

RYAN PATRICK BURNS
SKINWALKER RANCH, PARANORMAL PORTALS, & THE WOLVERINE
PRESENTED BY THE HIGHERSIDE CHATS

LISTEN TO THE EPISODE AT THEHIGHERSIDECHATS.COM

LISTEN TO THE EXTENDED SHOW AT THEHIGHERSIDECHATSPLUS.COM

1
00:00:04,010 --> 00:00:02,360
embrace yourself because you're about to

2
00:00:06,170 --> 00:00:04,020
dive into another free first hour

3
00:00:07,369 --> 00:00:06,180
episode of the higher side chats and we

4
00:00:08,780 --> 00:00:07,379
just want to let you know that whether

5
00:00:10,820 --> 00:00:08,790
you're looking for a companion through

6
00:00:12,350 --> 00:00:10,830
your paranoid insomnia entertaining

7
00:00:14,360 --> 00:00:12,360
yourself through one of life's mundane

8
00:00:16,070 --> 00:00:14,370
activities or trying to ward off the

9
00:00:18,680 --> 00:00:16,080
internal scream to all those sad

10
00:00:20,420 --> 00:00:18,690
smothered Souls around the office THC is

11
00:00:22,099 --> 00:00:20,430
here and you should know that every

12
00:00:24,109 --> 00:00:22,109
episode of the higher side chats has an

13
00:00:26,509 --> 00:00:24,119

entire second hour four plus members

14

00:00:29,000 --> 00:00:26,519

sign up at the higher side chats plus

15

00:00:31,580 --> 00:00:29,010

calm and you get years of plus show

16

00:00:32,990 --> 00:00:31,590

archives lifetime forum access the

17

00:00:36,380 --> 00:00:33,000

special invite to Greg Carl woods

18

00:00:39,950 --> 00:00:36,390

monthly joint sessions mp3s of THC music

19

00:00:42,319 --> 00:00:39,960

bonus episodes for videos and 10% off

20

00:00:44,299 --> 00:00:42,329

t-shirts grinders and whatever else ends

21

00:00:46,279 --> 00:00:44,309

up in the higher side store it's eight

22

00:00:48,110 --> 00:00:46,289

dollars a month that you won't miss so

23

00:00:49,790 --> 00:00:48,120

become a plus member and treat yourself

24

00:00:51,529 --> 00:00:49,800

in these troubled times always

25

00:00:53,540 --> 00:00:51,539

action-packed and commercial for you

26
00:01:29,749 --> 00:00:53,550
which means you'll unfortunately never

27
00:01:31,700 --> 00:01:29,759
hear my voice well there is something

28
00:01:33,770 --> 00:01:31,710
strange in your neighborhood today dear

29
00:01:35,480 --> 00:01:33,780
people from sunny San Diego I'm Greg

30
00:01:37,850 --> 00:01:35,490
Carl wood and for years we've been

31
00:01:39,499 --> 00:01:37,860
speaking with researchers and experts in

32
00:01:41,480 --> 00:01:39,509
an effort to better understand the

33
00:01:43,670 --> 00:01:41,490
secrets and mysteries of the world

34
00:01:45,080 --> 00:01:43,680
one being the existence of non-human

35
00:01:47,690 --> 00:01:45,090
entities and we've heard many different

36
00:01:49,219 --> 00:01:47,700
perspectives on this along the way some

37
00:01:51,050 --> 00:01:49,229
say they're aliens coming here from a

38
00:01:52,670 --> 00:01:51,060

distant world some say they're more

39

00:01:54,499 --> 00:01:52,680

likely spiritual beings from another

40

00:01:56,600 --> 00:01:54,509

dimension of some kind some in a bowl by

41

00:01:58,010 --> 00:01:56,610

ritual magic others will tell you

42

00:02:01,039 --> 00:01:58,020

they're a product of dimethyltryptamine

43

00:02:03,020 --> 00:02:01,049

in the brain and a few will even suggest

44

00:02:05,120 --> 00:02:03,030

that these superior beings are the true

45

00:02:07,520 --> 00:02:05,130

masters of our earthly terrarium and the

46

00:02:09,740 --> 00:02:07,530

farmers of human crops from facilities

47

00:02:10,160 --> 00:02:09,750

deep underground or on the Dark Side of

48

00:02:12,530 --> 00:02:10,170

the Moon

49

00:02:14,869 --> 00:02:12,540

we also speculate about government

50

00:02:17,030 --> 00:02:14,879

involvement do deep state military

51
00:02:19,190 --> 00:02:17,040
contractors have alien artifacts and

52
00:02:21,949 --> 00:02:19,200
exotic metamaterials from crash sites

53
00:02:23,869 --> 00:02:21,959
and portal places to secret societies

54
00:02:27,350 --> 00:02:23,879
maintain some type of contact with

55
00:02:29,660 --> 00:02:27,360
things non-human is NASA a bland vanilla

56
00:02:32,390 --> 00:02:29,670
overlay to something much more foreign

57
00:02:34,009 --> 00:02:32,400
than the masses can take obviously these

58
00:02:35,930 --> 00:02:34,019
are the things we wonder about and we

59
00:02:37,759 --> 00:02:35,940
may never get the full picture but it's

60
00:02:40,339 --> 00:02:37,769
clear that it can't all amount to

61
00:02:42,290 --> 00:02:40,349
nothing well one of the hottest hot

62
00:02:44,360 --> 00:02:42,300
spots for high strangeness is the vast

63
00:02:45,920 --> 00:02:44,370

deserts of the American Southwest where

64

00:02:47,839 --> 00:02:45,930

we find heightened activity along

65

00:02:49,460 --> 00:02:47,849

certain parallels but also more

66

00:02:52,910 --> 00:02:49,470

specifically near the place they call

67

00:02:54,949 --> 00:02:52,920

skinwalker ranch in rural Utah a place

68

00:02:56,900 --> 00:02:54,959

that spiked a notoriety in the 90s after

69

00:02:58,550 --> 00:02:56,910

some strange experiences came to light

70

00:03:01,070 --> 00:02:58,560

and the ranch ended up being purchased

71

00:03:02,960 --> 00:03:01,080

by billionaire Robert Bigelow who in the

72

00:03:04,420 --> 00:03:02,970

years since has rocketed to the

73

00:03:07,280 --> 00:03:04,430

forefront of private aerospace

74

00:03:09,559 --> 00:03:07,290

operations a reality that many believe

75

00:03:12,460 --> 00:03:09,569

is connected to the intense study of

76

00:03:14,530 --> 00:03:12,470

this paranormally potent area

77

00:03:16,390 --> 00:03:14,540

folks today's guest Ryan Patrick Burns

78

00:03:18,460 --> 00:03:16,400

has told me that much has changed since

79

00:03:21,070 --> 00:03:18,470

then and he would know as several years

80

00:03:23,350 --> 00:03:21,080

ago he reorganized his life to focus on

81

00:03:25,240 --> 00:03:23,360

the pursuit of these mysteries operating

82

00:03:27,310 --> 00:03:25,250

a quaint tranquil rustic

83

00:03:29,380 --> 00:03:27,320

bed-and-breakfast by day and exploring

84

00:03:32,650 --> 00:03:29,390

the vastness of the landscape by night

85

00:03:34,510 --> 00:03:32,660

he now has a rolodex of experiences that

86

00:03:37,000 --> 00:03:34,520

blows more Minds than the US military

87

00:03:39,070 --> 00:03:37,010

rubbing elbows with top researchers and

88

00:03:40,750 --> 00:03:39,080

connected contractors meeting with

89

00:03:43,990 --> 00:03:40,760

Navajo elders that claim to be

90

00:03:46,570 --> 00:03:44,000

skinwalkers themselves seeing Dogman men

91

00:03:48,970 --> 00:03:46,580

in black and even being shot by beams of

92

00:03:50,680 --> 00:03:48,980

light from orbs in the sky all while

93

00:03:52,510 --> 00:03:50,690

keeping tabs on the ranch its

94

00:03:55,120 --> 00:03:52,520

surrounding area and the changing of the

95

00:03:57,250 --> 00:03:55,130

guard that recently took place he writes

96

00:03:58,840 --> 00:03:57,260

about all these experiences and more and

97

00:04:01,960 --> 00:03:58,850

his two published books on the subject

98

00:04:04,750 --> 00:04:01,970

skinwalker and Beyond and the Utah UFO

99

00:04:06,040 --> 00:04:04,760

ranch but he also has a third book in

100

00:04:08,020 --> 00:04:06,050

the works which I have had the privilege

101
00:04:09,910 --> 00:04:08,030
of reading before its release that

102
00:04:11,949 --> 00:04:09,920
brings the latest and greatest to the

103
00:04:15,250 --> 00:04:11,959
table as well and I can't wait to dive

104
00:04:18,460 --> 00:04:15,260
into it the Utah UFO ranch researcher

105
00:04:21,190 --> 00:04:18,470
and paranormal portal pursuer mr. burns

106
00:04:24,220 --> 00:04:21,200
welcome to the higher side thank you so

107
00:04:26,800 --> 00:04:24,230
much Greg amazing introduction thanks I

108
00:04:28,960 --> 00:04:26,810
try and I am so psyched to do this in

109
00:04:30,760 --> 00:04:28,970
fact we're sitting here now because you

110
00:04:33,130 --> 00:04:30,770
happen to be a plus member who left a

111
00:04:35,680 --> 00:04:33,140
comment on one of the shows it said hit

112
00:04:38,890 --> 00:04:35,690
me up for an NDA free skinwalker ranch

113
00:04:41,110 --> 00:04:38,900

episode and I was intrigued by that I

114

00:04:42,700 --> 00:04:41,120

reached out and you shared not only your

115

00:04:45,460 --> 00:04:42,710

two most recent books but also some

116

00:04:48,219 --> 00:04:45,470

privileged photos and videos some which

117

00:04:50,500 --> 00:04:48,229

do show strange-looking canines not

118

00:04:53,380 --> 00:04:50,510

exactly humanoid but not very typical

119

00:04:56,110 --> 00:04:53,390

either but also maybe the best footage

120

00:04:58,690 --> 00:04:56,120

of seeing an opening and closing portal

121

00:05:00,760 --> 00:04:58,700

like thing that I've seen pretty wild

122

00:05:02,050 --> 00:05:00,770

stuff and I'm really glad we ended up

123

00:05:04,210 --> 00:05:02,060

here to get the ball rolling

124

00:05:06,400 --> 00:05:04,220

I guess tell us a little bit about how

125

00:05:09,130 --> 00:05:06,410

you ended up in that area and maybe give

126
00:05:14,190 --> 00:05:09,140
us a bit more context for why the area

127
00:05:16,630 --> 00:05:14,200
is so special absolutely the area is

128
00:05:19,690 --> 00:05:16,640
special for a variety of reasons but to

129
00:05:22,360 --> 00:05:19,700
answer your first question I was a fly

130
00:05:25,950 --> 00:05:22,370
fishing guide in the area this was back

131
00:05:29,040 --> 00:05:25,960
in the mid 90s before there was an

132
00:05:32,070 --> 00:05:29,050
as property at the epicenter of it all

133
00:05:37,080 --> 00:05:32,080
or the area general had these unique

134
00:05:39,600 --> 00:05:37,090
traits and I had a situation where I saw

135
00:05:43,200 --> 00:05:39,610
a light in the sky I ended up getting

136
00:05:44,430 --> 00:05:43,210
injured and to make a long story short I

137
00:05:47,040 --> 00:05:44,440
was just driving around because I

138
00:05:50,100 --> 00:05:47,050

couldn't work looking for fishing spots

139

00:05:52,710 --> 00:05:50,110

stuff like that and I drove right down

140

00:05:56,820 --> 00:05:52,720

the ranch road there was no gates back

141

00:05:58,589 --> 00:05:56,830

then there was a older Native American I

142

00:06:01,920 --> 00:05:58,599

couldn't tell if they were male or

143

00:06:05,520 --> 00:06:01,930

female and they just didn't look very

144

00:06:08,999 --> 00:06:05,530

good hmm they looked bedraggled

145

00:06:11,370 --> 00:06:09,009

they had a Navajo blanket over them

146

00:06:14,760 --> 00:06:11,380

which is odd now in retrospect because

147

00:06:17,339 --> 00:06:14,770

this is youth country and I stopped

148

00:06:18,899 --> 00:06:17,349

trying to be to get Samaritan and I

149

00:06:20,850 --> 00:06:18,909

rolled out my window and said hey can I

150

00:06:23,820 --> 00:06:20,860

give you a ride somewhere it said

151
00:06:27,510 --> 00:06:23,830
nothing it just kind of crept into the

152
00:06:29,730 --> 00:06:27,520
vehicle and within seconds it was like

153
00:06:32,850 --> 00:06:29,740
how I was having my rolodex just

154
00:06:36,870 --> 00:06:32,860
completely access like I'd been hacked

155
00:06:39,659 --> 00:06:36,880
and everything just mind rape really

156
00:06:43,159 --> 00:06:39,669
like just accessing all your files and

157
00:06:46,230 --> 00:06:43,169
it was just phenomenal like horrible and

158
00:06:50,070 --> 00:06:46,240
emotional experience the way it ended up

159
00:06:52,610 --> 00:06:50,080
is I was found at bottl Hollow reservoir

160
00:06:56,580 --> 00:06:52,620
by the Bureau of Indian Affairs

161
00:07:00,089 --> 00:06:56,590
basically my truck was parked and I was

162
00:07:03,180 --> 00:07:00,099
hanging out of the driver door with my

163
00:07:04,950 --> 00:07:03,190

seat belt holding me in just catatonic

164

00:07:07,709 --> 00:07:04,960

and I guess they woke me up and I came

165

00:07:11,370 --> 00:07:07,719

right to they knew right away I was a

166

00:07:14,189 --> 00:07:11,380

drunk did the tests and basically said

167

00:07:16,020 --> 00:07:14,199

what happened and when I told them they

168

00:07:19,649 --> 00:07:16,030

said we think he got nap by the

169

00:07:22,830 --> 00:07:19,659

skinwalker well I've never heard that

170

00:07:24,330 --> 00:07:22,840

term before wow man that's pretty a

171

00:07:26,640 --> 00:07:24,340

while that's pretty well even that

172

00:07:28,969 --> 00:07:26,650

someone like that would disclose to you

173

00:07:31,649 --> 00:07:28,979

that that would be a possibility but

174

00:07:33,390 --> 00:07:31,659

that seems to be par for the course in

175

00:07:36,750 --> 00:07:33,400

this area right I mean this is the

176

00:07:39,520 --> 00:07:36,760

hottest of hot spots yeah it really is

177

00:07:41,590 --> 00:07:39,530

and in speaking with law enforcement

178

00:07:43,180 --> 00:07:41,600

I've had the pleasure of doing that just

179

00:07:44,980 --> 00:07:43,190

when you're going to the same spots

180

00:07:48,070 --> 00:07:44,990

thousands of times they get to know you

181

00:07:51,310 --> 00:07:48,080

and usually the Bureau of Indian Affairs

182

00:07:53,530 --> 00:07:51,320

is the first call and so you know

183

00:07:56,560 --> 00:07:53,540

they're constantly running your ID and

184

00:07:58,000 --> 00:07:56,570

they start to chat with eventually

185

00:08:00,070 --> 00:07:58,010

they'll start telling you stories that

186

00:08:05,470 --> 00:08:00,080

you know just make the hair on your neck

187

00:08:07,570 --> 00:08:05,480

stand up hmm I love it man and to talk

188

00:08:10,030 --> 00:08:07,580

about Robert Bigelow and the ranch

189

00:08:11,830 --> 00:08:10,040

itself I think people know that this is

190

00:08:14,140 --> 00:08:11,840

a hotbed for high strangeness we have

191

00:08:16,390 --> 00:08:14,150

this provocative story of a billionaire

192

00:08:18,880 --> 00:08:16,400

buying the secluded ranch and investing

193

00:08:21,850 --> 00:08:18,890

a huge amount of money in military-style

194

00:08:23,620 --> 00:08:21,860

security but can you elaborate on the

195

00:08:25,540 --> 00:08:23,630

backstory a bit for people who are only

196

00:08:26,890 --> 00:08:25,550

vaguely familiar with it as you said

197

00:08:30,070 --> 00:08:26,900

when you got there and you had this

198

00:08:32,469 --> 00:08:30,080

initial experience there were no gates

199

00:08:35,020 --> 00:08:32,479

and fences and security drones up but

200

00:08:39,130 --> 00:08:35,030

things have changed get us from point A

201
00:08:43,360 --> 00:08:39,140
to point B yeah Robert Bigelow purchased

202
00:08:45,760 --> 00:08:43,370
the ranch in an effort to attain

203
00:08:48,520 --> 00:08:45,770
something that was very unique at the

204
00:08:51,930 --> 00:08:48,530
time and like I said it was basically a

205
00:08:55,120 --> 00:08:51,940
family being completely bombarded by

206
00:08:56,410 --> 00:08:55,130
this dormant land that had been laying

207
00:08:58,720 --> 00:08:56,420
there it's like they came and knocked

208
00:09:02,320 --> 00:08:58,730
the dust off of it so to speak and

209
00:09:04,570 --> 00:09:02,330
there's immediately a multitude of

210
00:09:08,290 --> 00:09:04,580
triptans illogical poltergeist activity

211
00:09:11,379 --> 00:09:08,300
UFOs unidentified smaller craft

212
00:09:15,759 --> 00:09:15,100
strange humanoids portals opening up you

213
00:09:19,359 --> 00:09:15,769

name it

214

00:09:22,840 --> 00:09:19,369

tons of for lack of better word men with

215

00:09:24,290 --> 00:09:22,850

the heads of dogs and it's just

216

00:09:27,050 --> 00:09:24,300

fascinating

217

00:09:29,449 --> 00:09:27,060

Bigelow attacked this he spearheaded

218

00:09:31,880 --> 00:09:29,459

this huge campaign getting the best

219

00:09:34,100 --> 00:09:31,890

minds aiming them in the direction of

220

00:09:36,920 --> 00:09:34,110

this and attacking it through scientific

221

00:09:39,680 --> 00:09:36,930

method and unfortunately what was found

222

00:09:43,990 --> 00:09:39,690

was that it could care less about

223

00:09:48,220 --> 00:09:44,000

scientific and it can use every

224

00:09:52,160 --> 00:09:48,230

exception to the rule to its benefit and

225

00:09:56,000 --> 00:09:52,170

we've absolutely no trace in itself hmm

226

00:09:58,550 --> 00:09:56,010

and I've seen a lot of footage and

227

00:10:00,740 --> 00:09:58,560

pictures of the space itself it does

228

00:10:02,300 --> 00:10:00,750

just seemed like barren land kind of as

229

00:10:04,820 --> 00:10:02,310

you said of course there are some

230

00:10:07,519 --> 00:10:04,830

facilities but this is a lot of acreage

231

00:10:09,680 --> 00:10:07,529

that's just kind of open out there but

232

00:10:11,660 --> 00:10:09,690

there are some weird elements to it like

233

00:10:15,019 --> 00:10:11,670

I think the most provocative is probably

234

00:10:17,240 --> 00:10:15,029

the bait pens these little pens that

235

00:10:21,170 --> 00:10:17,250

seem set up in the middle of clearings

236

00:10:22,639 --> 00:10:21,180

to kind of maybe put a goat or a cow in

237

00:10:25,970 --> 00:10:22,649

there and see what happens obviously

238

00:10:28,190 --> 00:10:25,980

cattle mutilations are in the mix of all

239

00:10:29,630 --> 00:10:28,200

this weirdness but what can you say

240

00:10:32,360 --> 00:10:29,640

about maybe some of the things that

241

00:10:34,490 --> 00:10:32,370

you've seen out there you know happen to

242

00:10:38,360 --> 00:10:34,500

be out there that kind of add to the

243

00:10:40,400 --> 00:10:38,370

mystery yeah the area is just so unique

244

00:10:43,910 --> 00:10:40,410

from a historical perspective it's

245

00:10:45,500 --> 00:10:43,920

cursed land and then it also has curses

246

00:10:46,970 --> 00:10:45,510

going back and forth between Buffalo

247

00:10:50,780 --> 00:10:46,980

Soldiers who were stationed there to

248

00:10:53,540 --> 00:10:50,790

control fort duchesne and the ute tribe

249

00:10:55,460 --> 00:10:53,550

that was there at the time and most of

250

00:10:57,260 --> 00:10:55,470

those Prince Hall Mason's

251

00:10:59,120 --> 00:10:57,270

Buffalo Soldiers were also practicing

252

00:11:01,460 --> 00:10:59,130

voodoo and so there was curses going

253

00:11:03,590 --> 00:11:01,470

back the other way add to that there was

254

00:11:06,620 --> 00:11:03,600

like an underlying curse from the Navajo

255

00:11:09,010 --> 00:11:06,630

upon the ute the youth trying to screw

256

00:11:11,900 --> 00:11:09,020

the Navajo over in a lot of ways and

257

00:11:14,480 --> 00:11:11,910

everything from getting ripped out of

258

00:11:17,480 --> 00:11:14,490

the San Luis Valley of Colorado which is

259

00:11:20,000 --> 00:11:17,490

also very paranormal to being added to

260

00:11:21,889 --> 00:11:20,010

the slave trade anyway there was this

261

00:11:23,510 --> 00:11:21,899

curse that was placed upon them known as

262

00:11:25,480 --> 00:11:23,520

the curse of the skinwalker so this is

263

00:11:28,460 --> 00:11:25,490

underlying all of this and

264

00:11:31,610 --> 00:11:28,470

geographically you have this like array

265

00:11:34,819 --> 00:11:31,620

of ridge lines that are phenomenally

266

00:11:38,530 --> 00:11:34,829

gorgeous rugged and they're very porous

267

00:11:41,530 --> 00:11:38,540

and so right along the same stream

268

00:11:45,390 --> 00:11:41,540

the central Utah project decided to put

269

00:11:48,460 --> 00:11:45,400

huge powerlines massive power lines and

270

00:11:51,700 --> 00:11:48,470

they're old and aging at this point and

271

00:11:55,720 --> 00:11:51,710

their shells have cracked the EMF coming

272

00:11:57,490 --> 00:11:55,730

off of them is just phenomenal and then

273

00:11:59,470 --> 00:11:57,500

you have the seeping water coming

274

00:12:02,200 --> 00:11:59,480

through this otherwise very porous

275

00:12:03,820 --> 00:12:02,210

sandstone from bottle hollow reservoir

276

00:12:06,520 --> 00:12:03,830

down towards the ridge itself and

277

00:12:10,990 --> 00:12:06,530

everything just kind of erupts right

278

00:12:12,220 --> 00:12:11,000

there Wow and to go back to the comment

279

00:12:15,190 --> 00:12:12,230

that kind of got us here when you

280

00:12:17,370 --> 00:12:15,200

mentioned an NDA free skinwalker episode

281

00:12:20,200 --> 00:12:17,380

in your writings you do talk about

282

00:12:22,360 --> 00:12:20,210

hosting jacques palais at your place and

283

00:12:24,760 --> 00:12:22,370

plenty of contacts within the inner

284

00:12:27,850 --> 00:12:24,770

circle of scientific researchers that

285

00:12:29,440 --> 00:12:27,860

you've made over the years and i'm not

286

00:12:32,110 --> 00:12:29,450

sure if you heard my show with diana

287

00:12:34,180 --> 00:12:32,120

basilica about her book american cosmic

288

00:12:36,430 --> 00:12:34,190

but in the same way you seem to have a

289

00:12:38,560 --> 00:12:36,440

few contacts that you can't name and

290

00:12:41,050 --> 00:12:38,570

know a few things that you can't

291

00:12:43,750 --> 00:12:41,060

disclose but i guess i'd ask what can

292

00:12:45,400 --> 00:12:43,760

you say about the invisible college so

293

00:12:49,120 --> 00:12:45,410

to speak yes

294

00:12:54,070 --> 00:12:49,130

interestingly i have become more and

295

00:12:57,010 --> 00:12:54,080

more as time goes on aware some of these

296

00:12:58,420 --> 00:12:57,020

secret societies that for lack of a

297

00:13:01,090 --> 00:12:58,430

better word i say they're secret

298

00:13:04,030 --> 00:13:01,100

societies because people are aware some

299

00:13:06,700 --> 00:13:04,040

of them are actually government units

300

00:13:09,580 --> 00:13:06,710

there's more occult organizations others

301
00:13:12,220 --> 00:13:09,590
are more religious in nature and I'm

302
00:13:15,580 --> 00:13:12,230
mostly fascinated with one of your

303
00:13:20,590 --> 00:13:15,590
freakin bests Nick Redford we've spoken

304
00:13:22,060 --> 00:13:20,600
about some of the situations and we're

305
00:13:26,020 --> 00:13:22,070
under the same impression that we're

306
00:13:29,440 --> 00:13:26,030
dealing with this Collins and Lee if you

307
00:13:34,060 --> 00:13:29,450
will of the government and it's highly

308
00:13:35,740 --> 00:13:34,070
funded and well-known but not in the way

309
00:13:39,040 --> 00:13:35,750
that they actually know who the members

310
00:13:43,570 --> 00:13:39,050
are but it's just they're aware it

311
00:13:46,840 --> 00:13:43,580
exists hmm so we hear secret and

312
00:13:49,930 --> 00:13:46,850
oftentimes we think nefarious and I'm

313
00:13:52,860 --> 00:13:49,940

trying to get out of that specific

314

00:13:55,320 --> 00:13:52,870

context because that's not always true

315

00:13:58,380 --> 00:13:55,330

and if there is a mysterious place on

316

00:14:00,900 --> 00:13:58,390

the planet and some billionaire buys it

317

00:14:03,810 --> 00:14:00,910

and quarantines it off and a bunch of

318

00:14:06,330 --> 00:14:03,820

high-level academics and scientists come

319

00:14:09,630 --> 00:14:06,340

and study it and don't talk about it I

320

00:14:11,970 --> 00:14:09,640

mean that's not necessarily nefarious

321

00:14:13,740 --> 00:14:11,980

it's not like they're doing anything

322

00:14:15,660 --> 00:14:13,750

they're just trying to figure out what

323

00:14:18,120 --> 00:14:15,670

this thing is and it's outside of the

324

00:14:21,090 --> 00:14:18,130

confines of what society will accept

325

00:14:24,090 --> 00:14:21,100

maybe there's some manipulation there

326

00:14:25,440 --> 00:14:24,100

but that's kind of outside of their

327

00:14:28,460 --> 00:14:25,450

realm they can't really do much about

328

00:14:32,130 --> 00:14:28,470

that what are your thoughts about the

329

00:14:34,650 --> 00:14:32,140

morality or just these people that you

330

00:14:37,320 --> 00:14:34,660

do know and you have met and the fact

331

00:14:39,840 --> 00:14:37,330

that this is all big secret it's

332

00:14:42,780 --> 00:14:39,850

fascinating it's like the biggest secret

333

00:14:43,830 --> 00:14:42,790

never told it is literally this

334

00:14:46,830 --> 00:14:43,840

tongue-in-cheek

335

00:14:50,700 --> 00:14:46,840

there's just camaraderie the deeper you

336

00:14:53,910 --> 00:14:50,710

get and it's almost like I know you know

337

00:14:55,290 --> 00:14:53,920

and I say this because as time goes on

338

00:14:58,020 --> 00:14:55,300

I've noticed that I've started joining

339

00:15:00,540 --> 00:14:58,030

its many fringe science organizations I

340

00:15:03,330 --> 00:15:00,550

can I'm studying the you know remote

341

00:15:05,640 --> 00:15:03,340

viewing as much as I can practicing it

342

00:15:09,140 --> 00:15:05,650

as much as I can getting into a lot of

343

00:15:11,280 --> 00:15:09,150

these perceptions that are otherwise not

344

00:15:15,780 --> 00:15:11,290

attained by the majority of the

345

00:15:19,290 --> 00:15:15,790

population and the reason is I think a

346

00:15:23,940 --> 00:15:19,300

lot of the terms that secret societies

347

00:15:26,430 --> 00:15:23,950

use for example and the less let's put

348

00:15:30,140 --> 00:15:26,440

it this way the open-minded to ancient

349

00:15:33,600 --> 00:15:30,150

teachings of Egyptian Elysian type

350

00:15:35,750 --> 00:15:33,610

organizations mm-hmm what you find is

351

00:15:40,680 --> 00:15:35,760

they're open to contact with other

352

00:15:42,210 --> 00:15:40,690

entities and I find with some of the

353

00:15:44,430 --> 00:15:42,220

most mind-blowing things like the

354

00:15:47,100 --> 00:15:44,440

warnings I've gotten are you know you

355

00:15:50,730 --> 00:15:47,110

got to be careful and this is from very

356

00:15:53,660 --> 00:15:50,740

high level individual who he's into

357

00:15:56,820 --> 00:15:53,670

intelligence special access programs

358

00:16:00,150 --> 00:15:56,830

Special Forces training but anyway back

359

00:16:02,790 --> 00:16:00,160

to the special access program protocol

360

00:16:04,500 --> 00:16:02,800

that's been placed on the ranch this is

361

00:16:07,040 --> 00:16:04,510

not privy to any Freedom of Information

362

00:16:11,630 --> 00:16:07,050

Act request ever and the

363

00:16:15,560 --> 00:16:11,640

this is elevating the extent of this

364

00:16:17,210 --> 00:16:15,570

project to a level that is saved for

365

00:16:20,210 --> 00:16:17,220

things like extracting the president

366

00:16:22,550 --> 00:16:20,220

from dangerous situations so you know

367

00:16:25,400 --> 00:16:22,560

it's equal to that you start realizing

368

00:16:28,180 --> 00:16:25,410

that it's serious stuff and he's warning

369

00:16:31,730 --> 00:16:28,190

me that I should beware of opening

370

00:16:34,420 --> 00:16:31,740

biochemical portals and I had to ask him

371

00:16:37,400 --> 00:16:34,430

what does that mean and he's like well

372

00:16:42,230 --> 00:16:37,410

there's concerns that individuals are

373

00:16:44,870 --> 00:16:42,240

able to enhance open or help these

374

00:16:47,900 --> 00:16:44,880

entities there are these portals just

375

00:16:50,090 --> 00:16:47,910

manifest and they have a shortlist of

376

00:16:53,450 --> 00:16:50,100

people that are on that Wow a shortlist

377

00:16:55,190 --> 00:16:53,460

of people who are actually able to help

378

00:16:57,530 --> 00:16:55,200

these portals open and close and help

379

00:17:00,470 --> 00:16:57,540

these entities work with them correct

380

00:17:01,940 --> 00:17:00,480

it's like anybody that's probably worked

381

00:17:04,070 --> 00:17:01,950

at the property immediately is going to

382

00:17:06,230 --> 00:17:04,080

be on that list anyone that's been

383

00:17:08,270 --> 00:17:06,240

thought of trespassing on that property

384

00:17:11,540 --> 00:17:08,280

is gonna be on the list just recently

385

00:17:13,490 --> 00:17:11,550

last week I heard of something where

386

00:17:15,829 --> 00:17:13,500

footage was gathered of somebody going

387

00:17:18,320 --> 00:17:15,839

on the property and literally doing a

388

00:17:22,190 --> 00:17:18,330

ritual at one of the ranch houses hmm

389

00:17:24,230 --> 00:17:22,200

leaving candles behind and there was

390

00:17:27,079 --> 00:17:24,240

speculation as to who this individual

391

00:17:30,440 --> 00:17:27,089

could be because the ability to get in

392

00:17:33,830 --> 00:17:30,450

and to do this with the screening and

393

00:17:36,680 --> 00:17:33,840

the extreme security that's in place

394

00:17:38,630 --> 00:17:36,690

it's like Bourne Ultimatum stuff so it's

395

00:17:40,850 --> 00:17:38,640

interesting yeah you really got to know

396

00:17:44,750 --> 00:17:40,860

someone to be in that position and then

397

00:17:46,340 --> 00:17:44,760

to be comfortable enough with the people

398

00:17:48,080 --> 00:17:46,350

at that level to say hey you know what

399

00:17:51,710 --> 00:17:48,090

let's try a ritual out here let's do

400

00:17:53,510 --> 00:17:51,720

some some you know iñaki invocations out

401
00:17:56,200 --> 00:17:53,520
here and let's see what happens I mean

402
00:17:58,910 --> 00:17:56,210
for them to be open to that it is quite

403
00:18:00,890 --> 00:17:58,920
jarring to the average person to hear

404
00:18:03,920 --> 00:18:00,900
about that but I think it's all in the

405
00:18:06,680 --> 00:18:03,930
mix there's so many connections to the

406
00:18:08,420 --> 00:18:06,690
occult and it's really hard it's it kind

407
00:18:09,830 --> 00:18:08,430
of a trick of language when you're

408
00:18:10,550 --> 00:18:09,840
talking about entities from somewhere

409
00:18:12,950 --> 00:18:10,560
else

410
00:18:15,230 --> 00:18:12,960
aliens or demons I mean if they are not

411
00:18:16,940 --> 00:18:15,240
traveling physically then they're

412
00:18:18,050 --> 00:18:16,950
probably traveling multi-dimensionally

413
00:18:18,899 --> 00:18:18,060

and then how do you define the

414

00:18:21,060 --> 00:18:18,909
difference you know

415

00:18:22,859 --> 00:18:21,070
it's it gets really murky with the

416

00:18:25,139 --> 00:18:22,869
language to define these things and we

417

00:18:27,810 --> 00:18:25,149
want to put them in boxes but maybe we

418

00:18:31,080 --> 00:18:27,820
don't have the appropriate box yes I

419

00:18:33,930 --> 00:18:31,090
think that's exactly true it's a lot

420

00:18:35,879 --> 00:18:33,940
like I think Hunter s Thompson had a

421

00:18:37,349 --> 00:18:35,889
saying that's something like I wish I

422

00:18:39,180 --> 00:18:37,359
would have figured out to go with the

423

00:18:41,999 --> 00:18:39,190
magnets instead of against the magnetism

424

00:18:45,289 --> 00:18:42,009
and you know I only say that because

425

00:18:49,789 --> 00:18:45,299
there are remote viewers Psychonauts

426

00:18:53,999 --> 00:18:49,799

people with ESP they have a full time

427

00:18:56,669 --> 00:18:54,009

psychic who is there to protect against

428

00:18:58,919 --> 00:18:56,679

potential attacks I had the unfortunate

429

00:19:00,979 --> 00:18:58,929

or fortunate very it was amazing

430

00:19:03,690 --> 00:19:00,989

experience meeting this individual

431

00:19:05,129 --> 00:19:03,700

strange way I was in a parking lot

432

00:19:08,190 --> 00:19:05,139

speaking with another researcher in

433

00:19:11,969 --> 00:19:08,200

these two black Suburbans tour in and

434

00:19:13,229 --> 00:19:11,979

stopped right next to us and I apologize

435

00:19:15,509 --> 00:19:13,239

there was only one black suburban we

436

00:19:18,839 --> 00:19:15,519

thought others - there's only one and it

437

00:19:21,509 --> 00:19:18,849

was one of the owners of the property

438

00:19:23,099 --> 00:19:21,519

known owners and this psychic next to

439

00:19:24,989 --> 00:19:23,109

them and you know they just started

440

00:19:26,609 --> 00:19:24,999

talking he was talking to this

441

00:19:29,219 --> 00:19:26,619

individual who was under a

442

00:19:30,779 --> 00:19:29,229

non-disclosure agreement and I'm talking

443

00:19:33,719 --> 00:19:30,789

to the individual who had just come off

444

00:19:33,989 --> 00:19:33,729

the property and so this looks really

445

00:19:37,440 --> 00:19:33,999

bad

446

00:19:40,109 --> 00:19:37,450

and basically the psychic was kind of

447

00:19:41,789 --> 00:19:40,119

like doing her thing on me I think she

448

00:19:44,399 --> 00:19:41,799

started giving more information about

449

00:19:45,930 --> 00:19:44,409

what she was into the organization that

450

00:19:48,839 --> 00:19:45,940

she was a part of and it's actually

451
00:19:51,719 --> 00:19:48,849
group that do this but yeah they're

452
00:19:55,919 --> 00:19:51,729
worried about things like Russian remote

453
00:19:57,239 --> 00:19:55,929
viewers Chinese remote viewers X remote

454
00:19:59,700 --> 00:19:57,249
viewers who have done things for the

455
00:20:01,830 --> 00:19:59,710
property under Bigelow possibly who were

456
00:20:05,669 --> 00:20:01,840
just going back for a walk down memory

457
00:20:07,680 --> 00:20:05,679
lane yeah it's interesting it is and

458
00:20:10,200 --> 00:20:07,690
earlier you said it's like they know you

459
00:20:12,450 --> 00:20:10,210
know and that's interesting because it

460
00:20:14,399 --> 00:20:12,460
seems like these people these high-level

461
00:20:18,330 --> 00:20:14,409
academics and scientists will come out

462
00:20:21,539 --> 00:20:18,340
to this area to research it and you're

463
00:20:23,639 --> 00:20:21,549

there you live there so if they know

464

00:20:26,249 --> 00:20:23,649

what's going on out here and how much

465

00:20:28,710 --> 00:20:26,259

activity there really is they seem to

466

00:20:30,329 --> 00:20:28,720

come to you and it's like hey man I know

467

00:20:32,489 --> 00:20:30,339

you're out here all the time you've

468

00:20:32,700 --> 00:20:32,499

probably seen some [h__h] they might have

469

00:20:55,110 --> 00:20:32,710

a

470

00:20:57,960 --> 00:20:55,120

wonder if this is somebody like one of

471

00:21:02,340 --> 00:20:57,970

my favorite guests was this individual

472

00:21:06,330 --> 00:21:02,350

who is a consultant on a lot of not only

473

00:21:11,039 --> 00:21:06,340

major motion pictures having to do with

474

00:21:14,700 --> 00:21:11,049

this sort of thing but also on the

475

00:21:16,889 --> 00:21:14,710

actual projects that have to do with

476

00:21:20,039 --> 00:21:16,899

this sort of thing and when you have

477

00:21:22,560 --> 00:21:20,049

those two nets casting at the same time

478

00:21:25,399 --> 00:21:22,570

that's when you know you know that's one

479

00:21:27,830 --> 00:21:25,409

of those moments and this individual was

480

00:21:30,510 --> 00:21:27,840

staying at the bed-and-breakfast I

481

00:21:32,789 --> 00:21:30,520

basically didn't know who he was when he

482

00:21:35,880 --> 00:21:32,799

started to tell me who he was my jaw hit

483

00:21:39,570 --> 00:21:35,890

the floor and he's got a buddy with them

484

00:21:42,090 --> 00:21:39,580

and the buddy works in a scientific lab

485

00:21:43,980 --> 00:21:42,100

and he said I can't even tell you what

486

00:21:46,340 --> 00:21:43,990

he does what he does makes what I do

487

00:21:49,620 --> 00:21:46,350

look like I'm so used car salesman and

488

00:21:50,700 --> 00:21:49,630

so you know your eyes really start to

489

00:21:52,500 --> 00:21:50,710

just get bigger and bigger to the

490

00:21:55,919 --> 00:21:52,510

possibilities what's really going on

491

00:22:00,120 --> 00:21:55,929

especially with the implementation of

492

00:22:01,529 --> 00:22:00,130

space force this is no joke yeah well it

493

00:22:03,779 --> 00:22:01,539

is so interesting because there's not a

494

00:22:05,490 --> 00:22:03,789

lot of places to stay out there so they

495

00:22:09,090 --> 00:22:05,500

find this bed and breakfast and you're

496

00:22:10,590 --> 00:22:09,100

the guy and that's kind of the the magic

497

00:22:13,080 --> 00:22:10,600

the you know the magic happens at that

498

00:22:16,680 --> 00:22:13,090

point and it is just really compelling

499

00:22:19,169 --> 00:22:16,690

because even 30 years ago the mindset of

500

00:22:20,730 --> 00:22:19,179

someone who goes out to rural Utah and

501
00:22:22,769 --> 00:22:20,740
stays at this bed-and-breakfast they

502
00:22:25,830 --> 00:22:22,779
might get a little loose-lipped because

503
00:22:28,409 --> 00:22:25,840
we weren't as connected as we are today

504
00:22:31,500 --> 00:22:28,419
so it might not be expected to appear in

505
00:22:34,200 --> 00:22:31,510
a book that's sold on Amazon or an

506
00:22:37,610 --> 00:22:34,210
anecdote told on a podcast that tens of

507
00:22:40,860 --> 00:22:37,620
thousands of people here that isolation

508
00:22:43,049 --> 00:22:40,870
kind of filters through what you know

509
00:22:44,639 --> 00:22:43,059
you expect it to stay isolated because

510
00:22:46,409 --> 00:22:44,649
you're in that environment so I don't

511
00:22:49,379 --> 00:22:46,419
know I just find that whole thing

512
00:22:51,629 --> 00:22:49,389
to be pretty compelling oh it literally

513
00:22:54,119 --> 00:22:51,639

back then and I say back then because

514

00:22:56,869 --> 00:22:54,129

there's a new era now unfortunately I

515

00:22:59,009 --> 00:22:56,879

went to the hotspots these areas of

516

00:23:02,009 --> 00:22:59,019

portals opening up and you know the

517

00:23:03,389 --> 00:23:02,019

guaranteed UFOs and maybe we'll see

518

00:23:05,249 --> 00:23:03,399

something cool and I went to these

519

00:23:07,229 --> 00:23:05,259

places just thousands of times the

520

00:23:09,979 --> 00:23:07,239

problem with that is I always went home

521

00:23:13,289 --> 00:23:09,989

afterwards and without the correct

522

00:23:15,269 --> 00:23:13,299

protocol whether it's Native American

523

00:23:17,940 --> 00:23:15,279

and saging myself before I go home or

524

00:23:21,060 --> 00:23:17,950

whether it's other protocols I didn't do

525

00:23:22,710 --> 00:23:21,070

any of it I you know it's like a kid

526
00:23:25,919 --> 00:23:22,720
that had found a toy that he didn't know

527
00:23:27,810 --> 00:23:25,929
how to use and I was jamming back and

528
00:23:29,879 --> 00:23:27,820
forth every night mm-hm and so what

529
00:23:31,919 --> 00:23:29,889
happened is the property itself and

530
00:23:33,330 --> 00:23:31,929
actually this is the drawback is I

531
00:23:35,549 --> 00:23:33,340
eventually had to like leave the

532
00:23:39,509 --> 00:23:35,559
property because it just started having

533
00:23:42,239 --> 00:23:39,519
so much activity and I didn't like being

534
00:23:44,489 --> 00:23:42,249
home quote-unquote and having all that

535
00:23:45,720 --> 00:23:44,499
activity taking place because that kind

536
00:23:48,359 --> 00:23:45,730
of takes the fun out of going and

537
00:23:50,789 --> 00:23:48,369
finding it when it's finding you mm-hmm

538
00:23:53,310 --> 00:23:50,799

and then I started having people coming

539

00:23:54,690 --> 00:23:53,320

and staying and they were involved with

540

00:23:57,570 --> 00:23:54,700

the paranormal and the secret was

541

00:23:59,009 --> 00:23:57,580

starting to get out and they were having

542

00:24:01,169 --> 00:23:59,019

interactions with this too and they were

543

00:24:02,009 --> 00:24:01,179

like oh my gosh this is awesome and I'm

544

00:24:05,820 --> 00:24:02,019

like I know really

545

00:24:09,960 --> 00:24:05,830

so I've since moved but I do go back at

546

00:24:11,909 --> 00:24:09,970

least once a month hmm so let's talk

547

00:24:13,590 --> 00:24:11,919

about this new era you mentioned you

548

00:24:16,200 --> 00:24:13,600

know everyone considers the skinwalker

549

00:24:19,019 --> 00:24:16,210

ranch synonymous with Bigelow he had

550

00:24:20,849 --> 00:24:19,029

this big facility with a big alien gray

551
00:24:23,340 --> 00:24:20,859
head stamped on the side of it

552
00:24:26,099 --> 00:24:23,350
but the ownership has changed hands

553
00:24:28,440 --> 00:24:26,109
since then - a company called anta

554
00:24:30,330 --> 00:24:28,450
mantium which is you know I guess

555
00:24:32,759 --> 00:24:30,340
involves a figure that you refer to as

556
00:24:34,349 --> 00:24:32,769
the Wolverine as a pseudonym what can

557
00:24:37,680 --> 00:24:34,359
you tell us about this changing of the

558
00:24:40,529 --> 00:24:37,690
hands or the new management it's so cool

559
00:24:43,139 --> 00:24:40,539
well it's interesting it's a political

560
00:24:46,259 --> 00:24:43,149
move in one way and we'll get into that

561
00:24:48,570 --> 00:24:46,269
but it's also just sort of the thing

562
00:24:51,650 --> 00:24:48,580
that wealthy people do now as they used

563
00:24:53,330 --> 00:24:51,660

to be they went out in hot-air balloons

564

00:24:56,050 --> 00:24:53,340

now they just like to collect these

565

00:25:00,320 --> 00:24:56,060

paranormal properties among some of them

566

00:25:02,630 --> 00:25:00,330

this LLC adamantium obviously the name

567

00:25:05,360 --> 00:25:02,640

comes from the I believe it's a Marvel

568

00:25:07,700 --> 00:25:05,370

character is Wolverine mm-hm and you

569

00:25:11,900 --> 00:25:07,710

know he has this upgrade quote-unquote

570

00:25:14,990 --> 00:25:11,910

in his blood that makes him better and

571

00:25:16,970 --> 00:25:15,000

also has similarities to actual

572

00:25:19,100 --> 00:25:16,980

skinwalker phenomena of the

573

00:25:21,020 --> 00:25:19,110

shape-shifting there's a couple of

574

00:25:22,460 --> 00:25:21,030

interesting points there but more

575

00:25:26,060 --> 00:25:22,470

importantly it's a shell company that

576
00:25:27,560 --> 00:25:26,070
can't be attacked and it's based out of

577
00:25:32,600 --> 00:25:27,570
Delaware and they're doing actual

578
00:25:34,700 --> 00:25:32,610
research they are catching actual craft

579
00:25:37,010 --> 00:25:34,710
in the sky they're finding things out

580
00:25:40,370 --> 00:25:37,020
about the property with trying to time

581
00:25:44,210 --> 00:25:40,380
the opening of portals analyzing tremors

582
00:25:46,430 --> 00:25:44,220
all kinds of really intense research and

583
00:25:48,860 --> 00:25:46,440
they're a very good organization to do

584
00:25:51,380 --> 00:25:48,870
it and you say in one way it's a

585
00:25:52,910 --> 00:25:51,390
political move is that referring to the

586
00:25:56,330 --> 00:25:52,920
protections offered by a shell

587
00:25:58,490 --> 00:25:56,340
corporation I think so I think everybody

588
00:26:01,070 --> 00:25:58,500

involved so to speak is more protected

589

00:26:04,040 --> 00:26:01,080

in this way the more that the property

590

00:26:06,230 --> 00:26:04,050

is gained notoriety it's become obvious

591

00:26:08,690 --> 00:26:06,240

that anyone who owns it and let's face

592

00:26:10,940 --> 00:26:08,700

it if any of us were billionaires we

593

00:26:13,300 --> 00:26:10,950

probably do the same thing you know just

594

00:26:15,920 --> 00:26:13,310

oh that's a supercool paranormal reg and

595

00:26:19,040 --> 00:26:15,930

I understand because they're put in a

596

00:26:22,850 --> 00:26:19,050

position of extreme liability you know

597

00:26:26,330 --> 00:26:22,860

when it's of government importance to

598

00:26:29,390 --> 00:26:26,340

the Department of Defense among many

599

00:26:30,800 --> 00:26:29,400

other branches and you also have

600

00:26:32,480 --> 00:26:30,810

branches of the government that aren't

601
00:26:34,760 --> 00:26:32,490
even supposed to exist that are

602
00:26:37,010 --> 00:26:34,770
interested these rogue arms of

603
00:26:38,710 --> 00:26:37,020
intelligence and then you have like the

604
00:26:41,210 --> 00:26:38,720
media is starting to get involved and

605
00:26:43,130 --> 00:26:41,220
locals I mean the secrets out you know

606
00:26:46,580 --> 00:26:43,140
you get weekend warriors there every

607
00:26:49,340 --> 00:26:46,590
weekend now and it's just not a good mix

608
00:26:53,540 --> 00:26:49,350
so I can understand why they put it in

609
00:26:55,190 --> 00:26:53,550
an LLC and took a step back mm-hmm well

610
00:26:56,510 --> 00:26:55,200
you also mention something in the book

611
00:26:58,580 --> 00:26:56,520
that I'd never thought of but you

612
00:27:02,000 --> 00:26:58,590
mentioned an experiment where they

613
00:27:04,669 --> 00:27:02,010

planted some plants within the zones of

614

00:27:07,460 --> 00:27:04,679

paranormal activity and then some more

615

00:27:10,009 --> 00:27:07,470

distant from the ranch and there was a

616

00:27:12,950 --> 00:27:10,019

difference in the quality of life of

617

00:27:14,509 --> 00:27:12,960

these plants and the ones that were

618

00:27:18,259 --> 00:27:14,519

inside the zone were a little more

619

00:27:21,080 --> 00:27:18,269

damaged and that's gonna set off alarm

620

00:27:23,779 --> 00:27:21,090

bells to someone thinking oh man maybe

621

00:27:26,389 --> 00:27:23,789

this is dangerous to all biology or

622

00:27:28,609 --> 00:27:26,399

maybe there's some radiation going on

623

00:27:31,340 --> 00:27:28,619

just the kind of things you don't want

624

00:27:32,989 --> 00:27:31,350

to be liable for if you are in charge of

625

00:27:36,070 --> 00:27:32,999

a bunch of people working in an area

626
00:27:39,470 --> 00:27:36,080
that maybe turns out to be unsafe

627
00:27:41,359 --> 00:27:39,480
correct and it was like not just a

628
00:27:44,029 --> 00:27:41,369
little bit different I mean like one

629
00:27:47,930 --> 00:27:44,039
plant was toast and the other was like

630
00:27:49,100 --> 00:27:47,940
doing really well and they have found

631
00:27:51,350 --> 00:27:49,110
that there's like a higher rate of

632
00:27:54,259 --> 00:27:51,360
cancer brain cancer there's a higher

633
00:27:58,519 --> 00:27:54,269
rate of other diseases other things like

634
00:27:59,960 --> 00:27:58,529
ALS MS to put it in a a I don't know I

635
00:28:02,480 --> 00:27:59,970
don't know how to like get it across

636
00:28:04,299 --> 00:28:02,490
it's just not probably unless like we

637
00:28:06,409 --> 00:28:04,309
were talking about people are going to

638
00:28:08,330 --> 00:28:06,419

cleanse themselves of some of these

639

00:28:10,430 --> 00:28:08,340

areas therein that are highly energized

640

00:28:13,789 --> 00:28:10,440

I mean it's just their portal locations

641

00:28:16,759 --> 00:28:13,799

pretty much and for whatever reasons

642

00:28:18,200 --> 00:28:16,769

there's different underground seismic

643

00:28:22,399 --> 00:28:18,210

activity happening in these locations

644

00:28:25,009 --> 00:28:22,409

higher electromagnetic frequencies radon

645

00:28:28,450 --> 00:28:25,019

gas in many cases you know when you see

646

00:28:32,029 --> 00:28:28,460

these lights close up the typical

647

00:28:34,669 --> 00:28:32,039

problem and it's quite common is these

648

00:28:38,180 --> 00:28:34,679

people end up with cancer and it's

649

00:28:41,090 --> 00:28:38,190

either skin cancer or deeper cancer it's

650

00:28:43,820 --> 00:28:41,100

oftentimes involves lymph nodes or the

651
00:28:46,009 --> 00:28:43,830
blood itself like leukemia it's not a

652
00:28:48,169 --> 00:28:46,019
good environment yeah I get the

653
00:28:51,080 --> 00:28:48,179
impression that there are some baked in

654
00:28:53,930 --> 00:28:51,090
universal mechanisms to keep the

655
00:28:56,210 --> 00:28:53,940
dimensions separate whether you think of

656
00:28:58,430 --> 00:28:56,220
just one spiritual dimension or

657
00:29:02,330 --> 00:28:58,440
something there's definitely supposed to

658
00:29:03,680 --> 00:29:02,340
be a hierarchy or some separation at

659
00:29:06,649 --> 00:29:03,690
least between them and we've heard

660
00:29:09,019 --> 00:29:06,659
stories of old ascended masters coming

661
00:29:12,049 --> 00:29:09,029
down and teaching people and saying

662
00:29:14,180 --> 00:29:12,059
things like I can't stay here long or if

663
00:29:17,840 --> 00:29:14,190

I'm here too long it'll start to hurt

664

00:29:18,499 --> 00:29:17,850

you and this kind of thing so I fully

665

00:29:20,979 --> 00:29:18,509

believe

666

00:29:24,499 --> 00:29:20,989

that there is something to that that

667

00:29:28,549 --> 00:29:24,509

maybe crossing the streams is bad for

668

00:29:30,949 --> 00:29:28,559

your biology yeah it is bad and it's not

669

00:29:32,959 --> 00:29:30,959

just that there's a darkness I think in

670

00:29:35,149 --> 00:29:32,969

some of these areas that until you're in

671

00:29:38,239 --> 00:29:35,159

them they're kind of raw I don't want to

672

00:29:41,329 --> 00:29:38,249

really call it dark but it's very raw

673

00:29:42,949 --> 00:29:41,339

and in a lot of cases you're not going

674

00:29:44,869 --> 00:29:42,959

to have like sidewalks or you you're

675

00:29:46,699 --> 00:29:44,879

gonna be walking your dog late at night

676

00:29:50,839 --> 00:29:46,709

things like that no there's like actual

677

00:29:53,059 --> 00:29:50,849

predators that eat your dog and could

678

00:29:55,999 --> 00:29:53,069

eat you I mean there's Cougars and

679

00:30:01,609 --> 00:29:56,009

coyotes everywhere and it's not not

680

00:30:03,169 --> 00:30:01,619

forgiving territory man well I do a lot

681

00:30:05,419 --> 00:30:03,179

of things that aren't good for me so I

682

00:30:07,969 --> 00:30:05,429

definitely understand the attraction of

683

00:30:11,599 --> 00:30:07,979

putting yourself in that mix despite the

684

00:30:14,269 --> 00:30:11,609

risks and dangers and I wanted to read a

685

00:30:16,759 --> 00:30:14,279

little bit from this latest book where

686

00:30:20,119 --> 00:30:16,769

you refer to this character the

687

00:30:22,519 --> 00:30:20,129

Wolverine as a surreal real-life

688

00:30:24,199 --> 00:30:22,529

superhero and that he is trying to get

689

00:30:26,779 --> 00:30:24,209

to the truth of this high strangeness

690

00:30:28,819 --> 00:30:26,789

going on much like Robert Bigelow a

691

00:30:30,469 --> 00:30:28,829

larger-than-life personality who

692

00:30:32,209 --> 00:30:30,479

succeeds that everything he becomes

693

00:30:35,359 --> 00:30:32,219

involved with and it's interesting

694

00:30:37,939 --> 00:30:35,369

because it seems like in the last few

695

00:30:40,699 --> 00:30:37,949

years there's a lot of gamesmanship

696

00:30:42,559 --> 00:30:40,709

around this very thing American cosmic

697

00:30:45,229 --> 00:30:42,569

as I mentioned seems to reveal some

698

00:30:47,839 --> 00:30:45,239

things the two of the stars Academy

699

00:30:50,419 --> 00:30:47,849

feign happened the Pentagon did disclose

700

00:30:52,819 --> 00:30:50,429

a recent program for investigating these

701
00:30:54,709 --> 00:30:52,829
things Podesta and Hillary were talking

702
00:30:56,899 --> 00:30:54,719
about this stuff before the election the

703
00:30:58,849 --> 00:30:56,909
CIA even disclosed some remote-viewing

704
00:31:02,419 --> 00:30:58,859
stuff from Project Starrcade

705
00:31:04,819 --> 00:31:02,429
I just feel a weird energy around the

706
00:31:08,209 --> 00:31:04,829
idea of revealing these things obviously

707
00:31:10,999 --> 00:31:08,219
disinformation is at play but how do you

708
00:31:13,430 --> 00:31:11,009
assess these last couple years and the

709
00:31:16,129 --> 00:31:13,440
idea that we're close to some sort of

710
00:31:18,529 --> 00:31:16,139
revealing it feels potent I think we are

711
00:31:20,779 --> 00:31:18,539
I almost don't even think it's a

712
00:31:22,789 --> 00:31:20,789
question of disclosure anymore it's

713
00:31:27,469 --> 00:31:22,799

almost like soft disclosures already

714

00:31:30,949 --> 00:31:27,479

happened and now all it is is waiting

715

00:31:32,840 --> 00:31:30,959

for this footprint to kind of get blown

716

00:31:36,430 --> 00:31:32,850

around the rest of the population and

717

00:31:39,710 --> 00:31:36,440

I do think that a lot of this is

718

00:31:42,680 --> 00:31:39,720

worrisome to government I'm not a fan of

719

00:31:45,620 --> 00:31:42,690

government I'm like completely not a fan

720

00:31:48,440 --> 00:31:45,630

of government however anybody in the

721

00:31:51,110 --> 00:31:48,450

ruling class would be sweating under the

722

00:31:52,640 --> 00:31:51,120

collar a little bit the moment anything

723

00:31:55,390 --> 00:31:52,650

and everything is possible in this

724

00:31:58,430 --> 00:31:55,400

matrix that they are supposedly

725

00:32:01,970 --> 00:31:58,440

controlling mm-hmm it's the ultimate

726
00:32:03,770 --> 00:32:01,980
monkey wrench in the system indeed and

727
00:32:06,560 --> 00:32:03,780
you mentioned that perhaps soft

728
00:32:08,360 --> 00:32:06,570
disclosure has already happened and I

729
00:32:10,160 --> 00:32:08,370
agree with you but like I said in the

730
00:32:12,950 --> 00:32:10,170
introduction there are just so many

731
00:32:15,110 --> 00:32:12,960
different angles and perspectives to

732
00:32:18,860 --> 00:32:15,120
this whole phenomenon being someone

733
00:32:20,540 --> 00:32:18,870
who's there at Ground Zero if I were to

734
00:32:23,060 --> 00:32:20,550
say to you I guess okay so soft

735
00:32:26,360 --> 00:32:23,070
disclosures happened where would I see

736
00:32:29,870 --> 00:32:26,370
it you know what researchers or what

737
00:32:33,020 --> 00:32:29,880
angles do you look at as being the

738
00:32:36,380 --> 00:32:33,030

closest to the actual truth as you see

739

00:32:42,530 --> 00:32:36,390

it the unfortunate reality of this is

740

00:32:46,010 --> 00:32:42,540

that it is a association between either

741

00:32:47,900 --> 00:32:46,020

a intra dimensional plasma intelligence

742

00:32:52,040 --> 00:32:47,910

that's noncorporeal doesn't need a body

743

00:32:55,520 --> 00:32:52,050

in many cases and can assume body as if

744

00:32:57,170 --> 00:32:55,530

it does and at least the sense that we

745

00:33:00,200 --> 00:32:57,180

perceive them as something they aren't

746

00:33:02,960 --> 00:33:00,210

but we're talking about intelligences

747

00:33:05,680 --> 00:33:02,970

communicating with individuals and so

748

00:33:07,270 --> 00:33:05,690

there's really no way

749

00:33:09,700 --> 00:33:07,280

there's a lot of researchers that are

750

00:33:13,360 --> 00:33:09,710

very close but I really think it's the

751
00:33:16,420 --> 00:33:13,370
elephant in the darkroom some have the

752
00:33:19,020 --> 00:33:16,430
snout others have the tail and they're

753
00:33:22,840 --> 00:33:19,030
all touching it but the agreement

754
00:33:26,350 --> 00:33:22,850
especially politically between some of

755
00:33:28,510 --> 00:33:26,360
these deep organizations it's just a

756
00:33:31,350 --> 00:33:28,520
shotgun blast against the wall you know

757
00:33:33,610 --> 00:33:31,360
nobody's in line with one another and I

758
00:33:35,860 --> 00:33:33,620
believe it will remain a mystery until

759
00:33:41,170 --> 00:33:35,870
there's some form of like hey it's okay

760
00:33:44,160 --> 00:33:41,180
to disagree right so but obviously that

761
00:33:47,050 --> 00:33:44,170
truth that core truth is going to be in

762
00:33:49,890 --> 00:33:47,060
line with a bunch of other angles that

763
00:33:52,120 --> 00:33:49,900

would be fiction so you think it's some

764

00:33:53,710 --> 00:33:52,130

multi-dimensional space obviously we've

765

00:33:55,480 --> 00:33:53,720

talked about portals but it seems like

766

00:33:58,180 --> 00:33:55,490

we're also kind of talking about two

767

00:34:00,850 --> 00:33:58,190

different things some kind of non-human

768

00:34:03,300 --> 00:34:00,860

entity that is coming in and out of our

769

00:34:05,980 --> 00:34:03,310

reality through these portals and then

770

00:34:08,860 --> 00:34:05,990

skinwalkers which are human Native

771

00:34:11,560 --> 00:34:08,870

American shamans who have mastered some

772

00:34:14,169 --> 00:34:11,570

practice of shape-shifting maybe that's

773

00:34:16,750 --> 00:34:14,179

due to the qualities of the environment

774

00:34:17,950 --> 00:34:16,760

but how many different things do you

775

00:34:21,070 --> 00:34:17,960

think we're dealing with here I mean

776

00:34:24,400 --> 00:34:21,080

those are probably two distinct

777

00:34:27,190 --> 00:34:24,410

phenomenon at least right they are in

778

00:34:29,110 --> 00:34:27,200

that there's multiple phenomena taking

779

00:34:33,669 --> 00:34:29,120

place here and that's the beauty of this

780

00:34:35,710 --> 00:34:33,679

it's like showing up at you're expecting

781

00:34:39,040 --> 00:34:35,720

it to be a Catholic Mass and what you

782

00:34:42,159 --> 00:34:39,050

end up with something like the EDC

783

00:34:44,940 --> 00:34:42,169

festival everything is in these areas at

784

00:34:48,490 --> 00:34:44,950

times there's been situations where

785

00:34:50,610 --> 00:34:48,500

again I can't use names or even

786

00:34:54,159 --> 00:34:50,620

organizations that they belong to but

787

00:34:56,470 --> 00:34:54,169

researchers have seen actual portals

788

00:34:58,540 --> 00:34:56,480

opening up the researchers are watching

789

00:35:01,180 --> 00:34:58,550

the portals opening up and then they

790

00:35:03,540 --> 00:35:01,190

look over and there's greys watching the

791

00:35:06,460 --> 00:35:03,550

portals opening up it's like there's

792

00:35:08,380 --> 00:35:06,470

random coincidences that can't be

793

00:35:11,050 --> 00:35:08,390

explained or synchronicities if you will

794

00:35:16,600 --> 00:35:11,060

as soon as this dimensional rift is

795

00:35:19,490 --> 00:35:16,610

opened it's kind of a anything goes man

796

00:35:21,470 --> 00:35:19,500

so we know what skinwalkers generally

797

00:35:24,470 --> 00:35:21,480

look like we know what an alien gray

798

00:35:26,660 --> 00:35:24,480

looks like are there other types of

799

00:35:28,640 --> 00:35:26,670

humanoids especially in the context of

800

00:35:31,460 --> 00:35:28,650

something coming through a portal

801
00:35:33,680 --> 00:35:31,470
are there other shapes or forms that you

802
00:35:35,830 --> 00:35:33,690
could describe that you know have been

803
00:35:38,470 --> 00:35:35,840
seen in that area

804
00:35:40,860 --> 00:35:38,480
yeah there are what can only be

805
00:35:46,390 --> 00:35:40,870
described as Raptor like creatures or

806
00:35:48,010 --> 00:35:46,400
small dinosaurs huh there are blue balls

807
00:35:50,730 --> 00:35:48,020
of light that fly around they look like

808
00:35:52,900 --> 00:35:50,740
it's like a blue liquid like selsun blue

809
00:35:56,560 --> 00:35:52,910
spiraling around inside of like a

810
00:35:58,660 --> 00:35:56,570
fishbowl and there's other things like

811
00:36:01,600 --> 00:35:58,670
you were talking about the skinwalker

812
00:36:05,080 --> 00:36:01,610
aspect the actual which elemental spirit

813
00:36:06,670 --> 00:36:05,090

aspect every one of these witches create

814

00:36:10,030 --> 00:36:06,680

what they consider a familiar a

815

00:36:12,430 --> 00:36:10,040

spiritual servant huh these elemental

816

00:36:15,060 --> 00:36:12,440

spirits are basically just elaborate

817

00:36:17,950 --> 00:36:15,070

thought forms very similar to like in

818

00:36:20,320 --> 00:36:17,960

the Kabbalah the way they would make the

819

00:36:23,230 --> 00:36:20,330

columns out of mud and the procedure

820

00:36:27,100 --> 00:36:23,240

that gives life to this in this physical

821

00:36:30,510 --> 00:36:27,110

world is similar but not completely the

822

00:36:32,860 --> 00:36:30,520

same but it's the same powerful familiar

823

00:36:35,620 --> 00:36:32,870

keeping them in line there's like a

824

00:36:38,680 --> 00:36:35,630

hierarchy of these in many covens if you

825

00:36:40,780 --> 00:36:38,690

will so if you do this for generations

826
00:36:44,170 --> 00:36:40,790
and generations no matter where you are

827
00:36:47,350 --> 00:36:44,180
whether it's the Middle East or the even

828
00:36:49,510 --> 00:36:47,360
a basin of Utah and this is what Jack

829
00:36:50,790 --> 00:36:49,520
velay found or one thing that I probably

830
00:36:54,460 --> 00:36:50,800
shouldn't even say his name

831
00:36:56,770 --> 00:36:54,470
but there's commonalities these are

832
00:37:00,640 --> 00:36:56,780
tricksters in a lot of cases that are

833
00:37:02,500 --> 00:37:00,650
very similar to Djinn in that they can

834
00:37:05,260 --> 00:37:02,510
manifest out of this

835
00:37:08,440 --> 00:37:05,270
it looks like bugs like a mist like a

836
00:37:12,030 --> 00:37:08,450
black smokeless fire if you will and

837
00:37:14,500 --> 00:37:12,040
it'll just like swoosh into forms

838
00:37:16,890 --> 00:37:14,510

usually at night on a new moon so you

839

00:37:20,350 --> 00:37:16,900

can't really you just catching glimpses

840

00:37:22,450 --> 00:37:20,360

it'll do it in the day sometimes hmm

841

00:37:25,330 --> 00:37:22,460

there's something going on here that

842

00:37:29,260 --> 00:37:25,340

this particular entity the Djinn like

843

00:37:32,800 --> 00:37:29,270

trickster it just wants to interact with

844

00:37:35,950 --> 00:37:32,810

the observer so it mimics in a lot of

845

00:37:40,450 --> 00:37:35,960

ways it will become something that you

846

00:37:42,880 --> 00:37:40,460

expect to see hmm while then maybe just

847

00:37:45,490 --> 00:37:42,890

one of the properties of this place is

848

00:37:48,770 --> 00:37:45,500

that thoughts can come to life with less

849

00:37:51,350 --> 00:37:48,780

effort I definitely think that they can

850

00:37:54,230 --> 00:37:51,360

but maybe it just is a kind of place

851
00:37:57,590 --> 00:37:54,240
where that is amplified and just quite

852
00:37:59,750 --> 00:37:57,600
potent and you mentioned organizations

853
00:38:01,760 --> 00:37:59,760
some that you can't name but one that I

854
00:38:04,100 --> 00:38:01,770
believe we can name is the National

855
00:38:05,900 --> 00:38:04,110
Institute for discovery science can you

856
00:38:09,530 --> 00:38:05,910
tell us a little bit more about them or

857
00:38:11,060 --> 00:38:09,540
where they are now yeah they were the

858
00:38:15,110 --> 00:38:11,070
first third time that I knew of

859
00:38:18,980 --> 00:38:15,120
they were the all-star team top

860
00:38:21,470 --> 00:38:18,990
scientists whether physicists or with

861
00:38:23,380 --> 00:38:21,480
essentially traits that encompass all of

862
00:38:26,330 --> 00:38:23,390
these practices a lot of

863
00:38:28,310 --> 00:38:26,340

nanotechnologists they attack this with

864

00:38:30,980 --> 00:38:28,320

the scientific method and you know

865

00:38:33,800 --> 00:38:30,990

although they came away saying we didn't

866

00:38:35,300 --> 00:38:33,810

succeed at least in their own eyes these

867

00:38:39,640 --> 00:38:35,310

are the best the best they're not used

868

00:38:42,070 --> 00:38:39,650

to anything other than total success and

869

00:38:45,680 --> 00:38:42,080

instead what they found is that

870

00:38:48,260 --> 00:38:45,690

trickster mentality would just know it

871

00:38:51,500 --> 00:38:48,270

was precognitive if you would think of

872

00:38:55,340 --> 00:38:51,510

it it was 1 to 10 steps ahead of you

873

00:38:57,860 --> 00:38:55,350

however they did find sometimes using

874

00:39:02,180 --> 00:38:57,870

random number generation they were able

875

00:39:05,360 --> 00:39:02,190

to throw a curveball hmm I know valet

876
00:39:08,630 --> 00:39:05,370
has said something to the effect of when

877
00:39:12,200 --> 00:39:08,640
you look at the UFO spikes and the hot

878
00:39:14,330 --> 00:39:12,210
pockets it suggests a schedule of

879
00:39:18,110 --> 00:39:14,340
reinforcement some kind of like

880
00:39:20,900 --> 00:39:18,120
Pavlovian training and that's a really

881
00:39:23,270 --> 00:39:20,910
provocative idea maybe it is like

882
00:39:28,670 --> 00:39:23,280
something the trickster has set up but

883
00:39:32,150 --> 00:39:28,680
have you been able to maybe clock these

884
00:39:35,790 --> 00:39:32,160
things or see a pattern yourself as to

885
00:39:38,280 --> 00:39:35,800
win the best chances to go out are

886
00:39:42,000 --> 00:39:38,290
yeah there's a lot of things they love

887
00:39:43,890 --> 00:39:42,010
but as an observer the less comfortable

888
00:39:48,090 --> 00:39:43,900

you are the better if you're not

889

00:39:50,340 --> 00:39:48,100

familiar with exactly what's going on or

890

00:39:51,270 --> 00:39:50,350

where you're at but you just know you're

891

00:39:53,340 --> 00:39:51,280

in the right spot

892

00:39:55,530 --> 00:39:53,350

that's ideal you know with GPS

893

00:39:57,690 --> 00:39:55,540

coordinates or whatever because anything

894

00:40:00,870 --> 00:39:57,700

that you can think in advance so if you

895

00:40:03,630 --> 00:40:00,880

bring a flashlight guess what you're

896

00:40:05,520 --> 00:40:03,640

probably not going to need it if you

897

00:40:06,870 --> 00:40:05,530

bring a voice recorder you're probably

898

00:40:09,750 --> 00:40:06,880

not going to need it's the less you

899

00:40:11,430 --> 00:40:09,760

bring the better but just bring the

900

00:40:14,760 --> 00:40:11,440

awareness that whatever you put your

901
00:40:17,250 --> 00:40:14,770
mind into will actually manifest and by

902
00:40:18,690 --> 00:40:17,260
that I mean a lot of the best examples

903
00:40:21,390 --> 00:40:18,700
that I've had personally with other

904
00:40:24,480 --> 00:40:21,400
researchers are if somebody is thinking

905
00:40:26,850 --> 00:40:24,490
about something for example there was a

906
00:40:29,490 --> 00:40:26,860
trip where one of us was thinking about

907
00:40:30,840 --> 00:40:29,500
getting caught red and blue lights even

908
00:40:33,870 --> 00:40:30,850
though we had every permission to be

909
00:40:36,630 --> 00:40:33,880
where we were at and basically red and

910
00:40:38,280 --> 00:40:36,640
blue lights appeared in the distance and

911
00:40:40,680 --> 00:40:38,290
started flashing and coming towards you

912
00:40:43,080 --> 00:40:40,690
know in an area where there's no Road

913
00:40:45,180 --> 00:40:43,090

and it's only when they come closer that

914

00:40:48,359 --> 00:40:45,190

you realize that this is all just kind

915

00:40:54,240 --> 00:40:48,369

of like a hologram or a representation

916

00:40:57,390 --> 00:40:54,250

of somebody's fear hmm wow man in that

917

00:41:00,710 --> 00:40:57,400

pattern element it just really makes me

918

00:41:03,390 --> 00:41:00,720

think about that idea of an ancient

919

00:41:05,940 --> 00:41:03,400

artificial intelligence in place I've

920

00:41:07,770 --> 00:41:05,950

had shows that covered the angle that

921

00:41:10,920 --> 00:41:07,780

the earth might have been in some sort

922

00:41:13,430 --> 00:41:10,930

of quarantine form from something deep

923

00:41:16,140 --> 00:41:13,440

in our past that there could be some

924

00:41:18,359 --> 00:41:16,150

technological systems still on autopilot

925

00:41:21,030 --> 00:41:18,369

that people are dealing with even that

926

00:41:23,400 --> 00:41:21,040

perhaps the Van Allen radiation belt is

927

00:41:25,760 --> 00:41:23,410

something to keep us in what are your

928

00:41:28,500 --> 00:41:25,770

thoughts on that the fact that maybe

929

00:41:31,820 --> 00:41:28,510

what we're dealing with today has

930

00:41:35,010 --> 00:41:31,830

something to do with the ancient past

931

00:41:36,930 --> 00:41:35,020

100 percent has changed I used to always

932

00:41:38,280 --> 00:41:36,940

go out and that was very basic would say

933

00:41:41,849 --> 00:41:38,290

a little quick prayer you know to keep

934

00:41:44,250 --> 00:41:41,859

me safe and I'd be on my way well that's

935

00:41:46,440 --> 00:41:44,260

completely changed like now depending on

936

00:41:49,500 --> 00:41:46,450

where I'm at the last time I was like in

937

00:41:52,220 --> 00:41:49,510

a real dark hot spot I use the in

938

00:41:54,480 --> 00:41:52,230

of Thoth there's a back-up plan because

939

00:41:57,630 --> 00:41:54,490

can't you better than like the Egyptian

940

00:41:59,640 --> 00:41:57,640

of God magic and writing and you're

941

00:42:01,740 --> 00:41:59,650

throwing these things out there just

942

00:42:05,760 --> 00:42:01,750

like insurance policies really because

943

00:42:08,370 --> 00:42:05,770

the truth is a lot of these deeper

944

00:42:12,570 --> 00:42:08,380

teachings like Egypt I mean you have

945

00:42:13,830 --> 00:42:12,580

these demigods the heads of dogs the

946

00:42:15,420 --> 00:42:13,840

bodies of man mm-hmm

947

00:42:17,609 --> 00:42:15,430

and others that look more like the

948

00:42:20,880 --> 00:42:17,619

avians you know with the head of a bird

949

00:42:22,320 --> 00:42:20,890

in the body of a man look Thoth and this

950

00:42:24,480 --> 00:42:22,330

is just blatant in-your-face stuff

951
00:42:28,680 --> 00:42:24,490
without even getting into the community

952
00:42:31,830 --> 00:42:28,690
forum and the deep deep deep teachings

953
00:42:34,710 --> 00:42:31,840
this is just on the surface and it's

954
00:42:37,349 --> 00:42:34,720
very alien like it is and it's also

955
00:42:40,800 --> 00:42:37,359
provocative like you say to have this

956
00:42:43,680 --> 00:42:40,810
culture that drew a lot of depictions of

957
00:42:47,580 --> 00:42:43,690
animal headed humanoids and then we also

958
00:42:50,190 --> 00:42:47,590
have these indigenous Native American

959
00:42:54,599 --> 00:42:50,200
tribes who also have this practice of

960
00:42:57,540 --> 00:42:54,609
high magic and animal headed humanoids I

961
00:43:00,570 --> 00:42:57,550
don't know it's very strange that it

962
00:43:03,720 --> 00:43:00,580
seems like perhaps a culture that has

963
00:43:05,340 --> 00:43:03,730

been I can't say undisturbed by the

964

00:43:08,070 --> 00:43:05,350

Western world of course they've been

965

00:43:10,140 --> 00:43:08,080

quite disturbed but they still have some

966

00:43:14,010 --> 00:43:10,150

other culture intact and it harkens back

967

00:43:17,130 --> 00:43:14,020

to that same kind of possibly Egyptian

968

00:43:20,010 --> 00:43:17,140

magic I think that is fascinating it is

969

00:43:23,040 --> 00:43:20,020

it's extremely fascinating the

970

00:43:25,770 --> 00:43:23,050

correlations between it's a deep dark

971

00:43:28,470 --> 00:43:25,780

Google search but if you go down the

972

00:43:29,790 --> 00:43:28,480

rabbit hole and you start googling Djinn

973

00:43:32,430 --> 00:43:29,800

invocations

974

00:43:34,620 --> 00:43:32,440

Middle East and videos and like the

975

00:43:35,790 --> 00:43:34,630

candles are using and the stuff they're

976
00:43:38,820 --> 00:43:35,800
writing on the ground in the direction

977
00:43:40,620 --> 00:43:38,830
they're basing all this and then you

978
00:43:42,300 --> 00:43:40,630
compare it to some of these other

979
00:43:45,060 --> 00:43:42,310
cultures you're finding out they're

980
00:43:48,870 --> 00:43:45,070
using almost the exact same basic tool

981
00:43:50,640 --> 00:43:48,880
and how do they know it in a lot of

982
00:43:52,920 --> 00:43:50,650
these cases you're talking about people

983
00:43:58,080 --> 00:43:52,930
that are you know removed by geography

984
00:44:00,780 --> 00:43:58,090
and time and it's wild mm-hmm man and on

985
00:44:03,010 --> 00:44:00,790
the subject of portals and covert

986
00:44:05,140 --> 00:44:03,020
research let me grab another quote for

987
00:44:07,450 --> 00:44:05,150
this unreleased book where you say I

988
00:44:09,790 --> 00:44:07,460

have long maintained that there was a

989

00:44:11,950 --> 00:44:09,800

Russian element of research near this

990

00:44:13,690 --> 00:44:11,960

area this was because of inside

991

00:44:15,910 --> 00:44:13,700

information I got about an

992

00:44:18,580 --> 00:44:15,920

under-the-table land grab purchased with

993

00:44:21,490 --> 00:44:18,590

Spanish gold bars possibly from the lost

994

00:44:24,460 --> 00:44:21,500

roads mined by a Russian named Slugger

995

00:44:26,500 --> 00:44:24,470

Slugger said the property was to be used

996

00:44:28,450 --> 00:44:26,510

for portal technology he said that his

997

00:44:31,090 --> 00:44:28,460

organization would put things into a

998

00:44:33,760 --> 00:44:31,100

man-made Stargate that was put in this

999

00:44:35,740 --> 00:44:33,770

precise location to gain power the

1000

00:44:38,230 --> 00:44:35,750

objects that were placed in the stargate

1001
00:44:39,940 --> 00:44:38,240
machine would arrive in florida fifteen

1002
00:44:42,280 --> 00:44:39,950
minutes later at another Stargate

1003
00:44:45,750 --> 00:44:42,290
machine the location in Florida was said

1004
00:44:48,670 --> 00:44:45,760
to be Cape Coral Jesus man

1005
00:44:51,970 --> 00:44:48,680
that's quite a paragraph can you

1006
00:44:54,940 --> 00:44:51,980
elaborate at all on that yeah it was

1007
00:44:57,460 --> 00:44:54,950
just a weird deal where I got a phone

1008
00:45:00,430 --> 00:44:57,470
call and it sounded really interesting I

1009
00:45:02,740 --> 00:45:00,440
went to the office of the realtor and

1010
00:45:05,050 --> 00:45:02,750
they told me what was going on basically

1011
00:45:08,320 --> 00:45:05,060
and it was a crazy story I wasn't

1012
00:45:11,190 --> 00:45:08,330
checked out the area very plain but went

1013
00:45:15,460 --> 00:45:11,200

back at night not playing at all

1014

00:45:18,460 --> 00:45:15,470

realized that a lot of the same aspects

1015

00:45:22,030 --> 00:45:18,470

were similar power lines going right

1016

00:45:25,870 --> 00:45:22,040

through lots of water massive cliff

1017

00:45:29,110 --> 00:45:25,880

lines same basic trajectory if you will

1018

00:45:30,580 --> 00:45:29,120

along the landscape and all these

1019

00:45:32,710 --> 00:45:30,590

similarities were in place and it was

1020

00:45:35,710 --> 00:45:32,720

like oh my gosh like are what are we

1021

00:45:39,190 --> 00:45:35,720

missing here like there's an actual

1022

00:45:42,670 --> 00:45:39,200

threat and it is Russian unfortunately

1023

00:45:46,270 --> 00:45:42,680

and in some cases Chinese and they're

1024

00:45:49,870 --> 00:45:46,280

trying to duplicate what they believe we

1025

00:45:51,820 --> 00:45:49,880

got and I don't know what it is they

1026

00:45:55,480 --> 00:45:51,830

think we've got well actually I do

1027

00:45:58,240 --> 00:45:55,490

but we've got a lot it's a threat I

1028

00:46:01,330 --> 00:45:58,250

guess it's got to be treated as one well

1029

00:46:03,280 --> 00:46:01,340

what do we got that you don't think even

1030

00:46:06,370 --> 00:46:03,290

listeners of a show like this know we

1031

00:46:09,340 --> 00:46:06,380

got I mean just drones I guess we call

1032

00:46:12,430 --> 00:46:09,350

them now but you know we've had these

1033

00:46:16,670 --> 00:46:12,440

quote-unquote drones that are able to do

1034

00:46:20,990 --> 00:46:16,680

very effective jobs of surveillance

1035

00:46:22,970 --> 00:46:21,000

and have been used in rural areas since

1036

00:46:25,640 --> 00:46:22,980

possibly as early as the seventies

1037

00:46:26,750 --> 00:46:25,650

according to some estimations and I mean

1038

00:46:30,760 --> 00:46:26,760

we're talking about little tiny

1039

00:46:35,329 --> 00:46:30,770

triangles little tiny reverse-engineered

1040

00:46:37,519 --> 00:46:35,339

really crazy anti-graft stuff and a lot

1041

00:46:40,730 --> 00:46:37,529

of this stuff and fortunately if you're

1042

00:46:42,049 --> 00:46:40,740

on the right path some of it is actually

1043

00:46:44,870 --> 00:46:42,059

being leaked by the Russians themselves

1044

00:46:47,599 --> 00:46:44,880

the older stuff and you're seeing that

1045

00:46:52,510 --> 00:46:47,609

they have this quote-unquote reversed

1046

00:46:56,240 --> 00:46:52,520

engineered idea but it's way late

1047

00:46:59,210 --> 00:46:56,250

provocative and you have a few lines

1048

00:47:01,700 --> 00:46:59,220

about Podesta and Tom DeLonge in that

1049

00:47:02,779 --> 00:47:01,710

book and a lot of people don't trust

1050

00:47:06,109 --> 00:47:02,789

these sources

1051
00:47:09,680 --> 00:47:06,119
I agree rightfully so but if their angle

1052
00:47:12,440 --> 00:47:09,690
was disinformation what do you see as

1053
00:47:14,480 --> 00:47:12,450
the deception what are they steering us

1054
00:47:15,890 --> 00:47:14,490
towards and what are they steering us

1055
00:47:17,670 --> 00:47:15,900
away from that you think would be

1056
00:47:19,799 --> 00:47:17,680
important

1057
00:47:23,880 --> 00:47:19,809
you know I don't like to call it

1058
00:47:26,670 --> 00:47:23,890
deception it is different perception

1059
00:47:29,039 --> 00:47:26,680
that's what I think it is and I think

1060
00:47:31,829 --> 00:47:29,049
these guys are just they're just wanting

1061
00:47:34,440 --> 00:47:31,839
the same thing as anybody which is more

1062
00:47:34,859 --> 00:47:34,450
answers yeah there's disinformation out

1063
00:47:37,410 --> 00:47:34,869

there

1064

00:47:41,309 --> 00:47:37,420

sure Project Blue Beam was a real thing

1065

00:47:44,190 --> 00:47:41,319

could still be but at the end of the day

1066

00:47:47,249 --> 00:47:44,200

there's actual entities interacting with

1067

00:47:49,739 --> 00:47:47,259

us in areas like Sedona you in a basin

1068

00:47:53,039 --> 00:47:49,749

and it's a lot more common than people

1069

00:47:55,499 --> 00:47:53,049

are realizing and I hate to sound like

1070

00:47:57,509 --> 00:47:55,509

the crazy guy but I love to go out with

1071

00:48:02,120 --> 00:47:57,519

my skeptic buddies they're the very best

1072

00:48:05,880 --> 00:48:02,130

because you don't have to say too much

1073

00:48:07,620 --> 00:48:05,890

when they see it the first thing is just

1074

00:48:11,400 --> 00:48:07,630

the immediate quick little micro

1075

00:48:13,710 --> 00:48:11,410

meltdown I don't get it whoah and it's

1076

00:48:15,660 --> 00:48:13,720

kind of like no it's been here before

1077

00:48:21,900 --> 00:48:15,670

your very eyes it's just nobody goes out

1078

00:48:23,849 --> 00:48:21,910

to look I agree with you man and as this

1079

00:48:28,349 --> 00:48:23,859

thing is kind of approaching the finish

1080

00:48:30,870 --> 00:48:28,359

line what have we left out maybe or what

1081

00:48:32,789 --> 00:48:30,880

could be said to make this the Super

1082

00:48:35,670 --> 00:48:32,799

Show we set out to make I think it's

1083

00:48:37,979 --> 00:48:35,680

actually quite good and full of little

1084

00:48:39,720 --> 00:48:37,989

nuggets that I think are enjoyable but

1085

00:48:42,089 --> 00:48:39,730

are there other pieces of the big puzzle

1086

00:48:44,910 --> 00:48:42,099

that we should fold in to make this

1087

00:48:47,749 --> 00:48:44,920

whole thing more complete well there is

1088

00:48:52,160 --> 00:48:47,759

this critical and groundbreaking

1089

00:48:56,479 --> 00:48:52,170

political war that we have going on and

1090

00:48:59,819 --> 00:48:56,489

it is permeating every aspect from

1091

00:49:02,160 --> 00:48:59,829

ufology to deep underground military

1092

00:49:05,430 --> 00:49:02,170

bases whoever you're talking to secret

1093

00:49:07,910 --> 00:49:05,440

societies somehow this is becoming it's

1094

00:49:09,660 --> 00:49:07,920

not a pretty picture that even

1095

00:49:11,910 --> 00:49:09,670

organizations that should be working

1096

00:49:15,420 --> 00:49:11,920

together are letting politics get in the

1097

00:49:17,700 --> 00:49:15,430

mix so to speak but you know there's a

1098

00:49:20,269 --> 00:49:17,710

lot to it or could be witchcraft babylon

1099

00:49:23,729 --> 00:49:20,279

working spirit capable secret deals

1100

00:49:25,650 --> 00:49:23,739

space force and typically the end of a

1101

00:49:27,120 --> 00:49:25,660

lot of things at the end of religion

1102

00:49:29,190 --> 00:49:27,130

could be the end of the church could be

1103

00:49:30,630 --> 00:49:29,200

very likely the end of pope francis in

1104

00:49:33,720 --> 00:49:30,640

the catholic church

1105

00:49:34,579 --> 00:49:33,730

and this is just a magical time for so

1106

00:49:38,460 --> 00:49:34,589

many things

1107

00:49:41,249 --> 00:49:38,470

mm-hmm food for thought for sure and we

1108

00:49:45,019 --> 00:49:41,259

know more than we did two years ago I

1109

00:49:48,569 --> 00:49:45,029

gotta say so that's something and

1110

00:49:51,630 --> 00:49:48,579

whenever I have guests who have an array

1111

00:49:54,779 --> 00:49:51,640

of strange paranormal experiences it's

1112

00:49:57,059 --> 00:49:54,789

pretty common for me to ask about you

1113

00:49:58,979 --> 00:49:57,069

know well where should I go or what

1114

00:50:01,650 --> 00:49:58,989

could I do but a lot of these people

1115

00:50:04,019 --> 00:50:01,660

don't have bed and breakfasts so I guess

1116

00:50:05,880 --> 00:50:04,029

I would ask if someone were to stay at

1117

00:50:08,729 --> 00:50:05,890

your bed-and-breakfast and then explore

1118

00:50:11,789 --> 00:50:08,739

the surrounding area of their own free

1119

00:50:15,150 --> 00:50:11,799

will is it close enough to some of the

1120

00:50:18,150 --> 00:50:15,160

hotspots of activity that one might see

1121

00:50:19,769 --> 00:50:18,160

something yeah and I wouldn't even get

1122

00:50:21,390 --> 00:50:19,779

caught up in like you know do you have

1123

00:50:23,910 --> 00:50:21,400

to be here and do you have to be there

1124

00:50:27,019 --> 00:50:23,920

it's anywhere really you just have to be

1125

00:50:30,170 --> 00:50:27,029

in the area the area would be anywhere

1126

00:50:34,380 --> 00:50:30,180

along Interstate 40 in the Uintah Basin

1127

00:50:37,349 --> 00:50:34,390

between the strawberry pinnacles which

1128

00:50:38,880 --> 00:50:37,359

are these two Rock antennae that kind of

1129

00:50:42,809 --> 00:50:38,890

jet up in this Canyon where a lot of

1130

00:50:45,269 --> 00:50:42,819

UFOs are and pretty much vernal or the

1131

00:50:47,779 --> 00:50:45,279

Colorado border on the same stretch

1132

00:50:51,479 --> 00:50:47,789

anything along that corridor basically

1133

00:50:54,120 --> 00:50:51,489

high strangeness it's very similar to

1134

00:50:56,910 --> 00:50:54,130

the 37th parallel you know Ben Mezrich

1135

00:51:00,200 --> 00:50:56,920

exhibition it's like a corridor high

1136

00:51:06,150 --> 00:51:00,210

strangeness mmm interstellar highway

1137

00:51:09,989 --> 00:51:06,160

hahaha right on well maybe I will spend

1138

00:51:12,599 --> 00:51:09,999

some time out there or take some road

1139

00:51:16,109 --> 00:51:12,609

trips along that corridor or maybe look

1140

00:51:17,970 --> 00:51:16,119

into that bed-and-breakfast sometime but

1141

00:51:19,859 --> 00:51:17,980

it would be a dream to see even a

1142

00:51:23,519 --> 00:51:19,869

quarter of the things you've seen man

1143

00:51:26,489 --> 00:51:23,529

and I do appreciate you writing the

1144

00:51:28,170 --> 00:51:26,499

books and reaching out and talking to me

1145

00:51:30,479 --> 00:51:28,180

and coming here with all this great info

1146

00:51:32,430 --> 00:51:30,489

I think people are really gonna love it

1147

00:51:34,440 --> 00:51:32,440

before we call it in do remind them

1148

00:51:38,150 --> 00:51:34,450

where they can get more what you're

1149

00:51:40,950 --> 00:51:38,160

doing and follow your work you bet it's

1150

00:51:43,720 --> 00:51:40,960

basically all available on Ryan Patrick

1151

00:51:46,150 --> 00:51:43,730

burns column where you can

1152

00:51:49,630 --> 00:51:46,160

that easy I should mention one more

1153

00:51:52,839 --> 00:51:49,640

actually you can find on Facebook you

1154

00:51:56,289 --> 00:51:52,849

can find me at space wolf research okay

1155

00:51:58,870 --> 00:51:56,299

okay and I saw some references to you

1156

00:52:00,579 --> 00:51:58,880

within the context of hero paranormal

1157

00:52:02,230 --> 00:52:00,589

but it seems like that websites not

1158

00:52:04,839 --> 00:52:02,240

active what's the deal there

1159

00:52:07,660 --> 00:52:04,849

yeah hero paranormal is now just a

1160

00:52:10,480 --> 00:52:07,670

Facebook page we still do stuff on there

1161

00:52:13,839 --> 00:52:10,490

but it's not as active as it used to be

1162

00:52:17,760 --> 00:52:13,849

so we disbanded the actual webpage and

1163

00:52:21,849 --> 00:52:17,770

it was getting all kinds of attacks as

1164

00:52:25,030 --> 00:52:21,859

you do tend to get but very much

1165

00:52:26,620 --> 00:52:25,040

appreciate a man I had a great time keep

1166

00:52:31,050 --> 00:52:26,630

up the great work and stay safe out

1167

00:52:33,160 --> 00:52:31,060

there okay so what's great appreciated

1168

00:52:35,050 --> 00:52:33,170

while there ain't no party like a

1169

00:52:39,180 --> 00:52:35,060

skinwalker party cuz the skinwalker

1170

00:52:43,330 --> 00:52:39,190

party don't stop Ryan Patrick burns

1171

00:52:44,980 --> 00:52:43,340

another Plus member turned guests you

1172

00:52:48,670 --> 00:52:44,990

know when I look at our shows for April

1173

00:52:50,080 --> 00:52:48,680

they are all shows that came to me and I

1174

00:52:52,990 --> 00:52:50,090

just said yeah let's do it

1175

00:52:55,030 --> 00:52:53,000

J Dyer sent me his new book and got in

1176

00:52:57,160 --> 00:52:55,040

contact and also mentioned that he

1177

00:53:00,220 --> 00:52:57,170

listened to the KJ show just before we

1178

00:53:02,830 --> 00:53:00,230

recorded Peter Allen was a listener who

1179

00:53:05,560 --> 00:53:02,840

got in touch with me Randall Carlson was

1180

00:53:06,610 --> 00:53:05,570

prompted as a favor to America to

1181

00:53:09,730 --> 00:53:06,620

promote their event

1182

00:53:12,550 --> 00:53:09,740

Ryan is a plus member who said he had

1183

00:53:14,290 --> 00:53:12,560

some good insiders info and the next

1184

00:53:15,850 --> 00:53:14,300

show is also someone who brought me

1185

00:53:18,520 --> 00:53:15,860

their work and asked if I'd be

1186

00:53:20,950 --> 00:53:18,530

interested in covering it obviously only

1187

00:53:24,990 --> 00:53:20,960

recording five shows a month there's no

1188

00:53:28,240 --> 00:53:25,000

way I could keep up with the requests

1189

00:53:30,880 --> 00:53:28,250

but this month was pretty heavy on them

1190

00:53:32,980 --> 00:53:30,890

I don't know what that means it's just

1191

00:53:34,990 --> 00:53:32,990

an interesting thing that happened and

1192

00:53:37,120 --> 00:53:35,000

I'm not complaining I think we've had a

1193

00:53:39,490 --> 00:53:37,130

great month of shows and it's not over

1194

00:53:41,950 --> 00:53:39,500

yet but wait until we get into May where

1195

00:53:44,860 --> 00:53:41,960

we actually get into the guest requests

1196

00:53:47,920 --> 00:53:44,870

that I sent out I got some barn burners

1197

00:53:49,900 --> 00:53:47,930

in the works let me tell you but never

1198

00:53:51,700 --> 00:53:49,910

mind all that I am just happy today's

1199

00:53:53,440 --> 00:53:51,710

show turned out so well

1200

00:53:55,690 --> 00:53:53,450

I thought Ryan had some really

1201

00:53:58,570 --> 00:53:55,700

interesting stuff to share in fact I

1202

00:54:01,270 --> 00:53:58,580

thought it complimented dr. Diana Paul

1203

00:54:03,280 --> 00:54:01,280

silca really well because both of them

1204

00:54:06,790 --> 00:54:03,290

have sort of rubbed elbows with these

1205

00:54:09,130 --> 00:54:06,800

people who are really in the know and we

1206

00:54:12,520 --> 00:54:09,140

get to ride in their wake a little bit

1207

00:54:15,730 --> 00:54:12,530

and man they're just really are so many

1208

00:54:17,710 --> 00:54:15,740

dense and complex possibilities for

1209

00:54:20,980 --> 00:54:17,720

what's really happening at some of these

1210

00:54:24,370 --> 00:54:20,990

paranormal hotspots you know I've always

1211

00:54:27,280 --> 00:54:24,380

liked the magical idea of a hierarchy of

1212

00:54:29,260 --> 00:54:27,290

realms and that you can kind of bring

1213

00:54:32,170 --> 00:54:29,270

your airy-fairy thoughts down from the

1214

00:54:34,330 --> 00:54:32,180

ethereal into the dense and solid world

1215

00:54:37,000 --> 00:54:34,340

of the material and what if that

1216

00:54:39,730 --> 00:54:37,010

mechanism is stronger or weaker at

1217

00:54:41,860 --> 00:54:39,740

various places of the earth what if

1218

00:54:42,730 --> 00:54:41,870

these paranormal entities are literally

1219

00:54:45,250 --> 00:54:42,740

that they

1220

00:54:47,260 --> 00:54:45,260

of nightmares growing back centuries

1221

00:54:50,260 --> 00:54:47,270

maybe nightmares of people who aren't

1222

00:54:53,290 --> 00:54:50,270

even alive anymore I also like that idea

1223

00:54:55,320 --> 00:54:53,300

that we're seeing these forms pop in and

1224

00:54:58,120 --> 00:54:55,330

out of existence as if there's some

1225

00:55:01,780 --> 00:54:58,130

physical trace of remote viewers from

1226
00:55:03,730 --> 00:55:01,790
some other part of the universe remote

1227
00:55:07,530 --> 00:55:03,740
viewers do say that sometimes it feels

1228
00:55:10,030 --> 00:55:07,540
like something knows that they're there

1229
00:55:12,370 --> 00:55:10,040
you might remember an older show I did

1230
00:55:15,970 --> 00:55:12,380
with Gordon White who also just had dr.

1231
00:55:17,589 --> 00:55:15,980
pasilla on a second time but there was

1232
00:55:20,290 --> 00:55:17,599
this older show we did where we got into

1233
00:55:22,570 --> 00:55:20,300
alien ghosts and that is just stuck with

1234
00:55:24,910 --> 00:55:22,580
me because we think about ghosts and

1235
00:55:28,120 --> 00:55:24,920
spirits in this limited context of our

1236
00:55:30,430 --> 00:55:28,130
place on the earth but if we are in the

1237
00:55:33,490 --> 00:55:30,440
camp that other planets out there have

1238
00:55:35,680 --> 00:55:33,500

life I think most of us are and these

1239

00:55:38,970 --> 00:55:35,690

things we deal with here have to be

1240

00:55:41,650 --> 00:55:38,980

scaled up you know to a cosmic level

1241

00:55:42,910 --> 00:55:41,660

remote viewing of course is one of those

1242

00:55:44,920 --> 00:55:42,920

things that comes to mind because if

1243

00:55:47,470 --> 00:55:44,930

Russell Targ is telling us that space

1244

00:55:50,920 --> 00:55:47,480

time distance none of that matters in

1245

00:55:54,190 --> 00:55:50,930

remote viewing then that would hold true

1246

00:55:55,620 --> 00:55:54,200

for some out there alien beings doing

1247

00:55:58,089 --> 00:55:55,630

remote viewing as well

1248

00:56:01,260 --> 00:55:58,099

remember dr. Jack hunter talking about

1249

00:56:05,290 --> 00:56:01,270

his vision of a floating goat head like

1250

00:56:07,930 --> 00:56:05,300

what is that I do not know but I think

1251
00:56:10,000 --> 00:56:07,940
we're comfortably at the big kids table

1252
00:56:13,180 --> 00:56:10,010
now when it comes to breaking down the

1253
00:56:15,370 --> 00:56:13,190
possibilities I also thought the aspect

1254
00:56:17,109 --> 00:56:15,380
of liability was pretty interesting that

1255
00:56:19,960 --> 00:56:17,119
these dimensional rifts might be

1256
00:56:22,990 --> 00:56:19,970
cancer-causing or just generally bad for

1257
00:56:26,579 --> 00:56:23,000
Biological life think about some of the

1258
00:56:29,230 --> 00:56:26,589
shows we've done that get into alchemy

1259
00:56:32,050 --> 00:56:29,240
especially Ormus and these guys like Don

1260
00:56:34,210 --> 00:56:32,060
Nance they definitely have suffered

1261
00:56:37,720 --> 00:56:34,220
health effects from [h__h] around with

1262
00:56:40,120 --> 00:56:37,730
the transmutation of elements so that

1263
00:56:42,130 --> 00:56:40,130

idea that had corporation who buys

1264

00:56:43,810 --> 00:56:42,140

skinwalker ranch and wants to have

1265

00:56:46,870 --> 00:56:43,820

people study it might be worried about

1266

00:56:50,620 --> 00:56:46,880

lawsuits and damage control it makes

1267

00:56:52,780 --> 00:56:50,630

sense but [h__\h] you got companies like

1268

00:56:54,670 --> 00:56:52,790

Monsanto and DuPont who have been

1269

00:56:55,620 --> 00:56:54,680

poisoning the planet and its people for

1270

00:56:56,939 --> 00:56:55,630

decades

1271

00:57:00,329 --> 00:56:56,949

and they don't really seem to be

1272

00:57:03,120 --> 00:57:00,339

sweating it anyway we do have another

1273

00:57:05,519 --> 00:57:03,130

joint session tonight check social media

1274

00:57:08,160 --> 00:57:05,529

and the plus site for the link about an

1275

00:57:11,670 --> 00:57:08,170

hour beforehand and maybe I'll talk to

1276

00:57:13,589 --> 00:57:11,680

you tonight at 7 p.m. Pacific these

1277

00:57:15,870 --> 00:57:13,599

joint sessions are always free for

1278

00:57:18,150 --> 00:57:15,880

anyone to watch live or call in and

1279

00:57:20,370 --> 00:57:18,160

they're archived for those sweet sweet

1280

00:57:23,279 --> 00:57:20,380

Plus members that keep the fuel and the

1281

00:57:24,269 --> 00:57:23,289

THC tank consider signing up if you

1282

00:57:26,849 --> 00:57:24,279

haven't already

1283

00:57:29,910 --> 00:57:26,859

I definitely think getting the full show

1284

00:57:33,059 --> 00:57:29,920

with these episodes is worth it but I

1285

00:57:35,789 --> 00:57:33,069

might be biased in this one we added

1286

00:57:39,329 --> 00:57:35,799

several logs to the fire talking about

1287

00:57:41,969 --> 00:57:39,339

what the Podesta Clinton team was

1288

00:57:43,620 --> 00:57:41,979

looking to do with disclosure we're

1289

00:57:45,569 --> 00:57:43,630

getting the idea that maybe the Machine

1290

00:57:48,269 --> 00:57:45,579

Elves people see actually built this

1291

00:57:51,059 --> 00:57:48,279

planet we talk about Ryan's personal

1292

00:57:53,969 --> 00:57:51,069

paranormal experiences and his stories

1293

00:57:56,309 --> 00:57:53,979

from investigating the area and we get

1294

00:57:59,519 --> 00:57:56,319

into giants and whatever else is

1295

00:58:03,059 --> 00:57:59,529

underground in Utah Joe firmage in the

1296

00:58:06,059 --> 00:58:03,069

bouncing box that is super super

1297

00:58:07,349 --> 00:58:06,069

interesting you got a look that up on

1298

00:58:10,140 --> 00:58:07,359

YouTube or something because it's

1299

00:58:12,630 --> 00:58:10,150

impressive and we talked about Ryan's

1300

00:58:14,759 --> 00:58:12,640

thoughts on Steven paddock and that

1301
00:58:18,120 --> 00:58:14,769
whole harvest festival shooting and how

1302
00:58:20,900 --> 00:58:18,130
it did seem to connect to the space

1303
00:58:24,689 --> 00:58:20,910
industry in a few different ways and

1304
00:58:27,349 --> 00:58:24,699
maybe it's related and last but

1305
00:58:32,819 --> 00:58:27,359
certainly not least we talked about

1306
00:58:34,979 --> 00:58:32,829
plasma-based intelligences people so

1307
00:58:37,380 --> 00:58:34,989
help me help you and sign up for the

1308
00:58:39,479 --> 00:58:37,390
higher side shots plus already you got

1309
00:58:42,209 --> 00:58:39,489
one foot in I think it's time to commit

1310
00:58:44,309 --> 00:58:42,219
and with that I'm getting out of here

1311
00:58:46,170 --> 00:58:44,319
big thanks to Ryan for sharing his

1312
00:58:48,509 --> 00:58:46,180
insights with us I definitely liked his

1313
00:58:51,509 --> 00:58:48,519

books and I declare this meeting of the

1314

00:58:54,120 --> 00:58:51,519

midnight society officially closed

1315

00:58:55,799 --> 00:58:54,130

your move deserts talk and skinwalkers

1316

00:59:03,100 --> 00:58:55,809

corporate hot spot quarantine errs and

1317

00:59:09,140 --> 00:59:06,530

lucid dreams are so vivid cuz you go to

1318

00:59:12,650 --> 00:59:09,150

bed at 7:00 and your brain comes alive

1319

00:59:14,990 --> 00:59:12,660

cuz uhm nine to five you wake up with a

1320

00:59:17,480 --> 00:59:15,000

dread and make sure your cats are fed

1321

00:59:20,120 --> 00:59:17,490

did your brain talk to a ghost who moved

1322

00:59:24,290 --> 00:59:20,130

your coffee and toast as you listened to

1323

00:59:26,750 --> 00:59:24,300

the higher side chats you get to your

1324

00:59:29,630 --> 00:59:26,760

desk and your boss says it's a mess and

1325

00:59:31,850 --> 00:59:29,640

your soul slowly goes to a place where

1326

00:59:37,010 --> 00:59:31,860

nothing grows when you think he's not

1327

00:59:39,470 --> 00:59:37,020

around you insert a SETI sound the OM

1328

00:59:43,550 --> 00:59:39,480

says turn it down and you say it's just

1329

00:59:46,840 --> 00:59:43,560

the higher side chats oh do you think

1330

00:59:51,530 --> 00:59:46,850

you're being invited to Bohemian Grove

1331

00:59:55,850 --> 00:59:51,540

to a Bilderberg Club oh do you think

1332

01:00:00,740 --> 00:59:55,860

could be invited by Rasta to a party on

1333

01:00:05,840 --> 01:00:03,110

to the center of the

1334

01:00:08,000 --> 01:00:05,850

through the Marianas Trench your teeth

1335

01:00:13,360 --> 01:00:08,010

begin to clinch from the sulphureus

1336

01:00:16,250 --> 01:00:13,370

stench the mask you give in doesn't fit

1337

01:00:18,730 --> 01:00:16,260

because you're not one of

1338

01:00:21,680 --> 01:00:18,740

[Music]

1339

01:00:24,290 --> 01:00:21,690

starting today you'll make plans to get

1340

01:00:26,990 --> 01:00:24,300

away there's no one to hold you down and

1341

01:00:29,840 --> 01:00:27,000

the what if start to drown then you wake

1342

01:00:32,690 --> 01:00:29,850

to the glare of a co fluorescent stare

1343

01:00:35,060 --> 01:00:32,700

and the light winks at you cuz its life

1344

01:00:38,900 --> 01:00:35,070

is almost through but it's holding gone
