means you'll unfortunately never hear my

27
00:01:34,789 --> 00:01:32,520
voice alright people coming at you from

28
00:01:36,530 --> 00:01:34,799
sunny San Diego I'm Greg curl wood and

29
00:01:38,749 --> 00:01:36,540
while it's fun to talk about space

30
00:01:41,090 --> 00:01:38,759
demons reptilian elite and secret

31
00:01:43,100 --> 00:01:41,100
underground cities the most important

32
00:01:44,480 --> 00:01:43,110
thing we can talk about is truly getting

33
00:01:46,850 --> 00:01:44,490
at the heart of health and wellness

34
00:01:48,800 --> 00:01:46,860
because we know that our water is in

35
00:01:50,719 --> 00:01:48,810
piss-poor shaped chemicals and heavy

36
00:01:52,639 --> 00:01:50,729
metals are being sprayed in the air and

37
00:01:55,460 --> 00:01:52,649
our land has been thoroughly trashed by

38
00:01:55,910 --> 00:01:55,470

one giant dirty industrial process after

39

00:01:58,670 --> 00:01:55,920

another

40

00:02:00,950 --> 00:01:58,680

yet the international conversation seems

41

00:02:02,840 --> 00:02:00,960

focused on climate change while few are

42

00:02:05,450 --> 00:02:02,850

talking about making our environment

43

00:02:07,880 --> 00:02:05,460

less toxic nearly every autoimmune

44

00:02:10,309 --> 00:02:07,890

condition neurological issue and

45

00:02:12,470 --> 00:02:10,319

debilitating illness is on the rise and

46

00:02:12,840 --> 00:02:12,480

even our current news cycle is centered

47

00:02:15,050 --> 00:02:12,850

around

48

00:02:18,000 --> 00:02:15,060

the spread of the Oso deadly coronavirus

49

00:02:20,760 --> 00:02:18,010

but what if germ theory itself the

50

00:02:22,590 --> 00:02:20,770

notion of infectious disease viruses and

51
00:02:25,500 --> 00:02:22,600
bacteria being the root cause of our

52
00:02:27,900 --> 00:02:25,510
problems was fundamentally flawed and at

53
00:02:29,850 --> 00:02:27,910
best is based on more guesses and

54
00:02:32,460 --> 00:02:29,860
faith-based doctrine than the Big Bang

55
00:02:35,070 --> 00:02:32,470
and at worst is a vast conspiracy to

56
00:02:37,350 --> 00:02:35,080
find an invisible scapegoat as well as

57
00:02:39,660 --> 00:02:37,360
drain our bodies and our bank accounts

58
00:02:41,280 --> 00:02:39,670
well sometimes it's best to go back to

59
00:02:44,460 --> 00:02:41,290
the basics and according to today's

60
00:02:46,920 --> 00:02:44,470
guests dawn luster and David Parker germ

61
00:02:48,810 --> 00:02:46,930
theory itself the scientific basis that

62
00:02:51,750 --> 00:02:48,820
our entire medical system is based upon

63
00:02:54,450 --> 00:02:51,760

has never been proven it's the subject

64

00:02:56,670 --> 00:02:54,460

of their massive nearly 800 page book

65

00:02:58,290 --> 00:02:56,680

what really makes you ill why everything

66

00:03:00,630 --> 00:02:58,300

you thought you knew about disease is

67

00:03:02,790 --> 00:03:00,640

wrong and I'm psyched to get into it the

68

00:03:05,340 --> 00:03:02,800

infectious disease doubters and medical

69

00:03:07,860 --> 00:03:05,350

system Slayers dawn and David welcome to

70

00:03:10,320 --> 00:03:07,870

the higher side okay thank you very much

71

00:03:11,640 --> 00:03:10,330

for inviting his own and we've been

72

00:03:14,220 --> 00:03:11,650

greatly looking forward to talking to

73

00:03:17,100 --> 00:03:14,230

you about this oh absolutely it is a

74

00:03:19,260 --> 00:03:17,110

real pleasure your book is massive and

75

00:03:21,810 --> 00:03:19,270

full of interesting facts and history

76
00:03:23,670 --> 00:03:21,820
that really do make me start to wonder

77
00:03:25,950 --> 00:03:23,680
about these things that we've taken for

78
00:03:27,930 --> 00:03:25,960
granted as to why we get sick and you

79
00:03:30,570 --> 00:03:27,940
really do go back to the beginnings of

80
00:03:33,090 --> 00:03:30,580
medical history it is quite a trip and

81
00:03:35,310 --> 00:03:33,100
in previous episodes we've talked about

82
00:03:37,650 --> 00:03:35,320
how toxic our environment is plenty of

83
00:03:41,160 --> 00:03:37,660
times as well as the suppression and

84
00:03:43,170 --> 00:03:41,170
demonization of many cures that have

85
00:03:46,140 --> 00:03:43,180
popped up more from the natural world

86
00:03:48,570 --> 00:03:46,150
than from Big Pharma but to say germs

87
00:03:50,730 --> 00:03:48,580
and viruses have never been proven to

88
00:03:53,400 --> 00:03:50,740

cause disease is a much bolder claim

89

00:03:55,470 --> 00:03:53,410

what was it that got you looking at the

90

00:03:57,870 --> 00:03:55,480

fundamentals so thoroughly how long have

91

00:04:01,650 --> 00:03:57,880

you been doing this research well as you

92

00:04:04,560 --> 00:04:01,660

say it's a big book 800 pages and we've

93

00:04:06,570 --> 00:04:04,570

been researching this for well at least

94

00:04:08,850 --> 00:04:06,580

10 years over ten years so a lot of

95

00:04:10,410 --> 00:04:08,860

research has gone into this and as you

96

00:04:13,110 --> 00:04:10,420

all know from having a look at the book

97

00:04:15,210 --> 00:04:13,120

there's 40 pages of references alone

98

00:04:17,760 --> 00:04:15,220

where we've looked at white papers and

99

00:04:19,920 --> 00:04:17,770

stuff but out by the w-h-o World Health

100

00:04:22,950 --> 00:04:19,930

Authority for those that are not sure

101
00:04:25,120 --> 00:04:22,960
what the abbreviations are so yeah it's

102
00:04:28,570 --> 00:04:25,130
a bit of an expose really of

103
00:04:32,020 --> 00:04:28,580
the whole medical establishment we have

104
00:04:33,820 --> 00:04:32,030
to be careful what we say because some

105
00:04:35,650 --> 00:04:33,830
of the big money behind it in the

106
00:04:38,440 --> 00:04:35,660
pharmaceutical companies and others who

107
00:04:40,750 --> 00:04:38,450
have got huge vested interests and they

108
00:04:44,230 --> 00:04:40,760
don't take kindly to anyone criticizing

109
00:04:46,450 --> 00:04:44,240
what they do but to answer your question

110
00:04:48,240 --> 00:04:46,460
more specifically as to how we sort of

111
00:04:52,450 --> 00:04:48,250
got into this it was really from

112
00:04:55,750 --> 00:04:52,460
personal experiences with close family

113
00:04:58,570 --> 00:04:55,760

and friends over a period of time who

114

00:05:00,850 --> 00:04:58,580

were diagnosed with cancer various

115

00:05:05,320 --> 00:05:00,860

cancers and various age groups the

116

00:05:08,380 --> 00:05:05,330

people and they all I'm talking at this

117

00:05:11,170 --> 00:05:08,390

stage of six different people who all

118

00:05:12,610 --> 00:05:11,180

took the normal medical treatments

119

00:05:14,800 --> 00:05:12,620

whether it's chemotherapy at

120

00:05:17,320 --> 00:05:14,810

radiotherapy or combinations of the two

121

00:05:20,650 --> 00:05:17,330

they all abate what the doctors said

122

00:05:24,940 --> 00:05:20,660

they all followed it faithfully and they

123

00:05:26,950 --> 00:05:24,950

all died so I started to wonder what was

124

00:05:30,550 --> 00:05:26,960

going off there particularly as I had

125

00:05:33,460 --> 00:05:30,560

another relative an elderly lady who was

126
00:05:35,440 --> 00:05:33,470
also diagnosed with cancer but she was

127
00:05:37,600 --> 00:05:35,450
very adamant that she was not going to

128
00:05:39,280 --> 00:05:37,610
be messed around as she put it and she

129
00:05:41,530 --> 00:05:39,290
didn't want any other chemo or

130
00:05:45,280 --> 00:05:41,540
radiotherapy she just wanted to be left

131
00:05:46,990 --> 00:05:45,290
alone and she just lived with it and the

132
00:05:48,910 --> 00:05:47,000
medical establishment still monitored

133
00:05:50,830 --> 00:05:48,920
her over the period of a year or two

134
00:05:52,690 --> 00:05:50,840
until they came to the decision that

135
00:05:55,510 --> 00:05:52,700
they were able to tell her that her

136
00:05:57,910 --> 00:05:55,520
cancer had completely gone so that was

137
00:05:59,980 --> 00:05:57,920
really great news so I was left

138
00:06:02,470 --> 00:05:59,990

wondering well what's going off here

139

00:06:04,600 --> 00:06:02,480

I've got six people who followed the

140

00:06:07,480 --> 00:06:04,610

medical advice taking the treatment and

141

00:06:10,360 --> 00:06:07,490

they've all died and one lady refused

142

00:06:12,250 --> 00:06:10,370

all of it and she left so that was what

143

00:06:14,410 --> 00:06:12,260

really started me thinking and you know

144

00:06:16,810 --> 00:06:14,420

dawn and I we've known one another for

145

00:06:19,420 --> 00:06:16,820

many years and we talked about this and

146

00:06:21,100 --> 00:06:19,430

thought there's something very peculiar

147

00:06:22,870 --> 00:06:21,110

going on something wrong particularly

148

00:06:25,510 --> 00:06:22,880

when we'd heard the medical

149

00:06:28,120 --> 00:06:25,520

establishment as they still do crowing

150

00:06:31,050 --> 00:06:28,130

that they Kansas Research is getting

151
00:06:34,480 --> 00:06:31,060
better and better and you know they have

152
00:06:38,180 --> 00:06:34,490
growing and at least a 50% success rate

153
00:06:40,970 --> 00:06:38,190
with curing cancer well

154
00:06:43,010 --> 00:06:40,980
well you know just for the six people

155
00:06:45,620 --> 00:06:43,020
that I know you've had a hundred percent

156
00:06:48,050 --> 00:06:45,630
failure rate so where does this 50%

157
00:06:50,720 --> 00:06:48,060
success rate come from so it was that

158
00:06:52,580 --> 00:06:50,730
sort of thing that god is interesting to

159
00:06:56,210 --> 00:06:52,590
start to have a look and see just what

160
00:06:59,330 --> 00:06:56,220
was behind all this and we found that

161
00:07:02,570 --> 00:06:59,340
the more we dug into it the mercury got

162
00:07:04,340 --> 00:07:02,580
and the more we found that the things we

163
00:07:06,620 --> 00:07:04,350

were being told and had been brought up

164

00:07:09,830 --> 00:07:06,630

to believe by the medical establishment

165

00:07:13,160 --> 00:07:09,840

were untrue instead of it being a

166

00:07:16,940 --> 00:07:13,170

science it became obvious - as it was

167

00:07:18,770 --> 00:07:16,950

more a belief system that people and I'm

168

00:07:22,100 --> 00:07:18,780

talking about doctors now were just

169

00:07:24,500 --> 00:07:22,110

following a Dogma and we're not here

170

00:07:26,720 --> 00:07:24,510

saying that doctors are evil people and

171

00:07:29,030 --> 00:07:26,730

they're out to deceive the public you

172

00:07:31,010 --> 00:07:29,040

know far from it I mean the general

173

00:07:32,960 --> 00:07:31,020

medical staff whether they're nurses or

174

00:07:35,030 --> 00:07:32,970

doctors believe they're doing the right

175

00:07:37,370 --> 00:07:35,040

thing and they want the best for their

176

00:07:40,850 --> 00:07:37,380

patients but like anyone they can only

177

00:07:43,220 --> 00:07:40,860

do what they're taught and if medical

178

00:07:45,590 --> 00:07:43,230

school as we know because we talk to

179

00:07:48,830 --> 00:07:45,600

doctors you know they teach them certain

180

00:07:51,470 --> 00:07:48,840

things and as we know most of the

181

00:07:55,100 --> 00:07:51,480

medical schools are funded by or wholly

182

00:07:57,590 --> 00:07:55,110

owned by pharmaceutical companies or

183

00:08:01,100 --> 00:07:57,600

affiliates - pharmaceutical companies so

184

00:08:02,270 --> 00:08:01,110

there's quite a bias there in the type

185

00:08:04,820 --> 00:08:02,280

of things that they're going to be

186

00:08:06,440 --> 00:08:04,830

taught and basically they taught the

187

00:08:09,290 --> 00:08:06,450

medicines are the answer to everything

188

00:08:11,240 --> 00:08:09,300

they're whatever the symptoms they've

189

00:08:14,050 --> 00:08:11,250

got a name for it and then they'll

190

00:08:17,570 --> 00:08:14,060

prescribe a particular drug or treatment

191

00:08:20,720 --> 00:08:17,580

so as we realize that this was quite a

192

00:08:23,030 --> 00:08:20,730

murky thing that we were looking at we

193

00:08:25,190 --> 00:08:23,040

thought where do we start with it so we

194

00:08:28,100 --> 00:08:25,200

decided that we'd start at the beginning

195

00:08:30,890 --> 00:08:28,110

we'd take nothing for granted we'd both

196

00:08:33,140 --> 00:08:30,900

follow the true scientific method which

197

00:08:34,940 --> 00:08:33,150

is follow the evidence and we'll start

198

00:08:38,450 --> 00:08:34,950

with the most basic question of all is

199

00:08:41,000 --> 00:08:38,460

what really makes you ill we knew that

200

00:08:43,880 --> 00:08:41,010

we were told by the establishment and

201
00:08:45,950 --> 00:08:43,890
still are the tips almost everything is

202
00:08:49,220 --> 00:08:45,960
due to germs of one sort or another

203
00:08:52,420 --> 00:08:49,230
either viruses or bacteria

204
00:08:56,330 --> 00:08:52,430
so we started to look for the proofs of

205
00:08:58,940 --> 00:08:56,340
whether this was true and in a nutshell

206
00:09:01,610 --> 00:08:58,950
we found that it wasn't true that the

207
00:09:03,800 --> 00:09:01,620
whole thing is based on assumptions as

208
00:09:06,380 --> 00:09:03,810
much as anything and that there's no

209
00:09:09,860 --> 00:09:06,390
true scientific and untucking true

210
00:09:13,040 --> 00:09:09,870
scientific evidence to support the germ

211
00:09:16,610 --> 00:09:13,050
theory and I guess in a way the clue is

212
00:09:19,850 --> 00:09:16,620
in the title germ theory ie it's a

213
00:09:24,260 --> 00:09:19,860

theory it's not a proven fact and that's

214

00:09:25,640 --> 00:09:24,270

really where we started okay I don't

215

00:09:27,260 --> 00:09:25,650

want this to be a monologue so you know

216

00:09:28,490 --> 00:09:27,270

you're welcome to jump in and have some

217

00:09:31,370 --> 00:09:28,500

questions as we go along

218

00:09:33,740 --> 00:09:31,380

sure sure yes that tease us up quite

219

00:09:37,190 --> 00:09:33,750

well and I agree with you the cancer

220

00:09:39,590 --> 00:09:37,200

situation is quite dire I think that's a

221

00:09:42,350 --> 00:09:39,600

huge conspiracy chemotherapy and

222

00:09:45,520 --> 00:09:42,360

radiation can't hold a candle to a

223

00:09:48,530 --> 00:09:45,530

proper diet and just an increase in

224

00:09:49,700 --> 00:09:48,540

nutrition and focusing on things that

225

00:09:52,580 --> 00:09:49,710

way I mean there's plenty of examples

226

00:09:53,990 --> 00:09:52,590

the Gerson Institute where basically

227

00:09:56,510 --> 00:09:54,000

they're healing cancer with green

228

00:09:58,640 --> 00:09:56,520

smoothies and that's essentially what

229

00:10:00,920 --> 00:09:58,650

your book is about largely is getting

230

00:10:04,190 --> 00:10:00,930

away from the toxic environment and

231

00:10:06,440 --> 00:10:04,200

focusing on nutrition and with cancer I

232

00:10:08,420 --> 00:10:06,450

think that's at least for this audience

233

00:10:11,020 --> 00:10:08,430

fairly well established that there's

234

00:10:13,940 --> 00:10:11,030

something crazy going on there but

235

00:10:16,190 --> 00:10:13,950

viruses and germ theory I mean this is

236

00:10:18,020 --> 00:10:16,200

way more fundamental in the book you say

237

00:10:21,140 --> 00:10:18,030

there are a number of sources that

238

00:10:23,300 --> 00:10:21,150

provide a corroboration of the assertion

239

00:10:25,850 --> 00:10:23,310

that germ theory lacks any original

240

00:10:27,950 --> 00:10:25,860

scientific proof and this is probably

241

00:10:30,140 --> 00:10:27,960

the element of your positions that

242

00:10:32,690 --> 00:10:30,150

sounds most radical to the listeners

243

00:10:35,040 --> 00:10:32,700

what sources do you find most convincing

244

00:10:36,390 --> 00:10:35,050

that people should know about

245

00:10:38,100 --> 00:10:36,400

well the first thing you need to

246

00:10:41,010 --> 00:10:38,110

remember is that it's important that

247

00:10:44,760 --> 00:10:41,020

those who propose a theory are the ones

248

00:10:46,800 --> 00:10:44,770

who actually need to prove it and it's

249

00:10:50,100 --> 00:10:46,810

not just for us to say oh it's not

250

00:10:52,710 --> 00:10:50,110

improved we look at the evidence and we

251

00:10:55,470 --> 00:10:52,720

see that their theories haven't been

252

00:10:57,630 --> 00:10:55,480

proved a lot of the sources that we've

253

00:11:01,050 --> 00:10:57,640

used I mean we have quoted a number of

254

00:11:04,320 --> 00:11:01,060

medical doctors who were around at about

255

00:11:06,600 --> 00:11:04,330

a similar time to Louis Pasteur who is

256

00:11:08,820 --> 00:11:06,610

the what he's given the credit for the

257

00:11:11,910 --> 00:11:08,830

germ theory but he wasn't the first

258

00:11:15,450 --> 00:11:11,920

person who posited the idea that there

259

00:11:18,090 --> 00:11:15,460

were these small agents that invaded the

260

00:11:20,790 --> 00:11:18,100

body infected people and are the cause

261

00:11:24,900 --> 00:11:20,800

of disease of these germs then started

262

00:11:28,320 --> 00:11:24,910

being looked for in the body and then it

263

00:11:31,200 --> 00:11:28,330

brought about the whole idea of assuming

264

00:11:34,980 --> 00:11:31,210

that these entities invaded the body and

265

00:11:39,240 --> 00:11:34,990

caused infections now saw the sources

266

00:11:41,910 --> 00:11:39,250

we've got our dr. John Tilden dr. Benner

267

00:11:44,760 --> 00:11:41,920

Bailey and dr. Emerson all of them are

268

00:11:47,220 --> 00:11:44,770

medical doctors or were they're all kind

269

00:11:49,800 --> 00:11:47,230

of around the end of the 19th century

270

00:11:52,670 --> 00:11:49,810

some of them lived into the 20th century

271

00:11:56,130 --> 00:11:52,680

but they were fairly close

272

00:11:59,990 --> 00:11:56,140

contemporaries of posture and they

273

00:12:03,720 --> 00:12:00,000

looked into what was going on and they

274

00:12:05,640 --> 00:12:03,730

were not at all convinced by the

275

00:12:08,880 --> 00:12:05,650

information that pasta was putting out

276

00:12:12,570 --> 00:12:08,890

some of his papers and there's even some

277

00:12:14,010 --> 00:12:12,580

I believe his name is Jason who's

278

00:12:17,430 --> 00:12:14,020

written a book showing that some of

279

00:12:19,470 --> 00:12:17,440

Louis Pasteur's work was in fact nowhere

280

00:12:21,440 --> 00:12:19,480

near as methodical as it's made out to

281

00:12:24,800 --> 00:12:21,450

be so no imposter has held up as this

282

00:12:28,140 --> 00:12:24,810

hero of modern medicine as a germ theory

283

00:12:30,810 --> 00:12:28,150

and a lot of his contemporaries were

284

00:12:33,330 --> 00:12:30,820

saying no but of course it didn't suit

285

00:12:34,800 --> 00:12:33,340

the people at the time when the people

286

00:12:37,560 --> 00:12:34,810

who are running the medical system at

287

00:12:39,930 --> 00:12:37,570

the time to have that theory questioned

288

00:12:41,730 --> 00:12:39,940

at all if I could just mention here

289

00:12:43,560 --> 00:12:41,740

sorry to interrupt

290

00:12:45,690 --> 00:12:43,570

just to mention that in case people

291

00:12:46,530 --> 00:12:45,700

don't realize that Louis Pasteur was not

292

00:12:49,800 --> 00:12:46,540

a dog

293

00:12:52,620 --> 00:12:49,810

he was a chemist and in later years

294

00:12:55,650 --> 00:12:52,630

after his death he'd left notes to say

295

00:12:58,230 --> 00:12:55,660

that none of his papers or research work

296

00:12:59,940 --> 00:12:58,240

were to be made public which is an

297

00:13:03,330 --> 00:12:59,950

interesting fact in itself as to why

298

00:13:06,530 --> 00:13:03,340

someone want to do that and many people

299

00:13:10,140 --> 00:13:06,540

who have sort of looked into his work of

300

00:13:11,760 --> 00:13:10,150

Trustee actually as a fraud and may talk

301

00:13:15,030 --> 00:13:11,770

a little later about some of this stuff

302

00:13:17,550 --> 00:13:15,040

particularly his association with rabies

303

00:13:18,960 --> 00:13:17,560

and a rabies vaccine so we could talk

304

00:13:21,750 --> 00:13:18,970

about that a bit later but anyway

305

00:13:24,300 --> 00:13:21,760

hand it back to doorman yes I've just

306

00:13:26,340 --> 00:13:24,310

got a few examples but the ones we've

307

00:13:29,610 --> 00:13:26,350

included in the book are just a few I

308

00:13:30,870 --> 00:13:29,620

mean it takes a lot of effort and the

309

00:13:32,640 --> 00:13:30,880

way the Internet is going in the way

310

00:13:36,360 --> 00:13:32,650

that information is being cleansed down

311

00:13:38,490 --> 00:13:36,370

and becoming more difficult to access it

312

00:13:41,820 --> 00:13:38,500

does take quite a bit of digging into

313

00:13:44,400 --> 00:13:41,830

some of the older papers and some of the

314

00:13:47,310 --> 00:13:44,410

older writings of people of the late

315

00:13:50,310 --> 00:13:47,320

19th century early 20th century but one

316

00:13:52,290 --> 00:13:50,320

of dr. Tillman's comments I think we

317

00:13:54,390 --> 00:13:52,300

bought it at the head of that particular

318

00:13:56,100 --> 00:13:54,400

chapter about the germ theory where he

319

00:13:59,610 --> 00:13:56,110

says that germs is the cause of disease

320

00:14:01,500 --> 00:13:59,620

is the dying fallacy he actually called

321

00:14:03,990 --> 00:14:01,510

it a fallacy now dr. Tilden darn in

322

00:14:06,150 --> 00:14:04,000

about 1940 so we're talking the best

323

00:14:08,460 --> 00:14:06,160

part of a hundred years ago the idea

324

00:14:11,460 --> 00:14:08,470

that germs will cause of disease was

325

00:14:13,980 --> 00:14:11,470

just not accepted but it's been pushed

326

00:14:16,200 --> 00:14:13,990

and pushed and pushed there are reasons

327

00:14:18,510 --> 00:14:16,210

for it which I'm sure will go into more

328

00:14:22,380 --> 00:14:18,520

detail later on but some of it is

329

00:14:24,780 --> 00:14:22,390

because it's a very useful something to

330

00:14:26,850 --> 00:14:24,790

use to frighten people but it also

331

00:14:28,320 --> 00:14:26,860

distracts and you know you're rightly

332

00:14:31,260 --> 00:14:28,330

saying that the environments getting

333

00:14:33,630 --> 00:14:31,270

more toxic and more people are aware of

334

00:14:35,610 --> 00:14:33,640

that but of course it's much easier to

335

00:14:37,620 --> 00:14:35,620

say oh well it's all germs it's nothing

336

00:14:39,060 --> 00:14:37,630

to do with pollution they're more germs

337

00:14:40,890 --> 00:14:39,070

and they're all affecting us and they're

338

00:14:43,260 --> 00:14:40,900

all invading our bodies and that's what

339

00:14:44,940 --> 00:14:43,270

causes disease well that just simply

340

00:14:47,580 --> 00:14:44,950

isn't true there are course many

341

00:14:50,690 --> 00:14:47,590

examples that we discuss in the book of

342

00:14:52,500 --> 00:14:50,700

how the theory just doesn't follow the

343

00:14:54,720 --> 00:14:52,510

empirical evidence you know the

344

00:14:59,010 --> 00:14:54,730

experiences of real people in the real

345

00:15:00,450 --> 00:14:59,020

world don't match this theory and so it

346

00:15:02,370 --> 00:15:00,460

really starts to form

347

00:15:05,490 --> 00:15:02,380

and it's quite obvious that it's useful

348

00:15:07,139 --> 00:15:05,500

but it isn't actually true if I could

349

00:15:09,540 --> 00:15:07,149

just come in a little on that because

350

00:15:12,450 --> 00:15:09,550

going back to those early years when

351

00:15:14,850 --> 00:15:12,460

they sort of with optical microscopes

352

00:15:16,829 --> 00:15:14,860

this is in the time before the electron

353

00:15:19,530 --> 00:15:16,839

microscope was invented which didn't

354

00:15:21,090 --> 00:15:19,540

come in to around the 1930s but in those

355

00:15:22,650 --> 00:15:21,100

early years when they just had the

356

00:15:25,920 --> 00:15:22,660

optical microscopes and they first

357

00:15:28,980 --> 00:15:25,930

discovered bacteria which are living

358

00:15:33,660 --> 00:15:28,990

organisms because they saw them if they

359

00:15:36,210 --> 00:15:33,670

found either diseased or dying flesh

360

00:15:38,730 --> 00:15:36,220

then they assumed because they saw

361

00:15:41,250 --> 00:15:38,740

bacteria around those damaged areas

362

00:15:43,380 --> 00:15:41,260

damaged tissues then they assumed that

363

00:15:46,170 --> 00:15:43,390

it was bacteria that had caused it and

364

00:15:48,210 --> 00:15:46,180

as we've seen and I think it's quite a

365

00:15:50,280 --> 00:15:48,220

nice sort of anecdote is to say that

366

00:15:52,199 --> 00:15:50,290

it'd be the same as accusing firemen of

367

00:15:54,240 --> 00:15:52,209

starting fires just because whenever you

368

00:15:56,370 --> 00:15:54,250

see house fire they're always firemen

369

00:15:58,350 --> 00:15:56,380

around it and this was the most

370

00:16:00,990 --> 00:15:58,360

fundamental mistake that they made with

371

00:16:03,000 --> 00:16:01,000

bacteria they assume because they saw

372

00:16:06,090 --> 00:16:03,010

them around dead and diseased tissue

373

00:16:08,160 --> 00:16:06,100

that they were the cause as proper

374

00:16:11,010 --> 00:16:08,170

research is shown they are actually

375

00:16:13,290 --> 00:16:11,020

cleanup agents and should be thought of

376

00:16:16,410 --> 00:16:13,300

as that so all the normal if we think of

377

00:16:19,620 --> 00:16:16,420

bacteria and fungi the various sorts

378

00:16:22,019 --> 00:16:19,630

they're always breaking dead tissue down

379

00:16:25,440 --> 00:16:22,029

without them I mean you see that in in

380

00:16:29,730 --> 00:16:25,450

woodlands you see it in many aspects of

381

00:16:31,230 --> 00:16:29,740

life that bacteria and fungi which

382

00:16:33,150 --> 00:16:31,240

instead of being blamed for causing

383

00:16:35,610 --> 00:16:33,160

disease are actually essential to the

384

00:16:37,350 --> 00:16:35,620

body in fact it's been estimated that in

385

00:16:40,290 --> 00:16:37,360

the human gut there's something like a

386

00:16:42,300 --> 00:16:40,300

pound and a half of bacteria over here

387

00:16:44,310 --> 00:16:42,310

and you know millions and millions of

388

00:16:46,530 --> 00:16:44,320

them and without them your digestion

389

00:16:50,010 --> 00:16:46,540

system wouldn't work and without them

390

00:16:52,560 --> 00:16:50,020

well life would not survive on earth so

391

00:16:55,800 --> 00:16:52,570

they're actually essential not a

392

00:16:59,790 --> 00:16:55,810

hindrance so completely given the wrong

393

00:17:02,579 --> 00:16:59,800

sort of stigma to them but as dawn said

394

00:17:05,620 --> 00:17:02,589

earlier as time went on it became

395

00:17:07,960 --> 00:17:05,630

convenient to blame them

396

00:17:10,779 --> 00:17:07,970

bacteria because then sort of lotions

397

00:17:12,970 --> 00:17:10,789

and potions could be prepared to kill

398

00:17:15,840 --> 00:17:12,980

off this bacteria no doubt we'll talk

399

00:17:18,279 --> 00:17:15,850

about antibiotics a little later too

400

00:17:21,309 --> 00:17:18,289

many of the diseases that they were then

401
00:17:24,130 --> 00:17:21,319
attributed to being caused by bacteria

402
00:17:25,569 --> 00:17:24,140
but very minors we'll talk more of none

403
00:17:28,210 --> 00:17:25,579
of it was ever proved it was just

404
00:17:30,700 --> 00:17:28,220
assumptions but they realized that there

405
00:17:33,100 --> 00:17:30,710
were certain illnesses diseases that

406
00:17:34,630 --> 00:17:33,110
they couldn't pin on bacteria so they

407
00:17:36,850 --> 00:17:34,640
thought there must be something else but

408
00:17:38,919 --> 00:17:36,860
they didn't know what it was and then in

409
00:17:41,440 --> 00:17:38,929
the 1930s when the electron microscope

410
00:17:44,950 --> 00:17:41,450
was discovered which gave them the

411
00:17:48,940 --> 00:17:44,960
ability to see smaller things they were

412
00:17:51,910 --> 00:17:48,950
able to say tiny particles in the blood

413
00:17:54,100 --> 00:17:51,920

which they gave the name viruses to even

414

00:17:56,530 --> 00:17:54,110

though as we say in the book the virus

415

00:17:58,360 --> 00:17:56,540

the word virus is a very old word I

416

00:18:00,730 --> 00:17:58,370

think from the Latin which just means

417

00:18:04,300 --> 00:18:00,740

poison but it's been a corrupted term

418

00:18:08,370 --> 00:18:04,310

now to talk as if these tiny particles

419

00:18:11,200 --> 00:18:08,380

are actually living things like bacteria

420

00:18:12,940 --> 00:18:11,210

but in actual fact science shows us

421

00:18:14,820 --> 00:18:12,950

something true science shows us that

422

00:18:18,730 --> 00:18:14,830

they're not living things they are

423

00:18:20,380 --> 00:18:18,740

basically tiny bits of protein which are

424

00:18:22,630 --> 00:18:20,390

not alive at all they don't meet any of

425

00:18:25,540 --> 00:18:22,640

the criteria this is not our idea this

426

00:18:27,580 --> 00:18:25,550

is held by science they don't meet any

427

00:18:29,710 --> 00:18:27,590

of the criteria for something to be

428

00:18:32,620 --> 00:18:29,720

alive which means it should be able to

429

00:18:35,680 --> 00:18:32,630

eat and excrete and have a certain

430

00:18:37,420 --> 00:18:35,690

minimum DNA and to reproduce these are

431

00:18:40,300 --> 00:18:37,430

the things that define whether something

432

00:18:42,550 --> 00:18:40,310

is alive and these particles do they

433

00:18:45,730 --> 00:18:42,560

call viruses don't have any of those

434

00:18:49,210 --> 00:18:45,740

attributes basically they're nonliving

435

00:18:50,980 --> 00:18:49,220

thing right sorry I just wanted to jump

436

00:18:53,350 --> 00:18:50,990

in and say that I did have this written

437

00:18:55,150 --> 00:18:53,360

down because it is such a curious thing

438

00:18:56,950 --> 00:18:55,160

I think a lot of people have this

439

00:18:58,690 --> 00:18:56,960

attitude of trusting the experts they've

440

00:19:00,820 --> 00:18:58,700

got this on lock they've been studying

441

00:19:02,890 --> 00:19:00,830

these things for a long time from your

442

00:19:07,020 --> 00:19:02,900

book you have this thing where you say

443

00:19:11,290 --> 00:19:07,030

in August of 2008 Scientific American

444

00:19:13,900 --> 00:19:11,300

ran an article entitled our viruses

445

00:19:16,750 --> 00:19:13,910

alive and to quote that article they say

446

00:19:19,650 --> 00:19:16,760

first they were seen as poisons then as

447

00:19:22,660 --> 00:19:19,660

life forms then as biological chemicals

448

00:19:25,090 --> 00:19:22,670

viruses today are thought of to be in a

449

00:19:28,450 --> 00:19:25,100

gray area between living and nonliving

450

00:19:31,390 --> 00:19:28,460

and it's like what that basically says

451
00:19:32,560 --> 00:19:31,400
nothing ain't so kind of backs up what

452
00:19:36,130 --> 00:19:32,570
you're saying is like they don't really

453
00:19:38,230 --> 00:19:36,140
even know what a virus is exactly well

454
00:19:42,280 --> 00:19:38,240
it seems their purpose for them to say

455
00:19:46,030 --> 00:19:42,290
that viruses are alive but they have

456
00:19:49,540 --> 00:19:46,040
never been living organisms and we quote

457
00:19:51,280 --> 00:19:49,550
biologist lynn margulis saying that you

458
00:19:54,100 --> 00:19:51,290
know in spoilage it's not a neurologist

459
00:19:58,360 --> 00:19:54,110
saying that they are nonliving and that

460
00:20:02,200 --> 00:19:58,370
bacteria are the origin of all life

461
00:20:04,210 --> 00:20:02,210
because bacteria are so predominant or

462
00:20:06,570 --> 00:20:04,220
everywhere and they're ubiquitous so

463
00:20:10,720 --> 00:20:06,580

they are one of the fundamental

464

00:20:12,190 --> 00:20:10,730

particles of life and as such it raises

465

00:20:14,710 --> 00:20:12,200

huge questions about how they can

466

00:20:15,520 --> 00:20:14,720

actually cause illness but at the same

467

00:20:17,590 --> 00:20:15,530

time

468

00:20:20,260 --> 00:20:17,600

viruses are convenient for those

469

00:20:23,260 --> 00:20:20,270

diseases that they want to say are

470

00:20:25,030 --> 00:20:23,270

aren't caused by bacteria so they bring

471

00:20:27,310 --> 00:20:25,040

in the whole virus thing which of course

472

00:20:28,690 --> 00:20:27,320

probably takes us on to what's going on

473

00:20:30,700 --> 00:20:28,700

at the moment with the whole corona

474

00:20:32,650 --> 00:20:30,710

virus and if there's an awful lot of

475

00:20:35,560 --> 00:20:32,660

misinformation meaningful doubt about

476

00:20:37,750 --> 00:20:35,570

that yeah I think probably just because

477

00:20:40,120 --> 00:20:37,760

this virus think is a really big issue

478

00:20:43,299 --> 00:20:40,130

as Don said you know and he's very

479

00:20:45,930 --> 00:20:43,309

convenient to blame a virus for almost

480

00:20:49,000 --> 00:20:45,940

anything and the medical establishment I

481

00:20:52,510 --> 00:20:49,010

will say inventing new viruses all the

482

00:20:54,280 --> 00:20:52,520

time you know but there was an

483

00:20:58,570 --> 00:20:54,290

interesting case this is only a few

484

00:21:00,490 --> 00:20:58,580

years ago and this was in Germany a dr.

485

00:21:03,940 --> 00:21:00,500

Stephan Lancome and people might want to

486

00:21:05,640 --> 00:21:03,950

look him up it's only a few years ago he

487

00:21:08,890 --> 00:21:05,650

is a doctor he's also a virologist

488

00:21:10,330 --> 00:21:08,900

although he now states that he doesn't

489

00:21:11,620 --> 00:21:10,340

want to be called the virologist he's

490

00:21:13,600 --> 00:21:11,630

obviously still a doctor he doesn't want

491

00:21:16,120 --> 00:21:13,610

to be called a biologist because he sir

492

00:21:18,240 --> 00:21:16,130

as he puts it it's a bankrupt science is

493

00:21:19,870 --> 00:21:18,250

just not a science at all and he's quite

494

00:21:21,990 --> 00:21:19,880

disgusted with it all

495

00:21:25,720 --> 00:21:22,000

in fact he's on the record as saying

496

00:21:29,350 --> 00:21:25,730

neither he nor his team have ever found

497

00:21:31,660 --> 00:21:29,360

any virus to be the cause of any disease

498

00:21:35,710 --> 00:21:31,670

and that's a bold statement coming from

499

00:21:39,549 --> 00:21:35,720

a doctor and a virologist of that in

500

00:21:42,669 --> 00:21:39,559

fact one of the most famous things

501
00:21:44,320 --> 00:21:42,679
we have seen about dr. Stefan Lanka is

502
00:21:46,869 --> 00:21:44,330
and this again is only a few years ago

503
00:21:52,029 --> 00:21:46,879
to prove his point he put out a

504
00:21:54,970 --> 00:21:52,039
challenge to ask anyone to prove that a

505
00:21:56,289 --> 00:21:54,980
virus was the cause of measles okay and

506
00:21:57,279 --> 00:21:56,299
he offered money for this you know if

507
00:21:59,619 --> 00:21:57,289
anyone could do it

508
00:22:01,450 --> 00:21:59,629
well obviously the pharmaceutical

509
00:22:03,190 --> 00:22:01,460
companies wanted to push a man forward

510
00:22:06,279 --> 00:22:03,200
to take that up and they took it into

511
00:22:10,899 --> 00:22:06,289
court got a long story sure they were

512
00:22:12,549 --> 00:22:10,909
unable to prove in court that any of the

513
00:22:13,600 --> 00:22:12,559

scientific papers they could bring

514

00:22:16,659 --> 00:22:13,610

forward

515

00:22:19,149 --> 00:22:16,669

none of them prove that a virus caused

516

00:22:22,509 --> 00:22:19,159

measles and dr. Stefan Leko on his case

517

00:22:24,639 --> 00:22:22,519

now you may find that that surprising

518

00:22:26,619 --> 00:22:24,649

that you'd have thought that would have

519

00:22:28,269 --> 00:22:26,629

been headline news all around the world

520

00:22:29,279 --> 00:22:28,279

you know there isn't a virus that causes

521

00:22:32,019 --> 00:22:29,289

measles

522

00:22:34,720 --> 00:22:32,029

therefore it begs the question well what

523

00:22:37,480 --> 00:22:34,730

a vaccinations for what is the measles

524

00:22:39,519 --> 00:22:37,490

vaccination for that they're pushing all

525

00:22:41,830 --> 00:22:39,529

the time and frightening mothers to get

526
00:22:43,570 --> 00:22:41,840
their young children vaccinated against

527
00:22:46,180 --> 00:22:43,580
measles because it's a terrible thinking

528
00:22:48,759 --> 00:22:46,190
could even cause there and yet a call

529
00:22:50,769 --> 00:22:48,769
case in Germany in recent years only two

530
00:22:53,139 --> 00:22:50,779
or three years ago was able to show that

531
00:22:56,649 --> 00:22:53,149
there is no virus that causes measles at

532
00:22:58,060 --> 00:22:56,659
all so that just shows you the you know

533
00:22:59,619 --> 00:22:58,070
I'll call it corruption the corruption

534
00:23:03,070 --> 00:22:59,629
is going on in the medical establishment

535
00:23:08,700 --> 00:23:03,080
and the authorities generally and also

536
00:23:12,909 --> 00:23:08,710
the complicity of the world media in

537
00:23:15,480 --> 00:23:12,919
propagating this deception rather than

538
00:23:17,980 --> 00:23:15,490

doing their job properly which is to

539

00:23:21,220 --> 00:23:17,990

expose these sorts of things to the

540

00:23:24,850 --> 00:23:21,230

public to to show just what a nonsense

541

00:23:26,619 --> 00:23:24,860

it is and that's just that one virus but

542

00:23:28,960 --> 00:23:26,629

as I say dr. Stefan like I said he's

543

00:23:31,149 --> 00:23:28,970

never found he or his team so it's not

544

00:23:33,789 --> 00:23:31,159

just him involved have never found any

545

00:23:35,440 --> 00:23:33,799

virus to cause any disease so we have to

546

00:23:38,259 --> 00:23:35,450

ask ourselves what is it that's going

547

00:23:39,970 --> 00:23:38,269

off particularly with this huge scare

548

00:23:42,399 --> 00:23:39,980

mongering that's going worldwide with

549

00:23:44,950 --> 00:23:42,409

the corona virus which we'll come back

550

00:23:46,810 --> 00:23:44,960

to now well I was actually going to go

551
00:23:49,100 --> 00:23:46,820
back to the point with the measles

552
00:23:50,840 --> 00:23:49,110
because soon after the court case

553
00:23:52,250 --> 00:23:50,850
it was actually very interesting and

554
00:23:54,560 --> 00:23:52,260
possibly well he wasn't particularly

555
00:23:57,500 --> 00:23:54,570
surprising for us but there was a great

556
00:24:02,210 --> 00:23:57,510
deal of media attention on measles cases

557
00:24:03,799 --> 00:24:02,220
and really hyping up the apparent danger

558
00:24:07,340 --> 00:24:03,809
of measles

559
00:24:08,810 --> 00:24:07,350
now measles always considered to be you

560
00:24:10,640 --> 00:24:08,820
know up until very recently or was

561
00:24:13,250 --> 00:24:10,650
considered to be something about mild

562
00:24:15,919 --> 00:24:13,260
disease and the children generally kind

563
00:24:18,400 --> 00:24:15,929

of got over it and the only problems

564

00:24:20,240 --> 00:24:18,410

were called complications and

565

00:24:22,340 --> 00:24:20,250

complications weren't actually

566

00:24:25,100 --> 00:24:22,350

necessarily as a result of the measles

567

00:24:28,280 --> 00:24:25,110

sucked the complications were to do with

568

00:24:30,200 --> 00:24:28,290

other factors but of course Aveda don't

569

00:24:31,640 --> 00:24:30,210

necessarily report all of that but they

570

00:24:34,580 --> 00:24:31,650

were certainly happy to report

571

00:24:36,560 --> 00:24:34,590

lots of measles cases and all these

572

00:24:38,210 --> 00:24:36,570

different children and the reason that

573

00:24:39,740 --> 00:24:38,220

there were more measles cases is because

574

00:24:43,220 --> 00:24:39,750

parents weren't taking their children to

575

00:24:44,780 --> 00:24:43,230

be vaccinated so you know these points

576

00:24:48,860 --> 00:24:44,790

are all connected together but it was

577

00:24:51,680 --> 00:24:48,870

quite a an increase in media reporting

578

00:24:55,490 --> 00:24:51,690

about measles of measles cases soon

579

00:24:57,919 --> 00:24:55,500

after that case was decided in dr.

580

00:24:59,360 --> 00:24:57,929

Nova's favor so yeah it's funny how

581

00:25:01,549 --> 00:24:59,370

these things work but it's not too

582

00:25:04,430 --> 00:25:01,559

surprising that it just erupted in that

583

00:25:06,080 --> 00:25:04,440

way well let me ask you this real quick

584

00:25:09,799 --> 00:25:06,090

because and we can talk about it in the

585

00:25:12,409 --> 00:25:09,809

context of coronavirus if we want but

586

00:25:15,140 --> 00:25:12,419

just the idea of being contagious

587

00:25:17,570 --> 00:25:15,150

whether it's measles or chicken pox or

588

00:25:20,270 --> 00:25:17,580

the common cold it feels like we've all

589

00:25:22,220 --> 00:25:20,280

experienced getting sick after our

590

00:25:24,919 --> 00:25:22,230

friends and family have gotten sick and

591

00:25:26,240 --> 00:25:24,929

just from being around them is that not

592

00:25:28,820 --> 00:25:26,250

right because that's kind of the thing

593

00:25:31,100 --> 00:25:28,830

that makes me think well clearly they

594

00:25:32,720 --> 00:25:31,110

have something in them or on them and

595

00:25:34,610 --> 00:25:32,730

then it got to me what about

596

00:25:38,450 --> 00:25:34,620

contagiousness is is this not a

597

00:25:40,190 --> 00:25:38,460

phenomenon it's interesting question and

598

00:25:43,430 --> 00:25:40,200

one that obviously we looked at very

599

00:25:45,169 --> 00:25:43,440

carefully but bearing in mind what we've

600

00:25:49,039 --> 00:25:45,179

just been saying that there is no proof

601
00:25:51,919 --> 00:25:49,049
that either bacteria or a virus can

602
00:25:54,409 --> 00:25:51,929
cause it any disease okay and we can

603
00:25:56,090 --> 00:25:54,419
give more evidence for that you start to

604
00:25:58,250 --> 00:25:56,100
question what exactly what you've said

605
00:26:00,230 --> 00:25:58,260
well you know how does it if someone in

606
00:26:01,750 --> 00:26:00,240
an office environment you know someone's

607
00:26:04,120 --> 00:26:01,760
got a cold

608
00:26:07,180 --> 00:26:04,130
and then people start going down with

609
00:26:08,860 --> 00:26:07,190
this cold conditions and we say they

610
00:26:10,600 --> 00:26:08,870
will blame one another for coughing

611
00:26:13,150 --> 00:26:10,610
germs over one another so it's a common

612
00:26:16,150 --> 00:26:13,160
experience but there are many factors to

613
00:26:19,400 --> 00:26:16,160

be involved in that sort of phenomena

614

00:26:22,100 --> 00:26:19,410

again which we explained in the book

615

00:26:24,380 --> 00:26:22,110

because we are quite category could say

616

00:26:26,570 --> 00:26:24,390

well we're not denying that people get

617

00:26:28,730 --> 00:26:26,580

ill we're not denying that groups of

618

00:26:31,130 --> 00:26:28,740

people can get ill but because we know

619

00:26:32,990 --> 00:26:31,140

that it's not a bacteria it's not a

620

00:26:35,810 --> 00:26:33,000

virus then there is some other cause of

621

00:26:37,820 --> 00:26:35,820

course there is so these are the things

622

00:26:40,520 --> 00:26:37,830

that we've started to look at and it

623

00:26:43,490 --> 00:26:40,530

brings in things like environment the

624

00:26:46,880 --> 00:26:43,500

environment that people working in which

625

00:26:50,350 --> 00:26:46,890

can be the polluted air it can be food

626

00:26:53,180 --> 00:26:50,360

and drink it can be as we know

627

00:26:55,430 --> 00:26:53,190

electromagnetic radiation which is an

628

00:26:58,580 --> 00:26:55,440

increasing thing particularly with the

629

00:27:00,800 --> 00:26:58,590

advent of 5g which many people are

630

00:27:03,740 --> 00:27:00,810

extremely worried about so all of these

631

00:27:07,310 --> 00:27:03,750

things within a group can affect that

632

00:27:09,560 --> 00:27:07,320

group and of course depending on the

633

00:27:10,670 --> 00:27:09,570

health of their bodies depends what they

634

00:27:14,060 --> 00:27:10,680

eat and drink so there can be many

635

00:27:16,100 --> 00:27:14,070

factors we discuss as we found over the

636

00:27:18,550 --> 00:27:16,110

10 years that we've been studying this

637

00:27:20,840 --> 00:27:18,560

that we've broken it down to four

638

00:27:23,060 --> 00:27:20,850

factors which we discuss in the book

639

00:27:26,030 --> 00:27:23,070

which are the root cause and all illness

640

00:27:27,920 --> 00:27:26,040

and the mechanism that they work through

641

00:27:30,320 --> 00:27:27,930

we can talk about this later which is

642

00:27:32,780 --> 00:27:30,330

the production of free radicals in the

643

00:27:34,340 --> 00:27:32,790

body which is a normal process we'll

644

00:27:37,910 --> 00:27:34,350

talk a little bit about it now since I

645

00:27:40,520 --> 00:27:37,920

mentioned it all of these things that

646

00:27:42,110 --> 00:27:40,530

make people ill is when you get an over

647

00:27:45,440 --> 00:27:42,120

production of free radicals in the body

648

00:27:48,320 --> 00:27:45,450

which are not mopped up through the use

649

00:27:51,110 --> 00:27:48,330

of antioxidants okay now it's a natural

650

00:27:55,140 --> 00:27:51,120

process for the body to produce free

651
00:27:58,170 --> 00:27:55,150
radicals during normal living activity

652
00:27:59,640 --> 00:27:58,180
but if a person leaves eating correctly

653
00:28:01,730 --> 00:27:59,650
and has got the right intake of

654
00:28:04,350 --> 00:28:01,740
nutrients which contain antioxidants

655
00:28:06,660 --> 00:28:04,360
then the body just mops those up and

656
00:28:10,380 --> 00:28:06,670
they're excreted in the normal way

657
00:28:12,810 --> 00:28:10,390
also during sleep the body's natural

658
00:28:15,060 --> 00:28:12,820
healing process again whilst you're

659
00:28:18,270 --> 00:28:15,070
asleep goes through a process of mopping

660
00:28:20,160 --> 00:28:18,280
up these free radicals but if there are

661
00:28:22,799 --> 00:28:20,170
things that disturb that and this can

662
00:28:25,290 --> 00:28:22,809
happen with nightshift workers who sleep

663
00:28:27,720 --> 00:28:25,300

in the wrong part of the day as far as

664

00:28:30,450 --> 00:28:27,730

the body's concern or people that are

665

00:28:32,250 --> 00:28:30,460

not having a proper nutritious diet they

666

00:28:34,320 --> 00:28:32,260

don't contain enough antioxidants and

667

00:28:38,850 --> 00:28:34,330

they die and they get this buildup of

668

00:28:41,040 --> 00:28:38,860

free radicals which damage tissue and

669

00:28:43,230 --> 00:28:41,050

this is a fact and if you got enough of

670

00:28:45,990 --> 00:28:43,240

them for long enough you can get very

671

00:28:48,780 --> 00:28:46,000

severe damage so it can go from just a

672

00:28:51,630 --> 00:28:48,790

light illness or a fever

673

00:28:56,250 --> 00:28:51,640

- literally cancer which is what cancer

674

00:28:59,400 --> 00:28:56,260

is it's long-term damage to tissue but

675

00:29:01,260 --> 00:28:59,410

the body can heal from that that can be

676

00:29:04,320 --> 00:29:01,270

corrected if it's caught soon enough

677

00:29:06,930 --> 00:29:04,330

hence the little story that I mentioned

678

00:29:09,120 --> 00:29:06,940

earlier with the relative who did refuse

679

00:29:11,010 --> 00:29:09,130

everything and basically if you like

680

00:29:12,780 --> 00:29:11,020

yourself of cancer without doing

681

00:29:16,140 --> 00:29:12,790

anything special other than living

682

00:29:18,240 --> 00:29:16,150

normally the other thing with the whole

683

00:29:20,760 --> 00:29:18,250

idea of contagiousness is the fact that

684

00:29:22,919 --> 00:29:20,770

people are interpreting their different

685

00:29:26,760 --> 00:29:22,929

symptoms to being indications of

686

00:29:28,770 --> 00:29:26,770

different diseases so if you've got XYZ

687

00:29:30,150 --> 00:29:28,780

symptoms and it's this disease if it's

688

00:29:32,760 --> 00:29:30,160

something slightly different it's

689

00:29:34,980 --> 00:29:32,770

another disease interesting many of them

690

00:29:37,500 --> 00:29:34,990

have actually got very similar or rather

691

00:29:40,380 --> 00:29:37,510

many symptoms in common I mean fever

692

00:29:42,270 --> 00:29:40,390

cough runny nose maybe sort of digestive

693

00:29:45,090 --> 00:29:42,280

problems you know they're common to so

694

00:29:47,520 --> 00:29:45,100

many and so we want to all happen you've

695

00:29:49,740 --> 00:29:47,530

got all these different diseases why are

696

00:29:51,480 --> 00:29:49,750

there so many different diseases but not

697

00:29:54,810 --> 00:29:51,490

only that they seem to be increasing in

698

00:29:56,310 --> 00:29:54,820

number and it's not easy to find out how

699

00:29:58,169 --> 00:29:56,320

many different diseases that are

700

00:30:00,810 --> 00:29:58,179

supposed to be but it's hundreds if not

701
00:30:02,160 --> 00:30:00,820
thousands I just don't know but they're

702
00:30:03,510 --> 00:30:02,170
making up different names and

703
00:30:06,060 --> 00:30:03,520
subdividing them into different

704
00:30:07,650 --> 00:30:06,070
categories all the time but that's

705
00:30:10,470 --> 00:30:07,660
really another

706
00:30:13,200 --> 00:30:10,480
major problem but we found it another

707
00:30:15,630 --> 00:30:13,210
you know big revelation that there are

708
00:30:18,060 --> 00:30:15,640
different disease entities there are

709
00:30:21,180 --> 00:30:18,070
different collections of symptoms and

710
00:30:23,490 --> 00:30:21,190
people have similar symptoms so if

711
00:30:26,010 --> 00:30:23,500
there's something that's going around

712
00:30:29,130 --> 00:30:26,020
the office as it were people will have

713
00:30:30,930 --> 00:30:29,140

similar symptoms or they may have many

714

00:30:33,300 --> 00:30:30,940

similar symptoms but they won't

715

00:30:35,400 --> 00:30:33,310

necessarily have exactly the same

716

00:30:39,270 --> 00:30:35,410

symptoms and for the same length of

717

00:30:42,810 --> 00:30:39,280

period or the same intensity so they're

718

00:30:46,500 --> 00:30:42,820

not easily identifiable has exactly the

719

00:30:48,390 --> 00:30:46,510

same disease now the reason that people

720

00:30:51,300 --> 00:30:48,400

have different symptoms as David was

721

00:30:53,880 --> 00:30:51,310

saying is because of different states of

722

00:30:57,780 --> 00:30:53,890

the body now sometimes people have

723

00:30:59,490 --> 00:30:57,790

similar symptoms at the same time so for

724

00:31:01,410 --> 00:30:59,500

example you know children get together

725

00:31:03,750 --> 00:31:01,420

during the summer holidays and then when

726

00:31:06,960 --> 00:31:03,760

they go back to school they seem to have

727

00:31:08,790 --> 00:31:06,970

lots of combs or something now it's

728

00:31:10,140 --> 00:31:08,800

because of similar circumstances it

729

00:31:11,490 --> 00:31:10,150

could be just you know going back to

730

00:31:13,230 --> 00:31:11,500

school there are all sorts of

731

00:31:15,390 --> 00:31:13,240

possibilities of what caused those

732

00:31:18,000 --> 00:31:15,400

symptoms but it's nothing to do with

733

00:31:20,550 --> 00:31:18,010

diseases it's to do with what the

734

00:31:24,180 --> 00:31:20,560

symptoms actually represent which are

735

00:31:27,960 --> 00:31:24,190

the body's normal processes of dealing

736

00:31:31,500 --> 00:31:27,970

with the toxins and just releasing them

737

00:31:33,060 --> 00:31:31,510

so sneezing is expulsion of different

738

00:31:35,610 --> 00:31:33,070

irritants that have gone into the

739

00:31:37,800 --> 00:31:35,620

spiritual system obviously you know

740

00:31:40,290 --> 00:31:37,810

diarrhea vomiting are problems in the

741

00:31:42,360 --> 00:31:40,300

digestive system so these are natural

742

00:31:44,970 --> 00:31:42,370

processes and the body's far more

743

00:31:47,690 --> 00:31:44,980

capable of dealing with them because

744

00:31:50,480 --> 00:31:47,700

it's got its own natural mechanisms for

745

00:31:53,070 --> 00:31:50,490

healing itself and this is again another

746

00:31:55,410 --> 00:31:53,080

quite important point that the body's

747

00:31:57,780 --> 00:31:55,420

not given anywhere near was not credit

748

00:32:00,810 --> 00:31:57,790

for the ability to actually look after

749

00:32:03,570 --> 00:32:00,820

itself heal itself and become and remain

750

00:32:05,910 --> 00:32:03,580

healthy but it needs to be given the

751
00:32:08,190 --> 00:32:05,920
right circumstances yeah again I

752
00:32:09,070 --> 00:32:08,200
research has shown that only the body

753
00:32:11,980 --> 00:32:09,080
can heal

754
00:32:15,160 --> 00:32:11,990
self providing as donors just said

755
00:32:17,110 --> 00:32:15,170
provided you have a healthy diet as much

756
00:32:18,490 --> 00:32:17,120
as you can and a healthy lifestyle as

757
00:32:20,080 --> 00:32:18,500
much as you can and this doesn't mean

758
00:32:21,670 --> 00:32:20,090
that you have to be down the gym every

759
00:32:24,220 --> 00:32:21,680
few days you don't have to go to the gym

760
00:32:26,020 --> 00:32:24,230
at all but you do need to be able to eat

761
00:32:28,660 --> 00:32:26,030
correctly you do need to get the correct

762
00:32:31,420 --> 00:32:28,670
level of nutrients and vitamins through

763
00:32:34,960 --> 00:32:31,430

natural food good food in fact as a

764

00:32:37,630 --> 00:32:34,970

doctor dr. Henry Baylor did write a book

765

00:32:40,330 --> 00:32:37,640

called let food be your medicine

766

00:32:42,250 --> 00:32:40,340

I think they was and I think he's quite

767

00:32:45,460 --> 00:32:42,260

well known in sort of a list people in

768

00:32:46,990 --> 00:32:45,470

Hollywood I think Jane Fonda was a great

769

00:32:49,720 --> 00:32:47,000

believer in I think they called it

770

00:32:52,540 --> 00:32:49,730

Bella's broth which was a particular

771

00:32:55,720 --> 00:32:52,550

nutritious soup that she swore by but I

772

00:32:57,100 --> 00:32:55,730

digress slimy but basically we found

773

00:33:01,210 --> 00:32:57,110

it's only the body that can heal itself

774

00:33:02,710 --> 00:33:01,220

now certain medicines shall we say

775

00:33:04,210 --> 00:33:02,720

whether it's herbs or whether it's

776

00:33:06,940 --> 00:33:04,220

something that pharmaceutical companies

777

00:33:08,710 --> 00:33:06,950

provide may mask the symptoms but they

778

00:33:11,410 --> 00:33:08,720

don't kill anything and that's for sure

779

00:33:13,750 --> 00:33:11,420

they don't kill anything and there are

780

00:33:17,200 --> 00:33:13,760

so many I know they call them side

781

00:33:18,700 --> 00:33:17,210

effects from pharmaceutical products but

782

00:33:20,380 --> 00:33:18,710

we just call them effects you know

783

00:33:22,150 --> 00:33:20,390

that's what they are they're effects of

784

00:33:23,680 --> 00:33:22,160

some of these medications which are

785

00:33:26,140 --> 00:33:23,690

actually far worse than anything you had

786

00:33:27,940 --> 00:33:26,150

to start with and very often lead to a

787

00:33:30,580 --> 00:33:27,950

chain reaction of you end up taking

788

00:33:32,530 --> 00:33:30,590

another medicine to actually a mediate

789

00:33:34,630 --> 00:33:32,540

the first medicine that you took and

790

00:33:36,760 --> 00:33:34,640

I've come across people which you've got

791

00:33:38,830 --> 00:33:36,770

shelves full of medications which they

792

00:33:42,100 --> 00:33:38,840

take in on a daily basis which is really

793

00:33:44,380 --> 00:33:42,110

scary this is all great money for the

794

00:33:47,140 --> 00:33:44,390

pharmaceutical companies of course of

795

00:33:49,240 --> 00:33:47,150

course and I'm totally with you with the

796

00:33:51,220 --> 00:33:49,250

idea that just the body can heal itself

797

00:33:52,900 --> 00:33:51,230

that the drugs were given from the

798

00:33:55,270 --> 00:33:52,910

medical system aren't doing a whole lot

799

00:33:59,310 --> 00:33:55,280

as you say in the book a lot of the

800

00:34:02,350 --> 00:33:59,320

symptoms of a toxin exposure are nausea

801
00:34:05,680 --> 00:34:02,360
headache vomiting these are the exact

802
00:34:08,530 --> 00:34:05,690
same side effects of medications so it's

803
00:34:11,560 --> 00:34:08,540
like well are these just toxins and I

804
00:34:14,170 --> 00:34:11,570
guess I'm still on the contagion thing I

805
00:34:16,000 --> 00:34:14,180
hear a lot of your points but let's look

806
00:34:18,790 --> 00:34:16,010
at something like maybe chicken pox

807
00:34:20,830 --> 00:34:18,800
because there is a visual component to

808
00:34:22,810 --> 00:34:20,840
chicken pox you know it's hard to

809
00:34:25,420 --> 00:34:22,820
quantify someone's coffee

810
00:34:27,760 --> 00:34:25,430
or someone getting the chills but when

811
00:34:29,920 --> 00:34:27,770
you see little red dots on a person

812
00:34:32,110 --> 00:34:29,930
that's pretty easy to quantify and then

813
00:34:34,480 --> 00:34:32,120

you take those kids because they're

814

00:34:36,580 --> 00:34:34,490

apparently contagious and you have them

815

00:34:38,950 --> 00:34:36,590

interact with each other so they get the

816

00:34:41,740 --> 00:34:38,960

virus I mean this is just the

817

00:34:44,080 --> 00:34:41,750

conventional 101 chickenpox stuff but

818

00:34:46,540 --> 00:34:44,090

because we can see that one and it jumps

819

00:34:48,430 --> 00:34:46,550

from person to person or so it seems

820

00:34:51,130 --> 00:34:48,440

what's really going on there if we have

821

00:34:53,890 --> 00:34:51,140

kid a with red dots on them they say yes

822

00:34:56,650 --> 00:34:53,900

chickenpox he interacts with kids B and

823

00:34:58,630 --> 00:34:56,660

next week kid B has those dots and and

824

00:35:00,970 --> 00:34:58,640

has some similar symptoms what's that

825

00:35:07,810 --> 00:35:03,340

good point and first of all let me

826

00:35:11,230 --> 00:35:07,820

explain when someone has had a a certain

827

00:35:13,330 --> 00:35:11,240

level of toxic intake shall we say the

828

00:35:16,510 --> 00:35:13,340

body is trying to get rid of that as it

829

00:35:18,220 --> 00:35:16,520

recognizes it as a poison and as Donna

830

00:35:21,849 --> 00:35:18,230

said earlier that can come out being

831

00:35:23,440 --> 00:35:21,859

sick or diarrhea Qatar because the body

832

00:35:25,750 --> 00:35:23,450

is employing the mucous membranes

833

00:35:27,849 --> 00:35:25,760

various ways that it has for getting rid

834

00:35:29,650 --> 00:35:27,859

of those toxins but one of the main

835

00:35:31,330 --> 00:35:29,660

reasons and one of the main processes

836

00:35:34,260 --> 00:35:31,340

that it uses is the skin

837

00:35:37,300 --> 00:35:34,270

it's the largest organ in the body and

838

00:35:40,900 --> 00:35:37,310

the body will use the skin to expel

839

00:35:42,910 --> 00:35:40,910

various toxins through the skin and this

840

00:35:46,690 --> 00:35:42,920

is of course where you get either rashes

841

00:35:50,770 --> 00:35:46,700

or blisters appearing on the body okay

842

00:35:52,330 --> 00:35:50,780

now though a group of children to seem

843

00:35:56,230 --> 00:35:52,340

to suffer these things all at the same

844

00:35:58,810 --> 00:35:56,240

time you would have to look at again as

845

00:36:01,870 --> 00:35:58,820

we sort of alluded to earlier what is in

846

00:36:03,550 --> 00:36:01,880

their environment what is in their the

847

00:36:06,370 --> 00:36:03,560

local things that are happening to them

848

00:36:08,650 --> 00:36:06,380

now as we know many children go through

849

00:36:12,240 --> 00:36:08,660

right from a very early age a process of

850

00:36:14,380 --> 00:36:12,250

vaccinations okay which are highly toxic

851

00:36:16,900 --> 00:36:14,390

again we may talk about them a little

852

00:36:19,090 --> 00:36:16,910

later so you can end up with a group of

853

00:36:21,550 --> 00:36:19,100

children we've all gone through a

854

00:36:23,620 --> 00:36:21,560

similar vaccination process because they

855

00:36:27,010 --> 00:36:23,630

all seem to get them the back to certain

856

00:36:28,630 --> 00:36:27,020

rate of vaccines at the same age well of

857

00:36:30,490 --> 00:36:28,640

course the body is seeing those as

858

00:36:32,320 --> 00:36:30,500

toxins they have some quite red ball

859

00:36:33,609 --> 00:36:32,330

things in them and it's going to get rid

860

00:36:35,830 --> 00:36:33,619

of them so you can have a group of

861

00:36:38,710 --> 00:36:35,840

children or coming up with their bodies

862

00:36:40,210 --> 00:36:38,720

trying to expel this rubbish from them

863

00:36:42,730 --> 00:36:40,220

and it's coming out through the skin and

864

00:36:46,180 --> 00:36:42,740

it's coming in you get the blisters the

865

00:36:48,550 --> 00:36:46,190

doctors call it chickenpox but these

866

00:36:50,530 --> 00:36:48,560

sorts of blisters appear for all sorts

867

00:36:51,940 --> 00:36:50,540

of different reasons and the doctors

868

00:36:55,090 --> 00:36:51,950

often put all sorts of different

869

00:36:58,060 --> 00:36:55,100

diagnoses on them but it's basically all

870

00:37:00,880 --> 00:36:58,070

stems from the same problem of the body

871

00:37:03,849 --> 00:37:00,890

is just trying to get rid of the tops in

872

00:37:06,910 --> 00:37:03,859

as quickly as you can and it will employ

873

00:37:09,010 --> 00:37:06,920

all its systems so the children can feel

874

00:37:11,240 --> 00:37:09,020

really bad they can have headaches that

875

00:37:13,120 --> 00:37:11,250

can have vomiting that can up diarrhea

876

00:37:14,920 --> 00:37:13,130

can also have

877

00:37:17,020 --> 00:37:14,930

the blisters coming up on the skin

878

00:37:19,480 --> 00:37:17,030

because the body is employing all of its

879

00:37:21,640 --> 00:37:19,490

systems to get rid of the toxin as quick

880

00:37:22,810 --> 00:37:21,650

as he can and the reason you get a group

881

00:37:27,460 --> 00:37:22,820

of them is because they've all

882

00:37:29,680 --> 00:37:27,470

experienced the same intake shall we say

883

00:37:31,300 --> 00:37:29,690

of whatever the toxin is and I'm just

884

00:37:33,640 --> 00:37:31,310

suggesting because we've seen it happen

885

00:37:35,980 --> 00:37:33,650

but one of these reasons that you get a

886

00:37:37,810 --> 00:37:35,990

group of children will experience in

887

00:37:39,250 --> 00:37:37,820

this same thing at the same time it's

888

00:37:42,400 --> 00:37:39,260

because they've just gone through a

889

00:37:45,790 --> 00:37:42,410

probably a very similar intake of

890

00:37:49,240 --> 00:37:45,800

vaccinations I would also say that even

891

00:37:52,630 --> 00:37:49,250

though it happens in many cases there

892

00:37:54,490 --> 00:37:52,640

are exceptions there are although

893

00:37:56,470 --> 00:37:54,500

possibly less though I don't know I

894

00:37:59,020 --> 00:37:56,480

don't know the exact statistics that

895

00:38:02,140 --> 00:37:59,030

even and she says so that we know child

896

00:38:06,090 --> 00:38:02,150

a has spots and blisters places child be

897

00:38:08,710 --> 00:38:06,100

told B might not always get the same

898

00:38:12,250 --> 00:38:08,720

skin eruptions or whatever you can get

899

00:38:15,160 --> 00:38:12,260

it doesn't always happen it's not an

900

00:38:18,370 --> 00:38:15,170

inevitable it's seen as a well you know

901
00:38:20,590 --> 00:38:18,380
my child had it so you know your child

902
00:38:23,080 --> 00:38:20,600
is going to get it it's not always the

903
00:38:25,410 --> 00:38:23,090
case but that also brings in another

904
00:38:29,440 --> 00:38:25,420
aspect of the idea about contagiousness

905
00:38:33,150 --> 00:38:29,450
is that it's sort of tied in with belief

906
00:38:35,860 --> 00:38:33,160
systems as well because when people

907
00:38:39,220 --> 00:38:35,870
really believe that that's what has

908
00:38:40,750 --> 00:38:39,230
happened quite often they can get it's

909
00:38:43,510 --> 00:38:40,760
not quite psychosomatic but there are

910
00:38:48,070 --> 00:38:43,520
real symptoms have can develop as a

911
00:38:49,720 --> 00:38:48,080
result of believing that something like

912
00:38:52,660 --> 00:38:49,730
a virus or whatever is going to cause

913
00:38:54,190 --> 00:38:52,670

the disease you know in recent years

914

00:38:55,810 --> 00:38:54,200

many people have said all you know keep

915

00:38:57,190 --> 00:38:55,820

away from me I've got the learning I

916

00:39:00,910 --> 00:38:57,200

said don't mourn you've got nothing I

917

00:39:02,470 --> 00:39:00,920

can't act and I absolutely know it but

918

00:39:04,240 --> 00:39:02,480

it's just common for people so they're

919

00:39:07,600 --> 00:39:04,250

all you know you don't get near me

920

00:39:11,370 --> 00:39:07,610

because people believe germs are spread

921

00:39:13,810 --> 00:39:11,380

between people it really is so ingrained

922

00:39:16,900 --> 00:39:13,820

it's just not the case if I could just

923

00:39:19,690 --> 00:39:16,910

come in on that a little more they'll

924

00:39:21,820 --> 00:39:19,700

mention that placebo effect now this

925

00:39:23,920 --> 00:39:21,830

effect is very well known in the medical

926
00:39:25,650 --> 00:39:23,930
establishment and it is so powerful that

927
00:39:28,230 --> 00:39:25,660
when they are doing drug trial

928
00:39:31,069 --> 00:39:28,240
they have a placebo pill you know which

929
00:39:34,859 --> 00:39:31,079
is wanted a body word just a sugar pill

930
00:39:37,710 --> 00:39:34,869
to test against whatever the drug is

931
00:39:39,210 --> 00:39:37,720
that they've just manufactured okay but

932
00:39:42,089 --> 00:39:39,220
of course when they do what they call a

933
00:39:43,680 --> 00:39:42,099
double-blind so they have two groups one

934
00:39:45,480 --> 00:39:43,690
group they're going to give the new drug

935
00:39:48,269 --> 00:39:45,490
to and the other group will get a

936
00:39:49,680 --> 00:39:48,279
placebo pill but of course they're not

937
00:39:51,990 --> 00:39:49,690
told that that's what it is they both

938
00:39:54,150 --> 00:39:52,000

think they're getting the same drug and

939

00:39:57,150 --> 00:39:54,160

they can get surprisingly the same

940

00:39:59,190 --> 00:39:57,160

results from both Group A and B even

941

00:40:01,829 --> 00:39:59,200

though once had a drug and the other's

942

00:40:04,380 --> 00:40:01,839

hand of placebo pill should a pill which

943

00:40:07,499 --> 00:40:04,390

they thought was the drug so the placebo

944

00:40:09,390 --> 00:40:07,509

effect is very very powerful and is used

945

00:40:11,249 --> 00:40:09,400

to great extent by the medical

946

00:40:13,319 --> 00:40:11,259

establishment today they will give it to

947

00:40:15,539 --> 00:40:13,329

people and tell them yes okay you've

948

00:40:16,559 --> 00:40:15,549

come into the surgery and you believe

949

00:40:19,470 --> 00:40:16,569

you've got this down the other and

950

00:40:21,059 --> 00:40:19,480

here's this particular drug that people

951

00:40:23,099 --> 00:40:21,069

think they can to get and doctors will

952

00:40:24,779 --> 00:40:23,109

administer a placebo pill but of course

953

00:40:27,180 --> 00:40:24,789

the patient doesn't know that and

954

00:40:29,099 --> 00:40:27,190

they'll go away quite happy and believe

955

00:40:30,509 --> 00:40:29,109

that you know as they often do say come

956

00:40:32,190 --> 00:40:30,519

back and see me in a couple of weeks if

957

00:40:33,900 --> 00:40:32,200

all is not well well of course by that

958

00:40:36,660 --> 00:40:33,910

time all is well so they never see the

959

00:40:39,029 --> 00:40:36,670

patient again so we shouldn't

960

00:40:41,779 --> 00:40:39,039

underestimate the placebo effect and

961

00:40:44,059 --> 00:40:41,789

there's dawn said this is the belief in

962

00:40:47,210 --> 00:40:44,069

something that's going to happen and

963

00:40:49,650 --> 00:40:47,220

this plays a great part in people

964

00:40:53,579 --> 00:40:49,660

becoming ill because they think they've

965

00:40:56,490 --> 00:40:53,589

just been sneezed upon I mean unusually

966

00:40:59,460 --> 00:40:56,500

that example and it's not that many

967

00:41:03,180 --> 00:40:59,470

years ago when some experiments were

968

00:41:07,130 --> 00:41:03,190

done by the medical establishment using

969

00:41:09,779 --> 00:41:07,140

groups of men who had got I think it was

970

00:41:12,359 --> 00:41:09,789

influenza and they were bringing in

971

00:41:15,269 --> 00:41:12,369

healthy man to sit in front of them

972

00:41:17,220 --> 00:41:15,279

whilst the sick person then coughed in

973

00:41:19,259 --> 00:41:17,230

their face I know it sounds disgusted

974

00:41:22,430 --> 00:41:19,269

but this was the experiment that they

975

00:41:25,589 --> 00:41:22,440

conducted to see if they could pass the

976

00:41:27,569 --> 00:41:25,599

flu germ through

977

00:41:30,450 --> 00:41:27,579

Maroney talking City a couple of feet

978

00:41:32,339 --> 00:41:30,460

away by coughing straight in the face of

979

00:41:34,840 --> 00:41:32,349

the healthy person and they did this

980

00:41:37,900 --> 00:41:34,850

numerous times and not one

981

00:41:40,330 --> 00:41:37,910

one of the healthy people caught the flu

982

00:41:41,800 --> 00:41:40,340

so that started to tell you this again

983

00:41:45,160 --> 00:41:41,810

it's another one of these holes that

984

00:41:46,570 --> 00:41:45,170

appears in the idea that you can pass

985

00:41:49,030 --> 00:41:46,580

your arms through the air to another

986

00:41:52,300 --> 00:41:49,040

person in close proximity and give them

987

00:41:54,580 --> 00:41:52,310

your flu and there are many cases like

988

00:41:56,230 --> 00:41:54,590

this just because this is a particularly

989

00:41:58,840 --> 00:41:56,240

interesting one it shows one of the

990

00:42:01,780 --> 00:41:58,850

holes in the medical establishments

991

00:42:04,840 --> 00:42:01,790

theories is in the late nineteenth

992

00:42:06,010 --> 00:42:04,850

century dr. Robert [h__h] some people may

993

00:42:08,380 --> 00:42:06,020

have heard of and the medical

994

00:42:13,540 --> 00:42:08,390

establishment still used today what it

995

00:42:15,340 --> 00:42:13,550

called the [h__h] postulates okay now one

996

00:42:20,310 --> 00:42:15,350

of what I think is the most telling of

997

00:42:23,760 --> 00:42:20,320

his posters is that he said that

998

00:42:27,450 --> 00:42:23,770

any sick person you should always be

999

00:42:30,450 --> 00:42:27,460

able to find the germ in that person

1000

00:42:32,490 --> 00:42:30,460

that has caught the disease so whatever

1001

00:42:35,130 --> 00:42:32,500

it is you know say it was diphtheria or

1002

00:42:37,020 --> 00:42:35,140

tuberculosis or something like that that

1003

00:42:39,810 --> 00:42:37,030

a person that is sick with it you should

1004

00:42:42,600 --> 00:42:39,820

always be able to find the germ in their

1005

00:42:45,240 --> 00:42:42,610

system that has caused it okay and that

1006

00:42:47,910 --> 00:42:45,250

sounds pretty sound reasoning and yet

1007

00:42:50,130 --> 00:42:47,920

there are many many many instances where

1008

00:42:52,530 --> 00:42:50,140

that is proved not to be true someone

1009

00:42:55,050 --> 00:42:52,540

let's say has got tuberculosis but they

1010

00:42:58,550 --> 00:42:55,060

don't have the I think it's the

1011

00:43:01,560 --> 00:42:58,560

tubercular bacteria in their body and

1012

00:43:03,600 --> 00:43:01,570

also the same thing the way they done

1013

00:43:05,580 --> 00:43:03,610

tests with people with diphtheria and

1014

00:43:09,090 --> 00:43:05,590

yet they did not get the bacteria in

1015

00:43:11,550 --> 00:43:09,100

their body so again that blows big holes

1016

00:43:13,530 --> 00:43:11,560

in the medical establishments theory

1017

00:43:15,690 --> 00:43:13,540

that you know the germs cause the

1018

00:43:17,610 --> 00:43:15,700

disease when people can have the disease

1019

00:43:19,380 --> 00:43:17,620

but not have the German their body and

1020

00:43:22,740 --> 00:43:19,390

you've actually got the converse of that

1021

00:43:24,780 --> 00:43:22,750

as well so it's just or more of this

1022

00:43:26,940 --> 00:43:24,790

evidence that just shows their theories

1023

00:43:30,270 --> 00:43:26,950

are just that they are totally unproven

1024

00:43:32,580 --> 00:43:30,280

and totally unscientific yes I think

1025

00:43:34,560 --> 00:43:32,590

those are great responses and in

1026

00:43:36,930 --> 00:43:34,570

particular the placebo effect we think

1027

00:43:39,870 --> 00:43:36,940

of it in the context of healing but it

1028

00:43:41,820 --> 00:43:39,880

could also work on the flip side of

1029

00:43:45,030 --> 00:43:41,830

getting sick if you think you're gonna

1030

00:43:46,470 --> 00:43:45,040

get sick absolutely and man time is

1031

00:43:48,060 --> 00:43:46,480

really flying by here there was

1032

00:43:50,250 --> 00:43:48,070

something I wanted to get into in the

1033

00:43:53,430 --> 00:43:50,260

first hour you know before we eclipsed

1034

00:43:56,640 --> 00:43:53,440

that and that is plagues because we have

1035

00:43:59,850 --> 00:43:56,650

this history that involves outbreaks

1036

00:44:01,500 --> 00:43:59,860

like the black plague or smallpox even

1037

00:44:03,450 --> 00:44:01,510

using it to kill the Native Americans

1038

00:44:05,010 --> 00:44:03,460

they talked about or malaria which we're

1039

00:44:07,500 --> 00:44:05,020

told comes from mosquito bites

1040

00:44:09,150 --> 00:44:07,510

so in the book you talk about the fact

1041

00:44:11,040 --> 00:44:09,160

that there have been three major plague

1042

00:44:13,710 --> 00:44:11,050

outbreaks in history the plague of

1043

00:44:16,380 --> 00:44:13,720

Athens in the 5th century the plague of

1044

00:44:18,870 --> 00:44:16,390

Justinian and the 6th and the Black

1045

00:44:21,030 --> 00:44:18,880

Death in the 14th century which was said

1046

00:44:23,540 --> 00:44:21,040

to have killed 50 million people

1047

00:44:25,500 --> 00:44:23,550

worldwide you write in the book

1048

00:44:28,380 --> 00:44:25,510

fortunately when it comes to the Black

1049

00:44:30,780 --> 00:44:28,390

Death several contemporary eyewitness

1050

00:44:32,100 --> 00:44:30,790

accounts have survived that enable us to

1051

00:44:34,680 --> 00:44:32,110

have a better understand

1052

00:44:37,710 --> 00:44:34,690

of the prevailing conditions which in

1053

00:44:40,520 --> 00:44:37,720

turn offer a better explanation than

1054

00:44:44,190 --> 00:44:40,530

that of an infectious bacterial disease

1055

00:44:45,780 --> 00:44:44,200

this was so fascinating there's a couple

1056

00:44:49,050 --> 00:44:45,790

elements here but can you elaborate on

1057

00:44:51,960 --> 00:44:49,060

the conventional story and what these

1058

00:44:53,800 --> 00:44:51,970

eyewitness accounts tell us something

1059

00:44:55,780 --> 00:44:53,810

happened

1060

00:44:57,520 --> 00:44:55,790

yes roll my Black Death is a

1061

00:45:01,120 --> 00:44:57,530

particularly good one because it was

1062

00:45:02,830 --> 00:45:01,130

always told as a frightening story to

1063

00:45:04,980 --> 00:45:02,840

everyone and we were always told it was

1064

00:45:07,810 --> 00:45:04,990

all to do with the fleas on rats

1065

00:45:09,490 --> 00:45:07,820

transmitting a bacteria to people which

1066

00:45:12,310 --> 00:45:09,500

then gave them this horrible disease

1067

00:45:16,180 --> 00:45:12,320

which for the most part people died off

1068

00:45:17,650 --> 00:45:16,190

and this was believed and propagated by

1069

00:45:19,900 --> 00:45:17,660

the medical establishment and the

1070

00:45:21,850 --> 00:45:19,910

authorities generally right up to very

1071

00:45:24,550 --> 00:45:21,860

recently up until a few years ago where

1072

00:45:26,470 --> 00:45:24,560

various researchers other than us were

1073

00:45:29,250 --> 00:45:26,480

looking into it and realized that they

1074

00:45:31,240 --> 00:45:29,260

didn't hold up you know they rat fleas

1075

00:45:34,300 --> 00:45:31,250

transmitting this bacteria that the

1076

00:45:36,820 --> 00:45:34,310

whole thing was just a fallacy okay so

1077

00:45:38,170 --> 00:45:36,830

then the next question is well okay well

1078

00:45:41,890 --> 00:45:38,180

people were certainly getting ill and

1079

00:45:43,960 --> 00:45:41,900

dying so what was it and a guy Mike

1080

00:45:47,230 --> 00:45:43,970

Bailey who actually is a

1081

00:45:49,660 --> 00:45:47,240

dendrochronologist he studying tree

1082

00:45:52,150 --> 00:45:49,670

rings of all things but because of his

1083

00:45:55,060 --> 00:45:52,160

research I think he was at her Irish

1084

00:45:56,500 --> 00:45:55,070

University because of his research he

1085

00:46:01,090 --> 00:45:56,510

could find out what the atmosphere was

1086

00:46:03,850 --> 00:46:01,100

at various times in history

1087

00:46:05,380 --> 00:46:03,860

and cutting a very long story short but

1088

00:46:07,210 --> 00:46:05,390

if you can get hold of it it's a very

1089

00:46:09,730 --> 00:46:07,220

good book to read called new light on

1090

00:46:11,020 --> 00:46:09,740

the Black Death by Mike Bailey I would

1091

00:46:11,800 --> 00:46:11,030

recommend it because it's very

1092

00:46:14,370 --> 00:46:11,810

enlightening

1093

00:46:18,070 --> 00:46:14,380

but his quite conclusively shows that

1094

00:46:21,100 --> 00:46:18,080

during the period of the Black Death the

1095

00:46:25,060 --> 00:46:21,110

Earth's atmosphere was highly polluted

1096

00:46:26,830 --> 00:46:25,070

poisonous Lisa and from the various

1097

00:46:30,150 --> 00:46:26,840

elements that appeared in the atmosphere

1098

00:46:32,710 --> 00:46:30,160

these appear in the tree rings which

1099

00:46:34,660 --> 00:46:32,720

Mike Bailey was able to analyze and show

1100

00:46:36,970 --> 00:46:34,670

what the levels of pollution were and

1101

00:46:38,560 --> 00:46:36,980

why it was so poisonous and it was this

1102

00:46:41,230 --> 00:46:38,570

was the sort of thing that people were

1103

00:46:43,690 --> 00:46:41,240

dying go having such wide areas and so

1104

00:46:46,450 --> 00:46:43,700

quickly and there's also eyewitness

1105

00:46:49,060 --> 00:46:46,460

accounts of you know the Seas boiling

1106

00:46:52,120 --> 00:46:49,070

and lots of fish coming to the surface

1107

00:46:53,710 --> 00:46:52,130

that were come to the surface dead well

1108

00:46:56,470 --> 00:46:53,720

they certainly not going to have been

1109

00:46:57,790 --> 00:46:56,480

affected by ran fleas you know so he's

1110

00:47:01,870 --> 00:46:57,800

quite obvious there was something else

1111

00:47:04,180 --> 00:47:01,880

happening and the evidence definitely

1112

00:47:06,520 --> 00:47:04,190

points to a poisoned atmosphere which

1113

00:47:09,000 --> 00:47:06,530

seems to have been caused again the

1114

00:47:11,200 --> 00:47:09,010

record support this by comet debris

1115

00:47:13,300 --> 00:47:11,210

entering the Earth's atmosphere and

1116

00:47:15,550 --> 00:47:13,310

poisoning it that's the short story

1117

00:47:17,790 --> 00:47:15,560

which then fits in with all of these

1118

00:47:21,430 --> 00:47:17,800

other strange experiences of people

1119

00:47:24,490 --> 00:47:21,440

seeing sort of very dark and stinking

1120

00:47:27,370 --> 00:47:24,500

atmospheres and dropping down dead as a

1121

00:47:30,289 --> 00:47:27,380

sail rivers and lakes becoming polluted

1122

00:47:33,709 --> 00:47:30,299

and killing all the fish

1123

00:47:37,789 --> 00:47:33,719

and this has much more credence again

1124

00:47:40,400 --> 00:47:37,799

with Mike Bayless work of a worldwide or

1125

00:47:42,829 --> 00:47:40,410

certainly worldwide spread around the

1126
00:47:45,669 --> 00:47:42,839
world poisoned atmosphere rather than

1127
00:47:50,719 --> 00:47:45,679
anything to do with fleas on rats so

1128
00:47:53,449 --> 00:47:50,729
again a very interesting subject indeed

1129
00:47:55,759 --> 00:47:53,459
in fact his book is called new light on

1130
00:47:58,999 --> 00:47:55,769
the Black Death the cosmic connection

1131
00:48:01,189 --> 00:47:59,009
and the quote you have in your book is

1132
00:48:02,479 --> 00:48:01,199
that he he kind of says you know look

1133
00:48:04,969 --> 00:48:02,489
there really isn't enough information

1134
00:48:08,179 --> 00:48:04,979
about comets and earthquakes and

1135
00:48:10,699 --> 00:48:08,189
ammonium to be conclusive but it is

1136
00:48:13,309 --> 00:48:10,709
quite a serious suggestion that the

1137
00:48:18,199 --> 00:48:13,319
black death was due to an impact by

1138
00:48:19,429 --> 00:48:18,209

comet debris on January 25th 1348 and I

1139

00:48:21,439 --> 00:48:19,439

just think that's really interesting you

1140

00:48:23,630 --> 00:48:21,449

talk about ice cores and of course his

1141

00:48:25,370 --> 00:48:23,640

tree rings backing this up that there

1142

00:48:27,849 --> 00:48:25,380

was some environmental issue that was

1143

00:48:30,949 --> 00:48:27,859

much bigger than an invisible virus and

1144

00:48:34,219 --> 00:48:30,959

to go back to the rats then you talk

1145

00:48:37,160 --> 00:48:34,229

about anthropologist Barney Sloane and

1146

00:48:38,719 --> 00:48:37,170

he says excavations in the City of

1147

00:48:41,439 --> 00:48:38,729

London have turned up very little

1148

00:48:44,089 --> 00:48:41,449

evidence of a mass rat die-off

1149

00:48:46,759 --> 00:48:44,099

coinciding with the plague so the story

1150

00:48:49,849 --> 00:48:46,769

we have the evidence for it isn't there

1151
00:48:51,439 --> 00:48:49,859
yet we do have this other collection of

1152
00:48:54,380 --> 00:48:51,449
evidence that is not in the official

1153
00:48:57,109 --> 00:48:54,390
story that seems to be a giant

1154
00:48:59,179 --> 00:48:57,119
contributor but I guess the question

1155
00:49:01,880 --> 00:48:59,189
that I would still have is ok so a

1156
00:49:04,429 --> 00:49:01,890
comment came in a meteor came in I've

1157
00:49:06,919 --> 00:49:04,439
heard people talk about those containing

1158
00:49:10,219 --> 00:49:06,929
viruses what what kind of poisons do you

1159
00:49:12,229 --> 00:49:10,229
think that would contain that would

1160
00:49:14,449 --> 00:49:12,239
cause this kind of situation if not a

1161
00:49:16,789 --> 00:49:14,459
virus or some kind of foreign bacteria

1162
00:49:18,529 --> 00:49:16,799
we also have the thing about people

1163
00:49:21,319 --> 00:49:18,539

traveling internationally the

1164

00:49:23,089 --> 00:49:21,329

conquistadors the colonialists bringing

1165

00:49:24,620 --> 00:49:23,099

over diseases the Native Americans

1166

00:49:26,239 --> 00:49:24,630

weren't ready for and that could be a

1167

00:49:27,439 --> 00:49:26,249

cover story because it's like hey we

1168

00:49:29,839 --> 00:49:27,449

didn't want to kill them all they just

1169

00:49:31,249 --> 00:49:29,849

got sick I don't know what to do but

1170

00:49:32,109 --> 00:49:31,259

what are your thoughts on some of these

1171

00:49:34,999 --> 00:49:32,119

things

1172

00:49:39,229 --> 00:49:35,009

yeah that's certainly the cover story

1173

00:49:42,109 --> 00:49:39,239

because again referring to another

1174

00:49:43,700 --> 00:49:42,119

extremely important book called American

1175

00:49:47,720 --> 00:49:43,710

Holocaust by

1176

00:49:50,480 --> 00:49:47,730

dr. David Stannard he has undertaken

1177

00:49:53,510 --> 00:49:50,490

quite a lot of research and put together

1178

00:49:56,630 --> 00:49:53,520

an extremely important book showing how

1179

00:49:59,890 --> 00:49:56,640

a lot of contemporary evidence about

1180

00:50:03,740 --> 00:49:59,900

what happened when the conquistadors

1181

00:50:06,880 --> 00:50:03,750

arrived on the shores obviously got to

1182

00:50:09,320 --> 00:50:06,890

be careful never to an American but

1183

00:50:14,240 --> 00:50:09,330

really what happened it was pretty

1184

00:50:15,740 --> 00:50:14,250

brutal and it's possibly a good idea to

1185

00:50:17,990 --> 00:50:15,750

say oh well you know they just brought

1186

00:50:20,150 --> 00:50:18,000

their diseases because then it kind of

1187

00:50:23,270 --> 00:50:20,160

diverts attention away from some of the

1188

00:50:27,160 --> 00:50:23,280

more horrific aspects of what happened

1189

00:50:29,780 --> 00:50:27,170

because the invaders wanted the gold and

1190

00:50:32,150 --> 00:50:29,790

they pushed people off their land so

1191

00:50:34,460 --> 00:50:32,160

people weren't able to grow their own

1192

00:50:37,099 --> 00:50:34,470

food anymore and they were pushed into

1193

00:50:38,030 --> 00:50:37,109

gold mines and that's particularly where

1194

00:50:40,849 --> 00:50:38,040

that's going to be particularly

1195

00:50:41,839 --> 00:50:40,859

horrendous plantations they were slaves

1196

00:50:44,599 --> 00:50:41,849

on plantations

1197

00:50:46,250 --> 00:50:44,609

so all these horrendous acts are asked

1198

00:50:49,400 --> 00:50:46,260

to put to one side because I said I

1199

00:50:51,170 --> 00:50:49,410

wouldn't know it was smallpox now we do

1200

00:50:53,420 --> 00:50:51,180

talk about smallpox quite a bit in the

1201
00:50:55,880 --> 00:50:53,430
book because it's the first disease for

1202
00:50:57,710 --> 00:50:55,890
which vaccines were developed and again

1203
00:51:01,790 --> 00:50:57,720
that's down to a chemist Edward Jenner

1204
00:51:05,359 --> 00:51:01,800
rather than a doctor and the whole idea

1205
00:51:08,660 --> 00:51:05,369
that smallpox was caused by some kind of

1206
00:51:10,760 --> 00:51:08,670
germ although at the time it wasn't part

1207
00:51:14,000 --> 00:51:10,770
of the germ theory but the idea that

1208
00:51:16,310 --> 00:51:14,010
smallpox could be prevented by vaccines

1209
00:51:19,130 --> 00:51:16,320
but it was the first disease that was

1210
00:51:20,660 --> 00:51:19,140
thought to be contagious well let me

1211
00:51:22,730 --> 00:51:20,670
just come in on this because Doyle

1212
00:51:24,890 --> 00:51:22,740
mentioned earlier a book about the

1213
00:51:26,420 --> 00:51:24,900

American Holocaust for the whole of the

1214

00:51:28,250 --> 00:51:26,430

Americas you know although it happened

1215

00:51:30,230 --> 00:51:28,260

at different times in the South America

1216

00:51:31,940 --> 00:51:30,240

when they conquered or moved in but

1217

00:51:33,920 --> 00:51:31,950

something very similar happened any

1218

00:51:37,029 --> 00:51:33,930

North America went and the British moved

1219

00:51:38,589 --> 00:51:37,039

in but in both cases

1220

00:51:40,959 --> 00:51:38,599

particularly in South America with the

1221

00:51:43,359 --> 00:51:40,969

conquest adores that occupation was

1222

00:51:46,299 --> 00:51:43,369

particularly brutal and dr. Stan Hart

1223

00:51:48,969 --> 00:51:46,309

goes into it in quite revealing detail

1224

00:51:50,919 --> 00:51:48,979

and it's quite hard reading to see what

1225

00:51:52,659 --> 00:51:50,929

went off what is based on his eyewitness

1226

00:51:55,390 --> 00:51:52,669

accounts but yeah the people were

1227

00:51:57,909 --> 00:51:55,400

slaughtered in large numbers chased off

1228

00:52:00,329 --> 00:51:57,919

their land so people were then dying of

1229

00:52:03,669 --> 00:52:00,339

starvation so all of the normal

1230

00:52:06,640 --> 00:52:03,679

so-called diseases come in represented

1231

00:52:08,739 --> 00:52:06,650

with severe malnutrition but worse than

1232

00:52:11,709 --> 00:52:08,749

that they can requested or was enslaved

1233

00:52:13,059 --> 00:52:11,719

what people they could catch and because

1234

00:52:15,549 --> 00:52:13,069

they were only there for the gold and

1235

00:52:18,519 --> 00:52:15,559

silver and so they were forced into the

1236

00:52:20,259 --> 00:52:18,529

mines a slave labor where many of them

1237

00:52:22,029 --> 00:52:20,269

died because one of the things that can

1238

00:52:24,309 --> 00:52:22,039

Crysta doors thought was seemed a good

1239

00:52:25,779 --> 00:52:24,319

idea to them is there was lots of Native

1240

00:52:27,999 --> 00:52:25,789

people around so they didn't need to

1241

00:52:29,799 --> 00:52:28,009

bother feeding them as the people died

1242

00:52:32,259 --> 00:52:29,809

they were just disposed of and they

1243

00:52:33,849 --> 00:52:32,269

bought more people in hard to believe I

1244

00:52:36,279 --> 00:52:33,859

know but there is evidence to support

1245

00:52:38,469 --> 00:52:36,289

this so they're responsible for almost

1246

00:52:41,140 --> 00:52:38,479

wiping out the entire population of

1247

00:52:43,390 --> 00:52:41,150

South America and up through the islands

1248

00:52:45,549 --> 00:52:43,400

surrounding it and he was nothing to do

1249

00:52:47,649 --> 00:52:45,559

with them bringing their diseases over

1250

00:52:49,899 --> 00:52:47,659

but it's much easier to talk about oh

1251
00:52:51,459 --> 00:52:49,909
yeah well that can crystal doors came

1252
00:52:53,469 --> 00:52:51,469
across you know they didn't know they've

1253
00:52:55,419 --> 00:52:53,479
got these diseases and you know the

1254
00:52:57,519 --> 00:52:55,429
local population didn't have any

1255
00:52:59,349 --> 00:52:57,529
immunity and they died off you know most

1256
00:53:01,630 --> 00:52:59,359
regrettable but not really our fault

1257
00:53:03,309 --> 00:53:01,640
sort of thing really rather than facing

1258
00:53:06,399 --> 00:53:03,319
the brutal facts of what they actually

1259
00:53:09,099 --> 00:53:06,409
did to the local inhabitants which was

1260
00:53:12,159 --> 00:53:09,109
horrific I mean these people these can

1261
00:53:14,019 --> 00:53:12,169
Krista doors who sort of came up against

1262
00:53:16,839 --> 00:53:14,029
the local inhabitants I mean they had

1263
00:53:19,630 --> 00:53:16,849

things like armored dogs which were

1264

00:53:22,569 --> 00:53:19,640

trained to literally chase people down

1265

00:53:25,120 --> 00:53:22,579

and rip them apart and they they use

1266

00:53:26,829 --> 00:53:25,130

these to hunt down the local populace I

1267

00:53:29,079 --> 00:53:26,839

mean I won't go on to enter this from

1268

00:53:30,699 --> 00:53:29,089

too much detail but I do if anyone wants

1269

00:53:32,620 --> 00:53:30,709

to know what a real Holocaust is about

1270

00:53:35,199 --> 00:53:32,630

then have a read or what happened in

1271

00:53:37,390 --> 00:53:35,209

South America the true story which is as

1272

00:53:40,449 --> 00:53:37,400

I say nothing to do with smallpox or any

1273

00:53:43,059 --> 00:53:40,459

other disease is to do with pure

1274

00:53:44,270 --> 00:53:43,069

brutality and wholesale slaughter of

1275

00:53:47,300 --> 00:53:44,280

people

1276
00:53:49,370 --> 00:53:47,310
and mass starvation and those were the

1277
00:53:51,080 --> 00:53:49,380
real killers at what happened in South

1278
00:53:54,140 --> 00:53:51,090
America and something very similar

1279
00:53:57,020 --> 00:53:54,150
happened in North America too with the

1280
00:53:58,910 --> 00:53:57,030
North American natives well that

1281
00:54:01,460 --> 00:53:58,920
definitely makes sense to me I think

1282
00:54:03,940 --> 00:54:01,470
that's a really great breakdown and we

1283
00:54:06,770 --> 00:54:03,950
do have this long history of we're told

1284
00:54:08,270 --> 00:54:06,780
diseases and viruses so the conversation

1285
00:54:09,860 --> 00:54:08,280
can quickly turn into well how do we

1286
00:54:12,050 --> 00:54:09,870
explain this situation how do we explain

1287
00:54:14,330 --> 00:54:12,060
that situation and there does have to be

1288
00:54:16,250 --> 00:54:14,340

some answer and clearly I think I feel

1289

00:54:19,310 --> 00:54:16,260

like your book lays out some really

1290

00:54:21,650 --> 00:54:19,320

great alternatives for every case and I

1291

00:54:23,410 --> 00:54:21,660

did want to as we're still in that first

1292

00:54:25,940 --> 00:54:23,420

hour try to throw in something about

1293

00:54:28,370 --> 00:54:25,950

coronavirus I mean before when we talked

1294

00:54:31,190 --> 00:54:28,380

about the Black Death it's like yeah

1295

00:54:33,500 --> 00:54:31,200

comet or meteor came in the skies and

1296

00:54:35,270 --> 00:54:33,510

waters were very clearly contaminated

1297

00:54:37,930 --> 00:54:35,280

this is a big thing you can still find

1298

00:54:40,280 --> 00:54:37,940

in tree rings today apparently so

1299

00:54:41,630 --> 00:54:40,290

obviously that was a giant environmental

1300

00:54:43,930 --> 00:54:41,640

thing maybe they didn't know what was

1301
00:54:46,970 --> 00:54:43,940
going on at that time depth but

1302
00:54:49,220 --> 00:54:46,980
coronavirus today people are seemingly

1303
00:54:51,050 --> 00:54:49,230
getting sick I'm totally on board with

1304
00:54:53,750 --> 00:54:51,060
the idea that the media is blowing this

1305
00:54:55,580 --> 00:54:53,760
up a lot bigger than maybe it needs to

1306
00:54:57,560 --> 00:54:55,590
be but how do we explain what's

1307
00:55:01,160 --> 00:54:57,570
happening to people in this situation

1308
00:55:03,470 --> 00:55:01,170
okay well one we need to just cast our

1309
00:55:05,960 --> 00:55:03,480
minds back as to where we started

1310
00:55:09,710 --> 00:55:05,970
with this conversation about how we are

1311
00:55:11,570 --> 00:55:09,720
told by the establishment and propagated

1312
00:55:13,460 --> 00:55:11,580
by the media various stories about

1313
00:55:17,600 --> 00:55:13,470

things as we mentioned earlier whether

1314

00:55:18,710 --> 00:55:17,610

it's 9/11 or JFK's assassination or even

1315

00:55:21,140 --> 00:55:18,720

start to get Nam war

1316

00:55:23,750 --> 00:55:21,150

we're told things that then subsequently

1317

00:55:26,600 --> 00:55:23,760

turned out not to be true and we've had

1318

00:55:29,960 --> 00:55:26,610

these various virus scares before

1319

00:55:32,420 --> 00:55:29,970

whether it's ours or Ebola or even HIV

1320

00:55:35,720 --> 00:55:32,430

and we talked quite a bit about hiv/aids

1321

00:55:38,240 --> 00:55:35,730

and how that's proved not to be I mean

1322

00:55:40,640 --> 00:55:38,250

in the 80s I'm old enough to know when

1323

00:55:42,020 --> 00:55:40,650

this all first started and we were told

1324

00:55:43,970 --> 00:55:42,030

this was going to be a scourge of the

1325

00:55:45,680 --> 00:55:43,980

earth and millions and millions of

1326
00:55:47,210 --> 00:55:45,690
people are going to die and things will

1327
00:55:49,970 --> 00:55:47,220
never be the same again well obviously

1328
00:55:51,830 --> 00:55:49,980
that never transpired and we can talk

1329
00:55:54,460 --> 00:55:51,840
more about HIV and AIDS because that's

1330
00:55:56,890 --> 00:55:54,470
another fallacy that's been put out

1331
00:55:59,320 --> 00:55:56,900
the true causes of that diseases we can

1332
00:56:01,660 --> 00:55:59,330
talk about later if we have time so

1333
00:56:03,670 --> 00:56:01,670
we're told a lot of information which

1334
00:56:05,710 --> 00:56:03,680
subsequently proves not to be true and I

1335
00:56:07,690 --> 00:56:05,720
firmly believe and I think many people

1336
00:56:10,810 --> 00:56:07,700
are latching on to it now that this

1337
00:56:13,210 --> 00:56:10,820
coronavirus thing is yet another one of

1338
00:56:16,570 --> 00:56:13,220

those and I think and this is me

1339

00:56:18,460 --> 00:56:16,580

speculating now slightly that what we

1340

00:56:21,400 --> 00:56:18,470

could be witnessing here is what people

1341

00:56:22,420 --> 00:56:21,410

may know as a PSYOP we know from all the

1342

00:56:24,310 --> 00:56:22,430

things that we've just been talking

1343

00:56:26,800 --> 00:56:24,320

about it's certainly nothing to do with

1344

00:56:30,280 --> 00:56:26,810

a virus so we've got to ask ourselves or

1345

00:56:32,560 --> 00:56:30,290

what is happening but we have to also

1346

00:56:34,060 --> 00:56:32,570

ask ourselves is what's coming out

1347

00:56:36,250 --> 00:56:34,070

through the media and that's what we've

1348

00:56:38,290 --> 00:56:36,260

got to go on is it actually true are

1349

00:56:41,230 --> 00:56:38,300

these numbers of people that are

1350

00:56:43,240 --> 00:56:41,240

suddenly becoming ill is it true the

1351

00:56:45,490 --> 00:56:43,250

numbers of people dying is it true if

1352

00:56:47,320 --> 00:56:45,500

there are people dying what are they

1353

00:56:49,750 --> 00:56:47,330

really doing or you know there could be

1354

00:56:53,530 --> 00:56:49,760

all sorts of things that we're not being

1355

00:56:55,990 --> 00:56:53,540

told and as we know in China they've not

1356

00:56:59,349 --> 00:56:56,000

got the best records for containing

1357

00:57:02,140 --> 00:56:59,359

their pollution so we could have within

1358

00:57:05,230 --> 00:57:02,150

that area and it's all centered in Wuhan

1359

00:57:06,970 --> 00:57:05,240

iznik one area we might have to look at

1360

00:57:09,609 --> 00:57:06,980

what the industry is round there what

1361

00:57:12,190 --> 00:57:09,619

sort of factories and things are we

1362

00:57:13,960 --> 00:57:12,200

witnessing an escape of certain

1363

00:57:16,270 --> 00:57:13,970

pollutants which has happened in the

1364

00:57:18,609 --> 00:57:16,280

world before in different countries and

1365

00:57:23,530 --> 00:57:18,619

killed thousands of people thinking of

1366

00:57:25,540 --> 00:57:23,540

one in India the Bhopal incident so I

1367

00:57:28,270 --> 00:57:25,550

think that was eventually shown to be

1368

00:57:30,460 --> 00:57:28,280

Union Carbide with an escape of some of

1369

00:57:32,680 --> 00:57:30,470

its noxious materials which wiped out

1370

00:57:35,050 --> 00:57:32,690

thousands and we could be looking at

1371

00:57:38,589 --> 00:57:35,060

something similar to that but as someone

1372

00:57:40,540 --> 00:57:38,599

very wisely said it's much easier to

1373

00:57:43,030 --> 00:57:40,550

blame a virus because you can't sue a

1374

00:57:45,900 --> 00:57:43,040

virus but you can sue a chemical company

1375

00:57:48,750 --> 00:57:45,910

and it could be as simple as that so

1376

00:57:51,460 --> 00:57:48,760

people need to be very careful about

1377

00:57:54,040 --> 00:57:51,470

accepting information given out by the

1378

00:57:56,740 --> 00:57:54,050

authorities so that's one thing and the

1379

00:57:58,980 --> 00:57:56,750

other is as we know and I'm sure many of

1380

00:58:01,930 --> 00:57:58,990

your listeners are quite aware of

1381

00:58:04,049 --> 00:58:01,940

various globalist agendas shall we say

1382

00:58:06,479 --> 00:58:04,059

for work

1383

00:58:09,390 --> 00:58:06,489

and we could be looking at a social

1384

00:58:11,339 --> 00:58:09,400

experiment here of seeing how they can

1385

00:58:12,749 --> 00:58:11,349

lock down the country in fact lock down

1386

00:58:15,319 --> 00:58:12,759

the world if they get their way and

1387

00:58:18,120 --> 00:58:15,329

scare monger people into believing

1388

00:58:20,459 --> 00:58:18,130

something again blaming a virus which

1389

00:58:22,679 --> 00:58:20,469

we've talked about and see just how far

1390

00:58:25,920 --> 00:58:22,689

they can go with it and on the back of

1391

00:58:28,559 --> 00:58:25,930

this as many people already fearing they

1392

00:58:31,380 --> 00:58:28,569

are racing to produce a vaccine for this

1393

00:58:32,670 --> 00:58:31,390

corona virus and what's the betting

1394

00:58:35,039 --> 00:58:32,680

they're then going to try and make it

1395

00:58:36,570 --> 00:58:35,049

compulsory and so bring in compulsory

1396

00:58:39,300 --> 00:58:36,580

vaccination

1397

00:58:41,400 --> 00:58:39,310

not only just in a country but you know

1398

00:58:43,020 --> 00:58:41,410

their extreme dream come true they can

1399

00:58:45,060 --> 00:58:43,030

bring it in to have compulsory

1400

00:58:47,250 --> 00:58:45,070

vaccination worldwide I mean that

1401
00:58:49,380 --> 00:58:47,260
certainly a dream of the vaccine makers

1402
00:58:52,170 --> 00:58:49,390
and we could be witnessing something

1403
00:58:53,250 --> 00:58:52,180
like that I mean you've only got a look

1404
00:58:55,200 --> 00:58:53,260
at some of the things that have gone off

1405
00:58:57,150 --> 00:58:55,210
with the corona bias I mean it's been

1406
00:58:59,910 --> 00:58:57,160
made law in China that everyone has to

1407
00:59:02,790 --> 00:58:59,920
wear one of these masks which you see

1408
00:59:04,920 --> 00:59:02,800
everyone wearing and yet even doctors in

1409
00:59:06,810 --> 00:59:04,930
this country have admitted that because

1410
00:59:09,360 --> 00:59:06,820
they believe in viral infections that

1411
00:59:11,520 --> 00:59:09,370
you know remember viruses are so small

1412
00:59:13,770 --> 00:59:11,530
tiny tiny tiny things you can only see

1413
00:59:15,540 --> 00:59:13,780

with an electron microscope so these

1414

00:59:17,250 --> 00:59:15,550

masks would be if it was a viral

1415

00:59:19,440 --> 00:59:17,260

infection would be of no use whatsoever

1416

00:59:21,480 --> 00:59:19,450

the virus would pass straight through it

1417

00:59:24,920 --> 00:59:21,490

an infected person if that were the case

1418

00:59:27,150 --> 00:59:24,930

and yet here we have a country now

1419

00:59:29,580 --> 00:59:27,160

basically on the martial law and

1420

00:59:31,770 --> 00:59:29,590

everyone has to wear a mask even though

1421

00:59:34,230 --> 00:59:31,780

their own scientists of that know that

1422

00:59:35,610 --> 00:59:34,240

that would do no good whatsoever so it

1423

00:59:38,370 --> 00:59:35,620

just shows the nonsense that's being

1424

00:59:40,650 --> 00:59:38,380

talked and put out so I think we have to

1425

00:59:42,750 --> 00:59:40,660

be very very careful in believing what

1426
00:59:45,840 --> 00:59:42,760
the media tell us remembering that the

1427
00:59:48,090 --> 00:59:45,850
media are just mouthpieces they don't

1428
00:59:49,380 --> 00:59:48,100
have any technical ability of their own

1429
00:59:51,690 --> 00:59:49,390
they certainly don't do any proper

1430
00:59:53,220 --> 00:59:51,700
research they just do what they're told

1431
00:59:55,170 --> 00:59:53,230
they're given the script they announce

1432
00:59:58,410 --> 00:59:55,180
it to the public and that's as far as it

1433
01:00:00,570 --> 00:59:58,420
goes there are suggestions and some

1434
01:00:04,710 --> 01:00:00,580
reports as well that the corona virus

1435
01:00:06,450 --> 01:00:04,720
may be a bioweapon and we need to stop

1436
01:00:10,140 --> 01:00:06,460
that one in its tracks as well because

1437
01:00:13,590 --> 01:00:10,150
obviously a virus being a nonliving

1438
01:00:16,860 --> 01:00:13,600

particle cannot be made into something

1439

01:00:19,080 --> 01:00:16,870

that of what some kind of weapon yes it

1440

01:00:22,580 --> 01:00:19,090

cannot be recognized that doesn't mean

1441

01:00:25,440 --> 01:00:22,590

that certain particles cannot be

1442

01:00:27,810 --> 01:00:25,450

poisoned with chemicals and turned into

1443

01:00:29,670 --> 01:00:27,820

something that's then aerosol spraying

1444

01:00:31,920 --> 01:00:29,680

into the atmosphere this is something

1445

01:00:35,510 --> 01:00:31,930

that's extremely toxic that people can't

1446

01:00:38,370 --> 01:00:35,520

become ill with now the first cases of

1447

01:00:40,920 --> 01:00:38,380

corona virus and I think most of them

1448

01:00:42,660 --> 01:00:40,930

are cases that that effect there the

1449

01:00:44,700 --> 01:00:42,670

spirit ori system and i think i've

1450

01:00:46,350 --> 01:00:44,710

rented through first 99 cases were

1451

01:00:49,350 --> 01:00:46,360

people who also

1452

01:00:52,500 --> 01:00:49,360

had all people who had pneumonia so if

1453

01:00:54,210 --> 01:00:52,510

they've got you mightyou then I don't

1454

01:00:57,720 --> 01:00:54,220

know why they need to find some other

1455

01:01:00,630 --> 01:00:57,730

kind of virus or claim to have some

1456

01:01:02,400 --> 01:01:00,640

other kind of virus but if something has

1457

01:01:04,260 --> 01:01:02,410

affected their respective system it's

1458

01:01:06,960 --> 01:01:04,270

definitely something in the atmosphere

1459

01:01:09,600 --> 01:01:06,970

in the environment that people draw see

1460

01:01:11,280 --> 01:01:09,610

breathing in the tar that's something

1461

01:01:12,750 --> 01:01:11,290

that's really badly affecting their

1462

01:01:14,670 --> 01:01:12,760

lungs they were spiritually and

1463

01:01:16,200 --> 01:01:14,680

obviously the symptoms that come with it

1464

01:01:18,150 --> 01:01:16,210

are all the sort of coughing sneezing

1465

01:01:21,540 --> 01:01:18,160

fever because the body's trying to expel

1466

01:01:23,640 --> 01:01:21,550

these poisons so if it is some kind of

1467

01:01:25,590 --> 01:01:23,650

poison in the atmosphere whether it's

1468

01:01:28,530 --> 01:01:25,600

been intentionally put in there whether

1469

01:01:32,130 --> 01:01:28,540

the idea of a bio weapon is another

1470

01:01:35,070 --> 01:01:32,140

aspect of the SIOP it's not possible to

1471

01:01:37,800 --> 01:01:35,080

say but these are all sorts of ideas and

1472

01:01:41,340 --> 01:01:37,810

they could be being put out just to see

1473

01:01:43,350 --> 01:01:41,350

how the public react to see how far they

1474

01:01:45,300 --> 01:01:43,360

can go with these ideas and I know this

1475

01:01:47,700 --> 01:01:45,310

is probably quite radical but but the

1476

01:01:50,100 --> 01:01:47,710

point is that it's not anything to do

1477

01:01:52,700 --> 01:01:50,110

with a virus that can be sprayed that's

1478

01:01:56,220 --> 01:01:52,710

going to be the next pandemic the next

1479

01:01:59,070 --> 01:01:56,230

hiv/aids disaster the next black death

1480

01:02:00,390 --> 01:01:59,080

disaster the next 1918 flu disaster

1481

01:02:02,130 --> 01:02:00,400

because again we can talk about that if

1482

01:02:04,530 --> 01:02:02,140

you want to but you know these are

1483

01:02:08,190 --> 01:02:04,540

called massive pandemics and none of

1484

01:02:10,710 --> 01:02:08,200

them are as we are told so we don't know

1485

01:02:13,440 --> 01:02:10,720

what it is they're trying to do but just

1486

01:02:17,400 --> 01:02:13,450

be very very careful and people should

1487

01:02:20,670 --> 01:02:17,410

try not to be fearful of a virus because

1488

01:02:24,500 --> 01:02:20,680

it certainly isn't that whatever else he

1489

01:02:27,780 --> 01:02:24,510

might be certainly not a virus right

1490

01:02:31,110 --> 01:02:27,790

well definitely a lot to unpack because

1491

01:02:34,230 --> 01:02:31,120

this overall germ bacteria virus theory

1492

01:02:36,450 --> 01:02:34,240

it affects so many different areas and

1493

01:02:38,640 --> 01:02:36,460

as we're starting to wrap this thing up

1494

01:02:41,160 --> 01:02:38,650

I wanted to reiterate again the four

1495

01:02:43,920 --> 01:02:41,170

factors that you have talked about in

1496

01:02:46,460 --> 01:02:43,930

the book and earlier that would be the

1497

01:02:50,580 --> 01:02:46,470

causes for us getting sick bad nutrition

1498

01:02:53,310 --> 01:02:50,590

toxic exposure electromagnetic radiation

1499

01:02:55,230 --> 01:02:53,320

and EMF exposure and then stressed those

1500

01:02:59,100 --> 01:02:55,240

would be the four things that actually

1501

01:03:00,420 --> 01:02:59,110

get people sick and the solutions to

1502

01:03:03,180 --> 01:03:00,430

keeping us healthy

1503

01:03:05,940 --> 01:03:03,190

or in a healthy state would be basically

1504

01:03:08,910 --> 01:03:05,950

to avoid these four factors and we did

1505

01:03:11,039 --> 01:03:08,920

mention dr. Caroline Dean and her book

1506

01:03:12,870 --> 01:03:11,049

death by modern medicine earlier she

1507

01:03:15,930 --> 01:03:12,880

also has a book called the magnesium

1508

01:03:18,029 --> 01:03:15,940

miracle and to quote that it is a

1509

01:03:20,339 --> 01:03:18,039

comprehensive guide to one of the most

1510

01:03:22,920 --> 01:03:20,349

essential but often overlooked minerals

1511

01:03:25,910 --> 01:03:22,930

magnesium which guards against and helps

1512

01:03:28,099 --> 01:03:25,920

to alleviate heart disease stroke

1513

01:03:30,870 --> 01:03:28,109

osteoporosis diabetes depression

1514

01:03:32,849 --> 01:03:30,880

arthritis and asthma and that's just

1515

01:03:35,940 --> 01:03:32,859

interesting I mean sometimes eating

1516

01:03:38,520 --> 01:03:35,950

right isn't as easy as it sounds can you

1517

01:03:41,160 --> 01:03:38,530

elaborate as we're ending this thing on

1518

01:03:42,720 --> 01:03:41,170

techniques to stay healthy or vitamins

1519

01:03:45,799 --> 01:03:42,730

and minerals that you think are most

1520

01:03:48,420 --> 01:03:45,809

crucial to staying in a healthy state

1521

01:03:50,700 --> 01:03:48,430

the short answer is yes she's absolutely

1522

01:03:52,980 --> 01:03:50,710

right magnesium along with many other

1523

01:03:55,589 --> 01:03:52,990

minerals and vitamins are essential for

1524

01:03:57,599 --> 01:03:55,599

the body but we would disagree that you

1525

01:03:59,849 --> 01:03:57,609

need any large amounts of it the amount

1526
01:04:02,940 --> 01:03:59,859
of magnesium a healthy body needs is

1527
01:04:07,400 --> 01:04:02,950
very very tiny and is easily assimilated

1528
01:04:09,870 --> 01:04:07,410
from the plants that you eat okay now

1529
01:04:12,450 --> 01:04:09,880
we'd already mentioned earlier that we

1530
01:04:14,789 --> 01:04:12,460
recommend a plant-based diet vegan if

1531
01:04:17,190 --> 01:04:14,799
you can do it but we'd also recommend

1532
01:04:19,710 --> 01:04:17,200
that you try as much as you can to get

1533
01:04:22,680 --> 01:04:19,720
organically grown food and the reason

1534
01:04:25,289 --> 01:04:22,690
for this is that if the food that you

1535
01:04:28,049 --> 01:04:25,299
get from your supermarket or wherever is

1536
01:04:31,319 --> 01:04:28,059
not organic the chances are it's being

1537
01:04:34,019 --> 01:04:31,329
grown in ground which is had chemical

1538
01:04:36,450 --> 01:04:34,029

fertilizers on it which deplete the

1539

01:04:38,779 --> 01:04:36,460

ground of natural minerals particularly

1540

01:04:42,450 --> 01:04:38,789

things like magnesium so the plant in

1541

01:04:44,940 --> 01:04:42,460

its growth has not been able to take in

1542

01:04:46,980 --> 01:04:44,950

all of the nutrients that it would

1543

01:04:49,289 --> 01:04:46,990

normally have and so then it's been able

1544

01:04:53,130 --> 01:04:49,299

to pass those on the humans eating them

1545

01:04:54,599 --> 01:04:53,140

but if you are buying organic food of

1546

01:04:57,029 --> 01:04:54,609

course those types of chemical

1547

01:04:58,829 --> 01:04:57,039

fertilizers are not allowed in the soil

1548

01:05:01,589 --> 01:04:58,839

and the soil has to pass certain tests

1549

01:05:04,230 --> 01:05:01,599

to be healthy so then the food that's

1550

01:05:06,359 --> 01:05:04,240

grown in it is healthy and a person

1551

01:05:08,460 --> 01:05:06,369

eating that food will have all the

1552

01:05:10,650 --> 01:05:08,470

nutrients vitamins and minerals that

1553

01:05:11,890 --> 01:05:10,660

they need they do not need to take any

1554

01:05:14,920 --> 01:05:11,900

additional supplement

1555

01:05:16,569 --> 01:05:14,930

and in most cases unfortunately the

1556

01:05:18,700 --> 01:05:16,579

supplements that people would buy from

1557

01:05:22,059 --> 01:05:18,710

the local health shop because they're

1558

01:05:24,400 --> 01:05:22,069

artificially made in most cases they're

1559

01:05:27,160 --> 01:05:24,410

not either not easily assimilated by the

1560

01:05:29,349 --> 01:05:27,170

body or not assimilated at all so you

1561

01:05:32,289 --> 01:05:29,359

sort of wasting your money rarely the

1562

01:05:34,089 --> 01:05:32,299

best and most perfect way to get all the

1563

01:05:37,359 --> 01:05:34,099

nutrients you need is to just have a

1564

01:05:39,849 --> 01:05:37,369

healthy diet with plenty of fresh fruit

1565

01:05:43,359 --> 01:05:39,859

and vegetables which are delia grown

1566

01:05:46,870 --> 01:05:43,369

organically and unless you cook them the

1567

01:05:50,079 --> 01:05:46,880

more nutrients they retain and the rule

1568

01:05:52,180 --> 01:05:50,089

to healthy body are very simple but

1569

01:05:54,700 --> 01:05:52,190

they're also quite strict you know

1570

01:05:58,059 --> 01:05:54,710

that's what you need to do and any

1571

01:06:00,970 --> 01:05:58,069

compromise on that will compromise your

1572

01:06:05,019 --> 01:06:00,980

health is as simple as that fair totally

1573

01:06:07,359 --> 01:06:05,029

fair and obviously we threw out some

1574

01:06:10,359 --> 01:06:07,369

radical stuff today some really bold

1575

01:06:12,940 --> 01:06:10,369

claims and you say in the book prove us

1576

01:06:15,789 --> 01:06:12,950

wrong investigate for yourself whether

1577

01:06:17,710 --> 01:06:15,799

any virus has been conclusively proven

1578

01:06:20,470 --> 01:06:17,720

to be the cause of any infectious

1579

01:06:22,599 --> 01:06:20,480

disease any investigation of this nature

1580

01:06:24,670 --> 01:06:22,609

should involve contact with the

1581

01:06:26,859 --> 01:06:24,680

organizations that claim viruses to be

1582

01:06:29,890 --> 01:06:26,869

the cause of disease to ask them the

1583

01:06:32,140 --> 01:06:29,900

following questions is there an electron

1584

01:06:34,539 --> 01:06:32,150

micrograph of the pure and fully

1585

01:06:36,700 --> 01:06:34,549

characterized virus what is the name of

1586

01:06:39,370 --> 01:06:36,710

the primary specialist peer-reviewed

1587

01:06:41,109 --> 01:06:39,380

paper in which the virus is illustrated

1588

01:06:43,930 --> 01:06:41,119

and it's full genetic information

1589

01:06:46,599 --> 01:06:43,940

described and what is the name of the

1590

01:06:48,819 --> 01:06:46,609

primary publication that provides proof

1591

01:06:51,940 --> 01:06:48,829

that a particular virus is the sole

1592

01:06:55,150 --> 01:06:51,950

cause of a particular disease ask those

1593

01:06:57,579 --> 01:06:55,160

questions and I guess you guys are

1594

01:07:00,789 --> 01:06:57,589

confident that the listeners would not

1595

01:07:03,460 --> 01:07:00,799

get any conclusive answers absolutely

1596

01:07:05,589 --> 01:07:03,470

we've been asking that question many

1597

01:07:09,250 --> 01:07:05,599

doctors and people for some years now

1598

01:07:11,470 --> 01:07:09,260

and no one and I repeat no one has been

1599

01:07:14,289 --> 01:07:11,480

able to produce that evidence and as we

1600

01:07:16,150 --> 01:07:14,299

mentioned earlier dr. Stephan Lanka ask

1601

01:07:19,480 --> 01:07:16,160

the same question in a court of law in

1602

01:07:22,230 --> 01:07:19,490

Germany only a few years ago and no one

1603

01:07:25,029 --> 01:07:22,240

could provide that proof so they have it

1604

01:07:25,950 --> 01:07:25,039

hmm might be the biggest lie we've ever

1605

01:07:28,620 --> 01:07:25,960

been told

1606

01:07:29,880 --> 01:07:28,630

yeah and he's certainly responsible for

1607

01:07:32,339 --> 01:07:29,890

probably more deaths

1608

01:07:33,120 --> 01:07:32,349

I can I often remember a quote from

1609

01:07:35,130 --> 01:07:33,130

Napoleon

1610

01:07:36,930 --> 01:07:35,140

you know the French general who is

1611

01:07:39,540 --> 01:07:36,940

quoted as saying to one of his

1612

01:07:41,849 --> 01:07:39,550

physicians that one day to be seen that

1613

01:07:43,890 --> 01:07:41,859

you positions are responsible for more

1614

01:07:48,000 --> 01:07:43,900

deaths than all those generals put

1615

01:07:50,099 --> 01:07:48,010

together I think very wise words hi yes

1616

01:07:52,589 --> 01:07:50,109

very wise words indeed and it does make

1617

01:07:55,049 --> 01:07:52,599

me also think about all the generals

1618

01:07:58,410 --> 01:07:55,059

like Napoleon who traveled all over the

1619

01:08:04,109 --> 01:07:58,420

world and didn't die of malaria or at

1620

01:08:06,450 --> 01:08:04,119

whatever whatever but yes man and before

1621

01:08:09,450 --> 01:08:06,460

we go you guys have also written

1622

01:08:12,780 --> 01:08:09,460

together before under the pseudonym n o

1623

01:08:14,309 --> 01:08:12,790

R for nature of reality and I don't know

1624

01:08:16,349 --> 01:08:14,319

if you've moved on from there but you do

1625

01:08:18,870 --> 01:08:16,359

have a couple books out under that

1626
01:08:21,030 --> 01:08:18,880
collective name and I was a bit curious

1627
01:08:24,209 --> 01:08:21,040
about your 2010 book the nature of

1628
01:08:26,519 --> 01:08:24,219
reality exploring the mind/body/spirit

1629
01:08:28,320 --> 01:08:26,529
myth you have chapters like the true

1630
01:08:31,200 --> 01:08:28,330
nature of time that talks about how you

1631
01:08:33,840 --> 01:08:31,210
can learn to manipulate it insights into

1632
01:08:35,550 --> 01:08:33,850
reincarnation and death understanding

1633
01:08:38,249 --> 01:08:35,560
dreams and even a section called the

1634
01:08:41,130 --> 01:08:38,259
magical approach to living and I know

1635
01:08:43,140 --> 01:08:41,140
that's surely an entire interview on its

1636
01:08:45,660 --> 01:08:43,150
own but I wanted to at least let people

1637
01:08:47,970 --> 01:08:45,670
know that was out there and if you have

1638
01:08:49,890 --> 01:08:47,980

any cliff notes or an elevator pitch for

1639

01:08:51,990 --> 01:08:49,900

that book are there any parts you think

1640

01:08:53,820 --> 01:08:52,000

would interest people or does it tie

1641

01:08:57,229 --> 01:08:53,830

into the things we talked about today in

1642

01:08:59,749 --> 01:08:57,239

any interesting way you know yes I mean

1643

01:09:03,390 --> 01:08:59,759

congratulations to you director it says

1644

01:09:05,550 --> 01:09:03,400

but yes that was some years ago but yes

1645

01:09:08,039 --> 01:09:05,560

the nature of reality book is probably

1646

01:09:10,709 --> 01:09:08,049

one of the first works that dawn and I

1647

01:09:13,320 --> 01:09:10,719

did because we were fascinated about I

1648

01:09:15,479 --> 01:09:13,330

think most people are what is life about

1649

01:09:17,309 --> 01:09:15,489

you know is this some sort of biological

1650

01:09:19,169 --> 01:09:17,319

accident that we're here is there a

1651

01:09:21,329 --> 01:09:19,179

purpose to life what happens to you when

1652

01:09:23,880 --> 01:09:21,339

you die do the religions of the world

1653

01:09:26,220 --> 01:09:23,890

have any truth in them it's you know or

1654

01:09:28,439 --> 01:09:26,230

pretty pretty important stuff really and

1655

01:09:30,809 --> 01:09:28,449

that's really what that books about so

1656

01:09:33,479 --> 01:09:30,819

yes you got it right it's a good it's a

1657

01:09:36,360 --> 01:09:33,489

good few hours talk all on its own but

1658

01:09:38,640 --> 01:09:36,370

he covers many things including probably

1659

01:09:40,439 --> 01:09:38,650

in some small way of what

1660

01:09:44,220 --> 01:09:40,449

is all about as well as what life is all

1661

01:09:46,890 --> 01:09:44,230

about also it was part of the research

1662

01:09:49,260 --> 01:09:46,900

in compiling that book that made us

1663

01:09:52,559 --> 01:09:49,270

realize the power of beliefs and again

1664

01:09:54,419 --> 01:09:52,569

referring to bruce lipton the biology of

1665

01:09:57,390 --> 01:09:54,429

belief and how your beliefs actually can

1666

01:09:58,950 --> 01:09:57,400

affect your health in your body so you

1667

01:10:01,979 --> 01:09:58,960

know the message really is it's not to

1668

01:10:04,020 --> 01:10:01,989

be fearful of viruses and bacteria they

1669

01:10:05,790 --> 01:10:04,030

are not to your enemies but yes

1670

01:10:08,160 --> 01:10:05,800

certainly what you believe in and what

1671

01:10:10,080 --> 01:10:08,170

you think they're quite powerful

1672

01:10:11,939 --> 01:10:10,090

and I guess if you're going to carry

1673

01:10:14,810 --> 01:10:11,949

anything from the nature of reality book

1674

01:10:17,790 --> 01:10:14,820

it is just how powerful beliefs are and

1675

01:10:20,189 --> 01:10:17,800

you know how empowering that can be and

1676

01:10:22,350 --> 01:10:20,199

how good that can be but also they sort

1677

01:10:24,030 --> 01:10:22,360

of negative beliefs just how bad they

1678

01:10:25,830 --> 01:10:24,040

can be as you did actually mention

1679

01:10:28,649 --> 01:10:25,840

yourself earlier on in this discussion

1680

01:10:31,620 --> 01:10:28,659

and we sort of show that quite a bit in

1681

01:10:33,810 --> 01:10:31,630

that book but it also talked about the

1682

01:10:35,459 --> 01:10:33,820

true nature of reality which is we say

1683

01:10:36,390 --> 01:10:35,469

is far stranger than you could possibly

1684

01:10:40,020 --> 01:10:36,400

imagine

1685

01:10:42,180 --> 01:10:40,030

so yes is a small book but highly

1686

01:10:45,180 --> 01:10:42,190

recommended of course to your retina to

1687

01:10:48,000 --> 01:10:45,190

your listeners very cool very cool well

1688

01:10:49,919 --> 01:10:48,010

are there any links or contact

1689

01:10:51,750 --> 01:10:49,929

information to leave people with or

1690

01:10:53,040 --> 01:10:51,760

anything about getting this book that

1691

01:10:56,040 --> 01:10:53,050

we've talked about today that they

1692

01:10:59,130 --> 01:10:56,050

should know well it simply is going on

1693

01:11:01,020 --> 01:10:59,140

to Amazon either calm or dot u K or any

1694

01:11:03,720 --> 01:11:01,030

any Amazon's really wherever you are in

1695

01:11:05,490 --> 01:11:03,730

the world it's on their side you can

1696

01:11:07,470 --> 01:11:05,500

either just put in our names or you can

1697

01:11:09,660 --> 01:11:07,480

just put in what really makes you will

1698

01:11:12,290 --> 01:11:09,670

and the book will come up it's got a

1699

01:11:15,540 --> 01:11:12,300

quite a distinctive cover with Roe dams

1700

01:11:18,840 --> 01:11:15,550

sculpture the thinker on the front so it

1701

01:11:20,610 --> 01:11:18,850

is quite distinctive in Kindle versions

1702

01:11:22,800 --> 01:11:20,620

as well as the paperback versions yes

1703

01:11:24,899 --> 01:11:22,810

yeah people may want to the electronic

1704

01:11:27,870 --> 01:11:24,909

copy which is I have to say quite a bit

1705

01:11:29,910 --> 01:11:27,880

cheaper but has the same information of

1706

01:11:31,979 --> 01:11:29,920

course so people can get whichever is

1707

01:11:35,250 --> 01:11:31,989

most convenient and most affordable to

1708

01:11:37,890 --> 01:11:35,260

them they can also look for our other

1709

01:11:39,540 --> 01:11:37,900

books written under our pseudonym at the

1710

01:11:41,850 --> 01:11:39,550

time which was n o R stands for the

1711

01:11:44,370 --> 01:11:41,860

nature of reality there are reasons for

1712

01:11:46,439 --> 01:11:44,380

that that I won't go into now but yeah

1713

01:11:49,020 --> 01:11:46,449

it's probably easy to look for that one

1714

01:11:49,850 --> 01:11:49,030

under exploding the mind/body/spirit

1715

01:11:52,100 --> 01:11:49,860

myth

1716

01:11:54,379 --> 01:11:52,110

that seems to bring it up more easier

1717

01:11:56,209 --> 01:11:54,389

than going into just the nature of

1718

01:11:59,090 --> 01:11:56,219

reality so exploding the

1719

01:12:03,560 --> 01:11:59,100

mind/body/spirit myth by in a while yeah

1720

01:12:06,229 --> 01:12:03,570

a good read right on right on so yeah

1721

01:12:08,330 --> 01:12:06,239

this has been a real pleasure are there

1722

01:12:10,220 --> 01:12:08,340

any plans to work on future books

1723

01:12:12,649 --> 01:12:10,230

together or any topics you're gonna turn

1724

01:12:16,580 --> 01:12:12,659

your attention to next yeah yes

1725

01:12:20,359 --> 01:12:16,590

certainly we've probably got about four

1726

01:12:23,030 --> 01:12:20,369

books planned that we working on yeah

1727

01:12:26,149 --> 01:12:23,040

only I said but we wanted to deal more

1728

01:12:28,550 --> 01:12:26,159

with geopolitics and the world banking

1729

01:12:30,890 --> 01:12:28,560

system which is responsible for a lot of

1730

01:12:33,680 --> 01:12:30,900

problems so I know people have written

1731

01:12:37,189 --> 01:12:33,690

various bits about it but we're trying

1732

01:12:40,370 --> 01:12:37,199

to put all of the stuff together in one

1733

01:12:42,350 --> 01:12:40,380

book that will explain to people just

1734

01:12:44,359 --> 01:12:42,360

what's going off how the world is really

1735

01:12:46,910 --> 01:12:44,369

run who are the power players and

1736

01:12:48,649 --> 01:12:46,920

hopefully what we can do about it to

1737

01:12:52,060 --> 01:12:48,659

protect ourselves from their

1738

01:12:54,260 --> 01:12:52,070

extravagances another one is possibly

1739

01:12:56,990 --> 01:12:54,270

involving the real problems with the

1740

01:13:00,140 --> 01:12:57,000

environment and how the environmental

1741

01:13:03,500 --> 01:13:00,150

movement has been completely hijacked by

1742

01:13:05,870 --> 01:13:03,510

this whole global warming stroke climate

1743

01:13:07,879 --> 01:13:05,880

change stroke climate and gender

1744

01:13:10,609 --> 01:13:07,889

whatever it is it's diverting attention

1745

01:13:13,520 --> 01:13:10,619

away from the real problems that are

1746

01:13:16,760 --> 01:13:13,530

going on in the environment as you said

1747

01:13:18,830 --> 01:13:16,770

quite early on there are lots and lots

1748

01:13:20,149 --> 01:13:18,840

of problems within the environment and

1749

01:13:22,669 --> 01:13:20,159

they're not being addressed and they're

1750

01:13:26,149 --> 01:13:22,679

certainly not being addressed by carbon

1751

01:13:28,520 --> 01:13:26,159

taxes that's for sure mmm-hmm yes yes

1752

01:13:30,530 --> 01:13:28,530

well all good stuff I look forward to

1753

01:13:32,180 --> 01:13:30,540

the next book let me know when it comes

1754

01:13:35,120 --> 01:13:32,190

out we'll definitely have to speak again

1755

01:13:37,580 --> 01:13:35,130

in the future and my mind is thoroughly

1756

01:13:39,620 --> 01:13:37,590

blown lots of really interesting info

1757

01:13:41,720 --> 01:13:39,630

and research talked about today I very

1758

01:13:42,770 --> 01:13:41,730

much appreciate the work you've done I

1759

01:13:45,470 --> 01:13:42,780

think we should be questioning

1760

01:13:47,390 --> 01:13:45,480

everything we think we know and today we

1761

01:13:50,000 --> 01:13:47,400

definitely did that so thanks again and

1762

01:13:54,709 --> 01:13:50,010

take care thank you thank you Greg and

1763

01:13:56,870 --> 01:13:54,719

all the best well oh my my our side

1764

01:14:00,560 --> 01:13:56,880

shadows we are poking the bear today

1765

01:14:03,820 --> 01:14:00,570

bold show very bold show but we like it

1766

01:14:08,290 --> 01:14:03,830

bold right big thanks to Don and David

1767

01:14:10,360 --> 01:14:08,300

for they're very interesting work having

1768

01:14:12,940 --> 01:14:10,370

read the book it is really impressive I

1769

01:14:16,240 --> 01:14:12,950

do appreciate that boldness their whole

1770

01:14:18,520 --> 01:14:16,250

prove me wrong challenge but the truth

1771

01:14:20,890 --> 01:14:18,530

is that two hours is just not enough

1772

01:14:24,190 --> 01:14:20,900

time to make this case it's so

1773

01:14:26,590 --> 01:14:24,200

foundational to our thinking it really

1774

01:14:29,560 --> 01:14:26,600

covers the scope of the entire medical

1775

01:14:32,560 --> 01:14:29,570

field and that's probably too big for

1776

01:14:34,780 --> 01:14:32,570

any single conversation I don't know

1777

01:14:36,820 --> 01:14:34,790

exactly where I stand on one hand you

1778

01:14:38,680 --> 01:14:36,830

must be skeptical of the medical system

1779

01:14:41,950 --> 01:14:38,690

because of everything it's done to

1780

01:14:45,010 --> 01:14:41,960

discredit natural cures and nutrition

1781

01:14:47,050 --> 01:14:45,020

based health nutrition is a much bigger

1782

01:14:48,280 --> 01:14:47,060

deal than the way it's presented at

1783

01:14:50,770 --> 01:14:48,290

least in this country

1784

01:14:53,140 --> 01:14:50,780

and petrochemicals are just a side

1785

01:14:55,810 --> 01:14:53,150

hustle of the oil everything Rockefeller

1786

01:14:58,720 --> 01:14:55,820

elite it's definitely not giving you the

1787

01:15:01,930 --> 01:14:58,730

best unbiased care and that's a huge

1788

01:15:05,320 --> 01:15:01,940

problem we know they're lying to us just

1789

01:15:07,180 --> 01:15:05,330

don't know to what degree I also agree

1790

01:15:10,780 --> 01:15:07,190

that the field itself isn't that

1791

01:15:12,370 --> 01:15:10,790

advanced it wasn't long ago their best

1792

01:15:14,560 --> 01:15:12,380

efforts would be considered barbaric

1793

01:15:17,500 --> 01:15:14,570

even to the most conventional of

1794

01:15:21,040 --> 01:15:17,510

thinks the history of medicine is full

1795

01:15:24,030 --> 01:15:21,050

of dark quackery lobotomies bloodletting

1796

01:15:26,770 --> 01:15:24,040

rudimentary surgeries with no anesthesia

1797

01:15:29,320 --> 01:15:26,780

even something like circumcision is

1798

01:15:32,200 --> 01:15:29,330

based on this fallacy that children

1799

01:15:35,410 --> 01:15:32,210

don't feel pain like there are some

1800

01:15:36,570 --> 01:15:35,420

stupid ideas that are considered normal

1801

01:15:38,560 --> 01:15:36,580

in academia

1802

01:15:41,530 --> 01:15:38,570

things that are pretty counterintuitive

1803

01:15:43,750 --> 01:15:41,540

and we know the history of several

1804

01:15:46,990 --> 01:15:43,760

vaccines including the original polio

1805

01:15:49,030 --> 01:15:47,000

vaccine is pretty dark as well and polio

1806

01:15:51,550 --> 01:15:49,040

is another one of those diseases that

1807

01:15:53,770 --> 01:15:51,560

people think was eradicated by other

1808

01:15:56,920 --> 01:15:53,780

means more so than the vaccine that gets

1809

01:15:58,480 --> 01:15:56,930

all the credit we know about sv40

1810

01:16:01,390 --> 01:15:58,490

and that's another thing what do they

1811

01:16:04,450 --> 01:16:01,400

think of sv40 did the simian virus in

1812

01:16:07,150 --> 01:16:04,460

the polio vaccine caused cancer at

1813

01:16:09,910 --> 01:16:07,160

Haslem think so and I've been a big fan

1814

01:16:13,690 --> 01:16:09,920

of his book dr. Mary's monkey and that

1815

01:16:15,700 --> 01:16:13,700

whole research thread and it's also true

1816

01:16:17,620 --> 01:16:15,710

that like they say there's plenty of

1817

01:16:21,310 --> 01:16:17,630

good useful

1818

01:16:24,120 --> 01:16:21,320

necessary bacteria but is all bacterial

1819

01:16:27,100 --> 01:16:24,130

positive and helpful I'm not so sure

1820

01:16:30,880 --> 01:16:27,110

what is salmonella isn't that bacteria

1821

01:16:33,220 --> 01:16:30,890

is there really no disease or virus that

1822

01:16:36,150 --> 01:16:33,230

can make us sick is contagious and it's

1823

01:16:38,800 --> 01:16:36,160

not a thing I don't think I'm there yet

1824

01:16:41,260 --> 01:16:38,810

but it's useful to talk about this sort

1825

01:16:44,050 --> 01:16:41,270

of stuff in the wake of a major virus

1826

01:16:47,320 --> 01:16:44,060

scare because I fully agree that you

1827

01:16:49,120 --> 01:16:47,330

should be less scared not more and the

1828

01:16:52,300 --> 01:16:49,130

guests are right that there are major

1829

01:16:54,940 --> 01:16:52,310

SLOP elements major media hype elements

1830

01:16:57,070 --> 01:16:54,950

and a ton of disinformation but on the

1831

01:16:59,800 --> 01:16:57,080

other hand it does seem like people are

1832

01:17:02,260 --> 01:16:59,810

getting sick are these all supposed to

1833

01:17:05,110 --> 01:17:02,270

be actors granted I do only see this

1834

01:17:08,950 --> 01:17:05,120

through screens but if I had to guess

1835

01:17:11,350 --> 01:17:08,960

this coronavirus thing is the release of

1836

01:17:14,740 --> 01:17:11,360

a bio weapon either on accident or on

1837

01:17:16,690 --> 01:17:14,750

purpose I'm not sure to which degree our

1838

01:17:19,780 --> 01:17:16,700

guests would consider something like a

1839

01:17:21,820 --> 01:17:19,790

bio weapon possible that might be how

1840

01:17:25,600 --> 01:17:21,830

they define vaccines but even if all

1841

01:17:27,870 --> 01:17:25,610

bacteria is naturally beneficial can it

1842

01:17:30,840 --> 01:17:27,880

be altered in a lab

1843

01:17:34,170 --> 01:17:30,850

like I said still so many questions I

1844

01:17:36,720 --> 01:17:34,180

had one friend of mine mention that in

1845

01:17:38,460 --> 01:17:36,730

Chinese government labs these scientists

1846

01:17:41,160 --> 01:17:38,470

commonly sell their animals after

1847

01:17:43,020 --> 01:17:41,170

testing could they have injected an

1848

01:17:46,190 --> 01:17:43,030

animal with something and then it was

1849

01:17:50,190 --> 01:17:46,200

sold at that market and then consumed

1850

01:17:52,560 --> 01:17:50,200

seems possible it's good to be really

1851
01:17:55,320 --> 01:17:52,570
cautious when you're talking about such

1852
01:17:57,030 --> 01:17:55,330
a serious subject I would never want to

1853
01:17:59,940 --> 01:17:57,040
lead people astray and I'm clearly not

1854
01:18:02,840 --> 01:17:59,950
even smart enough to know how much

1855
01:18:05,940 --> 01:18:02,850
validity to put in this kind of stuff so

1856
01:18:07,890 --> 01:18:05,950
you need to think for yourself I'm just

1857
01:18:09,240 --> 01:18:07,900
presenting you with an alternative that

1858
01:18:11,790 --> 01:18:09,250
you probably wouldn't have heard

1859
01:18:13,530 --> 01:18:11,800
anywhere else and I want to make sure

1860
01:18:15,750 --> 01:18:13,540
that we're not giving people bad

1861
01:18:17,310 --> 01:18:15,760
information that they just run with and

1862
01:18:20,100 --> 01:18:17,320
I think our guests would agree with that

1863
01:18:22,740 --> 01:18:20,110

too they did all this research and

1864

01:18:25,350 --> 01:18:22,750

because of that research they are

1865

01:18:27,660 --> 01:18:25,360

certain about this conclusion and they

1866

01:18:28,350 --> 01:18:27,670

also encourage all of you to do your own

1867

01:18:30,900 --> 01:18:28,360

research

1868

01:18:34,020 --> 01:18:30,910

like any good guest should who's

1869

01:18:37,170 --> 01:18:34,030

confident in their position so I don't

1870

01:18:39,420 --> 01:18:37,180

know if they are exactly over the target

1871

01:18:41,780 --> 01:18:39,430

with their conclusions but they have a

1872

01:18:44,390 --> 01:18:41,790

lot of great data

1873

01:18:46,430 --> 01:18:44,400

and I think they're much closer than

1874

01:18:50,720 --> 01:18:46,440

anyone who's telling you to stock up on

1875

01:18:53,450 --> 01:18:50,730

canned goods and water and it is awfully

1876

01:18:56,600 --> 01:18:53,460

curious how many conditions like say

1877

01:18:58,730 --> 01:18:56,610

autoimmune conditions for example when

1878

01:19:01,580 --> 01:18:58,740

we do shows on certain nutrient

1879

01:19:04,670 --> 01:19:01,590

solutions or iodine or red light therapy

1880

01:19:07,970 --> 01:19:04,680

the laundry list of conditions that

1881

01:19:09,830 --> 01:19:07,980

these things help is so long that you

1882

01:19:12,340 --> 01:19:09,840

have to wonder if maybe the way we

1883

01:19:15,530 --> 01:19:12,350

define all these conditions is wrong

1884

01:19:18,350 --> 01:19:15,540

it's not ten different autoimmune

1885

01:19:21,680 --> 01:19:18,360

conditions it's ten different ways your

1886

01:19:24,830 --> 01:19:21,690

body can react to a lack of X Y or Z you

1887

01:19:27,560 --> 01:19:24,840

see the distinction there

1888

01:19:30,470 --> 01:19:27,570

it's also curious how when you look at

1889

01:19:33,010 --> 01:19:30,480

these major human die offs in history

1890

01:19:36,379 --> 01:19:33,020

there is a reasonable alternative

1891

01:19:38,359 --> 01:19:36,389

explanation or a lack of surviving

1892

01:19:40,729 --> 01:19:38,369

evidence for the official story in

1893

01:19:42,620 --> 01:19:40,739

several of these cases we only got to

1894

01:19:45,379 --> 01:19:42,630

talk about a few but their book is full

1895

01:19:48,800 --> 01:19:45,389

of them and that is I think one of the

1896

01:19:50,780 --> 01:19:48,810

best things about their book so I'm

1897

01:19:52,100 --> 01:19:50,790

intrigued and I would have this

1898

01:19:54,620 --> 01:19:52,110

conversation again

1899

01:19:56,479 --> 01:19:54,630

I mean Patrick Jordan is somebody we've

1900

01:19:58,339 --> 01:19:56,489

talked to twice in the past who would

1901

01:20:01,189 --> 01:19:58,349

probably be pretty aligned with Don and

1902

01:20:03,399 --> 01:20:01,199

David his whole thing is the serum

1903

01:20:06,040 --> 01:20:03,409

sickness postulate

1904

01:20:08,290 --> 01:20:06,050

that disease in the modern world starts

1905

01:20:12,370 --> 01:20:08,300

with the vaccines that it's all vaccine

1906

01:20:15,129 --> 01:20:12,380

damage from psoriasis to fibromyalgia to

1907

01:20:17,199 --> 01:20:15,139

cancer to autism don't inject kids with

1908

01:20:19,600 --> 01:20:17,209

chemical cocktails and this won't happen

1909

01:20:22,179 --> 01:20:19,610

I think there's a case to be made that

1910

01:20:25,209 --> 01:20:22,189

that's why people like Bill Gates and

1911

01:20:27,489 --> 01:20:25,219

the CDC are so obsessed with getting

1912

01:20:31,929 --> 01:20:27,499

their vaccines down into the depths of

1913

01:20:34,659 --> 01:20:31,939

Africa we have to obscure the data and

1914

01:20:36,659 --> 01:20:34,669

make sure we infiltrate any natural

1915

01:20:39,790 --> 01:20:36,669

control groups that people can look at

1916

01:20:43,179 --> 01:20:39,800

there's something real sketchy going on

1917

01:20:45,310 --> 01:20:43,189

there but like most things my simple

1918

01:20:48,370 --> 01:20:45,320

stoner mind thinks that the truth is

1919

01:20:50,409 --> 01:20:48,380

usually somewhere in the middle but the

1920

01:20:53,259 --> 01:20:50,419

notion that illness comes from the four

1921

01:20:56,529 --> 01:20:53,269

factors of bad nutrition toxic exposure

1922

01:20:59,560 --> 01:20:56,539

EMF radiation and stress I think that's

1923

01:21:02,799 --> 01:20:59,570

a great way to live even if those are

1924

01:21:05,290 --> 01:21:02,809

the causes for 90% of it and not a full

1925

01:21:07,390 --> 01:21:05,300

100% it's closer to the truth and a

1926

01:21:09,870 --> 01:21:07,400

system that tries to say it's all random

1927

01:21:12,069 --> 01:21:09,880

while shoving junk food GMOs

1928

01:21:14,739 --> 01:21:12,079

geoengineering corporate chemicals

1929

01:21:19,029 --> 01:21:14,749

rampant pollution several dozen vaccines

1930

01:21:21,100 --> 01:21:19,039

and 5g down our throats and saying well

1931

01:21:22,870 --> 01:21:21,110

we don't know why we have the rising

1932

01:21:24,939 --> 01:21:22,880

rates of everything and why everyone's

1933

01:21:27,459 --> 01:21:24,949

sick and we haven't cured anything in

1934

01:21:30,609 --> 01:21:27,469

forever but don't look at any of these

1935

01:21:33,489 --> 01:21:30,619

things that we are responsible for and

1936

01:21:36,549 --> 01:21:33,499

put the blame there and we know how

1937

01:21:39,040 --> 01:21:36,559

powerful the mind is there's also

1938

01:21:42,790 --> 01:21:39,050

something to that point about a reverse

1939

01:21:44,830 --> 01:21:42,800

placebo effect if a sugar pill is enough

1940

01:21:48,819 --> 01:21:44,840

to make some people believe that they're

1941

01:21:51,189 --> 01:21:48,829

healed so is the right philosophy so

1942

01:21:54,640 --> 01:21:51,199

consider all this when you're inundated

1943

01:21:57,219 --> 01:21:54,650

with coronavirus paranoia and do your

1944

01:21:59,830 --> 01:21:57,229

own research but if you liked hearing

1945

01:22:02,350 --> 01:21:59,840

Don and David do let them know do let me

1946

01:22:04,779 --> 01:22:02,360

know do we want to hear more should we

1947

01:22:07,420 --> 01:22:04,789

have them back to unpack this again I

1948

01:22:09,850 --> 01:22:07,430

would like to know

1949

01:22:12,940 --> 01:22:09,860

I expect this to be fairly divisive

1950

01:22:15,100 --> 01:22:12,950

because it is so extreme but of course

1951

01:22:17,440 --> 01:22:15,110

like every episode we have a second hour

1952

01:22:19,540 --> 01:22:17,450

for our precious precious Plus members

1953

01:22:23,260 --> 01:22:19,550

sign up at the higher side shots calm

1954

01:22:26,470 --> 01:22:23,270

double your THC pleasure double your THC

1955

01:22:29,620 --> 01:22:26,480

fun in today's episode we throw several

1956

01:22:32,350 --> 01:22:29,630

more interesting logs on the fire we get

1957

01:22:34,750 --> 01:22:32,360

into the motivations the reasons for the

1958

01:22:36,550 --> 01:22:34,760

deception the economics of it all and

1959

01:22:40,120 --> 01:22:36,560

the control mechanisms and of course

1960

01:22:42,940 --> 01:22:40,130

agenda 2030 we talk about travel

1961

01:22:45,970 --> 01:22:42,950

vaccines and malaria and they made an

1962

01:22:47,890 --> 01:22:45,980

excellent point about having billions of

1963

01:22:50,290 --> 01:22:47,900

dollars in all this energy poured into

1964

01:22:53,260 --> 01:22:50,300

fighting malaria and tropical diseases

1965

01:22:55,480 --> 01:22:53,270

through vaccines but that same amount of

1966

01:22:58,060 --> 01:22:55,490

money is not spent on just getting them

1967

01:23:00,370 --> 01:22:58,070

clean water and clean stable food

1968

01:23:02,110 --> 01:23:00,380

sources I think that's something we all

1969

01:23:05,080 --> 01:23:02,120

agree would be a better use of that

1970

01:23:06,670 --> 01:23:05,090

money instead of just letting them be

1971

01:23:10,030 --> 01:23:06,680

the guinea pigs for these chemical

1972

01:23:12,700 --> 01:23:10,040

cocktails that only benefit the private

1973

01:23:15,700 --> 01:23:12,710

piggy banks a big pharma but they also

1974

01:23:18,130 --> 01:23:15,710

broke down the immune system fallacy SR

1975

01:23:20,710 --> 01:23:18,140

eyes psychiatric drugs and the brain

1976

01:23:23,740 --> 01:23:20,720

chemistry imbalance deception there's no

1977

01:23:25,750 --> 01:23:23,750

way to test brain chemistry yet so many

1978

01:23:28,770 --> 01:23:25,760

people are taking very serious drugs

1979

01:23:30,760 --> 01:23:28,780

under the pretenses that theirs is off

1980

01:23:34,000 --> 01:23:30,770

we also talked about over-the-counter

1981

01:23:37,060 --> 01:23:34,010

drugs and how risky they really are so

1982

01:23:38,290 --> 01:23:37,070

all good useful stuff we learn more

1983

01:23:40,660 --> 01:23:38,300

every day and I think it's worth your

1984

01:23:43,420 --> 01:23:40,670

time to get that second hour Oh what do

1985

01:23:46,480 --> 01:23:43,430

I know that said take care of you and

1986

01:23:48,820 --> 01:23:46,490

yours pick up a copy of dawn and David's

1987

01:23:51,730 --> 01:23:48,830

great book what really makes you ill if

1988

01:23:53,620 --> 01:23:51,740

you want to go whole hog and I'll see

1989

01:23:56,410 --> 01:23:53,630

you next time I've done my part

1990

01:23:58,630 --> 01:23:56,420

your move disease deceivers friends of

1991

01:24:02,580 --> 01:23:58,640

Big Pharma and dark sorcerers of the

1992

01:24:06,130 --> 01:24:02,590

modern medical system your [h__\h] move

1993

01:24:07,790 --> 01:24:06,140

you know the plan has always been to a

1994

01:24:10,770 --> 01:24:07,800

cure

1995

01:24:12,410 --> 01:24:10,780

m'kay oh I'm just trying to dream you

1996

01:24:15,330 --> 01:24:12,420

insane

1997

01:24:18,420 --> 01:24:15,340

they'll explode your heart if you think

1998

01:24:23,070 --> 01:24:18,430

that's what it claims you think I'm

1999

01:24:24,780 --> 01:24:23,080

answering the phone when I aim you gotta

2000

01:24:27,510 --> 01:24:24,790

keep it strong

2001

01:24:30,570 --> 01:24:27,520

cuz I don't want anyone thinking yo at

2002

01:24:33,990 --> 01:24:30,580

home well you're not you should tape the

2003

01:24:36,900 --> 01:24:34,000

mail slot and baby if I seem withdrawn

2004

01:24:40,410 --> 01:24:36,910

let me sing it's cuz I just don't wanna

2005

01:24:44,340 --> 01:24:40,420

go and get whacked maybe you should know

2006

01:24:48,510 --> 01:24:44,350

that the trauma of sex you like it does

2007

01:24:52,440 --> 01:24:48,520

everyone it's just the game plan it's

2008

01:24:55,260 --> 01:24:52,450

where the wells become they want a pet

2009

01:24:57,780 --> 01:24:55,270

Amanda swap don't you see what's going

2010

01:25:01,440 --> 01:24:57,790

on well now you

2011

01:25:05,610 --> 01:25:01,450

you're better keepin on your own cuz you

2012

01:25:10,950 --> 01:25:05,620

can sing the Masters lacking much oh

2013

01:25:15,450 --> 01:25:10,960

baby you can only trust yourself and if

2014

01:25:20,109 --> 01:25:15,460

you think the system's out of touch it

2015

01:25:23,350 --> 01:25:20,119

is and you can only trust yourself

2016

01:25:27,189 --> 01:25:23,360

I hope you know real lean aren't your

2017

01:25:31,659 --> 01:25:27,199

friends the suck out everything from you

2018

01:25:35,529 --> 01:25:31,669

in the end and if for some reason you

2019

01:25:40,119 --> 01:25:35,539

think I might be wrong I wonder where

2020

01:25:42,549 --> 01:25:40,129

you got that opinion from you gotta keep

2021

01:25:44,979 --> 01:25:42,559

the Turner's strong cuz you don't want

2022

01:25:48,100 --> 01:25:44,989

anyone thinking you're at home well

2023

01:25:51,819 --> 01:25:48,110

you're not you should tape the mail slot

2024

01:25:54,850 --> 01:25:51,829

and baby if I seem withdrawn let me say

2025

01:25:58,629 --> 01:25:54,860

it's cuz I just don't wanna go and get

2026

01:26:01,119 --> 01:25:58,639

whacked maybe you should know that the

2027

01:26:05,319 --> 01:26:01,129

trauma of sex do you like it does

2028

01:26:09,219 --> 01:26:05,329

everyone it's just the game when it's

2029

01:26:11,949 --> 01:26:09,229

what the world's become they want a pat

2030

01:26:14,470 --> 01:26:11,959

down in the swamp don't you see what's

2031

01:26:17,959 --> 01:26:14,480

going on well now

2032

01:26:21,500 --> 01:26:17,969

you're better came in on your own cuz

2033

01:26:25,790 --> 01:26:21,510

you can see the man there's like too

2034

01:26:30,859 --> 01:26:25,800

much oh baby you can only trust yourself

2035

01:26:34,509 --> 01:26:30,869

and if you think the systems out of

2036

01:26:37,210 --> 01:26:34,519

touch it is and you can only trust

2037

01:26:55,559 --> 01:26:37,220

yourself

2038

01:26:59,319 --> 01:26:55,569

[Music]

2039

01:27:03,819 --> 01:26:59,329

you might think that these problems are

2040

01:27:08,049 --> 01:27:03,829

small maybe they aren't registering at

2041

01:27:12,519 --> 01:27:08,059

all now they know you're naive and

2042

01:27:17,519 --> 01:27:12,529

vulnerable you won't believe all of the

2043

01:27:21,549 --> 01:27:17,529

stunts that kelpo cuz you can see the

2044

01:27:27,119 --> 01:27:21,559

Masters lied too much oh baby you can

2045

01:27:31,119 --> 01:27:27,129

only trust yourself and if you think the

2046

01:27:35,679 --> 01:27:31,129

system's out of touch it is and you can

2047

01:27:39,160 --> 01:27:35,689

only trust yourself because you can see

2048

01:27:43,570 --> 01:27:39,170

the Masters lat

2049

01:27:47,919 --> 01:27:43,580

Oh baby you can only trust yourself and

2050

01:27:51,330 --> 01:27:47,929

if you think it is the system's out of

2051

01:27:52,560 --> 01:27:51,340

touch it is and you can only trust
