1
00:00:00,610 --> 00:00:04,789

[Music]

2
00:00:09,110 --> 00:00:07,269

the planet's puppet masters almost

3
00:00:11,350 --> 00:00:09,120

surely have a plan

4
00:00:13,270 --> 00:00:11,360

this clearly may be something there

5
00:00:15,749 --> 00:00:13,280

beyond the realm of man

6
00:00:17,750 --> 00:00:15,759

and until you've thoroughly tested every

7
00:00:20,310 --> 00:00:17,760

last course just a few

8
00:00:21,910 --> 00:00:20,320

i find the more you think you know the

9
00:00:26,550 --> 00:00:21,920

less you really do

10
00:00:29,250 --> 00:00:26,560

that's true dr seuss where would we be

11
00:00:36,470 --> 00:00:29,260

without the cause we

12
00:00:38,620 --> 00:00:36,480

[Music]

13
00:00:42,830 --> 00:00:38,630

[Applause]

14

00:00:47,510 --> 00:00:45,990

company all right higher side chatters i

15

00:00:49,590 --> 00:00:47,520

think it's pretty clear by now that we

16

00:00:51,350 --> 00:00:49,600

live in a world of secrecy and mystery

17

00:00:52,869 --> 00:00:51,360

but we do what we can to scoop up the

18

00:00:54,470 --> 00:00:52,879

occasional breadcrumbs and piece

19

00:00:55,910 --> 00:00:54,480

together the strange sagas they don't

20

00:00:57,670 --> 00:00:55,920

want us to know about

21

00:00:59,349 --> 00:00:57,680

and even when the breadcrumbs are scarce

22

00:01:01,349 --> 00:00:59,359

one can still look at the sometimes

23

00:01:03,510 --> 00:01:01,359

insane lengths various factions of the

24

00:01:04,869 --> 00:01:03,520

nefarious few go to keep their secrets

25

00:01:06,310 --> 00:01:04,879

and you can tell that they must be

26

00:01:08,310 --> 00:01:06,320

hiding something big

27

00:01:09,910 --> 00:01:08,320

redacted documents classified for

28

00:01:11,910 --> 00:01:09,920

decades missing files

29

00:01:13,830 --> 00:01:11,920

official investigations that are clearly

30

00:01:15,350 --> 00:01:13,840

cover-ups theological lifetime

31

00:01:16,710 --> 00:01:15,360

imprisonment of people who just might

32

00:01:18,870 --> 00:01:16,720

know something and of course a

33

00:01:20,070 --> 00:01:18,880

smattering of mysterious suicides in the

34

00:01:21,109 --> 00:01:20,080

wake of whatever it is they're

35

00:01:22,789 --> 00:01:21,119

protecting

36

00:01:24,950 --> 00:01:22,799

this is a template of patterns that

37

00:01:25,429 --> 00:01:24,960

applies to many slices of the conspiracy

38

00:01:27,190 --> 00:01:25,439

pie

39

00:01:28,870 --> 00:01:27,200

and it's a key component of joseph

40

00:01:30,950 --> 00:01:28,880

farrell's latest book hess and the

41

00:01:33,109 --> 00:01:30,960

penguins the holocaust antarctica and

42

00:01:35,190 --> 00:01:33,119

the strange case of rudolph hess

43

00:01:37,670 --> 00:01:35,200

as i'm sure you know dr farrell is the

44

00:01:39,830 --> 00:01:37,680

man behind gizadethstar.com and the

45

00:01:42,230 --> 00:01:39,840

author of many great books most with a

46

00:01:43,990 --> 00:01:42,240

fascinating interweaving continuity that

47

00:01:46,069 --> 00:01:44,000

gets into the evidence of advanced

48

00:01:48,469 --> 00:01:46,079

civilizations in the ancient past the

49

00:01:50,550 --> 00:01:48,479

financial goings-on of the world's elite

50

00:01:53,109 --> 00:01:50,560

hidden physics alchemy and occult

51
00:01:55,510 --> 00:01:53,119
sciences the survival of a post-war nazi

52
00:01:56,069 --> 00:01:55,520
network schooling projects to dumb down

53
00:01:57,910 --> 00:01:56,079
the people

54
00:02:00,230 --> 00:01:57,920
transhumanism and nearly every

55
00:02:01,270 --> 00:02:00,240
ingredient in a good hearty conspiracy

56
00:02:02,789 --> 00:02:01,280
soup

57
00:02:04,550 --> 00:02:02,799
he's high up on my short list of

58
00:02:07,109 --> 00:02:04,560
favorites and today marks his fourth

59
00:02:09,350 --> 00:02:07,119
time on thc here to discuss the latest

60
00:02:11,589 --> 00:02:09,360
book the mysteries of antarctica

61
00:02:13,350 --> 00:02:11,599
and the strange but telling twisted web

62
00:02:15,830 --> 00:02:13,360
he so accurately refers to

63
00:02:17,430 --> 00:02:15,840

as the hess mess so warm yourself by the

64

00:02:18,470 --> 00:02:17,440

fire of your choice and let's get this

65

00:02:20,550 --> 00:02:18,480

party started

66

00:02:22,710 --> 00:02:20,560

a scholar of the world secrets high

67

00:02:24,869 --> 00:02:22,720

octane speculator extraordinaire and

68

00:02:27,110 --> 00:02:24,879

parapolitical professor of the highest

69

00:02:28,390 --> 00:02:27,120

order dr joseph farrell welcome back to

70

00:02:30,790 --> 00:02:28,400

the higher side

71

00:02:31,750 --> 00:02:30,800

thanks for having me back greg yeah man

72

00:02:34,150 --> 00:02:31,760

always a pleasure

73

00:02:35,830 --> 00:02:34,160

thanks so much for doing it i am not at

74

00:02:36,630 --> 00:02:35,840

all surprised that i really love this

75

00:02:39,190 --> 00:02:36,640

latest book

76

00:02:41,670 --> 00:02:39,200

hess and the penguins it's a complex

77

00:02:43,270 --> 00:02:41,680

saga with a ton of twists and turns body

78

00:02:46,229 --> 00:02:43,280

doubles mind control

79

00:02:47,670 --> 00:02:46,239

antarctic expeditions and secret cues it

80

00:02:49,670 --> 00:02:47,680

really has everything man

81

00:02:50,949 --> 00:02:49,680

and it is a lot to unpack in a

82

00:02:53,030 --> 00:02:50,959

conversation but i think

83

00:02:54,790 --> 00:02:53,040

the best way to start is really the same

84

00:02:55,670 --> 00:02:54,800

way you start the book because just by

85

00:02:58,309 --> 00:02:55,680

examining

86

00:03:00,630 --> 00:02:58,319

the facts about hitler's deputy rudolph

87

00:03:01,509 --> 00:03:00,640

hess's extremely unique post-war

88

00:03:03,110 --> 00:03:01,519

imprisonment

89

00:03:05,270 --> 00:03:03,120

that right there is enough to

90

00:03:07,589 --> 00:03:05,280

communicate the scale of

91

00:03:09,190 --> 00:03:07,599

a pretty big secret i would say isn't it

92

00:03:12,790 --> 00:03:09,200

well yeah i think so

93

00:03:16,390 --> 00:03:12,800

you know hess died in 1987

94

00:03:19,190 --> 00:03:16,400

i remember it being reported and

95

00:03:20,229 --> 00:03:19,200

you know that case always intrigued me

96

00:03:23,990 --> 00:03:20,239

why was it

97

00:03:26,149 --> 00:03:24,000

necessary for the big four allied powers

98

00:03:29,830 --> 00:03:26,159

united states united kingdom france

99

00:03:32,309 --> 00:03:29,840

and the soviet union to keep an entire

100

00:03:32,869 --> 00:03:32,319

prison you know maintain an entire

101
00:03:36,630 --> 00:03:32,879
prison

102
00:03:37,750 --> 00:03:36,640
keep their military guards and an entire

103
00:03:42,390 --> 00:03:37,760
medical staff

104
00:03:46,789 --> 00:03:42,400
it necessary for them to

105
00:03:49,430 --> 00:03:46,799
maintain this strict regime for 21

106
00:03:50,390 --> 00:03:49,440
years after all of the other nazis had

107
00:03:53,190 --> 00:03:50,400
been let out of

108
00:03:55,270 --> 00:03:53,200
spandau prison why was it necessary for

109
00:03:57,350 --> 00:03:55,280
them to guard this one man

110
00:03:59,589 --> 00:03:57,360
you know he wasn't a threat to anybody

111
00:04:02,470 --> 00:03:59,599
he was old he was frail he was in

112
00:04:02,869 --> 00:04:02,480
very bad health and yet they keep up

113
00:04:09,030 --> 00:04:02,879

this

114

00:04:09,990 --> 00:04:09,040

conversely what were they afraid of

115

00:04:12,309 --> 00:04:10,000

letting out

116

00:04:13,030 --> 00:04:12,319

if he were to be released you know the

117

00:04:17,110 --> 00:04:13,040

whole thing

118

00:04:18,789 --> 00:04:17,120

you slice it

119

00:04:21,670 --> 00:04:18,799

right and for people who know like you

120

00:04:24,230 --> 00:04:21,680

said 21 years he was the only

121

00:04:25,830 --> 00:04:24,240

prisoner in this prison right as you

122

00:04:26,469 --> 00:04:25,840

point out in the book to have multiple

123

00:04:28,469 --> 00:04:26,479

nations

124

00:04:30,070 --> 00:04:28,479

pitching in to keep the prison going for

125

00:04:32,950 --> 00:04:30,080

one man is no small thing

126

00:04:34,870 --> 00:04:32,960

and these are nations who were on really

127

00:04:35,350 --> 00:04:34,880

tense ground through the cold war and

128

00:04:37,749 --> 00:04:35,360

the

129

00:04:38,950 --> 00:04:37,759

missile crisis yeah but you know on this

130

00:04:39,990 --> 00:04:38,960

prison they were in pretty much

131

00:04:42,070 --> 00:04:40,000

agreement

132

00:04:43,350 --> 00:04:42,080

yeah this is what really sticks out to

133

00:04:46,790 --> 00:04:43,360

me is

134

00:04:48,790 --> 00:04:46,800

in spite of all the cold war tensions

135

00:04:51,110 --> 00:04:48,800

at that time we were going through the

136

00:04:54,629 --> 00:04:51,120

reagan gorbachev era

137

00:04:56,950 --> 00:04:54,639

and there were tensions in that period

138

00:04:59,990 --> 00:04:56,960

and yet the one thing that keeps the

139

00:05:00,950 --> 00:05:00,000

four allied powers united is rudolf hess

140

00:05:02,710 --> 00:05:00,960

so in other words

141

00:05:04,550 --> 00:05:02,720

you know the hydrogen bombs and the

142

00:05:06,469 --> 00:05:04,560

missiles might fly

143

00:05:08,830 --> 00:05:06,479

but by golly we've got to keep our

144

00:05:12,790 --> 00:05:08,840

guards posted for this guy

145

00:05:14,070 --> 00:05:12,800

yeah so that's that says it right there

146

00:05:17,749 --> 00:05:14,080

you know what's the big

147

00:05:20,870 --> 00:05:17,759

secret or danger that this guy posed

148

00:05:23,350 --> 00:05:20,880

to the allied powers if they had let him

149

00:05:25,590 --> 00:05:23,360

out and again you know they released

150

00:05:29,350 --> 00:05:25,600

here's the problem they released other

151
00:05:31,670 --> 00:05:29,360
big-name nazis grand admiral dennis

152
00:05:33,270 --> 00:05:31,680
grand admiral raider who had also been

153
00:05:36,230 --> 00:05:33,280
sentenced to life

154
00:05:38,230 --> 00:05:36,240
walter funk another life sentence fellow

155
00:05:40,390 --> 00:05:38,240
that was released early like grand

156
00:05:42,950 --> 00:05:40,400
admiral raider on humanitarian grounds

157
00:05:46,629 --> 00:05:42,960
so in other words it wasn't as if

158
00:05:48,469 --> 00:05:46,639
the allied powers were committed to

159
00:05:49,990 --> 00:05:48,479
you know a regime and a doctrine of

160
00:05:53,590 --> 00:05:50,000
cruelty

161
00:05:54,150 --> 00:05:53,600
to these people but yet hess is the one

162
00:05:57,029 --> 00:05:54,160
guy

163
00:05:58,469 --> 00:05:57,039

that they have to keep locked up and it

164

00:06:00,710 --> 00:05:58,479

gets even stranger

165

00:06:01,749 --> 00:06:00,720

because if you go back and remember the

166

00:06:04,629 --> 00:06:01,759

way that

167

00:06:05,430 --> 00:06:04,639

hess was treated in german propaganda

168

00:06:08,550 --> 00:06:05,440

before

169

00:06:11,590 --> 00:06:08,560

and after his flight to great britain

170

00:06:13,590 --> 00:06:11,600

before his flight hess is you know the

171

00:06:16,950 --> 00:06:13,600

best thing since sliced bread

172

00:06:17,670 --> 00:06:16,960

the nazi propaganda organs are paying a

173

00:06:19,749 --> 00:06:17,680

great deal of

174

00:06:21,670 --> 00:06:19,759

attention to him particularly in the

175

00:06:23,110 --> 00:06:21,680

weeks prior to the flight

176

00:06:24,710 --> 00:06:23,120

and then after the flight all of a

177

00:06:27,270 --> 00:06:24,720

sudden he's denounced as

178

00:06:29,590 --> 00:06:27,280

insane a guy that kind of lost his mind

179

00:06:31,749 --> 00:06:29,600

dabbling in too much occult

180

00:06:33,510 --> 00:06:31,759

and the british are willing to go along

181

00:06:35,670 --> 00:06:33,520

with this reading so in other words you

182

00:06:36,230 --> 00:06:35,680

know he went from deputy fuhrer to being

183

00:06:39,670 --> 00:06:36,240

a nut

184

00:06:42,870 --> 00:06:39,680

literally literally overnight

185

00:06:43,350 --> 00:06:42,880

so again what's the big secret why are

186

00:06:46,550 --> 00:06:43,360

they

187

00:06:47,510 --> 00:06:46,560

afraid of letting this man go when

188

00:06:49,749 --> 00:06:47,520

clearly they

189

00:06:50,710 --> 00:06:49,759

were willing to do so in the case of

190

00:06:53,350 --> 00:06:50,720

walter funk

191

00:06:53,909 --> 00:06:53,360

and grand admiral raider so you know

192

00:06:55,589 --> 00:06:53,919

again

193

00:06:57,189 --> 00:06:55,599

you know the questions the questions

194

00:07:00,390 --> 00:06:57,199

start piling on

195

00:07:00,710 --> 00:07:00,400

almost as soon as you look at any aspect

196

00:07:03,830 --> 00:07:00,720

of

197

00:07:05,749 --> 00:07:03,840

what i call the hess mess and it doesn't

198

00:07:07,909 --> 00:07:05,759

ever let up and this is probably one

199

00:07:09,350 --> 00:07:07,919

reason why so few people write about it

200

00:07:11,350 --> 00:07:09,360

but to give you

201
00:07:13,589 --> 00:07:11,360
another idea of the magnitude of the

202
00:07:15,670 --> 00:07:13,599
scale of this thing greg

203
00:07:16,629 --> 00:07:15,680
the hess documents were all supposed to

204
00:07:19,670 --> 00:07:16,639
be released

205
00:07:21,589 --> 00:07:19,680
this year as were incidentally the jfk

206
00:07:24,469 --> 00:07:21,599
documents which of course president

207
00:07:26,070 --> 00:07:24,479
trump did release some of those

208
00:07:27,589 --> 00:07:26,080
but you know that ought to tell us

209
00:07:30,710 --> 00:07:27,599
something of the magnitude

210
00:07:31,110 --> 00:07:30,720
of the hess case you know he's at least

211
00:07:38,870 --> 00:07:31,120
as

212
00:07:41,350 --> 00:07:38,880
received anything near

213
00:07:42,550 --> 00:07:41,360

the attention that kennedy has and yet i

214

00:07:44,390 --> 00:07:42,560

think it probably is

215

00:07:46,230 --> 00:07:44,400

is one of the most significant stories

216

00:07:47,589 --> 00:07:46,240

of the 20th century

217

00:07:49,510 --> 00:07:47,599

oh for sure it's definitely

218

00:07:50,390 --> 00:07:49,520

international in scope when you get into

219

00:07:52,950 --> 00:07:50,400

it and it is

220

00:07:56,469 --> 00:07:52,960

a truly unique case and as you said he

221

00:07:56,790 --> 00:07:56,479

died in prison in 1987 at 93 years old

222

00:07:59,029 --> 00:07:56,800

and

223

00:08:02,309 --> 00:07:59,039

officially it was a suicide but even

224

00:08:04,469 --> 00:08:02,319

that's pretty suspect isn't it

225

00:08:06,550 --> 00:08:04,479

well yeah this is the other problem and

226

00:08:07,990 --> 00:08:06,560

i have to warn people and i i warned

227

00:08:10,309 --> 00:08:08,000

them in the book

228

00:08:12,070 --> 00:08:10,319

as you said in the introduction almost

229

00:08:15,270 --> 00:08:12,080

every point

230

00:08:16,869 --> 00:08:15,280

of the hess affair is capable of more

231

00:08:19,270 --> 00:08:16,879

than one interpretation

232

00:08:20,550 --> 00:08:19,280

or one argument but the real suspicion

233

00:08:23,990 --> 00:08:20,560

begins with his

234

00:08:25,749 --> 00:08:24,000

death because according to the official

235

00:08:28,070 --> 00:08:25,759

narrative he's found by an

236

00:08:29,350 --> 00:08:28,080

american guard a black american guard

237

00:08:31,350 --> 00:08:29,360

who of course has

238

00:08:33,029 --> 00:08:31,360

hated because he hated black people you

239

00:08:36,469 --> 00:08:33,039

know being a good nazi

240

00:08:38,230 --> 00:08:36,479

but he's found by a black american guard

241

00:08:41,509 --> 00:08:38,240

and the narrative says that he

242

00:08:44,870 --> 00:08:41,519

supposedly tied a

243

00:08:46,870 --> 00:08:44,880

cord from an electric reading lamp to a

244

00:08:49,350 --> 00:08:46,880

window latch that was kind of

245

00:08:50,389 --> 00:08:49,360

you know highly placed on the wall it

246

00:08:53,910 --> 00:08:50,399

was an upper

247

00:08:55,190 --> 00:08:53,920

window and it was in this garden house

248

00:08:57,350 --> 00:08:55,200

that they put

249

00:08:58,790 --> 00:08:57,360

up for hess out in the prison courtyard

250

00:09:00,870 --> 00:08:58,800

it's kind of a little place he could

251

00:09:03,110 --> 00:09:00,880

just kind of get away to

252

00:09:04,630 --> 00:09:03,120

and he supposedly tied this electric

253

00:09:06,630 --> 00:09:04,640

cord around

254

00:09:08,870 --> 00:09:06,640

the window latch and then looped it

255

00:09:09,829 --> 00:09:08,880

around his neck and tied it there and

256

00:09:11,910 --> 00:09:09,839

then

257

00:09:13,509 --> 00:09:11,920

fell off a bench that he was sitting on

258

00:09:15,110 --> 00:09:13,519

in order to hang himself and commit

259

00:09:18,630 --> 00:09:15,120

suicide okay

260

00:09:22,070 --> 00:09:18,640

the problem it's a big

261

00:09:24,790 --> 00:09:22,080

problem is that hess of course

262

00:09:25,829 --> 00:09:24,800

had a son by the name of wolf hess both

263

00:09:29,509 --> 00:09:25,839

rudiger hiss

264

00:09:31,910 --> 00:09:29,519

and he also had at that time a tunisian

265

00:09:33,030 --> 00:09:31,920

male nurse by the name of abdullah

266

00:09:35,829 --> 00:09:33,040

malawi

267

00:09:38,310 --> 00:09:35,839

and his nurse who had taken care of him

268

00:09:40,389 --> 00:09:38,320

for half a decade

269

00:09:42,550 --> 00:09:40,399

immediately suspected murder for the

270

00:09:45,590 --> 00:09:42,560

very simple reason that hess had

271

00:09:48,310 --> 00:09:45,600

extremely bad arthritis he had to walk

272

00:09:51,829 --> 00:09:48,320

with a cane he had to be helped with

273

00:09:55,190 --> 00:09:51,839

walking with people you know holding him

274

00:09:58,310 --> 00:09:55,200

and because of his arthritis he was not

275

00:09:59,990 --> 00:09:58,320

able to raise his arms above his

276

00:10:01,190 --> 00:10:00,000

shoulder which he would have had to have

277

00:10:04,710 --> 00:10:01,200

done to tie this

278

00:10:07,430 --> 00:10:04,720

noose and additionally his hands were so

279

00:10:08,550 --> 00:10:07,440

arthritic that he also had to have

280

00:10:11,030 --> 00:10:08,560

people help him

281

00:10:12,550 --> 00:10:11,040

you know hold a spoon or a fork so that

282

00:10:15,350 --> 00:10:12,560

he could eat

283

00:10:18,069 --> 00:10:15,360

so in other words the chances of him

284

00:10:19,509 --> 00:10:18,079

doing what the narrative says he did in

285

00:10:22,389 --> 00:10:19,519

tying this

286

00:10:23,269 --> 00:10:22,399

cord around a window latch above his

287

00:10:25,750 --> 00:10:23,279

head

288

00:10:27,990 --> 00:10:25,760

and then looping it in turn around his

289

00:10:29,910 --> 00:10:28,000

neck and tying it off there and then

290

00:10:32,310 --> 00:10:29,920

climbing up on this bench and falling

291

00:10:33,269 --> 00:10:32,320

off of it to commit suicide are very

292

00:10:35,829 --> 00:10:33,279

unlikely

293

00:10:37,269 --> 00:10:35,839

so that raises the question and i'm

294

00:10:40,069 --> 00:10:37,279

definitely one of those that

295

00:10:41,990 --> 00:10:40,079

does think that he was probably murdered

296

00:10:43,990 --> 00:10:42,000

that raises the question of who did it

297

00:10:47,430 --> 00:10:44,000

and why

298

00:10:50,550 --> 00:10:47,440

and malawi is his nurse

299

00:10:52,790 --> 00:10:50,560

says that he saw two

300

00:10:55,509 --> 00:10:52,800

guards american guards in very

301

00:10:56,630 --> 00:10:55,519

ill-fitting uniforms that he had did not

302

00:11:00,069 --> 00:10:56,640

recognize

303

00:11:01,509 --> 00:11:00,079

on the premises of spandau prison and

304

00:11:03,350 --> 00:11:01,519

again you know i find that very

305

00:11:04,470 --> 00:11:03,360

significant because malawi would have

306

00:11:07,509 --> 00:11:04,480

been very familiar

307

00:11:10,069 --> 00:11:07,519

with the normal personnel in all the

308

00:11:12,069 --> 00:11:10,079

guard rotations of all the allied powers

309

00:11:14,389 --> 00:11:12,079

the russians the french the british

310

00:11:15,269 --> 00:11:14,399

and the americans he would have known

311

00:11:18,150 --> 00:11:15,279

these people

312

00:11:20,470 --> 00:11:18,160

and if new personnel had been introduced

313

00:11:23,190 --> 00:11:20,480

to the equation he probably would

314

00:11:23,910 --> 00:11:23,200

have been made aware of who they were

315

00:11:26,389 --> 00:11:23,920

simply by

316

00:11:28,550 --> 00:11:26,399

you know the protocols of running that

317

00:11:30,710 --> 00:11:28,560

place efficiently so in other words

318

00:11:31,910 --> 00:11:30,720

there's a lot of suspicious activity on

319

00:11:35,110 --> 00:11:31,920

the day of

320

00:11:39,030 --> 00:11:35,120

hess's death and what's even more

321

00:11:40,550 --> 00:11:39,040

interesting is that when malawi shows up

322

00:11:42,310 --> 00:11:40,560

at the prison when they phone him to

323

00:11:45,350 --> 00:11:42,320

tell him that hez

324

00:11:46,230 --> 00:11:45,360

had died and to come right away well he

325

00:11:50,310 --> 00:11:46,240

comes

326

00:11:52,310 --> 00:11:50,320

hess is still alive and he asks

327

00:11:54,710 --> 00:11:52,320

these two strange american guards that

328

00:11:58,230 --> 00:11:54,720

he doesn't recognize to help him

329

00:12:00,550 --> 00:11:58,240

perform cpr and tells another orderly to

330

00:12:01,750 --> 00:12:00,560

run and get the oxygen bottle the oxygen

331

00:12:03,750 --> 00:12:01,760

bottles brought back

332

00:12:05,590 --> 00:12:03,760

it had been tampered with there was no

333

00:12:08,069 --> 00:12:05,600

oxygen in it

334

00:12:10,310 --> 00:12:08,079

and of course he he malawi said he had

335

00:12:13,110 --> 00:12:10,320

checked the oxygen bottle that morning

336

00:12:14,949 --> 00:12:13,120

and it was okay so you know there's

337

00:12:17,030 --> 00:12:14,959

there's something suspicious there so he

338

00:12:17,590 --> 00:12:17,040

asked these guards to do cpr and one of

339

00:12:20,069 --> 00:12:17,600

the guards

340

00:12:20,710 --> 00:12:20,079

supposedly helping him do cpr is

341

00:12:24,069 --> 00:12:20,720

applying

342

00:12:26,870 --> 00:12:24,079

such pressure to this old man's ribs

343

00:12:28,629 --> 00:12:26,880

that he breaks a couple of his ribs

344

00:12:30,710 --> 00:12:28,639

there's some suspicion that he may have

345

00:12:32,069 --> 00:12:30,720

been alive even prior to leaving the

346

00:12:33,670 --> 00:12:32,079

prison and

347

00:12:35,670 --> 00:12:33,680

died subsequently in the british

348

00:12:37,509 --> 00:12:35,680

military hospital but yeah i think

349

00:12:39,030 --> 00:12:37,519

clearly he was murdered the real

350

00:12:41,990 --> 00:12:39,040

question is why

351

00:12:45,030 --> 00:12:42,000

and that of course jumps us off into the

352

00:12:47,030 --> 00:12:45,040

deep end of the hesmes

353

00:12:48,710 --> 00:12:47,040

it does and yeah his nurse makes so many

354

00:12:49,190 --> 00:12:48,720

great points as you point out in the

355

00:12:51,110 --> 00:12:49,200

book and

356

00:12:53,030 --> 00:12:51,120

it just doesn't add up at all and just

357

00:12:55,670 --> 00:12:53,040

to back up a little bit rudolph hess

358

00:12:56,629 --> 00:12:55,680

has one hell of a bio it seems like he's

359

00:12:58,870 --> 00:12:56,639

basically

360

00:13:00,550 --> 00:12:58,880

he's close to being hitler's best friend

361

00:13:02,870 --> 00:13:00,560

he's the nazi officer with the highest

362

00:13:05,829 --> 00:13:02,880

level of occult interest he was born

363

00:13:07,110 --> 00:13:05,839

in alexandria egypt and it's pretty

364

00:13:10,230 --> 00:13:07,120

clear he was a member of the

365

00:13:11,430 --> 00:13:10,240

thule society so not a boring guy is

366

00:13:13,509 --> 00:13:11,440

there anything more you can say about

367

00:13:15,190 --> 00:13:13,519

those occult interests or his beliefs or

368

00:13:18,389 --> 00:13:15,200

the man himself

369

00:13:20,710 --> 00:13:18,399

this was really the cosmopolitan nazi if

370

00:13:22,710 --> 00:13:20,720

i could have

371

00:13:24,710 --> 00:13:22,720

he spoke several languages he spoke

372

00:13:26,550 --> 00:13:24,720

french he spoke english

373

00:13:28,389 --> 00:13:26,560

and of course he spoke arabic so in

374

00:13:29,269 --> 00:13:28,399

other words you know he's a multilingual

375

00:13:31,269 --> 00:13:29,279

man

376

00:13:32,790 --> 00:13:31,279

when he arrives in great britain he's

377

00:13:34,629 --> 00:13:32,800

you know he's conversing with the

378

00:13:38,310 --> 00:13:34,639

british in english

379

00:13:41,829 --> 00:13:38,320

he was very accomplished intellectually

380

00:13:45,110 --> 00:13:41,839

his professors in his various academic

381

00:13:47,350 --> 00:13:45,120

pursuits after world war one

382

00:13:49,670 --> 00:13:47,360

all record that he had good facility

383

00:13:51,350 --> 00:13:49,680

with mathematics and history and physics

384

00:13:53,430 --> 00:13:51,360

and astronomy and things like this so he

385

00:13:57,110 --> 00:13:53,440

was not a dumb

386

00:13:59,829 --> 00:13:57,120

individual he was probably as

387

00:14:01,750 --> 00:13:59,839

smart if not somewhat a little bit

388

00:14:03,829 --> 00:14:01,760

smarter than than herman garrig

389

00:14:06,710 --> 00:14:03,839

so in other words he was not a stupid

390

00:14:09,430 --> 00:14:06,720

man by any stretch of the imagination

391

00:14:10,550 --> 00:14:09,440

the hugely important thing to note about

392

00:14:12,230 --> 00:14:10,560

hess

393

00:14:15,910 --> 00:14:12,240

and there are several things is first of

394

00:14:16,710 --> 00:14:15,920

all his relationship with hitler himself

395

00:14:20,550 --> 00:14:16,720

was

396

00:14:22,629 --> 00:14:20,560

so close that many people to this day

397

00:14:24,310 --> 00:14:22,639

kind of argue that they suspect that

398

00:14:26,790 --> 00:14:24,320

they may have had some sort of

399

00:14:28,310 --> 00:14:26,800

innate or or repressed homosexual

400

00:14:30,710 --> 00:14:28,320

relationship

401
00:14:32,069 --> 00:14:30,720
i don't think that's the case but you

402
00:14:34,790 --> 00:14:32,079
know it's out there

403
00:14:36,629 --> 00:14:34,800
because their relationship was so close

404
00:14:38,629 --> 00:14:36,639
hitler and hess

405
00:14:41,189 --> 00:14:38,639
referred to each other in the german as

406
00:14:43,670 --> 00:14:41,199
do which of course is the informal

407
00:14:45,189 --> 00:14:43,680
address that you use with close friends

408
00:14:47,430 --> 00:14:45,199
or family

409
00:14:49,430 --> 00:14:47,440
and you know germans don't especially at

410
00:14:51,110 --> 00:14:49,440
that time don't extend that privilege

411
00:14:53,350 --> 00:14:51,120
lightly

412
00:14:55,189 --> 00:14:53,360
you know that's a little measure and the

413
00:14:58,150 --> 00:14:55,199

other thing that most people don't know

414

00:15:00,069 --> 00:14:58,160

is that hess's relationship with hitler

415

00:15:03,350 --> 00:15:00,079

was so close

416

00:15:06,470 --> 00:15:03,360

that it was actually hess who

417

00:15:08,629 --> 00:15:06,480

wrote many passages of mein kampf

418

00:15:10,150 --> 00:15:08,639

especially the passages dealing with

419

00:15:12,790 --> 00:15:10,160

geopolitics and

420

00:15:14,790 --> 00:15:12,800

the nazi party and its doctrine and that

421

00:15:16,150 --> 00:15:14,800

flies in the face of the normal

422

00:15:18,550 --> 00:15:16,160

narrative that hess

423

00:15:20,629 --> 00:15:18,560

was just simply the secretary typing

424

00:15:21,829 --> 00:15:20,639

down what hitler dictated this is not

425

00:15:24,310 --> 00:15:21,839

the case

426

00:15:27,750 --> 00:15:24,320

in fact it was hess that even suggested

427

00:15:29,670 --> 00:15:27,760

the title of mineconf hitler wanted to

428

00:15:31,749 --> 00:15:29,680

title it something like four years of

429

00:15:32,470 --> 00:15:31,759

struggle against lies oppression and you

430

00:15:34,470 --> 00:15:32,480

know

431

00:15:36,310 --> 00:15:34,480

a title in other words a title that

432

00:15:39,269 --> 00:15:36,320

hardly rolled off the tongue very

433

00:15:41,189 --> 00:15:39,279

easily so hess was very instrumental he

434

00:15:44,150 --> 00:15:41,199

was widely suspected

435

00:15:46,069 --> 00:15:44,160

at the time when the nazis took power as

436

00:15:46,949 --> 00:15:46,079

being the real brains behind the

437

00:15:50,470 --> 00:15:46,959

operation

438

00:15:51,269 --> 00:15:50,480

his positions of power within nazi

439

00:15:53,910 --> 00:15:51,279

germany

440

00:15:55,670 --> 00:15:53,920

if you really investigate and dig into

441

00:15:58,470 --> 00:15:55,680

them in detail

442

00:15:59,749 --> 00:15:58,480

are breathtaking because he becomes the

443

00:16:03,189 --> 00:15:59,759

so-called deputy

444

00:16:04,710 --> 00:16:03,199

for hitler in charge of the nazi party

445

00:16:07,509 --> 00:16:04,720

so in other words think of hess

446

00:16:08,230 --> 00:16:07,519

as kind of in the same position of

447

00:16:10,710 --> 00:16:08,240

stalin

448

00:16:12,870 --> 00:16:10,720

inside the soviet union being general

449

00:16:15,350 --> 00:16:12,880

secretary of the communist party

450

00:16:16,150 --> 00:16:15,360

well this is tess's position in nazi

451
00:16:18,790 --> 00:16:16,160
germany he's

452
00:16:20,389 --> 00:16:18,800
he's the one that's in personal charge

453
00:16:22,710 --> 00:16:20,399
of the nazi party and

454
00:16:24,069 --> 00:16:22,720
all of its apparatus and intelligence

455
00:16:26,389 --> 00:16:24,079
organizations

456
00:16:28,069 --> 00:16:26,399
he's the one that is vetting

457
00:16:30,949 --> 00:16:28,079
bureaucratic appointments

458
00:16:32,230 --> 00:16:30,959
to government posts in the third reich

459
00:16:34,150 --> 00:16:32,240
he holds

460
00:16:35,269 --> 00:16:34,160
several positions in the government as

461
00:16:37,670 --> 00:16:35,279
well he's

462
00:16:39,430 --> 00:16:37,680
a reich minister without portfolio he's

463
00:16:41,269 --> 00:16:39,440

a member of the secret cabinet

464

00:16:43,269 --> 00:16:41,279

council which would be roughly

465

00:16:44,310 --> 00:16:43,279

equivalent to our national security

466

00:16:47,749 --> 00:16:44,320

council

467

00:16:49,990 --> 00:16:47,759

he is in charge of a number of liaison

468

00:16:50,870 --> 00:16:50,000

bureaus between the government and the

469

00:16:53,350 --> 00:16:50,880

party

470

00:16:55,269 --> 00:16:53,360

and he's also reich komasar for all

471

00:16:56,230 --> 00:16:55,279

technological development in other words

472

00:16:59,670 --> 00:16:56,240

this is the guy

473

00:17:03,030 --> 00:16:59,680

prior to 1941 that would have known

474

00:17:03,990 --> 00:17:03,040

every detail of every aspect of nazi

475

00:17:07,829 --> 00:17:04,000

black projects

476
00:17:11,510 --> 00:17:07,839
research so he's an extremely powerful

477
00:17:14,630 --> 00:17:11,520
man add to this one more thing

478
00:17:17,669 --> 00:17:14,640
hess is also a morally conflicted

479
00:17:21,270 --> 00:17:17,679
man because he's the one

480
00:17:23,350 --> 00:17:21,280
that urges hitler to crack down

481
00:17:24,630 --> 00:17:23,360
on the brown shirts the the storm up

482
00:17:27,669 --> 00:17:24,640
thailand the

483
00:17:29,590 --> 00:17:27,679
storm troopers he's the one that urges

484
00:17:31,990 --> 00:17:29,600
hitler to crack down on them

485
00:17:33,510 --> 00:17:32,000
in response to the army's request to do

486
00:17:35,510 --> 00:17:33,520
so but

487
00:17:36,950 --> 00:17:35,520
once hitler decides to go ahead with

488
00:17:40,470 --> 00:17:36,960

this then it's also

489

00:17:42,710 --> 00:17:40,480

hess that turns around and is arguing

490

00:17:44,470 --> 00:17:42,720

with hitler heard arguing with hitler

491

00:17:46,710 --> 00:17:44,480

for quite some time

492

00:17:48,470 --> 00:17:46,720

over who should be on the death list and

493

00:17:49,110 --> 00:17:48,480

who should not be on the death list and

494

00:17:51,350 --> 00:17:49,120

it's hes

495

00:17:52,870 --> 00:17:51,360

that's urging well take this person off

496

00:17:54,710 --> 00:17:52,880

take that person off

497

00:17:57,110 --> 00:17:54,720

so you have the night of the long knives

498

00:17:59,830 --> 00:17:57,120

in nazi germany in 1935

499

00:18:01,669 --> 00:17:59,840

and after that point pess begins to

500

00:18:03,590 --> 00:18:01,679

develop the stomach problems

501
00:18:06,150 --> 00:18:03,600
that plague him for the rest of his life

502
00:18:06,630 --> 00:18:06,160
and some people think and i tend to

503
00:18:09,190 --> 00:18:06,640
agree

504
00:18:11,350 --> 00:18:09,200
that this is kind of a psychosomatic

505
00:18:12,310 --> 00:18:11,360
response to the night of the long nights

506
00:18:15,909 --> 00:18:12,320
and then

507
00:18:18,070 --> 00:18:15,919
fast forward a couple of years to 1938

508
00:18:20,470 --> 00:18:18,080
and the reich kristallnacht the

509
00:18:22,710 --> 00:18:20,480
beginning of the pogrom against the jews

510
00:18:24,230 --> 00:18:22,720
in nazi germany where jewish shops are

511
00:18:26,630 --> 00:18:24,240
looted and

512
00:18:29,750 --> 00:18:26,640
synagogues are burned and so on and of

513
00:18:32,310 --> 00:18:29,760

course this activity continues for some

514

00:18:32,789 --> 00:18:32,320

days and weeks after the beginning of it

515

00:18:37,270 --> 00:18:32,799

and

516

00:18:40,710 --> 00:18:37,280

it's hess who is arguing with hitler to

517

00:18:43,270 --> 00:18:40,720

you know stop this reign this in

518

00:18:45,430 --> 00:18:43,280

and again you see him kind of being

519

00:18:48,070 --> 00:18:45,440

morally conflicted about the treatment

520

00:18:50,950 --> 00:18:48,080

being meted out to the jews

521

00:18:51,990 --> 00:18:50,960

partially i think this is because he

522

00:18:54,789 --> 00:18:52,000

also

523

00:18:56,070 --> 00:18:54,799

in between the wars became a

524

00:18:58,470 --> 00:18:56,080

matriculated student

525

00:19:01,110 --> 00:18:58,480

at the university of munich where he's

526

00:19:03,029 --> 00:19:01,120

studying geopolitics under the nazi

527

00:19:05,190 --> 00:19:03,039

geopolitical guru dr

528

00:19:08,150 --> 00:19:05,200

carl househoffer and of course

529

00:19:11,190 --> 00:19:08,160

householder's wife is half jewish

530

00:19:13,029 --> 00:19:11,200

so hess you know like many of these

531

00:19:16,310 --> 00:19:13,039

morally conflicted nazis

532

00:19:18,070 --> 00:19:16,320

hess extends his personal protection to

533

00:19:20,710 --> 00:19:18,080

the householder family

534

00:19:22,470 --> 00:19:20,720

even though by the same token it's

535

00:19:24,710 --> 00:19:22,480

hess's signature

536

00:19:27,590 --> 00:19:24,720

on the nuremberg race laws you know he

537

00:19:29,990 --> 00:19:27,600

has to sign as kind of the witness

538

00:19:31,909 --> 00:19:30,000

to these laws in behalf of the nazi

539

00:19:34,710 --> 00:19:31,919

party so his signature is on the

540

00:19:36,390 --> 00:19:34,720

nuremberg race law so you're dealing

541

00:19:40,230 --> 00:19:36,400

in other words i think with a

542

00:19:43,510 --> 00:19:40,240

tremendously morally conflicted man

543

00:19:46,870 --> 00:19:43,520

that is on the one hand part of these

544

00:19:49,909 --> 00:19:46,880

these power plays inside of nazi germany

545

00:19:51,669 --> 00:19:49,919

and yet once they get started he's the

546

00:19:54,789 --> 00:19:51,679

one urging

547

00:19:57,190 --> 00:19:54,799

for some some mitigation and some

548

00:19:59,510 --> 00:19:57,200

compassion so he's he's a tremendously

549

00:20:01,350 --> 00:19:59,520

morally conflicted man

550

00:20:02,950 --> 00:20:01,360

right now that's a solid profile of the

551
00:20:03,590 --> 00:20:02,960
guy for people who weren't familiar and

552
00:20:05,510 --> 00:20:03,600
now

553
00:20:07,430 --> 00:20:05,520
to get back to the overarching story

554
00:20:10,549 --> 00:20:07,440
this is where it gets really complex

555
00:20:12,470 --> 00:20:10,559
but the most pivotal moment in hess's

556
00:20:15,430 --> 00:20:12,480
story is the infamous flight he took

557
00:20:17,029 --> 00:20:15,440
to scotland to meet with some people and

558
00:20:18,230 --> 00:20:17,039
maybe we'll get into the meet of why

559
00:20:20,630 --> 00:20:18,240
that flight took place

560
00:20:21,750 --> 00:20:20,640
you know in a minute but there is good

561
00:20:24,149 --> 00:20:21,760
reason to believe

562
00:20:24,870 --> 00:20:24,159
that somewhere during that trip hesse

563
00:20:26,870 --> 00:20:24,880

was either

564

00:20:28,470 --> 00:20:26,880

heavily hit with drug-induced mind

565

00:20:30,230 --> 00:20:28,480

control programming

566

00:20:32,070 --> 00:20:30,240

replaced with a double who was heavily

567

00:20:32,870 --> 00:20:32,080

hit with drug-induced mind control

568

00:20:35,909 --> 00:20:32,880

programming

569

00:20:37,590 --> 00:20:35,919

or maybe even both and i guess can you

570

00:20:39,110 --> 00:20:37,600

tell us a bit about the evidence to

571

00:20:41,430 --> 00:20:39,120

support the idea that

572

00:20:43,350 --> 00:20:41,440

the hess we have after that flight the

573

00:20:45,110 --> 00:20:43,360

hess who was at the nuremberg trials

574

00:20:47,750 --> 00:20:45,120

even and spent the rest of his life

575

00:20:49,190 --> 00:20:47,760

in that prison was actually not the real

576

00:20:51,029 --> 00:20:49,200

guy

577

00:20:53,430 --> 00:20:51,039

okay this is where it gets interesting i

578

00:20:56,630 --> 00:20:53,440

do have to i do have to make one

579

00:20:58,870 --> 00:20:56,640

minor correction the idea that he was

580

00:21:00,549 --> 00:20:58,880

replaced as a double during the flight i

581

00:21:01,990 --> 00:21:00,559

don't think is correct that was actually

582

00:21:04,549 --> 00:21:02,000

the theory that was put out by the

583

00:21:07,510 --> 00:21:04,559

british physician hugh thomas i think

584

00:21:08,549 --> 00:21:07,520

if there was a substitution of a double

585

00:21:11,590 --> 00:21:08,559

it took place

586

00:21:12,789 --> 00:21:11,600

after the flight after the real has had

587

00:21:15,510 --> 00:21:12,799

landed in britain

588

00:21:16,390 --> 00:21:15,520

and was captured by the british at some

589

00:21:18,230 --> 00:21:16,400

point

590

00:21:19,830 --> 00:21:18,240

during the next four years i think this

591

00:21:21,590 --> 00:21:19,840

substitution took place it would have

592

00:21:24,149 --> 00:21:21,600

been much too difficult

593

00:21:25,990 --> 00:21:24,159

to pull that off on the nazi side for

594

00:21:27,750 --> 00:21:26,000

various reasons but

595

00:21:29,510 --> 00:21:27,760

getting into the the question of a

596

00:21:32,789 --> 00:21:29,520

double the first red

597

00:21:35,430 --> 00:21:32,799

flag is raised when

598

00:21:35,909 --> 00:21:35,440

you look at a letter that he had given

599

00:21:39,190 --> 00:21:35,919

to

600

00:21:42,870 --> 00:21:39,200

his tunisian nurse abdullah malawi

601
00:21:45,590 --> 00:21:42,880
to smuggle out of spandau and

602
00:21:46,230 --> 00:21:45,600
pass on to certain people on the outside

603
00:21:48,950 --> 00:21:46,240
now

604
00:21:50,789 --> 00:21:48,960
presumably that would mean his family or

605
00:21:53,270 --> 00:21:50,799
somebody else and

606
00:21:55,110 --> 00:21:53,280
in the post-war nazi network inside of

607
00:21:57,270 --> 00:21:55,120
germany nobody knows really

608
00:21:58,230 --> 00:21:57,280
for whom this letter was intended but

609
00:22:01,669 --> 00:21:58,240
malawi

610
00:22:05,590 --> 00:22:01,679
opened it and in this letter

611
00:22:07,029 --> 00:22:05,600
hess is complaining about and remember

612
00:22:10,549 --> 00:22:07,039
this is the post-war

613
00:22:12,710 --> 00:22:10,559

hassan spandau house we're talking about

614

00:22:14,710 --> 00:22:12,720

hess is complaining about not having

615

00:22:17,590 --> 00:22:14,720

been allowed to smoke

616

00:22:19,029 --> 00:22:17,600

during a certain period of his captivity

617

00:22:22,149 --> 00:22:19,039

in great britain

618

00:22:24,789 --> 00:22:22,159

at mind of palace and of course

619

00:22:26,070 --> 00:22:24,799

that should shoot anybody's suspicion

620

00:22:29,110 --> 00:22:26,080

meter needle

621

00:22:31,990 --> 00:22:29,120

right into the red zone because the real

622

00:22:34,310 --> 00:22:32,000

house didn't smoke

623

00:22:35,830 --> 00:22:34,320

he was like hitler he was absolutely

624

00:22:38,710 --> 00:22:35,840

fanatically opposed

625

00:22:40,870 --> 00:22:38,720

to smoking so you know that's that's

626
00:22:43,990 --> 00:22:40,880
clue number one that something is off

627
00:22:46,149 --> 00:22:44,000
about hess but the real clue

628
00:22:48,230 --> 00:22:46,159
for me and this this is where we plunge

629
00:22:48,710 --> 00:22:48,240
into the deep end again the real clue

630
00:22:51,750 --> 00:22:48,720
for me

631
00:22:53,029 --> 00:22:51,760
was that the british researchers picnic

632
00:22:56,070 --> 00:22:53,039
and prince

633
00:22:58,390 --> 00:22:56,080
picked up on a detail that i found just

634
00:23:01,990 --> 00:22:58,400
utterly fascinating and that was

635
00:23:04,789 --> 00:23:02,000
that when alan dulles the oss

636
00:23:06,390 --> 00:23:04,799
station chief in zurich switzerland

637
00:23:08,950 --> 00:23:06,400
during the war

638
00:23:10,549 --> 00:23:08,960

partner of sullivan and cromwell

639

00:23:12,630 --> 00:23:10,559

personally connected to william

640

00:23:14,470 --> 00:23:12,640

mckittrick you know the the american

641

00:23:16,630 --> 00:23:14,480

president of the bank of international

642

00:23:19,430 --> 00:23:16,640

settlements during the war

643

00:23:20,630 --> 00:23:19,440

and then subsequently of course cia

644

00:23:23,750 --> 00:23:20,640

director and

645

00:23:27,029 --> 00:23:23,760

member of the warren commission well

646

00:23:30,310 --> 00:23:27,039

dulles is in nuremberg after the war

647

00:23:33,350 --> 00:23:30,320

and he wants to see hess

648

00:23:34,470 --> 00:23:33,360

and he contacts a friend of his to

649

00:23:37,909 --> 00:23:34,480

examine hess

650

00:23:38,630 --> 00:23:37,919

because he tells this friend that he

651
00:23:42,070 --> 00:23:38,640
suspects

652
00:23:46,390 --> 00:23:42,080
that the hess that's in nuremberg

653
00:23:47,269 --> 00:23:46,400
is a double now picnic and prince do not

654
00:23:50,149 --> 00:23:47,279
say

655
00:23:50,630 --> 00:23:50,159
why dulles suspected this they simply

656
00:23:53,909 --> 00:23:50,640
note

657
00:23:56,230 --> 00:23:53,919
that he did and the physician

658
00:23:57,190 --> 00:23:56,240
friend of his that he contacted to

659
00:24:00,230 --> 00:23:57,200
examine

660
00:24:03,669 --> 00:24:00,240
the hess in nuremberg was none other

661
00:24:06,149 --> 00:24:03,679
than dr ewan cameron

662
00:24:06,870 --> 00:24:06,159
and if you're familiar with the story of

663
00:24:10,149 --> 00:24:06,880

mk

664

00:24:11,430 --> 00:24:10,159

ultra the post-war cia mind control

665

00:24:14,630 --> 00:24:11,440

project

666

00:24:15,110 --> 00:24:14,640

dr ewan cameron was heavily involved in

667

00:24:19,029 --> 00:24:15,120

one

668

00:24:21,669 --> 00:24:19,039

aspect of that project up in canada

669

00:24:23,029 --> 00:24:21,679

using a process that he called psychic

670

00:24:25,669 --> 00:24:23,039

driving

671

00:24:27,430 --> 00:24:25,679

which was based on massive amounts of

672

00:24:30,630 --> 00:24:27,440

drug cocktails and

673

00:24:32,310 --> 00:24:30,640

sleep and recorded messages that people

674

00:24:35,190 --> 00:24:32,320

would be forced to listen to

675

00:24:37,110 --> 00:24:35,200

over and over and over again and what

676

00:24:38,149 --> 00:24:37,120

cameron was trying to do with these

677

00:24:41,430 --> 00:24:38,159

experiments

678

00:24:42,630 --> 00:24:41,440

was literally to erase one personality

679

00:24:45,590 --> 00:24:42,640

in people

680

00:24:46,390 --> 00:24:45,600

and replace it with another so this is

681

00:24:49,669 --> 00:24:46,400

the guy

682

00:24:53,430 --> 00:24:49,679

that for whatever reason alan dulles

683

00:24:55,990 --> 00:24:53,440

wants to have examined nuremberg hess

684

00:24:57,110 --> 00:24:56,000

because he suspects is a double now here

685

00:25:00,710 --> 00:24:57,120

there's another little

686

00:25:03,830 --> 00:25:00,720

spin to this the british physician

687

00:25:08,070 --> 00:25:03,840

that actually did the official autopsy

688

00:25:10,950 --> 00:25:08,080

on spandau hiss when he did die

689

00:25:12,630 --> 00:25:10,960

is a fellow by the name of james malcolm

690

00:25:14,870 --> 00:25:12,640

cameron

691

00:25:15,669 --> 00:25:14,880

and i don't know that anybody else other

692

00:25:18,230 --> 00:25:15,679

than me

693

00:25:20,549 --> 00:25:18,240

noticed this problem that ewan cameron

694

00:25:23,909 --> 00:25:20,559

is examining hess in nuremberg

695

00:25:26,870 --> 00:25:23,919

and another cameron is doing the

696

00:25:29,029 --> 00:25:26,880

official british autopsy when hess dies

697

00:25:32,149 --> 00:25:29,039

so i did a little digging

698

00:25:32,789 --> 00:25:32,159

and discovered that the autopsy

699

00:25:35,990 --> 00:25:32,799

physician

700

00:25:36,470 --> 00:25:36,000

james cameron went to the same medical

701
00:25:39,830 --> 00:25:36,480
school

702
00:25:41,830 --> 00:25:39,840
in glasgow as dr ewan cameron

703
00:25:43,190 --> 00:25:41,840
so you know and it's a tight-knit clan

704
00:25:46,230 --> 00:25:43,200
by the way you know we've seen

705
00:25:47,190 --> 00:25:46,240
a recent british prime minister with

706
00:25:48,789 --> 00:25:47,200
that name

707
00:25:51,350 --> 00:25:48,799
so in other words you know there may be

708
00:25:53,590 --> 00:25:51,360
a conduit of information to dulles

709
00:25:55,750 --> 00:25:53,600
through the cameron clan i don't know

710
00:25:57,590 --> 00:25:55,760
but certainly dulles suspected this and

711
00:25:59,990 --> 00:25:57,600
certainly it's very suspicious that he

712
00:26:02,549 --> 00:26:00,000
brings in a subsequent mind control

713
00:26:04,149 --> 00:26:02,559

psychiatrist to examine the nuremberg

714

00:26:04,950 --> 00:26:04,159

hess and now the interesting part of

715

00:26:08,549 --> 00:26:04,960

that story

716

00:26:11,590 --> 00:26:08,559

is dulles sets it all up but the british

717

00:26:14,230 --> 00:26:11,600

refused to allow dr cameron

718

00:26:15,590 --> 00:26:14,240

to examine the prisoner and what they're

719

00:26:19,190 --> 00:26:15,600

looking for

720

00:26:21,350 --> 00:26:19,200

are war wounds that hess had suffered

721

00:26:23,350 --> 00:26:21,360

as a soldier in world war one he was at

722

00:26:24,070 --> 00:26:23,360

the battle of verdun which of course was

723

00:26:26,950 --> 00:26:24,080

just this

724

00:26:27,669 --> 00:26:26,960

prolonged bloodbath and then he was

725

00:26:30,470 --> 00:26:27,679

transferred

726

00:26:33,029 --> 00:26:30,480

in 1917 to the eastern front where he

727

00:26:35,750 --> 00:26:33,039

sustained some truly serious

728

00:26:38,390 --> 00:26:35,760

injuries on the left side of his chest

729

00:26:40,470 --> 00:26:38,400

and to his left lung

730

00:26:41,750 --> 00:26:40,480

so you know he had to convalesce for a

731

00:26:45,269 --> 00:26:41,760

number of years well

732

00:26:47,510 --> 00:26:45,279

these wounds would have left scars and

733

00:26:49,750 --> 00:26:47,520

basically what i think dulles was

734

00:26:53,430 --> 00:26:49,760

wanting cameron to do

735

00:26:55,430 --> 00:26:53,440

is look for evidence of these war wounds

736

00:26:56,870 --> 00:26:55,440

to establish whether or not this was the

737

00:26:59,909 --> 00:26:56,880

real hess

738

00:27:01,430 --> 00:26:59,919

and the other problem greg with with

739

00:27:04,830 --> 00:27:01,440

hess in nuremberg

740

00:27:08,390 --> 00:27:04,840

is his behavior is just totally

741

00:27:11,590 --> 00:27:08,400

bizarre he acts like a complete goof

742

00:27:11,909 --> 00:27:11,600

half the time and then towards the end

743

00:27:15,909 --> 00:27:11,919

of

744

00:27:16,630 --> 00:27:15,919

the trial hearings he finally drops the

745

00:27:18,789 --> 00:27:16,640

goof act

746

00:27:20,230 --> 00:27:18,799

and all of a sudden becomes quote

747

00:27:21,750 --> 00:27:20,240

unquote his old self

748

00:27:23,430 --> 00:27:21,760

and again we don't know if we're dealing

749

00:27:25,110 --> 00:27:23,440

with the real house or the fake one but

750

00:27:27,110 --> 00:27:25,120

i suspect a fake one

751
00:27:29,110 --> 00:27:27,120
because during this whole period that

752
00:27:31,430 --> 00:27:29,120
he's acting goofy and sitting there in

753
00:27:33,029 --> 00:27:31,440
the dock reading novels you know and not

754
00:27:35,350 --> 00:27:33,039
paying any attention

755
00:27:37,430 --> 00:27:35,360
and then occasionally interjecting a

756
00:27:40,710 --> 00:27:37,440
really strange bizarre comment

757
00:27:43,110 --> 00:27:40,720
the one person that suspected something

758
00:27:45,190 --> 00:27:43,120
was up was herman gary

759
00:27:47,110 --> 00:27:45,200
who of course is sitting right next to

760
00:27:49,990 --> 00:27:47,120
his during the entire

761
00:27:52,149 --> 00:27:50,000
entirety of the trials and on hess's

762
00:27:53,990 --> 00:27:52,159
left is the german foreign minister

763
00:27:55,190 --> 00:27:54,000

former foreign minister joachim von

764

00:27:57,750 --> 00:27:55,200

ribentrop

765

00:27:58,789 --> 00:27:57,760

and behind him is grand admiral janet's

766

00:28:01,750 --> 00:27:58,799

okay

767

00:28:01,990 --> 00:28:01,760

so you've got these big name nazis you

768

00:28:05,430 --> 00:28:02,000

know

769

00:28:07,430 --> 00:28:05,440

all sitting around hess well gehring was

770

00:28:09,029 --> 00:28:07,440

used by the british and the americans

771

00:28:13,110 --> 00:28:09,039

they've actually brought garing

772

00:28:16,470 --> 00:28:13,120

and dr househofer into nuremberg to see

773

00:28:19,510 --> 00:28:16,480

if nuremberg hess could recognize them

774

00:28:21,269 --> 00:28:19,520

and initially in both cases he said no

775

00:28:23,350 --> 00:28:21,279

he didn't recognize them

776

00:28:24,630 --> 00:28:23,360

and gearing you know once the trials

777

00:28:28,310 --> 00:28:24,640

start and has

778

00:28:30,630 --> 00:28:28,320

exhibits all this very bizarre behavior

779

00:28:32,230 --> 00:28:30,640

gearing at one point when the trial is

780

00:28:34,710 --> 00:28:32,240

recessed

781

00:28:37,110 --> 00:28:34,720

blurts out in a loud voice so that

782

00:28:40,870 --> 00:28:37,120

everybody can hear him

783

00:28:43,990 --> 00:28:40,880

okay he says so how about it hess

784

00:28:47,510 --> 00:28:44,000

why don't you tell us your big secret

785

00:28:50,230 --> 00:28:47,520

okay and i truly think that probably

786

00:28:51,669 --> 00:28:50,240

gerring suspected a double as well

787

00:28:54,149 --> 00:28:51,679

because of course you know

788

00:28:55,990 --> 00:28:54,159

he was in close contact with hess on

789

00:28:57,830 --> 00:28:56,000

almost a daily basis

790

00:28:59,909 --> 00:28:57,840

prior to hess flying off to great

791

00:29:01,590 --> 00:28:59,919

britain and there are a number of

792

00:29:04,149 --> 00:29:01,600

pictures i put them in the book

793

00:29:04,710 --> 00:29:04,159

where you see garing looking at hess

794

00:29:07,669 --> 00:29:04,720

with

795

00:29:08,710 --> 00:29:07,679

either this strange disgusted skeptical

796

00:29:12,149 --> 00:29:08,720

look on his face

797

00:29:15,510 --> 00:29:12,159

or at one point he's laughing so hard

798

00:29:18,870 --> 00:29:15,520

at his that he's covering his face

799

00:29:19,430 --> 00:29:18,880

with papers and you know this picture

800

00:29:22,149 --> 00:29:19,440

you just

801
00:29:23,990 --> 00:29:22,159
really have to see to believe because in

802
00:29:25,510 --> 00:29:24,000
that picture you're walking from ribbon

803
00:29:26,070 --> 00:29:25,520
trump the foreign minister is kind of

804
00:29:28,870 --> 00:29:26,080
leaning

805
00:29:29,510 --> 00:29:28,880
forward and he's looking at hess with

806
00:29:31,750 --> 00:29:29,520
this

807
00:29:32,870 --> 00:29:31,760
dumbfounded expression on his face like

808
00:29:35,590 --> 00:29:32,880
are you completely

809
00:29:37,590 --> 00:29:35,600
or have you completely lost it and on

810
00:29:40,070 --> 00:29:37,600
the other side garing is laughing and

811
00:29:43,830 --> 00:29:40,080
behind him grand admiral dennis

812
00:29:46,070 --> 00:29:43,840
you can tell it's just glaring at him

813
00:29:47,190 --> 00:29:46,080

through these sunglasses so yeah you

814

00:29:50,310 --> 00:29:47,200

know these big name

815

00:29:52,870 --> 00:29:50,320

nazis i think suspected something

816

00:29:53,990 --> 00:29:52,880

was going on with hess at nuremberg

817

00:29:55,909 --> 00:29:54,000

although you know they

818

00:29:57,590 --> 00:29:55,919

other than gearing they kept their mouth

819

00:30:00,070 --> 00:29:57,600

shut so yeah

820

00:30:02,710 --> 00:30:00,080

there there's every indication that by

821

00:30:05,750 --> 00:30:02,720

the time you get to nuremberg

822

00:30:10,070 --> 00:30:05,760

hess or whoever really isn't

823

00:30:13,830 --> 00:30:12,149

and as crazy as that is i mean there is

824

00:30:14,870 --> 00:30:13,840

plenty of evidence like you cited most

825

00:30:17,029 --> 00:30:14,880

of it there's also

826

00:30:19,909 --> 00:30:17,039

things like he wouldn't let his family

827

00:30:21,190 --> 00:30:19,919

come to see him in prison until 1969

828

00:30:23,750 --> 00:30:21,200

like

829

00:30:24,950 --> 00:30:23,760

you're in prison i mean what a good day

830

00:30:26,789 --> 00:30:24,960

is the only day you get to see your

831

00:30:27,350 --> 00:30:26,799

family why would you hold off on that

832

00:30:30,149 --> 00:30:27,360

for

833

00:30:31,350 --> 00:30:30,159

that long and also when his wife did

834

00:30:33,190 --> 00:30:31,360

finally see him

835

00:30:35,430 --> 00:30:33,200

she thought his voice got deeper which

836

00:30:36,310 --> 00:30:35,440

is the exact opposite of what happens to

837

00:30:39,430 --> 00:30:36,320

a man with

838

00:30:40,310 --> 00:30:39,440

old age yep exactly obviously there were

839

00:30:41,669 --> 00:30:40,320

other things but

840

00:30:44,310 --> 00:30:41,679

another one i thought was interesting

841

00:30:45,750 --> 00:30:44,320

was the strict no photos policy when he

842

00:30:48,310 --> 00:30:45,760

was held in britain

843

00:30:49,190 --> 00:30:48,320

yep just all these things that stack up

844

00:30:52,389 --> 00:30:49,200

and

845

00:30:54,310 --> 00:30:52,399

so about that trip see i want to

846

00:30:56,149 --> 00:30:54,320

i want to get to the antarctica stuff

847

00:30:57,430 --> 00:30:56,159

but all of this is important and people

848

00:30:59,190 --> 00:30:57,440

really should read the book because i

849

00:31:00,950 --> 00:30:59,200

love the story you piece together

850

00:31:03,350 --> 00:31:00,960

it makes a lot of sense and it seems

851
00:31:04,950 --> 00:31:03,360
like hess was making that trip to

852
00:31:06,230 --> 00:31:04,960
scotland to meet with elements of a

853
00:31:09,029 --> 00:31:06,240
british faction

854
00:31:09,990 --> 00:31:09,039
and seemingly maybe seal the deal on a

855
00:31:11,509 --> 00:31:10,000
peace plan

856
00:31:13,430 --> 00:31:11,519
yeah that they were working on that

857
00:31:14,710 --> 00:31:13,440
certain nazis and certain elements of

858
00:31:16,389 --> 00:31:14,720
the british leadership

859
00:31:17,990 --> 00:31:16,399
maybe were hammering out in back

860
00:31:19,750 --> 00:31:18,000
channels right and

861
00:31:21,509 --> 00:31:19,760
now that trip went awry and it didn't

862
00:31:23,990 --> 00:31:21,519
really come to fruition but

863
00:31:26,149 --> 00:31:24,000

if you get all the way to understanding

864

00:31:27,909 --> 00:31:26,159

this back channel dealing was going on

865

00:31:29,509 --> 00:31:27,919

which included conversations about

866

00:31:32,389 --> 00:31:29,519

getting rid of hitler and

867

00:31:34,149 --> 00:31:32,399

maybe even churchill which is a coup or

868

00:31:36,389 --> 00:31:34,159

a double coup by definition

869

00:31:38,070 --> 00:31:36,399

right and i'm glossing over a lot but if

870

00:31:40,149 --> 00:31:38,080

you get to this peace plan there is a

871

00:31:41,269 --> 00:31:40,159

strong reason to believe that antarctica

872

00:31:43,750 --> 00:31:41,279

was a part of that plan

873

00:31:45,029 --> 00:31:43,760

right correct well yeah let's back up

874

00:31:48,549 --> 00:31:45,039

yeah yeah

875

00:31:52,630 --> 00:31:48,559

the standard narrative about hess's

876

00:31:53,669 --> 00:31:52,640

flight was that he was going over to

877

00:31:56,389 --> 00:31:53,679

britain because

878

00:31:58,310 --> 00:31:56,399

he thought he could negotiate peace with

879

00:32:00,389 --> 00:31:58,320

the british

880

00:32:01,750 --> 00:32:00,399

and of course the standard narrative

881

00:32:04,310 --> 00:32:01,760

paints that as

882

00:32:06,389 --> 00:32:04,320

just an impossibility nothing like that

883

00:32:08,549 --> 00:32:06,399

could ever have happened

884

00:32:10,149 --> 00:32:08,559

and you know the guy was nuts to think

885

00:32:13,110 --> 00:32:10,159

that he could do this

886

00:32:14,549 --> 00:32:13,120

but when you dig into the details it's

887

00:32:18,549 --> 00:32:14,559

anything but

888

00:32:20,950 --> 00:32:18,559

because first of all both rudolph hess

889

00:32:22,149 --> 00:32:20,960

and hermann gehrig they're the number

890

00:32:25,110 --> 00:32:22,159

two and three men

891

00:32:27,269 --> 00:32:25,120

in nazi germany at that time and of

892

00:32:29,269 --> 00:32:27,279

course in may of 1941

893

00:32:31,909 --> 00:32:29,279

hitler's getting ready for his big

894

00:32:33,669 --> 00:32:31,919

invasion of the soviet union operation

895

00:32:36,789 --> 00:32:33,679

barbarossa

896

00:32:39,509 --> 00:32:36,799

now hess again

897

00:32:39,909 --> 00:32:39,519

is not a stupid man and he thinks that

898

00:32:43,269 --> 00:32:39,919

this

899

00:32:44,870 --> 00:32:43,279

is strategically at the minimum very

900

00:32:47,190 --> 00:32:44,880

very risky

901
00:32:49,110 --> 00:32:47,200
with the united states looking like it's

902
00:32:50,389 --> 00:32:49,120
going to enter the war you know american

903
00:32:52,070 --> 00:32:50,399
entries looming

904
00:32:53,509 --> 00:32:52,080
and this is the same objection that

905
00:32:55,909 --> 00:32:53,519
hermann gehrig had

906
00:32:57,590 --> 00:32:55,919
to the invasion of russia you know he's

907
00:32:59,190 --> 00:32:57,600
a practical military man

908
00:33:02,230 --> 00:32:59,200
and he's thinking well you know how are

909
00:33:05,110 --> 00:33:02,240
we going to take on the soviet union

910
00:33:07,669 --> 00:33:05,120
and prevail if we are leaving the

911
00:33:10,630 --> 00:33:07,679
americans forward bases in great britain

912
00:33:11,110 --> 00:33:10,640
and britain's still in the war so both

913
00:33:14,230 --> 00:33:11,120

hess

914

00:33:15,750 --> 00:33:14,240

and gehring sponsored a number of peace

915

00:33:18,630 --> 00:33:15,760

initiatives

916

00:33:20,070 --> 00:33:18,640

from the fall of france and in germany's

917

00:33:23,430 --> 00:33:20,080

case actually before the war

918

00:33:26,950 --> 00:33:23,440

actually broke out with great britain

919

00:33:28,149 --> 00:33:26,960

trying to cinch a deal now in hess's

920

00:33:31,190 --> 00:33:28,159

case

921

00:33:33,430 --> 00:33:31,200

these negotiations appear and again the

922

00:33:35,509 --> 00:33:33,440

people that did yeoman's work in this

923

00:33:37,990 --> 00:33:35,519

respect were the british researchers

924

00:33:40,710 --> 00:33:38,000

picnic and prince just a marvelous book

925

00:33:41,909 --> 00:33:40,720

and i think they make their case and i

926
00:33:45,350 --> 00:33:41,919
agree with their case

927
00:33:47,269 --> 00:33:45,360
that hess had used general house over

928
00:33:48,789 --> 00:33:47,279
and his connections with the british

929
00:33:51,909 --> 00:33:48,799
aristocracy

930
00:33:54,149 --> 00:33:51,919
to basically negotiate with

931
00:33:56,470 --> 00:33:54,159
that segment in british society which

932
00:33:59,909 --> 00:33:56,480
let's remember

933
00:34:03,269 --> 00:33:59,919
that segment of british society

934
00:34:05,750 --> 00:34:03,279
was very very much wanting

935
00:34:06,549 --> 00:34:05,760
an accord with germany this was the

936
00:34:08,710 --> 00:34:06,559
society

937
00:34:10,710 --> 00:34:08,720
that backed neville chamberlain and the

938
00:34:13,349 --> 00:34:10,720

policy of appeasement

939

00:34:13,990 --> 00:34:13,359

it was heavily represented in the city

940

00:34:15,589 --> 00:34:14,000

of london

941

00:34:17,030 --> 00:34:15,599

it was heavily represented in the

942

00:34:19,510 --> 00:34:17,040

british aristocracy

943

00:34:21,669 --> 00:34:19,520

and therefore in the house of lords it

944

00:34:23,109 --> 00:34:21,679

was heavily represented behind lord

945

00:34:26,389 --> 00:34:23,119

halifax

946

00:34:27,109 --> 00:34:26,399

and most importantly within the royal

947

00:34:30,710 --> 00:34:27,119

family

948

00:34:33,349 --> 00:34:30,720

because the abdicated king edward viii

949

00:34:35,589 --> 00:34:33,359

had dined with the hesses he was all in

950

00:34:38,470 --> 00:34:35,599

favor of some sort of accommodation

951
00:34:40,230 --> 00:34:38,480
with germany and this appears to have

952
00:34:41,270 --> 00:34:40,240
been more or less the attitude of the

953
00:34:44,470 --> 00:34:41,280
royal family

954
00:34:44,869 --> 00:34:44,480
all right so in other words that wing or

955
00:34:47,990 --> 00:34:44,879
that

956
00:34:51,109 --> 00:34:48,000
faction within the british deep state

957
00:34:53,990 --> 00:34:51,119
was considerable it was powerful

958
00:34:56,389 --> 00:34:54,000
it didn't just evaporate when churchill

959
00:34:59,430 --> 00:34:56,399
magically became prime minister

960
00:35:01,030 --> 00:34:59,440
in may of of 1940

961
00:35:02,790 --> 00:35:01,040
so in other words there is a peace

962
00:35:05,030 --> 00:35:02,800
faction in great britain

963
00:35:07,510 --> 00:35:05,040

and it's substantial and it has real

964

00:35:10,710 --> 00:35:07,520

power after all the royal family is

965

00:35:13,829 --> 00:35:10,720

part of this faction so when hess

966

00:35:15,510 --> 00:35:13,839

flies to great britain unlike the

967

00:35:18,710 --> 00:35:15,520

standard narrative what he

968

00:35:20,790 --> 00:35:18,720

is really doing is he has been

969

00:35:23,109 --> 00:35:20,800

negotiating with that faction

970

00:35:24,150 --> 00:35:23,119

and gerring has as well through

971

00:35:26,550 --> 00:35:24,160

different channels

972

00:35:27,750 --> 00:35:26,560

and basically an agreement has been

973

00:35:29,910 --> 00:35:27,760

hammered out

974

00:35:30,790 --> 00:35:29,920

the basic essentials have been agreed

975

00:35:34,950 --> 00:35:30,800

upon

976

00:35:38,230 --> 00:35:34,960

but the problem is that on the british

977

00:35:40,230 --> 00:35:38,240

side that faction will not negotiate

978

00:35:44,790 --> 00:35:40,240

with hitler

979

00:35:47,030 --> 00:35:44,800

okay and on the german side

980

00:35:48,150 --> 00:35:47,040

they don't want to negotiate with

981

00:35:50,230 --> 00:35:48,160

churchill

982

00:35:51,270 --> 00:35:50,240

because he wants to continue the war

983

00:35:54,150 --> 00:35:51,280

obviously

984

00:35:55,430 --> 00:35:54,160

and is trying to woo american entry into

985

00:35:59,829 --> 00:35:55,440

the war

986

00:36:02,550 --> 00:35:59,839

so what you have is a peace proposal

987

00:36:04,310 --> 00:36:02,560

between two factions in great britain

988

00:36:06,950 --> 00:36:04,320

and nazi germany

989

00:36:08,710 --> 00:36:06,960

that call for the removal of their heads

990

00:36:12,630 --> 00:36:08,720

of government

991

00:36:14,550 --> 00:36:12,640

okay so i think if you parse

992

00:36:16,470 --> 00:36:14,560

all of the diplomatic language that's

993

00:36:17,349 --> 00:36:16,480

flying back and forth between britain

994

00:36:20,790 --> 00:36:17,359

and germany

995

00:36:23,670 --> 00:36:20,800

through these back channels i think what

996

00:36:24,150 --> 00:36:23,680

garing and hess came to the conclusion

997

00:36:26,710 --> 00:36:24,160

is

998

00:36:28,550 --> 00:36:26,720

that okay if we're going to go ahead

999

00:36:30,390 --> 00:36:28,560

with this invasion of the soviet union

1000

00:36:32,069 --> 00:36:30,400

number one we have to take britain out

1001
00:36:35,270 --> 00:36:32,079
of the war

1002
00:36:37,190 --> 00:36:35,280
and deny america forward bases you know

1003
00:36:38,630 --> 00:36:37,200
at that point american entry becomes

1004
00:36:39,990 --> 00:36:38,640
rather superfluous

1005
00:36:42,230 --> 00:36:40,000
there would have been nothing that

1006
00:36:45,349 --> 00:36:42,240
america really could have done

1007
00:36:47,270 --> 00:36:45,359
militarily against nazi germany

1008
00:36:49,190 --> 00:36:47,280
you know with a transatlantic invasion

1009
00:36:52,390 --> 00:36:49,200
that's highly risky

1010
00:36:54,310 --> 00:36:52,400
so that peace plan negotiation goes

1011
00:36:58,150 --> 00:36:54,320
forward but it also becomes

1012
00:37:02,069 --> 00:36:58,160
an international double coup d'etat plan

1013
00:37:04,470 --> 00:37:02,079

and hess if you stop and think about it

1014

00:37:06,790 --> 00:37:04,480

hess is bringing with him a lot of

1015

00:37:09,589 --> 00:37:06,800

documents that were translated he had

1016

00:37:10,550 --> 00:37:09,599

the nazi party auslan's organization

1017

00:37:13,030 --> 00:37:10,560

which was their

1018

00:37:14,069 --> 00:37:13,040

foreign intelligence network of the

1019

00:37:17,190 --> 00:37:14,079

party itself

1020

00:37:19,190 --> 00:37:17,200

translating these documents into english

1021

00:37:21,990 --> 00:37:19,200

so he's bringing a lot of documents with

1022

00:37:25,589 --> 00:37:22,000

him that never show up on the inventory

1023

00:37:25,990 --> 00:37:25,599

of stuff that is recovered from him or

1024

00:37:30,390 --> 00:37:26,000

his

1025

00:37:32,310 --> 00:37:30,400

aircraft and the bona fides here and

1026
00:37:33,109 --> 00:37:32,320
this is an important point to remember

1027
00:37:36,069 --> 00:37:33,119
this is a

1028
00:37:38,870 --> 00:37:36,079
hugely important point if you are

1029
00:37:41,190 --> 00:37:38,880
negotiating with the british

1030
00:37:42,310 --> 00:37:41,200
that yes we're serious we will replace

1031
00:37:44,870 --> 00:37:42,320
hitler

1032
00:37:46,550 --> 00:37:44,880
how do you convince them that you're

1033
00:37:48,829 --> 00:37:46,560
going to do this well

1034
00:37:50,230 --> 00:37:48,839
you fly the deputy fuhrer to great

1035
00:37:53,030 --> 00:37:50,240
britain

1036
00:37:56,470 --> 00:37:53,040
in other words he comes as the bonafides

1037
00:37:59,910 --> 00:37:56,480
of the deal that they're trying to seal

1038
00:38:01,990 --> 00:37:59,920

and then once churchill's removed you

1039

00:38:04,550 --> 00:38:02,000

fly hess back he and gary

1040

00:38:07,030 --> 00:38:04,560

take out hitler so in other words all

1041

00:38:10,150 --> 00:38:07,040

the dynamics are there

1042

00:38:11,589 --> 00:38:10,160

for this having been really a kind of

1043

00:38:14,550 --> 00:38:11,599

international peace plan

1044

00:38:15,510 --> 00:38:14,560

international coup d'etat plan against

1045

00:38:18,069 --> 00:38:15,520

both governments

1046

00:38:20,069 --> 00:38:18,079

to create a new accommodation between

1047

00:38:22,550 --> 00:38:20,079

germany and great britain

1048

00:38:24,310 --> 00:38:22,560

and you mentioned antarctica and this is

1049

00:38:26,950 --> 00:38:24,320

very crucial

1050

00:38:28,230 --> 00:38:26,960

part of this plan appears to have been

1051

00:38:31,190 --> 00:38:28,240

quite literally a

1052

00:38:32,870 --> 00:38:31,200

divvying up of the globe into respective

1053

00:38:35,349 --> 00:38:32,880

spheres of interest

1054

00:38:36,069 --> 00:38:35,359

for the british empire and for germany

1055

00:38:38,230 --> 00:38:36,079

and

1056

00:38:39,270 --> 00:38:38,240

of course it was hermann gehring that

1057

00:38:43,270 --> 00:38:39,280

had sponsored

1058

00:38:46,390 --> 00:38:43,280

that nazi expedition to antarctica

1059

00:38:48,790 --> 00:38:46,400

and at one point after hess arrives

1060

00:38:50,310 --> 00:38:48,800

in great britain and i find this

1061

00:38:53,829 --> 00:38:50,320

extremely

1062

00:38:56,230 --> 00:38:53,839

telling churchill has one of his

1063

00:38:57,670 --> 00:38:56,240

personal confidants meet with hess and

1064

00:38:59,190 --> 00:38:57,680

this is the other part of the story that

1065

00:39:02,950 --> 00:38:59,200

doesn't get mentioned very much

1066

00:39:05,829 --> 00:39:02,960

churchill did take meetings with us

1067

00:39:06,630 --> 00:39:05,839

or have some of his spokesmen meet with

1068

00:39:10,069 --> 00:39:06,640

hess

1069

00:39:11,990 --> 00:39:10,079

for a number of weeks after his capture

1070

00:39:13,750 --> 00:39:12,000

when hess was still imprisoned in the

1071

00:39:15,750 --> 00:39:13,760

tower of london

1072

00:39:18,150 --> 00:39:15,760

so in other words it appears that this

1073

00:39:20,390 --> 00:39:18,160

was so serious that even churchill

1074

00:39:22,310 --> 00:39:20,400

was at least willing to talk with the

1075

00:39:25,109 --> 00:39:22,320

guy although we don't know

1076

00:39:26,150 --> 00:39:25,119

much about what these talks came to

1077

00:39:28,870 --> 00:39:26,160

because again

1078

00:39:31,430 --> 00:39:28,880

the files have been sanitized but we do

1079

00:39:33,990 --> 00:39:31,440

know that during one of these meetings

1080

00:39:35,030 --> 00:39:34,000

one of churchill's representatives asked

1081

00:39:38,550 --> 00:39:35,040

hess directly

1082

00:39:41,589 --> 00:39:38,560

well what about norway

1083

00:39:45,430 --> 00:39:41,599

and to me greg that's code for

1084

00:39:48,310 --> 00:39:45,440

antarctica because

1085

00:39:51,030 --> 00:39:48,320

garing when he sent the expedition to

1086

00:39:53,910 --> 00:39:51,040

antarctica the place in antarctica that

1087

00:39:56,390 --> 00:39:53,920

they explored was a place that had been

1088

00:39:58,150 --> 00:39:56,400

previously claimed by norway called

1089

00:40:01,750 --> 00:39:58,160

queen maud land

1090

00:40:04,230 --> 00:40:01,760

when the expedition returned to germany

1091

00:40:07,270 --> 00:40:04,240

the norwegian government had lodged a

1092

00:40:09,829 --> 00:40:07,280

protest with the german foreign ministry

1093

00:40:12,309 --> 00:40:09,839

that no you have no claim on that part

1094

00:40:15,109 --> 00:40:12,319

of antarctica that part is yours and the

1095

00:40:17,829 --> 00:40:15,119

german foreign ministry responded

1096

00:40:18,790 --> 00:40:17,839

that no you have no claim because your

1097

00:40:22,550 --> 00:40:18,800

claim does not

1098

00:40:25,750 --> 00:40:22,560

extend into the interior as far as ours

1099

00:40:28,390 --> 00:40:25,760

were the ones that explored that part of

1100

00:40:29,990 --> 00:40:28,400

antarctica so in other words there was a

1101

00:40:32,950 --> 00:40:30,000

disputed claim between

1102

00:40:34,790 --> 00:40:32,960

germany and norway over a particular

1103

00:40:36,550 --> 00:40:34,800

region of antarctica

1104

00:40:39,510 --> 00:40:36,560

and then of course the war breaks out

1105

00:40:42,470 --> 00:40:39,520

and in april of 1940 the germans

1106

00:40:43,670 --> 00:40:42,480

invade norway you know and that's that

1107

00:40:45,750 --> 00:40:43,680

so

1108

00:40:47,750 --> 00:40:45,760

the norwegian government like the polish

1109

00:40:50,870 --> 00:40:47,760

government goes into exile in

1110

00:40:52,550 --> 00:40:50,880

great britain so i suspect that that

1111

00:40:55,829 --> 00:40:52,560

query about norway is

1112

00:40:58,069 --> 00:40:55,839

really code for the british asking well

1113

00:40:58,950 --> 00:40:58,079

what about your claim in antarctica in

1114

00:41:01,190 --> 00:40:58,960

other words

1115

00:41:02,390 --> 00:41:01,200

what are we going to do about all of

1116

00:41:04,870 --> 00:41:02,400

that rich

1117

00:41:07,109 --> 00:41:04,880

source of natural resources down there

1118

00:41:10,470 --> 00:41:07,119

that basically is untapped

1119

00:41:13,030 --> 00:41:10,480

and in that case hess's response

1120

00:41:16,390 --> 00:41:13,040

is very intriguing because he says the

1121

00:41:19,510 --> 00:41:16,400

furor hasn't pronounced

1122

00:41:22,550 --> 00:41:19,520

which means i'm willing to talk about it

1123

00:41:23,829 --> 00:41:22,560

right because you know i'm expecting to

1124

00:41:27,030 --> 00:41:23,839

be the fuhrer in

1125

00:41:29,589 --> 00:41:27,040

you know a few weeks in a few weeks

1126

00:41:30,630 --> 00:41:29,599

so yeah the whole thing is just an

1127

00:41:32,710 --> 00:41:30,640

enormously

1128

00:41:34,790 --> 00:41:32,720

complex thing because if you stop and

1129

00:41:36,230 --> 00:41:34,800

think about it if the british and

1130

00:41:39,109 --> 00:41:36,240

germans had signed

1131

00:41:40,069 --> 00:41:39,119

such an accord and if secret protocols

1132

00:41:43,270 --> 00:41:40,079

in that accord

1133

00:41:45,829 --> 00:41:43,280

had basically divvied up the world into

1134

00:41:48,390 --> 00:41:45,839

british and german spheres of influence

1135

00:41:51,510 --> 00:41:48,400

then you know all of that military might

1136

00:41:52,470 --> 00:41:51,520

that germany possessed in 1941 in its

1137

00:41:54,710 --> 00:41:52,480

totality

1138

00:41:56,150 --> 00:41:54,720

would have been unleashed on the soviet

1139

00:41:58,550 --> 00:41:56,160

union you know with

1140

00:41:59,670 --> 00:41:58,560

40 some extra divisions that were left

1141

00:42:02,309 --> 00:41:59,680

on the western

1142

00:42:02,870 --> 00:42:02,319

front part of the invasion and britain

1143

00:42:05,270 --> 00:42:02,880

in turn

1144

00:42:06,390 --> 00:42:05,280

you know would have come out of the war

1145

00:42:08,950 --> 00:42:06,400

with its empire

1146

00:42:10,390 --> 00:42:08,960

intact which would have been a very

1147

00:42:11,349 --> 00:42:10,400

different world than the world that

1148

00:42:14,150 --> 00:42:11,359

actually emerged

1149

00:42:15,109 --> 00:42:14,160

after world war ii a very very different

1150

00:42:17,510 --> 00:42:15,119

world

1151
00:42:18,309 --> 00:42:17,520
so you know this is a huge thing this is

1152
00:42:22,150 --> 00:42:18,319
a major

1153
00:42:24,550 --> 00:42:22,160
major incident in the 20th century

1154
00:42:25,750 --> 00:42:24,560
and uh i think there was another nazi

1155
00:42:28,150 --> 00:42:25,760
officer helmet

1156
00:42:28,790 --> 00:42:28,160
wolf that who was also heavily involved

1157
00:42:31,589 --> 00:42:28,800
with

1158
00:42:33,670 --> 00:42:31,599
ayas nazi dealings in antarctica and the

1159
00:42:33,990 --> 00:42:33,680
peace plan so that's another indication

1160
00:42:36,950 --> 00:42:34,000
that

1161
00:42:37,430 --> 00:42:36,960
yeah it was a big component yeah voltart

1162
00:42:40,790 --> 00:42:37,440
was

1163
00:42:43,829 --> 00:42:40,800

gehring's minister without portfolio

1164

00:42:45,270 --> 00:42:43,839

for setting up the antarctic expedition

1165

00:42:47,750 --> 00:42:45,280

he was a state counselor

1166

00:42:48,309 --> 00:42:47,760

but interestingly enough volta was the

1167

00:42:52,309 --> 00:42:48,319

fellow

1168

00:42:55,190 --> 00:42:52,319

that garing had appointed

1169

00:42:57,270 --> 00:42:55,200

during the tense months of 19 you know

1170

00:42:59,270 --> 00:42:57,280

the summer of 1939

1171

00:43:00,550 --> 00:42:59,280

as you know war is looming because

1172

00:43:03,030 --> 00:43:00,560

hitler's determined to

1173

00:43:05,030 --> 00:43:03,040

you know solve the polish question

1174

00:43:07,190 --> 00:43:05,040

voltart was the one that gerring

1175

00:43:09,190 --> 00:43:07,200

sent to great britain to talk with

1176

00:43:11,190 --> 00:43:09,200

contacts in the city of london

1177

00:43:13,670 --> 00:43:11,200

about some sort of last-minute peace

1178

00:43:15,030 --> 00:43:13,680

deal and it's interesting that with

1179

00:43:18,230 --> 00:43:15,040

respect to poland

1180

00:43:21,510 --> 00:43:18,240

eventually the polish

1181

00:43:23,030 --> 00:43:21,520

government in exile using its contacts

1182

00:43:24,950 --> 00:43:23,040

through the royal family the duke of

1183

00:43:27,750 --> 00:43:24,960

hamilton and so on

1184

00:43:28,470 --> 00:43:27,760

was talking with the royal family about

1185

00:43:30,150 --> 00:43:28,480

making

1186

00:43:31,750 --> 00:43:30,160

one of the members of the royal family

1187

00:43:34,710 --> 00:43:31,760

king of poland

1188

00:43:35,430 --> 00:43:34,720

in a sort of reconstituted poland and

1189

00:43:38,069 --> 00:43:35,440

again

1190

00:43:39,190 --> 00:43:38,079

this appears to have been on the agenda

1191

00:43:42,309 --> 00:43:39,200

as far as hess

1192

00:43:44,230 --> 00:43:42,319

was concerned with his peace plan that

1193

00:43:46,710 --> 00:43:44,240

they were not opposed to some sort of

1194

00:43:47,430 --> 00:43:46,720

you know puppet rump state in poland

1195

00:43:49,270 --> 00:43:47,440

provided

1196

00:43:50,870 --> 00:43:49,280

that whoever was in charge of it was

1197

00:43:52,710 --> 00:43:50,880

someone that they could trust well you

1198

00:43:54,150 --> 00:43:52,720

know you're negotiating with the royal

1199

00:43:56,710 --> 00:43:54,160

family and other members of

1200

00:43:58,390 --> 00:43:56,720

of the british deep state so certainly

1201
00:44:00,390 --> 00:43:58,400
that probably would have been acceptable

1202
00:44:02,790 --> 00:44:00,400
at least to guering and hess

1203
00:44:04,550 --> 00:44:02,800
so yeah this is you know what's going on

1204
00:44:08,069 --> 00:44:04,560
here is is huge

1205
00:44:10,950 --> 00:44:08,079
and hess i think is playing

1206
00:44:12,390 --> 00:44:10,960
the key role here because he's the one

1207
00:44:14,710 --> 00:44:12,400
that has

1208
00:44:15,829 --> 00:44:14,720
more or less figured out and read the

1209
00:44:17,990 --> 00:44:15,839
tea leaves of british

1210
00:44:19,829 --> 00:44:18,000
diplomatic messages correctly that you

1211
00:44:21,190 --> 00:44:19,839
know the british aren't opposed to a

1212
00:44:22,870 --> 00:44:21,200
peace with germany they're simply

1213
00:44:24,470 --> 00:44:22,880

opposed to a peace with hitler

1214

00:44:26,230 --> 00:44:24,480

in other words they want hitler out of

1215

00:44:29,349 --> 00:44:26,240

there and then we'll talk

1216

00:44:30,069 --> 00:44:29,359

and conclude something so this becomes a

1217

00:44:32,630 --> 00:44:30,079

peace plan

1218

00:44:36,230 --> 00:44:32,640

coup d'etat plan and i definitely think

1219

00:44:39,270 --> 00:44:36,240

garing is involved and i'll tell you why

1220

00:44:42,390 --> 00:44:39,280

gerring after hess's

1221

00:44:43,990 --> 00:44:42,400

flight took off from augsburg germany on

1222

00:44:46,230 --> 00:44:44,000

the way to great britain

1223

00:44:47,030 --> 00:44:46,240

gehring calls up the head of air

1224

00:44:49,270 --> 00:44:47,040

defenses

1225

00:44:51,270 --> 00:44:49,280

in western europe a luftwaffe general by

1226

00:44:53,190 --> 00:44:51,280

the name of adolf gallant

1227

00:44:55,349 --> 00:44:53,200

and he tells gallant you need to

1228

00:44:56,710 --> 00:44:55,359

scramble your fighters right away and

1229

00:44:58,309 --> 00:44:56,720

golovk says why there's

1230

00:45:00,390 --> 00:44:58,319

you know there's nothing coming in on

1231

00:45:02,950 --> 00:45:00,400

the radar and gerring says

1232

00:45:05,510 --> 00:45:02,960

i'm not talking about anything coming in

1233

00:45:08,309 --> 00:45:05,520

i'm talking about something going out

1234

00:45:10,710 --> 00:45:08,319

the dead the deputy fuhrer has hijacked

1235

00:45:12,630 --> 00:45:10,720

a messerschmitt and he's flying to great

1236

00:45:14,630 --> 00:45:12,640

britain and you need to shoot him down

1237

00:45:17,430 --> 00:45:14,640

right away

1238

00:45:17,990 --> 00:45:17,440

and of course gallant scrambles fighters

1239

00:45:22,470 --> 00:45:18,000

but by

1240

00:45:25,270 --> 00:45:22,480

that time and this is key by that time

1241

00:45:25,990 --> 00:45:25,280

hess's messerschmitt would have been 300

1242

00:45:28,790 --> 00:45:26,000

miles

1243

00:45:30,470 --> 00:45:28,800

ahead any fighters that gallant was able

1244

00:45:30,950 --> 00:45:30,480

to scramble in other words there was no

1245

00:45:32,630 --> 00:45:30,960

chance

1246

00:45:34,150 --> 00:45:32,640

that they could catch up with him and

1247

00:45:37,270 --> 00:45:34,160

shoot him down

1248

00:45:40,069 --> 00:45:37,280

now it's interesting because number one

1249

00:45:41,109 --> 00:45:40,079

gerring's phone call clearly indicates

1250

00:45:44,150 --> 00:45:41,119

that he

1251
00:45:46,950 --> 00:45:44,160
knew about the plan

1252
00:45:47,670 --> 00:45:46,960
so the real question is why is garing

1253
00:45:50,150 --> 00:45:47,680
calling up

1254
00:45:50,710 --> 00:45:50,160
gallant and i suspect that he's calling

1255
00:45:54,550 --> 00:45:50,720
him up

1256
00:45:58,150 --> 00:45:54,560
at a time when he knows

1257
00:45:59,270 --> 00:45:58,160
that hess cannot be shot down because he

1258
00:46:01,430 --> 00:45:59,280
wants to you know

1259
00:46:03,670 --> 00:46:01,440
he wants to cover his you know what in

1260
00:46:04,470 --> 00:46:03,680
case the whole thing should go wrong oh

1261
00:46:07,829 --> 00:46:04,480
i heard about it

1262
00:46:09,589 --> 00:46:07,839
i tried to stop it you know but a day

1263
00:46:10,630 --> 00:46:09,599

later when he summoned a bear to

1264

00:46:13,030 --> 00:46:10,640

scotland

1265

00:46:14,390 --> 00:46:13,040

you know when hitler's trying to deal

1266

00:46:17,510 --> 00:46:14,400

with the crisis that has

1267

00:46:19,589 --> 00:46:17,520

his flight has caused him garing

1268

00:46:20,540 --> 00:46:19,599

pretends that he knows nothing about it

1269

00:46:21,670 --> 00:46:20,550

at all

1270

00:46:23,589 --> 00:46:21,680

[Music]

1271

00:46:25,750 --> 00:46:23,599

so that's a little clue right there that

1272

00:46:28,069 --> 00:46:25,760

yeah garing is in on this

1273

00:46:29,910 --> 00:46:28,079

to some degree and i suspect to a great

1274

00:46:32,710 --> 00:46:29,920

degree because we have to ask ourselves

1275

00:46:35,109 --> 00:46:32,720

another question

1276

00:46:36,470 --> 00:46:35,119

tess is flying a twin engine measurement

1277

00:46:39,510 --> 00:46:36,480

110

1278

00:46:40,390 --> 00:46:39,520

from augsburg germany on an unauthorized

1279

00:46:43,990 --> 00:46:40,400

flight

1280

00:46:46,710 --> 00:46:44,000

into scotland where he hopes to meet

1281

00:46:49,670 --> 00:46:46,720

some of these members of the scottish

1282

00:46:52,710 --> 00:46:49,680

aristocracy who will give him entree

1283

00:46:54,710 --> 00:46:52,720

into the royal family okay and it's

1284

00:46:55,670 --> 00:46:54,720

important to note when hess lands in

1285

00:46:57,670 --> 00:46:55,680

great britain

1286

00:46:59,109 --> 00:46:57,680

he actually says he's coming under a

1287

00:47:02,790 --> 00:46:59,119

flag of truce

1288

00:47:03,990 --> 00:47:02,800

from the king himself okay so that ought

1289

00:47:07,270 --> 00:47:04,000

to click again

1290

00:47:08,550 --> 00:47:07,280

but anyway the real problem is how does

1291

00:47:10,550 --> 00:47:08,560

hess manage to fly

1292

00:47:14,230 --> 00:47:10,560

on an unauthorized flight through the

1293

00:47:16,710 --> 00:47:14,240

air defenses of nazi germany

1294

00:47:17,990 --> 00:47:16,720

and of course the answer is the only way

1295

00:47:20,470 --> 00:47:18,000

he can do so

1296

00:47:23,430 --> 00:47:20,480

is if he has inside information that

1297

00:47:26,309 --> 00:47:23,440

permits him to do so

1298

00:47:28,390 --> 00:47:26,319

people smoothing the way for him well it

1299

00:47:31,349 --> 00:47:28,400

turns out that the maps that has

1300

00:47:32,549 --> 00:47:31,359

took with him were given to him by guess

1301

00:47:35,589 --> 00:47:32,559

who

1302

00:47:38,549 --> 00:47:35,599

hitler's pilot

1303

00:47:40,630 --> 00:47:38,559

and of course if a luftwaffe general who

1304

00:47:44,309 --> 00:47:40,640

happens to be hitler's pilot is giving

1305

00:47:46,710 --> 00:47:44,319

you maps of the air defenses of germany

1306

00:47:48,309 --> 00:47:46,720

this has to come from reich's marshall

1307

00:47:50,150 --> 00:47:48,319

gearing himself

1308

00:47:51,510 --> 00:47:50,160

and from within hitler's command

1309

00:47:54,630 --> 00:47:51,520

structure so in other words

1310

00:47:55,589 --> 00:47:54,640

you know rice marshall gary and then the

1311

00:47:59,109 --> 00:47:55,599

other question is

1312

00:48:01,670 --> 00:47:59,119

okay you've got a messerschmitt 110

1313

00:48:03,270 --> 00:48:01,680

approaching northern scotland how is it

1314

00:48:06,870 --> 00:48:03,280

that the raf

1315

00:48:10,549 --> 00:48:06,880

only sends up two or three fighters

1316

00:48:14,470 --> 00:48:10,559

right to intercept this german plane

1317

00:48:15,589 --> 00:48:14,480

coming in and again it looks as if the

1318

00:48:18,150 --> 00:48:15,599

raf

1319

00:48:20,230 --> 00:48:18,160

had been told to stand down and in fact

1320

00:48:22,790 --> 00:48:20,240

i point out in the book that

1321

00:48:24,309 --> 00:48:22,800

some of the fighters that were scrambled

1322

00:48:27,109 --> 00:48:24,319

were told to stand down

1323

00:48:31,750 --> 00:48:27,119

don't shoot it down so in other words

1324

00:48:36,069 --> 00:48:34,309

so you know this this is a you know that

1325

00:48:39,190 --> 00:48:36,079

says right there that this is an

1326

00:48:40,230 --> 00:48:39,200

internationally coordinated carefully

1327

00:48:43,990 --> 00:48:40,240

planned

1328

00:48:47,109 --> 00:48:44,000

plot the only thing that goes wrong

1329

00:48:49,829 --> 00:48:47,119

is that has missed a beacon checkpoint

1330

00:48:51,510 --> 00:48:49,839

and therefore used up some of his fuel

1331

00:48:53,510 --> 00:48:51,520

and when he bails out over

1332

00:48:55,430 --> 00:48:53,520

scotland parachutes out of his

1333

00:48:57,750 --> 00:48:55,440

messerschmitt 110

1334

00:49:00,069 --> 00:48:57,760

he's captured by the wrong people in

1335

00:49:02,069 --> 00:49:00,079

other words he didn't make his meeting

1336

00:49:03,109 --> 00:49:02,079

with the right people and on and on we

1337

00:49:04,870 --> 00:49:03,119

could go you know

1338

00:49:07,349 --> 00:49:04,880

the devil's in the detail there's

1339

00:49:10,470 --> 00:49:07,359

there's a lot of details in the book

1340

00:49:11,670 --> 00:49:10,480

absolutely it's so complex but that is

1341

00:49:14,870 --> 00:49:11,680

definitely a

1342

00:49:17,910 --> 00:49:14,880

good crash course and i just love it

1343

00:49:21,829 --> 00:49:17,920

now the nazi antarctic expedition was

1344

00:49:22,870 --> 00:49:21,839

in 38 39 correct then the war ends and

1345

00:49:26,390 --> 00:49:22,880

then in

1346

00:49:28,230 --> 00:49:26,400

1946 47 we have operation high jump

1347

00:49:29,589 --> 00:49:28,240

right how do you think these events

1348

00:49:32,549 --> 00:49:29,599

could be connected to

1349

00:49:34,309 --> 00:49:32,559

each other and possibly to hess's prison

1350

00:49:38,069 --> 00:49:34,319

situation

1351

00:49:41,750 --> 00:49:38,079

all right as i said hess

1352

00:49:44,710 --> 00:49:41,760

was in a position of such power

1353

00:49:45,990 --> 00:49:44,720

inside of nazi germany prior to his

1354

00:49:49,270 --> 00:49:46,000

flight

1355

00:49:52,309 --> 00:49:49,280

that virtually nothing happened

1356

00:49:54,710 --> 00:49:52,319

he was the martin borman of that era and

1357

00:49:57,349 --> 00:49:54,720

in fact it was hess that brought borman

1358

00:49:58,390 --> 00:49:57,359

into the nazi party as his secretary in

1359

00:50:00,549 --> 00:49:58,400

other words

1360

00:50:01,750 --> 00:50:00,559

he was the talent spotter there from

1361

00:50:03,270 --> 00:50:01,760

folks

1362

00:50:05,109 --> 00:50:03,280

so in other words you know the

1363

00:50:07,190 --> 00:50:05,119

subsequent behind-the-scenes

1364

00:50:08,950 --> 00:50:07,200

reign of martin bormann in the second

1365

00:50:09,430 --> 00:50:08,960

half of the war was really due to

1366

00:50:11,829 --> 00:50:09,440

rudolph

1367

00:50:13,430 --> 00:50:11,839

s so that should give you another

1368

00:50:14,710 --> 00:50:13,440

measure of the man that you're dealing

1369

00:50:17,030 --> 00:50:14,720

with

1370

00:50:19,109 --> 00:50:17,040

hess is in a position of such power

1371

00:50:23,750 --> 00:50:19,119

prior to his flight

1372

00:50:26,790 --> 00:50:23,760

that whatever that antarctic expedition

1373

00:50:28,950 --> 00:50:26,800

which was part of a

1374

00:50:31,349 --> 00:50:28,960

economic plan it was part of a

1375

00:50:34,230 --> 00:50:31,359

technological plan

1376

00:50:35,430 --> 00:50:34,240

hess would have known about it so if it

1377

00:50:38,710 --> 00:50:35,440

found anything

1378

00:50:41,430 --> 00:50:38,720

down there that was classified on

1379

00:50:42,549 --> 00:50:41,440

the expedition's return hess would have

1380

00:50:44,230 --> 00:50:42,559

known about it

1381

00:50:46,470 --> 00:50:44,240

and he would have been one of the few

1382

00:50:49,109 --> 00:50:46,480

people in nazi germany

1383

00:50:50,230 --> 00:50:49,119

that would have known about it in fact i

1384

00:50:53,190 --> 00:50:50,240

think that

1385

00:50:54,150 --> 00:50:53,200

you're dealing there with a case of if

1386

00:50:57,270 --> 00:50:54,160

anything was

1387

00:50:58,309 --> 00:50:57,280

found and again please note my if if

1388

00:51:01,910 --> 00:50:58,319

anything was

1389

00:51:03,990 --> 00:51:01,920

found by that expedition the crew

1390

00:51:06,309 --> 00:51:04,000

itself would have been placed under you

1391

00:51:08,309 --> 00:51:06,319

know secrecy commitments

1392

00:51:10,230 --> 00:51:08,319

and told not to talk about it and then

1393

00:51:12,950 --> 00:51:10,240

probably the only other people that

1394

00:51:15,349 --> 00:51:12,960

did know whatever was found there would

1395

00:51:17,190 --> 00:51:15,359

have been hitler and garing and hess

1396

00:51:19,349 --> 00:51:17,200

i don't even think himmler would have

1397

00:51:21,670 --> 00:51:19,359

known at that point

1398

00:51:23,990 --> 00:51:21,680

so it was if anything was found and

1399

00:51:24,710 --> 00:51:24,000

please again note my caveat but i do

1400

00:51:27,510 --> 00:51:24,720

think

1401
00:51:28,870 --> 00:51:27,520
that something was found because the

1402
00:51:31,910 --> 00:51:28,880
american reaction

1403
00:51:35,349 --> 00:51:31,920
with operation high jump after the war

1404
00:51:35,990 --> 00:51:35,359
to me is directly connected because the

1405
00:51:39,270 --> 00:51:36,000
american

1406
00:51:43,270 --> 00:51:39,280
explanations for hijab make no

1407
00:51:45,589 --> 00:51:43,280
sense okay we were told at the time and

1408
00:51:47,670 --> 00:51:45,599
then admiral byrd after the expedition

1409
00:51:49,510 --> 00:51:47,680
had returned from antarctica wrote this

1410
00:51:52,630 --> 00:51:49,520
big 100 plus

1411
00:51:54,470 --> 00:51:52,640
page article for the national geographic

1412
00:51:55,750 --> 00:51:54,480
that well we really went down there

1413
00:51:58,309 --> 00:51:55,760

because one of the big

1414

00:52:00,390 --> 00:51:58,319

theaters of the next war you know with

1415

00:52:01,589 --> 00:52:00,400

the soviet union and the communist bloc

1416

00:52:04,230 --> 00:52:01,599

will be in the arctic

1417

00:52:04,630 --> 00:52:04,240

and blah blah blah well we went down

1418

00:52:07,270 --> 00:52:04,640

there

1419

00:52:08,790 --> 00:52:07,280

to train and test our tactics and

1420

00:52:12,230 --> 00:52:08,800

equipment

1421

00:52:14,950 --> 00:52:12,240

that's the story that's the cover

1422

00:52:17,430 --> 00:52:14,960

and i'm thinking my word you don't need

1423

00:52:19,990 --> 00:52:17,440

to outfit a battalion of marines

1424

00:52:22,390 --> 00:52:20,000

and an entire flotilla including an

1425

00:52:25,589 --> 00:52:22,400

aircraft carrier and a submarine

1426
00:52:25,990 --> 00:52:25,599
to test equipment bearing the expense of

1427
00:52:33,190 --> 00:52:26,000
that

1428
00:52:36,390 --> 00:52:33,200
exactly an ally and guess what they've

1429
00:52:38,069 --> 00:52:36,400
got roads up there you know

1430
00:52:39,430 --> 00:52:38,079
so you know if we're going to test

1431
00:52:42,549 --> 00:52:39,440
equipment

1432
00:52:46,230 --> 00:52:42,559
then the logical cheapest place to do it

1433
00:52:48,710 --> 00:52:46,240
would have been alaska and canada

1434
00:52:49,430 --> 00:52:48,720
but no we've got to outfit a fleet to

1435
00:52:53,430 --> 00:52:49,440
sail

1436
00:52:55,349 --> 00:52:53,440
8 000 miles down to antarctica

1437
00:52:57,030 --> 00:52:55,359
to test our equipment down there so in

1438
00:52:58,470 --> 00:52:57,040

other words yeah i suspect this is a

1439

00:53:00,710 --> 00:52:58,480

cover story

1440

00:53:01,990 --> 00:53:00,720

and i suspect that whatever we were

1441

00:53:04,230 --> 00:53:02,000

doing down there its

1442

00:53:06,230 --> 00:53:04,240

secret purpose had to do with the german

1443

00:53:08,549 --> 00:53:06,240

expedition

1444

00:53:09,349 --> 00:53:08,559

so what might that have been well like

1445

00:53:12,829 --> 00:53:09,359

the german

1446

00:53:15,670 --> 00:53:12,839

expedition our expedition was to make

1447

00:53:17,430 --> 00:53:15,680

photogrametric surveys of the continent

1448

00:53:20,069 --> 00:53:17,440

in other words aircraft

1449

00:53:22,309 --> 00:53:20,079

taking pictures of the surface of

1450

00:53:23,589 --> 00:53:22,319

antarctica and then assembling all these

1451

00:53:26,790 --> 00:53:23,599

pictures into more

1452

00:53:31,109 --> 00:53:26,800

accurate and reliable maps okay

1453

00:53:33,109 --> 00:53:31,119

i suspect that it is entirely possible

1454

00:53:34,230 --> 00:53:33,119

that as they're doing this they may have

1455

00:53:37,270 --> 00:53:34,240

snapped pictures

1456

00:53:39,270 --> 00:53:37,280

that gave them some pause

1457

00:53:41,190 --> 00:53:39,280

that that you know they may have seen

1458

00:53:42,630 --> 00:53:41,200

something that looked artificial or

1459

00:53:44,950 --> 00:53:42,640

maybe seen

1460

00:53:46,630 --> 00:53:44,960

interesting geological features that

1461

00:53:48,710 --> 00:53:46,640

indicated the presence of

1462

00:53:50,870 --> 00:53:48,720

rare mineral deposits or something of

1463

00:53:53,910 --> 00:53:50,880

this nature that would have caused

1464

00:53:57,109 --> 00:53:53,920

the secrecy to be clamped down

1465

00:53:59,910 --> 00:53:57,119

now with the american expedition there

1466

00:54:01,430 --> 00:53:59,920

is one more thing that we need to be

1467

00:54:04,230 --> 00:54:01,440

aware of

1468

00:54:05,270 --> 00:54:04,240

and this is the people involved in the

1469

00:54:08,549 --> 00:54:05,280

planning

1470

00:54:13,030 --> 00:54:08,559

of the expedition they were

1471

00:54:16,069 --> 00:54:13,040

none other than fleet admiral nimitz

1472

00:54:19,910 --> 00:54:16,079

and the then secretary of the navy

1473

00:54:21,270 --> 00:54:19,920

james forrestal and if you're one of

1474

00:54:22,230 --> 00:54:21,280

those that believes there's something

1475

00:54:25,109 --> 00:54:22,240

fishy about

1476

00:54:26,870 --> 00:54:25,119

the so-called suicide of secretary

1477

00:54:27,829 --> 00:54:26,880

forrestal i'm certainly one of those

1478

00:54:29,670 --> 00:54:27,839

people

1479

00:54:31,510 --> 00:54:29,680

i don't think it has anything to do with

1480

00:54:33,750 --> 00:54:31,520

ufos like a lot of people do

1481

00:54:36,150 --> 00:54:33,760

i think it has to do with antarctica

1482

00:54:37,510 --> 00:54:36,160

yeah

1483

00:54:40,069 --> 00:54:37,520

that is so interesting and for people

1484

00:54:42,309 --> 00:54:40,079

who don't know he apparently

1485

00:54:44,150 --> 00:54:42,319

made a makeshift noose out of towels and

1486

00:54:45,349 --> 00:54:44,160

jumped out of a hospital window that's

1487

00:54:47,510 --> 00:54:45,359

the story

1488

00:54:49,990 --> 00:54:47,520

yeah he jumped out of you know he he

1489

00:54:50,829 --> 00:54:50,000

dies at bethesda hospital he jumps out

1490

00:54:54,789 --> 00:54:50,839

of

1491

00:54:56,870 --> 00:54:54,799

supposedly the 16th floor window

1492

00:54:57,829 --> 00:54:56,880

and there's so much to call that into

1493

00:54:59,270 --> 00:54:57,839

question

1494

00:55:01,430 --> 00:54:59,280

there's actually a book out and i've

1495

00:55:02,230 --> 00:55:01,440

been trying to find it that somebody

1496

00:55:03,990 --> 00:55:02,240

wrote

1497

00:55:05,430 --> 00:55:04,000

about the three mysterious deaths that

1498

00:55:07,190 --> 00:55:05,440

the incidents or

1499

00:55:09,349 --> 00:55:07,200

mysterious goings on at bethesda

1500

00:55:11,670 --> 00:55:09,359

regarding president kennedy regarding

1501
00:55:12,789 --> 00:55:11,680
senator mccarthy and regarding secretary

1502
00:55:14,470 --> 00:55:12,799
forrestall

1503
00:55:16,789 --> 00:55:14,480
and i wish i could remember the name of

1504
00:55:17,910 --> 00:55:16,799
the book because there is a researcher

1505
00:55:19,829 --> 00:55:17,920
out there that's been

1506
00:55:21,670 --> 00:55:19,839
digging into that whole weird

1507
00:55:23,990 --> 00:55:21,680
relationship

1508
00:55:26,950 --> 00:55:24,000
but yeah forrest all you know supposedly

1509
00:55:29,829 --> 00:55:26,960
takes this tumble up

1510
00:55:30,390 --> 00:55:29,839
out of his bedroom window and to be sure

1511
00:55:32,390 --> 00:55:30,400
he was

1512
00:55:33,670 --> 00:55:32,400
acting mighty strange towards the end of

1513
00:55:35,430 --> 00:55:33,680

his life but

1514

00:55:38,150 --> 00:55:35,440

he certainly wasn't acting strange or

1515

00:55:40,309 --> 00:55:38,160

suicidal on the night that this happened

1516

00:55:42,549 --> 00:55:40,319

so yeah i suspect that there's something

1517

00:55:45,190 --> 00:55:42,559

going on with antarctica that

1518

00:55:45,990 --> 00:55:45,200

became known to the nazis at the time

1519

00:55:48,710 --> 00:55:46,000

and then

1520

00:55:49,670 --> 00:55:48,720

was suspected by the american command

1521

00:55:52,630 --> 00:55:49,680

after the war

1522

00:55:54,630 --> 00:55:52,640

and perhaps became known to them as well

1523

00:55:55,190 --> 00:55:54,640

as a result of their expedition down

1524

00:55:56,710 --> 00:55:55,200

there

1525

00:55:58,630 --> 00:55:56,720

the whole thing is just very very

1526
00:56:01,030 --> 00:55:58,640
strange

1527
00:56:02,069 --> 00:56:01,040
it definitely is and as you know in the

1528
00:56:03,910 --> 00:56:02,079
book

1529
00:56:06,069 --> 00:56:03,920
for a long time you were resistant to

1530
00:56:07,990 --> 00:56:06,079
the idea of a nazi base in antarctica

1531
00:56:10,069 --> 00:56:08,000
because of the scale of the operation

1532
00:56:12,390 --> 00:56:10,079
and the resources required to jumpstart

1533
00:56:14,710 --> 00:56:12,400
that to get the power going et cetera

1534
00:56:16,069 --> 00:56:14,720
right now it's a huge undertaking right

1535
00:56:17,190 --> 00:56:16,079
well let me get weird on you for a

1536
00:56:20,470 --> 00:56:17,200
minute as a guy

1537
00:56:21,990 --> 00:56:20,480
who considers the hollow earth ideas the

1538
00:56:24,230 --> 00:56:22,000

subterranean worlds

1539

00:56:26,309 --> 00:56:24,240

that's a real guilty pleasure and you

1540

00:56:28,630 --> 00:56:26,319

know what if what if rumors of lush

1541

00:56:29,990 --> 00:56:28,640

tropical underground areas are true or

1542

00:56:32,470 --> 00:56:30,000

the findings like the

1543

00:56:34,150 --> 00:56:32,480

underground lake vostok are or maybe

1544

00:56:36,789 --> 00:56:34,160

that's just the tip of the iceberg

1545

00:56:38,309 --> 00:56:36,799

and you know what if the project of a

1546

00:56:39,990 --> 00:56:38,319

nazi base was more like

1547

00:56:41,750 --> 00:56:40,000

american colonization where they were

1548

00:56:43,030 --> 00:56:41,760

just able to use the resources that were

1549

00:56:45,270 --> 00:56:43,040

there when they arrived or

1550

00:56:47,190 --> 00:56:45,280

perhaps even ancient structures and

1551
00:56:51,109 --> 00:56:47,200
exotic energy sources do you consider

1552
00:56:53,030 --> 00:56:51,119
any of that possible at this point well

1553
00:56:55,430 --> 00:56:53,040
i have yet to be convinced of any of

1554
00:56:57,990 --> 00:56:55,440
them i i have no doubt

1555
00:57:00,230 --> 00:56:58,000
that the germans may have found warm

1556
00:57:02,549 --> 00:57:00,240
water springs in fact there's

1557
00:57:03,829 --> 00:57:02,559
evidence to suggest that they may have

1558
00:57:06,870 --> 00:57:03,839
done this

1559
00:57:09,109 --> 00:57:06,880
and that they may have found

1560
00:57:10,230 --> 00:57:09,119
subterranean caverns and so on and so

1561
00:57:13,430 --> 00:57:10,240
forth

1562
00:57:16,870 --> 00:57:13,440
my biggest problem with this whole idea

1563
00:57:20,230 --> 00:57:16,880

of nazi bases remains in

1564

00:57:23,589 --> 00:57:20,240

the scale that the

1565

00:57:24,950 --> 00:57:23,599

nazi last battalion people want people

1566

00:57:27,990 --> 00:57:24,960

to believe

1567

00:57:29,910 --> 00:57:28,000

submarine pins

1568

00:57:31,750 --> 00:57:29,920

in some versions of it they want us to

1569

00:57:34,549 --> 00:57:31,760

believe that there were secret flying

1570

00:57:37,190 --> 00:57:34,559

saucer research facilities there

1571

00:57:38,309 --> 00:57:37,200

and on and on this goes and i say this

1572

00:57:41,589 --> 00:57:38,319

is just

1573

00:57:44,309 --> 00:57:41,599

nonsense for this pure and simple reason

1574

00:57:46,069 --> 00:57:44,319

that for the german creeks marine for

1575

00:57:50,230 --> 00:57:46,079

the german navy

1576
00:57:53,510 --> 00:57:50,240
to have built and maintained

1577
00:57:56,309 --> 00:57:53,520
logistically such a base so

1578
00:57:58,230 --> 00:57:56,319
shortly before the outbreak of world war

1579
00:58:00,150 --> 00:57:58,240
ii in other words the expedition returns

1580
00:58:03,430 --> 00:58:00,160
in early 1939

1581
00:58:05,670 --> 00:58:03,440
war breaks out in september of 1939

1582
00:58:06,870 --> 00:58:05,680
so in other words even if you do make

1583
00:58:08,950 --> 00:58:06,880
use of energy

1584
00:58:10,390 --> 00:58:08,960
that may be there with geothermal

1585
00:58:12,630 --> 00:58:10,400
springs or what have you

1586
00:58:13,430 --> 00:58:12,640
you still have to haul the equipment

1587
00:58:17,109 --> 00:58:13,440
down there

1588
00:58:19,190 --> 00:58:17,119

and you have to haul enough technicians

1589

00:58:22,230 --> 00:58:19,200

down there and then sustain

1590

00:58:25,270 --> 00:58:22,240

them and this to me is

1591

00:58:28,549 --> 00:58:25,280

utterly beyond the capability

1592

00:58:30,630 --> 00:58:28,559

of the german navy at that time it would

1593

00:58:34,230 --> 00:58:30,640

have taxed their resources

1594

00:58:36,470 --> 00:58:34,240

beyond its operational capability

1595

00:58:37,270 --> 00:58:36,480

and even with high jump let's remember

1596

00:58:39,990 --> 00:58:37,280

that vast

1597

00:58:40,789 --> 00:58:40,000

expenditure that we lavished on that

1598

00:58:44,950 --> 00:58:40,799

expedition

1599

00:58:47,589 --> 00:58:44,960

still was only able to

1600

00:58:49,190 --> 00:58:47,599

send a flotilla of about 21 ships and a

1601
00:58:51,430 --> 00:58:49,200
battalion of marines

1602
00:58:52,230 --> 00:58:51,440
and that's the united states and that's

1603
00:58:55,430 --> 00:58:52,240
without

1604
00:58:57,750 --> 00:58:55,440
a war going on in the process

1605
00:58:59,270 --> 00:58:57,760
so no i don't think it's possible for

1606
00:59:02,950 --> 00:58:59,280
there to have been

1607
00:59:05,990 --> 00:59:02,960
a base there that the germans maintained

1608
00:59:07,589 --> 00:59:06,000
like all of these last myth battalion

1609
00:59:10,309 --> 00:59:07,599
stories that you hear and i want to

1610
00:59:12,470 --> 00:59:10,319
point out to people that those stories

1611
00:59:13,670 --> 00:59:12,480
ultimately begin to be circulated after

1612
00:59:15,990 --> 00:59:13,680
the war

1613
00:59:17,990 --> 00:59:16,000

from crowds that are associated with

1614

00:59:19,990 --> 00:59:18,000

neo-nazis now i've referred to these

1615

00:59:21,109 --> 00:59:20,000

people in my books over the years i

1616

00:59:25,109 --> 00:59:21,119

certainly have

1617

00:59:26,789 --> 00:59:25,119

but the the problem is that you know

1618

00:59:28,789 --> 00:59:26,799

i'm trying to i'm trying to lay out a

1619

00:59:29,510 --> 00:59:28,799

story that takes several books to

1620

00:59:31,750 --> 00:59:29,520

explain

1621

00:59:34,390 --> 00:59:31,760

you know like no one wants to read a 5

1622

00:59:37,030 --> 00:59:34,400

000 page book

1623

00:59:39,750 --> 00:59:37,040

so i i just never have bought this idea

1624

00:59:42,789 --> 00:59:39,760

simply from the logistical standpoint

1625

00:59:45,109 --> 00:59:42,799

of doing this as i've pointed out in

1626

00:59:46,309 --> 00:59:45,119

a previous book nazi international if

1627

00:59:49,990 --> 00:59:46,319

you're looking for

1628

00:59:52,630 --> 00:59:50,000

an enclave of nazis that are

1629

00:59:54,069 --> 00:59:52,640

up to all sorts of no good including

1630

00:59:56,549 --> 00:59:54,079

secret research

1631

00:59:57,349 --> 00:59:56,559

the place that all of the evidence leads

1632

01:00:00,150 --> 00:59:57,359

you to

1633

01:00:00,789 --> 01:00:00,160

is not antarctica which i think is a bit

1634

01:00:03,430 --> 01:00:00,799

of

1635

01:00:05,349 --> 01:00:03,440

perhaps deliberate deflection it's

1636

01:00:08,309 --> 01:00:05,359

southern argentina

1637

01:00:10,309 --> 01:00:08,319

that's where the stuff is going on so no

1638

01:00:12,230 --> 01:00:10,319

i i've never bought this

1639

01:00:13,349 --> 01:00:12,240

secret base thing could they have

1640

01:00:16,069 --> 01:00:13,359

discovered

1641

01:00:18,390 --> 01:00:16,079

you know lakes and so on sure but i

1642

01:00:20,789 --> 01:00:18,400

suspect the discovery was

1643

01:00:22,390 --> 01:00:20,799

more on the order of being indicated to

1644

01:00:24,870 --> 01:00:22,400

them by the photos

1645

01:00:27,430 --> 01:00:24,880

that they were taking of the continent

1646

01:00:28,950 --> 01:00:27,440

than by any actual human exploration

1647

01:00:30,710 --> 01:00:28,960

we have to remember that german

1648

01:00:33,430 --> 01:00:30,720

expedition was

1649

01:00:35,510 --> 01:00:33,440

one seaplane tender with a crew of about

1650

01:00:38,630 --> 01:00:35,520

50.

1651
01:00:41,270 --> 01:00:38,640
so in other words even to require

1652
01:00:41,990 --> 01:00:41,280
that kind of discovery you would have to

1653
01:00:44,710 --> 01:00:42,000
have a much

1654
01:00:47,190 --> 01:00:44,720
larger expedition in order to do it it

1655
01:00:50,710 --> 01:00:47,200
was a very very small expedition

1656
01:00:51,589 --> 01:00:50,720
that went down there yeah the argentina

1657
01:00:52,950 --> 01:00:51,599
thing is

1658
01:00:54,789 --> 01:00:52,960
definitely something to look at peter

1659
01:00:55,349 --> 01:00:54,799
lavender of course has his famous story

1660
01:00:57,430 --> 01:00:55,359
of

1661
01:00:58,710 --> 01:00:57,440
actually interacting with nazis in

1662
01:01:01,109 --> 01:00:58,720
argentina it seems

1663
01:01:03,109 --> 01:01:01,119

it was chilly it was chilling oh chile

1664

01:01:03,589 --> 01:01:03,119

my bad yeah he interacted with the

1665

01:01:05,829 --> 01:01:03,599

people

1666

01:01:06,630 --> 01:01:05,839

in and around the former colonia digni

1667

01:01:09,030 --> 01:01:06,640

dot

1668

01:01:11,190 --> 01:01:09,040

which is down around the city of pearl

1669

01:01:14,470 --> 01:01:11,200

that's who he interacted with

1670

01:01:16,150 --> 01:01:14,480

the argentinian side of the story

1671

01:01:17,910 --> 01:01:16,160

has been brought out in my books it's

1672

01:01:20,150 --> 01:01:17,920

been brought out by an american naval

1673

01:01:22,390 --> 01:01:20,160

commander by the name of harry cooper

1674

01:01:24,390 --> 01:01:22,400

who's been in actual contact with some

1675

01:01:26,549 --> 01:01:24,400

of those people or their families

1676

01:01:27,829 --> 01:01:26,559

in that region of argentina so yeah it's

1677

01:01:30,630 --> 01:01:27,839

a big big

1678

01:01:32,549 --> 01:01:30,640

it's not nazis hiding out in grass huts

1679

01:01:35,349 --> 01:01:32,559

in the amazon basin

1680

01:01:36,710 --> 01:01:35,359

down there it's a much more organized

1681

01:01:38,630 --> 01:01:36,720

affair i can assure you

1682

01:01:41,109 --> 01:01:38,640

fair enough so the suggestion is more

1683

01:01:42,870 --> 01:01:41,119

that maybe the nazis saw something on

1684

01:01:45,030 --> 01:01:42,880

this expedition and then

1685

01:01:46,549 --> 01:01:45,040

possibly word got out in small circles

1686

01:01:49,670 --> 01:01:46,559

and admiral byrd was sent to

1687

01:01:53,190 --> 01:01:49,680

reinvestigate i suspect that that

1688

01:01:55,829 --> 01:01:53,200

even if they didn't have intelligence

1689

01:01:57,829 --> 01:01:55,839

that they suspected and if they

1690

01:01:58,309 --> 01:01:57,839

suspected something like that that would

1691

01:02:01,349 --> 01:01:58,319

have been

1692

01:02:03,829 --> 01:02:01,359

reason enough for them to go there now

1693

01:02:05,750 --> 01:02:03,839

having said all of this about bases i

1694

01:02:06,309 --> 01:02:05,760

don't rule out that that may have been a

1695

01:02:09,670 --> 01:02:06,319

factor

1696

01:02:10,789 --> 01:02:09,680

in their thinking right i don't rule

1697

01:02:13,829 --> 01:02:10,799

that out

1698

01:02:17,190 --> 01:02:13,839

because byrd did give that very strange

1699

01:02:20,630 --> 01:02:17,200

statement to el mercurio the

1700

01:02:22,390 --> 01:02:20,640

santiago newspaper which to this day i

1701
01:02:24,230 --> 01:02:22,400
think is a strange statement no matter

1702
01:02:25,750 --> 01:02:24,240
how people try and spin it away and

1703
01:02:27,910 --> 01:02:25,760
trust me they've been trying to spin it

1704
01:02:30,870 --> 01:02:27,920
away for a long time

1705
01:02:32,069 --> 01:02:30,880
i do think that this was partly a factor

1706
01:02:34,309 --> 01:02:32,079
in their thinking

1707
01:02:35,349 --> 01:02:34,319
but i suspect in order to mount an

1708
01:02:37,430 --> 01:02:35,359
expedition that

1709
01:02:38,630 --> 01:02:37,440
large that they may have had some

1710
01:02:41,589 --> 01:02:38,640
intelligence

1711
01:02:42,950 --> 01:02:41,599
from somewhere about it by that time

1712
01:02:45,670 --> 01:02:42,960
they may have learned it from

1713
01:02:46,150 --> 01:02:45,680

captured ss archives who knows i i don't

1714

01:02:47,670 --> 01:02:46,160

know

1715

01:02:49,829 --> 01:02:47,680

where they may have found out but i

1716

01:02:51,270 --> 01:02:49,839

think they probably had intelligence

1717

01:02:53,670 --> 01:02:51,280

otherwise you're not going to mount a

1718

01:02:55,990 --> 01:02:53,680

whole expedition to go down there

1719

01:02:57,990 --> 01:02:56,000

you would send something smaller and

1720

01:03:00,150 --> 01:02:58,000

look for indications or confirmations

1721

01:03:03,029 --> 01:03:00,160

before you sent something that large

1722

01:03:04,470 --> 01:03:03,039

right and the santiago newspaper thing

1723

01:03:05,990 --> 01:03:04,480

is just so interesting because it's like

1724

01:03:08,309 --> 01:03:06,000

he purposefully

1725

01:03:09,349 --> 01:03:08,319

said something to this reporter before

1726

01:03:10,950 --> 01:03:09,359

he came home

1727

01:03:13,190 --> 01:03:10,960

and knew he was going to be told to keep

1728

01:03:14,870 --> 01:03:13,200

silent it seems like that's what i would

1729

01:03:17,670 --> 01:03:14,880

think is he's doing

1730

01:03:18,150 --> 01:03:17,680

yeah i think so too you have academic

1731

01:03:19,589 --> 01:03:18,160

spin

1732

01:03:21,349 --> 01:03:19,599

trying to say well he wasn't really

1733

01:03:23,510 --> 01:03:21,359

talking about that or it's being

1734

01:03:25,190 --> 01:03:23,520

mistranslated blah blah blah

1735

01:03:26,549 --> 01:03:25,200

but the bottom line is he's still

1736

01:03:28,549 --> 01:03:26,559

talking about fighters

1737

01:03:29,990 --> 01:03:28,559

flying from pole to pole with tremendous

1738

01:03:33,190 --> 01:03:30,000

speed in the united states has

1739

01:03:35,270 --> 01:03:33,200

to defend itself against that well

1740

01:03:36,230 --> 01:03:35,280

you don't say something like that in the

1741

01:03:38,710 --> 01:03:36,240

context of an

1742

01:03:40,549 --> 01:03:38,720

antarctic expedition if you're worried

1743

01:03:42,390 --> 01:03:40,559

about the soviet union

1744

01:03:44,950 --> 01:03:42,400

because the soviet union isn't going to

1745

01:03:47,910 --> 01:03:44,960

fly its airplanes around the south pole

1746

01:03:49,670 --> 01:03:47,920

they can't get at the united states in

1747

01:03:52,309 --> 01:03:49,680

fact they probably couldn't fly them all

1748

01:03:53,510 --> 01:03:52,319

over the south pole it's going to be

1749

01:03:55,750 --> 01:03:53,520

over the north pole so

1750

01:03:56,710 --> 01:03:55,760

who's he talking about and that's the

1751

01:03:58,950 --> 01:03:56,720

problem

1752

01:04:00,950 --> 01:03:58,960

so in other words you know it's a bit of

1753

01:04:01,670 --> 01:04:00,960

to me it's very frustrating to see these

1754

01:04:03,990 --> 01:04:01,680

kinds of

1755

01:04:05,670 --> 01:04:04,000

academic denials because you know what

1756

01:04:07,510 --> 01:04:05,680

they're really doing is they're avoiding

1757

01:04:08,870 --> 01:04:07,520

the obvious question that's staring them

1758

01:04:11,750 --> 01:04:08,880

right in the face

1759

01:04:11,990 --> 01:04:11,760

what is bird talking about you know and

1760

01:04:15,670 --> 01:04:12,000

who

1761

01:04:17,349 --> 01:04:15,680

is he talking about right well

1762

01:04:19,829 --> 01:04:17,359

jesus man i guess i can't keep you here

1763

01:04:21,430 --> 01:04:19,839

forever but i will say all i want for

1764

01:04:23,349 --> 01:04:21,440

christmas is confirmation of

1765

01:04:25,349 --> 01:04:23,359

subterranean worlds in antarctica

1766

01:04:28,470 --> 01:04:25,359

inhabited by humans from a previous

1767

01:04:29,750 --> 01:04:28,480

age aliens or ufo flying nazis so

1768

01:04:32,870 --> 01:04:29,760

fingers crossed

1769

01:04:35,270 --> 01:04:32,880

good luck right right well

1770

01:04:37,349 --> 01:04:35,280

either way dr farrell you are the

1771

01:04:38,549 --> 01:04:37,359

goddamn man i always love to hear that

1772

01:04:40,150 --> 01:04:38,559

you have a book coming out

1773

01:04:42,150 --> 01:04:40,160

loved our last conversation about the

1774

01:04:43,670 --> 01:04:42,160

common core book as well

1775

01:04:45,349 --> 01:04:43,680

and remind the people where they can

1776

01:04:46,870 --> 01:04:45,359

follow up on your work become a member

1777

01:04:48,630 --> 01:04:46,880

of your site and any other future

1778

01:04:51,109 --> 01:04:48,640

projects that you might have coming

1779

01:04:52,870 --> 01:04:51,119

they can get the books from amazon i

1780

01:04:53,510 --> 01:04:52,880

haven't still haven't put the hess book

1781

01:04:55,190 --> 01:04:53,520

up in my

1782

01:04:58,390 --> 01:04:55,200

web store but they can get it from

1783

01:05:03,589 --> 01:04:58,400

amazon and the website itself

1784

01:05:06,390 --> 01:05:03,599

is www.gizadeathstar.com become a geezer

1785

01:05:09,430 --> 01:05:06,400

that's what we're calling ourselves now

1786

01:05:11,109 --> 01:05:09,440

geezers nice become a geezer there's

1787

01:05:12,069 --> 01:05:11,119

lots of stuff in the members area

1788

01:05:14,630 --> 01:05:12,079

webinars and

1789

01:05:16,230 --> 01:05:14,640

vid chats and a few papers and so on so

1790

01:05:19,109 --> 01:05:16,240

we have a good time

1791

01:05:21,670 --> 01:05:19,119

perfect well i consider you the head

1792

01:05:22,069 --> 01:05:21,680

custodian of mopping up the hess mess so

1793

01:05:24,549 --> 01:05:22,079

great

1794

01:05:26,069 --> 01:05:24,559

job and take care of yourself out there

1795

01:05:26,710 --> 01:05:26,079

you too thank you greg for having me

1796

01:05:30,470 --> 01:05:26,720

back

1797

01:05:33,029 --> 01:05:30,480

you got it holy snokes and happy

1798

01:05:34,470 --> 01:05:33,039

holidays people another wild ride with

1799

01:05:38,470 --> 01:05:34,480

one of my favorite guests

1800

01:05:40,549 --> 01:05:38,480

dr joseph p farrell all right all right

1801

01:05:42,789 --> 01:05:40,559

i cannot complain about that always

1802

01:05:44,309 --> 01:05:42,799

excited to record and release a joseph

1803

01:05:46,230 --> 01:05:44,319

farrell interview

1804

01:05:47,990 --> 01:05:46,240

i think this is his fourth time coming

1805

01:05:49,910 --> 01:05:48,000

on the first one about

1806

01:05:52,230 --> 01:05:49,920

money and alchemy and the financial

1807

01:05:54,069 --> 01:05:52,240

vipers of venice is hard to beat

1808

01:05:55,750 --> 01:05:54,079

and the last one about common core

1809

01:05:58,470 --> 01:05:55,760

teaching curriculum is also

1810

01:05:59,589 --> 01:05:58,480

really solid if you ask me but i think

1811

01:06:02,150 --> 01:05:59,599

an expose

1812

01:06:02,950 --> 01:06:02,160

on the top nazi occultist isn't bad

1813

01:06:05,190 --> 01:06:02,960

either and

1814

01:06:06,549 --> 01:06:05,200

it's a long and winding road to get

1815

01:06:08,630 --> 01:06:06,559

there but when we do

1816

01:06:10,390 --> 01:06:08,640

we end up with a decent amount of

1817

01:06:12,470 --> 01:06:10,400

circumstantial evidence that

1818

01:06:13,750 --> 01:06:12,480

something related to antarctica is on

1819

01:06:16,870 --> 01:06:13,760

the table

1820

01:06:17,349 --> 01:06:16,880

and someone's keeping secrets there is

1821

01:06:19,910 --> 01:06:17,359

just

1822

01:06:21,910 --> 01:06:19,920

so much to this story and so much to the

1823

01:06:23,589 --> 01:06:21,920

hess and the penguins book itself

1824

01:06:26,309 --> 01:06:23,599

stuff we didn't even get to like the

1825

01:06:28,789 --> 01:06:26,319

fact that so many alternative folks talk

1826

01:06:29,589 --> 01:06:28,799

about the holocaust and that six million

1827

01:06:32,630 --> 01:06:29,599

number

1828

01:06:35,750 --> 01:06:32,640

and that it was used well before

1829

01:06:36,710 --> 01:06:35,760

the actual final solution well joseph

1830

01:06:38,549 --> 01:06:36,720

ferrell tracks

1831

01:06:40,870 --> 01:06:38,559

and vets those claims pretty thoroughly

1832

01:06:42,870 --> 01:06:40,880

in the book he also talks about

1833

01:06:45,029 --> 01:06:42,880

zionist collusion in the mix and a lot

1834

01:06:47,029 --> 01:06:45,039

of other threads and side stories that

1835

01:06:49,349 --> 01:06:47,039

are just as mind-blowing really

1836

01:06:50,950 --> 01:06:49,359

when you think about how at any point in

1837

01:06:53,349 --> 01:06:50,960

the story that had a zig

1838

01:06:54,549 --> 01:06:53,359

there it could have been a zag and

1839

01:06:57,270 --> 01:06:54,559

everything would have been just

1840

01:06:59,349 --> 01:06:57,280

radically different today i would also

1841

01:07:00,549 --> 01:06:59,359

say go over to youtube and watch some

1842

01:07:02,309 --> 01:07:00,559

clips of hess

1843

01:07:04,309 --> 01:07:02,319

at nuremberg now that you know all this

1844

01:07:07,109 --> 01:07:04,319

stuff because it's fascinating to watch

1845

01:07:08,950 --> 01:07:07,119

and i would just play a clip or two from

1846

01:07:09,510 --> 01:07:08,960

his speech for you here but most of the

1847

01:07:11,430 --> 01:07:09,520

clips

1848

01:07:12,950 --> 01:07:11,440

are of course in german with english

1849

01:07:15,510 --> 01:07:12,960

subtitles rather than

1850

01:07:17,670 --> 01:07:15,520

an english translation so just check it

1851

01:07:19,589 --> 01:07:17,680

out for yourself

1852

01:07:22,150 --> 01:07:19,599

i also realize this might come off as a

1853

01:07:23,349 --> 01:07:22,160

show more about what we don't know than

1854

01:07:26,150 --> 01:07:23,359

what we do

1855

01:07:28,230 --> 01:07:26,160

but context is everything and with the

1856

01:07:29,750 --> 01:07:28,240

first hours context we then spent the

1857

01:07:32,470 --> 01:07:29,760

second hour speculating

1858

01:07:34,470 --> 01:07:32,480

on what that secret could be wildly

1859

01:07:37,190 --> 01:07:34,480

speculating on my part and

1860

01:07:38,069 --> 01:07:37,200

maybe more reasonably on dr farrell's

1861

01:07:39,910 --> 01:07:38,079

part

1862

01:07:41,829 --> 01:07:39,920

we might not know the secret itself but

1863

01:07:42,950 --> 01:07:41,839

just look at how hess was uniquely held

1864

01:07:44,950 --> 01:07:42,960

in captivity

1865

01:07:47,430 --> 01:07:44,960

and then seemingly murdered and then

1866

01:07:50,470 --> 01:07:47,440

look at james forestell and richard byrd

1867

01:07:51,589 --> 01:07:50,480

jr's deaths i think those are parts from

1868

01:07:53,230 --> 01:07:51,599

the plus show

1869

01:07:55,109 --> 01:07:53,240

but we have a smattering of

1870

01:07:55,990 --> 01:07:55,119

murder-suicides in what looks like an

1871

01:07:59,029 --> 01:07:56,000

attempt to keep

1872

01:08:01,910 --> 01:07:59,039

something under wraps something big

1873

01:08:02,230 --> 01:08:01,920

but this is one where the full show is

1874

01:08:04,309 --> 01:08:02,240

so

1875

01:08:06,150 --> 01:08:04,319

key because again hour one tells the

1876

01:08:08,549 --> 01:08:06,160

tale itself and then hour two

1877

01:08:09,589 --> 01:08:08,559

is getting into operation high jump a

1878

01:08:11,990 --> 01:08:09,599

bit more

1879

01:08:12,789 --> 01:08:12,000

that suspicious and untimely death of

1880

01:08:15,670 --> 01:08:12,799

richard byrd

1881

01:08:16,229 --> 01:08:15,680

jr antarctica strangeness in modern

1882

01:08:19,829 --> 01:08:16,239

times

1883

01:08:21,349 --> 01:08:19,839

and the long list of abnormal visitors

1884

01:08:23,349 --> 01:08:21,359

we talked about atlantis and the

1885

01:08:25,189 --> 01:08:23,359

prospect of antarctica holding the

1886

01:08:26,390 --> 01:08:25,199

secrets to an ancient advanced

1887

01:08:28,390 --> 01:08:26,400

civilization

1888

01:08:29,990 --> 01:08:28,400

neutrino detectors the

1889

01:08:31,829 --> 01:08:30,000

interconnectedness of recent

1890

01:08:33,990 --> 01:08:31,839

hacking stories and how they might

1891

01:08:35,749 --> 01:08:34,000

signal the re-emergence of a breakaway

1892

01:08:38,390 --> 01:08:35,759

civilization

1893

01:08:40,870 --> 01:08:38,400

and then as usual i break the narrative

1894

01:08:42,550 --> 01:08:40,880

and ask dr farrell just some one-offs

1895

01:08:44,309 --> 01:08:42,560

about current events and things that

1896

01:08:47,110 --> 01:08:44,319

i've seen him commenting on like

1897

01:08:48,470 --> 01:08:47,120

the mysterious q anon writings and the

1898

01:08:51,829 --> 01:08:48,480

prospect of them being

1899

01:08:52,870 --> 01:08:51,839

ai driven how dr farrell looks at and

1900

01:08:54,990 --> 01:08:52,880

interprets the

1901

01:08:56,149 --> 01:08:55,000

mandela effect and of course

1902

01:08:59,349 --> 01:08:56,159

cryptocurrencies

1903

01:09:00,390 --> 01:08:59,359

and bitcoin man i do just love this

1904

01:09:01,749 --> 01:09:00,400

episode

1905

01:09:03,669 --> 01:09:01,759

if you're still just listening to the

1906

01:09:05,430 --> 01:09:03,679

free show week after week i think it's

1907

01:09:06,390 --> 01:09:05,440

time you consider signing up for plus

1908

01:09:09,110 --> 01:09:06,400

because it's like

1909

01:09:10,070 --> 01:09:09,120

you're only watching half the movie it's

1910

01:09:12,030 --> 01:09:10,080

christmas time

1911

01:09:13,430 --> 01:09:12,040

help me help you the

1912

01:09:16,470 --> 01:09:13,440

highersidechatsplus.com

1913

01:09:18,229 --> 01:09:16,480

five bucks for five shows a month or 60

1914

01:09:20,470 --> 01:09:18,239

bucks for a year

1915

01:09:21,910 --> 01:09:20,480

you can also sign up through patreon if

1916

01:09:23,990 --> 01:09:21,920

you must

1917

01:09:25,110 --> 01:09:24,000

but either way the year's coming to a

1918

01:09:27,189 --> 01:09:25,120

close

1919

01:09:28,550 --> 01:09:27,199

i don't say this stuff often but review

1920

01:09:31,189 --> 01:09:28,560

me where you can

1921

01:09:32,950 --> 01:09:31,199

share this where you can tell our best

1922

01:09:35,349 --> 01:09:32,960

guests that you liked them being

1923

01:09:36,470 --> 01:09:35,359

on so they know to keep thc in their

1924

01:09:38,950 --> 01:09:36,480

rotation

1925

01:09:41,030 --> 01:09:38,960

and tell your favorite shows it's time

1926

01:09:43,110 --> 01:09:41,040

to have greg karl wood on

1927

01:09:44,709 --> 01:09:43,120

i've talked to a lot of my fellow

1928

01:09:48,550 --> 01:09:44,719

podcasters who are getting

1929

01:09:50,390 --> 01:09:48,560

agents and hiring pr representation

1930

01:09:52,709 --> 01:09:50,400

and i would never want to find myself

1931

01:09:54,630 --> 01:09:52,719

spending money on that type of stuff but

1932

01:09:55,510 --> 01:09:54,640

i also have to keep up with everyone

1933

01:09:58,229 --> 01:09:55,520

else

1934

01:09:59,750 --> 01:09:58,239

i want the sharing and promotion of the

1935

01:10:02,630 --> 01:09:59,760

show to be organic

1936

01:10:04,310 --> 01:10:02,640

just because people like it not because

1937

01:10:05,910 --> 01:10:04,320

i started paying some firm

1938

01:10:07,430 --> 01:10:05,920

a couple hundred bucks a month i'm not

1939

01:10:09,430 --> 01:10:07,440

gonna do that

1940

01:10:11,110 --> 01:10:09,440

let's stick with the collective power of

1941

01:10:12,950 --> 01:10:11,120

a passionate audience

1942

01:10:14,470 --> 01:10:12,960

and i hate to ask you to do more than

1943

01:10:16,630 --> 01:10:14,480

just listen

1944

01:10:18,070 --> 01:10:16,640

but the more collective help i can

1945

01:10:19,669 --> 01:10:18,080

garner it's just true

1946

01:10:21,510 --> 01:10:19,679

the better guests i'm able to get the

1947

01:10:22,229 --> 01:10:21,520

better show i'm able to make it's the

1948

01:10:25,830 --> 01:10:22,239

god damn

1949

01:10:27,669 --> 01:10:25,840

circle of life but either way things are

1950

01:10:30,149 --> 01:10:27,679

great we got no worries

1951

01:10:32,790 --> 01:10:30,159

well we do but we're trying to maintain

1952

01:10:34,550 --> 01:10:32,800

that positive polarity in some seriously

1953

01:10:37,270 --> 01:10:34,560

troubling times all right

1954

01:10:39,510 --> 01:10:37,280

enjoy your friends and family let the

1955

01:10:40,470 --> 01:10:39,520

differences slide be the better person

1956

01:10:44,390 --> 01:10:40,480

and just have

1957

01:10:46,470 --> 01:10:44,400

a good going out for 2017.

1958

01:10:48,950 --> 01:10:46,480

two more shows coming at you really soon

1959

01:10:49,590 --> 01:10:48,960

the next one is a great look into mk

1960

01:10:52,229 --> 01:10:49,600

ultra

1961

01:10:54,390 --> 01:10:52,239

trauma-based mind control and satanic

1962

01:10:56,870 --> 01:10:54,400

ritual abuse with a professional

1963

01:10:59,430 --> 01:10:56,880

clinical psychologist who studied it

1964

01:11:00,870 --> 01:10:59,440

intensely a lot of you thought jay

1965

01:11:03,270 --> 01:11:00,880

parker was pretty out there

1966

01:11:05,110 --> 01:11:03,280

even though he is right about so many

1967

01:11:07,270 --> 01:11:05,120

things his personal story

1968

01:11:09,990 --> 01:11:07,280

can be a lot to take in so now we're

1969

01:11:12,870 --> 01:11:10,000

gonna look at that type of thing

1970

01:11:14,070 --> 01:11:12,880

from a more measured perspective but it

1971

01:11:16,709 --> 01:11:14,080

no doubt

1972

01:11:18,470 --> 01:11:16,719

fits with that episode as well really

1973

01:11:20,709 --> 01:11:18,480

excited to lay that one on you

1974

01:11:21,830 --> 01:11:20,719

brace yourself i'll see you then i've

1975

01:11:23,350 --> 01:11:21,840

done my part

1976

01:11:25,189 --> 01:11:23,360

your move secret keepers of the

1977

01:11:26,950 --> 01:11:25,199

breakaway civilization nazi

1978

01:11:28,630 --> 01:11:26,960

internationals and custodians of the

1979

01:11:32,630 --> 01:11:28,640

antarctic underground

1980

01:11:35,750 --> 01:11:32,640

your [h__h] move i won't take it

1981

01:11:36,950 --> 01:11:35,760

no i refuse if it's all right i'll keep

1982

01:11:39,830 --> 01:11:36,960

my refuge

1983

01:11:40,950 --> 01:11:39,840

i've been scheming a bigger things and

1984

01:11:44,070 --> 01:11:40,960

have to leave my

1985

01:11:46,630 --> 01:11:44,080

old life behind gotta transfer

1986

01:11:49,110 --> 01:11:46,640

to the inner earth i built a box built a

1987

01:11:52,070 --> 01:11:49,120

hole got a neat elevator

1988

01:11:55,110 --> 01:11:52,080

going under and now you'll find me in

1989

01:12:06,830 --> 01:11:55,120

the bunker

1990

01:12:20,830 --> 01:12:09,610

bunker

1991

01:12:22,630 --> 01:12:20,840

[Music]

1992

01:12:25,669 --> 01:12:22,640

bunker

1993

01:12:26,950 --> 01:12:25,679

yeah the laughing alien classics while

1994

01:12:30,870 --> 01:12:26,960

they're scheming

1995

01:12:33,910 --> 01:12:30,880

on the messes who do you think they are

1996

01:12:35,990 --> 01:12:33,920

fancy suit and a cigar

1997

01:12:36,950 --> 01:12:36,000

tell you the basics they print your

1998

01:12:39,990 --> 01:12:36,960

money

1999

01:12:41,270 --> 01:12:40,000

got the fed in your head currency now

2000

01:12:44,149 --> 01:12:41,280

they're smiling

2001
01:12:51,880 --> 01:12:44,159
