

## DR. MICHAEL SALLA

ANTARCTICA'S HIDDEN HISTORY, NAZI UFOS & INNER EARTH EXTRATERRESTRIALS

PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT [THEHIGHERSIDECHATS.COM](http://THEHIGHERSIDECHATS.COM)

LISTEN TO THE EXTENDED SHOW AT [THEHIGHERSIDECHATSPUS.COM](http://THEHIGHERSIDECHATSPUS.COM)

1  
00:00:05,660 --> 00:00:02,800

[Music]

2  
00:00:08,179 --> 00:00:05,670

congratulations YouTube you did it you

3  
00:00:10,669 --> 00:00:08,189

wore me down and you sucked me back in I

4  
00:00:13,249 --> 00:00:10,679

have too many subscribers here just to

5  
00:00:15,799 --> 00:00:13,259

walk away entirely especially with no

6  
00:00:17,990 --> 00:00:15,809

alternative that truly stacks up and so

7  
00:00:21,410 --> 00:00:18,000

many copycat channels uploading my shows

8  
00:00:23,720 --> 00:00:21,420

for me anyway but we can't forget the th

9  
00:00:25,820 --> 00:00:23,730

C's account here is on thin ice

10  
00:00:28,400 --> 00:00:25,830

and so the YouTube version of the show

11  
00:00:31,640 --> 00:00:28,410

has to be prefaced with this little PSA

12  
00:00:32,959 --> 00:00:31,650

only to say that episodes that contain

13  
00:00:35,270 --> 00:00:32,969

the kinds of themes that have been

14

00:00:37,549 --> 00:00:35,280

regularly banned on YouTube will not

15

00:00:39,739 --> 00:00:37,559

appear here and even with that

16

00:00:42,079 --> 00:00:39,749

precaution there's already enough in the

17

00:00:43,790 --> 00:00:42,089

archive to get us removed so remember

18

00:00:46,219 --> 00:00:43,800

that the higher side chats could be

19

00:00:48,469 --> 00:00:46,229

banned or put in timeout again at any

20

00:00:50,719 --> 00:00:48,479

time and I won't be able to tell you

21

00:00:52,610 --> 00:00:50,729

guys about it so if you feel like it's

22

00:00:55,099 --> 00:00:52,620

been too long since you've heard from me

23

00:00:57,379 --> 00:00:55,109

here on this digital dystopian draconian

24

00:01:00,020 --> 00:00:57,389

data-mining monster of a police state

25

00:01:02,000 --> 00:01:00,030

seeking platform your first step should

26

00:01:05,060 --> 00:01:02,010

be to check the higher side shots calm

27

00:01:15,230 --> 00:01:05,070

for the latest shows alright alright

28

00:01:15,240 --> 00:01:23,600

[Music]

29

00:01:29,730 --> 00:01:26,910

the planets puppet-masters almost sure

30

00:01:32,370 --> 00:01:29,740

you have a plan it's clearly maybe

31

00:01:35,310 --> 00:01:32,380

something there beyond the realm of man

32

00:01:38,430 --> 00:01:35,320

until we've thoroughly tested every last

33

00:01:41,020 --> 00:01:38,440

close just did you find the boy you

34

00:01:43,230 --> 00:01:41,030

think you know less you really do

35

00:01:47,170 --> 00:01:43,240

[Music]

36

00:01:55,580 --> 00:01:50,390

we know the lying to us just don't know

37

00:02:01,140 --> 00:01:55,590

what to green where would we be without

38

00:02:10,940 --> 00:02:03,350

okay car wouldn't come

39

00:02:14,190 --> 00:02:10,950

[Music]

40

00:02:15,990 --> 00:02:14,200

all right higher side chatters we know

41

00:02:18,059 --> 00:02:16,000

the world is filled with mystery and

42

00:02:19,890 --> 00:02:18,069

secrets those pesky puppet masters the

43

00:02:21,900 --> 00:02:19,900

power pyramid have no interest in

44

00:02:24,000 --> 00:02:21,910

sharing with us but we've seen many

45

00:02:26,010 --> 00:02:24,010

indications in the last few years that

46

00:02:28,410 --> 00:02:26,020

something big is going on in Antarctica

47

00:02:30,360 --> 00:02:28,420

and why shouldn't there be yes we've

48

00:02:32,309 --> 00:02:30,370

been told it's a huge sad lonely block

49

00:02:34,380 --> 00:02:32,319

of ice nothing but a diving board for

50

00:02:36,690 --> 00:02:34,390

penguins but we're talking about five

51  
00:02:38,670 --> 00:02:36,700  
and a half million square miles a

52  
00:02:40,800 --> 00:02:38,680  
landmass the size of the United States

53  
00:02:43,530 --> 00:02:40,810  
and Mexico combined and when you

54  
00:02:45,360 --> 00:02:43,540  
consider the fluctuations resources and

55  
00:02:48,120 --> 00:02:45,370  
even historical clues that could be lost

56  
00:02:50,220 --> 00:02:48,130  
on a landmass that size I find it highly

57  
00:02:52,650 --> 00:02:50,230  
suspicious to present it as a total

58  
00:02:54,810 --> 00:02:52,660  
waste of time because it wasn't a waste

59  
00:02:57,360 --> 00:02:54,820  
of time per then Secretary of State John

60  
00:02:59,280 --> 00:02:57,370  
Kerry or Newt Gingrich Buzz Aldrin or

61  
00:03:01,170 --> 00:02:59,290  
the patriarch of Russia or any of the

62  
00:03:03,270 --> 00:03:01,180  
other privileged people tasked with

63  
00:03:05,729 --> 00:03:03,280

making trips to such a wasteland in

64

00:03:07,470 --> 00:03:05,739

recent years doesn't seem to be a waste

65

00:03:09,750 --> 00:03:07,480

of time for the multitude of major

66

00:03:11,819 --> 00:03:09,760

corporations and military contractors

67

00:03:14,069 --> 00:03:11,829

who are also very much active on the big

68

00:03:16,020 --> 00:03:14,079

block of nothing throw in the legendary

69

00:03:17,759 --> 00:03:16,030

speculation of a passageway to the Inner

70

00:03:20,670 --> 00:03:17,769

Earth and you got yourself some real

71

00:03:22,259 --> 00:03:20,680

reasons to wonder though today on THC

72

00:03:24,240 --> 00:03:22,269

we're gonna get past the guessing and

73

00:03:26,220 --> 00:03:24,250

talk to dr. Michael Salah who recently

74

00:03:28,800 --> 00:03:26,230

released a heavy book about this very

75

00:03:30,990 --> 00:03:28,810

subject and the hidden history secret

76

00:03:33,180 --> 00:03:31,000

bases and real geography of the icy

77

00:03:35,520 --> 00:03:33,190

continent entitled Antarctica's hidden

78

00:03:37,650 --> 00:03:35,530

history corporate foundations of secret

79

00:03:41,039 --> 00:03:37,660

space programs which weighs in at over

80

00:03:43,050 --> 00:03:41,049

300 fascinating pages if you don't know

81

00:03:45,060 --> 00:03:43,060

dr. Salah he's been a pioneer in the

82

00:03:47,940 --> 00:03:45,070

development of XO politics the political

83

00:03:49,229 --> 00:03:47,950

study of the key actors institutions and

84

00:03:52,110 --> 00:03:49,239

processes associated with

85

00:03:53,610 --> 00:03:52,120

extraterrestrial life he has a PhD in

86

00:03:55,770 --> 00:03:53,620

government from the University of

87

00:03:57,390 --> 00:03:55,780

Queensland Australia and an MA and

88

00:03:59,400 --> 00:03:57,400

philosophy from the University of

89

00:04:02,250 --> 00:03:59,410

Melbourne he's written several other

90

00:04:04,259 --> 00:04:02,260

great books on intriguing topics like XO

91

00:04:06,690 --> 00:04:04,269

politics political implications of the

92

00:04:08,550 --> 00:04:06,700

extra-terrestrial presence insiders

93

00:04:11,220 --> 00:04:08,560

reveal secret space programs in

94

00:04:12,210 --> 00:04:11,230

extraterrestrial alliances and Kennedy's

95

00:04:15,379 --> 00:04:12,220

last stand

96

00:04:19,020 --> 00:04:15,389

Eisenhower UFOs mj-12 and the JFK

97

00:04:20,940 --> 00:04:19,030

assassination dr. Saleh also founded the

98

00:04:24,660 --> 00:04:20,950

exo Politics Institute in

99

00:04:26,760 --> 00:04:24,670

2005 the EXO politics journal in 2006 NE

100

00:04:28,740 --> 00:04:26,770

has Co organized five international

101  
00:04:30,990 --> 00:04:28,750  
conferences on extraterrestrial life and

102  
00:04:33,480 --> 00:04:31,000  
earth transformation on the Big Island

103  
00:04:35,550 --> 00:04:33,490  
of Hawaii truly a man on a mission to

104  
00:04:37,680 --> 00:04:35,560  
break the chains of secrecy reveal the

105  
00:04:39,990 --> 00:04:37,690  
hidden hands in global affairs and usher

106  
00:04:41,910 --> 00:04:40,000  
in a new world of knowing dr. Michael

107  
00:04:45,720 --> 00:04:41,920  
Saleh welcome to the higher side a

108  
00:04:47,370 --> 00:04:45,730  
little huh Greg glad to be here man I am

109  
00:04:49,320 --> 00:04:47,380  
just super excited for this one I'm a

110  
00:04:51,870 --> 00:04:49,330  
big enthusiast of anything inner earth

111  
00:04:53,850 --> 00:04:51,880  
or Antarctica related and your book does

112  
00:04:56,250 --> 00:04:53,860  
contain a good amount of documentation

113  
00:04:58,170 --> 00:04:56,260

and the pulling together of threads to

114

00:04:59,790 --> 00:04:58,180

form a cohesive timeline for what's

115

00:05:00,240 --> 00:04:59,800

really been going on down there over the

116

00:05:02,670 --> 00:05:00,250

years

117

00:05:04,680 --> 00:05:02,680

but just to lay a good base here talk to

118

00:05:06,360 --> 00:05:04,690

us about the landscape of Antarctica

119

00:05:08,130 --> 00:05:06,370

because there have been some fresh

120

00:05:10,650 --> 00:05:08,140

announcements in the last few years that

121

00:05:12,720 --> 00:05:10,660

really confirm that the conditions are

122

00:05:14,430 --> 00:05:12,730

better for life and maybe even secret

123

00:05:17,850 --> 00:05:14,440

bases then we might have thought

124

00:05:20,010 --> 00:05:17,860

previously is that right that's right

125

00:05:22,530 --> 00:05:20,020

quick the first thing people have to

126

00:05:25,230 --> 00:05:22,540

keep in mind is that Antarctica as you

127

00:05:28,040 --> 00:05:25,240

mentioned is a vast landmass and on the

128

00:05:31,440 --> 00:05:28,050

surface there are near the coastline a

129

00:05:33,270 --> 00:05:31,450

number of bases that have been set up by

130

00:05:35,760 --> 00:05:33,280

national governments there's

131

00:05:37,260 --> 00:05:35,770

approximately 50 different nations that

132

00:05:40,230 --> 00:05:37,270

have signed up to the antarctic treaty

133

00:05:42,840 --> 00:05:40,240

that had bases there and these bases do

134

00:05:44,520 --> 00:05:42,850

a lot of scientific research that's

135

00:05:46,440 --> 00:05:44,530

where they do the climate studies the

136

00:05:49,140 --> 00:05:46,450

penguin studies they look at the oceans

137

00:05:50,580 --> 00:05:49,150

and measure the melt of the ice and so

138

00:05:55,530 --> 00:05:50,590

forth so these are kind of legitimate

139

00:05:57,660 --> 00:05:55,540

science projects but the real covert

140

00:06:01,350 --> 00:05:57,670

stuff is happening deep under the ice

141

00:06:05,760 --> 00:06:01,360

sheets and this is what we really like

142

00:06:08,670 --> 00:06:05,770

exploring now what is under that two

143

00:06:11,640 --> 00:06:08,680

mile of ice that covers a lot of the

144

00:06:14,880 --> 00:06:11,650

surface of Antarctica and there's been a

145

00:06:18,360 --> 00:06:14,890

lot of rumors speculation going back

146

00:06:20,760 --> 00:06:18,370

many decades about Germans escaping to

147

00:06:22,800 --> 00:06:20,770

Antarctica establishing bases deep under

148

00:06:26,040 --> 00:06:22,810

the underground ice but what's different

149

00:06:28,020 --> 00:06:26,050

now is that mainstream science has

150

00:06:30,900 --> 00:06:28,030

finally caught up and is acknowledging

151  
00:06:34,410 --> 00:06:30,910  
that deep under the Antarctic ice there

152  
00:06:35,060 --> 00:06:34,420  
is a vast ecosystem which is thermally

153  
00:06:38,840 --> 00:06:35,070  
heater

154  
00:06:40,720 --> 00:06:38,850  
which is oxygenated which is a balmy 25

155  
00:06:43,910 --> 00:06:40,730  
degrees Celsius where there can be

156  
00:06:46,430 --> 00:06:43,920  
vegetation and it's very habitable so

157  
00:06:48,170 --> 00:06:46,440  
this is the first time that it has been

158  
00:06:50,930 --> 00:06:48,180  
acknowledged by scientists that

159  
00:06:54,290 --> 00:06:50,940  
underneath that two miles of ice you got

160  
00:06:56,120 --> 00:06:54,300  
a vast landscape of an unknown territory

161  
00:06:58,220 --> 00:06:56,130  
and this is where it gets really

162  
00:07:01,610 --> 00:06:58,230  
interesting because now we actually have

163  
00:07:03,950 --> 00:07:01,620

a possibility of verifying that the

164

00:07:06,620 --> 00:07:03,960

Germans did indeed established bases

165

00:07:10,370 --> 00:07:06,630

under the ice sheets back in the mid

166

00:07:12,710 --> 00:07:10,380

nineteen forties yes yes and it is a lot

167

00:07:14,780 --> 00:07:12,720

to unpack and I guess to get into the

168

00:07:16,910 --> 00:07:14,790

story itself if we're gonna be somewhat

169

00:07:19,550 --> 00:07:16,920

linear it's a tangled web of course it

170

00:07:21,770 --> 00:07:19,560

includes many of the nefarious names we

171

00:07:24,530 --> 00:07:21,780

know the Dulles brothers the Bush family

172

00:07:27,200 --> 00:07:24,540

Brown Brothers Harriman IBM Lockheed

173

00:07:29,780 --> 00:07:27,210

Martin the RAND Corporation IG Farben

174

00:07:32,480 --> 00:07:29,790

and more but it starts with the Thule

175

00:07:34,610 --> 00:07:32,490

Society where you write the historic

176  
00:07:36,860 --> 00:07:34,620  
roots of the first secret space program

177  
00:07:38,720 --> 00:07:36,870  
and its genesis can be traced back to

178  
00:07:40,760 --> 00:07:38,730  
the early years of the where Mar

179  
00:07:42,380 --> 00:07:40,770  
Republic at the end of the first world

180  
00:07:44,480 --> 00:07:42,390  
war in 1919

181  
00:07:46,790 --> 00:07:44,490  
a number of German secret societies

182  
00:07:49,220 --> 00:07:46,800  
began collaborating in the development

183  
00:07:51,410 --> 00:07:49,230  
of flying saucer prototypes based on the

184  
00:07:53,840 --> 00:07:51,420  
designs received through the telepathic

185  
00:07:55,700 --> 00:07:53,850  
communications of an unusually beautiful

186  
00:07:58,640 --> 00:07:55,710  
and highly skilled psychic medium--

187  
00:08:01,580 --> 00:07:58,650  
maria orsic and i think that is a great

188  
00:08:03,680 --> 00:08:01,590

place to start this too so we know a

189

00:08:05,540 --> 00:08:03,690

little bit about German occultism in

190

00:08:09,280 --> 00:08:05,550

this audience but talk to us about this

191

00:08:13,250 --> 00:08:09,290

origin point for UFO technology in 1919

192

00:08:15,920 --> 00:08:13,260

yes Maria och in the full society it's a

193

00:08:18,440 --> 00:08:15,930

very interesting development there for

194

00:08:21,320 --> 00:08:18,450

the Germans just after the end of the

195

00:08:23,590 --> 00:08:21,330

first world war Germany is regrouping

196

00:08:26,570 --> 00:08:23,600

and there's a lot of interest in these

197

00:08:29,750 --> 00:08:26,580

secret societies that talk about the

198

00:08:31,460 --> 00:08:29,760

past grandeur of the Aryan race tens of

199

00:08:34,070 --> 00:08:31,470

thousands of years ago and the Thule

200

00:08:36,250 --> 00:08:34,080

society is probably the most popular and

201  
00:08:40,360 --> 00:08:36,260  
well-known of these secret societies and

202  
00:08:43,610 --> 00:08:40,370  
they are organized around the idea that

203  
00:08:46,160 --> 00:08:43,620  
there was once this ancient Aryan

204  
00:08:48,800 --> 00:08:46,170  
civilization called the Hyperborean and

205  
00:08:50,120 --> 00:08:48,810  
that their capital was Ultima Thule

206  
00:08:53,360 --> 00:08:50,130  
and so that's where you get the name

207  
00:08:55,790 --> 00:08:53,370  
full society and Maria or such was a

208  
00:08:58,580 --> 00:08:55,800  
very talented psychic and they

209  
00:09:01,790 --> 00:08:58,590  
recognized her as having this ability to

210  
00:09:05,450 --> 00:09:01,800  
communicate not only with these inner

211  
00:09:07,730 --> 00:09:05,460  
earth beings the hyperborean but also

212  
00:09:10,430 --> 00:09:07,740  
with these offworld extraterrestrial

213  
00:09:13,220 --> 00:09:10,440

species and so this is where in the

214

00:09:15,800 --> 00:09:13,230

early 1920s maria orsic starts getting

215

00:09:18,050 --> 00:09:15,810

this psychic information and she does

216

00:09:21,500 --> 00:09:18,060

some automatic writing and it's in

217

00:09:24,680 --> 00:09:21,510

ancient Sumerian and the German scholars

218

00:09:28,100 --> 00:09:24,690

decipher it and it's the basic blueprint

219

00:09:30,260 --> 00:09:28,110

for building space-time device and so

220

00:09:32,600 --> 00:09:30,270

that's the beginning of the German space

221

00:09:34,940 --> 00:09:32,610

program in the Weimar Republic and it

222

00:09:37,460 --> 00:09:34,950

really began with these secret societies

223

00:09:40,100 --> 00:09:37,470

like the full society maria orsic

224

00:09:42,050 --> 00:09:40,110

getting this psychic information from of

225

00:09:45,470 --> 00:09:42,060

all beings and also from inner world

226

00:09:47,290 --> 00:09:45,480

beings who were giving them hints on how

227

00:09:50,600 --> 00:09:47,300

to develop this technology and

228

00:09:53,690 --> 00:09:50,610

eventually are about a decade of secret

229

00:09:55,670 --> 00:09:53,700

laboratory research and development they

230

00:09:58,970 --> 00:09:55,680

came up with the first prototype which

231

00:10:02,360 --> 00:09:58,980

is called the real craft and that pretty

232

00:10:05,150 --> 00:10:02,370

much coincided with Adolf Hitler coming

233

00:10:07,250 --> 00:10:05,160

to power and in Hitler this is another

234

00:10:09,829 --> 00:10:07,260

thing to keep in mind was a protege of

235

00:10:13,220 --> 00:10:09,839

the full society as well so the full

236

00:10:16,190 --> 00:10:13,230

society not only sponsored and helped

237

00:10:18,890 --> 00:10:16,200

Maria or searching her research and

238

00:10:22,100 --> 00:10:18,900

development of secret space technologies

239

00:10:24,590 --> 00:10:22,110

but also helped Adolf Hitler in his rise

240

00:10:26,829 --> 00:10:24,600

to power they funded him they provided

241

00:10:29,690 --> 00:10:26,839

him the main newspaper they provided him

242

00:10:32,270 --> 00:10:29,700

high-level society contacts police

243

00:10:35,329 --> 00:10:32,280

protection Navy protection all of these

244

00:10:38,290 --> 00:10:35,339

things to help the Nazi Party take off

245

00:10:41,240 --> 00:10:38,300

so the full society was ultimately

246

00:10:43,640 --> 00:10:41,250

pulling the strings of Hitler and the

247

00:10:46,790 --> 00:10:43,650

Nazi Party and this was all happening

248

00:10:49,160 --> 00:10:46,800

behind the scenes right I think it's

249

00:10:51,199 --> 00:10:49,170

fascinating history and so we have these

250

00:10:53,449 --> 00:10:51,209

German occultists that are channelling

251  
00:10:56,060 --> 00:10:53,459  
plans for UFOs they're working on these

252  
00:10:58,130 --> 00:10:56,070  
crafts through two world wars and I've

253  
00:11:00,020 --> 00:10:58,140  
never heard this but in your book you

254  
00:11:02,700 --> 00:11:00,030  
say that when Hitler outlawed secret

255  
00:11:05,160 --> 00:11:02,710  
societies the Royal Society registered

256  
00:11:08,790 --> 00:11:05,170  
as a corporation that translates to

257  
00:11:11,760 --> 00:11:08,800  
Brill propulsion workshops that's really

258  
00:11:14,280 --> 00:11:11,770  
fascinating is that right that's right

259  
00:11:16,350 --> 00:11:14,290  
yes that's one of the things that has

260  
00:11:19,560 --> 00:11:16,360  
come through the records what's being

261  
00:11:22,380 --> 00:11:19,570  
preserved of Moorea or such that there

262  
00:11:26,220 --> 00:11:22,390  
was that change so that she could

263  
00:11:29,310 --> 00:11:26,230

conform with these new regulations but

264

00:11:31,980 --> 00:11:29,320

the work that she was doing it was

265

00:11:34,890 --> 00:11:31,990

really kind of indispensable for what

266

00:11:37,380 --> 00:11:34,900

was happening in Antarctica because she

267

00:11:39,720 --> 00:11:37,390

was a highly gifted psychic and she was

268

00:11:42,720 --> 00:11:39,730

in communication with extraterrestrials

269

00:11:45,240 --> 00:11:42,730

or at least that's what the german

270

00:11:48,000 --> 00:11:45,250

occultists believed and certainly that's

271

00:11:50,690 --> 00:11:48,010

what the Nazi SS believed because they

272

00:11:53,490 --> 00:11:50,700

were trying to piggyback on the

273

00:11:56,040 --> 00:11:53,500

information or search was getting from

274

00:11:59,490 --> 00:11:56,050

her extraterrestrial contacts and build

275

00:12:03,000 --> 00:11:59,500

a weaponized flying saucer program for

276

00:12:05,460 --> 00:12:03,010

the Nazi SS says she changed her real

277

00:12:08,220 --> 00:12:05,470

society name to something much more

278

00:12:10,410 --> 00:12:08,230

scientific because ultimately she felt

279

00:12:13,950 --> 00:12:10,420

that there was no real dividing line

280

00:12:17,040 --> 00:12:13,960

between the occult and science and

281

00:12:19,550 --> 00:12:17,050

that's really why the Germans got ahead

282

00:12:22,890 --> 00:12:19,560

so quickly and this is well documented

283

00:12:25,350 --> 00:12:22,900

many US military officials were really

284

00:12:29,190 --> 00:12:25,360

puzzled you know how come the Germans in

285

00:12:31,620 --> 00:12:29,200

less than 20 years got ahead of the

286

00:12:34,680 --> 00:12:31,630

Allied powers in aerospace programs

287

00:12:36,420 --> 00:12:34,690

given that they lost the first world war

288

00:12:39,810 --> 00:12:36,430

how could that have happened well the

289

00:12:40,920 --> 00:12:39,820

answer is that the Germans after the

290

00:12:44,580 --> 00:12:40,930

first world war

291

00:12:46,380 --> 00:12:44,590

blended occult studies with scientific

292

00:12:48,120 --> 00:12:46,390

research and that's why they got ahead

293

00:12:50,370 --> 00:12:48,130

so quickly because they didn't

294

00:12:52,110 --> 00:12:50,380

differentiate whereas Western scientists

295

00:12:55,080 --> 00:12:52,120

did so they progressed in a very

296

00:12:57,120 --> 00:12:55,090

predictable linear Newtonian physics way

297

00:12:59,640 --> 00:12:57,130

with a little bit Hannam physics thrown

298

00:13:01,860 --> 00:12:59,650

in a very linear development where's the

299

00:13:04,110 --> 00:13:01,870

German space program and German

300

00:13:06,030 --> 00:13:04,120

scientists had this quantum leap because

301  
00:13:08,430 --> 00:13:06,040  
they were factoring consciousness into

302  
00:13:11,519 --> 00:13:08,440  
everything they were doing

303  
00:13:13,980 --> 00:13:11,529  
yes I think it's more obvious now than

304  
00:13:16,110 --> 00:13:13,990  
ever that that dividing line is pretty

305  
00:13:19,590 --> 00:13:16,120  
much non-existent and they were probably

306  
00:13:21,420 --> 00:13:19,600  
right to get onto that so early and so

307  
00:13:23,600 --> 00:13:21,430  
what more can you tell us about maybe

308  
00:13:26,100 --> 00:13:23,610  
the players involved in the stages of

309  
00:13:28,290 --> 00:13:26,110  
anti-gravity crafts made during those

310  
00:13:30,509 --> 00:13:28,300  
years from 1919 all the way up through

311  
00:13:33,150 --> 00:13:30,519  
the 1940s because there were several

312  
00:13:36,329 --> 00:13:33,160  
phases and models correct I mean this

313  
00:13:39,090 --> 00:13:36,339

isn't a small thing that's right there

314

00:13:42,210 --> 00:13:39,100

were some really important scientists

315

00:13:45,480 --> 00:13:42,220

involved in this program probably the

316

00:13:49,199 --> 00:13:45,490

most important was Professor Winifred

317

00:13:51,629 --> 00:13:49,209

Schumann who was the head of the electro

318

00:13:54,809 --> 00:13:51,639

physics laboratory at the University of

319

00:13:56,879 --> 00:13:54,819

Munich and he was a full society member

320

00:14:00,119 --> 00:13:56,889

and he was the one that actually helped

321

00:14:02,550 --> 00:14:00,129

build the prototypes according to the

322

00:14:04,139 --> 00:14:02,560

blueprints that horse each had developed

323

00:14:08,009 --> 00:14:04,149

so he was working very closely with

324

00:14:11,400 --> 00:14:08,019

osich and he was an expert in high

325

00:14:14,759 --> 00:14:11,410

voltage electrostatics and also in

326

00:14:16,259 --> 00:14:14,769

high-energy plasma physics so these were

327

00:14:18,689 --> 00:14:16,269

the things that were necessary for

328

00:14:21,480 --> 00:14:18,699

building any gravity craft and also

329

00:14:24,059 --> 00:14:21,490

utilizing some of the ideas of torsion

330

00:14:27,499 --> 00:14:24,069

field physics which does bend space-time

331

00:14:30,480 --> 00:14:27,509

this is a physics that is still not

332

00:14:32,460 --> 00:14:30,490

mainstream but what Schumann and other

333

00:14:36,210 --> 00:14:32,470

scientists found was that when you

334

00:14:37,949 --> 00:14:36,220

rotate plasma which is greatly

335

00:14:40,800 --> 00:14:37,959

pressurized and rotates at a high

336

00:14:43,350 --> 00:14:40,810

temperature vacuum environment it

337

00:14:45,870 --> 00:14:43,360

creates a spacetime effect so you can

338

00:14:48,420 --> 00:14:45,880

actually bend space-time and so this is

339

00:14:50,610 --> 00:14:48,430

the principle for the propulsion systems

340

00:14:53,610 --> 00:14:50,620

that were developed for the German

341

00:14:56,819 --> 00:14:53,620

flying saucer programs another prominent

342

00:14:57,540 --> 00:14:56,829

german scientist or inventor was Hans

343

00:15:01,110 --> 00:14:57,550

Koehler

344

00:15:04,379 --> 00:15:01,120

he came up with the free energy device

345

00:15:06,360 --> 00:15:04,389

that was adopted by the German Navy for

346

00:15:10,139 --> 00:15:06,370

their submarines and also for this

347

00:15:13,530 --> 00:15:10,149

spacecraft so this was a very important

348

00:15:15,960 --> 00:15:13,540

means of generating free energy so free

349

00:15:19,559 --> 00:15:15,970

energy was something that Western

350

00:15:22,079 --> 00:15:19,569

scientists had also been discussing of

351  
00:15:24,420 --> 00:15:22,089  
course you had nikola tesla

352  
00:15:27,600 --> 00:15:24,430  
nearing a lot of free energy research in

353  
00:15:30,720 --> 00:15:27,610  
the early 1900's he incidentally was

354  
00:15:33,749 --> 00:15:30,730  
friends with maria orsic because nikola

355  
00:15:36,269 --> 00:15:33,759  
tesla and maria orsic his father were

356  
00:15:38,519 --> 00:15:36,279  
both Croatian engineers from the same

357  
00:15:40,170 --> 00:15:38,529  
generation so they knew each other so

358  
00:15:42,210 --> 00:15:40,180  
the or siege family were friends with

359  
00:15:44,610 --> 00:15:42,220  
Nikola Tesla so they shared a lot of

360  
00:15:46,679 --> 00:15:44,620  
information and Tesla is a lot of

361  
00:15:48,569 --> 00:15:46,689  
history to him when it comes to

362  
00:15:51,629 --> 00:15:48,579  
communications with extraterrestrials

363  
00:15:54,329 --> 00:15:51,639

but Tesla was involved Thomas Townsend

364

00:15:58,049 --> 00:15:54,339

Brown was also a brilliant scientist he

365

00:16:00,379 --> 00:15:58,059

developed the electro gravity he had the

366

00:16:04,319 --> 00:16:00,389

first patent in England on

367

00:16:06,540 --> 00:16:04,329

electrogravitics it was 1928 so you had

368

00:16:08,910 --> 00:16:06,550

a bunch of these German scientists and

369

00:16:11,220 --> 00:16:08,920

Western scientists coming up with these

370

00:16:13,710 --> 00:16:11,230

ideas of electro gravity explosion field

371

00:16:15,360 --> 00:16:13,720

physics free energy devices and all of

372

00:16:18,989 --> 00:16:15,370

this was essential for building these

373

00:16:21,480 --> 00:16:18,999

flying saucer devices hmm yes man it is

374

00:16:23,970 --> 00:16:21,490

so fascinating and it sounds like a lot

375

00:16:26,309 --> 00:16:23,980

of information to just dismiss or deny

376

00:16:28,829 --> 00:16:26,319

there seems to be a lot there if you

377

00:16:31,019 --> 00:16:28,839

pull on every thread and what about the

378

00:16:32,850 --> 00:16:31,029

Nazis antarctic retreat this has been

379

00:16:34,619 --> 00:16:32,860

debated quite a lot I've had several

380

00:16:37,230 --> 00:16:34,629

guests who just don't see the evidence

381

00:16:38,850 --> 00:16:37,240

for it I think your book makes a strong

382

00:16:41,280 --> 00:16:38,860

case but what do you consider the most

383

00:16:42,840 --> 00:16:41,290

convincing evidence that lays this issue

384

00:16:45,030 --> 00:16:42,850

to rest where we can say yes

385

00:16:46,799 --> 00:16:45,040

definitively the Nazis did make a base

386

00:16:49,049 --> 00:16:46,809

in Antarctica where they continued their

387

00:16:51,869 --> 00:16:49,059

work on UFO technology and free energy

388

00:16:54,720 --> 00:16:51,879

devices well probably the most

389

00:16:57,509 --> 00:16:54,730

persuasive evidence is of course we know

390

00:16:59,730 --> 00:16:57,519

that I'm the captain I'll predict oh the

391

00:17:04,019 --> 00:16:59,740

Germans had an expedition to Antarctica

392

00:17:08,399 --> 00:17:04,029

in 1938 39 but what is not well-known is

393

00:17:12,449 --> 00:17:08,409

that in June of 1939 President Roosevelt

394

00:17:16,409 --> 00:17:12,459

issued an executive orders Paul Admiral

395

00:17:19,380 --> 00:17:16,419

Byrd to go down to Antarctica and find

396

00:17:21,779 --> 00:17:19,390

the Nazi bases down there locate where

397

00:17:24,149 --> 00:17:21,789

they had been built and determined

398

00:17:27,659 --> 00:17:24,159

whether or not they had been violating

399

00:17:29,850 --> 00:17:27,669

the Monroe Doctrine so Roosevelt in 1939

400

00:17:32,520 --> 00:17:29,860

knew that the Germans had established

401  
00:17:35,520 --> 00:17:32,530  
bases in Antarctica and had given

402  
00:17:36,080 --> 00:17:35,530  
instructions for Byrd who was the

403  
00:17:38,000 --> 00:17:36,090  
leading

404  
00:17:42,590 --> 00:17:38,010  
u.s. polar explorer to lead an

405  
00:17:44,269 --> 00:17:42,600  
expedition for the 1939-1940 season to

406  
00:17:47,000 --> 00:17:44,279  
down to Antarctica to find where the

407  
00:17:50,269 --> 00:17:47,010  
Germans had built their base and so this

408  
00:17:52,669 --> 00:17:50,279  
is pretty incontrovertible that the

409  
00:17:55,399 --> 00:17:52,679  
United States knew in 1930 that the

410  
00:17:58,299 --> 00:17:55,409  
Germans had built bases in Antarctica

411  
00:18:00,919 --> 00:17:58,309  
and then you have a whole number of

412  
00:18:03,140 --> 00:18:00,929  
whistleblowers former insiders that talk

413  
00:18:06,200 --> 00:18:03,150

about the Germans having built bases

414

00:18:07,850 --> 00:18:06,210

down there but you actually have stories

415

00:18:12,220 --> 00:18:07,860

in the New York Times and other Maine

416

00:18:15,350 --> 00:18:12,230

just tabloids in the United States

417

00:18:17,539 --> 00:18:15,360

discussing Admiral Byrd's expedition to

418

00:18:20,450 --> 00:18:17,549

Antarctica and I referenced that in the

419

00:18:22,850 --> 00:18:20,460

book so it's a fact that the Americans

420

00:18:26,029 --> 00:18:22,860

were looking for the German bases in

421

00:18:28,430 --> 00:18:26,039

1939 and then we have people who have

422

00:18:30,830 --> 00:18:28,440

talked at length about how the Germans

423

00:18:33,500 --> 00:18:30,840

found the bases who helped them find the

424

00:18:36,019 --> 00:18:33,510

bases what were built down there and the

425

00:18:38,779 --> 00:18:36,029

equipment and the resources and the

426

00:18:41,090 --> 00:18:38,789

scientists that went down there right I

427

00:18:44,029 --> 00:18:41,100

mean for this to have happened the

428

00:18:45,889 --> 00:18:44,039

Germans would have had to send just

429

00:18:48,620 --> 00:18:45,899

massive convoys and

430

00:18:51,350 --> 00:18:48,630

made huge supply trips and built out a

431

00:18:54,110 --> 00:18:51,360

pretty huge infrastructure down there

432

00:18:55,940 --> 00:18:54,120

and you know according to your book it

433

00:18:58,870 --> 00:18:55,950

does seem like there's plenty of

434

00:19:02,299 --> 00:18:58,880

documentation plenty of comments made by

435

00:19:05,230 --> 00:19:02,309

prominent Nazis to indicate that that's

436

00:19:08,360 --> 00:19:05,240

true I just wonder why it is so hard for

437

00:19:10,940 --> 00:19:08,370

World War two historians to pick up on

438

00:19:14,360 --> 00:19:10,950

those threads but I think a lot of

439

00:19:18,230 --> 00:19:14,370

people just don't appreciate how well

440

00:19:21,430 --> 00:19:18,240

the Nazis were able to hide the movement

441

00:19:24,950 --> 00:19:21,440

of large numbers of people and resources

442

00:19:27,019 --> 00:19:24,960

secretly it's well documented that the

443

00:19:30,380 --> 00:19:27,029

Nazis developed these huge underground

444

00:19:33,080 --> 00:19:30,390

facilities in occupied Europe lured

445

00:19:35,570 --> 00:19:33,090

Heusen in the Harz mountains is probably

446

00:19:38,539 --> 00:19:35,580

one of the best known and that's where

447

00:19:40,880 --> 00:19:38,549

they basically took the v1 v2 rocket

448

00:19:44,090 --> 00:19:40,890

program after the pen and mundi

449

00:19:47,570 --> 00:19:44,100

facilities had been bombed on the Baltic

450

00:19:50,230 --> 00:19:47,580

Sea coast line there and so the Nazis

451  
00:19:53,770 --> 00:19:50,240  
during 1942

452  
00:19:56,320 --> 00:19:53,780  
realize that the war was going to be a

453  
00:19:58,090 --> 00:19:56,330  
long one and they made preparations to

454  
00:20:00,790 --> 00:19:58,100  
move everything underground and so they

455  
00:20:02,830 --> 00:20:00,800  
commissioned their scientific

456  
00:20:06,400 --> 00:20:02,840  
institutions to start mapping all the

457  
00:20:08,350 --> 00:20:06,410  
underground cabins in Germany in order

458  
00:20:10,419 --> 00:20:08,360  
to start building vast facilities down

459  
00:20:14,799 --> 00:20:10,429  
there and at the same time the German

460  
00:20:19,450 --> 00:20:14,809  
Navy began to accelerate the transports

461  
00:20:21,910 --> 00:20:19,460  
of men and women and resources down to

462  
00:20:24,669 --> 00:20:21,920  
Antarctica because the war was starting

463  
00:20:26,380 --> 00:20:24,679

to go badly for them and as the war

464

00:20:28,870 --> 00:20:26,390

continued to go badly while the Nazis

465

00:20:31,540 --> 00:20:28,880

just continued to accelerate the

466

00:20:34,960 --> 00:20:31,550

movement of supplies and this was all

467

00:20:38,830 --> 00:20:34,970

done secretly through their submarine

468

00:20:41,799 --> 00:20:38,840

fleets through their very large younger

469

00:20:44,169 --> 00:20:41,809

planes and also through these

470

00:20:47,230 --> 00:20:44,179

underground cavern systems they're

471

00:20:50,470 --> 00:20:47,240

penetrated Europe and even going into

472

00:20:52,480 --> 00:20:50,480

Africa and further than that so that's

473

00:20:55,720 --> 00:20:52,490

one of the mysteries is exactly how

474

00:20:58,600 --> 00:20:55,730

extensive are these underground cavern

475

00:21:01,720 --> 00:20:58,610

systems not only in Antarctica but also

476  
00:21:04,150 --> 00:21:01,730  
in Europe and Africa and are they linked

477  
00:21:05,980 --> 00:21:04,160  
according to William Tompkins and I

478  
00:21:08,200 --> 00:21:05,990  
discussed this in the book I haven't

479  
00:21:11,080 --> 00:21:08,210  
been able to confirm it he says that the

480  
00:21:15,520 --> 00:21:11,090  
cavern systems ran all the way from

481  
00:21:17,290 --> 00:21:15,530  
Antarctica up through Africa and right

482  
00:21:19,600 --> 00:21:17,300  
up into Europe which is a phenomenal

483  
00:21:21,580 --> 00:21:19,610  
thing to say but you know he said that

484  
00:21:23,680 --> 00:21:21,590  
this was something that u.s. may be

485  
00:21:25,810 --> 00:21:23,690  
spies learned about during the

486  
00:21:27,760 --> 00:21:25,820  
infiltration of the German aerospace

487  
00:21:29,440 --> 00:21:27,770  
industry and so this was another way in

488  
00:21:32,470 --> 00:21:29,450

which the Germans were able to secretly

489

00:21:35,220 --> 00:21:32,480

move supplies and people all the way

490

00:21:37,900 --> 00:21:35,230

from occupied Europe down to Antarctica

491

00:21:40,000 --> 00:21:37,910

right huge can of worms and those

492

00:21:42,460 --> 00:21:40,010

tunnels are everywhere it's hard to know

493

00:21:45,040 --> 00:21:42,470

if they truly connect but I mean it's

494

00:21:47,049 --> 00:21:45,050

hard to also find a piece of land on

495

00:21:50,110 --> 00:21:47,059

this planet that doesn't have huge

496

00:21:52,570 --> 00:21:50,120

natural or unnatural cavern systems

497

00:21:54,520 --> 00:21:52,580

below it so it is a curious thing when

498

00:21:57,820 --> 00:21:54,530

you consider what the hell was going on

499

00:21:59,919 --> 00:21:57,830

in the past well this is one of the

500

00:22:03,190 --> 00:21:59,929

things that people will start learning

501  
00:22:04,180 --> 00:22:03,200  
about Richard sorda dr. richard sorter

502  
00:22:05,860 --> 00:22:04,190  
he's written a cup

503  
00:22:08,110 --> 00:22:05,870  
the books talking about underground

504  
00:22:10,659 --> 00:22:08,120  
bases in the United States and worldwide

505  
00:22:12,759 --> 00:22:10,669  
and he identifies these bases is

506  
00:22:15,580 --> 00:22:12,769  
basically being linked by these vast

507  
00:22:18,970 --> 00:22:15,590  
kind of tunnel systems where you can

508  
00:22:22,090 --> 00:22:18,980  
actually have maglev trains that can

509  
00:22:23,409 --> 00:22:22,100  
move that supersonic speeds not only in

510  
00:22:26,680 --> 00:22:23,419  
the United States but around the globe

511  
00:22:29,820 --> 00:22:26,690  
so right there you have someone who by

512  
00:22:32,560 --> 00:22:29,830  
studying declassified documents has

513  
00:22:34,600 --> 00:22:32,570

understood that this is a worldwide

514

00:22:38,019 --> 00:22:34,610

tunnel network without we're talking

515

00:22:41,019 --> 00:22:38,029

about where you can move people and

516

00:22:44,080 --> 00:22:41,029

resources very quickly using this tunnel

517

00:22:46,419 --> 00:22:44,090

network with the hypersonic train system

518

00:22:48,430 --> 00:22:46,429

so this is one of the things that I

519

00:22:50,860 --> 00:22:48,440

think makes possible what Bill Tonkin

520

00:22:53,499 --> 00:22:50,870

said that in fact the Germans had

521

00:22:56,799 --> 00:22:53,509

stumbled on these underground cavern

522

00:22:58,629 --> 00:22:56,809

systems all the way from Europe down to

523

00:23:00,970 --> 00:22:58,639

Antarctica itself which is a phenomenal

524

00:23:03,580 --> 00:23:00,980

thing to say but even without that even

525

00:23:06,100 --> 00:23:03,590

without these alleged tunnel systems

526

00:23:08,369 --> 00:23:06,110

from Europe to Antarctica you still had

527

00:23:11,649 --> 00:23:08,379

the German submarines that could travel

528

00:23:15,399 --> 00:23:11,659

secretly and transport people and

529

00:23:19,360 --> 00:23:15,409

supplies from occupied Europe right down

530

00:23:21,580 --> 00:23:19,370

to Antarctica mm-hmm yeah seems like

531

00:23:24,490 --> 00:23:21,590

maybe they rediscovered some ancient

532

00:23:26,379 --> 00:23:24,500

systems and just repurpose them and so

533

00:23:28,090 --> 00:23:26,389

one also kind of fast forward up to

534

00:23:30,100 --> 00:23:28,100

today because a lot of people are

535

00:23:32,950 --> 00:23:30,110

curious about what's going on there now

536

00:23:35,049 --> 00:23:32,960

we've had several major people making

537

00:23:37,600 --> 00:23:35,059

trips down there we had that Fitbit

538

00:23:39,399 --> 00:23:37,610

release of that heat map and where their

539

00:23:41,019 --> 00:23:39,409

devices are being used and a lot of them

540

00:23:43,060 --> 00:23:41,029

showed up in Antarctica two people

541

00:23:47,110 --> 00:23:43,070

surprised maybe the best thing to do

542

00:23:49,480 --> 00:23:47,120

would be to give people the context of

543

00:23:51,879 --> 00:23:49,490

Charles hapgoods work and earth crust

544

00:23:54,149 --> 00:23:51,889

displacement theory so that the findings

545

00:23:57,399 --> 00:23:54,159

down there make a little bit more sense

546

00:24:00,460 --> 00:23:57,409

okay well how could basically his

547

00:24:05,320 --> 00:24:00,470

argument was that the geophysical poles

548

00:24:08,139 --> 00:24:05,330

shift periodically and that the ship

549

00:24:11,529 --> 00:24:08,149

means that what is now the South Pole

550

00:24:15,190 --> 00:24:11,539

over the entire continent at another

551  
00:24:17,860 --> 00:24:15,200  
time could have been just in open ocean

552  
00:24:20,650 --> 00:24:17,870  
and the landmass of Antarctica could

553  
00:24:22,960 --> 00:24:20,660  
being in a temperate zone and so that is

554  
00:24:25,360 --> 00:24:22,970  
pretty consistent with what we know of

555  
00:24:28,630 --> 00:24:25,370  
the ancient sea kings are Charles

556  
00:24:32,020 --> 00:24:28,640  
Hapgood was able to analyze the Perry

557  
00:24:34,930 --> 00:24:32,030  
race maps the Arantes Phineas maps which

558  
00:24:36,670 --> 00:24:34,940  
were 16th century maps that showed

559  
00:24:38,520 --> 00:24:36,680  
Antarctica being ice-free

560  
00:24:41,650 --> 00:24:38,530  
which indicated that at one point

561  
00:24:44,760 --> 00:24:41,660  
probably before the last great flood

562  
00:24:47,910 --> 00:24:44,770  
that happened 12,000 years or so ago

563  
00:24:51,910 --> 00:24:47,920

Antarctica was in a temperate zone of

564

00:24:54,430 --> 00:24:51,920

the Pacific and so that meant that the

565

00:24:59,260 --> 00:24:54,440

great flood that occurred 12,000 years

566

00:25:01,870 --> 00:24:59,270

ago coincided with a pole shift and so

567

00:25:04,600 --> 00:25:01,880

this is where we get into the scientific

568

00:25:07,510 --> 00:25:04,610

debate about North America being covered

569

00:25:09,190 --> 00:25:07,520

by ice sheets and then about prop years

570

00:25:10,750 --> 00:25:09,200

and years ago the ice sheets suddenly

571

00:25:13,680 --> 00:25:10,760

melt and that's what caused the great

572

00:25:16,210 --> 00:25:13,690

flood which inundated so many different

573

00:25:18,750 --> 00:25:16,220

civilizations around the planet and so

574

00:25:23,650 --> 00:25:18,760

this was something that led to

575

00:25:26,410 --> 00:25:23,660

Antarctica being moved from its ice free

576

00:25:30,160 --> 00:25:26,420

location to the South Pole and being

577

00:25:32,140 --> 00:25:30,170

very quickly covered by ice now hapgoods

578

00:25:37,740 --> 00:25:32,150

theory was endorsed by Albert Einstein

579

00:25:42,070 --> 00:25:37,750

and Einstein pointed out that the key

580

00:25:45,340 --> 00:25:42,080

scientific variable here that determines

581

00:25:47,980 --> 00:25:45,350

when a pole shift occurs is the amount

582

00:25:50,590 --> 00:25:47,990

of ice at the North and South Poles that

583

00:25:53,590 --> 00:25:50,600

as ice accumulates they're either the

584

00:25:56,620 --> 00:25:53,600

North or the South Pole then you have

585

00:26:00,850 --> 00:25:56,630

the ingredient for a pole shift

586

00:26:03,970 --> 00:26:00,860

occurring so by the same token if a lot

587

00:26:06,610 --> 00:26:03,980

of ice melts at the poles then you can

588

00:26:08,830 --> 00:26:06,620

have a pole shift occurring again so

589

00:26:12,340 --> 00:26:08,840

this is what makes what's happening

590

00:26:14,860 --> 00:26:12,350

today at the South Pole and Antarctica

591

00:26:17,680 --> 00:26:14,870

very very important to everyone to pay

592

00:26:20,610 --> 00:26:17,690

attention to because with the ice

593

00:26:23,110 --> 00:26:20,620

melting primarily in the West Antarctic

594

00:26:26,380 --> 00:26:23,120

because of the increased volcanic

595

00:26:28,300 --> 00:26:26,390

activity down there the volcanoes under

596

00:26:30,070 --> 00:26:28,310

the ice sheets are being triggered and

597

00:26:32,040 --> 00:26:30,080

it's been discovered it's been confirmed

598

00:26:34,580 --> 00:26:32,050

recently that Antarctic

599

00:26:38,070 --> 00:26:34,590

actually has the world's largest

600

00:26:41,520 --> 00:26:38,080

volcanic feel that wasn't known before

601  
00:26:43,230 --> 00:26:41,530  
only last year was a confirmed that all

602  
00:26:44,910 --> 00:26:43,240  
of these volcanoes have been discovered

603  
00:26:46,470 --> 00:26:44,920  
and they are they're being triggered so

604  
00:26:50,160 --> 00:26:46,480  
the ice sheets from underneath are

605  
00:26:53,280 --> 00:26:50,170  
melting so the ice in Antarctica is

606  
00:26:55,560 --> 00:26:53,290  
slowly disappearing and that affects the

607  
00:26:58,470 --> 00:26:55,570  
weight distribution in Antarctica so not

608  
00:27:00,720 --> 00:26:58,480  
only with the ice disappearing can you

609  
00:27:03,090 --> 00:27:00,730  
have things being exposed you have

610  
00:27:05,580 --> 00:27:03,100  
ancient artifacts being exposed you have

611  
00:27:07,830 --> 00:27:05,590  
suddenly fresh flows and cities being

612  
00:27:10,350 --> 00:27:07,840  
exposed being discovered you have

613  
00:27:14,550 --> 00:27:10,360

extraterrestrial craft being discovered

614

00:27:17,850 --> 00:27:14,560

but also you have the ice distribution

615

00:27:20,190 --> 00:27:17,860

in Antarctica being skewed tremendously

616

00:27:24,060 --> 00:27:20,200

because while West Antarctica is melting

617

00:27:26,820 --> 00:27:24,070

East Antarctica is not melting its

618

00:27:30,410 --> 00:27:26,830

remaining the same so this is setting

619

00:27:32,610 --> 00:27:30,420

off a pretty powerful geological

620

00:27:35,280 --> 00:27:32,620

phenomenon where you could actually have

621

00:27:39,150 --> 00:27:35,290

the weight displacement in the South

622

00:27:41,550 --> 00:27:39,160

Pole triggering propulsion hmm it is a

623

00:27:43,440 --> 00:27:41,560

lot but we have so many mysteries about

624

00:27:45,720 --> 00:27:43,450

floods and ice sheets and massive

625

00:27:47,790 --> 00:27:45,730

changes in the past that a lot of people

626  
00:27:49,980 --> 00:27:47,800  
are trying to work out and this theory

627  
00:27:52,200 --> 00:27:49,990  
does answer a lot of those questions as

628  
00:27:54,480 --> 00:27:52,210  
you described so it is really

629  
00:27:55,440 --> 00:27:54,490  
interesting but you also mentioned

630  
00:27:57,780 --> 00:27:55,450  
flash-frozen

631  
00:27:59,550 --> 00:27:57,790  
cities or civilizations and we got to

632  
00:28:02,250 --> 00:27:59,560  
hit that because I guess it would be

633  
00:28:04,500 --> 00:28:02,260  
this lake vostok anomaly that really

634  
00:28:08,070 --> 00:28:04,510  
started to heat things up in 2000 and

635  
00:28:10,230 --> 00:28:08,080  
2001 people noticed this anomaly and I

636  
00:28:13,210 --> 00:28:10,240  
guess talked to us about the lake vostok

637  
00:28:16,390 --> 00:28:13,220  
area and what this was

638  
00:28:20,230 --> 00:28:16,400

okay so lake vostok is the deepest fresh

639

00:28:23,200 --> 00:28:20,240

ocean lake in antarctica and around 1990

640

00:28:24,970 --> 00:28:23,210

scientists discovered that the lake was

641

00:28:28,150 --> 00:28:24,980

there and they also discovered this

642

00:28:30,430 --> 00:28:28,160

giant anomaly at one side of the lake

643

00:28:33,340 --> 00:28:30,440

which was about 50 miles in diameter and

644

00:28:36,040 --> 00:28:33,350

it displayed the characteristics of a

645

00:28:38,530 --> 00:28:36,050

location with a lot of metal kind of

646

00:28:40,750 --> 00:28:38,540

like metals that would be found in a

647

00:28:42,580 --> 00:28:40,760

city so that's when people started to

648

00:28:44,950 --> 00:28:42,590

speculate and there was a lot of rumors

649

00:28:45,880 --> 00:28:44,960

about them having discovered a city in

650

00:28:49,570 --> 00:28:45,890

Antarctica

651  
00:28:51,880 --> 00:28:49,580  
fast forward to around 2001 2002 the

652  
00:28:54,460 --> 00:28:51,890  
Raytheon corporation now has the

653  
00:28:56,290 --> 00:28:54,470  
Antarctic contract with the National

654  
00:29:00,280 --> 00:28:56,300  
Science Foundation and they're sending

655  
00:29:02,980 --> 00:29:00,290  
teams of people down to this frozen city

656  
00:29:05,050 --> 00:29:02,990  
or this magnetic anomaly in Antarctica

657  
00:29:06,640 --> 00:29:05,060  
and the scientists or the teams that

658  
00:29:10,150 --> 00:29:06,650  
have been sent down there are getting

659  
00:29:12,550 --> 00:29:10,160  
sick and rumors start emerge of a

660  
00:29:16,090 --> 00:29:12,560  
flash-frozen civilization having been

661  
00:29:18,970 --> 00:29:16,100  
found with advanced technologies and so

662  
00:29:23,140 --> 00:29:18,980  
you have these rumors starting and then

663  
00:29:27,100 --> 00:29:23,150

you have some insiders talking about the

664

00:29:29,950 --> 00:29:27,110

excavations of the ancient civilization

665

00:29:32,140 --> 00:29:29,960

down there Lake Vostok is one of these

666

00:29:36,010 --> 00:29:32,150

locations there's probably multiple

667

00:29:39,250 --> 00:29:36,020

locations just as United States has a

668

00:29:42,460 --> 00:29:39,260

number of cities that are all part of

669

00:29:45,250 --> 00:29:42,470

the United States simile Antarctica

670

00:29:47,190 --> 00:29:45,260

prior to it being flash-frozen had a

671

00:29:50,110 --> 00:29:47,200

number of cities a number of settlements

672

00:29:52,660 --> 00:29:50,120

sure you had your capital but then you

673

00:29:55,540 --> 00:29:52,670

had other major settlements around the

674

00:29:57,670 --> 00:29:55,550

Antarctic continent which is vast and so

675

00:30:00,870 --> 00:29:57,680

this is what's being discovered now so

676

00:30:03,400 --> 00:30:00,880

is probably multiple cities or

677

00:30:06,220 --> 00:30:03,410

settlements or ruins that have been

678

00:30:10,480 --> 00:30:06,230

found throughout the landmass and Lake

679

00:30:12,460 --> 00:30:10,490

Vostok is one of those hmm so let's

680

00:30:13,860 --> 00:30:12,470

touch on your expertise here for a

681

00:30:17,320 --> 00:30:13,870

minute but when you factor in

682

00:30:20,110 --> 00:30:17,330

geopolitics today what does this last

683

00:30:23,950 --> 00:30:20,120

election have to do with what's been

684

00:30:27,220 --> 00:30:23,960

found down there well Donald Trump he is

685

00:30:29,919 --> 00:30:27,230

a very interesting person because

686

00:30:32,350 --> 00:30:29,929

according to a number of sources that

687

00:30:36,520 --> 00:30:32,360

I've been studying and I think are very

688

00:30:39,820 --> 00:30:36,530

credible Trump was chosen by the US

689

00:30:43,450 --> 00:30:39,830

military to run as a kind of figurehead

690

00:30:45,549 --> 00:30:43,460

so that the military could do things

691

00:30:48,490 --> 00:30:45,559

behind the scenes to take down the deep

692

00:30:51,840 --> 00:30:48,500

state whose agenda is something that the

693

00:30:54,520 --> 00:30:51,850

US military very strenuously objects to

694

00:30:57,370 --> 00:30:54,530

Trump is a mouthpiece or a figurehead

695

00:31:03,039 --> 00:30:57,380

for the military to take down a deep

696

00:31:06,870 --> 00:31:03,049

state and we have seen many of trumps

697

00:31:10,539 --> 00:31:06,880

policies being targeted against

698

00:31:12,760 --> 00:31:10,549

international practices that are part of

699

00:31:16,900 --> 00:31:12,770

habit each state operates for example in

700

00:31:20,710 --> 00:31:16,910

December 21 of 2017 Trump passed an

701  
00:31:23,500 --> 00:31:20,720  
executive order which basically targeted

702  
00:31:26,140 --> 00:31:23,510  
international human trafficking and

703  
00:31:28,480 --> 00:31:26,150  
corruption and they said that this was a

704  
00:31:30,340 --> 00:31:28,490  
national emergency so this is really the

705  
00:31:33,460 --> 00:31:30,350  
first time that any American president

706  
00:31:36,370 --> 00:31:33,470  
has ever declared human rights happening

707  
00:31:38,230 --> 00:31:36,380  
around the world as constituting a

708  
00:31:41,080 --> 00:31:38,240  
national emergency for the United States

709  
00:31:44,560 --> 00:31:41,090  
why did he do that well the explanation

710  
00:31:48,270 --> 00:31:44,570  
is that this empowers the US military to

711  
00:31:51,340 --> 00:31:48,280  
operate under national emergency

712  
00:31:53,409 --> 00:31:51,350  
condition to basically send troops

713  
00:31:55,539 --> 00:31:53,419

special operations forces around the

714

00:31:58,060 --> 00:31:55,549

world to begin arresting and detaining

715

00:32:01,630 --> 00:31:58,070

people and bringing them to the United

716

00:32:05,430 --> 00:32:01,640

States or to Guantanamo for debriefing

717

00:32:08,650 --> 00:32:05,440

or enhanced interrogation and so forth

718

00:32:12,159 --> 00:32:08,660

yeah I do get skeptical sometimes about

719

00:32:14,440 --> 00:32:12,169

just the routine of every new president

720

00:32:16,810 --> 00:32:14,450

is gonna really help us out this time

721

00:32:18,520 --> 00:32:16,820

but there are some things to note that

722

00:32:20,710 --> 00:32:18,530

are different and it is true that John

723

00:32:22,930 --> 00:32:20,720

Podesta and Hillary Clinton made some

724

00:32:25,450 --> 00:32:22,940

comments about UFOs and it seemed like

725

00:32:27,850 --> 00:32:25,460

maybe they had some kind of plan and

726

00:32:31,299 --> 00:32:27,860

that maybe there is a conflict related

727

00:32:34,090 --> 00:32:31,309

to this content and how to deliver it to

728

00:32:36,190 --> 00:32:34,100

people how to frame it and I guess I

729

00:32:39,310 --> 00:32:36,200

could entertain that possibility for

730

00:32:42,399 --> 00:32:39,320

sure right well this is one of the

731

00:32:45,520 --> 00:32:42,409

things that hewn on movement has really

732

00:32:49,149 --> 00:32:45,530

been focusing on is this nexus between

733

00:32:51,340 --> 00:32:49,159

Trump and this u.s. military especially

734

00:32:54,370 --> 00:32:51,350

the intelligence community that white

735

00:32:56,200 --> 00:32:54,380

hats that are feeding the Trump

736

00:32:59,110 --> 00:32:56,210

administration intelligence for how to

737

00:33:01,180 --> 00:32:59,120

take down the deeps tape and in leaking

738

00:33:04,539 --> 00:33:01,190

that information to the public through

739

00:33:07,780 --> 00:33:04,549

these anonymous drops on the 4chan and

740

00:33:09,970 --> 00:33:07,790

hñ posting boards and so there's been

741

00:33:12,520 --> 00:33:09,980

quite a movement that is being built

742

00:33:14,860 --> 00:33:12,530

around cure on and so far I've found it

743

00:33:17,230 --> 00:33:14,870

to be very credible and giving a lot of

744

00:33:20,740 --> 00:33:17,240

very helpful information for how to

745

00:33:22,419 --> 00:33:20,750

understand this struggle between the

746

00:33:25,030 --> 00:33:22,429

Trump administration with the US

747

00:33:27,850 --> 00:33:25,040

military backing him quietly behind the

748

00:33:32,830 --> 00:33:27,860

scenes and the deep state and how they

749

00:33:35,260 --> 00:33:32,840

control the US media US Congress and the

750

00:33:37,630 --> 00:33:35,270

u.s. culture generally and of course

751

00:33:40,539 --> 00:33:37,640

internationally well it does seem like

752

00:33:43,360 --> 00:33:40,549

there is an off-the-books physics secret

753

00:33:45,970 --> 00:33:43,370

sciences that they have quarantined away

754

00:33:48,940 --> 00:33:45,980

from the university system in the

755

00:33:51,100 --> 00:33:48,950

mainstream system and it's kind of

756

00:33:54,399 --> 00:33:51,110

interesting times right now because the

757

00:33:57,310 --> 00:33:54,409

u.s. is having a rough time economically

758

00:33:59,350 --> 00:33:57,320

it seems and it might be necessary to

759

00:34:01,600 --> 00:33:59,360

open up these technologies for a new

760

00:34:03,520 --> 00:34:01,610

industrial revolution if the US doesn't

761

00:34:05,860 --> 00:34:03,530

want to lose its footing the economy

762

00:34:08,500 --> 00:34:05,870

doesn't have many other places left to

763

00:34:10,690 --> 00:34:08,510

go it seems like we've squeezed most of

764

00:34:13,500 --> 00:34:10,700

the juice out of this thing in this debt

765

00:34:15,940 --> 00:34:13,510

based system I think that's a compelling

766

00:34:18,010 --> 00:34:15,950

element to the possibility that maybe

767

00:34:18,730 --> 00:34:18,020

there is some change behind the scenes

768

00:34:22,240 --> 00:34:18,740

and maybe

769

00:34:23,859 --> 00:34:22,250

begrudgingly these technologies might

770

00:34:27,190 --> 00:34:23,869

get dragged out to the light just for

771

00:34:28,810 --> 00:34:27,200

the sake of people who have nationalist

772

00:34:30,790 --> 00:34:28,820

feelings or really do want to see

773

00:34:34,530 --> 00:34:30,800

America stay number one this might be

774

00:34:37,180 --> 00:34:34,540

the only way to keep the u.s. on top I

775

00:34:40,060 --> 00:34:37,190

agree I think so I mean basically the

776

00:34:44,440 --> 00:34:40,070

deeps tape for anyone that's been paying

777

00:34:48,159 --> 00:34:44,450

attention is moving resources and moving

778

00:34:51,490 --> 00:34:48,169

a lot of its infrastructure and finances

779

00:34:54,190 --> 00:34:51,500

to China China is earmarked to be

780

00:34:57,970 --> 00:34:54,200

the next global superpower and the deep

781

00:35:00,310 --> 00:34:57,980

state is wanting to do this by

782

00:35:03,609 --> 00:35:00,320

undermining the US as the current

783

00:35:06,030 --> 00:35:03,619

superpower and a lot of the policies

784

00:35:10,120 --> 00:35:06,040

that the deep State has been pursuing

785

00:35:13,839 --> 00:35:10,130

orienting China to supplant the US as

786

00:35:16,230 --> 00:35:13,849

the world's major financial hub and once

787

00:35:19,030 --> 00:35:16,240

the rug is pulled out of the US economy

788

00:35:21,250 --> 00:35:19,040

the US dollar will plunge and the US

789

00:35:25,030 --> 00:35:21,260

economy would collapse that was the deep

790

00:35:27,520 --> 00:35:25,040

states plan but Trump has come in acting

791

00:35:29,040 --> 00:35:27,530

on behalf of the US military and he has

792

00:35:32,109 --> 00:35:29,050

a different plan which is the

793

00:35:36,490 --> 00:35:32,119

reindustrialize America and make America

794

00:35:38,740 --> 00:35:36,500

a hub for this new technology technology

795

00:35:40,990 --> 00:35:38,750

that will take America or to take the

796

00:35:44,560 --> 00:35:41,000

planet into the 22nd century into this

797

00:35:46,859 --> 00:35:44,570

kind of Star Trek like utopia where free

798

00:35:50,589 --> 00:35:46,869

energy devices torsion field physics

799

00:35:54,400 --> 00:35:50,599

alternative healing devices the whole

800

00:35:56,560 --> 00:35:54,410

way in which we view ourselves that that

801  
00:35:58,810 --> 00:35:56,570  
would be changed tremendously by these

802  
00:36:01,150 --> 00:35:58,820  
technologies being released and I think

803  
00:36:02,829 --> 00:36:01,160  
that's the plan and Trump wants the door

804  
00:36:05,200 --> 00:36:02,839  
and he's got the full support of US

805  
00:36:08,230 --> 00:36:05,210  
military behind him and it will be done

806  
00:36:10,480 --> 00:36:08,240  
to maintain America's superpower status

807  
00:36:13,510 --> 00:36:10,490  
for decades to come so I think that's

808  
00:36:16,089 --> 00:36:13,520  
the plan of the American patriots a

809  
00:36:18,190 --> 00:36:16,099  
nationalist community they don't want to

810  
00:36:20,230 --> 00:36:18,200  
see America thrown on the financial

811  
00:36:22,870 --> 00:36:20,240  
scrap heap just so that the deeps they

812  
00:36:25,210 --> 00:36:22,880  
can move everything over to China they

813  
00:36:26,490 --> 00:36:25,220

want to maintain American power for

814

00:36:30,160 --> 00:36:26,500

decades to come

815

00:36:32,530 --> 00:36:30,170

hmm it's a captivating possibility I am

816

00:36:34,990 --> 00:36:32,540

skeptical but I'm gonna wait and see

817

00:36:37,680 --> 00:36:35,000

what happens let's hope for the best and

818

00:36:39,970 --> 00:36:37,690

to talk more about this flash-frozen

819

00:36:41,829 --> 00:36:39,980

civilization under the ice and who they

820

00:36:44,040 --> 00:36:41,839

were and the book you call the

821

00:36:46,300 --> 00:36:44,050

civilization the pre-adamite saying

822

00:36:48,400 --> 00:36:46,310

after arriving and what is now

823

00:36:50,890 --> 00:36:48,410

Antarctica approximately fifty five

824

00:36:52,810 --> 00:36:50,900

thousand years ago the pre-adamite found

825

00:36:55,120 --> 00:36:52,820

a rich fertile planet with a large

826

00:36:56,470 --> 00:36:55,130

native population less technologically

827

00:36:59,079 --> 00:36:56,480

advanced than themselves

828

00:37:00,849 --> 00:36:59,089

soon after the pre-adamite decided to

829

00:37:03,160 --> 00:37:00,859

create hybrid beings using their

830

00:37:05,260 --> 00:37:03,170

advanced genetic technology who would

831

00:37:07,000 --> 00:37:05,270

act as intermediaries for them

832

00:37:09,340 --> 00:37:07,010

with the rest of the earth now that's

833

00:37:10,930 --> 00:37:09,350

interesting and it could make sense of

834

00:37:13,750 --> 00:37:10,940

not only a lot of mythologies and

835

00:37:16,060 --> 00:37:13,760

legends related to the gods or ancient

836

00:37:17,590 --> 00:37:16,070

wars in the sky but also the elongated

837

00:37:21,610 --> 00:37:17,600

skulls which aren't much of a secret

838

00:37:23,320 --> 00:37:21,620

anymore either right right I think a lot

839

00:37:25,240 --> 00:37:23,330

of that information about the Prieta

840

00:37:29,020 --> 00:37:25,250

mites having a civilization down in

841

00:37:31,600 --> 00:37:29,030

Antarctica that dovetails very much with

842

00:37:34,120 --> 00:37:31,610

some ancient myths and in particular the

843

00:37:36,640 --> 00:37:34,130

Book of Enoch they're actually three

844

00:37:39,130 --> 00:37:36,650

books of Enoch that are in circulation

845

00:37:41,020 --> 00:37:39,140

and essentially they describe this

846

00:37:43,960 --> 00:37:41,030

phenomenon where before the last great

847

00:37:46,990 --> 00:37:43,970

flood you had this patriarchal figure

848

00:37:50,020 --> 00:37:47,000

Enoch having these experiences with the

849

00:37:51,670 --> 00:37:50,030

angels and being brought up to heaven

850

00:37:54,220 --> 00:37:51,680

and having these meetings with all of

851

00:37:57,370 --> 00:37:54,230

these different angels and eventually

852

00:37:59,350 --> 00:37:57,380

being asked to intercede on behalf of

853

00:38:01,150 --> 00:37:59,360

another group of angels called the

854

00:38:03,340 --> 00:38:01,160

Fallen Angels well you know what do we

855

00:38:06,580 --> 00:38:03,350

make of that well I think we look at

856

00:38:09,190 --> 00:38:06,590

that as not being kind of like mythology

857

00:38:11,560 --> 00:38:09,200

but actually being a historical record

858

00:38:14,500 --> 00:38:11,570

of relationships between different

859

00:38:17,260 --> 00:38:14,510

extraterrestrial groups who ancient

860

00:38:18,730 --> 00:38:17,270

humans refer to as angels and that there

861

00:38:21,820 --> 00:38:18,740

was a conflict between them and that

862

00:38:24,970 --> 00:38:21,830

Enoch was summoned to be an intermediary

863

00:38:28,770 --> 00:38:24,980

between these conflicting angels and the

864

00:38:33,550 --> 00:38:28,780

books of Enoch actually describe how the

865

00:38:36,610 --> 00:38:33,560

angels that lost this pre-flood conflict

866

00:38:38,260 --> 00:38:36,620

or this war were banished down to

867

00:38:41,350 --> 00:38:38,270

Antarctica so here you had the entire

868

00:38:44,500 --> 00:38:41,360

connection in the Book of Enoch where it

869

00:38:48,640 --> 00:38:44,510

describes the Enoch was taken to a land

870

00:38:50,800 --> 00:38:48,650

in the far south where it blazed day and

871

00:38:54,700 --> 00:38:50,810

night so that's describing Antarctica

872

00:38:57,280 --> 00:38:54,710

and it described a range of seven

873

00:38:59,520 --> 00:38:57,290

mountains where the watchers were buried

874

00:39:01,180 --> 00:38:59,530

or the Watchers were in prison for

875

00:39:02,830 --> 00:39:01,190

10,000 years

876

00:39:05,650 --> 00:39:02,840

so the Watchers were in prison for

877

00:39:08,920 --> 00:39:05,660

10,000 years in this mountain range any

878

00:39:11,680 --> 00:39:08,930

it describes Mount Vinson which is part

879

00:39:13,510 --> 00:39:11,690

of the Sentinel mountain ranges so right

880

00:39:15,550 --> 00:39:13,520

there you have quite a coincidence you

881

00:39:17,410 --> 00:39:15,560

know like The Sentinel mountain ranges

882

00:39:19,330 --> 00:39:17,420

and the Watchers but watches are buried

883

00:39:22,180 --> 00:39:19,340

in the Sentinel mountain

884

00:39:24,490 --> 00:39:22,190

and this dovetails with what recent

885

00:39:26,680 --> 00:39:24,500

insiders have been telling us that there

886

00:39:29,050 --> 00:39:26,690

are these extraterrestrial mother ships

887

00:39:32,320 --> 00:39:29,060

that are buried deep under the Antarctic

888

00:39:34,870 --> 00:39:32,330

ice and that the pre-adamite s-- are in

889

00:39:38,410 --> 00:39:34,880

stasis chambers there and they're about

890

00:39:40,600 --> 00:39:38,420

to awaken and that the global elite the

891

00:39:44,110 --> 00:39:40,610

deep state people worship these

892

00:39:46,210 --> 00:39:44,120

pre-adamite as their genetic ancestors

893

00:39:49,900 --> 00:39:46,220

and they basically want to waken them

894

00:39:53,440 --> 00:39:49,910

and restore them to the bolted positions

895

00:39:54,700 --> 00:39:53,450

that they once had so right there you

896

00:39:58,450 --> 00:39:54,710

have some really interesting

897

00:40:00,730 --> 00:39:58,460

developments as to what is actually very

898

00:40:03,010 --> 00:40:00,740

deep under the untidy crisis in terms of

899

00:40:05,110 --> 00:40:03,020

mother ships extraterrestrials buried

900

00:40:08,080 --> 00:40:05,120

there or hidden there in stasis chambers

901  
00:40:10,120 --> 00:40:08,090  
and is there a plan by the deep state to

902  
00:40:13,000 --> 00:40:10,130  
awaken these people who have the

903  
00:40:16,330 --> 00:40:13,010  
elongated skulls and the forerunners

904  
00:40:18,670 --> 00:40:16,340  
full of worldwide civilization of homo

905  
00:40:20,830 --> 00:40:18,680  
capensis which is these elongated skull

906  
00:40:24,070 --> 00:40:20,840  
beings that these beings are going to

907  
00:40:26,050 --> 00:40:24,080  
come forward and maybe try to establish

908  
00:40:28,870 --> 00:40:26,060  
themselves as the global rulers again

909  
00:40:30,610 --> 00:40:28,880  
hmm I find that fascinating yeah the

910  
00:40:32,050 --> 00:40:30,620  
whole thing is a little convoluted I

911  
00:40:34,840 --> 00:40:32,060  
mean especially with the ancient past

912  
00:40:37,180 --> 00:40:34,850  
there seems to be some collective memory

913  
00:40:39,100 --> 00:40:37,190

though of a big conflict of epic scale

914

00:40:42,250 --> 00:40:39,110

probably exactly what we're talking

915

00:40:45,310 --> 00:40:42,260

about here and I had that in my notes as

916

00:40:47,770 --> 00:40:45,320

well that it seems like a faction of the

917

00:40:50,170 --> 00:40:47,780

current cabal might be working to try to

918

00:40:53,680 --> 00:40:50,180

reanimate these people or to somehow

919

00:40:56,530 --> 00:40:53,690

bring them back and that is a creepy

920

00:40:59,950 --> 00:40:56,540

proposition but it's not the only

921

00:41:02,770 --> 00:40:59,960

non-human element at play here because

922

00:41:05,500 --> 00:41:02,780

the book talks largely about a reptilian

923

00:41:08,230 --> 00:41:05,510

faction that seems to be very much in

924

00:41:10,330 --> 00:41:08,240

line with the Germans of the Nazi Party

925

00:41:12,670 --> 00:41:10,340

or this faction that has helped them

926

00:41:14,970 --> 00:41:12,680

build their crafts and build up their

927

00:41:17,950 --> 00:41:14,980

bases in Antarctica but there's also

928

00:41:20,080 --> 00:41:17,960

groups of Nordics that seem to be on the

929

00:41:22,470 --> 00:41:20,090

other side and aligned with us in

930

00:41:26,380 --> 00:41:22,480

different ways is that how you see it

931

00:41:29,020 --> 00:41:26,390

well that's right yes it's like what we

932

00:41:30,940 --> 00:41:29,030

was just discussing that conflict that

933

00:41:32,590 --> 00:41:30,950

was described in the book Sabine off

934

00:41:33,070 --> 00:41:32,600

between the positive angels and the

935

00:41:34,900 --> 00:41:33,080

negative

936

00:41:38,410 --> 00:41:34,910

just fallin and righteous angels and

937

00:41:40,750 --> 00:41:38,420

that tells us that these conflicts

938

00:41:42,660 --> 00:41:40,760

between the gods or the angels really

939

00:41:45,550 --> 00:41:42,670

represents different extraterrestrial

940

00:41:47,650 --> 00:41:45,560

factions that have been warring against

941

00:41:50,260 --> 00:41:47,660

one another for influence over the earth

942

00:41:52,600 --> 00:41:50,270

for tens of thousands of years and so

943

00:41:55,120 --> 00:41:52,610

with Germany Germany was no different in

944

00:41:57,040 --> 00:41:55,130

the early 1920s you had a positive group

945

00:41:59,260 --> 00:41:57,050

of extraterrestrials human-looking

946

00:42:01,360 --> 00:41:59,270

extraterrestrials that first made

947

00:42:03,820 --> 00:42:01,370

contact with maria orsic in the thule

948

00:42:07,720 --> 00:42:03,830

society and they began helping them to

949

00:42:09,910 --> 00:42:07,730

develop this civilian space program that

950

00:42:12,310 --> 00:42:09,920

would help present this information to

951  
00:42:14,890 --> 00:42:12,320  
the entire planet so to begin with it

952  
00:42:18,340 --> 00:42:14,900  
began as a civilian effort to kind of

953  
00:42:20,590 --> 00:42:18,350  
like share this information widely but

954  
00:42:24,220 --> 00:42:20,600  
what happened was when Adolf Hitler came

955  
00:42:28,170 --> 00:42:24,230  
to power in 1933 because he represented

956  
00:42:30,460 --> 00:42:28,180  
a more aggressive nationalist political

957  
00:42:33,160 --> 00:42:30,470  
orientation another group of

958  
00:42:34,990 --> 00:42:33,170  
extraterrestrials began to work with him

959  
00:42:36,700 --> 00:42:35,000  
because they were more in alignment him

960  
00:42:38,920 --> 00:42:36,710  
and that is the reptilian group of

961  
00:42:40,540 --> 00:42:38,930  
extraterrestrials so right there you

962  
00:42:44,440 --> 00:42:40,550  
have two different factions of

963  
00:42:46,750 --> 00:42:44,450

extraterrestrials that began associating

964

00:42:49,300 --> 00:42:46,760

themselves with the Germans in the

965

00:42:53,050 --> 00:42:49,310

immediate post-war world one period and

966

00:42:56,080 --> 00:42:53,060

during World War two and this is what

967

00:42:58,690 --> 00:42:56,090

was also occurring in Antarctica you had

968

00:43:00,970 --> 00:42:58,700

the Germans some of them continued to

969

00:43:02,230 --> 00:43:00,980

work with this human-looking group in

970

00:43:04,810 --> 00:43:02,240

alignment with you know earth

971

00:43:07,240 --> 00:43:04,820

civilizations while another group of

972

00:43:09,790 --> 00:43:07,250

Germans continued to work with the

973

00:43:13,200 --> 00:43:09,800

reptilians and build very big space

974

00:43:17,380 --> 00:43:13,210

fleets that would go into deep space and

975

00:43:20,410 --> 00:43:17,390

coordinate with the reptilians men so

976  
00:43:22,000 --> 00:43:20,420  
you also mentioned whistleblowers and I

977  
00:43:24,310 --> 00:43:22,010  
got to ask you about these guys bill

978  
00:43:26,260 --> 00:43:24,320  
Tompkins and Corey Goode their

979  
00:43:29,260 --> 00:43:26,270  
testimonies are cited many times in the

980  
00:43:31,810 --> 00:43:29,270  
book personally I am really entertained

981  
00:43:34,450 --> 00:43:31,820  
by a lot of what they say but I just

982  
00:43:36,250 --> 00:43:34,460  
can't get over this twenty and back idea

983  
00:43:39,160 --> 00:43:36,260  
that you sign up for the secret space

984  
00:43:41,740 --> 00:43:39,170  
program you do your 20 years and then

985  
00:43:43,750 --> 00:43:41,750  
they age regress you back and you fit

986  
00:43:46,480 --> 00:43:43,760  
right back in where you were before the

987  
00:43:46,830 --> 00:43:46,490  
mission that part alone is just a really

988  
00:43:49,980 --> 00:43:46,840

hard

989

00:43:52,500 --> 00:43:49,990

pill for me to swallow what can we look

990

00:43:54,090 --> 00:43:52,510

at to try to even halfway verify what

991

00:43:56,670 --> 00:43:54,100

these guys are saying I know you put

992

00:43:59,010 --> 00:43:56,680

some stock in these whistleblowers how

993

00:44:01,170 --> 00:43:59,020

have you vetted them or what can you say

994

00:44:04,680 --> 00:44:01,180

to maybe make these claims seem more

995

00:44:06,690 --> 00:44:04,690

realistic incredible right well this is

996

00:44:10,020 --> 00:44:06,700

a number of things this let me approach

997

00:44:12,810 --> 00:44:10,030

that a number of ways firstly as far as

998

00:44:15,030 --> 00:44:12,820

the credibility of Corey Goode and

999

00:44:17,250 --> 00:44:15,040

William Tompkins is concerned what I've

1000

00:44:19,760 --> 00:44:17,260

done in the book is match their

1001

00:44:23,400 --> 00:44:19,770

testimonies or compared to what other

1002

00:44:26,070 --> 00:44:23,410

credible whistleblowers have told us one

1003

00:44:28,920 --> 00:44:26,080

is Clark McClelland who worked with NASA

1004

00:44:32,880 --> 00:44:28,930

he was a spacecraft operator he was with

1005

00:44:35,670 --> 00:44:32,890

NASA for believe it was 34 years and he

1006

00:44:37,320 --> 00:44:35,680

confirmed a lot of what Cory Gordon

1007

00:44:38,970 --> 00:44:37,330

William Tompkins were saying about the

1008

00:44:41,940 --> 00:44:38,980

Germans establishing a secret space

1009

00:44:43,530 --> 00:44:41,950

program in Antarctica and that they had

1010

00:44:46,890 --> 00:44:43,540

infiltrated the US military industrial

1011

00:44:49,710 --> 00:44:46,900

complex another insider source was

1012

00:44:52,320 --> 00:44:49,720

Vladimir - zimsky who was a Bulgarian

1013

00:44:54,450 --> 00:44:52,330

engineer who was with the Bulgarian

1014

00:44:57,690 --> 00:44:54,460

Academy of Sciences and he was

1015

00:45:01,350 --> 00:44:57,700

instrumental in having a lot of the Nazi

1016

00:45:03,600 --> 00:45:01,360

SS files that the KGB had in its

1017

00:45:06,660 --> 00:45:03,610

possession released after the collapse

1018

00:45:08,550 --> 00:45:06,670

of the Warsaw Pact in 1991 so you had a

1019

00:45:11,520 --> 00:45:08,560

lot of that documentation coming forward

1020

00:45:13,620 --> 00:45:11,530

and all of that helps corroborate what

1021

00:45:16,920 --> 00:45:13,630

Corey Goode and William Tompkins has

1022

00:45:19,140 --> 00:45:16,930

said in one of my previous books titled

1023

00:45:21,300 --> 00:45:19,150

the US Navy secret space program and

1024

00:45:23,850 --> 00:45:21,310

Nordica to treasure all Alliance are you

1025

00:45:26,430 --> 00:45:23,860

produce a lot of documents that show

1026

00:45:28,710 --> 00:45:26,440

that wouldn't on guns was who he says he

1027

00:45:31,110 --> 00:45:28,720

was that there was an ad program that

1028

00:45:33,360 --> 00:45:31,120

was getting this kind of information now

1029

00:45:36,960 --> 00:45:33,370

as far as the 20 impact program is

1030

00:45:39,300 --> 00:45:36,970

concerned what we see now is white world

1031

00:45:43,530 --> 00:45:39,310

science acknowledging that age

1032

00:45:47,000 --> 00:45:43,540

aggression is viable scientific studies

1033

00:45:52,350 --> 00:45:47,010

have shown that you can actually regress

1034

00:45:54,900 --> 00:45:52,360

selves and organs years and so there's a

1035

00:45:56,940 --> 00:45:54,910

number of programs which are whitewall

1036

00:45:59,640 --> 00:45:56,950

programs that are now studying the

1037

00:46:00,750 --> 00:45:59,650

feasibility of this kind of age

1038

00:46:03,030 --> 00:46:00,760

regression

1039

00:46:06,630 --> 00:46:03,040

being used on humans and they're talking

1040

00:46:08,880 --> 00:46:06,640

about the next five years being when

1041

00:46:12,090 --> 00:46:08,890

they are going to start laboratory

1042

00:46:14,640 --> 00:46:12,100

experiments on humans so this is white

1043

00:46:16,860 --> 00:46:14,650

world technology now I think to those

1044

00:46:19,800 --> 00:46:16,870

that are kind of familiar with a lot of

1045

00:46:22,140 --> 00:46:19,810

these covert programs understand that

1046

00:46:25,350 --> 00:46:22,150

what occurs in the covert programs are

1047

00:46:28,620 --> 00:46:25,360

generally 30 years or more ahead of the

1048

00:46:33,180 --> 00:46:28,630

white world so studies and programs so

1049

00:46:36,600 --> 00:46:33,190

that means that if we now in 2018 are

1050

00:46:39,510 --> 00:46:36,610

actively implementing studies that age

1051  
00:46:41,760 --> 00:46:39,520  
aggressed animals and are preparing to

1052  
00:46:44,730 --> 00:46:41,770  
use this on humans that means that this

1053  
00:46:47,580 --> 00:46:44,740  
was done in covert laboratories at least

1054  
00:46:51,450 --> 00:46:47,590  
30 years ago so that takes us to the

1055  
00:46:54,390 --> 00:46:51,460  
early 1990s at the very least old 1980s

1056  
00:46:57,600 --> 00:46:54,400  
and that's the period around which these

1057  
00:46:59,100 --> 00:46:57,610  
gentlemen Corey Goode William Tompkins

1058  
00:47:01,530 --> 00:46:59,110  
and others say that this kind of age

1059  
00:47:05,310 --> 00:47:01,540  
regression technologies began to be used

1060  
00:47:08,250 --> 00:47:05,320  
in the covert programs hmm that does

1061  
00:47:10,050 --> 00:47:08,260  
make some sense it is just a lot to take

1062  
00:47:13,710 --> 00:47:10,060  
in right there but of course if I'm

1063  
00:47:17,130 --> 00:47:13,720

looking for some way to kind of you know

1064

00:47:19,440 --> 00:47:17,140

accept this it is true that UFO

1065

00:47:22,200 --> 00:47:19,450

encounters a lot of the time involve

1066

00:47:24,330 --> 00:47:22,210

missing time that people seem to just

1067

00:47:26,610 --> 00:47:24,340

have hours gone and they come back to

1068

00:47:30,240 --> 00:47:26,620

their same time in place and of course

1069

00:47:33,900 --> 00:47:30,250

that's a short scale version but again

1070

00:47:37,500 --> 00:47:33,910

we're at that same nexus of UFOs of time

1071

00:47:39,860 --> 00:47:37,510

manipulation age regression it kind of

1072

00:47:43,350 --> 00:47:39,870

fits when you think about it that way

1073

00:47:46,410 --> 00:47:43,360

right in this whole thing of age going

1074

00:47:49,080 --> 00:47:46,420

back to what the ancient records if we

1075

00:47:51,570 --> 00:47:49,090

go to the Old Testament it talks about

1076

00:47:56,820 --> 00:47:51,580

these pre diluvial figures like

1077

00:47:59,220 --> 00:47:56,830

Methuselah and Lamar and Noah and Jared

1078

00:48:02,700 --> 00:47:59,230

all of these guys they barely to a

1079

00:48:06,120 --> 00:48:02,710

thousand years and then the Bible talks

1080

00:48:08,220 --> 00:48:06,130

about those after the great flood living

1081

00:48:09,960 --> 00:48:08,230

multiple centuries and then by the time

1082

00:48:11,760 --> 00:48:09,970

you get to Moses you know Moses lived

1083

00:48:13,410 --> 00:48:11,770

150 and then of course we're getting

1084

00:48:14,400 --> 00:48:13,420

Saul and David and so forth and they

1085

00:48:16,079 --> 00:48:14,410

living normal

1086

00:48:20,760 --> 00:48:16,089

I've spent I slept well what happened I

1087

00:48:22,620 --> 00:48:20,770

think these ancient societies did have

1088

00:48:24,539 --> 00:48:22,630

technologies where they could live a

1089

00:48:26,880 --> 00:48:24,549

very long time and the consciousness was

1090

00:48:28,829 --> 00:48:26,890

different as well so you know this whole

1091

00:48:31,380 --> 00:48:28,839

kind of consciousness and technology

1092

00:48:33,960 --> 00:48:31,390

interface is very very important and so

1093

00:48:37,010 --> 00:48:33,970

I think that in this pre-flood era

1094

00:48:40,950 --> 00:48:37,020

people could live a thousand years and

1095

00:48:44,250 --> 00:48:40,960

now we've gone down a downward curve in

1096

00:48:46,079 --> 00:48:44,260

terms of age around 7080 years but now

1097

00:48:47,430 --> 00:48:46,089

we're on that upward curve again and I

1098

00:48:49,200 --> 00:48:47,440

think we're starting to see with the

1099

00:48:51,390 --> 00:48:49,210

technology being released we're starting

1100

00:48:53,250 --> 00:48:51,400

to see it with the secret space program

1101

00:48:55,349 --> 00:48:53,260

insiders coming forward talking about

1102

00:48:58,109 --> 00:48:55,359

how these technologies are being used

1103

00:49:00,510 --> 00:48:58,119

and they could live a long time how many

1104

00:49:02,640 --> 00:49:00,520

people involved in the program's

1105

00:49:04,289 --> 00:49:02,650

themselves commit for centuries the

1106

00:49:06,240 --> 00:49:04,299

Nordics and others can live for a

1107

00:49:08,910 --> 00:49:06,250

thousand years so I think we're now on

1108

00:49:11,970 --> 00:49:08,920

an upward climb where human lifespan is

1109

00:49:15,210 --> 00:49:11,980

going to be extended so this whole idea

1110

00:49:17,700 --> 00:49:15,220

of age regression what's really

1111

00:49:19,859 --> 00:49:17,710

happening is that we are purifying the

1112

00:49:22,680 --> 00:49:19,869

human body which has within it the

1113

00:49:25,109 --> 00:49:22,690

inherent genetic disposition for living

1114

00:49:28,319 --> 00:49:25,119

a thousand years in a youthful young

1115

00:49:31,319 --> 00:49:28,329

body and we are removing from it all the

1116

00:49:35,370 --> 00:49:31,329

toxic pollutants and the thought forms

1117

00:49:37,049 --> 00:49:35,380

that have made us age to where we are so

1118

00:49:38,910 --> 00:49:37,059

I think this whole idea of age

1119

00:49:41,309 --> 00:49:38,920

regression it's going to become bigger

1120

00:49:43,890 --> 00:49:41,319

and bigger and bigger and ultimately it

1121

00:49:46,760 --> 00:49:43,900

is something that all of us are gonna

1122

00:49:49,260 --> 00:49:46,770

start practicing to extend our lifespans

1123

00:49:51,000 --> 00:49:49,270

hmm it seems like it might be an

1124

00:49:53,670 --> 00:49:51,010

expensive process I don't know if it's

1125

00:49:56,730 --> 00:49:53,680

gonna filter down to your average person

1126

00:49:58,710 --> 00:49:56,740

and dr. Salah I find this all to be

1127

00:50:00,450 --> 00:49:58,720

fascinating stuff I do think a lot of

1128

00:50:02,760 --> 00:50:00,460

the pieces and elements line up nicely

1129

00:50:05,279 --> 00:50:02,770

it's far out but it might be one of the

1130

00:50:07,170 --> 00:50:05,289

biggest secrets out there so people can

1131

00:50:08,609 --> 00:50:07,180

follow your work tell them about your

1132

00:50:14,039 --> 00:50:08,619

website and anything else you got going

1133

00:50:14,519 --> 00:50:14,049

on so my website is Excel politics org

1134

00:50:19,019 --> 00:50:14,529

that's

1135

00:50:21,660 --> 00:50:19,029

EXO politics Oh RG there I'm regularly

1136

00:50:23,160 --> 00:50:21,670

putting up new articles so you can read

1137

00:50:24,900 --> 00:50:23,170

all of those all of that for free I've

1138

00:50:27,990 --> 00:50:24,910

got a few books on the secret space

1139

00:50:30,120 --> 00:50:28,000

programs the third book in the series is

1140

00:50:32,070 --> 00:50:30,130

tolik has hidden history you could

1141

00:50:33,930 --> 00:50:32,080

either get that from my website an

1142

00:50:36,510 --> 00:50:33,940

autographed copy or you can get it from

1143

00:50:38,100 --> 00:50:36,520

Amazon and I'll be doing a number of

1144

00:50:41,670 --> 00:50:38,110

appearances soon I'll be going to

1145

00:50:43,890 --> 00:50:41,680

contact in the desert in Palm Springs at

1146

00:50:46,170 --> 00:50:43,900

the end of May beginning of June and

1147

00:50:48,420 --> 00:50:46,180

then later there'll be a conference our

1148

00:50:51,090 --> 00:50:48,430

dimensions of disclosure with Corey good

1149

00:50:54,990 --> 00:50:51,100

and I'll also be doing a webinar on

1150

00:50:56,400 --> 00:50:55,000

Antarctica sometime in August so all of

1151

00:50:58,980 --> 00:50:56,410

those things you can go to my website

1152

00:51:01,470 --> 00:50:58,990

and get information about that awesome

1153

00:51:03,120 --> 00:51:01,480

well this has been a great time big

1154

00:51:05,460 --> 00:51:03,130

thanks to you for being here and for

1155

00:51:06,840 --> 00:51:05,470

walking the path less traveled ooh take

1156

00:51:09,780 --> 00:51:06,850

care out there and keep fighting the

1157

00:51:11,430 --> 00:51:09,790

good fight thanks so much great thanks

1158

00:51:13,340 --> 00:51:11,440

for all you do to bring this information

1159

00:51:16,920 --> 00:51:13,350

out into the public Aloha

1160

00:51:20,280 --> 00:51:16,930

there it is dear listeners there it is

1161

00:51:22,080 --> 00:51:20,290

dr. Michael Sala been a long time coming

1162

00:51:23,850 --> 00:51:22,090

and you got to love those birds in the

1163

00:51:26,160 --> 00:51:23,860

background that's what happens when you

1164

00:51:28,140 --> 00:51:26,170

do an interview outside I tried to cut a

1165

00:51:32,400 --> 00:51:28,150

lot of the chirping out but it's hard to

1166

00:51:34,290 --> 00:51:32,410

fully quell mother nature as we know but

1167

00:51:35,790 --> 00:51:34,300

dr. Sol as someone who's been requested

1168

00:51:37,050 --> 00:51:35,800

many times over the years and I'm glad

1169

00:51:39,270 --> 00:51:37,060

we could finally make it happen

1170

00:51:41,310 --> 00:51:39,280

especially after seeing an entire book

1171

00:51:43,800 --> 00:51:41,320

focused directly on the Antarctica

1172

00:51:46,650 --> 00:51:43,810

aspects of the big conspiracy funny

1173

00:51:49,080 --> 00:51:46,660

enough I got this request specifically

1174

00:51:51,150 --> 00:51:49,090

from the Plus forum and the person who

1175

00:51:54,450 --> 00:51:51,160

requested it followed up on their post

1176  
00:51:56,490 --> 00:51:54,460  
with this message where they said it was

1177  
00:51:58,590 --> 00:51:56,500  
a waste of time to post this Karl Wood

1178  
00:52:01,140 --> 00:51:58,600  
is too close-minded for this info and he

1179  
00:52:02,790 --> 00:52:01,150  
ignores 99% of the suggestions he gets

1180  
00:52:05,480 --> 00:52:02,800  
he doesn't give a [h\_\_h] about his

1181  
00:52:07,530 --> 00:52:05,490  
listeners or just a cash cow for him and

1182  
00:52:09,690 --> 00:52:07,540  
that's just not true

1183  
00:52:12,210 --> 00:52:09,700  
you're not just a cash cow for me

1184  
00:52:14,580 --> 00:52:12,220  
clearly I'm not too close-minded for the

1185  
00:52:16,770 --> 00:52:14,590  
information and maybe I do check the

1186  
00:52:20,130 --> 00:52:16,780  
forms for suggestions and maybe I have a

1187  
00:52:22,200 --> 00:52:20,140  
list of about 200 people long and I also

1188  
00:52:24,210 --> 00:52:22,210

have publishers and potential guests

1189

00:52:26,430 --> 00:52:24,220

writing me themselves all the time on

1190

00:52:29,130 --> 00:52:26,440

top of people that I'm really trying to

1191

00:52:31,080 --> 00:52:29,140

get so sometimes you just got to trust

1192

00:52:34,010 --> 00:52:31,090

me that I'll get to certain people and

1193

00:52:37,110 --> 00:52:34,020

certain topics when I can and be patient

1194

00:52:40,980 --> 00:52:37,120

five shows a month does not take long to

1195

00:52:41,570 --> 00:52:40,990

fill up so go easy on me I already had

1196

00:52:44,090 --> 00:52:41,580

two

1197

00:52:47,900 --> 00:52:44,100

a recent tolerance break from anything

1198

00:52:50,690 --> 00:52:47,910

related to THC and it felt good just to

1199

00:52:53,180 --> 00:52:50,700

decompress a bit and I'll never forget

1200

00:52:56,600 --> 00:52:53,190

how lucky I am to have this job but

1201  
00:52:58,790 --> 00:52:56,610  
sometimes it's a job and the customers

1202  
00:53:00,860 --> 00:52:58,800  
insult me in the same breath they're

1203  
00:53:02,360 --> 00:53:00,870  
requesting something from me sometimes

1204  
00:53:05,150 --> 00:53:02,370  
it doesn't feel that much different from

1205  
00:53:06,490 --> 00:53:05,160  
retail at all but at least I can do it

1206  
00:53:09,320 --> 00:53:06,500  
from home

1207  
00:53:11,720 --> 00:53:09,330  
but getting back to doctor Salle's book

1208  
00:53:12,920 --> 00:53:11,730  
and the content he lays out I've said

1209  
00:53:15,080 --> 00:53:12,930  
this before so it shouldn't be a

1210  
00:53:17,540 --> 00:53:15,090  
surprise I said it to doctor Saleh

1211  
00:53:20,300 --> 00:53:17,550  
earlier but I have this problem with the

1212  
00:53:21,950 --> 00:53:20,310  
super-soldier 20 and back whistleblowers

1213  
00:53:25,190 --> 00:53:21,960

there's a couple of them out there now

1214

00:53:27,170 --> 00:53:25,200

they just don't ring true to me which

1215

00:53:30,290 --> 00:53:27,180

does not mean I wouldn't have them on

1216

00:53:33,290 --> 00:53:30,300

the show but they're definitely not the

1217

00:53:36,200 --> 00:53:33,300

first group of people I'm trying to go

1218

00:53:38,600 --> 00:53:36,210

for and as much as they are referenced

1219

00:53:41,180 --> 00:53:38,610

in the book and the interview that we

1220

00:53:44,450 --> 00:53:41,190

just had thankfully I don't think the

1221

00:53:47,020 --> 00:53:44,460

narrative overall depends on them but

1222

00:53:49,670 --> 00:53:47,030

again and something I do like is that

1223

00:53:52,070 --> 00:53:49,680

channelled information is at the heart

1224

00:53:54,530 --> 00:53:52,080

of this whole thing maria orsic and

1225

00:53:58,760 --> 00:53:54,540

Tesla both seemed to be in contact with

1226  
00:54:00,740 --> 00:53:58,770  
something giving them technology but

1227  
00:54:03,220 --> 00:54:00,750  
when I asked doctor Saleh for the best

1228  
00:54:05,540 --> 00:54:03,230  
evidence that the Nazis actually escaped

1229  
00:54:07,520 --> 00:54:05,550  
because when we talk to you a guy like

1230  
00:54:09,890 --> 00:54:07,530  
Joseph Ferrell about this he thinks that

1231  
00:54:13,280 --> 00:54:09,900  
it's too big of a job to not have a huge

1232  
00:54:16,000 --> 00:54:13,290  
paper trail and I respect that but dr.

1233  
00:54:18,800 --> 00:54:16,010  
Salah thought the best evidence was

1234  
00:54:21,680 --> 00:54:18,810  
Admiral Byrd's massive convoy down there

1235  
00:54:24,230 --> 00:54:21,690  
why send it and I think that's a fair

1236  
00:54:26,960 --> 00:54:24,240  
point you could say there's a parallel

1237  
00:54:29,270 --> 00:54:26,970  
between the Roswell crash and saying it

1238  
00:54:30,640 --> 00:54:29,280

was aliens and the Byrd expedition and

1239

00:54:33,590 --> 00:54:30,650

saying it was about the Hollow Earth

1240

00:54:37,010 --> 00:54:33,600

both are sort of huge over-the-top

1241

00:54:40,730 --> 00:54:37,020

stories to distract and bury the very

1242

00:54:43,550 --> 00:54:40,740

real reality of this Nazi saucer Factory

1243

00:54:45,920 --> 00:54:43,560

in the land of ice I don't really take

1244

00:54:48,470 --> 00:54:45,930

that perspective but I could see where

1245

00:54:51,500 --> 00:54:48,480

someone would because it kind of fits in

1246

00:54:54,170 --> 00:54:51,510

that Cortlandt all type of way of hey

1247

00:54:55,340 --> 00:54:54,180

we're putting something out there but

1248

00:54:56,960 --> 00:54:55,350

there's really a deeper

1249

00:54:59,510 --> 00:54:56,970

and that's where the truth is rather

1250

00:55:01,670 --> 00:54:59,520

than the sensationalist aspects at least

1251  
00:55:02,690 --> 00:55:01,680  
says his take and I think sometimes he's

1252  
00:55:06,520 --> 00:55:02,700  
absolutely right

1253  
00:55:10,490 --> 00:55:06,530  
and I could see at the time how the

1254  
00:55:13,490 --> 00:55:10,500  
establishment would be happy having you

1255  
00:55:15,320 --> 00:55:13,500  
believe anything except that Nazis

1256  
00:55:18,260 --> 00:55:15,330  
escaped and are flying around in flying

1257  
00:55:20,240 --> 00:55:18,270  
saucers I also think the timeline of

1258  
00:55:22,510 --> 00:55:20,250  
this stuff syncs up really well let's

1259  
00:55:25,730 --> 00:55:22,520  
look at that timeline he pulled together

1260  
00:55:27,950 --> 00:55:25,740  
1919 Brill get a message then there's

1261  
00:55:31,430 --> 00:55:27,960  
years of development with multiple

1262  
00:55:33,020 --> 00:55:31,440  
rounds and multiple models of craft the

1263  
00:55:37,490 --> 00:55:33,030

Germans go to South America and

1264

00:55:39,770 --> 00:55:37,500

Antarctica early in the 1940s UFOs are

1265

00:55:43,100 --> 00:55:39,780

seen everywhere by 1947

1266

00:55:47,030 --> 00:55:43,110

operation Highjump finds them in 1947

1267

00:55:50,090 --> 00:55:47,040

the CIA is created in 1947 Operation

1268

00:55:52,550 --> 00:55:50,100

Paperclip makes contact and secret deals

1269

00:55:55,940 --> 00:55:52,560

with the Antarctic side diplomatic

1270

00:56:00,530 --> 00:55:55,950

negotiations ensue then a few years

1271

00:56:04,550 --> 00:56:00,540

after 1947 in 1952 is that UFO White

1272

00:56:07,510 --> 00:56:04,560

House fly over and then in 1955 the

1273

00:56:10,850 --> 00:56:07,520

dealing opened up more cooperation and

1274

00:56:13,100 --> 00:56:10,860

us-russian facilities in Antarctica then

1275

00:56:17,210 --> 00:56:13,110

you got the out there stuff in 1960 of

1276

00:56:20,360 --> 00:56:17,220

the saucer fueled manned missions to the

1277

00:56:23,030 --> 00:56:20,370

moon Mars and beyond occurring from that

1278

00:56:24,980 --> 00:56:23,040

Antarctic base we see all that stuff

1279

00:56:27,500 --> 00:56:24,990

happening in the 1961 there's that

1280

00:56:30,680 --> 00:56:27,510

Antarctic Treaty and then there's a big

1281

00:56:33,830 --> 00:56:30,690

gap until 2001 when apparently that Lake

1282

00:56:35,600 --> 00:56:33,840

Vostok anomaly got on the radar and now

1283

00:56:37,940 --> 00:56:35,610

we have all this increased activity down

1284

00:56:40,940 --> 00:56:37,950

there I mean there are some huge holes

1285

00:56:44,210 --> 00:56:40,950

some huge blind spots in that time line

1286

00:56:47,150 --> 00:56:44,220

but in my worldview in my conspiratorial

1287

00:56:49,970 --> 00:56:47,160

tapestry if you will I think that is a

1288

00:56:51,620 --> 00:56:49,980

pretty strong thread then we throw

1289

00:56:53,480 --> 00:56:51,630

gasoline on that fire with the

1290

00:56:56,780 --> 00:56:53,490

pre-adamite being thought out and all

1291

00:57:00,020 --> 00:56:56,790

that jazz and that to me is what makes a

1292

00:57:01,760 --> 00:57:00,030

good THC show we definitely at you with

1293

00:57:04,070 --> 00:57:01,770

some education not in the mainstream

1294

00:57:07,310 --> 00:57:04,080

narrative and then we pop you with some

1295

00:57:09,019 --> 00:57:07,320

way more speculative elements that can

1296

00:57:13,399 --> 00:57:09,029

also be peppered in

1297

00:57:17,059 --> 00:57:13,409

to say maybe this thing has many many

1298

00:57:19,039 --> 00:57:17,069

wild wild layers but even if you just

1299

00:57:21,799 --> 00:57:19,049

want to get into it from a conventional

1300

00:57:23,390 --> 00:57:21,809

politics way you can almost do that and

1301

00:57:24,759 --> 00:57:23,400

I still think it's great I still think

1302

00:57:28,009 --> 00:57:24,769

it's explosive

1303

00:57:31,159 --> 00:57:28,019

obviously dr. Saleh is a big name in the

1304

00:57:32,689 --> 00:57:31,169

ufology and Exopolitics community and I

1305

00:57:35,149 --> 00:57:32,699

am pleased that he would honor my

1306

00:57:38,089 --> 00:57:35,159

request and I'm thankful to the cranky

1307

00:57:39,469 --> 00:57:38,099

listener even who recommended him but

1308

00:57:42,799 --> 00:57:39,479

that's another thing if you recommend

1309

00:57:45,019 --> 00:57:42,809

someone and if I do see it and if I do

1310

00:57:47,479 --> 00:57:45,029

actually get the time to digest the

1311

00:57:50,239 --> 00:57:47,489

material which is often not something

1312

00:57:52,189 --> 00:57:50,249

you can just skim and then if I think

1313

00:57:54,859 --> 00:57:52,199

it's a good fit they have to actually

1314

00:57:56,299 --> 00:57:54,869

respond to me and want to do it so

1315

00:57:58,999 --> 00:57:56,309

there's a fair amount of steps in that

1316

00:58:02,179 --> 00:57:59,009

process I mean we're not Alcoholics

1317

00:58:04,189 --> 00:58:02,189

Anonymous but we're up there and the big

1318

00:58:08,149 --> 00:58:04,199

thing here that got me reflecting was

1319

00:58:10,219 --> 00:58:08,159

that 1952 White House flyover I've heard

1320

00:58:12,769 --> 00:58:10,229

some researchers saying that this was a

1321

00:58:15,859 --> 00:58:12,779

direct ET threat for not giving back the

1322

00:58:17,239 --> 00:58:15,869

bodies and saucer from Roswell and when

1323

00:58:19,579 --> 00:58:17,249

I was a kid who didn't know much about

1324

00:58:22,699 --> 00:58:19,589

this post-war Nazi element that made

1325

00:58:25,219 --> 00:58:22,709

sense but it seems like a very human

1326  
00:58:27,919 --> 00:58:25,229  
action only humans are gonna care about

1327  
00:58:30,620 --> 00:58:27,929  
the posturing of a White House flyover

1328  
00:58:32,719 --> 00:58:30,630  
so the idea that it was part of a strong

1329  
00:58:34,729 --> 00:58:32,729  
arming of negotiations leading up to

1330  
00:58:37,519 --> 00:58:34,739  
some kind of deal makes the most sense

1331  
00:58:39,589 --> 00:58:37,529  
to me maybe Nazis were partnered with

1332  
00:58:41,359 --> 00:58:39,599  
these beans maybe they brought alien

1333  
00:58:44,179 --> 00:58:41,369  
demands to the bargaining table as well

1334  
00:58:46,969 --> 00:58:44,189  
as their own but either way I love

1335  
00:58:49,969 --> 00:58:46,979  
hearing about it of course I'm skeptical

1336  
00:58:52,279 --> 00:58:49,979  
of any disclosure from the top down but

1337  
00:58:55,339 --> 00:58:52,289  
that we need a new Industrial Revolution

1338  
00:58:57,769 --> 00:58:55,349

to stay on top argument is probably the

1339

00:58:59,630 --> 00:58:57,779

best sounding one but it implies that

1340

00:59:01,039 --> 00:58:59,640

people who already have this stuff and

1341

00:59:04,339 --> 00:59:01,049

hundreds of millions of dollars it

1342

00:59:08,179 --> 00:59:04,349

implies that they care about us which is

1343

00:59:09,859 --> 00:59:08,189

a nice sentiment but come on they might

1344

00:59:11,569 --> 00:59:09,869

care about their companies and if

1345

00:59:13,969 --> 00:59:11,579

they're having problems and could usher

1346

00:59:16,989 --> 00:59:13,979

in all this new technology and make

1347

00:59:19,339 --> 00:59:16,999

millions more now there's an incentive

1348

00:59:21,319 --> 00:59:19,349

I've been saying it for a while now too

1349

00:59:22,880 --> 00:59:21,329

but the Trump stuff is pretty compelling

1350

00:59:24,620 --> 00:59:22,890

just John gee

1351

00:59:27,410 --> 00:59:24,630

Trump and Hannover Bush talking about

1352

00:59:29,539 --> 00:59:27,420

exotic energy systems and the damn Trump

1353

00:59:33,490 --> 00:59:29,549

name showing up on the del Chou drawings

1354

00:59:35,630 --> 00:59:33,500

numbered 4500 that stuff is crazy I

1355

00:59:37,640 --> 00:59:35,640

wonder if we'll ever get the full

1356

00:59:41,299 --> 00:59:37,650

picture but I try to just stay neutral

1357

00:59:43,490 --> 00:59:41,309

until we see something tangible this is

1358

00:59:45,529 --> 00:59:43,500

one of those topics that take so much

1359

00:59:47,299 --> 00:59:45,539

context and I really wanted to go

1360

00:59:49,190 --> 00:59:47,309

through it chronologically because I

1361

00:59:51,079 --> 00:59:49,200

think the bullet points of the timeline

1362

00:59:54,140 --> 00:59:51,089

is what makes the best argument for the

1363

00:59:56,809 --> 00:59:54,150

case overall but I realized 30 minutes

1364

00:59:59,150 --> 00:59:56,819

in that we weren't gonna get as deep

1365

01:00:00,799 --> 00:59:59,160

into the modern parts of the story as I

1366

01:00:02,329 --> 01:00:00,809

would have wanted in the first hour so

1367

01:00:04,190 --> 01:00:02,339

we switched it a little bit and I jumped

1368

01:00:07,009 --> 01:00:04,200

to the end to try to get those free

1369

01:00:09,799 --> 01:00:07,019

listeners some of that good stuff but it

1370

01:00:12,019 --> 01:00:09,809

is the plus show that really shines with

1371

01:00:14,450 --> 01:00:12,029

new information because we get into the

1372

01:00:16,670 --> 01:00:14,460

use of slave labor in Antarctica which

1373

01:00:18,710 --> 01:00:16,680

is a big part of his book other inner

1374

01:00:22,099 --> 01:00:18,720

earth elements of the bigger story a

1375

01:00:25,250 --> 01:00:22,109

deeper breakdown of how that 1952 UFO

1376

01:00:28,009 --> 01:00:25,260

white house flyover is related and also

1377

01:00:29,990 --> 01:00:28,019

what dr. Saleh expects to see happening

1378

01:00:32,509 --> 01:00:30,000

in the next decade or two relating to

1379

01:00:34,279 --> 01:00:32,519

these technologies and of course all

1380

01:00:35,809 --> 01:00:34,289

this business about the pre-adamite sand

1381

01:00:39,890 --> 01:00:35,819

the elites goal of reviving them

1382

01:00:42,170 --> 01:00:39,900

reptilians - it is all in the mix so if

1383

01:00:44,240 --> 01:00:42,180

you like the higher side chats if you've

1384

01:00:46,009 --> 01:00:44,250

enjoyed the years of shows I've done

1385

01:00:48,140 --> 01:00:46,019

please sign up to hear the second hour

1386

01:00:50,569 --> 01:00:48,150

this is a damn good one to start with

1387

01:00:53,839 --> 01:00:50,579

but there are so many waiting for you

1388

01:00:56,359 --> 01:00:53,849

and your subscriptions keep me going but

1389

01:00:58,190 --> 01:00:56,369

really just do it for you not me do it

1390

01:01:01,450 --> 01:00:58,200

because you like the show I make and you

1391

01:01:04,549 --> 01:01:01,460

want to hear more of it cash cow or not

1392

01:01:07,279 --> 01:01:04,559

so I did want to say also in THC news

1393

01:01:10,609 --> 01:01:07,289

women's t-shirts are about a week away

1394

01:01:12,529 --> 01:01:10,619

I'm generating skews now had a developer

1395

01:01:14,359 --> 01:01:12,539

work on the website a little bit just to

1396

01:01:16,640 --> 01:01:14,369

straighten out how the images were

1397

01:01:18,529 --> 01:01:16,650

displayed and I know I got a lot of

1398

01:01:20,870 --> 01:01:18,539

ladies asking about that it is very

1399

01:01:23,690 --> 01:01:20,880

close I just need to get my latest

1400

01:01:26,599 --> 01:01:23,700

interview over to the editor enjoy the

1401

01:01:28,789 --> 01:01:26,609

three day Ill pass I got hooked up with

1402

01:01:29,720 --> 01:01:28,799

get back down to San Diego and crank out

1403

01:01:31,880 --> 01:01:29,730

the rest of the month

1404

01:01:33,559 --> 01:01:31,890

I feel like we're on a roll with some

1405

01:01:35,839 --> 01:01:33,569

really strong shows even though mark

1406

01:01:36,590 --> 01:01:35,849

passio is a bit more split than I would

1407

01:01:38,710 --> 01:01:36,600

have thought

1408

01:01:42,170 --> 01:01:38,720

I'd still count him in the plus column

1409

01:01:45,110 --> 01:01:42,180

but Michel one susquehanna alchemy and

1410

01:01:48,380 --> 01:01:45,120

Jason Louvre on John Dee loved both

1411

01:01:50,840 --> 01:01:48,390

those shows and they pair nicely so I

1412

01:01:53,510 --> 01:01:50,850

did take a few risks with the scheduling

1413

01:01:55,550 --> 01:01:53,520

this month we might run into some hits

1414

01:01:57,590 --> 01:01:55,560

and misses and if that happens I'll

1415

01:02:00,230 --> 01:01:57,600

steer us right back on course with some

1416

01:02:03,050 --> 01:02:00,240

guarantees I can depend on but we're

1417

01:02:06,080 --> 01:02:03,060

always going for gold so we'll see what

1418

01:02:08,750 --> 01:02:06,090

happens I hope you trust me by now to

1419

01:02:10,280 --> 01:02:08,760

know when a course correction is needed

1420

01:02:12,460 --> 01:02:10,290

and at least see where I'm coming from

1421

01:02:15,260 --> 01:02:12,470

with some of the chances that I do take

1422

01:02:17,870 --> 01:02:15,270

but I will see you as the road unfolds

1423

01:02:21,020 --> 01:02:17,880

again sign up for THC plus at the higher

1424

01:02:23,000 --> 01:02:21,030

side chats plus com it's only 5 bucks

1425

01:02:25,970 --> 01:02:23,010

and you get a shitload of benefits and

1426  
01:02:27,830 --> 01:02:25,980  
twice as much show and I'm getting out

1427  
01:02:29,960 --> 01:02:27,840  
of here big thanks again to dr. Michael

1428  
01:02:32,990 --> 01:02:29,970  
Salah and all you fine folks out there

1429  
01:02:33,470 --> 01:02:33,000  
in my digital Wonderland I've done my

1430  
01:02:36,110 --> 01:02:33,480  
part

1431  
01:02:37,910 --> 01:02:36,120  
your move Antarctic Nazis and our earth

1432  
01:02:41,750 --> 01:02:37,920  
reptiles and Prieta mites of the

1433  
01:02:46,310 --> 01:02:41,760  
apocalypse your [h\_\_\h] move

1434  
01:02:50,660 --> 01:02:46,320  
this is important here what I said I'm

1435  
01:02:58,710 --> 01:02:50,670  
trying to tell you it's not paranoia and

1436  
01:03:08,490 --> 01:03:02,910  
who asked you a question I know your

1437  
01:03:10,530 --> 01:03:08,500  
head is still in the same movie shape -

1438  
01:03:14,250 --> 01:03:10,540

you slaughter for the rest of your life

1439

01:03:56,940 --> 01:03:14,260

oppressed oppressed but you say you

1440

01:04:01,230 --> 01:03:56,950

don't you sit and wish but we don't have

1441

01:04:04,670 --> 01:04:01,240

a choice it seems we're stuck here but

1442

01:04:09,540 --> 01:04:04,680

you can find no sister on out the noise

1443

01:04:15,030 --> 01:04:09,550

now use that altar and of your magic

1444

01:04:19,820 --> 01:04:15,040

game listen to the XP you know go with

1445

01:04:22,460 --> 01:04:19,830

the entity if you ever see thank you

1446

01:04:24,359 --> 01:04:22,470

to be a slaughter for the rest of your

1447

01:04:26,579 --> 01:04:24,369

life though presto

1448

01:04:30,300 --> 01:04:26,589

but you're getting room you say you

1449

01:04:45,340 --> 01:04:30,310

don't want to be stressed until the day

1450

01:05:27,600 --> 01:05:02,320

[Music]

1451

01:05:30,330 --> 01:05:27,610

don't be cheap serious lotta for the

1452

01:05:32,340 --> 01:05:30,340

rest of your life oppressed oppressed

1453

01:05:35,980 --> 01:05:32,350

but you're getting more you say you

1454

01:06:08,020 --> 01:05:51,110

[Music]
