

## CHARLOTTE ISERBYT

THE EDUCATION CONSPIRACY, DUMBING DOWN AMERICA, & THE ORDER

PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT [THEHIGHERSIDECHATS.COM](http://THEHIGHERSIDECHATS.COM)

LISTEN TO THE EXTENDED SHOW AT [THEHIGHERSIDECHATSPLUS.COM](http://THEHIGHERSIDECHATSPLUS.COM)

1  
00:00:05,680 --> 00:00:02,790

[Music]

2  
00:00:08,169 --> 00:00:05,690

congratulations YouTube you did it you

3  
00:00:10,660 --> 00:00:08,179

wore me down and you sucked me back in I

4  
00:00:13,270 --> 00:00:10,670

have too many subscribers here just to

5  
00:00:15,789 --> 00:00:13,280

walk away entirely especially with no

6  
00:00:18,009 --> 00:00:15,799

alternative that truly stacks up and so

7  
00:00:21,399 --> 00:00:18,019

many copycat channels uploading my shows

8  
00:00:24,579 --> 00:00:21,409

for me anyway but we can't forget the th

9  
00:00:26,409 --> 00:00:24,589

C's account here is on thin ice and so

10  
00:00:29,290 --> 00:00:26,419

the YouTube version of the show has to

11  
00:00:32,200 --> 00:00:29,300

be prefaced with this little PSA only to

12  
00:00:33,369 --> 00:00:32,210

say that episodes that contain the kinds

13  
00:00:36,250 --> 00:00:33,379

of themes that have been regularly

14

00:00:38,709 --> 00:00:36,260

banned on YouTube will not appear here

15

00:00:40,660 --> 00:00:38,719

and even with that precaution there's

16

00:00:42,910 --> 00:00:40,670

already enough in the archive to get us

17

00:00:45,310 --> 00:00:42,920

removed so remember that the higher side

18

00:00:48,160 --> 00:00:45,320

chats could be banned or put in timeout

19

00:00:50,200 --> 00:00:48,170

again at any time and I won't be able to

20

00:00:52,000 --> 00:00:50,210

tell you guys about it so if you feel

21

00:00:53,500 --> 00:00:52,010

like it's been too long since you've

22

00:00:56,590 --> 00:00:53,510

heard from me here on this digital

23

00:00:59,410 --> 00:00:56,600

dystopian draconian data-mining monster

24

00:01:00,910 --> 00:00:59,420

of a police state seeking platform your

25

00:01:03,180 --> 00:01:00,920

first step should be to check the higher

26

00:01:10,240 --> 00:01:03,190

side chats calm for the latest shows

27

00:01:11,980 --> 00:01:10,250

alright alright enjoy embrace yourself

28

00:01:13,899 --> 00:01:11,990

because you're about to dive into

29

00:01:15,819 --> 00:01:13,909

another free first hour episode of the

30

00:01:16,959 --> 00:01:15,829

higher side chats and we just want to

31

00:01:18,609 --> 00:01:16,969

let you know that whether you're looking

32

00:01:20,590 --> 00:01:18,619

for a companion through your paranoid

33

00:01:22,719 --> 00:01:20,600

insomnia entertaining yourself through

34

00:01:24,370 --> 00:01:22,729

one of life's mundane activities or

35

00:01:26,440 --> 00:01:24,380

trying to ward off the internal scream

36

00:01:29,200 --> 00:01:26,450

to all those sad smothered Souls around

37

00:01:30,429 --> 00:01:29,210

the office THC is here and you should

38

00:01:32,410 --> 00:01:30,439

know that every episode of the higher

39

00:01:34,810 --> 00:01:32,420

side chats has an entire second hour

40

00:01:37,389 --> 00:01:34,820

four plus members sign up at the higher

41

00:01:39,969 --> 00:01:37,399

side chats plus calm and you get years

42

00:01:42,039 --> 00:01:39,979

of plus show archives lifetime forum

43

00:01:45,069 --> 00:01:42,049

access the special invite to Greg Carl

44

00:01:48,010 --> 00:01:45,079

woods monthly joint sessions mp3s of THC

45

00:01:51,010 --> 00:01:48,020

music and bonus episodes for videos and

46

00:01:52,599 --> 00:01:51,020

10% off t-shirts grinders and whatever

47

00:01:55,539 --> 00:01:52,609

else ends up in the higher side store

48

00:01:57,399 --> 00:01:55,549

it's \$8 a month that you won't miss so

49

00:01:58,959 --> 00:01:57,409

become a plus member and treat yourself

50

00:02:00,789 --> 00:01:58,969

in these troubled times always

51  
00:02:02,770 --> 00:02:00,799  
action-packed and commercial for you

52  
00:02:07,630 --> 00:02:02,780  
which means you'll unfortunately never

53  
00:02:07,640 --> 00:02:18,180  
[Music]

54  
00:02:24,280 --> 00:02:21,460  
the planets puppet-masters almost sure

55  
00:02:27,030 --> 00:02:24,290  
you have a plan it's clearly maybe

56  
00:02:29,890 --> 00:02:27,040  
something there beyond the realm of man

57  
00:02:33,040 --> 00:02:29,900  
till we've thoroughly tested every last

58  
00:02:38,620 --> 00:02:33,050  
pose just did you find the more you

59  
00:02:40,760 --> 00:02:38,630  
think you know much you really do where

60  
00:02:44,640 --> 00:02:40,770  
were we

61  
00:02:47,870 --> 00:02:44,650  
see we know the lying to us just don't

62  
00:02:55,680 --> 00:02:47,880  
know what to green where would we be

63  
00:03:09,630 --> 00:03:07,650

a car wouldn't come alright higher side

64

00:03:11,550 --> 00:03:09,640

shatters we know the political corporate

65

00:03:13,410 --> 00:03:11,560

and controller classes have never had

66

00:03:15,120 --> 00:03:13,420

our best interests at heart and we live

67

00:03:17,640 --> 00:03:15,130

in a world awash with weaponized

68

00:03:19,530 --> 00:03:17,650

campaigns to keep us down fluoride in

69

00:03:22,170 --> 00:03:19,540

the water other chemicals in the food

70

00:03:24,060 --> 00:03:22,180

and sky and most recently pulsing

71

00:03:27,120 --> 00:03:24,070

radiation waves throughout the so-called

72

00:03:28,740 --> 00:03:27,130

civilized world and as dire and obvious

73

00:03:30,870 --> 00:03:28,750

as these problems might be to us

74

00:03:33,030 --> 00:03:30,880

enlightened few we have to remember to

75

00:03:34,710 --> 00:03:33,040

have patience with our friends family

76

00:03:36,210 --> 00:03:34,720

and fellow citizens because one of the

77

00:03:38,790 --> 00:03:36,220

most effective and long-standing

78

00:03:41,430 --> 00:03:38,800

campaigns we've been victim to is the

79

00:03:43,380 --> 00:03:41,440

finely tuned systematic brainwashing by

80

00:03:45,810 --> 00:03:43,390

think tanks and behavioral scientists

81

00:03:48,210 --> 00:03:45,820

that has taken over the education system

82

00:03:50,130 --> 00:03:48,220

because if you want to control a people

83

00:03:52,280 --> 00:03:50,140

start with the kids and in a generation

84

00:03:54,960 --> 00:03:52,290

you've got the indoctrinated flag-waving

85

00:03:57,510 --> 00:03:54,970

Authority trusting obedient worker class

86

00:03:59,220 --> 00:03:57,520

you always wanted that has been the goal

87

00:04:00,990 --> 00:03:59,230

the capstone cabal has been working

88

00:04:02,910 --> 00:04:01,000

towards longer than any of us have been

89

00:04:04,830 --> 00:04:02,920

alive and today's guest Charlotte

90

00:04:06,930 --> 00:04:04,840

Thompson is her beat knows this all too

91

00:04:08,970 --> 00:04:06,940

well if you're not familiar with

92

00:04:11,280 --> 00:04:08,980

Charlotte's background she served as

93

00:04:13,290 --> 00:04:11,290

senior policy advisor in the office of

94

00:04:15,150 --> 00:04:13,300

educational research and improvement for

95

00:04:17,159 --> 00:04:15,160

the US Department of Education during

96

00:04:18,810 --> 00:04:17,169

the first Reagan administration where

97

00:04:20,940 --> 00:04:18,820

she blew the whistle on a major

98

00:04:22,560 --> 00:04:20,950

technology initiative that would control

99

00:04:25,680 --> 00:04:22,570

curriculum in America's classrooms

100

00:04:28,440 --> 00:04:25,690

called Project best better education

101  
00:04:30,630 --> 00:04:28,450  
skills through technology she is also a

102  
00:04:32,550 --> 00:04:30,640  
former school board director in Camden

103  
00:04:34,620 --> 00:04:32,560  
Maine and was co-founder and research

104  
00:04:38,250 --> 00:04:34,630  
analyst for guardians of Education for

105  
00:04:40,830 --> 00:04:38,260  
Maine from 1978 to 2000 she has also

106  
00:04:43,290 --> 00:04:40,840  
served in the American Red Cross in Guam

107  
00:04:44,940 --> 00:04:43,300  
and Japan during the Korean War in the

108  
00:04:47,010 --> 00:04:44,950  
United States Foreign Service and

109  
00:04:47,790 --> 00:04:47,020  
Belgium and in the Republic of South

110  
00:04:49,800 --> 00:04:47,800  
Africa

111  
00:04:51,900 --> 00:04:49,810  
Charlotte is also a speaker and writer

112  
00:04:53,610 --> 00:04:51,910  
who has been taking on the education

113  
00:04:56,909 --> 00:04:53,620

indoctrination issue for most of her

114

00:04:58,800 --> 00:04:56,919

life best known for a 700 plus page book

115

00:05:00,450 --> 00:04:58,810

that I consider probably the best

116

00:05:02,790 --> 00:05:00,460

resource for this conspiratorial

117

00:05:05,190 --> 00:05:02,800

campaign entitled the deliberate dumbing

118

00:05:07,440 --> 00:05:05,200

down of America a chronological paper

119

00:05:09,310 --> 00:05:07,450

trail she also has some incredible

120

00:05:11,590 --> 00:05:09,320

insights into the skull and bone secrets

121

00:05:13,690 --> 00:05:11,600

Society of Yale University as her father

122

00:05:16,090 --> 00:05:13,700

and grandfather were both members of the

123

00:05:18,040 --> 00:05:16,100

order a fascinating woman who's been

124

00:05:19,810 --> 00:05:18,050

working on our behalf for decades a

125

00:05:21,910 --> 00:05:19,820

whistleblower in the truest sense of the

126

00:05:22,570 --> 00:05:21,920

word and a real education advocate

127

00:05:25,390 --> 00:05:22,580

Charlotte

128

00:05:28,450 --> 00:05:25,400

welcome to the higher side well thank

129

00:05:32,890 --> 00:05:28,460

you so much that was so marvelous

130

00:05:36,510 --> 00:05:32,900

concise record of my wanderings around

131

00:05:40,120 --> 00:05:36,520

since I got back after 20 years abroad

132

00:05:42,670 --> 00:05:40,130

with the Foreign Service etc I had the

133

00:05:46,630 --> 00:05:42,680

biggest shock in my life right in the

134

00:05:50,080 --> 00:05:46,640

70s when I innocently put my children in

135

00:05:51,940 --> 00:05:50,090

the public school system which people

136

00:05:55,810 --> 00:05:51,950

still think it really is geared to

137

00:05:57,960 --> 00:05:55,820

education but from 1965 on with the

138

00:06:01,750 --> 00:05:57,970

## Elementary and Secondary Education Act

139

00:06:03,100 --> 00:06:01,760

it changed that's when they decided that

140

00:06:05,440 --> 00:06:03,110

they had to put the method in which

141

00:06:07,450 --> 00:06:05,450

would be useful for corporate fascist

142

00:06:09,880 --> 00:06:07,460

communist workforce training which is

143

00:06:13,150 --> 00:06:09,890

going in now cross the board with

144

00:06:15,760 --> 00:06:13,160

charter schools and school choice so

145

00:06:18,490 --> 00:06:15,770

when I got back I really saw the

146

00:06:20,800 --> 00:06:18,500

beginning of it I couldn't quite

147

00:06:24,100 --> 00:06:20,810

understand why our school superintendent

148

00:06:26,590 --> 00:06:24,110

was out of Harvard right change agent he

149

00:06:29,730 --> 00:06:26,600

wanted to put in the individualized

150

00:06:32,200 --> 00:06:29,740

education which is you know no grade

151  
00:06:35,610 --> 00:06:32,210  
intramural working on their own and at

152  
00:06:38,320 --> 00:06:35,620  
their own pace and I thought that was

153  
00:06:40,390 --> 00:06:38,330  
getting rid of competition etc I really

154  
00:06:44,530 --> 00:06:40,400  
knew nothing about what I know now that

155  
00:06:46,840 --> 00:06:44,540  
it for Soviet system no competition we

156  
00:06:50,620 --> 00:06:46,850  
got a hold of later on the Soviet

157  
00:06:53,970 --> 00:06:50,630  
education plan a farmer in Ohio happened

158  
00:06:57,250 --> 00:06:53,980  
to be looking for stuff about seeds and

159  
00:06:59,590 --> 00:06:57,260  
he found this document on Soviet

160  
00:07:04,720 --> 00:06:59,600  
education it was a report by American

161  
00:07:07,679 --> 00:07:04,730  
educators who were sent over in 1959 by

162  
00:07:09,419 --> 00:07:07,689  
the Commissioner of Education

163  
00:07:12,209 --> 00:07:09,429

to the Soviet Union just study their

164

00:07:14,399 --> 00:07:12,219

system right after I showered signed the

165

00:07:17,249 --> 00:07:14,409

first agreement between the United

166

00:07:20,989 --> 00:07:17,259

States and Soviet Union on education

167

00:07:25,289 --> 00:07:20,999

cultural affairs etc so that was a

168

00:07:28,379 --> 00:07:25,299

tremendous find by this farmer and it's

169

00:07:32,879 --> 00:07:28,389

had my son's website American deception

170

00:07:36,179 --> 00:07:32,889

calm at the time the American educators

171

00:07:38,039 --> 00:07:36,189

were still pretty good right and they

172

00:07:39,749 --> 00:07:38,049

came back and they said well this

173

00:07:42,269 --> 00:07:39,759

certainly because you've got some of

174

00:07:45,689 --> 00:07:42,279

that text in my book of their report

175

00:07:47,699 --> 00:07:45,699

this is total opposite of what we've

176

00:07:50,219 --> 00:07:47,709

been involved in for years traditional

177

00:07:52,949 --> 00:07:50,229

academic education so they really didn't

178

00:07:55,739 --> 00:07:52,959

like it that much I will go on to

179

00:07:58,079 --> 00:07:55,749

explain how I found out but I'm just

180

00:08:01,049 --> 00:07:58,089

trying to redefine education for people

181

00:08:04,469 --> 00:08:01,059

and we can thank Donald Trump and Betsy

182

00:08:06,539 --> 00:08:04,479

DeVos and of course before that all the

183

00:08:09,209 --> 00:08:06,549

leftists who were putting in the

184

00:08:12,919 --> 00:08:09,219

communist system it wasn't just the

185

00:08:16,309 --> 00:08:12,929

method the method itself was put in in

186

00:08:20,249 --> 00:08:16,319

1965 the Skinner method performance base

187

00:08:22,319 --> 00:08:20,259

that's when they changed right from what

188

00:08:24,419 --> 00:08:22,329

you know in your head so what you could

189

00:08:30,229 --> 00:08:24,429

do how you can perform like an animal

190

00:08:34,980 --> 00:08:30,239

and so when I got into the school board

191

00:08:36,569 --> 00:08:34,990

one day I was complaining about things

192

00:08:39,240 --> 00:08:36,579

like lifeboat games

193

00:08:40,860 --> 00:08:39,250

the children were pretending that they

194

00:08:42,389 --> 00:08:40,870

were in a ship in the ship was going

195

00:08:45,449 --> 00:08:42,399

down and there was only one lifeboat

196

00:08:47,069 --> 00:08:45,459

that took ten people and there were 15

197

00:08:48,569 --> 00:08:47,079

people so they have to decide who's

198

00:08:51,329 --> 00:08:48,579

gonna live and who's gonna die that kind

199

00:08:53,460 --> 00:08:51,339

of thing I didn't like these program

200

00:08:55,110 --> 00:08:53,470

most these programs at that time I did

201  
00:08:56,309 --> 00:08:55,120  
not know because I didn't know it's

202  
00:08:58,499 --> 00:08:56,319  
going to be in the Department of Ed

203  
00:09:00,990 --> 00:08:58,509  
later we're coming out of what would

204  
00:09:02,930 --> 00:09:01,000  
subsequently be my old office my new

205  
00:09:05,000 --> 00:09:02,940  
office right

206  
00:09:08,330 --> 00:09:05,010  
so I've been out of the country 20 years

207  
00:09:10,760 --> 00:09:08,340  
what has happened in my country no so I

208  
00:09:11,810 --> 00:09:10,770  
get a phone call and I'm always

209  
00:09:13,700 --> 00:09:11,820  
terrified when I get a phone call

210  
00:09:17,240 --> 00:09:13,710  
because usually I was going to get beat

211  
00:09:18,890 --> 00:09:17,250  
up mind you folks this is 1976 in Camden

212  
00:09:21,620 --> 00:09:18,900  
Maine right on the beautiful coast of

213  
00:09:23,660 --> 00:09:21,630

Maine where nobody would ever dream such

214

00:09:25,850 --> 00:09:23,670

things were going on except we were

215

00:09:29,420 --> 00:09:25,860

about according to a bird if I were

216

00:09:33,440 --> 00:09:29,430

seagull I could get to us for North

217

00:09:35,240 --> 00:09:33,450

Haven etc in probably two minutes and

218

00:09:36,800 --> 00:09:35,250

that's where all of the insiders live

219

00:09:39,470 --> 00:09:36,810

you know you have the Rockefeller so

220

00:09:41,450 --> 00:09:39,480

Watson former ambassadors Soviet Union

221

00:09:44,540 --> 00:09:41,460

have always corporatized these big

222

00:09:47,630 --> 00:09:44,550

business guys they live there Multi

223

00:09:50,030 --> 00:09:47,640

banners and I do believe that they had a

224

00:09:52,640 --> 00:09:50,040

lot to do with making my little School

225

00:09:55,310 --> 00:09:52,650

District Camden and then it became a

226

00:09:58,790 --> 00:09:55,320

district hemmed in rockport certainly

227

00:10:02,060 --> 00:09:58,800

one of the major pilots for change in

228

00:10:04,250 --> 00:10:02,070

education in the United States I've

229

00:10:07,730 --> 00:10:04,260

often thought we were it but I don't

230

00:10:11,030 --> 00:10:07,740

want to get the gold star thank you but

231

00:10:13,850 --> 00:10:11,040

what I saw was so devastating including

232

00:10:16,580 --> 00:10:13,860

the health education that had this is at

233

00:10:18,890 --> 00:10:16,590

least for 11th graders it would be first

234

00:10:20,870 --> 00:10:18,900

grade now that the students should

235

00:10:25,330 --> 00:10:20,880

understand the three types of sexual

236

00:10:29,750 --> 00:10:25,340

intercourse including with animals hmm

237

00:10:31,820 --> 00:10:29,760

Timmy yeah that's that's a shocker

238

00:10:35,500 --> 00:10:31,830

that is a shocker which relates to

239

00:10:39,500 --> 00:10:35,510

everything we are looking at right now

240

00:10:41,720 --> 00:10:39,510

including the great Dutch banker spilled

241

00:10:45,650 --> 00:10:41,730

the beans remember yes I did see that

242

00:10:49,430 --> 00:10:45,660

video that type of thinking that blew my

243

00:10:51,680 --> 00:10:49,440

mind yes so at that point I had I was on

244

00:10:53,390 --> 00:10:51,690

school board but I'd also formed a group

245

00:10:55,640 --> 00:10:53,400

called Maine Conservative Union which

246

00:10:58,850 --> 00:10:55,650

was very traditional and we had you know

247

00:11:00,980 --> 00:10:58,860

military people lawyers etc in Maine

248

00:11:03,830 --> 00:11:00,990

joined together we tried to stop give

249

00:11:05,210 --> 00:11:03,840

away the Panama Canal we were opposed to

250

00:11:08,180 --> 00:11:05,220

regional government bank we were

251  
00:11:10,780 --> 00:11:08,190  
fighting that but then when this came

252  
00:11:15,260 --> 00:11:10,790  
across my desk with the health education

253  
00:11:17,060 --> 00:11:15,270  
we decided to disband this wonderful

254  
00:11:19,700 --> 00:11:17,070  
political group we had mango several

255  
00:11:21,530 --> 00:11:19,710  
unions at least to merge it and it

256  
00:11:25,790 --> 00:11:21,540  
became Guardians of Education for Maine

257  
00:11:28,940 --> 00:11:25,800  
and then I was still on board and I get

258  
00:11:31,250 --> 00:11:28,950  
a call and usually it's from leftist

259  
00:11:32,690 --> 00:11:31,260  
change agents really new people in town

260  
00:11:34,250 --> 00:11:32,700  
none of the old-time Mainers they all

261  
00:11:36,500 --> 00:11:34,260  
loved me when they had to move out

262  
00:11:38,210 --> 00:11:36,510  
because the taxes got so high because

263  
00:11:39,920 --> 00:11:38,220

the newcomers coming in you know that

264

00:11:42,950 --> 00:11:39,930

story when they had to move out I

265

00:11:45,230 --> 00:11:42,960

couldn't get elected dog catcher because

266

00:11:48,410 --> 00:11:45,240

I lost my base which were true good

267

00:11:50,300 --> 00:11:48,420

great Mainers lobstermen etcetera who

268

00:11:53,840 --> 00:11:50,310

could count and think and you know

269

00:11:56,210 --> 00:11:53,850

understood reality and so I'm getting

270

00:11:58,100 --> 00:11:56,220

all these nasty phone calls bad articles

271

00:12:01,310 --> 00:11:58,110

written about me I hate children in the

272

00:12:03,920 --> 00:12:01,320

local newspaper so this woman

273

00:12:06,740 --> 00:12:03,930

I was scared I answered and she said I

274

00:12:08,930 --> 00:12:06,750

just want to thank you for what you're

275

00:12:14,300 --> 00:12:08,940

doing on the school board and I thought

276

00:12:16,400 --> 00:12:14,310

huh what's wrong here and I said blah

277

00:12:18,950 --> 00:12:16,410

thank you very much and she said well

278

00:12:20,540 --> 00:12:18,960

you're absolutely correct she said I've

279

00:12:23,390 --> 00:12:20,550

been a master teacher I worked all

280

00:12:25,700 --> 00:12:23,400

around the world and you're going

281

00:12:27,380 --> 00:12:25,710

against everything properly but I don't

282

00:12:29,400 --> 00:12:27,390

think you understand what you're looking

283

00:12:35,129 --> 00:12:29,410

at

284

00:12:38,159 --> 00:12:35,139

going to pay for you to go for change

285

00:12:41,159 --> 00:12:38,169

agent training down ease down ease just

286

00:12:44,699 --> 00:12:41,169

going north very strange how we are in

287

00:12:46,349 --> 00:12:44,709

me and she paid \$100 for me to go that

288

00:12:48,749 --> 00:12:46,359

was a lot back then for her pull out of

289

00:12:49,229 --> 00:12:48,759

her pocket she had taught all over the

290

00:12:51,989 --> 00:12:49,239

world

291

00:12:53,849 --> 00:12:51,999

her name was Salma Hamm I should give

292

00:12:57,899 --> 00:12:53,859

her credit on some interview yep she's

293

00:12:59,639 --> 00:12:57,909

gone now so she paid me to go I went to

294

00:13:01,769 --> 00:12:59,649

this in-service training a lot of very

295

00:13:03,960 --> 00:13:01,779

nice teachers and principals from our

296

00:13:05,099 --> 00:13:03,970

own school district and I want to point

297

00:13:07,109 --> 00:13:05,109

out there's still a lot of great

298

00:13:10,439 --> 00:13:07,119

educators out there most of them rest of

299

00:13:12,440 --> 00:13:10,449

it but at that time you probably had 70%

300

00:13:15,280 --> 00:13:12,450

good

301  
00:13:18,590 --> 00:13:15,290  
in the 70s you probably have about 7%

302  
00:13:20,720 --> 00:13:18,600  
good know but because they'd been

303  
00:13:22,340 --> 00:13:20,730  
through all the brainwashing actually I

304  
00:13:26,540 --> 00:13:22,350  
was going through brainwashing that day

305  
00:13:29,350 --> 00:13:26,550  
myself so I get there and the guys using

306  
00:13:31,850 --> 00:13:29,360  
this textbook that was put together by

307  
00:13:34,880 --> 00:13:31,860  
Ronald hvala a professor at the

308  
00:13:37,630 --> 00:13:34,890  
University of Michigan Ann Arbor and it

309  
00:13:40,790 --> 00:13:37,640  
was called innovations in education and

310  
00:13:43,699 --> 00:13:40,800  
it was developed he got the money from

311  
00:13:45,560 --> 00:13:43,709  
the US Office of Education at that time

312  
00:13:49,310 --> 00:13:45,570  
which subsequent become the department

313  
00:13:52,250 --> 00:13:49,320

where I worked it was paid for by the US

314

00:13:54,530 --> 00:13:52,260

Office of Ed and it was a training

315

00:13:57,199 --> 00:13:54,540

manual and he was using that at the

316

00:14:02,269 --> 00:13:57,209

in-service training so he was training

317

00:14:04,970 --> 00:14:02,279

us how to identify the resistors in our

318

00:14:07,130 --> 00:14:04,980

community and that would be the

319

00:14:08,870 --> 00:14:07,140

resistors to sex ed that we didn't need

320

00:14:11,660 --> 00:14:08,880

we didn't even have a pregnancy in town

321

00:14:13,370 --> 00:14:11,670

at that time right drug education we'd

322

00:14:15,410 --> 00:14:13,380

have a problem with that other all these

323

00:14:17,269 --> 00:14:15,420

programs that they gave us that came out

324

00:14:20,300 --> 00:14:17,279

of what would suddenly become my office

325

00:14:22,310 --> 00:14:20,310

the US Department of Ed or not necessary

326

00:14:25,250 --> 00:14:22,320

they were necessary because they caused

327

00:14:27,120 --> 00:14:25,260

the problem they claimed to be getting

328

00:14:29,760 --> 00:14:27,130

rid of

329

00:14:32,730 --> 00:14:29,770

and I have a direct quote on that in my

330

00:14:34,680 --> 00:14:32,740

book from the guidance counselor where

331

00:14:37,710 --> 00:14:34,690

they said right in there that we will

332

00:14:39,480 --> 00:14:37,720

use deaf education that was one of the

333

00:14:42,000 --> 00:14:39,490

big fancy ones so I take the kids to the

334

00:14:44,370 --> 00:14:42,010

cemetery lie down on tombs into the

335

00:14:46,110 --> 00:14:44,380

mortuary and a lot of stuff that didn't

336

00:14:47,880 --> 00:14:46,120

last long parents really did not like

337

00:14:49,350 --> 00:14:47,890

that they were trying to get death that

338

00:14:51,780 --> 00:14:49,360

in because that's all the different

339

00:14:52,470 --> 00:14:51,790

religions etc and a funeral service

340

00:14:55,170 --> 00:14:52,480

system

341

00:14:57,120 --> 00:14:55,180

it's all globalism right they said right

342

00:15:00,800 --> 00:14:57,130

there the guidance counselor's we will

343

00:15:03,480 --> 00:15:00,810

use death education to change the

344

00:15:07,320 --> 00:15:03,490

attitudes and values of a students

345

00:15:11,450 --> 00:15:07,330

towards death and dying the same way we

346

00:15:14,090 --> 00:15:11,460

used sex education use past camps right

347

00:15:22,420 --> 00:15:14,100

to change their attitudes and values

348

00:15:25,750 --> 00:15:23,889

I ever got my hands on that guidance

349

00:15:30,280 --> 00:15:25,760

counselor's Journal I don't know but I

350

00:15:32,320 --> 00:15:30,290

did and so that tells you exactly what

351

00:15:34,420 --> 00:15:32,330

all these programs that had nothing to

352

00:15:37,660 --> 00:15:34,430

do with academics were put in there for

353

00:15:41,019 --> 00:15:37,670

and that was deliberate they created

354

00:15:44,230 --> 00:15:41,029

this culture that we have with our young

355

00:15:48,579 --> 00:15:44,240

people and hundreds of thousands

356

00:15:52,180 --> 00:15:48,589

millions of young people mm-hmm who have

357

00:15:55,090 --> 00:15:52,190

lost their way because of the public

358

00:15:57,550 --> 00:15:55,100

school curriculum when we were trying to

359

00:16:00,699 --> 00:15:57,560

identify the resisters I knew that with

360

00:16:01,870 --> 00:16:00,709

me I was a resistor when I came back

361

00:16:03,460 --> 00:16:01,880

from the Far East

362

00:16:06,250 --> 00:16:03,470

I was out during the Korean War I think

363

00:16:09,250 --> 00:16:06,260

I mentioned that with the Sheikh Air

364

00:16:11,949 --> 00:16:09,260

Command and Guam and northern Japan and

365

00:16:15,460 --> 00:16:11,959

when I came back from that assignment I

366

00:16:17,650 --> 00:16:15,470

was on a freighter Vietnam going from

367

00:16:20,110 --> 00:16:17,660

Hong Kong to Marseilles was a month I

368

00:16:23,280 --> 00:16:20,120

was on that freighter in third class and

369

00:16:26,079 --> 00:16:23,290

so I had the opportunity to talk to

370

00:16:29,380 --> 00:16:26,089

refugees coming out of communist China

371

00:16:31,290 --> 00:16:29,390

and Vietnam and the food was marvelous

372

00:16:34,750 --> 00:16:31,300

as you can imagine even in third class

373

00:16:37,500 --> 00:16:34,760

they told me these ghastly stories about

374

00:16:39,790 --> 00:16:37,510

one woman that was coming out of China

375

00:16:43,390 --> 00:16:39,800

she was taking your daughter to the

376

00:16:44,960 --> 00:16:43,400

conservatory music in Paris to study

377

00:16:48,050 --> 00:16:44,970

piano

378

00:16:51,170 --> 00:16:48,060

and she said that her grandfather was an

379

00:16:54,410 --> 00:16:51,180

opponent through the mouseykin the

380

00:16:57,290 --> 00:16:54,420

regime and that they cut his hands off

381

00:17:00,860 --> 00:16:57,300

he was a pianist cut his hands off he

382

00:17:03,039 --> 00:17:00,870

resisted vietnam woman her grandfather

383

00:17:06,559 --> 00:17:03,049

was involved in the municipal government

384

00:17:09,039 --> 00:17:06,569

he was opposed to to what the Communists

385

00:17:11,929 --> 00:17:09,049

were doing so they cut his head off as

386

00:17:14,929 --> 00:17:11,939

they marched it around town in a poll

387

00:17:19,110 --> 00:17:14,939

and all of this was basically to warn

388

00:17:21,299 --> 00:17:19,120

people do not resist

389

00:17:23,720 --> 00:17:21,309

so here I'm being taught the changes

390

00:17:28,230 --> 00:17:23,730

you're training up and just for it main

391

00:17:30,090 --> 00:17:28,240

how to identify the resistors well I was

392

00:17:33,450 --> 00:17:30,100

a resistor so here I'm being taught to

393

00:17:35,279 --> 00:17:33,460

identify myself I never got over it you

394

00:17:37,019 --> 00:17:35,289

know we forms of Education remain we

395

00:17:38,669 --> 00:17:37,029

stopped the horrible health education

396

00:17:40,350 --> 00:17:38,679

you know learning about the three types

397

00:17:42,269 --> 00:17:40,360

of sexual intercourse including with

398

00:17:44,489 --> 00:17:42,279

animals we stopped that program in a

399

00:17:45,149 --> 00:17:44,499

third of the districts this was in the

400

00:17:47,519 --> 00:17:45,159

70s

401  
00:17:50,759 --> 00:17:47,529  
then I went down thinking Ronald Reagan

402  
00:17:52,649 --> 00:17:50,769  
was going to save the world and I got

403  
00:17:56,820 --> 00:17:52,659  
this job which I had access to

404  
00:17:59,039 --> 00:17:56,830  
everything past present future and the

405  
00:18:02,190 --> 00:17:59,049  
past documents were very important

406  
00:18:05,730 --> 00:18:02,200  
because they were left behind stupidly

407  
00:18:09,419 --> 00:18:05,740  
by you could say the former president

408  
00:18:13,590 --> 00:18:09,429  
University of Chicago or Stanford or

409  
00:18:17,220 --> 00:18:13,600  
Harvard my position senior policy

410  
00:18:22,280 --> 00:18:17,230  
advisor that thought had been filled by

411  
00:18:24,440 --> 00:18:22,290  
these very communist types

412  
00:18:27,530 --> 00:18:24,450  
in that office you understand what I

413  
00:18:29,300 --> 00:18:27,540

mean prior to me yeah these were the

414

00:18:31,730 --> 00:18:29,310

people who had that job these were a big

415

00:18:34,670 --> 00:18:31,740

shot mm-hmm and they left everything

416

00:18:38,120 --> 00:18:34,680

behind so I had access to all these

417

00:18:40,190 --> 00:18:38,130

documents unbelievable or I I mean and

418

00:18:42,170 --> 00:18:40,200

then I get involved you know of course

419

00:18:44,960 --> 00:18:42,180

I'm looking what Reagan is putting in

420

00:18:48,560 --> 00:18:44,970

and it's all the school choice charter

421

00:18:50,710 --> 00:18:48,570

schools vouchers the Skinner method for

422

00:18:54,020 --> 00:18:50,720

the workforce training of course and

423

00:18:55,730 --> 00:18:54,030

other terrible programs that I did not

424

00:18:57,890 --> 00:18:55,740

approve of the nation risk was the

425

00:18:59,780 --> 00:18:57,900

phoniest great big bandwagon they got

426

00:19:02,030 --> 00:18:59,790

everybody to think that education at

427

00:19:04,940 --> 00:19:02,040

that point in time was a terrible

428

00:19:08,330 --> 00:19:04,950

failure and it wasn't it wasn't that bad

429

00:19:09,970 --> 00:19:08,340

it was pretty darn good and Sandia is -

430

00:19:12,710 --> 00:19:09,980

- you know they do all that research an

431

00:19:15,440 --> 00:19:12,720

admiral I count his name he wrote a

432

00:19:18,260 --> 00:19:15,450

report on this and pointed out that that

433

00:19:20,960 --> 00:19:18,270

was the biggest fake report that was

434

00:19:22,580 --> 00:19:20,970

ever put together by th Bell who Reagan

435

00:19:26,420 --> 00:19:22,590

appointed a Secretary of Education

436

00:19:28,430 --> 00:19:26,430

actually Bell was very close to my major

437

00:19:30,980 --> 00:19:28,440

enemy right now whose name is edwin

438

00:19:33,020 --> 00:19:30,990

meese who has been with the heritage

439

00:19:35,000 --> 00:19:33,030

foundation which is also that's the

440

00:19:37,010 --> 00:19:35,010

Trojan horse we'll get into that right

441

00:19:40,340 --> 00:19:37,020

then with the Heritage Foundation since

442

00:19:42,980 --> 00:19:40,350

probably 1980 and he's still there

443

00:19:45,770 --> 00:19:42,990

and he's all involved in supporting the

444

00:19:50,180 --> 00:19:45,780

community oriented policing system which

445

00:19:51,910 --> 00:19:50,190

I am also fighting so I ended up in that

446

00:19:54,730 --> 00:19:51,920

office

447

00:19:58,090 --> 00:19:54,740

and I came across this better education

448

00:20:00,190 --> 00:19:58,100

skills through technology grant that was

449

00:20:02,230 --> 00:20:00,200

putting the development of courseware

450

00:20:04,750 --> 00:20:02,240

for the curriculum for every school in

451  
00:20:06,310 --> 00:20:04,760  
the nation and I don't know that I would

452  
00:20:08,710 --> 00:20:06,320  
have done much with it that I would have

453  
00:20:11,570 --> 00:20:08,720  
leaked it had I not come on upon a page

454  
00:20:15,050 --> 00:20:11,580  
it said confidential

455  
00:20:16,820 --> 00:20:15,060  
and I thought booth I mean look the US

456  
00:20:17,890 --> 00:20:16,830  
Department that is unconstitutional in

457  
00:20:22,760 --> 00:20:17,900  
the first place

458  
00:20:24,560 --> 00:20:22,770  
what is this confidential page it said

459  
00:20:27,470 --> 00:20:24,570  
right there this federal government

460  
00:20:31,070 --> 00:20:27,480  
right what we can control and manipulate

461  
00:20:33,820 --> 00:20:31,080  
at the local level Wow and I thought

462  
00:20:36,860 --> 00:20:33,830  
having been all local school board who

463  
00:20:39,890 --> 00:20:36,870

Wow they put it right there right in my

464

00:20:42,880 --> 00:20:39,900

face and I've said selection of task

465

00:20:45,320 --> 00:20:42,890

force members curriculum content

466

00:20:46,820 --> 00:20:45,330

everything

467

00:20:48,650 --> 00:20:46,830

I thought that I was going to leak it

468

00:20:50,060 --> 00:20:48,660

anyway because of the technology part

469

00:20:52,850 --> 00:20:50,070

which is all skin or offering

470

00:20:55,190 --> 00:20:52,860

conditioning computer stuff huh but when

471

00:20:57,650 --> 00:20:55,200

I saw that I thought okay that's it

472

00:20:58,550 --> 00:20:57,660

I got everything out of my office before

473

00:21:00,830 --> 00:20:58,560

I leaked it

474

00:21:04,280 --> 00:21:00,840

I was given an office by a really nice

475

00:21:06,670 --> 00:21:04,290

gal who I always remember she helped me

476  
00:21:11,020 --> 00:21:06,680  
start the main Conservative Union and

477  
00:21:13,280 --> 00:21:11,030  
she ultimately turned she met some

478  
00:21:16,040 --> 00:21:13,290  
conservative whatever you want to call

479  
00:21:18,080 --> 00:21:16,050  
it there really Trotskyites okay there

480  
00:21:20,630 --> 00:21:18,090  
dominionists whatever they are she met

481  
00:21:22,520 --> 00:21:20,640  
this guy and all of her wonderful values

482  
00:21:24,170 --> 00:21:22,530  
and everything that I knew her as when

483  
00:21:26,600 --> 00:21:24,180  
she visited me and made and helped me

484  
00:21:28,640 --> 00:21:26,610  
start the main Conservative Union she

485  
00:21:31,220 --> 00:21:28,650  
got me into the Department of that - she

486  
00:21:34,250 --> 00:21:31,230  
was White House personnel and so she

487  
00:21:36,140 --> 00:21:34,260  
this is before she met this guy that she

488  
00:21:39,650 --> 00:21:36,150

fell off the cliff and became really

489

00:21:41,600 --> 00:21:39,660

what I consider our enemy she got me a

490

00:21:43,700 --> 00:21:41,610

little off the White House she worked

491

00:21:48,230 --> 00:21:43,710

with me on my letter to Reagan eight

492

00:21:49,850 --> 00:21:48,240

pager and she believe it or not was able

493

00:21:51,740 --> 00:21:49,860

to have to let her through to him hmm

494

00:21:55,400 --> 00:21:51,750

that was very difficult to do at that

495

00:21:58,430 --> 00:21:55,410

time even if you had a code number

496

00:22:00,440 --> 00:21:58,440

so she was really responsible for that

497

00:22:03,260 --> 00:22:00,450

and my getting into the department

498

00:22:04,730 --> 00:22:03,270

itself now she's high up in heritage and

499

00:22:06,710 --> 00:22:04,740

I don't even dare talk to her can you

500

00:22:09,230 --> 00:22:06,720

imagine this is someone I had so much

501  
00:22:10,850 --> 00:22:09,240  
regard for because heritage is the

502  
00:22:14,630 --> 00:22:10,860  
Trojan horse so we could talk about that

503  
00:22:17,660 --> 00:22:14,640  
later until the end of time so I go home

504  
00:22:20,810 --> 00:22:17,670  
I never got an answer from the president

505  
00:22:25,220 --> 00:22:20,820  
I waited I'm really skipping around here

506  
00:22:27,350 --> 00:22:25,230  
35 years I guess I'm pretty patient yeah

507  
00:22:29,870 --> 00:22:27,360  
I waited 35 years to write the Reagan

508  
00:22:32,000 --> 00:22:29,880  
Library about why I didn't get an answer

509  
00:22:33,920 --> 00:22:32,010  
did they have anything on the record

510  
00:22:36,710 --> 00:22:33,930  
well by golly they did they sent it to

511  
00:22:39,110 --> 00:22:36,720  
me this sent me a copy of a handwritten

512  
00:22:41,780 --> 00:22:39,120  
note from President Reagan to Edwin me

513  
00:22:45,290 --> 00:22:41,790

so I'm just talking about who is a big

514

00:22:48,570 --> 00:22:45,300

mole everywhere at all times from 1980

515

00:22:51,329 --> 00:22:48,580

to 2000 what are we 18

516

00:22:53,940 --> 00:22:51,339

Regan wanted to meet with me but least

517

00:22:57,890 --> 00:22:53,950

blocked it

518

00:23:00,210 --> 00:22:57,900

so I found that out 35 years later Wow

519

00:23:03,120 --> 00:23:00,220

actually you can find that all you have

520

00:23:04,920 --> 00:23:03,130

type in Patriots or Manchurian

521

00:23:06,900 --> 00:23:04,930

candidates

522

00:23:08,350 --> 00:23:06,910

it's a big article I wrote which has the

523

00:23:11,980 --> 00:23:08,360

picture

524

00:23:13,299 --> 00:23:11,990

of the note from Regan Timmy's a very

525

00:23:18,160 --> 00:23:13,309

important one I wrote it

526

00:23:22,390 --> 00:23:18,170

warning people and warning Trump that

527

00:23:27,460 --> 00:23:22,400

your candidates be careful look who you

528

00:23:30,250 --> 00:23:27,470

are pointing right so you got fired for

529

00:23:33,100 --> 00:23:30,260

leaking this document about project best

530

00:23:36,390 --> 00:23:33,110

best education skills through technology

531

00:23:38,980 --> 00:23:36,400

so how frustrating has it been for you

532

00:23:41,140 --> 00:23:38,990

that you see a lot of these control

533

00:23:42,700 --> 00:23:41,150

tools that you knew about decades ago

534

00:23:44,620 --> 00:23:42,710

now they're rolled out to the cell

535

00:23:46,600 --> 00:23:44,630

phones and the tablets in recent years

536

00:23:47,650 --> 00:23:46,610

and you see the state of kids today when

537

00:23:50,049 --> 00:23:47,660

you've been talking about this

538

00:23:51,789 --> 00:23:50,059

technology-based conditioning for 30

539

00:23:54,130 --> 00:23:51,799

years I mean this Pavlovian

540

00:23:57,400 --> 00:23:54,140

psychological response reward system

541

00:24:00,340 --> 00:23:57,410

today this is social media that's right

542

00:24:02,140 --> 00:24:00,350

I have and I never understood that much

543

00:24:05,320 --> 00:24:02,150

about Skinner and operant conditioning

544

00:24:07,990 --> 00:24:05,330

prior to going into the department what

545

00:24:11,770 --> 00:24:08,000

happened is one day a letter came across

546

00:24:15,730 --> 00:24:11,780

my desk and it was from a teacher by the

547

00:24:18,370 --> 00:24:15,740

name of an her from Arizona she was

548

00:24:20,409 --> 00:24:18,380

considered to be a wonderful teacher she

549

00:24:22,380 --> 00:24:20,419

was teaching a lot of the Mexican kids

550

00:24:25,480 --> 00:24:22,390

and all dominant this is in Phoenix and

551  
00:24:27,610 --> 00:24:25,490  
doing a wonderful job with them was they

552  
00:24:29,590 --> 00:24:27,620  
dragged her into the Skinner training

553  
00:24:31,690 --> 00:24:29,600  
the first program was called exemplary

554  
00:24:34,419 --> 00:24:31,700  
Center for reading instruction out of

555  
00:24:36,430 --> 00:24:34,429  
Utah and she and her friends good

556  
00:24:38,200 --> 00:24:36,440  
teachers had to go through this and they

557  
00:24:40,090 --> 00:24:38,210  
thought ah what is this

558  
00:24:42,570 --> 00:24:40,100  
they even had I've even got the

559  
00:24:45,549 --> 00:24:42,580  
documents they were ordering supplies

560  
00:24:48,700 --> 00:24:45,559  
the different little booklets at all how

561  
00:24:51,549 --> 00:24:48,710  
to train pigeons how to train animals

562  
00:24:54,100 --> 00:24:51,559  
these were the materials that were being

563  
00:24:55,960 --> 00:24:54,110

ordered by these teachers for the

564

00:24:57,960 --> 00:24:55,970

exemplary Center for reading instruction

565

00:25:01,110 --> 00:24:57,970

program well anyway

566

00:25:03,019 --> 00:25:01,120

hers are understood completely because

567

00:25:05,759 --> 00:25:03,029

they were not letting them sit together

568

00:25:07,409 --> 00:25:05,769

they knew the teachers or her what's

569

00:25:09,570 --> 00:25:07,419

this you know they'd move them around

570

00:25:13,259 --> 00:25:09,580

and all this I'm so she quit teaching

571

00:25:15,149 --> 00:25:13,269

then I was in the department a real dodo

572

00:25:16,919 --> 00:25:15,159

I really didn't know much about Skinner

573

00:25:20,340 --> 00:25:16,929

although I found out a bit because I

574

00:25:23,129 --> 00:25:20,350

went to some brown bag lunches in the

575

00:25:24,749 --> 00:25:23,139

basement of the department where the big

576

00:25:27,799 --> 00:25:24,759

honcho Williams Beatty

577

00:25:29,879 --> 00:25:27,809

mr. mastery learning was having a little

578

00:25:32,369 --> 00:25:29,889

session down there showing people how

579

00:25:34,350 --> 00:25:32,379

wonderful the Skinner method is so I had

580

00:25:36,539 --> 00:25:34,360

seen that but anyway what happens is his

581

00:25:39,269 --> 00:25:36,549

letter comes across my desk it was sent

582

00:25:42,450 --> 00:25:39,279

from an Mercer of the teacher to Eldon

583

00:25:44,460 --> 00:25:42,460

rod congressman in regard to this

584

00:25:46,710 --> 00:25:44,470

horrible program they were experimenting

585

00:25:48,539 --> 00:25:46,720

on sort of the inner-city kids you know

586

00:25:51,060 --> 00:25:48,549

the Mexicans or whatever he got whatever

587

00:25:53,340 --> 00:25:51,070

and she had been doing a wonderful job

588

00:25:56,009 --> 00:25:53,350

teaching them to read and everything and

589

00:25:58,860 --> 00:25:56,019

then she had do this she had done up

590

00:26:00,960 --> 00:25:58,870

true statements about how the kids were

591

00:26:04,440 --> 00:26:00,970

throwing up getting sick they had hives

592

00:26:06,450 --> 00:26:04,450

it was all attached to this package that

593

00:26:09,570 --> 00:26:06,460

she sent through to Eldon Guardsmen

594

00:26:11,919 --> 00:26:09,580

elder rut well that package came across

595

00:26:14,590 --> 00:26:11,929

my desk

596

00:26:16,600 --> 00:26:14,600

I didn't know areia and I thought well I

597

00:26:18,039 --> 00:26:16,610

better do something about that but I

598

00:26:20,710 --> 00:26:18,049

think I'll wait until I go home I'll

599

00:26:23,200 --> 00:26:20,720

call from home I'm glad I did because

600

00:26:25,869 --> 00:26:23,210

she's very hot-headed I love her but you

601  
00:26:27,669 --> 00:26:25,879  
know she's very hot-headed person and I

602  
00:26:29,980 --> 00:26:27,679  
said I've got this document here you

603  
00:26:33,100 --> 00:26:29,990  
know this curriculum and your letter is

604  
00:26:34,899 --> 00:26:33,110  
fantastic what on earth is going on and

605  
00:26:38,049 --> 00:26:34,909  
then I made the big mistake of saying oh

606  
00:26:41,580 --> 00:26:38,059  
I don't think secretary th spell knows

607  
00:26:46,149 --> 00:26:41,590  
anything about then she blue she said

608  
00:26:49,119 --> 00:26:46,159  
you're kidding he's responsible hmm

609  
00:26:52,060 --> 00:26:49,129  
Reagan brought him in because ed meese

610  
00:26:56,409 --> 00:26:52,070  
wanted him I thought all of what have I

611  
00:26:59,230 --> 00:26:56,419  
run into with this teacher well I didn't

612  
00:26:59,919 --> 00:26:59,240  
talk to her again I said oh well yeah

613  
00:27:02,169 --> 00:26:59,929

maybe

614

00:27:03,399 --> 00:27:02,179

and so that was for the end of that but

615

00:27:05,560 --> 00:27:03,409

then I managed to get myself fired

616

00:27:08,320 --> 00:27:05,570

because I leaked the document I went

617

00:27:10,149 --> 00:27:08,330

home I called her and we had this long

618

00:27:12,850 --> 00:27:10,159

talk and I became very close to her like

619

00:27:15,140 --> 00:27:12,860

sisters she had all the documents her

620

00:27:17,630 --> 00:27:15,150

father-in-law was a doctor

621

00:27:20,960 --> 00:27:17,640

and he had all the animals laboratory

622

00:27:23,930 --> 00:27:20,970

training materials etc what it does to

623

00:27:27,710 --> 00:27:23,940

animals she was a real expert all I have

624

00:27:31,610 --> 00:27:27,720

to say is she educated me so anyway

625

00:27:35,240 --> 00:27:31,620

after I was out I wrote a little book

626

00:27:37,370 --> 00:27:35,250

called back to basics reform in 1985

627

00:27:39,640 --> 00:27:37,380

this was or skineri an international

628

00:27:41,900 --> 00:27:39,650

curriculum necessary for United States

629

00:27:43,790 --> 00:27:41,910

participation a one-world socialist

630

00:27:47,210 --> 00:27:43,800

government scheduled to the early years

631

00:27:49,580 --> 00:27:47,220

of the 21st century was only 39 pages

632

00:27:53,330 --> 00:27:49,590

and it's a hot potato it's on my website

633

00:27:55,700 --> 00:27:53,340

it delivered coming down calm free well

634

00:27:57,290 --> 00:27:55,710

I wrote that and then all of a sudden I

635

00:28:03,260 --> 00:27:57,300

noticed that the conservative movement

636

00:28:05,950 --> 00:28:03,270

they hated that book they boycotted Fang

637

00:28:09,169 --> 00:28:05,960

Bennett the whole crowd you know Finn

638

00:28:11,540 --> 00:28:09,179

slightly so suddenly was a good friend

639

00:28:13,160 --> 00:28:11,550

of mine basically I still have high

640

00:28:15,950 --> 00:28:13,170

regard for the work she did prior to

641

00:28:17,410 --> 00:28:15,960

getting involved in education Phyllis

642

00:28:20,990 --> 00:28:17,420

did good work in the political field

643

00:28:23,320 --> 00:28:21,000

defense at all but anyway it was Eagle

644

00:28:24,580 --> 00:28:23,330

Forum that got the word out to boycott

645

00:28:27,260 --> 00:28:24,590

back-to-basics

646

00:28:30,770 --> 00:28:27,270

because you see it happened under Ronald

647

00:28:33,680 --> 00:28:30,780

Reagan I wasn't going after him in it I

648

00:28:35,750 --> 00:28:33,690

was just telling the country the parents

649

00:28:38,270 --> 00:28:35,760

what was happening and what was coming

650

00:28:41,320 --> 00:28:38,280

down the pike for instance that critical

651  
00:28:45,160 --> 00:28:41,330  
thinking is not a really great way to go

652  
00:28:47,360 --> 00:28:45,170  
lenin defined critical thinking lenin

653  
00:28:51,820 --> 00:28:47,370  
everybody thinks is so great critical

654  
00:28:56,280 --> 00:28:51,830  
thinking ha no no you said it's non

655  
00:28:59,730 --> 00:28:56,290  
absolutist evolutionary thinking

656  
00:29:02,070 --> 00:28:59,740  
everything evolves well that sounds okay

657  
00:29:04,010 --> 00:29:02,080  
you know some people but when this

658  
00:29:06,300 --> 00:29:04,020  
started the critical thinking movement

659  
00:29:08,790 --> 00:29:06,310  
there were a lot of teachers that were

660  
00:29:10,260 --> 00:29:08,800  
opposed to because they knew that they

661  
00:29:14,940 --> 00:29:10,270  
were trying to change those teachers

662  
00:29:17,700 --> 00:29:14,950  
attitudes values and beliefs so yes this

663  
00:29:20,360 --> 00:29:17,710

is interesting the editor of my book who

664

00:29:22,460 --> 00:29:20,370

is absolutely brilliant

665

00:29:24,140 --> 00:29:22,470

I give her a great credit for what she

666

00:29:26,540 --> 00:29:24,150

did get that book together and the

667

00:29:29,450 --> 00:29:26,550

publisher both she's from Georgia and he

668

00:29:33,080 --> 00:29:29,460

took that little book back to basic full

669

00:29:38,870 --> 00:29:33,090

38 pager and her butcher down the street

670

00:29:43,640 --> 00:29:38,880

read it and said wow that's fantastic oh

671

00:29:46,730 --> 00:29:43,650

boy that's a 38 page bomb so the editor

672

00:29:48,410 --> 00:29:46,740

said to slaw flee because eaglehorn was

673

00:29:51,410 --> 00:29:48,420

saying nobody's going to understand what

674

00:29:53,150 --> 00:29:51,420

she's saying in there and so she said

675

00:29:55,760 --> 00:29:53,160

well the butcher down the street

676

00:29:58,130 --> 00:29:55,770

understood just fine hmm

677

00:30:00,440 --> 00:29:58,140

that book hadn't been allowed to get out

678

00:30:02,540 --> 00:30:00,450

I'm not kidding you we never would have

679

00:30:04,850 --> 00:30:02,550

had what we have now we've got rid of

680

00:30:07,130 --> 00:30:04,860

academics we're going into workforce

681

00:30:09,200 --> 00:30:07,140

training the Soviet system one of the

682

00:30:11,870 --> 00:30:09,210

educators the Department of Education if

683

00:30:13,700 --> 00:30:11,880

you get four million dollars a grad

684

00:30:16,910 --> 00:30:13,710

doing a paper on the Soviet

685

00:30:18,830 --> 00:30:16,920

Polytechnical education system so the

686

00:30:20,930 --> 00:30:18,840

Department of that has been up to tie

687

00:30:22,960 --> 00:30:20,940

balls in that knowing school choice and

688

00:30:25,430 --> 00:30:22,970

charters is the only way to get this

689

00:30:28,070 --> 00:30:25,440

because charter schools you don't have

690

00:30:30,980 --> 00:30:28,080

an electric board so the parents can't

691

00:30:33,919 --> 00:30:30,990

complain at least in the public school

692

00:30:35,210 --> 00:30:33,929

system it's the same curriculum the

693

00:30:37,430 --> 00:30:35,220

charter schools are going to have to

694

00:30:38,750 --> 00:30:37,440

have the identical curriculum that the

695

00:30:40,500 --> 00:30:38,760

public schools have because they're

696

00:30:43,650 --> 00:30:40,510

federally funded

697

00:30:45,690 --> 00:30:43,660

and I have the original legislation

698

00:30:48,060 --> 00:30:45,700

coming out of the Department of Health

699

00:30:52,440 --> 00:30:48,070

and Human Services you know on daycare

700

00:30:54,690 --> 00:30:52,450

standard daycare is any institution that

701  
00:30:58,140 --> 00:30:54,700  
takes care of children between whatever

702  
00:31:01,169 --> 00:30:58,150  
age and age for 12 hours or 14 or

703  
00:31:03,690 --> 00:31:01,179  
whatever of the day and it says that

704  
00:31:06,090 --> 00:31:03,700  
because it's federally funded everything

705  
00:31:10,880 --> 00:31:06,100  
that goes on during that period must

706  
00:31:15,710 --> 00:31:13,430  
while some money is pulled that means

707  
00:31:18,460 --> 00:31:15,720  
curriculum which have hanging on the

708  
00:31:21,940 --> 00:31:18,470  
walls even what you ate

709  
00:31:23,230 --> 00:31:21,950  
so these pathetic parrots and I don't

710  
00:31:26,710 --> 00:31:23,240  
blame them because the Heritage

711  
00:31:29,020 --> 00:31:26,720  
Foundation led them down this path they

712  
00:31:30,700 --> 00:31:29,030  
all went up against common core that was

713  
00:31:34,860 --> 00:31:30,710

the biggest diversion our nation has

714

00:31:37,890 --> 00:31:34,870

ever had and I say that unqualified

715

00:31:39,600 --> 00:31:37,900

biggest reverse that ever happened they

716

00:31:41,820 --> 00:31:39,610

got the parents off on the diversion

717

00:31:44,040 --> 00:31:41,830

there five Common Core which we've had

718

00:31:45,810 --> 00:31:44,050

ever since 1965 with the National

719

00:31:48,150 --> 00:31:45,820

Assessment just keeps changing and now

720

00:31:51,240 --> 00:31:48,160

it has computers right that diversion

721

00:31:53,760 --> 00:31:51,250

kept the parents from understanding to

722

00:31:56,030 --> 00:31:53,770

fight against charter schools with

723

00:31:57,410 --> 00:31:56,040

unelected board

724

00:32:01,190 --> 00:31:57,420

[Music]

725

00:32:03,800 --> 00:32:01,200

anyway that was my office and from that

726

00:32:07,400 --> 00:32:03,810

time on we went all the way up until the

727

00:32:08,900 --> 00:32:07,410

year 2000 with fantastic researchers who

728

00:32:11,300 --> 00:32:08,910

were doing their own research we would

729

00:32:13,190 --> 00:32:11,310

all help each other no matter what

730

00:32:15,740 --> 00:32:13,200

someone got sick the other person would

731

00:32:18,380 --> 00:32:15,750

take the radio interview we didn't have

732

00:32:19,730 --> 00:32:18,390

all the research that we have now it was

733

00:32:22,640 --> 00:32:19,740

a lot of work that had to be done back

734

00:32:25,700 --> 00:32:22,650

then great Patriots some dead now now

735

00:32:28,490 --> 00:32:25,710

we've got these newbies like Harwich and

736

00:32:31,100 --> 00:32:28,500

pioneer heartland you name it all these

737

00:32:34,710 --> 00:32:31,110

groups that are controlled by the

738

00:32:40,250 --> 00:32:38,700

and their goal is kotsky I may be hard

739

00:32:43,980 --> 00:32:40,260

for you to believe but that's the truth

740

00:32:47,039 --> 00:32:43,990

and I have the proof one thing that

741

00:32:50,820 --> 00:32:47,049

happened whistling in the mid 90s I

742

00:32:52,350 --> 00:32:50,830

wrote two things one was I wrote Phyllis

743

00:32:52,860 --> 00:32:52,360

Schlafly in regard to the charter

744

00:32:55,440 --> 00:32:52,870

schools

745

00:32:58,020 --> 00:32:55,450

I said Phyllis be careful you've got

746

00:33:00,180 --> 00:32:58,030

Eagles in every state who really hate

747

00:33:02,669 --> 00:33:00,190

this you got to support them she

748

00:33:05,700 --> 00:33:02,679

wouldn't but attached to that particular

749

00:33:07,490 --> 00:33:05,710

letter it's at my website it says it's a

750

00:33:09,720 --> 00:33:07,500

meat dish lovely that's what it is

751

00:33:11,640 --> 00:33:09,730

attached to that letter I wrote which

752

00:33:13,260 --> 00:33:11,650

was an eight pager explaining to her

753

00:33:15,720 --> 00:33:13,270

this is the loss of representative

754

00:33:17,460 --> 00:33:15,730

government to charter schools it's the

755

00:33:20,010 --> 00:33:17,470

implementation of the Soviet Polytech

756

00:33:22,740 --> 00:33:20,020

system workforce training life long for

757

00:33:25,880 --> 00:33:22,750

our children no choice like Eugene Boise

758

00:33:29,070 --> 00:33:25,890

in Georgia said in communist countries

759

00:33:30,840 --> 00:33:29,080

they do not train for jobs that don't

760

00:33:32,450 --> 00:33:30,850

exist

761

00:33:35,180 --> 00:33:32,460

[Music]

762

00:33:38,330 --> 00:33:35,190

quota systems or whatever that is out of

763

00:33:40,970 --> 00:33:38,340

professor Eugene voices mouth well I was

764

00:33:43,970 --> 00:33:40,980

trying to tell Phyllis that this is what

765

00:33:45,560 --> 00:33:43,980

charter schools are all about well she

766

00:33:49,640 --> 00:33:45,570

wouldn't listen but attached to that

767

00:33:52,850 --> 00:33:49,650

letter to her I had about 30 pages of

768

00:33:56,540 --> 00:33:52,860

letters from Secretary of Education

769

00:34:00,650 --> 00:33:56,550

Lamar Alexander wium Bennett Chester

770

00:34:03,460 --> 00:34:00,660

Finn empower America Larry Kudlow all

771

00:34:07,220 --> 00:34:03,470

the libertarians etcetera

772

00:34:10,370 --> 00:34:07,230

supporting the Washington Education

773

00:34:15,110 --> 00:34:10,380

Association's plan for charter schools

774

00:34:17,640 --> 00:34:15,120

and also the lifelong community

775

00:34:18,960 --> 00:34:17,650

education agenda

776

00:34:21,330 --> 00:34:18,970

I have all these letters with their

777

00:34:23,940 --> 00:34:21,340

signatures all these people that

778

00:34:27,270 --> 00:34:23,950

Americans think are great you know what

779

00:34:30,600 --> 00:34:27,280

you call them conservatives so I knew

780

00:34:33,450 --> 00:34:30,610

then I comes out to Phyllis a senator my

781

00:34:35,730 --> 00:34:33,460

letter which explained a lot now we got

782

00:34:38,880 --> 00:34:35,740

a hold of that document was one of those

783

00:34:41,280 --> 00:34:38,890

folks the editor of my book and another

784

00:34:43,620 --> 00:34:41,290

fine Australian gal brilliant researcher

785

00:34:46,020 --> 00:34:43,630

they went to an empower America meeting

786

00:34:47,640 --> 00:34:46,030

this is a big conservative group of

787

00:34:49,170 --> 00:34:47,650

power America people can look it up I

788

00:34:51,690 --> 00:34:49,180

don't know if it exists anymore but that

789

00:34:55,920 --> 00:34:51,700

was in the 90s and they were late

790

00:34:58,880 --> 00:34:55,930

getting there so this top change agent

791

00:35:01,230 --> 00:34:58,890

educator who's running the show or

792

00:35:03,380 --> 00:35:01,240

whoever I was with empower America

793

00:35:05,940 --> 00:35:03,390

probably real leftist type I don't know

794

00:35:08,070 --> 00:35:05,950

he said oh well you know it sorry you

795

00:35:09,810 --> 00:35:08,080

missed the first presentations look

796

00:35:13,590 --> 00:35:09,820

don't worry about it I'll send you the

797

00:35:17,400 --> 00:35:13,600

whole packet and he did Wow

798

00:35:20,910 --> 00:35:17,410

and we've got it we got it we have it we

799

00:35:23,579 --> 00:35:20,920

have the so-called conservatives who say

800

00:35:25,529 --> 00:35:23,589

they hate the NEA

801  
00:35:30,209 --> 00:35:25,539  
they hate the public education system

802  
00:35:32,880 --> 00:35:30,219  
etc we have all going on board with the

803  
00:35:34,679 --> 00:35:32,890  
NES plan for school choice in charge how

804  
00:35:38,009 --> 00:35:34,689  
many people know that the NEA support

805  
00:35:40,949 --> 00:35:38,019  
school choice in charters so I'm trying

806  
00:35:43,410 --> 00:35:40,959  
to say I mean what I have gone through

807  
00:35:47,640 --> 00:35:43,420  
with these conservatives you know I'm

808  
00:35:49,870 --> 00:35:47,650  
fuller once I learned I've got it but

809  
00:35:53,680 --> 00:35:49,880  
I'm always looking

810  
00:35:55,900 --> 00:35:53,690  
positive but now I know that the Trojan

811  
00:35:58,690 --> 00:35:55,910  
horse in this country that doesn't mean

812  
00:36:00,700 --> 00:35:58,700  
I like the left I can't stand them but

813  
00:36:02,050 --> 00:36:00,710

I've always felt that way why would I

814

00:36:04,330 --> 00:36:02,060

have started the main Conservative Union

815

00:36:06,250 --> 00:36:04,340

in the 70s it's the only really

816

00:36:09,040 --> 00:36:06,260

conservative group to state ever had

817

00:36:10,660 --> 00:36:09,050

but then parity knocked it out right

818

00:36:12,570 --> 00:36:10,670

because they didn't want a really

819

00:36:15,970 --> 00:36:12,580

conservative group in this state and

820

00:36:18,580 --> 00:36:15,980

then my son gets two murder attempts

821

00:36:20,980 --> 00:36:18,590

last one really almost did him in and

822

00:36:22,870 --> 00:36:20,990

Heritage Foundation in Maine has a

823

00:36:25,180 --> 00:36:22,880

luncheon he goes there and tries to tell

824

00:36:26,680 --> 00:36:25,190

the truth get people to know because it

825

00:36:28,360 --> 00:36:26,690

was a complete boycott across the

826

00:36:31,240 --> 00:36:28,370

country about those two murder attempts

827

00:36:33,430 --> 00:36:31,250

the last one was he was really dead so

828

00:36:35,320 --> 00:36:33,440

he wants to go to the luncheon and try

829

00:36:37,510 --> 00:36:35,330

to explain to the people what happened

830

00:36:39,790 --> 00:36:37,520

well he starts Kogi's told to shut up

831

00:36:42,010 --> 00:36:39,800

and sit down hmm

832

00:36:47,310 --> 00:36:42,020

he's a Marine combat vet first Gulf War

833

00:36:49,690 --> 00:36:47,320

I like that so they are really dirty yes

834

00:36:52,420 --> 00:36:49,700

that really tells you how tier D they

835

00:36:54,220 --> 00:36:52,430

are absolutely and it has been just such

836

00:36:57,400 --> 00:36:54,230

a wild ride for you and you have a

837

00:36:59,530 --> 00:36:57,410

really impressive resume and you know in

838

00:37:01,750 --> 00:36:59,540

deliberate dumbing down in the book you

839

00:37:04,480 --> 00:37:01,760

refer to this education conspiracy as a

840

00:37:06,580 --> 00:37:04,490

war and to quote you you write the

841

00:37:08,140 --> 00:37:06,590

reason Americans do not understand this

842

00:37:10,390 --> 00:37:08,150

war is because it has been fought in

843

00:37:12,550 --> 00:37:10,400

secret in the schools of our nation

844

00:37:15,400 --> 00:37:12,560

targeting our children who are captive

845

00:37:17,800 --> 00:37:15,410

in classrooms the wagers of this war are

846

00:37:20,140 --> 00:37:17,810

using very sophisticated and effective

847

00:37:22,210 --> 00:37:20,150

tools yeah and I wanted to ask you if

848

00:37:24,010 --> 00:37:22,220

you could maybe talk about those tools

849

00:37:25,380 --> 00:37:24,020

themselves that people might not be

850

00:37:28,790 --> 00:37:25,390

aware of

851  
00:37:32,100 --> 00:37:28,800  
I will I have an article it's called

852  
00:37:35,670 --> 00:37:32,110  
devil seven prong fork it's coming my

853  
00:37:38,580 --> 00:37:35,680  
favorite yes this is explained it event

854  
00:37:42,090 --> 00:37:38,590  
I was doing an interview like this about

855  
00:37:44,340 --> 00:37:42,100  
25 years ago I think and beating up on

856  
00:37:45,810 --> 00:37:44,350  
the audience like your poor audience we

857  
00:37:48,300 --> 00:37:45,820  
can sing it I'm saying

858  
00:37:50,730 --> 00:37:48,310  
come on folks get on board don't you

859  
00:37:51,570 --> 00:37:50,740  
understand what I'm trying to say so

860  
00:37:54,180 --> 00:37:51,580  
then it was over

861  
00:37:56,820 --> 00:37:54,190  
and so then I thought you know those

862  
00:37:58,860 --> 00:37:56,830  
poor people I keep telling them this

863  
00:38:02,640 --> 00:37:58,870

over and over I was like a bolt out of

864

00:38:04,260 --> 00:38:02,650

the sky it's really not their food then

865

00:38:05,520 --> 00:38:04,270

I got sort of mad at myself and I said

866

00:38:08,720 --> 00:38:05,530

what is their fault you know I was

867

00:38:12,000 --> 00:38:08,730

arguing myself and then I realized no

868

00:38:14,580 --> 00:38:12,010

because as you said they have done this

869

00:38:18,270 --> 00:38:14,590

I call this devil seven prong pork but

870

00:38:20,580 --> 00:38:18,280

it really is about twelve prongs no but

871

00:38:23,070 --> 00:38:20,590

I'll go through the major ones one is of

872

00:38:25,200 --> 00:38:23,080

course gradualism frog on the cold water

873

00:38:26,420 --> 00:38:25,210

right heat it up slowly people don't

874

00:38:30,540 --> 00:38:26,430

even know they're fried

875

00:38:32,150 --> 00:38:30,550

the other is somatic deception like

876

00:38:36,020 --> 00:38:32,160

we're talking about critical thinking

877

00:38:38,520 --> 00:38:36,030

haha watch out or some of these basics

878

00:38:41,250 --> 00:38:38,530

basics oh yeah reading writing

879

00:38:43,590 --> 00:38:41,260

oh no that's globalism for them the

880

00:38:44,730 --> 00:38:43,600

global basic tribe sure you have a

881

00:38:47,220 --> 00:38:44,740

semantic ception

882

00:38:48,900 --> 00:38:47,230

you have the fog you have semantic

883

00:38:51,960 --> 00:38:48,910

deception you have the dialectic of

884

00:38:53,610 --> 00:38:51,970

course that geulang dialectic you know

885

00:38:56,640 --> 00:38:53,620

I'm talking about but your listeners may

886

00:38:59,220 --> 00:38:56,650

not right and I finally realized I had

887

00:39:01,380 --> 00:38:59,230

to do it easy way after I was married my

888

00:39:04,110 --> 00:39:01,390

husband we were living in Europe in

889

00:39:08,340 --> 00:39:04,120

Belgium and I was doing the laundry and

890

00:39:12,630 --> 00:39:08,350

I threw a red sweater and with his white

891

00:39:15,840 --> 00:39:12,640

shirt and naturally you know he was not

892

00:39:17,610 --> 00:39:15,850

happy and so he said pretty politely he

893

00:39:20,070 --> 00:39:17,620

said you know look honey I know you've

894

00:39:23,100 --> 00:39:20,080

been seeing everything but look you just

895

00:39:25,230 --> 00:39:23,110

don't touch the laundry anymore you

896

00:39:26,970 --> 00:39:25,240

don't have to do laundry for me well my

897

00:39:29,450 --> 00:39:26,980

two sons were very young that they heard

898

00:39:32,510 --> 00:39:29,460

that too and they said

899

00:39:36,710 --> 00:39:32,520

yeah mom doctor Aberdare do our laundry

900

00:39:38,540 --> 00:39:36,720

again well that gets the audience

901  
00:39:41,120 --> 00:39:38,550  
lucky you that is what you call the

902  
00:39:43,609 --> 00:39:41,130  
dialectic mm-hmm now what if I hadn't

903  
00:39:46,130 --> 00:39:43,619  
wanted you to laundry again ever right

904  
00:39:48,319 --> 00:39:46,140  
that's just what I do wouldn't I I throw

905  
00:39:52,579 --> 00:39:48,329  
a red sweater in with my husband's white

906  
00:39:54,079 --> 00:39:52,589  
shirts create the problem he screamed he

907  
00:39:57,319 --> 00:39:54,089  
says don't you ever dare do laundry

908  
00:39:59,680 --> 00:39:57,329  
again and that is really the dialectic

909  
00:40:04,940 --> 00:39:59,690  
you create the problem people stream and

910  
00:40:06,740 --> 00:40:04,950  
you impose the solution you want now had

911  
00:40:08,240 --> 00:40:06,750  
I been really wanting never to do

912  
00:40:09,710 --> 00:40:08,250  
laundry again that's exactly what I

913  
00:40:11,720 --> 00:40:09,720

would have done because the solution

914

00:40:14,809 --> 00:40:11,730

would have been I never have to do

915

00:40:17,299 --> 00:40:14,819

laundry again right so the dialectic is

916

00:40:20,510 --> 00:40:17,309

key and you see it every day everywhere

917

00:40:21,650 --> 00:40:20,520

I'm sure you see it Georg Hegel you know

918

00:40:23,270 --> 00:40:21,660

I don't talk about the German

919

00:40:25,910 --> 00:40:23,280

philosophers but this is too much for

920

00:40:28,130 --> 00:40:25,920

people to deal with but actually there's

921

00:40:30,980 --> 00:40:28,140

nothing going on in this country right

922

00:40:33,710 --> 00:40:30,990

now I don't think except maybe in a

923

00:40:38,059 --> 00:40:33,720

local community right which isn't the

924

00:40:40,280 --> 00:40:38,069

dead alien dialectic the media is loaded

925

00:40:42,440 --> 00:40:40,290

with it so that's very important then we

926  
00:40:46,480 --> 00:40:42,450  
go on to endless money supply the feds

927  
00:40:48,920 --> 00:40:46,490  
right we go on to the controlled media I

928  
00:40:51,260 --> 00:40:48,930  
always used to David Rockefeller quote

929  
00:40:53,960 --> 00:40:51,270  
and button but you know where you thank

930  
00:40:58,010 --> 00:40:53,970  
the top journalists at all TV et cetera

931  
00:41:00,559 --> 00:40:58,020  
paper for keeping his world government

932  
00:41:02,140 --> 00:41:00,569  
agenda under wraps we know that he said

933  
00:41:04,900 --> 00:41:02,150  
that in baden-baden

934  
00:41:07,270 --> 00:41:04,910  
1992

935  
00:41:08,350 --> 00:41:07,280  
and then you have of course the puddles

936  
00:41:10,540 --> 00:41:08,360  
there are plenty of money I may have

937  
00:41:12,370 --> 00:41:10,550  
mentioned that then you have a skinner

938  
00:41:15,970 --> 00:41:12,380

method which is dog training it's not

939

00:41:18,430 --> 00:41:15,980

education but you can have the workforce

940

00:41:22,150 --> 00:41:18,440

training the Soviet Polytech system

941

00:41:25,030 --> 00:41:22,160

going in without that method now as I

942

00:41:27,030 --> 00:41:25,040

said or maybe I didn't Ronald Reagan

943

00:41:31,180 --> 00:41:27,040

signed the agreements with Gorbachev in

944

00:41:33,370 --> 00:41:31,190

1985 to merge the two education systems

945

00:41:35,470 --> 00:41:33,380

they were called educational cultural

946

00:41:39,190 --> 00:41:35,480

and scientific agreements and they also

947

00:41:41,380 --> 00:41:39,200

dealt with planners going back and forth

948

00:41:44,010 --> 00:41:41,390

to the Soviet Union municipal planning

949

00:41:46,450 --> 00:41:44,020

regional government which is communism

950

00:41:49,540 --> 00:41:46,460

so he signed that agreement now the

951  
00:41:51,430 --> 00:41:49,550  
Heritage Foundation was solidly behind

952  
00:41:55,390 --> 00:41:51,440  
that in fact I think they set up an

953  
00:41:56,770 --> 00:41:55,400  
office in Moscow after so that's one of

954  
00:42:01,420 --> 00:41:56,780  
those things that I have on heritage

955  
00:42:03,610 --> 00:42:01,430  
right but then we all of us Patriots

956  
00:42:06,370 --> 00:42:03,620  
back then we had a great band of people

957  
00:42:09,550 --> 00:42:06,380  
we put an ad in The Washington Times we

958  
00:42:11,530 --> 00:42:09,560  
paid \$5,000 for that to stop it but we

959  
00:42:13,480 --> 00:42:11,540  
couldn't educate people because all the

960  
00:42:15,910 --> 00:42:13,490  
conservative groups were boycotting

961  
00:42:17,890 --> 00:42:15,920  
every single thing we tried to do to let

962  
00:42:18,910 --> 00:42:17,900  
the country know that these agreements

963  
00:42:21,220 --> 00:42:18,920

had been signed

964

00:42:24,450 --> 00:42:21,230

now the first one was signed by

965

00:42:28,000 --> 00:42:24,460

Eisenhower in 58 as I mentioned earlier

966

00:42:31,930 --> 00:42:28,010

then people said the Soviet Union was

967

00:42:32,680 --> 00:42:31,940

dead you know even actually agreements

968

00:42:34,840 --> 00:42:32,690

were signed

969

00:42:38,650 --> 00:42:34,850

we had Russian teachers in our schools

970

00:42:41,830 --> 00:42:38,660

here in Maine teaching the teachers how

971

00:42:44,080 --> 00:42:41,840

to put workforce training in how many

972

00:42:46,600 --> 00:42:44,090

people know this stuff nah man that was

973

00:42:49,390 --> 00:42:46,610

in 1987

974

00:42:52,210 --> 00:42:49,400

it's all going in now all going in under

975

00:42:54,520 --> 00:42:52,220

standards-based education I mean people

976  
00:42:55,620 --> 00:42:54,530  
don't understand that you know they can

977  
00:42:57,430 --> 00:42:55,630  
give it any name they want

978  
00:42:59,860 --> 00:42:57,440  
performance-based results-based

979  
00:43:02,500 --> 00:42:59,870  
competency-based outcome based standards

980  
00:43:06,700 --> 00:43:02,510  
based you name it it's all the same it's

981  
00:43:08,530 --> 00:43:06,710  
all Skinner Pavlov so it's going in

982  
00:43:11,170 --> 00:43:08,540  
across the country now thank you Donald

983  
00:43:14,260 --> 00:43:11,180  
Trump and Betsy DeVos when he did that

984  
00:43:16,120 --> 00:43:14,270  
he broke the back of our constitutional

985  
00:43:20,440 --> 00:43:16,130  
system of government basically because

986  
00:43:22,180 --> 00:43:20,450  
we will have no representation look a

987  
00:43:25,290 --> 00:43:22,190  
lot of people don't know this the

988  
00:43:27,610 --> 00:43:25,300

Department of Education budget this year

989

00:43:29,590 --> 00:43:27,620

exceeds that of Defense

990

00:43:33,520 --> 00:43:29,600

now I'm sorry I have to qualify this

991

00:43:36,790 --> 00:43:33,530

that's at the national state and local

992

00:43:39,130 --> 00:43:36,800

level combined education it is over one

993

00:43:41,170 --> 00:43:39,140

trillion dollars

994

00:43:44,920 --> 00:43:41,180

now the defense budget is lagging behind

995

00:43:48,810 --> 00:43:44,930

a little bit with 900 billion now what

996

00:43:51,030 --> 00:43:48,820

your children not know everything

997

00:43:53,660 --> 00:43:51,040

all they'd have had happen is being

998

00:43:56,820 --> 00:43:53,670

brainwashed to have filthy disgusting

999

00:43:58,890 --> 00:43:56,830

morals and values have everything their

1000

00:44:00,000 --> 00:43:58,900

parents ever taught them ripped out from

1001  
00:44:04,500 --> 00:44:00,010  
them it's not their fault

1002  
00:44:06,060 --> 00:44:04,510  
it's full of blue you know what

1003  
00:44:10,470 --> 00:44:06,070  
it's the fault of the people who

1004  
00:44:13,050 --> 00:44:10,480  
boycotted this information and I'm mad I

1005  
00:44:14,220 --> 00:44:13,060  
hear ya and you mentioned workforce

1006  
00:44:16,560 --> 00:44:14,230  
training of course that was my

1007  
00:44:18,660 --> 00:44:16,570  
experience felt like all I was doing was

1008  
00:44:21,570 --> 00:44:18,670  
being prepared to get some job

1009  
00:44:23,550 --> 00:44:21,580  
right and now we hear this talk about

1010  
00:44:25,859 --> 00:44:23,560  
cash for grades I mean this is it

1011  
00:44:28,320 --> 00:44:25,869  
directly like just pay kids for good

1012  
00:44:31,040 --> 00:44:28,330  
obedience oh yeah so they're ready for

1013  
00:44:34,080 --> 00:44:31,050

their cashiers job and another paycheck

1014

00:44:37,890 --> 00:44:34,090

you're right I mean Arne Duncan had that

1015

00:44:41,260 --> 00:44:37,900

nerve under Obama to recommend paying

1016

00:44:43,900 --> 00:44:41,270

the kids for good grades

1017

00:44:45,580 --> 00:44:43,910

look I found out I don't know why I

1018

00:44:50,500 --> 00:44:45,590

always have to find out these things I'm

1019

00:44:54,970 --> 00:44:50,510

a weird bird why hello a 1981 I'm sorry

1020

00:44:58,060 --> 00:44:54,980

2001 yeah I am getting older I picked up

1021

00:44:59,500 --> 00:44:58,070

the local paper Brunswick Maine

1022

00:45:01,030 --> 00:44:59,510

which we used to the big naval air

1023

00:45:03,040 --> 00:45:01,040

station here the best in the world

1024

00:45:05,320 --> 00:45:03,050

really great you don't need more because

1025

00:45:07,540 --> 00:45:05,330

the leftist got rid of that one but

1026

00:45:11,190 --> 00:45:07,550

there was an article in the paper about

1027

00:45:14,490 --> 00:45:11,200

the community oriented policing system

1028

00:45:16,109 --> 00:45:14,500

it's said that the police and remember

1029

00:45:19,470 --> 00:45:16,119

this is going in all over the country

1030

00:45:23,780 --> 00:45:19,480

now and this is what Edward me supports

1031

00:45:26,180 --> 00:45:23,790

and this is what Charlotte is Ruby hate

1032

00:45:28,700 --> 00:45:26,190

this is East German spy on your neighbor

1033

00:45:31,400 --> 00:45:28,710

system it's a public-private partnership

1034

00:45:34,280 --> 00:45:31,410

right between the either dumb people or

1035

00:45:36,890 --> 00:45:34,290

commie leftist through the community who

1036

00:45:39,650 --> 00:45:36,900

aren't elected working with a police to

1037

00:45:41,270 --> 00:45:39,660

make a nicer little environment for the

1038

00:45:43,640 --> 00:45:41,280

little community you should have about

1039

00:45:45,470 --> 00:45:43,650

eight or ten in a big city of these

1040

00:45:48,230 --> 00:45:45,480

little stations for the cops program

1041

00:45:50,480 --> 00:45:48,240

well anyway when I found out about it it

1042

00:45:52,910 --> 00:45:50,490

said that this new program in Brunswick

1043

00:45:56,150 --> 00:45:52,920

Maine was going to have the police are

1044

00:46:00,290 --> 00:45:56,160

giving gold medals to citizens who do

1045

00:46:01,850 --> 00:46:00,300

good deeds and I thought hmmm who

1046

00:46:04,250 --> 00:46:01,860

determines and then I read a little

1047

00:46:07,790 --> 00:46:04,260

further down I said the police determine

1048

00:46:09,500 --> 00:46:07,800

what the good deed is and I thought yeah

1049

00:46:11,330 --> 00:46:09,510

and then I write this letter in

1050

00:46:12,770 --> 00:46:11,340

opposition I think to myself boy I'm not

1051

00:46:14,390 --> 00:46:12,780

going to get much of a gold medal for

1052

00:46:17,450 --> 00:46:14,400

this one huh if they published my letter

1053

00:46:19,910 --> 00:46:17,460

in paper and I started checking it out

1054

00:46:21,410 --> 00:46:19,920

and I've been trying to warn people

1055

00:46:24,200 --> 00:46:21,420

about the community oriented policing

1056

00:46:26,060 --> 00:46:24,210

system I'm not the first one to do it

1057

00:46:28,310 --> 00:46:26,070

I'm wondering first I guess lieutenant

1058

00:46:31,670 --> 00:46:28,320

work

1059

00:46:35,000 --> 00:46:31,680

San Diego police detective it's on my

1060

00:46:37,450 --> 00:46:35,010

website all the stuff under cops he

1061

00:46:41,750 --> 00:46:37,460

wrote a wonderful article about this and

1062

00:46:45,590 --> 00:46:41,760

he quoted from a sociologist way back in

1063

00:46:47,090 --> 00:46:45,600

the 70s he's the founder of community

1064

00:46:47,810 --> 00:46:47,100

oriented policing system and he's a

1065

00:46:53,120 --> 00:46:47,820

communist

1066

00:46:58,280 --> 00:46:53,130

and his name is croak jonovic TR oja and

1067

00:47:01,280 --> 00:46:58,290

OWI TC and Reggiano which says that the

1068

00:47:05,030 --> 00:47:01,290

new word for our existence is community

1069

00:47:07,730 --> 00:47:05,040

we have to get rid of the family and the

1070

00:47:10,520 --> 00:47:07,740

old values what you're looking at right

1071

00:47:12,080 --> 00:47:10,530

now this thinking that huh I hope you

1072

00:47:15,740 --> 00:47:12,090

don't mind my language it's not really

1073

00:47:18,670 --> 00:47:15,750

too bad is it no let apply so then I

1074

00:47:21,860 --> 00:47:18,680

find out from the selectmen on the

1075

00:47:24,620 --> 00:47:21,870

Brunswick City Council who's one of us

1076

00:47:26,840 --> 00:47:24,630

he sends me through the papers at the

1077

00:47:28,490 --> 00:47:26,850

board meeting where the police came in

1078

00:47:31,010 --> 00:47:28,500

and they were all setting up this new

1079

00:47:33,830 --> 00:47:31,020

system well it was really great to have

1080

00:47:35,090 --> 00:47:33,840

those papers but of course they didn't

1081

00:47:37,250 --> 00:47:35,100

mention her Janowicz

1082

00:47:40,940 --> 00:47:37,260

it's all total quality management which

1083

00:47:45,109 --> 00:47:42,800

found out about that and my job because

1084

00:47:48,109 --> 00:47:45,119

when I was down in the department the

1085

00:47:50,870 --> 00:47:48,119

National Training lab well actually the

1086

00:47:52,730 --> 00:47:50,880

reason Maine is so bad is we have the

1087

00:47:55,490 --> 00:47:52,740

National Training labs in Bethel Maine

1088

00:48:00,950 --> 00:47:55,500

where everybody goes skiing that was set

1089

00:48:03,680 --> 00:48:00,960

up by OSS types way back when and that

1090

00:48:05,329 --> 00:48:03,690

is the group process which is all the

1091

00:48:08,660 --> 00:48:05,339

sensitivity training crap and everything

1092

00:48:11,359 --> 00:48:08,670

and they send doctors lawyers everybody

1093

00:48:15,440 --> 00:48:11,369

from all over the world teachers of

1094

00:48:18,190 --> 00:48:15,450

course nurses all of the world go there

1095

00:48:21,620 --> 00:48:18,200

for human relations training

1096

00:48:24,920 --> 00:48:21,630

well that's sensitivity training that's

1097

00:48:26,840 --> 00:48:24,930

the group process that's China

1098

00:48:29,570 --> 00:48:26,850

by the way we have a very good article

1099

00:48:31,940 --> 00:48:29,580

it's in my book from Mary Barry the head

1100

00:48:35,900 --> 00:48:31,950

of the National Education Association in

1101  
00:48:37,760 --> 00:48:35,910  
the 70s she went over to China and then

1102  
00:48:40,670 --> 00:48:37,770  
she came back we've got direct quotes

1103  
00:48:44,360 --> 00:48:40,680  
from her she says we're moving slowly

1104  
00:48:46,640 --> 00:48:44,370  
towards the Chinese system another one

1105  
00:48:48,530 --> 00:48:46,650  
my Australian friend went to a community

1106  
00:48:49,420 --> 00:48:48,540  
education meeting in the 70s in

1107  
00:48:51,710 --> 00:48:49,430  
Washington

1108  
00:48:53,480 --> 00:48:51,720  
don't forget community education and

1109  
00:48:55,550 --> 00:48:53,490  
cops are connected to Leicester Jonna

1110  
00:48:57,320 --> 00:48:55,560  
which were looking at - and worked who

1111  
00:49:00,010 --> 00:48:57,330  
is such an honest wonderful great

1112  
00:49:02,690 --> 00:49:00,020  
detective who outed the whole thing

1113  
00:49:05,450 --> 00:49:02,700

anyway so she goes this conference on

1114

00:49:06,640 --> 00:49:05,460

community ad in Washington and they're

1115

00:49:08,960 --> 00:49:06,650

all these guys and girls there and

1116

00:49:11,870 --> 00:49:08,970

there's a community educator he's from

1117

00:49:14,000 --> 00:49:11,880

Alaska and he's telling all the

1118

00:49:18,020 --> 00:49:14,010

educators about the importance of

1119

00:49:20,660 --> 00:49:18,030

community education so one of the

1120

00:49:22,180 --> 00:49:20,670

members of the audience says well what

1121

00:49:24,789 --> 00:49:22,190

is it

1122

00:49:26,920 --> 00:49:24,799

and he said he said Chinese communist

1123

00:49:30,609 --> 00:49:26,930

system

1124

00:49:33,430 --> 00:49:30,619

okay now I've seen it I know it is Mary

1125

00:49:37,269 --> 00:49:33,440

Barry said it was the head of the nei

1126

00:49:39,910 --> 00:49:37,279

all these quotes are in my book so we

1127

00:49:41,019 --> 00:49:39,920

know the system is pretty bad but you

1128

00:49:43,059 --> 00:49:41,029

know there's a lot of young people

1129

00:49:45,190 --> 00:49:43,069

listening who maybe are in their early

1130

00:49:45,400 --> 00:49:45,200

30s maybe they have young kids of their

1131

00:49:48,039 --> 00:49:45,410

own

1132

00:49:50,109 --> 00:49:48,049

are there any programs that you would

1133

00:49:52,779 --> 00:49:50,119

advise them to look into or any advice

1134

00:49:54,190 --> 00:49:52,789

you would have for someone yes maybe

1135

00:49:56,620 --> 00:49:54,200

they're homeschooling or maybe they're

1136

00:49:58,210 --> 00:49:56,630

not but if they've got their kids in the

1137

00:50:00,760 --> 00:49:58,220

public school system and let me tell you

1138

00:50:02,859 --> 00:50:00,770

something I had my daughter and all my

1139

00:50:05,049 --> 00:50:02,869

two grandchildren were put into a Rudolf

1140

00:50:08,620 --> 00:50:05,059

Steiner school you know New Age stuff

1141

00:50:10,299 --> 00:50:08,630

Waldorf and I was upset about it but I

1142

00:50:11,470 --> 00:50:10,309

let them do it I just I'm not going to

1143

00:50:13,599 --> 00:50:11,480

help pay for it thank you

1144

00:50:17,049 --> 00:50:13,609

well I took about five years for her to

1145

00:50:19,359 --> 00:50:17,059

get smart and get them out so they're

1146

00:50:21,339 --> 00:50:19,369

back in public school system she's the

1147

00:50:23,950 --> 00:50:21,349

same school system where I was on the

1148

00:50:26,019 --> 00:50:23,960

school board run and kids are really

1149

00:50:29,440 --> 00:50:26,029

happy at least they're happy I haven't

1150

00:50:32,069 --> 00:50:29,450

heard any horror stories yet but I have

1151

00:50:35,250 --> 00:50:32,079

the old math books from this professor

1152

00:50:38,859 --> 00:50:35,260

whose name escapes me at Columbia in

1153

00:50:43,269 --> 00:50:38,869

1932 he was considered the number one on

1154

00:50:46,000 --> 00:50:43,279

math skills and I had the series of

1155

00:50:47,829 --> 00:50:46,010

books in the 70s and I remember teaching

1156

00:50:49,870 --> 00:50:47,839

my kids were learning multiplication

1157

00:50:51,609 --> 00:50:49,880

tables division all this stuff you know

1158

00:50:53,769 --> 00:50:51,619

how many quarts of Clorox do you need

1159

00:50:56,200 --> 00:50:53,779

for a 30,000 square foot room and you

1160

00:50:59,230 --> 00:50:56,210

know problem solving

1161

00:51:01,620 --> 00:50:59,240

it's seven years of this and he really

1162

00:51:05,020 --> 00:51:01,630

truly was considered the number one

1163

00:51:05,829 --> 00:51:05,030

professor in mathematics in the United

1164

00:51:07,570 --> 00:51:05,839

States at the time

1165

00:51:10,230 --> 00:51:07,580

well of course they've got a dozen eggs

1166

00:51:13,780 --> 00:51:10,240

for twenty cents we just haven't updated

1167

00:51:16,990 --> 00:51:13,790

but that is a series of books they're

1168

00:51:19,440 --> 00:51:17,000

very expensive now I want my son Sam who

1169

00:51:22,240 --> 00:51:19,450

has the website American deception calm

1170

00:51:23,620 --> 00:51:22,250

he also put up the list of all the

1171

00:51:26,829 --> 00:51:23,630

members of the order at Yale

1172

00:51:27,970 --> 00:51:26,839

skullenbones we often wonder if that

1173

00:51:30,099 --> 00:51:27,980

might not have something to do with

1174

00:51:32,410 --> 00:51:30,109

attempting to kill him twice huh that's

1175

00:51:34,720 --> 00:51:32,420

not the American deception to all the

1176  
00:51:35,710 --> 00:51:34,730  
names were their backgrounds nobody ever

1177  
00:51:40,270 --> 00:51:35,720  
had that before

1178  
00:51:43,950 --> 00:51:40,280  
but anyway that last program and other I

1179  
00:51:46,450 --> 00:51:43,960  
think it's called quest of a nation by

1180  
00:51:47,920 --> 00:51:46,460  
Constanza Boyle I think her name is the

1181  
00:51:52,180 --> 00:51:47,930  
wonderful history of American history

1182  
00:51:55,780 --> 00:51:52,190  
and then we have the lovest book written

1183  
00:51:58,000 --> 00:51:55,790  
by Matt James one of his sons is high up

1184  
00:52:01,630 --> 00:51:58,010  
went to MIT and all involved in

1185  
00:52:04,780 --> 00:52:01,640  
extraordinarily high mathematical

1186  
00:52:06,310 --> 00:52:04,790  
scientific research etc that's one of

1187  
00:52:10,290 --> 00:52:06,320  
his trail at James wrote in a marvelous

1188  
00:52:12,099 --> 00:52:10,300

book about homeschooling then we have

1189

00:52:14,710 --> 00:52:12,109

Sam Blumenfeld

1190

00:52:17,230 --> 00:52:14,720

alpha phonics now Sam was a very close

1191

00:52:19,570 --> 00:52:17,240

friend of mine he wrote the foreword to

1192

00:52:22,150 --> 00:52:19,580

my book he's a great writer himself

1193

00:52:23,859 --> 00:52:22,160

great scholar as far as American

1194

00:52:27,579 --> 00:52:23,869

education is concerned Samuel

1195

00:52:29,890 --> 00:52:27,589

blumenfeld and he has his wonderful

1196

00:52:33,250 --> 00:52:29,900

reading program alpha phonics he's dead

1197

00:52:36,820 --> 00:52:33,260

now he died three years ago too bad so I

1198

00:52:39,880 --> 00:52:36,830

do get that out to people now home

1199

00:52:42,910 --> 00:52:39,890

scores as well as ones who have the

1200

00:52:45,670 --> 00:52:42,920

children in school I used that math

1201  
00:52:48,339 --> 00:52:45,680  
program with my own boys my son Sam the

1202  
00:52:50,440 --> 00:52:48,349  
one I'm talking about is not 50 and I

1203  
00:52:52,359 --> 00:52:50,450  
remember we had a little place on the

1204  
00:52:54,820 --> 00:52:52,369  
lake and I was was worried that that

1205  
00:52:59,050 --> 00:52:54,830  
curriculum was go fall in the water but

1206  
00:53:01,060 --> 00:52:59,060  
I get them out there on the floor and

1207  
00:53:04,000 --> 00:53:01,070  
I'd make them do their multiplication

1208  
00:53:06,700 --> 00:53:04,010  
tables and everything else you know and

1209  
00:53:08,280 --> 00:53:06,710  
we have a lot of fun but they went

1210  
00:53:12,090 --> 00:53:08,290  
through that

1211  
00:53:13,200 --> 00:53:12,100  
and that is what the parents need you

1212  
00:53:15,390 --> 00:53:13,210  
know they're going to tell you all you

1213  
00:53:18,390 --> 00:53:15,400

don't need that now use calculators this

1214

00:53:21,090 --> 00:53:18,400

is practical stuff that anyone who's

1215

00:53:24,240 --> 00:53:21,100

good in building houses or working or

1216

00:53:26,220 --> 00:53:24,250

whatever they know that you know how are

1217

00:53:28,380 --> 00:53:26,230

you going to clean a 3,000 square foot

1218

00:53:31,740 --> 00:53:28,390

gym if you don't know how much Clorox

1219

00:53:33,210 --> 00:53:31,750

you need right right right

1220

00:53:35,970 --> 00:53:33,220

you have to measure don't you I think

1221

00:53:40,109 --> 00:53:35,980

maybe so

1222

00:53:43,140 --> 00:53:40,119

there is in my book a teacher he was

1223

00:53:46,240 --> 00:53:43,150

invited to a meeting of the progressive

1224

00:53:53,140 --> 00:53:50,140

and he saw it meant something good he

1225

00:53:56,410 --> 00:53:53,150

didn't know it was communist

1226

00:54:00,549 --> 00:53:56,420

any what and he did a little talk on

1227

00:54:02,859 --> 00:54:00,559

Matheny and he was called into a meeting

1228

00:54:06,130 --> 00:54:02,869

at 2:00 a.m. the next morning right

1229

00:54:10,359 --> 00:54:06,140

after the conference by John Dewey the

1230

00:54:12,789 --> 00:54:10,369

head of the CFR education part and I

1231

00:54:14,380 --> 00:54:12,799

think Thorndyke who we used to train

1232

00:54:18,099 --> 00:54:14,390

pigeons

1233

00:54:19,660 --> 00:54:18,109

and it's always name is all Nelson first

1234

00:54:22,900 --> 00:54:19,670

delicious oh I don't know what that

1235

00:54:24,640 --> 00:54:22,910

report Nelson and they said they were

1236

00:54:26,920 --> 00:54:24,650

really interested in this presentation

1237

00:54:30,400 --> 00:54:26,930

and they wanted to talk to him but new

1238

00:54:33,449 --> 00:54:30,410

math new math curriculum so he tells him

1239

00:54:38,140 --> 00:54:33,459

what he thinks is important and they say

1240

00:54:40,089 --> 00:54:38,150

Nelson wake up that's exactly what we

1241

00:54:43,599 --> 00:54:40,099

don't want

1242

00:54:45,819 --> 00:54:43,609

okay so I was hesitant about putting

1243

00:54:48,489 --> 00:54:45,829

that in my book because I didn't you

1244

00:54:51,249 --> 00:54:48,499

know own else is dead well finally I

1245

00:54:53,859 --> 00:54:51,259

found a friend of his another teacher I

1246

00:54:56,049 --> 00:54:53,869

wanted to document it down in Florida

1247

00:54:59,170 --> 00:54:56,059

and I talked to the guy he said oh yeah

1248

00:55:02,860 --> 00:54:59,180

that's exactly what happened yes that is

1249

00:55:05,050 --> 00:55:02,870

the true story and you could publish it

1250

00:55:07,560 --> 00:55:05,060

so there you have at the progressive

1251  
00:55:08,800 --> 00:55:07,570  
Education Association meeting and what

1252  
00:55:11,530 --> 00:55:08,810  
1940-something

1253  
00:55:13,810 --> 00:55:11,540  
this math teacher being called in at

1254  
00:55:16,420 --> 00:55:13,820  
2:00 a.m. by these big shots really big

1255  
00:55:19,520 --> 00:55:16,430  
shots John Dewey Thorndike and the head

1256  
00:55:21,380 --> 00:55:19,530  
of CFR education section

1257  
00:55:22,970 --> 00:55:21,390  
they think you so smart they want him to

1258  
00:55:25,400 --> 00:55:22,980  
do something work for him and put the

1259  
00:55:28,460 --> 00:55:25,410  
new math in well they got it because

1260  
00:55:31,850 --> 00:55:28,470  
they didn't listen to it uh but that is

1261  
00:55:33,920 --> 00:55:31,860  
an extraordinary story in itself there's

1262  
00:55:35,620 --> 00:55:33,930  
so many like that I mean a lot of the

1263  
00:55:40,640 --> 00:55:35,630

stuff I'm talking about it's in my book

1264

00:55:44,180 --> 00:55:40,650

but the tragedy now is that the system's

1265

00:55:47,710 --> 00:55:44,190

in people have become accustomed to the

1266

00:55:51,710 --> 00:55:47,720

word you have to have standards who's

1267

00:55:55,370 --> 00:55:51,720

who sets a standard exactly I got a hold

1268

00:55:57,140 --> 00:55:55,380

of the standards in 1971 they came out

1269

00:56:00,110 --> 00:55:57,150

of the Northwest Regional lab in Oregon

1270

00:56:02,930 --> 00:56:00,120

and I got a hold of the Commissioner of

1271

00:56:05,840 --> 00:56:02,940

Education letter to this wonderful

1272

00:56:08,720 --> 00:56:05,850

researcher friend of ours and he gives

1273

00:56:11,270 --> 00:56:08,730

all the history of the eighteen thousand

1274

00:56:13,820 --> 00:56:11,280

goals that were developed at the

1275

00:56:17,450 --> 00:56:13,830

Northwest Regional lab and sent out into

1276

00:56:19,970 --> 00:56:17,460

every single School in ition that was

1277

00:56:23,450 --> 00:56:19,980

the beginning of goals based outcomes

1278

00:56:25,190 --> 00:56:23,460

based cob seek bays performance-based

1279

00:56:28,550 --> 00:56:25,200

and your listeners are probably getting

1280

00:56:34,150 --> 00:56:28,560

pretty bored by now no education when

1281

00:56:37,360 --> 00:56:34,160

you see that know that Skinner

1282

00:56:39,400 --> 00:56:37,370

and that five pack is the brain you know

1283

00:56:41,740 --> 00:56:39,410

and even Rob Tyler who was a behavioral

1284

00:56:42,990 --> 00:56:41,750

psychologist admitted that there's no

1285

00:56:44,430 --> 00:56:43,000

transfer

1286

00:56:47,190 --> 00:56:44,440

[Music]

1287

00:56:48,870 --> 00:56:47,200

it's like with your dog the only thing

1288

00:56:51,029 --> 00:56:48,880

that he can remember is you next time

1289

00:56:53,700 --> 00:56:51,039

you see the dog that's coming out of the

1290

00:56:55,499 --> 00:56:53,710

box he's gonna sit reward-based animal

1291

00:56:57,150 --> 00:56:55,509

training you have to give them credit

1292

00:57:00,059 --> 00:56:57,160

but it's totally evil

1293

00:57:02,430 --> 00:57:00,069

it's the Soviet system it works well for

1294

00:57:05,640 --> 00:57:02,440

workforce training there will always be

1295

00:57:07,950 --> 00:57:05,650

10% that they need you know good little

1296

00:57:11,880 --> 00:57:07,960

communists you know out of the order at

1297

00:57:13,769 --> 00:57:11,890

Yale or wherever you want mmmh and we

1298

00:57:15,180 --> 00:57:13,779

know they are there in every country

1299

00:57:18,120 --> 00:57:15,190

they're the ones who are running the

1300

00:57:21,180 --> 00:57:18,130

whole globe and our children were their

1301  
00:57:26,220 --> 00:57:21,190  
wonderful talents happy faces used to

1302  
00:57:28,620 --> 00:57:26,230  
have are the victims hmm well hey I feel

1303  
00:57:30,210 --> 00:57:28,630  
just so lucky to have been able to spend

1304  
00:57:31,740 --> 00:57:30,220  
time with you I know you've got to be

1305  
00:57:34,589 --> 00:57:31,750  
feeling the fatigue it's quite a

1306  
00:57:37,349 --> 00:57:34,599  
marathon session but I'm so thankful

1307  
00:57:39,180 --> 00:57:37,359  
also you know got to give a shout-out to

1308  
00:57:39,990 --> 00:57:39,190  
our mutual friend Russell who put us in

1309  
00:57:42,779 --> 00:57:40,000  
contact

1310  
00:57:45,749 --> 00:57:42,789  
don't kid love him oh yes quite a

1311  
00:57:47,999 --> 00:57:45,759  
wonderful guy your book is highly highly

1312  
00:57:50,339 --> 00:57:48,009  
recommended again it is a free pdf

1313  
00:57:53,220 --> 00:57:50,349

online and then of course your son Sam's

1314

00:57:56,339 --> 00:57:53,230

website is American deception calm where

1315

00:57:58,499 --> 00:57:56,349

you can find the PDFs and scans of many

1316

00:58:00,630 --> 00:57:58,509

many documents people don't know exists

1317

00:58:03,240 --> 00:58:00,640

and he has risked his life to get that

1318

00:58:05,339 --> 00:58:03,250

out there so you'd be better off

1319

00:58:07,200 --> 00:58:05,349

spending some time checking it out

1320

00:58:09,569 --> 00:58:07,210

rather than seeing what's on Netflix

1321

00:58:12,499 --> 00:58:09,579

this evening

1322

00:58:15,059 --> 00:58:12,509

Roger say actually it's truly James Bond

1323

00:58:18,180 --> 00:58:15,069

episodes his website

1324

00:58:21,480 --> 00:58:18,190

it really is it's fascinating it's

1325

00:58:24,690 --> 00:58:21,490

better than any film on Netflix full of

1326

00:58:27,749 --> 00:58:24,700

espionage and intrigue no doubt a lot of

1327

00:58:30,720 --> 00:58:27,759

intrigue let's stop now look you stay in

1328

00:58:31,950 --> 00:58:30,730

touch I hope you will and I really

1329

00:58:33,990 --> 00:58:31,960

enjoyed talking to you it's been fun

1330

00:58:35,970 --> 00:58:34,000

doing it this way I like it you know oh

1331

00:58:38,670 --> 00:58:35,980

this and let me ask you something how

1332

00:58:41,490 --> 00:58:38,680

are things in California with a fire bad

1333

00:58:43,470 --> 00:58:41,500

huh oh yeah we mean we it's all over the

1334

00:58:45,900 --> 00:58:43,480

news than it is very bad but it is not

1335

00:58:48,150 --> 00:58:45,910

really in my local area but it is very

1336

00:58:50,880 --> 00:58:48,160

bad some people think that there's a

1337

00:58:53,130 --> 00:58:50,890

coordinated effort there as well I know

1338

00:58:56,160 --> 00:58:53,140

I know well you know when so many bad

1339

00:58:57,630 --> 00:58:56,170

things go on it's hard not to I mean the

1340

00:58:58,530 --> 00:58:57,640

world is very different from the way

1341

00:59:02,660 --> 00:58:58,540

used to

1342

00:59:05,610 --> 00:59:02,670

and so when we have this abrupt shift in

1343

00:59:08,970 --> 00:59:05,620

events happening you know one after the

1344

00:59:10,830 --> 00:59:08,980

other you can only say well this didn't

1345

00:59:13,110 --> 00:59:10,840

used to be this way what's wrong right

1346

00:59:15,810 --> 00:59:13,120

we may be wrong we may be right I don't

1347

00:59:17,490 --> 00:59:15,820

know you got to be skeptical well stay

1348

00:59:20,130 --> 00:59:17,500

in touch and have you ever come East

1349

00:59:22,380 --> 00:59:20,140

you're always welcome here on the river

1350

00:59:24,900 --> 00:59:22,390

we're a very beautiful area which is

1351

00:59:27,600 --> 00:59:24,910

really conservation there are only four

1352

00:59:30,570 --> 00:59:27,610

places in the world that are like this

1353

00:59:32,820 --> 00:59:30,580

one is interested in of Sacramento where

1354

00:59:38,670 --> 00:59:32,830

the rivers meet and then we've got the

1355

00:59:41,670 --> 00:59:38,680

Tigris Euphrates the Amazon and here Wow

1356

00:59:44,310 --> 00:59:41,680

that would be amazing so hopefully I can

1357

00:59:45,990 --> 00:59:44,320

accept that invitation sometime and make

1358

00:59:48,330 --> 00:59:46,000

good on that it would be a real pleasure

1359

00:59:50,730 --> 00:59:48,340

to meet you in the flesh you have a

1360

00:59:53,490 --> 00:59:50,740

standing invitation to come visit you

1361

00:59:55,410 --> 00:59:53,500

better do it before I'm dead I'm gonna

1362

00:59:58,830 --> 00:59:55,420

try I'm gonna try hopefully I got a

1363

01:00:01,140 --> 00:59:58,840

while I thank you very much I'm gonna

1364

01:00:03,390 --> 01:00:01,150

let you go now and we'll stay in touch

1365

01:00:07,770 --> 01:00:03,400

please do all right take care of

1366

01:00:10,710 --> 01:00:07,780

yourself okay well you too Charlotte is

1367

01:00:14,960 --> 01:00:10,720

there big people an impressive resume

1368

01:00:17,610 --> 01:00:14,970

and lifetime of compelling anecdotes I

1369

01:00:21,150 --> 01:00:17,620

obviously had a long list of questions

1370

01:00:23,310 --> 01:00:21,160

we didn't get to but I'm really just a

1371

01:00:24,990 --> 01:00:23,320

crutch to lean on when a guest doesn't

1372

01:00:27,180 --> 01:00:25,000

know what they want to talk about and

1373

01:00:30,690 --> 01:00:27,190

this was a big deal to me personally i

1374

01:00:33,570 --> 01:00:30,700

think john taylor gatto and charlotte

1375

01:00:36,780 --> 01:00:33,580

are the one-two punch of the education

1376

01:00:39,540 --> 01:00:36,790

conspiracy john of course is in his 80s

1377

01:00:42,660 --> 01:00:39,550

as well and that's why i had his editor

1378

01:00:44,640 --> 01:00:42,670

David Rodriguez on David was great but I

1379

01:00:47,280 --> 01:00:44,650

am so humbled to be able to add

1380

01:00:49,470 --> 01:00:47,290

Charlotte is her beat to the long list

1381

01:00:51,870 --> 01:00:49,480

of guests that I can hardly believe I've

1382

01:00:53,490 --> 01:00:51,880

gotten to speak with it all of course

1383

01:00:55,920 --> 01:00:53,500

this interview was hooked up by a

1384

01:00:58,170 --> 01:00:55,930

listener who knows her personally thanks

1385

01:01:00,030 --> 01:00:58,180

again Russell you know one of the things

1386

01:01:02,340 --> 01:01:00,040

I had in my notes that I didn't get to

1387

01:01:04,140 --> 01:01:02,350

bring up she touched on it and mentioned

1388

01:01:06,510 --> 01:01:04,150

that she was really shocked by what her

1389

01:01:09,330 --> 01:01:06,520

own kids were getting in public schools

1390

01:01:11,790 --> 01:01:09,340

but here's a more thorough quote from

1391

01:01:14,430 --> 01:01:11,800

the book where she says in ninth

1392

01:01:17,250 --> 01:01:14,440

in 73 I started the long journey into

1393

01:01:19,530 --> 01:01:17,260

becoming a resistor placing the first

1394

01:01:22,350 --> 01:01:19,540

incriminating piece of paper in my

1395

01:01:25,290 --> 01:01:22,360

education files that first piece of

1396

01:01:28,260 --> 01:01:25,300

paper was a purple ditto sheet entitled

1397

01:01:30,810 --> 01:01:28,270

all about me next to which was a smiley

1398

01:01:34,320 --> 01:01:30,820

face it was an open-ended questionnaire

1399

01:01:36,000 --> 01:01:34,330

beginning with my name is blank my son

1400

01:01:38,850 --> 01:01:36,010

brought it home from public school and

1401

01:01:41,220 --> 01:01:38,860

fourth grade the questions were highly

1402

01:01:43,620 --> 01:01:41,230

personal so much so that they encouraged

1403

01:01:45,780 --> 01:01:43,630

my son to lie since he didn't want to

1404

01:01:48,780 --> 01:01:45,790

spill the beans so to speak about his

1405

01:01:50,910 --> 01:01:48,790

mother father and brother the purpose of

1406

01:01:53,580 --> 01:01:50,920

such a questionnaire was to find out the

1407

01:01:55,620 --> 01:01:53,590

student's state of mind how he felt what

1408

01:01:58,140 --> 01:01:55,630

he liked and disliked and what his

1409

01:02:00,090 --> 01:01:58,150

values were with this knowledge it would

1410

01:02:03,180 --> 01:02:00,100

be easier for the government school to

1411

01:02:05,340 --> 01:02:03,190

modify his values and behavior at will

1412

01:02:08,430 --> 01:02:05,350

without of course the students knowledge

1413

01:02:10,140 --> 01:02:08,440

or parents consent and to me this was

1414

01:02:13,380 --> 01:02:10,150

just a great example for a couple of

1415

01:02:14,400 --> 01:02:13,390

reasons one this is 1973 well before I

1416

01:02:16,920 --> 01:02:14,410

was even born

1417

01:02:18,990 --> 01:02:16,930

- we've all seen these sorts of

1418

01:02:21,240 --> 01:02:19,000

questionnaires so I think it's something

1419

01:02:24,360 --> 01:02:21,250

that everybody's familiar with and can

1420

01:02:26,460 --> 01:02:24,370

say that yeah that happens kids do get

1421

01:02:28,410 --> 01:02:26,470

these in school and three in the

1422

01:02:30,600 --> 01:02:28,420

internet age when data and information

1423

01:02:33,420 --> 01:02:30,610

is so valuable and always being used

1424

01:02:35,490 --> 01:02:33,430

against us it's a real eye-opener to see

1425

01:02:37,560 --> 01:02:35,500

the clarity in that process and then

1426

01:02:39,510 --> 01:02:37,570

just extrapolate it out to where we are

1427

01:02:42,630 --> 01:02:39,520

now and where we're going with this

1428

01:02:44,910 --> 01:02:42,640

digitization of everything and I did try

1429

01:02:47,850 --> 01:02:44,920

to get into the realms of social media

1430

01:02:49,530 --> 01:02:47,860

and technology but I'm not sure how much

1431

01:02:51,930 --> 01:02:49,540

Charlotte really engages with the

1432

01:02:53,430 --> 01:02:51,940

cutting edge of that anyway but I think

1433

01:02:55,530 --> 01:02:53,440

she caught this coming through the

1434

01:02:58,320 --> 01:02:55,540

school system a long time ago and

1435

01:03:01,050 --> 01:02:58,330

probably knows but definitely wouldn't

1436

01:03:02,580 --> 01:03:01,060

be surprised that these control

1437

01:03:04,170 --> 01:03:02,590

techniques have been rolled out to

1438

01:03:07,020 --> 01:03:04,180

everyone now that we have these damn

1439

01:03:08,790 --> 01:03:07,030

smart phones so you know I did want to

1440

01:03:11,370 --> 01:03:08,800

get more of her thoughts in that area

1441

01:03:13,800 --> 01:03:11,380

but in the second hour we went from

1442

01:03:15,570 --> 01:03:13,810

education to skullenbones because she

1443

01:03:17,640 --> 01:03:15,580

has a lot to say about that topic to

1444

01:03:20,280 --> 01:03:17,650

sign up for the higher side chats plus

1445

01:03:22,500 --> 01:03:20,290

the higher side chats plus calm to get

1446

01:03:25,380 --> 01:03:22,510

the second hour of this podcast episode

1447

01:03:28,800 --> 01:03:25,390

and all the podcast episodes I do

1448

01:03:30,120 --> 01:03:28,810

but in this one we got into the coming

1449

01:03:33,120 --> 01:03:30,130

quota system

1450

01:03:33,900 --> 01:03:33,130

Charlotte's experiences with Bonesmen as

1451

01:03:36,570 --> 01:03:33,910

a young girl

1452

01:03:38,880 --> 01:03:36,580

I'm just being around the house her

1453

01:03:41,760 --> 01:03:38,890

grandfather's involvement with opening

1454

01:03:43,530 --> 01:03:41,770

up gold mines in South Africa the

1455

01:03:46,620 --> 01:03:43,540

forbidden books she wasn't supposed to

1456

01:03:49,320 --> 01:03:46,630

go near her son Sam's belief in aliens

1457

01:03:53,040 --> 01:03:49,330

the Heritage Foundation and the council

1458

01:03:56,490 --> 01:03:53,050

for national policy all great topics and

1459

01:03:59,070 --> 01:03:56,500

I did get to ask her if she thinks magic

1460

01:04:01,140 --> 01:03:59,080

is real which I didn't expect to come up

1461

01:04:03,420 --> 01:04:01,150

at all but I hadn't take the shot

1462

01:04:05,970 --> 01:04:03,430

because I just thought it was a very THC

1463

01:04:08,850 --> 01:04:05,980

question to someone who served at such a

1464

01:04:11,790 --> 01:04:08,860

high level under Reagan who respected

1465

01:04:13,890 --> 01:04:11,800

magic astrology at least and also a

1466

01:04:17,460 --> 01:04:13,900

descendant of at least two generations

1467

01:04:19,380 --> 01:04:17,470

of Bonesmen I mean you got ask so I

1468

01:04:21,510 --> 01:04:19,390

loved it kind of have to give her a pass

1469

01:04:22,500 --> 01:04:21,520

on some things because she is a product

1470

01:04:26,190 --> 01:04:22,510

of a different era

1471

01:04:27,840 --> 01:04:26,200

she is 87 years young I don't think she

1472

01:04:30,150 --> 01:04:27,850

was hearing me all that well at times

1473

01:04:33,390 --> 01:04:30,160

but it could have been Skype I wouldn't

1474

01:04:35,160 --> 01:04:33,400

be surprised either way I did also want

1475

01:04:38,040 --> 01:04:35,170

to throw out there that the first higher

1476

01:04:42,320 --> 01:04:38,050

side chats joint session will be on the

1477

01:04:47,130 --> 01:04:42,330

31st at 7:00 p.m. Pacific Standard Time

1478

01:04:49,740 --> 01:04:47,140

using zoom anyone can call in join the

1479

01:04:52,800 --> 01:04:49,750

room watch live and it will be archived

1480

01:04:55,050 --> 01:04:52,810

for plus members I will put the links

1481

01:04:57,930 --> 01:04:55,060

everywhere I'm able to put them that's

1482

01:05:00,810 --> 01:04:57,940

THC related and you can come join live

1483

01:05:03,150 --> 01:05:00,820

as I take calls hopefully you have crazy

1484

01:05:06,870 --> 01:05:03,160

stories or some research thread you're

1485

01:05:08,670 --> 01:05:06,880

on or some paranormal experience I want

1486

01:05:11,190 --> 01:05:08,680

to hear that stuff so anything you got

1487

01:05:12,840 --> 01:05:11,200

we will chat it up I'm hoping this is a

1488

01:05:14,780 --> 01:05:12,850

lot of fun I have gotten some great

1489

01:05:17,190 --> 01:05:14,790

emails over the years about really

1490

01:05:20,820 --> 01:05:17,200

fascinating things and I hope that the

1491

01:05:22,860 --> 01:05:20,830

calls are of a similar breed but besides

1492

01:05:25,260 --> 01:05:22,870

that I got two more shows coming out to

1493

01:05:28,470 --> 01:05:25,270

you this month one return guest and one

1494

01:05:31,470 --> 01:05:28,480

brand-new one who is quite provocatively

1495

01:05:33,510 --> 01:05:31,480

far out there in his positions doesn't

1496

01:05:35,880 --> 01:05:33,520

mean he's right or wrong but he pushes

1497

01:05:38,990 --> 01:05:35,890

the proverbial envelope quite far and I

1498

01:05:41,540 --> 01:05:39,000

think you're going to dig it until then

1499

01:05:44,060 --> 01:05:41,550

done my part your move education

1500

01:05:47,900 --> 01:05:44,070

crafters skinner method sleaze balls and

1501

01:05:49,270 --> 01:05:47,910

Pavlovian people trainers your

1502

01:05:54,890 --> 01:05:49,280

move

1503

01:06:00,260 --> 01:05:54,900

have a drink enough smoke listen to the

1504

01:06:05,240 --> 01:06:00,270

cast shine a shiny spot light the

1505

01:06:10,820 --> 01:06:05,250

criminals on blast the pinstripe man of

1506

01:06:14,660 --> 01:06:10,830

morning and families of Finance do pawn

1507

01:06:19,400 --> 01:06:14,670

Windsor and Rothschild the kids don't

1508

01:06:22,310 --> 01:06:19,410

stand a chance the kids don't the kids

1509

01:06:26,240 --> 01:06:22,320

don't stand the kids don't stand a

1510

01:06:29,180 --> 01:06:26,250

chance I said the kids don't the kids

1511

01:06:34,520 --> 01:06:29,190

don't stand the kids don't stand a

1512

01:06:39,110 --> 01:06:34,530

chance we're looking for the answer to

1513

01:06:44,750 --> 01:06:39,120

questions never asked so we come to the

1514

01:06:49,400 --> 01:06:44,760

car wood for the higher side chat the

1515

01:06:54,160 --> 01:06:49,410

Pinstripe man of morning and families of

1516

01:06:58,820 --> 01:06:54,170

Finance do pawn Windsor and Rothschild

1517

01:07:02,270 --> 01:06:58,830

the kids don't stand a chance the kids

1518

01:07:05,690 --> 01:07:02,280

don't the kids don't stand the kids

1519

01:07:09,140 --> 01:07:05,700

don't stand a chance I said the kids

1520

01:07:10,460 --> 01:07:09,150

don't the kids don't stand the kids

1521

01:07:29,720 --> 01:07:10,470

don't stand

1522

01:07:34,400 --> 01:07:29,730

chance involved in shady business we try

1523

01:07:39,620 --> 01:07:34,410

to get a glance we're working on the

1524

01:07:44,240 --> 01:07:39,630

numbers resistance must advance the

1525

01:07:48,410 --> 01:07:44,250

pinstripe man of morning and families of

1526

01:07:53,660 --> 01:07:48,420

Finance DuPont Windsor and Rothschild

1527

01:07:57,109 --> 01:07:53,670

the kids don't stand a chance the kids

1528

01:08:00,530 --> 01:07:57,119

don't the kids don't stand the kids

1529

01:08:03,980 --> 01:08:00,540

don't stand a chance I said the kids

1530

01:08:08,780 --> 01:08:03,990

don't the kids don't stand the kids

1531

01:08:12,020 --> 01:08:08,790

don't stand a chance the kids don't the

1532

01:08:15,950 --> 01:08:12,030

kids don't stand the kids don't stand a

1533

01:08:18,890 --> 01:08:15,960

chance I said the kids don't the kids
