

NEIL SANDERS
OUR DATA-DRIVEN WORLD, SEX CRIMES, & THE MANSON MURDERS COVER-UP
PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT THEHIGHERSIDECHATS.COM
LISTEN TO THE EXTENDED SHOW AT THEHIGHERSIDECHATSPUS.COM

1
00:00:07,160 --> 00:00:03,880
[Music]

2
00:00:09,020 --> 00:00:07,170
the plaintiff thought the Masters almost

3
00:00:11,270 --> 00:00:09,030
surely have a plan

4
00:00:18,080 --> 00:00:11,280
this clearly maybe something there

5
00:00:24,930 --> 00:00:21,300
you think you know the less you will be

6
00:00:36,460 --> 00:00:24,940
do that's true dr. Zaius

7
00:00:37,920 --> 00:00:36,470
[Music]

8
00:00:38,690 --> 00:00:37,930
[Applause]

9
00:00:43,880 --> 00:00:38,700
aside

10
00:00:46,740 --> 00:00:43,890
[Music]

11
00:00:48,420 --> 00:00:46,750
all right higher side chatters it's

12
00:00:50,850 --> 00:00:48,430
clear to me that the mind-control

13
00:00:52,920 --> 00:00:50,860

propaganda and disinformation dials have

14

00:00:55,320 --> 00:00:52,930

been turned up to 11 in a culture that

15

00:00:57,840 --> 00:00:55,330

seems more erratic polarized and on edge

16

00:01:00,000 --> 00:00:57,850

than it has been in some time yes it

17

00:01:02,550 --> 00:01:00,010

seems like we are a society of lab rats

18

00:01:04,260 --> 00:01:02,560

deep into finely tuned experiments and

19

00:01:06,210 --> 00:01:04,270

manipulation that have been refined with

20

00:01:08,610 --> 00:01:06,220

billions of dollars over many decades

21

00:01:10,350 --> 00:01:08,620

and with a constant bombardment of

22

00:01:12,390 --> 00:01:10,360

information aimed at keeping our palms

23

00:01:14,550 --> 00:01:12,400

sweaty and the heart rate high it's

24

00:01:16,680 --> 00:01:14,560

increasingly nauseating to navigate

25

00:01:19,020 --> 00:01:16,690

between the latest presidential reality

26
00:01:21,060 --> 00:01:19,030
show tweet fest and the daily reports on

27
00:01:22,440 --> 00:01:21,070
Hollywood's latest sacrificial lamb of

28
00:01:24,570 --> 00:01:22,450
sexual misconduct

29
00:01:26,880 --> 00:01:24,580
it's classic sleight of hand tabloid

30
00:01:28,499 --> 00:01:26,890
culture masquerading as real news in an

31
00:01:30,030 --> 00:01:28,509
era where the machine is only getting

32
00:01:32,190 --> 00:01:30,040
more efficient and the screws are only

33
00:01:34,260 --> 00:01:32,200
getting tighter so today I wanted to

34
00:01:35,670 --> 00:01:34,270
bring back a guest we had way way back

35
00:01:38,160 --> 00:01:35,680
in the beginning of the higher side

36
00:01:41,219 --> 00:01:38,170
archive almost exactly three years ago

37
00:01:43,290 --> 00:01:41,229
and that guest is Neil Sanders Neil is a

38
00:01:45,240 --> 00:01:43,300

longtime researcher an expert in the

39

00:01:47,670 --> 00:01:45,250

dark art of mind control who holds

40

00:01:49,320 --> 00:01:47,680

degrees in film studies psychology and

41

00:01:51,810 --> 00:01:49,330

media production as well as being a

42

00:01:53,670 --> 00:01:51,820

qualified hypnotherapist he's also the

43

00:01:55,590 --> 00:01:53,680

author of the one-two punch that is his

44

00:01:57,780 --> 00:01:55,600

dual volume set your thoughts are not

45

00:01:59,640 --> 00:01:57,790

your own with volume one being subtitled

46

00:02:01,980 --> 00:01:59,650

mind control mass manipulation and

47

00:02:04,620 --> 00:02:01,990

perception management and volume two

48

00:02:06,690 --> 00:02:04,630

marketing movies and music but that's

49

00:02:08,969 --> 00:02:06,700

not all folks he's also here hot on the

50

00:02:11,009 --> 00:02:08,979

heels of his latest release of 500 plus

51
00:02:13,229 --> 00:02:11,019
page two hundred thousand word tome

52
00:02:15,060 --> 00:02:13,239
covering the lifetimes and trial of

53
00:02:17,520 --> 00:02:15,070
Charles Manson entitled now is the only

54
00:02:19,949 --> 00:02:17,530
thing that's real a reexamination of the

55
00:02:21,150 --> 00:02:19,959
Manson murders motives and mythos which

56
00:02:23,220 --> 00:02:21,160
I'm sure we'll also be talking about

57
00:02:25,380 --> 00:02:23,230
well let's get this party started people

58
00:02:27,420 --> 00:02:25,390
researcher extraordinaire beacon of

59
00:02:30,259 --> 00:02:27,430
light in the darkest of dark worlds Neil

60
00:02:33,509 --> 00:02:30,269
Sanders welcome back to the higher side

61
00:02:34,890 --> 00:02:33,519
thank you very much yeah man it's a real

62
00:02:36,750 --> 00:02:34,900
pleasure to have you back I always

63
00:02:38,820 --> 00:02:36,760

considered you one of my favorite guests

64

00:02:40,110 --> 00:02:38,830

from the early days and I went back and

65

00:02:42,120 --> 00:02:40,120

listened to that show we did three years

66

00:02:43,740 --> 00:02:42,130

ago just to see how things have changed

67

00:02:46,020 --> 00:02:43,750

and pretty much everything we talked

68

00:02:47,870 --> 00:02:46,030

about then is even more concerning now

69

00:02:50,699 --> 00:02:47,880

social media controlling our lives

70

00:02:53,610 --> 00:02:50,709

sexual abuses by the privileged class

71

00:02:55,199 --> 00:02:53,620

propaganda and entertainment and I guess

72

00:02:56,010 --> 00:02:55,209

to get us started I would just ask how

73

00:02:58,020 --> 00:02:56,020

you feel about

74

00:02:59,700 --> 00:02:58,030

today compared to a few years ago are

75

00:03:01,380 --> 00:02:59,710

you all surprised at the current climate

76

00:03:03,390 --> 00:03:01,390

or is it just as you might have expected

77

00:03:05,820 --> 00:03:03,400

since writing your thoughts are not your

78

00:03:07,770 --> 00:03:05,830

own well we call it some I'm rather

79

00:03:11,460 --> 00:03:07,780

surprised by the way that the Internet

80

00:03:13,200 --> 00:03:11,470

is being used in as much as basically

81

00:03:14,880 --> 00:03:13,210

quite a lot of people are spreading in

82

00:03:16,410 --> 00:03:14,890

quite a lot of rubbish around on the

83

00:03:18,420 --> 00:03:16,420

internet there's a lot of sites that

84

00:03:20,730 --> 00:03:18,430

popped up for example light and neon

85

00:03:23,250 --> 00:03:20,740

metal is a prime example that just

86

00:03:25,710 --> 00:03:23,260

basically print lives and he submits a

87

00:03:27,660 --> 00:03:25,720

business venture he currently not the

88

00:03:29,640 --> 00:03:27,670

lowly candle and has especially when

89

00:03:31,560 --> 00:03:29,650

you're dealing with subjects like sexual

90

00:03:32,940 --> 00:03:31,570

abuse child abuse that type of thing

91

00:03:34,980 --> 00:03:32,950

spreading you stuff that is basically

92

00:03:37,320 --> 00:03:34,990

red herrings is despicable actually

93

00:03:39,000 --> 00:03:37,330

doing it purposefully for some reason

94

00:03:41,670 --> 00:03:39,010

people don't seem to be honed in on the

95

00:03:44,100 --> 00:03:41,680

fact that all the same elements that

96

00:03:45,150 --> 00:03:44,110

exist in the mainstream media that sort

97

00:03:47,670 --> 00:03:45,160

of propaganda techniques the

98

00:03:50,610 --> 00:03:47,680

manipulation techniques the astroturf

99

00:03:53,970 --> 00:03:50,620

thing be Latin you know fake heroes fake

100

00:03:56,730 --> 00:03:53,980

gurus fake grassroots activism programs

101
00:03:57,570 --> 00:03:56,740
and under the like that exists in the

102
00:04:00,720 --> 00:03:57,580
realm of the Internet

103
00:04:04,500 --> 00:04:00,730
probably more so than in the mainstream

104
00:04:06,000 --> 00:04:04,510
media to be quite honest and yet it's

105
00:04:07,470 --> 00:04:06,010
it's astonishing it is still surprising

106
00:04:09,300 --> 00:04:07,480
actually how many people have just

107
00:04:12,390 --> 00:04:09,310
completely beholden to the mainstream

108
00:04:14,910 --> 00:04:12,400
news as all that sort of nonsense like

109
00:04:16,620 --> 00:04:14,920
Prince Harry was in the city where I

110
00:04:18,750 --> 00:04:16,630
live recently and people going

111
00:04:20,130 --> 00:04:18,760
absolutely batshit for it and I did

112
00:04:22,140 --> 00:04:20,140
people that I took to be otherwise

113
00:04:25,340 --> 00:04:22,150

sensible we're really really thrilled at

114

00:04:29,250 --> 00:04:25,350

the prospect of this illegitimate

115

00:04:30,720 --> 00:04:29,260

systemic disenfranchising get setting up

116

00:04:32,970 --> 00:04:30,730

and spending some other money

117

00:04:34,530 --> 00:04:32,980

there are standing ovations for the

118

00:04:36,450 --> 00:04:34,540

elite class or something I'll never

119

00:04:38,640 --> 00:04:36,460

understand and I do think you're right

120

00:04:40,470 --> 00:04:38,650

there are so many sites pop up and what

121

00:04:42,990 --> 00:04:40,480

really sucks is that a lot of times this

122

00:04:45,840 --> 00:04:43,000

material this fake stuff they're putting

123

00:04:48,000 --> 00:04:45,850

out there is conspiracy related material

124

00:04:49,020 --> 00:04:48,010

so that just clearly makes us look bad

125

00:04:52,409 --> 00:04:49,030

it makes me look bad

126

00:04:53,970 --> 00:04:52,419

I try to be vigilant but obviously I've

127

00:04:55,980 --> 00:04:53,980

gotten caught on some traps as well I

128

00:04:59,250 --> 00:04:55,990

mean a pretty well-oiled machine it's

129

00:05:00,750 --> 00:04:59,260

hard not to oh absolutely I mean what I

130

00:05:02,220 --> 00:05:00,760

meant by though is these other people

131

00:05:03,659 --> 00:05:02,230

did sort of you know being tricked by it

132

00:05:05,640 --> 00:05:03,669

that's the point of propaganda it's

133

00:05:08,430 --> 00:05:05,650

effectively is the people that have

134

00:05:09,360 --> 00:05:08,440

actively set up these loads to spread

135

00:05:09,749 --> 00:05:09,370

disinformation

136

00:05:11,100 --> 00:05:09,759

I mean

137

00:05:12,779 --> 00:05:11,110

but there's also you know that's how you

138

00:05:14,850 --> 00:05:12,789

poison somebody you don't put it on a

139

00:05:16,350 --> 00:05:14,860

plate with a flag on it that says poison

140

00:05:18,409 --> 00:05:16,360

you put it in a favorite mood for meal

141

00:05:21,149 --> 00:05:18,419

you know it's supposed to be a

142

00:05:23,730 --> 00:05:21,159

clandestine manipulation of of

143

00:05:25,799 --> 00:05:23,740

information like the one of them was I

144

00:05:29,299 --> 00:05:25,809

don't understand why anybody twists all

145

00:05:31,679 --> 00:05:29,309

these those Russia today is arty and

146

00:05:33,269 --> 00:05:31,689

they're very again very very skilled at

147

00:05:36,480 --> 00:05:33,279

it because they basically put out about

148

00:05:38,309 --> 00:05:36,490

you know a degree of truth that they put

149

00:05:40,559 --> 00:05:38,319

out a lot of things that wouldn't be

150

00:05:42,269 --> 00:05:40,569

covered in lead the mainstream media

151
00:05:44,129 --> 00:05:42,279
there any problem with Russia today with

152
00:05:46,709 --> 00:05:44,139
as many problems today but it's the own

153
00:05:48,239 --> 00:05:46,719
criminally based you know it's the

154
00:05:51,119 --> 00:05:48,249
direct line of the Russian government

155
00:05:53,730 --> 00:05:51,129
and its tentacles stretch to the FSB

156
00:05:56,519 --> 00:05:53,740
who's used to be a GPS you know it's a

157
00:05:58,439 --> 00:05:56,529
very very sophisticated propaganda

158
00:05:58,950 --> 00:05:58,449
machine and therefore is not to be

159
00:06:01,950 --> 00:05:58,960
trusted

160
00:06:04,260 --> 00:06:01,960
and man man and God I really hate to

161
00:06:06,869 --> 00:06:04,270
contribute to the constant rehashing of

162
00:06:08,610 --> 00:06:06,879
the American election cycle a year after

163
00:06:10,379 --> 00:06:08,620

it happened but you were one of the

164

00:06:13,019 --> 00:06:10,389

first guests I had that brought up

165

00:06:15,119 --> 00:06:13,029

Jeffrey obscene in detail and I just

166

00:06:17,159 --> 00:06:15,129

find it so crazy that we had the

167

00:06:18,839 --> 00:06:17,169

selection between two people so closely

168

00:06:21,480 --> 00:06:18,849

associated with an international

169

00:06:23,010 --> 00:06:21,490

pedophile both sides seem to have

170

00:06:25,110 --> 00:06:23,020

blinders on and when we're talking about

171

00:06:26,909 --> 00:06:25,120

the supporters they have blinders on

172

00:06:28,829 --> 00:06:26,919

when it comes to the crimes of their own

173

00:06:30,959 --> 00:06:28,839

candidate but when it comes to the inner

174

00:06:33,480 --> 00:06:30,969

circle of the actual president it seems

175

00:06:36,689 --> 00:06:33,490

like those links go pretty deep don't

176

00:06:39,209 --> 00:06:36,699

they oh yeah I mean from just a longtime

177

00:06:40,920 --> 00:06:39,219

friend of Jeff red see the destroyed

178

00:06:42,540 --> 00:06:40,930

everybody sort of like that popularize

179

00:06:45,420 --> 00:06:42,550

Jeffrey at Eli we need already been

180

00:06:47,549 --> 00:06:45,430

convicted of pedophilia before this but

181

00:06:49,920 --> 00:06:47,559

basically is when that young girl the

182

00:06:52,199 --> 00:06:49,930

fifteen-year-old masseuse Virginia

183

00:06:56,100 --> 00:06:52,209

Roberts was hired by a jet prep scene

184

00:06:58,260 --> 00:06:56,110

and she works Paul Maher along with his

185

00:07:01,290 --> 00:06:58,270

Trump golf club in Florida Oh believers

186

00:07:03,029 --> 00:07:01,300

that's where Virginia worked age 15

187

00:07:05,010 --> 00:07:03,039

that's where she met cheese lane Maxwell

188

00:07:07,439 --> 00:07:05,020

she's very much fun introduced to Jeff

189

00:07:09,059 --> 00:07:07,449

website and Jeffrey Epstein intro

190

00:07:12,389 --> 00:07:09,069

Maxwell have been good friends with

191

00:07:16,199 --> 00:07:12,399

Trump probably since the nineties the

192

00:07:18,869 --> 00:07:16,209

most sort of damning quote is in 2002

193

00:07:20,939 --> 00:07:18,879

Trump told New York magazine I've known

194

00:07:22,589 --> 00:07:20,949

Jeff for 15 years he's a terrific guy

195

00:07:23,540 --> 00:07:22,599

he's lots of fun to be with

196

00:07:25,490 --> 00:07:23,550

he even said that he

197

00:07:27,380 --> 00:07:25,500

like beautiful women as much as I do and

198

00:07:29,420 --> 00:07:27,390

many of them on the younger side no

199

00:07:32,450 --> 00:07:29,430

doubt about it Jeffery enjoys his social

200

00:07:35,000 --> 00:07:32,460

life like I'm very aware that Bill

201
00:07:38,270 --> 00:07:35,010
Clinton was on the releser Express and

202
00:07:41,650 --> 00:07:38,280
that his name appears a penny on the

203
00:07:44,900 --> 00:07:41,660
flight records forget that it's 19 or 20

204
00:07:46,910 --> 00:07:44,910
2008 a large amount of times but from

205
00:07:48,350 --> 00:07:46,920
the very very same source that those far

206
00:07:50,330 --> 00:07:48,360
as were aware that that came from which

207
00:07:52,970 --> 00:07:50,340
was mark Epstein huge tech rep Stein's

208
00:07:55,460 --> 00:07:52,980
brother he's also confirmed that Donald

209
00:08:00,020 --> 00:07:55,470
Trump was on that same lalita Express at

210
00:08:02,540 --> 00:08:00,030
least twice in 2009 Doyle was subpoenaed

211
00:08:04,550 --> 00:08:02,550
to give a deposition Epstein but the

212
00:08:06,370 --> 00:08:04,560
subpoena was withdrawn when Trump

213
00:08:09,110 --> 00:08:06,380

negotiated to give a voluntary statement

214

00:08:11,960 --> 00:08:09,120

to the police that would be held out of

215

00:08:14,180 --> 00:08:11,970

the court proceedings but he was proven

216

00:08:16,430 --> 00:08:14,190

in this subsequent court case that Trump

217

00:08:18,800 --> 00:08:16,440

called Epstein's Palm Beach estate at

218

00:08:23,180 --> 00:08:18,810

least twice for his private line in

219

00:08:24,920 --> 00:08:23,190

November 2004 embarrass ether 2002 was

220

00:08:27,110 --> 00:08:24,930

showing the Trump regularly died

221

00:08:29,930 --> 00:08:27,120

Epstein's Palm Beach estate he admitted

222

00:08:32,510 --> 00:08:29,940

this in an interview in the New York

223

00:08:34,970 --> 00:08:32,520

Magazine in 2003 Trump was shown to be

224

00:08:36,670 --> 00:08:34,980

dining at Epstein's Manhattan home and

225

00:08:40,490 --> 00:08:36,680

he said this was a regular occurrence

226

00:08:42,800 --> 00:08:40,500

yeah it's totally totally Shady the

227

00:08:45,260 --> 00:08:42,810

other connection with the inner circle

228

00:08:47,420 --> 00:08:45,270

of Trump is Mark Collins retron brought

229

00:08:49,280 --> 00:08:47,430

peers Mark Collins rector and Brock

230

00:08:52,670 --> 00:08:49,290

Pierce well when Mark resurrection was a

231

00:08:54,980 --> 00:08:52,680

known pedophile in 2014 already been

232

00:08:57,410 --> 00:08:54,990

charged with a molestation of a child

233

00:09:00,680 --> 00:08:57,420

and escaped to Spain and been brought

234

00:09:03,020 --> 00:09:00,690

back by international police in 2004

235

00:09:06,350 --> 00:09:03,030

Marcos rector and Brock Pierce started a

236

00:09:09,290 --> 00:09:06,360

business with Steve Balan Steve balland

237

00:09:12,320 --> 00:09:09,300

the former a third person and node to

238

00:09:14,060 --> 00:09:12,330

Breitbart Breitbart owned by Robert

239

00:09:17,660 --> 00:09:14,070

Mercer Robert Mercer is the main

240

00:09:20,060 --> 00:09:17,670

financier of the Trump campaign and the

241

00:09:22,790 --> 00:09:20,070

employer of people at Kellyanne Conway

242

00:09:25,940 --> 00:09:22,800

and various of the people like that and

243

00:09:30,350 --> 00:09:25,950

he's a very basic problem white

244

00:09:32,570 --> 00:09:30,360

nationalist as well to be guys yeah it

245

00:09:34,580 --> 00:09:32,580

is just fascinating to me that both

246

00:09:36,620 --> 00:09:34,590

camps would be so closely associated

247

00:09:37,350 --> 00:09:36,630

with a guy like this and our country is

248

00:09:39,150 --> 00:09:37,360

soap

249

00:09:41,880 --> 00:09:39,160

over here that we really suffer from

250

00:09:43,800 --> 00:09:41,890

this what about ISM where it's like well

251
00:09:45,930 --> 00:09:43,810
you want to point out my side did this

252
00:09:48,630 --> 00:09:45,940
well what about that and it's like how

253
00:09:50,579 --> 00:09:48,640
about both sides are criminal how about

254
00:09:52,290 --> 00:09:50,589
both sides abused children like come on

255
00:09:54,750 --> 00:09:52,300
I thought we were over this left and

256
00:09:56,940 --> 00:09:54,760
right paradigm thing oh absolutely

257
00:09:59,370 --> 00:09:56,950
Tomiko days I think part of the reason

258
00:10:02,329 --> 00:09:59,380
today's is due to very clever marketing

259
00:10:05,130 --> 00:10:02,339
and this this has been told I think

260
00:10:07,110 --> 00:10:05,140
basically is actually been done food elk

261
00:10:09,060 --> 00:10:07,120
of the American government listed it's

262
00:10:11,610 --> 00:10:09,070
really down to the company called

263
00:10:13,430 --> 00:10:11,620

Cambridge analytic at Cambridge analytic

264

00:10:15,900 --> 00:10:13,440

it's a data mining firm they basically

265

00:10:18,269 --> 00:10:15,910

disowned by Robert Mercer the chief

266

00:10:20,250 --> 00:10:18,279

financier of Donald Trump and the owner

267

00:10:22,980 --> 00:10:20,260

of Breitbart who's the employer of me

268

00:10:25,139 --> 00:10:22,990

Loyola populace and Steve banner also

269

00:10:27,090 --> 00:10:25,149

Kellyanne Conway basically what they did

270

00:10:28,889 --> 00:10:27,100

was they merged with a company called SC

271

00:10:31,250 --> 00:10:28,899

L which is a form of British military

272

00:10:33,540 --> 00:10:31,260

intelligence psychological warfare

273

00:10:37,290 --> 00:10:33,550

organization that deals specifically

274

00:10:39,300 --> 00:10:37,300

with directing influencing you know

275

00:10:42,630 --> 00:10:39,310

psychological operations it is often

276

00:10:44,970 --> 00:10:42,640

they've been utilized to sort of do soft

277

00:10:46,259 --> 00:10:44,980

coos in South African countries and

278

00:10:48,120 --> 00:10:46,269

things like that and it has direct

279

00:10:51,030 --> 00:10:48,130

connections in Pentagon British military

280

00:10:53,519 --> 00:10:51,040

intelligence the British Secret Service

281

00:10:56,850 --> 00:10:53,529

Marconi defense systems within US

282

00:10:59,430 --> 00:10:56,860

Marines and US military and I believe

283

00:11:01,889 --> 00:10:59,440

said Prescott already but also directly

284

00:11:04,199 --> 00:11:01,899

to the White House what happened was

285

00:11:06,420 --> 00:11:04,209

basically the Trump campaign employed

286

00:11:09,389 --> 00:11:06,430

actually the bradley campaign employed

287

00:11:11,310 --> 00:11:09,399

this data mining firm to micro-target

288

00:11:12,509 --> 00:11:11,320

people and figure out what was making

289

00:11:14,430 --> 00:11:12,519

them take what they did is they brought

290

00:11:15,840 --> 00:11:14,440

all your facebook data they brought all

291

00:11:17,430 --> 00:11:15,850

your Twitter date and they bought all

292

00:11:19,110 --> 00:11:17,440

your data from what's happening to

293

00:11:20,850 --> 00:11:19,120

Graham and stuff like there and we

294

00:11:23,250 --> 00:11:20,860

basically trawl through it and using

295

00:11:24,420 --> 00:11:23,260

algorithms to figure out what you liked

296

00:11:26,400 --> 00:11:24,430

and what you didn't like

297

00:11:28,319 --> 00:11:26,410

and they micro-targeted to you and they

298

00:11:31,199 --> 00:11:28,329

basically created sort of their accounts

299

00:11:34,259 --> 00:11:31,209

and start conversations with you and

300

00:11:37,800 --> 00:11:34,269

send you fake news articles all directly

301

00:11:39,900 --> 00:11:37,810

specifically to get you riled up and to

302

00:11:43,110 --> 00:11:39,910

get you directed towards supporting a

303

00:11:44,790 --> 00:11:43,120

specific candidate and I think that they

304

00:11:45,870 --> 00:11:44,800

very cleverly took advantage of the fact

305

00:11:47,040 --> 00:11:45,880

that people are massively massively

306

00:11:49,530 --> 00:11:47,050

dissing grunted

307

00:11:51,030 --> 00:11:49,540

and they said the right things they

308

00:11:53,249 --> 00:11:51,040

talked about people being

309

00:11:55,949 --> 00:11:53,259

disenfranchise I talked about the elites

310

00:11:58,710 --> 00:11:55,959

but it was you know it was a lie you

311

00:12:00,449 --> 00:11:58,720

know he's just words you go frog dog

312

00:12:02,540 --> 00:12:00,459

Donald Trump is for a start east

313

00:12:05,430 --> 00:12:02,550

bloodline he's related to the Clintons

314

00:12:07,620 --> 00:12:05,440

if there's enough dirt on Donald Trump

315

00:12:09,749 --> 00:12:07,630

on his connections to the Mafia and as

316

00:12:12,449 --> 00:12:09,759

we spoke about for connection stab Stein

317

00:12:14,610 --> 00:12:12,459

for the mainstream media or for the

318

00:12:17,460 --> 00:12:14,620

Democrats to absolutely destroy him and

319

00:12:19,680 --> 00:12:17,470

yet they haven't chosen to do that this

320

00:12:23,999 --> 00:12:19,690

all for show it's all nonsense you see

321

00:12:25,860 --> 00:12:24,009

it's all a complete facade is just there

322

00:12:27,360 --> 00:12:25,870

to give you the impression that

323

00:12:29,629 --> 00:12:27,370

basically somebody's fighting for the

324

00:12:32,910 --> 00:12:29,639

little land it's the utilization of

325

00:12:35,340 --> 00:12:32,920

nationalism and xenophobia hatred of

326

00:12:38,629 --> 00:12:35,350

other people all stoke together with

327

00:12:41,129 --> 00:12:38,639

genuine fears about economic worries and

328

00:12:43,740 --> 00:12:41,139

heightened fears if you've got terrorism

329

00:12:45,389 --> 00:12:43,750

and stuff like that again like with all

330

00:12:47,129 --> 00:12:45,399

good propaganda a nice dollop with the

331

00:12:49,710 --> 00:12:47,139

truth talking about basically how Alisa

332

00:12:51,840 --> 00:12:49,720

a ripping you off no talk about how

333

00:12:53,910 --> 00:12:51,850

Trump has got like you know a history of

334

00:12:55,650 --> 00:12:53,920

ripping off little people destroying

335

00:12:59,129 --> 00:12:55,660

small businesses not paying contractors

336

00:13:01,170 --> 00:12:59,139

that type of thing as you say I don't

337

00:13:03,150 --> 00:13:01,180

quite understand why there is this sort

338

00:13:04,650 --> 00:13:03,160

of level of Emperor's New Clothes about

339

00:13:07,110 --> 00:13:04,660

this guy I think a lot of it is to do

340

00:13:09,829 --> 00:13:07,120

with the media notes as I said like not

341

00:13:12,150 --> 00:13:09,839

only on Facebook and stuff like that

342

00:13:14,129 --> 00:13:12,160

subconsciously manipulating you towards

343

00:13:16,530 --> 00:13:14,139

a specific candidate which has basically

344

00:13:18,780 --> 00:13:16,540

been admitted by the utilization of

345

00:13:21,870 --> 00:13:18,790

military industrial complex level

346

00:13:23,730 --> 00:13:21,880

psychological warfare organizations that

347

00:13:27,090 --> 00:13:23,740

just so happened to favor the wants and

348

00:13:28,920 --> 00:13:27,100

needs of the elites not only that but

349

00:13:30,840 --> 00:13:28,930

through their media through bright bar

350

00:13:33,689 --> 00:13:30,850

which is owned by the very same people

351
00:13:36,210 --> 00:13:33,699
through Jude reporter other outlets like

352
00:13:38,639 --> 00:13:36,220
that basically get their media from the

353
00:13:41,040 --> 00:13:38,649
same reporters certainly from Infowars

354
00:13:43,379 --> 00:13:41,050
that basically took an incredibly large

355
00:13:45,000 --> 00:13:43,389
step to the right just about the same

356
00:13:47,069 --> 00:13:45,010
time that its production values went

357
00:13:49,650 --> 00:13:47,079
through the roof which hadn't seemed to

358
00:13:51,689 --> 00:13:49,660
jive with what was going on choses

359
00:13:53,730 --> 00:13:51,699
private life which probably would have

360
00:13:56,100 --> 00:13:53,740
been terribly totally expensive for him

361
00:13:57,809 --> 00:13:56,110
at the time but he shifted got a new

362
00:14:00,139 --> 00:13:57,819
demographic and then immediately got

363
00:14:03,629 --> 00:14:00,149

sort of access to the president-elect

364

00:14:05,160 --> 00:14:03,639

which is an unprecedented media cure one

365

00:14:06,509 --> 00:14:05,170

point dude who's talked about the rash

366

00:14:07,949 --> 00:14:06,519

being allowed into the White House into

367

00:14:10,170 --> 00:14:07,959

the press pattern stuff like that I

368

00:14:12,150 --> 00:14:10,180

don't think he got that but I I wouldn't

369

00:14:14,100 --> 00:14:12,160

at all be surprised if there's a certain

370

00:14:17,250 --> 00:14:14,110

amount of quid pro quo that was going on

371

00:14:19,769 --> 00:14:17,260

behind the scenes in order to set up

372

00:14:22,910 --> 00:14:19,779

this candidate and set up a continuing

373

00:14:24,720 --> 00:14:22,920

and expanding media career facilities

374

00:14:28,019 --> 00:14:24,730

people involved in these particular

375

00:14:30,449 --> 00:14:28,029

outlets mm-hmm great points man and

376

00:14:32,850 --> 00:14:30,459

those things probably help to explain

377

00:14:35,819 --> 00:14:32,860

why a lot of the conspiracy world does

378

00:14:37,170 --> 00:14:35,829

seem to have this Savior thing going on

379

00:14:39,750 --> 00:14:37,180

when they're thinking about Trump it's

380

00:14:41,009 --> 00:14:39,760

like I've heard from many guests they'll

381

00:14:42,389 --> 00:14:41,019

say things like well it seems like

382

00:14:45,060 --> 00:14:42,399

Trump's finally going to do something

383

00:14:46,860 --> 00:14:45,070

about X Y or Z it's like I'm always

384

00:14:48,389 --> 00:14:46,870

disappointed in that misplaced trust

385

00:14:50,430 --> 00:14:48,399

I've had guests saying that he's gonna

386

00:14:52,410 --> 00:14:50,440

put an end to pedophile networks he's

387

00:14:54,509 --> 00:14:52,420

gonna roll back vaccines he's gonna stop

388

00:14:56,009 --> 00:14:54,519

geoengineering all that sort of stuff

389

00:14:58,500 --> 00:14:56,019

and it doesn't make sense to me and you

390

00:15:00,120 --> 00:14:58,510

make a great point about Infowars I

391

00:15:02,490 --> 00:15:00,130

could say the same about red ice it

392

00:15:05,040 --> 00:15:02,500

seems like alternative media shows they

393

00:15:06,240 --> 00:15:05,050

just turn into a right-wing shows all of

394

00:15:08,250 --> 00:15:06,250

a sudden and I it's something I don't

395

00:15:12,269 --> 00:15:08,260

understand and something I'm trying to

396

00:15:14,400 --> 00:15:12,279

work against well it's a I genuinely

397

00:15:17,160 --> 00:15:14,410

think the do to the influence of two

398

00:15:18,900 --> 00:15:17,170

people essentially Robert Mirza they

399

00:15:21,210 --> 00:15:18,910

were you know keep mentioning was the

400

00:15:23,280 --> 00:15:21,220

main financier of Donald Trump and is

401
00:15:26,449 --> 00:15:23,290
essentially the person who was behind

402
00:15:29,670 --> 00:15:26,459
bright bar and merely enough of this and

403
00:15:31,290 --> 00:15:29,680
Steve Allen and Kelley on coal way and

404
00:15:33,449 --> 00:15:31,300
various other things like that is a

405
00:15:36,300 --> 00:15:33,459
hedge fund manager and he has a dream of

406
00:15:37,889 --> 00:15:36,310
an all-white new Tokyo in America the

407
00:15:40,139 --> 00:15:37,899
other person is a multi-millionaire

408
00:15:41,730 --> 00:15:40,149
called William rotary second or what

409
00:15:44,850 --> 00:15:41,740
emotionally the third I believe it might

410
00:15:47,460 --> 00:15:44,860
be he basically is another incredibly

411
00:15:50,100 --> 00:15:47,470
wealthy aristocrat militant America very

412
00:15:52,680 --> 00:15:50,110
very influential and he has a dream of

413
00:15:55,019 --> 00:15:52,690

north live utopia in America there's a

414

00:15:57,090 --> 00:15:55,029

theme that seems to run through this he

415

00:15:59,639 --> 00:15:57,100

basically uses the Charles Martel

416

00:16:01,050 --> 00:15:59,649

society in the the NCL which I get all

417

00:16:03,240 --> 00:16:01,060

that stands for but these are basically

418

00:16:05,160 --> 00:16:03,250

right-wing you think thanks and one of

419

00:16:05,790 --> 00:16:05,170

them mention prata shows who's funded

420

00:16:08,280 --> 00:16:05,800

out of there

421

00:16:10,680 --> 00:16:08,290

is which is Spencer Richard Spencer is

422

00:16:13,079 --> 00:16:10,690

the gentleman that has the stupid swept

423

00:16:15,240 --> 00:16:13,089

to the left lesbians haircut and got

424

00:16:17,639 --> 00:16:15,250

punched on the face by the Birkin the

425

00:16:21,239 --> 00:16:17,649

mask keep coined the phrase all right

426

00:16:23,609 --> 00:16:21,249

we wrote in seven also basically fires a

427

00:16:25,920 --> 00:16:23,619

series of books that will pull out to

428

00:16:27,660 --> 00:16:25,930

help Donald tamaño because it was a spot

429

00:16:29,129 --> 00:16:27,670

a book was sponsored by Donald Trump and

430

00:16:31,079 --> 00:16:29,139

he basically financed this and put it

431

00:16:32,699 --> 00:16:31,089

out prior to the election it was easy oh

432

00:16:34,710 --> 00:16:32,709

it's all just a new soft propaganda bird

433

00:16:37,259 --> 00:16:34,720

for Donald Trump but you also organized

434

00:16:40,199 --> 00:16:37,269

phone campaigns and also so you know

435

00:16:41,730 --> 00:16:40,209

blanket media campaigns in order to

436

00:16:44,639 --> 00:16:41,740

basically encourage people to vote for

437

00:16:46,919 --> 00:16:44,649

Donald Trump as well so we can see that

438

00:16:49,019 --> 00:16:46,929

these very wealthy wealthy people they

439

00:16:50,579 --> 00:16:49,029

want Trump to be the candidate there is

440

00:16:52,470 --> 00:16:50,589

the news video maybe some of these

441

00:16:54,269 --> 00:16:52,480

people right maybe he did genuinely want

442

00:16:57,720 --> 00:16:54,279

to do this involve our bar and etc etc

443

00:17:00,720 --> 00:16:57,730

etc I believe dead but maybe who knows

444

00:17:03,780 --> 00:17:00,730

but he's not the guy he's the frontman

445

00:17:06,870 --> 00:17:03,790

neoz the window dressing Ryan has been

446

00:17:08,250 --> 00:17:06,880

essentially an attempted and it sounds a

447

00:17:10,829 --> 00:17:08,260

bit melodramatic but there's been an

448

00:17:13,470 --> 00:17:10,839

attempted right-wing cooze behind the

449

00:17:15,630 --> 00:17:13,480

scenes in in America with a shift these

450

00:17:17,549 --> 00:17:15,640

just people jostling for position and

451
00:17:19,319 --> 00:17:17,559
you know the chaos that ensues from

452
00:17:21,720 --> 00:17:19,329
Trump and the cows that is going to

453
00:17:25,740 --> 00:17:21,730
ensue silly economic and business sense

454
00:17:27,510 --> 00:17:25,750
from brexit is going to benefit greatly

455
00:17:28,620 --> 00:17:27,520
people who hedge fund managers people

456
00:17:30,659 --> 00:17:28,630
like boom

457
00:17:34,159 --> 00:17:30,669
so Rob Mercer the other person that

458
00:17:36,990 --> 00:17:34,169
Robert Mercer pays for is Nigel Farage

459
00:17:39,029 --> 00:17:37,000
however you kick in fact the reason that

460
00:17:42,029 --> 00:17:39,039
Breitbart set up an office in London was

461
00:17:44,430 --> 00:17:42,039
to promote you kid propaganda he's also

462
00:17:47,159 --> 00:17:44,440
behind door fights or health through

463
00:17:50,940 --> 00:17:47,169

Cambridge analytic and quite illegally I

464

00:17:54,060 --> 00:17:50,950

might add levy you and he you leave and

465

00:17:56,460 --> 00:17:54,070

all basically the all the main card prep

466

00:17:58,320 --> 00:17:56,470

set campaigns that were promoted by

467

00:18:00,000 --> 00:17:58,330

people like larger Faraj during that

468

00:18:01,740 --> 00:18:00,010

time so this is what I find very

469

00:18:03,419 --> 00:18:01,750

troubling about this hearing client isin

470

00:18:05,610 --> 00:18:03,429

it is concept to the Internet is that

471

00:18:07,730 --> 00:18:05,620

basically at the minute we're seeing a

472

00:18:09,990 --> 00:18:07,740

lot of people that are purporting to be

473

00:18:12,210 --> 00:18:10,000

champions of the people how'd you

474

00:18:14,039 --> 00:18:12,220

franchise a desert former trust former

475

00:18:16,350 --> 00:18:14,049

Jones but he's a multi-millionaire he's

476

00:18:18,750 --> 00:18:16,360

not a man of the people he leaves for a

477

00:18:20,669 --> 00:18:18,760

lot of time out of the country the all

478

00:18:22,680 --> 00:18:20,679

of these rhetoric is just nonsense it's

479

00:18:24,810 --> 00:18:22,690

just basically again saying the things

480

00:18:27,810 --> 00:18:24,820

that people want to hear because the

481

00:18:29,340 --> 00:18:27,820

century you justify you say I know what

482

00:18:30,090 --> 00:18:29,350

this is wrong with the world this is

483

00:18:31,950 --> 00:18:30,100

wrong with the world

484

00:18:33,390 --> 00:18:31,960

wrong-doer initiative on the world yes

485

00:18:35,940 --> 00:18:33,400

you're absolutely right you know whose

486

00:18:37,919 --> 00:18:35,950

fault it is whose whose those people

487

00:18:39,570 --> 00:18:37,929

over there those disenfranchised people

488

00:18:42,000 --> 00:18:39,580

now here's the interesting thing about a

489

00:18:44,400 --> 00:18:42,010

target you've always got to find a

490

00:18:45,870 --> 00:18:44,410

target that is different enough and

491

00:18:48,600 --> 00:18:45,880

powerful enough for you to be afraid of

492

00:18:50,010 --> 00:18:48,610

them so we don't we know just enough of

493

00:18:51,600 --> 00:18:50,020

them to know that they exist but we

494

00:18:53,430 --> 00:18:51,610

don't know enough about them so that

495

00:18:54,990 --> 00:18:53,440

we're not terrified of them and they've

496

00:18:57,150 --> 00:18:55,000

got to be perceived to be powerful

497

00:18:59,880 --> 00:18:57,160

enough to destroy the entire planet and

498

00:19:02,340 --> 00:18:59,890

yet they're so weak that somehow they

499

00:19:05,070 --> 00:19:02,350

don't really have any campaign or

500

00:19:07,110 --> 00:19:05,080

platform to make a counter I'll give you

501
00:19:09,480 --> 00:19:07,120
20 of these points which seems very very

502
00:19:11,669 --> 00:19:09,490
sort of counterintuitive to to the

503
00:19:13,260 --> 00:19:11,679
rhetoric but yeah yeah this is the point

504
00:19:15,000 --> 00:19:13,270
that these are very very wealthy people

505
00:19:18,690 --> 00:19:15,010
with ties to the military-industrial

506
00:19:20,130 --> 00:19:18,700
complex in both the UK and America and

507
00:19:22,890 --> 00:19:20,140
I'm not saying that people do have a

508
00:19:25,110 --> 00:19:22,900
good reason or a good thought behind why

509
00:19:27,510 --> 00:19:25,120
they voted for rad self or why they

510
00:19:31,110 --> 00:19:27,520
voted for Trump but the strange and

511
00:19:32,610 --> 00:19:31,120
provable fact is as I say these multi

512
00:19:34,560 --> 00:19:32,620
millionaires billionaires and

513
00:19:36,360 --> 00:19:34,570

corporations with links to the

514

00:19:38,210 --> 00:19:36,370

military-industrial complex the White

515

00:19:41,310 --> 00:19:38,220

House the Pentagon the US Marines

516

00:19:43,350 --> 00:19:41,320

marconi defense systems UK military

517

00:19:45,779 --> 00:19:43,360

psychological operations warfare

518

00:19:49,049 --> 00:19:45,789

departments wanted you to vote that way

519

00:19:51,299 --> 00:19:49,059

well said man and you know we're both in

520

00:19:53,970 --> 00:19:51,309

our 30s and it just seems to me that

521

00:19:59,460 --> 00:19:53,980

there has been a real synergy to the

522

00:20:00,810 --> 00:19:59,470

Bush Clinton Bush Obama years and that

523

00:20:02,070 --> 00:20:00,820

does seem to have changed and you

524

00:20:03,360 --> 00:20:02,080

mentioned the idea of a coup is

525

00:20:05,730 --> 00:20:03,370

something a lot of guests here talked

526

00:20:07,560 --> 00:20:05,740

about and there's clearly a lot of stuff

527

00:20:09,539 --> 00:20:07,570

being thrown at us it can be really hard

528

00:20:10,919 --> 00:20:09,549

to sit down to what's important but what

529

00:20:13,230 --> 00:20:10,929

do you think of the main goals behind

530

00:20:15,419 --> 00:20:13,240

this administration what's the real game

531

00:20:16,980 --> 00:20:15,429

behind the game here when it comes to

532

00:20:18,560 --> 00:20:16,990

the jockeys that have been riding the

533

00:20:22,730 --> 00:20:18,570

Trump horse

534

00:20:24,950 --> 00:20:22,740

well it's difficult to say the bottom

535

00:20:27,740 --> 00:20:24,960

line is money there's a couple of thing

536

00:20:29,510 --> 00:20:27,750

is that basically this isn't necessarily

537

00:20:32,450 --> 00:20:29,520

mean anything but it's an observation

538

00:20:36,200 --> 00:20:32,460

okay who actually benefits greatly from

539

00:20:38,930 --> 00:20:36,210

the breakup of the EU and potentially

540

00:20:42,020 --> 00:20:38,940

the breakup of NATO this is gonna sound

541

00:20:43,760 --> 00:20:42,030

pretty low current crisis no Russia I

542

00:20:45,890 --> 00:20:43,770

don't necessarily think that that's

543

00:20:48,470 --> 00:20:45,900

there's something going on this whole

544

00:20:50,450 --> 00:20:48,480

thing is tied in I think to the pipeline

545

00:20:52,250 --> 00:20:50,460

that's going through the Ukraine and I

546

00:20:53,990 --> 00:20:52,260

don't know exactly what it is but that's

547

00:20:56,060 --> 00:20:54,000

what Paul miner thought was their doing

548

00:20:58,100 --> 00:20:56,070

and I don't think it's a trunk per se I

549

00:21:00,770 --> 00:20:58,110

think it takes the people behind Trump

550

00:21:03,080 --> 00:21:00,780

there is some benefit that will

551
00:21:05,690 --> 00:21:03,090
basically if there's chaos in Europe and

552
00:21:07,370 --> 00:21:05,700
is chaos in America that basically the

553
00:21:08,960 --> 00:21:07,380
oceans will get less into or perhaps

554
00:21:10,550 --> 00:21:08,970
that something will happen whereby this

555
00:21:12,530 --> 00:21:10,560
pipeline that is going through the

556
00:21:14,900 --> 00:21:12,540
Ukraine without you become more

557
00:21:16,760 --> 00:21:14,910
operational and Russian companies will

558
00:21:18,620 --> 00:21:16,770
make a shed load of money that's

559
00:21:21,410 --> 00:21:18,630
essentially why the UK in the u.s.

560
00:21:23,420 --> 00:21:21,420
engineered a coup in the Ukraine to try

561
00:21:26,720 --> 00:21:23,430
and prevent this pipeline from going on

562
00:21:28,250 --> 00:21:26,730
someone wonder and again this is not

563
00:21:30,110 --> 00:21:28,260

necessarily what I think that it's an

564

00:21:31,790 --> 00:21:30,120

observation dirt I think you know

565

00:21:33,440 --> 00:21:31,800

there's enough indicators to go well

566

00:21:36,440 --> 00:21:33,450

that might be a possibility

567

00:21:37,910 --> 00:21:36,450

somebody's [h__h] about just in essence

568

00:21:39,590 --> 00:21:37,920

to try and get this pipeline done

569

00:21:41,030 --> 00:21:39,600

because behind the scenes they're going

570

00:21:42,800 --> 00:21:41,040

to make a huge amount of money we've

571

00:21:44,990 --> 00:21:42,810

already seen the poor manifold s they

572

00:21:48,350 --> 00:21:45,000

made a huge amount of money by basically

573

00:21:50,120 --> 00:21:48,360

being pro-russian in Ukraine and I've

574

00:21:51,860 --> 00:21:50,130

been saying this for ages that that's

575

00:21:54,220 --> 00:21:51,870

essentially what Syria is about in

576

00:21:58,010 --> 00:21:54,230

Georgia is about these are proxy wars

577

00:22:01,010 --> 00:21:58,020

against Russia but it's not really for

578

00:22:03,950 --> 00:22:01,020

anything other than economic reasons

579

00:22:06,800 --> 00:22:03,960

these for gas pipelines and and that

580

00:22:09,680 --> 00:22:06,810

type of thing is this actually connected

581

00:22:11,090 --> 00:22:09,690

to this well I mean that's possibly this

582

00:22:12,890 --> 00:22:11,100

sort of this suggestion has been put

583

00:22:15,680 --> 00:22:12,900

around by the mainstream media which you

584

00:22:18,140 --> 00:22:15,690

know I usually am loath to go along with

585

00:22:20,270 --> 00:22:18,150

but I've actually been saying that for

586

00:22:22,130 --> 00:22:20,280

ages but I don't think it's Trump I

587

00:22:24,230 --> 00:22:22,140

think it's Mercer I think two other

588

00:22:26,750 --> 00:22:24,240

people that's behind him that actually

589

00:22:29,690 --> 00:22:26,760

would be the main beneficiaries of this

590

00:22:31,730 --> 00:22:29,700

type of specific action as to anything

591

00:22:32,500 --> 00:22:31,740

else more than that as I've stated

592

00:22:34,990 --> 00:22:32,510

before

593

00:22:36,510 --> 00:22:35,000

the people behind this particular

594

00:22:38,920 --> 00:22:36,520

movement at this particular

595

00:22:41,740 --> 00:22:38,930

administration have a extremely

596

00:22:43,900 --> 00:22:41,750

right-wing bent and certainly the

597

00:22:46,390 --> 00:22:43,910

finances of these movements have spoken

598

00:22:49,170 --> 00:22:46,400

on many occasions of wanting Andale y

599

00:22:52,840 --> 00:22:49,180

esto stay in in America which is

600

00:22:55,570 --> 00:22:52,850

ludicrous but this is what they've said

601
00:22:58,540 --> 00:22:55,580
is that their intention now idea isn't

602
00:23:00,790 --> 00:22:58,550
really anything to do with Russia no

603
00:23:03,640 --> 00:23:00,800
idea these are just you know

604
00:23:05,740 --> 00:23:03,650
observations that I have a dad said

605
00:23:07,600 --> 00:23:05,750
recently Irish project like Trump's

606
00:23:10,210 --> 00:23:07,610
obviously a frontman low I think they're

607
00:23:12,430 --> 00:23:10,220
basically is just an idiot an arrogant

608
00:23:13,960 --> 00:23:12,440
idiot it was convinced that you could do

609
00:23:16,540 --> 00:23:13,970
this and I think on the side he's

610
00:23:18,430 --> 00:23:16,550
probably made a few dodgy dealers to

611
00:23:20,980 --> 00:23:18,440
advance him because he's a businessman

612
00:23:23,050 --> 00:23:20,990
that's the sort of guy that is you know

613
00:23:25,720 --> 00:23:23,060

there's any number of possibilities is

614

00:23:28,690 --> 00:23:25,730

to to why Trump wins what the ultimate

615

00:23:30,370 --> 00:23:28,700

goal is he's he malleable is he is you

616

00:23:32,170 --> 00:23:30,380

know usually controllable behind the

617

00:23:33,370 --> 00:23:32,180

scenes they're easy to sort of person

618

00:23:35,410 --> 00:23:33,380

and get away with anything he can act

619

00:23:37,270 --> 00:23:35,420

like an idiot kind of in the way that

620

00:23:40,390 --> 00:23:37,280

George Bush did and then people still

621

00:23:43,090 --> 00:23:40,400

give him a pass I don't his old stupid

622

00:23:44,800 --> 00:23:43,100

Donald again or whatever but did you

623

00:23:46,150 --> 00:23:44,810

notice the second that George Bush stop

624

00:23:47,770 --> 00:23:46,160

being president he shows he became the

625

00:23:49,270 --> 00:23:47,780

most articulate and witty person that

626

00:23:51,760 --> 00:23:49,280

you've never met in your entire life

627

00:23:53,560 --> 00:23:51,770

he was ridiculous have going obviously

628

00:23:55,570 --> 00:23:53,570

like he's still on the sauce like

629

00:23:58,000 --> 00:23:55,580

weather news at that memorial and he

630

00:24:00,040 --> 00:23:58,010

tried to start a can-can with Michelle

631

00:24:02,800 --> 00:24:00,050

Obama's not to be trusted

632

00:24:04,480 --> 00:24:02,810

but it was a marketing ploy I think for

633

00:24:07,090 --> 00:24:04,490

him to act quite as stupid as he did

634

00:24:09,010 --> 00:24:07,100

during the time of his presidency and so

635

00:24:10,630 --> 00:24:09,020

you've always got to be aware of these

636

00:24:13,300 --> 00:24:10,640

potential angles isn't saying anything

637

00:24:16,000 --> 00:24:13,310

that the Sharia it's all for sure it's

638

00:24:19,030 --> 00:24:16,010

all they wants you to see it somebody

639

00:24:21,400 --> 00:24:19,040

wants you to see this you know the stuff

640

00:24:24,370 --> 00:24:21,410

that they can cover up in ludicrous so

641

00:24:26,080 --> 00:24:24,380

it's very very suspicious when as you

642

00:24:28,180 --> 00:24:26,090

say like people are propped up to be

643

00:24:30,310 --> 00:24:28,190

champions of the people or whatever I

644

00:24:33,190 --> 00:24:30,320

you know I'm a circle I'm miserable

645

00:24:35,440 --> 00:24:33,200

misanthrope so I constantly rubbish but

646

00:24:38,230 --> 00:24:35,450

it is very very powerful very very

647

00:24:39,580 --> 00:24:38,240

ignoring because they're telling you

648

00:24:41,230 --> 00:24:39,590

everything that you want to hear to

649

00:24:44,050 --> 00:24:41,240

require so they're doing it a very very

650

00:24:45,610 --> 00:24:44,060

very clever way but the day also with

651
00:24:48,880 --> 00:24:45,620

the help of

652
00:24:51,280 --> 00:24:48,890

sophisticated Moochie some homes yeah

653
00:24:53,530 --> 00:24:51,290

man it's just games within games as

654
00:24:56,380 --> 00:24:53,540

always and as someone who's covered the

655
00:24:58,660 --> 00:24:56,390

entertainment industry so greatly how do

656
00:25:00,850 --> 00:24:58,670

you feel about these almost daily

657
00:25:02,590 --> 00:25:00,860

reports of sexual abuse of varying

658
00:25:05,200 --> 00:25:02,600

degrees whether it's Harvey Weinstein

659
00:25:07,930 --> 00:25:05,210

Kevin Spacey Matt Lauer Charlie Rose

660
00:25:09,970 --> 00:25:07,940

Louie CK Al Franken I mean there's

661
00:25:11,650 --> 00:25:09,980

clearly something happening here but is

662
00:25:13,540 --> 00:25:11,660

there a deeper agenda or goal behind

663
00:25:15,940 --> 00:25:13,550

this a lot of accusations it seems

664

00:25:18,910 --> 00:25:15,950

somewhat targeter like it might be some

665

00:25:21,310 --> 00:25:18,920

type of smokescreen or is it genuine who

666

00:25:22,990 --> 00:25:21,320

knows I mean it's certainly horrific and

667

00:25:24,340 --> 00:25:23,000

it at least made light of it but as a

668

00:25:26,230 --> 00:25:24,350

lot of people who are saying lobia

669

00:25:27,820 --> 00:25:26,240

specifically was never a secret with for

670

00:25:30,340 --> 00:25:27,830

Harvey Weinstein a lot of these rooms

671

00:25:31,960 --> 00:25:30,350

the Lucy case obscure outrageous but

672

00:25:33,910 --> 00:25:31,970

then again showed the Bill Cosby stuff

673

00:25:38,049 --> 00:25:33,920

had been out few years in the rumor mill

674

00:25:40,480 --> 00:25:38,059

it's nothing new again I'm not trying to

675

00:25:41,710 --> 00:25:40,490

move the criminal activities going on

676

00:25:43,450 --> 00:25:41,720

I'm just pointing out that basically

677

00:25:46,510 --> 00:25:43,460

Hollywood and all the industry

678

00:25:49,120 --> 00:25:46,520

essentially works to a degree on power

679

00:25:51,540 --> 00:25:49,130

and and sensuality like James Dean was a

680

00:25:55,270 --> 00:25:51,550

rent boy before he was sick in Hollywood

681

00:25:57,549 --> 00:25:55,280

marlon brando was i believe did casting

682

00:25:59,860 --> 00:25:57,559

couch type things with men could be

683

00:26:01,299 --> 00:25:59,870

wrong about that man in monroe famously

684

00:26:03,970 --> 00:26:01,309

said that she spent the majority of her

685

00:26:05,680 --> 00:26:03,980

auditions on her knees there's always

686

00:26:07,240 --> 00:26:05,690

been fixes in hollywood I would suggest

687

00:26:08,770 --> 00:26:07,250

that people look into a really

688

00:26:11,680 --> 00:26:08,780

fascinating character called Eddie

689

00:26:14,530 --> 00:26:11,690

Mannix and he was basically one of these

690

00:26:17,530 --> 00:26:14,540

people that made scandals go away you

691

00:26:19,630 --> 00:26:17,540

know Bette Davis or any of these people

692

00:26:23,169 --> 00:26:19,640

got pregnant he would be the person that

693

00:26:25,450 --> 00:26:23,179

arranged their secrets abortion if

694

00:26:27,130 --> 00:26:25,460

starlets were homosexual he would

695

00:26:29,110 --> 00:26:27,140

basically arranged for them to be

696

00:26:31,990 --> 00:26:29,120

married off to other people in here to

697

00:26:33,880 --> 00:26:32,000

promote their public profile he even ran

698

00:26:37,480 --> 00:26:33,890

to the extent of covering up the murder

699

00:26:40,900 --> 00:26:37,490

and a rape two separate incidents in one

700

00:26:43,750 --> 00:26:40,910

is leased car gable ran a lady over and

701
00:26:45,760 --> 00:26:43,760
killed her and another instance he raped

702
00:26:48,010 --> 00:26:45,770
a girl got her pregnant and Eddie Mannix

703
00:26:49,990 --> 00:26:48,020
not only managed to cover up the crime

704
00:26:52,270 --> 00:26:50,000
but also successfully what the girls

705
00:26:54,610 --> 00:26:52,280
have an abortion this was in the forties

706
00:26:56,890 --> 00:26:54,620
and fifties there is all manner of

707
00:26:59,110 --> 00:26:56,900
things that the Hollywood would go to to

708
00:26:59,409 --> 00:26:59,120
to cover up it's very strange how this

709
00:27:03,549 --> 00:26:59,419
thing

710
00:27:06,339 --> 00:27:03,559
came out exactly what this fall to the

711
00:27:08,109 --> 00:27:06,349
Harvey Weinstein scandal was off the top

712
00:27:09,969 --> 00:27:08,119
of my head I don't know if he can ke

713
00:27:12,310 --> 00:27:09,979

group I carry over the actress's name

714

00:27:15,190 --> 00:27:12,320

but it was just one actors who came out

715

00:27:17,589 --> 00:27:15,200

and then the floodgates open to own you

716

00:27:20,109 --> 00:27:17,599

know I don't doubt his story to be quite

717

00:27:21,579 --> 00:27:20,119

honest he's interesting somebody was

718

00:27:23,289 --> 00:27:21,589

pointing out this all these girls that

719

00:27:24,819 --> 00:27:23,299

come out said blah blah blah he's

720

00:27:26,769 --> 00:27:24,829

interesting closest ones that have kept

721

00:27:29,169 --> 00:27:26,779

quiet about this though because you know

722

00:27:29,949 --> 00:27:29,179

you could speculate that this is common

723

00:27:33,459 --> 00:27:29,959

practice

724

00:27:33,729 --> 00:27:33,469

he's horrific it happens in all walks of

725

00:27:37,690 --> 00:27:33,739

life

726

00:27:40,359 --> 00:27:37,700

there's no specter of powerful industry

727

00:27:41,699 --> 00:27:40,369

where people don't take advantage of

728

00:27:45,399 --> 00:27:41,709

people

729

00:27:47,799 --> 00:27:45,409

Hollywood is particularly dangerous and

730

00:27:50,049 --> 00:27:47,809

the music industry because of the

731

00:27:52,119 --> 00:27:50,059

rewards that it promises don't actually

732

00:27:54,699 --> 00:27:52,129

you know give you these rewards a lot of

733

00:27:56,079 --> 00:27:54,709

time it's actually horrific like RS for

734

00:27:58,299 --> 00:27:56,089

example let me give you an idea trophy

735

00:28:00,009 --> 00:27:58,309

Howard Loring is the music business in

736

00:28:02,259 --> 00:28:00,019

the film industry stuff like that has

737

00:28:04,329 --> 00:28:02,269

really SAS was really quite old but

738

00:28:07,089 --> 00:28:04,339

still very very interesting article by

739

00:28:08,379 --> 00:28:07,099

Courtney Love the other day she's

740

00:28:11,049 --> 00:28:08,389

talking about basically if you're a band

741

00:28:12,969 --> 00:28:11,059

at your four-piece band they get signed

742

00:28:14,949 --> 00:28:12,979

if you get a million dollar advance

743

00:28:17,109 --> 00:28:14,959

that's essentially a loan for a star

744

00:28:20,289 --> 00:28:17,119

half of it go to your manager

745

00:28:22,479 --> 00:28:20,299

immediately half of it goes to various

746

00:28:25,359 --> 00:28:22,489

of the production agency and the like

747

00:28:28,119 --> 00:28:25,369

and so that goes towards recording of

748

00:28:29,469 --> 00:28:28,129

your album basically left at the time

749

00:28:32,229 --> 00:28:29,479

with about forty five thousand dollars

750

00:28:34,719 --> 00:28:32,239

per person to live on for the rest of

751

00:28:37,539 --> 00:28:34,729

your life essentially until we keen X

752

00:28:40,569 --> 00:28:37,549

get paid if you let's get paid your

753

00:28:42,879 --> 00:28:40,579

album comes out you record two videos

754

00:28:44,680 --> 00:28:42,889

they give you another half a million

755

00:28:46,749 --> 00:28:44,690

dollars for that and they give you two

756

00:28:49,389 --> 00:28:46,759

hundred thousand dollars towards tour

757

00:28:51,849 --> 00:28:49,399

support and they've also given you some

758

00:28:54,519 --> 00:28:51,859

money towards recording your album you

759

00:28:56,109 --> 00:28:54,529

sell a million dollars basically you get

760

00:28:58,719 --> 00:28:56,119

two million dollars back at this time

761

00:29:01,869 --> 00:28:58,729

now that's exactly what you own record

762

00:29:03,819 --> 00:29:01,879

label because of all the stuff that they

763

00:29:05,649 --> 00:29:03,829

forwarded for you so basically if you're

764

00:29:07,150 --> 00:29:05,659

in a position blow or certainly again

765

00:29:08,350 --> 00:29:07,160

this was in 2000 but if you

766

00:29:12,280 --> 00:29:08,360

position where you've sold a million

767

00:29:13,480 --> 00:29:12,290

records you just broke even okay the

768

00:29:16,330 --> 00:29:13,490

record company at that point is made

769

00:29:18,310 --> 00:29:16,340

something in the region of the net at

770

00:29:20,320 --> 00:29:18,320

about seven or eight million dollars off

771

00:29:21,460 --> 00:29:20,330

the back of you this is very interesting

772

00:29:22,990 --> 00:29:21,470

things within the research industry

773

00:29:25,810 --> 00:29:23,000

where basically if you're a failure is

774

00:29:27,790 --> 00:29:25,820

that they can often right into clauses

775

00:29:30,370 --> 00:29:27,800

whereby the Kentucky office essentially

776

00:29:32,050 --> 00:29:30,380

attacks loss it's an incredibly strange

777

00:29:34,570 --> 00:29:32,060

business like something like ninety

778

00:29:37,690 --> 00:29:34,580

percent of all artists are expected to

779

00:29:39,130 --> 00:29:37,700

fail and not to recoup their losses in

780

00:29:41,110 --> 00:29:39,140

the music industry and yet for years and

781

00:29:43,210 --> 00:29:41,120

years it's been incredibly profitable

782

00:29:44,800 --> 00:29:43,220

and the same with the movie industries

783

00:29:47,140 --> 00:29:44,810

you know David Prowse like the guy that

784

00:29:49,570 --> 00:29:47,150

played not the voice but the actor that

785

00:29:52,120 --> 00:29:49,580

played Darth Vader no he never got paid

786

00:29:53,470 --> 00:29:52,130

the Star Wars because basically he was

787

00:29:55,210 --> 00:29:53,480

going to get a percentage when he went

788

00:29:57,340 --> 00:29:55,220

into profit but due to this really

789

00:29:59,740 --> 00:29:57,350

really really sleazy

790

00:30:01,630 --> 00:29:59,750

practice called Hollywood's accounting

791

00:30:04,660 --> 00:30:01,640

the original Star Wars has technically

792

00:30:06,730 --> 00:30:04,670

never ever made a profit and so David

793

00:30:09,160 --> 00:30:06,740

Prowse never got paid and that's again

794

00:30:12,190 --> 00:30:09,170

quite a common thing in these industries

795

00:30:13,600 --> 00:30:12,200

Pink Floyd for Christ's sake had to sue

796

00:30:17,020 --> 00:30:13,610

to get their money

797

00:30:18,970 --> 00:30:17,030

if Pink Floyd have to sue what hope does

798

00:30:21,220 --> 00:30:18,980

anyone else have and yet do you know I

799

00:30:22,540 --> 00:30:21,230

mean did people throw that kids at this

800

00:30:25,120 --> 00:30:22,550

industry I mean this is one of the

801
00:30:27,490 --> 00:30:25,130
things that is it was certainly exposed

802
00:30:29,920 --> 00:30:27,500
in an open secret that documentary about

803
00:30:31,930 --> 00:30:29,930
pedophilia in Hollywood a lot of the

804
00:30:35,410 --> 00:30:31,940
files that were exposed in that

805
00:30:37,420 --> 00:30:35,420
particular documentary were marriages

806
00:30:40,030 --> 00:30:37,430
for children you know agents that worked

807
00:30:43,060 --> 00:30:40,040
with children doing here directors that

808
00:30:45,370 --> 00:30:43,070
people that worked with kids supposedly

809
00:30:47,860 --> 00:30:45,380
there to be sort of you know guidance to

810
00:30:49,900 --> 00:30:47,870
them but not you know people like Bob

811
00:30:51,760 --> 00:30:49,910
Villard who used to manage Leonardo

812
00:30:54,850 --> 00:30:51,770
DiCaprio and Tobey Maguire if you

813
00:30:57,300 --> 00:30:54,860

basically later convicted for child porn

814

00:30:59,350 --> 00:30:57,310

in lewd acts on children he said

815

00:31:01,720 --> 00:30:59,360

Hollywood photographer that worked with

816

00:31:03,310 --> 00:31:01,730

Michael Haren and Michael Harrow was one

817

00:31:05,590 --> 00:31:03,320

of the fans that the Screen Actors Guild

818

00:31:08,620 --> 00:31:05,600

and he'd administered over to stone with

819

00:31:11,320 --> 00:31:08,630

and frats and Jobs had abused them this

820

00:31:13,060 --> 00:31:11,330

is the Marty Weiss was manager for your

821

00:31:16,630 --> 00:31:13,070

actors he's the person that allegedly

822

00:31:18,820 --> 00:31:16,640

will pretty much definitely ranked Corey

823

00:31:20,799 --> 00:31:18,830

Haim and he was a manager for your

824

00:31:22,210 --> 00:31:20,809

latticed and therefore you worked in

825

00:31:23,769 --> 00:31:22,220

we're basically look you know it's like

826

00:31:26,440 --> 00:31:23,779

an agency we'll get your kids to these

827

00:31:28,299 --> 00:31:26,450

parts blah blah blah send them over

828

00:31:32,289 --> 00:31:28,309

to us you know we're helping your kids

829

00:31:34,480 --> 00:31:32,299

become the stars of tomorrow and they'd

830

00:31:36,460 --> 00:31:34,490

be abused over at his house and this

831

00:31:38,649 --> 00:31:36,470

went on for years and years and years so

832

00:31:39,310 --> 00:31:38,659

that's the thing it happens it's

833

00:31:42,340 --> 00:31:39,320

horrendous

834

00:31:45,210 --> 00:31:42,350

but why is it coming out I don't know

835

00:31:47,499 --> 00:31:45,220

I'd like to think that basically because

836

00:31:48,970 --> 00:31:47,509

society doesn't tolerate this stuff but

837

00:31:50,919 --> 00:31:48,980

I don't really believe that I mean for

838

00:31:54,460 --> 00:31:50,929

example like Corey Haims

839

00:31:56,889 --> 00:31:54,470

no no he spell John Grierson and Marty

840

00:32:00,639 --> 00:31:56,899

Weiss these name those two people has

841

00:32:02,919 --> 00:32:00,649

been abuses and everything anything's

842

00:32:04,509 --> 00:32:02,929

been done about it seriously like it's

843

00:32:07,269 --> 00:32:04,519

very interesting that those two names

844

00:32:10,389 --> 00:32:07,279

haven't been pilloried in the same way

845

00:32:11,499 --> 00:32:10,399

that other people have seen I mean dude

846

00:32:13,840 --> 00:32:11,509

there's always going to be people the

847

00:32:15,850 --> 00:32:13,850

escapists of Casey Affleck I think

848

00:32:18,070 --> 00:32:15,860

because he's won Oscars recently plug

849

00:32:19,749 --> 00:32:18,080

he's not been sort of approached in the

850

00:32:21,210 --> 00:32:19,759

same way and is because the horrific

851
00:32:25,989 --> 00:32:21,220
stories about stuff that he's done

852
00:32:28,149 --> 00:32:25,999
strange one it is very odd yes it is

853
00:32:30,100 --> 00:32:28,159
interesting how it seems to at least be

854
00:32:32,109 --> 00:32:30,110
reaching the mainstream for the first

855
00:32:34,210 --> 00:32:32,119
time I can remember it's such a high

856
00:32:36,340 --> 00:32:34,220
volume but it's also kind of like the

857
00:32:37,930 --> 00:32:36,350
Red Scare that just labeling someone as

858
00:32:40,269 --> 00:32:37,940
a sexual predator is enough for them to

859
00:32:42,369 --> 00:32:40,279
be blackballed and none of this is going

860
00:32:44,169 --> 00:32:42,379
to trial like you said there really is

861
00:32:46,989 --> 00:32:44,179
only the court of public opinion in

862
00:32:48,369 --> 00:32:46,999
these cases which is powerful but it

863
00:32:50,109 --> 00:32:48,379

just seems like there's definitely an

864

00:32:52,720 --> 00:32:50,119

operation going on there scams and

865

00:32:55,239 --> 00:32:52,730

schemes as always I'd say so I wanted to

866

00:32:57,909 --> 00:32:55,249

also get into your latest exploration of

867

00:32:59,859 --> 00:32:57,919

the Manson murders it's a saga that I

868

00:33:03,039 --> 00:32:59,869

was always suspicious of never really

869

00:33:04,419 --> 00:33:03,049

dug too deep into until I was preparing

870

00:33:06,669 --> 00:33:04,429

for this interview and there are a lot

871

00:33:10,060 --> 00:33:06,679

of threads that I just had no idea about

872

00:33:11,710 --> 00:33:10,070

and your book is super extensive but

873

00:33:13,389 --> 00:33:11,720

could you remind the people of some of

874

00:33:14,919 --> 00:33:13,399

the cliff notes to the official story

875

00:33:17,499 --> 00:33:14,929

and then maybe we can pick it apart a

876

00:33:19,450 --> 00:33:17,509

bit yeah sure I mean the official story

877

00:33:22,560 --> 00:33:19,460

is that this convict called Charles

878

00:33:26,080 --> 00:33:22,570

Manson came out of prison in 1967 age 33

879

00:33:27,850 --> 00:33:26,090

went down to hey ash burry and somehow

880

00:33:30,430 --> 00:33:27,860

managed to ingratiate himself with

881

00:33:33,779 --> 00:33:30,440

people at Universal Studios

882

00:33:36,629 --> 00:33:33,789

get yourself a harem of young girls

883

00:33:38,639 --> 00:33:36,639

and a bus to travel in he would travel

884

00:33:41,249 --> 00:33:38,649

up and down the west coast before

885

00:33:42,960 --> 00:33:41,259

ingratiating himself with a rough style

886

00:33:45,690 --> 00:33:42,970

called Dennis Wilson he was the drummer

887

00:33:47,969 --> 00:33:45,700

and the Beach Boys he basically was

888

00:33:49,919 --> 00:33:47,979

introduced into the music industry and a

889

00:33:52,739 --> 00:33:49,929

gentleman called Terry Melcher who was

890

00:33:55,710 --> 00:33:52,749

the son of Doris Day was apparently

891

00:33:58,590 --> 00:33:55,720

later convened to perhaps record an

892

00:34:01,019 --> 00:33:58,600

album for him the behest of Dennis

893

00:34:04,229 --> 00:34:01,029

Wilson but he started freaking everybody

894

00:34:06,479 --> 00:34:04,239

out and basically he believed that he

895

00:34:09,359 --> 00:34:06,489

was Jesus and they also the devil and

896

00:34:12,690 --> 00:34:09,369

the party would use sex orgies and the

897

00:34:15,750 --> 00:34:12,700

use of LSD noise to control his family

898

00:34:17,399 --> 00:34:15,760

because he strongly believed that a war

899

00:34:19,109 --> 00:34:17,409

was going a race war was coming the

900

00:34:21,930 --> 00:34:19,119

other down that he called helter skelter

901
00:34:24,180 --> 00:34:21,940
this was going to be an apocalyptic war

902
00:34:26,940 --> 00:34:24,190
between black people of white people in

903
00:34:28,710 --> 00:34:26,950
which the black people would win now the

904
00:34:30,750 --> 00:34:28,720
cult that was surrounded by Charles

905
00:34:34,289 --> 00:34:30,760
Manson as is described by the

906
00:34:37,230 --> 00:34:34,299
prosecution would retreat to the desert

907
00:34:38,849 --> 00:34:37,240
and hide in a hole in the ground called

908
00:34:41,700 --> 00:34:38,859
the bottomless pit and serve underground

909
00:34:45,270 --> 00:34:41,710
cave system until their numbers swelled

910
00:34:47,789 --> 00:34:45,280
to 144,000 and then there was come out

911
00:34:50,460 --> 00:34:47,799
of the ground and take over the world

912
00:34:52,049 --> 00:34:50,470
from the black people who wouldn't be

913
00:34:53,879 --> 00:34:52,059

running it particularly efficiently

914

00:34:56,190 --> 00:34:53,889

because they never had the chance to do

915

00:34:57,960 --> 00:34:56,200

that before so as the belief anyway this

916

00:34:59,640 --> 00:34:57,970

is all going quite swimmingly except for

917

00:35:02,250 --> 00:34:59,650

the fact that Basin Terry Melcher thinks

918

00:35:04,380 --> 00:35:02,260

that his music is rubbish and so

919

00:35:06,690 --> 00:35:04,390

rejected by the music industry Charles

920

00:35:08,760 --> 00:35:06,700

Manson decides to enact health skelter

921

00:35:11,549 --> 00:35:08,770

himself by killing a lot of white people

922

00:35:13,020 --> 00:35:11,559

in such a way that would basically they

923

00:35:14,970 --> 00:35:13,030

would think that the black people had

924

00:35:16,980 --> 00:35:14,980

killed them and therefore helter skelter

925

00:35:18,920 --> 00:35:16,990

would kick off preemptively it's all

926

00:35:21,089 --> 00:35:18,930

little bit silly and convoluted

927

00:35:22,740 --> 00:35:21,099

apparently when today at the house have

928

00:35:25,410 --> 00:35:22,750

all sent people to the house of Gary

929

00:35:28,740 --> 00:35:25,420

Hinman a friend of theirs to get some

930

00:35:30,359 --> 00:35:28,750

money to go and stay in the desert this

931

00:35:32,849 --> 00:35:30,369

did go very well he ended up being

932

00:35:34,799 --> 00:35:32,859

killed in a separate incident Charles

933

00:35:37,470 --> 00:35:34,809

Manson himself and ended up shooting a

934

00:35:39,780 --> 00:35:37,480

black drug dealer called Bernard lots of

935

00:35:42,210 --> 00:35:39,790

popper crow he believed him to be dead

936

00:35:45,030 --> 00:35:42,220

and felt that this was going to be bad

937

00:35:46,650 --> 00:35:45,040

for them basically the cooling through

938

00:35:47,370 --> 00:35:46,660

the prosecution he sent his acolytes out

939

00:35:55,289 --> 00:35:47,380

on

940

00:35:57,059 --> 00:35:55,299

and the people that live there was Roman

941

00:35:58,829 --> 00:35:57,069

Polanski and Sharon Tate but Rome first

942

00:36:00,839 --> 00:35:58,839

was in London trying to get a film

943

00:36:03,329 --> 00:36:00,849

started and the people that were there

944

00:36:05,400 --> 00:36:03,339

were their house guests so Jay Sebring

945

00:36:07,650 --> 00:36:05,410

he was a friend of theirs and former

946

00:36:09,960 --> 00:36:07,660

boyfriend of Sharon Tate and voytek

947

00:36:11,700 --> 00:36:09,970

frykowski now called Golda who also used

948

00:36:13,230 --> 00:36:11,710

to stay there quite a lot it was also a

949

00:36:15,329 --> 00:36:13,240

lad called Steven parent who was

950

00:36:17,549 --> 00:36:15,339

visiting the caretaker who lived in a

951
00:36:19,710 --> 00:36:17,559
little house just round the back and all

952
00:36:22,799 --> 00:36:19,720
five of these people were murdered by

953
00:36:25,740 --> 00:36:22,809
Tex Susan Atkins and Patricia KRENWINKEL

954
00:36:27,749 --> 00:36:25,750
and Linda Kasabian was apparently just

955
00:36:29,940 --> 00:36:27,759
an idle bystander that didn't do

956
00:36:31,259 --> 00:36:29,950
anything and she later became a material

957
00:36:33,630 --> 00:36:31,269
witness for the prosecution

958
00:36:35,730 --> 00:36:33,640
the following night they went completely

959
00:36:38,460 --> 00:36:35,740
random to a house that was owned by a

960
00:36:42,180 --> 00:36:38,470
couple called the labiancas and murdered

961
00:36:44,009 --> 00:36:42,190
them before retreating back to first the

962
00:36:45,900 --> 00:36:44,019
spawn language that they lived on which

963
00:36:48,599 --> 00:36:45,910

was in Chatsworth California and then

964

00:36:51,059 --> 00:36:48,609

later moving out to a ranch in the

965

00:36:52,890 --> 00:36:51,069

desert called Myers Ranch basically they

966

00:36:54,839 --> 00:36:52,900

were running a stolen car ring and

967

00:36:56,910 --> 00:36:54,849

stripping down cars telling you it's

968

00:36:59,099 --> 00:36:56,920

dune buggies and the police got wiseness

969

00:37:00,870 --> 00:36:59,109

and arrested them for this when they

970

00:37:01,859 --> 00:37:00,880

arrested suited Atkins they discovered

971

00:37:03,480 --> 00:37:01,869

that she had been at the scene of

972

00:37:06,660 --> 00:37:03,490

burying him and murder

973

00:37:08,249 --> 00:37:06,670

and so they questioned her on other

974

00:37:10,230 --> 00:37:08,259

murders it soon became apparent that she

975

00:37:12,120 --> 00:37:10,240

know she confessed very very quickly to

976

00:37:14,279 --> 00:37:12,130

being at the scene of the Sharon Tate

977

00:37:17,220 --> 00:37:14,289

murder and the murder of Sharon Tate and

978

00:37:19,740 --> 00:37:17,230

she was given immunity if she basically

979

00:37:21,900 --> 00:37:19,750

told the entire story to a grand jury

980

00:37:24,240 --> 00:37:21,910

she did this but very very shortly

981

00:37:25,499 --> 00:37:24,250

afterwards she decided that she changed

982

00:37:27,660 --> 00:37:25,509

her mind and said that she'd been

983

00:37:29,789 --> 00:37:27,670

coerced into sadness but which point the

984

00:37:30,420 --> 00:37:29,799

prosecution basically put forth Linda

985

00:37:33,029 --> 00:37:30,430

Kasabian

986

00:37:34,710 --> 00:37:33,039

as the material witness and she told the

987

00:37:37,470 --> 00:37:34,720

story of Charles Manson a cult leader

988

00:37:39,089 --> 00:37:37,480

who thought he was Jesus thought that

989

00:37:41,130 --> 00:37:39,099

this race war was going to come down and

990

00:37:43,920 --> 00:37:41,140

so it sent his followers out to kill

991

00:37:46,769 --> 00:37:43,930

these people in order to kick-start this

992

00:37:49,859 --> 00:37:46,779

apocalyptic race war essentially to get

993

00:37:51,210 --> 00:37:49,869

back in society and the music industry

994

00:37:52,799 --> 00:37:51,220

they had wronged him well that's the

995

00:37:55,829 --> 00:37:52,809

official story anyway which is quite a

996

00:37:57,990 --> 00:37:55,839

long story now no puns no worries man

997

00:37:59,310 --> 00:37:58,000

that's a great breakdown and clearly it

998

00:38:01,710 --> 00:37:59,320

is a tangled web

999

00:38:04,020 --> 00:38:01,720

and I think a lot of people see the wide

1000

00:38:06,240 --> 00:38:04,030

range of connections between Manson and

1001
00:38:08,220 --> 00:38:06,250
the entertainment world as well as the

1002
00:38:09,720 --> 00:38:08,230
drugs and what seemed to be the

1003
00:38:11,700 --> 00:38:09,730
trafficking of women or at least

1004
00:38:13,860 --> 00:38:11,710
prostitution and they think there's

1005
00:38:16,170 --> 00:38:13,870
probably some very revealing threads

1006
00:38:18,390 --> 00:38:16,180
there but it seems so hard to separate

1007
00:38:20,640 --> 00:38:18,400
the truth from the fiction it's not

1008
00:38:23,070 --> 00:38:20,650
surprising that with so many operations

1009
00:38:24,120 --> 00:38:23,080
and rings seemingly at risk of being

1010
00:38:26,760 --> 00:38:24,130
exposed that there would be a

1011
00:38:28,230 --> 00:38:26,770
containment strategy and that is the

1012
00:38:31,020 --> 00:38:28,240
cover-up right it seems like a

1013
00:38:33,900 --> 00:38:31,030

containment strategy is exactly what we

1014

00:38:36,990 --> 00:38:33,910

see here right yeah absolutely I mean to

1015

00:38:39,590 --> 00:38:37,000

be quite honest initially my thought is

1016

00:38:42,390 --> 00:38:39,600

that the police didn't actually want to

1017

00:38:45,030 --> 00:38:42,400

inward solve the crime they lost

1018

00:38:47,910 --> 00:38:45,040

evidence they didn't make really obvious

1019

00:38:49,260 --> 00:38:47,920

connections they really did heed a lead

1020

00:38:51,420 --> 00:38:49,270

it wasn't until they were basically

1021

00:38:53,310 --> 00:38:51,430

publicly embarrassed by two sets of

1022

00:38:55,680 --> 00:38:53,320

people one was a group of reporters that

1023

00:38:57,360 --> 00:38:55,690

basically found the bloody clothes that

1024

00:39:00,570 --> 00:38:57,370

have been abandoned by Tex Watson and

1025

00:39:03,270 --> 00:39:00,580

the Raiders at Cielo Drive and the

1026

00:39:05,280 --> 00:39:03,280

second was a boy could Stephen Weiss who

1027

00:39:06,960 --> 00:39:05,290

had found the gun that was actually used

1028

00:39:07,770 --> 00:39:06,970

during the murders and then turned it in

1029

00:39:10,190 --> 00:39:07,780

to the police

1030

00:39:12,600 --> 00:39:10,200

and he'd been promised a reward and

1031

00:39:14,690 --> 00:39:12,610

basically when his father phoned up to

1032

00:39:17,070 --> 00:39:14,700

to find out what was going on with this

1033

00:39:19,680 --> 00:39:17,080

Vuitton you've actually lost the

1034

00:39:21,270 --> 00:39:19,690

evidence what the father he lose all you

1035

00:39:22,680 --> 00:39:21,280

work for a newspaper in Teresa's well

1036

00:39:24,510 --> 00:39:22,690

I'm not having it I'm gonna go to the

1037

00:39:26,670 --> 00:39:24,520

newspapers and call you out on your

1038

00:39:30,510 --> 00:39:26,680

incompetence at which point they

1039

00:39:30,930 --> 00:39:30,520

mysteriously found the gun and at this

1040

00:39:32,640 --> 00:39:30,940

point

1041

00:39:36,030 --> 00:39:32,650

Vince about burrows he was pretty much

1042

00:39:39,330 --> 00:39:36,040

forced to concoct a reason for this

1043

00:39:41,760 --> 00:39:39,340

whole series of murders going down that

1044

00:39:43,800 --> 00:39:41,770

would be believable without actually

1045

00:39:46,620 --> 00:39:43,810

exposing any of the real motivations

1046

00:39:48,720 --> 00:39:46,630

behind it because this for theories

1047

00:39:51,870 --> 00:39:48,730

about Manson about the whole thing to do

1048

00:39:54,540 --> 00:39:51,880

with Charles Manson himself his

1049

00:39:56,850 --> 00:39:54,550

followers or such as they are and the

1050

00:39:59,070 --> 00:39:56,860

murders and also his collection services

1051

00:40:01,610 --> 00:39:59,080

and supply there the first is the

1052

00:40:04,260 --> 00:40:01,620

basically the standard Vincent Bugliosi

1053

00:40:07,350 --> 00:40:04,270

helter skelter theory which is that what

1054

00:40:10,170 --> 00:40:07,360

I told you before the second theory is

1055

00:40:12,720 --> 00:40:10,180

the one that's promoted by Ed Sanders

1056

00:40:15,089 --> 00:40:12,730

and to an extent Dave McGowan

1057

00:40:16,800 --> 00:40:15,099

and those other people that Manson was

1058

00:40:19,650 --> 00:40:16,810

actually involved in a satanic cult that

1059

00:40:21,510 --> 00:40:19,660

was perhaps in some way connected to the

1060

00:40:23,930 --> 00:40:21,520

process purity of final judgment which

1061

00:40:27,810 --> 00:40:23,940

was a issue of the Church of Scientology

1062

00:40:29,910 --> 00:40:27,820

that had some ideas similar to some of

1063

00:40:32,190 --> 00:40:29,920

the things that Madison has said or was

1064

00:40:34,380 --> 00:40:32,200

reported to have said and that was the

1065

00:40:37,500 --> 00:40:34,390

actual real reason behind the murders

1066

00:40:39,420 --> 00:40:37,510

the third theory is one that is put

1067

00:40:41,640 --> 00:40:39,430

forward by Nicola Shrek and also by

1068

00:40:44,609 --> 00:40:41,650

William scan and Murphy that basically

1069

00:40:46,730 --> 00:40:44,619

the whole thing was nothing really to do

1070

00:40:49,980 --> 00:40:46,740

with Manson it was a pretty grubby and

1071

00:40:52,050 --> 00:40:49,990

straightforward drugs murder and all the

1072

00:40:54,990 --> 00:40:52,060

people that were involved were drug

1073

00:40:57,900 --> 00:40:55,000

dealers and it was just too much of an

1074

00:41:00,150 --> 00:40:57,910

embarrassment to expose this because of

1075

00:41:02,400 --> 00:41:00,160

all the sort of celebrities that it

1076
00:41:04,520 --> 00:41:02,410
would have been involved and so they

1077
00:41:07,109 --> 00:41:04,530
were forced to concoct a ludicrous

1078
00:41:09,210 --> 00:41:07,119
explanation for these crimes and then

1079
00:41:11,760 --> 00:41:09,220
the fourth theory is one that's put out

1080
00:41:14,130 --> 00:41:11,770
by Megan Brussels and touched upon by

1081
00:41:16,500 --> 00:41:14,140
Jennifer good an ago right is that

1082
00:41:19,140 --> 00:41:16,510
basically as part of something called

1083
00:41:22,470 --> 00:41:19,150
operation chaos Charles Manson was an

1084
00:41:25,559 --> 00:41:22,480
MKULTRA mind control victim that was

1085
00:41:28,319 --> 00:41:25,569
basically set upon society and

1086
00:41:30,930 --> 00:41:28,329
programmed to arrange these killings in

1087
00:41:33,990 --> 00:41:30,940
order to demonize the free love movement

1088
00:41:35,880 --> 00:41:34,000

the hippie movement and any sort of

1089

00:41:38,130 --> 00:41:35,890

anti-war political movement that might

1090

00:41:39,599 --> 00:41:38,140

be tangentially connected to the or seem

1091

00:41:41,609 --> 00:41:39,609

to be connected to those particular

1092

00:41:43,589 --> 00:41:41,619

groups so widely with the book was

1093

00:41:45,660 --> 00:41:43,599

basically first off trying get an

1094

00:41:48,540 --> 00:41:45,670

accurate time running Charles Manson's

1095

00:41:50,579 --> 00:41:48,550

life by getting as much information as

1096

00:41:53,700 --> 00:41:50,589

many sources as I possibly could and

1097

00:41:55,770 --> 00:41:53,710

mashing it all together in a timeline

1098

00:41:58,140 --> 00:41:55,780

going from the murders up until he's

1099

00:42:00,630 --> 00:41:58,150

imprisoned up until his sentencing and

1100

00:42:03,750 --> 00:42:00,640

then starting from his birth going up

1101
00:42:05,970 --> 00:42:03,760
until the trial and once you do that you

1102
00:42:08,700 --> 00:42:05,980
can start to sort of test these theories

1103
00:42:10,349 --> 00:42:08,710
by putting in or against them and having

1104
00:42:11,880 --> 00:42:10,359
a look at it and their immediate one was

1105
00:42:15,089 --> 00:42:11,890
that basically all the prosecution's lie

1106
00:42:17,400 --> 00:42:15,099
but for two reasons all for seven for

1107
00:42:18,900 --> 00:42:17,410
dozens of reasons but first off the

1108
00:42:22,079 --> 00:42:18,910
material evidence of the crime scene

1109
00:42:24,630 --> 00:42:22,089
does not match the explanation that was

1110
00:42:26,160 --> 00:42:24,640
given at trial it does not match the

1111
00:42:28,620 --> 00:42:26,170
explanation it was given

1112
00:42:31,559 --> 00:42:28,630
by Vincent Bugliosi and his popularizers

1113
00:42:34,170 --> 00:42:31,569

is the real way that the murders went

1114

00:42:37,140 --> 00:42:34,180

down who was there what happened etc etc

1115

00:42:39,000 --> 00:42:37,150

one of the main sort of proponents of

1116

00:42:42,440 --> 00:42:39,010

the prosecution theory was that on a

1117

00:42:45,839 --> 00:42:42,450

specific night New Year's Eve 1968

1118

00:42:48,089 --> 00:42:45,849

Charles Manson was at a bonfire giving a

1119

00:42:50,390 --> 00:42:48,099

speech to his seeming acolytes and

1120

00:42:53,279 --> 00:42:50,400

Pilates said that it was at this

1121

00:42:55,109 --> 00:42:53,289

specific time that he said now is the

1122

00:42:56,819 --> 00:42:55,119

time count skelter this year we're going

1123

00:42:58,620 --> 00:42:56,829

to basically round four counter skelter

1124

00:43:00,690 --> 00:42:58,630

this is the first time it was told about

1125

00:43:02,160 --> 00:43:00,700

this apocalyptic race war the only

1126

00:43:04,049 --> 00:43:02,170

problem with this is if you look at the

1127

00:43:07,079 --> 00:43:04,059

the actual physical evidence the facts

1128

00:43:09,960 --> 00:43:07,089

at that specific time Charles Manson was

1129

00:43:12,420 --> 00:43:09,970

six hours away enjoying a very very

1130

00:43:14,849 --> 00:43:12,430

salubrious New Year's Eve party at the

1131

00:43:17,160 --> 00:43:14,859

home of John Phillips who was the leader

1132

00:43:19,470 --> 00:43:17,170

and songwriter for the pop group The

1133

00:43:22,200 --> 00:43:19,480

Mamas and the Papas so he couldn't

1134

00:43:25,370 --> 00:43:22,210

possibly made that speech interesting

1135

00:43:28,769 --> 00:43:25,380

man yeah so it's obviously a very

1136

00:43:31,230 --> 00:43:28,779

complex story overall I guess once Susan

1137

00:43:33,809 --> 00:43:31,240

Atkins one of his followers was being

1138

00:43:35,670 --> 00:43:33,819

held for the first murder she was

1139

00:43:37,710 --> 00:43:35,680

visited by some high-priced

1140

00:43:40,650 --> 00:43:37,720

mob lawyers that basically got the ball

1141

00:43:42,509 --> 00:43:40,660

rolling on crafting their sensational

1142

00:43:44,789 --> 00:43:42,519

cult narrative to distract away from

1143

00:43:47,759 --> 00:43:44,799

those other aspects that might expose

1144

00:43:49,740 --> 00:43:47,769

the interests of the people that these

1145

00:43:53,279 --> 00:43:49,750

two lawyers might have really worked for

1146

00:43:55,559 --> 00:43:53,289

right oh absolutely yeah that's entirely

1147

00:43:58,620 --> 00:43:55,569

thing this is one of the most ludicrous

1148

00:44:01,950 --> 00:43:58,630

aspects of the whole story I mean say

1149

00:44:03,870 --> 00:44:01,960

what you want but anybody is let's take

1150

00:44:06,660 --> 00:44:03,880

it's read that the prosecution story is

1151
00:44:09,930 --> 00:44:06,670
true the guy still deserves due process

1152
00:44:12,450 --> 00:44:09,940
and prior to the trial even taking place

1153
00:44:14,309 --> 00:44:12,460
Halla Baron Kirk Caruso these two

1154
00:44:16,529 --> 00:44:14,319
high-priced lawyers that usually dealt

1155
00:44:19,740 --> 00:44:16,539
with drug dealers and mafia from two

1156
00:44:23,099 --> 00:44:19,750
associates and basically for no money

1157
00:44:24,210 --> 00:44:23,109
decided to help Susan Atkins on the

1158
00:44:26,069 --> 00:44:24,220
understanding that she made this

1159
00:44:27,450 --> 00:44:26,079
fantastic confession about all these

1160
00:44:30,240 --> 00:44:27,460
celebrities that were going to be killed

1161
00:44:32,069 --> 00:44:30,250
and what went on that night and life

1162
00:44:34,890 --> 00:44:32,079
under the control of the cult leader

1163
00:44:37,109 --> 00:44:34,900

Charles Manson and not only did they

1164

00:44:39,059 --> 00:44:37,119

they get his confession and make her say

1165

00:44:41,299 --> 00:44:39,069

this in the grand jury

1166

00:44:43,229 --> 00:44:41,309

before the trial started they also

1167

00:44:46,259 --> 00:44:43,239

serialized it in the Los Angeles Times

1168

00:44:49,589 --> 00:44:46,269

and then later it was publicized in a

1169

00:44:51,120 --> 00:44:49,599

book by large Schiller called the

1170

00:44:53,279 --> 00:44:51,130

killing of Sharon Tate this book was

1171

00:44:57,079 --> 00:44:53,289

available and became a best-seller

1172

00:44:59,759 --> 00:44:57,089

before the trial started which again

1173

00:45:01,979 --> 00:44:59,769

let's take its read the prosecution case

1174

00:45:04,769 --> 00:45:01,989

is accurate that still grounds for a

1175

00:45:07,459 --> 00:45:04,779

mistrial there is no way that you can

1176
00:45:09,930 --> 00:45:07,469
get a completely unbiased jury in that

1177
00:45:11,670 --> 00:45:09,940
circumstance if we're talking about

1178
00:45:13,319 --> 00:45:11,680
high-priced lawyers and mysterious

1179
00:45:15,989 --> 00:45:13,329
high-priced lawyers the whole case is

1180
00:45:19,109 --> 00:45:15,999
littered with it Tex Watson to escape

1181
00:45:20,939 --> 00:45:19,119
away back to Texas I believe elder

1182
00:45:24,209 --> 00:45:20,949
movies incorrect father when he was

1183
00:45:26,069 --> 00:45:24,219
hiding there awaiting trial himself for

1184
00:45:28,920 --> 00:45:26,079
the murders but was actually sort of

1185
00:45:30,989 --> 00:45:28,930
being held in a prison or a jail cell a

1186
00:45:32,880 --> 00:45:30,999
local jail cell by his cousin and

1187
00:45:34,979 --> 00:45:32,890
visited by his mom and his girlfriend

1188
00:45:36,989 --> 00:45:34,989

daily growing food packages and his

1189

00:45:39,469 --> 00:45:36,999

girlfriend was allowed to stay with him

1190

00:45:42,930 --> 00:45:39,479

in the cell so it wasn't particularly

1191

00:45:45,089 --> 00:45:42,940

hard going west the Manson trial was

1192

00:45:47,699 --> 00:45:45,099

going on and he was visited by

1193

00:45:48,989 --> 00:45:47,709

Dolson d'Alene I believe again that I

1194

00:45:51,390 --> 00:45:48,999

may have got those particular names

1195

00:45:53,519 --> 00:45:51,400

wrong but these two again incredibly

1196

00:45:56,400 --> 00:45:53,529

high-priced lawyers from Beverly Hills

1197

00:45:59,910 --> 00:45:56,410

that have claimed to have spoken to him

1198

00:46:02,609 --> 00:45:59,920

35 to 40 times prior to meeting him that

1199

00:46:04,170 --> 00:46:02,619

year and see how some evidence that

1200

00:46:07,019 --> 00:46:04,180

they've been involved with him why this

1201

00:46:09,329 --> 00:46:07,029

seemingly penniless kid that had been

1202

00:46:11,849 --> 00:46:09,339

given everything up to be part of a cult

1203

00:46:13,920 --> 00:46:11,859

as the prosecution came in why even had

1204

00:46:17,670 --> 00:46:13,930

the money to go see these lawyers makes

1205

00:46:20,189 --> 00:46:17,680

little dessert to no sense and just

1206

00:46:22,140 --> 00:46:20,199

prior to his release in 1967 I believe

1207

00:46:24,719 --> 00:46:22,150

no 7 it might have been early in the 50s

1208

00:46:26,789 --> 00:46:24,729

actually Charles Burns was visited by a

1209

00:46:29,130 --> 00:46:26,799

very high-priced Beverly Hills lawyer

1210

00:46:30,660 --> 00:46:29,140

called George Sibley and always recently

1211

00:46:32,339 --> 00:46:30,670

in contact with the lady that runs the

1212

00:46:34,650 --> 00:46:32,349

truth on tape at the Anchor website and

1213

00:46:36,299 --> 00:46:34,660

very nice lady and she told you

1214

00:46:38,699 --> 00:46:36,309

something I didn't know about that the

1215

00:46:40,739 --> 00:46:38,709

George Sibley who is later convened to

1216

00:46:43,459 --> 00:46:40,749

be one of the lawyers that works on

1217

00:46:47,130 --> 00:46:43,469

behalf of non other than sirhan sirhan

1218

00:46:50,449 --> 00:46:47,140

she's again being very very strange all

1219

00:46:52,819 --> 00:46:50,459

these connections to somebody that is

1220

00:46:56,329 --> 00:46:52,829

seemingly mr. Krim

1221

00:46:58,219 --> 00:46:56,339

and yeah it's super interesting all

1222

00:47:00,499 --> 00:46:58,229

around so I get that Manson was running

1223

00:47:02,630 --> 00:47:00,509

drugs and pimping out women which makes

1224

00:47:05,140 --> 00:47:02,640

him a friend to the Hollywood crowd no

1225

00:47:07,699 --> 00:47:05,150

doubt yes but if the helter-skelter

1226

00:47:10,339 --> 00:47:07,709

scenario is made up if the cult e

1227

00:47:12,199 --> 00:47:10,349

processed church type aspects are made

1228

00:47:14,900 --> 00:47:12,209

up and there's nothing to the operation

1229

00:47:17,779 --> 00:47:14,910

chaos angles what was the motivation

1230

00:47:19,969 --> 00:47:17,789

behind the tate-labianca murders was it

1231

00:47:22,130 --> 00:47:19,979

just drug-related infighting that got

1232

00:47:24,650 --> 00:47:22,140

out of hand I'm afraid it looks very

1233

00:47:27,349 --> 00:47:24,660

much like that you know when I first got

1234

00:47:29,150 --> 00:47:27,359

into this I really really was a big sort

1235

00:47:31,130 --> 00:47:29,160

of proponent of the processed Church

1236

00:47:33,199 --> 00:47:31,140

final judgment theory I thought that was

1237

00:47:34,969 --> 00:47:33,209

really really strong I thought he was

1238

00:47:36,680 --> 00:47:34,979

fascinating and because of the

1239

00:47:38,269 --> 00:47:36,690

connections people like Bill men surly

1240

00:47:40,069 --> 00:47:38,279

was you know mentioned in the ultimate

1241

00:47:42,109 --> 00:47:40,079

evil and probably was one of these Son

1242

00:47:43,819 --> 00:47:42,119

of Sam shooters and his sort of

1243

00:47:45,519 --> 00:47:43,829

tangential connection to the case I

1244

00:47:47,660 --> 00:47:45,529

thought that was really strong

1245

00:47:49,279 --> 00:47:47,670

essentially he was a drug dealer that

1246

00:47:52,219 --> 00:47:49,289

was knocking around at the same time and

1247

00:47:54,949 --> 00:47:52,229

he was friends with mama cats he also

1248

00:47:56,839 --> 00:47:54,959

was friends with Lena Jacobs who was

1249

00:47:58,339 --> 00:47:56,849

friends with Dennis Lewis and used to

1250

00:48:00,229 --> 00:47:58,349

stay and Dennis forces when Charles

1251

00:48:02,449 --> 00:48:00,239

Manson was there and he was friends with

1252

00:48:04,729 --> 00:48:02,459

Robert Evans and Robert Evans was a good

1253

00:48:07,670 --> 00:48:04,739

friend of Sharon Tate's Robert Evans

1254

00:48:10,219 --> 00:48:07,680

basically thrown Sharon Tate every night

1255

00:48:12,739 --> 00:48:10,229

Oso visited her every day that Roman

1256

00:48:14,809 --> 00:48:12,749

Polanski was away once lassie was away

1257

00:48:16,699 --> 00:48:14,819

make sure that she was safe the only

1258

00:48:19,339 --> 00:48:16,709

time he didn't visit was on the night of

1259

00:48:22,609 --> 00:48:19,349

August the 8th when for some strange

1260

00:48:24,920 --> 00:48:22,619

reason he just decided to phone her

1261

00:48:26,239 --> 00:48:24,930

instead and she informed him that she

1262

00:48:27,949 --> 00:48:26,249

wasn't gonna staying night she was gonna

1263

00:48:30,049 --> 00:48:27,959

go and stay a friend she loved wells his

1264

00:48:30,829 --> 00:48:30,059

house and there 15 minutes later she

1265

00:48:33,079 --> 00:48:30,839

changed her mind

1266

00:48:35,509 --> 00:48:33,089

15 minutes later than that text turned

1267

00:48:37,430 --> 00:48:35,519

up with Susan and Patricia and Linda and

1268

00:48:39,439 --> 00:48:37,440

the rest is history

1269

00:48:41,059 --> 00:48:39,449

what's strange is at the trial Doris

1270

00:48:43,579 --> 00:48:41,069

Tate was approached by Sandra good

1271

00:48:45,079 --> 00:48:43,589

another friend of Charles Manson and she

1272

00:48:47,449 --> 00:48:45,089

basically implore to us since we're

1273

00:48:49,519 --> 00:48:47,459

really really sorry we didn't think that

1274

00:48:51,199 --> 00:48:49,529

Sharon was going to be there we phoned

1275

00:48:53,180 --> 00:48:51,209

ahead and we were told that she wasn't

1276

00:48:55,279 --> 00:48:53,190

going to be there now that's very

1277

00:48:57,349 --> 00:48:55,289

interesting when basically you know

1278

00:48:59,180 --> 00:48:57,359

Robert Evans I think Rob Evans really

1279

00:49:01,549 --> 00:48:59,190

needs to be spoken to a little bit more

1280

00:49:03,439 --> 00:49:01,559

about what he's doing and what he knew

1281

00:49:06,650 --> 00:49:03,449

about what's going to happen that

1282

00:49:08,060 --> 00:49:06,660

particular night but

1283

00:49:11,150 --> 00:49:08,070

what was he was your question Greg oh

1284

00:49:13,220 --> 00:49:11,160

just what the true motivation was if it

1285

00:49:15,080 --> 00:49:13,230

was just inviting that got out of hand

1286

00:49:17,180 --> 00:49:15,090

drug-related yeah

1287

00:49:19,820 --> 00:49:17,190

that's essentially what the more I

1288

00:49:20,990 --> 00:49:19,830

looked into it the more I thought

1289

00:49:23,420 --> 00:49:21,000

through the best research had been

1290

00:49:25,580 --> 00:49:23,430

duelist the best insight is this had

1291

00:49:27,950 --> 00:49:25,590

been from William Schuyler Murphy and

1292

00:49:30,170 --> 00:49:27,960

the best research had been journalists

1293

00:49:32,360 --> 00:49:30,180

who've been by Nicolaus Shrek on his

1294

00:49:33,950 --> 00:49:32,370

book the Manson file I don't agree with

1295

00:49:35,390 --> 00:49:33,960

everything that he says but I think he

1296

00:49:36,680 --> 00:49:35,400

gets an incredible amount right

1297

00:49:38,090 --> 00:49:36,690

particular stuff that lives what we

1298

00:49:40,070 --> 00:49:38,100

thought William scale and Murphy said

1299

00:49:42,560 --> 00:49:40,080

and essentially what happened was Jay

1300

00:49:45,620 --> 00:49:42,570

Sebring was a drug dealer he dealt came

1301
00:49:47,840 --> 00:49:45,630
to people like Peter Sellers and Paul

1302
00:49:49,430 --> 00:49:47,850
Newman and Steve McQueen and all this

1303
00:49:51,040 --> 00:49:49,440
sort of same clients that he used to

1304
00:49:53,510 --> 00:49:51,050
cook hair for he was like you use

1305
00:49:56,390 --> 00:49:53,520
basically the person that popularized

1306
00:49:58,400 --> 00:49:56,400
metrosexuality to an extent as much as

1307
00:50:00,140 --> 00:49:58,410
he may be perfectly acceptable from very

1308
00:50:01,910 --> 00:50:00,150
much for people to take pride in their

1309
00:50:04,310 --> 00:50:01,920
appearance in a way that not been

1310
00:50:06,020 --> 00:50:04,320
allowed to before but he also dealt a

1311
00:50:08,780 --> 00:50:06,030
huge amount of drugs to these people

1312
00:50:10,160 --> 00:50:08,790
which he got from the bocal Joe Rossdale

1313
00:50:13,310 --> 00:50:10,170

John Russell's and Shannon babies he

1314

00:50:15,740 --> 00:50:13,320

connected mafia guy and he turned up on

1315

00:50:17,840 --> 00:50:15,750

the night of August the 8th with a huge

1316

00:50:19,910 --> 00:50:17,850

package of cocaine to Jay Sebring

1317

00:50:22,370 --> 00:50:19,920

basically what happened was just prior

1318

00:50:23,750 --> 00:50:22,380

to this Wojtek Kowski who is a friend of

1319

00:50:25,550 --> 00:50:23,760

Roman Polanski who was trying to break

1320

00:50:27,290 --> 00:50:25,560

into the movie industry but just really

1321

00:50:29,330 --> 00:50:27,300

wasn't doing particularly well I decided

1322

00:50:32,000 --> 00:50:29,340

the drugs were perhaps a better Avenue

1323

00:50:34,460 --> 00:50:32,010

and he'd approached he three Canadian

1324

00:50:36,980 --> 00:50:34,470

drug dealers who'd got out of this big

1325

00:50:40,250 --> 00:50:36,990

batch of something called MDA which it's

1326

00:50:41,150 --> 00:50:40,260

kind of like ecstasy or MDMA but not

1327

00:50:43,220 --> 00:50:41,160

quite

1328

00:50:44,990 --> 00:50:43,230

he's put fairy dust sometimes but

1329

00:50:46,520 --> 00:50:45,000

basically they've got hold of a loaded

1330

00:50:48,980 --> 00:50:46,530

it and decided that he's gonna say

1331

00:50:52,550 --> 00:50:48,990

himself with his feet of MDA baron in

1332

00:50:53,180 --> 00:50:52,560

Los Angeles and he sold a load to Linda

1333

00:50:56,810 --> 00:50:53,190

Kasabian

1334

00:50:58,370 --> 00:50:56,820

beard it's a really really nice girl

1335

00:51:00,080 --> 00:50:58,380

they've been brought in and sort of like

1336

00:51:02,360 --> 00:51:00,090

manipulated by Charles Manson she was

1337

00:51:04,340 --> 00:51:02,370

only at the branch about two weeks if

1338

00:51:06,950 --> 00:51:04,350

that and she spent all the time with

1339

00:51:09,170 --> 00:51:06,960

tanks before she even turned up she

1340

00:51:11,780 --> 00:51:09,180

stole their ancient ounce of acid and

1341

00:51:13,850 --> 00:51:11,790

five thousand dollars from her husband

1342

00:51:15,440 --> 00:51:13,860

actually from the husband's friend and

1343

00:51:17,480 --> 00:51:15,450

gave it to Tex

1344

00:51:20,359 --> 00:51:17,490

she didn't give it to Charlie she gave

1345

00:51:23,299 --> 00:51:20,369

its tax seems known to be hungry

1346

00:51:25,370 --> 00:51:23,309

drug dealer as well and was not a very

1347

00:51:27,349 --> 00:51:25,380

savory character and Tex was essentially

1348

00:51:29,329 --> 00:51:27,359

a drug dealer Tex wasn't really involved

1349

00:51:31,339 --> 00:51:29,339

with Charlie at all he didn't live on

1350

00:51:33,200 --> 00:51:31,349

the main part of the ranch he was able

1351
00:51:35,779 --> 00:51:33,210
to stay on the outskirts at the ranch

1352
00:51:38,749 --> 00:51:35,789
because he traded a truck to Charlie for

1353
00:51:40,549 --> 00:51:38,759
him Charlie liking Tex was a rent boy it

1354
00:51:42,259 --> 00:51:40,559
was basically small-time drug dealer

1355
00:51:44,180 --> 00:51:42,269
that was knocking about with and trying

1356
00:51:46,700 --> 00:51:44,190
to ingratiate himself with Dennis Wilson

1357
00:51:49,190 --> 00:51:46,710
and when Charlie basically rolled up and

1358
00:51:51,680 --> 00:51:49,200
started staying at Dennis Wilson's house

1359
00:51:53,839 --> 00:51:51,690
Tex just so happened to be there being

1360
00:51:56,180 --> 00:51:53,849
part of the sort of ongoing party that

1361
00:51:58,400 --> 00:51:56,190
was basically going on at denizens house

1362
00:52:01,519 --> 00:51:58,410
and else's house and Romo Casas house

1363
00:52:04,099 --> 00:52:01,529

its Cielo Drive like Manson ushio Drive

1364

00:52:05,989 --> 00:52:04,109

like part of their many many times and

1365

00:52:08,319 --> 00:52:05,999

detects used to live there with a bloke

1366

00:52:11,930 --> 00:52:08,329

called Dean Moore hands before basically

1367

00:52:13,670 --> 00:52:11,940

Texan Linda was sold a batch of this MDA

1368

00:52:14,989 --> 00:52:13,680

and it turned out to be rubbish she

1369

00:52:17,989 --> 00:52:14,999

turned out to be particularly poor

1370

00:52:20,150 --> 00:52:17,999

quality MDA and so they were really

1371

00:52:21,980 --> 00:52:20,160

really pissed up about this that's why

1372

00:52:24,140 --> 00:52:21,990

they targeted that house on that

1373

00:52:26,630 --> 00:52:24,150

particular night not because of revenge

1374

00:52:29,390 --> 00:52:26,640

against the music industry if after the

1375

00:52:31,970 --> 00:52:29,400

murders Manson was seen knocking about

1376

00:52:34,579 --> 00:52:31,980

with Terry Melcher he knew that area

1377

00:52:37,220 --> 00:52:34,589

moved to Malibu he knew exactly who

1378

00:52:39,589 --> 00:52:37,230

lived at that house Manson didn't tell

1379

00:52:42,559 --> 00:52:39,599

him to go to the house Manson basically

1380

00:52:44,569 --> 00:52:42,569

told Tex get some money for Bobby

1381

00:52:45,170 --> 00:52:44,579

because Bobby had been arrested for a

1382

00:52:48,259 --> 00:52:45,180

deal

1383

00:52:49,430 --> 00:52:48,269

Manson owned Bobby a favor text Oh

1384

00:52:51,529 --> 00:52:49,440

Manson a favor

1385

00:52:53,329 --> 00:52:51,539

Madison goes well it's easy you owe

1386

00:52:54,499 --> 00:52:53,339

Bobby a favor and the favor you need to

1387

00:52:56,420 --> 00:52:54,509

do is you need to get him out of jail

1388

00:52:58,489 --> 00:52:56,430

get someone you sent together so they

1389

00:53:01,069 --> 00:52:58,499

can have a lawyer don't care how him do

1390

00:53:02,779 --> 00:53:01,079

it he was at that point Manson was

1391

00:53:05,509 --> 00:53:02,789

actually off with a young Jewish girl of

1392

00:53:07,789 --> 00:53:05,519

course Stephanie SRAM in San Diego and

1393

00:53:09,769 --> 00:53:07,799

didn't get back into the ranch until

1394

00:53:12,739 --> 00:53:09,779

about 2:00 3:00 in the morning which

1395

00:53:14,539 --> 00:53:12,749

point then shortly after that the guys

1396

00:53:15,859 --> 00:53:14,549

came back saying oh we've killed

1397

00:53:18,829 --> 00:53:15,869

everybody we went over there basically

1398

00:53:21,200 --> 00:53:18,839

take their drugs and it all went wrong

1399

00:53:22,759 --> 00:53:21,210

Sharon made a run for it those are

1400

00:53:25,460 --> 00:53:22,769

basically what happened was yeah Sharon

1401
00:53:26,029 --> 00:53:25,470
bedroom for a text split out and stabbed

1402
00:53:29,660 --> 00:53:26,039
her to death

1403
00:53:31,519 --> 00:53:29,670
Steven parents aura is driving down the

1404
00:53:33,440 --> 00:53:31,529
ran so fast that he very nearly went

1405
00:53:35,900 --> 00:53:33,450
over a ravine then he

1406
00:53:39,079 --> 00:53:35,910
standby Linda Kasabian and then shot by

1407
00:53:41,390 --> 00:53:39,089
Tex then they shot Jay Sebring and then

1408
00:53:43,609 --> 00:53:41,400
they ran off they left abigail folger

1409
00:53:46,130 --> 00:53:43,619
and voytek frykowski alive how do we

1410
00:53:49,040 --> 00:53:46,140
know this because the police report

1411
00:53:50,750 --> 00:53:49,050
states that basically Abigail and voytek

1412
00:53:52,579 --> 00:53:50,760
were heard screaming for their life

1413
00:53:54,470 --> 00:53:52,589

about four in the morning and gunshots

1414

00:53:56,329 --> 00:53:54,480

were going off at four in the morning so

1415

00:53:59,060 --> 00:53:56,339

basically what happened was these guys

1416

00:54:01,099 --> 00:53:59,070

went over there to rob JCVD of his drugs

1417

00:54:02,450 --> 00:54:01,109

first they went over to try and break

1418

00:54:04,640 --> 00:54:02,460

into JC bruised hands

1419

00:54:06,800 --> 00:54:04,650

JC Brie's house backed onto the house of

1420

00:54:08,240 --> 00:54:06,810

this couple called the Weber's this is

1421

00:54:10,010 --> 00:54:08,250

never really spoken about basically he's

1422

00:54:12,200 --> 00:54:10,020

always spoke about that the web has

1423

00:54:14,060 --> 00:54:12,210

caught them using their homes drinking

1424

00:54:15,530 --> 00:54:14,070

from their homes what's not talked about

1425

00:54:17,780 --> 00:54:15,540

is the fact that the Weber's house backs

1426

00:54:19,609 --> 00:54:17,790

on to Jay Sebring his house so the

1427

00:54:21,440 --> 00:54:19,619

inference that his belief while Williams

1428

00:54:24,109 --> 00:54:21,450

Galla Murphy Nikolas threatened myself

1429

00:54:25,910 --> 00:54:24,119

is that basically they were there to try

1430

00:54:28,670 --> 00:54:25,920

and break into Jay shipping's house to

1431

00:54:29,450 --> 00:54:28,680

steal more of his drugs they went back

1432

00:54:31,220 --> 00:54:29,460

to the ranch

1433

00:54:33,079 --> 00:54:31,230

a man sensed his rights and what's gone

1434

00:54:36,200 --> 00:54:33,089

off oh we killed all these people

1435

00:54:38,630 --> 00:54:36,210

right okay is anyone left alive oh yeah

1436

00:54:41,300 --> 00:54:38,640

probably did you earn could be attract

1437

00:54:43,700 --> 00:54:41,310

no not at all okay right so they get

1438

00:54:45,920 --> 00:54:43,710

back in the car drive back over to Cielo

1439

00:54:48,559 --> 00:54:45,930

Drive at which point they execute

1440

00:54:51,079 --> 00:54:48,569

abigail folger and voytek Cassie which

1441

00:54:54,050 --> 00:54:51,089

means that Madison was probably almost

1442

00:54:55,940 --> 00:54:54,060

certainly a witness to murders but he

1443

00:54:57,859 --> 00:54:55,950

didn't order the murders he didn't

1444

00:54:59,240 --> 00:54:57,869

arrange for them these people were not

1445

00:55:02,240 --> 00:54:59,250

his acolytes

1446

00:55:03,829 --> 00:55:02,250

the very fact that basically what

1447

00:55:05,990 --> 00:55:03,839

happened was Tex tried to steal a load

1448

00:55:08,059 --> 00:55:06,000

of weed from this black drug dealer

1449

00:55:10,250 --> 00:55:08,069

called Bernard lots of hopper Crowe and

1450

00:55:12,140 --> 00:55:10,260

he left his ex girlfriend there as like

1451

00:55:13,700 --> 00:55:12,150

collateral no he hated his ex-girlfriend

1452

00:55:15,559 --> 00:55:13,710

and wanted to get back her because she'd

1453

00:55:17,450 --> 00:55:15,569

stolen some money from him so he just

1454

00:55:19,520 --> 00:55:17,460

left her there and just ran off and

1455

00:55:21,170 --> 00:55:19,530

Bernard Crowe phones up the ranches and

1456

00:55:22,760 --> 00:55:21,180

burned around town come over there and

1457

00:55:25,280 --> 00:55:22,770

kill all the boats and rape all the

1458

00:55:27,230 --> 00:55:25,290

women unless you sort this out which

1459

00:55:29,599 --> 00:55:27,240

plain text says are no I'm not going

1460

00:55:31,430 --> 00:55:29,609

Charley can't get anybody including the

1461

00:55:33,530 --> 00:55:31,440

hardened criminals like Danny to Carla

1462

00:55:35,480 --> 00:55:33,540

to go over there and help him sort this

1463

00:55:38,720 --> 00:55:35,490

business out that text is going into

1464

00:55:41,150 --> 00:55:38,730

what summer complete is there they can't

1465

00:55:44,270 --> 00:55:41,160

even direct his own followers whose only

1466

00:55:47,110 --> 00:55:44,280

partly the his most committed followers

1467

00:55:49,240 --> 00:55:47,120

to actually get off their ass and

1468

00:55:51,430 --> 00:55:49,250

do anything for him so basically as I

1469

00:55:53,290 --> 00:55:51,440

say this they come back at about and see

1470

00:55:55,720 --> 00:55:53,300

three Lemoine two three in the morning

1471

00:55:58,180 --> 00:55:55,730

pumping two Manson they go back out

1472

00:56:00,100 --> 00:55:58,190

there about four in the morning and they

1473

00:56:02,920 --> 00:56:00,110

finish off voytek frykowski and up Gail

1474

00:56:05,140 --> 00:56:02,930

Folger and then they leave and that's it

1475

00:56:07,810 --> 00:56:05,150

the reasons that they went to the lab

1476

00:56:11,560 --> 00:56:07,820

Yonkers the next night are a bit

1477

00:56:14,440 --> 00:56:11,570

complicated forest and there's still

1478

00:56:16,570 --> 00:56:14,450

some question marks about it the reason

1479

00:56:20,410 --> 00:56:16,580

that Charlie says he went over there and

1480

00:56:22,330 --> 00:56:20,420

this is nobody seems to do you know

1481

00:56:24,700 --> 00:56:22,340

actually sort of gone through the

1482

00:56:26,800 --> 00:56:24,710

interviews with Charlie and listens to

1483

00:56:28,660 --> 00:56:26,810

what he said now a lot of what he says

1484

00:56:30,670 --> 00:56:28,670

is completely impenetrable because of

1485

00:56:33,310 --> 00:56:30,680

Silas to fire so you need to learn to

1486

00:56:34,600 --> 00:56:33,320

understand it once you do that they even

1487

00:56:37,630 --> 00:56:34,610

if you don't do that there's a lot of

1488

00:56:38,860 --> 00:56:37,640

you tell you exactly what went on

1489

00:56:40,990 --> 00:56:38,870

it's just that basically most people

1490

00:56:43,990 --> 00:56:41,000

just dismisses than the rantings of a

1491

00:56:46,270 --> 00:56:44,000

lunatic he was completely honest never

1492

00:56:48,820 --> 00:56:46,280

changed his story as far as I can see

1493

00:56:51,490 --> 00:56:48,830

and basically told you exactly the

1494

00:56:54,010 --> 00:56:51,500

reason that went on in a an interview

1495

00:56:57,430 --> 00:56:54,020

with hardcopy when he was asked why

1496

00:56:59,110 --> 00:56:57,440

there at the lab Yonkers he said I went

1497

00:57:01,180 --> 00:56:59,120

there to get a little black book a

1498

00:57:03,010 --> 00:57:01,190

little black book that basically

1499

00:57:04,240 --> 00:57:03,020

contains some information that was to do

1500

00:57:06,460 --> 00:57:04,250

with the math here in the music industry

1501
00:57:09,070 --> 00:57:06,470
and I walked in there and said Toledo

1502
00:57:12,310 --> 00:57:09,080
now Bianca I'm here from Frankie Carbone

1503
00:57:13,660 --> 00:57:12,320
okay give me the little black book if

1504
00:57:15,430 --> 00:57:13,670
you don't give it a little black book

1505
00:57:18,130 --> 00:57:15,440
you're gonna die it's as simple as that

1506
00:57:19,900 --> 00:57:18,140
and then he said the black book wasn't

1507
00:57:22,180 --> 00:57:19,910
there so he couldn't go so Manson left

1508
00:57:24,430 --> 00:57:22,190
and the interviewer says did you know

1509
00:57:26,320 --> 00:57:24,440
lino LaBianca has started lonely no

1510
00:57:28,480 --> 00:57:26,330
LaBianca Bert Leno LaBianca new front

1511
00:57:30,580 --> 00:57:28,490
car Bob and I knew Frankie Carbone

1512
00:57:33,550 --> 00:57:30,590
Frankie Carlo was an incredibly

1513
00:57:34,930 --> 00:57:33,560

influential Mafia figure that Manson

1514

00:57:39,190 --> 00:57:34,940

just so happened to rub shoulders with

1515

00:57:41,140 --> 00:57:39,200

in prison in his youth he also was close

1516

00:57:43,300 --> 00:57:41,150

to Frank Costello who's also known as

1517

00:57:45,670 --> 00:57:43,310

the prime minister of crime and through

1518

00:57:47,980 --> 00:57:45,680

his connections with creepy carpets who

1519

00:57:50,710 --> 00:57:47,990

was his cellmate for time he was also

1520

00:57:53,710 --> 00:57:50,720

introduced into the good graces of

1521

00:57:56,290 --> 00:57:53,720

Mickey Cohen in order to be able to play

1522

00:57:58,960 --> 00:57:56,300

music concern Barnes in San Francisco

1523

00:58:00,760 --> 00:57:58,970

and barriers like that against the

1524

00:58:04,540 --> 00:58:00,770

intrigues and threads that went

1525

00:58:07,450 --> 00:58:04,550

in case enumerate and often run to it

1526
00:58:10,510 --> 00:58:07,460
early few rating dead end the murder

1527
00:58:12,250 --> 00:58:10,520
again is done by Tex okay text turned up

1528
00:58:13,510 --> 00:58:12,260
and killed these people okay

1529
00:58:16,210 --> 00:58:13,520
and the evidence again shows that

1530
00:58:18,160 --> 00:58:16,220
basically he put a dress on over

1531
00:58:20,590 --> 00:58:18,170
rosemary LaBianca cos night dress and

1532
00:58:22,750 --> 00:58:20,600
took her out the car which was always

1533
00:58:25,210 --> 00:58:22,760
left on the drive with an expensive boat

1534
00:58:27,160 --> 00:58:25,220
on it was left on the road with the boat

1535
00:58:29,020 --> 00:58:27,170
still attached and the keys in the

1536
00:58:31,480 --> 00:58:29,030
ignition which indicates that basically

1537
00:58:34,690 --> 00:58:31,490
rosary was very courtly dressed and

1538
00:58:38,530 --> 00:58:34,700

taken away from her home possibly to her

1539

00:58:40,600 --> 00:58:38,540

boutique possibly to the supermarket

1540

00:58:42,430 --> 00:58:40,610

where her husband worked because her

1541

00:58:44,770 --> 00:58:42,440

husband would both be in massive amounts

1542

00:58:46,510 --> 00:58:44,780

of debt to various mafia members through

1543

00:58:50,050 --> 00:58:46,520

his gambling and had been stealing from

1544

00:58:52,210 --> 00:58:50,060

the place where he worked so that night

1545

00:58:54,460 --> 00:58:52,220

was the last night that he would have

1546

00:58:55,030 --> 00:58:54,470

had access to that safe which is very

1547

00:58:57,790 --> 00:58:55,040

very strange

1548

00:59:00,520 --> 00:58:57,800

Nicholas shred reports to no witnesses

1549

00:59:02,530 --> 00:59:00,530

and people that have intimated that road

1550

00:59:04,330 --> 00:59:02,540

without Bianca was actually a drug

1551
00:59:07,270 --> 00:59:04,340
dealer and she was supposed to deliver

1552
00:59:07,720 --> 00:59:07,280
LSD to see own drive but didn't have the

1553
00:59:10,840 --> 00:59:07,730
chance

1554
00:59:12,970 --> 00:59:10,850
and this is why Tex was angered and

1555
00:59:15,840 --> 00:59:12,980
decided to take his wrath out on her

1556
00:59:18,070 --> 00:59:15,850
this may well be true she was certainly

1557
00:59:19,690 --> 00:59:18,080
wealthier than abigail folger

1558
00:59:22,510 --> 00:59:19,700
abigail folger was the heiress to the

1559
00:59:26,620 --> 00:59:22,520
Folger coffee company and so she was a

1560
00:59:29,860 --> 00:59:26,630
socialite so if this random woman who

1561
00:59:31,540 --> 00:59:29,870
ran at a dress shop is somehow wealthier

1562
00:59:34,210 --> 00:59:31,550
than this socialite something weird is

1563
00:59:36,550 --> 00:59:34,220

going on there basically one thing that

1564

00:59:39,370 --> 00:59:36,560

Strange's the main beneficiary of the

1565

00:59:40,690 --> 00:59:39,380

murders who got between the police

1566

00:59:43,450 --> 00:59:40,700

debated is basically what two hundred

1567

00:59:45,490 --> 00:59:43,460

thousand or two million i think the

1568

00:59:47,980 --> 00:59:45,500

actual real number lies somewhere in the

1569

00:59:50,380 --> 00:59:47,990

middle was the daughter of rosemary

1570

00:59:51,970 --> 00:59:50,390

LaBianca after the death of her she

1571

00:59:56,730 --> 00:59:51,980

inherited all this money that rosemary

1572

00:59:59,440 --> 00:59:56,740

had scrolled away years later Susan

1573

01:00:00,990 --> 00:59:59,450

Struthers who was the daughter rose from

1574

01:00:03,180 --> 01:00:01,000

that Bianca

1575

01:00:06,240 --> 01:00:03,190

he turned upon her a false name and

1576

01:00:09,300 --> 01:00:06,250

started trying to plead for Texas

1577

01:00:12,280 --> 01:00:09,310

release from prison only later was it

1578

01:00:14,740 --> 01:00:12,290

like it revealed who she was

1579

01:00:16,750 --> 01:00:14,750

and it actually transpires that her

1580

01:00:18,280 --> 01:00:16,760

Intex were friends before the murders

1581

01:00:20,320 --> 01:00:18,290

like she actually even used to live

1582

01:00:22,990 --> 01:00:20,330

almost next door to Tex and they used to

1583

01:00:25,180 --> 01:00:23,000

knock around his friends and Tex also

1584

01:00:28,780 --> 01:00:25,190

knew her boyfriend Atlanta Joe Dorgan

1585

01:00:30,430 --> 01:00:28,790

who was a straight Satan motorcycle gang

1586

01:00:32,770 --> 01:00:30,440

member and they they were also connected

1587

01:00:34,720 --> 01:00:32,780

with the various of criminal activities

1588

01:00:37,330 --> 01:00:34,730

of Manson and and the group that was

1589

01:00:41,110 --> 01:00:37,340

knocking around him so there is a

1590

01:00:44,230 --> 01:00:41,120

distinct possibility that basically Tex

1591

01:00:47,230 --> 01:00:44,240

could somehow arranged to do this with

1592

01:00:49,420 --> 01:00:47,240

Susan but also the evidence looks like

1593

01:00:51,970 --> 01:00:49,430

the lab yonkers was sort of kind of

1594

01:00:54,460 --> 01:00:51,980

tricked into it the basically did it was

1595

01:00:56,290 --> 01:00:54,470

almost like a sort of a fake burglary

1596

01:00:57,790 --> 01:00:56,300

where they felt that they were going to

1597

01:00:59,860 --> 01:00:57,800

get you know all this money that was

1598

01:01:01,270 --> 01:00:59,870

gonna get robbed from wherever they were

1599

01:01:02,950 --> 01:01:01,280

gonna go quite a bit which would go

1600

01:01:05,410 --> 01:01:02,960

towards helping his gambling debts and

1601
01:01:07,840 --> 01:01:05,420
such like that but in the end they were

1602
01:01:10,150 --> 01:01:07,850
double-crossed by Tex and Susan they

1603
01:01:12,250 --> 01:01:10,160
ended up murdering them I know it's a

1604
01:01:15,580 --> 01:01:12,260
bit strange and convoluted news by no

1605
01:01:18,820 --> 01:01:15,590
means proven that but to my mind I think

1606
01:01:20,860 --> 01:01:18,830
that is the most realistic way that it

1607
01:01:22,150 --> 01:01:20,870
actually happened yeah I mean I think it

1608
01:01:23,740 --> 01:01:22,160
makes a lot of sense and I really

1609
01:01:27,070 --> 01:01:23,750
appreciate you breaking down that

1610
01:01:28,690 --> 01:01:27,080
complex narrative heat but that pretty

1611
01:01:31,810 --> 01:01:28,700
much brings us to the finish line Neal

1612
01:01:33,670 --> 01:01:31,820
always good to stay vigilant and aware I

1613
01:01:35,260 --> 01:01:33,680

really appreciate the work you do

1614

01:01:37,060 --> 01:01:35,270

tell the people one more time where they

1615

01:01:38,860 --> 01:01:37,070

can get your books and follow up on your

1616

01:01:41,410 --> 01:01:38,870

work if they need more Neal Sanders

1617

01:01:43,060 --> 01:01:41,420

thank you very much my books are

1618

01:01:45,460 --> 01:01:43,070

available from Neil sounds mind control

1619

01:01:49,450 --> 01:01:45,470

calm or they're all available on Kindle

1620

01:01:51,430 --> 01:01:49,460

as well and also from rich planet on

1621

01:01:53,890 --> 01:01:51,440

there if you want to get hold of me get

1622

01:01:57,250 --> 01:01:53,900

I'll be email me through the website or

1623

01:01:59,920 --> 01:01:57,260

you can buy me on Facebook and I hate it

1624

01:02:02,200 --> 01:01:59,930

so like a right hypocrite now but I am

1625

01:02:04,600 --> 01:02:02,210

you know here is a user platform for

1626

01:02:06,790 --> 01:02:04,610

contacting people who supply that so

1627

01:02:08,140 --> 01:02:06,800

that's pretty much it so yeah thank you

1628

01:02:10,960 --> 01:02:08,150

very much now John Gregg it's always a

1629

01:02:12,520 --> 01:02:10,970

massive pleasure and throat said Simeon

1630

01:02:15,070 --> 01:02:12,530

so thank you very much in talking to a

1631

01:02:17,590 --> 01:02:15,080

group but in this thing you got it ma'am

1632

01:02:20,500 --> 01:02:17,600

awesome stuff thanks again and do take

1633

01:02:22,750 --> 01:02:20,510

care of yourself out there all right all

1634

01:02:25,660 --> 01:02:22,760

right all right people hell of a show

1635

01:02:27,099 --> 01:02:25,670

Neil Sanders hell of a guest

1636

01:02:29,829 --> 01:02:27,109

I'm glad I could get him back on cuz

1637

01:02:32,079 --> 01:02:29,839

it's been a long long time and it was

1638

01:02:34,690 --> 01:02:32,089

just that fact and knowing how much work

1639

01:02:37,539 --> 01:02:34,700

he's done on sex rings and pedophiles

1640

01:02:40,180 --> 01:02:37,549

and mind-control and Hollywood that made

1641

01:02:41,920 --> 01:02:40,190

me pursue it and he just so happened to

1642

01:02:43,839 --> 01:02:41,930

have a new book out about the Manson

1643

01:02:47,020 --> 01:02:43,849

murders so it worked out really well

1644

01:02:49,210 --> 01:02:47,030

when when personally I think that first

1645

01:02:52,390 --> 01:02:49,220

20 minutes is really worth revisiting

1646

01:02:54,760 --> 01:02:52,400

because Neil drops a ton of names and

1647

01:02:56,289 --> 01:02:54,770

connections my special lady was

1648

01:02:58,240 --> 01:02:56,299

listening to it and it sent her down a

1649

01:03:00,280 --> 01:02:58,250

huge rabbit hole of interweaving

1650

01:03:02,829 --> 01:03:00,290

connections that will make your skin

1651

01:03:04,359 --> 01:03:02,839

crawl in fact we did a lot of the work

1652

01:03:06,849 --> 01:03:04,369

for you because if you just go through

1653

01:03:09,819 --> 01:03:06,859

the show notes there's a lot of those

1654

01:03:11,500 --> 01:03:09,829

links right there and I struggled to

1655

01:03:13,270 --> 01:03:11,510

find a good title for this episode

1656

01:03:15,880 --> 01:03:13,280

because I really wanted something about

1657

01:03:18,010 --> 01:03:15,890

data in it just because it's such an

1658

01:03:20,530 --> 01:03:18,020

underrepresented aspect of the modern

1659

01:03:23,589 --> 01:03:20,540

digital age and it is pretty scary and

1660

01:03:25,599 --> 01:03:23,599

those parts of this interview went by so

1661

01:03:28,000 --> 01:03:25,609

fast but they are worth really

1662

01:03:30,069 --> 01:03:28,010

considering I mean even rumba is

1663

01:03:32,799 --> 01:03:30,079

apparently mapping people's floor plans

1664

01:03:35,230 --> 01:03:32,809

and selling that data every goddamn

1665

01:03:37,720 --> 01:03:35,240

thing is data and it's only gonna get

1666

01:03:40,420 --> 01:03:37,730

more refined and better at manipulating

1667

01:03:42,579 --> 01:03:40,430

us on an individual catered level and

1668

01:03:44,770 --> 01:03:42,589

that's why I think net neutrality is

1669

01:03:47,289 --> 01:03:44,780

just a bit humorous all the major

1670

01:03:49,000 --> 01:03:47,299

companies put what they want you to see

1671

01:03:50,589 --> 01:03:49,010

in front of you and subtly make it

1672

01:03:52,000 --> 01:03:50,599

slightly more difficult to get the

1673

01:03:55,539 --> 01:03:52,010

things outside of their preferred

1674

01:03:57,460 --> 01:03:55,549

content 90% of web traffic is like what

1675

01:04:00,549 --> 01:03:57,470

five websites and now people want a

1676

01:04:02,589 --> 01:04:00,559

protest net neutrality I don't know I

1677

01:04:04,420 --> 01:04:02,599

just think if everybody's paying

1678

01:04:06,819 --> 01:04:04,430

attention to something you really should

1679

01:04:08,980 --> 01:04:06,829

look a little deeper because we are such

1680

01:04:11,680 --> 01:04:08,990

sheep and these games are never what

1681

01:04:14,319 --> 01:04:11,690

they seem I don't know I just think it's

1682

01:04:16,359 --> 01:04:14,329

an arbitrary buzzword and it's a bit of

1683

01:04:18,490 --> 01:04:16,369

a red herring and I'm not saying the

1684

01:04:20,710 --> 01:04:18,500

internet can't get worse but this thing

1685

01:04:22,780 --> 01:04:20,720

is designed as a militarized Network

1686

01:04:25,180 --> 01:04:22,790

from the ground up it's a bit silly to

1687

01:04:27,549 --> 01:04:25,190

expect it to care about who has rights

1688

01:04:29,530 --> 01:04:27,559

to what but Neil brought up some great

1689

01:04:31,000 --> 01:04:29,540
points in that regard and it really

1690

01:04:33,309 --> 01:04:31,010
could have been a full show on its own

1691

01:04:35,589 --> 01:04:33,319
of course the bulk of the conversation

1692

01:04:37,690 --> 01:04:35,599
is a walk through of Neil's examination

1693

01:04:39,610 --> 01:04:37,700
of the Manson murders and all the holes

1694

01:04:41,770 --> 01:04:39,620
in the story another thing

1695

01:04:44,500 --> 01:04:41,780
wife was looking into like one thing I

1696

01:04:47,200 --> 01:04:44,510
asked about in the Plus show was this

1697

01:04:49,290 --> 01:04:47,210
claim that Jack Nicholson was one of the

1698

01:04:50,710 --> 01:04:49,300
cleaners of the tape murder scene and

1699

01:04:52,750 --> 01:04:50,720
apparently that's pretty

1700

01:04:54,760 --> 01:04:52,760
well-established but what I also learned

1701

01:04:56,920 --> 01:04:54,770

of course these murders were at Roman

1702

01:04:58,720 --> 01:04:56,930

Polanski's house who famously fled the

1703

01:05:01,240 --> 01:04:58,730

country over the allegations of having

1704

01:05:03,960 --> 01:05:01,250

sex with an underage girl well do you

1705

01:05:07,030 --> 01:05:03,970

know where this allegedly took place

1706

01:05:09,610 --> 01:05:07,040

Jack Nicholson's house so apparently

1707

01:05:11,590 --> 01:05:09,620

they were pretty friendly I also think

1708

01:05:13,420 --> 01:05:11,600

it's just too suspicious that Roman

1709

01:05:15,610 --> 01:05:13,430

Polanski was out of the country when his

1710

01:05:19,210 --> 01:05:15,620

wife was killed at home that is like

1711

01:05:20,770 --> 01:05:19,220

textbook it's awfully convenient and I

1712

01:05:23,380 --> 01:05:20,780

know Neil knows us and he doesn't find

1713

01:05:25,240 --> 01:05:23,390

it suspicious but I'm just saying Neil

1714

01:05:28,210 --> 01:05:25,250

is right though so much doesn't add up

1715

01:05:30,370 --> 01:05:28,220

about the official story and how funny

1716

01:05:31,840 --> 01:05:30,380

that there's an earth aspect to help

1717

01:05:33,940 --> 01:05:31,850

there skelter I really did not know that

1718

01:05:36,040 --> 01:05:33,950

the idea that they were looking for a

1719

01:05:38,650 --> 01:05:36,050

bottomless pit of Hopi legend a tunnel

1720

01:05:40,810 --> 01:05:38,660

to somewhere inside that's habitable you

1721

01:05:43,930 --> 01:05:40,820

know I love that even if it is just the

1722

01:05:45,640 --> 01:05:43,940

fantasy overlay I suppose it's a little

1723

01:05:48,100 --> 01:05:45,650

deflating to think the mind control and

1724

01:05:49,870 --> 01:05:48,110

ritual aspects are overblown but Neil

1725

01:05:51,760 --> 01:05:49,880

has done a lot of work on these subjects

1726

01:05:53,740 --> 01:05:51,770

before so I don't see him being afraid

1727

01:05:56,500 --> 01:05:53,750

to go there if that's where the clues

1728

01:05:59,050 --> 01:05:56,510

lead regardless I don't think we've ever

1729

01:06:01,420 --> 01:05:59,060

really focused on the Manson saga for a

1730

01:06:03,370 --> 01:06:01,430

higher side Chet's episode now we can

1731

01:06:05,050 --> 01:06:03,380

say we have because it is an interesting

1732

01:06:06,880 --> 01:06:05,060

tale and it does give us a little

1733

01:06:10,090 --> 01:06:06,890

glimpse into the Hollywood underground

1734

01:06:13,180 --> 01:06:10,100

and it's also timely given his recent

1735

01:06:15,400 --> 01:06:13,190

passing so another one in the can of

1736

01:06:17,440 --> 01:06:15,410

course in the second hour we got just a

1737

01:06:19,180 --> 01:06:17,450

lot deeper into Neil's Manson research

1738

01:06:21,010 --> 01:06:19,190

like I had mentioned we talked about the

1739

01:06:23,500 --> 01:06:21,020

details surrounding Jack Nicholson is

1740

01:06:25,300 --> 01:06:23,510

one of the tape murder cleaners homemade

1741

01:06:28,540 --> 01:06:25,310

celebrity porn that was found at the

1742

01:06:30,490 --> 01:06:28,550

Polanski home and then randomly I asked

1743

01:06:33,190 --> 01:06:30,500

him about the snuff film allegations

1744

01:06:35,710 --> 01:06:33,200

against Hunter s Thompson we got into

1745

01:06:37,660 --> 01:06:35,720

the manson crew's operations stripping

1746

01:06:40,750 --> 01:06:37,670

down cars in the desert and why neil

1747

01:06:43,120 --> 01:06:40,760

would find that talon and of course the

1748

01:06:44,770 --> 01:06:43,130

net neutrality fallacy the internet is a

1749

01:06:46,480 --> 01:06:44,780

deep state surveillance and data

1750

01:06:47,710 --> 01:06:46,490

collection machine remember that when

1751

01:06:50,260 --> 01:06:47,720

you start talking about your online

1752

01:06:52,060 --> 01:06:50,270

rights and freedoms i've been kind of

1753

01:06:53,799 --> 01:06:52,070

having these thoughts and just reading

1754

01:06:56,559 --> 01:06:53,809

what Gordon rights on runes

1755

01:06:59,650 --> 01:06:56,569

soup has totally confirmed the way I

1756

01:07:02,109 --> 01:06:59,660

feel and we kept this Plus show off

1757

01:07:04,660 --> 01:07:02,119

talking about artists and just the churn

1758

01:07:06,549 --> 01:07:04,670

and burn culture of the digital edge do

1759

01:07:08,529 --> 01:07:06,559

sign up for THC plus if you like the

1760

01:07:10,839 --> 01:07:08,539

show just treat yourself to a nice

1761

01:07:13,179 --> 01:07:10,849

end-of-the-year gift you can also sign

1762

01:07:15,130 --> 01:07:13,189

up through patreon if that's your jam or

1763

01:07:17,259 --> 01:07:15,140

just pick up a t-shirt at the higher

1764

01:07:20,109 --> 01:07:17,269

side clothing calm if you're into these

1765

01:07:21,549 --> 01:07:20,119

subjects I find it really hard to

1766

01:07:24,429 --> 01:07:21,559

believe that you wouldn't like at least

1767

01:07:26,349 --> 01:07:24,439

one shirt on that site and of course you

1768

01:07:28,059 --> 01:07:26,359

could just share these episodes that

1769

01:07:29,799 --> 01:07:28,069

would help me thank the guests for their

1770

01:07:32,709 --> 01:07:29,809

appearance I'd be really thankful for

1771

01:07:35,769 --> 01:07:32,719

any of those things so three more shows

1772

01:07:37,839 --> 01:07:35,779

to close out this year to return guests

1773

01:07:40,089 --> 01:07:37,849

and a new but awesome one I think you're

1774

01:07:40,449 --> 01:07:40,099

gonna be pretty satisfied that's it for

1775

01:07:42,880 --> 01:07:40,459

me today

1776

01:07:44,529 --> 01:07:42,890

your move mafia meddlers darkness

1777

01:07:46,539 --> 01:07:44,539

peddlers of the elite underground and

1778

01:07:50,949 --> 01:07:46,549

deep level data mining cabal's of the

1779

01:07:56,410 --> 01:07:50,959

digital age your [h__h] move you know

1780

01:07:59,549 --> 01:07:56,420

the plan has always been m'kay you're

1781

01:08:02,469 --> 01:07:59,559

just trying to drive you insane

1782

01:08:04,239 --> 01:08:02,479

they'll explode your heart if you think

1783

01:08:07,539 --> 01:08:04,249

that's what it means

1784

01:08:12,249 --> 01:08:07,549

you think I'm answering the phone when I

1785

01:08:14,679 --> 01:08:12,259

aim you gotta keep it burning strong cuz

1786

01:08:17,740 --> 01:08:14,689

I don't want anyone thinking you're at

1787

01:08:21,129 --> 01:08:17,750

home well you're not you should tape the

1788

01:08:24,579 --> 01:08:21,139

mail slot and baby if I seem withdrawn

1789

01:08:27,579 --> 01:08:24,589

let me say yes cuz I just don't wanna go

1790

01:08:31,380 --> 01:08:27,589

and get whacked maybe you should know

1791

01:08:35,940 --> 01:08:31,390

that the trauma of thank you

1792

01:08:40,200 --> 01:08:35,950

everyone it's just a game when it's were

1793

01:08:43,140 --> 01:08:40,210

the ones become they want a patent and

1794

01:08:47,130 --> 01:08:43,150

the swap don't you see what's going on

1795

01:08:51,270 --> 01:08:47,140

well now you know you're better keeping

1796

01:08:55,170 --> 01:08:51,280

on your anchors you can see the Masters

1797

01:09:00,900 --> 01:08:55,180

lacking much oh baby you can only trust

1798

01:09:04,230 --> 01:09:00,910

yourself and if you think the systems

1799

01:09:06,800 --> 01:09:04,240

out of touch it is and you can only

1800

01:09:10,490 --> 01:09:06,810

trust yourself

1801
01:09:11,360 --> 01:09:10,500
hope you know male lead aren't your

1802
01:09:15,020 --> 01:09:11,370
friends

1803
01:09:19,400 --> 01:09:15,030
the suck out everything from you in the

1804
01:09:23,360 --> 01:09:19,410
end and if for some reason you think I

1805
01:09:27,440 --> 01:09:23,370
might be wrong I wonder where you got

1806
01:09:30,290 --> 01:09:27,450
that opinion from you gotta keep it

1807
01:09:33,530 --> 01:09:30,300
wrong cuz I don't want anyone thinking

1808
01:09:36,980 --> 01:09:33,540
you're at home well you're not you

1809
01:09:39,680 --> 01:09:36,990
should tape the male's lot and baby if I

1810
01:09:42,590 --> 01:09:39,690
seem withdrawn let me sing it's cuz I

1811
01:09:46,160 --> 01:09:42,600
just don't wanna go and get whacked

1812
01:09:50,660 --> 01:09:46,170
maybe you should know that the trauma

1813
01:09:53,000 --> 01:09:50,670

affects you like it does everyone it's

1814

01:09:56,990 --> 01:09:53,010

just the game when it's where the

1815

01:09:59,960 --> 01:09:57,000

world's become they want a pat down in

1816

01:10:01,620 --> 01:09:59,970

the swamp don't you see what's going on

1817

01:10:05,140 --> 01:10:01,630

well now

1818

01:10:09,580 --> 01:10:05,150

you're better came in on your uncle's

1819

01:10:14,920 --> 01:10:09,590

you can see the Masters lighting much Oh

1820

01:10:19,420 --> 01:10:14,930

baby you can only trust yourself and if

1821

01:10:24,370 --> 01:10:19,430

you think the system's out of touch it

1822

01:10:42,730 --> 01:10:24,380

is and you can only trust yourself

1823

01:10:46,460 --> 01:10:42,740

[Music]

1824

01:10:50,990 --> 01:10:46,470

you might think that these problems are

1825

01:10:55,190 --> 01:10:51,000

small maybe they aren't registering at

1826

01:10:59,690 --> 01:10:55,200

all now they know you're naive and

1827

01:11:04,660 --> 01:10:59,700

vulnerable you won't believe all of the

1828

01:11:08,720 --> 01:11:04,670

sense that Dell poem cuz you can see the

1829

01:11:14,290 --> 01:11:08,730

Masters lied too much oh baby you can

1830

01:11:18,290 --> 01:11:14,300

only trust yourself and if you think the

1831

01:11:22,820 --> 01:11:18,300

system's out of touch it is and you can

1832

01:11:27,590 --> 01:11:22,830

only trust yourself because you can see

1833

01:11:32,090 --> 01:11:27,600

the Masters lied too much oh baby you

1834

01:11:37,190 --> 01:11:32,100

can only trust yourself and if you think

1835

01:11:39,710 --> 01:11:37,200

the systems out of touch he is and you

1836

01:11:42,189 --> 01:11:39,720

can only trust yourself
