Carl Wood and we are definitely no

30

00:01:41,569 --> 00:01:38,659

strangers to the world's weirdness

31

00:01:43,429 --> 00:01:41,579

conspiracies cryptids crop circles spell

32

00:01:45,950 --> 00:01:43,439

spirits spaceships and the rest of it

33

00:01:48,230 --> 00:01:45,960

and anyone who digs beyond the surface

34

00:01:50,780 --> 00:01:48,240

level will find a Pandora's box of

35

00:01:53,420 --> 00:01:50,790

paranormal sagas and stories itching to

36

00:01:55,340 --> 00:01:53,430

be told but the strange tale that takes

37

00:01:57,530 --> 00:01:55,350

the cake as the granddaddy of them all

38

00:02:00,920 --> 00:01:57,540

has to be the infamous Roswell incident

39

00:02:03,530 --> 00:02:00,930

where 72 years ago in this very month of

40

00:02:05,179 --> 00:02:03,540

July the Roswell Army Airfield put out a

41

00:02:07,550 --> 00:02:05,189

press release that they had found a

42

00:02:10,130 --> 00:02:07,560

crashed flying saucer and the New Mexico

43

00:02:11,449 --> 00:02:10,140

desert only to reverse course with their

44

00:02:12,770 --> 00:02:11,459

weather balloon cover story the

45

00:02:14,750 --> 00:02:12,780

following day

46

00:02:17,600 --> 00:02:14,760

and dedicated researchers have been off

47

00:02:19,580 --> 00:02:17,610

to the races ever since well I figured

48

00:02:22,430 --> 00:02:19,590

with all the buzz permeating from this

49

00:02:24,620 --> 00:02:22,440

latest round of UFO enthusiasm it might

50

00:02:27,470 --> 00:02:24,630

be time to dust off this case and

51
00:02:30,080 --> 00:02:27,480
re-examine the famous Roswell saga again

52
00:02:31,699 --> 00:02:30,090
in detail with a Roswell research duo

53
00:02:34,400 --> 00:02:31,709
that have been plugging away at this

54
00:02:37,640 --> 00:02:34,410
story for a long time in fact they have

55
00:02:39,770 --> 00:02:37,650
a combined 57 years of study into just

56
00:02:42,590 --> 00:02:39,780
this case alone and I'm talking about

57
00:02:45,170 --> 00:02:42,600
Thomas J Kerry and Donald R Schmidt if

58
00:02:46,910 --> 00:02:45,180
you're unfamiliar Tom Kerry served in

59
00:02:49,009 --> 00:02:46,920
the Air Force in his younger days where

60
00:02:52,009 --> 00:02:49,019
he held a top-secret crypto clearance

61
00:02:54,080 --> 00:02:52,019
his longtime interest in UFOs led him to

62
00:02:56,270 --> 00:02:54,090
becoming the MUFON State section

63
00:02:59,990 --> 00:02:56,280

director for southeastern Pennsylvania

64

00:03:02,449 --> 00:03:00,000

in 1986 since 1991 he's been solely

65

00:03:05,000 --> 00:03:02,459

focused on the Roswell case and Tom also

66

00:03:07,280 --> 00:03:05,010

became a special investigator for the J

67

00:03:10,340 --> 00:03:07,290

Allen Hynek Center for UFO studies in

68

00:03:14,479 --> 00:03:10,350

1992 and served on its board of

69

00:03:16,729 --> 00:03:14,489

directors from 1997 through 2001 through

70

00:03:18,979 --> 00:03:16,739

that process he partnered up with Donald

71

00:03:20,900 --> 00:03:18,989

Schmidt who is the former co-director of

72

00:03:23,509 --> 00:03:20,910

the J Allen Hynek Center for UFO studies

73

00:03:26,720 --> 00:03:23,519

where he served as director of Special

74

00:03:28,340 --> 00:03:26,730

Investigations for ten years both of

75

00:03:30,710 --> 00:03:28,350

these fine gentlemen have written

76
00:03:32,539 --> 00:03:30,720
extensively about UFOs and the Roswell

77
00:03:34,520 --> 00:03:32,549
case including several books they've

78
00:03:36,590 --> 00:03:34,530
written together such as witness to

79
00:03:39,530 --> 00:03:36,600
Roswell unmasking the government's

80
00:03:41,030 --> 00:03:39,540
biggest cover-up inside the real area 51

81
00:03:44,090 --> 00:03:41,040
the secret history of wright-patterson

82
00:03:46,009 --> 00:03:44,100
the children of Roswell a seven decade

83
00:03:49,190 --> 00:03:46,019
legacy of fear intimidation and

84
00:03:52,280 --> 00:03:49,200
cover-ups and the recently released UFO

85
00:03:54,560 --> 00:03:52,290
secrets inside wright-patterson and with

86
00:03:56,690 --> 00:03:54,570
that let's get into it keeping the dream

87
00:03:59,090 --> 00:03:56,700
alive fresh off the plane from the

88
00:04:02,210 --> 00:03:59,100

annual UFO festival in Roswell New

89
00:04:04,819 --> 00:04:02,220
Mexico two dedicated Roswell researchers

90
00:04:07,370 --> 00:04:04,829
extraordinaire Tom and Don welcome to

91
00:04:08,780 --> 00:04:07,380
the higher side nice to be with you Greg

92
00:04:10,910 --> 00:04:08,790
yes absolutely

93
00:04:13,400 --> 00:04:10,920
same here thank you yeah thanks for

94
00:04:15,800 --> 00:04:13,410
being here guys this is gonna be a lot

95
00:04:17,960 --> 00:04:15,810
of fun I think this audience is pretty

96
00:04:20,810 --> 00:04:17,970
well educated on the Roswell incident

97
00:04:23,690 --> 00:04:20,820
it's obviously one of the foundational

98
00:04:26,450 --> 00:04:23,700
sagas for a show like this but it is

99
00:04:29,180 --> 00:04:26,460
July it's 72 years later the

100
00:04:31,400 --> 00:04:29,190
UFO festival was just this past weekend

101
00:04:33,529 --> 00:04:31,410
you guys have a new book out that new

102
00:04:35,960 --> 00:04:33,539
page was kind enough to send to me and

103
00:04:38,029 --> 00:04:35,970
we definitely have a spike in UFO

104
00:04:40,189 --> 00:04:38,039
coverage lately and who better to talk

105
00:04:42,320 --> 00:04:40,199
about it than the dynamic duo with over

106
00:04:45,439 --> 00:04:42,330
50 years of combined investigation into

107
00:04:47,510 --> 00:04:45,449
Roswell so here we are but I've wanted

108
00:04:49,999 --> 00:04:47,520
to take a second ask Tom about this

109
00:04:51,820 --> 00:04:50,009
top-secret crypto clearance I understand

110
00:04:54,110 --> 00:04:51,830
this is a clearance for cryptography

111
00:04:55,670 --> 00:04:54,120
Thea tell us anything more about that

112
00:04:58,219 --> 00:04:55,680
did your experiences in the Air Force

113
00:05:00,080 --> 00:04:58,229

ever relate to the UFO issue or did you

114

00:05:01,909 --> 00:05:00,090

at least get a context for how secrets

115

00:05:05,960 --> 00:05:01,919

are handled that became useful in the

116

00:05:09,110 --> 00:05:05,970

Roswell research well actually you know

117

00:05:12,589 --> 00:05:09,120

when you have the top-secret / whatever

118

00:05:15,200 --> 00:05:12,599

in my case it was crypto the encryption

119

00:05:18,950 --> 00:05:15,210

of messages and the decryption of

120

00:05:21,020 --> 00:05:18,960

messages that's all you were clear top

121

00:05:23,240 --> 00:05:21,030

secret versus I couldn't go into the

122

00:05:26,149 --> 00:05:23,250

Pentagon and say hey I have a top secret

123

00:05:29,510 --> 00:05:26,159

clearance crypto let me see this or that

124

00:05:31,249 --> 00:05:29,520

it it wouldn't get you very far so to

125

00:05:35,110 --> 00:05:31,259

answer your question I was in the Air

126

00:05:37,820 --> 00:05:35,120

Force before I ever heard of Roswell and

127

00:05:40,370 --> 00:05:37,830

while I did have a sighting on the base

128

00:05:44,570 --> 00:05:40,380

it had nothing to do with Roswell or

129

00:05:48,560 --> 00:05:44,580

other UFO incidents so I was pretty much

130

00:05:51,409 --> 00:05:48,570

busy trying to keep myself afloat in

131

00:05:55,120 --> 00:05:51,419

what I was doing that was trying to stay

132

00:05:58,040 --> 00:05:55,130

out of the stockade right yes yeah and

133

00:06:00,709 --> 00:05:58,050

Don you've written for decades about

134

00:06:02,570 --> 00:06:00,719

UFOs and Roswell including several books

135

00:06:07,159 --> 00:06:02,580

with Tom as I mentioned in the intro in

136

00:06:09,050 --> 00:06:07,169

fact in 2013 your book inside the real

137

00:06:11,029 --> 00:06:09,060

area51 the secret history of

138

00:06:13,249 --> 00:06:11,039

wright-patterson was released and now

139

00:06:15,860 --> 00:06:13,259

six years later you've released UFO

140

00:06:18,709 --> 00:06:15,870

secrets inside wright-patterson I think

141

00:06:20,930 --> 00:06:18,719

some listeners might wonder what else we

142

00:06:22,850 --> 00:06:20,940

need to know about the Roswell case let

143

00:06:24,709 --> 00:06:22,860

them know what pieces of the puzzle this

144

00:06:26,860 --> 00:06:24,719

latest book adds that we didn't have

145

00:06:29,839 --> 00:06:26,870

before how does this one move the needle

146

00:06:33,129 --> 00:06:29,849

well for having worked personally with

147

00:06:37,909 --> 00:06:33,139

dr. jail in the inec for those years

148

00:06:40,280 --> 00:06:37,919

that many felt that he had discounted

149

00:06:42,080 --> 00:06:40,290

the very notion of crashed saucers

150

00:06:44,470 --> 00:06:42,090

and really displayed no interest at all

151

00:06:48,620 --> 00:06:44,480

we have a whole new chapter

152

00:06:51,560 --> 00:06:48,630

demonstrating that or actually even the

153

00:06:53,750 --> 00:06:51,570

time he was at Project Blue Book he was

154

00:06:57,200 --> 00:06:53,760

becoming more and more fascinated with

155

00:06:59,150 --> 00:06:57,210

the possibility and then as he saw it he

156

00:07:01,190 --> 00:06:59,160

would often comment I'm an old man in a

157

00:07:05,480 --> 00:07:01,200

hurry would be working together in the

158

00:07:08,600 --> 00:07:05,490

field he realized that it was his one

159

00:07:11,840 --> 00:07:08,610

ace up his sleeve so to speak that he

160

00:07:14,240 --> 00:07:11,850

could finally trump the air force and

161

00:07:16,940 --> 00:07:14,250

coming up with physical evidence for the

162

00:07:19,700 --> 00:07:16,950

reality of the phenomenon so we have a

163

00:07:22,280 --> 00:07:19,710

lot of new information regarding affine

164

00:07:25,160 --> 00:07:22,290

ik and even regarding Roswell as he

165

00:07:27,680 --> 00:07:25,170

himself was evolving into it we have a

166

00:07:31,720 --> 00:07:27,690

whole new chapter on a lot of lens

167

00:07:34,130 --> 00:07:31,730

Springfield's personal foul cases that

168

00:07:37,190 --> 00:07:34,140

specifically focused on wright-patterson

169

00:07:39,950 --> 00:07:37,200

and some may have been related to

170

00:07:42,980 --> 00:07:39,960

Roswell and other cases may have

171

00:07:46,340 --> 00:07:42,990

pertained to other a possible crash

172

00:07:48,080 --> 00:07:46,350

retrieval cases but Roswell and as you

173

00:07:51,320 --> 00:07:48,090

call it great gets the granddaddy and

174

00:07:53,660 --> 00:07:51,330

just to quickly correct you with the Air

175

00:07:55,610 --> 00:07:53,670

Force specifically I should say the

176
00:07:58,550 --> 00:07:55,620
Roswell Army Air Corps putting off that

177
00:08:01,280 --> 00:07:58,560
famous press release on Tuesday July 8th

178
00:08:03,800 --> 00:08:01,290
but they had actually captured which is

179
00:08:06,170 --> 00:08:03,810
a bit of a misnomer in itself capturing

180
00:08:08,960 --> 00:08:06,180
the flying discs the flying saucer but

181
00:08:12,020 --> 00:08:08,970
it was a mere five hours later that same

182
00:08:14,600 --> 00:08:12,030
day that going up a chain of command and

183
00:08:17,810 --> 00:08:14,610
this is where we become infamous the

184
00:08:20,540 --> 00:08:17,820
balloon press conference in Jungle Roger

185
00:08:22,820 --> 00:08:20,550
Ramey's office in Fort Worth Texas at

186
00:08:25,520 --> 00:08:22,830
Carswell Army Airfield where they played

187
00:08:28,130 --> 00:08:25,530
the old switcheroo and they came out

188
00:08:29,870 --> 00:08:28,140

with the alternative explanation and

189

00:08:32,510 --> 00:08:29,880

that's the one that's stuck that's the

190

00:08:34,670 --> 00:08:32,520

one that for the next 30 years the

191

00:08:37,310 --> 00:08:34,680

airport's got away with their

192

00:08:40,220 --> 00:08:37,320

alternative solution the one actually

193

00:08:44,450 --> 00:08:40,230

crashed back in Roswell in 47

194

00:08:46,370 --> 00:08:44,460

mmm well that is a great setup and 72

195

00:08:49,640 --> 00:08:46,380

years I mean a lot has happened since

196

00:08:52,490 --> 00:08:49,650

then let me ask you about all the UFO

197

00:08:55,550 --> 00:08:52,500

news lately I find it to be concerning

198

00:08:57,950 --> 00:08:55,560

and exciting but it's definitely very

199

00:09:00,080 --> 00:08:57,960

controlled and methodical you write in

200

00:09:03,050 --> 00:09:00,090

the book about the CIA's infiltration of

201
00:09:05,150 --> 00:09:03,060
media outlets so when CNN the New York

202
00:09:07,670 --> 00:09:05,160
Times The Washington Post all start

203
00:09:09,680 --> 00:09:07,680
talking about these things it's most

204
00:09:10,370 --> 00:09:09,690
likely because the media handlers want

205
00:09:13,550 --> 00:09:10,380
them to

206
00:09:16,319 --> 00:09:13,560
what do you Roswell veterans think about

207
00:09:19,990 --> 00:09:16,329
what's happening here today

208
00:09:21,870 --> 00:09:20,000
book break we've had so many of these

209
00:09:26,400 --> 00:09:21,880
old boy that wouldn't release it now

210
00:09:29,019 --> 00:09:26,410
episodes I quite frankly am puzzled

211
00:09:31,780 --> 00:09:29,029
granted they've released this video of

212
00:09:35,199 --> 00:09:31,790
this and I think it's that video from

213
00:09:37,509 --> 00:09:35,209

that Navy that really has kept this

214

00:09:41,980 --> 00:09:37,519

thing going where before it would be one

215

00:09:44,980 --> 00:09:41,990

person like in 1974 professor Robert

216

00:09:47,139 --> 00:09:44,990

Spencer car came out down there in

217

00:09:49,630 --> 00:09:47,149

Florida and started talking about hangar

218

00:09:52,030 --> 00:09:49,640

18 at wright-patterson of course the big

219

00:09:55,180 --> 00:09:52,040

stir for a couple day but that was it

220

00:09:58,960 --> 00:09:55,190

but this one we've had several people of

221

00:10:03,150 --> 00:09:58,970

you know some standing express interest

222

00:10:06,130 --> 00:10:03,160

in bringing in the UFO information out

223

00:10:08,800 --> 00:10:06,140

former Senator Harry Reid from Nevada

224

00:10:10,750 --> 00:10:08,810

a couple of people that from the Defense

225

00:10:14,620 --> 00:10:10,760

Department and you have this Lewis

226

00:10:17,319 --> 00:10:14,630

Elizondo going around he headed up a

227

00:10:20,650 --> 00:10:17,329

project for five years at the best

228

00:10:23,560 --> 00:10:20,660

Department trying to determine trends

229

00:10:26,290 --> 00:10:23,570

and things like that which reminded me a

230

00:10:29,500 --> 00:10:26,300

project store that they did back in the

231

00:10:31,269 --> 00:10:29,510

1950s but to answer your question

232

00:10:33,189 --> 00:10:31,279

whether this is going to lead to

233

00:10:40,000 --> 00:10:33,199

disclosure which is what I think you're

234

00:10:41,889 --> 00:10:40,010

hinting out I am more there's a more

235

00:10:45,100 --> 00:10:41,899

encouraged but I still don't think that

236

00:10:47,740 --> 00:10:45,110

the Air Force especially is ever going

237

00:10:49,689 --> 00:10:47,750

to admit this because they have too many

238

00:10:52,120 --> 00:10:49,699

skeletons in the closet you have to

239

00:10:55,810 --> 00:10:52,130

admit hey folks we've been lying to you

240

00:10:58,590 --> 00:10:55,820

for 72 years how about that let's move

241

00:11:01,240 --> 00:10:58,600

on plus they have so many skeletons

242

00:11:04,210 --> 00:11:01,250

relating to the highly suppressed the

243

00:11:06,310 --> 00:11:04,220

Roswell case that I don't see the

244

00:11:09,009 --> 00:11:06,320

airport's ever changing their position

245

00:11:11,470 --> 00:11:09,019

or commenting on especially Roswell

246

00:11:12,130 --> 00:11:11,480

again but the Navy it might be something

247

00:11:16,180 --> 00:11:12,140

different

248

00:11:18,790 --> 00:11:16,190

I hold my final thoughts in abeyance I

249

00:11:21,550 --> 00:11:18,800

can be persuaded either way but I'm sort

250

00:11:24,639 --> 00:11:21,560

of skeptical well I'm certainly

251
00:11:26,889 --> 00:11:24,649
skeptical I mean Harry Reid as far as I

252
00:11:29,350 --> 00:11:26,899
understand I mean he has been one of the

253
00:11:29,830 --> 00:11:29,360
premier people to block things like

254
00:11:32,140 --> 00:11:29,840
audit

255
00:11:33,480 --> 00:11:32,150
of the Federal Reserve and it's like is

256
00:11:36,850 --> 00:11:33,490
this someone who really likes

257
00:11:39,790 --> 00:11:36,860
transparency and secrecy a Lozano he has

258
00:11:41,260 --> 00:11:39,800
strange connections to the CIA and

259
00:11:43,390 --> 00:11:41,270
counterintelligence from what I

260
00:11:45,190 --> 00:11:43,400
understand I don't know if these are the

261
00:11:46,840 --> 00:11:45,200
people that I want in charge a

262
00:11:50,230 --> 00:11:46,850
disclosure this almost seems like a

263
00:11:52,270 --> 00:11:50,240

weaponized disclosure well then why

264

00:11:55,750 --> 00:11:52,280

don't we throw Tom DeLonge into the mix

265

00:11:59,430 --> 00:11:55,760

as well they're all in I mean my god

266

00:12:04,240 --> 00:11:59,440

probably got a rock star that I mean who

267

00:12:07,690 --> 00:12:04,250

holy disavows Roswell he he believes it

268

00:12:09,670 --> 00:12:07,700

was nothing more than a Nazi bell here's

269

00:12:12,220 --> 00:12:09,680

a guy who's never been to Roswell has

270

00:12:14,740 --> 00:12:12,230

never been through Mexico he never spoke

271

00:12:17,050 --> 00:12:14,750

to a single witness never talked to

272

00:12:18,490 --> 00:12:17,060

either one of us but now he's the new

273

00:12:20,980 --> 00:12:18,500

authority on Roswell

274

00:12:24,790 --> 00:12:20,990

well so it kind of speaks of the whole

275

00:12:28,240 --> 00:12:24,800

you know situation and that's why we've

276

00:12:30,610 --> 00:12:28,250

been here before and we can throw mj-12

277

00:12:33,580 --> 00:12:30,620

in the picture and before that with

278

00:12:35,800 --> 00:12:33,590

Hynek with Gerald Ford after that Jimmy

279

00:12:38,200 --> 00:12:35,810

Carter that these carrots have been

280

00:12:41,500 --> 00:12:38,210

dangled for years and then they always

281

00:12:44,680 --> 00:12:41,510

you know come up with some alternative

282

00:12:46,450 --> 00:12:44,690

solution or situation and you biology

283

00:12:49,900 --> 00:12:46,460

are the ones that sit there with the egg

284

00:12:53,230 --> 00:12:49,910

on the face so it's like is it

285

00:12:55,300 --> 00:12:53,240

intentional to discredit us or you'll

286

00:12:57,040 --> 00:12:55,310

continue their spirit endures is to

287

00:12:58,360 --> 00:12:57,050

cover up the fact that they are

288

00:13:00,940 --> 00:12:58,370

experimenting with some new

289

00:13:02,470 --> 00:13:00,950

state-of-the-art technology or are we

290

00:13:05,050 --> 00:13:02,480

dealing with something from the Soviet

291

00:13:06,820 --> 00:13:05,060

Union or China that it's a case of nolle

292

00:13:09,450 --> 00:13:06,830

gotta play catch-up and they're trying

293

00:13:11,710 --> 00:13:09,460

to coax Congress in providing new

294

00:13:18,400 --> 00:13:11,720

additional funding for the defense

295

00:13:20,380 --> 00:13:18,410

budget so again buyer beware indeed and

296

00:13:23,950 --> 00:13:20,390

as you point out repeatedly in the book

297

00:13:26,500 --> 00:13:23,960

it's the Air Force that's really kind of

298

00:13:28,630 --> 00:13:26,510

at the head of the documents that are

299

00:13:31,800 --> 00:13:28,640

involving Roswell and in this latest

300

00:13:34,210 --> 00:13:31,810

push it does seem to be a lot of Navy

301
00:13:36,730 --> 00:13:34,220
reports and it seems like maybe we have

302
00:13:40,810 --> 00:13:36,740
some infighting between military

303
00:13:43,010 --> 00:13:40,820
branches and that is true Craig I want

304
00:13:45,830 --> 00:13:43,020
to hear a pump but

305
00:13:50,240 --> 00:13:45,840
when Project Blue Book was Declassified

306
00:13:52,580 --> 00:13:50,250
in 1977 and much of it wasn't

307
00:13:55,760 --> 00:13:52,590
Declassified for example it mentioned

308
00:13:58,760 --> 00:13:55,770
specifically over 20 gun camera cases

309
00:14:01,310 --> 00:13:58,770
well where are these films where are

310
00:14:03,650 --> 00:14:01,320
these gun camera footage that could

311
00:14:06,680 --> 00:14:03,660
truly serve as physical evidence dealing

312
00:14:09,770 --> 00:14:06,690
with the phenomena and there are just a

313
00:14:12,860 --> 00:14:09,780

smattering just a handful of maybe and

314

00:14:14,660 --> 00:14:12,870

army cases in the blue book piles so if

315

00:14:16,880 --> 00:14:14,670

anybody believes that they weren't

316

00:14:20,450 --> 00:14:16,890

conducting their own investigations

317

00:14:23,570 --> 00:14:20,460

unless we forget Roswell was an army

318

00:14:26,090 --> 00:14:23,580

incident mm-hmm was not Air Force there

319

00:14:28,670 --> 00:14:26,100

was no Air Force back in July of 1947

320

00:14:31,580 --> 00:14:28,680

yes and that becomes kind of the issues

321

00:14:33,560 --> 00:14:31,590

you got to recontextualize exactly when

322

00:14:36,050 --> 00:14:33,570

certain branches were formed and

323

00:14:38,690 --> 00:14:36,060

everything but it is a tangled mess and

324

00:14:41,180 --> 00:14:38,700

a lot of these military branches are in

325

00:14:44,390 --> 00:14:41,190

competition they don't necessarily work

326

00:14:47,420 --> 00:14:44,400

together on a lot of things and a

327

00:14:49,460 --> 00:14:47,430

wonderful recent example of this would

328

00:14:50,210 --> 00:14:49,470

be with Desert Storm and I will never

329

00:14:52,880 --> 00:14:50,220

forget

330

00:14:56,060 --> 00:14:52,890

with Stormin Norman general Norman

331

00:15:00,770 --> 00:14:56,070

Schwarzkopf having his press conference

332

00:15:03,680 --> 00:15:00,780

and he was complaining that he didn't

333

00:15:06,620 --> 00:15:03,690

have open communication with the Navy or

334

00:15:08,810 --> 00:15:06,630

the Air Force that very first raid that

335

00:15:12,020 --> 00:15:08,820

very first night over Baghdad and the

336

00:15:15,320 --> 00:15:12,030

Air Force declared air supremacy over

337

00:15:18,530 --> 00:15:15,330

Iraq well the army didn't know if they

338

00:15:21,140 --> 00:15:18,540

were marched downtown Baghdad or not and

339

00:15:24,020 --> 00:15:21,150

then they weren't hearing from the Navy

340

00:15:27,200 --> 00:15:24,030

who were still lobbying your Tomahawk

341

00:15:29,900 --> 00:15:27,210

missiles into the city so here was a

342

00:15:32,810 --> 00:15:29,910

recent example of where they're not on

343

00:15:34,880 --> 00:15:32,820

the same page mm-hmm and I find you know

344

00:15:36,920 --> 00:15:34,890

that's amazing that after all these

345

00:15:39,620 --> 00:15:36,930

years you're actually correct Craig they

346

00:15:41,570 --> 00:15:39,630

are in competition to one another unless

347

00:15:44,180 --> 00:15:41,580

we forget as far as even at the end of

348

00:15:47,390 --> 00:15:44,190

World War two Curtis LeMay wanted to

349

00:15:50,600 --> 00:15:47,400

continue bombing Germany into submission

350

00:15:52,990 --> 00:15:50,610

and surrender and Eisenhower felt it was

351

00:15:56,840 --> 00:15:53,000

only right that the army would march

352

00:15:59,059 --> 00:15:56,850

downtown Berlin and declare victory

353

00:16:00,949 --> 00:15:59,069

so there's nothing new about this and it

354

00:16:03,529 --> 00:16:00,959

certainly is there's not like nothing

355

00:16:06,529 --> 00:16:03,539

new about their UFO competition either

356

00:16:08,779 --> 00:16:06,539

right exactly that compartmentalization

357

00:16:11,539 --> 00:16:08,789

and competition definitely spills over

358

00:16:12,919 --> 00:16:11,549

into the UFO field and I wanted to quote

359

00:16:15,169 --> 00:16:12,929

the book here because I think you hit on

360

00:16:17,449 --> 00:16:15,179

something super relevant when you say

361

00:16:19,519 --> 00:16:17,459

just a couple of weeks after the weather

362

00:16:22,189 --> 00:16:19,529

balloon explanation was accepted by the

363

00:16:24,439 --> 00:16:22,199

national media the National Security Act

364

00:16:26,539 --> 00:16:24,449

was passed and the CIA the National

365

00:16:28,879 --> 00:16:26,549

Security Council and the Department of

366

00:16:31,129 --> 00:16:28,889

Defense were officially established well

367

00:16:33,469 --> 00:16:31,139

people talk about a private cabal that

368

00:16:35,749 --> 00:16:33,479

acts autonomously within the government

369

00:16:37,819 --> 00:16:35,759

and this seems like the formation of it

370

00:16:40,400 --> 00:16:37,829

right here I guess I would ask how you

371

00:16:42,650 --> 00:16:40,410

guys see that information being relevant

372

00:16:46,219 --> 00:16:42,660

to not only the Roswell situation but

373

00:16:49,779 --> 00:16:46,229

also analyzing disclosure in general and

374

00:16:54,079 --> 00:16:49,789

the mainstream media's role in it well

375

00:16:58,579 --> 00:16:54,089

yes dawn said the event occurred in July

376

00:17:00,469 --> 00:16:58,589

of 1947 and there was no Air Force at

377

00:17:04,809 --> 00:17:00,479

that point it was the Army Air Corps

378

00:17:08,840 --> 00:17:04,819

which was part of the Army Air Forces

379

00:17:11,210 --> 00:17:08,850

which was part of the army so you have

380

00:17:14,299 --> 00:17:11,220

the National Security Act that they

381

00:17:17,629 --> 00:17:14,309

could September something-or-other 1947

382

00:17:22,059 --> 00:17:17,639

you have the new Air Force and the CIA

383

00:17:25,850 --> 00:17:22,069

which was formed out of the OSS and the

384

00:17:28,519 --> 00:17:25,860

Central Intelligence Group C IG as it

385

00:17:32,149 --> 00:17:28,529

was pulled back then so you have all

386

00:17:35,749 --> 00:17:32,159

these new entities formed you know back

387

00:17:38,210 --> 00:17:35,759

then world war two is just over and the

388

00:17:41,499 --> 00:17:38,220

military was held in very high esteem by

389

00:17:43,850 --> 00:17:41,509

all the citizens of the United States

390

00:17:48,129 --> 00:17:43,860

they said it was a weather balloon it

391

00:17:55,580 --> 00:17:53,389

so the media have never I'm talking

392

00:17:56,840 --> 00:17:55,590

about the mainstream media not cable TV

393

00:17:59,740 --> 00:17:56,850

you know where you have shows about

394

00:18:02,810 --> 00:17:59,750

everything but the mainstream media

395

00:18:05,269 --> 00:18:02,820

depends upon their circulation

396

00:18:09,019 --> 00:18:05,279

I believe upon their credibility for

397

00:18:10,790 --> 00:18:09,029

reporting UFOs especially since the

398

00:18:14,810 --> 00:18:10,800

1950s with the contact

399

00:18:17,900 --> 00:18:14,820

the situation UFOs are a taboo subject

400

00:18:23,360 --> 00:18:17,910

and Roswell falls right into that

401
00:18:28,030 --> 00:18:23,370
because in 1993-94 when congressman

402
00:18:32,450 --> 00:18:28,040
Stevens shift instituted a investigation

403
00:18:34,160 --> 00:18:32,460
into the handling of documents relating

404
00:18:35,990 --> 00:18:34,170
to the Roswell incident he was not

405
00:18:38,090 --> 00:18:36,000
trying to solve the Roswell incident

406
00:18:40,730 --> 00:18:38,100
prove it one way or the other he was

407
00:18:42,830 --> 00:18:40,740
trying to see whether the documents had

408
00:18:46,070 --> 00:18:42,840
been handled and classified correctly

409
00:18:48,980 --> 00:18:46,080
well lo and behold the documents had

410
00:18:51,710 --> 00:18:48,990
been destroyed by an unknown authority

411
00:18:54,620 --> 00:18:51,720
having been in the Air Force I know in

412
00:18:58,070 --> 00:18:54,630
the military you need authority to go to

413
00:19:00,230 --> 00:18:58,080

the bathroom and the fact that something

414

00:19:04,340 --> 00:19:00,240

was like this was done under unknown

415

00:19:07,460 --> 00:19:04,350

Authority leads to a speculation like on

416

00:19:12,160 --> 00:19:07,470

something really various is going on

417

00:19:15,080 --> 00:19:12,170

here so the media the general media

418

00:19:19,430 --> 00:19:15,090

because you know in like cable TV it's

419

00:19:22,010 --> 00:19:19,440

you know sharks and UFOs and ghosts are

420

00:19:24,860 --> 00:19:22,020

covered you know they have shows on

421

00:19:29,200 --> 00:19:24,870

those but the mainstream media does not

422

00:19:32,810 --> 00:19:29,210

want to cover UFOs it's a taboo subject

423

00:19:35,810 --> 00:19:32,820

you start covering UFOs if you know if

424

00:19:39,680 --> 00:19:35,820

your congressman or senator oh there

425

00:19:42,370 --> 00:19:39,690

goes senator UFOs you know they're the

426

00:19:44,900 --> 00:19:42,380

old theme song from outer limits and

427

00:19:48,200 --> 00:19:44,910

it's something they don't want to deal

428

00:19:51,130 --> 00:19:48,210

with at all unless it's like the New

429

00:19:54,500 --> 00:19:51,140

York Times they bought the project mogul

430

00:19:56,900 --> 00:19:54,510

hook line and sinker end of story

431

00:19:59,180 --> 00:19:56,910

so I don't know if that answers your

432

00:20:02,930 --> 00:19:59,190

question but by telephone interrupted

433

00:20:03,950 --> 00:20:02,940

like it's no worries no worries I mean

434

00:20:06,650 --> 00:20:03,960

I'm just thinking you know I don't have

435

00:20:08,720 --> 00:20:06,660

the TV network family tree in front of

436

00:20:10,940 --> 00:20:08,730

me but a lot of these even cable

437

00:20:13,300 --> 00:20:10,950

networks and mainstream news

438

00:20:15,800 --> 00:20:13,310

organizations are owned by the same

439

00:20:19,580 --> 00:20:15,810

conglomerate companies up at the top and

440

00:20:23,060 --> 00:20:19,590

it seems like yes taboo and ridicule are

441

00:20:24,409 --> 00:20:23,070

a factor but the biggest factor seems to

442

00:20:27,019 --> 00:20:24,419

be the CIA's info

443

00:20:28,759 --> 00:20:27,029

tration of the media establishment and

444

00:20:30,619 --> 00:20:28,769

them just completely being the

445

00:20:32,090 --> 00:20:30,629

gatekeepers as to what's covered and

446

00:20:34,460 --> 00:20:32,100

when it's covered and how it's covered

447

00:20:37,539 --> 00:20:34,470

wouldn't you say well great you

448

00:20:40,940 --> 00:20:37,549

certainly remember that very famous

449

00:20:45,349 --> 00:20:40,950

expose that Carl Bernstein wrote for

450

00:20:47,330 --> 00:20:45,359

Rolling Stone and he named names and he

451
00:20:50,479 --> 00:20:47,340
went right down the list from the New

452
00:20:53,330 --> 00:20:50,489
York Times to Time magazine Newsweek all

453
00:20:57,259 --> 00:20:53,340
the major newspapers and identified all

454
00:21:00,229 --> 00:20:57,269
the CIA infiltrators and then to learn

455
00:21:03,680 --> 00:21:00,239
afterwards that there are buildings with

456
00:21:06,349 --> 00:21:03,690
thousands of CIA employees that every

457
00:21:09,649 --> 00:21:06,359
day they essentially write and rewrite

458
00:21:11,989 --> 00:21:09,659
the news right and that should be

459
00:21:15,019 --> 00:21:11,999
disconcerting to all of us as Americans

460
00:21:16,820 --> 00:21:15,029
the idea and we often make the comment

461
00:21:21,229 --> 00:21:16,830
you truly want to hear what's going on

462
00:21:23,389 --> 00:21:21,239
in America read the Foreign Press yeah

463
00:21:27,139 --> 00:21:23,399

and as you were talking about the five

464

00:21:30,889 --> 00:21:27,149

major order is now of all the American

465

00:21:35,029 --> 00:21:30,899

media and they're pretty much all on the

466

00:21:37,570 --> 00:21:35,039

same page exactly and that the fact that

467

00:21:40,099 --> 00:21:37,580

we're not getting objective journalism

468

00:21:43,700 --> 00:21:40,109

investigative journalism is a lost art

469

00:21:46,549 --> 00:21:43,710

and the very thought that even reality

470

00:21:48,200 --> 00:21:46,559

shows aren't reality shows I'm sorry

471

00:21:49,999 --> 00:21:48,210

ladies and gentlemen it's all

472

00:21:52,099 --> 00:21:50,009

professional wrestling they are all

473

00:21:54,139 --> 00:21:52,109

scripted cheers to that

474

00:21:56,869 --> 00:21:54,149

they don't like history you know

475

00:22:00,320 --> 00:21:56,879

American history is not taught or not

476
00:22:02,960 --> 00:22:00,330
shown on mainstream media do get some

477
00:22:05,629 --> 00:22:02,970
American history type shows on cable but

478
00:22:08,629 --> 00:22:05,639
the mainstream media like Don says

479
00:22:11,149 --> 00:22:08,639
they're interested in ratings and that's

480
00:22:13,249 --> 00:22:11,159
basically it and certain things are not

481
00:22:16,159 --> 00:22:13,259
covered because they want to keep up

482
00:22:18,919 --> 00:22:16,169
their credibility still I believe major

483
00:22:22,310 --> 00:22:18,929
media is dying I certainly believe that

484
00:22:23,989 --> 00:22:22,320
let's hope absolutely it's almost

485
00:22:25,279 --> 00:22:23,999
counterintuitive that they want their

486
00:22:27,019 --> 00:22:25,289
ratings but then they don't want to

487
00:22:29,930 --> 00:22:27,029
cover the truth and thus they lose their

488
00:22:31,879 --> 00:22:29,940

credibility well what is the truth you

489

00:22:34,549 --> 00:22:31,889

know there are certain subjects though

490

00:22:38,360 --> 00:22:34,559

Greg that just the name of them is

491

00:22:43,010 --> 00:22:38,370

enough to cast aspersions on someone Ted

492

00:22:47,120 --> 00:22:43,020

Abu is is one of those I'm sorry I'm

493

00:22:48,530 --> 00:22:47,130

still recovering well like - I like the

494

00:22:51,950 --> 00:22:48,540

site you may have heard of this great

495

00:22:56,480 --> 00:22:51,960

guy who's good old Japanese murder trial

496

00:23:01,040 --> 00:22:56,490

filmed in 1950 and it was called the

497

00:23:05,260 --> 00:23:01,050

Rashomon effect and it essentially is a

498

00:23:09,130 --> 00:23:05,270

study not only in

499

00:23:12,460 --> 00:23:09,140

Ollis as an IQ test is not really a test

500

00:23:16,270 --> 00:23:12,470

for one's intelligence but rather their

501
00:23:18,670 --> 00:23:16,280
environment mmm the scope of how they

502
00:23:21,310 --> 00:23:18,680
were raised and who were their

503
00:23:25,090 --> 00:23:21,320
influences and their sources for their

504
00:23:29,050 --> 00:23:25,100
information and as the defense presented

505
00:23:31,240 --> 00:23:29,060
one side the prosecution presented

506
00:23:33,460 --> 00:23:31,250
another side and the Rashomon effect is

507
00:23:35,800 --> 00:23:33,470
basically there's your opinion and

508
00:23:38,440 --> 00:23:35,810
there's my opinion and then there's what

509
00:23:41,830 --> 00:23:38,450
really happened and I guess it comes

510
00:23:44,950 --> 00:23:41,840
down to who is really proactively trying

511
00:23:47,770 --> 00:23:44,960
to determine what happened there Tom and

512
00:23:50,080 --> 00:23:47,780
I would certainly challenge any one of

513
00:23:52,750 --> 00:23:50,090

the scoffers any one of the skeptics to

514

00:23:56,159 --> 00:23:52,760

ever demonstrate how they have made any

515

00:23:59,500 --> 00:23:56,169

effort to determine what has happened

516

00:24:02,470 --> 00:23:59,510

specifically regarding Roswell all for

517

00:24:05,409 --> 00:24:02,480

sure it is a tangled web of Thun brings

518

00:24:08,680 --> 00:24:05,419

up a good point there the late Peter

519

00:24:14,039 --> 00:24:08,690

Jennings who had some credibility was

520

00:24:16,870 --> 00:24:14,049

Canadian ABC I think he was on ABC s ABC

521

00:24:18,640 --> 00:24:16,880

he was putting together a show when you

522

00:24:24,430 --> 00:24:18,650

have photos this is just before he died

523

00:24:25,870 --> 00:24:24,440

and he was going to cover Roswell well

524

00:24:27,399 --> 00:24:25,880

you have to cover Roswell if you're

525

00:24:32,320 --> 00:24:27,409

going to put together you know your

526

00:24:35,889 --> 00:24:32,330

boffo TV show and he sent a crew down to

527

00:24:38,710 --> 00:24:35,899

Roswell we went down there to guide the

528

00:24:40,990 --> 00:24:38,720

crew through the production of the

529

00:24:43,630 --> 00:24:41,000

Roswell segment took them out that the

530

00:24:45,909 --> 00:24:43,640

crash site gave them a briefing on what

531

00:24:49,269 --> 00:24:45,919

had happened and Don knows this that

532

00:24:52,450 --> 00:24:49,279

just the look on the crews faces and the

533

00:24:54,610 --> 00:24:52,460

producers faces I'm thinking this guy

534

00:24:56,620 --> 00:24:54,620

that what we're saying is going in one

535

00:24:59,950 --> 00:24:56,630

ear and out the other he's already made

536

00:25:01,240 --> 00:24:59,960

up his mind where the show has and the

537

00:25:03,430 --> 00:25:01,250

proof was in the pudding

538

00:25:06,549 --> 00:25:03,440

Peter Jennings said okay regarding

539

00:25:09,120 --> 00:25:06,559

Roswell it's a myth next subject

540

00:25:12,100 --> 00:25:09,130

and empathy he didn't bring forth any

541

00:25:15,909 --> 00:25:12,110

supporting evidence why he concluded

542

00:25:18,370 --> 00:25:15,919

that Roswell was a myth and he spent

543

00:25:22,180 --> 00:25:18,380

four days in the field working with us

544

00:25:26,200 --> 00:25:22,190

they refused to talk to a single witness

545

00:25:29,289 --> 00:25:26,210

that we offered to provide including dr.

546

00:25:31,180 --> 00:25:29,299

Edgar Mitchell who was there with us and

547

00:25:34,149 --> 00:25:31,190

they wouldn't even talk to him

548

00:25:37,210 --> 00:25:34,159

we had to insist as Tom mention of them

549

00:25:39,279 --> 00:25:37,220

going out the crash site and then they

550

00:25:43,860 --> 00:25:39,289

didn't use a single minute of the

551
00:25:47,409 --> 00:25:43,870
footage the b-roll that we provided they

552
00:25:49,870 --> 00:25:47,419
concocted other networks that they asked

553
00:25:52,299 --> 00:25:49,880
us to provide for the actual premiere

554
00:25:54,789 --> 00:25:52,309
the shortest time said the fact that was

555
00:25:58,230 --> 00:25:54,799
in the opening minute he used the word

556
00:26:01,060 --> 00:25:58,240
myth five times that was their agenda

557
00:26:02,860 --> 00:26:01,070
yes I know that has definitely been

558
00:26:04,990 --> 00:26:02,870
something that has riddled the ufology

559
00:26:07,770 --> 00:26:05,000
community for decades but I'd say this

560
00:26:08,920 --> 00:26:07,780
audience is well past the denial

561
00:26:12,250 --> 00:26:08,930
position

562
00:26:14,080 --> 00:26:12,260
and to jump into the book you know one

563
00:26:16,450 --> 00:26:14,090

of the biggest criticisms of a

564

00:26:18,400 --> 00:26:16,460

conspiratorial story like Roswell as

565

00:26:20,770 --> 00:26:18,410

always well you couldn't keep a secret

566

00:26:23,140 --> 00:26:20,780

this big someone would talk and if you

567

00:26:25,630 --> 00:26:23,150

actually dig into it you find people do

568

00:26:27,820 --> 00:26:25,640

talk maybe not carelessly in a public

569

00:26:30,640 --> 00:26:27,830

forum but you have many many anecdotes

570

00:26:32,320 --> 00:26:30,650

along the lines of oh well my dad told

571

00:26:33,910 --> 00:26:32,330

me about this before he died or he

572

00:26:36,400 --> 00:26:33,920

showed me a picture and said never to

573

00:26:37,450 --> 00:26:36,410

talk about it even Jesse Marcel jr.

574

00:26:39,400 --> 00:26:37,460

whose dad was in the Air Force

575

00:26:41,680 --> 00:26:39,410

intelligence officer in charge of moving

576

00:26:44,080 --> 00:26:41,690

some of the material he even stopped by

577

00:26:47,110 --> 00:26:44,090

his house to show his son apparently and

578

00:26:49,660 --> 00:26:47,120

it's just these kind of stories are all

579

00:26:51,700 --> 00:26:49,670

over the place so people do talk exactly

580

00:26:54,700 --> 00:26:51,710

Greg let me just quickly jump in here

581

00:26:57,640 --> 00:26:54,710

because you make the point that we here

582

00:27:00,070 --> 00:26:57,650

to this day that they couldn't keep this

583

00:27:02,740 --> 00:27:00,080

a secret that it would have leaked out

584

00:27:06,370 --> 00:27:02,750

many years ago well it has been leaking

585

00:27:08,590 --> 00:27:06,380

out for the past 40 years and I'm sorry

586

00:27:10,870 --> 00:27:08,600

people have not been listening people

587

00:27:12,040 --> 00:27:10,880

and again the press have been turning a

588

00:27:14,410 --> 00:27:12,050

deaf ear

589

00:27:17,080 --> 00:27:14,420

now you mentioned just my cell and how

590

00:27:20,110 --> 00:27:17,090

about his dad just Marcel senior when he

591

00:27:22,570 --> 00:27:20,120

went public in 1978 he was dying of

592

00:27:24,310 --> 00:27:22,580

emphysema you didn't read about this in

593

00:27:26,890 --> 00:27:24,320

The Times you can read about this

594

00:27:29,350 --> 00:27:26,900

anywhere because the only publication

595

00:27:32,140 --> 00:27:29,360

that even touched it was the National

596

00:27:35,470 --> 00:27:32,150

Enquirer so what does that say about as

597

00:27:38,230 --> 00:27:35,480

far as our media even back then you had

598

00:27:40,840 --> 00:27:38,240

the senior intelligence officer of the

599

00:27:43,360 --> 00:27:40,850

first atomic bomb squadron coming

600

00:27:45,580 --> 00:27:43,370

forward on his deathbed and saying that

601
00:27:47,220 --> 00:27:45,590
I handle pieces of an actual flying

602
00:27:50,580 --> 00:27:47,230
saucer

603
00:27:53,279 --> 00:27:50,590
and he was silenced and the same has

604
00:27:56,100 --> 00:27:53,289
been for general Thomas de Paul is in

605
00:27:59,820 --> 00:27:56,110
general Arthur X on and on and on and on

606
00:28:01,950 --> 00:27:59,830
so that is an absolute fabrication the

607
00:28:04,649 --> 00:28:01,960
idea and not you great but I mean the

608
00:28:07,409 --> 00:28:04,659
idea that well it would have leaked out

609
00:28:09,779 --> 00:28:07,419
you know all this time well it has been

610
00:28:12,600 --> 00:28:09,789
right and the problem is they're not

611
00:28:16,409 --> 00:28:12,610
listening they don't want to listen they

612
00:28:18,480 --> 00:28:16,419
refuse to listen so true yes I'm trying

613
00:28:22,169 --> 00:28:18,490

to think back like Don says you know

614

00:28:24,149 --> 00:28:22,179

people talked among themselves and Edgar

615

00:28:27,090 --> 00:28:24,159

Mitchell told us that he first heard

616

00:28:29,519 --> 00:28:27,100

about the basic truths about Roswell

617

00:28:31,799 --> 00:28:29,529

after he walked on the moon he came back

618

00:28:34,409 --> 00:28:31,809

and aggravate chills from the Roswell

619

00:28:35,850 --> 00:28:34,419

area he grew up in Artesia but I think

620

00:28:37,919 --> 00:28:35,860

he was I don't know if he's born in

621

00:28:39,930 --> 00:28:37,929

Roswell but Artesia is pretty closed

622

00:28:43,820 --> 00:28:39,940

he had the ranch guess out of Roswell

623

00:28:46,889 --> 00:28:43,830

yeah yes and all of a sudden all these

624

00:28:49,980 --> 00:28:46,899

ranchers they trusted him because you

625

00:28:52,200 --> 00:28:49,990

know he was a MIT scientist he walked on

626

00:28:54,899 --> 00:28:52,210

the moon the astronaut they felt that

627

00:28:57,629 --> 00:28:54,909

they could tell him what they knew about

628

00:29:00,180 --> 00:28:57,639

Roswell and that's when he started you

629

00:29:02,879 --> 00:29:00,190

know being interested in the case and

630

00:29:05,460 --> 00:29:02,889

that went on for years and I'm trying to

631

00:29:08,310 --> 00:29:05,470

think back I believe the first statement

632

00:29:10,259 --> 00:29:08,320

by a participant occurred in one of

633

00:29:13,169 --> 00:29:10,269

those men's magazines back in the early

634

00:29:15,120 --> 00:29:13,179

70s I don't know was Argosy or true or

635

00:29:18,029 --> 00:29:15,130

one of those magazines they don't make

636

00:29:21,419 --> 00:29:18,039

them anymore by a woman named Lydia

637

00:29:24,870 --> 00:29:21,429

sleppy she was involved in the case she

638

00:29:28,799 --> 00:29:24,880

was trying to dictate a wire release for

639

00:29:32,389 --> 00:29:28,809

one of the news services and the FBI cut

640

00:29:36,690 --> 00:29:32,399

her off cease and desist but that story

641

00:29:39,570 --> 00:29:36,700

appeared I believe around 1972 or 74 so

642

00:29:43,289 --> 00:29:39,580

like Don says the case has been leaking

643

00:29:45,509 --> 00:29:43,299

ever since and we have a colleague of

644

00:29:48,480 --> 00:29:45,519

ours we don't see him very often but

645

00:29:49,889 --> 00:29:48,490

he's one of the abduction guys you know

646

00:29:52,289 --> 00:29:49,899

he's written a couple books about

647

00:29:53,940 --> 00:29:52,299

abductions but he says you know I don't

648

00:29:56,700 --> 00:29:53,950

believe in Roswell or I don't think it

649

00:29:59,519 --> 00:29:56,710

why because they couldn't keep that

650

00:30:00,930 --> 00:29:59,529

secret well guess what they haven't kept

651
00:30:02,850 --> 00:30:00,940
it secret but

652
00:30:04,740 --> 00:30:02,860
they use that thinking well you don't

653
00:30:07,140 --> 00:30:04,750
know anything and you're not going to

654
00:30:10,470 --> 00:30:07,150
look challenge me and so let me just

655
00:30:13,680 --> 00:30:10,480
imagine as tom was describing dr. Edgar

656
00:30:16,200 --> 00:30:13,690
Mitchell and his credentials I mean

657
00:30:18,000 --> 00:30:16,210
there are a few in this world that have

658
00:30:20,790 --> 00:30:18,010
higher credentials and look what the

659
00:30:23,910 --> 00:30:20,800
American media did to him

660
00:30:26,970 --> 00:30:23,920
I mean he was immediately labeled as far

661
00:30:29,310 --> 00:30:26,980
as senile and demented and that he

662
00:30:32,040 --> 00:30:29,320
needed to be placed in a retirement

663
00:30:34,500 --> 00:30:32,050

facility and he got a fair shake in the

664

00:30:37,500 --> 00:30:34,510

Foreign Press but I mean it was

665

00:30:39,600 --> 00:30:37,510

scandalous what they did to him you know

666

00:30:42,720 --> 00:30:39,610

you're talking about an American girl

667

00:30:46,500 --> 00:30:42,730

you know American treasure and for

668

00:30:49,020 --> 00:30:46,510

nothing more than defending Roswell and

669

00:30:51,150 --> 00:30:49,030

the people that he grew up with the

670

00:30:53,190 --> 00:30:51,160

people he knew personally his neighbors

671

00:30:54,810 --> 00:30:53,200

his friends and then the high ranking

672

00:30:57,840 --> 00:30:54,820

officers as Tom mentioned at the

673

00:31:01,440 --> 00:30:57,850

Pentagon that told him that this all was

674

00:31:04,290 --> 00:31:01,450

genuine it was authentic it was true and

675

00:31:05,580 --> 00:31:04,300

again it was taboo it was off-limits how

676

00:31:08,490 --> 00:31:05,590

dare you

677

00:31:11,520 --> 00:31:08,500

dr. Mitchell step out of bounds and

678

00:31:14,640 --> 00:31:11,530

actually leak out information about this

679

00:31:17,400 --> 00:31:14,650

so again it's total fabrication total

680

00:31:20,340 --> 00:31:17,410

nonsense that people haven't been trying

681

00:31:22,350 --> 00:31:20,350

to present the truth about this it's

682

00:31:25,080 --> 00:31:22,360

just that the skeptics are always

683

00:31:27,780 --> 00:31:25,090

immediately right there to smear these

684

00:31:31,110 --> 00:31:27,790

people and make the next person think

685

00:31:32,430 --> 00:31:31,120

twice about coming forward well said and

686

00:31:36,090 --> 00:31:32,440

I mean I'm sitting right here with your

687

00:31:38,160 --> 00:31:36,100

latest book 275 pages of anecdotes and

688

00:31:40,530 --> 00:31:38,170

plenty of stories of people talking and

689

00:31:43,530 --> 00:31:40,540

this one mainly focuses on the fact that

690

00:31:46,470 --> 00:31:43,540

this material and these alien bodies

691

00:31:49,950 --> 00:31:46,480

made it to wright-patterson which is in

692

00:31:51,990 --> 00:31:49,960

Ohio and this is a line in the book that

693

00:31:54,240 --> 00:31:52,000

I found curious where you say as a

694

00:31:56,820 --> 00:31:54,250

fitting tribute to Wright Patterson's

695

00:31:59,100 --> 00:31:56,830

dedication to our national security the

696

00:32:01,410 --> 00:31:59,110

personal files of Nikola Tesla are

697

00:32:03,270 --> 00:32:01,420

preserved there that's interesting but I

698

00:32:05,130 --> 00:32:03,280

don't see the connection between housing

699

00:32:07,890 --> 00:32:05,140

Tesla's files and our national security

700

00:32:10,230 --> 00:32:07,900

because the rumors suggest that Tesla's

701
00:32:12,270 --> 00:32:10,240
work showcased energy systems and

702
00:32:14,520 --> 00:32:12,280
delivery methods that would have upset

703
00:32:17,310 --> 00:32:14,530
General Electric Westinghouse and the

704
00:32:18,720 --> 00:32:17,320
cartel of oil men and oil control seems

705
00:32:21,090 --> 00:32:18,730
to have been the driving force for geo

706
00:32:22,950 --> 00:32:21,100
political games that hold us back more

707
00:32:25,470 --> 00:32:22,960
than anything I guess I would just ask

708
00:32:27,630 --> 00:32:25,480
you to elaborate on that line and what

709
00:32:29,010 --> 00:32:27,640
your thoughts are on Tesla's papers and

710
00:32:30,990 --> 00:32:29,020
why keeping them locked up at

711
00:32:33,960 --> 00:32:31,000
wright-patterson speaks to its

712
00:32:40,129 --> 00:32:33,970
dedication to our national security

713
00:32:43,529 --> 00:32:40,139

I think that was Dawn's oh I'm sorry

714

00:32:45,450 --> 00:32:43,539

Donny there I think it was you urged it

715

00:32:47,850 --> 00:32:45,460

was a point that was made by former

716

00:32:51,060 --> 00:32:47,860

deputy commander at the base at the time

717

00:32:53,490 --> 00:32:51,070

that Lester halt with NBC News we were

718

00:32:55,090 --> 00:32:53,500

trying to bring a film crew onto the

719

00:32:58,019 --> 00:32:55,100

base

720

00:33:02,110 --> 00:32:58,029

and it was somebody at the Museum who

721

00:33:05,200 --> 00:33:02,120

made that point that to suggest that

722

00:33:08,620 --> 00:33:05,210

right pad had sub levels underground

723

00:33:10,980 --> 00:33:08,630

levels and they brought up the Tesla

724

00:33:12,870 --> 00:33:10,990

papers

725

00:33:15,110 --> 00:33:12,880

everything was above board that if you

726

00:33:18,200 --> 00:33:15,120

wanted to find anything at right paths

727

00:33:22,020 --> 00:33:18,210

it wasn't a problem for even tool a

728

00:33:23,820 --> 00:33:22,030

researcher hmm can't be just mentioned

729

00:33:27,210 --> 00:33:23,830

that in conjunction with the fact that

730

00:33:30,720 --> 00:33:27,220

right pat has a long history of keeping

731

00:33:32,940 --> 00:33:30,730

secrets and secret testing you mention

732

00:33:36,330 --> 00:33:32,950

and test them well we could throw thomas

733

00:33:39,360 --> 00:33:36,340

edison into the mix as well who was his

734

00:33:42,810 --> 00:33:39,370

main competition and in many ways his

735

00:33:45,680 --> 00:33:42,820

students he betrayed him and used a lot

736

00:33:48,180 --> 00:33:45,690

of Tesla's own technology for his own

737

00:33:50,100 --> 00:33:48,190

yes and it also has to feel very

738

00:33:52,440 --> 00:33:50,110

significant that our current presidents

739

00:33:54,540 --> 00:33:52,450

uncles the very MIT scientist who has

740

00:33:56,520 --> 00:33:54,550

given full access to assessing Tesla's

741

00:33:59,040 --> 00:33:56,530

papers and uncle he talks a lot about

742

00:34:00,720 --> 00:33:59,050

now he's launching a space force and his

743

00:34:03,240 --> 00:34:00,730

political opponents seem to be the ones

744

00:34:04,610 --> 00:34:03,250

driving the current UFO narrative and I

745

00:34:07,470 --> 00:34:04,620

don't know but I would definitely

746

00:34:11,550 --> 00:34:07,480

suspect that Tesla's work is at least

747

00:34:13,770 --> 00:34:11,560

relevant to the UFO question and I guess

748

00:34:16,020 --> 00:34:13,780

I would ask how you guys assess that I

749

00:34:17,760 --> 00:34:16,030

mean it's very curious that in this big

750

00:34:19,849 --> 00:34:17,770

world that this particular guy is

751

00:34:22,080 --> 00:34:19,859

president he has such a connection to

752

00:34:26,250 --> 00:34:22,090

technological secrets that are wrapped

753

00:34:28,800 --> 00:34:26,260

up in the UFO data and as we know Tesla

754

00:34:32,340 --> 00:34:28,810

was occasionally even asked about UFOs

755

00:34:34,770 --> 00:34:32,350

and publicly he would always downplay

756

00:34:39,629 --> 00:34:34,780

the situation and I think it was mainly

757

00:34:43,460 --> 00:34:39,639

because he had you know his biggest

758

00:34:45,080 --> 00:34:43,470

obstacle was securing government funding

759

00:34:46,700 --> 00:34:45,090

and it was no different than Robert

760

00:34:48,740 --> 00:34:46,710

Goddard the true father of modern

761

00:34:52,760 --> 00:34:48,750

rocketry who happens to be from Roswell

762

00:34:55,490 --> 00:34:52,770

and again yet they don't secure the

763

00:34:57,680 --> 00:34:55,500

funding and we have to remember of which

764

00:35:00,560 --> 00:34:57,690

the best example of all would be the

765

00:35:03,620 --> 00:35:00,570

late Carl Sagan the fact that you go

766

00:35:06,230 --> 00:35:03,630

back to Sagan's first writings on ufos

767

00:35:08,510 --> 00:35:06,240

back in the late 60s he was actually

768

00:35:11,140 --> 00:35:08,520

quite positive he was a bit of an

769

00:35:13,760 --> 00:35:11,150

advocate he was very open to the idea

770

00:35:15,740 --> 00:35:13,770

that we were being visited but how

771

00:35:17,930 --> 00:35:15,750

quickly they sell their souls to the

772

00:35:20,480 --> 00:35:17,940

devil so to speak and they get their

773

00:35:23,540 --> 00:35:20,490

grants they get their government funding

774

00:35:28,670 --> 00:35:23,550

on their pet projects and just like that

775

00:35:32,320 --> 00:35:28,680

well you have to essentially cooperate

776

00:35:35,150 --> 00:35:32,330

with the puppeteer and as a result they

777

00:35:37,220 --> 00:35:35,160

totally you know become part of the

778

00:35:39,080 --> 00:35:37,230

skeptical community and that's one of

779

00:35:43,070 --> 00:35:39,090

the reasons that dr. J Allen Hynek

780

00:35:45,500 --> 00:35:43,080

was so genuine for the fact that he was

781

00:35:47,810 --> 00:35:45,510

initially a skeptic he was their chief

782

00:35:50,690 --> 00:35:47,820

debunker they would trot him out

783

00:35:53,450 --> 00:35:50,700

only when they needed him to explain

784

00:35:56,300 --> 00:35:53,460

away a plickers sighting but he was

785

00:35:59,600 --> 00:35:56,310

genuine he was enough of a scientist and

786

00:36:01,850 --> 00:35:59,610

he realized that something was a missed

787

00:36:04,730 --> 00:36:01,860

something was going on here that all

788

00:36:07,250 --> 00:36:04,740

these witnesses just could not be lying

789

00:36:10,160 --> 00:36:07,260

and as far as whether it's the SETI

790

00:36:13,370 --> 00:36:10,170

program or even mentioning Sagan the

791

00:36:17,120 --> 00:36:13,380

fact that once the government carrot is

792

00:36:21,260 --> 00:36:17,130

dangled in front of them how often they

793

00:36:23,720 --> 00:36:21,270

sell their souls hmm totally agree i'ma

794

00:36:32,000 --> 00:36:23,730

do that but they haven't taken me up on

795

00:36:34,280 --> 00:36:32,010

that so yeah time right now yes we would

796

00:36:37,160 --> 00:36:34,290

when we went on and I talked on the

797

00:36:41,900 --> 00:36:37,170

phone once in a while we hear a click or

798

00:36:44,570 --> 00:36:41,910

two and I always mentioned it done that

799

00:36:47,900 --> 00:36:44,580

in case they're listening I'm available

800

00:36:52,640 --> 00:36:47,910

yeah I'm out of here for a couple pow

801
00:36:53,150 --> 00:36:52,650
yeah yes well that's funny if it's again

802
00:36:55,339 --> 00:36:53,160
to the

803
00:36:57,470 --> 00:36:55,349
of Roswell you write that when it comes

804
00:36:59,690 --> 00:36:57,480
to the things recovered from the site on

805
00:37:01,400 --> 00:36:59,700
top of the four dead bodies and the one

806
00:37:03,559 --> 00:37:01,410
that survived the crash we have four

807
00:37:06,160 --> 00:37:03,569
categories of wreckage can you tell the

808
00:37:08,990 --> 00:37:06,170
people about these wreckage categories

809
00:37:11,630 --> 00:37:09,000
yes there were three crash sites

810
00:37:14,450 --> 00:37:11,640
involved in Roswell rivers with the so

811
00:37:18,079 --> 00:37:14,460
called debris field site which was a

812
00:37:20,720 --> 00:37:18,089
site below the location where they ship

813
00:37:23,930 --> 00:37:20,730

exploded the ship didn't crash it

814

00:37:26,630 --> 00:37:23,940

exploded in the air we believe it was

815

00:37:28,609 --> 00:37:26,640

from a lightning strike Greg it was

816

00:37:31,069 --> 00:37:28,619

either an internal explosion or a

817

00:37:33,740 --> 00:37:31,079

lightning strike because we have several

818

00:37:35,960 --> 00:37:33,750

witnesses who said well I heard a

819

00:37:37,789 --> 00:37:35,970

muffled explosion during a thunder and

820

00:37:40,670 --> 00:37:37,799

lightning storm which they have during

821

00:37:44,029 --> 00:37:40,680

that time of the year down in New Mexico

822

00:37:49,220 --> 00:37:44,039

so the first site is the debris field

823

00:37:53,000 --> 00:37:49,230

site where all this strange small pieces

824

00:37:54,799 --> 00:37:53,010

of metal were found there was something

825

00:37:56,690 --> 00:37:54,809

called memory mat we call it memory

826

00:37:57,710 --> 00:37:56,700

metal it's our Holy Grail that's what

827

00:38:01,039 --> 00:37:57,720

we're looking for

828

00:38:03,799 --> 00:38:01,049

it's metal that you can't scratch you

829

00:38:05,839 --> 00:38:03,809

can't cut you can't deform it

830

00:38:09,589 --> 00:38:05,849

permanently in any way it's laid as a

831

00:38:12,470 --> 00:38:09,599

feather very thin but you can wad it up

832

00:38:13,880 --> 00:38:12,480

into a ball in your hand it feels like

833

00:38:17,440 --> 00:38:13,890

you don't have anything in your hand

834

00:38:20,630 --> 00:38:17,450

open your hand and then unfurls itself

835

00:38:23,029 --> 00:38:20,640

okay and like I said it's indestructible

836

00:38:25,069 --> 00:38:23,039

have we've been trying to back engineer

837

00:38:29,750 --> 00:38:25,079

it ever since then there are the pieces

838

00:38:31,819 --> 00:38:29,760

that are thin like thin aluminum but you

839

00:38:35,000 --> 00:38:31,829

can't bend them you can't take a

840

00:38:37,099 --> 00:38:35,010

sledgehammer to them and crack them or

841

00:38:39,019 --> 00:38:37,109

do anything to them the sledgehammer

842

00:38:42,710 --> 00:38:39,029

will come back and hit you in the nose

843

00:38:46,099 --> 00:38:42,720

you know so that's a second type very

844

00:38:49,069 --> 00:38:46,109

stiff indestructible can't scratch it

845

00:38:51,980 --> 00:38:49,079

then you have the memory metal the third

846

00:38:55,339 --> 00:38:51,990

type was something that Jesse Marcel and

847

00:38:58,010 --> 00:38:55,349

Marcel senior talked about this I beam

848

00:39:00,380 --> 00:38:58,020

it's shaped like it's like a rod but

849

00:39:04,340 --> 00:39:00,390

it's gonna cross section it's safe like

850

00:39:07,610 --> 00:39:04,350

an eye and on that eye beam

851
00:39:11,030 --> 00:39:07,620
were symbols strange symbols strange

852
00:39:14,270 --> 00:39:11,040
markings that we had linguist come and

853
00:39:17,030 --> 00:39:14,280
they couldn't decipher it so we believed

854
00:39:19,430 --> 00:39:17,040
at least I do anyway that that i-beam

855
00:39:22,340 --> 00:39:19,440
had something to do with the propulsion

856
00:39:24,670 --> 00:39:22,350
of the ship sort of like in the movie

857
00:39:27,020 --> 00:39:24,680
The Da Vinci Code you know where they

858
00:39:30,140 --> 00:39:27,030
want to open the door they have this

859
00:39:32,240 --> 00:39:30,150
little thing they insert into a key and

860
00:39:34,160 --> 00:39:32,250
that opens the whatever they were

861
00:39:35,450 --> 00:39:34,170
looking for so I think the i-beam was

862
00:39:38,450 --> 00:39:35,460
something to do with the either

863
00:39:41,600 --> 00:39:38,460

directional or guiding the ship in some

864

00:39:43,760 --> 00:39:41,610

way so about the third type the fourth

865

00:39:46,400 --> 00:39:43,770

type well I guess actually there was a

866

00:39:49,460 --> 00:39:46,410

tomb or one was the monofilament like

867

00:39:52,160 --> 00:39:49,470

fiber optics it sort of adumbrated the

868

00:39:53,870 --> 00:39:52,170

fiber optics that we have today there

869

00:39:56,990 --> 00:39:53,880

was a lot of that and there was

870

00:40:00,260 --> 00:39:57,000

something that Jesse jr. talked about

871

00:40:03,740 --> 00:40:00,270

this resembled bakelite I have no idea

872

00:40:07,250 --> 00:40:03,750

without the purpose or what it you know

873

00:40:09,620 --> 00:40:07,260

it but it resembled bakelite and I guess

874

00:40:14,060 --> 00:40:09,630

there was another you know the inner

875

00:40:17,120 --> 00:40:14,070

cabin or a egg-shaped escape pod of some

876

00:40:21,290 --> 00:40:17,130

sort continued on after the ship

877

00:40:24,920 --> 00:40:21,300

exploded and two beings were thrown out

878

00:40:27,340 --> 00:40:24,930

and met their fate on a low bluff about

879

00:40:30,410 --> 00:40:27,350

two miles east of the debris field site

880

00:40:32,780 --> 00:40:30,420

we call it the deep rocker body site

881

00:40:35,630 --> 00:40:32,790

because it was deep Proctor who showed

882

00:40:38,120 --> 00:40:35,640

his mother where it was and she showed

883

00:40:40,910 --> 00:40:38,130

us so it's where two bodies had come

884

00:40:45,130 --> 00:40:40,920

down and you know met they're here after

885

00:40:48,830 --> 00:40:45,140

but after the explosion the inner cabin

886

00:40:51,560 --> 00:40:48,840

survived and Peary you on another

887

00:40:55,460 --> 00:40:51,570

trajectory for about 30 miles 35 miles

888

00:40:58,250 --> 00:40:55,470

east southeast towards Roswell came to

889

00:41:01,610 --> 00:40:58,260

rest about 32 miles north-northwest of

890

00:41:05,990 --> 00:41:01,620

Roswell and there they found two more

891

00:41:09,560 --> 00:41:06,000

bodies that were dead and one that was

892

00:41:11,930 --> 00:41:09,570

alive I'm still walking around so I

893

00:41:14,480 --> 00:41:11,940

think that was a little more than four

894

00:41:16,200 --> 00:41:14,490

but that's basically what all the record

895

00:41:18,750 --> 00:41:16,210

consisted of

896

00:41:21,180 --> 00:41:18,760

yes that is a great summary and it's

897

00:41:23,730 --> 00:41:21,190

definitely fascinating to try to follow

898

00:41:26,130 --> 00:41:23,740

the chain of custody of this material

899

00:41:28,290 --> 00:41:26,140

and the bodies and of course your book

900

00:41:30,960 --> 00:41:28,300

is about all the sagas that take this

901
00:41:34,940 --> 00:41:30,970
stuff to wright-patterson I would ask in

902
00:41:38,760 --> 00:41:34,950
more recent years wouldn't the spotlight

903
00:41:41,790 --> 00:41:38,770
be better put on Lockheed Martin or

904
00:41:44,670 --> 00:41:41,800
Boeing or Bigelow airspace and the rest

905
00:41:47,370 --> 00:41:44,680
of the corporate Eternals isn't that

906
00:41:49,620 --> 00:41:47,380
most likely where this stuff is now with

907
00:41:51,390 --> 00:41:49,630
guys like Jacques valet and the

908
00:41:54,900 --> 00:41:51,400
invisible college in the Silicon Valley

909
00:41:57,780 --> 00:41:54,910
tech billionaires oh yes of course

910
00:42:00,870 --> 00:41:57,790
in fact this to remind your audience the

911
00:42:02,790 --> 00:42:00,880
government slash military doesn't

912
00:42:05,910 --> 00:42:02,800
manufacture anything everything is

913
00:42:08,370 --> 00:42:05,920

contracted out to the private sector and

914

00:42:11,180 --> 00:42:08,380

as a result through the years we've had

915

00:42:15,210 --> 00:42:11,190

firsthand witnesses at patel institute

916

00:42:18,089 --> 00:42:15,220

grand corporation views aircraft general

917

00:42:21,120 --> 00:42:18,099

electric boeing bureau standards are

918

00:42:23,520 --> 00:42:21,130

talking about having an opportunity to

919

00:42:25,650 --> 00:42:23,530

test and possibly come up with a

920

00:42:29,280 --> 00:42:25,660

breakthrough regarding some of the

921

00:42:32,309 --> 00:42:29,290

roswell material we had a retired base

922

00:42:35,160 --> 00:42:32,319

commander told us that much of the

923

00:42:37,710 --> 00:42:35,170

physical evidence that was housed and

924

00:42:40,620 --> 00:42:37,720

tested at wright-patt was all cleared

925

00:42:42,960 --> 00:42:40,630

out in the early 80s and as he put it

926

00:42:45,660 --> 00:42:42,970

they had a hell of a time bringing

927

00:42:47,910 --> 00:42:45,670

things in and moving things out given

928

00:42:51,059 --> 00:42:47,920

that they were essentially in downtown

929

00:42:53,819 --> 00:42:51,069

dayton when you consider through the

930

00:42:57,059 --> 00:42:53,829

remote areas of the southwest and the

931

00:42:58,770 --> 00:42:57,069

mountainous ranges that many of our

932

00:43:02,309 --> 00:42:58,780

military facilities have been

933

00:43:04,710 --> 00:43:02,319

established they were really just been

934

00:43:06,510 --> 00:43:04,720

connected with the East Coast and the

935

00:43:10,200 --> 00:43:06,520

Pentagon that they even happened to

936

00:43:12,500 --> 00:43:10,210

establish a base in Dayton Ohio back

937

00:43:16,440 --> 00:43:12,510

during World War one for that matter

938

00:43:21,480 --> 00:43:16,450

Greg I'd like to add that we believe at

939

00:43:24,210 --> 00:43:21,490

least I do that the UFO let's call them

940

00:43:27,390 --> 00:43:24,220

artifacts you know physical and

941

00:43:29,940 --> 00:43:27,400

biological not only Roswell but the UFO

942

00:43:32,069 --> 00:43:29,950

artifacts are now in

943

00:43:35,310 --> 00:43:32,079

- hands and by private hands I mean

944

00:43:38,069 --> 00:43:35,320

Lockheed Martin Mattel Memorial and all

945

00:43:39,720 --> 00:43:38,079

the other government contractors rather

946

00:43:44,040 --> 00:43:39,730

than being in the possession of the

947

00:43:47,010 --> 00:43:44,050

military so we believe that I think Donn

948

00:43:49,200 --> 00:43:47,020

does but I do yes yes yes well hardly

949

00:43:52,290 --> 00:43:49,210

and one of the reasons being that

950

00:43:54,510 --> 00:43:52,300

private organizations are not subject to

951
00:43:56,700 --> 00:43:54,520
FOIA requests where the government

952
00:43:58,260 --> 00:43:56,710
entities are so that's one of the

953
00:44:00,480 --> 00:43:58,270
reasons I don't think that's the entire

954
00:44:03,180 --> 00:44:00,490
region but they're not subject to FOIA

955
00:44:06,030 --> 00:44:03,190
enquiries Tom why don't you even cite

956
00:44:10,319 --> 00:44:06,040
the example or the comments by other

957
00:44:12,690 --> 00:44:10,329
likes like a been rich for example yes I

958
00:44:15,000 --> 00:44:12,700
don't know what the occasion was but

959
00:44:18,359 --> 00:44:15,010
then rich was being queried about a

960
00:44:22,349 --> 00:44:18,369
number of things and one of them what

961
00:44:24,120 --> 00:44:22,359
about UFOs mr. rich he says well they're

962
00:44:27,630 --> 00:44:24,130
the ones that we make and the ones that

963
00:44:29,540 --> 00:44:27,640

they make and they meaning someone off

964

00:44:31,730 --> 00:44:29,550

planet

965

00:44:34,130 --> 00:44:31,740

and he also added a comment on another

966

00:44:39,200 --> 00:44:34,140

occasion that we currently had the

967

00:44:40,930 --> 00:44:39,210

technology to take e.t poll so we've

968

00:44:43,520 --> 00:44:40,940

long have heard and we've always

969

00:44:47,690 --> 00:44:43,530

suspected that specifically in the

970

00:44:51,110 --> 00:44:47,700

military the old order did not pass it

971

00:44:52,760 --> 00:44:51,120

down to the new most of them took it

972

00:44:54,830 --> 00:44:52,770

with them and I'm talking about the

973

00:44:56,720 --> 00:44:54,840

knowledge of what they knew to be the

974

00:44:59,330 --> 00:44:56,730

truth there's been specifically

975

00:45:02,780 --> 00:44:59,340

regarding Roswell and UFOs in general

976
00:45:06,500 --> 00:45:02,790
and there's this young growing faction

977
00:45:09,470 --> 00:45:06,510
within the military that wants this to

978
00:45:11,750 --> 00:45:09,480
come out they desire for this to finally

979
00:45:13,730 --> 00:45:11,760
come out and acknowledge what they've

980
00:45:15,650 --> 00:45:13,740
been observing and experiencing for all

981
00:45:17,870 --> 00:45:15,660
these decades but they don't have access

982
00:45:19,670 --> 00:45:17,880
the alarm clearance and that's where Tom

983
00:45:22,460 --> 00:45:19,680
and I and he's correct we believe that

984
00:45:25,940 --> 00:45:22,470
because and it's where Eisenhower has

985
00:45:29,510 --> 00:45:25,950
been oh warning the country about the

986
00:45:32,450 --> 00:45:29,520
military-industrial complex essentially

987
00:45:34,930 --> 00:45:32,460
running thing and this would be the

988
00:45:38,240 --> 00:45:34,940

private corporations that they relied on

989

00:45:40,220 --> 00:45:38,250

for all these military contracts

990

00:45:42,890 --> 00:45:40,230

providing them with all their armory

991

00:45:47,300 --> 00:45:42,900

their weaponry and they essentially took

992

00:45:50,420 --> 00:45:47,310

over the right now control as far as the

993

00:45:52,640 --> 00:45:50,430

physical evidence of what we would is my

994

00:45:53,500 --> 00:45:52,650

classify as the reality of the UFO

995

00:45:56,270 --> 00:45:53,510

phenomena

996

00:45:59,510 --> 00:45:56,280

yes great summary and I'm very much on

997

00:46:02,840 --> 00:45:59,520

that page in terms of who had it and

998

00:46:04,610 --> 00:46:02,850

who's kept control of it and that kind

999

00:46:07,820 --> 00:46:04,620

of brings it full circle to make me

1000

00:46:10,820 --> 00:46:07,830

wonder is the reverse engineering maybe

1001
00:46:13,220 --> 00:46:10,830
complete enough now that they can use

1002
00:46:15,260 --> 00:46:13,230
this stuff for a higher agenda and

1003
00:46:18,140 --> 00:46:15,270
that's why it's finally in the

1004
00:46:22,600 --> 00:46:18,150
mainstream media in the CIA controlled

1005
00:46:25,010 --> 00:46:22,610
press because there's some other agenda

1006
00:46:27,410 --> 00:46:25,020
behind there that maybe we don't even

1007
00:46:31,130 --> 00:46:27,420
understand yet some kind of complex

1008
00:46:32,930 --> 00:46:31,140
military gamesmanship but I wonder if

1009
00:46:35,150 --> 00:46:32,940
that's any indication as to how far

1010
00:46:36,800 --> 00:46:35,160
they've gotten the fact that now of all

1011
00:46:37,950 --> 00:46:36,810
times it's actually out there in the

1012
00:46:41,250 --> 00:46:37,960
media

1013
00:46:44,309 --> 00:46:41,260

well you know great Don and I we don't

1014

00:46:46,230 --> 00:46:44,319

usually you know talk about these things

1015

00:46:48,870 --> 00:46:46,240

we're so focused on Roswell

1016

00:46:52,170 --> 00:46:48,880

it's labor-intensive over this last

1017

00:46:54,930 --> 00:46:52,180

quarter-century we don't speculate where

1018

00:46:57,870 --> 00:46:54,940

they're from why they're here those

1019

00:46:59,700 --> 00:46:57,880

sorts of things and it's difficult for

1020

00:47:02,599 --> 00:46:59,710

me because we've never talked about

1021

00:47:03,780 --> 00:47:02,609

these things but if you're talking about

1022

00:47:05,760 --> 00:47:03,790

back-engineering

1023

00:47:09,210 --> 00:47:05,770

we know that that happened we could

1024

00:47:11,790 --> 00:47:09,220

relate to that and you know something

1025

00:47:13,500 --> 00:47:11,800

like a CIA involvement of in that we

1026
00:47:15,059 --> 00:47:13,510
just haven't discussed those things but

1027
00:47:18,510 --> 00:47:15,069
we do know that they tried to

1028
00:47:20,630 --> 00:47:18,520
re-engineer this stuff and the only one

1029
00:47:25,140 --> 00:47:20,640
that I subscribe to because you know

1030
00:47:27,150 --> 00:47:25,150
transistors came from Roswell this and

1031
00:47:30,030 --> 00:47:27,160
that the other thing the only thing

1032
00:47:32,609 --> 00:47:30,040
that's come that I haven't done there's

1033
00:47:35,309 --> 00:47:32,619
enough substantiated documentation that

1034
00:47:37,410 --> 00:47:35,319
came out that I say okay well that I

1035
00:47:40,079 --> 00:47:37,420
believe was traceable back to Roswell

1036
00:47:42,440 --> 00:47:40,089
and that's that the memory medal they

1037
00:47:45,849 --> 00:47:42,450
wanted to find out

1038
00:47:49,940 --> 00:47:45,859

how they can re-engineer this sleight of

1039

00:47:53,059 --> 00:47:49,950

pliable metal that's bullet metal that

1040

00:47:55,849 --> 00:47:53,069

was indestructible and they sent it to

1041

00:47:58,910 --> 00:47:55,859

Patel Memorial Institute after the crash

1042

00:48:00,890 --> 00:47:58,920

and we have the documentation from the

1043

00:48:03,799 --> 00:48:00,900

project that they tried to you know

1044

00:48:06,680 --> 00:48:03,809

different combinations of elements to

1045

00:48:09,289 --> 00:48:06,690

try to reproduce this and they came up

1046

00:48:11,920 --> 00:48:09,299

with something they called nitinol it

1047

00:48:16,609 --> 00:48:11,930

was a an amalgam of nickel and titanium

1048

00:48:18,380 --> 00:48:16,619

and not only that but the Battelle

1049

00:48:21,650 --> 00:48:18,390

Memorial Institute didn't want to have

1050

00:48:23,630 --> 00:48:21,660

their logo associated with UFOs so they

1051

00:48:26,420 --> 00:48:23,640

laundered it through the naval ordnance

1052

00:48:30,319 --> 00:48:26,430

lab down in Washington or Maryland and

1053

00:48:32,690 --> 00:48:30,329

they the naval ordnance lab had a press

1054

00:48:37,370 --> 00:48:32,700

conference that they had discovered a

1055

00:48:40,460 --> 00:48:37,380

new amalgam called nitinol DNI you know

1056

00:48:43,160 --> 00:48:40,470

stands for nickel the TI stands for

1057

00:48:44,390 --> 00:48:43,170

titanium and the NOL stands for the

1058

00:48:47,990 --> 00:48:44,400

naval ordnance lab

1059

00:48:50,599 --> 00:48:48,000

Greg you can go online and buy it to

1060

00:48:53,150 --> 00:48:50,609

know by this sheet by the roll by the

1061

00:48:57,170 --> 00:48:53,160

coil you name it it's available but that

1062

00:48:59,720 --> 00:48:57,180

has its origins I believe because it's

1063

00:49:03,589 --> 00:48:59,730

well documented that project back with

1064

00:49:06,230 --> 00:49:03,599

the Roswell crash yes nitinol is a very

1065

00:49:07,970 --> 00:49:06,240

exciting element could definitely speak

1066

00:49:11,480 --> 00:49:07,980

to that reverse engineering and it is

1067

00:49:14,359 --> 00:49:11,490

interesting that you mentioned the naval

1068

00:49:17,030 --> 00:49:14,369

ordnance lab is part of its abbreviation

1069

00:49:18,950 --> 00:49:17,040

and we talked about the gamesmanship

1070

00:49:21,650 --> 00:49:18,960

between different groups it's like this

1071

00:49:24,230 --> 00:49:21,660

again is a Navy thing that's kind of

1072

00:49:26,680 --> 00:49:24,240

interesting right so one thing that you

1073

00:49:29,180 --> 00:49:26,690

Apple researchers have contemplated

1074

00:49:32,569 --> 00:49:29,190

speculated this discussed for many years

1075

00:49:35,539 --> 00:49:32,579

is that we have focused too much on the

1076

00:49:37,910 --> 00:49:35,549

Air Force a granite project sign karate

1077

00:49:40,280 --> 00:49:37,920

grudge product Bluebook the most famous

1078

00:49:42,710 --> 00:49:40,290

of the three they were the ones

1079

00:49:45,650 --> 00:49:42,720

releasing the disclosing you know their

1080

00:49:49,160 --> 00:49:45,660

efforts to come up with a resolution to

1081

00:49:51,950 --> 00:49:49,170

the mystery behind the UFOs but you know

1082

00:49:55,800 --> 00:49:51,960

the Air Force is very limited in their

1083

00:49:59,630 --> 00:49:55,810

global scope their global surveillance

1084

00:50:04,410 --> 00:49:59,640

aside from spy planes but the Navy is

1085

00:50:07,860 --> 00:50:04,420

able to truly you know draw intelligence

1086

00:50:10,740 --> 00:50:07,870

information from many more sources much

1087

00:50:13,020 --> 00:50:10,750

more territory I think that's why many

1088

00:50:15,870 --> 00:50:13,030

of us have felt that it was the Navy as

1089

00:50:18,450 --> 00:50:15,880

my naval intelligence has really had a

1090

00:50:22,980 --> 00:50:18,460

much greater influence I will Affairs

1091

00:50:24,300 --> 00:50:22,990

than the airport ever has yes I think

1092

00:50:26,760 --> 00:50:24,310

that you're right I mean we got to look

1093

00:50:30,240 --> 00:50:26,770

at all the branches and dig up all the

1094

00:50:32,940 --> 00:50:30,250

secrets and I am curious about the wider

1095

00:50:34,830 --> 00:50:32,950

scope of UFO research and even crashed

1096

00:50:36,600 --> 00:50:34,840

crafts you mentioned in the book that

1097

00:50:38,550 --> 00:50:36,610

one of your witnesses was told by

1098

00:50:41,880 --> 00:50:38,560

Wernher von Braun that there had been at

1099

00:50:44,700 --> 00:50:41,890

least three crashes recovered and as you

1100

00:50:47,310 --> 00:50:44,710

said your hyper-focused on Roswell

1101
00:50:49,140 --> 00:50:47,320
and I guess I'm curious because it seems

1102
00:50:50,670 --> 00:50:49,150
like we have a lot of other cases worth

1103
00:50:52,920 --> 00:50:50,680
looking into they just didn't have a

1104
00:50:55,710 --> 00:50:52,930
press release we know the Roswell story

1105
00:50:57,840 --> 00:50:55,720
we have about as much info into the

1106
00:51:01,140 --> 00:50:57,850
cases we can get more information just

1107
00:51:04,620 --> 00:51:01,150
sort of confirms what we know do you

1108
00:51:09,480 --> 00:51:04,630
think you might be missing the forest by

1109
00:51:11,730 --> 00:51:09,490
only studying one tree well for myself I

1110
00:51:15,990 --> 00:51:11,740
used to be interested in you know the

1111
00:51:19,770 --> 00:51:16,000
UFO panoply the broader picture but when

1112
00:51:23,280 --> 00:51:19,780
I read the 1980 book by Lauren Burrell

1113
00:51:24,840 --> 00:51:23,290

it's the Roswell incident for me I think

1114

00:51:27,480 --> 00:51:24,850

dogs worries too soon there are things

1115

00:51:30,870 --> 00:51:27,490

that I am you opposed speaking but for

1116

00:51:34,050 --> 00:51:30,880

me it affected me so much that all the

1117

00:51:37,230 --> 00:51:34,060

other UFO cases just disappeared for me

1118

00:51:39,750 --> 00:51:37,240

and I was only interested in this one

1119

00:51:41,940 --> 00:51:39,760

case because it wasn't lights in the sky

1120

00:51:44,730 --> 00:51:41,950

oh I saw a light up there did a right

1121

00:51:47,550 --> 00:51:44,740

angle oh my goodness what about look

1122

00:51:50,610 --> 00:51:47,560

would that be mr. Kerry you know you get

1123

00:51:54,330 --> 00:51:50,620

tired of that stuff but the Roswell case

1124

00:51:56,760 --> 00:51:54,340

it had a nuts-and-bolts craft that

1125

00:52:01,230 --> 00:51:56,770

crashed not a light in the sky but a

1126
00:52:04,320 --> 00:52:01,240
nuts-and-bolts craft it had wreckage it

1127
00:52:07,140 --> 00:52:04,330
had bodies on it little three and a half

1128
00:52:08,970 --> 00:52:07,150
to four foot tall bodies with big heads

1129
00:52:12,569 --> 00:52:08,980
and there there was a government

1130
00:52:16,109 --> 00:52:12,579
cover-up and threats it had everything

1131
00:52:20,640 --> 00:52:16,119
that a mystery thriller had and all the

1132
00:52:23,999 --> 00:52:20,650
other UFO phenomena just Greg I'm sorry

1133
00:52:25,890 --> 00:52:24,009
but it doesn't interest me and you'll

1134
00:52:28,470 --> 00:52:25,900
call this a labor of love it certainly

1135
00:52:32,220 --> 00:52:28,480
was a labor of extreme interest for me

1136
00:52:34,589 --> 00:52:32,230
to be on this one case since 1991 Don

1137
00:52:36,480 --> 00:52:34,599
was on for a little longer but this is

1138
00:52:38,430 --> 00:52:36,490

for me I don't know if you remember the

1139

00:52:41,130 --> 00:52:38,440

movie the verdict that starred Paul

1140

00:52:44,130 --> 00:52:41,140

Newman where he was just over the hill

1141

00:52:47,249 --> 00:52:44,140

lawyer and he got this paraplegic case

1142

00:52:49,289 --> 00:52:47,259

and his assistant there said he plated a

1143

00:52:51,900 --> 00:52:49,299

character's name was Frank Al but he's

1144

00:52:54,359 --> 00:52:51,910

at Frank you got to take their offer it

1145

00:52:58,650 --> 00:52:54,369

was an offer to settle the case he said

1146

00:53:01,589 --> 00:52:58,660

no no this is the case this is the only

1147

00:53:03,809 --> 00:53:01,599

case and that's the way I look at it and

1148

00:53:06,749 --> 00:53:03,819

when you ask me things about the CIA

1149

00:53:10,380 --> 00:53:06,759

it's things that I just don't I don't

1150

00:53:12,509 --> 00:53:10,390

see okay but yet it is true that the

1151

00:53:15,239 --> 00:53:12,519

right cat book we make reference to a

1152

00:53:18,930 --> 00:53:15,249

lot of the testimony regarding other

1153

00:53:22,229 --> 00:53:18,940

alleged crashes through the 50s into the

1154

00:53:25,499 --> 00:53:22,239

60s and it's certainly much emphasis on

1155

00:53:27,749 --> 00:53:25,509

the late Leonard Stringfield files which

1156

00:53:30,599 --> 00:53:27,759

in my case I'm personally very

1157

00:53:32,849 --> 00:53:30,609

disappointed because for having been

1158

00:53:36,029 --> 00:53:32,859

with the Center for UFO studies we were

1159

00:53:38,880 --> 00:53:36,039

promised to acquire his files at the

1160

00:53:40,620 --> 00:53:38,890

time of his passing because before the

1161

00:53:44,190 --> 00:53:40,630

first time we would have had all the

1162

00:53:48,029 --> 00:53:44,200

names and places that he had kept

1163

00:53:51,559 --> 00:53:48,039

confidential up at that time and I loved

1164

00:53:54,839 --> 00:53:51,569

the chase I loved as far as solidifying

1165

00:53:58,410 --> 00:53:54,849

Roswell by even incorporating other

1166

00:54:00,180 --> 00:53:58,420

cases suggesting that if one happened

1167

00:54:02,339 --> 00:54:00,190

than others you're all most likely

1168

00:54:04,670 --> 00:54:02,349

happen as well and reference to you have

1169

00:54:08,000 --> 00:54:04,680

all crashes and recovery

1170

00:54:11,120 --> 00:54:08,010

there I mean I definitely respect the

1171

00:54:12,950 --> 00:54:11,130

dedication you guys have had to endure

1172

00:54:17,390 --> 00:54:12,960

those things right here's the other

1173

00:54:20,059 --> 00:54:17,400

thing suppose you know in 1997 they had

1174

00:54:22,940 --> 00:54:20,069

that big brouhaha you know it's the 50th

1175

00:54:24,950 --> 00:54:22,950

anniversary of the Roswell is it suppose

1176

00:54:27,349 --> 00:54:24,960

all the investigators went home at that

1177

00:54:29,539 --> 00:54:27,359

point that's what we would have you know

1178

00:54:31,670 --> 00:54:29,549

we would have this big question oh my

1179

00:54:34,069 --> 00:54:31,680

goodness did it happen or did it happen

1180

00:54:38,000 --> 00:54:34,079

well Don and I have spent the rest of

1181

00:54:40,670 --> 00:54:38,010

you know since 1997 as a team to conduct

1182

00:54:43,690 --> 00:54:40,680

a proactive investigation of Roswell

1183

00:54:47,539 --> 00:54:43,700

like I said it's labor intensive we have

1184

00:54:50,180 --> 00:54:47,549

interviewed over 600 witnesses that we

1185

00:54:52,370 --> 00:54:50,190

have really nailed this case this is

1186

00:54:55,579 --> 00:54:52,380

what makes me mad we have nailed this

1187

00:54:58,309 --> 00:54:55,589

case with over 600 witnesses and each

1188

00:55:01,010 --> 00:54:58,319

one knows just a little bit of a story

1189

00:55:03,109 --> 00:55:01,020

and it's been our job to put the little

1190

00:55:05,180 --> 00:55:03,119

bits together to make a whole picture

1191

00:55:07,400 --> 00:55:05,190

here if we hadn't done that

1192

00:55:09,470 --> 00:55:07,410

you know Roswell would be just another

1193

00:55:11,690 --> 00:55:09,480

oh well that was a case you know that

1194

00:55:13,940 --> 00:55:11,700

they thought this and nothing has

1195

00:55:16,849 --> 00:55:13,950

happened since well I'm sorry we moved

1196

00:55:19,220 --> 00:55:16,859

the football across the goal-line in my

1197

00:55:21,309 --> 00:55:19,230

view and it took a lot of work to do

1198

00:55:24,950 --> 00:55:21,319

that you know we've had five

1199

00:55:28,130 --> 00:55:24,960

archeological digs at the crash site the

1200

00:55:31,039 --> 00:55:28,140

debris field yes today we have verified

1201
00:55:33,500 --> 00:55:31,049
that from multiple first and second hand

1202
00:55:35,809 --> 00:55:33,510
witnesses down to what was where and

1203
00:55:37,760 --> 00:55:35,819
where a Golic was and the outer

1204
00:55:41,150 --> 00:55:37,770
perimeter and how far the debris

1205
00:55:42,769 --> 00:55:41,160
extended and who found what where and no

1206
00:55:45,349 --> 00:55:42,779
one else can say that about any other

1207
00:55:47,120 --> 00:55:45,359
case they're trying to establish that

1208
00:55:48,980 --> 00:55:47,130
something happened at all in our case

1209
00:55:51,230 --> 00:55:48,990
it's a better destroyed fact that

1210
00:55:54,200 --> 00:55:51,240
something crashed left they hit a big

1211
00:55:54,769 --> 00:55:54,210
field sizeable proportion and here we

1212
00:55:57,799 --> 00:55:54,779
are

1213
00:55:59,630 --> 00:55:57,809

or even the Air Force concurs that were

1214

00:56:03,710 --> 00:55:59,640

at the right site because they obviously

1215

00:56:06,680 --> 00:56:03,720

need a project mobile crash location but

1216

00:56:09,230 --> 00:56:06,690

you know that's why I think so many of

1217

00:56:11,660 --> 00:56:09,240

our colleagues are even jealous and at

1218

00:56:14,089 --> 00:56:11,670

times they personally attack us because

1219

00:56:16,370 --> 00:56:14,099

by the time like to say that Roswell

1220

00:56:17,860 --> 00:56:16,380

takes all the air out of the rope when

1221

00:56:20,170 --> 00:56:17,870

it's discussed as fair

1222

00:56:23,410 --> 00:56:20,180

we had conferences and in private

1223

00:56:25,840 --> 00:56:23,420

discussion because it is a matter of

1224

00:56:28,510 --> 00:56:25,850

historic fact the others are just trying

1225

00:56:32,350 --> 00:56:28,520

to prove something happened at all

1226
00:56:33,820 --> 00:56:32,360
hmm well I respect your opinion for sure

1227
00:56:36,310 --> 00:56:33,830
and I wanted to ask a little more about

1228
00:56:38,620 --> 00:56:36,320
wright-patterson itself this major base

1229
00:56:40,630 --> 00:56:38,630
in Ohio you write if the Pentagon is

1230
00:56:42,370 --> 00:56:40,640
considered the brains of the Air Force

1231
00:56:45,670 --> 00:56:42,380
then wright-patterson is certainly its

1232
00:56:47,859 --> 00:56:45,680
heart well we all hear the wreckage and

1233
00:56:50,320 --> 00:56:47,869
alien bodies were transported to area 51

1234
00:56:52,150 --> 00:56:50,330
but pieces went all over to Fort Worth

1235
00:56:54,550 --> 00:56:52,160
to Lockheed Martin in the deep corporate

1236
00:56:56,050 --> 00:56:54,560
Nexus why is it so significant that a

1237
00:56:58,390 --> 00:56:56,060
lot of this stuff went to

1238
00:57:00,970 --> 00:56:58,400

wright-patterson so much so that this is

1239

00:57:04,570 --> 00:57:00,980

your second book on this element of the

1240

00:57:06,040 --> 00:57:04,580

story well you know the history of

1241

00:57:06,609 --> 00:57:06,050

wright-patterson will make your head

1242

00:57:09,160 --> 00:57:06,619

explode

1243

00:57:12,130 --> 00:57:09,170

it just it's going through so many

1244

00:57:14,080 --> 00:57:12,140

different name changes you know the

1245

00:57:17,140 --> 00:57:14,090

field and all no we won't get into that

1246

00:57:19,510 --> 00:57:17,150

it did my eyes glaze over just so in

1247

00:57:23,320 --> 00:57:19,520

that history but I'd like to pick it up

1248

00:57:25,840 --> 00:57:23,330

during World War two when it was Wright

1249

00:57:28,120 --> 00:57:25,850

Field in Patterson Field at Wright Field

1250

00:57:30,970 --> 00:57:28,130

you know this is where all of the

1251

00:57:34,020 --> 00:57:30,980

captured enemy aircraft went for

1252

00:57:37,480 --> 00:57:34,030

analysis there are back engineering and

1253

00:57:41,230 --> 00:57:37,490

they did that in hangar 23 which became

1254

00:57:44,740 --> 00:57:41,240

by popular nomenclature the hangar 18

1255

00:57:47,200 --> 00:57:44,750

all of the captured axis fighter planes

1256

00:57:50,260 --> 00:57:47,210

and what-have-you went there to be taken

1257

00:57:53,290 --> 00:57:50,270

apart to see what made them tick and try

1258

00:57:55,780 --> 00:57:53,300

to improve upon what they analyzed in

1259

00:57:59,410 --> 00:57:55,790

our own fighter craft that would defeat

1260

00:58:03,910 --> 00:57:59,420

them so the back engineering capability

1261

00:58:06,990 --> 00:58:03,920

was at Wright Field also they had a an

1262

00:58:10,390 --> 00:58:07,000

advanced aero medical facility for

1263

00:58:13,240 --> 00:58:10,400

biological material so beyond its

1264

00:58:15,340 --> 00:58:13,250

importance where intelligence the

1265

00:58:18,220 --> 00:58:15,350

intelligence focus was at

1266

00:58:21,910 --> 00:58:18,230

wright-patterson so there's only natural

1267

00:58:25,690 --> 00:58:21,920

that something of a foreign nature went

1268

00:58:29,650 --> 00:58:25,700

to wright-patterson because they already

1269

00:58:32,980 --> 00:58:29,660

were set up to handle analysis and in

1270

00:58:34,420 --> 00:58:32,990

fact engineering what-have-you so that's

1271

00:58:37,090 --> 00:58:34,430

why I went to wright-patterson

1272

00:58:39,520 --> 00:58:37,100

but like Don said earlier the town of

1273

00:58:42,250 --> 00:58:39,530

Dayton built up right around the base

1274

00:58:44,470 --> 00:58:42,260

and when you're

1275

00:58:46,720 --> 00:58:44,480

you know testing new aircraft which is

1276

00:58:48,400 --> 00:58:46,730

what they did there you know you can

1277

00:58:51,630 --> 00:58:48,410

have an accident and a lot of people

1278

00:58:54,340 --> 00:58:51,640

would be killed so in the early 1950s

1279

00:58:57,880 --> 00:58:54,350

when they're starting to think about the

1280

00:59:01,030 --> 00:58:57,890

spy planes this most notably the YouTube

1281

00:59:03,609 --> 00:59:01,040

and later on the sr-71 blackbird

1282

00:59:08,020 --> 00:59:03,619

they wanted their more remote facility

1283

00:59:10,950 --> 00:59:08,030

which became area 51 in northwest of

1284

00:59:14,320 --> 00:59:10,960

Nevada but it all started at

1285

00:59:16,900 --> 00:59:14,330

wright-patterson in Dayton Ohio where

1286

00:59:19,540 --> 00:59:16,910

all those Air Force functions took place

1287

00:59:23,109 --> 00:59:19,550

you know grace a lot of our colleagues

1288

00:59:25,840 --> 00:59:23,119

It that suggests that Roswell ended at

1289

00:59:28,510 --> 00:59:25,850

Roswell or that it ended with the

1290

00:59:31,870 --> 00:59:28,520

balloon press conference at Fort Worth

1291

00:59:36,010 --> 00:59:31,880

Texas with general Ramey but it is also

1292

00:59:39,820 --> 00:59:36,020

an historic fact that the wreckage from

1293

00:59:43,290 --> 00:59:39,830

Roswell went to wright-patterson even

1294

00:59:46,750 --> 00:59:43,300

the Pentagon announced that at the time

1295

00:59:50,859 --> 00:59:46,760

and in heaven's name why would you eat

1296

00:59:56,380 --> 00:59:50,869

the test rubber foil would string and

1297

00:59:59,290 --> 00:59:56,390

tape to see what made it fly and they

1298

01:00:01,210 --> 00:59:59,300

would suggest the vulgar balloon went to

1299

01:00:04,120 --> 01:00:01,220

right field for testing back at that

1300

01:00:05,950 --> 01:00:04,130

time and the irony that the very first

1301

01:00:08,859 --> 01:00:05,960

view of all project and then the truth

1302

01:00:11,530 --> 01:00:08,869

subsequent originated were headquartered

1303

01:00:13,540 --> 01:00:11,540

at wright-patterson projects I'd brunch

1304

01:00:15,210 --> 01:00:13,550

and Blue Book were all headquartered at

1305

01:00:18,599 --> 01:00:15,220

wright-patterson

1306

01:00:21,359 --> 01:00:18,609

they they had the FTD the farm

1307

01:00:23,690 --> 01:00:21,369

technology division is this specific one

1308

01:00:26,040 --> 01:00:23,700

and the foreign technology they were

1309

01:00:29,300 --> 01:00:26,050

originally concerned with was like you

1310

01:00:33,000 --> 01:00:29,310

know Messerschmitts that dawn flu and

1311

01:00:35,760 --> 01:00:33,010

you know Mitsubishi zand makes it

1312

01:00:38,069 --> 01:00:35,770

Russian aircraft so that's what the

1313

01:00:40,530 --> 01:00:38,079

original intent was but when they got

1314

01:00:42,540 --> 01:00:40,540

something like really foreign from won't

1315

01:00:44,460 --> 01:00:42,550

the planet that's that's where they sent

1316

01:00:47,550 --> 01:00:44,470

it because they were the only ones set

1317

01:00:49,559 --> 01:00:47,560

up to handle something like that hmm

1318

01:00:53,010 --> 01:00:49,569

fair enough yes it's definitely an

1319

01:00:55,650 --> 01:00:53,020

important chapter of our history and I

1320

01:00:58,349 --> 01:00:55,660

know we might never get the full story

1321

01:01:00,930 --> 01:00:58,359

but we have enough to feel confident

1322

01:01:03,210 --> 01:01:00,940

that the basic shape of Roswell has some

1323

01:01:05,130 --> 01:01:03,220

definite truth to it what drives you

1324

01:01:06,839 --> 01:01:05,140

guys to keep plugging away here as you

1325

01:01:08,640 --> 01:01:06,849

note a lot of the witnesses are dead now

1326

01:01:11,250 --> 01:01:08,650

the further up the timeline you get the

1327

01:01:13,020 --> 01:01:11,260

more efficient the quarantine seems to

1328

01:01:14,940 --> 01:01:13,030

be you've obviously confirmed the story

1329

01:01:16,740 --> 01:01:14,950

through all these investigative elements

1330

01:01:18,329 --> 01:01:16,750

what more are you looking for what would

1331

01:01:21,420 --> 01:01:18,339

really complete this journey for you

1332

01:01:25,020 --> 01:01:21,430

guys a simple word Greg a piece of

1333

01:01:29,730 --> 01:01:25,030

physical evidence would top it off and

1334

01:01:32,430 --> 01:01:29,740

as we have had many attorneys we've even

1335

01:01:34,290 --> 01:01:32,440

had two judges Horsley tell us that we

1336

01:01:37,859 --> 01:01:34,300

could take this into any court of law

1337

01:01:40,170 --> 01:01:37,869

and wind hands down there gauze keeping

1338

01:01:44,430 --> 01:01:40,180

in mind the government is presently up

1339

01:01:45,720 --> 01:01:44,440

to four official explanations and we're

1340

01:01:49,500 --> 01:01:45,730

the ones who have all the witnesses

1341

01:01:53,599 --> 01:01:49,510

regarding our definition as to what

1342

01:01:57,000 --> 01:01:53,609

happened back in 1947 so who would win I

1343

01:01:59,480 --> 01:01:57,010

mean we have to accept that all history

1344

01:02:02,609 --> 01:01:59,490

is based on personal observation

1345

01:02:05,819 --> 01:02:02,619

personal counts people are you know

1346

01:02:07,559 --> 01:02:05,829

placed on death row or nothing more than

1347

01:02:09,089 --> 01:02:07,569

being able to demonstrate that they have

1348

01:02:10,760 --> 01:02:09,099

the preponderance of eyewitness

1349

01:02:14,180 --> 01:02:10,770

testimony

1350

01:02:17,030 --> 01:02:14,190

and that is precisely where we stand

1351

01:02:20,510 --> 01:02:17,040

with Roswell the fact that we have all

1352

01:02:22,790 --> 01:02:20,520

the witnesses they have none and all

1353

01:02:27,110 --> 01:02:22,800

they can say is what you can't prove it

1354

01:02:28,640 --> 01:02:27,120

but unlike all the other UFO cases we

1355

01:02:30,560 --> 01:02:28,650

could point the finger right back and

1356

01:02:33,320 --> 01:02:30,570

demonstrate but you have the proof

1357

01:02:35,990 --> 01:02:33,330

you've been hiding it all these years

1358

01:02:37,790 --> 01:02:36,000

and that's why the likes of the late

1359

01:02:40,190 --> 01:02:37,800

Senator Barry Goldwater and the late

1360

01:02:42,620 --> 01:02:40,200

congressman Stephen ship and even former

1361

01:02:44,240 --> 01:02:42,630

presidents Clinton and Carter former

1362

01:02:46,160 --> 01:02:44,250

governor of New Mexico bill Richardson

1363

01:02:48,200 --> 01:02:46,170

you know can all be on this program

1364

01:02:49,400 --> 01:02:48,210

right now and all momentum the fact that

1365

01:02:51,710 --> 01:02:49,410

they couldn't get the truth about

1366

01:02:55,130 --> 01:02:51,720

Roswell either so then we're coming back

1367

01:02:57,500 --> 01:02:55,140

to the power brokers the ones who are

1368

01:02:59,960 --> 01:02:57,510

actually running things and then we've

1369

01:03:02,780 --> 01:02:59,970

come full-circle we're saying they also

1370

01:03:07,340 --> 01:03:02,790

control the truth about the UFO

1371

01:03:09,920 --> 01:03:07,350

phenomena and then visa be Roswell hmm

1372

01:03:11,630 --> 01:03:09,930

well cheers to that totally agree and

1373

01:03:13,190 --> 01:03:11,640

like so many things we talk about on

1374

01:03:15,980 --> 01:03:13,200

this show we have the numbers we have a

1375

01:03:17,720 --> 01:03:15,990

lot of data they love to dismiss but you

1376

01:03:19,400 --> 01:03:17,730

just can't break through the system for

1377

01:03:22,250 --> 01:03:19,410

that very reason you just mentioned so

1378

01:03:23,810 --> 01:03:22,260

very cool well I hope you guys find that

1379

01:03:25,520 --> 01:03:23,820

pot of gold at the end of the end of the

1380

01:03:27,920 --> 01:03:25,530

rainbow I've got a lot of respect for

1381

01:03:29,930 --> 01:03:27,930

the dedication you both have thanks for

1382

01:03:32,720 --> 01:03:29,940

sharing your knowledge before we really

1383

01:03:34,070 --> 01:03:32,730

go tell people about the book about the

1384

01:03:36,050 --> 01:03:34,080

other books anything else you got

1385

01:03:39,950 --> 01:03:36,060

working on or the website even that you

1386

01:03:42,470 --> 01:03:39,960

guys share well we have the current book

1387

01:03:44,870 --> 01:03:42,480

came out a few weeks ago we have another

1388

01:03:47,420 --> 01:03:44,880

book coming out this summer or early

1389

01:03:51,460 --> 01:03:47,430

fall called it's a coffee table type

1390

01:03:53,630 --> 01:03:51,470

book called Roswell the chronological

1391

01:03:55,930 --> 01:03:53,640

pictorial we're really excited about

1392

01:03:59,090 --> 01:03:55,940

that it tells the story of Roswell

1393

01:04:00,800 --> 01:03:59,100

start-to-finish in pictures that we've

1394

01:04:02,930 --> 01:04:00,810

accumulated over the quarter century

1395

01:04:06,470 --> 01:04:02,940

that we've been working on the case and

1396

01:04:09,770 --> 01:04:06,480

next year the book next year will be out

1397

01:04:13,400 --> 01:04:09,780

in June we believe called Roswell case

1398

01:04:15,260 --> 01:04:13,410

closed and it sort of talks about most

1399

01:04:18,440 --> 01:04:15,270

of the witnesses 99 percent are going

1400

01:04:22,220 --> 01:04:18,450

now so we put our final book together

1401
01:04:24,500 --> 01:04:22,230
and it will be out next Oh early summer

1402
01:04:26,150 --> 01:04:24,510
called Roswell case closed

1403
01:04:28,880 --> 01:04:26,160
so that's what we have when the

1404
01:04:31,490 --> 01:04:28,890
immediate horizon our two books that

1405
01:04:35,630 --> 01:04:31,500
will be coming out besides the one we

1406
01:04:37,580 --> 01:04:35,640
discussed today very cool well thanks

1407
01:04:40,400 --> 01:04:37,590
for sharing your knowledge with us you

1408
01:04:42,770 --> 01:04:40,410
guys definitely know a lot and keep

1409
01:04:47,090 --> 01:04:42,780
plugging away thanks for your time thank

1410
01:04:53,840 --> 01:04:50,130
sweet ladies of Lynch field dear

1411
01:04:56,190 --> 01:04:53,850
listeners July wrapping up nicely for us

1412
01:05:00,510 --> 01:04:56,200
had to pay homage to the Roswell

1413
01:05:02,370 --> 01:05:00,520

incident after 72 years well I didn't

1414

01:05:04,680 --> 01:05:02,380

have to you but new page sent the book

1415

01:05:05,520 --> 01:05:04,690

out to me and I kind of held on to it

1416

01:05:07,710 --> 01:05:05,530

for a while

1417

01:05:10,320 --> 01:05:07,720

I wasn't sure if we were gonna fit this

1418

01:05:12,570 --> 01:05:10,330

in or not but I thought if I really

1419

01:05:14,490 --> 01:05:12,580

brought my a-game and asked some deep

1420

01:05:15,930 --> 01:05:14,500

and challenging questions then we might

1421

01:05:17,280 --> 01:05:15,940

end up with something better than

1422

01:05:20,730 --> 01:05:17,290

another

1423

01:05:21,240 --> 01:05:20,740

Roswell 101 show and you can be the

1424

01:05:23,820 --> 01:05:21,250

judge of that

1425

01:05:27,000 --> 01:05:23,830

I know I handled this interview a bit

1426

01:05:28,620 --> 01:05:27,010

differently than usual but I thought it

1427

01:05:31,920 --> 01:05:28,630

was warranted given everything that's

1428

01:05:34,050 --> 01:05:31,930

going on I mean it's pretty common over

1429

01:05:36,390 --> 01:05:34,060

the course of the two-hour interviews

1430

01:05:40,260 --> 01:05:36,400

for me to save room for some questions

1431

01:05:42,810 --> 01:05:40,270

that extrapolate pretty far out from the

1432

01:05:46,770 --> 01:05:42,820

base that's laid by the actual work of

1433

01:05:49,830 --> 01:05:46,780

the guests or guests and I respect Tom

1434

01:05:52,590 --> 01:05:49,840

and Don a lot what they do is not easy

1435

01:05:54,599 --> 01:05:52,600

it's meticulous and detailed and of

1436

01:05:57,900 --> 01:05:54,609

course we're all on the same side here

1437

01:06:01,109 --> 01:05:57,910

but I struggle with how a person can be

1438

01:06:03,990 --> 01:06:01,119

fascinated with only the Roswell

1439

01:06:08,160 --> 01:06:04,000

incident and have no interest in the

1440

01:06:10,670 --> 01:06:08,170

wider scope of the UFO mystery even just

1441

01:06:14,210 --> 01:06:10,680

the military side of it I mean to me

1442

01:06:16,770 --> 01:06:14,220

context matters and anything that

1443

01:06:19,770 --> 01:06:16,780

surrounds the Roswell incident should

1444

01:06:21,840 --> 01:06:19,780

matter if Wernher von Braun said that

1445

01:06:25,349 --> 01:06:21,850

there were two other crashes which I

1446

01:06:26,730 --> 01:06:25,359

took to mean disconnected crashes but

1447

01:06:29,130 --> 01:06:26,740

even if he didn't say it there are

1448

01:06:32,640 --> 01:06:29,140

others I don't get how they could

1449

01:06:35,060 --> 01:06:32,650

register a zero on the excitement scale

1450

01:06:37,830 --> 01:06:35,070

but Roswell is hitting in the red zone

1451

01:06:39,300 --> 01:06:37,840

it doesn't make sense to me but it

1452

01:06:42,000 --> 01:06:39,310

doesn't have to make sense to me

1453

01:06:44,190 --> 01:06:42,010

everybody can be interested in whatever

1454

01:06:47,220 --> 01:06:44,200

they want to be interested in and maybe

1455

01:06:49,920 --> 01:06:47,230

we need this sort of hyper focus from at

1456

01:06:52,740 --> 01:06:49,930

least a few people their dedication is

1457

01:06:55,170 --> 01:06:52,750

obviously commendable and this book does

1458

01:06:58,710 --> 01:06:55,180

add several layers to the credibility

1459

01:07:00,300 --> 01:06:58,720

cake it's a thick cake at this point but

1460

01:07:02,670 --> 01:07:00,310

we're in an era where we are

1461

01:07:05,160 --> 01:07:02,680

using people who even know a guy who

1462

01:07:09,270 --> 01:07:05,170

knows a guy who saw something back in

1463

01:07:10,890 --> 01:07:09,280

1947 so I am glad Tom and Don are

1464

01:07:14,790 --> 01:07:10,900

keeping it on the record

1465

01:07:16,800 --> 01:07:14,800

adding to the history but if you have 50

1466

01:07:19,010 --> 01:07:16,810

witnesses and anecdotes that confirm

1467

01:07:22,650 --> 01:07:19,020

most of the major details of something

1468

01:07:25,080 --> 01:07:22,660

do you need 50 more is there a point

1469

01:07:27,420 --> 01:07:25,090

where we say okay this is more or less

1470

01:07:30,720 --> 01:07:27,430

confirmed now let's see what it means

1471

01:07:32,130 --> 01:07:30,730

let's push on this a bit further because

1472

01:07:34,350 --> 01:07:32,140

right now we're dealing with a

1473

01:07:36,720 --> 01:07:34,360

disclosure rollout on major networks

1474

01:07:38,730 --> 01:07:36,730

with a lot of the Talking Heads finally

1475

01:07:42,570 --> 01:07:38,740

handed their talking points on this

1476

01:07:45,210 --> 01:07:42,580

subject and it's concerning or it should

1477

01:07:48,330 --> 01:07:45,220

be Harry Reid's CIA intelligence

1478

01:07:51,570 --> 01:07:48,340

officers I suggest you watch this stuff

1479

01:07:53,280 --> 01:07:51,580

with a very skeptical eye and I guess

1480

01:07:55,170 --> 01:07:53,290

when this stuff started to be

1481

01:07:57,600 --> 01:07:55,180

coordinated across the New York Times

1482

01:08:01,860 --> 01:07:57,610

The Wall Street Journal CNN Fox and

1483

01:08:03,990 --> 01:08:01,870

MSNBC I started to think okay maybe it's

1484

01:08:06,480 --> 01:08:04,000

time to put the joking aside for a

1485

01:08:09,720 --> 01:08:06,490

minute this isn't just some silly

1486

01:08:12,240 --> 01:08:09,730

[h__\h] from a pop punk band these are

1487

01:08:15,420 --> 01:08:12,250

dangerous people trying to control a

1488

01:08:17,700 --> 01:08:15,430

narrative with a very narrow frame that

1489

01:08:20,550 --> 01:08:17,710

ultimately could be used to let the war

1490

01:08:22,230 --> 01:08:20,560

machine do its thing or at least to

1491

01:08:24,960 --> 01:08:22,240

deceive the public into thinking that

1492

01:08:27,809 --> 01:08:24,970

the UFO situation is as simple as

1493

01:08:31,110 --> 01:08:27,819

mechanical crafts from hostile invaders

1494

01:08:34,530 --> 01:08:31,120

we know better than that we know it's a

1495

01:08:37,050 --> 01:08:34,540

much richer and deeper and long term

1496

01:08:40,590 --> 01:08:37,060

phenomenon relating to much more than

1497

01:08:43,770 --> 01:08:40,600

the military-industrial complex and we

1498

01:08:48,510 --> 01:08:43,780

need to be just a bit on guard I think

1499

01:08:51,360 --> 01:08:48,520

and people dealing with this sort of UFO

1500

01:08:53,700 --> 01:08:51,370

research have to be super careful right

1501

01:08:56,220 --> 01:08:53,710

now just with what they're putting out

1502

01:08:58,940 --> 01:08:56,230

there and signing off on and who they're

1503

01:09:02,070 --> 01:08:58,950

getting in bed with obviously

1504

01:09:04,349 --> 01:09:02,080

speculation is a major ingredient in the

1505

01:09:06,390 --> 01:09:04,359

THC recipe a lot of things we want to

1506

01:09:09,059 --> 01:09:06,400

know are off the table hidden behind the

1507

01:09:12,230 --> 01:09:09,069

curtain see you got a guess but when it

1508

01:09:14,340 --> 01:09:12,240

starts to relate to real operations I

1509

01:09:17,030 --> 01:09:14,350

tighten up a little

1510

01:09:20,010 --> 01:09:17,040

it's not just for fun anymore you know

1511

01:09:22,410 --> 01:09:20,020

maybe that's why today's guests don't

1512

01:09:25,289 --> 01:09:22,420

want to comment outside of their Roswell

1513

01:09:27,390 --> 01:09:25,299

focus I respect that but I just don't

1514

01:09:30,780 --> 01:09:27,400

think anything makes total sense in

1515

01:09:32,730 --> 01:09:30,790

isolation it's all right but there are

1516

01:09:34,230 --> 01:09:32,740

nuances in the book that they've

1517

01:09:37,349 --> 01:09:34,240

produced that I think are really

1518

01:09:39,090 --> 01:09:37,359

interesting despite being a person

1519

01:09:42,750 --> 01:09:39,100

already familiar with the Roswell case

1520

01:09:44,849 --> 01:09:42,760

like we all are so if you are interested

1521

01:09:47,340 --> 01:09:44,859

in that case overall and the Wright

1522

01:09:50,820 --> 01:09:47,350

Patterson connection it's a very

1523

01:09:53,010 --> 01:09:50,830

valuable book on an important saga in

1524

01:09:56,280 --> 01:09:53,020

our history I thank them for their

1525

01:09:58,440 --> 01:09:56,290

contribution it's easy to criticize but

1526

01:10:01,050 --> 01:09:58,450

I think if a lot of people compared

1527

01:10:04,310 --> 01:10:01,060

their own contribution before

1528

01:10:07,770 --> 01:10:04,320

criticizing they wouldn't get very far

1529

01:10:10,260 --> 01:10:07,780

but I do expect the listeners who got

1530

01:10:12,300 --> 01:10:10,270

through this interview to see a lot of

1531

01:10:13,470 --> 01:10:12,310

little subtleties that were worth the

1532

01:10:16,470 --> 01:10:13,480

price of admission

1533

01:10:18,810 --> 01:10:16,480

but again that's for you to decide and

1534

01:10:21,090 --> 01:10:18,820

of course Tom and Don both stuck around

1535

01:10:23,280 --> 01:10:21,100

for a second hour if you only heard the

1536

01:10:25,140 --> 01:10:23,290

first free hour you got to consider

1537

01:10:28,440 --> 01:10:25,150

becoming a plus member and getting the

1538

01:10:30,990 --> 01:10:28,450

full two our interviews in this one we

1539

01:10:33,150 --> 01:10:31,000

talked about Tom and Don's actual real

1540

01:10:36,090 --> 01:10:33,160

world visits to the crash site and some

1541

01:10:38,660 --> 01:10:36,100

of the readings they got space travel

1542

01:10:42,530 --> 01:10:38,670

and quantum physics Tom and Don's

1543

01:10:45,150 --> 01:10:42,540

thoughts on philip corso and bob lazar

1544

01:10:47,250 --> 01:10:45,160

elements of disinformation in the

1545

01:10:51,060 --> 01:10:47,260

roswell research and a lot of other

1546

01:10:54,210 --> 01:10:51,070

stuff so dive in the water is fine and

1547

01:10:55,980 --> 01:10:54,220

we have a very deep archive for you to

1548

01:10:59,940 --> 01:10:55,990

find all sorts of great stuff to get

1549

01:11:03,900 --> 01:10:59,950

into but we are coming in hot at the

1550

01:11:05,610 --> 01:11:03,910

zero hour on the 31st of the month but

1551
01:11:06,240 --> 01:11:05,620
that's gonna do it for me guys I've done

1552
01:11:08,940 --> 01:11:06,250
my part

1553
01:11:11,600 --> 01:11:08,950
your move disclosure roll out directors

1554
01:11:17,070 --> 01:11:11,610
metamaterial manipulators in area 51

1555
01:11:27,560 --> 01:11:22,230
woke up this morning with light in my

1556
01:11:31,010 --> 01:11:27,570
eyes and then realized it was done

1557
01:11:45,990 --> 01:11:38,000
it was a lie coming down from the sky I

1558
01:11:55,270 --> 01:11:50,450
must be those strangers that

1559
01:12:00,229 --> 01:11:55,280
every night whose saucer-shaped alight

1560
01:12:04,390 --> 01:12:00,239
but people are tied

1561
01:12:11,060 --> 01:12:04,400
the blue-green footprints left

1562
01:12:16,850 --> 01:12:11,070
glow-in-the-dark I hope you make it home

1563
01:12:24,509 --> 01:12:23,040

mr. spaceman won't you please take me

1564

01:12:32,310 --> 01:12:24,519

along

1565

01:12:37,979 --> 01:12:32,320

I won't do anything wrong hey mr.

1566

01:12:40,140 --> 01:12:37,989

spaceman won't you please take me along

1567

01:12:43,310 --> 01:12:40,150

the high

1568

01:12:48,810 --> 01:12:46,190

hold up this morning

1569

01:12:51,620 --> 01:12:48,820

[Music]

1570

01:13:01,550 --> 01:12:51,630

I weird I had it

1571

01:13:06,540 --> 01:13:03,950

written my name

1572

01:13:08,960 --> 01:13:06,550

[Music]

1573

01:13:14,610 --> 01:13:08,970

we'll see you

1574

01:13:18,550 --> 01:13:14,620

[Music]

1575

01:13:25,979 --> 01:13:21,190

won't you please

1576

01:13:28,440 --> 01:13:25,989

I won't do anything wrong

1577

01:13:33,009 --> 01:13:28,450

Hey

1578

01:13:45,530 --> 01:13:33,019

[Music]

1579

01:13:46,820 --> 01:13:45,540

face man

1580

01:13:52,100 --> 01:13:46,830

[Applause]

1581

01:14:04,970 --> 01:13:52,110

won't you please take me alone how long

1582

01:14:12,550 --> 01:14:04,980

do anything why don't you please take me

1583

01:14:12,560 --> 01:14:20,910

take me along the high
