

DONALD JEFFRIES

SURVIVAL OF THE RICHEST, HUEY LONG, & SOLUTION SUPPRESSION

PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT THEHIGHERSIDECHATS.COM

LISTEN TO THE EXTENDED SHOW AT THEHIGHERSIDECHATSPUS.COM

1
00:00:05,680 --> 00:00:02,790

[Music]

2
00:00:08,169 --> 00:00:05,690

congratulations YouTube you did it you

3
00:00:10,660 --> 00:00:08,179

wore me down and you sucked me back in I

4
00:00:13,270 --> 00:00:10,670

have too many subscribers here just to

5
00:00:15,789 --> 00:00:13,280

walk away entirely especially with no

6
00:00:18,009 --> 00:00:15,799

alternative that truly stacks up and so

7
00:00:21,399 --> 00:00:18,019

many copycat channels uploading my shows

8
00:00:24,579 --> 00:00:21,409

for me anyway but we can't forget the th

9
00:00:26,200 --> 00:00:24,589

C's account here is on thin ice and so

10
00:00:29,290 --> 00:00:26,210

the YouTube version of the show has to

11
00:00:32,200 --> 00:00:29,300

be prefaced with this little PSA only to

12
00:00:33,369 --> 00:00:32,210

say that episodes that contain the kinds

13
00:00:35,889 --> 00:00:33,379

of themes that have been regularly

14

00:00:38,709 --> 00:00:35,899

banned on YouTube will not appear here

15

00:00:40,660 --> 00:00:38,719

and even with that precaution there's

16

00:00:42,939 --> 00:00:40,670

already enough in the archive to get us

17

00:00:45,310 --> 00:00:42,949

removed so remember that the higher side

18

00:00:48,160 --> 00:00:45,320

chats could be banned or put in timeout

19

00:00:50,200 --> 00:00:48,170

again at any time and I won't be able to

20

00:00:52,000 --> 00:00:50,210

tell you guys about it so if you feel

21

00:00:53,500 --> 00:00:52,010

like it's been too long since you've

22

00:00:56,590 --> 00:00:53,510

heard from me here on this digital

23

00:00:59,410 --> 00:00:56,600

dystopian draconian data-mining monster

24

00:01:00,910 --> 00:00:59,420

of a police state seeking platform your

25

00:01:03,180 --> 00:01:00,920

first step should be to check the higher

26

00:01:09,670 --> 00:01:03,190

side chats calm for the latest shows

27

00:01:11,410 --> 00:01:09,680

alright alright enjoy embrace yourself

28

00:01:13,330 --> 00:01:11,420

because you're about to dive into

29

00:01:15,219 --> 00:01:13,340

another free first hour episode of the

30

00:01:16,389 --> 00:01:15,229

higher side chats and we just want to

31

00:01:18,039 --> 00:01:16,399

let you know that whether you're looking

32

00:01:20,020 --> 00:01:18,049

for a companion through your paranoid

33

00:01:22,179 --> 00:01:20,030

insomnia entertaining yourself through

34

00:01:23,800 --> 00:01:22,189

one of life's mundane activities or

35

00:01:25,870 --> 00:01:23,810

trying to ward off the internal scream

36

00:01:28,630 --> 00:01:25,880

to all those sad smothered Souls around

37

00:01:29,859 --> 00:01:28,640

the office THC is here and you should

38

00:01:31,840 --> 00:01:29,869

know that every episode of the higher

39

00:01:34,240 --> 00:01:31,850

side chats has an entire second hour

40

00:01:36,819 --> 00:01:34,250

four plus members sign up at the higher

41

00:01:39,399 --> 00:01:36,829

side chats plus calm and you get years

42

00:01:41,469 --> 00:01:39,409

of plus show archives lifetime forum

43

00:01:44,499 --> 00:01:41,479

access the special invite to Greg Carl

44

00:01:48,310 --> 00:01:44,509

was monthly joint sessions mp3s of THC

45

00:01:50,679 --> 00:01:48,320

music bonus episodes for videos and 10%

46

00:01:53,289 --> 00:01:50,689

off t-shirts grinders and whatever else

47

00:01:55,270 --> 00:01:53,299

ends up in the higher side store it's \$8

48

00:01:57,099 --> 00:01:55,280

a month that you won't miss so become a

49

00:01:59,499 --> 00:01:57,109

plus member and treat yourself in these

50

00:02:01,179 --> 00:01:59,509

trouble times always action-packed and

51
00:02:07,870 --> 00:02:01,189
commercial for you which means ill

52
00:02:07,880 --> 00:02:16,460
[Music]

53
00:02:22,560 --> 00:02:19,770
the planets puppet-masters on my shirt

54
00:02:25,280 --> 00:02:22,570
you have a plan it's clearly maybe

55
00:02:28,170 --> 00:02:25,290
something there beyond the realm of man

56
00:02:31,320 --> 00:02:28,180
until we've thoroughly tested every last

57
00:02:36,059 --> 00:02:31,330
close just if you find the more you

58
00:02:36,069 --> 00:02:40,020
where will we be

59
00:02:47,430 --> 00:02:43,210
we know the lying to us just don't know

60
00:02:56,800 --> 00:02:47,440
what to green where would we be without

61
00:03:06,930 --> 00:03:03,619
[Music]

62
00:03:09,030 --> 00:03:06,940
all right higher side chatters we know

63
00:03:10,920 --> 00:03:09,040

making it in this world is like swimming

64

00:03:13,229 --> 00:03:10,930

against a river current determined to

65

00:03:15,089 --> 00:03:13,239

sweep us away into obscurity but for the

66

00:03:17,490 --> 00:03:15,099

elite class it's a lush grotto of

67

00:03:20,300 --> 00:03:17,500

mingling and networking and of course a

68

00:03:22,800 --> 00:03:20,310

well-built Dam to keep you downstream

69

00:03:24,539 --> 00:03:22,810

unfortunately the system just wasn't set

70

00:03:26,699 --> 00:03:24,549

up for us especially when you play

71

00:03:28,320 --> 00:03:26,709

things by the book and why should you

72

00:03:30,600 --> 00:03:28,330

when the richest among us have tilted

73

00:03:32,970 --> 00:03:30,610

every aspect of the Big Machine in their

74

00:03:35,039 --> 00:03:32,980

favor and insulated themselves against

75

00:03:37,110 --> 00:03:35,049

the sullied masses every step of the way

76

00:03:38,670 --> 00:03:37,120

from offering the elite liens a

77

00:03:41,220 --> 00:03:38,680

completely different education system

78

00:03:43,620 --> 00:03:41,230

than the obedient worker maker plan the

79

00:03:45,360 --> 00:03:43,630

rest of us are on two tax loops and

80

00:03:47,910 --> 00:03:45,370

advantages that only affect the top

81

00:03:50,280 --> 00:03:47,920

rungs of the ladder privileged positions

82

00:03:52,440 --> 00:03:50,290

and seats of high pain but arbitrary

83

00:03:54,360 --> 00:03:52,450

board seats and even simple things like

84

00:03:56,850 --> 00:03:54,370

better deals on interest rates insurance

85

00:03:58,530 --> 00:03:56,860

and the rest of it if you thought things

86

00:04:00,000 --> 00:03:58,540

were fair then you must have eaten the

87

00:04:01,890 --> 00:04:00,010

carrot they've dangled over the

88

00:04:03,750 --> 00:04:01,900

treadmill to the middle because our

89

00:04:05,759 --> 00:04:03,760

invite to the cocktail party at the end

90

00:04:08,039 --> 00:04:05,769

of the world is forever lost in the mail

91

00:04:09,720 --> 00:04:08,049

well these are the themes of the latest

92

00:04:12,210 --> 00:04:09,730

book by today's guest Donald Jeffries

93

00:04:14,069 --> 00:04:12,220

entitled survival of the richest how the

94

00:04:16,080 --> 00:04:14,079

corruption of the marketplace and the

95

00:04:18,390 --> 00:04:16,090

disparity of wealth created the greatest

96

00:04:20,159 --> 00:04:18,400

conspiracy of all and if you're

97

00:04:22,050 --> 00:04:20,169

unfamiliar with Donald's work he's also

98

00:04:23,879 --> 00:04:22,060

the author of a popular novel called the

99

00:04:25,740 --> 00:04:23,889

unreal zand also wrote a great

100

00:04:28,230 --> 00:04:25,750

conspiratorial tome called hidden

101
00:04:30,420 --> 00:04:28,240
history an expose on modern crimes

102
00:04:33,060 --> 00:04:30,430
conspiracies and cover-ups in American

103
00:04:34,680 --> 00:04:33,070
politics his blog is called keeping it

104
00:04:37,740 --> 00:04:34,690
unreal and he's been a frequent guest

105
00:04:40,350 --> 00:04:37,750
host of coast-to-coast am as well a true

106
00:04:42,240 --> 00:04:40,360
wealth gap warrior advocate of economic

107
00:04:44,760 --> 00:04:42,250
equality and chronicler of many

108
00:04:46,469 --> 00:04:44,770
conspiracies along the way Donald my man

109
00:04:48,510 --> 00:04:46,479
welcome to the higher side how the hell

110
00:04:50,850 --> 00:04:48,520
are you all right thanks for having me

111
00:04:52,890 --> 00:04:50,860
Greg you got it thanks for being here I

112
00:04:55,409 --> 00:04:52,900
think you wrote a great book if anyone

113
00:04:57,810 --> 00:04:55,419

is in denial about the entire system

114

00:04:59,700 --> 00:04:57,820

being skewed for the nefarious view they

115

00:05:01,860 --> 00:04:59,710

won't be when they're done with survival

116

00:05:03,810 --> 00:05:01,870

of the richest because you make a pretty

117

00:05:06,360 --> 00:05:03,820

clear case that even from the time

118

00:05:07,700 --> 00:05:06,370

you're born you just don't have the same

119

00:05:10,040 --> 00:05:07,710

opportunities no matter how

120

00:05:12,530 --> 00:05:10,050

hard you work but you have to be pretty

121

00:05:14,330 --> 00:05:12,540

dense to still be drinking the fair

122

00:05:15,710 --> 00:05:14,340

chance for all kool-aid because the

123

00:05:18,800 --> 00:05:15,720

elite tilting the scales in their favor

124

00:05:21,290 --> 00:05:18,810

is like the main paradigm of history

125

00:05:23,420 --> 00:05:21,300

right exactly I mean you know this

126

00:05:25,130 --> 00:05:23,430

battle has been going on for most of

127

00:05:26,840 --> 00:05:25,140

human history and I think that's why in

128

00:05:28,520 --> 00:05:26,850

America we really ought to pay attention

129

00:05:30,350 --> 00:05:28,530

to this even more so than the rest of

130

00:05:32,270 --> 00:05:30,360

the world because we brag a lot and we

131

00:05:34,100 --> 00:05:32,280

certainly from our sounding we talked

132

00:05:36,950 --> 00:05:34,110

about building with Tom ships and the

133

00:05:38,810 --> 00:05:36,960

call to meritocracy because we broke

134

00:05:40,940 --> 00:05:38,820

away from the King of England and the

135

00:05:42,560 --> 00:05:40,950

queen of a go although unfortunately and

136

00:05:44,210 --> 00:05:42,570

over two hundred years later here we see

137

00:05:46,190 --> 00:05:44,220

too many Americans still worshipping

138

00:05:47,870 --> 00:05:46,200

these royal parasites which still exist

139

00:05:49,880 --> 00:05:47,880

the ultimate one percenters we have

140

00:05:51,590 --> 00:05:49,890

absolutely no reason for being do

141

00:05:53,630 --> 00:05:51,600

absolutely nothing to earn this

142

00:05:55,550 --> 00:05:53,640

unbelievable wealth don't have to do

143

00:05:57,890 --> 00:05:55,560

anything but just kind of exist and walk

144

00:05:59,600 --> 00:05:57,900

along and maybe deign to meet the

145

00:06:01,760 --> 00:05:59,610

peasants here there and acknowledge

146

00:06:03,320 --> 00:06:01,770

their presence that's it and you know we

147

00:06:05,600 --> 00:06:03,330

fought a war for independence from that

148

00:06:08,210 --> 00:06:05,610

and we wanted to have meritocracy and

149

00:06:10,280 --> 00:06:08,220

for a long time - much better degree

150

00:06:12,020 --> 00:06:10,290

than we see now in the last 30 years

151

00:06:14,570 --> 00:06:12,030

especially in the post warrior you know

152

00:06:17,210 --> 00:06:14,580

I'm a baby boomer I was born in 56 so I

153

00:06:19,070 --> 00:06:17,220

grew up it's not just saying the good

154

00:06:20,870 --> 00:06:19,080

old days but it was the best time

155

00:06:22,910 --> 00:06:20,880

economically for America maybe the only

156

00:06:25,610 --> 00:06:22,920

time it's been really strong and a lot

157

00:06:27,440 --> 00:06:25,620

of that was due to the post-war era with

158

00:06:29,750 --> 00:06:27,450

the defense contractors and the military

159

00:06:31,550 --> 00:06:29,760

industrial complex bad things but they

160

00:06:33,740 --> 00:06:31,560

did have an offshoot of building a

161

00:06:38,060 --> 00:06:33,750

tremendously strong economy and so for a

162

00:06:40,730 --> 00:06:38,070

long time any job that anyone had paid

163

00:06:42,980 --> 00:06:40,740

at least enough for someone to at the

164

00:06:44,420 --> 00:06:42,990

very least rent their own apartment

165

00:06:45,590 --> 00:06:44,430

there was no such thing as like not

166

00:06:48,350 --> 00:06:45,600

being able to live on your own if you

167

00:06:50,390 --> 00:06:48,360

work and jobs were much easier to get so

168

00:06:52,070 --> 00:06:50,400

that's part of the focus of this book

169

00:06:53,870 --> 00:06:52,080

because again the class war has been

170

00:06:55,430 --> 00:06:53,880

waged to varying degrees for a long time

171

00:06:57,050 --> 00:06:55,440

it's still being waged all over the

172

00:06:59,000 --> 00:06:57,060

world I think the latest statistic is

173

00:07:01,280 --> 00:06:59,010

the world's richest eight individuals or

174

00:07:04,610 --> 00:07:01,290

eight families have more wealth from the

175

00:07:06,050 --> 00:07:04,620

bottom half of the world so I mean

176

00:07:07,730 --> 00:07:06,060

people just ought to think of that and

177

00:07:09,770 --> 00:07:07,740

take that in course and I believe that

178

00:07:11,630 --> 00:07:09,780

we've talked about I believe Bill Gates

179

00:07:13,130 --> 00:07:11,640

and Warren Buffett alone they determined

180

00:07:16,010 --> 00:07:13,140

a few years back had more wealth than

181

00:07:18,620 --> 00:07:16,020

40% of America it's to individuals so is

182

00:07:20,870 --> 00:07:18,630

that what we want in America and maybe

183

00:07:21,620 --> 00:07:20,880

too many people do want that but I think

184

00:07:23,060 --> 00:07:21,630

that's clear

185

00:07:24,260 --> 00:07:23,070

the giant elephant in the room and

186

00:07:26,120 --> 00:07:24,270

that's why I wanted to write this book

187

00:07:29,030 --> 00:07:26,130

mm mm hmm

188

00:07:31,100 --> 00:07:29,040

yes it's an ever increasing squeeze that

189

00:07:32,960 --> 00:07:31,110

seems to be getting worse though it's a

190

00:07:34,670 --> 00:07:32,970

long tradition for the top to be screw

191

00:07:36,920 --> 00:07:34,680

in the bottom but when you look at

192

00:07:40,190 --> 00:07:36,930

things today where do you really see the

193

00:07:42,230 --> 00:07:40,200

line between the reality of our economic

194

00:07:46,190 --> 00:07:42,240

situation and like the narrative that

195

00:07:48,860 --> 00:07:46,200

regular folks are sold well I think what

196

00:07:50,330 --> 00:07:48,870

most of us consume in terms of we're

197

00:07:53,870 --> 00:07:50,340

consuming news we're consuming

198

00:07:55,280 --> 00:07:53,880

entertainment the culture the structure

199

00:07:57,380 --> 00:07:55,290

as it is what's left of the

200

00:07:59,000 --> 00:07:57,390

establishment these incredibly corrupt

201
00:08:01,430 --> 00:07:59,010
establishment that we have and I've

202
00:08:04,450 --> 00:08:01,440
written about in other books but when we

203
00:08:06,560 --> 00:08:04,460
consume this everyone that's

204
00:08:08,270 --> 00:08:06,570
disseminating that reality that

205
00:08:09,530 --> 00:08:08,280
information whether it's the politicians

206
00:08:12,260 --> 00:08:09,540
the Talking Heads

207
00:08:14,660 --> 00:08:12,270
the celebrities the corporate leaders

208
00:08:15,860 --> 00:08:14,670
they are all one percenters to varying

209
00:08:18,380 --> 00:08:15,870
degrees of another even your local

210
00:08:20,900 --> 00:08:18,390
newscaster is probably making definitely

211
00:08:22,970 --> 00:08:20,910
making six figures so they're in the 1%

212
00:08:24,560 --> 00:08:22,980
I think one percent starts at 250,000 or

213
00:08:26,450 --> 00:08:24,570

something like that but at the very

214

00:08:29,210 --> 00:08:26,460

least they're in the top 20 percent so

215

00:08:31,010 --> 00:08:29,220

their problems are not the problems of

216

00:08:33,200 --> 00:08:31,020

the bottom half of this country that one

217

00:08:33,830 --> 00:08:33,210

of my main talking points it's been all

218

00:08:35,930 --> 00:08:33,840

over the media

219

00:08:37,850 --> 00:08:35,940

half of all workers in America those

220

00:08:40,370 --> 00:08:37,860

that are lucky enough to have jobs 50%

221

00:08:42,650 --> 00:08:40,380

the bottom 50% may less than \$27,000 a

222

00:08:44,630 --> 00:08:42,660

year half the country that's not enough

223

00:08:46,520 --> 00:08:44,640

to live today and anywhere in this

224

00:08:48,350 --> 00:08:46,530

country to live on your own independent

225

00:08:49,820 --> 00:08:48,360

anywhere mmm I mean maybe places in

226
00:08:51,920 --> 00:08:49,830
Mississippi and Arkansas you might be

227
00:08:53,450 --> 00:08:51,930
able to eke out a small apartment and

228
00:08:55,700 --> 00:08:53,460
probably a crime-ridden neighborhood I

229
00:08:57,440 --> 00:08:55,710
don't know but certainly most places in

230
00:08:59,840 --> 00:08:57,450
the country can't so that's half the

231
00:09:01,520 --> 00:08:59,850
country and the reason why I talk too

232
00:09:03,560 --> 00:09:01,530
much about immigration is because with

233
00:09:06,110 --> 00:09:03,570
every wave of immigration that comes in

234
00:09:08,360 --> 00:09:06,120
it's almost all coming legally or

235
00:09:10,940 --> 00:09:08,370
illegally from the poorest parts even

236
00:09:13,070 --> 00:09:10,950
poorer parts of the world than our

237
00:09:14,930 --> 00:09:13,080
poorest parts so when you have people

238
00:09:17,330 --> 00:09:14,940

coming from Mexico that are coming from

239

00:09:20,540 --> 00:09:17,340

desperate circumstances they're entering

240

00:09:21,980 --> 00:09:20,550

at the very bottom of that bottom 50% so

241

00:09:23,300 --> 00:09:21,990

what's happening

242

00:09:25,120 --> 00:09:23,310

we're producing more and more

243

00:09:28,160 --> 00:09:25,130

desperately poor people so it's

244

00:09:29,690 --> 00:09:28,170

broadening that 50% so if we don't do

245

00:09:32,990 --> 00:09:29,700

anything about immigration in another

246

00:09:35,210 --> 00:09:33,000

decade or two that may go up to 75%

247

00:09:37,160 --> 00:09:35,220

we're 75 percent of the countries making

248

00:09:39,680 --> 00:09:37,170

ridiculous weights where they can't live

249

00:09:41,780 --> 00:09:39,690

on their own anywhere no one talks about

250

00:09:43,250 --> 00:09:41,790

that about the impact of bringing more

251
00:09:45,710 --> 00:09:43,260
and more poor people there's lots of

252
00:09:47,900 --> 00:09:45,720
issues like that but that's just one

253
00:09:49,460 --> 00:09:47,910
example but the public that's consuming

254
00:09:52,010 --> 00:09:49,470
this the rest of it I'm doing okay

255
00:09:53,660 --> 00:09:52,020
there's a 20% that are doing okay I'm

256
00:09:56,150 --> 00:09:53,670
not gonna starve any time or bill

257
00:09:57,949 --> 00:09:56,160
homeless but when I'm consuming that I'm

258
00:09:59,870 --> 00:09:57,959
aware that I'm looking at they're

259
00:10:01,940 --> 00:09:59,880
producing that for people like me or

260
00:10:04,190 --> 00:10:01,950
people who are doing better than me that

261
00:10:05,540 --> 00:10:04,200
bottom 50% I guess they watch it like

262
00:10:07,310 --> 00:10:05,550
they used to watch the lifestyles of the

263
00:10:09,800 --> 00:10:07,320

rich and famous television showing dream

264

00:10:12,199 --> 00:10:09,810

about something better but it's not

265

00:10:13,579 --> 00:10:12,209

their reality and that's the gist of

266

00:10:15,170 --> 00:10:13,589

what I'm trying to say is that what's

267

00:10:17,600 --> 00:10:15,180

being produced for us and went to the

268

00:10:20,300 --> 00:10:17,610

world and to our own citizens is not a

269

00:10:22,670 --> 00:10:20,310

reality for half the country at least

270

00:10:24,680 --> 00:10:22,680

because they are living in you know I

271

00:10:26,960 --> 00:10:24,690

think one out of I think 20% of the

272

00:10:28,430 --> 00:10:26,970

households in America have no one

273

00:10:30,260 --> 00:10:28,440

working in them I mean this it's just

274

00:10:33,079 --> 00:10:30,270

we're not a first world economy anymore

275

00:10:36,280 --> 00:10:33,089

those kind of statistics mm-hmm yeah I

276

00:10:39,380 --> 00:10:36,290

mean I got no problem with people being

277

00:10:41,120 --> 00:10:39,390

successful but it's just the alteration

278

00:10:43,970 --> 00:10:41,130

of the game the tilting of the scales

279

00:10:47,420 --> 00:10:43,980

the kind of like closing the ladder off

280

00:10:50,240 --> 00:10:47,430

to the bottom rungs that really chaps my

281

00:10:51,829 --> 00:10:50,250

ass especially when you're still sold

282

00:10:53,480 --> 00:10:51,839

the bill of goods it's still like I'll

283

00:10:55,490 --> 00:10:53,490

just work hard you're eventually gonna

284

00:10:58,400 --> 00:10:55,500

get there that's why I always have said

285

00:11:00,380 --> 00:10:58,410

the midlife crisis is when you've spent

286

00:11:02,210 --> 00:11:00,390

half your life you can't get it back and

287

00:11:04,300 --> 00:11:02,220

you're like [h__h] I'm not going anywhere

288

00:11:06,890 --> 00:11:04,310

I'm never gonna get up there to the top

289

00:11:08,660 --> 00:11:06,900

right exactly you're right people are

290

00:11:10,519 --> 00:11:08,670

sold that bill of goods and while we've

291

00:11:12,710 --> 00:11:10,529

always had these kind of myths you know

292

00:11:15,110 --> 00:11:12,720

when I was a little boy everyone was

293

00:11:16,819 --> 00:11:15,120

told anybody any ball there certainly

294

00:11:19,040 --> 00:11:16,829

still not a girl this croats be

295

00:11:20,900 --> 00:11:19,050

president but any boy can grow up to be

296

00:11:22,310 --> 00:11:20,910

president it stays but you know you look

297

00:11:23,960 --> 00:11:22,320

into the backgrounds of all the

298

00:11:25,910 --> 00:11:23,970

presidents United States you see that

299

00:11:27,260 --> 00:11:25,920

none of them came from poverty even the

300

00:11:28,639 --> 00:11:27,270

ones they claim they did Abraham

301
00:11:31,430 --> 00:11:28,649
Lincoln's father was the largest

302
00:11:33,319 --> 00:11:31,440
landowner his County Harry Truman was a

303
00:11:34,639 --> 00:11:33,329
delegate to the Democratic National

304
00:11:36,679 --> 00:11:34,649
Convention a teenager you

305
00:11:38,900 --> 00:11:36,689
get to be a delegate at that age without

306
00:11:41,329 --> 00:11:38,910
having some kind of connection so nobody

307
00:11:44,660 --> 00:11:41,339
really comes from poverty to go to that

308
00:11:46,970 --> 00:11:44,670
point so it was a myth then the horatio

309
00:11:49,189 --> 00:11:46,980
alger stories of rags to riches that

310
00:11:51,889 --> 00:11:49,199
were very popular in the late 1800s

311
00:11:54,199 --> 00:11:51,899
Early 1900s were largely mythical but

312
00:11:56,540 --> 00:11:54,209
they were still a possibility people

313
00:11:59,210 --> 00:11:56,550

like Thomas Edison Henry Ford didn't

314

00:12:01,429 --> 00:11:59,220

come from great circumstances and they

315

00:12:04,519 --> 00:12:01,439

were able to obviously achieve great

316

00:12:07,400 --> 00:12:04,529

things but it's very hard for a Thomas

317

00:12:10,400 --> 00:12:07,410

Edison a Henry Ford type now to come

318

00:12:12,199 --> 00:12:10,410

along because you need capital you need

319

00:12:14,150 --> 00:12:12,209

money to do virtually anything and

320

00:12:17,119 --> 00:12:14,160

that's another focus of the book is how

321

00:12:20,239 --> 00:12:17,129

by having money to begin with that way a

322

00:12:22,309 --> 00:12:20,249

Donald Trump for instance can be perhaps

323

00:12:24,650 --> 00:12:22,319

his ignorant as he sounds we don't know

324

00:12:26,650 --> 00:12:24,660

if he really is but he can be that way

325

00:12:28,970 --> 00:12:26,660

but by virtue of being born a

326

00:12:30,889 --> 00:12:28,980

multi-millionaire he can become a

327

00:12:33,919 --> 00:12:30,899

billionaire now if he had been born the

328

00:12:36,259 --> 00:12:33,929

son of a construction worker an

329

00:12:38,359 --> 00:12:36,269

alcoholic construction worker or living

330

00:12:41,119 --> 00:12:38,369

with a single mother it would matter

331

00:12:44,030 --> 00:12:41,129

there's no way in the world he could

332

00:12:46,460 --> 00:12:44,040

ever afford to buy the casinos it made

333

00:12:47,809 --> 00:12:46,470

him his fortune but because he had that

334

00:12:49,999 --> 00:12:47,819

capital on that and I'm just you know

335

00:12:51,769 --> 00:12:50,009

not meaning to pick on just him but

336

00:12:54,139 --> 00:12:51,779

that's what you found I looked in the

337

00:12:55,970 --> 00:12:54,149

backgrounds of so many celebrities from

338

00:12:57,769 --> 00:12:55,980

all backgrounds and I actually wrote a

339

00:12:59,749 --> 00:12:57,779

chapter on it it was a couple of

340

00:13:02,030 --> 00:12:59,759

chapters were cut out of the book for a

341

00:13:04,309 --> 00:13:02,040

size requirements but our readers can go

342

00:13:06,980 --> 00:13:04,319

to my blog and find that chapter on

343

00:13:09,160 --> 00:13:06,990

relations on celebrities and I went to

344

00:13:12,019 --> 00:13:09,170

the backgrounds of actors musicians

345

00:13:14,629 --> 00:13:12,029

corporate leaders and showed that

346

00:13:18,139 --> 00:13:14,639

virtually all of them and I mean all of

347

00:13:20,900 --> 00:13:18,149

them came from at least upper-middle

348

00:13:23,239 --> 00:13:20,910

class very stable backgrounds most of

349

00:13:24,530 --> 00:13:23,249

them though came from the 1% to some

350

00:13:26,840 --> 00:13:24,540

degree or no they were already rich in

351

00:13:28,879 --> 00:13:26,850

other words so again rags to riches

352

00:13:30,619 --> 00:13:28,889

stories their mythical because weight is

353

00:13:31,429 --> 00:13:30,629

structure in America today if you're

354

00:13:33,559 --> 00:13:31,439

born wealthy

355

00:13:35,090 --> 00:13:33,569

it's almost impossibly not to die

356

00:13:37,789 --> 00:13:35,100

wealthy and to leave wealth for your

357

00:13:41,210 --> 00:13:37,799

children if you're born poor unless

358

00:13:42,439 --> 00:13:41,220

you're an athlete perhaps maybe an

359

00:13:44,289 --> 00:13:42,449

entertainer and to some degree

360

00:13:46,639 --> 00:13:44,299

especially in the black community

361

00:13:48,500 --> 00:13:46,649

possibly you may be able to become

362

00:13:50,690 --> 00:13:48,510

wealthy but it's a very small chain

363

00:13:51,950 --> 00:13:50,700

it's but so the rest of us if you're

364

00:13:53,060 --> 00:13:51,960

born poor you're going to stay for

365

00:13:55,850 --> 00:13:53,070

mm-hmm

366

00:13:57,920 --> 00:13:55,860

and you mentioned Trump another thing

367

00:14:02,090 --> 00:13:57,930

that comes up in the book a lot is just

368

00:14:04,130 --> 00:14:02,100

the general theme of failing up that the

369

00:14:06,110 --> 00:14:04,140

kind of mistakes these people at the top

370

00:14:09,500 --> 00:14:06,120

are allowed to make and keep their jobs

371

00:14:13,010 --> 00:14:09,510

or just get a new job is insane compared

372

00:14:14,960 --> 00:14:13,020

to you RI and these small little things

373

00:14:16,700 --> 00:14:14,970

that get people fired from their only

374

00:14:19,850 --> 00:14:16,710

source of income you go from that to

375

00:14:21,290 --> 00:14:19,860

nothing yet these people I mean even if

376

00:14:23,510 --> 00:14:21,300

you get fired you're probably going to

377

00:14:24,320 --> 00:14:23,520

get a couple of MIL just for that it is

378

00:14:26,420 --> 00:14:24,330

crazy

379

00:14:29,120 --> 00:14:26,430

yeah I mean you have the golden

380

00:14:30,350 --> 00:14:29,130

umbrellas which could be 4050 I think

381

00:14:33,020 --> 00:14:30,360

I've seen as high as a hundred million

382

00:14:35,180 --> 00:14:33,030

where they give these to lots of times

383

00:14:37,040 --> 00:14:35,190

most of the time they give them to CEOs

384

00:14:38,540 --> 00:14:37,050

who have run the company in the ground

385

00:14:41,030 --> 00:14:38,550

have lost the company money we've done a

386

00:14:42,830 --> 00:14:41,040

bad job by anyone's standards they pay

387

00:14:45,350 --> 00:14:42,840

them to go away now all of us would love

388

00:14:47,780 --> 00:14:45,360

to fail like that most of us on our

389

00:14:49,850 --> 00:14:47,790

regular jobs if we screw up and violate

390

00:14:51,560 --> 00:14:49,860

some petty policy where if you live in

391

00:14:53,330 --> 00:14:51,570

an at-will state I live in an at-will or

392

00:14:55,340 --> 00:14:53,340

a right-to-work state one of the biggest

393

00:14:57,680 --> 00:14:55,350

jokes of all right to work means right

394

00:14:59,330 --> 00:14:57,690

to fire you for no reason they can

395

00:15:01,220 --> 00:14:59,340

literally they don't like your look one

396

00:15:03,890 --> 00:15:01,230

day and fire you they don't have to have

397

00:15:07,190 --> 00:15:03,900

a reason and the vast majority workers

398

00:15:09,380 --> 00:15:07,200

when they get fired or laid off they may

399

00:15:11,780 --> 00:15:09,390

get a very modest severance package that

400

00:15:14,300 --> 00:15:11,790

they're laid off very modest but if

401
00:15:15,770 --> 00:15:14,310
they're fired or and many times they're

402
00:15:18,170 --> 00:15:15,780
laid off their would be lucky to get a

403
00:15:19,970 --> 00:15:18,180
couple weeks pay again that's the vast

404
00:15:22,430 --> 00:15:19,980
majority that's how the system works of

405
00:15:24,770 --> 00:15:22,440
course unemployment for people like that

406
00:15:27,170 --> 00:15:24,780
is an entirely different situation than

407
00:15:29,240 --> 00:15:27,180
an executive that is already probably

408
00:15:31,430 --> 00:15:29,250
has at least six figures saved up

409
00:15:32,870 --> 00:15:31,440
whereas the average American I haven't

410
00:15:34,490 --> 00:15:32,880
seen the latest statistic but I think

411
00:15:36,590 --> 00:15:34,500
the last time I looked it was I think

412
00:15:38,780 --> 00:15:36,600
about 77 percent of Americans that

413
00:15:41,360 --> 00:15:38,790

didn't have \$500 in savings or something

414

00:15:43,280 --> 00:15:41,370

like that something unbelievable that's

415

00:15:45,470 --> 00:15:43,290

the reality most people so just imagine

416

00:15:49,400 --> 00:15:45,480

someone in that 70 percent group gets

417

00:15:51,470 --> 00:15:49,410

fired one day and so you're devastated

418

00:15:52,960 --> 00:15:51,480

if you own your home it's got to be

419

00:15:55,520 --> 00:15:52,970

foreclosed on because in this job market

420

00:15:57,080 --> 00:15:55,530

you're not going to find a job I don't

421

00:16:00,200 --> 00:15:57,090

care you know Donald Trump touting the

422

00:16:02,100 --> 00:16:00,210

same statistics that he very accurately

423

00:16:04,050 --> 00:16:02,110

called out for their phone Enis

424

00:16:05,699 --> 00:16:04,060

1990s when they changed the stats to

425

00:16:08,430 --> 00:16:05,709

make the economic picture look rosier

426

00:16:09,960 --> 00:16:08,440

all the time they no longer count the

427

00:16:12,060 --> 00:16:09,970

real unemployment rate now they report

428

00:16:13,290 --> 00:16:12,070

to the public only those people who are

429

00:16:16,230 --> 00:16:13,300

presently receiving unemployment

430

00:16:17,550 --> 00:16:16,240

benefits and Trump pointed that out one

431

00:16:19,980 --> 00:16:17,560

of the many great things he said during

432

00:16:22,350 --> 00:16:19,990

his campaign now he's bragging about the

433

00:16:23,759 --> 00:16:22,360

same phony statistics saying that

434

00:16:25,650 --> 00:16:23,769

unemployment is going down which is

435

00:16:27,110 --> 00:16:25,660

ridiculous anybody who's faced that job

436

00:16:29,550 --> 00:16:27,120

market in the last few years

437

00:16:32,190 --> 00:16:29,560

understands exactly how hard it is for

438

00:16:33,750 --> 00:16:32,200

the average person to get a job the

439

00:16:35,519 --> 00:16:33,760

ropes you have to go through and the

440

00:16:39,060 --> 00:16:35,529

competition where you may have 200

441

00:16:41,639 --> 00:16:39,070

people for applying what is really a low

442

00:16:43,590 --> 00:16:41,649

paid job with no future at all to it but

443

00:16:46,620 --> 00:16:43,600

even those jobs are hard to get but if

444

00:16:48,810 --> 00:16:46,630

you're in the top 20% especially the top

445

00:16:50,280 --> 00:16:48,820

1% if you get laid off you're going to

446

00:16:54,060 --> 00:16:50,290

get a good severance package so you're

447

00:16:56,460 --> 00:16:54,070

not going to feel that same stress the

448

00:16:58,620 --> 00:16:56,470

same pressure to instantly have to go

449

00:17:00,030 --> 00:16:58,630

get a job instead you can kind of and

450

00:17:01,829 --> 00:17:00,040

you already have because you've made

451
00:17:04,860 --> 00:17:01,839
more to begin with again money begets

452
00:17:07,620 --> 00:17:04,870
money you already have probably a good

453
00:17:09,659 --> 00:17:07,630
deal of savings so every advantage is

454
00:17:11,059 --> 00:17:09,669
built there I talk about that constantly

455
00:17:13,590 --> 00:17:11,069
in the book work you know with money

456
00:17:15,569 --> 00:17:13,600
this holds fresh inment you need money

457
00:17:16,890 --> 00:17:15,579
to make money well it's just like the

458
00:17:18,720 --> 00:17:16,900
rich get richer and the poor get for

459
00:17:21,659 --> 00:17:18,730
some of those old chestnuts are very

460
00:17:24,720 --> 00:17:21,669
very accurate yeah they really are and

461
00:17:26,090 --> 00:17:24,730
so my idea for structuring this show is

462
00:17:28,230 --> 00:17:26,100
to go through the advantages

463
00:17:30,780 --> 00:17:28,240

chronologically in an upper-crust errs

464

00:17:32,280 --> 00:17:30,790

life versus the rest of us but we got to

465

00:17:33,570 --> 00:17:32,290

talk and and pretty much covered the

466

00:17:36,030 --> 00:17:33,580

first stage which is that these

467

00:17:37,620 --> 00:17:36,040

advantages start before you're even born

468

00:17:39,870 --> 00:17:37,630

as much of this wealth is

469

00:17:42,090 --> 00:17:39,880

multi-generational and as you said

470

00:17:44,610 --> 00:17:42,100

you've got to have money to make money

471

00:17:47,340 --> 00:17:44,620

because the system is set up for large

472

00:17:49,500 --> 00:17:47,350

sums of wealth to generate more wealth

473

00:17:51,539 --> 00:17:49,510

all on its own so once you're in the

474

00:17:53,730 --> 00:17:51,549

club it's pretty hard to actually lose

475

00:17:56,250 --> 00:17:53,740

and everyone's starting place is never

476

00:17:57,650 --> 00:17:56,260

gonna be absolutely equal but this is

477

00:18:00,419 --> 00:17:57,660

really on a different level

478

00:18:03,150 --> 00:18:00,429

exactly anybody that will sit there and

479

00:18:05,340 --> 00:18:03,160

try to tell me that a child born in

480

00:18:08,520 --> 00:18:05,350

desperate circumstances in Appalachia or

481

00:18:11,190 --> 00:18:08,530

in the wrong parts of Chicago in a

482

00:18:13,890 --> 00:18:11,200

trailer park in Arkansas there's almost

483

00:18:15,419 --> 00:18:13,900

certainly going to be alcoholism and/or

484

00:18:18,269 --> 00:18:15,429

drug abuse in that house

485

00:18:21,659 --> 00:18:18,279

almost guaranteed and again why is that

486

00:18:24,210 --> 00:18:21,669

because poverty begets that they want to

487

00:18:26,489 --> 00:18:24,220

try to drown the reality of their awful

488

00:18:28,200 --> 00:18:26,499

set of circumstances so of course you

489

00:18:30,810 --> 00:18:28,210

drink I mean the poor have been doing

490

00:18:32,700 --> 00:18:30,820

that forever the poor white trash may be

491

00:18:34,950 --> 00:18:32,710

doing meth and the blacks may be doing

492

00:18:38,070 --> 00:18:34,960

crack or whatever you're doing that to

493

00:18:39,960 --> 00:18:38,080

try to drown doubt how dismal your

494

00:18:42,450 --> 00:18:39,970

circumstances are looking at all that

495

00:18:45,659 --> 00:18:42,460

rundown neighborhoods a crime around you

496

00:18:48,029 --> 00:18:45,669

that you're born into that so even if

497

00:18:50,460 --> 00:18:48,039

you somehow are lucky enough and in most

498

00:18:52,289 --> 00:18:50,470

of those times the dad if he's even

499

00:18:53,820 --> 00:18:52,299

known who it is isn't in the life you're

500

00:18:55,889 --> 00:18:53,830

gonna be lucky to have any kind of male

501
00:18:57,509 --> 00:18:55,899
role model around that's usually not

502
00:18:58,799 --> 00:18:57,519
going to be a good male role model might

503
00:19:01,019 --> 00:18:58,809
be the uncle that just got out of prison

504
00:19:02,580 --> 00:19:01,029
or something and there's certainly not

505
00:19:04,139 --> 00:19:02,590
gonna be support so if you're in that

506
00:19:06,180 --> 00:19:04,149
circumstances and why you look at

507
00:19:07,529 --> 00:19:06,190
entertainers and stuff let's say well I

508
00:19:09,149 --> 00:19:07,539
want to be an actor or something well

509
00:19:11,220 --> 00:19:09,159
you're not going to be able to uh those

510
00:19:14,070 --> 00:19:11,230
families can't afford acting lessons or

511
00:19:16,859 --> 00:19:14,080
tennis lessons or golf lessons or piano

512
00:19:20,279 --> 00:19:16,869
lessons anything like that that nurture

513
00:19:21,930 --> 00:19:20,289

children and can make it easier really

514

00:19:23,399 --> 00:19:21,940

the only way you can reach out for that

515

00:19:25,049 --> 00:19:23,409

golden ring that you know the

516

00:19:26,549 --> 00:19:25,059

one-in-a-million chance that you might

517

00:19:28,080 --> 00:19:26,559

be able to make it in one of these

518

00:19:29,159 --> 00:19:28,090

worlds that lots of people want to make

519

00:19:31,259 --> 00:19:29,169

it into show business

520

00:19:33,389 --> 00:19:31,269

our sports or whatever but if you look

521

00:19:35,820 --> 00:19:33,399

at that same child if that same child is

522

00:19:37,859 --> 00:19:35,830

born to a bank president as Bill Gates

523

00:19:39,389 --> 00:19:37,869

was his father was the president Planned

524

00:19:41,190 --> 00:19:39,399

Parenthood he was born to some very

525

00:19:43,169 --> 00:19:41,200

special middle class not a middle class

526

00:19:44,159 --> 00:19:43,179

I grew up in a lower middle class and it

527

00:19:45,720 --> 00:19:44,169

wasn't like that

528

00:19:47,489 --> 00:19:45,730

president of Planned Parenthood his

529

00:19:49,710 --> 00:19:47,499

father was one of his grandfather's was

530

00:19:51,389 --> 00:19:49,720

a bank president his mother sat on the

531

00:19:53,249 --> 00:19:51,399

boards of directors and banks and big

532

00:19:55,619 --> 00:19:53,259

companies back in the 1950s and mothers

533

00:19:57,749 --> 00:19:55,629

were baking cookies but that's sold to

534

00:19:59,249 --> 00:19:57,759

us that someone like Bill Gates you know

535

00:20:01,049 --> 00:19:59,259

he can become the world's richest man he

536

00:20:03,119 --> 00:20:01,059

was just a middle-class person like you

537

00:20:04,529 --> 00:20:03,129

know he wasn't because how you define

538

00:20:06,840 --> 00:20:04,539

middle-class I was reading this morning

539

00:20:09,330 --> 00:20:06,850

that Republicans are now trying to sell

540

00:20:12,899 --> 00:20:09,340

it that \$450,000 a years in middle class

541

00:20:15,210 --> 00:20:12,909

well okay if \$450,000 a year is the

542

00:20:18,720 --> 00:20:15,220

middle class then what is a household

543

00:20:20,789 --> 00:20:18,730

that makes \$60,000 a year that's a world

544

00:20:23,340 --> 00:20:20,799

of difference it's not maybe as big as

545

00:20:26,220 --> 00:20:23,350

between sixty thousand and forty billion

546

00:20:28,169 --> 00:20:26,230

but it might as well be for all intents

547

00:20:29,130 --> 00:20:28,179

and purposes so but no one talks about

548

00:20:31,860 --> 00:20:29,140

that

549

00:20:33,540 --> 00:20:31,870

and instead obviously anyone born in

550

00:20:36,210 --> 00:20:33,550

those kinds of middle-class households

551

00:20:38,220 --> 00:20:36,220

where success has already been

552

00:20:41,370 --> 00:20:38,230

established and I talk in the book about

553

00:20:43,470 --> 00:20:41,380

how lots of these sons and daughters of

554

00:20:45,420 --> 00:20:43,480

the one-percenters can even get into

555

00:20:46,830 --> 00:20:45,430

colleges most like we see athletes get

556

00:20:48,510 --> 00:20:46,840

into institutions that they're not

557

00:20:50,550 --> 00:20:48,520

academically qualified for but they get

558

00:20:52,590 --> 00:20:50,560

into sports well you have the people

559

00:20:54,540 --> 00:20:52,600

like the george w bush's but does anyone

560

00:20:57,150 --> 00:20:54,550

really think that he qualified

561

00:20:59,610 --> 00:20:57,160

academically to be in yale no but he had

562

00:21:01,710 --> 00:20:59,620

that Bush tradition his father was

563

00:21:03,150 --> 00:21:01,720

politician already and his grandfather

564

00:21:05,340 --> 00:21:03,160

had been a long time United States

565

00:21:07,440 --> 00:21:05,350

Senator so and most of these families I

566

00:21:09,450 --> 00:21:07,450

trace a lot of them back the bushes and

567

00:21:11,820 --> 00:21:09,460

lots and lots of these people go back to

568

00:21:13,980 --> 00:21:11,830

the Mayflower that's where we tend to

569

00:21:15,870 --> 00:21:13,990

look at okay where our elite originally

570

00:21:17,010 --> 00:21:15,880

came into the country well you look at

571

00:21:19,290 --> 00:21:17,020

these families that are out there

572

00:21:21,270 --> 00:21:19,300

whether it's show business or the

573

00:21:23,550 --> 00:21:21,280

corporate world and you'll find a whole

574

00:21:25,920 --> 00:21:23,560

lot of them our descendants of the

575

00:21:28,080 --> 00:21:25,930

Mayflower hmm that's really interesting

576

00:21:30,210 --> 00:21:28,090

I know they're largely related to each

577

00:21:32,250 --> 00:21:30,220

other or at least networked through all

578

00:21:33,900 --> 00:21:32,260

these secret fraternities but to go back

579

00:21:36,780 --> 00:21:33,910

to the Mayflower is really interesting

580

00:21:38,310 --> 00:21:36,790

too and it is and I believe most of

581

00:21:39,900 --> 00:21:38,320

those examples are in they deleted

582

00:21:41,820 --> 00:21:39,910

chapter on relations which people can

583

00:21:43,410 --> 00:21:41,830

find up my blog but you just wouldn't

584

00:21:45,270 --> 00:21:43,420

believe it I mean it's astounding it

585

00:21:47,850 --> 00:21:45,280

surprised even me because I expected to

586

00:21:49,920 --> 00:21:47,860

find especially lots of the actresses

587

00:21:51,600 --> 00:21:49,930

the attractive actresses I thought well

588

00:21:53,070 --> 00:21:51,610

you know they were just casting couch

589

00:21:54,360 --> 00:21:53,080

and obviously that's how they achieved

590

00:21:56,760 --> 00:21:54,370

their fame that it's something to do

591

00:21:58,770 --> 00:21:56,770

with it but even most of them came from

592

00:22:01,260 --> 00:21:58,780

wealthy backgrounds so it's astonishing

593

00:22:03,510 --> 00:22:01,270

and it kind of disillusioned you and you

594

00:22:06,000 --> 00:22:03,520

really because you think wow is there

595

00:22:07,920 --> 00:22:06,010

any hope for people but it's so rare to

596

00:22:09,600 --> 00:22:07,930

see somebody break through that and

597

00:22:12,150 --> 00:22:09,610

obviously they're exceptions here there

598

00:22:14,190 --> 00:22:12,160

and when they do happen like we've all

599

00:22:16,380 --> 00:22:14,200

heard lots about Jim Carrey you know a

600

00:22:17,940 --> 00:22:16,390

very talented guy how he was living in a

601
00:22:18,990 --> 00:22:17,950
car with his family they were homeless I

602
00:22:20,910 --> 00:22:19,000
think when he was a teenager or

603
00:22:23,010 --> 00:22:20,920
something so you have people like that

604
00:22:25,080 --> 00:22:23,020
in the old days you had people like Joan

605
00:22:26,280 --> 00:22:25,090
Crawford and the Barbara Stanwyck that

606
00:22:28,770 --> 00:22:26,290
were great actresses they came from

607
00:22:30,780 --> 00:22:28,780
desperate poverty but even most the ones

608
00:22:33,000 --> 00:22:30,790
back then I gave lots of examples came

609
00:22:34,230 --> 00:22:33,010
from great wealth even back then so even

610
00:22:36,690 --> 00:22:34,240
the early days in Hollywood and

611
00:22:38,640 --> 00:22:36,700
obviously anybody I haven't found a

612
00:22:40,680 --> 00:22:38,650
single executive somebody that's a

613
00:22:42,510 --> 00:22:40,690

high-profile CEO if you look in their

614

00:22:42,870 --> 00:22:42,520

backgrounds I mean just the fact to go

615

00:22:44,520 --> 00:22:42,880

to

616

00:22:46,920 --> 00:22:44,530

Harvard or Yale one of these colleges

617

00:22:49,080 --> 00:22:46,930

you have to have wealth to begin with I

618

00:22:51,270 --> 00:22:49,090

mean even if you win a partial

619

00:22:53,840 --> 00:22:51,280

scholarship or something tuition fees

620

00:22:56,790 --> 00:22:53,850

are so incredibly out of the reach of

621

00:22:59,520 --> 00:22:56,800

even middle class families again you

622

00:23:01,920 --> 00:22:59,530

have to be wealthy to even go there and

623

00:23:03,870 --> 00:23:01,930

if you can put an Ivy League school on

624

00:23:04,980 --> 00:23:03,880

your resume that makes all the

625

00:23:06,570 --> 00:23:04,990

difference in the world that's why

626

00:23:09,690 --> 00:23:06,580

another stand I quote in the book is it

627

00:23:11,190 --> 00:23:09,700

something like I think it's 3% of the

628

00:23:13,950 --> 00:23:11,200

students have order considered the top

629

00:23:16,260 --> 00:23:13,960

146 colleges generally and those are the

630

00:23:18,810 --> 00:23:16,270

colleges that make the difference again

631

00:23:20,580 --> 00:23:18,820

college degrees are not all equal you

632

00:23:23,370 --> 00:23:20,590

get a degree from Harvard or Yale or

633

00:23:25,650 --> 00:23:23,380

something that's worth you a hundred

634

00:23:27,440 --> 00:23:25,660

times what any degree is worth from your

635

00:23:30,750 --> 00:23:27,450

State University

636

00:23:33,510 --> 00:23:30,760

so those schools are elite and only 3%

637

00:23:36,390 --> 00:23:33,520

of the students come from the bottom

638

00:23:38,940 --> 00:23:36,400

quarter income wise to those colleges

639

00:23:41,670 --> 00:23:38,950

and you can bet that almost all that 3%

640

00:23:42,720 --> 00:23:41,680

are athletes that are playing for their

641

00:23:44,070 --> 00:23:42,730

sports teams that aren't even

642

00:23:46,710 --> 00:23:44,080

academically qualified they're being

643

00:23:48,540 --> 00:23:46,720

used exactly so people keep that in mind

644

00:23:50,910 --> 00:23:48,550

or they wonder about the upward mobility

645

00:23:52,620 --> 00:23:50,920

it's just I have the statistics all

646

00:23:54,870 --> 00:23:52,630

throughout the book and they kind of run

647

00:23:56,910 --> 00:23:54,880

together in my mind sometimes but they

648

00:23:59,160 --> 00:23:56,920

all tell the same story that the good

649

00:24:00,690 --> 00:23:59,170

colleges are for people who already have

650

00:24:03,750 --> 00:24:00,700

money almost all the time

651
00:24:07,340 --> 00:24:03,760
mm-hmm and it is weird because that

652
00:24:10,500 --> 00:24:07,350
athlete aspect is kind of like a modern

653
00:24:12,900 --> 00:24:10,510
Coliseum gladiator situation of just put

654
00:24:14,970 --> 00:24:12,910
them in the middle and they're making so

655
00:24:16,530 --> 00:24:14,980
much money off sports it's just like we

656
00:24:18,000 --> 00:24:16,540
don't really care about these people let

657
00:24:20,040 --> 00:24:18,010
them fight each other you know quote

658
00:24:21,930 --> 00:24:20,050
unquote you can't be too violent these

659
00:24:23,880 --> 00:24:21,940
days but you're just basically throwing

660
00:24:25,920 --> 00:24:23,890
them in there to exhaust themselves why

661
00:24:28,290 --> 00:24:25,930
you make so much money off their backs

662
00:24:30,090 --> 00:24:28,300
and throw them a few shekels for their

663
00:24:31,530 --> 00:24:30,100

trouble not even in college of course

664

00:24:33,080 --> 00:24:31,540

you don't get anything for playing there

665

00:24:35,520 --> 00:24:33,090

even though you're generating millions

666

00:24:35,670 --> 00:24:35,530

right exactly and that's exactly what it

667

00:24:37,470 --> 00:24:35,680

is

668

00:24:39,030 --> 00:24:37,480

now lots of us would like to be

669

00:24:40,620 --> 00:24:39,040

exploited like they're being exploited

670

00:24:42,390 --> 00:24:40,630

because you know they're getting lots of

671

00:24:44,490 --> 00:24:42,400

beautiful women throwing themselves at

672

00:24:46,950 --> 00:24:44,500

and they're getting perks lots of stuff

673

00:24:48,570 --> 00:24:46,960

under the table cars and gifts which

674

00:24:50,190 --> 00:24:48,580

once in a while they get caught the

675

00:24:52,680 --> 00:24:50,200

alumni and that's all another different

676
00:24:54,890 --> 00:24:52,690
story the NCAA and with it you know it's

677
00:24:56,960 --> 00:24:54,900
corrupt to the core there we

678
00:24:59,270 --> 00:24:56,970
know that but you're right I think if we

679
00:25:01,180 --> 00:24:59,280
tried to reform that I think the most

680
00:25:03,500 --> 00:25:01,190
sensible way would be to just stop

681
00:25:06,200 --> 00:25:03,510
claiming that most of these athletes are

682
00:25:08,960 --> 00:25:06,210
students and just hire them and pay them

683
00:25:10,280 --> 00:25:08,970
some salary like minor-league football

684
00:25:11,750 --> 00:25:10,290
or basketball players that's what the

685
00:25:13,640 --> 00:25:11,760
solution should be and maybe the

686
00:25:15,590 --> 00:25:13,650
university can sponsor the teams or

687
00:25:17,380 --> 00:25:15,600
something but it's just like everything

688
00:25:20,480 --> 00:25:17,390

else in America no one wants to really

689

00:25:22,070 --> 00:25:20,490

admit the extent of the corruption and

690

00:25:23,600 --> 00:25:22,080

so we kind of turned the other way and

691

00:25:26,180 --> 00:25:23,610

play this game and we had this situation

692

00:25:28,520 --> 00:25:26,190

that we had mm-hm mm-hm

693

00:25:30,890 --> 00:25:28,530

and with sports on the pro level at

694

00:25:33,440 --> 00:25:30,900

least stop using taxpayer money to pay

695

00:25:35,270 --> 00:25:33,450

for these rich guys stupid stadiums and

696

00:25:37,250 --> 00:25:35,280

then have the citizens get charged

697

00:25:39,260 --> 00:25:37,260

ticket prices on top of that and get

698

00:25:41,450 --> 00:25:39,270

gouged at every corner it's a mess but

699

00:25:43,850 --> 00:25:41,460

you know the book is just so full of

700

00:25:46,670 --> 00:25:43,860

these ridiculous sums of money being

701
00:25:48,260 --> 00:25:46,680
thrown around for pretty much nothing at

702
00:25:50,900 --> 00:25:48,270
the elite level and many of the small

703
00:25:52,790 --> 00:25:50,910
scams and schemes along the way but on

704
00:25:55,160 --> 00:25:52,800
the subject of schools you talk about

705
00:25:57,170 --> 00:25:55,170
this perk where someone who is the

706
00:25:59,780 --> 00:25:57,180
president of a major university might

707
00:26:02,420 --> 00:25:59,790
buy a multi-million dollar home and take

708
00:26:05,120 --> 00:26:02,430
out a loan from the university at extra

709
00:26:06,890 --> 00:26:05,130
low or sometimes no interest because oh

710
00:26:09,080 --> 00:26:06,900
well you got to live close to where you

711
00:26:11,390 --> 00:26:09,090
work well no [h__h] everybody has to live

712
00:26:13,490 --> 00:26:11,400
close to where they work for it but you

713
00:26:15,500 --> 00:26:13,500

know even the advantage on the loan

714

00:26:17,480 --> 00:26:15,510

terms is just another thing that is not

715

00:26:19,460 --> 00:26:17,490

open to most of us we just get the

716

00:26:22,820 --> 00:26:19,470

crippling debt that you can never escape

717

00:26:25,640 --> 00:26:22,830

from the college system yeah I'm sure

718

00:26:27,500 --> 00:26:25,650

the average college student that has a

719

00:26:29,780 --> 00:26:27,510

student loan debt which I think the

720

00:26:31,790 --> 00:26:29,790

average student loan debt is \$32,000

721

00:26:33,680 --> 00:26:31,800

last time I looked it was which is a

722

00:26:36,020 --> 00:26:33,690

huge amount I mean that's like a car

723

00:26:37,730 --> 00:26:36,030

payment for a pretty good car more

724

00:26:39,410 --> 00:26:37,740

expensive than most of us would drive to

725

00:26:41,690 --> 00:26:39,420

be carrying around like that and

726

00:26:43,310 --> 00:26:41,700

something needs to be done cuz student

727

00:26:45,650 --> 00:26:43,320

loan debt is now the biggest debt that

728

00:26:47,450 --> 00:26:45,660

we have it's superseded credit card debt

729

00:26:48,850 --> 00:26:47,460

even considering how much credit card

730

00:26:51,200 --> 00:26:48,860

debt that is that's saying something

731

00:26:53,300 --> 00:26:51,210

unlike every other kind of debt if you

732

00:26:54,800 --> 00:26:53,310

declare bankruptcy which is another perk

733

00:26:56,450 --> 00:26:54,810

of the rich that's why I Donald Trump

734

00:26:58,940 --> 00:26:56,460

can declare it seven times or something

735

00:27:01,850 --> 00:26:58,950

and brag about it because it's a tool

736

00:27:03,350 --> 00:27:01,860

for the wealthy for the 1% when they

737

00:27:06,080 --> 00:27:03,360

declare bankruptcy they do it as a

738

00:27:08,450 --> 00:27:06,090

business and it actually works for them

739

00:27:10,250 --> 00:27:08,460

it actually makes them more money

740

00:27:12,350 --> 00:27:10,260

not a negative mark again them but an

741

00:27:13,790 --> 00:27:12,360

individual that declares chapter 7

742

00:27:15,500 --> 00:27:13,800

bankruptcy or whatever it is and

743

00:27:18,050 --> 00:27:15,510

ironically under again the great liberal

744

00:27:19,640 --> 00:27:18,060

Obama presidency he actually stiffened

745

00:27:22,010 --> 00:27:19,650

that up to make it harder for average

746

00:27:24,590 --> 00:27:22,020

people to declare bankruptcy again in

747

00:27:26,360 --> 00:27:24,600

our twisted perspective of the 1% they

748

00:27:28,790 --> 00:27:26,370

actually sold this bill of goods to you

749

00:27:31,880 --> 00:27:28,800

know this people are exploiting or

750

00:27:33,620 --> 00:27:31,890

taking advantage of bankruptcy and not

751
00:27:35,570 --> 00:27:33,630
the one-percenters of course they were

752
00:27:37,970 --> 00:27:35,580
still nothing but the average riffraff

753
00:27:39,890 --> 00:27:37,980
who's you have to be in desperate

754
00:27:42,170 --> 00:27:39,900
circumstances to declare bankruptcy and

755
00:27:43,820 --> 00:27:42,180
there used to be some advantages to it

756
00:27:46,310 --> 00:27:43,830
was the only recourse people had at some

757
00:27:48,980 --> 00:27:46,320
point but there was a huge disadvantage

758
00:27:51,440 --> 00:27:48,990
where it killed your credit for about a

759
00:27:53,000 --> 00:27:51,450
decade or about tenure so you couldn't

760
00:27:54,830 --> 00:27:53,010
get any other kind of luns because that

761
00:27:58,040 --> 00:27:54,840
stood out like a huge black mark

762
00:28:00,320 --> 00:27:58,050
bankruptcy Wow when the 1% does it it

763
00:28:02,630 --> 00:28:00,330

actually works their advantage but when

764

00:28:03,140 --> 00:28:02,640

the average person does it it destroys

765

00:28:05,630 --> 00:28:03,150

their Eliza

766

00:28:08,570 --> 00:28:05,640

that's just one example of how one

767

00:28:10,820 --> 00:28:08,580

particular law works one way for the

768

00:28:13,610 --> 00:28:10,830

very wealthy and works in an entirely

769

00:28:16,340 --> 00:28:13,620

different way for the rest of us oh yeah

770

00:28:19,040 --> 00:28:16,350

I've seen expose zhan credit-card

771

00:28:21,560 --> 00:28:19,050

companies that talk about the predatory

772

00:28:23,330 --> 00:28:21,570

practices and the fact that now things

773

00:28:27,820 --> 00:28:23,340

have kind of switched to where they

774

00:28:30,380 --> 00:28:27,830

actually have really low credit score

775

00:28:33,920 --> 00:28:30,390

people that they go for like they've got

776

00:28:36,440 --> 00:28:33,930

a category and they target them because

777

00:28:38,960 --> 00:28:36,450

they can make more off the shitty

778

00:28:41,780 --> 00:28:38,970

interest rate for one and then the late

779

00:28:44,270 --> 00:28:41,790

fees and that all boils over so this

780

00:28:46,400 --> 00:28:44,280

idea of someone filing bankruptcy it's

781

00:28:48,350 --> 00:28:46,410

like oh well let's get them quick

782

00:28:51,200 --> 00:28:48,360

because they can't file bankruptcy again

783

00:28:53,780 --> 00:28:51,210

for another X amount of years or months

784

00:28:55,430 --> 00:28:53,790

so in this window we're gonna hit them

785

00:28:56,600 --> 00:28:55,440

with those late fees after late fees

786

00:28:58,790 --> 00:28:56,610

because we already know they can't

787

00:29:01,760 --> 00:28:58,800

manage money and it's like what are you

788

00:29:04,520 --> 00:29:01,770

doing oh yeah that's some of the most

789

00:29:06,260 --> 00:29:04,530

despicable people in our society that

790

00:29:08,300 --> 00:29:06,270

prey on people that have nowhere else to

791

00:29:10,310 --> 00:29:08,310

go and you'll find in all parts of the

792

00:29:11,990 --> 00:29:10,320

country they have like car dealerships

793

00:29:14,270 --> 00:29:12,000

that specialize and you watch their

794

00:29:16,160 --> 00:29:14,280

commercials sometimes they'll get a

795

00:29:18,440 --> 00:29:16,170

black football player or somebody but

796

00:29:19,790 --> 00:29:18,450

they're geared constantly everybody in

797

00:29:21,800 --> 00:29:19,800

the commercial is usually black and

798

00:29:23,930 --> 00:29:21,810

they're trying to gear

799

00:29:26,960 --> 00:29:23,940

towards the very poor blacks who have

800

00:29:28,430 --> 00:29:26,970

awful credit and they know they have

801

00:29:30,230 --> 00:29:28,440

nowhere else to go to buy a car and

802

00:29:32,300 --> 00:29:30,240

they'll even in many cases I wrote about

803

00:29:34,400 --> 00:29:32,310

this work they'll actually put a device

804

00:29:37,730 --> 00:29:34,410

in the car where if you're one day late

805

00:29:39,980 --> 00:29:37,740

in payment I don't give you any grace

806

00:29:42,740 --> 00:29:39,990

period unlike most of us get the car

807

00:29:43,880 --> 00:29:42,750

won't start and of course the interest

808

00:29:45,830 --> 00:29:43,890

rates they'll be paying I mean you'll be

809

00:29:47,810 --> 00:29:45,840

paying for like four cars or so I mean

810

00:29:51,860 --> 00:29:47,820

you may be paying thirty percentage or

811

00:29:54,110 --> 00:29:51,870

start with it's outrageous but the vast

812

00:29:55,970 --> 00:29:54,120

majority of people that I've talked it

813

00:29:57,710 --> 00:29:55,980

will say well you know they got

814

00:29:59,000 --> 00:29:57,720

themselves in that position it should

815

00:30:01,370 --> 00:29:59,010

have paid their bills and there's no

816

00:30:03,200 --> 00:30:01,380

sense to being okay well some kind of

817

00:30:05,120 --> 00:30:03,210

crisis came up that can happen anybody

818

00:30:07,070 --> 00:30:05,130

and yeah maybe sometimes it is the

819

00:30:10,160 --> 00:30:07,080

result of doing drugs be responsible

820

00:30:12,290 --> 00:30:10,170

surely but still they're really hurting

821

00:30:13,870 --> 00:30:12,300

only themselves and that's I think the

822

00:30:16,760 --> 00:30:13,880

question that we have to ask about

823

00:30:19,100 --> 00:30:16,770

everything whether it's homelessness or

824

00:30:21,530 --> 00:30:19,110

any other thing what do we do about poor

825

00:30:24,710 --> 00:30:21,540

people do we consign them to just dying

826

00:30:26,510 --> 00:30:24,720

in the streets do we want to euthanize

827

00:30:28,190 --> 00:30:26,520

them we want to get rid of them as so

828

00:30:30,350 --> 00:30:28,200

many eugenicist wanted I've written a

829

00:30:31,760 --> 00:30:30,360

lot about that in the past work so many

830

00:30:34,250 --> 00:30:31,770

of the including almost all the leading

831

00:30:36,740 --> 00:30:34,260

liberals they're you Genesis they only

832

00:30:38,240 --> 00:30:36,750

want the good stock to go on so they

833

00:30:40,880 --> 00:30:38,250

would like to get rid of this human

834

00:30:42,830 --> 00:30:40,890

refuse how they think of it they want to

835

00:30:44,650 --> 00:30:42,840

get rid of all these unsightly poor

836

00:30:46,700 --> 00:30:44,660

people that are everywhere but

837

00:30:48,740 --> 00:30:46,710

fortunately they haven't done that yet

838

00:30:50,690 --> 00:30:48,750

but you have to figure out some way

839

00:30:53,570 --> 00:30:50,700

people have to live and I think that's

840

00:30:56,900 --> 00:30:53,580

why we're gonna come to a critical mass

841

00:30:59,110 --> 00:30:56,910

here soon with AI or the technology here

842

00:31:01,970 --> 00:30:59,120

in the fact we already have far too many

843

00:31:04,220 --> 00:31:01,980

job applicants in this country for the

844

00:31:07,460 --> 00:31:04,230

amount of jobs that are there and if

845

00:31:09,530 --> 00:31:07,470

millions of jobs go automated that

846

00:31:11,540 --> 00:31:09,540

obviously takes it makes it even fewer

847

00:31:14,510 --> 00:31:11,550

jobs and if you continue to bring more

848

00:31:16,190 --> 00:31:14,520

immigrants in who are poor driving down

849

00:31:19,670 --> 00:31:16,200

wages in the process you're gonna have

850

00:31:22,010 --> 00:31:19,680

even more people seeking fewer jobs it's

851

00:31:24,050 --> 00:31:22,020

a disaster waiting to happen no one's

852

00:31:26,990 --> 00:31:24,060

looking at an answer to that there have

853

00:31:28,370 --> 00:31:27,000

been trial basis around the world in

854

00:31:30,890 --> 00:31:28,380

certain parts about a universal basic

855

00:31:32,150 --> 00:31:30,900

income kind of thing I think you have to

856

00:31:34,250 --> 00:31:32,160

go with something like that because

857

00:31:35,299 --> 00:31:34,260

they're simply not going to be enough

858

00:31:36,799 --> 00:31:35,309

work

859

00:31:38,450 --> 00:31:36,809

unless you're gonna do something like

860

00:31:40,039 --> 00:31:38,460

what I would advocate which would my

861

00:31:42,500 --> 00:31:40,049

hero Huey lawn you know I devoted a

862

00:31:43,730 --> 00:31:42,510

chapter on the book at a Huey Long and I

863

00:31:45,470 --> 00:31:43,740

think I'm trying to single-handedly

864

00:31:46,760 --> 00:31:45,480

restore his reputation and to me he's

865

00:31:49,039 --> 00:31:46,770

one of the greatest Americans that ever

866

00:31:50,840 --> 00:31:49,049

lived and I think if he was around today

867

00:31:53,330 --> 00:31:50,850

it comes back in the 1930s he was

868

00:31:56,360 --> 00:31:53,340

advocating a 30 maybe 20 hour workweek

869

00:31:58,130 --> 00:31:56,370

this was before his pressure finally got

870

00:32:00,500 --> 00:31:58,140

us a 40-hour workweek and got his

871

00:32:02,779 --> 00:32:00,510

overtime and all the benefits that we

872

00:32:04,520 --> 00:32:02,789

take for granted pensions and things

873

00:32:06,770 --> 00:32:04,530

like that that workers did not used to

874

00:32:08,510 --> 00:32:06,780

have before pressure from Huey Long

875

00:32:10,580 --> 00:32:08,520

finally got Roosevelt and the

876

00:32:13,120 --> 00:32:10,590

establishment Democrats to pass an act

877

00:32:15,320 --> 00:32:13,130

in 1938 that granted the kind of

878

00:32:16,760 --> 00:32:15,330

protections to workers that we never had

879

00:32:17,779 --> 00:32:16,770

before and you can see people chipping

880

00:32:19,820 --> 00:32:17,789

away at that now especially the

881

00:32:21,890 --> 00:32:19,830

Republicans would like to eliminate them

882

00:32:23,529 --> 00:32:21,900

but a few e long was around today I

883

00:32:25,940 --> 00:32:23,539

think he would look at the situation

884

00:32:28,100 --> 00:32:25,950

logically and realize okay the amount of

885

00:32:30,230 --> 00:32:28,110

workers the technological improvements

886

00:32:31,970 --> 00:32:30,240

that have been made productivity we can

887

00:32:33,830 --> 00:32:31,980

have now as opposed to the past we

888

00:32:36,020 --> 00:32:33,840

should be probably having a 10 hour work

889

00:32:38,419 --> 00:32:36,030

week honestly by this point if you had

890

00:32:40,039 --> 00:32:38,429

something like a 10 hour workweek you

891

00:32:41,600 --> 00:32:40,049

would have enough jobs to go around for

892

00:32:43,610 --> 00:32:41,610

people but you'd have to pay people

893

00:32:46,850 --> 00:32:43,620

enough to live for those 10 hours and

894

00:32:48,560 --> 00:32:46,860

that's where Apple can pay out or 633

895

00:32:51,230 --> 00:32:48,570

thousand dollars a year to attend five

896

00:32:52,850 --> 00:32:51,240

meetings McDonald's can pay I think

897

00:32:53,600 --> 00:32:52,860

there's Andrew McKenna some 80 some

898

00:32:55,460 --> 00:32:53,610

year-old guy

899

00:32:56,990 --> 00:32:55,470

80 million dollars or whatever it was to

900

00:32:59,990 --> 00:32:57,000

sit on their board of directors and you

901
00:33:02,299 --> 00:33:00,000
know what is he doing at that age they

902
00:33:05,149 --> 00:33:02,309
can do that companies are fine doing

903
00:33:06,409 --> 00:33:05,159
that they can pay Carly Fiorina HP can

904
00:33:08,630 --> 00:33:06,419
pay her 40 million dollar building

905
00:33:10,520 --> 00:33:08,640
umbrella to go away after she runs their

906
00:33:12,980 --> 00:33:10,530
company into the ground they don't mind

907
00:33:14,750 --> 00:33:12,990
doing that but they really are get erect

908
00:33:15,740 --> 00:33:14,760
if you want to pay the average worker

909
00:33:17,270 --> 00:33:15,750
wait a minute you know I'm gonna pay

910
00:33:19,549 --> 00:33:17,280
just for working ten hours a week well

911
00:33:21,289 --> 00:33:19,559
you had to bite the bullet back in the

912
00:33:23,330 --> 00:33:21,299
late 30s and go for the 40-hour work

913
00:33:26,870 --> 00:33:23,340

week if people like my grandfather

914

00:33:28,700 --> 00:33:26,880

worked 12 hours a day 365 days a year

915

00:33:30,409 --> 00:33:28,710

the reality was back then for a lot of

916

00:33:32,210 --> 00:33:30,419

working-class people you worked a

917

00:33:34,669 --> 00:33:32,220

12-hour day there was no such thing as

918

00:33:36,110 --> 00:33:34,679

overtime there was no such thing as sick

919

00:33:38,480 --> 00:33:36,120

leave he'd worked up till two weeks

920

00:33:40,310 --> 00:33:38,490

before he died of cancer he had to work

921

00:33:42,200 --> 00:33:40,320

deathly ill because he had to feed his

922

00:33:42,529 --> 00:33:42,210

family there were no benefits for people

923

00:33:45,049 --> 00:33:42,539

like that

924

00:33:47,180 --> 00:33:45,059

and that was a reality of working-class

925

00:33:48,950 --> 00:33:47,190

back that I hope we never go back to

926
00:33:50,900 --> 00:33:48,960
that but unfortunately a lot of people

927
00:33:54,080 --> 00:33:50,910
with light to go back then and they're

928
00:33:57,200 --> 00:33:54,090
not even considering the fact that there

929
00:34:00,170 --> 00:33:57,210
are fewer jobs more job applicants in

930
00:34:02,180 --> 00:34:00,180
the only solution to me is you have a

931
00:34:05,270 --> 00:34:02,190
much shorter work week like that and you

932
00:34:07,720 --> 00:34:05,280
allow with the QE loan called all people

933
00:34:10,730 --> 00:34:07,730
to enjoy the blessings of prosperity

934
00:34:12,980 --> 00:34:10,740
mm-hmm and learning about Huey Long was

935
00:34:15,500 --> 00:34:12,990
great I definitely have a Huey Long

936
00:34:17,600 --> 00:34:15,510
section here but you know you mentioned

937
00:34:19,550 --> 00:34:17,610
earlier that people cope with drugs

938
00:34:21,020 --> 00:34:19,560

because they know they're screwed and

939

00:34:23,120 --> 00:34:21,030

they can't change the system it's really

940

00:34:25,850 --> 00:34:23,130

not an option for them and that's the

941

00:34:28,910 --> 00:34:25,860

thing I'm sure a lot of people know how

942

00:34:30,590 --> 00:34:28,920

bad the system is but I mean is there

943

00:34:32,570 --> 00:34:30,600

something we can do on a personal level

944

00:34:34,280 --> 00:34:32,580

because we can't change it from the top

945

00:34:36,770 --> 00:34:34,290

down I mean of course there's things

946

00:34:38,270 --> 00:34:36,780

like nobody's stopping us from keeping

947

00:34:39,920 --> 00:34:38,280

everything in the family and working

948

00:34:42,710 --> 00:34:39,930

together the way the Rockefellers and

949

00:34:45,170 --> 00:34:42,720

Rothschilds do average families do not

950

00:34:47,540 --> 00:34:45,180

do that we're all kind of off doing our

951
00:34:50,240 --> 00:34:47,550
own mediocre job I mean that's one thing

952
00:34:52,700 --> 00:34:50,250
but is there a pivot we can make to

953
00:34:54,980 --> 00:34:52,710
where some of these disadvantages become

954
00:34:57,400 --> 00:34:54,990
advantages like start a corporation or

955
00:34:59,570 --> 00:34:57,410
something I don't know you know I think

956
00:35:01,490 --> 00:34:59,580
obviously I love Huey Long and my other

957
00:35:03,500 --> 00:35:01,500
heroes are John F Kennedy and Robert F

958
00:35:05,420 --> 00:35:03,510
Kennedy and Robert F Kennedy made one of

959
00:35:07,790 --> 00:35:05,430
the greatest speeches I think ever in

960
00:35:09,890 --> 00:35:07,800
South Africa the tiny ripples of Hope

961
00:35:12,320 --> 00:35:09,900
speech he talked about any time a man

962
00:35:14,870 --> 00:35:12,330
stands up against injustice he sends

963
00:35:16,700 --> 00:35:14,880

forth a tiny ripple of hope and all

964

00:35:19,280 --> 00:35:16,710

those tiny ripples of Hope gathering

965

00:35:21,710 --> 00:35:19,290

together can form a tidal wave and

966

00:35:23,150 --> 00:35:21,720

overcome any kind of oppression so and

967

00:35:24,530 --> 00:35:23,160

that's all we can really do that's what

968

00:35:26,960 --> 00:35:24,540

I try to do in my life and they're

969

00:35:28,760 --> 00:35:26,970

definitely tiny ripples but I try to

970

00:35:31,730 --> 00:35:28,770

send for a tiny ripples of hope and I

971

00:35:34,310 --> 00:35:31,740

think if enough of us did that if we try

972

00:35:36,890 --> 00:35:34,320

to be principled than not dishonest not

973

00:35:38,690 --> 00:35:36,900

corrupt and try to open with people like

974

00:35:40,790 --> 00:35:38,700

you were doing which shows like this you

975

00:35:43,130 --> 00:35:40,800

try to wake people up to the corruption

976
00:35:45,290 --> 00:35:43,140
around them I mean I wrote this book as

977
00:35:47,180 --> 00:35:45,300
a standalone issue but it's really

978
00:35:49,940 --> 00:35:47,190
because I think it's the most important

979
00:35:51,230 --> 00:35:49,950
issue that we face but it's really very

980
00:35:52,850 --> 00:35:51,240
much connected to what I wrote about

981
00:35:54,590 --> 00:35:52,860
hidden history what I'll be writing in

982
00:35:56,390 --> 00:35:54,600
the books coming out next year that

983
00:35:58,850 --> 00:35:56,400
there's a rigged system

984
00:36:00,860 --> 00:35:58,860
there's systemic corruption this is the

985
00:36:01,599 --> 00:36:00,870
most obvious to me the most obvious

986
00:36:03,400 --> 00:36:01,609
giant

987
00:36:04,900 --> 00:36:03,410
walking around the room is this

988
00:36:07,479 --> 00:36:04,910

disparity of wealth and the fact that

989

00:36:09,069 --> 00:36:07,489

it's natural that the people that have

990

00:36:12,039 --> 00:36:09,079

money because it takes money to get

991

00:36:14,140 --> 00:36:12,049

power so money begets power so obviously

992

00:36:16,029 --> 00:36:14,150

once you have that power you're going to

993

00:36:18,489 --> 00:36:16,039

wield that power for people that have

994

00:36:21,400 --> 00:36:18,499

money I mean affluence means influence

995

00:36:23,979 --> 00:36:21,410

quotes in the book about how impossible

996

00:36:25,690 --> 00:36:23,989

it is to get your local school board

997

00:36:27,239 --> 00:36:25,700

superintendent to talk to the average

998

00:36:30,069 --> 00:36:27,249

says let alone your local congressional

999

00:36:31,180 --> 00:36:30,079

representative but if you were a head of

1000

00:36:33,339 --> 00:36:31,190

a huge corporation

1001

00:36:34,569 --> 00:36:33,349

I guarantee you you'll be able to go out

1002

00:36:36,430 --> 00:36:34,579

and have lunch with your local

1003

00:36:38,769 --> 00:36:36,440

congressional representative because you

1004

00:36:41,049 --> 00:36:38,779

have affluence so by virtue of your

1005

00:36:43,839 --> 00:36:41,059

affluence you have influence so we don't

1006

00:36:45,609 --> 00:36:43,849

have that affluence but if we come

1007

00:36:47,499 --> 00:36:45,619

together as you noted the power in

1008

00:36:49,390 --> 00:36:47,509

numbers and we see that especially in

1009

00:36:51,099 --> 00:36:49,400

some immigrant families especially Asian

1010

00:36:53,019 --> 00:36:51,109

immigrant families they will work

1011

00:36:55,180 --> 00:36:53,029

together and pool their resources that's

1012

00:36:58,059 --> 00:36:55,190

why so many can come here and owned

1013

00:36:59,140 --> 00:36:58,069

businesses that Americans could because

1014

00:37:01,359 --> 00:36:59,150

they're willing to work together

1015

00:37:03,249 --> 00:37:01,369

unfortunately Americans and that's

1016

00:37:05,380 --> 00:37:03,259

another subject entirely but the way our

1017

00:37:07,569 --> 00:37:05,390

culture is we become fractured and

1018

00:37:10,539 --> 00:37:07,579

there's so much dysfunction and feuding

1019

00:37:12,279 --> 00:37:10,549

an American the average American group

1020

00:37:14,470 --> 00:37:12,289

of siblings starting a business together

1021

00:37:15,150 --> 00:37:14,480

which you know be lucky if there wasn't

1022

00:37:17,470 --> 00:37:15,160

a murder

1023

00:37:19,150 --> 00:37:17,480

we're very short period of time they

1024

00:37:20,319 --> 00:37:19,160

just and I don't know why that is I

1025

00:37:21,700 --> 00:37:20,329

think it has a lot to do with the

1026

00:37:23,140 --> 00:37:21,710

culture and maybe people think and

1027

00:37:25,630 --> 00:37:23,150

that's supposed to be the way it is but

1028

00:37:26,739 --> 00:37:25,640

it isn't that way all around the world

1029

00:37:28,839 --> 00:37:26,749

same thing with the treatment of the

1030

00:37:31,150 --> 00:37:28,849

elderly we treat our elderly horribly in

1031

00:37:32,650 --> 00:37:31,160

America but it's not that way all over

1032

00:37:34,029 --> 00:37:32,660

the world again if you go in the Asian

1033

00:37:37,089 --> 00:37:34,039

world it really anywhere the Middle

1034

00:37:39,220 --> 00:37:37,099

Eastern elders are revered elders are

1035

00:37:40,569 --> 00:37:39,230

not revered here in America they're not

1036

00:37:45,069 --> 00:37:40,579

respected at all they're treated

1037

00:37:47,319 --> 00:37:45,079

horribly right agreed and you know tiny

1038

00:37:49,420 --> 00:37:47,329

ripples a hope that's a nice sentiment

1039

00:37:50,890 --> 00:37:49,430

but from someone who was assassinated by

1040

00:37:54,099 --> 00:37:50,900

the Machine so it's like really

1041

00:37:56,170 --> 00:37:54,109

difficult to say I mean that we have a

1042

00:37:58,180 --> 00:37:56,180

shot but I did want to ask you more

1043

00:37:59,589 --> 00:37:58,190

about Huey Long maybe that even ties in

1044

00:38:01,599 --> 00:37:59,599

a little bit when we get to the end of

1045

00:38:03,910 --> 00:38:01,609

his story you know you mentioned a few

1046

00:38:06,009 --> 00:38:03,920

of the things that he did that people

1047

00:38:07,900 --> 00:38:06,019

should be grateful for he's a name I'm

1048

00:38:09,460 --> 00:38:07,910

sure not many people know but tell us a

1049

00:38:11,950 --> 00:38:09,470

little bit more about him you say he's

1050

00:38:13,779 --> 00:38:11,960

your all-time political hero I guess I

1051
00:38:15,230 --> 00:38:13,789
should probably stop and ponder why my

1052
00:38:17,570 --> 00:38:15,240
three political heroes

1053
00:38:18,410 --> 00:38:17,580
all assassinated Huey Long John F

1054
00:38:20,420 --> 00:38:18,420
Kennedy Robert

1055
00:38:22,010 --> 00:38:20,430
but again that's indicative of how

1056
00:38:24,740 --> 00:38:22,020
corrupt things are because you along

1057
00:38:26,270 --> 00:38:24,750
with assassinated in 1935 so we can see

1058
00:38:28,790 --> 00:38:26,280
obviously this corruption has been

1059
00:38:30,620 --> 00:38:28,800
around for a long time but he was very

1060
00:38:33,080 --> 00:38:30,630
important because nothing was the first

1061
00:38:35,480 --> 00:38:33,090
one to really focus and he had a catch

1062
00:38:37,010 --> 00:38:35,490
he was a very colorful politician he

1063
00:38:38,330 --> 00:38:37,020

would have done great on television and

1064

00:38:40,160 --> 00:38:38,340

YouTube he would have in a star

1065

00:38:41,990 --> 00:38:40,170

I urge anyone to go out and look at his

1066

00:38:44,200 --> 00:38:42,000

speeches they're still wonderful today

1067

00:38:47,060 --> 00:38:44,210

he was captivating think of like a

1068

00:38:48,859 --> 00:38:47,070

Donald Trump at his best but incredibly

1069

00:38:51,109 --> 00:38:48,869

articulate incredibly smart he could

1070

00:38:54,680 --> 00:38:51,119

encapsulate that little guy against the

1071

00:38:56,630 --> 00:38:54,690

machine in everything he said but when

1072

00:38:59,660 --> 00:38:56,640

he took over as a Louisiana Governor

1073

00:39:01,730 --> 00:38:59,670

Louisiana was a huge swamp he paved the

1074

00:39:02,810 --> 00:39:01,740

entire state he did what we need to have

1075

00:39:04,940 --> 00:39:02,820

done in this country or an

1076

00:39:06,859 --> 00:39:04,950

infrastructure its third-world status it

1077

00:39:08,540 --> 00:39:06,869

hasn't basically touched for 50 plus

1078

00:39:10,790 --> 00:39:08,550

years while we've been going in all

1079

00:39:13,100 --> 00:39:10,800

these absurd wars and wasting money on

1080

00:39:15,590 --> 00:39:13,110

graft and corruption and again these

1081

00:39:17,960 --> 00:39:15,600

meaningless wars we've let the country

1082

00:39:20,570 --> 00:39:17,970

atrophy into third-world status Huey

1083

00:39:22,820 --> 00:39:20,580

Long face that with Louisiana Macca's

1084

00:39:25,520 --> 00:39:22,830

was a giant swamp so he did what needed

1085

00:39:27,200 --> 00:39:25,530

to be done he build roads and bridges he

1086

00:39:29,150 --> 00:39:27,210

paved the entire state he built

1087

00:39:31,640 --> 00:39:29,160

universities he built free health

1088

00:39:33,710 --> 00:39:31,650

clinics all across the state it was a

1089

00:39:36,290 --> 00:39:33,720

man ahead of his time he invented the

1090

00:39:38,060 --> 00:39:36,300

concept of adult education he invented

1091

00:39:40,099 --> 00:39:38,070

the concept of free textbooks for

1092

00:39:42,640 --> 00:39:40,109

children he invented the concept of

1093

00:39:45,920 --> 00:39:42,650

medical and especially mental healthcare

1094

00:39:48,950 --> 00:39:45,930

for prisoners and he took lots of the

1095

00:39:50,150 --> 00:39:48,960

prisoners out of those prisons and put

1096

00:39:52,700 --> 00:39:50,160

them in new mental health care

1097

00:39:54,349 --> 00:39:52,710

facilities luckily I've been able to

1098

00:39:55,849 --> 00:39:54,359

strike up a relationship with his great

1099

00:39:57,380 --> 00:39:55,859

granddaughter who's still fighting a

1100

00:39:59,720 --> 00:39:57,390

good fight and keeping his legacy alive

1101

00:40:01,990 --> 00:39:59,730

and I got lots of stats from their

1102

00:40:04,760 --> 00:40:02,000

website they're just in finite terms

1103

00:40:07,640 --> 00:40:04,770

unlike any other kind of so-called

1104

00:40:09,230 --> 00:40:07,650

liberal people in Louisiana I could look

1105

00:40:11,060 --> 00:40:09,240

at what Huey Long didn't say hey this

1106

00:40:13,880 --> 00:40:11,070

saved us and I have the exact numbers in

1107

00:40:17,240 --> 00:40:13,890

the book but it was a significant amount

1108

00:40:20,150 --> 00:40:17,250

every year that the average citizen in

1109

00:40:23,120 --> 00:40:20,160

in Louisiana saved and utilities cost in

1110

00:40:24,890 --> 00:40:23,130

lower taxes ironically he was doing all

1111

00:40:27,920 --> 00:40:24,900

the spending although even though he was

1112

00:40:28,540 --> 00:40:27,930

spending all this money Louisiana had

1113

00:40:31,510 --> 00:40:28,550

the third

1114

00:40:33,220 --> 00:40:31,520

lowest-cost of all the states in the

1115

00:40:35,500 --> 00:40:33,230

Union because again he was eliminating

1116

00:40:36,820 --> 00:40:35,510

waste he was going after Standard Oil in

1117

00:40:39,250 --> 00:40:36,830

the rock I thought he was making them

1118

00:40:41,500 --> 00:40:39,260

pay money which is why he was despised

1119

00:40:43,090 --> 00:40:41,510

but for the average guy 80% of the

1120

00:40:45,790 --> 00:40:43,100

people in the state had their property

1121

00:40:47,800 --> 00:40:45,800

taxes eliminated he basically eliminated

1122

00:40:50,200 --> 00:40:47,810

foreclosures on properties he did

1123

00:40:52,810 --> 00:40:50,210

everything that we expect a do-gooder

1124

00:40:55,270 --> 00:40:52,820

type of liberal to do and we haven't

1125

00:40:58,600 --> 00:40:55,280

really seen his like ever before or

1126
00:41:01,060 --> 00:40:58,610
since just look up the numbers in my

1127
00:41:03,270 --> 00:41:01,070
book and see what this guy did

1128
00:41:06,040 --> 00:41:03,280
and just imagine he was talking about

1129
00:41:06,940 --> 00:41:06,050
literally a month after on this floor of

1130
00:41:08,470 --> 00:41:06,950
the Senate it's still in the

1131
00:41:10,540 --> 00:41:08,480
Congressional Record so people can go

1132
00:41:12,460 --> 00:41:10,550
look and see he did all but accused the

1133
00:41:13,720 --> 00:41:12,470
Roosevelt administration of plotting to

1134
00:41:16,000 --> 00:41:13,730
kill him but he certainly talked about

1135
00:41:17,770 --> 00:41:16,010
powerful forces plotting to assassinate

1136
00:41:19,930 --> 00:41:17,780
him and then lo and behold he was

1137
00:41:21,190 --> 00:41:19,940
assassinated a month later right after

1138
00:41:24,520 --> 00:41:21,200

he announced that he was going to run

1139

00:41:26,620 --> 00:41:24,530

for president 1936 now just imagine what

1140

00:41:28,810 --> 00:41:26,630

he could have done for the country and

1141

00:41:30,940 --> 00:41:28,820

he was a genuine anti-war guy unlike

1142

00:41:33,550 --> 00:41:30,950

roosevelt most of the democrats and all

1143

00:41:35,250 --> 00:41:33,560

the republicans so i don't think we

1144

00:41:37,359 --> 00:41:35,260

would have been involved in world war ii

1145

00:41:39,670 --> 00:41:37,369

certainly against World War one I think

1146

00:41:41,470 --> 00:41:39,680

that the world would have been entirely

1147

00:41:42,760 --> 00:41:41,480

different we can't even imagine what the

1148

00:41:45,760 --> 00:41:42,770

world would have been like and if what

1149

00:41:48,099 --> 00:41:45,770

he did for Louisiana happened all across

1150

00:41:49,420 --> 00:41:48,109

the America I can't imagine what a share

1151
00:41:51,090 --> 00:41:49,430
the wealth movement would have been like

1152
00:41:52,780 --> 00:41:51,100
because he was talking about

1153
00:41:54,430 --> 00:41:52,790
confiscating the wealth and the wealth

1154
00:41:55,660 --> 00:41:54,440
not just the income and that's the

1155
00:41:57,280 --> 00:41:55,670
difference between somebody like Huey

1156
00:41:58,690 --> 00:41:57,290
Long and your average liberal the

1157
00:42:01,210 --> 00:41:58,700
average liberal just wants to raise

1158
00:42:03,250 --> 00:42:01,220
taxes on the wealthy but they have all

1159
00:42:06,430 --> 00:42:03,260
their loopholes and so they still end up

1160
00:42:08,290 --> 00:42:06,440
paying nothing but also raise taxes

1161
00:42:10,930 --> 00:42:08,300
significant the so-called middle class

1162
00:42:13,510 --> 00:42:10,940
which goes down way too low and so what

1163
00:42:16,150 --> 00:42:13,520

you do is you have a drain of money from

1164

00:42:18,520 --> 00:42:16,160

that middle class and maybe a little bit

1165

00:42:20,650 --> 00:42:18,530

trickles down to those just below them

1166

00:42:22,480 --> 00:42:20,660

but nothing really ever changes where

1167

00:42:24,010 --> 00:42:22,490

what we need to do is go after what Huey

1168

00:42:27,490 --> 00:42:24,020

Long talked about he actually wanted to

1169

00:42:30,160 --> 00:42:27,500

exempt the first million dollars of

1170

00:42:31,450 --> 00:42:30,170

income from taxation under his share of

1171

00:42:33,520 --> 00:42:31,460

the wealth when people don't talk about

1172

00:42:36,460 --> 00:42:33,530

that which would be like 12 million

1173

00:42:38,290 --> 00:42:36,470

dollars today so you know who he was

1174

00:42:39,760 --> 00:42:38,300

going after he understood where the

1175

00:42:41,560 --> 00:42:39,770

wealth was even in those days the

1176
00:42:42,400 --> 00:42:41,570
Rockefeller Foundation's and things like

1177
00:42:45,130 --> 00:42:42,410
that were just getting

1178
00:42:47,200 --> 00:42:45,140
start we can't imagine today how much

1179
00:42:48,640 --> 00:42:47,210
money isn't the Bill Gates Foundation or

1180
00:42:50,980 --> 00:42:48,650
the foundations of people like that

1181
00:42:52,660 --> 00:42:50,990
that's where the hidden wealth is not to

1182
00:42:54,880 --> 00:42:52,670
mention the Rothschilds these shadowy

1183
00:42:56,770 --> 00:42:54,890
figures that are everywhere we can't

1184
00:42:59,710 --> 00:42:56,780
even really get a grasp on how much

1185
00:43:02,050 --> 00:42:59,720
wealth it's there but Huey Long knew the

1186
00:43:03,280 --> 00:43:02,060
wealth was at the top and that's all he

1187
00:43:06,220 --> 00:43:03,290
was taught he wasn't talking about

1188
00:43:07,630 --> 00:43:06,230

anybody average person they would

1189

00:43:09,400 --> 00:43:07,640

benefit from it he certainly wasn't

1190

00:43:11,200 --> 00:43:09,410

talking about taking what they had is I

1191

00:43:13,180 --> 00:43:11,210

hear from so many people when I talk

1192

00:43:14,530 --> 00:43:13,190

about this oh yeah you just I worked

1193

00:43:16,810 --> 00:43:14,540

hard for mine well you don't have

1194

00:43:19,480 --> 00:43:16,820

anything no nobody's gonna take your

1195

00:43:22,930 --> 00:43:19,490

money but everybody has that impression

1196

00:43:24,940 --> 00:43:22,940

and Huey Long wanted no one to have more

1197

00:43:27,040 --> 00:43:24,950

than I think he was gonna cap fortunes

1198

00:43:29,050 --> 00:43:27,050

at something like 10 million or whatever

1199

00:43:30,910 --> 00:43:29,060

was a change very would be like 40

1200

00:43:33,310 --> 00:43:30,920

million today does anybody really need

1201
00:43:35,260 --> 00:43:33,320
more than 40 million and he thought that

1202
00:43:37,360 --> 00:43:35,270
everybody should have a place to live at

1203
00:43:39,670 --> 00:43:37,370
that time I think his idea was that

1204
00:43:41,620 --> 00:43:39,680
everybody could have a shelter a car

1205
00:43:44,520 --> 00:43:41,630
which was essential and I think a radio

1206
00:43:47,350 --> 00:43:44,530
which is a newest so would have been

1207
00:43:49,480 --> 00:43:47,360
completely practical obviously would

1208
00:43:51,700 --> 00:43:49,490
been may be complicated but he was able

1209
00:43:54,100 --> 00:43:51,710
to do that in Louisiana so I think

1210
00:43:55,180 --> 00:43:54,110
that's what we need and I understand I'm

1211
00:43:57,130 --> 00:43:55,190
probably a voice crying in the

1212
00:43:58,780 --> 00:43:57,140
wilderness on that because I'm sure I'd

1213
00:44:00,670 --> 00:43:58,790

be attacked so much by the write on that

1214

00:44:01,900 --> 00:44:00,680

but I don't see any other way around it

1215

00:44:03,640 --> 00:44:01,910

unless you just want to have this

1216

00:44:05,050 --> 00:44:03,650

disparity of wealth which is just

1217

00:44:07,090 --> 00:44:05,060

growing and growing and eventually he's

1218

00:44:10,600 --> 00:44:07,100

gonna make us total third world country

1219

00:44:12,700 --> 00:44:10,610

right I mean green paper these numbers

1220

00:44:15,520 --> 00:44:12,710

on the screen this is one form of

1221

00:44:17,290 --> 00:44:15,530

currency but you don't need more than 40

1222

00:44:20,860 --> 00:44:17,300

million I mean when people are dying

1223

00:44:23,560 --> 00:44:20,870

because they're in poverty you should be

1224

00:44:26,230 --> 00:44:23,570

able to see well okay you know I'll make

1225

00:44:28,690 --> 00:44:26,240

my sacrifices at 40 million I mean

1226
00:44:30,040 --> 00:44:28,700
that's reasonable to me and like I said

1227
00:44:32,110 --> 00:44:30,050
I don't have any problem with people

1228
00:44:33,610 --> 00:44:32,120
being successful but it's when you alter

1229
00:44:37,150 --> 00:44:33,620
the game it's when you tilt the scales

1230
00:44:38,830 --> 00:44:37,160
it's when you assassinate the people

1231
00:44:41,290 --> 00:44:38,840
that are fighting for our side like look

1232
00:44:42,640 --> 00:44:41,300
battle it out in the arena of ideas if

1233
00:44:45,160 --> 00:44:42,650
you can fool us with trickle-down

1234
00:44:47,110 --> 00:44:45,170
economics are bad but when you're

1235
00:44:50,050 --> 00:44:47,120
killing the people that are on our side

1236
00:44:52,270 --> 00:44:50,060
now this is messed up and you have a

1237
00:44:54,280 --> 00:44:52,280
chapter in the book called prophets

1238
00:44:56,049 --> 00:44:54,290

before progress which is probably my

1239

00:44:58,989 --> 00:44:56,059

favorite because it does touch

1240

00:45:01,359 --> 00:44:58,999

on this stuff the active suppressing of

1241

00:45:02,890 --> 00:45:01,369

alternative fuels or technologies that

1242

00:45:04,719 --> 00:45:02,900

could make the world better and that

1243

00:45:07,479 --> 00:45:04,729

kind of thing pisses me off more than

1244

00:45:09,579 --> 00:45:07,489

pretty much all other things so tell us

1245

00:45:11,349 --> 00:45:09,589

a little bit about this chapter yeah

1246

00:45:12,759 --> 00:45:11,359

well I mean I talked in there about

1247

00:45:14,769 --> 00:45:12,769

Stanley Meyer you know the guy that

1248

00:45:17,259 --> 00:45:14,779

invented the car that ran on water

1249

00:45:19,059 --> 00:45:17,269

whatever itself and I've tried to track

1250

00:45:20,890 --> 00:45:19,069

his brother down okay I think his twin

1251

00:45:22,989 --> 00:45:20,900

brothers still alive but I mean I think

1252

00:45:25,059 --> 00:45:22,999

the YouTube video is still out there and

1253

00:45:26,529 --> 00:45:25,069

this made local news he had a local news

1254

00:45:28,329 --> 00:45:26,539

report that used to be on a YouTube

1255

00:45:29,949 --> 00:45:28,339

video if it's still there and they

1256

00:45:31,989 --> 00:45:29,959

showed how I mean it looked like a dune

1257

00:45:33,489 --> 00:45:31,999

buggy or something but it was obviously

1258

00:45:35,499 --> 00:45:33,499

just a working model he didn't have

1259

00:45:37,599 --> 00:45:35,509

enough money I guess to actually put it

1260

00:45:39,849 --> 00:45:37,609

into a real car that we were used to

1261

00:45:41,799 --> 00:45:39,859

seeing but it's supposedly ran I think

1262

00:45:44,529 --> 00:45:41,809

across the country on one or two gallons

1263

00:45:45,729 --> 00:45:44,539

worth of water nothing else and then ran

1264

00:45:49,390 --> 00:45:45,739

back on one or two gallons worth of

1265

00:45:51,819 --> 00:45:49,400

water he was I believe meeting in a

1266

00:45:54,370 --> 00:45:51,829

restaurant with some potential investors

1267

00:45:56,049 --> 00:45:54,380

and one of these as I write so much

1268

00:45:58,359 --> 00:45:56,059

about industry and all everything else

1269

00:46:01,299 --> 00:45:58,369

these unnatural deaths which are

1270

00:46:02,739 --> 00:46:01,309

everywhere and they just happen like

1271

00:46:04,929 --> 00:46:02,749

they're scripted but I mean he literally

1272

00:46:07,509 --> 00:46:04,939

subtly felt ill and went outside and

1273

00:46:09,339 --> 00:46:07,519

just basically died they don't really

1274

00:46:12,789 --> 00:46:09,349

know if it was food poisoning or what

1275

00:46:13,900 --> 00:46:12,799

but very strangely his plans apparently

1276

00:46:15,130 --> 00:46:13,910

I don't know if they disappeared or

1277

00:46:16,809 --> 00:46:15,140

whatever his twin brother who was

1278

00:46:18,699 --> 00:46:16,819

working with him wasn't able to keep up

1279

00:46:20,319 --> 00:46:18,709

with it but there are lots of things

1280

00:46:22,329 --> 00:46:20,329

like that and were there other inventors

1281

00:46:23,919 --> 00:46:22,339

that have existed that have invented

1282

00:46:25,630 --> 00:46:23,929

things like this but look at it from the

1283

00:46:27,729 --> 00:46:25,640

point of view like I've said for a long

1284

00:46:29,890 --> 00:46:27,739

time if someone came up and we I think

1285

00:46:31,929 --> 00:46:29,900

we know at this point that cancer is

1286

00:46:33,519 --> 00:46:31,939

largely contrived that they could easily

1287

00:46:35,439 --> 00:46:33,529

get rid of it because it's man-made

1288

00:46:37,269 --> 00:46:35,449

and the book that's coming out next year

1289

00:46:39,939 --> 00:46:37,279

about earlier conspiracies I go into

1290

00:46:42,249 --> 00:46:39,949

this a little bit more about how cancer

1291

00:46:44,519 --> 00:46:42,259

wasn't even on the radar around 1900

1292

00:46:47,499 --> 00:46:44,529

didn't exist and they've actually

1293

00:46:49,900 --> 00:46:47,509

studied the remains of hundreds and

1294

00:46:51,880 --> 00:46:49,910

hundreds of mummies from antiquity and

1295

00:46:54,549 --> 00:46:51,890

they basically found there was no

1296

00:46:57,069 --> 00:46:54,559

evidence of cancer anywhere so obviously

1297

00:46:59,140 --> 00:46:57,079

this is a modern thing how it was

1298

00:47:02,049 --> 00:46:59,150

created what exactly we don't know but

1299

00:47:03,880 --> 00:47:02,059

if someone let's just say someone came

1300

00:47:06,160 --> 00:47:03,890

up with a magic pill a vaccine or

1301
00:47:08,150 --> 00:47:06,170
whatever that actually worked and you

1302
00:47:10,430 --> 00:47:08,160
took it and no

1303
00:47:12,440 --> 00:47:10,440
well what would that do to this medical

1304
00:47:15,080 --> 00:47:12,450
industrial complex and the people that

1305
00:47:18,560 --> 00:47:15,090
make the money they make often the

1306
00:47:22,250 --> 00:47:18,570
doctor is the big pharma the insurance

1307
00:47:24,350 --> 00:47:22,260
companies hospital administrators just

1308
00:47:27,380 --> 00:47:24,360
imagine the kind of money they would

1309
00:47:28,940 --> 00:47:27,390
stand velu so of course you could almost

1310
00:47:30,590 --> 00:47:28,950
see how they couldn't let that happen

1311
00:47:32,900 --> 00:47:30,600
and the same thing would be for

1312
00:47:35,240 --> 00:47:32,910
inventors if the oil comes I go for the

1313
00:47:38,240 --> 00:47:35,250

stats there and how much money the big

1314

00:47:39,890 --> 00:47:38,250

oil companies make it's astonishing the

1315

00:47:41,930 --> 00:47:39,900

kind of profits they make and it has

1316

00:47:43,760 --> 00:47:41,940

nothing to do with being a genius if

1317

00:47:46,220 --> 00:47:43,770

you're selling something that the world

1318

00:47:49,400 --> 00:47:46,230

is dependent on you know you don't have

1319

00:47:51,590 --> 00:47:49,410

to be a great used car salesman to sell

1320

00:47:53,110 --> 00:47:51,600

people they have to go and buy a gas so

1321

00:47:56,420 --> 00:47:53,120

you're right it's gonna be impossible

1322

00:47:58,760 --> 00:47:56,430

for you to fail at that and the world is

1323

00:48:01,220 --> 00:47:58,770

dependent on it because you made it that

1324

00:48:03,380 --> 00:48:01,230

way you killed off all the competition

1325

00:48:06,080 --> 00:48:03,390

like it's not literally the one source

1326

00:48:07,970 --> 00:48:06,090

of fuel or the one source of energy that

1327

00:48:10,370 --> 00:48:07,980

we have I mean people don't understand

1328

00:48:12,860 --> 00:48:10,380

that there are way more empowering and

1329

00:48:14,960 --> 00:48:12,870

cheaper technologies medicines energy

1330

00:48:17,060 --> 00:48:14,970

systems all suppressed over the years

1331

00:48:18,350 --> 00:48:17,070

and some people see flying saucers in

1332

00:48:21,140 --> 00:48:18,360

the sky and you can't help but wonder

1333

00:48:23,060 --> 00:48:21,150

how far that suppressed technology theme

1334

00:48:25,940 --> 00:48:23,070

goes I mean they're never gonna tell us

1335

00:48:28,130 --> 00:48:25,950

so all you can do is speculate right but

1336

00:48:29,810 --> 00:48:28,140

if any kind of alternative energy fool

1337

00:48:31,070 --> 00:48:29,820

there's a guy named John Newman that I

1338

00:48:32,780 --> 00:48:31,080

wrote about the book I've actually tried

1339

00:48:34,070 --> 00:48:32,790

to contact them at his representative

1340

00:48:36,140 --> 00:48:34,080

got back to me and I never got to talk

1341

00:48:38,120 --> 00:48:36,150

to him now but I'd note about John

1342

00:48:40,460 --> 00:48:38,130

Newman since the 80s and he develop some

1343

00:48:43,550 --> 00:48:40,470

kind of device and he exhibited it in

1344

00:48:44,930 --> 00:48:43,560

arenas the FDA supposedly why the FDA

1345

00:48:47,090 --> 00:48:44,940

wasn't sure I don't know but they have

1346

00:48:48,860 --> 00:48:47,100

jurisdiction over this they supposedly

1347

00:48:50,900 --> 00:48:48,870

looked at and the patent people

1348

00:48:52,700 --> 00:48:50,910

supposedly looked at his invention and

1349

00:48:54,740 --> 00:48:52,710

they couldn't find any examples of

1350

00:48:56,060 --> 00:48:54,750

trickery but they just said it's

1351
00:48:57,860 --> 00:48:56,070
scientifically impossible because

1352
00:48:59,750 --> 00:48:57,870
basically what it is he claimed he could

1353
00:49:01,700 --> 00:48:59,760
put a small device under the hood of

1354
00:49:03,740 --> 00:49:01,710
your car and your car would run forever

1355
00:49:05,870 --> 00:49:03,750
hmm and it would cost a couple hundred

1356
00:49:08,180 --> 00:49:05,880
bucks and he said he could take a bigger

1357
00:49:09,770 --> 00:49:08,190
device put it in your house might cost

1358
00:49:12,550 --> 00:49:09,780
five hundred dollars and you'd have all

1359
00:49:15,080 --> 00:49:12,560
the electricity wanted forever - so

1360
00:49:17,150 --> 00:49:15,090
obviously something like that what would

1361
00:49:18,560 --> 00:49:17,160
that do in his case he's even been I

1362
00:49:20,600 --> 00:49:18,570
don't know how he's still alive but he

1363
00:49:22,070 --> 00:49:20,610

is but he hasn't been able to patent his

1364

00:49:23,570 --> 00:49:22,080

device obviously

1365

00:49:25,220 --> 00:49:23,580

the oil companies look what they would

1366

00:49:27,470 --> 00:49:25,230

stand to lose on something like that and

1367

00:49:29,930 --> 00:49:27,480

we go back to Nikola Tesla Nikola Tesla

1368

00:49:31,190 --> 00:49:29,940

wanted free energy for all and what

1369

00:49:32,660 --> 00:49:31,200

happened is records there's still

1370

00:49:34,400 --> 00:49:32,670

television shows trying to find out

1371

00:49:36,110 --> 00:49:34,410

where his reg and no one apparently has

1372

00:49:38,900 --> 00:49:36,120

taken up his work and then what I guess

1373

00:49:40,670 --> 00:49:38,910

he died in the 30s 40 so you're talking

1374

00:49:43,040 --> 00:49:40,680

about 80 years or something since he

1375

00:49:44,210 --> 00:49:43,050

died even though he's very famous I mean

1376

00:49:45,770 --> 00:49:44,220

people talk about him all the time

1377

00:49:49,100 --> 00:49:45,780

somebody should be looking at his

1378

00:49:50,780 --> 00:49:49,110

research but Newman's if something like

1379

00:49:52,340 --> 00:49:50,790

that would not only affect the gas

1380

00:49:55,220 --> 00:49:52,350

companies look at what money they would

1381

00:49:57,710 --> 00:49:55,230

lose but the utility companies so you're

1382

00:50:00,080 --> 00:49:57,720

free energy for all free power for all

1383

00:50:03,320 --> 00:50:00,090

that doesn't fit into the America

1384

00:50:05,690 --> 00:50:03,330

America has become something way beyond

1385

00:50:07,910 --> 00:50:05,700

free enterprise we are into crony

1386

00:50:10,790 --> 00:50:07,920

capitalism and we're into a man

1387

00:50:12,890 --> 00:50:10,800

territory greed is good whatever's good

1388

00:50:14,480 --> 00:50:12,900

if it makes money it's good and so

1389

00:50:15,680 --> 00:50:14,490

people just kind of roll their eyes

1390

00:50:18,020 --> 00:50:15,690

first of all they don't believe that

1391

00:50:19,430 --> 00:50:18,030

such things can exist I mean I guess

1392

00:50:21,710 --> 00:50:19,440

they think that all the great inventions

1393

00:50:24,530 --> 00:50:21,720

stopped you know they're only 1900s but

1394

00:50:27,350 --> 00:50:24,540

these things have been tested and they

1395

00:50:29,120 --> 00:50:27,360

should at least be permitted but we see

1396

00:50:31,460 --> 00:50:29,130

even something as simple as the electric

1397

00:50:32,690 --> 00:50:31,470

car I mean I Drive a hybrid and I just

1398

00:50:35,540 --> 00:50:32,700

like getting that much better gas

1399

00:50:37,640 --> 00:50:35,550

mileage it's nice but just an electric

1400

00:50:39,290 --> 00:50:37,650

car something like that it's been priced

1401
00:50:41,090 --> 00:50:39,300
so that again it's out of the reach of

1402
00:50:43,790 --> 00:50:41,100
most people who would like to maybe do

1403
00:50:45,920 --> 00:50:43,800
that but it's not financially feasible

1404
00:50:47,690 --> 00:50:45,930
yet because whether it's they're keeping

1405
00:50:49,430 --> 00:50:47,700
it that higher or not enough people can

1406
00:50:51,800 --> 00:50:49,440
afford it yet but even something and

1407
00:50:53,150 --> 00:50:51,810
that's an advance but it's not it's not

1408
00:50:56,090 --> 00:50:53,160
the kind of what you're talking about

1409
00:50:57,800 --> 00:50:56,100
and the few examples I gave are a real

1410
00:50:59,270 --> 00:50:57,810
alternative energy but you know you go

1411
00:51:00,740 --> 00:50:59,280
back and look at something like Jimmy

1412
00:51:02,180 --> 00:51:00,750
Carter speeches during his

1413
00:51:03,980 --> 00:51:02,190

administration when he was talking about

1414

00:51:07,730 --> 00:51:03,990

solar power we need to conserve energy

1415

00:51:09,230 --> 00:51:07,740

we haven't moved one iota since the 70s

1416

00:51:10,910 --> 00:51:09,240

they're talking about 40 years we

1417

00:51:13,490 --> 00:51:10,920

haven't progressed at all I mean there's

1418

00:51:15,860 --> 00:51:13,500

a little effort I guess it's solar power

1419

00:51:17,780 --> 00:51:15,870

here there but nothing really special

1420

00:51:19,490 --> 00:51:17,790

and we're still going after the fossil

1421

00:51:20,840 --> 00:51:19,500

fuels and certainly with Republicans in

1422

00:51:22,250 --> 00:51:20,850

there I don't think there's a dime

1423

00:51:24,830 --> 00:51:22,260

worth a difference between the parties

1424

00:51:27,260 --> 00:51:24,840

but on an issue like this you see their

1425

00:51:30,080 --> 00:51:27,270

dependence on fossil fuels is just the

1426
00:51:31,730 --> 00:51:30,090
Trump types are just over the top and

1427
00:51:33,320 --> 00:51:31,740
their support of it yeah we need it

1428
00:51:35,660 --> 00:51:33,330
drill for oil we need to do that that's

1429
00:51:37,609 --> 00:51:35,670
much as Reagan did in the 80s

1430
00:51:39,380 --> 00:51:37,619
after Carter Reagan just went right back

1431
00:51:41,539 --> 00:51:39,390
to the old way of doing it and that's

1432
00:51:43,819 --> 00:51:41,549
the most profitable I understand it you

1433
00:51:44,990 --> 00:51:43,829
know there they've got businesses to

1434
00:51:47,210 --> 00:51:45,000
think about because that's all they're

1435
00:51:49,750 --> 00:51:47,220
thinking about so it's all about profit

1436
00:51:52,400 --> 00:51:49,760
and thus the title of that chapter

1437
00:51:55,730 --> 00:51:52,410
profits always come first these people

1438
00:51:57,589 --> 00:51:55,740

mm-hmm man I really do love that chapter

1439

00:51:59,630 --> 00:51:57,599

like you said you covered Tesla you also

1440

00:52:02,510 --> 00:51:59,640

talk about Wilhelm Reich and that

1441

00:52:04,579 --> 00:52:02,520

Stanley Meyer example is probably my

1442

00:52:07,069 --> 00:52:04,589

favorite the guy built that water

1443

00:52:10,069 --> 00:52:07,079

powered car and then he was in a Cracker

1444

00:52:12,530 --> 00:52:10,079

Barrel in 1998 with his brother and

1445

00:52:14,960 --> 00:52:12,540

meeting with two Belgian investors he

1446

00:52:16,789 --> 00:52:14,970

grabs his neck runs out to the parking

1447

00:52:18,680 --> 00:52:16,799

lot and his brothers like what's going

1448

00:52:20,960 --> 00:52:18,690

on man and his last words are they

1449

00:52:22,819 --> 00:52:20,970

poisoned me and then of course the cause

1450

00:52:24,950 --> 00:52:22,829

of death shows that it was something

1451

00:52:26,569 --> 00:52:24,960

else called a brain aneurysm maybe

1452

00:52:29,750 --> 00:52:26,579

that's caused by a chemical who knows

1453

00:52:31,309 --> 00:52:29,760

but you know he then calls the investors

1454

00:52:33,890 --> 00:52:31,319

and says hey my brother died that day

1455

00:52:36,559 --> 00:52:33,900

and they're like stone cold about it no

1456

00:52:39,010 --> 00:52:36,569

condolences just radio silence and it's

1457

00:52:41,960 --> 00:52:39,020

like of course you pose as an investor

1458

00:52:43,819 --> 00:52:41,970

you're in that industry so you're like

1459

00:52:45,470 --> 00:52:43,829

oh I'm fascinated by this you meet the

1460

00:52:46,789 --> 00:52:45,480

guy you kill them and you're like all

1461

00:52:50,240 --> 00:52:46,799

right now we can go back to making money

1462

00:52:51,740 --> 00:52:50,250

yeah it's hard not to be paranoid and

1463

00:52:52,880 --> 00:52:51,750

you're right about people ask me that

1464

00:52:55,250 --> 00:52:52,890

all the time because it basically can

1465

00:52:56,839 --> 00:52:55,260

read hidden history I mean stories like

1466

00:52:58,940 --> 00:52:56,849

that or at the book because when you get

1467

00:53:01,280 --> 00:52:58,950

in the more overt political world these

1468

00:53:02,870 --> 00:53:01,290

unnatural deaths these body counts are

1469

00:53:04,609 --> 00:53:02,880

everywhere people falling out of high

1470

00:53:07,309 --> 00:53:04,619

buildings and you know being found on

1471

00:53:09,829 --> 00:53:07,319

train tracks and just a general public

1472

00:53:12,230 --> 00:53:09,839

don't die that way but people connected

1473

00:53:13,849 --> 00:53:12,240

to these events tend to be found dead in

1474

00:53:16,460 --> 00:53:13,859

the woods you know to tend to die of

1475

00:53:19,069 --> 00:53:16,470

natural causes at 35 I mean crazy stuff

1476

00:53:20,870 --> 00:53:19,079

like that but everybody knows kind of

1477

00:53:23,780 --> 00:53:20,880

with a wink and a nod yeah that's what

1478

00:53:26,059 --> 00:53:23,790

happened but nobody really acknowledges

1479

00:53:27,559 --> 00:53:26,069

it and so something like this clearly if

1480

00:53:29,270 --> 00:53:27,569

you wrote a movie script like that

1481

00:53:31,579 --> 00:53:29,280

everybody would know what happened to

1482

00:53:33,140 --> 00:53:31,589

Stanley Meyer mm-hmm hey we know okay

1483

00:53:35,569 --> 00:53:33,150

well yeah he threatened some really

1484

00:53:38,150 --> 00:53:35,579

powerful interests somebody silenced him

1485

00:53:39,620 --> 00:53:38,160

where his work and again I tried to find

1486

00:53:41,960 --> 00:53:39,630

his twin brother I would love to say we

1487

00:53:43,819 --> 00:53:41,970

know what happened were you just kind of

1488

00:53:46,400 --> 00:53:43,829

such a silent partner you didn't really

1489

00:53:48,890 --> 00:53:46,410

know what was behind all this or was it

1490

00:53:50,509 --> 00:53:48,900

just him no one else knew

1491

00:53:52,819 --> 00:53:50,519

because and that's what is mystifying

1492

00:53:55,309 --> 00:53:52,829

with a lot of these things is that Tesla

1493

00:53:57,499 --> 00:53:55,319

we know is a tremendously isolated

1494

00:53:59,089 --> 00:53:57,509

figure I mean this guy was really such

1495

00:54:01,190 --> 00:53:59,099

an eccentric personality he was

1496

00:54:02,870 --> 00:54:01,200

quintessential mad scientist although I

1497

00:54:05,120 --> 00:54:02,880

think he was really working for the

1498

00:54:07,549 --> 00:54:05,130

common good but he had that kind of you

1499

00:54:09,289 --> 00:54:07,559

know he was completely isolated so he

1500

00:54:11,569 --> 00:54:09,299

wasn't really sharing his research with

1501

00:54:13,009 --> 00:54:11,579

anybody but still he should have papers

1502

00:54:14,809 --> 00:54:13,019

there and somebody should be especially

1503

00:54:17,660 --> 00:54:14,819

as many fans as he has but other than

1504

00:54:19,430 --> 00:54:17,670

naming the Tesla car I haven't seen

1505

00:54:21,380 --> 00:54:19,440

anybody you know I'd like to follow up

1506

00:54:24,140 --> 00:54:21,390

on that free energy not so much the

1507

00:54:25,819 --> 00:54:24,150

death ray but you know the free energy

1508

00:54:27,289 --> 00:54:25,829

and same things Wilhelm Reich I mean

1509

00:54:29,809 --> 00:54:27,299

Wilhelm Reich was a less publicized

1510

00:54:31,789 --> 00:54:29,819

figure but certainly his Oregon

1511

00:54:34,339 --> 00:54:31,799

accumulator was just and you know his

1512

00:54:36,019 --> 00:54:34,349

theories are fascinating I mean they're

1513

00:54:37,370 --> 00:54:36,029

out there and people just kind of roll

1514

00:54:39,019 --> 00:54:37,380

their eyes at it but you know they have

1515

00:54:40,970 --> 00:54:39,029

something like that a box where you can

1516

00:54:45,200 --> 00:54:40,980

cure people of diseases well that were

1517

00:54:48,559 --> 00:54:45,210

the energy from orgasms or whatever it

1518

00:54:50,660 --> 00:54:48,569

sounds far out but apparently and the

1519

00:54:52,849 --> 00:54:50,670

fact that he was thrown into prison he

1520

00:54:54,650 --> 00:54:52,859

died and again all his papers were

1521

00:54:56,930 --> 00:54:54,660

confiscated but why were his papers

1522

00:54:59,359 --> 00:54:56,940

confiscated it's craziness let's be able

1523

00:55:02,210 --> 00:54:59,369

to look at him so these are the kind of

1524

00:55:03,799 --> 00:55:02,220

things that they just shut down all of

1525

00:55:05,210 --> 00:55:03,809

these people you go back to a guy named

1526

00:55:06,380 --> 00:55:05,220

John Keeley I don't believe I mentioned

1527

00:55:08,150 --> 00:55:06,390

him in the book but he was you know

1528

00:55:10,910 --> 00:55:08,160

supposedly invented a perpetual motion

1529

00:55:12,799 --> 00:55:10,920

machine back in the 1800s so you've had

1530

00:55:15,739 --> 00:55:12,809

these types of people throughout history

1531

00:55:18,259 --> 00:55:15,749

but something always happens with him

1532

00:55:19,549 --> 00:55:18,269

they usually die strangely so I said Joe

1533

00:55:22,279 --> 00:55:19,559

Newman stands up and he's still alive

1534

00:55:25,160 --> 00:55:22,289

but or they're ignored as in his case

1535

00:55:27,440 --> 00:55:25,170

but people tend to go this stayed round

1536

00:55:29,509 --> 00:55:27,450

I mean I grew up again in the 60s and

1537

00:55:31,339 --> 00:55:29,519

70s and I thought man I want to drive

1538

00:55:34,400 --> 00:55:31,349

one of those cool little flying bubble

1539

00:55:36,470 --> 00:55:34,410

cars the Jetsons have you know that but

1540

00:55:39,289 --> 00:55:36,480

if you look at the predictions that were

1541

00:55:40,849 --> 00:55:39,299

made they had these world Fair's they

1542

00:55:42,769 --> 00:55:40,859

used to have every so often and the

1543

00:55:44,930 --> 00:55:42,779

world's tomorrow at Disney World and

1544

00:55:47,599 --> 00:55:44,940

they envisioned the world you know in

1545

00:55:49,999 --> 00:55:47,609

the year 2000 that was so far in advance

1546

00:55:51,589 --> 00:55:50,009

to what we have in the year 2018 it's

1547

00:55:53,539 --> 00:55:51,599

not even funny we really haven't

1548

00:55:56,210 --> 00:55:53,549

progressed we're driving the same kinds

1549

00:55:58,489 --> 00:55:56,220

of cars all the airplanes are that old

1550

00:56:01,400 --> 00:55:58,499

the train tracks haven't been upgraded

1551
00:56:03,290 --> 00:56:01,410
the means of transportation are almost

1552
00:56:05,420 --> 00:56:03,300
identical I mean it

1553
00:56:07,940 --> 00:56:05,430
you know I envision not only flying jets

1554
00:56:10,430 --> 00:56:07,950
and bubble cars but maybe teleportation

1555
00:56:12,770 --> 00:56:10,440
pods like we saw it start I mean things

1556
00:56:13,940 --> 00:56:12,780
like that that would really that's what

1557
00:56:16,910 --> 00:56:13,950
you think of when you think of

1558
00:56:18,470 --> 00:56:16,920
futuristic and technology but it just

1559
00:56:20,420 --> 00:56:18,480
hasn't happened that whether it's been

1560
00:56:22,190 --> 00:56:20,430
supported by that but just looking at

1561
00:56:23,660 --> 00:56:22,200
the alternative energy thing and we know

1562
00:56:26,660 --> 00:56:23,670
what happened to people like Stanley

1563
00:56:28,460 --> 00:56:26,670

Meyer and Joe Newman we can only imagine

1564

00:56:29,900 --> 00:56:28,470

how many people that might be building

1565

00:56:32,090 --> 00:56:29,910

things like that might have built

1566

00:56:33,460 --> 00:56:32,100

teleportation pads she built something

1567

00:56:37,010 --> 00:56:33,470

like that what would that do to the

1568

00:56:39,110 --> 00:56:37,020

flight industry the trainer's so again I

1569

00:56:41,300 --> 00:56:39,120

think that's what they look at first its

1570

00:56:42,680 --> 00:56:41,310

first and foremost it's a dollar figure

1571

00:56:45,770 --> 00:56:42,690

wait a minute that's gonna impact

1572

00:56:47,330 --> 00:56:45,780

that'll affect the economy so I really

1573

00:56:48,740 --> 00:56:47,340

think they suppress it and whether we go

1574

00:56:50,690 --> 00:56:48,750

to the lengths of actually killing these

1575

00:56:53,440 --> 00:56:50,700

people well I mean they die that way so

1576

00:56:56,600 --> 00:56:53,450

people can draw their own conclusions

1577

00:56:58,700 --> 00:56:56,610

yeah man cheers to all that and another

1578

00:57:01,040 --> 00:56:58,710

big wake-up call for me doing this show

1579

00:57:02,900 --> 00:57:01,050

and previous episodes was learning that

1580

00:57:04,970 --> 00:57:02,910

prohibition didn't really have anything

1581

00:57:06,350 --> 00:57:04,980

to do with alcohol consumption they

1582

00:57:09,050 --> 00:57:06,360

don't care if we drink ourselves to

1583

00:57:11,270 --> 00:57:09,060

death but most farmers at that time had

1584

00:57:13,580 --> 00:57:11,280

stills and all their tractors and early

1585

00:57:15,650 --> 00:57:13,590

cars could run on alcohol well we can't

1586

00:57:18,470 --> 00:57:15,660

have that and now they give it to us in

1587

00:57:20,180 --> 00:57:18,480

like ethanol and they kind of say guys

1588

00:57:23,180 --> 00:57:20,190

we're trying but it's like you're not

1589

00:57:25,550 --> 00:57:23,190

trying that was here 100 years ago yeah

1590

00:57:28,220 --> 00:57:25,560

the first electric car was about that

1591

00:57:31,400 --> 00:57:28,230

time too so and again I spoke about

1592

00:57:34,460 --> 00:57:31,410

people like the Rockefellers that had a

1593

00:57:37,370 --> 00:57:34,470

monopoly on Standard Oil this new

1594

00:57:39,020 --> 00:57:37,380

invention automobiles everybody was

1595

00:57:41,240 --> 00:57:39,030

going to be driving one they saw that

1596

00:57:43,340 --> 00:57:41,250

and people like Henry Ford cut the

1597

00:57:44,990 --> 00:57:43,350

prices on him famously and gave us

1598

00:57:46,790 --> 00:57:45,000

workers a pay raise I want to be able

1599

00:57:49,850 --> 00:57:46,800

afford my product so everybody could buy

1600

00:57:51,140 --> 00:57:49,860

a Model T well they were concerned the

1601
00:57:52,850 --> 00:57:51,150
standard on people like that we're

1602
00:57:55,460 --> 00:57:52,860
finding hey wait a minute you talk about

1603
00:57:58,400 --> 00:57:55,470
seeing dollar signs man all these people

1604
00:57:59,570 --> 00:57:58,410
have to run on our product just imagine

1605
00:58:01,340 --> 00:57:59,580
what kind of money we're gonna make so

1606
00:58:03,740 --> 00:58:01,350
of course they're gonna go with that

1607
00:58:06,220 --> 00:58:03,750
rather than the farmers and their stills

1608
00:58:08,360 --> 00:58:06,230
or electricity which again is harder to

1609
00:58:10,150 --> 00:58:08,370
something like electricity unless you

1610
00:58:12,260 --> 00:58:10,160
can come up with some kind of a utility

1611
00:58:13,640 --> 00:58:12,270
monopoly which I'm sure they would I

1612
00:58:15,440 --> 00:58:13,650
think the only way you'll ever see

1613
00:58:16,730 --> 00:58:15,450

electric cars everywhere they're gonna

1614

00:58:18,830 --> 00:58:16,740

come up with some kind of my

1615

00:58:21,920 --> 00:58:18,840

nah ballistic thing where they can

1616

00:58:23,450 --> 00:58:21,930

profit from charging sinners or they'll

1617

00:58:24,890 --> 00:58:23,460

come up some kind of way where they can

1618

00:58:26,510 --> 00:58:24,900

kinda at least make up some of the

1619

00:58:29,600 --> 00:58:26,520

profits they lose and the gas auto

1620

00:58:32,120 --> 00:58:29,610

companies mm-hmm amen

1621

00:58:33,230 --> 00:58:32,130

well Donald that pretty much brings us

1622

00:58:35,560 --> 00:58:33,240

to the end of the line

1623

00:58:37,850 --> 00:58:35,570

I think I'm depressed enough for one day

1624

00:58:40,400 --> 00:58:37,860

you are obviously super knowledgeable

1625

00:58:42,770 --> 00:58:40,410

really great talking to you it's nice to

1626
00:58:45,290 --> 00:58:42,780
have a fairness advocate out there I

1627
00:58:47,420 --> 00:58:45,300
don't think people realize just how much

1628
00:58:49,700 --> 00:58:47,430
money is really in the mix versus what

1629
00:58:51,560 --> 00:58:49,710
trickles down to us so great job laying

1630
00:58:53,090 --> 00:58:51,570
it all out there anything else in the

1631
00:58:54,470 --> 00:58:53,100
works or projects you want to tell

1632
00:58:56,150 --> 00:58:54,480
people about before we call it in you

1633
00:58:58,550 --> 00:58:56,160
mentioned a book coming out next year

1634
00:59:00,500 --> 00:58:58,560
yeah next spring and I have basically

1635
00:59:02,510 --> 00:59:00,510
hidden history to some reason they

1636
00:59:04,190 --> 00:59:02,520
didn't want that title so the official

1637
00:59:08,359 --> 00:59:04,200
title is crimes and cover-ups in

1638
00:59:10,040 --> 00:59:08,369

American politics 1776 1963 I'll have

1639

00:59:13,100 --> 00:59:10,050

lots of controversial stuff to say about

1640

00:59:14,660 --> 00:59:13,110

Abraham Lincoln and FDR and Woodrow

1641

00:59:16,190 --> 00:59:14,670

Wilson and things like that so I'll

1642

00:59:17,690 --> 00:59:16,200

catch a lot of flack from that because

1643

00:59:19,370 --> 00:59:17,700

it is controversial but I think people

1644

00:59:21,620 --> 00:59:19,380

will find it real interesting and I also

1645

00:59:23,960 --> 00:59:21,630

have a book hopefully coming out next

1646

00:59:26,150 --> 00:59:23,970

fall with another publisher it's called

1647

00:59:27,770 --> 00:59:26,160

a bully aa cracy which is going to be

1648

00:59:29,690 --> 00:59:27,780

about bullying in the social hierarchy

1649

00:59:31,430 --> 00:59:29,700

in schools it's kind of a different

1650

00:59:33,650 --> 00:59:31,440

subject but it's very controversial in

1651
00:59:35,359 --> 00:59:33,660
and of itself sorry I'm writing all the

1652
00:59:38,120 --> 00:59:35,369
time so hopefully you'll see more books

1653
00:59:41,000 --> 00:59:38,130
down the road right on very cool

1654
00:59:42,859 --> 00:59:41,010
well again big thanks for the book and

1655
00:59:44,570 --> 00:59:42,869
for being here important work keep

1656
00:59:47,810 --> 00:59:44,580
fighting the good fight and good luck on

1657
00:59:49,940 --> 00:59:47,820
restoring and authentic left thanks for

1658
00:59:52,700 --> 00:59:49,950
having me great you got a man take care

1659
00:59:54,980 --> 00:59:52,710
and there we have it guys Donald

1660
00:59:57,920 --> 00:59:54,990
Jeffries droppin knowledge on just how

1661
00:59:59,480 --> 00:59:57,930
tilted the scales really are you know I

1662
01:00:01,550 --> 00:59:59,490
struggled with this one a little bit

1663
01:00:04,130 --> 01:00:01,560

feeling like we might be preaching to

1664

01:00:07,310 --> 01:00:04,140

the choir because we know the system is

1665

01:00:09,740 --> 01:00:07,320

unfair but really it's good to go over

1666

01:00:13,130 --> 01:00:09,750

these things again reinforce what we

1667

01:00:15,500 --> 01:00:13,140

know re-examine the details and like I

1668

01:00:17,599 --> 01:00:15,510

say a lot give us the data to make

1669

01:00:19,520 --> 01:00:17,609

better arguments when we're dealing with

1670

01:00:21,890 --> 01:00:19,530

one of those kool-aid drinkers we all

1671

01:00:25,400 --> 01:00:21,900

know them we all have kool-aid drinkers

1672

01:00:27,200 --> 01:00:25,410

that we love system proper uppers that

1673

01:00:30,410 --> 01:00:27,210

are in our friends and family circles

1674

01:00:32,569 --> 01:00:30,420

and it's nice to shore up those are

1675

01:00:34,730 --> 01:00:32,579

mints for when we might have a little

1676

01:00:36,950 --> 01:00:34,740

bit of a conflict with some of them and

1677

01:00:38,569 --> 01:00:36,960

a lot like Gordon was saying last week

1678

01:00:41,359 --> 01:00:38,579

you don't have to hit them with

1679

01:00:43,609 --> 01:00:41,369

everything at once you can just kind of

1680

01:00:45,620 --> 01:00:43,619

sócrates them into coming to these

1681

01:00:47,569 --> 01:00:45,630

conclusions themselves by asking the

1682

01:00:50,240 --> 01:00:47,579

right questions making the right points

1683

01:00:52,460 --> 01:00:50,250

do you really think the traditional path

1684

01:00:55,910 --> 01:00:52,470

offers the same opportunity for everyone

1685

01:00:58,730 --> 01:00:55,920

is just working hard enough to get you

1686

01:01:00,890 --> 01:00:58,740

where you want to be and it's surprising

1687

01:01:03,140 --> 01:01:00,900

how long we can go sometimes without a

1688

01:01:05,900 --> 01:01:03,150

deep personal reflection on these things

1689

01:01:08,539 --> 01:01:05,910

I'm guilty of it so I think those are

1690

01:01:10,190 --> 01:01:08,549

the parts that are most useful then we

1691

01:01:12,020 --> 01:01:10,200

talked about Huey Long I thought that

1692

01:01:14,000 --> 01:01:12,030

was great because history books usually

1693

01:01:16,700 --> 01:01:14,010

leave out the people who at least tried

1694

01:01:18,410 --> 01:01:16,710

to be champions of the everyman and then

1695

01:01:20,720 --> 01:01:18,420

add in the fact that he was killed for

1696

01:01:23,990 --> 01:01:20,730

it and it's even more reason to pay

1697

01:01:28,609 --> 01:01:24,000

homage to his legacy in fact I found a

1698

01:01:30,850 --> 01:01:28,619

recording of that Huey Long song and I'm

1699

01:01:40,730 --> 01:01:30,860

gonna throw it in right here

1700

01:01:40,740 --> 01:01:50,849

[Music]

1701

01:01:59,109 --> 01:01:54,720

every man looking for you can't be a

1702

01:02:19,539 --> 01:01:59,119

millionaire but nothing belonging to

1703

01:02:22,089 --> 01:02:19,549

others there's enough for always just

1704

01:02:23,890 --> 01:02:22,099

get a kick out of really old timey stuff

1705

01:02:26,380 --> 01:02:23,900

like that and when I listen to the

1706

01:02:28,440 --> 01:02:26,390

lyrics I could understand how it might

1707

01:02:32,319 --> 01:02:28,450

trigger someone into thinking headline

1708

01:02:34,210 --> 01:02:32,329

socialism Universal poverty but we just

1709

01:02:37,630 --> 01:02:34,220

spent two hours talking about how much

1710

01:02:40,569 --> 01:02:37,640

access is at the top billions and

1711

01:02:43,120 --> 01:02:40,579

trillions so nobody's talking about

1712

01:02:45,279 --> 01:02:43,130

universal poverty here and you know of

1713

01:02:47,079 --> 01:02:45,289

course I love talking about suppressed

1714

01:02:48,910 --> 01:02:47,089

technology so I thought we had some good

1715

01:02:52,029 --> 01:02:48,920

content there that wasn't just the same

1716

01:02:54,519 --> 01:02:52,039

top three bullet points and lastly I

1717

01:02:56,799 --> 01:02:54,529

really enjoyed getting into Don's head a

1718

01:03:00,190 --> 01:02:56,809

bit about his politics and his feelings

1719

01:03:02,980 --> 01:03:00,200

about what a more traditional or genuine

1720

01:03:05,140 --> 01:03:02,990

left position looks like I'm not saying

1721

01:03:07,450 --> 01:03:05,150

I agree with every element I just like

1722

01:03:11,109 --> 01:03:07,460

to listen and reflect and see where the

1723

01:03:13,630 --> 01:03:11,119

common ground is we always have in us

1724

01:03:17,190 --> 01:03:13,640

the way we were raised so something

1725

01:03:19,870 --> 01:03:17,200

about liberalism is in my DNA somewhere

1726

01:03:21,460 --> 01:03:19,880

not the way it's expressed today but I

1727

01:03:24,400 --> 01:03:21,470

would hope that there would be something

1728

01:03:26,200 --> 01:03:24,410

else there of value because I don't want

1729

01:03:27,849 --> 01:03:26,210

people to hear me say that and then look

1730

01:03:31,390 --> 01:03:27,859

at the liberal philosophy today and

1731

01:03:33,160 --> 01:03:31,400

consider them equal because I do not so

1732

01:03:35,319 --> 01:03:33,170

I typically stay away from political

1733

01:03:36,970 --> 01:03:35,329

labels because they just mean so many

1734

01:03:39,849 --> 01:03:36,980

different things to so many different

1735

01:03:41,349 --> 01:03:39,859

people and they do change over time so I

1736

01:03:43,870 --> 01:03:41,359

guess the question I was thinking about

1737

01:03:45,519 --> 01:03:43,880

when getting familiar with Don's work

1738

01:03:48,250 --> 01:03:45,529

and knowing that I'm about to interview

1739

01:03:51,220 --> 01:03:48,260

him was just that I picked up on this

1740

01:03:53,500 --> 01:03:51,230

thread of what was the left really or

1741

01:03:55,510 --> 01:03:53,510

what could it be without all the

1742

01:03:58,630 --> 01:03:55,520

co-option and without equating

1743

01:04:01,420 --> 01:03:58,640

to socialism obviously I'm not in favor

1744

01:04:04,660 --> 01:04:01,430

of a welfare state or weakening people's

1745

01:04:06,730 --> 01:04:04,670

drive with handouts but some people do

1746

01:04:09,370 --> 01:04:06,740

get chewed up and spit out by the system

1747

01:04:12,400 --> 01:04:09,380

at no fault of their own I think I've

1748

01:04:14,460 --> 01:04:12,410

said this before too but for myself it's

1749

01:04:17,200 --> 01:04:14,470

best to have a conservative philosophy

1750

01:04:19,720 --> 01:04:17,210

nobody's gonna help me I gotta pull

1751

01:04:23,680 --> 01:04:19,730

myself up by the bootstraps I gotta be

1752

01:04:26,590 --> 01:04:23,690

the best guy I can be I have to limit my

1753

01:04:29,130 --> 01:04:26,600

partying a little bit you know I'm quite

1754

01:04:31,870 --> 01:04:29,140

hard on myself sometimes quite stern and

1755

01:04:34,210 --> 01:04:31,880

for me that's motivating it's very

1756

01:04:36,490 --> 01:04:34,220

helpful but I think there's a difference

1757

01:04:38,410 --> 01:04:36,500

between what we instill in ourselves as

1758

01:04:41,320 --> 01:04:38,420

individuals and a philosophy that's

1759

01:04:44,290 --> 01:04:41,330

gonna work better for a society overall

1760

01:04:46,510 --> 01:04:44,300

and I'm not making any conclusions I'm

1761

01:04:49,090 --> 01:04:46,520

not saying I'm sure I'm just talking

1762

01:04:51,100 --> 01:04:49,100

about ideas and this is just how I feel

1763

01:04:52,720 --> 01:04:51,110

about it so I thought there were some

1764

01:04:55,360 --> 01:04:52,730

interesting things to pull out and

1765

01:04:58,660 --> 01:04:55,370

examine when it comes to what a non

1766

01:05:01,420 --> 01:04:58,670

socialist non globalist non co-opted

1767

01:05:03,460 --> 01:05:01,430

left might look like we know it doesn't

1768

01:05:04,990 --> 01:05:03,470

look like that today that's obvious but

1769

01:05:08,950 --> 01:05:05,000

is there something there at the

1770

01:05:11,710 --> 01:05:08,960

beginning that has value today made me

1771

01:05:13,530 --> 01:05:11,720

feel like there might be more than most

1772

01:05:16,330 --> 01:05:13,540

days do that's all I'm saying

1773

01:05:18,420 --> 01:05:16,340

personally I don't put immigration very

1774

01:05:21,400 --> 01:05:18,430

high on my priority list either

1775

01:05:23,890 --> 01:05:21,410

obviously there is a line and Europe is

1776

01:05:26,890 --> 01:05:23,900

dealing with their own thing but as far

1777

01:05:29,230 --> 01:05:26,900

as America goes I live near the border I

1778

01:05:32,050 --> 01:05:29,240

don't see a huge flood of violent

1779

01:05:33,820 --> 01:05:32,060

criminals crossing the border nobody's

1780

01:05:37,060 --> 01:05:33,830

breaking into my house no one's breaking

1781

01:05:39,010 --> 01:05:37,070

into my car in Missouri people broke

1782

01:05:41,320 --> 01:05:39,020

into my car and stole my stereo like six

1783

01:05:44,050 --> 01:05:41,330

times and this is just one man's

1784

01:05:46,300 --> 01:05:44,060

experience I don't care what the TV says

1785

01:05:49,090 --> 01:05:46,310

I don't care what the media tells me I

1786

01:05:50,910 --> 01:05:49,100

should be up in arms about my experience

1787

01:05:54,280 --> 01:05:50,920

just doesn't look anything like that

1788

01:05:56,200 --> 01:05:54,290

we obviously have issues overall with

1789

01:05:58,630 --> 01:05:56,210

immigration there's some stuff there

1790

01:06:01,690 --> 01:05:58,640

that could be improved but there are so

1791

01:06:04,120 --> 01:06:01,700

so so many higher priorities in my mind

1792

01:06:06,820 --> 01:06:04,130

it's like your house is burning down and

1793

01:06:09,430 --> 01:06:06,830

you're mad because you found some ants

1794

01:06:12,160 --> 01:06:09,440

in the kitchen you know what I mean

1795

01:06:13,030 --> 01:06:12,170

let's reel back the waste that Don was

1796

01:06:15,460 --> 01:06:13,040

talking about

1797

01:06:17,430 --> 01:06:15,470

let's redistribute some of the war

1798

01:06:20,560 --> 01:06:17,440

machine military-industrial complex

1799

01:06:23,140 --> 01:06:20,570

budget to more positive things let's

1800

01:06:25,810 --> 01:06:23,150

rebuild the infrastructure let's take

1801
01:06:28,240 --> 01:06:25,820
these corporations to task for polluting

1802
01:06:31,330 --> 01:06:28,250
the planet reignite some of these

1803
01:06:34,420 --> 01:06:31,340
suppressed technologies refocus our food

1804
01:06:38,080 --> 01:06:34,430
on being a more local level operation

1805
01:06:40,960 --> 01:06:38,090
and get clean goddamn water in our

1806
01:06:43,240 --> 01:06:40,970
houses for Christ's sake these are the

1807
01:06:46,900 --> 01:06:43,250
things that I care about so much more

1808
01:06:49,810 --> 01:06:46,910
than immigration I know it's a hot topic

1809
01:06:51,610 --> 01:06:49,820
right now but I think that a lot of it

1810
01:06:54,310 --> 01:06:51,620
is media hyperbole and if you look

1811
01:06:57,550 --> 01:06:54,320
around in your own life I don't think

1812
01:07:00,730 --> 01:06:57,560
you're gonna see the immigration crisis

1813
01:07:03,340 --> 01:07:00,740

that the media tells you is there we

1814

01:07:05,160 --> 01:07:03,350

have a homelessness crisis and those

1815

01:07:07,870 --> 01:07:05,170

things have a little bit of bleed over

1816

01:07:09,880 --> 01:07:07,880

but I would ask what has affected your

1817

01:07:11,920 --> 01:07:09,890

life more the fact that harmful

1818

01:07:14,710 --> 01:07:11,930

chemicals are pumped into your water

1819

01:07:17,710 --> 01:07:14,720

supply or a Mexican family trying to

1820

01:07:21,070 --> 01:07:17,720

find some relief in America I don't want

1821

01:07:23,950 --> 01:07:21,080

to frame it as an either/or choice but

1822

01:07:26,920 --> 01:07:23,960

it's just not my go to issue and again

1823

01:07:28,570 --> 01:07:26,930

what do I know there are a lot of issues

1824

01:07:32,580 --> 01:07:28,580

that you don't see firsthand but are

1825

01:07:35,170 --> 01:07:32,590

still issues I'm not trying to be unfair

1826

01:07:37,990 --> 01:07:35,180

but all in all I found a lot of Dawn's

1827

01:07:40,600 --> 01:07:38,000

ideas and the Huey Long style leftist to

1828

01:07:42,520 --> 01:07:40,610

just be interesting again but with

1829

01:07:45,250 --> 01:07:42,530

parties are just so far off from their

1830

01:07:46,810 --> 01:07:45,260

initial philosophies conservatives want

1831

01:07:49,840 --> 01:07:46,820

to talk about a free market that is an

1832

01:07:51,760 --> 01:07:49,850

absolute joke the Conservatives that are

1833

01:07:54,790 --> 01:07:51,770

actually in decision-making positions

1834

01:07:57,760 --> 01:07:54,800

are fighting on behalf of monopolies for

1835

01:08:00,100 --> 01:07:57,770

the most part so again with the left

1836

01:08:02,500 --> 01:08:00,110

I don't want higher taxes I don't want

1837

01:08:05,350 --> 01:08:02,510

to increase a welfare state I don't want

1838

01:08:07,420 --> 01:08:05,360

more censorship but I do want sensible

1839

01:08:10,060 --> 01:08:07,430

regulations I do want to try to work

1840

01:08:13,000 --> 01:08:10,070

towards everyone having a fairer chance

1841

01:08:14,860 --> 01:08:13,010

I'm sure if we strip down a lot of

1842

01:08:17,860 --> 01:08:14,870

political positions and philosophies to

1843

01:08:20,140 --> 01:08:17,870

their core or their origins we'd

1844

01:08:21,939 --> 01:08:20,150

probably be able to endorse a lot of

1845

01:08:23,919 --> 01:08:21,949

left or right things

1846

01:08:25,899 --> 01:08:23,929

it's just that we are so far off from

1847

01:08:27,939 --> 01:08:25,909

that core everything has been spun out

1848

01:08:30,759 --> 01:08:27,949

of control to benefit the capstone cabal

1849

01:08:34,779 --> 01:08:30,769

they are masters at the Trojan horse at

1850

01:08:37,749 --> 01:08:34,789

the baton switch and of using a people's

1851
01:08:39,519 --> 01:08:37,759
philosophies against them hopefully you

1852
01:08:41,469 --> 01:08:39,529
guys see what I'm saying and also see

1853
01:08:43,989 --> 01:08:41,479
the value and what Don was trying to

1854
01:08:46,509 --> 01:08:43,999
articulate even if you're on the right

1855
01:08:47,709 --> 01:08:46,519
we don't get anywhere by being harsh and

1856
01:08:50,319 --> 01:08:47,719
uncompromising

1857
01:08:52,239 --> 01:08:50,329
I myself have found several right of the

1858
01:08:55,299 --> 01:08:52,249
aisle voices that I really do agree with

1859
01:08:56,620 --> 01:08:55,309
and really appreciate maybe if you're

1860
01:08:59,109 --> 01:08:56,630
more right-leaning you could at least

1861
01:09:01,149 --> 01:08:59,119
see some value in a Huey Long left

1862
01:09:03,939 --> 01:09:01,159
position even if you don't adopt it I

1863
01:09:06,879 --> 01:09:03,949

want to pull back that polarization and

1864

01:09:08,829 --> 01:09:06,889

find the common ground but if you did

1865

01:09:10,930 --> 01:09:08,839

enjoy the first hour with mr. Jeffries

1866

01:09:13,269 --> 01:09:10,940

our second hour continued along a lot of

1867

01:09:14,859 --> 01:09:13,279

these same tracks and we got into some

1868

01:09:15,729 --> 01:09:14,869

of the content from his hidden history

1869

01:09:18,039 --> 01:09:15,739

book as well

1870

01:09:20,049 --> 01:09:18,049

we talked about how the robber barons

1871

01:09:22,120 --> 01:09:20,059

did it better obviously that's a little

1872

01:09:26,160 --> 01:09:22,130

tongue-in-cheek but the point is that

1873

01:09:29,289 --> 01:09:26,170

the elite of past generations past eras

1874

01:09:31,390 --> 01:09:29,299

realized that if you choke us out too

1875

01:09:33,339 --> 01:09:31,400

much you break the system and now you're

1876

01:09:36,519 --> 01:09:33,349

just on top of rubble and that's no good

1877

01:09:38,469 --> 01:09:36,529

because the screws are tightening but we

1878

01:09:41,379 --> 01:09:38,479

also talked about what was truly behind

1879

01:09:43,689 --> 01:09:41,389

the Reagan assassination attempt and we

1880

01:09:46,689 --> 01:09:43,699

got an analysis of the JFK research

1881

01:09:49,839 --> 01:09:46,699

community's reaction to current politics

1882

01:09:53,529 --> 01:09:49,849

I really thought that was eye-opening

1883

01:09:55,359 --> 01:09:53,539

because we get twisted up in being

1884

01:09:58,660 --> 01:09:55,369

manipulated by the media and we forget

1885

01:10:01,209 --> 01:09:58,670

some of our own ideas because there was

1886

01:10:03,759 --> 01:10:01,219

a lot of Trump analysis there and I

1887

01:10:06,219 --> 01:10:03,769

thought it was really even-handed and if

1888

01:10:08,890 --> 01:10:06,229

you frame the current dynamic as the

1889

01:10:11,020 --> 01:10:08,900

deep state verse Trump which is

1890

01:10:12,910 --> 01:10:11,030

obviously not exactly right but that's

1891

01:10:15,219 --> 01:10:12,920

what the media is going with in the

1892

01:10:18,219 --> 01:10:15,229

mainstream narrative he is fighting the

1893

01:10:20,529 --> 01:10:18,229

deep state draining the swamp Gordon had

1894

01:10:22,330 --> 01:10:20,539

a good line in his newsletter that the

1895

01:10:25,330 --> 01:10:22,340

swamp isn't being drained it's being

1896

01:10:27,129 --> 01:10:25,340

landscaped I like that but just for the

1897

01:10:29,589 --> 01:10:27,139

sake of argument if these are the two

1898

01:10:31,989 --> 01:10:29,599

sides you can have people who really

1899

01:10:33,879 --> 01:10:31,999

really hate Trump and they're kind of

1900

01:10:34,680 --> 01:10:33,889

putting themselves on the side of team

1901

01:10:37,500 --> 01:10:34,690

deep state

1902

01:10:40,890 --> 01:10:37,510

but they've been a JFK assassination

1903

01:10:43,140 --> 01:10:40,900

researcher for years like I find that

1904

01:10:45,360 --> 01:10:43,150

interesting we also talked about the

1905

01:10:46,860 --> 01:10:45,370

top-down pressure put on the masses to

1906

01:10:50,370 --> 01:10:46,870

live with lower standards and the

1907

01:10:52,410 --> 01:10:50,380

increases in that agenda and again

1908

01:10:54,689 --> 01:10:52,420

trying to bring back a true left as

1909

01:10:57,270 --> 01:10:54,699

opposed to a warped version that we have

1910

01:10:59,580 --> 01:10:57,280

today in American politics so a good

1911

01:11:02,250 --> 01:10:59,590

time with a knowledgeable authentic guy

1912

01:11:04,229 --> 01:11:02,260

I really liked his book he's trying to

1913

01:11:06,510 --> 01:11:04,239

restore some sanity to an insane world

1914

01:11:09,120 --> 01:11:06,520

and that's something we can all try to

1915

01:11:12,060 --> 01:11:09,130

do right so I've done my part

1916

01:11:14,150 --> 01:11:12,070

your move insulated elite system rigors

1917

01:11:26,880 --> 01:11:14,160

and next stoppers of us little guys

1918

01:11:31,820 --> 01:11:26,890

you're [h__h] some crazy garbage called

1919

01:11:36,920 --> 01:11:31,830

the blood on the exploited working class

1920

01:11:51,150 --> 01:11:43,550

now we're calling and the world screams

1921

01:11:55,580 --> 01:11:51,160

save me THC they destroyed the bonds of

1922

01:12:00,360 --> 01:11:55,590

friendship and respect between the only

1923

01:12:02,390 --> 01:12:00,370

people left could even look them in the

1924

01:12:07,620 --> 01:12:02,400

eye

1925

01:12:11,760 --> 01:12:07,630

now they laugh and make a fortune of the

1926

01:12:16,700 --> 01:12:11,770

same ones that they tortured and a world

1927

01:12:20,090 --> 01:12:16,710

screams save me THC

1928

01:12:26,220 --> 01:12:20,100

let's love Jesus

1929

01:12:44,950 --> 01:12:34,750

Jesus far away now we are the only one

1930

01:12:51,399 --> 01:12:44,960

who can tell me if it's true and our

1931

01:12:56,070 --> 01:12:51,409

chance to they built a little Empire out

1932

01:13:01,490 --> 01:12:56,080

of some crazy garbage called the blood

1933

01:13:06,600 --> 01:13:01,500

of the exploited working class

1934

01:13:09,420 --> 01:13:06,610

but they've overcome her shyness now

1935

01:13:14,990 --> 01:13:09,430

we're calling them your highness
