

TOLEC

THE ANDROMEDA COUNCIL, UNDERGROUND REPTILIANS, & THE BIG CONSPIRACY
PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT [THEHIGHERSIDECHATS.COM](https://www.thehighersidechats.com)

LISTEN TO THE EXTENDED SHOW AT [THEHIGHERSIDECHATSPLUS.COM](https://www.thehighersidechatsplus.com)

1
00:00:04,630 --> 00:00:02,869
[Music]

2
00:00:06,950 --> 00:00:04,640
congratulations youtube

3
00:00:08,390 --> 00:00:06,960
you did it you wore me down and you

4
00:00:10,709 --> 00:00:08,400
sucked me back in

5
00:00:12,150 --> 00:00:10,719
i have too many subscribers here just to

6
00:00:14,230 --> 00:00:12,160
walk away entirely

7
00:00:15,430 --> 00:00:14,240
especially with no alternative that

8
00:00:17,590 --> 00:00:15,440
truly stacks up

9
00:00:19,670 --> 00:00:17,600
and so many copycat channels uploading

10
00:00:22,150 --> 00:00:19,680
my shows for me anyway

11
00:00:24,150 --> 00:00:22,160
but we can't forget the thc's account

12
00:00:25,910 --> 00:00:24,160
here is on thin ice

13
00:00:28,710 --> 00:00:25,920

and so the youtube version of the show

14

00:00:31,669 --> 00:00:28,720

has to be prefaced with this little psa

15

00:00:32,950 --> 00:00:31,679

only to say that episodes that contain

16

00:00:34,709 --> 00:00:32,960

the kinds of themes that have been

17

00:00:37,670 --> 00:00:34,719

regularly banned on youtube

18

00:00:39,750 --> 00:00:37,680

will not appear here and even with that

19

00:00:41,350 --> 00:00:39,760

precaution there's already enough in the

20

00:00:43,350 --> 00:00:41,360

archive to get us removed

21

00:00:45,830 --> 00:00:43,360

so remember that the higher side chats

22

00:00:48,310 --> 00:00:45,840

could be banned or put in time out again

23

00:00:49,510 --> 00:00:48,320

at any time and i won't be able to tell

24

00:00:51,510 --> 00:00:49,520

you guys about it

25

00:00:53,270 --> 00:00:51,520

so if you feel like it's been too long

26
00:00:56,069 --> 00:00:53,280
since you've heard from me here on this

27
00:00:57,910 --> 00:00:56,079
digital dystopian draconian data mining

28
00:00:59,189 --> 00:00:57,920
monster of a police state seeking

29
00:01:00,990 --> 00:00:59,199
platform

30
00:01:03,750 --> 00:01:01,000
your first step should be to check the

31
00:01:12,290 --> 00:01:03,760
highersidechats.com for the latest shows

32
00:01:22,230 --> 00:01:12,300
alright alright enjoy

33
00:01:26,390 --> 00:01:24,469
the planet's puppet masters almost

34
00:01:28,550 --> 00:01:26,400
surely have a plan

35
00:01:30,870 --> 00:01:28,560
there's clearly maybe something there

36
00:01:33,350 --> 00:01:30,880
beyond the realm of man

37
00:01:35,270 --> 00:01:33,360
until we've thoroughly tested every last

38
00:01:37,670 --> 00:01:35,280

closed-chested view

39

00:01:44,560 --> 00:01:37,680

find the more you think you know unless

40

00:01:44,570 --> 00:01:52,830

[Music]

41

00:01:52,840 --> 00:02:01,150

thc

42

00:02:01,160 --> 00:02:06,830

[Music]

43

00:02:11,430 --> 00:02:09,589

company

44

00:02:13,430 --> 00:02:11,440

all right higher side chatters we've

45

00:02:15,190 --> 00:02:13,440

been around long enough to realize that

46

00:02:17,589 --> 00:02:15,200

the political circus we see on the

47

00:02:18,630 --> 00:02:17,599

surface of our society is merely a show

48

00:02:21,030 --> 00:02:18,640

for the masses

49

00:02:22,710 --> 00:02:21,040

and the real game the real deal making

50

00:02:24,390 --> 00:02:22,720

and the true players and agendas that

51

00:02:26,550 --> 00:02:24,400

drive the direction of the ss

52

00:02:28,869 --> 00:02:26,560

earth are all deeply hidden from the

53

00:02:31,190 --> 00:02:28,879

view of the unsuspecting public the real

54

00:02:32,630 --> 00:02:31,200

question though is how deep do these

55

00:02:35,190 --> 00:02:32,640

behind the scenes elements

56

00:02:35,990 --> 00:02:35,200

actually go we've heard many bold claims

57

00:02:37,910 --> 00:02:36,000

over the years that

58

00:02:40,150 --> 00:02:37,920

try to make sense of our position in the

59

00:02:42,710 --> 00:02:40,160

dark but there are some persistent

60

00:02:44,470 --> 00:02:42,720

themes that seem to re-emerge regularly

61

00:02:46,309 --> 00:02:44,480

the reoccurring notion of non-human

62

00:02:48,150 --> 00:02:46,319

elements in play even pulling the

63

00:02:49,270 --> 00:02:48,160

strings of our own puppet masters from

64

00:02:51,910 --> 00:02:49,280

backstage

65

00:02:53,830 --> 00:02:51,920

that a slave system was covertly crafted

66

00:02:56,150 --> 00:02:53,840

to suppress our spiritual evolution and

67

00:02:57,830 --> 00:02:56,160

contain our consciousness leaving man to

68

00:02:59,509 --> 00:02:57,840

be not much more than the ignorant

69

00:03:00,550 --> 00:02:59,519

cattle in a sophisticated human

70

00:03:02,630 --> 00:03:00,560

slaughterhouse

71

00:03:04,149 --> 00:03:02,640

and that humanity itself could very well

72

00:03:06,229 --> 00:03:04,159

have been built from the ground up

73

00:03:08,309 --> 00:03:06,239

under a hierarchy of intelligent beings

74

00:03:09,990 --> 00:03:08,319

that we aren't even aware exist

75

00:03:11,589 --> 00:03:10,000

of course we know the planet has a long

76

00:03:13,830 --> 00:03:11,599

history of strange sightings and

77

00:03:15,589 --> 00:03:13,840

encounters both craft and beans that are

78

00:03:17,430 --> 00:03:15,599

not to be talked about outside of these

79

00:03:19,589 --> 00:03:17,440

silly conspiracy circles

80

00:03:21,589 --> 00:03:19,599

and our history sciences and political

81

00:03:23,190 --> 00:03:21,599

spheres are so full of smoke and mirrors

82

00:03:25,030 --> 00:03:23,200

and misinformation that we find

83

00:03:27,430 --> 00:03:25,040

ourselves going to some pretty exotic

84

00:03:29,030 --> 00:03:27,440

places on our search for truth

85

00:03:30,949 --> 00:03:29,040

well today we're going to just such an

86

00:03:32,470 --> 00:03:30,959

exotic place seeking the insights of

87

00:03:34,470 --> 00:03:32,480

today's guest tolic

88

00:03:36,309 --> 00:03:34,480

interestingly enough tolic is an earth

89

00:03:37,030 --> 00:03:36,319

human representative of the andromeda

90

00:03:38,949 --> 00:03:37,040

council

91

00:03:40,309 --> 00:03:38,959

an intergalactic interstellar and

92

00:03:42,390 --> 00:03:40,319

interdimensional governance and

93

00:03:44,550 --> 00:03:42,400

development body of aligned benevolent

94

00:03:46,949 --> 00:03:44,560

star systems and planets of sentient

95

00:03:47,670 --> 00:03:46,959

intelligent life for worlds in both the

96

00:03:50,309 --> 00:03:47,680

milky way

97

00:03:52,070 --> 00:03:50,319

and andromeda galaxies in deep space

98

00:03:53,910 --> 00:03:52,080

this governance body is known by its

99

00:03:55,350 --> 00:03:53,920

ambassadors and diplomats as the

100

00:03:57,110 --> 00:03:55,360

galactic council

101
00:03:59,429 --> 00:03:57,120
he's been given the name tolic as an

102
00:04:01,110 --> 00:03:59,439
earth-based public persona name by his

103
00:04:02,390 --> 00:04:01,120
contacts within the council

104
00:04:04,149 --> 00:04:02,400
they indicate they've been in

105
00:04:06,550 --> 00:04:04,159
communication with him by various

106
00:04:08,949 --> 00:04:06,560
methods since the age of five

107
00:04:10,869 --> 00:04:08,959
his spirit essence first experienced

108
00:04:13,509 --> 00:04:10,879
life on the planet dakota

109
00:04:16,069 --> 00:04:13,519
in the tagetta star system one of the

110
00:04:18,229 --> 00:04:16,079
seven major stars in the pleiades

111
00:04:20,069 --> 00:04:18,239
however in his earthly incarnation he

112
00:04:21,430 --> 00:04:20,079
spent 17 years in the healthcare

113
00:04:24,150 --> 00:04:21,440

software industry

114

00:04:25,990 --> 00:04:24,160

a brief stint in venture capital and 12

115

00:04:26,710 --> 00:04:26,000

subsequent years in international

116

00:04:28,629 --> 00:04:26,720

banking

117

00:04:30,710 --> 00:04:28,639

before leaving the system and becoming a

118

00:04:32,310 --> 00:04:30,720

full-time discloser of the mind of mind

119

00:04:33,990 --> 00:04:32,320

messages he's been getting personally

120

00:04:35,830 --> 00:04:34,000

from the andromeda council

121

00:04:37,350 --> 00:04:35,840

so i hope your trade tables are closed

122

00:04:37,990 --> 00:04:37,360

with your seat backs in the upright lock

123

00:04:39,749 --> 00:04:38,000

position

124

00:04:41,670 --> 00:04:39,759

as we're going on a wild ride today

125

00:04:43,510 --> 00:04:41,680

people our brother from some other

126
00:04:45,189 --> 00:04:43,520
intergalactic mother here to break down

127
00:04:46,790 --> 00:04:45,199
the big agenda and the game behind the

128
00:04:49,430 --> 00:04:46,800
game tolic my man

129
00:04:50,550 --> 00:04:49,440
welcome to the higher side hey greg

130
00:04:52,629 --> 00:04:50,560
thanks for that intro

131
00:04:54,310 --> 00:04:52,639
yeah well done i know it's a mouthful

132
00:04:56,950 --> 00:04:54,320
and i know there's a lot there but

133
00:04:58,629 --> 00:04:56,960
very well done and i'm happy to answer

134
00:05:00,150 --> 00:04:58,639
any questions you've got and explore any

135
00:05:01,590 --> 00:05:00,160
topics that you might have on the table

136
00:05:04,150 --> 00:05:01,600
and we can

137
00:05:04,950 --> 00:05:04,160
chew them up one side and down another

138
00:05:07,270 --> 00:05:04,960

there's a lot

139

00:05:10,150 --> 00:05:07,280

going on right now as you know and as

140

00:05:12,230 --> 00:05:10,160

you alluded to there's a lot more to our

141

00:05:14,070 --> 00:05:12,240

own history on this planet that most

142

00:05:16,550 --> 00:05:14,080

people don't even realize

143

00:05:18,469 --> 00:05:16,560

yes indeed and i did want to give the

144

00:05:19,749 --> 00:05:18,479

listeners as much background there as i

145

00:05:20,230 --> 00:05:19,759

could because i think this is going to

146

00:05:22,390 --> 00:05:20,240

be

147

00:05:23,749 --> 00:05:22,400

pretty new for a lot of people i know

148

00:05:24,070 --> 00:05:23,759

when you reached out to me i was a

149

00:05:26,550 --> 00:05:24,080

little

150

00:05:27,990 --> 00:05:26,560

taken aback by such an epic description

151
00:05:30,230 --> 00:05:28,000
like the one i just gave

152
00:05:31,990 --> 00:05:30,240
and just a few weeks ago i myself was

153
00:05:32,710 --> 00:05:32,000
ignorant of the andromeda council for

154
00:05:34,790 --> 00:05:32,720
the most part

155
00:05:36,550 --> 00:05:34,800
which you describe is essentially a deep

156
00:05:38,070 --> 00:05:36,560
space united nations

157
00:05:40,230 --> 00:05:38,080
and i know there's a lot of information

158
00:05:40,790 --> 00:05:40,240
to relay but i thought the best place to

159
00:05:43,110 --> 00:05:40,800
start

160
00:05:45,270 --> 00:05:43,120
would be to get a bit more context for

161
00:05:46,550 --> 00:05:45,280
how you receive these messages because

162
00:05:48,390 --> 00:05:46,560
personally i'm pretty open to the

163
00:05:50,310 --> 00:05:48,400

concept of conscious information

164

00:05:51,270 --> 00:05:50,320

downloads or insight from non-human

165

00:05:52,950 --> 00:05:51,280

intelligences

166

00:05:55,110 --> 00:05:52,960

i could even understand the idea of

167

00:05:57,189 --> 00:05:55,120

interstellar bureaucracies that

168

00:05:59,029 --> 00:05:57,199

maybe put out some feelers for emerging

169

00:05:59,670 --> 00:05:59,039

civilizations but essentially leave us

170

00:06:01,510 --> 00:05:59,680

alone

171

00:06:03,189 --> 00:06:01,520

as we do with some indigenous tribes

172

00:06:05,270 --> 00:06:03,199

that we still have on the planet

173

00:06:07,270 --> 00:06:05,280

maybe they try to inspire us with

174

00:06:08,150 --> 00:06:07,280

geometrically encoded crop circles now

175

00:06:09,990 --> 00:06:08,160

and again so

176

00:06:11,909 --> 00:06:10,000

i'm open to the overall idea but i

177

00:06:13,670 --> 00:06:11,919

really struggle with individual cases

178

00:06:15,189 --> 00:06:13,680

because we've been burned so many times

179

00:06:17,029 --> 00:06:15,199

in the alternative community

180

00:06:18,790 --> 00:06:17,039

but tolic maybe you can help us wrap our

181

00:06:21,270 --> 00:06:18,800

heads around this how do you get the

182

00:06:24,390 --> 00:06:21,280

information that you do have

183

00:06:25,749 --> 00:06:24,400

it's a multi-faceted answer and what i'd

184

00:06:29,270 --> 00:06:25,759

like to do if i may

185

00:06:33,110 --> 00:06:29,280

is provide a couple of

186

00:06:35,670 --> 00:06:33,120

instances that provide listeners with

187

00:06:36,230 --> 00:06:35,680

pieces of substance from my own life

188

00:06:39,510 --> 00:06:36,240

sure

189

00:06:43,110 --> 00:06:39,520

that will give them an overall picture

190

00:06:44,870 --> 00:06:43,120

of why i'm doing what i'm doing these

191

00:06:45,350 --> 00:06:44,880

days and have done for the past seven

192

00:06:47,350 --> 00:06:45,360

years

193

00:06:49,830 --> 00:06:47,360

and what it's all about and what it's

194

00:06:52,550 --> 00:06:49,840

been about in terms of a ride for me

195

00:06:54,390 --> 00:06:52,560

and the best way i can do that is to

196

00:06:55,670 --> 00:06:54,400

tell this very story and there are a

197

00:06:58,309 --> 00:06:55,680

couple of others but

198

00:06:59,670 --> 00:06:58,319

this one is quite a story to tell a

199

00:07:03,430 --> 00:06:59,680

couple of others

200

00:07:06,950 --> 00:07:03,440

that inform people of

201
00:07:10,150 --> 00:07:06,960
my own journey on this planet my own

202
00:07:11,990 --> 00:07:10,160
life the normalcy of my life and

203
00:07:13,749 --> 00:07:12,000
the extraordinary things that have

204
00:07:15,909 --> 00:07:13,759
happened to me so

205
00:07:17,270 --> 00:07:15,919
this may be anecdotal but i've learned

206
00:07:19,830 --> 00:07:17,280
from other people that i've met

207
00:07:21,430 --> 00:07:19,840
that have similar gifts and skills and

208
00:07:23,909 --> 00:07:21,440
especially a lot of women

209
00:07:26,070 --> 00:07:23,919
that have been through this process at

210
00:07:29,430 --> 00:07:26,080
some moment in their life

211
00:07:32,469 --> 00:07:29,440
their earth life whether they're 24 32

212
00:07:36,070 --> 00:07:32,479
47 in my case i was

213
00:07:37,430 --> 00:07:36,080

a year and a half old apparently

214

00:07:39,110 --> 00:07:37,440

and i'm saying apparently because i

215

00:07:40,469 --> 00:07:39,120

don't remember what happened in a year

216

00:07:43,110 --> 00:07:40,479

and a half but my mom

217

00:07:43,990 --> 00:07:43,120

tells me the story many many times that

218

00:07:46,070 --> 00:07:44,000

when she brought me home

219

00:07:47,189 --> 00:07:46,080

from the hospital and just for the

220

00:07:50,309 --> 00:07:47,199

record i was adopted

221

00:07:51,189 --> 00:07:50,319

all four of us were in our family i was

222

00:07:53,589 --> 00:07:51,199

a very

223

00:07:55,110 --> 00:07:53,599

sickly child she never said sick she

224

00:07:56,950 --> 00:07:55,120

said just sickly she said you know you

225

00:07:58,869 --> 00:07:56,960

were skinny you needed food you needed

226

00:08:02,710 --> 00:07:58,879

love you needed attention

227

00:08:04,869 --> 00:08:02,720

and she was very proud of providing

228

00:08:06,469 --> 00:08:04,879

me and us with a great life but

229

00:08:09,589 --> 00:08:06,479

apparently at

230

00:08:10,790 --> 00:08:09,599

the age of a year and a half i had what

231

00:08:14,469 --> 00:08:10,800

people traditionally call

232

00:08:18,070 --> 00:08:14,479

a near-death experience and the soul

233

00:08:21,749 --> 00:08:18,080

fractal that animated this body

234

00:08:23,830 --> 00:08:21,759

at that time wasn't if you will strong

235

00:08:27,029 --> 00:08:23,840

enough or robust enough

236

00:08:29,510 --> 00:08:27,039

to overcome this body's

237

00:08:30,710 --> 00:08:29,520

generalized weakness probably the best

238

00:08:35,350 --> 00:08:30,720

way to say it

239

00:08:37,829 --> 00:08:35,360

and so another soul who was more robust

240

00:08:41,190 --> 00:08:37,839

and could handle the challenges of this

241

00:08:43,589 --> 00:08:41,200

earth life stepped in hmm

242

00:08:45,110 --> 00:08:43,599

so i would be called what a lot of

243

00:08:46,550 --> 00:08:45,120

people call a walk-in

244

00:08:48,870 --> 00:08:46,560

now typically when i've heard about

245

00:08:52,829 --> 00:08:48,880

these stories it's usually later in life

246

00:08:56,389 --> 00:08:52,839

24 32 47 people usually have some kind

247

00:08:59,190 --> 00:08:56,399

of major life circumstance

248

00:09:01,350 --> 00:08:59,200

women that die on the birth table in a

249

00:09:03,350 --> 00:09:01,360

hospital when they're birthing children

250

00:09:05,269 --> 00:09:03,360

and they come back and they're different

251

00:09:07,509 --> 00:09:05,279

women that have been in accidents

252

00:09:08,790 --> 00:09:07,519

i've met a number of women that have

253

00:09:12,150 --> 00:09:08,800

spoken

254

00:09:14,150 --> 00:09:12,160

at my conferences and after like

255

00:09:16,150 --> 00:09:14,160

just a few moments when you get four or

256

00:09:17,350 --> 00:09:16,160

five of them together in a room and or

257

00:09:18,630 --> 00:09:17,360

on a conversation like this and they're

258

00:09:21,030 --> 00:09:18,640

talking

259

00:09:23,670 --> 00:09:21,040

i've learned that many of them have had

260

00:09:25,430 --> 00:09:23,680

near-death experiences

261

00:09:27,350 --> 00:09:25,440

so i'm bringing this up because it seems

262

00:09:28,710 --> 00:09:27,360

to be a consistent theme with people

263

00:09:32,550 --> 00:09:28,720

whose

264

00:09:35,910 --> 00:09:32,560

normally latent gifts and skills aren't

265

00:09:38,550 --> 00:09:35,920

activated oh sure unless they have a

266

00:09:40,150 --> 00:09:38,560

near-death experience

267

00:09:41,990 --> 00:09:40,160

adona was going to join us today i

268

00:09:42,790 --> 00:09:42,000

mentioned the reason why she's not able

269

00:09:47,750 --> 00:09:42,800

to

270

00:09:49,269 --> 00:09:47,760

could be termed a near-death experience

271

00:09:51,670 --> 00:09:49,279

where i think she was like seven or

272

00:09:54,389 --> 00:09:51,680

eight years old

273

00:09:56,310 --> 00:09:54,399

and a more robust soul fractal took over

274

00:09:58,470 --> 00:09:56,320

her body

275

00:09:59,990 --> 00:09:58,480

so that's a topic that seems to be

276
00:10:02,949 --> 00:10:00,000
consistent with

277
00:10:04,069 --> 00:10:02,959
people who have activated gifts and

278
00:10:05,430 --> 00:10:04,079
skills

279
00:10:07,350 --> 00:10:05,440
the next major story that's worth

280
00:10:10,470 --> 00:10:07,360
telling is that

281
00:10:12,630 --> 00:10:10,480
in the late summer of 93

282
00:10:14,230 --> 00:10:12,640
about a year and a half after i had left

283
00:10:17,509 --> 00:10:14,240
new england and moved to

284
00:10:21,190 --> 00:10:17,519
tucson arizona i was living

285
00:10:22,470 --> 00:10:21,200
14 miles north of tucson up against the

286
00:10:26,470 --> 00:10:22,480
catalina mountains

287
00:10:29,670 --> 00:10:26,480
in an area which typically has a lot of

288
00:10:32,550 --> 00:10:29,680

ufo and or light sightings

289

00:10:34,150 --> 00:10:32,560

in the skies doing the typical ufo

290

00:10:36,310 --> 00:10:34,160

falling leaf dance and other kind of

291

00:10:39,190 --> 00:10:36,320

erratic movements

292

00:10:40,389 --> 00:10:39,200

and it was about 20 minutes of four in

293

00:10:43,670 --> 00:10:40,399

the morning

294

00:10:45,110 --> 00:10:43,680

and i was deep in sleep and the condo

295

00:10:46,069 --> 00:10:45,120

that i was living in up against the

296

00:10:50,389 --> 00:10:46,079

catalina's very

297

00:10:54,870 --> 00:10:52,870

and very much like you and i are talking

298

00:10:57,590 --> 00:10:54,880

now i received this phone call

299

00:10:58,870 --> 00:10:57,600

except this phone call was mind to mind

300

00:11:01,590 --> 00:10:58,880

communication

301

00:11:02,870 --> 00:11:01,600

and i recognize this guy's voice as an

302

00:11:04,550 --> 00:11:02,880

example you go to school and you got

303

00:11:06,069 --> 00:11:04,560

buddies from college that

304

00:11:08,630 --> 00:11:06,079

some you don't stay in touch with and

305

00:11:10,550 --> 00:11:08,640

others whether it's two weeks two months

306

00:11:12,829 --> 00:11:10,560

or 12 years you pick up the phone you

307

00:11:15,509 --> 00:11:12,839

recognize their voice right away

308

00:11:17,509 --> 00:11:15,519

right so

309

00:11:19,590 --> 00:11:17,519

i'm deep in sleep i basically get this

310

00:11:23,190 --> 00:11:19,600

phone call in my head

311

00:11:25,750 --> 00:11:23,200

and he says hey i'm like you woke me up

312

00:11:26,870 --> 00:11:25,760

he's like yeah i know but i need you to

313

00:11:29,509 --> 00:11:26,880

get dressed

314

00:11:31,910 --> 00:11:29,519

you need to head down i-10 go to the san

315

00:11:33,990 --> 00:11:31,920

jose or mission exit

316

00:11:35,190 --> 00:11:34,000

and i need you to meet me there and

317

00:11:37,430 --> 00:11:35,200

we're going to take a trip

318

00:11:38,310 --> 00:11:37,440

i'm like at 20 4 in the morning he goes

319

00:11:40,470 --> 00:11:38,320

yeah it's important

320

00:11:42,870 --> 00:11:40,480

this is the time that we need to do this

321

00:11:44,790 --> 00:11:42,880

all right fine

322

00:11:46,150 --> 00:11:44,800

get up go to the bathroom get dressed

323

00:11:49,190 --> 00:11:46,160

hop in my vehicle

324

00:11:51,829 --> 00:11:49,200

drive down i-10 i take the exit at

325

00:11:53,030 --> 00:11:51,839

san hebert mission and right at that

326

00:11:55,670 --> 00:11:53,040

spot there's a

327

00:11:57,030 --> 00:11:55,680

right that goes into the desert it's

328

00:11:58,949 --> 00:11:57,040

scrub land down there i think the

329

00:12:02,949 --> 00:11:58,959

elevation is like

330

00:12:05,829 --> 00:12:02,959

2 300 feet maybe 2 400 at most

331

00:12:06,389 --> 00:12:05,839

and so i traveled about a third of a

332

00:12:09,509 --> 00:12:06,399

mile

333

00:12:11,430 --> 00:12:09,519

into the desert went down through this

334

00:12:14,710 --> 00:12:11,440

little bit of a wash came up the other

335

00:12:18,150 --> 00:12:14,720

side and they're sitting in front of me

336

00:12:21,269 --> 00:12:18,160

about 150 feet away is a round

337

00:12:23,190 --> 00:12:21,279

silver craft looks to be 35 to 40 feet

338

00:12:26,150 --> 00:12:23,200

in diameter

339

00:12:27,990 --> 00:12:26,160

i get my eyes bug wide open i hop out

340

00:12:29,990 --> 00:12:28,000

slam the door shut

341

00:12:31,030 --> 00:12:30,000

i had traded my east coast car and i was

342

00:12:33,990 --> 00:12:31,040

driving a beat up

343

00:12:35,430 --> 00:12:34,000

84 ford bronco four-wheel drive kind of

344

00:12:36,470 --> 00:12:35,440

thing so it could handle the desert

345

00:12:39,030 --> 00:12:36,480

train it wasn't a problem

346

00:12:40,629 --> 00:12:39,040

but it was a bit of a tank i hop out i

347

00:12:41,990 --> 00:12:40,639

see the craft he's standing outside the

348

00:12:45,350 --> 00:12:42,000

craft this guy's like seven

349

00:12:48,310 --> 00:12:45,360

foot four he's got long dark

350

00:12:50,069 --> 00:12:48,320

brown almost black hair pulled back and

351

00:12:52,310 --> 00:12:50,079

then a ponytail in the back of his head

352

00:12:55,269 --> 00:12:52,320

so he waves at me now keep in mind i'm

353

00:12:57,750 --> 00:12:55,279

probably 32 or 33 at this time

354

00:12:59,670 --> 00:12:57,760

and i feel like an excited little kid so

355

00:13:01,190 --> 00:12:59,680

i'm waving at him and i'm going hey it's

356

00:13:02,790 --> 00:13:01,200

great to see you again you know what the

357

00:13:04,470 --> 00:13:02,800

hell you doing here

358

00:13:06,550 --> 00:13:04,480

great to see you again he's waving at me

359

00:13:08,870 --> 00:13:06,560

like come on come on hurry up come on

360

00:13:10,550 --> 00:13:08,880

there's no time to lose here so i get

361

00:13:12,310 --> 00:13:10,560

over to him i walk over he gives me a

362

00:13:13,750 --> 00:13:12,320

hug he puts his hand in his arm around

363

00:13:16,389 --> 00:13:13,760

my shoulder

364

00:13:18,230 --> 00:13:16,399

i'm only about 5 10. so at 7 4 he's got

365

00:13:21,350 --> 00:13:18,240

a considerable reach on me

366

00:13:25,269 --> 00:13:21,360

and he's like listen you need to take

367

00:13:29,430 --> 00:13:25,279

this little and he shows me this

368

00:13:32,069 --> 00:13:29,440

turquoise bluish greenish

369

00:13:33,430 --> 00:13:32,079

caplet looks like a gel cap for people

370

00:13:36,069 --> 00:13:33,440

that have taken

371

00:13:36,550 --> 00:13:36,079

nyquil he goes i need to take this gel

372

00:13:38,629 --> 00:13:36,560

cap

373

00:13:42,150 --> 00:13:38,639

because we're going to travel through

374

00:13:44,550 --> 00:13:42,160

time and we can't travel through time

375

00:13:45,910 --> 00:13:44,560

with you having an organic human body

376

00:13:47,990 --> 00:13:45,920

it's not possible

377

00:13:49,030 --> 00:13:48,000

you'd burn up so we've got to raise your

378

00:13:52,470 --> 00:13:49,040

vibratory rate

379

00:13:53,670 --> 00:13:52,480

fast enough so that we don't destroy

380

00:13:56,949 --> 00:13:53,680

your human body

381

00:13:58,710 --> 00:13:56,959

okay fine by me so pop the caplet we go

382

00:14:01,389 --> 00:13:58,720

aboard his craft

383

00:14:05,430 --> 00:14:01,399

i get inside and the thing looks to be

384

00:14:08,870 --> 00:14:05,440

125 to 150 feet diameter

385

00:14:10,949 --> 00:14:08,880

not 35 or 40. i remember the sensation

386

00:14:14,069 --> 00:14:10,959

of leaving the surface of earth

387

00:14:16,150 --> 00:14:14,079

and going into deep space so the

388

00:14:17,990 --> 00:14:16,160

sensation of traveling for like three or

389

00:14:19,670 --> 00:14:18,000

four minutes

390

00:14:21,910 --> 00:14:19,680

i don't remember the jump we did you

391

00:14:23,030 --> 00:14:21,920

know he keyed in some figures into his

392

00:14:26,629 --> 00:14:23,040

control council

393

00:14:27,910 --> 00:14:26,639

and we jumped from at that time

394

00:14:32,629 --> 00:14:27,920

contemporary

395

00:14:37,110 --> 00:14:32,639

august of 93 to like the 1840s

396

00:14:39,670 --> 00:14:37,120

western kentucky virginia that area

397

00:14:41,030 --> 00:14:39,680

into like midday 3 30 and 4 in the

398

00:14:44,389 --> 00:14:41,040

afternoon kind of thing

399

00:14:47,829 --> 00:14:44,399

sunny beautiful day we are

400

00:14:48,710 --> 00:14:47,839

over the homestead home of a family of

401
00:14:50,870 --> 00:14:48,720
four

402
00:14:52,069 --> 00:14:50,880
they've got a field full of crops a

403
00:14:54,949 --> 00:14:52,079
small

404
00:14:56,790 --> 00:14:54,959
vegetable garden a barn with some hay in

405
00:15:00,870 --> 00:14:56,800
it and some little animals you know

406
00:15:04,069 --> 00:15:00,880
some sheep goats and some chickens and

407
00:15:04,949 --> 00:15:04,079
there's a dad who's 32 to 34 years old a

408
00:15:08,870 --> 00:15:04,959
mom who's like

409
00:15:09,910 --> 00:15:08,880
probably 24 to 26 a young boy who's 9 or

410
00:15:11,670 --> 00:15:09,920
10

411
00:15:13,269 --> 00:15:11,680
and a little girl who's like three or

412
00:15:16,389 --> 00:15:13,279
four years old blonde hair

413
00:15:17,829 --> 00:15:16,399

blue eyes cute little thing i made that

414

00:15:20,230 --> 00:15:17,839

trip with him three times

415

00:15:21,829 --> 00:15:20,240

over the course of about 10 days three

416

00:15:25,110 --> 00:15:21,839

separate trips

417

00:15:26,629 --> 00:15:25,120

and on the third trip to make a long

418

00:15:29,350 --> 00:15:26,639

story short

419

00:15:30,470 --> 00:15:29,360

the barn that housed some of the animals

420

00:15:34,310 --> 00:15:30,480

and the hay

421

00:15:37,110 --> 00:15:34,320

caught fire and burned down

422

00:15:39,110 --> 00:15:37,120

i was there we were watching it burn and

423

00:15:41,030 --> 00:15:39,120

the youngest child the daughter three or

424

00:15:42,710 --> 00:15:41,040

four years old was inside and she was

425

00:15:45,110 --> 00:15:42,720

playing with the animals maybe she had

426

00:15:48,389 --> 00:15:45,120

taken a nap i don't know exactly but

427

00:15:51,670 --> 00:15:48,399

she died of smoke inhalation

428

00:15:54,150 --> 00:15:51,680

and i looked at him and

429

00:15:56,069 --> 00:15:54,160

said geez you know out of all the

430

00:15:58,069 --> 00:15:56,079

possible experiences you could have

431

00:16:03,269 --> 00:15:58,079

shown me

432

00:16:08,870 --> 00:16:03,279

why would you show me this experience

433

00:16:12,310 --> 00:16:08,880

keep in mind this was my first formal

434

00:16:16,069 --> 00:16:12,320

contact as an adult that i

435

00:16:18,310 --> 00:16:16,079

was having and

436

00:16:19,829 --> 00:16:18,320

he said well there are a few reasons one

437

00:16:23,910 --> 00:16:19,839

is that

438

00:16:27,110 --> 00:16:23,920

genetically biologically family lineage

439

00:16:30,150 --> 00:16:27,120

you're related to these people he said

440

00:16:31,910 --> 00:16:30,160

second of all you as an earth human

441

00:16:35,269 --> 00:16:31,920

we've known you

442

00:16:36,870 --> 00:16:35,279

you're part of our people

443

00:16:38,949 --> 00:16:36,880

you've been coming to this planet for

444

00:16:41,350 --> 00:16:38,959

many years we've been talking for a long

445

00:16:43,590 --> 00:16:41,360

time we know each other really well

446

00:16:45,110 --> 00:16:43,600

we know how you act we know how you

447

00:16:48,629 --> 00:16:45,120

react

448

00:16:51,269 --> 00:16:48,639

but there's a time coming in the near

449

00:16:53,749 --> 00:16:51,279

future of your world where there are

450

00:16:58,470 --> 00:16:53,759

going to be a lot of changes

451
00:17:01,509 --> 00:17:00,230
the very diverse human race that you

452
00:17:05,829 --> 00:17:01,519
have on this planet

453
00:17:08,949 --> 00:17:05,839
and by us observing you

454
00:17:12,630 --> 00:17:08,959
observing this process

455
00:17:16,470 --> 00:17:12,640
we can better understand

456
00:17:20,230 --> 00:17:16,480
the depth of the human race

457
00:17:23,829 --> 00:17:20,240
and how it experiences emotions

458
00:17:27,590 --> 00:17:23,839
that was 20 plus years ago for me and

459
00:17:30,870 --> 00:17:27,600
i still remember that event to this day

460
00:17:32,789 --> 00:17:30,880
it's interesting i've always felt even

461
00:17:33,990 --> 00:17:32,799
before having consciously remembered

462
00:17:35,510 --> 00:17:34,000
that event

463
00:17:37,510 --> 00:17:35,520

i've always thought that probably one of

464

00:17:40,150 --> 00:17:37,520

the worst tragedies

465

00:17:43,510 --> 00:17:40,160

that could ever befall a family was to

466

00:17:46,230 --> 00:17:43,520

have a parent lose his child

467

00:17:48,070 --> 00:17:46,240

and now i know why it's because i

468

00:17:51,190 --> 00:17:48,080

observed this event

469

00:17:51,510 --> 00:17:51,200

wow i still feel that way and there are

470

00:17:53,270 --> 00:17:51,520

other

471

00:17:54,870 --> 00:17:53,280

tangential stories off of that one but

472

00:17:55,669 --> 00:17:54,880

it still has a real impact on me

473

00:17:58,870 --> 00:17:55,679

emotionally

474

00:18:00,630 --> 00:17:58,880

whenever i think of that event sure well

475

00:18:01,190 --> 00:18:00,640

those two stories definitely give us

476
00:18:03,990 --> 00:18:01,200
some

477
00:18:04,630 --> 00:18:04,000
context into your unique situation for

478
00:18:07,190 --> 00:18:04,640
sure

479
00:18:08,150 --> 00:18:07,200
and then in the years since then has it

480
00:18:10,549 --> 00:18:08,160
been

481
00:18:12,230 --> 00:18:10,559
just i guess mind to mind communication

482
00:18:13,669 --> 00:18:12,240
i've heard you talk about it before in

483
00:18:15,510 --> 00:18:13,679
the sense that it's not

484
00:18:17,270 --> 00:18:15,520
channeling because channeling is kind of

485
00:18:19,029 --> 00:18:17,280
like opening yourself up to let an

486
00:18:20,549 --> 00:18:19,039
entity speak through you of course

487
00:18:22,310 --> 00:18:20,559
we've heard of information coming

488
00:18:23,110 --> 00:18:22,320

through channelers but this is a little

489

00:18:25,669 --> 00:18:23,120

bit different

490

00:18:27,510 --> 00:18:25,679

you mentioned the walk-in aspect right i

491

00:18:29,350 --> 00:18:27,520

guess let us get a better feel for how

492

00:18:30,710 --> 00:18:29,360

this communication happens in the more

493

00:18:33,830 --> 00:18:30,720

recent years

494

00:18:36,470 --> 00:18:33,840

sure so to wrap up that story

495

00:18:38,390 --> 00:18:36,480

and to add junk pieces to it the third

496

00:18:41,510 --> 00:18:38,400

reason he said is that

497

00:18:44,230 --> 00:18:41,520

we who you know

498

00:18:45,510 --> 00:18:44,240

we don't live organically like you do

499

00:18:47,590 --> 00:18:45,520

you have

500

00:18:49,270 --> 00:18:47,600

a fractal of your soul that animates

501

00:18:52,390 --> 00:18:49,280

your human body

502

00:18:55,830 --> 00:18:52,400

we have a fractal of our total souls

503

00:18:57,430 --> 00:18:55,840

and we're primarily crystalline base we

504

00:19:00,710 --> 00:18:57,440

don't experience

505

00:19:03,190 --> 00:19:00,720

what you call organic life and death

506

00:19:05,110 --> 00:19:03,200

we're aware of our lives we've been

507

00:19:08,470 --> 00:19:05,120

around for a long time and

508

00:19:11,830 --> 00:19:08,480

we don't die when we want to transition

509

00:19:13,029 --> 00:19:11,840

say from upper 4d to 5d we simply make

510

00:19:16,070 --> 00:19:13,039

that choice to do it

511

00:19:17,990 --> 00:19:16,080

it's simply a decision and a transition

512

00:19:19,110 --> 00:19:18,000

when we get through with 5d life and we

513

00:19:21,430 --> 00:19:19,120

want to

514

00:19:22,870 --> 00:19:21,440

experience different aspects of higher

515

00:19:25,750 --> 00:19:22,880

dimensional life

516

00:19:27,669 --> 00:19:25,760

we make that decision and transition

517

00:19:31,110 --> 00:19:27,679

from 5d to 60

518

00:19:34,549 --> 00:19:31,120

and because we don't experience

519

00:19:35,350 --> 00:19:34,559

death it's important for us to better

520

00:19:38,549 --> 00:19:35,360

understand

521

00:19:40,070 --> 00:19:38,559

you as humans and the depth of the range

522

00:19:43,510 --> 00:19:40,080

of your emotion

523

00:19:45,430 --> 00:19:43,520

when you do observe or experience death

524

00:19:48,870 --> 00:19:45,440

yourselves

525

00:19:52,870 --> 00:19:48,880

wow okay so

526

00:19:57,669 --> 00:19:52,880

i was contacted by him again

527

00:19:59,750 --> 00:19:57,679

physically september 10th 2010

528

00:20:02,390 --> 00:19:59,760

essentially six to seven months before

529

00:20:05,510 --> 00:20:02,400

the andromeda council website went live

530

00:20:07,350 --> 00:20:05,520

and that experience and

531

00:20:09,590 --> 00:20:07,360

the conversation we had then and

532

00:20:10,390 --> 00:20:09,600

subsequent conversations we've had since

533

00:20:13,110 --> 00:20:10,400

then

534

00:20:15,510 --> 00:20:13,120

triggered the memory of what happened in

535

00:20:17,669 --> 00:20:15,520

1993 and a whole bunch of other memories

536

00:20:20,390 --> 00:20:17,679

that i have had in terms of contact

537

00:20:21,990 --> 00:20:20,400

with him and his people as contact

538

00:20:25,110 --> 00:20:22,000

people for the council

539

00:20:27,510 --> 00:20:25,120

now to answer your question contact

540

00:20:29,270 --> 00:20:27,520

with me between them happens a variety

541

00:20:33,430 --> 00:20:29,280

of different ways

542

00:20:36,149 --> 00:20:33,440

i will get images

543

00:20:38,470 --> 00:20:36,159

and i've had images consistently since

544

00:20:40,950 --> 00:20:38,480

that period of time

545

00:20:42,630 --> 00:20:40,960

whereby they're trying to show me

546

00:20:45,270 --> 00:20:42,640

something and tell me something

547

00:20:46,630 --> 00:20:45,280

so intellectually i will ask some

548

00:20:49,430 --> 00:20:46,640

questions

549

00:20:50,310 --> 00:20:49,440

information also comes through me from

550

00:20:51,909 --> 00:20:50,320

time to time

551
00:20:54,470 --> 00:20:51,919
when i'm doing the work that i do when i

552
00:20:55,430 --> 00:20:54,480
write i remember at least three or four

553
00:20:57,430 --> 00:20:55,440
times

554
00:21:00,149 --> 00:20:57,440
out of many that i've written something

555
00:21:03,029 --> 00:21:00,159
and at the end i say something like

556
00:21:03,430 --> 00:21:03,039
and there it is in its completeness or

557
00:21:06,310 --> 00:21:03,440
and

558
00:21:07,830 --> 00:21:06,320
so it shall be i'm like i don't speak

559
00:21:11,029 --> 00:21:07,840
like that

560
00:21:13,830 --> 00:21:11,039
so those occurrences happen

561
00:21:14,950 --> 00:21:13,840
i've not only gotten some like little

562
00:21:18,310 --> 00:21:14,960
clips you know like

563
00:21:19,190 --> 00:21:18,320

photos i've had complete memory

564

00:21:23,190 --> 00:21:19,200

experiences

565

00:21:25,590 --> 00:21:23,200

where i've left planet earth either

566

00:21:26,950 --> 00:21:25,600

just my soul fractal leaving the body

567

00:21:29,270 --> 00:21:26,960

you know some people would call that an

568

00:21:31,909 --> 00:21:29,280

out-of-body experience

569

00:21:33,270 --> 00:21:31,919

and so the piece of this soul that

570

00:21:34,710 --> 00:21:33,280

animates this body

571

00:21:36,630 --> 00:21:34,720

will go to the andromeda council

572

00:21:38,710 --> 00:21:36,640

biosphere and other biospheres

573

00:21:41,669 --> 00:21:38,720

for a variety of meetings that i've

574

00:21:44,710 --> 00:21:41,679

attended over the course of many years

575

00:21:46,390 --> 00:21:44,720

and there's also been occasions when

576

00:21:48,870 --> 00:21:46,400

hey we're gonna come get you they pick

577

00:21:51,110 --> 00:21:48,880

me up physically and i go up there and i

578

00:21:54,230 --> 00:21:51,120

do some work up there as well

579

00:21:56,789 --> 00:21:54,240

the other way that i've been able to

580

00:21:58,789 --> 00:21:56,799

discern and kind of get the depth of the

581

00:22:01,830 --> 00:21:58,799

detail that i've been able to provide

582

00:22:04,789 --> 00:22:01,840

is because adana who i've told you about

583

00:22:06,310 --> 00:22:04,799

she's been a wide open conscious

584

00:22:09,110 --> 00:22:06,320

telepath

585

00:22:12,710 --> 00:22:09,120

to people in the other dimensions since

586

00:22:16,070 --> 00:22:12,720

she was i think like 12 years old

587

00:22:19,750 --> 00:22:16,080

completely wide open to the point where

588

00:22:20,950 --> 00:22:19,760

she doesn't have to go into any special

589

00:22:23,029 --> 00:22:20,960

sort of

590

00:22:24,950 --> 00:22:23,039

quiet state she doesn't have to do

591

00:22:28,149 --> 00:22:24,960

anything extraordinary

592

00:22:28,549 --> 00:22:28,159

me whenever i need to do it i'll go lay

593

00:22:31,270 --> 00:22:28,559

down

594

00:22:33,029 --> 00:22:31,280

close the door to my room get into some

595

00:22:34,149 --> 00:22:33,039

kind of really really quiet state and

596

00:22:36,950 --> 00:22:34,159

i'll communicate

597

00:22:37,669 --> 00:22:36,960

with them that way but with her it's

598

00:22:39,110 --> 00:22:37,679

like

599

00:22:41,270 --> 00:22:39,120

two three in the afternoon she'll just

600

00:22:42,390 --> 00:22:41,280

go hey i've got some questions but

601
00:22:44,390 --> 00:22:42,400
she'll ask some questions they'll give

602
00:22:47,029 --> 00:22:44,400
her information that's how she's been

603
00:22:50,390 --> 00:22:47,039
able to do the star ancestry work

604
00:22:52,230 --> 00:22:50,400
they'll download images of

605
00:22:54,149 --> 00:22:52,240
galaxies and star systems and

606
00:22:56,789 --> 00:22:54,159
constellations specific information

607
00:22:57,750 --> 00:22:56,799
about specific people so whenever i

608
00:22:59,430 --> 00:22:57,760
needed some

609
00:23:00,950 --> 00:22:59,440
really really specific detail i've asked

610
00:23:02,630 --> 00:23:00,960
her now

611
00:23:04,070 --> 00:23:02,640
why is that relevant well it's relevant

612
00:23:06,390 --> 00:23:04,080
because

613
00:23:07,590 --> 00:23:06,400

not on this planet but on the planet

614

00:23:11,590 --> 00:23:07,600

dakota

615

00:23:13,270 --> 00:23:11,600

which is part of the tagetta star system

616

00:23:15,430 --> 00:23:13,280

and these are names i'm not creating

617

00:23:17,110 --> 00:23:15,440

they exist you're familiar with what

618

00:23:18,710 --> 00:23:17,120

people talk about all the pleiades the

619

00:23:21,270 --> 00:23:18,720

pleiades the pleiadians

620

00:23:22,549 --> 00:23:21,280

well the pleiades is a constellation

621

00:23:25,430 --> 00:23:22,559

that we give a name to

622

00:23:26,470 --> 00:23:25,440

it's an open star cluster there are

623

00:23:29,270 --> 00:23:26,480

seven to nine

624

00:23:30,950 --> 00:23:29,280

major star systems within the pleiades

625

00:23:34,310 --> 00:23:30,960

one of those star systems

626

00:23:37,029 --> 00:23:34,320

is called tagetta the together star

627

00:23:39,909 --> 00:23:37,039

system happens to have four planets

628

00:23:41,269 --> 00:23:39,919

two largest being vela pyrra the third

629

00:23:43,350 --> 00:23:41,279

is dakota

630

00:23:45,909 --> 00:23:43,360

and the fourth is a planet about the

631

00:23:48,710 --> 00:23:45,919

size of earth called era

632

00:23:50,630 --> 00:23:48,720

an era is the same planet as where

633

00:23:53,269 --> 00:23:50,640

samyasi and ta

634

00:23:54,070 --> 00:23:53,279

from the billy meyer pleiades pajaron

635

00:23:57,510 --> 00:23:54,080

case

636

00:23:58,470 --> 00:23:57,520

comes from so why is that relevant well

637

00:24:01,830 --> 00:23:58,480

it's relevant because

638

00:24:03,590 --> 00:24:01,840

on the planet dakota adana

639

00:24:05,350 --> 00:24:03,600

and i are brother and sister from the

640

00:24:07,350 --> 00:24:05,360

same family right

641

00:24:08,789 --> 00:24:07,360

so that's why we have this close

642

00:24:11,430 --> 00:24:08,799

connection

643

00:24:12,950 --> 00:24:11,440

and that's why we've both been doing

644

00:24:15,350 --> 00:24:12,960

work with different people on the

645

00:24:18,470 --> 00:24:15,360

council for a number of years

646

00:24:19,029 --> 00:24:18,480

so it's been a pretty amazing ride yeah

647

00:24:22,390 --> 00:24:19,039

man

648

00:24:23,190 --> 00:24:22,400

sounds like it yeah and so there's that

649

00:24:26,230 --> 00:24:23,200

contact

650

00:24:29,590 --> 00:24:26,240

in september of 2010

651
00:24:32,070 --> 00:24:29,600
which triggered my memory of my travel

652
00:24:33,830 --> 00:24:32,080
back in time experiences 1993

653
00:24:36,070 --> 00:24:33,840
and a whole bunch of other memories of

654
00:24:37,830 --> 00:24:36,080
things that i went through

655
00:24:39,830 --> 00:24:37,840
and it also triggered the creation of

656
00:24:41,190 --> 00:24:39,840
the andromeda council website the last

657
00:24:45,029 --> 00:24:41,200
week of april

658
00:24:45,990 --> 00:24:45,039
of 2011. and there's been of course a

659
00:24:48,950 --> 00:24:46,000
lot of information

660
00:24:49,590 --> 00:24:48,960
work since then right indeed and that's

661
00:24:52,070 --> 00:24:49,600
what i was going to

662
00:24:52,789 --> 00:24:52,080
say next is uh you know obviously those

663
00:24:54,470 --> 00:24:52,799

are some

664

00:24:55,990 --> 00:24:54,480

interesting stories and that's some

665

00:24:58,789 --> 00:24:56,000

really fascinating

666

00:24:59,830 --> 00:24:58,799

mechanisms for interdimensional insight

667

00:25:02,789 --> 00:24:59,840

and let's get into that

668

00:25:03,590 --> 00:25:02,799

information itself because i guess to

669

00:25:05,430 --> 00:25:03,600

bring

670

00:25:06,950 --> 00:25:05,440

us up to speed on the goings on behind

671

00:25:09,430 --> 00:25:06,960

the curtain i think many listeners are

672

00:25:11,510 --> 00:25:09,440

hip to the notion of reptilian overlords

673

00:25:13,430 --> 00:25:11,520

that for most of human history

674

00:25:15,909 --> 00:25:13,440

we've been ruled over by some type of

675

00:25:17,830 --> 00:25:15,919

predatory entities in the shadows

676
00:25:19,990 --> 00:25:17,840
largely underground and we've heard

677
00:25:22,070 --> 00:25:20,000
about white hats or groups trying to

678
00:25:23,830 --> 00:25:22,080
fight these overlords behind the scenes

679
00:25:25,510 --> 00:25:23,840
and this is what i wanted to get into

680
00:25:27,669 --> 00:25:25,520
where this fight is now

681
00:25:29,430 --> 00:25:27,679
it seems the tide has been turning

682
00:25:32,070 --> 00:25:29,440
because to quote your website

683
00:25:33,190 --> 00:25:32,080
there were only a total of 15 draco and

684
00:25:35,350 --> 00:25:33,200
hydro reptilian

685
00:25:36,310 --> 00:25:35,360
undersea operating bases which

686
00:25:38,630 --> 00:25:36,320
functioned

687
00:25:40,549 --> 00:25:38,640
as the major operational bases and hubs

688
00:25:41,990 --> 00:25:40,559

for the power structure of the reptilian

689

00:25:45,029 --> 00:25:42,000

run and operated cabal

690

00:25:46,710 --> 00:25:45,039

and illuminati on this planet correct 15

691

00:25:49,110 --> 00:25:46,720

bases total no more

692

00:25:50,710 --> 00:25:49,120

and now all of those undersea bases are

693

00:25:52,870 --> 00:25:50,720

either destroyed cleaned up

694

00:25:54,549 --> 00:25:52,880

shut down or filled in no matter what

695

00:25:56,789 --> 00:25:54,559

you are reading from other people

696

00:25:59,110 --> 00:25:56,799

anywhere else today there are no more

697

00:26:00,390 --> 00:25:59,120

functioning operation reptilian undersea

698

00:26:03,750 --> 00:26:00,400

bases on the planet

699

00:26:06,070 --> 00:26:03,760

none that's correct so i mean that's

700

00:26:07,750 --> 00:26:06,080

obviously a pretty black and white

701
00:26:10,789 --> 00:26:07,760
statement can you give us some more

702
00:26:12,789 --> 00:26:10,799
context for this reptilian control

703
00:26:14,950 --> 00:26:12,799
maybe in the past or bring us up to

704
00:26:15,430 --> 00:26:14,960
speed on what seems to be this waning

705
00:26:18,390 --> 00:26:15,440
power

706
00:26:20,230 --> 00:26:18,400
since 2012 shortly after these downloads

707
00:26:21,269 --> 00:26:20,240
started to happen and this website came

708
00:26:23,750 --> 00:26:21,279
online

709
00:26:26,149 --> 00:26:23,760
sure and by the way i'd like to give you

710
00:26:29,190 --> 00:26:26,159
and the people listening some context

711
00:26:30,390 --> 00:26:29,200
because of my move from a place called

712
00:26:32,630 --> 00:26:30,400
new england which

713
00:26:34,630 --> 00:26:32,640

is pretty traditional and moves pretty

714

00:26:37,750 --> 00:26:34,640

slowly in terms of change

715

00:26:41,990 --> 00:26:37,760

i moved to the desert southwest to

716

00:26:45,190 --> 00:26:42,000

tucson probably one of the most

717

00:26:48,310 --> 00:26:45,200

active places for

718

00:26:51,590 --> 00:26:48,320

ufo sightings the whole topic and

719

00:26:54,549 --> 00:26:51,600

subject matter of ufos and et's and

720

00:26:56,149 --> 00:26:54,559

life and outer space and spirituality

721

00:26:59,830 --> 00:26:56,159

and all of that information that has

722

00:27:01,110 --> 00:26:59,840

context this was all brand new for me

723

00:27:04,149 --> 00:27:01,120

when i moved to tucson

724

00:27:06,390 --> 00:27:04,159

and i met people like bob dean and

725

00:27:08,470 --> 00:27:06,400

wendell stevens john vilola melchizedek

726

00:27:11,830 --> 00:27:08,480

and the list goes on and on and on

727

00:27:13,029 --> 00:27:11,840

in i think was the spring of 94 david

728

00:27:16,310 --> 00:27:13,039

ike

729

00:27:17,430 --> 00:27:16,320

showed up and spoke and there are a

730

00:27:19,750 --> 00:27:17,440

bunch of us

731

00:27:21,909 --> 00:27:19,760

me and some of my friends including bob

732

00:27:22,870 --> 00:27:21,919

dean and others that listen to david ike

733

00:27:25,269 --> 00:27:22,880

speak

734

00:27:26,789 --> 00:27:25,279

and this has relevance to your question

735

00:27:28,630 --> 00:27:26,799

a buddy of mine who i was sitting next

736

00:27:30,389 --> 00:27:28,640

to we had become great friends by the

737

00:27:32,230 --> 00:27:30,399

name of roger share

738

00:27:33,830 --> 00:27:32,240

i said roger we just finished listening

739

00:27:35,669 --> 00:27:33,840

to this guy and there's a lot of

740

00:27:36,310 --> 00:27:35,679

information here the whole trilateral

741

00:27:38,630 --> 00:27:36,320

commission

742

00:27:40,149 --> 00:27:38,640

builder burgers etc etc and i get it all

743

00:27:43,029 --> 00:27:40,159

but

744

00:27:44,389 --> 00:27:43,039

earth humans being not only controlled

745

00:27:48,070 --> 00:27:44,399

and manipulated but

746

00:27:50,389 --> 00:27:48,080

being consumed by reptilians come on

747

00:27:52,070 --> 00:27:50,399

he's like yep he said i've tracked this

748

00:27:52,789 --> 00:27:52,080

guy for years he knows what he's talking

749

00:27:57,190 --> 00:27:52,799

about

750

00:27:59,190 --> 00:27:57,200

that was 1994. so

751
00:28:02,789 --> 00:27:59,200
i'm then activated or if he will

752
00:28:04,070 --> 00:28:02,799
reactivated in 2010 and i start learning

753
00:28:07,269 --> 00:28:04,080
about the reality

754
00:28:10,630 --> 00:28:07,279
of tens of thousands of reptilians

755
00:28:12,710 --> 00:28:10,640
on this planet the ones that believe

756
00:28:14,310 --> 00:28:12,720
that they own this planet are the draco

757
00:28:17,350 --> 00:28:14,320
reptilians

758
00:28:19,909 --> 00:28:17,360
they're working in concert with

759
00:28:21,590 --> 00:28:19,919
if you will reptilians from the hydra

760
00:28:26,870 --> 00:28:21,600
constellation

761
00:28:29,750 --> 00:28:26,880
star system

762
00:28:31,029 --> 00:28:29,760
they believe that they own and have

763
00:28:34,149 --> 00:28:31,039

dominion

764

00:28:37,190 --> 00:28:34,159

over this planet and that we're simply

765

00:28:37,510 --> 00:28:37,200

dumb subjects much like we believe cows

766

00:28:41,350 --> 00:28:37,520

are

767

00:28:45,110 --> 00:28:41,360

to people and that we're here for

768

00:28:48,230 --> 00:28:45,120

them as a resource and to be consumed

769

00:28:51,269 --> 00:28:48,240

both physically and energetically

770

00:28:54,950 --> 00:28:51,279

and there was

771

00:28:58,549 --> 00:28:54,960

a decision made by the council

772

00:29:01,510 --> 00:28:58,559

and a lot of other

773

00:29:03,269 --> 00:29:01,520

races that are concerned about the

774

00:29:05,990 --> 00:29:03,279

people of earth

775

00:29:08,070 --> 00:29:06,000

that they would need to intercede and

776

00:29:10,310 --> 00:29:08,080

get rid of this

777

00:29:11,190 --> 00:29:10,320

controlling manipulative abusive

778

00:29:13,990 --> 00:29:11,200

off-world

779

00:29:14,789 --> 00:29:14,000

threat domination by the reptilians

780

00:29:16,789 --> 00:29:14,799

because

781

00:29:19,350 --> 00:29:16,799

there would be some point in the future

782

00:29:19,990 --> 00:29:19,360

where if they didn't take care of this

783

00:29:23,590 --> 00:29:20,000

problem

784

00:29:26,230 --> 00:29:23,600

now that some point like 360

785

00:29:27,430 --> 00:29:26,240

some odd years in the future they would

786

00:29:30,789 --> 00:29:27,440

try to do

787

00:29:31,750 --> 00:29:30,799

to this galaxy what they've done to

788

00:29:34,950 --> 00:29:31,760

other galaxies

789

00:29:35,590 --> 00:29:34,960

which is to essentially transform if you

790

00:29:39,669 --> 00:29:35,600

will

791

00:29:42,710 --> 00:29:39,679

the vibratory rate of a human

792

00:29:45,269 --> 00:29:42,720

oxygen breathing species into

793

00:29:47,269 --> 00:29:45,279

a reptilian vibrational frequency and

794

00:29:50,389 --> 00:29:47,279

reptilian dna pattern

795

00:29:52,830 --> 00:29:50,399

the whole galaxy damn

796

00:29:54,389 --> 00:29:52,840

and so it was decided by the council

797

00:29:57,990 --> 00:29:54,399

that this

798

00:29:59,510 --> 00:29:58,000

needed to be the time in combination

799

00:30:04,070 --> 00:29:59,520

with this planet's own

800

00:30:07,350 --> 00:30:04,080

evolutionary development cycle

801
00:30:09,269 --> 00:30:07,360
that they needed to step in and get rid

802
00:30:11,830 --> 00:30:09,279
of this

803
00:30:12,549 --> 00:30:11,840
this planet-wide menace and they've been

804
00:30:16,230 --> 00:30:12,559
here for

805
00:30:17,190 --> 00:30:16,240
a long long time and your statement is

806
00:30:20,950 --> 00:30:17,200
correct

807
00:30:24,470 --> 00:30:20,960
all of the draco

808
00:30:25,669 --> 00:30:24,480
and hydra cooperating reptilian undersea

809
00:30:28,950 --> 00:30:25,679
bases

810
00:30:29,669 --> 00:30:28,960
have been destroyed the two underground

811
00:30:33,110 --> 00:30:29,679
bases

812
00:30:37,310 --> 00:30:33,120
of note that were also destroyed one

813
00:30:38,549 --> 00:30:37,320

was august i believe 23rd or 24th of

814

00:30:40,470 --> 00:30:38,559

2011

815

00:30:42,630 --> 00:30:40,480

that's the one that was a base with the

816

00:30:45,830 --> 00:30:42,640

lattice network of communication

817

00:30:47,590 --> 00:30:45,840

and transport tunnels from washington dc

818

00:30:49,110 --> 00:30:47,600

to the mountains of virginia and if you

819

00:30:54,070 --> 00:30:49,120

remember

820

00:30:57,269 --> 00:30:54,080

august in 2011 there was an earthquake

821

00:30:59,430 --> 00:30:57,279

in washington dc the earthquake was the

822

00:31:00,549 --> 00:30:59,440

repercussions of the destruction of that

823

00:31:03,029 --> 00:31:00,559

base

824

00:31:04,789 --> 00:31:03,039

in the hills of virginia west of

825

00:31:07,269 --> 00:31:04,799

washington dc

826

00:31:10,549 --> 00:31:07,279

wow though that was done by the people

827

00:31:13,830 --> 00:31:10,559

of the procyon star system planet cana

828

00:31:15,269 --> 00:31:13,840

the people of the sirius a star system

829

00:31:18,310 --> 00:31:15,279

are the ones that destroyed the

830

00:31:21,269 --> 00:31:18,320

underground base in colorado

831

00:31:22,789 --> 00:31:21,279

so all reptilian bases destroyed a

832

00:31:23,990 --> 00:31:22,799

number of reptilian what we would

833

00:31:26,470 --> 00:31:24,000

consider to be

834

00:31:28,230 --> 00:31:26,480

the equivalent of generals and kernels

835

00:31:31,190 --> 00:31:28,240

were captured

836

00:31:31,990 --> 00:31:31,200

so they would be officers a number of

837

00:31:34,950 --> 00:31:32,000

high-ranking

838

00:31:36,950 --> 00:31:34,960

reptilian cabal officials i think about

839

00:31:40,070 --> 00:31:36,960

50 of those were captured

840

00:31:42,549 --> 00:31:40,080

and about 100 illuminati

841

00:31:44,470 --> 00:31:42,559

officials serving the illuminati

842

00:31:46,310 --> 00:31:44,480

families which served the reptilians

843

00:31:48,870 --> 00:31:46,320

they were captured they were all sent

844

00:31:51,830 --> 00:31:48,880

through a military tribunal

845

00:31:53,029 --> 00:31:51,840

and military tribunal of course was war

846

00:31:55,509 --> 00:31:53,039

crimes against

847

00:31:56,549 --> 00:31:55,519

humanity and they were given three

848

00:31:59,509 --> 00:31:56,559

choices

849

00:32:00,389 --> 00:31:59,519

either submit to positive mind

850

00:32:03,269 --> 00:32:00,399

reprogramming

851
00:32:04,870 --> 00:32:03,279
so that they would never threaten co-opt

852
00:32:07,269 --> 00:32:04,880
coerce manipulate

853
00:32:09,029 --> 00:32:07,279
or consume earth humans again or any

854
00:32:10,789 --> 00:32:09,039
other humans for that matter

855
00:32:13,029 --> 00:32:10,799
that was one option they were given

856
00:32:16,549 --> 00:32:13,039
another option was the relocation

857
00:32:20,310 --> 00:32:16,559
of them to a

858
00:32:23,350 --> 00:32:20,320
reptilian designated world at the far

859
00:32:24,789 --> 00:32:23,360
far edge of this known universe and the

860
00:32:27,669 --> 00:32:24,799
third option was

861
00:32:29,029 --> 00:32:27,679
they could choose to self-terminate it's

862
00:32:31,430 --> 00:32:29,039
my understanding the top

863
00:32:33,350 --> 00:32:31,440

generals they were arrogant enough

864

00:32:35,350 --> 00:32:33,360

they're like you know we will not submit

865

00:32:37,430 --> 00:32:35,360

we choose self-termination kind of thing

866

00:32:40,549 --> 00:32:37,440

so they chose to self-terminate but

867

00:32:44,230 --> 00:32:40,559

tens of thousands of reptilian

868

00:32:46,950 --> 00:32:44,240

soldiers administrators engineers

869

00:32:48,310 --> 00:32:46,960

technical people were all relocated off

870

00:32:50,710 --> 00:32:48,320

this planet

871

00:32:52,470 --> 00:32:50,720

to a designated part of the universe for

872

00:32:54,630 --> 00:32:52,480

these reptilians

873

00:32:55,990 --> 00:32:54,640

so what's been going on since that last

874

00:32:59,110 --> 00:32:56,000

base was destroyed and actually

875

00:33:01,430 --> 00:32:59,120

the last undersea base was literally

876

00:33:03,750 --> 00:33:01,440

on the atlantic shelf just due east of

877

00:33:05,669 --> 00:33:03,760

washington dc

878

00:33:07,110 --> 00:33:05,679

once that base was destroyed i believe

879

00:33:11,750 --> 00:33:07,120

in mid 2012

880

00:33:15,590 --> 00:33:11,760

it was the last formal functioning

881

00:33:18,230 --> 00:33:15,600

undersea reptilian-operated base

882

00:33:19,990 --> 00:33:18,240

now are there other undersea and

883

00:33:23,269 --> 00:33:20,000

underground bases

884

00:33:26,149 --> 00:33:23,279

yes are they opti are they

885

00:33:28,230 --> 00:33:26,159

operated and run no are there still some

886

00:33:31,110 --> 00:33:28,240

reptilians on this planet

887

00:33:31,990 --> 00:33:31,120

yes there are approximately give or take

888

00:33:35,190 --> 00:33:32,000

five percent

889

00:33:39,269 --> 00:33:35,200

about 120 reptilian

890

00:33:42,870 --> 00:33:39,279

there are about 68 to 70

891

00:33:45,190 --> 00:33:42,880

pure reptilians that are still here

892

00:33:47,269 --> 00:33:45,200

high level official and or military that

893

00:33:51,509 --> 00:33:47,279

are deep underground people would never

894

00:33:53,590 --> 00:33:51,519

ever see them there are another 50 plus

895

00:33:56,070 --> 00:33:53,600

that if you didn't know better you

896

00:33:58,789 --> 00:33:56,080

thought that they were human

897

00:34:00,630 --> 00:33:58,799

they are a mix of cosmic human and

898

00:34:04,710 --> 00:34:00,640

reptilian

899

00:34:06,789 --> 00:34:04,720

bloodlines so they are in fact hybrids

900

00:34:08,629 --> 00:34:06,799

and they hold the highest positions of

901
00:34:11,190 --> 00:34:08,639
power on this planet

902
00:34:13,430 --> 00:34:11,200
corporate governmental religious health

903
00:34:17,109 --> 00:34:13,440
care pharmaceutical

904
00:34:21,109 --> 00:34:17,119
etc etc etc and media of course media

905
00:34:24,389 --> 00:34:21,119
news entertainment those are the ones

906
00:34:25,990 --> 00:34:24,399
that give the orders that are passed

907
00:34:28,069 --> 00:34:26,000
down by the pure reptilians

908
00:34:29,829 --> 00:34:28,079
they give the orders to the illuminati

909
00:34:34,069 --> 00:34:29,839
families

910
00:34:37,190 --> 00:34:34,079
to basically serve the desires

911
00:34:40,230 --> 00:34:37,200
and the need for consumption

912
00:34:42,629 --> 00:34:40,240
of manipulated abuse

913
00:34:44,389 --> 00:34:42,639

terrorized humans so i'm going to go

914

00:34:45,669 --> 00:34:44,399

from one end of the scale to the next so

915

00:34:48,470 --> 00:34:45,679

people sort of

916

00:34:49,669 --> 00:34:48,480

can wrap their heads around this idea

917

00:34:53,270 --> 00:34:49,679

the whole

918

00:34:57,030 --> 00:34:53,280

concept of pedophilia

919

00:35:00,310 --> 00:34:57,040

and human predominantly

920

00:35:02,630 --> 00:35:00,320

children and young women human

921

00:35:06,950 --> 00:35:02,640

trafficking across the planet

922

00:35:10,230 --> 00:35:06,960

that whole concept is about the capture

923

00:35:13,750 --> 00:35:10,240

abuse sexualization

924

00:35:17,030 --> 00:35:13,760

and then terrorizing these

925

00:35:19,990 --> 00:35:17,040

humans so that

926
00:35:21,510 --> 00:35:20,000
the energy of that terror can be

927
00:35:24,710 --> 00:35:21,520
consumed by these

928
00:35:26,710 --> 00:35:24,720
naturally vibrating low-level fourth

929
00:35:30,310 --> 00:35:26,720
dimension reptilians

930
00:35:34,150 --> 00:35:30,320
they consume the energy of terror

931
00:35:36,630 --> 00:35:34,160
in its pure form and for them

932
00:35:38,470 --> 00:35:36,640
it's like a psychotic drug and it gives

933
00:35:40,150 --> 00:35:38,480
them this huge monster high and the more

934
00:35:43,750 --> 00:35:40,160
they get the more they want

935
00:35:46,950 --> 00:35:43,760
so they literally consume the energy of

936
00:35:49,190 --> 00:35:46,960
abuse and terror and confusion and on

937
00:35:51,750 --> 00:35:49,200
and on any of those

938
00:35:53,750 --> 00:35:51,760

emotional states and the feelings that

939

00:35:55,270 --> 00:35:53,760

go those emotional states are consumed

940

00:35:58,390 --> 00:35:55,280

by them

941

00:36:01,030 --> 00:35:58,400

b whenever they take organic form

942

00:36:01,589 --> 00:36:01,040

like we're dense organic and we have

943

00:36:04,390 --> 00:36:01,599

flesh

944

00:36:05,670 --> 00:36:04,400

and blood and bones whenever they take

945

00:36:08,390 --> 00:36:05,680

that form

946

00:36:10,390 --> 00:36:08,400

their original organic form becomes

947

00:36:14,150 --> 00:36:10,400

considerably heightened

948

00:36:18,950 --> 00:36:14,160

and they have a very

949

00:36:22,069 --> 00:36:18,960

deep drive and appetite for consuming

950

00:36:26,069 --> 00:36:22,079

terrorized people preferably

951
00:36:29,430 --> 00:36:26,079
younger it's difficult to talk about

952
00:36:32,790 --> 00:36:29,440
because of the sick nature of what it

953
00:36:35,750 --> 00:36:32,800
is so to put it all in context

954
00:36:38,470 --> 00:36:35,760
this whole subject matter of human

955
00:36:40,950 --> 00:36:38,480
trafficking and pedophilia

956
00:36:43,030 --> 00:36:40,960
certainly it is about the humans who

957
00:36:44,150 --> 00:36:43,040
have served the illuminati who serve the

958
00:36:47,589 --> 00:36:44,160
reptilians

959
00:36:50,870 --> 00:36:47,599
but it's all about creating a

960
00:36:53,030 --> 00:36:50,880
two-level process of food

961
00:36:55,510 --> 00:36:53,040
for the reptilians both from an energy

962
00:36:56,550 --> 00:36:55,520
perspective and from an organic flesh

963
00:36:59,190 --> 00:36:56,560

perspective

964

00:37:00,390 --> 00:36:59,200

that satisfies their feeding desires

965

00:37:04,630 --> 00:37:00,400

when you strip away

966

00:37:07,510 --> 00:37:04,640

all of the paranormal talk around it

967

00:37:07,990 --> 00:37:07,520

that's what it's about serving masters

968

00:37:11,910 --> 00:37:08,000

who want

969

00:37:13,829 --> 00:37:11,920

to consume again it's difficult to talk

970

00:37:16,790 --> 00:37:13,839

about but i'd rather

971

00:37:17,589 --> 00:37:16,800

speak about it plainly than have people

972

00:37:19,670 --> 00:37:17,599

wonder

973

00:37:22,550 --> 00:37:19,680

and go like way off the reservation in

974

00:37:23,990 --> 00:37:22,560

terms of their concepts of what it might

975

00:37:26,950 --> 00:37:24,000

be or might not be

976

00:37:28,870 --> 00:37:26,960

oh yeah sure we can take it it's a

977

00:37:30,470 --> 00:37:28,880

difficult subject matter but

978

00:37:32,470 --> 00:37:30,480

like i said i'd rather speak plainly

979

00:37:35,990 --> 00:37:32,480

about it so that people can go

980

00:37:39,109 --> 00:37:36,000

oh okay now this makes sense it's sick

981

00:37:41,750 --> 00:37:39,119

but it makes sense right

982

00:37:42,630 --> 00:37:41,760

so i hope that answers your question

983

00:37:45,030 --> 00:37:42,640

sure and

984

00:37:47,190 --> 00:37:45,040

we do have some pretty weird things

985

00:37:48,950 --> 00:37:47,200

going on of course the pedophilia child

986

00:37:50,069 --> 00:37:48,960

trafficking stuff has been bubbling up

987

00:37:53,109 --> 00:37:50,079

to the surface much

988

00:37:54,950 --> 00:37:53,119

more in the last couple years and

989

00:37:57,190 --> 00:37:54,960

the pentagon did come out and disclose

990

00:37:59,510 --> 00:37:57,200

at least something on ufos we had this

991

00:38:02,069 --> 00:37:59,520

weird tom de long rollout attempt

992

00:38:02,790 --> 00:38:02,079

an inside skunk works podcast just

993

00:38:04,550 --> 00:38:02,800

launched

994

00:38:06,310 --> 00:38:04,560

trump is president i mean i'm willing to

995

00:38:08,390 --> 00:38:06,320

say we've seen a shift in

996

00:38:09,990 --> 00:38:08,400

direction lately and you've mentioned

997

00:38:11,990 --> 00:38:10,000

that the reptilians are

998

00:38:14,310 --> 00:38:12,000

in this sort of desperation mode and a

999

00:38:15,670 --> 00:38:14,320

big reason for the hybridization program

1000

00:38:16,310 --> 00:38:15,680

we've heard about is they can sort of

1001
00:38:17,990 --> 00:38:16,320
maybe

1002
00:38:20,230 --> 00:38:18,000
bait and switch us where they reveal

1003
00:38:22,069 --> 00:38:20,240
themselves as

1004
00:38:23,510 --> 00:38:22,079
you know looking like the good guys

1005
00:38:25,829 --> 00:38:23,520
right and in terms of trump

1006
00:38:27,430 --> 00:38:25,839
i've heard you say that all presidents

1007
00:38:28,870 --> 00:38:27,440
are selected not elected and i

1008
00:38:31,589 --> 00:38:28,880
completely agree there

1009
00:38:31,990 --> 00:38:31,599
but you say trump is part of dismantling

1010
00:38:34,950 --> 00:38:32,000
the old

1011
00:38:37,030 --> 00:38:34,960
guard that his personality maybe acts as

1012
00:38:38,870 --> 00:38:37,040
a cover for the real changes going on

1013
00:38:39,990 --> 00:38:38,880

maybe that he's a walk-in or a braided

1014

00:38:42,870 --> 00:38:40,000

soul himself

1015

00:38:45,270 --> 00:38:42,880

yes and his family maybe is connected to

1016

00:38:46,790 --> 00:38:45,280

the alliance of good guys maybe q anon

1017

00:38:48,950 --> 00:38:46,800

is part of this group as well

1018

00:38:50,790 --> 00:38:48,960

it's a lot but these are just a few of

1019

00:38:53,030 --> 00:38:50,800

the places that i would say

1020

00:38:54,790 --> 00:38:53,040

maybe we do see indications of a change

1021

00:38:58,790 --> 00:38:54,800

right

1022

00:39:02,150 --> 00:38:58,800

yeah and all of that you just cited

1023

00:39:05,190 --> 00:39:02,160

based on what i've learned

1024

00:39:08,550 --> 00:39:05,200

from my contacts on the council

1025

00:39:11,349 --> 00:39:08,560

is consistent with what they've told me

1026
00:39:12,390 --> 00:39:11,359
over years now interestingly enough like

1027
00:39:14,790 --> 00:39:12,400
anybody else

1028
00:39:16,310 --> 00:39:14,800
i'm just a guy i'm an earth human now i

1029
00:39:18,230 --> 00:39:16,320
may be having some extraordinary

1030
00:39:20,550 --> 00:39:18,240
experiences and i may have the benefit

1031
00:39:23,589 --> 00:39:20,560
of knowing where i came from

1032
00:39:25,910 --> 00:39:23,599
but i'm still a guy who's having

1033
00:39:27,349 --> 00:39:25,920
to some degree a normal life and so

1034
00:39:28,790 --> 00:39:27,359
there are things that i do in my normal

1035
00:39:32,069 --> 00:39:28,800
life now for me

1036
00:39:34,710 --> 00:39:32,079
as a kid i couldn't play baseball

1037
00:39:36,550 --> 00:39:34,720
i didn't make it on what was called

1038
00:39:39,430 --> 00:39:36,560

little league or farm team

1039

00:39:40,550 --> 00:39:39,440

but whenever i picked up a racket squash

1040

00:39:44,150 --> 00:39:40,560

paddle ball

1041

00:39:45,990 --> 00:39:44,160

ping-pong tennis loved it was good at it

1042

00:39:47,190 --> 00:39:46,000

so why is this relevant what's relevant

1043

00:39:49,030 --> 00:39:47,200

because

1044

00:39:50,470 --> 00:39:49,040

in the mid 90s i was playing tennis with

1045

00:39:53,109 --> 00:39:50,480

a bunch of guys doubles

1046

00:39:54,550 --> 00:39:53,119

in tucson so i'm in my mid 30s by then

1047

00:39:55,270 --> 00:39:54,560

i'm playing tennis with guys that are in

1048

00:39:57,190 --> 00:39:55,280

their late

1049

00:39:59,589 --> 00:39:57,200

50s most of them are in their 60s and

1050

00:40:02,310 --> 00:39:59,599

they're pretty well retired

1051
00:40:03,270 --> 00:40:02,320
one guy who i believe has probably

1052
00:40:05,990 --> 00:40:03,280
passed away now

1053
00:40:08,550 --> 00:40:06,000
otherwise he'd be in his 90s was a

1054
00:40:10,790 --> 00:40:08,560
gentleman who was from massachusetts

1055
00:40:12,309 --> 00:40:10,800
and during the vietnam war era he's with

1056
00:40:15,030 --> 00:40:12,319
the state department

1057
00:40:16,790 --> 00:40:15,040
and his responsibilities had to do with

1058
00:40:19,829 --> 00:40:16,800
vietnam

1059
00:40:22,390 --> 00:40:19,839
and so during this tennis break he said

1060
00:40:25,670 --> 00:40:22,400
to me using his massachusetts accent

1061
00:40:29,109 --> 00:40:25,680
he said do you realize

1062
00:40:30,309 --> 00:40:29,119
that every president ever since they

1063
00:40:32,309 --> 00:40:30,319

murdered jfk

1064

00:40:34,309 --> 00:40:32,319

every president since then has been

1065

00:40:36,390 --> 00:40:34,319

appointed

1066

00:40:38,309 --> 00:40:36,400

and of course they slotted lbj right in

1067

00:40:41,030 --> 00:40:38,319

after jfk was killed

1068

00:40:42,870 --> 00:40:41,040

he was all lined up ready to go that was

1069

00:40:45,270 --> 00:40:42,880

of course an assassination

1070

00:40:47,190 --> 00:40:45,280

by a lot of parties who wanted him dead

1071

00:40:49,589 --> 00:40:47,200

and so without going into that whole

1072

00:40:51,030 --> 00:40:49,599

conspiracy every single president since

1073

00:40:53,030 --> 00:40:51,040

jfk has been

1074

00:40:55,270 --> 00:40:53,040

an appointee which means that our

1075

00:40:57,270 --> 00:40:55,280

national elections are a fraud

1076
00:40:59,030 --> 00:40:57,280
that topic in itself when the american

1077
00:41:00,790 --> 00:40:59,040
public learns it

1078
00:41:02,309 --> 00:41:00,800
that's going to be a pretty wild

1079
00:41:05,190 --> 00:41:02,319
situation

1080
00:41:06,150 --> 00:41:05,200
so why is that relevant well it's

1081
00:41:08,150 --> 00:41:06,160
relevant because

1082
00:41:09,589 --> 00:41:08,160
here's a man who would definitely be in

1083
00:41:10,470 --> 00:41:09,599
the know who was with the state

1084
00:41:12,790 --> 00:41:10,480
department

1085
00:41:14,069 --> 00:41:12,800
who had a very very high cosmic

1086
00:41:16,390 --> 00:41:14,079
clearance

1087
00:41:18,069 --> 00:41:16,400
who knew that presidents were appointed

1088
00:41:22,670 --> 00:41:18,079

and here we are

1089

00:41:25,829 --> 00:41:22,680

and they told me in late

1090

00:41:26,950 --> 00:41:25,839

2014 when i asked i asked about the

1091

00:41:30,150 --> 00:41:26,960

upcoming election

1092

00:41:34,069 --> 00:41:30,160

and they said this man

1093

00:41:37,670 --> 00:41:34,079

called barack obama will be the last

1094

00:41:41,349 --> 00:41:37,680

president of his type which means

1095

00:41:44,069 --> 00:41:41,359

he's a politician and the next

1096

00:41:46,309 --> 00:41:44,079

president will be like nothing you've

1097

00:41:47,670 --> 00:41:46,319

ever had before because he won't be a

1098

00:41:49,430 --> 00:41:47,680

politician

1099

00:41:51,190 --> 00:41:49,440

i'm paraphrasing but that's essentially

1100

00:41:54,069 --> 00:41:51,200

what they said

1101
00:41:55,910 --> 00:41:54,079
and i spoke about that publicly before

1102
00:42:00,069 --> 00:41:55,920
the quote unquote election

1103
00:42:01,030 --> 00:42:00,079
of donald trump i bring these things up

1104
00:42:02,710 --> 00:42:01,040
because

1105
00:42:05,190 --> 00:42:02,720
they're allegorical but they're still

1106
00:42:07,670 --> 00:42:05,200
pieces of corroboration

1107
00:42:08,790 --> 00:42:07,680
of information of what we see happening

1108
00:42:10,550 --> 00:42:08,800
today

1109
00:42:12,230 --> 00:42:10,560
and what i learned years ago and

1110
00:42:14,470 --> 00:42:12,240
explanations for what

1111
00:42:16,230 --> 00:42:14,480
i had years ago that what we're seeing

1112
00:42:19,190 --> 00:42:16,240
unfold today

1113
00:42:21,190 --> 00:42:19,200

it's pretty daunting okay sure it's

1114

00:42:22,790 --> 00:42:21,200

daunting to sit where i sit

1115

00:42:24,710 --> 00:42:22,800

and watch some of the things that i

1116

00:42:26,550 --> 00:42:24,720

heard about three and four and five

1117

00:42:29,030 --> 00:42:26,560

years ago and two years ago

1118

00:42:29,750 --> 00:42:29,040

to actually watch them unfold today

1119

00:42:32,150 --> 00:42:29,760

right

1120

00:42:33,589 --> 00:42:32,160

so what does the council want you to get

1121

00:42:35,589 --> 00:42:33,599

out to people

1122

00:42:36,950 --> 00:42:35,599

right now about the subtext of what's

1123

00:42:38,710 --> 00:42:36,960

going on maybe

1124

00:42:40,950 --> 00:42:38,720

i don't i know timelines aren't a big

1125

00:42:43,750 --> 00:42:40,960

thing for you but maybe the next

1126
00:42:44,790 --> 00:42:43,760
decade or our lifetimes or however

1127
00:42:47,670 --> 00:42:44,800
whatever scale

1128
00:42:49,670 --> 00:42:47,680
you typically work with what is the you

1129
00:42:50,390 --> 00:42:49,680
know important or relevant information

1130
00:42:52,710 --> 00:42:50,400
about

1131
00:42:53,829 --> 00:42:52,720
geopolitics or just the subtext of

1132
00:42:56,390 --> 00:42:53,839
what's going on that

1133
00:42:58,309 --> 00:42:56,400
you think is most crucial for people to

1134
00:43:01,510 --> 00:42:58,319
be aware of

1135
00:43:03,109 --> 00:43:01,520
i think it's important that people grasp

1136
00:43:06,630 --> 00:43:03,119
and understand the seriousness

1137
00:43:08,309 --> 00:43:06,640
of and not from a fear-based perspective

1138
00:43:10,390 --> 00:43:08,319

but simply from an information-based

1139

00:43:11,510 --> 00:43:10,400

perspective we've been controlled and

1140

00:43:15,030 --> 00:43:11,520

manipulated

1141

00:43:17,670 --> 00:43:15,040

by a race that has no interest or care

1142

00:43:18,470 --> 00:43:17,680

for us other than that we're a resource

1143

00:43:22,710 --> 00:43:18,480

reptilians

1144

00:43:26,230 --> 00:43:22,720

of our lives

1145

00:43:28,150 --> 00:43:26,240

a so they're going away

1146

00:43:29,270 --> 00:43:28,160

there will likely be some kind of false

1147

00:43:32,230 --> 00:43:29,280

flag event

1148

00:43:32,950 --> 00:43:32,240

which they're presented sort of like as

1149

00:43:34,390 --> 00:43:32,960

an e.t

1150

00:43:37,349 --> 00:43:34,400

savior race and of course they're going

1151
00:43:39,910 --> 00:43:37,359
to look like the beneficent benevolent

1152
00:43:41,030 --> 00:43:39,920
tall blonde humans that's likely going

1153
00:43:43,109 --> 00:43:41,040
to happen

1154
00:43:45,349 --> 00:43:43,119
the remaining pure reptilians will come

1155
00:43:45,910 --> 00:43:45,359
out of underground probably in the last

1156
00:43:50,710 --> 00:43:45,920
gasp

1157
00:43:53,109 --> 00:43:50,720
attempt to overtly acquire power

1158
00:43:54,630 --> 00:43:53,119
but sometime in the very near future and

1159
00:43:56,870 --> 00:43:54,640
when this starts to happen it'll all

1160
00:43:59,910 --> 00:43:56,880
start to happen pretty quick

1161
00:44:03,990 --> 00:43:59,920
that ultimately this is going to become

1162
00:44:04,950 --> 00:44:04,000
our planet and with all of the changes

1163
00:44:08,309 --> 00:44:04,960

that are coming

1164

00:44:09,349 --> 00:44:08,319

on this planet both socially

1165

00:44:12,470 --> 00:44:09,359

geopolitically

1166

00:44:15,990 --> 00:44:12,480

as well as physical earth

1167

00:44:19,430 --> 00:44:16,000

changes we're going to become

1168

00:44:21,829 --> 00:44:19,440

a new race of people and we've got

1169

00:44:23,829 --> 00:44:21,839

a lot of diversity on this planet

1170

00:44:24,790 --> 00:44:23,839

because of the colonization that

1171

00:44:26,790 --> 00:44:24,800

happened

1172

00:44:28,870 --> 00:44:26,800

from different races from across the

1173

00:44:30,230 --> 00:44:28,880

stars on this planet over the course of

1174

00:44:33,190 --> 00:44:30,240

a number of years

1175

00:44:35,990 --> 00:44:33,200

so you have different literal human

1176

00:44:39,670 --> 00:44:36,000

racers from different star systems

1177

00:44:41,750 --> 00:44:39,680

which have different sets of

1178

00:44:43,109 --> 00:44:41,760

mores and ethos and values and

1179

00:44:45,109 --> 00:44:43,119

expectations as to how

1180

00:44:46,470 --> 00:44:45,119

life should be lived that's one of the

1181

00:44:48,790 --> 00:44:46,480

reasons why

1182

00:44:49,990 --> 00:44:48,800

we have such a difficult time getting

1183

00:44:53,109 --> 00:44:50,000

along with each other

1184

00:44:54,069 --> 00:44:53,119

on this world based on some

1185

00:44:55,990 --> 00:44:54,079

conversations

1186

00:44:57,510 --> 00:44:56,000

that i've had with wendell stevens bob

1187

00:45:00,390 --> 00:44:57,520

dean and others

1188

00:45:02,710 --> 00:45:00,400

this world is highly unusual in that

1189

00:45:04,870 --> 00:45:02,720

there's such a great diversity not only

1190

00:45:05,430 --> 00:45:04,880

of insects and fish and plants and

1191

00:45:08,630 --> 00:45:05,440

animals

1192

00:45:11,510 --> 00:45:08,640

but of humans and that it's

1193

00:45:13,510 --> 00:45:11,520

across the cosmos of worlds of this type

1194

00:45:16,150 --> 00:45:13,520

it's highly unusual to have

1195

00:45:17,109 --> 00:45:16,160

more than one or two races of related

1196

00:45:19,349 --> 00:45:17,119

humans

1197

00:45:21,510 --> 00:45:19,359

on a single planet that's why we're

1198

00:45:22,309 --> 00:45:21,520

being watched so closely that's why

1199

00:45:25,510 --> 00:45:22,319

we're sort of

1200

00:45:27,270 --> 00:45:25,520

the big show in this corner of the

1201
00:45:30,550 --> 00:45:27,280
physical universe

1202
00:45:31,109 --> 00:45:30,560
because we're such an outlier in terms

1203
00:45:34,950 --> 00:45:31,119
of what

1204
00:45:35,670 --> 00:45:34,960
normal life is like i expect that this

1205
00:45:38,870 --> 00:45:35,680
planet

1206
00:45:42,150 --> 00:45:38,880
ultimately will become peaceful

1207
00:45:44,950 --> 00:45:42,160
that will be invited to a greater

1208
00:45:46,550 --> 00:45:44,960
brotherhood of planets that travel

1209
00:45:49,349 --> 00:45:46,560
throughout the cosmos

1210
00:45:51,589 --> 00:45:49,359
i've been told repeatedly that some

1211
00:45:55,030 --> 00:45:51,599
number of people on this planet

1212
00:45:58,069 --> 00:45:55,040
will go along for the ride and willingly

1213
00:45:59,589 --> 00:45:58,079

take part in this process and choose the

1214

00:46:01,750 --> 00:45:59,599

evolutionary growth of this planet

1215

00:46:03,589 --> 00:46:01,760

becoming a higher dimensional one

1216

00:46:04,790 --> 00:46:03,599

i don't exactly know when that moment is

1217

00:46:07,910 --> 00:46:04,800

going to happen

1218

00:46:09,910 --> 00:46:07,920

in terms of time and dates but i can say

1219

00:46:13,750 --> 00:46:09,920

that what they've told me consistently

1220

00:46:13,990 --> 00:46:13,760

is that with the peak of human awareness

1221

00:46:17,430 --> 00:46:14,000

and

1222

00:46:20,550 --> 00:46:17,440

consciousness with the peak

1223

00:46:24,150 --> 00:46:20,560

of knowledge of what we today

1224

00:46:28,150 --> 00:46:24,160

call spirituality at the peak

1225

00:46:30,390 --> 00:46:28,160

of human development

1226

00:46:32,390 --> 00:46:30,400

coinciding with the peak of earth

1227

00:46:36,790 --> 00:46:32,400

changes on this world

1228

00:46:40,829 --> 00:46:36,800

that's when we will evolve into becoming

1229

00:46:43,270 --> 00:46:40,839

a much more conscious higher vibratory

1230

00:46:45,030 --> 00:46:43,280

human

1231

00:46:47,109 --> 00:46:45,040

i know there's a lot there but that's

1232

00:46:49,349 --> 00:46:47,119

pretty much the process

1233

00:46:51,030 --> 00:46:49,359

every single year i asked that question

1234

00:46:54,470 --> 00:46:51,040

at least once

1235

00:46:57,349 --> 00:46:54,480

is this process still consistent with

1236

00:46:58,069 --> 00:46:57,359

the evolutionary pattern of this planet

1237

00:47:00,550 --> 00:46:58,079

and the people

1238

00:47:02,230 --> 00:47:00,560

on this world and the answer that i keep

1239

00:47:04,630 --> 00:47:02,240

getting is yes

1240

00:47:06,390 --> 00:47:04,640

the process is still consistent you

1241

00:47:11,510 --> 00:47:06,400

mentioned timelines

1242

00:47:15,190 --> 00:47:11,520

and so while there are smaller

1243

00:47:18,950 --> 00:47:15,200

less major decisions that

1244

00:47:21,750 --> 00:47:18,960

can shift timelines a little far out

1245

00:47:23,589 --> 00:47:21,760

to the left and or a little far right

1246

00:47:27,349 --> 00:47:23,599

ultimately what's going on is

1247

00:47:31,190 --> 00:47:27,359

the various timelines are collapsing and

1248

00:47:34,230 --> 00:47:31,200

the primary or the predominant timeline

1249

00:47:37,990 --> 00:47:34,240

this planet has for its own evolution

1250

00:47:41,750 --> 00:47:38,000

is in fact happening and certainly

1251
00:47:42,309 --> 00:47:41,760
with the disruption of timelines we've

1252
00:47:45,270 --> 00:47:42,319
had

1253
00:47:46,870 --> 00:47:45,280
by interfering reptilians and other

1254
00:47:49,109 --> 00:47:46,880
races

1255
00:47:50,710 --> 00:47:49,119
timelines are also collapsing because

1256
00:47:54,150 --> 00:47:50,720
there's less interference

1257
00:47:57,349 --> 00:47:54,160
does that make sense it does it does

1258
00:47:58,549 --> 00:47:57,359
yeah so what is happening is with less

1259
00:48:01,589 --> 00:47:58,559
interference

1260
00:48:04,630 --> 00:48:01,599
we're starting to fall back

1261
00:48:06,790 --> 00:48:04,640
into the predominant timeline of

1262
00:48:08,950 --> 00:48:06,800
evolution for the planet and for the

1263
00:48:12,069 --> 00:48:08,960

people on the planet

1264

00:48:14,470 --> 00:48:12,079

as an example the gentleman who's the

1265

00:48:15,589 --> 00:48:14,480

commander responsible for not only the

1266

00:48:19,270 --> 00:48:15,599

primary

1267

00:48:21,589 --> 00:48:19,280

biosphere but for the other 11

1268

00:48:23,430 --> 00:48:21,599

biospheres that are in and around the

1269

00:48:26,870 --> 00:48:23,440

solar system

1270

00:48:30,710 --> 00:48:26,880

he's told me that

1271

00:48:33,750 --> 00:48:30,720

the development of this planet

1272

00:48:35,670 --> 00:48:33,760

has been changed and the development

1273

00:48:37,990 --> 00:48:35,680

of the knowledge base of the people of

1274

00:48:41,349 --> 00:48:38,000

this planet has changed because of

1275

00:48:44,630 --> 00:48:41,359

negotiations that happened back in the

1276
00:48:46,150 --> 00:48:44,640
mid 40s to early 50s between eisenhower

1277
00:48:48,230 --> 00:48:46,160
and administration

1278
00:48:50,230 --> 00:48:48,240
for technology that was shared by the

1279
00:48:53,829 --> 00:48:50,240
reptilians and others

1280
00:48:55,829 --> 00:48:53,839
such that today in this world

1281
00:48:58,309 --> 00:48:55,839
in the time date system that we use and

1282
00:49:01,109 --> 00:48:58,319
it's 2018

1283
00:49:01,990 --> 00:49:01,119
realistically if left alone we should

1284
00:49:07,670 --> 00:49:02,000
only be

1285
00:49:11,190 --> 00:49:07,680
at about what we had in 1978 or maybe 79

1286
00:49:13,750 --> 00:49:11,200
technologically we shouldn't have

1287
00:49:14,470 --> 00:49:13,760
the smart phones and the microwave

1288
00:49:18,390 --> 00:49:14,480

computers

1289

00:49:20,950 --> 00:49:18,400

and the touch pads that we have today

1290

00:49:22,710 --> 00:49:20,960

because if left alone to our own

1291

00:49:25,670 --> 00:49:22,720

technological development

1292

00:49:27,430 --> 00:49:25,680

we should only be at around 1978 right

1293

00:49:28,710 --> 00:49:27,440

now

1294

00:49:30,790 --> 00:49:28,720

when you think about the difference

1295

00:49:31,990 --> 00:49:30,800

between where we were at 78 and where we

1296

00:49:35,030 --> 00:49:32,000

are today

1297

00:49:37,430 --> 00:49:35,040

the difference is off the charts indeed

1298

00:49:40,150 --> 00:49:37,440

and with the distraction of

1299

00:49:43,510 --> 00:49:40,160

technological development

1300

00:49:46,390 --> 00:49:43,520

that distraction has slowed

1301

00:49:47,349 --> 00:49:46,400

people's if you will interest in

1302

00:49:50,630 --> 00:49:47,359

becoming more

1303

00:49:53,910 --> 00:49:50,640

intuitive

1304

00:49:56,069 --> 00:49:53,920

and becoming more interested in

1305

00:49:57,109 --> 00:49:56,079

well some people say of a soul what is

1306

00:49:59,430 --> 00:49:57,119

that about why

1307

00:50:01,349 --> 00:49:59,440

am i here on this planet do i have a

1308

00:50:01,910 --> 00:50:01,359

mission if i have a mission why am i

1309

00:50:03,030 --> 00:50:01,920

here

1310

00:50:04,710 --> 00:50:03,040

all those questions about

1311

00:50:05,910 --> 00:50:04,720

self-development a lot of those

1312

00:50:09,190 --> 00:50:05,920

questions

1313

00:50:10,230 --> 00:50:09,200

start to take a side seat when you've

1314

00:50:11,510 --> 00:50:10,240

got things like

1315

00:50:13,030 --> 00:50:11,520

smart phones and the kids are all

1316

00:50:15,270 --> 00:50:13,040

looking down at their smartphones

1317

00:50:18,390 --> 00:50:15,280

instead of interacting with each other

1318

00:50:20,069 --> 00:50:18,400

or going out in nature and

1319

00:50:22,069 --> 00:50:20,079

sitting in the forest or sitting on the

1320

00:50:23,589 --> 00:50:22,079

edge of a cliff and

1321

00:50:25,430 --> 00:50:23,599

contemplating why they're here on the

1322

00:50:26,549 --> 00:50:25,440

planet or walking a beach or anywhere

1323

00:50:28,630 --> 00:50:26,559

else

1324

00:50:30,390 --> 00:50:28,640

it's those technological distractions

1325

00:50:32,549 --> 00:50:30,400

that have slowed us from

1326

00:50:33,430 --> 00:50:32,559

evolving both emotionally and

1327

00:50:36,470 --> 00:50:33,440

spiritually

1328

00:50:39,510 --> 00:50:36,480

as a developed society

1329

00:50:41,990 --> 00:50:39,520

wow man i think that all makes sense

1330

00:50:43,109 --> 00:50:42,000

yeah there's a lot there but i think

1331

00:50:46,790 --> 00:50:43,119

when

1332

00:50:50,950 --> 00:50:46,800

people listen to all this they may go ah

1333

00:50:53,510 --> 00:50:50,960

okay those pieces kind of fit together

1334

00:50:54,069 --> 00:50:53,520

yeah as a puzzle which might explain

1335

00:50:56,549 --> 00:50:54,079

what's going

1336

00:50:57,270 --> 00:50:56,559

on absolutely and there's just so much

1337

00:50:59,750 --> 00:50:57,280

information

1338

00:51:01,430 --> 00:50:59,760

and context to get out there just for

1339

00:51:03,589 --> 00:51:01,440

people to understand

1340

00:51:04,630 --> 00:51:03,599

the information that you're getting that

1341

00:51:05,990 --> 00:51:04,640

you were laying

1342

00:51:07,510 --> 00:51:06,000

and it's hard to believe we're halfway

1343

00:51:07,990 --> 00:51:07,520

through already but i gotta say

1344

00:51:09,990 --> 00:51:08,000

something

1345

00:51:12,309 --> 00:51:10,000

for the skeptical listeners out there

1346

00:51:14,549 --> 00:51:12,319

because i know this is a lot to take in

1347

00:51:16,150 --> 00:51:14,559

yeah yeah absolutely i don't doubt that

1348

00:51:18,230 --> 00:51:16,160

you are receiving some

1349

00:51:19,270 --> 00:51:18,240

mind to mind downloads let's just assume

1350

00:51:21,510 --> 00:51:19,280

that's true

1351

00:51:23,589 --> 00:51:21,520

but how can you truly trust the source

1352

00:51:25,510 --> 00:51:23,599

we know the cia has voice to skull

1353

00:51:27,030 --> 00:51:25,520

technology we know the deep state loves

1354

00:51:28,309 --> 00:51:27,040

to inject this information in the

1355

00:51:30,950 --> 00:51:28,319

alternative community

1356

00:51:32,549 --> 00:51:30,960

we know entities can be mischievous and

1357

00:51:34,150 --> 00:51:32,559

i've been hearing previous guests say

1358

00:51:35,910 --> 00:51:34,160

that the white hats are fighting the

1359

00:51:37,030 --> 00:51:35,920

good fight for us behind the scenes for

1360

00:51:39,109 --> 00:51:37,040

a long time

1361

00:51:40,870 --> 00:51:39,119

but here we are you know what would you

1362

00:51:42,950 --> 00:51:40,880

say to ease the minds of people who

1363

00:51:44,790 --> 00:51:42,960

might have concerns over the true source

1364

00:51:45,510 --> 00:51:44,800

of these information downloads or the

1365

00:51:48,710 --> 00:51:45,520

idea that

1366

00:51:52,069 --> 00:51:48,720

help is actually coming you know what

1367

00:51:52,710 --> 00:51:52,079

that's a really good centered rational

1368

00:51:56,309 --> 00:51:52,720

question

1369

00:51:59,270 --> 00:51:56,319

i try this may be anecdotal but

1370

00:52:00,309 --> 00:51:59,280

it's my story i'm sharing information

1371

00:52:02,470 --> 00:52:00,319

knowledge i've learned

1372

00:52:03,510 --> 00:52:02,480

but my story is still my story and i

1373

00:52:07,109 --> 00:52:03,520

acknowledge that

1374

00:52:11,349 --> 00:52:07,119

so all i can do is rely on

1375

00:52:13,190 --> 00:52:11,359

what i've felt and experienced

1376

00:52:15,190 --> 00:52:13,200

during all the years that i've had

1377

00:52:18,230 --> 00:52:15,200

contact with these people

1378

00:52:21,270 --> 00:52:18,240

both in terms of what i

1379

00:52:24,470 --> 00:52:21,280

sense what i feel what i've experienced

1380

00:52:25,190 --> 00:52:24,480

physically in this body what i've

1381

00:52:27,190 --> 00:52:25,200

experienced

1382

00:52:28,790 --> 00:52:27,200

when the fractal that animates my body

1383

00:52:30,309 --> 00:52:28,800

the fractal of my soul that animates

1384

00:52:32,230 --> 00:52:30,319

this body that goes up in the biospheres

1385

00:52:36,710 --> 00:52:32,240

and has all these meetings

1386

00:52:40,950 --> 00:52:36,720

is the following at no moment in time

1387

00:52:45,510 --> 00:52:40,960

have i ever felt threatened ever

1388

00:52:49,270 --> 00:52:45,520

it's always been an exchange of

1389

00:52:52,470 --> 00:52:49,280

warmth cordiality of

1390

00:52:55,670 --> 00:52:52,480

sharing of we're glad you're here

1391

00:52:56,230 --> 00:52:55,680

we're glad that you're part of us we're

1392

00:52:59,510 --> 00:52:56,240

glad

1393

00:53:02,069 --> 00:52:59,520

that you are willingly partaking

1394

00:53:03,030 --> 00:53:02,079

willingly engaging in all of this work

1395

00:53:06,470 --> 00:53:03,040

that you're doing

1396

00:53:09,109 --> 00:53:06,480

you can stop at any moment in time

1397

00:53:10,390 --> 00:53:09,119

your life is yours to choose and make

1398

00:53:11,750 --> 00:53:10,400

decisions that you feel

1399

00:53:14,870 --> 00:53:11,760

are best for you but we're glad you're

1400

00:53:18,309 --> 00:53:14,880

here and we're glad you're engaged

1401
00:53:22,069 --> 00:53:18,319
does information change does it evolve

1402
00:53:24,549 --> 00:53:22,079
yes it changes and evolves

1403
00:53:25,109 --> 00:53:24,559
in ways that are evidenced by how i

1404
00:53:29,829 --> 00:53:25,119
evolve

1405
00:53:32,309 --> 00:53:29,839
as a person and i can only get answers

1406
00:53:34,069 --> 00:53:32,319
when i ask questions on the next level

1407
00:53:35,829 --> 00:53:34,079
up and the next level up and the higher

1408
00:53:36,470 --> 00:53:35,839
level after that i'm still learning

1409
00:53:39,589 --> 00:53:36,480
today

1410
00:53:42,790 --> 00:53:39,599
you know i guess i'm

1411
00:53:44,309 --> 00:53:42,800
not arrogant enough to think that i know

1412
00:53:47,750 --> 00:53:44,319
everything i certainly don't

1413
00:53:48,870 --> 00:53:47,760

i'm just one man living his life on this

1414

00:53:52,549 --> 00:53:48,880

planet and so i can

1415

00:53:54,150 --> 00:53:52,559

always learn more but that's the best

1416

00:53:56,870 --> 00:53:54,160

answer that i can give

1417

00:53:58,710 --> 00:53:56,880

is that every single experience that

1418

00:54:00,470 --> 00:53:58,720

i've had

1419

00:54:02,390 --> 00:54:00,480

even though some of them a couple of

1420

00:54:04,069 --> 00:54:02,400

them have been challenging for me

1421

00:54:06,390 --> 00:54:04,079

emotionally like that first

1422

00:54:08,069 --> 00:54:06,400

trip in 1993 that i recall that happened

1423

00:54:10,309 --> 00:54:08,079

three times

1424

00:54:12,549 --> 00:54:10,319

that was challenging emotionally to go

1425

00:54:15,109 --> 00:54:12,559

through that experience

1426
00:54:16,470 --> 00:54:15,119
and there'd been a couple of others but

1427
00:54:20,230 --> 00:54:16,480
i've never had the feeling

1428
00:54:23,829 --> 00:54:20,240
where i've felt deceived i've never

1429
00:54:25,349 --> 00:54:23,839
felt lied to and moreover i'm not part

1430
00:54:28,710 --> 00:54:25,359
of any military program

1431
00:54:31,750 --> 00:54:28,720
i was in high school during a time frame

1432
00:54:33,030 --> 00:54:31,760
when the vietnam war ended there were

1433
00:54:35,910 --> 00:54:33,040
three classes

1434
00:54:37,270 --> 00:54:35,920
the class before me my graduation class

1435
00:54:39,670 --> 00:54:37,280
and the class after

1436
00:54:41,349 --> 00:54:39,680
we didn't have to register for the draft

1437
00:54:42,950 --> 00:54:41,359
there were no numbers issued

1438
00:54:44,870 --> 00:54:42,960

we didn't have to go to the post office

1439

00:54:46,390 --> 00:54:44,880

to sign up for anything nothing

1440

00:54:48,069 --> 00:54:46,400

so i've never had any military

1441

00:54:50,150 --> 00:54:48,079

experience i've never been

1442

00:54:52,150 --> 00:54:50,160

co-opted by any military group i've

1443

00:54:53,670 --> 00:54:52,160

never had any military training or

1444

00:54:57,030 --> 00:54:53,680

intelligence training

1445

00:54:59,190 --> 00:54:57,040

nothing so i make that statement because

1446

00:55:01,030 --> 00:54:59,200

my experiences are what they are and

1447

00:55:05,670 --> 00:55:01,040

what they've been

1448

00:55:08,390 --> 00:55:05,680

and i can only say that i've always been

1449

00:55:10,630 --> 00:55:08,400

comfortable and enjoined and welcomed

1450

00:55:12,549 --> 00:55:10,640

and free to come and go as i please with

1451

00:55:14,150 --> 00:55:12,559

all of my experiences

1452

00:55:15,589 --> 00:55:14,160

i don't know if that helps at all but

1453

00:55:17,910 --> 00:55:15,599

that's been my experience

1454

00:55:18,950 --> 00:55:17,920

and that's my best answer yeah i mean i

1455

00:55:21,510 --> 00:55:18,960

think that works

1456

00:55:22,950 --> 00:55:21,520

you are just the messenger so people can

1457

00:55:24,789 --> 00:55:22,960

judge accordingly

1458

00:55:26,470 --> 00:55:24,799

i don't want to have you spend too much

1459

00:55:28,309 --> 00:55:26,480

time defending yourself

1460

00:55:29,829 --> 00:55:28,319

because then we miss out on all the

1461

00:55:30,470 --> 00:55:29,839

exciting information that could be

1462

00:55:32,630 --> 00:55:30,480

relayed

1463

00:55:33,589 --> 00:55:32,640

but of course you gotta at least throw

1464

00:55:35,430 --> 00:55:33,599

that out there

1465

00:55:36,950 --> 00:55:35,440

because people are gonna wonder why i

1466

00:55:38,950 --> 00:55:36,960

didn't otherwise so

1467

00:55:40,390 --> 00:55:38,960

and it's okay i'm happy to answer it i

1468

00:55:41,270 --> 00:55:40,400

remember the first time i was asked i

1469

00:55:43,510 --> 00:55:41,280

was like

1470

00:55:45,910 --> 00:55:43,520

hey you're questioning my integrity you

1471

00:55:48,470 --> 00:55:45,920

know that was my first response

1472

00:55:49,910 --> 00:55:48,480

and the gentleman was kind enough to say

1473

00:55:51,910 --> 00:55:49,920

no i'm not doing that

1474

00:55:54,789 --> 00:55:51,920

what he said was for the people who were

1475

00:55:56,230 --> 00:55:54,799

listening who never heard of you before

1476

00:55:57,910 --> 00:55:56,240
and who have never heard this

1477

00:56:01,349 --> 00:55:57,920
information you're sharing

1478

00:56:02,870 --> 00:56:01,359
they want to understand how and why your

1479

00:56:06,309 --> 00:56:02,880
story can be true

1480

00:56:07,829 --> 00:56:06,319
i'm like oh okay indeed

1481

00:56:10,309 --> 00:56:07,839
as soon as i wrapped my head around the

1482

00:56:11,829 --> 00:56:10,319
fact that they wanted to have a clear

1483

00:56:15,030 --> 00:56:11,839
knowledge of

1484

00:56:17,270 --> 00:56:15,040
why my information might be accurate

1485

00:56:18,309 --> 00:56:17,280
it's a valid question yeah gotta be

1486

00:56:21,030 --> 00:56:18,319
asked so

1487

00:56:23,349 --> 00:56:21,040
i'm not sure if the andromeda council

1488

00:56:25,109 --> 00:56:23,359

has the ability to tap into anyone's

1489

00:56:27,430 --> 00:56:25,119

consciousness but here i am

1490

00:56:29,270 --> 00:56:27,440

host of a fairly prominent podcast tens

1491

00:56:31,270 --> 00:56:29,280

of thousands of listeners that trust me

1492

00:56:31,910 --> 00:56:31,280

at least and that i don't openly lie to

1493

00:56:33,990 --> 00:56:31,920

them

1494

00:56:35,910 --> 00:56:34,000

can you urge the council to communicate

1495

00:56:38,309 --> 00:56:35,920

with me just enough to be able to wake

1496

00:56:40,630 --> 00:56:38,319

up in a few weeks and say hey guys

1497

00:56:42,069 --> 00:56:40,640

that is very real stuff we need to stay

1498

00:56:45,190 --> 00:56:42,079

tuned into this

1499

00:56:48,390 --> 00:56:45,200

hmm okay i will

1500

00:56:49,990 --> 00:56:48,400

communicate your request to

1501
00:56:51,910 --> 00:56:50,000
the commander that's responsible for the

1502
00:56:53,990 --> 00:56:51,920
in drama council biosphere and others

1503
00:56:55,589 --> 00:56:54,000
i'll communicate your quest to

1504
00:56:57,990 --> 00:56:55,599
ambassador tonka who's

1505
00:56:58,630 --> 00:56:58,000
the guy that's responsible from the

1506
00:57:01,589 --> 00:56:58,640
council

1507
00:57:03,589 --> 00:57:01,599
to earth a communicated to diplomat maca

1508
00:57:04,309 --> 00:57:03,599
who's responsible for the united states

1509
00:57:07,270 --> 00:57:04,319
canada

1510
00:57:07,990 --> 00:57:07,280
and mexico basically north america wow

1511
00:57:10,630 --> 00:57:08,000
that would be

1512
00:57:13,670 --> 00:57:10,640
amazing the other thing you can do is

1513
00:57:14,390 --> 00:57:13,680

you can simply in your own quiet time

1514

00:57:17,670 --> 00:57:14,400

and space

1515

00:57:21,190 --> 00:57:17,680

ask yourself you yourself can

1516

00:57:24,470 --> 00:57:21,200

ask them through telepathic

1517

00:57:27,589 --> 00:57:24,480

communication just think of those names

1518

00:57:29,030 --> 00:57:27,599

you can think azar tanka and

1519

00:57:30,470 --> 00:57:29,040

others you know just direct your

1520

00:57:31,750 --> 00:57:30,480

thoughts to the people the andromeda

1521

00:57:34,549 --> 00:57:31,760

council

1522

00:57:37,190 --> 00:57:34,559

and ask them if they can enlighten you

1523

00:57:41,990 --> 00:57:37,200

with any information that might help you

1524

00:57:45,349 --> 00:57:42,000

that's a b is pretty typically

1525

00:57:48,549 --> 00:57:45,359

when individuals get to a place

1526
00:57:52,549 --> 00:57:48,559
of emotional maturity

1527
00:57:56,069 --> 00:57:52,559
and spiritual knowledge and awareness

1528
00:57:58,069 --> 00:57:56,079
the people who are your people greg

1529
00:58:00,309 --> 00:57:58,079
from your star system and planet where

1530
00:58:02,470 --> 00:58:00,319
that fractal of your soul

1531
00:58:04,390 --> 00:58:02,480
was originated where you come from where

1532
00:58:06,470 --> 00:58:04,400
they originally come from

1533
00:58:08,230 --> 00:58:06,480
when you get to the place or anyone else

1534
00:58:10,230 --> 00:58:08,240
for that matter i'm not singling out you

1535
00:58:12,950 --> 00:58:10,240
when you get to the place

1536
00:58:13,589 --> 00:58:12,960
when you've reached that place of

1537
00:58:16,470 --> 00:58:13,599
knowledge

1538
00:58:18,470 --> 00:58:16,480

and maturity they will reach out and

1539

00:58:19,510 --> 00:58:18,480

contact you that's how it typically

1540

00:58:22,630 --> 00:58:19,520

happens

1541

00:58:25,829 --> 00:58:22,640

that they reach out and contact you

1542

00:58:26,470 --> 00:58:25,839

not the other way around cool right on

1543

00:58:28,150 --> 00:58:26,480

well

1544

00:58:30,069 --> 00:58:28,160

i appreciate you putting in a word for

1545

00:58:32,069 --> 00:58:30,079

me that's very exciting and i'll

1546

00:58:34,630 --> 00:58:32,079

be happy to do that wait for that mental

1547

00:58:37,030 --> 00:58:34,640

phone to ring in the meantime but

1548

00:58:38,789 --> 00:58:37,040

man this has just been super fascinating

1549

00:58:40,549 --> 00:58:38,799

it's very rare to speak to

1550

00:58:41,990 --> 00:58:40,559

anyone with a connection to an

1551

00:58:44,069 --> 00:58:42,000

intergalactic and interdimensional

1552

00:58:46,069 --> 00:58:44,079

council of planetary civilization

1553

00:58:47,990 --> 00:58:46,079

so big thanks for being here and

1554

00:58:48,870 --> 00:58:48,000

reaching out to me to make me aware of

1555

00:58:50,710 --> 00:58:48,880

such things

1556

00:58:52,870 --> 00:58:50,720

before we go please inform the people

1557

00:58:53,910 --> 00:58:52,880

where they can go to get more detailed

1558

00:58:56,309 --> 00:58:53,920

information

1559

00:58:57,030 --> 00:58:56,319

on this work that you're putting out

1560

00:58:59,829 --> 00:58:57,040

they can go

1561

00:59:02,630 --> 00:58:59,839

to the andromeda council website

1562

00:59:05,750 --> 00:59:02,640

andromeda spelled just like the galaxy

1563

00:59:08,390 --> 00:59:05,760

a n d r o m

1564

00:59:12,309 --> 00:59:08,400
is mary e d a council in this case

1565

00:59:15,349 --> 00:59:12,319
council is c-o-u-n-c-i-l

1566

00:59:17,230 --> 00:59:15,359
dot com and they can also go to my

1567

00:59:21,349 --> 00:59:17,240
aligned website which is

1568

00:59:22,789 --> 00:59:21,359
transformational shift events dot com

1569

00:59:24,230 --> 00:59:22,799
and learn about the different things

1570

00:59:25,670 --> 00:59:24,240
that i'm doing through the course of the

1571

00:59:28,710 --> 00:59:25,680
year

1572

00:59:30,549 --> 00:59:28,720
very cool yeah and i'd like to if you

1573

00:59:30,950 --> 00:59:30,559
don't mind i have something that i'd

1574

00:59:33,829 --> 00:59:30,960
like

1575

00:59:34,390 --> 00:59:33,839
to share with people sure that i brought

1576

00:59:38,069 --> 00:59:34,400

back

1577

00:59:39,430 --> 00:59:38,079

from planet dakota i remember very

1578

00:59:43,109 --> 00:59:39,440

vividly

1579

00:59:44,309 --> 00:59:43,119

being on a cliff abutment sort of like a

1580

00:59:47,190 --> 00:59:44,319

point

1581

00:59:48,870 --> 00:59:47,200

and i was standing overlooking the ocean

1582

00:59:52,390 --> 00:59:48,880

on dakota

1583

00:59:54,309 --> 00:59:52,400

to my left was ambassador tonka to my

1584

00:59:55,510 --> 00:59:54,319

right was vice chairwoman tanya the

1585

00:59:58,549 --> 00:59:55,520

council

1586

00:59:59,510 --> 00:59:58,559

and we were there sort of in sacred

1587

01:00:04,069 --> 00:59:59,520

ceremony

1588

01:00:07,190 --> 01:00:04,079

and i came back popped into my body

1589

01:00:11,349 --> 01:00:07,200

and essentially other than some

1590

01:00:13,349 --> 01:00:11,359

punctuation what i'm about to speak

1591

01:00:15,030 --> 01:00:13,359

flowed out of my fingers basically i

1592

01:00:17,349 --> 01:00:15,040

popped back into my body

1593

01:00:19,670 --> 01:00:17,359

turned the light on hopped out of bed

1594

01:00:20,950 --> 01:00:19,680

ran over across my room got a pen and a

1595

01:00:23,990 --> 01:00:20,960

piece of paper and

1596

01:00:26,789 --> 01:00:24,000

started writing i wrote like a madman's

1597

01:00:29,030 --> 01:00:26,799

so he wouldn't forget any of this and

1598

01:00:30,950 --> 01:00:29,040

i've given it a name

1599

01:00:32,630 --> 01:00:30,960

and released it in the form of a video

1600

01:00:33,589 --> 01:00:32,640

people can see it if they'd like to it's

1601
01:00:37,750 --> 01:00:33,599
called

1602
01:00:39,430 --> 01:00:37,760
wakandwa chekiye a sacred prayer

1603
01:00:41,829 --> 01:00:39,440
and it'll take me about two minutes at

1604
01:00:45,109 --> 01:00:41,839
most to read all this

1605
01:00:47,910 --> 01:00:45,119
and it goes this way

1606
01:00:49,910 --> 01:00:47,920
may the creator bless you all the days

1607
01:00:52,950 --> 01:00:49,920
of your life

1608
01:00:55,349 --> 01:00:52,960
may your spirit be awake and aware may

1609
01:00:57,829 --> 01:00:55,359
it soar with gladness

1610
01:01:00,230 --> 01:00:57,839
may your mind be sharp and your body

1611
01:01:02,549 --> 01:01:00,240
good and whole

1612
01:01:05,589 --> 01:01:02,559
may you have internal strength gain

1613
01:01:09,030 --> 01:01:05,599

knowledge and wisdom to guide your way

1614

01:01:12,789 --> 01:01:09,040

may you walk tall in truth honor

1615

01:01:14,150 --> 01:01:12,799

and respect others may your journey on

1616

01:01:17,510 --> 01:01:14,160

this world

1617

01:01:17,990 --> 01:01:17,520

be long and prosperous may you always

1618

01:01:21,510 --> 01:01:18,000

touch

1619

01:01:23,510 --> 01:01:21,520

another soul with kindness

1620

01:01:27,190 --> 01:01:23,520

may you give to yourself and others

1621

01:01:29,430 --> 01:01:27,200

freely with joy and gladness

1622

01:01:30,630 --> 01:01:29,440

may you keep sacred all the creator has

1623

01:01:34,710 --> 01:01:30,640

made

1624

01:01:37,990 --> 01:01:37,589

the plants animals the people the water

1625

01:01:43,109 --> 01:01:38,000

wind

1626
01:01:45,510 --> 01:01:43,119
and sky may you experience great love

1627
01:01:47,430 --> 01:01:45,520
may be blessed with family and true

1628
01:01:50,789 --> 01:01:47,440
friends

1629
01:01:54,789 --> 01:01:50,799
may you always evolve transform

1630
01:01:57,670 --> 01:01:54,799
and grow beautiful

1631
01:01:59,750 --> 01:01:57,680
yeah it's an incredible compelling piece

1632
01:02:01,430 --> 01:01:59,760
i don't talk this way in my normal life

1633
01:02:03,190 --> 01:02:01,440
this is what flowed out of my fingers

1634
01:02:03,750 --> 01:02:03,200
with that pen in my hand that morning as

1635
01:02:06,549 --> 01:02:03,760
i

1636
01:02:07,670 --> 01:02:06,559
came back from that sacred ceremony on

1637
01:02:09,430 --> 01:02:07,680
planet

1638
01:02:10,950 --> 01:02:09,440

it's one of those things in my life that

1639

01:02:12,309 --> 01:02:10,960

has great value

1640

01:02:13,589 --> 01:02:12,319

i've always known to touch other

1641

01:02:15,190 --> 01:02:13,599

people's hearts so i just thought i'd

1642

01:02:17,910 --> 01:02:15,200

share as sort of a sign off

1643

01:02:18,870 --> 01:02:17,920

sure absolutely i've heard many guests

1644

01:02:21,990 --> 01:02:18,880

talk about the

1645

01:02:24,789 --> 01:02:22,000

real measurable power of intention and

1646

01:02:26,390 --> 01:02:24,799

of blessings and things of that like so

1647

01:02:28,230 --> 01:02:26,400

yeah i appreciate you sharing that i

1648

01:02:29,190 --> 01:02:28,240

think the whole conversation's been

1649

01:02:31,109 --> 01:02:29,200

fascinating

1650

01:02:32,789 --> 01:02:31,119

it's not an easy role that you're

1651
01:02:33,270 --> 01:02:32,799
playing so i appreciate you putting

1652
01:02:36,150 --> 01:02:33,280
yourself

1653
01:02:37,750 --> 01:02:36,160
out there and my mind is certainly blown

1654
01:02:39,510 --> 01:02:37,760
i really hope we do see some of the

1655
01:02:40,950 --> 01:02:39,520
radical changes that we talked about

1656
01:02:43,029 --> 01:02:40,960
today come to pass

1657
01:02:44,950 --> 01:02:43,039
and some positive forces emerge

1658
01:02:46,710 --> 01:02:44,960
victorious thanks again for filling us

1659
01:02:48,230 --> 01:02:46,720
in on the game behind the game and take

1660
01:02:49,829 --> 01:02:48,240
care out there

1661
01:02:50,710 --> 01:02:49,839
all right we'll do thanks so much greg i

1662
01:02:52,710 --> 01:02:50,720
appreciate it it was a great

1663
01:02:55,829 --> 01:02:52,720

conversation really enjoyed it

1664

01:02:59,430 --> 01:02:55,839

you got it me too oh

1665

01:03:01,750 --> 01:02:59,440

people people people how about that

1666

01:03:03,750 --> 01:03:01,760

tolek of the andromeda council in the

1667

01:03:05,029 --> 01:03:03,760

house dropping knowledge and taking

1668

01:03:07,270 --> 01:03:05,039

names

1669

01:03:09,589 --> 01:03:07,280

i just knew the day that i woke up with

1670

01:03:11,430 --> 01:03:09,599

an email from tolic describing his work

1671

01:03:14,470 --> 01:03:11,440

and his unique position i thought

1672

01:03:15,670 --> 01:03:14,480

uh yeah i want to do this show how could

1673

01:03:17,430 --> 01:03:15,680

i not

1674

01:03:18,950 --> 01:03:17,440

and i do find it fascinating because i

1675

01:03:20,390 --> 01:03:18,960

think this sort of mind to mind

1676

01:03:22,549 --> 01:03:20,400

communication is very much

1677

01:03:24,150 --> 01:03:22,559

possible but as i said in the beginning

1678

01:03:26,150 --> 01:03:24,160

i sort of struggle when we analyze

1679

01:03:28,950 --> 01:03:26,160

specific cases of it

1680

01:03:30,950 --> 01:03:28,960

tolek does speak very fluidly he knows

1681

01:03:33,029 --> 01:03:30,960

what he knows he's not afraid to say

1682

01:03:36,069 --> 01:03:33,039

they haven't said much about that when i

1683

01:03:38,309 --> 01:03:36,079

asked about something such as antarctica

1684

01:03:40,230 --> 01:03:38,319

it is frustrating of course to have very

1685

01:03:43,270 --> 01:03:40,240

little to go on in terms of vetting

1686

01:03:45,510 --> 01:03:43,280

or physical proof of this contact

1687

01:03:47,349 --> 01:03:45,520

but if it's largely mind to mind all he

1688

01:03:49,109 --> 01:03:47,359

can really do is talk about the messages

1689

01:03:51,190 --> 01:03:49,119

that are coming through

1690

01:03:53,910 --> 01:03:51,200

and isn't it interesting even if you

1691

01:03:56,950 --> 01:03:53,920

maybe don't think about it at face value

1692

01:03:57,990 --> 01:03:56,960

that someone or something is seeding

1693

01:04:01,430 --> 01:03:58,000

this information

1694

01:04:03,349 --> 01:04:01,440

for some reason and that intrigues me

1695

01:04:06,069 --> 01:04:03,359

regardless of how you look at

1696

01:04:06,710 --> 01:04:06,079

it is it possible there's a council out

1697

01:04:10,630 --> 01:04:06,720

there

1698

01:04:14,309 --> 01:04:10,640

that generally leaves us alone unless we

1699

01:04:14,950 --> 01:04:14,319

inquire deeper perhaps in the exact same

1700

01:04:17,270 --> 01:04:14,960

way we

1701

01:04:19,190 --> 01:04:17,280

handle indigenous tribes on this planet

1702

01:04:22,630 --> 01:04:19,200

that are still cut off from

1703

01:04:24,950 --> 01:04:22,640

mainstream society we leave them alone

1704

01:04:26,069 --> 01:04:24,960

if they were to venture into the city

1705

01:04:28,390 --> 01:04:26,079

and say hey

1706

01:04:30,470 --> 01:04:28,400

what's going on over here we'd probably

1707

01:04:32,549 --> 01:04:30,480

be okay with that but they just don't do

1708

01:04:35,670 --> 01:04:32,559

it they stick to themselves

1709

01:04:37,910 --> 01:04:35,680

probably for good reason but is it

1710

01:04:38,950 --> 01:04:37,920

that unlikely is it that impossible to

1711

01:04:41,029 --> 01:04:38,960

scale that up

1712

01:04:43,349 --> 01:04:41,039

to the intergalactic interdimensional

1713

01:04:45,109 --> 01:04:43,359

level and think that something could be

1714

01:04:45,990 --> 01:04:45,119

going on like that as a fan of jordan

1715

01:04:49,270 --> 01:04:46,000

peterson

1716

01:04:49,910 --> 01:04:49,280

i do kind of think dominance hierarchies

1717

01:04:52,150 --> 01:04:49,920

are

1718

01:04:53,109 --> 01:04:52,160

baked into reality they're just kind of

1719

01:04:55,670 --> 01:04:53,119

the way things

1720

01:04:57,430 --> 01:04:55,680

tend to form i wish we could get some

1721

01:04:59,349 --> 01:04:57,440

noble philosopher kings at the top of

1722

01:05:01,430 --> 01:04:59,359

the pyramid instead of the least among

1723

01:05:04,069 --> 01:05:01,440

us but it is what it is

1724

01:05:05,430 --> 01:05:04,079

and when he uses the term walk in man

1725

01:05:07,270 --> 01:05:05,440

that's provocative

1726

01:05:09,349 --> 01:05:07,280

that's a term that seems synonymous with

1727

01:05:10,150 --> 01:05:09,359

braided soul as he mentioned as far as i

1728

01:05:12,150 --> 01:05:10,160

can tell

1729

01:05:14,630 --> 01:05:12,160

this concept that a consciousness has

1730

01:05:15,990 --> 01:05:14,640

perhaps fused or globbed on to the human

1731

01:05:17,990 --> 01:05:16,000

man's consciousness

1732

01:05:20,309 --> 01:05:18,000

and maybe inspires those answers to

1733

01:05:21,910 --> 01:05:20,319

questions of a stranger nature

1734

01:05:23,829 --> 01:05:21,920

i like that this isn't a case of

1735

01:05:25,109 --> 01:05:23,839

channeling per se it makes it more

1736

01:05:26,549 --> 01:05:25,119

interesting to me

1737

01:05:29,349 --> 01:05:26,559

it's been a while since we had someone

1738

01:05:31,670 --> 01:05:29,359

talk about reptilians and i think that

1739

01:05:33,910 --> 01:05:31,680

that's gotta rear its head every once in

1740

01:05:34,950 --> 01:05:33,920

a while maybe once a quarter for thc

1741

01:05:36,150 --> 01:05:34,960

right

1742

01:05:38,470 --> 01:05:36,160

gotta say i've always been a bit

1743

01:05:40,230 --> 01:05:38,480

skeptical when i hear about secret good

1744

01:05:42,069 --> 01:05:40,240

guy groups battling it out behind the

1745

01:05:44,789 --> 01:05:42,079

scenes for our benefit

1746

01:05:46,549 --> 01:05:44,799

but i guess we can't completely discount

1747

01:05:48,630 --> 01:05:46,559

and close the door on that possibility

1748

01:05:51,029 --> 01:05:48,640

entirely can we

1749

01:05:53,270 --> 01:05:51,039

it's just something to note also when

1750

01:05:54,230 --> 01:05:53,280

toxic talks about trump as an element of

1751

01:05:56,470 --> 01:05:54,240

this team

1752

01:05:58,150 --> 01:05:56,480

i'm not sure about that either but i do

1753

01:06:00,150 --> 01:05:58,160

think he makes a fairly strong case and

1754

01:06:02,309 --> 01:06:00,160

if i had to find a way to rationalize

1755

01:06:04,069 --> 01:06:02,319

trump the man who i think is a real

1756

01:06:06,950 --> 01:06:04,079

greedy self-centered [h__\h]

1757

01:06:09,029 --> 01:06:06,960

join the club right but i think of him

1758

01:06:09,510 --> 01:06:09,039

sort of like george w bush not that

1759

01:06:11,829 --> 01:06:09,520

bright

1760

01:06:13,750 --> 01:06:11,839

not a strong leader not inspirational

1761

01:06:14,950 --> 01:06:13,760

but he's in the goddamn family so he

1762

01:06:17,510 --> 01:06:14,960

gets to play a role

1763

01:06:19,670 --> 01:06:17,520

and it's the dumb ones that they put out

1764

01:06:22,150 --> 01:06:19,680

as public facing

1765

01:06:23,990 --> 01:06:22,160

and when this q anon type of trump is

1766

01:06:24,870 --> 01:06:24,000

working for the good guys perspective is

1767

01:06:27,430 --> 01:06:24,880

offered up

1768

01:06:29,349 --> 01:06:27,440

i think about two things the charles del

1769

01:06:31,430 --> 01:06:29,359

show drawings of the sonora arrow club

1770

01:06:34,870 --> 01:06:31,440

ships that say trump across the top

1771

01:06:36,710 --> 01:06:34,880

also labeled number 45 in the series and

1772

01:06:38,309 --> 01:06:36,720

he is the 45th president

1773

01:06:40,630 --> 01:06:38,319

and then the very real fact that his

1774

01:06:42,630 --> 01:06:40,640

uncle was an mit deep state scientist

1775

01:06:43,990 --> 01:06:42,640

who was in charge of assessing tesla's

1776

01:06:45,990 --> 01:06:44,000

confiscated work

1777

01:06:48,549 --> 01:06:46,000

papers and notes and saying that there's

1778

01:06:51,029 --> 01:06:48,559

nothing really significant in them

1779

01:06:52,950 --> 01:06:51,039

in both cases we have a certain german

1780

01:06:54,150 --> 01:06:52,960

nationalist flavor them and that sort of

1781

01:06:56,390 --> 01:06:54,160

makes me feel like

1782

01:06:57,670 --> 01:06:56,400

there is some close-knit brotherhood

1783

01:06:59,910 --> 01:06:57,680

here

1784

01:07:01,190 --> 01:06:59,920

i just don't know if it's all that

1785

01:07:03,430 --> 01:07:01,200

different of a group

1786

01:07:05,430 --> 01:07:03,440

when trump's uncle basically describes

1787

01:07:08,309 --> 01:07:05,440

hanover bush as a mentor

1788

01:07:09,349 --> 01:07:08,319

it's tough to say it's very tangled up

1789

01:07:11,270 --> 01:07:09,359

but what if you get

1790

01:07:13,029 --> 01:07:11,280

past the porn stars and the [h__h]

1791

01:07:15,029 --> 01:07:13,039

grabbing and you think about some

1792

01:07:16,710 --> 01:07:15,039

higher beings who know the string

1793

01:07:19,029 --> 01:07:16,720

pullers behind him

1794

01:07:20,789 --> 01:07:19,039

who also know his personality can act as

1795

01:07:22,230 --> 01:07:20,799

cover for some of the key changes behind

1796

01:07:24,470 --> 01:07:22,240

the scenes

1797

01:07:26,150 --> 01:07:24,480

and i come away thinking eh maybe it's

1798

01:07:28,309 --> 01:07:26,160

possible

1799

01:07:30,069 --> 01:07:28,319

i seem to constantly be dealing with

1800

01:07:33,430 --> 01:07:30,079

elements of the audience lashing

1801
01:07:34,870 --> 01:07:33,440
out at me for holding up certain models

1802
01:07:36,630 --> 01:07:34,880
to the light and looking at them and

1803
01:07:37,990 --> 01:07:36,640
trying to extract some value from them

1804
01:07:39,910 --> 01:07:38,000
even if they're different from the ones

1805
01:07:43,109 --> 01:07:39,920
we usually look at

1806
01:07:45,029 --> 01:07:43,119
and exploration is not an endorsement

1807
01:07:46,789 --> 01:07:45,039
seeing something as a possibility

1808
01:07:48,309 --> 01:07:46,799
doesn't mean you consider it the most

1809
01:07:51,430 --> 01:07:48,319
likely one

1810
01:07:52,069 --> 01:07:51,440
and we have to be able to hold multiple

1811
01:07:53,829 --> 01:07:52,079
models

1812
01:07:56,069 --> 01:07:53,839
in our head at one time i mean that

1813
01:07:58,549 --> 01:07:56,079

really is what we're doing here

1814

01:08:00,390 --> 01:07:58,559

and for me i guess i just like to sit

1815

01:08:02,390 --> 01:08:00,400

back and observe

1816

01:08:04,069 --> 01:08:02,400

because the game is pretty much always

1817

01:08:06,150 --> 01:08:04,079

about one big team

1818

01:08:07,990 --> 01:08:06,160

trying to look like various opposing

1819

01:08:09,510 --> 01:08:08,000

forces right you can't discount that

1820

01:08:11,270 --> 01:08:09,520

that happens constantly

1821

01:08:12,630 --> 01:08:11,280

so let's not get too obsessed with any

1822

01:08:14,470 --> 01:08:12,640

one interpretation

1823

01:08:15,910 --> 01:08:14,480

or too obsessed with the daily back and

1824

01:08:18,630 --> 01:08:15,920

forth

1825

01:08:19,990 --> 01:08:18,640

just let it unfold and retrospectively

1826

01:08:22,470 --> 01:08:20,000

look at which model

1827

01:08:24,950 --> 01:08:22,480

was the most accurate at describing

1828

01:08:26,870 --> 01:08:24,960

where we went where we're going

1829

01:08:28,390 --> 01:08:26,880

i will say that i've never really seen

1830

01:08:30,390 --> 01:08:28,400

all elements of the machine rally

1831

01:08:32,709 --> 01:08:30,400

against a person this hard though

1832

01:08:34,709 --> 01:08:32,719

and i think that means something not

1833

01:08:36,550 --> 01:08:34,719

only him but anyone who says a single

1834

01:08:39,590 --> 01:08:36,560

positive thing about him

1835

01:08:41,510 --> 01:08:39,600

like kanye for example he tried to get

1836

01:08:44,070 --> 01:08:41,520

deep on some stuff and he said slavery

1837

01:08:46,470 --> 01:08:44,080

was a choice and everyone jumped on him

1838

01:08:47,990 --> 01:08:46,480

but honestly as raw as that is isn't

1839

01:08:50,309 --> 01:08:48,000

everything a choice

1840

01:08:52,950 --> 01:08:50,319

every second of every moment you are

1841

01:08:54,470 --> 01:08:52,960

making choices some people have a give

1842

01:08:56,789 --> 01:08:54,480

me liberty or give me death

1843

01:08:58,229 --> 01:08:56,799

attitude and some of us do what we're

1844

01:09:00,630 --> 01:08:58,239

told

1845

01:09:02,390 --> 01:09:00,640

it's as true today as it ever was and

1846

01:09:05,110 --> 01:09:02,400

the stories the tales

1847

01:09:05,829 --> 01:09:05,120

of those willing to spit in the face of

1848

01:09:07,669 --> 01:09:05,839

power

1849

01:09:09,669 --> 01:09:07,679

those tales in the slavery days will

1850

01:09:11,590 --> 01:09:09,679

never be told

1851

01:09:13,430 --> 01:09:11,600

it's such a harsh thing to say and i

1852

01:09:15,189 --> 01:09:13,440

have so much empathy for people who are

1853

01:09:16,309 --> 01:09:15,199

in tough situations and are at the whim

1854

01:09:18,229 --> 01:09:16,319

of the machine

1855

01:09:20,470 --> 01:09:18,239

but there's a lot of personal power and

1856

01:09:20,950 --> 01:09:20,480

accepting that everything you do is your

1857

01:09:23,430 --> 01:09:20,960

choice

1858

01:09:25,110 --> 01:09:23,440

and those brave acts of defiance at the

1859

01:09:27,269 --> 01:09:25,120

risk of your own safety

1860

01:09:28,789 --> 01:09:27,279

are the things that heroes and legends

1861

01:09:30,870 --> 01:09:28,799

are made of

1862

01:09:32,630 --> 01:09:30,880

that's powerful and it's a shame that

1863

01:09:34,229 --> 01:09:32,640

those are not the stories on the evening

1864

01:09:37,349 --> 01:09:34,239

news those are not the stories

1865

01:09:40,309 --> 01:09:37,359

in most of the history books but you

1866

01:09:41,749 --> 01:09:40,319

gotta keep speaking truth to power

1867

01:09:43,669 --> 01:09:41,759

makes me think a little bit about last

1868

01:09:45,510 --> 01:09:43,679

week's episode about crowley

1869

01:09:47,990 --> 01:09:45,520

a lot of people jumped down my throat

1870

01:09:49,990 --> 01:09:48,000

about that for even considering

1871

01:09:52,070 --> 01:09:50,000

that the crowley hate might be a little

1872

01:09:53,829 --> 01:09:52,080

overblown or misguided

1873

01:09:56,149 --> 01:09:53,839

some people have heard this guest or

1874

01:09:58,390 --> 01:09:56,159

that guest say that crowley banged dead

1875

01:10:01,189 --> 01:09:58,400

babies and now they're convinced 100

1876

01:10:02,709 --> 01:10:01,199

it's true i just don't know about that i

1877

01:10:04,390 --> 01:10:02,719

think we see elements that

1878

01:10:06,229 --> 01:10:04,400

players of the power pyramid are

1879

01:10:09,510 --> 01:10:06,239

interested in crowley's work

1880

01:10:11,590 --> 01:10:09,520

and so we lump him in as one of them

1881

01:10:13,270 --> 01:10:11,600

but perhaps he was just trying to unlock

1882

01:10:15,350 --> 01:10:13,280

the power of magic and thus

1883

01:10:16,709 --> 01:10:15,360

powerful people want to know how far he

1884

01:10:18,870 --> 01:10:16,719

got

1885

01:10:21,110 --> 01:10:18,880

i think i would also go as far as to say

1886

01:10:22,470 --> 01:10:21,120

that there's probably something of value

1887

01:10:24,550 --> 01:10:22,480

in every person

1888

01:10:26,310 --> 01:10:24,560

to extract even the worst of the worst

1889

01:10:27,750 --> 01:10:26,320

have probably said a few things that

1890

01:10:29,590 --> 01:10:27,760

were slightly insightful

1891

01:10:31,430 --> 01:10:29,600

that you could take and incorporate into

1892

01:10:33,669 --> 01:10:31,440

your own life enough with the blanket

1893

01:10:35,189 --> 01:10:33,679

statement sometimes

1894

01:10:37,110 --> 01:10:35,199

when we throw out those blanket

1895

01:10:39,189 --> 01:10:37,120

statements and shut the doors to other

1896

01:10:39,910 --> 01:10:39,199

alternatives we really miss out on the

1897

01:10:41,590 --> 01:10:39,920

nuance

1898

01:10:43,189 --> 01:10:41,600

in the middle which is where everything

1899

01:10:46,870 --> 01:10:43,199

is

1900

01:10:49,510 --> 01:10:46,880

functioning part of reality

1901

01:10:51,669 --> 01:10:49,520

it in and of itself is not evil it's

1902

01:10:52,390 --> 01:10:51,679

just unfortunate that only evil people

1903

01:10:55,590 --> 01:10:52,400

seem to

1904

01:10:57,430 --> 01:10:55,600

want to use it we all have goals and

1905

01:10:58,950 --> 01:10:57,440

dreams that we're trying to achieve but

1906

01:11:01,750 --> 01:10:58,960

for some reason when you

1907

01:11:04,790 --> 01:11:01,760

use magical means to get those things

1908

01:11:08,550 --> 01:11:04,800

all of a sudden you're a bad person

1909

01:11:10,870 --> 01:11:08,560

i reject that my goals and dreams are

1910

01:11:14,070 --> 01:11:10,880

not going to get in anyone else's way

1911

01:11:16,870 --> 01:11:14,080

my goals and dreams are altruistic

1912

01:11:17,830 --> 01:11:16,880

and so i think if i use sigils or this

1913

01:11:21,189 --> 01:11:17,840

or that or

1914

01:11:24,310 --> 01:11:21,199

contact some entity to get there

1915

01:11:25,189 --> 01:11:24,320

well judge accordingly but i guess i

1916

01:11:28,149 --> 01:11:25,199

would have to

1917

01:11:28,470 --> 01:11:28,159

cite the immortal words of the wise sage

1918

01:11:31,189 --> 01:11:28,480

iced

1919

01:11:32,550 --> 01:11:31,199

tea and say don't hate the player hate

1920

01:11:34,630 --> 01:11:32,560

the game

1921

01:11:36,790 --> 01:11:34,640

i didn't make the rules crowley didn't

1922

01:11:38,709 --> 01:11:36,800

make the rules

1923

01:11:39,990 --> 01:11:38,719

there's a lot of things in the magical

1924

01:11:43,270 --> 01:11:40,000

toolbox that

1925

01:11:45,910 --> 01:11:43,280

don't involve raping murdering children

1926

01:11:46,870 --> 01:11:45,920

and when you consider that that's all it

1927

01:11:51,430 --> 01:11:46,880

is you're

1928

01:11:53,189 --> 01:11:51,440

again missing out on a lot of the nuance

1929

01:11:55,750 --> 01:11:53,199

i'm rambling but i'm only saying that

1930

01:11:57,350 --> 01:11:55,760

even if we're 80 percent convinced of

1931

01:11:59,510 --> 01:11:57,360

something we should still be open to

1932

01:12:01,350 --> 01:11:59,520

hear another perspective and say ah well

1933

01:12:04,709 --> 01:12:01,360

that's an interesting way to see things

1934

01:12:07,110 --> 01:12:04,719

without having a near mental breakdown

1935

01:12:08,790 --> 01:12:07,120

same goes for today's guest i guess i

1936

01:12:11,030 --> 01:12:08,800

enjoy pushing the envelope and

1937

01:12:12,790 --> 01:12:11,040

challenging even my own ideas sometimes

1938

01:12:15,830 --> 01:12:12,800

and letting a guest come on to do that

1939

01:12:17,590 --> 01:12:15,840

because this is the place for it

1940

01:12:20,390 --> 01:12:17,600

if you want a singular narrative you're

1941

01:12:22,149 --> 01:12:20,400

gonna have to go watch fox news or msnbc

1942

01:12:24,950 --> 01:12:22,159

because this is about the

1943

01:12:25,430 --> 01:12:24,960

breadth and variety of ways to look at

1944

01:12:28,070 --> 01:12:25,440

things

1945

01:12:30,390 --> 01:12:28,080

in the alternative world we know they're

1946

01:12:33,030 --> 01:12:30,400

lying to us we just don't know to what

1947

01:12:34,950 --> 01:12:33,040

degree so let's look at all of them

1948

01:12:37,030 --> 01:12:34,960

so i hope this was some good food for

1949

01:12:38,630 --> 01:12:37,040

thought as was last week's

1950

01:12:40,550 --> 01:12:38,640

i would store it in the back of your

1951

01:12:42,390 --> 01:12:40,560

mental filing cabinet and then when you

1952

01:12:44,630 --> 01:12:42,400

see something in world events that seems

1953

01:12:46,950 --> 01:12:44,640

a little off from the model you have

1954

01:12:50,070 --> 01:12:46,960

pull this out think about what tolic

1955

01:12:52,310 --> 01:12:50,080

said and see if it fits his model

1956

01:12:54,229 --> 01:12:52,320

in fact a real synchronicity did happen

1957

01:12:56,630 --> 01:12:54,239

when i was recording the next

1958

01:12:58,390 --> 01:12:56,640

higher side episode and our upcoming

1959

01:13:00,229 --> 01:12:58,400

guest was describing an element of

1960

01:13:02,149 --> 01:13:00,239

native american culture where they used

1961

01:13:04,630 --> 01:13:02,159

to have a specific title

1962

01:13:06,630 --> 01:13:04,640

for someone who was an advisor to the

1963

01:13:09,830 --> 01:13:06,640

mesoamerican elders

1964

01:13:13,350 --> 01:13:09,840

and that title was tolekiel

1965

01:13:15,910 --> 01:13:13,360

tolek el tolic

1966

01:13:17,990 --> 01:13:15,920

could the vastly more tuned in native

1967

01:13:20,070 --> 01:13:18,000

americans have had people in their

1968

01:13:22,390 --> 01:13:20,080

circles getting similar messages and

1969

01:13:24,950 --> 01:13:22,400

going by a similar title

1970

01:13:25,750 --> 01:13:24,960

i'm unsure but the phonetic similarity

1971

01:13:28,070 --> 01:13:25,760

really did

1972

01:13:30,630 --> 01:13:28,080

kind of blow my mind especially since

1973

01:13:32,229 --> 01:13:30,640

this episode isn't even out yet

1974

01:13:35,910 --> 01:13:32,239

how weird that the next one would

1975

01:13:37,430 --> 01:13:35,920

contain that same tolek term

1976

01:13:39,910 --> 01:13:37,440

i think that's only in the plus show

1977

01:13:41,350 --> 01:13:39,920

though but now i've told you in advance

1978

01:13:42,870 --> 01:13:41,360

it's also one of the many reasons that

1979

01:13:43,750 --> 01:13:42,880

you should sign up for the higher side

1980

01:13:45,750 --> 01:13:43,760

chats plus

1981

01:13:47,110 --> 01:13:45,760

as more and more shows come out you're

1982

01:13:48,630 --> 01:13:47,120

only hearing half of them

1983

01:13:50,470 --> 01:13:48,640

i just think it's like you're in part of

1984

01:13:52,790 --> 01:13:50,480

a book club that you love but you only

1985

01:13:54,950 --> 01:13:52,800

read the first 10 chapters of the book

1986

01:13:56,390 --> 01:13:54,960

you're out of the loop i only asked for

1987

01:13:58,229 --> 01:13:56,400

five dollars to get you in the door and

1988

01:14:01,830 --> 01:13:58,239

i think it's way more valuable than that

1989

01:14:03,590 --> 01:14:01,840

fiat paper 5 spot is anyway

1990

01:14:05,590 --> 01:14:03,600

i hope that if you like the show that

1991

01:14:08,070 --> 01:14:05,600

you'll take the two minutes it takes to

1992

01:14:10,550 --> 01:14:08,080

go to the highersidechatsplus.com

1993

01:14:12,630 --> 01:14:10,560

sign up and then plug in the plus rss

1994

01:14:15,110 --> 01:14:12,640

feed into whatever you use to listen

1995

01:14:17,270 --> 01:14:15,120

and then you're good in this show with

1996

01:14:17,669 --> 01:14:17,280

topic we talked about what else is going

1997

01:14:19,830 --> 01:14:17,679

on

1998

01:14:22,229 --> 01:14:19,840

inside the planet outside of the now

1999

01:14:23,830 --> 01:14:22,239

defunct reptilian bases saga

2000

01:14:26,229 --> 01:14:23,840

we talked about descriptions of other

2001

01:14:29,030 --> 01:14:26,239

beans all the way up to the 90 entities

2002

01:14:30,630 --> 01:14:29,040

he has insights into the coming changes

2003

01:14:32,310 --> 01:14:30,640

in the financial system and the

2004

01:14:34,550 --> 01:14:32,320

blockchain's role in that

2005

01:14:37,830 --> 01:14:34,560

the dna changes coming in the future and

2006

01:14:39,510 --> 01:14:37,840

what to expect how to prepare ourselves

2007

01:14:42,630 --> 01:14:39,520

we talk about a bunch more too i mean

2008

01:14:43,990 --> 01:14:42,640

it's a whole second hour so get with the

2009

01:14:47,110 --> 01:14:44,000

program and let's make

2010

01:14:49,270 --> 01:14:47,120

some beautiful music together

2011

01:14:50,310 --> 01:14:49,280

that's it for me this week big thanks to

2012

01:14:52,149 --> 01:14:50,320

tolic i'll be

2013

01:14:53,350 --> 01:14:52,159

patiently waiting for my andromeda

2014

01:14:54,950 --> 01:14:53,360

council connection

2015

01:14:56,550 --> 01:14:54,960

and i'll be sure to let the good people

2016

01:14:59,030 --> 01:14:56,560

of the internet know if i get that

2017

01:15:00,550 --> 01:14:59,040

special tingle anytime soon

2018

01:15:03,030 --> 01:15:00,560

you are really really going to love the

2019

01:15:04,630 --> 01:15:03,040

next episode i cannot wait to release it

2020

01:15:06,870 --> 01:15:04,640

it's information that i don't think is

2021

01:15:09,270 --> 01:15:06,880

out there very much

2022

01:15:11,510 --> 01:15:09,280

and i consider it a blending of chris

2023

01:15:14,630 --> 01:15:11,520

knowles and court lindal

2024

01:15:17,189 --> 01:15:14,640

and it's just gonna be a lot of fun

2025

01:15:19,270 --> 01:15:17,199

but until then i've done my part your

2026
01:15:20,149 --> 01:15:19,280
move remnants of the reptilian network

2027
01:15:22,310 --> 01:15:20,159
intergalactic

2028
01:15:24,630 --> 01:15:22,320
interstellar council members and united

2029
01:15:28,470 --> 01:15:24,640
forces against the big machine

2030
01:15:31,590 --> 01:15:28,480
your [h__h] move i won't take it

2031
01:15:32,790 --> 01:15:31,600
no i refuse if it's all right i'll keep

2032
01:15:35,669 --> 01:15:32,800
my refuge

2033
01:15:39,610 --> 01:15:35,679
i've been scheming up bigger things and

2034
01:15:39,620 --> 01:15:46,310
[Music]

2035
01:16:03,990 --> 01:15:52,490
and now you'll find me in the bunker

2036
01:16:11,820 --> 01:16:05,450
you find me

2037
01:16:11,830 --> 01:16:18,470
[Music]

2038
01:16:22,790 --> 01:16:21,510

yeah the laughing alien classics while

2039

01:16:26,790 --> 01:16:22,800

they're scheming

2040

01:16:29,830 --> 01:16:26,800

on the messes who do you think they are

2041

01:16:31,830 --> 01:16:29,840

fancy suit and a cigar

2042

01:16:32,870 --> 01:16:31,840

tell you the basics they print your

2043

01:16:35,830 --> 01:16:32,880

money

2044

01:16:37,110 --> 01:16:35,840

got the fed in your head currency now

2045

01:16:40,149 --> 01:16:37,120

they're smiling

2046

01:16:50,810 --> 01:16:40,159

and your caged meat how this happen how

2047

01:17:04,709 --> 01:16:59,380

[Music]

2048

01:17:08,310 --> 01:17:07,669

plans are simple the best protection of

2049

01:17:10,630 --> 01:17:08,320

all

2050

01:17:12,790 --> 01:17:10,640

is the special shelter built according

2051
01:17:15,110 --> 01:17:12,800
to specifications of your local civil

2052
01:17:16,950 --> 01:17:15,120
defense organization

2053
01:17:18,790 --> 01:17:16,960
the basement of any house or building

2054
01:17:21,189 --> 01:17:18,800
will become a good improvised

2055
01:17:22,550 --> 01:17:21,199
shelter if you block the windows with

2056
01:17:32,400 --> 01:17:22,560
sandbags

2057
01:17:56,830 --> 01:17:52,210
[Music]

2058
01:17:58,220 --> 01:17:56,840
[Applause]

2059
01:18:08,310 --> 01:17:58,230
is
