00:00:01,300 --> 00:00:12,570

[Music]

2
00:00:18,670 --> 00:00:15,850

the planets puppet-masters almost sure

3
00:00:21,420 --> 00:00:18,680

you have a plan it's clearly maybe

4
00:00:24,279 --> 00:00:21,430

something there beyond the realm of man

5
00:00:27,820 --> 00:00:24,289

until we've thoroughly tested every last

6
00:00:29,980 --> 00:00:27,830

pose just did you find the boy you think

7
00:00:32,179 --> 00:00:29,990

you know much you really do

8
00:00:36,310 --> 00:00:32,189

[Music]

9
00:00:44,779 --> 00:00:39,860

no the lying to us just don't know what

10
00:00:52,310 --> 00:00:44,789

to green where would we be without you

11
00:00:52,320 --> 00:01:00,220

[Music]

12
00:01:04,579 --> 00:01:02,509

alright I are such headers we know the

13
00:01:07,010 --> 00:01:04,589

world is a game of Thrones style tug of

14

00:01:09,529 --> 00:01:07,020

war for power influence and control

15

00:01:11,690 --> 00:01:09,539

among ever emerging think tanks

16

00:01:13,520 --> 00:01:11,700

consortiums and cabal's whose only true

17

00:01:15,440 --> 00:01:13,530

common ground is the acknowledgment that

18

00:01:17,240 --> 00:01:15,450

the people are a resource to be slowly

19

00:01:19,029 --> 00:01:17,250

drained and exploited if you can only

20

00:01:21,590 --> 00:01:19,039

get them to believe you're on their side

21

00:01:23,630 --> 00:01:21,600

to me that's history in a nutshell and

22

00:01:25,609 --> 00:01:23,640

our modern era is no different just a

23

00:01:27,770 --> 00:01:25,619

slow erosion of any ground that's been

24

00:01:30,020 --> 00:01:27,780

gained with the oily appendages of these

25

00:01:32,450 --> 00:01:30,030

nefarious factions relentlessly creeping

26
00:01:34,609 --> 00:01:32,460
in from all sides yes it seems the only

27
00:01:36,889 --> 00:01:34,619
true choice of the people is how we want

28
00:01:38,990 --> 00:01:36,899
our centralized top-down authoritarian

29
00:01:41,029 --> 00:01:39,000
system packaged and gift-wrapped because

30
00:01:42,859 --> 00:01:41,039
for all the talk about social structures

31
00:01:45,380 --> 00:01:42,869
political philosophies and personal

32
00:01:48,770 --> 00:01:45,390
utopias those seem to be the irremovable

33
00:01:50,899 --> 00:01:48,780
yokes and shackles around our necks well

34
00:01:53,029 --> 00:01:50,909
folks a deep dive into these very issues

35
00:01:55,310 --> 00:01:53,039
is the offering on the higher side table

36
00:01:57,350 --> 00:01:55,320
today as our resident alchemy and

37
00:01:59,719 --> 00:01:57,360
alternative science expert cha mangia

38
00:02:02,420 --> 00:01:59,729

near has requested we take a break from

39

00:02:04,819 --> 00:02:02,430

our elemental series to explore fascism

40

00:02:07,099 --> 00:02:04,829

more closely so let's get into it he

41

00:02:09,770 --> 00:02:07,109

taught us about ether and Ormus in Show

42

00:02:12,140 --> 00:02:09,780

1 broke down earth alchemy and advanced

43

00:02:14,330 --> 00:02:12,150

permaculture practices in show two and

44

00:02:16,009 --> 00:02:14,340

of course explains the forefront of

45

00:02:18,620 --> 00:02:16,019

water science and the suppressed and

46

00:02:21,050 --> 00:02:18,630

unknown qualities of h2o in show three

47

00:02:23,030 --> 00:02:21,060

here again to blow more mines in the US

48

00:02:26,479 --> 00:02:23,040

military Shema engineer my man

49

00:02:28,460 --> 00:02:26,489

welcome back excellent as always you got

50

00:02:32,780 --> 00:02:28,470

the best introductions on the web so ah

51
00:02:35,360 --> 00:02:32,790
just the old 9:00 to 5:00 so I'll dive

52
00:02:37,520 --> 00:02:35,370
right into it basically what we're

53
00:02:40,280 --> 00:02:37,530
discussing today is fascism sure you

54
00:02:44,930 --> 00:02:40,290
know and for most people you know

55
00:02:47,630 --> 00:02:44,940
fascism has this you know kind of dual

56
00:02:49,160 --> 00:02:47,640
nature one people will describe it one

57
00:02:52,220 --> 00:02:49,170
way one people will described another

58
00:02:53,539 --> 00:02:52,230
way depending on your view but for right

59
00:02:56,059 --> 00:02:53,549
now I'm going to go ahead and get into

60
00:02:58,189 --> 00:02:56,069
the historical perspective and then we

61
00:03:01,180 --> 00:02:58,199
can build it up from there that's not

62
00:03:03,590 --> 00:03:01,190
that sounds great first of all in the

63
00:03:04,100 --> 00:03:03,600

18th century when the United States was

64

00:03:06,830 --> 00:03:04,110

found

65

00:03:08,620 --> 00:03:06,840

there are basically two modes of thought

66

00:03:11,120 --> 00:03:08,630

with request with regard to government

67

00:03:14,270 --> 00:03:11,130

so there was the jeffersonian and the

68

00:03:18,350 --> 00:03:14,280

Hamiltonian for the Federalists and the

69

00:03:21,140 --> 00:03:18,360

Republican stances now the Federalists

70

00:03:23,510 --> 00:03:21,150

was the Hamiltonian version where big

71

00:03:26,030 --> 00:03:23,520

government and federal authority was

72

00:03:28,520 --> 00:03:26,040

paramount and it overrode the states

73

00:03:31,250 --> 00:03:28,530

rights and small government was

74

00:03:33,440 --> 00:03:31,260

basically involved in Jeffersonian

75

00:03:36,020 --> 00:03:33,450

stance as well as state authority being

76

00:03:37,880 --> 00:03:36,030

Jeffersonian now each of these

77

00:03:40,699 --> 00:03:37,890

philosophies is of course taking place

78

00:03:42,410 --> 00:03:40,709

within the Democratic context so that

79

00:03:43,810 --> 00:03:42,420

positions of authority are granted by

80

00:03:46,880 --> 00:03:43,820

the world of people at the ballot box

81

00:03:49,760 --> 00:03:46,890

but also in this context there's a

82

00:03:53,240 --> 00:03:49,770

hierarchical bureaucracy these arguments

83

00:03:55,640 --> 00:03:53,250

are still alive today but basically the

84

00:03:57,050 --> 00:03:55,650

Federalists standpoint of federal

85

00:03:59,740 --> 00:03:57,060

authority and big government has

86

00:04:02,300 --> 00:03:59,750

continued to gain more footing the time

87

00:04:05,000 --> 00:04:02,310

one thing that which is not really

88

00:04:07,640 --> 00:04:05,010

discussed at all today is the role that

89

00:04:09,830 --> 00:04:07,650

corporations played after the Revolution

90

00:04:12,050 --> 00:04:09,840

in this country and it was extremely

91

00:04:14,060 --> 00:04:12,060

limited it was understood that these

92

00:04:16,130 --> 00:04:14,070

artificial constructs had the potential

93

00:04:17,810 --> 00:04:16,140

undermine the fledgling democracy and

94

00:04:20,210 --> 00:04:17,820

should be limited to prevent an abuse of

95

00:04:22,130 --> 00:04:20,220

power the Colonials had fought too hard

96

00:04:24,380 --> 00:04:22,140

against the Hudson Bay and East India

97

00:04:26,900 --> 00:04:24,390

tea company whose tea was tossed

98

00:04:28,610 --> 00:04:26,910

overboard during the Boston Tea Party to

99

00:04:30,020 --> 00:04:28,620

allow large businesses to spring up

100

00:04:32,690 --> 00:04:30,030

after the foundation of the United

101
00:04:35,450 --> 00:04:32,700
States to accomplish this corporations

102
00:04:37,520 --> 00:04:35,460
were creations of the state at the state

103
00:04:40,640 --> 00:04:37,530
level founded to accomplish a specific

104
00:04:43,159 --> 00:04:40,650
task for a set period of time and they

105
00:04:44,210 --> 00:04:43,169
cannot participate in politics neither

106
00:04:45,920 --> 00:04:44,220
could they own stock in other

107
00:04:48,230 --> 00:04:45,930
corporations and they were ultimately

108
00:04:50,000 --> 00:04:48,240
responsible to the people if it was

109
00:04:51,830 --> 00:04:50,010
found that a corporation was violating

110
00:04:54,440 --> 00:04:51,840
its charter by acting against the public

111
00:04:56,330 --> 00:04:54,450
good it would be disbanded in people who

112
00:04:58,640 --> 00:04:56,340
were found responsible for the violation

113
00:05:01,159 --> 00:04:58,650

were liable for damages incurred so

114

00:05:04,250 --> 00:05:01,169

initially this worked well and in the

115

00:05:06,620 --> 00:05:04,260

1800's there were about 200 corporations

116

00:05:08,270 --> 00:05:06,630

that were doing what they were chartered

117

00:05:10,400 --> 00:05:08,280

to do and with a few exceptions

118

00:05:12,380 --> 00:05:10,410

especially the first and second banks of

119

00:05:14,870 --> 00:05:12,390

America they were made within the bounds

120

00:05:17,150 --> 00:05:14,880

of their chart mmm-hmm I think that's

121

00:05:17,900 --> 00:05:17,160

really interesting because we talk a lot

122

00:05:19,970 --> 00:05:17,910

about the foul

123

00:05:22,160 --> 00:05:19,980

trying to get away from various forms of

124

00:05:24,470 --> 00:05:22,170

oppression but they were dealing with

125

00:05:26,510 --> 00:05:24,480

companies like the Hudson Bay Company or

126

00:05:29,600 --> 00:05:26,520

the East India tea company in particular

127

00:05:31,610 --> 00:05:29,610

so they were very wise to how out of

128

00:05:34,400 --> 00:05:31,620

control corporations can get and so here

129

00:05:36,650 --> 00:05:34,410

you see all these regulations on them to

130

00:05:38,870 --> 00:05:36,660

try to keep them you know bound to the

131

00:05:41,270 --> 00:05:38,880

people and of course as time goes on

132

00:05:43,040 --> 00:05:41,280

they erode that but it is interesting to

133

00:05:44,570 --> 00:05:43,050

go back and think about corporations in

134

00:05:48,170 --> 00:05:44,580

that context because it's really

135

00:05:51,440 --> 00:05:48,180

underreported on definitely and I mean

136

00:05:54,860 --> 00:05:51,450

in the 1850s there are very strong

137

00:05:57,860 --> 00:05:54,870

antitrust regulations so I mean

138

00:06:00,970 --> 00:05:57,870

basically at that point before the

139

00:06:04,310 --> 00:06:00,980

thirties even you had a very contained

140

00:06:07,370 --> 00:06:04,320

corporate influence in this country now

141

00:06:10,490 --> 00:06:07,380

what changed was basically during the

142

00:06:12,440 --> 00:06:10,500

civil war corporations made huge profits

143

00:06:15,590 --> 00:06:12,450

from procurement contracts they took

144

00:06:18,490 --> 00:06:15,600

advantage of the disorder to corrupt and

145

00:06:21,410 --> 00:06:18,500

by the legislators even presidents and

146

00:06:23,690 --> 00:06:21,420

corporations became the masters and

147

00:06:25,910 --> 00:06:23,700

keepers of business what Abraham Lincoln

148

00:06:28,370 --> 00:06:25,920

said was corporations have been

149

00:06:30,740 --> 00:06:28,380

enthroned an era of corruption and high

150

00:06:32,660 --> 00:06:30,750

places will follow and the money power

151
00:06:35,030 --> 00:06:32,670
will endeavour to prolong its reign by

152
00:06:36,800 --> 00:06:35,040
working on the prejudices of the people

153
00:06:39,350 --> 00:06:36,810
until wealth is aggregated in a few

154
00:06:41,450 --> 00:06:39,360
hands and their public is destroyed so

155
00:06:43,190 --> 00:06:41,460
in the wake of the civil war

156
00:06:46,550 --> 00:06:43,200
restrictions the power wielded by

157
00:06:48,320 --> 00:06:46,560
corporations was greatly eroded they had

158
00:06:49,850 --> 00:06:48,330
laws governing their creation amended

159
00:06:51,800 --> 00:06:49,860
state charters could no longer be

160
00:06:54,470 --> 00:06:51,810
revoked corporate profits could no

161
00:06:56,360 --> 00:06:54,480
longer be limited and corporate economic

162
00:06:59,210 --> 00:06:56,370
activity could be restrained only by the

163
00:07:01,010 --> 00:06:59,220

courts and hundreds of cases granted to

164

00:07:03,320 --> 00:07:01,020

corporations minor legal victories

165

00:07:07,280 --> 00:07:03,330

conceding rights and privileges they had

166

00:07:09,080 --> 00:07:07,290

not seen before mmm see and that makes

167

00:07:11,750 --> 00:07:09,090

total sense to just because how many

168

00:07:15,800 --> 00:07:11,760

times in history have we seen these

169

00:07:17,540 --> 00:07:15,810

cabal's use times of war and chaos to

170

00:07:19,310 --> 00:07:17,550

further their own agendas behind the

171

00:07:23,140 --> 00:07:19,320

curtain while everybody's focused on the

172

00:07:26,140 --> 00:07:23,150

battlefield absolutely absolutely I mean

173

00:07:29,960 --> 00:07:26,150

basically that that's move number one

174

00:07:32,180 --> 00:07:29,970

all right exactly you know if you want

175

00:07:34,120 --> 00:07:32,190

to do something start a war first or

176

00:07:36,710 --> 00:07:34,130

an attack or something along those lines

177

00:07:38,680 --> 00:07:36,720

right but I wonder how many people ever

178

00:07:41,630 --> 00:07:38,690

really think about corporate power

179

00:07:43,160 --> 00:07:41,640

changing to such a degree because of the

180

00:07:45,800 --> 00:07:43,170

distraction of the Civil War of course

181

00:07:47,090 --> 00:07:45,810

it's not only a distraction but for the

182

00:07:49,280 --> 00:07:47,100

things to have happened that happened

183

00:07:51,200 --> 00:07:49,290

behind the curtain these changes in the

184

00:07:52,190 --> 00:07:51,210

structure of corporations I mean it

185

00:07:55,100 --> 00:07:52,200

changed the world

186

00:07:57,790 --> 00:07:55,110

definitely definitely that is what gave

187

00:08:01,250 --> 00:07:57,800

rise to the robber barons mm-hmm and

188

00:08:04,160 --> 00:08:01,260

actually there's most people think that

189

00:08:06,800 --> 00:08:04,170

citizens united was what made private

190

00:08:08,270 --> 00:08:06,810

corporations a natural citizen under the

191

00:08:10,880 --> 00:08:08,280

US Constitution but it actually goes

192

00:08:12,380 --> 00:08:10,890

much further back than that in the Santa

193

00:08:14,960 --> 00:08:12,390

Clara County versus Southern Pacific

194

00:08:17,150 --> 00:08:14,970

Railroad there was a dispute over a rail

195

00:08:18,980 --> 00:08:17,160

bed route and the US Supreme Court

196

00:08:20,930 --> 00:08:18,990

deemed that a private corporation was a

197

00:08:22,460 --> 00:08:20,940

natural person of the US Constitution

198

00:08:24,860 --> 00:08:22,470

and therefore entitled to protection

199

00:08:26,870 --> 00:08:24,870

under the Bill of Rights and at that

200

00:08:29,390 --> 00:08:26,880

point corporations enjoyed the same

201
00:08:31,520 --> 00:08:29,400
rights and sovereignty that was enjoyed

202
00:08:33,050 --> 00:08:31,530
by the average citizen and more so

203
00:08:40,209 --> 00:08:33,060
because of their power and influence

204
00:08:43,490 --> 00:08:40,219
mm-hmm and that was in 1886 so by about

205
00:08:46,130 --> 00:08:43,500
1920 the corporations actually employed

206
00:08:49,120 --> 00:08:46,140
more than 80 percent of the workforce in

207
00:08:51,650 --> 00:08:49,130
the United States so in that 40 50 years

208
00:08:53,720 --> 00:08:51,660
they came to dominate everything and

209
00:08:56,660 --> 00:08:53,730
that was actually the point where small

210
00:08:59,390 --> 00:08:56,670
business was not really a factor in

211
00:09:01,610 --> 00:08:59,400
terms of driving boats or anything like

212
00:09:03,560 --> 00:09:01,620
that the politicians didn't care about

213
00:09:06,050 --> 00:09:03,570

small business at that point there was

214

00:09:08,690 --> 00:09:06,060

only big business big trusts and big

215

00:09:11,420 --> 00:09:08,700

corporations right it seems to kind of

216

00:09:13,070 --> 00:09:11,430

parallel the struggle early America had

217

00:09:14,900 --> 00:09:13,080

with banking as well you know we've gone

218

00:09:17,180 --> 00:09:14,910

through several iterations of Federal

219

00:09:19,040 --> 00:09:17,190

Reserve's or central banks before we got

220

00:09:20,590 --> 00:09:19,050

the one that really stuck but it did

221

00:09:22,970 --> 00:09:20,600

seem like a back and forth between

222

00:09:25,250 --> 00:09:22,980

people who have seen these problems

223

00:09:27,980 --> 00:09:25,260

before trying to make a new type of

224

00:09:30,590 --> 00:09:27,990

civilization society that kept them more

225

00:09:32,390 --> 00:09:30,600

in check and then these same old forces

226

00:09:35,780 --> 00:09:32,400

just trying to weasel their way in

227

00:09:38,120 --> 00:09:35,790

relentlessly they're just so persistent

228

00:09:39,220 --> 00:09:38,130

that it's just hard to keep them in

229

00:09:42,920 --> 00:09:39,230

check for sure

230

00:09:45,929 --> 00:09:42,930

yeah and the next place where there was

231

00:09:48,779 --> 00:09:45,939

you know a really big movement with her

232

00:09:50,719 --> 00:09:48,789

- this is actually you know during the

233

00:09:54,929 --> 00:09:50,729

Wall Street Crash and things like that

234

00:09:56,960 --> 00:09:54,939

so you know at that point there were you

235

00:10:00,479 --> 00:09:56,970

know millions of people out of work and

236

00:10:02,579 --> 00:10:00,489

there were bread lines and and people

237

00:10:04,919 --> 00:10:02,589

were jumping on rail cars to try and

238

00:10:08,819 --> 00:10:04,929

find work wherever they could at that

239

00:10:12,629 --> 00:10:08,829

point basically is when FDR said you

240

00:10:16,379 --> 00:10:12,639

know we need a new deal and when he said

241

00:10:18,239 --> 00:10:16,389

that Wall Street was panicking because

242

00:10:20,879 --> 00:10:18,249

they're like oh my gosh you know we

243

00:10:22,969 --> 00:10:20,889

can't have all this progressive stuff

244

00:10:26,069 --> 00:10:22,979

all this you know more socialized

245

00:10:28,409 --> 00:10:26,079

workforce coming through because it'll

246

00:10:31,799 --> 00:10:28,419

basically erode what we've been building

247

00:10:34,729 --> 00:10:31,809

up since the civil war and so at the

248

00:10:38,129 --> 00:10:34,739

time fascism was growing in Europe and

249

00:10:40,679 --> 00:10:38,139

they decided to see what they could do

250

00:10:43,829 --> 00:10:40,689

in terms of fomenting a fascist coup in

251

00:10:46,349 --> 00:10:43,839

the United States and so in order to

252

00:10:49,139 --> 00:10:46,359

start a coup in the United States

253

00:10:51,149 --> 00:10:49,149

somebody was sent to Germany to see what

254

00:10:55,349 --> 00:10:51,159

was going on over there and that was

255

00:10:58,799 --> 00:10:55,359

Gerald Maguire and when he finished his

256

00:11:03,479 --> 00:10:58,809

scouting trip he was basically used to

257

00:11:07,039 --> 00:11:03,489

approach a champion of the soldier and

258

00:11:10,769 --> 00:11:07,049

that was Major General Smedley Butler

259

00:11:14,189 --> 00:11:10,779

so basically what they wanted to do was

260

00:11:18,389 --> 00:11:14,199

take this large group of veterans who've

261

00:11:21,539 --> 00:11:18,399

been protesting and used them to act as

262

00:11:25,949 --> 00:11:21,549

kind of a brown shirt organization to

263

00:11:28,159 --> 00:11:25,959

take over DC and the reason why there

264

00:11:31,609 --> 00:11:28,169

was all this anger from these veterans

265

00:11:34,889 --> 00:11:31,619

was because the end of World War one

266

00:11:36,960 --> 00:11:34,899

they were given \$60 in the train ticket

267

00:11:40,589 --> 00:11:36,970

home as the extent of their mustering

268

00:11:43,439 --> 00:11:40,599

out pay now veterans associations

269

00:11:45,389 --> 00:11:43,449

reforms to try and get a better deal and

270

00:11:47,489 --> 00:11:45,399

they ended up getting an agreement where

271

00:11:49,889 --> 00:11:47,499

they would each be provided about a

272

00:11:52,619 --> 00:11:49,899

thousand dollars in the form of bonus

273

00:11:54,210 --> 00:11:52,629

certificate that would grow with value

274

00:11:57,239 --> 00:11:54,220

over the years and would be able to be

275

00:11:59,280 --> 00:11:57,249

cashed out in 20 years so when the Great

276

00:12:01,379 --> 00:11:59,290

Depression struck a lot of

277

00:12:03,150 --> 00:12:01,389

veterans ended up losing their jobs they

278

00:12:05,850 --> 00:12:03,160

didn't have anything at that point and

279

00:12:07,889 --> 00:12:05,860

they started basically tent city in

280

00:12:12,120 --> 00:12:07,899

Washington DC to try and get their

281

00:12:15,079 --> 00:12:12,130

pensions paid out and smoothly Butler

282

00:12:17,850 --> 00:12:15,089

was actually somebody who was there

283

00:12:20,220 --> 00:12:17,860

speaking out for the veterans at the

284

00:12:22,769 --> 00:12:20,230

time so he won a lot of favor with them

285

00:12:25,889 --> 00:12:22,779

from that but also during World War one

286

00:12:28,170 --> 00:12:25,899

he was in charge of a camp in Europe and

287

00:12:32,280 --> 00:12:28,180

all the people who went through there

288

00:12:35,400 --> 00:12:32,290

saw him as someone who was really Pro

289

00:12:37,230 --> 00:12:35,410

soldier who was you know always trying

290

00:12:40,470 --> 00:12:37,240

to stand up for them and give them what

291

00:12:43,740 --> 00:12:40,480

they needed to be happy and and do their

292

00:12:47,160 --> 00:12:43,750

job so when he was approached by Gerald

293

00:12:48,780 --> 00:12:47,170

Maguire basically what he said was you

294

00:12:51,870 --> 00:12:48,790

know we're gonna have an organization

295

00:12:57,059 --> 00:12:51,880

it's gonna start up and it's going to

296

00:13:00,689 --> 00:12:57,069

help fund and help promote you and your

297

00:13:02,400 --> 00:13:00,699

movement and right now we're just going

298

00:13:05,340 --> 00:13:02,410

to get it out there and that was the

299

00:13:07,620 --> 00:13:05,350

American Liberty League and the people

300

00:13:10,139 --> 00:13:07,630

who had supported that were people like

301
00:13:14,100 --> 00:13:10,149
General Foods makers of Maxwell House

302
00:13:16,710 --> 00:13:14,110
coffee Birdseye Colgate US Steel Heinz

303
00:13:18,660 --> 00:13:16,720
General Motors you know a lot of that

304
00:13:21,090 --> 00:13:18,670
came out during the formic Dickstein

305
00:13:23,509 --> 00:13:21,100
committee which was an investigation of

306
00:13:25,980 --> 00:13:23,519
all this after Smedley Butler and a

307
00:13:28,439 --> 00:13:25,990
reporter that he basically brought into

308
00:13:31,949 --> 00:13:28,449
his confidence brought their evidence to

309
00:13:34,740 --> 00:13:31,959
Congress right I thought that was just a

310
00:13:36,720 --> 00:13:34,750
fascinating chapter of history that

311
00:13:39,360 --> 00:13:36,730
isn't talked about I watched that plot

312
00:13:41,730 --> 00:13:39,370
to overthrow FDR documentary that you

313
00:13:44,689 --> 00:13:41,740

sent and it is just so crazy that you

314

00:13:48,420 --> 00:13:44,699

have this again really generically named

315

00:13:51,150 --> 00:13:48,430

Liberty League cooked up by the heads of

316

00:13:52,829 --> 00:13:51,160

these very corporations that we know are

317

00:13:55,530 --> 00:13:52,839

clearly not the good guys and the

318

00:13:57,780 --> 00:13:55,540

documentary they also say JPMorgan was a

319

00:13:59,639 --> 00:13:57,790

big financial backer of this so of

320

00:14:00,990 --> 00:13:59,649

course these should be red flags that

321

00:14:03,629 --> 00:14:01,000

are like wait a second

322

00:14:06,689 --> 00:14:03,639

I don't know if I want what these guys

323

00:14:09,210 --> 00:14:06,699

want and sure enough they tried to stage

324

00:14:12,269 --> 00:14:09,220

this coup and if it wasn't for Butler

325

00:14:13,000 --> 00:14:12,279

being like actually I'm not gonna lead a

326

00:14:14,830 --> 00:14:13,010

revolution

327

00:14:17,140 --> 00:14:14,840

against the president it could have

328

00:14:18,850 --> 00:14:17,150

happened yeah well they were talking

329

00:14:21,940 --> 00:14:18,860

about I think five or six hundred

330

00:14:24,420 --> 00:14:21,950

thousand veterans marching on DC kind of

331

00:14:27,460 --> 00:14:24,430

crossing Rubicon at work in order to

332

00:14:29,800 --> 00:14:27,470

cement this and basically cause a

333

00:14:32,260 --> 00:14:29,810

transition path and also I think

334

00:14:34,630 --> 00:14:32,270

Prescott Bush was involved at some

335

00:14:38,140 --> 00:14:34,640

degree with this right yeah I believe

336

00:14:40,600 --> 00:14:38,150

Hamburg American line or UBS the bank

337

00:14:42,040 --> 00:14:40,610

that he was in charge of was involved

338

00:14:44,590 --> 00:14:42,050

with the American Liberty League but

339

00:14:48,370 --> 00:14:44,600

both the Hamburg American line and UBS /

340

00:14:51,160 --> 00:14:48,380

Union banking were involved in banking

341

00:14:53,980 --> 00:14:51,170

with the Nazis funding them during the

342

00:14:57,010 --> 00:14:53,990

war and the Hamburg American line was

343

00:15:01,570 --> 00:14:57,020

also involved in transporting American

344

00:15:03,880 --> 00:15:01,580

journalists to Nazi Germany and Nazi

345

00:15:09,760 --> 00:15:03,890

spies coming back on the boats on their

346

00:15:11,560 --> 00:15:09,770

way back prior to the war hmm so he was

347

00:15:15,190 --> 00:15:11,570

definitely tied up in all this and

348

00:15:19,780 --> 00:15:15,200

actually Prescott Bush was the father of

349

00:15:21,940 --> 00:15:19,790

Herbert Walker Bush and the ties you

350

00:15:24,430 --> 00:15:21,950

know continued when when you know

351

00:15:27,280 --> 00:15:24,440

Herbert Walker Bush was running for

352

00:15:29,860 --> 00:15:27,290

president against I think was Clinton

353

00:15:33,280 --> 00:15:29,870

the second time around he had to

354

00:15:35,920 --> 00:15:33,290

basically expunge some people from his

355

00:15:37,660 --> 00:15:35,930

campaign who weren't I mean these

356

00:15:42,670 --> 00:15:37,670

weren't just Nazi sympathizers they were

357

00:15:44,710 --> 00:15:42,680

full-blown Nazi were criminals so I mean

358

00:15:46,660 --> 00:15:44,720

that's the level of connecticut's like

359

00:15:49,720 --> 00:15:46,670

direct it's a direct connection right

360

00:15:52,420 --> 00:15:49,730

there and then basically you know these

361

00:15:54,940 --> 00:15:52,430

ties continued through to the younger

362

00:15:59,260 --> 00:15:54,950

Bush during his years you know just not

363

00:16:01,600 --> 00:15:59,270

to as prominent 2° that mm-hmm right

364

00:16:04,300 --> 00:16:01,610

anyone can fast forward kind of from the

365

00:16:06,580 --> 00:16:04,310

FDR chapter we're talking about and see

366

00:16:09,070 --> 00:16:06,590

the successes and failures of the

367

00:16:11,770 --> 00:16:09,080

fascists in America clearly they got

368

00:16:15,670 --> 00:16:11,780

pretty high on the pyramid as time went

369

00:16:18,250 --> 00:16:15,680

on yeah so well I mean I believe it's

370

00:16:21,870 --> 00:16:18,260

Glen Eden talks about the CIA itself

371

00:16:24,820 --> 00:16:21,880

being a basically Nazi fascist

372

00:16:26,610 --> 00:16:24,830

organization that its founding the OSS

373

00:16:30,000 --> 00:16:26,620

it was largely made up of millet

374

00:16:31,440 --> 00:16:30,010

people and Wall Street people who are

375

00:16:33,600 --> 00:16:31,450

recruited from Wall Street and it's like

376

00:16:36,660 --> 00:16:33,610

why are they recruiting you know

377

00:16:38,520 --> 00:16:36,670

financial advisors and stockbrokers and

378

00:16:40,500 --> 00:16:38,530

stuff like that it's because you know

379

00:16:42,720 --> 00:16:40,510

there were kind of two groups in the OSS

380

00:16:44,670 --> 00:16:42,730

there was those who were primarily about

381

00:16:46,050 --> 00:16:44,680

the military side but then there were

382

00:16:49,050 --> 00:16:46,060

the people who are making sure that

383

00:16:51,720 --> 00:16:49,060

they'd be fulfilling financial interests

384

00:16:54,240 --> 00:16:51,730

and it was more the financial interests

385

00:16:56,220 --> 00:16:54,250

that took over the leadership as the CIA

386

00:16:58,260 --> 00:16:56,230

was founded and also there was this huge

387

00:17:00,240 --> 00:16:58,270

influx of Paperclip Nazis that were

388

00:17:01,590 --> 00:17:00,250

joining the ranks as well basically they

389

00:17:03,750 --> 00:17:01,600

were getting their hands on anybody they

390

00:17:05,510 --> 00:17:03,760

could to make sure that you know they

391

00:17:09,150 --> 00:17:05,520

they stayed out of the Soviet sense

392

00:17:11,010 --> 00:17:09,160

right and I love that concept of Nazi

393

00:17:12,960 --> 00:17:11,020

survival the kind of stuff that Joseph

394

00:17:14,460 --> 00:17:12,970

Ferrell and Catherine Austin Fitz talk

395

00:17:17,340 --> 00:17:14,470

about and they take it into that realm

396

00:17:20,250 --> 00:17:17,350

of tracking the black budget as evidence

397

00:17:22,560 --> 00:17:20,260

for a breakaway civilization born out of

398

00:17:26,160 --> 00:17:22,570

this Nazi survival Farrow uses the term

399

00:17:27,780 --> 00:17:26,170

fascist international quite a bit and it

400

00:17:29,520 --> 00:17:27,790

is just fascinating because there

401
00:17:31,740 --> 00:17:29,530
definitely seems to be evidence that

402
00:17:34,950 --> 00:17:31,750
that plan was in place when you look at

403
00:17:36,800 --> 00:17:34,960
things like the Red House report and in

404
00:17:38,880 --> 00:17:36,810
it they talk about an eventual

405
00:17:41,520 --> 00:17:38,890
re-emergence and so it does make you

406
00:17:44,370 --> 00:17:41,530
curious how long it would lay dormant

407
00:17:45,900 --> 00:17:44,380
before that reimagines would happen well

408
00:17:49,310 --> 00:17:45,910
in that report they talked about it

409
00:17:53,520 --> 00:17:49,320
basically initially being a economic

410
00:17:55,460 --> 00:17:53,530
coalition and then at some point it

411
00:17:58,080 --> 00:17:55,470
would kind of foment into the Reich

412
00:18:00,000 --> 00:17:58,090
there would be this political conversion

413
00:18:02,640 --> 00:18:00,010

that would take place and I think that

414

00:18:05,280 --> 00:18:02,650

you know we've seen with the creation of

415

00:18:08,520 --> 00:18:05,290

the EU and you know we've gone through

416

00:18:11,700 --> 00:18:08,530

those financial cycles since 2008 where

417

00:18:14,120 --> 00:18:11,710

every time Greece is you know hard up

418

00:18:16,620 --> 00:18:14,130

for cash who to go running to its German

419

00:18:20,280 --> 00:18:16,630

because Germany is really kind of the

420

00:18:23,970 --> 00:18:20,290

economic hegemony of the EU then just

421

00:18:26,580 --> 00:18:23,980

recently Germany started to consolidate

422

00:18:30,750 --> 00:18:26,590

their military with other European

423

00:18:33,540 --> 00:18:30,760

military units and I think that's part

424

00:18:37,110 --> 00:18:33,550

of the implementation that that second

425

00:18:39,210 --> 00:18:37,120

part of the Red House report mm-hmm and

426

00:18:40,080 --> 00:18:39,220

one of the Articles you had sent me

427

00:18:43,860 --> 00:18:40,090

about that

428

00:18:47,100 --> 00:18:43,870

talks about the very specific three-part

429

00:18:50,010 --> 00:18:47,110

plan that involved embedding their

430

00:18:52,380 --> 00:18:50,020

people in certain corporations and

431

00:18:55,169 --> 00:18:52,390

laying low in that regard and it's like

432

00:18:57,360 --> 00:18:55,179

yeah a lot of that has happens I mean

433

00:18:59,610 --> 00:18:57,370

what are the big corporations the oil

434

00:19:02,610 --> 00:18:59,620

industry big pharma which is

435

00:19:04,500 --> 00:19:02,620

petrochemicals and we always talk about

436

00:19:08,130 --> 00:19:04,510

on conspiracy shows like this eugenics

437

00:19:10,500 --> 00:19:08,140

campaigns which is Nazi ideology and a

438

00:19:13,590 --> 00:19:10,510

lot of German companies do seem to still

439

00:19:16,500 --> 00:19:13,600

be at the head of their respective

440

00:19:19,230 --> 00:19:16,510

industries well we talked about eugenics

441

00:19:21,510 --> 00:19:19,240

and the Nazi eugenics program was

442

00:19:25,130 --> 00:19:21,520

actually based on American eugenics

443

00:19:28,860 --> 00:19:25,140

programs in the early 20th century also

444

00:19:33,090 --> 00:19:28,870

even today some of the heads of the

445

00:19:36,029 --> 00:19:33,100

Human Genome Project are grandsons of

446

00:19:38,399 --> 00:19:36,039

Nazi sympathizers one of them was

447

00:19:41,039 --> 00:19:38,409

Francis of Dulles and another one was

448

00:19:43,620 --> 00:19:41,049

grandson of Harriman mm-hmm so Brown

449

00:19:45,810 --> 00:19:43,630

Brothers Harriman so you know that the

450

00:19:47,669 --> 00:19:45,820

elites love to keep things within the

451

00:19:49,169 --> 00:19:47,679

family they are obsessed with their

452

00:19:51,870 --> 00:19:49,179

bloodlines and everything like that and

453

00:19:53,970 --> 00:19:51,880

that is in part with why this stuff

454

00:19:56,070 --> 00:19:53,980

keeps getting handed down right

455

00:19:59,070 --> 00:19:56,080

it didn't seem like world war ii had a

456

00:20:00,899 --> 00:19:59,080

good way to end except for for them to

457

00:20:03,210 --> 00:20:00,909

go underground you know it's not like

458

00:20:07,769 --> 00:20:03,220

the Nazis necessarily lost the war they

459

00:20:10,350 --> 00:20:07,779

just kind of dispersed so basically

460

00:20:12,240 --> 00:20:10,360

during the war many industrialists in

461

00:20:14,450 --> 00:20:12,250

the United States and in Britain were

462

00:20:16,860 --> 00:20:14,460

involved with supporting the Nazis

463

00:20:22,350 --> 00:20:16,870

supporters in America included Remington

464

00:20:25,409 --> 00:20:22,360

for GM ge IBM Standard Oil DuPont also

465

00:20:28,740 --> 00:20:25,419

the Nazi propaganda machine was based

466

00:20:30,600 --> 00:20:28,750

off of Edward Bernays propaganda

467

00:20:33,539 --> 00:20:30,610

techniques and things like that that

468

00:20:37,080 --> 00:20:33,549

were developed after World War one and

469

00:20:41,310 --> 00:20:37,090

the American education system was also

470

00:20:43,110 --> 00:20:41,320

based on German education when that was

471

00:20:45,600 --> 00:20:43,120

set up I mean this is prior to the war

472

00:20:48,149 --> 00:20:45,610

but that was set up in the late 19th

473

00:20:50,639 --> 00:20:48,159

early 20th century with Carnegie's and

474

00:20:53,220 --> 00:20:50,649

other industrialists setting up these

475

00:20:54,060 --> 00:20:53,230

schools and they were based basically on

476

00:20:57,270 --> 00:20:54,070

two things

477

00:20:59,850 --> 00:20:57,280

was the caste system in India that's why

478

00:21:01,440 --> 00:20:59,860

we have school districts and then the

479

00:21:03,840 --> 00:21:01,450

other thing was horse training

480

00:21:08,010 --> 00:21:03,850

techniques which were eventually turned

481

00:21:10,830 --> 00:21:08,020

into a indoctrination program by the

482

00:21:13,880 --> 00:21:10,840

Weimar Republic and so those were the

483

00:21:16,650 --> 00:21:13,890

two bases that went into creating our

484

00:21:20,490 --> 00:21:16,660

modern-day educational system in the

485

00:21:23,580 --> 00:21:20,500

United States mm-hmm so getting back to

486

00:21:26,820 --> 00:21:23,590

the transactions that were going on

487

00:21:30,630 --> 00:21:26,830

during the war FDR knew that there was

488

00:21:33,300 --> 00:21:30,640

money and weapons and fuel and

489

00:21:36,000 --> 00:21:33,310

ammunition that were being provided to

490

00:21:38,760 --> 00:21:36,010

Germany through these American companies

491

00:21:40,650 --> 00:21:38,770

and often an intermediary in one of the

492

00:21:43,320 --> 00:21:40,660

neutral countries like Switzerland or

493

00:21:45,600 --> 00:21:43,330

Norway you know things like that and

494

00:21:47,130 --> 00:21:45,610

those intermediaries

495

00:21:50,310 --> 00:21:47,140

you know would get their cut and then

496

00:21:52,890 --> 00:21:50,320

they forward it on to the Germans and so

497

00:21:56,220 --> 00:21:52,900

a lot of these business contacts were

498

00:21:58,020 --> 00:21:56,230

what the Germans ended up utilizing once

499

00:21:59,790 --> 00:21:58,030

they got out of the country and those

500

00:22:02,190 --> 00:21:59,800

ratlines that were used to get the

501
00:22:06,000 --> 00:22:02,200
Germans out of the country were actually

502
00:22:10,680 --> 00:22:06,010
founded by the Catholic Church because

503
00:22:13,350 --> 00:22:10,690
they had basically diplomatic immunity

504
00:22:15,900 --> 00:22:13,360
for couriers and they would be able to

505
00:22:20,100 --> 00:22:15,910
coordinate this without anybody

506
00:22:22,200 --> 00:22:20,110
stumbling across it and they also helped

507
00:22:24,630 --> 00:22:22,210
to fund the Nazis and they didn't want

508
00:22:27,200 --> 00:22:24,640
that to be known so they ended up

509
00:22:31,290 --> 00:22:27,210
helping them with their survival plan

510
00:22:34,980 --> 00:22:31,300
hmm and actually at the end of the war

511
00:22:36,780 --> 00:22:34,990
the American forces were basically

512
00:22:38,970 --> 00:22:36,790
coming in and you know what the British

513
00:22:42,410 --> 00:22:38,980

and things like that but the the groups

514

00:22:44,940 --> 00:22:42,420

that are basically found it to control

515

00:22:48,080 --> 00:22:44,950

post-war Germany we're actually being

516

00:22:53,610 --> 00:22:48,090

seated with these Nazi sympathizers and

517

00:22:56,100 --> 00:22:53,620

they told the Allies to go talk to the

518

00:22:59,640 --> 00:22:56,110

Catholic priests in each of those towns

519

00:23:02,790 --> 00:22:59,650

to find out who were good people to run

520

00:23:06,090 --> 00:23:02,800

that town or run this industry or run

521

00:23:08,219 --> 00:23:06,100

that as that transition took place so

522

00:23:10,349 --> 00:23:08,229

who do you think they point

523

00:23:12,029 --> 00:23:10,359

it's like classic regulatory capture

524

00:23:14,759 --> 00:23:12,039

it's something we talk about all the

525

00:23:17,519 --> 00:23:14,769

time that the FDA is not actually there

526
00:23:20,310 --> 00:23:17,529
for your safety these agencies that we

527
00:23:23,519 --> 00:23:20,320
think are in place to protect us from

528
00:23:25,830 --> 00:23:23,529
the nefarious corporations that really

529
00:23:27,960 --> 00:23:25,840
don't give a [\h__\h] they're just as

530
00:23:29,999 --> 00:23:27,970
compromised so it only provides a false

531
00:23:33,869 --> 00:23:30,009
sense of security and that of course

532
00:23:36,570 --> 00:23:33,879
gets into left and right feelings about

533
00:23:37,799 --> 00:23:36,580
these agencies that people on the far

534
00:23:39,029 --> 00:23:37,809
right would be like well let's get rid

535
00:23:41,249 --> 00:23:39,039
of them because they're no good and it's

536
00:23:42,810 --> 00:23:41,259
like whoops that seems like it's not

537
00:23:44,789 --> 00:23:42,820
going to be any better the point is we

538
00:23:47,700 --> 00:23:44,799

need to make them work for us not

539

00:23:50,369 --> 00:23:47,710

disband them completely otherwise we

540

00:23:53,219 --> 00:23:50,379

will just have glass of fate soaked

541

00:23:54,719 --> 00:23:53,229

crops and everybody will be on

542

00:23:55,200 --> 00:23:54,729

petrochemical pills more than they

543

00:23:58,139 --> 00:23:55,210

already are

544

00:24:00,210 --> 00:23:58,149

well regulatory agencies nowadays

545

00:24:01,950 --> 00:24:00,220

they're you know paper tigers or

546

00:24:03,719 --> 00:24:01,960

toothless lions or whatever you want to

547

00:24:05,700 --> 00:24:03,729

call them they're just kind of a

548

00:24:07,619 --> 00:24:05,710

placeholder for what we should really

549

00:24:11,310 --> 00:24:07,629

have but a lot of them actually act as

550

00:24:14,279 --> 00:24:11,320

more of a shield for these corporate and

551
00:24:16,379 --> 00:24:14,289
industrial interests because they

552
00:24:18,749 --> 00:24:16,389
present this public decide that we're

553
00:24:20,879 --> 00:24:18,759
doing stuff when actually they're just

554
00:24:23,489 --> 00:24:20,889
kind of like crossing the eyes and

555
00:24:26,070 --> 00:24:23,499
dotting T's or something right and then

556
00:24:28,499 --> 00:24:26,080
they become the dominant authorities on

557
00:24:30,060 --> 00:24:28,509
what's good in a certain sector and so

558
00:24:31,710 --> 00:24:30,070
then it also works against the

559
00:24:34,109 --> 00:24:31,720
alternatives that we've talked about in

560
00:24:36,450 --> 00:24:34,119
the past which is like people start to

561
00:24:39,359 --> 00:24:36,460
think oh well if something doesn't have

562
00:24:40,739 --> 00:24:39,369
that FDA stamp of approval it's probably

563
00:24:43,169 --> 00:24:40,749

not going to work or it might even be

564

00:24:44,820 --> 00:24:43,179

harmful so you're gambling with your own

565

00:24:46,979 --> 00:24:44,830

health and safety if you don't trust the

566

00:24:49,139 --> 00:24:46,989

experts so it really is like a double

567

00:24:52,529 --> 00:24:49,149

whammy for people and a serious win-win

568

00:24:55,710 --> 00:24:52,539

for these guys yeah so getting back to

569

00:24:57,359 --> 00:24:55,720

the end of the of the war FDR knew that

570

00:25:00,299 --> 00:24:57,369

you know a lot of these transactions

571

00:25:02,700 --> 00:25:00,309

were taking place but he actually died

572

00:25:06,149 --> 00:25:02,710

just a few weeks after the end of the

573

00:25:08,519 --> 00:25:06,159

war and what his plan had been was once

574

00:25:11,339 --> 00:25:08,529

the Allies came into Germany they were

575

00:25:13,950 --> 00:25:11,349

going to get a hold of the German

576

00:25:16,680 --> 00:25:13,960

bankers and have them finger their

577

00:25:19,200 --> 00:25:16,690

accomplices in the United States but

578

00:25:21,360 --> 00:25:19,210

because of his death he was holding all

579

00:25:24,750 --> 00:25:21,370

of his contacts about who

580

00:25:27,330 --> 00:25:24,760

he knew about who were Nazi sympathizers

581

00:25:29,070 --> 00:25:27,340

in the United States once he died that

582

00:25:30,660 --> 00:25:29,080

didn't really go anywhere because he was

583

00:25:32,370 --> 00:25:30,670

he was keeping it so close he didn't

584

00:25:34,170 --> 00:25:32,380

really tell anybody what was going on

585

00:25:36,440 --> 00:25:34,180

because he feared that he might get out

586

00:25:39,510 --> 00:25:36,450

to the wrong people hmm

587

00:25:42,420 --> 00:25:39,520

so that's one of the big reasons why

588

00:25:45,750 --> 00:25:42,430

after the war it was just allowed to

589

00:25:47,430 --> 00:25:45,760

flourish yeah so at this point I think

590

00:25:51,150 --> 00:25:47,440

it's probably best to start going into

591

00:25:53,460 --> 00:25:51,160

Reich and Reich's views on fascism fair

592

00:25:55,380 --> 00:25:53,470

enough before we go into that I just

593

00:25:58,350 --> 00:25:55,390

wanted to ask him maybe step back and

594

00:26:00,540 --> 00:25:58,360

say you know we're doing this elemental

595

00:26:02,490 --> 00:26:00,550

series why step in and do a fascism

596

00:26:05,460 --> 00:26:02,500

episode specifically now like we really

597

00:26:07,590 --> 00:26:05,470

didn't say upfront why this does seem to

598

00:26:10,350 --> 00:26:07,600

be so timely in your opinion or why it

599

00:26:12,560 --> 00:26:10,360

might be so important right now to get

600

00:26:15,299 --> 00:26:12,570

into this history fascinating as it is

601
00:26:17,700 --> 00:26:15,309
well I mean I've been keeping an eye on

602
00:26:20,460 --> 00:26:17,710
this for a while and you know a lot of

603
00:26:22,020 --> 00:26:20,470
my research and operation Gladio touched

604
00:26:25,620 --> 00:26:22,030
on this and things like that

605
00:26:27,000 --> 00:26:25,630
so it really has to do a lot with what

606
00:26:29,130 --> 00:26:27,010
we're seeing today in terms of the

607
00:26:31,680 --> 00:26:29,140
political climate you're seeing Nazis

608
00:26:35,610 --> 00:26:31,690
marching in the streets and you're

609
00:26:38,070 --> 00:26:35,620
seeing this clash of ideologies that's

610
00:26:42,030 --> 00:26:38,080
happening all over America between

611
00:26:44,810 --> 00:26:42,040
families you know and between different

612
00:26:48,390 --> 00:26:44,820
groups that are allowing each other and

613
00:26:53,130 --> 00:26:48,400

just the whole way it's going seems like

614

00:26:56,880 --> 00:26:53,140

you know it's all being kind of steered

615

00:26:58,380 --> 00:26:56,890

towards fascism either way right when

616

00:27:00,470 --> 00:26:58,390

you look at a lot of what's going on in

617

00:27:03,630 --> 00:27:00,480

the left and on the right they're both

618

00:27:05,940 --> 00:27:03,640

talking about you know I mean just look

619

00:27:07,740 --> 00:27:05,950

at okay we there's this whole fake news

620

00:27:10,680 --> 00:27:07,750

thing going on and what's the response

621

00:27:11,970 --> 00:27:10,690

is to say okay well we're gonna say this

622

00:27:14,280 --> 00:27:11,980

is fake news we're going to say that's

623

00:27:17,190 --> 00:27:14,290

fake news but it's just kind of like

624

00:27:19,530 --> 00:27:17,200

ranking systems and algorithms and you

625

00:27:23,520 --> 00:27:19,540

know not things that actually would

626

00:27:24,960 --> 00:27:23,530

explain why or what's the methodology

627

00:27:26,820 --> 00:27:24,970

that's going into this it's just kind of

628

00:27:30,180 --> 00:27:26,830

like here's what's good for you

629

00:27:32,400 --> 00:27:30,190

eat up exactly it's like it's easy to

630

00:27:35,160 --> 00:27:32,410

criticize the right of course right now

631

00:27:37,950 --> 00:27:35,170

because they are the party and power

632

00:27:39,210 --> 00:27:37,960

but you are correct and that it seems to

633

00:27:41,640 --> 00:27:39,220

be coming from both sides I think it's

634

00:27:43,350 --> 00:27:41,650

just because both sides are so polarized

635

00:27:45,720 --> 00:27:43,360

to such extremes that the idea of

636

00:27:48,030 --> 00:27:45,730

cooperation is impossible so then it

637

00:27:50,280 --> 00:27:48,040

becomes well I just need to get my way

638

00:27:53,010 --> 00:27:50,290

and how do you get your way is fascism

639

00:27:55,950 --> 00:27:53,020

you know you get your way with dictators

640

00:27:58,920 --> 00:27:55,960

and Authority and centralized control

641

00:28:00,480 --> 00:27:58,930

and the left has got this punch of Nazi

642

00:28:02,190 --> 00:28:00,490

meme which from a centrist

643

00:28:03,810 --> 00:28:02,200

interpretation is punch anyone who

644

00:28:06,420 --> 00:28:03,820

doesn't agree with me as long as they're

645

00:28:08,160 --> 00:28:06,430

labeled a Nazi it's okay to incite

646

00:28:10,110 --> 00:28:08,170

violence against them you got them doing

647

00:28:12,120 --> 00:28:10,120

the word police stuff attacking all

648

00:28:16,140 --> 00:28:12,130

these comedians they want everything to

649

00:28:19,230 --> 00:28:16,150

be PC I mean this is nanny state type

650

00:28:21,500 --> 00:28:19,240

stuff and I [h__h] hate it but then of

651
00:28:23,700 --> 00:28:21,510
course on the right you look at Trump's

652
00:28:26,310 --> 00:28:23,710
cabinet I mean people I don't know how

653
00:28:28,310 --> 00:28:26,320
people think this guy is on their side

654
00:28:31,170 --> 00:28:28,320
you can just go down the list I actually

655
00:28:33,990 --> 00:28:31,180
took a big list out of one of the

656
00:28:37,950 --> 00:28:34,000
articles that you gave me and it says

657
00:28:39,990 --> 00:28:37,960
that five of the 15 people nominated by

658
00:28:42,120 --> 00:28:40,000
Trump as cabinet secretaries have no

659
00:28:44,070 --> 00:28:42,130
public sector experience of have only

660
00:28:46,560 --> 00:28:44,080
spent their entire careers in the

661
00:28:48,690 --> 00:28:46,570
corporate sector that would be more

662
00:28:51,210 --> 00:28:48,700
business people with no public sector

663
00:28:54,360 --> 00:28:51,220

experience that have ever served in any

664

00:28:57,750 --> 00:28:54,370

cabinet at any one time that uh Betsy

665

00:29:00,090 --> 00:28:57,760

Davos chick she's the education

666

00:29:04,080 --> 00:29:00,100

secretary she's been a billionaire

667

00:29:06,360 --> 00:29:04,090

married to an Amway conglomerate Andrew

668

00:29:08,520 --> 00:29:06,370

putz Durr has been nominated as labor

669

00:29:11,610 --> 00:29:08,530

secretary he's a billionaire CEO of a

670

00:29:14,630 --> 00:29:11,620

fast food chain don't forget that BOCES

671

00:29:16,770 --> 00:29:14,640

you know brother is a head of Blackwater

672

00:29:20,040 --> 00:29:16,780

right right yeah that's another

673

00:29:22,590 --> 00:29:20,050

connection that Wilbur Ross guy who is a

674

00:29:25,470 --> 00:29:22,600

nominee for Commerce Secretary he's a

675

00:29:27,120 --> 00:29:25,480

billionaire financier who invests in

676
00:29:27,750 --> 00:29:27,130
buying and selling companies in

677
00:29:29,760 --> 00:29:27,760
distressed

678
00:29:32,730 --> 00:29:29,770
industries specifically who made his

679
00:29:35,010 --> 00:29:32,740
entire fortune or who made his early

680
00:29:37,950 --> 00:29:35,020
fortune as a fund manager at the

681
00:29:41,220 --> 00:29:37,960
Rothschild group it's just crazy

682
00:29:42,900 --> 00:29:41,230
Vincent viola Trump's nominee for army

683
00:29:44,850 --> 00:29:42,910
secretary he's a billionaire former

684
00:29:48,860 --> 00:29:44,860
chairman of the New York Mercantile

685
00:29:52,640 --> 00:29:48,870
Exchange these are all connected people

686
00:29:54,710 --> 00:29:52,650
Gary Cohn worked for Goldman Sachs so

687
00:29:56,779 --> 00:29:54,720
like if you're gonna criticize Obama's

688
00:30:00,080 --> 00:29:56,789

cabinet for being stacked with CFR

689

00:30:02,539 --> 00:30:00,090

members and lawyers that work for banks

690

00:30:05,180 --> 00:30:02,549

you got to do the same thing here what

691

00:30:08,600 --> 00:30:05,190

about Rex Tillerson the dude from Exxon

692

00:30:10,190 --> 00:30:08,610

Mobil like he is not a good candidate

693

00:30:13,460 --> 00:30:10,200

for Secretary of State just because he

694

00:30:15,799 --> 00:30:13,470

ran a [h__\h] Oil Company so it really is

695

00:30:19,880 --> 00:30:15,809

sickening to see these exact same people

696

00:30:22,460 --> 00:30:19,890

in a cabinet of what's thought to be the

697

00:30:25,190 --> 00:30:22,470

polar opposite party it's just nonsense

698

00:30:27,070 --> 00:30:25,200

yeah I agree completely before we get to

699

00:30:30,350 --> 00:30:27,080

the right stuff I think I'll talk about

700

00:30:32,960 --> 00:30:30,360

Operation Gladio Carol rosin and

701
00:30:35,210 --> 00:30:32,970
Bernhard von Braun and a bit more the

702
00:30:39,320 --> 00:30:35,220
red house plan that's okay

703
00:30:40,820 --> 00:30:39,330
sure absolutely so one of the things

704
00:30:43,360 --> 00:30:40,830
that you know I think is worth

705
00:30:46,700 --> 00:30:43,370
mentioning with regard to the Nazis is

706
00:30:48,620 --> 00:30:46,710
also that there's a witness in the form

707
00:30:50,510 --> 00:30:48,630
of dr. Carol rosin she used to work with

708
00:30:53,899 --> 00:30:50,520
Wernher von Braun when he was at

709
00:30:56,139 --> 00:30:53,909
Fairchild industries and what he told

710
00:30:58,909 --> 00:30:56,149
her he was dying a cancer at the time

711
00:31:02,960 --> 00:30:58,919
was basically that there's gonna be a

712
00:31:05,960 --> 00:31:02,970
push for space-based weapons and there's

713
00:31:07,760 --> 00:31:05,970

gonna be several phases to what's going

714

00:31:09,740 --> 00:31:07,770

to be driving this the first is

715

00:31:12,889 --> 00:31:09,750

basically the Communists which she

716

00:31:16,090 --> 00:31:12,899

already saw at the time and then he said

717

00:31:18,680 --> 00:31:16,100

it was going to be basically terrorists

718

00:31:20,960 --> 00:31:18,690

countries of interests what we call now

719

00:31:22,970 --> 00:31:20,970

but like you know third party tin-pot

720

00:31:25,760 --> 00:31:22,980

dictator z-- then it was going to be

721

00:31:28,760 --> 00:31:25,770

asteroids and then an alien invasion is

722

00:31:31,269 --> 00:31:28,770

what he told her and right and what he

723

00:31:34,880 --> 00:31:31,279

said was you know and it's all made up

724

00:31:35,840 --> 00:31:34,890

none of it's true it's all complete

725

00:31:39,950 --> 00:31:35,850

fiction

726

00:31:44,299 --> 00:31:39,960

so the thing is that right there there's

727

00:31:46,370 --> 00:31:44,309

a well-known Nazi who was at a high

728

00:31:49,250 --> 00:31:46,380

enough level to actually know what the

729

00:31:50,630 --> 00:31:49,260

heck was going on this and another thing

730

00:31:52,690 --> 00:31:50,640

of it that's interesting with Wernher

731

00:31:54,860 --> 00:31:52,700

von Braun is he did some Disney

732

00:31:57,980 --> 00:31:54,870

documentary films and stuff like that

733

00:32:00,590 --> 00:31:57,990

there was one about space travel and in

734

00:32:02,030 --> 00:32:00,600

that he actually said that the future of

735

00:32:04,550 --> 00:32:02,040

space travel was electric

736

00:32:06,800 --> 00:32:04,560

crafts so that's another interesting

737

00:32:09,940 --> 00:32:06,810

thing but basically what he was alluding

738

00:32:13,550 --> 00:32:09,950

to there with you know terrorism was

739

00:32:16,480 --> 00:32:13,560

what has been known today as Operation

740

00:32:18,740 --> 00:32:16,490

Gladio so at the end of World War two

741

00:32:21,020 --> 00:32:18,750

basically what's happening is there's

742

00:32:24,830 --> 00:32:21,030

Germany split down the middle you've got

743

00:32:26,570 --> 00:32:24,840

half of Germany over on the Soviet side

744

00:32:29,990 --> 00:32:26,580

you got half of Germany on the native

745

00:32:32,030 --> 00:32:30,000

side and then and I mean what what a

746

00:32:33,770 --> 00:32:32,040

great way for it to end for Germany to

747

00:32:36,980 --> 00:32:33,780

be able to play both sides off of each

748

00:32:38,510 --> 00:32:36,990

other right all right and actually you

749

00:32:40,640 --> 00:32:38,520

know when they were picking out people

750

00:32:42,740 --> 00:32:40,650

to be in charge of things in Germany

751
00:32:46,280 --> 00:32:42,750
during that Reconstruction period the

752
00:32:47,690 --> 00:32:46,290
person they chose was I can't remember

753
00:32:50,030 --> 00:32:47,700
his name off the top of my head right

754
00:32:52,940 --> 00:32:50,040
now but he was basically an SS general

755
00:32:56,510 --> 00:32:52,950
who was put in charge of the secret

756
00:32:59,540 --> 00:32:56,520
services and he started what they call

757
00:33:03,170 --> 00:32:59,550
they stay behind missions and ran them

758
00:33:06,680 --> 00:33:03,180
in Europe and those are where they they

759
00:33:08,510 --> 00:33:06,690
had different units of soldiers from the

760
00:33:12,200 --> 00:33:08,520
Allies but also a lot of them were

761
00:33:17,090 --> 00:33:12,210
former Nazis who were embedded in cells

762
00:33:20,360 --> 00:33:17,100
within Europe and the initial plan for

763
00:33:23,330 --> 00:33:20,370

this was okay they're there in case of a

764

00:33:26,300 --> 00:33:23,340

Soviet invasion but basically once you

765

00:33:28,760 --> 00:33:26,310

had nuclear weapons take prominence in

766

00:33:30,380 --> 00:33:28,770

the 60s basically once the stockpiles

767

00:33:33,170 --> 00:33:30,390

were built up on both sides and there

768

00:33:35,270 --> 00:33:33,180

was kind of this well we don't want

769

00:33:38,150 --> 00:33:35,280

mutually assured destruction so kind of

770

00:33:41,750 --> 00:33:38,160

ground war is really on the plate for

771

00:33:44,660 --> 00:33:41,760

right now there became this emphasis on

772

00:33:46,880 --> 00:33:44,670

man destined operations and being able

773

00:33:50,540 --> 00:33:46,890

to leverage these people in the case of

774

00:33:54,140 --> 00:33:50,550

domestic threats hmm so in this case

775

00:33:58,670 --> 00:33:54,150

what what that meant was if there was

776

00:34:01,970 --> 00:33:58,680

opposition to certain policies if there

777

00:34:03,950 --> 00:34:01,980

was a rising communist movement within

778

00:34:06,920 --> 00:34:03,960

the country and there was a vote coming

779

00:34:09,080 --> 00:34:06,930

up then you'd see more these terrorist

780

00:34:14,210 --> 00:34:09,090

attacks happened to kind of steer the

781

00:34:16,359 --> 00:34:14,220

country away from communism by these you

782

00:34:19,299 --> 00:34:16,369

know you basically got Nazi

783

00:34:21,099 --> 00:34:19,309

being involved in all this but what they

784

00:34:23,289 --> 00:34:21,109

were doing is they were creating these

785

00:34:25,089 --> 00:34:23,299

terrorist attacks and then false flag

786

00:34:28,719 --> 00:34:25,099

blaming them or communists of course

787

00:34:30,669 --> 00:34:28,729

we're leftist yeah and so that's kind of

788

00:34:34,329 --> 00:34:30,679

the foundation and this is you know

789

00:34:37,149 --> 00:34:34,339

basically from like 1940s and 50s up

790

00:34:40,479 --> 00:34:37,159

through to the 90s that this is going on

791

00:34:43,779 --> 00:34:40,489

so you're talking about 50 years and

792

00:34:46,269 --> 00:34:43,789

then what happened was when it came out

793

00:34:48,039 --> 00:34:46,279

there was this guy who was involved in

794

00:34:51,399 --> 00:34:48,049

one of these organizations and he went

795

00:34:53,349 --> 00:34:51,409

to the press and when he did that it

796

00:34:55,029 --> 00:34:53,359

kind of blew this whole thing open it

797

00:34:56,379 --> 00:34:55,039

turned out that you know the secret

798

00:34:57,969 --> 00:34:56,389

services of all these different

799

00:35:00,219 --> 00:34:57,979

countries were involved basically

800

00:35:02,920 --> 00:35:00,229

everybody in NATO as well as the United

801
00:35:05,170 --> 00:35:02,930
States and the CIA was involved and my

802
00:35:08,019 --> 00:35:05,180
six was involved you know all these kind

803
00:35:11,430 --> 00:35:08,029
of clandestine groups and it was it was

804
00:35:14,799 --> 00:35:11,440
this big brouhaha so basically those

805
00:35:18,249 --> 00:35:14,809
operations weren't went and active at

806
00:35:21,069 --> 00:35:18,259
that time but there were also operations

807
00:35:23,109 --> 00:35:21,079
that order you know set up in Greece and

808
00:35:27,489 --> 00:35:23,119
Turkey and Turkey was what actually

809
00:35:29,620 --> 00:35:27,499
things fell back to and kind of the more

810
00:35:31,959 --> 00:35:29,630
European operations up to the 90s

811
00:35:34,779 --> 00:35:31,969
Daniel Ganser he does a very good job of

812
00:35:38,380 --> 00:35:34,789
discussing those and then going into

813
00:35:41,380 --> 00:35:38,390

Turkey and kind of the proliferation of

814

00:35:43,539 --> 00:35:41,390

the what's called Gladio be networks

815

00:35:45,700 --> 00:35:43,549

where you start getting into Arab

816

00:35:47,920 --> 00:35:45,710

terrorists and things like that that's

817

00:35:50,950 --> 00:35:47,930

covered by Sibel Edmonds who was a

818

00:35:52,599 --> 00:35:50,960

turkish translator working today at the

819

00:35:54,880 --> 00:35:52,609

FBI at the time and she actually

820

00:35:57,219 --> 00:35:54,890

stumbled across you know a cell within

821

00:35:59,140 --> 00:35:57,229

the FBI that was trying to you know

822

00:36:02,979 --> 00:35:59,150

derail her investigations in that line

823

00:36:05,859 --> 00:36:02,989

11 and then her partner on the boiling

824

00:36:09,069 --> 00:36:05,869

frogs post podcast james corbett he does

825

00:36:12,999 --> 00:36:09,079

a very good job of kind of elaborating

826

00:36:15,309 --> 00:36:13,009

on you know how that's grown into this

827

00:36:17,829 --> 00:36:15,319

islamic network and how it's gone back

828

00:36:20,349 --> 00:36:17,839

into europe and things like that and

829

00:36:22,809 --> 00:36:20,359

actually one thing that's very important

830

00:36:26,739 --> 00:36:22,819

to note with all this is that mohammed

831

00:36:30,099 --> 00:36:26,749

audit one of the hijackers in 9/11 he

832

00:36:32,259 --> 00:36:30,109

was actually he already knew how to fly

833

00:36:35,200 --> 00:36:32,269

when he was learning how to fly in the

834

00:36:38,019 --> 00:36:35,210

United States and Florida and he had

835

00:36:39,759 --> 00:36:38,029

like you know four different passports

836

00:36:41,170 --> 00:36:39,769

and identities and things like that and

837

00:36:43,539 --> 00:36:41,180

this is all coming from his girlfriend

838

00:36:46,029 --> 00:36:43,549

there's a very good interview by the

839

00:36:48,130 --> 00:36:46,039

maker of the documentary Mohammed on his

840

00:36:50,099 --> 00:36:48,140

Flying Circus and that's available on

841

00:36:53,049 --> 00:36:50,109

YouTube but she basically talks about

842

00:36:56,049 --> 00:36:53,059

him you know like doing cocaine drinking

843

00:36:58,420 --> 00:36:56,059

all the time you know he always had you

844

00:37:00,910 --> 00:36:58,430

know lots and lots of money he was going

845

00:37:04,019 --> 00:37:00,920

to like strip clubs and you know not

846

00:37:08,499 --> 00:37:04,029

really the profile of a you know

847

00:37:12,249 --> 00:37:08,509

adherent islamist more of like okay of

848

00:37:14,710 --> 00:37:12,259

fly-by-night CIA operative or some tight

849

00:37:16,809 --> 00:37:14,720

and when she says that when he actually

850

00:37:20,380 --> 00:37:16,819

like he was hanging out with south

851

00:37:23,019 --> 00:37:20,390

africans and austrians and when he

852

00:37:24,999 --> 00:37:23,029

actually got his orders for what he was

853

00:37:29,859 --> 00:37:25,009

going to do the guy he was he met with

854

00:37:32,920 --> 00:37:29,869

his name was reinhard so you know you're

855

00:37:35,650 --> 00:37:32,930

talking about the same sort of group and

856

00:37:38,170 --> 00:37:35,660

actually Osama bin Laden when he was

857

00:37:41,200 --> 00:37:38,180

growing up he was like being bounced on

858

00:37:45,059 --> 00:37:41,210

the knees of Nazis because there was

859

00:37:47,259 --> 00:37:45,069

this whole relationship between Arab

860

00:37:49,029 --> 00:37:47,269

fascists and actually there are all

861

00:37:51,220 --> 00:37:49,039

sorts of different fashions in different

862

00:37:55,200 --> 00:37:51,230

countries who actually went to work for

863

00:37:58,539 --> 00:37:55,210

the SS there was an Indian SS contingent

864

00:38:00,999 --> 00:37:58,549

Turkish SS contingent like all these

865

00:38:04,450 --> 00:38:01,009

different countries and actually in

866

00:38:08,200 --> 00:38:04,460

Turkey there was a general called attic

867

00:38:10,420 --> 00:38:08,210

urge an addict urk was the one who

868

00:38:13,779 --> 00:38:10,430

slaughtered and killed millions of

869

00:38:17,880 --> 00:38:13,789

Armenians and that was the model that

870

00:38:20,440 --> 00:38:17,890

Hitler used for his exterminations hmm

871

00:38:24,069 --> 00:38:20,450

so you know there's all these ties

872

00:38:27,039 --> 00:38:24,079

between you know the Germans and these

873

00:38:30,700 --> 00:38:27,049

Arab fascists the primary group is the

874

00:38:32,499 --> 00:38:30,710

Muslim Brotherhood right so and all this

875

00:38:34,420 --> 00:38:32,509

stuff that we're seeing today in terms

876

00:38:37,299 --> 00:38:34,430

of terrorist attacks I think it all kind

877

00:38:40,660 --> 00:38:37,309

of really boils down to this Nazi

878

00:38:43,420 --> 00:38:40,670

survival this Nazi network that survived

879

00:38:45,819 --> 00:38:43,430

the war actually Reinhardt Galen was the

880

00:38:49,359 --> 00:38:45,829

german intelligence after the war though

881

00:38:51,430 --> 00:38:49,369

the SS general and he was he was the one

882

00:38:54,880 --> 00:38:51,440

who was really pumping up truman right

883

00:38:57,720 --> 00:38:54,890

after the war to see Russia as a threat

884

00:39:00,370 --> 00:38:57,730

like he was 40 all this false

885

00:39:01,630 --> 00:39:00,380

intelligence telling him what they were

886

00:39:04,059 --> 00:39:01,640

doing that they weren't really doing

887

00:39:06,220 --> 00:39:04,069

well let me ask you this just because I

888

00:39:07,870 --> 00:39:06,230

know it's gonna come up in the comments

889

00:39:09,940 --> 00:39:07,880

section and a lot of listeners might be

890

00:39:11,769 --> 00:39:09,950

thinking what about Israel's involvement

891

00:39:14,589 --> 00:39:11,779

in state-sponsored terrorism because in

892

00:39:17,170 --> 00:39:14,599

events like the Charlie Hebdo situation

893

00:39:20,079 --> 00:39:17,180

it seems like you can reverse-engineer

894

00:39:22,089 --> 00:39:20,089

it look back from that point and see

895

00:39:25,749 --> 00:39:22,099

that world leaders who tended to be

896

00:39:28,150 --> 00:39:25,759

criticizing Israel's actions they seem

897

00:39:30,579 --> 00:39:28,160

to be the countries who soon after got

898

00:39:34,859 --> 00:39:30,589

hit with some form of terrorism so I

899

00:39:37,839 --> 00:39:34,869

felt like that was a pretty sound

900

00:39:39,670 --> 00:39:37,849

conclusion and I don't think it has to

901
00:39:41,680 --> 00:39:39,680
be either/or of course it's always like

902
00:39:42,970 --> 00:39:41,690
anyone who spends time on the Nazis

903
00:39:44,620 --> 00:39:42,980
you'll get comments oh well you're

904
00:39:47,739 --> 00:39:44,630
distracting from the spotlight which

905
00:39:50,700 --> 00:39:47,749
should be on Israel and vice versa but I

906
00:39:52,509 --> 00:39:50,710
don't understand why it can't be both

907
00:39:55,989 --> 00:39:52,519
but I don't know I guess I would just

908
00:39:58,269 --> 00:39:55,999
ask you how would you fold that in well

909
00:40:01,329 --> 00:39:58,279
so I mean anybody who really takes an

910
00:40:05,049 --> 00:40:01,339
objective look at Israel who are the

911
00:40:05,799 --> 00:40:05,059
Jewish fascists right but if you look at

912
00:40:09,009 --> 00:40:05,809
what they're doing to the Palestinians

913
00:40:10,809 --> 00:40:09,019

right that is if that isn't a multi mile

914

00:40:14,410 --> 00:40:10,819

concentration camp but I don't know what

915

00:40:18,279 --> 00:40:14,420

is now so basically the Zionists were

916

00:40:21,279 --> 00:40:18,289

kind of Jewish fascists and they wanted

917

00:40:24,069 --> 00:40:21,289

to impose their authority on the Holy

918

00:40:26,259 --> 00:40:24,079

Land and take that over and that was

919

00:40:27,700 --> 00:40:26,269

something that was basically implemented

920

00:40:30,849 --> 00:40:27,710

at the end of World War two

921

00:40:33,670 --> 00:40:30,859

but leading up to that Hitler actually

922

00:40:35,680 --> 00:40:33,680

struck a deal with scientists before the

923

00:40:38,319 --> 00:40:35,690

final plan was implemented he would

924

00:40:41,410 --> 00:40:38,329

allow Zionist Jews to leave the country

925

00:40:43,029 --> 00:40:41,420

and go to Palestine and so the Zionists

926
00:40:47,650 --> 00:40:43,039
were setting up little colonies in

927
00:40:50,910 --> 00:40:47,660
Palestine even before the war mm-hmm so

928
00:40:53,349 --> 00:40:50,920
you know it's it's a kind of a subtle

929
00:40:55,530 --> 00:40:53,359
thing because especially since most

930
00:40:57,540 --> 00:40:55,540
people don't know about that

931
00:41:00,930 --> 00:40:57,550
I mean when you look at the aftermath in

932
00:41:04,380 --> 00:41:00,940
terms of what has happened to the people

933
00:41:07,220 --> 00:41:04,390
who used to live on on the land you can

934
00:41:10,050 --> 00:41:07,230
see that you know clearly it's not a

935
00:41:12,540 --> 00:41:10,060
wholesome expression of government over

936
00:41:14,340 --> 00:41:12,550
there of course and you know I didn't

937
00:41:15,900 --> 00:41:14,350
mean to take you off track but it just

938
00:41:17,760 --> 00:41:15,910

seems to be one of those things that you

939

00:41:20,550 --> 00:41:17,770

have to mention on a show like this

940

00:41:23,490 --> 00:41:20,560

fascism comes in many different rappers

941

00:41:26,160 --> 00:41:23,500

and many different flavors and you'd be

942

00:41:28,260 --> 00:41:26,170

crazy not to oppose all of it oh

943

00:41:30,330 --> 00:41:28,270

definitely and we're going to get into

944

00:41:32,670 --> 00:41:30,340

more of that as we continue there enough

945

00:41:36,360 --> 00:41:32,680

so you know you kind of got to break it

946

00:41:39,180 --> 00:41:36,370

up into chunks cuz they're so big now I

947

00:41:41,820 --> 00:41:39,190

think we're ready for right sure sure

948

00:41:44,550 --> 00:41:41,830

so we'll hum right we've talked about

949

00:41:47,610 --> 00:41:44,560

him before he was he was a contemporary

950

00:41:50,160 --> 00:41:47,620

of Freud but one thing that you know we

951
00:41:53,480 --> 00:41:50,170
haven't talked about really is his talks

952
00:41:55,500 --> 00:41:53,490
and books about the role of fascism and

953
00:41:58,620 --> 00:41:55,510
he wrote a book called the mass

954
00:42:02,010 --> 00:41:58,630
psychology of fascism and actually he

955
00:42:05,280 --> 00:42:02,020
was pursued by both the SS and the KGB

956
00:42:06,840 --> 00:42:05,290
across multiple countries so he's

957
00:42:09,750 --> 00:42:06,850
someone who's very familiar

958
00:42:11,970 --> 00:42:09,760
he was also visited by the FBI but that

959
00:42:14,300 --> 00:42:11,980
was basically to make sure that he

960
00:42:17,760 --> 00:42:14,310
wasn't a Nazi when she came to America I

961
00:42:20,670 --> 00:42:17,770
wanted to read this from our emails

962
00:42:22,200 --> 00:42:20,680
where you say just with a little more

963
00:42:24,840 --> 00:42:22,210

detail what you pretty much just said

964

00:42:27,330 --> 00:42:24,850

and that Reich was pursued by the SS KGB

965

00:42:29,790 --> 00:42:27,340

and FBI over his theories research in

966

00:42:32,190 --> 00:42:29,800

books there is also substantial evidence

967

00:42:33,690 --> 00:42:32,200

that it was a KGB mole in the FBI that

968

00:42:35,460 --> 00:42:33,700

actually got the case against reich

969

00:42:37,470 --> 00:42:35,470

started that resulted in his

970

00:42:39,150 --> 00:42:37,480

incarceration and death shortly before

971

00:42:42,780 --> 00:42:39,160

his release of heart-failure quote

972

00:42:44,910 --> 00:42:42,790

unquote but reich in fact sits alone as

973

00:42:46,920 --> 00:42:44,920

the sole person in the history of the

974

00:42:48,870 --> 00:42:46,930

united states to have been required to

975

00:42:51,420 --> 00:42:48,880

burn his own books and research

976

00:42:53,880 --> 00:42:51,430

materials in a small bonfire on the lawn

977

00:42:58,410 --> 00:42:53,890

or to have all copies of his books

978

00:43:01,440 --> 00:42:58,420

burned by court order in 1956 and 1960

979

00:43:03,150 --> 00:43:01,450

he was also a part of the nazi book

980

00:43:05,670 --> 00:43:03,160

burning so if there is an authoritarian

981

00:43:07,800 --> 00:43:05,680

entity anywhere in the vicinity of dr.

982

00:43:09,030 --> 00:43:07,810

Reich he seems to have caught their

983

00:43:11,340 --> 00:43:09,040

attention and

984

00:43:13,890 --> 00:43:11,350

immediate wrath and I think that's just

985

00:43:16,440 --> 00:43:13,900

great to point out because it's like

986

00:43:18,240 --> 00:43:16,450

yeah any ideas the elite want to crush

987

00:43:19,530 --> 00:43:18,250

those are ideas that I don't mind

988

00:43:21,480 --> 00:43:19,540

hearing about you know what I'm saying

989

00:43:23,310 --> 00:43:21,490

like clearly there's a reason to listen

990

00:43:25,140 --> 00:43:23,320

if no matter what side of the political

991

00:43:27,210 --> 00:43:25,150

spectrum they're on these authority

992

00:43:30,420 --> 00:43:27,220

figures are like no crush this this has

993

00:43:32,100 --> 00:43:30,430

to go away yeah yeah definitely and I

994

00:43:36,800 --> 00:43:32,110

think that's probably a great place to

995

00:43:40,040 --> 00:43:36,810

start the way he discussed it was as

996

00:43:42,840 --> 00:43:40,050

reactionary and revolutionary thought

997

00:43:45,860 --> 00:43:42,850

what I would characterize that is more

998

00:43:47,780 --> 00:43:45,870

authoritarian and egalitarian flawed

999

00:43:50,310 --> 00:43:47,790

authoritarianism is a structure

1000

00:43:52,020 --> 00:43:50,320

dominated by fear centralized Authority

1001
00:43:55,080 --> 00:43:52,030
and psychological and sexual oppression

1002
00:43:56,550 --> 00:43:55,090
and egalitarian social structure is one

1003
00:43:58,980 --> 00:43:56,560
which is characterized by respect

1004
00:44:00,750 --> 00:43:58,990
consideration for all the decentralized

1005
00:44:04,280 --> 00:44:00,760
authority and psychological and sexual

1006
00:44:07,280 --> 00:44:04,290
freedom I'd like to read a little bit

1007
00:44:09,990 --> 00:44:07,290
from that primer I gave you on

1008
00:44:13,410 --> 00:44:10,000
authoritarian and egalitarian thought

1009
00:44:16,880 --> 00:44:13,420
sure to just kind of give some very

1010
00:44:21,360 --> 00:44:16,890
clear examples and different modes of

1011
00:44:22,650 --> 00:44:21,370
philosophy so egalitarian values do unto

1012
00:44:23,130 --> 00:44:22,660
others as you would have them do unto

1013
00:44:26,100 --> 00:44:23,140

you

1014

00:44:28,260 --> 00:44:26,110

reciprocity authoritarian values look

1015

00:44:30,150 --> 00:44:28,270

strong successful rich your strength

1016

00:44:32,580 --> 00:44:30,160

must control your weakness strong men

1017

00:44:33,750 --> 00:44:32,590

must control weak boats ruled for

1018

00:44:37,160 --> 00:44:33,760

egalitarians

1019

00:44:39,990 --> 00:44:37,170

democracy rights as an effective vote

1020

00:44:42,840 --> 00:44:40,000

equal opportunities and money and power

1021

00:44:45,210 --> 00:44:42,850

and authoritarian values money rules

1022

00:44:47,520 --> 00:44:45,220

oligarchy has the right to trick voters

1023

00:44:48,710 --> 00:44:47,530

they set privileges and ranks and money

1024

00:44:50,850 --> 00:44:48,720

in power

1025

00:44:52,260 --> 00:44:50,860

egalitarian values are human rights

1026
00:44:55,170 --> 00:44:52,270
freedom of the press and info

1027
00:44:57,150 --> 00:44:55,180
masturbation integration voting rights

1028
00:45:00,660 --> 00:44:57,160
women's suffrage equal pay for equal

1029
00:45:02,640 --> 00:45:00,670
work nature conservation authoritarian

1030
00:45:04,980 --> 00:45:02,650
values or property rights freedom to own

1031
00:45:08,340 --> 00:45:04,990
the press slavery people's property

1032
00:45:10,170 --> 00:45:08,350
segregation by race wealth total taxes

1033
00:45:12,030 --> 00:45:10,180
and intimidation women's silence

1034
00:45:14,670 --> 00:45:12,040
traditional roles and rewards and to

1035
00:45:18,380 --> 00:45:14,680
exploit resources there's some very

1036
00:45:21,590 --> 00:45:18,390
clear differences in the way these two

1037
00:45:22,740 --> 00:45:21,600
philosophies think about how power

1038
00:45:25,920 --> 00:45:22,750

should

1039

00:45:28,410 --> 00:45:25,930

expressed within the world in his book

1040

00:45:30,450 --> 00:45:28,420

right makes the arguments that these

1041

00:45:32,280 --> 00:45:30,460

modes of expression of power are not

1042

00:45:34,680 --> 00:45:32,290

instilled in children primarily from

1043

00:45:36,120 --> 00:45:34,690

their education or later employment but

1044

00:45:38,430 --> 00:45:36,130

rather in the structure of the family

1045

00:45:40,260 --> 00:45:38,440

has been discussed previously on your

1046

00:45:42,810 --> 00:45:40,270

show for the first years of development

1047

00:45:44,730 --> 00:45:42,820

their brainwaves are such that they're

1048

00:45:46,260 --> 00:45:44,740

actually kind of in a trance for the

1049

00:45:49,140 --> 00:45:46,270

first five to eight years of their life

1050

00:45:51,210 --> 00:45:49,150

and that brainwave that's especially

1051

00:45:53,100 --> 00:45:51,220

elevated as a theta brainwave and

1052

00:45:55,170 --> 00:45:53,110

actually one thing I'd like to mention

1053

00:45:56,460 --> 00:45:55,180

is that seven about seven years is the

1054

00:45:58,920 --> 00:45:56,470

length of time in the answer

1055

00:46:00,690 --> 00:45:58,930

anthroposophical schools where

1056

00:46:02,970 --> 00:46:00,700

children's learning is characterized by

1057

00:46:04,770 --> 00:46:02,980

play and they're encouraged to explore

1058

00:46:07,680 --> 00:46:04,780

the environment with supervision from an

1059

00:46:09,840 --> 00:46:07,690

adult so I mean even as far back as

1060

00:46:13,650 --> 00:46:09,850

Rudolf Steiner there seems to have been

1061

00:46:15,960 --> 00:46:13,660

he understood kind of what this what

1062

00:46:19,740 --> 00:46:15,970

this meant in terms of how development

1063

00:46:21,600 --> 00:46:19,750

should unfold so it's during this time

1064

00:46:23,490 --> 00:46:21,610

that the child's boundaries are being

1065

00:46:25,580 --> 00:46:23,500

set and their character is developing

1066

00:46:28,530 --> 00:46:25,590

that has a prime role in development of

1067

00:46:30,360 --> 00:46:28,540

their role in society if during these

1068

00:46:32,490 --> 00:46:30,370

formative years boundaries are set on

1069

00:46:34,920 --> 00:46:32,500

pure authority the child learns not to

1070

00:46:36,720 --> 00:46:34,930

question authority as this is often met

1071

00:46:38,850 --> 00:46:36,730

with punishment in a more egalitarian

1072

00:46:40,440 --> 00:46:38,860

method of child rearing children are

1073

00:46:42,990 --> 00:46:40,450

taught the reasons that a rudimentary

1074

00:46:44,940 --> 00:46:43,000

level behind the boundaries being set

1075

00:46:47,010 --> 00:46:44,950

and if questions are posed further

1076
00:46:48,210 --> 00:46:47,020
answers are given these two modes of

1077
00:46:50,670 --> 00:46:48,220
rearing may be characterized as

1078
00:46:52,620 --> 00:46:50,680
patriarchal and matriarchal as each

1079
00:46:54,870 --> 00:46:52,630
embodies either projective or receptive

1080
00:46:57,120 --> 00:46:54,880
modes of expression these modes of

1081
00:46:58,920 --> 00:46:57,130
sexual is the modes of sexual expression

1082
00:47:00,870 --> 00:46:58,930
allowable to children are also very

1083
00:47:04,440 --> 00:47:00,880
different in these philosophical

1084
00:47:06,600 --> 00:47:04,450
foundations so in his book write

1085
00:47:09,150 --> 00:47:06,610
discusses matriarchal families as being

1086
00:47:11,880 --> 00:47:09,160
primarily characteristic of indigenous

1087
00:47:13,440 --> 00:47:11,890
societies and patriarchal societies

1088
00:47:16,470 --> 00:47:13,450

being characterized by civilized

1089

00:47:18,890 --> 00:47:16,480

societies and if you look at kind of the

1090

00:47:21,510 --> 00:47:18,900

way that they look at livestock in

1091

00:47:24,090 --> 00:47:21,520

indigenous societies typically what

1092

00:47:27,090 --> 00:47:24,100

would happen is you would hunt but the

1093

00:47:28,980 --> 00:47:27,100

animal is free to express itself it

1094

00:47:30,780 --> 00:47:28,990

moves throughout the land

1095

00:47:34,620 --> 00:47:30,790

there aren't any fences blocking it up

1096

00:47:36,329 --> 00:47:34,630

and it's basically you know it is what

1097

00:47:37,680 --> 00:47:36,339

it is and you're just

1098

00:47:41,400 --> 00:47:37,690

you're just going out and taking what

1099

00:47:44,999 --> 00:47:41,410

you need whereas with the civilized

1100

00:47:48,239 --> 00:47:45,009

societies they've decided to put strict

1101
00:47:50,359 --> 00:47:48,249
limits on the movement and behavior of

1102
00:47:53,969 --> 00:47:50,369
their animals domesticating them and

1103
00:47:56,910 --> 00:47:53,979
basically dominating them for their

1104
00:47:59,130 --> 00:47:56,920
control and so I think this is this is

1105
00:48:01,799 --> 00:47:59,140
something to take into consideration

1106
00:48:04,890 --> 00:48:01,809
when you understand the ways that these

1107
00:48:07,709 --> 00:48:04,900
two mindsets look at people you know

1108
00:48:10,349 --> 00:48:07,719
just just other living creatures to

1109
00:48:12,569 --> 00:48:10,359
begin with in matriarchal societies

1110
00:48:14,370 --> 00:48:12,579
childhood sexual expression tends to be

1111
00:48:16,079 --> 00:48:14,380
characterizes by the choices of the

1112
00:48:18,329 --> 00:48:16,089
child with guidance they're allowed to

1113
00:48:20,549 --> 00:48:18,339

play doctor and do it over they they

1114

00:48:22,380 --> 00:48:20,559

want as long as it's not you know

1115

00:48:25,589 --> 00:48:22,390

something that's really disturbed or

1116

00:48:27,930 --> 00:48:25,599

pathological and patriarchal societies

1117

00:48:30,209 --> 00:48:27,940

childhood expression is characterized by

1118

00:48:32,160 --> 00:48:30,219

its negation children adolescents are

1119

00:48:34,039 --> 00:48:32,170

discouraged I returned from exploring

1120

00:48:37,890 --> 00:48:34,049

their sexuality until biological

1121

00:48:40,890 --> 00:48:37,900

maturity or marriage and primarily in in

1122

00:48:44,009 --> 00:48:40,900

patriarchal societies traditionally it's

1123

00:48:47,609 --> 00:48:44,019

been marriage so that's actually a way

1124

00:48:49,680 --> 00:48:47,619

of controlling the rights of sexuality

1125

00:48:52,019 --> 00:48:49,690

in the case of arranged marriages which

1126

00:48:54,150 --> 00:48:52,029

were often the case in the past this

1127

00:48:55,979 --> 00:48:54,160

repression prevents natural expression

1128

00:48:59,849 --> 00:48:55,989

of the child's most basic biological

1129

00:49:01,529 --> 00:48:59,859

drives and [h__\h] and confined a

1130

00:49:04,469 --> 00:49:01,539

psychological development to the child

1131

00:49:06,569 --> 00:49:04,479

at its essence childhood is the act of

1132

00:49:08,759 --> 00:49:06,579

adapting and developing biology to the

1133

00:49:11,160 --> 00:49:08,769

environment and to restrict that

1134

00:49:13,920 --> 00:49:11,170

development is to embed pathology in the

1135

00:49:16,380 --> 00:49:13,930

psychology of the child right previously

1136

00:49:19,229 --> 00:49:16,390

researched these mechanisms on his

1137

00:49:21,769 --> 00:49:19,239

concepts of character and body are

1138

00:49:25,229 --> 00:49:21,779

marine and his work character analysis

1139

00:49:27,150 --> 00:49:25,239

hmm Reich also speaks out about

1140

00:49:29,910 --> 00:49:27,160

communism and the mass psychology of

1141

00:49:32,819 --> 00:49:29,920

fascism the Communist suppressed dr.

1142

00:49:35,969 --> 00:49:32,829

Reich's theories and we talked about him

1143

00:49:38,819 --> 00:49:35,979

being pursued by the KGB now that

1144

00:49:41,489 --> 00:49:38,829

actually happened as a result of a KGB

1145

00:49:45,719 --> 00:49:41,499

agent who was writing articles for

1146

00:49:47,309 --> 00:49:45,729

Harper's and the New Republic and one

1147

00:49:49,870 --> 00:49:47,319

thing that's really interesting there is

1148

00:49:53,170 --> 00:49:49,880

actually that that same organization

1149

00:49:56,320 --> 00:49:53,180

was writing these articles had Henry

1150

00:50:00,310 --> 00:49:56,330

Wallace the former vice president of FDR

1151

00:50:03,430 --> 00:50:00,320

as one of the KGB agents involved and he

1152

00:50:06,910 --> 00:50:03,440

was actually kicked out of the FDR

1153

00:50:09,150 --> 00:50:06,920

administration run for the I believe his

1154

00:50:13,690 --> 00:50:09,160

second term because of these

1155

00:50:15,700 --> 00:50:13,700

affiliations interesting so let's just

1156

00:50:19,650 --> 00:50:15,710

back up a little bit to some of Reich's

1157

00:50:22,960 --> 00:50:19,660

ideas because I really am intrigued by

1158

00:50:25,390 --> 00:50:22,970

extreme levels of control I just find it

1159

00:50:27,430 --> 00:50:25,400

fascinating and whether it's right or

1160

00:50:30,220 --> 00:50:27,440

wrong I just like to explore those types

1161

00:50:32,620 --> 00:50:30,230

of ideas so the thought that something

1162

00:50:36,130 --> 00:50:32,630

like the nuclear family which in our

1163

00:50:38,500 --> 00:50:36,140

society seems fairly automatic or

1164

00:50:41,170 --> 00:50:38,510

self-evident just from our context to

1165

00:50:43,900 --> 00:50:41,180

think that that could be engineered the

1166

00:50:46,630 --> 00:50:43,910

model of father and mother has sole

1167

00:50:48,880 --> 00:50:46,640

authority figures being engineered to

1168

00:50:51,130 --> 00:50:48,890

create a structured order like the

1169

00:50:53,560 --> 00:50:51,140

separation from the tribe and I guess

1170

00:50:56,440 --> 00:50:53,570

most importantly prepare children for a

1171

00:50:58,150 --> 00:50:56,450

life of servitude especially since like

1172

00:50:59,890 --> 00:50:58,160

you say those first seven years of a

1173

00:51:03,660 --> 00:50:59,900

child's life is when all the imprinting

1174

00:51:06,820 --> 00:51:03,670

is done so creating this type of

1175

00:51:09,610 --> 00:51:06,830

paradigm in those years is what might

1176

00:51:11,830 --> 00:51:09,620

breed a culture that is okay with

1177

00:51:13,480 --> 00:51:11,840

top-down control I do find that to be an

1178

00:51:15,340 --> 00:51:13,490

interesting idea we've talked about it

1179

00:51:18,730 --> 00:51:15,350

in the school system of course it's very

1180

00:51:22,560 --> 00:51:18,740

obvious there but to think that it goes

1181

00:51:25,090 --> 00:51:22,570

even deeper and even further back is

1182

00:51:28,300 --> 00:51:25,100

quite compelling I I really don't know

1183

00:51:32,770 --> 00:51:28,310

what to think about it but I like the

1184

00:51:35,470 --> 00:51:32,780

concept of exploring it well so the

1185

00:51:38,220 --> 00:51:35,480

thing is that basically what right notes

1186

00:51:41,440 --> 00:51:38,230

in his book is that more tribal

1187

00:51:43,660 --> 00:51:41,450

societies that were not really in a

1188

00:51:45,850 --> 00:51:43,670

civilized level of development what we

1189

00:51:50,050 --> 00:51:45,860

would call civilization where there's

1190

00:51:52,390 --> 00:51:50,060

large social structures and centralized

1191

00:51:54,300 --> 00:51:52,400

Authority you know you might have a

1192

00:51:57,010 --> 00:51:54,310

council of elders or things like that

1193

00:51:58,090 --> 00:51:57,020

but it wasn't something you know where

1194

00:52:00,040 --> 00:51:58,100

there was there was a huge amount of

1195

00:52:01,390 --> 00:52:00,050

power that anyone could really have for

1196

00:52:03,490 --> 00:52:01,400

anybody else and people were always

1197

00:52:05,589 --> 00:52:03,500

allowed to speak out

1198

00:52:08,800 --> 00:52:05,599

they're a viewpoint in meetings with the

1199

00:52:10,720 --> 00:52:08,810

elders and things like that so it has a

1200

00:52:14,620 --> 00:52:10,730

lot to do with Authority in and of

1201

00:52:16,630 --> 00:52:14,630

itself and the thing is as you civilize

1202

00:52:19,270 --> 00:52:16,640

basically what you're doing is you're

1203

00:52:23,800 --> 00:52:19,280

planting crops you're getting livestock

1204

00:52:26,470 --> 00:52:23,810

and you're basically trying to assert

1205

00:52:29,200 --> 00:52:26,480

your authority on nature so right there

1206

00:52:33,190 --> 00:52:29,210

there's there's a inherent kind of

1207

00:52:36,430 --> 00:52:33,200

authoritarian aspect to what people

1208

00:52:40,320 --> 00:52:36,440

think of as the civilization procedure

1209

00:52:42,910 --> 00:52:40,330

and then also on top of that as these

1210

00:52:46,230 --> 00:52:42,920

societies start to grow they start to

1211

00:52:49,720 --> 00:52:46,240

create cities where you have more

1212

00:52:51,910 --> 00:52:49,730

separation between the production of

1213

00:52:54,730 --> 00:52:51,920

food and consumption of food and you

1214

00:52:57,130 --> 00:52:54,740

start to have more hierarchy and more of

1215

00:52:59,560 --> 00:52:57,140

a bureaucracy that becomes involved you

1216

00:53:01,359 --> 00:52:59,570

need to extract more food from the

1217

00:53:04,720 --> 00:53:01,369

people who are working at the periphery

1218

00:53:07,450 --> 00:53:04,730

of the city to feed it in order to be

1219

00:53:10,900 --> 00:53:07,460

able to support the populations that you

1220

00:53:14,200 --> 00:53:10,910

have and in doing so there's becomes a

1221

00:53:15,820 --> 00:53:14,210

concentration of power and wealth hmm

1222

00:53:17,680 --> 00:53:15,830

see I always thought I wanted an

1223

00:53:19,410 --> 00:53:17,690

egalitarian lifestyle but I've got

1224

00:53:22,150 --> 00:53:19,420

friends who have visited several

1225

00:53:24,160 --> 00:53:22,160

communities and came away from the mall

1226

00:53:26,380 --> 00:53:24,170

pretty disappointed and during the

1227

00:53:28,420 --> 00:53:26,390

Occupy days I was pretty involved in the

1228

00:53:30,490 --> 00:53:28,430

little sub community that popped up in

1229

00:53:32,710 --> 00:53:30,500

San Diego with the whole lending

1230

00:53:35,829 --> 00:53:32,720

libraries and group sharing types of

1231

00:53:37,839 --> 00:53:35,839

experimentation and there was some real

1232

00:53:40,300 --> 00:53:37,849

positivity about it but without some

1233

00:53:41,710 --> 00:53:40,310

form of hierarchy I also just saw a lot

1234

00:53:44,050 --> 00:53:41,720

of chaos where you have some

1235

00:53:45,910 --> 00:53:44,060

self-appointed loud-mouthed taking the

1236

00:53:48,820 --> 00:53:45,920

stage and because they were trying to

1237

00:53:51,190 --> 00:53:48,830

get a consensus for everything 50 people

1238

00:53:53,500 --> 00:53:51,200

all had to weigh in on the simplest of

1239

00:53:55,540 --> 00:53:53,510

things I guess one example would be

1240

00:53:57,640 --> 00:53:55,550

there were older folks who came out and

1241

00:54:00,310 --> 00:53:57,650

said look we want to be here rallying

1242

00:54:02,170 --> 00:54:00,320

against the 1% but we've got to work

1243

00:54:03,579 --> 00:54:02,180

tomorrow so if we're gonna stay down

1244

00:54:05,650 --> 00:54:03,589

here in the city square we've got to

1245

00:54:07,510 --> 00:54:05,660

have some quiet hours and then you got a

1246

00:54:09,099 --> 00:54:07,520

bunch of homeless hippie kids saying

1247

00:54:11,410 --> 00:54:09,109

well if you have a job that kind of

1248

00:54:13,150 --> 00:54:11,420

sounds like your problem not mine we

1249

00:54:15,970 --> 00:54:13,160

just want to play music and spread joy

1250

00:54:17,420 --> 00:54:15,980

so there was just no direction and no

1251

00:54:19,220 --> 00:54:17,430

accountability and of course

1252

00:54:21,410 --> 00:54:19,230

this is just one example and there are

1253

00:54:23,660 --> 00:54:21,420

other ways it can be done but the few

1254

00:54:25,849 --> 00:54:23,670

examples I do have didn't seem as

1255

00:54:28,309 --> 00:54:25,859

advantageous as I was expecting

1256

00:54:30,349 --> 00:54:28,319

so I guess to make it a question why

1257

00:54:33,740 --> 00:54:30,359

does it seem to me that communal living

1258

00:54:35,089 --> 00:54:33,750

or egalitarian groups typically seem to

1259

00:54:37,250 --> 00:54:35,099

be just scraping by

1260

00:54:41,180 --> 00:54:37,260

rather than thriving if they can even

1261

00:54:46,130 --> 00:54:41,190

get off the ground well what you're

1262

00:54:50,359 --> 00:54:46,140

talking about is Anarchy start with it

1263

00:54:52,790 --> 00:54:50,369

was and that's not really what you see

1264

00:54:56,630 --> 00:54:52,800

an alligator Galit Aryan societies you

1265

00:54:59,059 --> 00:54:56,640

see more input from the people who are

1266

00:55:02,270 --> 00:54:59,069

involved in doing the work in those

1267

00:55:03,890 --> 00:55:02,280

societies were involved in actually

1268

00:55:07,120 --> 00:55:03,900

maintaining the relationships with the

1269

00:55:11,000 --> 00:55:07,130

land but you can still have larger

1270

00:55:14,599 --> 00:55:11,010

accumulations of people and you can have

1271

00:55:17,270 --> 00:55:14,609

larger societal structures as long as

1272

00:55:20,089 --> 00:55:17,280

that link is maintained that you know

1273

00:55:23,059 --> 00:55:20,099

there there is able to be this feedback

1274

00:55:26,750 --> 00:55:23,069

but as these indigenous societies become

1275

00:55:30,020 --> 00:55:26,760

civilized it becomes almost too big to

1276

00:55:32,120 --> 00:55:30,030

make that happen at a central in a

1277

00:55:35,650 --> 00:55:32,130

centralized way of loris tend to

1278

00:55:39,349 --> 00:55:35,660

centralize as you get into these

1279

00:55:42,410 --> 00:55:39,359

civilized structures mm-hmm now there is

1280

00:55:45,980 --> 00:55:42,420

evidence of being able to do this I mean

1281

00:55:48,500 --> 00:55:45,990

there's Mondragon in Spain which is a

1282

00:55:52,370 --> 00:55:48,510

you know worker-owned engineering

1283

00:55:55,730 --> 00:55:52,380

cooperative and you know they basically

1284

00:55:58,220 --> 00:55:55,740

have it so that people are able to vote

1285

00:55:59,870 --> 00:55:58,230

and control how things are done within

1286

00:56:04,010 --> 00:55:59,880

the company and they've been very

1287

00:56:06,589 --> 00:56:04,020

successful so it's not like it can't be

1288

00:56:09,680 --> 00:56:06,599

done in a civilized you know environment

1289

00:56:12,020 --> 00:56:09,690

but it hasn't tended to work out that

1290

00:56:14,390 --> 00:56:12,030

way that's kind of something where that

1291

00:56:17,780 --> 00:56:14,400

had to be founded on its own to start

1292

00:56:20,569 --> 00:56:17,790

with and there are more companies that

1293

00:56:21,980 --> 00:56:20,579

are starting to look at that model but

1294

00:56:25,430 --> 00:56:21,990

there still aren't a whole lot of

1295

00:56:28,400 --> 00:56:25,440

examples right and that seems to be one

1296

00:56:31,310 --> 00:56:28,410

of my issues is just that there aren't a

1297

00:56:32,870 --> 00:56:31,320

ton of examples of six

1298

00:56:34,400 --> 00:56:32,880

in this area and it could be because of

1299

00:56:36,890 --> 00:56:34,410

sabotage

1300

00:56:38,750 --> 00:56:36,900

you know co-opting it could be the same

1301
00:56:41,330 --> 00:56:38,760
reason why Reich's work was destroyed we

1302
00:56:44,060 --> 00:56:41,340
don't want examples out there that show

1303
00:56:46,340 --> 00:56:44,070
you a different way but I guess that

1304
00:56:49,040 --> 00:56:46,350
leads us to a section about some of the

1305
00:56:52,250 --> 00:56:49,050
solves for fascism and authoritarianism

1306
00:56:55,370 --> 00:56:52,260
if it's so pervasive that the family

1307
00:56:58,550 --> 00:56:55,380
structure schooling and our repressive

1308
00:57:00,860 --> 00:56:58,560
sexuality are all tied up in it maybe

1309
00:57:02,840 --> 00:57:00,870
the aliens built us to be subservient

1310
00:57:06,860 --> 00:57:02,850
maybe there is no other way what else

1311
00:57:09,200 --> 00:57:06,870
can we do how else can we be well I'd

1312
00:57:11,780 --> 00:57:09,210
like to get back to that and a little

1313
00:57:14,090 --> 00:57:11,790

bit if that's okay sure I'd like to

1314

00:57:16,220 --> 00:57:14,100

continue talking a bit about Reich's

1315

00:57:19,010 --> 00:57:16,230

work and then that is a part of Reich's

1316

00:57:21,440 --> 00:57:19,020

work but I'd like to get through this

1317

00:57:24,530 --> 00:57:21,450

other section first let's do it

1318

00:57:26,870 --> 00:57:24,540

to kind of explore the the sexuality

1319

00:57:29,690 --> 00:57:26,880

link a bit more as well as kind of brain

1320

00:57:32,090 --> 00:57:29,700

anatomy and how that feeds into all this

1321

00:57:33,470 --> 00:57:32,100

I'd love to hear the data that supports

1322

00:57:37,370 --> 00:57:33,480

that because it is kind of an out-there

1323

00:57:39,800 --> 00:57:37,380

idea yeah so I want to I wanted start to

1324

00:57:41,660 --> 00:57:39,810

slog through that first so one notable

1325

00:57:43,880 --> 00:57:41,670

difference between matriarchal and

1326

00:57:46,340 --> 00:57:43,890

patriarchal societies which right does

1327

00:57:47,690 --> 00:57:46,350

not discuss in great depth is the form

1328

00:57:49,880 --> 00:57:47,700

of marriage beyond the monogamous

1329

00:57:52,460 --> 00:57:49,890

marriage in his book he considered it

1330

00:57:54,700 --> 00:57:52,470

untenable and kept his discussion within

1331

00:57:57,590 --> 00:57:54,710

the context of monogamous relationships

1332

00:58:00,430 --> 00:57:57,600

polygamy has three main forms there's

1333

00:58:02,810 --> 00:58:00,440

Polly Janie which is multiple wives

1334

00:58:05,150 --> 00:58:02,820

polyandry which is multiple husbands in

1335

00:58:09,440 --> 00:58:05,160

group marriages which is multiple

1336

00:58:11,510 --> 00:58:09,450

husbands and multiple wives of the 1231

1337

00:58:14,750 --> 00:58:11,520

societies listened in the 1980 at the

1338

00:58:19,220 --> 00:58:14,760

graphic Atlas 186 were found to be

1339

00:58:22,940 --> 00:58:19,230

monogamous 453 had occasional Polly

1340

00:58:26,570 --> 00:58:22,950

Janie and 588 had more frequent Polly

1341

00:58:28,970 --> 00:58:26,580

Chiney and four had polyandry the

1342

00:58:31,040 --> 00:58:28,980

expression of Polly Janie can be

1343

00:58:33,260 --> 00:58:31,050

characterized by women having little say

1344

00:58:35,510 --> 00:58:33,270

in the arrangement and be traded for

1345

00:58:38,150 --> 00:58:35,520

some sort of some form of dowry for

1346

00:58:39,830 --> 00:58:38,160

political economic and religious favors

1347

00:58:42,230 --> 00:58:39,840

being bestowed upon her father as head

1348

00:58:44,760 --> 00:58:42,240

of the family polyandry tends to be

1349

00:58:46,620 --> 00:58:44,770

characterized by a especially hard

1350

00:58:48,650 --> 00:58:46,630

environment lending to the need for

1351

00:58:52,440 --> 00:58:48,660

greater stability in the marriage and

1352

00:58:56,340 --> 00:58:52,450

this also tends to be arranged now the

1353

00:58:59,400 --> 00:58:56,350

final form the group marriage is one

1354

00:59:02,510 --> 00:58:59,410

that I find interesting because it can

1355

00:59:07,410 --> 00:59:02,520

be tied to an example of another

1356

00:59:10,200 --> 00:59:07,420

organism the bonobo chimpanzee which has

1357

00:59:12,960 --> 00:59:10,210

a very similar social structure so I

1358

00:59:14,370 --> 00:59:12,970

actually first found out about this

1359

00:59:16,860 --> 00:59:14,380

phenomenon I didn't even know it existed

1360

00:59:19,250 --> 00:59:16,870

before I saw that documentary we're

1361

00:59:21,780 --> 00:59:19,260

talking about a Tibetan town and

1362

00:59:25,560 --> 00:59:21,790

basically they showed you know women

1363

00:59:27,060 --> 00:59:25,570

having multiple husbands and husbands

1364

00:59:28,950 --> 00:59:27,070

having multiple wives

1365

00:59:30,600 --> 00:59:28,960

and it was a sort of thing where you

1366

00:59:32,490 --> 00:59:30,610

know you might have two or three wives

1367

00:59:34,620 --> 00:59:32,500

and she might one of your wives might

1368

00:59:35,640 --> 00:59:34,630

have two or three husbands and you know

1369

00:59:37,290 --> 00:59:35,650

it was just kind of this fluid

1370

00:59:38,580 --> 00:59:37,300

arrangement where okay if you don't

1371

00:59:41,640 --> 00:59:38,590

really like each other anymore

1372

00:59:43,440 --> 00:59:41,650

it isn't going to destroy the family you

1373

00:59:45,570 --> 00:59:43,450

just kind of say okay well our marriage

1374

00:59:48,570 --> 00:59:45,580

is ended there isn't really any

1375

00:59:52,830 --> 00:59:48,580

punishment or anything that gets imposed

1376

00:59:56,340 --> 00:59:52,840

on the family as result and you just

1377

00:59:58,650 --> 00:59:56,350

kind of end things and move on but you

1378

01:00:01,580 --> 00:59:58,660

can also keep it going with your other

1379

01:00:04,590 --> 01:00:01,590

partners that you have and in this case

1380

01:00:06,930 --> 01:00:04,600

typically the you know it's kind of the

1381

01:00:10,230 --> 01:00:06,940

the mother is the root of the family and

1382

01:00:12,600 --> 01:00:10,240

the mother's aunts might help out with

1383

01:00:16,350 --> 01:00:12,610

with raising the children as well as the

1384

01:00:18,240 --> 01:00:16,360

husbands and the children aren't even

1385

01:00:20,250 --> 01:00:18,250

really aware of who their father is they

1386

01:00:22,250 --> 01:00:20,260

just know that this is my first dad this

1387

01:00:24,960 --> 01:00:22,260

is my second that this is my third dad

1388

01:00:27,660 --> 01:00:24,970

see I don't like that that's the part

1389

01:00:30,960 --> 01:00:27,670

where I start to be like hmm do I really

1390

01:00:33,240 --> 01:00:30,970

want that well I'm not saying that I I

1391

01:00:35,610 --> 01:00:33,250

mean I'm not in any sort of arrangement

1392

01:00:38,940 --> 01:00:35,620

like that myself I'm just pointing it

1393

01:00:41,280 --> 01:00:38,950

out because it has corollaries with

1394

01:00:43,680 --> 01:00:41,290

bonobos right and it's just a different

1395

01:00:45,270 --> 01:00:43,690

way we could potentially live and it

1396

01:00:48,090 --> 01:00:45,280

would have totally different effects as

1397

01:00:49,800 --> 01:00:48,100

you can see how dowries and the

1398

01:00:52,220 --> 01:00:49,810

purchasing of wives and the

1399

01:00:54,240 --> 01:00:52,230

authoritarian father creates a little

1400

01:00:55,800 --> 01:00:54,250

totalitarian state in the household you

1401

01:00:58,480 --> 01:00:55,810

can see that so it is worth exploring

1402

01:01:00,700 --> 01:00:58,490

alternatives but even without

1403

01:01:02,800 --> 01:01:00,710

having you know this plurality of

1404

01:01:04,990 --> 01:01:02,810

relationships you could still have I

1405

01:01:08,170 --> 01:01:05,000

mean our current society

1406

01:01:11,440 --> 01:01:08,180

it's definitely centered around the

1407

01:01:14,080 --> 01:01:11,450

father and the father is family mm-hmm

1408

01:01:18,970 --> 01:01:14,090

it's like the wife typically goes to be

1409

01:01:20,620 --> 01:01:18,980

with him so there's but in this other

1410

01:01:23,320 --> 01:01:20,630

arrangement there's more maternal

1411

01:01:25,780 --> 01:01:23,330

relationship arrangement is actually the

1412

01:01:28,900 --> 01:01:25,790

family doesn't typically get broken up

1413

01:01:31,600 --> 01:01:28,910

when there's a ending of the marriage

1414

01:01:34,690 --> 01:01:31,610

the father just kind of goes on and does

1415

01:01:37,750 --> 01:01:34,700

what what he wants to do so there isn't

1416

01:01:39,580 --> 01:01:37,760

a real breakup of the family you know

1417

01:01:42,130 --> 01:01:39,590

there's still the ansed who are able to

1418

01:01:44,350 --> 01:01:42,140

be leveraged and things like that so but

1419

01:01:47,140 --> 01:01:44,360

I mean this is also in a small town so

1420

01:01:50,020 --> 01:01:47,150

it's not like people are really moving

1421

01:01:52,300 --> 01:01:50,030

away and you know extended families are

1422

01:01:55,840 --> 01:01:52,310

pretty pretty much still intact what

1423

01:01:57,730 --> 01:01:55,850

about data on fatherless households now

1424

01:02:00,600 --> 01:01:57,740

I know obviously our society has a lot

1425

01:02:03,910 --> 01:02:00,610

of things a lot of factors that would be

1426

01:02:05,859 --> 01:02:03,920

affecting a person's life but what type

1427

01:02:07,870 --> 01:02:05,869

of effects does removing that component

1428

01:02:09,670 --> 01:02:07,880

have I mean I guess it might not

1429

01:02:11,500 --> 01:02:09,680

manifest the way it wouldn't know in a

1430

01:02:13,380 --> 01:02:11,510

full society it was doing that kind of

1431

01:02:17,230 --> 01:02:13,390

thing but in our society it seems to

1432

01:02:19,750 --> 01:02:17,240

create more problems than benefits yeah

1433

01:02:21,609 --> 01:02:19,760

there's definitely I mean the thing is

1434

01:02:23,170 --> 01:02:21,619

in the situation I'm talking about

1435

01:02:25,660 --> 01:02:23,180

there's there would be other father

1436

01:02:27,940 --> 01:02:25,670

figures a bigger network is that really

1437

01:02:32,800 --> 01:02:27,950

apples to apples comparison of course

1438

01:02:35,170 --> 01:02:32,810

but also in the patriarchal family the

1439

01:02:38,290 --> 01:02:35,180

father is the main breadwinner you know

1440

01:02:40,690 --> 01:02:38,300

and so everybody is kind of dependent on

1441

01:02:42,250 --> 01:02:40,700

that person that's true in society is

1442

01:02:45,670 --> 01:02:42,260

structured that if you don't have that

1443

01:02:48,280 --> 01:02:45,680

figure it's very very hard for a single

1444

01:02:50,200 --> 01:02:48,290

mom to make a living wage which has all

1445

01:02:53,050 --> 01:02:50,210

kinds of repercussions yeah even today

1446

01:02:55,750 --> 01:02:53,060

but if you look back at like 40s 50s oh

1447

01:02:58,200 --> 01:02:55,760

it was completely devastating I mean

1448

01:03:01,420 --> 01:02:58,210

this is why this is why little girls

1449

01:03:03,180 --> 01:03:01,430

would go to college to meet a man rather

1450

01:03:06,060 --> 01:03:03,190

than to learn things at rail because

1451

01:03:09,670 --> 01:03:06,070

that's how everything was structured

1452

01:03:11,950 --> 01:03:09,680

very true so I'd like to go ahead and

1453

01:03:14,980 --> 01:03:11,960

start talking about the Innova

1454

01:03:17,470 --> 01:03:14,990

connection absolutely so the bonobo

1455

01:03:20,079 --> 01:03:17,480

chimp was first discovered in 1929 in

1456

01:03:21,670 --> 01:03:20,089

the form of a skull specimen and it

1457

01:03:23,410 --> 01:03:21,680

wasn't really understood to be different

1458

01:03:26,260 --> 01:03:23,420

from other chimpanzees until the early

1459

01:03:28,630 --> 01:03:26,270

50s so this is an example that would not

1460

01:03:31,240 --> 01:03:28,640

have been one that Reich himself had

1461

01:03:34,390 --> 01:03:31,250

been aware of and the late 1970s

1462

01:03:36,190 --> 01:03:34,400

chimpanzees which are much more closely

1463

01:03:39,130 --> 01:03:36,200

related to humans became the model for

1464

01:03:43,720 --> 01:03:39,140

the human ancestor before that it was

1465

01:03:46,569 --> 01:03:43,730

the baboon the traits that led people to

1466

01:03:49,870 --> 01:03:46,579

take this model were cooperative hunting

1467

01:03:53,920 --> 01:03:49,880

food sharing tool use power politics and

1468

01:03:57,460 --> 01:03:53,930

primitive warfare but as bonobo and so

1469

01:03:59,589 --> 01:03:57,470

this was kind of seen as the model for

1470

01:04:02,049 --> 01:03:59,599

why we are who we are why we have

1471

01:04:03,519 --> 01:04:02,059

patriarchal societies why you know

1472

01:04:06,930 --> 01:04:03,529

Authority and domination

1473

01:04:10,029 --> 01:04:06,940

lead our societies but as bonobo society

1474

01:04:11,980 --> 01:04:10,039

has begun to be studying more detail it

1475

01:04:14,859 --> 01:04:11,990

provides an alternative view of our

1476

01:04:18,760 --> 01:04:14,869

closest relatives the bonobo chimpanzee

1477

01:04:21,430 --> 01:04:18,770

in their society sex is common often

1478

01:04:25,029 --> 01:04:21,440

performed in a mocker Mitchell fashion

1479

01:04:27,490 --> 01:04:25,039

and is almost nonchalant as a handshake

1480

01:04:29,620 --> 01:04:27,500

well not dominating their interactions

1481

01:04:32,049 --> 01:04:29,630

it seems to act as a way to prevent

1482

01:04:33,670 --> 01:04:32,059

potential conflicts the charging

1483

01:04:35,859 --> 01:04:33,680

displays that bonobos are much more

1484

01:04:38,470 --> 01:04:35,869

subdued than those of common chimpanzees

1485

01:04:41,349 --> 01:04:38,480

which can often extend in protracted

1486

01:04:43,990 --> 01:04:41,359

Tantrums in the common chip in the

1487

01:04:45,400 --> 01:04:44,000

comment imp dominant males keep a tight

1488

01:04:47,230 --> 01:04:45,410

rein on the reproductive rights of

1489

01:04:50,140 --> 01:04:47,240

females with the gang of subordinate

1490

01:04:52,359 --> 01:04:50,150

males in bonobo society if a female is

1491

01:04:54,190 --> 01:04:52,369

accosted by a male the females will band

1492

01:04:57,849 --> 01:04:54,200

together to defend her against a

1493

01:04:59,140 --> 01:04:57,859

stronger male so while some may point to

1494

01:05:01,539 --> 01:04:59,150

the role of hierarchy and male

1495

01:05:03,970 --> 01:05:01,549

domination in natural societies like

1496

01:05:06,069 --> 01:05:03,980

lions or chimpanzees really we don't

1497

01:05:09,700 --> 01:05:06,079

need to look any further than the bonobo

1498

01:05:14,529 --> 01:05:09,710

for another model it is interesting yeah

1499

01:05:16,539 --> 01:05:14,539

now what might cause that why would free

1500

01:05:20,620 --> 01:05:16,549

expression of sexuality why would it act

1501
01:05:23,920 --> 01:05:20,630
to reduce aggression and reduce

1502
01:05:25,540 --> 01:05:23,930
domination because that is basically the

1503
01:05:27,670 --> 01:05:25,550
main thrust

1504
01:05:29,440 --> 01:05:27,680
of Reich's argument is that that's the

1505
01:05:32,350 --> 01:05:29,450
case no pun intended

1506
01:05:34,270 --> 01:05:32,360
and this is a good example of that but

1507
01:05:37,810 --> 01:05:34,280
what what would be the underlying cause

1508
01:05:39,730 --> 01:05:37,820
okay okay you know the bonobos are

1509
01:05:42,370 --> 01:05:39,740
rubbing their their hoop house and

1510
01:05:45,340 --> 01:05:42,380
weaves together you know and that's kind

1511
01:05:50,530 --> 01:05:45,350
of their handshake and they are a bunch

1512
01:05:52,570 --> 01:05:50,540
of [h__\h] what does that mean what are

1513
01:05:58,660 --> 01:05:52,580

these these ape hippie communes do and

1514

01:06:01,000 --> 01:05:58,670

then so these different modalities of

1515

01:06:02,320 --> 01:06:01,010

sexual expression have such an influence

1516

01:06:04,030 --> 01:06:02,330

on the development of character and

1517

01:06:06,460 --> 01:06:04,040

societal structure might what might be

1518

01:06:08,530 --> 01:06:06,470

the underlying cause the amygdala which

1519

01:06:11,440 --> 01:06:08,540

controls the fight-or-flight response is

1520

01:06:13,930 --> 01:06:11,450

also responsible for the sex drive for

1521

01:06:15,280 --> 01:06:13,940

example one study found the relation

1522

01:06:18,190 --> 01:06:15,290

between the size of the amygdala and

1523

01:06:20,140 --> 01:06:18,200

patients with epilepsy and another found

1524

01:06:22,720 --> 01:06:20,150

that patients with a larger remained

1525

01:06:25,480 --> 01:06:22,730

Magdala after neurosurgery had greater

1526

01:06:28,660 --> 01:06:25,490

sex drive this suggests that the sexual

1527

01:06:30,460 --> 01:06:28,670

expression and aggression are not just

1528

01:06:32,560 --> 01:06:30,470

psychologically but physiologically

1529

01:06:34,720 --> 01:06:32,570

linked and what weird witnessing in the

1530

01:06:37,530 --> 01:06:34,730

bonobos is a form of cultural expression

1531

01:06:42,130 --> 01:06:37,540

which taps into this inherent biology

1532

01:06:44,890 --> 01:06:42,140

for negating stress and aggression so

1533

01:06:47,110 --> 01:06:44,900

it's kind of like a bio act that they've

1534

01:06:48,940 --> 01:06:47,120

developed in their society this is

1535

01:06:51,040 --> 01:06:48,950

completely in agreement with dr. rice

1536

01:06:53,890 --> 01:06:51,050

assertions and at odds with the current

1537

01:06:55,480 --> 01:06:53,900

narrative regarding what authority you

1538

01:06:58,240 --> 01:06:55,490

know that the origins of Susilo of

1539

01:07:01,320 --> 01:06:58,250

authority at a fundamental level indeed

1540

01:07:04,060 --> 01:07:01,330

it would tend to lend to an

1541

01:07:06,940 --> 01:07:04,070

authoritarian egalitarian paradigm

1542

01:07:09,790 --> 01:07:06,950

rather than a left-right paradigm with

1543

01:07:11,830 --> 01:07:09,800

regard to fascism there is more direct

1544

01:07:13,390 --> 01:07:11,840

research to support this hypothesis as

1545

01:07:15,700 --> 01:07:13,400

studies have shown that in response to

1546

01:07:18,160 --> 01:07:15,710

theater liberals tend to become more

1547

01:07:20,230 --> 01:07:18,170

conservative in their thinking in a

1548

01:07:21,910 --> 01:07:20,240

response to a lack of fear like

1549

01:07:24,220 --> 01:07:21,920

imagining you're invincible like

1550

01:07:27,070 --> 01:07:24,230

Superman conservatives become more

1551
01:07:28,720 --> 01:07:27,080
liberal and they're thinking you know

1552
01:07:31,720 --> 01:07:28,730
those are some interesting studies that

1553
01:07:33,280 --> 01:07:31,730
have been done and while we're on the

1554
01:07:35,320 --> 01:07:33,290
topic of the brain I think it should be

1555
01:07:38,620 --> 01:07:35,330
mentioned that the more authority one

1556
01:07:39,660 --> 01:07:38,630
wields the less that somebody tends to

1557
01:07:42,960 --> 01:07:39,670
take into a

1558
01:07:44,760 --> 01:07:42,970
other's needs and feelings so this has

1559
01:07:47,720 --> 01:07:44,770
been recently substantiated by showing

1560
01:07:51,089 --> 01:07:47,730
that people in positions of authority

1561
01:07:54,000 --> 01:07:51,099
are actually not having the same mirror

1562
01:07:56,400 --> 01:07:54,010
neuron responses than people who are no

1563
01:07:58,500 --> 01:07:56,410

Authority the role of power on the

1564

01:08:00,390 --> 01:07:58,510

psyche has often been likened to being

1565

01:08:03,500 --> 01:08:00,400

drunk and this is kind of what that

1566

01:08:08,460 --> 01:08:03,510

shows as you become kind of emotionally

1567

01:08:10,920 --> 01:08:08,470

dampened as a result of power so to

1568

01:08:13,039 --> 01:08:10,930

explore the current paradigm of thought

1569

01:08:15,930 --> 01:08:13,049

with regard to the left-right paradigm

1570

01:08:20,400 --> 01:08:15,940

further we should start to talk about

1571

01:08:23,550 --> 01:08:20,410

what fascism has been commonly defined

1572

01:08:26,490 --> 01:08:23,560

as in the past a lot of people think of

1573

01:08:28,289 --> 01:08:26,500

the quote by Benito Mussolini which I'm

1574

01:08:31,410 --> 01:08:28,299

not even sure where it might be

1575

01:08:33,900 --> 01:08:31,420

attributed to in terms of the original

1576

01:08:35,669 --> 01:08:33,910

source but it says fascism should

1577

01:08:37,439 --> 01:08:35,679

rightly be called the corporatism as

1578

01:08:39,870 --> 01:08:37,449

this is the merger of corporate and

1579

01:08:42,120 --> 01:08:39,880

government power in practice liberals

1580

01:08:43,590 --> 01:08:42,130

tend to think of it as a corporate as

1581

01:08:46,229 --> 01:08:43,600

corporations controlling the government

1582

01:08:48,300 --> 01:08:46,239

and conservatives tend to think of it as

1583

01:08:51,329 --> 01:08:48,310

government controlling corporations in

1584

01:08:54,930 --> 01:08:51,339

both cases expressed by a dominating

1585

01:08:56,880 --> 01:08:54,940

Kafka esque bureaucracy the embodiment

1586

01:08:59,370 --> 01:08:56,890

of each of these modes can be found in

1587

01:09:01,709 --> 01:08:59,380

the fascist or communist models that are

1588

01:09:04,019 --> 01:09:01,719

commonly understood but I believe this

1589

01:09:05,970 --> 01:09:04,029

is a bit of a simplification and one

1590

01:09:09,930 --> 01:09:05,980

which leads to the left-right thinking

1591

01:09:11,550 --> 01:09:09,940

that I'm discussing right now in this

1592

01:09:13,680 --> 01:09:11,560

paradigm there are two sources of power

1593

01:09:15,930 --> 01:09:13,690

the state and the corporation people are

1594

01:09:17,130 --> 01:09:15,940

not really part of this equation as each

1595

01:09:20,099 --> 01:09:17,140

of these sources of power is

1596

01:09:22,229 --> 01:09:20,109

hierarchical and bureaucratic in nature

1597

01:09:23,729 --> 01:09:22,239

today people rank themselves along a

1598

01:09:25,410 --> 01:09:23,739

political spectrum of left and right

1599

01:09:26,970 --> 01:09:25,420

where left is characterized by a state

1600

01:09:29,400 --> 01:09:26,980

power and right is characterized by

1601
01:09:30,950 --> 01:09:29,410
corporate power this dichotomy is

1602
01:09:33,419 --> 01:09:30,960
limiting and does not accurately

1603
01:09:34,709 --> 01:09:33,429
characterize a source of power or the

1604
01:09:36,840 --> 01:09:34,719
different ways that power can be

1605
01:09:38,189 --> 01:09:36,850
expressed for instance during the Middle

1606
01:09:39,840 --> 01:09:38,199
Ages in Europe that would have been

1607
01:09:41,729 --> 01:09:39,850
definitely characterized as an

1608
01:09:44,430 --> 01:09:41,739
authoritarian regime with an autocratic

1609
01:09:46,499 --> 01:09:44,440
ruler granted authority by at large and

1610
01:09:48,660 --> 01:09:46,509
religious body with its own autonomous

1611
01:09:51,570 --> 01:09:48,670
leader this doesn't fit into the

1612
01:09:53,490 --> 01:09:51,580
definition of fascism in either case but

1613
01:09:55,170 --> 01:09:53,500

little difference would be noticed by

1614

01:09:57,030 --> 01:09:55,180

average person on the street besides

1615

01:09:59,610 --> 01:09:57,040

from which philosophies being espoused

1616

01:10:03,360 --> 01:09:59,620

when you compare feudalism with

1617

01:10:05,550 --> 01:10:03,370

communism or fascism right so I believe

1618

01:10:07,440 --> 01:10:05,560

the left-right paradigm is a sort of

1619

01:10:08,910 --> 01:10:07,450

mental trap designed to limit people's

1620

01:10:11,130 --> 01:10:08,920

thinking in a way that is mirrored

1621

01:10:13,200 --> 01:10:11,140

across opposing perspectives and that

1622

01:10:16,230 --> 01:10:13,210

leads to opposite conclusions based on

1623

01:10:19,310 --> 01:10:16,240

the same information fair enough I think

1624

01:10:23,340 --> 01:10:19,320

that's a great breakdown and maybe to

1625

01:10:25,680 --> 01:10:23,350

amend the definition that refers to it

1626

01:10:28,590 --> 01:10:25,690

is just corporations you just say

1627

01:10:30,960 --> 01:10:28,600

corporations and cabal's I mean little

1628

01:10:35,360 --> 01:10:30,970

groups of top-down leadership is that

1629

01:10:39,050 --> 01:10:35,370

fair to say you know it's basically a

1630

01:10:42,720 --> 01:10:39,060

merger of state and corporate power

1631

01:10:45,480 --> 01:10:42,730

where in the case of the Middle Ages the

1632

01:10:48,510 --> 01:10:45,490

state was a dictatorship you know and

1633

01:10:51,420 --> 01:10:48,520

right it was granted its legitimacy by

1634

01:10:54,090 --> 01:10:51,430

the other main industry at the time

1635

01:10:56,010 --> 01:10:54,100

which was religion right you can

1636

01:10:59,760 --> 01:10:56,020

consider that a corporation basically

1637

01:11:03,030 --> 01:10:59,770

basically a big monopoly on people's

1638

01:11:07,020 --> 01:11:03,040

spirituality that was you know sucking

1639

01:11:09,300 --> 01:11:07,030

up tithes and and you know issuing what

1640

01:11:12,030 --> 01:11:09,310

what was it called it was what Martin

1641

01:11:14,340 --> 01:11:12,040

Luther spoke out against when he tapped

1642

01:11:17,400 --> 01:11:14,350

his his little decree on the door of the

1643

01:11:18,540 --> 01:11:17,410

church it was the whatever that where

1644

01:11:19,980 --> 01:11:18,550

they were basically handing out pieces

1645

01:11:21,390 --> 01:11:19,990

of paper to forgive people for their

1646

01:11:26,610 --> 01:11:21,400

sins and charging him the scene about

1647

01:11:27,930 --> 01:11:26,620

some money I can't remember so I guess

1648

01:11:31,410 --> 01:11:27,940

at this point I think we should probably

1649

01:11:34,560 --> 01:11:31,420

talk about the last part of will home

1650

01:11:37,560 --> 01:11:34,570

rikes discussion about fascism and that

1651

01:11:41,370 --> 01:11:37,570

is work democracy yeah interesting

1652

01:11:44,010 --> 01:11:41,380

premise for sure yeah so basically in

1653

01:11:47,070 --> 01:11:44,020

the past you know we've had different

1654

01:11:50,460 --> 01:11:47,080

ways of organizing work one way was

1655

01:11:53,970 --> 01:11:50,470

basically you paid someone to perform a

1656

01:11:57,150 --> 01:11:53,980

task you might have a person was a slave

1657

01:11:59,700 --> 01:11:57,160

and in Roman times maybe they were they

1658

01:12:03,330 --> 01:11:59,710

voluntarily sold themselves into slavery

1659

01:12:05,430 --> 01:12:03,340

or they you know in colonial times they

1660

01:12:06,440 --> 01:12:05,440

were often captured and enforced in

1661

01:12:08,420 --> 01:12:06,450

slavery

1662

01:12:10,580 --> 01:12:08,430

you might also have a debt slave

1663

01:12:14,090 --> 01:12:10,590

relationship in the form of indentured

1664

01:12:17,030 --> 01:12:14,100

servitude but now what a lot of people

1665

01:12:19,730 --> 01:12:17,040

are talking about is wage slavery and I

1666

01:12:21,950 --> 01:12:19,740

think that's you know a very good

1667

01:12:23,990 --> 01:12:21,960

concept to start with since a lot of

1668

01:12:25,220 --> 01:12:24,000

your listeners would be familiar with

1669

01:12:28,190 --> 01:12:25,230

that oh yeah

1670

01:12:31,130 --> 01:12:28,200

but basically the idea is that you're

1671

01:12:33,530 --> 01:12:31,140

dependent on the wage you have to have

1672

01:12:37,120 --> 01:12:33,540

that in order to be able to meet your

1673

01:12:40,940 --> 01:12:37,130

needs and in order to do so you

1674

01:12:44,240 --> 01:12:40,950

basically sell your sovereignty to an

1675

01:12:47,270 --> 01:12:44,250

employer and say okay I will be here

1676

01:12:51,170 --> 01:12:47,280

this many hours a week while I'm there

1677

01:12:53,990 --> 01:12:51,180

I'm your robot I'm your tool do with me

1678

01:12:55,910 --> 01:12:54,000

as you wish and you know I can't really

1679

01:12:58,880 --> 01:12:55,920

say anything about it

1680

01:13:03,530 --> 01:12:58,890

but in the legal framework you're not

1681

01:13:07,820 --> 01:13:03,540

just a robot you're not just a tool you

1682

01:13:12,320 --> 01:13:07,830

aren't just being manipulated to exact

1683

01:13:16,010 --> 01:13:12,330

the will of your master you are still a

1684

01:13:18,080 --> 01:13:16,020

person but it's basically kind of an

1685

01:13:21,740 --> 01:13:18,090

abridged person but while you're in that

1686

01:13:25,250 --> 01:13:21,750

relationship because if you don't comply

1687

01:13:27,500 --> 01:13:25,260

with what you're being told then you can

1688

01:13:29,750 --> 01:13:27,510

be fired for insubordination under

1689

01:13:32,840 --> 01:13:29,760

basically every labor law that's that's

1690

01:13:34,310 --> 01:13:32,850

around but the thing is if something

1691

01:13:37,760 --> 01:13:34,320

criminal is going on

1692

01:13:41,209 --> 01:13:37,770

you're still culpable you know if you do

1693

01:13:42,590 --> 01:13:41,219

a criminal act as part of your job or

1694

01:13:45,229 --> 01:13:42,600

you're being asked to then you're gonna

1695

01:13:48,650 --> 01:13:45,239

catch 22 where you basically have to

1696

01:13:51,320 --> 01:13:48,660

resign you can't say no according to

1697

01:13:54,800 --> 01:13:51,330

labor law but you're still responsible

1698

01:13:58,100 --> 01:13:54,810

if you do this criminal act right and

1699

01:14:00,290 --> 01:13:58,110

that is really just kind of showing that

1700

01:14:02,450 --> 01:14:00,300

you aren't you're still responsible for

1701

01:14:05,060 --> 01:14:02,460

your actions you just granted no

1702

01:14:08,150 --> 01:14:05,070

authority you know the idea of work

1703

01:14:10,700 --> 01:14:08,160

democracy as Reich talks about it is

1704

01:14:13,910 --> 01:14:10,710

basically the idea that you would have

1705

01:14:16,550 --> 01:14:13,920

some authority over your work you know

1706

01:14:18,919 --> 01:14:16,560

in the case of working for a corporation

1707

01:14:20,930 --> 01:14:18,929

or working for a business it would be

1708

01:14:25,550 --> 01:14:20,940

the sort of situation where okay I'm

1709

01:14:29,120 --> 01:14:25,560

here and typically what's done today and

1710

01:14:32,630 --> 01:14:29,130

a lot of cooperatives or a lot of work

1711

01:14:35,360 --> 01:14:32,640

democracy sort of arrangements is that

1712

01:14:37,580 --> 01:14:35,370

you go to an assembly or something like

1713

01:14:41,169 --> 01:14:37,590

that once a week to kind of give

1714

01:14:44,090 --> 01:14:41,179

feedback on the overall flow of things

1715

01:14:46,970 --> 01:14:44,100

but it's still kind of hierarchical in

1716

01:14:49,370 --> 01:14:46,980

reality a lot of the day to day stuff

1717

01:14:52,100 --> 01:14:49,380

your boss is still responsible to you

1718

01:14:55,880 --> 01:14:52,110

but it's not really as direct as I think

1719

01:14:56,810 --> 01:14:55,890

it should perhaps be I would say you

1720

01:14:59,020 --> 01:14:56,820

know it should be the sort of thing

1721

01:15:02,419 --> 01:14:59,030

where you actually elect your boss

1722

01:15:05,479 --> 01:15:02,429

mm-hmm could you imagine if say you know

1723

01:15:08,060 --> 01:15:05,489

you have a bunch of factory workers or

1724

01:15:09,470 --> 01:15:08,070

you have a bunch of Engineers and you

1725

01:15:12,140 --> 01:15:09,480

say who's the best

1726

01:15:14,240 --> 01:15:12,150

for this job let's hold a vote and you

1727

01:15:16,010 --> 01:15:14,250

actually elect the project leader for

1728

01:15:18,740 --> 01:15:16,020

this project because that's the person

1729

01:15:21,590 --> 01:15:18,750

you think would be best or you know you

1730

01:15:23,990 --> 01:15:21,600

elect your boss because that's the most

1731

01:15:26,930 --> 01:15:24,000

knowledgeable and the person that you

1732

01:15:30,020 --> 01:15:26,940

think would be able to reflect the needs

1733

01:15:32,210 --> 01:15:30,030

of not just corporation but the rest of

1734

01:15:34,700 --> 01:15:32,220

the people in your group right like a

1735

01:15:38,030 --> 01:15:34,710

captain of the ship that the crew can

1736

01:15:40,160 --> 01:15:38,040

believe in and support yeah and you know

1737

01:15:42,970 --> 01:15:40,170

it would be the sort of thing where it's

1738

01:15:46,670 --> 01:15:42,980

not like every single decision is made

1739

01:15:48,710 --> 01:15:46,680

by voting once you get to that sort of

1740

01:15:51,170 --> 01:15:48,720

level you're kind of you're getting into

1741

01:15:53,030 --> 01:15:51,180

analysis paralysis and all this stuff

1742

01:15:55,910 --> 01:15:53,040

now it's a sort of thing where you have

1743

01:15:58,570 --> 01:15:55,920

to there needs to be a balance there

1744

01:16:01,940 --> 01:15:58,580

needs to be balance between somebody

1745

01:16:04,610 --> 01:16:01,950

always getting their will and mob rule

1746

01:16:07,760 --> 01:16:04,620

you know so kind of this my dictator mob

1747

01:16:10,910 --> 01:16:07,770

rule kind of dynamic but by allowing

1748

01:16:13,400 --> 01:16:10,920

people to say okay I think you should be

1749

01:16:14,720 --> 01:16:13,410

in charge and then once that person is

1750

01:16:17,600 --> 01:16:14,730

in charge you like you could have a

1751

01:16:19,250 --> 01:16:17,610

recall vote if enough people think hey

1752

01:16:24,020 --> 01:16:19,260

that's what the [h__h] is this guy doing

1753

01:16:25,600 --> 01:16:24,030

yeah or like if there's any one policy

1754

01:16:29,180 --> 01:16:25,610

where it's just like everybody's like um

1755

01:16:31,010 --> 01:16:29,190

I don't think so I think we should hold

1756

01:16:33,800 --> 01:16:31,020

a vote to override that decision you

1757

01:16:36,170 --> 01:16:33,810

know but on a day to day basis the guy's

1758

01:16:37,820 --> 01:16:36,180

not being an [h__h] the guy's you know

1759

01:16:39,110 --> 01:16:37,830

making reasonable decisions there's no

1760

01:16:41,720 --> 01:16:39,120

need for any of that stuff to even

1761

01:16:45,080 --> 01:16:41,730

happen it would just be normal workplace

1762

01:16:48,830 --> 01:16:45,090

mm-hmm so it would be the sort of thing

1763

01:16:51,140 --> 01:16:48,840

where maybe once every year or two or

1764

01:16:54,229 --> 01:16:51,150

every time there's a new project someone

1765

01:16:55,910 --> 01:16:54,239

would be chosen and typically the beat I

1766

01:16:57,620 --> 01:16:55,920

mean you're not going to just say okay

1767

01:17:00,050 --> 01:16:57,630

let's pull some person off the street

1768

01:17:02,360 --> 01:17:00,060

we've never met before and let's make

1769

01:17:04,520 --> 01:17:02,370

him in charge just based off with maybe

1770

01:17:05,930 --> 01:17:04,530

an hour with him when you're talking

1771

01:17:07,100 --> 01:17:05,940

about something like this where it's

1772

01:17:10,670 --> 01:17:07,110

like these are people even known for

1773

01:17:12,650 --> 01:17:10,680

years typically just even get into one

1774

01:17:14,690 --> 01:17:12,660

of these cooperatives you have to work

1775

01:17:17,150 --> 01:17:14,700

there for a year or two so that they

1776

01:17:19,160 --> 01:17:17,160

know that you're not gonna steal you're

1777

01:17:20,930 --> 01:17:19,170

not going to be dishonest you're not

1778

01:17:22,200 --> 01:17:20,940

going to you actually know how to do

1779

01:17:23,970 --> 01:17:22,210

your job

1780

01:17:26,340 --> 01:17:23,980

then you get you're able to you know

1781

01:17:28,709 --> 01:17:26,350

join the cooperative as a full member

1782

01:17:30,930 --> 01:17:28,719

with voting rights right kind of like

1783

01:17:33,270 --> 01:17:30,940

the contractors sort of a thing today

1784

01:17:36,170 --> 01:17:33,280

except most contractors they did told

1785

01:17:38,910 --> 01:17:36,180

they're going to be hired on they are

1786

01:17:41,640 --> 01:17:38,920

well how many people out there have some

1787

01:17:43,800 --> 01:17:41,650

know-nothing boss that just has this

1788

01:17:46,080 --> 01:17:43,810

corporate personality and is the

1789

01:17:48,240 --> 01:17:46,090

figurehead of the company just because

1790

01:17:50,610 --> 01:17:48,250

they're so politically correct they can

1791

01:17:52,050 --> 01:17:50,620

navigate conversations without actually

1792

01:17:54,660 --> 01:17:52,060

getting into the nitty-gritty of what

1793

01:17:56,430 --> 01:17:54,670

the company is actually doing and you

1794

01:17:57,780 --> 01:17:56,440

know people don't feel respected at

1795

01:17:59,850 --> 01:17:57,790

their workplace and that's one of the

1796

01:18:02,940 --> 01:17:59,860

big reasons they load that so much so to

1797

01:18:05,120 --> 01:18:02,950

have some say in its structure would be

1798

01:18:08,670 --> 01:18:05,130

of course ideal I mean who's gonna argue

1799

01:18:10,860 --> 01:18:08,680

against that except the corporate

1800

01:18:13,200 --> 01:18:10,870

cabal's you know as I was talking about

1801

01:18:16,470 --> 01:18:13,210

before with the brain research that that

1802

01:18:19,229 --> 01:18:16,480

was done on Authority the less that your

1803

01:18:22,830 --> 01:18:19,239

boss is accountable to you or to other

1804

01:18:25,140 --> 01:18:22,840

people the less they even consider your

1805

01:18:27,630 --> 01:18:25,150

viewpoint or your views or what you have

1806

01:18:30,510 --> 01:18:27,640

to say right and so the more

1807

01:18:33,959 --> 01:18:30,520

concentrated this power becomes the more

1808

01:18:36,420 --> 01:18:33,969

authority one yield when wields the less

1809

01:18:39,479 --> 01:18:36,430

they you know the more power drunk they

1810

01:18:41,340 --> 01:18:39,489

become the less accountable they are to

1811

01:18:44,490 --> 01:18:41,350

anyone yeah it's goddamn Lord of the

1812

01:18:48,229 --> 01:18:44,500

Rings Lord of the Rings you know all

1813

01:18:51,750 --> 01:18:48,239

that sort of stuff so this is a way to

1814

01:18:54,510 --> 01:18:51,760

deal with that research finding is to

1815

01:18:56,400 --> 01:18:54,520

say okay well now you're accountable if

1816

01:18:58,320 --> 01:18:56,410

you're constantly beating up on this

1817

01:19:00,240 --> 01:18:58,330

poor schlub who works for you for no

1818

01:19:01,800 --> 01:19:00,250

good reason they are going to notice

1819

01:19:03,660 --> 01:19:01,810

other people are going to notice it

1820

01:19:05,970 --> 01:19:03,670

that's a thing as this stuff gets

1821

01:19:08,970 --> 01:19:05,980

covered up by Authority and it gets

1822

01:19:11,310 --> 01:19:08,980

covered up by politics in the normal

1823

01:19:13,200 --> 01:19:11,320

workplace but in a workplace like this

1824

01:19:15,060 --> 01:19:13,210

people wouldn't you know it's like it's

1825

01:19:17,610 --> 01:19:15,070

like the female bonobos be like what the

1826

01:19:18,690 --> 01:19:17,620

[\h__\h] you doing [\h__\h] you know you're

1827

01:19:20,370 --> 01:19:18,700

not going to come over here and rape

1828

01:19:25,050 --> 01:19:20,380

Reaper girl she doesn't want you around

1829

01:19:27,240 --> 01:19:25,060

ya know so it's that kind of change in

1830

01:19:31,020 --> 01:19:27,250

mindset it doesn't mean that it has to

1831

01:19:33,930 --> 01:19:31,030

devolve into an anarchist or you know

1832

01:19:35,729 --> 01:19:33,940

this analysis paralysis constantly

1833

01:19:37,350 --> 01:19:35,739

voting sort of situation

1834

01:19:40,350 --> 01:19:37,360

but a lot of people jump to immediately

1835

01:19:44,129 --> 01:19:40,360

I mean to me I think it's kind of sad

1836

01:19:47,009 --> 01:19:44,139

and it's a really an indictment of our

1837

01:19:50,729 --> 01:19:47,019

society today that we we are in the

1838

01:19:53,250 --> 01:19:50,739

first established democracy in the

1839

01:19:55,229 --> 01:19:53,260

modern world and yet you talk about work

1840

01:19:56,819 --> 01:19:55,239

democracy and everybody is like oh [h__h]

1841

01:19:58,379 --> 01:19:56,829

look at this communist guy what the [h__h]

1842

01:20:01,319 --> 01:19:58,389

are you doing here he left he get the

1843

01:20:03,330 --> 01:20:01,329

[h__h] out right we can't even conceive of

1844

01:20:05,430 --> 01:20:03,340

having a little power in the workplace

1845

01:20:07,739 --> 01:20:05,440

we're so brainwashed for top-down

1846

01:20:09,660 --> 01:20:07,749

dominance yeah and that's the thing is

1847

01:20:12,540 --> 01:20:09,670

that nothing like this ever actually

1848

01:20:14,729 --> 01:20:12,550

happened in the Soviet Union

1849

01:20:17,370 --> 01:20:14,739

you know they write all their talk about

1850

01:20:20,669 --> 01:20:17,380

you know workers freedom and worker

1851

01:20:24,169 --> 01:20:20,679

control it just turned it to this into

1852

01:20:28,859 --> 01:20:24,179

the party control this authoritarian

1853

01:20:31,080 --> 01:20:28,869

heavy-handed and controlling plan that

1854

01:20:33,689 --> 01:20:31,090

was imposed on everyone and you I mean

1855

01:20:36,089 --> 01:20:33,699

like I said before there would really

1856

01:20:41,100 --> 01:20:36,099

any difference between the factory

1857

01:20:42,870 --> 01:20:41,110

worker in Soviet Russia or in Nazi

1858

01:20:44,640 --> 01:20:42,880

Germany there wasn't really any

1859

01:20:46,739 --> 01:20:44,650

difference whether you were a Jew in a

1860

01:20:48,390 --> 01:20:46,749

concentration camp or whether you were a

1861

01:20:51,089 --> 01:20:48,400

Russian engineer who got sent to the

1862

01:20:53,640 --> 01:20:51,099

gulag right it doesn't really matter it

1863

01:20:54,750 --> 01:20:53,650

they get us trapped in this left versus

1864

01:20:56,339 --> 01:20:54,760

right thing and looking at these

1865

01:20:58,129 --> 01:20:56,349

examples in history me like we'll look

1866

01:21:00,299 --> 01:20:58,139

at all the death communism has caused

1867

01:21:03,209 --> 01:21:00,309

capitalism's caused a lot of death too

1868

01:21:05,339 --> 01:21:03,219

but regardless of the debate it's like

1869

01:21:08,549 --> 01:21:05,349

we're stuck in a paradigm where we're

1870

01:21:10,950 --> 01:21:08,559

still looking at the people being pushed

1871

01:21:13,680 --> 01:21:10,960

around by top-down authoritarians and so

1872

01:21:15,629 --> 01:21:13,690

neither of those is the example we want

1873

01:21:17,879 --> 01:21:15,639

to look at knew that we can't find one

1874

01:21:20,250 --> 01:21:17,889

for what exactly we're trying to look at

1875

01:21:24,330 --> 01:21:20,260

well I mean the thing is that a lot of

1876

01:21:27,839 --> 01:21:24,340

the examples got basically killed off

1877

01:21:30,029 --> 01:21:27,849

during the colonial expansion after the

1878

01:21:31,919 --> 01:21:30,039

Renaissance I mean it was it was mainly

1879

01:21:34,049 --> 01:21:31,929

the the church she was doing the

1880

01:21:36,299 --> 01:21:34,059

Catholic Church was basically going

1881

01:21:38,370 --> 01:21:36,309

around oh who do you believe in oh you

1882

01:21:39,479 --> 01:21:38,380

don't know about Jesus will [h__h] you hmm

1883

01:21:40,770 --> 01:21:39,489

we're gonna we're gonna chop your head

1884

01:21:43,049 --> 01:21:40,780

off and you're gonna chop your hands off

1885

01:21:48,779 --> 01:21:43,059

okay next in line do you believe in

1886

01:21:49,560 --> 01:21:48,789

Jesus oh [h__h] yeah I believe and they

1887

01:21:56,430 --> 01:21:49,570

burned

1888

01:21:59,810 --> 01:21:56,440

lot of indigenous people who ended up

1889

01:22:02,100 --> 01:21:59,820

kind of hiding it within their

1890

01:22:03,930 --> 01:22:02,110

expression of the church they know they

1891

01:22:05,459 --> 01:22:03,940

still had little vestiges of it here and

1892

01:22:07,410 --> 01:22:05,469

there so they could you know kind of do

1893

01:22:10,140 --> 01:22:07,420

things to their old ways on the slide

1894

01:22:10,890 --> 01:22:10,150

but still a lot of it got lost oh yeah

1895

01:22:13,560 --> 01:22:10,900

for sure

1896

01:22:15,780 --> 01:22:13,570

and this colonial domination of wiped

1897

01:22:18,120 --> 01:22:15,790

out our examples to tell you the truth

1898

01:22:19,890 --> 01:22:18,130

well and it's just so funny that in

1899

01:22:21,959 --> 01:22:19,900

modern times whether you're on the left

1900

01:22:26,220 --> 01:22:21,969

the right a lot of people look at either

1901

01:22:28,790 --> 01:22:26,230

Obama or Trump as this father figure

1902

01:22:31,530 --> 01:22:28,800

this savior figure is pretty much like

1903

01:22:33,300 --> 01:22:31,540

people look at these people like the

1904

01:22:35,850 --> 01:22:33,310

second coming of Christ and it's just

1905

01:22:37,979 --> 01:22:35,860

this Savior motif of like oh well once

1906

01:22:41,010 --> 01:22:37,989

we get the right guy in there for the

1907

01:22:42,859 --> 01:22:41,020

top-down control then everything's gonna

1908

01:22:46,169 --> 01:22:42,869

be all right and it's just the same

1909

01:22:47,729 --> 01:22:46,179

revolving door of false hopes and maybe

1910

01:22:50,160 --> 01:22:47,739

we should look at changing the model

1911

01:22:52,109 --> 01:22:50,170

entirely well that's the thing is you

1912

01:22:54,740 --> 01:22:52,119

know it like I was saying with that

1913

01:22:57,899 --> 01:22:54,750

brain research so the more authority is

1914

01:23:00,209 --> 01:22:57,909

concentrated the less it's responsible

1915

01:23:03,359 --> 01:23:00,219

to the people are granting that

1916

01:23:05,040 --> 01:23:03,369

authority in reality then the worse

1917

01:23:06,959 --> 01:23:05,050

things are going to be no matter what

1918

01:23:08,700 --> 01:23:06,969

they're they just aren't gonna give a

1919

01:23:11,220 --> 01:23:08,710

[h__h] because they don't have to give a

1920

01:23:14,069 --> 01:23:11,230

[h__h] right you know and what would be

1921

01:23:16,290 --> 01:23:14,079

some of the primary safeguards against

1922

01:23:18,000 --> 01:23:16,300

that like if you are to throw out a

1923

01:23:21,330 --> 01:23:18,010

couple of things that there would be the

1924

01:23:24,089 --> 01:23:21,340

non-negotiables for a society with a

1925

01:23:25,649 --> 01:23:24,099

more advantageous structure I mean what

1926

01:23:27,270 --> 01:23:25,659

are those things that the oily

1927

01:23:30,600 --> 01:23:27,280

appendages of the elite aren't going to

1928

01:23:33,620 --> 01:23:30,610

be able to navigate around so I think

1929

01:23:38,069 --> 01:23:33,630

there needs to be you know definitely a

1930

01:23:40,979 --> 01:23:38,079

private industry and state control both

1931

01:23:43,620 --> 01:23:40,989

if you have one or the other and there's

1932

01:23:47,069 --> 01:23:43,630

notes no checks on private interests and

1933

01:23:49,379 --> 01:23:47,079

the public interest is or the public

1934

01:23:52,169 --> 01:23:49,389

interest is dominating everything then

1935

01:23:54,930 --> 01:23:52,179

you know you end up with the same sort

1936

01:23:57,270 --> 01:23:54,940

of end result but there needs to be a

1937

01:24:00,979 --> 01:23:57,280

balance between them where I think the

1938

01:24:02,910 --> 01:24:00,989

line would be what is essential for life

1939

01:24:06,600 --> 01:24:02,920

what's essential

1940

01:24:09,600 --> 01:24:06,610

the functioning of our planet and for an

1941

01:24:12,689 --> 01:24:09,610

economy and believe me our our economy

1942

01:24:15,540 --> 01:24:12,699

is a subset of the ecology of our planet

1943

01:24:17,610 --> 01:24:15,550

oh yeah you know all of our industries

1944

01:24:19,650 --> 01:24:17,620

are dependent on natural resources you

1945

01:24:21,660 --> 01:24:19,660

can't divest them from that and that's a

1946

01:24:24,000 --> 01:24:21,670

lot that's a big problem with a lot of

1947

01:24:25,800 --> 01:24:24,010

economic theory today is just thinking

1948

01:24:29,100 --> 01:24:25,810

that you can grow infinitely on a finite

1949

01:24:31,160 --> 01:24:29,110

planet so first of all I think there

1950

01:24:34,650 --> 01:24:31,170

needs to be both private and public

1951

01:24:37,740 --> 01:24:34,660

because the thing with public control is

1952

01:24:40,680 --> 01:24:37,750

it's always going to be just because

1953

01:24:42,570 --> 01:24:40,690

of the fact the state's gonna be it

1954

01:24:46,320 --> 01:24:42,580

should be larger than any one economic

1955

01:24:49,140 --> 01:24:46,330

entity to keep them in check but because

1956

01:24:51,990 --> 01:24:49,150

of that size there's going to be but you

1957

01:24:55,350 --> 01:24:52,000

know not so big that it stifles the

1958

01:24:59,640 --> 01:24:55,360

rights of the citizen but there's also

1959

01:25:01,770 --> 01:24:59,650

going to be kind of an inherent slowness

1960

01:25:03,000 --> 01:25:01,780

of response and that could be a good

1961

01:25:05,209 --> 01:25:03,010

thing and that can be a bad thing

1962

01:25:07,890 --> 01:25:05,219

because you know there can be a surplus

1963

01:25:10,229 --> 01:25:07,900

for these essential services that's

1964

01:25:14,070 --> 01:25:10,239

built up in a government or a public

1965

01:25:16,470 --> 01:25:14,080

entity that can't really be done in a

1966

01:25:18,300 --> 01:25:16,480

private entity not not one that's not so

1967

01:25:22,260 --> 01:25:18,310

big that it becomes a monopoly anyway

1968

01:25:24,419 --> 01:25:22,270

and there needs to be private expression

1969

01:25:27,450 --> 01:25:24,429

because in the economy because it's more

1970

01:25:30,240 --> 01:25:27,460

efficient in the long run it's it's more

1971

01:25:32,760 --> 01:25:30,250

adaptive but the thing is you can't have

1972

01:25:34,650 --> 01:25:32,770

any one group be able to dominate the

1973

01:25:37,640 --> 01:25:34,660

others so it needs to be a level playing

1974

01:25:40,979 --> 01:25:37,650

field and I also think that you know

1975

01:25:43,229 --> 01:25:40,989

just kind of due to human psychology a

1976

01:25:45,900 --> 01:25:43,239

person can't keep track of more than

1977

01:25:48,630 --> 01:25:45,910

about 100 120 contacts something like

1978

01:25:51,720 --> 01:25:48,640

that so that was kind of like the

1979

01:25:54,900 --> 01:25:51,730

optimized village size back back in

1980

01:25:57,209 --> 01:25:54,910

pre-industrial civilization and that was

1981

01:25:59,370 --> 01:25:57,219

just kind of because everybody kind of

1982

01:26:00,810 --> 01:25:59,380

knew everybody else they were they they

1983

01:26:02,820 --> 01:26:00,820

knew who they were dealing with they're

1984

01:26:06,330 --> 01:26:02,830

able to have long lasting relationships

1985

01:26:08,160 --> 01:26:06,340

and things like that so you know when

1986

01:26:11,430 --> 01:26:08,170

you get into these large these larger

1987

01:26:12,720 --> 01:26:11,440

structures of private entities then you

1988

01:26:15,419 --> 01:26:12,730

know things start to be able to get a

1989

01:26:17,280 --> 01:26:15,429

bit out of control that also helps to

1990

01:26:18,930 --> 01:26:17,290

guard against central

1991

01:26:21,480 --> 01:26:18,940

because the organization that gets too

1992

01:26:23,610 --> 01:26:21,490

big is obviously gonna get pushed

1993

01:26:25,980 --> 01:26:23,620

towards centralized control just for the

1994

01:26:28,980 --> 01:26:25,990

sake of tidiness and efficiency yeah

1995

01:26:32,070 --> 01:26:28,990

yeah that's the thing is basically that

1996

01:26:35,300 --> 01:26:32,080

essential service is this this kind of

1997

01:26:38,190 --> 01:26:35,310

safeguarding the role of the Commons is

1998

01:26:40,770 --> 01:26:38,200

basically where the state lands and then

1999

01:26:42,030 --> 01:26:40,780

things that aren't essential services

2000

01:26:44,940 --> 01:26:42,040

things that aren't like health care or

2001
01:26:46,500 --> 01:26:44,950
fire prevention or you know making sure

2002
01:26:49,740 --> 01:26:46,510
that there's enough natural resources

2003
01:26:53,160 --> 01:26:49,750
for industry to exist even it can fall

2004
01:26:55,680 --> 01:26:53,170
into this more of a kind of a

2005
01:26:59,100 --> 01:26:55,690
free-for-all but if you have you know

2006
01:27:02,040 --> 01:26:59,110
this work democracy built into it then

2007
01:27:04,680 --> 01:27:02,050
it's the sort of thing where there will

2008
01:27:07,440 --> 01:27:04,690
be more self-regulation and it won't

2009
01:27:10,680 --> 01:27:07,450
even have to get up to the state

2010
01:27:13,170 --> 01:27:10,690
regulation level because who's going to

2011
01:27:15,960 --> 01:27:13,180
be a part of a company where you have a

2012
01:27:18,600 --> 01:27:15,970
boat and you're able to work things out

2013
01:27:20,490 --> 01:27:18,610

between yourself and your boss who's

2014

01:27:22,200 --> 01:27:20,500

gonna vote for poisoning their

2015

01:27:25,290 --> 01:27:22,210

environment when they live there right

2016

01:27:26,640 --> 01:27:25,300

if that's imposed on you okay guys I

2017

01:27:28,410 --> 01:27:26,650

thought you want to do it otherwise I'm

2018

01:27:30,390 --> 01:27:28,420

out of here and I got the kids you know

2019

01:27:33,480 --> 01:27:30,400

I got the kids to pay for that their

2020

01:27:36,620 --> 01:27:33,490

school and my dogs you know he's got a

2021

01:27:39,660 --> 01:27:36,630

gimpy leg and you know my wife's oh man

2022

01:27:42,330 --> 01:27:39,670

she's not looking too hot today so she's

2023

01:27:45,240 --> 01:27:42,340

not working I better just just pump some

2024

01:27:47,610 --> 01:27:45,250

stuff down the drain you know so right

2025

01:27:49,710 --> 01:27:47,620

but if it's some board of executives on

2026

01:27:52,110 --> 01:27:49,720

Wall Street who only give a [h__h] about

2027

01:27:54,990 --> 01:27:52,120

the dollars coming in and they don't

2028

01:27:57,840 --> 01:27:55,000

care what goes on in these environments

2029

01:27:59,340 --> 01:27:57,850

outside of the city then you're of

2030

01:28:01,140 --> 01:27:59,350

course going to have problems and

2031

01:28:03,200 --> 01:28:01,150

nobody's going to be wanting to correct

2032

01:28:05,460 --> 01:28:03,210

it if the money train is still coming in

2033

01:28:07,500 --> 01:28:05,470

and there's also I mean have you ever

2034

01:28:10,230 --> 01:28:07,510

watched the documentary that the

2035

01:28:12,780 --> 01:28:10,240

corporation yeah it's very good the

2036

01:28:14,790 --> 01:28:12,790

psychoanalysis of a corporation if it

2037

01:28:19,110 --> 01:28:14,800

was an actual person and how it would be

2038

01:28:21,210 --> 01:28:19,120

completely psychopathic exactly yes yes

2039

01:28:24,300 --> 01:28:21,220

and then that's basically the way that

2040

01:28:29,430 --> 01:28:24,310

we have it set up the owners are the

2041

01:28:30,490 --> 01:28:29,440

shareholders and the only thing that the

2042

01:28:32,290 --> 01:28:30,500

leader the

2043

01:28:34,330 --> 01:28:32,300

kind of autonomous leader at the top is

2044

01:28:37,210 --> 01:28:34,340

really responsible for is for those

2045

01:28:40,090 --> 01:28:37,220

shareholders and their profits so it's a

2046

01:28:42,040 --> 01:28:40,100

completely self-interested kind of

2047

01:28:45,180 --> 01:28:42,050

modality that's really what

2048

01:28:47,500 --> 01:28:45,190

characterizes psychology in sociology is

2049

01:28:49,870 --> 01:28:47,510

always putting yourself in front of

2050

01:28:52,330 --> 01:28:49,880

others not in a protective sense like I

2051
01:28:54,730 --> 01:28:52,340
need to protect myself from others but

2052
01:28:56,710 --> 01:28:54,740
in an exploitive sense mm-hm

2053
01:29:00,970 --> 01:28:56,720
and I think that's probably a good

2054
01:29:03,670 --> 01:29:00,980
lead-in to our next topic which would be

2055
01:29:08,470 --> 01:29:03,680
you know a little bit about libertarian

2056
01:29:10,000 --> 01:29:08,480
psychology and philosophy sure let's

2057
01:29:11,770 --> 01:29:10,010
talk about that because you know I have

2058
01:29:13,420 --> 01:29:11,780
actually gotten into it with some of the

2059
01:29:16,060 --> 01:29:13,430
libertarian guests I've had because

2060
01:29:18,730 --> 01:29:16,070
while I do agree that I'd like less

2061
01:29:20,920 --> 01:29:18,740
state control in a broad sense if you

2062
01:29:22,600 --> 01:29:20,930
remove it entirely you have a world run

2063
01:29:25,540 --> 01:29:22,610

by corporations who will no doubt

2064

01:29:27,970 --> 01:29:25,550

exploit every worker they can every

2065

01:29:29,620 --> 01:29:27,980

consumer base they can and will just

2066

01:29:32,230 --> 01:29:29,630

trash the planet until there is nothing

2067

01:29:34,420 --> 01:29:32,240

left I know our current regulatory

2068

01:29:36,700 --> 01:29:34,430

agencies are completely compromised but

2069

01:29:38,170 --> 01:29:36,710

just to think that free markets and

2070

01:29:42,640 --> 01:29:38,180

corporate cabal's will police themselves

2071

01:29:45,370 --> 01:29:42,650

is insane yes I totally agree

2072

01:29:47,350 --> 01:29:45,380

now to get into this I think we should

2073

01:29:51,630 --> 01:29:47,360

start a little bit with some studies

2074

01:29:54,970 --> 01:29:51,640

into the psychology of libertarians go

2075

01:29:59,470 --> 01:29:54,980

okay it looks like there was a survey by

2076

01:30:01,060 --> 01:29:59,480

your morals org which basically had

2077

01:30:05,320 --> 01:30:01,070

everybody placed themselves on a

2078

01:30:08,270 --> 01:30:05,330

left-right scale and it allowed people

2079

01:30:13,040 --> 01:30:08,280

to choose libertarian as an option

2080

01:30:15,890 --> 01:30:13,050

now in a project led by rabbi ealer Ravi

2081

01:30:17,570 --> 01:30:15,900

ealer they analyzed the results from

2082

01:30:19,220 --> 01:30:17,580

nearly 12,000 self-described

2083

01:30:22,700 --> 01:30:19,230

libertarians and compared their

2084

01:30:25,400 --> 01:30:22,710

responses of 21,000 conservatives and 90

2085

01:30:28,180 --> 01:30:25,410

that 7,000 liberals the paper was

2086

01:30:30,440 --> 01:30:28,190

published last week in fluffs woman

2087

01:30:31,910 --> 01:30:30,450

findings largely confirm what

2088

01:30:35,150 --> 01:30:31,920

libertarians have been said about

2089

01:30:37,940 --> 01:30:35,160

themselves so here is what the results

2090

01:30:39,890 --> 01:30:37,950

of what the study said libertarians

2091

01:30:42,110 --> 01:30:39,900

match liberals and placing a relatively

2092

01:30:44,660 --> 01:30:42,120

low value on the moral foundations of

2093

01:30:46,640 --> 01:30:44,670

loyalty Authority and sanctity they're

2094

01:30:47,530 --> 01:30:46,650

not so concerned about sexual issues and

2095

01:30:50,330 --> 01:30:47,540

flag-burning

2096

01:30:52,610 --> 01:30:50,340

but they join conservatives and scoring

2097

01:30:54,590 --> 01:30:52,620

lower than liberals on care and fairness

2098

01:30:57,260 --> 01:30:54,600

foundations where fairness is mostly

2099

01:30:58,520 --> 01:30:57,270

equality not proportionality ie they

2100

01:31:00,890 --> 01:30:58,530

don't want a welfare state and

2101
01:31:03,110 --> 01:31:00,900
heavy-handed measures to force equality

2102
01:31:04,880 --> 01:31:03,120
this is why libertarians can't be placed

2103
01:31:07,070 --> 01:31:04,890
on the spectrum from left to right they

2104
01:31:09,650 --> 01:31:07,080
have a unique pattern that is no sense

2105
01:31:11,990 --> 01:31:09,660
just somewhere in the middle they really

2106
01:31:15,110 --> 01:31:12,000
do not they really do put liberty above

2107
01:31:18,260 --> 01:31:15,120
all other values on reasoning and

2108
01:31:21,320 --> 01:31:18,270
emotions most libertarians are of a

2109
01:31:25,360 --> 01:31:21,330
masculine style liberals are the most

2110
01:31:28,430 --> 01:31:25,370
feminine measures of empathizing and

2111
01:31:30,830 --> 01:31:28,440
systemising which refers to the drive to

2112
01:31:32,780 --> 01:31:30,840
analyze the variables in a system and

2113
01:31:34,670 --> 01:31:32,790

derive the underlying rules that govern

2114

01:31:37,400 --> 01:31:34,680

behavior of the system men tend to score

2115

01:31:39,020 --> 01:31:37,410

higher on this variable and libertarians

2116

01:31:41,240 --> 01:31:39,030

score the lowest of the three groups on

2117

01:31:44,360 --> 01:31:41,250

empathizing and the highest on

2118

01:31:46,160 --> 01:31:44,370

systemizing so in this and other

2119

01:31:48,050 --> 01:31:46,170

measures libertarians come out as

2120

01:31:52,940 --> 01:31:48,060

cerebral rational and the least

2121

01:31:56,000 --> 01:31:52,950

emotional and to me that kind of sounds

2122

01:31:58,880 --> 01:31:56,010

a little bit spectrum II you know what

2123

01:32:02,420 --> 01:31:58,890

I'm saying you know and actually I think

2124

01:32:04,190 --> 01:32:02,430

that people who have because the thing

2125

01:32:07,370 --> 01:32:04,200

is that somebody who's on the spectrum

2126

01:32:10,990 --> 01:32:07,380

from autism to vast burgers

2127

01:32:15,200 --> 01:32:11,000

those are kind of lower grades of

2128

01:32:18,200 --> 01:32:15,210

psychopathy and in a way but it's it

2129

01:32:21,230 --> 01:32:18,210

manifests differently they aren't it

2130

01:32:22,100 --> 01:32:21,240

isn't that they are trying to exploit

2131

01:32:24,950 --> 01:32:22,110

others

2132

01:32:26,750 --> 01:32:24,960

we're trying to take advantage about it

2133

01:32:30,290 --> 01:32:26,760

they just can't really relate to others

2134

01:32:34,630 --> 01:32:30,300

it's more of like a handicap rather than

2135

01:32:37,790 --> 01:32:34,640

like this monstrous violent and damaging

2136

01:32:41,360 --> 01:32:37,800

manifestation but it also tends to make

2137

01:32:44,750 --> 01:32:41,370

them higher functioning in terms of

2138

01:32:47,300 --> 01:32:44,760

their rationalization and their ability

2139

01:32:50,090 --> 01:32:47,310

to do things in a logical and ordered

2140

01:32:52,040 --> 01:32:50,100

manner fair enough man but that is

2141

01:32:54,140 --> 01:32:52,050

pretty harsh I do understand what you're

2142

01:32:56,210 --> 01:32:54,150

saying though it's kind of like leave me

2143

01:32:58,400 --> 01:32:56,220

alone I'm gonna do what I'm doing over

2144

01:33:00,680 --> 01:32:58,410

here and just you do what you do over

2145

01:33:02,840 --> 01:33:00,690

there but if everybody does that there's

2146

01:33:04,940 --> 01:33:02,850

going to be conflicts in certain areas

2147

01:33:07,670 --> 01:33:04,950

it's like the classic issue with Gary

2148

01:33:09,830 --> 01:33:07,680

Johnson when he was actually booed off

2149

01:33:12,620 --> 01:33:09,840

the stage at a libertarian rally because

2150

01:33:14,750 --> 01:33:12,630

he was trying to argue that well we

2151

01:33:16,970 --> 01:33:14,760

can't just let blind people get driver's

2152

01:33:19,840 --> 01:33:16,980

licenses and it's like well who are you

2153

01:33:22,340 --> 01:33:19,850

to say what authority do you have to

2154

01:33:25,070 --> 01:33:22,350

infringe on the rights of the blind to

2155

01:33:27,680 --> 01:33:25,080

drive I'm not saying that all

2156

01:33:29,780 --> 01:33:27,690

libertarians are on the spectrum by any

2157

01:33:31,550 --> 01:33:29,790

means no but I get what you're saying

2158

01:33:34,670 --> 01:33:31,560

and that's an example of how I can go

2159

01:33:36,110 --> 01:33:34,680

off the rails yeah I think of it in my

2160

01:33:39,410 --> 01:33:36,120

mind I have a distinction between

2161

01:33:41,390 --> 01:33:39,420

psychopathy and sociopathy this comes

2162

01:33:43,910 --> 01:33:41,400

from a book called political clue

2163

01:33:46,760 --> 01:33:43,920

neurology it was actually written by a

2164

01:33:50,000 --> 01:33:46,770

scientist he remember as a psychiatrist

2165

01:33:52,700 --> 01:33:50,010

or just a psychoanalyst or something

2166

01:33:54,290 --> 01:33:52,710

like that but he was basically one of

2167

01:33:56,780 --> 01:33:54,300

those two and he was living in Nazi

2168

01:33:58,490 --> 01:33:56,790

Germany no he was living in Poland when

2169

01:34:01,640 --> 01:33:58,500

Poland was invaded he was pursued by the

2170

01:34:04,100 --> 01:34:01,650

Nazis and then he ended up writing this

2171

01:34:07,400 --> 01:34:04,110

book about his experiences because I

2172

01:34:09,950 --> 01:34:07,410

think he was captured and imprisoned but

2173

01:34:13,720 --> 01:34:09,960

basically what he says is that psycho

2174

01:34:16,190 --> 01:34:13,730

ads are people who are the way they are

2175

01:34:20,180 --> 01:34:16,200

typically because of a trauma that

2176
01:34:23,260 --> 01:34:20,190
they've endured and it actually impacts

2177
01:34:26,860 --> 01:34:23,270
them at such a fundamental level that it

2178
01:34:29,390 --> 01:34:26,870
completely twists their psychology at a

2179
01:34:31,190 --> 01:34:29,400
biological level well just look at how

2180
01:34:33,920 --> 01:34:31,200
the elite apparently raised their own

2181
01:34:35,840 --> 01:34:33,930
kids something you sent me talked about

2182
01:34:37,730 --> 01:34:35,850
how Trump was raised in how

2183
01:34:39,500 --> 01:34:37,740
raised his own kids and it was an exact

2184
01:34:42,320 --> 01:34:39,510
match for what the Rothschild family

2185
01:34:44,780 --> 01:34:42,330
does where the father is constantly

2186
01:34:47,390 --> 01:34:44,790
trying to trick his own children gives

2187
01:34:50,360 --> 01:34:47,400
them basically no love and says look the

2188
01:34:52,610 --> 01:34:50,370

world is a cold hard place and nothing

2189

01:34:54,410 --> 01:34:52,620

is fair and everybody's trying to [h__\h]

2190

01:34:56,450 --> 01:34:54,420

you and say you better [h__\h] them first

2191

01:34:58,850 --> 01:34:56,460

and I mean that's traumatizing to a

2192

01:35:01,280 --> 01:34:58,860

child so it's no surprise these people

2193

01:35:04,400 --> 01:35:01,290

grow up to be Psychopaths yeah and

2194

01:35:06,950 --> 01:35:04,410

actually there is you know there is a

2195

01:35:09,800 --> 01:35:06,960

genetic component to this it seems that

2196

01:35:13,120 --> 01:35:09,810

there are certain bloodlines and groups

2197

01:35:17,560 --> 01:35:13,130

of people who are more susceptible to

2198

01:35:20,030 --> 01:35:17,570

this trauma activating their genes to

2199

01:35:21,740 --> 01:35:20,040

express this because there are people

2200

01:35:23,450 --> 01:35:21,750

who still carry that gene and they don't

2201

01:35:26,630 --> 01:35:23,460

you know they're they're a bit

2202

01:35:29,660 --> 01:35:26,640

emotionally stunted but they aren't

2203

01:35:31,610 --> 01:35:29,670

full-blown psychopathic you know that

2204

01:35:34,220 --> 01:35:31,620

they might not always take people into

2205

01:35:36,290 --> 01:35:34,230

consideration as much as others but I

2206

01:35:39,740 --> 01:35:36,300

think what it is is that trauma is a

2207

01:35:42,290 --> 01:35:39,750

really kind of a catalyst to creating

2208

01:35:45,500 --> 01:35:42,300

that this kind of epigenetic link where

2209

01:35:47,720 --> 01:35:45,510

that genealogy is expressed makes sense

2210

01:35:50,270 --> 01:35:47,730

like you can have a predisposition but

2211

01:35:52,460 --> 01:35:50,280

if it isn't triggered by trauma it won't

2212

01:35:54,800 --> 01:35:52,470

be quite so severe and won't show as

2213

01:35:57,140 --> 01:35:54,810

much in your personality yeah it's kind

2214

01:35:59,330 --> 01:35:57,150

of like there's celiac disease where

2215

01:36:02,000 --> 01:35:59,340

people end up being not being able to

2216

01:36:04,400 --> 01:36:02,010

handle gluten protein this is where you

2217

01:36:07,610 --> 01:36:04,410

know all this gluten-free stuff comes

2218

01:36:10,520 --> 01:36:07,620

from but people will often go for years

2219

01:36:11,900 --> 01:36:10,530

eating gluten as a child and it won't

2220

01:36:14,210 --> 01:36:11,910

affect them and then one day they have a

2221

01:36:16,700 --> 01:36:14,220

bowl of Cheerios and their stomach feels

2222

01:36:18,800 --> 01:36:16,710

like it's like it's on fire and they

2223

01:36:20,720 --> 01:36:18,810

start seeing lights and getting a

2224

01:36:24,230 --> 01:36:20,730

migraine and and they're in bed for

2225

01:36:26,980 --> 01:36:24,240

three days so you know it's it can be

2226

01:36:29,120 --> 01:36:26,990

that quick if there's the right stimulus

2227

01:36:32,650 --> 01:36:29,130

so getting back to it

2228

01:36:35,810 --> 01:36:32,660

sociopathy I think of as more of

2229

01:36:39,110 --> 01:36:35,820

somebody who is in the psychopathic

2230

01:36:41,000 --> 01:36:39,120

mindset and and the the distinction that

2231

01:36:45,190 --> 01:36:41,010

they that they give in psychology

2232

01:36:47,000 --> 01:36:45,200

between these is that somebody who who's

2233

01:36:49,540 --> 01:36:47,010

sociopathic

2234

01:36:55,130 --> 01:36:49,550

they're able to regulate their response

2235

01:36:58,130 --> 01:36:55,140

around others to a larger degree to the

2236

01:37:00,800 --> 01:36:58,140

psychopathic person who basically they

2237

01:37:03,080 --> 01:37:00,810

don't have that impulse control now I

2238

01:37:06,229 --> 01:37:03,090

would say that somebody who is

2239

01:37:08,630 --> 01:37:06,239

psychopathic is somebody where this gene

2240

01:37:10,010 --> 01:37:08,640

expression has been turned on and the

2241

01:37:12,110 --> 01:37:10,020

way their brain processes information

2242

01:37:13,729 --> 01:37:12,120

has changed and they're mirror neurons

2243

01:37:15,979 --> 01:37:13,739

are not firing at the same rate

2244

01:37:18,650 --> 01:37:15,989

everybody else's and they can't control

2245

01:37:22,490 --> 01:37:18,660

that on any sort of conscious level

2246

01:37:25,820 --> 01:37:22,500

anymore sociopaths I think are more

2247

01:37:28,400 --> 01:37:25,830

people who are kind of inculcated or you

2248

01:37:31,580 --> 01:37:28,410

know they they end up getting acclimated

2249

01:37:33,920 --> 01:37:31,590

to a culture that's sociopathic or

2250

01:37:35,870 --> 01:37:33,930

psychopathic and a lot of times will end

2251

01:37:37,700 --> 01:37:35,880

up happening as some toxic or

2252

01:37:39,860 --> 01:37:37,710

psychopathic person gets into an

2253

01:37:41,990 --> 01:37:39,870

organization and they build up their own

2254

01:37:44,260 --> 01:37:42,000

little cults around them where they end

2255

01:37:46,520 --> 01:37:44,270

up recruiting people who are prone to

2256

01:37:50,330 --> 01:37:46,530

developing this more sociopathic

2257

01:37:53,960 --> 01:37:50,340

behavior and you see that a lot in cults

2258

01:37:56,710 --> 01:37:53,970

of personality giving rise to fascist or

2259

01:37:58,240 --> 01:37:56,720

Communists bureaucracies and

2260

01:38:02,660 --> 01:37:58,250

organizations

2261

01:38:04,280 --> 01:38:02,670

so speaking of cults of personality I

2262

01:38:08,570 --> 01:38:04,290

think would be a good time to get into

2263

01:38:11,570 --> 01:38:08,580

Rand and her influence on libertarianism

2264

01:38:12,979 --> 01:38:11,580

sure a lot of people worship her and the

2265

01:38:15,500 --> 01:38:12,989

links she sent me were pretty

2266

01:38:18,380 --> 01:38:15,510

interesting about her background and why

2267

01:38:20,210 --> 01:38:18,390

she might think the way she did yeah so

2268

01:38:23,000 --> 01:38:20,220

one thing you got to realize is that

2269

01:38:27,160 --> 01:38:23,010

Rand she actually grew up in Tsarist

2270

01:38:29,120 --> 01:38:27,170

Russia and when the revolution happened

2271

01:38:32,540 --> 01:38:29,130

basically she went from being a little

2272

01:38:35,479 --> 01:38:32,550

print her daddy's little princess - and

2273

01:38:38,120 --> 01:38:35,489

her debt he was very you know he was it

2274

01:38:41,510 --> 01:38:38,130

was kind of some of the elite in that

2275

01:38:43,910 --> 01:38:41,520

country he he owned a pharmacy made very

2276

01:38:47,180 --> 01:38:43,920

good money you know had an upper-middle

2277

01:38:50,630 --> 01:38:47,190

class sort of sort of lifestyle and then

2278

01:38:53,840 --> 01:38:50,640

all that was ripped away when the

2279

01:38:56,810 --> 01:38:53,850

revolution happened and basically they

2280

01:38:59,479 --> 01:38:56,820

took his pharmacy and he vowed that he

2281

01:39:01,029 --> 01:38:59,489

never worked with them and I think I've

2282

01:39:04,240 --> 01:39:01,039

got a quote here

2283

01:39:07,000 --> 01:39:04,250

so her name was ELISA at the time she

2284

01:39:09,160 --> 01:39:07,010

was choose ELISA a Rosenbaum what she

2285

01:39:11,379 --> 01:39:09,170

said was she saw the look on her

2286

01:39:14,080 --> 01:39:11,389

father's face as you know he was

2287

01:39:17,680 --> 01:39:14,090

basically being torn from his pharmacy

2288

01:39:19,620 --> 01:39:17,690

shop and she said that I felt the way he

2289

01:39:23,049 --> 01:39:19,630

looked his was one of helplessness

2290

01:39:25,390 --> 01:39:23,059

murders forestation and it did nation he

2291

01:39:27,399 --> 01:39:25,400

could do absolutely nothing this event

2292

01:39:29,020 --> 01:39:27,409

in the subsequent starvation that he and

2293

01:39:31,839 --> 01:39:29,030

his family suffered begging on the

2294

01:39:34,779 --> 01:39:31,849

streets of st. Petersburg left a very

2295

01:39:37,990 --> 01:39:34,789

great trauma and Ayn Rand's mind as she

2296

01:39:40,569 --> 01:39:38,000

was growing up she ended up asking one

2297

01:39:43,020 --> 01:39:40,579

of her relatives to help her move to the

2298

01:39:46,930 --> 01:39:43,030

United States and they altruistic

2299

01:39:49,299 --> 01:39:46,940

illegally to do so in 1925 after she

2300

01:39:53,740 --> 01:39:49,309

arrived she changed her name to Ayn Rand

2301

01:39:56,950 --> 01:39:53,750

and started to kind of pick up where

2302

01:39:59,970 --> 01:39:56,960

most people who are libertarian would

2303

01:40:03,459 --> 01:39:59,980

probably know bit more about her past

2304

01:40:06,359 --> 01:40:03,469

but there is one aspect that probably

2305

01:40:11,049 --> 01:40:06,369

they don't know about and that would be

2306

01:40:14,049 --> 01:40:11,059

her admiration of the serial killer

2307

01:40:16,569 --> 01:40:14,059

William Hickman that is an interesting

2308

01:40:17,490 --> 01:40:16,579

aspect for sure what can you tell us

2309

01:40:20,939 --> 01:40:17,500

about that

2310

01:40:23,950 --> 01:40:20,949

when Ayn Rand was coming up with her

2311

01:40:26,200 --> 01:40:23,960

idea of an ideal man which she leveraged

2312

01:40:29,319 --> 01:40:26,210

a lot and a lot of her you call it

2313

01:40:31,169 --> 01:40:29,329

literature is that durable is Lee

2314

01:40:34,509 --> 01:40:31,179

because it's it's very one-dimensional

2315

01:40:37,060 --> 01:40:34,519

ha I'd say it's you know it's kind of a

2316

01:40:40,299 --> 01:40:37,070

juvenile literature and the way it's

2317

01:40:41,620 --> 01:40:40,309

written and I I mean I'm just kind of

2318

01:40:43,689 --> 01:40:41,630

being objective here I'm not really

2319

01:40:46,990 --> 01:40:43,699

trying to bad-mouth people who like it

2320

01:40:49,330 --> 01:40:47,000

but I'm saying what I think

2321

01:40:51,370 --> 01:40:49,340

but she had this ideal man this kind of

2322

01:40:55,360 --> 01:40:51,380

Superman image that she wanted to build

2323

01:40:58,960 --> 01:40:55,370

up in each of her books and a lot of

2324

01:41:02,200 --> 01:40:58,970

that came from her father and his ideals

2325

01:41:04,390 --> 01:41:02,210

and his personality but there was

2326

01:41:07,770 --> 01:41:04,400

another figure which factored into this

2327

01:41:12,100 --> 01:41:07,780

a great deal and it was actually this

2328

01:41:13,510 --> 01:41:12,110

serial killer William Hickman and you

2329

01:41:15,870 --> 01:41:13,520

know most people as well what are you

2330

01:41:20,080 --> 01:41:15,880

talking about how could that possibly be

2331

01:41:20,860 --> 01:41:20,090

so I'm gonna read a little bit here if

2332

01:41:24,460 --> 01:41:20,870

that's okay

2333

01:41:26,320 --> 01:41:24,470

from a story called how am Rand became a

2334

01:41:29,740 --> 01:41:26,330

big admirer of serial killer William

2335

01:41:32,980 --> 01:41:29,750

Hickman by Mark Eames of alternate all

2336

01:41:34,960 --> 01:41:32,990

right so the best way to get to the

2337

01:41:37,120 --> 01:41:34,970

bottom of Ayn Rand's beliefs is to look

2338

01:41:40,510 --> 01:41:37,130

at how she developed a superhero verno

2339

01:41:42,670 --> 01:41:40,520

novel Atlas Shrugged John gulped back in

2340

01:41:43,750 --> 01:41:42,680

the late 1920s as an Rand was working

2341

01:41:45,400 --> 01:41:43,760

out her philosophy

2342

01:41:47,920 --> 01:41:45,410

she became enthralled by real-life

2343

01:41:50,170 --> 01:41:47,930

American serial killer William Edward

2344

01:41:51,670 --> 01:41:50,180

Hickman whose gruesome sadistic

2345

01:41:55,660 --> 01:41:51,680

dismemberment of a twelve-year-old girl

2346

01:41:57,910 --> 01:41:55,670

named Matt Marian Parker in 1927 shocked

2347

01:41:59,590 --> 01:41:57,920

the nation Rand filled our early

2348

01:42:02,080 --> 01:41:59,600

notebooks with worshipful praise of

2349

01:42:04,570 --> 01:42:02,090

Edmund according to fire for Jennifer

2350

01:42:06,250 --> 01:42:04,580

Burns author goddess of the market bran

2351

01:42:07,840 --> 01:42:06,260

was so smitten with Hickman that she

2352

01:42:11,980 --> 01:42:07,850

modeled her first litter literary

2353

01:42:13,750 --> 01:42:11,990

creation Danny Ranahan the protagonist

2354

01:42:17,980 --> 01:42:13,760

of her unfinished novel the little

2355

01:42:20,440 --> 01:42:17,990

street on him so this is what she had to

2356

01:42:23,350 --> 01:42:20,450

say about Hickman bran said other people

2357

01:42:26,830 --> 01:42:23,360

do not exist for him and he does not see

2358

01:42:29,410 --> 01:42:26,840

why they should she gushed that Hickman

2359

01:42:31,510 --> 01:42:29,420

had no regard whatsoever for all that

2360

01:42:33,880 --> 01:42:31,520

society holds sacred when the

2361

01:42:36,640 --> 01:42:33,890

consciousness of all his own he has the

2362

01:42:38,890 --> 01:42:36,650

true innate psychology of a Superman he

2363

01:42:41,560 --> 01:42:38,900

can never realize and feel other people

2364

01:42:44,350 --> 01:42:41,570

they go on to say this echoes almost

2365

01:42:46,960 --> 01:42:44,360

word-for-word translator description of

2366

01:42:49,540 --> 01:42:46,970

her character Howard work the hero of

2367

01:42:52,210 --> 01:42:49,550

the Fountainhead he was born without the

2368

01:42:54,550 --> 01:42:52,220

ability to consider others The

2369

01:42:56,650 --> 01:42:54,560

Fountainhead is a Supreme Court Justice

2370

01:42:59,080 --> 01:42:56,660

Clarence Thomas's favorite book even

2371

01:43:01,570 --> 01:42:59,090

requires his clerks to read it so and

2372

01:43:04,090 --> 01:43:01,580

that's actually a common theme with a

2373

01:43:06,550 --> 01:43:04,100

lot of the fans of Rand is that they

2374

01:43:09,970 --> 01:43:06,560

require other people to read his books

2375

01:43:12,280 --> 01:43:09,980

and I knew somebody before he tried to

2376

01:43:14,050 --> 01:43:12,290

get me to read one of her books and I

2377

01:43:17,920 --> 01:43:14,060

could only really get through about the

2378

01:43:20,050 --> 01:43:17,930

first 40 pages and that's because what

2379

01:43:21,760 --> 01:43:20,060

our bet was is whether I could I would

2380

01:43:23,830 --> 01:43:21,770

stop at that point and I could barely

2381

01:43:27,090 --> 01:43:23,840

get through it just because it was so

2382

01:43:29,620 --> 01:43:27,100

rough to read just the callousness and

2383

01:43:33,570 --> 01:43:29,630

kind of the you know the one-dimensional

2384

01:43:37,270 --> 01:43:33,580

characters the kind of Faye woman

2385

01:43:40,720 --> 01:43:37,280

swooning and had this very dominant male

2386

01:43:42,550 --> 01:43:40,730

character and most people didn't really

2387

01:43:45,270 --> 01:43:42,560

have much of a backstory they just kind

2388

01:43:47,770 --> 01:43:45,280

of were there saying things at you and

2389

01:43:52,060 --> 01:43:47,780

the words that were in their mouths were

2390

01:43:55,090 --> 01:43:52,070

and rands words so getting back to what

2391

01:43:58,750 --> 01:43:55,100

she thought of William Hickman she said

2392

01:44:00,850 --> 01:43:58,760

he was a genuinely beautiful soul

2393

01:44:03,010 --> 01:44:00,860

so I think at this point it would be a

2394

01:44:05,650 --> 01:44:03,020

good idea to talk about what Hickman

2395

01:44:09,160 --> 01:44:05,660

actually did sir you know to kind of

2396

01:44:12,550 --> 01:44:09,170

give an idea of who this person was that

2397

01:44:14,950 --> 01:44:12,560

she admired so much what you know maybe

2398

01:44:17,740 --> 01:44:14,960

she admired about him

2399

01:44:19,780 --> 01:44:17,750

Ram fell for William Edward Hickman in

2400

01:44:21,430 --> 01:44:19,790

the 1920s as the shocking story of

2401

01:44:23,830 --> 01:44:21,440

Hickman's crimes starting to grip the

2402

01:44:26,020 --> 01:44:23,840

nation he was the OJ Simpson of his day

2403

01:44:27,580 --> 01:44:26,030

his crime trial in case were non-stop

2404

01:44:30,130 --> 01:44:27,590

headline grabbers for months

2405

01:44:32,050 --> 01:44:30,140

Hickman who was only 19 when he was

2406

01:44:33,790 --> 01:44:32,060

arrested for murder was a cinema

2407

01:44:36,370 --> 01:44:33,800

paranoid schizophrenic mother and

2408

01:44:38,140 --> 01:44:36,380

grandmother his schoolmate said that as

2409

01:44:40,020 --> 01:44:38,150

a kid Hickman liked to strangled cats

2410

01:44:41,830 --> 01:44:40,030

and snap the necks and chickens for fun

2411

01:44:42,700 --> 01:44:41,840

most of the kids thought he was a

2412

01:44:44,800 --> 01:44:42,710

budding maniac

2413

01:44:46,990 --> 01:44:44,810

although adults gave him good marks for

2414

01:44:49,570 --> 01:44:47,000

behavior a typical sign of a sociopathic

2415

01:44:51,130 --> 01:44:49,580

cunning he enrolled in college but

2416

01:44:52,690 --> 01:44:51,140

quickly dropped out and then turned to

2417

01:44:54,940 --> 01:44:52,700

violent crime largely driven by the

2418

01:44:57,730 --> 01:44:54,950

thrill in arrogance typical of

2419

01:44:59,770 --> 01:44:57,740

sociopaths in a brief and wild crime

2420

01:45:01,510 --> 01:44:59,780

spree that grew increasingly violent

2421

01:45:03,130 --> 01:45:01,520

Hickman knocked over dozens of gas

2422

01:45:06,430 --> 01:45:03,140

stations and drug stores across the

2423

01:45:08,170 --> 01:45:06,440

Midwest and West to California along the

2424

01:45:10,210 --> 01:45:08,180

way it's believed he strangled a girl in

2425

01:45:13,150 --> 01:45:10,220

Milwaukee and killed his crime partners

2426
01:45:15,120 --> 01:45:13,160
grandfather in Pasadena tossing his body

2427
01:45:17,350 --> 01:45:15,130
over our bridge after taking his money

2428
01:45:19,420 --> 01:45:17,360
Hickman's partners later told police

2429
01:45:21,160 --> 01:45:19,430
that Hickman told him how much he'd like

2430
01:45:24,250 --> 01:45:21,170
to kill him dismember a victim someday

2431
01:45:25,900 --> 01:45:24,260
and that day did come for hitmen one

2432
01:45:27,370 --> 01:45:25,910
afternoon Hickman drove up to Mount

2433
01:45:29,290 --> 01:45:27,380
Vernon junior high in Los Angeles

2434
01:45:31,900 --> 01:45:29,300
telling administrators he'd come to pick

2435
01:45:34,030 --> 01:45:31,910
up the Parker girl her father Perry Park

2436
01:45:35,560 --> 01:45:34,040
who was a prominent banker Hickman

2437
01:45:37,720 --> 01:45:35,570
didn't know the first the girl's first

2438
01:45:40,000 --> 01:45:37,730

name so Nene was asked which of the two

2439

01:45:42,010 --> 01:45:40,010

Parker twins he answered the younger

2440

01:45:44,230 --> 01:45:42,020

daughter then he corrected himself the

2441

01:45:46,210 --> 01:45:44,240

smaller one no one suspected his motives

2442

01:45:47,950 --> 01:45:46,220

the school administrator fetched young

2443

01:45:50,260 --> 01:45:47,960

Marion and brought her out to Hickman

2444

01:45:52,690 --> 01:45:50,270

Marion immediately followed him into his

2445

01:45:53,590 --> 01:45:52,700

car as she was told where he promptly

2446

01:45:55,840 --> 01:45:53,600

kidnapped her

2447

01:45:58,290 --> 01:45:55,850

he wrote a ransom note to Marion's

2448

01:45:59,980 --> 01:45:58,300

father demanding \$1500 for a return

2449

01:46:02,290 --> 01:45:59,990

promising the girl would be left

2450

01:46:05,290 --> 01:46:02,300

unharmd Marion was terrified into

2451

01:46:07,120 --> 01:46:05,300

passivity she even waited in his car for

2452

01:46:08,050 --> 01:46:07,130

Hickman when he went to mail his letter

2453

01:46:10,300 --> 01:46:08,060

to her father

2454

01:46:12,820 --> 01:46:10,310

Hickman's extreme narcissism comes

2455

01:46:15,040 --> 01:46:12,830

through his ransom letters as he refers

2456

01:46:17,260 --> 01:46:15,050

to himself as the mastermind and not a

2457

01:46:19,480 --> 01:46:17,270

common crook Hickman signed his letter

2458

01:46:21,910 --> 01:46:19,490

the Fox because he admired his own

2459

01:46:24,070 --> 01:46:21,920

cunning foxes my name very sly you know

2460

01:46:26,170 --> 01:46:24,080

and then he threatened get this straight

2461

01:46:28,720 --> 01:46:26,180

your daughter's life hangs by a thread

2462

01:46:30,430 --> 01:46:28,730

Hickman and the girl's father exchanged

2463

01:46:32,410 --> 01:46:30,440

over the next few days as they arranged

2464

01:46:34,390 --> 01:46:32,420

in terms of the ransom will Marian

2465

01:46:36,880 --> 01:46:34,400

obediently followed her captors demands

2466

01:46:38,740 --> 01:46:36,890

she never tried to this escape the hotel

2467

01:46:40,890 --> 01:46:38,750

where he kept her Hickman even took her

2468

01:46:43,960 --> 01:46:40,900

to a movie she never screams for help

2469

01:46:45,580 --> 01:46:43,970

she remains quiet and still has told

2470

01:46:47,290 --> 01:46:45,590

when Hickman tied her to a chair he

2471

01:46:49,510 --> 01:46:47,300

didn't even bother gagging her because

2472

01:46:52,150 --> 01:46:49,520

there was no real need to right up to

2473

01:46:53,890 --> 01:46:52,160

the end Hickman's last ransom note to

2474

01:46:55,390 --> 01:46:53,900

Marion's father is where the story

2475

01:46:58,750 --> 01:46:55,400

reaches it's disturbing end

2476

01:47:00,250 --> 01:46:58,760

Hickman fills the letter with hurt anger

2477

01:47:03,490 --> 01:47:00,260

over her father's suggestion that

2478

01:47:06,250 --> 01:47:03,500

Hickman might deceive him and ask you

2479

01:47:08,470 --> 01:47:06,260

for \$1,500 for a lifeless mass of flesh

2480

01:47:10,780 --> 01:47:08,480

I am based in lo but I won't stoop to

2481

01:47:12,880 --> 01:47:10,790

that depth is what had been said as he

2482

01:47:14,680 --> 01:47:12,890

read the letter Marion had already been

2483

01:47:15,460 --> 01:47:14,690

chopped up into several lifeless masses

2484

01:47:18,220 --> 01:47:15,470

of flesh

2485

01:47:20,500 --> 01:47:18,230

why taunt the father white feign outrage

2486

01:47:22,170 --> 01:47:20,510

this sort of bizarre taunting was all

2487

01:47:24,910 --> 01:47:22,180

part of the co killer's thrill

2488

01:47:26,350 --> 01:47:24,920

maximizing his sadistic pleasure but

2489

01:47:27,610 --> 01:47:26,360

this was nothing compared to the thrill

2490

01:47:29,800 --> 01:47:27,620

Hickman got from murdering helpless

2491

01:47:31,300 --> 01:47:29,810

12-year old Marion Parker here is an old

2492

01:47:33,270 --> 01:47:31,310

newspaper description of the murder

2493

01:47:35,920 --> 01:47:33,280

taken from the Pittsburgh post-gazette

2494

01:47:38,770 --> 01:47:35,930

who as well I was fixing the blindfold

2495

01:47:40,960 --> 01:47:38,780

that the urge to murder came over me I

2496

01:47:42,820 --> 01:47:40,970

couldn't help myself I got a towel and

2497

01:47:44,740 --> 01:47:42,830

stepped up behind Marion then before she

2498

01:47:47,440 --> 01:47:44,750

could move I put it around her neck and

2499

01:47:49,840 --> 01:47:47,450

twisted it tightly I held on she made no

2500

01:47:52,290 --> 01:47:49,850

outcry except to girdle I held on for

2501
01:47:54,970 --> 01:47:52,300
about two minutes I guess and I let go

2502
01:47:57,370 --> 01:47:54,980
when I cut loose the fastening she fell

2503
01:47:58,840 --> 01:47:57,380
to the floor I knew she was dead well

2504
01:48:00,700 --> 01:47:58,850
after she was dead I carried her body

2505
01:48:02,620 --> 01:48:00,710
into the bathroom and undressed her all

2506
01:48:04,180 --> 01:48:02,630
but the underwear and cut a hole in her

2507
01:48:05,549 --> 01:48:04,190
throat with a pocket knife to let the

2508
01:48:07,709 --> 01:48:05,559
blood out

2509
01:48:10,259 --> 01:48:07,719
he then took a pocket knife and cut a

2510
01:48:12,540 --> 01:48:10,269
hole in her throat cut off each arm to

2511
01:48:15,149 --> 01:48:12,550
the elbow cut her legs off at the knees

2512
01:48:16,919 --> 01:48:15,159
he put the limbs in the cabinet he cut

2513
01:48:19,020 --> 01:48:16,929

up the body in his room at the Bellevue

2514

01:48:21,750 --> 01:48:19,030

Arms Apartments then he removed the

2515

01:48:23,849 --> 01:48:21,760

clothing and cut the body through it the

2516

01:48:24,719 --> 01:48:23,859

waist he put it on a shelf in the

2517

01:48:27,000 --> 01:48:24,729

dressing room

2518

01:48:29,429 --> 01:48:27,010

he placed a towel in the body to drain

2519

01:48:31,770 --> 01:48:29,439

the blood the draft up the exposed end

2520

01:48:33,419 --> 01:48:31,780

of the arm and waist with paper he

2521

01:48:34,709 --> 01:48:33,429

coming back her hair powdered her face

2522

01:48:37,169 --> 01:48:34,719

and then with a needle of fixed her

2523

01:48:39,209 --> 01:48:37,179

eyelids he did this because he realized

2524

01:48:40,829 --> 01:48:39,219

he would lose the reward if he did not

2525

01:48:45,239 --> 01:48:40,839

have the body to produce to her father

2526

01:48:48,779 --> 01:48:45,249

so this is this is what he was doing as

2527

01:48:51,059 --> 01:48:48,789

he wrote that no dark stuff Pickman

2528

01:48:53,069 --> 01:48:51,069

packed her body limbs and entrails into

2529

01:48:55,139 --> 01:48:53,079

a car and drove to the drop-off point to

2530

01:48:57,119 --> 01:48:55,149

pick up his ransom along the way he

2531

01:48:59,549 --> 01:48:57,129

tossed out wrapped up limbs and innards

2532

01:49:00,779 --> 01:48:59,559

scattering them around Los Angeles they

2533

01:49:03,119 --> 01:49:00,789

arrived at the meeting point

2534

01:49:05,429 --> 01:49:03,129

Hickman pulled Marion's head and torso

2535

01:49:07,079 --> 01:49:05,439

out of a suitcase and propped her up her

2536

01:49:09,629 --> 01:49:07,089

torso was wrapped tightly to look like

2537

01:49:11,609 --> 01:49:09,639

she was alive he sewed wires into her

2538

01:49:13,619 --> 01:49:11,619

eyelids to keep them open so that she'd

2539

01:49:15,029 --> 01:49:13,629

appear to be awakened alive when

2540

01:49:17,399 --> 01:49:15,039

Merriam's father arrived

2541

01:49:19,559 --> 01:49:17,409

Hickman pointed a sawed-off shotgun at

2542

01:49:21,449 --> 01:49:19,569

him showed a Marion's head and eyes sewn

2543

01:49:23,099 --> 01:49:21,459

open it went it would have been hard to

2544

01:49:25,199 --> 01:49:23,109

see for certain that she was dead from

2545

01:49:28,020 --> 01:49:25,209

his position and then took the ransom

2546

01:49:29,819 --> 01:49:28,030

money and sped away as he sped away

2547

01:49:31,739 --> 01:49:29,829

he threw Miriam's head and torso out of

2548

01:49:33,299 --> 01:49:31,749

the car and that's what the father ran

2549

01:49:36,139 --> 01:49:33,309

up to when he saw his daughter and

2550

01:49:39,839 --> 01:49:36,149

screamed Jesus Christ

2551

01:49:44,759 --> 01:49:39,849

yeah that is I mean that's about as dark

2552

01:49:48,540 --> 01:49:44,769

as it gets and you know for Rand to

2553

01:49:52,109 --> 01:49:48,550

think of this person as someone to be

2554

01:49:56,549 --> 01:49:52,119

admired obviously it shows that you know

2555

01:50:00,389 --> 01:49:56,559

she's taken this ideal in her mind you

2556

01:50:03,000 --> 01:50:00,399

know this rational self-interest and has

2557

01:50:07,109 --> 01:50:03,010

taken it to a pathological extreme

2558

01:50:10,020 --> 01:50:07,119

mm-hmm so you know I can go on a bit

2559

01:50:14,729 --> 01:50:10,030

more but I think when her father was

2560

01:50:16,909 --> 01:50:14,739

damask elated in front of her and lost

2561

01:50:18,920 --> 01:50:16,919

everything at the hands of what she

2562

01:50:24,140 --> 01:50:18,930

perceived as

2563

01:50:28,450 --> 01:50:24,150

you know society or the forces of the

2564

01:50:33,170 --> 01:50:28,460

mob or you know community or other

2565

01:50:37,010 --> 01:50:33,180

people she kind of related to her

2566

01:50:39,020 --> 01:50:37,020

father's indignation and individualism

2567

01:50:41,870 --> 01:50:39,030

to such a degree that it became this

2568

01:50:43,640 --> 01:50:41,880

pathological expression of that that

2569

01:50:46,630 --> 01:50:43,650

would be that trauma well what a Rand

2570

01:50:50,450 --> 01:50:46,640

fans say about this association or this

2571

01:50:52,760 --> 01:50:50,460

Hickman appreciation I've never got

2572

01:50:55,130 --> 01:50:52,770

anyone to actually talk about it I've

2573

01:50:57,290 --> 01:50:55,140

mentioned it before and they just kind

2574

01:50:59,690 --> 01:50:57,300

of roll their eyes think that it's just

2575

01:51:00,560 --> 01:50:59,700

fake news sort of a thing you know they

2576

01:51:03,620 --> 01:51:00,570

don't they don't want to even

2577

01:51:05,480 --> 01:51:03,630

acknowledge it hmm I did read a little

2578

01:51:07,760 --> 01:51:05,490

bit about it because I was curious and

2579

01:51:09,920 --> 01:51:07,770

basically the only thing I could find

2580

01:51:12,680 --> 01:51:09,930

was someone who's like these are all

2581

01:51:16,190 --> 01:51:12,690

things taken out of context but it is a

2582

01:51:18,800 --> 01:51:16,200

fact that she only talked about Hickman

2583

01:51:21,560 --> 01:51:18,810

in her private journals which indicates

2584

01:51:23,270 --> 01:51:21,570

she had a appreciation for him but

2585

01:51:25,340 --> 01:51:23,280

didn't necessarily want it to be out

2586

01:51:27,350 --> 01:51:25,350

there in the open yeah

2587

01:51:29,840 --> 01:51:27,360

at least that's how I took that yeah I

2588

01:51:32,240 --> 01:51:29,850

think so I think so I think you're

2589

01:51:35,210 --> 01:51:32,250
absolutely right I mean all of her

2590

01:51:36,950 --> 01:51:35,220
relationships were very skewed now if

2591

01:51:39,500 --> 01:51:36,960
you've ever done any research into the

2592

01:51:43,100 --> 01:51:39,510
collective which is really for the Ayn

2593

01:51:47,240 --> 01:51:43,110
Rand fan club / think-tank that's a

2594

01:51:50,270 --> 01:51:47,250
pretty weird name isn't it I mean huh I

2595

01:51:53,300 --> 01:51:50,280
mean she was so against collectivism in

2596

01:51:55,940 --> 01:51:53,310
any form and yet she needed her group

2597

01:51:58,070 --> 01:51:55,950
the collective so I I'm just I don't

2598

01:52:02,480 --> 01:51:58,080
have any understanding how that even

2599

01:52:05,240 --> 01:52:02,490
came about but is interesting right so

2600

01:52:08,060 --> 01:52:05,250
basically we're just pointed out here I

2601
01:52:10,550 --> 01:52:08,070
guess that libertarianism seems to have

2602
01:52:13,760 --> 01:52:10,560
some shaky foundations the shaky

2603
01:52:16,880 --> 01:52:13,770
founders yeah I I definitely think so

2604
01:52:20,450 --> 01:52:16,890
when you look into its history in terms

2605
01:52:22,220 --> 01:52:20,460
of how it actually came about there's

2606
01:52:24,730 --> 01:52:22,230
there's definitely corporate special

2607
01:52:29,660 --> 01:52:24,740
interests who are involved in promoting

2608
01:52:32,750 --> 01:52:29,670
so I mean Rand just kind of followed on

2609
01:52:35,000 --> 01:52:32,760
this promotion and I mean she

2610
01:52:37,240 --> 01:52:35,010
she sucked it up she loved it but you

2611
01:52:40,100 --> 01:52:37,250
know it was that they were very

2612
01:52:44,209 --> 01:52:40,110
complimentary to each other in the way

2613
01:52:46,370 --> 01:52:44,219

that that was expressed so one of these

2614

01:52:49,399 --> 01:52:46,380

corporate groups that was involved in

2615

01:52:52,819 --> 01:52:49,409

promoting libertarianism was the

2616

01:52:55,700 --> 01:52:52,829

foundation for economic freedom and it

2617

01:52:59,390 --> 01:52:55,710

was founded by US Chamber of Commerce

2618

01:53:01,850 --> 01:52:59,400

executive Leonard Rhee and his top

2619

01:53:05,390 --> 01:53:01,860

contributors included General Motors

2620

01:53:08,419 --> 01:53:05,400

Chrysler consolidated us in Dupont Gulf

2621

01:53:10,759 --> 01:53:08,429

Oil US Steel noticed a pattern here with

2622

01:53:13,339 --> 01:53:10,769

the American Liberty League Montgomery

2623

01:53:16,160 --> 01:53:13,349

Ward Armour and BF Goodrich so a lot of

2624

01:53:17,600 --> 01:53:16,170

the same groups that were involved and

2625

01:53:19,790 --> 01:53:17,610

found in the American Liberty League

2626
01:53:21,470 --> 01:53:19,800
were actually involved and found the

2627
01:53:23,450 --> 01:53:21,480
foundation for economic freedom

2628
01:53:25,640 --> 01:53:23,460
why wouldn't corporate think tanks

2629
01:53:27,560 --> 01:53:25,650
support an ideology that gets rid of all

2630
01:53:30,560 --> 01:53:27,570
regulation and gives them free rein I

2631
01:53:33,490 --> 01:53:30,570
mean it just makes too much sense yeah I

2632
01:53:36,290 --> 01:53:33,500
mean the purpose of the F EE and

2633
01:53:39,490 --> 01:53:36,300
libertarianism in general was to

2634
01:53:41,540 --> 01:53:39,500
supplement big business lobbying with

2635
01:53:43,819 --> 01:53:41,550
pseudo-intellectual pseudo economic

2636
01:53:45,709 --> 01:53:43,829
rationale back of its policy and

2637
01:53:49,069 --> 01:53:45,719
legislative attacks on government

2638
01:53:52,850 --> 01:53:49,079

regulations so that's kind of the the

2639

01:53:57,109 --> 01:53:52,860

start of it but it really really takes

2640

01:54:00,680 --> 01:53:57,119

off as things are suffering for them in

2641

01:54:05,689 --> 01:54:00,690

terms of the Nixon Watergate situation

2642

01:54:09,259 --> 01:54:05,699

so basically by that point there's no

2643

01:54:13,089 --> 01:54:09,269

faith in politics there's no faith and a

2644

01:54:17,930 --> 01:54:13,099

lot of these more libertarian ideals and

2645

01:54:20,270 --> 01:54:17,940

the response was basically that one of

2646

01:54:24,500 --> 01:54:20,280

the aides for Richard Nixon outlined a

2647

01:54:27,890 --> 01:54:24,510

plan to put what he called the GOP on TV

2648

01:54:32,149 --> 01:54:27,900

and the idea was to basically create a

2649

01:54:34,279 --> 01:54:32,159

news network that would and initially

2650

01:54:37,160 --> 01:54:34,289

basically what it was this wasn't when

2651
01:54:40,370 --> 01:54:37,170
it was Fox News but when it was another

2652
01:54:40,580 --> 01:54:40,380
name let me see here I can find it real

2653
01:54:44,720 --> 01:54:40,590
quick

2654
01:54:46,330 --> 01:54:44,730
so when Ailes founded television news

2655
01:54:48,070 --> 01:54:46,340
incorporated

2656
01:54:53,290 --> 01:54:48,080
she called fair and balanced in the

2657
01:54:58,180 --> 01:54:53,300
1970s basically it was this company that

2658
01:55:01,000 --> 01:54:58,190
would make propaganda and then they

2659
01:55:04,839 --> 01:55:01,010
would sell it at cut-rate prices almost

2660
01:55:07,030 --> 01:55:04,849
fire sale prices to different networks

2661
01:55:10,120 --> 01:55:07,040
and so it was basically a way to

2662
01:55:13,780 --> 01:55:10,130
generate content that would be picked up

2663
01:55:15,850 --> 01:55:13,790

all over the place and would cost them

2664

01:55:19,089 --> 01:55:15,860

you know a lot less than producing it

2665

01:55:21,700 --> 01:55:19,099

themselves but it was just to kind of

2666

01:55:25,000 --> 01:55:21,710

get the word out there kind of a thing

2667

01:55:28,000 --> 01:55:25,010

and eventually that did grow into Fox

2668

01:55:30,089 --> 01:55:28,010

News but it was in the words of a news

2669

01:55:32,800 --> 01:55:30,099

director who quit in protest a

2670

01:55:34,450 --> 01:55:32,810

propaganda machine that's that's what it

2671

01:55:36,370 --> 01:55:34,460

was pure and simple it was just a

2672

01:55:40,300 --> 01:55:36,380

propaganda machine to put out this

2673

01:55:44,830 --> 01:55:40,310

libertarian message so that has

2674

01:55:49,060 --> 01:55:44,840

basically you know resulted in a large

2675

01:55:51,820 --> 01:55:49,070

number of people being brainwashed to a

2676

01:55:53,859 --> 01:55:51,830

degree into this sort of thinking that

2677

01:55:55,660 --> 01:55:53,869

if we get rid of all government

2678

01:55:57,280 --> 01:55:55,670

authority it's always government it's

2679

01:55:59,680 --> 01:55:57,290

never corporate they don't ever look at

2680

01:56:01,990 --> 01:55:59,690

the corporate side of power they say you

2681

01:56:05,470 --> 01:56:02,000

know if we just get rid of government I

2682

01:56:07,540 --> 01:56:05,480

won't be taxed as much as I am I'll be

2683

01:56:09,370 --> 01:56:07,550

able to you know I mean or a very tiny

2684

01:56:11,500 --> 01:56:09,380

government that barely does anything

2685

01:56:14,229 --> 01:56:11,510

really other than I guess make sure that

2686

01:56:15,820 --> 01:56:14,239

the the streets are paved and businesses

2687

01:56:19,600 --> 01:56:15,830

don't catch fire so that business and

2688

01:56:23,770 --> 01:56:19,610

keep going on but this idea basically

2689

01:56:26,310 --> 01:56:23,780

comes out of this backlash that happened

2690

01:56:32,310 --> 01:56:26,320

after the Nixon Watergate scandal and

2691

01:56:35,560 --> 01:56:32,320

the overall wave of progressive and

2692

01:56:39,430 --> 01:56:35,570

socialistic legislation that had gotten

2693

01:56:43,930 --> 01:56:39,440

passed after the New Deal and during the

2694

01:56:46,149 --> 01:56:43,940

60s and 70s so it was basically designed

2695

01:56:48,459 --> 01:56:46,159

to help dismantle that and today we

2696

01:56:51,459 --> 01:56:48,469

we've seen the result is that most of

2697

01:56:53,760 --> 01:56:51,469

that legislation which was built up over

2698

01:56:56,560 --> 01:56:53,770

about four-year fifty years has

2699

01:56:58,300 --> 01:56:56,570

completely gone there's there's nothing

2700

01:57:00,010 --> 01:56:58,310

left of it for the most part just best

2701
01:57:03,040 --> 01:57:00,020
to choose if anything

2702
01:57:05,440 --> 01:57:03,050
now should we go ahead and start talking

2703
01:57:08,500 --> 01:57:05,450
about the Russian Revolution of more

2704
01:57:11,460 --> 01:57:08,510
deep I could talk briefly about fascism

2705
01:57:14,170 --> 01:57:11,470
and socialism or jewelry discipline yeah

2706
01:57:17,380 --> 01:57:14,180
well I think it'd be important just so

2707
01:57:19,750 --> 01:57:17,390
we can say that we were even-handed in

2708
01:57:22,210 --> 01:57:19,760
the discussion about fascism and its

2709
01:57:24,490 --> 01:57:22,220
many rappers and then from there yeah we

2710
01:57:29,110 --> 01:57:24,500
can go into beasts men and gods in that

2711
01:57:31,000 --> 01:57:29,120
whole chapter okay so one thing about

2712
01:57:33,730 --> 01:57:31,010
all this and I and I you know I can kind

2713
01:57:38,230 --> 01:57:33,740

of hear the the arguments going in my

2714

01:57:39,640 --> 01:57:38,240

head is you know well fascism Nazis

2715

01:57:43,420 --> 01:57:39,650

weren't really fascist they were

2716

01:57:46,210 --> 01:57:43,430

socialist and one of the problems with

2717

01:57:50,020 --> 01:57:46,220

this is that in name they had the name

2718

01:57:51,610 --> 01:57:50,030

National Socialist Party but the thing

2719

01:57:53,560 --> 01:57:51,620

is that when you actually look at what

2720

01:57:55,990 --> 01:57:53,570

they did in terms of their actual

2721

01:57:59,080 --> 01:57:56,000

policies like there were there are a few

2722

01:58:01,180 --> 01:57:59,090

places where they were you know the

2723

01:58:04,720 --> 01:58:01,190

industry had completely fallen apart and

2724

01:58:08,170 --> 01:58:04,730

they did nationalize it for preparation

2725

01:58:10,840 --> 01:58:08,180

for this war effort but aside from that

2726

01:58:14,820 --> 01:58:10,850

there wasn't really any takeover of

2727

01:58:16,600 --> 01:58:14,830

industry or anything like that or any

2728

01:58:21,850 --> 01:58:16,610

regulation of normally functioning

2729

01:58:24,910 --> 01:58:21,860

industry so it was basically a way to

2730

01:58:28,360 --> 01:58:24,920

provide an authoritarian hierarchy that

2731

01:58:30,640 --> 01:58:28,370

would express corporate and industrial

2732

01:58:32,920 --> 01:58:30,650

interests especially after the during

2733

01:58:36,190 --> 01:58:32,930

and after the war the build-up all this

2734

01:58:37,780 --> 01:58:36,200

stuff you can see that there was this

2735

01:58:41,710 --> 01:58:37,790

link with industrialists in other

2736

01:58:45,180 --> 01:58:41,720

countries like America and you know this

2737

01:58:47,620 --> 01:58:45,190

attempted coup in the United States and

2738

01:58:51,610 --> 01:58:47,630

all these links with industrialists in

2739

01:58:56,290 --> 01:58:51,620

Britain as well so that's something that

2740

01:58:58,930 --> 01:58:56,300

I think needs to be addressed mm-hmm and

2741

01:59:01,740 --> 01:58:58,940

I think that's pretty much it I think

2742

01:59:04,390 --> 01:59:01,750

we've gone through everything right on

2743

01:59:07,720 --> 01:59:04,400

yeah I mean that is just a real

2744

01:59:10,840 --> 01:59:07,730

whirlwind of information a fascism 101

2745

01:59:12,430 --> 01:59:10,850

that I think is pretty appropriate I

2746

01:59:13,839 --> 01:59:12,440

know I learned some things for sure

2747

01:59:16,000 --> 01:59:13,849

hopefully

2748

01:59:18,040 --> 01:59:16,010

people agree and it is kind of tough to

2749

01:59:20,799 --> 01:59:18,050

navigate these waters sometimes because

2750

01:59:24,369 --> 01:59:20,809

it does get political and there is so

2751
01:59:26,229 --> 01:59:24,379
much emotion around a person's ideology

2752
01:59:28,540 --> 01:59:26,239
and politics that they're very guarded

2753
01:59:31,149 --> 01:59:28,550
to hear it criticized or they'll pay

2754
01:59:34,149 --> 01:59:31,159
attention to making sure there was a

2755
01:59:35,859 --> 01:59:34,159
50/50 split between criticisms of both

2756
01:59:39,219 --> 01:59:35,869
sides because people just think

2757
01:59:41,979 --> 01:59:39,229
everything is an OP and that ideas

2758
01:59:43,959 --> 01:59:41,989
aren't implemented necessarily the way

2759
01:59:47,229 --> 01:59:43,969
they're talked about everybody gets very

2760
01:59:49,509 --> 01:59:47,239
skeptical of that notion as well so it's

2761
01:59:52,589 --> 01:59:49,519
a bit of a ideological minefield to

2762
01:59:56,529 --> 01:59:52,599
navigate but I do think we talked about

2763
01:59:59,830 --> 01:59:56,539

both sides and at its core we're talking

2764

02:00:02,709 --> 01:59:59,840

about corporate collusion rule by

2765

02:00:04,419 --> 02:00:02,719

Authority and these are ideas that

2766

02:00:07,659 --> 02:00:04,429

anyone should be able to say yeah I

2767

02:00:10,449 --> 02:00:07,669

don't support that so you know maybe cut

2768

02:00:12,399 --> 02:00:10,459

through some of the manipulation and

2769

02:00:13,959 --> 02:00:12,409

propaganda and just see at the core

2770

02:00:17,409 --> 02:00:13,969

we're talking about trying to free

2771

02:00:20,409 --> 02:00:17,419

people right absolutely absolutely

2772

02:00:22,540 --> 02:00:20,419

that's what it's really about and the

2773

02:00:25,299 --> 02:00:22,550

last thing I would have to say is take a

2774

02:00:28,419 --> 02:00:25,309

few minutes and go listen to the audio

2775

02:00:29,949 --> 02:00:28,429

snippet I said - and I'll think for you

2776

02:00:31,629 --> 02:00:29,959

that it you know it kind of ties

2777

02:00:35,949 --> 02:00:31,639

everything together at the end

2778

02:00:38,139 --> 02:00:35,959

right on well man this has been a bit of

2779

02:00:41,469 --> 02:00:38,149

a marathon session again I do think it's

2780

02:00:44,319 --> 02:00:41,479

important stuff I guess I would also ask

2781

02:00:46,899 --> 02:00:44,329

you before we go I mean is there

2782

02:00:50,020 --> 02:00:46,909

anything else to say about the return to

2783

02:00:51,659 --> 02:00:50,030

the elemental alchemy series anything to

2784

02:00:57,040 --> 02:00:51,669

say in terms of the preview for the next

2785

02:00:59,229 --> 02:00:57,050

element on the list so I was planning on

2786

02:01:03,129 --> 02:00:59,239

getting back to the elemental series and

2787

02:01:05,859 --> 02:01:03,139

going to the fire episode next and then

2788

02:01:07,419 --> 02:01:05,869

later on I would get to the mind at the

2789

02:01:11,709 --> 02:01:07,429

so we just went through so much

2790

02:01:14,589 --> 02:01:11,719

psychology and so much but we started to

2791

02:01:16,899 --> 02:01:14,599

get into some brain structure and things

2792

02:01:21,129 --> 02:01:16,909

like that and I think that if we go to

2793

02:01:24,549 --> 02:01:21,139

the mind episode next I can really fill

2794

02:01:27,280 --> 02:01:24,559

in the whole psychological framework and

2795

02:01:29,290 --> 02:01:27,290

give people a bit more depth

2796

02:01:32,290 --> 02:01:29,300

on some of these concepts that we're

2797

02:01:37,540 --> 02:01:32,300

bringing up and the link between mind

2798

02:01:40,120 --> 02:01:37,550

and spirituality and quantum biology and

2799

02:01:43,630 --> 02:01:40,130

things like that and being able to get

2800

02:01:46,300 --> 02:01:43,640

into kind of how a lot of this stuff

2801

02:01:50,740 --> 02:01:46,310

really freakin works get into a user

2802

02:01:52,240 --> 02:01:50,750

manual for the mind yeah I'm into it I

2803

02:01:54,610 --> 02:01:52,250

think that'd be great

2804

02:01:55,990 --> 02:01:54,620

yeah I just think it'll complement this

2805

02:01:57,840 --> 02:01:56,000

and then we can move on and blast

2806

02:02:00,460 --> 02:01:57,850

through the rest of the elemental series

2807

02:02:03,880 --> 02:02:00,470

sure man awesome

2808

02:02:06,280 --> 02:02:03,890

well I can always enjoy having you here

2809

02:02:10,360 --> 02:02:06,290

I will let you enjoy the rest your day

2810

02:02:11,830 --> 02:02:10,370

cuz this has been a long one yeah but we

2811

02:02:14,760 --> 02:02:11,840

will be doing it again and until that

2812

02:02:18,520 --> 02:02:14,770

time take care out there take it easy

2813

02:02:20,710 --> 02:02:18,530

sweet baby Jesus dear people of the

2814

02:02:23,560 --> 02:02:20,720

internet the triumphant return -

2815

02:02:26,020 --> 02:02:23,570

Imagineer taking a break from elements

2816

02:02:28,450 --> 02:02:26,030

to talk about ideologies and I'll tell

2817

02:02:31,450 --> 02:02:28,460

you I was a little hesitant at first I

2818

02:02:34,090 --> 02:02:31,460

thought it might be I don't know a bit

2819

02:02:36,670 --> 02:02:34,100

sober for THC and probably even a bit

2820

02:02:38,560 --> 02:02:36,680

polarizing and triggering although

2821

02:02:41,170 --> 02:02:38,570

fascism should be something we all

2822

02:02:43,330 --> 02:02:41,180

oppose on a conspiracy show if we could

2823

02:02:45,490 --> 02:02:43,340

just recognize it appropriately which is

2824

02:02:47,320 --> 02:02:45,500

really what this was all about so I'm

2825

02:02:50,470 --> 02:02:47,330

really glad we did it I think it has a

2826

02:02:53,080 --> 02:02:50,480

unique place in the archive and it's a

2827

02:02:54,610 --> 02:02:53,090

topic worth focusing on it just does get

2828

02:02:56,920 --> 02:02:54,620

a little dicey when you bring up certain

2829

02:02:58,870 --> 02:02:56,930

ideologies because so many people have

2830

02:03:00,550 --> 02:02:58,880

their minds made up or their definition

2831

02:03:02,470 --> 02:03:00,560

of something might be way off from

2832

02:03:05,350 --> 02:03:02,480

another person's definition and we're

2833

02:03:06,640 --> 02:03:05,360

all playing straw man games these are

2834

02:03:09,040 --> 02:03:06,650

some of the most loaded and

2835

02:03:11,490 --> 02:03:09,050

propagandized terms in human history so

2836

02:03:13,840 --> 02:03:11,500

of course people have strong reactions

2837

02:03:15,670 --> 02:03:13,850

but because they're so twisted up I

2838

02:03:17,950 --> 02:03:15,680

think that's why we should be open to

2839

02:03:20,770 --> 02:03:17,960

just unpacking them and taking an

2840

02:03:22,810 --> 02:03:20,780

objective look but I do agree that the

2841

02:03:24,970 --> 02:03:22,820

correct framing is that we have a false

2842

02:03:27,610 --> 02:03:24,980

dichotomy of leftist ideologies that

2843

02:03:29,740 --> 02:03:27,620

promote state power right ideologies

2844

02:03:31,680 --> 02:03:29,750

that promote corporate power but

2845

02:03:34,300 --> 02:03:31,690

nobody's really pushing for people power

2846

02:03:37,150 --> 02:03:34,310

maybe we could look at third options if

2847

02:03:40,300 --> 02:03:37,160

we were open-minded enough to get over

2848

02:03:40,720 --> 02:03:40,310

ourselves I mean I still wrestle with a

2849

02:03:42,970 --> 02:03:40,730

lot of

2850

02:03:45,430 --> 02:03:42,980

his ideas but I think if you're gonna be

2851
02:03:47,800 --> 02:03:45,440
fair we were pretty even-handed and

2852
02:03:48,520 --> 02:03:47,810
balanced and it's really just food for

2853
02:03:50,470 --> 02:03:48,530
thought

2854
02:03:52,780 --> 02:03:50,480
although the info about corporations

2855
02:03:55,630 --> 02:03:52,790
changing after the Civil War and the

2856
02:03:58,030 --> 02:03:55,640
attempted coup on FDR that's super

2857
02:04:00,820 --> 02:03:58,040
interesting history but just in the

2858
02:04:02,380 --> 02:04:00,830
context of our current times I like to

2859
02:04:04,570 --> 02:04:02,390
think that a lot of higher side

2860
02:04:07,720 --> 02:04:04,580
listeners are a bit above the political

2861
02:04:09,190 --> 02:04:07,730
infighting but we all see it and I said

2862
02:04:11,229 --> 02:04:09,200
this in the show but everything's

2863
02:04:13,780 --> 02:04:11,239

getting so extreme that no one is even

2864

02:04:16,510 --> 02:04:13,790

talking cooperation it's all about

2865

02:04:18,310 --> 02:04:16,520

winning and this mindset of if the other

2866

02:04:20,950 --> 02:04:18,320

side would just get the [h__h] out of the

2867

02:04:22,870 --> 02:04:20,960

way of my team's ideas we could fix

2868

02:04:25,210 --> 02:04:22,880

everything and it's like yeah fix

2869

02:04:26,620 --> 02:04:25,220

everything for you but the road to

2870

02:04:30,160 --> 02:04:26,630

tyranny is paved with good intentions

2871

02:04:32,290 --> 02:04:30,170

and gridlock is the goal so powerful

2872

02:04:34,180 --> 02:04:32,300

[h__h] can get you so frustrated with it

2873

02:04:35,770 --> 02:04:34,190

that you approve the bulldozing of the

2874

02:04:37,960 --> 02:04:35,780

parts of the system that they don't like

2875

02:04:41,229 --> 02:04:37,970

and again it's not gonna do anything for

2876
02:04:43,180 --> 02:04:41,239
you I'm not trying to be preachy and I

2877
02:04:45,460 --> 02:04:43,190
have no political scientist but I do

2878
02:04:48,070 --> 02:04:45,470
think any and all systems have been

2879
02:04:51,100 --> 02:04:48,080
corrupted by top-down control with

2880
02:04:54,160 --> 02:04:51,110
rigged economics violence exploitation

2881
02:04:57,130 --> 02:04:54,170
and cronyism all of them so it's really

2882
02:04:59,410 --> 02:04:57,140
disingenuous to look back at history or

2883
02:05:02,620 --> 02:04:59,420
the current climate and see one of these

2884
02:05:05,620 --> 02:05:02,630
clearly corrupt social examples and say

2885
02:05:06,940 --> 02:05:05,630
to someone oh that's what you want look

2886
02:05:08,920 --> 02:05:06,950
at all those people who suffered under

2887
02:05:11,560 --> 02:05:08,930
that system you want to bring that back

2888
02:05:13,990 --> 02:05:11,570

and it's like no of course not

2889

02:05:16,150 --> 02:05:14,000

it's like Sherman said you can't find

2890

02:05:18,729 --> 02:05:16,160

examples of free fair and open

2891

02:05:20,920 --> 02:05:18,739

civilizations those were wiped out

2892

02:05:23,410 --> 02:05:20,930

history does not want those examples to

2893

02:05:26,950 --> 02:05:23,420

be highlight a bowl or for them to exist

2894

02:05:30,180 --> 02:05:26,960

today it's a lot like vaccine studies

2895

02:05:33,030 --> 02:05:30,190

the CDC never did mmm our studies on

2896

02:05:36,280 --> 02:05:33,040

non-vaccinated versed vaccinated groups

2897

02:05:38,140 --> 02:05:36,290

only kids vaccinated to the schedule and

2898

02:05:41,290 --> 02:05:38,150

ones where the schedule was extended and

2899

02:05:43,390 --> 02:05:41,300

even that was very telling but the point

2900

02:05:46,120 --> 02:05:43,400

is the planets puppet-masters do not

2901

02:05:48,070 --> 02:05:46,130

want us to have clear answers because we

2902

02:05:50,590 --> 02:05:48,080

can unite around clear answers and

2903

02:05:52,360 --> 02:05:50,600

theory and that's just what a lot of

2904

02:05:54,620 --> 02:05:52,370

this is it's just theory talk because

2905

02:05:56,600 --> 02:05:54,630

it's not like a complete overhaul of our

2906

02:05:59,629 --> 02:05:56,610

seidel structure is even on the table

2907

02:06:01,729 --> 02:05:59,639

for us but maybe if we could point our

2908

02:06:03,560 --> 02:06:01,739

pitchforks at both the authoritarian

2909

02:06:06,050 --> 02:06:03,570

government and the rigged corporate

2910

02:06:08,180 --> 02:06:06,060

cabal instead of each other we might

2911

02:06:10,910 --> 02:06:08,190

start to move the needle our way for a

2912

02:06:12,649 --> 02:06:10,920

change maybe and there isn't just one

2913

02:06:14,390 --> 02:06:12,659

answer for this I don't really think she

2914

02:06:16,669 --> 02:06:14,400

Minds was trying to shove one answer

2915

02:06:18,919 --> 02:06:16,679

down anybody's throat although we did

2916

02:06:20,479 --> 02:06:18,929

torch some sacred cows and I don't

2917

02:06:22,850 --> 02:06:20,489

really mind making that kind of trouble

2918

02:06:25,790 --> 02:06:22,860

it just doesn't seem like people are

2919

02:06:27,379 --> 02:06:25,800

free to talk openly anymore I'm reminded

2920

02:06:29,649 --> 02:06:27,389

of something Dave Chappelle said in his

2921

02:06:31,879 --> 02:06:29,659

latest special which was the effect of

2922

02:06:34,280 --> 02:06:31,889

people who care about freedom have a

2923

02:06:37,100 --> 02:06:34,290

responsibility to talk recklessly

2924

02:06:38,419 --> 02:06:37,110

because I worry my kids will grow up in

2925

02:06:41,120 --> 02:06:38,429

a world where they don't even know what

2926
02:06:42,169 --> 02:06:41,130
reckless talk sounds like and not that

2927
02:06:44,180 --> 02:06:42,179
the show is reckless

2928
02:06:46,070 --> 02:06:44,190
in fact Jomon jr. puts a lot of work

2929
02:06:48,470 --> 02:06:46,080
into getting ready for a THC and I

2930
02:06:50,479 --> 02:06:48,480
really appreciate that effort but the

2931
02:06:51,919 --> 02:06:50,489
point is let's throw around some ideas

2932
02:06:54,320 --> 02:06:51,929
let's put them on the table let's look

2933
02:06:57,020 --> 02:06:54,330
at material the state deemed unfit for

2934
02:06:59,090 --> 02:06:57,030
us let's examine why these various

2935
02:07:01,610 --> 02:06:59,100
structures haven't worked and what it

2936
02:07:03,439 --> 02:07:01,620
would take to make one work let's toss

2937
02:07:05,810 --> 02:07:03,449
around ideas without being completely

2938
02:07:08,090 --> 02:07:05,820

married to them and take a conversation

2939

02:07:11,090 --> 02:07:08,100

to places that not many are really going

2940

02:07:13,550 --> 02:07:11,100

today and I'm on board with that and

2941

02:07:14,780 --> 02:07:13,560

these episodes with Sherman jr. are a

2942

02:07:16,820 --> 02:07:14,790

bit different

2943

02:07:18,620 --> 02:07:16,830

it's not like he writes a book and then

2944

02:07:20,930 --> 02:07:18,630

I read it and then we go over the finer

2945

02:07:22,879 --> 02:07:20,940

points it's more like he's a really

2946

02:07:25,550 --> 02:07:22,889

smart thoughtful passionate guy who

2947

02:07:27,830 --> 02:07:25,560

synthesizes a ton of information from a

2948

02:07:31,100 --> 02:07:27,840

ton of sources on a particular topic and

2949

02:07:34,040 --> 02:07:31,110

creates a form of presentation for us

2950

02:07:36,070 --> 02:07:34,050

where I occasionally chime in just to

2951

02:07:38,890 --> 02:07:36,080

remind you I'm still here

2952

02:07:41,770 --> 02:07:38,900

but he recorded with me for three plus

2953

02:07:44,230 --> 02:07:41,780

hours which with brakes and side

2954

02:07:46,930 --> 02:07:44,240

conversations it was about four plus all

2955

02:07:49,090 --> 02:07:46,940

the preparation so you got a respect a

2956

02:07:51,340 --> 02:07:49,100

guy who's got nothing to sell you and

2957

02:07:53,890 --> 02:07:51,350

still puts in all that time and

2958

02:07:56,740 --> 02:07:53,900

thoughtfulness to making a good case for

2959

02:07:59,410 --> 02:07:56,750

something that he cares about and even

2960

02:08:01,720 --> 02:07:59,420

still he did have some addendums that

2961

02:08:04,180 --> 02:08:01,730

got missed he wanted me to add he did

2962

02:08:06,940 --> 02:08:04,190

send me an article about the origins of

2963

02:08:09,220 --> 02:08:06,950

engineering as a profession and how the

2964

02:08:11,890 --> 02:08:09,230

way that it's taught is actually infused

2965

02:08:13,600 --> 02:08:11,900

with authoritarian concepts it's too

2966

02:08:16,390 --> 02:08:13,610

long to read but it's just a great

2967

02:08:19,180 --> 02:08:16,400

example of how we are brainwashed for

2968

02:08:21,700 --> 02:08:19,190

top-down control almost everywhere and

2969

02:08:23,980 --> 02:08:21,710

we don't realize it I think that point

2970

02:08:25,750 --> 02:08:23,990

about the nuclear family setting us up

2971

02:08:27,460 --> 02:08:25,760

for the mindset of just following orders

2972

02:08:30,880 --> 02:08:27,470

from some father figure

2973

02:08:33,310 --> 02:08:30,890

some goddamn tyrant that's interesting I

2974

02:08:36,370 --> 02:08:33,320

mean I don't know how else I'd want to

2975

02:08:38,830 --> 02:08:36,380

raise my kids but it's worth keeping in

2976

02:08:42,190 --> 02:08:38,840

mind what type of imprinting you're

2977

02:08:43,720 --> 02:08:42,200

doing with an operation like that but

2978

02:08:45,520 --> 02:08:43,730

yes he did want me to add a few things

2979

02:08:48,550 --> 02:08:45,530

so let's do that

2980

02:08:50,650 --> 02:08:48,560

firstly we had plans to get to Europe's

2981

02:08:52,990 --> 02:08:50,660

immigration crisis and tie that into the

2982

02:08:56,020 --> 02:08:53,000

big picture and I'm just gonna quote him

2983

02:08:58,510 --> 02:08:56,030

he said I would argue what's going on in

2984

02:09:00,910 --> 02:08:58,520

Europe with immigration is a kind of

2985

02:09:02,800 --> 02:09:00,920

Shock Doctrine or disaster reaction

2986

02:09:05,050 --> 02:09:02,810

solution approach to overcoming the

2987

02:09:07,930 --> 02:09:05,060

social programs afforded to citizens in

2988

02:09:10,600 --> 02:09:07,940

those countries the impetus to undermine

2989

02:09:13,900 --> 02:09:10,610

these programs is to make them collapse

2990

02:09:16,150 --> 02:09:13,910

under the added strain which they were

2991

02:09:18,120 --> 02:09:16,160

not designed to bear resulting in

2992

02:09:21,130 --> 02:09:18,130

internal conflict and strife

2993

02:09:23,380 --> 02:09:21,140

additionally fear of loss of identity is

2994

02:09:25,570 --> 02:09:23,390

being used to shift demographics that

2995

02:09:28,180 --> 02:09:25,580

are leading to the rise of nationalistic

2996

02:09:30,520 --> 02:09:28,190

fronts in these countries the entire

2997

02:09:33,010 --> 02:09:30,530

response has been focused on the effects

2998

02:09:35,710 --> 02:09:33,020

of the refugees and limiting damage to

2999

02:09:37,930 --> 02:09:35,720

the European identity and economy rather

3000

02:09:39,430 --> 02:09:37,940

than asking what caused the crisis to

3001
02:09:41,200 --> 02:09:39,440
begin with and how to prevent these

3002
02:09:43,440 --> 02:09:41,210
people from fleeing their homelands

3003
02:09:46,180 --> 02:09:43,450
believe me nobody wants to be a refugee

3004
02:09:48,430 --> 02:09:46,190
why has the response not been to

3005
02:09:49,720 --> 02:09:48,440
organize relief efforts and peaceful

3006
02:09:51,220 --> 02:09:49,730
solutions to the conflict

3007
02:09:53,110 --> 02:09:51,230
that have given rise to the refugee

3008
02:09:53,680 --> 02:09:53,120
crisis in order to stem the tide before

3009
02:09:56,229 --> 02:09:53,690
a flood

3010
02:09:58,570 --> 02:09:56,239
isn't this the more logical and ethical

3011
02:10:00,970 --> 02:09:58,580
response to a humanitarian disaster of

3012
02:10:03,190 --> 02:10:00,980
such proportions by allowing these

3013
02:10:05,110 --> 02:10:03,200

disasters to continue unabated and

3014

02:10:07,270 --> 02:10:05,120

focusing on the effects I believe the

3015

02:10:09,310 --> 02:10:07,280

conditions are being created for fascist

3016

02:10:11,080 --> 02:10:09,320

policies to become central to the

3017

02:10:13,270 --> 02:10:11,090

political development of Europe and

3018

02:10:15,400 --> 02:10:13,280

that's a sentiment many guests have

3019

02:10:18,250 --> 02:10:15,410

really shared with me on an affair that

3020

02:10:20,470 --> 02:10:18,260

the globalists feel that Europeans have

3021

02:10:23,260 --> 02:10:20,480

too many benefits so you break the

3022

02:10:26,050 --> 02:10:23,270

system with immigrants paint them as

3023

02:10:28,060 --> 02:10:26,060

freeloaders to all the citizens how much

3024

02:10:30,070 --> 02:10:28,070

better off they'd be if they just paid

3025

02:10:32,410 --> 02:10:30,080

for their own benefits and then collapse

3026

02:10:35,110 --> 02:10:32,420

the sense of communal safety net just a

3027

02:10:37,450 --> 02:10:35,120

road the hell out of that I think that

3028

02:10:39,490 --> 02:10:37,460

makes sense these greedy [h__h] are

3029

02:10:41,500 --> 02:10:39,500

always trying to make us get by with

3030

02:10:43,570 --> 02:10:41,510

less and the only things we get out of

3031

02:10:46,180 --> 02:10:43,580

our system are the ones we really really

3032

02:10:48,850 --> 02:10:46,190

fight for and draw the line in the sand

3033

02:10:50,650 --> 02:10:48,860

around look at the countries who get the

3034

02:10:53,290 --> 02:10:50,660

most out of their system on the planet

3035

02:10:55,390 --> 02:10:53,300

and it is probably Europe so when the

3036

02:10:57,700 --> 02:10:55,400

globalists are thinking about who they

3037

02:10:58,229 --> 02:10:57,710

can chip away at that's probably where

3038

02:11:00,910 --> 02:10:58,239

they're looking

3039

02:11:04,270 --> 02:11:00,920

you know we hit libertarians pretty hard

3040

02:11:07,030 --> 02:11:04,280

and they always stick to this taxation

3041

02:11:09,220 --> 02:11:07,040

is theft principle and I think taxation

3042

02:11:11,380 --> 02:11:09,230

is really more of a social contract but

3043

02:11:13,600 --> 02:11:11,390

it's a complete shame that we have no

3044

02:11:15,850 --> 02:11:13,610

control over the allocation of funds if

3045

02:11:19,420 --> 02:11:15,860

tax season came around and we all

3046

02:11:21,940 --> 02:11:19,430

contributed 15% or so to fight it in two

3047

02:11:24,160 --> 02:11:21,950

categories of our choosing I think we'd

3048

02:11:26,320 --> 02:11:24,170

be a lot more ok with it because none of

3049

02:11:28,180 --> 02:11:26,330

us are self-made and the structure of

3050

02:11:30,760 --> 02:11:28,190

our society probably should get a small

3051

02:11:32,560 --> 02:11:30,770

percentage of our income just for

3052

02:11:34,900 --> 02:11:32,570

setting up the conditions in which we

3053

02:11:37,300 --> 02:11:34,910

can make a living you need this

3054

02:11:39,910 --> 02:11:37,310

structure to even do what you do

3055

02:11:41,830 --> 02:11:39,920

otherwise it's just [h__h] chaos we're

3056

02:11:43,750 --> 02:11:41,840

not crouching behind flaming trash cans

3057

02:11:46,660 --> 02:11:43,760

in the streets avoiding machine-gun clad

3058

02:11:48,640 --> 02:11:46,670

militias so is it that bad to contribute

3059

02:11:52,390 --> 02:11:48,650

to the ongoing avoidance of a full-scale

3060

02:11:54,610 --> 02:11:52,400

war zone and chip into the structure

3061

02:11:57,070 --> 02:11:54,620

that we all appreciate being here at

3062

02:11:59,560 --> 02:11:57,080

least to a degree but on top of those

3063

02:12:01,900 --> 02:11:59,570

comments about the immigration crisis he

3064

02:12:03,689 --> 02:12:01,910

wanted me to say a bit more about beasts

3065

02:12:05,610 --> 02:12:03,699

men and gods now

3066

02:12:08,459 --> 02:12:05,620

if you only heard the free show you have

3067

02:12:10,200 --> 02:12:08,469

no idea what that is but just like the

3068

02:12:12,990 --> 02:12:10,210

last show issue mangia near the plus

3069

02:12:16,260 --> 02:12:13,000

portion centers largely around one book

3070

02:12:18,689 --> 02:12:16,270

with some very strange THC type material

3071

02:12:21,660 --> 02:12:18,699

in it in the water episode that book was

3072

02:12:25,439 --> 02:12:21,670

netted Orpha in this episode it's beasts

3073

02:12:27,570 --> 02:12:25,449

men and gods by Ferdinand Sandusky which

3074

02:12:29,700 --> 02:12:27,580

is a largely personal memoir about a

3075

02:12:32,160 --> 02:12:29,710

Russian doctors experience running from

3076

02:12:34,140 --> 02:12:32,170

the Bolshevik Revolution in the 1920s a

3077

02:12:35,910 --> 02:12:34,150

journey that not only showed him

3078

02:12:37,290 --> 02:12:35,920

firsthand examples of the death and

3079

02:12:39,660 --> 02:12:37,300

destruction associated with the

3080

02:12:41,669 --> 02:12:39,670

revolution but also brought him in

3081

02:12:44,880 --> 02:12:41,679

contact with many interesting characters

3082

02:12:47,820 --> 02:12:44,890

throughout China Mongolia and Tibet ding

3083

02:12:49,680 --> 02:12:47,830

ding ding and much like the exploration

3084

02:12:51,689 --> 02:12:49,690

of a tad Orpha this book is just another

3085

02:12:53,880 --> 02:12:51,699

example of some of the odd yet

3086

02:12:55,650 --> 02:12:53,890

consistent details revolving around

3087

02:12:57,930 --> 02:12:55,660

things below the surface

3088

02:13:00,120 --> 02:12:57,940

it contains stories of strange light

3089

02:13:02,430 --> 02:13:00,130

sources inside the earth an ancient

3090

02:13:05,040 --> 02:13:02,440

civilization deep underground and that

3091

02:13:08,459 --> 02:13:05,050

the civilization has advanced flying

3092

02:13:10,800 --> 02:13:08,469

crafts unknown to man at that time so we

3093

02:13:12,330 --> 02:13:10,810

spent the second hour or should I just

3094

02:13:15,209 --> 02:13:12,340

say the plus portion because it's really

3095

02:13:17,370 --> 02:13:15,219

closer to the third hour but we spent it

3096

02:13:20,250 --> 02:13:17,380

reading from and branching off of these

3097

02:13:22,020 --> 02:13:20,260

themes and this particular book but he

3098

02:13:23,669 --> 02:13:22,030

wanted me to emphasize that there's a

3099

02:13:25,410 --> 02:13:23,679

lot more to the story of the bloody

3100

02:13:28,890 --> 02:13:25,420

baron and that it's really worth reading

3101

02:13:31,830 --> 02:13:28,900

yourself you can also find audio books

3102

02:13:33,630 --> 02:13:31,840

of it on YouTube but he also mentioned

3103

02:13:35,250 --> 02:13:33,640

that some historians claim that the

3104

02:13:37,770 --> 02:13:35,260

reason the book ends without really

3105

02:13:40,680 --> 02:13:37,780

recounting much of how awesome gauss key

3106

02:13:43,169 --> 02:13:40,690

escaped mongolia is because he might

3107

02:13:46,590 --> 02:13:43,179

have stole a great deal of the treasure

3108

02:13:48,870 --> 02:13:46,600

of the Mongolian horde as he fled and

3109

02:13:51,150 --> 02:13:48,880

that he buried it along his route with

3110

02:13:53,370 --> 02:13:51,160

plans to return one day and recover it

3111

02:13:56,270 --> 02:13:53,380

and who doesn't love the idea of buried

3112

02:13:59,400 --> 02:13:56,280

treasure on top of the in earth stuff

3113

02:14:02,220 --> 02:13:59,410

but on that subject because he goes to

3114

02:14:04,050 --> 02:14:02,230

Mongolia and Tibet he is told a few

3115

02:14:06,750 --> 02:14:04,060

stories from the people he interacts

3116

02:14:09,270 --> 02:14:06,760

with about the Inner Earth civilization

3117

02:14:11,910 --> 02:14:09,280

of Agartha and the passageway in Tibet

3118

02:14:14,220 --> 02:14:11,920

and in the show we didn't get to the

3119

02:14:15,000 --> 02:14:14,230

real gem which is the prophecy of the

3120

02:14:16,919 --> 02:14:15,010

king of the world

3121

02:14:21,180 --> 02:14:16,929

aka the king of Agartha

3122

02:14:23,820 --> 02:14:21,190

so it reads the hatiku of naira bond she

3123

02:14:26,130 --> 02:14:23,830

related the following to me when I

3124

02:14:29,340 --> 02:14:26,140

ascend a ski visited him in his

3125

02:14:31,020 --> 02:14:29,350

monastery in the beginning of 1921 the

3126

02:14:33,600 --> 02:14:31,030

king of the world appeared before the

3127

02:14:36,750 --> 02:14:33,610

Lamas in this monastery 30 years ago

3128

02:14:39,479 --> 02:14:36,760

which would be 1890 he made a prophecy

3129

02:14:42,120 --> 02:14:39,489

for the coming half century it was as

3130

02:14:44,040 --> 02:14:42,130

follows more and more the people will

3131

02:14:46,140 --> 02:14:44,050

forget their souls and care about their

3132

02:14:48,209 --> 02:14:46,150

bodies the greatest sin and corruption

3133

02:14:50,580 --> 02:14:48,219

will reign on the earth people will

3134

02:14:52,050 --> 02:14:50,590

become as ferocious animals thirsting

3135

02:14:54,600 --> 02:14:52,060

for the blood and death of their

3136

02:14:56,880 --> 02:14:54,610

brothers the Crescent will grow dim and

3137

02:15:00,450 --> 02:14:56,890

its followers will descend into beggary

3138

02:15:02,550 --> 02:15:00,460

and ceaseless war its conquerors will be

3139

02:15:04,680 --> 02:15:02,560

stricken by the Sun but will not

3140

02:15:06,720 --> 02:15:04,690

progress upward and twice they will be

3141

02:15:09,000 --> 02:15:06,730

visited with the heaviest misfortune

3142

02:15:11,669 --> 02:15:09,010

which will end an insult before the eye

3143

02:15:14,550 --> 02:15:11,679

of the other peoples the crowns of Kings

3144

02:15:17,280 --> 02:15:14,560

great and small will fall one two three

3145

02:15:19,500 --> 02:15:17,290

four five six seven eight there will be

3146

02:15:21,840 --> 02:15:19,510

a terrible battle among all the peoples

3147

02:15:23,669 --> 02:15:21,850

the sea will become red the earth and

3148

02:15:26,040 --> 02:15:23,679

the bottom of the sea will be strewn

3149

02:15:28,890 --> 02:15:26,050

with bones kingdoms will be scattered

3150

02:15:31,890 --> 02:15:28,900

whole peoples will die hunger disease

3151
02:15:34,590 --> 02:15:31,900
crimes unknown to the law never before

3152
02:15:37,110 --> 02:15:34,600
seen in the world the forgotten and

3153
02:15:38,459 --> 02:15:37,120
pursued shall rise and hold the

3154
02:15:41,130 --> 02:15:38,469
attention of the whole world

3155
02:15:43,320 --> 02:15:41,140
there will be fogs and storms bare

3156
02:15:45,870 --> 02:15:43,330
mountains shall suddenly be covered with

3157
02:15:47,790 --> 02:15:45,880
forests earthquakes will come millions

3158
02:15:50,070 --> 02:15:47,800
will change the fetters of slavery and

3159
02:15:52,320 --> 02:15:50,080
humiliation for hunger disease and death

3160
02:15:53,939 --> 02:15:52,330
the ancient roads will be covered with

3161
02:15:56,189 --> 02:15:53,949
crowds wandering from one place to

3162
02:15:59,250 --> 02:15:56,199
another the greatest and most beautiful

3163
02:16:01,620 --> 02:15:59,260

city shall perish in fire one two three

3164

02:16:03,720 --> 02:16:01,630

father shall rise again son brother

3165

02:16:06,090 --> 02:16:03,730

against brother and mother against

3166

02:16:08,880 --> 02:16:06,100

daughter vice crime and the destruction

3167

02:16:11,100 --> 02:16:08,890

of body and soul shall follow family

3168

02:16:13,649 --> 02:16:11,110

shall be scattered truth and love shall

3169

02:16:16,290 --> 02:16:13,659

disappear from ten thousand men one

3170

02:16:18,570 --> 02:16:16,300

shall remain he shall be nude and mad

3171

02:16:21,300 --> 02:16:18,580

and without force and the knowledge to

3172

02:16:24,060 --> 02:16:21,310

build him a house and find his food he

3173

02:16:26,879 --> 02:16:24,070

will howl as a raging wolf devoured dead

3174

02:16:29,100 --> 02:16:26,889

bodies bite his own flesh and challenge

3175

02:16:30,840 --> 02:16:29,110

God to fight all the earth will be

3176

02:16:32,940 --> 02:16:30,850

emptied God will turn away

3177

02:16:35,760 --> 02:16:32,950

from it and over it there will be only

3178

02:16:38,129 --> 02:16:35,770

night and death there I shall send a

3179

02:16:40,379 --> 02:16:38,139

people now unknown which she'll tear out

3180

02:16:42,629 --> 02:16:40,389

the weeds of madness and vice with a

3181

02:16:44,550 --> 02:16:42,639

strong hand and will lead those who

3182

02:16:46,500 --> 02:16:44,560

still remain faithful to the spirit of

3183

02:16:48,629 --> 02:16:46,510

man in the fight against evil

3184

02:16:51,030 --> 02:16:48,639

they will found a new life on Earth

3185

02:16:54,629 --> 02:16:51,040

purified by the death of Nations in the

3186

02:16:57,089 --> 02:16:54,639

fifteenth year which would be 1940 only

3187

02:17:00,419 --> 02:16:57,099

three great kingdoms will appear which

3188

02:17:03,690 --> 02:17:00,429

will exist happily for 71 years until

3189

02:17:06,600 --> 02:17:03,700

2011 afterwards there will be 18 years

3190

02:17:09,240 --> 02:17:06,610

of war and destruction until 2019

3191

02:17:11,459 --> 02:17:09,250

then the people of Agartha will come up

3192

02:17:14,730 --> 02:17:11,469

from their subterranean caverns to the

3193

02:17:17,310 --> 02:17:14,740

surface of the earth so as your mine

3194

02:17:19,860 --> 02:17:17,320

denier said to me one to two years out a

3195

02:17:21,870 --> 02:17:19,870

garth ins may be walking among us but

3196

02:17:24,000 --> 02:17:21,880

nothing much else in the prophecy seems

3197

02:17:26,310 --> 02:17:24,010

to have been too accurate so I wouldn't

3198

02:17:28,980 --> 02:17:26,320

hold your breath but it is a quite

3199

02:17:31,560 --> 02:17:28,990

interesting bit of Hollow Earth lore and

3200

02:17:35,970 --> 02:17:31,570

maybe we should just avoid the descent

3201

02:17:37,650 --> 02:17:35,980

into complete divisive nest in case so

3202

02:17:40,230 --> 02:17:37,660

check out the plush show to hear that

3203

02:17:43,080 --> 02:17:40,240

our largely about the book by our side

3204

02:17:44,310 --> 02:17:43,090

chats plus com sign up on patreon you

3205

02:17:46,560 --> 02:17:44,320

know how to do it

3206

02:17:49,020 --> 02:17:46,570

Shema engineer also wanted me to end the

3207

02:17:51,209 --> 02:17:49,030

show with Tom clays what the world needs

3208

02:17:53,850 --> 02:17:51,219

now unfortunately I can't because of

3209

02:17:56,100 --> 02:17:53,860

commercial rights but I think I got just

3210

02:17:59,129 --> 02:17:56,110

the thing and I'll catch you later

3211

02:18:01,110 --> 02:17:59,139

your move international fascists commies

3212

02:18:05,490 --> 02:18:01,120

Nazi survivals and breakaway

3213

02:18:11,550 --> 02:18:05,500

civilizations your [\h__\h] move no the

3214

02:18:15,810 --> 02:18:11,560

plan is always m'kay I'm just trying to

3215

02:18:18,500 --> 02:18:15,820

drain you insane they'll explode your

3216

02:18:23,390 --> 02:18:18,510

heart if they think that's what it means

3217

02:18:26,900 --> 02:18:23,400

you think I'm answering the phone

3218

02:18:29,660 --> 02:18:26,910

you gotta keep that wrong cuz I don't

3219

02:18:32,690 --> 02:18:29,670

want anyone thinking you're at home well

3220

02:18:36,500 --> 02:18:32,700

you're not you should tape the mail slot

3221

02:18:39,530 --> 02:18:36,510

and baby if I leave with drum let me say

3222

02:18:43,310 --> 02:18:39,540

it's cuz I just don't wanna go and get

3223

02:18:47,110 --> 02:18:43,320

whacked maybe you should know that the

3224

02:18:50,541 --> 02:18:47,120

trauma of sex you like it does everyone

3225

02:18:54,560 --> 02:18:50,551

it's just the game plan it's where the

3226

02:18:57,500 --> 02:18:54,570

world's become they want a pattern and

3227

02:19:01,460 --> 02:18:57,510

the swap don't you see what's going on

3228

02:19:05,600 --> 02:19:01,470

well now you know you're better came in

3229

02:19:09,500 --> 02:19:05,610

on your uncle's you can see the Masters

3230

02:19:15,230 --> 02:19:09,510

lacking much oh baby you can only trust

3231

02:19:18,590 --> 02:19:15,240

yourself and if you think the system's

3232

02:19:21,430 --> 02:19:18,600

out of touch it is and you can only

3233

02:19:25,590 --> 02:19:21,440

trust yourself

3234

02:19:29,350 --> 02:19:25,600

hope you know baleen aren't your friends

3235

02:19:33,460 --> 02:19:29,360

the suck out everything from you in the

3236

02:19:37,720 --> 02:19:33,470

end and if for some reason you think

3237

02:19:41,770 --> 02:19:37,730

might be wrong I wonder where you got

3238

02:19:44,621 --> 02:19:41,780

that opinion from you gotta keep it

3239

02:19:47,860 --> 02:19:44,631

wrong cuz you don't want anyone thinking

3240

02:19:51,310 --> 02:19:47,870

you're at home well you're not you

3241

02:19:52,631 --> 02:19:51,320

should tape the mail slot and baby if I

3242

02:19:55,180 --> 02:19:52,641

seem withdrawn

3243

02:19:58,720 --> 02:19:55,190

let me say it's cuz I just don't wanna

3244

02:20:02,621 --> 02:19:58,730

go and get whacked maybe you should know

3245

02:20:06,820 --> 02:20:02,631

that the trauma upsets you like it does

3246

02:20:10,720 --> 02:20:06,830

everyone it's just the game when it's

3247

02:20:13,450 --> 02:20:10,730

where the world's become they want a pat

3248

02:20:15,960 --> 02:20:13,460

down in the swamp don't you see what's

3249

02:20:19,450 --> 02:20:15,970

going on well now

3250

02:20:23,920 --> 02:20:19,460

you're better came in on your own cuz

3251

02:20:29,260 --> 02:20:23,930

you can see the Masters like you much oh

3252

02:20:33,730 --> 02:20:29,270

baby you can only trust yourself and if

3253

02:20:38,700 --> 02:20:33,740

you think the system's out of touch it

3254

02:20:57,060 --> 02:20:38,710

is and you can only trust yourself

3255

02:21:00,790 --> 02:20:57,070

[Music]

3256

02:21:05,320 --> 02:21:00,800

you might think that these problems are

3257

02:21:09,520 --> 02:21:05,330

small maybe they aren't registering at

3258

02:21:13,720 --> 02:21:09,530

all now they know you're naive and

3259

02:21:18,760 --> 02:21:13,730

vulnerable you won't believe I love a

3260

02:21:22,420 --> 02:21:18,770

sense that down home cuz you can see the

3261

02:21:27,160 --> 02:21:22,430

math there's not too much oh baby you

3262

02:21:32,050 --> 02:21:27,170

can only trust your snails and if you

3263

02:21:36,520 --> 02:21:32,060

think the systems out of touch it is and

3264

02:21:40,960 --> 02:21:36,530

you can only trust yourself because you

3265

02:21:46,360 --> 02:21:40,970

can see the masters lie too much oh baby

3266

02:21:51,250 --> 02:21:46,370

you can only trust yourself and if you

3267

02:21:54,050 --> 02:21:51,260

think the systems out of touch it is and
