

ALLEN GREENFIELD

THE SECRET CIPHER OF THE UFONAUTS, OCCULT ALIEN CONTACT, & HELLIER

PRESENTED BY THE HIGHERSIDE CHATS

BECOME A PLUS MEMBER FOR MORE:

THEHIGHERSIDECHATS.COM

1
00:00:04,039 --> 00:00:02,300
embrace yourself because you're about to

2
00:00:06,230 --> 00:00:04,049
dive into another free first hour

3
00:00:07,400 --> 00:00:06,240
episode of the higher side chats and we

4
00:00:08,810 --> 00:00:07,410
just want to let you know that whether

5
00:00:10,790 --> 00:00:08,820
you're looking for a companion through

6
00:00:12,410 --> 00:00:10,800
your paranoid insomnia entertaining

7
00:00:14,390 --> 00:00:12,420
yourself through one of life's mundane

8
00:00:16,099 --> 00:00:14,400
activities we're trying to ward off the

9
00:00:18,710 --> 00:00:16,109
internal scream to all those sad

10
00:00:20,480 --> 00:00:18,720
smothered Souls around the office THC is

11
00:00:22,130 --> 00:00:20,490
here and you should know that every

12
00:00:24,170 --> 00:00:22,140
episode of the higher side chats has an

13
00:00:26,540 --> 00:00:24,180

entire second hour four plus members

14

00:00:29,029 --> 00:00:26,550

sign up at the higher side chats plus

15

00:00:31,609 --> 00:00:29,039

calm and you get years of plus show

16

00:00:33,020 --> 00:00:31,619

archives lifetime forum access the

17

00:00:36,410 --> 00:00:33,030

special invite to Greg Carl woods

18

00:00:39,650 --> 00:00:36,420

monthly joint sessions mp3s of THC music

19

00:00:42,020 --> 00:00:39,660

and bonus episodes for videos and 10%

20

00:00:44,090 --> 00:00:42,030

off t-shirts grinders and whatever else

21

00:00:45,440 --> 00:00:44,100

ends up in the higher side store it's

22

00:00:47,779 --> 00:00:45,450

eight dollars a month that you won't

23

00:00:49,760 --> 00:00:47,789

miss so become a plus member and treat

24

00:00:51,560 --> 00:00:49,770

yourself in these troubled times always

25

00:00:53,569 --> 00:00:51,570

action-packed and commercial for you

26

00:00:59,569 --> 00:00:53,579

which means you'll unfortunately never

27

00:01:02,330 --> 00:00:59,579

hear my voice again but I am psyched

28

00:01:05,030 --> 00:01:02,340

about this I definitely loved the book

29

00:01:06,710 --> 00:01:05,040

or the two books put into one volume you

30

00:01:09,260 --> 00:01:06,720

know the connection between the occult

31

00:01:12,140 --> 00:01:09,270

and the sci-fi aliens is something we've

32

00:01:14,179 --> 00:01:12,150

talked about before but not to this

33

00:01:16,249 --> 00:01:14,189

depth and it's really crazy to me that

34

00:01:18,200 --> 00:01:16,259

this book came out in the 90s and I only

35

00:01:21,830 --> 00:01:18,210

just learned about it because it's it's

36

00:01:26,210 --> 00:01:21,840

very good well the original edition of

37

00:01:29,210 --> 00:01:26,220

Secret cypher came from illuminant press

38

00:01:32,270 --> 00:01:29,220

at the time that was you know one of the

39

00:01:36,290 --> 00:01:32,280

major publishers

40

00:01:38,480 --> 00:01:36,300

both UFO and conspiracy stuff a strange

41

00:01:43,400 --> 00:01:38,490

combination at best

42

00:01:45,880 --> 00:01:43,410

and sure enough authors and ultimately

43

00:01:50,120 --> 00:01:45,890

the publisher mysteriously died off

44

00:01:54,440 --> 00:01:50,130

Deeping George Andrews and me I mean

45

00:01:57,200 --> 00:01:54,450

Harry thoroughly is gone and Jim Keith

46

00:02:01,359 --> 00:01:57,210

who died under very mysterious and

47

00:02:04,190 --> 00:02:01,369

unlikely circumstances is gone and

48

00:02:07,460 --> 00:02:04,200

ultimately Ron bonds went to dinner with

49

00:02:09,350 --> 00:02:07,470

his wife and developed through the

50

00:02:10,999 --> 00:02:09,360

poisoning which nobody else in the

51
00:02:13,940 --> 00:02:11,009
restaurant that they were in developed

52
00:02:19,130 --> 00:02:13,950
and within hours which is Lately

53
00:02:22,910 --> 00:02:19,140
poisoning works died so that was the end

54
00:02:25,370 --> 00:02:22,920
of aluminum press and it sold out the

55
00:02:28,900 --> 00:02:25,380
first edition but I think there was a

56
00:02:33,820 --> 00:02:28,910
long long pause

57
00:02:36,790 --> 00:02:33,830
between the time that that addition went

58
00:02:39,840 --> 00:02:36,800
out of print and as is always the case

59
00:02:42,100 --> 00:02:39,850
with the Vipers out there in the

60
00:02:45,610 --> 00:02:42,110
second-hand market which by the way I

61
00:02:47,500 --> 00:02:45,620
get no royalties from now that that

62
00:02:51,100 --> 00:02:47,510
particularly matters to anyone other

63
00:02:53,140 --> 00:02:51,110

than poor for Alan well I mean it

64

00:02:55,870 --> 00:02:53,150

matters to me but not you know it's not

65

00:02:58,290 --> 00:02:55,880

my first concern my first concern is to

66

00:03:04,810 --> 00:02:58,300

get the information out there between

67

00:03:07,600 --> 00:03:04,820

the first publication and publication of

68

00:03:10,480 --> 00:03:07,610

secret rituals of the men in black it

69

00:03:12,790 --> 00:03:10,490

was a ten year period why you may say

70

00:03:15,100 --> 00:03:12,800

were you afraid of whoever is killing

71

00:03:16,990 --> 00:03:15,110

off these other people no because I

72

00:03:22,270 --> 00:03:17,000

sleep with a gun under my pillow with a

73

00:03:24,970 --> 00:03:22,280

knife in my right hand I'm just fine he

74

00:03:27,190 --> 00:03:24,980

said as he sank to the floor well it

75

00:03:29,290 --> 00:03:27,200

would be you know because the people in

76
00:03:31,330 --> 00:03:29,300
the apartment under me might get you

77
00:03:34,870 --> 00:03:31,340
know they're elderly and might not

78
00:03:36,809 --> 00:03:34,880
understand but in any case what happened

79
00:03:40,259 --> 00:03:36,819
was

80
00:03:42,839 --> 00:03:40,269
the illustrious grand pooh-bah of the

81
00:03:47,880 --> 00:03:42,849
ancient order of antiquity to which I

82
00:03:51,149 --> 00:03:47,890
then belong we were driving from North

83
00:03:53,580 --> 00:03:51,159
Carolina to the plant because I talked

84
00:03:56,479 --> 00:03:53,590
him into doing an initiation that needed

85
00:03:59,610 --> 00:03:56,489
to be done that was above my paygrade

86
00:04:03,449 --> 00:03:59,620
gave me this long lecture on why I

87
00:04:06,449 --> 00:04:03,459
should not be doing UFO books as they

88
00:04:09,210 --> 00:04:06,459

were not respectable

89

00:04:12,930 --> 00:04:09,220

you know I mean in the relative order of

90

00:04:15,660 --> 00:04:12,940

things I mean this is all marginalia to

91

00:04:17,969 --> 00:04:15,670

the public out there but there are

92

00:04:20,370 --> 00:04:17,979

relative words of Marchen and the fact

93

00:04:22,409 --> 00:04:20,380

is that UFOs have a lot more public

94

00:04:25,050 --> 00:04:22,419

acceptance than the occult which is

95

00:04:27,510 --> 00:04:25,060

assumed to be demonic or whatever right

96

00:04:34,020 --> 00:04:27,520

but nevertheless he was the guy in

97

00:04:36,390 --> 00:04:34,030

charge and I at that time cared what he

98

00:04:38,879 --> 00:04:36,400

thought so I put off publishing the

99

00:04:43,080 --> 00:04:38,889

second book and then published it with a

100

00:04:45,510 --> 00:04:43,090

long footnote addressed indirectly to

101
00:04:48,689 --> 00:04:45,520
him and to other people that are in that

102
00:04:50,520 --> 00:04:48,699
same category saying you best know what

103
00:04:53,279 --> 00:04:50,530
you're talking about before you talk

104
00:04:55,740 --> 00:04:53,289
about it I believe that that is

105
00:04:58,140 --> 00:04:55,750
reproduced in the current edition of the

106
00:05:00,570 --> 00:04:58,150
complete secret side for the ephah knots

107
00:05:04,830 --> 00:05:00,580
which i think is now the definitive

108
00:05:07,890 --> 00:05:04,840
edition in any case I haven't been

109
00:05:12,900 --> 00:05:07,900
affiliated with that cult in 15 years

110
00:05:15,120 --> 00:05:12,910
and haven't been really emotionally

111
00:05:17,339 --> 00:05:15,130
affiliated with it since I decided it

112
00:05:20,700 --> 00:05:17,349
was certain organization it's a cult and

113
00:05:23,750 --> 00:05:20,710

I'm just not a cultist I don't want to

114

00:05:27,750 --> 00:05:23,760

wind up in the Branch Davidian compound

115

00:05:31,080 --> 00:05:27,760

burning up at the behest of Sony exalted

116

00:05:33,890 --> 00:05:31,090

pooh-bah or ruler not the thing this

117

00:05:37,939 --> 00:05:33,900

particular one is that extreme ageism

118

00:05:41,430 --> 00:05:37,949

he's just wrong you know fair fair and

119

00:05:43,710 --> 00:05:41,440

cool all right let me knock out this

120

00:05:45,510 --> 00:05:43,720

intro and we'll really dive into it you

121

00:05:47,279 --> 00:05:45,520

mean all that once in over the year I

122

00:05:47,760 --> 00:05:47,289

got it record it I'll throw it in there

123

00:05:50,430 --> 00:05:47,770

out there

124

00:06:27,330 --> 00:05:50,440

I was good it's a good preamble to the

125

00:06:29,850 --> 00:06:27,340

book okay well abracadabra

126

00:06:32,159 --> 00:06:29,860

and Open Sesame people from sunny San

127

00:06:33,960 --> 00:06:32,169

Diego I'm Greg Carl Wood and I hope your

128

00:06:35,520 --> 00:06:33,970

seat backs and tray tables are in the

129

00:06:37,499 --> 00:06:35,530

upright locked position because we're

130

00:06:39,450 --> 00:06:37,509

going on one hell of a ride today

131

00:06:41,100 --> 00:06:39,460

of course we've all heard the debate

132

00:06:42,360 --> 00:06:41,110

over the little green men with almond

133

00:06:44,760 --> 00:06:42,370

eyes that go bump in the night

134

00:06:47,010 --> 00:06:44,770

are they advanced aliens from a distant

135

00:06:48,659 --> 00:06:47,020

planet or ancient ethereal entities that

136

00:06:51,209 --> 00:06:48,669

have been interacting with man since

137

00:06:53,100 --> 00:06:51,219

maybe the beginning of time and what

138

00:06:55,830 --> 00:06:53,110

about Bigfoot Mothman and the rich

139

00:06:57,839 --> 00:06:55,840

Northern European lore of fairies it

140

00:06:59,820 --> 00:06:57,849

might be easy to say these are all parts

141

00:07:02,249 --> 00:06:59,830

of the same thing but it's still hard to

142

00:07:04,620 --> 00:07:02,259

get a bead on what that thing even is

143

00:07:06,360 --> 00:07:04,630

and the fact that paranormal and high

144

00:07:08,610 --> 00:07:06,370

strangeness researchers are so

145

00:07:11,399 --> 00:07:08,620

compartmentalised only makes the problem

146

00:07:13,649 --> 00:07:11,409

worse but when you examine cases like

147

00:07:15,870 --> 00:07:13,659

Crowley's channeling of Aiwass the Seth

148

00:07:18,029 --> 00:07:15,880

material the story of John D and Edward

149

00:07:20,790 --> 00:07:18,039

Kelly or even something like the shaver

150

00:07:22,890 --> 00:07:20,800

mystery it seems like whenever you tap

151

00:07:25,200 --> 00:07:22,900

into a strong signal the first thing

152

00:07:27,749 --> 00:07:25,210

these beans deliver is a language of

153

00:07:29,670 --> 00:07:27,759

some sort and is it possible that the

154

00:07:31,769 --> 00:07:29,680

preservation of these coded languages

155

00:07:33,360 --> 00:07:31,779

and contact methods has been the basis

156

00:07:35,490 --> 00:07:33,370

for secret societies from ancient

157

00:07:38,189 --> 00:07:35,500

Babylonian priesthoods right on through

158

00:07:40,320 --> 00:07:38,199

to modern Freemasonry well today's guest

159

00:07:42,269 --> 00:07:40,330

Allan Greenfield certainly thinks so and

160

00:07:44,430 --> 00:07:42,279

he breaks it all down in his two books

161

00:07:46,170 --> 00:07:44,440

the secret cipher of the UFO knots and

162

00:07:48,510 --> 00:07:46,180

the secret rituals of the men and black

163

00:07:50,909 --> 00:07:48,520

folks he wrote back in the 90s that have

164

00:07:53,010 --> 00:07:50,919

now been reprinted as a single volume by

165

00:07:54,749 --> 00:07:53,020

paranoia publishing called the complete

166

00:07:56,999 --> 00:07:54,759

secret cipher of the ephah knots a

167

00:07:59,519 --> 00:07:57,009

one-two punch that is still as poignant

168

00:08:01,590 --> 00:07:59,529

today as ever you might have seen Allan

169

00:08:04,410 --> 00:08:01,600

and his secret cipher featured in the

170

00:08:06,840 --> 00:08:04,420

popular paranormal series Hellyer where

171

00:08:08,640 --> 00:08:06,850

letters from a man seeking refuge from a

172

00:08:10,920 --> 00:08:08,650

group of little green Goblin's that were

173

00:08:13,110 --> 00:08:10,930

emerging from a cave - harasses family

174

00:08:15,870 --> 00:08:13,120

sent the research team down a winding

175

00:08:18,570 --> 00:08:15,880

rabbit hole of high strangeness for the

176

00:08:21,390 --> 00:08:18,580

unfamiliar alan is not only a 35-year

177

00:08:21,960 --> 00:08:21,400

veteran of ufology and UFO investigative

178

00:08:24,810 --> 00:08:21,970

work

179

00:08:26,550 --> 00:08:24,820

he's also been an occultist since 1960

180

00:08:29,610 --> 00:08:26,560

and has practiced ceremonial magic

181

00:08:32,580 --> 00:08:29,620

almost as long he also spent two decades

182

00:08:34,440 --> 00:08:32,590

climbing the ranks of the OTO only to

183

00:08:36,540 --> 00:08:34,450

leave the structured organization for a

184

00:08:38,760 --> 00:08:36,550

more independent and individualistic

185

00:08:41,190 --> 00:08:38,770

path to elimination called the free

186

00:08:42,990 --> 00:08:41,200

aluminous movement this is going to be a

187

00:08:45,360 --> 00:08:43,000

fun one and I'm psyched to get into it a

188

00:08:47,430 --> 00:08:45,370

consecrated bishop in the ESO Tarek

189

00:08:49,470 --> 00:08:47,440

Gnostic spiritual tradition and the code

190

00:08:51,330 --> 00:08:49,480

crack and sage of the cipher Allen

191

00:08:54,930 --> 00:08:51,340

Greenfield welcome to the higher side

192

00:08:56,880 --> 00:08:54,940

I'm so glad to be here you've said

193

00:08:59,310 --> 00:08:56,890

everything that I need to say so I

194

00:09:02,460 --> 00:08:59,320

visual goodnight

195

00:09:03,300 --> 00:09:02,470

I'll see ya don't take any wooden

196

00:09:07,050 --> 00:09:03,310

nickels

197

00:09:09,420 --> 00:09:07,060

Scoob ah oh really I mean you were right

198

00:09:12,660 --> 00:09:09,430

on the money there that's great

199

00:09:14,910 --> 00:09:12,670

I try I try and this is a real treat I

200

00:09:17,250 --> 00:09:14,920

loved the complete secret cipher of the

201
00:09:20,010 --> 00:09:17,260
you four knots it goes very deep and

202
00:09:22,410 --> 00:09:20,020
connecting modern ufology to contact

203
00:09:24,840 --> 00:09:22,420
rituals of occult traditions and it

204
00:09:27,900 --> 00:09:24,850
starts off with a bang breaking down the

205
00:09:30,120 --> 00:09:27,910
basic premise into 11 bullet points and

206
00:09:33,150 --> 00:09:30,130
I won't read them all but right off the

207
00:09:36,090 --> 00:09:33,160
but you say first some people among us

208
00:09:38,280 --> 00:09:36,100
are in the know about the UFO phenomena

209
00:09:40,650 --> 00:09:38,290
which have manifested throughout history

210
00:09:42,930 --> 00:09:40,660
certain people have known the nature of

211
00:09:46,020 --> 00:09:42,940
this phenomena and have used its nature

212
00:09:47,640 --> 00:09:46,030
for almost just as long which is a hell

213
00:09:49,650 --> 00:09:47,650

of a way to start a book when most

214

00:09:50,550 --> 00:09:49,660

people consider these things to still be

215

00:09:53,190 --> 00:09:50,560

a mystery

216

00:09:54,860 --> 00:09:53,200

it seems the further we go back the

217

00:09:57,690 --> 00:09:54,870

harder it is to be sure about anything

218

00:10:00,540 --> 00:09:57,700

but what could you tell us about this

219

00:10:02,880 --> 00:10:00,550

deep history of contact to really get

220

00:10:06,180 --> 00:10:02,890

the ball rolling here well the first

221

00:10:10,290 --> 00:10:06,190

thing that needs to be observed is that

222

00:10:13,980 --> 00:10:10,300

there has been communication with these

223

00:10:15,300 --> 00:10:13,990

whatsits of various stripes as you

224

00:10:18,810 --> 00:10:15,310

delete it you know

225

00:10:22,430 --> 00:10:18,820

decrypted said you phones and even

226

00:10:26,340 --> 00:10:22,440

things like ghosts and apparitions and

227

00:10:29,400 --> 00:10:26,350

UFO phenomenon and all these things that

228

00:10:33,000 --> 00:10:29,410

seem to operate stripped to their core

229

00:10:35,940 --> 00:10:33,010

in the same manner suggesting that they

230

00:10:39,150 --> 00:10:35,950

are something that has always been with

231

00:10:45,660 --> 00:10:39,160

us there have always been people who

232

00:10:50,040 --> 00:10:45,670

have communion tomorrow which term with

233

00:10:52,560 --> 00:10:50,050

these sources and you know my mind leaps

234

00:10:54,660 --> 00:10:52,570

immediately towards like entities I

235

00:10:57,150 --> 00:10:54,670

don't know if they're entities I'm not

236

00:11:00,030 --> 00:10:57,160

even sure we can know you know maybe

237

00:11:04,730 --> 00:11:00,040

that's a bad thing to say that we could

238

00:11:07,740 --> 00:11:04,740

know things about how it manifests and

239

00:11:11,460 --> 00:11:07,750

where it will manifest even if you use

240

00:11:13,860 --> 00:11:11,470

the cipher that I but in complete secret

241

00:11:16,710 --> 00:11:13,870

so I've read you've not and have

242

00:11:18,930 --> 00:11:16,720

demonstrated myself to my own

243

00:11:21,720 --> 00:11:18,940

satisfaction anyway I want other people

244

00:11:24,690 --> 00:11:21,730

to do their own experiments and either

245

00:11:27,870 --> 00:11:24,700

validate or disconfirm you know my

246

00:11:30,930 --> 00:11:27,880

approach to it but I think that a

247

00:11:33,900 --> 00:11:30,940

certain tiny percentage of the people

248

00:11:35,970 --> 00:11:33,910

that come into communication I'm

249

00:11:38,910 --> 00:11:35,980

avoiding the word contact cuz it has

250

00:11:42,810 --> 00:11:38,920

different connotations down with this

251

00:11:47,310 --> 00:11:42,820

what's it actually become interactive

252

00:11:51,440 --> 00:11:47,320

with it grow into it and become what the

253

00:11:54,810 --> 00:11:51,450

BS RA which is the longest-standing

254

00:11:58,710 --> 00:11:54,820

organization that looks at these things

255

00:12:02,730 --> 00:11:58,720

and started out with me d'Alene at the

256

00:12:08,490 --> 00:12:02,740

helm who was both a proto you follow

257

00:12:11,400 --> 00:12:08,500

gist and a well-read occultus concluded

258

00:12:15,210 --> 00:12:11,410

that there are Guardians there are

259

00:12:21,510 --> 00:12:15,220

beings who are sort of the equivalent of

260

00:12:25,920 --> 00:12:21,520

in Eastern Buddhist legend and lore body

261

00:12:27,449 --> 00:12:25,930

senses that is beings who start out as

262

00:12:32,129 --> 00:12:27,459

ordinary human being

263

00:12:35,790 --> 00:12:32,139

just like D and me or at least thee I my

264

00:12:40,079 --> 00:12:35,800

doubts about me and gradually through

265

00:12:41,040 --> 00:12:40,089

various stages ascend into communion

266

00:12:44,249 --> 00:12:41,050

with thee

267

00:12:49,889 --> 00:12:44,259

whatever the ones that may be singular

268

00:12:53,359 --> 00:12:49,899

or plural and choose not to leave us

269

00:12:57,179 --> 00:12:53,369

here but rather become our tutelary

270

00:13:00,960 --> 00:12:57,189

beings and guardians and that is the

271

00:13:04,859 --> 00:13:00,970

term that in its early days in the 1940s

272

00:13:07,590 --> 00:13:04,869

that need lighted that the SRA used thus

273

00:13:09,900 --> 00:13:07,600

his book the coming of the Guardians and

274

00:13:12,030 --> 00:13:09,910

there are different names the secret

275

00:13:14,249 --> 00:13:12,040

sheets of the third order which is the

276

00:13:16,710 --> 00:13:14,259

term that you hear in the cults we used

277

00:13:19,949 --> 00:13:16,720

to hear a lot in occult circles now it's

278

00:13:22,259 --> 00:13:19,959

ground on because it's not PC you know

279

00:13:24,600 --> 00:13:22,269

that's the way our world operates if you

280

00:13:27,030 --> 00:13:24,610

don't play by the current rules then

281

00:13:30,059 --> 00:13:27,040

you're considered an outsider or a

282

00:13:32,699 --> 00:13:30,069

radical or whatever it is well I'm out

283

00:13:35,850 --> 00:13:32,709

so I am radical but that's neither here

284

00:13:39,840 --> 00:13:35,860

nor there I'm a fearless because I'm old

285

00:13:42,150 --> 00:13:39,850

so what are they gonna do it's the

286

00:13:45,139 --> 00:13:42,160

advantage of age I mean I actually I've

287

00:13:48,179 --> 00:13:45,149

been involved in all of this work since

288

00:13:50,340 --> 00:13:48,189

1960 and that's a good deal more than 35

289

00:13:52,980 --> 00:13:50,350

years but I can't count that high

290

00:13:57,480 --> 00:13:52,990

anymore because you know design starts

291

00:14:00,299 --> 00:13:57,490

to go and 60 or 65 or something too but

292

00:14:05,429 --> 00:14:00,309

I'll try to bring it back from the myths

293

00:14:08,369 --> 00:14:05,439

of the fog of mine and what has happened

294

00:14:11,970 --> 00:14:08,379

in the last several months if I may say

295

00:14:15,859 --> 00:14:11,980

so is what I had hoped would happen when

296

00:14:18,629 --> 00:14:15,869

the late Ron bonds and alumina oppressed

297

00:14:22,289 --> 00:14:18,639

was good enough to give me my first

298

00:14:25,410 --> 00:14:22,299

break as a book I mean I had lots of

299

00:14:28,109 --> 00:14:25,420

articles published but secret cypher was

300

00:14:31,379 --> 00:14:28,119

the first commercial book that I wrote

301
00:14:35,220 --> 00:14:31,389
and I expected that people would take up

302
00:14:37,919 --> 00:14:35,230
the cipher go gosh Wow let me try this

303
00:14:40,710 --> 00:14:37,929
because we feel is clearly wrong find

304
00:14:43,379 --> 00:14:40,720
out that the cipher actually

305
00:14:46,679 --> 00:14:43,389
works in terms of predictive behavior

306
00:14:49,439 --> 00:14:46,689
which is one of the missing scientific

307
00:14:53,100 --> 00:14:49,449
elements in paranormal research at

308
00:14:56,879 --> 00:14:53,110
ufology and guns floor in cryptid

309
00:15:00,389 --> 00:14:56,889
research these things in field research

310
00:15:03,420 --> 00:15:00,399
and anything getting exact circumstances

311
00:15:06,360 --> 00:15:03,430
to reproduce themselves is very hard but

312
00:15:08,069 --> 00:15:06,370
of course in laboratory experiments if

313
00:15:11,249 --> 00:15:08,079

what you're dealing with is the real

314

00:15:14,369 --> 00:15:11,259

McCoy it's relatively easy so the

315

00:15:17,519 --> 00:15:14,379

scientific formulation is that you don't

316

00:15:18,960 --> 00:15:17,529

credit it if it isn't reproducible and

317

00:15:22,379 --> 00:15:18,970

it doesn't mean you can't grab a

318

00:15:24,389 --> 00:15:22,389

headline but if you want recognition in

319

00:15:26,910 --> 00:15:24,399

the scientific sense you have to be a

320

00:15:31,050 --> 00:15:26,920

little reproduced the original

321

00:15:35,429 --> 00:15:31,060

experiment well my argument was if you

322

00:15:37,949 --> 00:15:35,439

use the cipher on key cases that is

323

00:15:42,139 --> 00:15:37,959

those that produce a strange name or a

324

00:15:44,819 --> 00:15:42,149

strange for planetary unquote origin

325

00:15:49,199 --> 00:15:44,829

then you're going to be able to predict

326

00:15:51,990 --> 00:15:49,209

the next big case and I had anticipated

327

00:15:55,410 --> 00:15:52,000

that people would take this up if only

328

00:15:58,139 --> 00:15:55,420

to disprove it and then get amazed or

329

00:16:02,369 --> 00:15:58,149

amused depending on their results it

330

00:16:06,150 --> 00:16:02,379

didn't happen that way people in America

331

00:16:08,519 --> 00:16:06,160

today and keep in mind lead book was

332

00:16:11,069 --> 00:16:08,529

coming out more or less at the time that

333

00:16:14,100 --> 00:16:11,079

people were I don't know what turn to

334

00:16:16,889 --> 00:16:14,110

use tubing into the area for the first

335

00:16:19,470 --> 00:16:16,899

time and getting the first primitive

336

00:16:23,549 --> 00:16:19,480

cell phones and of course they had been

337

00:16:28,340 --> 00:16:23,559

watching junk television since before I

338

00:16:32,340 --> 00:16:28,350

was born which is kind of scary and

339

00:16:34,829 --> 00:16:32,350

they're spectators for the most part I'm

340

00:16:37,199 --> 00:16:34,839

not disrespecting anyone that's

341

00:16:39,869 --> 00:16:37,209

something that has been thrust upon

342

00:16:43,259 --> 00:16:39,879

people look at the ball hole and not at

343

00:16:46,049 --> 00:16:43,269

the reality I remember in a cartoon

344

00:16:48,629 --> 00:16:46,059

which shows the father and son sitting

345

00:16:52,019 --> 00:16:48,639

in front of the TV father has his arm

346

00:16:53,840 --> 00:16:52,029

around this son and they're watching a

347

00:16:55,670 --> 00:16:53,850

sunrise on TV

348

00:16:58,820 --> 00:16:55,680

but you can see behind them a window

349

00:17:01,130 --> 00:16:58,830

where the real Sun is really rising it

350

00:17:02,090 --> 00:17:01,140

raises questions why don't we look out

351
00:17:06,230 --> 00:17:02,100
that window

352
00:17:07,579 --> 00:17:06,240
you know and he says and I thought yeah

353
00:17:10,670 --> 00:17:07,589
there you go

354
00:17:13,310 --> 00:17:10,680
they want me to do the hard work so for

355
00:17:16,550 --> 00:17:13,320
a long time people would say well prove

356
00:17:20,000 --> 00:17:16,560
it I said work with the cipher and you

357
00:17:21,890 --> 00:17:20,010
tell me if you find no results they get

358
00:17:24,920 --> 00:17:21,900
up look and I'll own up to it

359
00:17:27,880 --> 00:17:24,930
if you find really good results as I

360
00:17:32,240 --> 00:17:27,890
suspect you will coming up to that and

361
00:17:37,120 --> 00:17:32,250
that's what I'm trying to do but fast

362
00:17:39,260 --> 00:17:37,130
forward food several observations which

363
00:17:43,670 --> 00:17:39,270

when they were out of print

364

00:17:46,760 --> 00:17:43,680

sold for exorbitant sums of money as any

365

00:17:50,060 --> 00:17:46,770

number of my books tab the book I wrote

366

00:17:52,070 --> 00:17:50,070

on the quayside Masonic Rite of Memphis

367

00:17:54,980 --> 00:17:52,080

or if you prefer the Masonic write of

368

00:17:57,980 --> 00:17:54,990

Memphis or if you really prefer just the

369

00:18:01,220 --> 00:17:57,990

right of Memphis when it laid out of

370

00:18:03,560 --> 00:18:01,230

print in the original edition the way

371

00:18:06,890 --> 00:18:03,570

these things work for you people that

372

00:18:09,560 --> 00:18:06,900

are not in the writing or publishing

373

00:18:13,070 --> 00:18:09,570

game is that once it gives out a Fred

374

00:18:16,460 --> 00:18:13,080

and comes part of the secondary market

375

00:18:20,090 --> 00:18:16,470

from the rare book stores or whatever

376

00:18:24,050 --> 00:18:20,100

the price goes way up but the original

377

00:18:26,450 --> 00:18:24,060

author gets nothing that's how the Three

378

00:18:29,030 --> 00:18:26,460

Stooges wound up in the old actors home

379

00:18:31,610 --> 00:18:29,040

they fail to give residuals on any of

380

00:18:36,170 --> 00:18:31,620

the things that you see so if you enjoy

381

00:18:38,660 --> 00:18:36,180

the Stooges feel them yes yes publishing

382

00:18:42,710 --> 00:18:38,670

and entertainment they are dirty games

383

00:18:44,720 --> 00:18:42,720

and so when you talk about the occultus

384

00:18:46,670 --> 00:18:44,730

or the groups who work with these

385

00:18:49,400 --> 00:18:46,680

entities and the ciphers you write about

386

00:18:51,860 --> 00:18:49,410

how they become intertwined with the

387

00:18:53,720 --> 00:18:51,870

phenomena itself and that is a big part

388

00:18:56,780 --> 00:18:53,730

of the Hellyer series is a big part of

389

00:18:58,610 --> 00:18:56,790

the Mothman saga things get messy and

390

00:19:00,500 --> 00:18:58,620

the synchronicities can get so potent

391

00:19:04,040 --> 00:19:00,510

that you think you're going crazy but

392

00:19:06,590 --> 00:19:04,050

then you say the fully illuminated are

393

00:19:07,139 --> 00:19:06,600

in control of reality to the extent that

394

00:19:09,989 --> 00:19:07,149

the myth

395

00:19:12,440 --> 00:19:09,999

those itself is in control they also in

396

00:19:14,759 --> 00:19:12,450

a very real sense acquire its

397

00:19:17,399 --> 00:19:14,769

intangibility and that's very

398

00:19:19,680 --> 00:19:17,409

provocative and I hoped we could maybe

399

00:19:23,180 --> 00:19:19,690

elaborate on that what does it mean to

400

00:19:27,340 --> 00:19:23,190

acquire its intangibility

401
00:19:31,190 --> 00:19:27,350
well I don't think that those people

402
00:19:35,030 --> 00:19:31,200
that start out as people and wind up

403
00:19:38,060 --> 00:19:35,040
being guardians or secret chiefs or that

404
00:19:40,940 --> 00:19:38,070
now very debatable archaic term the

405
00:19:42,650 --> 00:19:40,950
great white Brotherhood when I think

406
00:19:44,360 --> 00:19:42,660
about that I think of guys whose feats

407
00:19:47,150 --> 00:19:44,370
over their heads dancing around a

408
00:19:49,820 --> 00:19:47,160
burning cross so that is not not what I

409
00:19:54,350 --> 00:19:49,830
think Madame Blavatsky headed although

410
00:19:57,610 --> 00:19:54,360
one wonders at times but you're no

411
00:20:00,050 --> 00:19:57,620
longer dealing with human beings in the

412
00:20:04,300 --> 00:20:00,060
three-dimensional sense you're dealing

413
00:20:10,160 --> 00:20:04,310

with advanced beings who choose to be

414

00:20:15,500 --> 00:20:10,170

guardians of humanity not go on to

415

00:20:18,200 --> 00:20:15,510

higher things which since I'm still here

416

00:20:20,660 --> 00:20:18,210

I can't really describe except to say

417

00:20:24,350 --> 00:20:20,670

that you've become totally part of the

418

00:20:27,530 --> 00:20:24,360

phenomena itself and what form it takes

419

00:20:29,780 --> 00:20:27,540

I think is probably a matter of choice

420

00:20:33,470 --> 00:20:29,790

more than anything else whether it's up

421

00:20:36,940 --> 00:20:33,480

big hairy skunk ape that appears and

422

00:20:41,380 --> 00:20:36,950

disappears in the same way as a UFO

423

00:20:45,740 --> 00:20:41,390

might appear in disappear or ghosts or

424

00:20:48,340 --> 00:20:45,750

apparitions or religious apparition or

425

00:20:52,490 --> 00:20:48,350

any of those things that's a matter of

426
00:20:56,840 --> 00:20:52,500
something resembling choice now for us

427
00:21:00,670 --> 00:20:56,850
that are on this side of the wall that

428
00:21:03,830 --> 00:21:00,680
appears to be either depending on one's

429
00:21:07,010 --> 00:21:03,840
orientation a religious phenomena or a

430
00:21:09,620 --> 00:21:07,020
magical phenomena or something that is

431
00:21:13,450 --> 00:21:09,630
just totally inexplicable but I have a

432
00:21:17,050 --> 00:21:13,460
hunch that it follows those rules and

433
00:21:19,190 --> 00:21:17,060
takes forms that are designed to

434
00:21:23,950 --> 00:21:19,200
accomplish something

435
00:21:28,900 --> 00:21:23,960
the thing is when

436
00:21:33,100 --> 00:21:28,910
you are attempting to understand that

437
00:21:34,810 --> 00:21:33,110
phenomena you gradually get immersed in

438
00:21:38,160 --> 00:21:34,820

it and the way you know you're getting

439

00:21:41,790 --> 00:21:38,170

immersed in it is that the number of

440

00:21:47,500 --> 00:21:41,800

synchronicities that happen in your life

441

00:21:51,250 --> 00:21:47,510

and around you increase incrementally as

442

00:21:54,040 --> 00:21:51,260

you get closer and closer to whatever

443

00:21:57,250 --> 00:21:54,050

the ones that may be

444

00:22:00,840 --> 00:21:57,260

and what I started to say was the thing

445

00:22:03,610 --> 00:22:00,850

that did not happen we the original

446

00:22:06,540 --> 00:22:03,620

version of secret cipher came out but

447

00:22:09,070 --> 00:22:06,550

what is certainly happening

448

00:22:10,420 --> 00:22:09,080

synchronously with the complete secret

449

00:22:14,470 --> 00:22:10,430

cipher the you phenoms

450

00:22:17,920 --> 00:22:14,480

is that the impact of the planet weird

451
00:22:21,610 --> 00:22:17,930
people's Hellyer experience which is the

452
00:22:25,090 --> 00:22:21,620
most authentic documentary I have ever

453
00:22:27,940 --> 00:22:25,100
seen of a field investigation is miles

454
00:22:31,810 --> 00:22:27,950
and miles and kilometers and kilometers

455
00:22:36,210 --> 00:22:31,820
for those listening in Europe that ahead

456
00:22:39,790 --> 00:22:36,220
of ordinary understanding of these

457
00:22:42,520 --> 00:22:39,800
manifestations I groped for words

458
00:22:44,680 --> 00:22:42,530
because I'm just as in theoretical

459
00:22:48,550 --> 00:22:44,690
physics it gets beyond words very

460
00:22:51,460 --> 00:22:48,560
quickly but the hell your crew people

461
00:22:55,270 --> 00:22:51,470
from Planet weird have documented how a

462
00:22:56,920 --> 00:22:55,280
field investigation actually goes I can

463
00:22:59,050 --> 00:22:56,930

say that with great confidence because

464

00:23:01,960 --> 00:22:59,060

I've done it quite a number of field

465

00:23:05,590 --> 00:23:01,970

investigations myself sometimes they

466

00:23:08,110 --> 00:23:05,600

produce really dramatic results and

467

00:23:11,200 --> 00:23:08,120

sometimes they seem produce no results

468

00:23:14,700 --> 00:23:11,210

at all except that synchronicities

469

00:23:18,850 --> 00:23:14,710

happen all over once you get on the half

470

00:23:21,790 --> 00:23:18,860

you will find things happening that are

471

00:23:25,680 --> 00:23:21,800

very strange and the weird things that

472

00:23:30,190 --> 00:23:25,690

happen where Hellyer was concerned is

473

00:23:33,730 --> 00:23:30,200

they're filming it for real in something

474

00:23:36,100 --> 00:23:33,740

like real time and these synchronicities

475

00:23:38,670 --> 00:23:36,110

begin to happen I think there's one is

476

00:23:43,510 --> 00:23:38,680

particularly spectacular in fact it's

477

00:23:47,170 --> 00:23:43,520

part of my daily over wordy Facebook

478

00:23:48,850 --> 00:23:47,180

post today by synchronicity or

479

00:23:50,590 --> 00:23:48,860

coincidence if you believe there are

480

00:23:54,550 --> 00:23:50,600

such things as coincidences

481

00:23:58,990 --> 00:23:54,560

it's the similarity between what

482

00:24:01,150 --> 00:23:59,000

happened in healthier to one of the

483

00:24:06,880 --> 00:24:01,160

experiences I believe it was Connor

484

00:24:08,019 --> 00:24:06,890

Randall and the quasi mythical quest for

485

00:24:11,259 --> 00:24:08,029

the Holy Grail

486

00:24:13,989 --> 00:24:11,269

they're heavy I probably will mangle the

487

00:24:17,080 --> 00:24:13,999

session a bit so if they happen to be

488

00:24:20,259 --> 00:24:17,090

listening my apology for doing my own

489

00:24:23,409 --> 00:24:20,269

version of it especially to Connor but

490

00:24:26,320 --> 00:24:23,419

he was doing what I would call scribe

491

00:24:30,279 --> 00:24:26,330

that is the default background I have

492

00:24:32,589 --> 00:24:30,289

that's the term that comes to mind using

493

00:24:35,680 --> 00:24:32,599

I believe a spirit box which I've never

494

00:24:38,070 --> 00:24:35,690

used but I've used similar devices so I

495

00:24:40,839 --> 00:24:38,080

I know the drill you're cut off from

496

00:24:43,659 --> 00:24:40,849

those around you but they ask questions

497

00:24:46,060 --> 00:24:43,669

you can't hear the questions but you do

498

00:24:49,089 --> 00:24:46,070

hear the voices that the spirit box

499

00:24:53,409 --> 00:24:49,099

produces by doing something equivalent

500

00:24:58,379 --> 00:24:53,419

to a police scanner on those people who

501
00:25:01,869 --> 00:24:58,389
like to listen to pilots and cops and

502
00:25:05,529 --> 00:25:01,879
hospital workers and so forth but they

503
00:25:08,950 --> 00:25:05,539
are eerily responsive in other words the

504
00:25:11,440 --> 00:25:08,960
person scrying doesn't even hear your

505
00:25:14,229 --> 00:25:11,450
questions but they sometimes and

506
00:25:18,459 --> 00:25:14,239
frequently and more than chance one loud

507
00:25:22,289 --> 00:25:18,469
give specific answers but color

508
00:25:26,169 --> 00:25:22,299
I believe it was color is scrying and

509
00:25:29,589 --> 00:25:26,179
giving full rather specific answers

510
00:25:32,829 --> 00:25:29,599
sitting on a porch in Hellyer kentucky

511
00:25:36,070 --> 00:25:32,839
or near and your kentucky in a cabin

512
00:25:41,109 --> 00:25:36,080
that they had i presume rented and not

513
00:25:44,619 --> 00:25:41,119

crashed in and suddenly he gets a vision

514

00:25:47,289 --> 00:25:44,629

of a tin cup which is totally a non

515

00:25:49,869 --> 00:25:47,299

sequitur to what they were doing at what

516

00:25:54,999 --> 00:25:49,879

they were accomplishing except that a

517

00:25:59,680 --> 00:25:55,009

few days later i presume the entire crew

518

00:26:03,339 --> 00:25:59,690

is at least all who were there go out to

519

00:26:06,849 --> 00:26:03,349

this abandoned mineshaft which is also

520

00:26:09,430 --> 00:26:06,859

interestingly enough connected to the

521

00:26:12,239 --> 00:26:09,440

enormous cave system that runs under

522

00:26:15,789 --> 00:26:12,249

kentucky and on into West Virginia

523

00:26:19,509 --> 00:26:15,799

following the entire route of a bunch of

524

00:26:21,850 --> 00:26:19,519

very strange phenomena that have from

525

00:26:25,480 --> 00:26:21,860

Mothman to the famous Kentucky

526

00:26:30,510 --> 00:26:25,490

case of the 1950's so it's you know it's

527

00:26:33,730 --> 00:26:30,520

a high incidence area they go into this

528

00:26:36,760 --> 00:26:33,740

mine shaft almost at cave because it's

529

00:26:40,150 --> 00:26:36,770

connected to caves and they only go

530

00:26:43,720 --> 00:26:40,160

really in this particular expedition

531

00:26:47,230 --> 00:26:43,730

into the lip of the cave mine shaft

532

00:26:50,440 --> 00:26:47,240

which was fine with me because my advice

533

00:26:55,480 --> 00:26:50,450

to them post facto was you guys should

534

00:26:57,310 --> 00:26:55,490

get helmets and lights and maybe carry

535

00:27:00,220 --> 00:26:57,320

some water with you and maybe have

536

00:27:04,680 --> 00:27:00,230

somebody who stays outside because speed

537

00:27:07,360 --> 00:27:04,690

liking is any specialty unto itself and

538

00:27:09,629 --> 00:27:07,370

I want them all to be healthy and happy

539

00:27:12,569 --> 00:27:09,639

in any case

540

00:27:14,749 --> 00:27:12,579

what I derive from what was going on

541

00:27:20,609 --> 00:27:14,759

with them in that particular location

542

00:27:24,139 --> 00:27:20,619

was there was a teenager graffiti all

543

00:27:27,299 --> 00:27:24,149

over the walls there wasn't trash on the

544

00:27:31,859 --> 00:27:27,309

floor and that tells me that whichever

545

00:27:36,089 --> 00:27:31,869

of the many entrances to other where

546

00:27:39,810 --> 00:27:36,099

that you may find in the Kentucky in

547

00:27:42,930 --> 00:27:39,820

West Virginia which have to do with the

548

00:27:45,419 --> 00:27:42,940

fact that the coal industry has been in

549

00:27:47,310 --> 00:27:45,429

decline some of us would say that's a

550

00:27:51,109 --> 00:27:47,320

good thing but not good for the people

551
00:27:54,690 --> 00:27:51,119
that wind up unemployed these towns are

552
00:27:56,879 --> 00:27:54,700
classical Appalachian or and it

553
00:27:58,889 --> 00:27:56,889
continued to be so they haven't really

554
00:28:02,699 --> 00:27:58,899
come up since the Great Depression or

555
00:28:06,680 --> 00:28:02,709
the last Great Depression in any case it

556
00:28:10,409 --> 00:28:06,690
looked like they were in an untapped

557
00:28:12,899 --> 00:28:10,419
location and there I believe Conner

558
00:28:16,019 --> 00:28:12,909
himself found it although it's on camera

559
00:28:22,230 --> 00:28:16,029
so nobody was following anything there

560
00:28:27,180 --> 00:28:24,690
that was interesting enough in and of

561
00:28:30,210 --> 00:28:27,190
itself just call it a synchronicity but

562
00:28:32,910 --> 00:28:30,220
it occurred to me that if you strip it

563
00:28:36,570 --> 00:28:32,920

to the bones the legend of the search

564

00:28:38,400 --> 00:28:36,580

for the Holy Grail is identical to what

565

00:28:40,950 --> 00:28:38,410

was going on there first there's the

566

00:28:44,130 --> 00:28:40,960

vision of the Grail which is unexpected

567

00:28:45,910 --> 00:28:44,140

and then they find it well how's a tin

568

00:28:48,180 --> 00:28:45,920

cup agree

569

00:28:52,450 --> 00:28:48,190

first of all there is a great deal of

570

00:28:56,060 --> 00:28:52,460

controversy in traditional religious

571

00:28:59,330 --> 00:28:56,070

circles about what the

572

00:29:02,330 --> 00:28:59,340

actual if there was an actual Holy Grail

573

00:29:06,499 --> 00:29:02,340

was like was it one of these elaborate

574

00:29:10,729 --> 00:29:06,509

chalices that you see in cottage

575

00:29:13,090 --> 00:29:10,739

churches or what would you expect from a

576
00:29:15,769 --> 00:29:13,100
poor carpenter and his four companions

577
00:29:20,599 --> 00:29:15,779
having their last dinner together in

578
00:29:24,590 --> 00:29:20,609
Jerusalem circa 32 C it would be either

579
00:29:28,999 --> 00:29:24,600
a ceramic or a tin cup and I did a

580
00:29:31,849 --> 00:29:29,009
little research and found a tin cup from

581
00:29:34,519 --> 00:29:31,859
the first century that was identical to

582
00:29:36,229 --> 00:29:34,529
the at least in the photographs I

583
00:29:40,180 --> 00:29:36,239
haven't seen it in person than I

584
00:29:43,159 --> 00:29:40,190
intended to the cup that they found and

585
00:29:46,719 --> 00:29:43,169
that duplicated the one that kamar

586
00:29:49,339 --> 00:29:46,729
envisioned and if I can say something

587
00:29:50,659 --> 00:29:49,349
slightly controversial but not meant to

588
00:29:55,719 --> 00:29:50,669

make anyone uncomfortable

589

00:29:58,609 --> 00:29:55,729

I believe that Connor Randle is the only

590

00:30:01,369 --> 00:29:58,619

devout Roman Catholic among the people

591

00:30:04,249 --> 00:30:01,379

involved in the group so it's a perfect

592

00:30:06,859 --> 00:30:04,259

match a perfect set of synchronicities

593

00:30:09,469 --> 00:30:06,869

and is consistent with what i have found

594

00:30:11,930 --> 00:30:09,479

the mythological element that draws

595

00:30:14,659 --> 00:30:11,940

people into the phenomena that i've seen

596

00:30:17,509 --> 00:30:14,669

year after year after year all the way

597

00:30:20,149 --> 00:30:17,519

back to the 1960s without done field

598

00:30:22,820 --> 00:30:20,159

investigations myself then give you one

599

00:30:25,729 --> 00:30:22,830

example if I may sir or am I talking too

600

00:30:28,780 --> 00:30:25,739

much now go for it okay let me think

601

00:30:30,910 --> 00:30:28,790

about it for just a second sure

602

00:30:34,030 --> 00:30:30,920

actually a lot I was taking a drink of

603

00:30:34,540 --> 00:30:34,040

water so that my voice stays young at

604

00:30:37,180 --> 00:30:34,550

heart

605

00:30:38,950 --> 00:30:37,190

I noticed it starts the older you get

606

00:30:41,170 --> 00:30:38,960

the more there's gravel in your voice

607

00:30:45,700 --> 00:30:41,180

and finally you turn into Bill Clinton

608

00:30:48,130 --> 00:30:45,710

to disappear yeah or worse Babe Ruth you

609

00:30:50,620 --> 00:30:48,140

know I'm bad this boy sounds what it

610

00:30:52,900 --> 00:30:50,630

feels just as bad I shouldn't do that or

611

00:30:55,210 --> 00:30:52,910

I'll be talking that way all day where

612

00:30:57,310 --> 00:30:55,220

was I an example of synchronicity

613

00:31:01,120 --> 00:30:57,320

outside of what we saw in hell here with

614

00:31:03,040 --> 00:31:01,130

the tin cup okay one thank you I need

615

00:31:05,290 --> 00:31:03,050

you to follow me around and would I have

616

00:31:07,150 --> 00:31:05,300

those senior moments you need to whisper

617

00:31:14,110 --> 00:31:07,160

in my ear what you were talking about

618

00:31:18,700 --> 00:31:14,120

Allen was where is the restroom happy to

619

00:31:21,640 --> 00:31:18,710

do so so one of the field investigations

620

00:31:24,820 --> 00:31:21,650

that I did rather thoroughly was in the

621

00:31:27,940 --> 00:31:24,830

late 1960s actually I can dated exactly

622

00:31:31,110 --> 00:31:27,950

because Linux kernel of is the brown

623

00:31:33,669 --> 00:31:31,120

mountain wives leach

624

00:31:39,190 --> 00:31:33,679

fascinating though the lights themselves

625

00:31:43,140 --> 00:31:39,200

are and in fact that even becomes a sort

626
00:31:48,070 --> 00:31:43,150
of secondary focus in the Hellyer

627
00:31:51,700 --> 00:31:48,080
documentary if one goes to look for the

628
00:31:57,070 --> 00:31:51,710
lights one finds any number of really

629
00:31:59,350 --> 00:31:57,080
really good UFO or UFO type cases in the

630
00:32:04,000 --> 00:31:59,360
vicinity of Brown Mountain North

631
00:32:07,000 --> 00:32:04,010
Carolina and I have been on two

632
00:32:09,250 --> 00:32:07,010
expeditions that started out looking for

633
00:32:12,640 --> 00:32:09,260
the lights and wound up interviewing in

634
00:32:16,630 --> 00:32:12,650
one case a person who I think qualifies

635
00:32:19,900 --> 00:32:16,640
the classical contact II and in other

636
00:32:22,390 --> 00:32:19,910
cases very close I believe that would be

637
00:32:25,960 --> 00:32:22,400
called type 2 encounters by the nuts and

638
00:32:29,980 --> 00:32:25,970

bolts ufology people that is seeing

639

00:32:32,669 --> 00:32:29,990

things up close without actually doing

640

00:32:36,270 --> 00:32:32,679

anything that would involve

641

00:32:40,630 --> 00:32:36,280

communication with the phenomenon the

642

00:32:44,720 --> 00:32:40,640

guy who ran back in the day the our

643

00:32:49,640 --> 00:32:44,730

space rock shop Museum

644

00:32:54,080 --> 00:32:49,650

had a story to tell us his outer space

645

00:32:56,930 --> 00:32:54,090

rock shop museum was on the uphill from

646

00:32:59,810 --> 00:32:56,940

the official viewing place which is

647

00:33:04,250 --> 00:32:59,820

probably the worst place to look for the

648

00:33:08,390 --> 00:33:04,260

Brown Mountain lights and this guy was a

649

00:33:13,520 --> 00:33:08,400

classical contact he now he was a

650

00:33:17,450 --> 00:33:13,530

backwoods good old boy and I don't know

651
00:33:22,070 --> 00:33:17,460
what you know from the far-off Island of

652
00:33:26,659 --> 00:33:22,080
San Diego or a future Island as the case

653
00:33:29,419 --> 00:33:26,669
may be but a good old boy is not likely

654
00:33:32,960 --> 00:33:29,429
to have been schooled in classical

655
00:33:35,510 --> 00:33:32,970
mythology or binary and opera it's just

656
00:33:39,169 --> 00:33:35,520
not part of their thing in fact this guy

657
00:33:43,010 --> 00:33:39,179
was an old moonshiner who had settled on

658
00:33:44,750 --> 00:33:43,020
which was not uncommon in that neck of

659
00:33:51,380 --> 00:33:44,760
the woods

660
00:33:54,020 --> 00:33:51,390
and name was Ralph lael la piel he did

661
00:33:57,230 --> 00:33:54,030
write a sort of book which he handed to

662
00:34:01,040 --> 00:33:57,240
us as long as we had it in a dollar and

663
00:34:02,730 --> 00:34:01,050

it details the story that is more or

664

00:34:05,930 --> 00:34:02,740

less

665

00:34:11,100 --> 00:34:05,940

again stripped to the bare bones

666

00:34:20,280 --> 00:34:17,040

ten houses medievals actual light has a

667

00:34:23,430 --> 00:34:20,290

whole mythos surrounding him seduction

668

00:34:25,950 --> 00:34:23,440

by the goddess Venus and who descends

669

00:34:30,450 --> 00:34:25,960

into the venusberg the mountain of Venus

670

00:34:35,010 --> 00:34:30,460

and sort of betrays his Knightly oaths

671

00:34:38,830 --> 00:34:35,020

by indulging himself among these naked

672

00:34:46,570 --> 00:34:38,840

beings inside which he claims

673

00:34:49,540 --> 00:34:46,580

he was taken to the inside of Brown

674

00:34:53,020 --> 00:34:49,550

mountain and then whisked off to the

675

00:34:56,980 --> 00:34:53,030

planet Venus where everyone went around

676

00:34:59,100 --> 00:34:56,990

naked and I don't know what else they

677

00:35:01,390 --> 00:34:59,110

did because of the short book but

678

00:35:04,750 --> 00:35:01,400

channelizing Lee enough they were not

679

00:35:11,380 --> 00:35:04,760

native to the list they had come there

680

00:35:14,110 --> 00:35:11,390

from a lost planet called T WOM and of

681

00:35:17,560 --> 00:35:14,120

course when you use the secret cypher a

682

00:35:23,740 --> 00:35:17,570

word like people on this too good to not

683

00:35:28,280 --> 00:35:23,750

analyze in any case his story

684

00:35:32,510 --> 00:35:28,290

involving the planet Venus you find in

685

00:35:35,150 --> 00:35:32,520

the story from the medieval sagas that

686

00:35:38,690 --> 00:35:35,160

the night gets seduced by the goddess

687

00:35:43,100 --> 00:35:38,700

Venus and goes into the venusberg which

688

00:35:46,970 --> 00:35:43,110

is filled with these separate naked

689

00:35:49,760 --> 00:35:46,980

fairies who are all seductive and he has

690

00:35:53,480 --> 00:35:49,770

a displacement in time and when he comes

691

00:35:56,380 --> 00:35:53,490

out he needs to repent from all that

692

00:36:00,770 --> 00:35:56,390

well that's Lael story in a nutshell

693

00:36:02,960 --> 00:36:00,780

except instead of the goddess Venus you

694

00:36:06,560 --> 00:36:02,970

substitute the planet Venus and the

695

00:36:10,040 --> 00:36:06,570

story is the same story so the question

696

00:36:12,970 --> 00:36:10,050

arose with me is it at all possible that

697

00:36:16,730 --> 00:36:12,980

this guy has read some version of this

698

00:36:19,580 --> 00:36:16,740

and this is me in the 1960s you know 19

699

00:36:23,359 --> 00:36:19,590

I think I'll ask my mom was there was

700

00:36:28,160 --> 00:36:23,369

Christmas Eve 1968 I remember it well

701
00:36:31,790 --> 00:36:28,170
because I was there with Tim Beckley mr.

702
00:36:35,180 --> 00:36:31,800
UFO as he likes to style himself and the

703
00:36:39,170 --> 00:36:35,190
late great and good friend of mine Jim

704
00:36:42,530 --> 00:36:39,180
Mosely and Jim's at that time very young

705
00:36:45,380 --> 00:36:42,540
daughter Benny and I had the thought

706
00:36:47,750 --> 00:36:45,390
when we went all the way up to the best

707
00:36:49,670 --> 00:36:47,760
view spot you could possibly have to see

708
00:36:52,820 --> 00:36:49,680
the Brown Mountain lights after

709
00:36:55,190 --> 00:36:52,830
interviewing Lael I thought this is a

710
00:36:57,200 --> 00:36:55,200
hell of a way for a twelve-year-old girl

711
00:36:58,820 --> 00:36:57,210
to be spending Christmas Eve but I

712
00:37:02,210 --> 00:36:58,830
didn't say anything because I didn't

713
00:37:05,990 --> 00:37:02,220

want to create me you know he bad vibes

714

00:37:10,370 --> 00:37:06,000

with Jim Mosely not a person you wanted

715

00:37:11,859 --> 00:37:10,380

to bad vibes with but getting back to a

716

00:37:15,730 --> 00:37:11,869

male

717

00:37:17,700 --> 00:37:15,740

that Christmas Eve which is also the

718

00:37:20,120 --> 00:37:17,710

occasion of the first

719

00:37:23,920 --> 00:37:20,130

circumlunar

720

00:37:27,190 --> 00:37:23,930

astronauts reading from the Bible which

721

00:37:30,680 --> 00:37:27,200

the Genesis one I think it was

722

00:37:33,560 --> 00:37:30,690

appropriately enough and then we got

723

00:37:35,990 --> 00:37:33,570

back to our hotel with Tim Beckley's

724

00:37:37,850 --> 00:37:36,000

room he turned on the TV so we couldn't

725

00:37:39,880 --> 00:37:37,860

hear him calling his mother or something

726

00:37:43,390 --> 00:37:39,890

I don't know and

727

00:37:46,420 --> 00:37:43,400

and showing a live picture from the

728

00:37:49,240 --> 00:37:46,430

orbit around the moon and one of the

729

00:37:52,120 --> 00:37:49,250

astronauts was reading Genesis and my

730

00:37:53,829 --> 00:37:52,130

first reaction was oh god something has

731

00:37:56,740 --> 00:37:53,839

gone wrong and they're caught in orbit

732

00:38:00,700 --> 00:37:56,750

around the moon forever but and this was

733

00:38:02,710 --> 00:38:00,710

not the case it was kind of a I don't

734

00:38:05,319 --> 00:38:02,720

know if you call it a stunt let's say it

735

00:38:08,950 --> 00:38:05,329

was something that they gnashed a ritual

736

00:38:10,750 --> 00:38:08,960

maybe yeah and that's a better than what

737

00:38:13,630 --> 00:38:10,760

I was but it's lace that will go with

738

00:38:16,539 --> 00:38:13,640

ritual that NASA cooked up to make

739

00:38:20,259 --> 00:38:16,549

everyone back home not think that we

740

00:38:22,930 --> 00:38:20,269

were violating God's holy space because

741

00:38:27,039 --> 00:38:22,940

this man was meant to go to the moon God

742

00:38:32,180 --> 00:38:27,049

would have given us a ladder right yes

743

00:38:38,780 --> 00:38:32,190

but in any case beginning back to Leo

744

00:38:43,280 --> 00:38:38,790

that story in 1968 is clearly a parallel

745

00:38:45,470 --> 00:38:43,290

to the mythos of the venusberg and that

746

00:38:48,160 --> 00:38:45,480

puts Brown Mountain in the same category

747

00:38:52,099 --> 00:38:48,170

as the venusberg a place where the

748

00:38:56,990 --> 00:38:52,109

goblins and fairies lurk waiting to

749

00:39:02,030 --> 00:38:57,000

seduce the unwary and how on earth does

750

00:39:04,099 --> 00:39:02,040

a backwoods moonshiner get that now my

751

00:39:07,880 --> 00:39:04,109

synchronicity following that was the

752

00:39:11,780 --> 00:39:07,890

next day some vantablack shows up at my

753

00:39:14,120 --> 00:39:11,790

room door somehow or other i think

754

00:39:18,260 --> 00:39:14,130

that's one of the very very few times

755

00:39:21,319 --> 00:39:18,270

that something was done to me because

756

00:39:25,250 --> 00:39:21,329

under most circumstances even back then

757

00:39:27,680 --> 00:39:25,260

i would immediately ask who are you and

758

00:39:30,470 --> 00:39:27,690

how did you know where my room was and

759

00:39:33,170 --> 00:39:30,480

that I'm involved with Ralph Lela

760

00:39:36,740 --> 00:39:33,180

instead I invited the guy in

761

00:39:39,800 --> 00:39:36,750

well-dressed middle-aged dark suit of

762

00:39:43,089 --> 00:39:39,810

course and he proceeds to dump on Ralph

763

00:39:45,530 --> 00:39:43,099

whale and warned me about his

764

00:39:48,740 --> 00:39:45,540

dangerousness blah blah blah blah

765

00:39:51,349 --> 00:39:48,750

none of which made any sense to me told

766

00:39:55,849 --> 00:39:51,359

me well we'll be in touch and he left

767

00:39:58,790 --> 00:39:55,859

and like within a minute or so the spell

768

00:40:01,160 --> 00:39:58,800

was over and I thought why didn't I ask

769

00:40:04,099 --> 00:40:01,170

him for a business card why didn't I ask

770

00:40:07,180 --> 00:40:04,109

him how did you know I was here that I

771

00:40:10,849 --> 00:40:07,190

was visiting Leo and what was your

772

00:40:13,460 --> 00:40:10,859

possible motive for dumping on whale to

773

00:40:16,819 --> 00:40:13,470

me but that never occurred to me as long

774

00:40:19,010 --> 00:40:16,829

as he was there and in all these years

775

00:40:21,890 --> 00:40:19,020

that I've been involved in this stuff

776

00:40:24,109 --> 00:40:21,900

that's happened to me maybe three times

777

00:40:27,589 --> 00:40:24,119

and the other times were much more

778

00:40:30,349 --> 00:40:27,599

Monday one was that argument that we

779

00:40:33,670 --> 00:40:30,359

won't get into with a guy now deceased

780

00:40:36,020 --> 00:40:33,680

who was had been a high-level

781

00:40:37,760 --> 00:40:36,030

Scientologist who had the drug problems

782

00:40:41,030 --> 00:40:37,770

when they kicked him out you know

783

00:40:43,130 --> 00:40:41,040

kicking somebody out doesn't mean that

784

00:40:45,800 --> 00:40:43,140

they lose their skills right and he

785

00:40:48,470 --> 00:40:45,810

looted me I mean I have who do the

786

00:40:52,460 --> 00:40:48,480

people when you know circumstances were

787

00:40:54,559 --> 00:40:52,470

absolutely life or death but this guy

788

00:40:57,920 --> 00:40:54,569

threw me into believing something about

789

00:41:01,460 --> 00:40:57,930

him that simply wasn't true and I didn't

790

00:41:03,670 --> 00:41:01,470

wake up from that so to speak for months

791

00:41:06,620 --> 00:41:03,680

afterwards and only because I had

792

00:41:09,490 --> 00:41:06,630

recorded him on tape saying the opposite

793

00:41:11,710 --> 00:41:09,500

of what I had come to believe because

794

00:41:16,809 --> 00:41:11,720

the best thing I can say about

795

00:41:19,309 --> 00:41:16,819

Scientology is that its techniques work

796

00:41:22,900 --> 00:41:19,319

the worst thing I could say about

797

00:41:24,710 --> 00:41:22,910

Scientology is that its techniques work

798

00:41:26,660 --> 00:41:24,720

Touche Touche

799

00:41:29,150 --> 00:41:26,670

men great stories those are great

800

00:41:32,240 --> 00:41:29,160

examples of how the mythos works and how

801
00:41:34,460 --> 00:41:32,250
these archetypes overlap in different

802
00:41:37,430 --> 00:41:34,470
stories and different times and spaces

803
00:41:38,510 --> 00:41:37,440
and that's also a very kind of classic

804
00:41:42,319 --> 00:41:38,520
thing with the men in black encounter

805
00:41:44,540 --> 00:41:42,329
this kind of trance state that seems to

806
00:41:46,880 --> 00:41:44,550
come over a person and man time is

807
00:41:48,470 --> 00:41:46,890
really flying by here and I wanted to

808
00:41:51,620 --> 00:41:48,480
ask you about some things that you have

809
00:41:53,570 --> 00:41:51,630
in the book as it is just so deep and

810
00:41:56,150 --> 00:41:53,580
when it comes to

811
00:41:57,770 --> 00:41:56,160
the back-and-forth with these beans and

812
00:42:02,030 --> 00:41:57,780
the groups of people that are involved

813
00:42:04,310 --> 00:42:02,040

in contact on both sides you write often

814

00:42:06,470 --> 00:42:04,320

when a person or institution allied with

815

00:42:08,720 --> 00:42:06,480

the historical great white brotherhood

816

00:42:11,960 --> 00:42:08,730

again problematic term but you know the

817

00:42:14,150 --> 00:42:11,970

light side approaches success or comes

818

00:42:17,090 --> 00:42:14,160

into possession of certain aspects of

819

00:42:20,000 --> 00:42:17,100

transcendent wisdom something intervenes

820

00:42:22,910 --> 00:42:20,010

that something has been identified as

821

00:42:25,850 --> 00:42:22,920

the man in black the men in black the

822

00:42:27,980 --> 00:42:25,860

black lodges or the black lodge that

823

00:42:31,100 --> 00:42:27,990

they need to do this and that they often

824

00:42:33,920 --> 00:42:31,110

fail in their efforts is itself an

825

00:42:36,350 --> 00:42:33,930

indication that a the black lodge is

826

00:42:39,260 --> 00:42:36,360

opposed by something else equally as

827

00:42:41,930 --> 00:42:39,270

strong and B they are afraid of

828

00:42:44,630 --> 00:42:41,940

something we might find out about them

829

00:42:48,380 --> 00:42:44,640

about their opposition about ourselves

830

00:42:50,600 --> 00:42:48,390

or all three and of course it's been a

831

00:42:52,940 --> 00:42:50,610

while since you wrote this but can you

832

00:42:55,400 --> 00:42:52,950

elaborate on those indications what do

833

00:42:57,320 --> 00:42:55,410

you think they might be afraid that we'd

834

00:42:59,840 --> 00:42:57,330

find out it does seem like there's

835

00:43:02,150 --> 00:42:59,850

something special about people we're

836

00:43:05,840 --> 00:43:02,160

fearful of them but they also seem to

837

00:43:07,730 --> 00:43:05,850

have this weird curiosity about us or

838

00:43:09,800 --> 00:43:07,740

there's something there's something odd

839

00:43:12,260 --> 00:43:09,810

about that dynamic and I'm just curious

840

00:43:14,890 --> 00:43:12,270

if you could elaborate on on what you

841

00:43:18,290 --> 00:43:14,900

think is is going on there with this

842

00:43:20,240 --> 00:43:18,300

relationship yeah I should say that

843

00:43:24,460 --> 00:43:20,250

because I've started to say it a couple

844

00:43:28,520 --> 00:43:24,470

of times we wandered away from it that

845

00:43:31,340 --> 00:43:28,530

septuagenarian way but after tenure

846

00:43:35,120 --> 00:43:31,350

appeared first on Amazon and then on

847

00:43:38,130 --> 00:43:35,130

YouTube for free for nothing well not

848

00:43:40,230 --> 00:43:38,140

for nothing but free

849

00:43:42,240 --> 00:43:40,240

the very thing that I had hoped that

850

00:43:44,700 --> 00:43:42,250

would happen 20 years earlier has been

851
00:43:46,340 --> 00:43:44,710
happening which is people have been

852
00:43:49,190 --> 00:43:46,350
having

853
00:43:53,740 --> 00:43:49,200
a large number of synchronicities have

854
00:43:57,980 --> 00:43:53,750
been getting Co participation in the

855
00:44:02,450 --> 00:43:57,990
ritual that held your is and it's spread

856
00:44:05,770 --> 00:44:02,460
out like ways it also has increased

857
00:44:08,510 --> 00:44:05,780
dramatically the book sales food

858
00:44:11,690 --> 00:44:08,520
complete secrets I for the infinites and

859
00:44:13,610 --> 00:44:11,700
that you know that's good for me but I

860
00:44:17,330 --> 00:44:13,620
think it's ultimately good for the

861
00:44:20,480 --> 00:44:17,340
public because people for once or eating

862
00:44:23,270 --> 00:44:20,490
off of their chairs and are motivated

863
00:44:27,440 --> 00:44:23,280

perhaps because founder is so motivating

864

00:44:30,500 --> 00:44:27,450

to do their own investigations so it

865

00:44:33,890 --> 00:44:30,510

didn't mean to change the subject it's

866

00:44:38,160 --> 00:44:33,900

not really a change I asked myself then

867

00:44:40,289 --> 00:44:38,170

and got my answer a lot later

868

00:44:44,789 --> 00:44:40,299

first of all I do Express into the boat

869

00:44:48,880 --> 00:44:44,799

I believe that black lodges

870

00:44:55,539 --> 00:44:48,890

haven't always been black

871

00:44:58,120 --> 00:44:55,549

they are high-level magicians who know a

872

00:45:00,749 --> 00:44:58,130

great deal about the phenomena and how

873

00:45:04,720 --> 00:45:00,759

to manipulate it and how to become it

874

00:45:08,710 --> 00:45:04,730

who had suddenly in their career

875

00:45:11,200 --> 00:45:08,720

war a monopoly on truth and at that

876

00:45:13,510 --> 00:45:11,210

point at that crucial point instead of

877

00:45:17,530 --> 00:45:13,520

being the sharing that I described in

878

00:45:21,010 --> 00:45:17,540

the guardians or the great white

879

00:45:23,920 --> 00:45:21,020

Brotherhood so-called or the secret

880

00:45:28,089 --> 00:45:23,930

chiefs of the third order

881

00:45:33,440 --> 00:45:28,099

they decide to obfuscate and to keep

882

00:45:37,970 --> 00:45:35,930

once they make that decision whether

883

00:45:42,380 --> 00:45:37,980

it's a conscious decision or whether

884

00:45:45,800 --> 00:45:42,390

it's just slowly incrementally coming

885

00:45:48,110 --> 00:45:45,810

into being and some ill-defined point

886

00:45:49,160 --> 00:45:48,120

they've become a black lodge and start

887

00:45:52,700 --> 00:45:49,170

fighting dirty

888

00:45:57,470 --> 00:45:52,710

and deflecting attention from the real

889

00:46:01,280 --> 00:45:57,480

McCoy to what that guy I think was doing

890

00:46:04,160 --> 00:46:01,290

to me in North Carolina which is

891

00:46:06,320 --> 00:46:04,170

trying to discourage me from taking an

892

00:46:08,900 --> 00:46:06,330

interest in the Lael case and seeing it

893

00:46:11,660 --> 00:46:08,910

for what it is he failed but not without

894

00:46:14,180 --> 00:46:11,670

having manipulated you that was low

895

00:46:16,220 --> 00:46:14,190

level that was what Aleister Crowley

896

00:46:18,170 --> 00:46:16,230

called a black brother which doesn't

897

00:46:23,720 --> 00:46:18,180

necessarily exhibit him from the same

898

00:46:27,560 --> 00:46:23,730

label to being a black Lodge which is a

899

00:46:31,280 --> 00:46:27,570

community of these higher beings that

900

00:46:34,400 --> 00:46:31,290

have turned towards the dark side of the

901
00:46:38,720 --> 00:46:34,410
force what was that from a dark side of

902
00:46:40,430 --> 00:46:38,730
the horse I think humor is the only

903
00:46:42,980 --> 00:46:40,440
thing that keeps you saying in this work

904
00:46:46,550 --> 00:46:42,990
that's the parenthetic thing that I I do

905
00:46:50,660 --> 00:46:46,560
that often leaves people suspecting that

906
00:46:52,730 --> 00:46:50,670
I'm amused by all this which I I am and

907
00:46:55,340 --> 00:46:52,740
I'm not because I think that it is a

908
00:46:58,640 --> 00:46:55,350
life or death struggle for the future of

909
00:47:01,890 --> 00:46:58,650
humanity which is nothing to sneeze that

910
00:47:05,460 --> 00:47:01,900
all right but

911
00:47:08,370 --> 00:47:05,470
I always wondered how does that happen

912
00:47:12,620 --> 00:47:08,380
that people who start out on the same

913
00:47:16,320 --> 00:47:12,630

path that winds up the ascended masters

914

00:47:20,040 --> 00:47:16,330

protective of humanity at some point

915

00:47:27,960 --> 00:47:23,880

I saw it personally in the alleged

916

00:47:32,310 --> 00:47:27,970

ancient order of antiquity which I spent

917

00:47:36,560 --> 00:47:32,320

20 years in and I'm not going to specify

918

00:47:40,740 --> 00:47:36,570

in this context but I saw it by degrees

919

00:47:43,550 --> 00:47:40,750

kind of intended turned dark and it

920

00:47:48,380 --> 00:47:43,560

turned dark because it became cultic and

921

00:47:52,890 --> 00:47:48,390

jealous of its specialness instead of as

922

00:47:55,620 --> 00:47:52,900

we free aluminous say sharing and Co

923

00:47:59,490 --> 00:47:55,630

participating in illumination with the

924

00:48:02,640 --> 00:47:59,500

rest of humanity and it just can happen

925

00:48:05,310 --> 00:48:02,650

power corrupts absolute power corrupts

926
00:48:07,680 --> 00:48:05,320
absolutely if an organization is

927
00:48:10,550 --> 00:48:07,690
top-heavy it will tend in that direction

928
00:48:15,420 --> 00:48:10,560
if it has no

929
00:48:18,480 --> 00:48:15,430
Supreme Leader's or Supreme dogmatic

930
00:48:21,180 --> 00:48:18,490
rules it's much less likely to happen

931
00:48:24,660 --> 00:48:21,190
but the dark side of the force from

932
00:48:29,190 --> 00:48:24,670
using Lucas's term

933
00:48:33,029 --> 00:48:29,200
is very seductive yes and how deep do

934
00:48:35,930 --> 00:48:33,039
you think these black lodges or this

935
00:48:38,940 --> 00:48:35,940
dark side of the force this men in black

936
00:48:41,670 --> 00:48:38,950
phenomenon is attached to you how deeply

937
00:48:44,190 --> 00:48:41,680
embedded in government or military

938
00:48:45,930 --> 00:48:44,200

intelligence do you think these lodges

939

00:48:49,500 --> 00:48:45,940

are I mean having looked at this stuff

940

00:48:52,920 --> 00:48:49,510

since the 60s man there's a lot of crazy

941

00:48:55,859 --> 00:48:52,930

stuff through the 60s 70s 80s and now of

942

00:48:57,059 --> 00:48:55,869

course to the Stars Academy basically

943

00:48:59,579 --> 00:48:57,069

has come out of this Military

944

00:49:01,519 --> 00:48:59,589

Intelligence Nexus and I'm just curious

945

00:49:03,870 --> 00:49:01,529

your thoughts on on that because

946

00:49:07,440 --> 00:49:03,880

politics and the government is obviously

947

00:49:10,950 --> 00:49:07,450

a third rail here and if these lodges

948

00:49:13,230 --> 00:49:10,960

are so illuminated as to have all this

949

00:49:15,240 --> 00:49:13,240

insight that you know the common man or

950

00:49:18,180 --> 00:49:15,250

even the common politician wouldn't have

951
00:49:20,630 --> 00:49:18,190
how in control are these lodges of of

952
00:49:24,750 --> 00:49:20,640
culture and of the general narrative I

953
00:49:27,299 --> 00:49:24,760
think of the general narrative only in

954
00:49:32,130 --> 00:49:27,309
that kind of secondary way that all of

955
00:49:35,840 --> 00:49:32,140
these quote history like unquote

956
00:49:39,390 --> 00:49:35,850
TV programs many of which I've been on

957
00:49:41,589 --> 00:49:39,400
that supposedly involve investigations

958
00:49:46,329 --> 00:49:41,599
of

959
00:49:51,789 --> 00:49:46,339
government projects devoted to UFOs or

960
00:49:55,279 --> 00:49:51,799
strange phenomena or ghosts or whatever

961
00:49:57,439 --> 00:49:55,289
are not and they really put people on

962
00:50:00,499 --> 00:49:57,449
the wrong track red herrings

963
00:50:03,049 --> 00:50:00,509

yeah and I'm prepared to say that I

964

00:50:06,979 --> 00:50:03,059

personally believe with a couple of

965

00:50:10,459 --> 00:50:06,989

exceptions the notion that the

966

00:50:15,529 --> 00:50:10,469

government yes no specification beyond

967

00:50:20,089 --> 00:50:15,539

that is in possession of more of the

968

00:50:24,319 --> 00:50:20,099

real McCoy secrets than planet weird

969

00:50:28,209 --> 00:50:24,329

people is wrong I probably know a lot

970

00:50:32,059 --> 00:50:28,219

more about the actual nature of UFOs and

971

00:50:34,549 --> 00:50:32,069

related phenomena then anybody connected

972

00:50:37,189 --> 00:50:34,559

with any government project the Navy's

973

00:50:41,419 --> 00:50:37,199

more current project going back to

974

00:50:45,709 --> 00:50:41,429

project sign grunge Blue Book these were

975

00:50:48,229 --> 00:50:45,719

very very small operations they were

976
00:50:49,969 --> 00:50:48,239
three people or the secretary you know

977
00:50:52,699 --> 00:50:49,979
and the secretary probably knew more

978
00:50:57,049 --> 00:50:52,709
than the colonel put in charge of the

979
00:51:02,490 --> 00:50:57,059
project it's just not where the action

980
00:51:04,950 --> 00:51:02,500
is because the assumption made by

981
00:51:07,609 --> 00:51:04,960
the government was either this is a

982
00:51:12,210 --> 00:51:07,619
nuts-and-bolts phenomena by which I mean

983
00:51:15,120 --> 00:51:12,220
then it's a physical presence of alien

984
00:51:18,000 --> 00:51:15,130
beings from another planet they came to

985
00:51:22,000 --> 00:51:18,010
earth to borrow a term with powers and

986
00:51:25,630 --> 00:51:22,010
abilities far beyond those of mortal men

987
00:51:28,920 --> 00:51:25,640
for its misidentification of natural

988
00:51:32,560 --> 00:51:28,930

phenomena for its a series of Oates's

989

00:51:36,640 --> 00:51:32,570

those are deflections none of those

990

00:51:39,640 --> 00:51:36,650

things are true one of my great

991

00:51:42,460 --> 00:51:39,650

in Proverbs that I don't really have a

992

00:51:49,090 --> 00:51:42,470

good answer for busily psychologically

993

00:51:53,410 --> 00:51:49,100

is why on earth when not you foes per se

994

00:51:55,240 --> 00:51:53,420

but as they go back to the dawn of the

995

00:51:58,480 --> 00:51:55,250

planet I guess but certainly to the

996

00:52:01,480 --> 00:51:58,490

darling humanity why when they show up

997

00:52:04,270 --> 00:52:01,490

in public consciousness shortly after

998

00:52:10,240 --> 00:52:04,280

World War two

999

00:52:13,240 --> 00:52:10,250

is the immediate response that these are

1000

00:52:15,940 --> 00:52:13,250

visitors from another planet and that

1001
00:52:19,480 --> 00:52:15,950
has been reinforced over and over and

1002
00:52:23,380 --> 00:52:19,490
over again it's not an impossibility

1003
00:52:27,130 --> 00:52:23,390
although I think people who espouse that

1004
00:52:31,750 --> 00:52:27,140
rarely confront the distances between

1005
00:52:34,330 --> 00:52:31,760
stars let alone galaxies used to be

1006
00:52:36,750 --> 00:52:34,340
oh they're men from Mars well you know a

1007
00:52:42,180 --> 00:52:36,760
good deal more about Mars than we did in

1008
00:52:45,490 --> 00:52:42,190
1947 it's more likely that our earthly

1009
00:52:49,330 --> 00:52:45,500
spacecraft that go to Mars are the

1010
00:52:52,180 --> 00:52:49,340
phenomenon on Mars than Martians are the

1011
00:52:55,750 --> 00:52:52,190
phenomena on earth so it's moved out to

1012
00:53:00,100 --> 00:52:55,760
Sirius which is a hot relatively new

1013
00:53:02,830 --> 00:53:00,110

star unlikely to be an absolute source

1014

00:53:05,620 --> 00:53:02,840

of any kind of intelligent life and then

1015

00:53:09,150 --> 00:53:05,630

on out into the universe where distances

1016

00:53:12,240 --> 00:53:09,160

are awesome

1017

00:53:14,520 --> 00:53:12,250

it's not impossible because technology

1018

00:53:17,529 --> 00:53:14,530

can always have breakthroughs that we

1019

00:53:20,949 --> 00:53:17,539

haven't added yet you know

1020

00:53:23,469 --> 00:53:20,959

warp drive is one of the devices that

1021

00:53:25,749 --> 00:53:23,479

science fiction uses to get by that but

1022

00:53:28,779 --> 00:53:25,759

we don't have a warp drive and there may

1023

00:53:31,029 --> 00:53:28,789

not be a possibility of that but even if

1024

00:53:34,389 --> 00:53:31,039

there is and even if there is life on

1025

00:53:36,939 --> 00:53:34,399

other planets why would the immediate

1026
00:53:42,459 --> 00:53:36,949
assumption for something seen either on

1027
00:53:46,269 --> 00:53:42,469
or near the earth only never see deep in

1028
00:53:51,309 --> 00:53:46,279
space all that excitement last year when

1029
00:53:55,389 --> 00:53:51,319
that whatever it was Oh mwah mwah as it

1030
00:53:59,979 --> 00:53:55,399
was called in Hawaiian possibly an

1031
00:54:06,239 --> 00:53:59,989
asteroid or who knows what exactly it

1032
00:54:09,339 --> 00:54:06,249
was no but does came from a extra solar

1033
00:54:11,649 --> 00:54:09,349
source that the first time anything like

1034
00:54:15,849 --> 00:54:11,659
that had ever been spotted an enormous

1035
00:54:19,059 --> 00:54:15,859
speculation and enormous well there you

1036
00:54:21,939 --> 00:54:19,069
go it's not a common thing for things to

1037
00:54:24,459 --> 00:54:21,949
come creeping in from outside the solar

1038
00:54:27,759 --> 00:54:24,469

system simply because there are vast

1039

00:54:31,779 --> 00:54:27,769

distances between solar systems but

1040

00:54:34,779 --> 00:54:31,789

immediately people in 1947 from Kenneth

1041

00:54:38,199 --> 00:54:34,789

Arnold on are talking about aliens from

1042

00:54:41,889 --> 00:54:38,209

other planet right and I'm wondering why

1043

00:54:44,859 --> 00:54:41,899

that was the leak why do that why not oh

1044

00:54:48,639 --> 00:54:44,869

this is a religious phenomena and we all

1045

00:54:49,989 --> 00:54:48,649

need to go back to church or whatever ha

1046

00:54:52,149 --> 00:54:49,999

well it could have been just another one

1047

00:54:53,709 --> 00:54:52,159

of those red herrings because yes it

1048

00:54:55,599 --> 00:54:53,719

does appear that the government or

1049

00:54:57,939 --> 00:54:55,609

military intelligence is obsessed with

1050

00:55:00,359 --> 00:54:57,949

the nuts and bolts aspect on the surface

1051

00:55:02,799 --> 00:55:00,369

but the CIA is no stranger to

1052

00:55:05,289 --> 00:55:02,809

experiments and consciousness the

1053

00:55:08,169 --> 00:55:05,299

blueblood elite are not strangers to

1054

00:55:10,719 --> 00:55:08,179

seances communing with the nine and this

1055

00:55:12,939 --> 00:55:10,729

kind of stuff so I think at a deeper

1056

00:55:15,599 --> 00:55:12,949

level they've connected this stuff I

1057

00:55:18,719 --> 00:55:15,609

think the CIA is is well aware that

1058

00:55:22,809 --> 00:55:18,729

consciousness and channeling and

1059

00:55:25,689 --> 00:55:22,819

summoning is a lot closer to what these

1060

00:55:27,609 --> 00:55:25,699

creatures are than spacecraft they won't

1061

00:55:30,069 --> 00:55:27,619

tell us that but there's documents that

1062

00:55:31,330 --> 00:55:30,079

show back in the 50s and 60s they were

1063

00:55:32,770 --> 00:55:31,340

they were pretty

1064

00:55:34,240 --> 00:55:32,780

on this thing they were hovering over

1065

00:55:36,970 --> 00:55:34,250

the target it seems so I can only

1066

00:55:39,010 --> 00:55:36,980

imagine sense that they they haven't

1067

00:55:40,960 --> 00:55:39,020

wised up they're not going to project

1068

00:55:43,840 --> 00:55:40,970

that outwardly to the rest of the world

1069

00:55:47,290 --> 00:55:43,850

but I think they know don't you know I

1070

00:55:50,130 --> 00:55:47,300

think they probably know less than the

1071

00:55:55,960 --> 00:55:50,140

most sophisticated people in research

1072

00:55:58,780 --> 00:55:55,970

but what they do is instructed I have an

1073

00:56:01,270 --> 00:55:58,790

interesting conversation with Dewey

1074

00:56:04,870 --> 00:56:01,280

fournaye who was the Pentagon monitor

1075

00:56:08,320 --> 00:56:04,880

for project Bluebook back during the

1076

00:56:11,260 --> 00:56:08,330

period where you phones were seen over

1077

00:56:14,950 --> 00:56:11,270

restricted airspace this is long three

1078

00:56:17,530 --> 00:56:14,960

911 restricted airspace in DC that would

1079

00:56:22,000 --> 00:56:17,540

be over the White House and I got etc

1080

00:56:23,800 --> 00:56:22,010

and there was a tremendous UFO flap it's

1081

00:56:26,470 --> 00:56:23,810

how I thought his first came to my

1082

00:56:27,640 --> 00:56:26,480

attention in fact because my father was

1083

00:56:30,550 --> 00:56:27,650

going on about it because it was

1084

00:56:35,770 --> 00:56:30,560

headline news in the summer in July of

1085

00:56:40,120 --> 00:56:35,780

1952 after that or they informed the end

1086

00:56:42,430 --> 00:56:40,130

I have since seen documentation for he

1087

00:56:47,070 --> 00:56:42,440

have to get back into the mentality at

1088

00:56:50,020 --> 00:56:47,080

the time the red-baiting notion that the

1089

00:56:53,310 --> 00:56:50,030

Soviet Union was looking for an

1090

00:56:57,130 --> 00:56:53,320

opportunity to attack us with their

1091

00:57:01,900 --> 00:56:57,140

nuclear bombers which they probably had

1092

00:57:05,350 --> 00:57:01,910

three with propellers and that private

1093

00:57:09,270 --> 00:57:05,360

UFO organizations said the CIA and their

1094

00:57:13,450 --> 00:57:09,280

1953 panel could be infiltrated by

1095

00:57:18,190 --> 00:57:13,460

communists again this is the spirit of

1096

00:57:21,400 --> 00:57:18,200

those times the McCarthy era and used to

1097

00:57:25,270 --> 00:57:21,410

create an artificial UFO flap that would

1098

00:57:30,610 --> 00:57:25,280

mask a Soviet all-out first strike

1099

00:57:34,080 --> 00:57:30,620

attack and therefore said the CIA we

1100

00:57:36,640 --> 00:57:34,090

need to do something to suppress these

1101
00:57:39,340 --> 00:57:36,650
organizations because they're too

1102
00:57:40,930 --> 00:57:39,350
vulnerable to Soviet influence they also

1103
00:57:42,760 --> 00:57:40,940
by the way thought the same thing about

1104
00:57:45,190 --> 00:57:42,770
the PTA so in a

1105
00:57:48,250 --> 00:57:45,200
we need to put these things in relative

1106
00:57:52,690 --> 00:57:48,260
terms that may explain some of the early

1107
00:57:55,180 --> 00:57:52,700
really anomalous minute block cases it

1108
00:57:58,030 --> 00:57:55,190
certainly may explain some of the

1109
00:58:01,390 --> 00:57:58,040
explanations you have coming out of the

1110
00:58:03,310 --> 00:58:01,400
military but when you talk about and I

1111
00:58:06,370 --> 00:58:03,320
assume you're talking about the

1112
00:58:11,320 --> 00:58:06,380
government program to see if LSD that

1113
00:58:14,200 --> 00:58:11,330

caused people to become basically using

1114

00:58:15,700 --> 00:58:14,210

it as a hypnotic right MKULTRA goes a

1115

00:58:20,680 --> 00:58:15,710

lot deeper but that's definitely a

1116

00:58:23,410 --> 00:58:20,690

threat of MKULTRA yeah but who or what

1117

00:58:25,780 --> 00:58:23,420

is in Ko through is it a government

1118

00:58:28,620 --> 00:58:25,790

program or is it something that masks

1119

00:58:32,600 --> 00:58:28,630

itself as a government program my

1120

00:58:34,520 --> 00:58:32,610

contact with this phenomena

1121

00:58:37,540 --> 00:58:34,530

and when I say phenomena here I'm

1122

00:58:42,470 --> 00:58:37,550

including those who investigate or

1123

00:58:45,860 --> 00:58:42,480

purport to investigate the anomalies

1124

00:58:48,950 --> 00:58:45,870

which have emerged over the last well

1125

00:58:51,320 --> 00:58:48,960

since World War two my whole lifetime

1126

00:58:56,960 --> 00:58:51,330

today

1127

00:58:59,750 --> 00:58:56,970

is that it's a very very secondary thing

1128

00:59:05,210 --> 00:58:59,760

to the government it's a very very big

1129

00:59:08,120 --> 00:59:05,220

thing to other interests and the reason

1130

00:59:10,640 --> 00:59:08,130

I say that is because every program that

1131

00:59:13,010 --> 00:59:10,650

is government related not counting

1132

00:59:16,400 --> 00:59:13,020

secret weapons programs that are

1133

00:59:19,430 --> 00:59:16,410

mistaken for extraterrestrial vehicles

1134

00:59:22,520 --> 00:59:19,440

which I think like area 51 the

1135

00:59:24,860 --> 00:59:22,530

government has encouraged that they'd

1136

00:59:29,090 --> 00:59:24,870

rather have people chasing something

1137

00:59:32,960 --> 00:59:29,100

from the planet people then riveting

1138

00:59:35,290 --> 00:59:32,970

their interests on let's say the b-1

1139

00:59:40,070 --> 00:59:35,300

bomber that was probably developed at

1140

00:59:44,610 --> 00:59:40,080

one of those facilities that are said to

1141

00:59:50,310 --> 00:59:47,310

if there are secret alien bases they're

1142

00:59:53,360 --> 00:59:50,320

not in tandem with the government

1143

00:59:56,160 --> 00:59:53,370

I don't think and that's based on my

1144

00:59:58,680 --> 00:59:56,170

fifty plus years experience in dealing

1145

01:00:03,320 --> 00:59:58,690

with this that having gone through the

1146

01:00:05,850 --> 01:00:03,330

Bluebook files which i did at the

1147

01:00:08,040 --> 01:00:05,860

courtesy of the invitation of the head

1148

01:00:10,440 --> 01:00:08,050

of the Senate Armed Services Committee

1149

01:00:12,330 --> 01:00:10,450

at that time who happened to be my

1150

01:00:17,010 --> 01:00:12,340

senator who I happen to have caught at

1151
01:00:18,920 --> 01:00:17,020
home and express the view that the move

1152
01:00:22,280 --> 01:00:18,930
of files after Blue Book disclosed

1153
01:00:26,180 --> 01:00:22,290
needed to be preserved so I wound up

1154
01:00:29,150 --> 01:00:26,190
getting a chance to have a look at

1155
01:00:31,730 --> 01:00:29,160
you may be right and I may be on the

1156
01:00:34,339 --> 01:00:31,740
wrong path there most of what I say I'm

1157
01:00:37,180 --> 01:00:34,349
confident up where the government is

1158
01:00:43,099 --> 01:00:37,190
concerned I'm confident of nothing

1159
01:00:47,480 --> 01:00:43,109
however that said my guess is that the

1160
01:00:52,170 --> 01:00:47,490
significant work that is being done is

1161
01:00:57,460 --> 01:00:55,260
involving synchronicities involving

1162
01:01:01,420 --> 01:00:57,470
investigators becoming part of the

1163
01:01:05,740 --> 01:01:01,430

phenomena in involving stuff that

1164

01:01:07,330 --> 01:01:05,750

clearly is not of this world if there is

1165

01:01:10,030 --> 01:01:07,340

any government involvement

1166

01:01:12,040 --> 01:01:10,040

it goes beyond government involvement

1167

01:01:16,780 --> 01:01:12,050

because it undermines the whole notion

1168

01:01:20,050 --> 01:01:16,790

of a three-dimensional reality being all

1169

01:01:22,960 --> 01:01:20,060

that there is in the universe and all

1170

01:01:25,120 --> 01:01:22,970

that explains

1171

01:01:28,809 --> 01:01:25,130

whatever it's supposed to be explaining

1172

01:01:31,690 --> 01:01:28,819

I don't think there is any truth in that

1173

01:01:34,120 --> 01:01:31,700

and I think that if there were a big

1174

01:01:36,849 --> 01:01:34,130

government interest you would never have

1175

01:01:39,819 --> 01:01:36,859

seen it public development of quantum

1176

01:01:41,859 --> 01:01:39,829

physics because quantum physics kind of

1177

01:01:46,120 --> 01:01:41,869

undermines the whole notion of 3d

1178

01:01:47,980 --> 01:01:46,130

reality fair fair well and as we are

1179

01:01:50,109 --> 01:01:47,990

wrapping this up given that the secret

1180

01:01:51,730 --> 01:01:50,119

cipher was written in the 90s you know

1181

01:01:53,829 --> 01:01:51,740

20 plus years ago

1182

01:01:55,750 --> 01:01:53,839

are there insights you've gained since

1183

01:01:58,089 --> 01:01:55,760

then that you would have added or any

1184

01:01:59,410 --> 01:01:58,099

way that you would would change it today

1185

01:02:01,390 --> 01:01:59,420

I know you've been out of the game a

1186

01:02:03,609 --> 01:02:01,400

little while when it comes to this stuff

1187

01:02:06,010 --> 01:02:03,619

you haven't been embedded in ufology but

1188

01:02:09,490 --> 01:02:06,020

would you make any changes are addendums

1189

01:02:12,539 --> 01:02:09,500

today oh I wasn't aware that I had been

1190

01:02:15,160 --> 01:02:12,549

out of ufology what I now know is the

1191

01:02:17,680 --> 01:02:15,170

transition between publishing the little

1192

01:02:21,910 --> 01:02:17,690

newsletters that you have to collate

1193

01:02:25,650 --> 01:02:21,920

fold and stamp and seal and get out to

1194

01:02:29,650 --> 01:02:25,660

your 300 subscribers as opposed to

1195

01:02:34,299 --> 01:02:29,660

posting something today on Facebook or

1196

01:02:37,660 --> 01:02:34,309

on your own website and reaching tens of

1197

01:02:39,940 --> 01:02:37,670

thousands of people fair fair it took me

1198

01:02:41,920 --> 01:02:39,950

a while to make that transition but I

1199

01:02:45,309 --> 01:02:41,930

haven't ever been out of the occult or

1200

01:02:48,880 --> 01:02:45,319

apology or anything else what I was up

1201
01:02:50,799 --> 01:02:48,890
until about 15 years ago was limited as

1202
01:02:53,579 --> 01:02:50,809
to how much I could do with you pose

1203
01:02:56,920 --> 01:02:53,589
because I got flak from the supposed

1204
01:03:00,640 --> 01:02:56,930
magical order that I was affiliated with

1205
01:03:03,099 --> 01:03:00,650
so getting out of that as I put it at

1206
01:03:06,760 --> 01:03:03,109
the time was a bit like getting out of

1207
01:03:10,480 --> 01:03:06,770
jail so from that point on I have

1208
01:03:13,470 --> 01:03:10,490
integrated the various interests openly

1209
01:03:17,190 --> 01:03:13,480
whereas during that period I was

1210
01:03:23,650 --> 01:03:17,200
somewhat medicine as it had been

1211
01:03:26,360 --> 01:03:23,660
discouraged by the powers that be not he

1212
01:03:28,610 --> 01:03:26,370
said cryptically right

1213
01:03:30,500 --> 01:03:28,620

fair enough yes that's a good

1214

01:03:32,360 --> 01:03:30,510

clarification so you wouldn't really

1215

01:03:34,040 --> 01:03:32,370

change the secret cipher or add anything

1216

01:03:38,620 --> 01:03:34,050

to it that you've learned in the past

1217

01:03:42,350 --> 01:03:38,630

couple decades no I will say this that

1218

01:03:47,090 --> 01:03:42,360

when I was approached well before

1219

01:03:49,550 --> 01:03:47,100

Hellyer was even an earlier one ugly by

1220

01:03:52,990 --> 01:03:49,560

paranoia press about getting out a

1221

01:03:56,510 --> 01:03:53,000

combined addition I said oh I look

1222

01:03:58,970 --> 01:03:56,520

something that I think is run its course

1223

01:04:02,210 --> 01:03:58,980

but I think I combined addition would

1224

01:04:06,710 --> 01:04:02,220

save people money on by both and they

1225

01:04:08,870 --> 01:04:06,720

are sort of kind of out of I don't know

1226

01:04:11,750 --> 01:04:08,880

that that term even applies anymore

1227

01:04:15,440 --> 01:04:11,760

because so much of the printing is done

1228

01:04:17,420 --> 01:04:15,450

by print on demand services as many

1229

01:04:19,970 --> 01:04:17,430

people will tell you

1230

01:04:22,849 --> 01:04:19,980

therefore there is no such thing as our

1231

01:04:25,069 --> 01:04:22,859

print as such unless you pull it out of

1232

01:04:26,540 --> 01:04:25,079

credi which happened with one of my

1233

01:04:30,830 --> 01:04:26,550

books

1234

01:04:32,650 --> 01:04:30,840

I think the distance between the two was

1235

01:05:19,120 --> 01:04:32,660

a

1236

01:05:22,479 --> 01:05:19,130

there's the new introduction

1237

01:05:25,150 --> 01:05:22,489

that sort of clarifies the entire issue

1238

01:05:28,839 --> 01:05:25,160

certainly the old introduction didn't

1239

01:05:31,749 --> 01:05:28,849

clarify anything right on yes well I

1240

01:05:34,029 --> 01:05:31,759

loved it and it definitely flowed they

1241

01:05:37,239 --> 01:05:34,039

definitely are a great set to have in

1242

01:05:39,279 --> 01:05:37,249

one volume and this has been a wild ride

1243

01:05:41,620 --> 01:05:39,289

man I really enjoyed it I know you have

1244

01:05:43,779 --> 01:05:41,630

several other books and a website full

1245

01:05:45,460 --> 01:05:43,789

of even more material could you tell

1246

01:05:46,960 --> 01:05:45,470

people about some of this work and where

1247

01:05:51,549 --> 01:05:46,970

to get it before we really call it in

1248

01:05:55,779 --> 01:05:51,559

okay I always say the best way to get to

1249

01:06:00,430 --> 01:05:55,789

my website which is being transferred to

1250

01:06:04,180 --> 01:06:00,440

a new server is just to spell my name

1251

01:06:08,079 --> 01:06:04,190

right on google google my name talent al

1252

01:06:12,700 --> 01:06:08,089

L am NOT one of those others Greenfield

1253

01:06:14,710 --> 01:06:12,710

ger een fi eld and since I've been on

1254

01:06:17,099 --> 01:06:14,720

the internet since before it was the

1255

01:06:19,839 --> 01:06:17,109

Internet you will find a plethora of

1256

01:06:22,569 --> 01:06:19,849

pinatas well not a plethora of pinatas

1257

01:06:25,180 --> 01:06:22,579

but you'll find a plethora of references

1258

01:06:29,410 --> 01:06:25,190

including my website my facebook page

1259

01:06:33,219 --> 01:06:29,420

and mr. Zuckerberg doesn't allow you to

1260

01:06:36,130 --> 01:06:33,229

have more than 5,000 friends so I have

1261

01:06:39,009 --> 01:06:36,140

my 5,000 friends but occasionally I lose

1262

01:06:41,349 --> 01:06:39,019

a friend so you can get in there and you

1263

01:06:43,989 --> 01:06:41,359

could always just follow the page it's

1264

01:06:47,279 --> 01:06:43,999

updated virtually daily and I always

1265

01:06:51,039 --> 01:06:47,289

come up with something pretty weird and

1266

01:06:54,370 --> 01:06:51,049

fascinating to post every single day on

1267

01:06:56,709 --> 01:06:54,380

Facebook my site is more illuminating

1268

01:06:58,809 --> 01:06:56,719

than that and if you still catch it I

1269

01:07:02,950 --> 01:06:58,819

think it still has another month in its

1270

01:07:05,859 --> 01:07:02,960

old location which is very dated but

1271

01:07:09,880 --> 01:07:05,869

nevertheless path you can google my name

1272

01:07:14,769 --> 01:07:09,890

you can fly my wordpress site my mind

1273

01:07:18,999 --> 01:07:14,779

screen an extinct server nevertheless

1274

01:07:21,190 --> 01:07:19,009

that's it goes back to it like 1995 the

1275

01:07:23,859 --> 01:07:21,200

site's been up since then but it's been

1276

01:07:26,680 --> 01:07:23,869

you know revised and revised and the

1277

01:07:29,769 --> 01:07:26,690

guys prepare to be shocked there's lots

1278

01:07:33,280 --> 01:07:29,779

of shocking stuff on it and finally the

1279

01:07:36,040 --> 01:07:33,290

other book that is current that

1280

01:07:38,440 --> 01:07:36,050

does it sell anywhere nearly as well as

1281

01:07:41,020 --> 01:07:38,450

the complete secret flat review notes is

1282

01:07:44,230 --> 01:07:41,030

as I mentioned earlier God never does

1283

01:07:48,609 --> 01:07:44,240

the same thing twice which is my gonzo

1284

01:07:53,200 --> 01:07:48,619

book I pulled up all of my stops so what

1285

01:07:56,790 --> 01:07:53,210

have I learned about reality in the 73

1286

01:08:01,900 --> 01:07:56,800

years I have been incarnate here and

1287

01:08:05,920 --> 01:08:01,910

that's what it is it's me talking to you

1288

01:08:10,420 --> 01:08:05,930

so if anybody cares what my intuition

1289

01:08:12,580 --> 01:08:10,430

and opinions are you might want to get

1290

01:08:17,410 --> 01:08:12,590

yourself a copy of God never does the

1291

01:08:21,760 --> 01:08:17,420

same thing twice which again is not not

1292

01:08:23,400 --> 01:08:21,770

a religious book it is unless gonzo is a

1293

01:08:26,110 --> 01:08:23,410

religion

1294

01:08:27,999 --> 01:08:26,120

but well to some people it is but either

1295

01:08:30,940 --> 01:08:28,009

way very very cool

1296

01:08:33,760 --> 01:08:30,950

I know you've had a really deep and rich

1297

01:08:36,160 --> 01:08:33,770

and exciting and adventurous life so I

1298

01:08:39,820 --> 01:08:36,170

definitely would be interested and say

1299

01:08:43,269 --> 01:08:39,830

so far that makes I always say it's been

1300

01:08:46,870 --> 01:08:43,279

interesting so far you never know what

1301

01:08:49,690 --> 01:08:46,880

tomorrow will bring right right Touche

1302

01:08:51,370 --> 01:08:49,700

well this has been a really good time

1303

01:08:53,680 --> 01:08:51,380

very provocative

1304

01:08:55,539 --> 01:08:53,690

I really appreciate spending some time

1305

01:09:00,840 --> 01:08:55,549

with me today and keep up the great work

1306

01:09:07,360 --> 01:09:03,640

rock me like a hurricane higher side

1307

01:09:11,590 --> 01:09:07,370

shatters the secret cipher of the youfo

1308

01:09:15,130 --> 01:09:11,600

knots finally revealed Alain Greenfield

1309

01:09:17,470 --> 01:09:15,140

with one hell of a premise the very

1310

01:09:19,570 --> 01:09:17,480

foundation of secret societies an occult

1311

01:09:21,370 --> 01:09:19,580

orders being built around contact

1312

01:09:22,990 --> 01:09:21,380

protocols to communicate with the

1313

01:09:27,100 --> 01:09:23,000

whatsits and the what-have-yous in the

1314

01:09:30,220 --> 01:09:27,110

shadows I like it and what are grimoires

1315

01:09:33,730 --> 01:09:30,230

but usually exactly that at least in

1316

01:09:37,570 --> 01:09:33,740

part and now of course this is another

1317

01:09:41,110 --> 01:09:37,580

THC episode that was recorded pre Corona

1318

01:09:43,420 --> 01:09:41,120

chaos and I have to apologize to Allen

1319

01:09:46,120 --> 01:09:43,430

because I know he was anxious to be able

1320

01:09:48,130 --> 01:09:46,130

to share this with his followers I think

1321

01:09:50,290 --> 01:09:48,140

he was happy with how it turned out and

1322

01:09:53,410 --> 01:09:50,300

it was all ready to go the day after

1323

01:09:55,480 --> 01:09:53,420

things started to get taken up to such a

1324

01:09:58,810 --> 01:09:55,490

level that I just couldn't release

1325

01:10:01,860 --> 01:09:58,820

another show that didn't address it like

1326

01:10:04,240 --> 01:10:01,870

I said before I'd be if I had four shows

1327

01:10:06,760 --> 01:10:04,250

pre-recorded and then 9/11 happened

1328

01:10:10,090 --> 01:10:06,770

you're not gonna release four episodes

1329

01:10:13,720 --> 01:10:10,100

of a show of this nature that don't talk

1330

01:10:16,870 --> 01:10:13,730

about that big unprecedented thing we

1331

01:10:19,510 --> 01:10:16,880

just experienced so first I put my own

1332

01:10:21,700 --> 01:10:19,520

statement out because it was the fastest

1333

01:10:23,500 --> 01:10:21,710

thing I could do and we talked around it

1334

01:10:26,290 --> 01:10:23,510

with Ross Ben cuz he was on the schedule

1335

01:10:27,940 --> 01:10:26,300

then we spent some time with David Crowe

1336

01:10:31,840 --> 01:10:27,950

and then we went over it again with

1337

01:10:34,420 --> 01:10:31,850

Gordon and Chris so I think we can start

1338

01:10:35,320 --> 01:10:34,430

to get back to business around here a

1339

01:10:37,840 --> 01:10:35,330

little bit

1340

01:10:39,670 --> 01:10:37,850

believe me this Corona crackdown is an

1341

01:10:42,280 --> 01:10:39,680

unprecedented thing that has me

1342

01:10:45,040 --> 01:10:42,290

concerned that it won't be over soon I

1343

01:10:47,710 --> 01:10:45,050

set it from that beginning statement now

1344

01:10:50,350 --> 01:10:47,720

that they got us all inside when is a

1345

01:10:53,560 --> 01:10:50,360

virus gone I just don't know I don't

1346

01:10:56,350 --> 01:10:53,570

think we're getting out so quickly it's

1347

01:10:58,150 --> 01:10:56,360

not just going to be two weeks and of

1348

01:11:00,190 --> 01:10:58,160

course it's going to come up in every

1349

01:11:02,380 --> 01:11:00,200

show that we record during this time

1350

01:11:05,080 --> 01:11:02,390

period and I'm catering some more the

1351

01:11:07,200 --> 01:11:05,090

guests lineup to be more in the medical

1352

01:11:08,940 --> 01:11:07,210

expert space

1353

01:11:11,790 --> 01:11:08,950

I also think we might be getting

1354

01:11:14,040 --> 01:11:11,800

mentally exhausted by this and maybe a

1355

01:11:16,740 --> 01:11:14,050

conversation about demon aliens is a

1356

01:11:20,459 --> 01:11:16,750

nice break although I am gonna do a

1357

01:11:22,620 --> 01:11:20,469

little live video webinar session with

1358

01:11:24,920 --> 01:11:22,630

Gordon to go over the information we've

1359

01:11:27,810 --> 01:11:24,930

both been digesting since that interview

1360

01:11:29,820 --> 01:11:27,820

the material he's been putting in his

1361

01:11:31,530 --> 01:11:29,830

coronavirus newsroom and some of the

1362

01:11:33,690 --> 01:11:31,540

stuff that I've been putting in the Plus

1363

01:11:35,850 --> 01:11:33,700

forum along with some other members now

1364

01:11:38,070 --> 01:11:35,860

at this point which is great because I

1365

01:11:41,040 --> 01:11:38,080

was just hoping to kick that news share

1366

01:11:42,750 --> 01:11:41,050

off but regardless if you want to get in

1367

01:11:45,780 --> 01:11:42,760

on that live stream that we're going to

1368

01:11:48,450 --> 01:11:45,790

be doing I will email the link out to

1369

01:11:51,450 --> 01:11:48,460

plus members it's not something I ever

1370

01:11:54,240 --> 01:11:51,460

really do unless we have to like for a

1371

01:11:55,950 --> 01:11:54,250

technical reason emailing all the Plus

1372

01:12:00,420 --> 01:11:55,960

members in masse I might have done it

1373

01:12:02,430 --> 01:12:00,430

five times over five years but I don't

1374

01:12:05,300 --> 01:12:02,440

know how else to get you the link in a

1375

01:12:07,979 --> 01:12:05,310

timely manner I can't just expect you to

1376

01:12:09,300 --> 01:12:07,989

randomly check the website especially

1377

01:12:11,760 --> 01:12:09,310

when so many people listen to the

1378

01:12:14,910 --> 01:12:11,770

podcast through an app but if you are

1379

01:12:17,520 --> 01:12:14,920

hearing this show as it comes out on

1380

01:12:19,440 --> 01:12:17,530

Friday I guess you have some time to

1381

01:12:21,930 --> 01:12:19,450

sign up for plus if you want that email

1382

01:12:24,630 --> 01:12:21,940

but I'm gonna email that link out on

1383

01:12:29,270 --> 01:12:24,640

Saturday and us bubble boys will be

1384

01:12:33,750 --> 01:12:29,280

breaking it down for you / bubble tea

1385

01:12:35,340 --> 01:12:33,760

Monday evening 6 p.m. Pacific time you

1386

01:12:37,860 --> 01:12:35,350

do have to sign up because we're

1387

01:12:41,190 --> 01:12:37,870

probably going to go over zooms size

1388

01:12:43,020 --> 01:12:41,200

limit with our powers combined and it

1389

01:12:45,690 --> 01:12:43,030

seems to be a better practice for not

1390

01:12:48,479 --> 01:12:45,700

crashing the system if we have everyone

1391

01:12:51,000 --> 01:12:48,489

pre registered so be on the lookout for

1392

01:12:53,729 --> 01:12:51,010

that email Gordon is actually doing a

1393

01:12:56,190 --> 01:12:53,739

lot of these tea party webinars as he's

1394

01:12:57,620 --> 01:12:56,200

calling them and then I said bubble boys

1395

01:13:02,470 --> 01:12:57,630

and it just works

1396

01:13:06,760 --> 01:13:03,760

do you think this is gonna be a fun one

1397

01:13:10,020 --> 01:13:06,770

because we both been digesting just a

1398

01:13:12,940 --> 01:13:10,030

ton of information but who hasn't right

1399

01:13:15,430 --> 01:13:12,950

anyway as for today's show I had just

1400

01:13:17,680 --> 01:13:15,440

finished Hellyer when Olaf from paranoia

1401
01:13:19,780 --> 01:13:17,690
messed me about the release of the

1402
01:13:21,820 --> 01:13:19,790
complete secret cipher of the u fo nots

1403
01:13:25,060 --> 01:13:21,830
and asked if I'd like to talk to Alan

1404
01:13:28,240 --> 01:13:25,070
and of course I jumped on it not because

1405
01:13:30,700 --> 01:13:28,250
I really loved Helier all that much to

1406
01:13:33,850 --> 01:13:30,710
be honest I mean I loved the first

1407
01:13:37,180 --> 01:13:33,860
episode a lot but I thought it kind of

1408
01:13:39,790 --> 01:13:37,190
fizzled out a bit from there I do

1409
01:13:41,740 --> 01:13:39,800
understand the meaning and the value and

1410
01:13:44,500 --> 01:13:41,750
the surprise of getting hit with a high

1411
01:13:47,350 --> 01:13:44,510
dose of synchronicity when you're in

1412
01:13:49,900 --> 01:13:47,360
that paranormal vortexer feeling like

1413
01:13:52,120 --> 01:13:49,910

you've been led down a path but it's

1414

01:13:54,400 --> 01:13:52,130

kind of like explaining your dreams to

1415

01:13:59,350 --> 01:13:54,410

someone I don't think it translates as

1416

01:14:01,720 --> 01:13:59,360

well to others or to TV but when Alan

1417

01:14:04,060 --> 01:14:01,730

says it's a very genuine and accurate

1418

01:14:06,280 --> 01:14:04,070

depiction of a field investigation and

1419

01:14:09,010 --> 01:14:06,290

the weirdness involved I'm sure it is I

1420

01:14:10,690 --> 01:14:09,020

don't doubt that at all and for that

1421

01:14:15,520 --> 01:14:10,700

reason it probably does hold a special

1422

01:14:18,430 --> 01:14:15,530

place in paranormal media history but it

1423

01:14:20,590 --> 01:14:18,440

was the aspects that related to Alan and

1424

01:14:23,050 --> 01:14:20,600

the secret cipher that I did find most

1425

01:14:25,630 --> 01:14:23,060

interesting and when I got deep into the

1426

01:14:28,210 --> 01:14:25,640

book itself man there is just so much

1427

01:14:30,970 --> 01:14:28,220

interesting material and a ton of great

1428

01:14:33,100 --> 01:14:30,980

lines I wish we could have hid more of

1429

01:14:34,540 --> 01:14:33,110

those quotes to have Alan elaborate on

1430

01:14:36,910 --> 01:14:34,550

that I could have pulled out on my

1431

01:14:39,580 --> 01:14:36,920

outline but it was a little tough to

1432

01:14:42,700 --> 01:14:39,590

keep him on track which I still thought

1433

01:14:44,500 --> 01:14:42,710

was pretty fun but I only asked a couple

1434

01:14:47,260 --> 01:14:44,510

questions in the first hour so in the

1435

01:14:50,170 --> 01:14:47,270

second I scrapped a lot of the stuff

1436

01:14:52,240 --> 01:14:50,180

that was planned to wait us slowly into

1437

01:14:54,820 --> 01:14:52,250

deep waters and I just jumped to the

1438

01:14:57,010 --> 01:14:54,830

last page and thought all right let's

1439

01:15:00,460 --> 01:14:57,020

get into it the clock is tickin by a lot

1440

01:15:02,920 --> 01:15:00,470

faster than I expected and I am really

1441

01:15:05,740 --> 01:15:02,930

happy with some of that stuff very

1442

01:15:07,930 --> 01:15:05,750

provocative and those deeper levels

1443

01:15:09,790 --> 01:15:07,940

these deeper waters I'm talking about

1444

01:15:13,390 --> 01:15:09,800

they're all kind of wrapped up in these

1445

01:15:15,790 --> 01:15:13,400

two secret factions and the spiritual

1446

01:15:16,390 --> 01:15:15,800

battle for Humanity and it's really a

1447

01:15:17,530 --> 01:15:16,400

great

1448

01:15:20,560 --> 01:15:17,540

implement - some of the stuff we got

1449

01:15:25,090 --> 01:15:20,570

into it loan Milotic at a few weeks back

1450

01:15:28,959 --> 01:15:25,100

because compromising or interacting with

1451

01:15:32,530 --> 01:15:28,969

that human power of creation is a big

1452

01:15:34,630 --> 01:15:32,540

part of that mix as well so the first

1453

01:15:36,820 --> 01:15:34,640

hour we kind of set the stage talked

1454

01:15:40,600 --> 01:15:36,830

about Hell you're a bit and the Grail

1455

01:15:43,570 --> 01:15:40,610

quest parallels but in the Plus show we

1456

01:15:46,600 --> 01:15:43,580

got into the Grey's sexual fluids and

1457

01:15:48,939 --> 01:15:46,610

sodomy secretions Wilhelm Reich Oregon

1458

01:15:51,910 --> 01:15:48,949

and the aliens the importance of

1459

01:15:53,590 --> 01:15:51,920

banishing rituals messages from beings

1460

01:15:56,399 --> 01:15:53,600

that come from worlds that have been

1461

01:16:00,040 --> 01:15:56,409

conquered by the greys transcending

1462

01:16:03,399 --> 01:16:00,050

dimensions via the Enoch Ian process and

1463

01:16:06,280 --> 01:16:03,409

just all kinds of interesting stuff and

1464

01:16:08,320 --> 01:16:06,290

it kind of is a shame because I was

1465

01:16:11,770 --> 01:16:08,330

really really psyched to get this

1466

01:16:15,430 --> 01:16:11,780

episode out to the world before reality

1467

01:16:18,820 --> 01:16:15,440

got turned upside down but you know this

1468

01:16:23,110 --> 01:16:18,830

too shall pass and then maybe we can be

1469

01:16:25,360 --> 01:16:23,120

interested and stuff like this again but

1470

01:16:27,850 --> 01:16:25,370

if you want to dive deeper into Allen's

1471

01:16:30,970 --> 01:16:27,860

book I definitely recommend it it's got

1472

01:16:34,030 --> 01:16:30,980

a ton of interesting content in it it's

1473

01:16:37,209 --> 01:16:34,040

very detail-oriented somewhat over my

1474

01:16:39,850 --> 01:16:37,219

head but I tried my best to hang on for

1475

01:16:43,390 --> 01:16:39,860

that ride and it's basically two books

1476

01:16:46,540 --> 01:16:43,400

and one now with that big thanks to Alan

1477

01:16:49,350 --> 01:16:46,550

again and apologies for the delay I told

1478

01:16:52,600 --> 01:16:49,360

him a little over a week and it's been

1479

01:16:54,910 --> 01:16:52,610

much longer than that I love you guys

1480

01:16:57,040 --> 01:16:54,920

hope you're all maintaining your sanity

1481

01:16:59,110 --> 01:16:57,050

out there plus members be on the lookout

1482

01:17:01,450 --> 01:16:59,120

for that email if you want to join the

1483

01:17:03,160 --> 01:17:01,460

bubble tea party with Gordon on Monday

1484

01:17:06,399 --> 01:17:03,170

and I'll talk to you then

1485

01:17:08,560 --> 01:17:06,409

your move what's its what have yous you

1486

01:17:14,529 --> 01:17:08,570

Fonuts and secret keepers of the black

1487

01:17:25,020 --> 01:17:19,720

woke up this morning with light in my

1488

01:17:28,500 --> 01:17:25,030

eyes and then realized it was done

1489

01:17:40,880 --> 01:17:34,150

it was the light coming down from the

1490

01:17:40,890 --> 01:17:43,130

you

1491

01:17:43,140 --> 01:17:47,870

must be those strangers

1492

01:17:58,680 --> 01:17:52,750

every night who's a saucer-shaped light

1493

01:18:08,500 --> 01:18:01,850

blue green footprints led

1494

01:18:14,330 --> 01:18:08,510

glow-in-the-dark I hope they get home

1495

01:18:14,330 --> 01:18:14,340

[Music]

1496

01:18:21,549 --> 01:18:20,490

mr. spaceman won't you please take me

1497

01:18:29,770 --> 01:18:21,559

along

1498

01:18:35,469 --> 01:18:29,780

I won't do anything wrong hey mr.

1499

01:18:40,770 --> 01:18:35,479

spaceman won't you please take me alone

1500

01:18:40,780 --> 01:18:46,230

moved up this morning

1501

01:18:56,549 --> 01:18:49,069

quite weird I had

1502

01:19:01,410 --> 01:18:59,020

open my window

1503

01:19:04,000 --> 01:19:01,420

written my name

1504

01:19:06,440 --> 01:19:04,010

[Music]

1505

01:19:16,000 --> 01:19:06,450

we'll see you

1506

01:19:27,540 --> 01:19:18,720

won't you please

1507

01:19:28,930 --> 01:19:27,550

I won't do anything wrong hey mr.

1508

01:19:31,590 --> 01:19:28,940

spaceman

1509

01:19:33,030 --> 01:19:31,600

[Music]

1510

01:19:41,180 --> 01:19:33,040

take me along

1511

01:19:44,300 --> 01:19:41,190

[Music]

1512

01:19:48,260 --> 01:19:44,310

mrs. face man

1513

01:19:55,020 --> 01:19:48,270

won't you please take me alone

1514

01:20:03,330 --> 01:19:58,670

[Music]

1515

01:20:13,070 --> 01:20:03,340

why don't you please take me along the

1516

01:20:18,750 --> 01:20:13,080

high tide won't you please take me along
