00:00:05,320 --> 00:00:02,790

[Music]

2
00:00:07,570 --> 00:00:05,330

congratulations YouTube you did it

3
00:00:10,509 --> 00:00:07,580

you wore me down and you sucked me back

4
00:00:13,270 --> 00:00:10,519

in I have too many subscribers here just

5
00:00:15,789 --> 00:00:13,280

to walk away entirely especially with no

6
00:00:18,009 --> 00:00:15,799

alternative that truly stacks up and so

7
00:00:21,399 --> 00:00:18,019

many copycat channels uploading my shows

8
00:00:24,579 --> 00:00:21,409

for me anyway but we can't forget the th

9
00:00:26,409 --> 00:00:24,589

C's account here is on thin ice and so

10
00:00:29,290 --> 00:00:26,419

the YouTube version of the show has to

11
00:00:32,200 --> 00:00:29,300

be prefaced with this little PSA only to

12
00:00:33,369 --> 00:00:32,210

say that episodes that contain the kinds

13
00:00:35,889 --> 00:00:33,379

of themes that have been regularly

14

00:00:38,709 --> 00:00:35,899

banned on YouTube will not appear here

15

00:00:40,660 --> 00:00:38,719

and even with that precaution there's

16

00:00:42,939 --> 00:00:40,670

already enough in the archive to get us

17

00:00:45,310 --> 00:00:42,949

removed so remember that the higher side

18

00:00:48,160 --> 00:00:45,320

chats could be banned or put in timeout

19

00:00:50,200 --> 00:00:48,170

again at any time and I won't be able to

20

00:00:52,000 --> 00:00:50,210

tell you guys about it so if you feel

21

00:00:53,500 --> 00:00:52,010

like it's been too long since you've

22

00:00:56,590 --> 00:00:53,510

heard from me here on this digital

23

00:00:59,410 --> 00:00:56,600

dystopian draconian data-mining monster

24

00:01:00,910 --> 00:00:59,420

of a police state seeking platform your

25

00:01:03,180 --> 00:01:00,920

first step should be to check the higher

26

00:01:11,499 --> 00:01:03,190

side chats calm for the latest shows

27

00:01:13,630 --> 00:01:11,509

alright alright enjoy happy July

28

00:01:15,370 --> 00:01:13,640

everybody you know I hate to waste your

29

00:01:17,289 --> 00:01:15,380

time with a news update but this is

30

00:01:19,209 --> 00:01:17,299

something I gotta tell you up front all

31

00:01:21,249 --> 00:01:19,219

this month to make sure everybody hears

32

00:01:23,770 --> 00:01:21,259

it and that is that on the fourth

33

00:01:27,219 --> 00:01:23,780

anniversary of the Plus system the start

34

00:01:29,980 --> 00:01:27,229

of August 2018 we are raising the cost

35

00:01:32,859 --> 00:01:29,990

of admission by a little bit to \$8 a

36

00:01:35,050 --> 00:01:32,869

month I wrote at length about the whys

37

00:01:37,179 --> 00:01:35,060

and the what's in the house and the THC

38

00:01:39,340 --> 00:01:37,189

newsletter which we're gonna call the

39

00:01:40,990 --> 00:01:39,350

higher side Herald from now on and I'm

40

00:01:43,209 --> 00:01:41,000

gonna be much more consistent with it

41

00:01:45,130 --> 00:01:43,219

now that it's got a proper name but read

42

00:01:47,560 --> 00:01:45,140

that on Facebook or Twitter if you

43

00:01:49,450 --> 00:01:47,570

really want to get into the details but

44

00:01:51,399 --> 00:01:49,460

here's what you need to know if you're a

45

00:01:53,139 --> 00:01:51,409

current plus member you don't have to do

46

00:01:54,310 --> 00:01:53,149

anything if you want to stay onboard the

47

00:01:56,889 --> 00:01:54,320

commercial-free and action-packed

48

00:01:58,719 --> 00:01:56,899

two-hour ride we got going on here but

49

00:02:01,599 --> 00:01:58,729

the price will be going up in August

50

00:02:03,459 --> 00:02:01,609

if you've prepaid for 6 or 12 months in

51
00:02:05,950 --> 00:02:03,469
advance that time is covered you're

52
00:02:07,749 --> 00:02:05,960
already in but the next time the system

53
00:02:10,210 --> 00:02:07,759
needs to charge you whatever level

54
00:02:12,460 --> 00:02:10,220
you're at it will charge you at that new

55
00:02:14,570 --> 00:02:12,470
rate it's a change I've been torturing

56
00:02:16,580 --> 00:02:14,580
myself over for a while and the plus

57
00:02:18,950 --> 00:02:16,590
members you have given me some responses

58
00:02:21,470 --> 00:02:18,960
have all been really understanding and I

59
00:02:23,510 --> 00:02:21,480
can sigh the sweet sigh of relief but

60
00:02:25,340 --> 00:02:23,520
I'm sure we'll lose some people too and

61
00:02:27,170 --> 00:02:25,350
I'm prepared for that but please make

62
00:02:29,630 --> 00:02:27,180
sure you click on my account from the

63
00:02:30,080 --> 00:02:29,640

plus menu bar and cancel before August

64

00:02:32,720 --> 00:02:30,090

1st

65

00:02:34,790 --> 00:02:32,730

if you must the rest of you first our

66

00:02:36,740 --> 00:02:34,800

only folks have a little more time to

67

00:02:38,990 --> 00:02:36,750

get in on the ground floor as they say

68

00:02:41,000 --> 00:02:39,000

but even at eight dollars I think we're

69

00:02:43,520 --> 00:02:41,010

still an alright deal when you consider

70

00:02:45,440 --> 00:02:43,530

what else is out there I hate to do it

71

00:02:47,300 --> 00:02:45,450

but even Amazon Prime has raised the

72

00:02:49,250 --> 00:02:47,310

price on me twice in the last few years

73

00:02:51,110 --> 00:02:49,260

and I think they have a lot more members

74

00:02:53,240 --> 00:02:51,120

than me and I'm not asking for a key to

75

00:02:55,760 --> 00:02:53,250

your front door we're still gonna have

76

00:02:57,770 --> 00:02:55,770

five top notch monthly treks into this

77

00:02:59,960 --> 00:02:57,780

weird and conspiratorial world with the

78

00:03:01,640 --> 00:02:59,970

best guests in the business but I'm also

79

00:03:04,370 --> 00:03:01,650

gonna sweeten the pot with a monthly

80

00:03:06,590 --> 00:03:04,380

video session of good times and open

81

00:03:08,630 --> 00:03:06,600

lines where I will sit by the phone for

82

00:03:12,080 --> 00:03:08,640

you dear people and we're gonna call

83

00:03:14,330 --> 00:03:12,090

them joint sessions clever right so

84

00:03:16,520 --> 00:03:14,340

that's the news and THC land I know I

85

00:03:18,470 --> 00:03:16,530

know say it ain't so but as the guy who

86

00:03:20,630 --> 00:03:18,480

actually depends on this thing we got

87

00:03:23,509 --> 00:03:20,640

going here nobody's more anxious and

88

00:03:25,190 --> 00:03:23,519

nervous about a big change than I am so

89

00:03:27,590 --> 00:03:25,200

thanks for all the support and for not

90

00:03:29,040 --> 00:03:27,600

biting my head off too much now let's do

91

00:03:36,730 --> 00:03:29,050

the damn thing

92

00:03:36,740 --> 00:03:45,290

[Music]

93

00:03:51,390 --> 00:03:48,600

the planets puppet-masters almost sure

94

00:03:54,140 --> 00:03:51,400

you have a plan it's clearly maybe

95

00:03:57,000 --> 00:03:54,150

something there beyond the realm of man

96

00:04:00,180 --> 00:03:57,010

till we've thoroughly tested every last

97

00:04:02,720 --> 00:04:00,190

close just if you find the more you

98

00:04:05,040 --> 00:04:02,730

think you know much you really do

99

00:04:08,880 --> 00:04:05,050

[Music]

100

00:04:16,000 --> 00:04:12,070

we know the lying to us just don't know

101
00:04:17,259 --> 00:04:16,010
what to green where would we be without

102
00:04:22,840 --> 00:04:17,269
this

103
00:04:32,290 --> 00:04:25,050
okay car wouldn't come

104
00:04:38,060 --> 00:04:35,900
all right higher side shatters whether

105
00:04:40,460 --> 00:04:38,070
its imperial expansion on the global

106
00:04:42,170 --> 00:04:40,470
chessboard the media's fake outrage over

107
00:04:44,150 --> 00:04:42,180
the latest chemical weapons attack

108
00:04:46,280 --> 00:04:44,160
claims the death of high-profile

109
00:04:48,620 --> 00:04:46,290
celebrities are nearly any other story

110
00:04:50,510 --> 00:04:48,630
of importance we know the sagas cooked

111
00:04:53,210 --> 00:04:50,520
up for public consumption are always

112
00:04:55,340 --> 00:04:53,220
missing some major ingredients because

113
00:04:57,620 --> 00:04:55,350

the oily appendages of the nefarious few

114

00:04:59,360 --> 00:04:57,630

are nearly everywhere and after decades

115

00:05:01,520 --> 00:04:59,370

of shoveling into the propaganda

116

00:05:03,560 --> 00:05:01,530

pipeline that feeds straight into the

117

00:05:06,530 --> 00:05:03,570

living room boob tube we must examine

118

00:05:08,780 --> 00:05:06,540

every angle of everything and resist the

119

00:05:10,490 --> 00:05:08,790

temptations to take our facts and latest

120

00:05:13,010 --> 00:05:10,500

arguments from the big machine itself

121

00:05:15,230 --> 00:05:13,020

well ever since the pizza gate dust-up

122

00:05:16,820 --> 00:05:15,240

pedophilia among the master class and

123

00:05:18,230 --> 00:05:16,830

child trafficking networks throughout

124

00:05:19,670 --> 00:05:18,240

the world have bubbled up to the

125

00:05:22,250 --> 00:05:19,680

forefront of our collective

126

00:05:24,320 --> 00:05:22,260

consciousness and of course the darkest

127

00:05:26,900 --> 00:05:24,330

of dark secrets can't be the subtext for

128

00:05:28,850 --> 00:05:26,910

every story but we are finding a lot of

129

00:05:30,920 --> 00:05:28,860

threads cut in the same cloth and many

130

00:05:32,900 --> 00:05:30,930

roads that do lead back to some sort of

131

00:05:35,330 --> 00:05:32,910

turmoil related to these entrenched

132

00:05:38,030 --> 00:05:35,340

powers and their highest crimes that for

133

00:05:39,230 --> 00:05:38,040

the longest time seemed untouchable so

134

00:05:41,030 --> 00:05:39,240

today we're going to talk about a lot of

135

00:05:43,160 --> 00:05:41,040

things but chief among them is an

136

00:05:44,990 --> 00:05:43,170

exploration of recent high-profile

137

00:05:47,120 --> 00:05:45,000

suicides and the argument that these

138

00:05:48,980 --> 00:05:47,130

were calculated killings carried out by

139

00:05:51,170 --> 00:05:48,990

those who wish to keep their boat from

140

00:05:52,940 --> 00:05:51,180

being rocked and here to help lay out

141

00:05:55,640 --> 00:05:52,950

the breadcrumbs as the hellraiser have

142

00:05:57,680 --> 00:05:55,650

read it himself mag Norris 7 we had a

143

00:05:59,480 --> 00:05:57,690

mere almost exactly a year ago to break

144

00:06:01,460 --> 00:05:59,490

down the Rothschild family and the

145

00:06:03,380 --> 00:06:01,470

details behind their carving up of

146

00:06:05,990 --> 00:06:03,390

Africa and how several African countries

147

00:06:08,330 --> 00:06:06,000

really only exist to keep their oil and

148

00:06:10,910 --> 00:06:08,340

diamond trade secure and to keep local

149

00:06:13,460 --> 00:06:10,920

people properly suppressed of course it

150

00:06:16,430 --> 00:06:13,470

was one of my favorite shows of 2017

151
00:06:18,740 --> 00:06:16,440
which covered Zimbabwe Chad Botswana and

152
00:06:20,690 --> 00:06:18,750
more and what we will get deeper into

153
00:06:23,090 --> 00:06:20,700
that study and what mr. Magna has

154
00:06:24,800 --> 00:06:23,100
uncovered in the latest year he's also

155
00:06:26,660 --> 00:06:24,810
turned his sleuthing skills to that

156
00:06:29,270 --> 00:06:26,670
string of deaths involving Anthony

157
00:06:31,430 --> 00:06:29,280
Bourdain Kate Spade Avicii and the Dutch

158
00:06:33,410 --> 00:06:31,440
Queen sister and I'm super psyched to

159
00:06:35,800 --> 00:06:33,420
get into it the regulatory capture

160
00:06:37,970 --> 00:06:35,810
professor of read it the diamond Empire

161
00:06:40,190 --> 00:06:37,980
Deconstructor and now the celebrity

162
00:06:42,420 --> 00:06:40,200
death detective mag Norris Evan my good

163
00:06:44,730 --> 00:06:42,430

man welcome back to the

164

00:06:46,860 --> 00:06:44,740

hey Greg glad to be here man that was

165

00:06:48,600 --> 00:06:46,870

quite an intro nice lead-in there so

166

00:06:50,820 --> 00:06:48,610

let's jump right into it man let's talk

167

00:06:52,590 --> 00:06:50,830

about these suicides absolutely

168

00:06:55,409 --> 00:06:52,600

absolutely I'm really looking forward to

169

00:06:58,170 --> 00:06:55,419

it that last episode was really popular

170

00:07:00,000 --> 00:06:58,180

you covered some lesser-known history

171

00:07:01,950 --> 00:07:00,010

that was super important and now

172

00:07:04,110 --> 00:07:01,960

recently I saw some of your posts

173

00:07:06,270 --> 00:07:04,120

questioning this latest string of

174

00:07:09,270 --> 00:07:06,280

suicides and I think it really is a

175

00:07:11,370 --> 00:07:09,280

perfect reason to have you back I did do

176

00:07:13,980 --> 00:07:11,380

a recent show with Jordan Saylor where

177

00:07:16,409 --> 00:07:13,990

we had a segment about these deaths but

178

00:07:18,900 --> 00:07:16,419

this should be way more detailed and

179

00:07:20,700 --> 00:07:18,910

there are a few added elements now that

180

00:07:23,040 --> 00:07:20,710

we didn't have then in the case of

181

00:07:25,260 --> 00:07:23,050

Anthony Bourdain all the claims were

182

00:07:27,090 --> 00:07:25,270

that he was stepping out of line and

183

00:07:29,700 --> 00:07:27,100

being way too critical of the Clintons

184

00:07:31,590 --> 00:07:29,710

and Harvey Weinstein and really pushing

185

00:07:34,200 --> 00:07:31,600

the envelope on what you can say well

186

00:07:36,750 --> 00:07:34,210

sure enough 48 hours before recording

187

00:07:39,480 --> 00:07:36,760

this his last interview is actually

188

00:07:41,850 --> 00:07:39,490

released and it's full of exactly this

189

00:07:43,409 --> 00:07:41,860

type of content so add it to the pile of

190

00:07:46,110 --> 00:07:43,419

curious elements that will make this

191

00:07:48,210 --> 00:07:46,120

worth exploring and of course not

192

00:07:50,310 --> 00:07:48,220

everything is a conspiracy but there is

193

00:07:51,990 --> 00:07:50,320

definitely enough here to be skeptical

194

00:07:54,540 --> 00:07:52,000

of the official story wouldn't you say

195

00:07:56,400 --> 00:07:54,550

yeah that's definitely right you know

196

00:07:57,960 --> 00:07:56,410

not every single one of these is a lock

197

00:07:59,940 --> 00:07:57,970

and load this is definitely a murder

198

00:08:02,029 --> 00:07:59,950

type of scenario there's definitely

199

00:08:03,960 --> 00:08:02,039

enough red flags that there should be

200

00:08:06,480 --> 00:08:03,970

investigations looking into these things

201
00:08:08,850 --> 00:08:06,490
and some of these people were ruled as

202
00:08:11,070 --> 00:08:08,860
suicides within hours by investigators

203
00:08:12,540 --> 00:08:11,080
despite all these motivated parties that

204
00:08:15,450 --> 00:08:12,550
might be interested in taking them out

205
00:08:17,550 --> 00:08:15,460
and I'd like to discuss those red flags

206
00:08:20,189 --> 00:08:17,560
here and I think we can build an

207
00:08:22,589 --> 00:08:20,199
interesting case perhaps solid let's do

208
00:08:24,810 --> 00:08:22,599
it so I think a lot of people know the

209
00:08:26,580 --> 00:08:24,820
names and what has happened but I guess

210
00:08:28,950 --> 00:08:26,590
give us a bit of an overview of the

211
00:08:29,820 --> 00:08:28,960
several suicides we did have in a short

212
00:08:32,070 --> 00:08:29,830
period of time

213
00:08:35,130 --> 00:08:32,080

right the big cluster that people

214

00:08:36,899 --> 00:08:35,140

remember was Kate Spade died on June 5th

215

00:08:39,930 --> 00:08:36,909

then two days later the Dutch Queen

216

00:08:42,060 --> 00:08:39,940

sister died on June 7th and then Anthony

217

00:08:44,250 --> 00:08:42,070

Bourdain died on June 8th so it's a

218

00:08:46,860 --> 00:08:44,260

three very high-profile people that all

219

00:08:49,620 --> 00:08:46,870

died by hanging and they died by hanging

220

00:08:52,140 --> 00:08:49,630

from their doorknobs with rope made from

221

00:08:54,120 --> 00:08:52,150

material found in their hotel or their

222

00:08:56,130 --> 00:08:54,130

house so very kind of crudely

223

00:08:58,350 --> 00:08:56,140

constructed Nace's hung from

224

00:09:00,870 --> 00:08:58,360

door knobs so that's kind of an odd

225

00:09:04,980 --> 00:09:00,880

situation and then two months prior of

226

00:09:07,080 --> 00:09:04,990

Ichi a musician he died at 28 so those

227

00:09:08,970 --> 00:09:07,090

four were kind of together it seemed

228

00:09:11,130 --> 00:09:08,980

like but the three within three days of

229

00:09:14,310 --> 00:09:11,140

each other all dying by the same method

230

00:09:16,290 --> 00:09:14,320

is very questionable yeah you got to

231

00:09:17,730 --> 00:09:16,300

wonder about that so if we're gonna dig

232

00:09:20,070 --> 00:09:17,740

deeper into Anthony Bourdain

233

00:09:22,350 --> 00:09:20,080

specifically I will say that on the

234

00:09:24,810 --> 00:09:22,360

surface level I was a big fan of his

235

00:09:26,790 --> 00:09:24,820

shows and podcast appearances over the

236

00:09:29,190 --> 00:09:26,800

years but obviously we've learned over

237

00:09:31,320 --> 00:09:29,200

time that a lot of people who become

238

00:09:34,560 --> 00:09:31,330

these household celebrity names are not

239

00:09:37,230 --> 00:09:34,570

random and are often sold to us as these

240

00:09:39,620 --> 00:09:37,240

rags to riches stories this was greatly

241

00:09:41,910 --> 00:09:39,630

exposed in the 60s musical

242

00:09:43,800 --> 00:09:41,920

counterculture where there were way too

243

00:09:45,780 --> 00:09:43,810

many rock stars that seemed to be the

244

00:09:48,510 --> 00:09:45,790

kids of people in military intelligence

245

00:09:50,940 --> 00:09:48,520

and that still goes on it's a big factor

246

00:09:53,010 --> 00:09:50,950

with Tom belong to actually but I

247

00:09:54,510 --> 00:09:53,020

mentioned the rags to riches thing

248

00:09:57,030 --> 00:09:54,520

because we have this with Anthony

249

00:09:58,410 --> 00:09:57,040

Bourdain too we're told he was bouncing

250

00:10:01,320 --> 00:09:58,420

around working in these kitchens

251

00:10:03,060 --> 00:10:01,330

partying extra hard wrote a book it

252

00:10:05,910 --> 00:10:03,070

randomly went viral in the rest is

253

00:10:08,490 --> 00:10:05,920

history well no that is not true at all

254

00:10:10,530 --> 00:10:08,500

his father was actually an executive at

255

00:10:12,720 --> 00:10:10,540

Columbia Records and his mom was an

256

00:10:14,940 --> 00:10:12,730

editor at the New York Times and if you

257

00:10:17,160 --> 00:10:14,950

didn't know his book was actually an

258

00:10:19,410 --> 00:10:17,170

expansion on what was first just an

259

00:10:20,940 --> 00:10:19,420

article he wrote his mother called over

260

00:10:23,280 --> 00:10:20,950

to the New Yorker and said hey print

261

00:10:25,380 --> 00:10:23,290

this they printed it put him on the

262

00:10:27,840 --> 00:10:25,390

cover and then he wrote a New York Times

263

00:10:30,090 --> 00:10:27,850

bestseller when his mom is an editor of

264

00:10:32,190 --> 00:10:30,100

the New York Times so well let it be

265

00:10:34,260 --> 00:10:32,200

known that he's pretty connected from

266

00:10:35,640 --> 00:10:34,270

the start yeah he seems like a guy who

267

00:10:37,560 --> 00:10:35,650

was in the right place at the right time

268

00:10:39,570 --> 00:10:37,570

and he definitely has interesting things

269

00:10:41,280 --> 00:10:39,580

to say I was starting to become a fan

270

00:10:43,290 --> 00:10:41,290

too I just actually gotten introduced to

271

00:10:47,160 --> 00:10:43,300

him about a month before his suicide

272

00:10:48,780 --> 00:10:47,170

happened hmm so it was on set it that's

273

00:10:50,940 --> 00:10:48,790

a reddit replacement we're building set

274

00:10:52,620 --> 00:10:50,950

at dotnet someone built Anthony Bourdain

275

00:10:54,360 --> 00:10:52,630

sub and they'd started placing all these

276

00:10:57,060 --> 00:10:54,370

Anthony Bourdain videos and so I kind of

277

00:10:59,730 --> 00:10:57,070

got hooked into it I started watching no

278

00:11:00,960 --> 00:10:59,740

reservations in show you know I started

279

00:11:02,310 --> 00:11:00,970

to get really into it as a real

280

00:11:04,830 --> 00:11:02,320

interesting guy with a lot of things to

281

00:11:06,900 --> 00:11:04,840

say but it's not surprising to me that

282

00:11:08,280 --> 00:11:06,910

it's always someone with connections

283

00:11:09,630 --> 00:11:08,290

that's able to rise through the media

284

00:11:10,920 --> 00:11:09,640

ranks the

285

00:11:12,990 --> 00:11:10,930

honestly it doesn't really take that

286

00:11:14,880 --> 00:11:13,000

special of a person to be a celebrity

287

00:11:16,830 --> 00:11:14,890

it just takes someone who's a little

288

00:11:19,230 --> 00:11:16,840

more charismatic than normal but then

289

00:11:20,580 --> 00:11:19,240

also given this platform and elevated

290

00:11:22,260 --> 00:11:20,590

that's where a lot of the celebrity

291

00:11:24,720 --> 00:11:22,270

comes from it's just the availability of

292

00:11:26,940 --> 00:11:24,730

the platform you know it's like Anderson

293

00:11:29,490 --> 00:11:26,950

Cooper is this really high ranked

294

00:11:31,650 --> 00:11:29,500

reporter and he worked for the CIA and

295

00:11:34,380 --> 00:11:31,660

like he said there's just so many like

296

00:11:36,210 --> 00:11:34,390

Frank Zappa even whom I loved his dad

297

00:11:38,430 --> 00:11:36,220

worked for the CIA and that's partly why

298

00:11:40,590 --> 00:11:38,440

he knew all the things that he knew even

299

00:11:42,750 --> 00:11:40,600

though he was just a musician there's a

300

00:11:46,290 --> 00:11:42,760

lot of interesting connections like that

301
00:11:48,510 --> 00:11:46,300
so yeah Anthony Bourdain had the number

302
00:11:50,550 --> 00:11:48,520
one show on the number-four Network

303
00:11:53,760 --> 00:11:50,560
which is CNN so it was like CNN's

304
00:11:55,320 --> 00:11:53,770
flagship show the whole CNN Network kind

305
00:11:57,960 --> 00:11:55,330
of was depending on Bourdain and his

306
00:11:59,940 --> 00:11:57,970
show to bringing viewers this guy had a

307
00:12:02,220 --> 00:11:59,950
lot of reach so if he wanted to say

308
00:12:04,560 --> 00:12:02,230
something controversial you could

309
00:12:06,450 --> 00:12:04,570
guarantee there'd be tens of millions of

310
00:12:09,930 --> 00:12:06,460
people if not more listening all around

311
00:12:12,180 --> 00:12:09,940
the world so this guy had huge reach so

312
00:12:14,310 --> 00:12:12,190
on this particular episode they were

313
00:12:16,950 --> 00:12:14,320

shooting for our reservations that are

314

00:12:19,920 --> 00:12:16,960

in Paris and he was travelling with his

315

00:12:22,500 --> 00:12:19,930

film crew and also his best friend they

316

00:12:24,390 --> 00:12:22,510

were staying at a hotel in Paris I mean

317

00:12:26,340 --> 00:12:24,400

this is Anthony Bourdain this is a guy

318

00:12:29,010 --> 00:12:26,350

who knows his way around depression

319

00:12:31,710 --> 00:12:29,020

knows his way around suicide you know

320

00:12:33,570 --> 00:12:31,720

this guy if you read his book or listen

321

00:12:37,080 --> 00:12:33,580

to him talk about his life he's been in

322

00:12:38,880 --> 00:12:37,090

some really bad spots in his life and he

323

00:12:40,620 --> 00:12:38,890

has learned how to work his way out of

324

00:12:42,480 --> 00:12:40,630

it you know he's been addicted to heroin

325

00:12:44,430 --> 00:12:42,490

he said he's he's been addicted to

326

00:12:46,680 --> 00:12:44,440

sounds like pretty much every drug Under

327

00:12:47,760 --> 00:12:46,690

the Sun at some point and then he said

328

00:12:50,160 --> 00:12:47,770

he's gone through all these bouts of

329

00:12:51,840 --> 00:12:50,170

depression but now he said he's turned

330

00:12:53,130 --> 00:12:51,850

to leave him lost you know 10 years or

331

00:12:55,050 --> 00:12:53,140

so because he has an 11 year old

332

00:12:57,300 --> 00:12:55,060

daughter and he says that he's

333

00:12:58,890 --> 00:12:57,310

discovered a joy of living that he

334

00:13:00,330 --> 00:12:58,900

didn't know before it wasn't kind of a

335

00:13:03,060 --> 00:13:00,340

manic joy it was just a deep

336

00:13:05,130 --> 00:13:03,070

satisfaction with life and another

337

00:13:08,220 --> 00:13:05,140

interview he also said if he was going

338

00:13:10,590 --> 00:13:08,230

to kill himself he'd OD on heroin that's

339

00:13:13,020 --> 00:13:10,600

what he said is the feeling of heroin

340

00:13:15,060 --> 00:13:13,030

he'd says is so euphoric that it was

341

00:13:16,830 --> 00:13:15,070

super hard to wean himself off of it but

342

00:13:20,490 --> 00:13:16,840

if he was going to die that would be how

343

00:13:23,130 --> 00:13:20,500

he would do it so if he wanted to kill

344

00:13:23,639 --> 00:13:23,140

himself if it was an emotional impulsive

345

00:13:27,269 --> 00:13:23,649

thing

346

00:13:29,519 --> 00:13:27,279

then maybe it would make more sense but

347

00:13:31,920 --> 00:13:29,529

I guess let's dig into this a little

348

00:13:36,420 --> 00:13:31,930

more about reasons why people might not

349

00:13:39,239 --> 00:13:36,430

like him so he was dating this girl Asia

350

00:13:41,340 --> 00:13:39,249

Argento and she was one of the first

351
00:13:43,169 --> 00:13:41,350
people to accuse Harvey Weinstein of

352
00:13:45,059 --> 00:13:43,179
rape so that's a pretty big deal one of

353
00:13:47,129 --> 00:13:45,069
the very first accusers and that would

354
00:13:49,319 --> 00:13:47,139
tell this me to stuff and it's been this

355
00:13:52,169 --> 00:13:49,329
explosive explosive topic in the media

356
00:13:55,350 --> 00:13:52,179
right so it's very possible his death

357
00:13:57,150 --> 00:13:55,360
could be a cover up to talk about the

358
00:14:00,269 --> 00:13:57,160
Weinsteins me to because he was

359
00:14:02,429 --> 00:14:00,279
extremely vocal about the me to subject

360
00:14:05,790 --> 00:14:02,439
as well as being vocal against Weinstein

361
00:14:08,669 --> 00:14:05,800
also right before Bourdain died his girl

362
00:14:11,220 --> 00:14:08,679
Asia she was at the Cannes Film Festival

363
00:14:13,710 --> 00:14:11,230

and she gave this speech where she said

364

00:14:15,869 --> 00:14:13,720

Harvey Weinstein assaulted me right here

365

00:14:17,939 --> 00:14:15,879

in this room and there are others among

366

00:14:20,429 --> 00:14:17,949

you in the crowd that know you're guilty

367

00:14:23,309 --> 00:14:20,439

also and we're gonna get to you and

368

00:14:26,460 --> 00:14:23,319

we're gonna expose you as well and so

369

00:14:28,980 --> 00:14:26,470

this isn't just about a guy who's

370

00:14:31,590 --> 00:14:28,990

already being dragged through the media

371

00:14:34,009 --> 00:14:31,600

this is about a culture in Hollywood

372

00:14:37,199 --> 00:14:34,019

that there are more people involved and

373

00:14:38,939 --> 00:14:37,209

when you raise awareness that you're

374

00:14:41,579 --> 00:14:38,949

going to start going after more people

375

00:14:43,319 --> 00:14:41,589

well now there's potential that they're

376

00:14:44,579 --> 00:14:43,329

gonna come after you as well so it is an

377

00:14:46,530 --> 00:14:44,589

interesting detail that she gave that

378

00:14:48,239 --> 00:14:46,540

speech you can look it up on YouTube and

379

00:14:50,910 --> 00:14:48,249

it's pretty aggressive

380

00:14:52,650 --> 00:14:50,920

I mean think back 10 years ago you would

381

00:14:54,869 --> 00:14:52,660

not expect to hear something like this

382

00:14:56,869 --> 00:14:54,879

and then sure enough the love of her

383

00:15:00,780 --> 00:14:56,879

life is dead I mean you gotta at least

384

00:15:02,249 --> 00:15:00,790

consider these threads as well yeah and

385

00:15:03,960 --> 00:15:02,259

I mean you want to hear dress it just

386

00:15:05,759 --> 00:15:03,970

wait so we talked about the board to an

387

00:15:08,189 --> 00:15:05,769

interview that just came out I mean he

388

00:15:10,410 --> 00:15:08,199

does not hold back yes we'll get to that

389

00:15:13,619 --> 00:15:10,420

in a second here there's a lot of talk

390

00:15:16,139 --> 00:15:13,629

he's a CIA asset given his rise to CNN

391

00:15:18,539 --> 00:15:16,149

and basically at the top of CNN which is

392

00:15:20,249 --> 00:15:18,549

the number for network and if anybody's

393

00:15:22,139 --> 00:15:20,259

studying a project Mockingbird or

394

00:15:23,999 --> 00:15:22,149

anything like that the CIA has a very

395

00:15:26,639 --> 00:15:24,009

well-defined mission to try and control

396

00:15:27,869 --> 00:15:26,649

the messaging of the media and they have

397

00:15:30,210 --> 00:15:27,879

all these strong connections with all

398

00:15:31,949 --> 00:15:30,220

these media companies those are fairly

399

00:15:34,139 --> 00:15:31,959

well documented things so would not be

400

00:15:37,260 --> 00:15:34,149

surprising at all to see that Bourdain

401
00:15:39,540 --> 00:15:37,270
was the CIA asset on some degree yeah

402
00:15:42,450 --> 00:15:39,550
not at all and especially the New York

403
00:15:44,280 --> 00:15:42,460
Times and CNN specifically are like the

404
00:15:47,520 --> 00:15:44,290
top two candidates when you're talking

405
00:15:50,100 --> 00:15:47,530
about CIA infiltrated networks what's

406
00:15:52,470 --> 00:15:50,110
interesting too is since you know this

407
00:15:55,020 --> 00:15:52,480
might be tied to its sex trafficking is

408
00:15:57,300 --> 00:15:55,030
that right as Bourdain was dying there

409
00:15:59,430 --> 00:15:57,310
was a hundred and sixty children were

410
00:16:03,330 --> 00:15:59,440
found and released from a pedophile ring

411
00:16:06,750 --> 00:16:03,340
in Atlanta Georgia the FBI found 160

412
00:16:09,660 --> 00:16:06,760
children locked in a basically for this

413
00:16:12,180 --> 00:16:09,670

pedo ring and CNN is in Atlanta Georgia

414

00:16:15,030 --> 00:16:12,190

in that same city and they basically

415

00:16:16,620 --> 00:16:15,040

didn't cover this at all there just

416

00:16:19,410 --> 00:16:16,630

seems extremely weird to me because if

417

00:16:21,540 --> 00:16:19,420

you had 160 children found in a sex

418

00:16:23,190 --> 00:16:21,550

slavery ring like in Africa for like

419

00:16:25,200 --> 00:16:23,200

Boko Haram or something it would be

420

00:16:26,760 --> 00:16:25,210

front-page news it would be like oh my

421

00:16:29,940 --> 00:16:26,770

god we found these children we saved

422

00:16:31,950 --> 00:16:29,950

them from sex slavery but because it

423

00:16:34,020 --> 00:16:31,960

happened in Atlanta it had this weird

424

00:16:35,760 --> 00:16:34,030

kind of brushed under the rug approach

425

00:16:37,710 --> 00:16:35,770

to it which I found extremely unsettling

426

00:16:41,100 --> 00:16:37,720

but this is on the same network that

427

00:16:43,080 --> 00:16:41,110

ordains Network CNN and I don't know if

428

00:16:46,230 --> 00:16:43,090

that's completely connected but it shows

429

00:16:47,250 --> 00:16:46,240

an interesting approach and then yeah

430

00:16:50,190 --> 00:16:47,260

like we were talking about Bourdain

431

00:16:53,130 --> 00:16:50,200

really hated Weinstein he was very vocal

432

00:16:54,660 --> 00:16:53,140

on Twitter and hoping for Harvey

433

00:16:56,220 --> 00:16:54,670

Weinstein not only to be in prison but

434

00:16:58,470 --> 00:16:56,230

to be injured I mean this guy was not

435

00:17:01,020 --> 00:16:58,480

splitting hairs about how much he hated

436

00:17:02,910 --> 00:17:01,030

Harvey Weinstein especially because he's

437

00:17:04,470 --> 00:17:02,920

dating his Asia Argento who accused

438

00:17:07,980 --> 00:17:04,480

Harvey Weinstein of rape so this whole

439

00:17:09,720 --> 00:17:07,990

Me 2 episode became a big push for him

440

00:17:12,030 --> 00:17:09,730

and this is just in the last few months

441

00:17:13,530 --> 00:17:12,040

as well before he died and there's a

442

00:17:15,120 --> 00:17:13,540

couple other reasons people might want

443

00:17:16,770 --> 00:17:15,130

him gone I mean he did a video about the

444

00:17:19,350 --> 00:17:16,780

Armenian Genocide where he traveled

445

00:17:21,600 --> 00:17:19,360

between Armenia and Azerbaijan and the

446

00:17:24,030 --> 00:17:21,610

CIA does not like people talking about

447

00:17:26,670 --> 00:17:24,040

that and neither does Armenia and

448

00:17:29,250 --> 00:17:26,680

neither does Turkey it was a very

449

00:17:31,860 --> 00:17:29,260

controversial thing so he's been pushing

450

00:17:33,870 --> 00:17:31,870

a lot of big buttons lately and pushing

451

00:17:35,520 --> 00:17:33,880

things in a lot of interesting ways so

452

00:17:36,900 --> 00:17:35,530

that's no surprise as people who wanted

453

00:17:38,640 --> 00:17:36,910

him gone

454

00:17:41,100 --> 00:17:38,650

I think there was a perception he was

455

00:17:44,310 --> 00:17:41,110

becoming a loose cannon even if he was

456

00:17:45,900 --> 00:17:44,320

like a CIA asset right he could become

457

00:17:48,150 --> 00:17:45,910

such at least cannon that they decide

458

00:17:50,250 --> 00:17:48,160

they need to change how they relate to

459

00:17:52,020 --> 00:17:50,260

him or get rid of them if they can't

460

00:17:53,580 --> 00:17:52,030

tell him the silence and this is a guy

461

00:17:55,920 --> 00:17:53,590

that it would be very difficult to

462

00:17:58,020 --> 00:17:55,930

silence I think someone who definitely

463

00:18:00,210 --> 00:17:58,030

speaks his mind and then on top of that

464

00:18:01,770 --> 00:18:00,220

he uses a racially Jewish non-religious

465

00:18:04,110 --> 00:18:01,780

person who was very outspoken about

466

00:18:05,880 --> 00:18:04,120

Palestine he won at MPAC

467

00:18:08,190 --> 00:18:05,890

Media Award and during his acceptance

468

00:18:09,900 --> 00:18:08,200

speech he said the world has visited

469

00:18:10,290 --> 00:18:09,910

many terrible things on the Palestinian

470

00:18:12,240 --> 00:18:10,300

people

471

00:18:15,120 --> 00:18:12,250

none of them more shameful than robbing

472

00:18:17,040 --> 00:18:15,130

them of their basic humanity so you can

473

00:18:18,450 --> 00:18:17,050

imagine a lot of the Zionists and the

474

00:18:20,550 --> 00:18:18,460

power structure of Hollywood

475

00:18:23,550 --> 00:18:20,560

probably weren't too keen on these types

476
00:18:26,100 --> 00:18:23,560
of statements so I don't think anyone by

477
00:18:27,870 --> 00:18:26,110
itself was bad enough but it seems like

478
00:18:30,870 --> 00:18:27,880
maybe the combination of them was or

479
00:18:34,770 --> 00:18:30,880
perhaps it was just solely this Clinton

480
00:18:37,650 --> 00:18:34,780
issue I would that Weinstein issue yeah

481
00:18:39,840 --> 00:18:37,660
it's kind of crazy man it's like JFK he

482
00:18:41,940 --> 00:18:39,850
was ruffling so many feathers and so

483
00:18:45,150 --> 00:18:41,950
many segments and so many different

484
00:18:46,860 --> 00:18:45,160
sectors that it's hard to isolate the

485
00:18:48,750 --> 00:18:46,870
cause but you got Zionists you got

486
00:18:52,640 --> 00:18:48,760
pedophile Network she got Hollywood

487
00:18:54,990 --> 00:18:52,650
oligarchs right you got CNN in the CIA

488
00:18:57,180 --> 00:18:55,000

military-industrial complex I mean

489

00:18:58,470 --> 00:18:57,190

you've got Mossad that you've got a mice

490

00:19:00,210 --> 00:18:58,480

I mean there's all these intelligent

491

00:19:02,130 --> 00:19:00,220

agencies everywhere in different

492

00:19:03,690 --> 00:19:02,140

countries that don't like the things

493

00:19:06,090 --> 00:19:03,700

he's saying I mean yeah he was stepping

494

00:19:07,950 --> 00:19:06,100

on a lot of toes so it's hard to narrow

495

00:19:09,870 --> 00:19:07,960

it down exactly yeah

496

00:19:13,620 --> 00:19:09,880

offending any one of these groups is

497

00:19:14,850 --> 00:19:13,630

enough to cause someone to unexpectedly

498

00:19:16,170 --> 00:19:14,860

commit suicide

499

00:19:18,090 --> 00:19:16,180

yeah and especially with how

500

00:19:19,800 --> 00:19:18,100

high-profile he is I mean he can put out

501
00:19:22,410 --> 00:19:19,810
episode and you know tens of millions of

502
00:19:23,910 --> 00:19:22,420
people see it it's an audience to that's

503
00:19:25,950 --> 00:19:23,920
there to learn about traveling the world

504
00:19:27,810 --> 00:19:25,960
and you know it's not like he's writes

505
00:19:29,580 --> 00:19:27,820
all this hard-hitting stuff all the time

506
00:19:32,010 --> 00:19:29,590
it's more kind of an incidental thing so

507
00:19:34,020 --> 00:19:32,020
he's able to reach groups of people that

508
00:19:35,910 --> 00:19:34,030
may not pay attention to politics

509
00:19:37,950 --> 00:19:35,920
otherwise so he might be able to speak

510
00:19:40,530 --> 00:19:37,960
to a whole different demographic than

511
00:19:43,020 --> 00:19:40,540
news would target for example so that

512
00:19:45,150 --> 00:19:43,030
gives him even more power in the media

513
00:19:45,600 --> 00:19:45,160

so I can see why people would want him

514

00:19:47,790 --> 00:19:45,610

gone

515

00:19:49,380 --> 00:19:47,800

so anyways there's some interesting

516

00:19:50,190 --> 00:19:49,390

things that happen on the days

517

00:19:52,980 --> 00:19:50,200

surrounding

518

00:19:55,770 --> 00:19:52,990

his death so Asia Argento was seen

519

00:19:57,480 --> 00:19:55,780

wearing a seditious shirt that had

520

00:19:59,970 --> 00:19:57,490

you written on it with the middle finger

521

00:20:03,300 --> 00:19:59,980

as an Instagram pic and then below it it

522

00:20:05,130 --> 00:20:03,310

had written you know who you are so she

523

00:20:06,690 --> 00:20:05,140

was telling someone you and it's

524

00:20:08,880 --> 00:20:06,700

not clear whether that was aimed towards

525

00:20:11,820 --> 00:20:08,890

Bourdain or towards people who were

526
00:20:13,860 --> 00:20:11,830
harassing Bourdain or the Weinstein

527
00:20:15,960 --> 00:20:13,870
stuff it's not completely clear what

528
00:20:19,860 --> 00:20:15,970
that's for but that was posted and later

529
00:20:22,020 --> 00:20:19,870
deleted then later while we're Dana's in

530
00:20:25,860 --> 00:20:22,030
Paris shooting this episode Asia Argento

531
00:20:28,080 --> 00:20:25,870
was in Italy and paparazzi in Italy

532
00:20:31,290 --> 00:20:28,090
spotted her holding hands basically with

533
00:20:32,970 --> 00:20:31,300
this younger guy who's a model and the

534
00:20:34,620 --> 00:20:32,980
two of them were walking around the town

535
00:20:37,020 --> 00:20:34,630
holding hands and stuff and these

536
00:20:39,990 --> 00:20:37,030
pictures got posted online so there is

537
00:20:41,760 --> 00:20:40,000
the possibility that Anthony saw these

538
00:20:43,500 --> 00:20:41,770

pictures this is kind of the mainstream

539

00:20:46,260 --> 00:20:43,510

story that he saw these pictures online

540

00:20:48,480 --> 00:20:46,270

of Asia cheating on him and he was so

541

00:20:50,130 --> 00:20:48,490

distraught that he killed himself so

542

00:20:52,860 --> 00:20:50,140

that's what I've heard the mainstream

543

00:20:55,170 --> 00:20:52,870

story is but the pictures were taken

544

00:20:56,970 --> 00:20:55,180

four to five days before his death so

545

00:20:59,130 --> 00:20:56,980

it's possible it's looking 45 days to

546

00:21:00,720 --> 00:20:59,140

discover the pictures or they weren't

547

00:21:03,780 --> 00:21:00,730

immediately posted online or something

548

00:21:05,310 --> 00:21:03,790

like that but it seems like maybe he

549

00:21:07,800 --> 00:21:05,320

would have had access those pictures for

550

00:21:10,110 --> 00:21:07,810

a few days and then the evening before

551

00:21:11,970 --> 00:21:10,120

he skipped dinner apparently so he

552

00:21:13,830 --> 00:21:11,980

didn't show up to dinner and then when

553

00:21:15,900 --> 00:21:13,840

he didn't arrive for breakfast the next

554

00:21:18,540 --> 00:21:15,910

day the receptionist went to his room

555

00:21:20,270 --> 00:21:18,550

and found his body so now there's a lot

556

00:21:23,610 --> 00:21:20,280

of people saying that Bourdain and Asia

557

00:21:25,800 --> 00:21:23,620

were in an open relationship so Asia

558

00:21:27,600 --> 00:21:25,810

wasn't actually cheating on him in which

559

00:21:29,250 --> 00:21:27,610

case he would not have been distraught

560

00:21:30,870 --> 00:21:29,260

it would have been an understood thing

561

00:21:33,780 --> 00:21:30,880

between them that they're in an open

562

00:21:36,600 --> 00:21:33,790

relationship but it seems there's some

563

00:21:39,630 --> 00:21:36,610

people saying that Bourdain didn't know

564

00:21:41,310 --> 00:21:39,640

it was an open relationship so only Asia

565

00:21:42,540 --> 00:21:41,320

was under that impression which means

566

00:21:45,150 --> 00:21:42,550

you know it's not truly open

567

00:21:46,650 --> 00:21:45,160

relationship that's agreed upon so it's

568

00:21:47,730 --> 00:21:46,660

not clear whether they actually were an

569

00:21:49,770 --> 00:21:47,740

open relationship

570

00:21:53,400 --> 00:21:49,780

or whether that's just a story now to

571

00:21:55,080 --> 00:21:53,410

protect Asia so she clearly was kind of

572

00:21:57,570 --> 00:21:55,090

playing the field a little bit while he

573

00:22:00,180 --> 00:21:57,580

was in Paris so well I think those open

574

00:22:02,190 --> 00:22:00,190

relationships are way more common than

575

00:22:03,539 --> 00:22:02,200

people realize especially in those

576

00:22:07,080 --> 00:22:03,549

circles I mean age

577

00:22:09,779 --> 00:22:07,090

his dad was also like a famous director

578

00:22:12,049 --> 00:22:09,789

from Italy he's kind of like Italy's

579

00:22:17,100 --> 00:22:12,059

Alfred Hitchcock he used to work in

580

00:22:19,139 --> 00:22:17,110

horror genres and sexploitation genres I

581

00:22:21,269 --> 00:22:19,149

don't know it just seems to go hand in

582

00:22:23,639 --> 00:22:21,279

hand with that whole crowd you really

583

00:22:25,799 --> 00:22:23,649

just can't be a monogamous celebrity it

584

00:22:28,409 --> 00:22:25,809

seems so I mean really not even

585

00:22:30,119 --> 00:22:28,419

surprised by those threads but I do

586

00:22:33,479 --> 00:22:30,129

think it's kind of something that people

587

00:22:36,989 --> 00:22:33,489

are trying to glob on to this suicide to

588

00:22:39,629 --> 00:22:36,999

kind of justify it in some way when you

589

00:22:41,519 --> 00:22:39,639

know that's probably a cover story yeah

590

00:22:43,320 --> 00:22:41,529

it seems that way and there's some

591

00:22:45,690 --> 00:22:43,330

evidence that this open relationship

592

00:22:49,919 --> 00:22:45,700

narrative is coming from Rose who is an

593

00:22:51,359 --> 00:22:49,929

associate of Asia and Bourdain and we'll

594

00:22:53,129 --> 00:22:51,369

talk about Rose a little more here in a

595

00:22:56,039 --> 00:22:53,139

second because he mentions Rose in that

596

00:22:58,470 --> 00:22:56,049

interview that just came out so what's

597

00:23:00,539 --> 00:22:58,480

interesting about after he died no foul

598

00:23:02,249 --> 00:23:00,549

play was suspected so despite all these

599

00:23:04,859 --> 00:23:02,259

motivations we just talked about all

600

00:23:07,590 --> 00:23:04,869

these people he's pissed off they

601
00:23:09,539 --> 00:23:07,600
immediately ruled no foul play to me

602
00:23:13,109 --> 00:23:09,549
this is a guy who's got lots of people

603
00:23:15,450 --> 00:23:13,119
who want him silence that to me alone is

604
00:23:17,729 --> 00:23:15,460
enough to warrant an investigation that

605
00:23:21,539 --> 00:23:17,739
lasts longer than a day or two you know

606
00:23:24,629 --> 00:23:21,549
and then interestingly his body no foul

607
00:23:26,190 --> 00:23:24,639
play suspected the French prosecutor so

608
00:23:28,499 --> 00:23:26,200
there was no evidence his death was

609
00:23:30,479 --> 00:23:28,509
anything but a suicide so they cremated

610
00:23:33,210 --> 00:23:30,489
in five days after he died he was

611
00:23:36,629 --> 00:23:33,220
cremated in Paris which seems rather

612
00:23:38,879 --> 00:23:36,639
quick and the toxicology report revealed

613
00:23:43,350 --> 00:23:38,889

no narcotics in his body he wasn't drunk

614

00:23:44,880 --> 00:23:43,360

he wasn't on anything he just died

615

00:23:46,440 --> 00:23:44,890

another angle I've heard is it's

616

00:23:49,170 --> 00:23:46,450

possible he died via auto-erotic

617

00:23:50,580 --> 00:23:49,180

asphyxiation doing that just for

618

00:23:51,060 --> 00:23:50,590

pleasure for himself and I got out of

619

00:23:55,980 --> 00:23:51,070

control

620

00:23:58,620 --> 00:23:55,990

himself to death which is possible I

621

00:24:01,890 --> 00:23:58,630

suppose but this is a guy that's 61

622

00:24:03,780 --> 00:24:01,900

years old who just potentially broke up

623

00:24:05,910 --> 00:24:03,790

with someone that he really cares deeply

624

00:24:08,100 --> 00:24:05,920

for with plenty of experience in

625

00:24:10,530 --> 00:24:08,110

auto-erotic asphyxiation I mean this guy

626
00:24:13,350 --> 00:24:10,540
knows how to do it he's not screwing up

627
00:24:14,840 --> 00:24:13,360
yeah I yeah it just doesn't make sense

628
00:24:16,850 --> 00:24:14,850
to me

629
00:24:17,930 --> 00:24:16,860
and the hanging from a doorknob think -

630
00:24:19,640 --> 00:24:17,940
I mean that's just weird

631
00:24:21,110 --> 00:24:19,650
I mean if you're gonna try and kill

632
00:24:23,210 --> 00:24:21,120
yourself you would hang from a high

633
00:24:25,130 --> 00:24:23,220
place so that your feet don't touch the

634
00:24:27,020 --> 00:24:25,140
ground because once you start to

635
00:24:30,020 --> 00:24:27,030
actually expects EA Tour body does

636
00:24:31,640 --> 00:24:30,030
everything in its power to stop that it

637
00:24:33,860 --> 00:24:31,650
becomes like a reflex to stop yourself

638
00:24:35,780 --> 00:24:33,870

from choking I mean it's definitely

639

00:24:37,160 --> 00:24:35,790

possible as opposed but it seems like if

640

00:24:41,030 --> 00:24:37,170

you were to hang yourself from a

641

00:24:43,460 --> 00:24:41,040

doorknob you would at some point freak

642

00:24:45,860 --> 00:24:43,470

out and stand up and take the noose off

643

00:24:47,360 --> 00:24:45,870

I mean it unless you had it so tight

644

00:24:49,670 --> 00:24:47,370

that you couldn't undo it or something

645

00:24:52,130 --> 00:24:49,680

as an accident it just seems like a

646

00:24:54,200 --> 00:24:52,140

really rough way to go I mean the proper

647

00:24:55,520 --> 00:24:54,210

hang like if you're hanged by the state

648

00:24:57,860 --> 00:24:55,530

or something like a hundred years ago

649

00:25:01,100 --> 00:24:57,870

they have the gallows and you drop like

650

00:25:03,290 --> 00:25:01,110

seven feet when the noose catches the

651
00:25:05,030 --> 00:25:03,300
bottom that breaks your neck and it's

652
00:25:07,640 --> 00:25:05,040
the breaking of your neck that kills you

653
00:25:08,570 --> 00:25:07,650
and that's a proper hanging that's how

654
00:25:10,370 --> 00:25:08,580
it's supposed to work

655
00:25:12,110 --> 00:25:10,380
the person should be dead in like 20

656
00:25:13,490 --> 00:25:12,120
seconds but instead what all these

657
00:25:16,040 --> 00:25:13,500
people did is they died by asphyxiation

658
00:25:18,170 --> 00:25:16,050
they done by choking so they basically

659
00:25:20,450 --> 00:25:18,180
just cut off their airway and then just

660
00:25:24,230 --> 00:25:20,460
didn't have oxygen until they died which

661
00:25:26,240 --> 00:25:24,240
can take five to 10 minutes so it just

662
00:25:28,010 --> 00:25:26,250
seems crazy to me that these very

663
00:25:29,300 --> 00:25:28,020

powerful people that have lots of money

664

00:25:31,040 --> 00:25:29,310

and connections that could kill

665

00:25:35,020 --> 00:25:31,050

themselves anyway they wanted if they

666

00:25:38,150 --> 00:25:35,030

wanted to choose this incredibly slow

667

00:25:41,210 --> 00:25:38,160

painful method doesn't make a lot of

668

00:25:44,120 --> 00:25:41,220

sense to pain I agree it seems like code

669

00:25:48,290 --> 00:25:44,130

almost yeah it does seem like code and

670

00:25:50,510 --> 00:25:48,300

there's a CIA officer actually agent

671

00:25:52,760 --> 00:25:50,520

steel as ex-cia officer I don't know the

672

00:25:54,680 --> 00:25:52,770

first name buddies Robert David steel

673

00:25:56,780 --> 00:25:54,690

previous guests of mine actually oh

674

00:25:58,970 --> 00:25:56,790

really okay I think that's his name

675

00:26:01,160 --> 00:25:58,980

he said the circumstances of the death

676
00:26:02,990 --> 00:26:01,170
have a significant symbolic yet hidden

677
00:26:05,030 --> 00:26:03,000
meaning that intelligence agencies

678
00:26:07,280 --> 00:26:05,040
recognize and says hung on doorknobs

679
00:26:10,070 --> 00:26:07,290
means choked for speaking out against

680
00:26:12,680 --> 00:26:10,080
the Cabal so I don't know if that's true

681
00:26:15,110 --> 00:26:12,690
but that's an interesting theory and I

682
00:26:17,300 --> 00:26:15,120
mean we were just talking about Bourdain

683
00:26:20,000 --> 00:26:17,310
but there's like 10 or 15 of these

684
00:26:22,460 --> 00:26:20,010
celebrity suicides that are hanging from

685
00:26:26,180 --> 00:26:22,470
doorknobs I mean it's very specific and

686
00:26:28,080 --> 00:26:26,190
odd uh-huh and you know if you wanted to

687
00:26:31,019 --> 00:26:28,090
murder someone and make it look like

688
00:26:32,850 --> 00:26:31,029

suicide hanging is a very good way to do

689

00:26:34,110 --> 00:26:32,860

that because you can strangulate someone

690

00:26:36,210 --> 00:26:34,120

and then just put a noose around their

691

00:26:38,760 --> 00:26:36,220

neck hang it to a doorknob and then said

692

00:26:40,140 --> 00:26:38,770

they hang themselves and then any trauma

693

00:26:42,659 --> 00:26:40,150

around the neck they'll just a tribute

694

00:26:44,519 --> 00:26:42,669

to the noose you know or you could even

695

00:26:45,840 --> 00:26:44,529

just choke them with the noose and then

696

00:26:47,850 --> 00:26:45,850

just when you're done hang it on the

697

00:26:50,730 --> 00:26:47,860

doorknob you know it's not like a tough

698

00:26:52,080 --> 00:26:50,740

if you're gonna fake a suicide I mean

699

00:26:54,510 --> 00:26:52,090

that would be the way to do it pretty

700

00:26:56,220 --> 00:26:54,520

much mm-hmm so that's another piece of

701
00:27:00,120 --> 00:26:56,230
evidence that makes all this pretty

702
00:27:02,940 --> 00:27:00,130
suspicious I agree and I guess let's get

703
00:27:05,700 --> 00:27:02,950
into that interview that came out after

704
00:27:08,519 --> 00:27:05,710
his death because I do think it's pretty

705
00:27:10,710 --> 00:27:08,529
telling right yeah let's look at that so

706
00:27:13,380 --> 00:27:10,720
I'm gonna read a couple snippets from

707
00:27:15,389 --> 00:27:13,390
that so the interview asked him how do

708
00:27:17,730 --> 00:27:15,399
you feel about Clinton and Bourdain said

709
00:27:20,370 --> 00:27:17,740
look after my ill-advised hemlock

710
00:27:22,049 --> 00:27:20,380
comment to TMZ which is referencing they

711
00:27:23,340 --> 00:27:22,059
asked him what would you serve Donald

712
00:27:24,870 --> 00:27:23,350
Trump if you could serve him any meal

713
00:27:26,850 --> 00:27:24,880

and he said I'd serve him hemlock which

714

00:27:29,010 --> 00:27:26,860

is poison and it was just kind of a

715

00:27:30,720 --> 00:27:29,020

tongue-in-cheek thing but he's a look

716

00:27:32,580 --> 00:27:30,730

after my ill-advised hemlock comment to

717

00:27:34,230 --> 00:27:32,590

TMZ I found myself you know with

718

00:27:36,810 --> 00:27:34,240

hundreds if not thousands of death

719

00:27:39,090 --> 00:27:36,820

threats and maggot rolls and Russian

720

00:27:41,850 --> 00:27:39,100

trolls and anonymous posts and letters

721

00:27:44,370 --> 00:27:41,860

to me my ex-wife and to everyone in my

722

00:27:47,220 --> 00:27:44,380

life and I ended up being interviewed by

723

00:27:50,250 --> 00:27:47,230

the secret police who were very nice so

724

00:27:52,139 --> 00:27:50,260

he made that hemlock comment and secret

725

00:27:54,840 --> 00:27:52,149

police show up he gets death threats and

726

00:27:56,430 --> 00:27:54,850

that's for him criticizing Trump that's

727

00:27:58,080 --> 00:27:56,440

not even the whole Weinstein thing

728

00:27:59,430 --> 00:27:58,090

that's like a whole separate that's the

729

00:28:01,399 --> 00:27:59,440

opposite side of the political spectrum

730

00:28:05,490 --> 00:28:01,409

so he's getting blasted from both sides

731

00:28:07,110 --> 00:28:05,500

which is tough to endure so he said then

732

00:28:09,360 --> 00:28:07,120

I was really disappointed with the

733

00:28:11,430 --> 00:28:09,370

statement that Clinton made but even

734

00:28:13,139 --> 00:28:11,440

expressing that the way my comment was

735

00:28:14,820 --> 00:28:13,149

turned very neatly suddenly I was an

736

00:28:17,460 --> 00:28:14,830

expressing disappointment and Clinton's

737

00:28:19,320 --> 00:28:17,470

statement I was blaming her for Harvey

738

00:28:21,210 --> 00:28:19,330

Weinstein's crimes the way that turned

739

00:28:23,399 --> 00:28:21,220

very nice it was a good bit of artistry

740

00:28:24,779 --> 00:28:23,409

and deeply frightening to me and really

741

00:28:26,399 --> 00:28:24,789

really and the interview says it's

742

00:28:28,590 --> 00:28:26,409

dangerous to be as famous as you are

743

00:28:29,940 --> 00:28:28,600

really dangerous where and says you know

744

00:28:30,480 --> 00:28:29,950

suddenly we're talking about something

745

00:28:33,450 --> 00:28:30,490

else

746

00:28:35,190 --> 00:28:33,460

and it wasn't good for me that is

747

00:28:37,560 --> 00:28:35,200

telling to me that's like I was

748

00:28:39,810 --> 00:28:37,570

criticizing Weinstein but that got

749

00:28:41,460 --> 00:28:39,820

turned into a criticizing Clinton

750

00:28:42,000 --> 00:28:41,470

because she didn't come out strongly

751

00:28:44,010 --> 00:28:42,010

enough again

752

00:28:45,210 --> 00:28:44,020

the wine scene stuff so now people are

753

00:28:47,570 --> 00:28:45,220

coming after me because they're saying

754

00:28:50,310 --> 00:28:47,580

I'm not being nice to Clinton basically

755

00:28:53,370 --> 00:28:50,320

and he says that wasn't good for him

756

00:28:54,660 --> 00:28:53,380

which is extremely big and odd so the

757

00:28:56,580 --> 00:28:54,670

interviewer says there's an opportunity

758

00:28:57,450 --> 00:28:56,590

in twisting what you say for people who

759

00:28:59,330 --> 00:28:57,460

have an agenda

760

00:29:01,290 --> 00:28:59,340

Bourdain says I learned a lesson

761

00:29:03,570 --> 00:29:01,300

interviewer says you're a source of

762

00:29:05,790 --> 00:29:03,580

value you're a valuable target a signer

763

00:29:07,890 --> 00:29:05,800

of attention it's not normal

764

00:29:11,730 --> 00:29:07,900

Bourdain says I got slapped down hard

765

00:29:14,040 --> 00:29:11,740

and it was a chastening experience so he

766

00:29:17,010 --> 00:29:14,050

you know he's run into some things that

767

00:29:20,100 --> 00:29:17,020

after speaking out he's on their radar

768

00:29:23,130 --> 00:29:20,110

and do you know much more about this

769

00:29:24,810 --> 00:29:23,140

interview or interviewer themselves

770

00:29:27,360 --> 00:29:24,820

because from what I understand he

771

00:29:30,000 --> 00:29:27,370

granted this interview to someone that

772

00:29:32,900 --> 00:29:30,010

was starting a new media company so

773

00:29:36,240 --> 00:29:32,910

these are already pretty probing and

774

00:29:37,800 --> 00:29:36,250

sensitive questions to be asking yeah

775

00:29:39,900 --> 00:29:37,810

and it was gonna launch on this new

776

00:29:42,330 --> 00:29:39,910

platform do you know much about how he

777

00:29:44,040 --> 00:29:42,340

would be connected to this interviewer

778

00:29:46,740 --> 00:29:44,050

or what's going on with this new

779

00:29:48,840 --> 00:29:46,750

platform that's a good question I don't

780

00:29:50,700 --> 00:29:48,850

know the connection but I did check out

781

00:29:53,310 --> 00:29:50,710

their website and it's I think it's an

782

00:29:54,990 --> 00:29:53,320

Italian person who does these interviews

783

00:29:57,090 --> 00:29:55,000

and yeah they set up their own website

784

00:29:59,460 --> 00:29:57,100

and they're got their own little media

785

00:30:00,990 --> 00:29:59,470

company and they were the ones to get

786

00:30:02,160 --> 00:30:01,000

this interview apparently but yeah I

787

00:30:04,920 --> 00:30:02,170

don't know how they secured the

788

00:30:07,170 --> 00:30:04,930

interview that's a good question hmm it

789

00:30:09,360 --> 00:30:07,180

would be interesting to know well right

790

00:30:11,640 --> 00:30:09,370

on I mean yeah something to check out

791

00:30:13,980 --> 00:30:11,650

obviously there's some connection this

792

00:30:17,210 --> 00:30:13,990

person has to have some type of reach to

793

00:30:19,590 --> 00:30:17,220

get a celebrity at Bourdain's level and

794

00:30:20,970 --> 00:30:19,600

someone who would even be willing to go

795

00:30:23,220 --> 00:30:20,980

into these kind of things I mean

796

00:30:24,960 --> 00:30:23,230

obviously most interviews at this level

797

00:30:27,480 --> 00:30:24,970

are pre-arranged you know what kind of

798

00:30:30,120 --> 00:30:27,490

questions are coming you've chosen to

799

00:30:33,360 --> 00:30:30,130

talk about this stuff instead of food or

800

00:30:35,010 --> 00:30:33,370

travel great kind of curious but sure go

801
00:30:37,740 --> 00:30:35,020
on there are definitely a few more

802
00:30:39,240 --> 00:30:37,750
things to note about this interview yes

803
00:30:41,370 --> 00:30:39,250
so in the later part of the interview he

804
00:30:43,200 --> 00:30:41,380
talks about hidden forces so that

805
00:30:44,810 --> 00:30:43,210
interviewer asks about hidden forces and

806
00:30:47,280 --> 00:30:44,820
Bourdain says there are forces out there

807
00:30:49,740 --> 00:30:47,290
we're really powerful and scary

808
00:30:51,000 --> 00:30:49,750
I had dinner with Rose McGowan that's

809
00:30:52,830 --> 00:30:51,010
his friend Rose you mentioned earlier

810
00:30:54,600 --> 00:30:52,840
and Rose is telling me you know these

811
00:30:55,460 --> 00:30:54,610
people are spying on me these people are

812
00:30:57,200 --> 00:30:55,470
saying they're my

813
00:30:59,299 --> 00:30:57,210

and they're not my friends in fact

814

00:31:01,190 --> 00:30:59,309

they're paid intelligence operatives and

815

00:31:02,690 --> 00:31:01,200

I remember thinking look I support you

816

00:31:04,129 --> 00:31:02,700

all the way but in the back of my head

817

00:31:06,169 --> 00:31:04,139

I'm thinking I don't know I'm not so

818

00:31:08,450 --> 00:31:06,179

sure about this then a minute later this

819

00:31:10,279 --> 00:31:08,460

nightmarish thing happens interviewer

820

00:31:12,379 --> 00:31:10,289

says it's true you know I discovered the

821

00:31:14,060 --> 00:31:12,389

Gawker trial in Saint Petersburg we had

822

00:31:16,340 --> 00:31:14,070

no clue that Peter Thiel is paying for

823

00:31:18,409 --> 00:31:16,350

that we're a million journalists

824

00:31:19,970 --> 00:31:18,419

they're all this Hulk Hogan nonsense we

825

00:31:21,889 --> 00:31:19,980

did not know what we were looking at I

826

00:31:24,289 --> 00:31:21,899

assume that's talking about some I got

827

00:31:26,269 --> 00:31:24,299

special media privileges by paying for

828

00:31:28,669 --> 00:31:26,279

it and the rest of the media was

829

00:31:30,860 --> 00:31:28,679

basically locked out well not realizing

830

00:31:32,419 --> 00:31:30,870

them and then Bourdain says I've come to

831

00:31:34,369 --> 00:31:32,429

understand traveling the world I see

832

00:31:36,409 --> 00:31:34,379

good people crush randomly under the

833

00:31:38,600 --> 00:31:36,419

wheel or buy bad things all the time as

834

00:31:40,070 --> 00:31:38,610

I see it happen to friends not to be too

835

00:31:42,740 --> 00:31:40,080

paranoid but I think they're doing a

836

00:31:45,440 --> 00:31:42,750

very effective job on rows I don't know

837

00:31:47,600 --> 00:31:45,450

when the truth is enough anymore hmm so

838

00:31:50,749 --> 00:31:47,610

he san I think they're doing a very

839

00:31:52,700 --> 00:31:50,759

effective job on rows talking about the

840

00:31:54,590 --> 00:31:52,710

intelligence agencies in these media PR

841

00:31:56,480 --> 00:31:54,600

companies managed eros and trying to

842

00:31:58,930 --> 00:31:56,490

gather intelligence to manipulate her I

843

00:32:02,539 --> 00:31:58,940

mean that is creepy

844

00:32:04,759 --> 00:32:02,549

then later Bourdain says again it goes

845

00:32:06,560 --> 00:32:04,769

back to that 60s thing I just want to

846

00:32:08,480 --> 00:32:06,570

survive I don't need to be number

847

00:32:11,029 --> 00:32:08,490

one I don't need to beat the out

848

00:32:12,710 --> 00:32:11,039

anybody I don't need to be ahead I just

849

00:32:14,480 --> 00:32:12,720

want to still be here at the end of the

850

00:32:17,720 --> 00:32:14,490

day doing what I'm doing without

851
00:32:20,240 --> 00:32:17,730
anybody hassling me so I mean Bourdain

852
00:32:23,450 --> 00:32:20,250
is a guy he says some provocative things

853
00:32:26,869 --> 00:32:23,460
but he's not out to fight a war he's

854
00:32:28,850 --> 00:32:26,879
just there to say the truth and didn't

855
00:32:31,009 --> 00:32:28,860
want hassle for it but it obviously got

856
00:32:32,990 --> 00:32:31,019
a lot of hassle for it and then later

857
00:32:35,499 --> 00:32:33,000
there's a tweet from ordained on his

858
00:32:39,080 --> 00:32:35,509
Twitter that says there's a nauseating

859
00:32:42,680 --> 00:32:39,090
symmetry both Trump and Weinstein is a

860
00:32:45,350 --> 00:32:42,690
mi Renta sees Enquirer and black cube is

861
00:32:47,779 --> 00:32:45,360
an Israeli private Intel to do their

862
00:32:51,080 --> 00:32:47,789
dirty work so have you heard about black

863
00:32:53,659 --> 00:32:51,090

cube before I've heard of black cube

864

00:32:57,110 --> 00:32:53,669

symbolism in terms of the Brotherhood of

865

00:32:59,060 --> 00:32:57,120

Saturn and the cross actually being a

866

00:33:00,980 --> 00:32:59,070

folded out cube and that this is the

867

00:33:03,680 --> 00:33:00,990

secret that all the Jews are worshipping

868

00:33:06,320 --> 00:33:03,690

the black cube or something and then the

869

00:33:07,639 --> 00:33:06,330

black even Mecca also that all the must

870

00:33:10,130 --> 00:33:07,649

circle around when they go on their

871

00:33:13,940 --> 00:33:10,140

pilgrimage right right so there's this

872

00:33:16,490 --> 00:33:13,950

company now this Israeli PR firm called

873

00:33:18,380 --> 00:33:16,500

black cube and they marked themselves as

874

00:33:20,360 --> 00:33:18,390

a group of X members of Israeli

875

00:33:22,490 --> 00:33:20,370

intelligence units helping specialise in

876

00:33:24,649 --> 00:33:22,500

business and litigation challenges to

877

00:33:27,470 --> 00:33:24,659

help stop the publication of abusive

878

00:33:31,210 --> 00:33:27,480

allegations against certain actors and

879

00:33:33,259 --> 00:33:31,220

media people so they're ex-mossad

880

00:33:36,769 --> 00:33:33,269

basically who probably still have very

881

00:33:40,070 --> 00:33:36,779

strong Mossad connections who shut down

882

00:33:42,169 --> 00:33:40,080

media stories they don't want so people

883

00:33:45,500 --> 00:33:42,179

come to them say like Barbra Streisand

884

00:33:47,240 --> 00:33:45,510

effect I want this shut down they go

885

00:33:49,759 --> 00:33:47,250

through the internet they go through TV

886

00:33:51,139 --> 00:33:49,769

media and they work to make sure the

887

00:33:54,649 --> 00:33:51,149

story doesn't get out

888

00:33:57,379 --> 00:33:54,659

so Weinstein was using black cube to try

889

00:33:59,539 --> 00:33:57,389

and manage this whole Weinstein scandal

890

00:34:01,490 --> 00:33:59,549

and then I started digging a little into

891

00:34:04,129 --> 00:34:01,500

the black cube company and it is quite a

892

00:34:05,840 --> 00:34:04,139

company so one account in The New York

893

00:34:07,370 --> 00:34:05,850

courier describes two private

894

00:34:09,500 --> 00:34:07,380

investigators from black keep using

895

00:34:11,060 --> 00:34:09,510

false identities meeting with the

896

00:34:13,399 --> 00:34:11,070

actress Rose McGowan to extract

897

00:34:15,200 --> 00:34:13,409

information from her my cublas also

898

00:34:17,270 --> 00:34:15,210

vibrating with Mossad like we said

899

00:34:19,700 --> 00:34:17,280

a lot of them are ex-mossad which is it

900

00:34:21,020 --> 00:34:19,710

Israeli equivalent to the CIA they were

901
00:34:23,270 --> 00:34:21,030
caught spying on the Obama

902
00:34:25,339 --> 00:34:23,280
administration so this is a

903
00:34:27,950 --> 00:34:25,349
non-governmental agency that's

904
00:34:29,570 --> 00:34:27,960
supposedly doing PR for celebrities that

905
00:34:32,419 --> 00:34:29,580
is actually spying on the Obama

906
00:34:34,010 --> 00:34:32,429
administration and they were also not

907
00:34:36,859 --> 00:34:34,020
even spying but they were sending out

908
00:34:39,230 --> 00:34:36,869
fake emails to people in the US

909
00:34:40,609 --> 00:34:39,240
government to try and and in the Iranian

910
00:34:42,710 --> 00:34:40,619
government to try and undermine the

911
00:34:44,450 --> 00:34:42,720
Iranian nuclear deal because they do not

912
00:34:45,829 --> 00:34:44,460
want the Iranian nuclear deal to go

913
00:34:49,040 --> 00:34:45,839

through because that would mean peace

914

00:34:50,450 --> 00:34:49,050

and peace is bad for Israel's territory

915

00:34:52,820 --> 00:34:50,460

conquests basically because they have

916

00:34:54,200 --> 00:34:52,830

the military upper hand these peace

917

00:34:56,839 --> 00:34:54,210

trees keep falling through and

918

00:34:58,730 --> 00:34:56,849

apparently that's no accident so

919

00:35:01,640 --> 00:34:58,740

companies like black cube were working

920

00:35:04,970 --> 00:35:01,650

to do the bidding of the highest bidder

921

00:35:06,740 --> 00:35:04,980

basically and then also the documents

922

00:35:09,859 --> 00:35:06,750

show the black cube compiled detailed

923

00:35:12,320 --> 00:35:09,869

background profiles of many people and

924

00:35:13,880 --> 00:35:12,330

putting their addresses their family and

925

00:35:16,490 --> 00:35:13,890

members are the makes and model their

926

00:35:19,339 --> 00:35:16,500

cars I mean they build a catalogue on

927

00:35:20,089 --> 00:35:19,349

their targets and then once they do that

928

00:35:21,920 --> 00:35:20,099

they're instruct

929

00:35:24,589 --> 00:35:21,930

to find damaging information about these

930

00:35:26,690 --> 00:35:24,599

people including unsubstantiated claims

931

00:35:29,089 --> 00:35:26,700

that seem like they might be true for

932

00:35:30,380 --> 00:35:29,099

instance roads and call our two people

933

00:35:32,930 --> 00:35:30,390

worked on there running a nuclear deal

934

00:35:34,370 --> 00:35:32,940

and they put out false information that

935

00:35:37,039 --> 00:35:34,380

those people worked with Iranian

936

00:35:39,079 --> 00:35:37,049

lobbyists in secret so they're trying to

937

00:35:41,390 --> 00:35:39,089

make it look like the Iranian nuclear

938

00:35:43,789 --> 00:35:41,400

deal is a collusion thing when perhaps

939

00:35:45,620 --> 00:35:43,799

it wasn't they're trying to spin things

940

00:35:48,529 --> 00:35:45,630

to make it look worse than they are so

941

00:35:50,150 --> 00:35:48,539

it fails this is black cube so this is

942

00:35:52,779 --> 00:35:50,160

the company that Weinstein hired to

943

00:35:55,729 --> 00:35:52,789

silence people like Anthony Bourdain I

944

00:35:57,380 --> 00:35:55,739

can't say like black cube killed Anthony

945

00:36:00,079 --> 00:35:57,390

Bourdain I think that's way too strong

946

00:36:02,150 --> 00:36:00,089

with a statement but I would not be

947

00:36:03,799 --> 00:36:02,160

surprised if black cube hired the

948

00:36:05,690 --> 00:36:03,809

company that hired the company that

949

00:36:07,849 --> 00:36:05,700

killed Bourdain or something along those

950

00:36:09,559 --> 00:36:07,859

lines or it could be completely

951
00:36:11,870 --> 00:36:09,569
unrelated to black cube and it could be

952
00:36:13,069 --> 00:36:11,880
a separate thing with different people

953
00:36:15,349 --> 00:36:13,079
he pissed off because like we said he

954
00:36:17,630 --> 00:36:15,359
pissed off so many people that it's hard

955
00:36:20,960 --> 00:36:17,640
to narrow down like who exactly would be

956
00:36:22,999 --> 00:36:20,970
the most motivated right and another

957
00:36:25,430 --> 00:36:23,009
thing I was gonna say is if any of the

958
00:36:26,719 --> 00:36:25,440
listeners listen to the Chilean podcast

959
00:36:28,969 --> 00:36:26,729
of course he talks about Anthony

960
00:36:31,269 --> 00:36:28,979
Bourdain a lot they seem to be friendly

961
00:36:34,339 --> 00:36:31,279
I don't know how close they are but

962
00:36:36,859 --> 00:36:34,349
someone on Rogen's podcast brought up

963
00:36:38,690 --> 00:36:36,869

the conspiracies around Bourdain's death

964

00:36:41,029 --> 00:36:38,700

and he was like no no no I shut that

965

00:36:43,849 --> 00:36:41,039

down right away and then they pull up

966

00:36:45,319 --> 00:36:43,859

some of Bourdain's tweets and he has one

967

00:36:48,079 --> 00:36:45,329

where he says something to the effect

968

00:36:50,209 --> 00:36:48,089

that he was recently on the receiving

969

00:36:53,239 --> 00:36:50,219

end of Clinton's operatives and it was

970

00:36:54,799 --> 00:36:53,249

not fun yeah and Rogan read that on the

971

00:36:58,039 --> 00:36:54,809

air and then just kind of stopped was

972

00:36:59,239 --> 00:36:58,049

like huh that's a weird thing to say I I

973

00:37:01,519 --> 00:36:59,249

don't know what to make of that but

974

00:37:04,209 --> 00:37:01,529

these claims are still ridiculous and

975

00:37:06,469 --> 00:37:04,219

sure you can't leap from that to

976
00:37:09,019 --> 00:37:06,479
assassination there are other questions

977
00:37:11,299 --> 00:37:09,029
that would have as a person playing

978
00:37:13,969 --> 00:37:11,309
devil's advocate like why is Rose

979
00:37:16,849 --> 00:37:13,979
McGowan still alive like why are certain

980
00:37:19,009 --> 00:37:16,859
people who are more influential in this

981
00:37:21,499 --> 00:37:19,019
Weinstein investigation still kicking

982
00:37:24,289 --> 00:37:21,509
and he isn't and we don't have those

983
00:37:27,680 --> 00:37:24,299
answers but in terms of building a case

984
00:37:29,209 --> 00:37:27,690
for something fishy going on I mean I

985
00:37:31,370 --> 00:37:29,219
think a lot of these threads that you've

986
00:37:33,140 --> 00:37:31,380
pointed out are worth considering I mean

987
00:37:33,599 --> 00:37:33,150
we're not professional investigators why

988
00:37:36,630 --> 00:37:33,609

are

989

00:37:39,059 --> 00:37:36,640

professional investigators not open to

990

00:37:41,910 --> 00:37:39,069

these threads I think they are

991

00:37:44,700 --> 00:37:41,920

definitely worth putting on the pile

992

00:37:46,890 --> 00:37:44,710

yeah there's just so many weird things

993

00:37:48,180 --> 00:37:46,900

that in the amount of time they decided

994

00:37:50,309 --> 00:37:48,190

that there was nothing worth

995

00:37:53,759 --> 00:37:50,319

investigating I mean it was bizarre to

996

00:37:56,339 --> 00:37:53,769

me honestly agreed so let's switch gears

997

00:37:58,229 --> 00:37:56,349

and talk about Kate Spade I honestly

998

00:37:59,759 --> 00:37:58,239

thought it was a little silly when

999

00:38:02,130 --> 00:37:59,769

people started saying there was a

1000

00:38:04,079 --> 00:38:02,140

conspiracy here but then I thought about

1001

00:38:05,370 --> 00:38:04,089

the clothing industry most of the

1002

00:38:07,549 --> 00:38:05,380

products are made in third-world

1003

00:38:10,259 --> 00:38:07,559

countries she has a worldwide

1004

00:38:13,410 --> 00:38:10,269

distribution network these things are

1005

00:38:15,299 --> 00:38:13,420

worth considering yeah but I also found

1006

00:38:18,269 --> 00:38:15,309

some curious things about her beginnings

1007

00:38:20,400 --> 00:38:18,279

not so much with her family but when she

1008

00:38:23,279 --> 00:38:20,410

launched her first products the symbols

1009

00:38:25,890 --> 00:38:23,289

on them were owls and devil tales which

1010

00:38:27,870 --> 00:38:25,900

is curious but also after only being in

1011

00:38:31,589 --> 00:38:27,880

business for three years Neiman Marcus

1012

00:38:34,559 --> 00:38:31,599

bought 53% of the company for 33 million

1013

00:38:36,930 --> 00:38:34,569

dollars well was it really worth 33

1014

00:38:38,759 --> 00:38:36,940

million or is this a signal that she was

1015

00:38:40,829 --> 00:38:38,769

in the club or that some prominent

1016

00:38:43,200 --> 00:38:40,839

freemason was throwing a bone to someone

1017

00:38:46,529 --> 00:38:43,210

lower on the ladder and I don't know but

1018

00:38:48,690 --> 00:38:46,539

you know tie this you scratch my back

1019

00:38:50,670 --> 00:38:48,700

I'll scratch yours element in and maybe

1020

00:38:52,319 --> 00:38:50,680

there were some things going on below

1021

00:38:54,180 --> 00:38:52,329

the surface of the company I wouldn't

1022

00:38:55,410 --> 00:38:54,190

rule it out yeah I hadn't heard that

1023

00:38:58,680 --> 00:38:55,420

that's the interesting piece of the

1024

00:39:00,900 --> 00:38:58,690

puzzle Kate Spade died three days prior

1025

00:39:03,269 --> 00:39:00,910

to Bourdain so I mean it's pretty tight

1026

00:39:05,759 --> 00:39:03,279

cluster and I never really heard of her

1027

00:39:07,589 --> 00:39:05,769

before she died to be honest but she was

1028

00:39:10,319 --> 00:39:07,599

married to David Spade's brother you

1029

00:39:13,499 --> 00:39:10,329

know David Spade on SNL and just shoot

1030

00:39:15,870 --> 00:39:13,509

me and on it so his brother was Kate

1031

00:39:17,849 --> 00:39:15,880

Bates husband and that's where she got

1032

00:39:19,559 --> 00:39:17,859

lost in spades so she knows it's David

1033

00:39:21,479 --> 00:39:19,569

Spade there's just a lot of things

1034

00:39:24,029 --> 00:39:21,489

around her death like she died by

1035

00:39:28,019 --> 00:39:24,039

hanging from a doorknob as well but with

1036

00:39:31,380 --> 00:39:28,029

a red scarf which is not really strong

1037

00:39:33,210 --> 00:39:31,390

material usually it's also rare that

1038

00:39:36,269 --> 00:39:33,220

women killed themselves by hanging much

1039

00:39:38,880 --> 00:39:36,279

less rich women Pharmaceuticals are much

1040

00:39:43,370 --> 00:39:38,890

more common for women attempting suicide

1041

00:39:45,359 --> 00:39:43,380

and I've read a statistic only 23% of

1042

00:39:47,370 --> 00:39:45,369

successful female suicides are by

1043

00:39:50,190 --> 00:39:47,380

hanging so it's like a

1044

00:39:52,710 --> 00:39:50,200

and for and for males it's about 25% as

1045

00:39:54,900 --> 00:39:52,720

well so it's a somewhat common method

1046

00:39:56,880 --> 00:39:54,910

but it's like one in force but not super

1047

00:39:58,710 --> 00:39:56,890

common that's across the whole

1048

00:40:02,910 --> 00:39:58,720

population you know I was a millionaire

1049

00:40:05,430 --> 00:40:02,920

I probably would pick a better way then

1050

00:40:08,100 --> 00:40:05,440

there was the oddness of two days after

1051
00:40:10,320 --> 00:40:08,110
she was killed the husband this is

1052
00:40:11,910 --> 00:40:10,330
something the conspiracy theory forums

1053
00:40:15,360 --> 00:40:11,920
really like to focus on but the husband

1054
00:40:18,780 --> 00:40:15,370
exited their house in a plastic mouse

1055
00:40:21,060 --> 00:40:18,790
mask from the movie rescuers and I don't

1056
00:40:24,660 --> 00:40:21,070
know if he was just trying to cover up

1057
00:40:26,100 --> 00:40:24,670
his face cuz you know he was emotionally

1058
00:40:28,920 --> 00:40:26,110
distracted and just didn't want pictures

1059
00:40:31,980 --> 00:40:28,930
taken but this mask he was wearing it

1060
00:40:33,710 --> 00:40:31,990
had a red neck cloth like a red scarf I

1061
00:40:36,780 --> 00:40:33,720
guess it's a turtleneck on the character

1062
00:40:39,060 --> 00:40:36,790
it's just kind of strange and it's from

1063
00:40:42,930 --> 00:40:39,070

this Disney movie the rescuers which is

1064

00:40:44,580 --> 00:40:42,940

in 1977 or something and they just have

1065

00:40:46,500 --> 00:40:44,590

had that masked mouse sitting around I

1066

00:40:48,750 --> 00:40:46,510

guess and wore it out of the house the

1067

00:40:50,910 --> 00:40:48,760

first time he went out of the house yeah

1068

00:40:52,590 --> 00:40:50,920

it's very creepy I mean people who

1069

00:40:54,570 --> 00:40:52,600

haven't seen the mask just look up the

1070

00:40:57,630 --> 00:40:54,580

picture of him wearing it I mean this is

1071

00:40:58,260 --> 00:40:57,640

a odd thing to do when your wife was

1072

00:41:01,830 --> 00:40:58,270

just killed

1073

00:41:04,050 --> 00:41:01,840

yeah it just seemed very strange this is

1074

00:41:06,270 --> 00:41:04,060

just kind of a bizarre probably

1075

00:41:08,960 --> 00:41:06,280

coincidence but four months before she

1076

00:41:12,660 --> 00:41:08,970

died her latest fashion adventure

1077

00:41:14,730 --> 00:41:12,670

advertising campaign was where is Kate

1078

00:41:16,680 --> 00:41:14,740

and the whole thing is like Kate Spade

1079

00:41:18,180 --> 00:41:16,690

is missing and they're like trying to

1080

00:41:20,610 --> 00:41:18,190

find her and her husband is like the

1081

00:41:23,790 --> 00:41:20,620

detectives in the ad trying to find her

1082

00:41:25,140 --> 00:41:23,800

and she's missing and gone and that was

1083

00:41:28,800 --> 00:41:25,150

that campaign they were running for

1084

00:41:31,170 --> 00:41:28,810

months before she died which is odd then

1085

00:41:34,680 --> 00:41:31,180

another odd thing is her father died on

1086

00:41:38,520 --> 00:41:34,690

the eve of her funeral so what yeah he

1087

00:41:40,020 --> 00:41:38,530

was 89 years old but her father died the

1088

00:41:42,030 --> 00:41:40,030

day before they were going to bury her

1089

00:41:44,720 --> 00:41:42,040

but I could imagine that being like a

1090

00:41:47,490 --> 00:41:44,730

heartbreak thing and the guy was old and

1091

00:41:50,160 --> 00:41:47,500

it must be tough but it's kind of odd

1092

00:41:52,650 --> 00:41:50,170

yeah it also could be silencing someone

1093

00:41:55,140 --> 00:41:52,660

who you think might be prone to speak

1094

00:41:58,740 --> 00:41:55,150

out irrationally with nothing to lose

1095

00:42:00,810 --> 00:41:58,750

very publicly at a Funeral perhaps yep

1096

00:42:02,520 --> 00:42:00,820

that could very well be

1097

00:42:04,590 --> 00:42:02,530

she did however leave behind a note

1098

00:42:06,870 --> 00:42:04,600

unlike Bourdain Bourdain didn't leave a

1099

00:42:09,060 --> 00:42:06,880

note but Kate Spade did leave a note and

1100

00:42:10,590 --> 00:42:09,070

the only part I saw was to her daughter

1101
00:42:12,030 --> 00:42:10,600
she was just saying you know this is not

1102
00:42:12,570 --> 00:42:12,040
your fault this had nothing to do with

1103
00:42:14,850 --> 00:42:12,580
you

1104
00:42:16,950 --> 00:42:14,860
so don't worry about it so there was a

1105
00:42:18,420 --> 00:42:16,960
note I'm like Bourdain so it seemed to

1106
00:42:21,030 --> 00:42:18,430
have a little bit more planning or at

1107
00:42:22,290 --> 00:42:21,040
least appearance of it yeah it said this

1108
00:42:25,950 --> 00:42:22,300
is not your fault

1109
00:42:27,480 --> 00:42:25,960
ask daddy oh really yeah which you know

1110
00:42:29,490 --> 00:42:27,490
a lot of people have tried to say that's

1111
00:42:31,830 --> 00:42:29,500
some kind of pedo code I think it very

1112
00:42:33,810 --> 00:42:31,840
literally is this is not your fault

1113
00:42:35,550 --> 00:42:33,820

ask your father he'll tell you he'll

1114

00:42:38,910 --> 00:42:35,560

confirm that it's not your fault

1115

00:42:42,360 --> 00:42:38,920

yeah but you know ask daddy also kind of

1116

00:42:44,460 --> 00:42:42,370

makes it seem like hey there's more to

1117

00:42:47,520 --> 00:42:44,470

know and if you ask your dad you might

1118

00:42:49,980 --> 00:42:47,530

eventually find out right that can very

1119

00:42:53,190 --> 00:42:49,990

well be and then the investigation was a

1120

00:42:55,860 --> 00:42:53,200

lot NYPD was the sole investigator and

1121

00:42:57,690 --> 00:42:55,870

it was announced it was a suicide before

1122

00:42:59,100 --> 00:42:57,700

they even interviewed the husband so

1123

00:43:01,200 --> 00:42:59,110

they hadn't even interviewed the husband

1124

00:43:04,650 --> 00:43:01,210

at all and they decided it was a suicide

1125

00:43:06,270 --> 00:43:04,660

basically I guess the note and the scarf

1126
00:43:09,270 --> 00:43:06,280
by the doorknob was convincing enough

1127
00:43:10,470 --> 00:43:09,280
for the NYPD or the NYPD got paid to

1128
00:43:12,060 --> 00:43:10,480
look the other way that's also a

1129
00:43:13,740 --> 00:43:12,070
possibility but then you're starting to

1130
00:43:15,750 --> 00:43:13,750
introduce more co-conspirators and

1131
00:43:17,280 --> 00:43:15,760
that's much harder to control so it's

1132
00:43:18,810 --> 00:43:17,290
probably much more likely that they just

1133
00:43:21,960 --> 00:43:18,820
made it look like a very convincing

1134
00:43:23,760 --> 00:43:21,970
suicide if it wasn't murder also

1135
00:43:25,770 --> 00:43:23,770
interesting is Spade had partnered with

1136
00:43:28,680 --> 00:43:25,780
the Clinton Foundation on at least two

1137
00:43:30,870 --> 00:43:28,690
major projects so Kate Spade had helped

1138
00:43:33,780 --> 00:43:30,880

design a media campaign for the Clinton

1139

00:43:36,050 --> 00:43:33,790

Foundation snow sealing initiative she

1140

00:43:38,280 --> 00:43:36,060

also worked with the Clintons in Haiti

1141

00:43:40,440 --> 00:43:38,290

sending a representative deal with

1142

00:43:44,070 --> 00:43:40,450

Haitian business owners on the Clintons

1143

00:43:46,590 --> 00:43:44,080

behalf ah so she was a front for the

1144

00:43:49,380 --> 00:43:46,600

Clintons in Haiti which is a very

1145

00:43:51,960 --> 00:43:49,390

interesting thing there's been human

1146

00:43:54,600 --> 00:43:51,970

trafficking issues through Haiti and the

1147

00:43:56,130 --> 00:43:54,610

Clintons have been caught associating

1148

00:43:58,800 --> 00:43:56,140

with these types of things

1149

00:44:00,420 --> 00:43:58,810

haha there might be a lot there to dig

1150

00:44:02,670 --> 00:44:00,430

into I mean there's just so much here I

1151
00:44:05,100 --> 00:44:02,680
wish I could dig completely to bedrock

1152
00:44:06,540 --> 00:44:05,110
on all of these but I hope someone

1153
00:44:08,730 --> 00:44:06,550
listening you know maybe it will take a

1154
00:44:10,290 --> 00:44:08,740
little more initiative and look into

1155
00:44:12,390 --> 00:44:10,300
this one part of it because I really

1156
00:44:13,330 --> 00:44:12,400
think there's a lot there right and

1157
00:44:15,520 --> 00:44:13,340
clearly we are

1158
00:44:17,980 --> 00:44:15,530
speculating we're just going through the

1159
00:44:20,200 --> 00:44:17,990
case to be made that there's more here

1160
00:44:22,510 --> 00:44:20,210
than the surface story and it really

1161
00:44:25,060 --> 00:44:22,520
does get under my skin when I hear

1162
00:44:27,190 --> 00:44:25,070
people dismissing the conspiratorial

1163
00:44:29,530 --> 00:44:27,200

perspective and they say oh yeah so

1164

00:44:31,240 --> 00:44:29,540

these people think that Hillary Clinton

1165

00:44:33,790 --> 00:44:31,250

was running a pedophile Network out of a

1166

00:44:35,470 --> 00:44:33,800

ping-pong shop or these people think

1167

00:44:38,230 --> 00:44:35,480

that Hillary Clinton killed Kate Spade

1168

00:44:40,420 --> 00:44:38,240

and it's like no you're being a little

1169

00:44:42,490 --> 00:44:40,430

disingenuous there we're talking about a

1170

00:44:44,260 --> 00:44:42,500

network and the only reason Clinton is

1171

00:44:46,780 --> 00:44:44,270

so involved is because it's her name on

1172

00:44:48,820 --> 00:44:46,790

the foundation right you know her and

1173

00:44:51,430 --> 00:44:48,830

Bill obviously they're they're a duo

1174

00:44:53,020 --> 00:44:51,440

they're a team and it's like there's a

1175

00:44:56,170 --> 00:44:53,030

lot of players involved that we don't

1176

00:44:58,210 --> 00:44:56,180

know right so it all leads back to the

1177

00:45:00,580 --> 00:44:58,220

Clintons but that doesn't mean that we

1178

00:45:03,010 --> 00:45:00,590

think that they physically committed

1179

00:45:04,360 --> 00:45:03,020

some murder or even that they ordered it

1180

00:45:06,490 --> 00:45:04,370

themselves it could have been like a

1181

00:45:08,350 --> 00:45:06,500

subordinate who ordered the hit you know

1182

00:45:09,880 --> 00:45:08,360

right it could be like she's like oh I

1183

00:45:11,380 --> 00:45:09,890

don't like these people and those

1184

00:45:13,840 --> 00:45:11,390

subordinates like well I'm gonna take

1185

00:45:15,970 --> 00:45:13,850

care of that and then hires a hit man or

1186

00:45:17,620 --> 00:45:15,980

something you know we have no idea like

1187

00:45:20,050 --> 00:45:17,630

the organizational structure of how

1188

00:45:22,750 --> 00:45:20,060

something like this would come to be and

1189

00:45:25,060 --> 00:45:22,760

then also I'm totally not discounting

1190

00:45:27,340 --> 00:45:25,070

the idea that these actually just were

1191

00:45:30,340 --> 00:45:27,350

suicides it's totally possible as well

1192

00:45:32,530 --> 00:45:30,350

mm-hmm but I really think there's not

1193

00:45:35,560 --> 00:45:32,540

enough discussion about the potential

1194

00:45:37,630 --> 00:45:35,570

with their murderers I agree that's what

1195

00:45:40,510 --> 00:45:37,640

we're doing right exactly

1196

00:45:42,310 --> 00:45:40,520

and I do think that last point just

1197

00:45:44,620 --> 00:45:42,320

about partnering with the Clinton

1198

00:45:46,230 --> 00:45:44,630

Foundation that's important partnering

1199

00:45:48,850 --> 00:45:46,240

with the Clinton Foundation in Haiti

1200

00:45:50,890 --> 00:45:48,860

specifically that's very important

1201
00:45:53,950 --> 00:45:50,900
definitely worth noting and those are

1202
00:45:57,790 --> 00:45:53,960
kind of the capstone arguments to the

1203
00:46:00,850 --> 00:45:57,800
Kate Spade element and let's maybe fold

1204
00:46:02,500 --> 00:46:00,860
in the Dutch Queen's sister I really

1205
00:46:04,180 --> 00:46:02,510
haven't dug much into this one I'm

1206
00:46:07,150 --> 00:46:04,190
curious what you found in the details

1207
00:46:10,030 --> 00:46:07,160
here that make you skeptical that there

1208
00:46:11,320 --> 00:46:10,040
might be a deeper story so first of all

1209
00:46:14,980 --> 00:46:11,330
the timing is weird

1210
00:46:17,830 --> 00:46:14,990
the Dutch Queen is named Maxima and it's

1211
00:46:20,290 --> 00:46:17,840
Maxima sister that died so she died on

1212
00:46:22,270 --> 00:46:20,300
June 7th and Kate Spade down on the

1213
00:46:24,730 --> 00:46:22,280

fifth and Anthony Bourdain died on the

1214

00:46:27,190 --> 00:46:24,740

8th so it's right in between those two

1215

00:46:29,800 --> 00:46:27,200

so it's a very tight three

1216

00:46:31,720 --> 00:46:29,810

a span that alone is interesting and

1217

00:46:34,300 --> 00:46:31,730

then she was also found dead by hanging

1218

00:46:36,730 --> 00:46:34,310

from a doorknob which seems to connect

1219

00:46:39,010 --> 00:46:36,740

with these other ones you know it's hard

1220

00:46:40,990 --> 00:46:39,020

to tell what the motivation is it could

1221

00:46:42,069 --> 00:46:41,000

have been suicide as well she was a

1222

00:46:44,740 --> 00:46:42,079

civil servant working for the

1223

00:46:46,870 --> 00:46:44,750

Argentinean government since 2016 so she

1224

00:46:49,660 --> 00:46:46,880

lived in Argentina even though she was

1225

00:46:50,980 --> 00:46:49,670

related to the Dutch royal family so

1226

00:46:52,540 --> 00:46:50,990

she's been living in Argentina for a

1227

00:46:54,940 --> 00:46:52,550

while and she worked at the United

1228

00:46:58,089 --> 00:46:54,950

Nations headquarters in Panama for a

1229

00:47:00,700 --> 00:46:58,099

while but returned to Argentina then her

1230

00:47:04,569 --> 00:47:00,710

death this is another interesting tidbit

1231

00:47:06,970 --> 00:47:04,579

her father died 10 months before she

1232

00:47:10,120 --> 00:47:06,980

died and her father was the ruling King

1233

00:47:12,339 --> 00:47:10,130

I believe so the King died and then she

1234

00:47:14,680 --> 00:47:12,349

died soon after so it kind of looks like

1235

00:47:17,740 --> 00:47:14,690

a lot of royal coos you know you'll see

1236

00:47:19,870 --> 00:47:17,750

once the leader dies the next people in

1237

00:47:21,790 --> 00:47:19,880

line might be taken out so that someone

1238

00:47:24,280 --> 00:47:21,800

can jump a few spots and become king you

1239

00:47:26,740 --> 00:47:24,290

know that's a common type of coup so

1240

00:47:28,839 --> 00:47:26,750

it's possible something like that could

1241

00:47:31,359 --> 00:47:28,849

have happened and then get this her

1242

00:47:33,069 --> 00:47:31,369

father was in the Videla government and

1243

00:47:34,930 --> 00:47:33,079

should another one's but her

1244

00:47:38,200 --> 00:47:34,940

brother-in-law who's now the Dutch King

1245

00:47:42,309 --> 00:47:38,210

is the grandson of the Bilderberg Group

1246

00:47:44,829 --> 00:47:42,319

founder Prince Bernhard huh who is an

1247

00:47:47,950 --> 00:47:44,839

extremely well-connected person so the

1248

00:47:50,740 --> 00:47:47,960

current Dutch King is the grandson of

1249

00:47:52,930 --> 00:47:50,750

the founder of Bilderberg that's her

1250

00:47:54,460 --> 00:47:52,940

brother-in-law you can see there's

1251

00:47:55,450 --> 00:47:54,470

obviously like a lot of very high up

1252

00:47:56,980 --> 00:47:55,460

connections and they're probably

1253

00:47:59,200 --> 00:47:56,990

connected with the Rothschilds was well

1254

00:48:01,150 --> 00:47:59,210

being that they're European royalty so

1255

00:48:02,980 --> 00:48:01,160

there's all these very high connections

1256

00:48:05,230 --> 00:48:02,990

so there's a lot of highly motivated

1257

00:48:07,780 --> 00:48:05,240

people and there's a lot of power at

1258

00:48:09,430 --> 00:48:07,790

stake so it does seem reasonable to at

1259

00:48:12,130 --> 00:48:09,440

least investigate the possibility that

1260

00:48:14,829 --> 00:48:12,140

this is a murder mm-hmm we also saw that

1261

00:48:16,930 --> 00:48:14,839

shuffling of the Saudi royal family -

1262

00:48:18,819 --> 00:48:16,940

it's very strange I mean there are a lot

1263

00:48:20,770 --> 00:48:18,829

of pieces on the chessboard that are

1264

00:48:22,809 --> 00:48:20,780

moving right now and it seems like for

1265

00:48:26,530 --> 00:48:22,819

most of our life if you're in your 30s

1266

00:48:28,450 --> 00:48:26,540

it's been kind of OneNote I mean there's

1267

00:48:30,400 --> 00:48:28,460

been these controllers will switch from

1268

00:48:32,890 --> 00:48:30,410

Bush to Clinton to Bush nothing's

1269

00:48:35,530 --> 00:48:32,900

changing and there does seem to be a lot

1270

00:48:38,740 --> 00:48:35,540

of shuffling now that wasn't going on

1271

00:48:40,240 --> 00:48:38,750

through most of my life I agree we're

1272

00:48:40,740 --> 00:48:40,250

seeing a lot of royal families starting

1273

00:48:42,240 --> 00:48:40,750

to mover

1274

00:48:45,150 --> 00:48:42,250

now and a lot of people who are in their

1275

00:48:46,920 --> 00:48:45,160

80s and 90s starting to finally pass the

1276

00:48:48,150 --> 00:48:46,930

chain of command is changing in a lot of

1277

00:48:50,070 --> 00:48:48,160

countries and yeah it's an interesting

1278

00:48:54,390 --> 00:48:50,080

thing to watch but it is causing a lot

1279

00:48:56,070 --> 00:48:54,400

of shake ups indeed so Avicii is another

1280

00:48:59,010 --> 00:48:56,080

one we might want to add to the pile

1281

00:49:01,440 --> 00:48:59,020

it's another well he's a guy I didn't

1282

00:49:03,510 --> 00:49:01,450

really look much into not really a fan

1283

00:49:05,940 --> 00:49:03,520

of that kind of music but still you laid

1284

00:49:07,290 --> 00:49:05,950

out some very interesting details to me

1285

00:49:09,060 --> 00:49:07,300

that make a pretty good case there's a

1286

00:49:11,370 --> 00:49:09,070

deeper story tell us about Avicii

1287

00:49:13,350 --> 00:49:11,380

so those three deaths we just talked

1288

00:49:15,540 --> 00:49:13,360

about were in June and if we jump back

1289

00:49:18,780 --> 00:49:15,550

like a month and a half to April 20th

1290

00:49:22,770 --> 00:49:18,790

that's the day of each he died 4/20 yeah

1291

00:49:25,140 --> 00:49:22,780

4/20 and he was 28 years old he's quite

1292

00:49:27,510 --> 00:49:25,150

young well as interesting as he died in

1293

00:49:29,400 --> 00:49:27,520

the country of Oman which is in the

1294

00:49:31,950 --> 00:49:29,410

Middle East so apparently he was like on

1295

00:49:34,230 --> 00:49:31,960

tour on vacation or something in Oman

1296

00:49:35,850 --> 00:49:34,240

which is just south of Saudi Arabia it's

1297

00:49:37,740 --> 00:49:35,860

right by Yemen and Saudi Arabia it's

1298

00:49:40,080 --> 00:49:37,750

actually quite a developed nice country

1299

00:49:42,570 --> 00:49:40,090

because the oil reserves but anyways he

1300

00:49:45,120 --> 00:49:42,580

was staying in Oman and they found him

1301
00:49:47,610 --> 00:49:45,130
in his hotel room the next day there was

1302
00:49:50,520 --> 00:49:47,620
like half a bottle of wine drank and

1303
00:49:53,100 --> 00:49:50,530
then the blind bottle was shattered and

1304
00:49:55,500 --> 00:49:53,110
then the pieces of the wine bottle had

1305
00:49:58,830 --> 00:49:55,510
apparently been used to cut his face and

1306
00:50:01,650 --> 00:49:58,840
neck so the story is that he drank half

1307
00:50:03,810 --> 00:50:01,660
a bottle of wine shattered it and then

1308
00:50:06,480 --> 00:50:03,820
cut his own face and neck with the glass

1309
00:50:09,960 --> 00:50:06,490
shards until he bled to death that's the

1310
00:50:11,430 --> 00:50:09,970
official story which is just bizarre who

1311
00:50:13,530 --> 00:50:11,440
would do that unless they were out of

1312
00:50:16,410 --> 00:50:13,540
their mind I mean that doesn't make

1313
00:50:19,170 --> 00:50:16,420

sense to me so there were two autopsies

1314

00:50:21,960 --> 00:50:19,180

the day after he died and immediately

1315

00:50:23,730 --> 00:50:21,970

ruled no foul play this story also

1316

00:50:25,500 --> 00:50:23,740

changed he was in a hotel room

1317

00:50:28,440 --> 00:50:25,510

originally and then later they said he

1318

00:50:30,270 --> 00:50:28,450

was in a farmhouse so they were kind of

1319

00:50:32,640 --> 00:50:30,280

having consistency problems with the

1320

00:50:34,350 --> 00:50:32,650

story as it came out and as far as the

1321

00:50:36,540 --> 00:50:34,360

reasoning why people might want to do

1322

00:50:38,370 --> 00:50:36,550

this I don't know if you hear Washington

1323

00:50:40,710 --> 00:50:38,380

beat you music video but you should

1324

00:50:43,350 --> 00:50:40,720

watch this one he has it came out two

1325

00:50:46,620 --> 00:50:43,360

years before he died it's called for a

1326
00:50:50,070 --> 00:50:46,630
better day I mean in no uncertain terms

1327
00:50:52,500 --> 00:50:50,080
it's a video about sex trafficking of

1328
00:50:53,790 --> 00:50:52,510
children and those children escaping and

1329
00:50:56,160 --> 00:50:53,800
growing up and going back and

1330
00:50:59,160 --> 00:50:56,170
killing everyone who bought them as a

1331
00:51:02,310 --> 00:50:59,170
sex slave huh I mean it is extremely

1332
00:51:03,420 --> 00:51:02,320
graphic it is like about up

1333
00:51:05,630 --> 00:51:03,430
these people who were in these

1334
00:51:08,460 --> 00:51:05,640
children's lives it's a very emotional

1335
00:51:11,300 --> 00:51:08,470
straightforward video and there's some

1336
00:51:13,650 --> 00:51:11,310
allegations that he was perhaps

1337
00:51:15,060 --> 00:51:13,660
unfortunately part of this type of

1338
00:51:18,180 --> 00:51:15,070

structure you know when he was younger

1339

00:51:20,400 --> 00:51:18,190

and so he's stepping forward to call it

1340

00:51:22,200 --> 00:51:20,410

out and shed some light on it basically

1341

00:51:24,750 --> 00:51:22,210

and this video is one way of him doing

1342

00:51:26,160 --> 00:51:24,760

that some say that's the reason he was

1343

00:51:28,620 --> 00:51:26,170

silenced is because he started getting

1344

00:51:32,280 --> 00:51:28,630

too outspoken about this particular

1345

00:51:33,900 --> 00:51:32,290

topic hmm one other thing I wanted to

1346

00:51:36,360 --> 00:51:33,910

throw out there just about his career

1347

00:51:38,460 --> 00:51:36,370

you know I'm not the most knowledgeable

1348

00:51:41,100 --> 00:51:38,470

about the guy but apparently a year

1349

00:51:42,950 --> 00:51:41,110

prior in March on March 29th

1350

00:51:46,110 --> 00:51:42,960

specifically he announced his retirement

1351
00:51:50,580 --> 00:51:46,120
even though he wasn't even 30 years old

1352
00:51:52,650 --> 00:51:50,590
and his people statement said stardom is

1353
00:51:54,720 --> 00:51:52,660
psychologically and physically difficult

1354
00:51:57,390 --> 00:51:54,730
for any artist especially in the

1355
00:51:59,310 --> 00:51:57,400
fast-paced and often hedonistic world of

1356
00:52:02,970 --> 00:51:59,320
dance music and his retirement is the

1357
00:52:05,250 --> 00:52:02,980
result of complete overwork and that's

1358
00:52:05,730 --> 00:52:05,260
interesting I mean a year before he was

1359
00:52:06,960 --> 00:52:05,740
killed

1360
00:52:09,600 --> 00:52:06,970
or before year before he committed

1361
00:52:12,600 --> 00:52:09,610
suicide he retired and I've read a lot

1362
00:52:15,150 --> 00:52:12,610
of kind of mainstream arguments about

1363
00:52:17,460 --> 00:52:15,160

his death and that he had severe drug

1364

00:52:19,590 --> 00:52:17,470

and alcohol abuse problems and that

1365

00:52:21,360 --> 00:52:19,600

could have led to his death I've heard

1366

00:52:23,070 --> 00:52:21,370

that about the alcoholism for sure he

1367

00:52:25,620 --> 00:52:23,080

definitely had an alcohol problem and

1368

00:52:27,630 --> 00:52:25,630

that's worth noting but it's also worth

1369

00:52:30,450 --> 00:52:27,640

noting that here's another death of a

1370

00:52:33,960 --> 00:52:30,460

person who as you say in this video for

1371

00:52:36,840 --> 00:52:33,970

a better day is drawing attention to

1372

00:52:38,370 --> 00:52:36,850

child trafficking networks I mean how

1373

00:52:41,520 --> 00:52:38,380

many people are really doing that not a

1374

00:52:45,560 --> 00:52:41,530

whole lot right and I mean this video

1375

00:52:50,250 --> 00:52:45,570

for a better day it got 65 million views

1376
00:52:53,790 --> 00:52:50,260
this guy has reach global reach among

1377
00:52:56,430 --> 00:52:53,800
young people too and I think they saw

1378
00:52:59,670 --> 00:52:56,440
that or intimidated by that it's just a

1379
00:53:01,020 --> 00:52:59,680
very sad thing one thing I'd like to say

1380
00:53:03,120 --> 00:53:01,030
is that with talking about these

1381
00:53:05,640 --> 00:53:03,130
suicides some people will say to me that

1382
00:53:07,400 --> 00:53:05,650
I'm being disrespectful to these people

1383
00:53:09,170 --> 00:53:07,410
by talking about

1384
00:53:10,910 --> 00:53:09,180
the circumstances surrounding their

1385
00:53:14,210 --> 00:53:10,920
suicide or questioning the fact that it

1386
00:53:15,920 --> 00:53:14,220
was a suicide and I really see it as the

1387
00:53:18,019 --> 00:53:15,930
opposite I think I'm really being

1388
00:53:20,240 --> 00:53:18,029

respectful by looking into these things

1389

00:53:22,640 --> 00:53:20,250

I know if I was murdered and it was

1390

00:53:24,440 --> 00:53:22,650

framed as a suicide I would sure as heck

1391

00:53:26,329 --> 00:53:24,450

want people to look into it and not just

1392

00:53:28,370 --> 00:53:26,339

go like oh he was depressed we can't

1393

00:53:30,829 --> 00:53:28,380

understand depression and suicide

1394

00:53:33,650 --> 00:53:30,839

therefore let's not even try you know

1395

00:53:35,630 --> 00:53:33,660

let's not look into this at all I think

1396

00:53:38,660 --> 00:53:35,640

that's the emotional reaction that they

1397

00:53:40,279 --> 00:53:38,670

rely on for people to not look into

1398

00:53:43,609 --> 00:53:40,289

these things is like right you're

1399

00:53:45,980 --> 00:53:43,619

somehow honoring the dead by ignoring

1400

00:53:47,900 --> 00:53:45,990

the reality and I think that's bullcrap

1401

00:53:50,180 --> 00:53:47,910

yeah they'll tell you the same thing

1402

00:53:52,460 --> 00:53:50,190

about Sandy Hook or 9/11 that it's

1403

00:53:54,740 --> 00:53:52,470

disrespectful to the Dead to even

1404

00:53:56,120 --> 00:53:54,750

suggest there could be foul play it just

1405

00:53:58,849 --> 00:53:56,130

doesn't make sense I don't think that

1406

00:53:59,900 --> 00:53:58,859

argument connects at all right and I

1407

00:54:02,269 --> 00:53:59,910

mean it's one thing if you're like

1408

00:54:04,400 --> 00:54:02,279

harassing family members of someone who

1409

00:54:06,349 --> 00:54:04,410

died or whatever that's not cool if

1410

00:54:07,730 --> 00:54:06,359

we're just talking about the facts and

1411

00:54:09,920 --> 00:54:07,740

like trying to have a reasonable

1412

00:54:12,650 --> 00:54:09,930

conversation about possibilities then I

1413

00:54:14,930 --> 00:54:12,660

see no problem and I don't think that

1414

00:54:17,359 --> 00:54:14,940

should be discouraged at all I agree

1415

00:54:18,410 --> 00:54:17,369

cheers to that yeah it's interesting to

1416

00:54:20,450 --> 00:54:18,420

see how many people want to shut down

1417

00:54:23,660 --> 00:54:20,460

discussions for emotional reasons though

1418

00:54:25,460 --> 00:54:23,670

right and there was another name on the

1419

00:54:29,630 --> 00:54:25,470

list that you told me we should maybe

1420

00:54:31,670 --> 00:54:29,640

talk about elrond Scott yeah so there's

1421

00:54:34,730 --> 00:54:31,680

this person Elron Scott former

1422

00:54:36,759 --> 00:54:34,740

girlfriend of Nate Rothschild was found

1423

00:54:38,210 --> 00:54:36,769

at the age of 49 dead in her apartment

1424

00:54:42,049 --> 00:54:38,220

by hanging

1425

00:54:44,259 --> 00:54:42,059

she died in 2014 no note so this is

1426

00:54:47,180 --> 00:54:44,269

someone you know dated Nate Rothschild

1427

00:54:49,519 --> 00:54:47,190

eventually came up dead in Manhattan at

1428

00:54:52,609 --> 00:54:49,529

49 years old by hanging so I don't know

1429

00:54:54,829 --> 00:54:52,619

much more than that about her but just

1430

00:54:56,809 --> 00:54:54,839

another hanging of the upper-class worth

1431

00:54:58,839 --> 00:54:56,819

mentioning it's and directly connected

1432

00:55:01,880 --> 00:54:58,849

to the Rothschilds on top of it so

1433

00:55:03,859 --> 00:55:01,890

that's interesting there's a couple more

1434

00:55:07,069 --> 00:55:03,869

here ever heard about Chris Cornell and

1435

00:55:08,420 --> 00:55:07,079

Chester Bennington yes yeah I didn't

1436

00:55:10,849 --> 00:55:08,430

really know much about that until I was

1437

00:55:12,859 --> 00:55:10,859

doing research for this podcast but man

1438

00:55:15,529 --> 00:55:12,869

Chris Cornell is the founder and

1439

00:55:16,880 --> 00:55:15,539

guitarist for the band Soundgarden he

1440

00:55:18,920 --> 00:55:16,890

was found unconscious by his bodyguard

1441

00:55:20,390 --> 00:55:18,930

hanging from the doorknob in the

1442

00:55:24,170 --> 00:55:20,400

bathroom of this hotel

1443

00:55:27,200 --> 00:55:24,180

at the MGM Grand in Detroit in May 2017

1444

00:55:29,060 --> 00:55:27,210

so police ruled out homicide by rigging

1445

00:55:31,670 --> 00:55:29,070

a hotel surveillance video which showed

1446

00:55:35,120 --> 00:55:31,680

no one entering or leaving after his

1447

00:55:36,860 --> 00:55:35,130

bodyguard left at 11:35 p.m. and Kristen

1448

00:55:38,570 --> 00:55:36,870

has why set up a charity event called

1449

00:55:40,670 --> 00:55:38,580

the chris and vicki cornell foundation

1450

00:55:43,550 --> 00:55:40,680

which works to help victims of child

1451
00:55:45,140 --> 00:55:43,560
abuse that's what it's about and on top

1452
00:55:46,760 --> 00:55:45,150
of that chris cornell was working with

1453
00:55:49,280 --> 00:55:46,770
lincoln park singer chester bennington

1454
00:55:51,440 --> 00:55:49,290
and they were working together to expose

1455
00:55:55,280 --> 00:55:51,450
elite pedophile rings like they had a

1456
00:55:59,150 --> 00:55:55,290
dedicated mission to do that exactly so

1457
00:56:01,970 --> 00:55:59,160
chris cornell died may 2017 and then two

1458
00:56:03,290 --> 00:56:01,980
months later lincoln park singer that he

1459
00:56:05,990 --> 00:56:03,300
was cooperating with Chester Bennington

1460
00:56:08,450 --> 00:56:06,000
also found dead in his home in

1461
00:56:12,740 --> 00:56:08,460
California so also hanging from a

1462
00:56:14,600 --> 00:56:12,750
doorknob on July 20th 2017 so that's

1463
00:56:17,450 --> 00:56:14,610

just really up so it's like the

1464

00:56:19,100 --> 00:56:17,460

two of them finally pair up to go after

1465

00:56:20,990 --> 00:56:19,110

this thing and they have this Charitable

1466

00:56:22,820 --> 00:56:21,000

Foundation with his wife and then he

1467

00:56:24,950 --> 00:56:22,830

dies and then immediately two months

1468

00:56:28,160 --> 00:56:24,960

later daily guy dies that's that's not

1469

00:56:30,050 --> 00:56:28,170

so many alarm bells to me mm-hm and then

1470

00:56:32,900 --> 00:56:30,060

a lot of people might not like this but

1471

00:56:36,290 --> 00:56:32,910

Robin Williams also died in his home

1472

00:56:38,660 --> 00:56:36,300

2014 the County Sheriff's Office deputy

1473

00:56:40,670 --> 00:56:38,670

coroner was the investigator and stated

1474

00:56:42,410 --> 00:56:40,680

that he'd hang himself and he was found

1475

00:56:45,380 --> 00:56:42,420

hanging from a doorknob with a necktie

1476
00:56:48,560 --> 00:56:45,390
and I knew he died from hanging but it

1477
00:56:50,240 --> 00:56:48,570
was it was from a doorknob so we can

1478
00:56:52,040 --> 00:56:50,250
maybe add Robin Williams to it because

1479
00:56:54,830 --> 00:56:52,050
his death was extremely sudden and

1480
00:56:56,570 --> 00:56:54,840
unexpected and even if he had Lewy body

1481
00:56:58,250 --> 00:56:56,580
dementia or something like that it was

1482
00:57:00,530 --> 00:56:58,260
said he had a degenerative marrow

1483
00:57:02,840 --> 00:57:00,540
disease and he was basically nipping it

1484
00:57:05,540 --> 00:57:02,850
in the bud by killing himself early but

1485
00:57:07,310 --> 00:57:05,550
you know it's like it's just so sudden

1486
00:57:09,890 --> 00:57:07,320
and he seems like a guy who's like

1487
00:57:11,360 --> 00:57:09,900
fairly open and outspoken about stuff

1488
00:57:13,580 --> 00:57:11,370

and you know I could see him going like

1489

00:57:15,860 --> 00:57:13,590

a Michael J Fox kind of route where it's

1490

00:57:18,080 --> 00:57:15,870

like he could be a popularizer of that

1491

00:57:19,700 --> 00:57:18,090

disease and it's definitely possible

1492

00:57:21,350 --> 00:57:19,710

they killed himself but I think it's

1493

00:57:24,140 --> 00:57:21,360

interesting that he was hanging from a

1494

00:57:26,840 --> 00:57:24,150

necktie from a doorknob which matches

1495

00:57:29,030 --> 00:57:26,850

all these others so mm-hmm and then

1496

00:57:30,540 --> 00:57:29,040

there's a couple more fashion designer

1497

00:57:33,900 --> 00:57:30,550

Alexander McQueen

1498

00:57:36,510 --> 00:57:33,910

he died 2010 down hanging from a

1499

00:57:38,430 --> 00:57:36,520

doorknob at his home in Greene Street

1500

00:57:39,840 --> 00:57:38,440

London so that's another high-profile

1501
00:57:43,050 --> 00:57:39,850
fashion designer and just like Kate

1502
00:57:44,730 --> 00:57:43,060
Spade another one is David Carradine you

1503
00:57:46,530 --> 00:57:44,740
probably recognize his face if you saw

1504
00:57:49,160 --> 00:57:46,540
him he's in a lot of TV shows and movies

1505
00:57:51,720 --> 00:57:49,170
but police official in Thailand found

1506
00:57:54,240 --> 00:57:51,730
Carradine hanging by a rope tied to the

1507
00:57:57,300 --> 00:57:54,250
doorknob of his rooms closet but he was

1508
00:57:59,400 --> 00:57:57,310
found naked as well so I guess that was

1509
00:58:02,000 --> 00:57:59,410
justification to rolled out it was

1510
00:58:04,860 --> 00:58:02,010
suicide and they did two autopsies and

1511
00:58:05,490 --> 00:58:04,870
both concluded that the death was not a

1512
00:58:08,460 --> 00:58:05,500
suicide

1513
00:58:10,260 --> 00:58:08,470

huh so investigators concluded it was

1514

00:58:12,300 --> 00:58:10,270

not a suicide but then I think the

1515

00:58:13,740 --> 00:58:12,310

police treated it as a suicide and then

1516

00:58:17,160 --> 00:58:13,750

it just was left hanging like that

1517

00:58:20,520 --> 00:58:17,170

and then lastly reddit co-founder Aaron

1518

00:58:22,380 --> 00:58:20,530

Swartz was killed in 2013 while he

1519

00:58:26,430 --> 00:58:22,390

supposedly committed suicide but I think

1520

00:58:28,410 --> 00:58:26,440

he was killed and he was hanged from a

1521

00:58:31,440 --> 00:58:28,420

doorknob again and no suicide note was

1522

00:58:34,110 --> 00:58:31,450

found and he was one of the kind of a

1523

00:58:36,360 --> 00:58:34,120

moral backbone of Reddit and this is

1524

00:58:38,670 --> 00:58:36,370

when read it was really reaching peak

1525

00:58:40,980 --> 00:58:38,680

popularity and it was starting to get a

1526
00:58:43,560 --> 00:58:40,990
lot of attention by big media companies

1527
00:58:45,180 --> 00:58:43,570
and by don't sure like the CIA and

1528
00:58:46,800 --> 00:58:45,190
agencies who try and control media

1529
00:58:48,690 --> 00:58:46,810
messaging they of course want to control

1530
00:58:50,400 --> 00:58:48,700
websites that are in the top undred or

1531
00:58:52,470 --> 00:58:50,410
whatever because those websites have a

1532
00:58:54,270 --> 00:58:52,480
lot of reach so I get the impression

1533
00:58:56,130 --> 00:58:54,280
that they were able to buy out or

1534
00:58:58,620 --> 00:58:56,140
otherwise persuade the other members

1535
00:59:01,110 --> 00:58:58,630
that founded reddit but Aaron Swartz was

1536
00:59:05,070 --> 00:59:01,120
extremely moral had a strong backbone

1537
00:59:07,860 --> 00:59:05,080
and refused to compromise and I think

1538
00:59:10,680 --> 00:59:07,870

that ended up getting him suicided

1539

00:59:13,350 --> 00:59:10,690

basically very well could be and of

1540

00:59:16,230 --> 00:59:13,360

course you just listed some added deaths

1541

00:59:18,540 --> 00:59:16,240

that go back 8 years but it's really

1542

00:59:20,730 --> 00:59:18,550

just to note the odd similarities of the

1543

00:59:23,040 --> 00:59:20,740

hanging from the doorknob specifically

1544

00:59:27,570 --> 00:59:23,050

but in these more recent cases this

1545

00:59:29,280 --> 00:59:27,580

latest cluster it almost seems like you

1546

00:59:31,440 --> 00:59:29,290

could paint a picture that when Clinton

1547

00:59:34,640 --> 00:59:31,450

was defeated in the election a lot of

1548

00:59:37,260 --> 00:59:34,650

people who thought there was an ironclad

1549

00:59:39,750 --> 00:59:37,270

grip of control over this whole

1550

00:59:44,819 --> 00:59:39,760

situation some of the people who maybe

1551

00:59:47,910 --> 00:59:44,829

are a little bit more guilt stricken or

1552

00:59:50,459 --> 00:59:47,920

more outspoken or a little morally have

1553

00:59:52,319 --> 00:59:50,469

a little more moral fortitude they might

1554

00:59:54,539 --> 00:59:52,329

have thought okay now we can come out

1555

00:59:57,150 --> 00:59:54,549

and speak out look at all these dominoes

1556

00:59:59,789 --> 00:59:57,160

that are falling and then as soon as you

1557

01:00:01,769 --> 00:59:59,799

start to speak out you realize oh the

1558

01:00:03,390 --> 01:00:01,779

network hasn't completely lost all its

1559

01:00:06,089 --> 01:00:03,400

power in fact it's still trying to

1560

01:00:09,299 --> 01:00:06,099

preserve itself and silence the critics

1561

01:00:11,190 --> 01:00:09,309

and quarantine its crimes I think that

1562

01:00:13,319 --> 01:00:11,200

is a case that could definitely be made

1563

01:00:15,120 --> 01:00:13,329

yeah I wouldn't be surprised if it was

1564

01:00:17,579 --> 01:00:15,130

kind of a limited hangout sort of

1565

01:00:18,809 --> 01:00:17,589

approach where people got caught and

1566

01:00:20,910 --> 01:00:18,819

then they're going to pretend like the

1567

01:00:22,349 --> 01:00:20,920

whole situation is solely about those

1568

01:00:24,690 --> 01:00:22,359

people and that there's nothing else

1569

01:00:27,479 --> 01:00:24,700

going on and redirect the conversation

1570

01:00:28,920 --> 01:00:27,489

as such and I think that's kind of what

1571

01:00:30,630 --> 01:00:28,930

we've been seeing is the Weinstein

1572

01:00:34,259 --> 01:00:30,640

scandal you know it's a lot deeper than

1573

01:00:36,569 --> 01:00:34,269

Weinstein it's not just some celebrities

1574

01:00:38,309 --> 01:00:36,579

slept with Weinstein to get privileges

1575

01:00:40,920 --> 01:00:38,319

like that's part of it but there's this

1576
01:00:43,769 --> 01:00:40,930
broader network when you start to look

1577
01:00:45,749 --> 01:00:43,779
at people like Epstein and the Clintons

1578
01:00:48,089 --> 01:00:45,759
and there's some real questionable

1579
01:00:49,999 --> 01:00:48,099
things and although they might lose

1580
01:00:52,709 --> 01:00:50,009
power on some levels there's always

1581
01:00:54,439 --> 01:00:52,719
stages of limited hangouts so the closer

1582
01:00:57,749 --> 01:00:54,449
you think you're getting to the target

1583
01:00:59,459 --> 01:00:57,759
suddenly the target moves away or

1584
01:01:01,049 --> 01:00:59,469
they'll throw out a lot of flack to

1585
01:01:03,599 --> 01:01:01,059
confuse you or draw you off the main

1586
01:01:04,920 --> 01:01:03,609
target right and I think that's what

1587
01:01:09,140 --> 01:01:04,930
we're seeing in the media a lot of times

1588
01:01:12,420 --> 01:01:09,150

well initially this me too thing was

1589

01:01:15,449 --> 01:01:12,430

kind of about or at least these stories

1590

01:01:17,189 --> 01:01:15,459

that were about crimes in Hollywood for

1591

01:01:20,339 --> 01:01:17,199

example Kevin Spacey they were about

1592

01:01:23,039 --> 01:01:20,349

kids Kevin Spacey's taken underage kids

1593

01:01:25,680 --> 01:01:23,049

out to dinner and out to parties and

1594

01:01:28,920 --> 01:01:25,690

Bryan Singer the director is dealing

1595

01:01:31,439 --> 01:01:28,930

with underage kids right we also had

1596

01:01:34,289 --> 01:01:31,449

Corey Feldman speaking out again it's

1597

01:01:36,839 --> 01:01:34,299

about the kids and sure enough it's all

1598

01:01:39,089 --> 01:01:36,849

switched cuz Weinstein it's all female

1599

01:01:42,089 --> 01:01:39,099

actresses that are above the legal age

1600

01:01:44,729 --> 01:01:42,099

it's just that's the spin and then they

1601
01:01:46,890 --> 01:01:44,739
start like Louie CK jerked off in front

1602
01:01:48,719 --> 01:01:46,900
of that woman and Aziz Ansari was

1603
01:01:50,609 --> 01:01:48,729
inappropriate and they're talking like

1604
01:01:53,400 --> 01:01:50,619
those things are like on the same level

1605
01:01:55,979 --> 01:01:53,410
as these pedophile rings and stuff and

1606
01:01:58,500 --> 01:01:55,989
it's like no right Chris Hardwick was a

1607
01:02:00,390 --> 01:01:58,510
dick to his girlfriend once in a while

1608
01:02:02,910 --> 01:02:00,400
yeah it's like this things are bad but

1609
01:02:05,550 --> 01:02:02,920
like that's not even close I mean it's

1610
01:02:07,380 --> 01:02:05,560
like a completely different it kind of

1611
01:02:09,030 --> 01:02:07,390
got over broadened like the scope of it

1612
01:02:11,400 --> 01:02:09,040
got over generalized to a point where

1613
01:02:13,140 --> 01:02:11,410

it's any sexual harassment now as part

1614

01:02:15,870 --> 01:02:13,150

of the need to conversation or whatever

1615

01:02:18,480 --> 01:02:15,880

and then the real solid important

1616

01:02:20,880 --> 01:02:18,490

targets like the child trafficking kind

1617

01:02:22,349 --> 01:02:20,890

of gets lost in the noise basically

1618

01:02:24,960 --> 01:02:22,359

because the conversation became so

1619

01:02:27,720 --> 01:02:24,970

diluted mm-hmm it's the classic

1620

01:02:29,849 --> 01:02:27,730

bait-and-switch and I also wanted to ask

1621

01:02:31,650 --> 01:02:29,859

you this because my last guest you

1622

01:02:33,960 --> 01:02:31,660

talked about this Jordan say there he

1623

01:02:37,830 --> 01:02:33,970

thought that you could also fold the

1624

01:02:39,090 --> 01:02:37,840

trump presidency into this story and I'm

1625

01:02:41,820 --> 01:02:39,100

just curious what are your thoughts on

1626

01:02:44,970 --> 01:02:41,830

that I think totally I mean there's this

1627

01:02:47,310 --> 01:02:44,980

pictures of Clinton and Trump at the

1628

01:02:49,020 --> 01:02:47,320

Trump wedding and they're friends

1629

01:02:51,359 --> 01:02:49,030

they're old buddies and Trump used to be

1630

01:02:53,940 --> 01:02:51,369

a lifelong Democrat and he's an actor I

1631

01:02:56,580 --> 01:02:53,950

mean he's literally a TV actor from WWE

1632

01:02:58,620 --> 01:02:56,590

in The Apprentice and stuff he's just

1633

01:03:01,320 --> 01:02:58,630

good at being an actor and I think the

1634

01:03:03,570 --> 01:03:01,330

whole drama the Clintons versus the

1635

01:03:06,540 --> 01:03:03,580

Trump's it might be real on some level

1636

01:03:08,099 --> 01:03:06,550

but I think they control both sides I

1637

01:03:09,750 --> 01:03:08,109

mean I think it's like a wrestling thing

1638

01:03:12,420 --> 01:03:09,760

you've got the Undertaker and then

1639

01:03:13,530 --> 01:03:12,430

you've got another wrestler and the two

1640

01:03:15,030 --> 01:03:13,540

are fighting and it doesn't really

1641

01:03:18,240 --> 01:03:15,040

matter which one you pick you're still

1642

01:03:20,760 --> 01:03:18,250

watching WWE it's still part of the same

1643

01:03:23,760 --> 01:03:20,770

structure it's like Pepsi versus coke

1644

01:03:26,340 --> 01:03:23,770

and I'm trying to find some water it's a

1645

01:03:28,380 --> 01:03:26,350

lot of false dichotomies like that where

1646

01:03:29,880 --> 01:03:28,390

we seem to have a choice but we really

1647

01:03:31,859 --> 01:03:29,890

don't and it's kind of organized that

1648

01:03:33,720 --> 01:03:31,869

way I mean I really wish the US would

1649

01:03:36,240 --> 01:03:33,730

move towards a multi-party system and we

1650

01:03:38,099 --> 01:03:36,250

could maybe get out from this two-party

1651

01:03:39,960 --> 01:03:38,109

thing but the way it is right now the

1652

01:03:41,640 --> 01:03:39,970

system is so rigged we don't have a

1653

01:03:45,750 --> 01:03:41,650

democracy we just have the appearance of

1654

01:03:47,730 --> 01:03:45,760

it mm-hmm Hickory and I mentioned this

1655

01:03:50,930 --> 01:03:47,740

to you before the start of the show but

1656

01:03:53,730 --> 01:03:50,940

I've just been thinking about this big

1657

01:03:55,140 --> 01:03:53,740

conflict or coup or deep state thing

1658

01:03:57,599 --> 01:03:55,150

people are talked about and it's like

1659

01:03:59,130 --> 01:03:57,609

just because there's a power struggle

1660

01:04:00,990 --> 01:03:59,140

over the slaughter house doesn't mean

1661

01:04:02,250 --> 01:04:01,000

they don't think we're all cattle you

1662

01:04:04,470 --> 01:04:02,260

know it's not like they're on our side

1663

01:04:06,270 --> 01:04:04,480

it's just if you've ever seen Game of

1664

01:04:08,280 --> 01:04:06,280

Thrones there is no good guy there's

1665

01:04:10,170 --> 01:04:08,290

just a bunch of shitty people that are

1666

01:04:12,220 --> 01:04:10,180

looking for power and so yeah you

1667

01:04:14,590 --> 01:04:12,230

usurped the ol

1668

01:04:17,290 --> 01:04:14,600

power dynamic the old power structure

1669

01:04:19,420 --> 01:04:17,300

but that doesn't mean that our saviors

1670

01:04:21,160 --> 01:04:19,430

finally here yeah

1671

01:04:23,830 --> 01:04:21,170

I agree completely and I've always said

1672

01:04:26,170 --> 01:04:23,840

people like Clinton and Putin have more

1673

01:04:28,450 --> 01:04:26,180

in common than you and I do with Clinton

1674

01:04:29,800 --> 01:04:28,460

yeah they're playing a whole different

1675

01:04:30,609 --> 01:04:29,810

game I mean they live in a different

1676

01:04:33,040 --> 01:04:30,619

world

1677

01:04:34,690 --> 01:04:33,050

where when you've got that level of

1678

01:04:36,370 --> 01:04:34,700

money and influence you're in a bubble

1679

01:04:38,050 --> 01:04:36,380

you're in a bubble of a bubble of a

1680

01:04:40,660 --> 01:04:38,060

bubble you know like you're so well

1681

01:04:43,120 --> 01:04:40,670

insulated from reality if you don't want

1682

01:04:45,040 --> 01:04:43,130

to see it that you can live in your own

1683

01:04:46,960 --> 01:04:45,050

little kind of world and I think we're

1684

01:04:48,300 --> 01:04:46,970

seeing that a lot more and when you have

1685

01:04:50,770 --> 01:04:48,310

that much money you know people are

1686

01:04:52,720 --> 01:04:50,780

jumping to do what you say because they

1687

01:04:54,960 --> 01:04:52,730

might get a piece of that and that's

1688

01:04:58,990 --> 01:04:54,970

where a lot of this power comes from

1689

01:05:01,690 --> 01:04:59,000

mm-hmm and I was gonna start asking you

1690

01:05:02,290 --> 01:05:01,700

about Freemasonry but that jogged in my

1691

01:05:05,770 --> 01:05:02,300

memory

1692

01:05:08,950 --> 01:05:05,780

something about Kate Spade after she

1693

01:05:10,960 --> 01:05:08,960

died they released a piece about Kate

1694

01:05:12,580 --> 01:05:10,970

Spade's apartment like look at how well

1695

01:05:16,930 --> 01:05:12,590

decorated it was because you know she's

1696

01:05:18,640 --> 01:05:16,940

a fashion icon and the picture is of her

1697

01:05:21,340 --> 01:05:18,650

kitchen which has a black-and-white

1698

01:05:24,010 --> 01:05:21,350

checkerboard floor and then it also has

1699

01:05:27,160 --> 01:05:24,020

a black and white checkered tablecloth

1700

01:05:29,849 --> 01:05:27,170

and it's like is this just a design

1701

01:05:32,950 --> 01:05:29,859

element potentially but it's also

1702

01:05:35,920 --> 01:05:32,960

potentially a signal that she is a Mason

1703

01:05:37,810 --> 01:05:35,930

her company was bought early for 33

1704

01:05:40,420 --> 01:05:37,820

million dollars it did have some

1705

01:05:43,390 --> 01:05:40,430

interesting symbols at its founding yeah

1706

01:05:46,030 --> 01:05:43,400

just another log for the fireman but

1707

01:05:47,290 --> 01:05:46,040

probably worth mentioning interesting

1708

01:05:49,420 --> 01:05:47,300

thing I forgot to mention to you about

1709

01:05:51,790 --> 01:05:49,430

the Dutch Queens sister she died at the

1710

01:05:54,390 --> 01:05:51,800

age of 33 as well probably just a

1711

01:05:56,800 --> 01:05:54,400

coincidence but there's a lot at 33

1712

01:05:58,090 --> 01:05:56,810

which is definitely a freemason number

1713

01:06:01,240 --> 01:05:58,100

because that's the top rank of

1714

01:06:05,080 --> 01:06:01,250

Freemasonry right we also wanted to

1715

01:06:07,570 --> 01:06:05,090

point out that as big reddit users you

1716

01:06:10,180 --> 01:06:07,580

in particular we have seen these signs

1717

01:06:12,310 --> 01:06:10,190

that the site is compromised and really

1718

01:06:14,470 --> 01:06:12,320

isn't the free form of ideas that it was

1719

01:06:16,750 --> 01:06:14,480

a few years ago and you have been

1720

01:06:18,430 --> 01:06:16,760

working on an alternative talk to us

1721

01:06:20,740 --> 01:06:18,440

about this a little bit before we call

1722

01:06:23,560 --> 01:06:20,750

it in yeah so I've been developing

1723

01:06:25,070 --> 01:06:23,570

saidit dotnet you guys check it out it's

1724

01:06:26,840 --> 01:06:25,080

based on the reddit 25

1725

01:06:28,700 --> 01:06:26,850

teen open-source code which is the last

1726

01:06:30,380 --> 01:06:28,710

year they released the open source for

1727

01:06:33,290 --> 01:06:30,390

reddit before they made a closed source

1728

01:06:36,320 --> 01:06:33,300

and I've been a longtime user of reddit

1729

01:06:37,670 --> 01:06:36,330

I've been on there since 2007 I would

1730

01:06:40,550 --> 01:06:37,680

say so I've been on there like 11 years

1731

01:06:42,260 --> 01:06:40,560

and it's been interesting to see the

1732

01:06:44,960 --> 01:06:42,270

change I mean the last three four years

1733

01:06:47,180 --> 01:06:44,970

especially with the 2016 election there

1734

01:06:49,550 --> 01:06:47,190

was a kind of organic Bernie Sanders

1735

01:06:51,170 --> 01:06:49,560

support on the website and then there

1736

01:06:52,550 --> 01:06:51,180

was this one day a lot of people

1737

01:06:55,370 --> 01:06:52,560

remember it was like a switch flipped

1738

01:06:58,430 --> 01:06:55,380

and the whole site became super pro

1739

01:07:00,250 --> 01:06:58,440

Hillary just like overnight and it

1740

01:07:03,410 --> 01:07:00,260

eventually came to light that there's a

1741

01:07:05,630 --> 01:07:03,420

messaging company called share blue that

1742

01:07:07,700 --> 01:07:05,640

worked as a propaganda arm or an

1743

01:07:10,370 --> 01:07:07,710

advertising arm for the Clinton campaign

1744

01:07:12,740 --> 01:07:10,380

and they had huge targeted online

1745

01:07:14,420 --> 01:07:12,750

campaigns as did Trump through Cambridge

1746

01:07:17,150 --> 01:07:14,430

analytic and I have a video about

1747

01:07:19,550 --> 01:07:17,160

propaganda on my mag Norris 7 channel on

1748

01:07:21,710 --> 01:07:19,560

YouTube about this but yeah it's a

1749

01:07:22,730 --> 01:07:21,720

problem and then reddit is divided in a

1750

01:07:25,070 --> 01:07:22,740

way where you know there's each

1751

01:07:27,440 --> 01:07:25,080

subreddit is its own kind of little zone

1752

01:07:29,270 --> 01:07:27,450

and it's got its own moderators and what

1753

01:07:31,670 --> 01:07:29,280

has happened over the last five years is

1754

01:07:34,370 --> 01:07:31,680

the moderators of all the biggest subs

1755

01:07:36,470 --> 01:07:34,380

have slowly become compromised because

1756

01:07:38,510 --> 01:07:36,480

the politics sub for example might be

1757

01:07:41,660 --> 01:07:38,520

viewed by literally 10 or a hundred

1758

01:07:44,300 --> 01:07:41,670

million people and so you know that's as

1759

01:07:46,160 --> 01:07:44,310

big as any TV channel so if you're the

1760

01:07:47,390 --> 01:07:46,170

moderator of just that subreddit not

1761

01:07:49,370 --> 01:07:47,400

even a vault right up it's just that

1762

01:07:51,050 --> 01:07:49,380

subreddit you can control the narrative

1763

01:07:54,080 --> 01:07:51,060

like that and so it's kind of in this

1764

01:07:55,670 --> 01:07:54,090

gradual take over a subreddit after

1765

01:07:57,890 --> 01:07:55,680

subreddit and they get themselves into

1766

01:07:59,960 --> 01:07:57,900

positions where they can be moderators

1767

01:08:01,730 --> 01:07:59,970

and then I guess the admins of Reddit

1768

01:08:04,400 --> 01:08:01,740

have turned a blind eye to this because

1769

01:08:07,940 --> 01:08:04,410

it's quite obvious if you actually try

1770

01:08:09,470 --> 01:08:07,950

and compile evidence for it but you

1771

01:08:11,000 --> 01:08:09,480

bring it to the reddit admins and

1772

01:08:14,570 --> 01:08:11,010

they're more likely to ban you for

1773

01:08:16,010 --> 01:08:14,580

bringing it up then actually go after

1774

01:08:18,410 --> 01:08:16,020

the problem yeah and I've had this

1775

01:08:20,390 --> 01:08:18,420

happen personally several times and I've

1776

01:08:22,280 --> 01:08:20,400

heard other people who've had the same

1777

01:08:23,780 --> 01:08:22,290

happen to them and then you get banned

1778

01:08:25,730 --> 01:08:23,790

from all these different sub rights to

1779

01:08:27,320 --> 01:08:25,740

for saying the wrong thing like you know

1780

01:08:28,880 --> 01:08:27,330

in the politics subreddit you've got a

1781

01:08:30,849 --> 01:08:28,890

little worked up for a second and said

1782

01:08:32,990 --> 01:08:30,859

something and then you're banned forever

1783

01:08:34,490 --> 01:08:33,000

there's certain opinions that just

1784

01:08:36,500 --> 01:08:34,500

aren't allowed on certain sub reddit

1785

01:08:38,880 --> 01:08:36,510

and it just creates these echo chambers

1786

01:08:42,060 --> 01:08:38,890

and it's just become very polar

1787

01:08:44,280 --> 01:08:42,070

kind of echo chamber situation and you

1788

01:08:46,349 --> 01:08:44,290

can't say anything against the echo

1789

01:08:48,180 --> 01:08:46,359

chamber in the sub urine you know so it

1790

01:08:49,790 --> 01:08:48,190

kills all reasonable conversation

1791

01:08:52,950 --> 01:08:49,800

because there's no middle ground and

1792

01:08:54,300 --> 01:08:52,960

that's the real problem and the Reta

1793

01:08:56,250 --> 01:08:54,310

admins have kind of turned a blind eye

1794

01:08:58,380 --> 01:08:56,260

to this I've been seeing this coming

1795

01:09:00,510 --> 01:08:58,390

down the road like dig calm kind of fell

1796

01:09:02,610 --> 01:09:00,520

apart I just knew it was time we had to

1797

01:09:05,880 --> 01:09:02,620

set up a reddit alternative and there's

1798

01:09:07,620 --> 01:09:05,890

Vogt CEO is another alternative but it

1799

01:09:09,360 --> 01:09:07,630

got taken over by the people who got

1800

01:09:11,370 --> 01:09:09,370

kicked out of reddit which ended up

1801

01:09:13,110 --> 01:09:11,380

being a lot of very right-wing racist

1802

01:09:15,060 --> 01:09:13,120

people basically and so there was a

1803

01:09:17,370 --> 01:09:15,070

collection of these types of people on

1804

01:09:20,490 --> 01:09:17,380

vote and that end up determining its

1805

01:09:23,480 --> 01:09:20,500

culture of the site and so we hope to

1806

01:09:27,540 --> 01:09:23,490

avoid a similar fate that said it so

1807

01:09:28,890 --> 01:09:27,550

it's a very debate focused website and

1808

01:09:30,510 --> 01:09:28,900

the moderation is just based on

1809

01:09:32,250 --> 01:09:30,520

basically the amount of respect you pay

1810

01:09:34,260 --> 01:09:32,260

the other person as opposed to what

1811

01:09:35,730 --> 01:09:34,270

opinion you have or whatever unsteady

1812

01:09:37,560 --> 01:09:35,740

you can have any opinion you want as

1813

01:09:39,900 --> 01:09:37,570

long as you respect the other person

1814

01:09:41,670 --> 01:09:39,910

when you express it and that's basically

1815

01:09:44,370 --> 01:09:41,680

all there is to it and I think that way

1816

01:09:47,010 --> 01:09:44,380

we can have all sides of a lot of

1817

01:09:49,770 --> 01:09:47,020

different debates but it not descend

1818

01:09:52,800 --> 01:09:49,780

into you know trolling and anger and

1819

01:09:54,300 --> 01:09:52,810

vote manipulation and stuff that's

1820

01:09:56,040 --> 01:09:54,310

another thing was said it is also and so

1821

01:09:59,070 --> 01:09:56,050

the up boat down boat system like there

1822

01:10:01,050 --> 01:09:59,080

is on Reddit we have a insightful and

1823

01:10:03,060 --> 01:10:01,060

funny voting system so you can impose

1824

01:10:06,390 --> 01:10:03,070

something as insightful or as funny or

1825

01:10:08,790 --> 01:10:06,400

as both and because there's no down vote

1826

01:10:11,280 --> 01:10:08,800

you don't get brigades of people working

1827

01:10:13,140 --> 01:10:11,290

together to try and control comment

1828

01:10:14,850 --> 01:10:13,150

sections because they can't undo

1829

01:10:16,590 --> 01:10:14,860

people's votes you know you can undo it

1830

01:10:18,630 --> 01:10:16,600

and up vote with the down boat so they

1831

01:10:21,000 --> 01:10:18,640

can basically shape whatever they want

1832

01:10:23,310 --> 01:10:21,010

however they like but if you've got two

1833

01:10:25,080 --> 01:10:23,320

separate types of up votes the only

1834

01:10:28,110 --> 01:10:25,090

thing you can do if you don't like it is

1835

01:10:29,580 --> 01:10:28,120

ignore it smart yeah so you say this is

1836

01:10:31,020 --> 01:10:29,590

good or you can ignore it so that's kind

1837

01:10:32,730 --> 01:10:31,030

of a way of the side so we hope this

1838

01:10:35,310 --> 01:10:32,740

will cut down on trolling and cut down

1839

01:10:37,440 --> 01:10:35,320

on the problems that have become so

1840

01:10:38,760 --> 01:10:37,450

rampant on Reddit it's been exciting

1841

01:10:40,470 --> 01:10:38,770

we've seen some exciting growth and

1842

01:10:43,140 --> 01:10:40,480

we've got sixteen hundred usernames

1843

01:10:47,010 --> 01:10:43,150

signed up now and according to Alexa

1844

01:10:49,770 --> 01:10:47,020

rank or 260,000 in the world by traffic

1845

01:10:51,690 --> 01:10:49,780

which is a fairly decent ranking so far

1846

01:10:52,260 --> 01:10:51,700

so and we're always adding new features

1847

01:10:54,990 --> 01:10:52,270

we just

1848

01:10:56,700 --> 01:10:55,000

like image and video it's Pando so you

1849

01:10:58,350 --> 01:10:56,710

can view the videos and images in line

1850

01:11:00,960 --> 01:10:58,360

as you're scrolling which is the future

1851
01:11:03,000 --> 01:11:00,970
that voting breaded have had so we're

1852
01:11:04,830 --> 01:11:03,010
kind of joining them with that we've

1853
01:11:08,250 --> 01:11:04,840
also got unique features like to put our

1854
01:11:10,620 --> 01:11:08,260
see chat like a live chat in every

1855
01:11:12,600 --> 01:11:10,630
single sub so you can go to any sub and

1856
01:11:14,460 --> 01:11:12,610
it's got a live chat dedicated for it

1857
01:11:17,520 --> 01:11:14,470
which is kind of cool so we're hoping

1858
01:11:19,140 --> 01:11:17,530
little communities can develop not just

1859
01:11:21,210 --> 01:11:19,150
around the posts but also around the

1860
01:11:22,800 --> 01:11:21,220
chatting which gives it more life and

1861
01:11:25,380 --> 01:11:22,810
different ways to communicate with

1862
01:11:28,710 --> 01:11:25,390
people so very awesome

1863
01:11:31,380 --> 01:11:28,720

I think that's great and give the URL

1864

01:11:34,170 --> 01:11:31,390

spell the URL out for people real quick

1865

01:11:35,280 --> 01:11:34,180

yeah sure it's said it dotnet so it's

1866

01:11:41,070 --> 01:11:35,290

like he said she said

1867

01:11:42,900 --> 01:11:41,080

sa ID i T dotnet cool that's great man

1868

01:11:44,970 --> 01:11:42,910

and I've struggled with mainstream

1869

01:11:47,310 --> 01:11:44,980

platforms a bit myself I got almost a

1870

01:11:49,440 --> 01:11:47,320

full month time out from YouTube where I

1871

01:11:50,760 --> 01:11:49,450

couldn't post any shows or communicate

1872

01:11:53,040 --> 01:11:50,770

to the subscribers there

1873

01:11:55,770 --> 01:11:53,050

yeah that's thought yeah I really wanted

1874

01:11:57,180 --> 01:11:55,780

to quit YouTube but D tube and

1875

01:11:59,820 --> 01:11:57,190

shoot and all these supposed

1876

01:12:01,380 --> 01:11:59,830

alternatives they barely even work you

1877

01:12:03,660 --> 01:12:01,390

know I'm not watching an hour-long video

1878

01:12:07,680 --> 01:12:03,670

on D 2 but doesn't work yeah it's

1879

01:12:09,390 --> 01:12:07,690

annoying there's this alternative hook

1880

01:12:11,120 --> 01:12:09,400

tube have you heard of it it's like a

1881

01:12:14,280 --> 01:12:11,130

backup system for YouTube you can

1882

01:12:15,900 --> 01:12:14,290

archive any video basically but they had

1883

01:12:17,520 --> 01:12:15,910

to shut down the other day they've been

1884

01:12:19,680 --> 01:12:17,530

operating for like three or four years

1885

01:12:21,810 --> 01:12:19,690

and they just two days ago had to shut

1886

01:12:24,270 --> 01:12:21,820

down because YouTube changed their API

1887

01:12:25,680 --> 01:12:24,280

so you can't interact with YouTube

1888

01:12:28,220 --> 01:12:25,690

through API is the same way as you could

1889

01:12:30,720 --> 01:12:28,230

not broke the whole hook tube service I

1890

01:12:32,940 --> 01:12:30,730

think building a video alternative is

1891

01:12:36,420 --> 01:12:32,950

very hard but luckily building a reddit

1892

01:12:38,120 --> 01:12:36,430

alternative is not quite as bad so we've

1893

01:12:41,340 --> 01:12:38,130

got this thing streamlined I mean it's

1894

01:12:43,620 --> 01:12:41,350

streamlined for fastness but also

1895

01:12:45,720 --> 01:12:43,630

streamlined for a cost-effectiveness so

1896

01:12:47,580 --> 01:12:45,730

I mean it's very low expenditures for us

1897

01:12:48,930 --> 01:12:47,590

to keep this thing going so we plan to

1898

01:12:51,840 --> 01:12:48,940

be able to run it for years or decades

1899

01:12:54,180 --> 01:12:51,850

to come so we look forward to seeing the

1900

01:12:55,650 --> 01:12:54,190

community grow as it has and to keep

1901

01:12:57,780 --> 01:12:55,660

adding new features and you know

1902

01:12:59,790 --> 01:12:57,790

hopefully someday we'll throw to the

1903

01:13:02,070 --> 01:12:59,800

size of vote or maybe you from reddit

1904

01:13:03,570 --> 01:13:02,080

that would be crazy I really wish you

1905

01:13:05,790 --> 01:13:03,580

luck on that it's just so frustrating

1906

01:13:07,830 --> 01:13:05,800

too because people

1907

01:13:10,050 --> 01:13:07,840

to only want to huddle around these

1908

01:13:12,000 --> 01:13:10,060

massive corporate platforms it's just

1909

01:13:14,160 --> 01:13:12,010

really annoying and that's what got me

1910

01:13:17,040 --> 01:13:14,170

to end up going back to YouTube posting

1911

01:13:19,230 --> 01:13:17,050

shows there right but it's like people

1912

01:13:21,210 --> 01:13:19,240

say they want freedom but the data shows

1913

01:13:23,370 --> 01:13:21,220

they pretty much only get on the

1914

01:13:26,760 --> 01:13:23,380

internet to check Facebook Google Amazon

1915

01:13:28,860 --> 01:13:26,770

or porn and the data doesn't lie so rate

1916

01:13:30,030 --> 01:13:28,870

you know what are you gonna do with

1917

01:13:32,220 --> 01:13:30,040

sites like Reddit you have a critical

1918

01:13:34,260 --> 01:13:32,230

mass problem too because the more users

1919

01:13:35,580 --> 01:13:34,270

are on the site the more fun the site is

1920

01:13:38,190 --> 01:13:35,590

to use because there's more people to

1921

01:13:40,650 --> 01:13:38,200

interact with yes and everyone is on

1922

01:13:43,170 --> 01:13:40,660

reddit just because everyone is on

1923

01:13:46,020 --> 01:13:43,180

reddit you know like it's like a loop

1924

01:13:47,610 --> 01:13:46,030

it's a self problem I think the only way

1925

01:13:50,790 --> 01:13:47,620

it's gonna change is reddit has been

1926

01:13:53,460 --> 01:13:50,800

working on this redesign and do you

1927

01:13:55,490 --> 01:13:53,470

remember Digg calm did your visa yeah so

1928

01:13:58,140 --> 01:13:55,500

do you remember the Digg calm redesign

1929

01:13:59,220 --> 01:13:58,150

remember that basically broke Digg no

1930

01:14:01,170 --> 01:13:59,230

one wanted to go there anymore

1931

01:14:04,260 --> 01:14:01,180

exactly yeah so they've been kind of

1932

01:14:05,580 --> 01:14:04,270

like slipping in advertiser things as if

1933

01:14:06,930 --> 01:14:05,590

they were articles and people were

1934

01:14:08,370 --> 01:14:06,940

getting pissed off and then they

1935

01:14:10,170 --> 01:14:08,380

basically did this huge redesign that

1936

01:14:12,300 --> 01:14:10,180

changed the whole site and he couldn't

1937

01:14:15,570 --> 01:14:12,310

opt-out or anything and it was to hide

1938

01:14:17,880 --> 01:14:15,580

advertising content even better as if it

1939

01:14:19,890 --> 01:14:17,890

were user posted content so basically

1940

01:14:22,800 --> 01:14:19,900

it's just all like for advertiser grab

1941

01:14:24,570 --> 01:14:22,810

for money you know and reddit is

1942

01:14:25,950 --> 01:14:24,580

undoubtedly doing the exact same thing

1943

01:14:27,270 --> 01:14:25,960

here so they're redesigned they're

1944

01:14:28,800 --> 01:14:27,280

putting a lot more thought into it and

1945

01:14:30,360 --> 01:14:28,810

they're allowing people to opt out but

1946

01:14:31,950 --> 01:14:30,370

it's gonna get to a point where they're

1947

01:14:33,690 --> 01:14:31,960

not going to support the old version

1948

01:14:36,390 --> 01:14:33,700

anymore and they're gonna force the

1949

01:14:38,160 --> 01:14:36,400

redesign and it's gonna piss literally

1950

01:14:39,930 --> 01:14:38,170

millions of people off just like Digg

1951

01:14:42,600 --> 01:14:39,940

but I think they're gonna do it because

1952

01:14:44,280 --> 01:14:42,610

they view it as a financially

1953

01:14:45,240 --> 01:14:44,290

intelligent move you know I think they

1954

01:14:47,010 --> 01:14:45,250

think they're going to get all this

1955

01:14:49,290 --> 01:14:47,020

extra advertising revenue and they've

1956

01:14:50,700 --> 01:14:49,300

got a captive audience and all this

1957

01:14:52,890 --> 01:14:50,710

stuff so I think that's kind of where

1958

01:14:54,960 --> 01:14:52,900

their head is at but when that happens

1959

01:14:56,580 --> 01:14:54,970

and they screw everyone over just like

1960

01:14:59,100 --> 01:14:56,590

Digg screwed over a bunch of people you

1961

01:15:01,680 --> 01:14:59,110

know said it will be there so it will be

1962

01:15:05,880 --> 01:15:01,690

waiting with open arms to accept the

1963

01:15:09,810 --> 01:15:05,890

refugees from reddit so for sure well

1964

01:15:12,300 --> 01:15:09,820

dude again great stuff really awesome

1965

01:15:13,740 --> 01:15:12,310

research you definitely fit you know

1966

01:15:16,410 --> 01:15:13,750

you're definitely aggressive with the

1967

01:15:18,250 --> 01:15:16,420

research and but also really even-handed

1968

01:15:20,500 --> 01:15:18,260

and fair too

1969

01:15:22,330 --> 01:15:20,510

the middle ground so thanks I don't

1970

01:15:23,440 --> 01:15:22,340

think it suffers from this hole you know

1971

01:15:25,450 --> 01:15:23,450

when all you have is a hammer everything

1972

01:15:27,220 --> 01:15:25,460

looks like a nail thing right you know a

1973

01:15:30,010 --> 01:15:27,230

lot of times I interview researchers

1974

01:15:31,720 --> 01:15:30,020

where they just run off with a few bits

1975

01:15:34,450 --> 01:15:31,730

of data and make some pretty out-there

1976

01:15:36,460 --> 01:15:34,460

conclusions but you seem even-handed and

1977

01:15:37,960 --> 01:15:36,470

that's important and to me those are my

1978

01:15:40,060 --> 01:15:37,970

favorite shows to do so I really

1979

01:15:41,350 --> 01:15:40,070

appreciate it thanks man I feel the same

1980

01:15:42,820 --> 01:15:41,360

way about you as an interviewer I

1981

01:15:44,200 --> 01:15:42,830

thought you asked very interesting

1982

01:15:46,540 --> 01:15:44,210

questions and you always let the

1983

01:15:48,130 --> 01:15:46,550

interviewee say their piece of the story

1984

01:15:50,950 --> 01:15:48,140

and their angle even if it doesn't

1985

01:15:53,080 --> 01:15:50,960

totally stand up to scrutiny so you let

1986

01:15:54,340 --> 01:15:53,090

the viewer decide I really like that I

1987

01:15:56,560 --> 01:15:54,350

think that's something that's missing

1988

01:15:59,260 --> 01:15:56,570

from a lot of media well cheers to that

1989

01:16:02,080 --> 01:15:59,270

and man you know I've kept you a little

1990

01:16:03,460 --> 01:16:02,090

bit over the allotted time so I should

1991

01:16:06,130 --> 01:16:03,470

probably let you get on with your day

1992

01:16:07,780 --> 01:16:06,140

but again great job really appreciate

1993

01:16:10,270 --> 01:16:07,790

you coming on any other parting words

1994

01:16:11,920 --> 01:16:10,280

for the people no you know just keep

1995

01:16:13,900 --> 01:16:11,930

looking into these things I think it's

1996

01:16:15,700 --> 01:16:13,910

important these things are emotionally

1997

01:16:17,470 --> 01:16:15,710

exhausting but I think that is the

1998

01:16:19,540 --> 01:16:17,480

reason they assume you won't look into

1999

01:16:21,700 --> 01:16:19,550

them if you can kind of overcome that

2000

01:16:23,770 --> 01:16:21,710

and and then you have learn how to take

2001

01:16:25,600 --> 01:16:23,780

the steam off by watching funny things

2002

01:16:27,040 --> 01:16:25,610

like I like late night shows salty like

2003

01:16:28,870 --> 01:16:27,050

four hours of research and this really

2004

01:16:31,300 --> 01:16:28,880

heavy stuff and then all watch the

2005

01:16:32,800 --> 01:16:31,310

late-night shows unwind don't be afraid

2006

01:16:34,390 --> 01:16:32,810

to look into stuff even if it seems

2007

01:16:37,450 --> 01:16:34,400

scary I think that's what I would say to

2008

01:16:39,040 --> 01:16:37,460

people the reason people don't look into

2009

01:16:40,960 --> 01:16:39,050

things sometimes is because their

2010

01:16:44,979 --> 01:16:40,970

emotions and I think that's important to

2011

01:16:48,520 --> 01:16:44,989

overcome well said right on man mag

2012

01:16:51,250 --> 01:16:48,530

Norris seven another great show in the

2013

01:16:54,040 --> 01:16:51,260

can until next time keep it up and take

2014

01:16:55,530 --> 01:16:54,050

care hey thanks man appreciate it you

2015

01:16:59,440 --> 01:16:55,540

got it

2016

01:17:02,410 --> 01:16:59,450

mmm-hmm hell of a show people hell of a

2017

01:17:06,280 --> 01:17:02,420

show the triumphant return of Madden or

2018

01:17:07,630 --> 01:17:06,290

seven good man good topic I do think

2019

01:17:10,210 --> 01:17:07,640

there's something fishy about these

2020

01:17:13,000 --> 01:17:10,220

deaths and I want to be able to talk

2021

01:17:16,150 --> 01:17:13,010

about it without going full cuing on and

2022

01:17:18,790 --> 01:17:16,160

so I think we accomplished that today we

2023

01:17:21,370 --> 01:17:18,800

covered quite a few details and a lot of

2024

01:17:22,750 --> 01:17:21,380

it is speculative but I don't think we

2025

01:17:24,700 --> 01:17:22,760

stretch too hard

2026

01:17:27,610 --> 01:17:24,710

maybe I'm just prone to thinking

2027

01:17:30,340 --> 01:17:27,620

conspiratorial II I might be biased but

2028

01:17:32,140 --> 01:17:30,350

that's why you come here this show gets

2029

01:17:33,880 --> 01:17:32,150

you a lot of alternative

2030

01:17:36,939 --> 01:17:33,890

pinions on many different things but a

2031

01:17:39,340 --> 01:17:36,949

major artery on this beast is

2032

01:17:42,040 --> 01:17:39,350

the conspiratorial view always will be

2033

01:17:44,620 --> 01:17:42,050

so this is probably the strongest case

2034

01:17:46,780 --> 01:17:44,630

we could make for conspiracy in an hour

2035

01:17:48,880 --> 01:17:46,790

and it was funny because mag thought

2036

01:17:50,830 --> 01:17:48,890

this information might be kind of dated

2037

01:17:52,899 --> 01:17:50,840

when we booked the show and then of

2038

01:17:55,149 --> 01:17:52,909

course it takes some time after that to

2039

01:17:56,530 --> 01:17:55,159

even release and I hope people are still

2040

01:17:59,740 --> 01:17:56,540

interested because it just seems like

2041

01:18:01,870 --> 01:17:59,750

yesterday to me but also in the time

2042

01:18:04,479 --> 01:18:01,880

just since this show is being edited we

2043

01:18:07,570 --> 01:18:04,489

had other big celebrity dust-ups related

2044

01:18:09,459 --> 01:18:07,580

to pedophilia one was James Gunn the

2045

01:18:12,399 --> 01:18:09,469

director of the guardians of the galaxy

2046

01:18:15,010 --> 01:18:12,409

movies where I guess the story would be

2047

01:18:17,020 --> 01:18:15,020

that he criticized Trump publicly so Fox

2048

01:18:20,020 --> 01:18:17,030

News put some dogs on him to comb

2049

01:18:22,120 --> 01:18:20,030

through and find some dirt he's some

2050

01:18:24,880 --> 01:18:22,130

ultra Hollywood liberal so there must be

2051

01:18:27,189 --> 01:18:24,890

something to find right well sure enough

2052

01:18:30,340 --> 01:18:27,199

there is and it makes you wonder how

2053

01:18:33,160 --> 01:18:30,350

many isolated incidents you need to make

2054

01:18:35,470 --> 01:18:33,170

a pattern and in this situation you can

2055

01:18:37,689 --> 01:18:35,480

go ahead and say that they are years old

2056

01:18:41,200 --> 01:18:37,699

but he tweeted some pretty raw stuff

2057

01:18:43,060 --> 01:18:41,210

involving kid bucking he says in the

2058

01:18:45,729 --> 01:18:43,070

name of humor and just being provocative

2059

01:18:48,189 --> 01:18:45,739

but it's that definitely would get

2060

01:18:51,160 --> 01:18:48,199

any one of us fired from any job and

2061

01:18:53,050 --> 01:18:51,170

I'll be the first to defend humor there

2062

01:18:55,000 --> 01:18:53,060

can't really be any lines with humor

2063

01:18:57,580 --> 01:18:55,010

because when you make a line then the

2064

01:19:00,220 --> 01:18:57,590

move is just to go past it but when it

2065

01:19:02,560 --> 01:19:00,230

comes to language and comedy and

2066

01:19:05,200 --> 01:19:02,570

outrageous statements it is what it is

2067

01:19:07,780 --> 01:19:05,210

but someone who gets caught saying way

2068

01:19:10,770 --> 01:19:07,790

too many pedo things can also use oh I

2069

01:19:13,149 --> 01:19:10,780

was just joking as their first excuse

2070

01:19:16,270 --> 01:19:13,159

just like people make excuses for

2071

01:19:19,360 --> 01:19:16,280

Podesta's art but just so we all know

2072

01:19:23,050 --> 01:19:19,370

the types of things he was tweeting he

2073

01:19:25,169 --> 01:19:23,060

was saying things like I like when

2074

01:19:28,030 --> 01:19:25,179

little boys touch me in my silly place

2075

01:19:30,939 --> 01:19:28,040

Eagle snatches kid is what I call it

2076

01:19:32,950 --> 01:19:30,949

when I get lucky the Expendables movie

2077

01:19:35,800 --> 01:19:32,960

was so manly that I the little

2078

01:19:38,200 --> 01:19:35,810

boy next to me I'm watching

2079

01:19:39,790 --> 01:19:38,210

trapped in the closet are Kelly's second

2080

01:19:42,280 --> 01:19:39,800

best video after the one where he

2081

01:19:45,310 --> 01:19:42,290

urinates on a child I mean these things

2082

01:19:45,950 --> 01:19:45,320

are pretty raw he's also one of Disney's

2083

01:19:50,080 --> 01:19:45,960

big

2084

01:19:53,720 --> 01:19:50,090

directors etc etc but it's obviously not

2085

01:19:55,160 --> 01:19:53,730

conclusive of crime but I'm giving this

2086

01:19:58,220 --> 01:19:55,170

context because what I actually found

2087

01:20:00,470 --> 01:19:58,230

interesting was it a few days later

2088

01:20:02,479 --> 01:20:00,480

there was a petition going around who

2089

01:20:05,030 --> 01:20:02,489

knows how many signatures had actually

2090

01:20:06,860 --> 01:20:05,040

had or what's even real but there was a

2091

01:20:09,050 --> 01:20:06,870

story going around that talked about

2092

01:20:11,510 --> 01:20:09,060

tens of thousands of signatures on a

2093

01:20:13,160 --> 01:20:11,520

petition to get James gun rehired to

2094

01:20:15,800 --> 01:20:13,170

complete the guardians of the galaxy

2095

01:20:17,780 --> 01:20:15,810

trilogy and it just gave me some pause

2096

01:20:19,760 --> 01:20:17,790

because we have so many guests talk

2097

01:20:22,760 --> 01:20:19,770

about the subtle movement to normalize

2098

01:20:25,640 --> 01:20:22,770

pedophilia something I've always just

2099

01:20:28,850 --> 01:20:25,650

found way too ridiculous to actually

2100

01:20:31,520 --> 01:20:28,860

happen but then that's sort of what the

2101
01:20:33,560 --> 01:20:31,530
story is just think about the general

2102
01:20:36,260 --> 01:20:33,570
zeitgeist and the people just getting

2103
01:20:38,000 --> 01:20:36,270
the mainstream story they read James

2104
01:20:40,550 --> 01:20:38,010
Gunn is fired because of a lot of Peto

2105
01:20:42,320 --> 01:20:40,560
tweets then they read that tens of

2106
01:20:44,540 --> 01:20:42,330
thousands of people want him to get his

2107
01:20:46,550 --> 01:20:44,550
job back basically saying look we don't

2108
01:20:48,350 --> 01:20:46,560
care about abusing children or joking

2109
01:20:50,959 --> 01:20:48,360
about it to the point of obsession and

2110
01:20:51,290 --> 01:20:50,969
suspicion we don't care about any of

2111
01:20:54,740 --> 01:20:51,300
that

2112
01:20:57,280 --> 01:20:54,750
we just want consistency in this movie

2113
01:21:00,050 --> 01:20:57,290

trilogy isn't that a little weird

2114

01:21:02,000 --> 01:21:00,060

strange priorities I guess I mean I like

2115

01:21:05,030 --> 01:21:02,010

those movies too but I think someone

2116

01:21:06,920 --> 01:21:05,040

else can handle it and I just thought

2117

01:21:09,560 --> 01:21:06,930

that thread was related and worth

2118

01:21:11,630 --> 01:21:09,570

mentioning as is the thing with Dan

2119

01:21:13,820 --> 01:21:11,640

Harmon if you don't know him he's the

2120

01:21:16,190 --> 01:21:13,830

creator of the show community which I

2121

01:21:19,340 --> 01:21:16,200

didn't care for and Rick and Morty which

2122

01:21:23,570 --> 01:21:19,350

I sort of loved his career is completely

2123

01:21:26,330 --> 01:21:23,580

on easy street but he decided to release

2124

01:21:29,360 --> 01:21:26,340

a skit where he says he's doing a pilot

2125

01:21:32,870 --> 01:21:29,370

for Showtime for a new show called Daryl

2126

01:21:35,840 --> 01:21:32,880

it's a parody of Dexter where he doesn't

2127

01:21:39,320 --> 01:21:35,850

kill his victims he just their

2128

01:21:42,050 --> 01:21:39,330

babies and he does it in the skit he

2129

01:21:44,360 --> 01:21:42,060

drops his pants shows his bare ass and

2130

01:21:48,290 --> 01:21:44,370

puts his dick in the face of a plastic

2131

01:21:52,400 --> 01:21:48,300

baby doll several times and maybe it is

2132

01:21:55,280 --> 01:21:52,410

just raw humor but this guy is like 35

2133

01:21:58,419 --> 01:21:55,290

40 we are not in high school

2134

01:22:01,330 --> 01:21:58,429

snickering at shock jock humor

2135

01:22:04,510 --> 01:22:01,340

again it's not a crime but it just seems

2136

01:22:06,640 --> 01:22:04,520

very unwise and now he's deleted his

2137

01:22:10,270 --> 01:22:06,650

Twitter and he's doing a bunch of damage

2138

01:22:12,010 --> 01:22:10,280

control and it's just like dude it does

2139

01:22:13,870 --> 01:22:12,020

not look good to have some exploding

2140

01:22:16,390 --> 01:22:13,880

Hollywood career and then release

2141

01:22:18,580 --> 01:22:16,400

something like this as if it's okay and

2142

01:22:20,439 --> 01:22:18,590

we have to go over these things from a

2143

01:22:22,959 --> 01:22:20,449

conspiratorial perspective because we

2144

01:22:25,959 --> 01:22:22,969

know the proper investigations aren't

2145

01:22:29,320 --> 01:22:25,969

ever being done that is the thing tweets

2146

01:22:31,780 --> 01:22:29,330

and actual crimes are worlds apart and

2147

01:22:34,990 --> 01:22:31,790

if we lived in a reality where we had a

2148

01:22:37,510 --> 01:22:35,000

fair noble vigilant law enforcement

2149

01:22:39,040 --> 01:22:37,520

system protecting children then these

2150

01:22:41,560 --> 01:22:39,050

sorts of things wouldn't be as

2151
01:22:44,050 --> 01:22:41,570
suspicious as they are in a reality

2152
01:22:45,640 --> 01:22:44,060
where we know nothing's being done so

2153
01:22:48,340 --> 01:22:45,650
here we are combing over all these

2154
01:22:51,100 --> 01:22:48,350
things ourselves sometimes a joke is

2155
01:22:53,950 --> 01:22:51,110
just a joke but sometimes if it's

2156
01:22:56,620 --> 01:22:53,960
constant and obsessive it could also be

2157
01:22:58,570 --> 01:22:56,630
gloating because again they probably

2158
01:23:01,140 --> 01:22:58,580
can't believe it themselves that it's

2159
01:23:03,640 --> 01:23:01,150
just a free-for-all in Hollywood and DC

2160
01:23:05,979 --> 01:23:03,650
but in terms of the actual content of

2161
01:23:08,380 --> 01:23:05,989
today's show I did want to play asia's

2162
01:23:11,410 --> 01:23:08,390
speech from the Cannes Film Festival at

2163
01:23:14,890 --> 01:23:11,420

least in part here's a clip and you tell

2164

01:23:16,689 --> 01:23:14,900

me if this is worth considering after

2165

01:23:22,350 --> 01:23:16,699

Anthony Bourdain's death just a week

2166

01:23:27,149 --> 01:23:22,360

later he was today

2167

01:23:32,970 --> 01:23:27,159

in 1997 I was raped by Harvey Weinstein

2168

01:23:38,609 --> 01:23:32,980

here at camp I was 21 years old this

2169

01:23:42,240 --> 01:23:38,619

festival was his hunting ground I want

2170

01:23:45,229 --> 01:23:42,250

to make a prediction Harvey Weinstein

2171

01:23:48,959 --> 01:23:45,239

will never be welcomed here ever again

2172

01:23:51,839 --> 01:23:48,969

he will live in disgrace shot by a film

2173

01:23:55,319 --> 01:23:51,849

community that once embraced him and

2174

01:23:58,859 --> 01:23:55,329

covered up for his crimes and even

2175

01:24:01,020 --> 01:23:58,869

tonight sitting among you there are

2176

01:24:03,990 --> 01:24:01,030

those who still have to be held

2177

01:24:08,520 --> 01:24:04,000

accountable for their conduct against

2178

01:24:10,770 --> 01:24:08,530

women for behavior that does not belong

2179

01:24:14,399 --> 01:24:10,780

in this industry does not belong in an

2180

01:24:18,689 --> 01:24:14,409

industry or workplace you know who you

2181

01:24:21,689 --> 01:24:18,699

are but most importantly we know who you

2182

01:24:25,140 --> 01:24:21,699

are and we're not going to allow you to

2183

01:24:27,870 --> 01:24:25,150

get away with it any longer so there you

2184

01:24:30,479 --> 01:24:27,880

go there's that nothing vague about it I

2185

01:24:33,030 --> 01:24:30,489

think it's important but who knows I

2186

01:24:35,729 --> 01:24:33,040

will say I really do appreciate the work

2187

01:24:38,189 --> 01:24:35,739

Magnum r7 did to prepare for this

2188

01:24:40,470 --> 01:24:38,199

episode not only in the first hour but

2189

01:24:43,140 --> 01:24:40,480

then we went in a completely different

2190

01:24:45,390 --> 01:24:43,150

direction the second hour that was more

2191

01:24:48,359 --> 01:24:45,400

of a continuation of the Rothschild

2192

01:24:50,819 --> 01:24:48,369

Rockefeller or diamond and oil resource

2193

01:24:53,700 --> 01:24:50,829

rape of Africa that we covered last time

2194

01:24:56,040 --> 01:24:53,710

and we went country by country adding a

2195

01:24:58,319 --> 01:24:56,050

lot more to the list and I'm serious

2196

01:25:00,120 --> 01:24:58,329

when I say that this should be the book

2197

01:25:02,970 --> 01:25:00,130

he writes and it should be called the

2198

01:25:06,030 --> 01:25:02,980

resource curse or the resource rape but

2199

01:25:07,770 --> 01:25:06,040

that might be too aggressive regardless

2200

01:25:10,470 --> 01:25:07,780

if you liked that first show we did a

2201
01:25:13,649 --> 01:25:10,480
few months back maybe even more than

2202
01:25:17,040 --> 01:25:13,659
that time flies but in the second hour

2203
01:25:21,319 --> 01:25:17,050
we did follow up with more countries

2204
01:25:24,149 --> 01:25:21,329
like Angola Nigeria Algeria the

2205
01:25:27,060 --> 01:25:24,159
Democratic Republic of the Congo and a

2206
01:25:29,549 --> 01:25:27,070
few others so sign up at the higher side

2207
01:25:32,030 --> 01:25:29,559
chats plus com if you want to hear the

2208
01:25:35,180 --> 01:25:32,040
things that nobody is talking about

2209
01:25:38,000 --> 01:25:35,190
yeah we also got into Freemasonry a bit

2210
01:25:40,640 --> 01:25:38,010
too and Zionism and I get a lot of flack

2211
01:25:42,680 --> 01:25:40,650
for not covering Zionism enough but if

2212
01:25:45,200 --> 01:25:42,690
you've been into this type of stuff for

2213
01:25:47,690 --> 01:25:45,210

more than a few years you probably don't

2214

01:25:50,450 --> 01:25:47,700

need to be reminded about Zionists very

2215

01:25:52,340 --> 01:25:50,460

much anyway there it is the case for

2216

01:25:55,160 --> 01:25:52,350

something rotten in Denmark when it

2217

01:25:57,770 --> 01:25:55,170

comes to this suicide string Oh

2218

01:25:59,780 --> 01:25:57,780

suicide string that's all right I think

2219

01:26:02,870 --> 01:25:59,790

I'm gonna use that in the title but with

2220

01:26:05,480 --> 01:26:02,880

that said we have the last \$5 plus show

2221

01:26:06,470 --> 01:26:05,490

of the higher side chats bit of a

2222

01:26:08,690 --> 01:26:06,480

milestone for me

2223

01:26:11,420 --> 01:26:08,700

August first is the infamous price

2224

01:26:13,610 --> 01:26:11,430

increase I hope I've built up enough

2225

01:26:15,170 --> 01:26:13,620

goodwill over time that you trust me

2226

01:26:17,540 --> 01:26:15,180

when I say that this is kind of just

2227

01:26:19,850 --> 01:26:17,550

what I have to do but I think it's going

2228

01:26:22,550 --> 01:26:19,860

to enable us to have a better show a

2229

01:26:25,310 --> 01:26:22,560

better infrastructure and maybe expand

2230

01:26:27,800 --> 01:26:25,320

into some other things I don't know no

2231

01:26:30,980 --> 01:26:27,810

promises cuz I gotta wait and see where

2232

01:26:33,380 --> 01:26:30,990

the dust settles after this change I've

2233

01:26:35,870 --> 01:26:33,390

had some people write me that are very

2234

01:26:38,990 --> 01:26:35,880

unhappy saying that they can't afford

2235

01:26:40,910 --> 01:26:39,000

the price increase and to me it's hard

2236

01:26:43,280 --> 01:26:40,920

to find things that over the past four

2237

01:26:45,830 --> 01:26:43,290

or more years have not increased in

2238

01:26:47,840 --> 01:26:45,840

price it's still cheaper than a movie

2239

01:26:51,110 --> 01:26:47,850

ticket it's still around the cost of a

2240

01:26:53,810 --> 01:26:51,120

beer and four years ago had I just

2241

01:26:55,310 --> 01:26:53,820

started at \$8 instead of five you

2242

01:26:58,190 --> 01:26:55,320

wouldn't even know the difference so I

2243

01:27:00,290 --> 01:26:58,200

would say consider it a deal that you've

2244

01:27:02,720 --> 01:27:00,300

got in the last four years for the

2245

01:27:04,970 --> 01:27:02,730

bottom barrel price and now we're coming

2246

01:27:08,510 --> 01:27:04,980

up to the level that most of my

2247

01:27:10,280 --> 01:27:08,520

colleagues are at and I know I've

2248

01:27:11,660 --> 01:27:10,290

repeatedly said that Plus members won't

2249

01:27:13,540 --> 01:27:11,670

have to do anything during this

2250

01:27:17,330 --> 01:27:13,550

transition and that's pretty much true

2251

01:27:18,920 --> 01:27:17,340

unless you subscribe via patreon see

2252

01:27:21,140 --> 01:27:18,930

when I control the system I can do what

2253

01:27:22,250 --> 01:27:21,150

I need to but patreon is a third party

2254

01:27:24,770 --> 01:27:22,260

they got their own rules they don't

2255

01:27:27,620 --> 01:27:24,780

allow you to change your prices so

2256

01:27:30,290 --> 01:27:27,630

there's now an \$8 tier on patreon and

2257

01:27:31,970 --> 01:27:30,300

new shows will just be posted for people

2258

01:27:34,670 --> 01:27:31,980

of that tier so you will have to click

2259

01:27:36,890 --> 01:27:34,680

on the Box to up your subscription but I

2260

01:27:38,900 --> 01:27:36,900

will handle that with the small number

2261

01:27:41,930 --> 01:27:38,910

of patreon subscriptions we actually

2262

01:27:44,200 --> 01:27:41,940

have but it's a big stressful moment for

2263

01:27:47,110 --> 01:27:44,210

me and a lot of you guys have

2264

01:27:50,020 --> 01:27:47,120

and really super super cool about it I

2265

01:27:52,510 --> 01:27:50,030

appreciate it I know I and moan

2266

01:27:55,420 --> 01:27:52,520

about critics and haters and trolls in a

2267

01:27:57,250 --> 01:27:55,430

lot of the wrap-up portions and I'm

2268

01:27:59,290 --> 01:27:57,260

really gonna change that going forward I

2269

01:28:01,660 --> 01:27:59,300

don't think we need to apologize for

2270

01:28:04,630 --> 01:28:01,670

being curious and exploring weird

2271

01:28:07,330 --> 01:28:04,640

perspectives the culture has changed

2272

01:28:09,459 --> 01:28:07,340

though a lot of conspiratorial threads

2273

01:28:13,090 --> 01:28:09,469

have gotten more polarized more

2274

01:28:15,820 --> 01:28:13,100

political and more extreme than when I

2275

01:28:17,350 --> 01:28:15,830

started and I try to navigate that still

2276

01:28:20,110 --> 01:28:17,360

keep an open mind and leave no

2277

01:28:22,540 --> 01:28:20,120

conspiracy behind completely but a lot

2278

01:28:25,180 --> 01:28:22,550

of listeners do want to show that plants

2279

01:28:28,209 --> 01:28:25,190

its flag on one perspective and stays

2280

01:28:30,459 --> 01:28:28,219

there and I just can't do that and I

2281

01:28:32,640 --> 01:28:30,469

hope the majority of people see that as

2282

01:28:35,290 --> 01:28:32,650

a feature not a bug

2283

01:28:36,760 --> 01:28:35,300

and I'll keep charging ahead thanks for

2284

01:28:39,280 --> 01:28:36,770

listening I've done my part

2285

01:28:41,110 --> 01:28:39,290

your move door knob assassins nefarious

2286

01:28:46,250 --> 01:28:41,120

Network protectors and celebrity

2287

01:29:02,990 --> 01:28:55,880

[Music]

2288

01:29:07,100 --> 01:29:05,900

go in under and now you'll find me in

2289

01:29:19,540 --> 01:29:07,110

the bunker

2290

01:29:22,540 --> 01:29:19,550

[Music]

2291

01:29:25,600 --> 01:29:22,550

take it

2292

01:29:28,420 --> 01:29:25,610

in the manga welcome

2293

01:29:30,690 --> 01:29:28,430

[Music]

2294

01:29:32,439 --> 01:29:30,700

in the bunker

2295

01:29:39,169 --> 01:29:32,449

[Music]

2296

01:29:42,469 --> 01:29:39,179

banca yeah the last thing any classes

2297

01:29:46,100 --> 01:29:42,479

while the scheming on the masses who do

2298

01:29:49,879 --> 01:29:46,110

you think they are fancy see you Lana

2299

01:29:52,479 --> 01:29:49,889

say God tell you the basics they print

2300

01:29:56,180 --> 01:29:52,489

your money got the Fed in your head

2301
01:30:02,140 --> 01:29:56,190
currency now the smiling entertains me

2302
01:30:02,150 --> 01:30:14,010
[Music]

2303
01:30:14,020 --> 01:30:17,660
religion

2304
01:30:25,910 --> 01:30:22,300
[Music]

2305
01:30:28,400 --> 01:30:25,920
plans are simple the best protection of

2306
01:30:30,320 --> 01:30:28,410
all is the special shelter built

2307
01:30:33,070 --> 01:30:30,330
according to specifications of your

2308
01:30:35,170 --> 01:30:33,080
local civil defense organization

2309
01:30:37,480 --> 01:30:35,180
the basement of any house or building

2310
01:30:39,700 --> 01:30:37,490
will become a good to improvise shelters

2311
01:30:43,330 --> 01:30:39,710
if you block the windows with the same

2312
01:30:48,160 --> 01:30:43,340
thing if you don't have sandbags just

2313
01:30:50,280 --> 01:30:48,170

what can you do take it under you'll

2314

01:30:58,890 --> 01:30:50,290

find me in the bunker

2315

01:31:22,660 --> 01:30:58,900

[Music]
