

## CLYDE LEWIS

THE SUNSPOT CONSPIRACY, SECRET AGENDAS, & THE ELITE

PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT [THEHIGHERSIDECHATS.COM](http://THEHIGHERSIDECHATS.COM)

LISTEN TO THE EXTENDED SHOW AT [THEHIGHERSIDECHATSPLUS.COM](http://THEHIGHERSIDECHATSPLUS.COM)

1  
00:00:05,320 --> 00:00:02,790

[Music]

2  
00:00:07,599 --> 00:00:05,330

congratulations YouTube you did it

3  
00:00:10,510 --> 00:00:07,609

you wore me down and you sucked me back

4  
00:00:13,270 --> 00:00:10,520

in I have too many subscribers here just

5  
00:00:15,790 --> 00:00:13,280

to walk away entirely especially with no

6  
00:00:18,010 --> 00:00:15,800

alternative that truly stacks up and so

7  
00:00:21,400 --> 00:00:18,020

many copycat channels uploading my shows

8  
00:00:24,580 --> 00:00:21,410

for me anyway but we can't forget the th

9  
00:00:26,410 --> 00:00:24,590

C's account here is on thin ice and so

10  
00:00:29,290 --> 00:00:26,420

the YouTube version of the show has to

11  
00:00:32,200 --> 00:00:29,300

be prefaced with this little PSA only to

12  
00:00:33,370 --> 00:00:32,210

say that episodes that contain the kinds

13  
00:00:36,250 --> 00:00:33,380

of themes that have been regularly

14

00:00:38,710 --> 00:00:36,260

banned on YouTube will not appear here

15

00:00:40,660 --> 00:00:38,720

and even with that precaution there's

16

00:00:42,940 --> 00:00:40,670

already enough in the archive to get us

17

00:00:45,310 --> 00:00:42,950

removed so remember that the higher side

18

00:00:48,160 --> 00:00:45,320

chats could be banned or put in timeout

19

00:00:50,229 --> 00:00:48,170

again at any time and I won't be able to

20

00:00:52,000 --> 00:00:50,239

tell you guys about it so if you feel

21

00:00:53,500 --> 00:00:52,010

like it's been too long since you've

22

00:00:56,619 --> 00:00:53,510

heard from me here on this digital

23

00:00:59,410 --> 00:00:56,629

dystopian draconian data-mining monster

24

00:01:00,910 --> 00:00:59,420

of a police state seeking platform your

25

00:01:03,179 --> 00:01:00,920

first step should be to check the higher

26

00:01:08,680 --> 00:01:03,189

side chats calm for the latest shows

27

00:01:10,390 --> 00:01:08,690

alright alright enjoy embrace yourself

28

00:01:12,340 --> 00:01:10,400

because you're about to dive into

29

00:01:14,230 --> 00:01:12,350

another free first hour episode of the

30

00:01:15,550 --> 00:01:14,240

higher side chats and we just want to

31

00:01:17,020 --> 00:01:15,560

let you know that whether you're looking

32

00:01:19,030 --> 00:01:17,030

for a companion through your paranoid

33

00:01:21,130 --> 00:01:19,040

insomnia entertaining yourself through

34

00:01:22,810 --> 00:01:21,140

one of life's mundane activities or

35

00:01:24,880 --> 00:01:22,820

trying to ward off the internal scream

36

00:01:27,640 --> 00:01:24,890

to all those sad smothered Souls around

37

00:01:28,870 --> 00:01:27,650

the office THC is here and you should

38

00:01:30,820 --> 00:01:28,880

know that every episode of the higher

39

00:01:33,249 --> 00:01:30,830

side chats has an entire second hour

40

00:01:35,830 --> 00:01:33,259

four plus members sign up at the higher

41

00:01:38,410 --> 00:01:35,840

side chats plus calm and you get years

42

00:01:40,480 --> 00:01:38,420

of plus show archives lifetime forum

43

00:01:43,510 --> 00:01:40,490

access the special invite to Greg Carl

44

00:01:47,319 --> 00:01:43,520

woods monthly joint sessions mp3s of THC

45

00:01:47,859 --> 00:01:47,329

music bonus episodes for videos and 10%

46

00:01:50,080 --> 00:01:47,869

off

47

00:01:52,330 --> 00:01:50,090

t-shirts grinders and whatever else ends

48

00:01:54,280 --> 00:01:52,340

up in the higher side store it's \$8 a

49

00:01:56,140 --> 00:01:54,290

month that you won't missed so become a

50

00:01:58,510 --> 00:01:56,150

plus member and treat yourself in these

51  
00:02:00,190 --> 00:01:58,520  
troubled times always action-packed and

52  
00:02:05,040 --> 00:02:00,200  
commercial for you which means ill

53  
00:02:05,050 --> 00:02:15,580  
[Music]

54  
00:02:21,710 --> 00:02:18,890  
the planets puppet-masters almost sure

55  
00:02:24,429 --> 00:02:21,720  
you have a plan it's clearly maybe

56  
00:02:27,319 --> 00:02:24,439  
something there beyond the realm of man

57  
00:02:30,470 --> 00:02:27,329  
till we've thoroughly tested every last

58  
00:02:36,020 --> 00:02:30,480  
close just if you find the more you

59  
00:02:39,140 --> 00:02:36,030  
think you know less you really do where

60  
00:02:46,580 --> 00:02:42,360  
we know the lying to us just don't know

61  
00:02:53,100 --> 00:02:46,590  
what to green where would we be without

62  
00:03:06,930 --> 00:03:04,920  
a car wouldn't come here we go higher

63  
00:03:08,910 --> 00:03:06,940

side chatters hoisting the sails and

64

00:03:10,410 --> 00:03:08,920

setting course for another rocky ride

65

00:03:12,660 --> 00:03:10,420

through the rough waters the vast

66

00:03:15,030 --> 00:03:12,670

conspiracy trying to keep our heads

67

00:03:17,160 --> 00:03:15,040

above water despite the rising tides of

68

00:03:19,410 --> 00:03:17,170

polarization and the crashing waves of

69

00:03:19,650 --> 00:03:19,420

outrage and I'd say we're doing all

70

00:03:21,960 --> 00:03:19,660

right

71

00:03:23,850 --> 00:03:21,970

of course the beasts of AI are off the

72

00:03:25,620 --> 00:03:23,860

leash and growing stronger every day big

73

00:03:27,270 --> 00:03:25,630

farmers addiction pipeline is getting

74

00:03:28,530 --> 00:03:27,280

way too crowded and clogged and the

75

00:03:30,360 --> 00:03:28,540

multitude of problems we try to

76

00:03:32,250 --> 00:03:30,370

highlight are no closer to being solved

77

00:03:33,120 --> 00:03:32,260

but hey they say knowledge is power and

78

00:03:35,880 --> 00:03:33,130

at least we have that

79

00:03:37,560 --> 00:03:35,890

and if knowledge truly is power then

80

00:03:39,360 --> 00:03:37,570

today's guests ladies and gentlemen is

81

00:03:41,370 --> 00:03:39,370

the Superman of conspiratorial

82

00:03:43,380 --> 00:03:41,380

broadcasting his name is Clyde Lewis

83

00:03:46,140 --> 00:03:43,390

host of the ever-popular ground zero

84

00:03:48,690 --> 00:03:46,150

radio program and he knows a lot about a

85

00:03:51,410 --> 00:03:48,700

lot spending five hours a day five days

86

00:03:54,030 --> 00:03:51,420

a week live on the air year after year

87

00:03:56,790 --> 00:03:54,040

digesting and dissecting the latest high

88

00:03:58,949 --> 00:03:56,800

strangeness and covert ops hands-down my

89

00:04:00,600 --> 00:03:58,959

favorite host still sticking it to the

90

00:04:02,850 --> 00:04:00,610

power pyramid through the traditional

91

00:04:04,770 --> 00:04:02,860

tools of terrestrial radio the king of

92

00:04:06,780 --> 00:04:04,780

the airwaves rocker of the mic and the

93

00:04:09,300 --> 00:04:06,790

golden voice of ground zero Clyde

94

00:04:10,890 --> 00:04:09,310

welcome back to the higher side thank

95

00:04:13,170 --> 00:04:10,900

you so much for bringing me on it's been

96

00:04:14,699 --> 00:04:13,180

a while and I'm hoping that we have a

97

00:04:17,729 --> 00:04:14,709

great show today because it's been such

98

00:04:19,680 --> 00:04:17,739

a busy time and it's been such a I guess

99

00:04:22,890 --> 00:04:19,690

a confirmation process in a way I mean I

100

00:04:25,740 --> 00:04:22,900

like what I started about 23 years ago

101  
00:04:27,600 --> 00:04:25,750  
nearly 25 years ago

102  
00:04:29,370 --> 00:04:27,610  
was all speculation everything was all

103  
00:04:31,560 --> 00:04:29,380  
like well what if this and what if that

104  
00:04:33,450 --> 00:04:31,570  
and now it's like it is happening it's

105  
00:04:35,760 --> 00:04:33,460  
there and it's obvious that it's there

106  
00:04:37,440 --> 00:04:35,770  
so so many people are just not willing

107  
00:04:39,750 --> 00:04:37,450  
to see it or they're saying oh this is

108  
00:04:42,270 --> 00:04:39,760  
this is all made up but it's not made up

109  
00:04:43,080 --> 00:04:42,280  
it's a reality our reality is changing

110  
00:04:45,810 --> 00:04:43,090  
ever so quickly

111  
00:04:48,330 --> 00:04:45,820  
no doubt and I appreciate you being here

112  
00:04:50,550 --> 00:04:48,340  
so much I know you are a super busy guy

113  
00:04:52,260 --> 00:04:50,560

just with your Tam handing work schedule

114

00:04:54,150 --> 00:04:52,270

and it means a lot that you would use

115

00:04:56,070 --> 00:04:54,160

any of your extra time to come and talk

116

00:04:58,230 --> 00:04:56,080

to me it's hard to believe it has been

117

00:05:00,360 --> 00:04:58,240

three years since you were here yeah and

118

00:05:02,730 --> 00:05:00,370

the culture as you say it's radically

119

00:05:04,470 --> 00:05:02,740

different than it was then and I really

120

00:05:06,900 --> 00:05:04,480

got to commend you because so many shows

121

00:05:09,210 --> 00:05:06,910

have gotten caught up in Trump mania and

122

00:05:11,610 --> 00:05:09,220

really lost the magic that I think this

123

00:05:14,040 --> 00:05:11,620

genre is supposed to have but I turn on

124

00:05:15,810 --> 00:05:14,050

ground zero and I'm put right back in my

125

00:05:17,580 --> 00:05:15,820

happy place so to speak I mean you know

126

00:05:19,380 --> 00:05:17,590

it's a given today cuz a lot of the

127

00:05:20,880 --> 00:05:19,390

things we're talking about are dark but

128

00:05:21,810 --> 00:05:20,890

you're still talking about them and

129

00:05:25,020 --> 00:05:21,820

you're doing a great job

130

00:05:27,450 --> 00:05:25,030

despite everybody just kind of chasing

131

00:05:30,270 --> 00:05:27,460

after the latest Trump tweet and really

132

00:05:32,700 --> 00:05:30,280

the fringe shows the fringe culture is

133

00:05:34,200 --> 00:05:32,710

really now just another flavor of

134

00:05:36,510 --> 00:05:34,210

mainstream culture talking about the

135

00:05:38,640 --> 00:05:36,520

same stuff and a lot of things are going

136

00:05:41,040 --> 00:05:38,650

under the radar and I just think you're

137

00:05:42,840 --> 00:05:41,050

doing a good job well thank you you know

138

00:05:44,190 --> 00:05:42,850

one of the things that I've noticed and

139

00:05:46,260 --> 00:05:44,200

probably you've noticed too because I

140

00:05:47,559 --> 00:05:46,270

know you research well and what you do

141

00:05:50,049 --> 00:05:47,569

and I

142

00:05:52,239 --> 00:05:50,059

notice but lately doing any kind of

143

00:05:54,579 --> 00:05:52,249

research into paranormal or any kind of

144

00:05:57,309 --> 00:05:54,589

research dealing with such you go to

145

00:05:59,529 --> 00:05:57,319

these clip services I equip services I

146

00:06:00,879 --> 00:05:59,539

have websites I frequented I have all

147

00:06:03,489 --> 00:06:00,889

these places I go to to try to get

148

00:06:05,649 --> 00:06:03,499

information and what's interesting is

149

00:06:09,659 --> 00:06:05,659

that you just can't ignore or they they

150

00:06:12,429 --> 00:06:09,669

seem to want to push a political view

151

00:06:15,040 --> 00:06:12,439

and it's always been defined line that

152

00:06:16,899 --> 00:06:15,050

most conspiracy theorists or most

153

00:06:19,269 --> 00:06:16,909

conspiracy analysts or whatever you want

154

00:06:21,219 --> 00:06:19,279

to call yourselves or even if you're an

155

00:06:24,760 --> 00:06:21,229

investigator into the paranormal it's

156

00:06:27,279 --> 00:06:24,770

always been easy to open up and talk

157

00:06:30,249 --> 00:06:27,289

about various things that would be

158

00:06:32,469 --> 00:06:30,259

considered para political now it's like

159

00:06:34,510 --> 00:06:32,479

this over saturation is happening

160

00:06:36,189 --> 00:06:34,520

there's quite annoying actually because

161

00:06:37,959 --> 00:06:36,199

you're trying to you know get away from

162

00:06:38,980 --> 00:06:37,969

it all and it's hard sometimes so what

163

00:06:42,339 --> 00:06:38,990

you have to do is you have to become

164

00:06:45,669 --> 00:06:42,349

analytical of the movements of the elite

165

00:06:48,399 --> 00:06:45,679

the oligarchy you have to be very cogent

166

00:06:50,469 --> 00:06:48,409

with regard to everything around you

167

00:06:52,659 --> 00:06:50,479

because now the political is beginning

168

00:06:54,429 --> 00:06:52,669

to influence the paranormal the

169

00:06:57,609 --> 00:06:54,439

political is beginning to impose a

170

00:06:59,469 --> 00:06:57,619

supernatural a supernatural is there

171

00:07:01,779 --> 00:06:59,479

amongst the political in fact I just did

172

00:07:05,079 --> 00:07:01,789

a show last night about the MPC mean

173

00:07:06,519 --> 00:07:05,089

which of course is a meme that is

174

00:07:09,189 --> 00:07:06,529

spreading around the internet right now

175

00:07:11,889 --> 00:07:09,199

and the truth about that meme is is that

176

00:07:13,779 --> 00:07:11,899

it's using what I would call black magic

177

00:07:16,569 --> 00:07:13,789

it's certainly a black magic mean

178

00:07:18,369 --> 00:07:16,579

because the image that the npc the

179

00:07:19,899 --> 00:07:18,379

non-player character is they call them

180

00:07:22,689 --> 00:07:19,909

what they do is they use this

181

00:07:24,249 --> 00:07:22,699

nondescript sylphlike looking stick

182

00:07:26,350 --> 00:07:24,259

figure face which looks like the

183

00:07:30,040 --> 00:07:26,360

homunculus and they're using it to

184

00:07:32,709 --> 00:07:30,050

basically attack or at least make those

185

00:07:34,480 --> 00:07:32,719

on the left to continually recite a

186

00:07:36,609 --> 00:07:34,490

script look like a bunch of drones and

187

00:07:37,869 --> 00:07:36,619

the truth is it's effective and the

188

00:07:39,969 --> 00:07:37,879

reason why it's effective is because

189

00:07:41,319 --> 00:07:39,979

it's certainly mimetic triggers and

190

00:07:43,509 --> 00:07:41,329

things of that nature now are the new

191

00:07:44,769 --> 00:07:43,519

black magic on the internet so what

192

00:07:47,350 --> 00:07:44,779

you've got is you've got people now

193

00:07:49,090 --> 00:07:47,360

practicing what most would consider

194

00:07:51,280 --> 00:07:49,100

alchemy

195

00:07:52,870 --> 00:07:51,290

and change the views of people and it's

196

00:07:55,000 --> 00:07:52,880

just amazing to see all this transpire I

197

00:07:57,580 --> 00:07:55,010

was floored by this I had Chris geo and

198

00:07:59,440 --> 00:07:57,590

Cherie geo talking about this there are

199

00:08:00,670 --> 00:07:59,450

another great group of personalities out

200

00:08:02,010 --> 00:08:00,680

there that are doing really hard work

201  
00:08:05,350 --> 00:08:02,020  
and doing some of the foot work and

202  
00:08:06,370 --> 00:08:05,360  
believe me I was astounded by what I was

203  
00:08:08,110 --> 00:08:06,380  
seeing because I don't think people

204  
00:08:10,000 --> 00:08:08,120  
realize that when you see things like

205  
00:08:11,950 --> 00:08:10,010  
this pop up like I remember there was

206  
00:08:14,080 --> 00:08:11,960  
Momo a while back that would basically

207  
00:08:16,450 --> 00:08:14,090  
convince kids to commit suicide it was

208  
00:08:17,770 --> 00:08:16,460  
the blue whale challenge which got kids

209  
00:08:20,590 --> 00:08:17,780  
to commit suicide and people say well

210  
00:08:22,450 --> 00:08:20,600  
how is something like that able to kill

211  
00:08:24,010 --> 00:08:22,460  
people how's that able to get people

212  
00:08:26,800 --> 00:08:24,020  
commit suicide how are you so effective

213  
00:08:28,750 --> 00:08:26,810

well they just are they're sigils and

214

00:08:31,090 --> 00:08:28,760

they're basically being powered up and

215

00:08:33,070 --> 00:08:31,100

when the sigils are powered up people

216

00:08:35,080 --> 00:08:33,080

tend to respond they're like putting a

217

00:08:36,730 --> 00:08:35,090

meme out there or putting a Tulpa out

218

00:08:40,300 --> 00:08:36,740

there or maybe even an egregore that

219

00:08:43,890 --> 00:08:40,310

basically serves it's servitor and these

220

00:08:45,000 --> 00:08:43,900

are old magic terminologies that

221

00:08:47,130 --> 00:08:45,010

especially around Halloween when we

222

00:08:48,300 --> 00:08:47,140

think of magic and we think of the veil

223

00:08:50,070 --> 00:08:48,310

lifting and we think of all these things

224

00:08:52,350 --> 00:08:50,080

the idea of something like this that has

225

00:08:56,070 --> 00:08:52,360

been unleash I mean Twitter actually had

226

00:08:58,770 --> 00:08:56,080

ban like 1500 Twitter sites for using

227

00:09:00,210 --> 00:08:58,780

the symbol alone the sigil they say is

228

00:09:01,830 --> 00:09:00,220

political reasons but I mean if they

229

00:09:03,870 --> 00:09:01,840

really were to dig deep it would find

230

00:09:05,850 --> 00:09:03,880

it's not just a political it's

231

00:09:08,100 --> 00:09:05,860

mesmerizing and bizarre about this whole

232

00:09:10,230 --> 00:09:08,110

thing it's the alchemy it's the

233

00:09:11,580 --> 00:09:10,240

alchemical make up the numerology it's

234

00:09:14,840 --> 00:09:11,590

all the stuff that people are using the

235

00:09:17,610 --> 00:09:14,850

mesmerize and actually either pester or

236

00:09:21,000 --> 00:09:17,620

otherwise harass using this type of

237

00:09:22,620 --> 00:09:21,010

magic man just go on right down the

238

00:09:24,480 --> 00:09:22,630

rabbit hole I love it and you're

239

00:09:26,760 --> 00:09:24,490

absolutely right we're constantly

240

00:09:29,280 --> 00:09:26,770

getting baited into party politics now

241

00:09:31,910 --> 00:09:29,290

in areas where we shouldn't I had Donald

242

00:09:34,920 --> 00:09:31,920

Jeffries on he made a great point about

243

00:09:37,800 --> 00:09:34,930

JFK researchers you know it's been

244

00:09:40,170 --> 00:09:37,810

decades since that and JFK researchers

245

00:09:42,930 --> 00:09:40,180

historically have casted a lot of doubt

246

00:09:46,140 --> 00:09:42,940

on the alphabet agencies and their

247

00:09:48,150 --> 00:09:46,150

integrity but yet now the way politics

248

00:09:50,580 --> 00:09:48,160

is being framed as Trump burst the deep

249

00:09:52,350 --> 00:09:50,590

state you're getting these people who

250

00:09:54,660 --> 00:09:52,360

used to doubt the alphabet agencies now

251  
00:09:56,790 --> 00:09:54,670  
they're like on the side of them against

252  
00:09:58,800 --> 00:09:56,800  
the president and it we're all confused

253  
00:10:01,590 --> 00:09:58,810  
and during the election cycle we had the

254  
00:10:04,560 --> 00:10:01,600  
tech stuff and it's just like this

255  
00:10:06,540 --> 00:10:04,570  
president has been propelled to God or

256  
00:10:09,120 --> 00:10:06,550  
devil like status depending on who you

257  
00:10:11,130 --> 00:10:09,130  
ask but it is like a supernatural type

258  
00:10:14,190 --> 00:10:11,140  
of thing and I gotta wonder our humans

259  
00:10:17,430 --> 00:10:14,200  
even driving this process online or is

260  
00:10:18,900 --> 00:10:17,440  
it something else no it's not I would

261  
00:10:22,710 --> 00:10:18,910  
say that there's something about it that

262  
00:10:25,140 --> 00:10:22,720  
is diabolical I always have said

263  
00:10:27,000 --> 00:10:25,150

in the past that most governments or at

264

00:10:29,100 --> 00:10:27,010

least the Society of secret societies

265

00:10:30,420 --> 00:10:29,110

and what is now called the deep state

266

00:10:33,810 --> 00:10:30,430

it's usually the shadow government or

267

00:10:35,100 --> 00:10:33,820

shadow I call the shadow command mm-hmm

268

00:10:36,570 --> 00:10:35,110

you know people tell me all the deep

269

00:10:37,650 --> 00:10:36,580

states an invention of Donald Trump no

270

00:10:39,720 --> 00:10:37,660

the deep state has been around for a

271

00:10:41,310 --> 00:10:39,730

long time I'm deep state is a term

272

00:10:43,380 --> 00:10:41,320

that's been picked up and embraced by

273

00:10:46,380 --> 00:10:43,390

see once again another word that's

274

00:10:48,780 --> 00:10:46,390

charged it's deep state is charged it's

275

00:10:50,790 --> 00:10:48,790

been picked up by the right wing and so

276  
00:10:55,020 --> 00:10:50,800  
what happens is that we have people that

277  
00:10:57,720 --> 00:10:55,030  
are so afraid to expose the conspiracy

278  
00:10:59,280 --> 00:10:57,730  
for fear of damaging or otherwise

279  
00:11:00,360 --> 00:10:59,290  
ruining the reputation amongst their

280  
00:11:03,180 --> 00:11:00,370  
friends who are part of a political

281  
00:11:04,770 --> 00:11:03,190  
party political parties are stupid I

282  
00:11:05,880 --> 00:11:04,780  
mean joining a political party or being

283  
00:11:07,650 --> 00:11:05,890  
a part of a political party in my

284  
00:11:09,780 --> 00:11:07,660  
opinion stupid theater for the ugly

285  
00:11:12,510 --> 00:11:09,790  
always has been corruption has always

286  
00:11:14,210 --> 00:11:12,520  
been widespread no matter what parties

287  
00:11:15,950 --> 00:11:14,220  
involved

288  
00:11:18,350 --> 00:11:15,960

and so it's always been a conspiracy

289

00:11:19,940 --> 00:11:18,360

theory it's basically conspiracy theory

290

00:11:22,700 --> 00:11:19,950

is a deep state term anyway it's a term

291

00:11:24,380 --> 00:11:22,710

created by the intelligence ops to kind

292

00:11:26,240 --> 00:11:24,390

of belittle and its uses a pejorative

293

00:11:29,720 --> 00:11:26,250

but the truth is is that it's probably

294

00:11:32,450 --> 00:11:29,730

the best form of critical thinking that

295

00:11:34,430 --> 00:11:32,460

we have right now and so while they're

296

00:11:36,470 --> 00:11:34,440

telling us well you know we give facts

297

00:11:37,370 --> 00:11:36,480

and we give this and we give that so

298

00:11:39,870 --> 00:11:37,380

what they're doing is they're giving

299

00:11:43,260 --> 00:11:39,880

emotionally-charged opinion

300

00:11:45,480 --> 00:11:43,270

to be truth either start hearing people

301

00:11:48,000 --> 00:11:45,490

saying well I killed my truth

302

00:11:50,970 --> 00:11:48,010

well no truth is truth your truth could

303

00:11:52,590 --> 00:11:50,980

be very well crazy or your truth could

304

00:11:53,880 --> 00:11:52,600

very well be far from the market it just

305

00:11:57,300 --> 00:11:53,890

irritates me want to hear people say

306

00:11:59,130 --> 00:11:57,310

tell your truth no I'm not going to tell

307

00:12:01,530 --> 00:11:59,140

my truth I'm going to try and tell the

308

00:12:02,910 --> 00:12:01,540

truth and if I haven't been giving the

309

00:12:05,260 --> 00:12:02,920

truth at least I'm honestly trying to

310

00:12:06,460 --> 00:12:05,270

give you the truth so

311

00:12:08,710 --> 00:12:06,470

the truth isn't out there the truth is

312

00:12:10,420 --> 00:12:08,720

being manufactured

313

00:12:11,890 --> 00:12:10,430

most people don't realize that they just

314

00:12:14,440 --> 00:12:11,900

try to follow whatever their [h\_\_\h]

315

00:12:16,900 --> 00:12:14,450

bias tells them to fall I agree

316

00:12:19,960 --> 00:12:16,910

great point and it just seems like

317

00:12:22,270 --> 00:12:19,970

conspiracy has been mainstreamed in a

318

00:12:24,220 --> 00:12:22,280

way that it never was before and if you

319

00:12:26,560 --> 00:12:24,230

go back maybe 10 or 15 years maybe I

320

00:12:28,660 --> 00:12:26,570

thought that I kind of wanted this but I

321

00:12:31,990 --> 00:12:28,670

absolutely don't know that it's actually

322

00:12:34,060 --> 00:12:32,000

manifested and you talked to the public

323

00:12:35,530 --> 00:12:34,070

a lot more than I do and you have for a

324

00:12:38,560 --> 00:12:35,540

lot longer than I have

325

00:12:40,510 --> 00:12:38,570

have these past two years felt different

326

00:12:42,250 --> 00:12:40,520

to you through the lens of actually

327

00:12:43,750 --> 00:12:42,260

communicating with the public are they

328

00:12:45,220 --> 00:12:43,760

coming to you with different things is

329

00:12:46,930 --> 00:12:45,230

there a different flavor now than there

330

00:12:49,270 --> 00:12:46,940

used to be with interactions you're

331

00:12:51,220 --> 00:12:49,280

having on the air will used to be I used

332

00:12:53,050 --> 00:12:51,230

to kind of sit back and I do my shows

333

00:12:55,750 --> 00:12:53,060

and go wow that was a good show or I'd

334

00:12:58,000 --> 00:12:55,760

say man that's mind-boggling or man I

335

00:13:01,630 --> 00:12:58,010

really revealed something to my audience

336

00:13:03,280 --> 00:13:01,640

now I think to myself well I revealed to

337

00:13:04,780 --> 00:13:03,290

my audience they're all pissed off of me

338

00:13:06,310 --> 00:13:04,790

for saying this or a bunch of people

339

00:13:08,650 --> 00:13:06,320

wrote me and said I'm a snowflake here

340

00:13:10,300 --> 00:13:08,660

they said I'm a liberal there you know

341

00:13:11,950 --> 00:13:10,310

can't be oh you're just quite Louis's oh

342

00:13:13,300 --> 00:13:11,960

you're a liberal or your conservative my

343

00:13:16,720 --> 00:13:13,310

mom used to always tell me she said you

344

00:13:18,610 --> 00:13:16,730

know labels are for cans and beans I get

345

00:13:20,140 --> 00:13:18,620

really aggravated when people try to

346

00:13:21,970 --> 00:13:20,150

figure out what I am politically because

347

00:13:24,340 --> 00:13:21,980

I kind of say to myself well why is it

348

00:13:26,050 --> 00:13:24,350

that you have to figure out who I am

349

00:13:28,030 --> 00:13:26,060

politically is that going to change your

350

00:13:29,890 --> 00:13:28,040

view about me is that going to I mean

351

00:13:32,560 --> 00:13:29,900

you feel I'm on your team great no I

352

00:13:35,530 --> 00:13:32,570

don't care about your freakin politics

353

00:13:37,510 --> 00:13:35,540

it's like I even send people that want

354

00:13:39,430 --> 00:13:37,520

to try and put me in a political box I

355

00:13:41,590 --> 00:13:39,440

say don't say you do politics are stupid

356

00:13:43,150 --> 00:13:41,600

your politics are the reason why we have

357

00:13:45,880 --> 00:13:43,160

an T file your politics is the reason

358

00:13:47,320 --> 00:13:45,890

why we have proud boys or you know

359

00:13:48,490 --> 00:13:47,330

Patriot Prayer all these other groups

360

00:13:50,380 --> 00:13:48,500

your politics are the reason why you

361

00:13:52,360 --> 00:13:50,390

stand on the sidelines basically

362

00:13:54,940 --> 00:13:52,370

cheering on the violence in the air of

363

00:13:57,640 --> 00:13:54,950

civil war you have we're like one big

364

00:14:00,730 --> 00:13:57,650

happy family or one happy family at one

365

00:14:03,730 --> 00:14:00,740

time and then one day you have a group

366

00:14:06,070 --> 00:14:03,740

of people that say oh we really love dad

367

00:14:07,660 --> 00:14:06,080

but dad's a misogynist Pig who likes to

368

00:14:09,790 --> 00:14:07,670

go and grab women by the you know what

369

00:14:11,950 --> 00:14:09,800

need basically is cheating on mom but we

370

00:14:13,540 --> 00:14:11,960

don't care and then of course you've got

371

00:14:15,160 --> 00:14:13,550

another group well we've got mom over

372

00:14:17,500 --> 00:14:15,170

here as an alcoholic who has a sense of

373

00:14:19,660 --> 00:14:17,510

entitlement who basically is telling us

374

00:14:22,120 --> 00:14:19,670

that we should fight against dad if we

375

00:14:23,800 --> 00:14:22,130

don't fight against dad we're not loyal

376

00:14:27,040 --> 00:14:23,810

the worst part is if the people who are

377

00:14:30,910 --> 00:14:27,050

behind dad are saying oh well God loves

378

00:14:32,290 --> 00:14:30,920

dad you know God is behind dad and

379

00:14:33,069 --> 00:14:32,300

you're like ah are you sick are you

380

00:14:35,110 --> 00:14:33,079

crazy

381

00:14:36,699 --> 00:14:35,120

so it's like okay we're defending our

382

00:14:38,740 --> 00:14:36,709

alcoholic mother and our cheating father

383

00:14:40,930 --> 00:14:38,750

and we're like thinking well we could

384

00:14:42,069 --> 00:14:40,940

have done better but we haven't and it

385

00:14:44,110 --> 00:14:42,079

doesn't matter because we're stuck with

386

00:14:45,790 --> 00:14:44,120

these two and that's what makes me sick

387

00:14:47,920 --> 00:14:45,800

about the whole thing and not only that

388

00:14:50,650 --> 00:14:47,930

but the twisting of political rhetoric

389

00:14:52,269 --> 00:14:50,660

with regard to you know what begins when

390

00:14:54,280 --> 00:14:52,279

and where things start who's behind

391

00:14:56,710 --> 00:14:54,290

certain things like the deep state of

392

00:14:58,629 --> 00:14:56,720

course has been said to be an invention

393

00:15:01,389 --> 00:14:58,639

of Donald Trump when it really isn't or

394

00:15:03,430 --> 00:15:01,399

the birther movement is something that

395

00:15:04,840 --> 00:15:03,440

Donald Trump basically pushed and

396

00:15:06,189 --> 00:15:04,850

started when in reality was Hillary

397

00:15:08,980 --> 00:15:06,199

Clinton that started it because she

398

00:15:10,480 --> 00:15:08,990

wanted to basically play dirty politics

399

00:15:11,829 --> 00:15:10,490

with Barack Obama back when she was

400

00:15:13,389 --> 00:15:11,839

running against him and now I hear a

401  
00:15:16,210 --> 00:15:13,399  
scuffle in Drudge Report that she wants

402  
00:15:19,030 --> 00:15:16,220  
to run again and I'm thinking no no can

403  
00:15:20,980 --> 00:15:19,040  
we please pull out of this paradigm it's

404  
00:15:22,600 --> 00:15:20,990  
like we're not fighting over this and

405  
00:15:24,460 --> 00:15:22,610  
that we need to open our minds and

406  
00:15:27,430 --> 00:15:24,470  
realize that you know we need to make

407  
00:15:28,900 --> 00:15:27,440  
better choices we need to stop giving in

408  
00:15:31,629 --> 00:15:28,910  
to the brainwashing and that's why I

409  
00:15:33,309 --> 00:15:31,639  
think this whole meme of the NPC is

410  
00:15:35,530 --> 00:15:33,319  
really important because what that does

411  
00:15:38,680 --> 00:15:35,540  
is is telling people are you organic or

412  
00:15:40,900 --> 00:15:38,690  
are you a non-playing character are you

413  
00:15:42,699 --> 00:15:40,910

a person who recites a script or you a

414

00:15:45,189 --> 00:15:42,709

person who has originating ideas and

415

00:15:48,100 --> 00:15:45,199

thoughts do you express an art or music

416

00:15:49,540 --> 00:15:48,110

do you write - you speak or do you just

417

00:15:50,980 --> 00:15:49,550

follow the herd and most people are

418

00:15:53,199 --> 00:15:50,990

content to following the herd and that's

419

00:15:56,110 --> 00:15:53,209

the sad part because conspiracy theory

420

00:15:57,579 --> 00:15:56,120

is its essence was to break the mold of

421

00:16:00,100 --> 00:15:57,589

following the herd and listening to

422

00:16:02,079 --> 00:16:00,110

alternative views and understanding that

423

00:16:03,939 --> 00:16:02,089

everything you see cannot easily be put

424

00:16:05,590 --> 00:16:03,949

in a box and now people are okay with

425

00:16:07,540 --> 00:16:05,600

rigid thinking they're okay with putting

426

00:16:09,639 --> 00:16:07,550

things in a box just as long as it

427

00:16:12,160 --> 00:16:09,649

satisfies their ego and their emotional

428

00:16:15,040 --> 00:16:12,170

attachment to something there's nebulous

429

00:16:17,679 --> 00:16:15,050

and stupid mm-hmm amen

430

00:16:19,900 --> 00:16:17,689

great refreshing breakdown I definitely

431

00:16:23,379 --> 00:16:19,910

share those feelings and frustrations

432

00:16:25,929 --> 00:16:23,389

and one of the topics I wanted to get

433

00:16:27,579 --> 00:16:25,939

you here to talk about is space because

434

00:16:29,319 --> 00:16:27,589

a lot of the time I do think some really

435

00:16:32,050 --> 00:16:29,329

interesting stuff is happening out there

436

00:16:33,970 --> 00:16:32,060

that we miss maybe there's too many flat

437

00:16:35,500 --> 00:16:33,980

earthers now or maybe trump really is

438

00:16:38,019 --> 00:16:35,510

just monopolizing that much

439

00:16:41,199 --> 00:16:38,029

but one of the things we had happened

440

00:16:43,720 --> 00:16:41,209

recently was this sunspot observatories

441

00:16:45,370 --> 00:16:43,730

story I would think this would be at the

442

00:16:47,079 --> 00:16:45,380

top of the list that a lot of people

443

00:16:50,050 --> 00:16:47,089

would want to talk about but I have not

444

00:16:51,699 --> 00:16:50,060

heard much about it outside of some

445

00:16:54,160 --> 00:16:51,709

random YouTube channels and of course

446

00:16:55,540 --> 00:16:54,170

Ground Zero probably the most

447

00:16:56,860 --> 00:16:55,550

provocative thing to have happened in a

448

00:16:59,319 --> 00:16:56,870

while if he asked me can you walk us

449

00:17:02,290 --> 00:16:59,329

through what happened last month with

450

00:17:04,210 --> 00:17:02,300

the sunspot observatory we had a sunspot

451  
00:17:07,030 --> 00:17:04,220  
observatory was of course shut down

452  
00:17:09,100 --> 00:17:07,040  
sunspot New Mexico and when that

453  
00:17:11,169 --> 00:17:09,110  
happened it was an interesting move by

454  
00:17:13,750 --> 00:17:11,179  
the FBI I mean we had black helicopters

455  
00:17:14,770 --> 00:17:13,760  
and we had men in black we had all the

456  
00:17:18,100 --> 00:17:14,780  
stories that are fit for

457  
00:17:20,829 --> 00:17:18,110  
cloak-and-dagger real conspiracy theory

458  
00:17:23,100 --> 00:17:20,839  
happening and what was interesting is

459  
00:17:25,859 --> 00:17:23,110  
that we were doing a show

460  
00:17:27,749 --> 00:17:25,869  
and we talked about it and I actually

461  
00:17:29,999 --> 00:17:27,759  
said I said if there's anybody out there

462  
00:17:32,549 --> 00:17:30,009  
that isn't afraid to open up and talk

463  
00:17:34,200 --> 00:17:32,559

about what this is please call the

464

00:17:35,669 --> 00:17:34,210

program and we want to hear it was kind

465

00:17:38,700 --> 00:17:35,679

of like that I pulled an art bell open

466

00:17:40,499 --> 00:17:38,710

phone type of thing and I don't normally

467

00:17:41,909 --> 00:17:40,509

do that but I was very desperate and

468

00:17:45,060 --> 00:17:41,919

finding out information because I had a

469

00:17:46,979 --> 00:17:45,070

few conspiracy theories that had made my

470

00:17:50,190 --> 00:17:46,989

desk like they were using the telescope

471

00:17:52,499 --> 00:17:50,200

array to basically spy on white sands

472

00:17:53,999 --> 00:17:52,509

because white sands was nearby then of

473

00:17:55,529 --> 00:17:54,009

course there was the UFO saying that

474

00:17:58,150 --> 00:17:55,539

maybe something in space was seeing that

475

00:18:01,550 --> 00:17:58,160

we weren't supposed to see

476

00:18:03,080 --> 00:18:01,560

interesting is that at the time

477

00:18:05,560 --> 00:18:03,090

sunspot was shut down there was an

478

00:18:07,690 --> 00:18:05,570

anomaly that happened on the Sun

479

00:18:10,030 --> 00:18:07,700

and what it was it was one of those

480

00:18:11,590 --> 00:18:10,040

coronal holes it's where the Sun cools

481

00:18:14,260 --> 00:18:11,600

in an area on the Sun it looks like

482

00:18:17,320 --> 00:18:14,270

there's a hole in the Sun it was massive

483

00:18:18,970 --> 00:18:17,330

and was sending out all kinds of charged

484

00:18:21,520 --> 00:18:18,980

particles

485

00:18:23,590 --> 00:18:21,530

and what happened is it actually cracked

486

00:18:26,500 --> 00:18:23,600

it was so intense that it cracked the

487

00:18:29,200 --> 00:18:26,510

magnetic field of the planet so we were

488

00:18:32,710 --> 00:18:29,210

getting all these particles boozing into

489

00:18:34,210 --> 00:18:32,720

the atmosphere and this was the excuse

490

00:18:36,370 --> 00:18:34,220

there it says we've got these charged

491

00:18:38,560 --> 00:18:36,380

particles coming from the Sun going

492

00:18:40,870 --> 00:18:38,570

through the magnetic field and no one

493

00:18:43,210 --> 00:18:40,880

was there recorded because Soho was down

494

00:18:47,919 --> 00:18:43,220

all these observatories was down and New

495

00:18:49,360 --> 00:18:47,929

Mexico site sunspot was down and so you

496

00:18:50,950 --> 00:18:49,370

know I was thinking wow this is amazing

497

00:18:52,180 --> 00:18:50,960

that something happened on the Sun or

498

00:18:55,379 --> 00:18:52,190

something's going on in space it's

499

00:18:58,199 --> 00:18:55,389

creating this mini Carrington event

500

00:18:59,519 --> 00:18:58,209

and so while every person who claims to

501  
00:19:01,319 --> 00:18:59,529  
be a conspiracy theorist creates a

502  
00:19:04,170 --> 00:19:01,329  
theory and it goes viral on the internet

503  
00:19:05,430 --> 00:19:04,180  
we got a phone call

504  
00:19:07,770 --> 00:19:05,440  
caller who calls in to our show

505  
00:19:10,690 --> 00:19:07,780  
occasionally seems Sam let's recall

506  
00:19:14,289 --> 00:19:10,700  
himself and he's this unknown

507  
00:19:16,060 --> 00:19:14,299  
thirty-year DARPA guy who apparently

508  
00:19:17,680 --> 00:19:16,070  
from what we understand is sliding back

509  
00:19:19,509 --> 00:19:17,690  
on the DARPA again I guess he's doing

510  
00:19:21,669 --> 00:19:19,519  
this because he wants to get I don't

511  
00:19:23,259 --> 00:19:21,679  
know how being anonymous and he has this

512  
00:19:25,419 --> 00:19:23,269  
warped voice that he plays over the

513  
00:19:26,859 --> 00:19:25,429

phone when he talks to us but apparently

514

00:19:28,419 --> 00:19:26,869

I guess somebody got wind of what he was

515

00:19:30,479 --> 00:19:28,429

doing on the show and they promoted him

516

00:19:32,919 --> 00:19:30,489

back in the DARPA for some final stuff

517

00:19:34,930 --> 00:19:32,929

but he said that what was going on is

518

00:19:38,139 --> 00:19:34,940

there was a project going on between

519

00:19:40,539 --> 00:19:38,149

HAARP hammer and smack he called him

520

00:19:41,859 --> 00:19:40,549

hammer and smacking and we were like

521

00:19:43,259 --> 00:19:41,869

thinking we've never heard of hammer in

522

00:19:45,999 --> 00:19:43,269

fact we've heard a harp and apparently

523

00:19:50,019 --> 00:19:46,009

according to him and this is our own

524

00:19:51,840 --> 00:19:50,029

exclusive report according to him what

525

00:19:56,070 --> 00:19:51,850

they were doing is they were using

526

00:19:59,049 --> 00:19:56,080

something that's used at CERN to try and

527

00:20:02,409 --> 00:19:59,059

extract dark matter or at least try to

528

00:20:04,389 --> 00:20:02,419

use charged particles to find dark

529

00:20:06,009 --> 00:20:04,399

matter and they accidentally cracked

530

00:20:07,389 --> 00:20:06,019

open the magnetic field and they didn't

531

00:20:11,049 --> 00:20:07,399

want anybody to know about it so

532

00:20:12,789 --> 00:20:11,059

apparently the data for hammer and smack

533

00:20:15,009 --> 00:20:12,799

and HAARP doing this experiment where

534

00:20:16,450 --> 00:20:15,019

they're actually taking charged

535

00:20:18,519 --> 00:20:16,460

particles they're using it for weather

536

00:20:19,869 --> 00:20:18,529

warfare is that whether using it for

537

00:20:22,450 --> 00:20:19,879

weather warfare they're basically trying

538

00:20:24,399 --> 00:20:22,460

to create storms and we have a weather

539

00:20:27,099 --> 00:20:24,409

warfare thing going on where we have

540

00:20:28,690 --> 00:20:27,109

this hurricane I guess it's Michael it's

541

00:20:31,539 --> 00:20:28,700

heading towards the United States but

542

00:20:33,009 --> 00:20:31,549

then there's a even bigger hurricane or

543

00:20:34,530 --> 00:20:33,019

typhoon or whatever it is heading for

544

00:20:36,990 --> 00:20:34,540

China

545

00:20:39,630 --> 00:20:37,000

so we were being attacked by a Chinese

546

00:20:41,040 --> 00:20:39,640

hurricane we were using our technology

547

00:20:43,950 --> 00:20:41,050

to make an even bigger one to hit Hong

548

00:20:45,690 --> 00:20:43,960

Kong and not only that but there were

549

00:20:48,230 --> 00:20:45,700

six other storms they were forming

550

00:20:52,890 --> 00:20:48,240

because they were using such power and

551

00:20:56,560 --> 00:20:52,900

so it was believable and he's been on

552

00:20:58,029 --> 00:20:56,570

point many times never lied to us

553

00:20:59,740 --> 00:20:58,039

that's our story I mean we were saying

554

00:21:02,379 --> 00:20:59,750

they were using the sunspot observatory

555

00:21:04,120 --> 00:21:02,389

and they saw how they were using the

556

00:21:06,340 --> 00:21:04,130

charged particles of the Sun to create

557

00:21:08,560 --> 00:21:06,350

weather manipulation it's why they shut

558

00:21:09,789 --> 00:21:08,570

it down and while that's the story we're

559

00:21:11,620 --> 00:21:09,799

sticking to because we got it

560

00:21:13,810 --> 00:21:11,630

exclusively its most unique story we've

561

00:21:15,279 --> 00:21:13,820

got everybody else you go about you know

562

00:21:16,779 --> 00:21:15,289

saying it's aliens go about this go

563

00:21:21,550 --> 00:21:16,789

about that but see what's going on now

564

00:21:23,260 --> 00:21:21,560

is even more intriguing because not only

565

00:21:25,720 --> 00:21:23,270

sunspot gets shut down in early

566

00:21:29,230 --> 00:21:25,730

September we have the Chandra x-ray

567

00:21:31,350 --> 00:21:29,240

telescope now in space been shut down

568

00:21:33,880 --> 00:21:31,360

shut down because of some sort of glitch

569

00:21:35,730 --> 00:21:33,890

we have the Hubble Space Telescope it's

570

00:21:38,920 --> 00:21:35,740

shut down because of some sort of glitch

571

00:21:40,540 --> 00:21:38,930

we have the Soyuz rocket it was supposed

572

00:21:43,540 --> 00:21:40,550

to go the ISS that couldn't go into

573

00:21:45,670 --> 00:21:43,550

space because of a glitch and then we

574

00:21:47,320 --> 00:21:45,680

have the report that YouTube two nights

575

00:21:50,320 --> 00:21:47,330

ago was shut down because somebody tried

576

00:21:52,240 --> 00:21:50,330

to post a video of something that was

577

00:21:54,190 --> 00:21:52,250

about to hit the moon like some sort of

578

00:21:56,770 --> 00:21:54,200

an asteroid or some sort of a UFO or

579

00:21:58,930 --> 00:21:56,780

I've heard fleets of UFOs I've heard

580

00:22:00,970 --> 00:21:58,940

rock hitting the moon or whatever but

581

00:22:03,700 --> 00:22:00,980

just a few days before that Russians

582

00:22:05,200 --> 00:22:03,710

were actually monitoring as couple star

583

00:22:07,260 --> 00:22:05,210

clusters and they were saying these star

584

00:22:10,060 --> 00:22:07,270

clusters look like an armada of UFOs and

585

00:22:12,850 --> 00:22:10,070

so it's really intriguing about these

586

00:22:13,900 --> 00:22:12,860

stories that are coming out and not only

587

00:22:15,430 --> 00:22:13,910

that they were saying that there were

588

00:22:17,860 --> 00:22:15,440

neutrinos or being expelled from

589

00:22:20,470 --> 00:22:17,870

Antarctica which would indicate some

590

00:22:21,790 --> 00:22:20,480

sort of an alien signature because it's

591

00:22:22,960 --> 00:22:21,800

kind of like when the Klingons are being

592

00:22:25,420 --> 00:22:22,970

tracked when they're cloaked the

593

00:22:26,890 --> 00:22:25,430

Klingons are tracked by the enterprise

594

00:22:29,200 --> 00:22:26,900

but the way they track you discern

595

00:22:30,280 --> 00:22:29,210

neutrinos expulsion because that's the

596

00:22:33,370 --> 00:22:30,290

exhaust that comes out of the

597

00:22:34,870 --> 00:22:33,380

bird-of-prey so this is the type of

598

00:22:36,760 --> 00:22:34,880

stuff that's coming out of that arctica

599

00:22:38,410 --> 00:22:36,770

and then just recently they released

600

00:22:39,880 --> 00:22:38,420

some sounds from Antarctica that sound

601  
00:22:41,290 --> 00:22:39,890  
really creepy like aliens or whatever

602  
00:22:43,660 --> 00:22:41,300  
but they're saying oh that's just the

603  
00:22:45,550 --> 00:22:43,670  
shelves melting that's just wind blowing

604  
00:22:47,710 --> 00:22:45,560  
and the Shelf melting no reason to panic

605  
00:22:50,260 --> 00:22:47,720  
but yet we've had all these things go

606  
00:22:51,670 --> 00:22:50,270  
down since the sunspot incident we've

607  
00:22:53,440 --> 00:22:51,680  
had all these glitches and all these

608  
00:22:55,810 --> 00:22:53,450  
problems with spacecraft we've had

609  
00:22:58,570 --> 00:22:55,820  
reports of something flying over the

610  
00:22:59,830 --> 00:22:58,580  
moon or armadas or whatever so a lot of

611  
00:23:02,500 --> 00:22:59,840  
people are wondering if this is the

612  
00:23:03,700 --> 00:23:02,510  
beginning of some sort of a invasion but

613  
00:23:05,170 --> 00:23:03,710

of course you have all your people out

614

00:23:07,960 --> 00:23:05,180

there go this is blue beam this is blue

615

00:23:09,280 --> 00:23:07,970

faman I'm like laughing thinking no it's

616

00:23:11,080 --> 00:23:09,290

on blue paint I mean I don't know why

617

00:23:14,020 --> 00:23:11,090

people are so hell-bent on thinking that

618

00:23:15,750 --> 00:23:14,030

the whole alien thing is fake I always

619

00:23:18,040 --> 00:23:15,760

get into arguments with people about how

620

00:23:20,290 --> 00:23:18,050

they always say well these are demons

621

00:23:23,650 --> 00:23:20,300

and I said no demons are spiritual

622

00:23:25,420 --> 00:23:23,660

beings aliens are biological beings and

623

00:23:27,130 --> 00:23:25,430

even now they're thinking a lot of

624

00:23:28,720 --> 00:23:27,140

scientists have come forward and they

625

00:23:31,060 --> 00:23:28,730

think that the aliens are nothing more

626

00:23:33,820 --> 00:23:31,070

than synthetic there's the ones that

627

00:23:35,230 --> 00:23:33,830

have been in contact with people these

628

00:23:35,450 --> 00:23:35,240

are scientists saying they're saying you

629

00:23:38,240 --> 00:23:35,460

know

630

00:23:40,610 --> 00:23:38,250

all abduction stories and people being

631

00:23:42,669 --> 00:23:40,620

abducted by grazer the greys are really

632

00:23:45,380 --> 00:23:42,679

robots they're kind of synthetic AI

633

00:23:47,960 --> 00:23:45,390

they're being sent down to monitor

634

00:23:49,669 --> 00:23:47,970

things and the aliens wouldn't come here

635

00:23:51,169 --> 00:23:49,679

they wouldn't come here directly they

636

00:23:52,460 --> 00:23:51,179

would send their robots first or the

637

00:23:55,340 --> 00:23:52,470

robots they don't you call these

638

00:23:57,049 --> 00:23:55,350

synthetic AI or whatever and so that's

639

00:23:58,490 --> 00:23:57,059

believable I mean if science is really

640

00:24:00,649 --> 00:23:58,500

paying attention to this I think that

641

00:24:02,180 --> 00:24:00,659

maybe there's something to it and I

642

00:24:04,310 --> 00:24:02,190

think that we need to you know realize

643

00:24:06,169 --> 00:24:04,320

that we're living in times again I mean

644

00:24:08,000 --> 00:24:06,179

it's cliché to say the future is now but

645

00:24:09,620 --> 00:24:08,010

it is now it's down to a point where

646

00:24:11,539 --> 00:24:09,630

scientists are even considering some of

647

00:24:13,490 --> 00:24:11,549

the old stories saying that yeah there

648

00:24:15,230 --> 00:24:13,500

must be aliens of some kind be something

649

00:24:17,840 --> 00:24:15,240

certainly getting our attention I

650

00:24:20,870 --> 00:24:17,850

remember when a mole or the probe or

651  
00:24:22,070 --> 00:24:20,880  
whatever it was it was a dead comet but

652  
00:24:23,299 --> 00:24:22,080  
this thing came out of the sky of

653  
00:24:24,590 --> 00:24:23,309  
interstellar space came out of

654  
00:24:27,049 --> 00:24:24,600  
interstellar space came in and almost

655  
00:24:28,850 --> 00:24:27,059  
hit the planet comes through it's this

656  
00:24:30,500 --> 00:24:28,860  
thing it's red it's shaped like a

657  
00:24:31,250 --> 00:24:30,510  
spaceship and his eyes on a spaceship

658  
00:24:33,049 --> 00:24:31,260  
it's a comet

659  
00:24:35,360 --> 00:24:33,059  
then what happens it does something very

660  
00:24:37,630 --> 00:24:35,370  
curious it gets over towards Jupiter and

661  
00:24:40,010 --> 00:24:37,640  
it just accelerates it just takes off

662  
00:24:41,899 --> 00:24:40,020  
and they're thinking we'll there's no

663  
00:24:43,399 --> 00:24:41,909

gas coming I decided to take off well

664

00:24:44,720 --> 00:24:43,409

maybe it's extraterrestrial you know

665

00:24:47,510 --> 00:24:44,730

that's the thing that is amazing about

666

00:24:48,980 --> 00:24:47,520

this stuff it's all bizarre mm-hmm yes

667

00:24:50,810 --> 00:24:48,990

he just ran through most of the

668

00:24:52,970 --> 00:24:50,820

cliffnotes on my first two pages here

669

00:24:55,279 --> 00:24:52,980

because these are really the finer

670

00:24:57,260 --> 00:24:55,289

points of what's going on above our

671

00:24:59,260 --> 00:24:57,270

heads that's interesting and I've had

672

00:25:01,940 --> 00:24:59,270

guests of course who talked about

673

00:25:05,690 --> 00:25:01,950

transhumanism and at the end goal is to

674

00:25:07,250 --> 00:25:05,700

create a complex vessel for some type of

675

00:25:09,320 --> 00:25:07,260

spiritual entity of course a lot of

676

00:25:11,389 --> 00:25:09,330

people speculate the elite are in

677

00:25:13,159 --> 00:25:11,399

contact with something non-human at the

678

00:25:15,320 --> 00:25:13,169

top of the pyramid there's a reason why

679

00:25:16,820 --> 00:25:15,330

they do these rituals there's some kind

680

00:25:19,669 --> 00:25:16,830

of driving force there's a reason why

681

00:25:22,370 --> 00:25:19,679

they care about Babylon so much and they

682

00:25:25,159 --> 00:25:22,380

always are building these monuments and

683

00:25:28,760 --> 00:25:25,169

statues to the old gods or Prometheus or

684

00:25:31,220 --> 00:25:28,770

Moloch and I think there's maybe a case

685

00:25:33,289 --> 00:25:31,230

there that this transhumanists thing

686

00:25:35,149 --> 00:25:33,299

it's about merging man with machine and

687

00:25:37,190 --> 00:25:35,159

making us way more controllable on an

688

00:25:39,169 --> 00:25:37,200

individual basis rather than just big

689

00:25:41,450 --> 00:25:39,179

groups but at the same time maybe they

690

00:25:44,510 --> 00:25:41,460

are trying to make some kind of

691

00:25:47,029 --> 00:25:44,520

container for some kind of non-human

692

00:25:48,620 --> 00:25:47,039

consciousness are you open to that well

693

00:25:49,560 --> 00:25:48,630

of course I am because we know the

694

00:25:51,240 --> 00:25:49,570

scientists are looking

695

00:25:52,710 --> 00:25:51,250

consciousness is the great mystery I was

696

00:25:55,710 --> 00:25:52,720

just talking about that last night the

697

00:25:58,170 --> 00:25:55,720

idea that Pan psychism is another thing

698

00:25:59,580 --> 00:25:58,180

that scientists look into you now talk

699

00:26:01,500 --> 00:25:59,590

about paying psychism you're thinking

700

00:26:03,060 --> 00:26:01,510

about something very paranormal you know

701  
00:26:05,850 --> 00:26:03,070  
mm-hmm the idea that everything has a

702  
00:26:07,830 --> 00:26:05,860  
consciousness that's a very new age that

703  
00:26:09,840 --> 00:26:07,840  
means the phone I'm on has a

704  
00:26:11,280 --> 00:26:09,850  
consciousness it means the cup it has my

705  
00:26:14,040 --> 00:26:11,290  
coffee has a consciousness I mean is

706  
00:26:15,630 --> 00:26:14,050  
it's crazy but scientists are looking

707  
00:26:17,520 --> 00:26:15,640  
into Penn psychism scientists are

708  
00:26:21,390 --> 00:26:17,530  
looking into consciousness is quite

709  
00:26:24,780 --> 00:26:21,400  
possibly a really good illusion that a

710  
00:26:27,060 --> 00:26:24,790  
lot of the things we do laughing's that

711  
00:26:28,770 --> 00:26:27,070  
we see are all agreed upon

712  
00:26:30,300 --> 00:26:28,780  
hallucinations there's this mass

713  
00:26:32,850 --> 00:26:30,310

elucidation going on we all agree that

714

00:26:35,280 --> 00:26:32,860

it's reality but I mean once they remove

715

00:26:37,380 --> 00:26:35,290

the hallucination it would be in this

716

00:26:39,930 --> 00:26:37,390

area where you know before and and weird

717

00:26:43,590 --> 00:26:39,940

in so doing all of these things we see

718

00:26:46,290 --> 00:26:43,600

and touch and participate in are pretty

719

00:26:50,480 --> 00:26:46,300

much artificial intelligence pretty much

720

00:26:53,010 --> 00:26:50,490

a show it's like the matrix mm-hmm and

721

00:26:55,650 --> 00:26:53,020

to go back to the Sun a minute you have

722

00:26:57,990 --> 00:26:55,660

a really impressive amount of knowledge

723

00:26:59,610 --> 00:26:58,000

about the Sun and Sun cycles I hear you

724

00:27:02,160 --> 00:26:59,620

talking about it all the time other than

725

00:27:04,380 --> 00:27:02,170

the breaking of this magnetic field and

726

00:27:07,320 --> 00:27:04,390

this anomaly during the sunspot shut

727

00:27:10,290 --> 00:27:07,330

down it seems like maybe some of the

728

00:27:12,150 --> 00:27:10,300

sun's activities if you have broaden it

729

00:27:14,470 --> 00:27:12,160

out a little bit longer have been quite

730

00:27:16,630 --> 00:27:14,480

abnormal is that true

731

00:27:18,549 --> 00:27:16,640

I would say that the Sun is been acting

732

00:27:19,810 --> 00:27:18,559

pretty abnormal yes I would say that you

733

00:27:23,230 --> 00:27:19,820

know what we're going through what a

734

00:27:24,580 --> 00:27:23,240

period of non activity that every once

735

00:27:27,970 --> 00:27:24,590

in a while we have this activity that

736

00:27:29,950 --> 00:27:27,980

people panic about and I think that you

737

00:27:32,350 --> 00:27:29,960

know they're not telling us I mean they

738

00:27:33,460 --> 00:27:32,360

just send a probe to the Sun what I'm

739

00:27:34,570 --> 00:27:33,470

telling us there's something going on

740

00:27:36,340 --> 00:27:34,580

with the Sun I mean wouldn't it be

741

00:27:37,870 --> 00:27:36,350

horrible to hear that for billions of

742

00:27:39,370 --> 00:27:37,880

years we have this light out there it's

743

00:27:42,490 --> 00:27:39,380

supposed to continue for another billion

744

00:27:43,870 --> 00:27:42,500

more and really it's dying and this

745

00:27:45,430 --> 00:27:43,880

would be the reason for all the problems

746

00:27:47,169 --> 00:27:45,440

on the planet just because the Sun is

747

00:27:48,789 --> 00:27:47,179

dying and we're living in times where

748

00:27:51,940 --> 00:27:48,799

they're not going to tell us the truth

749

00:27:53,950 --> 00:27:51,950

that we have you know sunshine for a

750

00:27:55,990 --> 00:27:53,960

long time probably have it for lifetimes

751  
00:27:57,310 --> 00:27:56,000  
but what they won't tell us is the

752  
00:27:59,049 --> 00:27:57,320  
activities will be going on in the

753  
00:28:00,430 --> 00:27:59,059  
process they'll become very violent

754  
00:28:02,200 --> 00:28:00,440  
the earth itself will become very

755  
00:28:03,430 --> 00:28:02,210  
violent like more violent that it is you

756  
00:28:05,680 --> 00:28:03,440  
can't just blame that on climate change

757  
00:28:08,140 --> 00:28:05,690  
and it's really a silly idea I I just

758  
00:28:10,419 --> 00:28:08,150  
hate the fact that every time something

759  
00:28:12,039 --> 00:28:10,429  
like this happens where you have bad

760  
00:28:15,310 --> 00:28:12,049  
weather or something that's always used

761  
00:28:17,620 --> 00:28:15,320  
as a footnote to climate change and that

762  
00:28:20,919 --> 00:28:17,630  
really is irritating because what that

763  
00:28:24,280 --> 00:28:20,929

does is it takes away the ability for

764

00:28:26,470 --> 00:28:24,290

people to study weather anomalies and

765

00:28:29,370 --> 00:28:26,480

geo storm anomalies and do so in such a

766

00:28:31,750 --> 00:28:29,380

way that isn't clouded by the whole

767

00:28:33,490 --> 00:28:31,760

discussion of whether or not it's time a

768

00:28:35,710 --> 00:28:33,500

change climate changes there's no doubt

769

00:28:37,270 --> 00:28:35,720

but what they've done is they've turned

770

00:28:39,159 --> 00:28:37,280

it into a bit of doublespeak where

771

00:28:40,450 --> 00:28:39,169

they're saying well don't you believe in

772

00:28:41,530 --> 00:28:40,460

climate change well yeah I believe in

773

00:28:43,150 --> 00:28:41,540

climate change but I don't believe in

774

00:28:45,970 --> 00:28:43,160

the political technocratic term of

775

00:28:47,720 --> 00:28:45,980

climate change I think if they wanted to

776

00:28:49,550 --> 00:28:47,730

be truthful

777

00:28:51,860 --> 00:28:49,560

they would say it's about resource

778

00:28:55,140 --> 00:28:51,870

management it's about resource depletion

779

00:28:56,850 --> 00:28:55,150

it's not about the climate

780

00:28:59,280 --> 00:28:56,860

it's about resource depletion it's about

781

00:29:00,900 --> 00:28:59,290

a number of other things and they need

782

00:29:03,600 --> 00:29:00,910

to be truthful that's our geoengineering

783

00:29:06,090 --> 00:29:03,610

laying down the chemtrails messing with

784

00:29:08,250 --> 00:29:06,100

the atmosphere using lasers to mess with

785

00:29:10,799 --> 00:29:08,260

the atmosphere using direct energy

786

00:29:12,000 --> 00:29:10,809

weapons to mess with the earth these are

787

00:29:13,980 --> 00:29:12,010

things that are happening that they

788

00:29:15,660 --> 00:29:13,990

won't report and they're not really

789

00:29:17,880 --> 00:29:15,670

conspiracy theory they're throwing into

790

00:29:19,530 --> 00:29:17,890

the conspiracy theory bin but the

791

00:29:20,970 --> 00:29:19,540

reality is of your research you'll see

792

00:29:23,360 --> 00:29:20,980

that

793

00:29:24,990 --> 00:29:23,370

there's certainly precedent for

794

00:29:26,310 --> 00:29:25,000

understanding or at least trying to

795

00:29:28,230 --> 00:29:26,320

figure out if they are using laser

796

00:29:31,080 --> 00:29:28,240

weapons let me chill Kaku when he was on

797

00:29:32,310 --> 00:29:31,090

CBS a while back had said they want to

798

00:29:33,899 --> 00:29:32,320

create lightning

799

00:29:35,159 --> 00:29:33,909

that's what lasers are laser bolts are a

800

00:29:36,950 --> 00:29:35,169

form of lightning they want to create a

801  
00:29:39,090 --> 00:29:36,960  
form of lightning in order to change the

802  
00:29:41,340 --> 00:29:39,100  
ionosphere in order to change the jet

803  
00:29:44,100 --> 00:29:41,350  
stream and that would be electromagnetic

804  
00:29:45,480 --> 00:29:44,110  
current going through the jet stream and

805  
00:29:47,370 --> 00:29:45,490  
they already do that with HAARP and

806  
00:29:50,129 --> 00:29:47,380  
smack and hammer and all these other

807  
00:29:52,560 --> 00:29:50,139  
scalar wave weapons and so this is what

808  
00:29:54,480 --> 00:29:52,570  
we're seeing I mean look if they just

809  
00:29:56,159 --> 00:29:54,490  
moved the date to 2030s the one we need

810  
00:29:58,649 --> 00:29:56,169  
to change for climate change at first it

811  
00:30:01,169 --> 00:29:58,659  
was it's when the next 10-15 years down

812  
00:30:02,519 --> 00:30:01,179  
to another 10 50 years they keep drawing

813  
00:30:04,440 --> 00:30:02,529

the line and saying we got to do this we

814

00:30:06,330 --> 00:30:04,450

got to do this truth is is even if we

815

00:30:07,710 --> 00:30:06,340

did do all the things that they want us

816

00:30:10,139 --> 00:30:07,720

to do and even if we paid out all the

817

00:30:11,850 --> 00:30:10,149

money in taxes and carbon credits I mean

818

00:30:14,759 --> 00:30:11,860

how is it that's going to miraculously

819

00:30:16,110 --> 00:30:14,769

change the course of climate it's BS

820

00:30:18,720 --> 00:30:16,120

it's not going to change the course of

821

00:30:21,930 --> 00:30:18,730

climate climate changes and climate does

822

00:30:23,639 --> 00:30:21,940

what it does and sure we may contribute

823

00:30:25,230 --> 00:30:23,649

a little bit to it but there are other

824

00:30:28,289 --> 00:30:25,240

things to contribute to it volcanic

825

00:30:30,090 --> 00:30:28,299

eruptions contribute to it water in the

826

00:30:32,730 --> 00:30:30,100

air contributes to it electromagnetic

827

00:30:34,169 --> 00:30:32,740

current contributes to it the idea of

828

00:30:36,450 --> 00:30:34,179

geoengineering with heavy metals

829

00:30:38,850 --> 00:30:36,460

contributes to it the mevy metals coming

830

00:30:40,230 --> 00:30:38,860

out of chemtrails contribute to it so

831

00:30:41,879 --> 00:30:40,240

there's so many things are complicated

832

00:30:44,730 --> 00:30:41,889

here but they want to simplify it by

833

00:30:46,320 --> 00:30:44,740

saying the greedy oil companies are the

834

00:30:49,470 --> 00:30:46,330

reason for this happen or the greedy

835

00:30:49,740 --> 00:30:49,480

does whatever we needed redistribute the

836

00:30:51,509 --> 00:30:49,750

wealth

837

00:30:53,700 --> 00:30:51,519

it's nonsense it's a political

838

00:30:56,370 --> 00:30:53,710

boondoggle it's a football again where

839

00:30:58,169 --> 00:30:56,380

politics are stepped in and once you

840

00:31:00,120 --> 00:30:58,179

make science and politics you get things

841

00:31:02,730 --> 00:31:00,130

like eugenics directives you get things

842

00:31:05,340 --> 00:31:02,740

like reproductive laws you get things

843

00:31:07,080 --> 00:31:05,350

like zero population and all this other

844

00:31:08,759 --> 00:31:07,090

nonsense they want to push on everybody

845

00:31:10,230 --> 00:31:08,769

if you look around you you see it's

846

00:31:12,320 --> 00:31:10,240

pretty much part of the game they're

847

00:31:14,460 --> 00:31:12,330

saying well you know we need to reduce

848

00:31:16,289 --> 00:31:14,470

population and we need to do this with

849

00:31:18,180 --> 00:31:16,299

you that hey why don't we reduce the

850

00:31:20,730 --> 00:31:18,190

population to 500 billion like it says

851  
00:31:21,720 --> 00:31:20,740  
of the Georgia Guidestones these people

852  
00:31:23,879 --> 00:31:21,730  
are a psychopath

853  
00:31:26,100 --> 00:31:23,889  
and we're seeing the psychopaths are

854  
00:31:27,539 --> 00:31:26,110  
winning and people just continue to vote

855  
00:31:28,710 --> 00:31:27,549  
for them they continue to put them in

856  
00:31:31,230 --> 00:31:28,720  
power so once again back to the

857  
00:31:32,940 --> 00:31:31,240  
political again it's like you're buying

858  
00:31:35,220 --> 00:31:32,950  
your own conspiracy ticket

859  
00:31:37,529 --> 00:31:35,230  
you love the conspiracy enough to vote

860  
00:31:39,419 --> 00:31:37,539  
for the conspiracy and the conspiracy

861  
00:31:41,519 --> 00:31:39,429  
doesn't care it's not read state it's

862  
00:31:43,529 --> 00:31:41,529  
not blue state it's the state versus you

863  
00:31:44,430 --> 00:31:43,539

it's always been the state versus you

864

00:31:46,649 --> 00:31:44,440

hmm

865

00:31:49,919 --> 00:31:46,659

cheers to that and all we can really do

866

00:31:51,600 --> 00:31:49,929

is try to parse out the agendas by

867

00:31:53,070 --> 00:31:51,610

dissecting the things that they're

868

00:31:54,419 --> 00:31:53,080

putting their energy into that's what's

869

00:31:56,759 --> 00:31:54,429

so interesting because obviously they're

870

00:31:59,129 --> 00:31:56,769

not telling us so we have to speculate a

871

00:32:01,919 --> 00:31:59,139

little bit just by seeing what they're

872

00:32:03,120 --> 00:32:01,929

doing and to revisit the sunspot thing

873

00:32:06,180 --> 00:32:03,130

for people who weren't totally familiar

874

00:32:08,450 --> 00:32:06,190

with that story this Observatory is kind

875

00:32:10,500 --> 00:32:08,460

of one of a kind for sunspot activity

876

00:32:12,629 --> 00:32:10,510

observation it's not like there's a ton

877

00:32:15,350 --> 00:32:12,639

of facilities that would capture

878

00:32:18,060 --> 00:32:15,360

something if this were to be down and

879

00:32:21,029 --> 00:32:18,070

one thing Sam said that I really liked

880

00:32:23,100 --> 00:32:21,039

your caller was he mentioned that of

881

00:32:24,750 --> 00:32:23,110

course it is part of this network but

882

00:32:26,970 --> 00:32:24,760

that it was actually hacked and that

883

00:32:29,580 --> 00:32:26,980

makes him sense because why would the

884

00:32:31,230 --> 00:32:29,590

FBI come down and get involved in

885

00:32:33,960 --> 00:32:31,240

raiding this thing of course the cover

886

00:32:36,600 --> 00:32:33,970

story was that some janitor was looking

887

00:32:39,629 --> 00:32:36,610

at child porn well you don't evacuate

888

00:32:41,970 --> 00:32:39,639

people shut down the local post office

889

00:32:44,639 --> 00:32:41,980

and do all this stuff because of child

890

00:32:47,519 --> 00:32:44,649

porn but of course if this is a giant

891

00:32:51,539 --> 00:32:47,529

facility manipulating the space whether

892

00:32:53,279 --> 00:32:51,549

the Earth's weather the Sun then if it

893

00:32:56,430 --> 00:32:53,289

was hacked the FBI would definitely come

894

00:32:58,110 --> 00:32:56,440

down and try to see exactly what's going

895

00:33:00,509 --> 00:32:58,120

on in that case there's a lot of reports

896

00:33:04,320 --> 00:33:00,519

that people were messing with antennas

897

00:33:06,509 --> 00:33:04,330

that they had hazmat suits on so yeah we

898

00:33:09,120 --> 00:33:06,519

have these super weapons that most

899

00:33:11,700 --> 00:33:09,130

people are completely ignorant of and if

900

00:33:13,169 --> 00:33:11,710

other countries were to get wind of them

901  
00:33:14,940 --> 00:33:13,179  
other cabal's

902  
00:33:17,159 --> 00:33:14,950  
and you hack into one well there you go

903  
00:33:19,799 --> 00:33:17,169  
you know possibly that is what happened

904  
00:33:21,480 --> 00:33:19,809  
there well they have them China is one

905  
00:33:23,250 --> 00:33:21,490  
of the countries that admit that they

906  
00:33:26,730 --> 00:33:23,260  
have weather control they have all these

907  
00:33:28,110 --> 00:33:26,740  
other things to utilize the Sun and I

908  
00:33:29,460 --> 00:33:28,120  
just think that people need to pay

909  
00:33:31,169 --> 00:33:29,470  
attention to other things other than

910  
00:33:33,090 --> 00:33:31,179  
politics I swear to God you know if I

911  
00:33:35,009 --> 00:33:33,100  
hear one more story about Brett cabin on

912  
00:33:37,560 --> 00:33:35,019  
dr. Ford I was just going to lose my

913  
00:33:39,269 --> 00:33:37,570

mind and that brings us back to another

914

00:33:40,980 --> 00:33:39,279

paranormal aspect I mean I was talking

915

00:33:43,260 --> 00:33:40,990

about this I was on tour with a number

916

00:33:45,720 --> 00:33:43,270

of other personalities and

917

00:33:47,910 --> 00:33:45,730

it was funny because we were talking

918

00:33:49,650 --> 00:33:47,920

about the Cavanaugh situation and I said

919

00:33:51,150 --> 00:33:49,660

somebody asked me what do you think

920

00:33:53,010 --> 00:33:51,160

about that and I said well you know I

921

00:33:54,480 --> 00:33:53,020

have approached that not the other host

922

00:33:55,860 --> 00:33:54,490

will have they're gonna be doing this he

923

00:33:58,260 --> 00:33:55,870

said she said by said isn't it

924

00:34:02,580 --> 00:33:58,270

interesting that on the Washington Mall

925

00:34:04,300 --> 00:34:02,590

they erected a 3d replica of the arch of

926

00:34:06,460 --> 00:34:04,310

bail

927

00:34:08,610 --> 00:34:06,470

just the horn god that represents

928

00:34:12,610 --> 00:34:08,620

everything with Sevilla sand lewd

929

00:34:16,120 --> 00:34:12,620

anything from sexual peccadilloes sexual

930

00:34:19,180 --> 00:34:16,130

misconduct perverted sexual nature and

931

00:34:21,040 --> 00:34:19,190

also the killing of babies and I said

932

00:34:23,170 --> 00:34:21,050

that they used to sacrifice babies to

933

00:34:25,510 --> 00:34:23,180

this horn god they call the Moloch they

934

00:34:27,070 --> 00:34:25,520

called it bail

935

00:34:30,190 --> 00:34:27,080

and I said and there it is sitting in

936

00:34:32,800 --> 00:34:30,200

Washington DC and on the day after this

937

00:34:34,780 --> 00:34:32,810

thing was erected to the god bale and it

938

00:34:36,850 --> 00:34:34,790

was erected in Washington DC we have a

939

00:34:39,909 --> 00:34:36,860

hearing where this guy wants to be a

940

00:34:42,220 --> 00:34:39,919

Supreme Court justice and all they're

941

00:34:45,070 --> 00:34:42,230

talking about is how basically it's like

942

00:34:46,870 --> 00:34:45,080

asking questions about whether or not he

943

00:34:48,970 --> 00:34:46,880

was having sex or he was having these

944

00:34:51,100 --> 00:34:48,980

sexual games with people like dr. Ford

945

00:34:52,750 --> 00:34:51,110

and others and the first thing that came

946

00:34:55,270 --> 00:34:52,760

out of mouths but a guy named his name's

947

00:34:57,970 --> 00:34:55,280

Sheldon Whitehouse he was a senator he

948

00:34:59,710 --> 00:34:57,980

said the cabin Isis isn't it true that

949

00:35:02,830 --> 00:34:59,720

you and your friends pulled what is

950

00:35:04,840 --> 00:35:02,840

called a Devil's Triangle and I was

951  
00:35:06,520 --> 00:35:04,850  
going Wow right off the bat Devil's

952  
00:35:10,450 --> 00:35:06,530  
trying which is of course a threesome

953  
00:35:12,940 --> 00:35:10,460  
sex act right and I went Wow here we go

954  
00:35:15,040 --> 00:35:12,950  
it's all about sexual misconduct sexual

955  
00:35:17,650 --> 00:35:15,050  
promiscuity and what was the chief

956  
00:35:19,360 --> 00:35:17,660  
reason why they didn't want cabin on

957  
00:35:21,520 --> 00:35:19,370  
power was because he said something

958  
00:35:24,730 --> 00:35:21,530  
about abortion and he said that he would

959  
00:35:27,550 --> 00:35:24,740  
regress or return or reverse roe v--

960  
00:35:30,400 --> 00:35:27,560  
wade and I'm like shaking my head going

961  
00:35:33,400 --> 00:35:30,410  
that's exactly what the Horne god bail

962  
00:35:35,020 --> 00:35:33,410  
is about sexual perversion and the

963  
00:35:36,730 --> 00:35:35,030

killing of babies and that's what they

964

00:35:39,250 --> 00:35:36,740

were talking about in Washington DC when

965

00:35:43,530 --> 00:35:39,260

that monument went up now this is a very

966

00:35:46,870 --> 00:35:43,540

powerful form of witchcraft and sorcery

967

00:35:48,700 --> 00:35:46,880

and it's going on now and people who

968

00:35:51,640 --> 00:35:48,710

don't believe in that sort of thing will

969

00:35:53,380 --> 00:35:51,650

say the write-off is nonsense but I mean

970

00:35:54,940 --> 00:35:53,390

if you really really really want to

971

00:35:57,040 --> 00:35:54,950

think it's nonsense just take a look

972

00:35:58,390 --> 00:35:57,050

what's going on on the internet what's

973

00:36:01,450 --> 00:35:58,400

going on everywhere people are

974

00:36:04,360 --> 00:36:01,460

mesmerised and hypnotized to believe in

975

00:36:07,150 --> 00:36:04,370

things or to say things they never said

976  
00:36:08,320 --> 00:36:07,160  
before and a perfect example here in

977  
00:36:10,630 --> 00:36:08,330  
Oregon where I live

978  
00:36:12,430 --> 00:36:10,640  
we've made the news because of anti-shah

979  
00:36:13,870 --> 00:36:12,440  
basically taking over our streets and

980  
00:36:16,980 --> 00:36:13,880  
our mayor just basically sitting back

981  
00:36:18,390 --> 00:36:16,990  
and letting it happen well

982  
00:36:21,420 --> 00:36:18,400  
there's this video that was going around

983  
00:36:23,340 --> 00:36:21,430  
of a man who was in his car who was

984  
00:36:24,960 --> 00:36:23,350  
accosted by Anti Fog they were blocking

985  
00:36:27,420 --> 00:36:24,970  
traffic and directing traffic and the

986  
00:36:29,670 --> 00:36:27,430  
guy refused to turn so this white guy

987  
00:36:32,609 --> 00:36:29,680  
comes up to him and says you look like a

988  
00:36:33,600 --> 00:36:32,619

whitey you look like a whitey a whitey

989

00:36:36,390 --> 00:36:33,610

here

990

00:36:38,130 --> 00:36:36,400

racist Nazi whatever it is this white

991

00:36:41,670 --> 00:36:38,140

guy saying this to another white guy you

992

00:36:44,280 --> 00:36:41,680

look like a whitey no sooner did we hear

993

00:36:46,020 --> 00:36:44,290

that in that video Kanye West goes to

994

00:36:49,140 --> 00:36:46,030

the White House and he basically is

995

00:36:52,230 --> 00:36:49,150

there with Donald Trump and so Don Lemon

996

00:36:55,020 --> 00:36:52,240

on CNN has this group of nondescript

997

00:36:58,070 --> 00:36:55,030

faces and one of the guys that's on

998

00:37:01,710 --> 00:36:58,080

there is this black guy and he says

999

00:37:03,810 --> 00:37:01,720

Kanye acted as though he was a Edward

1000

00:37:06,150 --> 00:37:03,820

that learned how to read this is what

1001  
00:37:08,780 --> 00:37:06,160  
you get when you have an n-word that

1002  
00:37:13,530 --> 00:37:08,790  
learns how to read and I went what haha

1003  
00:37:16,170 --> 00:37:13,540  
this black man made a racist statement

1004  
00:37:18,570 --> 00:37:16,180  
if a white guy was to say this it would

1005  
00:37:20,400 --> 00:37:18,580  
probably be the worst thing ever but

1006  
00:37:21,990 --> 00:37:20,410  
it's the black man saying this about

1007  
00:37:24,480 --> 00:37:22,000  
another black man so you have a white

1008  
00:37:26,070 --> 00:37:24,490  
man in Portland Oregon telling a guy

1009  
00:37:28,500 --> 00:37:26,080  
he's a whitey and then you have a black

1010  
00:37:30,270 --> 00:37:28,510  
man calling another black man out as

1011  
00:37:33,300 --> 00:37:30,280  
this is what you get we have an n-word

1012  
00:37:37,200 --> 00:37:33,310  
who learns to read and it just floored

1013  
00:37:39,210 --> 00:37:37,210

me and so this is an example of magic

1014

00:37:40,610 --> 00:37:39,220

it's an example of witchcraft in my

1015

00:37:42,890 --> 00:37:40,620

opinion

1016

00:37:44,960 --> 00:37:42,900

special kind of witchcraft not the types

1017

00:37:47,600 --> 00:37:44,970

being practiced by Wiccans who love

1018

00:37:49,280 --> 00:37:47,610

trees and the feminine power no this is

1019

00:37:51,560 --> 00:37:49,290

something far more hideous and far more

1020

00:37:53,360 --> 00:37:51,570

dark and we're seeing it before ours

1021

00:37:54,890 --> 00:37:53,370

right now and if you can't see it then I

1022

00:37:57,500 --> 00:37:54,900

don't know what to tell you but this is

1023

00:38:00,470 --> 00:37:57,510

really terrifying to see how this is

1024

00:38:02,300 --> 00:38:00,480

going on right there's that he's so tear

1025

00:38:03,860 --> 00:38:02,310

at context that you're so good at

1026  
00:38:05,840 --> 00:38:03,870  
pulling out and those are the angles

1027  
00:38:09,230 --> 00:38:05,850  
that I'm most interested in it's almost

1028  
00:38:12,910 --> 00:38:09,240  
as if not only is the AI getting us

1029  
00:38:15,230 --> 00:38:12,920  
riled up online by saying charged

1030  
00:38:17,300 --> 00:38:15,240  
triggering provocative things but also

1031  
00:38:19,820 --> 00:38:17,310  
people on television these talking heads

1032  
00:38:23,540 --> 00:38:19,830  
are being instructed to say just those

1033  
00:38:25,730 --> 00:38:23,550  
same types of things and man it is kind

1034  
00:38:27,350 --> 00:38:25,740  
of weird that since we last talked that

1035  
00:38:29,510 --> 00:38:27,360  
one of the biggest dust-ups was pizza

1036  
00:38:31,490 --> 00:38:29,520  
gate I mean this child trafficking story

1037  
00:38:34,670 --> 00:38:31,500  
and we have these Church scandals like

1038  
00:38:36,590 --> 00:38:34,680

that used to be at least for a time the

1039

00:38:38,930 --> 00:38:36,600

bottom of the rabbit hole child

1040

00:38:41,930 --> 00:38:38,940

trafficking amongst the elite and they

1041

00:38:43,970 --> 00:38:41,940

took that mainstreamed it lampooned the

1042

00:38:45,590 --> 00:38:43,980

whole thing there's an alchemical act

1043

00:38:47,570 --> 00:38:45,600

for you you take the darkest of dark

1044

00:38:51,350 --> 00:38:47,580

secrets throw it into the front of the

1045

00:38:53,090 --> 00:38:51,360

culture and then just laugh at it yeah

1046

00:38:56,030 --> 00:38:53,100

well and knowing that but they tend to

1047

00:38:58,400 --> 00:38:56,040

actually they tried it to minute eyes

1048

00:38:59,810 --> 00:38:58,410

exactly what's happening to I remember

1049

00:39:02,230 --> 00:38:59,820

back when they were separating families

1050

00:39:03,520 --> 00:39:02,240

the borders

1051

00:39:04,840 --> 00:39:03,530

I went on the air and I said something

1052

00:39:06,480 --> 00:39:04,850

in fact I said well I don't believe that

1053

00:39:08,350 --> 00:39:06,490

we should separate families and

1054

00:39:10,600 --> 00:39:08,360

immediately people were attacking me

1055

00:39:12,880 --> 00:39:10,610

saying how dare you I bet you're for the

1056

00:39:14,800 --> 00:39:12,890

opening of borders and all this other

1057

00:39:15,970 --> 00:39:14,810

stuff and I said no my record is and

1058

00:39:17,560 --> 00:39:15,980

it's been the record for a long time I

1059

00:39:18,820 --> 00:39:17,570

believe we need to secure our borders we

1060

00:39:20,230 --> 00:39:18,830

need to have them secure and I believe

1061

00:39:22,510 --> 00:39:20,240

that we need a better vetting process

1062

00:39:24,310 --> 00:39:22,520

for people who are illegal and I said it

1063

00:39:27,069 --> 00:39:24,320

should have been done immediately after

1064

00:39:29,949 --> 00:39:27,079

9/11 but some reason it just got worse

1065

00:39:32,890 --> 00:39:29,959

but it was funny because where I came

1066

00:39:33,849 --> 00:39:32,900

from I was born and raised in Salt Lake

1067

00:39:36,099 --> 00:39:33,859

City Utah

1068

00:39:38,019 --> 00:39:36,109

you know the idea of Family Values was

1069

00:39:39,680 --> 00:39:38,029

something very pervasive because of

1070

00:39:42,110 --> 00:39:39,690

Mormonism

1071

00:39:43,670 --> 00:39:42,120

so I was led to believe that families

1072

00:39:46,370 --> 00:39:43,680

are important or important unit maybe

1073

00:39:47,870 --> 00:39:46,380

kept together so I said so let's see

1074

00:39:49,700 --> 00:39:47,880

that's a conservative value

1075

00:39:51,830 --> 00:39:49,710

I believe the idea of keeping families

1076

00:39:54,110 --> 00:39:51,840

together the minute I said this every

1077

00:39:55,700 --> 00:39:54,120

conservative attacked me saying how dare

1078

00:39:57,370 --> 00:39:55,710

you I'm thinking are you kidding me are

1079

00:39:58,840 --> 00:39:57,380

you

1080

00:40:01,750 --> 00:39:58,850

a person who claims to be conservative

1081

00:40:03,640 --> 00:40:01,760

telling me but families don't mean

1082

00:40:05,590 --> 00:40:03,650

anything because of the color of their

1083

00:40:08,620 --> 00:40:05,600

skin or their immigration status or

1084

00:40:10,330 --> 00:40:08,630

whatever families are important so no I

1085

00:40:12,940 --> 00:40:10,340

mean they've left behind their values

1086

00:40:15,370 --> 00:40:12,950

and they kill their values for the sake

1087

00:40:16,900 --> 00:40:15,380

of politics and if that's the case if

1088

00:40:19,600 --> 00:40:16,910

you're going to basically lay down your

1089

00:40:21,880 --> 00:40:19,610

morality or destroy your morality for

1090

00:40:24,460 --> 00:40:21,890

the sake of politics this world is

1091

00:40:26,710 --> 00:40:24,470

turning into an evil place and it's in

1092

00:40:28,570 --> 00:40:26,720

the hands of the devil the devil has his

1093

00:40:31,180 --> 00:40:28,580

hands the devil has laid his hand and

1094

00:40:33,630 --> 00:40:31,190

the people can say that's not true but

1095

00:40:36,100 --> 00:40:33,640

once again you hear that old axiom the

1096

00:40:37,770 --> 00:40:36,110

biggest trick the devil ever pulled was

1097

00:40:40,150 --> 00:40:37,780

convincing the world he didn't exist

1098

00:40:41,350 --> 00:40:40,160

mm-hmm and that's the way it is you know

1099

00:40:43,540 --> 00:40:41,360

he's trying to convince therewithal

1100

00:40:45,760 --> 00:40:43,550

that's not me that's not what's all

1101

00:40:49,240 --> 00:40:45,770

going on but it is the devil it's the

1102

00:40:51,370 --> 00:40:49,250

devil in many forms it's bail it's a

1103

00:40:52,720 --> 00:40:51,380

number of other demons that they're

1104

00:40:54,970 --> 00:40:52,730

using in movies now they're not using

1105

00:40:57,760 --> 00:40:54,980

there was a movie out called hereditary

1106

00:40:59,980 --> 00:40:57,770

and they had a demon they use called

1107

00:41:01,780 --> 00:40:59,990

pieman nobody else who pieman is they

1108

00:41:05,440 --> 00:41:01,790

don't know Haemon never heard a pieman

1109

00:41:07,330 --> 00:41:05,450

Python is a Mesopotamian jinn the grants

1110

00:41:09,220 --> 00:41:07,340

wishes and these kind of a demonic jinn

1111

00:41:12,550 --> 00:41:09,230

but see they don't know that so there's

1112

00:41:15,550 --> 00:41:12,560

nothing more scary than having a place

1113

00:41:17,230 --> 00:41:15,560

haunted or a movie that demonstrates

1114

00:41:19,480 --> 00:41:17,240

another demon I mean when you say this

1115

00:41:22,120 --> 00:41:19,490

is it arch to bail nobody else who bail

1116

00:41:22,570 --> 00:41:22,130

is all they know is Satan that's all I

1117

00:41:25,600 --> 00:41:22,580

know

1118

00:41:28,110 --> 00:41:25,610

more demons out there now that they're

1119

00:41:30,370 --> 00:41:28,120

unleashing and not all of them can be

1120

00:41:31,630 --> 00:41:30,380

cured or thrown away by holding your

1121

00:41:34,180 --> 00:41:31,640

hand to square and say in the name of

1122

00:41:36,610 --> 00:41:34,190

Jesus I rebuke you it doesn't work

1123

00:41:38,470 --> 00:41:36,620

anymore I mean some of them yeah it's

1124

00:41:40,780 --> 00:41:38,480

like Jesus is like the antibiotic for

1125

00:41:42,520 --> 00:41:40,790

all demons but the other some demons

1126  
00:41:45,010 --> 00:41:42,530  
that are resistant to this since because

1127  
00:41:46,930 --> 00:41:45,020  
they're older and they exist in other

1128  
00:41:48,910 --> 00:41:46,940  
times and other religions have created

1129  
00:41:50,530 --> 00:41:48,920  
them the jinn the other characters are

1130  
00:41:52,780 --> 00:41:50,540  
out there there are these demons I mean

1131  
00:41:54,670 --> 00:41:52,790  
Pazuzu was the popular one a bunch of

1132  
00:41:57,100 --> 00:41:54,680  
others and people don't know their

1133  
00:41:58,450 --> 00:41:57,110  
demons and I don't expect them to but

1134  
00:41:59,920 --> 00:41:58,460  
when you try to tell people that this is

1135  
00:42:02,950 --> 00:41:59,930  
the way it is I don't know it's not that

1136  
00:42:03,849 --> 00:42:02,960  
way that's the way it no no no preacher

1137  
00:42:05,829 --> 00:42:03,859  
not

1138  
00:42:07,509 --> 00:42:05,839

very many of them anyway have the

1139

00:42:10,359 --> 00:42:07,519

ability to tell their flocks that

1140

00:42:14,349 --> 00:42:10,369

there's something a lot darker a lot

1141

00:42:15,729 --> 00:42:14,359

deeper and scarier than just a Satan I

1142

00:42:16,930 --> 00:42:15,739

mean Satan's nothing compared to these

1143

00:42:18,309 --> 00:42:16,940

other demons that's why they call them

1144

00:42:21,039 --> 00:42:18,319

chief demons is because they're

1145

00:42:22,779 --> 00:42:21,049

terrifying they do things and they don't

1146

00:42:24,609 --> 00:42:22,789

listen they don't listen to the call of

1147

00:42:26,289 --> 00:42:24,619

God they don't answer to anything but

1148

00:42:28,900 --> 00:42:26,299

themselves they're arrogant it's like

1149

00:42:30,729 --> 00:42:28,910

the vampires can now appear in sunlight

1150

00:42:32,710 --> 00:42:30,739

sunlight doesn't bother them anymore

1151

00:42:35,920 --> 00:42:32,720

vampires can walk into churches without

1152

00:42:37,599 --> 00:42:35,930

problems anymore why because the order

1153

00:42:40,180 --> 00:42:37,609

of heaven and the order of hell have

1154

00:42:42,309 --> 00:42:40,190

changed heaven in hell or not in sync

1155

00:42:43,960 --> 00:42:42,319

anymore they're out of sync and that's

1156

00:42:45,370 --> 00:42:43,970

why things are the way they are that

1157

00:42:47,769 --> 00:42:45,380

everything's been toppled everything's

1158

00:42:50,259 --> 00:42:47,779

been changed something has changed the

1159

00:42:52,630 --> 00:42:50,269

rules of the game and with a game being

1160

00:42:55,180 --> 00:42:52,640

changed you have to get yourself into

1161

00:42:57,519 --> 00:42:55,190

the game and be that game or manipulate

1162

00:42:58,599 --> 00:42:57,529

the game back in your favor but people

1163

00:42:59,950 --> 00:42:58,609

don't realize that they've been get

1164

00:43:02,229 --> 00:42:59,960

everything's the same old same old every

1165

00:43:05,739 --> 00:43:02,239

day no you're right you've been right

1166

00:43:08,470 --> 00:43:05,749

all along things are changed they're not

1167

00:43:09,789 --> 00:43:08,480

the same it's been a period of time we

1168

00:43:11,079 --> 00:43:09,799

say maybe two or three years I think

1169

00:43:13,569 --> 00:43:11,089

it's longer than that I think it's been

1170

00:43:15,370 --> 00:43:13,579

a period of time to change the rules and

1171

00:43:17,170 --> 00:43:15,380

this is why we have mendella effects and

1172

00:43:18,489 --> 00:43:17,180

we have faulty recall when we have all

1173

00:43:20,499 --> 00:43:18,499

these things that's because the rules

1174

00:43:23,289 --> 00:43:20,509

have been changed things are different

1175

00:43:24,970 --> 00:43:23,299

now they are really different now yeah

1176

00:43:27,190 --> 00:43:24,980

man I really agree with you because we

1177

00:43:29,680 --> 00:43:27,200

do have rules and a well mapped out

1178

00:43:31,150 --> 00:43:29,690

blueprint to our reality but it's just

1179

00:43:33,400 --> 00:43:31,160

not taught to the common man

1180

00:43:35,499 --> 00:43:33,410

so without seeking out that kind of

1181

00:43:37,210 --> 00:43:35,509

information you just have no context for

1182

00:43:39,849 --> 00:43:37,220

it but when you look at what the elite

1183

00:43:41,470 --> 00:43:39,859

are doing it's clear they have some kind

1184

00:43:43,499 --> 00:43:41,480

of secret religion you know it's not

1185

00:43:45,640 --> 00:43:43,509

atheism it's not plain vanilla

1186

00:43:47,229 --> 00:43:45,650

Christianity and they definitely don't

1187

00:43:49,299 --> 00:43:47,239

share that information with us but we

1188

00:43:51,630 --> 00:43:49,309

get glimpses of it sometimes like in the

1189

00:43:54,579 --> 00:43:51,640

case you mentioned with the bail statue

1190

00:43:57,279 --> 00:43:54,589

these things happen all the time but I'm

1191

00:44:00,400 --> 00:43:57,289

still a bit fuzzy on the wider effects

1192

00:44:02,079 --> 00:44:00,410

because if they are releasing demons I

1193

00:44:05,289 --> 00:44:02,089

think some people visualize a

1194

00:44:08,739 --> 00:44:05,299

hollywood-style eye of Sauron entities

1195

00:44:10,390 --> 00:44:08,749

swirling around in the sky some big epic

1196

00:44:13,120 --> 00:44:10,400

thing but it's probably a lot more

1197

00:44:15,099 --> 00:44:13,130

subtle or a lot less obvious or easy to

1198

00:44:17,180 --> 00:44:15,109

identify which kind of makes it scary

1199

00:44:18,740 --> 00:44:17,190

because I can't tell how

1200

00:44:21,289 --> 00:44:18,750

along they are or if they've already

1201

00:44:23,029 --> 00:44:21,299

been successful or if we have things out

1202

00:44:25,730 --> 00:44:23,039

there now that can't be put back in the

1203

00:44:28,190 --> 00:44:25,740

box what are your thoughts on the status

1204

00:44:31,760 --> 00:44:28,200

and the effects of this aspect of the

1205

00:44:34,130 --> 00:44:31,770

agenda well let me tell you for the

1206

00:44:36,440 --> 00:44:34,140

longest time

1207

00:44:39,110 --> 00:44:36,450

traditional Satanism has mislead people

1208

00:44:41,300 --> 00:44:39,120

into thinking that it's all about an

1209

00:44:44,000 --> 00:44:41,310

archetype and that's true I mean it's an

1210

00:44:45,830 --> 00:44:44,010

archetype I mean the laveyan satanism or

1211

00:44:46,310 --> 00:44:45,840

the Church of Satan Satanism has all

1212

00:44:47,960 --> 00:44:46,320

been about

1213

00:44:49,640 --> 00:44:47,970

archetypes it sounds something that they

1214

00:44:51,350 --> 00:44:49,650

praise say just have somebody praise

1215

00:44:52,850 --> 00:44:51,360

it's just an architecture to irritate

1216

00:44:55,940 --> 00:44:52,860

people because they're mostly 80s and

1217

00:44:57,620 --> 00:44:55,950

nihilists and hedonistic but right now

1218

00:44:59,720 --> 00:44:57,630

we have a new thing it's called theistic

1219

00:45:02,840 --> 00:44:59,730

satanism it's spiritual Satanism which

1220

00:45:04,460 --> 00:45:02,850

is basically religious beliefs that

1221

00:45:08,180 --> 00:45:04,470

consider Satan is an objectively

1222

00:45:10,150 --> 00:45:08,190

existing supernatural being or a force

1223

00:45:14,109 --> 00:45:10,160

worthy of worship

1224

00:45:17,279 --> 00:45:14,119

so when we look at it it's been obscured

1225

00:45:19,990 --> 00:45:17,289

by all these groups that have been

1226

00:45:24,430 --> 00:45:20,000

considered devil worshipers who say

1227

00:45:28,809 --> 00:45:24,440

they're not and most theistic Satanists

1228

00:45:32,720 --> 00:45:28,819

religions exist as new ideologies

1229

00:45:35,000 --> 00:45:32,730

because they weren't around

1230

00:45:37,700 --> 00:45:35,010

so you have these people who worship

1231

00:45:40,039 --> 00:45:37,710

Satan as a spiritual entity rather than

1232

00:45:41,780 --> 00:45:40,049

an icon and so when you look at the

1233

00:45:43,730 --> 00:45:41,790

concepts based on pieces of all these

1234

00:45:46,730 --> 00:45:43,740

diverse conceptions of the devil whether

1235

00:45:52,280 --> 00:45:46,740

it be Asmodeus or whether it be Pazuzu

1236

00:45:54,650 --> 00:45:52,290

or vale or whatever we're dealing with

1237

00:45:59,140 --> 00:45:54,660

pagon left-hand path black magic and

1238

00:46:02,750 --> 00:45:59,150

occult traditions and it's basically

1239

00:46:04,910 --> 00:46:02,760

truthfully anti-christian or anti

1240

00:46:07,430 --> 00:46:04,920

Abrahamic religion ideas with religious

1241

00:46:09,980 --> 00:46:07,440

ideas in the Abrahamic religions and so

1242

00:46:12,100 --> 00:46:09,990

it's definitely inverse of these

1243

00:46:14,540 --> 00:46:12,110

religions inverse of Christianity

1244

00:46:16,290 --> 00:46:14,550

totally inverse or the reverse of

1245

00:46:18,120 --> 00:46:16,300

Christianity

1246

00:46:19,170 --> 00:46:18,130

you know they can be reversed Christians

1247

00:46:20,730 --> 00:46:19,180

if you want to call them that or they

1248

00:46:24,420 --> 00:46:20,740

can be reversed Jews or they can be

1249

00:46:26,819 --> 00:46:24,430

reversed Muslims but

1250

00:46:28,859 --> 00:46:26,829

it's a stricter interpretation of Satan

1251

00:46:31,460 --> 00:46:28,869

it's a stricter interpretation of the

1252

00:46:34,190 --> 00:46:31,470

Satan in the Christian Bible

1253

00:46:37,430 --> 00:46:34,200

and of course there's many factions of

1254

00:46:39,470 --> 00:46:37,440

theistic Satanists but we tend to figure

1255

00:46:43,910 --> 00:46:39,480

out or tend to worry or not know enough

1256

00:46:47,750 --> 00:46:43,920

about these powers and so what we have

1257

00:46:50,930 --> 00:46:47,760

is we have a divergent form of

1258

00:46:55,190 --> 00:46:50,940

Christianity we have a heresy or we have

1259

00:46:58,220 --> 00:46:55,200

heretical or apostasy type of activity

1260

00:47:00,650 --> 00:46:58,230

and so in fact if you read the Bible

1261

00:47:02,420 --> 00:47:00,660

there is several parts in the Bible

1262

00:47:04,450 --> 00:47:02,430

especially I think it's Paul who said

1263

00:47:06,560 --> 00:47:04,460

something that is said where I said that

1264

00:47:10,160 --> 00:47:06,570

what's going to happen is there's going

1265

00:47:13,370 --> 00:47:10,170

to be a great apostasy and you'll be

1266

00:47:14,720 --> 00:47:13,380

seeing the darker orders assemble mostly

1267

00:47:16,190 --> 00:47:14,730

the darker orders of the Dragon or

1268

00:47:18,230 --> 00:47:16,200

founders of the Dragon or founders the

1269

00:47:20,060 --> 00:47:18,240

Saturn worship or you know all these

1270

00:47:22,550 --> 00:47:20,070

other theistic approaches to

1271

00:47:25,520 --> 00:47:22,560

luciferianism so these are the powers

1272

00:47:28,640 --> 00:47:25,530

that they draw from it's a synergy of

1273

00:47:30,800 --> 00:47:28,650

sorts it's divine power that they see as

1274

00:47:32,930 --> 00:47:30,810

a divine power it's the dark side the

1275

00:47:35,060 --> 00:47:32,940

very thing that we read about in like

1276

00:47:38,270 --> 00:47:35,070

Star Wars or whatever but it's

1277

00:47:41,750 --> 00:47:38,280

definitely drawing from the Luciferian

1278

00:47:43,900 --> 00:47:41,760

values what began in the Garden of Eden

1279

00:47:47,180 --> 00:47:43,910

the tree of knowledge good and evil and

1280

00:47:49,160 --> 00:47:47,190

the conception is certainly Baphomet

1281

00:47:50,810 --> 00:47:49,170

which of course is now being showing up

1282

00:47:54,890 --> 00:47:50,820

for the public square like in Arkansas

1283

00:47:57,440 --> 00:47:54,900

and other places and so they are putting

1284

00:47:59,900 --> 00:47:57,450

themselves in a position where they are

1285

00:48:02,359 --> 00:47:59,910

just as recognized as a religion as

1286

00:48:05,829 --> 00:48:02,369

Christianity or Judaism or any other

1287

00:48:09,260 --> 00:48:05,839

religion so we have a very powerful pact

1288

00:48:12,260 --> 00:48:09,270

between various groups various powerful

1289

00:48:13,970 --> 00:48:12,270

individuals in the devil and so you're

1290

00:48:16,730 --> 00:48:13,980

dealing with something like Memoriam

1291

00:48:19,400 --> 00:48:16,740

theorem or we have the grimoires and the

1292

00:48:21,109 --> 00:48:19,410

others the black masses and back in the

1293

00:48:22,730 --> 00:48:21,119

day you had the Catholics with their

1294

00:48:25,849 --> 00:48:22,740

malleus Maleficarum which is the which

1295

00:48:27,650 --> 00:48:25,859

book or the witch hunters not only were

1296

00:48:30,410 --> 00:48:27,660

the Catholic Fathers in the ancient

1297

00:48:32,240 --> 00:48:30,420

times chasing after witches but they

1298

00:48:34,760 --> 00:48:32,250

were also chasing after real vampires

1299

00:48:36,859 --> 00:48:34,770

and real werewolves and it's not the

1300

00:48:38,599 --> 00:48:36,869

werewolves you see Lon Chaney turn into

1301

00:48:40,329 --> 00:48:38,609

it's so where wolf where people are

1302

00:48:44,140 --> 00:48:40,339

actually possessed

1303

00:48:46,870 --> 00:48:44,150

by this wolf type of mentality this wolf

1304

00:48:48,759 --> 00:48:46,880

spirit where they become cannibals I

1305

00:48:50,859 --> 00:48:48,769

mean that's the true meaning of the

1306

00:48:53,319 --> 00:48:50,869

weird wolf is the cannibalistic nature

1307

00:48:55,329 --> 00:48:53,329

of the werewolf and the vampire only

1308

00:48:57,459 --> 00:48:55,339

wanted the blood of the innocent the

1309

00:48:59,799 --> 00:48:57,469

blood of the virtuous but the vampire

1310

00:49:03,009 --> 00:48:59,809

wanted the flesh of both women and

1311

00:49:04,749 --> 00:49:03,019

children and so we have vampires and we

1312

00:49:06,640 --> 00:49:04,759

have werewolves among us and we have a

1313

00:49:09,009 --> 00:49:06,650

few witches too but they're not these

1314

00:49:11,170 --> 00:49:09,019

pagan witches but they're witches that

1315

00:49:14,339 --> 00:49:11,180

are delving deep into the sinister and

1316

00:49:16,390 --> 00:49:14,349

most darkest powers that exist right now

1317

00:49:18,999 --> 00:49:16,400

well I didn't know this is going to be

1318

00:49:20,529 --> 00:49:19,009

my Halloween show but here we go well I

1319

00:49:25,390 --> 00:49:20,539

mean everything's Halloween an April

1320

00:49:27,339 --> 00:49:25,400

Fool's Day on my end but yes well I like

1321

00:49:29,620 --> 00:49:27,349

what you're saying but that is kind of

1322

00:49:31,959 --> 00:49:29,630

where my wires get crossed because the

1323

00:49:34,120 --> 00:49:31,969

Abrahamic religions have caused so much

1324

00:49:36,489 --> 00:49:34,130

damage to and I don't find a lot of

1325

00:49:38,109 --> 00:49:36,499

altruism on either side of that paradigm

1326

00:49:40,269 --> 00:49:38,119

but I am pretty convinced that it's an

1327

00:49:42,450 --> 00:49:40,279

important subtext to world events that

1328

00:49:45,099 --> 00:49:42,460

we cannot ignore there's a real

1329

00:49:47,529 --> 00:49:45,109

spirituality to things that is factored

1330

00:49:50,410 --> 00:49:47,539

in and a lot of people are just ignorant

1331

00:49:54,039 --> 00:49:50,420

of it and some people have said to me

1332

00:49:57,249 --> 00:49:54,049

that demons can manifest in ways that of

1333

00:50:00,400 --> 00:49:57,259

course would not necessarily be obvious

1334

00:50:04,059 --> 00:50:00,410

and one of those could be as a catalyst

1335

00:50:06,819 --> 00:50:04,069

for or a disease itself and I know that

1336

00:50:09,130 --> 00:50:06,829

you had a recent show about a new rare

1337

00:50:12,160 --> 00:50:09,140

disease outbreak that's not exactly like

1338

00:50:14,170 --> 00:50:12,170

polio but it's in a taro virus I believe

1339

00:50:16,900 --> 00:50:14,180

it was called AFM I think

1340

00:50:18,489 --> 00:50:16,910

yep parenteral virus let's see

1341

00:50:20,950 --> 00:50:18,499

enteroviruses they make them sound so

1342

00:50:23,049 --> 00:50:20,960

rare but they happen all the time but

1343

00:50:25,209 --> 00:50:23,059

this is a strange one because it starts

1344

00:50:27,670 --> 00:50:25,219

out it's like a coke cough or cold and

1345

00:50:29,289 --> 00:50:27,680

sort of a flu and then all of a sudden

1346

00:50:31,870 --> 00:50:29,299

you see your kids not able to move they

1347

00:50:33,789 --> 00:50:31,880

become paralyzed and so that's the scary

1348

00:50:37,599 --> 00:50:33,799

part of it is that now we have diseases

1349

00:50:39,190 --> 00:50:37,609

that manipulate and they mutate and when

1350

00:50:40,809 --> 00:50:39,200

they do people you know end up with the

1351

00:50:44,020 --> 00:50:40,819

flu but end up dying of pneumonia they

1352

00:50:45,670 --> 00:50:44,030

get the fluid end up dying of some polio

1353

00:50:48,220 --> 00:50:45,680

or encephalitis or something like that

1354

00:50:49,750 --> 00:50:48,230

so you know there's obviously these

1355

00:50:51,310 --> 00:50:49,760

diseases were probably made in rogue

1356

00:50:54,790 --> 00:50:51,320

labs somewhere and just released into

1357

00:50:56,410 --> 00:50:54,800

the populace and you know any lab could

1358

00:50:58,600 --> 00:50:56,420

be responsible for making these things

1359

00:51:02,200 --> 00:50:58,610

and people don't know that there's that

1360

00:51:04,720 --> 00:51:02,210

underbelly of underground sabotage and

1361

00:51:05,980 --> 00:51:04,730

attack some going on for a long time now

1362

00:51:07,810 --> 00:51:05,990

and you know it's not that we want

1363

00:51:10,390 --> 00:51:07,820

everybody be paranoid but there are a

1364

00:51:11,800 --> 00:51:10,400

minority of groups that really just want

1365

00:51:14,530 --> 00:51:11,810

to watch the world burn they just want

1366

00:51:16,720 --> 00:51:14,540

to see people die and that's the unhappy

1367

00:51:18,070 --> 00:51:16,730

reality that's true and in this

1368

00:51:20,770 --> 00:51:18,080

situation I think there was something

1369

00:51:23,260 --> 00:51:20,780

like 60 cases of this disease but they

1370

00:51:25,060 --> 00:51:23,270

were in 22 different states and that's

1371

00:51:27,700 --> 00:51:25,070

weird because you would expect outbreaks

1372

00:51:29,740 --> 00:51:27,710

to be in a concentrated pocket but in

1373

00:51:33,310 --> 00:51:29,750

this case it almost seems like something

1374

00:51:34,840 --> 00:51:33,320

was seeded across the country right they

1375

00:51:36,850 --> 00:51:34,850

call that a gain-of-function exercise

1376

00:51:38,320 --> 00:51:36,860

where they actually do a trial run of

1377

00:51:40,270 --> 00:51:38,330

some disease to see how it affects

1378

00:51:42,330 --> 00:51:40,280

people and then they provide the

1379

00:51:44,100 --> 00:51:42,340

antidote later

1380

00:51:45,570 --> 00:51:44,110

they do this just to test how it will

1381

00:51:47,900 --> 00:51:45,580

work on the public they do that in San

1382

00:51:50,790 --> 00:51:47,910

Francisco back in the 50s they actually

1383

00:51:53,100 --> 00:51:50,800

released a disease through the fog in

1384

00:51:56,670 --> 00:51:53,110

San Francisco and people got it was a

1385

00:51:58,560 --> 00:51:56,680

rash and it was very crippling but they

1386

00:52:01,020 --> 00:51:58,570

were able to determine that yes San

1387

00:52:03,480 --> 00:52:01,030

Francisco be an excellent port an

1388

00:52:06,330 --> 00:52:03,490

excellent area for any kind of chemical

1389

00:52:07,500 --> 00:52:06,340

or biological attack and people say well

1390

00:52:08,970 --> 00:52:07,510

why would a government do that well

1391

00:52:10,570 --> 00:52:08,980

here's another example you know they

1392

00:52:13,780 --> 00:52:10,580

were testing

1393

00:52:16,810 --> 00:52:13,790

nuclear weapons you know in the areas of

1394

00:52:19,030 --> 00:52:16,820

Nevada and st. George Utah in places

1395

00:52:21,400 --> 00:52:19,040

like that which created down winders

1396

00:52:23,860 --> 00:52:21,410

people who for generations now have been

1397

00:52:26,620 --> 00:52:23,870

more prone to cancers I'm one of those

1398

00:52:29,980 --> 00:52:26,630

guys because my mother and her family

1399

00:52:32,650 --> 00:52:29,990

lived in Cedar City and st. George area

1400

00:52:35,230 --> 00:52:32,660

hurricane area Utah and they were

1401

00:52:38,260 --> 00:52:35,240

subjected to the fallout from the tests

1402

00:52:39,880 --> 00:52:38,270

that were conducted in Nevada because

1403

00:52:43,060 --> 00:52:39,890

the wind would blow it all over there

1404

00:52:44,440 --> 00:52:43,070

and so many people on my mother's side

1405

00:52:45,850 --> 00:52:44,450

of the family died of cancer my mother

1406

00:52:47,200 --> 00:52:45,860

died of cancer I've having battled with

1407

00:52:49,750 --> 00:52:47,210

cancer at least three times on my

1408

00:52:51,160 --> 00:52:49,760

kidneys but I've survived it but you

1409

00:52:53,800 --> 00:52:51,170

know it's always that idea that you have

1410

00:52:55,120 --> 00:52:53,810

that cloud of doubt over your head

1411

00:52:56,620 --> 00:52:55,130

because of some testing that the

1412

00:52:58,720 --> 00:52:56,630

government didn't they all did it for

1413

00:52:59,980 --> 00:52:58,730

the safety of the United States that's

1414

00:53:01,000 --> 00:52:59,990

why they did it but now it's the

1415

00:53:02,950 --> 00:53:01,010

illusion of safety

1416

00:53:04,210 --> 00:53:02,960

we're always given the illusion of

1417

00:53:07,030 --> 00:53:04,220

safety there's not really anything

1418

00:53:09,070 --> 00:53:07,040

that's foolproof the people do things

1419

00:53:10,930 --> 00:53:09,080

thinking oh this is going to help like

1420

00:53:13,060 --> 00:53:10,940

the TSA at airports this gives you the

1421

00:53:15,130 --> 00:53:13,070

illusion of safety anything could go

1422

00:53:18,220 --> 00:53:15,140

wrong anything you get through the

1423

00:53:19,960 --> 00:53:18,230

security there's no real safety I mean

1424

00:53:21,370 --> 00:53:19,970

people are vulnerable every day you're

1425

00:53:23,030 --> 00:53:21,380

vulnerable the minute you take that walk

1426

00:53:25,310 --> 00:53:23,040

out the door

1427

00:53:27,230 --> 00:53:25,320

nothing is truly safe but they give you

1428

00:53:29,000 --> 00:53:27,240

the illusion of safety because they want

1429

00:53:30,380 --> 00:53:29,010

to make sure that they can take away

1430

00:53:31,880 --> 00:53:30,390

your rights and they can take away all

1431

00:53:35,060 --> 00:53:31,890

kinds of other things just in the name

1432

00:53:37,730 --> 00:53:35,070

of safety mm-hmm troubled times indeed

1433

00:53:39,740 --> 00:53:37,740

and as we start pulling this thing

1434

00:53:41,960 --> 00:53:39,750

together I did kind of want to ask you

1435

00:53:44,210 --> 00:53:41,970

about geopolitics because there are many

1436

00:53:46,280 --> 00:53:44,220

moving pieces on the chessboard it does

1437

00:53:48,260 --> 00:53:46,290

seem like some things are going a

1438

00:53:51,380 --> 00:53:48,270

different direction than they were going

1439

00:53:53,780 --> 00:53:51,390

a few years ago what out there on the

1440

00:53:57,000 --> 00:53:53,790

global motion-picture stage show has

1441

00:53:59,760 --> 00:53:57,010

really got your attention in your focus

1442

00:54:02,900 --> 00:53:59,770

with regard to geopolitics I would say

1443

00:54:07,410 --> 00:54:02,910

the hidden agenda of creating scarcity

1444

00:54:10,110 --> 00:54:07,420

they hit an agenda of creating salmon

1445

00:54:11,280 --> 00:54:10,120

telling us that certain resources aren't

1446

00:54:13,410 --> 00:54:11,290

going around and they're going to be

1447

00:54:16,110 --> 00:54:13,420

able to control these resources this

1448

00:54:17,700 --> 00:54:16,120

leads us to the idea that eventually the

1449

00:54:19,050 --> 00:54:17,710

men with the guns and the men with the

1450

00:54:20,100 --> 00:54:19,060

power are going to be running the show

1451  
00:54:21,960 --> 00:54:20,110  
they're going to be distributing the

1452  
00:54:24,630 --> 00:54:21,970  
food the water and the pain medications

1453  
00:54:27,180 --> 00:54:24,640  
and I've always said the secret to

1454  
00:54:29,970 --> 00:54:27,190  
success for a civilization is if they

1455  
00:54:31,470 --> 00:54:29,980  
have good food nutritious food if they

1456  
00:54:33,450 --> 00:54:31,480  
have clean water to drink and if they

1457  
00:54:34,590 --> 00:54:33,460  
are out of pain and those are the three

1458  
00:54:35,940 --> 00:54:34,600  
things that they're going to be

1459  
00:54:37,200 --> 00:54:35,950  
controlling otherwise they're going to

1460  
00:54:38,670 --> 00:54:37,210  
be controlling the air but I have a

1461  
00:54:40,920 --> 00:54:38,680  
feeling a hard time containing and

1462  
00:54:42,810 --> 00:54:40,930  
controlling air but they certainly have

1463  
00:54:45,270 --> 00:54:42,820

a way to control resources vital

1464

00:54:46,950 --> 00:54:45,280

resources that keep people alive you

1465

00:54:48,600 --> 00:54:46,960

know because they can dictate where the

1466

00:54:51,150 --> 00:54:48,610

food comes from they can dictate where

1467

00:54:52,680 --> 00:54:51,160

the water comes from we're talking pure

1468

00:54:54,420 --> 00:54:52,690

water not contaminated water with

1469

00:54:56,450 --> 00:54:54,430

fluoride or any other chemicals we're

1470

00:54:59,700 --> 00:54:56,460

talking pure water to edify the body

1471

00:55:01,080 --> 00:54:59,710

we're talking about nutritious food to

1472

00:55:03,780 --> 00:55:01,090

keep people healthy which of course

1473

00:55:06,990 --> 00:55:03,790

we're failing at and then the idea of

1474

00:55:10,100 --> 00:55:07,000

pain and how to get rid of pain whether

1475

00:55:12,960 --> 00:55:10,110

it be emotional pain existential pain or

1476

00:55:15,060 --> 00:55:12,970

physical pain and they certainly know

1477

00:55:17,160 --> 00:55:15,070

how to inflict it but they don't know

1478

00:55:19,260 --> 00:55:17,170

how to take it away and the reason why

1479

00:55:22,470 --> 00:55:19,270

is because pain is a great motivator

1480

00:55:24,810 --> 00:55:22,480

pain is a great controller and pain is

1481

00:55:29,610 --> 00:55:24,820

what is king now pain is the new god

1482

00:55:31,890 --> 00:55:29,620

people want to be out of pain so that

1483

00:55:34,920 --> 00:55:31,900

all ties together with your opiate

1484

00:55:37,500 --> 00:55:34,930

crisis that all ties together with the

1485

00:55:39,090 --> 00:55:37,510

processes of food and water is always

1486

00:55:41,610 --> 00:55:39,100

what is known as the resource that

1487

00:55:42,660 --> 00:55:41,620

everybody wants and has and of course

1488

00:55:43,950 --> 00:55:42,670

they're saying that you know with

1489

00:55:46,860 --> 00:55:43,960

climate change we're going to lose all

1490

00:55:49,500 --> 00:55:46,870

that water so those three elements are

1491

00:55:50,850 --> 00:55:49,510

what are at stake to continue our lives

1492

00:55:53,010 --> 00:55:50,860

and if we're not going to continue our

1493

00:55:55,770 --> 00:55:53,020

lives using food water to keep people

1494

00:55:58,020 --> 00:55:55,780

out of pain the best way to change

1495

00:56:00,480 --> 00:55:58,030

everything is to render is extinct by

1496

00:56:02,700 --> 00:56:00,490

making us all machines it's all this

1497

00:56:05,040 --> 00:56:02,710

vicious circle that they've decided to

1498

00:56:07,440 --> 00:56:05,050

create and people aren't aware of how

1499

00:56:09,240 --> 00:56:07,450

fragile and the fragility of their lives

1500

00:56:10,980 --> 00:56:09,250

and their spiritual nature are and we

1501  
00:56:13,020 --> 00:56:10,990  
need to be stronger for it and look into

1502  
00:56:15,450 --> 00:56:13,030  
it and try to eradicate it before we

1503  
00:56:17,100 --> 00:56:15,460  
allow the oligarchs to take over and to

1504  
00:56:19,400 --> 00:56:17,110  
keep us from having those resources we

1505  
00:56:22,200 --> 00:56:19,410  
truly need and want for survival

1506  
00:56:24,720 --> 00:56:22,210  
hmm.well said yes it is all really about

1507  
00:56:27,480 --> 00:56:24,730  
pain avoidance in a world that is just

1508  
00:56:32,100 --> 00:56:27,490  
full of it I also think softening of

1509  
00:56:34,170 --> 00:56:32,110  
people and our endurance for difficulty

1510  
00:56:35,550 --> 00:56:34,180  
has really been diminished as well so it

1511  
00:56:38,070 --> 00:56:35,560  
kind of is like we're getting hit on

1512  
00:56:41,160 --> 00:56:38,080  
both sides there's just so many concerns

1513  
00:56:42,260 --> 00:56:41,170

at this place in the timeline but man I

1514

00:56:44,430 --> 00:56:42,270

can't keep you here forever

1515

00:56:46,590 --> 00:56:44,440

unfortunately but again you're doing

1516

00:56:48,750 --> 00:56:46,600

great stuff with Ground Zero all these

1517

00:56:51,000 --> 00:56:48,760

strange stories about space following

1518

00:56:53,430 --> 00:56:51,010

the trajectory of transhumanism talking

1519

00:56:56,100 --> 00:56:53,440

about the impact of AI the creation of

1520

00:56:57,750 --> 00:56:56,110

super viruses these are the things we

1521

00:57:00,090 --> 00:56:57,760

should be talking about if we could just

1522

00:57:01,920 --> 00:57:00,100

get over the party politics the race

1523

00:57:04,470 --> 00:57:01,930

baiting the less than presidential

1524

00:57:06,600 --> 00:57:04,480

tweets so you know kudos to you for

1525

00:57:08,520 --> 00:57:06,610

sticking to your guns remind the people

1526

00:57:10,680 --> 00:57:08,530

of the ways in which they can catch

1527

00:57:12,680 --> 00:57:10,690

ground zero and anything else you might

1528

00:57:16,290 --> 00:57:12,690

want to plug before we call it in

1529

00:57:17,490 --> 00:57:16,300

well once again my book is available at

1530

00:57:19,200 --> 00:57:17,500

amazon.com

1531

00:57:21,570 --> 00:57:19,210

the transhumanist book is doing very

1532

00:57:22,950 --> 00:57:21,580

well I also have a remarkable book on

1533

00:57:25,200 --> 00:57:22,960

geoengineering that's selling really

1534

00:57:26,660 --> 00:57:25,210

well of course we have books on UFOs we

1535

00:57:28,710 --> 00:57:26,670

have books on other things that are

1536

00:57:30,240 --> 00:57:28,720

esoteric those books are available to

1537

00:57:32,220 --> 00:57:30,250

those my older copies of books people

1538

00:57:33,240 --> 00:57:32,230

are still buying those at the moment

1539

00:57:35,070 --> 00:57:33,250

though the hot sellers of the

1540

00:57:37,230 --> 00:57:35,080

transhumanist book and also the book

1541

00:57:38,910 --> 00:57:37,240

that deals with geoengineering I would

1542

00:57:40,170 --> 00:57:38,920

highly encourage you to get these books

1543

00:57:42,120 --> 00:57:40,180

they're very informative they are

1544

00:57:43,800 --> 00:57:42,130

detailed or not the same old same old I

1545

00:57:45,300 --> 00:57:43,810

don't write like the same old same old

1546

00:57:47,760 --> 00:57:45,310

you'll be getting a lot of inspiration

1547

00:57:49,590 --> 00:57:47,770

from it if you want to listen to the

1548

00:57:51,990 --> 00:57:49,600

program there's several places to go

1549

00:57:54,450 --> 00:57:52,000

there's listen to Ground Zero calm

1550

00:57:57,300 --> 00:57:54,460

listen to Ground Zero calm there's talk

1551  
00:58:00,060 --> 00:57:57,310  
stream live calm you'll be able to find

1552  
00:58:01,980 --> 00:58:00,070  
the Ground Zero show there we also have

1553  
00:58:04,560 --> 00:58:01,990  
archives available at [soundcloud.com](https://soundcloud.com)

1554  
00:58:06,750 --> 00:58:04,570  
slash Ground Zero media that

1555  
00:58:09,210 --> 00:58:06,760  
[soundcloud.com](https://soundcloud.com) slash Ground Zero media

1556  
00:58:10,590 --> 00:58:09,220  
we take five hours of program condense

1557  
00:58:11,900 --> 00:58:10,600  
it down to three with limited commercial

1558  
00:58:14,940 --> 00:58:11,910  
interruptions should you ever do that

1559  
00:58:16,830 --> 00:58:14,950  
also we have all kinds of cool things

1560  
00:58:18,450 --> 00:58:16,840  
like t-shirts and mugs and things

1561  
00:58:21,120 --> 00:58:18,460  
available at the Ground Zero store

1562  
00:58:23,730 --> 00:58:21,130  
that's Ground Zero store dot org and be

1563  
00:58:25,290 --> 00:58:23,740

looking forward to another Ground Zero

1564

00:58:27,360 --> 00:58:25,300

project to be released within the next

1565

00:58:29,610 --> 00:58:27,370

month we're working on a project called

1566

00:58:32,100 --> 00:58:29,620

Ground Zero aftermath which will be a

1567

00:58:35,310 --> 00:58:32,110

complete Nexus Nexus of everything

1568

00:58:38,310 --> 00:58:35,320

ground zero including a crypto library

1569

00:58:40,500 --> 00:58:38,320

and an email is sent where I help you

1570

00:58:42,150 --> 00:58:40,510

research some of the topics that are on

1571

00:58:44,190 --> 00:58:42,160

ground zero and I just announced it on

1572

00:58:46,320 --> 00:58:44,200

your show okay so no one knows about it

1573

00:58:47,550 --> 00:58:46,330

not even my listeners so all your

1574

00:58:49,320 --> 00:58:47,560

listeners are hearing about the new

1575

00:58:50,670 --> 00:58:49,330

ground zero research site that'll be put

1576

00:58:52,980 --> 00:58:50,680

together where hopefully to launch it

1577

00:58:56,520 --> 00:58:52,990

next month we're working on trying to

1578

00:59:00,330 --> 00:58:56,530

get a well-stocked library of documents

1579

00:59:02,460 --> 00:59:00,340

and research and I send out emails twice

1580

00:59:04,260 --> 00:59:02,470

a week to give you information on how

1581

00:59:05,670 --> 00:59:04,270

you can better research the stories we

1582

00:59:07,860 --> 00:59:05,680

cover on ground zero and that'll be

1583

00:59:10,350 --> 00:59:07,870

coming up in November so it's gonna be a

1584

00:59:12,000 --> 00:59:10,360

great thing for everybody Wow yes that's

1585

00:59:14,310 --> 00:59:12,010

very creative you know we talk so much

1586

00:59:16,530 --> 00:59:14,320

about the internet being this military

1587

00:59:18,780 --> 00:59:16,540

intelligence tool that's used against us

1588

00:59:20,820 --> 00:59:18,790

and it is but it's also a tool that we

1589

00:59:22,500 --> 00:59:20,830

could use and instead of just kind of

1590

00:59:25,170 --> 00:59:22,510

complaining about how the sky is falling

1591

00:59:27,270 --> 00:59:25,180

on us we should while we can twist it

1592

00:59:29,460 --> 00:59:27,280

and use it for our own benefit so that's

1593

00:59:31,290 --> 00:59:29,470

great and in terms of the show you're

1594

00:59:33,690 --> 00:59:31,300

doing an excellent job of bridging the

1595

00:59:36,060 --> 00:59:33,700

gap between traditional radio and the

1596

00:59:37,680 --> 00:59:36,070

podcasting evolution I think much better

1597

00:59:39,780 --> 00:59:37,690

than other shows that people would be

1598

00:59:41,820 --> 00:59:39,790

familiar with but this has been a lot of

1599

00:59:44,460 --> 00:59:41,830

fun you are a gentleman and a scholar

1600

00:59:46,410 --> 00:59:44,470

the master of your domain and a champion

1601  
00:59:48,450 --> 00:59:46,420  
of the people thanks again and take care

1602  
00:59:50,820 --> 00:59:48,460  
of yourself out there thank you you have

1603  
00:59:51,930 --> 00:59:50,830  
a great time and once again I loved all

1604  
00:59:53,580 --> 00:59:51,940  
your listeners and all the listeners

1605  
00:59:57,570 --> 00:59:53,590  
that I share with you thank you so much

1606  
01:00:00,240 --> 00:59:57,580  
mm-hmm likewise take care man all right

1607  
01:00:02,850 --> 01:00:00,250  
higher side shatters the legendary Clyde

1608  
01:00:05,490 --> 01:00:02,860  
Lewis doing what a Clyde Lewis does best

1609  
01:00:07,890 --> 01:00:05,500  
I got a lot of respect for him and his

1610  
01:00:10,710 --> 01:00:07,900  
taxing schedule and his talent to be

1611  
01:00:11,970 --> 01:00:10,720  
able to keep up with it all and as I

1612  
01:00:14,400 --> 01:00:11,980  
sort of said in the beginning the real

1613  
01:00:16,890 --> 01:00:14,410

catalyst for getting him on was some of

1614

01:00:19,890 --> 01:00:16,900

these space related stories and I wanted

1615

01:00:23,220 --> 01:00:19,900

to hit them all in one show and we did

1616

01:00:25,980 --> 01:00:23,230

that even though it was pretty quick but

1617

01:00:28,160 --> 01:00:25,990

the Sun SPOT Observatory story is pretty

1618

01:00:31,080 --> 01:00:28,170

weird shutting down the observatory

1619

01:00:33,660 --> 01:00:31,090

having an evacuation closing the post

1620

01:00:35,700 --> 01:00:33,670

office and then saying it was just

1621

01:00:39,390 --> 01:00:35,710

because some janitor was looking at

1622

01:00:43,020 --> 01:00:39,400

child porn yeah I don't know something

1623

01:00:44,610 --> 01:00:43,030

very weird happened there I mean as he

1624

01:00:45,570 --> 01:00:44,620

said it was more than just sunspot

1625

01:00:47,250 --> 01:00:45,580

several

1626

01:00:50,280 --> 01:00:47,260

eyes on the sky went down at the same

1627

01:00:52,500 --> 01:00:50,290

time but he mentioned a massive coronal

1628

01:00:54,810 --> 01:00:52,510

hole in the Sun and we've had a lot of

1629

01:00:56,910 --> 01:00:54,820

guests that feel like the Sun is maybe

1630

01:00:58,530 --> 01:00:56,920

different from what we think it is

1631

01:01:01,050 --> 01:00:58,540

Neil Cramer he talked about his

1632

01:01:03,990 --> 01:01:01,060

meditation and astral projection

1633

01:01:06,660 --> 01:01:04,000

examinations of the Sun and he considers

1634

01:01:09,450 --> 01:01:06,670

it to be some type of portal that beams

1635

01:01:12,300 --> 01:01:09,460

come in and out of well maybe it is and

1636

01:01:14,220 --> 01:01:12,310

maybe it briefly opened and they tried

1637

01:01:17,880 --> 01:01:14,230

to keep as many eyes off it as they

1638

01:01:20,460 --> 01:01:17,890

could assuming some they knew about it

1639

01:01:23,310 --> 01:01:20,470

in advance I'm open to that

1640

01:01:25,980 --> 01:01:23,320

then we had the neutrinos being expelled

1641

01:01:28,350 --> 01:01:25,990

from Antarctica story well clearly

1642

01:01:29,700 --> 01:01:28,360

that's a detection of the inner Sun but

1643

01:01:33,720 --> 01:01:29,710

not everyone's clued in to the Hollow

1644

01:01:36,980 --> 01:01:33,730

Earth truth you also heard that quick

1645

01:01:39,540 --> 01:01:36,990

mention of Russian scientists observing

1646

01:01:42,420 --> 01:01:39,550

colliding stars but actually wondering

1647

01:01:43,820 --> 01:01:42,430

if it might be a spaceship armada headed

1648

01:01:46,890 --> 01:01:43,830

our way I mean that's pretty interesting

1649

01:01:48,780 --> 01:01:46,900

of course there isn't much more to say

1650

01:01:51,330 --> 01:01:48,790

than just that sentence but it's worth

1651

01:01:53,730 --> 01:01:51,340

filing away in the fringe stuff bin

1652

01:01:56,450 --> 01:01:53,740

because apparently they're asking that

1653

01:01:59,940 --> 01:01:56,460

question pretty openly in Russian media

1654

01:02:02,310 --> 01:01:59,950

so overall this was to me a great blend

1655

01:02:04,110 --> 01:02:02,320

of wild provocative stories which I

1656

01:02:06,570 --> 01:02:04,120

think we all like it is why we're here

1657

01:02:08,490 --> 01:02:06,580

but also the beginning of the show was

1658

01:02:10,440 --> 01:02:08,500

important to me because I want to align

1659

01:02:12,930 --> 01:02:10,450

with people in this community that avoid

1660

01:02:16,440 --> 01:02:12,940

the party politics stay true to the

1661

01:02:19,890 --> 01:02:16,450

alternative but have some intellectual

1662

01:02:22,830 --> 01:02:19,900

honesty like have some level of reason

1663

01:02:25,170 --> 01:02:22,840

to the stuff they're looking at it's a

1664

01:02:26,970 --> 01:02:25,180

fine line and might even sound like an

1665

01:02:29,340 --> 01:02:26,980

oxymoron to some people

1666

01:02:33,180 --> 01:02:29,350

rational conspiracy research or whatever

1667

01:02:35,250 --> 01:02:33,190

I might not be able to define the

1668

01:02:38,220 --> 01:02:35,260

particular flavor that I like all I can

1669

01:02:40,880 --> 01:02:38,230

do is present it to you and highlight it

1670

01:02:44,130 --> 01:02:40,890

when it comes out in a way that I like

1671

01:02:46,380 --> 01:02:44,140

no two people agree on everything but as

1672

01:02:48,300 --> 01:02:46,390

conspiracy culture drifts to all these

1673

01:02:50,580 --> 01:02:48,310

new places the earth is flat the

1674

01:02:53,130 --> 01:02:50,590

president is our hero q and on sphere

1675

01:02:55,710 --> 01:02:53,140

being alliances there's just a lot of

1676

01:02:58,980 --> 01:02:55,720

very popular conspiratorial sagas that

1677

01:03:01,140 --> 01:02:58,990

I'm not feeling and I

1678

01:03:04,890 --> 01:03:01,150

at the start of this talk with Clyde was

1679

01:03:07,740 --> 01:03:04,900

a good reaffirming of where in the soup

1680

01:03:09,570 --> 01:03:07,750

I want to be look we'll talk about

1681

01:03:11,790 --> 01:03:09,580

anything here the wildest of the wild

1682

01:03:13,830 --> 01:03:11,800

sure let's do it but I think the last

1683

01:03:16,530 --> 01:03:13,840

two years have really jumped the shark

1684

01:03:18,900 --> 01:03:16,540

for conspiracy culture which is saying a

1685

01:03:20,310 --> 01:03:18,910

lot but I do love that phrase and if you

1686

01:03:22,620 --> 01:03:20,320

don't know it's a phrase that comes from

1687

01:03:24,600 --> 01:03:22,630

an old Happy Days episode where the plot

1688

01:03:27,830 --> 01:03:24,610

line is that Fonzie is going to jump

1689

01:03:30,480 --> 01:03:27,840

over a shark on his motorcycle well

1690

01:03:32,850 --> 01:03:30,490

that's pretty ridiculous and outside of

1691

01:03:35,700 --> 01:03:32,860

the box of what happy days was about and

1692

01:03:38,940 --> 01:03:35,710

just by having that one episode it sort

1693

01:03:41,580 --> 01:03:38,950

of deflated what people enjoyed about

1694

01:03:44,550 --> 01:03:41,590

the show we all know that I think we've

1695

01:03:47,070 --> 01:03:44,560

seen ridiculous sequels to movies or

1696

01:03:50,220 --> 01:03:47,080

remakes to movies that actually hurt the

1697

01:03:51,990 --> 01:03:50,230

enjoyment of the original that's kind of

1698

01:03:54,300 --> 01:03:52,000

how I felt about what's been popular

1699

01:03:56,400 --> 01:03:54,310

I've looked in the mirror and I would

1700

01:03:59,910 --> 01:03:56,410

put something like the Q in on stuff in

1701  
01:04:03,060 --> 01:03:59,920  
our conspiratorial jump the shark moment

1702  
01:04:05,280 --> 01:04:03,070  
box and I will probably do a show at

1703  
01:04:06,840 --> 01:04:05,290  
least one about anything that pops up in

1704  
01:04:09,690 --> 01:04:06,850  
conspiracy culture that's what this is

1705  
01:04:11,520 --> 01:04:09,700  
an aggregate but there are still things

1706  
01:04:14,160 --> 01:04:11,530  
that resonate with me and things that

1707  
01:04:16,560 --> 01:04:14,170  
don't yes I know conspiracy has always

1708  
01:04:20,910 --> 01:04:16,570  
had a level of insanity to it I love

1709  
01:04:23,040 --> 01:04:20,920  
that I'm here to preserve that we've

1710  
01:04:24,810 --> 01:04:23,050  
always had whistleblowers and charlatans

1711  
01:04:27,090 --> 01:04:24,820  
and all that stuff but I never saw them

1712  
01:04:29,250 --> 01:04:27,100  
as the leaders of the community like

1713  
01:04:32,130 --> 01:04:29,260

they are now I feel like they've elbowed

1714

01:04:34,859 --> 01:04:32,140

their way to the front like let's take a

1715

01:04:36,359 --> 01:04:34,869

classic conspiratorial example of a

1716

01:04:38,070 --> 01:04:36,369

pretty out-there thing like saying

1717

01:04:41,730 --> 01:04:38,080

Hillary Clinton is a lizard person with

1718

01:04:44,280 --> 01:04:41,740

kuru on one level it's probably not true

1719

01:04:48,150 --> 01:04:44,290

but I'm actually open to it because [h\_\_h]

1720

01:04:50,040 --> 01:04:48,160

her I don't really mind going too far in

1721

01:04:52,109 --> 01:04:50,050

our criticisms of career criminal

1722

01:04:54,780 --> 01:04:52,119

politicians I don't mind that at all I

1723

01:04:58,109 --> 01:04:54,790

mind the conspiracy community rallying

1724

01:04:59,940 --> 01:04:58,119

around the president because that's a

1725

01:05:03,540 --> 01:04:59,950

bait and switch like I've never seen and

1726

01:05:05,670 --> 01:05:03,550

I think it's harmful sorry I don't mean

1727

01:05:07,800 --> 01:05:05,680

to talk Trump and Hillary still two

1728

01:05:10,620 --> 01:05:07,810

years in like every other [h\_\_h] out

1729

01:05:12,210 --> 01:05:10,630

there and maybe I don't want to give

1730

01:05:14,910 --> 01:05:12,220

specifics on every little

1731

01:05:15,390 --> 01:05:14,920

red but broadly getting back to this

1732

01:05:17,370 --> 01:05:15,400

show

1733

01:05:21,270 --> 01:05:17,380

I like how Clyde has conducted himself

1734

01:05:23,190 --> 01:05:21,280

through some really rocky changes and I

1735

01:05:25,290 --> 01:05:23,200

just wanted to give him the nod give him

1736

01:05:27,599 --> 01:05:25,300

the high-five and have him on to talk

1737

01:05:29,280 --> 01:05:27,609

about not only navigating that terrain

1738

01:05:31,290 --> 01:05:29,290

but also some of the wild stuff that has

1739

01:05:34,700 --> 01:05:31,300

been out there lately that is really

1740

01:05:38,250 --> 01:05:34,710

being drowned out by mainstream

1741

01:05:39,570 --> 01:05:38,260

political conspiracy talk I think that's

1742

01:05:42,540 --> 01:05:39,580

the best way to put what I'm trying to

1743

01:05:45,210 --> 01:05:42,550

say I mean to quote Clyde in this show

1744

01:05:47,880 --> 01:05:45,220

he says point-blank it's always been the

1745

01:05:50,130 --> 01:05:47,890

state versus you and bam put that on a

1746

01:05:53,190 --> 01:05:50,140

goddamn t-shirt because to me that's

1747

01:05:54,750 --> 01:05:53,200

fashionable in any season we are the

1748

01:05:57,630 --> 01:05:54,760

little guy trying to figure out what

1749

01:05:59,460 --> 01:05:57,640

dark [h\_\_h] they're up to what weapons are

1750

01:06:02,580 --> 01:05:59,470

being used against us and how we can

1751

01:06:04,530 --> 01:06:02,590

curtail the damage we're trying to look

1752

01:06:06,390 --> 01:06:04,540

in those files they quarantine and that

1753

01:06:09,750 --> 01:06:06,400

involves a lot of speculation but there

1754

01:06:11,910 --> 01:06:09,760

is a purpose to it so when you talk

1755

01:06:13,950 --> 01:06:11,920

about that stuff I think conspiracy has

1756

01:06:15,900 --> 01:06:13,960

a real core of usefulness and yes an

1757

01:06:18,599 --> 01:06:15,910

element of conspirator

1758

01:06:20,550 --> 01:06:18,609

I'm okay with being both but if you look

1759

01:06:24,000 --> 01:06:20,560

at the craziest THC episodes they're

1760

01:06:28,920 --> 01:06:24,010

usually followed up by something more

1761

01:06:30,810 --> 01:06:28,930

practical or academic anyway after the

1762

01:06:32,520 --> 01:06:30,820

first hour today in the Plus show we

1763

01:06:34,589 --> 01:06:32,530

talked about even more practical things

1764

01:06:36,960 --> 01:06:34,599

because Clyde has really had three bouts

1765

01:06:40,410 --> 01:06:36,970

of cancer and has gone through the

1766

01:06:42,240 --> 01:06:40,420

medical wringer and we got into that we

1767

01:06:43,650 --> 01:06:42,250

talked about Clyde's journey to getting

1768

01:06:45,540 --> 01:06:43,660

healthy and what he's learned along the

1769

01:06:47,700 --> 01:06:45,550

way a lot of its diet advice I think

1770

01:06:49,829 --> 01:06:47,710

those reminders are good then we also

1771

01:06:51,810 --> 01:06:49,839

talked about the opioid crisis and Big

1772

01:06:53,940 --> 01:06:51,820

Pharma's pipeline to addiction because

1773

01:06:56,579 --> 01:06:53,950

obviously with Clyde's medical issues

1774

01:07:00,270 --> 01:06:56,589

he's been prescribed some drugs that

1775

01:07:02,490 --> 01:07:00,280

really get close to that line that

1776

01:07:05,730 --> 01:07:02,500

people really struggle with so I thought

1777

01:07:09,359 --> 01:07:05,740

that was important I know three at least

1778

01:07:10,320 --> 01:07:09,369

three guys who I graduated with who are

1779

01:07:12,750 --> 01:07:10,330

dead now

1780

01:07:14,810 --> 01:07:12,760

because they got hooked on some stuff

1781

01:07:17,130 --> 01:07:14,820

that was given to them by a doctor and

1782

01:07:18,390 --> 01:07:17,140

then after the prescription was over

1783

01:07:21,690 --> 01:07:18,400

tried to fill that hole with other

1784

01:07:23,839 --> 01:07:21,700

things I mean that is pretty par for the

1785

01:07:25,330 --> 01:07:23,849

course these days it's happening a lot

1786

01:07:28,140 --> 01:07:25,340

but then we

1787

01:07:30,490 --> 01:07:28,150

really deep into the biological

1788

01:07:32,650 --> 01:07:30,500

transhumanist stuff and what's possible

1789

01:07:34,930 --> 01:07:32,660

now from a technical standpoint and what

1790

01:07:36,370 --> 01:07:34,940

the spiritual or esoteric implications

1791

01:07:37,840 --> 01:07:36,380

could be because there are some and I

1792

01:07:40,960 --> 01:07:37,850

think Clyde is really good at nailing

1793

01:07:44,500 --> 01:07:40,970

that kind of stuff I liked his term the

1794

01:07:46,600 --> 01:07:44,510

reverse cyber Pinocchio agenda telling

1795

01:07:49,860 --> 01:07:46,610

real boys to now become robots I just

1796

01:07:53,170 --> 01:07:49,870

think that's creative you know I like

1797

01:07:53,800 --> 01:07:53,180

wordplay and all that so I had a great

1798

01:07:57,190 --> 01:07:53,810

time

1799

01:07:58,480 --> 01:07:57,200

big thanks to Clyde I know it is not an

1800

01:08:00,880 --> 01:07:58,490

easy thing to fit into your schedule

1801

01:08:03,430 --> 01:08:00,890

when it is so full already and also

1802

01:08:04,840 --> 01:08:03,440

thanks to Clyde's producer Ron Patten

1803

01:08:07,360 --> 01:08:04,850

who I've known for a long time and

1804

01:08:10,390 --> 01:08:07,370

paranormal magazine that also keeps it

1805

01:08:12,370 --> 01:08:10,400

weird in the ways that I like also like

1806

01:08:13,750 --> 01:08:12,380

I said transhumanist stuff comes up in

1807

01:08:16,349 --> 01:08:13,760

the plush show quite a bit and that is

1808

01:08:18,940 --> 01:08:16,359

what Clyde's latest book releases on

1809

01:08:22,180 --> 01:08:18,950

transhuman substantiation the truth

1810

01:08:23,710 --> 01:08:22,190

about AI and the singularity we didn't

1811

01:08:25,690 --> 01:08:23,720

even really get to talk about that in

1812

01:08:27,880 --> 01:08:25,700

the first hour but I wanted to put it

1813

01:08:29,590 --> 01:08:27,890

out here in the wrap-up that if you're

1814

01:08:32,920 --> 01:08:29,600

interested in that topic it is a really

1815

01:08:34,809 --> 01:08:32,930

good read and higher side news the joint

1816

01:08:38,559 --> 01:08:34,819

session this month will be on the 20th

1817

01:08:40,840 --> 01:08:38,569

because of the holidays 7:00 p.m.

1818

01:08:44,170 --> 01:08:40,850

Pacific time and the links will be up on

1819

01:08:46,870 --> 01:08:44,180

Facebook Twitter and the plus website a

1820

01:08:49,540 --> 01:08:46,880

few hours in advance on the day so you

1821

01:08:51,010 --> 01:08:49,550

can be part of it live if you like I'm

1822

01:08:53,290 --> 01:08:51,020

sorry if you couldn't find the links

1823

01:08:56,980 --> 01:08:53,300

last time I'm telling you now Facebook

1824

01:08:59,140 --> 01:08:56,990

and Twitter if all else fails it's hard

1825

01:09:01,750 --> 01:08:59,150

when our main method of communication is

1826

01:09:02,590 --> 01:09:01,760

the podcast itself it's hard to

1827

01:09:04,660 --> 01:09:02,600

on-the-fly

1828

01:09:06,730 --> 01:09:04,670

tell you about something but that's what

1829

01:09:09,760 --> 01:09:06,740

social media is for that's where the

1830

01:09:11,950 --> 01:09:09,770

information will be also we have a few

1831

01:09:13,809 --> 01:09:11,960

new t-shirt designs out three of them in

1832

01:09:16,510 --> 01:09:13,819

fact and I'm super happy with them

1833

01:09:19,420 --> 01:09:16,520

people have asked me for less aggressive

1834

01:09:21,910 --> 01:09:19,430

designs and somewhat less cartoony

1835

01:09:23,710 --> 01:09:21,920

designs too because that's an element of

1836

01:09:26,590 --> 01:09:23,720

what you'll find on the higher side

1837

01:09:28,390 --> 01:09:26,600

clothing dot-com and some people have

1838

01:09:29,950 --> 01:09:28,400

said yeah I'd like to support you but I

1839

01:09:32,890 --> 01:09:29,960

really just want a shirt that says the

1840

01:09:34,630 --> 01:09:32,900

higher side chats and until recently I

1841

01:09:36,960 --> 01:09:34,640

really didn't have a lot of those kind

1842

01:09:39,099 --> 01:09:36,970

of shirts I was more concerned about the

1843

01:09:41,530 --> 01:09:39,109

material or the topics

1844

01:09:43,750 --> 01:09:41,540

expressed through the art you know

1845

01:09:45,610 --> 01:09:43,760

things like JPMorgan signing off on the

1846

01:09:48,220 --> 01:09:45,620

Titanic sinking or the Knights Templar

1847

01:09:50,890 --> 01:09:48,230

worshiping Botham it I get it abrasive

1848

01:09:53,170 --> 01:09:50,900

stuff you might not want to wear on your

1849

01:09:55,840 --> 01:09:53,180

radiant chest so we did some simple

1850

01:09:59,380 --> 01:09:55,850

subtle stuff recently a sort of new

1851  
01:10:02,020 --> 01:09:59,390  
hipster THC logo and then also a really

1852  
01:10:04,660 --> 01:10:02,030  
cool pirate-ship catching a wave with

1853  
01:10:07,450 --> 01:10:04,670  
tentacles and UFOs and it says that

1854  
01:10:10,060 --> 01:10:07,460  
classic THC phrase navigating the vast

1855  
01:10:12,280 --> 01:10:10,070  
conspiracy a phrase near and dear to my

1856  
01:10:14,920 --> 01:10:12,290  
heart and another one that I came up

1857  
01:10:17,290 --> 01:10:14,930  
with is like an old-school company logo

1858  
01:10:20,980 --> 01:10:17,300  
for the deep state toy company with the

1859  
01:10:22,540 --> 01:10:20,990  
tagline you only know what we show and I

1860  
01:10:24,670 --> 01:10:22,550  
think that's a lot of fun it's got

1861  
01:10:28,180 --> 01:10:24,680  
portals and Tesla coils and weird

1862  
01:10:29,800 --> 01:10:28,190  
devices on it all three are fun things

1863  
01:10:31,360 --> 01:10:29,810

that won't get you stopped in the

1864

01:10:34,180 --> 01:10:31,370

grocery store because who wants to deal

1865

01:10:36,430 --> 01:10:34,190

with that it's happened to me too many

1866

01:10:37,630 --> 01:10:36,440

times hey can you explain what's on your

1867

01:10:40,630 --> 01:10:37,640

shirt dude

1868

01:10:43,140 --> 01:10:40,640

I can't I don't want to I'm just trying

1869

01:10:47,020 --> 01:10:43,150

to buy some oranges and some apples and

1870

01:10:48,850 --> 01:10:47,030

get back to the bunker also the grinders

1871

01:10:51,360 --> 01:10:48,860

are back in stock but I think I said

1872

01:10:55,260 --> 01:10:51,370

that last week so if you do have any

1873

01:10:58,450 --> 01:10:55,270

herb grinding needs I got you

1874

01:11:00,130 --> 01:10:58,460

alright well hey I love you guys please

1875

01:11:02,800 --> 01:11:00,140

sign up for the higher side chats plus

1876

01:11:04,960 --> 01:11:02,810

and you know put the higher side chats

1877

01:11:07,300 --> 01:11:04,970

plus on your Christmas list for someone

1878

01:11:09,160 --> 01:11:07,310

else to get for you if it's something

1879

01:11:11,290 --> 01:11:09,170

you want and I know the price has gone

1880

01:11:13,630 --> 01:11:11,300

up but I'm always down for creative

1881

01:11:16,600 --> 01:11:13,640

trades if you have some sort of product

1882

01:11:18,760 --> 01:11:16,610

or craft that you're working on and

1883

01:11:21,430 --> 01:11:18,770

you'd like to trade for THC plus maybe

1884

01:11:24,370 --> 01:11:21,440

we can find some kind of agreement I'm

1885

01:11:26,620 --> 01:11:24,380

not here to try to restrict access I

1886

01:11:28,420 --> 01:11:26,630

just want to make a living doing what I

1887

01:11:31,960 --> 01:11:28,430

love and guard against the possibility

1888

01:11:34,360 --> 01:11:31,970

that it might not last forever I hope

1889

01:11:35,860 --> 01:11:34,370

everybody gets that and I hope you

1890

01:11:36,400 --> 01:11:35,870

enjoyed the show I will see you next

1891

01:11:38,710 --> 01:11:36,410

time

1892

01:11:41,200 --> 01:11:38,720

your move transhumanist transgressors

1893

01:11:45,110 --> 01:11:41,210

observatory raiders and space Armada is

1894

01:11:48,110 --> 01:11:45,120

heading our way your [h\_\_h] move

1895

01:11:50,540 --> 01:11:48,120

we'll take it no I refuse if it's

1896

01:11:53,630 --> 01:11:50,550

alright I'll keep my refuge

1897

01:11:56,570 --> 01:11:53,640

I was beaming a bigger things and have

1898

01:11:58,970 --> 01:11:56,580

to leave my old life behind got a

1899

01:12:01,190 --> 01:11:58,980

transfer to the inner us

1900

01:12:04,850 --> 01:12:01,200

I built a box build a home got a neat

1901  
01:12:06,640 --> 01:12:04,860  
elevator going under and now you'll find

1902  
01:12:19,090 --> 01:12:06,650  
me in the bunker

1903  
01:12:25,140 --> 01:12:22,149  
take it

1904  
01:12:27,280 --> 01:12:25,150  
in the manga

1905  
01:12:29,630 --> 01:12:27,290  
[Music]

1906  
01:12:31,979 --> 01:12:29,640  
finally in the bunker

1907  
01:12:38,109 --> 01:12:31,989  
[Music]

1908  
01:12:40,930 --> 01:12:38,119  
banca yeah the last thing evening

1909  
01:12:45,040 --> 01:12:40,940  
classes while the screaming on the

1910  
01:12:48,790 --> 01:12:45,050  
masses who do you take they are fancy

1911  
01:12:51,549 --> 01:12:48,800  
see you Lana say God tell you the basics

1912  
01:12:54,540 --> 01:12:51,559  
they print your money got the fan in

1913  
01:12:58,000 --> 01:12:54,550

your head currency now the smiling

1914

01:12:58,810 --> 01:12:58,010

entertains me how this happened how you

1915

01:13:13,299 --> 01:12:58,820

don't see

1916

01:13:13,309 --> 01:13:17,160

maybe a little

1917

01:13:25,440 --> 01:13:21,830

[Music]

1918

01:13:27,930 --> 01:13:25,450

plans are simple the best protection of

1919

01:13:29,730 --> 01:13:27,940

all is the special shelter built

1920

01:13:33,120 --> 01:13:29,740

according to specifications of your

1921

01:13:34,980 --> 01:13:33,130

local civil defense organizations the

1922

01:13:37,020 --> 01:13:34,990

basement of any house or building will

1923

01:13:39,210 --> 01:13:37,030

become a good to give provide shelters

1924

01:13:43,780 --> 01:13:39,220

if you block the windows with the same

1925

01:13:49,810 --> 01:13:43,790

thing if you don't have bags

1926

01:13:49,820 --> 01:14:10,710

[Music]

1927

01:14:20,710 --> 01:14:12,520

diligence
