1
00:00:07,909 --> 00:00:05,570
hello higher side shatters you know it's

2
00:00:10,310 --> 00:00:07,919
not often I jump in before an interview

3
00:00:12,140 --> 00:00:10,320
to add context but a lot of

4
00:00:15,110 --> 00:00:12,150
unprecedented things are happenin these

5
00:00:17,810 --> 00:00:15,120
days of course as I've mentioned the

6
00:00:19,910 --> 00:00:17,820
coronavirus chaos really caused me to

7
00:00:22,189 --> 00:00:19,920
have to change up the order of

8
00:00:24,620 --> 00:00:22,199
interviews and scramble to get some that

9
00:00:27,439 --> 00:00:24,630
truly addressed the situation out to you

10
00:00:29,540 --> 00:00:27,449
first like I've said before it's kind of

11
00:00:32,870 --> 00:00:29,550
like recording for interviews right

12
00:00:34,820 --> 00:00:32,880
before 9/11 you can't just proceed as

13
00:00:37,340 --> 00:00:34,830

scheduled and have several weeks go by

14

00:00:40,190 --> 00:00:37,350

without addressing this big crazy

15

00:00:42,560 --> 00:00:40,200

situation that just happened and it's

16

00:00:44,600 --> 00:00:42,570

bittersweet because this was the main

17

00:00:47,120 --> 00:00:44,610

interview that kind of had to be put on

18

00:00:48,800 --> 00:00:47,130

the backburner and it's with a guest

19

00:00:52,550 --> 00:00:48,810

that I've been wanting to sit down with

20

00:00:56,570 --> 00:00:52,560

for years so I kind of hate to have this

21

00:00:58,760 --> 00:00:56,580

small asterisk on it but we did make it

22

00:01:00,800 --> 00:00:58,770

happen and I finally got a chance to ask

23

00:01:03,170 --> 00:01:00,810

him some of the things I've wanted to

24

00:01:07,430 --> 00:01:03,180

hear him weigh in on things we might

25

00:01:10,400 --> 00:01:07,440

call ufology or disclosure adjacent and

26

00:01:12,910 --> 00:01:10,410

then boom we kind of hit this full-on

27

00:01:16,580 --> 00:01:12,920

worldwide threat level midnight

28

00:01:18,830 --> 00:01:16,590

situation so I apologized to him for the

29

00:01:20,690 --> 00:01:18,840

long delay but towards the end of the

30

00:01:23,300 --> 00:01:20,700

first hour Richard does share his

31

00:01:25,520 --> 00:01:23,310

thoughts on the state of things and the

32

00:01:28,550 --> 00:01:25,530

technocracy and the surveillance state

33

00:01:31,880 --> 00:01:28,560

and in these new strange times just a

34

00:01:34,610 --> 00:01:31,890

few weeks later his words have even more

35

00:01:37,190 --> 00:01:34,620

weight I would say but I hope you're all

36

00:01:39,050 --> 00:01:37,200

keeping your humanity and really taking

37

00:01:42,590 --> 00:01:39,060

care of the people around you who need

38

00:01:44,300 --> 00:01:42,600

it and that said as I listened back to

39

00:01:46,430 --> 00:01:44,310

this one it's actually crazy how

40

00:01:49,969 --> 00:01:46,440

medicinal it is to hear a conversation

41

00:01:52,580 --> 00:01:49,979

from just three weeks ago when there was

42

00:01:55,790 --> 00:01:52,590

still some air left in the room for non

43

00:01:57,350 --> 00:01:55,800

virus related content but here we are

44

00:02:03,899 --> 00:01:57,360

let's get to it

45

00:02:09,249 --> 00:02:07,120

in the 1930s President Franklin Delano

46

00:02:11,800 --> 00:02:09,259

Roosevelt addressed the nation through a

47

00:02:14,740 --> 00:02:11,810

series of radio broadcast known as the

48

00:02:16,750 --> 00:02:14,750

fireside chats his aim was to reassure

49

00:02:18,520 --> 00:02:16,760

the common man that our society would

50

00:02:21,220 --> 00:02:18,530

recover from its troubled times

51
00:02:24,400 --> 00:02:21,230
well we're far from 1930 and I deal with

52
00:02:26,020 --> 00:02:24,410
a different kind of fire a worldly

53
00:02:28,990 --> 00:02:26,030
frustration we offer

54
00:02:34,120 --> 00:02:29,000
a brush conversation I'm Greg Carl wood

55
00:02:36,520 --> 00:02:34,130
and these are the higher side it's the

56
00:02:39,190 --> 00:02:36,530
end of the world as we know it people

57
00:02:40,900 --> 00:02:39,200
but I feel fine from sunny San Diego I'm

58
00:02:43,150 --> 00:02:40,910
Greg Carl wood just trying to navigate

59
00:02:45,759 --> 00:02:43,160
the rough and rugged waters of the vast

60
00:02:48,340 --> 00:02:45,769
conspiracy and despite our ongoing

61
00:02:50,500 --> 00:02:48,350
plethora of human problems from the

62
00:02:52,390 --> 00:02:50,510
societal slip into a screen obsessed

63
00:02:54,370 --> 00:02:52,400

dystopia surveillance state and a

64

00:02:56,080 --> 00:02:54,380

corporate capstone cabal of controllers

65

00:02:58,540 --> 00:02:56,090

hell-bent on feeding their monopoly

66

00:03:01,150 --> 00:02:58,550

mindset it's really the nonhuman

67

00:03:02,680 --> 00:03:01,160

problems that interest me most because

68

00:03:05,050 --> 00:03:02,690

from the oldest cave paintings and

69

00:03:07,090 --> 00:03:05,060

indigenous rituals to ancient texts that

70

00:03:09,940 --> 00:03:07,100

tell stories of fiery chariots and

71

00:03:12,250 --> 00:03:09,950

flying wheels it seems that something

72

00:03:15,190 --> 00:03:12,260

else has been interacting with mankind

73

00:03:17,620 --> 00:03:15,200

for about as far back as we can see pile

74

00:03:19,390 --> 00:03:17,630

on the rich Celtic lore of visitations

75

00:03:20,770 --> 00:03:19,400

exchanges and missing time from

76

00:03:23,350 --> 00:03:20,780

interactions with the little green

77

00:03:25,780 --> 00:03:23,360

people they call fairies Constantine's

78

00:03:27,370 --> 00:03:25,790

fiery cross in the sky centuries of

79

00:03:29,470 --> 00:03:27,380

spirits summoning from the grimoire

80

00:03:31,150 --> 00:03:29,480

tradition the american roswell the

81

00:03:33,460 --> 00:03:31,160

russian roswell the battle for los

82

00:03:36,400 --> 00:03:33,470

angeles event Marian apparitions the

83

00:03:39,100 --> 00:03:36,410

1952 White House flyover messages from

84

00:03:41,500 --> 00:03:39,110

Chandler's crop circles in oh yeah the

85

00:03:44,199 --> 00:03:41,510

bountiful cornucopia of contemporary

86

00:03:45,729 --> 00:03:44,209

contact experiences craft sightings and

87

00:03:47,949 --> 00:03:45,739

abductions that we know about and

88

00:03:50,560 --> 00:03:47,959

probably thousands more that just kept

89

00:03:52,390 --> 00:03:50,570

quiet add it all up and it almost makes

90

00:03:56,050 --> 00:03:52,400

you want to check the skies instead of

91

00:03:57,880 --> 00:03:56,060

Twitter almost but occasionally even I

92

00:03:59,740 --> 00:03:57,890

put my phone down long enough to wonder

93

00:04:01,960 --> 00:03:59,750

if we are seeing something akin to our

94

00:04:03,880 --> 00:04:01,970

non-human overlords checking up on the

95

00:04:06,220 --> 00:04:03,890

beans they built in our human terrarium

96

00:04:08,319 --> 00:04:06,230

or if too many magicians have left their

97

00:04:10,270 --> 00:04:08,329

portals open through the years or even

98

00:04:12,640 --> 00:04:10,280

if we're being bagged and tagged in some

99

00:04:15,050 --> 00:04:12,650

cosmic human wildlife preserve or

100

00:04:17,720 --> 00:04:15,060

alien-human hybrid program

101
00:04:19,940 --> 00:04:17,730
well big questions require big guests

102
00:04:21,979 --> 00:04:19,950
and we got the grand pooh-bah of UFO

103
00:04:22,910 --> 00:04:21,989
politics and alien encounter studies

104
00:04:25,129 --> 00:04:22,920
with us today

105
00:04:26,990 --> 00:04:25,139
his name is Richard Dolan and he's one

106
00:04:28,879 --> 00:04:27,000
of the world's leading researchers and

107
00:04:32,030 --> 00:04:28,889
writers on these subjects with books

108
00:04:35,060 --> 00:04:32,040
like UFOs for the 21st century mind ad

109
00:04:37,580 --> 00:04:35,070
after disclosure and the amazing and

110
00:04:39,710 --> 00:04:37,590
ongoing series UFOs in the national

111
00:04:41,629 --> 00:04:39,720
security state just to name a few if

112
00:04:43,970 --> 00:04:41,639
that wasn't enough he's also a

113
00:04:46,460 --> 00:04:43,980

conspiracy hip historian and has put out

114

00:04:49,540 --> 00:04:46,470

an amazing series on false flags for guy

115

00:04:52,310 --> 00:04:49,550

a TV that is truly unlike anything else

116

00:04:54,230 --> 00:04:52,320

he's appeared nearly everywhere an alien

117

00:04:56,120 --> 00:04:54,240

enthusiasts could appear and it's a real

118

00:04:59,090 --> 00:04:56,130

treat to have him here today the great

119

00:05:01,400 --> 00:04:59,100

guru of UFO history the academic alien

120

00:05:03,380 --> 00:05:01,410

encounter analyzer and the granddaddy of

121

00:05:04,280 --> 00:05:03,390

disclosure discourse the almighty

122

00:05:06,770 --> 00:05:04,290

Richard Dolan

123

00:05:08,659 --> 00:05:06,780

welcome to the higher side Thank You

124

00:05:12,080 --> 00:05:08,669

Greg at least I get the guru and

125

00:05:14,930 --> 00:05:12,090

Almighty phrases in there so it's about

126

00:05:17,210 --> 00:05:14,940

time yes yes man I had to do it you are

127

00:05:18,800 --> 00:05:17,220

one of the Great's and I just wanted to

128

00:05:21,290 --> 00:05:18,810

roll out the digital red carpet

129

00:05:23,000 --> 00:05:21,300

appropriately I was trying not to thank

130

00:05:25,880 --> 00:05:23,010

you very much as extremely nice of you

131

00:05:27,050 --> 00:05:25,890

I'm glad to be on here and I'm looking

132

00:05:28,690 --> 00:05:27,060

forward to this I have a feeling we're

133

00:05:31,400 --> 00:05:28,700

gonna have a really great conversation I

134

00:05:33,710 --> 00:05:31,410

agree and I have read most your work

135

00:05:36,140 --> 00:05:33,720

seem several conference presentations

136

00:05:38,120 --> 00:05:36,150

and it amazes me that so many people

137

00:05:40,760 --> 00:05:38,130

still think this is all much ado about

138

00:05:43,010 --> 00:05:40,770

nothing when the truth is to say there's

139

00:05:45,620 --> 00:05:43,020

no evidence for non-human contact is

140

00:05:47,600 --> 00:05:45,630

actually the anti intellectual or even

141

00:05:49,640 --> 00:05:47,610

faith-based position you know saying I

142

00:05:51,620 --> 00:05:49,650

don't want to believe because there's no

143

00:05:53,150 --> 00:05:51,630

shortage of things to point to is there

144

00:05:55,969 --> 00:05:53,160

oh absolutely

145

00:05:59,570 --> 00:05:55,979

I started on this road more than 25

146

00:06:02,120 --> 00:05:59,580

years ago now and it was always and has

147

00:06:04,490 --> 00:06:02,130

always been an evidence-based quest so

148

00:06:07,909 --> 00:06:04,500

when I started I was still in my 30s

149

00:06:10,400 --> 00:06:07,919

early 30s and I had a very simple

150

00:06:12,560 --> 00:06:10,410

question which is there appear to be

151
00:06:14,960 --> 00:06:12,570
some serious minded people who are

152
00:06:16,400 --> 00:06:14,970
taking this subject seriously and I'd

153
00:06:18,830 --> 00:06:16,410
like to know are they onto something or

154
00:06:21,050 --> 00:06:18,840
should I just ignore this and so I began

155
00:06:24,440 --> 00:06:21,060
to just find out what is it that these

156
00:06:25,909 --> 00:06:24,450
believers actually have as evidence how

157
00:06:27,170 --> 00:06:25,919
strong is the evidence and so on and I

158
00:06:28,970 --> 00:06:27,180
thought well I'll just take a few months

159
00:06:30,920 --> 00:06:28,980
out of my life and look into it

160
00:06:33,380 --> 00:06:30,930
and find out for myself and of course

161
00:06:35,450 --> 00:06:33,390
that was in the early 1990s I've never

162
00:06:38,690 --> 00:06:35,460
stopped what I discovered is that in

163
00:06:40,580 --> 00:06:38,700

terms of the modern emphasis of this a

164

00:06:42,310 --> 00:06:40,590

modern phenomenon you know since world

165

00:06:44,810 --> 00:06:42,320

war ii there's an overwhelming

166

00:06:47,780 --> 00:06:44,820

shockingly large amount of documentation

167

00:06:50,870 --> 00:06:47,790

proving not hinting not suggesting but

168

00:06:51,980 --> 00:06:50,880

proving that the United States military

169

00:06:54,140 --> 00:06:51,990

the United States intelligence community

170

00:06:56,840 --> 00:06:54,150

has been concerned about this phenomenon

171

00:06:58,460 --> 00:06:56,850

they don't know what it is this has been

172

00:06:59,840 --> 00:06:58,470

going on over and over and it's not only

173

00:07:02,090 --> 00:06:59,850

the United States so you've got the

174

00:07:04,670 --> 00:07:02,100

Russian the Soviet Union cases you've

175

00:07:06,920 --> 00:07:04,680

got other nations Britain France all

176

00:07:10,220 --> 00:07:06,930

other modern militaries have encountered

177

00:07:12,740 --> 00:07:10,230

these phenomena these objects that don't

178

00:07:14,540 --> 00:07:12,750

look like ordinary aircraft they don't

179

00:07:17,870 --> 00:07:14,550

behave like ordinary aircraft we don't

180

00:07:19,880 --> 00:07:17,880

have any conventional explanation for

181

00:07:21,590 --> 00:07:19,890

them and it's one thing for them to say

182

00:07:23,210 --> 00:07:21,600

well we don't know what they are maybe

183

00:07:26,340 --> 00:07:23,220

they're misinterpretation of natural

184

00:07:29,880 --> 00:07:26,350

phenomena but then when you

185

00:07:32,160 --> 00:07:29,890

glean the Declassified literature and

186

00:07:34,890 --> 00:07:32,170

there's enough of it that it is

187

00:07:36,690 --> 00:07:34,900

unarguable you see that they were not

188

00:07:38,190 --> 00:07:36,700

believing those explanations they were

189

00:07:40,380 --> 00:07:38,200

taking this very seriously and they've

190

00:07:42,780 --> 00:07:40,390

never stock so we've got a real mystery

191

00:07:46,650 --> 00:07:42,790

on our hands and once I realized that

192

00:07:49,470 --> 00:07:46,660

fact early on in my research of doing

193

00:07:50,970 --> 00:07:49,480

this that the government was lying at

194

00:07:53,790 --> 00:07:50,980

the same time that they were deeply

195

00:07:56,400 --> 00:07:53,800

engaged in this I was hooked and I've

196

00:07:58,140 --> 00:07:56,410

been hooked ever since and so you go

197

00:08:01,680 --> 00:07:58,150

deeper and deeper into it into this

198

00:08:04,260 --> 00:08:01,690

phenomenon and realize well if they're

199

00:08:07,230 --> 00:08:04,270

lying about this what else do they lie

200

00:08:11,310 --> 00:08:07,240

about like for me the UFO subject was

201
00:08:14,640 --> 00:08:11,320
the wedge that opened up everything else

202
00:08:17,100 --> 00:08:14,650
that made me question the veracity of

203
00:08:19,230 --> 00:08:17,110
what I hear in the kind of Alice in

204
00:08:21,750 --> 00:08:19,240
Wonderland fairy tale world that we live

205
00:08:24,600 --> 00:08:21,760
in them mm-hmm well said I'm definitely

206
00:08:26,580 --> 00:08:24,610
driven by similar thoughts and feelings

207
00:08:28,170 --> 00:08:26,590
our old theme song used to say we know

208
00:08:30,120 --> 00:08:28,180
they're lying to us just don't know to

209
00:08:32,040 --> 00:08:30,130
what degree which does allow for you to

210
00:08:35,010 --> 00:08:32,050
really explore a whole plethora of

211
00:08:37,170 --> 00:08:35,020
things and I really love having guests

212
00:08:39,150 --> 00:08:37,180
who have a crossover expertise like

213
00:08:41,520 --> 00:08:39,160

someone who could compare fairy lore

214

00:08:43,920 --> 00:08:41,530

with abductions or a cult ritual spirits

215

00:08:45,900 --> 00:08:43,930

I mean with alien encounters and what's

216

00:08:48,270 --> 00:08:45,910

great about you is that you are a

217

00:08:51,300 --> 00:08:48,280

knowledgeable historian who has a lot of

218

00:08:53,700 --> 00:08:51,310

insight into how governments operate how

219

00:08:55,800 --> 00:08:53,710

intelligence agencies maneuver in

220

00:08:58,170 --> 00:08:55,810

general and then you add this UFO

221

00:09:01,440 --> 00:08:58,180

history and while I don't think we'll

222

00:09:03,660 --> 00:09:01,450

ever see top-down disclosure it's having

223

00:09:06,540 --> 00:09:03,670

this context for both that put you in

224

00:09:09,540 --> 00:09:06,550

this upper class so I guess let me ask

225

00:09:13,470 --> 00:09:09,550

when you assess UFO culture let's say

226

00:09:15,630 --> 00:09:13,480

what are the general UFO researchers

227

00:09:18,270 --> 00:09:15,640

missing when it comes to the intricacies

228

00:09:20,550 --> 00:09:18,280

or nuances of how governments and

229

00:09:23,850 --> 00:09:20,560

intelligent agencies actually handle

230

00:09:27,750 --> 00:09:23,860

secrets of this magnitude one thing that

231

00:09:29,910 --> 00:09:27,760

I would say god I hate to make this

232

00:09:33,120 --> 00:09:29,920

sound like I'm ripping on other

233

00:09:34,560 --> 00:09:33,130

researchers but I will just say the vast

234

00:09:36,420 --> 00:09:34,570

majority of researchers that I've

235

00:09:39,360 --> 00:09:36,430

encountered to engage in the UFO subject

236

00:09:40,020 --> 00:09:39,370

don't really know history they don't

237

00:09:42,690 --> 00:09:40,030

really understand

238

00:09:47,490 --> 00:09:42,700

and international geopolitics very well

239

00:09:51,270 --> 00:09:47,500

at all so they missed this huge element

240

00:09:53,240 --> 00:09:51,280

of the problem in terms of how this

241

00:09:56,100 --> 00:09:53,250

whole thing breaks down internationally

242

00:10:00,550 --> 00:09:56,110

what are the actual goals of the United

243

00:10:03,390 --> 00:10:00,560

States part of this

244

00:10:05,740 --> 00:10:03,400

there's just not a lot of knowledge so

245

00:10:07,750 --> 00:10:05,750

actually it's a frustration for me when

246

00:10:10,780 --> 00:10:07,760

I talk to it other colleagues people who

247

00:10:13,360 --> 00:10:10,790

I love in a door people who I don't care

248

00:10:15,340 --> 00:10:13,370

for as much it doesn't matter I find

249

00:10:18,630 --> 00:10:15,350

that there's this massive hole in

250

00:10:20,950 --> 00:10:18,640

historical knowledge just in general or

251

00:10:22,600 --> 00:10:20,960

skewed you know it's strong in one

252

00:10:23,829 --> 00:10:22,610

particular area but is very weak in

253

00:10:26,680 --> 00:10:23,839

others and that includes the whole

254

00:10:30,820 --> 00:10:26,690

ancient history part of it the ancient

255

00:10:33,640 --> 00:10:30,830

alien theorists of ancient history I

256

00:10:36,930 --> 00:10:33,650

don't talk about it a lot but I'm a very

257

00:10:41,140 --> 00:10:36,940

engaged very active avid student of

258

00:10:43,900 --> 00:10:41,150

ancient history all phases

259

00:10:47,050 --> 00:10:43,910

you could tell you like I'm a non-stop

260

00:10:48,790 --> 00:10:47,060

reader so so even like at the end of the

261

00:10:50,650 --> 00:10:48,800

night I'm in bed I've got the Kindle and

262

00:10:53,140 --> 00:10:50,660

I'm reading some early medieval history

263

00:10:56,140 --> 00:10:53,150

or some ancient prehistory it's a huge

264

00:10:58,030 --> 00:10:56,150

thing of mine and I find it a

265

00:11:02,130 --> 00:10:58,040

frustration frequently when I hear

266

00:11:04,260 --> 00:11:02,140

people who are talking about ancient

267

00:11:05,850 --> 00:11:04,270

anomalies

268

00:11:08,010 --> 00:11:05,860

and it's obvious to me they know nothing

269

00:11:11,520 --> 00:11:08,020

about the ancient cultures that they're

270

00:11:13,200 --> 00:11:11,530

talking about or very little and so to

271

00:11:14,310 --> 00:11:13,210

me that's a frustration is it's a lack

272

00:11:16,740 --> 00:11:14,320

of historical knowledge and

273

00:11:18,440 --> 00:11:16,750

understanding and particularly in the

274

00:11:21,450 --> 00:11:18,450

modern era a lack of international

275

00:11:23,960 --> 00:11:21,460

geopolitical understanding hmm yes

276

00:11:25,950 --> 00:11:23,970

cheers to that it is really a

277

00:11:27,990 --> 00:11:25,960

multidisciplinary thing even if you

278

00:11:30,840 --> 00:11:28,000

don't want it to be yeah I know you know

279

00:11:32,700 --> 00:11:30,850

Gordon white and you know has starting a

280

00:11:35,100 --> 00:11:32,710

conspiracy show a lot of people talk

281

00:11:37,500 --> 00:11:35,110

about magic in this context really

282

00:11:39,300 --> 00:11:37,510

provocative stuff and he was one of the

283

00:11:41,280 --> 00:11:39,310

first ones to say to me well they don't

284

00:11:43,860 --> 00:11:41,290

know anything about magic they might

285

00:11:46,320 --> 00:11:43,870

like conspiracy but you can tell they're

286

00:11:49,590 --> 00:11:46,330

magic knowledge is just in the toilet

287

00:11:51,660 --> 00:11:49,600

and so in many ways like you really have

288

00:11:54,150 --> 00:11:51,670

to brush up on so many different areas

289

00:11:56,640 --> 00:11:54,160

to do this kind of thing right luckily I

290

00:11:58,320 --> 00:11:56,650

just ask the questions right well I'm a

291

00:12:01,110 --> 00:11:58,330

big fans portent by the way I

292

00:12:03,660 --> 00:12:01,120

interviewed him on my program about a

293

00:12:06,510 --> 00:12:03,670

year ago I guess he's brilliant first of

294

00:12:09,290 --> 00:12:06,520

all and the thing that I love though is

295

00:12:12,870 --> 00:12:09,300

it's true I Gordon brings this other

296

00:12:15,780 --> 00:12:12,880

element of expertise which just simply

297

00:12:18,000 --> 00:12:15,790

means he has another perspective on this

298

00:12:20,310 --> 00:12:18,010

subject that's quite valuable and very

299

00:12:22,230 --> 00:12:20,320

few people offer so I found myself

300

00:12:24,750 --> 00:12:22,240

learning a lot when I spoke with Gordon

301
00:12:26,940 --> 00:12:24,760
about this right on right on yes over

302
00:12:28,620 --> 00:12:26,950
the past ten years he's been here more

303
00:12:30,360 --> 00:12:28,630
than any other guest right so that's

304
00:12:32,280 --> 00:12:30,370
kind of funny but I also know that

305
00:12:34,860 --> 00:12:32,290
you're known for coining the term

306
00:12:37,710 --> 00:12:34,870
breakaway civilization hats off to yeah

307
00:12:39,990 --> 00:12:37,720
I love a good term coining and let's

308
00:12:43,110 --> 00:12:40,000
fold that in because it's not just that

309
00:12:45,240 --> 00:12:43,120
some intelligent agencies are keeping a

310
00:12:47,760 --> 00:12:45,250
secret it's that the black budget

311
00:12:49,050 --> 00:12:47,770
accounting is off by several trillion

312
00:12:52,140 --> 00:12:49,060
dollars it's pretty well established

313
00:12:54,990 --> 00:12:52,150

that somewhere some people have been

314

00:12:57,630 --> 00:12:55,000

working with recovered technology and if

315

00:13:01,110 --> 00:12:57,640

that's yielded results those who have it

316

00:13:03,090 --> 00:13:01,120

would seem too advanced to contain what

317

00:13:04,740 --> 00:13:03,100

are your thoughts on the state of any

318

00:13:06,540 --> 00:13:04,750

potential development of alien

319

00:13:09,480 --> 00:13:06,550

technology or a group of people who

320

00:13:12,630 --> 00:13:09,490

might be beyond being under the thumb of

321

00:13:15,720 --> 00:13:12,640

any traditional earthly government okay

322

00:13:17,650 --> 00:13:15,730

there's a lot there so let me just start

323

00:13:20,740 --> 00:13:17,660

with the likelihood of

324

00:13:23,170 --> 00:13:20,750

attempts to reverse-engineer tech that

325

00:13:26,470 --> 00:13:23,180

doesn't come from our civilization my

326

00:13:30,100 --> 00:13:26,480

view on this is that this is a virtual

327

00:13:33,040 --> 00:13:30,110

certainty I say virtual I haven't been

328

00:13:35,770 --> 00:13:33,050

to the labs I haven't I haven't spoken

329

00:13:37,530 --> 00:13:35,780

directly to anyone who's been in the

330

00:13:39,480 --> 00:13:37,540

labs

331

00:13:41,960 --> 00:13:39,490

I have spoken to people who claim to

332

00:13:44,579 --> 00:13:41,970

have some deep inside knowledge of it

333

00:13:46,829 --> 00:13:44,589

I've talked about the conversation I had

334

00:13:49,170 --> 00:13:46,839

many years ago with the late astronaut

335

00:13:52,530 --> 00:13:49,180

Edgar Mitchell who told me that he knew

336

00:13:54,930 --> 00:13:52,540

from two specific individuals that had

337

00:13:58,800 --> 00:13:54,940

deeply classified levels we had

338

00:14:00,150 --> 00:13:58,810

technology and bodies alien technology

339

00:14:01,620 --> 00:14:00,160

and alien bodies that were being worked

340

00:14:04,410 --> 00:14:01,630

on and I've spoken to other people as

341

00:14:06,240 --> 00:14:04,420

well and I have every confidence in

342

00:14:08,850 --> 00:14:06,250

those sources on top of that I've gone

343

00:14:10,650 --> 00:14:08,860

through the research from many decades

344

00:14:13,800 --> 00:14:10,660

ago people like the late Leonard

345

00:14:16,110 --> 00:14:13,810

Stringfield oh I'm a huge fan of who

346

00:14:20,100 --> 00:14:16,120

interviewed dozens scores of individuals

347

00:14:22,950 --> 00:14:20,110

who got these accounts of reverse

348

00:14:24,510 --> 00:14:22,960

engineering alien tech and bodies so

349

00:14:26,090 --> 00:14:24,520

I think that's exactly right I think

350

00:14:30,830 --> 00:14:26,100

that's exactly what's been happening in

351

00:14:33,310 --> 00:14:30,840

terms of how deep it goes

352

00:14:35,480 --> 00:14:33,320

that's really the question about in

353

00:14:37,330 --> 00:14:35,490

2007-2008 I coined that phrase breakaway

354

00:14:40,000 --> 00:14:37,340

civilization

355

00:14:42,880 --> 00:14:40,010

and since you're saying to see how

356

00:14:45,100 --> 00:14:42,890

that's gotten into the culture my take

357

00:14:46,890 --> 00:14:45,110

on it is very simple I think of a

358

00:14:50,220 --> 00:14:46,900

breakaway civilization as a black-budget

359

00:14:54,370 --> 00:14:50,230

culture kind of on steroids if you

360

00:14:56,020 --> 00:14:54,380

recognize that our classified world you

361

00:14:58,270 --> 00:14:56,030

know classified technology they'll keep

362

00:14:58,690 --> 00:14:58,280

things from us we all know that this is

363

00:15:00,910 --> 00:14:58,700

true

364

00:15:02,620 --> 00:15:00,920

I've spoken many times of a conversation

365

00:15:05,530 --> 00:15:02,630

I had with a former NSA scientist

366

00:15:09,190 --> 00:15:05,540

civilian scientists back in the 60s who

367

00:15:11,620 --> 00:15:09,200

told me that in 1965 the NSA had a

368

00:15:12,840 --> 00:15:11,630

computer running at a clock speed of 600

369

00:15:16,000 --> 00:15:12,850

megahertz

370

00:15:19,480 --> 00:15:16,010

that's very slow by today's standards

371

00:15:22,090 --> 00:15:19,490

but in 1965 a there were no personal

372

00:15:23,620 --> 00:15:22,100

computers and B there was no personal

373

00:15:26,350 --> 00:15:23,630

computer that reached that clock speed

374

00:15:29,590 --> 00:15:26,360

till the year 2000 so 35 years later so

375

00:15:32,380 --> 00:15:29,600

the NSA which was virtually secret

376

00:15:33,530 --> 00:15:32,390

agency in 1965 practically no one knew

377

00:15:35,689 --> 00:15:33,540

about it

378

00:15:37,819 --> 00:15:35,699

had probably the fastest computer in the

379

00:15:40,639 --> 00:15:37,829

world and was decades and decades ahead

380

00:15:43,900 --> 00:15:40,649

of the rest of us so if you take that

381

00:15:47,749 --> 00:15:43,910

and you factor in ET tech alien tech and

382

00:15:50,860 --> 00:15:47,759

you factor in the incredible reality as

383

00:15:53,740 --> 00:15:50,870

we're now learning of privatised secrecy

384

00:15:57,499 --> 00:15:53,750

privatize special access programs and

385

00:16:01,280 --> 00:15:57,509

you begin to understand just how deep

386

00:16:03,800 --> 00:16:01,290

and how secure those privatized programs

387

00:16:05,930 --> 00:16:03,810

are they are absolutely impervious to

388

00:16:08,389 --> 00:16:05,940

Public Freedom of Information requests

389

00:16:11,030 --> 00:16:08,399

so when you look at all of that you have

390

00:16:13,170 --> 00:16:11,040

to ask yourself what is the likelihood

391

00:16:16,350 --> 00:16:13,180

that ET tech

392

00:16:20,610 --> 00:16:16,360

has been worked on the results of that

393

00:16:22,470 --> 00:16:20,620

Tec classified allowing those scientists

394

00:16:24,750 --> 00:16:22,480

to build on their own classified

395

00:16:27,120 --> 00:16:24,760

breakthroughs but of course the rest of

396

00:16:28,680 --> 00:16:27,130

us are held back on this and so that

397

00:16:32,220 --> 00:16:28,690

breakaway science that breakthrough

398

00:16:36,210 --> 00:16:32,230

science would allow them to have new

399

00:16:38,220 --> 00:16:36,220

ideas new capabilities a new cosmology

400

00:16:40,320 --> 00:16:38,230

that would qualify them as a separate

401
00:16:42,930 --> 00:16:40,330
civilization literally when you really

402
00:16:44,550 --> 00:16:42,940
ask yourself what is it that creates the

403
00:16:47,130 --> 00:16:44,560
boundaries of the civilization what is

404
00:16:49,050 --> 00:16:47,140
it how do we define it so that was the

405
00:16:51,090 --> 00:16:49,060
idea that they've broken away now the

406
00:16:52,500 --> 00:16:51,100
idea that they don't answer to standard

407
00:16:54,990 --> 00:16:52,510
governments I think that's right they

408
00:16:57,030 --> 00:16:55,000
don't but you don't even need the idea

409
00:17:00,050 --> 00:16:57,040
of a breakaway civilization for that all

410
00:17:03,240 --> 00:17:00,060
one has to do is study the history of

411
00:17:05,910 --> 00:17:03,250
wealth the elite of the elite you know

412
00:17:08,370 --> 00:17:05,920
back in the 1960s a author named

413
00:17:10,350 --> 00:17:08,380

Ferdinand Lundberg wrote a book called

414

00:17:12,690 --> 00:17:10,360

the rich and the super-rich I highly

415

00:17:14,220 --> 00:17:12,700

recommend this book Lundberg had done a

416

00:17:17,520 --> 00:17:14,230

previous book in the thirties called

417

00:17:20,100 --> 00:17:17,530

America's 60 willing families he studied

418

00:17:20,940 --> 00:17:20,110

the highest level of wealth the

419

00:17:22,100 --> 00:17:20,950

Rockefellers

420

00:17:23,870 --> 00:17:22,110

[Music]

421

00:17:26,780 --> 00:17:23,880

Rothschilds and the Morgans and so forth

422

00:17:29,120 --> 00:17:26,790

and what Lundberg recognized is that

423

00:17:30,950 --> 00:17:29,130

these aren't just ordinary rich people

424

00:17:33,680 --> 00:17:30,960

who have better houses better cars than

425

00:17:36,680 --> 00:17:33,690

you and me these are individuals who can

426
00:17:40,940 --> 00:17:36,690
purchase governments who can purchase

427
00:17:42,980 --> 00:17:40,950
entire regions of domains of power they

428
00:17:44,210 --> 00:17:42,990
don't look at the world the way we look

429
00:17:46,730 --> 00:17:44,220
at the world and they don't look at us

430
00:17:49,220 --> 00:17:46,740
the way we look at us so these are

431
00:17:51,590 --> 00:17:49,230
people who actually run governments and

432
00:17:53,210 --> 00:17:51,600
that is why precisely why they have

433
00:17:55,549 --> 00:17:53,220
meetings like the Bilderberg meeting

434
00:17:57,710 --> 00:17:55,559
what does that actually mean it means

435
00:17:59,630 --> 00:17:57,720
that you've got the top movers and

436
00:18:01,700 --> 00:17:59,640
shakers in this world who get together

437
00:18:03,590 --> 00:18:01,710
very quietly at their five-star hotels

438
00:18:05,450 --> 00:18:03,600

and they talk to each other about how

439

00:18:07,610 --> 00:18:05,460

they think the world should be that's

440

00:18:09,380 --> 00:18:07,620

precisely what they do and then they go

441

00:18:11,270 --> 00:18:09,390

back to their various loci of power and

442

00:18:13,039 --> 00:18:11,280

they implement that to the best of their

443

00:18:15,169 --> 00:18:13,049

ability which is usually a very great

444

00:18:17,169 --> 00:18:15,179

ability and that's what happens that's

445

00:18:19,549 --> 00:18:17,179

how the Bilderbergers create the

446

00:18:21,650 --> 00:18:19,559

European Union among many other things

447

00:18:24,500 --> 00:18:21,660

they started the Common Market back in

448

00:18:27,260 --> 00:18:24,510

the 50s that was their idea and on and

449

00:18:29,330 --> 00:18:27,270

on and on are the examples so that's how

450

00:18:31,760 --> 00:18:29,340

it works and that's beyond nations

451
00:18:35,080 --> 00:18:31,770
mm-hmm that is beyond the nation-state

452
00:18:38,510 --> 00:18:35,090
so in terms of a breakaway civilization

453
00:18:43,370 --> 00:18:38,520
we're talking the same basic idea they

454
00:18:45,919 --> 00:18:43,380
are beyond we're talking privatized /

455
00:18:47,690 --> 00:18:45,929
public but mostly privatized power that

456
00:18:50,690 --> 00:18:47,700
works through public institutions like

457
00:18:52,730 --> 00:18:50,700
national governments so they wield a lot

458
00:18:55,390 --> 00:18:52,740
of power they will go out of money power

459
00:18:58,010 --> 00:18:55,400
and they wield a lot of tech power

460
00:19:00,710 --> 00:18:58,020
getting through this and figuring out

461
00:19:03,049 --> 00:19:00,720
how this labyrinth works I've been

462
00:19:05,840 --> 00:19:03,059
trying to do that for many years now I'm

463
00:19:07,610 --> 00:19:05,850

not at the endgame of it but I do get to

464

00:19:09,680 --> 00:19:07,620

talk with some other very knowledgeable

465

00:19:12,140 --> 00:19:09,690

people every now and then and be trying

466

00:19:14,480 --> 00:19:12,150

to figure this out it's not easy but we

467

00:19:16,430 --> 00:19:14,490

work on it mmm yes

468

00:19:19,250 --> 00:19:16,440

cheers to that well said you're speaking

469

00:19:21,919 --> 00:19:19,260

my language and you mentioned the bodies

470

00:19:24,500 --> 00:19:21,929

and that makes me think of this thing

471

00:19:27,680 --> 00:19:24,510

you know if we you know America lost

472

00:19:31,280 --> 00:19:27,690

some citizens or bodies to a foreign

473

00:19:35,450 --> 00:19:31,290

nation we tend to go get them or at

474

00:19:38,930 --> 00:19:35,460

least try and I wonder why we haven't

475

00:19:40,399 --> 00:19:38,940

that with these alien entities any

476

00:19:43,760 --> 00:19:40,409

thoughts on that why they haven't tried

477

00:19:45,889 --> 00:19:43,770

to recover their own bodies well we only

478

00:19:48,080 --> 00:19:45,899

as a nation try to do that when it

479

00:19:50,269 --> 00:19:48,090

becomes a public issue and a necessity

480

00:19:53,389 --> 00:19:50,279

there usually what you'll find is

481

00:19:55,460 --> 00:19:53,399

government agencies will beg or pray to

482

00:19:57,049 --> 00:19:55,470

let these things go under the rug so

483

00:19:59,990 --> 00:19:57,059

they don't have to do anything about it

484

00:20:01,399 --> 00:20:00,000

that's why we have these cover-ups you

485

00:20:03,010 --> 00:20:01,409

know back in the 70s when cattle

486

00:20:05,510 --> 00:20:03,020

mutilations were becoming a big thing

487

00:20:07,159 --> 00:20:05,520

the last thing that the FBI or the

488

00:20:08,630 --> 00:20:07,169

government wanted to do is recognize it

489

00:20:10,159 --> 00:20:08,640

as a problem because then they would

490

00:20:11,539 --> 00:20:10,169

have to do something about it with any

491

00:20:13,880 --> 00:20:11,549

of these things if the government

492

00:20:15,289 --> 00:20:13,890

recognizes UFOs are real then they have

493

00:20:17,750 --> 00:20:15,299

to do something about it if they

494

00:20:19,820 --> 00:20:17,760

recognize that citizens are disappearing

495

00:20:22,070 --> 00:20:19,830

then they have to do something about it

496

00:20:25,039 --> 00:20:22,080

that's always a problem so first thing

497

00:20:27,560 --> 00:20:25,049

is they would rather not do anything

498

00:20:31,149 --> 00:20:27,570

about it but it's true like if this were

499

00:20:36,679 --> 00:20:34,579

which you know our governments up until

500

00:20:39,459 --> 00:20:36,689

now have studiously tried to avoid

501
00:20:42,019 --> 00:20:39,469
making one but if it were to become one

502
00:20:44,179 --> 00:20:42,029
well this is a problem that could easily

503
00:20:46,729 --> 00:20:44,189
spiral out of control if people were to

504
00:20:49,440 --> 00:20:46,739
get worked up over this because we do

505
00:20:51,820 --> 00:20:49,450
have a situation of people

506
00:20:56,210 --> 00:20:51,830
apparently let me just say that being

507
00:21:00,320 --> 00:20:56,220
taken certainly against their will

508
00:21:02,630 --> 00:21:00,330
brought back you've got then allegations

509
00:21:04,340 --> 00:21:02,640
that I mean we have lots of disappearing

510
00:21:05,990 --> 00:21:04,350
people happens all the time so the real

511
00:21:09,890 --> 00:21:06,000
question is do those people who

512
00:21:11,560 --> 00:21:09,900
disappear go somewhere not nice that our

513
00:21:14,390 --> 00:21:11,570

government has no control over and

514

00:21:16,250 --> 00:21:14,400

that's question I don't have a full

515

00:21:18,500 --> 00:21:16,260

answer to that I mean I've got ideas and

516

00:21:21,799 --> 00:21:18,510

so on but you're bringing up an

517

00:21:24,200 --> 00:21:21,809

important point here and how that gets

518

00:21:28,330 --> 00:21:24,210

resolved I'm not so sure I think we're a

519

00:21:30,289 --> 00:21:28,340

powerless against a lot of this that's

520

00:21:34,870 --> 00:21:30,299

unfortunately the case like I just don't

521

00:21:38,120 --> 00:21:34,880

think we've got the ability to deal

522

00:21:41,330 --> 00:21:38,130

fully with this phenomenon on an equal

523

00:21:43,700 --> 00:21:41,340

basis yes that's absolutely true and

524

00:21:45,140 --> 00:21:43,710

yeah I just wonder about like on the

525

00:21:47,779 --> 00:21:45,150

alien homeworld

526

00:21:49,850 --> 00:21:47,789

if someone says my brother never came

527

00:21:51,950 --> 00:21:49,860

home you know he went down to earth and

528

00:21:53,960 --> 00:21:51,960

crashed and he's stuck down there and

529

00:21:56,450 --> 00:21:53,970

they get their alien government to go

530

00:21:58,100 --> 00:21:56,460

and get the alien bodies that we have

531

00:21:59,840 --> 00:21:58,110

store away you know what I mean it just

532

00:22:02,060 --> 00:21:59,850

seems like they're the ones who let

533

00:22:03,890 --> 00:22:02,070

their bodies stay here but you make a

534

00:22:05,480 --> 00:22:03,900

good point about governments don't

535

00:22:07,610 --> 00:22:05,490

really want to do things they have to do

536

00:22:09,529 --> 00:22:07,620

it's like the EPA with all the lead

537

00:22:10,850 --> 00:22:09,539

pipes in the ground it's like if you're

538

00:22:12,649 --> 00:22:10,860

not gonna complain about it we're gonna

539

00:22:14,510 --> 00:22:12,659

tell you it's probably fine oh yeah

540

00:22:16,760 --> 00:22:14,520

absolutely that's the easiest simplest

541

00:22:18,080 --> 00:22:16,770

way this basically you know you've got

542

00:22:19,640 --> 00:22:18,090

the everyone's afraid of a lawsuit

543

00:22:22,419 --> 00:22:19,650

otherwise I don't think they would

544

00:22:24,740 --> 00:22:22,429

really care as far as alien psychology

545

00:22:26,510 --> 00:22:24,750

you know you can prompt us to think well

546

00:22:28,820 --> 00:22:26,520

what would their psychology be and

547

00:22:32,659 --> 00:22:28,830

that's a good thing to wonder about I

548

00:22:34,730 --> 00:22:32,669

have wondered about it and my only guess

549

00:22:36,950 --> 00:22:34,740

is that their psychology is very likely

550

00:22:39,140 --> 00:22:36,960

very different from ours a we have to

551

00:22:41,390 --> 00:22:39,150

wonder are they biological in the way

552

00:22:44,450 --> 00:22:41,400

that we are are they born do they have

553

00:22:47,000 --> 00:22:44,460

mothers do they nurse do they bond with

554

00:22:48,799 --> 00:22:47,010

mothers and fathers and siblings do they

555

00:22:52,399 --> 00:22:48,809

have in other words that emotional

556

00:22:54,620 --> 00:22:52,409

foundation that humans have that define

557

00:22:56,779 --> 00:22:54,630

the core of our very being frankly I

558

00:22:59,210 --> 00:22:56,789

mean we are defined because we're

559

00:23:01,190 --> 00:22:59,220

mammals and we nurse at our mother's

560

00:23:03,500 --> 00:23:01,200

breast when you really think about it so

561

00:23:06,980 --> 00:23:03,510

we're driven by a need for love we're

562

00:23:10,000 --> 00:23:06,990

driven by a need for intimacy and we're

563

00:23:12,700 --> 00:23:10,010

always looking for it but do they

564

00:23:14,590 --> 00:23:12,710

and they may not especially if they're

565

00:23:17,650 --> 00:23:14,600

artificially grown if they're

566

00:23:19,270 --> 00:23:17,660

genetically modified I think that is

567

00:23:23,110 --> 00:23:19,280

very likely the case and so I would

568

00:23:26,770 --> 00:23:23,120

expect it their psychological reactions

569

00:23:28,660 --> 00:23:26,780

and the drivers are very different from

570

00:23:29,860 --> 00:23:28,670

our own I think that is probably true

571

00:23:32,140 --> 00:23:29,870

yes

572

00:23:34,180 --> 00:23:32,150

great insights and I was going to wade

573

00:23:37,000 --> 00:23:34,190

slowly into bodies but we're in it now

574

00:23:38,410 --> 00:23:37,010

and so I'm curious I heard you talk

575

00:23:41,020 --> 00:23:38,420

about this before but through these

576
00:23:44,050 --> 00:23:41,030
privileged conversations that you've had

577
00:23:46,570 --> 00:23:44,060
what is the closest you've gotten to

578
00:23:49,480 --> 00:23:46,580
real confirmation of alien bodies dead

579
00:23:51,550 --> 00:23:49,490
or alive preferably alive but I guess

580
00:23:53,200 --> 00:23:51,560
some that somewhere that are still on

581
00:23:57,880 --> 00:23:53,210
the planet have you gotten one degree

582
00:24:00,220 --> 00:23:57,890
away two degrees away maybe two hmm the

583
00:24:01,360 --> 00:24:00,230
one whose name that I can mention is the

584
00:24:03,210 --> 00:24:01,370
one I've already mentioned which was

585
00:24:08,210 --> 00:24:03,220
Edgar Mitchell

586
00:24:11,539 --> 00:24:08,220
who was Apollo 14 and

587
00:24:13,299 --> 00:24:11,549
said to me explicitly he didn't give me

588
00:24:15,789 --> 00:24:13,309

names but

589

00:24:18,519 --> 00:24:15,799

I know now that one of those names is

590

00:24:20,440 --> 00:24:18,529

almost certainly at multum SR Wilson who

591

00:24:23,110 --> 00:24:20,450

has since become quite a bit more famous

592

00:24:24,789 --> 00:24:23,120

since weak documents came out but back

593

00:24:28,810 --> 00:24:24,799

in no six I had this conversation with

594

00:24:31,720 --> 00:24:28,820

dr. Mitchell and we went off into a room

595

00:24:33,940 --> 00:24:31,730

alone and we talked about this

596

00:24:37,110 --> 00:24:33,950

basically he talked to me about it and

597

00:24:40,960 --> 00:24:37,120

said yes I've had two ultra elite

598

00:24:42,700 --> 00:24:40,970

individuals who have confirmed me this

599

00:24:44,019 --> 00:24:42,710

isn't just random speculation the

600

00:24:48,279 --> 00:24:44,029

impression he gave me is that this was

601
00:24:51,489 --> 00:24:48,289
an explicit statement to him about the

602
00:24:53,799 --> 00:24:51,499
possession of in deeply classified

603
00:24:56,470 --> 00:24:53,809
deeply classified special access

604
00:25:00,460 --> 00:24:56,480
programs the possession of alien bodies

605
00:25:02,230 --> 00:25:00,470
plural and alien technology so that's

606
00:25:05,379 --> 00:25:02,240
the one I can mention in addition Edgar

607
00:25:09,310 --> 00:25:05,389
Mitchell there were at least two other

608
00:25:11,619 --> 00:25:09,320
very well-known individuals who are I

609
00:25:14,109 --> 00:25:11,629
think have been in a very strong

610
00:25:18,299 --> 00:25:14,119
position who have also said the same

611
00:25:21,539 --> 00:25:18,309
thing to me that this phenomenon is real

612
00:25:23,430 --> 00:25:21,549
that the bodies

613
00:25:25,019 --> 00:25:23,440

one of them has explicitly said the

614

00:25:27,899 --> 00:25:25,029

bodies are real and one of them is kind

615

00:25:29,070 --> 00:25:27,909

of hedged in addition to that I go

616

00:25:31,770 --> 00:25:29,080

through the research and again she I

617

00:25:33,600 --> 00:25:31,780

mentioned Leonard Stringfield

618

00:25:36,240 --> 00:25:33,610

a lot of people don't know he was but

619

00:25:38,810 --> 00:25:36,250

he's one of the great researchers of all

620

00:25:41,970 --> 00:25:38,820

time in the UFO field died in 1994 and

621

00:25:43,470 --> 00:25:41,980

he really got into this in a big way in

622

00:25:45,570 --> 00:25:43,480

the late 70s and through the eighties

623

00:25:47,760 --> 00:25:45,580

found a lot of people I've got all of

624

00:25:50,159 --> 00:25:47,770

stringfield's writings so there's

625

00:25:52,409 --> 00:25:50,169

actually quite a bit there mm-hmm and

626

00:25:54,539 --> 00:25:52,419

this is why I believe it aside from the

627

00:25:56,190 --> 00:25:54,549

logic of the situation but I would never

628

00:25:57,539 --> 00:25:56,200

believe anything just because it seems

629

00:25:59,490 --> 00:25:57,549

logical I've got to believe in it

630

00:26:01,830 --> 00:25:59,500

because there's some evidence or some

631

00:26:03,899 --> 00:26:01,840

good testimony that I can go on yeah

632

00:26:07,409 --> 00:26:03,909

that's what the people liked about you

633

00:26:10,980 --> 00:26:07,419

man and when we hear about bodies it's

634

00:26:13,440 --> 00:26:10,990

almost always a gray yet when the

635

00:26:16,850 --> 00:26:13,450

encounters happen you hear about Mantid

636

00:26:18,990 --> 00:26:16,860

beings and reptilian beings and

637

00:26:21,180 --> 00:26:19,000

insectoid weird things

638

00:26:23,610 --> 00:26:21,190

those aren't bodies that I ever really

639

00:26:25,320 --> 00:26:23,620

hear about being recovered do you or is

640

00:26:26,789 --> 00:26:25,330

it always a gray in the in the cases

641

00:26:28,590 --> 00:26:26,799

that you've heard about a recovered body

642

00:26:31,470 --> 00:26:28,600

or have you heard about a Mantid

643

00:26:33,770 --> 00:26:31,480

recovered well when you say gray I just

644

00:26:37,710 --> 00:26:33,780

want to clarify so there are cases of

645

00:26:42,360 --> 00:26:37,720

bodies recovered that are small with

646

00:26:44,580 --> 00:26:42,370

large heads but not precisely as we

647

00:26:47,880 --> 00:26:44,590

would define a gray so there have been

648

00:26:49,710 --> 00:26:47,890

some variations of this so some actually

649

00:26:52,110 --> 00:26:49,720

that look a bit more human looking but

650

00:26:54,960 --> 00:26:52,120

they're not human that type of thing

651
00:26:57,149 --> 00:26:54,970
I'm thinking of thinking of the Kingman

652
00:26:59,970 --> 00:26:57,159
UFO crash of 1953

653
00:27:03,529 --> 00:26:59,980
now there is one the crash in Aztec New

654
00:27:06,630 --> 00:27:03,539
Mexico from 1948 I think those creatures

655
00:27:09,090 --> 00:27:06,640
I'm not mistaken from the research of

656
00:27:12,090 --> 00:27:09,100
Scott and Susan Ramsay they might have

657
00:27:13,970 --> 00:27:12,100
been bit more gray like but in terms of

658
00:27:16,940 --> 00:27:13,980
what you're asking

659
00:27:18,740 --> 00:27:16,950
now I'm not aware of insectoid or Mantid

660
00:27:20,430 --> 00:27:18,750
type beings being recovered in these

661
00:27:22,080 --> 00:27:20,440
crashes but

662
00:27:24,690 --> 00:27:22,090
I would keep in mind we actually know

663
00:27:26,340 --> 00:27:24,700

very little about these crashes so for

664

00:27:27,750 --> 00:27:26,350

example we know about Roswell mainly for

665

00:27:29,550 --> 00:27:27,760

one reason which is because it made the

666

00:27:33,150 --> 00:27:29,560

newspapers for a little while and then

667

00:27:34,920 --> 00:27:33,160

was pulled and you know strewed Stanton

668

00:27:37,950 --> 00:27:34,930

Friedman stumbled basically upon Jesse

669

00:27:41,700 --> 00:27:37,960

Marcel but most of these crashes are

670

00:27:43,500 --> 00:27:41,710

really well concealed they're very

671

00:27:47,580 --> 00:27:43,510

difficult for us to get to there is

672

00:27:50,639 --> 00:27:47,590

partial information on a lot of them

673

00:27:53,700 --> 00:27:50,649

but it's not the easiest but to ask you

674

00:27:55,200 --> 00:27:53,710

a question I'm not aware of insect type

675

00:27:58,019 --> 00:27:55,210

beings being recovered in these crashes

676

00:28:00,149 --> 00:27:58,029

nor am i aware of insect like beings

677

00:28:02,580 --> 00:28:00,159

being held at places like

678

00:28:04,710 --> 00:28:02,590

wright-patterson Air Force Base the

679

00:28:06,629 --> 00:28:04,720

store is that I have read through

680

00:28:08,399 --> 00:28:06,639

stringfield's work and others is that

681

00:28:12,720 --> 00:28:08,409

we're talking three to four feet tall

682

00:28:14,909 --> 00:28:12,730

large heads so gray like beings

683

00:28:17,609 --> 00:28:14,919

the reason that might be the case is

684

00:28:19,529 --> 00:28:17,619

that maybe they're the operators of

685

00:28:21,509 --> 00:28:19,539

these craft right you know the

686

00:28:24,479 --> 00:28:21,519

speculation is that they're kind of

687

00:28:26,999 --> 00:28:24,489

androids themselves maybe that's true

688

00:28:29,489 --> 00:28:27,009

and if that's so then maybe it's more

689

00:28:31,049 --> 00:28:29,499

logical to have them operating these

690

00:28:34,259 --> 00:28:31,059

craft for all I know but I'm just

691

00:28:35,729 --> 00:28:34,269

guessing here yeah that's kind of what I

692

00:28:37,979 --> 00:28:35,739

was gonna say is that it seems like

693

00:28:41,070 --> 00:28:37,989

maybe the greys or the little humanoid

694

00:28:43,080 --> 00:28:41,080

things are drones and maybe they work

695

00:28:44,580 --> 00:28:43,090

for the mantids on the homeworld who

696

00:28:48,239 --> 00:28:44,590

they just don't come out here all that

697

00:28:49,889 --> 00:28:48,249

often but it is a curious thing yeah

698

00:28:53,099 --> 00:28:49,899

that's the theory of David Jacobs

699

00:28:57,779 --> 00:28:53,109

I really like David and I think he's

700

00:28:59,729 --> 00:28:57,789

probably fully retired now but his last

701
00:29:02,159 --> 00:28:59,739
couple of books especially his last one

702
00:29:05,369 --> 00:29:02,169
book walking among us goes explicitly

703
00:29:07,409 --> 00:29:05,379
into this serious is what David did I

704
00:29:09,560 --> 00:29:07,419
really admire because he's one of the

705
00:29:12,720 --> 00:29:09,570
few researchers who actually tried to do

706
00:29:15,299 --> 00:29:12,730
let's say counterintelligence on these

707
00:29:19,430 --> 00:29:15,309
other beings in other words trying to

708
00:29:21,960 --> 00:29:19,440
hypothesize what could be the full

709
00:29:22,379 --> 00:29:21,970
nature of their society what are they

710
00:29:23,849 --> 00:29:22,389
like

711
00:29:26,249 --> 00:29:23,859
because you don't really get a lot of

712
00:29:28,700 --> 00:29:26,259
this but David has given it a good try

713
00:29:31,379 --> 00:29:28,710

and his theory is that the insectoids

714

00:29:35,249 --> 00:29:31,389

the Mantid type beings are at the top of

715

00:29:38,279 --> 00:29:35,259

the chain and that there are various

716

00:29:42,239 --> 00:29:38,289

levels of hybrids one of which are the

717

00:29:45,779 --> 00:29:42,249

grey aliens the greys mm-hmm so that's

718

00:29:47,340 --> 00:29:45,789

his theory yes and you were talking

719

00:29:49,590 --> 00:29:47,350

about the secrecy a little bit around

720

00:29:52,109 --> 00:29:49,600

these crashes and let me ask you this

721

00:29:55,080 --> 00:29:52,119

cuz sometimes shows like this keep going

722

00:29:57,720 --> 00:29:55,090

over what happened in 1947 what's in the

723

00:29:59,999 --> 00:29:57,730

basement at wright-patterson but today

724

00:30:02,220 --> 00:30:00,009

it's safe to assume that a lot of this

725

00:30:05,340 --> 00:30:02,230

stuff is deep private as you've said

726

00:30:07,499 --> 00:30:05,350

before if you could gain full access to

727

00:30:10,109 --> 00:30:07,509

a single facility right now either

728

00:30:12,629 --> 00:30:10,119

Bigelow airspace or Boeing's back room

729

00:30:15,269 --> 00:30:12,639

or even the Vatican archives what single

730

00:30:17,940 --> 00:30:15,279

facility would you think would yield the

731

00:30:20,440 --> 00:30:17,950

best fruits when it comes to non-human

732

00:30:23,110 --> 00:30:20,450

beings and their technology

733

00:30:24,340 --> 00:30:23,120

hmm well one actually would be a

734

00:30:26,800 --> 00:30:24,350

military facility that would be

735

00:30:29,320 --> 00:30:26,810

wright-patterson Air Force Base I would

736

00:30:31,840 --> 00:30:29,330

definitely want to I would love to have

737

00:30:33,490 --> 00:30:31,850

full access to right back

738

00:30:35,640 --> 00:30:33,500

you think stuff is still there I would

739

00:30:39,700 --> 00:30:35,650

think it's a few decades past right Pat

740

00:30:41,350 --> 00:30:39,710

no I wouldn't count on it okay I don't

741

00:30:45,430 --> 00:30:41,360

know I think that they probably still

742

00:30:47,920 --> 00:30:45,440

would but in terms of private I would

743

00:30:50,140 --> 00:30:47,930

definitely look at Lockheed Martin and I

744

00:30:53,140 --> 00:30:50,150

think that as an organization they would

745

00:30:54,760 --> 00:30:53,150

be the bedding choice for the people

746

00:30:58,660 --> 00:30:54,770

that Admiral Wilson spoke to back in

747

00:31:01,240 --> 00:30:58,670

2002 who denied him access to that

748

00:31:05,490 --> 00:31:01,250

program definitely I'll be looking at

749

00:31:07,320 --> 00:31:05,500

Boeing definitely I'd be looking

750

00:31:12,600 --> 00:31:07,330

I had a few other private contractors

751
00:31:14,640 --> 00:31:12,610
plays like Raytheon SAIC places like

752
00:31:17,850 --> 00:31:14,650
that I think we're talking major defense

753
00:31:21,840 --> 00:31:17,860
contractors what I think the situation

754
00:31:26,220 --> 00:31:21,850
is however is one where you've got small

755
00:31:28,230 --> 00:31:26,230
small segments of these large military

756
00:31:31,620 --> 00:31:28,240
contractors

757
00:31:33,450 --> 00:31:31,630
that are read into it and I think you

758
00:31:34,950 --> 00:31:33,460
know most of Lockheed is not going to be

759
00:31:37,169 --> 00:31:34,960
read into that most of Boeing's not

760
00:31:39,180 --> 00:31:37,179
going to be ran into that so that's

761
00:31:42,090 --> 00:31:39,190
where I would be wanting I would love to

762
00:31:45,150 --> 00:31:42,100
have access to some of those I don't

763
00:31:48,000 --> 00:31:45,160

expect that will ever happen yeah SAIC

764

00:31:49,530 --> 00:31:48,010

is a great pick two and let's make this

765

00:31:51,630 --> 00:31:49,540

a little bit weirder I know your wife is

766

00:31:53,920 --> 00:31:51,640

a trained remote viewer have you ever

767

00:31:55,570 --> 00:31:53,930

had or sneak a peek

768

00:31:58,960 --> 00:31:55,580

here's the thing about this Tracy would

769

00:32:01,540 --> 00:31:58,970

be the first to tell you remote viewers

770

00:32:03,910 --> 00:32:01,550

you don't want to front-load them that's

771

00:32:08,140 --> 00:32:03,920

her phrase that's a phrase in the field

772

00:32:09,520 --> 00:32:08,150

in other words remote viewing always

773

00:32:11,920 --> 00:32:09,530

works best when the remote viewer

774

00:32:12,580 --> 00:32:11,930

themselves has no idea of what they're

775

00:32:14,799 --> 00:32:12,590

looking for

776

00:32:16,960 --> 00:32:14,809

I mean I've actually talked about this

777

00:32:18,460 --> 00:32:16,970

just for fun with Tracy and said you

778

00:32:19,810 --> 00:32:18,470

know you should just let me pick a few

779

00:32:22,330 --> 00:32:19,820

targets you have no idea what I'm

780

00:32:23,740 --> 00:32:22,340

picking her attitude is yeah you think I

781

00:32:25,480 --> 00:32:23,750

have no idea I know exactly how your

782

00:32:27,910 --> 00:32:25,490

mind works I know what you'll want me to

783

00:32:30,790 --> 00:32:27,920

look for and so the thing is when the

784

00:32:33,340 --> 00:32:30,800

conscious mind gets involved

785

00:32:35,230 --> 00:32:33,350

you're really contaminating it and this

786

00:32:37,570 --> 00:32:35,240

is why a lot of people who will say oh

787

00:32:39,160 --> 00:32:37,580

yes I remote viewed the moon and this is

788

00:32:41,320 --> 00:32:39,170

what I found like you can just throw

789

00:32:43,650 --> 00:32:41,330

that right out that's trash there's

790

00:32:46,740 --> 00:32:43,660

nothing to be gained from that

791

00:32:49,200 --> 00:32:46,750

the way remote viewing is properly done

792

00:32:51,659 --> 00:32:49,210

is you have one person who's the program

793

00:32:54,600 --> 00:32:51,669

manager he or she's got a series of

794

00:32:58,150 --> 00:32:54,610

remote viewers working for them and he

795

00:33:00,220 --> 00:32:58,160

assigns tasks to them

796

00:33:03,340 --> 00:33:00,230

and then he gets the results from them

797

00:33:05,860 --> 00:33:03,350

and you have a team of people analyzing

798

00:33:07,900 --> 00:33:05,870

those results that's actually the proper

799

00:33:10,180 --> 00:33:07,910

way to do it so believe me I would love

800

00:33:13,120 --> 00:33:10,190

to have trace into it if I could figure

801
00:33:16,690 --> 00:33:13,130
out a way to do it without front-loading

802
00:33:20,170 --> 00:33:16,700
her I would try to do it so we'll leave

803
00:33:22,240 --> 00:33:20,180
it as sure down the road if I can trick

804
00:33:24,670 --> 00:33:22,250
her and do not thinking since she's

805
00:33:27,790 --> 00:33:24,680
being front-loaded hell of a date night

806
00:33:30,220 --> 00:33:27,800
I would say and it's just so fascinating

807
00:33:31,960 --> 00:33:30,230
that these side effects are legit I know

808
00:33:33,880 --> 00:33:31,970
you've referenced een Raiden's work

809
00:33:36,850 --> 00:33:33,890
before I know that you're familiar with

810
00:33:39,280 --> 00:33:36,860
the SSRI crew and have had conversations

811
00:33:40,510 --> 00:33:39,290
with Edgar Mitchell as you said and I am

812
00:33:42,220 --> 00:33:40,520
really more interested in the

813
00:33:44,020 --> 00:33:42,230

consciousness component that I am the

814

00:33:45,700 --> 00:33:44,030

nuts and bolts crafts but you know

815

00:33:47,980 --> 00:33:45,710

whatever the evidence is the evidence

816

00:33:50,980 --> 00:33:47,990

but these guys are all getting pretty

817

00:33:53,290 --> 00:33:50,990

old and I am kind of surprised we aren't

818

00:33:56,470 --> 00:33:53,300

getting more late stages of life

819

00:33:58,450 --> 00:33:56,480

confessions I mean how much further has

820

00:34:00,630 --> 00:33:58,460

the needle move for you by talking to

821

00:34:04,630 --> 00:34:00,640

these guys as they're getting up in age

822

00:34:08,200 --> 00:34:04,640

hmm well yeah

823

00:34:10,780 --> 00:34:08,210

I have tried on a few of these instances

824

00:34:13,070 --> 00:34:10,790

to convince some of these people with

825

00:34:14,750 --> 00:34:13,080

whom I have limited access

826

00:34:17,900 --> 00:34:14,760

to think about their legacy to think

827

00:34:20,570 --> 00:34:17,910

about the legacy of our planet

828

00:34:22,160 --> 00:34:20,580

you know after they're gone I have

829

00:34:23,490 --> 00:34:22,170

actually said these types of things and

830

00:34:25,889 --> 00:34:23,500

said

831

00:34:28,560 --> 00:34:25,899

you're gonna be gone one day your

832

00:34:30,330 --> 00:34:28,570

information is going to go with you you

833

00:34:31,770 --> 00:34:30,340

can make a really important statement

834

00:34:34,710 --> 00:34:31,780

and you can do something for the rest of

835

00:34:37,770 --> 00:34:34,720

us the problem that I keep running into

836

00:34:42,680 --> 00:34:37,780

with some of these individuals is they

837

00:34:44,610 --> 00:34:42,690

are not going willingly to break

838

00:34:46,230 --> 00:34:44,620

security protocols they're just not

839

00:34:48,119 --> 00:34:46,240

gonna do it most of them are just not

840

00:34:50,280 --> 00:34:48,129

going to all the ones that I've met

841

00:34:54,720 --> 00:34:50,290

anyway they'll talk amongst themselves

842

00:34:57,119 --> 00:34:54,730

they'll talk quietly to someone that

843

00:34:59,160 --> 00:34:57,129

they can trust on the proviso that you

844

00:35:00,450 --> 00:34:59,170

don't give their name up and then if you

845

00:35:01,710 --> 00:35:00,460

give their name up they'll just deny it

846

00:35:05,100 --> 00:35:01,720

anyway and you're left out in the cold

847

00:35:07,740 --> 00:35:05,110

it's that type of a thing so

848

00:35:09,720 --> 00:35:07,750

this is what I found now I haven't given

849

00:35:12,120 --> 00:35:09,730

up I mean of course I'm not in their

850

00:35:15,420 --> 00:35:12,130

position it's easy for me to say this

851
00:35:17,610 --> 00:35:15,430
because I don't have classified threats

852
00:35:19,110 --> 00:35:17,620
and you know here's one example that

853
00:35:22,350 --> 00:35:19,120
I'll give you you know we mentioned

854
00:35:27,000 --> 00:35:22,360
Edgar Mitchell and years ago I wrote to

855
00:35:29,930 --> 00:35:27,010
him and I said hey look you tell me you

856
00:35:32,130 --> 00:35:29,940
support my work and you like what I do

857
00:35:34,380 --> 00:35:32,140
you've told me that you've got a couple

858
00:35:36,300 --> 00:35:34,390
of high-level people who've confirmed

859
00:35:39,420 --> 00:35:36,310
about alien bodies and tech to you I

860
00:35:42,090 --> 00:35:39,430
said can you throw me a bone it's almost

861
00:35:45,570 --> 00:35:42,100
exactly what I said can you point me in

862
00:35:49,680 --> 00:35:45,580
a direction that I can go that would be

863
00:35:51,720 --> 00:35:49,690

useful for me and his reply was look I

864

00:35:55,430 --> 00:35:51,730

would like to help you but the people

865

00:35:58,860 --> 00:35:55,440

who came to me did so at great risk

866

00:36:01,470 --> 00:35:58,870

personally professionally and risk to

867

00:36:03,240 --> 00:36:01,480

their families and he said as long as

868

00:36:05,070 --> 00:36:03,250

they're alive I can't do that I won't do

869

00:36:07,830 --> 00:36:05,080

that to them so he said risk to their

870

00:36:10,260 --> 00:36:07,840

families and he didn't expand on that

871

00:36:13,590 --> 00:36:10,270

but I think we can all infer what that

872

00:36:16,750 --> 00:36:13,600

is so these individuals that I know who

873

00:36:17,980 --> 00:36:16,760

are still alive now

874

00:36:19,900 --> 00:36:17,990

I mean I haven't really gotten them to

875

00:36:21,240 --> 00:36:19,910

open up all that much about this except

876
00:36:24,730 --> 00:36:21,250
for them to say it's not going to happen

877
00:36:27,070 --> 00:36:24,740
but they're all afraid and the other

878
00:36:30,150 --> 00:36:27,080
thing is they're trying in their own way

879
00:36:32,140 --> 00:36:30,160
it seems to me to get further access

880
00:36:34,840 --> 00:36:32,150
because it's not like all of these

881
00:36:37,060 --> 00:36:34,850
people have the full keys to the kingdom

882
00:36:39,820 --> 00:36:37,070
I think they probably don't actually I

883
00:36:42,340 --> 00:36:39,830
think they know something everyone in

884
00:36:44,620 --> 00:36:42,350
their community knows something but they

885
00:36:46,450 --> 00:36:44,630
all want to know more and so they're

886
00:36:48,670 --> 00:36:46,460
angling their way to get to the sender

887
00:36:51,080 --> 00:36:48,680
you know yeah I don't think they ever

888
00:36:52,640 --> 00:36:51,090

will but

889

00:36:54,380 --> 00:36:52,650

that's the way it works you're talking

890

00:36:56,540 --> 00:36:54,390

circles within circles within circles

891

00:36:58,370 --> 00:36:56,550

and everyone wants to get to the next

892

00:37:01,100 --> 00:36:58,380

level in and so they don't want to risk

893

00:37:04,670 --> 00:37:01,110

it one of these individuals said to me

894

00:37:07,040 --> 00:37:04,680

this is years ago years ago he said all

895

00:37:10,040 --> 00:37:07,050

right let's say that I knew who the top

896

00:37:12,680 --> 00:37:10,050

10 15 names of the people who know

897

00:37:15,830 --> 00:37:12,690

everything let's say that I had that

898

00:37:18,230 --> 00:37:15,840

list and let's say that I could give

899

00:37:20,000 --> 00:37:18,240

that list to the New York Times which

900

00:37:21,680 --> 00:37:20,010

even then made me laugh like the New

901
00:37:22,880 --> 00:37:21,690
York Times are you kidding me like they

902
00:37:23,720 --> 00:37:22,890
would do anything with it but he says

903
00:37:26,450 --> 00:37:23,730
let's say I give it to the New York

904
00:37:28,260 --> 00:37:26,460
Times and let's say that they published

905
00:37:31,290 --> 00:37:28,270
that list

906
00:37:32,940 --> 00:37:31,300
he said well a the people involved could

907
00:37:33,780 --> 00:37:32,950
just simply deny and say that that's a

908
00:37:37,110 --> 00:37:33,790
lot of nonsense

909
00:37:38,490 --> 00:37:37,120
it's disinformation and B it would

910
00:37:41,550 --> 00:37:38,500
probably be traced back to me

911
00:37:44,220 --> 00:37:41,560
and then I'm locked out of everything so

912
00:37:47,520 --> 00:37:44,230
that's really their situation

913
00:37:50,790 --> 00:37:47,530

I think the lot of these people who have

914

00:37:53,640 --> 00:37:50,800

some aspect of the secret might want to

915

00:37:55,950 --> 00:37:53,650

see that secret come out but they feel

916

00:37:58,650 --> 00:37:55,960

they don't really have enough of a

917

00:38:01,320 --> 00:37:58,660

slam-dunk amount of evidence that they

918

00:38:03,870 --> 00:38:01,330

could show the world you know what I

919

00:38:06,780 --> 00:38:03,880

mean it's like so they go on their name

920

00:38:09,000 --> 00:38:06,790

their reputation but is it enough is it

921

00:38:12,120 --> 00:38:09,010

really enough and I think they think

922

00:38:14,610 --> 00:38:12,130

it's not enough they want to body

923

00:38:17,730 --> 00:38:14,620

themselves they want indisputable

924

00:38:19,950 --> 00:38:17,740

document or whatever and I don't know

925

00:38:21,660 --> 00:38:19,960

that they've got that either so they

926
00:38:24,600 --> 00:38:21,670
would be going out there totally exposed

927
00:38:27,450 --> 00:38:24,610
it's a really weird situation now the

928
00:38:29,599 --> 00:38:27,460
people in the programs who are directly

929
00:38:32,239 --> 00:38:29,609
in these programs

930
00:38:33,349 --> 00:38:32,249
that would be different unfortunately

931
00:38:36,680 --> 00:38:33,359
for me I don't know what him for his

932
00:38:38,930 --> 00:38:36,690
people that I am aware of so I wouldn't

933
00:38:41,029 --> 00:38:38,940
know what to say about that right yeah

934
00:38:42,769 --> 00:38:41,039
she's so frustrating and I understand a

935
00:38:45,019 --> 00:38:42,779
person not wanting to put their family

936
00:38:48,019 --> 00:38:45,029
at risk but there's a lot of potential

937
00:38:50,150 --> 00:38:48,029
for revealing documents and details to

938
00:38:52,130 --> 00:38:50,160

people like you in the result of

939

00:38:53,839 --> 00:38:52,140

someone's death and these guys are

940

00:38:55,849 --> 00:38:53,849

getting up there in age as we've said

941

00:38:58,670 --> 00:38:55,859

and I can't imagine that it would

942

00:39:01,970 --> 00:38:58,680

actually put their sons and daughters at

943

00:39:03,620 --> 00:39:01,980

risk once they've passed on I get that

944

00:39:05,779 --> 00:39:03,630

just the threat of it is enough to keep

945

00:39:07,880 --> 00:39:05,789

everyone in line but someone has to be

946

00:39:09,289 --> 00:39:07,890

bold enough to push through that unless

947

00:39:10,670 --> 00:39:09,299

there's more we need to know about the

948

00:39:13,460 --> 00:39:10,680

people who make these threats in the

949

00:39:16,849 --> 00:39:13,470

first place well with any of these

950

00:39:18,769 --> 00:39:16,859

people I think it's probably true one of

951
00:39:21,019 --> 00:39:18,779
them dies and something is revealed

952
00:39:22,759 --> 00:39:21,029
posthumously what's the point of going

953
00:39:25,890 --> 00:39:22,769
after other family members like they

954
00:39:28,840 --> 00:39:25,900
didn't do anything wrong so

955
00:39:30,550 --> 00:39:28,850
realistically I would think that those

956
00:39:32,830 --> 00:39:30,560
other family members would not be at

957
00:39:35,020 --> 00:39:32,840
risk but the point is that while these

958
00:39:38,110 --> 00:39:35,030
people are alive they do not want to

959
00:39:40,480 --> 00:39:38,120
break ranks and I have tried and I'll

960
00:39:43,220 --> 00:39:40,490
try again I'm not giving up but I'm not

961
00:39:46,099 --> 00:39:43,230
expecting a lot of success to be honest

962
00:39:47,780 --> 00:39:46,109
fair fair and one with my breath but you

963
00:39:49,730 --> 00:39:47,790

know I asked you about gaining access to

964

00:39:52,670 --> 00:39:49,740

a single facility what about getting a

965

00:39:55,370 --> 00:39:52,680

full top-down briefing from a single

966

00:39:56,510 --> 00:39:55,380

person which one person secrets would

967

00:39:58,319 --> 00:39:56,520

you like to know who do you think knows

968

00:40:01,199 --> 00:39:58,329

the most

969

00:40:04,079 --> 00:40:01,209

well of public individuals that are well

970

00:40:05,489 --> 00:40:04,089

known one person I've never spoken to

971

00:40:09,809 --> 00:40:05,499

and I would love to would be Robert

972

00:40:13,469 --> 00:40:09,819

Bigelow himself he's a man who is

973

00:40:18,359 --> 00:40:13,479

extremely intelligent and not only that

974

00:40:21,239 --> 00:40:18,369

he has been deeply immersed in this for

975

00:40:24,719 --> 00:40:21,249

many decades he has probably put more

976
00:40:26,660 --> 00:40:24,729
money into the research of this and any

977
00:40:29,609 --> 00:40:26,670
other private citizen I can think of and

978
00:40:31,529 --> 00:40:29,619
he's been a defense contractor on the

979
00:40:33,290 --> 00:40:31,539
subject through the a tip program as we

980
00:40:37,340 --> 00:40:33,300
know

981
00:40:38,860 --> 00:40:37,350
I would bet a ferret and all of the

982
00:40:41,360 --> 00:40:38,870
little money that I have that Bigelow

983
00:40:43,660 --> 00:40:41,370
has a lot of information that he hasn't

984
00:40:46,670 --> 00:40:43,670
shared publicly that's just a guess in

985
00:40:48,460 --> 00:40:46,680
terms of people within the classified

986
00:40:50,800 --> 00:40:48,470
world

987
00:40:52,720 --> 00:40:50,810
there's a very few people within the

988
00:40:56,109 --> 00:40:52,730

Defense Department you've got basically

989

00:40:57,640 --> 00:40:56,119

three groups within the government where

990

00:40:59,890 --> 00:40:57,650

you've got these special access programs

991

00:41:00,990 --> 00:40:59,900

operating so one is the Pentagon the

992

00:41:03,490 --> 00:41:01,000

Department of Defense

993

00:41:07,000 --> 00:41:03,500

you've got the Department of Energy and

994

00:41:11,920 --> 00:41:07,010

you've got the CIA this is what I have

995

00:41:15,190 --> 00:41:11,930

learned so the Defense Department

996

00:41:16,450 --> 00:41:15,200

special access programs you can glean a

997

00:41:18,790 --> 00:41:16,460

little bit about this actually by

998

00:41:21,609 --> 00:41:18,800

studying the Wilson Davis notes the

999

00:41:26,400 --> 00:41:21,619

Admiral Wilson document that leaked out

1000

00:41:30,420 --> 00:41:26,410

last June of 2019 and you can see that

1001
00:41:33,690 --> 00:41:30,430
within the Defense Department the office

1002
00:41:36,329 --> 00:41:33,700
of special acquisitions within that

1003
00:41:39,539 --> 00:41:36,339
there's a structure where in which these

1004
00:41:41,789 --> 00:41:39,549
special access programs exist and the

1005
00:41:43,410 --> 00:41:41,799
number of people have access to them you

1006
00:41:45,569 --> 00:41:43,420
could I think you can count on the

1007
00:41:48,140 --> 00:41:45,579
fingers of one hand so it's a very

1008
00:41:50,670 --> 00:41:48,150
limited group of people it seems and

1009
00:41:53,069 --> 00:41:50,680
what you really have in that case within

1010
00:41:57,329 --> 00:41:53,079
the Pentagon is a small group of people

1011
00:42:01,140 --> 00:41:57,339
who are guarding access to a private

1012
00:42:02,609 --> 00:42:01,150
corporation being able to exploit this

1013
00:42:04,250 --> 00:42:02,619

technology that's really where it is so

1014

00:42:08,730 --> 00:42:04,260

the federal government is acting as a

1015

00:42:12,630 --> 00:42:08,740

there's a security guard for private

1016

00:42:15,569 --> 00:42:12,640

contractors and the same thing from what

1017

00:42:18,420 --> 00:42:15,579

I have been told applies within the CIA

1018

00:42:20,520 --> 00:42:18,430

I don't know to if it's a greater extent

1019

00:42:22,420 --> 00:42:20,530

or lesser extent than the Pentagon but

1020

00:42:24,599 --> 00:42:22,430

what I have learned

1021

00:42:27,839 --> 00:42:24,609

is that the area probably of the least

1022

00:42:30,040 --> 00:42:27,849

oversight is the Department of Energy

1023

00:42:32,079 --> 00:42:30,050

which you know people know their history

1024

00:42:34,030 --> 00:42:32,089

of area 51 they know that the Department

1025

00:42:37,510 --> 00:42:34,040

of Energy has had a very significant

1026

00:42:41,589 --> 00:42:37,520

roll out at the Nevada Test Site and by

1027

00:42:43,870 --> 00:42:41,599

area 51 so those are the three and the

1028

00:42:46,540 --> 00:42:43,880

individuals managing those special

1029

00:42:51,910 --> 00:42:46,550

access programs would be very important

1030

00:42:54,040 --> 00:42:51,920

to talk to it seems to me and I like to

1031

00:42:56,890 --> 00:42:54,050

ask questions I don't hear people asked

1032

00:42:59,260 --> 00:42:56,900

otherwise why we doing this and we want

1033

00:43:01,599 --> 00:42:59,270

answers about these entities and there

1034

00:43:03,910 --> 00:43:01,609

are some ways to take this upon

1035

00:43:08,349 --> 00:43:03,920

ourselves at least to a degree maybe not

1036

00:43:10,240 --> 00:43:08,359

to the exact extent that we want to or

1037

00:43:12,040 --> 00:43:10,250

maybe not the exact same beans but

1038

00:43:14,530 --> 00:43:12,050

desperate times desperate measures and

1039

00:43:17,079 --> 00:43:14,540

all that I am curious if you've ever

1040

00:43:19,210 --> 00:43:17,089

explored the techniques that do yield

1041

00:43:21,609 --> 00:43:19,220

contact experiences with something

1042

00:43:23,740 --> 00:43:21,619

non-human particularly psychedelics

1043

00:43:25,900 --> 00:43:23,750

people do take mushrooms or salvia or

1044

00:43:28,599 --> 00:43:25,910

ayahuasca natural plant medicines

1045

00:43:31,930 --> 00:43:28,609

nothing from the MKULTRA labs and they

1046

00:43:33,490 --> 00:43:31,940

have contact of some sort and I got a

1047

00:43:35,260 --> 00:43:33,500

guy I can give him a call we can ask

1048

00:43:37,240 --> 00:43:35,270

them about alien agendas before dinner

1049

00:43:40,480 --> 00:43:37,250

tonight if we want to but have you ever

1050

00:43:42,400 --> 00:43:40,490

explored that Avenue nope I've not done

1051
00:43:44,470 --> 00:43:42,410
psychedelics I don't really have a plan

1052
00:43:47,049 --> 00:43:44,480
to kick down on the idea of doing an

1053
00:43:48,970 --> 00:43:47,059
ayahuasca journey and maybe one day

1054
00:43:51,819 --> 00:43:48,980
it'll happen I'll just get into that

1055
00:43:54,039 --> 00:43:51,829
mode and I'll I'll just go out and do it

1056
00:43:56,289 --> 00:43:54,049
but I haven't really been tempted to do

1057
00:43:58,510 --> 00:43:56,299
it and I'll truthfully tell you I'm

1058
00:44:00,910 --> 00:43:58,520
skeptical of the value of that

1059
00:44:02,799 --> 00:44:00,920
information now I am aware that a lot of

1060
00:44:04,780 --> 00:44:02,809
folks who've done these types of

1061
00:44:05,980 --> 00:44:04,790
hallucinogenics have compared notes with

1062
00:44:08,140 --> 00:44:05,990
each other

1063
00:44:10,630 --> 00:44:08,150

and they'll talk about snake-like people

1064

00:44:12,520 --> 00:44:10,640

or I just had a conversation you know

1065

00:44:13,930 --> 00:44:12,530

about a year ago with Nick Redfern who

1066

00:44:15,670 --> 00:44:13,940

studied men in black and he told me

1067

00:44:18,580 --> 00:44:15,680

about someone who had a DMT experience

1068

00:44:20,370 --> 00:44:18,590

where they saw men in black now the

1069

00:44:23,109 --> 00:44:20,380

question is did they or didn't they I

1070

00:44:26,680 --> 00:44:23,119

don't really think that anyone is

1071

00:44:28,210 --> 00:44:26,690

confirmed are you truly breaking through

1072

00:44:30,609 --> 00:44:28,220

the doors of perception to another

1073

00:44:32,990 --> 00:44:30,619

dimension or to another place within

1074

00:44:36,020 --> 00:44:33,000

your own psyche

1075

00:44:37,490 --> 00:44:36,030

maybe people who have done this have a

1076
00:44:39,890 --> 00:44:37,500
very strong opinion one way or the other

1077
00:44:42,380 --> 00:44:39,900
but I have personally spoken to people

1078
00:44:45,020 --> 00:44:42,390
who had either of those opinions so I'm

1079
00:44:46,760 --> 00:44:45,030
not sure what I think about them that's

1080
00:44:49,130 --> 00:44:46,770
fair I mean even the psychedelic

1081
00:44:51,560 --> 00:44:49,140
community is split as you say I have had

1082
00:44:54,020 --> 00:44:51,570
one breakthrough experience and the day

1083
00:44:56,030 --> 00:44:54,030
before I would have been fully convinced

1084
00:44:59,330 --> 00:44:56,040
that these things weren't real that

1085
00:45:01,970 --> 00:44:59,340
people are meeting on drugs but after it

1086
00:45:03,950 --> 00:45:01,980
happens it's just like a feeling that

1087
00:45:06,440 --> 00:45:03,960
you have it's like how could you explain

1088
00:45:08,570 --> 00:45:06,450

green to a blind person you know it's

1089

00:45:10,310 --> 00:45:08,580

like you know it when you see it no no I

1090

00:45:12,440 --> 00:45:10,320

get it and I'm not even dismissing what

1091

00:45:15,560 --> 00:45:12,450

you say I mean please understand I'm not

1092

00:45:19,130 --> 00:45:15,570

yeah you might be wrong my attitude

1093

00:45:21,150 --> 00:45:19,140

about dimensions and speaking as a non

1094

00:45:24,120 --> 00:45:21,160

scientists here but

1095

00:45:27,440 --> 00:45:24,130

I do believe that there are

1096

00:45:29,820 --> 00:45:27,450

areas of reality that we cannot

1097

00:45:32,160 --> 00:45:29,830

ordinarily perceive it's simply a

1098

00:45:34,590 --> 00:45:32,170

limitation of our senses all right we

1099

00:45:37,980 --> 00:45:34,600

have to remember we have senses that

1100

00:45:40,250 --> 00:45:37,990

allow us to perceive certain things

1101
00:45:42,870 --> 00:45:40,260
about the world around us but you know

1102
00:45:46,040 --> 00:45:42,880
maybe it's possible that a psychedelic

1103
00:45:49,020 --> 00:45:46,050
can activate part of the mind and

1104
00:45:50,780 --> 00:45:49,030
activate another sense so I keep that as

1105
00:45:53,430 --> 00:45:50,790
a possibility I would not rule that out

1106
00:45:57,690 --> 00:45:53,440
the question is what kind of actionable

1107
00:45:59,610 --> 00:45:57,700
information can you take away from that

1108
00:46:01,380 --> 00:45:59,620
experience that's another question like

1109
00:46:02,640 --> 00:46:01,390
who are these people can you have a

1110
00:46:04,170 --> 00:46:02,650
conversation with them can you learn

1111
00:46:06,000 --> 00:46:04,180
about their psychology can you learn

1112
00:46:08,190 --> 00:46:06,010
about their motivations can you learn

1113
00:46:10,290 --> 00:46:08,200

about why they seem to be abducting

1114

00:46:13,050 --> 00:46:10,300

people can you learn about their physics

1115

00:46:14,700 --> 00:46:13,060

can you learn about their material

1116

00:46:16,140 --> 00:46:14,710

science which seems to be off the charts

1117

00:46:18,960 --> 00:46:16,150

you know I mean it's like I don't know

1118

00:46:21,060 --> 00:46:18,970

how much actual information one can get

1119

00:46:22,860 --> 00:46:21,070

out of that other than they love us or

1120

00:46:25,170 --> 00:46:22,870

they don't love us or you know things

1121

00:46:27,930 --> 00:46:25,180

like that or the message which you hear

1122

00:46:29,760 --> 00:46:27,940

you know love each other and this way

1123

00:46:32,790 --> 00:46:29,770

you can ascend I mean the ascension

1124

00:46:36,080 --> 00:46:32,800

message was one that just flooded us in

1125

00:46:37,820 --> 00:46:36,090

the ramp up to 2012 and

1126
00:46:41,600 --> 00:46:37,830
if another aliens gonna give me another

1127
00:46:42,860 --> 00:46:41,610
moralistic platitude then better you

1128
00:46:46,340 --> 00:46:42,870
take it than me I'm kind of done with

1129
00:46:49,580 --> 00:46:46,350
that they're not just platitudes yes and

1130
00:46:51,620 --> 00:46:49,590
of course it's not even a guarantee that

1131
00:46:53,510 --> 00:46:51,630
these are the same beans even if you

1132
00:46:55,610 --> 00:46:53,520
were to say that these psychedelic

1133
00:46:57,830 --> 00:46:55,620
experience contact things are real I

1134
00:46:59,600 --> 00:46:57,840
mean doesn't mean it's the same entities

1135
00:47:01,370 --> 00:46:59,610
at all but I know you're aware of that

1136
00:47:04,190 --> 00:47:01,380
documentary witness of another world

1137
00:47:06,560 --> 00:47:04,200
you've had the director on your show as

1138
00:47:08,840 --> 00:47:06,570

well yes indeed and what's curious about

1139

00:47:11,330 --> 00:47:08,850

that is the main subject of the film has

1140

00:47:13,370 --> 00:47:11,340

this experience and it just uproots his

1141

00:47:15,920 --> 00:47:13,380

life but then he learns that he has a

1142

00:47:18,290 --> 00:47:15,930

lineage of shamanism and you hear from

1143

00:47:21,440 --> 00:47:18,300

the actual shamans and they're not

1144

00:47:23,480 --> 00:47:21,450

surprised by UFO activity at all they're

1145

00:47:25,970 --> 00:47:23,490

just like yeah it's very normal we're

1146

00:47:27,860 --> 00:47:25,980

familiar with it so it's really the

1147

00:47:29,750 --> 00:47:27,870

shamans that make me think that there's

1148

00:47:33,080 --> 00:47:29,760

a deeper connection even more so than my

1149

00:47:34,910 --> 00:47:33,090

own limited experience I'm on board with

1150

00:47:36,620 --> 00:47:34,920

a lot of what you're saying here and I

1151
00:47:39,830 --> 00:47:36,630
thought witness to another world was a

1152
00:47:42,140 --> 00:47:39,840
fascinating film and I was really happy

1153
00:47:44,540 --> 00:47:42,150
to talk to the creator of that alan

1154
00:47:46,820 --> 00:47:44,550
stivell man myself and I really liked

1155
00:47:49,370 --> 00:47:46,830
what he was doing there

1156
00:47:53,840 --> 00:47:49,380
it's a fair question there's an element

1157
00:47:56,050 --> 00:47:53,850
of this phenomenon that's definitely

1158
00:47:58,850 --> 00:47:56,060
physical definitely technological and

1159
00:48:02,390 --> 00:47:58,860
there is an element of this phenomenon

1160
00:48:04,630 --> 00:48:02,400
that is you could say consciousness

1161
00:48:08,000 --> 00:48:04,640
based but it's almost even beyond

1162
00:48:11,630 --> 00:48:08,010
consciousness in the sense of it thinks

1163
00:48:14,270 --> 00:48:11,640

so far ahead of us probably you know I

1164

00:48:17,210 --> 00:48:14,280

came across an interview not long ago by

1165

00:48:18,890 --> 00:48:17,220

dr. Eric Davis who's one of those guys

1166

00:48:21,910 --> 00:48:18,900

on the inside at least to some extent

1167

00:48:24,620 --> 00:48:21,920

he's on the inside he knows a lot and

1168

00:48:26,620 --> 00:48:24,630

Davis put it like that I think it was

1169

00:48:29,510 --> 00:48:26,630

with Alejandro Rojas and he just said

1170

00:48:30,740 --> 00:48:29,520

you've got a technological phenomenon at

1171

00:48:33,920 --> 00:48:30,750

the same time you've got something

1172

00:48:37,430 --> 00:48:33,930

that's pre cognitively conscious of us

1173

00:48:40,700 --> 00:48:37,440

or sentient in a precognitive way like

1174

00:48:42,920 --> 00:48:40,710

so far beyond us we don't know how to

1175

00:48:48,020 --> 00:48:42,930

deal with it so that would almost seem

1176

00:48:50,750 --> 00:48:48,030

like there's this spiritual element to

1177

00:48:53,090 --> 00:48:50,760

what at least appears to be the

1178

00:48:55,790 --> 00:48:53,100

phenomenon but there's definitely

1179

00:48:58,520 --> 00:48:55,800

technology involved too so it's tricky

1180

00:49:00,680 --> 00:48:58,530

to try to understand what exactly are we

1181

00:49:03,470 --> 00:49:00,690

dealing with but the consciousness part

1182

00:49:04,850 --> 00:49:03,480

of it really does matter and I mean how

1183

00:49:06,890 --> 00:49:04,860

could it not if you're talking about

1184

00:49:10,070 --> 00:49:06,900

people getting telepathic messages which

1185

00:49:13,700 --> 00:49:10,080

that's consciousness you know we don't

1186

00:49:18,560 --> 00:49:13,710

understand this you find a scientist who

1187

00:49:20,960 --> 00:49:18,570

can explain how remote viewing works the

1188

00:49:24,020 --> 00:49:20,970

physics of it and none of these people

1189

00:49:26,690 --> 00:49:24,030

can you have people who say

1190

00:49:28,550 --> 00:49:26,700

oh yeah well it works okay well fine so

1191

00:49:31,390 --> 00:49:28,560

it works but like how does it work how

1192

00:49:33,500 --> 00:49:31,400

is it possible for a human being to

1193

00:49:35,000 --> 00:49:33,510

perceive something literally on the

1194

00:49:36,530 --> 00:49:35,010

other side of the world and how is it

1195

00:49:39,620 --> 00:49:36,540

possible for human being to perceive

1196

00:49:44,290 --> 00:49:39,630

something in another time whether past

1197

00:49:47,000 --> 00:49:44,300

or future like that wreaks havoc with

1198

00:49:49,610 --> 00:49:47,010

our common sense notion of space and

1199

00:49:51,260 --> 00:49:49,620

time and yet the fact is there are

1200

00:49:55,520 --> 00:49:51,270

people who can do those things

1201
00:49:58,340 --> 00:49:55,530
how is telepathy that is clairaudience

1202
00:50:01,280 --> 00:49:58,350
really how is that even physically

1203
00:50:03,890 --> 00:50:01,290
possible we don't have answers for that

1204
00:50:05,840 --> 00:50:03,900
as far as I can see I've never come

1205
00:50:07,250 --> 00:50:05,850
across a single scientist who actually

1206
00:50:08,990 --> 00:50:07,260
knows how to explain it that's why they

1207
00:50:14,030 --> 00:50:09,000
dismiss it because they don't have a

1208
00:50:15,890 --> 00:50:14,040
theory for it but yet it's true so for

1209
00:50:18,850 --> 00:50:15,900
that reason it makes it really hard for

1210
00:50:22,070 --> 00:50:18,860
us to understand these more difficult

1211
00:50:24,380 --> 00:50:22,080
elements that the UFO problem

1212
00:50:28,010 --> 00:50:24,390
incorporates it incorporates this type

1213
00:50:31,340 --> 00:50:28,020

of advanced consciousness and the fact

1214

00:50:33,770 --> 00:50:31,350

is we don't know how to explain it so

1215

00:50:35,510 --> 00:50:33,780

we're kind of grasping around flailing

1216

00:50:37,880 --> 00:50:35,520

in the dark here to try to come up with

1217

00:50:39,410 --> 00:50:37,890

a genuine answer that incorporate it's

1218

00:50:42,200 --> 00:50:39,420

almost like coming up with a grand

1219

00:50:44,870 --> 00:50:42,210

theory of physics right which they've

1220

00:50:47,810 --> 00:50:44,880

all want physicists want they're so to

1221

00:50:49,190 --> 00:50:47,820

understand UFOs you need a kind of grand

1222

00:50:51,440 --> 00:50:49,200

theory of physics to incorporate it

1223

00:50:53,780 --> 00:50:51,450

because it really is beyond our current

1224

00:50:55,670 --> 00:50:53,790

understanding of things oh I absolutely

1225

00:50:58,010 --> 00:50:55,680

agree and I've had a lot of guests on

1226
00:51:00,230 --> 00:50:58,020
about the electric universe model and

1227
00:51:02,480 --> 00:51:00,240
about ether physics because the whole

1228
00:51:04,940 --> 00:51:02,490
thing is if these craps are real then

1229
00:51:06,530 --> 00:51:04,950
they were like you say they work so we

1230
00:51:08,780 --> 00:51:06,540
have to figure out what they're doing

1231
00:51:11,530 --> 00:51:08,790
and there are people in the realm of

1232
00:51:14,930 --> 00:51:11,540
ether physics who think they know and

1233
00:51:17,060 --> 00:51:14,940
that's kind of exciting but I mean like

1234
00:51:19,160 --> 00:51:17,070
like you said it is a it's a tangled web

1235
00:51:20,810 --> 00:51:19,170
and I do like the consciousness side of

1236
00:51:22,340 --> 00:51:20,820
things I like the spiritual side and

1237
00:51:24,200 --> 00:51:22,350
then I come back to someone like string

1238
00:51:25,550 --> 00:51:24,210

field and those crash retrievals and

1239

00:51:29,360 --> 00:51:25,560

then you're right back to the physical

1240

00:51:31,340 --> 00:51:29,370

and it is just a lot to unpack and again

1241

00:51:33,770 --> 00:51:31,350

just because I don't hear you asked

1242

00:51:36,650 --> 00:51:33,780

about this really ever let me ask you

1243

00:51:37,370 --> 00:51:36,660

about a cult ritual or those types of

1244

00:51:38,600 --> 00:51:37,380

forms of

1245

00:51:40,760 --> 00:51:38,610

because I know you've written about

1246

00:51:43,070 --> 00:51:40,770

Crowley in long I know you've

1247

00:51:45,320 --> 00:51:43,080

interviewed Gordon white of course have

1248

00:51:47,600 --> 00:51:45,330

you ever considered sitting in on a

1249

00:51:49,790 --> 00:51:47,610

summoning or invocation to see what type

1250

00:51:55,400 --> 00:51:49,800

of contact is possible in that way

1251
00:51:58,700 --> 00:51:55,410
well it's something that I could try let

1252
00:52:03,680 --> 00:51:58,710
me just say I've researched all of this

1253
00:52:05,240 --> 00:52:03,690
in various ways so

1254
00:52:07,880 --> 00:52:05,250
it's something that I've known about for

1255
00:52:11,430 --> 00:52:07,890
a long time you know I know what

1256
00:52:14,840 --> 00:52:11,440
ceremonial magic is and

1257
00:52:16,650 --> 00:52:14,850
I understand the principles of it

1258
00:52:19,980 --> 00:52:16,660
question is have

1259
00:52:22,589 --> 00:52:19,990
ever tried it in a serious way no would

1260
00:52:25,319 --> 00:52:22,599
ever participate or at least watch yes I

1261
00:52:27,539 --> 00:52:25,329
would definitely watch to see what's

1262
00:52:30,359 --> 00:52:27,549
going on there it's I mean it's hard to

1263
00:52:33,210 --> 00:52:30,369

say like I know what ritual is and I

1264

00:52:35,970 --> 00:52:33,220

know what ritual does I've participated

1265

00:52:38,789 --> 00:52:35,980

in rituals even at monastic retreats for

1266

00:52:42,059 --> 00:52:38,799

goodness sake I mean there's a value to

1267

00:52:45,329 --> 00:52:42,069

having ritual in a spiritual practice

1268

00:52:47,130 --> 00:52:45,339

it's actually really important because

1269

00:52:50,309 --> 00:52:47,140

what a ritual does of course is it

1270

00:52:51,900 --> 00:52:50,319

trains your mind that's really what it

1271

00:52:56,630 --> 00:52:51,910

is it's just a way to focus your mind

1272

00:52:59,220 --> 00:52:56,640

your mind is the tool and the ritual is

1273

00:53:02,539 --> 00:52:59,230

well it's the means for getting your

1274

00:53:07,160 --> 00:53:02,549

mind as a tool to work in a certain way

1275

00:53:10,849 --> 00:53:07,170

that's really all it is so

1276
00:53:15,440 --> 00:53:10,859
you know ritual I mean scientists really

1277
00:53:18,480 --> 00:53:15,450
don't fully understand often I feel the

1278
00:53:21,000 --> 00:53:18,490
power of what ritual can do

1279
00:53:24,960 --> 00:53:21,010
now the real question that maybe you're

1280
00:53:28,410 --> 00:53:24,970
getting it I don't know is Ken ritual in

1281
00:53:30,870 --> 00:53:28,420
this manner the ritual of invocation in

1282
00:53:32,290 --> 00:53:30,880
this case bring in entities from

1283
00:53:34,450 --> 00:53:32,300
elsewhere

1284
00:53:37,630 --> 00:53:34,460
presumably through the power of our own

1285
00:53:39,160 --> 00:53:37,640
mind and you know there are stories of

1286
00:53:41,590 --> 00:53:39,170
this has happened I mean this is a story

1287
00:53:43,840 --> 00:53:41,600
of Jack Parsons and I ron Hubbard right

1288
00:53:50,010 --> 00:53:43,850

from Nevada in the 1940s ed to it

1289

00:53:52,420 --> 00:53:50,020

Parsons did all I can say is maybe maybe

1290

00:53:54,820 --> 00:53:52,430

yeah it's just one of those things where

1291

00:53:56,950 --> 00:53:54,830

I know it's strange but I get sick of

1292

00:53:59,110 --> 00:53:56,960

waiting for deathbed confessions or

1293

00:54:00,670 --> 00:53:59,120

disclosure and I just want to jump in

1294

00:54:02,170 --> 00:54:00,680

the deep end the pool or actually I want

1295

00:54:05,320 --> 00:54:02,180

you to do it and then tell me how it

1296

00:54:07,450 --> 00:54:05,330

goes but I mean even Steven Greer to an

1297

00:54:11,740 --> 00:54:07,460

extent could fall into that category and

1298

00:54:14,080 --> 00:54:11,750

there's definite orys of blue summoning

1299

00:54:16,600 --> 00:54:14,090

UFOs I mean that's what the ce-5 stuff

1300

00:54:17,170 --> 00:54:16,610

is that's exactly what it is and what

1301
00:54:19,600 --> 00:54:17,180
he's done

1302
00:54:21,670 --> 00:54:19,610
no he's created a ritual that's exactly

1303
00:54:23,770 --> 00:54:21,680
what that is so the cd5 he calls it a

1304
00:54:27,610 --> 00:54:23,780
protocol but it's ritual but it's a

1305
00:54:30,070 --> 00:54:27,620
method by which you focus your intention

1306
00:54:32,980 --> 00:54:30,080
and I've participated in c-five events

1307
00:54:36,640 --> 00:54:32,990
I've gone never had any remote success

1308
00:54:39,100 --> 00:54:36,650
and I have friends who do ce-5 and I

1309
00:54:40,690 --> 00:54:39,110
respect them and I believe them when

1310
00:54:42,910 --> 00:54:40,700
they tell me that things have happened

1311
00:54:44,620 --> 00:54:42,920
so I don't want to be misunderstood but

1312
00:54:47,410 --> 00:54:44,630
I do know that there are many cases

1313
00:54:49,720 --> 00:54:47,420

where people will do see e5s and they

1314

00:54:53,440 --> 00:54:49,730

turn a satellite into you know an alien

1315

00:54:56,500 --> 00:54:53,450

craft and that happens a lot so the

1316

00:55:00,790 --> 00:54:56,510

power of belief can go both ways maybe

1317

00:55:03,540 --> 00:55:00,800

there's an actual summoning I definitely

1318

00:55:06,330 --> 00:55:03,550

leave as a possibility

1319

00:55:08,790 --> 00:55:06,340

but there's a lot of noise in that whole

1320

00:55:11,160 --> 00:55:08,800

thing so it's so true again it's a

1321

00:55:12,630 --> 00:55:11,170

crashout but I would unify people who

1322

00:55:16,470 --> 00:55:12,640

said Richard we want you out there for

1323

00:55:18,780 --> 00:55:16,480

us to e5 if it's a nice warm night and I

1324

00:55:21,390 --> 00:55:18,790

don't mind the company I would consider

1325

00:55:24,240 --> 00:55:21,400

I suppose that I put a lot more stock in

1326
00:55:25,920 --> 00:55:24,250
the kind of grimoire magic than I do see

1327
00:55:27,660 --> 00:55:25,930
e5 just because there's a longer history

1328
00:55:29,850 --> 00:55:27,670
I mean I still don't have experience

1329
00:55:31,200 --> 00:55:29,860
with it and just like alien bodies in

1330
00:55:33,540 --> 00:55:31,210
the basement of wright-patterson I got

1331
00:55:35,370 --> 00:55:33,550
to take someone else's word for it but

1332
00:55:37,380 --> 00:55:35,380
we hear about it enough that I think

1333
00:55:39,540 --> 00:55:37,390
there's some meat on those bones and of

1334
00:55:42,840 --> 00:55:39,550
course Peter Levin is written about blue

1335
00:55:45,570 --> 00:55:42,850
blood elite summonings in contact with

1336
00:55:47,760 --> 00:55:45,580
the nine and some beans and spaceships

1337
00:55:49,680 --> 00:55:47,770
apparently that said they want to enact

1338
00:55:52,859 --> 00:55:49,690

their will through these people in this

1339

00:55:55,710 --> 00:55:52,869

farmhouse in Maine so they've done it

1340

00:55:58,260 --> 00:55:55,720

it's just like I guess I get impatient

1341

00:56:00,150 --> 00:55:58,270

with these certain people the invisible

1342

00:56:01,740 --> 00:56:00,160

college having this information they're

1343

00:56:05,820 --> 00:56:01,750

not letting loose on their grip and

1344

00:56:08,340 --> 00:56:05,830

there might be other ways to to get out

1345

00:56:12,450 --> 00:56:08,350

of the library and into the field and

1346

00:56:15,599 --> 00:56:12,460

possibly contact something firsthand

1347

00:56:17,220 --> 00:56:15,609

I can appreciate the impatience I felt

1348

00:56:19,890 --> 00:56:17,230

that many many times my life I mean

1349

00:56:22,530 --> 00:56:19,900

here's the thing we're dumped into a

1350

00:56:25,460 --> 00:56:22,540

world that's got now seven and a half

1351
00:56:28,530 --> 00:56:25,470
billion people a lot of people out there

1352
00:56:30,370 --> 00:56:28,540
there's a lot of forces out there in

1353
00:56:35,970 --> 00:56:30,380
this world

1354
00:56:38,109 --> 00:56:35,980
or for worse it is an entrenched

1355
00:56:41,410 --> 00:56:38,119
structure

1356
00:56:42,640 --> 00:56:41,420
and for any one of us to think oh yeah

1357
00:56:44,559 --> 00:56:42,650
I'm just going to go in and I'm going to

1358
00:56:46,390 --> 00:56:44,569
rearrange that structure I'm gonna

1359
00:56:49,440 --> 00:56:46,400
change things I'm gonna make this

1360
00:56:55,800 --> 00:56:52,470
you know I had this idea well years ago

1361
00:56:58,970 --> 00:56:55,810
and it hasn't happened now it doesn't

1362
00:57:03,150 --> 00:56:58,980
mean that change doesn't happen but

1363
00:57:07,510 --> 00:57:03,160

dramatic change like flipping a switch

1364

00:57:09,670 --> 00:57:07,520

and disclosure and that's everything

1365

00:57:11,740 --> 00:57:09,680

so sure about that anymore when I wrote

1366

00:57:13,660 --> 00:57:11,750

my first book UFOs in the national

1367

00:57:15,100 --> 00:57:13,670

security state the first volume I was

1368

00:57:18,100 --> 00:57:15,110

writing it all through the later half of

1369

00:57:20,050 --> 00:57:18,110

the 1990s and I wouldn't say that I

1370

00:57:21,370 --> 00:57:20,060

thought that that book would be the

1371

00:57:24,310 --> 00:57:21,380

hammer that broke the wall of secrecy

1372

00:57:26,230 --> 00:57:24,320

but I did allow myself some fantasy

1373

00:57:27,760 --> 00:57:26,240

moments late at night thinking maybe

1374

00:57:31,420 --> 00:57:27,770

this will be the hammer that breaks the

1375

00:57:33,460 --> 00:57:31,430

secrecy like maybe what if if I do just

1376

00:57:35,980 --> 00:57:33,470

a perfect enough argument I lay things

1377

00:57:38,730 --> 00:57:35,990

out make it airtight and so on and so on

1378

00:57:41,410 --> 00:57:38,740

but that would affect enough people and

1379

00:57:43,510 --> 00:57:41,420

what it did instead is it was a popular

1380

00:57:48,570 --> 00:57:43,520

book in the UFO field it has affected

1381

00:57:52,240 --> 00:57:48,580

our community and perhaps has had a slow

1382

00:57:55,030 --> 00:57:52,250

ripple effect very slow has contributed

1383

00:57:56,750 --> 00:57:55,040

I should say to a slow ripple effect for

1384

00:57:58,520 --> 00:57:56,760

the rest of the world but

1385

00:58:01,550 --> 00:57:58,530

it hasn't changed the structure of power

1386

00:58:04,820 --> 00:58:01,560

and we have a very entrenched system

1387

00:58:10,250 --> 00:58:04,830

here it's very entrenched I think that

1388

00:58:12,170 --> 00:58:10,260

we all benefit from pushing the reality

1389

00:58:14,870 --> 00:58:12,180

of this phenomenon and getting it out

1390

00:58:16,580 --> 00:58:14,880

there as effectively as possible I'm a

1391

00:58:18,620 --> 00:58:16,590

firm believer in that I don't like being

1392

00:58:19,880 --> 00:58:18,630

lied to by my government I don't like

1393

00:58:21,980 --> 00:58:19,890

being treated like I'm five years old

1394

00:58:24,620 --> 00:58:21,990

spoon-fed [h__h] for the rest of my

1395

00:58:27,320 --> 00:58:24,630

life while a whole other reality is

1396

00:58:31,289 --> 00:58:27,330

there and that's unacknowledged so I'm

1397

00:58:34,679 --> 00:58:31,299

not a fan of that on the other hand

1398

00:58:37,230 --> 00:58:34,689

to think that I or anyone else is going

1399

00:58:39,720 --> 00:58:37,240

to be able to transform that overnight

1400

00:58:42,600 --> 00:58:39,730

strikes me the more I go into this as

1401
00:58:44,760 --> 00:58:42,610
fantasy thinking so I'm going to try to

1402
00:58:46,950 --> 00:58:44,770
be realistic here

1403
00:58:50,220 --> 00:58:46,960
you know I think it was Jordan Peterson

1404
00:58:51,780 --> 00:58:50,230
who I very much admire who made an

1405
00:58:52,860 --> 00:58:51,790
analogy said you know people go into

1406
00:58:54,150 --> 00:58:52,870
this world thinking they're just gonna

1407
00:58:57,870 --> 00:58:54,160
change the world like they know how the

1408
00:59:00,800 --> 00:58:57,880
world system should work he said imagine

1409
00:59:03,030 --> 00:59:00,810
you're gonna go and take on a helicopter

1410
00:59:05,670 --> 00:59:03,040
you have this idea that you can design

1411
00:59:08,610 --> 00:59:05,680
this helicopter and change it around and

1412
00:59:10,650 --> 00:59:08,620
make it fly better he said all you'll do

1413
00:59:12,480 --> 00:59:10,660

is you'll destroy the helicopter and he

1414

00:59:15,840 --> 00:59:12,490

pointed out you know the global system

1415

00:59:17,940 --> 00:59:15,850

the societal system of things that make

1416

00:59:21,090 --> 00:59:17,950

our community work are equally

1417

00:59:23,130 --> 00:59:21,100

intricately complex and I think his

1418

00:59:24,480 --> 00:59:23,140

point in his case was don't go thinking

1419

00:59:26,610 --> 00:59:24,490

that you can just go in and muck about

1420

00:59:30,070 --> 00:59:26,620

and not make things worse instead of

1421

00:59:32,410 --> 00:59:30,080

making them better now in our case

1422

00:59:34,840 --> 00:59:32,420

I have believed consistently for the 25

1423

00:59:38,980 --> 00:59:34,850

years that I've worked on this that UFO

1424

00:59:43,310 --> 00:59:38,990

secrecy has damaged our society more

1425

00:59:45,890 --> 00:59:43,320

than it has helped our society but

1426

00:59:49,130 --> 00:59:45,900

there's a couple of what-ifs you know

1427

00:59:52,490 --> 00:59:49,140

what if the story about Jimmy Carter

1428

00:59:54,740 --> 00:59:52,500

crying in his Oval Office in 1977 was

1429

00:59:58,609 --> 00:59:54,750

based on the fact that he recognized

1430

01:00:00,859 --> 00:59:58,619

that this reality is dark and we don't

1431

01:00:02,630 --> 01:00:00,869

have any way of controlling it you know

1432

01:00:04,670 --> 01:00:02,640

if these beings could squash us like a

1433

01:00:05,990 --> 01:00:04,680

bug or if they have infiltrated us or if

1434

01:00:08,090 --> 01:00:06,000

they're undermining us or if they're

1435

01:00:11,269 --> 01:00:08,100

doing terrible things to us and he can't

1436

01:00:14,040 --> 01:00:11,279

control like what if that were true

1437

01:00:16,920 --> 01:00:14,050

and we don't know how to stop it

1438

01:00:19,080 --> 01:00:16,930

is disclosure good or not well my

1439

01:00:20,680 --> 01:00:19,090

attitude is the truth is always better

1440

01:00:26,020 --> 01:00:20,690

than fiction

1441

01:00:29,500 --> 01:00:26,030

but all I'm saying is I'm doing

1442

01:00:32,020 --> 01:00:29,510

everything that I feel I can do to shed

1443

01:00:35,559 --> 01:00:32,030

light on this subject but I'm not going

1444

01:00:36,910 --> 01:00:35,569

to hold my breath and think that we're

1445

01:00:37,809 --> 01:00:36,920

gonna change things I mean one of the

1446

01:00:39,940 --> 01:00:37,819

things that we're dealing with we

1447

01:00:42,400 --> 01:00:39,950

haven't yet discussed but I'd be up for

1448

01:00:44,430 --> 01:00:42,410

it is the technological transformation

1449

01:00:46,839 --> 01:00:44,440

of our society and what is doing to us

1450

01:00:48,400 --> 01:00:46,849

basically the whole transhumanist

1451

01:00:51,970 --> 01:00:48,410

revolution that is right on our doorstep

1452

01:00:56,410 --> 01:00:51,980

sure and that is including whether it's

1453

01:01:00,130 --> 01:00:56,420

AI or 5g Tec 5g technology and the

1454

01:01:02,620 --> 01:01:00,140

coming 24/7 non-stop surveillance state

1455

01:01:04,120 --> 01:01:02,630

that will not only be watching us all

1456

01:01:06,819 --> 01:01:04,130

the time but will be literally

1457

01:01:09,480 --> 01:01:06,829

controlling our behavior and turning us

1458

01:01:12,990 --> 01:01:09,490

into a different sort of human

1459

01:01:15,820 --> 01:01:13,000

one without initiative one without will

1460

01:01:18,500 --> 01:01:15,830

I really believe that's what's happening

1461

01:01:20,390 --> 01:01:18,510

and so that's a huge

1462

01:01:22,670 --> 01:01:20,400

transformational shift that's going on

1463

01:01:26,180 --> 01:01:22,680

to our species it'll take a few

1464

01:01:28,910 --> 01:01:26,190

generations but it's happening and you

1465

01:01:31,660 --> 01:01:28,920

can actually see culturally that that

1466

01:01:35,150 --> 01:01:31,670

it's changing successive generations

1467

01:01:36,800 --> 01:01:35,160

from the last more and more in my view

1468

01:01:40,220 --> 01:01:36,810

absolutely in a bad way

1469

01:01:42,920 --> 01:01:40,230

in other words 20 years from now let's

1470

01:01:46,490 --> 01:01:42,930

say we get to a point where a disclosure

1471

01:01:48,790 --> 01:01:46,500

can happen the question that I think we

1472

01:01:50,670 --> 01:01:48,800

can ask is

1473

01:01:54,099 --> 01:01:50,680

will it happen in a way that is

1474

01:01:58,270 --> 01:01:54,109

completely controlled by the established

1475

01:02:01,329 --> 01:01:58,280

powers with total spin and manipulation

1476

01:02:03,370 --> 01:02:01,339

of data so that it's almost as if

1477

01:02:04,839 --> 01:02:03,380

disclosure didn't even happen you know

1478

01:02:07,310 --> 01:02:04,849

if you look at all the amount of UFO

1479

01:02:11,540 --> 01:02:07,320

data that exists as a mountain

1480

01:02:14,870 --> 01:02:11,550

imagine that the tiniest sliver of that

1481

01:02:19,240 --> 01:02:14,880

mountain is disclosed giving a very very

1482

01:02:22,520 --> 01:02:19,250

skewed view of what this subject is and

1483

01:02:25,100 --> 01:02:22,530

life goes on well everyone's now you

1484

01:02:27,550 --> 01:02:25,110

know having their total immersive video

1485

01:02:30,080 --> 01:02:27,560

games and having their Soylent Green or

1486

01:02:32,030 --> 01:02:30,090

doing whatever and living their own

1487

01:02:33,050 --> 01:02:32,040

little fantasy world because that's

1488

01:02:35,090 --> 01:02:33,060

really all it's gonna happen there's not

1489

01:02:39,440 --> 01:02:35,100

gonna be jobs for people they're gonna

1490

01:02:41,180 --> 01:02:39,450

be living off of a system where they're

1491

01:02:44,060 --> 01:02:41,190

controlled they're given a certain

1492

01:02:45,440 --> 01:02:44,070

income and because you're given an

1493

01:02:48,030 --> 01:02:45,450

income from the state you're controlled

1494

01:02:50,940 --> 01:02:48,040

by the state and

1495

01:02:53,790 --> 01:02:50,950

you know the last thing government's

1496

01:02:55,620 --> 01:02:53,800

will want from citizens that are totally

1497

01:02:58,470 --> 01:02:55,630

dependent on them is initiative and

1498

01:02:59,880 --> 01:02:58,480

independent thought and they'll make

1499

01:03:01,290 --> 01:02:59,890

absolutely sure that there is no

1500

01:03:03,390 --> 01:03:01,300

initiative and no independent thought

1501

01:03:05,690 --> 01:03:03,400

and you do that through [h__h] food

1502

01:03:08,210 --> 01:03:05,700

through [h__h] entertainment

1503

01:03:09,740 --> 01:03:08,220

and fantasy games more and more fantasy

1504

01:03:11,870 --> 01:03:09,750

games and you know we see it even in

1505

01:03:13,700 --> 01:03:11,880

Hollywood with the superhero movies and

1506

01:03:15,350 --> 01:03:13,710

all the fantasy seems that they have

1507

01:03:17,540 --> 01:03:15,360

coming out but you'll see it throughout

1508

01:03:19,970 --> 01:03:17,550

the culture so it's a complete divorce

1509

01:03:21,950 --> 01:03:19,980

from reality I think that's what we're

1510

01:03:25,790 --> 01:03:21,960

looking at and so in that kind of a

1511

01:03:28,030 --> 01:03:25,800

world I really ask myself like what will

1512

01:03:29,590 --> 01:03:28,040

disclosure even matter

1513

01:03:32,830 --> 01:03:29,600

because it's almost likely gonna be

1514

01:03:34,660 --> 01:03:32,840

given to an utterly ignorant population

1515

01:03:36,670 --> 01:03:34,670

that has no sense of his own history

1516

01:03:39,790 --> 01:03:36,680

anymore that there's no sense of its own

1517

01:03:42,520 --> 01:03:39,800

humanity anymore will it even matter I

1518

01:03:44,890 --> 01:03:42,530

mean this is I guess some of my darker

1519

01:03:46,150 --> 01:03:44,900

thoughts but I can't lie to you and say

1520

01:03:48,310 --> 01:03:46,160

like I don't think about it because I do

1521

01:03:50,500 --> 01:03:48,320

think about it I wonder about this right

1522

01:03:52,690 --> 01:03:50,510

well you're in good company here and I

1523

01:03:55,150 --> 01:03:52,700

actually have a quote of yours it's

1524

01:03:57,310 --> 01:03:55,160

really great about technology we say it

1525

01:03:59,170 --> 01:03:57,320

won't end with us being watched mind

1526
01:04:01,450 --> 01:03:59,180
reading technologies are being developed

1527
01:04:03,490 --> 01:04:01,460
electrodes can be attached to your skull

1528
01:04:06,490 --> 01:04:03,500
and algorithms can identify the words

1529
01:04:08,470 --> 01:04:06,500
you think with 90% accuracy you see your

1530
01:04:10,960 --> 01:04:08,480
brain produces certain wavelengths when

1531
01:04:12,910 --> 01:04:10,970
you think certain words so surprise the

1532
01:04:14,800 --> 01:04:12,920
current tech is a bit clunky since it

1533
01:04:16,960 --> 01:04:14,810
requires you to be thinking actual words

1534
01:04:18,370 --> 01:04:16,970
and they still need wires connected to

1535
01:04:22,480 --> 01:04:18,380
your skull but it's a start

1536
01:04:24,700 --> 01:04:22,490
what is unnerving is how optimistic some

1537
01:04:27,280 --> 01:04:24,710
of these articles sound how happy the

1538
01:04:29,950 --> 01:04:27,290

authors are that these new technologies

1539

01:04:31,810 --> 01:04:29,960

can quote help people how wonderful sure

1540

01:04:33,670 --> 01:04:31,820

who doesn't want their mind picked open

1541

01:04:34,720 --> 01:04:33,680

by a futuristic artificially intelligent

1542

01:04:37,840 --> 01:04:34,730

locksmith

1543

01:04:40,150 --> 01:04:37,850

I mean BAM there it is some of these

1544

01:04:42,460 --> 01:04:40,160

writers I mean I just think how utterly

1545

01:04:44,440 --> 01:04:42,470

irresponsible they are

1546

01:04:46,330 --> 01:04:44,450

most of them aren't really that smart

1547

01:04:48,640 --> 01:04:46,340

they're basically shells for their

1548

01:04:50,020 --> 01:04:48,650

corporate masters anyway and you know

1549

01:04:52,420 --> 01:04:50,030

they pose as journalists are not

1550

01:04:54,400 --> 01:04:52,430

actually journalists in my view so

1551

01:04:56,320 --> 01:04:54,410

they're propagandists it's really what

1552

01:04:58,070 --> 01:04:56,330

they are and I think that that's a lot

1553

01:05:00,500 --> 01:04:58,080

of the optimism

1554

01:05:04,100 --> 01:05:00,510

comes from either intentional propaganda

1555

01:05:06,680 --> 01:05:04,110

or more realistically just kind of not

1556

01:05:08,570 --> 01:05:06,690

very deeply philosophical people which

1557

01:05:10,220 --> 01:05:08,580

is normal who are hired by these

1558

01:05:11,780 --> 01:05:10,230

corporations and they're asked to write

1559

01:05:13,610 --> 01:05:11,790

a story on the subject and then they

1560

01:05:15,490 --> 01:05:13,620

they know what's expected of them so

1561

01:05:17,410 --> 01:05:15,500

that's what they do

1562

01:05:19,510 --> 01:05:17,420

and you know there's always short-term

1563

01:05:22,090 --> 01:05:19,520

gain like for example if you want to

1564

01:05:24,970 --> 01:05:22,100

implement a smart city so-called smart

1565

01:05:26,860 --> 01:05:24,980

city what well that means is that it's

1566

01:05:28,810 --> 01:05:26,870

under total surveillance like every

1567

01:05:33,040 --> 01:05:28,820

element of that city has got monitors in

1568

01:05:37,120 --> 01:05:33,050

various ways it very likely would result

1569

01:05:38,740 --> 01:05:37,130

in less street crime I mean in theory

1570

01:05:41,470 --> 01:05:38,750

right because if everyone's being

1571

01:05:43,750 --> 01:05:41,480

surveilled with facial recognition and

1572

01:05:46,500 --> 01:05:43,760

voice recognition software and all that

1573

01:05:48,610 --> 01:05:46,510

is pervasive then if you commit a crime

1574

01:05:49,630 --> 01:05:48,620

you're gonna get caught and even if

1575

01:05:52,570 --> 01:05:49,640

you're wearing a mask

1576

01:05:54,340 --> 01:05:52,580

there's body language recognition I mean

1577

01:05:55,720 --> 01:05:54,350

there's all of these types of

1578

01:05:58,300 --> 01:05:55,730

technologies that are coming online like

1579

01:06:01,600 --> 01:05:58,310

it's going to be impossible to do

1580

01:06:03,130 --> 01:06:01,610

anything without being monitored sure

1581

01:06:04,930 --> 01:06:03,140

it'll make the streets safer in that

1582

01:06:06,730 --> 01:06:04,940

sense and that's good like we don't want

1583

01:06:07,990 --> 01:06:06,740

to go out and get mugged hey I was

1584

01:06:09,970 --> 01:06:08,000

mugged once many years ago I wouldn't

1585

01:06:14,170 --> 01:06:09,980

want it to happen again so there's that

1586

01:06:17,430 --> 01:06:14,180

on the other side of it is you are

1587

01:06:19,839 --> 01:06:17,440

paying a price where you have zero

1588

01:06:22,390 --> 01:06:19,849

privacy

1589

01:06:24,519 --> 01:06:22,400

inside your home inside your bedroom

1590

01:06:27,130 --> 01:06:24,529

most likely and certainly out in the

1591

01:06:29,769 --> 01:06:27,140

street so when you know that you have no

1592

01:06:31,569 --> 01:06:29,779

privacy well that changes your behavior

1593

01:06:33,969 --> 01:06:31,579

entirely and then of course there's even

1594

01:06:36,219 --> 01:06:33,979

more than that there's the whole ability

1595

01:06:38,469 --> 01:06:36,229

to create a not even simply a Minority

1596

01:06:40,809 --> 01:06:38,479

Report type of situation where your

1597

01:06:43,719 --> 01:06:40,819

behaviors can be predicted but the fact

1598

01:06:47,019 --> 01:06:43,729

is every one of us even right now has

1599

01:06:49,359 --> 01:06:47,029

created a digital footprint through our

1600

01:06:51,700 --> 01:06:49,369

web browsing activity through our phone

1601
01:06:55,120 --> 01:06:51,710
through our email through our buying

1602
01:06:57,969 --> 01:06:55,130
habits there are GPS on our phone all of

1603
01:07:01,120 --> 01:06:57,979
that and more we're at the point now

1604
01:07:03,549 --> 01:07:01,130
where algorithms can be created a

1605
01:07:04,960 --> 01:07:03,559
variety of them not just to predict your

1606
01:07:07,210 --> 01:07:04,970
behavior but to create a complete

1607
01:07:11,609 --> 01:07:07,220
psychological profile of who you are in

1608
01:07:13,749 --> 01:07:11,619
a sense that someone else can know you

1609
01:07:15,519 --> 01:07:13,759
better than you know yourself in a lot

1610
01:07:18,160 --> 01:07:15,529
of ways better than I know myself

1611
01:07:20,410 --> 01:07:18,170
like that's actually possible now and

1612
01:07:22,390 --> 01:07:20,420
the only question is who's got access to

1613
01:07:23,499 --> 01:07:22,400

that information well in China the

1614

01:07:26,200 --> 01:07:23,509

government has access to that

1615

01:07:29,319 --> 01:07:26,210

information in the West corporations and

1616

01:07:30,130 --> 01:07:29,329

maybe some government pages have access

1617

01:07:32,650 --> 01:07:30,140

to that information

1618

01:07:34,180 --> 01:07:32,660

we don't really know in the West a lot

1619

01:07:36,160 --> 01:07:34,190

of its corporate so that they can sell

1620

01:07:38,140 --> 01:07:36,170

you things and manipulate you that way

1621

01:07:39,640 --> 01:07:38,150

but that's the world we're moving into

1622

01:07:42,130 --> 01:07:39,650

and it's only gonna get worse not gonna

1623

01:07:44,799 --> 01:07:42,140

get better and that's the thing that's

1624

01:07:49,690 --> 01:07:44,809

actually the saddest part of the world

1625

01:07:52,180 --> 01:07:49,700

we're moving into is this loss of our

1626
01:07:53,499 --> 01:07:52,190
most fundamental element of humanity

1627
01:07:57,639 --> 01:07:53,509
which is

1628
01:08:00,789 --> 01:07:57,649
simply our privacy but our independence

1629
01:08:04,079 --> 01:08:00,799
as human beings like if you don't have

1630
01:08:07,479 --> 01:08:04,089
that if you're not sovereign of yourself

1631
01:08:10,329 --> 01:08:07,489
what are you even doing right so that's

1632
01:08:12,579 --> 01:08:10,339
what's wearing away and that's the thing

1633
01:08:14,499 --> 01:08:12,589
that if I could stop anything anything

1634
01:08:17,620 --> 01:08:14,509
in the world from happening I would stop

1635
01:08:19,479 --> 01:08:17,630
that I just don't know how hey man yes

1636
01:08:21,069 --> 01:08:19,489
you're preaching to the choir I mean

1637
01:08:23,559 --> 01:08:21,079
hosting a show like this I think about

1638
01:08:25,899 --> 01:08:23,569

this stuff every day in a cold sweat in

1639

01:08:26,439 --> 01:08:25,909

bed and you know but give me liberty or

1640

01:08:31,930 --> 01:08:26,449

give me death

1641

01:08:35,529 --> 01:08:31,940

you know and I know we're running out of

1642

01:08:37,749 --> 01:08:35,539

time the last disinfo element I wanted

1643

01:08:40,479 --> 01:08:37,759

to bring in just to talk more about the

1644

01:08:42,490 --> 01:08:40,489

obvious red herrings and ufology you've

1645

01:08:44,950 --> 01:08:42,500

done some pretty epic takedowns of the

1646

01:08:46,870 --> 01:08:44,960

quarry good David Wilcock stuff and to

1647

01:08:49,120 --> 01:08:46,880

be honest an interview with them and a

1648

01:08:51,459 --> 01:08:49,130

request from Roger stones publisher are

1649

01:08:53,499 --> 01:08:51,469

the only two real big interviews I've

1650

01:08:55,779 --> 01:08:53,509

declined to do Roger stone just scares

1651

01:08:57,669 --> 01:08:55,789

me but the quarry good and Wilcock stuff

1652

01:08:59,890 --> 01:08:57,679

even though I've done much crazier

1653

01:09:01,990 --> 01:08:59,900

interviews and as you say I'm willing to

1654

01:09:03,939 --> 01:09:02,000

talk to anyone in this field there is a

1655

01:09:06,910 --> 01:09:03,949

weird feeling I get when a narrative

1656

01:09:09,700 --> 01:09:06,920

gets too popular and I think it starts

1657

01:09:11,470 --> 01:09:09,710

doing a lot of harm and I personally

1658

01:09:13,479 --> 01:09:11,480

don't want to contribute to the problem

1659

01:09:15,430 --> 01:09:13,489

despite what a few shows in my archive

1660

01:09:17,559 --> 01:09:15,440

might suggest but hey those were

1661

01:09:19,200 --> 01:09:17,569

different times and I guess to make a

1662

01:09:21,999 --> 01:09:19,210

question out of this do you have any

1663

01:09:23,740 --> 01:09:22,009

gripes with alternative media or advice

1664

01:09:25,899 --> 01:09:23,750

to make it a positive thing for

1665

01:09:29,169 --> 01:09:25,909

interviewers in this space when it comes

1666

01:09:31,959 --> 01:09:29,179

to that balance between wanting to get

1667

01:09:34,599 --> 01:09:31,969

an epic story that is just a witness

1668

01:09:38,049 --> 01:09:34,609

account with no evidence versus not

1669

01:09:41,470 --> 01:09:38,059

wanting to do harm in the overall quest

1670

01:09:42,860 --> 01:09:41,480

for truth enos think I understand the

1671

01:09:45,290 --> 01:09:42,870

question

1672

01:09:49,280 --> 01:09:45,300

alternative media I mean is actually now

1673

01:09:52,340 --> 01:09:49,290

just non-corporate non-establishment

1674

01:09:54,410 --> 01:09:52,350

media I guess is everything else and do

1675

01:09:57,920 --> 01:09:54,420

you know the thing is we always must

1676

01:10:00,980 --> 01:09:57,930

still I feel the fur of responsible we

1677

01:10:03,980 --> 01:10:00,990

have to follow standard journalistic

1678

01:10:05,450 --> 01:10:03,990

rules which is you should know what your

1679

01:10:06,920 --> 01:10:05,460

sources are you should try to confirm

1680

01:10:08,960 --> 01:10:06,930

your sources and things like that I mean

1681

01:10:11,390 --> 01:10:08,970

I don't think that ever changes that's

1682

01:10:13,160 --> 01:10:11,400

just basic common sense there's a

1683

01:10:14,780 --> 01:10:13,170

responsibility and doing the things that

1684

01:10:15,980 --> 01:10:14,790

we do

1685

01:10:18,560 --> 01:10:15,990

I remember the first time I was ever

1686

01:10:20,930 --> 01:10:18,570

interviewed for any TV thing ever

1687

01:10:23,510 --> 01:10:20,940

it was a little thing that I think went

1688

01:10:25,010 --> 01:10:23,520

nowhere anyway but I remembered just as

1689

01:10:27,620 --> 01:10:25,020

before I started speaking I thought oh

1690

01:10:29,840 --> 01:10:27,630

my god like they're gonna be people who

1691

01:10:33,050 --> 01:10:29,850

don't know me you're gonna hear my words

1692

01:10:35,180 --> 01:10:33,060

and that's going to have an effect on on

1693

01:10:37,910 --> 01:10:35,190

their thinking like including young

1694

01:10:40,390 --> 01:10:37,920

people and I just had this idea that

1695

01:10:43,340 --> 01:10:40,400

like everything that I say matters

1696

01:10:44,960 --> 01:10:43,350

everything I say matters and therefore I

1697

01:10:49,640 --> 01:10:44,970

take it seriously and therefore I don't

1698

01:10:51,830 --> 01:10:49,650

want to just toss out something unless I

1699

01:10:54,260 --> 01:10:51,840

feel really strongly and confident about

1700

01:10:56,240 --> 01:10:54,270

it and so when when I come across

1701

01:10:59,060 --> 01:10:56,250

stories in the UFO field and there's so

1702

01:11:01,040 --> 01:10:59,070

many of them and there's a long history

1703

01:11:03,500 --> 01:11:01,050

of this this goes back an entire human

1704

01:11:05,510 --> 01:11:03,510

lifetime of stories of unconfirmed like

1705

01:11:06,890 --> 01:11:05,520

I had contact with this alien being and

1706

01:11:10,610 --> 01:11:06,900

they told me this or they told me that

1707

01:11:13,610 --> 01:11:10,620

this is an old story not a news story my

1708

01:11:15,860 --> 01:11:13,620

attitude is unless you can show me

1709

01:11:17,810 --> 01:11:15,870

genuine evidence I'm putting it in the

1710

01:11:18,890 --> 01:11:17,820

same category with all the other fake

1711

01:11:21,250 --> 01:11:18,900

stories that have happened in the past

1712

01:11:24,620 --> 01:11:21,260

and I'm just not going to accept it I

1713

01:11:26,510 --> 01:11:24,630

won't accept it I won't call someone a

1714

01:11:28,850 --> 01:11:26,520

liar I don't want to get into a personal

1715

01:11:30,920 --> 01:11:28,860

vendetta with anybody it's not healthy

1716

01:11:32,950 --> 01:11:30,930

for me and it's a waste of time frankly

1717

01:11:36,660 --> 01:11:32,960

but

1718

01:11:38,879 --> 01:11:36,670

I strongly believe in evidence-based

1719

01:11:41,129 --> 01:11:38,889

journalism

1720

01:11:43,270 --> 01:11:41,139

whether it's in ufology or not in

1721

01:11:45,550 --> 01:11:43,280

ufology doesn't matter

1722

01:11:47,020 --> 01:11:45,560

that means alternative based non

1723

01:11:48,809 --> 01:11:47,030

corporate establishment as well as

1724

01:11:52,739 --> 01:11:48,819

anything else

1725

01:11:54,989 --> 01:11:52,749

now it's hard sometimes to get the kind

1726

01:11:57,059 --> 01:11:54,999

of levels of evidence and proof that we

1727

01:12:02,009 --> 01:11:57,069

would ideally want when we're doing a

1728

01:12:04,589 --> 01:12:02,019

story and it's fair to interview someone

1729

01:12:07,589 --> 01:12:04,599

who just makes one claim like absolutely

1730

01:12:09,449 --> 01:12:07,599

it's fair and it's up to each person to

1731

01:12:11,309 --> 01:12:09,459

decide do I choose to believe this

1732

01:12:13,770 --> 01:12:11,319

person or not so there's always going to

1733

01:12:17,359 --> 01:12:13,780

be these stories out there but from my

1734

01:12:22,049 --> 01:12:17,369

part like I just feel I mean I just know

1735

01:12:25,439 --> 01:12:22,059

from the UFO feel that most people like

1736

01:12:28,469 --> 01:12:25,449

they want answers they're desperate for

1737

01:12:30,329 --> 01:12:28,479

answers and when someone comes along

1738

01:12:32,939 --> 01:12:30,339

like the next new person who comes along

1739

01:12:34,649 --> 01:12:32,949

and says I have all the answers they're

1740

01:12:36,229 --> 01:12:34,659

always gonna get a certain number of

1741

01:12:38,569 --> 01:12:36,239

people who want to latch on to them

1742

01:12:41,339 --> 01:12:38,579

because whether they have a magnetic

1743

01:12:44,969 --> 01:12:41,349

personality or they've got a really cool

1744

01:12:46,619 --> 01:12:44,979

story people will just they like it they

1745

01:12:48,479 --> 01:12:46,629

like to entertain it because most people

1746

01:12:50,309 --> 01:12:48,489

the stakes aren't relieving that high

1747

01:12:54,089 --> 01:12:50,319

what's the big deal if I choose to

1748

01:12:57,119 --> 01:12:54,099

believe this guy for me there's no way

1749

01:13:00,059 --> 01:12:57,129

like I have to be careful I can't just

1750

01:13:02,399 --> 01:13:00,069

throw in with any old person who comes

1751

01:13:04,319 --> 01:13:02,409

in without a shred of like you've got to

1752

01:13:06,539 --> 01:13:04,329

give me something man you've got to give

1753

01:13:10,109 --> 01:13:06,549

me something that I can work with I've

1754

01:13:13,799 --> 01:13:10,119

got to be able to investigate either the

1755

01:13:17,339 --> 01:13:13,809

people like if you have a claim that is

1756

01:13:19,949 --> 01:13:17,349

so outlandish like you've done time

1757

01:13:21,270 --> 01:13:19,959

travel which is one of these claims then

1758

01:13:22,929 --> 01:13:21,280

you've got to give me something extra

1759

01:13:26,319 --> 01:13:22,939

here

1760

01:13:29,949 --> 01:13:26,329

give me access to all to all the people

1761

01:13:31,089 --> 01:13:29,959

close to you give me access well what

1762

01:13:33,169 --> 01:13:31,099

has happened of course in that

1763

01:13:35,870 --> 01:13:33,179

particular case is that

1764

01:13:37,100 --> 01:13:35,880

no one I don't even like to mention

1765

01:13:39,140 --> 01:13:37,110

these people by name I don't like to

1766

01:13:41,839 --> 01:13:39,150

give him the credit fair there's a lot

1767

01:13:43,040 --> 01:13:41,849

of people in this field and ultimately

1768

01:13:45,740 --> 01:13:43,050

one of the YouTube videos I think I

1769

01:13:47,600 --> 01:13:45,750

created is why false claims ultimately

1770

01:13:50,750 --> 01:13:47,610

crash and burn I think it was something

1771

01:13:53,419 --> 01:13:50,760

like that and it's true like ultimately

1772

01:13:56,400 --> 01:13:53,429

the truth is gonna win it just often

1773

01:13:58,740 --> 01:13:56,410

takes a long time and it's frustrating

1774

01:14:02,850 --> 01:13:58,750

but I believe in the truth and I believe

1775

01:14:05,070 --> 01:14:02,860

in journalistic responsibility and it's

1776

01:14:07,470 --> 01:14:05,080

hard you know honestly

1777

01:14:09,090 --> 01:14:07,480

countless times I could have if I really

1778

01:14:11,010 --> 01:14:09,100

wanted to get more clicks or more book

1779

01:14:13,620 --> 01:14:11,020

sales or whatever I could have gone into

1780

01:14:16,870 --> 01:14:13,630

the deep end and just repeated every

1781

01:14:18,490 --> 01:14:16,880

crazy-ass story that's ever come to me

1782

01:14:20,140 --> 01:14:18,500

but I'm not gonna do it because I don't

1783

01:14:21,990 --> 01:14:20,150

believe a lot of those stories and if I

1784

01:14:25,149 --> 01:14:22,000

don't really believe it I'm not gonna

1785

01:14:26,990 --> 01:14:25,159

offer it to you or to anyone else the

1786

01:14:29,450 --> 01:14:27,000

problem is

1787

01:14:32,090 --> 01:14:29,460

there are unfortunately a number of

1788

01:14:34,220 --> 01:14:32,100

authors and public speakers who they

1789

01:14:36,620 --> 01:14:34,230

either have a really low level of what

1790

01:14:38,000 --> 01:14:36,630

they believe or they just actually are

1791

01:14:40,700 --> 01:14:38,010

consciously lying and there's both

1792

01:14:42,590 --> 01:14:40,710

groups like there are people in this

1793

01:14:44,000 --> 01:14:42,600

field who I know that they're lying I

1794

01:14:46,610 --> 01:14:44,010

know they don't believe a word of what

1795

01:14:48,800 --> 01:14:46,620

they say can't prove it but I'm pretty

1796

01:14:50,240 --> 01:14:48,810

sure they don't believe it and then

1797

01:14:54,620 --> 01:14:50,250

there's others who I just think are

1798

01:14:56,300 --> 01:14:54,630

pretty credulous I agree and it's just

1799

01:14:59,360 --> 01:14:56,310

sometimes hard to be a host in this

1800

01:15:02,900 --> 01:14:59,370

field and be attracted to extremes but

1801

01:15:05,120 --> 01:15:02,910

if the goal is to reveal things and do

1802

01:15:07,190 --> 01:15:05,130

no harm you can't go to the furthest

1803

01:15:09,920 --> 01:15:07,200

extreme because then you are doing harm

1804

01:15:11,930 --> 01:15:09,930

and there is a bit of responsibility and

1805

01:15:14,660 --> 01:15:11,940

maybe when I was 25 I didn't get it now

1806

01:15:17,870 --> 01:15:14,670

that I'm 35 I'm trying to reel back you

1807

01:15:20,930 --> 01:15:17,880

know to some to some island of sanity

1808

01:15:24,380 --> 01:15:20,940

but you know here we are so just write

1809

01:15:26,320 --> 01:15:24,390

the things that we do matter like my

1810

01:15:29,060 --> 01:15:26,330

attitude is everything I say matters

1811

01:15:30,770 --> 01:15:29,070

everything I do matters even if no one's

1812

01:15:34,490 --> 01:15:30,780

looking at me so that's how I try to

1813

01:15:36,770 --> 01:15:34,500

live my life which means that when I

1814

01:15:39,740 --> 01:15:36,780

make a public statement

1815

01:15:42,439 --> 01:15:39,750

I want to be confident of that what I'm

1816

01:15:45,439 --> 01:15:42,449

saying is at least I actually believe

1817

01:15:48,020 --> 01:15:45,449

it's true I mean I can be wrong it's no

1818

01:15:49,580 --> 01:15:48,030

sin and being wrong it's normal it's

1819

01:15:51,589 --> 01:15:49,590

normal to be wrong there's nothing wrong

1820

01:15:54,200 --> 01:15:51,599

with admitting you've been wrong in my

1821

01:15:56,390 --> 01:15:54,210

opinion I've had disagreements with all

1822

01:15:58,609 --> 01:15:56,400

kinds of people and lots of times I

1823

01:16:01,250 --> 01:15:58,619

later thought yeah I was wrong

1824

01:16:02,629 --> 01:16:01,260

and that's actually where Bertrand

1825

01:16:04,370 --> 01:16:02,639

Russell says that's where science is

1826

01:16:06,589 --> 01:16:04,380

great because if science is not

1827

01:16:08,990 --> 01:16:06,599

committed to one particular answer

1828

01:16:10,399 --> 01:16:09,000

science can be flexible and I think

1829

01:16:12,859 --> 01:16:10,409

that's the best attitude like that's

1830

01:16:13,339 --> 01:16:12,869

what you want you want to be able to

1831

01:16:15,319 --> 01:16:13,349

change your mind

1832

01:16:16,660 --> 01:16:15,329

problem by the way with being a public

1833

01:16:20,439 --> 01:16:16,670

figure

1834

01:16:22,780 --> 01:16:20,449

got this and if they deny it their line

1835

01:16:25,180 --> 01:16:22,790

is that there's always pressure like

1836

01:16:27,340 --> 01:16:25,190

once you've put a position out there in

1837

01:16:30,160 --> 01:16:27,350

the world the pressure is on you to

1838

01:16:33,669 --> 01:16:30,170

maintain that position yes and they've

1839

01:16:35,950 --> 01:16:33,679

got these expectations of you and your

1840

01:16:37,930 --> 01:16:35,960

job as a public figure is to fight that

1841

01:16:39,669 --> 01:16:37,940

every inch of the way because the fact

1842

01:16:42,160 --> 01:16:39,679

is you're always going to be in danger

1843

01:16:43,830 --> 01:16:42,170

of solidifying and losing your

1844

01:16:46,050 --> 01:16:43,840

flexibility

1845

01:16:47,550 --> 01:16:46,060

if you're not a public figure who cares

1846

01:16:49,050 --> 01:16:47,560

if you change your opinion no one cares

1847

01:16:51,629 --> 01:16:49,060

if you're a public figure and you do a

1848

01:16:54,720 --> 01:16:51,639

180 well then people like they get upset

1849

01:16:56,550 --> 01:16:54,730

with you and no one should deceive

1850

01:16:58,500 --> 01:16:56,560

themselves like there's a tremendous

1851

01:17:02,010 --> 01:16:58,510

psychological pressure on everyone

1852

01:17:04,890 --> 01:17:02,020

including myself to do that now the

1853

01:17:07,379 --> 01:17:04,900

difference with me is I remind myself of

1854

01:17:10,500 --> 01:17:07,389

this all the time and I always try to

1855

01:17:14,040 --> 01:17:10,510

fight it and I do my best you know I

1856

01:17:16,220 --> 01:17:14,050

mean I do my best but fortunately I'm in

1857

01:17:19,140 --> 01:17:16,230

a good position where I actually like

1858

01:17:21,620 --> 01:17:19,150

the public positions I have I believe

1859

01:17:23,120 --> 01:17:21,630

them I genuinely believe

1860

01:17:26,660 --> 01:17:23,130

but ultimately it means being

1861

01:17:29,480 --> 01:17:26,670

evidence-based and because I've staked

1862

01:17:31,070 --> 01:17:29,490

that out very consciously I don't mind

1863

01:17:34,490 --> 01:17:31,080

if I have to change my opinion on things

1864

01:17:35,690 --> 01:17:34,500

like I don't mind too much the thing is

1865

01:17:37,760 --> 01:17:35,700

when you change your opinion you're

1866

01:17:40,670 --> 01:17:37,770

implicitly recognizing oh well I was

1867

01:17:42,620 --> 01:17:40,680

wrong was I therefore stupid you know

1868

01:17:44,540 --> 01:17:42,630

did I believe this really dumb thing for

1869

01:17:46,700 --> 01:17:44,550

a long time and sometimes that's true

1870

01:17:48,740 --> 01:17:46,710

that's unfortunate it's the problem that

1871

01:17:51,080 --> 01:17:48,750

academia in have is like they're

1872

01:17:53,630 --> 01:17:51,090

sometimes the most pigheaded dumb people

1873

01:17:55,070 --> 01:17:53,640

on UFOs ever because they've been in

1874

01:17:57,140 --> 01:17:55,080

this field for a long time they've

1875

01:17:58,880 --> 01:17:57,150

denied it denied it denied it denied it

1876

01:18:01,430 --> 01:17:58,890

they're very accomplished in their field

1877

01:18:02,990 --> 01:18:01,440

they're very intelligent generally they

1878

01:18:05,720 --> 01:18:03,000

think they're smarter than most other

1879

01:18:07,700 --> 01:18:05,730

people and so they don't want to this is

1880

01:18:10,130 --> 01:18:07,710

an insult to their intelligence that's

1881

01:18:13,280 --> 01:18:10,140

really what it is and they you know get

1882

01:18:15,830 --> 01:18:13,290

them to admit that good luck though very

1883

01:18:17,900 --> 01:18:15,840

few very few people will do that right

1884

01:18:19,520 --> 01:18:17,910

they get committed but man I'm so glad

1885

01:18:20,810 --> 01:18:19,530

you said some of those things they're

1886

01:18:22,280 --> 01:18:20,820

very helpful for me I wouldn't be

1887

01:18:24,740 --> 01:18:22,290

thinking about that for a long time I'm

1888

01:18:26,270 --> 01:18:24,750

sure but Richard this has been awesome a

1889

01:18:28,010 --> 01:18:26,280

real honor and a pleasure I've

1890

01:18:30,170 --> 01:18:28,020

definitely tried to mobilize my

1891

01:18:32,030 --> 01:18:30,180

resources lately to get you here and I'm

1892

01:18:33,560 --> 01:18:32,040

sure you heard it from a couple

1893

01:18:35,330 --> 01:18:33,570

different sides and I appreciate it

1894

01:18:36,740 --> 01:18:35,340

because I know you're busy and I know my

1895

01:18:39,020 --> 01:18:36,750

branding and everything can seem a bit

1896

01:18:40,370 --> 01:18:39,030

wild and over the top and some serious

1897

01:18:42,560 --> 01:18:40,380

people don't want to be associated with

1898

01:18:44,990 --> 01:18:42,570

all that in the silly conspiracy minded

1899

01:18:47,360 --> 01:18:45,000

stoner dropout host but I'm trying to

1900

01:18:49,160 --> 01:18:47,370

[h__h] preconceived notions of what that

1901

01:18:51,320 --> 01:18:49,170

means just like you might be for what

1902

01:18:53,720 --> 01:18:51,330

people think of ufology researchers so

1903

01:18:55,340 --> 01:18:53,730

thanks for taking the risk before we go

1904

01:18:57,200 --> 01:18:55,350

I definitely want to encourage people to

1905

01:18:59,660 --> 01:18:57,210

read your books you also have a member

1906

01:19:01,580 --> 01:18:59,670

site that has so much high quality

1907

01:19:03,800 --> 01:19:01,590

information for people who want to kick

1908

01:19:06,110 --> 01:19:03,810

it up a notch but do take just a minute

1909

01:19:08,000 --> 01:19:06,120

to tell them where they can further

1910

01:19:10,670 --> 01:19:08,010

scratch the Richard Dolan itch so to

1911

01:19:11,870 --> 01:19:10,680

speaking thank you

1912

01:19:13,340 --> 01:19:11,880

and by the way I've really enjoyed this

1913

01:19:15,980 --> 01:19:13,350

with you Greg it was a great

1914

01:19:16,340 --> 01:19:15,990

conversation so yeah I enjoyed it very

1915

01:19:18,950 --> 01:19:16,350

much

1916

01:19:21,290 --> 01:19:18,960

I've got two main websites one for my

1917

01:19:24,140 --> 01:19:21,300

books it's Richard Olin Press it's easy

1918

01:19:25,850 --> 01:19:24,150

to navigate through I published some

1919

01:19:27,230 --> 01:19:25,860

books by other individuals as well some

1920

01:19:30,800 --> 01:19:27,240

really good authors you can check those

1921

01:19:33,440 --> 01:19:30,810

out and my most active website is

1922

01:19:35,870 --> 01:19:33,450

richard golden members calm where i put

1923

01:19:38,060 --> 01:19:35,880

up fresh material all the time i'm

1924

01:19:39,920 --> 01:19:38,070

constantly whether it's two articles or

1925

01:19:40,130 --> 01:19:39,930

off-the-cuff videos and i record all the

1926

01:19:42,680 --> 01:19:40,140

time

1927

01:19:45,080 --> 01:19:42,690

i have a weekly hour-long podcast that's

1928

01:19:46,970 --> 01:19:45,090

four members of that site and part twos

1929

01:19:49,460 --> 01:19:46,980

of my radio program are on there as well

1930

01:19:51,290 --> 01:19:49,470

just I think like you've got so that's

1931

01:19:52,760 --> 01:19:51,300

quite active at Richelieu members and

1932

01:19:55,220 --> 01:19:52,770

then I've got the YouTube channel which

1933

01:19:56,720 --> 01:19:55,230

is just type my name in for YouTube

1934

01:19:58,490 --> 01:19:56,730

Richard Dolan you'll find it Richard M

1935

01:19:59,990 --> 01:19:58,500

Dolan

1936

01:20:02,240 --> 01:20:00,000

and those are the main areas where I do

1937

01:20:05,170 --> 01:20:02,250

a lot of my activity these days I've got

1938

01:20:07,730 --> 01:20:05,180

lots of videos I do a weekly program

1939

01:20:09,650 --> 01:20:07,740

with my wife Tracy called intelligent

1940

01:20:11,540 --> 01:20:09,660

disclosure I've got interview based

1941

01:20:14,540 --> 01:20:11,550

program called the virtue talent show

1942

01:20:17,630 --> 01:20:14,550

and I'll do any number of solo live

1943

01:20:19,790 --> 01:20:17,640

streams as well right on so that's what

1944

01:20:21,710 --> 01:20:19,800

keeps me going and I'm trying to get

1945

01:20:23,540 --> 01:20:21,720

various writing projects done I'm gonna

1946

01:20:24,800 --> 01:20:23,550

get volume three of UFOs international

1947

01:20:28,550 --> 01:20:24,810

security state in the tank one of these

1948

01:20:30,590 --> 01:20:28,560

days working on it well thanks again I

1949

01:20:32,570 --> 01:20:30,600

gotta let you go some time even though

1950

01:20:35,650 --> 01:20:32,580

we didn't get two transistors my labs

1951

01:20:38,120 --> 01:20:35,660

the Moon or Mars but this was a plan God

1952

01:20:40,070 --> 01:20:38,130

hopefully we both get some fresh members

1953

01:20:42,890 --> 01:20:40,080

and when you finish that false flag book

1954

01:20:45,530 --> 01:20:42,900

I hope we can talk again until then keep

1955

01:20:49,790 --> 01:20:45,540

fighting the good fight my man thank you

1956

01:20:57,190 --> 01:20:53,030

and boom goes the dynamite dear people

1957

01:21:00,050 --> 01:20:57,200

the great Richard Dolan finally got him

1958

01:21:02,720 --> 01:21:00,060

not the easiest pair of political

1959

01:21:05,450 --> 01:21:02,730

Pokemon to catch and for good reason he

1960

01:21:07,670 --> 01:21:05,460

is one of the Great's and given that his

1961

01:21:09,740 --> 01:21:07,680

time is pretty in demand and he's always

1962

01:21:12,500 --> 01:21:09,750

working I didn't want to put him through

1963

01:21:14,300 --> 01:21:12,510

the same-old same-old kind of interview

1964

01:21:17,360 --> 01:21:14,310

and I wanted to try to frame things up

1965

01:21:19,780 --> 01:21:17,370

around the idea of bypassing the

1966

01:21:23,000 --> 01:21:19,790

national security state all together and

1967

01:21:25,730 --> 01:21:23,010

asking are there ways that we can

1968

01:21:28,190 --> 01:21:25,740

actually maybe get to direct contact

1969

01:21:30,500 --> 01:21:28,200

rather than wanting to know what they

1970

01:21:33,470 --> 01:21:30,510

know or hoping that they open up some of

1971

01:21:35,420 --> 01:21:33,480

this stuff of course I don't see Richard

1972

01:21:37,700 --> 01:21:35,430

as one of these guys who's hopelessly

1973

01:21:40,520 --> 01:21:37,710

waiting for disclosure it would be a

1974

01:21:42,980 --> 01:21:40,530

huge disservice to his work to say that

1975

01:21:46,210 --> 01:21:42,990

but in my opinion if you want these

1976

01:21:48,650 --> 01:21:46,220

answers bad enough maybe there are

1977

01:21:51,010 --> 01:21:48,660

outside-of-the-box ways to make direct

1978

01:21:54,500 --> 01:21:51,020

contact with non-human entities

1979

01:21:57,230 --> 01:21:54,510

I'm not point blank saying that spirit

1980

01:22:00,970 --> 01:21:57,240

contact or Indio genic contact is the

1981

01:22:03,710 --> 01:22:00,980

same as ET beans but it's a decent

1982

01:22:07,760 --> 01:22:03,720

consolation prize if the alternative

1983

01:22:10,500 --> 01:22:07,770

option is true unspun disclosure and

1984

01:22:12,240 --> 01:22:10,510

waiting for that to show up

1985

01:22:13,919 --> 01:22:12,250

I guess I just think of it as a numbers

1986

01:22:15,870 --> 01:22:13,929

game because if a lot of the public

1987

01:22:19,589 --> 01:22:15,880

isn't going to be convinced until this

1988

01:22:22,859 --> 01:22:19,599

is on the legacy media cable news

1989

01:22:24,660 --> 01:22:22,869

channels I got five grams of mushrooms

1990

01:22:28,080 --> 01:22:24,670

that might help get them there without

1991

01:22:31,589 --> 01:22:28,090

that barrier of entry that might never

1992

01:22:35,069 --> 01:22:31,599

come you know potentially before we

1993

01:22:37,229 --> 01:22:35,079

request more from an aging invisible

1994

01:22:39,020 --> 01:22:37,239

college for the umpteenth time again and

1995

01:22:41,549 --> 01:22:39,030

again it isn't willing to give us much

1996

01:22:43,919 --> 01:22:41,559

we could just smoke a little salvia

1997

01:22:46,680 --> 01:22:43,929

divinorum in the right set and setting

1998

01:22:48,810 --> 01:22:46,690

and gain more from that experience than

1999

01:22:52,859 --> 01:22:48,820

a decade's worth of slow highly

2000

01:22:54,810 --> 01:22:52,869

controlled drips maybe maybe not but I

2001

01:22:58,439 --> 01:22:54,820

also think about the work that's been

2002

01:23:01,350 --> 01:22:58,449

done on astral projection and the work

2003

01:23:05,189 --> 01:23:01,360

that's been done on remote viewing and I

2004

01:23:08,640 --> 01:23:05,199

think maybe spirits are the astral

2005

01:23:09,979 --> 01:23:08,650

projections of beans in another place in

2006

01:23:12,709 --> 01:23:09,989

the universe

2007

01:23:15,750 --> 01:23:12,719

maybe the mind-to-mind communication

2008

01:23:20,100 --> 01:23:15,760

that happens with some of the protocols

2009

01:23:22,020 --> 01:23:20,110

out there in ufology is a psy effect

2010

01:23:24,149 --> 01:23:22,030

that we've actually got quite a lot of

2011

01:23:27,600 --> 01:23:24,159

data here on this planet that yeah

2012

01:23:30,509 --> 01:23:27,610

humans have this ability we focus on the

2013

01:23:33,359 --> 01:23:30,519

nuts and bolts sometimes but our best

2014

01:23:35,819 --> 01:23:33,369

methods for projecting ourself outward

2015

01:23:38,260 --> 01:23:35,829

aren't these tin can rockets it seems to

2016

01:23:41,320 --> 01:23:38,270

be our own mind

2017

01:23:43,930 --> 01:23:41,330

but I am just a simple stoner college

2018

01:23:46,660 --> 01:23:43,940

dropout podcast host what do I know

2019

01:23:49,360 --> 01:23:46,670

but it feels like it might be time to

2020

01:23:51,580 --> 01:23:49,370

get creative and strategic and maybe

2021

01:23:54,310 --> 01:23:51,590

even throw some Hail Marys if we want

2022

01:23:56,560 --> 01:23:54,320

any serious progress so I thought that

2023

01:23:58,360 --> 01:23:56,570

would be a good creative direction to go

2024

01:24:00,430 --> 01:23:58,370

because anyone who's followed Richard's

2025

01:24:02,440 --> 01:24:00,440

work over the years or has listened to

2026

01:24:04,660 --> 01:24:02,450

the higher side chats for the decade

2027

01:24:06,880 --> 01:24:04,670

that we've been doing this they probably

2028

01:24:09,370 --> 01:24:06,890

have a pretty good handle on the history

2029

01:24:12,640 --> 01:24:09,380

of government interest in UFOs itself I

2030

01:24:15,490 --> 01:24:12,650

do think his surveillance state comments

2031

01:24:17,470 --> 01:24:15,500

are more poignant than ever and he has

2032

01:24:20,110 --> 01:24:17,480

an expertise that spills over into

2033

01:24:24,310 --> 01:24:20,120

several great areas that most people

2034

01:24:26,500 --> 01:24:24,320

consider overly compartmentalized and a

2035

01:24:29,140 --> 01:24:26,510

lot of shows like THC don't even feel

2036

01:24:32,290 --> 01:24:29,150

comfortable covering both false flags

2037

01:24:34,330 --> 01:24:32,300

and aliens so it's a great fit for us to

2038

01:24:37,300 --> 01:24:34,340

spend some time with a guest who has

2039

01:24:39,690 --> 01:24:37,310

that and it's fitting that this episode

2040

01:24:43,060 --> 01:24:39,700

comes right after Allen Greenfield

2041

01:24:45,010 --> 01:24:43,070

because his biggest gripe for a point

2042

01:24:47,680 --> 01:24:45,020

that he goes over several times in his

2043

01:24:51,550 --> 01:24:47,690

book secret cipher of the ephah knots is

2044

01:24:54,459 --> 01:24:51,560

that the magic / occult / ritual contact

2045

01:24:56,860 --> 01:24:54,469

people and the ufologists they don't

2046

01:24:58,690 --> 01:24:56,870

talk to each other enough in fact a lot

2047

01:25:00,229 --> 01:24:58,700

of times they have contempt for the

2048

01:25:01,370 --> 01:25:00,239

other group

2049

01:25:03,620 --> 01:25:01,380

but at a minimum they aren't

2050

01:25:06,380 --> 01:25:03,630

knowledgeable enough about what the

2051

01:25:08,510 --> 01:25:06,390

other groups datasets happen to contain

2052

01:25:10,459 --> 01:25:08,520

and it's a shame because if they shared

2053

01:25:13,490 --> 01:25:10,469

notes they'd see a lot of strange

2054

01:25:16,490 --> 01:25:13,500

similarities and Richard said today a

2055

01:25:18,260 --> 01:25:16,500

lot of conspiracy or UFO disclosure

2056

01:25:19,790 --> 01:25:18,270

folks they just don't know their history

2057

01:25:22,670 --> 01:25:19,800

well enough or they don't know enough

2058

01:25:25,520 --> 01:25:22,680

about how governments operate to make

2059

01:25:25,970 --> 01:25:25,530

the claims that they make it's a fair

2060

01:25:27,440 --> 01:25:25,980

point

2061

01:25:30,290 --> 01:25:27,450

I'm embarrassed by my own history

2062

01:25:32,900 --> 01:25:30,300

Rolodex sometimes which is why I just

2063

01:25:35,150 --> 01:25:32,910

ask the questions but I've always liked

2064

01:25:37,660 --> 01:25:35,160

Richards approach and Damir and

2065

01:25:40,550 --> 01:25:37,670

personality I've dealt with some real

2066

01:25:43,190 --> 01:25:40,560

egomaniacs and divas over the years

2067

01:25:46,610 --> 01:25:43,200

hosting a show like this some people

2068

01:25:48,770 --> 01:25:46,620

twice my age are shockingly difficult to

2069

01:25:51,050 --> 01:25:48,780

deal with but with a background in

2070

01:25:53,209 --> 01:25:51,060

retail you learn to just overlook it and

2071

01:25:56,479 --> 01:25:53,219

deal with difficult people anyway by

2072

01:25:58,100 --> 01:25:56,489

just accepting a little disrespect in

2073

01:26:00,380 --> 01:25:58,110

the interest of just getting to the

2074

01:26:03,880 --> 01:26:00,390

point so it's nice when you don't have

2075

01:26:06,260 --> 01:26:03,890

to just acquiesce to somebody's ego and

2076

01:26:08,540 --> 01:26:06,270

Richards ways are actually pretty

2077

01:26:11,000 --> 01:26:08,550

important in times like these if you

2078

01:26:13,130 --> 01:26:11,010

have a disagreement talk it out but

2079

01:26:16,190 --> 01:26:13,140

focus on the data and the arguments

2080

01:26:20,420 --> 01:26:16,200

rather than hurling emotional attacks at

2081

01:26:22,790 --> 01:26:20,430

a person these are polarized times and I

2082

01:26:24,709 --> 01:26:22,800

like how he tends to say I'm not

2083

01:26:28,120 --> 01:26:24,719

convinced by that argument instead of

2084

01:26:31,120 --> 01:26:28,130

you're wrong everyone's got opinions

2085

01:26:34,580 --> 01:26:31,130

particularly in the wake of a mess like

2086

01:26:36,260 --> 01:26:34,590

coronavirus and I try to digest as many

2087

01:26:37,550 --> 01:26:36,270

of them as I can and then float the

2088

01:26:40,130 --> 01:26:37,560

threads that I think are most

2089

01:26:43,220 --> 01:26:40,140

interesting or valuable to the top but

2090

01:26:46,550 --> 01:26:43,230

it's important to remember respect and

2091

01:26:49,850 --> 01:26:46,560

kindness when everybody seems a bit more

2092

01:26:51,320 --> 01:26:49,860

volatile than usual I would also mention

2093

01:26:53,810 --> 01:26:51,330

again that if you want to hear the

2094

01:26:55,820 --> 01:26:53,820

interview on ufology consciousness and

2095

01:26:58,280 --> 01:26:55,830

disclosure that I think is a real

2096

01:26:58,850 --> 01:26:58,290

contender for podcast interview of the

2097

01:27:02,420 --> 01:26:58,860

year

2098

01:27:05,300 --> 01:27:02,430

it's Richard Dolan and Alex Sicarius on

2099

01:27:07,280 --> 01:27:05,310

sceptic oh I'm going to link to it in

2100

01:27:10,790 --> 01:27:07,290

the show notes because I enjoyed it so

2101
01:27:13,010 --> 01:27:10,800
much I think we always sort of admire

2102
01:27:14,180 --> 01:27:13,020
someone else's ability to do what we're

2103
01:27:18,080 --> 01:27:14,190
not very good at

2104
01:27:21,110 --> 01:27:18,090
and Alex is so debate ready and has this

2105
01:27:23,689 --> 01:27:21,120
hold your feet to the fire style that I

2106
01:27:25,430 --> 01:27:23,699
could never really duplicate and he's

2107
01:27:28,010 --> 01:27:25,440
just another great guy I'm lucky to know

2108
01:27:30,439 --> 01:27:28,020
I guess I would also throw out there

2109
01:27:33,170 --> 01:27:30,449
that since richard has his own robust

2110
01:27:35,720 --> 01:27:33,180
members club the Plus show is going to

2111
01:27:38,390 --> 01:27:35,730
be available for them also and to those

2112
01:27:40,160 --> 01:27:38,400
folks I say hi there in hello I hope you

2113
01:27:42,500 --> 01:27:40,170

enjoyed the vibe of this thing and maybe

2114

01:27:44,570 --> 01:27:42,510

you want to check out more of my big old

2115

01:27:47,900 --> 01:27:44,580

archive over at the higher side chats

2116

01:27:49,640 --> 01:27:47,910

comm anyway in the second hour for

2117

01:27:52,160 --> 01:27:49,650

people who didn't hear it we got into

2118

01:27:55,600 --> 01:27:52,170

Wilhelm Reich and the potential for

2119

01:27:59,720 --> 01:27:55,610

attracting UFOs with the cloudbuster gun

2120

01:28:02,870 --> 01:27:59,730

Porton sexual energy and aliens hybrids

2121

01:28:05,840 --> 01:28:02,880

spiritual technologies self-organizing

2122

01:28:09,170 --> 01:28:05,850

plasmas and consciousness and of course

2123

01:28:11,300 --> 01:28:09,180

the real reptilians among us although

2124

01:28:14,209 --> 01:28:11,310

that does remind me I asked Richard

2125

01:28:16,010 --> 01:28:14,219

about plasmas and he did say he didn't

2126

01:28:17,900 --> 01:28:16,020

feel too comfortable going too deep

2127

01:28:20,660 --> 01:28:17,910

because he hasn't combed over that

2128

01:28:22,850 --> 01:28:20,670

material like he might want to but he

2129

01:28:24,380 --> 01:28:22,860

knows a guy whose finger is very much on

2130

01:28:25,820 --> 01:28:24,390

the pulse of that you probably heard him

2131

01:28:29,030 --> 01:28:25,830

say that and he mentioned putting us in

2132

01:28:31,400 --> 01:28:29,040

contact while true to his word he did

2133

01:28:34,400 --> 01:28:31,410

put us in contact and I've been talking

2134

01:28:36,709 --> 01:28:34,410

to this guy for the last couple weeks he

2135

01:28:39,050 --> 01:28:36,719

wants to remain kind of anonymous and he

2136

01:28:42,860 --> 01:28:39,060

was hesitant at first but he has agreed

2137

01:28:45,580 --> 01:28:42,870

to break it all down for us on THC and I

2138

01:28:49,330 --> 01:28:45,590

know it's going to be a super unique

2139

01:28:52,490 --> 01:28:49,340

great show so big thanks to Richard for

2140

01:28:56,240 --> 01:28:52,500

helping me facilitate that as well it's

2141

01:28:58,130 --> 01:28:56,250

gonna be quite wild and - my own plus

2142

01:29:00,229 --> 01:28:58,140

members I would say consider peeking

2143

01:29:03,170 --> 01:29:00,239

under the hood of Richard Dolan members

2144

01:29:06,560 --> 01:29:03,180

calm he's got no shortage of quality

2145

01:29:09,229 --> 01:29:06,570

content and if you want a really great

2146

01:29:11,840 --> 01:29:09,239

complete front-to-back primer on the

2147

01:29:14,540 --> 01:29:11,850

history of ufology ufos for the 21st

2148

01:29:17,300 --> 01:29:14,550

century mind is pretty much my gold

2149

01:29:20,209 --> 01:29:17,310

standard and with that I'm getting out

2150

01:29:21,820 --> 01:29:20,219

of here stay safe stay skeptical and

2151

01:29:25,250 --> 01:29:21,830

just be kind to each other

2152

01:29:27,500 --> 01:29:25,260

putting the fear of face-to-face human

2153

01:29:31,520 --> 01:29:27,510

interaction and contact into

2154

01:29:35,060 --> 01:29:31,530

society is a very scary place to be

2155

01:29:36,919 --> 01:29:35,070

justified or not I can only hope it's

2156

01:29:41,359 --> 01:29:36,929

temporary because we need human contact

2157

01:29:45,589 --> 01:29:41,369

and people need to work and I don't want

2158

01:29:48,799 --> 01:29:45,599

to see fear panic and hype convince us

2159

01:29:52,100 --> 01:29:48,809

as a society to pay a price that ends up

2160

01:29:54,350 --> 01:29:52,110

being too high I don't know where that

2161

01:29:58,490 --> 01:29:54,360

line is but it is important to remember

2162

01:30:00,229 --> 01:29:58,500

that there is that line somewhere anyway

2163

01:30:02,959 --> 01:30:00,239

hopefully these strange times will be

2164

01:30:05,839 --> 01:30:02,969

behind us soon enough and we can come

2165

01:30:09,609 --> 01:30:05,849

out the other side not taking the

2166

01:30:12,379 --> 01:30:09,619

nuances of life and humanity for granted

2167

01:30:14,720 --> 01:30:12,389

take care out there I've done my part

2168

01:30:17,240 --> 01:30:14,730

your move deep state disclosure deniers

2169

01:30:22,100 --> 01:30:17,250

breakaway civilizations and agents of

2170

01:30:28,659 --> 01:30:22,110

the et info quarantine your [h__h] move

2171

01:30:33,310 --> 01:30:28,669

oh no you see

2172

01:30:38,100 --> 01:30:33,320

the world isn't random it's attached

2173

01:30:43,899 --> 01:30:38,110

above our strength control over

2174

01:30:50,560 --> 01:30:43,909

everything the 95 is trying to steal

2175

01:30:57,160 --> 01:30:50,570

your now don't that job seem silly hello

2176
01:31:01,620 --> 01:30:57,170
here should I play back recordings from

2177
01:31:05,010 --> 01:31:01,630
some spy agency which we were younger

2178
01:31:08,920 --> 01:31:05,020
[Music]

2179
01:31:12,690 --> 01:31:08,930
I'll be thankful when it's all exposed

2180
01:31:26,740 --> 01:31:12,700
the facts we received is such a

2181
01:32:25,010 --> 01:32:17,569
[Music]

2182
01:32:29,810 --> 01:32:25,020
oh no they're cartoons it's so typical

2183
01:32:38,290 --> 01:32:29,820
of me to talk about this stuff I'm sorry

2184
01:32:42,500 --> 01:32:38,300
that's good and well did you ever hear

2185
01:32:50,750 --> 01:32:42,510
argument the nothing really happens it's

2186
01:33:01,340 --> 01:32:50,760
no secret stays plugs it's done

2187
01:33:51,770 --> 01:33:10,560
[Music]

2188
01:34:27,830 --> 01:33:51,780

[Applause]
