hear my voice rock me like a hurricane

28

00:01:36,020 --> 00:01:34,140

higher side shatters from sunny San

29

00:01:37,910 --> 00:01:36,030

Diego I'm Greg Carl wood and it's no

30

00:01:40,249 --> 00:01:37,920

surprise that these are troubled times

31

00:01:42,740 --> 00:01:40,259

as the coronavirus chaos still has

32

00:01:44,630 --> 00:01:42,750

society on pause the economic pressure

33

00:01:46,969 --> 00:01:44,640

is ramping up and many of the

34

00:01:49,219 --> 00:01:46,979

curiosities concerns and solutions we've

35

00:01:51,260 --> 00:01:49,229

been discussing for nearly a decade seem

36

00:01:53,719 --> 00:01:51,270

to be a lot less hypothetical lately

37

00:01:55,100 --> 00:01:53,729

that said there are guests we've spoken

38

00:01:57,080 --> 00:01:55,110

with over the years who have tried to

39

00:01:58,609 --> 00:01:57,090

tell us that a major key to global

40

00:02:00,679 --> 00:01:58,619

flourishing and breaking through the

41

00:02:02,840 --> 00:02:00,689

energy financial and political control

42

00:02:04,100 --> 00:02:02,850

structure is forming a stronger

43

00:02:06,859 --> 00:02:04,110

relationship with the higher

44

00:02:08,930 --> 00:02:06,869

intelligences all around us call them

45

00:02:11,059 --> 00:02:08,940

space brothers beams of light or any

46

00:02:12,620 --> 00:02:11,069

other term people tend to use but there

47

00:02:14,300 --> 00:02:12,630

are indications an example

48

00:02:16,880 --> 00:02:14,310

that show that while they do have a

49

00:02:19,400 --> 00:02:16,890

policy of non-intervention they can be

50

00:02:21,500 --> 00:02:19,410

summoned up for help if you only ask and

51
00:02:23,690 --> 00:02:21,510
wouldn't you know it returning guests

52
00:02:25,850 --> 00:02:23,700
dr. Steven Greer has been trying to tell

53
00:02:27,830 --> 00:02:25,860
us about this for a long time as he's

54
00:02:29,660 --> 00:02:27,840
developed and refined his process of

55
00:02:33,200 --> 00:02:29,670
conscious communication with these beans

56
00:02:35,120 --> 00:02:33,210
through a protocol he calls ce-5 dr.

57
00:02:37,010 --> 00:02:35,130
Greer is well known for his heading of

58
00:02:39,200 --> 00:02:37,020
the disclosure project back in the mid

59
00:02:41,210 --> 00:02:39,210
90s that gathered together a wide range

60
00:02:42,380 --> 00:02:41,220
of government and military insiders

61
00:02:44,390 --> 00:02:42,390
willing to come forward with what

62
00:02:46,490 --> 00:02:44,400
they've seen and heard about UFOs and

63
00:02:48,350 --> 00:02:46,500

the alien presence on earth he's written

64

00:02:50,660 --> 00:02:48,360

several books been the subject of

65

00:02:53,060 --> 00:02:50,670

several documentaries and has sent a

66

00:02:55,640 --> 00:02:53,070

briefing package on the subject to every

67

00:02:57,560 --> 00:02:55,650

president since Bill Clinton he joins us

68

00:02:59,360 --> 00:02:57,570

today in preparation for the release of

69

00:03:01,490 --> 00:02:59,370

his newest documentary which is about

70

00:03:03,890 --> 00:03:01,500

the ce-5 experience called Close

71

00:03:05,960 --> 00:03:03,900

Encounters of the fifth kind contact has

72

00:03:08,330 --> 00:03:05,970

begun which becomes available to

73

00:03:11,330 --> 00:03:08,340

purchase digitally on April 7th and

74

00:03:13,130 --> 00:03:11,340

available to rent on April 21st it's a

75

00:03:15,380 --> 00:03:13,140

documentary that contains a lot of

76
00:03:16,910 --> 00:03:15,390
compelling contact footage and personal

77
00:03:19,010 --> 00:03:16,920
accounts and I'm psyched to have him

78
00:03:21,290 --> 00:03:19,020
here again after six long years to talk

79
00:03:23,420 --> 00:03:21,300
about it the disclosure seeking dr.

80
00:03:26,960 --> 00:03:23,430
direct experience advocate and the

81
00:03:28,840 --> 00:03:26,970
undisputed ce-5 contact King dr. Steven

82
00:03:32,120 --> 00:03:28,850
Greer welcome back to the higher side

83
00:03:34,370 --> 00:03:32,130
thank you very glad to be with you yeah

84
00:03:35,860 --> 00:03:34,380
man this is a real pleasure though we

85
00:03:38,360 --> 00:03:35,870
are recording in the midst of

86
00:03:39,860 --> 00:03:38,370
coronavirus chaos and it's hard not to

87
00:03:42,590 --> 00:03:39,870
at least say something about it

88
00:03:44,570 --> 00:03:42,600

obviously the show must go on this too

89

00:03:46,850 --> 00:03:44,580

shall pass and all that but

90

00:03:48,440 --> 00:03:46,860

consciousness to consciousness contact

91

00:03:51,140 --> 00:03:48,450

with multi-dimensional entities might

92

00:03:54,020 --> 00:03:51,150

not be people's top priority right now

93

00:03:56,300 --> 00:03:54,030

though maybe it should be it should yeah

94

00:03:58,430 --> 00:03:56,310

I know this has affected the live

95

00:04:00,260 --> 00:03:58,440

premiere of the documentary which I'm

96

00:04:02,240 --> 00:04:00,270

sorry to hear but it's rare to be

97

00:04:04,610 --> 00:04:02,250

speaking with a medical doctor who is

98

00:04:07,460 --> 00:04:04,620

also well aware of high-level government

99

00:04:09,440 --> 00:04:07,470

operations to say make ETS look like

100

00:04:11,540 --> 00:04:09,450

some type of dangerous national security

101
00:04:12,980 --> 00:04:11,550
threat and when we know that's in the

102
00:04:15,440 --> 00:04:12,990
cards it's hard to trust them on

103
00:04:16,880 --> 00:04:15,450
anything but before we dive into the sea

104
00:04:19,099 --> 00:04:16,890
e5 what are your thoughts on this

105
00:04:20,930 --> 00:04:19,109
current situation in the unprecedented

106
00:04:22,810 --> 00:04:20,940
level of control that's currently being

107
00:04:26,850 --> 00:04:22,820
exercised over this

108
00:04:29,500 --> 00:04:26,860
well of course the coronavirus crisis is

109
00:04:32,050 --> 00:04:29,510
largely because we didn't do anything in

110
00:04:35,320 --> 00:04:32,060
December in January when we showed up

111
00:04:39,460 --> 00:04:35,330
and once that monster got out of its

112
00:04:42,940 --> 00:04:39,470
cage there had to be good surveillance

113
00:04:44,440 --> 00:04:42,950

testing to be able to contain it now you

114

00:04:46,390 --> 00:04:44,450

know for South Korea Singapore some

115

00:04:49,410 --> 00:04:46,400

other places did that and it was very

116

00:04:51,880 --> 00:04:49,420

effective the United States chose not to

117

00:04:54,010 --> 00:04:51,890

so we're sort of following the Italian

118

00:04:56,110 --> 00:04:54,020

model where none of that happened and

119

00:04:59,020 --> 00:04:56,120

now the entire country has been locked

120

00:05:01,960 --> 00:04:59,030

down and we have the largest number of

121

00:05:03,760 --> 00:05:01,970

cases in the world and probably will end

122

00:05:06,550 --> 00:05:03,770

up with unfortunately the largest number

123

00:05:09,520 --> 00:05:06,560

of deaths so you know it's just a

124

00:05:12,640 --> 00:05:09,530

complete meltdown in governance and

125

00:05:15,430 --> 00:05:12,650

management from the top down that

126

00:05:17,500 --> 00:05:15,440

started in January now by the way I have

127

00:05:18,850 --> 00:05:17,510

friends who have worked with the

128

00:05:20,920 --> 00:05:18,860

government or who still are with

129

00:05:23,560 --> 00:05:20,930

government who are PhD scientists with

130

00:05:26,470 --> 00:05:23,570

the army bio warfare division NASA

131

00:05:27,910 --> 00:05:26,480

elsewhere and they've all had this on

132

00:05:30,910 --> 00:05:27,920

their radar since December early

133

00:05:33,100 --> 00:05:30,920

December and have just been astonished

134

00:05:35,620 --> 00:05:33,110

that nothing was done to contain it

135

00:05:37,360 --> 00:05:35,630

because that's the past three months ago

136

00:05:40,240 --> 00:05:37,370

now we have to look at what we're going

137

00:05:42,790 --> 00:05:40,250

to do going forward and I think your

138

00:05:46,000 --> 00:05:42,800

listeners need to understand what

139

00:05:48,790 --> 00:05:46,010

they're trying to do is stretch out this

140

00:05:50,200 --> 00:05:48,800

pandemic so it's not all at once that's

141

00:05:52,900 --> 00:05:50,210

why they're having everyone locked down

142

00:05:55,330 --> 00:05:52,910

because if it's all at once you know I'm

143

00:05:58,930 --> 00:05:55,340

an emergency and trauma doctor by

144

00:06:00,940 --> 00:05:58,940

training and you get so overwhelmed with

145

00:06:02,740 --> 00:06:00,950

the numbers of cases you don't have

146

00:06:05,230 --> 00:06:02,750

enough ventilators you don't have enough

147

00:06:07,870 --> 00:06:05,240

ICU bed you don't have enough personnel

148

00:06:09,910 --> 00:06:07,880

and as you know there are dozens of

149

00:06:12,100 --> 00:06:09,920

doctors who died and nurses that have

150

00:06:13,450 --> 00:06:12,110

died from this now so then you start

151

00:06:16,450 --> 00:06:13,460

getting your health care workers are

152

00:06:18,130 --> 00:06:16,460

sick and out which is who's going to

153

00:06:22,070 --> 00:06:18,140

save your life if you get extremely sick

154

00:06:24,760 --> 00:06:22,080

with it so the problem is that

155

00:06:27,649 --> 00:06:24,770

there's not any of the equipment supply

156

00:06:30,890 --> 00:06:27,659

personal protective equipment math

157

00:06:33,320 --> 00:06:30,900

goggles anything that we should have

158

00:06:35,619 --> 00:06:33,330

because none of that was planned for so

159

00:06:38,450 --> 00:06:35,629

now we're sort of neo behind the curve

160

00:06:39,980 --> 00:06:38,460

about three months and the result of

161

00:06:43,100 --> 00:06:39,990

that of course is that we're in a real

162

00:06:45,469 --> 00:06:43,110

mess we could be looking at 30 plus

163

00:06:48,589 --> 00:06:45,479

percent unemployment rate so I think

164

00:06:52,129 --> 00:06:48,599

people really have to understand how we

165

00:06:53,779 --> 00:06:52,139

got here but going forward I'm hoping

166

00:06:55,300 --> 00:06:53,789

then there's some good news on the

167

00:06:57,559 --> 00:06:55,310

horizon here there's a quick five minute

168

00:07:00,080 --> 00:06:57,569

test that's just been developed so that

169

00:07:02,959 --> 00:07:00,090

if they could stand up millions of those

170

00:07:05,119 --> 00:07:02,969

we can find out who actually is infected

171

00:07:07,700 --> 00:07:05,129

that maybe having no symptoms with the

172

00:07:09,260 --> 00:07:07,710

carrier who isn't and in five minutes

173

00:07:11,719 --> 00:07:09,270

you would know if you're not infected

174

00:07:15,140 --> 00:07:11,729

and once you had enough people who you

175

00:07:17,390 --> 00:07:15,150

knew were not infected then those could

176

00:07:20,360 --> 00:07:17,400

be doing something or if someone had

177

00:07:22,189 --> 00:07:20,370

gotten antibodies to it which you're

178

00:07:23,719 --> 00:07:22,199

doing an antibody test which shows that

179

00:07:25,640 --> 00:07:23,729

you've been affected even if you didn't

180

00:07:27,680 --> 00:07:25,650

know it you'd have some relative

181

00:07:30,469 --> 00:07:27,690

immunity there's some debate how I mean

182

00:07:32,930 --> 00:07:30,479

you are if it's complete or partial but

183

00:07:34,939 --> 00:07:32,940

you would most likely if you did get

184

00:07:36,800 --> 00:07:34,949

exposed again not have a severe case

185

00:07:37,430 --> 00:07:36,810

similar to like when you get the flu

186

00:07:39,559 --> 00:07:37,440

shot

187

00:07:42,290 --> 00:07:39,569

even if it's not exactly the right

188

00:07:45,230 --> 00:07:42,300

strain of the flu in that flu shot is

189

00:07:47,420 --> 00:07:45,240

still lessens the symptoms of when you

190

00:07:49,580 --> 00:07:47,430

do get the flu then if you didn't have

191

00:07:52,250 --> 00:07:49,590

it so

192

00:07:53,720 --> 00:07:52,260

ultimately what will happen if about 60%

193

00:07:55,640 --> 00:07:53,730

of the population gets this we have

194

00:07:57,650 --> 00:07:55,650

what's called earth immunity which is

195

00:07:58,700 --> 00:07:57,660

when it sort of stops propagating

196

00:08:01,250 --> 00:07:58,710

because there enough people who already

197

00:08:04,130 --> 00:08:01,260

have resistance to it but you know

198

00:08:07,340 --> 00:08:04,140

that's theoretical at this point we

199

00:08:10,490 --> 00:08:07,350

don't know and just so I know people who

200

00:08:12,740 --> 00:08:10,500

I'm here in DC right now and New York

201
00:08:14,450 --> 00:08:12,750
has been a very big problem but

202
00:08:17,480 --> 00:08:14,460
California is headed the way

203
00:08:19,250 --> 00:08:17,490
unfortunately New York is now so I think

204
00:08:21,110 --> 00:08:19,260
people have to sort of understand that

205
00:08:24,080 --> 00:08:21,120
there's going to be some serious

206
00:08:26,390 --> 00:08:24,090
disruptions of society for at least two

207
00:08:28,730 --> 00:08:26,400
or three more months right absolutely

208
00:08:30,440 --> 00:08:28,740
and you know I know this isn't our main

209
00:08:32,000 --> 00:08:30,450
topic but I am curious if you think a

210
00:08:33,740 --> 00:08:32,010
little of this is overkill because the

211
00:08:35,870 --> 00:08:33,750
tests I've seen are only 50 percent

212
00:08:38,270 --> 00:08:35,880
accurate at best half the people are

213
00:08:41,030 --> 00:08:38,280

asymptomatic Bloomberg just released a

214

00:08:43,430 --> 00:08:41,040

piece that says 99 percent of the people

215

00:08:45,800 --> 00:08:43,440

who died in Italy had other illnesses

216

00:08:48,530 --> 00:08:45,810

the average age of the deaths are over

217

00:08:50,810 --> 00:08:48,540

80 and they're also categorizing

218

00:08:52,460 --> 00:08:50,820

pneumonia deaths as coronavirus deaths

219

00:08:54,470 --> 00:08:52,470

which is not necessarily what you should

220

00:08:57,140 --> 00:08:54,480

do and on the subject of the flu shot

221

00:09:00,110 --> 00:08:57,150

there was a study released that the

222

00:09:02,050 --> 00:09:00,120

influenza vaccine actually makes you

223

00:09:04,550 --> 00:09:02,060

more susceptible to other respiratory

224

00:09:06,860 --> 00:09:04,560

viruses because it gives you antibodies

225

00:09:09,320 --> 00:09:06,870

for the flu specifically but people who

226

00:09:11,560 --> 00:09:09,330

tend to get the flu naturally develop a

227

00:09:14,630 --> 00:09:11,570

wide range of antibodies for other

228

00:09:16,730 --> 00:09:14,640

respiratory viruses and so there's a lot

229

00:09:19,790 --> 00:09:16,740

of talk about people who got the flu

230

00:09:21,950 --> 00:09:19,800

shot in 2019 are they are they the ones

231

00:09:23,420 --> 00:09:21,960

who are having worse symptoms today so I

232

00:09:26,180 --> 00:09:23,430

mean they're shutting everything down

233

00:09:29,000 --> 00:09:26,190

and again tests are not that accurate

234

00:09:31,010 --> 00:09:29,010

half the people are asymptomatic at best

235

00:09:32,810 --> 00:09:31,020

and this seems like much ado about

236

00:09:34,550 --> 00:09:32,820

nothing I don't know about all these

237

00:09:38,270 --> 00:09:34,560

deaths that they don't necessarily seem

238

00:09:39,950 --> 00:09:38,280

to be from something new well that going

239

00:09:41,480 --> 00:09:39,960

to be sorted out later right now we have

240

00:09:44,720 --> 00:09:41,490

to live with the fact that the state is

241

00:09:47,360 --> 00:09:44,730

doing this one of my concerns is that it

242

00:09:50,060 --> 00:09:47,370

may be a beta test to see to what extent

243

00:09:53,210 --> 00:09:50,070

they can control the population right in

244

00:09:56,810 --> 00:09:53,220

advance of other things and as you know

245

00:09:59,300 --> 00:09:56,820

I mean back many years ago when

246

00:10:03,230 --> 00:09:59,310

President Clinton had me come up to

247

00:10:06,170 --> 00:10:03,240

brief him and a CIA director on the UFO

248

00:10:08,210 --> 00:10:06,180

issue one of the big concerns we had was

249

00:10:10,670 --> 00:10:08,220

that the secrecy around that subject was

250

00:10:13,490 --> 00:10:10,680

so extreme that neither the president

251
00:10:15,490 --> 00:10:13,500
nor the CIA director and I spent three

252
00:10:18,530 --> 00:10:15,500
hours with that director of the CIA

253
00:10:20,510 --> 00:10:18,540
briefing him had been allowed any

254
00:10:23,630 --> 00:10:20,520
information on it so there's a

255
00:10:26,300 --> 00:10:23,640
unacknowledged special access project

256
00:10:28,520 --> 00:10:26,310
level of secrecy that is resulted in

257
00:10:30,350 --> 00:10:28,530
people that you think might know what

258
00:10:33,610 --> 00:10:30,360
they're doing running the country or

259
00:10:36,920 --> 00:10:33,620
kind of flying blind without radar and

260
00:10:39,230 --> 00:10:36,930
that is certainly the case on many of

261
00:10:41,930 --> 00:10:39,240
these issues and the question of whether

262
00:10:44,660 --> 00:10:41,940
there's some nefarious interest that has

263
00:10:48,550 --> 00:10:44,670

set up not only this pandemic as well as

264

00:10:53,000 --> 00:10:48,560

that response is to be determined I

265

00:10:55,070 --> 00:10:53,010

can't really say too much about that but

266

00:10:57,230 --> 00:10:55,080

I can assure you that it's not what

267

00:10:58,880 --> 00:10:57,240

everyone's being told right you actually

268

00:11:00,680 --> 00:10:58,890

recorded a video about this and you said

269

00:11:02,420 --> 00:11:00,690

that if you told people what you knew

270

00:11:05,120 --> 00:11:02,430

about kovat 19 and where it came from

271

00:11:06,950 --> 00:11:05,130

your YouTube channel would be banned or

272

00:11:09,200 --> 00:11:06,960

and there's a lot of that going around

273

00:11:11,810 --> 00:11:09,210

the banning yep but I guess I'm willing

274

00:11:13,700 --> 00:11:11,820

to take the risk to a degree but maybe

275

00:11:15,500 --> 00:11:13,710

can you give us bread crumbs or

276

00:11:17,060 --> 00:11:15,510

something because a lot of folks are

277

00:11:19,550 --> 00:11:17,070

looking for answers right now they're

278

00:11:22,280 --> 00:11:19,560

stuck in kind of a paranoia panic and

279

00:11:24,050 --> 00:11:22,290

they kind of need something well I don't

280

00:11:28,370 --> 00:11:24,060

think what I would say would ameliorate

281

00:11:30,050 --> 00:11:28,380

that I can assure you that whatever is

282

00:11:33,530 --> 00:11:30,060

the people are saying about origins of

283

00:11:35,000 --> 00:11:33,540

this virus are not accurate and this is

284

00:11:37,010 --> 00:11:35,010

known by the government scientists

285

00:11:39,560 --> 00:11:37,020

people with PhDs molecular biology

286

00:11:43,160 --> 00:11:39,570

genetics who work with the army bio

287

00:11:44,720 --> 00:11:43,170

warfare division so all I'm saying is

288

00:11:47,090 --> 00:11:44,730

that it's out there and it's loose and

289

00:11:48,650 --> 00:11:47,100

the response to it we're going to have

290

00:11:51,440 --> 00:11:48,660

to figure out how to come together as a

291

00:11:53,930 --> 00:11:51,450

people and I think actually this

292

00:11:56,600 --> 00:11:53,940

documentary Close Encounters of the

293

00:11:58,180 --> 00:11:56,610

fifth kind has a lot of the answers so

294

00:12:01,340 --> 00:11:58,190

what's going to have to happen because

295

00:12:04,580 --> 00:12:01,350

people need to come together in higher

296

00:12:07,300 --> 00:12:04,590

consciousness and connected to something

297

00:12:10,389 --> 00:12:07,310

that is a deep level

298

00:12:12,879 --> 00:12:10,399

connection and awareness to be able to

299

00:12:14,619 --> 00:12:12,889

make it through this but also we need to

300

00:12:16,449 --> 00:12:14,629

start making direct contact with these

301
00:12:19,590 --> 00:12:16,459
advanced civilizations and bypass the

302
00:12:22,179 --> 00:12:19,600
government which is so dysfunctional so

303
00:12:24,129 --> 00:12:22,189
while everyone's on lockdown one of the

304
00:12:26,410 --> 00:12:24,139
things everyone should be looking at is

305
00:12:28,689 --> 00:12:26,420
you know how do I use this time wisely

306
00:12:31,299 --> 00:12:28,699
if I'm not going into work and going out

307
00:12:34,269 --> 00:12:31,309
doing things I think people learning how

308
00:12:36,670 --> 00:12:34,279
to meditate to do the Close Encounters

309
00:12:39,189 --> 00:12:36,680
of the fifth kind protocols which enable

310
00:12:41,679 --> 00:12:39,199
you to remote view using consciousness

311
00:12:42,879 --> 00:12:41,689
these civilizations and I want to be

312
00:12:44,739 --> 00:12:42,889
clear because you mentioned a whole

313
00:12:47,619 --> 00:12:44,749

bunch of stuff in the intro that are

314

00:12:49,869 --> 00:12:47,629

kind of mixed together the CFI protocols

315

00:12:52,829 --> 00:12:49,879

are directed towards making contact with

316

00:12:56,019 --> 00:12:52,839

what I call TD is transdimensional

317

00:12:58,600 --> 00:12:56,029

interstellar civilizations and those are

318

00:13:00,549 --> 00:12:58,610

ones that are obviously from other star

319

00:13:03,699 --> 00:13:00,559

systems but they Traverse other

320

00:13:05,650 --> 00:13:03,709

dimensions there are other beings and

321

00:13:08,319 --> 00:13:05,660

other dimensions that are not et and

322

00:13:11,049 --> 00:13:08,329

these get all mushed together we're

323

00:13:12,870 --> 00:13:11,059

specifically talking about making

324

00:13:15,210 --> 00:13:12,880

contact with

325

00:13:17,730 --> 00:13:15,220

extraterrestrial civilizations that are

326

00:13:20,420 --> 00:13:17,740

from other planets and star systems but

327

00:13:22,560 --> 00:13:20,430

if they're going through space and

328

00:13:24,990 --> 00:13:22,570

multiples of the state of light but you

329

00:13:26,790 --> 00:13:25,000

have to those technologies mean that

330

00:13:27,810 --> 00:13:26,800

you're traversing other dimensions this

331

00:13:30,200 --> 00:13:27,820

is why they're often called

332

00:13:32,460 --> 00:13:30,210

transdimensional or interdimensional

333

00:13:34,560 --> 00:13:32,470

because you're not able to go on a

334

00:13:37,050 --> 00:13:34,570

straight line at the even speed of light

335

00:13:38,760 --> 00:13:37,060

you know if you're from the andromeda

336

00:13:40,770 --> 00:13:38,770

galaxy which is two-and-a-half million

337

00:13:43,350 --> 00:13:40,780

light-years from here it would take you

338

00:13:45,780 --> 00:13:43,360

five million years to get here and get

339

00:13:47,520 --> 00:13:45,790

back if you are going at closest to the

340

00:13:49,380 --> 00:13:47,530

light so we know that their technology

341

00:13:52,920 --> 00:13:49,390

are very advanced and their

342

00:13:55,170 --> 00:13:52,930

communication technology are fascinating

343

00:13:57,630 --> 00:13:55,180

because they interface not just with

344

00:13:59,280 --> 00:13:57,640

consciousness and thought directly to

345

00:14:02,220 --> 00:13:59,290

telepathically but also with their

346

00:14:04,200 --> 00:14:02,230

electronic systems they have you know

347

00:14:06,480 --> 00:14:04,210

like we would have an iPhone or a cell

348

00:14:08,570 --> 00:14:06,490

phone or a computer they have

349

00:14:11,430 --> 00:14:08,580

technologies that are very advanced

350

00:14:13,080 --> 00:14:11,440

electronics that cross into these other

351
00:14:16,820 --> 00:14:13,090
dimensions it's called transdimensional

352
00:14:19,500 --> 00:14:16,830
physics and can interface with directed

353
00:14:21,030 --> 00:14:19,510
coherent thought and that's what we're

354
00:14:23,970 --> 00:14:21,040
doing with Close Encounters of the fifth

355
00:14:25,500 --> 00:14:23,980
kind it's really an amazing process and

356
00:14:27,000 --> 00:14:25,510
there's probably a hundred thousand

357
00:14:29,940 --> 00:14:27,010
people around the world now doing this

358
00:14:32,460 --> 00:14:29,950
we need it to grow to about 70 or 80

359
00:14:34,830 --> 00:14:32,470
million people so the documentary is

360
00:14:37,320 --> 00:14:34,840
about bringing awareness showing the

361
00:14:39,270 --> 00:14:37,330
evidence for this and also showing the

362
00:14:42,510 --> 00:14:39,280
science of consciousness the way this

363
00:14:45,150 --> 00:14:42,520

can be very powerful by the way is there

364

00:14:49,620 --> 00:14:45,160

been a lot of studies and consciousness

365

00:14:50,190 --> 00:14:49,630

and remote healing using mind at a time

366

00:14:52,620 --> 00:14:50,200

like this

367

00:14:55,590 --> 00:14:52,630

our civilization could be advanced

368

00:14:57,620 --> 00:14:55,600

greatly by people joining together in

369

00:15:00,920 --> 00:14:57,630

math meditation and mass consciousness

370

00:15:02,180 --> 00:15:00,930

doing things for a positive purpose

371

00:15:05,300 --> 00:15:02,190

there's nothing that good come out of

372

00:15:07,700 --> 00:15:05,310

fear and panic or even the rage of

373

00:15:09,860 --> 00:15:07,710

whatever conspiracies have put us in the

374

00:15:11,960 --> 00:15:09,870

situation where in the other reason we

375

00:15:13,670 --> 00:15:11,970

need to make open contact that's the

376

00:15:16,389 --> 00:15:13,680

thing that would lead to disclosure Beth

377

00:15:19,730 --> 00:15:16,399

I founded the disclosure movement in the

378

00:15:21,829 --> 00:15:19,740

1990s and what I found was that the

379

00:15:23,510 --> 00:15:21,839

leaders of these countries and the

380

00:15:26,420 --> 00:15:23,520

United Nations really don't have control

381

00:15:28,970 --> 00:15:26,430

over the super-secret black projects

382

00:15:32,060 --> 00:15:28,980

that are run amok and the problem with

383

00:15:34,010 --> 00:15:32,070

that is you can't really appeal to the

384

00:15:36,740 --> 00:15:34,020

political process to fix this problem

385

00:15:39,500 --> 00:15:36,750

it's got to be fixed by the masses of

386

00:15:42,350 --> 00:15:39,510

people it really is a We the People sort

387

00:15:44,690 --> 00:15:42,360

of moment and one of the outcomes of

388

00:15:47,510 --> 00:15:44,700

that would be we would have amazing

389

00:15:49,670 --> 00:15:47,520

technologies that would come out of full

390

00:15:52,130 --> 00:15:49,680

disclosure on this what am I talking

391

00:15:55,150 --> 00:15:52,140

about everyone knows that these UFOs

392

00:15:57,470 --> 00:15:55,160

aren't running using Exxon jet a fuel or

393

00:15:59,680 --> 00:15:57,480

rocket there were things from the 40s

394

00:16:01,570 --> 00:15:59,690

like that they're using very advanced

395

00:16:04,780 --> 00:16:01,580

electronic

396

00:16:08,259 --> 00:16:04,790

an electromagnetic field systems but

397

00:16:11,320 --> 00:16:08,269

those same systems apply to healing or

398

00:16:15,610 --> 00:16:11,330

eradicating a virus would obliterate any

399

00:16:18,069 --> 00:16:15,620

sort of cancer or virus virtually

400

00:16:19,620 --> 00:16:18,079

instantaneously be sort of like the Star

401

00:16:22,120 --> 00:16:19,630

Trek episodes where they have those

402

00:16:23,920 --> 00:16:22,130

devices they run over someone that

403

00:16:25,900 --> 00:16:23,930

sounds science-fiction but I've actually

404

00:16:28,389 --> 00:16:25,910

been in a classified lab near the

405

00:16:30,130 --> 00:16:28,399

Mexican Texas border underground where

406

00:16:32,500 --> 00:16:30,140

I've seen these technologies this is not

407

00:16:34,569 --> 00:16:32,510

an urban myth but those are being kept

408

00:16:36,340 --> 00:16:34,579

secret because if those were brought out

409

00:16:38,680 --> 00:16:36,350

for medical purposes people would figure

410

00:16:40,900 --> 00:16:38,690

out they could also be used for energy

411

00:16:43,900 --> 00:16:40,910

generation and it would terminate the

412

00:16:45,220 --> 00:16:43,910

petro dollar oil icon the petro nazis

413

00:16:47,949 --> 00:16:45,230

who are running to plant it into the

414

00:16:50,230 --> 00:16:47,959

ground so this is all part and parcel of

415

00:16:52,449 --> 00:16:50,240

a huge problem that's been a hundred

416

00:16:54,009 --> 00:16:52,459

years in the making of secrecy it isn't

417

00:16:56,350 --> 00:16:54,019

going to get fixed except by people

418

00:16:58,509 --> 00:16:56,360

coming together and I think bypassing

419

00:17:00,250 --> 00:16:58,519

the government and making direct contact

420

00:17:02,949 --> 00:17:00,260

with these civilizations which would

421

00:17:04,600 --> 00:17:02,959

then lead to the kind of disclosure that

422

00:17:06,640 --> 00:17:04,610

we're talking about that would bring out

423

00:17:08,470 --> 00:17:06,650

these sciences and technologies so

424

00:17:10,870 --> 00:17:08,480

actually this is a call to action for

425

00:17:13,059 --> 00:17:10,880

people to do something besides just the

426

00:17:16,059 --> 00:17:13,069

perennial e pissed off at the state of

427

00:17:17,799 --> 00:17:16,069

the world sure and let me cut in here

428

00:17:20,409 --> 00:17:17,809

because it's interesting that there's a

429

00:17:23,049 --> 00:17:20,419

lot of speculation that major elements

430

00:17:24,520 --> 00:17:23,059

of the technology we do have were seeded

431

00:17:27,400 --> 00:17:24,530

from the recovery of alien technology

432

00:17:28,690 --> 00:17:27,410

some say the transistor itself the rapid

433

00:17:30,490 --> 00:17:28,700

development of computers the internet

434

00:17:33,610 --> 00:17:30,500

smartphones all that would fall in the

435

00:17:35,799 --> 00:17:33,620

category and these are the technologies

436

00:17:38,409 --> 00:17:35,809

especially now that seemed to be

437

00:17:40,210 --> 00:17:38,419

ushering in a sort of technocracy over

438

00:17:43,000 --> 00:17:40,220

us where Google and Facebook decides

439

00:17:44,950 --> 00:17:43,010

what conversations gonna be had and if

440

00:17:46,600 --> 00:17:44,960

the economic system is digitized it can

441

00:17:48,280 --> 00:17:46,610

be further controlled so you're talking

442

00:17:49,480 --> 00:17:48,290

about these advanced technologies and

443

00:17:51,820 --> 00:17:49,490

how they could be applied to medicine

444

00:17:54,549 --> 00:17:51,830

maybe even free energy devices travel

445

00:17:57,220 --> 00:17:54,559

right but if we have this oligarchy we

446

00:17:59,260 --> 00:17:57,230

can't use these technologies and as you

447

00:18:01,570 --> 00:17:59,270

said maybe we need to bypass them but

448

00:18:03,340 --> 00:18:01,580

then I would ask with this ce-5 protocol

449

00:18:05,409 --> 00:18:03,350

have you ever been given these

450

00:18:07,030 --> 00:18:05,419

technologies are blueprints from them

451
00:18:08,770 --> 00:18:07,040
because if these beans want us to have

452
00:18:11,440 --> 00:18:08,780
them and you're having thousands of

453
00:18:13,270 --> 00:18:11,450
interactions with them I mean let's

454
00:18:14,570 --> 00:18:13,280
bypass the elite and let's get those

455
00:18:16,190 --> 00:18:14,580
devices in the hands of

456
00:18:20,000 --> 00:18:16,200
people have they given you anything

457
00:18:22,220 --> 00:18:20,010
physical well they haven't given the

458
00:18:24,710 --> 00:18:22,230
person anything physical there's a naval

459
00:18:27,860 --> 00:18:24,720
research lab scientists who have given a

460
00:18:30,649 --> 00:18:27,870
physical device that I have a 3d

461
00:18:33,220 --> 00:18:30,659
generator copy of it we're not sure how

462
00:18:36,710 --> 00:18:33,230
it might be used I showed it on my flash

463
00:18:39,700 --> 00:18:36,720

youtube video on Saturday that we did

464

00:18:43,130 --> 00:18:39,710

live people can go and see this at

465

00:18:46,850 --> 00:18:43,140

youtube.com slash dr. Steven Greer 55

466

00:18:49,879 --> 00:18:46,860

dr. is dr stephen which would be and i

467

00:18:51,620 --> 00:18:49,889

think what you're asking is something

468

00:18:54,919 --> 00:18:51,630

get put the cart before the horse these

469

00:18:56,960 --> 00:18:54,929

civilizations don't interfere that way

470

00:18:59,960 --> 00:18:56,970

until the civilization that they're

471

00:19:02,690 --> 00:18:59,970

contacting is at a state of readiness

472

00:19:05,180 --> 00:19:02,700

but they gave it to this Navy scientists

473

00:19:07,190 --> 00:19:05,190

not lading no I'm just out see that's

474

00:19:09,620 --> 00:19:07,200

another urban myth they didn't give

475

00:19:12,889 --> 00:19:09,630

anything we shot their damn spacecraft

476
00:19:14,629 --> 00:19:12,899
down so people think that Roswell was

477
00:19:16,159 --> 00:19:14,639
you look you don't go through

478
00:19:19,299 --> 00:19:16,169
interstellar distances they can't

479
00:19:22,519 --> 00:19:19,309
navigate a thunderstorm in New Mexico if

480
00:19:24,379 --> 00:19:22,529
you look at the FBI document that I got

481
00:19:26,509 --> 00:19:24,389
hold of that I release for the

482
00:19:29,810 --> 00:19:26,519
disclosure project there was a field

483
00:19:31,850 --> 00:19:29,820
report from guy hotel who was an agent

484
00:19:34,100 --> 00:19:31,860
for the FBI in New Mexico because that's

485
00:19:36,320 --> 00:19:34,110
where all our nuclear assets were who

486
00:19:39,110 --> 00:19:36,330
stated that the disc recovered in New

487
00:19:41,570 --> 00:19:39,120
Mexico was the result of a new quote

488
00:19:42,980 --> 00:19:41,580

radar system I'll explain why I put

489

00:19:45,649 --> 00:19:42,990

quotes around that in a moment

490

00:19:48,500 --> 00:19:45,659

that was activated that caused these to

491

00:19:50,779 --> 00:19:48,510

crash the rack III that went down to

492

00:19:54,409 --> 00:19:50,789

that hit each other very close to

493

00:19:56,750 --> 00:19:54,419

Roswell one went down near town the

494

00:19:58,810 --> 00:19:56,760

other continued west near Socorro about

495

00:20:02,299 --> 00:19:58,820

three or four years later they found one

496

00:20:04,669 --> 00:20:02,309

northwest of there up in the mountains

497

00:20:07,070 --> 00:20:04,679

in New Mexico that was some the same

498

00:20:09,919 --> 00:20:07,080

event that that was a what's called a

499

00:20:11,930 --> 00:20:09,929

scalar or longitudinal electronic weapon

500

00:20:14,000 --> 00:20:11,940

discharge that they were experimenting

501
00:20:16,159 --> 00:20:14,010
with that we're in the radar done so a

502
00:20:19,180 --> 00:20:16,169
lot of radar systems the military app

503
00:20:21,919 --> 00:20:19,190
have taken back on them active warfare

504
00:20:24,350 --> 00:20:21,929
electronic warfare systems in those

505
00:20:26,480 --> 00:20:24,360
systems and that's what this document is

506
00:20:28,310 --> 00:20:26,490
talking about it was written directly to

507
00:20:30,919 --> 00:20:28,320
GA occur Hoover

508
00:20:34,730 --> 00:20:30,929
this is the most viewed document on the

509
00:20:37,759 --> 00:20:34,740
FBI website period and when we put that

510
00:20:40,220 --> 00:20:37,769
out people win can this be true so what

511
00:20:42,980 --> 00:20:40,230
you have to understand is that once we

512
00:20:44,990 --> 00:20:42,990
figured out some of the electronics and

513
00:20:47,149 --> 00:20:45,000

technology that these civilizations

514

00:20:49,730 --> 00:20:47,159

might be using which we're really being

515

00:20:53,539 --> 00:20:49,740

studied in the 40s and 50s we began an

516

00:20:55,610 --> 00:20:53,549

active process of downing these ET craft

517

00:20:57,590 --> 00:20:55,620

which is galactically stupid and

518

00:20:58,999 --> 00:20:57,600

dangerous and always tell people the

519

00:21:01,190 --> 00:20:59,009

reason we know that these civilizations

520

00:21:04,039 --> 00:21:01,200

aren't hostile is that they have not

521

00:21:05,930 --> 00:21:04,049

punched back and if they had our

522

00:21:08,029 --> 00:21:05,940

civilization would have known it a very

523

00:21:09,529 --> 00:21:08,039

long time ago but the intelligence

524

00:21:11,629 --> 00:21:09,539

community wants everyone to be afraid of

525

00:21:12,980 --> 00:21:11,639

alien because if you're afraid you're

526

00:21:14,450 --> 00:21:12,990

not going to go out and make contact you

527

00:21:17,029 --> 00:21:14,460

see that's how they kept everyone in the

528

00:21:20,149 --> 00:21:17,039

box of fear so the propagation of fear

529

00:21:23,240 --> 00:21:20,159

through the UFO subculture movies in

530

00:21:25,159 --> 00:21:23,250

Hollywood like the movies alien all the

531

00:21:27,259 --> 00:21:25,169

Independence Day movie where you know

532

00:21:29,509 --> 00:21:27,269

let's unite the world against around

533

00:21:31,820 --> 00:21:29,519

kicking alien butt one of my concerns

534

00:21:33,680 --> 00:21:31,830

about how this whole pandemic is being

535

00:21:36,860 --> 00:21:33,690

handled let me just cut to the chase

536

00:21:39,470 --> 00:21:36,870

it's sort of a beta test to see if

537

00:21:41,779 --> 00:21:39,480

people can be controlled enough to unite

538

00:21:43,940 --> 00:21:41,789

against a quote common enemy which is

539

00:21:46,999 --> 00:21:43,950

how they're calling this virus but if

540

00:21:48,499 --> 00:21:47,009

you just replace virus with alien it

541

00:21:51,470 --> 00:21:48,509

would be the same plan and this is

542

00:21:53,360 --> 00:21:51,480

exactly what Verner von Braun who was

543

00:21:56,930 --> 00:21:53,370

Adolf Hitler's rocket guy who invented

544

00:21:59,419 --> 00:21:56,940

the rocket on his deathbed he said they

545

00:22:02,119 --> 00:21:59,429

are going to eventually pull this out at

546

00:22:04,070 --> 00:22:02,129

the trump card that we are having a

547

00:22:06,230 --> 00:22:04,080

threat from outer space and we can unite

548

00:22:09,080 --> 00:22:06,240

the world in some sort of new world

549

00:22:11,690 --> 00:22:09,090

order around this external threat from

550

00:22:13,460 --> 00:22:11,700

outer space and that this is all a lie

551

00:22:15,740 --> 00:22:13,470

it's all a hoax and it's all a

552

00:22:17,450 --> 00:22:15,750

manipulation of the masses what's

553

00:22:20,060 --> 00:22:17,460

strange is that you have people like

554

00:22:23,029 --> 00:22:20,070

Neil deGrasse Tyson and others who have

555

00:22:25,190 --> 00:22:23,039

actually called this virus like invading

556

00:22:27,860 --> 00:22:25,200

space aliens that the whole world needs

557

00:22:29,360 --> 00:22:27,870

to unite against and fight he's using

558

00:22:32,060 --> 00:22:29,370

that language and you know we know he's

559

00:22:33,590 --> 00:22:32,070

a mouthpiece for this cabal because he's

560

00:22:36,080 --> 00:22:33,600

always denies the existence of the

561

00:22:39,919 --> 00:22:36,090

evidence for UFOs and extraterrestrials

562

00:22:41,870 --> 00:22:39,929

so I think that whatever the origins of

563

00:22:43,280 --> 00:22:41,880

this corona virus is that

564

00:22:45,650 --> 00:22:43,290

would be appropriate for me to talk

565

00:22:49,040 --> 00:22:45,660

about right now because you know if I

566

00:22:50,660 --> 00:22:49,050

get shut down then I'm silent I can just

567

00:22:53,240 --> 00:22:50,670

tell you I absolutely know where King

568

00:22:55,250 --> 00:22:53,250

crumbs hmm and it's not what you're

569

00:22:58,070 --> 00:22:55,260

being told fair enough

570

00:22:59,780 --> 00:22:58,080

okay but the point is now we have an

571

00:23:01,370 --> 00:22:59,790

opportunity to instead of running around

572

00:23:03,680 --> 00:23:01,380

like chickens with our heads cut off and

573

00:23:07,040 --> 00:23:03,690

terror is to come together as a people

574

00:23:09,590 --> 00:23:07,050

in higher consciousness understand that

575

00:23:12,710 --> 00:23:09,600

all of space and time it's accessible

576
00:23:14,360 --> 00:23:12,720
through the mind of each individual and

577
00:23:16,790 --> 00:23:14,370
that when we link those up it's like a

578
00:23:19,100 --> 00:23:16,800
computer network you create this mass

579
00:23:20,930 --> 00:23:19,110
consciousness effect that when they've

580
00:23:23,030 --> 00:23:20,940
done studies and we go over this in this

581
00:23:25,010 --> 00:23:23,040
documentary Close Encounters of the

582
00:23:28,250 --> 00:23:25,020
fifth kind you can actually pre-order it

583
00:23:31,310 --> 00:23:28,260
now on Amazon and Vimeo and iTunes right

584
00:23:34,790 --> 00:23:31,320
now if you want to get it and it will be

585
00:23:36,650 --> 00:23:34,800
live on the 7th of April but what we're

586
00:23:39,170 --> 00:23:36,660
saying is that if people connect like

587
00:23:42,310 --> 00:23:39,180
that they can actually overcome these

588
00:23:45,950 --> 00:23:42,320

problems and it becomes a quantum leap

589

00:23:48,890 --> 00:23:45,960

effect that transforms civilization by

590

00:23:50,180 --> 00:23:48,900

human connecting up their own individual

591

00:23:52,280 --> 00:23:50,190

consciousness through this

592

00:23:55,940 --> 00:23:52,290

let's call it's a cosmic Internet of

593

00:23:57,950 --> 00:23:55,950

awareness cosmic awareness and intending

594

00:23:59,750 --> 00:23:57,960

a good outcome intending something

595

00:24:01,430 --> 00:23:59,760

positive to happen and they've done

596

00:24:03,590 --> 00:24:01,440

studies with this all the way back into

597

00:24:05,060 --> 00:24:03,600

the seventies I don't know if you know

598

00:24:08,600 --> 00:24:05,070

this before I was an emergency

599

00:24:09,830 --> 00:24:08,610

ER doctor I was a meditation teacher and

600

00:24:11,990 --> 00:24:09,840

I went all over the world setting up

601
00:24:14,420 --> 00:24:12,000
meditation centers and studying the

602
00:24:16,370 --> 00:24:14,430
Vedas and the Sanskrit and all of this

603
00:24:18,080 --> 00:24:16,380
and there were studies that were done

604
00:24:21,560 --> 00:24:18,090
they showed that if you put one percent

605
00:24:24,170 --> 00:24:21,570
of the population of let's say your town

606
00:24:27,380 --> 00:24:24,180
has 200,000 people if you were to put

607
00:24:28,340 --> 00:24:27,390
2,000 people in that town and no one

608
00:24:31,340 --> 00:24:28,350
else knew they were there and they just

609
00:24:34,700 --> 00:24:31,350
did these meditations that crime rates

610
00:24:36,980 --> 00:24:34,710
fell illness fell emergency room visits

611
00:24:38,930 --> 00:24:36,990
fell violence and domestic violence fell

612
00:24:40,910 --> 00:24:38,940
and these studies have been verified and

613
00:24:44,090 --> 00:24:40,920

reproduced elsewhere so there's this

614

00:24:46,490 --> 00:24:44,100

amazing effect and it doesn't take 51%

615

00:24:49,940 --> 00:24:46,500

like an election very good news that you

616

00:24:52,580 --> 00:24:49,950

only need one percent so instead of sort

617

00:24:54,080 --> 00:24:52,590

of the greedy gangbangers who are on

618

00:24:56,269 --> 00:24:54,090

Wall Street who can

619

00:24:58,640 --> 00:24:56,279

trol the whole world economy 1% or a

620

00:25:01,850 --> 00:24:58,650

fraction of 1% let's find the other 1%

621

00:25:04,130 --> 00:25:01,860

of conscious people to link up together

622

00:25:06,500 --> 00:25:04,140

and do something positive in mass

623

00:25:08,539 --> 00:25:06,510

consciousness that would create a shift

624

00:25:10,460 --> 00:25:08,549

on our planet that would be so

625

00:25:14,630 --> 00:25:10,470

transformative that the change would be

626

00:25:16,130 --> 00:25:14,640

virtually instantaneous similar to one

627

00:25:18,710 --> 00:25:16,140

of the experiments we show in this

628

00:25:21,169 --> 00:25:18,720

documentary is the quantum physics

629

00:25:23,390 --> 00:25:21,179

experiment that show that when 1% of the

630

00:25:26,000 --> 00:25:23,400

molecules of say a container of helium

631

00:25:30,460 --> 00:25:26,010

become coherent by cooling it down to

632

00:25:33,470 --> 00:25:30,470

absolute zero at that 1% mark the entire

633

00:25:36,710 --> 00:25:33,480

container becomes what's called super

634

00:25:39,289 --> 00:25:36,720

fluid and very coherent instantly

635

00:25:42,289 --> 00:25:39,299

unlikely one nanosecond so there's is

636

00:25:45,080 --> 00:25:42,299

this big mass shift effect that can

637

00:25:47,960 --> 00:25:45,090

happen and I think that by people doing

638

00:25:49,970 --> 00:25:47,970

this it's not about an individual making

639

00:25:52,340 --> 00:25:49,980

contact it's about enough people in

640

00:25:54,649 --> 00:25:52,350

society doing that and that would be the

641

00:25:56,029 --> 00:25:54,659

signal to the civilization that we've

642

00:25:58,279 --> 00:25:56,039

actually reached the point of maturity

643

00:25:59,419 --> 00:25:58,289

where they will be increasingly in

644

00:26:01,279 --> 00:25:59,429

direct contact

645

00:26:03,500 --> 00:26:01,289

right now they're waiting for us

646

00:26:05,120 --> 00:26:03,510

everyone's always blaming the et if I go

647

00:26:07,820 --> 00:26:05,130

over they were waiting for us for 70

648

00:26:09,769 --> 00:26:07,830

damn years to get off our back ends and

649

00:26:11,630 --> 00:26:09,779

do something I understand and I think

650

00:26:14,029 --> 00:26:11,640

though most people are ready for a

651
00:26:16,130 --> 00:26:14,039
universal peace most people live a

652
00:26:18,740 --> 00:26:16,140
peaceful existence the elephant in the

653
00:26:20,570 --> 00:26:18,750
room is the elite and you do stress in

654
00:26:22,070 --> 00:26:20,580
the film how the powers-that-be want to

655
00:26:25,010 --> 00:26:22,080
frame these beans is a hostile military

656
00:26:27,110 --> 00:26:25,020
threat and we can bypass that by forming

657
00:26:29,570 --> 00:26:27,120
this direct connection but when I look

658
00:26:31,850 --> 00:26:29,580
at the history of UFO Chandler's or even

659
00:26:34,549 --> 00:26:31,860
the messages of contactees and reports

660
00:26:37,010 --> 00:26:34,559
from entheogenic contact the messages

661
00:26:39,289 --> 00:26:37,020
are always these vague sounding

662
00:26:41,840 --> 00:26:39,299
platitudes about love and stewardship of

663
00:26:44,240 --> 00:26:41,850

the planet and we are not hurting the

664

00:26:45,919 --> 00:26:44,250

planet it's it's the corporations that

665

00:26:48,440 --> 00:26:45,929

are destroying things at a scale that

666

00:26:50,240 --> 00:26:48,450

you and I don't even have the ability to

667

00:26:52,639 --> 00:26:50,250

do so what's the point in telling us

668

00:26:55,490 --> 00:26:52,649

about it and I guess as someone who's

669

00:26:57,710 --> 00:26:55,500

had these contact experiences more than

670

00:26:59,600 --> 00:26:57,720

probably anyone I'll ever talk to can

671

00:27:01,490 --> 00:26:59,610

you relay any deeper insight they've

672

00:27:03,190 --> 00:27:01,500

shared about their own home world or

673

00:27:05,419 --> 00:27:03,200

their existence or the kind of detail

674

00:27:07,310 --> 00:27:05,429

specific information we would want to

675

00:27:07,769 --> 00:27:07,320

know and why don't they just go directly

676

00:27:13,799 --> 00:27:07,779

to

677

00:27:15,779 --> 00:27:13,809

everything up well because they know

678

00:27:19,229 --> 00:27:15,789

that the leads that are actually making

679

00:27:21,899 --> 00:27:19,239

this whole situation bad are sociopaths

680

00:27:24,060 --> 00:27:21,909

who want it to be bad there's a great

681

00:27:26,549 --> 00:27:24,070

old saying the wise are they who speak

682

00:27:28,200 --> 00:27:26,559

not unless they have a hero if there's

683

00:27:30,119 --> 00:27:28,210

no one to listen there's no point in

684

00:27:32,190 --> 00:27:30,129

talking this is what happened in the

685

00:27:34,259 --> 00:27:32,200

fifties when President Eisenhower and

686

00:27:36,209 --> 00:27:34,269

this is not an urban myth I have a

687

00:27:38,430 --> 00:27:36,219

document from the French Ministry of

688

00:27:40,769 --> 00:27:38,440

Defense on this had a meeting with the

689

00:27:44,489 --> 00:27:40,779

ETS near what's now Edwards Air Force

690

00:27:47,190 --> 00:27:44,499

Base and what's neuron and they wanted

691

00:27:49,079 --> 00:27:47,200

Eisenhower wanted to develop open

692

00:27:51,060 --> 00:27:49,089

contact and the requirement for that was

693

00:27:52,560 --> 00:27:51,070

that we become peaceful get rid of all

694

00:27:56,029 --> 00:27:52,570

these nuclear weapons and not go out

695

00:27:58,680 --> 00:27:56,039

into space with weapons and the Cabal

696

00:28:00,659 --> 00:27:58,690

circled their wagons and isolated

697

00:28:02,909 --> 00:28:00,669

Eisenhower so he lost control of these

698

00:28:05,249 --> 00:28:02,919

secret projects so that the president no

699

00:28:07,139 --> 00:28:05,259

longer controlled the levers of these

700

00:28:09,629 --> 00:28:07,149

super secret projects it sort of became

701
00:28:14,909 --> 00:28:09,639
an entity unto itself and that was about

702
00:28:16,680 --> 00:28:14,919
in 1956 so for about 64 years now this

703
00:28:19,459 --> 00:28:16,690
thing has been off the rails and out of

704
00:28:22,769 --> 00:28:19,469
control so these civilizations know that

705
00:28:24,930 --> 00:28:22,779
the very people who have that kind of

706
00:28:26,070 --> 00:28:24,940
control that you're talking about are

707
00:28:28,379 --> 00:28:26,080
not people who are going to be

708
00:28:30,329 --> 00:28:28,389
particularly open but they know exactly

709
00:28:33,089 --> 00:28:30,339
what you said is my point

710
00:28:35,009 --> 00:28:33,099
most people on earth are peaceful most

711
00:28:36,749 --> 00:28:35,019
people on earth are not sociopaths that

712
00:28:40,320 --> 00:28:36,759
want to destroy the biosphere and have

713
00:28:43,109 --> 00:28:40,330

Wars most people are not crazy

714

00:28:46,709 --> 00:28:43,119

kind of like dr. Strangelove people who

715

00:28:49,560 --> 00:28:46,719

want to see Armageddon but we have got

716

00:28:52,079 --> 00:28:49,570

the impassive and it can't just be one

717

00:28:54,060 --> 00:28:52,089

person doing a trip it's got a big bunch

718

00:28:56,279 --> 00:28:54,070

of people doing things together this is

719

00:28:57,749 --> 00:28:56,289

my point and so that's what these

720

00:28:59,879 --> 00:28:57,759

civilizations are waiting for and

721

00:29:03,389 --> 00:28:59,889

they're simply not going to do a mass

722

00:29:05,820 --> 00:29:03,399

intervention because if they did so back

723

00:29:08,310 --> 00:29:05,830

to this old Persian saying who's going

724

00:29:10,499 --> 00:29:08,320

to be listening the other problem is

725

00:29:12,959 --> 00:29:10,509

that what I've learned from these

726

00:29:16,469 --> 00:29:12,969

civilizations from my own experience

727

00:29:18,810 --> 00:29:16,479

since I've been 18 when I had a really

728

00:29:21,350 --> 00:29:18,820

amazing contact experience up in the

729

00:29:23,870 --> 00:29:21,360

Blue Ridge Mountains in North Carolina

730

00:29:27,550 --> 00:29:23,880

from a first-year college student if is

731

00:29:30,170 --> 00:29:27,560

that they want us to be able to be

732

00:29:31,490 --> 00:29:30,180

equals with them communicating with them

733

00:29:34,460 --> 00:29:31,500

they don't want to be in this position

734

00:29:37,550 --> 00:29:34,470

of being sort of either demons or angels

735

00:29:40,160 --> 00:29:37,560

or gods from space this is all of wrong

736

00:29:43,040 --> 00:29:40,170

thinking they want us to awaken to who

737

00:29:45,530 --> 00:29:43,050

we are inside and then develop a

738

00:29:47,960 --> 00:29:45,540

relationship with their civilizations

739

00:29:49,700 --> 00:29:47,970

that are centered around enlightened

740

00:29:52,280 --> 00:29:49,710

principles of consciousness and peace

741

00:29:55,610 --> 00:29:52,290

and open contact these other things

742

00:29:57,380 --> 00:29:55,620

happen second to that you're putting the

743

00:29:59,270 --> 00:29:57,390

cart before the horse thinking that I

744

00:30:01,850 --> 00:29:59,280

mean these civilizations are not going

745

00:30:03,860 --> 00:30:01,860

to land on the Super Bowl field during

746

00:30:07,040 --> 00:30:03,870

halftime and say here is a

747

00:30:09,530 --> 00:30:07,050

transdimensional energy device go fix

748

00:30:12,890 --> 00:30:09,540

your planet with it they're waiting for

749

00:30:15,560 --> 00:30:12,900

us to have an appropriate response to

750

00:30:18,100 --> 00:30:15,570

them and instead what we do we lie about

751
00:30:21,620 --> 00:30:18,110
it we create theory mythologies about it

752
00:30:24,710 --> 00:30:21,630
we shoot them down but we know

753
00:30:26,390 --> 00:30:24,720
everything but any well but we allow it

754
00:30:27,620 --> 00:30:26,400
but they should have contacted people

755
00:30:30,590 --> 00:30:27,630
I'm not going to let you and your

756
00:30:32,630 --> 00:30:30,600
listeners get off the hook here okay

757
00:30:35,270 --> 00:30:32,640
let's just stop this conversation let's

758
00:30:37,580 --> 00:30:35,280
go back to World War two if the German

759
00:30:40,010 --> 00:30:37,590
people had stood up to the handful of

760
00:30:41,780 --> 00:30:40,020
sociopaths who are brown shirts and not

761
00:30:44,720 --> 00:30:41,790
the world war two would have never

762
00:30:47,930 --> 00:30:44,730
happened but the people didn't the

763
00:30:50,480 --> 00:30:47,940

people sat on their hands and fear what

764

00:30:53,030 --> 00:30:50,490

I'm saying is we the people have to

765

00:30:56,690 --> 00:30:53,040

stand up in a non-violent revolution

766

00:30:59,690 --> 00:30:56,700

that changes this and kvetching about it

767

00:31:01,730 --> 00:30:59,700

isn't going to fix it so you always got

768

00:31:03,560 --> 00:31:01,740

to go beyond complaining and raging

769

00:31:05,060 --> 00:31:03,570

against the storm we actually have to

770

00:31:06,690 --> 00:31:05,070

say okay what are the solutions for this

771

00:31:08,490 --> 00:31:06,700

situation

772

00:31:11,100 --> 00:31:08,500

and even to bring out the technologies

773

00:31:14,880 --> 00:31:11,110

that would fix the environmental as well

774

00:31:16,860 --> 00:31:14,890

as the viral and other illnesses you're

775

00:31:19,290 --> 00:31:16,870

going to have to have a critical mass of

776

00:31:20,910 --> 00:31:19,300

human to understand this issue and are

777

00:31:22,670 --> 00:31:20,920

enlightened because otherwise those

778

00:31:26,570 --> 00:31:22,680

technologies are going to be used as

779

00:31:30,390 --> 00:31:26,580

weapons again so we're in this conundrum

780

00:31:33,120 --> 00:31:30,400

it's sort of a catch-22 where everyone's

781

00:31:36,330 --> 00:31:33,130

waiting for some external powers to be

782

00:31:37,770 --> 00:31:36,340

to fix it and the powers to be are happy

783

00:31:40,170 --> 00:31:37,780

to keep the status quo going because

784

00:31:43,430 --> 00:31:40,180

they're the ones milking the planet for

785

00:31:45,840 --> 00:31:43,440

power and money the way it is and so

786

00:31:48,330 --> 00:31:45,850

this is where the individual

787

00:31:51,750 --> 00:31:48,340

responsibility and taking responsibility

788

00:31:54,150 --> 00:31:51,760

for our relationship to these off planet

789

00:31:56,070 --> 00:31:54,160

visitors lands in the lap of every

790

00:31:58,080 --> 00:31:56,080

single individual human and that's

791

00:32:02,190 --> 00:31:58,090

there's no escaping that simple point

792

00:32:03,750 --> 00:32:02,200

that when I was in my 30s and 40s and I

793

00:32:05,700 --> 00:32:03,760

was doing these briefings for members of

794

00:32:09,090 --> 00:32:05,710

Congress and the head of the United

795

00:32:11,070 --> 00:32:09,100

Nations and royal families in Europe and

796

00:32:13,650 --> 00:32:11,080

the president and CIA director I've met

797

00:32:16,170 --> 00:32:13,660

with every strata of leadership on this

798

00:32:18,470 --> 00:32:16,180

planet none of them were willing to take

799

00:32:20,220 --> 00:32:18,480

the risk to go up against this cabal of

800

00:32:22,050 --> 00:32:20,230

psychopaths that are running these

801
00:32:25,260 --> 00:32:22,060
covert programs they know how lethal

802
00:32:27,560 --> 00:32:25,270
they are so this is why I took that

803
00:32:30,570 --> 00:32:27,570
process that was going on in the 90s and

804
00:32:32,580 --> 00:32:30,580
started the global disclosure project to

805
00:32:33,960 --> 00:32:32,590
bring this information out because it

806
00:32:36,000 --> 00:32:33,970
was made very clear to me from various

807
00:32:37,500 --> 00:32:36,010
world leaders they weren't going to

808
00:32:39,720 --> 00:32:37,510
touch this with a ten-foot pole they're

809
00:32:42,630 --> 00:32:39,730
terrified right and so I said well our

810
00:32:45,720 --> 00:32:42,640
leaders will lead once the people

811
00:32:47,730 --> 00:32:45,730
establish a movement so if the people

812
00:32:49,890 --> 00:32:47,740
will lead the leaders will followed you

813
00:32:51,990 --> 00:32:49,900

have to remember that but we don't have

814

00:32:54,360 --> 00:32:52,000

any leaders of the kind that we need in

815

00:32:55,980 --> 00:32:54,370

political office right now right so this

816

00:32:58,110 --> 00:32:55,990

is why I'm doing this movie I left my

817

00:33:01,560 --> 00:32:58,120

medical career to do this because I came

818

00:33:03,450 --> 00:33:01,570

to realize there is no leadership on

819

00:33:05,880 --> 00:33:03,460

this issue unless it gets out to the

820

00:33:08,520 --> 00:33:05,890

public the public understands who these

821

00:33:09,990 --> 00:33:08,530

civilizations are why they're here that

822

00:33:13,260 --> 00:33:10,000

they're waiting for an appropriate

823

00:33:15,690 --> 00:33:13,270

peaceful response from us and that US

824

00:33:18,030 --> 00:33:15,700

isn't going to be from our Department of

825

00:33:19,570 --> 00:33:18,040

State or foreign ministry it's going to

826

00:33:21,010 --> 00:33:19,580

be from the people and so

827

00:33:24,460 --> 00:33:21,020

that's where we're trying to sort of

828

00:33:27,030 --> 00:33:24,470

democratize this relationship of contact

829

00:33:29,830 --> 00:33:27,040

and move it out of these centers of

830

00:33:32,380 --> 00:33:29,840

dysfunctional power into the hands of

831

00:33:35,440 --> 00:33:32,390

the everyday person who I think like you

832

00:33:37,420 --> 00:33:35,450

said are actually very good people who

833

00:33:39,400 --> 00:33:37,430

intend well but they just need to

834

00:33:41,410 --> 00:33:39,410

educated about what the issues are and

835

00:33:43,680 --> 00:33:41,420

then be given the tools and the

836

00:33:45,790 --> 00:33:43,690

techniques for making contact and

837

00:33:47,620 --> 00:33:45,800

establishing some sort of increasingly

838

00:33:50,410 --> 00:33:47,630

open relationship with these

839

00:33:52,060 --> 00:33:50,420

civilizations right well let me say I

840

00:33:54,010 --> 00:33:52,070

guess you know if we're talking about

841

00:33:57,460 --> 00:33:54,020

putting the cart before the horse and

842

00:33:59,440 --> 00:33:57,470

the idea of people doing nothing because

843

00:34:02,680 --> 00:33:59,450

they're afraid and just complaining

844

00:34:04,690 --> 00:34:02,690

while the elite run amuck isn't sitting

845

00:34:06,370 --> 00:34:04,700

out in the desert and having these ce-5

846

00:34:08,560 --> 00:34:06,380

experiences putting the cart before the

847

00:34:11,020 --> 00:34:08,570

horse because if the elite if the Cabal

848

00:34:12,430 --> 00:34:11,030

is there these beans aren't gonna do

849

00:34:14,020 --> 00:34:12,440

anything with us because they're saying

850

00:34:16,780 --> 00:34:14,030

hey you got to fix this problem so

851
00:34:19,450 --> 00:34:16,790
anytime we go to have a si e5 experience

852
00:34:21,190 --> 00:34:19,460
shouldn't we instead be rooting out the

853
00:34:23,260 --> 00:34:21,200
elite so that we can actually have the

854
00:34:25,360 --> 00:34:23,270
dialogue isn't starting the dialogue

855
00:34:26,880 --> 00:34:25,370
before the elite are taken care of kind

856
00:34:30,910 --> 00:34:26,890
of putting the cart before the horse -

857
00:34:32,320 --> 00:34:30,920
well unfortunately those folks you're

858
00:34:33,820 --> 00:34:32,330
not going to take care of them in the

859
00:34:36,400 --> 00:34:33,830
way that is normally done through a

860
00:34:39,040 --> 00:34:36,410
violent altercation you're going to take

861
00:34:40,960 --> 00:34:39,050
care of them by creating a mass

862
00:34:42,970 --> 00:34:40,970
consciousness effect and creating a

863
00:34:46,390 --> 00:34:42,980

movement for people to do things that

864

00:34:50,890 --> 00:34:46,400

bypass them engaging someone who's

865

00:34:52,720 --> 00:34:50,900

psychotic it helps for example if you

866

00:34:54,580 --> 00:34:52,730

have some lunatic fringe religious

867

00:34:56,160 --> 00:34:54,590

person who thinks the world is 6,000

868

00:34:57,850 --> 00:34:56,170

years old and our

869

00:35:00,880 --> 00:34:57,860

great-great-great-grandchildren way back

870

00:35:03,700 --> 00:35:00,890

6,000 years ago rode dinosaurs bareback

871

00:35:04,960 --> 00:35:03,710

I mean I'm sorry that's just people like

872

00:35:08,740 --> 00:35:04,970

that there's no point giving them a

873

00:35:10,000 --> 00:35:08,750

science lesson on genetics so you're

874

00:35:11,140 --> 00:35:10,010

dealing with a similar sort of

875

00:35:13,420 --> 00:35:11,150

disconnect with these sort of

876

00:35:14,680 --> 00:35:13,430

power-hungry elites I don't think that

877

00:35:17,300 --> 00:35:14,690

engaging them the way you're suggesting

878

00:35:19,270 --> 00:35:17,310

it would be effective

879

00:35:21,980 --> 00:35:19,280

I've tried and other people have tried

880

00:35:23,900 --> 00:35:21,990

well to use the world war 2 example that

881

00:35:25,760 --> 00:35:23,910

you brought up what would people have

882

00:35:29,660 --> 00:35:25,770

done if there's a tyrannical government

883

00:35:32,300 --> 00:35:29,670

of Psychopaths and sociopaths and the

884

00:35:34,370 --> 00:35:32,310

beans won't help us and we also can't

885

00:35:37,070 --> 00:35:34,380

just like it just seems like a big

886

00:35:39,080 --> 00:35:37,080

catch-22 what would you suggest that

887

00:35:40,700 --> 00:35:39,090

people do how do we approach them or how

888

00:35:43,910 --> 00:35:40,710

would people in World War two have

889

00:35:45,530 --> 00:35:43,920

stopped the Nazi regime it just seems

890

00:35:47,570 --> 00:35:45,540

like we're stuck because you can't

891

00:35:50,120 --> 00:35:47,580

approach Psychopaths that way the beans

892

00:35:52,640 --> 00:35:50,130

won't help us well no they will help us

893

00:35:54,590 --> 00:35:52,650

you just have to add enough of us have

894

00:35:56,690 --> 00:35:54,600

to reach out and establish a

895

00:35:58,160 --> 00:35:56,700

relationship but I think they're going

896

00:36:00,680 --> 00:35:58,170

to help us when there's enough mass

897

00:36:04,010 --> 00:36:00,690

consciousness that's been brought up to

898

00:36:05,950 --> 00:36:04,020

speed to why they're here how do we make

899

00:36:07,839 --> 00:36:05,960

contact

900

00:36:09,880 --> 00:36:07,849

there's simply no way that these

901
00:36:11,380 --> 00:36:09,890
civilizations and things would have to

902
00:36:13,690 --> 00:36:11,390
get a thousand times worse than they are

903
00:36:16,420 --> 00:36:13,700
now before they start just filling the

904
00:36:18,339 --> 00:36:16,430
thighs and landing places so that just

905
00:36:20,920 --> 00:36:18,349
is not how they're going to operate as

906
00:36:23,320 --> 00:36:20,930
what I've been told so they're still I

907
00:36:26,109 --> 00:36:23,330
get back to the simple concept they're

908
00:36:29,380 --> 00:36:26,119
waiting for us to open up a link to them

909
00:36:31,420 --> 00:36:29,390
and that's a reasonable thing for these

910
00:36:33,099 --> 00:36:31,430
civilizations to expect because if we

911
00:36:35,109 --> 00:36:33,109
don't do that what we're doing is that

912
00:36:37,599 --> 00:36:35,119
we're showing we're not ready for open

913
00:36:40,630 --> 00:36:37,609

contact and whatever benefits could come

914

00:36:44,470 --> 00:36:40,640

from that down the road as far as taking

915

00:36:45,880 --> 00:36:44,480

on I mean a bunch of clumsy Nazis or not

916

00:36:47,980 --> 00:36:45,890

what you're talking about with the

917

00:36:50,560 --> 00:36:47,990

current unacknowledged special access

918

00:36:52,120 --> 00:36:50,570

projects and the assets they have you

919

00:36:55,270 --> 00:36:52,130

know a year or two ago there was a guy

920

00:36:58,750 --> 00:36:55,280

who said let's storm area 51 well what

921

00:37:01,329 --> 00:36:58,760

he didn't know is that that area of

922

00:37:03,760 --> 00:37:01,339

Nellis Air Force Base where the really

923

00:37:07,390 --> 00:37:03,770

good stuff is everything that eat he

924

00:37:13,480 --> 00:37:07,400

related is underground the facility out

925

00:37:16,089 --> 00:37:13,490

at esketh mesa groom lake s3 s4 s 9 s 12

926

00:37:18,700 --> 00:37:16,099

these areas and i have a number of my

927

00:37:21,130 --> 00:37:18,710

military witnesses and whistleblowers

928

00:37:23,349 --> 00:37:21,140

who've been in those areas those are so

929

00:37:24,760 --> 00:37:23,359

secure that they're hardened you

930

00:37:27,760 --> 00:37:24,770

couldn't get in with an thermonuclear

931

00:37:30,670 --> 00:37:27,770

device and if anyone ever did breach it

932

00:37:33,030 --> 00:37:30,680

they have conventional explosives that

933

00:37:35,290 --> 00:37:33,040

are bunker-busting bombs on the top and

934

00:37:37,210 --> 00:37:35,300

tactical nuclear weapons underneath the

935

00:37:38,950 --> 00:37:37,220

facility and they would detonate them

936

00:37:41,200 --> 00:37:38,960

and cavitate it and destroy everything

937

00:37:44,170 --> 00:37:41,210

and everyone in it this I know

938

00:37:45,790 --> 00:37:44,180

so the point I'm making is that we're

939

00:37:47,500 --> 00:37:45,800

not dealing with a bunch of clumsy

940

00:37:49,359 --> 00:37:47,510

people with guns and machine guns in

941

00:37:52,839 --> 00:37:49,369

World War two we're dealing with folks

942

00:37:56,320 --> 00:37:52,849

that that kind of engagement simply is

943

00:37:58,060 --> 00:37:56,330

not going to work so we have to figure

944

00:38:00,280 --> 00:37:58,070

out what is going to work and if you

945

00:38:02,770 --> 00:38:00,290

look at Close Encounters of the fifth

946

00:38:04,329 --> 00:38:02,780

times its documentary see the kinds of

947

00:38:07,180 --> 00:38:04,339

experiences people have had all over the

948

00:38:09,220 --> 00:38:07,190

world now multiply that times a million

949

00:38:12,099 --> 00:38:09,230

if enough people started doing this

950

00:38:14,980 --> 00:38:12,109

that's what we're talking about so when

951
00:38:18,099 --> 00:38:14,990
that happens then you're going to see a

952
00:38:19,660 --> 00:38:18,109
change not only in consciousness of the

953
00:38:21,490 --> 00:38:19,670
people doing

954
00:38:23,980 --> 00:38:21,500
I've put all of their neighbors it is

955
00:38:26,049 --> 00:38:23,990
just going to cause this field effect

956
00:38:28,870 --> 00:38:26,059
change but you're also going to have

957
00:38:30,970 --> 00:38:28,880
increasingly open contact that is the

958
00:38:32,140 --> 00:38:30,980
ultimate disclosure that will lead to

959
00:38:33,940 --> 00:38:32,150
what you're asking for

960
00:38:35,740 --> 00:38:33,950
but these civilizations aren't going to

961
00:38:37,780 --> 00:38:35,750
do it before there are people who are

962
00:38:40,030 --> 00:38:37,790
showing that they're ready to be the

963
00:38:42,700 --> 00:38:40,040

interface let's call it and I call them

964

00:38:45,130 --> 00:38:42,710

ambassadors human ambassadors cities

965

00:38:48,160 --> 00:38:45,140

civilization and I think that's really

966

00:38:51,160 --> 00:38:48,170

the challenge of this and we need to get

967

00:38:55,299 --> 00:38:51,170

on with it in a very strong way my hope

968

00:38:58,740 --> 00:38:55,309

is that we'll grow the cg5 community

969

00:39:02,440 --> 00:38:58,750

from maybe a hundred thousand people to

970

00:39:06,280 --> 00:39:02,450

7080 million people globally and we'll

971

00:39:08,440 --> 00:39:06,290

get that 1% of bet happen which will

972

00:39:10,569 --> 00:39:08,450

then cause this transformative opening

973

00:39:13,270 --> 00:39:10,579

but also a change in how people are

974

00:39:15,730 --> 00:39:13,280

thinking and acting on earth because

975

00:39:17,859 --> 00:39:15,740

we're responsible for our planet these

976

00:39:20,500 --> 00:39:17,869

other civilizations they're watching

977

00:39:22,299 --> 00:39:20,510

what's happening here and I think the

978

00:39:24,400 --> 00:39:22,309

word quarantine everyone knows what that

979

00:39:27,690 --> 00:39:24,410

means now what I've understood is that

980

00:39:30,359 --> 00:39:27,700

the earth is under a sort of quarantine

981

00:39:34,000 --> 00:39:30,369

from us going too far out into space

982

00:39:35,530 --> 00:39:34,010

until we become civilized

983

00:39:37,750 --> 00:39:35,540

well civilized means we're not

984

00:39:39,700 --> 00:39:37,760

destroying the biosphere you don't have

985

00:39:41,260 --> 00:39:39,710

a fraction of a fraction of a percent of

986

00:39:43,480 --> 00:39:41,270

people who control most of the wealth of

987

00:39:46,150 --> 00:39:43,490

the world you don't have weapons in

988

00:39:50,770 --> 00:39:46,160

space and you're living like you're

989

00:39:53,109 --> 00:39:50,780

civilized peaceful civilization so we're

990

00:39:54,700 --> 00:39:53,119

not that we're not civilized yet we're

991

00:39:58,059 --> 00:39:54,710

really not even at what they call a

992

00:40:00,520 --> 00:39:58,069

level one civilization where that world

993

00:40:03,220 --> 00:40:00,530

is working together in peace and isn't

994

00:40:05,260 --> 00:40:03,230

damaging its biosphere in order to have

995

00:40:06,789 --> 00:40:05,270

a high-tech civilization now we could be

996

00:40:09,700 --> 00:40:06,799

there we could have been there in the

997

00:40:12,339 --> 00:40:09,710

40s and 50s before I was born before you

998

00:40:14,079 --> 00:40:12,349

were born but that's been for stalled

999

00:40:15,710 --> 00:40:14,089

and we have to find a way out of this

1000

00:40:17,450 --> 00:40:15,720

conundrum

1001
00:40:18,830 --> 00:40:17,460
that's what I'm suggesting it's going to

1002
00:40:21,560 --> 00:40:18,840
have to be something worth a mass

1003
00:40:23,330 --> 00:40:21,570
movement of people doing it I don't have

1004
00:40:25,790 --> 00:40:23,340
a lot of hope that we're going to see

1005
00:40:27,260 --> 00:40:25,800
this from the top down fair I mean I

1006
00:40:29,450 --> 00:40:27,270
agree with you I I don't think we'll see

1007
00:40:31,160 --> 00:40:29,460
it from the top down either but that's

1008
00:40:33,609 --> 00:40:31,170
the thing if we're in this quarantine

1009
00:40:37,339 --> 00:40:33,619
because they say that we're a

1010
00:40:40,190 --> 00:40:37,349
civilization or a species that trashes

1011
00:40:42,650 --> 00:40:40,200
our planet and is warlike like my whole

1012
00:40:45,050 --> 00:40:42,660
point has been that 95% of us are not

1013
00:40:46,760 --> 00:40:45,060

that yeah so to judge the whole species

1014

00:40:49,130 --> 00:40:46,770

based on the actions of the Cabal is

1015

00:40:51,290 --> 00:40:49,140

kind of messed up but I also want to

1016

00:40:53,270 --> 00:40:51,300

bring those in the whole species here

1017

00:40:55,430 --> 00:40:53,280

you're putting words in my mouth and

1018

00:40:57,740 --> 00:40:55,440

their mouths what I'm saying is that

1019

00:41:00,230 --> 00:40:57,750

isn't their assessment but the power is

1020

00:41:02,540 --> 00:41:00,240

centered in this very small number and

1021

00:41:04,940 --> 00:41:02,550

the people have become sheeple who

1022

00:41:07,040 --> 00:41:04,950

haven't done anything about it so so

1023

00:41:09,349 --> 00:41:07,050

long as that's the dynamic that's not of

1024

00:41:10,820 --> 00:41:09,359

their making and they're not blaming the

1025

00:41:13,099 --> 00:41:10,830

other people except the fact that

1026

00:41:15,890 --> 00:41:13,109

there's you know what is that saying you

1027

00:41:19,460 --> 00:41:15,900

know those who do nothing in the face of

1028

00:41:21,500 --> 00:41:19,470

evil that's a real problem

1029

00:41:23,750 --> 00:41:21,510

I think that we have to educate people

1030

00:41:25,760 --> 00:41:23,760

about how the state of the world got

1031

00:41:27,920 --> 00:41:25,770

where it is what are the things that

1032

00:41:30,560 --> 00:41:27,930

need to change and how do we come

1033

00:41:32,810 --> 00:41:30,570

together as a people to change it I say

1034

00:41:36,080 --> 00:41:32,820

that we're the children of Earth we are

1035

00:41:38,120 --> 00:41:36,090

the primary people responsible for it

1036

00:41:40,070 --> 00:41:38,130

and we have to grow up and accept that

1037

00:41:43,190 --> 00:41:40,080

responsibility mm-hmm

1038

00:41:45,890 --> 00:41:43,200

so they acknowledge that 95% of us are

1039

00:41:48,859 --> 00:41:45,900

peaceful loving people and it's only a

1040

00:41:51,770 --> 00:41:48,869

small percentage that is causing the

1041

00:41:53,570 --> 00:41:51,780

problem but they won't intervene because

1042

00:41:55,359 --> 00:41:53,580

even though we're peaceful loving people

1043

00:41:58,099 --> 00:41:55,369

just living our lives we're not

1044

00:41:59,930 --> 00:41:58,109

facilitating the ce-5 contact that's the

1045

00:42:01,940 --> 00:41:59,940

lynchpin that would get them to actually

1046

00:42:04,849 --> 00:42:01,950

help us do something about our

1047

00:42:06,770 --> 00:42:04,859

psychopathically is just being the right

1048

00:42:09,410 --> 00:42:06,780

people isn't enough we have to make

1049

00:42:11,390 --> 00:42:09,420

conscious communication was something

1050

00:42:13,370 --> 00:42:11,400

that many people don't even know is

1051

00:42:15,800 --> 00:42:13,380

possible I'm sure everybody would if

1052

00:42:18,470 --> 00:42:15,810

they were allowed this information but

1053

00:42:20,330 --> 00:42:18,480

there's a obviously pretty big blockade

1054

00:42:22,220 --> 00:42:20,340

in the mainstream against such things it

1055

00:42:23,450 --> 00:42:22,230

just seems weird that that's the

1056

00:42:25,640 --> 00:42:23,460

linchpin even though they would

1057

00:42:28,730 --> 00:42:25,650

acknowledge that we're all good people

1058

00:42:32,030 --> 00:42:28,740

and it's just this 1% we we can't get

1059

00:42:34,550 --> 00:42:32,040

over and if we just I guess communicate

1060

00:42:37,550 --> 00:42:34,560

with them consciousness to consciousness

1061

00:42:39,079 --> 00:42:37,560

then they'll do something with more than

1062

00:42:41,359 --> 00:42:39,089

consciousness the consciousness if you

1063

00:42:43,060 --> 00:42:41,369

look at the contact events we've had

1064

00:42:46,130 --> 00:42:43,070

it's been very personal very intimate

1065

00:42:48,800 --> 00:42:46,140

people had amazing healing things occur

1066

00:42:52,670 --> 00:42:48,810

with some of these pts true so what I'm

1067

00:42:55,130 --> 00:42:52,680

saying is they're open to making contact

1068

00:42:57,870 --> 00:42:55,140

if we invite them but if they do

1069

00:42:59,760 --> 00:42:57,880

something that's invasive

1070

00:43:02,520 --> 00:42:59,770

that's what they're worried about is

1071

00:43:04,980 --> 00:43:02,530

doing what you're asking for if they did

1072

00:43:06,750 --> 00:43:04,990

what you're asking for I guarantee you

1073

00:43:09,240 --> 00:43:06,760

the whole mainstream media because look

1074

00:43:11,610 --> 00:43:09,250

what they did with this TTS a and Tom

1075

00:43:13,620 --> 00:43:11,620

DeLonge who i had mentored Tomba long

1076

00:43:16,920 --> 00:43:13,630

back when he first started out in blink

1077

00:43:19,200 --> 00:43:16,930

182 and he got taken in by the Cabal

1078

00:43:21,510 --> 00:43:19,210

everything they're putting out is owed

1079

00:43:23,610 --> 00:43:21,520

there's an alien threat it's a threat to

1080

00:43:26,070 --> 00:43:23,620

our national security it's all around

1081

00:43:28,830 --> 00:43:26,080

fear and threat they know that if they

1082

00:43:30,630 --> 00:43:28,840

did anything to frontal that the

1083

00:43:33,450 --> 00:43:30,640

mainstream media the intelligence

1084

00:43:35,460 --> 00:43:33,460

community and unfortunately 90% of the

1085

00:43:37,650 --> 00:43:35,470

UFO lunatics would be out there running

1086

00:43:40,910 --> 00:43:37,660

around saying gee we're being invaded by

1087

00:43:43,890 --> 00:43:40,920

aliens so it's kind of like the original

1088

00:43:46,550 --> 00:43:43,900

1950s the day the earth stood still with

1089

00:43:48,810 --> 00:43:46,560

you know there was this event and

1090

00:43:51,090 --> 00:43:48,820

everything that the ETS did was

1091

00:43:53,760 --> 00:43:51,100

misinterpreted we got on a war footing

1092

00:43:57,270 --> 00:43:53,770

the et that appeared ended up being

1093

00:43:59,130 --> 00:43:57,280

killed etc and so on I think that what

1094

00:44:00,840 --> 00:43:59,140

we have to understand is that we have to

1095

00:44:03,330 --> 00:44:00,850

be responsible for our own behavior and

1096

00:44:06,210 --> 00:44:03,340

one of the consequences of these

1097

00:44:09,660 --> 00:44:06,220

civilizations do anything before enough

1098

00:44:12,060 --> 00:44:09,670

people are educated and open to making

1099

00:44:14,580 --> 00:44:12,070

contact is that it will be spun by the

1100

00:44:18,240 --> 00:44:14,590

thin Meister's in the media and at the

1101
00:44:20,370 --> 00:44:18,250
Pentagon and CIA as a threat to us and

1102
00:44:23,790 --> 00:44:20,380
we are actively being invaded

1103
00:44:26,070 --> 00:44:23,800
that is the tripwire look if I see this

1104
00:44:28,350 --> 00:44:26,080
out with my meter I - I can

1105
00:44:30,210 --> 00:44:28,360
guaran-damn-tee it that these

1106
00:44:32,100 --> 00:44:30,220
civilizations have figured this out they

1107
00:44:35,460 --> 00:44:32,110
are not that stupid right so they

1108
00:44:38,010 --> 00:44:35,470
certainly know that any seriously overt

1109
00:44:42,090 --> 00:44:38,020
act like you're suggesting would trigger

1110
00:44:45,840 --> 00:44:42,100
this response of put the whole world in

1111
00:44:48,600 --> 00:44:45,850
a unified war footing against the aliens

1112
00:44:50,100 --> 00:44:48,610
that's been the plan for decades so they

1113
00:44:51,960 --> 00:44:50,110

don't want to trigger that the only way

1114

00:44:53,400 --> 00:44:51,970

to make happening what you're doing is

1115

00:44:55,020 --> 00:44:53,410

people have to make some effort on their

1116

00:44:56,520 --> 00:44:55,030

own and I don't know why you're so

1117

00:44:58,380 --> 00:44:56,530

resistant to the idea of people doing

1118

00:45:00,180 --> 00:44:58,390

something constructive and positive I'm

1119

00:45:01,560 --> 00:45:00,190

not well yes you are every question

1120

00:45:04,560 --> 00:45:01,570

you've asked and the way you've asked it

1121

00:45:07,920 --> 00:45:04,570

my point is that is what we ought to be

1122

00:45:10,470 --> 00:45:07,930

doing there is no point in trying to

1123

00:45:11,430 --> 00:45:10,480

shift blame always to others why don't

1124

00:45:14,430 --> 00:45:11,440

we start taking respond

1125

00:45:18,059 --> 00:45:14,440

ability for health fair fair that's

1126

00:45:21,000 --> 00:45:18,069

definitely a theme that is pretty baked

1127

00:45:23,400 --> 00:45:21,010

into the brand here but you mentioned

1128

00:45:24,720 --> 00:45:23,410

that they acknowledge most of us are

1129

00:45:26,849 --> 00:45:24,730

good and we're controlled by a

1130

00:45:29,760 --> 00:45:26,859

one-percent cabal and they won't

1131

00:45:32,010 --> 00:45:29,770

intervene until enough of us reach out

1132

00:45:34,200 --> 00:45:32,020

and ask for help and you said that we

1133

00:45:35,420 --> 00:45:34,210

need one percent that one one percent

1134

00:45:37,109 --> 00:45:35,430

and that but even an accurate

1135

00:45:38,370 --> 00:45:37,119

representation of what I'm paying okay

1136

00:45:40,620 --> 00:45:38,380

well let me just ask you this question

1137

00:45:42,900 --> 00:45:40,630

if one percent is the threshold that's

1138

00:45:45,029 --> 00:45:42,910

not a majority how can the spin masters

1139

00:45:47,789 --> 00:45:45,039

not spin that around again I mean one

1140

00:45:49,920 --> 00:45:47,799

percent is a pretty low number if that's

1141

00:45:51,990 --> 00:45:49,930

the threshold for them to actually help

1142

00:45:55,340 --> 00:45:52,000

us out well let me let's talk about that

1143

00:45:58,730 --> 00:45:55,350

because I went through that too quickly

1144

00:46:00,980 --> 00:45:58,740

if you study field consciousness effects

1145

00:46:03,410 --> 00:46:00,990

and you go to let's say the lab that dr.

1146

00:46:06,020 --> 00:46:03,420

John at Princeton who is a professor of

1147

00:46:07,520 --> 00:46:06,030

engineering and you have random number

1148

00:46:09,740 --> 00:46:07,530

generators where people put their

1149

00:46:12,080 --> 00:46:09,750

awareness on them to shift it more

1150

00:46:14,000 --> 00:46:12,090

towards the zeros and ones when it

1151
00:46:16,250 --> 00:46:14,010
should be equal ones and zeros that's a

1152
00:46:18,920 --> 00:46:16,260
random number generators or quantum

1153
00:46:21,530 --> 00:46:18,930
machines that just put out random zeros

1154
00:46:23,510 --> 00:46:21,540
and ones but statistically it should be

1155
00:46:25,520 --> 00:46:23,520
an equal number and what they found was

1156
00:46:27,830 --> 00:46:25,530
that people without touching or being

1157
00:46:30,650 --> 00:46:27,840
wired to the machines could put their

1158
00:46:32,210 --> 00:46:30,660
intention on it in a positive way and

1159
00:46:34,670 --> 00:46:32,220
their consciousness then would shift

1160
00:46:36,740 --> 00:46:34,680
those random number generators so the

1161
00:46:39,400 --> 00:46:36,750
consciousness field isn't limited to

1162
00:46:42,320 --> 00:46:39,410
inside your skull or body it's this

1163
00:46:43,940 --> 00:46:42,330

omnipresent field but what's interesting

1164

00:46:46,070 --> 00:46:43,950

is that they found when there were say

1165

00:46:49,120 --> 00:46:46,080

two people who loved each other who are

1166

00:46:51,860 --> 00:46:49,130

united and up doing it it was an

1167

00:46:53,690 --> 00:46:51,870

exponentially greater not two times

1168

00:46:56,990 --> 00:46:53,700

greater effect but a ten times greater

1169

00:46:59,180 --> 00:46:57,000

effect so it's this exponential effect

1170

00:47:02,330 --> 00:46:59,190

of consciousness this is where you get

1171

00:47:06,500 --> 00:47:02,340

into this 1% factor because the 1%

1172

00:47:08,770 --> 00:47:06,510

factor then spontaneously pulls in and

1173

00:47:12,680 --> 00:47:08,780

recruits a change in behavior

1174

00:47:14,660 --> 00:47:12,690

consciousness and orientation of people

1175

00:47:16,670 --> 00:47:14,670

who don't even know you're doing it

1176
00:47:18,170 --> 00:47:16,680
that's the whole point of what was used

1177
00:47:20,060 --> 00:47:18,180
to be called the Maharishi effect where

1178
00:47:23,390 --> 00:47:20,070
they would have meditators go into a

1179
00:47:26,240 --> 00:47:23,400
city 1% of the population would be

1180
00:47:28,640 --> 00:47:26,250
meditating the other 99% did they were

1181
00:47:31,130 --> 00:47:28,650
doing but people who didn't even know

1182
00:47:34,190 --> 00:47:31,140
those meditators were in the city became

1183
00:47:36,350 --> 00:47:34,200
more orderly less violent violent crime

1184
00:47:38,840 --> 00:47:36,360
rates went down ER visits went down

1185
00:47:41,570 --> 00:47:38,850
health improved and it was all through

1186
00:47:44,390 --> 00:47:41,580
this consciousness field effect that's

1187
00:47:46,100 --> 00:47:44,400
what's so cool so that is what I'm

1188
00:47:49,310 --> 00:47:46,110

saying is that we have to start

1189

00:47:52,700 --> 00:47:49,320

somewhere and I don't think we're going

1190

00:47:54,140 --> 00:47:52,710

to get 99% of the public to be aware

1191

00:47:56,390 --> 00:47:54,150

this and do it but I don't see why we

1192

00:47:57,890 --> 00:47:56,400

can't get one in a hundred people and so

1193

00:48:01,070 --> 00:47:57,900

that seems to be something if you

1194

00:48:04,660 --> 00:48:01,080

understand that it's rooted in very good

1195

00:48:07,400 --> 00:48:04,670

science and quantum physics about this

1196

00:48:09,070 --> 00:48:07,410

transition phase transition it's called

1197

00:48:12,460 --> 00:48:09,080

when you hit that one

1198

00:48:14,350 --> 00:48:12,470

so I think your question implied that it

1199

00:48:17,470 --> 00:48:14,360

was sort of a linear effect it isn't

1200

00:48:21,060 --> 00:48:17,480

it's an exponential effect so that's why

1201

00:48:24,250 --> 00:48:21,070

that sort of strategy has worked in

1202

00:48:26,050 --> 00:48:24,260

experimental setting in macro system

1203

00:48:28,300 --> 00:48:26,060

settings like groups of meditators going

1204

00:48:30,600 --> 00:48:28,310

into a city there's 1% it has this

1205

00:48:33,370 --> 00:48:30,610

effect on the social behavior and

1206

00:48:36,010 --> 00:48:33,380

negativity drops and positive outcomes

1207

00:48:39,010 --> 00:48:36,020

go up if we did that in the whole

1208

00:48:41,140 --> 00:48:39,020

civilization well there's 7 or 8 billion

1209

00:48:43,630 --> 00:48:41,150

people's at 70 or 80 million people

1210

00:48:45,550 --> 00:48:43,640

would be 1% that seems to be something

1211

00:48:48,250 --> 00:48:45,560

doable I think even that number could be

1212

00:48:49,870 --> 00:48:48,260

attained in the United States alone so I

1213

00:48:53,890 --> 00:48:49,880

think that it's about coming together

1214

00:48:56,560 --> 00:48:53,900

and coherence and doing it and then it

1215

00:48:58,690 --> 00:48:56,570

would be an effect that will lift

1216

00:49:00,610 --> 00:48:58,700

everyone else it'll be as high that

1217

00:49:03,220 --> 00:49:00,620

lifts all the boats that are on the

1218

00:49:05,800 --> 00:49:03,230

water at that point and that's the

1219

00:49:07,210 --> 00:49:05,810

concept behind it so one of the things I

1220

00:49:08,950 --> 00:49:07,220

don't know if you've seen the film yet

1221

00:49:11,350 --> 00:49:08,960

but if you go through and look at yes I

1222

00:49:13,990 --> 00:49:11,360

am ok you look at the part that's on the

1223

00:49:15,940 --> 00:49:14,000

science of consciousness that's the key

1224

00:49:18,910 --> 00:49:15,950

thing to understanding why the ce-5

1225

00:49:21,340 --> 00:49:18,920

protocols work and what the strategy is

1226

00:49:24,460 --> 00:49:21,350

to make this transition but positive

1227

00:49:26,290 --> 00:49:24,470

outcome happen mm-hmm well I mean that

1228

00:49:28,600 --> 00:49:26,300

makes sense I'm aware of the snowball

1229

00:49:30,580 --> 00:49:28,610

effect of these things lynne mctaggart

1230

00:49:33,820 --> 00:49:30,590

dean radin the power of intention and

1231

00:49:36,040 --> 00:49:33,830

meditation it's just uh I get a little

1232

00:49:37,990 --> 00:49:36,050

frustrated I get a little impatient with

1233

00:49:41,200 --> 00:49:38,000

this kind of stuff life spans are short

1234

00:49:42,910 --> 00:49:41,210

and I'm looking to toss off that yoke

1235

00:49:44,590 --> 00:49:42,920

but while we're still in the first hour

1236

00:49:46,300 --> 00:49:44,600

I wanted to switch gears just to ask you

1237

00:49:48,700 --> 00:49:46,310

about this I want to ask you about the

1238

00:49:50,800 --> 00:49:48,710

Thomas Wilson document which has gotten

1239

00:49:53,500 --> 00:49:50,810

a lot of attention lately and is being

1240

00:49:55,330 --> 00:49:53,510

highlighted often by Richard Dolan since

1241

00:49:57,640 --> 00:49:55,340

I have you here when it comes to this

1242

00:49:59,350 --> 00:49:57,650

thread a lot of people are buzzing about

1243

00:50:02,170 --> 00:49:59,360

it and you are right there in the mix

1244

00:50:04,060 --> 00:50:02,180

what information do you have maybe that

1245

00:50:06,040 --> 00:50:04,070

has not yet been revealed to the world

1246

00:50:07,810 --> 00:50:06,050

for example do you have any recorded

1247

00:50:09,520 --> 00:50:07,820

conversations with Edgar Mitchell in

1248

00:50:11,470 --> 00:50:09,530

which he spoke about the document or

1249

00:50:13,690 --> 00:50:11,480

what happened is there any evidence in

1250

00:50:16,180 --> 00:50:13,700

your possession that could further prove

1251
00:50:18,370 --> 00:50:16,190
the absolute validity of that document

1252
00:50:20,650 --> 00:50:18,380
while it is being kind of talked about

1253
00:50:22,599 --> 00:50:20,660
probably don't approve the validity of

1254
00:50:25,349 --> 00:50:22,609
the document I was there

1255
00:50:27,819 --> 00:50:25,359
and you know it's substantially correct

1256
00:50:30,339 --> 00:50:27,829
they're the people who are listed in the

1257
00:50:33,220 --> 00:50:30,349
meeting to those who are listening he's

1258
00:50:35,620 --> 00:50:33,230
referring to its admiral Wilson he was

1259
00:50:37,299 --> 00:50:35,630
j2 so let me explain what that is this

1260
00:50:39,549 --> 00:50:37,309
is a head of intelligence for the Joint

1261
00:50:41,559 --> 00:50:39,559
Chiefs of Staff so this was the man who

1262
00:50:43,210 --> 00:50:41,569
would do the intelligence assessment for

1263
00:50:46,329 --> 00:50:43,220

the entire Joint Chiefs of Staff of the

1264

00:50:48,999 --> 00:50:46,339

United States military he asked to have

1265

00:50:50,319 --> 00:50:49,009

a briefing I invited Edgar Mitchell

1266

00:50:52,569 --> 00:50:50,329

along as a guest

1267

00:50:54,729 --> 00:50:52,579

because Edgar was still

1268

00:50:56,319 --> 00:50:54,739

dr. Mitchell who was you know the sex

1269

00:50:59,529 --> 00:50:56,329

manda welcome moon and the Apollo

1270

00:51:02,169 --> 00:50:59,539

project he was coming to learn because I

1271

00:51:04,959 --> 00:51:02,179

was sort of mentoring him back in the

1272

00:51:07,150 --> 00:51:04,969

early 90s with noetic Sciences Institute

1273

00:51:09,130 --> 00:51:07,160

that he found it and then later and

1274

00:51:12,789 --> 00:51:09,140

bringing him in to these sort of

1275

00:51:15,400 --> 00:51:12,799

meetings so dr. Mitchell was there as a

1276

00:51:16,359 --> 00:51:15,410

guest my military adviser was there who

1277

00:51:18,759 --> 00:51:16,369

set it up

1278

00:51:20,979 --> 00:51:18,769

I was the briefer that did the quote

1279

00:51:23,949 --> 00:51:20,989

stand up briefing and then there were

1280

00:51:25,839 --> 00:51:23,959

was an Eisenhower aide who was quite

1281

00:51:27,779 --> 00:51:25,849

elderly who had been a young man in the

1282

00:51:29,769 --> 00:51:27,789

Eisenhower White House's was there

1283

00:51:31,359 --> 00:51:29,779

webcam who was a lawyer in North

1284

00:51:33,609 --> 00:51:31,369

Carolina and then my assistant Sheree

1285

00:51:36,309 --> 00:51:33,619

Adam oh those were the people in the

1286

00:51:38,709 --> 00:51:36,319

meeting and then one other assistant to

1287

00:51:40,439 --> 00:51:38,719

the Admiral which was kind of cute

1288

00:51:42,789 --> 00:51:40,449

because they drew scrawls in his

1289

00:51:44,529 --> 00:51:42,799

executive offices to see who would get

1290

00:51:46,989 --> 00:51:44,539

to be in the meeting everyone wanted to

1291

00:51:48,969 --> 00:51:46,999

hear what was going on now the backdrop

1292

00:51:51,609 --> 00:51:48,979

for that meeting and this comes out in

1293

00:51:54,519 --> 00:51:51,619

various ways through that document

1294

00:51:57,849 --> 00:51:54,529

you're referring to is I had gotten

1295

00:51:59,679 --> 00:51:57,859

through my military advisor he's since

1296

00:52:04,359 --> 00:51:59,689

retired who's mentioned in that document

1297

00:52:07,029 --> 00:52:04,369

commander will Miller a briefing to be

1298

00:52:09,009 --> 00:52:07,039

delivered to the Admiral before we had

1299

00:52:13,019 --> 00:52:09,019

the meeting in his office in the

1300

00:52:17,669 --> 00:52:13,029

Pentagon and this was in April in 1997

1301
00:52:20,569 --> 00:52:17,679
and he got that portfolio of documents

1302
00:52:24,019 --> 00:52:20,579
and information on the top of it was a

1303
00:52:26,640 --> 00:52:24,029
National Reconnaissance Office NRO

1304
00:52:29,849 --> 00:52:26,650
secret document from Nellis Air Force

1305
00:52:31,949 --> 00:52:29,859
Base area 51 that was warning of a group

1306
00:52:33,599 --> 00:52:31,959
of people who are trying to spy on what

1307
00:52:37,339 --> 00:52:33,609
was going on there and they had a

1308
00:52:39,870 --> 00:52:37,349
security lockdown but that document was

1309
00:52:42,509 --> 00:52:39,880
taken and given to me I won't say by

1310
00:52:45,659 --> 00:52:42,519
whom and it listed the project code

1311
00:52:49,289 --> 00:52:45,669
names for the super-secret projects

1312
00:52:51,239 --> 00:52:49,299
dealing with ETS and UFOs that document

1313
00:52:54,509 --> 00:52:51,249

was on the top of the pile of what I

1314

00:52:57,269 --> 00:52:54,519

sent to the Admiral Admiral Wilson as a

1315

00:52:59,969 --> 00:52:57,279

result of that he made an inquiry

1316

00:53:02,039 --> 00:52:59,979

through one of those compartment to has

1317

00:53:04,049 --> 00:53:02,049

the code numbers and code names on the

1318

00:53:06,209 --> 00:53:04,059

document and by the way that then the

1319

00:53:07,739 --> 00:53:06,219

documentary unacknowledged and it's in

1320

00:53:09,390 --> 00:53:07,749

the book unacknowledged which is

1321

00:53:11,339 --> 00:53:09,400

available for anyone to get who knows

1322

00:53:12,239 --> 00:53:11,349

how to read you'll see this document

1323

00:53:15,569 --> 00:53:12,249

it's in there

1324

00:53:17,849 --> 00:53:15,579

so the Admiral when he got hold of one

1325

00:53:19,319 --> 00:53:17,859

it hit was a contractor of course all

1326

00:53:22,859 --> 00:53:19,329

the really hot stuffs done by

1327

00:53:24,899 --> 00:53:22,869

contractors Lockheed skunkworks and

1328

00:53:28,499 --> 00:53:24,909

Northrop Grumman my uncle's old company

1329

00:53:30,179 --> 00:53:28,509

and what you find is those guys really

1330

00:53:31,739 --> 00:53:30,189

know what's happening is they're the

1331

00:53:35,939 --> 00:53:31,749

ones actually doing the work on the

1332

00:53:38,279 --> 00:53:35,949

technologies and what have you so the

1333

00:53:41,339 --> 00:53:38,289

government agency should contract with

1334

00:53:44,459 --> 00:53:41,349

the tech companies and called double UFO

1335

00:53:47,249 --> 00:53:44,469

work for other Wright contracting so

1336

00:53:50,669 --> 00:53:47,259

when Admiral Wilson got hold of this

1337

00:53:52,380 --> 00:53:50,679

particular codenamed compartment that

1338

00:53:55,289 --> 00:53:52,390

was an unacknowledged special access

1339

00:53:57,569 --> 00:53:55,299

project and he admits if in this memo

1340

00:54:00,899 --> 00:53:57,579

you're referring to he was denied access

1341

00:54:04,579 --> 00:54:00,909

and was basically threatened one of his

1342

00:54:08,159 --> 00:54:04,589

stores being removed from his lapel and

1343

00:54:11,939 --> 00:54:08,169

by the time I got to the meeting the

1344

00:54:14,130 --> 00:54:11,949

Admiral was very shaken very angry and I

1345

00:54:16,620 --> 00:54:14,140

think rather frightened because he

1346

00:54:20,039 --> 00:54:16,630

realized not only was all this true but

1347

00:54:22,439 --> 00:54:20,049

that he as a senior official in the

1348

00:54:24,569 --> 00:54:22,449

Pentagon responsible for put together

1349

00:54:26,190 --> 00:54:24,579

the intelligence briefings for the Joint

1350

00:54:28,290 --> 00:54:26,200

Chiefs of Staff

1351
00:54:29,550 --> 00:54:28,300
was being denied access because the

1352
00:54:33,060 --> 00:54:29,560
people on the other end of the phone

1353
00:54:35,070 --> 00:54:33,070
line said to him he says look I'm

1354
00:54:37,920 --> 00:54:35,080
Admiral Wilson I'm j2 they say yes so we

1355
00:54:39,870 --> 00:54:37,930
know who you are is what he told and he

1356
00:54:42,270 --> 00:54:39,880
says well I want to be read into which

1357
00:54:46,070 --> 00:54:42,280
his military speaker briefed on this

1358
00:54:48,990 --> 00:54:46,080
project and these contractors said

1359
00:54:51,780 --> 00:54:49,000
Admiral Sir you don't have a need to

1360
00:54:53,850 --> 00:54:51,790
know he says what do you mean I don't

1361
00:54:55,500 --> 00:54:53,860
have a need to know I'm the goddamn head

1362
00:54:57,390 --> 00:54:55,510
of intelligence Joint Staff they said

1363
00:55:00,180 --> 00:54:57,400

sir we will not discuss this with you

1364

00:55:03,510 --> 00:55:00,190

and they basically hung up so initially

1365

00:55:05,370 --> 00:55:03,520

he was completely denied any sort of

1366

00:55:07,950 --> 00:55:05,380

access he then began to work the system

1367

00:55:10,170 --> 00:55:07,960

and got a few people in various officers

1368

00:55:12,380 --> 00:55:10,180

that are named in that memo to give him

1369

00:55:15,150 --> 00:55:12,390

some information but he was never

1370

00:55:18,300 --> 00:55:15,160

allowed to be really read into it and he

1371

00:55:20,850 --> 00:55:18,310

had found that in fact what his boss

1372

00:55:22,500 --> 00:55:20,860

further up it was the director of the

1373

00:55:25,200 --> 00:55:22,510

Defense Intelligence Agency which is

1374

00:55:27,930 --> 00:55:25,210

like the CIA for the Pentagon subsequent

1375

00:55:30,060 --> 00:55:27,940

to this meeting i briefed the man that

1376

00:55:32,400 --> 00:55:30,070

would have been his boss it was General

1377

00:55:35,370 --> 00:55:32,410

Patrick Hughes who is a three-star

1378

00:55:38,430 --> 00:55:35,380

general who was the head of the Defense

1379

00:55:41,610 --> 00:55:38,440

Intelligence Agency and he similarly

1380

00:55:44,720 --> 00:55:41,620

after we got materials to him was denied

1381

00:55:48,330 --> 00:55:44,730

access I had a meeting at his office

1382

00:55:51,000 --> 00:55:48,340

with a couple of people and one of his

1383

00:55:54,300 --> 00:55:51,010

top aides two of them and my military

1384

00:55:56,490 --> 00:55:54,310

advisor and general Hughes said look

1385

00:55:59,390 --> 00:55:56,500

I've made inquiries into this they won't

1386

00:56:02,700 --> 00:55:59,400

tell me a goddamn thing so that's how

1387

00:56:05,400 --> 00:56:02,710

dangerous this is is that you have

1388

00:56:07,440 --> 00:56:05,410

people who would like to know about this

1389

00:56:09,480 --> 00:56:07,450

there may be very good people in the

1390

00:56:12,270 --> 00:56:09,490

military in government that are being

1391

00:56:14,550 --> 00:56:12,280

denied access and they have decapitated

1392

00:56:16,350 --> 00:56:14,560

the government not just of our country

1393

00:56:18,480 --> 00:56:16,360

but of others this obviously is

1394

00:56:22,200 --> 00:56:18,490

treasonous and illegal and

1395

00:56:24,870 --> 00:56:22,210

unconstitutional and that's why after I

1396

00:56:28,080 --> 00:56:24,880

ran through the system of the executive

1397

00:56:31,230 --> 00:56:28,090

the president CIA director Pentagon and

1398

00:56:33,750 --> 00:56:31,240

then at grief members of Congress Senate

1399

00:56:37,140 --> 00:56:33,760

Intelligence Committee members etc and

1400

00:56:39,390 --> 00:56:37,150

none of them were given access they're

1401
00:56:40,799 --> 00:56:39,400
also none of the more to push the system

1402
00:56:42,690 --> 00:56:40,809
because they were threatened with their

1403
00:56:44,760 --> 00:56:42,700
careers and some of them were threatened

1404
00:56:47,339 --> 00:56:44,770
with their lives being terminated so at

1405
00:56:49,470 --> 00:56:47,349
that point I realized I had to bring

1406
00:56:52,200 --> 00:56:49,480
this public and that resulted in the

1407
00:56:55,440 --> 00:56:52,210
2001 National Press Club discloses your

1408
00:56:57,059 --> 00:56:55,450
project launch that happened 19 years

1409
00:56:59,010 --> 00:56:57,069
ago so I'm just trying to give your

1410
00:57:01,319 --> 00:56:59,020
listeners a little overview of my

1411
00:57:02,670 --> 00:57:01,329
30-year journey through this nightmare

1412
00:57:04,710 --> 00:57:02,680
yes sir

1413
00:57:06,960 --> 00:57:04,720

and it's been inordinately stressful as

1414

00:57:09,329 --> 00:57:06,970

you can imagine for a young doctor I

1415

00:57:11,370 --> 00:57:09,339

mean imagine being in your 30s briefing

1416

00:57:14,309 --> 00:57:11,380

the director of the CIA and finding out

1417

00:57:16,529 --> 00:57:14,319

that he's been denied access and you

1418

00:57:18,660 --> 00:57:16,539

know I'm going this cannot be true but

1419

00:57:20,279 --> 00:57:18,670

it is it's not a conspiracy theory I

1420

00:57:22,710 --> 00:57:20,289

could care less about all defense here I

1421

00:57:26,039 --> 00:57:22,720

only tell people the fact that I know

1422

00:57:27,930 --> 00:57:26,049

from direct meetings I've had with these

1423

00:57:31,019 --> 00:57:27,940

sort of officials or direct contact I've

1424

00:57:33,359 --> 00:57:31,029

had with the ETS so that's just what my

1425

00:57:33,870 --> 00:57:33,369

role is in this but it's not a pretty

1426

00:57:35,849 --> 00:57:33,880

picture

1427

00:57:38,250 --> 00:57:35,859

there's nothing controversial about that

1428

00:57:40,260 --> 00:57:38,260

document it is substantially correct it

1429

00:57:42,240 --> 00:57:40,270

doesn't tell all the story that I just

1430

00:57:44,579 --> 00:57:42,250

shared with you and there's more to this

1431

00:57:46,230 --> 00:57:44,589

but we don't have time to go into it

1432

00:57:47,400 --> 00:57:46,240

about how these things evolve and you

1433

00:57:49,430 --> 00:57:47,410

know what the consequences of that

1434

00:57:52,109 --> 00:57:49,440

meeting were and things like that but

1435

00:57:54,539 --> 00:57:52,119

but you know you can read the memo and

1436

00:57:57,390 --> 00:57:54,549

it clearly shows that the Admiral was

1437

00:57:59,220 --> 00:57:57,400

threatened yeah I definitely did not

1438

00:58:01,740 --> 00:57:59,230

mean to imply it's not legit or

1439

00:58:04,309 --> 00:58:01,750

substantiated I agree with Richard Dolan

1440

00:58:06,630 --> 00:58:04,319

when he says it's a real milestone

1441

00:58:09,809 --> 00:58:06,640

Richard Dolan has no knowledge of it

1442

00:58:10,950 --> 00:58:09,819

event at all none oh well I guess I was

1443

00:58:13,200 --> 00:58:10,960

that's just where I heard it from

1444

00:58:15,990 --> 00:58:13,210

initially so I was just hearing that in

1445

00:58:18,000 --> 00:58:16,000

context let me correct what I say he

1446

00:58:19,529 --> 00:58:18,010

wasn't at the meeting right right that's

1447

00:58:21,569 --> 00:58:19,539

why I was asking you because I know that

1448

00:58:23,519 --> 00:58:21,579

you were I know that you were I just

1449

00:58:25,349 --> 00:58:23,529

heard about it from him so I was asking

1450

00:58:26,910 --> 00:58:25,359

you if there was added context to the

1451

00:58:29,099 --> 00:58:26,920

story since you were so directly

1452

00:58:31,529 --> 00:58:29,109

involved and I know that he wasn't but

1453

00:58:34,260 --> 00:58:31,539

he is a fan of the document he's an

1454

00:58:34,920 --> 00:58:34,270

advocate of its authenticity and its

1455

00:58:37,200 --> 00:58:34,930

importance

1456

00:58:39,059 --> 00:58:37,210

yeah there's no controversy around it I

1457

00:58:41,430 --> 00:58:39,069

mean it absolutely happened and you know

1458

00:58:44,700 --> 00:58:41,440

Edgar Mitchell was so curious about all

1459

00:58:46,589 --> 00:58:44,710

of this obviously although he back in

1460

00:58:49,019 --> 00:58:46,599

those days and certainly when I was

1461

00:58:51,269 --> 00:58:49,029

doing I did a briefing for the board of

1462

00:58:53,260 --> 00:58:51,279

directors of noetic Sciences and then

1463

00:58:54,880 --> 00:58:53,270

that evening also senator Claiborne

1464

00:58:58,450 --> 00:58:54,890

was there and some other folks and

1465

00:59:00,530 --> 00:58:58,460

they're all very very interested in the

1466

00:59:04,010 --> 00:59:00,540

issue but

1467

00:59:06,560 --> 00:59:04,020

degra Metro really was wanting to learn

1468

00:59:09,440 --> 00:59:06,570

about this because he knew that we

1469

00:59:12,830 --> 00:59:09,450

weren't alone and that the implications

1470

00:59:14,960 --> 00:59:12,840

were great and he also came to realize

1471

00:59:16,910 --> 00:59:14,970

from his experience going to the moon

1472

00:59:19,370 --> 00:59:16,920

and back so he he sort of had this

1473

00:59:21,050 --> 00:59:19,380

Cosmic Consciousness experience which is

1474

00:59:23,420 --> 00:59:21,060

why he started the noetic Sciences

1475

00:59:25,880 --> 00:59:23,430

Institute to study consciousness and

1476

00:59:29,060 --> 00:59:25,890

field affective consciousness that you

1477

00:59:31,430 --> 00:59:29,070

know he had this realization and of

1478

00:59:34,220 --> 00:59:31,440

course one of the reasons the disclosure

1479

00:59:36,740 --> 00:59:34,230

project happened most people don't know

1480

00:59:40,430 --> 00:59:36,750

this was because we had successfully

1481

00:59:42,400 --> 00:59:40,440

made contact with the et in 1992 that

1482

00:59:45,080 --> 00:59:42,410

ended up being in the Pensacola

1483

00:59:47,720 --> 00:59:45,090

newspaper that next morning a picture of

1484

00:59:50,150 --> 00:59:47,730

this UFO that came in after we did these

1485

00:59:52,670 --> 00:59:50,160

protocols and contacted them and after

1486

00:59:56,300 --> 00:59:52,680

that the intelligence community both the

1487

00:59:58,460 --> 00:59:56,310

white hats and the bad guys contacted me

1488

01:00:01,430 --> 00:59:58,470

and they said the rest is history that

1489

01:00:04,970 --> 01:00:01,440

happened in 92 March and then in April

1490

01:00:08,030 --> 01:00:04,980

of 92 I was approached by people from

1491

01:00:11,840 --> 01:00:08,040

army intelligence and CIA and NSA at a

1492

01:00:17,360 --> 01:00:11,850

meeting and what I learned was that they

1493

01:00:19,940 --> 01:00:17,370

were very very angry that we had figured

1494

01:00:22,250 --> 01:00:19,950

out how to bypass their control and they

1495

01:00:24,650 --> 01:00:22,260

contact so to give you an idea how a

1496

01:00:27,020 --> 01:00:24,660

powerful the CGI protocols are that if

1497

01:00:28,730 --> 01:00:27,030

people study them and do them and do

1498

01:00:31,850 --> 01:00:28,740

them with sincerity and a clear

1499

01:00:33,470 --> 01:00:31,860

intention pure heart they work and they

1500

01:00:35,810 --> 01:00:33,480

work consistently for people all over

1501
01:00:39,140 --> 01:00:35,820
the world these guys are control freaks

1502
01:00:42,410 --> 01:00:39,150
man this is totally outside of their

1503
01:00:44,690 --> 01:00:42,420
control because they can't control that

1504
01:00:46,670 --> 01:00:44,700
so my point is that if millions of

1505
01:00:50,480 --> 01:00:46,680
people start doing that it's going to be

1506
01:00:51,830 --> 01:00:50,490
point set match Cris first we had to get

1507
01:00:54,680 --> 01:00:51,840
the information after the disclosure

1508
01:00:56,360 --> 01:00:54,690
project that we're not alone now more

1509
01:00:58,460 --> 01:00:56,370
than half the population accepts that

1510
01:00:59,780 --> 01:00:58,470
the UFOs are real now we need to bring

1511
01:01:02,210 --> 01:00:59,790
it to the next level where people

1512
01:01:04,040 --> 01:01:02,220
instead of just informational II knowing

1513
01:01:07,100 --> 01:01:04,050

they're out there begin to do something

1514

01:01:10,490 --> 01:01:07,110

constructive and edifying and positive

1515

01:01:11,990 --> 01:01:10,500

and good for our civilization by joining

1516

01:01:13,309 --> 01:01:12,000

together in consciousness and making

1517

01:01:15,199 --> 01:01:13,319

contact

1518

01:01:17,630 --> 01:01:15,209

and notwithstanding also that the

1519

01:01:19,370 --> 01:01:17,640

process of the meditations and learning

1520

01:01:22,579 --> 01:01:19,380

to do the remote viewing and becoming a

1521

01:01:25,430 --> 01:01:22,589

seer is incredibly healing for an

1522

01:01:27,319 --> 01:01:25,440

individual and very just a beautiful

1523

01:01:29,509 --> 01:01:27,329

spiritual experience for everyone that

1524

01:01:31,910 --> 01:01:29,519

does it so I think that you know there's

1525

01:01:35,239 --> 01:01:31,920

a lot of benefits of doing it there's no

1526
01:01:37,759 --> 01:01:35,249
harm in doing it and if I'm correct that

1527
01:01:39,709 --> 01:01:37,769
these civilizations are waiting for sort

1528
01:01:41,959 --> 01:01:39,719
of a critical mass of humans to reach

1529
01:01:43,819 --> 01:01:41,969
out to them it really would be the big

1530
01:01:46,089 --> 01:01:43,829
game-changer when we get enough folks

1531
01:01:49,549 --> 01:01:46,099
and join together doing this process

1532
01:01:51,799 --> 01:01:49,559
mm-hmm mm-hmm man this has been a lot of

1533
01:01:53,539 --> 01:01:51,809
fun I do appreciate your passion and

1534
01:01:55,999 --> 01:01:53,549
dedication I actually hope to try out

1535
01:01:58,189 --> 01:01:56,009
the ce-5 protocol with a local San Diego

1536
01:02:00,439 --> 01:01:58,199
group sometime oh you should yeah

1537
01:02:02,719 --> 01:02:00,449
I'm looking forward to it and I do have

1538
01:02:03,920 --> 01:02:02,729

to ask you this on behalf of the critics

1539

01:02:06,259 --> 01:02:03,930

out there it's gonna take me a minute to

1540

01:02:08,689 --> 01:02:06,269

get out but definitely I will give you

1541

01:02:10,489 --> 01:02:08,699

space to answer and I don't fault a

1542

01:02:12,620 --> 01:02:10,499

person for making money that's the game

1543

01:02:15,049 --> 01:02:12,630

we're playing and it's out of our hands

1544

01:02:17,420 --> 01:02:15,059

to change it and people pay for this

1545

01:02:19,279 --> 01:02:17,430

show even but your latest event was a

1546

01:02:21,199 --> 01:02:19,289

six night outing for a group of 25

1547

01:02:22,430 --> 01:02:21,209

people came with a price tag of two

1548

01:02:24,680 --> 01:02:22,440

thousand nine hundred and eighty dollars

1549

01:02:27,049 --> 01:02:24,690

basically three grand and this did not

1550

01:02:28,969 --> 01:02:27,059

include accommodations or meals you talk

1551
01:02:31,549 --> 01:02:28,979
about this conscious communication is

1552
01:02:33,559 --> 01:02:31,559
like a human birthright and repeat in

1553
01:02:35,749 --> 01:02:33,569
the film how important it is that we all

1554
01:02:38,120 --> 01:02:35,759
bypass the control structure and make

1555
01:02:40,099 --> 01:02:38,130
that direct contact but three grand is a

1556
01:02:42,589 --> 01:02:40,109
barrier of entry that a lot of people

1557
01:02:44,390 --> 01:02:42,599
cannot cross and fur and they'd already

1558
01:02:46,729 --> 01:02:44,400
rip out because we have everything out

1559
01:02:48,489 --> 01:02:46,739
on the internet for free so there if you

1560
01:02:50,839 --> 01:02:48,499
have a computer there's something called

1561
01:02:53,029 --> 01:02:50,849
YouTube and then we have a website

1562
01:02:55,339 --> 01:02:53,039
series disclosure calm all the

1563
01:02:57,019 --> 01:02:55,349

meditations are there I've done whole

1564

01:02:58,699 --> 01:02:57,029

training things that are workshops that

1565

01:03:00,769 --> 01:02:58,709

are hours and hours long that are there

1566

01:03:02,749 --> 01:03:00,779

but if someone wants to come on a small

1567

01:03:04,279 --> 01:03:02,759

thing with me personally that's a

1568

01:03:07,009 --> 01:03:04,289

fundraising thing because guess what our

1569

01:03:09,829 --> 01:03:07,019

mailing lists alone called six thousand

1570

01:03:12,739 --> 01:03:09,839

dollars a year at Constant Contact to

1571

01:03:14,989 --> 01:03:12,749

maintain you know with me not working as

1572

01:03:18,199 --> 01:03:14,999

a doctor I can't fund everything myself

1573

01:03:20,449 --> 01:03:18,209

so to all the kvetching people out there

1574

01:03:22,999 --> 01:03:20,459

you can't run a global operation with

1575

01:03:24,559 --> 01:03:23,009

zero income all right even if I

1576

01:03:26,269 --> 01:03:24,569

personally have given up twelve million

1577

01:03:27,030 --> 01:03:26,279

dollars in income as a doctor which I

1578

01:03:29,100 --> 01:03:27,040

have

1579

01:03:30,270 --> 01:03:29,110

so to all those sort of people if you

1580

01:03:32,760 --> 01:03:30,280

don't want to come on one of those

1581

01:03:34,680 --> 01:03:32,770

events you don't have to because we have

1582

01:03:38,160 --> 01:03:34,690

all the tools out there for you to do it

1583

01:03:40,080 --> 01:03:38,170

on your own and if you don't want to do

1584

01:03:43,860 --> 01:03:40,090

that then don't do it but you know it's

1585

01:03:45,900 --> 01:03:43,870

like you can't go into a anywhere you

1586

01:03:47,580 --> 01:03:45,910

know I think it's great for people to be

1587

01:03:49,890 --> 01:03:47,590

able to fly and travel and see the world

1588

01:03:51,570 --> 01:03:49,900

but you usually have to there's a cost

1589

01:03:53,820 --> 01:03:51,580

to doing it so we can't do what we're

1590

01:03:56,130 --> 01:03:53,830

doing and by the way we don't have an

1591

01:03:58,950 --> 01:03:56,140

office we don't have a staff my wife

1592

01:04:01,350 --> 01:03:58,960

will be 72 this year and I with some

1593

01:04:04,200 --> 01:04:01,360

volunteers run this whole thing but

1594

01:04:06,030 --> 01:04:04,210

there are a lot of expenses and I think

1595

01:04:08,610 --> 01:04:06,040

that if people don't want to support it

1596

01:04:10,890 --> 01:04:08,620

then that's the statement they can make

1597

01:04:12,570 --> 01:04:10,900

they don't need to support it there and

1598

01:04:14,310 --> 01:04:12,580

again you know everyone is free to

1599

01:04:16,170 --> 01:04:14,320

charge whatever they want for whatever

1600

01:04:20,340 --> 01:04:16,180

they do that's the country we live in

1601
01:04:21,960 --> 01:04:20,350
but I guess I would just wonder how even

1602
01:04:24,480 --> 01:04:21,970
these beans themselves would feel about

1603
01:04:26,700 --> 01:04:24,490
that but this is the criticism I read

1604
01:04:28,530 --> 01:04:26,710
most often and I'm going on how would we

1605
01:04:30,720 --> 01:04:28,540
if I said I'm going to a place on this

1606
01:04:33,420 --> 01:04:30,730
week there would be 5,000 people there

1607
01:04:35,070 --> 01:04:33,430
we couldn't manage it so those are

1608
01:04:36,900 --> 01:04:35,080
leadership events in other words those

1609
01:04:39,240 --> 01:04:36,910
are intended to be people who want a

1610
01:04:41,220 --> 01:04:39,250
whole week in a small group to be

1611
01:04:43,110 --> 01:04:41,230
trained by me to go out and then form

1612
01:04:44,880 --> 01:04:43,120
teams and educate other people about it

1613
01:04:46,320 --> 01:04:44,890

you know that there are other things

1614

01:04:48,120 --> 01:04:46,330

that we do I was going to do this

1615

01:04:49,680 --> 01:04:48,130

contact in the desert where we were

1616

01:04:52,440 --> 01:04:49,690

going to have a thousand people out

1617

01:04:53,730 --> 01:04:52,450

under the stars out in this gets a golf

1618

01:04:55,650 --> 01:04:53,740

course or something but that got

1619

01:04:57,900 --> 01:04:55,660

cancelled yesterday those are this

1620

01:04:59,250 --> 01:04:57,910

coronavirus so you know we try to do

1621

01:05:00,900 --> 01:04:59,260

things that are open to the larger

1622

01:05:03,360 --> 01:05:00,910

numbers but if we're going to do

1623

01:05:06,180 --> 01:05:03,370

something where it's really an intensive

1624

01:05:08,070 --> 01:05:06,190

for training people they only have 20 25

1625

01:05:10,080 --> 01:05:08,080

people there which is what those are

1626

01:05:12,660 --> 01:05:10,090

those are not things that are enormous

1627

01:05:14,760 --> 01:05:12,670

gathering right then we try to make it

1628

01:05:17,790 --> 01:05:14,770

so it's people who really want to make a

1629

01:05:20,010 --> 01:05:17,800

commitment and go forward and be sort of

1630

01:05:22,350 --> 01:05:20,020

people who train other folks around the

1631

01:05:24,060 --> 01:05:22,360

world and that helps them to pray these

1632

01:05:25,620 --> 01:05:24,070

other costs because you know it'd be

1633

01:05:28,140 --> 01:05:25,630

great if you know someone wealthy enough

1634

01:05:29,940 --> 01:05:28,150

to just underwrite all the overhead and

1635

01:05:31,680 --> 01:05:29,950

cost for what we do you know let me know

1636

01:05:33,270 --> 01:05:31,690

but otherwise there's going to have to

1637

01:05:34,950 --> 01:05:33,280

be some charges I mean I don't know how

1638

01:05:37,470 --> 01:05:34,960

the people who asked questions like that

1639

01:05:39,460 --> 01:05:37,480

ago I don't know how you're living maybe

1640

01:05:42,030 --> 01:05:39,470

you have a trust fund

1641

01:05:44,950 --> 01:05:42,040

in the real world you actually have to

1642

01:05:47,020 --> 01:05:44,960

take your obligations very true I get

1643

01:05:49,060 --> 01:05:47,030

criticism all the time for charging for

1644

01:05:51,370 --> 01:05:49,070

that second hour but it is like do we do

1645

01:05:52,690 --> 01:05:51,380

no one does what they do for free

1646

01:05:54,340 --> 01:05:52,700

especially if they do it well

1647

01:05:56,590 --> 01:05:54,350

so hard to even do one thing well you

1648

01:05:59,110 --> 01:05:56,600

want to get compensated but so you are

1649

01:06:00,790 --> 01:05:59,120

just saying that for in those situations

1650

01:06:02,110 --> 01:06:00,800

for that three grand people aren't

1651

01:06:04,150 --> 01:06:02,120

really getting anything that isn't

1652

01:06:08,410 --> 01:06:04,160

online available for free except for

1653

01:06:10,210 --> 01:06:08,420

like your personal hands-on touch yeah I

1654

01:06:11,980 --> 01:06:10,220

guess you can diminish it as much as

1655

01:06:13,570 --> 01:06:11,990

you'd like but a lot of people I'm not

1656

01:06:15,190 --> 01:06:13,580

drawn dimensional a lot of people who

1657

01:06:18,160 --> 01:06:15,200

come to that would actually enjoy that

1658

01:06:21,340 --> 01:06:18,170

and I would one-on-one I mean this small

1659

01:06:23,350 --> 01:06:21,350

group thing is a very powerful a lot of

1660

01:06:26,050 --> 01:06:23,360

people for example who've been doing

1661

01:06:28,750 --> 01:06:26,060

meditation retreats for 20 years have

1662

01:06:30,490 --> 01:06:28,760

spent tens of thousands of dollars say

1663

01:06:32,110 --> 01:06:30,500

that in that week they advanced more in

1664

01:06:34,210 --> 01:06:32,120

meditation and remote viewing than

1665

01:06:37,570 --> 01:06:34,220

they've had in 20 years so it's a very

1666

01:06:40,240 --> 01:06:37,580

powerful program and people enjoy it the

1667

01:06:42,400 --> 01:06:40,250

people who don't enjoy it I'm coming I

1668

01:06:43,900 --> 01:06:42,410

mean it's only three times a year and

1669

01:06:47,410 --> 01:06:43,910

this year we probably be lucky if we get

1670

01:06:49,570 --> 01:06:47,420

to and so it provides some revenue for

1671

01:06:51,310 --> 01:06:49,580

what we're doing and I've always felt

1672

01:06:52,830 --> 01:06:51,320

that if people don't like that they can

1673

01:06:56,260 --> 01:06:52,840

get all the things that I put out there

1674

01:06:59,080 --> 01:06:56,270

99.9% of everything we do is on the

1675

01:07:02,230 --> 01:06:59,090

internet for free fare there yes and

1676

01:07:03,820 --> 01:07:02,240

expertise does have value so just had to

1677

01:07:05,320 --> 01:07:03,830

ask you know we don't like mean anything

1678

01:07:08,230 --> 01:07:05,330

know who wanna you know I guess you have

1679

01:07:09,910 --> 01:07:08,240

a big sort of like troll crowd and

1680

01:07:12,190 --> 01:07:09,920

you're following who's not at all is

1681

01:07:14,140 --> 01:07:12,200

that but not at all you know I've my

1682

01:07:16,840 --> 01:07:14,150

point is that if that's an issue for

1683

01:07:18,370 --> 01:07:16,850

people don't do it I mean I'm not

1684

01:07:21,510 --> 01:07:18,380

holding a gun to anyone's head I'm just

1685

01:07:23,980 --> 01:07:21,520

saying that you know we actually do have

1686

01:07:25,990 --> 01:07:23,990

expenses because we're trying to do a

1687

01:07:27,610 --> 01:07:26,000

global project and if people you know

1688

01:07:29,680 --> 01:07:27,620

want to support it we appreciate it and

1689

01:07:31,390 --> 01:07:29,690

if they don't then it's a free world you

1690

01:07:33,220 --> 01:07:31,400

don't have to support it understood yes

1691

01:07:35,200 --> 01:07:33,230

I would not say a large part of this

1692

01:07:36,940 --> 01:07:35,210

audience is trolls by any maintenance I

1693

01:07:40,090 --> 01:07:36,950

got that information from just reading

1694

01:07:41,470 --> 01:07:40,100

up on the protocol itself outside of my

1695

01:07:43,210 --> 01:07:41,480

own audience my audience doesn't know

1696

01:07:45,370 --> 01:07:43,220

who the guest is until they turn on the

1697

01:07:46,900 --> 01:07:45,380

show oh well I'm you I don't know how

1698

01:07:49,000 --> 01:07:46,910

much you get if you get on the internet

1699

01:07:50,650 --> 01:07:49,010

anyone who has yeah I'm just defending

1700

01:07:52,360 --> 01:07:50,660

the audience anyone who's well known in

1701
01:07:53,530 --> 01:07:52,370
the public it's going to have thousands

1702
01:07:56,030 --> 01:07:53,540
and thousands

1703
01:07:58,130 --> 01:07:56,040
derogatory and nasty things I mean

1704
01:08:00,650 --> 01:07:58,140
there's no I made my peace with that a

1705
01:08:02,870 --> 01:08:00,660
couple decades ago and I just don't

1706
01:08:05,240 --> 01:08:02,880
think that's an indication of where the

1707
01:08:06,860 --> 01:08:05,250
conversation should be doing sure sure

1708
01:08:08,420 --> 01:08:06,870
I'm just defending my audience and

1709
01:08:10,700 --> 01:08:08,430
saying that didn't come from them came

1710
01:08:12,650 --> 01:08:10,710
from the internet but had an ask but

1711
01:08:15,290 --> 01:08:12,660
again I do appreciate your time and

1712
01:08:17,030 --> 01:08:15,300
dedication I really did enjoy the film

1713
01:08:19,280 --> 01:08:17,040

and a lot of the footage captured is

1714

01:08:21,380 --> 01:08:19,290

pretty amazing even the anecdote about

1715

01:08:24,590 --> 01:08:21,390

healing deafness which I have a very

1716

01:08:26,630 --> 01:08:24,600

personal interest in but regardless I

1717

01:08:28,370 --> 01:08:26,640

think people should see it and I'm sorry

1718

01:08:29,690 --> 01:08:28,380

about the live premier being cancelled

1719

01:08:31,760 --> 01:08:29,700

but before we go what else would you

1720

01:08:33,890 --> 01:08:31,770

like to leave people with social media

1721

01:08:36,530 --> 01:08:33,900

stuff if not cancelled it's just being

1722

01:08:38,420 --> 01:08:36,540

postponed so we hope later this summer

1723

01:08:41,599 --> 01:08:38,430

when things calmed down we will have

1724

01:08:42,410 --> 01:08:41,609

that LA premiere fair great and is there

1725

01:08:45,349 --> 01:08:42,420

anything else you want to tell people

1726
01:08:48,200 --> 01:08:45,359
about links social media accessing the

1727
01:08:50,269 --> 01:08:48,210
film just before we call it in yeah well

1728
01:08:56,059 --> 01:08:50,279
everyone can pre-order it now on Amazon

1729
01:08:59,030 --> 01:08:56,069
and iTunes and Vimeo and also we're

1730
01:09:00,860 --> 01:08:59,040
still asking people to help support you

1731
01:09:03,440 --> 01:09:00,870
know 100% of the cost of getting the

1732
01:09:05,960 --> 01:09:03,450
word out to the public on this to get

1733
01:09:08,990 --> 01:09:05,970
this 1% effect is being borne by us not

1734
01:09:11,450 --> 01:09:09,000
the distribution company so we're trying

1735
01:09:13,760 --> 01:09:11,460
to still raise funds to do that they can

1736
01:09:16,579 --> 01:09:13,770
help us if they're so inclined even if

1737
01:09:18,530 --> 01:09:16,589
it's a dollar or \$10 at TV 5 film calm

1738
01:09:19,820 --> 01:09:18,540

but it was the more support we have

1739

01:09:22,220 --> 01:09:19,830

there the more we'll be able to move

1740

01:09:25,160 --> 01:09:22,230

this out and educate a wider and wider

1741

01:09:27,860 --> 01:09:25,170

audience over the next year mm-hmm

1742

01:09:30,140 --> 01:09:27,870

awesome well said it seems like this

1743

01:09:31,789 --> 01:09:30,150

stuff is yielding results I hope those

1744

01:09:33,289 --> 01:09:31,799

who are interested do check out the film

1745

01:09:35,329 --> 01:09:33,299

for themselves and I hope we get past

1746

01:09:37,760 --> 01:09:35,339

this virus lockdown sooner rather than

1747

01:09:40,689 --> 01:09:37,770

later but thanks again and take care all

1748

01:09:42,419 --> 01:09:40,699

right have a good one you too

1749

01:09:45,780 --> 01:09:42,429

you

1750

01:09:49,439 --> 01:09:45,790

and boom goes the dynamite people dr.

1751

01:09:51,479 --> 01:09:49,449

Steven Greer I obviously have mixed

1752

01:09:53,430 --> 01:09:51,489

feelings here because his disclosure

1753

01:09:56,130 --> 01:09:53,440

project was something I really

1754

01:09:59,580 --> 01:09:56,140

gravitated to when I was in my early 20s

1755

01:10:02,010 --> 01:09:59,590

I remember my first real long road trip

1756

01:10:04,740 --> 01:10:02,020

from st. Louis to California and how it

1757

01:10:07,020 --> 01:10:04,750

was accompanied by me and my buddies

1758

01:10:09,180 --> 01:10:07,030

listening to the disclosure project

1759

01:10:11,910 --> 01:10:09,190

testimonies while we drove through the

1760

01:10:13,880 --> 01:10:11,920

desert at night seeing the sky lit up

1761

01:10:17,340 --> 01:10:13,890

like it is out there for the first time

1762

01:10:20,100 --> 01:10:17,350

kind of creeping ourselves out it was a

1763

01:10:22,439 --> 01:10:20,110

very fond memory and now that I have

1764

01:10:25,229 --> 01:10:22,449

this podcast and I've grown up a little

1765

01:10:28,050 --> 01:10:25,239

bit I also realize how hard it is to put

1766

01:10:30,410 --> 01:10:28,060

something together like that and also

1767

01:10:33,209 --> 01:10:30,420

this documentary it is a pretty good

1768

01:10:35,189 --> 01:10:33,219

representation of the ce-5 experience if

1769

01:10:37,979 --> 01:10:35,199

you're into that there is some

1770

01:10:39,870 --> 01:10:37,989

compelling footage there for sure but

1771

01:10:42,000 --> 01:10:39,880

I've been known to watch a pretty

1772

01:10:44,280 --> 01:10:42,010

mediocre two-hour documentary just to

1773

01:10:47,820 --> 01:10:44,290

see a few good shots of orbs or crafts

1774

01:10:49,470 --> 01:10:47,830

or beans so factor that in too but right

1775

01:10:52,229 --> 01:10:49,480

off the bat I felt like we just clashed

1776

01:10:54,689 --> 01:10:52,239

over the coronavirus stuff and I never

1777

01:10:56,640 --> 01:10:54,699

like to interrupt guests but I also know

1778

01:10:59,729 --> 01:10:56,650

that if you want to hear some of those

1779

01:11:02,340 --> 01:10:59,739

opinions you'll just watch CNN and it's

1780

01:11:04,800 --> 01:11:02,350

a risk we run when we have someone here

1781

01:11:07,169 --> 01:11:04,810

for their very specific niche and then I

1782

01:11:09,630 --> 01:11:07,179

try to ask him about things going on

1783

01:11:11,910 --> 01:11:09,640

outside of that but with this copán

1784

01:11:14,580 --> 01:11:11,920

stuff I feel like it's weird to not at

1785

01:11:17,040 --> 01:11:14,590

least mention it and he is a doctor and

1786

01:11:20,220 --> 01:11:17,050

he apparently knows the Cabal in charge

1787

01:11:23,550 --> 01:11:20,230

doesn't mean well for us so I was just a

1788

01:11:26,430 --> 01:11:23,560

bit surprised by how far apart we were

1789

01:11:29,340 --> 01:11:26,440

on that and maybe I was in some kind of

1790

01:11:32,240 --> 01:11:29,350

mood or maybe our personalities just

1791

01:11:34,709 --> 01:11:32,250

clash but I felt like it was a pretty

1792

01:11:37,229 --> 01:11:34,719

defensive or a passive-aggressive

1793

01:11:39,780 --> 01:11:37,239

interview I thought even my tougher

1794

01:11:42,120 --> 01:11:39,790

questions were still pretty tame they

1795

01:11:44,430 --> 01:11:42,130

really weren't meant to be personal but

1796

01:11:47,580 --> 01:11:44,440

I feel like he threw out a couple little

1797

01:11:49,350 --> 01:11:47,590

jabs at me in the audience over them cut

1798

01:11:51,660 --> 01:11:49,360

me off a few times that kind of stuff

1799

01:11:53,370 --> 01:11:51,670

maybe he has some personal issue with

1800

01:11:55,800 --> 01:11:53,380

Richard Dolan that I don't know about

1801

01:11:56,190 --> 01:11:55,810

but he didn't seem to like me bringing

1802

01:12:00,170 --> 01:11:56,200

him

1803

01:12:03,030 --> 01:12:00,180

props about the Wilson memo and just ask

1804

01:12:06,240 --> 01:12:03,040

for those who maybe still have some

1805

01:12:09,860 --> 01:12:06,250

questions is there any extra context we

1806

01:12:12,030 --> 01:12:09,870

can give to validate those documents

1807

01:12:15,030 --> 01:12:12,040

that's all I was really trying to say

1808

01:12:16,560 --> 01:12:15,040

but when I compare and contrast this

1809

01:12:19,380 --> 01:12:16,570

interview with the recent interview with

1810

01:12:21,960 --> 01:12:19,390

Richard it just seems like night and day

1811

01:12:25,020 --> 01:12:21,970

in terms of who I communicate with

1812

01:12:27,810 --> 01:12:25,030

better and again no real problem with

1813

01:12:29,850 --> 01:12:27,820

the ce-5 initiative itself I actually

1814

01:12:32,130 --> 01:12:29,860

met with a local group a few months back

1815

01:12:36,030 --> 01:12:32,140

who wanted to vet me and see if they'd

1816

01:12:38,340 --> 01:12:36,040

allow me in it was pleasant I got the OK

1817

01:12:41,790 --> 01:12:38,350

but since then I just haven't found the

1818

01:12:44,250 --> 01:12:41,800

time to actually dedicate to an

1819

01:12:47,010 --> 01:12:44,260

overnight trip out in the desert

1820

01:12:48,690 --> 01:12:47,020

I guess one of the things I'm hung up on

1821

01:12:50,729 --> 01:12:48,700

which clearly came out in the interview

1822

01:12:52,440 --> 01:12:50,739

is that I just sense a catch-22 that

1823

01:12:55,920 --> 01:12:52,450

reminds me of the way conventional

1824

01:12:57,780 --> 01:12:55,930

religions talk about God God made us and

1825

01:12:59,700 --> 01:12:57,790

He loves us but if we don't have faith

1826

01:13:01,620 --> 01:12:59,710

even though our world isn't designed to

1827

01:13:04,860 --> 01:13:01,630

give us a lot of reasons to have it he's

1828

01:13:06,810 --> 01:13:04,870

gonna burn us eternally it's like these

1829

01:13:09,510 --> 01:13:06,820

beans they're there they want to help

1830

01:13:11,220 --> 01:13:09,520

they know most of us are kind good

1831

01:13:13,650 --> 01:13:11,230

people and we're only being held back by

1832

01:13:16,500 --> 01:13:13,660

a few cabal's at the top of the pyramid

1833

01:13:19,910 --> 01:13:16,510

but they just can't interfere because

1834

01:13:22,890 --> 01:13:19,920

not enough of us are contacting them and

1835

01:13:25,410 --> 01:13:22,900

these beans give us messages of love and

1836

01:13:28,080 --> 01:13:25,420

light and a yearning for universal peace

1837

01:13:30,300 --> 01:13:28,090

and a positive relationship but they

1838

01:13:32,940 --> 01:13:30,310

don't give us any actionable steps to

1839

01:13:35,070 --> 01:13:32,950

work towards that world when it's sort

1840

01:13:37,460 --> 01:13:35,080

of out of our hands they don't give us

1841

01:13:41,160 --> 01:13:37,470

anything we can use to beat the elite

1842

01:13:44,490 --> 01:13:41,170

strategically no hermetic style bodies

1843

01:13:47,370 --> 01:13:44,500

of knowledge to push us further I don't

1844

01:13:50,520 --> 01:13:47,380

know obviously dr. Greer responded to

1845

01:13:52,709 --> 01:13:50,530

those questions that I had but I just am

1846

01:13:55,109 --> 01:13:52,719

NOT that convinced

1847

01:13:57,060 --> 01:13:55,119

and of course I'm just a simple stoner

1848

01:13:58,919 --> 01:13:57,070

college dropout with a microphone it

1849

01:14:01,469 --> 01:13:58,929

doesn't really matter what I think I'm

1850

01:14:03,180 --> 01:14:01,479

no expert and I never try to make

1851
01:14:05,189 --> 01:14:03,190
interviews personal they're supposed to

1852
01:14:07,890 --> 01:14:05,199
just be about the material and the ideas

1853
01:14:10,109 --> 01:14:07,900
presented but dr. career would say

1854
01:14:11,819 --> 01:14:10,119
things like well you seem to be

1855
01:14:15,359 --> 01:14:11,829
resistant to people doing something

1856
01:14:17,339 --> 01:14:15,369
positive or constructive and I just have

1857
01:14:20,270 --> 01:14:17,349
to laugh that's so funny because that's

1858
01:14:24,750 --> 01:14:20,280
been a central theme of this show

1859
01:14:26,549 --> 01:14:24,760
personal responsibility and tools to

1860
01:14:29,100 --> 01:14:26,559
live a good life despite the mecha

1861
01:14:31,200 --> 01:14:29,110
nations of the big machine but when he

1862
01:14:33,180 --> 01:14:31,210
said that I just felt like I had to move

1863
01:14:35,399 --> 01:14:33,190

on because we were going in circles over

1864

01:14:38,489 --> 01:14:35,409

these beans want to help us but they

1865

01:14:40,350 --> 01:14:38,499

can't intervene without our say 95% of

1866

01:14:42,390 --> 01:14:40,360

people aren't the problem they want us

1867

01:14:43,950 --> 01:14:42,400

to do something ourselves we don't

1868

01:14:46,080 --> 01:14:43,960

overcome the system because it's too

1869

01:14:47,370 --> 01:14:46,090

entrenched they'd love to help but we

1870

01:14:49,890 --> 01:14:47,380

need to take responsibility for

1871

01:14:56,250 --> 01:14:49,900

ourselves but we're not the ones doing

1872

01:14:57,959 --> 01:14:56,260

wrong by the planet I'm sounding so

1873

01:15:00,479 --> 01:14:57,969

negative and again I do think you can

1874

01:15:03,390 --> 01:15:00,489

make contact this way that's really the

1875

01:15:05,549 --> 01:15:03,400

crux of what's important it's just that

1876

01:15:08,219 --> 01:15:05,559

when we get into this idea that these

1877

01:15:10,919 --> 01:15:08,229

protocols could result in a global

1878

01:15:13,890 --> 01:15:10,929

sweeping change and widespread help from

1879

01:15:15,989 --> 01:15:13,900

these beans it starts to sound like a

1880

01:15:18,719 --> 01:15:15,999

UFO religion and that's kind of what

1881

01:15:20,939 --> 01:15:18,729

bothers me and dr. Greer seems to know

1882

01:15:23,009 --> 01:15:20,949

and have meetings with a lot of the

1883

01:15:24,569 --> 01:15:23,019

elite but he can't seem to get them to

1884

01:15:27,239 --> 01:15:24,579

stop wrecking the planet and enjoying

1885

01:15:29,040 --> 01:15:27,249

our space brothers I was going to ask a

1886

01:15:31,680 --> 01:15:29,050

question about his early association

1887

01:15:35,430 --> 01:15:31,690

with Lawrence Rockefeller but I felt

1888

01:15:37,799 --> 01:15:35,440

like it was overkill I guess and it got

1889

01:15:40,259 --> 01:15:37,809

even more heated when we went into the

1890

01:15:42,120 --> 01:15:40,269

second hour I asked about the

1891

01:15:44,520 --> 01:15:42,130

similarities between this contact

1892

01:15:46,739 --> 01:15:44,530

protocol and indigenous methods of

1893

01:15:50,009 --> 01:15:46,749

contact and I felt like that wasn't a

1894

01:15:52,859 --> 01:15:50,019

very welcomed comparison I personally

1895

01:15:55,080 --> 01:15:52,869

think it makes ce-5 seem more valuable

1896

01:15:57,359 --> 01:15:55,090

and more valid if we can say that

1897

01:15:58,950 --> 01:15:57,369

something of a similar shape has been

1898

01:16:01,489 --> 01:15:58,960

done for the whole span of human

1899

01:16:03,899 --> 01:16:01,499

existence but when you're trying to sell

1900

01:16:06,149 --> 01:16:03,909

overnights that don't include a place to

1901

01:16:07,589 --> 01:16:06,159

stay for three grand a person I

1902

01:16:10,080 --> 01:16:07,599

guess you don't want it to look like

1903

01:16:13,199 --> 01:16:10,090

your co-opting an indigenous practice

1904

01:16:15,439 --> 01:16:13,209

and look as I tried to say anyone can

1905

01:16:18,089 --> 01:16:15,449

charge anything for what they want to do

1906

01:16:19,500 --> 01:16:18,099

if I was doing overnight events I'd

1907

01:16:22,049 --> 01:16:19,510

probably get sick of doing them and

1908

01:16:24,239 --> 01:16:22,059

eventually say well I guess for three

1909

01:16:26,159 --> 01:16:24,249

grand I'll do it sure I don't really

1910

01:16:29,040 --> 01:16:26,169

like speaking at conferences but if

1911

01:16:31,319 --> 01:16:29,050

someone's gonna pay me enough money to

1912

01:16:35,310 --> 01:16:31,329

go through all that preparation and the

1913

01:16:38,189 --> 01:16:35,320

nerves then sure but in a very specific

1914

01:16:42,149 --> 01:16:38,199

case of contact with benevolent space

1915

01:16:45,239 --> 01:16:42,159

brothers it seems like a touchy thing to

1916

01:16:48,689 --> 01:16:45,249

monetize I'm sorry maybe I'm a hypocrite

1917

01:16:51,270 --> 01:16:48,699

and people will see that distinction as

1918

01:16:53,219 --> 01:16:51,280

frivolous but that's just how I feel but

1919

01:16:57,449 --> 01:16:53,229

just to tell you about that second hour

1920

01:16:59,129 --> 01:16:57,459

and stop going on these tangents as I

1921

01:17:01,350 --> 01:16:59,139

mentioned I asked about how similar the

1922

01:17:04,080 --> 01:17:01,360

ce-5 protocol is to ancient and

1923

01:17:06,390 --> 01:17:04,090

indigenous spirit contact but then we

1924

01:17:09,000 --> 01:17:06,400

hit probably my favorite part which was

1925

01:17:11,549 --> 01:17:09,010

descriptions of alien home worlds and

1926

01:17:15,770 --> 01:17:11,559

planetary landscapes the dr. Greer has

1927

01:17:19,140 --> 01:17:15,780

been shown during the ce-5 experiences

1928

01:17:21,149 --> 01:17:19,150

that I liked a lot and wouldn't you know

1929

01:17:23,669 --> 01:17:21,159

it I actually got a few questions from

1930

01:17:25,739 --> 01:17:23,679

Kosh I was so thankful to Kosh for doing

1931

01:17:28,890 --> 01:17:25,749

an interview with me I told him I had

1932

01:17:30,870 --> 01:17:28,900

dr. Greer coming up and he said oh man I

1933

01:17:33,359 --> 01:17:30,880

have a few questions I would love to ask

1934

01:17:35,969 --> 01:17:33,369

dr. Greer so I said give him to me and

1935

01:17:38,520 --> 01:17:35,979

I'll slide him into the interview so we

1936

01:17:41,489 --> 01:17:38,530

got to some of cautious questions on

1937

01:17:44,489 --> 01:17:41,499

Evo's and the Sapphire project and free

1938

01:17:47,790 --> 01:17:44,499

energy and those didn't really go as

1939

01:17:50,370 --> 01:17:47,800

planned either but it is what it is I

1940

01:17:52,739 --> 01:17:50,380

don't really want to spend this wrap-up

1941

01:17:56,129 --> 01:17:52,749

time picking apart everything he said

1942

01:17:59,549 --> 01:17:56,139

point by point it's rude it's definitely

1943

01:18:02,549 --> 01:17:59,559

bad form but I guess I already just did

1944

01:18:06,509 --> 01:18:02,559

it should I scrap this wrap-up and start

1945

01:18:08,459 --> 01:18:06,519

over probably or maybe this quarantine

1946

01:18:10,549 --> 01:18:08,469

has just affected my ability to

1947

01:18:14,229 --> 01:18:10,559

communicate with other people properly

1948

01:18:17,200 --> 01:18:14,239

maybe it's me I'm out of practice

1949

01:18:19,780 --> 01:18:17,210

I think you can still have a personality

1950

01:18:22,810 --> 01:18:19,790

clash with someone and also appreciate

1951

01:18:25,900 --> 01:18:22,820

aspects of the work they do or enjoy a

1952

01:18:29,860 --> 01:18:25,910

documentary that they made regardless I

1953

01:18:35,110 --> 01:18:29,870

do thank dr. Greer for his time and for

1954

01:18:38,380 --> 01:18:35,120

the long legacy he has of diving deep

1955

01:18:40,660 --> 01:18:38,390

into the UFO question I know when you

1956

01:18:44,040 --> 01:18:40,670

enter into this space especially in a

1957

01:18:47,530 --> 01:18:44,050

topic like this everyone's a critic so I

1958

01:18:48,880 --> 01:18:47,540

don't want to pile on too much and I

1959

01:18:50,770 --> 01:18:48,890

guess I'll just leave it at that

1960

01:18:52,840 --> 01:18:50,780

check out the film if you're interested

1961

01:18:54,670 --> 01:18:52,850

sign up for plus if you like the show

1962

01:18:56,770 --> 01:18:54,680

that I do and want to hear the second

1963

01:18:58,090 --> 01:18:56,780

hour with dr. Greer or any of the great

1964

01:19:01,600 --> 01:18:58,100

guests we have around here

1965

01:19:04,150 --> 01:19:01,610

I really really appreciate and value the

1966

01:19:07,060 --> 01:19:04,160

audience that we have and I guess that's

1967

01:19:08,890 --> 01:19:07,070

it for me your move space brothers sky

1968

01:19:15,049 --> 01:19:08,900

orbs and entities at the other end of

1969

01:19:25,540 --> 01:19:20,240

woke up this morning with light in my

1970

01:19:29,010 --> 01:19:25,550

eyes and then realized it was done

1971

01:19:41,370 --> 01:19:35,480

it was like coming down from the sky

1972

01:19:41,380 --> 01:19:43,640

you

1973

01:19:54,270 --> 01:19:48,720

must be those strangers that come every

1974

01:19:57,839 --> 01:19:54,280

night who's a saucer-shaped light but

1975

01:20:01,729 --> 01:19:57,849

people uptight

1976

01:20:08,930 --> 01:20:01,739

the blue-green footprint is my

1977

01:20:14,849 --> 01:20:08,940

glow-in-the-dark I hope they get home

1978

01:20:21,009 --> 01:20:14,859

[Music]

1979

01:20:22,490 --> 01:20:21,019

mr. spaceman won't you please take me

1980
