the show

28

00:01:38,359 --> 00:01:36,030

from sunny San Diego I'm Greg Carl Wood

29

00:01:40,429 --> 00:01:38,369

operating your trusty digital lighthouse

30

00:01:43,130 --> 00:01:40,439

in the vast darkness that is lurking

31

00:01:45,109 --> 00:01:43,140

almost everywhere you look and if you

32

00:01:47,810 --> 00:01:45,119

use the term apocalypse by its original

33

00:01:49,880 --> 00:01:47,820

meaning to describe a great unveiling of

34

00:01:51,770 --> 00:01:49,890

such an extreme degree of magnitude that

35

00:01:53,810 --> 00:01:51,780

it breaks the world as we know it I

36

00:01:55,670 --> 00:01:53,820

think it might be a fair thing to say at

37

00:01:58,819 --> 00:01:55,680

this point in the timeline that we are

38

00:02:00,230 --> 00:01:58,829

in an apocalyptic era because it wasn't

39

00:02:02,120 --> 00:02:00,240

that long ago that I would have been

40

00:02:04,730 --> 00:02:02,130

genuinely shocked to hear about these

41

00:02:06,889 --> 00:02:04,740

things that now seem fairly normal the

42

00:02:09,080 --> 00:02:06,899

coordinated mainstream rollout of a UFO

43

00:02:11,119 --> 00:02:09,090

campaign to find the next boogeyman for

44

00:02:13,550 --> 00:02:11,129

the military-industrial complex the

45

00:02:16,220 --> 00:02:13,560

cartoon character reality star president

46

00:02:18,380 --> 00:02:16,230

sounding off daily on Twitter the leader

47

00:02:20,900 --> 00:02:18,390

of a black male fueled Hollywood

48

00:02:23,240 --> 00:02:20,910

self-help cult backed by major power

49

00:02:25,100 --> 00:02:23,250

pyramid families that procures wannabe

50

00:02:27,350 --> 00:02:25,110

starlets and brands them with a hot iron

51  
00:02:30,589 --> 00:02:27,360  
has actually been found guilty and is

52  
00:02:32,420 --> 00:02:30,599  
now in jail the quote-unquote suicide of

53  
00:02:35,119 --> 00:02:32,430  
Jeffrey Epstein in a maximum-security

54  
00:02:37,070 --> 00:02:35,129  
prison under a supposedly tight watch

55  
00:02:39,320 --> 00:02:37,080  
has made a conspiracy theorists out of

56  
00:02:41,360 --> 00:02:39,330  
every one an unmarked mass grave of

57  
00:02:43,759 --> 00:02:41,370  
hundreds of children's bodies has been

58  
00:02:45,770 --> 00:02:43,769  
publicly unearthed at the Vatican and a

59  
00:02:48,410 --> 00:02:45,780  
new Tarantino movie has come out that

60  
00:02:50,300 --> 00:02:48,420  
genuinely sucks it's all a bit outside

61  
00:02:51,920 --> 00:02:50,310  
of what I'm used to people but I'm

62  
00:02:53,270 --> 00:02:51,930  
rolling with it and I think we're due to

63  
00:02:55,550 --> 00:02:53,280

talk about at least a few of these

64

00:02:57,860 --> 00:02:55,560

things today most importantly the

65

00:03:00,530 --> 00:02:57,870

Jeffrey Epstein saga and his tangled web

66

00:03:02,630 --> 00:03:00,540

of connections as well as Keith Ranieri

67

00:03:04,790 --> 00:03:02,640

and the exposure of his own little cult

68

00:03:06,559 --> 00:03:04,800

and while these sorts of stories

69

00:03:08,839 --> 00:03:06,569

shouldn't surprise anyone who's familiar

70

00:03:11,300 --> 00:03:08,849

with Jimmy Savile is dark history the

71

00:03:13,309 --> 00:03:11,310

finders call Franklin scandal or any of

72

00:03:14,780 --> 00:03:13,319

the other dark dust ups that give us a

73

00:03:16,610 --> 00:03:14,790

glimpse into the child trafficking

74

00:03:19,130 --> 00:03:16,620

blackmail networks that wield the real

75

00:03:21,110 --> 00:03:19,140

power and deep politics got to admit

76

00:03:23,750 --> 00:03:21,120

it's odd to see the karma come calling

77

00:03:25,819 --> 00:03:23,760

like it has well here to help me step

78

00:03:28,099 --> 00:03:25,829

back from the edge of madness is a long

79

00:03:30,559 --> 00:03:28,109

overdue returning ghastr who goes by the

80

00:03:32,660 --> 00:03:30,569

name of recluse and covers these complex

81

00:03:34,520 --> 00:03:32,670

things with nonpartisan nuance and a

82

00:03:36,949 --> 00:03:34,530

conspiratorial clarity that is a bit

83

00:03:39,770 --> 00:03:36,959

rare to see these days on his blog by

84

00:03:42,619 --> 00:03:39,780

sup view a not so safe space dedicated

85

00:03:45,129 --> 00:03:42,629

to exploring the vast 14 realms of mind

86

00:03:47,780 --> 00:03:45,139

control deep politics sacred geometry

87

00:03:50,149 --> 00:03:47,790

synchronicity occult film and music the

88

00:03:51,740 --> 00:03:50,159

supernatural the extra-terrestrial the

89

00:03:54,649 --> 00:03:51,750

multi-dimensional and other high

90

00:03:56,539 --> 00:03:54,659

weirdness in all of its many forms you

91

00:03:58,819 --> 00:03:56,549

might remember our last show detailing

92

00:04:01,039 --> 00:03:58,829

Nazi occultism deep state rituals and

93

00:04:03,860 --> 00:04:01,049

the nine which is largely considered a

94

00:04:06,170 --> 00:04:03,870

top-shelf THC show in the archives and I

95

00:04:08,270 --> 00:04:06,180

already feel the magic coming back so

96

00:04:10,520 --> 00:04:08,280

let's get into it the conspiratorial

97

00:04:14,420 --> 00:04:10,530

connection chronicler an eight-legged

98

00:04:16,729 --> 00:04:14,430

esoteric agenda exposure recluse good to

99

00:04:18,469 --> 00:04:16,739

have you back how the hell are you I'm

100

00:04:21,469 --> 00:04:18,479

doing great it's definitely awesome to

101  
00:04:22,790 --> 00:04:21,479  
be back on THC of the Sieber remember

102  
00:04:24,740 --> 00:04:22,800  
our last show went pretty well so

103  
00:04:27,980 --> 00:04:24,750  
hopefully we'll also be informed of your

104  
00:04:29,930 --> 00:04:27,990  
listeners absolutely man I am quite

105  
00:04:32,330 --> 00:04:29,940  
psyched the blog's that you've posted

106  
00:04:34,129 --> 00:04:32,340  
about Epstein and his vast network of

107  
00:04:36,230 --> 00:04:34,139  
high-level connections as well as your

108  
00:04:39,290 --> 00:04:36,240  
nexium coverage have both been top-notch

109  
00:04:41,659 --> 00:04:39,300  
and I know tht listeners are hungry to

110  
00:04:43,790 --> 00:04:41,669  
have us get into such things but when

111  
00:04:45,649 --> 00:04:43,800  
legal proceedings are going on which has

112  
00:04:48,170 --> 00:04:45,659  
been true in both of these cases I like

113  
00:04:49,760 --> 00:04:48,180

to let the story play out before we

114

00:04:52,189 --> 00:04:49,770

dedicate a show to something that

115

00:04:54,189 --> 00:04:52,199

doesn't have an end and while I hope

116

00:04:57,080 --> 00:04:54,199

this isn't the end of the investigations

117

00:04:58,760 --> 00:04:57,090

Epstein is apparently dead and Keith

118

00:05:00,830 --> 00:04:58,770

Renier he was found guilty of sex

119

00:05:03,409 --> 00:05:00,840

trafficking forced labor racketeering

120

00:05:06,020 --> 00:05:03,419

and wire fraud so at least we have a

121

00:05:08,510 --> 00:05:06,030

little closure but the other factor is

122

00:05:10,550 --> 00:05:08,520

partisanship I can't tell you how many

123

00:05:12,680 --> 00:05:10,560

times an Epstein researcher has been

124

00:05:14,719 --> 00:05:12,690

recommended to me only to spend time

125

00:05:16,490 --> 00:05:14,729

digging into their work and given up

126

00:05:18,439 --> 00:05:16,500

because it becomes clear they're

127

00:05:20,930 --> 00:05:18,449

ignoring the connections that make their

128

00:05:22,909 --> 00:05:20,940

political team look bad something we

129

00:05:24,860 --> 00:05:22,919

should all be past at this point but

130

00:05:26,659 --> 00:05:24,870

really these networks of child

131

00:05:27,140 --> 00:05:26,669

trafficking and blackmail they know no

132

00:05:29,990 --> 00:05:27,150

bounds

133

00:05:32,060 --> 00:05:30,000

do that oh no absolutely not and I mean

134

00:05:33,350 --> 00:05:32,070

that's the big thing that Epstein should

135

00:05:36,230 --> 00:05:33,360

have highlighted to everybody which

136

00:05:37,760 --> 00:05:36,240

obviously it didn't which should have

137

00:05:40,280 --> 00:05:37,770

been drawn from it was that it

138

00:05:42,500 --> 00:05:40,290

definitely was bipartisan in nature I

139

00:05:43,880 --> 00:05:42,510

mean definitely Epstein was more go

140

00:05:45,470 --> 00:05:43,890

ingrained with the Democratic

141

00:05:47,630 --> 00:05:45,480

establishment there's no denying that

142

00:05:50,510 --> 00:05:47,640

but I mean clearly he also had some very

143

00:05:52,430 --> 00:05:50,520

conservative contacts as well both in

144

00:05:54,110 --> 00:05:52,440

the US and the UK there are actually

145

00:05:56,030 --> 00:05:54,120

some people in the infamous black book

146

00:05:59,960 --> 00:05:56,040

of his that also turn up and brexit as

147

00:06:02,120 --> 00:05:59,970

well so it's definitely a multi spectrum

148

00:06:03,710 --> 00:06:02,130

of politicians and different politics

149

00:06:07,100 --> 00:06:03,720

that were represented at naps teens

150

00:06:09,500 --> 00:06:07,110

black book no question yeah I also think

151

00:06:11,630 --> 00:06:09,510

it's pretty obvious that Epstein didn't

152

00:06:14,510 --> 00:06:11,640

kill himself he was definitely suicided

153

00:06:16,550 --> 00:06:14,520

the day after a major document dump of

154

00:06:19,250 --> 00:06:16,560

thousands of pages in one of America's

155

00:06:21,350 --> 00:06:19,260

most secure facilities only a week after

156

00:06:24,050 --> 00:06:21,360

the first attempt to kill himself off at

157

00:06:25,490 --> 00:06:24,060

a time when guards were told to leave

158

00:06:27,710 --> 00:06:25,500

for maintenance or were sleeping

159

00:06:30,440 --> 00:06:27,720

depending on which article you read and

160

00:06:32,420 --> 00:06:30,450

surprise surprise the security camera

161

00:06:35,150 --> 00:06:32,430

malfunctioned it's about as bold as it

162

00:06:36,590 --> 00:06:35,160

gets isn't it man oh yeah absolutely and

163

00:06:39,080 --> 00:06:36,600

then what was that he was taken off of

164

00:06:41,720 --> 00:06:39,090

suicide watch after a prior attempt on

165

00:06:43,040 --> 00:06:41,730

the 23rd after only six days I think

166

00:06:45,020 --> 00:06:43,050

there's actually some dispute now that

167

00:06:46,550 --> 00:06:45,030

he was his attorney who had been pushing

168

00:06:50,150 --> 00:06:46,560

for him to be taken off of suicide

169

00:06:52,550 --> 00:06:50,160

watched food so yeah I mean it's almost

170

00:06:55,100 --> 00:06:52,560

comical just how ham-fisted all this has

171

00:06:56,720 --> 00:06:55,110

been I definitely think there was

172

00:06:58,700 --> 00:06:56,730

probably a deliberate intention to try

173

00:07:00,350 --> 00:06:58,710

to further stoke the division in this

174

00:07:03,460 --> 00:07:00,360

country with the you know quote-unquote

175

00:07:07,010 --> 00:07:03,470

suicide before such obvious [h\_\_h]

176

00:07:10,070 --> 00:07:07,020

indeed indeed and some people are

177

00:07:12,080 --> 00:07:10,080

speculating over if he's really even

178

00:07:13,940 --> 00:07:12,090

dead I've seen some posts that try to

179

00:07:15,590 --> 00:07:13,950

make the case that the body that was

180

00:07:17,750 --> 00:07:15,600

briefly shown on the stretcher was

181

00:07:19,880 --> 00:07:17,760

actually Hillary Clinton's brother Toni

182

00:07:22,910 --> 00:07:19,890

Rodham who did just die a few weeks ago

183

00:07:25,070 --> 00:07:22,920

but I don't know about that what is more

184

00:07:27,410 --> 00:07:25,080

interesting to me is that they called in

185

00:07:30,110 --> 00:07:27,420

dr. Michael Baden for the epstein

186

00:07:32,930 --> 00:07:30,120

autopsy and he's the same guy who was in

187

00:07:35,750 --> 00:07:32,940

charge of the JFK and MLK assassination

188

00:07:37,850 --> 00:07:35,760

investigations also testified at the OJ

189

00:07:39,800 --> 00:07:37,860

Simpson trial was involved in the

190

00:07:40,250 --> 00:07:39,810

Michael Brown investigation and his

191

00:07:42,980 --> 00:07:40,260

mayor

192

00:07:45,890 --> 00:07:42,990

- one of Phil Spector's Maine attorneys

193

00:07:48,170 --> 00:07:45,900

so he seems like the guy you call when

194

00:07:50,540 --> 00:07:48,180

you need a high-profile case to get a

195

00:07:53,500 --> 00:07:50,550

quick whitewash and go the way you want

196

00:07:55,760 --> 00:07:53,510

it - you know yeah absolutely absolutely

197

00:07:57,350 --> 00:07:55,770

yeah I hadn't even actually looked into

198

00:07:58,880 --> 00:07:57,360

that one yet but I mean it's hardly

199

00:08:00,230 --> 00:07:58,890

surprising that they would pull out some

200

00:08:02,930 --> 00:08:00,240

character like that for this

201  
00:08:05,810 --> 00:08:02,940  
quote-unquote investigation yep a

202  
00:08:07,190 --> 00:08:05,820  
gatekeeper of sorts okay to get into

203  
00:08:09,860 --> 00:08:07,200  
this thing there's still a lot of

204  
00:08:12,140 --> 00:08:09,870  
confusion over who Epstein was and how

205  
00:08:14,090 --> 00:08:12,150  
he made his money it seems pretty clear

206  
00:08:15,710 --> 00:08:14,100  
that he was a major player in the child

207  
00:08:18,070 --> 00:08:15,720  
trafficking business and that the

208  
00:08:20,690 --> 00:08:18,080  
underlying purpose of his operation was

209  
00:08:24,110 --> 00:08:20,700  
compromising billionaires and the

210  
00:08:26,690 --> 00:08:24,120  
political elite or someone I'm sure

211  
00:08:29,360 --> 00:08:26,700  
having a home in the aptly named Virgin

212  
00:08:31,880 --> 00:08:29,370  
Islands a known tax haven is part of the

213  
00:08:34,100 --> 00:08:31,890

scheme but he's not one of these

214

00:08:36,800 --> 00:08:34,110

dynastic names you know how do you

215

00:08:40,190 --> 00:08:36,810

assess Epstein broadly what his role was

216

00:08:42,890 --> 00:08:40,200

and who he really worked for well he

217

00:08:44,630 --> 00:08:42,900

clearly seems to have been groomed I

218

00:08:46,910 --> 00:08:44,640

would say for this role for some time

219

00:08:48,560 --> 00:08:46,920

and I think a key clue was something

220

00:08:50,870 --> 00:08:48,570

that one of my readers recently shared

221

00:08:53,780 --> 00:08:50,880

with me KTV that he had been originally

222

00:08:55,250 --> 00:08:53,790

brought into his first job I believe is

223

00:08:57,440 --> 00:08:55,260

some kind of teaching gig at like an

224

00:08:59,000 --> 00:08:57,450

elite Academy or something like that it

225

00:09:01,790 --> 00:08:59,010

name escapes me but the guy who brought

226

00:09:04,490 --> 00:09:01,800

him in was David Barr who happens to be

227

00:09:06,320 --> 00:09:04,500

the father of William Barr the current

228

00:09:09,320 --> 00:09:06,330

US Attorney General who's overseeing

229

00:09:11,420 --> 00:09:09,330

this investigation and more importantly

230

00:09:14,090 --> 00:09:11,430

from the perspective of my research this

231

00:09:15,440 --> 00:09:14,100

David Barr was also a or Moreau SS

232

00:09:17,690 --> 00:09:15,450

officer at the Office of Strategic

233

00:09:20,210 --> 00:09:17,700

Services which was the predecessor

234

00:09:23,090 --> 00:09:20,220

agency to the CIA during World War two

235

00:09:24,830 --> 00:09:23,100

and definitely based on what I've been

236

00:09:26,960 --> 00:09:24,840

uncovering there's a lot of background

237

00:09:29,330 --> 00:09:26,970

from this kind of old OSS Oldboy Network

238

00:09:31,130 --> 00:09:29,340

that sort of hovers in the background of

239

00:09:33,860 --> 00:09:31,140

this you know expansive network that's

240

00:09:35,480 --> 00:09:33,870

been going on for several decades but I

241

00:09:39,770 --> 00:09:35,490

mean Epstein goes out

242

00:09:41,930 --> 00:09:39,780

it's gonna tab by bar then by 1987 he

243

00:09:44,810 --> 00:09:41,940

encounters Donald Trump which as far as

244

00:09:46,820 --> 00:09:44,820

I can tell was their first meeting and I

245

00:09:48,470 --> 00:09:46,830

know Vanity Fair just had an article

246

00:09:50,450 --> 00:09:48,480

they published I believe just a few days

247

00:09:53,510 --> 00:09:50,460

ago that detailed how he met his Lane

248

00:09:55,550 --> 00:09:53,520

maxwell was apparently around 91 92

249

00:09:57,800 --> 00:09:55,560

shortly after her father had allegedly

250

00:10:00,610 --> 00:09:57,810

committed suicide under equally dubious

251

00:10:02,870 --> 00:10:00,620

circumstances let us just say and

252

00:10:05,269 --> 00:10:02,880

apparently it was Trump who had urged

253

00:10:07,760 --> 00:10:05,279

Epstein to get into contact with her -

254

00:10:10,250 --> 00:10:07,770

of course ashleen would go on to become

255

00:10:11,750 --> 00:10:10,260

his so-called madam and definitely I

256

00:10:14,420 --> 00:10:11,760

think was the source of some of his

257

00:10:17,210 --> 00:10:14,430

really upscale contacts especially in

258

00:10:19,100 --> 00:10:17,220

the British establishment but I mean

259

00:10:20,960 --> 00:10:19,110

Epstein definitely seems like someone

260

00:10:22,730 --> 00:10:20,970

who had been maybe talents scouted by

261

00:10:24,290 --> 00:10:22,740

this network you know when he was

262

00:10:25,820 --> 00:10:24,300

relatively young and was eventually

263

00:10:29,410 --> 00:10:25,830

brought into more of the inner workings

264

00:10:32,570 --> 00:10:29,420

by Trump at some point in the late 80s

265

00:10:35,810 --> 00:10:32,580

mm-hmm-hmm and I would just add a little

266

00:10:38,360 --> 00:10:35,820

bit to that first point which is yes

267

00:10:40,940 --> 00:10:38,370

Epstein was a college dropout in his 20s

268

00:10:44,000 --> 00:10:40,950

and he was hired to teach at Dalton

269

00:10:46,519 --> 00:10:44,010

school which was originally called the

270

00:10:48,920 --> 00:10:46,529

children's university school outlay

271

00:10:51,320 --> 00:10:48,930

enough but he was hired with almost no

272

00:10:53,900 --> 00:10:51,330

qualifications by the headmaster

273

00:10:56,060 --> 00:10:53,910

Donald Barr who is the father of William

274

00:10:58,699 --> 00:10:56,070

Barr the trump appointed Attorney

275

00:11:00,949 --> 00:10:58,709

General who was overseeing the Epstein

276

00:11:02,740 --> 00:11:00,959

case I mean that's a pretty strange

277

00:11:07,100 --> 00:11:02,750

circle of events just right there

278

00:11:10,600 --> 00:11:07,110

absolutely and it spirals out to insane

279

00:11:12,710 --> 00:11:10,610

proportions of course as you know and

280

00:11:15,350 --> 00:11:12,720

you know what's been most eye-opening

281

00:11:18,829 --> 00:11:15,360

about your coverage of this to me and

282

00:11:21,500 --> 00:11:18,839

how far you go in linking certain people

283

00:11:24,170 --> 00:11:21,510

and other blackmail networks is that the

284

00:11:26,510 --> 00:11:24,180

crux of all of this and similar scandals

285

00:11:29,120 --> 00:11:26,520

like it in the past is that we have this

286

00:11:31,370 --> 00:11:29,130

person collecting a blackmail file on

287

00:11:33,500 --> 00:11:31,380

the rich and powerful and the subtext of

288

00:11:35,360 --> 00:11:33,510

everything is controlling that file

289

00:11:38,180 --> 00:11:35,370

because if you want to take the country

290

00:11:39,769 --> 00:11:38,190

in a different direction then it's been

291

00:11:42,380 --> 00:11:39,779

going for the last few decades which

292

00:11:44,019 --> 00:11:42,390

seems clear over the last couple years

293

00:11:46,400 --> 00:11:44,029

then you need to free up the

294

00:11:48,920 --> 00:11:46,410

compromising material that keeps these

295

00:11:51,680 --> 00:11:48,930

political figures in line or you need to

296

00:11:54,110 --> 00:11:51,690

get it yourself as Gordon white put it

297

00:11:56,210 --> 00:11:54,120

in his recent newsletter if you're one

298

00:11:57,620 --> 00:11:56,220

of these kid [h\_\_h] expect a phone call

299

00:11:59,900 --> 00:11:57,630

because you probably work for someone

300

00:12:02,600 --> 00:11:59,910

else now and I think that kind of nails

301  
00:12:05,090 --> 00:12:02,610  
it yeah absolutely I mean it's

302  
00:12:06,769 --> 00:12:05,100  
definitely a control mechanism and this

303  
00:12:07,180 --> 00:12:06,779  
was something that sort of initially

304  
00:12:08,560 --> 00:12:07,190  
came

305  
00:12:10,420 --> 00:12:08,570  
I'm sure there might be other instances

306  
00:12:12,850 --> 00:12:10,430  
but one of the earliest I'm familiar of

307  
00:12:15,070 --> 00:12:12,860  
or some of the revelations concerning p2

308  
00:12:17,470 --> 00:12:15,080  
the you know in finis Italian Masonic

309  
00:12:19,660 --> 00:12:17,480  
Lodge that was involved so heavily in

310  
00:12:22,600 --> 00:12:19,670  
Italian deep politics in the late 70s

311  
00:12:24,430 --> 00:12:22,610  
early 80s but I mean one of the pre reza

312  
00:12:26,250 --> 00:12:24,440  
quits for joining p2 is that you

313  
00:12:28,510 --> 00:12:26,260

essentially had to turn over

314

00:12:31,240 --> 00:12:28,520

compromising material that you had both

315

00:12:33,970 --> 00:12:31,250

on yourself and associates of yours to

316

00:12:36,070 --> 00:12:33,980

the Grand Master Delhi so that they

317

00:12:38,320 --> 00:12:36,080

would essentially serve as control vials

318

00:12:40,180 --> 00:12:38,330

so yeah I mean this has definitely been

319

00:12:42,040 --> 00:12:40,190

a big part of this and it's not just in

320

00:12:43,750 --> 00:12:42,050

the United States it's clearly in a lot

321

00:12:45,610 --> 00:12:43,760

of other Western nations and probably

322

00:12:48,250 --> 00:12:45,620

you know even beyond the west but this

323

00:12:51,430 --> 00:12:48,260

is essentially how this system has been

324

00:12:54,370 --> 00:12:51,440

run for many years now mm-hmm

325

00:12:56,740 --> 00:12:54,380

absolutely and so many other people

326

00:12:59,860 --> 00:12:56,750

connected and not connected have gotten

327

00:13:01,840 --> 00:12:59,870

wise to how to set up stuff like this I

328

00:13:04,120 --> 00:13:01,850

mean that is the nexium cult in a

329

00:13:06,460 --> 00:13:04,130

nutshell from what I've read alicandmac

330

00:13:08,770 --> 00:13:06,470

who was his right hand madam there's

331

00:13:10,780 --> 00:13:08,780

always a female sidekick because the

332

00:13:13,150 --> 00:13:10,790

female can get the women in line and

333

00:13:15,430 --> 00:13:13,160

they feel a kinship to another woman and

334

00:13:17,830 --> 00:13:15,440

of course that's betrayed but it's a

335

00:13:20,290 --> 00:13:17,840

pretty useful tactic and from what I

336

00:13:23,320 --> 00:13:20,300

understand when people would get into

337

00:13:26,140 --> 00:13:23,330

the inner circles of Nexium you had to

338

00:13:28,030 --> 00:13:26,150

send compromising material to a Dropbox

339

00:13:29,860 --> 00:13:28,040

folder she'd give you the link and she'd

340

00:13:31,270 --> 00:13:29,870

be like okay put some stuff in there and

341

00:13:33,850 --> 00:13:31,280

then we'll move you up to the next level

342

00:13:35,650 --> 00:13:33,860

it's the same story compromising

343

00:13:37,510 --> 00:13:35,660

material that you'd be very embarrassed

344

00:13:39,070 --> 00:13:37,520

if it got out you don't really know what

345

00:13:41,700 --> 00:13:39,080

you're getting into and once you've done

346

00:13:44,230 --> 00:13:41,710

that you're in their pocket forever

347

00:13:46,960 --> 00:13:44,240

absolutely and then I mean the other

348

00:13:48,520 --> 00:13:46,970

kind of curious aspect that we I think

349

00:13:50,710 --> 00:13:48,530

maybe got a glimpse of from the Epstein

350

00:13:52,240 --> 00:13:50,720

case as well were these lack projects

351

00:13:53,740 --> 00:13:52,250

that sort of hover in the background of

352

00:13:55,780 --> 00:13:53,750

course it's very interesting that

353

00:13:57,730 --> 00:13:55,790

Epstein had so many ties to the

354

00:13:59,380 --> 00:13:57,740

scientific community and many you know

355

00:14:02,320 --> 00:13:59,390

leading scientists like Steven Hawkins

356

00:14:04,060 --> 00:14:02,330

and so forth and that definitely raises

357

00:14:06,340 --> 00:14:04,070

some interesting questions especially in

358

00:14:08,230 --> 00:14:06,350

regards to his Mexico property a lot of

359

00:14:10,570 --> 00:14:08,240

these allegations that he was very

360

00:14:13,300 --> 00:14:10,580

interested in eugenics and transhumanism

361

00:14:14,920 --> 00:14:13,310

and so forth and this has been something

362

00:14:16,360 --> 00:14:14,930

that she just kind of brought up Gordon

363

00:14:18,579 --> 00:14:16,370

white the great Gordon white of Haroon

364

00:14:21,220 --> 00:14:18,589

soup who is really compelling Lee argued

365

00:14:22,780 --> 00:14:21,230

for years now that these hill

366

00:14:24,910 --> 00:14:22,790

it funds that were generated through

367

00:14:27,760 --> 00:14:24,920

drug trafficking and like had possibly

368

00:14:30,130 --> 00:14:27,770

been used to fund some of this black

369

00:14:33,190 --> 00:14:30,140

research this research that you really

370

00:14:35,500 --> 00:14:33,200

not want the public to know about in the

371

00:14:37,690 --> 00:14:35,510

case of Epstein is a former attorney

372

00:14:40,180 --> 00:14:37,700

even said that he had a keen interest in

373

00:14:41,680 --> 00:14:40,190

genetic manipulation and obviously this

374

00:14:44,500 --> 00:14:41,690

is something that if you were to even

375

00:14:45,490 --> 00:14:44,510

try to do it in a public forum or

376

00:14:47,290 --> 00:14:45,500

something it would take years to

377

00:14:50,890 --> 00:14:47,300

probably even get you know legislation

378

00:14:53,260 --> 00:14:50,900

passed allowing you to do it so a guy

379

00:14:55,180 --> 00:14:53,270

like Epstein with his resources he would

380

00:14:56,560 --> 00:14:55,190

have been in a great position to do this

381

00:14:59,350 --> 00:14:56,570

or at least sponsor this kind of

382

00:15:02,590 --> 00:14:59,360

research on the Qt so to speak with

383

00:15:05,500 --> 00:15:02,600

nobody being aware of it mm-hmm mm-hmm

384

00:15:07,600 --> 00:15:05,510

excellent points and I definitely want

385

00:15:11,620 --> 00:15:07,610

to get into that black project stuff I

386

00:15:14,110 --> 00:15:11,630

mean it is some of the wildest material

387

00:15:16,270 --> 00:15:14,120

in this saga but I wanted to do a little

388

00:15:18,370 --> 00:15:16,280

more foundational stuff first and maybe

389

00:15:21,640 --> 00:15:18,380

run through some of the names in

390

00:15:24,220 --> 00:15:21,650

Epstein's little black book of course it

391

00:15:26,590 --> 00:15:24,230

doesn't necessarily implicate these

392

00:15:29,080 --> 00:15:26,600

people in any crime but it ain't good to

393

00:15:33,340 --> 00:15:29,090

be in that book what names did you see

394

00:15:35,350 --> 00:15:33,350

how far and why does this stretch I mean

395

00:15:36,280 --> 00:15:35,360

it definitely stretches all across the

396

00:15:38,260 --> 00:15:36,290

United States and the British

397

00:15:41,380 --> 00:15:38,270

establishment there's even you know some

398

00:15:44,350 --> 00:15:41,390

Israelis and so forth and there it's

399

00:15:47,940 --> 00:15:44,360

definitely a far-reaching network of

400

00:15:49,780 --> 00:15:47,950

contacts that Epstein had no question

401  
00:15:51,370 --> 00:15:49,790  
obviously there were quite a few

402  
00:15:54,040 --> 00:15:51,380  
interesting names there a lot of people

403  
00:15:55,660 --> 00:15:54,050  
probably would focus on the you know

404  
00:15:57,160 --> 00:15:55,670  
ones link to the entertainment industry

405  
00:15:59,020 --> 00:15:57,170  
you had some ones that were rather

406  
00:16:03,670 --> 00:15:59,030  
expected I suppose in the sense Kevin

407  
00:16:05,710 --> 00:16:03,680  
Spacey Michael Jackson Ralph Fiennes was

408  
00:16:07,710 --> 00:16:05,720  
kind of an interesting one there he's a

409  
00:16:09,790 --> 00:16:07,720  
distant relation of the royal family

410  
00:16:11,860 --> 00:16:09,800  
Courtney Love who I'm sure you're aware

411  
00:16:13,570 --> 00:16:11,870  
there are quite a considerable amount of

412  
00:16:16,060 --> 00:16:13,580  
conspiracy theories surrounding her and

413  
00:16:18,190 --> 00:16:16,070

the death of Kurt Cobain yet Bob

414

00:16:19,930 --> 00:16:18,200

Weinstein the brother of Harvey

415

00:16:22,090 --> 00:16:19,940

Weinstein who appears to have been a

416

00:16:24,700 --> 00:16:22,100

sexual predator for any number of years

417

00:16:26,680 --> 00:16:24,710

he had quite a few women to commit

418

00:16:30,130 --> 00:16:26,690

sexual acts with him as part of his job

419

00:16:32,800 --> 00:16:30,140

overseeing Miramax and then of course

420

00:16:34,150 --> 00:16:32,810

you have the broths some of the you know

421

00:16:34,990 --> 00:16:34,160

real big political dynasties the

422

00:16:36,370 --> 00:16:35,000

Rothschild

423

00:16:38,710 --> 00:16:36,380

have representatives in the book

424

00:16:41,890 --> 00:16:38,720

specifically Evelyn de Rothschild who's

425

00:16:44,500 --> 00:16:41,900

one of the major ones and also another

426

00:16:46,330 --> 00:16:44,510

associate of the Rothschilds family who

427

00:16:48,910 --> 00:16:46,340

had previously been implicated as a

428

00:16:50,740 --> 00:16:48,920

pedophile who was Peter Mandelson who

429

00:16:53,020 --> 00:16:50,750

had also been a big factor in the Labour

430

00:16:54,610 --> 00:16:53,030

Party in the UK he had worked with Tony

431

00:16:56,320 --> 00:16:54,620

Blair and Gordon Brown and their

432

00:16:58,300 --> 00:16:56,330

administrations he was part of a very

433

00:16:59,020 --> 00:16:58,310

progressive think tank known as policy

434

00:17:01,600 --> 00:16:59,030

network

435

00:17:03,700 --> 00:17:01,610

there were also multiple members of the

436

00:17:05,410 --> 00:17:03,710

Kennedy family I believe almost half a

437

00:17:07,840 --> 00:17:05,420

dozen members that were present in

438

00:17:09,880 --> 00:17:07,850

Epstein's black book Henry Kissinger's

439

00:17:12,069 --> 00:17:09,890

in there I mean absolute pinnacle you

440

00:17:15,250 --> 00:17:12,079

know political sections movements and so

441

00:17:17,170 --> 00:17:15,260

forth Kissinger is definitely one of the

442

00:17:19,569 --> 00:17:17,180

most connected leads of the 20th century

443

00:17:22,660 --> 00:17:19,579

and beyond no question you've got David

444

00:17:24,040 --> 00:17:22,670

Koch part of the famous Koch family who

445

00:17:25,569 --> 00:17:24,050

have been a major backers of the

446

00:17:28,510 --> 00:17:25,579

libertarian movement in the United

447

00:17:30,010 --> 00:17:28,520

States and then of course there are the

448

00:17:32,470 --> 00:17:30,020

inevitable British connections you've

449

00:17:35,890 --> 00:17:32,480

got William asked her part of the story

450

00:17:37,420 --> 00:17:35,900

asked her family there's Mark Getty

451  
00:17:40,600 --> 00:17:37,430  
who's part of the Getty family that

452  
00:17:42,820 --> 00:17:40,610  
originated in the United States members

453  
00:17:46,450 --> 00:17:42,830  
of the gold Smith family the Hamm bro

454  
00:17:49,420 --> 00:17:46,460  
family the so mez I mean these were all

455  
00:17:53,470 --> 00:17:49,430  
major players within the UK for many

456  
00:17:54,940 --> 00:17:53,480  
many years now so certainly her goes to

457  
00:17:56,650 --> 00:17:54,950  
the upper echelon I would say of the

458  
00:17:58,210 --> 00:17:56,660  
establishments in both the United States

459  
00:17:59,770 --> 00:17:58,220  
and the United Kingdom's

460  
00:18:03,070 --> 00:17:59,780  
based on the names that I've seen in

461  
00:18:04,660 --> 00:18:03,080  
this black book yes indeed and I was

462  
00:18:06,370 --> 00:18:04,670  
just crossing them off my list as you

463  
00:18:07,840 --> 00:18:06,380

were naming people but the only other

464

00:18:11,380 --> 00:18:07,850

ones I'd throw in there

465

00:18:14,800 --> 00:18:11,390

alec baldwin andrew cuomo the governor

466

00:18:17,710 --> 00:18:14,810

of new york the nephew of george soros

467

00:18:20,230 --> 00:18:17,720

prince andrew as you said members of the

468

00:18:22,660 --> 00:18:20,240

Astor family the Cecil family couple of

469

00:18:25,330 --> 00:18:22,670

Geddes for good measure and that Ralph

470

00:18:27,370 --> 00:18:25,340

Fiennes guy that you mentioned I didn't

471

00:18:29,320 --> 00:18:27,380

know who he was but he played Voldemort

472

00:18:32,530 --> 00:18:29,330

in the Harry Potter movies for anyone

473

00:18:34,180 --> 00:18:32,540

who wasn't sure yeah yeah yeah I think

474

00:18:36,310 --> 00:18:34,190

he also got an Oscar nomination for the

475

00:18:37,960 --> 00:18:36,320

English Patient back in the day he's

476

00:18:40,120 --> 00:18:37,970

definitely been in quite a few films

477

00:18:41,860 --> 00:18:40,130

though but certainly it's definitely

478

00:18:43,930 --> 00:18:41,870

interesting that he has that ties to the

479

00:18:45,790 --> 00:18:43,940

Royal since it seems like Epstein had

480

00:18:47,740 --> 00:18:45,800

made some contacts obviously with Prince

481

00:18:48,220 --> 00:18:47,750

Andrew but who knows who else might have

482

00:18:50,650 --> 00:18:48,230

also

483

00:18:53,320 --> 00:18:50,660

boss past with him over the years yeah

484

00:18:55,539 --> 00:18:53,330

it's a hell of a list man for sure and

485

00:18:57,700 --> 00:18:55,549

if we're gonna talk about connections

486

00:18:59,830 --> 00:18:57,710

obviously people have been talking about

487

00:19:02,110 --> 00:18:59,840

the Epstein Clinton connection for a

488

00:19:04,659 --> 00:19:02,120

long long time Bill Clinton has been on

489

00:19:06,909 --> 00:19:04,669

the lolita' Express about 20 times they

490

00:19:09,820 --> 00:19:06,919

took a month-long trip to Africa

491

00:19:11,590 --> 00:19:09,830

together in 2002 apparently Epstein

492

00:19:13,539 --> 00:19:11,600

played a big role in launching the

493

00:19:16,140 --> 00:19:13,549

Clinton Global Initiative which was an

494

00:19:19,150 --> 00:19:16,150

offshoot of the Clinton Foundation also

495

00:19:21,460 --> 00:19:19,160

he Lane Maxwell who was Epstein's number

496

00:19:23,590 --> 00:19:21,470

two in command his madam as they say she

497

00:19:26,770 --> 00:19:23,600

was a guest at Chelsea Clinton's wedding

498

00:19:28,419 --> 00:19:26,780

so yes there is something here and I

499

00:19:31,330 --> 00:19:28,429

don't want to downplay all that but I

500

00:19:33,430 --> 00:19:31,340

just consider Bill Clinton to be one of

501  
00:19:35,530 --> 00:19:33,440  
many depraved sex addicts that are in

502  
00:19:37,870 --> 00:19:35,540  
the abstinence circle and I wanted to

503  
00:19:40,419 --> 00:19:37,880  
list those connections because I want to

504  
00:19:42,880 --> 00:19:40,429  
be nonpartisan but the Clintons are

505  
00:19:44,830 --> 00:19:42,890  
really just a washed-up power couple at

506  
00:19:47,890 --> 00:19:44,840  
this point middle management and a vast

507  
00:19:48,549 --> 00:19:47,900  
criminal evil empire of sadistic creeps

508  
00:19:52,690 --> 00:19:48,559  
yes

509  
00:19:55,570 --> 00:19:52,700  
relevant in 2019 not so much and there

510  
00:19:57,039 --> 00:19:55,580  
are a lot more connections or at least

511  
00:19:58,870 --> 00:19:57,049  
just as many to this current

512  
00:20:00,730 --> 00:19:58,880  
administration as you mentioned the bar

513  
00:20:02,409 --> 00:20:00,740

one is curious but there's others that

514

00:20:05,680 --> 00:20:02,419

need to be looked at wouldn't you say oh

515

00:20:08,110 --> 00:20:05,690

absolutely and I mean yes the Clintons

516

00:20:09,760 --> 00:20:08,120

still flabbergasted by just the

517

00:20:11,770 --> 00:20:09,770

obsession that so many people on the

518

00:20:13,180 --> 00:20:11,780

right have with them and in saying that

519

00:20:15,669 --> 00:20:13,190

I'm not trying to argue that the

520

00:20:19,120 --> 00:20:15,679

Clintons aren't monstrous and evil and

521

00:20:21,220 --> 00:20:19,130

so forth but I mean certainly their

522

00:20:24,520 --> 00:20:21,230

importance to my mind has been grossly

523

00:20:26,710 --> 00:20:24,530

overstated for years now it seems really

524

00:20:28,840 --> 00:20:26,720

that the Clintons were very much a kind

525

00:20:30,970 --> 00:20:28,850

of propped up by the bush dynasty which

526

00:20:33,190 --> 00:20:30,980

had already been me wealthy and powerful

527

00:20:34,419 --> 00:20:33,200

for nearly a century by the time they

528

00:20:36,159 --> 00:20:34,429

kind of hooked up together and Mena

529

00:20:38,320 --> 00:20:36,169

Arkansas back in the 80s during

530

00:20:40,599 --> 00:20:38,330

iran-contra

531

00:20:42,369 --> 00:20:40,609

the Clintons I mean not to say that they

532

00:20:44,560 --> 00:20:42,379

haven't accumulated their own power base

533

00:20:46,839 --> 00:20:44,570

in recent years but they just you know

534

00:20:48,310 --> 00:20:46,849

or not in my opinion at the same level

535

00:20:50,409 --> 00:20:48,320

as some of the other families that have

536

00:20:52,869 --> 00:20:50,419

been present in there and then on top of

537

00:20:55,419 --> 00:20:52,879

that a lot of the evil Clinton mythos

538

00:20:58,479 --> 00:20:55,429

was really sponsored by publisher

539

00:21:00,190 --> 00:20:58,489

Richard Mellon Scaife going back to the

540

00:21:02,109 --> 00:21:00,200

Clinton chronicles the documentary from

541

00:21:04,269 --> 00:21:02,119

the 90s that he put up the funding for

542

00:21:06,099 --> 00:21:04,279

and Richard Mellon Scaife came from the

543

00:21:07,659 --> 00:21:06,109

Mellon family of Pittsburgh which is

544

00:21:10,359 --> 00:21:07,669

just you know one of the absolutely

545

00:21:11,919 --> 00:21:10,369

pinnacle dynasties in the United States

546

00:21:14,319 --> 00:21:11,929

they're up there with the Rockefellers

547

00:21:17,169 --> 00:21:14,329

the Morgans family which really hasn't

548

00:21:19,509 --> 00:21:17,179

even been a player for decades now the

549

00:21:21,639 --> 00:21:19,519

melons are a big deal and you know this

550

00:21:23,979 --> 00:21:21,649

is the kind of people who were filling a

551

00:21:27,579 --> 00:21:23,989

lot of this ante Clinton conspiracy

552

00:21:29,859 --> 00:21:27,589

theories for years now mm-hmm-hmm

553

00:21:32,049 --> 00:21:29,869

yes I agree with the Clintons are dirty

554

00:21:33,969 --> 00:21:32,059

Clinton's are not great but they are

555

00:21:37,749 --> 00:21:33,979

small potatoes in the big scheme of

556

00:21:39,219 --> 00:21:37,759

things especially in 2019 and to talk a

557

00:21:40,989 --> 00:21:39,229

little bit more about Trump

558

00:21:44,409 --> 00:21:40,999

administration connections there is also

559

00:21:47,049 --> 00:21:44,419

Alex Acosta who Trump had appointed to

560

00:21:48,879 --> 00:21:47,059

Labor Secretary and he was the one who

561

00:21:53,109 --> 00:21:48,889

gave obscene a slap on the wrist in his

562

00:21:55,060 --> 00:21:53,119

previous 2007 case in Florida so if

563

00:21:57,310 --> 00:21:55,070

you've helped Jeffrey Epstein

564

00:22:00,459 --> 00:21:57,320

maybe you got him a job at a college he

565

00:22:02,499 --> 00:22:00,469

wasn't qualified for maybe a oversaw his

566

00:22:04,419 --> 00:22:02,509

slap on the wrist from that previous

567

00:22:05,889 --> 00:22:04,429

case chances are if you've helped

568

00:22:07,709 --> 00:22:05,899

Jeffrey Epstein you might have a place

569

00:22:10,869 --> 00:22:07,719

in the Trump administration it seems

570

00:22:13,299 --> 00:22:10,879

absolutely and then of course I cost a

571

00:22:14,560 --> 00:22:13,309

tried to argue that he had given him on

572

00:22:16,149 --> 00:22:14,570

the wrist essentially because he had

573

00:22:17,919 --> 00:22:16,159

been informed that Epstein was some kind

574

00:22:21,399 --> 00:22:17,929

of intelligence officer or something to

575

00:22:23,259 --> 00:22:21,409

that effect so yeah I mean definitely a

576

00:22:25,359 --> 00:22:23,269

cost it showed a real willingness to

577

00:22:26,680 --> 00:22:25,369

look the other way and I would say that

578

00:22:28,599 --> 00:22:26,690

looking the other way is probably

579

00:22:32,709 --> 00:22:28,609

something of a pre res acquit to serve

580

00:22:35,079 --> 00:22:32,719

in the Trump administration and this is

581

00:22:37,569 --> 00:22:35,089

another thing so people who are holding

582

00:22:40,149 --> 00:22:37,579

on to this Trump superhero narrative

583

00:22:43,329 --> 00:22:40,159

always like to point out that Trump

584

00:22:46,749 --> 00:22:43,339

banned Epstein from our logo eventually

585

00:22:48,999 --> 00:22:46,759

but that seems to be after Epstein

586

00:22:50,190 --> 00:22:49,009

recruited at least one miner from Mar

587

00:22:52,470 --> 00:22:50,200

Lago

588

00:22:54,930 --> 00:22:52,480

if you've read the incredibly graphic

589

00:22:57,899 --> 00:22:54,940

court documents from the Katie Johnson

590

00:23:00,210 --> 00:22:57,909

case you might get more insight into why

591

00:23:02,159 --> 00:23:00,220

Epstein and Trump had a falling-out have

592

00:23:03,659 --> 00:23:02,169

you looked at that no I haven't what was

593

00:23:08,430 --> 00:23:03,669

that Oh God

594

00:23:11,430 --> 00:23:08,440

so in 2016 Katie Johnson filed a case

595

00:23:14,009 --> 00:23:11,440

for damages from both Trump and Epstein

596

00:23:16,830 --> 00:23:14,019

from abuse as she suffered and it's

597

00:23:18,330 --> 00:23:16,840

pretty detailed earmuffs kids but to

598

00:23:20,549 --> 00:23:18,340

pull out some quotes from the court

599

00:23:23,129 --> 00:23:20,559

documents the plaintiff Katie Johnson

600

00:23:25,710 --> 00:23:23,139

alleges that the defendants Trump and

601  
00:23:28,349 --> 00:23:25,720  
Epstein subjected her to extreme sexual

602  
00:23:30,930 --> 00:23:28,359  
and physical abuse including forcible

603  
00:23:34,259 --> 00:23:30,940  
rape during a four month span between

604  
00:23:37,169 --> 00:23:34,269  
June and September of 1994 when the

605  
00:23:39,389 --> 00:23:37,179  
plaintiff was still 13 she goes on to

606  
00:23:42,599 --> 00:23:39,399  
describe multiple forced sexual

607  
00:23:46,549 --> 00:23:42,609  
encounters with both of them she used to

608  
00:23:49,349 --> 00:23:46,559  
have to give Epstein naked massages and

609  
00:23:51,509 --> 00:23:49,359  
with Trump she talked about how after he

610  
00:23:54,299 --> 00:23:51,519  
would get off he would often parade her

611  
00:23:56,669 --> 00:23:54,309  
for her bad sexual performance at 13

612  
00:23:59,039 --> 00:23:56,679  
doesn't sound too far out of character

613  
00:24:00,840 --> 00:23:59,049

for the guy but it gets really bad when

614

00:24:03,330 --> 00:24:00,850

later it says that Trump and Epstein

615

00:24:06,330 --> 00:24:03,340

argued in front of her who would get to

616

00:24:07,799 --> 00:24:06,340

pop the cherry and Trump called Epstein

617

00:24:11,340 --> 00:24:07,809

a quote Jew bastard

618

00:24:14,159 --> 00:24:11,350

eventually Trump did take her v card

619

00:24:16,109 --> 00:24:14,169

against her will and when Epstein found

620

00:24:18,330 --> 00:24:16,119

out he was pissed so he raped her as

621

00:24:20,279 --> 00:24:18,340

well then beat her ass then kicked her

622

00:24:22,769 --> 00:24:20,289

out saying they'd kill her family if she

623

00:24:25,019 --> 00:24:22,779

talked this is all in those court

624

00:24:27,690 --> 00:24:25,029

documents and this was events that

625

00:24:31,080 --> 00:24:27,700

happened in 1994 and Trump banned

626

00:24:33,419 --> 00:24:31,090

Epstein from our logo 13 years later so

627

00:24:34,349 --> 00:24:33,429

assuming this court case has even some

628

00:24:36,989 --> 00:24:34,359

truth to it

629

00:24:39,749 --> 00:24:36,999

he was probably banned over something

630

00:24:42,379 --> 00:24:39,759

like clashing egos rather than Trump's

631

00:24:45,149 --> 00:24:42,389

moral outrage at what Epstein was doing

632

00:24:47,190 --> 00:24:45,159

well that or no so when he was finally

633

00:24:49,799 --> 00:24:47,200

banned I believe around it was over 7

634

00:24:51,419 --> 00:24:49,809

rights yeah that was also around the

635

00:24:53,549 --> 00:24:51,429

time that Epstein had started to have

636

00:24:56,190 --> 00:24:53,559

his initial legal entanglement so

637

00:24:58,499 --> 00:24:56,200

obviously if you are an arch pedophile

638

00:25:00,479 --> 00:24:58,509

it probably would have seemed prudent at

639

00:25:03,479 --> 00:25:00,489

the time to distance yourself from f

640

00:25:04,080 --> 00:25:03,489

Steen as much as possible before people

641

00:25:05,340 --> 00:25:04,090

started

642

00:25:09,080 --> 00:25:05,350

looking too closely into that

643

00:25:11,640 --> 00:25:09,090

relationship mm-hmm-hmm yeah agreed

644

00:25:14,100 --> 00:25:11,650

man and there's just so much to talk

645

00:25:17,220 --> 00:25:14,110

about with these connections but I want

646

00:25:19,529 --> 00:25:17,230

to maybe pivot over to nexium a little

647

00:25:22,529 --> 00:25:19,539

bit because there are a few ties that

648

00:25:25,710 --> 00:25:22,539

bind the Epstein circle with the nexium

649

00:25:27,690 --> 00:25:25,720

circle right yeah yeah absolutely

650

00:25:30,240 --> 00:25:27,700

mainly through the Rana Halfmann family

651  
00:25:33,779 --> 00:25:30,250  
of Canada who were of course the

652  
00:25:37,440 --> 00:25:33,789  
Seagraves heirs I believe right yes yes

653  
00:25:41,690 --> 00:25:37,450  
yes okay so in the Bronfman family had

654  
00:25:44,639 --> 00:25:41,700  
already had some strange ties to these

655  
00:25:47,100 --> 00:25:44,649  
kind of odd new-agey type movements

656  
00:25:49,380 --> 00:25:47,110  
going back to the late seventies early

657  
00:25:51,419 --> 00:25:49,390  
eighties the wife of Charles Brown

658  
00:25:53,120 --> 00:25:51,429  
aftman and his sister Phillip Brown

659  
00:25:56,210 --> 00:25:53,130  
happent Lambert had actually been

660  
00:25:58,830 --> 00:25:56,220  
financial patrons of ehre in Horn

661  
00:26:00,720 --> 00:25:58,840  
so-called unicorn who had actually even

662  
00:26:03,029 --> 00:26:00,730  
a close associate of Andrea Pugh horik

663  
00:26:05,310 --> 00:26:03,039

who was one of the Chandler's of the

664

00:26:08,000 --> 00:26:05,320

nine also a guy who was probably a CIA

665

00:26:10,590 --> 00:26:08,010

scientist an artichoke and so forth and

666

00:26:13,529 --> 00:26:10,600

many other people associated with coup

667

00:26:15,630 --> 00:26:13,539

Harwick a lot of the support had

668

00:26:17,850 --> 00:26:15,640

actually come from Charles Brunn admins

669

00:26:20,039 --> 00:26:17,860

wife at the time Barbara Hoffman who was

670

00:26:21,750 --> 00:26:20,049

quite taken with iron horn she had

671

00:26:23,580 --> 00:26:21,760

actually continued to insist on his

672

00:26:25,350 --> 00:26:23,590

innocence I should point out Einhorn was

673

00:26:28,169 --> 00:26:25,360

eventually convicted of murdering his

674

00:26:30,480 --> 00:26:28,179

longtime girlfriend had essentially

675

00:26:32,399 --> 00:26:30,490

stuffed her body in a trunk in his

676

00:26:34,169 --> 00:26:32,409

apartment in Philadelphia which was

677

00:26:35,779 --> 00:26:34,179

finally discovered after the stench from

678

00:26:38,399 --> 00:26:35,789

the rotting body had alerted neighbors

679

00:26:40,110 --> 00:26:38,409

he had fled the United States and was a

680

00:26:41,610 --> 00:26:40,120

fugitive for many years I think he was

681

00:26:43,730 --> 00:26:41,620

finally apprehended in France or

682

00:26:46,769 --> 00:26:43,740

something like that in the late 90s

683

00:26:49,139 --> 00:26:46,779

Edgar Bronfman was the brother of

684

00:26:51,810 --> 00:26:49,149

Charles Brunn aftman and Phyllis Brennan

685

00:26:53,430 --> 00:26:51,820

who have been supporters of Einhorn his

686

00:26:57,120 --> 00:26:53,440

daughters are the ones who would later

687

00:27:00,360 --> 00:26:57,130

go on to support the nexium cult and of

688

00:27:03,029 --> 00:27:00,370

course his son Edgar Bronfman jr. also

689

00:27:04,860 --> 00:27:03,039

appears in Epstein's black book so

690

00:27:06,210 --> 00:27:04,870

certainly that leaves some interesting

691

00:27:10,289 --> 00:27:06,220

connections there that you can get a

692

00:27:13,110 --> 00:27:10,299

ponder yes yes and a lot of these names

693

00:27:15,240 --> 00:27:13,120

I do only read and I rarely pronounce

694

00:27:16,930 --> 00:27:15,250

but you've been saying Brian F min and

695

00:27:19,330 --> 00:27:16,940

I've been saying Bronfman you

696

00:27:22,420 --> 00:27:19,340

probably corrects I have no idea but

697

00:27:24,700 --> 00:27:22,430

this Bronfman guy yeah his daughter was

698

00:27:27,160 --> 00:27:24,710

involved in nexium and the funding of it

699

00:27:30,790 --> 00:27:27,170

and his son is an Epstein's black book I

700

00:27:32,410 --> 00:27:30,800

mean doesn't get dirtier no it does not

701  
00:27:34,510 --> 00:27:32,420  
and then of course you have kind of the

702  
00:27:36,670 --> 00:27:34,520  
specter of Roger stone lurking in the

703  
00:27:39,190 --> 00:27:36,680  
background of all this - of course stone

704  
00:27:43,120 --> 00:27:39,200  
had been he had some kind of involvement

705  
00:27:46,690 --> 00:27:43,130  
with nexium going back so around 2007

706  
00:27:48,760 --> 00:27:46,700  
2008 there's been a lot of dispute about

707  
00:27:50,470 --> 00:27:48,770  
this stone is trying to distance himself

708  
00:27:52,620 --> 00:27:50,480  
but I've seen some accounts that he had

709  
00:27:56,350 --> 00:27:52,630  
actually got nexium to put up almost

710  
00:27:58,270 --> 00:27:56,360  
\$20,000 to New York Republican Party in

711  
00:28:00,250 --> 00:27:58,280  
anticipation of the elections that were

712  
00:28:03,220 --> 00:28:00,260  
coming up in 2008 or somewhere there

713  
00:28:05,500 --> 00:28:03,230

abouts and of course stone himself has

714

00:28:07,210 --> 00:28:05,510

some kind of interesting connections to

715

00:28:09,000 --> 00:28:07,220

sexual blackmail he's generally now

716

00:28:11,980 --> 00:28:09,010

considered to be the person who outed

717

00:28:14,050 --> 00:28:11,990

then New York Governor Eliot Spitzer who

718

00:28:15,700 --> 00:28:14,060

was having an affair he was involved

719

00:28:18,400 --> 00:28:15,710

with some kind of prostitution ring or

720

00:28:20,050 --> 00:28:18,410

something like that so stone is another

721

00:28:22,630 --> 00:28:20,060

guy who has a lot of these kind of

722

00:28:24,730 --> 00:28:22,640

contacts he's shown up in these you know

723

00:28:26,590 --> 00:28:24,740

kind of shadowy blackmail entrapment

724

00:28:28,360 --> 00:28:26,600

programs of course he has a

725

00:28:30,760 --> 00:28:28,370

long-standing relationship with Donald

726

00:28:33,640 --> 00:28:30,770

Trump going back to the late 70s early

727

00:28:35,800 --> 00:28:33,650

80s when they all seemed to kind of come

728

00:28:38,830 --> 00:28:35,810

into the orbit of Trump's former attorney

729

00:28:41,410 --> 00:28:38,840

and political mentor Roy Cohn mm-hmm

730

00:28:43,840 --> 00:28:41,420

yeah Roy Cohn is a massive figure in all

731

00:28:46,630 --> 00:28:43,850

this but the Roger Stone connection in

732

00:28:48,700 --> 00:28:46,640

Nexium is really interesting I didn't

733

00:28:50,200 --> 00:28:48,710

know all that much about it I mean he's

734

00:28:52,870 --> 00:28:50,210

probably trying to get close enough to

735

00:28:55,540 --> 00:28:52,880

access that compromising Dropbox folder

736

00:28:57,730 --> 00:28:55,550

we mentioned but also I didn't really

737

00:29:00,970 --> 00:28:57,740

know he was involved in outing Eliot

738

00:29:03,790 --> 00:29:00,980

Spitzer in that scandal and I wanted to

739

00:29:07,080 --> 00:29:03,800

quote the blog here where you kind of

740

00:29:10,390 --> 00:29:07,090

sum this up really well and you say

741

00:29:13,360 --> 00:29:10,400

Roger stone paid by nexium had funneled

742

00:29:16,090 --> 00:29:13,370

at least \$20,000 to the state GOP the

743

00:29:19,150 --> 00:29:16,100

heirs of Seagram's fortune are devotees

744

00:29:21,040 --> 00:29:19,160

and Richard Mays a Clinton friend and

745

00:29:24,040 --> 00:29:21,050

one of Hillary's top fundraisers has

746

00:29:26,590 --> 00:29:24,050

also taken so-called intensive classes

747

00:29:30,550 --> 00:29:26,600

with Keith Ranieri and then you go on to

748

00:29:31,210 --> 00:29:30,560

say about the timing of the scandal and

749

00:29:33,130 --> 00:29:31,220

you say actually

750

00:29:35,560 --> 00:29:33,140

I think the timing of the scandal is

751

00:29:37,570 --> 00:29:35,570

quite telling nexium appears to have

752

00:29:39,310 --> 00:29:37,580

established a working relationship with

753

00:29:41,470 --> 00:29:39,320

the Clinton family at some point in the

754

00:29:43,210 --> 00:29:41,480

last decade and eventually donated

755

00:29:44,830 --> 00:29:43,220

around a million and a half dollars to

756

00:29:48,190 --> 00:29:44,840

the Clintons and other Democrats during

757

00:29:50,440 --> 00:29:48,200

the last election Roger stone who also

758

00:29:52,330 --> 00:29:50,450

handled political donations for nexium

759

00:29:54,940 --> 00:29:52,340

as well would have most surely have been

760

00:29:57,070 --> 00:29:54,950

aware of these ties is it possible he

761

00:29:59,080 --> 00:29:57,080

also encouraged the cult to ramp up the

762

00:30:00,640 --> 00:29:59,090

donations leading up to the election so

763

00:30:02,920 --> 00:30:00,650

that he could once again blow the

764

00:30:05,410 --> 00:30:02,930

whistle as he did on Eliot Spitzer at

765

00:30:08,080 --> 00:30:05,420

some point I don't think these

766

00:30:10,270 --> 00:30:08,090

revelations are coincidental at all with

767

00:30:12,610 --> 00:30:10,280

the ongoing deep state civil war as

768

00:30:15,370 --> 00:30:12,620

vicious as ever the control files

769

00:30:17,820 --> 00:30:15,380

amassed by Trump's lawyer Roy Cohn and

770

00:30:20,830 --> 00:30:17,830

his associates over several decades

771

00:30:23,350 --> 00:30:20,840

increasingly appear as the sword of

772

00:30:26,380 --> 00:30:23,360

Damocles the orange one holds over his

773

00:30:28,840 --> 00:30:26,390

opponents ever threatening to topple the

774

00:30:30,820 --> 00:30:28,850

entire house of cards and there you have

775

00:30:35,290 --> 00:30:30,830

it man well said indeed I definitely

776

00:30:37,360 --> 00:30:35,300

think this network kind of rushed in got

777

00:30:40,000 --> 00:30:37,370

as much of this compromising material as

778

00:30:41,500 --> 00:30:40,010

they could and this is why Trump is so

779

00:30:44,020 --> 00:30:41,510

bold I still think he's just a

780

00:30:46,210 --> 00:30:44,030

figurehead for a deep deep network but

781

00:30:47,980 --> 00:30:46,220

this is why he's so bold think about all

782

00:30:51,400 --> 00:30:47,990

the stuff he said during the election

783

00:30:53,830 --> 00:30:51,410

even invoking 9/11 at some times when it

784

00:30:57,100 --> 00:30:53,840

came to criticizing Bush's brother and

785

00:30:58,840 --> 00:30:57,110

then when it came to Ted Cruz he invokes

786

00:31:01,150 --> 00:30:58,850

the fact that his father might have been

787

00:31:04,450 --> 00:31:01,160

involved in the JFK assassination or was

788

00:31:06,940 --> 00:31:04,460

a pal of Lee Harvey Oswald he's got dirt

789

00:31:11,800 --> 00:31:06,950

he's got a lot of dirt and he isn't shy

790

00:31:13,690 --> 00:31:11,810

about insinuating that publicly no

791

00:31:15,820 --> 00:31:13,700

absolutely not and that to me is

792

00:31:17,860 --> 00:31:15,830

definitely I think why there was so much

793

00:31:20,800 --> 00:31:17,870

concern about Trump being elected

794

00:31:23,320 --> 00:31:20,810

because and I mean in a sense he was

795

00:31:27,790 --> 00:31:23,330

really the first president we've had who

796

00:31:30,430 --> 00:31:27,800

was a true insiders insider since George

797

00:31:33,250 --> 00:31:30,440

HW Bush and even in that case George HW

798

00:31:35,980 --> 00:31:33,260

Bush was kind of an anomaly in that

799

00:31:38,620 --> 00:31:35,990

particular era and this sort of goes

800

00:31:41,410 --> 00:31:38,630

back to the whole thing with Nixon Nixon

801  
00:31:43,120 --> 00:31:41,420  
was very much an insider's insider and

802  
00:31:44,600 --> 00:31:43,130  
of course there had been kind of a

803  
00:31:46,789 --> 00:31:44,610  
dust-up between him

804  
00:31:49,390 --> 00:31:46,799  
Richard Helms the director of the CIA

805  
00:31:51,500 --> 00:31:49,400  
when Watergate started to break alt

806  
00:31:53,480 --> 00:31:51,510  
Nixon had kind of made the offhand

807  
00:31:54,650 --> 00:31:53,490  
comment to Helms that this might blow

808  
00:31:57,200 --> 00:31:54,660  
back and bring up the whole

809  
00:32:00,400 --> 00:31:57,210  
quote-unquote Bay of Pigs thing which

810  
00:32:03,410 --> 00:32:00,410  
Helms it just absolutely exploded over

811  
00:32:05,299 --> 00:32:03,420  
but after that you had you know Nixon

812  
00:32:07,070 --> 00:32:05,309  
being taken out and then Ford became

813  
00:32:09,010 --> 00:32:07,080

president and ever since then it seems

814

00:32:12,140 --> 00:32:09,020

like there had been a process where

815

00:32:14,630 --> 00:32:12,150

presidents were essentially selected as

816

00:32:16,580 --> 00:32:14,640

people who were not close to the inner

817

00:32:19,669 --> 00:32:16,590

circle power and they had been kind of

818

00:32:21,590 --> 00:32:19,679

subtly groomed before they ascended to

819

00:32:24,140 --> 00:32:21,600

the presidency and as such were probably

820

00:32:25,970 --> 00:32:24,150

very dependent on their backers I mean I

821

00:32:28,060 --> 00:32:25,980

a Jimmy Carter he was essentially a

822

00:32:31,310 --> 00:32:28,070

governor from a minor southern state

823

00:32:33,770 --> 00:32:31,320

Ronald Reagan was a former actor who may

824

00:32:36,950 --> 00:32:33,780

well have been an extensive stages of

825

00:32:38,960 --> 00:32:36,960

dementia by his second term Clinton like

826

00:32:41,060 --> 00:32:38,970

I said before definitely had some

827

00:32:43,720 --> 00:32:41,070

connections but he was probably at best

828

00:32:46,010 --> 00:32:43,730

a middle manager George W Bush

829

00:32:47,930 --> 00:32:46,020

definitely came from a very well

830

00:32:49,340 --> 00:32:47,940

politically connected family but most of

831

00:32:51,770 --> 00:32:49,350

the evidence suggests that he was

832

00:32:54,710 --> 00:32:51,780

essentially a drunken playboy for much

833

00:32:56,720 --> 00:32:54,720

of his life up to that time he probably

834

00:32:58,669 --> 00:32:56,730

was being managed by Richard Cheney and

835

00:33:01,780 --> 00:32:58,679

Donald Rumsfeld and then of course you

836

00:33:04,640 --> 00:33:01,790

have Obama who was a community organizer

837

00:33:07,159 --> 00:33:04,650

this is definitely a far cry from

838

00:33:09,230 --> 00:33:07,169

Fromm's background billionaire a guy who

839

00:33:11,000 --> 00:33:09,240

had been in the inner circle of some of

840

00:33:13,940 --> 00:33:11,010

these you know major figures and these

841

00:33:16,159 --> 00:33:13,950

black operations and certainly I would

842

00:33:19,340 --> 00:33:16,169

say a kind of parallel to Nixon Nixon of

843

00:33:21,230 --> 00:33:19,350

course had been deeply involved in the

844

00:33:22,400 --> 00:33:21,240

national security processes when he was

845

00:33:25,250 --> 00:33:22,410

the vice president under Eisenhower

846

00:33:28,370 --> 00:33:25,260

during the 1950's he saw a lot of things

847

00:33:29,840 --> 00:33:28,380

and I do think when Watergate was

848

00:33:31,880 --> 00:33:29,850

blowing up there was certainly some

849

00:33:34,010 --> 00:33:31,890

concern that Nixon might spill the beans

850

00:33:36,320 --> 00:33:34,020

and something such as the so-called Bay

851

00:33:37,850 --> 00:33:36,330

of Pigs thing which generally many

852

00:33:40,190 --> 00:33:37,860

people assumed he was a reference to the

853

00:33:41,840 --> 00:33:40,200

Kennedy assassination but after that

854

00:33:44,120 --> 00:33:41,850

there seems to have been a consorted

855

00:33:45,830 --> 00:33:44,130

effort to keep insiders away from the

856

00:33:47,930 --> 00:33:45,840

presidency usually when you had an

857

00:33:50,330 --> 00:33:47,940

insider in the presidency he was serving

858

00:33:53,600 --> 00:33:50,340

as the vice president ie George HW Bush

859

00:33:56,780 --> 00:33:53,610

during the Reagan years and Dick Cheney

860

00:33:58,430 --> 00:33:56,790

during the bush two years maybe to some

861

00:34:00,590 --> 00:33:58,440

extent Biden during the Obama

862

00:34:03,259 --> 00:34:00,600

years with the one glaring exception

863

00:34:04,759 --> 00:34:03,269

obviously being George HW Bush when he

864

00:34:06,950 --> 00:34:04,769

was the president during the late 80s

865

00:34:09,109 --> 00:34:06,960

early 90s but Bush was of course you

866

00:34:11,270 --> 00:34:09,119

know a former CIA director I'm guessing

867

00:34:14,389 --> 00:34:11,280

that they probably felt he was a lot

868

00:34:16,280 --> 00:34:14,399

more stable than Trump a very minimum

869

00:34:17,960 --> 00:34:16,290

which might have been why he was

870

00:34:20,629 --> 00:34:17,970

acceptable in that position but

871

00:34:22,069 --> 00:34:20,639

generally Trump is not you know the kind

872

00:34:23,540 --> 00:34:22,079

of figure that they've been looking at

873

00:34:25,579 --> 00:34:23,550

is the President of the United States

874

00:34:27,169 --> 00:34:25,589

for several decades now and I do think

875

00:34:29,480 --> 00:34:27,179

that was a bit of a concern to people

876

00:34:32,300 --> 00:34:29,490

when he was finally elected you know

877

00:34:34,550 --> 00:34:32,310

this is a guy who knows things you can't

878

00:34:37,790 --> 00:34:34,560

necessarily bully him the way you could

879

00:34:40,369 --> 00:34:37,800

some of his predecessors yeah it makes a

880

00:34:43,220 --> 00:34:40,379

lot of sense I love that breakdown they

881

00:34:46,970 --> 00:34:43,230

would select people for the presidency

882

00:34:48,889 --> 00:34:46,980

whose hands were tied they were on the

883

00:34:51,500 --> 00:34:48,899

outside but connected enough there were

884

00:34:53,300 --> 00:34:51,510

these people who their hands were tied

885

00:34:55,520 --> 00:34:53,310

so they don't get any ideas when they

886

00:34:57,589 --> 00:34:55,530

land on the throne you know they can't

887

00:34:59,390 --> 00:34:57,599

use that power position against their

888

00:35:01,819 --> 00:34:59,400

backers because they don't have the

889

00:35:04,040 --> 00:35:01,829

information or they just don't have the

890

00:35:06,740 --> 00:35:04,050

resources I mean of course the Clintons

891

00:35:08,120 --> 00:35:06,750

Obama you know some of these guys made

892

00:35:10,069 --> 00:35:08,130

some pretty good money when they're in

893

00:35:11,599 --> 00:35:10,079

the presidency and now they have some

894

00:35:13,670 --> 00:35:11,609

considerable resources at their disposal

895

00:35:16,130 --> 00:35:13,680

but that really you know was not the

896

00:35:18,200 --> 00:35:16,140

case when they were elected whereas

897

00:35:20,120 --> 00:35:18,210

Trump is obviously independently wealthy

898

00:35:22,069 --> 00:35:20,130

so I think that's also another kind of

899

00:35:25,760 --> 00:35:22,079

factor that contributes to his power

900

00:35:27,740 --> 00:35:25,770

base as well absolutely absolutely and

901  
00:35:29,599 --> 00:35:27,750  
we talked a little bit about the bush

902  
00:35:31,370 --> 00:35:29,609  
power network and I definitely think the

903  
00:35:35,000 --> 00:35:31,380  
Clintons were just kind of lieutenants

904  
00:35:37,000 --> 00:35:35,010  
in that Network but their power seems to

905  
00:35:39,020 --> 00:35:37,010  
of course waned a little bit - are they

906  
00:35:41,510 --> 00:35:39,030  
connected in this at all I don't see a

907  
00:35:44,930 --> 00:35:41,520  
lot of names that cross over to the

908  
00:35:47,450 --> 00:35:44,940  
bushes there is obviously Kish lanes

909  
00:35:51,050 --> 00:35:47,460  
father Robert Maxwell had employed John

910  
00:35:53,240 --> 00:35:51,060  
tower a former US senator as a lobbyist

911  
00:35:54,530 --> 00:35:53,250  
for him essentially in the late 80s and

912  
00:35:58,220 --> 00:35:54,540  
well there's some dispute as to how

913  
00:35:59,780 --> 00:35:58,230

close he was to hapa Bush some accounts

914

00:36:02,420 --> 00:35:59,790

I've read that they were quite close

915

00:36:04,550 --> 00:36:02,430

other accounts as I've read essentially

916

00:36:07,099 --> 00:36:04,560

alleged the bush one that despised tower

917

00:36:09,170 --> 00:36:07,109

privately for many years but regardless

918

00:36:11,300 --> 00:36:09,180

they had both had a lot of dealings with

919

00:36:12,109 --> 00:36:11,310

each other for many years tower was also

920

00:36:14,179 --> 00:36:12,119

from Texas

921

00:36:16,219 --> 00:36:14,189

I believe Bush actually had served as

922

00:36:19,910 --> 00:36:16,229

his campaign manager or something to

923

00:36:21,769 --> 00:36:19,920

that effect but there were some ties to

924

00:36:24,709 --> 00:36:21,779

this network going back to late 80s

925

00:36:27,499 --> 00:36:24,719

Robert Maxwell but yes it doesn't seem

926

00:36:29,809 --> 00:36:27,509

that the bushes were necessarily at the

927

00:36:32,029 --> 00:36:29,819

forefront of this though certainly

928

00:36:34,939 --> 00:36:32,039

george w bush was the president during

929

00:36:36,739 --> 00:36:34,949

Epstein's first legal brush and it was a

930

00:36:38,929 --> 00:36:36,749

cost of working for the Bush White House

931

00:36:41,269 --> 00:36:38,939

who had essentially given Epstein a slap

932

00:36:42,949 --> 00:36:41,279

on the wrist so I'm assuming there

933

00:36:44,779 --> 00:36:42,959

probably are some kind of connections

934

00:36:47,269 --> 00:36:44,789

there if we were to dig deep enough but

935

00:36:50,150 --> 00:36:47,279

after the bush is essentially petered

936

00:36:51,469 --> 00:36:50,160

out in the 2016 election you know they

937

00:36:53,299 --> 00:36:51,479

really haven't been on anybody's radar

938

00:36:57,229 --> 00:36:53,309

for this type of thing at this present

939

00:36:59,089 --> 00:36:57,239

time right right I figured if you dig

940

00:37:00,650 --> 00:36:59,099

enough you'd find some connections

941

00:37:02,299 --> 00:37:00,660

because there's just too many people in

942

00:37:05,509 --> 00:37:02,309

that network they're touching everything

943

00:37:09,650 --> 00:37:05,519

there's got to be some crossover and you

944

00:37:11,719 --> 00:37:09,660

mentioned Maxwell that's another one of

945

00:37:14,390 --> 00:37:11,729

those names I was talking to my wife

946

00:37:17,179 --> 00:37:14,400

about this and she watches a lot of news

947

00:37:19,819 --> 00:37:17,189

especially when mainstream news crosses

948

00:37:21,890 --> 00:37:19,829

over here and she says it's going like

949

00:37:22,459 --> 00:37:21,900

Elaine from Seinfeld but with a G in

950

00:37:24,140 --> 00:37:22,469

front of it

951  
00:37:25,969 --> 00:37:24,150  
Elaine all right we can go with ghilane

952  
00:37:27,559 --> 00:37:25,979  
it's one of those things man because

953  
00:37:30,319 --> 00:37:27,569  
we're doing this a lot of this research

954  
00:37:32,569 --> 00:37:30,329  
in text form and not crossing over into

955  
00:37:34,939 --> 00:37:32,579  
the spoken word I should probably

956  
00:37:37,279 --> 00:37:34,949  
mention - I really don't listen to

957  
00:37:39,319 --> 00:37:37,289  
podcasts or watch any TV I know I get

958  
00:37:41,539 --> 00:37:39,329  
blamed a lot for my pronunciations on

959  
00:37:43,669 --> 00:37:41,549  
this and I'm really sorry guys but I

960  
00:37:46,249 --> 00:37:43,679  
only really see these names and you know

961  
00:37:47,779 --> 00:37:46,259  
printed texts like you're saying so I

962  
00:37:49,579 --> 00:37:47,789  
don't have a lot of type of reference

963  
00:37:51,410 --> 00:37:49,589

for how these are pronounced like some

964

00:37:53,419 --> 00:37:51,420

people who are more into the podcast and

965

00:37:55,789 --> 00:37:53,429

YouTube videos and you know things of

966

00:37:58,279 --> 00:37:55,799

that nature but trying my best

967

00:38:00,199 --> 00:37:58,289

yes no worries and your research is

968

00:38:03,739 --> 00:38:00,209

great regardless of pronunciation but

969

00:38:06,709 --> 00:38:03,749

ghilane maxwell who is the madam for

970

00:38:09,739 --> 00:38:06,719

Jeffrey Epstein the copilot the female

971

00:38:11,089 --> 00:38:09,749

copilot that we so often see her father

972

00:38:13,279 --> 00:38:11,099

probably deserves a little more

973

00:38:16,609 --> 00:38:13,289

attention because he was kind of like a

974

00:38:19,489 --> 00:38:16,619

Rupert Murdoch media mogul figure who

975

00:38:21,410 --> 00:38:19,499

also was a spy for it seems several

976

00:38:23,419 --> 00:38:21,420

different organizations what can you

977

00:38:24,310 --> 00:38:23,429

tell us about him because he's pretty

978

00:38:28,360 --> 00:38:24,320

important

979

00:38:31,450 --> 00:38:28,370

in probably where ghilane got most of

980

00:38:33,100 --> 00:38:31,460

her tactics yeah absolutely I mean

981

00:38:35,320 --> 00:38:33,110

there's definitely very compelling

982

00:38:38,860 --> 00:38:35,330

evidence that Maxwell had ties to the

983

00:38:41,350 --> 00:38:38,870

Mossad to the KGB and mi6 at various

984

00:38:45,550 --> 00:38:41,360

points during his illustrious career so

985

00:38:47,530 --> 00:38:45,560

to speak but certainly you know going

986

00:38:49,630 --> 00:38:47,540

back it seems like he was originally

987

00:38:51,610 --> 00:38:49,640

recruited to this sort of network of

988

00:38:54,280 --> 00:38:51,620

very right-wing British intelligence

989

00:38:56,890 --> 00:38:54,290

officers city bankers and so forth in

990

00:39:00,100 --> 00:38:56,900

the media aftermath of the Second World

991

00:39:02,770 --> 00:39:00,110

War the guy who really sent him up was a

992

00:39:04,360 --> 00:39:02,780

man named Sir Charles ham bro who had

993

00:39:06,640 --> 00:39:04,370

been the director of the Special

994

00:39:09,340 --> 00:39:06,650

Operations Executive during the war and

995

00:39:12,430 --> 00:39:09,350

the Special Operations Executive the SOE

996

00:39:15,150 --> 00:39:12,440

was essentially the agency that the OSS

997

00:39:17,740 --> 00:39:15,160

was based on rather than mi6

998

00:39:19,240 --> 00:39:17,750

specifically the SOE was really engaged

999

00:39:22,090 --> 00:39:19,250

in a lot of dirty tricks and

1000

00:39:24,820 --> 00:39:22,100

assassination sabotage all that type of

1001

00:39:27,520 --> 00:39:24,830

stuff but it was also housed in the

1002

00:39:29,350 --> 00:39:27,530

Ministry of economic warfare so it

1003

00:39:31,240 --> 00:39:29,360

tended to operate a lot through front

1004

00:39:33,520 --> 00:39:31,250

companies and things of that nature it

1005

00:39:35,620 --> 00:39:33,530

was essentially designed to be almost

1006

00:39:37,300 --> 00:39:35,630

totally off the books and in fact the

1007

00:39:39,070 --> 00:39:37,310

British you know essentially denied the

1008

00:39:40,900 --> 00:39:39,080

existence of the agency throughout the

1009

00:39:42,760 --> 00:39:40,910

Second World War and it was very hard to

1010

00:39:46,270 --> 00:39:42,770

prove because everything was essentially

1011

00:39:49,030 --> 00:39:46,280

in the deep private during this time now

1012

00:39:51,610 --> 00:39:49,040

the SOE was disbanded like the OSS at

1013

00:39:53,530 --> 00:39:51,620

the end of the Second World War and it

1014

00:39:55,960 --> 00:39:53,540

seems like a lot of assets for it the

1015

00:39:57,550 --> 00:39:55,970

OSS and British security Corporation

1016

00:39:59,410 --> 00:39:57,560

which was an organization that was based

1017

00:40:01,270 --> 00:39:59,420

in the United States to essentially aid

1018

00:40:03,280 --> 00:40:01,280

the u.s. getting into the war effort on

1019

00:40:05,170 --> 00:40:03,290

the side of the UK that all of these

1020

00:40:07,810 --> 00:40:05,180

networks seem to have been essentially

1021

00:40:10,470 --> 00:40:07,820

transferred to a private company known

1022

00:40:13,300 --> 00:40:10,480

as the world commerce Corporation the

1023

00:40:14,740 --> 00:40:13,310

WCC I think was founded in 47 but some

1024

00:40:17,290 --> 00:40:14,750

of the predecessors have been around for

1025

00:40:20,020 --> 00:40:17,300

a few years prior but the directors of

1026

00:40:22,510 --> 00:40:20,030

the WCC were William Stephenson who had

1027

00:40:23,920 --> 00:40:22,520

headed the BSC he was intrepid he's the

1028

00:40:26,680 --> 00:40:23,930

man that a lot of people think Ian

1029

00:40:28,690 --> 00:40:26,690

Fleming base James Bond upon he was the

1030

00:40:30,730 --> 00:40:28,700

Canadian director the American one was

1031

00:40:34,080 --> 00:40:30,740

William Donovan the founder of the OSS

1032

00:40:36,580 --> 00:40:34,090

and the British one was ham bro

1033

00:40:38,170 --> 00:40:36,590

Maxwell's you know patron the guy who

1034

00:40:40,510 --> 00:40:38,180

essentially set him up with pear

1035

00:40:44,410 --> 00:40:40,520

on press which was his first major

1036

00:40:46,150 --> 00:40:44,420

publishing house so he Lin's Maxwell at

1037

00:40:48,010 --> 00:40:46,160

rather obscene amount of money I think

1038

00:40:50,410 --> 00:40:48,020

it was like twenty five thousand pounds

1039

00:40:52,900 --> 00:40:50,420

which was a lot of money in the UK in

1040

00:40:55,680 --> 00:40:52,910

this time and you know 46 47 when the

1041

00:40:59,110 --> 00:40:55,690

country was essentially devastated war

1042

00:41:00,790 --> 00:40:59,120

Maxwell uses the money to set up this

1043

00:41:02,980 --> 00:41:00,800

publishing house which specifically

1044

00:41:06,940 --> 00:41:02,990

specialized in scientific publications

1045

00:41:09,190 --> 00:41:06,950

and through this network he started to

1046

00:41:11,650 --> 00:41:09,200

come into contact with a lot of you know

1047

00:41:14,170 --> 00:41:11,660

prominent Soviet scientists and so forth

1048

00:41:16,210 --> 00:41:14,180

and this is also when he started to come

1049

00:41:19,450 --> 00:41:16,220

into contact with the KGB

1050

00:41:22,450 --> 00:41:19,460

this obviously lazes a lot of questions

1051  
00:41:24,610 --> 00:41:22,460  
as to who exactly he was working for was

1052  
00:41:27,400 --> 00:41:24,620  
that the British was that the KGB but it

1053  
00:41:29,830 --> 00:41:27,410  
seems like ultimately Maxwell was really

1054  
00:41:32,080 --> 00:41:29,840  
an opportunist I'm guessing he probably

1055  
00:41:34,960 --> 00:41:32,090  
played both sides against one another at

1056  
00:41:36,790 --> 00:41:34,970  
various points but there's no question

1057  
00:41:39,340 --> 00:41:36,800  
that he continued receive a lot of

1058  
00:41:41,680 --> 00:41:39,350  
support from this British Network that

1059  
00:41:43,330 --> 00:41:41,690  
it originally had rallied around the WCC

1060  
00:41:45,550 --> 00:41:43,340  
in the immediate aftermath of the Second

1061  
00:41:47,080 --> 00:41:45,560  
World War and he would have a lot of

1062  
00:41:49,210 --> 00:41:47,090  
connections to this network throughout

1063  
00:41:51,520 --> 00:41:49,220

his career another one was Sir Robert

1064

00:41:53,380 --> 00:41:51,530

Clarke who would become a big figure in

1065

00:41:55,000 --> 00:41:53,390

the mirror groove in the 1980s he was

1066

00:41:57,250 --> 00:41:55,010

also a veteran of the special operations

1067

00:41:59,320 --> 00:41:57,260

executive and another really interesting

1068

00:42:02,230 --> 00:41:59,330

guy that Maxwell had come into contact

1069

00:42:05,050 --> 00:42:02,240

with in the 80s that I just confirmed a

1070

00:42:08,920 --> 00:42:05,060

few days ago was a man named Norman

1071

00:42:10,690 --> 00:42:08,930

Lamont Lord Norman Lamont Lamont would

1072

00:42:12,370 --> 00:42:10,700

eventually become the chairman of an

1073

00:42:14,260 --> 00:42:12,380

organization I've written quite

1074

00:42:16,990 --> 00:42:14,270

extensively on known as the Sioux claw

1075

00:42:18,190 --> 00:42:17,000

this was an organization that was kind

1076

00:42:22,840 --> 00:42:18,200

of formed as an offshoot of the

1077

00:42:24,760 --> 00:42:22,850

Bilderberg Group in 1950 to 1953 the

1078

00:42:28,570 --> 00:42:24,770

founding members were guys like Conrad

1079

00:42:30,970 --> 00:42:28,580

and now uh Anton Panaji and violet this

1080

00:42:32,830 --> 00:42:30,980

network was very close to a lot of

1081

00:42:35,380 --> 00:42:32,840

reactionary Catholic orders like the

1082

00:42:37,900 --> 00:42:35,390

Knights of Malta Opus Dei and so forth

1083

00:42:40,120 --> 00:42:37,910

by the 70s it would bring in a lot of

1084

00:42:42,670 --> 00:42:40,130

very right-wing British Tories who had

1085

00:42:43,960 --> 00:42:42,680

been close to this old WCC network in

1086

00:42:47,020 --> 00:42:43,970

the 40s and 50s

1087

00:42:48,400 --> 00:42:47,030

the CERCLA is also an organization that

1088

00:42:51,910 --> 00:42:48,410

I've chronicled in my blog was

1089

00:42:52,400 --> 00:42:51,920

extensively involved in these pedophile

1090

00:42:54,230 --> 00:42:52,410

Network

1091

00:42:56,540 --> 00:42:54,240

that we've been discussing with Cercle

1092

00:42:59,060 --> 00:42:56,550

has shown up several of its members in

1093

00:43:00,110 --> 00:42:59,070

the fallout from marked TRO the Belgian

1094

00:43:02,150 --> 00:43:00,120

serial killer

1095

00:43:03,560 --> 00:43:02,160

they had members who were involved with

1096

00:43:05,450 --> 00:43:03,570

the Franklin scandal in the United

1097

00:43:08,000 --> 00:43:05,460

States they were actually one of the

1098

00:43:09,710 --> 00:43:08,010

chief supporters of Colonia Dignidad in

1099

00:43:12,220 --> 00:43:09,720

Chile which was of course ran by the

1100

00:43:14,720 --> 00:43:12,230

infinite pedophile Paul Shaffer

1101  
00:43:16,820 --> 00:43:14,730  
Sola CERCLA has been linked to these

1102  
00:43:20,090 --> 00:43:16,830  
pedophile networks in multiple

1103  
00:43:21,980 --> 00:43:20,100  
continents for decades now and Norman

1104  
00:43:24,380 --> 00:43:21,990  
Lamont was actually the man who

1105  
00:43:26,000 --> 00:43:24,390  
initially held at the hostile affiliate

1106  
00:43:28,310 --> 00:43:26,010  
Paul Mandelson who showed up in

1107  
00:43:31,840 --> 00:43:28,320  
Epstein's black book as a pedophile I

1108  
00:43:34,700 --> 00:43:31,850  
believe going back to the late 90s so

1109  
00:43:36,290 --> 00:43:34,710  
Maxwell Robert Maxwell knew Lamont he

1110  
00:43:40,040 --> 00:43:36,300  
had been in regular contact with him

1111  
00:43:41,360 --> 00:43:40,050  
since at least the mid-1980s and their

1112  
00:43:44,140 --> 00:43:41,370  
last meaning that I've been able to

1113  
00:43:46,940 --> 00:43:44,150

confirm was sometime in February of 1991

1114

00:43:48,800 --> 00:43:46,950

which by this time Lamont was almost

1115

00:43:50,980 --> 00:43:48,810

surely a member of the circle he would

1116

00:43:53,810 --> 00:43:50,990

become the chairman in either 96 or 97

1117

00:43:56,060 --> 00:43:53,820

so you know that's a very interesting

1118

00:43:58,100 --> 00:43:56,070

connection right there especially given

1119

00:44:00,020 --> 00:43:58,110

the fact that Liz CERCLA has had so much

1120

00:44:02,960 --> 00:44:00,030

involvement in these pedophile networks

1121

00:44:04,400 --> 00:44:02,970

for decades now and Lamont actually

1122

00:44:06,770 --> 00:44:04,410

appears to have been one of Robert

1123

00:44:08,120 --> 00:44:06,780

Maxwell's principal contacts within the

1124

00:44:12,020 --> 00:44:08,130

British government during the Thatcher

1125

00:44:14,810 --> 00:44:12,030

era Jesus man

1126

00:44:16,910 --> 00:44:14,820

it does go deep but you've just done so

1127

00:44:19,640 --> 00:44:16,920

much digging on this it's really

1128

00:44:22,460 --> 00:44:19,650

impressive and you did mention the term

1129

00:44:25,600 --> 00:44:22,470

playing both sides and I had a curious

1130

00:44:28,330 --> 00:44:25,610

question for you how do you assess the

1131

00:44:30,410 --> 00:44:28,340

cue crowd these days the queuing on

1132

00:44:32,660 --> 00:44:30,420

material obviously there are a lot of

1133

00:44:35,960 --> 00:44:32,670

followers in that space they definitely

1134

00:44:38,240 --> 00:44:35,970

cross over into myspace quite a bit but

1135

00:44:40,250 --> 00:44:38,250

I'm pretty skeptical of that material

1136

00:44:42,710 --> 00:44:40,260

and that crowd and even though I would

1137

00:44:47,060 --> 00:44:42,720

admit that some of the things that are

1138

00:44:49,100 --> 00:44:47,070

in the queue data dumps did reflect real

1139

00:44:51,950 --> 00:44:49,110

things especially when it came to

1140

00:44:54,590 --> 00:44:51,960

Epstein he was a precursor and kind of

1141

00:44:56,680 --> 00:44:54,600

laying out some of those questions as to

1142

00:45:00,260 --> 00:44:56,690

who to look at that was going to go down

1143

00:45:01,970 --> 00:45:00,270

so obviously the queue person seems

1144

00:45:03,500 --> 00:45:01,980

somewhat connected maybe it's something

1145

00:45:05,600 --> 00:45:03,510

they could put together just with some

1146

00:45:06,190 --> 00:45:05,610

digging but I'm of the opinion that

1147

00:45:08,829 --> 00:45:06,200

there

1148

00:45:12,910 --> 00:45:08,839

are no good guys just because one side

1149

00:45:15,099 --> 00:45:12,920

wants to expose a vast network of

1150

00:45:17,920 --> 00:45:15,109

entrenched power doesn't mean they have

1151

00:45:19,980 --> 00:45:17,930

good intentions well absolutely and I

1152

00:45:23,410 --> 00:45:19,990

mean I'm kind of reminded of another

1153

00:45:25,300 --> 00:45:23,420

affiliate of La CERCLA British MP I

1154

00:45:27,460 --> 00:45:25,310

think his name was Julian Lewis maybe

1155

00:45:29,890 --> 00:45:27,470

John Lewis he was also a knight of Malta

1156

00:45:31,150 --> 00:45:29,900

but this Lewis fella had come into

1157

00:45:34,270 --> 00:45:31,160

contact with the British magazine

1158

00:45:36,370 --> 00:45:34,280

scallywag which had done a considerable

1159

00:45:38,260 --> 00:45:36,380

amount of research into these pedophile

1160

00:45:41,800 --> 00:45:38,270

networks during the 1980s that were

1161

00:45:44,109 --> 00:45:41,810

present in the UK Lewis was able to get

1162

00:45:45,640 --> 00:45:44,119

a hold of their material I think it was

1163

00:45:47,140 --> 00:45:45,650

maybe through a lawsuit or something I

1164

00:45:49,420 --> 00:45:47,150

can't remember off the top of my head

1165

00:45:51,220 --> 00:45:49,430

but he gets these files that scallywag

1166

00:45:53,560 --> 00:45:51,230

had you know compiled on these

1167

00:45:55,839 --> 00:45:53,570

paedophile groups and he essentially

1168

00:45:58,030 --> 00:45:55,849

suppresses everything related to the

1169

00:46:00,670 --> 00:45:58,040

Tory Party that scallywag had done up

1170

00:46:02,140 --> 00:46:00,680

and he only you know uses the material

1171

00:46:04,720 --> 00:46:02,150

that had been found on the labour party

1172

00:46:06,130 --> 00:46:04,730

and this definitely I think is kind of

1173

00:46:07,900 --> 00:46:06,140

playing into what you're saying here of

1174

00:46:10,660 --> 00:46:07,910

course you could even porn out to Norman

1175

00:46:12,640 --> 00:46:10,670

Lamont himself he outed Mandelson who

1176

00:46:15,700 --> 00:46:12,650

was a big figure and the neoliberal

1177

00:46:17,079 --> 00:46:15,710

establishment very close to Rothschilds

1178

00:46:19,120 --> 00:46:17,089

and progressive politics

1179

00:46:21,609 --> 00:46:19,130

I'm sure Lamont is probably well aware

1180

00:46:23,020 --> 00:46:21,619

that I mean a lot of Tories maybe even

1181

00:46:25,300 --> 00:46:23,030

more Tories honest leading labour

1182

00:46:27,309 --> 00:46:25,310

politicians were involved in these

1183

00:46:28,960 --> 00:46:27,319

networks but as far as I know Lamont is

1184

00:46:33,250 --> 00:46:28,970

not talking about anybody from the

1185

00:46:35,230 --> 00:46:33,260

Tories mm-hmm it's like these people are

1186

00:46:36,160 --> 00:46:35,240

involved in this espionage and

1187

00:46:38,920 --> 00:46:36,170

counterespionage

1188

00:46:41,260 --> 00:46:38,930

and they're picking off members of

1189

00:46:45,010 --> 00:46:41,270

different circles but they're all kind

1190

00:46:47,460 --> 00:46:45,020

of interlinked to some degree and just

1191

00:46:51,609 --> 00:46:47,470

because you're picking off your

1192

00:46:53,980 --> 00:46:51,619

particular opponents in the power

1193

00:46:55,510 --> 00:46:53,990

Network it doesn't mean you're a good

1194

00:46:58,150 --> 00:46:55,520

guy that's just the thing that it's the

1195

00:47:01,420 --> 00:46:58,160

simplistic thinking that I'm seeing in

1196

00:47:03,190 --> 00:47:01,430

conspiracy circles that is really just

1197

00:47:05,290 --> 00:47:03,200

annoying to me right now we should be

1198

00:47:07,990 --> 00:47:05,300

better than that at this point well

1199

00:47:09,880 --> 00:47:08,000

absolutely and I mean it's also just

1200

00:47:11,470 --> 00:47:09,890

really hard to say even if somebody is

1201  
00:47:13,900 --> 00:47:11,480  
you know for instance democrat or

1202  
00:47:16,010 --> 00:47:13,910  
republican I mean we're you know exactly

1203  
00:47:17,840 --> 00:47:16,020  
are their loyalties ultimately lay

1204  
00:47:19,130 --> 00:47:17,850  
I know you know one of the names that

1205  
00:47:20,660 --> 00:47:19,140  
came out in the court documents that

1206  
00:47:23,480 --> 00:47:20,670  
were filed the day before Epstein

1207  
00:47:25,660 --> 00:47:23,490  
committed suicide was a Democratic

1208  
00:47:28,430 --> 00:47:25,670  
senator named George Mitchell I believe

1209  
00:47:31,460 --> 00:47:28,440  
who was one of the more recent names to

1210  
00:47:33,530 --> 00:47:31,470  
have come out and I just recently found

1211  
00:47:35,840 --> 00:47:33,540  
out actually but fluke last night that

1212  
00:47:38,810 --> 00:47:35,850  
Mitchell had been a speaker for the

1213  
00:47:40,760 --> 00:47:38,820

CERCLA very recently actually at least

1214

00:47:42,770 --> 00:47:40,770

as far back I think about 2012 or

1215

00:47:44,420 --> 00:47:42,780

something like that which is interesting

1216

00:47:46,130 --> 00:47:44,430

because as I kind of pointed out before

1217

00:47:48,140 --> 00:47:46,140

let's circle it was essentially the

1218

00:47:49,910 --> 00:47:48,150

probably still is essentially the

1219

00:47:52,520 --> 00:47:49,920

Wright's answer to the bilderberg grew

1220

00:47:54,560 --> 00:47:52,530

it has that same kind of influence and

1221

00:47:57,110 --> 00:47:54,570

sway but here you have George Mitchell

1222

00:47:58,760 --> 00:47:57,120

who was a fairly prominent Democrat who

1223

00:48:01,730 --> 00:47:58,770

was being brought there to address this

1224

00:48:03,530 --> 00:48:01,740

really reactionary right-wing Network so

1225

00:48:09,530 --> 00:48:03,540

I mean what exactly is he you know

1226  
00:48:12,050 --> 00:48:09,540  
really believe mm-hmm indeed so also to

1227  
00:48:15,410 --> 00:48:12,060  
step back to something you had said

1228  
00:48:18,140 --> 00:48:15,420  
about Maxwell publishing primarily

1229  
00:48:19,490 --> 00:48:18,150  
scientific journals this is interesting

1230  
00:48:22,490 --> 00:48:19,500  
because you also mentioned at the

1231  
00:48:24,580 --> 00:48:22,500  
beginning the black projects that seem

1232  
00:48:27,230 --> 00:48:24,590  
to be connected and we know that

1233  
00:48:29,900 --> 00:48:27,240  
Epstein's black book and inner circle

1234  
00:48:32,120 --> 00:48:29,910  
included a lot of the scientific

1235  
00:48:34,220 --> 00:48:32,130  
community which is odd but that is

1236  
00:48:37,610 --> 00:48:34,230  
another rail I mean they got Hollywood

1237  
00:48:39,650 --> 00:48:37,620  
they got the political people they got

1238  
00:48:43,730 --> 00:48:39,660

the dynastic families the money people

1239

00:48:46,960 --> 00:48:43,740

and they're also going for scientists

1240

00:48:50,330 --> 00:48:46,970

and of course Maxwell's daughter is

1241

00:48:51,710 --> 00:48:50,340

Epstein's copilot and all of this so if

1242

00:48:54,170 --> 00:48:51,720

Epstein is involved in some of these

1243

00:48:58,510 --> 00:48:54,180

black projects it wouldn't be a stretch

1244

00:49:01,760 --> 00:48:58,520

to think that he had similar ideas to

1245

00:49:03,410 --> 00:49:01,770

Maxwell's father but what do you think

1246

00:49:05,420 --> 00:49:03,420

about that what do you make up the black

1247

00:49:08,570 --> 00:49:05,430

projects connection and this tie-in with

1248

00:49:10,310 --> 00:49:08,580

the scientific community well dudes

1249

00:49:12,380 --> 00:49:10,320

question I mean to me this is one of the

1250

00:49:14,120 --> 00:49:12,390

more you know interesting aspects that's

1251

00:49:15,980 --> 00:49:14,130

come out with Epstein that I kind of

1252

00:49:17,930 --> 00:49:15,990

alluded to earlier but in the case of

1253

00:49:20,210 --> 00:49:17,940

Robert Maxwell there's also kind of an

1254

00:49:23,390 --> 00:49:20,220

interesting overlap with Epstein's New

1255

00:49:25,880 --> 00:49:23,400

Mexico property by the late 70s early

1256

00:49:28,040 --> 00:49:25,890

80s Robert Maxwell had definitely forged

1257

00:49:29,400 --> 00:49:28,050

very close ties with the Israelis and

1258

00:49:32,400 --> 00:49:29,410

Saud

1259

00:49:35,400 --> 00:49:32,410

and during this timeframe the early 80s

1260

00:49:37,890 --> 00:49:35,410

the Mossad had managed to steal a copy

1261

00:49:40,040 --> 00:49:37,900

of promise which was a software

1262

00:49:43,140 --> 00:49:40,050

developed by a company named as inslaw

1263

00:49:44,760 --> 00:49:43,150

during the late 70s the early 1980s and

1264

00:49:47,610 --> 00:49:44,770

it was originally marketed to the

1265

00:49:49,650 --> 00:49:47,620

Department of Justice and promise was

1266

00:49:51,480 --> 00:49:49,660

almost kind of early search engine if

1267

00:49:53,160 --> 00:49:51,490

you will I mean this is back in the 80s

1268

00:49:54,990 --> 00:49:53,170

when a lot of these files were starting

1269

00:49:58,230 --> 00:49:55,000

to finally be you know converted over to

1270

00:50:00,000 --> 00:49:58,240

computers and it was way for people in

1271

00:50:01,830 --> 00:50:00,010

the Department of Justice other you know

1272

00:50:03,240 --> 00:50:01,840

entities to search these files and to

1273

00:50:04,020 --> 00:50:03,250

look for records and things of that

1274

00:50:07,830 --> 00:50:04,030

nature

1275

00:50:10,260 --> 00:50:07,840

now the CIA had put a backdoor into this

1276

00:50:12,120 --> 00:50:10,270

so that effectively as it was sold to

1277

00:50:13,740 --> 00:50:12,130

other governments and intelligence

1278

00:50:16,350 --> 00:50:13,750

agencies across the world they could

1279

00:50:18,810 --> 00:50:16,360

keep tabs on what all was being said in

1280

00:50:21,150 --> 00:50:18,820

these files now these rarely stole a

1281

00:50:23,250 --> 00:50:21,160

copy of promise during the early 80s and

1282

00:50:26,460 --> 00:50:23,260

they inserted their own backdoor into it

1283

00:50:29,340 --> 00:50:26,470

and the man that they effectively tapped

1284

00:50:31,650 --> 00:50:29,350

to market it was Robert Maxwell Maxwell

1285

00:50:34,110 --> 00:50:31,660

was able to sell this enhanced version

1286

00:50:36,720 --> 00:50:34,120

of promise to various African nations he

1287

00:50:39,320 --> 00:50:36,730

sold it to several of the Southern Cone

1288

00:50:42,180 --> 00:50:39,330

military dictatorships such as Chile and

1289

00:50:43,890 --> 00:50:42,190

though his final coupe de grâce really

1290

00:50:46,620 --> 00:50:43,900

with this was when he sold it to the Los

1291

00:50:48,990 --> 00:50:46,630

Alamos National Laboratory and New

1292

00:50:50,760 --> 00:50:49,000

Mexico he was actually brought into

1293

00:50:54,090 --> 00:50:50,770

contact with Los Alamos through John

1294

00:50:55,650 --> 00:50:54,100

tower former Texas senator that we had

1295

00:50:58,470 --> 00:50:55,660

just discussed earlier who was close to

1296

00:51:00,330 --> 00:50:58,480

George HW Bush tower had arranged for

1297

00:51:03,660 --> 00:51:00,340

Maxwell to meet with the Los Alamos

1298

00:51:05,820 --> 00:51:03,670

people he goes there to Sandia which is

1299

00:51:07,470 --> 00:51:05,830

actually the laboratory where a lot of

1300

00:51:10,200 --> 00:51:07,480

the United States has classified nuclear

1301  
00:51:12,900 --> 00:51:10,210  
research was conducted he managed to

1302  
00:51:15,300 --> 00:51:12,910  
show it to them by 1984-1985 there

1303  
00:51:17,580 --> 00:51:15,310  
abouts and suddenly this gave the

1304  
00:51:19,110 --> 00:51:17,590  
Israelis access to you know many of the

1305  
00:51:22,380 --> 00:51:19,120  
United States is most closely-guarded

1306  
00:51:25,530 --> 00:51:22,390  
nuclear secrets so that certainly you

1307  
00:51:27,090 --> 00:51:25,540  
know a major food for mildly I mean from

1308  
00:51:28,860 --> 00:51:27,100  
an intelligence perspective I mean to

1309  
00:51:31,080 --> 00:51:28,870  
get the I mean nuclear secrets in the

1310  
00:51:31,800 --> 00:51:31,090  
United States it's been a fortune on for

1311  
00:51:34,410 --> 00:51:31,810  
Israel

1312  
00:51:35,850 --> 00:51:34,420  
so Los Alamos National Laboratory

1313  
00:51:39,090 --> 00:51:35,860

bringing this back to Epstein is only

1314

00:51:41,000 --> 00:51:39,100

about an hour's drive from his Stanley

1315

00:51:42,740 --> 00:51:41,010

New Mexico ranch there was a call

1316

00:51:45,370 --> 00:51:42,750

or a ranch or something to that effect

1317

00:51:47,720 --> 00:51:45,380

and that was also the location

1318

00:51:49,580 --> 00:51:47,730

apparently where he had been considering

1319

00:51:51,800 --> 00:51:49,590

doing these kind of bizarre you know

1320

00:51:54,650 --> 00:51:51,810

genetic manipulations and things like

1321

00:51:58,670 --> 00:51:54,660

that apparently the father that he

1322

00:52:00,980 --> 00:51:58,680

wouldn't raise with his DNA yeah he

1323

00:52:03,950 --> 00:52:00,990

wanted to impregnate hundreds of women

1324

00:52:07,130 --> 00:52:03,960

keep them there in a small Shack and

1325

00:52:09,680 --> 00:52:07,140

then spread their babies out around the

1326  
00:52:13,340 --> 00:52:09,690  
country I guess or the world to spread

1327  
00:52:15,410 --> 00:52:13,350  
his superior genes to make I guess what

1328  
00:52:17,900 --> 00:52:15,420  
an egomaniac would think or superhuman

1329  
00:52:19,820 --> 00:52:17,910  
essentially yes so you know and I mean

1330  
00:52:21,830 --> 00:52:19,830  
definitely it's very telling to my mind

1331  
00:52:23,600 --> 00:52:21,840  
that he would set up this alleged site

1332  
00:52:26,540 --> 00:52:23,610  
for these projects right there you know

1333  
00:52:28,640 --> 00:52:26,550  
in a close distance Los Alamos which is

1334  
00:52:30,770 --> 00:52:28,650  
the site of a lot of black projects and

1335  
00:52:32,450 --> 00:52:30,780  
what-have-you to begin with and of

1336  
00:52:35,330 --> 00:52:32,460  
course New Mexico in general there have

1337  
00:52:37,160 --> 00:52:35,340  
been rumors for years of underground

1338  
00:52:39,530 --> 00:52:37,170

bases and things like they're I don't

1339

00:52:41,090 --> 00:52:39,540

know how substantial any of this is but

1340

00:52:43,130 --> 00:52:41,100

there's no question that I mean at Los

1341

00:52:46,010 --> 00:52:43,140

Alamos at Kirtland Air Force Base

1342

00:52:48,290 --> 00:52:46,020

a lot of black projects are tested there

1343

00:52:50,540 --> 00:52:48,300

a lot of research for this kind of stuff

1344

00:52:52,820 --> 00:52:50,550

goes on there and then in the case of

1345

00:52:55,100 --> 00:52:52,830

Epstein's property the zora ranch there

1346

00:52:55,760 --> 00:52:55,110

was a tract of land that the state of

1347

00:52:57,950 --> 00:52:55,770

New Mexico

1348

00:53:00,320 --> 00:52:57,960

essentially owned right smack dab in the

1349

00:53:02,660 --> 00:53:00,330

middle of Epstein's property there's a

1350

00:53:03,920 --> 00:53:02,670

bizarre structure there that looks like

1351

00:53:06,620 --> 00:53:03,930

it might be some kind of underground

1352

00:53:08,870 --> 00:53:06,630

facility there's never really been any

1353

00:53:10,760 --> 00:53:08,880

explanation why exactly the state of New

1354

00:53:12,320 --> 00:53:10,770

Mexico would own this tract of land in

1355

00:53:14,570 --> 00:53:12,330

the middle of Epstein's property or what

1356

00:53:18,530 --> 00:53:14,580

you know this facility that's owned the

1357

00:53:20,540 --> 00:53:18,540

land is for what its purpose was so it

1358

00:53:22,520 --> 00:53:20,550

definitely raises to my mind a lot of

1359

00:53:24,350 --> 00:53:22,530

very strange questions and as I was kind

1360

00:53:26,360 --> 00:53:24,360

of alluding at earlier there's no

1361

00:53:28,460 --> 00:53:26,370

question Epstein probably had a lot of

1362

00:53:30,650 --> 00:53:28,470

illicit funds available to him from sex

1363

00:53:33,110 --> 00:53:30,660

trafficking possibly from money

1364

00:53:34,820 --> 00:53:33,120

laundering and so forth he could have

1365

00:53:37,400 --> 00:53:34,830

potentially put up money to bankroll

1366

00:53:39,950 --> 00:53:37,410

some of these black projects that's for

1367

00:53:41,780 --> 00:53:39,960

whatever reason legal or otherwise could

1368

00:53:44,870 --> 00:53:41,790

not really officially be done at this

1369

00:53:46,450 --> 00:53:44,880

point and certainly it's very curious

1370

00:53:49,940 --> 00:53:46,460

that the site that he picked for this

1371

00:53:51,740 --> 00:53:49,950

you know these potential projects was

1372

00:53:54,620 --> 00:53:51,750

right next to a very very highly

1373

00:53:59,749 --> 00:53:54,630

classified research facility of the US

1374

00:54:02,720 --> 00:53:59,759

months indeed man this is definitely a

1375

00:54:04,359 --> 00:54:02,730

hotbed of connections and as I learned

1376

00:54:07,279 --> 00:54:04,369

from you on the blog

1377

00:54:09,920 --> 00:54:07,289

Epstein bought this land in New Mexico

1378

00:54:12,410 --> 00:54:09,930

from a three-term New Mexico governor

1379

00:54:14,450 --> 00:54:12,420

named Bruce King and the King family

1380

00:54:17,299 --> 00:54:14,460

still owns a lot of the surrounding land

1381

00:54:21,230 --> 00:54:17,309

and Bill Richardson also a Governor of

1382

00:54:23,599 --> 00:54:21,240

New Mexico is heavily connected Epstein

1383

00:54:26,390 --> 00:54:23,609

or talked about in that black book and

1384

00:54:30,109 --> 00:54:26,400

it's just odd that he's so connected

1385

00:54:33,380 --> 00:54:30,119

with the New Mexico leadership and that

1386

00:54:35,690 --> 00:54:33,390

New Mexico owns this land in the middle

1387

00:54:38,990 --> 00:54:35,700

of Epstein's land you show a satellite

1388

00:54:42,980 --> 00:54:39,000

photo on the blog that is just as you

1389

00:54:45,440 --> 00:54:42,990

say bizarre it is a circular structure a

1390

00:54:48,950 --> 00:54:45,450

circular metal structure looks like a

1391

00:54:52,549 --> 00:54:48,960

silo but yet it is down on the ground

1392

00:54:55,490 --> 00:54:52,559

and it definitely insinuates some kind

1393

00:54:57,859 --> 00:54:55,500

of opening to something that's under

1394

00:54:59,900 --> 00:54:57,869

there otherwise they would not own it

1395

00:55:00,349 --> 00:54:59,910

and it's just very weird very very who

1396

00:55:02,269 --> 00:55:00,359

here

1397

00:55:03,650 --> 00:55:02,279

yes and like I said especially when you

1398

00:55:05,809 --> 00:55:03,660

you know kind of factor in the

1399

00:55:07,700 --> 00:55:05,819

long-standing allegations going back to

1400

00:55:09,529 --> 00:55:07,710

the early 80s that there are some kind

1401

00:55:11,539 --> 00:55:09,539

of you know underground facilities in

1402

00:55:13,759 --> 00:55:11,549

New Mexico spread across the state but

1403

00:55:17,660 --> 00:55:13,769

certainly I mean New Mexico is

1404

00:55:19,160 --> 00:55:17,670

definitely the kind of red hair or I

1405

00:55:21,890 --> 00:55:19,170

shouldn't say red herring but the real

1406

00:55:24,349 --> 00:55:21,900

oddity within the you know locations

1407

00:55:25,609 --> 00:55:24,359

that have seen owned property and I mean

1408

00:55:27,680 --> 00:55:25,619

the fact that he would own you know

1409

00:55:29,420 --> 00:55:27,690

property in New York City or Paris is

1410

00:55:32,299 --> 00:55:29,430

rather obvious these are of course major

1411

00:55:34,430 --> 00:55:32,309

cities I mean for the global Italy same

1412

00:55:36,890 --> 00:55:34,440

thing would go with London the US Virgin

1413

00:55:39,529 --> 00:55:36,900

Islands is a major tax haven for a lot

1414

00:55:40,970 --> 00:55:39,539

of the same elite network so it's easy

1415

00:55:42,410 --> 00:55:40,980

to understand why he would want

1416

00:55:45,049 --> 00:55:42,420

properties there I mean this is

1417

00:55:48,499 --> 00:55:45,059

definitely where the jet said VIPs like

1418

00:55:50,839 --> 00:55:48,509

to go and unwind so to speak but New

1419

00:55:53,660 --> 00:55:50,849

Mexico is not an area that's really

1420

00:55:56,059 --> 00:55:53,670

obvious in that sense but there's no

1421

00:55:58,220 --> 00:55:56,069

question that New Mexico is you know

1422

00:56:00,109 --> 00:55:58,230

very much the focal point of a lot of

1423

00:56:01,940 --> 00:56:00,119

black projects the US government has

1424

00:56:04,249 --> 00:56:01,950

been sponsoring for many years and

1425

00:56:06,289 --> 00:56:04,259

that's my mind is easily the most

1426

00:56:08,210 --> 00:56:06,299

compelling reason as to why Epstein

1427

00:56:08,450 --> 00:56:08,220

would want to put a major facility out

1428

00:56:11,510 --> 00:56:08,460

there

1429

00:56:14,599 --> 00:56:11,520

in the middle of nowhere essentially mm

1430

00:56:17,300 --> 00:56:14,609

hmm hmm well this here is a great way to

1431

00:56:19,820 --> 00:56:17,310

kind of wrap this up so to jump back to

1432

00:56:21,650 --> 00:56:19,830

the timing of these last few parts of

1433

00:56:24,380 --> 00:56:21,660

the Epstein story I really like this

1434

00:56:27,230 --> 00:56:24,390

lengthy quote where you talk about this

1435

00:56:30,200 --> 00:56:27,240

New York Times piece about Epstein's DNA

1436

00:56:32,510 --> 00:56:30,210

spreading desires you write make light

1437

00:56:34,490 --> 00:56:32,520

of this story and details like Epstein's

1438

00:56:37,010 --> 00:56:34,500

desire to freeze his penis all you want

1439

00:56:39,620 --> 00:56:37,020

but these revelations are on an entirely

1440

00:56:42,109 --> 00:56:39,630

different level did Epstein or someone

1441

00:56:44,750 --> 00:56:42,119

close to him like say Robert Maxwell's

1442

00:56:46,760 --> 00:56:44,760

daughter Elaine leaked this high

1443

00:56:48,829 --> 00:56:46,770

weirdness to The Times as part of an

1444

00:56:51,940 --> 00:56:48,839

insurance policy in the aftermath of

1445

00:56:54,500 --> 00:56:51,950

Epstein's first reported suicide attempt

1446

00:56:56,570 --> 00:56:54,510

obviously it didn't do the trick as he

1447

00:56:58,820 --> 00:56:56,580

was dead ten days later but his death

1448

00:57:00,829 --> 00:56:58,830

coming after documents from his legal

1449

00:57:04,070 --> 00:57:00,839

woes were unsealed rather than after the

1450

00:57:06,140 --> 00:57:04,080

Times piece hit may constitute an expert

1451

00:57:08,450 --> 00:57:06,150

sleight of hand and this is assuming

1452

00:57:10,820 --> 00:57:08,460

Epstein was the leak a certain former

1453

00:57:12,829 --> 00:57:10,830

madam of his is still alive and present

1454

00:57:14,570 --> 00:57:12,839

and has largely avoided any legal

1455

00:57:17,300 --> 00:57:14,580

entanglements up to this point for her

1456

00:57:19,220 --> 00:57:17,310

role in his operation did you Lane

1457

00:57:21,290 --> 00:57:19,230

learned from her father about what type

1458

00:57:23,570 --> 00:57:21,300

of insurance policies to keep on hand

1459

00:57:25,370 --> 00:57:23,580

certainly she was the only family member

1460

00:57:27,230 --> 00:57:25,380

to insist that her father was murdered

1461

00:57:30,800 --> 00:57:27,240

in the immediate aftermath of his death

1462

00:57:34,220 --> 00:57:30,810

and I think that's really well put

1463

00:57:37,520 --> 00:57:34,230

together and maybe Gawain and Epstein's

1464

00:57:40,160 --> 00:57:37,530

lawyer are really at a decision point on

1465

00:57:41,839 --> 00:57:40,170

what to do with any potential material

1466

00:57:45,260 --> 00:57:41,849

they have at this point if anyone had

1467

00:57:47,240 --> 00:57:45,270

some kind of insurance policy to be

1468

00:57:49,609 --> 00:57:47,250

released upon his death it would be

1469

00:57:51,440 --> 00:57:49,619

these figures and if they were to

1470

00:57:54,260 --> 00:57:51,450

release it it could be quite damaging

1471

00:57:56,780 --> 00:57:54,270

for them and maybe that is why Maxwell

1472

00:57:58,640 --> 00:57:56,790

has kind of avoided any prosecution

1473

00:58:01,700 --> 00:57:58,650

either even though she's termed the

1474

00:58:03,230 --> 00:58:01,710

madam yeah as fact as far as I'm aware I

1475

00:58:05,599 --> 00:58:03,240

don't even think they know where she's

1476

00:58:08,359 --> 00:58:05,609

at right now she's essentially just kind

1477

00:58:10,130 --> 00:58:08,369

of disappeared I guess a bit leg what's

1478

00:58:12,290 --> 00:58:10,140

his name Joseph miss furred or whose

1479

00:58:13,570 --> 00:58:12,300

father whoever the central figure was in

1480

00:58:16,640 --> 00:58:13,580

Russia Gades

1481

00:58:18,170 --> 00:58:16,650

yet another person who's probably

1482

00:58:20,120 --> 00:58:18,180

sitting on a treasure trove of

1483

00:58:21,920 --> 00:58:20,130

invaluable information about these

1484

00:58:24,410 --> 00:58:21,930

scandals and the

1485

00:58:26,390 --> 00:58:24,420

the US intelligence community with its

1486

00:58:28,549 --> 00:58:26,400

billions of dollars and agents across

1487

00:58:31,130 --> 00:58:28,559

the world and so forth apparently can't

1488

00:58:34,940 --> 00:58:31,140

find them or nobody wants to talk to

1489

00:58:37,280 --> 00:58:34,950

them it's just like really right right

1490

00:58:40,520 --> 00:58:37,290

and so as we're wrapping this thing up

1491

00:58:42,589 --> 00:58:40,530

do you see either the Epstein scandal

1492

00:58:44,809 --> 00:58:42,599

investigation or the nexium one

1493

00:58:48,740 --> 00:58:44,819

continuing on I mean there's a lot of

1494

00:58:51,620 --> 00:58:48,750

rings of culpability that could be

1495

00:58:53,690 --> 00:58:51,630

looped in here but maybe it has been

1496

00:58:56,200 --> 00:58:53,700

cauterized and we'll just be quarantined

1497

00:58:58,579 --> 00:58:56,210

where it is do you think any of these

1498

00:59:00,829 --> 00:58:58,589

investigations will continue to rope in

1499

00:59:03,710 --> 00:59:00,839

any of the big players or are we done

1500

00:59:05,480 --> 00:59:03,720

here I think it's quite possible I mean

1501

00:59:08,030 --> 00:59:05,490

I do think that things are going to die

1502

00:59:09,920 --> 00:59:08,040

down in a couple of weeks you know now

1503

00:59:11,750 --> 00:59:09,930

after the initial kind of headlines have

1504

00:59:13,790 --> 00:59:11,760

come and gone and the revelations have

1505

00:59:15,770 --> 00:59:13,800

been made but it really would not

1506

00:59:19,130 --> 00:59:15,780

surprise me if stuff starts to come out

1507

00:59:20,510 --> 00:59:19,140

again going into the 2020 elections if

1508

00:59:21,770 --> 00:59:20,520

anything I mean that was one of the

1509

00:59:24,710 --> 00:59:21,780

surprises I actually thought about

1510

00:59:27,049 --> 00:59:24,720

Epstein being arrested in 2019 because I

1511

00:59:29,059 --> 00:59:27,059

mean certainly I think that Trump

1512

00:59:30,620 --> 00:59:29,069

probably is not going to be damaged by

1513

00:59:32,240 --> 00:59:30,630

anything that comes out about Epstein

1514

00:59:34,700 --> 00:59:32,250

but quite a few figures within the

1515

00:59:38,660 --> 00:59:34,710

Democratic establishment we may well be

1516

00:59:40,190 --> 00:59:38,670

so 2019 seemed a little premature for

1517

00:59:41,690 --> 00:59:40,200

some of these revelations to start

1518

00:59:43,220 --> 00:59:41,700

coming out but I mean it wouldn't

1519

00:59:44,780 --> 00:59:43,230

surprise me if a new phase of the

1520

00:59:47,299 --> 00:59:44,790

investigation or something to that

1521

00:59:49,220 --> 00:59:47,309

effect starts to ratchet up again going

1522

00:59:53,960 --> 00:59:49,230

into 2020 when we're getting closer to

1523

00:59:56,660 --> 00:59:53,970

the election certainly yes could be for

1524

01:00:00,170 --> 00:59:56,670

sure and it's going to be an interesting

1525

01:00:02,299 --> 01:00:00,180

election cycle just compared to what we

1526

01:00:05,390 --> 01:00:02,309

saw in the last one I'm sure things are

1527

01:00:07,970 --> 01:00:05,400

ramping up as the empire scrambles to

1528

01:00:10,250 --> 01:00:07,980

stay relevant because it seems like this

1529

01:00:13,220 --> 01:00:10,260

snowball has gotten about as big as it

1530

01:00:15,859 --> 01:00:13,230

can before it hits the fan and we'll see

1531

01:00:18,289 --> 01:00:15,869

I mean this might be collapsed the Roman

1532

01:00:19,750 --> 01:00:18,299

Empire 2.0 in the next few years because

1533

01:00:22,609 --> 01:00:19,760

there's a lot of people saying

1534

01:00:25,819 --> 01:00:22,619

economically politically when it comes

1535

01:00:28,569 --> 01:00:25,829

to people's confidence any metric it's

1536

01:00:31,130 --> 01:00:28,579

not looking good for the US Empire

1537

01:00:34,250 --> 01:00:31,140

absolutely I mean or possibly even more

1538

01:00:35,000 --> 01:00:34,260

horrendous a civil war or something akin

1539

01:00:37,340 --> 01:00:35,010

to what we can

1540

01:00:39,020 --> 01:00:37,350

saw in France in the early 60s when

1541

01:00:41,780 --> 01:00:39,030

essentially the special operations

1542

01:00:43,910 --> 01:00:41,790

forces tried to overthrow to Gaul that's

1543

01:00:45,440 --> 01:00:43,920

rather ominous in light of the fact that

1544

01:00:47,180 --> 01:00:45,450

a lot of trumps support within the

1545

01:00:48,410 --> 01:00:47,190

intelligence community appears to have

1546

01:00:51,860 --> 01:00:48,420

come from the Joint Special Operations

1547

01:00:53,960 --> 01:00:51,870

Command and if history repeats itself in

1548

01:00:55,580 --> 01:00:53,970

that sense I really don't think we want

1549

01:00:57,560 --> 01:00:55,590

to see what will happen in this country

1550

01:00:59,720 --> 01:00:57,570

if a lot of you know rogue figures from

1551

01:01:04,280 --> 01:00:59,730

the Delta Force or SIL Team six try to

1552

01:01:07,520 --> 01:01:04,290

overthrow the government huh no no man

1553

01:01:09,500 --> 01:01:07,530

and you're just so knowledgeable there

1554

01:01:12,620 --> 01:01:09,510

are many layers in the conspiracy cake

1555

01:01:14,750 --> 01:01:12,630

you know them all you are my cake baker

1556

01:01:16,370 --> 01:01:14,760

of choice man and I really appreciate

1557

01:01:18,650 --> 01:01:16,380

you being here we got to call it in

1558

01:01:20,690 --> 01:01:18,660

somewhere but remind the people how to

1559

01:01:22,850 --> 01:01:20,700

get to your blog and some of the other

1560

01:01:23,390 --> 01:01:22,860

subjects you cover there because it's

1561

01:01:25,370 --> 01:01:23,400

vast

1562

01:01:26,840 --> 01:01:25,380

yeah I've covered a lot of stuff and I

1563

01:01:28,490 --> 01:01:26,850

mean certainly if you're more interested

1564

01:01:30,260 --> 01:01:28,500

in these kind of right-wing networks

1565

01:01:32,420 --> 01:01:30,270

which really don't get a lot of play

1566

01:01:34,090 --> 01:01:32,430

especially in you know us conspiracy

1567

01:01:35,990 --> 01:01:34,100

theory sites and what-have-you

1568

01:01:37,790 --> 01:01:36,000

definitely check it out I've got

1569

01:01:39,590 --> 01:01:37,800

extensive series on the American

1570

01:01:41,300 --> 01:01:39,600

Security Council and with Circulo which

1571

01:01:43,010 --> 01:01:41,310

you know I've mentioned quite a bit in

1572

01:01:44,960 --> 01:01:43,020

this interview and also the world and

1573

01:01:46,790 --> 01:01:44,970

the Communist League and so forth and

1574

01:01:48,500 --> 01:01:46,800

also I mean in addition to pair of

1575

01:01:50,600 --> 01:01:48,510

politics as you may have gathered I've

1576

01:01:52,300 --> 01:01:50,610

also written a bit on UFOs and a lot of

1577

01:01:56,660 --> 01:01:52,310

other high weirdness and so forth

1578

01:01:59,870 --> 01:01:56,670

website is found at FISA few dot blog

1579

01:02:02,990 --> 01:01:59,880

spot.com buys up his vis u P and then

1580

01:02:05,870 --> 01:02:03,000

just view the iew all one word and then

1581

01:02:09,890 --> 01:02:05,880

blog spot.com and also i've actually

1582

01:02:11,720 --> 01:02:09,900

begun work as well on a book nice man it

1583

01:02:13,600 --> 01:02:11,730

is actually going to go into epstein

1584

01:02:15,470 --> 01:02:13,610

i've actually had to be a little

1585

01:02:17,570 --> 01:02:15,480

selective and some of the stuff i've

1586

01:02:19,550 --> 01:02:17,580

told you but definitely i'm aware of

1587

01:02:21,380 --> 01:02:19,560

some other links that i've maybe kind of

1588

01:02:24,170 --> 01:02:21,390

slightly hinted at in this interview

1589

01:02:25,760 --> 01:02:24,180

between Profumo and Epstein and so forth

1590

01:02:28,340 --> 01:02:25,770

that will definitely be explored a lot

1591

01:02:30,320 --> 01:02:28,350

more in the book and also this kind of

1592

01:02:32,360 --> 01:02:30,330

network that you start to see emerge in

1593

01:02:35,060 --> 01:02:32,370

the new york city in the late 70s early

1594

01:02:37,910 --> 01:02:35,070

80s that included Trump and Murdock and

1595

01:02:39,620 --> 01:02:37,920

later Robert Maxwell and so forth so

1596

01:02:44,000 --> 01:02:39,630

yeah hopefully I can have that wrapped

1597

01:02:45,770 --> 01:02:44,010

up by the time the 2020 elections that's

1598

01:02:47,630 --> 01:02:45,780

awesome and that was gonna be one of my

1599

01:02:48,390 --> 01:02:47,640

closing questions for you is that it

1600

01:02:50,039 --> 01:02:48,400

seems like you

1601  
01:02:52,049 --> 01:02:50,049  
I have a book coming out at this point

1602  
01:02:54,599 --> 01:02:52,059  
or you got to get a patreon or something

1603  
01:02:56,309 --> 01:02:54,609  
I mean you're great at what you do like

1604  
01:02:57,450 --> 01:02:56,319  
I said I'm trying I mean the next step

1605  
01:02:59,730 --> 01:02:57,460  
will definitely be trying to find a

1606  
01:03:00,960 --> 01:02:59,740  
publisher Jason Horsley has been kind to

1607  
01:03:02,760 --> 01:03:00,970  
kind of give me a little help with that

1608  
01:03:05,130 --> 01:03:02,770  
but obviously if you are a publisher

1609  
01:03:08,339 --> 01:03:05,140  
have no one I would be very interested

1610  
01:03:10,079 --> 01:03:08,349  
to hear anything you have to say I'm

1611  
01:03:11,670 --> 01:03:10,089  
definitely a pretty prolific writer and

1612  
01:03:14,250 --> 01:03:11,680  
I do anticipate that the books should be

1613  
01:03:16,230 --> 01:03:14,260

ready sometime next spring so definitely

1614

01:03:17,870 --> 01:03:16,240

at that point in time I will be looking

1615

01:03:20,490 --> 01:03:17,880

for a publisher something I'd even

1616

01:03:22,589 --> 01:03:20,500

possibly considered crowdsourcing it I

1617

01:03:24,900 --> 01:03:22,599

don't know but I mean I definitely think

1618

01:03:26,160 --> 01:03:24,910

I could do quite a compelling book on

1619

01:03:27,690 --> 01:03:26,170

this whole nother world that would

1620

01:03:29,670 --> 01:03:27,700

hopefully try to provide more of a

1621

01:03:30,930 --> 01:03:29,680

coherent you know order to everything

1622

01:03:32,880 --> 01:03:30,940

that we've discussed as well because I

1623

01:03:35,250 --> 01:03:32,890

know with all these you know names dates

1624

01:03:36,870 --> 01:03:35,260

it's problematic to keep everything you

1625

01:03:38,519 --> 01:03:36,880

know track of everything and that's one

1626  
01:03:39,779 --> 01:03:38,529  
of the reasons why I really wanted to do

1627  
01:03:42,420 --> 01:03:39,789  
a book that could kind of provide a

1628  
01:03:45,390 --> 01:03:42,430  
chronicle of all these events places and

1629  
01:03:47,640 --> 01:03:45,400  
people and so forth very cool very cool

1630  
01:03:49,380 --> 01:03:47,650  
I don't think you'll have any problem

1631  
01:03:51,299 --> 01:03:49,390  
getting that published I might even put

1632  
01:03:53,789 --> 01:03:51,309  
you in contact with Chris Milligan from

1633  
01:03:56,329 --> 01:03:53,799  
shrined day who I think is one of the

1634  
01:03:58,680 --> 01:03:56,339  
best suppliers of high-quality

1635  
01:04:01,230 --> 01:03:58,690  
suppressed books as he likes to say I

1636  
01:04:02,940 --> 01:04:01,240  
say conspiracy books but you know that

1637  
01:04:04,500 --> 01:04:02,950  
Tron day was actually definitely that

1638  
01:04:06,480 --> 01:04:04,510

one of the first publishers I thought of

1639

01:04:08,519 --> 01:04:06,490

approaching because I am a big fan of

1640

01:04:11,400 --> 01:04:08,529

trying day as well I mean definitely the

1641

01:04:13,319 --> 01:04:11,410

folks by Nick Brian Peter Levin dia so

1642

01:04:15,150 --> 01:04:13,329

forth I mean I'm a very big fan

1643

01:04:17,160 --> 01:04:15,160

HBO Parelli I can't believe I almost

1644

01:04:18,900 --> 01:04:17,170

forgot el Parelli uh but trying day is

1645

01:04:20,819 --> 01:04:18,910

great I mean that would definitely be a

1646

01:04:22,680 --> 01:04:20,829

publisher I would be very interested in

1647

01:04:24,900 --> 01:04:22,690

and mean it would definitely be quite an

1648

01:04:26,940 --> 01:04:24,910

honor to join their illustrious roster

1649

01:04:29,279 --> 01:04:26,950

about other authors that are represented

1650

01:04:32,519 --> 01:04:29,289

by trying day heck yeah man you'd be in

1651

01:04:35,190 --> 01:04:32,529

good company for sure but ah this has

1652

01:04:37,440 --> 01:04:35,200

been a great time very much appreciative

1653

01:04:40,470 --> 01:04:37,450

of all the work you do you're one of the

1654

01:04:42,920 --> 01:04:40,480

good ones keep it up and stay safe out

1655

01:04:44,990 --> 01:04:42,930

there man yeah hopefully

1656

01:04:44,990 --> 01:04:45,000

you

1657

01:04:52,359 --> 01:04:49,370

oh the humanity recluse the triumphant

1658

01:04:55,790 --> 01:04:52,369

return of the man who knows the plan and

1659

01:04:58,660 --> 01:04:55,800

let it be known there are no good guys

1660

01:05:02,530 --> 01:04:58,670

guys let that be the lesson of the day

1661

01:05:05,930 --> 01:05:02,540

they have all kinds of disagreements and

1662

01:05:08,750 --> 01:05:05,940

strategy differences and even some

1663

01:05:10,730 --> 01:05:08,760

conflicting goals and ideologies but the

1664

01:05:13,010 --> 01:05:10,740

only thing they really agree on is that

1665

01:05:14,710 --> 01:05:13,020

we are the dumb cattle that they have to

1666

01:05:18,010 --> 01:05:14,720

manage

1667

01:05:20,740 --> 01:05:18,020

hey but we did it we got back to current

1668

01:05:24,579 --> 01:05:20,750

events got back to good old conspiracy

1669

01:05:26,410 --> 01:05:24,589

101 it has been a little while now I've

1670

01:05:29,140 --> 01:05:26,420

just kind of had a desire to avoid

1671

01:05:31,420 --> 01:05:29,150

politically charged shows for the past

1672

01:05:34,059 --> 01:05:31,430

few months it's not that I've been

1673

01:05:35,980 --> 01:05:34,069

scared off not that I've been talked to

1674

01:05:39,309 --> 01:05:35,990

or anything really except the fact that

1675

01:05:42,460 --> 01:05:39,319

I have political fatigue something like

1676  
01:05:44,440 --> 01:05:42,470  
5 g or GMO politics like we talked about

1677  
01:05:45,609 --> 01:05:44,450  
with dr. ferral last time or a little

1678  
01:05:48,460 --> 01:05:45,619  
bit different those are more like

1679  
01:05:51,700 --> 01:05:48,470  
campaigns really it's that I've been

1680  
01:05:54,099 --> 01:05:51,710  
burnt out on Trump anything for months

1681  
01:05:56,230 --> 01:05:54,109  
now I guess that's the real issue and

1682  
01:05:58,240 --> 01:05:56,240  
since I'm not really seeing it slowdown

1683  
01:06:00,550 --> 01:05:58,250  
or anything I can't seem to get away

1684  
01:06:03,940 --> 01:06:00,560  
from it I guess I should just give up

1685  
01:06:06,010 --> 01:06:03,950  
the idea of a tolerance break but

1686  
01:06:07,420 --> 01:06:06,020  
longtime listeners of this show should

1687  
01:06:09,550 --> 01:06:07,430  
have been familiar with the Jeffrey

1688  
01:06:12,010 --> 01:06:09,560

Epstein name long before this latest

1689

01:06:14,710 --> 01:06:12,020

round of the news cycle we've talked

1690

01:06:17,710 --> 01:06:14,720

about him and pedo island and the Lolita

1691

01:06:21,099 --> 01:06:17,720

Express many times but never to this

1692

01:06:23,500 --> 01:06:21,109

depth of course a lot of the time th she

1693

01:06:25,420 --> 01:06:23,510

is trying to look at something that only

1694

01:06:27,400 --> 01:06:25,430

a few people are looking at and this is

1695

01:06:30,130 --> 01:06:27,410

a case where everyone under the Sun is

1696

01:06:33,190 --> 01:06:30,140

covering it in some regard so it's a

1697

01:06:35,980 --> 01:06:33,200

different kind of challenge to do it

1698

01:06:40,510 --> 01:06:35,990

differently or really just better than

1699

01:06:43,480 --> 01:06:40,520

the rest or at least as well as I did do

1700

01:06:45,730 --> 01:06:43,490

a lot of digging on the side and I had a

1701

01:06:48,760 --> 01:06:45,740

little bit to add outside of the scope

1702

01:06:51,099 --> 01:06:48,770

of recluses work but if you read his

1703

01:06:53,800 --> 01:06:51,109

blogs on this it's pretty clear that

1704

01:06:58,440 --> 01:06:53,810

he's a great candidate to be our Peto

1705

01:07:01,120 --> 01:06:58,450

guy or epstein guy I should say Jesus

1706

01:07:04,720 --> 01:07:01,130

but I also felt it was time to get into

1707

01:07:07,630 --> 01:07:04,730

nexium granted it definitely played a

1708

01:07:09,490 --> 01:07:07,640

backseat role here but there is a little

1709

01:07:11,920 --> 01:07:09,500

connective tissue between them and I

1710

01:07:14,230 --> 01:07:11,930

definitely intentionally got that out in

1711

01:07:17,829 --> 01:07:14,240

the first hour so we could have such a

1712

01:07:20,230 --> 01:07:17,839

heavy hit and title nexium does deserve

1713

01:07:21,839 --> 01:07:20,240

more attention but I'm kind of waiting

1714

01:07:23,950 --> 01:07:21,849

for the books to come out I guess

1715

01:07:26,099 --> 01:07:23,960

although there are some other things in

1716

01:07:28,039 --> 01:07:26,109

the works we'll see how they shake out

1717

01:07:30,069 --> 01:07:28,049

but another challenge

1718

01:07:33,769 --> 01:07:30,079

has been finding a non-partisan

1719

01:07:36,140 --> 01:07:33,779

perspective on the Epstein case I looked

1720

01:07:37,849 --> 01:07:36,150

at more than a few people spent hours

1721

01:07:40,640 --> 01:07:37,859

checking out their stuff and then had to

1722

01:07:44,289 --> 01:07:40,650

decide well they're too one-sided or

1723

01:07:47,029 --> 01:07:44,299

they rely too heavily on the queue [h\_\_h]

1724

01:07:49,759 --> 01:07:47,039

but connection wise the william bar

1725

01:07:52,669 --> 01:07:49,769

thing is just the craziest to me in this

1726

01:07:55,039 --> 01:07:52,679

big wide world his dad gives Jeffrey

1727

01:07:57,799 --> 01:07:55,049

Epstein his first real job when he

1728

01:07:59,739 --> 01:07:57,809

shouldn't have so how does William part

1729

01:08:02,390 --> 01:07:59,749

his dad even know this guy

1730

01:08:05,299 --> 01:08:02,400

maybe Epstein was on to the blackmail

1731

01:08:07,429 --> 01:08:05,309

game so early that he just said hey

1732

01:08:09,890 --> 01:08:07,439

where's the deans house okay there it is

1733

01:08:12,380 --> 01:08:09,900

I guess I'll just film him until I get

1734

01:08:13,729 --> 01:08:12,390

something interesting I mean it's

1735

01:08:15,979 --> 01:08:13,739

possible there has to be some

1736

01:08:18,709 --> 01:08:15,989

explanation but I literally just made

1737

01:08:21,049 --> 01:08:18,719

that up I just want to be clear but he

1738

01:08:23,689 --> 01:08:21,059

did get this first job somehow he didn't

1739

01:08:25,609 --> 01:08:23,699

just walk in off the street to a school

1740

01:08:28,760 --> 01:08:25,619

that used to have named children's

1741

01:08:31,039 --> 01:08:28,770

university by the way but William bars

1742

01:08:33,200 --> 01:08:31,049

dad gives Epstein his first job and then

1743

01:08:36,620 --> 01:08:33,210

he's Attorney General of the goddamn

1744

01:08:40,039 --> 01:08:36,630

United States overseeing this same guys

1745

01:08:41,209 --> 01:08:40,049

child trafficking case talk about a

1746

01:08:43,760 --> 01:08:41,219

weird coincidence

1747

01:08:45,079 --> 01:08:43,770

and I wonder how many listeners out

1748

01:08:47,990 --> 01:08:45,089

there have actually watched the

1749

01:08:50,410 --> 01:08:48,000

blacklist but this whole blackmail file

1750

01:08:53,299 --> 01:08:50,420

element has a real Raymond Reddington

1751

01:08:56,149 --> 01:08:53,309

feel to it in terms of there being a big

1752

01:08:58,549 --> 01:08:56,159

hoopla on the surface but the real layer

1753

01:09:00,769 --> 01:08:58,559

to watch is whoever swooped in and got

1754

01:09:03,459 --> 01:09:00,779

that blackmail data and then got out of

1755

01:09:06,709 --> 01:09:03,469

Dodge just like red Reddington would do

1756

01:09:08,780 --> 01:09:06,719

also I mentioned that weird Clinton in a

1757

01:09:11,269 --> 01:09:08,790

dress painting I guess it's a painting

1758

01:09:14,140 --> 01:09:11,279

not a photograph there's also a George W

1759

01:09:18,410 --> 01:09:14,150

Bush one of him throwing paper airplanes

1760

01:09:20,419 --> 01:09:18,420

over a collapsed Jenga tower you should

1761

01:09:22,669 --> 01:09:20,429

see it I don't know about that Clinton

1762

01:09:25,220 --> 01:09:22,679

won but I do look at that George Bush

1763

01:09:28,129 --> 01:09:25,230

won and think well I'd hang that up in

1764

01:09:30,849 --> 01:09:28,139

my office actually can't say the same

1765

01:09:33,340 --> 01:09:30,859

for any of that creepy Podesta art

1766

01:09:35,920 --> 01:09:33,350

anyway I have to thank recluse again he

1767

01:09:38,770 --> 01:09:35,930

knows a lot about these lesser discussed

1768

01:09:40,599 --> 01:09:38,780

political networks and scandals and it

1769

01:09:42,730 --> 01:09:40,609

all came bubbling to the surface even

1770

01:09:45,340 --> 01:09:42,740

though he's been doing this research for

1771

01:09:47,290 --> 01:09:45,350

a long long time I've been really

1772

01:09:50,079 --> 01:09:47,300

looking forward to the release of this

1773

01:09:52,900 --> 01:09:50,089

show I think it's a return to form for

1774

01:09:55,090 --> 01:09:52,910

us a little bit and when we have a show

1775

01:09:56,740 --> 01:09:55,100

like this that's about recent events I

1776

01:10:00,340 --> 01:09:56,750

always want to get it out quickly and

1777

01:10:03,130 --> 01:10:00,350

add any important new news to the

1778

01:10:05,560 --> 01:10:03,140

wrap-up section but the only noteworthy

1779

01:10:08,290 --> 01:10:05,570

thing I've heard since we recorded is

1780

01:10:10,720 --> 01:10:08,300

that the autopsy showed Epstein had

1781

01:10:14,250 --> 01:10:10,730

broken bones in his neck that are

1782

01:10:17,860 --> 01:10:14,260

consistent with hanging or strangulation

1783

01:10:20,140 --> 01:10:17,870

so I guess the experts crack the case

1784

01:10:22,630 --> 01:10:20,150

guys we can all go home something

1785

01:10:26,730 --> 01:10:22,640

happened to Geoffrey Epstein's neck we

1786

01:10:30,390 --> 01:10:26,740

know that now it has been confirmed oh

1787

01:10:32,380 --> 01:10:30,400

just the stupidest story ever right

1788

01:10:34,420 --> 01:10:32,390

there was also something interesting

1789

01:10:36,850 --> 01:10:34,430

posted on the higher side chats

1790

01:10:39,670 --> 01:10:36,860

subreddit about Epstein's connections to

1791

01:10:42,250 --> 01:10:39,680

the AI community which might be worth a

1792

01:10:44,680 --> 01:10:42,260

look if you're hungry for more well

1793

01:10:47,140 --> 01:10:44,690

let's talk about higher side news I know

1794

01:10:49,990 --> 01:10:47,150

a lot of people are still frustrated and

1795

01:10:52,630 --> 01:10:50,000

I still have a team working on the

1796

01:10:54,520 --> 01:10:52,640

problems and I can say things are

1797

01:10:56,350 --> 01:10:54,530

looking good I've had a lot of meetings

1798

01:10:59,380 --> 01:10:56,360

with the company I'm working with and

1799

01:11:02,140 --> 01:10:59,390

we're a lot closer to solutions for some

1800

01:11:05,950 --> 01:11:02,150

of the big widespread problems that were

1801  
01:11:08,680 --> 01:11:05,960  
having more so now than we were 48 hours

1802  
01:11:10,840 --> 01:11:08,690  
ago I know a ton of plus members are

1803  
01:11:13,150 --> 01:11:10,850  
writing me about inactive subscriptions

1804  
01:11:16,720 --> 01:11:13,160  
and they should be you know you're

1805  
01:11:19,660 --> 01:11:16,730  
paying for this thing but the access

1806  
01:11:22,930 --> 01:11:19,670  
cycle is out of alignment and I'm trying

1807  
01:11:26,350 --> 01:11:22,940  
to wait for a site-wide fix before I

1808  
01:11:28,890 --> 01:11:26,360  
spend another day doing a couple hundred

1809  
01:11:31,420 --> 01:11:28,900  
manual adjustments and emailing people

1810  
01:11:33,120 --> 01:11:31,430  
individually which is how I spent my

1811  
01:11:35,670 --> 01:11:33,130  
weekend

1812  
01:11:38,520 --> 01:11:35,680  
I don't mind but these are manual

1813  
01:11:42,150 --> 01:11:38,530

changes I want something systemic so

1814

01:11:44,940 --> 01:11:42,160

that this doesn't recur one piece of

1815

01:11:48,210 --> 01:11:44,950

very good news is we are 100% sure that

1816

01:11:50,910 --> 01:11:48,220

new signups won't have a problem as only

1817

01:11:54,120 --> 01:11:50,920

people who were ported over which is

1818

01:11:57,270 --> 01:11:54,130

like 99% of people but hey one thing at

1819

01:11:59,700 --> 01:11:57,280

a time and long story short at this

1820

01:12:02,880 --> 01:11:59,710

point I have the fix I found the

1821

01:12:05,790 --> 01:12:02,890

solution it's just too big and important

1822

01:12:08,880 --> 01:12:05,800

to be in my hands so I'm currently

1823

01:12:10,910 --> 01:12:08,890

settling on one of these skilled stripe

1824

01:12:14,190 --> 01:12:10,920

developers that I've talked with and

1825

01:12:17,040 --> 01:12:14,200

before the next show our plus database

1826  
01:12:20,340 --> 01:12:17,050  
should all be back and in working order

1827  
01:12:22,860 --> 01:12:20,350  
on the new site I realize this

1828  
01:12:25,710 --> 01:12:22,870  
subscription database issue is affecting

1829  
01:12:27,720 --> 01:12:25,720  
the old side as well but I think for the

1830  
01:12:30,060 --> 01:12:27,730  
vast majority of people the reason I

1831  
01:12:32,430 --> 01:12:30,070  
didn't pull that down yet that site is

1832  
01:12:35,400 --> 01:12:32,440  
because it's the insurance policy it's

1833  
01:12:37,170 --> 01:12:35,410  
the thing we use while we're still

1834  
01:12:39,510 --> 01:12:37,180  
waiting for all the kinks to be worked

1835  
01:12:43,110 --> 01:12:39,520  
out of the new site and then I'm gonna

1836  
01:12:47,400 --> 01:12:43,120  
switch it off the other big issue and

1837  
01:12:49,440 --> 01:12:47,410  
big priority is plus access via RSS on

1838  
01:12:51,330 --> 01:12:49,450

the new site people don't want to come

1839

01:12:53,490 --> 01:12:51,340

to the website and log in and listen

1840

01:12:56,100 --> 01:12:53,500

every time although the site does look

1841

01:12:59,970 --> 01:12:56,110

good on mobile you can download the mp3

1842

01:13:02,010 --> 01:12:59,980

directly so you're not in a terrible

1843

01:13:06,270 --> 01:13:02,020

situation but people want to plug in

1844

01:13:08,910 --> 01:13:06,280

that feed to their podcast apps and have

1845

01:13:10,680 --> 01:13:08,920

no problem we're getting on that the

1846

01:13:12,870 --> 01:13:10,690

team is still trying to figure out what

1847

01:13:15,270 --> 01:13:12,880

it is about the server configuration

1848

01:13:18,000 --> 01:13:15,280

that isn't allowing RSS feed access for

1849

01:13:19,920 --> 01:13:18,010

plus people but once that problem is

1850

01:13:21,420 --> 01:13:19,930

found it should just be a flip of the

1851

01:13:24,810 --> 01:13:21,430

switch maybe we have to turn off a

1852

01:13:26,700 --> 01:13:24,820

firewall or something but that's another

1853

01:13:30,090 --> 01:13:26,710

thing on the list that I'm hoping is

1854

01:13:33,300 --> 01:13:30,100

fixed in the next 48 hours and the last

1855

01:13:35,730 --> 01:13:33,310

of the big issues for THD is being

1856

01:13:37,980 --> 01:13:35,740

removed from the iTunes Store entirely

1857

01:13:39,600 --> 01:13:37,990

and that's something that the company

1858

01:13:41,400 --> 01:13:39,610

I've been working with is confident they

1859

01:13:43,470 --> 01:13:41,410

can fix apparently they're going

1860

01:13:45,990 --> 01:13:43,480

straight to the top and trying to get

1861

01:13:49,980 --> 01:13:46,000

our old listing and all those

1862

01:13:53,400 --> 01:13:49,990

reviews back in order so to quote the

1863

01:13:55,620 --> 01:13:53,410

big lebowski nothing is [h\_\_h] and it

1864

01:13:58,440 --> 01:13:55,630

can all be made right again and we're

1865

01:14:02,010 --> 01:13:58,450

Klein our way back to dominance more

1866

01:14:04,580 --> 01:14:02,020

each day I am really sorry for the

1867

01:14:07,320 --> 01:14:04,590

trouble and the confusion and the delays

1868

01:14:09,780 --> 01:14:07,330

but I just make the show and I try to

1869

01:14:12,330 --> 01:14:09,790

outsource the tech side of things and

1870

01:14:13,920 --> 01:14:12,340

when they screw up I'm kind of left

1871

01:14:17,520 --> 01:14:13,930

holding the bag and I don't even know

1872

01:14:19,680 --> 01:14:17,530

what to do with it but we are making

1873

01:14:22,200 --> 01:14:19,690

progress and we've also fixed a lot of

1874

01:14:25,800 --> 01:14:22,210

the small simple things on the new site

1875

01:14:28,770 --> 01:14:25,810

to the contact form works now all of the

1876

01:14:32,040 --> 01:14:28,780

sign up for plus language magically goes

1877

01:14:34,230 --> 01:14:32,050

away when you're signed in that'll help

1878

01:14:36,060 --> 01:14:34,240

you determine what version of the site

1879

01:14:38,280 --> 01:14:36,070

you're looking at and the free and plus

1880

01:14:41,340 --> 01:14:38,290

shows are playing for people as they

1881

01:14:43,920 --> 01:14:41,350

should be both on the front page slider

1882

01:14:47,370 --> 01:14:43,930

and in the actual post themselves if I'm

1883

01:14:50,610 --> 01:14:47,380

wrong let me know but my tests seem to

1884

01:14:53,220 --> 01:14:50,620

have worked out flawlessly the scene was

1885

01:14:57,750 --> 01:14:53,230

a test episode I guess this is test

1886

01:14:59,880 --> 01:14:57,760

number two it's a lot guys people have

1887

01:15:02,670 --> 01:14:59,890

asked about a joint session and I am

1888

01:15:05,070 --> 01:15:02,680

really so slammed with this stuff and

1889

01:15:09,090 --> 01:15:05,080

trying to get all the August shows out

1890

01:15:10,650 --> 01:15:09,100

in ten days that I wanted to say we're

1891

01:15:13,140 --> 01:15:10,660

not going to be doing one this month but

1892

01:15:15,810 --> 01:15:13,150

I changed my mind will do one it'll be

1893

01:15:18,840 --> 01:15:15,820

Wednesday the 28th 7:00 p.m. Pacific

1894

01:15:21,390 --> 01:15:18,850

time there is a place on the new site

1895

01:15:23,460 --> 01:15:21,400

for the date and time of the next joint

1896

01:15:26,090 --> 01:15:23,470

session and I'm gonna play around with

1897

01:15:29,430 --> 01:15:26,100

the backend and see if I can update that

1898

01:15:30,900 --> 01:15:29,440

spot on the website Wednesday the 28th

1899

01:15:32,940 --> 01:15:30,910

I'll talk to you then

1900

01:15:35,310 --> 01:15:32,950

and hopefully we'll be in a much better

1901

01:15:37,530 --> 01:15:35,320

place with everything maybe I'll be

1902

01:15:39,780 --> 01:15:37,540

fielding questions about the new

1903

01:15:42,470 --> 01:15:39,790

infrastructure who knows I'm sure

1904

01:15:44,930 --> 01:15:42,480

that'll be entertaining

1905

01:15:47,660 --> 01:15:44,940

but I hope you liked this show if you

1906

01:15:49,460 --> 01:15:47,670

happen to find it as always I'm doing my

1907

01:15:52,370 --> 01:15:49,470

best here and the Plus show offers a

1908

01:15:54,050 --> 01:15:52,380

whole lot more in the second hour we

1909

01:15:56,380 --> 01:15:54,060

talked about Epstein's links to

1910

01:15:59,330 --> 01:15:56,390

transhumanism and has strange beliefs

1911

01:16:02,780 --> 01:15:59,340

labyrinths temples and other weirdness

1912

01:16:05,750 --> 01:16:02,790

on Epstein's properties trying to decode

1913

01:16:08,210 --> 01:16:05,760

Epstein's temple the perfume Oh affair

1914

01:16:11,930 --> 01:16:08,220

and tracing back that blackmail file a

1915

01:16:14,030 --> 01:16:11,940

few decades and of course Roy Cohn and

1916

01:16:15,740 --> 01:16:14,040

Roger stone it's crazy they didn't make

1917

01:16:19,010 --> 01:16:15,750

it in the first hour but we talked about

1918

01:16:21,710 --> 01:16:19,020

so much and finally we added a segment

1919

01:16:24,800 --> 01:16:21,720

about how the blackmail file relates to

1920

01:16:27,640 --> 01:16:24,810

ufology and I really liked that section

1921

01:16:31,040 --> 01:16:27,650

as well as the section with Nasim about

1922

01:16:34,729 --> 01:16:31,050

ufology as well as a section with Walter

1923

01:16:37,640 --> 01:16:34,739

Bosley recently about ufology if you

1924

01:16:40,340 --> 01:16:37,650

don't have Plus you missed all of that

1925

01:16:42,979 --> 01:16:40,350

because it does take that long to ease

1926

01:16:45,500 --> 01:16:42,989

into those waters if it's not the reason

1927

01:16:48,170 --> 01:16:45,510

the guest came on the show but they all

1928

01:16:50,840 --> 01:16:48,180

seem to be circling around the same

1929

01:16:53,090 --> 01:16:50,850

general ideas that we need to look at

1930

01:16:57,080 --> 01:16:53,100

all this with a discerning skeptical eye

1931

01:17:01,130 --> 01:16:57,090

and not get caught up in UFOs on CNN oh

1932

01:17:03,800 --> 01:17:01,140

my god you know chill out but you know

1933

01:17:06,020 --> 01:17:03,810

this anyway I'm getting out of here do

1934

01:17:07,940 --> 01:17:06,030

check out recluses writings and big

1935

01:17:10,340 --> 01:17:07,950

thanks for listening and for all the

1936

01:17:12,410 --> 01:17:10,350

patience as we sort out these issues

1937

01:17:15,650 --> 01:17:12,420

check out the new site and if you see

1938

01:17:17,600 --> 01:17:15,660

any problems let me know we're fixing

1939

01:17:19,160 --> 01:17:17,610

them we got a list and I want to make

1940

01:17:22,190 --> 01:17:19,170

the most of it so let's kick the tires

1941

01:17:25,389 --> 01:17:22,200

you know I'm already overwhelmed so

1942

01:17:29,609 --> 01:17:27,459

and I will be nose to the grindstone

1943

01:17:33,189 --> 01:17:29,619

trying to rebuild my conspiracy

1944

01:17:34,270 --> 01:17:33,199

podcasting empire and until next time

1945

01:17:36,790 --> 01:17:34,280

I'm getting out of here

1946

01:17:39,359 --> 01:17:36,800

your move pedo protectors cultured

1947

01:17:46,529 --> 01:17:39,369

acceptors and blackmail data collectors

1948

01:17:52,859 --> 01:17:46,539

your [h\_\_h] have a drink in the smoke

1949

01:17:58,449 --> 01:17:52,869

listen to the cast shiny shiny spotlight

1950

01:18:04,179 --> 01:17:58,459

the criminals on blast the pinstripe man

1951

01:18:06,729 --> 01:18:04,189

of morning and families of Finance dupe

1952

01:18:09,969 --> 01:18:06,739

on Windsor and Rothschild

1953

01:18:14,409 --> 01:18:09,979

the kids don't stand a chance

1954

01:18:17,830 --> 01:18:14,419

the kids don't the kids don't stand the

1955

01:18:21,580 --> 01:18:17,840

kids don't stand a chance I said the

1956

01:18:25,899 --> 01:18:21,590

kids don't the kids don't stand the kids

1957

01:18:31,389 --> 01:18:25,909

don't stand a chance we're looking for

1958

01:18:35,350 --> 01:18:31,399

the answer to questions never asked so

1959
