seen on

1346

01:04:03,720 --> 01:04:00,520

this topic

1347

01:04:05,700 --> 01:04:03,730

by Elena tonetti in terms of

1348

01:04:08,940 --> 01:04:05,710

understanding the power of natural birth

1349

01:04:12,330 --> 01:04:08,950

and the damage that birth trauma can and

1350

01:04:15,090 --> 01:04:12,340

you know can inflict on us also watching

1351
01:04:16,770 --> 01:04:15,100
videos on birth trauma so that you can

1352
01:04:20,070 --> 01:04:16,780
understand the things that are causing

1353
01:04:22,590 --> 01:04:20,080
birth trauma and try to avoid them read

1354
01:04:25,260 --> 01:04:22,600
my book birth trauma and the dark side

1355
01:04:27,210 --> 01:04:25,270
of modern medicine read my forthcoming

1356
01:04:30,930 --> 01:04:27,220
book the dark side of prenatal

1357
01:04:33,930 --> 01:04:30,940
ultrasound educate yourself watch films

1358
01:04:37,830 --> 01:04:33,940
very important and do the research get

1359
01:04:40,200 --> 01:04:37,840
books like Susan weeds book on herbal

1360
01:04:42,870 --> 01:04:40,210
for the childbearing year I don't know

1361
01:04:48,540 --> 01:04:42,880
the exact name of the book her name is

1362
01:04:51,450 --> 01:04:48,550
Susan su su n we W EE D and learn about

1363
01:04:54,270 --> 01:04:51,460

the herbs that will help you conceive in

1364

01:04:57,270 --> 01:04:54,280

a healthy condition perhaps help you

1365

01:05:00,450 --> 01:04:57,280

detox and ready your body for conception

1366

01:05:02,730 --> 01:05:00,460

and help you during labor so that you

1367

01:05:05,610 --> 01:05:02,740

can avoid the use of technological

1368

01:05:08,040 --> 01:05:05,620

interventions and use those things which

1369

01:05:11,100 --> 01:05:08,050

the Creator has given us right from the

1370

01:05:14,070 --> 01:05:11,110

very beginning to support your process

1371

01:05:16,890 --> 01:05:14,080

of childbirth prepare your body for

1372

01:05:19,910 --> 01:05:16,900

childbirth by drinking red raspberry

1373

01:05:21,860 --> 01:05:19,920

late leaf tea for example or

1374

01:05:24,710 --> 01:05:21,870

falfa leaf if you want to have plenty of

1375

01:05:27,770 --> 01:05:24,720

vitamin K and avoid that ridiculously

1376

01:05:30,980 --> 01:05:27,780

toxic vitamin K shot or any of their

1377

01:05:33,200 --> 01:05:30,990

toxic synthetic drugs learn about the

1378

01:05:35,390 --> 01:05:33,210

herbs that will provide you and your

1379

01:05:38,840 --> 01:05:35,400

baby with everything that your body

1380

01:05:41,540 --> 01:05:38,850

needs to have a healthy pregnancy and a

1381

01:05:43,970 --> 01:05:41,550

healthy and gentle birth and learn about

1382

01:05:46,820 --> 01:05:43,980

the herbs that will help you move

1383

01:05:50,510 --> 01:05:46,830

through difficult times during the birth

1384

01:05:53,210 --> 01:05:50,520

process okay things like blue cohosh and

1385

01:05:55,310 --> 01:05:53,220

black cohosh herbs that will stop any

1386

01:05:57,620 --> 01:05:55,320

sign of hemorrhage all of these things

1387

01:05:59,360 --> 01:05:57,630

are things that would be beneficial for

1388

01:06:02,570 --> 01:05:59,370

you to educate yourself about and

1389

01:06:04,580 --> 01:06:02,580

hopefully a midwife would be educated

1390

01:06:07,930 --> 01:06:04,590

about if you've had any past

1391

01:06:12,780 --> 01:06:07,940

miscarriages any any stillbirths any

1392

01:06:16,860 --> 01:06:12,790

abortions you are carrying birth trauma

1393

01:06:19,170 --> 01:06:16,870

and it is very important to try to get

1394

01:06:22,410 --> 01:06:19,180

it out of your body before you give

1395

01:06:24,390 --> 01:06:22,420

birth this is the work that I do this is

1396

01:06:27,210 --> 01:06:24,400

what I'm helping people do if you are

1397

01:06:32,220 --> 01:06:27,220

interested in such work please email me

1398

01:06:35,040 --> 01:06:32,230

at Jenice barceló at yahoo.com or visit

1399

01:06:37,950 --> 01:06:35,050

my website at birth of a new earth comm

1400

01:06:40,500 --> 01:06:37,960

and read everything on my website you

1401
01:06:43,410 --> 01:06:40,510
know there's great stuff there even for

1402
01:06:45,150 --> 01:06:43,420
fathers about what fathers can do to

1403
01:06:47,280 --> 01:06:45,160
protect their partner is what they

1404
01:06:49,830 --> 01:06:47,290
should do during hospital birth I've

1405
01:06:52,590 --> 01:06:49,840
offered courses specifically for fathers

1406
01:06:55,770 --> 01:06:52,600
I have so much information available for

1407
01:06:58,110 --> 01:06:55,780
free on my website and also all over my

1408
01:07:00,270 --> 01:06:58,120
youtube channel that I don't think

1409
01:07:02,430 --> 01:07:00,280
you'll get a better education from

1410
01:07:04,920 --> 01:07:02,440
anybody else I honestly don't I don't

1411
01:07:07,830 --> 01:07:04,930
think my most midwives are clued in to

1412
01:07:09,750 --> 01:07:07,840
the issue of birth trauma and certainly

1413
01:07:12,240 --> 01:07:09,760

they're not courageous enough to address

1414

01:07:15,330 --> 01:07:12,250

it with most people and yet if your

1415

01:07:18,000 --> 01:07:15,340

birth locks up you know if you go into

1416

01:07:20,790 --> 01:07:18,010

work through past trauma and if you have

1417

01:07:23,280 --> 01:07:20,800

somebody that's aware of this and can

1418

01:07:26,160 --> 01:07:23,290

help you process it this can be

1419

01:07:28,920 --> 01:07:26,170

extremely beneficial instead of trying

1420

01:07:32,990 --> 01:07:28,930

to introduce drugs to override the

1421

01:07:36,510 --> 01:07:33,000

process which will always be harmful and

1422

01:07:39,840 --> 01:07:36,520

induce more trauma so there's things

1423

01:07:42,600 --> 01:07:39,850

that we can do that's a basic overview I

1424

01:07:45,930 --> 01:07:42,610

mean I've worked with people who have

1425

01:07:48,830 --> 01:07:45,940

avoided prenatal care and the hospital

1426

01:07:51,960 --> 01:07:48,840

system entirely and have not allowed

1427

01:07:55,050 --> 01:07:51,970

these forces to touch their children and

1428

01:07:57,390 --> 01:07:55,060

this is this is not an easy thing for

1429

01:07:59,910 --> 01:07:57,400

most people to do most people would

1430

01:08:03,180 --> 01:07:59,920

never have the guts to do it

1431

01:08:04,890 --> 01:08:03,190

it is tough but you know after you've

1432

01:08:10,050 --> 01:08:04,900

had a baby that's become autistic

1433

01:08:13,050 --> 01:08:10,060

because of the extreme abuse while it

1434

01:08:15,360 --> 01:08:13,060

was inflicted on this baby and this baby

1435

01:08:18,240 --> 01:08:15,370

you know one of my clients her baby was

1436

01:08:21,630 --> 01:08:18,250

not even vaccinated hmm but they kept

1437

01:08:22,859 --> 01:08:21,640

artistic autistic because of all the

1438

01:08:24,660 --> 01:08:22,869

trauma

1439

01:08:26,280 --> 01:08:24,670

from the first birth and the second

1440

01:08:28,829 --> 01:08:26,290

birth there was some traumatic

1441

01:08:30,959 --> 01:08:28,839

repetition you know by the third birth

1442

01:08:33,539 --> 01:08:30,969

she said they're gonna throw me into

1443

01:08:35,910 --> 01:08:33,549

high risk I'm not going they're gonna

1444

01:08:38,700 --> 01:08:35,920

harm me they're gonna hurt my baby I'm

1445

01:08:41,820 --> 01:08:38,710

not gonna expose my baby to this so

1446

01:08:45,660 --> 01:08:41,830

sometimes you know you gotta be backed

1447

01:08:47,849 --> 01:08:45,670

into a corner with tremendous abuse to

1448

01:08:51,059 --> 01:08:47,859

yourself and your babies before you have

1449

01:08:52,890 --> 01:08:51,069

the courage to say no way I'm not

1450

01:08:54,390 --> 01:08:52,900

letting them touch me this time while my

1451

01:08:57,780 --> 01:08:54,400

baby hmm

1452

01:09:00,749 --> 01:08:57,790

right well that is some great advice

1453

01:09:03,030 --> 01:09:00,759

that should get people started and I'm

1454

01:09:04,379 --> 01:09:03,040

so on board with a lot of what you've

1455

01:09:06,809 --> 01:09:04,389

pointed out today but I'm sure some

1456

01:09:09,149 --> 01:09:06,819

listeners find parts to be a little

1457

01:09:11,579 --> 01:09:09,159

extreme or over-the-top but to play

1458

01:09:14,039 --> 01:09:11,589

devil's advocate here almost everyone

1459

01:09:16,559 --> 01:09:14,049

listening has gone through a hospital

1460

01:09:19,050 --> 01:09:16,569

birth I'm sure 90% of the guys listening

1461

01:09:22,740 --> 01:09:19,060

are circumcised we've all probably been

1462

01:09:24,930 --> 01:09:22,750

vaccinated and many of us feel fine what

1463

01:09:27,390 --> 01:09:24,940

else can be said in summary to further

1464

01:09:29,160 --> 01:09:27,400

the point that this process really is as

1465

01:09:31,439 --> 01:09:29,170

bad as we've been discussing when so

1466

01:09:32,939 --> 01:09:31,449

many of us have been through it so many

1467

01:09:37,740 --> 01:09:32,949

of us have been through it and we've

1468

01:09:41,160 --> 01:09:37,750

made it out alive so our bodies our

1469

01:09:45,300 --> 01:09:41,170

physical bodies have made it out but our

1470

01:09:48,870 --> 01:09:45,310

spiritual capacities have been made no

1471

01:09:51,660 --> 01:09:48,880

and so I don't know of anyone that has

1472

01:09:53,999 --> 01:09:51,670

their spiritual capacities intact and in

1473

01:09:56,459 --> 01:09:54,009

order to understand what that means I

1474

01:09:59,790 --> 01:09:56,469

encourage people to read the ringing

1475

01:10:03,510 --> 01:09:59,800

ceders books ringing like a bell and

1476

01:10:07,260 --> 01:10:03,520

Cedars like the trees ringing Cedars

1477

01:10:09,339 --> 01:10:07,270

calm in order to understand what a

1478

01:10:12,520 --> 01:10:09,349

pristine

1479

01:10:15,970 --> 01:10:12,530

earthling I won't say human because a

1480

01:10:19,479 --> 01:10:15,980

human is an altered man

1481

01:10:24,650 --> 01:10:19,489

all right what a pristine earthling was

1482

01:10:28,049 --> 01:10:24,660

capable of prior to genetic modification

1483

01:10:32,859 --> 01:10:28,059

and the attack through trauma

1484

01:10:36,609 --> 01:10:32,869

we have no concept of what we could do

1485

01:10:39,819 --> 01:10:36,619

if we had our capacities intact many of

1486

01:10:44,899 --> 01:10:39,829

us have a very damaged ability to create

1487

01:10:51,680 --> 01:10:49,490

that's one clear indication that we have

1488

01:10:54,379 --> 01:10:51,690

suffered from trauma if you've gone

1489

01:10:57,169 --> 01:10:54,389

through several divorces if you've never

1490

01:11:00,290 --> 01:10:57,179

been able to get married or to even

1491

01:11:03,169 --> 01:11:00,300

experience what I'm talking about when I

1492

01:11:07,160 --> 01:11:03,179

say the neurobiology of love if you've

1493

01:11:10,030 --> 01:11:07,170

never felt that love just from looking

1494

01:11:12,740 --> 01:11:10,040

in somebody's eyes I'm not talking about

1495

01:11:17,050 --> 01:11:12,750

orgasm it's a totally different

1496

01:11:18,320 --> 01:11:17,060

experience orgasm is stunted and

1497

01:11:21,020 --> 01:11:18,330

incomplete

1498

01:11:23,959 --> 01:11:21,030

you know the neurobiology of love is

1499

01:11:26,600 --> 01:11:23,969

immense and it floods the whole system

1500

01:11:29,360 --> 01:11:26,610

if you've never experienced that then

1501

01:11:32,110 --> 01:11:29,370

you are altered if you have a difficult

1502

01:11:35,330 --> 01:11:32,120

relationship with your mother especially

1503

01:11:39,380 --> 01:11:35,340

then you have been traumatized and

1504

01:11:46,490 --> 01:11:42,169

and the same goes for your father

1505

01:11:50,560 --> 01:11:46,500

okay if you are willingly handing your

1506

01:11:53,930 --> 01:11:50,570

baby over for vaccines our circumcision

1507

01:11:56,510 --> 01:11:53,940

is something not right you're not

1508

01:11:59,390 --> 01:11:56,520

thinking clearly there's something

1509

01:12:02,600 --> 01:11:59,400

that's happened to you that's caused

1510

01:12:05,620 --> 01:12:02,610

brain damage enough for you not to have

1511

01:12:10,070 --> 01:12:05,630

the instincts to protect your offspring

1512

01:12:12,350 --> 01:12:10,080

hmm well this has been so eye-opening a

1513

01:12:14,540 --> 01:12:12,360

little graphic at times but it is what

1514

01:12:16,250 --> 01:12:14,550

it is before I really let you go please

1515

01:12:18,380 --> 01:12:16,260

1528

01:12:53,450 --> 01:12:50,219

on my website also on my youtube channel

1529

01:12:56,020 --> 01:12:53,460

go to the YouTube channel of Janee sport

1531

01:13:01,490 --> 01:12:59,909

sello which has less videos but still

1532

01:13:04,640 --> 01:13:01,500

there's a lot of information there as

1533

01:13:07,070 --> 01:13:04,650

well I have a blog which is probably a

1534

01:13:08,990 --> 01:13:07,080

little bit too hard-hitting for most

1535

01:13:12,500 --> 01:13:09,000

people but it's getting a lot of hits

1536

01:13:15,020 --> 01:13:12,510

you know almost 5 million views and

1537

01:13:18,740 --> 01:13:15,030

that's birth of a new earth dot blog

1538

01:13:21,200 --> 01:13:18,750

spot.com it's very very hard-hitting and

1539

01:13:23,990 --> 01:13:21,210

it's not specifically about the birth

1540

01:13:26,840 --> 01:13:24,000

process you'll find much more about

1541

01:13:29,630 --> 01:13:26,850

pregnancy and childbirth on my website

1542

01:13:32,390 --> 01:13:29,640

at birth of a new earth calm please

1543

01:13:36,169 --> 01:13:32,400

watch for my book the dark side a

1544

01:13:38,930 --> 01:13:36,179

prenatal ultrasound and please forgive

1545

01:13:41,630 --> 01:13:38,940

me if I've caused you any pain during

1546

01:13:45,800 --> 01:13:41,640

this show because I know it's very very

1547

01:13:50,030 --> 01:13:45,810

painful to address this and I'm I really

1548

01:13:54,320 --> 01:13:50,040

I feel badly to cause people pain but is

1549

01:13:56,060 --> 01:13:54,330

so needed for us to understand this yeah

1550

01:13:59,660 --> 01:13:56,070

sometimes the truth hurts

1551

01:14:01,430 --> 01:13:59,670

but well thanks again definitely a

1552

01:14:04,129 --> 01:14:01,440

unique show that's gonna make a lot of

1553

01:14:06,140 --> 01:14:04,139

people think so mission accomplished and

1554

01:14:06,589 --> 01:14:06,150

take care of yourself out there thanks

1555

01:14:09,410 --> 01:14:06,599

again

1556

01:14:10,280 --> 01:14:09,420

thank you Greg god bless you as well and

1557

01:14:13,609 --> 01:14:10,290

bye buddy

1558

01:14:18,290 --> 01:14:13,619

bye-bye take care Wow ladies and

1559

01:14:20,780 --> 01:14:18,300

gentlemen Jim nice barceló serious stuff

1560

01:14:22,790 --> 01:14:20,790

she does not mince words and I like that

1561

01:14:24,680 --> 01:14:22,800

I thought it was a pretty unique show

1562

01:14:27,290 --> 01:14:24,690

for us to do a subject that hasn't

1563

01:14:29,300 --> 01:14:27,300

really been covered in full and kids are

1564

01:14:31,520 --> 01:14:29,310

not really in my immediate future but it

1565

01:14:33,560 --> 01:14:31,530

was a nice show to do and the wife you

1566

01:14:36,169 --> 01:14:33,570

know she puts together the show notes so

1567

01:14:38,560 --> 01:14:36,179

she grabs all the links so she saw even

1568

01:14:42,319 --> 01:14:38,570

more and was saying yeah [h__h] pitocin

1569

01:14:44,390 --> 01:14:42,329

not interested and we definitely went on

1570

01:14:46,189 --> 01:14:44,400

a few tangents in this episode but when

1571

01:14:49,069 --> 01:14:46,199

we were able to just go through that

1572

01:14:51,169 --> 01:14:49,079

hospital birth protocol step-by-step I

1573

01:14:54,140 --> 01:14:51,179

thought it was really compelling stuff

1574

01:14:56,450 --> 01:14:54,150

and I know it's a lot to take in at once

1575

01:14:59,600 --> 01:14:56,460

and not every aspect is going to apply

1576

01:15:01,819 --> 01:14:59,610

to every person situation but even if

1577

01:15:05,089 --> 01:15:01,829

20% of this is as harmful as we

1578

01:15:07,580 --> 01:15:05,099

discussed that is too much I've talked

1579

01:15:10,339 --> 01:15:07,590

to a lot of recent parents who had

1580

01:15:12,140 --> 01:15:10,349

regrets about certain aspects of the

1581

01:15:15,500 --> 01:15:12,150

process that they didn't really think

1582

01:15:19,760 --> 01:15:15,510

through or consider beforehand that were

1583

01:15:22,760 --> 01:15:19,770

just kind of tacked on or rushed through

1584

01:15:24,379 --> 01:15:22,770

or just kind of assumed and they weren't

1585

01:15:26,569 --> 01:15:24,389

super happy with that when they

1586

01:15:29,209 --> 01:15:26,579

reflected on it later and that's

1587

01:15:31,250 --> 01:15:29,219

something that I try to keep in mind I'm

1588

01:15:33,229 --> 01:15:31,260

also not a guy who's out there watching

1589

01:15:35,149 --> 01:15:33,239

a lot of birthing videos but I thought I

1590

01:15:36,830 --> 01:15:35,159

owed it to myself before this interview

1591

01:15:39,609 --> 01:15:36,840

to see if I really thought these

1592

01:15:42,439 --> 01:15:39,619

ecstatic or orgasmic birds were

1593

01:15:44,810 --> 01:15:42,449

exaggerated and it's pretty wild to see

1594

01:15:48,260 --> 01:15:44,820

birth after birth that looked like the

1595

01:15:51,339 --> 01:15:48,270

women are in almost no pain it is worth

1596

01:15:53,870 --> 01:15:51,349

a watch some of them you know

1597

01:15:56,540 --> 01:15:53,880

tangentially speaking with their dynamic

1598

01:15:59,240 --> 01:15:56,550

or a bit too open for me no pun intended

1599

01:16:01,399 --> 01:15:59,250

but the husband and kids are naked with

1600

01:16:03,319 --> 01:16:01,409

the mom and a kiddie pool and that's

1601

01:16:05,359 --> 01:16:03,329

great you know big happy family but

1602

01:16:07,040 --> 01:16:05,369

that's where I know I'm gonna draw the

1603

01:16:08,419 --> 01:16:07,050

line if you aren't birthing a human

1604

01:16:10,080 --> 01:16:08,429

being there's no reason for you to be

1605

01:16:11,430 --> 01:16:10,090

naked some

1606

01:16:13,410 --> 01:16:11,440

is filming us okay your nine-year-old

1607

01:16:15,899 --> 01:16:13,420

swimming around naked and a birthing

1608

01:16:16,609 --> 01:16:15,909

pool in the living room but this is not

1609

01:16:20,010 --> 01:16:16,619

the point

1610

01:16:21,629 --> 01:16:20,020

just give them a watch because you can

1611

01:16:24,810 --> 01:16:21,639

tell if someone's in pain or not and

1612

01:16:27,270 --> 01:16:24,820

these are women on no drugs so judge for

1613

01:16:29,160 --> 01:16:27,280

yourself but how about that ultrasound

1614

01:16:31,310 --> 01:16:29,170

info that's definitely something I'm

1615

01:16:33,990 --> 01:16:31,320

gonna take to heart I'm already a pretty

1616

01:16:36,689 --> 01:16:34,000

less-is-more kind of guy but that did

1617

01:16:38,669 --> 01:16:36,699

just drive at home I hope if anything

1618

01:16:40,800 --> 01:16:38,679

with the tens of thousands of people

1619

01:16:43,709 --> 01:16:40,810

listening that we did cut down on some

1620

01:16:45,990 --> 01:16:43,719

radiation exposure maybe we make some

1621

01:16:47,280 --> 01:16:46,000

potential parents dig deeper into these

1622

01:16:49,530 --> 01:16:47,290

topics and find out what they're

1623

01:16:51,750 --> 01:16:49,540

comfortable with and again just don't

1624

01:16:53,580 --> 01:16:51,760

wait to the last minute and think these

1625

01:16:55,890 --> 01:16:53,590

things through sure we all want to test

1626

01:16:57,689 --> 01:16:55,900

our growing feet eye and make sure

1627

01:17:00,510 --> 01:16:57,699

everything is healthy in the incubator

1628

01:17:03,419 --> 01:17:00,520

but do be careful and thoughtful about

1629

01:17:06,089 --> 01:17:03,429

everything you do in that process I was

1630

01:17:08,879 --> 01:17:06,099

also thinking as Jenice kept bringing up

1631

01:17:11,669 --> 01:17:08,889

birthing trauma maybe this is a little

1632

01:17:14,280 --> 01:17:11,679

far but it could be that for some people

1633

01:17:16,709 --> 01:17:14,290

it's bad enough to induce abduction like

1634

01:17:19,609 --> 01:17:16,719

dreams poking and prodding medical

1635

01:17:22,950 --> 01:17:19,619

experiments PTSD type stuff who knows

1636

01:17:24,899 --> 01:17:22,960

but it is curiously like the scene of

1637

01:17:28,169 --> 01:17:24,909

some abductions

1638

01:17:30,419 --> 01:17:28,179

maybe it's birthing trauma I'm sure it's

1639

01:17:32,669 --> 01:17:30,429

more than just that but I wouldn't be

1640

01:17:35,850 --> 01:17:32,679

surprised if some people have lifelong

1641

01:17:38,129 --> 01:17:35,860

nightmares about aspects of that anyway

1642

01:17:40,530 --> 01:17:38,139

do check out her site birth of a new

1643

01:17:43,200 --> 01:17:40,540

earth calm she even has a piece on

1644

01:17:46,260 --> 01:17:43,210

droopy eye syndrome an indication you've

1645

01:17:48,680 --> 01:17:46,270

been a victim of MKULTRA abuse and she's

1646

01:17:52,320 --> 01:17:48,690

got so many Hollywood folks on they're

1647

01:17:54,359 --> 01:17:52,330

very topical very poignant check it out

1648

01:17:56,609 --> 01:17:54,369

I do wish we could have gotten to that

1649

01:18:01,169 --> 01:17:56,619

but sometimes it's also nice to be like

1650

01:18:03,870 --> 01:18:01,179

BAM two hours essentially one topic so

1651

01:18:05,970 --> 01:18:03,880

also let's just do that part now but as

1652

01:18:07,830 --> 01:18:05,980

always if you liked the first hour join

1653

01:18:10,320 --> 01:18:07,840

the higher side chats plus and get the

1654

01:18:12,959 --> 01:18:10,330

second the higher side chats plus calm

1655

01:18:15,359 --> 01:18:12,969

five bucks a month for an extra hour of

1656

01:18:18,839 --> 01:18:15,369

all five shows each month you can also

1657

01:18:20,729 --> 01:18:18,849

sign up through patreon now what aspects

1658

01:18:22,860 --> 01:18:20,739

do we talk about in this episode well

1659

01:18:24,960 --> 01:18:22,870

how about cutting the cord

1660

01:18:26,790 --> 01:18:24,970

in weak Birds and raising some scary

1661

01:18:29,520 --> 01:18:26,800

occult implications for giving away your

1662

01:18:31,110 --> 01:18:29,530

baby's blood I thought this was super

1663

01:18:33,660 --> 01:18:31,120

important obviously we talked about it

1664

01:18:36,450 --> 01:18:33,670

on multiple levels but really just on a

1665

01:18:38,520 --> 01:18:36,460

base one stop cutting that cord so early

1666

01:18:40,470 --> 01:18:38,530

it does seem like your baby needs those

1667

01:18:45,570 --> 01:18:40,480

nutrients it's gonna suck them in and

1668

01:18:47,490 --> 01:18:45,580

have a strong first day seems important

1669

01:18:49,710 --> 01:18:47,500

but we did get into how much of that

1670

01:18:52,710 --> 01:18:49,720

pain and childbirth is unavoidable

1671

01:18:54,510 --> 01:18:52,720

versus how much is situational also more

1672

01:18:55,950 --> 01:18:54,520

on the creator and the spiritual

1673

01:18:58,680 --> 01:18:55,960

implications of all this the

1674

01:19:00,900 --> 01:18:58,690

sexualization of children the dark

1675

01:19:03,060 --> 01:19:00,910

ritual of circumcision and the blood

1676

01:19:06,570 --> 01:19:03,070

sucking by mouth tradition that still

1677

01:19:10,350 --> 01:19:06,580

goes on today the vaccine and I own mint

1678

01:19:13,440 --> 01:19:10,360

components episiotomy Jesus do not

1679

01:19:16,050 --> 01:19:13,450

remind me about episiotomy z' but also

1680

01:19:19,260 --> 01:19:16,060

we talked about the modern practice of

1681

01:19:21,740 --> 01:19:19,270

making life from the eggs of dead women

1682

01:19:25,890 --> 01:19:21,750

and the sperm of dead men in the lab

1683

01:19:29,130 --> 01:19:25,900

wild stuff very interesting I think it's

1684

01:19:31,200 --> 01:19:29,140

time you treat yourself anyway I do try

1685

01:19:33,780 --> 01:19:31,210

to cast a wide net and cover a lot of

1686

01:19:36,500 --> 01:19:33,790

diverse ground and you be the judge but

1687

01:19:38,550 --> 01:19:36,510

another point about this show is

1688

01:19:40,680 --> 01:19:38,560

imprinting I definitely think the

1689

01:19:43,170 --> 01:19:40,690

hospital process interferes with that on

1690

01:19:45,960 --> 01:19:43,180

multiple levels and imprinting is a big

1691

01:19:47,700 --> 01:19:45,970

deal it's very easy to see ducklings

1692

01:19:49,170 --> 01:19:47,710

will follow a dog around if it's the

1693

01:19:52,620 --> 01:19:49,180

first thing they see when they're born

1694

01:19:54,540 --> 01:19:52,630

the fetus also looks for clues about its

1695

01:19:56,820 --> 01:19:54,550

environment very early on they did this

1696

01:19:59,430 --> 01:19:56,830

study a couple of times during famines

1697

01:20:01,530 --> 01:19:59,440

and found that the babies digestion or

1698

01:20:04,470 --> 01:20:01,540

maybe a better word would be metabolism

1699

01:20:06,450 --> 01:20:04,480

has changed for life based on the clues

1700

01:20:08,910 --> 01:20:06,460

they got from their environment the

1701

01:20:11,340 --> 01:20:08,920

signals coming in in the environment

1702

01:20:13,890 --> 01:20:11,350

which they were grown so yeah these

1703

01:20:16,410 --> 01:20:13,900

things do seem to matter and it might

1704

01:20:19,170 --> 01:20:16,420

sound intense to commit to a non

1705

01:20:21,540 --> 01:20:19,180

Hospital birth but we all come from a

1706

01:20:23,970 --> 01:20:21,550

long line of people who are not born in

1707

01:20:26,490 --> 01:20:23,980

hospitals granted you want things to be

1708

01:20:28,950 --> 01:20:26,500

clean you want to educate yourself and

1709

01:20:31,620 --> 01:20:28,960

prepare but to quote Rob Schneider you

1710

01:20:34,680 --> 01:20:31,630

can do it and with that I'm out of here

1711

01:20:36,720 --> 01:20:34,690

oh I guess I should also say as far as

1712

01:20:38,910 --> 01:20:36,730

Wolfgang's trial they did have a

1713

01:20:42,060 --> 01:20:38,920

pre-trial proceeding that you could see

1714

01:20:43,890 --> 01:20:42,070

on YouTube I also heard earlier today

1715

01:20:46,080 --> 01:20:43,900

just a couple hours ago that the lawsuit

1716

01:20:48,690 --> 01:20:46,090

was dropped and then I did hear that it

1717

01:20:50,610 --> 01:20:48,700

wasn't so I'm not sure I haven't heard

1718

01:20:52,050 --> 01:20:50,620

definitively from him it's tough when

1719

01:20:53,610 --> 01:20:52,060

the guy doesn't have social media I

1720

01:20:56,310 --> 01:20:53,620

don't want to bother him but the

1721

01:20:58,800 --> 01:20:56,320

deposition aspect is scheduled for

1722

01:21:01,080 --> 01:20:58,810

tomorrow as far as I know but I just

1723

01:21:02,670 --> 01:21:01,090

wanted to keep you updated which is

1724

01:21:06,240 --> 01:21:02,680

really to say I don't know what's going

1725

01:21:08,670 --> 01:21:06,250

on but I'm thinking about it and with

1726

01:21:11,190 --> 01:21:08,680

that I'm getting out of here big thanks

1727

01:21:13,380 --> 01:21:11,200

again to Jenice I've done my part

1728

01:21:15,600 --> 01:21:13,390

your move deviant doctors hellish

1729

01:21:22,070 --> 01:21:15,610

hospitals and masochistic medical

1730

01:21:32,300 --> 01:21:27,660

they built a little Empire out of some

1731

01:21:38,220 --> 01:21:32,310

crazy garbage called the blood on the

1732

01:21:42,030 --> 01:21:38,230

exploited working class but they've all

1733

01:21:47,000 --> 01:21:42,040

become a shininess now we're calling

1734

01:21:54,600 --> 01:21:47,010

them your highness and the world screams

1735

01:21:59,030 --> 01:21:54,610

save me THC they destroyed the bonds of

1736

01:22:03,810 --> 01:21:59,040

friendship and respect between the only

1737

01:22:05,840 --> 01:22:03,820

people left who'd even look them in the

1738

01:22:10,200 --> 01:22:05,850

eye

1739

01:22:14,910 --> 01:22:10,210

now they laugh and make a fortune off

1740

01:22:19,210 --> 01:22:14,920

the same ones that they tortured and a

1741

01:22:27,540 --> 01:22:19,220

world screams save me THC

1742

01:22:40,750 --> 01:22:29,800

but mister

1743

01:22:52,690 --> 01:22:40,760

Jesus now we are the only one who can

1744

01:22:57,930 --> 01:22:52,700

tell me if it's true - they built a

1745

01:23:01,920 --> 01:22:57,940

little Empire out of some crazy garbage

1746

01:23:08,230 --> 01:23:01,930

called the blood of the exploited

1747

01:23:11,980 --> 01:23:08,240

working class but they've overcome the

1748

01:23:17,220 --> 01:23:11,990

shyness now we're calling them your

1749

01:23:18,740 --> 01:23:17,230

highness and the world screams save me
