

1
00:00:10,070 --> 00:00:09,110

[Music]

2
00:00:11,350 --> 00:00:10,080

brace yourself

3
00:00:13,190 --> 00:00:11,360

because you're about to dive into

4
00:00:14,470 --> 00:00:13,200

another free first hour episode of the

5
00:00:15,669 --> 00:00:14,480

higher side chats

6
00:00:17,109 --> 00:00:15,679

and we just want to let you know that

7
00:00:18,790 --> 00:00:17,119

whether you're looking for a companion

8
00:00:19,990 --> 00:00:18,800

through your paranoid insomnia

9
00:00:22,310 --> 00:00:20,000

entertaining yourself through one of

10
00:00:23,830 --> 00:00:22,320

life's mundane activities or trying to

11
00:00:24,310 --> 00:00:23,840

ward off the internal screams of all

12
00:00:26,550 --> 00:00:24,320

those

13
00:00:27,910 --> 00:00:26,560

sad smothered souls around the office

14

00:00:29,269 --> 00:00:27,920

thc is here

15

00:00:31,109 --> 00:00:29,279

and you should know that every episode

16

00:00:33,350 --> 00:00:31,119

of the higher side chats has an entire

17

00:00:35,910 --> 00:00:33,360

second hour for plus members

18

00:00:37,270 --> 00:00:35,920

sign up at the highersidechatsplus.com

19

00:00:40,069 --> 00:00:37,280

and you'll get years of plus

20

00:00:41,510 --> 00:00:40,079

show archives lifetime forum access a

21

00:00:43,110 --> 00:00:41,520

special invite to greg carlwood's

22

00:00:46,310 --> 00:00:43,120

monthly joint sessions

23

00:00:49,430 --> 00:00:46,320

mp3s of thc music bonus episodes

24

00:00:51,029 --> 00:00:49,440

tour videos and 10 off t-shirts

25

00:00:53,110 --> 00:00:51,039

grinders and whatever else ends up in

26

00:00:54,549 --> 00:00:53,120

the higher side store it's eight dollars

27

00:00:56,229 --> 00:00:54,559

a month that you won't miss

28

00:00:58,150 --> 00:00:56,239

so become a plus member and treat

29

00:01:00,310 --> 00:00:58,160

yourself in these troubled times

30

00:01:01,830 --> 00:01:00,320

always action-packed and commercial-free

31

00:01:09,350 --> 00:01:01,840

which means you'll unfortunately

32

00:01:14,390 --> 00:01:12,710

in the franklin 1930s roosevelt

33

00:01:17,350 --> 00:01:14,400

addressed the nation through a series of

34

00:01:20,070 --> 00:01:17,360

radio broadcasts known as the fireside

35

00:01:22,070 --> 00:01:20,080

chats his aim was to reassure the common

36

00:01:23,270 --> 00:01:22,080

man that our society would recover from

37

00:01:25,910 --> 00:01:23,280

its troubled times

38

00:01:27,510 --> 00:01:25,920

well we're far from 1930 and i deal with

39

00:01:30,230 --> 00:01:27,520

a different kind of fire

40

00:01:32,469 --> 00:01:30,240

for a new era of worldly frustration we

41

00:01:35,350 --> 00:01:32,479

offer a fresh conversation

42

00:01:37,590 --> 00:01:35,360

i'm greg carlwood and these are the

43

00:01:39,510 --> 00:01:37,600

higher side chats

44

00:01:41,590 --> 00:01:39,520

here we go people another day of doing

45

00:01:43,350 --> 00:01:41,600

the thing from sunny san diego i'm greg

46

00:01:45,109 --> 00:01:43,360

carlwood and for as long as we've been

47

00:01:47,510 --> 00:01:45,119

trying to hold the elite accountable

48

00:01:49,030 --> 00:01:47,520

uncover all the secret sagas of history

49

00:01:49,990 --> 00:01:49,040

and just generally shine a light in the

50

00:01:51,830 --> 00:01:50,000

darkness

51
00:01:54,149 --> 00:01:51,840
the real lesson has been just how

52
00:01:56,069 --> 00:01:54,159
complex tangled and multi-layered these

53
00:01:58,310 --> 00:01:56,079
groups think tanks secret societies

54
00:01:59,990 --> 00:01:58,320
elite cabals black nobilities and shadow

55
00:02:01,429 --> 00:02:00,000
governments really are

56
00:02:03,030 --> 00:02:01,439
we have guests who research the

57
00:02:05,190 --> 00:02:03,040
influence of the freemasons

58
00:02:06,870 --> 00:02:05,200
others with their eye on the jesuits

59
00:02:08,469 --> 00:02:06,880
some who point the finger at skull and

60
00:02:11,190 --> 00:02:08,479
bones and a few that focus on the

61
00:02:13,110 --> 00:02:11,200
khazarian cabal of money magicians

62
00:02:15,430 --> 00:02:13,120
folks at this point i just say they're

63
00:02:17,350 --> 00:02:15,440

all listed in the recipe for the real

64

00:02:18,550 --> 00:02:17,360

game of thrones soup that is the human

65

00:02:20,390 --> 00:02:18,560

story

66

00:02:22,790 --> 00:02:20,400

and while these groups we know are often

67

00:02:25,510 --> 00:02:22,800

separated by large swaths of time

68

00:02:27,190 --> 00:02:25,520

and or space there are many ideological

69

00:02:29,750 --> 00:02:27,200

ties that bind

70

00:02:32,229 --> 00:02:29,760

a deep use of the esoteric arts ritual

71

00:02:33,990 --> 00:02:32,239

sacrifice the worship of strange gods a

72

00:02:36,229 --> 00:02:34,000

disdain for the common folk and an

73

00:02:38,550 --> 00:02:36,239

abusive top down control structure that

74

00:02:40,470 --> 00:02:38,560

most likely nobody asked for

75

00:02:42,630 --> 00:02:40,480

well mr peabody can pop that time

76
00:02:44,470 --> 00:02:42,640
machine into nearly any era and find at

77
00:02:46,869 --> 00:02:44,480
least some shadowy organization

78
00:02:48,710 --> 00:02:46,879
utilizing a lot of these tools and yes

79
00:02:50,710 --> 00:02:48,720
there are many threads on the conspiracy

80
00:02:52,070 --> 00:02:50,720
cardigan and as confusing as it can get

81
00:02:54,550 --> 00:02:52,080
who better to stitch them all together

82
00:02:56,229 --> 00:02:54,560
than an ex-new york fashion designer

83
00:02:58,070 --> 00:02:56,239
well that is what we got with today's

84
00:03:00,149 --> 00:02:58,080
guest dylan lewis monroe a

85
00:03:01,430 --> 00:03:00,159
well-respected artist with an impressive

86
00:03:03,190 --> 00:03:01,440
resume

87
00:03:04,869 --> 00:03:03,200
when he played the conventional game he

88
00:03:07,270 --> 00:03:04,879

played it well as he worked with some of

89

00:03:09,430 --> 00:03:07,280

the biggest overpriced brands in culture

90

00:03:11,190 --> 00:03:09,440

during his seven successful years in the

91

00:03:13,030 --> 00:03:11,200

new york fashion scene

92

00:03:15,030 --> 00:03:13,040

but has since turned his talents to

93

00:03:17,190 --> 00:03:15,040

exposing the soft underbelly of the big

94

00:03:19,589 --> 00:03:17,200

conspiracy with what he calls the deep

95

00:03:21,589 --> 00:03:19,599

state mapping project where he creates

96

00:03:24,710 --> 00:03:21,599

incredibly detailed and artistic

97

00:03:26,869 --> 00:03:24,720

infographics like his cult of bail map

98

00:03:28,710 --> 00:03:26,879

which details the elite secret religion

99

00:03:30,309 --> 00:03:28,720

and the culti side of the power pyramid

100

00:03:32,949 --> 00:03:30,319

from babylon all the way up to the

101

00:03:34,949 --> 00:03:32,959

bastards of washington dc

102

00:03:36,869 --> 00:03:34,959

his healing web a current work in

103

00:03:39,350 --> 00:03:36,879

progress that provides a guide to

104

00:03:41,509 --> 00:03:39,360

holistic and allopathic medicine

105

00:03:42,630 --> 00:03:41,519

and the crown jewel of his deep state

106

00:03:45,509 --> 00:03:42,640

mapping project

107

00:03:45,990 --> 00:03:45,519

info art empire the q web which has to

108

00:03:47,910 --> 00:03:46,000

be the most

109

00:03:49,030 --> 00:03:47,920

detailed diagram of everything they

110

00:03:51,589 --> 00:03:49,040

don't want you to know

111

00:03:53,910 --> 00:03:51,599

that i've ever seen it went viral across

112

00:03:55,910 --> 00:03:53,920

the net last year riding the wave of cue

113

00:03:58,149 --> 00:03:55,920

culture and even being published by the

114

00:03:59,910 --> 00:03:58,159

metropolitan museum of art

115

00:04:01,670 --> 00:03:59,920

so let's do what we do best and dive

116

00:04:04,149 --> 00:04:01,680

into it the accomplished artist

117

00:04:04,869 --> 00:04:04,159

awakening the sleeping masses one poster

118

00:04:07,429 --> 00:04:04,879

at a time

119

00:04:08,470 --> 00:04:07,439

dylan lewis monroe welcome to the higher

120

00:04:09,830 --> 00:04:08,480

side

121

00:04:11,990 --> 00:04:09,840

thank you very much it's great to be

122

00:04:14,710 --> 00:04:12,000

here and thanks for the most accurate

123

00:04:16,550 --> 00:04:14,720

introduction i've heard so far because

124

00:04:18,150 --> 00:04:16,560

the q web has a lot of names that's

125

00:04:20,469 --> 00:04:18,160

going by on the web some people call it

126

00:04:23,749 --> 00:04:20,479

the deep state map the deep state web

127

00:04:25,990 --> 00:04:23,759

the q map i call it the q web

128

00:04:27,350 --> 00:04:26,000

i'm okay with the q map but i don't want

129

00:04:29,749 --> 00:04:27,360

to claim

130

00:04:30,790 --> 00:04:29,759

that it is the q map q anon referred to

131

00:04:33,990 --> 00:04:30,800

back in november

132

00:04:34,710 --> 00:04:34,000

so fair it is an independent work yes

133

00:04:37,350 --> 00:04:34,720

yes

134

00:04:38,870 --> 00:04:37,360

and i am so impressed with these pieces

135

00:04:42,629 --> 00:04:38,880

you've done they really do

136

00:04:44,870 --> 00:04:42,639

put a conspiratorial encyclopedias worth

137

00:04:46,950 --> 00:04:44,880

of information on a single page

138

00:04:48,310 --> 00:04:46,960

this is exactly the kind of thing i love

139

00:04:50,950 --> 00:04:48,320

a nexus of

140

00:04:51,990 --> 00:04:50,960

high art entertainment and real

141

00:04:54,230 --> 00:04:52,000

information

142

00:04:55,670 --> 00:04:54,240

obviously a crossroads i like to live in

143

00:04:57,749 --> 00:04:55,680

in audio form

144

00:04:59,189 --> 00:04:57,759

well let's try to give the people a

145

00:05:00,710 --> 00:04:59,199

mental picture of what we're talking

146

00:05:01,350 --> 00:05:00,720

about in case they haven't seen it

147

00:05:04,469 --> 00:05:01,360

clearly

148

00:05:06,790 --> 00:05:04,479

you have a few different pieces but

149

00:05:07,510 --> 00:05:06,800

they follow somewhat of a similar

150

00:05:10,310 --> 00:05:07,520

template

151
00:05:11,350 --> 00:05:10,320
what would you say as an overview of the

152
00:05:14,390 --> 00:05:11,360
deep state

153
00:05:18,150 --> 00:05:14,400
mapping project and the art within it

154
00:05:20,310 --> 00:05:18,160
it's artwork about conspiracies really

155
00:05:21,830 --> 00:05:20,320
it was mainly inspired i have a book of

156
00:05:23,189 --> 00:05:21,840
diagrams it's kind of like from the

157
00:05:24,550 --> 00:05:23,199
1980s or something it was really

158
00:05:26,150 --> 00:05:24,560
beautiful you know rainbow color

159
00:05:27,189 --> 00:05:26,160
diagrams and i've always found a beauty

160
00:05:29,350 --> 00:05:27,199
in diagrams

161
00:05:30,629 --> 00:05:29,360
themselves so i kind of wanted to focus

162
00:05:32,310 --> 00:05:30,639
on that i mean the project was

163
00:05:34,230 --> 00:05:32,320

originally supposed to include

164

00:05:36,390 --> 00:05:34,240

maybe like some portraits of presidents

165

00:05:37,510 --> 00:05:36,400

and you know i did like a logo for trump

166

00:05:38,950 --> 00:05:37,520

early on

167

00:05:40,710 --> 00:05:38,960

so stuff like that that sort of like

168

00:05:42,629 --> 00:05:40,720

relates to the theme but not necessarily

169

00:05:44,390 --> 00:05:42,639

as much complexity but

170

00:05:46,310 --> 00:05:44,400

the hyper complex i like to call them

171

00:05:48,230 --> 00:05:46,320

actually hyper sigils

172

00:05:49,830 --> 00:05:48,240

these diagrams that are you know full

173

00:05:51,189 --> 00:05:49,840

encyclopedia on a page have really been

174

00:05:53,350 --> 00:05:51,199

the thing that took off so

175

00:05:54,710 --> 00:05:53,360

that's what i'm kind of rolling with and

176

00:05:56,950 --> 00:05:54,720

that seems to be what people like the

177

00:06:00,070 --> 00:05:56,960

best and it seems to be the most useful

178

00:06:02,550 --> 00:06:00,080

way to use art in this setting so

179

00:06:04,150 --> 00:06:02,560

it's working well so far and like you

180

00:06:05,990 --> 00:06:04,160

said i'm working on this new healing web

181

00:06:08,309 --> 00:06:06,000

that's definitely going to continue

182

00:06:09,830 --> 00:06:08,319

the tradition of really sticking it to

183

00:06:11,430 --> 00:06:09,840

the man and i think that that healing

184

00:06:12,870 --> 00:06:11,440

web is going to make big pharma want to

185

00:06:16,390 --> 00:06:12,880

come after me even more

186

00:06:17,990 --> 00:06:16,400

than anyone else yeah yeah you got to be

187

00:06:20,870 --> 00:06:18,000

careful poking these bears

188

00:06:23,110 --> 00:06:20,880

but let's talk about this q web piece a

189

00:06:25,830 --> 00:06:23,120

bit in particular by title alone

190

00:06:26,629 --> 00:06:25,840

i was initially more intrigued by the

191

00:06:28,870 --> 00:06:26,639

cult of

192

00:06:31,029 --> 00:06:28,880

ball map because i do kind of try to

193

00:06:32,469 --> 00:06:31,039

keep the q stuff at arm's length usually

194

00:06:34,550 --> 00:06:32,479

but this does seem to be

195

00:06:35,990 --> 00:06:34,560

the masterwork so to speak it starts

196

00:06:38,309 --> 00:06:36,000

with atlantis

197

00:06:39,830 --> 00:06:38,319

hits the great flood the creation of the

198

00:06:41,990 --> 00:06:39,840

three major religions

199

00:06:44,550 --> 00:06:42,000

the rise and fall of every empire the

200

00:06:46,950 --> 00:06:44,560

wars and false flags throughout history

201
00:06:48,230 --> 00:06:46,960
every think tank and covert project

202
00:06:50,070 --> 00:06:48,240
you've ever heard of

203
00:06:52,150 --> 00:06:50,080
the big pharma corporations as you

204
00:06:54,629 --> 00:06:52,160
mentioned tech giant cern

205
00:06:55,670 --> 00:06:54,639
like literally everything i'm just

206
00:06:57,830 --> 00:06:55,680
looking at it here

207
00:06:59,589 --> 00:06:57,840
i could go all day well you know don't

208
00:07:01,110 --> 00:06:59,599
attach it to cue too much because when i

209
00:07:02,710 --> 00:07:01,120
first shared this i just said this is a

210
00:07:05,270 --> 00:07:02,720
thinking web i've been working on

211
00:07:06,390 --> 00:07:05,280
and then you know everyone came back and

212
00:07:08,309 --> 00:07:06,400
assumed it was the q

213
00:07:10,150 --> 00:07:08,319

map and so then i decided to name it the

214

00:07:11,189 --> 00:07:10,160

q web you know since it was related but

215

00:07:13,029 --> 00:07:11,199

really only

216

00:07:14,870 --> 00:07:13,039

the first few points i threw on there

217

00:07:16,629 --> 00:07:14,880

were stuff that q anon had actually

218

00:07:18,150 --> 00:07:16,639

leaked or talked about

219

00:07:20,550 --> 00:07:18,160

which was originally some of the saudi

220

00:07:21,510 --> 00:07:20,560

princess stuff and then just for myself

221

00:07:23,350 --> 00:07:21,520

you know i knew i wanted to be a

222

00:07:24,629 --> 00:07:23,360

timeline i wanted to be a full page so i

223

00:07:26,150 --> 00:07:24,639

threw it all the way back to like the

224

00:07:28,070 --> 00:07:26,160

pyramids of egypt and that ancient

225

00:07:30,309 --> 00:07:28,080

aliens type stuff and then i had to fill

226

00:07:32,070 --> 00:07:30,319

in everything in between so

227

00:07:35,189 --> 00:07:32,080

you know the 20th century is really all

228

00:07:37,270 --> 00:07:35,199

about the cia what's been declassified

229

00:07:38,790 --> 00:07:37,280

and then before the 20th century i

230

00:07:40,309 --> 00:07:38,800

actually had to do a lot of catch-up

231

00:07:41,990 --> 00:07:40,319

work to really fill in

232

00:07:43,350 --> 00:07:42,000

the timeline that i wanted to keep track

233

00:07:44,950 --> 00:07:43,360

of through that which is basically

234

00:07:46,710 --> 00:07:44,960

western civilization and you know the

235

00:07:48,469 --> 00:07:46,720

secret societies which went from

236

00:07:50,390 --> 00:07:48,479

the pharaohs to the templars to the

237

00:07:52,309 --> 00:07:50,400

vatican well not in that order but then

238

00:07:53,749 --> 00:07:52,319

the jesuits to the freemasons

239

00:07:55,430 --> 00:07:53,759

and following you know that's what

240

00:07:58,390 --> 00:07:55,440

became the cult of bail map is basically

241

00:07:59,990 --> 00:07:58,400

the pre-20th century part of the q web

242

00:08:02,070 --> 00:08:00,000

yes and i'm glad you said that because

243

00:08:03,029 --> 00:08:02,080

it doesn't need to be all wrapped up in

244

00:08:05,350 --> 00:08:03,039

the queue stuff

245

00:08:07,670 --> 00:08:05,360

and like i try to say with some of these

246

00:08:09,510 --> 00:08:07,680

q people look hey to generally agree

247

00:08:12,710 --> 00:08:09,520

with you on everything from

248

00:08:14,950 --> 00:08:12,720

12 000 bc to 2016

249

00:08:16,710 --> 00:08:14,960

is not bad maybe we have some

250

00:08:17,110 --> 00:08:16,720

differences about the last couple years

251
00:08:20,230 --> 00:08:17,120
but

252
00:08:20,869 --> 00:08:20,240
we're 99 of the way there so it's kind

253
00:08:23,830 --> 00:08:20,879
of just

254
00:08:25,430 --> 00:08:23,840
arbitrary but the background the real

255
00:08:28,230 --> 00:08:25,440
structure of this whole thing

256
00:08:28,869 --> 00:08:28,240
yeah we all are going to be in agreement

257
00:08:31,430 --> 00:08:28,879
here

258
00:08:32,389 --> 00:08:31,440
and this thing just so people can get an

259
00:08:34,550 --> 00:08:32,399
idea of it

260
00:08:36,310 --> 00:08:34,560
i mean do you even know exactly how many

261
00:08:38,709 --> 00:08:36,320
items are included it's got to be

262
00:08:40,630 --> 00:08:38,719
several hundred right you know what i

263
00:08:40,949 --> 00:08:40,640

don't know the actual final count i do

264

00:08:44,550 --> 00:08:40,959

have

265

00:08:46,310 --> 00:08:44,560

research and terms on there

266

00:08:48,150 --> 00:08:46,320

but it's actually more information

267

00:08:49,670 --> 00:08:48,160

that's not on the q web that is actually

268

00:08:51,670 --> 00:08:49,680

on it because i sort of

269

00:08:53,670 --> 00:08:51,680

the q web didn't really have a draft

270

00:08:54,070 --> 00:08:53,680

before or like a handwritten version it

271

00:08:56,870 --> 00:08:54,080

actually

272

00:08:58,230 --> 00:08:56,880

started as the original digital file you

273

00:09:00,389 --> 00:08:58,240

know with me just throwing these

274

00:09:01,670 --> 00:09:00,399

words and arrows on here and of course

275

00:09:02,870 --> 00:09:01,680

when i started it i didn't know it was

276

00:09:04,310 --> 00:09:02,880

going to go viral and get so much

277

00:09:05,829 --> 00:09:04,320

attention so everything was spelled

278

00:09:07,430 --> 00:09:05,839

wrong

279

00:09:09,030 --> 00:09:07,440

which i had to go back and edit that

280

00:09:11,110 --> 00:09:09,040

over like the next six months after i

281

00:09:12,550 --> 00:09:11,120

realized how popular it had become

282

00:09:14,310 --> 00:09:12,560

so yeah i don't have an actual word

283

00:09:16,550 --> 00:09:14,320

count and i've gotten several requests

284

00:09:17,829 --> 00:09:16,560

for like a list form of the q web and

285

00:09:19,350 --> 00:09:17,839

it's not something i've gotten the time

286

00:09:20,550 --> 00:09:19,360

to do yet but eventually that would be a

287

00:09:22,949 --> 00:09:20,560

good idea

288

00:09:24,630 --> 00:09:22,959

yeah man i mean i just tried myself

289

00:09:26,630 --> 00:09:24,640

earlier before we started this interview

290

00:09:27,190 --> 00:09:26,640

counting up like okay here's 10 things

291

00:09:29,430 --> 00:09:27,200

and here's

292

00:09:30,710 --> 00:09:29,440

25 and then take four of these clusters

293

00:09:33,750 --> 00:09:30,720

that'd be about a hundred

294

00:09:36,389 --> 00:09:33,760

and i mean there's got to be 500 items

295

00:09:38,470 --> 00:09:36,399

on this eight and a half by 11 piece of

296

00:09:40,230 --> 00:09:38,480

paper from atlantis all the way up to

297

00:09:43,350 --> 00:09:40,240

the current administration

298

00:09:44,150 --> 00:09:43,360

pretty impressive and to give people a

299

00:09:46,150 --> 00:09:44,160

little bit

300

00:09:47,670 --> 00:09:46,160

more insight into how detailed it all is

301
00:09:50,870 --> 00:09:47,680
you have given

302
00:09:51,269 --> 00:09:50,880
at least one five-hour interview on just

303
00:09:54,550 --> 00:09:51,279
this

304
00:09:56,230 --> 00:09:54,560
one map right yeah and didn't even hit

305
00:09:58,870 --> 00:09:56,240
every point

306
00:10:00,630 --> 00:09:58,880
it is crazy and it's funny because i did

307
00:10:02,230 --> 00:10:00,640
have a similar idea a while back when i

308
00:10:03,910 --> 00:10:02,240
was working with some great t-shirt

309
00:10:06,870 --> 00:10:03,920
artists to try to make this huge

310
00:10:09,670 --> 00:10:06,880
conspiratorial timeline poster mainly to

311
00:10:11,269 --> 00:10:09,680
supplement my own stoner memory and as i

312
00:10:13,910 --> 00:10:11,279
got into the details

313
00:10:16,230 --> 00:10:13,920

it all sort of unraveled because it was

314

00:10:18,150 --> 00:10:16,240

really hard to settle on specifics

315

00:10:20,470 --> 00:10:18,160

what to include where to start all that

316

00:10:22,470 --> 00:10:20,480

stuff so i can only assume

317

00:10:24,230 --> 00:10:22,480

the research involved to get all this

318

00:10:25,030 --> 00:10:24,240

right had to be exhaustive can you talk

319

00:10:27,590 --> 00:10:25,040

to us about that

320

00:10:29,350 --> 00:10:27,600

process and the resources that you did

321

00:10:32,230 --> 00:10:29,360

use to sift through all the different

322

00:10:34,230 --> 00:10:32,240

opinions that exist out there you know

323

00:10:36,069 --> 00:10:34,240

surprisingly for the 20th century it was

324

00:10:37,430 --> 00:10:36,079

more easy than i expected because just

325

00:10:39,670 --> 00:10:37,440

when you take

326

00:10:41,030 --> 00:10:39,680

all the main conspiracies that you've

327

00:10:43,350 --> 00:10:41,040

heard about

328

00:10:45,590 --> 00:10:43,360

they all basically relate back to the

329

00:10:47,269 --> 00:10:45,600

intelligence agencies and then

330

00:10:48,870 --> 00:10:47,279

most of the main ones you've heard about

331

00:10:50,310 --> 00:10:48,880

actually make sense together and they

332

00:10:51,829 --> 00:10:50,320

connect you know like

333

00:10:54,150 --> 00:10:51,839

randomly you know jean benet connects

334

00:10:55,509 --> 00:10:54,160

to lockheed martin in a way and

335

00:10:57,670 --> 00:10:55,519

obviously like the whole progression of

336

00:10:58,310 --> 00:10:57,680

like george w bush the next president

337

00:11:00,710 --> 00:10:58,320

bush

338

00:11:02,069 --> 00:11:00,720

it is all kind of connected and one of

339

00:11:04,310 --> 00:11:02,079

the things i say

340

00:11:05,670 --> 00:11:04,320

on the back of the q web pdf that's sort

341

00:11:07,509 --> 00:11:05,680

of like the main

342

00:11:08,710 --> 00:11:07,519

paragraph about what i want people to

343

00:11:10,710 --> 00:11:08,720

know about it is that

344

00:11:12,150 --> 00:11:10,720

there are so many more connections that

345

00:11:13,829 --> 00:11:12,160

could be made that are not drawn on the

346

00:11:15,750 --> 00:11:13,839

map just for the sake of maintaining the

347

00:11:17,670 --> 00:11:15,760

legibility of the text

348

00:11:19,350 --> 00:11:17,680

and almost everything in the 20th

349

00:11:20,630 --> 00:11:19,360

century could probably have an arrow

350

00:11:23,030 --> 00:11:20,640

going back to the cia

351

00:11:24,630 --> 00:11:23,040

because it's been either caused by that

352

00:11:27,269 --> 00:11:24,640

or suppressed in some way

353

00:11:27,670 --> 00:11:27,279

right right so the cia is the biggest

354

00:11:29,990 --> 00:11:27,680

term

355

00:11:31,509 --> 00:11:30,000

on the map because everything kind of

356

00:11:33,350 --> 00:11:31,519

goes back to that well cia

357

00:11:35,110 --> 00:11:33,360

mi6 and mossad it's like just

358

00:11:36,710 --> 00:11:35,120

intelligence agencies have been sort of

359

00:11:37,670 --> 00:11:36,720

running the world for the whole 20th

360

00:11:39,269 --> 00:11:37,680

century

361

00:11:40,949 --> 00:11:39,279

and now it got more complicated before

362

00:11:42,550 --> 00:11:40,959

the 20th century but

363

00:11:44,550 --> 00:11:42,560

that's why i did the whole other diagram

364

00:11:47,350 --> 00:11:44,560

to figure that out for myself

365

00:11:48,069 --> 00:11:47,360

right i assume the further you go back

366

00:11:50,150 --> 00:11:48,079

the more

367

00:11:52,069 --> 00:11:50,160

liberties you have to take the broader

368

00:11:53,910 --> 00:11:52,079

the brush strokes have to be

369

00:11:55,350 --> 00:11:53,920

yeah i would say the main thing that i

370

00:11:57,269 --> 00:11:55,360

didn't include because it contradicted

371

00:11:58,230 --> 00:11:57,279

other conspiracies would be flat earth

372

00:11:59,910 --> 00:11:58,240

which

373

00:12:02,389 --> 00:11:59,920

i'm not a flat earther i'll just say it

374

00:12:03,030 --> 00:12:02,399

outright but i'm not totally opposed to

375

00:12:05,829 --> 00:12:03,040

it

376

00:12:07,509 --> 00:12:05,839

i'm open to any idea but the proofs i've

377

00:12:09,670 --> 00:12:07,519

seen for flat earth usually end up going

378

00:12:11,509 --> 00:12:09,680

back to the bible somehow or

379

00:12:13,509 --> 00:12:11,519

you know physics that's only considering

380

00:12:14,790 --> 00:12:13,519

part of the equation so that's not on

381

00:12:16,310 --> 00:12:14,800

here but

382

00:12:19,350 --> 00:12:16,320

you know most of these conspiracies they

383

00:12:20,790 --> 00:12:19,360

really don't contradict each other oddly

384

00:12:22,310 --> 00:12:20,800

well i agree with you there and it's

385

00:12:25,110 --> 00:12:22,320

kind of a parallel to the way i look at

386

00:12:27,110 --> 00:12:25,120

the q stuff we agree on 95

387

00:12:29,670 --> 00:12:27,120

of the deceptions there's just this one

388

00:12:31,750 --> 00:12:29,680

thing at the top of your deception

389

00:12:33,829 --> 00:12:31,760

pyramid that i think is going too far

390

00:12:36,150 --> 00:12:33,839

trump's a good guy or the earth is flat

391

00:12:36,949 --> 00:12:36,160

but to believe the earth is flat i mean

392

00:12:39,190 --> 00:12:36,959

you got to believe

393

00:12:40,790 --> 00:12:39,200

everything else and so that's where i

394

00:12:43,430 --> 00:12:40,800

try to find that common ground but

395

00:12:45,670 --> 00:12:43,440

just to step back a minute you used john

396

00:12:47,670 --> 00:12:45,680

benay being connected to lockheed martin

397

00:12:49,590 --> 00:12:47,680

as a random example

398

00:12:51,190 --> 00:12:49,600

can you explain to listeners who might

399

00:12:52,310 --> 00:12:51,200

not get that connection what that

400

00:12:55,990 --> 00:12:52,320

connection

401
00:12:57,269 --> 00:12:56,000
would be her father was involved with i

402
00:13:00,389 --> 00:12:57,279
think it was like a graphic

403
00:13:02,389 --> 00:13:00,399
company that was purchased by lockheed

404
00:13:04,230 --> 00:13:02,399
martin around the time of her death

405
00:13:05,590 --> 00:13:04,240
so her father was getting all these big

406
00:13:07,350 --> 00:13:05,600
promotions and entering into the

407
00:13:08,790 --> 00:13:07,360
military-industrial complex around the

408
00:13:09,910 --> 00:13:08,800
time of her death so

409
00:13:11,829 --> 00:13:09,920
if you know anything about the

410
00:13:15,509 --> 00:13:11,839
bloodlines of the illuminati that's

411
00:13:17,350 --> 00:13:15,519
the right time for a child sacrifice

412
00:13:18,790 --> 00:13:17,360
wow man yeah you're right you're right

413
00:13:23,110 --> 00:13:18,800

and it is weird

414

00:13:26,069 --> 00:13:23,120

how of course we never have the absolute

415

00:13:27,910 --> 00:13:26,079

smoking gun but you can apply a template

416

00:13:30,069 --> 00:13:27,920

to these sorts of situations it also

417

00:13:32,470 --> 00:13:30,079

comes up with the people who are picked

418

00:13:33,590 --> 00:13:32,480

to be the patsies for false flags like

419

00:13:36,629 --> 00:13:33,600

adam lanza

420

00:13:38,870 --> 00:13:36,639

his dad i believe was involved in the

421

00:13:41,030 --> 00:13:38,880

libor scandal to a degree i think he was

422

00:13:43,110 --> 00:13:41,040

actually speaking out about it so

423

00:13:45,189 --> 00:13:43,120

when you find these people that seem to

424

00:13:48,069 --> 00:13:45,199

be picked out of obscurity

425

00:13:49,509 --> 00:13:48,079

surprise surprise parents are involved

426
00:13:51,430 --> 00:13:49,519
in some kind of

427
00:13:52,629 --> 00:13:51,440
nefarious corporation that we all know

428
00:13:55,110 --> 00:13:52,639
about or

429
00:13:55,670 --> 00:13:55,120
some kind of banking situation like it's

430
00:13:58,150 --> 00:13:55,680
always

431
00:13:58,790 --> 00:13:58,160
the mix well in that mk ultra area some

432
00:14:00,790 --> 00:13:58,800
of them share

433
00:14:02,710 --> 00:14:00,800
either common psychiatrist or you know a

434
00:14:04,790 --> 00:14:02,720
psychiatrist that will maybe change his

435
00:14:06,710 --> 00:14:04,800
name and move to a different state

436
00:14:08,069 --> 00:14:06,720
and he's actually just a cia agent you

437
00:14:09,670 --> 00:14:08,079
know

438
00:14:11,509 --> 00:14:09,680

i mean that's making an assumption so i

439

00:14:13,350 --> 00:14:11,519

try not to have too many assumptions on

440

00:14:14,230 --> 00:14:13,360

the q web i try to have it be at least

441

00:14:17,750 --> 00:14:14,240

maybe

442

00:14:19,189 --> 00:14:17,760

i would say 50 probability of accuracy

443

00:14:20,870 --> 00:14:19,199

maybe more than that i mean it really

444

00:14:22,310 --> 00:14:20,880

depends like i almost wanted to do a

445

00:14:23,750 --> 00:14:22,320

version of this where

446

00:14:25,670 --> 00:14:23,760

i assign like a percentage of

447

00:14:28,550 --> 00:14:25,680

probability to every single term

448

00:14:30,310 --> 00:14:28,560

as to the accuracy but it's like it's

449

00:14:32,230 --> 00:14:30,320

really intended for people to sort of

450

00:14:33,590 --> 00:14:32,240

delve into it on their own and you know

451
00:14:35,750 --> 00:14:33,600
use their own intuition

452
00:14:37,189 --> 00:14:35,760
and research to decide for themselves

453
00:14:40,230 --> 00:14:37,199
what they feel is accurate

454
00:14:43,350 --> 00:14:40,240
absolutely absolutely you know you can't

455
00:14:45,910 --> 00:14:43,360
be the end-all be-all to everything

456
00:14:47,509 --> 00:14:45,920
but what's i think so awesome about it

457
00:14:50,389 --> 00:14:47,519
is you'll go down here and you'll

458
00:14:50,870 --> 00:14:50,399
know eighty percent of this stuff if you

459
00:14:52,629 --> 00:14:50,880
have been

460
00:14:54,150 --> 00:14:52,639
in the conspiracy world for a while a

461
00:14:55,670 --> 00:14:54,160
lot of it you won't you'll be like huh

462
00:14:57,750 --> 00:14:55,680
what's that and we all the internet you

463
00:14:59,670 --> 00:14:57,760

can just search for these terms so

464

00:15:00,910 --> 00:14:59,680

it's a beautiful thing man and i do

465

00:15:03,829 --> 00:15:00,920

agree with you that

466

00:15:05,269 --> 00:15:03,839

behaviorists and psychiatrists there's a

467

00:15:08,710 --> 00:15:05,279

network out there

468

00:15:11,829 --> 00:15:08,720

that is feeding a pipeline of

469

00:15:13,829 --> 00:15:11,839

damaged people of vulnerable people

470

00:15:14,629 --> 00:15:13,839

right into the big machine and that's so

471

00:15:16,949 --> 00:15:14,639

so dark

472

00:15:19,350 --> 00:15:16,959

but it's out there yeah they've got the

473

00:15:20,949 --> 00:15:19,360

mk ultra down to a very pure science

474

00:15:22,550 --> 00:15:20,959

and you know there's a lot of crazy

475

00:15:23,990 --> 00:15:22,560

people out there that do crazy things

476

00:15:25,030 --> 00:15:24,000

but it doesn't make international

477

00:15:26,550 --> 00:15:25,040

headlines

478

00:15:29,110 --> 00:15:26,560

so when you see someone do something

479

00:15:30,470 --> 00:15:29,120

crazy that makes international headlines

480

00:15:33,030 --> 00:15:30,480

that's when you know there's a higher

481

00:15:34,710 --> 00:15:33,040

probability that this wasn't just

482

00:15:36,069 --> 00:15:34,720

one person going crazy and deciding to

483

00:15:38,230 --> 00:15:36,079

do something

484

00:15:39,990 --> 00:15:38,240

when there's a whole mass media effort

485

00:15:40,389 --> 00:15:40,000

behind it you know that it's sort of

486

00:15:43,749 --> 00:15:40,399

been

487

00:15:45,749 --> 00:15:43,759

sanctioned by the illuminati

488

00:15:47,590 --> 00:15:45,759

indeed indeed and like you mentioned

489

00:15:50,550 --> 00:15:47,600

with the jonbenet lockheed

490

00:15:50,949 --> 00:15:50,560

example i mean there's got to be at

491

00:15:52,949 --> 00:15:50,959

least

492

00:15:54,870 --> 00:15:52,959

a hundred of those little strange

493

00:15:55,829 --> 00:15:54,880

connections that are under the radar on

494

00:15:58,230 --> 00:15:55,839

this thing

495

00:16:00,470 --> 00:15:58,240

can you talk to us about something that

496

00:16:01,749 --> 00:16:00,480

you discovered that really surprised you

497

00:16:04,230 --> 00:16:01,759

that you didn't know when you started

498

00:16:06,069 --> 00:16:04,240

something beyond the 101 conspiracy kind

499

00:16:07,670 --> 00:16:06,079

of stuff

500

00:16:10,389 --> 00:16:07,680

the major one that i didn't know about

501
00:16:12,230 --> 00:16:10,399
was the jesuits when i started this and

502
00:16:13,670 --> 00:16:12,240
it wasn't before i released the cube but

503
00:16:15,350 --> 00:16:13,680
i started sharing some conspiracy

504
00:16:17,030 --> 00:16:15,360
related memes and then actually just got

505
00:16:18,389 --> 00:16:17,040
a tip from someone on instagram like

506
00:16:20,150 --> 00:16:18,399
dude like haven't you heard about like

507
00:16:21,590 --> 00:16:20,160
the jesuits and the black pope like

508
00:16:21,990 --> 00:16:21,600
where's the black pope come into this

509
00:16:24,069 --> 00:16:22,000
because

510
00:16:26,150 --> 00:16:24,079
the black pope is part of the whole

511
00:16:28,310 --> 00:16:26,160
jesuits rule above the vatican

512
00:16:29,829 --> 00:16:28,320
theory and so i you know i looked into

513
00:16:31,430 --> 00:16:29,839

them and i don't even think i really

514

00:16:32,790 --> 00:16:31,440

knew the word jesuits before it's kind

515

00:16:34,230 --> 00:16:32,800

of embarrassing but

516

00:16:35,910 --> 00:16:34,240

you know i've learned so much in the

517

00:16:36,949 --> 00:16:35,920

past year it's the great awakening you

518

00:16:39,829 --> 00:16:36,959

know and i'm even

519

00:16:41,509 --> 00:16:39,839

learning stuff myself so that was really

520

00:16:42,389 --> 00:16:41,519

fascinating to learn about and you know

521

00:16:44,470 --> 00:16:42,399

there are actually

522

00:16:45,990 --> 00:16:44,480

several books from a conspiratorial

523

00:16:47,990 --> 00:16:46,000

perspective about the jesuits you can

524

00:16:49,910 --> 00:16:48,000

look up on amazon that just

525

00:16:51,590 --> 00:16:49,920

tell you about how they've assassinated

526

00:16:54,230 --> 00:16:51,600

popes and monarchs and just

527

00:16:55,749 --> 00:16:54,240

you know really were sort of like the

528

00:16:58,310 --> 00:16:55,759

founders of even like

529

00:16:59,990 --> 00:16:58,320

globalism they facilitated the first

530

00:17:01,910 --> 00:17:00,000

transnational corporation which was the

531

00:17:04,549 --> 00:17:01,920

duchess india company

532

00:17:05,669 --> 00:17:04,559

yeah their major to learn about them was

533

00:17:07,669 --> 00:17:05,679

a major

534

00:17:09,110 --> 00:17:07,679

jump in my understanding of this whole

535

00:17:13,189 --> 00:17:09,120

conspiracy

536

00:17:16,710 --> 00:17:13,199

that you have said

537

00:17:18,789 --> 00:17:16,720

you used wikipedia quite a bit which is

538

00:17:20,110 --> 00:17:18,799

a valuable resource from time to time i

539

00:17:21,750 --> 00:17:20,120

mean i do think it's slanted

540

00:17:23,669 --> 00:17:21,760

anti-conspiracy but you would be

541

00:17:25,829 --> 00:17:23,679

surprised what you can find when you dig

542

00:17:27,189 --> 00:17:25,839

but i am curious are there certain books

543

00:17:29,990 --> 00:17:27,199

that you used for reference

544

00:17:31,350 --> 00:17:30,000

along the way yeah there are a handful

545

00:17:33,830 --> 00:17:31,360

of books that are actually even written

546

00:17:35,510 --> 00:17:33,840

on the q web i mean i've owned behold

547

00:17:37,510 --> 00:17:35,520

the pale horse by bill cooper which i

548

00:17:39,750 --> 00:17:37,520

consider to be like the conspiracy bible

549

00:17:41,190 --> 00:17:39,760

i've owned that for at least you know 10

550

00:17:43,190 --> 00:17:41,200

years or so but i didn't actually read

551

00:17:45,669 --> 00:17:43,200

it until like the year before i did this

552

00:17:47,750 --> 00:17:45,679

map so that's a really important one

553

00:17:49,029 --> 00:17:47,760

i think david ike's book i haven't read

554

00:17:51,430 --> 00:17:49,039

that either but

555

00:17:53,590 --> 00:17:51,440

the biggest secret those ideas really

556

00:17:55,270 --> 00:17:53,600

contribute to a lot of what's on here

557

00:17:57,830 --> 00:17:55,280

but then you know i did sort of lose

558

00:17:59,830 --> 00:17:57,840

track of the q web's actual bibliography

559

00:18:01,270 --> 00:17:59,840

because when i was doing the q up i was

560

00:18:02,549 --> 00:18:01,280

kind of doing it for this art project

561

00:18:04,470 --> 00:18:02,559

that i didn't think was going anywhere i

562

00:18:06,070 --> 00:18:04,480

didn't think it was going to go viral so

563

00:18:08,150 --> 00:18:06,080

i didn't keep track of the bibliography

564

00:18:09,830 --> 00:18:08,160

quite as much but when i did the

565

00:18:12,230 --> 00:18:09,840

cult-to-bail diagram

566

00:18:13,750 --> 00:18:12,240

and expanded that whole pre-20th century

567

00:18:15,270 --> 00:18:13,760

which is basically like the top quarter

568

00:18:17,110 --> 00:18:15,280

of the page

569

00:18:19,110 --> 00:18:17,120

i did keep track of the bibliography

570

00:18:19,669 --> 00:18:19,120

pretty closely and on my personal

571

00:18:21,270 --> 00:18:19,679

website

572

00:18:23,669 --> 00:18:21,280

where i have more information about all

573

00:18:25,510 --> 00:18:23,679

these diagrams i do have a specific

574

00:18:26,230 --> 00:18:25,520

bibliography section for the cult of

575

00:18:28,870 --> 00:18:26,240

bail

576

00:18:30,630 --> 00:18:28,880

which obviously that information can

577

00:18:32,470 --> 00:18:30,640

contribute knowledge to the whole 20th

578

00:18:33,669 --> 00:18:32,480

century as well it's all very much

579

00:18:36,150 --> 00:18:33,679

interconnected

580

00:18:38,270 --> 00:18:36,160

so definitely check that call to bail

581

00:18:39,430 --> 00:18:38,280

page on my personal website which is

582

00:18:41,029 --> 00:18:39,440

dylanlewismonrow.com

583

00:18:42,630 --> 00:18:41,039

under art under deepstate mapping

584

00:18:44,390 --> 00:18:42,640

project called the bail

585

00:18:46,710 --> 00:18:44,400

if you want to see the bibliography for

586

00:18:49,830 --> 00:18:46,720

that right on and you mentioned

587

00:18:51,350 --> 00:18:49,840

some of the religious leadership the

588

00:18:54,390 --> 00:18:51,360

black pope and such

589

00:18:56,870 --> 00:18:54,400

you have here in this bubble francis

590

00:18:59,110 --> 00:18:56,880

orgia who was the financier i guess

591

00:19:01,590 --> 00:18:59,120

behind the jesuits then you have

592

00:19:03,990 --> 00:19:01,600

the papal bloodlines the white pope at

593

00:19:05,029 --> 00:19:04,000

the vatican the black pope who is the

594

00:19:07,510 --> 00:19:05,039

superior

595

00:19:08,549 --> 00:19:07,520

jesuit general and then you have the

596

00:19:10,870 --> 00:19:08,559

gray pope

597

00:19:12,710 --> 00:19:10,880

with some question marks there i've

598

00:19:13,830 --> 00:19:12,720

heard about the white pope and the black

599

00:19:16,789 --> 00:19:13,840

pope but

600

00:19:17,990 --> 00:19:16,799

what can you tell us about the grey pope

601
00:19:18,950 --> 00:19:18,000
well that's kind of part of what i

602
00:19:20,630 --> 00:19:18,960
discovered when

603
00:19:22,950 --> 00:19:20,640
someone on instagram cued me into the

604
00:19:25,190 --> 00:19:22,960
black pope you know when i looked it up

605
00:19:27,190 --> 00:19:25,200
i found that within this theory that the

606
00:19:28,789 --> 00:19:27,200
jesuits are sort of the most powerful

607
00:19:30,390 --> 00:19:28,799
group in the world

608
00:19:31,990 --> 00:19:30,400
it's the idea that there's a white pope

609
00:19:33,990 --> 00:19:32,000
and then above him is the black pope and

610
00:19:35,430 --> 00:19:34,000
above him is a great pope which is

611
00:19:37,029 --> 00:19:35,440
someone who doesn't even really have an

612
00:19:39,750 --> 00:19:37,039
official title

613
00:19:41,350 --> 00:19:39,760

that's publicly known but he would be

614

00:19:45,270 --> 00:19:41,360

someone from black nobility that's

615

00:19:46,789 --> 00:19:45,280

highest ranking behind the scenes so

616

00:19:48,230 --> 00:19:46,799

that's one theory and i put question

617

00:19:49,750 --> 00:19:48,240

marks there because i'm not sure if it's

618

00:19:51,430 --> 00:19:49,760

true and so you know i do put question

619

00:19:53,830 --> 00:19:51,440

mark if it sounds plausible but it's not

620

00:19:56,390 --> 00:19:53,840

true it kind of goes back to the idea

621

00:19:58,230 --> 00:19:56,400

of pindar you know on that triangular

622

00:20:00,070 --> 00:19:58,240

shape in the dead center sort of just

623

00:20:02,149 --> 00:20:00,080

below the middle of the page

624

00:20:03,909 --> 00:20:02,159

is what you would call the power pyramid

625

00:20:05,510 --> 00:20:03,919

of the world and you can find much more

626

00:20:06,070 --> 00:20:05,520

detailed diagrams of that if you just

627

00:20:08,230 --> 00:20:06,080

google

628

00:20:09,909 --> 00:20:08,240

power pyramid there's several different

629

00:20:11,990 --> 00:20:09,919

variations on it

630

00:20:14,149 --> 00:20:12,000

the word pindar sort of comes from david

631

00:20:15,990 --> 00:20:14,159

ike's interviews with arizona wilder and

632

00:20:17,669 --> 00:20:16,000

her definition of

633

00:20:19,990 --> 00:20:17,679

who is the most powerful person within

634

00:20:21,830 --> 00:20:20,000

the hierarchical structure of earth

635

00:20:24,710 --> 00:20:21,840

she's saying it's like a reptilian

636

00:20:26,149 --> 00:20:24,720

hybrid nobility person

637

00:20:27,909 --> 00:20:26,159

i'm not sure if it would be someone like

638

00:20:30,710 --> 00:20:27,919

that or you know just

639

00:20:33,430 --> 00:20:30,720

a regular nobility or maybe it's even i

640

00:20:36,310 --> 00:20:33,440

have above pindar on the cube up archon

641

00:20:37,750 --> 00:20:36,320

demiurge so maybe the highest ranking

642

00:20:39,430 --> 00:20:37,760

officer on earth really is like a

643

00:20:40,470 --> 00:20:39,440

non-physical entity that's actually

644

00:20:41,990 --> 00:20:40,480

controlling

645

00:20:43,990 --> 00:20:42,000

a human or like a council of

646

00:20:46,710 --> 00:20:44,000

high-ranking nobility

647

00:20:48,390 --> 00:20:46,720

it's all speculation but seeing how

648

00:20:49,270 --> 00:20:48,400

hierarchical the world is you know

649

00:20:51,430 --> 00:20:49,280

knowing that

650

00:20:52,950 --> 00:20:51,440

there's groups of nobility ruled by even

651

00:20:54,549 --> 00:20:52,960

smaller groups within groups

652

00:20:56,230 --> 00:20:54,559

it kind of all has to go down to one

653

00:20:57,909 --> 00:20:56,240

source right so

654

00:20:59,430 --> 00:20:57,919

whatever you want to call it or whatever

655

00:21:00,710 --> 00:20:59,440

it actually is you know physical or even

656

00:21:02,470 --> 00:21:00,720

non-physical

657

00:21:05,909 --> 00:21:02,480

it's sort of how you have to understand

658

00:21:08,149 --> 00:21:05,919

the power structure must operate

659

00:21:09,830 --> 00:21:08,159

pindar is exactly one of those big

660

00:21:12,789 --> 00:21:09,840

things i was going to bring up

661

00:21:15,190 --> 00:21:12,799

you do say that pindar is defined as he

662

00:21:16,789 --> 00:21:15,200

who owns the legal title to earth it's a

663

00:21:18,710 --> 00:21:16,799

provocative idea

664

00:21:20,310 --> 00:21:18,720

often times when people interview me on

665

00:21:22,149 --> 00:21:20,320

other shows they say what's the farthest

666

00:21:23,110 --> 00:21:22,159

out then you believe and i say well that

667

00:21:24,630 --> 00:21:23,120

potentially

668

00:21:26,549 --> 00:21:24,640

the people at the top of the human

669

00:21:28,310 --> 00:21:26,559

pyramid are in contact with something

670

00:21:30,470 --> 00:21:28,320

else that isn't human

671

00:21:32,789 --> 00:21:30,480

and that always is like you know pretty

672

00:21:36,070 --> 00:21:32,799

off the reservation for normal people

673

00:21:38,230 --> 00:21:36,080

but this is exactly i think like

674

00:21:40,390 --> 00:21:38,240

some of the most provocative material is

675

00:21:41,909 --> 00:21:40,400

like what the hell and the name pindar i

676
00:21:44,549 --> 00:21:41,919
don't think i've heard that before

677
00:21:45,270 --> 00:21:44,559
like you said it comes from david ike

678
00:21:48,070 --> 00:21:45,280
but

679
00:21:49,110 --> 00:21:48,080
usually i just hear archons or y'all

680
00:21:50,950 --> 00:21:49,120
debrehoff or

681
00:21:52,789 --> 00:21:50,960
this kind of stuff but i think that's

682
00:21:54,870 --> 00:21:52,799
very provocative that the elite are in

683
00:21:56,789 --> 00:21:54,880
contact with something non-human

684
00:21:58,470 --> 00:21:56,799
maybe even eternal maybe different

685
00:22:00,630 --> 00:21:58,480
pockets of elite

686
00:22:01,510 --> 00:22:00,640
re-establish the connection to the same

687
00:22:04,310 --> 00:22:01,520
old

688
00:22:05,750 --> 00:22:04,320

ethereal entities yeah well i love that

689

00:22:06,549 --> 00:22:05,760

you mentioned yaldabaoth because that's

690

00:22:08,390 --> 00:22:06,559

sort of

691

00:22:09,830 --> 00:22:08,400

the next level of thinking about this is

692

00:22:10,710 --> 00:22:09,840

you could even kind of consider this

693

00:22:14,549 --> 00:22:10,720

role as god

694

00:22:15,029 --> 00:22:14,559

in a way or satan so i i did do this

695

00:22:16,390 --> 00:22:15,039

meme

696

00:22:18,149 --> 00:22:16,400

recently where i was really trying to

697

00:22:19,029 --> 00:22:18,159

come up with my personal definition of

698

00:22:21,990 --> 00:22:19,039

pindar you know

699

00:22:23,510 --> 00:22:22,000

aside from the david ike one and you can

700

00:22:24,789 --> 00:22:23,520

find that on my instagram account master

701

00:22:28,070 --> 00:22:24,799

conspiracy it has

702

00:22:29,590 --> 00:22:28,080

a picture of bowser on it but i'm not

703

00:22:30,789 --> 00:22:29,600

going just by david ike's definition

704

00:22:33,669 --> 00:22:30,799

it's just kind of

705

00:22:34,070 --> 00:22:33,679

trying to put a name on a concept and it

706

00:22:35,669 --> 00:22:34,080

has

707

00:22:37,669 --> 00:22:35,679

a lot of different variations on what it

708

00:22:39,750 --> 00:22:37,679

could be

709

00:22:41,990 --> 00:22:39,760

i love it when you google it you get the

710

00:22:43,430 --> 00:22:42,000

greek poet which is not what i intended

711

00:22:44,470 --> 00:22:43,440

so i just i wanted to make that clear

712

00:22:47,350 --> 00:22:44,480

for people

713

00:22:49,029 --> 00:22:47,360

yes and another little provocative point

714

00:22:50,310 --> 00:22:49,039

i see on here that i like that you

715

00:22:52,630 --> 00:22:50,320

included is the

716

00:22:54,390 --> 00:22:52,640

possibility that barbara bush is

717

00:22:57,190 --> 00:22:54,400

alister crowley's daughter

718

00:22:58,630 --> 00:22:57,200

i love that theory ah yes well that was

719

00:23:01,270 --> 00:22:58,640

actually one of the most difficult

720

00:23:02,390 --> 00:23:01,280

arrows to draw without covering a lot of

721

00:23:04,149 --> 00:23:02,400

different stuff

722

00:23:05,510 --> 00:23:04,159

so there was an actual arrow from her up

723

00:23:07,270 --> 00:23:05,520

to aleister crowley on

724

00:23:08,710 --> 00:23:07,280

one of the early versions but i ended up

725

00:23:11,590 --> 00:23:08,720

deleting that everyone just writing

726

00:23:13,830 --> 00:23:11,600

aleister crowley under her name

727

00:23:15,029 --> 00:23:13,840

yeah i like that well yeah she won't be

728

00:23:17,909 --> 00:23:15,039

missed

729

00:23:18,710 --> 00:23:17,919

you're right and just the way people

730

00:23:21,270 --> 00:23:18,720

obsess

731

00:23:22,950 --> 00:23:21,280

about these certain occult figures and

732

00:23:25,669 --> 00:23:22,960

how they're held in high regard

733

00:23:26,230 --> 00:23:25,679

behind the curtain and i think he got

734

00:23:28,310 --> 00:23:26,240

around

735

00:23:29,510 --> 00:23:28,320

quite a bit i would believe that he had

736

00:23:33,190 --> 00:23:29,520

quite a few children

737

00:23:36,149 --> 00:23:33,200

that might be unregistered let's say

738

00:23:37,909 --> 00:23:36,159

and uh potentially that would be why

739

00:23:40,950 --> 00:23:37,919

george w bush would marry

740

00:23:44,310 --> 00:23:40,960

someone who has this front of uh such a

741

00:23:45,029 --> 00:23:44,320

homely housewife grandmother type of

742

00:23:47,510 --> 00:23:45,039

figure

743

00:23:48,230 --> 00:23:47,520

when we definitely know that the bushes

744

00:23:51,029 --> 00:23:48,240

aren't

745

00:23:52,470 --> 00:23:51,039

that way yeah i mean i have theories

746

00:23:54,070 --> 00:23:52,480

that some of these first ladies are

747

00:23:55,110 --> 00:23:54,080

actually kind of wearing the pants in

748

00:23:58,230 --> 00:23:55,120

the presidencies

749

00:23:59,909 --> 00:23:58,240

so really it's kind of an esoteric

750

00:24:01,669 --> 00:23:59,919

theory but you know i've heard this idea

751
00:24:03,269 --> 00:24:01,679
a few different places that you know our

752
00:24:04,710 --> 00:24:03,279
world might look like a patriarchy but

753
00:24:06,070 --> 00:24:04,720
it might be kind of like a secret

754
00:24:09,510 --> 00:24:06,080
matriarchy

755
00:24:11,350 --> 00:24:09,520
this is a really esoteric idea

756
00:24:13,990 --> 00:24:11,360
yeah that's kind of strange it's new to

757
00:24:15,510 --> 00:24:14,000
me elaborate if you could

758
00:24:17,590 --> 00:24:15,520
well with barbara bush you know she was

759
00:24:18,549 --> 00:24:17,600
related to crowley so i mean president

760
00:24:19,830 --> 00:24:18,559
bush george bush

761
00:24:21,590 --> 00:24:19,840
you know he also had connections to

762
00:24:23,110 --> 00:24:21,600
powerful families as well but

763
00:24:24,630 --> 00:24:23,120

you know the crowley connection might

764

00:24:26,630 --> 00:24:24,640

indicate that she did have some power

765

00:24:29,350 --> 00:24:26,640

within that relationship and i think

766

00:24:30,830 --> 00:24:29,360

you know with bill and hillary hillary

767

00:24:33,909 --> 00:24:30,840

was more connected to the

768

00:24:36,470 --> 00:24:33,919

chicago mob like through her father

769

00:24:37,110 --> 00:24:36,480

and you know bill clearly is not the

770

00:24:40,390 --> 00:24:37,120

brightest

771

00:24:41,750 --> 00:24:40,400

the ceiling

772

00:24:43,510 --> 00:24:41,760

and then you saw hillary's career

773

00:24:43,830 --> 00:24:43,520

develop after that as well so clearly

774

00:24:48,630 --> 00:24:43,840

she

775

00:24:50,310 --> 00:24:48,640

relationship

776

00:24:51,830 --> 00:24:50,320

you know i don't know much about barbara

777

00:24:53,269 --> 00:24:51,840

bush but

778

00:24:56,070 --> 00:24:53,279

i think melania and trump you know i

779

00:24:59,190 --> 00:24:56,080

think melania is actually playing

780

00:25:00,789 --> 00:24:59,200

a bigger role than most people perceive

781

00:25:02,230 --> 00:25:00,799

i kind of see her as like a pleiadian

782

00:25:03,430 --> 00:25:02,240

ambassador possibly but this is like

783

00:25:05,510 --> 00:25:03,440

kind of hopeful thinking

784

00:25:08,310 --> 00:25:05,520

so other people say that she's just a

785

00:25:10,549 --> 00:25:08,320

monarch mk ultra sex slave so

786

00:25:12,710 --> 00:25:10,559

yeah well we might have a secret sect of

787

00:25:13,430 --> 00:25:12,720

husband handlers out there i guess it is

788

00:25:15,990 --> 00:25:13,440

possible

789

00:25:17,590 --> 00:25:16,000

i mean it's kind of uh parallel to the

790

00:25:19,350 --> 00:25:17,600

black pope situation

791

00:25:21,350 --> 00:25:19,360

yeah i mean i kind of got that idea

792

00:25:22,950 --> 00:25:21,360

another important concept on here that

793

00:25:24,470 --> 00:25:22,960

requires some explanation for a lot of

794

00:25:27,430 --> 00:25:24,480

people is the swiss pharaoh

795

00:25:28,789 --> 00:25:27,440

idea and so that term sort of replaced

796

00:25:30,549 --> 00:25:28,799

black nobility

797

00:25:31,909 --> 00:25:30,559

at a certain point i think in like the

798

00:25:34,870 --> 00:25:31,919

spring on the q web

799

00:25:37,350 --> 00:25:34,880

because i got into this youtuber sean

800

00:25:40,070 --> 00:25:37,360

ross who has a video called the pharaoh

801
00:25:41,990 --> 00:25:40,080
show in which he goes around switzerland

802
00:25:44,789 --> 00:25:42,000
points out all this masonic and

803
00:25:46,549 --> 00:25:44,799
egyptian symbolism and architecture and

804
00:25:48,390 --> 00:25:46,559
he knows a shitload about history and

805
00:25:50,230 --> 00:25:48,400
just really explains why

806
00:25:51,430 --> 00:25:50,240
the swiss are basically like ruling the

807
00:25:53,269 --> 00:25:51,440
world at this point and it's like the

808
00:25:55,510 --> 00:25:53,279
most powerful country

809
00:25:57,590 --> 00:25:55,520
you know a lot of people debate whether

810
00:25:59,750 --> 00:25:57,600
the city of london is the most powerful

811
00:26:01,430 --> 00:25:59,760
or the geneva or the vatican or

812
00:26:02,789 --> 00:26:01,440
washington dc i mean all these places

813
00:26:05,029 --> 00:26:02,799

are powerful but

814

00:26:07,350 --> 00:26:05,039

in a way you can see the swiss as being

815

00:26:09,510 --> 00:26:07,360

sort of like the most powerful

816

00:26:10,789 --> 00:26:09,520

it's arguable though i mean i'm not 100

817

00:26:12,390 --> 00:26:10,799

on that

818

00:26:15,669 --> 00:26:12,400

but he's kind of the one that said that

819

00:26:18,630 --> 00:26:15,679

swiss culture has a way of

820

00:26:20,149 --> 00:26:18,640

you know going to war to like murder all

821

00:26:21,269 --> 00:26:20,159

the men and then like the women take

822

00:26:23,430 --> 00:26:21,279

over i'm having trouble

823

00:26:25,029 --> 00:26:23,440

describing it you know right now but

824

00:26:26,310 --> 00:26:25,039

it's that theory of the secret

825

00:26:27,669 --> 00:26:26,320

matriarchy that he

826
00:26:29,990 --> 00:26:27,679
sort of opened my mind up to the

827
00:26:32,549 --> 00:26:30,000
possibility of

828
00:26:33,990 --> 00:26:32,559
provocative i mean layers within layers

829
00:26:35,430 --> 00:26:34,000
it's really hard to know so

830
00:26:37,750 --> 00:26:35,440
i wouldn't be surprised that there is

831
00:26:37,990 --> 00:26:37,760
something deep and important that i've

832
00:26:40,950 --> 00:26:38,000
never

833
00:26:41,830 --> 00:26:40,960
heard of when it comes to the real

834
00:26:44,230 --> 00:26:41,840
construction

835
00:26:45,190 --> 00:26:44,240
of the elite and a lot of people do

836
00:26:47,750 --> 00:26:45,200
forget about

837
00:26:49,430 --> 00:26:47,760
some of the italian families they kind

838
00:26:52,710 --> 00:26:49,440

of gloss over that some people go

839

00:26:53,990 --> 00:26:52,720

from egypt to rome to britain to the

840

00:26:55,830 --> 00:26:54,000

united states

841

00:26:57,430 --> 00:26:55,840

and there's just this huge chapter i

842

00:26:59,269 --> 00:26:57,440

mean not even

843

00:27:00,789 --> 00:26:59,279

factoring in the fact that that's just

844

00:27:02,950 --> 00:27:00,799

the story of the west

845

00:27:04,630 --> 00:27:02,960

necessarily which is only half the world

846

00:27:07,269 --> 00:27:04,640

but then we have this big

847

00:27:08,149 --> 00:27:07,279

section of italian banking families and

848

00:27:10,310 --> 00:27:08,159

elite that

849

00:27:11,510 --> 00:27:10,320

i think they still hold some strings to

850

00:27:12,950 --> 00:27:11,520

the modern world and

851

00:27:15,269 --> 00:27:12,960

i like that you have them on there but

852

00:27:16,870 --> 00:27:15,279

that's something that's often forgotten

853

00:27:18,950 --> 00:27:16,880

definitely i mean one of the other books

854

00:27:20,630 --> 00:27:18,960

that was a major factor and

855

00:27:21,750 --> 00:27:20,640

well i didn't actually read it again but

856

00:27:23,990 --> 00:27:21,760

you know the bloodlines of the

857

00:27:26,230 --> 00:27:24,000

illuminati by fritz springmeier is

858

00:27:28,070 --> 00:27:26,240

definitely one of the most important

859

00:27:29,750 --> 00:27:28,080

books around all these subjects i

860

00:27:32,549 --> 00:27:29,760

watched a really long interview of him

861

00:27:33,830 --> 00:27:32,559

with alex jones that i felt like cued me

862

00:27:35,909 --> 00:27:33,840

into most of the most important

863

00:27:37,269 --> 00:27:35,919

information that's in that book

864

00:27:38,630 --> 00:27:37,279

i think it's a little bit dry just

865

00:27:39,669 --> 00:27:38,640

reading about you know different family

866

00:27:41,990 --> 00:27:39,679

names and

867

00:27:42,870 --> 00:27:42,000

i didn't want the q web to also be just

868

00:27:44,470 --> 00:27:42,880

a list of

869

00:27:45,990 --> 00:27:44,480

every different secret society i could

870

00:27:48,310 --> 00:27:46,000

find like every different powerful

871

00:27:50,389 --> 00:27:48,320

family i could find because i feel like

872

00:27:51,909 --> 00:27:50,399

that's how a lot of these webs get

873

00:27:53,830 --> 00:27:51,919

i don't know if you've ever heard of the

874

00:27:56,950 --> 00:27:53,840

artist mark lombardi no

875

00:27:58,389 --> 00:27:56,960

but he was doing hand-drawn pieces of

876

00:28:00,149 --> 00:27:58,399

art that looked similar to this

877

00:28:01,669 --> 00:28:00,159

actually he did more of like a circular

878

00:28:03,110 --> 00:28:01,679

style layout

879

00:28:05,190 --> 00:28:03,120

but you know he just threw all these

880

00:28:06,470 --> 00:28:05,200

names on his things and it wasn't just

881

00:28:07,669 --> 00:28:06,480

looking at them

882

00:28:09,269 --> 00:28:07,679

well first of all you can't read them

883

00:28:10,950 --> 00:28:09,279

because they were huge in any file you

884

00:28:12,870 --> 00:28:10,960

find online it's like microscopic you

885

00:28:15,350 --> 00:28:12,880

can't even read any of the text

886

00:28:17,029 --> 00:28:15,360

but when i was at the metropolitan

887

00:28:20,789 --> 00:28:17,039

museum the brewer

888

00:28:22,710 --> 00:28:20,799

in september the q web was published in

889

00:28:23,990 --> 00:28:22,720

the exhibit catalog for this exhibit

890

00:28:25,430 --> 00:28:24,000

that came out called everything is

891

00:28:27,269 --> 00:28:25,440

connected

892

00:28:28,710 --> 00:28:27,279

and they had some of mark lombardi's

893

00:28:30,389 --> 00:28:28,720

original pieces so it was really great

894

00:28:33,110 --> 00:28:30,399

for me to see this artist who had done

895

00:28:34,950 --> 00:28:33,120

such similar work to me back in the 90s

896

00:28:36,230 --> 00:28:34,960

and then he supposedly killed himself

897

00:28:39,029 --> 00:28:36,240

was probably

898

00:28:40,710 --> 00:28:39,039

offed by the cabal but you know his

899

00:28:42,149 --> 00:28:40,720

diagrams are really really detailed and

900

00:28:43,909 --> 00:28:42,159

really well researched but it's just

901
00:28:45,510 --> 00:28:43,919
kind of a whole slew of names and you

902
00:28:46,549 --> 00:28:45,520
don't really understand the connections

903
00:28:47,909 --> 00:28:46,559
quite as well

904
00:28:49,190 --> 00:28:47,919
so i definitely didn't want the cue up

905
00:28:50,710 --> 00:28:49,200
to go to that like if i put a name i

906
00:28:52,710 --> 00:28:50,720
wanted it to be either someone

907
00:28:54,070 --> 00:28:52,720
that everybody knew or everybody really

908
00:28:55,669 --> 00:28:54,080
should know

909
00:28:57,590 --> 00:28:55,679
or you know even gave like the

910
00:28:58,710 --> 00:28:57,600
description of why you should know them

911
00:29:00,389 --> 00:28:58,720
so

912
00:29:03,909 --> 00:29:00,399
i didn't want to get too much into just

913
00:29:07,190 --> 00:29:03,919

like being a catalog of the yellow pages

914

00:29:08,230 --> 00:29:07,200

right right and this is just moving

915

00:29:10,549 --> 00:29:08,240

right along man

916

00:29:12,149 --> 00:29:10,559

and i wanted to kind of step back a

917

00:29:14,710 --> 00:29:12,159

little bit and just

918

00:29:15,590 --> 00:29:14,720

talk to you about how this q web going

919

00:29:17,510 --> 00:29:15,600

viral thing

920

00:29:19,110 --> 00:29:17,520

happened and how it's affected your life

921

00:29:22,149 --> 00:29:19,120

i mean i think this even

922

00:29:23,269 --> 00:29:22,159

touches on comedy central this thing

923

00:29:25,190 --> 00:29:23,279

with the met i mean

924

00:29:27,750 --> 00:29:25,200

what's the story of how this piece is

925

00:29:29,430 --> 00:29:27,760

moved from your desk to being a bit of a

926

00:29:32,870 --> 00:29:29,440

phenomenon

927

00:29:35,590 --> 00:29:32,880

well so i first shared it on facebook

928

00:29:37,269 --> 00:29:35,600

in the destroying the illusion group

929

00:29:39,510 --> 00:29:37,279

which actually facebook groups over the

930

00:29:41,830 --> 00:29:39,520

past year have just made a huge

931

00:29:43,510 --> 00:29:41,840

impact in my life and my experience of

932

00:29:46,070 --> 00:29:43,520

facebook you know i definitely encourage

933

00:29:47,750 --> 00:29:46,080

everyone if you're on facebook don't let

934

00:29:49,350 --> 00:29:47,760

zuckerberg just feed you what he wants

935

00:29:50,950 --> 00:29:49,360

on your newsfeed you know

936

00:29:52,470 --> 00:29:50,960

look into groups find groups you're

937

00:29:53,590 --> 00:29:52,480

interested in and that's where

938

00:29:55,430 --> 00:29:53,600

i think people should be mainly

939

00:29:56,070 --> 00:29:55,440

interacting on facebook because it sort

940

00:29:58,549 --> 00:29:56,080

of

941

00:30:00,549 --> 00:29:58,559

removes facebook's like filter

942

00:30:01,750 --> 00:30:00,559

algorithms that you know just steer you

943

00:30:04,710 --> 00:30:01,760

towards watching like

944

00:30:06,230 --> 00:30:04,720

cute animal videos and dumb [h__h] so

945

00:30:07,110 --> 00:30:06,240

that's the first place i shared it and

946

00:30:09,269 --> 00:30:07,120

then

947

00:30:10,870 --> 00:30:09,279

it went viral randomly on this blog

948

00:30:12,630 --> 00:30:10,880

called through the looking glass which

949

00:30:13,830 --> 00:30:12,640

is run by michael sean brown out of

950

00:30:16,149 --> 00:30:13,840

vegas

951
00:30:17,830 --> 00:30:16,159
and i have no idea how this blog ended

952
00:30:18,789 --> 00:30:17,840
up getting so much traffic but he

953
00:30:21,909 --> 00:30:18,799
basically had the q

954
00:30:23,430 --> 00:30:21,919
web as the first thing on his blog post

955
00:30:25,830 --> 00:30:23,440
and then he had researched

956
00:30:28,070 --> 00:30:25,840
all different types of other diagrams

957
00:30:29,909 --> 00:30:28,080
similar like power pyramids

958
00:30:32,310 --> 00:30:29,919
layouts of the free masonic structure

959
00:30:35,029 --> 00:30:32,320
he's he had almost like 200 different

960
00:30:36,230 --> 00:30:35,039
diagrams of similar content conspiracy

961
00:30:38,470 --> 00:30:36,240
related content or

962
00:30:39,990 --> 00:30:38,480
global power structure related content

963
00:30:42,470 --> 00:30:40,000

but the queue up at the top

964

00:30:43,430 --> 00:30:42,480

and so this blog post went ultra viral

965

00:30:45,110 --> 00:30:43,440

as well like he was getting

966

00:30:46,549 --> 00:30:45,120

something like 10 000 hits i don't know

967

00:30:47,830 --> 00:30:46,559

of a day like

968

00:30:49,350 --> 00:30:47,840

we talked i think before we went on

969

00:30:49,990 --> 00:30:49,360

about how we kind of lose track of how

970

00:30:51,750 --> 00:30:50,000

many like hits

971

00:30:53,990 --> 00:30:51,760

or like views we actually have because

972

00:30:56,870 --> 00:30:54,000

of so many different platforms

973

00:30:57,269 --> 00:30:56,880

you know i shared it on 4chan and reddit

974

00:30:58,710 --> 00:30:57,279

and

975

00:30:59,909 --> 00:30:58,720

i'm not very familiar with those

976

00:31:01,430 --> 00:30:59,919

platforms i don't think they got too

977

00:31:02,070 --> 00:31:01,440

much traction the first time i shared

978

00:31:03,750 --> 00:31:02,080

them but

979

00:31:05,110 --> 00:31:03,760

there's probably been shares of them on

980

00:31:05,830 --> 00:31:05,120

those platforms that i don't even know

981

00:31:09,029 --> 00:31:05,840

about

982

00:31:10,389 --> 00:31:09,039

that are going viral again so then the

983

00:31:11,830 --> 00:31:10,399

first big thing

984

00:31:13,430 --> 00:31:11,840

where it broke into the mainstream was

985

00:31:14,470 --> 00:31:13,440

like you said the comedy central hit

986

00:31:16,230 --> 00:31:14,480

piece where it was

987

00:31:17,669 --> 00:31:16,240

a 10-minute hit piece about q and on

988

00:31:19,430 --> 00:31:17,679

that at the very end

989

00:31:20,789 --> 00:31:19,440

they had taken my q web and totally

990

00:31:22,149 --> 00:31:20,799

changed all the text on it so that i

991

00:31:24,789 --> 00:31:22,159

couldn't sue them

992

00:31:27,110 --> 00:31:24,799

but presented it as a master conspiracy

993

00:31:29,350 --> 00:31:27,120

on the fringe of the dark web

994

00:31:31,029 --> 00:31:29,360

and so that's actually that sentence

995

00:31:32,870 --> 00:31:31,039

that they used was actually where i got

996

00:31:33,990 --> 00:31:32,880

my new instagram handle from master

997

00:31:35,669 --> 00:31:34,000

conspiracy

998

00:31:37,830 --> 00:31:35,679

because i liked it so much that i was

999

00:31:40,549 --> 00:31:37,840

like hey use the hit piece against them

1000

00:31:41,669 --> 00:31:40,559

you know then the met you know i got

1001

00:31:43,909 --> 00:31:41,679

contacted by the met

1002

00:31:45,269 --> 00:31:43,919

in the spring by the curator of that

1003

00:31:47,509 --> 00:31:45,279

exhibit everything was connected and

1004

00:31:49,509 --> 00:31:47,519

said he wanted to publish it

1005

00:31:51,350 --> 00:31:49,519

he wanted it to be in the exhibit and

1006

00:31:53,990 --> 00:31:51,360

wanted to do much of it as well

1007

00:31:55,669 --> 00:31:54,000

and so the other curator didn't want it

1008

00:31:57,909 --> 00:31:55,679

to be in the exhibit and then

1009

00:32:00,149 --> 00:31:57,919

the merch was moving ahead the merch was

1010

00:32:02,710 --> 00:32:00,159

like all ready to roll and then

1011

00:32:04,470 --> 00:32:02,720

in july when the mainstream media

1012

00:32:06,470 --> 00:32:04,480

released all those hit pieces on q and

1013

00:32:09,830 --> 00:32:06,480

on all in one day

1014

00:32:11,830 --> 00:32:09,840

the whole metropolitan design department

1015

00:32:13,830 --> 00:32:11,840

sort of was like wait we can't do this

1016

00:32:15,110 --> 00:32:13,840

merge and so all the merch got cancelled

1017

00:32:16,470 --> 00:32:15,120

that week

1018

00:32:17,990 --> 00:32:16,480

but it was still published in the

1019

00:32:19,430 --> 00:32:18,000

catalog which was awesome and i went to

1020

00:32:21,110 --> 00:32:19,440

the exhibit opening

1021

00:32:22,630 --> 00:32:21,120

yeah i mean there's a lot of people who

1022

00:32:24,870 --> 00:32:22,640

are skeptical about the met

1023

00:32:25,830 --> 00:32:24,880

crowd and the high art crowd especially

1024

00:32:28,310 --> 00:32:25,840

with the whole

1025

00:32:29,909 --> 00:32:28,320

spirit cooking stuff but as an artist i

1026

00:32:31,509 --> 00:32:29,919

mean that has to be a pretty big

1027

00:32:33,110 --> 00:32:31,519

milestone

1028

00:32:34,470 --> 00:32:33,120

oh yeah i mean i had never even been

1029

00:32:35,669 --> 00:32:34,480

shown in a gallery before i mean i've

1030

00:32:37,110 --> 00:32:35,679

done a lot of fashion shows when i

1031

00:32:38,789 --> 00:32:37,120

worked in fashion not my own fashion

1032

00:32:39,590 --> 00:32:38,799

shows but you know been involved with

1033

00:32:41,669 --> 00:32:39,600

them

1034

00:32:43,830 --> 00:32:41,679

but since i you know decided to leave

1035

00:32:45,430 --> 00:32:43,840

new york and switch into fine art

1036

00:32:47,430 --> 00:32:45,440

i had a really hard time i mean

1037

00:32:49,830 --> 00:32:47,440

basically no success like breaking into

1038

00:32:51,830 --> 00:32:49,840

like the fine art gallery scene and so

1039

00:32:54,149 --> 00:32:51,840

this publication in the met is really my

1040

00:32:57,350 --> 00:32:54,159

first foray into the

1041

00:32:58,710 --> 00:32:57,360

legit recognized fine art world and you

1042

00:33:00,149 --> 00:32:58,720

know i hope it won't be the last like i

1043

00:33:00,789 --> 00:33:00,159

definitely think it would be awesome to

1044

00:33:02,950 --> 00:33:00,799

have

1045

00:33:05,029 --> 00:33:02,960

these artworks eventually move into an

1046

00:33:07,190 --> 00:33:05,039

actual brick and mortars gallery

1047

00:33:09,509 --> 00:33:07,200

and do you know large scale paintings of

1048

00:33:11,269 --> 00:33:09,519

them i think it'd be awesome to do the q

1049

00:33:13,430 --> 00:33:11,279

web as like an engraving on a piece of

1050

00:33:15,190 --> 00:33:13,440

marble like really set it in stone for

1051
00:33:17,350 --> 00:33:15,200
future generations once all this paper

1052
00:33:19,350 --> 00:33:17,360
has disintegrated

1053
00:33:20,630 --> 00:33:19,360
a version of the georgia guidestones

1054
00:33:22,950 --> 00:33:20,640
something like that

1055
00:33:23,990 --> 00:33:22,960
exactly yeah maybe even engrave it on

1056
00:33:26,630 --> 00:33:24,000
top of those

1057
00:33:27,990 --> 00:33:26,640
georgia guide stones bring a laser 3d

1058
00:33:28,630 --> 00:33:28,000
printer you can just like go in in the

1059
00:33:31,909 --> 00:33:28,640
night and

1060
00:33:32,870 --> 00:33:31,919
burn it in yeah yeah the technology is

1061
00:33:38,070 --> 00:33:32,880
there

1062
00:33:40,230 --> 00:33:38,080
that way you know we don't have to be

1063
00:33:42,630 --> 00:33:40,240

attached to it yeah it wasn't me

1064

00:33:44,230 --> 00:33:42,640

like shaggy said so you mentioned

1065

00:33:45,909 --> 00:33:44,240

obviously your time in the new york

1066

00:33:47,990 --> 00:33:45,919

fashion industry i was gonna ask you

1067

00:33:49,990 --> 00:33:48,000

about that seven years is a long time

1068

00:33:51,909 --> 00:33:50,000

obviously these conspiracy threads do

1069

00:33:53,190 --> 00:33:51,919

run deep did you see anything in that

1070

00:33:55,990 --> 00:33:53,200

microcosm that

1071

00:33:56,630 --> 00:33:56,000

spoke to the big conspiracy i wouldn't

1072

00:33:57,830 --> 00:33:56,640

say so

1073

00:33:59,830 --> 00:33:57,840

you know i did have to do some

1074

00:34:00,310 --> 00:33:59,840

promotional items for obama i had to

1075

00:34:04,789 --> 00:34:00,320

design

1076

00:34:06,389 --> 00:34:04,799

a dress for michelle that was gigantic

1077

00:34:08,149 --> 00:34:06,399

but did you leave a little room in the

1078

00:34:10,310 --> 00:34:08,159

crotch

1079

00:34:11,349 --> 00:34:10,320

well it was a dress so you know it's got

1080

00:34:14,950 --> 00:34:11,359

room to hang

1081

00:34:17,109 --> 00:34:14,960

fair but no nothing really comes to mind

1082

00:34:18,869 --> 00:34:17,119

that was specifically shady i mean

1083

00:34:20,950 --> 00:34:18,879

you always wonder with the people on top

1084

00:34:22,310 --> 00:34:20,960

you know how they really got there

1085

00:34:23,750 --> 00:34:22,320

i don't know how much i should say but

1086

00:34:24,790 --> 00:34:23,760

you know like at derek lam we had like a

1087

00:34:25,909 --> 00:34:24,800

german ceo

1088

00:34:27,829 --> 00:34:25,919

and you know if you know about project

1089

00:34:28,790 --> 00:34:27,839

paperclip like not saying he was part of

1090

00:34:31,349 --> 00:34:28,800

that but

1091

00:34:32,550 --> 00:34:31,359

when i was at the met exhibit opening in

1092

00:34:34,389 --> 00:34:32,560

september

1093

00:34:35,589 --> 00:34:34,399

the first person that spoke about it was

1094

00:34:37,909 --> 00:34:35,599

german i mean i don't have anything

1095

00:34:41,190 --> 00:34:37,919

against germans but it's just you know

1096

00:34:42,710 --> 00:34:41,200

you get the paper clip vibe sometimes

1097

00:34:44,470 --> 00:34:42,720

and you wonder where all the money's

1098

00:34:45,829 --> 00:34:44,480

coming from because you know

1099

00:34:47,909 --> 00:34:45,839

in the fashion industry you know you

1100

00:34:48,790 --> 00:34:47,919

don't make it unless anna wintour says

1101
00:34:50,629 --> 00:34:48,800
you make it

1102
00:34:52,790 --> 00:34:50,639
so there's definitely like gatekeepers

1103
00:34:53,109 --> 00:34:52,800
and this is a really stupid reference

1104
00:34:55,109 --> 00:34:53,119
but

1105
00:34:56,790 --> 00:34:55,119
if you've seen zoolander 2 there's like

1106
00:34:58,550 --> 00:34:56,800
a really creepy scene at the end where

1107
00:35:00,230 --> 00:34:58,560
they're having literally an illuminati

1108
00:35:02,310 --> 00:35:00,240
sacrifice and

1109
00:35:04,230 --> 00:35:02,320
they've cast real fashion designers like

1110
00:35:05,750 --> 00:35:04,240
alexander wang marc jacobs

1111
00:35:07,270 --> 00:35:05,760
they brought these designers into the

1112
00:35:08,630 --> 00:35:07,280
movie and

1113
00:35:11,910 --> 00:35:08,640

you know they all participated in this

1114

00:35:13,829 --> 00:35:11,920

scene it's just like huh

1115

00:35:15,589 --> 00:35:13,839

like no one is thinking like this is

1116

00:35:17,270 --> 00:35:15,599

kind of weird or [h__h] up

1117

00:35:18,710 --> 00:35:17,280

and it's all around like will ferrell

1118

00:35:20,069 --> 00:35:18,720

like sacrificing a child in the middle

1119

00:35:23,030 --> 00:35:20,079

of like a circle

1120

00:35:24,710 --> 00:35:23,040

and so you know i don't know what goes

1121

00:35:26,950 --> 00:35:24,720

on behind the scenes like i was actually

1122

00:35:29,589 --> 00:35:26,960

friends with a few of these people but

1123

00:35:30,710 --> 00:35:29,599

didn't ever get like too close so i

1124

00:35:34,150 --> 00:35:30,720

don't know i'm not gonna

1125

00:35:36,870 --> 00:35:34,160

drop any bombshells fair fair enough

1126

00:35:37,270 --> 00:35:36,880

so as i said i'm not a huge fan of the q

1127

00:35:39,589 --> 00:35:37,280

stuff

1128

00:35:41,829 --> 00:35:39,599

in particular and this being wrapped up

1129

00:35:45,030 --> 00:35:41,839

in the trump administration but

1130

00:35:48,150 --> 00:35:45,040

just to counterpoint my own position

1131

00:35:49,270 --> 00:35:48,160

you do have something on the q web map

1132

00:35:52,230 --> 00:35:49,280

at the bottom here

1133

00:35:53,190 --> 00:35:52,240

where it features prominently executive

1134

00:35:56,630 --> 00:35:53,200

order 12

1135

00:35:58,630 --> 00:35:56,640

21 17. can you tell people what that is

1136

00:36:01,349 --> 00:35:58,640

so that was an executive order obviously

1137

00:36:03,349 --> 00:36:01,359

on december 21st 2017

1138

00:36:05,430 --> 00:36:03,359

that declared a national emergency

1139

00:36:07,270 --> 00:36:05,440

related to human rights abuse

1140

00:36:08,870 --> 00:36:07,280

and it said in the executive order that

1141

00:36:10,310 --> 00:36:08,880

we're going to freeze the assets of

1142

00:36:13,589 --> 00:36:10,320

anyone who is

1143

00:36:15,670 --> 00:36:13,599

proven to be abusing human rights and

1144

00:36:17,349 --> 00:36:15,680

you know whether it's genuine or

1145

00:36:19,190 --> 00:36:17,359

honestly gonna try to do that or not

1146

00:36:20,790 --> 00:36:19,200

is up for debate but you know if you

1147

00:36:23,109 --> 00:36:20,800

were gonna try to go after

1148

00:36:23,829 --> 00:36:23,119

the illuminati take down the cabal this

1149

00:36:25,349 --> 00:36:23,839

was like

1150

00:36:27,190 --> 00:36:25,359

the executive order that's saying like

1151

00:36:29,670 --> 00:36:27,200

we're coming after you

1152

00:36:31,589 --> 00:36:29,680

and just the timing like with cue having

1153

00:36:32,950 --> 00:36:31,599

started a few months prior

1154

00:36:35,670 --> 00:36:32,960

it really felt like the beginning of

1155

00:36:37,190 --> 00:36:35,680

like a huge crackdown

1156

00:36:38,710 --> 00:36:37,200

and you know under trump i'm pretty sure

1157

00:36:40,069 --> 00:36:38,720

you know you can never fully trust the

1158

00:36:42,870 --> 00:36:40,079

news but there has been a lot

1159

00:36:44,470 --> 00:36:42,880

of reports about human trafficking rings

1160

00:36:45,910 --> 00:36:44,480

being busted like huge

1161

00:36:47,510 --> 00:36:45,920

trafficking rings of like hundreds of

1162

00:36:49,510 --> 00:36:47,520

people that

1163

00:36:51,109 --> 00:36:49,520

you didn't really see these news reports

1164

00:36:52,950 --> 00:36:51,119

coming out under previous

1165

00:36:55,430 --> 00:36:52,960

administrations as much

1166

00:36:57,829 --> 00:36:55,440

so you know i'm hopeful that this is

1167

00:37:00,150 --> 00:36:57,839

part of the takedown of the cabal that

1168

00:37:01,750 --> 00:37:00,160

we know they use human trafficking both

1169

00:37:04,390 --> 00:37:01,760

as a form of blackmail

1170

00:37:05,589 --> 00:37:04,400

and within their rituals and they take

1171

00:37:07,589 --> 00:37:05,599

certain substances

1172

00:37:09,430 --> 00:37:07,599

if your audience is familiar with

1173

00:37:11,510 --> 00:37:09,440

adrenochrome which is

1174

00:37:13,430 --> 00:37:11,520

a chemical they get out of these human

1175

00:37:14,310 --> 00:37:13,440

sacrifices to keep them young and give

1176

00:37:17,109 --> 00:37:14,320

them a high

1177

00:37:18,870 --> 00:37:17,119

off of these sacrifices so it's all

1178

00:37:20,550 --> 00:37:18,880

related and even this border wall thing

1179

00:37:22,230 --> 00:37:20,560

is related to human trafficking human

1180

00:37:24,150 --> 00:37:22,240

rights abuse

1181

00:37:25,510 --> 00:37:24,160

so hopefully we do see a decline in that

1182

00:37:27,750 --> 00:37:25,520

practice

1183

00:37:29,190 --> 00:37:27,760

yeah i mean like i said i am open to it

1184

00:37:30,069 --> 00:37:29,200

and that's why i was like hey this

1185

00:37:32,230 --> 00:37:30,079

executive order

1186

00:37:33,349 --> 00:37:32,240

knowing what it is about freezing those

1187

00:37:35,510 --> 00:37:33,359

assets it is

1188

00:37:37,270 --> 00:37:35,520

kind of a laying of the groundwork it's

1189

00:37:39,349 --> 00:37:37,280

like before we take down

1190

00:37:40,790 --> 00:37:39,359

an organization like say the clinton

1191

00:37:43,349 --> 00:37:40,800

foundation we have to have

1192

00:37:44,470 --> 00:37:43,359

these kind of laws specifically on the

1193

00:37:47,109 --> 00:37:44,480

books

1194

00:37:48,790 --> 00:37:47,119

you know all the pieces have to be in a

1195

00:37:50,310 --> 00:37:48,800

certain order

1196

00:37:51,990 --> 00:37:50,320

and so i'm open to it i look at that

1197

00:37:55,109 --> 00:37:52,000

kind of stuff i also do

1198

00:37:56,150 --> 00:37:55,119

like that i i believe he opened up the

1199

00:37:59,990 --> 00:37:56,160

industrial hemp

1200

00:38:02,870 --> 00:38:00,000

market again after 100 years

1201
00:38:04,870 --> 00:38:02,880
that was a huge breakthrough for us

1202
00:38:06,310 --> 00:38:04,880
especially for your channel

1203
00:38:07,990 --> 00:38:06,320
well i'm waiting on the other side of

1204
00:38:09,510 --> 00:38:08,000
things like i'm glad i can now make

1205
00:38:11,750 --> 00:38:09,520
ropes but uh you know

1206
00:38:13,270 --> 00:38:11,760
i like to smoke the stuff too well that

1207
00:38:14,710 --> 00:38:13,280
executive order i think the most

1208
00:38:16,230 --> 00:38:14,720
shocking thing about it was the fact

1209
00:38:17,270 --> 00:38:16,240
that it really said this is a national

1210
00:38:18,950 --> 00:38:17,280
emergency and

1211
00:38:20,550 --> 00:38:18,960
because it said it's a national

1212
00:38:23,589 --> 00:38:20,560
emergency i think that gave trump

1213
00:38:24,790 --> 00:38:23,599

war powers that you know let him do more

1214

00:38:25,829 --> 00:38:24,800

with the military that he wouldn't

1215

00:38:27,430 --> 00:38:25,839

normally be able to do

1216

00:38:28,870 --> 00:38:27,440

like maybe opened up the military

1217

00:38:31,109 --> 00:38:28,880

tribunal options for

1218

00:38:32,550 --> 00:38:31,119

these criminals and you know it's on

1219

00:38:34,310 --> 00:38:32,560

thecube where it is because that's sort

1220

00:38:35,589 --> 00:38:34,320

of what happened like five days before i

1221

00:38:37,109 --> 00:38:35,599

released it or whatever

1222

00:38:38,710 --> 00:38:37,119

you know i released it january first i

1223

00:38:41,349 --> 00:38:38,720

was 21 so

1224

00:38:42,870 --> 00:38:41,359

i'm not doing the math right now but you

1225

00:38:44,150 --> 00:38:42,880

know just a week before i release it so

1226

00:38:45,670 --> 00:38:44,160

that was like whoa

1227

00:38:48,069 --> 00:38:45,680

everything's syncing up right now with

1228

00:38:50,390 --> 00:38:48,079

the timing

1229

00:38:51,349 --> 00:38:50,400

i also like the bottom left corner here

1230

00:38:53,990 --> 00:38:51,359

where you have a small

1231

00:38:55,829 --> 00:38:54,000

step pyramid with 2012 at the top of it

1232

00:39:00,150 --> 00:38:55,839

and two divergent paths

1233

00:39:02,870 --> 00:39:00,160

one of the 5g kill grid versus the

1234

00:39:04,710 --> 00:39:02,880

5d quantum ascension this is something

1235

00:39:06,390 --> 00:39:04,720

that's been coming up more and more that

1236

00:39:08,390 --> 00:39:06,400

maybe we are entering a part of the

1237

00:39:10,630 --> 00:39:08,400

galaxy that emits a different type of

1238

00:39:13,190 --> 00:39:10,640

energy that really could alter reality

1239

00:39:14,870 --> 00:39:13,200

into some sort of ascension situation

1240

00:39:16,790 --> 00:39:14,880

and this angle that the elite are

1241

00:39:18,470 --> 00:39:16,800

desperately trying to block out that

1242

00:39:20,150 --> 00:39:18,480

energy and keep control

1243

00:39:21,510 --> 00:39:20,160

it's a compelling narrative to me i mean

1244

00:39:23,589 --> 00:39:21,520

what are your thoughts on it obviously

1245

00:39:26,230 --> 00:39:23,599

you included it

1246

00:39:27,670 --> 00:39:26,240

yeah 5g and 5d didn't used to be right

1247

00:39:28,550 --> 00:39:27,680

next to each other on the q web and i

1248

00:39:30,310 --> 00:39:28,560

realized that

1249

00:39:32,710 --> 00:39:30,320

a little bit further into having after

1250

00:39:34,470 --> 00:39:32,720

released it and i was like oh

1251

00:39:37,270 --> 00:39:34,480

it's really weird that we're both moving

1252

00:39:39,270 --> 00:39:37,280

towards 5g kill grid and 5d

1253

00:39:40,630 --> 00:39:39,280

quantum ascension supposedly at the same

1254

00:39:43,030 --> 00:39:40,640

time i mean clearly 5g

1255

00:39:44,230 --> 00:39:43,040

is going forward and you know i

1256

00:39:45,670 --> 00:39:44,240

definitely think a lot of people are

1257

00:39:47,510 --> 00:39:45,680

waking up the great awakening is

1258

00:39:49,190 --> 00:39:47,520

definitely happening and i can even feel

1259

00:39:50,870 --> 00:39:49,200

the energy of it like especially after

1260

00:39:51,750 --> 00:39:50,880

this conference i was at last weekend

1261

00:39:54,069 --> 00:39:51,760

that

1262

00:39:56,390 --> 00:39:54,079

so many more people are opening up to

1263

00:39:56,870 --> 00:39:56,400

this alternate reality that exists

1264

00:39:58,790 --> 00:39:56,880

that's

1265

00:40:00,230 --> 00:39:58,800

actually the real reality when really

1266

00:40:01,270 --> 00:40:00,240

everyone's been living in the fake

1267

00:40:03,030 --> 00:40:01,280

reality

1268

00:40:05,670 --> 00:40:03,040

for the most the 20th century at least

1269

00:40:08,790 --> 00:40:05,680

if they listen to the mainstream media

1270

00:40:11,190 --> 00:40:08,800

the 5g kill grid is one of my main

1271

00:40:12,630 --> 00:40:11,200

beefs with trump that it seems like his

1272

00:40:14,550 --> 00:40:12,640

administration is really

1273

00:40:15,910 --> 00:40:14,560

going full steam ahead with rolling out

1274

00:40:18,230 --> 00:40:15,920

this technology

1275

00:40:19,670 --> 00:40:18,240

and there are a lot of scientists that

1276

00:40:20,870 --> 00:40:19,680

are saying that

1277

00:40:22,390 --> 00:40:20,880

it's dangerous you know it's going to

1278

00:40:24,069 --> 00:40:22,400

give everyone cancer it's going to give

1279

00:40:25,670 --> 00:40:24,079

everyone mental problems and

1280

00:40:27,430 --> 00:40:25,680

can even like control people's minds

1281

00:40:29,589 --> 00:40:27,440

theoretically

1282

00:40:30,790 --> 00:40:29,599

so that's one of the points where i'm

1283

00:40:32,550 --> 00:40:30,800

like i don't know if

1284

00:40:34,309 --> 00:40:32,560

the tech industry is just more powerful

1285

00:40:35,670 --> 00:40:34,319

than the president and that's definitely

1286

00:40:38,390 --> 00:40:35,680

a possibility

1287

00:40:40,950 --> 00:40:38,400

but an interesting thing that happened

1288

00:40:42,870 --> 00:40:40,960

was this 5g summit at the white house

1289

00:40:44,230 --> 00:40:42,880

last september and it was during the

1290

00:40:46,950 --> 00:40:44,240

kavanaugh hearing

1291

00:40:48,550 --> 00:40:46,960

when there was all that drama with woman

1292

00:40:50,390 --> 00:40:48,560

ford and you know

1293

00:40:52,390 --> 00:40:50,400

so much [h__h] in the media which i

1294

00:40:53,910 --> 00:40:52,400

sort of have a way of just tuning out

1295

00:40:55,829 --> 00:40:53,920

you know whenever it's stories that i

1296

00:40:57,190 --> 00:40:55,839

know are just distraction and [h__h]

1297

00:40:59,030 --> 00:40:57,200

i'm like i don't even care

1298

00:41:00,950 --> 00:40:59,040

right you know it is big who becomes

1299

00:41:01,910 --> 00:41:00,960

supreme court but when is so much drama

1300

00:41:03,750 --> 00:41:01,920

over like

1301
00:41:06,150 --> 00:41:03,760
a high school party or whatever i'm like

1302
00:41:08,230 --> 00:41:06,160
this is obviously a distraction and the

1303
00:41:09,270 --> 00:41:08,240
5g summit was clearly what it was a

1304
00:41:12,309 --> 00:41:09,280
distraction of so

1305
00:41:14,390 --> 00:41:12,319
that weekend you had the arch of bow

1306
00:41:15,430 --> 00:41:14,400
reproduction erected on the national

1307
00:41:17,510 --> 00:41:15,440
mall

1308
00:41:19,270 --> 00:41:17,520
you had the kavanaugh hearings going on

1309
00:41:20,630 --> 00:41:19,280
and you had the 5g summit happening at

1310
00:41:22,309 --> 00:41:20,640
the white house

1311
00:41:25,109 --> 00:41:22,319
so it's a very interesting combination

1312
00:41:28,230 --> 00:41:25,119
of events you know maybe the 5g

1313
00:41:31,349 --> 00:41:28,240

is a way to repress the 5d

1314

00:41:32,710 --> 00:41:31,359

like these intergalactic or solar waves

1315

00:41:36,230 --> 00:41:32,720

coming to earth that are

1316

00:41:38,790 --> 00:41:36,240

wanting to make our consciousness expand

1317

00:41:40,309 --> 00:41:38,800

maybe the 5g is a way to keep it from

1318

00:41:42,230 --> 00:41:40,319

expanding

1319

00:41:43,910 --> 00:41:42,240

maybe they're building this 5g grid and

1320

00:41:45,910 --> 00:41:43,920

maybe can eventually

1321

00:41:47,510 --> 00:41:45,920

flip a switch so that the waves are not

1322

00:41:49,349 --> 00:41:47,520

really harmful anymore and are actually

1323

00:41:50,069 --> 00:41:49,359

maybe beneficial or useful that's sort

1324

00:41:52,230 --> 00:41:50,079

of

1325

00:41:54,309 --> 00:41:52,240

my fantasy hope like i don't exactly

1326

00:41:56,230 --> 00:41:54,319

think that's gonna happen but

1327

00:41:57,750 --> 00:41:56,240

i don't know it's really scary that

1328

00:41:58,790 --> 00:41:57,760

they're building this 5g grid and we

1329

00:41:59,829 --> 00:41:58,800

don't really know what it's going to do

1330

00:42:01,270 --> 00:41:59,839

to people's health

1331

00:42:03,270 --> 00:42:01,280

that's why part of the reason i left new

1332

00:42:04,870 --> 00:42:03,280

york was to escape the ubiquitous cell

1333

00:42:06,470 --> 00:42:04,880

phone towers everywhere

1334

00:42:08,150 --> 00:42:06,480

and even now in the suburbs of

1335

00:42:09,589 --> 00:42:08,160

cincinnati i kind of want to move even

1336

00:42:11,750 --> 00:42:09,599

further out to be

1337

00:42:14,950 --> 00:42:11,760

in like no cell phone reception area but

1338

00:42:17,910 --> 00:42:14,960

i do still want to have the internet

1339

00:42:18,390 --> 00:42:17,920

yeah slippery slope indeed so let's look

1340

00:42:21,030 --> 00:42:18,400

at

1341

00:42:23,270 --> 00:42:21,040

some other stuff i do love the cult of

1342

00:42:25,349 --> 00:42:23,280

bail map and i do want to ask you some

1343

00:42:26,550 --> 00:42:25,359

questions about it but you also sent me

1344

00:42:28,150 --> 00:42:26,560

your healing web

1345

00:42:29,910 --> 00:42:28,160

and even though this is still a work in

1346

00:42:30,550 --> 00:42:29,920

progress i wanted to talk about it a bit

1347

00:42:33,349 --> 00:42:30,560

because

1348

00:42:35,190 --> 00:42:33,359

you can dig into the elite saturnian

1349

00:42:36,150 --> 00:42:35,200

death cults of history until you're blue

1350

00:42:37,910 --> 00:42:36,160

in the face

1351
00:42:39,430 --> 00:42:37,920
and while it is good stuff to know about

1352
00:42:40,630 --> 00:42:39,440
i think we're at a point in the timeline

1353
00:42:42,790 --> 00:42:40,640
where solutions

1354
00:42:43,990 --> 00:42:42,800
should be the focus you know looking

1355
00:42:45,829 --> 00:42:44,000
forward rather than looking

1356
00:42:47,829 --> 00:42:45,839
back in a sense can you give us an

1357
00:42:50,150 --> 00:42:47,839
overview of this piece and what your

1358
00:42:52,230 --> 00:42:50,160
goals are with it

1359
00:42:54,150 --> 00:42:52,240
yeah so you know i have a lot of things

1360
00:42:55,750 --> 00:42:54,160
planned ideas in the works

1361
00:42:58,710 --> 00:42:55,760
and the healing web wasn't even one of

1362
00:42:59,030 --> 00:42:58,720
them but over thanksgiving i woke up one

1363
00:43:00,790 --> 00:42:59,040

day

1364

00:43:02,630 --> 00:43:00,800

and without even really thinking about

1365

00:43:04,309 --> 00:43:02,640

it i just went to my desk and did

1366

00:43:05,750 --> 00:43:04,319

basically like a hand-drawn version of

1367

00:43:08,150 --> 00:43:05,760

this healing web

1368

00:43:10,309 --> 00:43:08,160

where we have big pharma on the left

1369

00:43:13,270 --> 00:43:10,319

holistic medicine on the right

1370

00:43:14,710 --> 00:43:13,280

and a big list of symptoms in the middle

1371

00:43:16,230 --> 00:43:14,720

and i'm still trying to figure out how

1372

00:43:17,829 --> 00:43:16,240

to organize this it's kind of at this

1373

00:43:19,430 --> 00:43:17,839

point like a big twisted knot that i

1374

00:43:21,510 --> 00:43:19,440

need to figure out

1375

00:43:22,550 --> 00:43:21,520

how i'm going to have it make sense

1376

00:43:24,230 --> 00:43:22,560

because

1377

00:43:25,829 --> 00:43:24,240

i want to be able to tell people which

1378

00:43:28,390 --> 00:43:25,839

big pharma remedies might actually be

1379

00:43:30,150 --> 00:43:28,400

beneficial which ones are most likely

1380

00:43:31,910 --> 00:43:30,160

not going to work for you or like cause

1381

00:43:34,069 --> 00:43:31,920

more side effects

1382

00:43:35,910 --> 00:43:34,079

it's a complicated situation i mean your

1383

00:43:36,870 --> 00:43:35,920

question about how did i filter for the

1384

00:43:38,950 --> 00:43:36,880

q web

1385

00:43:40,630 --> 00:43:38,960

and how did i make everything make sense

1386

00:43:42,150 --> 00:43:40,640

and i said it was easy

1387

00:43:44,390 --> 00:43:42,160

yeah it was easy for conspiracies with

1388

00:43:45,910 --> 00:43:44,400

the healing web it's very subjective and

1389

00:43:47,190 --> 00:43:45,920

i'm having a hard time

1390

00:43:49,030 --> 00:43:47,200

trying to figure out which advice i

1391

00:43:50,550 --> 00:43:49,040

would really want to give people which

1392

00:43:52,390 --> 00:43:50,560

direction i want to send them in

1393

00:43:54,470 --> 00:43:52,400

oh yeah but you know i didn't even

1394

00:43:56,230 --> 00:43:54,480

realize like how much

1395

00:43:58,230 --> 00:43:56,240

knowledge i actually had of both

1396

00:43:58,950 --> 00:43:58,240

holistic medicine and big pharma before

1397

00:44:00,630 --> 00:43:58,960

i did this

1398

00:44:02,069 --> 00:44:00,640

but you know i don't want to get into my

1399

00:44:04,870 --> 00:44:02,079

own personal health

1400

00:44:06,309 --> 00:44:04,880

history too much but i had done

1401

00:44:07,510 --> 00:44:06,319

basically a lot of research in the

1402

00:44:09,270 --> 00:44:07,520

holistic area

1403

00:44:11,270 --> 00:44:09,280

you know it started for like simple

1404

00:44:13,349 --> 00:44:11,280

stuff like hair loss i had that as an

1405

00:44:15,030 --> 00:44:13,359

issue like from an early age and then

1406

00:44:17,589 --> 00:44:15,040

have had a few more you know more

1407

00:44:18,870 --> 00:44:17,599

serious things moving forward and

1408

00:44:20,870 --> 00:44:18,880

you know i'm actually just really

1409

00:44:22,230 --> 00:44:20,880

paranoid of cancer like i just really

1410

00:44:24,470 --> 00:44:22,240

want to be doing everything i can to

1411

00:44:26,950 --> 00:44:24,480

prevent cancer like any little

1412

00:44:28,390 --> 00:44:26,960

pain in my body or you know slight qualm

1413

00:44:29,270 --> 00:44:28,400

with my health i just assume i have

1414

00:44:31,190 --> 00:44:29,280

cancer so then

1415

00:44:33,030 --> 00:44:31,200

then i go on like you know anti-cancer

1416

00:44:34,390 --> 00:44:33,040

remedies even if i don't even really

1417

00:44:35,589 --> 00:44:34,400

need them but it's like i just don't

1418

00:44:37,510 --> 00:44:35,599

want to get to that point because i have

1419

00:44:39,589 --> 00:44:37,520

an aversion for ivs

1420

00:44:41,349 --> 00:44:39,599

and i just basically never want to end

1421

00:44:43,750 --> 00:44:41,359

up in the hospital for any reason

1422

00:44:45,510 --> 00:44:43,760

so i did have a lot of research already

1423

00:44:46,870 --> 00:44:45,520

on the health side of things and

1424

00:44:49,270 --> 00:44:46,880

one of the crazy things about this

1425

00:44:51,430 --> 00:44:49,280

project is that you know as i start new

1426

00:44:53,030 --> 00:44:51,440

endeavors i'm finding that

1427

00:44:54,390 --> 00:44:53,040

all this work i've done in the past that

1428

00:44:55,750 --> 00:44:54,400

i didn't really know what it was for or

1429

00:44:56,950 --> 00:44:55,760

where it was going like i'm actually

1430

00:44:59,030 --> 00:44:56,960

finding

1431

00:45:00,950 --> 00:44:59,040

use for it and so that's definitely

1432

00:45:02,069 --> 00:45:00,960

what's happened with the healing web is

1433

00:45:02,390 --> 00:45:02,079

that you know all these things i've

1434

00:45:03,990 --> 00:45:02,400

reached

1435

00:45:05,829 --> 00:45:04,000

i'm like oh i finally have a way to

1436

00:45:07,270 --> 00:45:05,839

share this with people and you know how

1437

00:45:09,109 --> 00:45:07,280

that makes sense

1438

00:45:11,109 --> 00:45:09,119

so it's definitely coming along like

1439

00:45:12,710 --> 00:45:11,119

there's going to be a section of like

1440

00:45:13,670 --> 00:45:12,720

antique remedies section of future

1441

00:45:18,069 --> 00:45:13,680

remedies

1442

00:45:19,670 --> 00:45:18,079

of like the history of western medicine

1443

00:45:20,790 --> 00:45:19,680

how we got to be where we are which is

1444

00:45:23,910 --> 00:45:20,800

basically

1445

00:45:25,510 --> 00:45:23,920

the rockefellers and the rothschilds and

1446

00:45:27,910 --> 00:45:25,520

what's the third one well it's not on

1447

00:45:29,670 --> 00:45:27,920

the web yet so i can't remember

1448

00:45:31,270 --> 00:45:29,680

but you know we're gonna list all the

1449

00:45:33,750 --> 00:45:31,280

government agencies that

1450

00:45:35,030 --> 00:45:33,760

give people like really [h__h] advice like

1451

00:45:37,910 --> 00:45:35,040

the american

1452

00:45:39,829 --> 00:45:37,920

heart association the cdc the nih the

1453

00:45:41,510 --> 00:45:39,839

fda the usda

1454

00:45:43,430 --> 00:45:41,520

the revolving door between those

1455

00:45:45,750 --> 00:45:43,440

agencies and big agra

1456

00:45:47,829 --> 00:45:45,760

monsanto so you know these corporate

1457

00:45:49,109 --> 00:45:47,839

executives get a job in the government

1458

00:45:50,630 --> 00:45:49,119

change the law so they can make more

1459

00:45:52,870 --> 00:45:50,640

money in the private sector then go back

1460

00:45:55,190 --> 00:45:52,880

to the private sector and make the money

1461

00:45:56,870 --> 00:45:55,200

so yeah our system is just so corrupt

1462

00:45:58,630 --> 00:45:56,880

it's not even funny

1463

00:46:01,589 --> 00:45:58,640

people don't see it this way but it's

1464

00:46:03,030 --> 00:46:01,599

really an ongoing genocide i mean almost

1465

00:46:05,030 --> 00:46:03,040

at like nazi

1466

00:46:06,390 --> 00:46:05,040

holocaust proportions with what's going

1467

00:46:09,589 --> 00:46:06,400

on in the health industry i mean

1468

00:46:11,510 --> 00:46:09,599

people do die but and you know we'd also

1469

00:46:12,710 --> 00:46:11,520

be in a situation of nobody was dying

1470

00:46:14,550 --> 00:46:12,720

and we were becoming more and more

1471

00:46:16,470 --> 00:46:14,560

overpopulated but

1472

00:46:17,829 --> 00:46:16,480

you know we've got to figure out a

1473

00:46:20,069 --> 00:46:17,839

better solution than just tricking

1474

00:46:22,630 --> 00:46:20,079

people into killing themselves with

1475

00:46:24,069 --> 00:46:22,640

[h__\h] food and cancer it's just a

1476

00:46:25,829 --> 00:46:24,079

horrible way to die like i don't want to

1477

00:46:27,670 --> 00:46:25,839

die in a hospital connected to an iv

1478

00:46:29,190 --> 00:46:27,680

from cancer so that's my main goal

1479

00:46:31,750 --> 00:46:29,200

with the healing web for myself and for

1480

00:46:34,069 --> 00:46:31,760

everyone else it's interesting that you

1481

00:46:36,470 --> 00:46:34,079

say that about cancer of course it's a

1482

00:46:37,109 --> 00:46:36,480

major factor in the world today and i

1483

00:46:40,950 --> 00:46:37,119

also

1484

00:46:42,470 --> 00:46:40,960

have i guess a bit of paranoia about it

1485

00:46:45,349 --> 00:46:42,480

it's hard not to

1486

00:46:47,910 --> 00:46:45,359

but i also feel quite confident that of

1487

00:46:50,710 --> 00:46:47,920

all the conditions that are out there

1488

00:46:52,150 --> 00:46:50,720

i've digested enough about suppressed

1489

00:46:54,069 --> 00:46:52,160

cancer cures

1490

00:46:55,750 --> 00:46:54,079

that i feel all right i'd probably just

1491

00:46:56,069 --> 00:46:55,760

go down to the gerson institute and

1492

00:46:58,470 --> 00:46:56,079

start

1493

00:47:00,309 --> 00:46:58,480

living on juice smoothies until i'm

1494

00:47:02,390 --> 00:47:00,319

fixed and smoking weed and

1495

00:47:04,230 --> 00:47:02,400

uh doing the whole well i mean you know

1496

00:47:05,270 --> 00:47:04,240

maybe i'm pretty guarded already maybe i

1497

00:47:07,430 --> 00:47:05,280

developed that

1498

00:47:09,430 --> 00:47:07,440

a little bit of armor but you know the

1499

00:47:10,470 --> 00:47:09,440

rick simpson oil type stuff i don't know

1500

00:47:13,430 --> 00:47:10,480

i just feel like

1501
00:47:14,630 --> 00:47:13,440
for a lot of conditions that's an easy

1502
00:47:17,109 --> 00:47:14,640
one to fix

1503
00:47:18,550 --> 00:47:17,119
it sounds crazy to say that but i mean

1504
00:47:21,510 --> 00:47:18,560
there's gotta be

1505
00:47:22,870 --> 00:47:21,520
at least eight to twelve alternative

1506
00:47:25,109 --> 00:47:22,880
cancer cures that have

1507
00:47:26,309 --> 00:47:25,119
a really good track record yeah i mean

1508
00:47:27,910 --> 00:47:26,319
there's really so many

1509
00:47:29,750 --> 00:47:27,920
that the main problem is trying to

1510
00:47:32,069 --> 00:47:29,760
decide which one or

1511
00:47:33,910 --> 00:47:32,079
to do all of them at the same time i'm

1512
00:47:35,910 --> 00:47:33,920
going to try coffee animals last

1513
00:47:37,670 --> 00:47:35,920

probably yeah i've done that before and

1514

00:47:39,270 --> 00:47:37,680

it's not fun that'll give you

1515

00:47:42,390 --> 00:47:39,280

like the squirts for the rest of the day

1516

00:47:43,910 --> 00:47:42,400

but you know it depends on the person

1517

00:47:45,750 --> 00:47:43,920

but yeah there's a lot of options but

1518

00:47:47,190 --> 00:47:45,760

like the crazy thing is that

1519

00:47:48,630 --> 00:47:47,200

you got to go to like mexico or

1520

00:47:50,069 --> 00:47:48,640

something to really do it and like

1521

00:47:52,309 --> 00:47:50,079

that's a big commitment especially for

1522

00:47:53,910 --> 00:47:52,319

someone that doesn't have a lot of money

1523

00:47:55,190 --> 00:47:53,920

i was in new york when i was like trying

1524

00:47:56,230 --> 00:47:55,200

some of these cancer remedies like i

1525

00:47:58,069 --> 00:47:56,240

didn't have cancer but i was like

1526

00:48:00,870 --> 00:47:58,079

assuming i did

1527

00:48:02,790 --> 00:48:00,880

and you know there's just not options in

1528

00:48:04,069 --> 00:48:02,800

the united states and

1529

00:48:06,630 --> 00:48:04,079

one of the things i found since i

1530

00:48:09,430 --> 00:48:06,640

started working on this healing web

1531

00:48:10,950 --> 00:48:09,440

was an institute in i think they have

1532

00:48:13,589 --> 00:48:10,960

two in mexico

1533

00:48:15,430 --> 00:48:13,599

gerson probably well you know that's a

1534

00:48:17,829 --> 00:48:15,440

therapy this was like a facility

1535

00:48:19,670 --> 00:48:17,839

oh and i found their website and it's

1536

00:48:21,270 --> 00:48:19,680

like they did every different type of

1537

00:48:22,470 --> 00:48:21,280

cancer therapy you can imagine all of

1538

00:48:24,230 --> 00:48:22,480

this one facility

1539

00:48:25,910 --> 00:48:24,240

but it was in mexico and it's just like

1540

00:48:28,069 --> 00:48:25,920

why don't we have this in the usa like

1541

00:48:29,750 --> 00:48:28,079

it's so [h__h] up that like

1542

00:48:31,190 --> 00:48:29,760

i mean trump even did pass this like

1543

00:48:34,549 --> 00:48:31,200

right to try act

1544

00:48:36,309 --> 00:48:34,559

for people to try medicine

1545

00:48:37,589 --> 00:48:36,319

for issues but it's like well you have

1546

00:48:39,750 --> 00:48:37,599

the right to try but we don't have a

1547

00:48:41,750 --> 00:48:39,760

single one of these like alternative

1548

00:48:43,109 --> 00:48:41,760

clinics like in the united states so

1549

00:48:45,349 --> 00:48:43,119

it's kind of [h__h]

1550

00:48:47,750 --> 00:48:45,359

individuals have the right to try but

1551

00:48:48,230 --> 00:48:47,760

the medical side does not have the right

1552

00:48:50,390 --> 00:48:48,240

to

1553

00:48:52,950 --> 00:48:50,400

distribute yeah like you have the right

1554

00:48:55,109 --> 00:48:52,960

to go to mexico like thanks

1555

00:48:56,630 --> 00:48:55,119

i guess i take that for granted being 20

1556

00:48:58,470 --> 00:48:56,640

minutes from the border but

1557

00:49:00,790 --> 00:48:58,480

it's you're right it is a bigger deal

1558

00:49:03,589 --> 00:49:00,800

for people in say ohio

1559

00:49:05,270 --> 00:49:03,599

yeah or new york so yeah i definitely

1560

00:49:07,030 --> 00:49:05,280

want to get to the point where we have

1561

00:49:08,549 --> 00:49:07,040

these options available to people in the

1562

00:49:10,150 --> 00:49:08,559

united states i think it's really

1563

00:49:11,910 --> 00:49:10,160

part of the genocide that these are not

1564

00:49:13,510 --> 00:49:11,920

available to people

1565

00:49:15,589 --> 00:49:13,520

yeah and i do like that you mentioned

1566

00:49:17,589 --> 00:49:15,599

with this one that it came as a sort of

1567

00:49:19,030 --> 00:49:17,599

flash of inspiration which i think is

1568

00:49:21,349 --> 00:49:19,040

how the best art

1569

00:49:22,630 --> 00:49:21,359

comes into being uh it's an interesting

1570

00:49:25,829 --> 00:49:22,640

phenomenon that seems to

1571

00:49:26,790 --> 00:49:25,839

occur across all parts of the creative

1572

00:49:29,990 --> 00:49:26,800

spectrum

1573

00:49:32,470 --> 00:49:30,000

but on this particular piece

1574

00:49:33,910 --> 00:49:32,480

one area i found interesting and of

1575

00:49:34,470 --> 00:49:33,920

course you said it's a work in progress

1576

00:49:37,670 --> 00:49:34,480

but you have

1577

00:49:39,829 --> 00:49:37,680

autism and it looks on the map to be

1578

00:49:42,390 --> 00:49:39,839

linked with caffeine tobacco and high

1579

00:49:45,109 --> 00:49:42,400

fructose corn syrup via the red line

1580

00:49:46,309 --> 00:49:45,119

oh you know what that got messed up

1581

00:49:47,589 --> 00:49:46,319

because

1582

00:49:48,950 --> 00:49:47,599

i'm still trying to figure out how to do

1583

00:49:50,150 --> 00:49:48,960

the highlighting should that be

1584

00:49:52,950 --> 00:49:50,160

addiction probably

1585

00:49:54,549 --> 00:49:52,960

yeah the red was attached to addiction

1586

00:49:55,750 --> 00:49:54,559

and then i shifted everything up because

1587

00:49:57,670 --> 00:49:55,760

i added another symptom

1588

00:49:59,030 --> 00:49:57,680

so yeah it's really preliminary

1589

00:50:01,030 --> 00:49:59,040

especially the color

1590

00:50:02,870 --> 00:50:01,040

that makes perfect sense because i was

1591

00:50:04,390 --> 00:50:02,880

like oh i looked above and i'm like oh

1592

00:50:06,309 --> 00:50:04,400

addiction yeah that would be

1593

00:50:08,309 --> 00:50:06,319

caffeine tobacco high fructose corn

1594

00:50:09,990 --> 00:50:08,319

syrup yeah but what is going to get

1595

00:50:12,870 --> 00:50:10,000

confusing is a lot of the

1596

00:50:14,470 --> 00:50:12,880

symptoms for example physical trauma if

1597

00:50:16,069 --> 00:50:14,480

you go to the big pharma

1598

00:50:17,510 --> 00:50:16,079

remedy for that you're going to get

1599

00:50:18,870 --> 00:50:17,520

prescribed opiates and then that's going

1600

00:50:21,349 --> 00:50:18,880

to lead back to

1601
00:50:23,109 --> 00:50:21,359
addiction which is another symptom so

1602
00:50:24,309 --> 00:50:23,119
the big pharma side of things is kind of

1603
00:50:26,150 --> 00:50:24,319
going to end up being i think like

1604
00:50:27,510 --> 00:50:26,160
circles leading back to the main column

1605
00:50:30,150 --> 00:50:27,520
of symptoms

1606
00:50:30,950 --> 00:50:30,160
whereas the holistic side you actually

1607
00:50:32,630 --> 00:50:30,960
end up

1608
00:50:34,069 --> 00:50:32,640
curing and ending whatever issue you're

1609
00:50:36,630 --> 00:50:34,079
going to have

1610
00:50:37,750 --> 00:50:36,640
i think people would be really shocked

1611
00:50:39,910 --> 00:50:37,760
to

1612
00:50:41,910 --> 00:50:39,920
discover how potent some of this stuff

1613
00:50:43,270 --> 00:50:41,920

is the propaganda is that all these

1614

00:50:46,470 --> 00:50:43,280

natural remedies

1615

00:50:48,309 --> 00:50:46,480

yeah that was the old mild weak stuff

1616

00:50:49,910 --> 00:50:48,319

and now we got the chemicals that really

1617

00:50:52,150 --> 00:50:49,920

do the job and it's like i

1618

00:50:54,470 --> 00:50:52,160

i can think of several personal examples

1619

00:50:57,270 --> 00:50:54,480

in my small circle of people who have

1620

00:50:58,150 --> 00:50:57,280

ventured into holistic solutions to

1621

00:51:01,190 --> 00:50:58,160

their problems

1622

00:51:02,950 --> 00:51:01,200

and it's pretty mind-blowing how quick

1623

00:51:04,309 --> 00:51:02,960

and effective they really are and why

1624

00:51:06,630 --> 00:51:04,319

wouldn't they be they come from the

1625

00:51:09,190 --> 00:51:06,640

earth these things like ginger even

1626
00:51:09,910 --> 00:51:09,200
so complex like we really haven't mapped

1627
00:51:13,109 --> 00:51:09,920
out

1628
00:51:15,190 --> 00:51:13,119
every single thing within the

1629
00:51:16,790 --> 00:51:15,200
the soup in which a lot of these things

1630
00:51:19,190 --> 00:51:16,800
that come from the earth are made up of

1631
00:51:21,670 --> 00:51:19,200
i mean cannabis for example it's got

1632
00:51:23,750 --> 00:51:21,680
so many cannabinoids that haven't even

1633
00:51:25,829 --> 00:51:23,760
been cataloged and there's receptors for

1634
00:51:28,870 --> 00:51:25,839
them in the brain well

1635
00:51:31,030 --> 00:51:28,880
this is probably pretty important

1636
00:51:31,910 --> 00:51:31,040
that kind of stuff one of my personal

1637
00:51:35,190 --> 00:51:31,920
earliest

1638
00:51:35,990 --> 00:51:35,200

revelations in terms of why hasn't big

1639

00:51:38,710 --> 00:51:36,000

pharma told me about

1640

00:51:40,150 --> 00:51:38,720

this before was in new york every time i

1641

00:51:40,790 --> 00:51:40,160

would get a cold i would get a sinus

1642

00:51:42,230 --> 00:51:40,800

infection

1643

00:51:43,829 --> 00:51:42,240

and like i think i have a deviated

1644

00:51:46,150 --> 00:51:43,839

septum so

1645

00:51:47,589 --> 00:51:46,160

i had been on antibiotics so many times

1646

00:51:48,630 --> 00:51:47,599

for these sinus infections every time i

1647

00:51:51,510 --> 00:51:48,640

got a cold

1648

00:51:53,589 --> 00:51:51,520

and then very late like you know five or

1649

00:51:55,510 --> 00:51:53,599

six years into living in new york

1650

00:51:57,190 --> 00:51:55,520

i found out about the neti pot which is

1651
00:51:58,870 --> 00:51:57,200
this nasal irrigation if you've heard of

1652
00:51:59,430 --> 00:51:58,880
it you just basically put salt water in

1653
00:52:01,109 --> 00:51:59,440
a little

1654
00:52:03,109 --> 00:52:01,119
teapot and pour it through one side of

1655
00:52:04,790 --> 00:52:03,119
the nose to the other and i haven't had

1656
00:52:06,630 --> 00:52:04,800
a sinus infection i've needed

1657
00:52:08,790 --> 00:52:06,640
antibiotics for since and it's just like

1658
00:52:10,549 --> 00:52:08,800
why didn't my doctors ever tell me about

1659
00:52:12,069 --> 00:52:10,559
this simple solution

1660
00:52:13,910 --> 00:52:12,079
instead of putting me on all these

1661
00:52:15,750 --> 00:52:13,920
antibiotics over and over again

1662
00:52:17,109 --> 00:52:15,760
and you know it got to the point where

1663
00:52:17,990 --> 00:52:17,119

you know if the antibiotics didn't work

1664

00:52:19,990 --> 00:52:18,000

i was gonna have to have

1665

00:52:21,430 --> 00:52:20,000

surgery on my nose and it's just like

1666

00:52:22,870 --> 00:52:21,440

they're gonna give me surgery before

1667

00:52:25,349 --> 00:52:22,880

they tell me about literally like

1668

00:52:27,270 --> 00:52:25,359

rinsing my nose with salt water

1669

00:52:28,870 --> 00:52:27,280

so it's [h__h] up and i heard about it

1670

00:52:31,589 --> 00:52:28,880

from some random place

1671

00:52:33,349 --> 00:52:31,599

definitely wasn't from the doctor so i

1672

00:52:35,349 --> 00:52:33,359

think this web is gonna like

1673

00:52:37,109 --> 00:52:35,359

blow people's mind if they have issues

1674

00:52:39,349 --> 00:52:37,119

and they find this remedy

1675

00:52:41,190 --> 00:52:39,359

that's the perfect holistic remedy that

1676
00:52:42,630 --> 00:52:41,200
helps cure the issue so much better than

1677
00:52:43,349 --> 00:52:42,640
the big pharma remedies that are on the

1678
00:52:45,829 --> 00:52:43,359
table

1679
00:52:47,430 --> 00:52:45,839
yeah yeah this is an important one and

1680
00:52:49,829 --> 00:52:47,440
just to touch on one other

1681
00:52:52,549 --> 00:52:49,839
section you mentioned hair loss earlier

1682
00:52:55,750 --> 00:52:52,559
uh i have a little bit of an interest in

1683
00:52:58,069 --> 00:52:55,760
correcting hair loss i gotta say but

1684
00:53:00,309 --> 00:52:58,079
obviously we know the big pharmacist you

1685
00:53:01,670 --> 00:53:00,319
got rogain propecia hair transplant

1686
00:53:04,790 --> 00:53:01,680
these chemicals and

1687
00:53:07,750 --> 00:53:04,800
surgical type things but on the holistic

1688
00:53:08,230 --> 00:53:07,760

side you have something called he shoo

1689

00:53:11,190 --> 00:53:08,240

woo

1690

00:53:12,470 --> 00:53:11,200

what's that so i've gotta say like i've

1691

00:53:13,670 --> 00:53:12,480

tried all the hair lost remedies and

1692

00:53:15,589 --> 00:53:13,680

none of them worked i think it is

1693

00:53:17,829 --> 00:53:15,599

partially genetic

1694

00:53:18,710 --> 00:53:17,839

but it's also partially diet but he show

1695

00:53:20,549 --> 00:53:18,720

woo

1696

00:53:21,910 --> 00:53:20,559

is when i researched hair loss one of

1697

00:53:24,150 --> 00:53:21,920

the main herbs

1698

00:53:25,990 --> 00:53:24,160

that's like a chinese herb that chinese

1699

00:53:28,390 --> 00:53:26,000

people suggest for hair loss

1700

00:53:29,829 --> 00:53:28,400

so actually i think the name of it

1701

00:53:30,790 --> 00:53:29,839

actually means like black hair it's

1702

00:53:33,910 --> 00:53:30,800

definitely good for

1703

00:53:35,190 --> 00:53:33,920

turning gray hair black again so that's

1704

00:53:37,190 --> 00:53:35,200

what chinese people use it for and it's

1705

00:53:38,870 --> 00:53:37,200

supposed to be good for growing hair

1706

00:53:40,549 --> 00:53:38,880

but i haven't found like the perfect

1707

00:53:41,589 --> 00:53:40,559

remedy for hair loss yet still work on

1708

00:53:43,829 --> 00:53:41,599

that one

1709

00:53:46,069 --> 00:53:43,839

but there's a lot of stuff to try

1710

00:53:47,349 --> 00:53:46,079

definitely biotin i need to add biotin

1711

00:53:48,150 --> 00:53:47,359

actually that just helps hair grow

1712

00:53:51,190 --> 00:53:48,160

faster

1713

00:53:53,589 --> 00:53:51,200

oh sweet yeah i could really care less

1714

00:53:54,790 --> 00:53:53,599

if my hair is sea foam green or pink i

1715

00:53:56,950 --> 00:53:54,800

just want it

1716

00:53:59,030 --> 00:53:56,960

i could care less what color it is but

1717

00:54:01,910 --> 00:53:59,040

man yeah i just think that is a really

1718

00:54:03,190 --> 00:54:01,920

interesting piece i'm excited to see it

1719

00:54:06,309 --> 00:54:03,200

complete

1720

00:54:09,030 --> 00:54:06,319

hey well this has been a lot of fun man

1721

00:54:12,069 --> 00:54:09,040

i am just really really impressed with

1722

00:54:13,910 --> 00:54:12,079

these pieces these posters

1723

00:54:15,910 --> 00:54:13,920

great great stuff i've had a lot of fun

1724

00:54:18,470 --> 00:54:15,920

talking to you obviously we're

1725

00:54:20,069 --> 00:54:18,480

throwing out a lot of stuff and just

1726
00:54:22,829 --> 00:54:20,079
having a good time but

1727
00:54:24,390 --> 00:54:22,839
before we go remind the people of your

1728
00:54:27,349 --> 00:54:24,400
websites and just

1729
00:54:29,230 --> 00:54:27,359
where you'd like to direct them so the

1730
00:54:30,870 --> 00:54:29,240
main website is

1731
00:54:32,470 --> 00:54:30,880
deepstatemappingproject.com

1732
00:54:34,309 --> 00:54:32,480
we've got the free downloads there of

1733
00:54:35,829 --> 00:54:34,319
all my diagrams high res

1734
00:54:37,750 --> 00:54:35,839
which they're meant for eight and a half

1735
00:54:39,190 --> 00:54:37,760
by eleven but they're high enough

1736
00:54:40,870 --> 00:54:39,200
whereas you could even blow them up even

1737
00:54:42,309 --> 00:54:40,880
bigger if you wanted to but i also sell

1738
00:54:42,870 --> 00:54:42,319

the posters you know i would encourage

1739

00:54:45,430 --> 00:54:42,880

you

1740

00:54:46,789 --> 00:54:45,440

to get the posters to support the work

1741

00:54:47,510 --> 00:54:46,799

i'm kind of surviving on the bare

1742

00:54:49,829 --> 00:54:47,520

minimum here

1743

00:54:51,349 --> 00:54:49,839

because i'm working with the company

1744

00:54:51,990 --> 00:54:51,359

that does the printing and the shipping

1745

00:54:53,430 --> 00:54:52,000

and they're taking

1746

00:54:55,030 --> 00:54:53,440

most of the cut right now but i'm

1747

00:54:56,710 --> 00:54:55,040

working on actually making it more of

1748

00:54:58,549 --> 00:54:56,720

like an independent business

1749

00:55:01,030 --> 00:54:58,559

with stock so right now it's all printed

1750

00:55:01,589 --> 00:55:01,040

on demand but anyway so yeah support if

1751
00:55:03,270 --> 00:55:01,599
you can

1752
00:55:04,789 --> 00:55:03,280
if you could support on patreon as well

1753
00:55:06,950 --> 00:55:04,799
that'd be awesome

1754
00:55:08,630 --> 00:55:06,960
my main instagram account is master

1755
00:55:09,430 --> 00:55:08,640
conspiracy well it's my only instagram

1756
00:55:10,870 --> 00:55:09,440
account

1757
00:55:12,470 --> 00:55:10,880
definitely follow that because i've got

1758
00:55:14,710 --> 00:55:12,480
all the memes that i do

1759
00:55:16,710 --> 00:55:14,720
it's like become such a huge part of my

1760
00:55:18,470 --> 00:55:16,720
work is the memes

1761
00:55:21,270 --> 00:55:18,480
so i'm gaining followers there it's been

1762
00:55:22,069 --> 00:55:21,280
a big year of growth there in instagram

1763
00:55:24,789 --> 00:55:22,079

land

1764

00:55:26,230 --> 00:55:24,799

and then on facebook i have a group deep

1765

00:55:28,390 --> 00:55:26,240

state mapping project that's

1766

00:55:29,349 --> 00:55:28,400

sort of the idea for that is to combine

1767

00:55:31,670 --> 00:55:29,359

people's

1768

00:55:33,190 --> 00:55:31,680

research efforts share articles you know

1769

00:55:34,950 --> 00:55:33,200

feed me information that will help me

1770

00:55:36,710 --> 00:55:34,960

with these diagrams

1771

00:55:38,390 --> 00:55:36,720

and all those platforms will be like the

1772

00:55:40,950 --> 00:55:38,400

first place to find

1773

00:55:42,950 --> 00:55:40,960

information if i release something new

1774

00:55:44,549 --> 00:55:42,960

or if i do an update so these things are

1775

00:55:45,670 --> 00:55:44,559

being updated pretty frequently so

1776

00:55:46,829 --> 00:55:45,680

definitely always

1777

00:55:48,309 --> 00:55:46,839

check back to

1778

00:55:50,950 --> 00:55:48,319

deepstatemappingproject.com to find the

1779

00:55:52,829 --> 00:55:50,960

most updated file in the downloads there

1780

00:55:54,630 --> 00:55:52,839

and i also want to mention on

1781

00:55:57,829 --> 00:55:54,640

deepstatemappingproject.com

1782

00:55:59,670 --> 00:55:57,839

in the info section will lead you to

1783

00:56:01,349 --> 00:55:59,680

specific pages i've created for these

1784

00:56:03,670 --> 00:56:01,359

individual diagrams

1785

00:56:04,870 --> 00:56:03,680

that contain reference images like i

1786

00:56:06,230 --> 00:56:04,880

said for the cult of bail the

1787

00:56:08,549 --> 00:56:06,240

bibliography

1788

00:56:09,750 --> 00:56:08,559

it shows some of the development process

1789

00:56:11,750 --> 00:56:09,760

so you know i do so

1790

00:56:13,270 --> 00:56:11,760

the washington post still says the

1791

00:56:14,870 --> 00:56:13,280

person who claims to have created the

1792

00:56:16,390 --> 00:56:14,880

queue up like no like i have proof like

1793

00:56:18,870 --> 00:56:16,400

i created this

1794

00:56:20,309 --> 00:56:18,880

i have all the previous versions so yeah

1795

00:56:20,630 --> 00:56:20,319

you can just see the process which i

1796

00:56:22,309 --> 00:56:20,640

think

1797

00:56:23,430 --> 00:56:22,319

a lot of people do find very interesting

1798

00:56:24,710 --> 00:56:23,440

because you know everyone's first

1799

00:56:25,990 --> 00:56:24,720

question is how long did it take you to

1800

00:56:27,510 --> 00:56:26,000

make this and then

1801
00:56:29,030 --> 00:56:27,520
i think people are just overwhelmed a

1802
00:56:29,990 --> 00:56:29,040
little bit but like how anyone actually

1803
00:56:31,990 --> 00:56:30,000
did make this and

1804
00:56:33,670 --> 00:56:32,000
squeeze it all together and you can kind

1805
00:56:35,349 --> 00:56:33,680
of see the process that you know it

1806
00:56:37,910 --> 00:56:35,359
started off really ugly and sloppy and

1807
00:56:39,750 --> 00:56:37,920
then just got refined refined refined

1808
00:56:41,910 --> 00:56:39,760
and you know it's you know human did

1809
00:56:43,589 --> 00:56:41,920
make this

1810
00:56:45,510 --> 00:56:43,599
so yeah just check out the website check

1811
00:56:47,190 --> 00:56:45,520
out the info section we've got posters

1812
00:56:48,710 --> 00:56:47,200
t-shirts

1813
00:56:51,030 --> 00:56:48,720

the website's looking good like people

1814

00:56:54,710 --> 00:56:51,040

are really digging the products

1815

00:56:57,030 --> 00:56:54,720

um yes you graciously do offer the pdf

1816

00:56:57,990 --> 00:56:57,040

files to be downloaded for free and then

1817

00:57:00,230 --> 00:56:58,000

you sell the higher

1818

00:57:01,349 --> 00:57:00,240

level merch that fans can purchase to

1819

00:57:04,470 --> 00:57:01,359

actually support you

1820

00:57:06,710 --> 00:57:04,480

the shirts look great and i'm definitely

1821

00:57:08,710 --> 00:57:06,720

going to be picking up a couple of these

1822

00:57:11,030 --> 00:57:08,720

posters they need to be in my office for

1823

00:57:13,589 --> 00:57:11,040

reference i'm always trying to do these

1824

00:57:14,230 --> 00:57:13,599

long wordy introductions and go through

1825

00:57:17,510 --> 00:57:14,240

these big

1826
00:57:18,630 --> 00:57:17,520
series of groupings and i need something

1827
00:57:21,349 --> 00:57:18,640
to look up at

1828
00:57:23,589 --> 00:57:21,359
so i can just throw out some of those

1829
00:57:24,950 --> 00:57:23,599
terms in my word soup you know so i

1830
00:57:26,870 --> 00:57:24,960
think it's great

1831
00:57:29,030 --> 00:57:26,880
it really helps with dates is the main

1832
00:57:32,069 --> 00:57:29,040
thing to remember the dates of different

1833
00:57:33,349 --> 00:57:32,079
events for people's death whatnot

1834
00:57:35,349 --> 00:57:33,359
and i just want to add in if you're

1835
00:57:37,430 --> 00:57:35,359
going to download the pdfs you know i

1836
00:57:38,950 --> 00:57:37,440
definitely encourage people to print out

1837
00:57:40,630 --> 00:57:38,960
as many copies as you want

1838
00:57:43,109 --> 00:57:40,640

give them to your friends red pill

1839

00:57:44,870 --> 00:57:43,119

people print it out two-sided with

1840

00:57:47,349 --> 00:57:44,880

the little essay on the back and it

1841

00:57:50,069 --> 00:57:47,359

shows the chronology of the timeline

1842

00:57:51,510 --> 00:57:50,079

and it's an ideal tool to red pill it's

1843

00:57:52,870 --> 00:57:51,520

kind of what the whole premise of this

1844

00:57:56,230 --> 00:57:52,880

entire diagram was

1845

00:57:58,950 --> 00:57:56,240

red pilling the masses i agree

1846

00:58:00,470 --> 00:57:58,960

let's put them all over and start with

1847

00:58:03,190 --> 00:58:00,480

the cube the cult of bill is like

1848

00:58:04,950 --> 00:58:03,200

next level advanced yeah that's a little

1849

00:58:06,710 --> 00:58:04,960

deep you don't want to break people's

1850

00:58:09,270 --> 00:58:06,720

brain with that right off the bat

1851
00:58:09,750 --> 00:58:09,280
exactly and i even have a mini version

1852
00:58:11,589 --> 00:58:09,760
of the q

1853
00:58:13,109 --> 00:58:11,599
up that's a five inch flyer that you

1854
00:58:14,470 --> 00:58:13,119
printed out basically two

1855
00:58:17,109 --> 00:58:14,480
to an eight and a half by eleven piece

1856
00:58:18,309 --> 00:58:17,119
of paper and that's even more ideal for

1857
00:58:21,190 --> 00:58:18,319
red pilling people who are

1858
00:58:21,990 --> 00:58:21,200
even less woke than to handle the q web

1859
00:58:24,230 --> 00:58:22,000
very cool man

1860
00:58:25,349 --> 00:58:24,240
you've got multiple strategies of

1861
00:58:27,670 --> 00:58:25,359
delivery

1862
00:58:29,030 --> 00:58:27,680
and i love it good on you well thanks

1863
00:58:31,750 --> 00:58:29,040

for spending the time with me

1864

00:58:32,789 --> 00:58:31,760

and keep using your talents for good

1865

00:58:34,829 --> 00:58:32,799

stay out of that

1866

00:58:37,990 --> 00:58:34,839

new york fashion scene and take care out

1867

00:58:40,789 --> 00:58:38,000

there oh i'm way out of it i'll be good

1868

00:58:42,150 --> 00:58:40,799

in my bunker in cincinnati bunkered up

1869

00:58:43,750 --> 00:58:42,160

only way to be

1870

00:58:47,510 --> 00:58:43,760

all right well thanks for having me you

1871

00:58:51,750 --> 00:58:49,430

well rock me like a hurricane higher

1872

00:58:55,030 --> 00:58:51,760

side chatters dylan lewis monroe

1873

00:58:57,670 --> 00:58:55,040

bring in the heat you know i try to

1874

00:58:59,349 --> 00:58:57,680

go to creative places to get interesting

1875

00:59:01,510 --> 00:58:59,359

interviews and so

1876

00:59:03,349 --> 00:59:01,520

we did go off the beaten path a little

1877

00:59:05,349 --> 00:59:03,359

bit today with this one

1878

00:59:07,109 --> 00:59:05,359

and really the whole point of this

1879

00:59:09,030 --> 00:59:07,119

episode is just to present you with

1880

00:59:11,829 --> 00:59:09,040

dylan's art i found it that

1881

00:59:13,510 --> 00:59:11,839

impressive check it out at the links in

1882

00:59:15,349 --> 00:59:13,520

the show notes

1883

00:59:17,030 --> 00:59:15,359

of course the artwork image for this

1884

00:59:18,549 --> 00:59:17,040

episode should give you an idea because

1885

00:59:21,750 --> 00:59:18,559

it is a small portion

1886

00:59:24,309 --> 00:59:21,760

of the q web map and you know i wasn't

1887

00:59:26,069 --> 00:59:24,319

in love with the q anon association when

1888

00:59:27,829 --> 00:59:26,079

i first heard about his work

1889

00:59:29,670 --> 00:59:27,839

but i'm glad that came up quickly in the

1890

00:59:32,789 --> 00:59:29,680

show we could move past it

1891

00:59:34,390 --> 00:59:32,799

because again 95 of this information is

1892

00:59:37,829 --> 00:59:34,400

pre-trump

1893

00:59:40,069 --> 00:59:37,839

so maybe let's not over associate him

1894

00:59:41,270 --> 00:59:40,079

with it but we did mention that

1895

00:59:45,349 --> 00:59:41,280

executive order

1896

00:59:46,069 --> 00:59:45,359

on 12 21 17 freezing the assets of

1897

00:59:49,270 --> 00:59:46,079

people involved

1898

00:59:49,910 --> 00:59:49,280

with human trafficking exactly five

1899

00:59:53,109 --> 00:59:49,920

years

1900

00:59:53,750 --> 00:59:53,119

after this great awakening from december

1901
00:59:57,109 --> 00:59:53,760
21st

1902
01:00:00,309 --> 00:59:57,119
2012 strange alignment there

1903
01:00:03,430 --> 01:00:00,319
maybe the energy is changing

1904
01:00:05,670 --> 01:00:03,440
maybe the space weather is ramping up

1905
01:00:07,990 --> 01:00:05,680
what do i know but i was pretty sure

1906
01:00:10,870 --> 01:00:08,000
this was going to be more of a grab bag

1907
01:00:12,069 --> 01:00:10,880
conversation a conspiracy mad libs all

1908
01:00:15,750 --> 01:00:12,079
over the place

1909
01:00:17,349 --> 01:00:15,760
sort of show i like that once in a while

1910
01:00:19,270 --> 01:00:17,359
and i thought some interesting ideas

1911
01:00:21,510 --> 01:00:19,280
came up for sure

1912
01:00:22,789 --> 01:00:21,520
but dylan is an artist more than a

1913
01:00:24,789 --> 01:00:22,799

researcher

1914

01:00:26,230 --> 01:00:24,799

of course the worlds have to overlap a

1915

01:00:27,430 --> 01:00:26,240

little bit when you're doing a project

1916

01:00:29,670 --> 01:00:27,440

like this

1917

01:00:33,030 --> 01:00:29,680

but sometimes we're digging in deep for

1918

01:00:35,430 --> 01:00:33,040

two hours on one subject or one event

1919

01:00:38,230 --> 01:00:35,440

and other times we're broadly discussing

1920

01:00:39,829 --> 01:00:38,240

5 000 years of death cult culture

1921

01:00:41,430 --> 01:00:39,839

and the long-standing yokes of

1922

01:00:43,910 --> 01:00:41,440

oppression and mind control

1923

01:00:44,470 --> 01:00:43,920

it is the nature of the game and i know

1924

01:00:46,710 --> 01:00:44,480

i will

1925

01:00:49,030 --> 01:00:46,720

definitely be hanging dylan's work in

1926

01:00:51,190 --> 01:00:49,040

the thc studio somewhere

1927

01:00:53,190 --> 01:00:51,200

i really appreciate his time and also

1928

01:00:55,349 --> 01:00:53,200

big thanks to the folks who came out

1929

01:00:58,069 --> 01:00:55,359

to sam tripoli's show at the comedy

1930

01:01:01,190 --> 01:00:58,079

store this week where i was his guest

1931

01:01:04,150 --> 01:01:01,200

i have such a deep love and respect for

1932

01:01:06,870 --> 01:01:04,160

the comedian subculture and the history

1933

01:01:09,270 --> 01:01:06,880

that doing any sort of project in that

1934

01:01:12,069 --> 01:01:09,280

building of the comedy store

1935

01:01:12,950 --> 01:01:12,079

was really a bucket list item for me i

1936

01:01:16,950 --> 01:01:12,960

guess we could say

1937

01:01:18,630 --> 01:01:16,960

really really cool also in thc news plus

1938

01:01:21,030 --> 01:01:18,640

members might have noticed a

1939

01:01:23,910 --> 01:01:21,040

disruption in the force this week a

1940

01:01:25,589 --> 01:01:23,920

little turbulence on the plus sight

1941

01:01:26,950 --> 01:01:25,599

and that was because we basically

1942

01:01:29,670 --> 01:01:26,960

switched out the entire

1943

01:01:30,309 --> 01:01:29,680

engine of the system and while work was

1944

01:01:32,950 --> 01:01:30,319

being done

1945

01:01:34,630 --> 01:01:32,960

some people noticed and when we thought

1946

01:01:36,309 --> 01:01:34,640

it was completely done there were still

1947

01:01:38,150 --> 01:01:36,319

some problems with everyone having

1948

01:01:40,470 --> 01:01:38,160

access but

1949

01:01:41,990 --> 01:01:40,480

from what my people tell me now we're

1950

01:01:44,150 --> 01:01:42,000

100 in the clear

1951

01:01:45,910 --> 01:01:44,160

at this point but if you do have a

1952

01:01:49,030 --> 01:01:45,920

problem seeing the show

1953

01:01:50,470 --> 01:01:49,040

just log out or refresh and you should

1954

01:01:52,710 --> 01:01:50,480

be fine

1955

01:01:54,950 --> 01:01:52,720

obviously any kind of infrastructural

1956

01:01:58,230 --> 01:01:54,960

change is quite stressful

1957

01:02:00,549 --> 01:01:58,240

but it is just the way these things go

1958

01:02:01,510 --> 01:02:00,559

the subscription management software i

1959

01:02:03,750 --> 01:02:01,520

was using

1960

01:02:06,150 --> 01:02:03,760

is no longer being supported wordpress

1961

01:02:07,910 --> 01:02:06,160

went through a major update we just

1962

01:02:09,910 --> 01:02:07,920

needed something more current this space

1963

01:02:11,910 --> 01:02:09,920

has changed a lot in the

1964

01:02:13,190 --> 01:02:11,920

four or five years that plus has been

1965

01:02:15,270 --> 01:02:13,200

around

1966

01:02:17,750 --> 01:02:15,280

and i think this change helps the user

1967

01:02:19,589 --> 01:02:17,760

experience too you can update your card

1968

01:02:21,910 --> 01:02:19,599

change the terms of your subscription

1969

01:02:25,589 --> 01:02:21,920

and all that self-maintenance stuff

1970

01:02:26,950 --> 01:02:25,599

a lot better now on the my account page

1971

01:02:29,190 --> 01:02:26,960

but it's better to get ahead of a

1972

01:02:30,789 --> 01:02:29,200

problem rather than slowly watch the

1973

01:02:34,230 --> 01:02:30,799

functionality break down

1974

01:02:36,309 --> 01:02:34,240

and then go out and try to hire someone

1975

01:02:37,910 --> 01:02:36,319

avoid those crisis points right i mean

1976

01:02:41,109 --> 01:02:37,920

that is what we're doing

1977

01:02:42,870 --> 01:02:41,119

in many different ways around here this

1978

01:02:44,710 --> 01:02:42,880

really is the test though most plus

1979

01:02:46,710 --> 01:02:44,720

members don't really try to log in

1980

01:02:50,309 --> 01:02:46,720

unless there is a new show

1981

01:02:52,069 --> 01:02:50,319

so i'll be monitoring this stuff all day

1982

01:02:54,870 --> 01:02:52,079

making sure we're good since this is the

1983

01:02:56,309 --> 01:02:54,880

first episode since the change

1984

01:02:58,630 --> 01:02:56,319

and that makes two in the bag for

1985

01:03:01,589 --> 01:02:58,640

february they couldn't be more different

1986

01:03:05,109 --> 01:03:01,599

the 911 criminal grand jury situation a

1987

01:03:06,470 --> 01:03:05,119

hyper-focused specific kind of thing

1988

01:03:08,309 --> 01:03:06,480

and then this wide look at the big

1989

01:03:10,630 --> 01:03:08,319

conspiracy timeline

1990

01:03:12,390 --> 01:03:10,640

and as i think i said on the air this

1991

01:03:14,069 --> 01:03:12,400

really struck a chord with me because

1992

01:03:16,710 --> 01:03:14,079

it's something that i nearly

1993

01:03:18,630 --> 01:03:16,720

tried to do myself well with the help of

1994

01:03:20,870 --> 01:03:18,640

an artist matt robinson

1995

01:03:22,150 --> 01:03:20,880

who did a lot of the newer t-shirts for

1996

01:03:25,270 --> 01:03:22,160

me

1997

01:03:28,789 --> 01:03:25,280

the

1998

01:03:31,190 --> 01:03:28,799

templar shirt

1999

01:03:32,870 --> 01:03:31,200

and the jp morgan team sinking the

2000

01:03:35,190 --> 01:03:32,880

titanic design

2001

01:03:36,710 --> 01:03:35,200

he has done some great great stuff and i

2002

01:03:39,510 --> 01:03:36,720

thought well

2003

01:03:42,069 --> 01:03:39,520

what if we made some epic beautiful

2004

01:03:44,150 --> 01:03:42,079

conspiracy timeline poster

2005

01:03:45,829 --> 01:03:44,160

where you have branches breaking off and

2006

01:03:49,270 --> 01:03:45,839

covering all the major

2007

01:03:52,390 --> 01:03:49,280

conspiracy paranormal events in history

2008

01:03:53,990 --> 01:03:52,400

you could follow the track of ufo flaps

2009

01:03:58,069 --> 01:03:54,000

with the other stuff

2010

01:04:00,069 --> 01:03:58,079

see project paperclip turn into mkultra

2011

01:04:01,349 --> 01:04:00,079

just see how a lot of these things flow

2012

01:04:03,589 --> 01:04:01,359

together

2013

01:04:06,069 --> 01:04:03,599

how some of the big corporations ended

2014

01:04:08,150 --> 01:04:06,079

up doing what they do now

2015

01:04:10,150 --> 01:04:08,160

see the rise and fall of different

2016

01:04:11,829 --> 01:04:10,160

attacks on the people

2017

01:04:13,750 --> 01:04:11,839

really i just thought it could be

2018

01:04:15,829 --> 01:04:13,760

amazing reference material just like

2019

01:04:18,390 --> 01:04:15,839

i've said about dylan's work

2020

01:04:20,150 --> 01:04:18,400

not so much a timeline but right in a

2021

01:04:22,870 --> 01:04:20,160

similar vein

2022

01:04:23,430 --> 01:04:22,880

and for me the project just broke down

2023

01:04:25,349 --> 01:04:23,440

because

2024

01:04:26,630 --> 01:04:25,359

it's so hard to know what to include

2025

01:04:29,029 --> 01:04:26,640

exactly

2026

01:04:30,789 --> 01:04:29,039

i mean i was gonna go and take false

2027

01:04:34,150 --> 01:04:30,799

flags all the way back to

2028

01:04:36,069 --> 01:04:34,160

64 a.d when nero burned rome

2029

01:04:38,309 --> 01:04:36,079

but then you get into events that have

2030

01:04:40,950 --> 01:04:38,319

multiple takes and if you include one

2031

01:04:42,870 --> 01:04:40,960

then you gotta include the others

2032

01:04:44,789 --> 01:04:42,880

it's a difficult task when you really

2033

01:04:45,510 --> 01:04:44,799

get into the details and it's another

2034

01:04:48,630 --> 01:04:45,520

reason

2035

01:04:50,150 --> 01:04:48,640

the q web and the cult of ball map are

2036

01:04:51,750 --> 01:04:50,160

so impressive

2037

01:04:53,670 --> 01:04:51,760

i'm glad we got to talk about his

2038

01:04:55,670 --> 01:04:53,680

healing web piece too

2039

01:04:58,230 --> 01:04:55,680

it was a little clunky to talk about

2040

01:05:00,710 --> 01:04:58,240

because it is an unfinished project

2041

01:05:01,990 --> 01:05:00,720

but subject-wise i'm glad we got into it

2042

01:05:03,910 --> 01:05:02,000

because

2043

01:05:05,990 --> 01:05:03,920

as i've said i want to start looking at

2044

01:05:07,990 --> 01:05:06,000

solutions and

2045

01:05:10,230 --> 01:05:08,000

the real potency of nature that's been

2046

01:05:12,789 --> 01:05:10,240

diminished and downplayed for as long as

2047

01:05:13,349 --> 01:05:12,799

any of us have been here so i hope you

2048

01:05:16,069 --> 01:05:13,359

liked it

2049

01:05:18,789 --> 01:05:16,079

i have to give dylan props for his model

2050

01:05:20,870 --> 01:05:18,799

of letting you print the pdfs for free

2051

01:05:22,230 --> 01:05:20,880

and then just selling higher quality

2052

01:05:25,430 --> 01:05:22,240

versions of what he does

2053

01:05:25,910 --> 01:05:25,440

very much the thc model here's a free

2054

01:05:28,150 --> 01:05:25,920

hour

2055

01:05:30,069 --> 01:05:28,160

no ads no [h__\h] and then you can get

2056

01:05:32,710 --> 01:05:30,079

a more detailed and higher quality

2057

01:05:34,789 --> 01:05:32,720

experience if you want to join plus

2058

01:05:37,829 --> 01:05:34,799

it's the art world equivalent the way i

2059

01:05:39,589 --> 01:05:37,839

see it so good on him for that

2060

01:05:41,349 --> 01:05:39,599

all right but i guess in terms of

2061

01:05:42,630 --> 01:05:41,359

updates you got three more coming at you

2062

01:05:44,150 --> 01:05:42,640

this month

2063

01:05:46,470 --> 01:05:44,160

next week we're going hard into the

2064

01:05:47,109 --> 01:05:46,480

medical stuff then deep into space

2065

01:05:51,029 --> 01:05:47,119

weather

2066

01:05:54,470 --> 01:05:51,039

and then into the spirituality

2067

01:05:55,190 --> 01:05:54,480

ufo experience overlap that one's got

2068

01:05:57,910 --> 01:05:55,200

some

2069

01:05:59,589 --> 01:05:57,920

pretty wild details but anyway keeping

2070

01:06:01,510 --> 01:05:59,599

it diverse keeping it fresh

2071

01:06:02,789 --> 01:06:01,520

if you like the first hour today join

2072

01:06:04,390 --> 01:06:02,799

plus

2073

01:06:06,309 --> 01:06:04,400

you can have everything set up to get

2074

01:06:06,870 --> 01:06:06,319

the extended hours of the shows i just

2075

01:06:09,349 --> 01:06:06,880

mentioned

2076

01:06:10,309 --> 01:06:09,359

plus in this one we talked about the

2077

01:06:13,990 --> 01:06:10,319

cult of

2078

01:06:15,270 --> 01:06:14,000

bail map another major piece that dylan

2079

01:06:17,430 --> 01:06:15,280

has made

2080

01:06:19,990 --> 01:06:17,440

and with that came a lot of the occult

2081

01:06:23,510 --> 01:06:20,000

ideas things like consciousness transfer

2082

01:06:25,829 --> 01:06:23,520

dna harvesting and the egyptian elite

2083

01:06:28,390 --> 01:06:25,839

mind control in the animal kingdom

2084

01:06:30,950 --> 01:06:28,400

different alien races and orb sightings

2085

01:06:31,990 --> 01:06:30,960

starship athena and rh negative blood

2086

01:06:35,029 --> 01:06:32,000

types pyramid

2087

01:06:37,990 --> 01:06:35,039

theories and esoteric sciences

2088

01:06:39,670 --> 01:06:38,000

i mean we really go for it either way

2089

01:06:41,510 --> 01:06:39,680

you know the deal by now

2090

01:06:44,230 --> 01:06:41,520

it's eight bucks a month you get five

2091

01:06:47,430 --> 01:06:44,240

extra hours of shows the joint sessions

2092

01:06:50,069 --> 01:06:47,440

all the thc music discounts on thc

2093

01:06:51,270 --> 01:06:50,079

shirts lifetime forum access the full

2094

01:06:54,069 --> 01:06:51,280

archive

2095

01:06:55,750 --> 01:06:54,079

it's like it never ends hopefully you

2096

01:06:58,710 --> 01:06:55,760

find it worth it but either way

2097

01:06:59,990 --> 01:06:58,720

i will see you guys next time your move

2098

01:07:02,309 --> 01:07:00,000

interlocking agencies

2099

01:07:04,150 --> 01:07:02,319

overlapping organizations and everyone

2100

01:07:06,069 --> 01:07:04,160

involved with the tangled web that is

2101

01:07:09,349 --> 01:07:06,079

the big conspiracy

2102

01:07:11,910 --> 01:07:09,359

your [h__h] move

2103

01:07:14,309 --> 01:07:11,920

you know the plan has always been to

2104

01:07:19,190 --> 01:07:14,319

hack your brain

2105

01:07:21,430 --> 01:07:19,200

mko just trying to drive you insane

2106

01:07:23,829 --> 01:07:21,440

they'll explode your heart if they think

2107

01:07:26,470 --> 01:07:23,839

that's what it takes

2108

01:07:28,630 --> 01:07:26,480

you think i'm answering the phone while

2109

01:07:31,029 --> 01:07:28,640

i aim

2110

01:07:33,589 --> 01:07:31,039

you gotta keep the curtains strong cause

2111

01:07:35,349 --> 01:07:33,599

you don't want anyone thinking you're at

2112

01:07:38,710 --> 01:07:35,359

home well you're not

2113

01:07:40,390 --> 01:07:38,720

you should tape the mail slot and baby

2114

01:07:43,190 --> 01:07:40,400

if i seem withdrawn

2115

01:07:44,950 --> 01:07:43,200

let me say it's cause i just don't wanna

2116

01:07:48,470 --> 01:07:44,960

go and get whacked

2117

01:07:52,470 --> 01:07:48,480

maybe you should know that the trauma

2118

01:07:54,950 --> 01:07:52,480

affects you like it does everyone

2119

01:07:57,270 --> 01:07:54,960

it's just the game plan it's what the

2120

01:08:00,230 --> 01:07:57,280

world's become

2121

01:08:01,829 --> 01:08:00,240

they want a pat down and a swap don't

2122

01:08:05,349 --> 01:08:01,839

you see what's going

2123

01:08:06,630 --> 01:08:05,359

on well now you know you're better

2124

01:08:09,270 --> 01:08:06,640

keeping on your

2125

01:08:10,600 --> 01:08:09,280

own cause you can see the

2126

01:08:11,670 --> 01:08:10,610

[Music]

2127

01:08:16,390 --> 01:08:11,680

[Applause]

2128

01:08:20,709 --> 01:08:16,400

oh baby you can only trust yourself

2129

01:08:23,870 --> 01:08:20,719

and if you think the system's out of

2130

01:08:26,870 --> 01:08:23,880

touch it is and you can only trust

2131

01:08:30,870 --> 01:08:26,880

yourself i hope you

2132

01:08:33,590 --> 01:08:30,880

know the elite aren't your friends

2133

01:08:34,229 --> 01:08:33,600

they'll suck out everything from you in

2134

01:08:38,070 --> 01:08:34,239

the

2135

01:08:42,229 --> 01:08:38,080

end and if for some reason you think

2136

01:08:45,430 --> 01:08:42,239

i might be wrong i wonder where you got

2137

01:08:47,829 --> 01:08:45,440

that opinion from

2138

01:08:50,390 --> 01:08:47,839

you gotta keep the curtains strong cause

2139

01:08:52,149 --> 01:08:50,400

you don't want anyone thinking you're at

2140

01:08:55,510 --> 01:08:52,159

home well you're not

2141

01:08:57,189 --> 01:08:55,520

you should tape the mail slot and baby

2142

01:08:59,990 --> 01:08:57,199

if i seem withdrawn

2143

01:09:01,749 --> 01:09:00,000

let me say it's cause i just don't wanna

2144

01:09:06,469 --> 01:09:01,759

go and get whacked

2145

01:09:12,740 --> 01:09:06,479

maybe you should know that the trauma

2146

01:09:19,510 --> 01:09:16,789

[Music]

2147

01:09:21,189 --> 01:09:19,520

don't you see what's going on well now

2148

01:09:24,070 --> 01:09:21,199

you know

2149

01:09:25,430 --> 01:09:24,080

you're better keeping on your own cause

2150

01:09:28,470 --> 01:09:25,440

you can see

2151
01:09:33,269 --> 01:09:28,480
the masters lie too much

2152
01:09:37,510 --> 01:09:33,279
oh baby you can only trust yourself

2153
01:09:40,510 --> 01:09:37,520
and if you think the system's out of

2154
01:09:46,829 --> 01:09:40,520
touch it is and you can only trust

2155
01:09:46,839 --> 01:09:49,860
yourself

2156
01:09:49,870 --> 01:10:00,830
[Music]

2157
01:10:05,350 --> 01:10:02,390
foreign

2158
01:10:07,110 --> 01:10:05,360
you might think that these problems are

2159
01:10:10,240 --> 01:10:07,120
small

2160
01:10:11,990 --> 01:10:10,250
maybe they aren't registering at all

2161
01:10:14,830 --> 01:10:12,000
[Music]

2162
01:10:16,550 --> 01:10:14,840
now they know you're naive and

2163
01:10:19,270 --> 01:10:16,560

vulnerable

2164

01:10:21,270 --> 01:10:19,280

you won't believe all of the stunts that

2165

01:10:25,430 --> 01:10:21,280

they'll pull

2166

01:10:30,790 --> 01:10:25,440

cause you can see the masters lie too

2167

01:10:35,110 --> 01:10:30,800

much oh baby you can only trust yourself

2168

01:10:38,189 --> 01:10:35,120

and if you think the system's out of

2169

01:10:42,229 --> 01:10:38,199

touch it is and you can only trust

2170

01:10:45,270 --> 01:10:42,239

yourself cause you can see

2171

01:10:49,990 --> 01:10:45,280

the master's

2172

01:10:54,310 --> 01:10:50,000

oh baby you can only trust yourself

2173

01:10:57,270 --> 01:10:54,320

and if you think the system's out of

2174

01:10:58,530 --> 01:10:57,280

touch it is and you can only trust
