

DEL BIGTREE

VACCINE SAFETY, BIG PHARMA, & WHAT THE SCIENCE REALLY SAYS

PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT THEHIGHERSIDECHATS.COM

LISTEN TO THE EXTENDED SHOW AT THEHIGHERSIDECHATSPLUS.COM

1
00:00:03,590 --> 00:00:02,310
brace yourself because you're about to

2
00:00:05,190 --> 00:00:03,600
dive into another free

3
00:00:07,030 --> 00:00:05,200
first hour episode of the higher side

4
00:00:08,150 --> 00:00:07,040
chats and we just want to let you know

5
00:00:10,310 --> 00:00:08,160
that whether you're looking for a

6
00:00:11,589 --> 00:00:10,320
companion through your paranoid insomnia

7
00:00:13,350 --> 00:00:11,599
entertaining yourself through one of

8
00:00:14,789 --> 00:00:13,360
life's mundane activities

9
00:00:16,950 --> 00:00:14,799
or trying to ward off the internal

10
00:00:17,990 --> 00:00:16,960
screams of all those sad smothered souls

11
00:00:20,150 --> 00:00:18,000
around the office

12
00:00:21,750 --> 00:00:20,160
thc is here and you should know that

13
00:00:22,950 --> 00:00:21,760

every episode of the higher side chats

14

00:00:26,109 --> 00:00:22,960

has an entire second

15

00:00:27,349 --> 00:00:26,119

hour for plus members sign up at the

16

00:00:29,029 --> 00:00:27,359

highersidechatsplus.com

17

00:00:31,349 --> 00:00:29,039

and you'll get years of plus show

18

00:00:32,950 --> 00:00:31,359

archives lifetime forum access

19

00:00:34,549 --> 00:00:32,960

a special invite to greg carlwood's

20

00:00:37,830 --> 00:00:34,559

monthly joint sessions

21

00:00:40,869 --> 00:00:37,840

mp3s of the music bonus episodes

22

00:00:42,470 --> 00:00:40,879

tour videos and 10 off t-shirts

23

00:00:44,549 --> 00:00:42,480

grinders and whatever else ends up in

24

00:00:45,990 --> 00:00:44,559

the higher side store it's eight dollars

25

00:00:47,670 --> 00:00:46,000

a month that you won't miss

26

00:00:49,590 --> 00:00:47,680

so become a plus member and treat

27

00:00:51,830 --> 00:00:49,600

yourself in these troubled times

28

00:00:53,270 --> 00:00:51,840

always action-packed and commercial-free

29

00:01:00,630 --> 00:00:53,280

which means you'll unfortunately

30

00:01:05,189 --> 00:01:03,349

in the 1930s president franklin delano

31

00:01:07,750 --> 00:01:05,199

roosevelt addressed the nation through a

32

00:01:08,630 --> 00:01:07,760

series of radio broadcasts known as the

33

00:01:11,350 --> 00:01:08,640

fireside

34

00:01:13,350 --> 00:01:11,360

chats his aim was to reassure the common

35

00:01:14,550 --> 00:01:13,360

man that our society would recover from

36

00:01:17,190 --> 00:01:14,560

its troubled times

37

00:01:18,789 --> 00:01:17,200

well we're far from 1930 and i deal with

38

00:01:21,510 --> 00:01:18,799

a different kind of fire

39

00:01:23,749 --> 00:01:21,520

for a new era of worldly frustration we

40

00:01:26,630 --> 00:01:23,759

offer a fresh conversation

41

00:01:27,590 --> 00:01:26,640

i'm greg carlwood and these are the

42

00:01:30,390 --> 00:01:27,600

higher side

43

00:01:32,310 --> 00:01:30,400

chats here we go people from sunny san

44

00:01:34,230 --> 00:01:32,320

diego just trying to stay warm and

45

00:01:36,310 --> 00:01:34,240

informed i'm greg carlwood and if you

46

00:01:38,310 --> 00:01:36,320

ask me there is no shortage of subjects

47

00:01:40,149 --> 00:01:38,320

to focus on in these troubled times

48

00:01:42,469 --> 00:01:40,159

the debt squeeze is getting tighter the

49

00:01:44,149 --> 00:01:42,479

poison issue in consumer products is

50

00:01:45,830 --> 00:01:44,159

growing and the rape and pillage of the

51

00:01:47,109 --> 00:01:45,840

planet continues on

52

00:01:48,389 --> 00:01:47,119

not to mention that we've been around

53

00:01:50,389 --> 00:01:48,399

the block enough to know that our

54

00:01:51,030 --> 00:01:50,399

regulatory agencies are completely

55

00:01:53,270 --> 00:01:51,040

captured

56

00:01:55,190 --> 00:01:53,280

multinational corporations are insulated

57

00:01:56,709 --> 00:01:55,200

from their crimes and the media is

58

00:01:58,550 --> 00:01:56,719

little more than their own personal

59

00:02:00,789 --> 00:01:58,560

propaganda pusher

60

00:02:02,469 --> 00:02:00,799

so on rare occasions when news does leak

61

00:02:04,630 --> 00:02:02,479

out that a company like johnson and

62

00:02:06,469 --> 00:02:04,640

johnson has had asbestos in its baby

63

00:02:08,389 --> 00:02:06,479

powder for five decades

64

00:02:10,550 --> 00:02:08,399

or more and more experts are raising

65

00:02:12,470 --> 00:02:10,560

concerns about cell phone radiation

66

00:02:15,190 --> 00:02:12,480

or the number of vaccines we give to

67

00:02:16,630 --> 00:02:15,200

children skyrockets to over 70 in an era

68

00:02:18,309 --> 00:02:16,640

where it doesn't seem like a drug

69

00:02:20,309 --> 00:02:18,319

manufacturer can make products for

70

00:02:22,150 --> 00:02:20,319

adults without harmful side effects let

71

00:02:24,949 --> 00:02:22,160

alone our most vulnerable humans

72

00:02:26,790 --> 00:02:24,959

using the most invasive delivery system

73

00:02:28,949 --> 00:02:26,800

what are we to do but ramp up the

74

00:02:30,630 --> 00:02:28,959

personal responsibility and keep an ear

75

00:02:31,430 --> 00:02:30,640

to the ground for the few who are brave

76

00:02:32,869 --> 00:02:31,440

enough to speak

77

00:02:34,869 --> 00:02:32,879

out against the big machine when

78

00:02:36,949 --> 00:02:34,879

confronted with the facts

79

00:02:39,190 --> 00:02:36,959

well one such brave speaker outer is

80

00:02:41,509 --> 00:02:39,200

today's guest dell bigtree the producer

81

00:02:43,509 --> 00:02:41,519

of vaxxed from cover up to catastrophe

82

00:02:44,949 --> 00:02:43,519

which i consider the gold standard in

83

00:02:46,869 --> 00:02:44,959

vaccine documentaries

84

00:02:49,030 --> 00:02:46,879

and he's the only journalist i know

85

00:02:51,990 --> 00:02:49,040

who's dedicated the last three plus

86

00:02:53,509 --> 00:02:52,000

years specifically to vaccine safety

87

00:02:55,270 --> 00:02:53,519

dell has made one hell of a name for

88

00:02:57,030 --> 00:02:55,280

himself as both a filmmaker and

89

00:02:59,110 --> 00:02:57,040

investigative medical journalist

90

00:03:01,190 --> 00:02:59,120

and even won an emmy for his six years

91

00:03:02,309 --> 00:03:01,200

of work on the daytime talk show at the

92

00:03:04,550 --> 00:03:02,319

doctors

93

00:03:06,949 --> 00:03:04,560

he is also the founder of the non-profit

94

00:03:09,110 --> 00:03:06,959

informed consent action network and host

95

00:03:10,149 --> 00:03:09,120

of a rapidly growing internet talk show

96

00:03:13,110 --> 00:03:10,159

the high wire

97

00:03:14,470 --> 00:03:13,120

boasting over 33 million views to date

98

00:03:15,190 --> 00:03:14,480

and i couldn't be more psyched to have

99

00:03:17,270 --> 00:03:15,200

him here

100

00:03:19,270 --> 00:03:17,280

the vigilant vaccine journalist counter

101
00:03:21,350 --> 00:03:19,280
propaganda producer and widespread

102
00:03:24,229 --> 00:03:21,360
corruption commentator delma man

103
00:03:26,149 --> 00:03:24,239
welcome to the higher side ah it's great

104
00:03:27,110 --> 00:03:26,159
to be here man that was quite the intro

105
00:03:27,990 --> 00:03:27,120
i think you nailed it we could

106
00:03:29,830 --> 00:03:28,000
practically just

107
00:03:31,430 --> 00:03:29,840
throw an ending on it and come on you

108
00:03:33,750 --> 00:03:31,440
covered it all

109
00:03:35,270 --> 00:03:33,760
ah well i try i try you know these are

110
00:03:37,270 --> 00:03:35,280
complex things so to

111
00:03:39,030 --> 00:03:37,280
get people summarized in the first 30

112
00:03:40,789 --> 00:03:39,040
seconds is tough but well done

113
00:03:43,110 --> 00:03:40,799

this is a real pleasure man thank you

114

00:03:46,149 --> 00:03:43,120

thank you i have been a big fan of yours

115

00:03:47,589 --> 00:03:46,159

ever since vax came out in 2016

116

00:03:50,149 --> 00:03:47,599

and i really like what you're doing with

117

00:03:52,630 --> 00:03:50,159

high wire as well i sometimes think

118

00:03:53,990 --> 00:03:52,640

i've over focused on vaccine-centered

119

00:03:55,910 --> 00:03:54,000

episodes and then i see what you're

120

00:03:57,910 --> 00:03:55,920

doing and there's just so much more

121

00:03:59,990 --> 00:03:57,920

that i learned from your episodes i

122

00:04:00,789 --> 00:04:00,000

think a good place to start today is to

123

00:04:03,030 --> 00:04:00,799

say that

124

00:04:04,630 --> 00:04:03,040

one of the big criticisms of vaccine

125

00:04:06,630 --> 00:04:04,640

skeptics is that we're not

126

00:04:08,949 --> 00:04:06,640

doctors we're not scientists and we're

127

00:04:10,949 --> 00:04:08,959

just ignorant and paranoid well

128

00:04:13,350 --> 00:04:10,959

the reason i like your work so much is

129

00:04:15,670 --> 00:04:13,360

that the science the clinical trials the

130

00:04:17,349 --> 00:04:15,680

published papers this is exactly

131

00:04:21,110 --> 00:04:17,359

what you're focused on and the proof is

132

00:04:22,710 --> 00:04:21,120

there isn't it yeah i think that

133

00:04:24,310 --> 00:04:22,720

that statement we're not doctors not

134

00:04:25,430 --> 00:04:24,320

scientists no i'm a journalist and

135

00:04:27,350 --> 00:04:25,440

journalists

136

00:04:29,110 --> 00:04:27,360

have been investigating science we

137

00:04:31,270 --> 00:04:29,120

investigate the government we out

138

00:04:33,749 --> 00:04:31,280

presidents when they make mistakes we

139

00:04:35,030 --> 00:04:33,759

out warlords when we're you know backing

140

00:04:36,870 --> 00:04:35,040

them with our government i mean that's

141

00:04:37,909 --> 00:04:36,880

what journalists do we get to the bottom

142

00:04:40,070 --> 00:04:37,919

of the story

143

00:04:41,430 --> 00:04:40,080

doesn't matter how well educated you

144

00:04:43,830 --> 00:04:41,440

were uh

145

00:04:45,189 --> 00:04:43,840

there's still a paper trail of what

146

00:04:46,790 --> 00:04:45,199

you've done and that's what i've been

147

00:04:49,510 --> 00:04:46,800

investigating and

148

00:04:51,030 --> 00:04:49,520

you know to say that the anti-vaccine

149

00:04:52,310 --> 00:04:51,040

movement as they like to call this is

150

00:04:54,070 --> 00:04:52,320

that we're all

151
00:04:55,510 --> 00:04:54,080
one similar group we're actually much

152
00:04:56,870 --> 00:04:55,520
more diverse than that i like to call

153
00:04:59,990 --> 00:04:56,880
this the vaccine

154
00:05:00,550 --> 00:05:00,000
risk awareness movement but you know if

155
00:05:02,550 --> 00:05:00,560
you grab

156
00:05:03,830 --> 00:05:02,560
anyone that considers themselves an

157
00:05:05,670 --> 00:05:03,840
anti-vaxxer

158
00:05:07,430 --> 00:05:05,680
you'll find someone that has read far

159
00:05:07,909 --> 00:05:07,440
more science than your average person

160
00:05:10,469 --> 00:05:07,919
that

161
00:05:12,230 --> 00:05:10,479
calls themselves a pro-actor pro-actors

162
00:05:13,749 --> 00:05:12,240
tend to just believe their doctors are

163
00:05:14,469 --> 00:05:13,759

right and they do whatever their doctor

164

00:05:16,150 --> 00:05:14,479

says

165

00:05:17,990 --> 00:05:16,160

they've been trained that that's what

166

00:05:20,230 --> 00:05:18,000

you do and that they're better educated

167

00:05:22,550 --> 00:05:20,240

than you are so don't ask any questions

168

00:05:24,710 --> 00:05:22,560

just do what they say the people that

169

00:05:26,629 --> 00:05:24,720

are waking up are recognizing that that

170

00:05:28,870 --> 00:05:26,639

is not the way to live and that the

171

00:05:30,150 --> 00:05:28,880

doctors really are not informed either

172

00:05:34,230 --> 00:05:30,160

they are being

173

00:05:35,830 --> 00:05:34,240

sold uh products by advertisements and

174

00:05:37,510 --> 00:05:35,840

drug pushers really i mean

175

00:05:39,430 --> 00:05:37,520

the farmer sales people come to their

176

00:05:41,029 --> 00:05:39,440

office tell them how great something is

177

00:05:42,550 --> 00:05:41,039

nobody opposes that statement

178

00:05:44,150 --> 00:05:42,560

and the doctor moves forward and sells

179

00:05:44,790 --> 00:05:44,160

it to you and vaccines are really no

180

00:05:46,070 --> 00:05:44,800

different

181

00:05:48,150 --> 00:05:46,080

except that now you have government

182

00:05:49,990 --> 00:05:48,160

agencies promoting them so

183

00:05:51,430 --> 00:05:50,000

surely they must be good my government

184

00:05:52,950 --> 00:05:51,440

says they're great and therefore i'm

185

00:05:54,629 --> 00:05:52,960

going to push them on you without

186

00:05:56,629 --> 00:05:54,639

any understanding of the science and i

187

00:05:58,070 --> 00:05:56,639

mean that i know it sounds

188

00:05:59,430 --> 00:05:58,080

arrogant or something to say that

189

00:06:01,029 --> 00:05:59,440

doctors don't know what to talk about

190

00:06:01,670 --> 00:06:01,039

when it comes to vaccines but that's the

191

00:06:05,110 --> 00:06:01,680

case

192

00:06:07,270 --> 00:06:05,120

a pediatrician

193

00:06:09,430 --> 00:06:07,280

when you're in school there's like one

194

00:06:10,309 --> 00:06:09,440

page in the textbook that talks about

195

00:06:12,469 --> 00:06:10,319

vaccinating

196

00:06:13,990 --> 00:06:12,479

and all it says is where you put it in

197

00:06:15,990 --> 00:06:14,000

the arm or the leg

198

00:06:17,430 --> 00:06:16,000

and that if anyone questions you about

199

00:06:19,110 --> 00:06:17,440

it just tell them it's one of the

200

00:06:22,390 --> 00:06:19,120

greatest life-saving measures

201
00:06:24,150 --> 00:06:22,400
ever created and move on and if they

202
00:06:25,990 --> 00:06:24,160
really start pressuring you

203
00:06:27,110 --> 00:06:26,000
then just tell them you're going to kick

204
00:06:27,830 --> 00:06:27,120
them out of your practice if they

205
00:06:29,990 --> 00:06:27,840
continue it

206
00:06:32,150 --> 00:06:30,000
that's the entire education of

207
00:06:33,670 --> 00:06:32,160
vaccination for your pediatricians

208
00:06:35,110 --> 00:06:33,680
and you can test this you can say dell

209
00:06:35,830 --> 00:06:35,120
you're crazy okay i'll give you a little

210
00:06:36,870 --> 00:06:35,840
test

211
00:06:38,790 --> 00:06:36,880
just the next time you're the

212
00:06:40,150 --> 00:06:38,800
pediatrician just ask them say that

213
00:06:42,469 --> 00:06:40,160

vaccine you want to give my child today

214

00:06:45,110 --> 00:06:42,479

whether it's tdap or flu shot or

215

00:06:46,469 --> 00:06:45,120

sometimes it's all of them mmr tdap hib

216

00:06:48,309 --> 00:06:46,479

all at one time

217

00:06:49,830 --> 00:06:48,319

just say could you please just list for

218

00:06:50,870 --> 00:06:49,840

me the ingredients that are in that

219

00:06:52,390 --> 00:06:50,880

vaccine

220

00:06:54,150 --> 00:06:52,400

and they'll say oh well i could

221

00:06:56,070 --> 00:06:54,160

certainly read them no no i thought that

222

00:06:56,629 --> 00:06:56,080

you went to eight years of school and

223

00:06:58,629 --> 00:06:56,639

since

224

00:07:00,150 --> 00:06:58,639

there's really only two things you do as

225

00:07:03,270 --> 00:07:00,160

a pediatrician you either

226

00:07:05,110 --> 00:07:03,280

inject one of these or multiple versions

227

00:07:06,710 --> 00:07:05,120

of these 16 vaccines

228

00:07:08,790 --> 00:07:06,720

we give our kids or you're gonna weigh

229

00:07:11,430 --> 00:07:08,800

and measure my baby's head

230

00:07:12,150 --> 00:07:11,440

so i'm gonna assume that you know what's

231

00:07:13,670 --> 00:07:12,160

in these and

232

00:07:15,670 --> 00:07:13,680

they won't be able to tell you they

233

00:07:16,070 --> 00:07:15,680

can't tell you they would have to read

234

00:07:17,830 --> 00:07:16,080

it

235

00:07:19,350 --> 00:07:17,840

and i find that disturbing i find that

236

00:07:21,430 --> 00:07:19,360

disturbing because

237

00:07:23,029 --> 00:07:21,440

you know we hold them on a pedestals you

238

00:07:23,589 --> 00:07:23,039

open this up why would i question the

239

00:07:25,430 --> 00:07:23,599

doctor

240

00:07:27,350 --> 00:07:25,440

we put them up on this pedestal as

241

00:07:29,189 --> 00:07:27,360

though they're these brilliant geniuses

242

00:07:30,790 --> 00:07:29,199

and the eight years of school overrides

243

00:07:32,710 --> 00:07:30,800

any of my own intuition

244

00:07:33,909 --> 00:07:32,720

but if i go to a restaurant if i go to

245

00:07:35,990 --> 00:07:33,919

the local restaurant

246

00:07:38,230 --> 00:07:36,000

and i have an allergy i can ask the

247

00:07:39,270 --> 00:07:38,240

waiter and the waiter can tell me every

248

00:07:41,350 --> 00:07:39,280

single ingredient

249

00:07:42,309 --> 00:07:41,360

in it and if not the waiter certainly

250

00:07:44,869 --> 00:07:42,319

the cook back

251
00:07:46,469 --> 00:07:44,879
in the kitchen so if i go to a

252
00:07:47,589 --> 00:07:46,479
pediatrician and say i'd like to know

253
00:07:49,670 --> 00:07:47,599
what's in this in case

254
00:07:52,230 --> 00:07:49,680
my child has an allergy and they can't

255
00:07:53,749 --> 00:07:52,240
do it you just prove that waiters are

256
00:07:54,790 --> 00:07:53,759
better informed about the product

257
00:07:56,469 --> 00:07:54,800
they're serving you

258
00:07:57,990 --> 00:07:56,479
than your pediatrician as far as i'm

259
00:07:59,430 --> 00:07:58,000
concerned so when we're

260
00:08:01,270 --> 00:07:59,440
looking what's in this we're talking

261
00:08:03,909 --> 00:08:01,280
toxic toxic chemicals

262
00:08:05,589 --> 00:08:03,919
aborted fetal cell lines dna from

263
00:08:07,830 --> 00:08:05,599

aborted babies aluminum mercury

264

00:08:09,350 --> 00:08:07,840

formaldehyde polysorbate 80.

265

00:08:11,510 --> 00:08:09,360

so that's just the beginning of this

266

00:08:13,589 --> 00:08:11,520

discussion and it's unfortunate

267

00:08:15,350 --> 00:08:13,599

as you pointed out i was a producer on

268

00:08:15,830 --> 00:08:15,360

the daytime talks to the doctors i have

269

00:08:18,230 --> 00:08:15,840

been

270

00:08:19,350 --> 00:08:18,240

celebrating the greatest doctors in the

271

00:08:21,430 --> 00:08:19,360

world and i love

272

00:08:23,029 --> 00:08:21,440

great doctors and i love great medicine

273

00:08:26,070 --> 00:08:23,039

and cutting-edge techniques

274

00:08:26,390 --> 00:08:26,080

brilliant surgeries i am pro-science but

275

00:08:29,510 --> 00:08:26,400

i

276

00:08:31,830 --> 00:08:29,520

years have looked at

277

00:08:33,909 --> 00:08:31,840

nothing but investigating and reading

278

00:08:35,829 --> 00:08:33,919

the studies that they're pointing to

279

00:08:37,350 --> 00:08:35,839

when they tell us that vaccines are safe

280

00:08:41,350 --> 00:08:37,360

and i am telling you

281

00:08:43,190 --> 00:08:41,360

that science is deplorable

282

00:08:45,430 --> 00:08:43,200

well said and you're right the way the

283

00:08:47,829 --> 00:08:45,440

system is set up is very telling

284

00:08:50,310 --> 00:08:47,839

people think they know and they don't

285

00:08:51,829 --> 00:08:50,320

and really there is a great analogy

286

00:08:53,910 --> 00:08:51,839

in the restaurant because there's a

287

00:08:55,670 --> 00:08:53,920

major difference between the cook who

288

00:08:58,310 --> 00:08:55,680

makes the food and the server

289

00:09:00,310 --> 00:08:58,320

who gives it to you if the cook put

290

00:09:02,710 --> 00:09:00,320

something in the food differently

291

00:09:03,910 --> 00:09:02,720

that night the server would have no idea

292

00:09:05,110 --> 00:09:03,920

they would just keep telling you about

293

00:09:07,590 --> 00:09:05,120

how great their restaurant

294

00:09:09,430 --> 00:09:07,600

is and how good their yelp review is and

295

00:09:10,790 --> 00:09:09,440

how excellent the food is and they

296

00:09:12,870 --> 00:09:10,800

really don't know so

297

00:09:14,630 --> 00:09:12,880

a pediatrician we think of them as the

298

00:09:17,269 --> 00:09:14,640

scientists but they definitely

299

00:09:19,110 --> 00:09:17,279

aren't and i'm sure you're constantly

300

00:09:20,949 --> 00:09:19,120

getting into conversations about

301

00:09:23,110 --> 00:09:20,959

the vaccine issue to the point that

302

00:09:24,630 --> 00:09:23,120

you've got your best arguments down you

303

00:09:26,470 --> 00:09:24,640

know what to say to cut through the

304

00:09:27,590 --> 00:09:26,480

propaganda and get people's mental

305

00:09:29,590 --> 00:09:27,600

wheels turning

306

00:09:31,670 --> 00:09:29,600

and i think that's what people need good

307

00:09:32,470 --> 00:09:31,680

arguments to push these conversations

308

00:09:34,470 --> 00:09:32,480

forward

309

00:09:36,870 --> 00:09:34,480

what are some of the first points you

310

00:09:38,389 --> 00:09:36,880

make to pro-vaxxers you know a lot of

311

00:09:40,389 --> 00:09:38,399

people here have probably heard the

312

00:09:42,949 --> 00:09:40,399

arguments but we still struggle

313

00:09:44,550 --> 00:09:42,959

with our network and expanding the

314

00:09:45,990 --> 00:09:44,560

information to friends and family so

315

00:09:47,350 --> 00:09:46,000

what are some of those first things you

316

00:09:48,630 --> 00:09:47,360

say to people

317

00:09:50,230 --> 00:09:48,640

yeah that's a great question and the

318

00:09:52,310 --> 00:09:50,240

truth is it's getting harder and harder

319

00:09:53,590 --> 00:09:52,320

to narrow it down i could speak for six

320

00:09:56,230 --> 00:09:53,600

hours on this topic

321

00:09:58,310 --> 00:09:56,240

and never stop pointing to science so i

322

00:09:59,190 --> 00:09:58,320

still try to remember that whoever i'm

323

00:10:02,310 --> 00:09:59,200

talking to

324

00:10:04,710 --> 00:10:02,320

is brand new at this they are defending

325

00:10:06,470 --> 00:10:04,720

a belief system almost like a religion

326

00:10:09,750 --> 00:10:06,480

and you have to remember that this is

327

00:10:11,990 --> 00:10:09,760

not a scientific discussion people

328

00:10:12,949 --> 00:10:12,000

cling to this idea i mean i think that

329

00:10:15,190 --> 00:10:12,959

vaccines

330

00:10:16,790 --> 00:10:15,200

are unlike any issue i've ever covered

331

00:10:18,389 --> 00:10:16,800

as a journalist i've gone out and done

332

00:10:20,949 --> 00:10:18,399

man on the street interviews

333

00:10:22,310 --> 00:10:20,959

for most of my career but vaccine is the

334

00:10:24,150 --> 00:10:22,320

only issue you can stop

335

00:10:25,829 --> 00:10:24,160

almost anyone on the street and they are

336

00:10:28,949 --> 00:10:25,839

going to have a very

337

00:10:29,910 --> 00:10:28,959

intense response either pro or against

338

00:10:31,350 --> 00:10:29,920

but you will find

339

00:10:33,190 --> 00:10:31,360

very few people that don't have an

340

00:10:35,590 --> 00:10:33,200

opinion about vaccines it is one of the

341

00:10:37,829 --> 00:10:35,600

most opinionated topics we have

342

00:10:39,509 --> 00:10:37,839

and yet most of those people have very

343

00:10:40,310 --> 00:10:39,519

little information to back it up except

344

00:10:41,910 --> 00:10:40,320

to say

345

00:10:43,350 --> 00:10:41,920

everybody says they're safe and

346

00:10:45,990 --> 00:10:43,360

therefore they are but

347

00:10:46,710 --> 00:10:46,000

i'll tell you how i i talk to a lot of

348

00:10:49,509 --> 00:10:46,720

politicians

349

00:10:51,030 --> 00:10:49,519

i travel around trying to talk to

350

00:10:54,870 --> 00:10:51,040

politicians that want to take

351
00:10:56,870 --> 00:10:54,880
our right to exempt out of vaccines away

352
00:10:58,829 --> 00:10:56,880
and so i always start the conversation

353
00:11:01,190 --> 00:10:58,839
very similarly i will say to a

354
00:11:04,389 --> 00:11:01,200
politician just out of curiosity

355
00:11:06,150 --> 00:11:04,399
would you mandate penicillin on

356
00:11:08,069 --> 00:11:06,160
every person that gets an infection in

357
00:11:09,829 --> 00:11:08,079
your state and

358
00:11:12,230 --> 00:11:09,839
they're always intelligent enough to say

359
00:11:13,750 --> 00:11:12,240
well no i wouldn't and i say why

360
00:11:15,269 --> 00:11:13,760
and they say well because some people

361
00:11:16,069 --> 00:11:15,279
are allergic to penicillin they could

362
00:11:18,310 --> 00:11:16,079
die is it

363
00:11:19,990 --> 00:11:18,320

interesting right well that's true and

364

00:11:22,630 --> 00:11:20,000

i'm glad you said that you do

365

00:11:23,670 --> 00:11:22,640

recognize that the pharmaceutical

366

00:11:25,990 --> 00:11:23,680

industries actually

367

00:11:27,430 --> 00:11:26,000

never created a drug or product that

368

00:11:29,910 --> 00:11:27,440

won't kill somebody

369

00:11:30,550 --> 00:11:29,920

there's always an allergic reaction for

370

00:11:33,190 --> 00:11:30,560

some

371

00:11:33,750 --> 00:11:33,200

subset of people no matter what the drug

372

00:11:35,350 --> 00:11:33,760

is and

373

00:11:38,069 --> 00:11:35,360

vaccines are no different you know

374

00:11:40,470 --> 00:11:38,079

vaccines are pharmaceutical products

375

00:11:42,069 --> 00:11:40,480

and they too have allergies and people

376

00:11:44,550 --> 00:11:42,079

who will die if they receive them

377

00:11:45,269 --> 00:11:44,560

in fact i'll take it one step further

378

00:11:48,310 --> 00:11:45,279

they have never

379

00:11:50,069 --> 00:11:48,320

found a single piece of food we can feed

380

00:11:51,990 --> 00:11:50,079

everybody where someone's not going to

381

00:11:53,030 --> 00:11:52,000

have an anaphylactic food allergy and

382

00:11:55,190 --> 00:11:53,040

diet so

383

00:11:56,310 --> 00:11:55,200

the conversation i want to have today

384

00:11:58,790 --> 00:11:56,320

it's not

385

00:12:00,550 --> 00:11:58,800

whether vaccines are dangerous or

386

00:12:02,629 --> 00:12:00,560

whether vaccines are safe

387

00:12:04,870 --> 00:12:02,639

we know some people will die from

388

00:12:05,350 --> 00:12:04,880

vaccines so the discussion i want to

389

00:12:08,150 --> 00:12:05,360

have

390

00:12:10,389 --> 00:12:08,160

is how many people being killed by

391

00:12:12,230 --> 00:12:10,399

vaccines is acceptable

392

00:12:13,829 --> 00:12:12,240

that's what i want to discuss is where's

393

00:12:15,430 --> 00:12:13,839

the data on that and where is your

394

00:12:18,069 --> 00:12:15,440

personal threshold

395

00:12:19,829 --> 00:12:18,079

on that because i think it's different

396

00:12:20,310 --> 00:12:19,839

for every person some people might think

397

00:12:23,190 --> 00:12:20,320

killing

398

00:12:23,750 --> 00:12:23,200

one innocent child in america a year is

399

00:12:26,470 --> 00:12:23,760

too much

400

00:12:27,829 --> 00:12:26,480

in fact i've said oftentimes in large

401
00:12:29,269 --> 00:12:27,839
audiences like the first time i did it

402
00:12:31,750 --> 00:12:29,279
was at nyu

403
00:12:33,590 --> 00:12:31,760
i was speaking to a classroom i said let

404
00:12:35,509 --> 00:12:33,600
me ask you all a question if there was a

405
00:12:37,990 --> 00:12:35,519
non-profit that was like the

406
00:12:38,550 --> 00:12:38,000
number one greatest non-profit in the

407
00:12:41,430 --> 00:12:38,560
world

408
00:12:42,150 --> 00:12:41,440
it fed the poor it put in sewage where

409
00:12:44,710 --> 00:12:42,160
there was

410
00:12:45,670 --> 00:12:44,720
dirty river water it put in clean

411
00:12:47,910 --> 00:12:45,680
running water

412
00:12:50,069 --> 00:12:47,920
it saved elephants rhinoceroses it

413
00:12:50,710 --> 00:12:50,079

cleaned the air pollution i mean they do

414

00:12:53,509 --> 00:12:50,720

everything

415

00:12:54,550 --> 00:12:53,519

it's the greatest only one thing only

416

00:12:57,590 --> 00:12:54,560

one little

417

00:12:59,030 --> 00:12:57,600

issue is that once a year

418

00:13:01,990 --> 00:12:59,040

everybody gets together and they

419

00:13:05,590 --> 00:13:02,000

sacrifice one innocent child

420

00:13:06,949 --> 00:13:05,600

who would join that nonprofit and

421

00:13:08,710 --> 00:13:06,959

no one in the class raises their hand

422

00:13:10,710 --> 00:13:08,720

you're like that's crazy i would never

423

00:13:11,990 --> 00:13:10,720

support killing an innocent child no

424

00:13:14,310 --> 00:13:12,000

matter how much good

425

00:13:15,350 --> 00:13:14,320

someone does and then i will point out

426
00:13:17,990 --> 00:13:15,360
that's

427
00:13:18,710 --> 00:13:18,000
even if we offered you 77 virgins after

428
00:13:22,030 --> 00:13:18,720
life even

429
00:13:24,949 --> 00:13:22,040
you know or what if we offered you this

430
00:13:27,509 --> 00:13:24,959
mythological idea of herd

431
00:13:28,389 --> 00:13:27,519
immunity and you hear the errors sort of

432
00:13:31,030 --> 00:13:28,399
leave the room

433
00:13:33,110 --> 00:13:31,040
and they recognize that that's exactly

434
00:13:36,230 --> 00:13:33,120
what our health departments are doing

435
00:13:38,230 --> 00:13:36,240
if you ask any scientist or doctor

436
00:13:39,670 --> 00:13:38,240
if you really drill down on them come on

437
00:13:42,470 --> 00:13:39,680
you have to admit

438
00:13:44,150 --> 00:13:42,480

some kids will die from some sort of

439

00:13:46,389 --> 00:13:44,160

reaction to the vaccine

440

00:13:49,509 --> 00:13:46,399

it happens every year and they say well

441

00:13:51,910 --> 00:13:49,519

that's the accepted casualty to achieve

442

00:13:53,670 --> 00:13:51,920

herd immunity that's what they'll say

443

00:13:54,310 --> 00:13:53,680

i've had heads of health departments and

444

00:13:58,069 --> 00:13:54,320

so

445

00:14:00,790 --> 00:13:58,079

children a future

446

00:14:03,030 --> 00:14:00,800

president or a future scientist to come

447

00:14:03,910 --> 00:14:03,040

up with a better product to create

448

00:14:06,710 --> 00:14:03,920

immunity

449

00:14:08,389 --> 00:14:06,720

will probably die this year because of a

450

00:14:11,189 --> 00:14:08,399

forced vaccination program

451
00:14:13,350 --> 00:14:11,199
so the discussion has to be how many

452
00:14:15,030 --> 00:14:13,360
kids are we willing to kill and where is

453
00:14:16,710 --> 00:14:15,040
the data on that and that's

454
00:14:18,230 --> 00:14:16,720
where i really like to get this

455
00:14:22,710 --> 00:14:18,240
conversation rolling

456
00:14:24,629 --> 00:14:22,720
because we have got to be aware

457
00:14:26,629 --> 00:14:24,639
i asked that exact question too ahead of

458
00:14:29,269 --> 00:14:26,639
the cdc up in washington

459
00:14:31,750 --> 00:14:29,279
and she said well you know it's accepted

460
00:14:33,750 --> 00:14:31,760
casualty for her immunity i said oh okay

461
00:14:36,069 --> 00:14:33,760
will you please tell me then since

462
00:14:36,550 --> 00:14:36,079
you're head of cdc in washington state

463
00:14:39,670 --> 00:14:36,560

here

464

00:14:40,629 --> 00:14:39,680

exactly how many children do we believe

465

00:14:43,670 --> 00:14:40,639

we're gonna kill

466

00:14:44,550 --> 00:14:43,680

this year as a part of that casualty and

467

00:14:47,189 --> 00:14:44,560

she said

468

00:14:48,310 --> 00:14:47,199

well we don't have any data on that and

469

00:14:50,389 --> 00:14:48,320

i said wait a minute i thought you were

470

00:14:50,870 --> 00:14:50,399

a scientist i thought this was science i

471

00:14:52,710 --> 00:14:50,880

thought

472

00:14:55,110 --> 00:14:52,720

if you're gonna say it's an accepted

473

00:14:56,550 --> 00:14:55,120

casualty shouldn't you know what number

474

00:14:58,310 --> 00:14:56,560

you are willing to accept

475

00:14:59,509 --> 00:14:58,320

i mean that seems a little reckless to

476
00:15:00,150 --> 00:14:59,519
me that you know you're going to kill

477
00:15:02,150 --> 00:15:00,160
some kids

478
00:15:03,590 --> 00:15:02,160
but you have no idea how many but you

479
00:15:06,230 --> 00:15:03,600
say it's acceptable

480
00:15:07,350 --> 00:15:06,240
see you can't have a sliding bar on

481
00:15:10,949 --> 00:15:07,360
acceptable

482
00:15:11,350 --> 00:15:10,959
casualties so that's where you start

483
00:15:13,110 --> 00:15:11,360
seeing

484
00:15:15,269 --> 00:15:13,120
the politicians start to lock in and

485
00:15:17,990 --> 00:15:15,279
those are the questions i ask my friends

486
00:15:19,430 --> 00:15:18,000
well okay because what i think the

487
00:15:20,949 --> 00:15:19,440
mistake we make when we start talking

488
00:15:21,590 --> 00:15:20,959

about vaccines with our friends and

489

00:15:23,750 --> 00:15:21,600

family

490

00:15:25,590 --> 00:15:23,760

is we immediately try to just bulldoze

491

00:15:25,990 --> 00:15:25,600

them with all this information we have

492

00:15:27,750 --> 00:15:26,000

and

493

00:15:29,189 --> 00:15:27,760

what was the last time that ever worked

494

00:15:30,710 --> 00:15:29,199

on a subject for you

495

00:15:31,990 --> 00:15:30,720

you tune them out you feel like oh

496

00:15:33,350 --> 00:15:32,000

you're a know-it-all you're just trying

497

00:15:35,590 --> 00:15:33,360

to bully me in a situation

498

00:15:37,749 --> 00:15:35,600

i like to ask questions i like to ask

499

00:15:40,470 --> 00:15:37,759

questions of the people i'm talking to

500

00:15:41,110 --> 00:15:40,480

to see where is their line where are

501
00:15:44,150 --> 00:15:41,120
they really

502
00:15:45,030 --> 00:15:44,160
feeling comfortable so then you know i

503
00:15:47,110 --> 00:15:45,040
might say

504
00:15:48,710 --> 00:15:47,120
since i'm there let me talk about herd

505
00:15:50,710 --> 00:15:48,720
immunity because this i think is

506
00:15:52,710 --> 00:15:50,720
the number one argument that they have

507
00:15:55,030 --> 00:15:52,720
it's the reason they're saying

508
00:15:56,470 --> 00:15:55,040
there's literally right now as we speak

509
00:15:58,389 --> 00:15:56,480
if you're living in america

510
00:16:00,870 --> 00:15:58,399
you were watching the destruction of

511
00:16:01,749 --> 00:16:00,880
freedom and it's all based on the pharma

512
00:16:03,590 --> 00:16:01,759
takeover

513
00:16:05,030 --> 00:16:03,600

of this country now i know that sounded

514

00:16:07,030 --> 00:16:05,040

like a conspiracy theory

515

00:16:08,949 --> 00:16:07,040

but now i can actually say that for real

516

00:16:12,230 --> 00:16:08,959

you just had a senate hearing today

517

00:16:14,710 --> 00:16:12,240

to try and force a federal push to

518

00:16:16,069 --> 00:16:14,720

demand that all people be vaccinated you

519

00:16:18,870 --> 00:16:16,079

had a congressional meeting

520

00:16:19,189 --> 00:16:18,880

last week vax by the way just got pulled

521

00:16:22,069 --> 00:16:19,199

from

522

00:16:24,069 --> 00:16:22,079

amazon two days ago because adam schiff

523

00:16:26,790 --> 00:16:24,079

one of america's representatives

524

00:16:28,790 --> 00:16:26,800

demanded that amazon pull down any

525

00:16:31,030 --> 00:16:28,800

videos that questioned vaccines

526

00:16:33,189 --> 00:16:31,040

we're talking about a moment of book

527

00:16:34,550 --> 00:16:33,199

burning we haven't seen for a very long

528

00:16:37,030 --> 00:16:34,560

time in a country

529

00:16:37,749 --> 00:16:37,040

that swore it would never do that would

530

00:16:40,949 --> 00:16:37,759

never be

531

00:16:42,150 --> 00:16:40,959

that country that is so angry about an

532

00:16:44,949 --> 00:16:42,160

opposing thought

533

00:16:45,749 --> 00:16:44,959

that it starts burning away your access

534

00:16:47,670 --> 00:16:45,759

to it

535

00:16:49,590 --> 00:16:47,680

but herd immunity is what they're

536

00:16:51,990 --> 00:16:49,600

selling this entire thing to us

537

00:16:52,710 --> 00:16:52,000

on so here's the science of herd

538

00:16:54,790 --> 00:16:52,720

immunity

539

00:16:56,470 --> 00:16:54,800

and i'm going to destroy it like a magic

540

00:16:57,350 --> 00:16:56,480

trick and i've done this in huge

541

00:16:59,430 --> 00:16:57,360

audiences

542

00:17:00,790 --> 00:16:59,440

if i'm in an audience of let's say a

543

00:17:01,910 --> 00:17:00,800

hundred people i was actually in

544

00:17:03,670 --> 00:17:01,920

mississippi

545

00:17:05,350 --> 00:17:03,680

talking to the health department in

546

00:17:07,510 --> 00:17:05,360

mississippi there was

547

00:17:08,549 --> 00:17:07,520

people there trying to get a religious

548

00:17:10,230 --> 00:17:08,559

exemption back they have

549

00:17:11,590 --> 00:17:10,240

none of their exemptions and they were

550

00:17:13,189 --> 00:17:11,600

trying to win one back and so i was

551
00:17:15,270 --> 00:17:13,199
talking to health department so

552
00:17:16,390 --> 00:17:15,280
all these health officials in the room

553
00:17:18,150 --> 00:17:16,400
and i said okay

554
00:17:20,390 --> 00:17:18,160
can we all agree let me just make sure i

555
00:17:21,429 --> 00:17:20,400
have my math right that measles since

556
00:17:24,309 --> 00:17:21,439
measles is the big

557
00:17:25,029 --> 00:17:24,319
terrifying black plague of our time even

558
00:17:27,270 --> 00:17:25,039
though

559
00:17:29,190 --> 00:17:27,280
if we go back to the 1960s it was a

560
00:17:29,830 --> 00:17:29,200
brady bunch episode and we were giggling

561
00:17:31,350 --> 00:17:29,840
ourselves

562
00:17:34,070 --> 00:17:31,360
stupid when the whole family got the

563
00:17:36,150 --> 00:17:34,080

measles because the kid says boy if you

564

00:17:37,990 --> 00:17:36,160

get sick you sure can't beat the measles

565

00:17:38,789 --> 00:17:38,000

and like yeah they're all playing board

566

00:17:40,230 --> 00:17:38,799

games and

567

00:17:42,390 --> 00:17:40,240

eating ice cream because that's what

568

00:17:44,390 --> 00:17:42,400

measles really is but we have

569

00:17:47,350 --> 00:17:44,400

changed that story but measles is the

570

00:17:48,230 --> 00:17:47,360

big story so the pharmaceutical industry

571

00:17:51,350 --> 00:17:48,240

and the cdc

572

00:17:54,230 --> 00:17:51,360

say that you need 95 vaccine

573

00:17:55,510 --> 00:17:54,240

uptake in order to achieve herd immunity

574

00:17:58,150 --> 00:17:55,520

you've heard this argument

575

00:17:59,990 --> 00:17:58,160

that the growing groups of anti-bacters

576
00:18:01,750 --> 00:18:00,000
were moving outside of the two and three

577
00:18:04,230 --> 00:18:01,760
percent we might be five percent in

578
00:18:06,789 --> 00:18:04,240
certain areas maybe even seven percent

579
00:18:08,390 --> 00:18:06,799
are now unvaccinated in kindergarten and

580
00:18:09,190 --> 00:18:08,400
we've got to get those kindergartners

581
00:18:11,110 --> 00:18:09,200
vaccinated

582
00:18:12,390 --> 00:18:11,120
right that's the whole argument and

583
00:18:15,029 --> 00:18:12,400
every news station

584
00:18:16,789 --> 00:18:15,039
is being pumped into us ad nauseam but

585
00:18:19,830 --> 00:18:16,799
here's the problem with that

586
00:18:23,190 --> 00:18:19,840
the cdc doesn't say that 95 percent of

587
00:18:25,750 --> 00:18:23,200
kidner gardeners it doesn't say 95 of

588
00:18:27,029 --> 00:18:25,760

kindergarten through 12th grade or

589

00:18:28,549 --> 00:18:27,039

kindergarten through college it's

590

00:18:31,909 --> 00:18:28,559

actually 95

591

00:18:33,990 --> 00:18:31,919

of your entire society needs to be

592

00:18:35,270 --> 00:18:34,000

up to date on their vaccines in order to

593

00:18:37,190 --> 00:18:35,280

have hurt immunity

594

00:18:39,590 --> 00:18:37,200

now when i was standing in that room in

595

00:18:42,470 --> 00:18:39,600

mississippi i brought up a slide i said

596

00:18:44,390 --> 00:18:42,480

here is the cdc's adult schedule

597

00:18:46,070 --> 00:18:44,400

yes there is one for those that just

598

00:18:47,190 --> 00:18:46,080

heard this for the first time and they

599

00:18:49,190 --> 00:18:47,200

are going to start

600

00:18:50,870 --> 00:18:49,200

force vaccinating all adults in the next

601
00:18:51,590 --> 00:18:50,880
year or two based on that schedule so

602
00:18:53,990 --> 00:18:51,600
that's

603
00:18:54,870 --> 00:18:54,000
around the corner but on that schedule

604
00:18:58,150 --> 00:18:54,880
it says that

605
00:18:58,630 --> 00:18:58,160
you need two more mmr vaccines as an

606
00:19:01,590 --> 00:18:58,640
adult

607
00:19:04,950 --> 00:19:01,600
if you were born after 1957 why after

608
00:19:07,510 --> 00:19:04,960
1957 because anyone before 1957

609
00:19:10,230 --> 00:19:07,520
probably got the measles infection and

610
00:19:12,549 --> 00:19:10,240
has the ferrari of immunity they have

611
00:19:14,230 --> 00:19:12,559
lifelong immunity they never have to

612
00:19:15,350 --> 00:19:14,240
worry about it they can walk into any

613
00:19:17,669 --> 00:19:15,360

measles ward

614

00:19:18,950 --> 00:19:17,679

in the world and never get the measles

615

00:19:21,430 --> 00:19:18,960

but if you've been

616

00:19:22,710 --> 00:19:21,440

vaccinated and you got your two vaccines

617

00:19:24,070 --> 00:19:22,720

as a kid and now they're talking about a

618

00:19:26,150 --> 00:19:24,080

third one in college

619

00:19:28,470 --> 00:19:26,160

and then two more as an adult the reason

620

00:19:30,390 --> 00:19:28,480

for that is vaccines wear off

621

00:19:32,070 --> 00:19:30,400

you know the tdap vaccine looks like it

622

00:19:33,270 --> 00:19:32,080

wears off every three years now they're

623

00:19:34,710 --> 00:19:33,280

starting to struggle with why we're

624

00:19:37,590 --> 00:19:34,720

having pertussis outbreaks

625

00:19:39,669 --> 00:19:37,600

measles at best maybe 10 years and the

626
00:19:41,990 --> 00:19:39,679
odd person might have their immunity

627
00:19:44,310 --> 00:19:42,000
last for 20 years so i said to this room

628
00:19:46,150 --> 00:19:44,320
of over 100 people health officials

629
00:19:48,710 --> 00:19:46,160
since you need two more

630
00:19:49,669 --> 00:19:48,720
measles vaccines as adults to be

631
00:19:51,590 --> 00:19:49,679
compliant

632
00:19:53,590 --> 00:19:51,600
will you please raise your hand if

633
00:19:55,029 --> 00:19:53,600
you've had your measles vaccine in the

634
00:19:56,310 --> 00:19:55,039
last 10 years

635
00:19:58,070 --> 00:19:56,320
you know how many people out of the

636
00:19:59,669 --> 00:19:58,080
entire health department and senators

637
00:20:02,630 --> 00:19:59,679
and congressmen raise their hand

638
00:20:03,909 --> 00:20:02,640

one one little old lady raised her hand

639

00:20:05,510 --> 00:20:03,919

and i said there you go

640

00:20:07,190 --> 00:20:05,520

and everyone listening to your program

641

00:20:09,270 --> 00:20:07,200

right now can think to themselves gee

642

00:20:11,430 --> 00:20:09,280

dell's right i can't remember the last

643

00:20:13,029 --> 00:20:11,440

time i had an mmr vaccine

644

00:20:14,870 --> 00:20:13,039

and i've said the politicians they're

645

00:20:16,549 --> 00:20:14,880

telling me herd immunity well what about

646

00:20:18,789 --> 00:20:16,559

hurting me is like have you had your mmr

647

00:20:19,350 --> 00:20:18,799

vaccine in the last 10 years like no and

648

00:20:21,350 --> 00:20:19,360

i said

649

00:20:23,190 --> 00:20:21,360

then technically you're an anti-vaxxer

650

00:20:23,750 --> 00:20:23,200

because you are no longer immune to

651
00:20:25,830 --> 00:20:23,760
measles

652
00:20:26,950 --> 00:20:25,840
you need to get another vaccine and so

653
00:20:29,909 --> 00:20:26,960
does probably

654
00:20:31,990 --> 00:20:29,919
90 percent of all the adults in america

655
00:20:34,549 --> 00:20:32,000
so that means we're nowhere near

656
00:20:35,510 --> 00:20:34,559
95 herd immunity we're somewhere

657
00:20:38,630 --> 00:20:35,520
probably around

658
00:20:39,830 --> 00:20:38,640
60 and we've always been there

659
00:20:41,350 --> 00:20:39,840
the only time we might have been better

660
00:20:41,990 --> 00:20:41,360
was when we all were getting natural

661
00:20:44,310 --> 00:20:42,000
measles

662
00:20:46,310 --> 00:20:44,320
we probably had higher rates of immunity

663
00:20:48,230 --> 00:20:46,320

back when everybody was being infected

664

00:20:49,350 --> 00:20:48,240

and getting their immunity so the point

665

00:20:52,630 --> 00:20:49,360

being is this

666

00:20:54,950 --> 00:20:52,640

there has never been the 95

667

00:20:55,669 --> 00:20:54,960

we've always been somewhere around 60 we

668

00:20:58,390 --> 00:20:55,679

will never

669

00:21:00,149 --> 00:20:58,400

get there herd immunity is a myth it's

670

00:21:01,510 --> 00:21:00,159

been written by the ad departments of

671

00:21:03,430 --> 00:21:01,520

the pharmaceutical industry

672

00:21:05,270 --> 00:21:03,440

i've challenged every scientist to prove

673

00:21:07,909 --> 00:21:05,280

me wrong they cannot

674

00:21:08,630 --> 00:21:07,919

and so this whole thing's alive and

675

00:21:11,669 --> 00:21:08,640

that's the

676
00:21:13,830 --> 00:21:11,679
biggest pillar of this entire push

677
00:21:14,870 --> 00:21:13,840
to take away your rights as citizens is

678
00:21:17,110 --> 00:21:14,880
hurt immunity

679
00:21:18,549 --> 00:21:17,120
protecting that immunosuppressed child

680
00:21:20,390 --> 00:21:18,559
and here's what i want to say i'm not

681
00:21:22,070 --> 00:21:20,400
going to advocate that every adult has

682
00:21:23,909 --> 00:21:22,080
to go out and get their vaccines now

683
00:21:25,750 --> 00:21:23,919
cdc will believe me you're going to hear

684
00:21:27,510 --> 00:21:25,760
this argument in about a year and two

685
00:21:28,470 --> 00:21:27,520
from their own mouths i'm trying to warn

686
00:21:31,190 --> 00:21:28,480
you ahead of time

687
00:21:32,149 --> 00:21:31,200
this is where this is going but in the

688
00:21:35,110 --> 00:21:32,159

end

689

00:21:37,110 --> 00:21:35,120

no adult is vaccinated and we don't have

690

00:21:38,470 --> 00:21:37,120

some return of polio that the news

691

00:21:39,909 --> 00:21:38,480

agencies are trying to tell us to be

692

00:21:42,390 --> 00:21:39,919

worried about we don't have

693

00:21:43,990 --> 00:21:42,400

some giant epidemic of deadly killer

694

00:21:46,230 --> 00:21:44,000

measles killing people in fact

695

00:21:47,669 --> 00:21:46,240

no one has died from measles in the last

696

00:21:49,669 --> 00:21:47,679

10 years in america

697

00:21:51,750 --> 00:21:49,679

and before that it was like i think

698

00:21:53,430 --> 00:21:51,760

seven years earlier one kid and one

699

00:21:55,350 --> 00:21:53,440

old man and before that you can barely

700

00:21:56,230 --> 00:21:55,360

find anybody this is not a deadly

701
00:21:58,310 --> 00:21:56,240
disease

702
00:22:00,230 --> 00:21:58,320
though they say it's deadly it's like

703
00:22:01,430 --> 00:22:00,240
saying water is deadly to drink yeah

704
00:22:02,710 --> 00:22:01,440
once in a while you hear a story of

705
00:22:03,270 --> 00:22:02,720
someone who drank too much water and

706
00:22:05,270 --> 00:22:03,280
died

707
00:22:07,110 --> 00:22:05,280
that doesn't mean water is deadly you

708
00:22:07,990 --> 00:22:07,120
know and that's sort of the exaggeration

709
00:22:09,750 --> 00:22:08,000
what's going on so

710
00:22:11,270 --> 00:22:09,760
that's where i start let me kill herd

711
00:22:13,110 --> 00:22:11,280
immunity right out of the bag

712
00:22:14,390 --> 00:22:13,120
for you and then ask somebody what they

713
00:22:16,630 --> 00:22:14,400

think about that i mean

714

00:22:18,230 --> 00:22:16,640

what do you have to say about that so

715

00:22:20,070 --> 00:22:18,240

that's probably where to start i could

716

00:22:21,350 --> 00:22:20,080

go on and never let you speak for the

717

00:22:23,110 --> 00:22:21,360

rest of this interview for two hours so

718

00:22:25,190 --> 00:22:23,120

why don't you throw me another question

719

00:22:26,149 --> 00:22:25,200

well some people do so i would be used

720

00:22:27,830 --> 00:22:26,159

to it but

721

00:22:29,190 --> 00:22:27,840

man it is all about the guests here

722

00:22:30,710 --> 00:22:29,200

because you know you guys are the ones

723

00:22:31,909 --> 00:22:30,720

who have the information and while we're

724

00:22:34,390 --> 00:22:31,919

talking about measles

725

00:22:36,470 --> 00:22:34,400

something that i consider to be pretty

726

00:22:39,590 --> 00:22:36,480

radical that i learned from

727

00:22:39,990 --> 00:22:39,600

the high wire is that there apparently

728

00:22:41,909 --> 00:22:40,000

are some

729

00:22:44,230 --> 00:22:41,919

benefits to having measles not only is

730

00:22:46,070 --> 00:22:44,240

the immunity lifelong as opposed to the

731

00:22:48,549 --> 00:22:46,080

vaccine which wears off but there's

732

00:22:50,070 --> 00:22:48,559

apparently new data that suggests that

733

00:22:53,270 --> 00:22:50,080

the benefits are

734

00:22:54,149 --> 00:22:53,280

even stronger than that yeah so we know

735

00:22:56,310 --> 00:22:54,159

for a fact

736

00:22:58,070 --> 00:22:56,320

in fact we've known there's been studies

737

00:22:58,630 --> 00:22:58,080

throughout the years that have shown

738

00:23:00,870 --> 00:22:58,640

that

739

00:23:01,750 --> 00:23:00,880

if you get a measles infection as a

740

00:23:03,190 --> 00:23:01,760

child

741

00:23:05,510 --> 00:23:03,200

they did a study looking at

742

00:23:07,110 --> 00:23:05,520

non-hodgkin's lymphoma which is one of

743

00:23:09,669 --> 00:23:07,120

the most dangerous

744

00:23:11,750 --> 00:23:09,679

cancers you can get and they looked at

745

00:23:13,830 --> 00:23:11,760

the rates of non-hodgkin's lymphoma in

746

00:23:15,510 --> 00:23:13,840

people who had a measles infection as a

747

00:23:16,950 --> 00:23:15,520

child and those that had not

748

00:23:20,070 --> 00:23:16,960

and they looked at them over the course

749

00:23:22,549 --> 00:23:20,080

of decades and what they discovered was

750

00:23:24,630 --> 00:23:22,559

that those who had not been infected

751

00:23:28,470 --> 00:23:24,640

with the measles had a vaccine or

752

00:23:30,870 --> 00:23:28,480

never had a measles infection were 66

753

00:23:31,909 --> 00:23:30,880

more likely to develop non-hodgkin's

754

00:23:33,990 --> 00:23:31,919

lymphoma

755

00:23:36,070 --> 00:23:34,000

than those that had had the measles as a

756

00:23:39,990 --> 00:23:36,080

child and then hodgkin's lymphoma

757

00:23:40,950 --> 00:23:40,000

was even greater you were 333 percent

758

00:23:44,070 --> 00:23:40,960

more likely

759

00:23:46,310 --> 00:23:44,080

to develop hodgkin's lymphoma

760

00:23:48,710 --> 00:23:46,320

if you had not had your measles

761

00:23:50,470 --> 00:23:48,720

infection as a child and vaccines do not

762

00:23:52,230 --> 00:23:50,480

give you the infection therefore your

763

00:23:52,870 --> 00:23:52,240

body they call it priming the immune

764

00:23:54,149 --> 00:23:52,880

system

765

00:23:56,310 --> 00:23:54,159

i think you got to look at it sort of

766

00:23:58,390 --> 00:23:56,320

like lifting weights if you don't lift

767

00:24:00,230 --> 00:23:58,400

weights your muscles atrophy

768

00:24:01,510 --> 00:24:00,240

if you don't you know you've got to tear

769

00:24:02,630 --> 00:24:01,520

muscle that's actually what you're doing

770

00:24:04,390 --> 00:24:02,640

you're tearing muscle

771

00:24:06,710 --> 00:24:04,400

when you're lifting weights and then it

772

00:24:08,149 --> 00:24:06,720

strengthens and fills in those fibers

773

00:24:10,390 --> 00:24:08,159

and you get stronger

774

00:24:13,029 --> 00:24:10,400

your immune system is similar if you

775

00:24:15,269 --> 00:24:13,039

never tax your immune system as a child

776

00:24:16,549 --> 00:24:15,279

you end up being vulnerable to all sorts

777

00:24:19,510 --> 00:24:16,559

of diseases in fact

778

00:24:21,350 --> 00:24:19,520

they looked at heart disease and again

779

00:24:23,110 --> 00:24:21,360

they found that if you had both and it

780

00:24:23,909 --> 00:24:23,120

was even better measles was great but if

781

00:24:27,110 --> 00:24:23,919

you had both

782

00:24:30,549 --> 00:24:27,120

measles and mumps as a child then

783

00:24:32,870 --> 00:24:30,559

you had a significant reduction in heart

784

00:24:35,110 --> 00:24:32,880

disease and death in your future some of

785

00:24:37,590 --> 00:24:35,120

the studies showed at least 10 percent

786

00:24:38,630 --> 00:24:37,600

and upwards of 20 and 30 in some of the

787

00:24:40,950 --> 00:24:38,640

studies but

788

00:24:42,230 --> 00:24:40,960

what we know is even if it was 10 so

789

00:24:44,630 --> 00:24:42,240

when we think about

790

00:24:46,549 --> 00:24:44,640

saving people from the measles and that

791

00:24:48,310 --> 00:24:46,559

that immunosuppressed child that might

792

00:24:49,269 --> 00:24:48,320

die and as i pointed out no one's died

793

00:24:52,390 --> 00:24:49,279

in 10 years

794

00:24:55,750 --> 00:24:52,400

but every year 610

795

00:24:57,669 --> 00:24:55,760

000 people on average in america die

796

00:24:58,789 --> 00:24:57,679

of heart disease it's the number one

797

00:25:01,350 --> 00:24:58,799

cause of death

798

00:25:02,549 --> 00:25:01,360

if having the measles reduce that just

799

00:25:06,390 --> 00:25:02,559

10

800

00:25:08,310 --> 00:25:06,400

you would be saving 60 000 people a year

801
00:25:09,510 --> 00:25:08,320
just by letting them get the measles

802
00:25:12,870 --> 00:25:09,520
how's that sound

803
00:25:16,549 --> 00:25:12,880
for life-saving measures

804
00:25:18,549 --> 00:25:16,559
right well said and you know we started

805
00:25:19,029 --> 00:25:18,559
with that heavy question of how many

806
00:25:21,269 --> 00:25:19,039
people

807
00:25:23,029 --> 00:25:21,279
dying is an acceptable price to pay i

808
00:25:24,230 --> 00:25:23,039
think that's a really great argument

809
00:25:26,310 --> 00:25:24,240
that you made to

810
00:25:28,070 --> 00:25:26,320
you know turn these things on the

811
00:25:29,190 --> 00:25:28,080
doctors and scientists themselves but i

812
00:25:31,830 --> 00:25:29,200
wanted to ask you about

813
00:25:33,430 --> 00:25:31,840

death and injuries and injury reporting

814

00:25:35,029 --> 00:25:33,440

because that is the big question

815

00:25:36,710 --> 00:25:35,039

how many people are getting hurt by

816

00:25:38,549 --> 00:25:36,720

these shots can you talk to us about the

817

00:25:40,310 --> 00:25:38,559

reporting system we have and what

818

00:25:41,830 --> 00:25:40,320

happened when harvard looked into this

819

00:25:43,830 --> 00:25:41,840

because it's pretty shocking

820

00:25:45,909 --> 00:25:43,840

it is very shocking and this actually

821

00:25:47,590 --> 00:25:45,919

blew me away we hear all the time that

822

00:25:50,070 --> 00:25:47,600

vaccine injuries are it's one in a

823

00:25:50,870 --> 00:25:50,080

million sure it happens but it's very

824

00:25:53,269 --> 00:25:50,880

very rare

825

00:25:55,269 --> 00:25:53,279

one in a million chance and so i looked

826

00:25:56,549 --> 00:25:55,279

into that and so did bobby kennedy i

827

00:25:58,230 --> 00:25:56,559

work with a lot

828

00:25:59,830 --> 00:25:58,240

we had the opportunity to go to the

829

00:26:01,110 --> 00:25:59,840

national institute of health and speak

830

00:26:03,830 --> 00:26:01,120

to all the heads of

831

00:26:05,590 --> 00:26:03,840

our immunization program it was set up

832

00:26:06,549 --> 00:26:05,600

by donald trump right after donald trump

833

00:26:09,190 --> 00:26:06,559

had gotten into office

834

00:26:11,110 --> 00:26:09,200

and we asked them you know how are you

835

00:26:12,710 --> 00:26:11,120

capturing the injuries and we'll talk a

836

00:26:14,310 --> 00:26:12,720

little bit about why

837

00:26:15,430 --> 00:26:14,320

vaccines aren't safe and how they know

838

00:26:16,230 --> 00:26:15,440

they're not safe they've never done

839

00:26:18,950 --> 00:26:16,240

safety studies

840

00:26:20,950 --> 00:26:18,960

but when we talk about the signal what

841

00:26:22,070 --> 00:26:20,960

we're looking for in society is if a

842

00:26:24,310 --> 00:26:22,080

vaccine has gone

843

00:26:26,070 --> 00:26:24,320

wrong how would we see it how would we

844

00:26:27,909 --> 00:26:26,080

know let's say maybe

845

00:26:29,990 --> 00:26:27,919

china's making one of them and there's a

846

00:26:30,470 --> 00:26:30,000

bad element in it how would we find that

847

00:26:34,549 --> 00:26:30,480

out

848

00:26:37,830 --> 00:26:34,559

only surveillance system we have

849

00:26:40,310 --> 00:26:37,840

in america is called the vares

850

00:26:42,149 --> 00:26:40,320

system this is the system it's vaccine

851
00:26:43,990 --> 00:26:42,159
adverse events reporting system this is

852
00:26:44,870 --> 00:26:44,000
where the doctor if your child has a

853
00:26:46,789 --> 00:26:44,880
seizure

854
00:26:48,549 --> 00:26:46,799
right after a vaccine then the doctor's

855
00:26:48,950 --> 00:26:48,559
supposed to report that to varus if your

856
00:26:51,190 --> 00:26:48,960
child

857
00:26:53,029 --> 00:26:51,200
dies three days after a vaccine they're

858
00:26:54,630 --> 00:26:53,039
supposed to report at varus by the way

859
00:26:56,710 --> 00:26:54,640
whether or not they are actually

860
00:26:58,470 --> 00:26:56,720
convinced the vaccine is causing it if

861
00:27:00,070 --> 00:26:58,480
you read the vaccine insert that the

862
00:27:01,909 --> 00:27:00,080
manufacturer puts there

863
00:27:03,350 --> 00:27:01,919

it has this caveat says that any

864

00:27:05,909 --> 00:27:03,360

reaction to the vaccine

865

00:27:07,590 --> 00:27:05,919

out of the normal or within the time of

866

00:27:09,110 --> 00:27:07,600

the vaccine report it to bears

867

00:27:10,789 --> 00:27:09,120

and then you'll be able to look at the

868

00:27:12,630 --> 00:27:10,799

data and figure out what's

869

00:27:14,310 --> 00:27:12,640

really a good report or not but it

870

00:27:17,269 --> 00:27:14,320

should all be reported bears

871

00:27:18,470 --> 00:27:17,279

so here's what we know and i used 2016

872

00:27:19,990 --> 00:27:18,480

because that was the last numbers we

873

00:27:22,710 --> 00:27:20,000

crunched in fact we're just about

874

00:27:23,990 --> 00:27:22,720

done crunching through 2018's and i'm

875

00:27:25,269 --> 00:27:24,000

going to start using newer numbers but

876
00:27:28,950 --> 00:27:25,279
they're looking similar

877
00:27:32,830 --> 00:27:28,960
so in 2016 the vera system

878
00:27:36,070 --> 00:27:32,840
in america alone for one year had 59

879
00:27:39,590 --> 00:27:36,080
117 reported vaccine

880
00:27:43,110 --> 00:27:39,600
injuries 432 of those were

881
00:27:46,389 --> 00:27:43,120
deaths after vaccine and you know 10

882
00:27:50,710 --> 00:27:46,399
000 of them were emergency room visits

883
00:27:54,230 --> 00:27:50,720
so already for me 432

884
00:27:54,630 --> 00:27:54,240
deaths sounds really bad that shouldn't

885
00:27:57,430 --> 00:27:54,640
be

886
00:27:57,750 --> 00:27:57,440
happening and it's a lot more than i

887
00:27:59,909 --> 00:27:57,760
think

888
00:28:01,750 --> 00:27:59,919

most health professionals recognize

889

00:28:04,310 --> 00:28:01,760

because as i said

890

00:28:05,990 --> 00:28:04,320

any room full of people won't even join

891

00:28:08,710 --> 00:28:06,000

a non-profit that would kill one

892

00:28:11,190 --> 00:28:08,720

innocent child what if we're killing 432

893

00:28:12,630 --> 00:28:11,200

so that's what we know beyond that

894

00:28:14,870 --> 00:28:12,640

though we have a bigger problem

895

00:28:16,630 --> 00:28:14,880

health and human services that is the

896

00:28:17,909 --> 00:28:16,640

one that manages bears and by the way

897

00:28:19,190 --> 00:28:17,919

for those people that

898

00:28:21,350 --> 00:28:19,200

don't understand health and human

899

00:28:22,630 --> 00:28:21,360

services is i think it is the mothership

900

00:28:25,750 --> 00:28:22,640

of our health department

901
00:28:29,029 --> 00:28:25,760
they oversee like below them is cdc

902
00:28:29,990 --> 00:28:29,039
fda hrsa and the national institute of

903
00:28:31,590 --> 00:28:30,000
health so hhs

904
00:28:33,269 --> 00:28:31,600
is sort of the mothership health and

905
00:28:35,269 --> 00:28:33,279
human services has done multiple

906
00:28:36,149 --> 00:28:35,279
investigations and affairs including one

907
00:28:37,750 --> 00:28:36,159
you mentioned by

908
00:28:39,430 --> 00:28:37,760
harvard medical school and what they

909
00:28:42,470 --> 00:28:39,440
asked was

910
00:28:43,269 --> 00:28:42,480
how efficient is the vera system is it

911
00:28:45,269 --> 00:28:43,279
capturing

912
00:28:46,710 --> 00:28:45,279
what percentage of actual injuries do we

913
00:28:48,549 --> 00:28:46,720

think it's capturing

914

00:28:50,549 --> 00:28:48,559

and they come back multiple times and

915

00:28:51,990 --> 00:28:50,559

harvard was terrifying because they came

916

00:28:53,909 --> 00:28:52,000

back and said

917

00:28:55,510 --> 00:28:53,919

is capturing less than one percent of

918

00:28:58,070 --> 00:28:55,520

the total amount of injuries

919

00:28:59,669 --> 00:28:58,080

that are happening one percent let's

920

00:29:03,029 --> 00:28:59,679

just take one percent

921

00:29:06,070 --> 00:29:03,039

that means that there weren't just 59

922

00:29:07,590 --> 00:29:06,080

117 reported injuries in 2016.

923

00:29:09,269 --> 00:29:07,600

if we're to take health and human

924

00:29:12,149 --> 00:29:09,279

services internal review

925

00:29:14,310 --> 00:29:12,159

and their word for it 59 000 injuries

926
00:29:17,590 --> 00:29:14,320
becomes 5.9

927
00:29:20,750 --> 00:29:17,600
million vaccine injuries in america

928
00:29:24,389 --> 00:29:20,760
in 2016 alone that are reported

929
00:29:25,510 --> 00:29:24,399
432 deaths if we multiply by 100 saying

930
00:29:30,470 --> 00:29:25,520
it's one percent becomes

931
00:29:33,590 --> 00:29:30,480
43 000 deaths in one year from vaccines

932
00:29:37,029 --> 00:29:33,600
and 10 000 emergency room visits becomes

933
00:29:38,870 --> 00:29:37,039
one million emergency room visits now

934
00:29:40,630 --> 00:29:38,880
this is no way to do science you

935
00:29:42,630 --> 00:29:40,640
shouldn't be extrapolating from a one

936
00:29:44,630 --> 00:29:42,640
percent measurement and i get that

937
00:29:47,110 --> 00:29:44,640
i'm sure there are anomalies in there

938
00:29:50,310 --> 00:29:47,120

but what we know is this number has

939

00:29:53,750 --> 00:29:50,320

got to be immensely larger

940

00:29:55,590 --> 00:29:53,760

than what's being captured there and so

941

00:29:55,990 --> 00:29:55,600

one of the things that i look into is

942

00:29:58,870 --> 00:29:56,000

well

943

00:29:59,990 --> 00:29:58,880

cdc now knows that hhs knows that what

944

00:30:02,470 --> 00:30:00,000

did they do about it

945

00:30:03,029 --> 00:30:02,480

well at that same time harvard medical

946

00:30:05,269 --> 00:30:03,039

school

947

00:30:07,350 --> 00:30:05,279

was supposed to be trying to automate

948

00:30:09,269 --> 00:30:07,360

the bear system that we paid a million

949

00:30:11,430 --> 00:30:09,279

dollars for a study to see

950

00:30:12,789 --> 00:30:11,440

because look at we're the home of ibm

951
00:30:13,590 --> 00:30:12,799
we're the home of microsoft we're the

952
00:30:15,830 --> 00:30:13,600
home of

953
00:30:17,830 --> 00:30:15,840
apple and computer learning we've got

954
00:30:19,430 --> 00:30:17,840
you know i saw a robot in the parking

955
00:30:20,870 --> 00:30:19,440
lot the other day okay so obviously we

956
00:30:23,990 --> 00:30:20,880
have technology

957
00:30:25,510 --> 00:30:24,000
that is beyond anything that we need to

958
00:30:27,110 --> 00:30:25,520
investigate something like this so they

959
00:30:28,950 --> 00:30:27,120
said to harvard let's see if we can

960
00:30:29,990 --> 00:30:28,960
bring it online let's have bears be an

961
00:30:32,470 --> 00:30:30,000
automated system

962
00:30:34,230 --> 00:30:32,480
that doesn't wait for the doctors to use

963
00:30:35,830 --> 00:30:34,240

it that as soon as someone reports an

964

00:30:37,830 --> 00:30:35,840

injury and is put in the computer that

965

00:30:39,190 --> 00:30:37,840

computer just immediately puts it up as

966

00:30:42,230 --> 00:30:39,200

a varus report

967

00:30:43,269 --> 00:30:42,240

well when harvard did that for all of

968

00:30:45,750 --> 00:30:43,279

their hmo

969

00:30:46,470 --> 00:30:45,760

the harvard pilgrim medical group what

970

00:30:50,149 --> 00:30:46,480

they found

971

00:30:53,190 --> 00:30:50,159

was that of 35 000 vaccines given

972

00:30:55,029 --> 00:30:53,200

there was 3 000 injuries meaning 10

973

00:30:56,870 --> 00:30:55,039

of the people were getting injured by

974

00:30:59,750 --> 00:30:56,880

vaccines 10

975

00:31:01,750 --> 00:30:59,760

that's much higher than one in a million

976

00:31:04,870 --> 00:31:01,760

that's not even 1 in 100 that's

977

00:31:06,710 --> 00:31:04,880

10 per 100 are being injured and so they

978

00:31:09,830 --> 00:31:06,720

reported that the cdc

979

00:31:11,750 --> 00:31:09,840

the cdc stopped returning their calls

980

00:31:13,430 --> 00:31:11,760

and the end of the report says we were

981

00:31:15,590 --> 00:31:13,440

supposed to automate this

982

00:31:18,070 --> 00:31:15,600

but once we reported our findings the

983

00:31:20,230 --> 00:31:18,080

cdc stopped all communications with us

984

00:31:22,470 --> 00:31:20,240

basically throughout the million dollars

985

00:31:25,750 --> 00:31:22,480

and has made no effort to automate that

986

00:31:27,830 --> 00:31:25,760

system so that shows you that the cdc

987

00:31:30,070 --> 00:31:27,840

doesn't want an automated system they

988

00:31:32,870 --> 00:31:30,080

don't want the data being collected

989

00:31:34,070 --> 00:31:32,880

because it's bad news for the monsturm

990

00:31:38,630 --> 00:31:34,080

they've been telling us

991

00:31:43,669 --> 00:31:42,149

great breakdown man and obviously a lot

992

00:31:44,789 --> 00:31:43,679

of people out there have this false

993

00:31:46,870 --> 00:31:44,799

sense of security

994

00:31:49,509 --> 00:31:46,880

that the tests are being done but when

995

00:31:51,269 --> 00:31:49,519

it comes to the mmr vaccine something i

996

00:31:53,590 --> 00:31:51,279

learned from your documentary is it

997

00:31:56,230 --> 00:31:53,600

seems like the only clinical trials

998

00:31:57,029 --> 00:31:56,240

were to test the vaccine safety against

999

00:32:00,149 --> 00:31:57,039

a

1000

00:32:03,269 --> 00:32:00,159

there's no

1001
00:32:05,190 --> 00:32:03,279
true control group hpv vaccine similar

1002
00:32:08,070 --> 00:32:05,200
thing they tested it against

1003
00:32:08,950 --> 00:32:08,080
the adjuvants alone and even that caused

1004
00:32:11,110 --> 00:32:08,960
damage but

1005
00:32:13,269 --> 00:32:11,120
you won't find these cases where we have

1006
00:32:15,430 --> 00:32:13,279
a true control group getting nothing

1007
00:32:17,430 --> 00:32:15,440
and then people getting the full retail

1008
00:32:17,830 --> 00:32:17,440
vaccine and that's shocking but it is

1009
00:32:21,669 --> 00:32:17,840
true

1010
00:32:23,110 --> 00:32:21,679
something that we posed

1011
00:32:25,350 --> 00:32:23,120
in our meeting at the national institute

1012
00:32:27,029 --> 00:32:25,360
of health we stared tony fauci right in

1013
00:32:29,269 --> 00:32:27,039

the eyes head of infectious disease

1014

00:32:30,630 --> 00:32:29,279

who was just on the stand last week in

1015

00:32:32,710 --> 00:32:30,640

front of the congress

1016

00:32:34,230 --> 00:32:32,720

and francis collins head of the national

1017

00:32:34,870 --> 00:32:34,240

institute of health and we said we

1018

00:32:38,710 --> 00:32:34,880

cannot

1019

00:32:41,350 --> 00:32:38,720

find a double-blind inert placebo

1020

00:32:43,590 --> 00:32:41,360

study of a single one of the 16

1021

00:32:46,230 --> 00:32:43,600

childhood vaccines and we've looked in

1022

00:32:47,669 --> 00:32:46,240

all the manufacturer's data we've looked

1023

00:32:50,230 --> 00:32:47,679

on every

1024

00:32:52,070 --> 00:32:50,240

gov site where these types of studies

1025

00:32:54,789 --> 00:32:52,080

are supposed to be shown

1026

00:32:56,470 --> 00:32:54,799

are you hiding them is there a way you

1027

00:32:57,830 --> 00:32:56,480

can show us these studies because it's

1028

00:32:59,430 --> 00:32:57,840

very important that people

1029

00:33:00,870 --> 00:32:59,440

need to know whether they have been

1030

00:33:01,190 --> 00:33:00,880

through a safety study and so just so

1031

00:33:02,789 --> 00:33:01,200

people

1032

00:33:04,870 --> 00:33:02,799

are if you don't understand a

1033

00:33:07,029 --> 00:33:04,880

double-blind placebo study works this

1034

00:33:07,509 --> 00:33:07,039

way every drug you take is going through

1035

00:33:10,230 --> 00:33:07,519

it

1036

00:33:10,710 --> 00:33:10,240

so you have a trial drug and when that

1037

00:33:12,310 --> 00:33:10,720

drug

1038

00:33:14,070 --> 00:33:12,320

when they want to test it for safety to

1039

00:33:14,870 --> 00:33:14,080

prove it should be okay to use for

1040

00:33:18,149 --> 00:33:14,880

people

1041

00:33:20,149 --> 00:33:18,159

enlisted into a study and they

1042

00:33:22,070 --> 00:33:20,159

sign off on the fact that they will not

1043

00:33:22,870 --> 00:33:22,080

know whether they got a placebo or the

1044

00:33:25,430 --> 00:33:22,880

drug

1045

00:33:26,070 --> 00:33:25,440

and so one half of the group will get

1046

00:33:27,909 --> 00:33:26,080

the drug

1047

00:33:29,190 --> 00:33:27,919

the other half will get if it's a pill

1048

00:33:30,789 --> 00:33:29,200

they'll get a sugar pill

1049

00:33:32,630 --> 00:33:30,799

that'll be painted and look just like

1050

00:33:35,669 --> 00:33:32,640

the drug or if it's

1051

00:33:37,669 --> 00:33:35,679

an injection then they will get a saline

1052

00:33:39,350 --> 00:33:37,679

injection and not be told as placebo

1053

00:33:41,269 --> 00:33:39,360

that's why they call it double blind no

1054

00:33:43,269 --> 00:33:41,279

one in the study knows they got it

1055

00:33:45,110 --> 00:33:43,279

and none of the scientists know which

1056

00:33:47,430 --> 00:33:45,120

one got which and this is important

1057

00:33:48,389 --> 00:33:47,440

because remember this science is only

1058

00:33:50,950 --> 00:33:48,399

being done

1059

00:33:52,070 --> 00:33:50,960

by the manufacturers themselves the cdc

1060

00:33:56,230 --> 00:33:52,080

doesn't do this study

1061

00:33:57,750 --> 00:33:56,240

drug maker

1062

00:33:59,830 --> 00:33:57,760

that is making a product that's going to

1063

00:34:00,549 --> 00:33:59,840

make them billions of dollars to be

1064

00:34:02,710 --> 00:34:00,559

honest with

1065

00:34:03,830 --> 00:34:02,720

us about how their safety trials went

1066

00:34:05,830 --> 00:34:03,840

that they did

1067

00:34:07,669 --> 00:34:05,840

themselves but these double-blind

1068

00:34:10,470 --> 00:34:07,679

studies are supposed to be done

1069

00:34:11,990 --> 00:34:10,480

and they last for years like enbrel was

1070

00:34:13,909 --> 00:34:12,000

like a five-year study

1071

00:34:15,589 --> 00:34:13,919

or biox was five years some of the

1072

00:34:16,790 --> 00:34:15,599

studies went on ten years where one

1073

00:34:18,790 --> 00:34:16,800

group got the drug

1074

00:34:20,710 --> 00:34:18,800

and one group got a placebo and we

1075

00:34:22,550 --> 00:34:20,720

follow their health for 10 years

1076
00:34:23,750 --> 00:34:22,560
and at the end of that we ask very

1077
00:34:25,589 --> 00:34:23,760
important questions

1078
00:34:27,190 --> 00:34:25,599
of the computer we graph it out

1079
00:34:27,990 --> 00:34:27,200
everyone's loaded in we still don't know

1080
00:34:29,669 --> 00:34:28,000
who's who

1081
00:34:32,550 --> 00:34:29,679
and we asked who had higher rates of

1082
00:34:34,950 --> 00:34:32,560
cancer who had higher rates of diabetes

1083
00:34:36,710 --> 00:34:34,960
who had higher rates of anaphylactic

1084
00:34:39,990 --> 00:34:36,720
food allergies or

1085
00:34:41,349 --> 00:34:40,000
autoimmune issues and once we've asked

1086
00:34:42,389 --> 00:34:41,359
those questions we have a bunch of

1087
00:34:45,510 --> 00:34:42,399
numbers lined up we

1088
00:34:46,149 --> 00:34:45,520

unmask them and if the placebo group

1089

00:34:48,629 --> 00:34:46,159

that was

1090

00:34:50,069 --> 00:34:48,639

getting something inert has roughly the

1091

00:34:52,149 --> 00:34:50,079

same amount of those

1092

00:34:53,510 --> 00:34:52,159

issues as the drug group then the drug

1093

00:34:54,710 --> 00:34:53,520

gets approved for safety

1094

00:34:56,470 --> 00:34:54,720

now when i worked at the doctor's

1095

00:34:58,150 --> 00:34:56,480

television show i was sure that every

1096

00:34:58,950 --> 00:34:58,160

vaccine was going through this process i

1097

00:35:01,270 --> 00:34:58,960

mean

1098

00:35:02,069 --> 00:35:01,280

think about this we go through that

1099

00:35:04,790 --> 00:35:02,079

process

1100

00:35:06,230 --> 00:35:04,800

for drugs that are for people that are

1101

00:35:09,430 --> 00:35:06,240

dying of diseases like

1102

00:35:11,750 --> 00:35:09,440

cancer we make cancer patients wait

1103

00:35:13,109 --> 00:35:11,760

five ten years for a new drug to get

1104

00:35:16,550 --> 00:35:13,119

through that trial

1105

00:35:18,310 --> 00:35:16,560

process vaccines are given to perfectly

1106

00:35:19,190 --> 00:35:18,320

healthy children that have no problem

1107

00:35:21,829 --> 00:35:19,200

whatsoever

1108

00:35:24,230 --> 00:35:21,839

so you have to imagine that it should be

1109

00:35:24,710 --> 00:35:24,240

even more rigorous the safety trial i

1110

00:35:27,109 --> 00:35:24,720

would think

1111

00:35:28,950 --> 00:35:27,119

because this is something that you know

1112

00:35:31,510 --> 00:35:28,960

if there's a side effect on a drug

1113

00:35:32,950 --> 00:35:31,520

okay but they were dying anyway i mean

1114

00:35:34,390 --> 00:35:32,960

they were willing to take their chances

1115

00:35:35,910 --> 00:35:34,400

but with healthy children

1116

00:35:37,510 --> 00:35:35,920

i think the bar should be even higher

1117

00:35:38,790 --> 00:35:37,520

but it's actually lower what we

1118

00:35:40,470 --> 00:35:38,800

discovered was

1119

00:35:43,190 --> 00:35:40,480

that most of the vaccines include like

1120

00:35:45,829 --> 00:35:43,200

hepatitis b vaccine we give to day one

1121

00:35:47,030 --> 00:35:45,839

old babies then instead of having a five

1122

00:35:50,550 --> 00:35:47,040

to ten year

1123

00:35:52,310 --> 00:35:50,560

placebo study it had a four day

1124

00:35:53,589 --> 00:35:52,320

days i didn't say years they didn't say

1125

00:35:57,030 --> 00:35:53,599

months didn't say weeks

1126

00:35:59,030 --> 00:35:57,040

i said days four days was the trial for

1127

00:36:00,230 --> 00:35:59,040

safety on that vaccine and

1128

00:36:02,950 --> 00:36:00,240

there's two versions so the other

1129

00:36:04,710 --> 00:36:02,960

version really went deep and they went

1130

00:36:06,630 --> 00:36:04,720

five days with their study i'm not

1131

00:36:08,630 --> 00:36:06,640

making this up and they never used a

1132

00:36:09,990 --> 00:36:08,640

placebo and so we said this to the

1133

00:36:11,750 --> 00:36:10,000

national institute of health and

1134

00:36:13,589 --> 00:36:11,760

one guy said oh well we do placebo

1135

00:36:14,710 --> 00:36:13,599

studies it's just that they're earlier

1136

00:36:16,550 --> 00:36:14,720

in trials they're in

1137

00:36:18,230 --> 00:36:16,560

earlier phase one and phase two not in

1138

00:36:20,470 --> 00:36:18,240

the phase three trials that

1139

00:36:22,069 --> 00:36:20,480

you're talking about and we said great

1140

00:36:23,670 --> 00:36:22,079

could you please provide those for us

1141

00:36:25,910 --> 00:36:23,680

we'd love to see those

1142

00:36:27,190 --> 00:36:25,920

and then there was quiet and then

1143

00:36:30,150 --> 00:36:27,200

another scientist

1144

00:36:32,390 --> 00:36:30,160

chimed in and said actually no it's true

1145

00:36:33,589 --> 00:36:32,400

we don't do placebo studies we don't do

1146

00:36:36,069 --> 00:36:33,599

placebo studies

1147

00:36:37,109 --> 00:36:36,079

because it would be unethical and

1148

00:36:38,150 --> 00:36:37,119

everybody at the table goes oh yeah

1149

00:36:40,230 --> 00:36:38,160

right yeah that's right they're

1150

00:36:41,910 --> 00:36:40,240

unethical i mean it was amazing to watch

1151

00:36:44,390 --> 00:36:41,920

the top scientists in the world

1152

00:36:46,230 --> 00:36:44,400

not even agree or understand whether or

1153

00:36:47,829 --> 00:36:46,240

not they're using placebos or not

1154

00:36:49,430 --> 00:36:47,839

but now that's the official statement

1155

00:36:51,510 --> 00:36:49,440

we've beat on this hard enough

1156

00:36:52,870 --> 00:36:51,520

i've had several lawsuits against our

1157

00:36:54,950 --> 00:36:52,880

health departments which has gotten

1158

00:36:56,310 --> 00:36:54,960

nervous to lie to me anymore i've won

1159

00:36:57,589 --> 00:36:56,320

lawsuits against the national

1160

00:37:00,390 --> 00:36:57,599

institute of health and human services

1161

00:37:03,349 --> 00:37:00,400

and we just settled uh suit with the fda

1162

00:37:04,069 --> 00:37:03,359

but now if you say it they will now

1163

00:37:06,069 --> 00:37:04,079

admit

1164

00:37:07,670 --> 00:37:06,079

it's true we can't do safety studies on

1165

00:37:08,790 --> 00:37:07,680

vaccines because it'd be unethical

1166

00:37:12,230 --> 00:37:08,800

meaning

1167

00:37:13,829 --> 00:37:12,240

that look at like gardasil the hpv

1168

00:37:16,069 --> 00:37:13,839

vaccine that came out just a few years

1169

00:37:17,750 --> 00:37:16,079

ago this was a brand new vaccine

1170

00:37:19,589 --> 00:37:17,760

trying to do something no vaccine had

1171

00:37:22,069 --> 00:37:19,599

ever done before which was beat cancer

1172

00:37:23,270 --> 00:37:22,079

they were selling it as the first cancer

1173

00:37:26,069 --> 00:37:23,280

vaccine because it

1174

00:37:27,270 --> 00:37:26,079

says it can stop cervical cancer even

1175

00:37:29,510 --> 00:37:27,280

though there is not a

1176

00:37:30,550 --> 00:37:29,520

single study that can prove that that

1177

00:37:32,790 --> 00:37:30,560

would be the case

1178

00:37:34,069 --> 00:37:32,800

but that vaccine comes along it's brand

1179

00:37:36,390 --> 00:37:34,079

new it has

1180

00:37:38,390 --> 00:37:36,400

a brand new adjuvant of aluminum that

1181

00:37:39,349 --> 00:37:38,400

they will not let any scientists in the

1182

00:37:41,829 --> 00:37:39,359

world look at

1183

00:37:43,670 --> 00:37:41,839

it's a new toxic version of aluminum and

1184

00:37:45,349 --> 00:37:43,680

all sorts of other things

1185

00:37:46,870 --> 00:37:45,359

well you would think that that should

1186

00:37:48,470 --> 00:37:46,880

run against the placebo but it didn't it

1187

00:37:50,710 --> 00:37:48,480

was a brand new vaccine and the argument

1188

00:37:53,750 --> 00:37:50,720

being unethical is we believe

1189

00:37:56,310 --> 00:37:53,760

this vaccine is so amazing

1190

00:37:57,030 --> 00:37:56,320

even before it's ever been tested for

1191

00:37:59,030 --> 00:37:57,040

safety

1192

00:38:00,069 --> 00:37:59,040

that to have a control group of

1193

00:38:02,630 --> 00:38:00,079

teenagers

1194

00:38:04,710 --> 00:38:02,640

that don't get this brand new product

1195

00:38:05,510 --> 00:38:04,720

it'd just be unfair to them it would be

1196

00:38:07,349 --> 00:38:05,520

wrong

1197

00:38:09,109 --> 00:38:07,359

to deny them this great life-saving

1198

00:38:10,630 --> 00:38:09,119

measure we've never tested for safety

1199

00:38:12,710 --> 00:38:10,640

and so they don't do it and that's their

1200

00:38:13,750 --> 00:38:12,720

argument for every vaccine and so what i

1201

00:38:17,109 --> 00:38:13,760

say to people is

1202

00:38:19,190 --> 00:38:17,119

okay you can buy into that baloney if

1203

00:38:19,750 --> 00:38:19,200

you want that it's just unethical to do

1204

00:38:22,230 --> 00:38:19,760

the studies

1205

00:38:23,670 --> 00:38:22,240

it doesn't matter the point is is they

1206

00:38:26,630 --> 00:38:23,680

haven't been done

1207

00:38:28,069 --> 00:38:26,640

so your children are a part of a giant

1208

00:38:29,750 --> 00:38:28,079

experiment i was trying to think of how

1209

00:38:31,270 --> 00:38:29,760

i really get this through to somebody

1210

00:38:33,109 --> 00:38:31,280

and i thought about this the other day

1211

00:38:35,030 --> 00:38:33,119

if i said to you you know you're going

1212

00:38:36,150 --> 00:38:35,040

parachuting for the first time

1213

00:38:38,069 --> 00:38:36,160

you know you said well has this

1214

00:38:38,630 --> 00:38:38,079

parachute been tested for safety say

1215

00:38:40,710 --> 00:38:38,640

actually

1216

00:38:42,150 --> 00:38:40,720

no it'd be unethical to test it for

1217

00:38:44,230 --> 00:38:42,160

safety

1218

00:38:45,750 --> 00:38:44,240

does that make it safe does that make

1219

00:38:46,069 --> 00:38:45,760

you feel like oh i could jump out of a

1220

00:38:48,550 --> 00:38:46,079

plane

1221

00:38:49,190 --> 00:38:48,560

then oh well yeah it doesn't answer your

1222

00:38:51,109 --> 00:38:49,200

question

1223

00:38:52,550 --> 00:38:51,119

so it's never been tested and that's the

1224

00:38:54,550 --> 00:38:52,560

problem we have

1225

00:38:56,550 --> 00:38:54,560

and to deal with the unethical issue

1226

00:39:00,230 --> 00:38:56,560

i've already sort of touched on it

1227

00:39:03,510 --> 00:39:00,240

remember we do placebo studies when

1228

00:39:05,030 --> 00:39:03,520

people are dying of a disease we think

1229

00:39:08,550 --> 00:39:05,040

it's ethical to make

1230

00:39:11,829 --> 00:39:08,560

them wait for this new product but it's

1231

00:39:15,190 --> 00:39:11,839

unethical to make kids that have never

1232

00:39:17,190 --> 00:39:15,200

had a vaccine for hpv wait five years to

1233

00:39:17,510 --> 00:39:17,200

see if it actually does any damage or

1234

00:39:20,710 --> 00:39:17,520

not

1235

00:39:22,630 --> 00:39:20,720

instead it's ethical to take

1236

00:39:23,829 --> 00:39:22,640

16 vaccines that have never been through

1237

00:39:26,710 --> 00:39:23,839

a safety study

1238

00:39:28,710 --> 00:39:26,720

and give them to millions of americans

1239

00:39:30,790 --> 00:39:28,720

and people around the world

1240

00:39:32,310 --> 00:39:30,800

and make them a part of the largest

1241

00:39:35,030 --> 00:39:32,320

human experiment

1242

00:39:35,750 --> 00:39:35,040

we've ever seen that's ethical right it

1243

00:39:37,430 --> 00:39:35,760

is very

1244

00:39:39,430 --> 00:39:37,440

backwards and the truth is if you don't

1245

00:39:42,550 --> 00:39:39,440

do the studies you can't say

1246

00:39:43,349 --> 00:39:42,560

you knew it was harmful there's no paper

1247

00:39:46,390 --> 00:39:43,359

trail

1248

00:39:48,630 --> 00:39:46,400

that clearly shows you intended to do

1249

00:39:49,750 --> 00:39:48,640

harm and so they just kind of obscure it

1250

00:39:51,750 --> 00:39:49,760

by saying well

1251
00:39:52,870 --> 00:39:51,760
you know the data isn't in we can't do

1252
00:39:55,829 --> 00:39:52,880
it it's unethical

1253
00:39:56,470 --> 00:39:55,839
that's right but it is quite backwards

1254
00:39:59,589 --> 00:39:56,480
and

1255
00:40:01,109 --> 00:39:59,599
vax a little bit i

1256
00:40:02,630 --> 00:40:01,119
like i said to you i attended your

1257
00:40:03,829 --> 00:40:02,640
screening in la jolla was super

1258
00:40:05,510 --> 00:40:03,839
impressed and

1259
00:40:07,510 --> 00:40:05,520
there's still a lot of misconceptions

1260
00:40:08,790 --> 00:40:07,520
about what he was saying a lot of people

1261
00:40:10,870 --> 00:40:08,800
have simplified it to

1262
00:40:13,430 --> 00:40:10,880
linking vaccines and autism but the

1263
00:40:15,589 --> 00:40:13,440

third factor is actually the gut biome

1264

00:40:17,589 --> 00:40:15,599

yeah and i don't hear this discussed as

1265

00:40:19,030 --> 00:40:17,599

much and only in the last year so have i

1266

00:40:20,710 --> 00:40:19,040

really gotten my head around this

1267

00:40:22,230 --> 00:40:20,720

connection between gut health and

1268

00:40:23,829 --> 00:40:22,240

neurological issues

1269

00:40:26,630 --> 00:40:23,839

can you break that down for people who

1270

00:40:29,910 --> 00:40:26,640

might still be unaware of that gut biome

1271

00:40:32,550 --> 00:40:29,920

component yes first of all

1272

00:40:33,910 --> 00:40:32,560

when you bring up andy wakefield any

1273

00:40:35,190 --> 00:40:33,920

conversation you try to have with

1274

00:40:38,069 --> 00:40:35,200

politicians or

1275

00:40:39,589 --> 00:40:38,079

reporters i can be pointing out dr

1276

00:40:40,870 --> 00:40:39,599

william thompson a whistleblower at the

1277

00:40:41,910 --> 00:40:40,880

cdc has said that they've committed

1278

00:40:44,309 --> 00:40:41,920

scientific fraud

1279

00:40:45,270 --> 00:40:44,319

i can say dr stephen crailing who worked

1280

00:40:47,190 --> 00:40:45,280

for merck

1281

00:40:48,870 --> 00:40:47,200

has got a lawsuit right now against

1282

00:40:51,670 --> 00:40:48,880

merck saying they forced him

1283

00:40:53,670 --> 00:40:51,680

to manipulate data on the mumpstream dr

1284

00:40:55,910 --> 00:40:53,680

andrew zimmerman the leading witness for

1285

00:40:58,470 --> 00:40:55,920

the government of the united states

1286

00:41:00,230 --> 00:40:58,480

against parents with autism has just

1287

00:41:01,270 --> 00:41:00,240

come forward because they've been using

1288

00:41:03,750 --> 00:41:01,280

his line

1289

00:41:04,870 --> 00:41:03,760

that there is no mechanism by which a

1290

00:41:07,990 --> 00:41:04,880

vaccine can cause

1291

00:41:08,870 --> 00:41:08,000

autism to throw out every person that's

1292

00:41:11,190 --> 00:41:08,880

in what we call

1293

00:41:12,870 --> 00:41:11,200

vaccine court we can get into that later

1294

00:41:14,470 --> 00:41:12,880

if you make a complaint that you saw

1295

00:41:16,870 --> 00:41:14,480

your child regressing the vaccine

1296

00:41:18,230 --> 00:41:16,880

into autism after a vaccine you'll be

1297

00:41:19,589 --> 00:41:18,240

thrown out of court and they will say

1298

00:41:20,870 --> 00:41:19,599

well that's because the greatest

1299

00:41:22,390 --> 00:41:20,880

neurologist in the world dr

1300

00:41:24,230 --> 00:41:22,400

andrew zimmerman said there's no

1301
00:41:24,870 --> 00:41:24,240
mechanism by which a vaccine can cause

1302
00:41:27,030 --> 00:41:24,880
autism

1303
00:41:28,470 --> 00:41:27,040
but actually he just sent an affidavit

1304
00:41:31,109 --> 00:41:28,480
to the department of justice

1305
00:41:32,309 --> 00:41:31,119
claiming foul play because he said

1306
00:41:35,109 --> 00:41:32,319
that's not true

1307
00:41:36,870 --> 00:41:35,119
i was the state's witness in five of the

1308
00:41:38,309 --> 00:41:36,880
most important autism cases because it

1309
00:41:41,190 --> 00:41:38,319
was going to decide the fate

1310
00:41:41,910 --> 00:41:41,200
of all future cases and in the second

1311
00:41:43,990 --> 00:41:41,920
case

1312
00:41:45,670 --> 00:41:44,000
he discovered the mechanism and he went

1313
00:41:47,670 --> 00:41:45,680

to the department of justice lawyers who

1314

00:41:49,990 --> 00:41:47,680

were the ones defending the government

1315

00:41:51,990 --> 00:41:50,000

from the lawsuits and said all right

1316

00:41:52,950 --> 00:41:52,000

i've changed my stance i've actually

1317

00:41:55,910 --> 00:41:52,960

discovered

1318

00:41:57,589 --> 00:41:55,920

that in this case i'm looking at autism

1319

00:42:00,390 --> 00:41:57,599

can be caused by a vaccine

1320

00:42:02,630 --> 00:42:00,400

if the child has a pre-existing

1321

00:42:05,109 --> 00:42:02,640

mitochondrial disorder

1322

00:42:06,309 --> 00:42:05,119

and that is the mechanism by which a

1323

00:42:08,309 --> 00:42:06,319

vaccine can cause

1324

00:42:10,069 --> 00:42:08,319

autism guess what the department of

1325

00:42:12,309 --> 00:42:10,079

justice did they fired him

1326

00:42:14,390 --> 00:42:12,319

immediately they fired him from being

1327

00:42:15,910 --> 00:42:14,400

the leading witness for the government

1328

00:42:17,829 --> 00:42:15,920

and said well that's obviously not what

1329

00:42:20,870 --> 00:42:17,839

we want people to hear

1330

00:42:22,390 --> 00:42:20,880

but even worse they kept using his

1331

00:42:24,790 --> 00:42:22,400

previous testimony in

1332

00:42:25,430 --> 00:42:24,800

every case after that that there was no

1333

00:42:28,790 --> 00:42:25,440

mechanism

1334

00:42:31,109 --> 00:42:28,800

therefore lying about his scientific

1335

00:42:32,390 --> 00:42:31,119

perspective so point being i will make

1336

00:42:34,069 --> 00:42:32,400

all of those points to

1337

00:42:35,589 --> 00:42:34,079

a reporter and they will say but

1338

00:42:37,589 --> 00:42:35,599

wakefield's been debunked wakefield's

1339

00:42:40,950 --> 00:42:37,599

been debunked as though they're robots

1340

00:42:43,670 --> 00:42:40,960

i mean we can point to dr chris exley dr

1341

00:42:44,550 --> 00:42:43,680

christopher shaw dr roman girardi dr

1342

00:42:47,109 --> 00:42:44,560

zebin yao

1343

00:42:49,109 --> 00:42:47,119

all over the world scientists are now

1344

00:42:49,750 --> 00:42:49,119

coming to conclusion that vaccines can

1345

00:42:52,309 --> 00:42:49,760

and do

1346

00:42:53,910 --> 00:42:52,319

cause autism yet all we hear is dr

1347

00:42:55,430 --> 00:42:53,920

andrew wakefield's been debunked

1348

00:42:57,589 --> 00:42:55,440

as though it's the only talking point

1349

00:42:58,550 --> 00:42:57,599

they have in fact he's the longest

1350

00:43:00,710 --> 00:42:58,560

lasting hit

1351

00:43:01,910 --> 00:43:00,720

song one hit wonder in the

1352

00:43:03,670 --> 00:43:01,920

pharmaceutical industry

1353

00:43:05,270 --> 00:43:03,680

we still talk about andy wakefield so i

1354

00:43:07,910 --> 00:43:05,280

just want to make that point

1355

00:43:09,750 --> 00:43:07,920

so what happened in the study and why

1356

00:43:10,870 --> 00:43:09,760

what is the big deal about dr andy

1357

00:43:13,430 --> 00:43:10,880

wakefield well

1358

00:43:15,430 --> 00:43:13,440

we've referred to the lancet study it's

1359

00:43:16,150 --> 00:43:15,440

the famous lance's study lancet is a

1360

00:43:18,470 --> 00:43:16,160

journal

1361

00:43:19,910 --> 00:43:18,480

lots of studies are published there but

1362

00:43:21,910 --> 00:43:19,920

the lancet study

1363

00:43:24,390 --> 00:43:21,920

tends to always refer to this one study

1364

00:43:27,510 --> 00:43:24,400

in which 12 children were looked at

1365

00:43:30,790 --> 00:43:27,520

and as andy tells the story in baxt

1366

00:43:31,670 --> 00:43:30,800

i was a gastroenterologist meaning i

1367

00:43:34,870 --> 00:43:31,680

studied the

1368

00:43:38,470 --> 00:43:34,880

gut and he'd written i think over 170

1369

00:43:41,270 --> 00:43:38,480

published papers and studies on

1370

00:43:43,109 --> 00:43:41,280

crohn's disease and intestinal health

1371

00:43:44,790 --> 00:43:43,119

and a mother called him and said

1372

00:43:47,190 --> 00:43:44,800

i would like you to take a look at my

1373

00:43:48,790 --> 00:43:47,200

child and she said i just read your

1374

00:43:51,109 --> 00:43:48,800

study on crohn's disease

1375

00:43:52,230 --> 00:43:51,119

and my son seems to i think he's having

1376

00:43:55,109 --> 00:43:52,240

pain he either

1377

00:43:55,589 --> 00:43:55,119

is constipated for weeks at a time or he

1378

00:43:58,230 --> 00:43:55,599

has

1379

00:44:00,550 --> 00:43:58,240

really violent diarrhea and i wonder if

1380

00:44:02,309 --> 00:44:00,560

he looked at him you know he's autistic

1381

00:44:04,150 --> 00:44:02,319

and i noticed all this started when his

1382

00:44:05,750 --> 00:44:04,160

autism started and

1383

00:44:07,190 --> 00:44:05,760

andy said i don't i don't know anything

1384

00:44:09,190 --> 00:44:07,200

about autism he must have called the

1385

00:44:10,790 --> 00:44:09,200

wrong doctor she's like no no i wanted

1386

00:44:13,990 --> 00:44:10,800

to look at his stomach

1387

00:44:15,670 --> 00:44:14,000

and so andy agreed to and once he did

1388

00:44:17,670 --> 00:44:15,680

multiple parents reached out so he ended

1389

00:44:20,390 --> 00:44:17,680

up collecting 12 kids and what's called

1390

00:44:22,069 --> 00:44:20,400

a case study now people will say this

1391

00:44:24,470 --> 00:44:22,079

was a tiny study it should have never

1392

00:44:26,710 --> 00:44:24,480

changed science no one would agree with

1393

00:44:28,710 --> 00:44:26,720

that more than andy wakefield you do not

1394

00:44:31,030 --> 00:44:28,720

start a hypothesis

1395

00:44:31,829 --> 00:44:31,040

and then look at a thousand kids you

1396

00:44:33,910 --> 00:44:31,839

look at a

1397

00:44:35,510 --> 00:44:33,920

group small group just to see is there a

1398

00:44:37,589 --> 00:44:35,520

signal is there something there

1399

00:44:38,870 --> 00:44:37,599

and this study was designed to look and

1400

00:44:42,309 --> 00:44:38,880

see was there a

1401
00:44:42,790 --> 00:44:42,319
novel gut disease that was coinciding

1402
00:44:45,829 --> 00:44:42,800
with

1403
00:44:48,950 --> 00:44:45,839
autism now remember autism was

1404
00:44:51,910 --> 00:44:48,960
a psychological issue a neurological

1405
00:44:52,790 --> 00:44:51,920
issue not a physical disease in your

1406
00:44:54,550 --> 00:44:52,800
body

1407
00:44:55,910 --> 00:44:54,560
so that was what they were looking at

1408
00:44:58,230 --> 00:44:55,920
and there was interesting

1409
00:45:00,390 --> 00:44:58,240
parts of the study where when they would

1410
00:45:00,710 --> 00:45:00,400
have to do a colonoscopy to investigate

1411
00:45:11,750 --> 00:45:00,720
the

1412
00:45:13,670 --> 00:45:11,760
stop and

1413
00:45:15,589 --> 00:45:13,680

some of the repetitive behaviors just

1414

00:45:19,190 --> 00:45:15,599

from simply clearing

1415

00:45:21,510 --> 00:45:19,200

their stomach and so that led to this

1416

00:45:23,910 --> 00:45:21,520

idea that perhaps

1417

00:45:24,790 --> 00:45:23,920

the gut biome the stomach is actually

1418

00:45:27,190 --> 00:45:24,800

affecting

1419

00:45:28,870 --> 00:45:27,200

whether it's creating autism they

1420

00:45:30,390 --> 00:45:28,880

weren't sure but it definitely looked

1421

00:45:33,190 --> 00:45:30,400

like it was affecting

1422

00:45:34,790 --> 00:45:33,200

the intensity of the autism huge huge

1423

00:45:37,190 --> 00:45:34,800

discovery and that's what the paper

1424

00:45:39,829 --> 00:45:37,200

reported that there did appear to be

1425

00:45:41,589 --> 00:45:39,839

a specific type of gut disease that went

1426
00:45:44,150 --> 00:45:41,599
along with autism

1427
00:45:45,349 --> 00:45:44,160
and where the trouble began was eight of

1428
00:45:47,750 --> 00:45:45,359
the twelve parents

1429
00:45:48,390 --> 00:45:47,760
in their reviews in a case study you're

1430
00:45:50,150 --> 00:45:48,400
interviewing

1431
00:45:51,829 --> 00:45:50,160
every doctor the child has seen

1432
00:45:53,190 --> 00:45:51,839
everything the parents even the nanny

1433
00:45:54,069 --> 00:45:53,200
and babysitters if they have something

1434
00:45:56,230 --> 00:45:54,079
to report

1435
00:45:58,230 --> 00:45:56,240
on mannerisms of the child it's all

1436
00:45:59,829 --> 00:45:58,240
collected in the case study to get the

1437
00:46:00,630 --> 00:45:59,839
most thorough understanding of what's

1438
00:46:02,950 --> 00:46:00,640

going on

1439

00:46:04,230 --> 00:46:02,960

with these 12 kids and 8 of the 12

1440

00:46:06,630 --> 00:46:04,240

parents said

1441

00:46:08,630 --> 00:46:06,640

that their child's autism started right

1442

00:46:11,990 --> 00:46:08,640

after the mmr vaccine

1443

00:46:14,870 --> 00:46:12,000

and so in the study it says near the end

1444

00:46:16,630 --> 00:46:14,880

that 8 of the twelve parents had claimed

1445

00:46:18,309 --> 00:46:16,640

that the mmr vaccine

1446

00:46:21,829 --> 00:46:18,319

they believed it caused their child's

1447

00:46:24,710 --> 00:46:21,839

autism it said this paper does not prove

1448

00:46:25,349 --> 00:46:24,720

a causal connection between the mmr

1449

00:46:28,230 --> 00:46:25,359

vaccine

1450

00:46:30,150 --> 00:46:28,240

and autism more studies need to be done

1451
00:46:31,349 --> 00:46:30,160
on that matter that was the entire

1452
00:46:33,430 --> 00:46:31,359
intense statement

1453
00:46:35,109 --> 00:46:33,440
that andy made which was eight of the

1454
00:46:36,630 --> 00:46:35,119
twelve complained about it

1455
00:46:38,390 --> 00:46:36,640
i'm not going to say it's proof that

1456
00:46:40,150 --> 00:46:38,400
it's happening but i would say we should

1457
00:46:43,109 --> 00:46:40,160
probably investigate this

1458
00:46:44,069 --> 00:46:43,119
and that's what started a firestorm the

1459
00:46:46,470 --> 00:46:44,079
idea

1460
00:46:47,349 --> 00:46:46,480
that a vaccine could cause autism now by

1461
00:46:49,510 --> 00:46:47,359
the way

1462
00:46:51,349 --> 00:46:49,520
it wasn't totally surprising that it

1463
00:46:53,190 --> 00:46:51,359

would be an issue because

1464

00:46:54,710 --> 00:46:53,200

what we look at the study we act like

1465

00:46:56,630 --> 00:46:54,720

andy did it by himself you hear the

1466

00:46:57,510 --> 00:46:56,640

fraudulent doctor that fraudulently did

1467

00:46:59,829 --> 00:46:57,520

this study and

1468

00:47:01,030 --> 00:46:59,839

made up information none of which by the

1469

00:47:03,109 --> 00:47:01,040

way has ever been proved

1470

00:47:04,870 --> 00:47:03,119

and we can talk about that if you want

1471

00:47:07,030 --> 00:47:04,880

to really get in the weeds but

1472

00:47:08,550 --> 00:47:07,040

so andy had 12 other scientists working

1473

00:47:10,790 --> 00:47:08,560

with him on the study the tops in the

1474

00:47:13,670 --> 00:47:10,800

field the top gastroenterologist in fact

1475

00:47:14,630 --> 00:47:13,680

andy didn't do any of the colonoscopies

1476

00:47:15,990 --> 00:47:14,640

or any of the studies

1477

00:47:17,670 --> 00:47:16,000

he stood there with a clipboard just

1478

00:47:18,790 --> 00:47:17,680

reporting what the scientists and

1479

00:47:20,230 --> 00:47:18,800

doctors that were working with the

1480

00:47:22,710 --> 00:47:20,240

children were finding

1481

00:47:25,190 --> 00:47:22,720

and those doctors sat andy down and said

1482

00:47:27,270 --> 00:47:25,200

i don't know if we should put this part

1483

00:47:28,710 --> 00:47:27,280

about the eight parents claiming the mmr

1484

00:47:30,390 --> 00:47:28,720

vaccine caused the issue

1485

00:47:32,549 --> 00:47:30,400

and they said it's gonna cause problems

1486

00:47:34,390 --> 00:47:32,559

for our school we get a lot of funding

1487

00:47:35,829 --> 00:47:34,400

from the pharmaceutical industry

1488

00:47:38,069 --> 00:47:35,839

and the health department is gonna get

1489

00:47:39,430 --> 00:47:38,079

pissed off and andy said well let me ask

1490

00:47:39,990 --> 00:47:39,440

you all a question then because this is

1491

00:47:42,870 --> 00:47:40,000

really about

1492

00:47:44,870 --> 00:47:42,880

ethics then if the eight parents had

1493

00:47:46,870 --> 00:47:44,880

said the autism started right

1494

00:47:47,910 --> 00:47:46,880

after they had a natural measles

1495

00:47:51,109 --> 00:47:47,920

infection

1496

00:47:53,750 --> 00:47:51,119

would we write that into our study

1497

00:47:54,470 --> 00:47:53,760

and all the scientists said of course we

1498

00:47:56,150 --> 00:47:54,480

would

1499

00:47:57,670 --> 00:47:56,160

and he said okay so then what you're

1500

00:48:00,150 --> 00:47:57,680

telling me is the only reason

1501
00:48:01,109 --> 00:48:00,160
we wouldn't write that vaccines do it is

1502
00:48:02,549 --> 00:48:01,119
because

1503
00:48:04,390 --> 00:48:02,559
we're worried the pharmaceutical

1504
00:48:06,150 --> 00:48:04,400
industry would have power and that

1505
00:48:07,829 --> 00:48:06,160
somehow we have to protect them

1506
00:48:09,829 --> 00:48:07,839
he's like that doesn't sound ethical to

1507
00:48:12,150 --> 00:48:09,839
me and they all agreed and they let

1508
00:48:13,510 --> 00:48:12,160
andy put it in the paper now i want to

1509
00:48:16,470 --> 00:48:13,520
make one point

1510
00:48:17,109 --> 00:48:16,480
here you had 12 of the top scientists in

1511
00:48:19,589 --> 00:48:17,119
the world

1512
00:48:21,750 --> 00:48:19,599
they were expressing concern of the heat

1513
00:48:23,829 --> 00:48:21,760

that was going to come down

1514

00:48:26,630 --> 00:48:23,839

over this statement by eight of the

1515

00:48:29,109 --> 00:48:26,640

parents they sat andy down about it

1516

00:48:31,510 --> 00:48:29,119

now if andy was going to commit

1517

00:48:34,870 --> 00:48:31,520

scientific fraud and somehow

1518

00:48:36,790 --> 00:48:34,880

slip false data the data that these

1519

00:48:38,950 --> 00:48:36,800

scientists had provided

1520

00:48:40,150 --> 00:48:38,960

and they all signed their name to this

1521

00:48:42,390 --> 00:48:40,160

study now maybe

1522

00:48:43,829 --> 00:48:42,400

i would guess that scientists are pretty

1523

00:48:45,670 --> 00:48:43,839

keen on reading

1524

00:48:46,950 --> 00:48:45,680

every single word of a study before they

1525

00:48:49,190 --> 00:48:46,960

sign their name to it

1526

00:48:50,470 --> 00:48:49,200

but how about 12 scientists that knew

1527

00:48:52,870 --> 00:48:50,480

that they were going to come under

1528

00:48:55,750 --> 00:48:52,880

pressure because of this vaccine issue

1529

00:48:57,109 --> 00:48:55,760

i assure you those 12 scientists must

1530

00:48:59,990 --> 00:48:57,119

have combed through

1531

00:49:00,950 --> 00:49:00,000

that thing like no study that's ever

1532

00:49:02,790 --> 00:49:00,960

been done

1533

00:49:04,790 --> 00:49:02,800

and andy said that was the case he had

1534

00:49:05,750 --> 00:49:04,800

to rewrite it five times to make them

1535

00:49:09,030 --> 00:49:05,760

all happy

1536

00:49:12,069 --> 00:49:09,040

so this idea that andy somehow

1537

00:49:13,910 --> 00:49:12,079

manipulated a study under the nose of 12

1538

00:49:15,349 --> 00:49:13,920

of the best scientists in the world were

1539

00:49:17,430 --> 00:49:15,359

already paranoid

1540

00:49:19,430 --> 00:49:17,440

that is what started me on this journey

1541

00:49:22,069 --> 00:49:19,440

when i first heard about him like that

1542

00:49:24,470 --> 00:49:22,079

can't be possible you were saying he's

1543

00:49:26,510 --> 00:49:24,480

not just a fraudulent scientist then

1544

00:49:28,829 --> 00:49:26,520

he must be one of the greatest

1545

00:49:31,829 --> 00:49:28,839

diabolical minds in the history of

1546

00:49:32,470 --> 00:49:31,839

mankind that could manipulate the minds

1547

00:49:35,510 --> 00:49:32,480

of 12

1548

00:49:37,270 --> 00:49:35,520

top scientists i've met him i assure you

1549

00:49:39,430 --> 00:49:37,280

that is not the case so what happened

1550

00:49:40,630 --> 00:49:39,440

was a hit job it was a hit job by our

1551

00:49:43,190 --> 00:49:40,640

health departments

1552

00:49:44,069 --> 00:49:43,200

in the uk and it was a hit job by the

1553

00:49:47,430 --> 00:49:44,079

general medical

1554

00:49:49,990 --> 00:49:47,440

council they had to ruin andy

1555

00:49:50,710 --> 00:49:50,000

and the way they did it is you will hear

1556

00:49:52,630 --> 00:49:50,720

that

1557

00:49:54,230 --> 00:49:52,640

andy was a fraud he proved it

1558

00:49:55,829 --> 00:49:54,240

manipulated data

1559

00:49:57,990 --> 00:49:55,839

he did lose his license the general

1560

00:49:59,829 --> 00:49:58,000

medical council had a long case against

1561

00:50:01,829 --> 00:49:59,839

him and the other lead scientist

1562

00:50:04,630 --> 00:50:01,839

professor john walker smith

1563

00:50:05,349 --> 00:50:04,640

but they didn't lose their license for

1564

00:50:08,309 --> 00:50:05,359

fraud

1565

00:50:08,630 --> 00:50:08,319

or manipulating data they lost a license

1566

00:50:11,670 --> 00:50:08,640

for

1567

00:50:13,589 --> 00:50:11,680

medical malpractice and what it came

1568

00:50:14,710 --> 00:50:13,599

down to and the reason i had the details

1569

00:50:15,510 --> 00:50:14,720

on this and anyone can read this

1570

00:50:17,670 --> 00:50:15,520

themselves

1571

00:50:19,349 --> 00:50:17,680

is because john walker smith the other

1572

00:50:21,109 --> 00:50:19,359

guy who lost his license

1573

00:50:23,030 --> 00:50:21,119

won it back a couple years ago because

1574

00:50:24,549 --> 00:50:23,040

he appealed for multiple years and got

1575

00:50:28,390 --> 00:50:24,559

into a real courtroom

1576

00:50:29,990 --> 00:50:28,400

and the judge wrote an 80 page beat down

1577

00:50:31,910 --> 00:50:30,000

of the general medical council saying

1578

00:50:32,790 --> 00:50:31,920

this is the worst handled case i've ever

1579

00:50:35,270 --> 00:50:32,800

seen

1580

00:50:36,950 --> 00:50:35,280

and the general medical council has no

1581

00:50:39,829 --> 00:50:36,960

jurisdiction or

1582

00:50:41,349 --> 00:50:39,839

ability to properly handle this case

1583

00:50:42,309 --> 00:50:41,359

there were so many problems with how it

1584

00:50:44,950 --> 00:50:42,319

was handled

1585

00:50:47,030 --> 00:50:44,960

but what is laid out is exactly what i'm

1586

00:50:50,069 --> 00:50:47,040

going to tell you they lost their

1587

00:50:52,069 --> 00:50:50,079

license for malpractice because what was

1588

00:50:54,230 --> 00:50:52,079

determined was that there's either

1589

00:50:57,510 --> 00:50:54,240

clinical investigation

1590

00:50:59,589 --> 00:50:57,520

or medical research okay so

1591

00:51:01,510 --> 00:50:59,599

those two terms decided the fate of

1592

00:51:03,349 --> 00:51:01,520

these doctors and this is why it came

1593

00:51:06,470 --> 00:51:03,359

down to did they need

1594

00:51:08,790 --> 00:51:06,480

ethical approval to do colonoscopies

1595

00:51:09,829 --> 00:51:08,800

and spinal taps on the 12 children

1596

00:51:11,589 --> 00:51:09,839

you'll hear it

1597

00:51:13,109 --> 00:51:11,599

really put in an ugly way they'll say

1598

00:51:15,829 --> 00:51:13,119

andy wakefield

1599

00:51:17,670 --> 00:51:15,839

abused handicapped children and did

1600

00:51:19,750 --> 00:51:17,680

invasive procedures

1601
00:51:21,510 --> 00:51:19,760
as though a colonoscopy is an invasive

1602
00:51:22,470 --> 00:51:21,520
procedure you have to remember these 12

1603
00:51:24,790 --> 00:51:22,480
kids

1604
00:51:25,910 --> 00:51:24,800
all had intestinal problems so the only

1605
00:51:27,670 --> 00:51:25,920
way to look at it

1606
00:51:29,670 --> 00:51:27,680
is a colonoscopy but they want to make

1607
00:51:31,829 --> 00:51:29,680
it sound as ugly as they can

1608
00:51:34,069 --> 00:51:31,839
but here's what it comes down to they

1609
00:51:35,349 --> 00:51:34,079
didn't get ethical approval to do those

1610
00:51:37,990 --> 00:51:35,359
and they lost their license

1611
00:51:39,829 --> 00:51:38,000
because of it now the question you have

1612
00:51:41,270 --> 00:51:39,839
to ask yourself is was it ethical and

1613
00:51:43,430 --> 00:51:41,280

this is what the judge looked at

1614

00:51:44,790 --> 00:51:43,440

so there's two terms you either have

1615

00:51:45,990 --> 00:51:44,800

medical research or clinical

1616

00:51:49,190 --> 00:51:46,000

investigation

1617

00:51:51,270 --> 00:51:49,200

your doctor does

1618

00:51:53,349 --> 00:51:51,280

if you come into your doctor and they

1619

00:51:56,069 --> 00:51:53,359

decide to do a colonoscopy on you

1620

00:51:57,589 --> 00:51:56,079

and a spinal tap they're doing that for

1621

00:51:59,829 --> 00:51:57,599

your health they're trying to make

1622

00:52:01,430 --> 00:51:59,839

you healthier that's clinical

1623

00:52:03,589 --> 00:52:01,440

investigation and if that's what you're

1624

00:52:06,230 --> 00:52:03,599

doing you don't need ethical approval

1625

00:52:08,950 --> 00:52:06,240

but medical research means i'm going to

1626
00:52:10,630 --> 00:52:08,960
do a colonoscopy on you in a spinal tap

1627
00:52:11,990 --> 00:52:10,640
not for your health i could care less

1628
00:52:13,190 --> 00:52:12,000
about your health i'm actually doing a

1629
00:52:16,150 --> 00:52:13,200
study about

1630
00:52:17,109 --> 00:52:16,160
national or world health and so i'm not

1631
00:52:19,030 --> 00:52:17,119
going to treat you

1632
00:52:20,950 --> 00:52:19,040
and so obviously if you're going to do

1633
00:52:22,470 --> 00:52:20,960
an investigation in someone's body like

1634
00:52:26,069 --> 00:52:22,480
that and not treat them

1635
00:52:28,150 --> 00:52:26,079
you would need ethical approval and why

1636
00:52:29,910 --> 00:52:28,160
john walker smith got his license back

1637
00:52:33,349 --> 00:52:29,920
is the judge said it is so

1638
00:52:34,950 --> 00:52:33,359

clear that these 12 children

1639

00:52:37,190 --> 00:52:34,960

that it was clinical investigation

1640

00:52:39,270 --> 00:52:37,200

because john walker smith

1641

00:52:41,349 --> 00:52:39,280

not only treated them during the study

1642

00:52:42,150 --> 00:52:41,359

he also went on to treat them for years

1643

00:52:44,510 --> 00:52:42,160

afterwards

1644

00:52:45,670 --> 00:52:44,520

so doing the spinal tap and doing the

1645

00:52:47,349 --> 00:52:45,680

colonoscopies

1646

00:52:48,710 --> 00:52:47,359

was so that he could treat those

1647

00:52:49,349 --> 00:52:48,720

children understand what was going on

1648

00:52:51,430 --> 00:52:49,359

with them

1649

00:52:53,750 --> 00:52:51,440

and the general medical council had

1650

00:52:55,510 --> 00:52:53,760

ruled that it was only medical research

1651
00:52:56,710 --> 00:52:55,520
and they needed ethical approval because

1652
00:52:58,470 --> 00:52:56,720
they didn't get it they lost their

1653
00:53:00,390 --> 00:52:58,480
licenses so there it is

1654
00:53:02,309 --> 00:53:00,400
that's why andy wakefield lost his

1655
00:53:04,150 --> 00:53:02,319
license it was on a hoax

1656
00:53:05,589 --> 00:53:04,160
put together by the pharmaceutical

1657
00:53:06,069 --> 00:53:05,599
industry work with the general medical

1658
00:53:08,950 --> 00:53:06,079
council

1659
00:53:10,790 --> 00:53:08,960
but i will still say this let's say it

1660
00:53:11,750 --> 00:53:10,800
wasn't ethical let's just go ahead and

1661
00:53:13,990 --> 00:53:11,760
say that

1662
00:53:15,030 --> 00:53:14,000
john walker smith hadn't gotten his

1663
00:53:17,670 --> 00:53:15,040

license back

1664

00:53:18,630 --> 00:53:17,680

i still question the fact that the study

1665

00:53:22,309 --> 00:53:18,640

was pulled

1666

00:53:24,950 --> 00:53:22,319

they said well it was retracted

1667

00:53:26,470 --> 00:53:24,960

but hear me out this would be like if

1668

00:53:28,390 --> 00:53:26,480

two police officers

1669

00:53:30,230 --> 00:53:28,400

are called to a house and they hear

1670

00:53:30,950 --> 00:53:30,240

screaming inside they rush into the

1671

00:53:32,710 --> 00:53:30,960

house

1672

00:53:34,390 --> 00:53:32,720

i hope there's no children because this

1673

00:53:34,870 --> 00:53:34,400

is a graphic detail but they run in the

1674

00:53:36,790 --> 00:53:34,880

house

1675

00:53:38,710 --> 00:53:36,800

and there's someone laying dead on the

1676
00:53:39,430 --> 00:53:38,720
kitchen floor and the throat has been

1677
00:53:41,190 --> 00:53:39,440
slit

1678
00:53:42,870 --> 00:53:41,200
and they run in and they search the

1679
00:53:43,430 --> 00:53:42,880
house and in the closet the master

1680
00:53:45,270 --> 00:53:43,440
bedroom

1681
00:53:47,349 --> 00:53:45,280
they find a guy standing there with a

1682
00:53:50,870 --> 00:53:47,359
bloody knife and they arrest him

1683
00:53:52,870 --> 00:53:50,880
and then you end up in court and the guy

1684
00:53:54,069 --> 00:53:52,880
gets off on a technicality because

1685
00:53:56,309 --> 00:53:54,079
someone says well

1686
00:53:57,349 --> 00:53:56,319
those police officers had no right to go

1687
00:53:58,950 --> 00:53:57,359
into that house

1688
00:54:01,750 --> 00:53:58,960

they should have gotten a search warrant

1689

00:54:04,069 --> 00:54:01,760

from a judge and because they didn't

1690

00:54:06,309 --> 00:54:04,079

this murderer is going to walk does that

1691

00:54:08,390 --> 00:54:06,319

mean that the murderer didn't do it

1692

00:54:09,670 --> 00:54:08,400

even if it wasn't maybe the right

1693

00:54:11,270 --> 00:54:09,680

ethical and they should have had a

1694

00:54:12,870 --> 00:54:11,280

search warrant it's still we watched

1695

00:54:13,510 --> 00:54:12,880

this happen we've watched it happen in

1696

00:54:15,990 --> 00:54:13,520

cases

1697

00:54:17,750 --> 00:54:16,000

but we still know that that guy did it

1698

00:54:19,829 --> 00:54:17,760

the same is true here

1699

00:54:21,670 --> 00:54:19,839

it doesn't change what they discovered

1700

00:54:24,470 --> 00:54:21,680

in the study even if it had been

1701

00:54:26,710 --> 00:54:24,480

unethical and luckily it wasn't and yet

1702

00:54:28,470 --> 00:54:26,720

we have rewritten the history of the

1703

00:54:31,270 --> 00:54:28,480

world of the mmr vaccine

1704

00:54:32,630 --> 00:54:31,280

around this study it's really really a

1705

00:54:34,549 --> 00:54:32,640

tragedy of science

1706

00:54:36,390 --> 00:54:34,559

and it will one day when i worked with

1707

00:54:38,710 --> 00:54:36,400

andy on baxter i said

1708

00:54:40,549 --> 00:54:38,720

you know are you worried that the world

1709

00:54:42,230 --> 00:54:40,559

will never know the truth and he said no

1710

00:54:43,670 --> 00:54:42,240

i'm not not at all

1711

00:54:45,750 --> 00:54:43,680

he says there's no way they won't know

1712

00:54:48,549 --> 00:54:45,760

the truth because every year

1713

00:54:49,190 --> 00:54:48,559

autism continues to grow and eventually

1714

00:54:51,030 --> 00:54:49,200

it will be

1715

00:54:52,470 --> 00:54:51,040

one in two children they will have

1716

00:54:54,309 --> 00:54:52,480

looked everywhere else and it will

1717

00:54:56,390 --> 00:54:54,319

become obvious that the parents were

1718

00:54:58,630 --> 00:54:56,400

always right the eyewitnesses

1719

00:54:59,670 --> 00:54:58,640

had it right from the beginning he said

1720

00:55:02,230 --> 00:54:59,680

so one day

1721

00:55:04,150 --> 00:55:02,240

history will report it correctly and say

1722

00:55:06,230 --> 00:55:04,160

it was vaccines that were doing it

1723

00:55:07,670 --> 00:55:06,240

the question is are we at one in two

1724

00:55:09,990 --> 00:55:07,680

children with autism

1725

00:55:11,270 --> 00:55:10,000

by the time they finally admit it and

1726

00:55:13,430 --> 00:55:11,280

that's what we're up against

1727

00:55:14,470 --> 00:55:13,440

how long is it going to take and how

1728

00:55:17,270 --> 00:55:14,480

long we can allow

1729

00:55:18,950 --> 00:55:17,280

the health departments and the doctors

1730

00:55:21,510 --> 00:55:18,960

of the world to push

1731

00:55:23,109 --> 00:55:21,520

this idea that it's not what the

1732

00:55:23,910 --> 00:55:23,119

eyewitnesses are saying they got it

1733

00:55:26,470 --> 00:55:23,920

wrong

1734

00:55:28,549 --> 00:55:26,480

while we watch remember autism has gone

1735

00:55:29,990 --> 00:55:28,559

from one in ten thousand children in the

1736

00:55:33,190 --> 00:55:30,000

1970s

1737

00:55:36,069 --> 00:55:33,200

to now officially the most official

1738

00:55:37,270 --> 00:55:36,079

capture of it is in new jersey 1 in 32

1739

00:55:38,710 --> 00:55:37,280

children in new jersey is being

1740

00:55:40,069 --> 00:55:38,720

diagnosed with autism

1741

00:55:42,150 --> 00:55:40,079

we believe that's probably the rate

1742

00:55:43,829 --> 00:55:42,160

across the country somewhere between 1

1743

00:55:46,230 --> 00:55:43,839

and 32 and 1 and 36

1744

00:55:47,990 --> 00:55:46,240

and boys have a much higher prevalence

1745

00:55:51,030 --> 00:55:48,000

so it looks like boys could be somewhere

1746

00:55:53,270 --> 00:55:51,040

in one in 22 boys is being diagnosed

1747

00:55:56,789 --> 00:55:53,280

with autism up from one in 10 000

1748

00:55:58,390 --> 00:55:56,799

that is a crisis that should be the

1749

00:56:01,430 --> 00:55:58,400

number one story

1750

00:56:04,230 --> 00:56:01,440

on every news station in america

1751
00:56:05,109 --> 00:56:04,240
not tens of people in washington with

1752
00:56:07,430 --> 00:56:05,119
the measles

1753
00:56:08,710 --> 00:56:07,440
who were all going to go on and have

1754
00:56:11,910 --> 00:56:08,720
lifelong immunity

1755
00:56:13,990 --> 00:56:11,920
how about the one in 22 boys that are

1756
00:56:17,670 --> 00:56:14,000
being diagnosed with autism this year

1757
00:56:21,349 --> 00:56:17,680
how is that not an epidemic how is that

1758
00:56:23,589 --> 00:56:21,359
not scary because we get to one and two

1759
00:56:25,190 --> 00:56:23,599
and you no longer have the united states

1760
00:56:27,510 --> 00:56:25,200
of america you can't mount

1761
00:56:29,510 --> 00:56:27,520
a standing army you'll be lucky if you

1762
00:56:31,510 --> 00:56:29,520
can mount the standing starbucks

1763
00:56:33,270 --> 00:56:31,520

because either you or someone in your

1764

00:56:37,430 --> 00:56:33,280

family you're taking care of

1765

00:56:42,309 --> 00:56:40,470

man it is so sad and so dark but

1766

00:56:44,710 --> 00:56:42,319

those details are very important when it

1767

00:56:46,309 --> 00:56:44,720

comes to andy wakefield's case because

1768

00:56:46,710 --> 00:56:46,319

those talking points are still out there

1769

00:56:48,470 --> 00:56:46,720

so

1770

00:56:50,069 --> 00:56:48,480

i do appreciate you walking us through

1771

00:56:52,870 --> 00:56:50,079

that and so

1772

00:56:54,710 --> 00:56:52,880

i know that the last three years that

1773

00:56:57,510 --> 00:56:54,720

you've worked it's been dedicated to

1774

00:56:57,990 --> 00:56:57,520

vaccine safety specifically but i've

1775

00:57:00,150 --> 00:56:58,000

heard you

1776

00:57:01,670 --> 00:57:00,160

say that next you'll be looking at

1777

00:57:04,150 --> 00:57:01,680

vaccine ethically

1778

00:57:05,829 --> 00:57:04,160

yeah and i guess i'm curious what falls

1779

00:57:06,950 --> 00:57:05,839

under that umbrella can you talk to us a

1780

00:57:10,069 --> 00:57:06,960

little more about this

1781

00:57:12,470 --> 00:57:10,079

pivot and your work going forward well

1782

00:57:13,750 --> 00:57:12,480

the reason we're moving on is because we

1783

00:57:17,030 --> 00:57:13,760

have proven beyond

1784

00:57:19,270 --> 00:57:17,040

a shadow of a doubt that the safety

1785

00:57:21,190 --> 00:57:19,280

does not exist for vaccines that there's

1786

00:57:23,430 --> 00:57:21,200

no way for them to say they're safe

1787

00:57:24,950 --> 00:57:23,440

and any decent scientist that looks at

1788

00:57:26,950 --> 00:57:24,960

the work we've done so

1789

00:57:28,390 --> 00:57:26,960

like i said we've won several lawsuits

1790

00:57:29,829 --> 00:57:28,400

against government health agencies but

1791

00:57:31,109 --> 00:57:29,839

we've been in a debate with health and

1792

00:57:33,910 --> 00:57:31,119

human services

1793

00:57:34,870 --> 00:57:33,920

we sent it 37 pages i think it was 37 is

1794

00:57:36,950 --> 00:57:34,880

how you print it out but

1795

00:57:38,309 --> 00:57:36,960

document with all the issues that we had

1796

00:57:39,270 --> 00:57:38,319

brought up with the national institute

1797

00:57:41,030 --> 00:57:39,280

of health meeting

1798

00:57:42,710 --> 00:57:41,040

there were internal emails that went

1799

00:57:44,630 --> 00:57:42,720

backward they continued not answer our

1800

00:57:45,510 --> 00:57:44,640

questions but because that was so behind

1801
00:57:46,710 --> 00:57:45,520
closed doors

1802
00:57:48,230 --> 00:57:46,720
and off the record and we weren't

1803
00:57:49,190 --> 00:57:48,240
allowed to share those interactions with

1804
00:57:51,190 --> 00:57:49,200
the health department

1805
00:57:53,109 --> 00:57:51,200
we said screw it let's just make a

1806
00:57:53,349 --> 00:57:53,119
public document and send it in and make

1807
00:57:54,870 --> 00:57:53,359
them

1808
00:57:57,510 --> 00:57:54,880
answer these questions in public since

1809
00:57:58,789 --> 00:57:57,520
they're evading us behind closed doors

1810
00:58:00,710 --> 00:57:58,799
in front of trump's

1811
00:58:02,950 --> 00:58:00,720
people that were involved and so we

1812
00:58:05,829 --> 00:58:02,960
submitted the health and human services

1813
00:58:06,870 --> 00:58:05,839

notice and then after many months they

1814

00:58:09,109 --> 00:58:06,880

responded

1815

00:58:11,030 --> 00:58:09,119

with their own document and pointing to

1816

00:58:11,510 --> 00:58:11,040

citations of studies that they thought

1817

00:58:15,270 --> 00:58:11,520

proved

1818

00:58:17,270 --> 00:58:15,280

and we

1819

00:58:18,710 --> 00:58:17,280

took a year reading literally thousands

1820

00:58:19,670 --> 00:58:18,720

of studies so that we wouldn't be

1821

00:58:21,910 --> 00:58:19,680

inaccurate

1822

00:58:23,270 --> 00:58:21,920

and we have just released about a month

1823

00:58:26,230 --> 00:58:23,280

or so ago

1824

00:58:27,829 --> 00:58:26,240

the icann response to hhs it's

1825

00:58:29,349 --> 00:58:27,839

essentially icann's my non-profit

1826
00:58:31,670 --> 00:58:29,359
informed consent action network

1827
00:58:33,510 --> 00:58:31,680
we had 50 groups representing over 5

1828
00:58:34,470 --> 00:58:33,520
million people sign on to these

1829
00:58:36,549 --> 00:58:34,480
interactions

1830
00:58:38,390 --> 00:58:36,559
and so all that's available on my

1831
00:58:40,549 --> 00:58:38,400
website ikendecide.org

1832
00:58:41,829 --> 00:58:40,559
but we challenged every part of safety

1833
00:58:43,829 --> 00:58:41,839
and improved

1834
00:58:45,030 --> 00:58:43,839
i think beyond a shadow of a doubt that

1835
00:58:45,589 --> 00:58:45,040
no one can tell you these things are

1836
00:58:48,150 --> 00:58:45,599
safe

1837
00:58:50,309 --> 00:58:48,160
but because the science is so poor

1838
00:58:51,430 --> 00:58:50,319

shockingly i mean i'm really actually

1839

00:58:54,390 --> 00:58:51,440

surprised

1840

00:58:55,190 --> 00:58:54,400

how really non-existent a decent answer

1841

00:58:58,630 --> 00:58:55,200

is

1842

00:59:00,710 --> 00:58:58,640

safety

1843

00:59:01,829 --> 00:59:00,720

i mean i assumed they had done some of

1844

00:59:04,390 --> 00:59:01,839

the safety

1845

00:59:05,910 --> 00:59:04,400

science or even law of averages they

1846

00:59:07,430 --> 00:59:05,920

would have accidentally done a decent

1847

00:59:09,990 --> 00:59:07,440

study but they really haven't

1848

00:59:11,430 --> 00:59:10,000

so now it makes us think well geez if

1849

00:59:13,910 --> 00:59:11,440

they've been lying about

1850

00:59:15,829 --> 00:59:13,920

safety all this time then let's start

1851
00:59:17,430 --> 00:59:15,839
looking closer at their studies on

1852
00:59:19,430 --> 00:59:17,440
efficacy meaning

1853
00:59:21,270 --> 00:59:19,440
how effective it is at stopping the

1854
00:59:24,150 --> 00:59:21,280
disease and how long that

1855
00:59:26,390 --> 00:59:24,160
effectiveness lasts and so that's where

1856
00:59:27,589 --> 00:59:26,400
we're going to start investigating

1857
00:59:30,630 --> 00:59:27,599
because

1858
00:59:33,670 --> 00:59:30,640
there are a lot of problems for instance

1859
00:59:35,349 --> 00:59:33,680
mumps the mumps outbreaks that we've

1860
00:59:36,470 --> 00:59:35,359
been watching over the last couple years

1861
00:59:39,030 --> 00:59:36,480
are happening in

1862
00:59:40,710 --> 00:59:39,040
fully vaccinated communities in college

1863
00:59:42,710 --> 00:59:40,720

campuses where they all have had their

1864

00:59:43,670 --> 00:59:42,720

mmr vaccines and are up to date many

1865

00:59:44,950 --> 00:59:43,680

universities

1866

00:59:46,470 --> 00:59:44,960

already mandate that you have to have

1867

00:59:47,829 --> 00:59:46,480

the mmr yet that's where the mumps

1868

00:59:51,109 --> 00:59:47,839

outbreaks are happening

1869

00:59:51,910 --> 00:59:51,119

in hockey teams and professional sports

1870

00:59:53,829 --> 00:59:51,920

where

1871

00:59:55,670 --> 00:59:53,839

most the time when they look at it those

1872

00:59:57,109 --> 00:59:55,680

athletes are fully up to date on their

1873

00:59:59,190 --> 00:59:57,119

vaccines why are they having mumps

1874

01:00:01,270 --> 00:59:59,200

outbreaks and i told you earlier

1875

01:00:03,510 --> 01:00:01,280

that before any of these bumps outbreaks

1876

01:00:06,390 --> 01:00:03,520

we had stephen craling and joan

1877

01:00:08,309 --> 01:00:06,400

wilkowski i think is how you stare name

1878

01:00:08,549 --> 01:00:08,319

two scientists from merck come forward

1879

01:00:11,829 --> 01:00:08,559

as

1880

01:00:13,910 --> 01:00:11,839

whistleblowers suing merck saying

1881

01:00:15,190 --> 01:00:13,920

that we were forced to manipulate the

1882

01:00:18,069 --> 01:00:15,200

study on mumps because the

1883

01:00:19,349 --> 01:00:18,079

fda was seeing that all of these

1884

01:00:21,430 --> 01:00:19,359

outbreaks of mumps were happening

1885

01:00:24,069 --> 01:00:21,440

amongst fully vaccinated people

1886

01:00:25,349 --> 01:00:24,079

so the fda actually said to merck we

1887

01:00:27,510 --> 01:00:25,359

want you to look into this you're going

1888

01:00:29,670 --> 01:00:27,520

to have to redo your study and prove to

1889

01:00:31,109 --> 01:00:29,680

us that the mumps strain you're using is

1890

01:00:33,430 --> 01:00:31,119

efficacious

1891

01:00:34,710 --> 01:00:33,440

and so stephen craly was the head he's

1892

01:00:37,589 --> 01:00:34,720

put in charge of the study

1893

01:00:39,510 --> 01:00:37,599

so they ran the studies in mouse models

1894

01:00:39,829 --> 01:00:39,520

and things like that to try and see you

1895

01:00:41,750 --> 01:00:39,839

know

1896

01:00:43,190 --> 01:00:41,760

how long the efficacy was and it was

1897

01:00:45,030 --> 01:00:43,200

almost non-existent

1898

01:00:47,430 --> 01:00:45,040

the screen was no longer working to

1899

01:00:48,950 --> 01:00:47,440

protect or create titers for months

1900

01:00:50,549 --> 01:00:48,960

and they reported that the american

1901

01:00:52,390 --> 01:00:50,559

merch said that we can't do that

1902

01:00:53,829 --> 01:00:52,400

the reason being they couldn't change

1903

01:00:55,510 --> 01:00:53,839

their mumps strain because that would

1904

01:00:57,430 --> 01:00:55,520

mean they would lose the patent

1905

01:00:59,510 --> 01:00:57,440

and they would lose control over the mmr

1906

01:01:00,710 --> 01:00:59,520

which is a big cash cow in america and

1907

01:01:02,390 --> 01:01:00,720

around the world

1908

01:01:04,069 --> 01:01:02,400

so if they shifted someone else could

1909

01:01:06,069 --> 01:01:04,079

move in and grab that spot

1910

01:01:07,750 --> 01:01:06,079

so then they forced even said use rabbit

1911

01:01:09,670 --> 01:01:07,760

spoiler this is literally with a story

1912

01:01:11,990 --> 01:01:09,680

that stevens told to the courts

1913

01:01:13,670 --> 01:01:12,000

and is still in court they made me use

1914

01:01:14,950 --> 01:01:13,680

rabbit's blood instead of human blood i

1915

01:01:15,510 --> 01:01:14,960

guess for some reason they thought the

1916

01:01:17,510 --> 01:01:15,520

titus

1917

01:01:18,710 --> 01:01:17,520

might hold up better there the antigens

1918

01:01:20,470 --> 01:01:18,720

and that didn't work

1919

01:01:21,990 --> 01:01:20,480

and they tried all sorts of gimmicks

1920

01:01:22,549 --> 01:01:22,000

like that and when it finally didn't

1921

01:01:24,710 --> 01:01:22,559

work

1922

01:01:26,069 --> 01:01:24,720

they just wrote in the numbers they

1923

01:01:28,470 --> 01:01:26,079

wanted it to be

1924

01:01:30,390 --> 01:01:28,480

just made it up so there's one instance

1925

01:01:31,990 --> 01:01:30,400

where efficacy is becoming a real

1926

01:01:33,829 --> 01:01:32,000

problem another one

1927

01:01:35,190 --> 01:01:33,839

that you can look at right now in los

1928

01:01:38,309 --> 01:01:35,200

angeles there's a

1929

01:01:41,430 --> 01:01:38,319

huge pertussis outbreak in a school

1930

01:01:43,670 --> 01:01:41,440

in a private school specifically amongst

1931

01:01:44,870 --> 01:01:43,680

fully vaccinated children the article

1932

01:01:46,390 --> 01:01:44,880

read in the paper

1933

01:01:49,030 --> 01:01:46,400

they're saying that you cannot blame the

1934

01:01:51,030 --> 01:01:49,040

anti-vaxxers on this pertussis outbreak

1935

01:01:52,470 --> 01:01:51,040

and in fact there's 18 kids in the

1936

01:01:54,069 --> 01:01:52,480

school that are not vaccinated and

1937

01:01:56,950 --> 01:01:54,079

they're one of the only ones not getting

1938

01:01:58,390 --> 01:01:56,960

pertussis which also proves a point that

1939

01:01:59,029 --> 01:01:58,400

i've been trying to make for a very long

1940

01:02:01,589 --> 01:01:59,039

time

1941

01:02:03,910 --> 01:02:01,599

and when we look at pertussis

1942

01:02:05,109 --> 01:02:03,920

specifically there are some really

1943

01:02:07,589 --> 01:02:05,119

really alarming

1944

01:02:09,589 --> 01:02:07,599

discussions that we've had about that

1945

01:02:11,670 --> 01:02:09,599

there's been two studies using baboons

1946

01:02:12,230 --> 01:02:11,680

now you can't test a vaccine on a human

1947

01:02:13,750 --> 01:02:12,240

being well

1948

01:02:15,589 --> 01:02:13,760

they're already not doing the safety

1949

01:02:18,230 --> 01:02:15,599

studies of placebos i told you about

1950

01:02:19,109 --> 01:02:18,240

but they also can't do an assault study

1951

01:02:21,829 --> 01:02:19,119

which means

1952

01:02:24,069 --> 01:02:21,839

or an insult study where you're given a

1953

01:02:25,910 --> 01:02:24,079

vaccine and then they put you in contact

1954

01:02:27,270 --> 01:02:25,920

with the virus or the bacteria

1955

01:02:29,750 --> 01:02:27,280

it's supposed to protect to see if it

1956

01:02:30,630 --> 01:02:29,760

works obviously that would definitely be

1957

01:02:31,990 --> 01:02:30,640

unethical

1958

01:02:35,190 --> 01:02:32,000

to do to human beings so they use

1959

01:02:37,109 --> 01:02:35,200

baboons and baboons studied pertussis

1960

01:02:39,270 --> 01:02:37,119

actually the dtap vaccine diphtheria

1961

01:02:41,029 --> 01:02:39,280

tetanus and acellular pertussis

1962

01:02:43,029 --> 01:02:41,039

which is what we use on our children

1963

01:02:45,430 --> 01:02:43,039

they gave it to a group of baboons

1964

01:02:47,109 --> 01:02:45,440

they gave a saline injection to another

1965

01:02:50,069 --> 01:02:47,119

group so that they got nothing

1966

01:02:51,190 --> 01:02:50,079

and then they had a group that oh dtp

1967

01:02:52,789 --> 01:02:51,200

vaccine let's not even get into that

1968

01:02:54,950 --> 01:02:52,799

that just adds a complication

1969

01:02:56,549 --> 01:02:54,960

so dtap and the unvaccinated group and

1970

01:02:58,069 --> 01:02:56,559

then they submit them and they put them

1971

01:03:00,549 --> 01:02:58,079

in front of pertussis

1972

01:03:01,750 --> 01:03:00,559

and as would be expected the group that

1973

01:03:03,430 --> 01:03:01,760

had the vaccine

1974

01:03:05,510 --> 01:03:03,440

didn't have a cough in the group of

1975

01:03:07,510 --> 01:03:05,520

baboons that didn't have the vaccine

1976

01:03:09,990 --> 01:03:07,520

they got pertussis they coughed

1977

01:03:11,910 --> 01:03:10,000

a bunch none of them died they ended up

1978

01:03:13,990 --> 01:03:11,920

surviving and they were fine

1979

01:03:15,190 --> 01:03:14,000

but then they did a follow-up study then

1980

01:03:18,549 --> 01:03:15,200

a few months later

1981

01:03:22,150 --> 01:03:18,559

they subjected them to pertussis again

1982

01:03:24,390 --> 01:03:22,160

and what they found was that the natural

1983

01:03:26,470 --> 01:03:24,400

immunity of the baboons

1984

01:03:29,029 --> 01:03:26,480

held up that they didn't end up

1985

01:03:32,069 --> 01:03:29,039

colonizing the pertussis in their lungs

1986

01:03:32,390 --> 01:03:32,079

but that the vaccinated group did that

1987

01:03:36,069 --> 01:03:32,400

they

1988

01:03:39,029 --> 01:03:36,079

have the cough

1989

01:03:41,029 --> 01:03:39,039

and so what they discovered is that all

1990

01:03:43,270 --> 01:03:41,039

the vaccine is doing

1991

01:03:45,109 --> 01:03:43,280

is stopping your symptoms which is great

1992

01:03:46,789 --> 01:03:45,119

who wants that cough i get that that's

1993

01:03:49,510 --> 01:03:46,799

fine that's what you want to protect

1994

01:03:51,829 --> 01:03:49,520

but all the advertising is saying if

1995

01:03:54,069 --> 01:03:51,839

you've seen the big bad wolf ads

1996

01:03:55,109 --> 01:03:54,079

if babies at home and grandma wants to

1997

01:03:57,430 --> 01:03:55,119

come and visit

1998

01:03:58,789 --> 01:03:57,440

make grandma get her dtap vaccine to

1999

01:04:00,630 --> 01:03:58,799

protect that baby

2000

01:04:02,549 --> 01:04:00,640

and they show grandma turns into the big

2001
01:04:03,589 --> 01:04:02,559
bad wolf if she decides not to get the

2002
01:04:04,870 --> 01:04:03,599
vaccine

2003
01:04:06,630 --> 01:04:04,880
but think about what they're saying

2004
01:04:09,430 --> 01:04:06,640
they're saying it's dangerous to visit

2005
01:04:11,430 --> 01:04:09,440
the baby if you're unvaccinated for dtap

2006
01:04:13,029 --> 01:04:11,440
but when the truth is that you're

2007
01:04:13,829 --> 01:04:13,039
actually more dangerous if you've had

2008
01:04:15,670 --> 01:04:13,839
the vaccine

2009
01:04:17,750 --> 01:04:15,680
because you don't know if you're

2010
01:04:19,750 --> 01:04:17,760
carrying it into that house

2011
01:04:21,430 --> 01:04:19,760
it can be in your body but you have no

2012
01:04:24,390 --> 01:04:21,440
alarm you have no cough

2013
01:04:25,349 --> 01:04:24,400

warning you you are a carrier of

2014

01:04:27,990 --> 01:04:25,359

pertussis

2015

01:04:29,109 --> 01:04:28,000

and so the opposite is true if you don't

2016

01:04:29,990 --> 01:04:29,119

have the vaccine you're gonna have a

2017

01:04:31,589 --> 01:04:30,000

cough you're gonna say

2018

01:04:33,349 --> 01:04:31,599

baby i probably shouldn't come over and

2019

01:04:34,789 --> 01:04:33,359

visit your new child because i have this

2020

01:04:35,829 --> 01:04:34,799

cough i don't know if it's pertussis or

2021

01:04:37,670 --> 01:04:35,839

not but why risk it

2022

01:04:39,430 --> 01:04:37,680

if you have the vaccine you feel great

2023

01:04:40,789 --> 01:04:39,440

you're walking over and you can be a

2024

01:04:43,750 --> 01:04:40,799

silent deadly killer

2025

01:04:45,109 --> 01:04:43,760

and then a new study just came out even

2026

01:04:47,190 --> 01:04:45,119

more fascinating we just talked about

2027

01:04:49,190 --> 01:04:47,200

this on the high wire last week

2028

01:04:50,630 --> 01:04:49,200

that looked at all the studies that are

2029

01:04:53,270 --> 01:04:50,640

going on and reviews

2030

01:04:54,390 --> 01:04:53,280

of the dtap vaccine around the world and

2031

01:04:57,510 --> 01:04:54,400

what they discovered

2032

01:04:58,390 --> 01:04:57,520

is that the dtap vaccine if you have

2033

01:05:01,430 --> 01:04:58,400

gotten it

2034

01:05:03,750 --> 01:05:01,440

you are going to have more pertussis

2035

01:05:05,990 --> 01:05:03,760

throughout your life than if you hadn't

2036

01:05:07,190 --> 01:05:06,000

gotten it you are going to be developing

2037

01:05:09,510 --> 01:05:07,200

more pertussis

2038

01:05:11,430 --> 01:05:09,520

because of the way the vaccine works it

2039

01:05:13,750 --> 01:05:11,440

doesn't prime the body to actually

2040

01:05:15,829 --> 01:05:13,760

recognize pertussis correctly

2041

01:05:17,190 --> 01:05:15,839

and even more shock in the article it

2042

01:05:19,910 --> 01:05:17,200

says this error

2043

01:05:22,870 --> 01:05:19,920

that is going to cause more pertussis in

2044

01:05:26,630 --> 01:05:22,880

everybody that's gotten the dtap vaccine

2045

01:05:29,589 --> 01:05:26,640

cannot be reversed

2046

01:05:30,549 --> 01:05:29,599

which is why i say you should always

2047

01:05:32,309 --> 01:05:30,559

have a choice

2048

01:05:34,150 --> 01:05:32,319

whether you want to use these vaccines

2049

01:05:36,470 --> 01:05:34,160

because now we know every

2050

01:05:38,950 --> 01:05:36,480

child that got a dtap vaccine is going

2051
01:05:41,510 --> 01:05:38,960
to suffer from pertussis more often

2052
01:05:42,710 --> 01:05:41,520
the rest of their life because of it and

2053
01:05:45,670 --> 01:05:42,720
those that didn't get it

2054
01:05:47,910 --> 01:05:45,680
guess what they'll have pertussis once

2055
01:05:48,950 --> 01:05:47,920
and maybe there is some i'm not going to

2056
01:05:52,069 --> 01:05:48,960
overstate it

2057
01:05:53,589 --> 01:05:52,079
it is one of the few illnesses that it

2058
01:05:56,710 --> 01:05:53,599
looks like you may not

2059
01:05:58,549 --> 01:05:56,720
maintain lifelong immunity to but you

2060
01:05:59,990 --> 01:05:58,559
will certainly have decades if you got

2061
01:06:02,390 --> 01:06:00,000
the disease whereas

2062
01:06:03,990 --> 01:06:02,400
now the dtap and the suggestion by the

2063
01:06:06,390 --> 01:06:04,000

way the suggestion of that study

2064

01:06:07,430 --> 01:06:06,400

was not so stop using dtap now the

2065

01:06:09,109 --> 01:06:07,440

suggestion was

2066

01:06:12,309 --> 01:06:09,119

i believe we should be giving deep tap

2067

01:06:14,710 --> 01:06:12,319

then every three years

2068

01:06:15,670 --> 01:06:14,720

packed with aluminum and all sorts of

2069

01:06:17,990 --> 01:06:15,680

crap

2070

01:06:19,750 --> 01:06:18,000

every three years this is what's going

2071

01:06:20,549 --> 01:06:19,760

to happen if they mandate vaccines by

2072

01:06:22,230 --> 01:06:20,559

the way

2073

01:06:23,990 --> 01:06:22,240

and we should probably get into that

2074

01:06:24,950 --> 01:06:24,000

because the laws now are getting

2075

01:06:26,470 --> 01:06:24,960

terrifying

2076

01:06:28,710 --> 01:06:26,480

you have people that have been

2077

01:06:29,910 --> 01:06:28,720

brainwashed into thinking that vaccines

2078

01:06:31,349 --> 01:06:29,920

have saved their lives

2079

01:06:33,029 --> 01:06:31,359

they don't look at any of the science

2080

01:06:34,150 --> 01:06:33,039

i've discussed and now all of your

2081

01:06:36,789 --> 01:06:34,160

politicians

2082

01:06:38,470 --> 01:06:36,799

certainly it tends to lean more liberal

2083

01:06:40,390 --> 01:06:38,480

which is unfortunate i say that as a

2084

01:06:42,309 --> 01:06:40,400

lifelong progressive liberal and bobby

2085

01:06:44,230 --> 01:06:42,319

kennedy is calling it out too

2086

01:06:45,510 --> 01:06:44,240

yes the son of the kennedy family is

2087

01:06:48,549 --> 01:06:45,520

saying i don't know why

2088

01:06:49,910 --> 01:06:48,559

liberals are getting behind censorship

2089

01:06:52,390 --> 01:06:49,920

and you know they're taking away our

2090

01:06:54,950 --> 01:06:52,400

right to opt out of the vaccine program

2091

01:06:55,990 --> 01:06:54,960

and what that means and it's probably in

2092

01:06:57,270 --> 01:06:56,000

every almost

2093

01:06:59,589 --> 01:06:57,280

i think there's seven maybe moving

2094

01:07:00,069 --> 01:06:59,599

towards ten states are looking to remove

2095

01:07:02,230 --> 01:07:00,079

all of your

2096

01:07:03,190 --> 01:07:02,240

exemptions to opt out of the vaccine

2097

01:07:05,190 --> 01:07:03,200

program that means

2098

01:07:06,870 --> 01:07:05,200

you can't just skip one when they call

2099

01:07:08,710 --> 01:07:06,880

us antibacterials lots of people just

2100

01:07:10,470 --> 01:07:08,720

say i don't need the rotavirus vaccine

2101
01:07:11,670 --> 01:07:10,480
or i don't think chickenpox is a vaccine

2102
01:07:12,549 --> 01:07:11,680
i need and they're suddenly an

2103
01:07:14,470 --> 01:07:12,559
antibacter

2104
01:07:15,589 --> 01:07:14,480
for just deciding to drop one of the

2105
01:07:17,270 --> 01:07:15,599
vaccines our

2106
01:07:20,309 --> 01:07:17,280
government wants to make it so that you

2107
01:07:23,430 --> 01:07:20,319
can't do that in california we know

2108
01:07:23,990 --> 01:07:23,440
that sb 277 took our right to choose a

2109
01:07:25,990 --> 01:07:24,000
way

2110
01:07:27,430 --> 01:07:26,000
if we want to go to a public or a

2111
01:07:30,069 --> 01:07:27,440
private school with our kids

2112
01:07:31,430 --> 01:07:30,079
but here's what's happening folks take

2113
01:07:33,990 --> 01:07:31,440

the word vaccine

2114

01:07:36,230 --> 01:07:34,000

out of it let's really try and

2115

01:07:39,349 --> 01:07:36,240

critically think about this for a second

2116

01:07:39,990 --> 01:07:39,359

we are saying that we are okay that the

2117

01:07:43,029 --> 01:07:40,000

government

2118

01:07:43,990 --> 01:07:43,039

force injects our children and there

2119

01:07:45,829 --> 01:07:44,000

will be laws

2120

01:07:48,069 --> 01:07:45,839

right around the corner for every adult

2121

01:07:49,029 --> 01:07:48,079

force inject us with products we have no

2122

01:07:50,870 --> 01:07:49,039

control over

2123

01:07:52,470 --> 01:07:50,880

that they never tell us the truth on as

2124

01:07:54,630 --> 01:07:52,480

you pointed out the pharmaceutical

2125

01:07:56,710 --> 01:07:54,640

industry lies all the time i've pointed

2126
01:07:57,990 --> 01:07:56,720
out multiple lies by the cdc in this

2127
01:08:00,069 --> 01:07:58,000
conversation

2128
01:08:01,990 --> 01:08:00,079
you are going to be force injected with

2129
01:08:04,549 --> 01:08:02,000
products you have no control over

2130
01:08:07,109 --> 01:08:04,559
now i don't know that i need to tell you

2131
01:08:09,109 --> 01:08:07,119
that nazi germany did similar things or

2132
01:08:10,309 --> 01:08:09,119
other countries have tried similar

2133
01:08:13,750 --> 01:08:10,319
things that

2134
01:08:16,070 --> 01:08:13,760
ended up being considered atrocities

2135
01:08:17,910 --> 01:08:16,080
but do you want to live in a nation

2136
01:08:20,950 --> 01:08:17,920
where the government

2137
01:08:22,070 --> 01:08:20,960
actually treats you as property because

2138
01:08:24,070 --> 01:08:22,080

that's what it is

2139

01:08:26,309 --> 01:08:24,080

go ahead and keep referring to the herd

2140

01:08:28,789 --> 01:08:26,319

because they are considering you a herd

2141

01:08:30,390 --> 01:08:28,799

you are a herd owned by the united

2142

01:08:32,390 --> 01:08:30,400

states government and if you allow them

2143

01:08:35,669 --> 01:08:32,400

to take your exemptions away

2144

01:08:38,470 --> 01:08:35,679

that means you no longer own

2145

01:08:40,309 --> 01:08:38,480

your own body the government does so

2146

01:08:42,470 --> 01:08:40,319

forget about your gun rights

2147

01:08:44,390 --> 01:08:42,480

forget about your land rights forget

2148

01:08:45,829 --> 01:08:44,400

about your water rights your right to

2149

01:08:48,550 --> 01:08:45,839

free speech

2150

01:08:49,030 --> 01:08:48,560

right now hanging in the balance in the

2151
01:08:51,749 --> 01:08:49,040
senate

2152
01:08:53,510 --> 01:08:51,759
in the congress throughout you know many

2153
01:08:56,630 --> 01:08:53,520
of our state capitals

2154
01:08:59,990 --> 01:08:56,640
is the decision to say you do not

2155
01:09:04,470 --> 01:09:00,000
have a right to control your own

2156
01:09:07,749 --> 01:09:04,480
body people please please wake up

2157
01:09:09,430 --> 01:09:07,759
now our founding fathers are rolling

2158
01:09:11,990 --> 01:09:09,440
over in their graves

2159
01:09:12,870 --> 01:09:12,000
don't be so terrified of two percent of

2160
01:09:14,709 --> 01:09:12,880
the children

2161
01:09:16,709 --> 01:09:14,719
that are going to go on to have lifelong

2162
01:09:17,590 --> 01:09:16,719
immunity to the diseases they contract

2163
01:09:19,430 --> 01:09:17,600

at home

2164

01:09:21,349 --> 01:09:19,440

there's no case of them ever killing

2165

01:09:22,709 --> 01:09:21,359

anybody once they got it

2166

01:09:25,510 --> 01:09:22,719

and they end up being the healthiest

2167

01:09:28,550 --> 01:09:25,520

kids by every study across the world

2168

01:09:30,470 --> 01:09:28,560

doesn't matter force injections

2169

01:09:32,309 --> 01:09:30,480

and think about donald trump because

2170

01:09:34,870 --> 01:09:32,319

this is a huge push by

2171

01:09:35,510 --> 01:09:34,880

liberal progressives and every one of

2172

01:09:37,269 --> 01:09:35,520

them

2173

01:09:39,269 --> 01:09:37,279

talk to me about donald trump as though

2174

01:09:40,229 --> 01:09:39,279

he's the antichrist in the end of the

2175

01:09:43,229 --> 01:09:40,239

world

2176
01:09:44,870 --> 01:09:43,239
for them their anti-trump and

2177
01:09:47,990 --> 01:09:44,880
pro-vaccine mandate

2178
01:09:50,550 --> 01:09:48,000
i have this to say to you donald

2179
01:09:52,470 --> 01:09:50,560
trump who you're angry is going to try

2180
01:09:55,350 --> 01:09:52,480
and force to build a wall

2181
01:09:56,550 --> 01:09:55,360
could have control over your body if you

2182
01:09:58,310 --> 01:09:56,560
let the democrats

2183
01:09:59,590 --> 01:09:58,320
take away your rights to choose what

2184
01:10:02,390 --> 01:09:59,600
happens to your body

2185
01:10:05,590 --> 01:10:02,400
the president of the united states folks

2186
01:10:08,149 --> 01:10:05,600
puts into office the head of the cdc

2187
01:10:09,669 --> 01:10:08,159
the head of the fda the head of the

2188
01:10:13,030 --> 01:10:09,679

national institute of health

2189

01:10:15,189 --> 01:10:13,040

the head of the epa so

2190

01:10:17,430 --> 01:10:15,199

all the people that decide what is going

2191

01:10:20,310 --> 01:10:17,440

to be mandated into your body

2192

01:10:21,590 --> 01:10:20,320

are put into their positions by the

2193

01:10:23,030 --> 01:10:21,600

president of the united states so if

2194

01:10:26,070 --> 01:10:23,040

you're afraid of donald trump

2195

01:10:28,229 --> 01:10:26,080

please wake up right now and know that

2196

01:10:29,990 --> 01:10:28,239

what if someone worse would have someone

2197

01:10:32,950 --> 01:10:30,000

even more controlling do we

2198

01:10:33,830 --> 01:10:32,960

really really think that our nation is

2199

01:10:36,550 --> 01:10:33,840

so smart

2200

01:10:37,189 --> 01:10:36,560

it will never vote in a mussolini a

2201

01:10:40,630 --> 01:10:37,199

hitler

2202

01:10:43,910 --> 01:10:40,640

or someone that has at least bad

2203

01:10:46,149 --> 01:10:43,920

ideas for maybe the darker people the

2204

01:10:46,870 --> 01:10:46,159

black people the african-americans the

2205

01:10:49,030 --> 01:10:46,880

asians

2206

01:10:50,390 --> 01:10:49,040

the latinos or maybe gays maybe they

2207

01:10:52,470 --> 01:10:50,400

don't like gays

2208

01:10:53,830 --> 01:10:52,480

if you have a forced vaccination program

2209

01:10:55,270 --> 01:10:53,840

where you're having to show up every

2210

01:10:56,550 --> 01:10:55,280

year and get injected with things you

2211

01:10:58,709 --> 01:10:56,560

don't know about

2212

01:10:59,590 --> 01:10:58,719

don't be shocked if suddenly oh my god

2213

01:11:01,270 --> 01:10:59,600

look at that

2214

01:11:03,430 --> 01:11:01,280

in that poor community down there

2215

01:11:04,950 --> 01:11:03,440

they're having real trouble giving birth

2216

01:11:06,630 --> 01:11:04,960

they seem to be sterile and we don't

2217

01:11:08,149 --> 01:11:06,640

know why

2218

01:11:10,149 --> 01:11:08,159

maybe i'm living in a science fiction

2219

01:11:11,510 --> 01:11:10,159

movie maybe it's all going to be okay

2220

01:11:13,270 --> 01:11:11,520

that the government's going to own our

2221

01:11:14,950 --> 01:11:13,280

bodies maybe it's okay the

2222

01:11:17,270 --> 01:11:14,960

pharmaceutical industry is the most

2223

01:11:18,790 --> 01:11:17,280

powerful lobbying in washington

2224

01:11:21,030 --> 01:11:18,800

outspending oil and gas

2225

01:11:22,550 --> 01:11:21,040

two to one maybe it's okay that the

2226

01:11:25,430 --> 01:11:22,560

senate hearing today

2227

01:11:27,350 --> 01:11:25,440

wants to align pharma and the cdc

2228

01:11:29,669 --> 01:11:27,360

together and merge them

2229

01:11:31,110 --> 01:11:29,679

to work hand in hand to control your

2230

01:11:33,430 --> 01:11:31,120

body

2231

01:11:34,470 --> 01:11:33,440

maybe it is you decide but if you make

2232

01:11:37,669 --> 01:11:34,480

that decision

2233

01:11:40,950 --> 01:11:37,679

i'm out of here yes man

2234

01:11:42,550 --> 01:11:40,960

nice nice i love it and uh

2235

01:11:44,709 --> 01:11:42,560

as we're winding down here i guess i

2236

01:11:46,709 --> 01:11:44,719

would just ask is there anything else to

2237

01:11:49,030 --> 01:11:46,719

say to people about how they can get

2238

01:11:51,189 --> 01:11:49,040

involved or help to turn the tide on

2239

01:11:53,430 --> 01:11:51,199

these issues as we're going forward

2240

01:11:54,709 --> 01:11:53,440

yes you've got to call your politician

2241

01:11:57,110 --> 01:11:54,719

you got to reach out

2242

01:11:58,310 --> 01:11:57,120

it still works actually i travel the

2243

01:12:00,790 --> 01:11:58,320

country and i talk

2244

01:12:01,910 --> 01:12:00,800

to politicians all the time and they say

2245

01:12:03,990 --> 01:12:01,920

to me dell

2246

01:12:05,430 --> 01:12:04,000

it's an intriguing pitch you've made

2247

01:12:07,189 --> 01:12:05,440

some really good points but why are none

2248

01:12:08,229 --> 01:12:07,199

of my constituents here complaining

2249

01:12:10,470 --> 01:12:08,239

about this

2250

01:12:12,310 --> 01:12:10,480

and when you have to know i know it's

2251

01:12:14,310 --> 01:12:12,320

hard to get up and go and call your

2252

01:12:15,030 --> 01:12:14,320

senator your congressman your assembly

2253

01:12:17,030 --> 01:12:15,040

member

2254

01:12:19,430 --> 01:12:17,040

they know how hard that is to do so if

2255

01:12:21,830 --> 01:12:19,440

you bring your kids and your wife or

2256

01:12:24,070 --> 01:12:21,840

you know your husband you represent

2257

01:12:26,470 --> 01:12:24,080

thousands of people to that person

2258

01:12:28,229 --> 01:12:26,480

because they know how hard it is and

2259

01:12:30,630 --> 01:12:28,239

you've got to go in and tell the truth

2260

01:12:32,470 --> 01:12:30,640

and it's easy to do on days where all of

2261

01:12:34,790 --> 01:12:32,480

the groups that are behind this

2262

01:12:36,709 --> 01:12:34,800

are sharing and helping you do it so you

2263

01:12:38,950 --> 01:12:36,719

need to reach out start looking for

2264

01:12:41,030 --> 01:12:38,960

health choice or vaccine choice whatever

2265

01:12:43,510 --> 01:12:41,040

your state is type in health choice

2266

01:12:45,189 --> 01:12:43,520

washington or vaccine risk choice

2267

01:12:45,669 --> 01:12:45,199

anything like that until you find that

2268

01:12:49,030 --> 01:12:45,679

group

2269

01:12:51,910 --> 01:12:49,040

or if you go to the national nvi is it

2270

01:12:53,270 --> 01:12:51,920

oh shoot i got too many letters popping

2271

01:12:54,709 --> 01:12:53,280

around my head anyway

2272

01:12:56,390 --> 01:12:54,719

come on to my show this week i'll make

2273

01:12:57,510 --> 01:12:56,400

sure to post it the high wire so you can

2274

01:12:59,990 --> 01:12:57,520

find the group near you

2275

01:13:00,630 --> 01:13:00,000

but join that group and lastly you got

2276

01:13:03,350 --> 01:13:00,640

to get out

2277

01:13:05,510 --> 01:13:03,360

this is the issue of our time this is

2278

01:13:05,990 --> 01:13:05,520

going to decide whether you are free or

2279

01:13:08,229 --> 01:13:06,000

not

2280

01:13:09,750 --> 01:13:08,239

the pharmaceutical industry is taking

2281

01:13:12,310 --> 01:13:09,760

over your government they've taken over

2282

01:13:14,070 --> 01:13:12,320

the cdc they've taken of the fda

2283

01:13:15,910 --> 01:13:14,080

my parents who are still liberals are

2284

01:13:17,750 --> 01:13:15,920

like donald trump's going to destroy all

2285

01:13:20,870 --> 01:13:17,760

of our regulatory agencies

2286

01:13:23,270 --> 01:13:20,880

and i say oh my god i pray that he does

2287

01:13:25,990 --> 01:13:23,280

because here's the problem i want

2288

01:13:27,910 --> 01:13:26,000

regulatory agencies i'm not crazy i know

2289

01:13:30,709 --> 01:13:27,920

industries lie to us all the time

2290

01:13:33,110 --> 01:13:30,719

but if merck is being run by pfizer and

2291

01:13:34,070 --> 01:13:33,120

cenophiaventis i mean if cdc's being run

2292

01:13:36,070 --> 01:13:34,080

by merck and

2293

01:13:37,270 --> 01:13:36,080

cenophobia business and pfizer which it

2294

01:13:38,790 --> 01:13:37,280

is then

2295

01:13:41,350 --> 01:13:38,800

you don't have a regulatory agency if

2296

01:13:42,390 --> 01:13:41,360

the fda is being run by people from

2297

01:13:44,630 --> 01:13:42,400

monsanto

2298

01:13:45,990 --> 01:13:44,640

and the epa is being run by people from

2299

01:13:48,390 --> 01:13:46,000

exxon all of those things

2300

01:13:50,390 --> 01:13:48,400

you can look up are true then you don't

2301
01:13:51,110 --> 01:13:50,400
have regulatory agencies and at that

2302
01:13:53,430 --> 01:13:51,120
moment

2303
01:13:54,550 --> 01:13:53,440
at least then you will realize you're

2304
01:13:56,630 --> 01:13:54,560
all by yourself

2305
01:13:57,750 --> 01:13:56,640
and you better start questioning

2306
01:14:00,310 --> 01:13:57,760
everybody and

2307
01:14:01,189 --> 01:14:00,320
everything and reading every label and

2308
01:14:03,270 --> 01:14:01,199
lastly

2309
01:14:04,310 --> 01:14:03,280
when it comes to this issue we've

2310
01:14:07,189 --> 01:14:04,320
touched on it

2311
01:14:08,870 --> 01:14:07,199
i want to simply put it this way the

2312
01:14:12,310 --> 01:14:08,880
pharmaceutical industry

2313
01:14:14,310 --> 01:14:12,320

lies to us on a constant basis there are

2314

01:14:15,990 --> 01:14:14,320

lawyers on your television every week

2315

01:14:16,870 --> 01:14:16,000

saying if you've been injured by this

2316

01:14:19,990 --> 01:14:16,880

drug

2317

01:14:22,149 --> 01:14:20,000

get on to our lawsuit and

2318

01:14:23,430 --> 01:14:22,159

we have seen lawsuits for vioxx where

2319

01:14:26,310 --> 01:14:23,440

they killed 65

2320

01:14:27,990 --> 01:14:26,320

000 people before we found out they knew

2321

01:14:29,510 --> 01:14:28,000

the drug caused heart attacks from the

2322

01:14:31,830 --> 01:14:29,520

beginning the whole time

2323

01:14:32,550 --> 01:14:31,840

as you pointed out earlier on johnson

2324

01:14:34,709 --> 01:14:32,560

and johnson

2325

01:14:37,270 --> 01:14:34,719

knew there was asbestos in the talcum

2326

01:14:39,350 --> 01:14:37,280

powder we were sprinkling on our babies

2327

01:14:41,990 --> 01:14:39,360

genitals they knew it the whole time

2328

01:14:43,590 --> 01:14:42,000

and oxycontin look at oxycontin the

2329

01:14:45,910 --> 01:14:43,600

oxycontin epidemic

2330

01:14:47,030 --> 01:14:45,920

is destroying tens of thousands of

2331

01:14:49,669 --> 01:14:47,040

people are dying

2332

01:14:51,590 --> 01:14:49,679

every year in america from that all of

2333

01:14:53,510 --> 01:14:51,600

that pushed by an industry that lied

2334

01:14:54,070 --> 01:14:53,520

that lied about its safety that lied

2335

01:14:56,070 --> 01:14:54,080

about

2336

01:14:57,590 --> 01:14:56,080

the addictive qualities and guess who

2337

01:14:59,110 --> 01:14:57,600

was right there with them

2338

01:15:01,430 --> 01:14:59,120

don't just blame the pharmaceutical

2339

01:15:03,350 --> 01:15:01,440

industry the cdc and the fda have been

2340

01:15:04,390 --> 01:15:03,360

saying that oxycontin is not addictive

2341

01:15:06,390 --> 01:15:04,400

the whole time

2342

01:15:08,470 --> 01:15:06,400

they've been saying that vioxx was safe

2343

01:15:10,149 --> 01:15:08,480

the whole time until it proved not to be

2344

01:15:12,229 --> 01:15:10,159

they've been saying that talcum powder

2345

01:15:13,669 --> 01:15:12,239

is safe and they're the ones telling you

2346

01:15:17,510 --> 01:15:13,679

that vaccines

2347

01:15:20,550 --> 01:15:17,520

are safe now add to that

2348

01:15:22,149 --> 01:15:20,560

every product i just mentioned you can

2349

01:15:23,750 --> 01:15:22,159

sue the manufacturer

2350

01:15:25,430 --> 01:15:23,760

which means they've got to be worried

2351

01:15:28,310 --> 01:15:25,440

about it and they end up paying out

2352

01:15:29,669 --> 01:15:28,320

billions of dollars but there's one

2353

01:15:32,950 --> 01:15:29,679

product this industry

2354

01:15:35,510 --> 01:15:32,960

cannot be sued for only one and that's

2355

01:15:37,189 --> 01:15:35,520

vaccines the product is being injected

2356

01:15:39,350 --> 01:15:37,199

into your babies

2357

01:15:41,350 --> 01:15:39,360

and the product i've told you has never

2358

01:15:42,630 --> 01:15:41,360

been to a safety study all those others

2359

01:15:43,910 --> 01:15:42,640

even though they must have had to fake

2360

01:15:46,310 --> 01:15:43,920

some things at least they had to go

2361

01:15:48,470 --> 01:15:46,320

through a safety study not your vaccines

2362

01:15:50,470 --> 01:15:48,480

so the only product you can't sue the

2363

01:15:52,470 --> 01:15:50,480

pharmaceutical industries for

2364

01:15:53,510 --> 01:15:52,480

has never been through a safety study

2365

01:15:56,070 --> 01:15:53,520

and add to that

2366

01:15:58,950 --> 01:15:56,080

is the only product in this country that

2367

01:16:01,669 --> 01:15:58,960

is forced upon free citizens

2368

01:16:03,030 --> 01:16:01,679

so you have taken away every market

2369

01:16:06,229 --> 01:16:03,040

force that it would be

2370

01:16:09,910 --> 01:16:06,239

for them to evolve this product and get

2371

01:16:11,430 --> 01:16:09,920

the dangers and the levels to come down

2372

01:16:13,110 --> 01:16:11,440

you took away the market force of

2373

01:16:14,790 --> 01:16:13,120

lawsuits which would demand a better

2374

01:16:16,229 --> 01:16:14,800

product and you've taken away the market

2375

01:16:19,430 --> 01:16:16,239

course of choice

2376
01:16:20,790 --> 01:16:19,440
and by god all the industries you would

2377
01:16:23,910 --> 01:16:20,800
give a free ride

2378
01:16:25,590 --> 01:16:23,920
to to not be able to sue them is the

2379
01:16:26,390 --> 01:16:25,600
pharmaceutical industry the one you

2380
01:16:27,990 --> 01:16:26,400
choose

2381
01:16:29,430 --> 01:16:28,000
and is the product being injected into

2382
01:16:30,790 --> 01:16:29,440
your children the one you'd feel good

2383
01:16:32,550 --> 01:16:30,800
about that on

2384
01:16:34,790 --> 01:16:32,560
i need your help folks we all need to

2385
01:16:38,550 --> 01:16:34,800
get on this this is a crisis

2386
01:16:41,030 --> 01:16:38,560
of astronomical consequences

2387
01:16:41,990 --> 01:16:41,040
right well great points i hope people

2388
01:16:44,149 --> 01:16:42,000

are feeling

2389

01:16:45,750 --> 01:16:44,159

motivated you're doing great things

2390

01:16:46,390 --> 01:16:45,760

before we really get out of here are

2391

01:16:48,310 --> 01:16:46,400

there other

2392

01:16:49,750 --> 01:16:48,320

resources or plugs you'd like to throw

2393

01:16:51,430 --> 01:16:49,760

out so people can keep digging into

2394

01:16:52,630 --> 01:16:51,440

these issues and following your work you

2395

01:16:54,950 --> 01:16:52,640

got icann you've got

2396

01:16:56,950 --> 01:16:54,960

high wire yeah the high wires so the

2397

01:16:58,550 --> 01:16:56,960

high wire look we may all get kicked off

2398

01:16:59,350 --> 01:16:58,560

of facebook at some point so if that's

2399

01:17:01,030 --> 01:16:59,360

the case

2400

01:17:02,709 --> 01:17:01,040

our website hopefully is launching this

2401

01:17:04,709 --> 01:17:02,719

week the highwire.com

2402

01:17:07,030 --> 01:17:04,719

go to the high wire i do a live show

2403

01:17:08,229 --> 01:17:07,040

every thursday 11 a.m pacific time it's

2404

01:17:10,229 --> 01:17:08,239

a lot of fun

2405

01:17:12,149 --> 01:17:10,239

we add some humor to the issue as we

2406

01:17:12,950 --> 01:17:12,159

sort of give the pharmaceutical industry

2407

01:17:15,590 --> 01:17:12,960

and our

2408

01:17:17,350 --> 01:17:15,600

our regulatory agencies the beat down we

2409

01:17:19,750 --> 01:17:17,360

try to talk about other things like

2410

01:17:21,830 --> 01:17:19,760

monsanto and things like that but there

2411

01:17:22,790 --> 01:17:21,840

is so much information about vaccines

2412

01:17:24,550 --> 01:17:22,800

right now

2413

01:17:26,470 --> 01:17:24,560

it's really hard to talk about anything

2414

01:17:27,990 --> 01:17:26,480

else definitely go to my nonprofit the

2415

01:17:28,950 --> 01:17:28,000

informed consent action network which

2416

01:17:32,390 --> 01:17:28,960

you can find it

2417

01:17:33,590 --> 01:17:32,400

i can decide dot org look at the

2418

01:17:35,910 --> 01:17:33,600

government papers

2419

01:17:36,709 --> 01:17:35,920

you can read all the science i'm talking

2420

01:17:40,310 --> 01:17:36,719

about and

2421

01:17:42,950 --> 01:17:40,320

everything i talk about i cite and back

2422

01:17:44,550 --> 01:17:42,960

up with published science all the links

2423

01:17:45,990 --> 01:17:44,560

are on our website and every time you

2424

01:17:46,750 --> 01:17:46,000

watch the high wire all you have to do

2425

01:17:49,189 --> 01:17:46,760

is type

2426
01:17:50,390 --> 01:17:49,199
i-c-a-n into your comments while you're

2427
01:17:52,470 --> 01:17:50,400
watching on facebook

2428
01:17:54,149 --> 01:17:52,480
and we'll send you all the science that

2429
01:17:57,350 --> 01:17:54,159
backs up our points

2430
01:18:00,390 --> 01:17:57,360
i will say this history will

2431
01:18:03,750 --> 01:18:00,400
show that the science was actually

2432
01:18:05,669 --> 01:18:03,760
on the side of the antibacters that

2433
01:18:08,229 --> 01:18:05,679
what was done by the pro-vaccine

2434
01:18:10,310 --> 01:18:08,239
community was one of the biggest

2435
01:18:11,990 --> 01:18:10,320
abominations of science that has ever

2436
01:18:14,790 --> 01:18:12,000
happened it's going to take

2437
01:18:16,470 --> 01:18:14,800
some time we need you with us because

2438
01:18:17,110 --> 01:18:16,480

the longer it takes the more dangerous

2439

01:18:19,830 --> 01:18:17,120

it becomes

2440

01:18:20,310 --> 01:18:19,840

the more our rights disappear we do not

2441

01:18:23,430 --> 01:18:20,320

want

2442

01:18:24,390 --> 01:18:23,440

to go beyond 54 of our children with

2443

01:18:26,390 --> 01:18:24,400

chronic illness

2444

01:18:27,590 --> 01:18:26,400

one in four children leaving elementary

2445

01:18:29,350 --> 01:18:27,600

school on a drug

2446

01:18:31,590 --> 01:18:29,360

they'll be on the rest of their life one

2447

01:18:33,830 --> 01:18:31,600

in two adults now on drugs

2448

01:18:35,510 --> 01:18:33,840

this is the world this is the new normal

2449

01:18:37,830 --> 01:18:35,520

if you don't like it

2450

01:18:38,950 --> 01:18:37,840

step up and do something about it now

2451

01:18:41,270 --> 01:18:38,960

[Music]

2452

01:18:42,149 --> 01:18:41,280

well said beautiful stuff well i can't

2453

01:18:44,229 --> 01:18:42,159

thank you enough

2454

01:18:45,350 --> 01:18:44,239

again big fan of what you do and how you

2455

01:18:48,070 --> 01:18:45,360

do it so keep

2456

01:18:49,189 --> 01:18:48,080

up the good work take care and i'll see

2457

01:18:52,870 --> 01:18:49,199

you next time

2458

01:18:57,510 --> 01:18:55,590

sweet dreams are made of these dear

2459

01:19:00,790 --> 01:18:57,520

people the man himself

2460

01:19:01,590 --> 01:19:00,800

dell big tree gracing thc with his

2461

01:19:04,790 --> 01:19:01,600

presence and

2462

01:19:07,830 --> 01:19:04,800

bringing the heat i really don't have

2463

01:19:10,390 --> 01:19:07,840

much to say that was excellent

2464

01:19:11,750 --> 01:19:10,400

mined dell's work for some of what i

2465

01:19:14,790 --> 01:19:11,760

considered the most

2466

01:19:16,790 --> 01:19:14,800

advanced level two things about vaccines

2467

01:19:18,870 --> 01:19:16,800

rather than the basics

2468

01:19:21,590 --> 01:19:18,880

and i just think we hit on so many great

2469

01:19:23,990 --> 01:19:21,600

points the measles stuff was pretty wild

2470

01:19:26,310 --> 01:19:24,000

that you might be immune to other things

2471

01:19:27,750 --> 01:19:26,320

like certain types of cancers by getting

2472

01:19:29,990 --> 01:19:27,760

measles

2473

01:19:31,990 --> 01:19:30,000

i mean wow and also of course that a

2474

01:19:33,830 --> 01:19:32,000

natural immunity lasts longer than a

2475

01:19:35,350 --> 01:19:33,840

vaccine anyway

2476

01:19:37,430 --> 01:19:35,360

i kind of knew that but it's good to

2477

01:19:38,790 --> 01:19:37,440

reiterate

2478

01:19:40,790 --> 01:19:38,800

and it's pretty synchronistic too

2479

01:19:42,630 --> 01:19:40,800

because i've gotten several emails from

2480

01:19:44,470 --> 01:19:42,640

listeners lately who have sent me

2481

01:19:46,790 --> 01:19:44,480

various articles about the

2482

01:19:49,510 --> 01:19:46,800

political and media based campaigns to

2483

01:19:51,750 --> 01:19:49,520

force usage and limit liability

2484

01:19:53,590 --> 01:19:51,760

and i would write them back and say i

2485

01:19:55,110 --> 01:19:53,600

got one coming for this just hang tight

2486

01:19:56,630 --> 01:19:55,120

a little bit

2487

01:19:58,709 --> 01:19:56,640

and i'm sure those people are pretty

2488

01:19:59,430 --> 01:19:58,719

happy that we highlighted this because

2489

01:20:02,950 --> 01:19:59,440

it's not

2490

01:20:04,310 --> 01:20:02,960

the same old vaccine conversation new

2491

01:20:05,750 --> 01:20:04,320

stuff is happening

2492

01:20:07,870 --> 01:20:05,760

new stories are coming out that are

2493

01:20:11,110 --> 01:20:07,880

designed as hit pieces on

2494

01:20:12,550 --> 01:20:11,120

anti-vaxxers and i actually really like

2495

01:20:15,110 --> 01:20:12,560

that dell uses the term

2496

01:20:16,550 --> 01:20:15,120

x-faxers a lot instead because it

2497

01:20:19,030 --> 01:20:16,560

implies hey

2498

01:20:20,470 --> 01:20:19,040

i was like you until i really dug into

2499

01:20:23,990 --> 01:20:20,480

the issue and now i'm an

2500

01:20:25,669 --> 01:20:24,000

x-faxer to me there's this built-in

2501

01:20:27,590 --> 01:20:25,679

insinuation that you learned

2502

01:20:28,709 --> 01:20:27,600

something and then changed your mind

2503

01:20:31,990 --> 01:20:28,719

it's a lot less

2504

01:20:35,510 --> 01:20:32,000

polarizing a lot less me

2505

01:20:37,910 --> 01:20:35,520

versus them but it says the same thing

2506

01:20:38,870 --> 01:20:37,920

and in terms of hit pieces obviously in

2507

01:20:41,270 --> 01:20:38,880

the vast sea

2508

01:20:43,189 --> 01:20:41,280

of the internet if you see the same

2509

01:20:45,990 --> 01:20:43,199

story propelled at the top of your news

2510

01:20:47,990 --> 01:20:46,000

feeds in several different places

2511

01:20:49,350 --> 01:20:48,000

i always consider that a bit of a

2512

01:20:51,030 --> 01:20:49,360

[h__\h] story

2513

01:20:52,950 --> 01:20:51,040

i mean it could be a real thing that

2514

01:20:54,950 --> 01:20:52,960
happened but if it fits into one of

2515

01:20:56,709 --> 01:20:54,960
these agendas then you know that they

2516

01:20:57,669 --> 01:20:56,719
just push it to the front as much as

2517

01:20:59,830 --> 01:20:57,679
they can

2518

01:21:02,229 --> 01:20:59,840
and one that got me recently is this kid

2519

01:21:04,550 --> 01:21:02,239
who's taking his parents to court over

2520

01:21:05,590 --> 01:21:04,560
being unvaccinated

2521

01:21:07,590 --> 01:21:05,600
i mean it's actually pretty

2522

01:21:10,149 --> 01:21:07,600
heartbreaking

2523

01:21:11,669 --> 01:21:10,159
everyone is already a little annoyed

2524

01:21:15,030 --> 01:21:11,679
when it comes to these doucheys

2525

01:21:16,550 --> 01:21:15,040
tool bags smug millennial kids

2526

01:21:18,790 --> 01:21:16,560

and then you have one of these types of

2527

01:21:20,390 --> 01:21:18,800

kids this teenager who thinks he knows

2528

01:21:22,709 --> 01:21:20,400

everything

2529

01:21:24,950 --> 01:21:22,719

putting that sort of rift between

2530

01:21:26,870 --> 01:21:24,960

himself and his parents siding with the

2531

01:21:28,149 --> 01:21:26,880

system over his own family and what's

2532

01:21:31,510 --> 01:21:28,159

scarier still

2533

01:21:33,189 --> 01:21:31,520

setting up a template for more to do the

2534

01:21:34,629 --> 01:21:33,199

same

2535

01:21:36,870 --> 01:21:34,639

it's the sort of thing that scares me

2536

01:21:37,669 --> 01:21:36,880

away from wanting kids entirely because

2537

01:21:40,629 --> 01:21:37,679

i could not

2538

01:21:42,550 --> 01:21:40,639

take that it's like a family who

2539

01:21:43,350 --> 01:21:42,560

recovers their kidnapped daughter only

2540

01:21:45,430 --> 01:21:43,360

for her to say

2541

01:21:47,189 --> 01:21:45,440

actually i like him better than you mom

2542

01:21:49,110 --> 01:21:47,199

and dad

2543

01:21:50,550 --> 01:21:49,120

which did happen in that r kelly

2544

01:21:52,390 --> 01:21:50,560

situation for anyone who's been

2545

01:21:55,350 --> 01:21:52,400

following that or watched the

2546

01:21:57,110 --> 01:21:55,360

docu-series two different sets of

2547

01:21:59,110 --> 01:21:57,120

parents are all over the news saying i

2548

01:22:01,189 --> 01:21:59,120

haven't seen my daughter in years

2549

01:22:02,950 --> 01:22:01,199

she's brainwashed by this psychopath

2550

01:22:04,470 --> 01:22:02,960

she's in a cult

2551

01:22:06,229 --> 01:22:04,480

and then r kelly lets her up from the

2552

01:22:07,990 --> 01:22:06,239

basement to do a couple carefully

2553

01:22:10,629 --> 01:22:08,000

planned interviews and she's like no

2554

01:22:12,550 --> 01:22:10,639

my parents are crazy i'm fine i love

2555

01:22:14,709 --> 01:22:12,560

living in piss-soaked cell number five

2556

01:22:17,030 --> 01:22:14,719

we're in love actually

2557

01:22:17,910 --> 01:22:17,040

it's just so sad i don't know how these

2558

01:22:21,750 --> 01:22:17,920

parents stay

2559

01:22:23,750 --> 01:22:21,760

strong in those sorts of situations

2560

01:22:25,270 --> 01:22:23,760

this idea of suing your parents because

2561

01:22:28,149 --> 01:22:25,280

you weren't vaccinated

2562

01:22:30,550 --> 01:22:28,159

strikes the same cord with me if you

2563

01:22:32,070 --> 01:22:30,560

opted out for the safety of your kid

2564

01:22:33,990 --> 01:22:32,080

and then in their teens they started

2565

01:22:35,510 --> 01:22:34,000

drinking the kool-aid and took you to

2566

01:22:38,310 --> 01:22:35,520

court

2567

01:22:40,390 --> 01:22:38,320

it would be crushing and when i think

2568

01:22:42,470 --> 01:22:40,400

about that story from a strategic

2569

01:22:44,390 --> 01:22:42,480

perspective

2570

01:22:46,790 --> 01:22:44,400

like if we really are in an information

2571

01:22:49,990 --> 01:22:46,800

war with the system and we are

2572

01:22:53,590 --> 01:22:50,000

i saw that story and i thought wow

2573

01:22:55,830 --> 01:22:53,600

that's genius well played if parents

2574

01:22:57,189 --> 01:22:55,840

aren't scared into vaccines over legal

2575

01:22:59,910 --> 01:22:57,199

action and not being able to go to

2576

01:23:03,270 --> 01:22:59,920

disneyland or the mall

2577

01:23:05,189 --> 01:23:03,280

that will scare them into doing it

2578

01:23:07,350 --> 01:23:05,199

what if you didn't circumcise a kid and

2579

01:23:09,430 --> 01:23:07,360

then when he was 16 he sued you for

2580

01:23:11,669 --> 01:23:09,440

emotional distress because some girl

2581

01:23:15,430 --> 01:23:11,679

thought it looked weird

2582

01:23:17,910 --> 01:23:15,440

huh but there are a lot of political

2583

01:23:20,950 --> 01:23:17,920

and perception management issues in the

2584

01:23:25,030 --> 01:23:20,960

vaccine arena right now

2585

01:23:29,510 --> 01:23:25,040

that's just the one that strikes me as

2586

01:23:30,870 --> 01:23:29,520

the hardest to take on a personal level

2587

01:23:32,470 --> 01:23:30,880

i also thought it was interesting that

2588

01:23:33,750 --> 01:23:32,480

dell mentioned at one point that

2589

01:23:36,070 --> 01:23:33,760

vaccines mask

2590

01:23:37,430 --> 01:23:36,080

symptoms but you might still carry the

2591

01:23:39,669 --> 01:23:37,440

virus

2592

01:23:41,270 --> 01:23:39,679

that's exactly what patrick jordan was

2593

01:23:43,590 --> 01:23:41,280

saying and i love the guy

2594

01:23:45,510 --> 01:23:43,600

but i do consider patrick jordan to be

2595

01:23:48,229 --> 01:23:45,520

one of the most extreme

2596

01:23:48,950 --> 01:23:48,239

in his positions i mean he considers

2597

01:23:51,910 --> 01:23:48,960

himself

2598

01:23:53,830 --> 01:23:51,920

the most extreme so it's not really news

2599

01:23:56,310 --> 01:23:53,840

but it was nice to see

2600

01:23:57,030 --> 01:23:56,320

some overlap here some complimentary

2601
01:24:00,470 --> 01:23:57,040
comments

2602
01:24:02,550 --> 01:24:00,480
maybe we should say but great show

2603
01:24:05,189 --> 01:24:02,560
it was a real milestone for me i

2604
01:24:08,390 --> 01:24:05,199
remember when vaxxed first came out

2605
01:24:09,910 --> 01:24:08,400
thc was still a baby and i watched this

2606
01:24:11,830 --> 01:24:09,920
great documentary

2607
01:24:13,350 --> 01:24:11,840
in a theater which was kind of

2608
01:24:15,510 --> 01:24:13,360
mind-blowing

2609
01:24:17,750 --> 01:24:15,520
i see dell in the lobby shaking hands

2610
01:24:19,830 --> 01:24:17,760
and taking pictures

2611
01:24:20,950 --> 01:24:19,840
i shook his hand i said great job and i

2612
01:24:24,229 --> 01:24:20,960
didn't mention

2613
01:24:24,790 --> 01:24:24,239

that i had a podcast mainly because i

2614

01:24:26,550 --> 01:24:24,800

almost

2615

01:24:28,229 --> 01:24:26,560

never mention it in person when i meet

2616

01:24:30,870 --> 01:24:28,239

someone who could be a potential guest

2617

01:24:31,669 --> 01:24:30,880

it's much easier and efficient to send

2618

01:24:35,510 --> 01:24:31,679

them an email

2619

01:24:37,110 --> 01:24:35,520

with a link to my twitter or my youtube

2620

01:24:38,950 --> 01:24:37,120

where we see tens of thousands of

2621

01:24:42,310 --> 01:24:38,960

subscribers and they say oh okay

2622

01:24:44,870 --> 01:24:42,320

i get it now but i thought then man

2623

01:24:45,830 --> 01:24:44,880

it would be really great to have dell on

2624

01:24:49,189 --> 01:24:45,840

but

2625

01:24:49,830 --> 01:24:49,199

i just don't feel worthy yet so i put it

2626

01:24:52,470 --> 01:24:49,840

away

2627

01:24:54,149 --> 01:24:52,480

and now years later i do feel like we've

2628

01:24:56,070 --> 01:24:54,159

built a platform where it's not

2629

01:24:57,510 --> 01:24:56,080

guests doing me a favor but it's

2630

01:24:59,430 --> 01:24:57,520

actually a large show

2631

01:25:00,950 --> 01:24:59,440

with a well-crafted intelligent

2632

01:25:03,270 --> 01:25:00,960

high-level audience

2633

01:25:06,550 --> 01:25:03,280

that is large enough for it to

2634

01:25:09,910 --> 01:25:06,560

definitely be worth a guest's time

2635

01:25:12,550 --> 01:25:09,920

so i stayed patient and funny enough

2636

01:25:14,790 --> 01:25:12,560

two different sources in the same week

2637

01:25:16,470 --> 01:25:14,800

put me in contact with dell's people

2638

01:25:17,990 --> 01:25:16,480

one being a listener who had a few

2639

01:25:20,229 --> 01:25:18,000

contacts and said hey

2640

01:25:22,070 --> 01:25:20,239

you gotta go on this show and the other

2641

01:25:24,149 --> 01:25:22,080

was the grimerica guys because they also

2642

01:25:27,350 --> 01:25:24,159

had dell on recently

2643

01:25:30,550 --> 01:25:27,360

so big thanks to everyone involved

2644

01:25:31,910 --> 01:25:30,560

i am really glad that i waited and it's

2645

01:25:34,950 --> 01:25:31,920

just a nice thing

2646

01:25:36,790 --> 01:25:34,960

to see it all come full circle

2647

01:25:39,189 --> 01:25:36,800

so thanks guys for listening definitely

2648

01:25:41,189 --> 01:25:39,199

follow dell show the high wire you get

2649

01:25:43,350 --> 01:25:41,199

all these lesser known threads and

2650

01:25:44,790 --> 01:25:43,360

breakdowns of recent media hit pieces

2651

01:25:47,669 --> 01:25:44,800

and all that sort of stuff that i think

2652

01:25:49,669 --> 01:25:47,679

is really important to keep tabs on

2653

01:25:51,750 --> 01:25:49,679

of course if you like the first hour of

2654

01:25:54,390 --> 01:25:51,760

the free version of thc

2655

01:25:56,149 --> 01:25:54,400

join thc plus for a second hour it's

2656

01:25:58,070 --> 01:25:56,159

eight bucks a month but i bring you

2657

01:26:00,790 --> 01:25:58,080

five great shows and it's all

2658

01:26:02,470 --> 01:26:00,800

action-packed and commercial-free

2659

01:26:04,790 --> 01:26:02,480

you're not paying to hear me talk to

2660

01:26:06,629 --> 01:26:04,800

these guys about the weather

2661

01:26:08,790 --> 01:26:06,639

i definitely try to keep the ball

2662

01:26:11,990 --> 01:26:08,800

rolling and value your time

2663

01:26:14,550 --> 01:26:12,000

and financial contribution

2664

01:26:16,390 --> 01:26:14,560

in today's plus show we talked about

2665

01:26:18,790 --> 01:26:16,400

that idea that different races and

2666

01:26:20,470 --> 01:26:18,800

genders are being disproportionately

2667

01:26:22,709 --> 01:26:20,480

affected

2668

01:26:24,070 --> 01:26:22,719

dell's a little more reserved on going

2669

01:26:25,750 --> 01:26:24,080

there and i get that

2670

01:26:27,590 --> 01:26:25,760

we talked about the problems with child

2671

01:26:29,110 --> 01:26:27,600

protective services that's something

2672

01:26:31,910 --> 01:26:29,120

that i definitely think needs a full

2673

01:26:34,149 --> 01:26:31,920

show i got to find the guy for that

2674

01:26:35,189 --> 01:26:34,159

talked about eczema and other autoimmune

2675

01:26:38,229 --> 01:26:35,199

conditions as

2676
01:26:40,070 --> 01:26:38,239
vaccine damage the complex story of the

2677
01:26:41,669 --> 01:26:40,080
polio vaccine

2678
01:26:43,910 --> 01:26:41,679
the whole issue might have been related

2679
01:26:45,750 --> 01:26:43,920
to the chemical ddt

2680
01:26:47,830 --> 01:26:45,760
we talked about what the world's leading

2681
01:26:49,590 --> 01:26:47,840
expert in aluminum has to say about its

2682
01:26:51,990 --> 01:26:49,600
effects on health

2683
01:26:53,669 --> 01:26:52,000
we dive deeper into vaccine ethics and i

2684
01:26:54,950 --> 01:26:53,679
got to ask a question i've been thinking

2685
01:26:57,750 --> 01:26:54,960
about since i first saw

2686
01:27:00,950 --> 01:26:57,760
vaxxed could my childhood meningitis

2687
01:27:03,189 --> 01:27:00,960
have been caused by vaccine damage

2688
01:27:04,070 --> 01:27:03,199

dell is a little skeptical there's no

2689

01:27:07,510 --> 01:27:04,080

precedent for

2690

01:27:09,830 --> 01:27:07,520

a meningitis tainted vaccine

2691

01:27:12,310 --> 01:27:09,840

to appear in colorado there is a

2692

01:27:14,550 --> 01:27:12,320

precedent for it to appear in canada

2693

01:27:16,470 --> 01:27:14,560

around the exact same time i was being

2694

01:27:20,149 --> 01:27:16,480

vaccinated

2695

01:27:23,590 --> 01:27:20,159

but unless we can find that

2696

01:27:24,870 --> 01:27:23,600

that tainted lot of vaccines in canada

2697

01:27:27,510 --> 01:27:24,880

was

2698

01:27:28,870 --> 01:27:27,520

offloaded in colorado then we can't

2699

01:27:31,110 --> 01:27:28,880

really say it's related

2700

01:27:32,870 --> 01:27:31,120

although it was offloaded in other parts

2701

01:27:34,229 --> 01:27:32,880

of the world

2702

01:27:35,830 --> 01:27:34,239

and another thing that is worth

2703

01:27:37,750 --> 01:27:35,840

mentioning we talked about the trump

2704

01:27:39,270 --> 01:27:37,760

administration and the vaccine issue

2705

01:27:41,270 --> 01:27:39,280

people give me a lot of [\h__\h] for not

2706

01:27:44,310 --> 01:27:41,280

being a cue guy

2707

01:27:46,149 --> 01:27:44,320

for not trusting our fearless leader but

2708

01:27:49,030 --> 01:27:46,159

when something legitimately

2709

01:27:50,470 --> 01:27:49,040

comes up that speaks to a good argument

2710

01:27:52,709 --> 01:27:50,480

for that case

2711

01:27:54,470 --> 01:27:52,719

i ask about it and i highlight those

2712

01:27:57,270 --> 01:27:54,480

things that suggest i might be wrong i

2713

01:28:00,950 --> 01:27:57,280

did it with uh dylan monroe too

2714

01:28:02,950 --> 01:28:00,960

i don't trust authority or any president

2715

01:28:04,070 --> 01:28:02,960

and i'm actually surprised when i hear

2716

01:28:06,790 --> 01:28:04,080

that trump

2717

01:28:09,510 --> 01:28:06,800

sent a team of people with dell included

2718

01:28:11,990 --> 01:28:09,520

to ask questions about vaccines

2719

01:28:13,590 --> 01:28:12,000

it's a good thing i'm willing to

2720

01:28:14,070 --> 01:28:13,600

highlight that and i'm willing to be

2721

01:28:16,470 --> 01:28:14,080

wrong

2722

01:28:18,390 --> 01:28:16,480

if it's actually getting movement on

2723

01:28:21,110 --> 01:28:18,400

some of these things that we want done

2724

01:28:23,270 --> 01:28:21,120

i'm just skeptical of people in the

2725

01:28:25,830 --> 01:28:23,280

presidential seat

2726

01:28:26,870 --> 01:28:25,840

i still try to be fair though but yes

2727

01:28:29,270 --> 01:28:26,880

that's the show

2728

01:28:31,110 --> 01:28:29,280

good times great oldies i tried to set

2729

01:28:32,229 --> 01:28:31,120

this show up in a way that makes it a

2730

01:28:34,229 --> 01:28:32,239

nice tool

2731

01:28:36,149 --> 01:28:34,239

to show people in your life who aren't

2732

01:28:39,189 --> 01:28:36,159

yet convinced

2733

01:28:40,470 --> 01:28:39,199

we don't need to yell and scream we just

2734

01:28:41,270 --> 01:28:40,480

need to tell folks what they aren't

2735

01:28:44,709 --> 01:28:41,280

being told

2736

01:28:47,669 --> 01:28:44,719

and make rational well thought out

2737

01:28:49,510 --> 01:28:47,679

simple arguments so huge thanks to dell

2738

01:28:51,270 --> 01:28:49,520

for not just taking the time to talk to

2739

01:28:52,709 --> 01:28:51,280

me but for all the work he does

2740

01:28:55,430 --> 01:28:52,719

tell him if you liked it and i'll see

2741

01:28:57,270 --> 01:28:55,440

you next time your move propaganda

2742

01:28:58,870 --> 01:28:57,280

pushing pediatricians perception

2743

01:29:02,229 --> 01:28:58,880

management media manipulators and

2744

01:29:05,350 --> 01:29:02,239

regulatory agencies that do not regulate

2745

01:29:08,709 --> 01:29:05,360

your [h__h] move

2746

01:29:11,830 --> 01:29:08,719

have a drink and a smoke

2747

01:29:15,270 --> 01:29:11,840

listen to the cast

2748

01:29:18,709 --> 01:29:15,280

we shine a shiny spotlight

2749

01:29:22,149 --> 01:29:18,719

but criminals don't blast

2750

01:29:25,590 --> 01:29:22,159

the pinstripe men of mourning

2751

01:29:29,030 --> 01:29:25,600

and families of finance

2752

01:29:32,390 --> 01:29:29,040

dupont windsor and rothschild

2753

01:29:35,830 --> 01:29:32,400

the kids don't stand a chance

2754

01:29:39,510 --> 01:29:35,840

the kids don't the kids don't stand

2755

01:29:40,950 --> 01:29:39,520

the kids don't stand a chance i said the

2756

01:29:46,149 --> 01:29:40,960

kids don't

2757

01:29:49,590 --> 01:29:46,159

stand a chance

2758

01:29:52,790 --> 01:29:49,600

we're looking for the answers

2759

01:29:56,470 --> 01:29:52,800

to questions never asked

2760

01:29:59,830 --> 01:29:56,480

so we come to the cartwood

2761

01:30:03,350 --> 01:29:59,840

for the higher side chat

2762

01:30:06,709 --> 01:30:03,360

the pinstripe men of mourning

2763

01:30:10,229 --> 01:30:06,719

and families of finance

2764

01:30:13,590 --> 01:30:10,239

dupont windsor and rothschild

2765

01:30:17,030 --> 01:30:13,600

the kids don't stand a chance

2766

01:30:20,629 --> 01:30:17,040

the kids don't the kids don't stand

2767

01:30:22,070 --> 01:30:20,639

the kids don't stand a chance i say the

2768

01:30:38,010 --> 01:30:22,080

kids don't

2769

01:30:44,390 --> 01:30:41,110

[Music]

2770

01:30:49,430 --> 01:30:44,400

involved in shady business

2771

01:30:52,950 --> 01:30:49,440

we try to get a glance we're working on

2772

01:30:58,229 --> 01:30:52,960

the numbers resistance must

2773

01:31:01,590 --> 01:30:58,239

advance the pinstripe men of mourning

2774

01:31:05,110 --> 01:31:01,600

and families of finance

2775

01:31:08,470 --> 01:31:05,120

dupont windsor and rothschild

2776

01:31:11,830 --> 01:31:08,480

the kids don't stand a chance

2777

01:31:15,510 --> 01:31:11,840

the kids don't the kids don't stand

2778

01:31:15,990 --> 01:31:15,520

the kids don't stand a chance i said the

2779

01:31:28,550 --> 01:31:16,000

kids

2780

01:31:31,669 --> 01:31:28,560

stand a chance

2781

01:31:32,390 --> 01:31:31,679

i say the kids don't the kids don't
