00:00:05,670 --> 00:00:02,810

[Music]

2  
00:00:08,160 --> 00:00:05,680

congratulations YouTube you did it you

3  
00:00:10,650 --> 00:00:08,170

wore me down and you sucked me back in I

4  
00:00:13,259 --> 00:00:10,660

have too many subscribers here just to

5  
00:00:15,810 --> 00:00:13,269

walk away entirely especially with no

6  
00:00:18,000 --> 00:00:15,820

alternative that truly stacks up and so

7  
00:00:20,850 --> 00:00:18,010

many copycat channels uploading my shows

8  
00:00:23,790 --> 00:00:20,860

for me anyway but we can't forget the

9  
00:00:26,160 --> 00:00:23,800

th-these account here is on thin ice and

10  
00:00:29,160 --> 00:00:26,170

so the YouTube version of the show has

11  
00:00:31,860 --> 00:00:29,170

to be prefaced with this little PSA only

12  
00:00:33,390 --> 00:00:31,870

to say that episodes that contain the

13  
00:00:36,270 --> 00:00:33,400

kinds of themes that have been regularly

14

00:00:38,700 --> 00:00:36,280

banned on YouTube will not appear here

15

00:00:40,650 --> 00:00:38,710

and even with that precaution there's

16

00:00:42,930 --> 00:00:40,660

already enough in the archive to get us

17

00:00:45,120 --> 00:00:42,940

removed so remember that the higher side

18

00:00:48,090 --> 00:00:45,130

chats could be banned or put in timeout

19

00:00:50,220 --> 00:00:48,100

again at any time and I won't be able to

20

00:00:51,990 --> 00:00:50,230

tell you guys about it so if you feel

21

00:00:53,490 --> 00:00:52,000

like it's been too long since you've

22

00:00:56,610 --> 00:00:53,500

heard from me here on this digital

23

00:00:59,430 --> 00:00:56,620

dystopian draconian data-mining monster

24

00:01:00,900 --> 00:00:59,440

of a police state seeking platform your

25

00:01:03,170 --> 00:01:00,910

action-packed and commercial for you

52  
00:02:40,470 --> 00:02:04,549  
which means you'll unfortunately never

53  
00:02:45,490 --> 00:02:43,300  
rock me like a hurricane higher side

54  
00:02:47,319 --> 00:02:45,500  
shatters from sunny San Diego I'm Greg

55  
00:02:50,440 --> 00:02:47,329  
Carl wood and as the nation dives

56  
00:02:52,300 --> 00:02:50,450  
further into pandemic paranoia we see so

57  
00:02:54,580 --> 00:02:52,310  
many people paralyzed by fear and

58  
00:02:56,890 --> 00:02:54,590  
propaganda that it is getting hard to

59  
00:02:59,020 --> 00:02:56,900  
believe and the loyal subjects of the

60  
00:03:01,240 --> 00:02:59,030  
corona world order pray to not get wiped

61  
00:03:03,250 --> 00:03:01,250  
away before the technocratic capstone

62  
00:03:05,740 --> 00:03:03,260  
cabal can save them with the thing they

63  
00:03:08,199 --> 00:03:05,750

should really be scared of a corporate

64

00:03:10,479 --> 00:03:08,209

chemical cocktail injection designed for

65

00:03:12,490 --> 00:03:10,489

all the healthy people because the sick

66

00:03:15,759 --> 00:03:12,500

ones are already in the sadistic systems

67

00:03:17,979 --> 00:03:15,769

desired State I'm worried guys it seems

68

00:03:19,690 --> 00:03:17,989

like we can no longer build strong local

69

00:03:22,059 --> 00:03:19,700

relationships when we've been made to

70

00:03:23,890 --> 00:03:22,069

see every vector of human contact as a

71

00:03:25,690 --> 00:03:23,900

threat to our life

72

00:03:27,670 --> 00:03:25,700

can no longer escape the watchful eye of

73

00:03:29,470 --> 00:03:27,680

the big machine when a digital system

74

00:03:31,420 --> 00:03:29,480

has been injected between any and all

75

00:03:34,149 --> 00:03:31,430

non-essential person to person contact

76

00:03:36,729 --> 00:03:34,159

and we slipped further towards their

77

00:03:38,649 --> 00:03:36,739

trans humanistic anti human end goal

78

00:03:40,750 --> 00:03:38,659

when we can't even communicate an

79

00:03:42,610 --> 00:03:40,760

ice-breaking smile or hold the door open

80

00:03:45,670 --> 00:03:42,620

for one another without violating

81

00:03:48,520 --> 00:03:45,680

protocol put your mask on people the

82

00:03:50,710 --> 00:03:48,530

ritual has begun well when the heat gets

83

00:03:52,690 --> 00:03:50,720

this high we call in the heavy hitters

84

00:03:54,460 --> 00:03:52,700

and serious sense makers and that means

85

00:03:56,770 --> 00:03:54,470

we're bringing back our old pal crow

86

00:03:58,330 --> 00:03:56,780

it's been almost two years since we last

87

00:04:00,460 --> 00:03:58,340

got together but I'm sure we all

88

00:04:02,289 --> 00:04:00,470

remember crows claim to fame as the man

89

00:04:04,720 --> 00:04:02,299

who shot the lunar wave and declared the

90

00:04:07,270 --> 00:04:04,730

moon a facade we've talked to him many

91

00:04:09,520 --> 00:04:07,280

times about many things including NASA's

92

00:04:12,879 --> 00:04:09,530

cartoon images the provocative Hattie

93

00:04:14,830 --> 00:04:12,889

Bob material terraforming UFOs spiders

94

00:04:17,560 --> 00:04:14,840

and owls the shape of this island earth

95

00:04:19,569 --> 00:04:17,570

hidden history timeline manipulations

96

00:04:22,180 --> 00:04:19,579

false chronology and the full spectrum

97

00:04:24,670 --> 00:04:22,190

control grid that dominates our very

98

00:04:26,710 --> 00:04:24,680

existence he goes hard in the paint on

99

00:04:29,560 --> 00:04:26,720

his own weird stuff podcast at crow

100

00:04:31,689 --> 00:04:29,570

triple7 radio.com and has even released

101  
00:04:34,029 --> 00:04:31,699  
a documentary about the lunar wave saga

102  
00:04:36,490 --> 00:04:34,039  
called shoot the moon in the time since

103  
00:04:38,439 --> 00:04:36,500  
the last time so let's do the damn thing

104  
00:04:41,740 --> 00:04:38,449  
my friend and yours the black bird of

105  
00:04:44,230 --> 00:04:41,750  
podcasting the kovat 19 case cracking

106  
00:04:47,680 --> 00:04:44,240  
Corbett and skywatcher extraordinaire

107  
00:04:50,080 --> 00:04:47,690  
chroma man how the hell are you thanks

108  
00:04:52,330 --> 00:04:50,090  
for having man I've gotta say if you did

109  
00:04:55,379 --> 00:04:52,340  
one single bong today and pulled that

110  
00:04:57,790 --> 00:04:55,389  
soliloquy off that's pretty impressive I

111  
00:05:00,909 --> 00:04:57,800  
try but you know I'm seasoned at this

112  
00:05:02,830 --> 00:05:00,919  
point and it's been too long I'm really

113  
00:05:04,629 --> 00:05:02,840

happy we could do this again I just

114

00:05:06,399 --> 00:05:04,639

thought it was an appropriate time to

115

00:05:08,830 --> 00:05:06,409

reach out because not only do people

116

00:05:10,839 --> 00:05:08,840

tend to appreciate a familiar face in

117

00:05:13,149 --> 00:05:10,849

these troubled times but our current

118

00:05:15,640 --> 00:05:13,159

situation is exactly the sort of thing

119

00:05:18,040 --> 00:05:15,650

that we've talked about these are the

120

00:05:21,310 --> 00:05:18,050

angles we've seen on the course syllabus

121

00:05:22,930 --> 00:05:21,320

of new world order 101 and so I guess

122

00:05:25,540 --> 00:05:22,940

just to dive in how're you feeling buddy

123

00:05:27,249 --> 00:05:25,550

how you been looking at this situation

124

00:05:29,740 --> 00:05:27,259

I'm in the great state of Rhode Island

125

00:05:32,020 --> 00:05:29,750

for people to put that into context for

126

00:05:33,999 --> 00:05:32,030

Rhode Island's fit in San Diego County

127

00:05:36,909 --> 00:05:34,009

where Greg is where I used to be

128

00:05:38,650 --> 00:05:36,919

we've not changed much of anything but

129

00:05:40,510 --> 00:05:38,660

we're in a very small state and much of

130

00:05:42,790 --> 00:05:40,520

what we see seems to be population

131

00:05:44,529 --> 00:05:42,800

driven my wife showed up at a grocery

132

00:05:46,900 --> 00:05:44,539

store without a mass they said will you

133

00:05:49,150 --> 00:05:46,910

she said no they said we pull your shirt

134

00:05:49,870 --> 00:05:49,160

up over your face of all things she said

135

00:05:52,390 --> 00:05:49,880

no thank you

136

00:05:55,990 --> 00:05:52,400

we have not been denied entry anywhere

137

00:05:57,820 --> 00:05:56,000

yet but to be fair we're respectful the

138

00:06:00,070 --> 00:05:57,830

last thing we want to do is add to this

139

00:06:02,140 --> 00:06:00,080

kind of climate of fear so when we're in

140

00:06:03,640 --> 00:06:02,150

a store if I see someone with a mask

141

00:06:05,740 --> 00:06:03,650

come on the aisle and they're nervous I

142

00:06:07,450 --> 00:06:05,750

look him dead in the eye from 30 feet

143

00:06:09,790 --> 00:06:07,460

away and say would you like me to get

144

00:06:12,279 --> 00:06:09,800

off this ayah you know I think it's

145

00:06:13,960 --> 00:06:12,289

critical not to add to the fear because

146

00:06:16,450 --> 00:06:13,970

at the end of the day that's really the

147

00:06:17,589 --> 00:06:16,460

linchpin of all this is the level of

148

00:06:20,260 --> 00:06:17,599

fear that we've seen

149

00:06:22,899 --> 00:06:20,270

I agree tensions are high and we're

150

00:06:25,570 --> 00:06:22,909

trying to be a positive force in the

151

00:06:27,460 --> 00:06:25,580

world we're not trying to make things

152

00:06:30,700 --> 00:06:27,470

more difficult we're not trying to

153

00:06:32,589 --> 00:06:30,710

create more trouble or more trauma but

154

00:06:34,330 --> 00:06:32,599

I'm right there with you my wife's been

155

00:06:35,830 --> 00:06:34,340

harassed at the grocery store what is it

156

00:06:38,230 --> 00:06:35,840

with her ass and the wives you know no

157

00:06:41,140 --> 00:06:38,240

one's said anything to me but you know

158

00:06:43,029 --> 00:06:41,150

what can you do it is quite disturbing

159

00:06:45,040 --> 00:06:43,039

and as we are talking before we recorded

160

00:06:47,800 --> 00:06:45,050

this there's all these kinds of flaws in

161

00:06:49,779 --> 00:06:47,810

the logic like you can't be within six

162

00:06:52,659 --> 00:06:49,789

feet of someone but you can let a team

163

00:06:54,070 --> 00:06:52,669

of strangers prepare your food they just

164

00:06:55,240 --> 00:06:54,080

can't hand it to you because you know

165

00:06:57,370 --> 00:06:55,250

they got this whole thing about

166

00:06:58,360 --> 00:06:57,380

supporting the local restaurant so they

167

00:07:00,309 --> 00:06:58,370

don't go out of business

168

00:07:02,740 --> 00:07:00,319

well isn't that a risk isn't that more

169

00:07:05,050 --> 00:07:02,750

of a risk than walking past someone on

170

00:07:05,939 --> 00:07:05,060

the beach just doesn't make a lot of

171

00:07:08,409 --> 00:07:05,949

sense

172

00:07:09,850 --> 00:07:08,419

we're basically to be blunt about it

173

00:07:11,050 --> 00:07:09,860

we're looking at the largest coup d'etat

174

00:07:13,480 --> 00:07:11,060

in the history of the world that we're

175

00:07:15,520 --> 00:07:13,490

aware of that's what's going on when the

176

00:07:17,709 --> 00:07:15,530

dust clears we're gonna be somewhere

177

00:07:19,450 --> 00:07:17,719

different aren't we mm-hmm and everybody

178

00:07:22,779 --> 00:07:19,460

even if they don't want to admit it yet

179

00:07:24,879 --> 00:07:22,789

they know that that's true you know you

180

00:07:26,920 --> 00:07:24,889

and I are in a thing that we do for a

181

00:07:29,050 --> 00:07:26,930

living where we have contact with so

182

00:07:31,570 --> 00:07:29,060

many people from so many walks of life

183

00:07:32,559 --> 00:07:31,580

and I know I could almost imagine that

184

00:07:35,649 --> 00:07:32,569

you're no different than on an average

185

00:07:38,230 --> 00:07:35,659

day I'm in a field 500 emails during as

186

00:07:39,080 --> 00:07:38,240

it stepped up to this a lot of people

187

00:07:40,879 --> 00:07:39,090

that

188

00:07:42,440 --> 00:07:40,889

in the money markets which is a thing I

189

00:07:45,740 --> 00:07:42,450

don't really pay attention to or

190

00:07:47,690 --> 00:07:45,750

claiming that our Fiat system is based

191

00:07:49,400 --> 00:07:47,700

on debt which we all know is true but

192

00:07:51,320 --> 00:07:49,410

that that was it there was no more debt

193

00:07:53,420 --> 00:07:51,330

to accrue so the system was going to

194

00:07:55,760 --> 00:07:53,430

collapse and that part of what's going

195

00:07:57,500 --> 00:07:55,770

on is a reset of that I don't know

196

00:07:59,270 --> 00:07:57,510

whether that's right or wrong I know the

197

00:08:01,730 --> 00:07:59,280

people who told me should know better

198

00:08:03,950 --> 00:08:01,740

than I do it remains to be seen but I

199

00:08:05,540 --> 00:08:03,960

think we can all agree when the dust

200

00:08:07,730 --> 00:08:05,550

clears on this we're gonna be somewhere

201

00:08:09,980 --> 00:08:07,740

we've never been before right right

202

00:08:12,740 --> 00:08:09,990

there's definitely a lot of economic

203

00:08:15,409 --> 00:08:12,750

gamesmanship going on and it is tough to

204

00:08:17,750 --> 00:08:15,419

parse exactly what it is and we will see

205

00:08:20,570 --> 00:08:17,760

on the other side but in terms of what

206

00:08:23,120 --> 00:08:20,580

kicked this all off this virus thing I

207

00:08:25,610 --> 00:08:23,130

know we've both interviewed dr. Kaufman

208

00:08:28,700 --> 00:08:25,620

as well as dawn luster and David Parker

209

00:08:30,860 --> 00:08:28,710

and I find their perspective compelling

210

00:08:32,810 --> 00:08:30,870

that viruses are not anything we can

211

00:08:35,120 --> 00:08:32,820

catch from the outside that they're

212

00:08:37,459 --> 00:08:35,130

actually excretions of a toxic cell

213

00:08:39,620 --> 00:08:37,469

which is why they show up under the

214

00:08:42,529 --> 00:08:39,630

microscope when you look at people who

215

00:08:44,540 --> 00:08:42,539

are unwell and I've said that you can

216

00:08:46,400 --> 00:08:44,550

explain a huge chunk of these numbers

217

00:08:49,280 --> 00:08:46,410

that they show us on TV just by breaking

218

00:08:51,410 --> 00:08:49,290

down the problems with testing the

219

00:08:53,660 --> 00:08:51,420

treatments and the trading of one

220

00:08:56,930 --> 00:08:53,670

illness for another but I'm still not

221

00:08:58,610 --> 00:08:56,940

sure about contagiousness overall or how

222

00:09:01,100 --> 00:08:58,620

to look at these points in our lives

223

00:09:02,720 --> 00:09:01,110

when we do seem to get sick at random

224

00:09:05,390 --> 00:09:02,730

I'm sure everyone has a few personal

225

00:09:07,400 --> 00:09:05,400

examples but where are you on this stuff

226

00:09:09,330 --> 00:09:07,410

on the nature of viruses or the

227

00:09:11,430 --> 00:09:09,340

existence of them

228

00:09:14,070 --> 00:09:11,440

I'm in lockstep with the guests that

229

00:09:15,720 --> 00:09:14,080

you've had on one of the things that

230

00:09:18,840 --> 00:09:15,730

we've done over the years of crow

231

00:09:21,510 --> 00:09:18,850

triple7 radio as we've pointed out that

232

00:09:22,769 --> 00:09:21,520

we entered at some point of science in

233

00:09:25,680 --> 00:09:22,779

the modern age into this thing called

234

00:09:27,480 --> 00:09:25,690

theories and we've gone back to so many

235

00:09:29,100 --> 00:09:27,490

of them to show that a theory is just an

236

00:09:31,230 --> 00:09:29,110

idea and if the theories been here very

237

00:09:33,450 --> 00:09:31,240

long it's not even a good idea because

238

00:09:35,610 --> 00:09:33,460

it can't be proved the law and in the

239

00:09:39,930 --> 00:09:35,620

age of theories we have things like germ

240

00:09:42,540 --> 00:09:39,940

theory and Lester and Kaufman and others

241

00:09:44,250 --> 00:09:42,550

that we both had on iemon locked up with

242

00:09:46,769 --> 00:09:44,260

them I think that these are demonstrably

243

00:09:48,269 --> 00:09:46,779

true things that they're stating and if

244

00:09:50,579 --> 00:09:48,279

you go back to common sense we could ask

245

00:09:52,620 --> 00:09:50,589

simple questions like well if contact

246

00:09:54,630 --> 00:09:52,630

between humans could be deadly how did

247

00:09:55,920 --> 00:09:54,640

we last so long and then of course

248

00:09:57,570 --> 00:09:55,930

someone's going to bring up this plague

249

00:09:59,940 --> 00:09:57,580

or that plague or the other plague but I

250

00:10:02,070 --> 00:09:59,950

think at the base of it all is if you

251  
00:10:03,810 --> 00:10:02,080  
realistically look at what people like

252  
00:10:07,650 --> 00:10:03,820  
dr. Andy Kaufman are laying down

253  
00:10:08,310 --> 00:10:07,660  
that's demonstrable we just had on dr.

254  
00:10:10,560 --> 00:10:08,320  
berlando

255  
00:10:12,570 --> 00:10:10,570  
there's another person I just hooked you

256  
00:10:15,570 --> 00:10:12,580  
up with Clive de Karl who's another

257  
00:10:16,910 --> 00:10:15,580  
person and by the way Don and David

258  
00:10:19,340 --> 00:10:16,920  
Lester

259  
00:10:21,680 --> 00:10:19,350  
that book from the time that I had them

260  
00:10:23,000 --> 00:10:21,690  
on on Amazon that book has flown off the

261  
00:10:25,699 --> 00:10:23,010  
shelves to the point where I'm getting

262  
00:10:28,519 --> 00:10:25,709  
emails now that it's backward so it

263  
00:10:30,920 --> 00:10:28,529

shows that deep inside of people they're

264

00:10:32,569 --> 00:10:30,930

looking for a better way and they're

265

00:10:34,009 --> 00:10:32,579

impressed with some of the options that

266

00:10:35,960 --> 00:10:34,019

people like you and I are laying down

267

00:10:38,090 --> 00:10:35,970

and that's really where it's at we can

268

00:10:41,120 --> 00:10:38,100

say anything we want but until a human

269

00:10:43,340 --> 00:10:41,130

mind focuses and determines what they

270

00:10:45,079 --> 00:10:43,350

think is helpful you haven't done much

271

00:10:46,670 --> 00:10:45,089

right I mean you can sing to the choir

272

00:10:49,040 --> 00:10:46,680

all day long I guess is what I'm getting

273

00:10:51,410 --> 00:10:49,050

at well said and yeah you mentioned

274

00:10:53,840 --> 00:10:51,420

Clive to me before we started I didn't

275

00:10:55,879 --> 00:10:53,850

realize it was Clive to Carl yes I have

276

00:10:58,250 --> 00:10:55,889

had him on it's been years but this is a

277

00:11:01,370 --> 00:10:58,260

good time probably to reconnect for sure

278

00:11:03,199 --> 00:11:01,380

so what's strange to me is that I hear

279

00:11:05,870 --> 00:11:03,209

in these same presentations sometimes

280

00:11:08,300 --> 00:11:05,880

that viruses don't make us sick but then

281

00:11:10,699 --> 00:11:08,310

when going over the coronavirus data

282

00:11:12,470 --> 00:11:10,709

they'll note how hospitals are being

283

00:11:15,500 --> 00:11:12,480

encouraged to mark flu and pneumonia

284

00:11:18,500 --> 00:11:15,510

deaths as Koba 19 to inflate the numbers

285

00:11:20,780 --> 00:11:18,510

I get that but then what is flu and

286

00:11:22,819 --> 00:11:20,790

pneumonia or when we both spoke to dr.

287

00:11:25,579 --> 00:11:22,829

Kaufman he broke down exosomes and

288

00:11:27,829 --> 00:11:25,589

terrain theory really well but then we

289

00:11:29,960 --> 00:11:27,839

also talked about royal Raymond rife in

290

00:11:32,030 --> 00:11:29,970

his superior microscope and the healing

291

00:11:34,519 --> 00:11:32,040

device he developed to find disease in

292

00:11:37,790 --> 00:11:34,529

the body and break it up after finding

293

00:11:40,310 --> 00:11:37,800

its frequency so what is he seen and

294

00:11:41,720 --> 00:11:40,320

breaking up it's like I just wonder

295

00:11:43,430 --> 00:11:41,730

these things it's kind of like false

296

00:11:45,079 --> 00:11:43,440

flags there are some of the mass union

297

00:11:47,060 --> 00:11:45,089

events there are multiple stages of

298

00:11:49,430 --> 00:11:47,070

awakening that still get you to the same

299

00:11:51,290 --> 00:11:49,440

place you can still say well I don't

300

00:11:52,759 --> 00:11:51,300

have the exact answer but I can see a

301  
00:11:55,610 --> 00:11:52,769  
lot of holes in what's being presented

302  
00:11:58,100 --> 00:11:55,620  
to us well I'll tell you one thing right

303  
00:11:59,180 --> 00:11:58,110  
off people could be a lot better off in

304  
00:12:01,819 --> 00:11:59,190  
this world if they paid more attention

305  
00:12:04,850 --> 00:12:01,829  
to language as this thing broke you were

306  
00:12:07,850 --> 00:12:04,860  
told that it was a novel virus go look

307  
00:12:11,120 --> 00:12:07,860  
up the word then you were shown the

308  
00:12:14,329 --> 00:12:11,130  
presumptive cases go look up the word

309  
00:12:16,970 --> 00:12:14,339  
Andy Kaufman was all over this from my

310  
00:12:19,370 --> 00:12:16,980  
point of view with all the I don't even

311  
00:12:21,110 --> 00:12:19,380  
know how much research I've done since I

312  
00:12:23,300 --> 00:12:21,120  
began doing this by the way you were the

313  
00:12:25,040 --> 00:12:23,310

first guy that ever interviewed me my

314

00:12:27,139 --> 00:12:25,050

wife and I just realized but to get back

315

00:12:28,819 --> 00:12:27,149

to the point from my point of view I

316

00:12:30,210 --> 00:12:28,829

think the best description we had was

317

00:12:33,030 --> 00:12:30,220

from dr. Frankel we know

318

00:12:36,090 --> 00:12:33,040

who is another one of these doctors that

319

00:12:38,670 --> 00:12:36,100

is not mainstream is not allopathic was

320

00:12:41,310 --> 00:12:38,680

trained in era Vedic Chinese so many

321

00:12:43,170 --> 00:12:41,320

methods and the way he described it and

322

00:12:44,910 --> 00:12:43,180

by the way the Germans had arrived at

323

00:12:47,190 --> 00:12:44,920

this and were supposed to have published

324

00:12:50,400 --> 00:12:47,200

but were apparently blocked when you get

325

00:12:51,930 --> 00:12:50,410

something like what we call the flu the

326

00:12:54,630 --> 00:12:51,940

way they were going to describe it as a

327

00:12:58,500 --> 00:12:54,640

new definition was your electromagnetic

328

00:13:01,050 --> 00:12:58,510

field had dropped and thereby that drop

329

00:13:02,700 --> 00:13:01,060

in your field actually draws in what's

330

00:13:04,710 --> 00:13:02,710

about to make you feel bad but it's

331

00:13:06,960 --> 00:13:04,720

electromagnetic in nature and they

332

00:13:09,240 --> 00:13:06,970

described it in an interesting way they

333

00:13:12,270 --> 00:13:09,250

said it was electro magnetic vampirism

334

00:13:14,310 --> 00:13:12,280

like your Energy's getting sucked off so

335

00:13:16,380 --> 00:13:14,320

when I started to look at you know me I

336

00:13:18,150 --> 00:13:16,390

always go back for the ancient things

337

00:13:20,010 --> 00:13:18,160

that I could get my hands on and in

338

00:13:21,990 --> 00:13:20,020

those old texts they're talking about Oh

339

00:13:23,160 --> 00:13:22,000

a demon did this or a spirit did this

340

00:13:25,590 --> 00:13:23,170

now when you start to think about

341

00:13:27,420 --> 00:13:25,600

electro magnetics maybe that kind of

342

00:13:30,030 --> 00:13:27,430

language we don't recognize anymore

343

00:13:32,580 --> 00:13:30,040

starts to make more sense for my part

344

00:13:35,250 --> 00:13:32,590

where I am currently with everything I

345

00:13:38,010 --> 00:13:35,260

know currently the best description that

346

00:13:40,050 --> 00:13:38,020

I will accept for now is that it's

347

00:13:42,720 --> 00:13:40,060

electromagnetic in nature and when you

348

00:13:44,610 --> 00:13:42,730

talk about royal rife I think we could

349

00:13:46,410 --> 00:13:44,620

point to something like a cancer cell

350

00:13:48,780 --> 00:13:46,420

that has a frequency and so it's like a

351

00:13:50,670 --> 00:13:48,790

tuning fork right if you hit a tuning

352

00:13:53,400 --> 00:13:50,680

fork and put another one next to it it

353

00:13:55,140 --> 00:13:53,410

will sympathetically vibrate so to me

354

00:13:56,760 --> 00:13:55,150

that's what royal rife was on about is

355

00:13:59,490 --> 00:13:56,770

that everything has a frequency as a

356

00:14:02,010 --> 00:13:59,500

matter of fact tomorrow I'm putting out

357

00:14:05,130 --> 00:14:02,020

an episode with the director of the

358

00:14:06,810 --> 00:14:05,140

Walter Russell Museum and this is in the

359

00:14:08,820 --> 00:14:06,820

same vein of everything we're talking

360

00:14:11,370 --> 00:14:08,830

about everything is a frequency of

361

00:14:13,470 --> 00:14:11,380

vibration e to the universal one for me

362

00:14:15,360 --> 00:14:13,480

the long short answer that I just gave

363

00:14:17,730 --> 00:14:15,370

you is a electromagnetic would be a

364

00:14:19,530 --> 00:14:17,740

better way to describe when we have what

365

00:14:22,140 --> 00:14:19,540

we call a flu or a cold that's what's

366

00:14:24,840 --> 00:14:22,150

going on from my point of view yeah you

367

00:14:27,750 --> 00:14:24,850

know I'm with you on that a resource

368

00:14:31,290 --> 00:14:27,760

that dr. Kaufman cited as someone he

369

00:14:33,870 --> 00:14:31,300

finds to be inspirational is dr. Thomas

370

00:14:35,730 --> 00:14:33,880

Cowan who I've been listening to a lot I

371

00:14:37,550 --> 00:14:35,740

try to interview him he's really not

372

00:14:41,010 --> 00:14:37,560

that interested in doing public

373

00:14:43,480 --> 00:14:41,020

interviews or taking the wrath of being

374

00:14:45,429 --> 00:14:43,490

on the outside of the box with all this

375

00:14:48,189 --> 00:14:45,439

but he's very confident in his positions

376

00:14:49,509 --> 00:14:48,199

and he cites a book called invisible

377

00:14:51,819 --> 00:14:49,519

rainbow that's out there and I've been

378

00:14:53,259 --> 00:14:51,829

reading that and that's exactly what

379

00:14:56,759 --> 00:14:53,269

it's about it's like the history of

380

00:14:59,199 --> 00:14:56,769

medicine and the history of electrical

381

00:15:01,689 --> 00:14:59,209

technologies within medicine because

382

00:15:03,879 --> 00:15:01,699

back in the Edison day not only were

383

00:15:06,910 --> 00:15:03,889

they first lighting light bulbs they

384

00:15:09,100 --> 00:15:06,920

were also applying shocks to people for

385

00:15:10,749 --> 00:15:09,110

all kinds of weird reasons thinking that

386

00:15:12,429 --> 00:15:10,759

it was helping them or hurting them and

387

00:15:16,359 --> 00:15:12,439

they were citing all these dangers and

388

00:15:18,759 --> 00:15:16,369

in this book and also according to dr.

389

00:15:21,400 --> 00:15:18,769

Thomas Cowen when you look at these

390

00:15:25,030 --> 00:15:21,410

giant periods of illness like the

391

00:15:27,549 --> 00:15:25,040

Spanish flu you can see a correlation

392

00:15:29,410 --> 00:15:27,559

with major level changes in the

393

00:15:35,199 --> 00:15:29,420

electrification of the earth whether

394

00:15:37,629 --> 00:15:35,209

it's radar or radio usage or Morse code

395

00:15:40,239 --> 00:15:37,639

yeah well 5g of course applies to today

396

00:15:41,710 --> 00:15:40,249

right but even these older technologies

397

00:15:44,319 --> 00:15:41,720

also when you look at the people who are

398

00:15:46,960 --> 00:15:44,329

getting sick it was these guys coming

399

00:15:48,579 --> 00:15:46,970

off Navy ships everywhere well look at

400

00:15:52,329 --> 00:15:48,589

the satellites and the electromagnetic

401  
00:15:54,850 --> 00:15:52,339  
radiation coming off of a ship that's

402  
00:15:56,769 --> 00:15:54,860  
that's doing radar and all kinds of

403  
00:15:58,929 --> 00:15:56,779  
stuff so I think there's a good point

404  
00:16:00,519 --> 00:15:58,939  
there I was gonna point out that you

405  
00:16:02,350 --> 00:16:00,529  
live next to a thing that I've pointed

406  
00:16:05,410 --> 00:16:02,360  
out before you know where college Grove

407  
00:16:08,710 --> 00:16:05,420  
is they're off highway 94 yes okay so

408  
00:16:10,960 --> 00:16:08,720  
the frontage road that runs parallel to

409  
00:16:13,210 --> 00:16:10,970  
94 if you're going towards the beach on

410  
00:16:14,319 --> 00:16:13,220  
that road at the first light past

411  
00:16:16,840 --> 00:16:14,329  
college Grove

412  
00:16:19,809 --> 00:16:16,850  
there's an abutment a concrete abutment

413  
00:16:22,749 --> 00:16:19,819

and on it it says the first worldwide

414

00:16:24,400 --> 00:16:22,759

radio network and it's very early 1900s

415

00:16:27,280 --> 00:16:24,410

I think they switched the date I thought

416

00:16:28,900 --> 00:16:27,290

it was 1907 but someone after I

417

00:16:30,669 --> 00:16:28,910

mentioned this on one of my podcasts to

418

00:16:31,900 --> 00:16:30,679

San Diego and took a picture and sent it

419

00:16:33,369 --> 00:16:31,910

and I realized wait a minute they

420

00:16:34,660 --> 00:16:33,379

changed the date but you see that's

421

00:16:36,579 --> 00:16:34,670

exactly what you're talking about how

422

00:16:39,910 --> 00:16:36,589

many people would think that right there

423

00:16:42,280 --> 00:16:39,920

in San Diego the first worldwide in hint

424

00:16:43,970 --> 00:16:42,290

radio network is being announced as

425

00:16:46,790 --> 00:16:43,980

having been done

426

00:16:48,440 --> 00:16:46,800

and so if it is correct to consider that

427

00:16:50,060 --> 00:16:48,450

maybe a better way to describe some of

428

00:16:52,040 --> 00:16:50,070

these illnesses as electromagnetic

429

00:16:54,770 --> 00:16:52,050

exactly what you just said is coming

430

00:16:56,570 --> 00:16:54,780

into play because the frequency for lack

431

00:16:58,880 --> 00:16:56,580

of better terms of everywhere is

432

00:17:01,250 --> 00:16:58,890

changing with these technologies as

433

00:17:04,220 --> 00:17:01,260

we're about to see with the onset of 5g

434

00:17:06,890 --> 00:17:04,230

which is basically microwave spectrum

435

00:17:10,400 --> 00:17:06,900

and that doesn't exist in nature for the

436

00:17:12,380 --> 00:17:10,410

most part it's true it's true and dr.

437

00:17:15,080 --> 00:17:12,390

Cowan he says you know if you doubt this

438

00:17:17,420 --> 00:17:15,090

stuff if you doubt it has an effect you

439

00:17:19,970 --> 00:17:17,430

have to realize that you can send a

440

00:17:21,770 --> 00:17:19,980

signal worldwide within a couple of

441

00:17:24,260 --> 00:17:21,780

minutes which means the field is

442

00:17:26,900 --> 00:17:24,270

everywhere radar works at great

443

00:17:29,390 --> 00:17:26,910

distances Radio was going around the

444

00:17:31,760 --> 00:17:29,400

world so it's it's going through

445

00:17:33,590 --> 00:17:31,770

something these signals are everywhere

446

00:17:35,720 --> 00:17:33,600

they're what more widespread than we

447

00:17:37,760 --> 00:17:35,730

realize and he also used the example of

448

00:17:39,590 --> 00:17:37,770

Hong Kong flu which is interesting

449

00:17:41,990 --> 00:17:39,600

because it was at a time depth where

450

00:17:45,770 --> 00:17:42,000

there's not a lot of travel but within

451  
00:17:47,450 --> 00:17:45,780  
days or weeks or very quickly after they

452  
00:17:49,880 --> 00:17:47,460  
announced the Hong Kong flu people

453  
00:17:51,200 --> 00:17:49,890  
started getting it in Ohio well guess

454  
00:17:54,110 --> 00:17:51,210  
what there's not a lot of international

455  
00:17:56,570 --> 00:17:54,120  
travel between Hong Kong and Ohio but

456  
00:17:59,990 --> 00:17:56,580  
what there is are these fields that can

457  
00:18:02,390 --> 00:18:00,000  
I guess just impact certain population

458  
00:18:04,250 --> 00:18:02,400  
centers maybe it's one factor of many

459  
00:18:06,770 --> 00:18:04,260  
maybe they also are in a heavily

460  
00:18:08,810 --> 00:18:06,780  
polluted area or some factories spewing

461  
00:18:11,300 --> 00:18:08,820  
some [h\_\_h] in their hometown so on

462  
00:18:13,730 --> 00:18:11,310  
top of that or like you said maybe the

463  
00:18:15,740 --> 00:18:13,740

change in field opens you up to the

464

00:18:17,990 --> 00:18:15,750  
pollutants that are all over your

465

00:18:19,280 --> 00:18:18,000  
particular environment but it's

466

00:18:22,190 --> 00:18:19,290  
definitely something with the

467

00:18:23,900 --> 00:18:22,200  
electromagnetic electrification of the

468

00:18:26,930 --> 00:18:23,910  
earth and the systems in our body that

469

00:18:30,770 --> 00:18:26,940  
plays a role here I'm with you well

470

00:18:33,380 --> 00:18:30,780  
think about this if it's correct if we

471

00:18:35,390 --> 00:18:33,390  
can accept as correct what the Germans

472

00:18:38,300 --> 00:18:35,400  
were going to publish that it's

473

00:18:39,830 --> 00:18:38,310  
electromagnetic vampirism as a cause for

474

00:18:42,050 --> 00:18:39,840  
something like the flu think about this

475

00:18:44,450 --> 00:18:42,060  
a long time ago I was reading some old

476

00:18:46,340 --> 00:18:44,460

book called the light of Egypt and in

477

00:18:48,500 --> 00:18:46,350

that these were supposed to be adepts

478

00:18:49,940 --> 00:18:48,510

from the early 1800s who were supposedly

479

00:18:51,830 --> 00:18:49,950

going to publish all these things that

480

00:18:53,900 --> 00:18:51,840

the world was ready to know but they

481

00:18:56,420 --> 00:18:53,910

pointed out why people in the Middle

482

00:18:57,409 --> 00:18:56,430

East where those more gown like clothing

483

00:18:59,629 --> 00:18:57,419

and the

484

00:19:01,759 --> 00:18:59,639

they site is because if you put on tight

485

00:19:03,019 --> 00:19:01,769

pants tight shoes tight socks or if

486

00:19:03,799 --> 00:19:03,029

you're a woman of course that

487

00:19:05,779 --> 00:19:03,809

back-in-the-day

488

00:19:07,669 --> 00:19:05,789

what you're doing is restricting your

489

00:19:09,469 --> 00:19:07,679

magnetic field and thereby your

490

00:19:11,599 --> 00:19:09,479

spirituality which I thought were

491

00:19:14,869 --> 00:19:11,609

interesting things so now take it up to

492

00:19:16,310 --> 00:19:14,879

where you and I are if people have you

493

00:19:17,959 --> 00:19:16,320

know you've heard it through the 60s the

494

00:19:19,789 --> 00:19:17,969

age of quarters they talked about auras

495

00:19:22,159 --> 00:19:19,799

well if we throw out all the hippy dippy

496

00:19:24,289 --> 00:19:22,169

stuff and we get back to some semblance

497

00:19:26,239 --> 00:19:24,299

of provable things the electromagnetic

498

00:19:28,569 --> 00:19:26,249

field what happens to a human

499

00:19:31,819 --> 00:19:28,579

electromagnetic field when fear is

500

00:19:33,919 --> 00:19:31,829

introduced in millions of minds would

501  
00:19:35,449 --> 00:19:33,929  
that make the electromagnetic field drop

502  
00:19:38,449 --> 00:19:35,459  
would have become lower I'm just saying

503  
00:19:40,489 --> 00:19:38,459  
I'm speculating here but I think these

504  
00:19:43,159 --> 00:19:40,499  
to me or why the ideas are interesting

505  
00:19:44,959 --> 00:19:43,169  
and by the way the light of Egypt was

506  
00:19:47,359 --> 00:19:44,969  
published if I'm not mistaken back in

507  
00:19:49,940 --> 00:19:47,369  
the late 1800s where he's pointing out

508  
00:19:52,039 --> 00:19:49,950  
that almost every spiritual group of

509  
00:19:54,769 --> 00:19:52,049  
people wore more like robes and the

510  
00:19:57,199 --> 00:19:54,779  
reason for that is to not constrain the

511  
00:19:59,329 --> 00:19:57,209  
human bias field or the electromagnetic

512  
00:20:01,849 --> 00:19:59,339  
field because putting on a tight belt

513  
00:20:04,159 --> 00:20:01,859

would drop your spiritual ability for

514

00:20:06,619 --> 00:20:04,169

lack of a better way to describe it huh

515

00:20:08,299 --> 00:20:06,629

that is really interesting that's a

516

00:20:10,519 --> 00:20:08,309

really fascinating point about the

517

00:20:12,109 --> 00:20:10,529

clothing and I guess that's an excuse

518

00:20:16,009 --> 00:20:12,119

for me to wear a bathrobe over the

519

00:20:20,359 --> 00:20:16,019

grocery store now but they'll shoot you

520

00:20:22,369 --> 00:20:20,369

at the door exactly

521

00:20:23,649 --> 00:20:22,379

and well that is interesting about the

522

00:20:25,549 --> 00:20:23,659

gowns they put on at the hospital

523

00:20:27,619 --> 00:20:25,559

because they're kind of free-flowing

524

00:20:29,329 --> 00:20:27,629

there's very few places in Western

525

00:20:31,999 --> 00:20:29,339

society where we see free-flowing

526

00:20:34,549 --> 00:20:32,009

clothing and it's definitely not in

527

00:20:36,139 --> 00:20:34,559

public spaces it's all very you know

528

00:20:38,359 --> 00:20:36,149

when you're in a state of healing or

529

00:20:40,099 --> 00:20:38,369

relaxation we tend to associate with

530

00:20:41,629 --> 00:20:40,109

this type of clothing so just

531

00:20:42,919 --> 00:20:41,639

interesting all right when we're just

532

00:20:44,959 --> 00:20:42,929

hanging out and we want to feel

533

00:20:47,209 --> 00:20:44,969

comfortable and good that bathrobes so

534

00:20:49,219 --> 00:20:47,219

think about your actual state of mind

535

00:20:50,930 --> 00:20:49,229

dressed like that of course we have all

536

00:20:53,299 --> 00:20:50,940

these stigmas you can't go out or you

537

00:20:55,279 --> 00:20:53,309

look like a lazy bum kind of idea but

538

00:20:57,409 --> 00:20:55,289

the point is we all know if we can just

539

00:20:59,509 --> 00:20:57,419

kick it in our bathrobe we're never more

540

00:21:01,909 --> 00:20:59,519

comfortable are we right right

541

00:21:04,009 --> 00:21:01,919

hey Lebowski was very chill and he

542

00:21:08,149 --> 00:21:04,019

always wanted that room the dude abides

543

00:21:10,110 --> 00:21:08,159

in me and so what about the esoteric

544

00:21:12,419 --> 00:21:10,120

side of this whole Cove

545

00:21:14,460 --> 00:21:12,429

operation I do think having everyone

546

00:21:16,590 --> 00:21:14,470

wearing masks has some really occult

547

00:21:20,130 --> 00:21:16,600

undertones I hear people talking about

548

00:21:24,180 --> 00:21:20,140

how Co bid 19 could stand for covert ID

549

00:21:26,789 --> 00:21:24,190

or even that cartoon coronavirus image

550

00:21:30,299 --> 00:21:26,799

were shown on TV looks a lot like a

551  
00:21:32,159 --> 00:21:30,309  
globe covered in 5g towers and if you go

552  
00:21:34,950 --> 00:21:32,169  
back to the London Olympic opening

553  
00:21:37,830 --> 00:21:34,960  
ceremony in 2012 it's all about kids and

554  
00:21:39,450 --> 00:21:37,840  
hospital beds and a big pandemic stuff

555  
00:21:41,279 --> 00:21:39,460  
that didn't make a lot of sense then but

556  
00:21:43,710 --> 00:21:41,289  
now it's pretty obvious what they were

557  
00:21:46,320 --> 00:21:43,720  
referring to but what are you seeing

558  
00:21:49,409 --> 00:21:46,330  
when it comes to occult aspects in this

559  
00:21:51,299 --> 00:21:49,419  
whole operation you know I'll tell you a

560  
00:21:52,710 --> 00:21:51,309  
little tale about my podcast and by the

561  
00:21:54,389 --> 00:21:52,720  
way you were the first guy that

562  
00:21:56,340 --> 00:21:54,399  
interviewed me and when that happened I

563  
00:21:58,139 --> 00:21:56,350

said to my wife why would anyone want to

564

00:22:00,060 --> 00:21:58,149

interview maybe I should have just said

565

00:22:03,029 --> 00:22:00,070

old man shakes his fist a clown but

566

00:22:05,490 --> 00:22:03,039

anyhow we did it and you posted it and

567

00:22:07,830 --> 00:22:05,500

it was like mega popular and that kind

568

00:22:09,419 --> 00:22:07,840

of led the path that I went on but to

569

00:22:10,860 --> 00:22:09,429

get up to where you were going what was

570

00:22:12,899 --> 00:22:10,870

the bump sorry what was the point you

571

00:22:14,880 --> 00:22:12,909

just made you were talking about oh just

572

00:22:16,620 --> 00:22:14,890

all the esoteric elements what do you

573

00:22:18,419 --> 00:22:16,630

see any when it comes to symbolism and

574

00:22:21,090 --> 00:22:18,429

that kind of stuff with this operation

575

00:22:22,649 --> 00:22:21,100

so for for almost five years all these

576

00:22:24,450 --> 00:22:22,659

podcasts a lot of people say oh you're

577

00:22:25,919 --> 00:22:24,460

just conspiratorial you want to know

578

00:22:28,139 --> 00:22:25,929

something nobody's saying that anymore

579

00:22:30,029 --> 00:22:28,149

because they were all pointing to the

580

00:22:31,500 --> 00:22:30,039

day that we arrived at right so when you

581

00:22:33,510 --> 00:22:31,510

go back and look at the things like the

582

00:22:35,250 --> 00:22:33,520

Olympics opening how do you not

583

00:22:37,320 --> 00:22:35,260

recognize what that's about but here's a

584

00:22:39,990 --> 00:22:37,330

maybe more common-sense way to

585

00:22:41,639 --> 00:22:40,000

demonstrate to someone who wants to you

586

00:22:45,990 --> 00:22:41,649

know accuse you of being conspiratorial

587

00:22:47,909 --> 00:22:46,000

I used to be a roadie for years and by

588

00:22:50,580 --> 00:22:47,919

proxy I knew a lot of people who were in

589

00:22:53,159 --> 00:22:50,590

the entertainment industry some of these

590

00:22:55,470 --> 00:22:53,169

people made commercials think about how

591

00:22:56,909 --> 00:22:55,480

long from the time a commercial for TV

592

00:22:58,820 --> 00:22:56,919

has thought about to the time a

593

00:23:00,750 --> 00:22:58,830

terrorist is usually more than a year

594

00:23:02,760 --> 00:23:00,760

sometimes if they're going to fast track

595

00:23:04,830 --> 00:23:02,770

it it's a number of months how is it

596

00:23:07,110 --> 00:23:04,840

that we got to this place where every

597

00:23:08,880 --> 00:23:07,120

commercial in less than six weeks

598

00:23:11,490 --> 00:23:08,890

actually was less than three weeks with

599

00:23:14,340 --> 00:23:11,500

singing the same song now you can go up

600

00:23:16,110 --> 00:23:14,350

and look at when you can look up how

601  
00:23:18,149 --> 00:23:16,120  
long it's given for some that you can

602  
00:23:20,039 --> 00:23:18,159  
find the production time and it just

603  
00:23:21,990 --> 00:23:20,049  
goes to show this was coming and

604  
00:23:24,110 --> 00:23:22,000  
apparently people knew it was coming and

605  
00:23:26,930 --> 00:23:24,120  
I don't really think that's argue

606  
00:23:28,909 --> 00:23:26,940  
but that doesn't change anything about

607  
00:23:31,310 --> 00:23:28,919  
where we are now this thing is happening

608  
00:23:33,289 --> 00:23:31,320  
isn't it you know so for me what it

609  
00:23:35,720 --> 00:23:33,299  
comes down to is how should we conduct

610  
00:23:38,060 --> 00:23:35,730  
ourselves now how can we do things to

611  
00:23:40,399 --> 00:23:38,070  
hopefully benefit all the people that I

612  
00:23:42,320 --> 00:23:40,409  
mean let's face it it's coming up on six

613  
00:23:44,480 --> 00:23:42,330

seven weeks now people can't make a

614

00:23:46,640 --> 00:23:44,490

house payment they might not even have

615

00:23:49,279 --> 00:23:46,650

food in the refrigerator that's what

616

00:23:50,810 --> 00:23:49,289

bothers me and so that's where I choose

617

00:23:52,190 --> 00:23:50,820

to think about but to be honest with you

618

00:23:54,289 --> 00:23:52,200

Greg I don't think anyone can

619

00:23:56,510 --> 00:23:54,299

demonstrate that there weren't endless

620

00:23:59,029 --> 00:23:56,520

places that knew this was coming as a

621

00:24:01,490 --> 00:23:59,039

matter of fact the state of Michigan was

622

00:24:05,120 --> 00:24:01,500

just outed for having approved a

623

00:24:07,760 --> 00:24:05,130

pandemic budget the June or July before

624

00:24:10,159 --> 00:24:07,770

it happened interesting yes and so many

625

00:24:12,200 --> 00:24:10,169

politicians have sold stock before this

626  
00:24:14,690 --> 00:24:12,210  
after a closed-door meeting with the CDC

627  
00:24:18,440 --> 00:24:14,700  
yeah but when it comes to the esoteric

628  
00:24:20,539 --> 00:24:18,450  
or symbolic underpinnings of this if we

629  
00:24:22,460 --> 00:24:20,549  
want to say ritual to be provocative we

630  
00:24:24,710 --> 00:24:22,470  
can call it that one thing that I think

631  
00:24:26,269 --> 00:24:24,720  
is interesting we talked about before we

632  
00:24:29,750 --> 00:24:26,279  
started recording was the presidential

633  
00:24:32,149 --> 00:24:29,760  
seal it's not on the podium that they're

634  
00:24:35,149 --> 00:24:32,159  
using when they address us every day

635  
00:24:37,940 --> 00:24:35,159  
which also not socially distancing not

636  
00:24:39,980 --> 00:24:37,950  
wearing masks just these 10 guys every

637  
00:24:42,470 --> 00:24:39,990  
day who are interacting with more people

638  
00:24:44,930 --> 00:24:42,480

than most of us would they don't seem

639

00:24:47,389 --> 00:24:44,940

all that concerned but the podium has

640

00:24:49,760 --> 00:24:47,399

changed to just say the White House and

641

00:24:51,740 --> 00:24:49,770

we know there's a lot of power in the

642

00:24:54,919 --> 00:24:51,750

symbols we know that these things mean

643

00:24:57,799 --> 00:24:54,929

something and I'm curious what that

644

00:25:00,139 --> 00:24:57,809

could mean that's right every single one

645

00:25:02,600 --> 00:25:00,149

of those things to the device now if you

646

00:25:04,399 --> 00:25:02,610

think about it in that way your mind can

647

00:25:06,350 --> 00:25:04,409

start to shift to understand what

648

00:25:08,600 --> 00:25:06,360

something as simple as a logo which

649

00:25:11,000 --> 00:25:08,610

actually is like saying logos isn't it

650

00:25:12,649 --> 00:25:11,010

so if you think about them as what they

651  
00:25:14,779 --> 00:25:12,659  
actually are you can begin to get in a

652  
00:25:16,639 --> 00:25:14,789  
here's an example how long have people

653  
00:25:18,529 --> 00:25:16,649  
been looking at the American flag with

654  
00:25:20,570 --> 00:25:18,539  
the gold fringe and think I know that's

655  
00:25:22,669 --> 00:25:20,580  
just a pretty flag and not understanding

656  
00:25:26,269 --> 00:25:22,679  
that that's not what the gold fringe

657  
00:25:29,690 --> 00:25:26,279  
means I first noticed it over six years

658  
00:25:30,919 --> 00:25:29,700  
ago in my tiny town at the Town Hall so

659  
00:25:32,570 --> 00:25:30,929  
I said how come you're flying an

660  
00:25:34,789 --> 00:25:32,580  
admiralty flag don't you know that means

661  
00:25:36,380 --> 00:25:34,799  
you're at war and no one in the town

662  
00:25:37,280 --> 00:25:36,390  
hall even knew and so then I started

663  
00:25:39,950 --> 00:25:37,290

thinking well

664

00:25:42,290 --> 00:25:39,960

put it there and no one knew these

665

00:25:44,060 --> 00:25:42,300

things all have meaning and it shouldn't

666

00:25:47,210 --> 00:25:44,070

be lost on anyone that when the

667

00:25:49,730 --> 00:25:47,220

presidential addresses are no longer

668

00:25:52,010 --> 00:25:49,740

being done with a presidential seal it

669

00:25:54,320 --> 00:25:52,020

might be easier to let go if it happened

670

00:25:55,670 --> 00:25:54,330

once or something but that's not what's

671

00:25:58,160 --> 00:25:55,680

happened at all if they're showing the

672

00:26:01,610 --> 00:25:58,170

gold fringe flag and the seal is nowhere

673

00:26:03,440 --> 00:26:01,620

to be seen but to be honest with you how

674

00:26:05,120 --> 00:26:03,450

many people of both of us had on that

675

00:26:07,400 --> 00:26:05,130

said there's been no Constitution since

676

00:26:09,320 --> 00:26:07,410

33 and then the hard core people don't

677

00:26:11,300 --> 00:26:09,330

want to say it's really 1871 or

678

00:26:13,580 --> 00:26:11,310

something like this slowly but surely

679

00:26:16,730 --> 00:26:13,590

we've been moving away from these ideas

680

00:26:18,440 --> 00:26:16,740

but the fact remains that each of these

681

00:26:20,690 --> 00:26:18,450

people swore an oath to the Constitution

682

00:26:22,610 --> 00:26:20,700

when they took office now Obama there

683

00:26:26,000 --> 00:26:22,620

was a strange duck right he did it twice

684

00:26:27,890 --> 00:26:26,010

and if I remember he took the second one

685

00:26:29,420 --> 00:26:27,900

his second oath because they messed up a

686

00:26:31,340 --> 00:26:29,430

word or something the first time I

687

00:26:33,590 --> 00:26:31,350

forget what it was in front of the

688

00:26:36,050 --> 00:26:33,600

picture of an interesting person the

689

00:26:37,430 --> 00:26:36,060

second time Obama took oath now I went

690

00:26:39,440 --> 00:26:37,440

to look up because I haven't paid

691

00:26:41,390 --> 00:26:39,450

attention to politics I had to go

692

00:26:44,180 --> 00:26:41,400

actually see if Trump had sworn the oath

693

00:26:46,100 --> 00:26:44,190

he did but it's funny the way they word

694

00:26:48,380 --> 00:26:46,110

it to the best of your ability is that

695

00:26:50,840 --> 00:26:48,390

the escape clause point is as they're

696

00:26:53,720 --> 00:26:50,850

still all swearing they will defend and

697

00:26:56,780 --> 00:26:53,730

uphold the Constitution and that's a

698

00:26:59,660 --> 00:26:56,790

funny thing I saw two administrators of

699

00:27:01,040 --> 00:26:59,670

a university on video commiserating

700

00:27:03,020 --> 00:27:01,050

about where we are right now they

701  
00:27:04,730 --> 00:27:03,030  
pointed out that their university had

702  
00:27:07,040 --> 00:27:04,740  
been going for over a hundred years

703  
00:27:08,660 --> 00:27:07,050  
through the Civil War through World War

704  
00:27:10,250 --> 00:27:08,670  
one and two and they'd never shut their

705  
00:27:12,110 --> 00:27:10,260  
doors and that's why they were

706  
00:27:14,750 --> 00:27:12,120  
commiserating but then the director of

707  
00:27:17,570 --> 00:27:14,760  
the university states did you know that

708  
00:27:19,520 --> 00:27:17,580  
if you go to Washington DC all those old

709  
00:27:21,560 --> 00:27:19,530  
beautiful buildings you see that are

710  
00:27:23,510 --> 00:27:21,570  
just so gorgeous every one of those is

711  
00:27:26,180 --> 00:27:23,520  
constitutional and then he made this

712  
00:27:28,480 --> 00:27:26,190  
statement every one that has been put up

713  
00:27:31,450 --> 00:27:28,490

since that is not gorgeous is

714

00:27:34,100 --> 00:27:31,460

unconstitutional so these are big ideas

715

00:27:36,410 --> 00:27:34,110

do people want to get to a point where

716

00:27:38,030 --> 00:27:36,420

they demand the Constitution back or are

717

00:27:40,400 --> 00:27:38,040

we going somewhere different I don't

718

00:27:41,870 --> 00:27:40,410

know but the real problem is I'm

719

00:27:44,120 --> 00:27:41,880

guessing the average person listening

720

00:27:45,350 --> 00:27:44,130

the only thing they remember about the

721

00:27:47,850 --> 00:27:45,360

Constitution is probably from

722

00:27:50,669 --> 00:27:47,860

Schoolhouse Rock

723

00:27:54,380 --> 00:27:50,679

yeah yeah and it is definitely good to

724

00:27:57,810 --> 00:27:54,390

have some foundational documents to

725

00:28:00,180 --> 00:27:57,820

point to as like a gold standard but the

726

00:28:01,620 --> 00:28:00,190

world is so damn different than it was

727

00:28:03,659 --> 00:28:01,630

back then it's the same reason why I

728

00:28:05,310 --> 00:28:03,669

don't think our Supreme Court should be

729

00:28:07,470 --> 00:28:05,320

people in their 90's or that the

730

00:28:09,269 --> 00:28:07,480

presidency should be between two guys

731

00:28:12,060 --> 00:28:09,279

who are losing their minds in their 80s

732

00:28:13,289 --> 00:28:12,070

this is a completely different world and

733

00:28:15,659 --> 00:28:13,299

I don't want these people making

734

00:28:18,090 --> 00:28:15,669

decisions on internet technologies or

735

00:28:21,029 --> 00:28:18,100

just bringing in their consultants from

736

00:28:23,700 --> 00:28:21,039

Google to tell them the best policies to

737

00:28:26,430 --> 00:28:23,710

enact because the technocracy is taken

738

00:28:28,169 --> 00:28:26,440

over and it's happening with the

739

00:28:31,259 --> 00:28:28,179

approval of people that I don't even

740

00:28:33,419 --> 00:28:31,269

think understand the technologies that's

741

00:28:36,029 --> 00:28:33,429

part of the problem right when something

742

00:28:38,639 --> 00:28:36,039

like Facebook has all that power with

743

00:28:40,049 --> 00:28:38,649

Lord knows how much data that is data

744

00:28:42,659 --> 00:28:40,059

mined that gives them a time machine

745

00:28:46,110 --> 00:28:42,669

they can predict events to a 99%

746

00:28:48,870 --> 00:28:46,120

certainty the data that Facebook alone

747

00:28:50,759 --> 00:28:48,880

has control of makes the government a

748

00:28:52,259 --> 00:28:50,769

bit infinite right and if the government

749

00:28:53,850 --> 00:28:52,269

wants any of that they got a play

750

00:28:55,409 --> 00:28:53,860

together you know there's a lot of

751

00:28:58,080 --> 00:28:55,419

people that'll tell you right now and

752

00:29:01,259 --> 00:28:58,090

some of them I respect I won't drop

753

00:29:02,879 --> 00:29:01,269

names but they're in positions of money

754

00:29:04,769 --> 00:29:02,889

markets and things like that which are

755

00:29:06,570 --> 00:29:04,779

far from anything I pay attention to and

756

00:29:10,019 --> 00:29:06,580

what they claimed on the third day I

757

00:29:11,669 --> 00:29:10,029

marked the beginning of this at March 11

758

00:29:13,470 --> 00:29:11,679

and the reason I know is because I

759

00:29:15,539 --> 00:29:13,480

stayed up past midnight to write a blog

760

00:29:17,070 --> 00:29:15,549

I realized all these things we've been

761

00:29:20,129 --> 00:29:17,080

running shows on for almost five years

762

00:29:22,440 --> 00:29:20,139

it's happening right now so I wrote the

763

00:29:24,360 --> 00:29:22,450

blog but what they said was that what

764

00:29:26,460 --> 00:29:24,370

had been going on behind the scenes not

765

00:29:29,190 --> 00:29:26,470

reported and people couldn't see unless

766

00:29:31,350 --> 00:29:29,200

they had jobs that let them is that the

767

00:29:33,720 --> 00:29:31,360

government merged with all industry and

768

00:29:36,539 --> 00:29:33,730

they were already using words like

769

00:29:38,279 --> 00:29:36,549

National Socialism now I've seen the

770

00:29:40,560 --> 00:29:38,289

argument for weeks now what do we call

771

00:29:41,850 --> 00:29:40,570

it is it fascism is it socialism is that

772

00:29:43,620 --> 00:29:41,860

I think you and I agree maybe

773

00:29:47,310 --> 00:29:43,630

technocracy is the right word but

774

00:29:49,710 --> 00:29:47,320

suffice it to say what we had some ten

775

00:29:53,279 --> 00:29:49,720

weeks ago is not what we have now it

776

00:29:55,620 --> 00:29:53,289

appears I agree it's again with the last

777

00:29:58,169 --> 00:29:55,630

point I made is that this is such a new

778

00:30:00,960 --> 00:29:58,179

world that we need new terms technocracy

779

00:30:02,159 --> 00:30:00,970

is the right one national socialism

780

00:30:05,609 --> 00:30:02,169

that's some

781

00:30:08,729 --> 00:30:05,619

than that the technocracy is way beyond

782

00:30:10,440 --> 00:30:08,739

I would say but I also can't have you

783

00:30:12,840 --> 00:30:10,450

here without talking about space a

784

00:30:15,720 --> 00:30:12,850

little bit and there has been a lot of

785

00:30:18,119 --> 00:30:15,730

talk that this coronavirus thing is all

786

00:30:19,680 --> 00:30:18,129

air cover for an incoming asteroid

787

00:30:21,629 --> 00:30:19,690

impact I know you were reading between

788

00:30:23,669 --> 00:30:21,639

the lines of some marketing that

789

00:30:27,389 --> 00:30:23,679

suggested something like this might

790

00:30:29,190 --> 00:30:27,399

happen on Easter obviously we dodged

791

00:30:32,460 --> 00:30:29,200

that bullet but what are your thoughts

792

00:30:34,889 --> 00:30:32,470

on this impact hypothesis can we even be

793

00:30:37,950 --> 00:30:34,899

impacted from things in space the way

794

00:30:39,629 --> 00:30:37,960

you see things from my point of view no

795

00:30:41,669 --> 00:30:39,639

and by the way I owed every one of my

796

00:30:43,019 --> 00:30:41,679

bad I did the one thing you don't do in

797

00:30:45,629 --> 00:30:43,029

our position and I made a prediction

798

00:30:47,759 --> 00:30:45,639

which I knew better as I was doing it it

799

00:30:49,440 --> 00:30:47,769

was right when the Civil War began but

800

00:30:51,180 --> 00:30:49,450

to get back to the point from my point

801  
00:30:53,070 --> 00:30:51,190  
of view we live in a closed system

802  
00:30:55,499 --> 00:30:53,080  
everything that's ever going to be here

803  
00:30:57,749 --> 00:30:55,509  
is here nothing comes in from space now

804  
00:30:59,609 --> 00:30:57,759  
a lot of people will take umbrage with

805  
00:31:01,139 --> 00:30:59,619  
what I just said but there's a big

806  
00:31:03,479 --> 00:31:01,149  
difference between watching The History

807  
00:31:05,820 --> 00:31:03,489  
Channel and actually doing what I do

808  
00:31:08,849 --> 00:31:05,830  
which is go back to the oldest documents

809  
00:31:11,279 --> 00:31:08,859  
and I mean as old as we claim we have

810  
00:31:13,739 --> 00:31:11,289  
printed materials and then spend five

811  
00:31:15,149 --> 00:31:13,749  
years behind a telescope from my point

812  
00:31:17,159 --> 00:31:15,159  
of view we're in a closed system and

813  
00:31:19,649 --> 00:31:17,169

nothing's coming in or out there's a few

814

00:31:22,320 --> 00:31:19,659

things that are interesting as I was on

815

00:31:23,909 --> 00:31:22,330

my path behind my scope one of the

816

00:31:26,399 --> 00:31:23,919

things was when I first got my first

817

00:31:29,249 --> 00:31:26,409

scope it was right when Hale Bopp showed

818

00:31:31,710 --> 00:31:29,259

up in the 90s that's a comment and I was

819

00:31:33,210 --> 00:31:31,720

so excited I mean I gone into debt big

820

00:31:35,700 --> 00:31:33,220

like the only time I'd ever gone into

821

00:31:37,979 --> 00:31:35,710

debt was for a car to get that scope and

822

00:31:39,359 --> 00:31:37,989

I had it and there was this comment

823

00:31:40,769 --> 00:31:39,369

comment and I was going to get to look

824

00:31:43,019 --> 00:31:40,779

at it it was the most disappointing

825

00:31:44,249 --> 00:31:43,029

thing ever and as I got into it I

826

00:31:45,450 --> 00:31:44,259

realized the mainstream will tell you

827

00:31:46,859 --> 00:31:45,460

the best view of a comet's with your

828

00:31:48,659 --> 00:31:46,869

naked eye are binoculars well they

829

00:31:49,409 --> 00:31:48,669

weren't kidding I was thinking how can

830

00:31:51,389 --> 00:31:49,419

that be

831

00:31:53,279 --> 00:31:51,399

I got this big hunk an 8-inch fully

832

00:31:55,859 --> 00:31:53,289

robotic scope and this is the most

833

00:31:58,549 --> 00:31:55,869

disappointing thing so it led me to

834

00:32:01,560 --> 00:31:58,559

start researching and to know things and

835

00:32:03,690 --> 00:32:01,570

as I got into it one of the things was

836

00:32:06,060 --> 00:32:03,700

all the Comets fascinated me so I could

837

00:32:09,389 --> 00:32:06,070

recognize any comet that had been since

838

00:32:11,399 --> 00:32:09,399

we had cameras they're all white maybe a

839

00:32:13,440 --> 00:32:11,409

little blue maybe a little yellow on a

840

00:32:15,850 --> 00:32:13,450

couple of them but you can identify them

841

00:32:18,730 --> 00:32:15,860

they have a look what happens

842

00:32:20,230 --> 00:32:18,740

time after the year 2000 is comets turn

843

00:32:22,900 --> 00:32:20,240

green and by the way they don't look

844

00:32:24,880 --> 00:32:22,910

like comets mostly anymore here's the

845

00:32:27,730 --> 00:32:24,890

true thing about a comet when a real

846

00:32:31,240 --> 00:32:27,740

comet actually comes the amateur

847

00:32:33,190 --> 00:32:31,250

community busts out in a big way cameras

848

00:32:35,799 --> 00:32:33,200

and when you go do an image search there

849

00:32:38,620 --> 00:32:35,809

are hundreds of images of any given

850

00:32:40,750 --> 00:32:38,630

comet that's actually there they just

851

00:32:43,210 --> 00:32:40,760

announced of course with the co vid

852

00:32:44,530 --> 00:32:43,220

thing Atlas comet Atlas of course you

853

00:32:45,400 --> 00:32:44,540

know why cuz that was curious the world

854

00:32:47,890 --> 00:32:45,410

on his shoulders

855

00:32:49,960 --> 00:32:47,900

whole world's involved in all this but

856

00:32:52,419 --> 00:32:49,970

lo and behold it's another green smudge

857

00:32:55,960 --> 00:32:52,429

in the sky that doesn't look like a

858

00:32:57,789 --> 00:32:55,970

comet the point I'm making here is you

859

00:33:00,820 --> 00:32:57,799

can't accept what you're told anymore

860

00:33:04,000 --> 00:33:00,830

you've got to go out and do research or

861

00:33:06,190 --> 00:33:04,010

firsthand observe in some way now this

862

00:33:07,539 --> 00:33:06,200

Atlas comet they were claiming was going

863

00:33:10,030 --> 00:33:07,549

to be brighter than Venus well I've

864

00:33:12,549 --> 00:33:10,040

heard this tale before with Ison which

865

00:33:14,650 --> 00:33:12,559

was another green smudge and the same

866

00:33:15,820 --> 00:33:14,660

thing happened it just went away they

867

00:33:17,620 --> 00:33:15,830

were saying this will be the comet of

868

00:33:20,650 --> 00:33:17,630

the century law doubted it but it didn't

869

00:33:21,940 --> 00:33:20,660

emerge so finally after Ison there was

870

00:33:23,919 --> 00:33:21,950

another comment and I said I've had

871

00:33:26,200 --> 00:33:23,929

enough I'm gonna figure this out I went

872

00:33:27,970 --> 00:33:26,210

out with a wide field lens opened up my

873

00:33:29,710 --> 00:33:27,980

camera lens for something like five

874

00:33:32,080 --> 00:33:29,720

minutes sure enough there was a little

875

00:33:34,270 --> 00:33:32,090

green smudge there but he did not look

876

00:33:37,750 --> 00:33:34,280

like a typical comet that I was familiar

877

00:33:39,820 --> 00:33:37,760

with so the short story is I can't tell

878

00:33:41,980 --> 00:33:39,830

you exactly what's going on but I can

879

00:33:44,350 --> 00:33:41,990

tell you that something funny is going

880

00:33:46,539 --> 00:33:44,360

on here comets look like comets and

881

00:33:50,560 --> 00:33:46,549

they're not green or they weren't green

882

00:33:53,169 --> 00:33:50,570

before the year maybe 2006 something

883

00:33:56,260 --> 00:33:53,179

like that and so we're being fed all

884

00:33:58,900 --> 00:33:56,270

these old-school ideas which were now

885

00:34:00,909 --> 00:33:58,910

poking holes in I mean the lunar wave is

886

00:34:03,100 --> 00:34:00,919

that in spades right how can I possibly

887

00:34:04,840 --> 00:34:03,110

be the first guy who filmed a thing

888

00:34:06,490 --> 00:34:04,850

that's been filmed I don't know 50 times

889

00:34:09,879 --> 00:34:06,500

by now it's been filmed in front of

890

00:34:11,050 --> 00:34:09,889

Jupiter a couple times Saturn how can I

891

00:34:13,419 --> 00:34:11,060

be the first guy when there's

892

00:34:15,639 --> 00:34:13,429

observatories all over the world and how

893

00:34:17,889 --> 00:34:15,649

can it be that I filmed that and then I

894

00:34:19,810 --> 00:34:17,899

eventually said well all you followers

895

00:34:21,280 --> 00:34:19,820

go to your observatories and no one

896

00:34:23,260 --> 00:34:21,290

would comment I think one place

897

00:34:26,379 --> 00:34:23,270

commented that was clearly atmospheric

898

00:34:27,890 --> 00:34:26,389

I'm just saying there's a tale that's

899

00:34:29,840 --> 00:34:27,900

told us about space

900

00:34:33,260 --> 00:34:29,850

and I've come to understand that you

901  
00:34:36,260 --> 00:34:33,270  
shouldn't accept that jail I always find

902  
00:34:39,410 --> 00:34:36,270  
that quite provocative and one good way

903  
00:34:41,660 --> 00:34:39,420  
to bridge the coronavirus and the space

904  
00:34:44,000 --> 00:34:41,670  
construct is to look at the images

905  
00:34:46,760 --> 00:34:44,010  
because we've always talked about NASA's

906  
00:34:49,340 --> 00:34:46,770  
images being more like cartoons that the

907  
00:34:51,890 --> 00:34:49,350  
celestial bodies are greatly altered to

908  
00:34:54,500 --> 00:34:51,900  
get the sort of visual representations

909  
00:34:56,840 --> 00:34:54,510  
they give us and the same can be said

910  
00:34:59,660 --> 00:34:56,850  
for this coronavirus we see this

911  
00:35:01,820 --> 00:34:59,670  
full-color detailed image on all the

912  
00:35:03,410 --> 00:35:01,830  
news stories but if you actually look at

913  
00:35:06,740 --> 00:35:03,420

the thing under an electron microscope

914

00:35:09,980 --> 00:35:06,750

it doesn't look anything like that image

915

00:35:12,320 --> 00:35:09,990

from TV and this alone is manipulation

916

00:35:14,480 --> 00:35:12,330

that makes the things seem more scary

917

00:35:18,350 --> 00:35:14,490

than its true image it's all cartoons

918

00:35:20,240 --> 00:35:18,360

man that's the first thing I asked dr.

919

00:35:22,490 --> 00:35:20,250

Andy Kaufman when I happen to love it I

920

00:35:24,200 --> 00:35:22,500

said Andy let's do our due diligence has

921

00:35:26,480 --> 00:35:24,210

anyone ever been shown to die or get

922

00:35:28,790 --> 00:35:26,490

sick from a virus and he said no and so

923

00:35:30,770 --> 00:35:28,800

then I said what's this thing every

924

00:35:32,780 --> 00:35:30,780

night on the TV this kind of blue and

925

00:35:34,430 --> 00:35:32,790

red with all the little points on it I

926  
00:35:36,530 --> 00:35:34,440  
said is that a picture of anything he

927  
00:35:38,240 --> 00:35:36,540  
said no that's nortis rendering and then

928  
00:35:39,950 --> 00:35:38,250  
he pointed out that there were what he

929  
00:35:42,350 --> 00:35:39,960  
called I think a micrograph was the word

930  
00:35:44,360 --> 00:35:42,360  
he used and what they actually looked

931  
00:35:48,170 --> 00:35:44,370  
like the thing they call a virus is a

932  
00:35:50,480 --> 00:35:48,180  
not living - doesn't replicate or eat

933  
00:35:51,980 --> 00:35:50,490  
and it looks like basically a flake of

934  
00:35:54,770 --> 00:35:51,990  
something is the best way I could

935  
00:35:56,120 --> 00:35:54,780  
describe it people could look it up so I

936  
00:35:58,190 --> 00:35:56,130  
mean I'm with you all day long what the

937  
00:35:59,750 --> 00:35:58,200  
hell if you can have a real image then

938  
00:36:01,730 --> 00:35:59,760

why are you putting up the fake one and

939

00:36:04,190 --> 00:36:01,740

by the way why is the fake one look

940

00:36:06,560 --> 00:36:04,200

nothing like an actual what they call a

941

00:36:09,140 --> 00:36:06,570

virus does look like yeah

942

00:36:12,140 --> 00:36:09,150

curious questions makes no sense yeah

943

00:36:13,280 --> 00:36:12,150

it's programming I agree and I listened

944

00:36:15,980 --> 00:36:13,290

to a show that you did recently

945

00:36:17,360 --> 00:36:15,990

regarding the new moon and kind of like

946

00:36:19,850 --> 00:36:17,370

what you were saying before you made a

947

00:36:23,000 --> 00:36:19,860

prediction that you invited people to

948

00:36:25,250 --> 00:36:23,010

try to prove or disprove that after the

949

00:36:27,530 --> 00:36:25,260

new moon when it's just starting to come

950

00:36:30,200 --> 00:36:27,540

back into view and we have that sliver

951  
00:36:32,900 --> 00:36:30,210  
of light we can see apparently you can

952  
00:36:34,820 --> 00:36:32,910  
actually see through the unlit part of

953  
00:36:37,340 --> 00:36:34,830  
the moon can you tell us a little bit

954  
00:36:40,400 --> 00:36:37,350  
about that and really just how people

955  
00:36:41,600 --> 00:36:40,410  
have responded to that recent call to

956  
00:36:44,300 --> 00:36:41,610  
action

957  
00:36:46,910 --> 00:36:44,310  
well I did it a long time ago and I did

958  
00:36:49,130 --> 00:36:46,920  
it again now there used to be accounts

959  
00:36:51,590 --> 00:36:49,140  
from the Royal astronomy groups back in

960  
00:36:54,170 --> 00:36:51,600  
the 1800s from a couple people who

961  
00:36:56,180 --> 00:36:54,180  
claimed they had witnessed like one guy

962  
00:36:57,620 --> 00:36:56,190  
said he saw Jupiter go all the way

963  
00:36:59,540 --> 00:36:57,630

behind the moon and it never went away

964

00:37:01,100 --> 00:36:59,550

it looked like a black dot there were

965

00:37:02,480 --> 00:37:01,110

other things and there are things that I

966

00:37:04,880 --> 00:37:02,490

were like look at some of the Middle

967

00:37:06,650 --> 00:37:04,890

Eastern flags where they show a star

968

00:37:07,970 --> 00:37:06,660

right in the Crescent where the dark

969

00:37:10,760 --> 00:37:07,980

part of the man should be blocking it

970

00:37:13,040 --> 00:37:10,770

but that was only ancillary as I got

971

00:37:17,030 --> 00:37:13,050

into it I began to realize that there

972

00:37:19,850 --> 00:37:17,040

used to be much more kind of first hand

973

00:37:21,410 --> 00:37:19,860

observation descriptions giving and

974

00:37:23,990 --> 00:37:21,420

that's when I started to study the idea

975

00:37:25,580 --> 00:37:24,000

of the new moon and by the time I gotten

976

00:37:27,860 --> 00:37:25,590

to the point where I realized that the

977

00:37:29,810 --> 00:37:27,870

moon plays no role could prove that the

978

00:37:32,630 --> 00:37:29,820

moon plays no role and what we call a

979

00:37:35,120 --> 00:37:32,640

solar eclipse that's how I got to what

980

00:37:37,160 --> 00:37:35,130

you're talking about where I said when

981

00:37:39,770 --> 00:37:37,170

the moon is new they're gonna call it

982

00:37:42,440 --> 00:37:39,780

young as the very first sliver begins to

983

00:37:44,270 --> 00:37:42,450

light up so the prediction I made and

984

00:37:45,890 --> 00:37:44,280

some people have sent images we just

985

00:37:47,570 --> 00:37:45,900

can't authenticate them but they show

986

00:37:51,050 --> 00:37:47,580

what I predicted that the moon is

987

00:37:53,390 --> 00:37:51,060

see-through when it's new or very young

988

00:37:55,790 --> 00:37:53,400

and there's a bright enough object

989

00:37:57,650 --> 00:37:55,800

supposedly occulted by it you can see

990

00:37:59,270 --> 00:37:57,660

right through the moon part of the

991

00:38:01,250 --> 00:37:59,280

problem with filming a new moon is you

992

00:38:04,160 --> 00:38:01,260

can't see it and so it's very difficult

993

00:38:06,590 --> 00:38:04,170

and not only that you have to have a

994

00:38:08,900 --> 00:38:06,600

good view of the sky to have the field

995

00:38:10,910 --> 00:38:08,910

of view you need to prove that you're

996

00:38:13,160 --> 00:38:10,920

looking where the new moon should be but

997

00:38:15,740 --> 00:38:13,170

that's the call I put out is that when

998

00:38:18,050 --> 00:38:15,750

the moon is what they call new or very

999

00:38:20,690 --> 00:38:18,060

young in other words coming back to

1000

00:38:22,400 --> 00:38:20,700

being lit again any object that is

1001

00:38:24,290 --> 00:38:22,410

sufficiently bright that should be

1002

00:38:26,330 --> 00:38:24,300

behind it will prove that that is

1003

00:38:28,310 --> 00:38:26,340

see-through and by the way I've gotten a

1004

00:38:30,920 --> 00:38:28,320

number of images that show what looked

1005

00:38:34,370 --> 00:38:30,930

to be a star shining through the problem

1006

00:38:36,500 --> 00:38:34,380

is I can't validate them for sure and my

1007

00:38:38,450 --> 00:38:36,510

problem is always you know if I didn't

1008

00:38:40,130 --> 00:38:38,460

shoot it I can only put so much trust

1009

00:38:42,620 --> 00:38:40,140

behind it mm-hmm

1010

00:38:44,510 --> 00:38:42,630

yeah and I'm sure we've talked about

1011

00:38:47,000 --> 00:38:44,520

this before but it's just so provocative

1012

00:38:49,610 --> 00:38:47,010

I've got to ask you again we are kind of

1013

00:38:52,640 --> 00:38:49,620

in that spring equinox time and we know

1014

00:38:54,680 --> 00:38:52,650

about the great sky calendar that's a

1015

00:38:57,770 --> 00:38:54,690

lot more useful than our

1016

00:38:59,599 --> 00:38:57,780

and made number-based 12-month calendar

1017

00:39:01,339 --> 00:38:59,609

that isn't really based on anything

1018

00:39:04,670 --> 00:39:01,349

seems to be decoupled from the natural

1019

00:39:06,770 --> 00:39:04,680

world but I remember you saying that you

1020

00:39:09,620 --> 00:39:06,780

don't think the moon that we see in the

1021

00:39:10,690 --> 00:39:09,630

sky plays any real role in eclipses is

1022

00:39:13,880 --> 00:39:10,700

that still true

1023

00:39:16,460 --> 00:39:13,890

it's provably true actually

1024

00:39:19,700 --> 00:39:16,470

and there were older cultures like the

1025

00:39:21,290 --> 00:39:19,710

Vedic culture who from my point of view

1026

00:39:24,620 --> 00:39:21,300

told you the truth it's what's called

1027

00:39:26,329 --> 00:39:24,630

nodes any astrologer or anyone who looks

1028

00:39:28,970 --> 00:39:26,339

at astrology software you'll still see

1029

00:39:29,920 --> 00:39:28,980

these two nodes marked and that's what

1030

00:39:33,260 --> 00:39:29,930

we're talking about

1031

00:39:36,559 --> 00:39:33,270

they're called KATU and Rahu in the

1032

00:39:39,140 --> 00:39:36,569

older traditions but what I did is over

1033

00:39:41,930 --> 00:39:39,150

multiple solar eclipses I set out to do

1034

00:39:44,809 --> 00:39:41,940

a single thing I reasoned that if they

1035

00:39:46,130 --> 00:39:44,819

want to tell me the moons 340 you know

1036

00:39:48,650 --> 00:39:46,140

just over a quarter of a million miles

1037

00:39:50,359 --> 00:39:48,660

away and that the Sun is about 93

1038

00:39:52,490 --> 00:39:50,369

million miles away then what you're

1039

00:39:54,920 --> 00:39:52,500

being told is the brightest thing we

1040

00:39:57,260 --> 00:39:54,930

know at 93 million miles the Sun is

1041

00:39:59,059 --> 00:39:57,270

going to backlight the moon as it comes

1042

00:40:01,540 --> 00:39:59,069

in to cover the Sun which by some

1043

00:40:04,609 --> 00:40:01,550

miracle of chance is the exact same size

1044

00:40:07,460 --> 00:40:04,619

so I set out to do a single thing to get

1045

00:40:09,050 --> 00:40:07,470

an image of the moon before it begins to

1046

00:40:12,500 --> 00:40:09,060

eclipse the Sun and you can't do it

1047

00:40:14,750 --> 00:40:12,510

can't be done I used multiple scopes

1048

00:40:17,329 --> 00:40:14,760

full-spectrum cameras light obliteration

1049

00:40:20,839 --> 00:40:17,339

every filter known that I could get my

1050

00:40:23,569 --> 00:40:20,849

hands on every technique tool camera

1051

00:40:25,430 --> 00:40:23,579

just everything you cannot do it and I

1052

00:40:28,370 --> 00:40:25,440

did this across multiple times which

1053

00:40:30,710 --> 00:40:28,380

culminated in the full solar eclipse for

1054

00:40:33,140 --> 00:40:30,720

our country the United States and 2017 I

1055

00:40:34,750 --> 00:40:33,150

think it was August 21 I don't know if I

1056

00:40:36,770 --> 00:40:34,760

have that right I think it was August

1057

00:40:39,530 --> 00:40:36,780

2017

1058

00:40:42,110 --> 00:40:39,540

at which point I finally proved outright

1059

00:40:44,000 --> 00:40:42,120

that the moon plays no role in a solar

1060

00:40:46,100 --> 00:40:44,010

eclipse and that the Vedic people were

1061

00:40:49,160 --> 00:40:46,110

likely telling the truth and here's

1062

00:40:52,250 --> 00:40:49,170

another thing it used to be easy to look

1063

00:40:54,350 --> 00:40:52,260

up online years ago that the Sun is

1064

00:40:56,270 --> 00:40:54,360

what's called an infinite light source

1065

00:40:58,610 --> 00:40:56,280

now I was a roadie for years and so I

1066

00:41:00,020 --> 00:40:58,620

was trained on stage lighting and so I

1067

00:41:01,730 --> 00:41:00,030

know the difference between what's

1068

00:41:04,340 --> 00:41:01,740

called a spotlight or an infinite light

1069

00:41:06,200 --> 00:41:04,350

source if you take a spotlight and you

1070

00:41:08,570 --> 00:41:06,210

put it on someone and then you move it

1071

00:41:11,210 --> 00:41:08,580

closer to them the shadow will grow if

1072

00:41:13,160 --> 00:41:11,220

you take an infinite light source it

1073

00:41:15,110 --> 00:41:13,170

doesn't matter how close or far the

1074

00:41:17,480 --> 00:41:15,120

shadow remains the size of the thing

1075

00:41:20,270 --> 00:41:17,490

casting the shadow and that's the case

1076  
00:41:22,370 --> 00:41:20,280  
we have with the Sun so during that last

1077  
00:41:25,970 --> 00:41:22,380  
Eclipse they informed us that the shadow

1078  
00:41:29,360 --> 00:41:25,980  
of the eclipsing object was roughly 70

1079  
00:41:31,310 --> 00:41:29,370  
or 72 miles so if that's true and they

1080  
00:41:34,370 --> 00:41:31,320  
told you the truth then the size of the

1081  
00:41:37,760 --> 00:41:34,380  
thing covering the Sun is that size 70

1082  
00:41:40,130 --> 00:41:37,770  
or 72 miles provably so it's a lot for

1083  
00:41:44,060 --> 00:41:40,140  
the average person to hear but you can

1084  
00:41:46,550 --> 00:41:44,070  
demonstrate these things yes so what is

1085  
00:41:48,530 --> 00:41:46,560  
the purpose if we think our system is

1086  
00:41:51,020 --> 00:41:48,540  
closed and everything in it seems to

1087  
00:41:54,860 --> 00:41:51,030  
have a purpose what would be that

1088  
00:41:58,550 --> 00:41:54,870

purpose or mechanism behind an eclipse

1089

00:42:00,170 --> 00:41:58,560

either a solar or lunar when I started

1090

00:42:02,600 --> 00:42:00,180

to talk about these things I wanted to

1091

00:42:04,670 --> 00:42:02,610

have these honest conversations where

1092

00:42:06,680 --> 00:42:04,680

every mind could consider it and what I

1093

00:42:08,930 --> 00:42:06,690

found is when I use the word Astronomy

1094

00:42:10,790 --> 00:42:08,940

all the astrologers is owned out when I

1095

00:42:12,830 --> 00:42:10,800

use the word astrology all the

1096

00:42:14,780 --> 00:42:12,840

astronomers zoned out and I realize

1097

00:42:17,660 --> 00:42:14,790

there's all this baggage with all these

1098

00:42:20,690 --> 00:42:17,670

old terms we use so I invented a new one

1099

00:42:22,490 --> 00:42:20,700

and I call it the sky clock now and then

1100

00:42:24,170 --> 00:42:22,500

when I started calling it the sky clock

1101

00:42:25,940 --> 00:42:24,180

all of a sudden everyone could

1102

00:42:28,220 --> 00:42:25,950

participate without all this baggage

1103

00:42:30,050 --> 00:42:28,230

being termed so I think what you're

1104

00:42:33,260 --> 00:42:30,060

looking at when eclipse is it's just

1105

00:42:35,870 --> 00:42:33,270

like having this majestic clock in the

1106

00:42:37,130 --> 00:42:35,880

sky that is marking the eons and

1107

00:42:39,890 --> 00:42:37,140

whenever you see something like a

1108

00:42:42,950 --> 00:42:39,900

transit of Venus or a solar eclipse

1109

00:42:45,830 --> 00:42:42,960

that's an important milestone in the sky

1110

00:42:48,200 --> 00:42:45,840

clock from my point of view we go in

1111

00:42:49,609 --> 00:42:48,210

cycles everything is cyclical in the

1112

00:42:51,440 --> 00:42:49,619

Western world we kind of think

1113

00:42:54,530 --> 00:42:51,450

everything is linear about I'll make a

1114

00:42:55,940 --> 00:42:54,540

point if I can every day that you look

1115

00:42:57,980 --> 00:42:55,950

at your cell phone and you say oh it's

1116

00:43:00,470 --> 00:42:57,990

noon well I've got news for you it's not

1117

00:43:03,589 --> 00:43:00,480

noon you might get lucky once or twice a

1118

00:43:06,050 --> 00:43:03,599

year but the only noon that truly exists

1119

00:43:07,940 --> 00:43:06,060

is when the Sun is over your head at the

1120

00:43:10,690 --> 00:43:07,950

highest apex of that arc for the day

1121

00:43:13,220 --> 00:43:10,700

that's the only noon and so what your

1122

00:43:15,950 --> 00:43:13,230

mechanical clock does or digital clock

1123

00:43:18,470 --> 00:43:15,960

is that approximate these things and so

1124

00:43:22,040 --> 00:43:18,480

what that does is it pulls a human being

1125

00:43:24,349 --> 00:43:22,050

out of sync with the cycles of the sky

1126

00:43:25,550 --> 00:43:24,359

clock the natural clock or the godly

1127

00:43:28,520 --> 00:43:25,560

clock for those people that are

1128

00:43:29,990 --> 00:43:28,530

religious and this is manipulated all

1129

00:43:32,930 --> 00:43:30,000

the time here's an example daylight

1130

00:43:35,359 --> 00:43:32,940

savings time is a manipulation why is it

1131

00:43:37,940 --> 00:43:35,369

that they mess with the clock an hour at

1132

00:43:38,420 --> 00:43:37,950

both equinoxes well there's a reason for

1133

00:43:40,790 --> 00:43:38,430

that

1134

00:43:43,310 --> 00:43:40,800

because as everyone knows when the time

1135

00:43:45,260 --> 00:43:43,320

changes you feel discombobulated for

1136

00:43:46,310 --> 00:43:45,270

like a month or more and then right when

1137

00:43:47,810 --> 00:43:46,320

you start getting in the groove of

1138

00:43:49,849 --> 00:43:47,820

things guess what there's changing the

1139

00:43:52,609 --> 00:43:49,859

clock again it keeps a human from

1140

00:43:54,950 --> 00:43:52,619

synching with what I call the sky clock

1141

00:43:57,740 --> 00:43:54,960

and so every event that happens in the

1142

00:44:00,320 --> 00:43:57,750

sky clock is like important milestones

1143

00:44:04,760 --> 00:44:00,330

and that would relate to the idea of

1144

00:44:06,740 --> 00:44:04,770

Ages like cycles of time the idea that

1145

00:44:08,450 --> 00:44:06,750

maybe history repeats itself in other

1146

00:44:10,520 --> 00:44:08,460

words you could be in a position in this

1147

00:44:11,930 --> 00:44:10,530

cycle which may have all these

1148

00:44:14,410 --> 00:44:11,940

possibilities which have already been

1149

00:44:16,940 --> 00:44:14,420

expressed once these kinds of ideas

1150

00:44:19,190 --> 00:44:16,950

mm-hmm yeah and it kind of relates back

1151  
00:44:22,310 --> 00:44:19,200  
to the energetic body the

1152  
00:44:25,040 --> 00:44:22,320  
electromagnetic systems we have in the

1153  
00:44:27,109 --> 00:44:25,050  
person as well as the construct that

1154  
00:44:29,270 --> 00:44:27,119  
we're in and that if we paid more

1155  
00:44:32,180 --> 00:44:29,280  
attention to the sky clock and certain

1156  
00:44:34,790 --> 00:44:32,190  
cycles we would kind of know what sort

1157  
00:44:36,410 --> 00:44:34,800  
of energies are coming but of course I

1158  
00:44:39,020 --> 00:44:36,420  
think people do know they just keep us

1159  
00:44:40,339 --> 00:44:39,030  
in the dark about that yeah spot-on and

1160  
00:44:41,810 --> 00:44:40,349  
so when you start to think about how

1161  
00:44:43,280 --> 00:44:41,820  
could all these commercials for what

1162  
00:44:45,260 --> 00:44:43,290  
we're seeing now have already been made

1163  
00:44:46,760 --> 00:44:45,270

maybe there are people in this world

1164

00:44:48,859 --> 00:44:46,770

that know something about past cycles

1165

00:44:51,859 --> 00:44:48,869

and knew the probability I can tell you

1166

00:44:52,310 --> 00:44:51,869

certainly that as this began Jupiter big

1167

00:44:57,079 --> 00:44:52,320

boy

1168

00:45:00,560 --> 00:44:57,089

all rising in the sky

1169

00:45:02,060 --> 00:45:00,570

and starting almost over a year ago I

1170

00:45:05,360 --> 00:45:02,070

was already saying

1171

00:45:07,400 --> 00:45:05,370

20 will be a massive year I was saying

1172

00:45:09,140 --> 00:45:07,410

there's a presidential election there is

1173

00:45:11,660 --> 00:45:09,150

an Olympics but there's all these other

1174

00:45:14,360 --> 00:45:11,670

sky clock things going on the biggest

1175

00:45:16,820 --> 00:45:14,370

being the grand conjunction which is a

1176  
00:45:19,520 --> 00:45:16,830  
once-in-a-generation thing it's going to

1177  
00:45:21,590 --> 00:45:19,530  
happen on a very important day which we

1178  
00:45:24,230 --> 00:45:21,600  
call the winter solstice for the low

1179  
00:45:25,850 --> 00:45:24,240  
point of the Sun or where basically you

1180  
00:45:28,520 --> 00:45:25,860  
could think of it the Sun is gonna die

1181  
00:45:31,040 --> 00:45:28,530  
off for this year this cycle of a year

1182  
00:45:32,630 --> 00:45:31,050  
and it's gonna come back to be ready for

1183  
00:45:34,820 --> 00:45:32,640  
whatever happens in the next year on

1184  
00:45:37,520 --> 00:45:34,830  
that particular day we're gonna have a

1185  
00:45:40,640 --> 00:45:37,530  
conjunction of the two big boys Jupiter

1186  
00:45:42,710 --> 00:45:40,650  
and Saturn and these are generational

1187  
00:45:44,780 --> 00:45:42,720  
this is like once in 20 years but this

1188  
00:45:46,580 --> 00:45:44,790

one this one's a big deal and I don't

1189

00:45:48,110 --> 00:45:46,590

think anyone needs to question why look

1190

00:45:48,620 --> 00:45:48,120

around what's different about the world

1191

00:45:50,870 --> 00:45:48,630

right now

1192

00:45:53,900 --> 00:45:50,880

well here's our generational marker

1193

00:45:56,450 --> 00:45:53,910

which is probably going to be once in a

1194

00:45:58,070 --> 00:45:56,460

few hundred years marker gauging by

1195

00:46:00,050 --> 00:45:58,080

what's going on in the world but we've

1196

00:46:02,780 --> 00:46:00,060

also at the height of the power of the

1197

00:46:04,280 --> 00:46:02,790

Sun at the summer solstice we have

1198

00:46:05,960 --> 00:46:04,290

eclipses and things and these other

1199

00:46:08,150 --> 00:46:05,970

conjunctions going on through the year

1200

00:46:10,250 --> 00:46:08,160

so the sky clock was already telling us

1201

00:46:12,050 --> 00:46:10,260

this is potentially a big year but when

1202

00:46:13,850 --> 00:46:12,060

you looked at everything else it was

1203

00:46:17,390 --> 00:46:13,860

pretty clear that things were coming to

1204

00:46:19,820 --> 00:46:17,400

a head it's very true and I sometimes

1205

00:46:22,520 --> 00:46:19,830

get caught in a chicken or egg situation

1206

00:46:24,800 --> 00:46:22,530

because it seems pretty clear that the

1207

00:46:27,200 --> 00:46:24,810

capstone cabal will sync up their

1208

00:46:30,560 --> 00:46:27,210

agendas with the space weather or the

1209

00:46:34,340 --> 00:46:30,570

sky clock and so sometimes I don't know

1210

00:46:38,120 --> 00:46:34,350

if this grand conjunction to use it as

1211

00:46:42,080 --> 00:46:38,130

an example is inevitable period of

1212

00:46:43,760 --> 00:46:42,090

turmoil or if they consult the cycle

1213

00:46:47,180 --> 00:46:43,770

model and say oh look there's an

1214

00:46:49,100 --> 00:46:47,190

opportunity for us to get the most out

1215

00:46:50,720 --> 00:46:49,110

of one of our agendas I'm sure it's a

1216

00:46:53,030 --> 00:46:50,730

little bit of both like maybe it's

1217

00:46:55,940 --> 00:46:53,040

unavoidable but they definitely throw

1218

00:46:59,450 --> 00:46:55,950

fuel on the fire but I think that's how

1219

00:47:03,830 --> 00:46:59,460

magic works is you can increase the

1220

00:47:07,010 --> 00:47:03,840

potency of your own aims by consulting

1221

00:47:11,330 --> 00:47:07,020

the space weather and making certain

1222

00:47:14,300 --> 00:47:11,340

decisions or choices in alignment with

1223

00:47:15,559 --> 00:47:14,310

that clock there's only really one clock

1224

00:47:17,509 --> 00:47:15,569

in our world and that's the

1225

00:47:20,029 --> 00:47:17,519

I clock and it runs absolutely

1226

00:47:21,589 --> 00:47:20,039

everything the problem is is the problem

1227

00:47:24,140 --> 00:47:21,599

with the word astronomy and the problem

1228

00:47:26,150 --> 00:47:24,150

with the word astrology once hocus-pocus

1229

00:47:27,680 --> 00:47:26,160

the other ones what you know it creates

1230

00:47:30,229 --> 00:47:27,690

all these problems but when you come

1231

00:47:32,390 --> 00:47:30,239

back to common sense and I tell you here

1232

00:47:33,709 --> 00:47:32,400

where I am in Rhode Island at some point

1233

00:47:35,779 --> 00:47:33,719

this summer I will go down to the beach

1234

00:47:37,880 --> 00:47:35,789

and all the horseshoe crabs will be on

1235

00:47:39,799 --> 00:47:37,890

the beach you know why because of the

1236

00:47:42,019 --> 00:47:39,809

phase of the Moon that's why they're

1237

00:47:44,269 --> 00:47:42,029

there the sky clock told them your time

1238

00:47:46,579 --> 00:47:44,279

go lay those eggs guys like you have for

1239

00:47:48,650 --> 00:47:46,589

thousands and thousands of years at the

1240

00:47:50,420 --> 00:47:48,660

same day every year the Great Barrier

1241

00:47:53,120 --> 00:47:50,430

Reef the largest living thing were aware

1242

00:47:55,579 --> 00:47:53,130

of spawns all at once what does that sky

1243

00:47:58,459 --> 00:47:55,589

clock tells the Great Barrier Reef so

1244

00:48:00,380 --> 00:47:58,469

how is it that we can assume that those

1245

00:48:01,640 --> 00:48:00,390

living things are somehow affected and

1246

00:48:05,479 --> 00:48:01,650

we aren't and that's what we've been

1247

00:48:06,859 --> 00:48:05,489

convinced and every episode from 9/11 to

1248

00:48:08,870 --> 00:48:06,869

anything you want to point out we can

1249

00:48:11,239 --> 00:48:08,880

show you to think about how they demoted

1250

00:48:13,039 --> 00:48:11,249

Pluto right after 9/11 because too many

1251  
00:48:14,420 --> 00:48:13,049  
people were catching on all of a sudden

1252  
00:48:16,489 --> 00:48:14,430  
this isn't a planner name enough to see

1253  
00:48:18,680 --> 00:48:16,499  
here folks don't look well Pluto's plan

1254  
00:48:21,049 --> 00:48:18,690  
and what we're doing this year by the

1255  
00:48:23,180 --> 00:48:21,059  
way and for those who don't study a

1256  
00:48:26,150 --> 00:48:23,190  
classic education Pluto's the god of the

1257  
00:48:27,799 --> 00:48:26,160  
underworld all kinds of big ideas have

1258  
00:48:30,739 --> 00:48:27,809  
been attached to that kind of

1259  
00:48:32,900 --> 00:48:30,749  
personification over time but there is

1260  
00:48:35,180 --> 00:48:32,910  
no major event that isn't tied to the

1261  
00:48:37,099 --> 00:48:35,190  
sky clock and the most powerful

1262  
00:48:38,839 --> 00:48:37,109  
organizations the world never lost track

1263  
00:48:41,599 --> 00:48:38,849

of the sky clock do you remember back

1264

00:48:43,309 --> 00:48:41,609

when they made a big deal out of Ronald

1265

00:48:45,019 --> 00:48:43,319

Reagan or Nancy rigged and had an

1266

00:48:47,029 --> 00:48:45,029

astrologer in there oh my god they're

1267

00:48:50,660 --> 00:48:47,039

making decisions based on hocus pocus

1268

00:48:52,219 --> 00:48:50,670

and they made it look silly again but

1269

00:48:54,259 --> 00:48:52,229

they show it flat out there was in fact

1270

00:48:56,749 --> 00:48:54,269

an astrologer going into the White House

1271

00:48:58,219 --> 00:48:56,759

and you can see the game that gets

1272

00:48:59,719 --> 00:48:58,229

played to make people think it's

1273

00:49:01,969 --> 00:48:59,729

ridiculous and then you pick up the

1274

00:49:04,939 --> 00:49:01,979

Sunday paper and there is a ridiculous

1275

00:49:07,430 --> 00:49:04,949

example of astrology and all these

1276

00:49:10,370 --> 00:49:07,440

efforts are made to detach human beings

1277

00:49:12,559 --> 00:49:10,380

from the natural cycles of time and the

1278

00:49:15,319 --> 00:49:12,569

natural cycles of time are dictated by

1279

00:49:16,999 --> 00:49:15,329

the sky clock and also I would add I'm

1280

00:49:19,849 --> 00:49:17,009

of a mind that history does in fact

1281

00:49:22,160 --> 00:49:19,859

repeat itself or if you knew the

1282

00:49:24,079 --> 00:49:22,170

previous comparable cycle you would have

1283

00:49:26,539 --> 00:49:24,089

a better idea of the possibilities that

1284

00:49:27,920 --> 00:49:26,549

could occur and by the way I would close

1285

00:49:29,390 --> 00:49:27,930

my little thought here

1286

00:49:33,080 --> 00:49:29,400

the oldest encoding

1287

00:49:35,360 --> 00:49:33,090

9:11 I've ever seen was from a Golden

1288

00:49:37,220 --> 00:49:35,370

Age movie 1930s Hollywood where they

1289

00:49:40,040 --> 00:49:37,230

kept encoding it on a clock on the wall

1290

00:49:42,880 --> 00:49:40,050

so it shows how far in advance these

1291

00:49:45,590 --> 00:49:42,890

things are thought about well said and

1292

00:49:48,410 --> 00:49:45,600

since we're talking about this stuff and

1293

00:49:49,910 --> 00:49:48,420

I find it to be so fun in that episode I

1294

00:49:52,820 --> 00:49:49,920

mentioned where you are talking about

1295

00:49:54,830 --> 00:49:52,830

that moon challenge you also talked

1296

00:49:57,380 --> 00:49:54,840

about trying to film the planets and

1297

00:49:59,630 --> 00:49:57,390

that you can actually get a better focus

1298

00:50:01,910 --> 00:49:59,640

on Saturn or Jupiter than you can on

1299

00:50:05,120 --> 00:50:01,920

Mars which is curious because they say

1300

00:50:06,830 --> 00:50:05,130

Mars is closer a person might say that

1301  
00:50:08,840 --> 00:50:06,840  
Saturn and Jupiter are supposed to be

1302  
00:50:10,610 --> 00:50:08,850  
much bigger but you made the comment

1303  
00:50:12,560 --> 00:50:10,620  
that you don't agree with the solar

1304  
00:50:15,830 --> 00:50:12,570  
system as presented or the distances

1305  
00:50:18,620 --> 00:50:15,840  
were given and also had a line about

1306  
00:50:21,080 --> 00:50:18,630  
looking at the areas we call the poles

1307  
00:50:24,230 --> 00:50:21,090  
on these so-called planets but you don't

1308  
00:50:26,300 --> 00:50:24,240  
agree with that language either and I'm

1309  
00:50:29,240 --> 00:50:26,310  
not surprised by that because all this

1310  
00:50:31,250 --> 00:50:29,250  
would kind of go against a person's view

1311  
00:50:33,650 --> 00:50:31,260  
that we're in a closed system but what

1312  
00:50:35,630 --> 00:50:33,660  
would you say about their distances or

1313  
00:50:38,330 --> 00:50:35,640

what it is we're even looking at with

1314

00:50:40,430 --> 00:50:38,340

the planets have your ideas here evolved

1315

00:50:42,200 --> 00:50:40,440

it all or do you have anything to say

1316

00:50:44,950 --> 00:50:42,210

about how to incorporate what we're

1317

00:50:47,360 --> 00:50:44,960

seeing out there with a closed system

1318

00:50:49,340 --> 00:50:47,370

think about what's going on now which

1319

00:50:52,130 --> 00:50:49,350

you opened up with where people are

1320

00:50:53,570 --> 00:50:52,140

putting on masks and you're separated

1321

00:50:55,130 --> 00:50:53,580

you know that's the first step in

1322

00:50:57,050 --> 00:50:55,140

alchemy the breaking apart

1323

00:50:59,150 --> 00:50:57,060

pharmaceutical companies use alchemy

1324

00:51:02,330 --> 00:50:59,160

they just use the first step not the

1325

00:51:04,550 --> 00:51:02,340

second to the full three steps for

1326  
00:51:06,920 --> 00:51:04,560  
science in line with nature would be the

1327  
00:51:09,170 --> 00:51:06,930  
breaking apart the purification than the

1328  
00:51:11,780 --> 00:51:09,180  
alchemical wedding or the recombination

1329  
00:51:13,610 --> 00:51:11,790  
and then exalting which only human

1330  
00:51:15,890 --> 00:51:13,620  
beings can interact with nature in this

1331  
00:51:17,180 --> 00:51:15,900  
way what pharmaceuticals do for the most

1332  
00:51:19,010 --> 00:51:17,190  
part is they do the breaking apart

1333  
00:51:20,450 --> 00:51:19,020  
that's what's been done to all US with

1334  
00:51:22,790 --> 00:51:20,460  
the distancing they did the breaking

1335  
00:51:25,940 --> 00:51:22,800  
apart now when you take it out to the

1336  
00:51:28,160 --> 00:51:25,950  
sky clock what you'll realize is so many

1337  
00:51:30,680 --> 00:51:28,170  
of the systems of this world are made to

1338  
00:51:33,440 --> 00:51:30,690

convince that you are minuscule and of

1339

00:51:36,530 --> 00:51:33,450

no consequence so many of the systems

1340

00:51:38,990 --> 00:51:36,540

it's actually the exact opposite you are

1341

00:51:41,180 --> 00:51:39,000

a living human man or a living human

1342

00:51:42,769 --> 00:51:41,190

woman that was given the divine spark

1343

00:51:44,839 --> 00:51:42,779

you are above

1344

00:51:48,169 --> 00:51:44,849

all other things and apparently the

1345

00:51:50,779 --> 00:51:48,179

caretaker of this creation you are not

1346

00:51:52,729 --> 00:51:50,789

just not insignificant you are the most

1347

00:51:56,630 --> 00:51:52,739

important thing here this place was made

1348

00:51:58,729 --> 00:51:56,640

for you literally made for you and so

1349

00:52:00,979 --> 00:51:58,739

you see these things where they try to

1350

00:52:03,079 --> 00:52:00,989

draw a picture that is so massive you

1351  
00:52:05,809 --> 00:52:03,089  
couldn't possibly wrap your head around

1352  
00:52:08,719 --> 00:52:05,819  
it that near a star is so far it makes

1353  
00:52:10,699 --> 00:52:08,729  
you feel smaller than a molecule yet the

1354  
00:52:13,219 --> 00:52:10,709  
opposite from my point of view is true

1355  
00:52:14,989 --> 00:52:13,229  
when I think of the sky clock and the

1356  
00:52:16,579 --> 00:52:14,999  
Sun and the moon and all what I call

1357  
00:52:18,890 --> 00:52:16,589  
luminaries because I don't use the word

1358  
00:52:21,979 --> 00:52:18,900  
planets anymore when I think of all the

1359  
00:52:25,249 --> 00:52:21,989  
luminaries I think of them as being here

1360  
00:52:28,880 --> 00:52:25,259  
with me in part of this system which was

1361  
00:52:31,880 --> 00:52:28,890  
made for me and you and each of us so

1362  
00:52:34,219 --> 00:52:31,890  
why we're here why this is here so I

1363  
00:52:35,569 --> 00:52:34,229

take the the polar opposite view that

1364

00:52:36,709 --> 00:52:35,579

maybe NASA would be trying to

1365

00:52:40,009 --> 00:52:36,719

demonstrate that you're just an

1366

00:52:42,709 --> 00:52:40,019

insignificant microscopic speck in the

1367

00:52:45,049 --> 00:52:42,719

scheme of things I have done enough

1368

00:52:47,359 --> 00:52:45,059

research and enough hands-on observation

1369

00:52:49,429 --> 00:52:47,369

that I take the exact opposite point of

1370

00:52:50,630 --> 00:52:49,439

view and I think the most important

1371

00:52:52,459 --> 00:52:50,640

thing in this world is what gets

1372

00:52:54,739 --> 00:52:52,469

minimized and is being minimized right

1373

00:52:57,079 --> 00:52:54,749

now the importance of a living man or a

1374

00:52:59,630 --> 00:52:57,089

living woman each of us carrying the

1375

00:53:02,419 --> 00:52:59,640

divine spark we are not insignificant we

1376

00:53:04,789 --> 00:53:02,429

are not unimportant each of us is the

1377

00:53:07,249 --> 00:53:04,799

exact opposite but you see thinking like

1378

00:53:10,039 --> 00:53:07,259

this gets in the way of a new world

1379

00:53:12,439 --> 00:53:10,049

order that wants to reduce population or

1380

00:53:14,959 --> 00:53:12,449

control everyone or play God basically

1381

00:53:17,989 --> 00:53:14,969

but the truth there is they can't play

1382

00:53:20,509 --> 00:53:17,999

God they can't make a living fish or an

1383

00:53:23,029 --> 00:53:20,519

oak tree from scratch therefore they

1384

00:53:25,339 --> 00:53:23,039

cannot be gods of this place and that's

1385

00:53:27,649 --> 00:53:25,349

where technology comes in so they're

1386

00:53:29,569 --> 00:53:27,659

making this artificial control system

1387

00:53:32,539 --> 00:53:29,579

based on technology that they can't in

1388

00:53:35,749 --> 00:53:32,549

fact kind of be the gods of but it is a

1389

00:53:37,989 --> 00:53:35,759

far cry from nature and I don't know how

1390

00:53:41,479 --> 00:53:37,999

well I I answered it's a hard thing to

1391

00:53:43,969 --> 00:53:41,489

communicate to people on a lark mm-hmm

1392

00:53:46,609 --> 00:53:43,979

yes well I definitely agree with the

1393

00:53:50,209 --> 00:53:46,619

idea that they have overlaid systems

1394

00:53:53,650 --> 00:53:50,219

that we could say transmutate or invert

1395

00:53:57,279 --> 00:53:53,660

the natural systems natural sciences

1396

00:54:02,620 --> 00:53:57,289

natural energy systems natural medicine

1397

00:54:04,180 --> 00:54:02,630

it's all flip and a reversal of what we

1398

00:54:05,620 --> 00:54:04,190

know to be true when we look at the

1399

00:54:08,140 --> 00:54:05,630

things that have been suppressed in all

1400

00:54:10,240 --> 00:54:08,150

three of those areas yeah I don't think

1401  
00:54:12,760 --> 00:54:10,250  
there's any doubt about that but when

1402  
00:54:14,559 --> 00:54:12,770  
you look around at what's going on now

1403  
00:54:17,440 --> 00:54:14,569  
think about what I said about the

1404  
00:54:20,260 --> 00:54:17,450  
alchemical processes all alchemical

1405  
00:54:22,720 --> 00:54:20,270  
processes are locked to the sky clock

1406  
00:54:24,779 --> 00:54:22,730  
and did you know that important

1407  
00:54:27,250 --> 00:54:24,789  
alchemical processes start in the spring

1408  
00:54:29,140 --> 00:54:27,260  
well this started on 3/11

1409  
00:54:32,170 --> 00:54:29,150  
it's an alchemical process it's the

1410  
00:54:33,880 --> 00:54:32,180  
misuse of alchemy it's what it is it's

1411  
00:54:35,589 --> 00:54:33,890  
not only locked to the sky clock it's

1412  
00:54:38,440 --> 00:54:35,599  
starting when it should and each little

1413  
00:54:40,359 --> 00:54:38,450

step moving forward will occur when it

1414

00:54:42,910 --> 00:54:40,369

should for this outcome that most of us

1415

00:54:45,279 --> 00:54:42,920

are unaware of but at the base of being

1416

00:54:48,010 --> 00:54:45,289

aware or not aware if you just

1417

00:54:50,349 --> 00:54:48,020

understand how important human beings

1418

00:54:52,029 --> 00:54:50,359

are each of us I describe it as having

1419

00:54:55,539 --> 00:54:52,039

the divine spark and what that basically

1420

00:54:57,640 --> 00:54:55,549

means is that you and I don't have to

1421

00:55:00,010 --> 00:54:57,650

live like an animal if you go into the

1422

00:55:01,779 --> 00:55:00,020

woods and you see a deer and a noises

1423

00:55:03,039 --> 00:55:01,789

made that deer goes oh my god man

1424

00:55:05,200 --> 00:55:03,049

there's a noise I got to run for my life

1425

00:55:07,170 --> 00:55:05,210

and truly he does got to run for his

1426

00:55:10,990 --> 00:55:07,180

life that's the life of an animal

1427

00:55:13,299 --> 00:55:11,000

reacting to everything all day long they

1428

00:55:15,400 --> 00:55:13,309

react they're not planning for the most

1429

00:55:17,470 --> 00:55:15,410

part they're reacting a human being is

1430

00:55:19,660 --> 00:55:17,480

the polar opposite of that we do not

1431

00:55:22,420 --> 00:55:19,670

have to live a reactionary life when I

1432

00:55:25,450 --> 00:55:22,430

come to my door I have the freedom of

1433

00:55:27,460 --> 00:55:25,460

choice call free will and universal law

1434

00:55:29,890 --> 00:55:27,470

protects free will which all these

1435

00:55:31,539 --> 00:55:29,900

sneaky systems using fear and other

1436

00:55:33,760 --> 00:55:31,549

things so that will give up our free

1437

00:55:36,160 --> 00:55:33,770

will because if your free will is taken

1438

00:55:37,779 --> 00:55:36,170

someone has violated universal law and

1439

00:55:39,940 --> 00:55:37,789

apparently there's a price to pay but

1440

00:55:42,430 --> 00:55:39,950

you can prove that you have it go to

1441

00:55:45,099 --> 00:55:42,440

your front door and decide will I go

1442

00:55:47,559 --> 00:55:45,109

straight left right sit here or go back

1443

00:55:50,170 --> 00:55:47,569

into the house that proves the free will

1444

00:55:52,559 --> 00:55:50,180

at a very simplistic level that's such

1445

00:55:55,779 --> 00:55:52,569

an important idea because truly

1446

00:55:57,490 --> 00:55:55,789

universal law says that no one just

1447

00:55:59,920 --> 00:55:57,500

because they are powerful can deprive

1448

00:56:01,160 --> 00:55:59,930

you of your free will and that's why we

1449

00:56:02,720 --> 00:56:01,170

have

1450

00:56:04,430 --> 00:56:02,730

each of us made into a corporation with

1451  
00:56:07,010 --> 00:56:04,440  
our birth certificate because now it's

1452  
00:56:09,020 --> 00:56:07,020  
this fictitious entity or using fear as

1453  
00:56:11,089 --> 00:56:09,030  
we see now for people to give up their

1454  
00:56:12,890 --> 00:56:11,099  
rights because they're freely doing it

1455  
00:56:15,500 --> 00:56:12,900  
of their own accord but they're doing it

1456  
00:56:18,280 --> 00:56:15,510  
based on fear so I think those are

1457  
00:56:21,440 --> 00:56:18,290  
important things to consider mm-hmm I

1458  
00:56:23,870 --> 00:56:21,450  
agree and I would also say everyone has

1459  
00:56:26,089 --> 00:56:23,880  
to make their own decisions but I am NOT

1460  
00:56:28,930 --> 00:56:26,099  
getting a vaccine because the electrical

1461  
00:56:32,510 --> 00:56:28,940  
manipulations that they plan to roll out

1462  
00:56:34,039 --> 00:56:32,520  
work part and parcel with that vaccine

1463  
00:56:35,870 --> 00:56:34,049

because it's putting metals in your body

1464

00:56:37,490 --> 00:56:35,880

these things are going to affect you

1465

00:56:39,650 --> 00:56:37,500

worse when they're rolled out to the

1466

00:56:43,250 --> 00:56:39,660

best of my knowledge so I would be aware

1467

00:56:45,289 --> 00:56:43,260

of that too yeah I've stated openly I'll

1468

00:56:48,230 --> 00:56:45,299

go to my grave before I ever receive

1469

00:56:50,690 --> 00:56:48,240

another inoculation of any kind from my

1470

00:56:52,849 --> 00:56:50,700

point of view I've spent a good part of

1471

00:56:54,680 --> 00:56:52,859

my life since my twenties researching

1472

00:56:57,289 --> 00:56:54,690

hard and I don't accept that when I die

1473

00:56:59,780 --> 00:56:57,299

I'm done I think human beings go on from

1474

00:57:01,880 --> 00:56:59,790

here so from my point of view why would

1475

00:57:03,470 --> 00:57:01,890

you sell your soul on any level just to

1476

00:57:06,230 --> 00:57:03,480

be alive for the small portion of

1477

00:57:07,700 --> 00:57:06,240

forever that's the way I view it but

1478

00:57:10,490 --> 00:57:07,710

I've already made my decision

1479

00:57:13,220 --> 00:57:10,500

they no one will violate my free will I

1480

00:57:15,309 --> 00:57:13,230

will not accept an inoculation the

1481

00:57:19,039 --> 00:57:15,319

problem is is the book of Revelation

1482

00:57:21,530 --> 00:57:19,049

it's a pretty ugly picture people should

1483

00:57:22,910 --> 00:57:21,540

go look at revelation 3:11 by the way if

1484

00:57:25,490 --> 00:57:22,920

you want to see the games that get

1485

00:57:27,170 --> 00:57:25,500

played in this world 311 s the day this

1486

00:57:29,870 --> 00:57:27,180

started for us here in this part of the

1487

00:57:32,660 --> 00:57:29,880

world but the idea is put forth that you

1488

00:57:34,880 --> 00:57:32,670

won't be able to buy trade sell eat you

1489

00:57:37,609 --> 00:57:34,890

know nothing without the mark and a lot

1490

00:57:39,890 --> 00:57:37,619

of people are equated a tracking chip or

1491

00:57:41,930 --> 00:57:39,900

something to do like that with the

1492

00:57:44,089 --> 00:57:41,940

nonsense Gates has been pushing and by

1493

00:57:45,380 --> 00:57:44,099

the way why would gate Gates has no

1494

00:57:47,120 --> 00:57:45,390

medical degree as far as I know he

1495

00:57:49,599 --> 00:57:47,130

dropped out of school so who the hell is

1496

00:57:52,400 --> 00:57:49,609

he to say anything about a medical idea

1497

00:57:54,109 --> 00:57:52,410

but I've made my decision not happening

1498

00:57:57,500 --> 00:57:54,119

I'll go to my grave before I take it I

1499

00:57:59,089 --> 00:57:57,510

agree I agree and yes he's saying a lot

1500

00:58:00,770 --> 00:57:59,099

of concerning stuff kind of given the

1501  
00:58:04,789 --> 00:58:00,780  
game away talking about invisible

1502  
00:58:06,920 --> 00:58:04,799  
tattoos and ID's that have stamp on them

1503  
00:58:09,910 --> 00:58:06,930  
that show that you're Cove it's safe and

1504  
00:58:12,620 --> 00:58:09,920  
yes taking temperature outside of

1505  
00:58:14,090 --> 00:58:12,630  
restaurants and grocery stores it's like

1506  
00:58:16,100 --> 00:58:14,100  
what so someone who needs food

1507  
00:58:17,990 --> 00:58:16,110  
at a grocery store who doesn't feel good

1508  
00:58:20,930 --> 00:58:18,000  
can't get it that doesn't make any sense

1509  
00:58:23,240 --> 00:58:20,940  
what kind of system is that but well for

1510  
00:58:26,690 --> 00:58:23,250  
a world to look on where that kind of

1511  
00:58:28,220 --> 00:58:26,700  
draconian control is put you know do we

1512  
00:58:30,980 --> 00:58:28,230  
deserve what's coming if the entire

1513  
00:58:31,460 --> 00:58:30,990

world can accept that that woe to human

1514

00:58:34,460 --> 00:58:31,470

beings

1515

00:58:36,320 --> 00:58:34,470

I can't imagine ever accepting that and

1516

00:58:38,690 --> 00:58:36,330

it remains to be seen with the majority

1517

00:58:41,270 --> 00:58:38,700

of people but let's face it when you

1518

00:58:43,310 --> 00:58:41,280

talk to people now it's hit or miss a

1519

00:58:44,930 --> 00:58:43,320

lot of people are just so absorbed that

1520

00:58:47,120 --> 00:58:44,940

this is all real and they can't possibly

1521

00:58:48,830 --> 00:58:47,130

imagine that the biggest coup d'etat

1522

00:58:51,380 --> 00:58:48,840

ever known in the history of the world

1523

00:58:52,640 --> 00:58:51,390

as far as we know is under way they

1524

00:58:54,730 --> 00:58:52,650

think that this is all entirely

1525

00:58:57,620 --> 00:58:54,740

something else and the irony of that is

1526  
00:58:59,600 --> 00:58:57,630  
you know go ahead wait about 6-8 weeks

1527  
00:59:01,340 --> 00:58:59,610  
from now and then tell me what you think

1528  
00:59:03,470 --> 00:59:01,350  
just happened when the government you

1529  
00:59:05,480 --> 00:59:03,480  
thought you had doesn't exist when the

1530  
00:59:08,210 --> 00:59:05,490  
monetary system you thought you had

1531  
00:59:09,860 --> 00:59:08,220  
doesn't exist how many times have I gone

1532  
00:59:12,110 --> 00:59:09,870  
on the air to say crypto currency the

1533  
00:59:14,060 --> 00:59:12,120  
day we get crypto will be the largest

1534  
00:59:16,490 --> 00:59:14,070  
loss of freedom in the history of the

1535  
00:59:19,250 --> 00:59:16,500  
world and that has to do with the

1536  
00:59:21,290 --> 00:59:19,260  
systems that require us you know we have

1537  
00:59:23,750 --> 00:59:21,300  
to use systems we don't control for

1538  
00:59:25,940 --> 00:59:23,760

crypto it's not necessarily crypto

1539

00:59:28,460 --> 00:59:25,950

itself but these are the things they're

1540

00:59:30,680 --> 00:59:28,470

total control mechanisms that are being

1541

00:59:33,920 --> 00:59:30,690

brought to bear and if you have become

1542

00:59:37,220 --> 00:59:33,930

so narrow-minded as to so willingly give

1543

00:59:39,530 --> 00:59:37,230

up your freedom as a human being for

1544

00:59:41,270 --> 00:59:39,540

fear then we're all in trouble because

1545

00:59:43,670 --> 00:59:41,280

when you see something taken away so

1546

00:59:46,070 --> 00:59:43,680

many freedoms and your identity with a

1547

00:59:48,350 --> 00:59:46,080

mask and your ability to shop for food

1548

00:59:52,550 --> 00:59:48,360

you should have already been questioning

1549

00:59:54,020 --> 00:59:52,560

is any of this legit and by the way we

1550

00:59:56,510 --> 00:59:54,030

were stopped a number of times here

1551  
00:59:58,400 --> 00:59:56,520  
about the masks and I simply said you're

1552  
01:00:01,160 --> 00:59:58,410  
violating my constitutional rights if

1553  
01:00:03,800 --> 01:00:01,170  
you tell me I have to put on a mask or I

1554  
01:00:05,810 --> 01:00:03,810  
can't shop here and I wasn't stopped

1555  
01:00:08,030 --> 01:00:05,820  
once and as a matter of fact I'll be

1556  
01:00:10,040 --> 01:00:08,040  
very interested to see those few brave

1557  
01:00:11,720 --> 01:00:10,050  
souls who do stand up for the things

1558  
01:00:13,520 --> 01:00:11,730  
that they think are correct when this

1559  
01:00:15,800 --> 01:00:13,530  
ends up going to court on the backside

1560  
01:00:17,630 --> 01:00:15,810  
the scary part about that is do we still

1561  
01:00:19,040 --> 01:00:17,640  
have the court system who we thought we

1562  
01:00:22,160 --> 01:00:19,050  
had or will it be something of a point

1563  
01:00:24,740 --> 01:00:22,170

is if there is any semblance of the idea

1564

01:00:26,090 --> 01:00:24,750

of Rights and Constitution or any of the

1565

01:00:27,280 --> 01:00:26,100

things that supposedly built this

1566

01:00:29,560 --> 01:00:27,290

country none

1567

01:00:31,870 --> 01:00:29,570

that's defensible but it remains to be

1568

01:00:39,040 --> 01:00:31,880

seen who's running what when the dust

1569

01:00:42,520 --> 01:00:39,050

clears mmm well said well said man this

1570

01:00:44,590 --> 01:00:42,530

has been really awesome it's you know

1571

01:00:46,330 --> 01:00:44,600

mixed bag we talked about some fun stuff

1572

01:00:49,240 --> 01:00:46,340

we talked about some very scary stuff

1573

01:00:51,670 --> 01:00:49,250

but it is all interesting and it's

1574

01:00:53,320 --> 01:00:51,680

definitely a pleasure keep up the great

1575

01:00:53,890 --> 01:00:53,330

work with the show and don't be a

1576

01:00:55,930 --> 01:00:53,900

stranger

1577

01:00:57,760 --> 01:00:55,940

as you mentioned I was one of the first

1578

01:00:59,950 --> 01:00:57,770

people to interview you and I remember

1579

01:01:02,860 --> 01:00:59,960

when I called and it took some

1580

01:01:04,960 --> 01:01:02,870

convincing we had that lemon Airy phone

1581

01:01:08,230 --> 01:01:04,970

call and I guess I put you these enough

1582

01:01:11,020 --> 01:01:08,240

because the rest is history and it's

1583

01:01:13,420 --> 01:01:11,030

just been a fun ride man so I appreciate

1584

01:01:15,010 --> 01:01:13,430

you you know take care out there keep

1585

01:01:17,320 --> 01:01:15,020

doing what you do let the people know

1586

01:01:19,030 --> 01:01:17,330

one more time if they don't already I'm

1587

01:01:20,560 --> 01:01:19,040

sure they do but we're to follow up with

1588

01:01:22,060 --> 01:01:20,570

you and all that good stuff anything you

1589

01:01:23,620 --> 01:01:22,070

want to leave them with all right you

1590

01:01:25,780 --> 01:01:23,630

know what actually I remember my wife

1591

01:01:28,060 --> 01:01:25,790

and I remembered you were in fact the

1592

01:01:29,530 --> 01:01:28,070

first person to interview me and I as

1593

01:01:31,630 --> 01:01:29,540

you said that I remembered the call

1594

01:01:34,570 --> 01:01:31,640

where I wasn't even sure I wanted to do

1595

01:01:36,280 --> 01:01:34,580

it but the outcome and that started a

1596

01:01:40,720 --> 01:01:36,290

whole trajectory anyhow people can find

1597

01:01:43,720 --> 01:01:40,730

me at crow triple7 radio.com that crr bo

1598

01:01:46,090 --> 01:01:43,730

w 777 radio.com

1599

01:01:47,860 --> 01:01:46,100

that's my private server and I don't use

1600

01:01:50,590 --> 01:01:47,870

a media server I serve all my own

1601

01:01:53,470 --> 01:01:50,600

private content and hope that I can

1602

01:01:55,330 --> 01:01:53,480

somehow help keep free speech alive we

1603

01:01:56,890 --> 01:01:55,340

run the first hour for free as Greg does

1604

01:01:58,570 --> 01:01:56,900

a matter of fact I modeled most of what

1605

01:02:00,550 --> 01:01:58,580

I did on how you were doing it at the

1606

01:02:03,850 --> 01:02:00,560

time but when I think back all those

1607

01:02:05,620 --> 01:02:03,860

years Greg who knew who knew that all

1608

01:02:07,900 --> 01:02:05,630

the things we were talking about we're

1609

01:02:10,450 --> 01:02:07,910

about to happen because here we are now

1610

01:02:12,370 --> 01:02:10,460

but anyhow thanks so much and let's not

1611

01:02:15,400 --> 01:02:12,380

let two years go by for next time

1612

01:02:19,520 --> 01:02:15,410

yes I agree all right man keep doing the

1613

01:02:21,950 --> 01:02:19,530

good work and take care out there Cheers

1614

01:02:28,819 --> 01:02:25,069

oh oh it's magic dear people the big

1615

01:02:32,150 --> 01:02:28,829

return of our old friend crow everybody

1616

01:02:35,270 --> 01:02:32,160

loves a crow show I enjoyed it I hope

1617

01:02:37,430 --> 01:02:35,280

you enjoyed it in times of trouble it is

1618

01:02:39,920 --> 01:02:37,440

nice to check in with them and see how

1619

01:02:43,339 --> 01:02:39,930

he's processing and handling such a

1620

01:02:46,130 --> 01:02:43,349

sudden clamp down on reality such a

1621

01:02:49,670 --> 01:02:46,140

thorn in the side of anyone just trying

1622

01:02:52,460 --> 01:02:49,680

to live a normal life I also felt like

1623

01:02:55,250 --> 01:02:52,470

it was the last piece of a certain

1624

01:02:57,980 --> 01:02:55,260

puzzle or a way to close a certain loop

1625

01:03:02,270 --> 01:02:57,990

because I had dawn luster and David

1626  
01:03:05,599 --> 01:03:02,280  
Parker on crow had dr. Andy Kaufman on

1627  
01:03:07,700 --> 01:03:05,609  
and then we both switched and not only

1628  
01:03:10,490 --> 01:03:07,710  
that but then dr. Kaufman had dawn and

1629  
01:03:12,440 --> 01:03:10,500  
David on his YouTube channel and me and

1630  
01:03:14,750 --> 01:03:12,450  
Crow who've talked to each other the

1631  
01:03:17,599 --> 01:03:14,760  
most were the only ones who hadn't done

1632  
01:03:20,569 --> 01:03:17,609  
so in this situation so I figured we'd

1633  
01:03:24,140 --> 01:03:20,579  
complete the circuit good magic right

1634  
01:03:26,599 --> 01:03:24,150  
and I still get emails from time to time

1635  
01:03:28,220 --> 01:03:26,609  
about why I used to have crow on like

1636  
01:03:30,500 --> 01:03:28,230  
every couple of months for a while there

1637  
01:03:33,620 --> 01:03:30,510  
and now he's barely on I mean we just

1638  
01:03:36,470 --> 01:03:33,630

said it's been two years and people do

1639

01:03:38,569 --> 01:03:36,480

love to dig for drama but there really

1640

01:03:41,000 --> 01:03:38,579

isn't any here he just started his own

1641

01:03:44,000 --> 01:03:41,010

show it's a lot of work to just maintain

1642

01:03:47,180 --> 01:03:44,010

a podcast and a premium membership on an

1643

01:03:49,640 --> 01:03:47,190

ongoing basis I also think maybe our

1644

01:03:53,480 --> 01:03:49,650

interests and thoughts on things drifted

1645

01:03:55,849 --> 01:03:53,490

apart for a while too but that's fine we

1646

01:03:58,220 --> 01:03:55,859

still like each other and in this sort

1647

01:04:00,680 --> 01:03:58,230

of situation it suddenly becomes less

1648

01:04:04,030 --> 01:04:00,690

important what we think about aliens or

1649

01:04:06,620 --> 01:04:04,040

stars or if our system is open or closed

1650

01:04:09,109 --> 01:04:06,630

it's fun to talk about and I certainly

1651  
01:04:11,420 --> 01:04:09,119  
made sure we had some room left for it

1652  
01:04:15,370 --> 01:04:11,430  
but these are [h\_\_\h] Handmaid's Tale

1653  
01:04:18,349 --> 01:04:15,380  
times people we got to reestablish our

1654  
01:04:20,510 --> 01:04:18,359  
connections and if you haven't seen or

1655  
01:04:23,900 --> 01:04:20,520  
read a Handmaid's Tale it's a pretty

1656  
01:04:27,170 --> 01:04:23,910  
extreme dystopia and I never thought we

1657  
01:04:29,240 --> 01:04:27,180  
would even get halfway there but in it

1658  
01:04:32,620 --> 01:04:29,250  
the world suffers a devastating virus

1659  
01:04:34,240 --> 01:04:32,630  
the u.s. is taken over by right-wing

1660  
01:04:36,220 --> 01:04:34,250  
evangelicals

1661  
01:04:38,830 --> 01:04:36,230  
and because people suffer from

1662  
01:04:41,680 --> 01:04:38,840  
widespread infertility they test

1663  
01:04:44,230 --> 01:04:41,690

everyone they find the women who can get

1664

01:04:47,280 --> 01:04:44,240

pregnant and they assign them to be

1665

01:04:50,320 --> 01:04:47,290

elite families the elite men basically

1666

01:04:52,570 --> 01:04:50,330

but you know how babies are made so

1667

01:04:54,400 --> 01:04:52,580

right we're not quite there yet but what

1668

01:04:58,120 --> 01:04:54,410

I always found creepiest about The

1669

01:05:00,970 --> 01:04:58,130

Handmaid's Tale dystopia is that out on

1670

01:05:04,950 --> 01:05:00,980

the streets people can only walk two by

1671

01:05:07,440 --> 01:05:04,960

two with an assigned friend essentially

1672

01:05:10,079 --> 01:05:07,450

and if you talk to other people or even

1673

01:05:13,950 --> 01:05:10,089

get near them guys with guns will break

1674

01:05:16,650 --> 01:05:13,960

you up there seems of people trying to

1675

01:05:18,839 --> 01:05:16,660

communicate and coordinate within the

1676

01:05:21,060 --> 01:05:18,849

grocery store and they get broken up and

1677

01:05:23,460 --> 01:05:21,070

I always thought well how could the

1678

01:05:26,880 --> 01:05:23,470

system ever justify that kind of

1679

01:05:30,180 --> 01:05:26,890

behavior and here we are but the icing

1680

01:05:32,970 --> 01:05:30,190

on the syncro mystic cake is that this

1681

01:05:35,160 --> 01:05:32,980

new country that they form out of the

1682

01:05:38,400 --> 01:05:35,170

rubble of the United States is called

1683

01:05:40,290 --> 01:05:38,410

Gilead and if you can still stomach

1684

01:05:43,530 --> 01:05:40,300

following the news you've probably heard

1685

01:05:46,710 --> 01:05:43,540

about this effective new drug called REM

1686

01:05:49,950 --> 01:05:46,720

des avear showing so much promise

1687

01:05:54,099 --> 01:05:49,960

against kovat 19 and who makes that drug

1688

01:05:56,769 --> 01:05:54,109

a company called Gilead

1689

01:05:58,839 --> 01:05:56,779

it's nuts it's the single craziest sink

1690

01:06:00,460 --> 01:05:58,849

in this whole coronavirus saga that

1691

01:06:02,859 --> 01:06:00,470

makes me think the barrier between

1692

01:06:06,519 --> 01:06:02,869

fiction and reality is not nearly as

1693

01:06:09,239 --> 01:06:06,529

solid as we think it is we've had that

1694

01:06:13,150 --> 01:06:09,249

discussion before but this Gilead thing

1695

01:06:16,630 --> 01:06:13,160

almost pushed me over the edge into Jim

1696

01:06:19,960 --> 01:06:16,640

Carrey number 23 territory am I losing

1697

01:06:22,539 --> 01:06:19,970

my mind I'm not sure but the real

1698

01:06:25,809 --> 01:06:22,549

alignment the real common ground between

1699

01:06:29,799 --> 01:06:25,819

Crowe and I lately has been an interest

1700

01:06:33,880 --> 01:06:29,809

in Natural Sciences lost arts plant

1701

01:06:35,440 --> 01:06:33,890

alchemy speed Gerak's herbology this

1702

01:06:39,609 --> 01:06:35,450

sort of thing I feel like it's very

1703

01:06:42,160 --> 01:06:39,619

niche and not a lot of people seem to

1704

01:06:45,579 --> 01:06:42,170

care about it I mean I think our

1705

01:06:48,190 --> 01:06:45,589

audiences do and we do but it's a little

1706

01:06:51,549 --> 01:06:48,200

bit harder to find experts to interview

1707

01:06:55,569 --> 01:06:51,559

in these places as opposed to like

1708

01:06:59,769 --> 01:06:55,579

ufology you know I contacted a few of

1709

01:07:03,160 --> 01:06:59,779

the most respected herbologists natural

1710

01:07:05,799 --> 01:07:03,170

paths out there a little while back and

1711

01:07:08,289 --> 01:07:05,809

I was in communication with two of them

1712

01:07:11,019 --> 01:07:08,299

and they both said I looked at your show

1713

01:07:13,930 --> 01:07:11,029

and I don't think I'm a good fit which

1714

01:07:16,029 --> 01:07:13,940

happens to us sometimes maybe I just

1715

01:07:18,640 --> 01:07:16,039

done underground cloning centers with

1716

01:07:21,940 --> 01:07:18,650

Donald Marshall or something but I just

1717

01:07:25,450 --> 01:07:21,950

found it easier to approach Natural

1718

01:07:28,239 --> 01:07:25,460

Sciences through free energy ether

1719

01:07:31,239 --> 01:07:28,249

physics electrogravitic propulsion and

1720

01:07:34,630 --> 01:07:31,249

that sort of stuff as well as the power

1721

01:07:36,880 --> 01:07:34,640

of sunlight red light therapy and the

1722

01:07:39,970 --> 01:07:36,890

importance of structured cell water for

1723

01:07:42,640 --> 01:07:39,980

health but it seems like Crowe has some

1724

01:07:45,309 --> 01:07:42,650

good contacts in the ER biology or

1725

01:07:48,069 --> 01:07:45,319

spatterix Department and I'll probably

1726

01:07:50,019 --> 01:07:48,079

take him up on that and it is funny that

1727

01:07:52,299 --> 01:07:50,029

they're finally giving people one

1728

01:07:54,370 --> 01:07:52,309

natural solution to the virus they are

1729

01:07:57,970 --> 01:07:54,380

saying on the news that it can't survive

1730

01:08:00,819 --> 01:07:57,980

in sunlight for very long stay inside

1731

01:08:03,339 --> 01:08:00,829

the beach and parks are closed but hey

1732

01:08:06,340 --> 01:08:03,349

you should know how medicinal the Sun is

1733

01:08:09,160 --> 01:08:06,350

and of course I think a lot of us

1734

01:08:11,770 --> 01:08:09,170

just taking this situation day by day I

1735

01:08:13,330 --> 01:08:11,780

know my mood fluctuates a lot based on

1736

01:08:15,760 --> 01:08:13,340

how many friends are willing to break

1737

01:08:17,650 --> 01:08:15,770

the rules to hang out with me recently

1738

01:08:20,260 --> 01:08:17,660

it's been more and more and I'm quite

1739

01:08:22,240 --> 01:08:20,270

grateful for that and I find once you

1740

01:08:24,730 --> 01:08:22,250

get together with a group of six or

1741

01:08:26,890 --> 01:08:24,740

eight people everyone breathes a big

1742

01:08:29,830 --> 01:08:26,900

sigh of relief and within 30 minutes

1743

01:08:31,480 --> 01:08:29,840

it's like nothing ever changed and at

1744

01:08:33,790 --> 01:08:31,490

the end of the night nobody really wants

1745

01:08:36,490 --> 01:08:33,800

to leave because you already took the

1746

01:08:39,460 --> 01:08:36,500

risk quote-unquote and you just got to

1747

01:08:41,530 --> 01:08:39,470

start all over tomorrow but once it's

1748

01:08:43,750 --> 01:08:41,540

happened for our first time once you've

1749

01:08:46,300 --> 01:08:43,760

broken that seal I think it gets a

1750

01:08:48,280 --> 01:08:46,310

little bit easier so I'm in a pretty

1751

01:08:51,870 --> 01:08:48,290

good mood because I'm getting back to

1752

01:08:54,310 --> 01:08:51,880

normal life on a small social scale and

1753

01:08:58,120 --> 01:08:54,320

I get the sense that more and more

1754

01:09:02,200 --> 01:08:58,130

people are switching gears from being in

1755

01:09:03,190 --> 01:09:02,210

virus fear mode to being more na well

1756

01:09:06,910 --> 01:09:03,200

what's open

1757

01:09:09,550 --> 01:09:06,920

what am I allowed to do mode and I'm

1758

01:09:12,820 --> 01:09:09,560

cool with that I'm also talking to you

1759

01:09:15,250 --> 01:09:12,830

one day after the doctor Judy mica bits

1760

01:09:17,560 --> 01:09:15,260

interview that spread like wildfire and

1761

01:09:20,530 --> 01:09:17,570

all this marketing for the planned emic

1762

01:09:23,590 --> 01:09:20,540

documentary seems like it's going to be

1763

01:09:24,220 --> 01:09:23,600

the loose change or the zeitgeist of our

1764

01:09:26,680 --> 01:09:24,230

day

1765

01:09:29,860 --> 01:09:26,690

and I'm also cool with that I know

1766

01:09:31,510 --> 01:09:29,870

people have a lot of problems with those

1767

01:09:34,800 --> 01:09:31,520

particular documentaries or they're

1768

01:09:39,700 --> 01:09:34,810

sketched out by them I understand that

1769

01:09:42,460 --> 01:09:39,710

but I prefer to focus on the positives

1770

01:09:44,320 --> 01:09:42,470

and the silver linings even though they

1771

01:09:46,180 --> 01:09:44,330

probably aren't perfect and they're

1772

01:09:48,640 --> 01:09:46,190

probably Co Intel to some degree

1773

01:09:51,220 --> 01:09:48,650

whatever whatever we need one of those

1774

01:09:54,130 --> 01:09:51,230

documentaries you could say out of the

1775

01:09:56,680 --> 01:09:54,140

shadows was one and yes they did use

1776

01:09:59,340 --> 01:09:56,690

clips from THC just a couple just maybe

1777

01:10:01,450 --> 01:09:59,350

even one but I am in that documentary

1778

01:10:04,400 --> 01:10:01,460

though I wasn't asked

1779

01:10:06,140 --> 01:10:04,410

yada-yada I've said this before

1780

01:10:09,310 --> 01:10:06,150

but out of the shadows is just about

1781

01:10:12,200 --> 01:10:09,320

pedophilia rings amongst the elite and

1782

01:10:15,230 --> 01:10:12,210

we've been down that road and yes it's

1783

01:10:18,230 --> 01:10:15,240

dark and real but it's also something

1784

01:10:20,810 --> 01:10:18,240

that's going on out there as opposed to

1785

01:10:23,240 --> 01:10:20,820

a movie like this planned emic thing

1786

01:10:26,030 --> 01:10:23,250

which clearly is affecting all of us on

1787

01:10:27,980 --> 01:10:26,040

a pretty personal level so I think it's

1788

01:10:30,230 --> 01:10:27,990

a good thing I obviously have questions

1789

01:10:33,020 --> 01:10:30,240

about it seems sort of like enough it

1790

01:10:36,080 --> 01:10:33,030

spread way too fast and something kind

1791

01:10:38,120 --> 01:10:36,090

of smells but the silver lining is that

1792

01:10:38,960 --> 01:10:38,130

people in my life watched it who would

1793

01:10:41,570 --> 01:10:38,970

never

1794

01:10:44,360 --> 01:10:41,580

typically watch such a thing and that's

1795

01:10:46,640 --> 01:10:44,370

beautiful I must have said welcome to my

1796

01:10:50,510 --> 01:10:46,650

world about seven or eight times

1797

01:10:52,760 --> 01:10:50,520

yesterday and I really don't care how

1798

01:10:54,740 --> 01:10:52,770

much my friends and family believe what

1799

01:10:57,110 --> 01:10:54,750

they saw in that interview I just want

1800

01:11:00,280 --> 01:10:57,120

them to understand where I come from

1801

01:11:04,580 --> 01:11:00,290

I just want our differences to be less

1802

01:11:06,800 --> 01:11:04,590

polarized less black-and-white and in

1803

01:11:07,640 --> 01:11:06,810

that regard it's been mission

1804

01:11:09,950 --> 01:11:07,650

accomplished

1805

01:11:13,010 --> 01:11:09,960

I don't know I guess you guys just

1806

01:11:14,930 --> 01:11:13,020

caught me in a hopeful moment maybe it's

1807

01:11:17,990 --> 01:11:14,940

because my guest wasn't being shitty to

1808

01:11:21,290 --> 01:11:18,000

me the whole time this week I don't know

1809

01:11:24,200 --> 01:11:21,300

I don't know but I also think the global

1810

01:11:26,270 --> 01:11:24,210

vaccine plan is sort of falling apart I

1811

01:11:28,970 --> 01:11:26,280

think that trauma spell is wearing off a

1812

01:11:31,880 --> 01:11:28,980

bit hopefully you're feeling the same

1813

01:11:34,490 --> 01:11:31,890

way in your inner circles despite the

1814

01:11:37,250 --> 01:11:34,500

very hot and cold protocols being handed

1815

01:11:41,330 --> 01:11:37,260

out by the system but we live our lives

1816

01:11:43,280 --> 01:11:41,340

in spite of the system right sure maybe

1817

01:11:43,670 --> 01:11:43,290

parts of the food supply are tightening

1818

01:11:45,740 --> 01:11:43,680

up

1819

01:11:48,380 --> 01:11:45,750

maybe you can't go out and get a hormone

1820

01:11:50,740 --> 01:11:48,390

filled double-breasted GMO Tison

1821

01:11:55,010 --> 01:11:50,750

factory-farmed Franken chicken right now

1822

01:11:57,710 --> 01:11:55,020

but we will overcome and yeah Bill Gates

1823

01:12:00,470 --> 01:11:57,720

is out there talking about invisible Co

1824

01:12:03,080 --> 01:12:00,480

vid tattoos and contact tracking apps

1825

01:12:06,230 --> 01:12:03,090

and no social gatherings until we have a

1826

01:12:09,459 --> 01:12:06,240

global vaccine but I think it's just a

1827

01:12:13,220 --> 01:12:09,469

bridge too far you played yourself bill

1828

01:12:16,250 --> 01:12:13,230

and as scary as that plan has been

1829

01:12:19,160 --> 01:12:16,260

I've been saying since we started

1830

01:12:22,640 --> 01:12:19,170

talking about this remember a plan is

1831

01:12:24,770 --> 01:12:22,650

not set in stone and I never want to

1832

01:12:26,620 --> 01:12:24,780

talk about their plans as if they're

1833

01:12:28,510 --> 01:12:26,630

already complete

1834

01:12:30,910 --> 01:12:28,520

and we didn't really talk too much about

1835

01:12:32,620 --> 01:12:30,920

the economic games being played in all

1836

01:12:35,080 --> 01:12:32,630

this because it's really not either of

1837

01:12:38,080 --> 01:12:35,090

our departments but I am hearing more

1838

01:12:39,940 --> 01:12:38,090

talk about a debt Jubilee Mitch

1839

01:12:43,360 --> 01:12:39,950

McConnell is telling States to go ahead

1840

01:12:46,270 --> 01:12:43,370

and go bankrupt it's a little weird but

1841

01:12:48,030 --> 01:12:46,280

there is one sneaky game I've seen in

1842

01:12:50,980 --> 01:12:48,040

all this that's worth talking about so

1843

01:12:53,890 --> 01:12:50,990

everyone has been traumatized and is

1844

01:12:56,620 --> 01:12:53,900

fearful of this virus right you shut

1845

01:12:59,410 --> 01:12:56,630

down businesses and now some states want

1846

01:13:01,810 --> 01:12:59,420

to open up and it's not for the good of

1847

01:13:04,630 --> 01:13:01,820

the people it's because if a state

1848

01:13:06,910 --> 01:13:04,640

declares itself open for business but an

1849

01:13:10,960 --> 01:13:06,920

individual business owner is still too

1850

01:13:12,820 --> 01:13:10,970

fearful to open they can't qualify for

1851

01:13:15,010 --> 01:13:12,830

any assistance they can't get the

1852

01:13:17,440 --> 01:13:15,020

closure insurance they can't get the

1853

01:13:19,930 --> 01:13:17,450

stimulus funds because the insurance

1854

01:13:22,540 --> 01:13:19,940

companies just say well you're allowed

1855

01:13:25,450 --> 01:13:22,550

to open if you don't want to that's your

1856

01:13:28,900 --> 01:13:25,460

choice that's your problem so to me this

1857

01:13:31,030 --> 01:13:28,910

is completely economic if a state opens

1858

01:13:33,010 --> 01:13:31,040

then they don't have to offer any more

1859

01:13:34,270 --> 01:13:33,020

assistance and small businesses are

1860

01:13:37,750 --> 01:13:34,280

forced to shoulder that burden

1861

01:13:40,980 --> 01:13:37,760

themselves fire they're furloughed staff

1862

01:13:44,380 --> 01:13:40,990

or reopen in an environment they're

1863

01:13:46,510 --> 01:13:44,390

conditioned to think is unsafe and we

1864

01:13:48,970 --> 01:13:46,520

know it's probably safe but another

1865

01:13:50,740 --> 01:13:48,980

factor is just because you can open

1866

01:13:52,270 --> 01:13:50,750

doesn't mean you're able to conduct

1867

01:13:54,540 --> 01:13:52,280

business in the same way or that

1868

01:13:57,580 --> 01:13:54,550

customers aren't too scared to come in

1869

01:14:01,390 --> 01:13:57,590

so you don't get the assistance and also

1870

01:14:03,430 --> 01:14:01,400

business isn't coming in it just feels

1871

01:14:05,800 --> 01:14:03,440

like they're tweaking everything in just

1872

01:14:07,830 --> 01:14:05,810

the right way to crush a lot of

1873

01:14:10,300 --> 01:14:07,840

independent people and their staffs

1874

01:14:12,610 --> 01:14:10,310

they're talking about win restaurants

1875

01:14:16,060 --> 01:14:12,620

open they'll have to be at half capacity

1876

01:14:17,650 --> 01:14:16,070

for social distancing reasons well you

1877

01:14:19,590 --> 01:14:17,660

think a lot of restaurants can survive

1878

01:14:22,180 --> 01:14:19,600

that there's a pretty well-established

1879

01:14:25,540 --> 01:14:22,190

business formula for restaurants and

1880

01:14:29,140 --> 01:14:25,550

bars X amount of tables turned over an X

1881

01:14:31,690 --> 01:14:29,150

amount of time etc etc they operate on

1882

01:14:34,470 --> 01:14:31,700

pretty thin margins as it is I'm not

1883

01:14:37,209 --> 01:14:34,480

sure a lot of places can weather a

1884

01:14:39,270 --> 01:14:37,219

halving of their capacity

1885

01:14:41,709 --> 01:14:39,280

and again a big part of this is about

1886

01:14:44,200 --> 01:14:41,719

reestablishing corporate dominance if

1887

01:14:45,850 --> 01:14:44,210

you ask me because we've had a huge move

1888

01:14:48,489 --> 01:14:45,860

away from the corporations that

1889

01:14:51,549 --> 01:14:48,499

dominated the 90s and the [h\_\_h] food

1890

01:14:52,359 --> 01:14:51,559

given out by chain stores Red Lobster

1891

01:14:55,149 --> 01:14:52,369

Applebee's

1892

01:14:57,310 --> 01:14:55,159

no one's going there people want small

1893

01:14:59,469 --> 01:14:57,320

and independent and just when it's

1894

01:15:02,080 --> 01:14:59,479

coming back and major chains are on

1895

01:15:05,950 --> 01:15:02,090

death's door corporate restaurants and

1896

01:15:08,399 --> 01:15:05,960

malls they are struggling but now every

1897

01:15:11,229 --> 01:15:08,409

policy flips it back the other way

1898

01:15:14,379 --> 01:15:11,239

listen to this this was a meme shared by

1899

01:15:16,439 --> 01:15:14,389

Justin hunt in the THC Facebook group

1900

01:15:20,739 --> 01:15:16,449

and it makes my point here pretty well

1901  
01:15:24,759 --> 01:15:20,749  
it says Walmart they have 1.5 million

1902  
01:15:27,729 --> 01:15:24,769  
employees Amazon 750,000 employees

1903  
01:15:34,209 --> 01:15:27,739  
Kroger 500,000 employees

1904  
01:15:37,930 --> 01:15:34,219  
target 350,000 employees Costco 214,000

1905  
01:15:41,229 --> 01:15:37,940  
add that up that is 3.3 million

1906  
01:15:43,330 --> 01:15:41,239  
employees all of these companies have

1907  
01:15:45,520 --> 01:15:43,340  
had very few reported cases in the news

1908  
01:15:47,759 --> 01:15:45,530  
yet every employee in these companies

1909  
01:15:49,959 --> 01:15:47,769  
encounters thousands of people a day

1910  
01:15:52,149 --> 01:15:49,969  
none of these companies have closed

1911  
01:15:54,669 --> 01:15:52,159  
stores however all the sudden all the

1912  
01:15:56,580 --> 01:15:54,679  
meatpacking plants are closing and small

1913  
01:15:59,850 --> 01:15:56,590

businesses are still not allowed to open

1914

01:16:03,189 --> 01:15:59,860

none of this makes any sense at all and

1915

01:16:05,410 --> 01:16:03,199

I agree you can go through a McDonald's

1916

01:16:07,239 --> 01:16:05,420

drive-through but you can't eat at the

1917

01:16:10,410 --> 01:16:07,249

little Italian joint down the street

1918

01:16:14,140 --> 01:16:10,420

that's been operating for four decades

1919

01:16:16,930 --> 01:16:14,150

you get it but either way it was great

1920

01:16:20,560 --> 01:16:16,940

to talk to Crowe again and to fill out a

1921

01:16:22,239 --> 01:16:20,570

show with some non kovat talk I'm glad

1922

01:16:24,759 --> 01:16:22,249

we got into a lot of that before we

1923

01:16:28,299 --> 01:16:24,769

crossed into the second hour too but if

1924

01:16:29,979 --> 01:16:28,309

you sign up for Plus obviously you get a

1925

01:16:32,500 --> 01:16:29,989

second hour of all the great shows

1926

01:16:36,069 --> 01:16:32,510

around here and in this one we talked

1927

01:16:39,279 --> 01:16:36,079

about evos and plasmas Walter Russell's

1928

01:16:40,660 --> 01:16:39,289

work specifics and plant alchemy really

1929

01:16:42,549 --> 01:16:40,670

wanted to get that into the first hour

1930

01:16:43,000 --> 01:16:42,559

it is a big reason why I brought them

1931

01:16:46,629 --> 01:16:43,010

here

1932

01:16:49,089 --> 01:16:46,639

but we get to talking and things just go

1933

01:16:51,250 --> 01:16:49,099

how they go we also talked about why the

1934

01:16:54,490 --> 01:16:51,260

periodic table of elements is

1935

01:16:57,970 --> 01:16:54,500

one big lie food suppliers and the meat

1936

01:17:01,240 --> 01:16:57,980

shortages coming soon the very real

1937

01:17:03,040 --> 01:17:01,250

prospect of a second kovat wave I'm

1938

01:17:05,009 --> 01:17:03,050

ready for it they're going to blame all

1939

01:17:07,959 --> 01:17:05,019

the people that didn't follow directions

1940

01:17:11,200 --> 01:17:07,969

whatever would ever be like Jack Sparrow

1941

01:17:12,970 --> 01:17:11,210

navigate accordingly and then we talked

1942

01:17:16,029 --> 01:17:12,980

about a couple things that are best left

1943

01:17:18,069 --> 01:17:16,039

said in private because there was a

1944

01:17:20,160 --> 01:17:18,079

point where I asked crow a question and

1945

01:17:22,569 --> 01:17:20,170

he asked are we in the plush show now

1946

01:17:25,600 --> 01:17:22,579

because he's intimately familiar with

1947

01:17:27,729 --> 01:17:25,610

the set up around here and some things

1948

01:17:30,939 --> 01:17:27,739

you would rather not say openly on

1949

01:17:34,270 --> 01:17:30,949

YouTube or Spotify some things you just

1950

01:17:36,520 --> 01:17:34,280

want to be for the inner circle are you

1951

01:17:39,310 --> 01:17:36,530

inner circle sign up for Plus and treat

1952

01:17:41,439 --> 01:17:39,320

yourself and me we could both use a

1953

01:17:44,589 --> 01:17:41,449

come-up don't you think the higher side

1954

01:17:47,770 --> 01:17:44,599

chats calm and I'm getting out of here I

1955

01:17:51,129 --> 01:17:47,780

love you guys I think we helped each

1956

01:17:53,020 --> 01:17:51,139

other cope through this quite well at

1957

01:17:54,520 --> 01:17:53,030

least the conversations I've had with a

1958

01:17:57,790 --> 01:17:54,530

lot of listeners have been very

1959

01:18:00,879 --> 01:17:57,800

cathartic lots of great comments on the

1960

01:18:02,649 --> 01:18:00,889

site and all that - I don't want to talk

1961

01:18:06,879 --> 01:18:02,659

like the whole thing is over of course

1962

01:18:08,410 --> 01:18:06,889

it isn't and to say I'm at peace with

1963

01:18:10,839 --> 01:18:08,420

things really isn't the right

1964

01:18:15,879 --> 01:18:10,849

terminology to say I'm over it isn't

1965

01:18:19,089 --> 01:18:15,889

right but I've just recalibrated and the

1966

01:18:20,290 --> 01:18:19,099

shock of it has worn off and this is

1967

01:18:23,589 --> 01:18:20,300

just our new reality

1968

01:18:24,879 --> 01:18:23,599

you got to find happiness in it and

1969

01:18:27,250 --> 01:18:24,889

sometimes you just got to look the

1970

01:18:29,520 --> 01:18:27,260

Goblin King right in the eye and say you

1971

01:18:32,610 --> 01:18:29,530

have no power over me

1972

01:18:35,130 --> 01:18:32,620

and with that I declare this meeting of

1973

01:18:37,170 --> 01:18:35,140

the midnight society closed your move

1974

01:18:39,270 --> 01:18:37,180

Kovac quarantine errs Handmaid's Tale

1975

01:18:46,580 --> 01:18:39,280

tellers and facilitators of the moon

1976

01:18:54,050 --> 01:18:46,590

facade you're [\h\_\_\h] maybe you'll see

1977

01:19:00,420 --> 01:18:54,060

goddamn this plan no fan spraying on me

[Music]

1979

01:19:21,760 --> 01:19:13,159

although it go it gone bye-bye

1980

01:19:26,310 --> 01:19:21,770

blue I think I sync it up don't you

1981
