

# RECLUSE

STRANGE TALES OF THE PARAPOLITICAL  
PRESENTED BY THE HIGHERSIDE CHATS

BECOME A PLUS MEMBER FOR MORE:  
[THEHIGHERSIDECHATS.COM](http://THEHIGHERSIDECHATS.COM)

1  
00:00:05,670 --> 00:00:02,810

[Music]

2  
00:00:08,160 --> 00:00:05,680

congratulations YouTube you did it you

3  
00:00:10,650 --> 00:00:08,170

wore me down and you sucked me back in I

4  
00:00:13,259 --> 00:00:10,660

have too many subscribers here just to

5  
00:00:15,810 --> 00:00:13,269

walk away entirely especially with no

6  
00:00:18,000 --> 00:00:15,820

alternative that truly stacks up and so

7  
00:00:20,850 --> 00:00:18,010

many copycat channels uploading my shows

8  
00:00:23,790 --> 00:00:20,860

for me anyway but we can't forget the

9  
00:00:26,160 --> 00:00:23,800

th-these account here is on thin ice and

10  
00:00:29,160 --> 00:00:26,170

so the YouTube version of the show has

11  
00:00:31,860 --> 00:00:29,170

to be prefaced with this little PSA only

12  
00:00:33,390 --> 00:00:31,870

to say that episodes that contain the

13  
00:00:36,270 --> 00:00:33,400

kinds of themes that have been regularly

14

00:00:38,700 --> 00:00:36,280

banned on YouTube will not appear here

15

00:00:40,650 --> 00:00:38,710

and even with that precaution there's

16

00:00:42,930 --> 00:00:40,660

already enough in the archive to get us

17

00:00:45,120 --> 00:00:42,940

removed so remember that the higher side

18

00:00:48,090 --> 00:00:45,130

chats could be banned or put in timeout

19

00:00:50,220 --> 00:00:48,100

again at any time and I won't be able to

20

00:00:51,990 --> 00:00:50,230

tell you guys about it so if you feel

21

00:00:53,490 --> 00:00:52,000

like it's been too long since you've

22

00:00:56,610 --> 00:00:53,500

heard from me here on this digital

23

00:00:59,430 --> 00:00:56,620

dystopian draconian data-mining monster

24

00:01:00,900 --> 00:00:59,440

of a police state seeking platform your

25

00:01:03,170 --> 00:01:00,910

first step should be to check the higher

26

00:01:10,830 --> 00:01:03,180

side shots calm for the latest shows

27

00:01:15,039 --> 00:01:13,300

embrace yourself because you're about to

28

00:01:17,230 --> 00:01:15,049

dive into another free first hour

29

00:01:18,399 --> 00:01:17,240

episode of the higher side chats and we

30

00:01:19,840 --> 00:01:18,409

just want to let you know that whether

31

00:01:21,880 --> 00:01:19,850

you're looking for a companion through

32

00:01:23,410 --> 00:01:21,890

your paranoid insomnia entertaining

33

00:01:25,389 --> 00:01:23,420

yourself through one of life's mundane

34

00:01:27,100 --> 00:01:25,399

activities we're trying to ward off the

35

00:01:29,710 --> 00:01:27,110

internal scream to all those sad

36

00:01:31,389 --> 00:01:29,720

smothered Souls around the office THC is

37

00:01:33,130 --> 00:01:31,399

here and you should know that every

38

00:01:35,170 --> 00:01:33,140

episode of the higher side chats has an

39

00:01:37,539 --> 00:01:35,180

entire second hour four plus members

40

00:01:40,029 --> 00:01:37,549

sign up at the higher side chats plus

41

00:01:42,609 --> 00:01:40,039

calm and you get years of plus show

42

00:01:44,410 --> 00:01:42,619

archives lifetime forum access the

43

00:01:48,160 --> 00:01:44,420

special invite to Greg Carl was monthly

44

00:01:51,609 --> 00:01:48,170

joint sessions mp3s of THC music bonus

45

00:01:53,620 --> 00:01:51,619

episodes for videos and 10% off t-shirts

46

00:01:55,749 --> 00:01:53,630

grinders and whatever else ends up in

47

00:01:57,880 --> 00:01:55,759

the higher side store it's \$8 a month

48

00:01:59,469 --> 00:01:57,890

that you won't miss so become a plus

49

00:02:01,840 --> 00:01:59,479

member and treat yourself in these

50

00:02:41,730 --> 00:02:01,850

troubled times always action-packed and

51  
00:02:46,260 --> 00:02:44,010  
all right you cool cats and kittens from

52  
00:02:48,270 --> 00:02:46,270  
sunny San Diego I'm Greg Karl wood and

53  
00:02:50,280 --> 00:02:48,280  
few things are as obvious as the

54  
00:02:52,620 --> 00:02:50,290  
uncomfortable reality that our world is

55  
00:02:54,780 --> 00:02:52,630  
run by a confusing array of interlocking

56  
00:02:56,820 --> 00:02:54,790  
three-letter agencies fraternal

57  
00:02:59,130 --> 00:02:56,830  
Brotherhood's military contractors

58  
00:03:01,530 --> 00:02:59,140  
intelligence operations globalist think

59  
00:03:03,360 --> 00:03:01,540  
tanks private security firms and secret

60  
00:03:05,490 --> 00:03:03,370  
societies because we see their

61  
00:03:08,540 --> 00:03:05,500  
fingerprints on damn near all the major

62  
00:03:11,220 --> 00:03:08,550  
moves made on the global chessboard Jews

63  
00:03:13,740 --> 00:03:11,230

assassinations insurgencies false flags

64

00:03:15,900 --> 00:03:13,750

drone strikes secret armies revolutions

65

00:03:17,940 --> 00:03:15,910

resource plunders propaganda and all the

66

00:03:20,220 --> 00:03:17,950

rest of it are clearly derived from

67

00:03:23,010 --> 00:03:20,230

these viper dens and rat nests of this

68

00:03:25,080 --> 00:03:23,020

nefarious nexus but yet they continue to

69

00:03:26,760 --> 00:03:25,090

do what they do shaping the world in

70

00:03:28,830 --> 00:03:26,770

their own backwards image with very

71

00:03:31,440 --> 00:03:28,840

little resistance or consequence and

72

00:03:33,720 --> 00:03:31,450

though it sometimes gets complex and

73

00:03:35,220 --> 00:03:33,730

confusing nobody untangles these inter

74

00:03:37,380 --> 00:03:35,230

woven threads on the big conspiracy

75

00:03:40,800 --> 00:03:37,390

cardigan better than our returning guest

76  
00:03:42,660 --> 00:03:40,810  
recluse of the bicep view blog he's been

77  
00:03:45,450 --> 00:03:42,670  
here twice before schooling us on

78  
00:03:48,030 --> 00:03:45,460  
Epstein nexium intelligence blackmail

79  
00:03:50,330 --> 00:03:48,040  
operations nazi occultism deep state

80  
00:03:53,010 --> 00:03:50,340  
magic and the infamous story of the nine

81  
00:03:55,260 --> 00:03:53,020  
today we are celebrating the release of

82  
00:03:57,660 --> 00:03:55,270  
his first published book strange tales

83  
00:03:59,570 --> 00:03:57,670  
of the pair of political post-war Nazis

84  
00:04:02,160 --> 00:03:59,580  
mercenaries and other secret history

85  
00:04:04,290 --> 00:04:02,170  
it's a collection of intriguing essays

86  
00:04:07,110 --> 00:04:04,300  
from both him and his co-author Frank

87  
00:04:08,880 --> 00:04:07,120  
zero I know I'm psyched and it is such a

88  
00:04:10,620 --> 00:04:08,890

treat to have him back breaking down

89

00:04:11,940 --> 00:04:10,630

these little-known aspects of history

90

00:04:13,800 --> 00:04:11,950

and the strange groups that have been

91

00:04:16,470 --> 00:04:13,810

running these international operations

92

00:04:18,630 --> 00:04:16,480

so let's get into it the para political

93

00:04:20,970 --> 00:04:18,640

poster the strange tales teller and the

94

00:04:24,210 --> 00:04:20,980

deep politics exposure my friend and

95

00:04:25,800 --> 00:04:24,220

yours recluse welcome back man thanks

96

00:04:28,530 --> 00:04:25,810

Reagan thanks for having me back : of

97

00:04:31,440 --> 00:04:28,540

course of course I loved the book on

98

00:04:33,600 --> 00:04:31,450

point as always big congratulations on

99

00:04:36,590 --> 00:04:33,610

getting it finished not an easy thing to

100

00:04:39,060 --> 00:04:36,600

do and I also understand the desire to

101

00:04:41,370 --> 00:04:39,070

not use your real name on stuff like

102

00:04:43,920 --> 00:04:41,380

this but should we be calling us William

103

00:04:45,540 --> 00:04:43,930

Snyder or Steven Snyder now I'm seeing

104

00:04:48,870 --> 00:04:45,550

very little consistency across the

105

00:04:50,159 --> 00:04:48,880

platforms man yeah yeah yeah this kind

106

00:04:52,830 --> 00:04:50,169

of seems like whoever is more

107

00:04:54,719 --> 00:04:52,840

comfortable with what but Stevens fine I

108

00:04:55,080 --> 00:04:54,729

kind of use the s William thing as a

109

00:04:58,020 --> 00:04:55,090

tree

110

00:04:59,400 --> 00:04:58,030

you to my dad who was another William

111

00:05:00,960 --> 00:04:59,410

since he was kind of the one who

112

00:05:03,180 --> 00:05:00,970

inspired me to get into this type of

113

00:05:05,159 --> 00:05:03,190

research and I always kind of liked

114

00:05:07,800 --> 00:05:05,169

those you know first name period middle

115

00:05:10,980 --> 00:05:07,810

name type names for authors to sew right

116

00:05:13,260 --> 00:05:10,990

on yes very cool very cool and so to

117

00:05:16,020 --> 00:05:13,270

dive into the book itself as you say in

118

00:05:18,240 --> 00:05:16,030

the intro America is cursed it was

119

00:05:20,790 --> 00:05:18,250

effectively built on Indian burial

120

00:05:22,500 --> 00:05:20,800

ground and you note that this is nothing

121

00:05:23,550 --> 00:05:22,510

new controlling power centers

122

00:05:26,010 --> 00:05:23,560

Christian's

123

00:05:27,960 --> 00:05:26,020

taking over pagan sites the Nazis

124

00:05:30,030 --> 00:05:27,970

thinking they could retake castles and

125

00:05:33,960 --> 00:05:30,040

lands conquered by King Arthur for an

126

00:05:36,060 --> 00:05:33,970

energetic boost but you say so too were

127

00:05:38,010 --> 00:05:36,070

the centers of political and economic

128

00:05:40,590 --> 00:05:38,020

power built on the bones of those who

129

00:05:42,750 --> 00:05:40,600

flourished in pre-colonial America and

130

00:05:46,650 --> 00:05:42,760

that's really well written but how do

131

00:05:49,320 --> 00:05:46,660

you think that America today is affected

132

00:05:51,900 --> 00:05:49,330

by that unsavory foundation we tend to

133

00:05:54,180 --> 00:05:51,910

ignore it but it proudly has some pretty

134

00:05:57,090 --> 00:05:54,190

relevant implications wouldn't you say

135

00:06:00,290 --> 00:05:57,100

oh yeah I mean it's just you know it's

136

00:06:02,700 --> 00:06:00,300

such a blood-stained history in general

137

00:06:04,770 --> 00:06:02,710

certainly with the expansion into the

138

00:06:07,110 --> 00:06:04,780

new world the genocide against the

139

00:06:09,719 --> 00:06:07,120

Native Americans the plagues and so on

140

00:06:12,120 --> 00:06:09,729

and so forth and I mean even then you

141

00:06:15,180 --> 00:06:12,130

know there were strange happenings here

142

00:06:17,070 --> 00:06:15,190

even before the colonists showed up I

143

00:06:19,110 --> 00:06:17,080

mean of course of late I've been looking

144

00:06:20,460 --> 00:06:19,120

allotted all the stuff in my own kind of

145

00:06:23,370 --> 00:06:20,470

region of the world here in Appalachia

146

00:06:25,680 --> 00:06:23,380

with the Edina and the Hopewell and I

147

00:06:27,839 --> 00:06:25,690

mean this was a whole area that Kenneth

148

00:06:30,600 --> 00:06:27,849

Brandt had believed was a kind of window

149

00:06:32,339 --> 00:06:30,610

area sort of opening into the abyss and

150

00:06:34,980 --> 00:06:32,349

his system which would lead into the

151

00:06:37,620 --> 00:06:34,990

Nightside Tree of Life or the low crafty

152

00:06:39,600 --> 00:06:37,630

and space gods were and you sort of have

153

00:06:41,820 --> 00:06:39,610

these tribes there the hope will the

154

00:06:43,680 --> 00:06:41,830

Idina in the case of the Hopewell there

155

00:06:45,750 --> 00:06:43,690

were signs that they use scrying stone

156

00:06:46,650 --> 00:06:45,760

somewhat Hakeem to Chandi or something

157

00:06:48,510 --> 00:06:46,660

to that effect

158

00:06:50,250 --> 00:06:48,520

so you know there's already the

159

00:06:53,760 --> 00:06:50,260

possibility that there had been breaches

160

00:06:55,830 --> 00:06:53,770

so to speak in this whole continent you

161

00:06:58,110 --> 00:06:55,840

know well before the colonists got here

162

00:07:00,089 --> 00:06:58,120

and you know I think increasingly it

163

00:07:01,350 --> 00:07:00,099

seems evident that these portals

164

00:07:04,290 --> 00:07:01,360

whatever you want to call them were

165

00:07:06,089 --> 00:07:04,300

probably reopened it was much bigger

166

00:07:07,709 --> 00:07:06,099

going into the Cold War with a lot of

167

00:07:08,310 --> 00:07:07,719

the difference you know MKULTRA

168

00:07:10,500 --> 00:07:08,320

artichoke

169

00:07:12,360 --> 00:07:10,510

type stuff that was going on so yeah I

170

00:07:14,820 --> 00:07:12,370

mean all this plays into the history of

171

00:07:16,740 --> 00:07:14,830

this land and just you know the way so

172

00:07:18,180 --> 00:07:16,750

much of this stuff is coordinated it

173

00:07:20,250 --> 00:07:18,190

seems like to harness the power of the

174

00:07:24,210 --> 00:07:20,260

very geography of this place of just you

175

00:07:27,390 --> 00:07:24,220

know it's peculiar history mm-hmm yes

176

00:07:30,270 --> 00:07:27,400

that is all great context and so a big

177

00:07:32,160 --> 00:07:30,280

part of this book goes deep into the

178

00:07:34,170 --> 00:07:32,170

melon family and I love this kind of

179

00:07:37,290 --> 00:07:34,180

stuff weighing the influence of one

180

00:07:39,480 --> 00:07:37,300

elite family or network and seeing just

181

00:07:41,520 --> 00:07:39,490

how many fingers they have and how many

182

00:07:43,650 --> 00:07:41,530

different pies and we've heard

183

00:07:46,020 --> 00:07:43,660

breakdowns of elite families like

184

00:07:48,420 --> 00:07:46,030

rockefeller rothschild and Morgan but

185

00:07:50,490 --> 00:07:48,430

you write that the Mellon family has

186

00:07:52,710 --> 00:07:50,500

remained one of the wealthiest and most

187

00:07:53,460 --> 00:07:52,720

influential dynasties of the last

188

00:07:56,250 --> 00:07:53,470

century

189

00:07:58,080 --> 00:07:56,260

can you walk people through what it is

190

00:08:00,660 --> 00:07:58,090

they built their empire on and why

191

00:08:02,760 --> 00:08:00,670

they're still influential when some of

192

00:08:06,090 --> 00:08:02,770

the other big families it seems like

193

00:08:08,490 --> 00:08:06,100

their influences wait sure well I mean

194

00:08:10,050 --> 00:08:08,500

you know like a lot of the you know kind

195

00:08:12,150 --> 00:08:10,060

of storied American dynasties they

196

00:08:14,850 --> 00:08:12,160

really rose to prominence in the

197

00:08:16,440 --> 00:08:14,860

aftermath of the Civil War the kind of

198

00:08:18,810 --> 00:08:16,450

patriarch was considered to be judged

199

00:08:20,460 --> 00:08:18,820

Thomas Mellon the whole family their

200

00:08:23,490 --> 00:08:20,470

kind of power center was long based

201  
00:08:25,380 --> 00:08:23,500  
around Pittsburgh Pennsylvania after the

202  
00:08:28,200 --> 00:08:25,390  
Civil War Judge Thomas had founded the

203  
00:08:30,930 --> 00:08:28,210  
Mellon Bank which by 1900 had become the

204  
00:08:32,930 --> 00:08:30,940  
largest financial institution in the

205  
00:08:35,610 --> 00:08:32,940  
United States outside of New York City

206  
00:08:37,350 --> 00:08:35,620  
so you know the kind of banking industry

207  
00:08:39,089 --> 00:08:37,360  
was what really laid the foundation for

208  
00:08:41,670 --> 00:08:39,099  
the family fortunes but they've spread

209  
00:08:45,060 --> 00:08:41,680  
into a lot of different industries Alcoa

210  
00:08:47,940 --> 00:08:45,070  
coppers and probably most notable Gulf

211  
00:08:50,340 --> 00:08:47,950  
oil which was really fortuitous they got

212  
00:08:53,220 --> 00:08:50,350  
into that right really the onset of the

213  
00:08:54,960 --> 00:08:53,230

20th century and you know obviously the

214

00:08:56,190 --> 00:08:54,970

use of oil would just explode right

215

00:08:58,500 --> 00:08:56,200

around this time as the automobile

216

00:09:00,210 --> 00:08:58,510

became more and more prominent and of

217

00:09:02,370 --> 00:09:00,220

course going into the world wars it was

218

00:09:05,640 --> 00:09:02,380

so instrumental to national defense and

219

00:09:08,730 --> 00:09:05,650

that really solidified the you know

220

00:09:10,170 --> 00:09:08,740

economic prowess of the family and that

221

00:09:11,700 --> 00:09:10,180

since at least you could maybe draw some

222

00:09:13,860 --> 00:09:11,710

parallels to the Rockefeller family

223

00:09:15,360 --> 00:09:13,870

though a bit of a reverse you know the

224

00:09:17,580 --> 00:09:15,370

Mellon's made their money in banking and

225

00:09:20,460 --> 00:09:17,590

then got into oil the Rockefellers did

226

00:09:21,689 --> 00:09:20,470

that reverse but whatever but they had

227

00:09:24,359 --> 00:09:21,699

become you know since

228

00:09:26,039 --> 00:09:24,369

just a major powerhouse by the early

229

00:09:28,769 --> 00:09:26,049

20th century and that was when you saw

230

00:09:30,539 --> 00:09:28,779

one of the more noteworthy or notorious

231

00:09:33,059 --> 00:09:30,549

members depending upon one's point of

232

00:09:34,979 --> 00:09:33,069

view and that would be Anthony Mellon

233

00:09:37,769 --> 00:09:34,989

the long-standing secretary of the

234

00:09:39,809 --> 00:09:37,779

Treasury opposed he held from 1920 I

235

00:09:41,609 --> 00:09:39,819

believe for about 1932 he was there

236

00:09:45,629 --> 00:09:41,619

through Harding through leaves through

237

00:09:47,429 --> 00:09:45,639

Hoover and he gets credits sometimes for

238

00:09:50,460 --> 00:09:47,439

the Roaring Twenties blamed sometimes

239

00:09:52,710 --> 00:09:50,470

for the stock market crash in 1929 he

240

00:09:55,049 --> 00:09:52,720

said a lot of you know dispute as to how

241

00:09:57,449 --> 00:09:55,059

much infinity should deserve but that's

242

00:09:59,909 --> 00:09:57,459

more of a debate for economists but the

243

00:10:01,769 --> 00:09:59,919

other big kind of thing that happened

244

00:10:04,710 --> 00:10:01,779

for the melons going into the World War

245

00:10:06,629 --> 00:10:04,720

2 era was that they were really there at

246

00:10:08,280 --> 00:10:06,639

the onset of the emergence of the first

247

00:10:10,229 --> 00:10:08,290

you know kind of attempt to create a

248

00:10:12,239 --> 00:10:10,239

Central Intelligence Group for the

249

00:10:14,519 --> 00:10:12,249

United States and that was the Office of

250

00:10:16,650 --> 00:10:14,529

Strategic Services there were plenty of

251  
00:10:18,449 --> 00:10:16,660  
melons in there Andrew Mellon's son Paul

252  
00:10:20,519 --> 00:10:18,459  
Mellon was in the OSS and there were

253  
00:10:22,499 --> 00:10:20,529  
quite a few in-laws as well I mean all

254  
00:10:24,299 --> 00:10:22,509  
said and done there at least probably

255  
00:10:25,859 --> 00:10:24,309  
half a dozen or so family members and

256  
00:10:27,869 --> 00:10:25,869  
the sordid hanger-ons that ended up in

257  
00:10:30,269 --> 00:10:27,879  
the OSS and this marked the beginning of

258  
00:10:32,189 --> 00:10:30,279  
a long-standing relationship with the US

259  
00:10:34,400 --> 00:10:32,199  
intelligence community that the families

260  
00:10:39,090 --> 00:10:34,410  
probably continued up to this very day

261  
00:10:42,029 --> 00:10:39,100  
hmm Wow Wow yes seems like a tail is all

262  
00:10:44,340 --> 00:10:42,039  
this time to some degree but for our

263  
00:10:46,590 --> 00:10:44,350

listeners here it seems like William

264

00:10:48,629 --> 00:10:46,600

Mellon Hitchcock would be one of the

265

00:10:50,579 --> 00:10:48,639

most interesting members on that family

266

00:10:53,789 --> 00:10:50,589

tree can you tell us a little bit about

267

00:10:56,090 --> 00:10:53,799

him specifically oh yeah yeah yeah mr.

268

00:10:59,090 --> 00:10:56,100

Billy is apparently known by the help

269

00:11:01,739 --> 00:10:59,100

yeah he had quite a decade there in the

270

00:11:05,400 --> 00:11:01,749

1960s it started out with the

271

00:11:07,109 --> 00:11:05,410

shenanigans in the UK with Profumo he

272

00:11:09,210 --> 00:11:07,119

was the roommate for the infamous

273

00:11:12,599 --> 00:11:09,220

private detective Thomas Corps believe

274

00:11:13,769 --> 00:11:12,609

they were flatmates depending upon what

275

00:11:15,960 --> 00:11:13,779

sorts you look at they were either

276

00:11:18,629 --> 00:11:15,970

throwing quote/unquote wild parties or

277

00:11:20,849 --> 00:11:18,639

orgies out of this particular flat they

278

00:11:23,220 --> 00:11:20,859

you know befriend Stephen Ward who had

279

00:11:26,909 --> 00:11:23,230

the sex ring that would later be exposed

280

00:11:29,759 --> 00:11:26,919

by the perfume Oh scandal in 1963 and

281

00:11:32,189 --> 00:11:29,769

mr. billion Korbelt appeared to a plate

282

00:11:33,539 --> 00:11:32,199

apart and some of the I guess Palace

283

00:11:34,620 --> 00:11:33,549

intrigues or whatever you want to call

284

00:11:36,600 --> 00:11:34,630

it surrounding Harold back

285

00:11:40,350 --> 00:11:36,610

Milind than the sitting Prime Minister

286

00:11:44,130 --> 00:11:40,360

then in 1963 just as that scandal is

287

00:11:46,770 --> 00:11:44,140

starting to blow up Hitchcock returns to

288

00:11:49,470 --> 00:11:46,780

the United States and kind of begins the

289

00:11:51,690 --> 00:11:49,480

second phase of his sixties journey

290

00:11:55,020 --> 00:11:51,700

where he became a major sponsor

291

00:11:57,210 --> 00:11:55,030

effectively of LSD first he set up

292

00:11:59,880 --> 00:11:57,220

Timothy Leary at the Hitchcock estate at

293

00:12:02,010 --> 00:11:59,890

Millbrook New York and that became kind

294

00:12:04,470 --> 00:12:02,020

of a psychedelic Center I guess Leary

295

00:12:07,170 --> 00:12:04,480

and company were entrenched there from

296

00:12:09,450 --> 00:12:07,180

63 I think till about 67 and a lot of

297

00:12:12,300 --> 00:12:09,460

other strange characters passed through

298

00:12:14,670 --> 00:12:12,310

the doors during the time Hitchcock was

299

00:12:18,120 --> 00:12:14,680

living in a bungalow on the grounds of

300

00:12:20,040 --> 00:12:18,130

the estates he did apparently frequently

301  
00:12:22,440 --> 00:12:20,050  
hobnob with Leary and company took some

302  
00:12:24,690 --> 00:12:22,450  
acid with them but he never really

303  
00:12:26,040 --> 00:12:24,700  
experienced a spiritual moment more

304  
00:12:27,900 --> 00:12:26,050  
profound than wondering how he could

305  
00:12:30,630 --> 00:12:27,910  
make more money on the stock market

306  
00:12:32,400 --> 00:12:30,640  
reportedly so it's definitely led to a

307  
00:12:33,660 --> 00:12:32,410  
bit of a mystery why exactly he was

308  
00:12:36,690 --> 00:12:33,670  
sponsoring all of this in the first

309  
00:12:38,400 --> 00:12:36,700  
place it was actually his sister Peggy

310  
00:12:39,840 --> 00:12:38,410  
Hitchcock who had gotten him involved

311  
00:12:41,640 --> 00:12:39,850  
with Leary I think at one point she

312  
00:12:44,040 --> 00:12:41,650  
didand and having an affair with him or

313  
00:12:45,180 --> 00:12:44,050

something to that effect but yeah you

314

00:12:47,910 --> 00:12:45,190

know you have all this craziness

315

00:12:50,490 --> 00:12:47,920

eventually mr. Billy had decided to

316

00:12:51,600 --> 00:12:50,500

evict Leary from Mill Brook but they're

317

00:12:53,160 --> 00:12:51,610

apparently weren't that many hard

318

00:12:54,750 --> 00:12:53,170

feelings cause he I guess gave him a

319

00:12:57,390 --> 00:12:54,760

couple of grand on the way out so he

320

00:12:59,850 --> 00:12:57,400

could get to be established elsewhere so

321

00:13:03,150 --> 00:12:59,860

anyway mr. Billy ends up relocating to

322

00:13:04,920 --> 00:13:03,160

California around 1967 he's got a couple

323

00:13:06,840 --> 00:13:04,930

of chemists with him he starts making

324

00:13:08,310 --> 00:13:06,850

some LSD he hooks up with the

325

00:13:11,190 --> 00:13:08,320

Brotherhood of eternal love to

326

00:13:13,290 --> 00:13:11,200

distribute it and by at the end of the

327

00:13:16,140 --> 00:13:13,300

decade they have effectively become the

328

00:13:18,360 --> 00:13:16,150

largest LSD suppliers in the entire

329

00:13:20,370 --> 00:13:18,370

country and that was right around the

330

00:13:23,100 --> 00:13:20,380

time that mr. Billy started to have some

331

00:13:25,080 --> 00:13:23,110

legal problems which possibly went into

332

00:13:27,720 --> 00:13:25,090

one of his other ventures at the time

333

00:13:30,240 --> 00:13:27,730

and that was a gaming conglomerate known

334

00:13:31,650 --> 00:13:30,250

as Resorts International it had its

335

00:13:34,110 --> 00:13:31,660

origins in a company called the Mary

336

00:13:35,970 --> 00:13:34,120

Carter Payton company spent a lot of

337

00:13:38,550 --> 00:13:35,980

suspicious that had been used by the CIA

338

00:13:40,380 --> 00:13:38,560

during the whole Bay of Pigs thing one

339

00:13:42,120 --> 00:13:40,390

of the early stockholders was the

340

00:13:44,190 --> 00:13:42,130

Republican governor of New York Thomas

341

00:13:46,260 --> 00:13:44,200

Dewey he was a good friend of the Dulles

342

00:13:48,000 --> 00:13:46,270

brothers Allen Dulles and John Foster -

343

00:13:48,300 --> 00:13:48,010

both heavily backed his campaigns for

344

00:13:56,010 --> 00:13:48,310

the

345

00:13:57,840 --> 00:13:56,020

headquarters for Mary Carter ended up

346

00:14:00,540 --> 00:13:57,850

being in Tampa which just happened to be

347

00:14:02,880 --> 00:14:00,550

the base of operations so to speak % o

348

00:14:05,490 --> 00:14:02,890

strepek ante the Florida Dawn who was

349

00:14:07,170 --> 00:14:05,500

using all theirs anti-castro Cubans as

350

00:14:09,120 --> 00:14:07,180

muscle for his own you know can

351  
00:14:12,360 --> 00:14:09,130  
organized crime thing at the same time

352  
00:14:13,920 --> 00:14:12,370  
so there are others connections of

353  
00:14:16,760 --> 00:14:13,930  
course resource decided to set up shop

354  
00:14:19,950 --> 00:14:16,770  
as a gaming interest in the Bahamas and

355  
00:14:22,350 --> 00:14:19,960  
around 65 they bought a Paradise Island

356  
00:14:24,240 --> 00:14:22,360  
and interestingly Paradise Island

357  
00:14:25,710 --> 00:14:24,250  
originally had been Hog Island it was

358  
00:14:28,140 --> 00:14:25,720  
turned into Paradise Island by a guy

359  
00:14:30,120 --> 00:14:28,150  
named Huntington Hartford who had

360  
00:14:32,519 --> 00:14:30,130  
actually known mr. Billy and all these

361  
00:14:34,620 --> 00:14:32,529  
other guys in the UK he was kind of tied

362  
00:14:36,780 --> 00:14:34,630  
up with a perfume oh and fair and

363  
00:14:38,790 --> 00:14:36,790

Stephen Ward and all that craziness as

364

00:14:40,470 --> 00:14:38,800

well it's got a strange thing about

365

00:14:42,360 --> 00:14:40,480

resorts you see so many guys that were

366

00:14:45,210 --> 00:14:42,370

involved with perfume oh who turn up in

367

00:14:46,620 --> 00:14:45,220

this case as well but anyway you know

368

00:14:48,510 --> 00:14:46,630

you got resorts set up there you've got

369

00:14:51,329 --> 00:14:48,520

these kind of mere Lansky guys who were

370

00:14:53,850 --> 00:14:51,339

tied into the casino on the mob

371

00:14:55,860 --> 00:14:53,860

standpoint there's also these ties the

372

00:14:57,210 --> 00:14:55,870

US intelligence community I mean they

373

00:14:59,970 --> 00:14:57,220

basically set up one of the first

374

00:15:01,530 --> 00:14:59,980

corporate private intelligence companies

375

00:15:04,050 --> 00:15:01,540

within her tail which was wholly owned

376

00:15:06,600 --> 00:15:04,060

subsidiary of Resorts International it's

377

00:15:08,930 --> 00:15:06,610

got a bunch of X you know NSA FBI CIA

378

00:15:11,360 --> 00:15:08,940

types in it

379

00:15:13,190 --> 00:15:11,370

and then of course the CIA itself used

380

00:15:17,810 --> 00:15:13,200

resorts operationally for some unknown

381

00:15:20,180 --> 00:15:17,820

purpose in 72 or 73 so I mean this is a

382

00:15:21,530 --> 00:15:20,190

really just you know powerful company I

383

00:15:24,020 --> 00:15:21,540

mean it was really kind of a middle

384

00:15:26,810 --> 00:15:24,030

ground between organized crime in the US

385

00:15:29,000 --> 00:15:26,820

intelligence community eventually also

386

00:15:32,330 --> 00:15:29,010

received a curious CEO in the 1980s

387

00:15:34,730 --> 00:15:32,340

called Donald J Trump but mr. Hitchcock

388

00:15:37,190 --> 00:15:34,740

was the biggest investor in Resorts

389

00:15:39,920 --> 00:15:37,200

International pumped almost 5 million

390

00:15:41,570 --> 00:15:39,930

dollars into the company eventually he

391

00:15:43,520 --> 00:15:41,580

had become disturbed I guess with how

392

00:15:46,370 --> 00:15:43,530

these shares were being managed by his

393

00:15:49,100 --> 00:15:46,380

bank Castle Bank and Trust which was

394

00:15:51,200 --> 00:15:49,110

also run by an old OSS hand Paul

395

00:15:53,420 --> 00:15:51,210

Helliwell who had essentially become the

396

00:15:55,580 --> 00:15:53,430

CIA's banker in the Caribbean for the

397

00:15:57,670 --> 00:15:55,590

you know different drug trafficking and

398

00:16:00,560 --> 00:15:57,680

arms trafficking that kind of thing so

399

00:16:02,420 --> 00:16:00,570

anyway yeah there was an IRS

400

00:16:04,820 --> 00:16:02,430

investigation going on called trade

401

00:16:06,500 --> 00:16:04,830

winds that was trying to figure out you

402

00:16:09,140 --> 00:16:06,510

know all the mechanisms that the Mafia

403

00:16:11,150 --> 00:16:09,150

was using in the Caribbean somebody had

404

00:16:13,970 --> 00:16:11,160

an axe to grind with mr. Billy his name

405

00:16:15,740 --> 00:16:13,980

got leaked and that did cause a couple

406

00:16:17,990 --> 00:16:15,750

of problems that kinda tipped off the

407

00:16:20,300 --> 00:16:18,000

whole resorts thing might have led to

408

00:16:22,040 --> 00:16:20,310

some embarrassing moments such as the

409

00:16:23,900 --> 00:16:22,050

fact that Richard Nixon the sitting

410

00:16:26,180 --> 00:16:23,910

president was probably getting a cut of

411

00:16:29,210 --> 00:16:26,190

the skin off of the toll bridge leading

412

00:16:31,490 --> 00:16:29,220

up to the island yeah yeah yeah just

413

00:16:33,620 --> 00:16:31,500

some really incredible figures I mean

414

00:16:35,330 --> 00:16:33,630

just show up and all that and just

415

00:16:37,190 --> 00:16:35,340

really throughout the 60s it's just

416

00:16:40,820 --> 00:16:37,200

insane all the things that Hitchcock was

417

00:16:42,680 --> 00:16:40,830

tied up and in that one decade yeah I

418

00:16:44,630 --> 00:16:42,690

really loved reading that section and

419

00:16:46,580 --> 00:16:44,640

the history is definitely interesting

420

00:16:49,790 --> 00:16:46,590

you cover a lot of intelligence

421

00:16:51,980 --> 00:16:49,800

operations and the propaganda campaigns

422

00:16:54,680 --> 00:16:51,990

that surround them and just to kind of

423

00:16:56,720 --> 00:16:54,690

try to relate this to the current events

424

00:16:58,460 --> 00:16:56,730

that we're all dealing with gaslighting

425

00:17:00,110 --> 00:16:58,470

is a term that comes up a lot in the

426  
00:17:03,560 --> 00:17:00,120  
book and I'm sure many of us have heard

427  
00:17:07,370 --> 00:17:03,570  
this in the context of me2 or liberal

428  
00:17:09,079 --> 00:17:07,380  
millennial circles but talk to us about

429  
00:17:10,850 --> 00:17:09,089  
not only the meaning of the word but how

430  
00:17:13,670 --> 00:17:10,860  
it's actually been used by the puppet

431  
00:17:15,470 --> 00:17:13,680  
masters of that power pyramid against we

432  
00:17:17,360 --> 00:17:15,480  
the people so they say maybe we're

433  
00:17:21,050 --> 00:17:17,370  
seeing a little bit of this with the

434  
00:17:22,780 --> 00:17:21,060  
kovat saga yeah I mean I think that's

435  
00:17:25,240 --> 00:17:22,790  
you know very much the case

436  
00:17:27,760 --> 00:17:25,250  
and you know I mean another entity that

437  
00:17:29,920 --> 00:17:27,770  
we kind of get into in the book was the

438  
00:17:31,720 --> 00:17:29,930

American Security Council which I mean

439

00:17:33,400 --> 00:17:31,730

it was kind of the far right answers the

440

00:17:36,160 --> 00:17:33,410

Council on Foreign Relations if you will

441

00:17:38,110 --> 00:17:36,170

during much of the Cold War era it was

442

00:17:40,060 --> 00:17:38,120

essentially a vast private intelligence

443

00:17:42,730 --> 00:17:40,070

operation lots of military intelligence

444

00:17:45,040 --> 00:17:42,740

guys and big CIA people involved in and

445

00:17:48,040 --> 00:17:45,050

and what-have-you but I mean the big

446

00:17:50,140 --> 00:17:48,050

thing that with the ASC is just the

447

00:17:52,030 --> 00:17:50,150

incredible amount of influence it had on

448

00:17:55,240 --> 00:17:52,040

these you know kind of alternative

449

00:17:56,410 --> 00:17:55,250

cultures one was the UFO community and

450

00:17:58,960 --> 00:17:56,420

then of course another one was the

451

00:18:02,950 --> 00:17:58,970

conspiratorial rights my kind of term

452

00:18:04,690 --> 00:18:02,960

for them but I mean most of the you know

453

00:18:07,810 --> 00:18:04,700

the common tropes were all used to the

454

00:18:10,030 --> 00:18:07,820

anti UN stuff the anti IRS tropes the

455

00:18:12,580 --> 00:18:10,040

ante federal reserved the anti

456

00:18:15,250 --> 00:18:12,590

Rockefeller stuff almost all of this

457

00:18:18,070 --> 00:18:15,260

stuff has its origins with the American

458

00:18:19,360 --> 00:18:18,080

Security Council and then in turn it was

459

00:18:21,250 --> 00:18:19,370

disseminated through groups like the

460

00:18:23,920 --> 00:18:21,260

John Birch Society in the Liberty

461

00:18:26,200 --> 00:18:23,930

Liberty and so on and so forth and to me

462

00:18:27,820 --> 00:18:26,210

it's just really fascinating when you

463

00:18:29,410 --> 00:18:27,830

kind of look at that in context with

464

00:18:31,840 --> 00:18:29,420

some of the things that are going on now

465

00:18:34,840 --> 00:18:31,850

I mean you know you've got like the

466

00:18:37,360 --> 00:18:34,850

whole one-world broadcast that the World

467

00:18:39,580 --> 00:18:37,370

Health Organization was sponsoring

468

00:18:42,520 --> 00:18:39,590

you've got you know Bill Gates coming

469

00:18:45,280 --> 00:18:42,530

out with the whole nano microchip thing

470

00:18:47,530 --> 00:18:45,290

which is another longtime trope of this

471

00:18:49,740 --> 00:18:47,540

kind of stuff and then of course you

472

00:18:53,200 --> 00:18:49,750

know the famous now I guess infamous

473

00:18:55,570 --> 00:18:53,210

picture of what the Rothschild air and

474

00:18:57,850 --> 00:18:55,580

the spirit cooking lady in front of the

475

00:19:00,550 --> 00:18:57,860

18th century painting of Satan summons

476  
00:19:02,670 --> 00:19:00,560  
is legion there's something like that so

477  
00:19:05,230 --> 00:19:02,680  
you know this is pretty incredible

478  
00:19:07,000 --> 00:19:05,240  
trolling in a lot of ways or at least it

479  
00:19:09,640 --> 00:19:07,010  
certainly comes off like that for the

480  
00:19:11,290 --> 00:19:09,650  
Alex Jones types of the world and what

481  
00:19:13,390 --> 00:19:11,300  
have you and it's just really

482  
00:19:15,310 --> 00:19:13,400  
fascinating how when you kind of go back

483  
00:19:17,890 --> 00:19:15,320  
I mean these tropes have been just kind

484  
00:19:20,500 --> 00:19:17,900  
of disseminated for decades now and it

485  
00:19:22,450 --> 00:19:20,510  
seems like very ever so often in these

486  
00:19:24,580 --> 00:19:22,460  
kind of crucial realignments of the

487  
00:19:27,310 --> 00:19:24,590  
world order they start to really be

488  
00:19:28,510 --> 00:19:27,320

played with a lot of force I mean it

489

00:19:31,000 --> 00:19:28,520

kind of reminds me again of the whole

490

00:19:33,220 --> 00:19:31,010

situation in 1991 you know you've got

491

00:19:35,590 --> 00:19:33,230

pop a bush out there making his old New

492

00:19:36,610 --> 00:19:35,600

World Order speech you've got a kind of

493

00:19:39,820 --> 00:19:36,620

quasi you

494

00:19:43,540 --> 00:19:39,830

military thing and ancient Babylon aka

495

00:19:46,120 --> 00:19:43,550

Iraq it's all very symbolically loaded

496

00:19:47,230 --> 00:19:46,130

to put it mildly and it certainly seems

497

00:19:48,940 --> 00:19:47,240

like you know we're seeing a lot of

498

00:19:52,870 --> 00:19:48,950

these old warhorses coming out once

499

00:19:55,390 --> 00:19:52,880

again for our current situation yeah and

500

00:19:58,090 --> 00:19:55,400

it does make one wonder why

501  
00:20:01,170 --> 00:19:58,100  
like what agenda would that serve for

502  
00:20:04,060 --> 00:20:01,180  
them to spread something like anti

503  
00:20:07,120 --> 00:20:04,070  
Federal Reserve sentiment is it just

504  
00:20:09,880 --> 00:20:07,130  
controlled opposition yeah I mean I

505  
00:20:11,799 --> 00:20:09,890  
think you know there's some of that of

506  
00:20:14,169 --> 00:20:11,809  
course you know it's especially baffling

507  
00:20:16,270 --> 00:20:14,179  
in the case at the ASC because the

508  
00:20:17,980 --> 00:20:16,280  
Rockefellers were actually sponsors of

509  
00:20:19,570 --> 00:20:17,990  
it especially Nelson Rockefeller and

510  
00:20:21,549 --> 00:20:19,580  
kind of I alluded to before they're also

511  
00:20:24,310 --> 00:20:21,559  
you know one of the major sources for

512  
00:20:26,049 --> 00:20:24,320  
the anti Rockefellers type stuff so yeah

513  
00:20:29,290 --> 00:20:26,059

it's kind of like the Rockefellers are

514

00:20:31,990 --> 00:20:29,300

basically sponsoring the propaganda

515

00:20:33,910 --> 00:20:32,000

that's targeting them in a sense so you

516

00:20:36,880 --> 00:20:33,920

see a lot of those just strange

517

00:20:38,410 --> 00:20:36,890

undercurrents but I mean on the flip

518

00:20:40,660 --> 00:20:38,420

side of the coin though I mean I do

519

00:20:42,280 --> 00:20:40,670

think there is a divide ultimately

520

00:20:43,750 --> 00:20:42,290

between these kind of you know this

521

00:20:45,130 --> 00:20:43,760

liberal internationalist clique

522

00:20:48,130 --> 00:20:45,140

globalist clique whatever you want to

523

00:20:50,710 --> 00:20:48,140

call it and I think a more nationalist

524

00:20:52,180 --> 00:20:50,720

oriented group you know obviously the

525

00:20:54,340 --> 00:20:52,190

struggle has been going on for a while

526

00:20:56,250 --> 00:20:54,350

now but it's certainly become I think

527

00:20:59,560 --> 00:20:56,260

more intense in the 21st century

528

00:21:01,120 --> 00:20:59,570

beginning with the bush 2 years and yeah

529

00:21:04,660 --> 00:21:01,130

I mean now it's kind of hard to even

530

00:21:06,040 --> 00:21:04,670

keep a lid on it almost yes and since

531

00:21:08,110 --> 00:21:06,050

we're talking about the American

532

00:21:09,700 --> 00:21:08,120

Security Council we can stick with them

533

00:21:12,210 --> 00:21:09,710

a little bit but you have a great

534

00:21:15,250 --> 00:21:12,220

section about how they do seem to be

535

00:21:16,960 --> 00:21:15,260

connected to many of the big stories of

536

00:21:19,840 --> 00:21:16,970

ufology like you kind of mentioned there

537

00:21:22,210 --> 00:21:19,850

but I guess remind people about some of

538

00:21:25,900 --> 00:21:22,220

these connections in ufology because

539

00:21:28,810 --> 00:21:25,910

when you relay all the big stories all

540

00:21:32,350 --> 00:21:28,820

the buzzwords of kind of that older

541

00:21:35,350 --> 00:21:32,360

first phase of the whole little green

542

00:21:37,720 --> 00:21:35,360

man thing a lot of it has their

543

00:21:40,090 --> 00:21:37,730

fingerprints on it yeah no I mean

544

00:21:42,250 --> 00:21:40,100

absolutely really you can even go back

545

00:21:44,740 --> 00:21:42,260

to the Roswell incident I mean there

546

00:21:46,120 --> 00:21:44,750

were several noteworthy figures that

547

00:21:48,400 --> 00:21:46,130

have been linked to that 4-year most

548

00:21:50,230 --> 00:21:48,410

notably general Nathan twining another

549

00:21:53,290 --> 00:21:50,240

alleged mj-12 member

550

00:21:55,090 --> 00:21:53,300

that type of thing curtis lemay who knew

551  
00:21:57,910 --> 00:21:55,100  
quite a few of the prominent figures

552  
00:22:00,250 --> 00:21:57,920  
linked to Roswell so you kind of have

553  
00:22:02,560 --> 00:22:00,260  
that membership and then other

554  
00:22:04,030 --> 00:22:02,570  
individuals like Arthur Radford Admiral

555  
00:22:05,740 --> 00:22:04,040  
Arthur Radford it was another big

556  
00:22:07,380 --> 00:22:05,750  
military pooh-bah who had a lot of

557  
00:22:10,960 --> 00:22:07,390  
interest in the topic who were also

558  
00:22:13,510 --> 00:22:10,970  
early founders of the ASC and Bradford

559  
00:22:17,020 --> 00:22:13,520  
also interestingly was also close to the

560  
00:22:18,400 --> 00:22:17,030  
guy who had founded nightcap coing I

561  
00:22:19,930 --> 00:22:18,410  
believe I can't remember his name off

562  
00:22:22,270 --> 00:22:19,940  
the top of my head but he had actually

563  
00:22:24,100 --> 00:22:22,280

served under Radford in the Navy I

564

00:22:26,350 --> 00:22:24,110

believe in the late 40s or something to

565

00:22:28,180 --> 00:22:26,360

that effect and just in general nightcap

566

00:22:31,299 --> 00:22:28,190

which was the first you know really big

567

00:22:33,640 --> 00:22:31,309

civilian UFO outfits there was just so

568

00:22:36,040 --> 00:22:33,650

much overlap with the ASC membership and

569

00:22:38,500 --> 00:22:36,050

that would continue for years in fact I

570

00:22:40,180 --> 00:22:38,510

think about the 70s even John Fisher who

571

00:22:42,040 --> 00:22:40,190

was the official founder and longtime

572

00:22:44,410 --> 00:22:42,050

chairman of the ASC was also on the

573

00:22:46,330 --> 00:22:44,420

board of NICAP so you know you had all

574

00:22:48,850 --> 00:22:46,340

that I mean you had guys like curtis

575

00:22:51,280 --> 00:22:48,860

lemay and another ASC member barry

576  
00:22:53,770 --> 00:22:51,290  
goldwater who really kind of created the

577  
00:22:56,410 --> 00:22:53,780  
hanger night team at those a lot of

578  
00:22:56,590 --> 00:22:56,420  
these guys right 80 yeah yeah you're

579  
00:22:58,480 --> 00:22:56,600  
right

580  
00:23:00,580 --> 00:22:58,490  
and then you had Edward Teller who had

581  
00:23:02,770 --> 00:23:00,590  
kind of been an early sponsor of Bob

582  
00:23:06,100 --> 00:23:02,780  
Lazar and that interests all the stuff

583  
00:23:09,160 --> 00:23:06,110  
with area 51 I mean they show up almost

584  
00:23:10,930 --> 00:23:09,170  
everywhere and then kind of bizarrely

585  
00:23:13,060 --> 00:23:10,940  
there was the big publishing house the

586  
00:23:15,100 --> 00:23:13,070  
reader and family who had sponsored it

587  
00:23:17,740 --> 00:23:15,110  
and the publisher and these were the

588  
00:23:19,450 --> 00:23:17,750

guys who had first put out Jacques

589

00:23:21,070 --> 00:23:19,460

Falaise books you know messengers of

590

00:23:23,530 --> 00:23:21,080

deception and what-have-you which I

591

00:23:25,990 --> 00:23:23,540

personally find to be very fascinating

592

00:23:29,950 --> 00:23:26,000

because you know obviously this presents

593

00:23:32,770 --> 00:23:29,960

a much much more esoteric interpretation

594

00:23:34,630 --> 00:23:32,780

of the UFO phenomenon it's not sticking

595

00:23:36,370 --> 00:23:34,640

to the whole nuts and bolts premise and

596

00:23:39,220 --> 00:23:36,380

what-have-you it's going into much more

597

00:23:41,560 --> 00:23:39,230

of a mystical take on the whole subject

598

00:23:44,680 --> 00:23:41,570

and you know I definitely find it to be

599

00:23:46,450 --> 00:23:44,690

quite fascinating that this came from

600

00:23:49,180 --> 00:23:46,460

the american security council when it

601  
00:23:51,430 --> 00:23:49,190  
kind of shows the i think this sort of

602  
00:23:52,960 --> 00:23:51,440  
two different strands that have been

603  
00:23:55,030 --> 00:23:52,970  
kind of buying with each other within

604  
00:23:56,280 --> 00:23:55,040  
this field you know on the one hand

605  
00:23:58,150 --> 00:23:56,290  
you've kind of got the rockefeller

606  
00:23:59,530 --> 00:23:58,160  
initiatives with lawrence and

607  
00:24:01,630 --> 00:23:59,540  
what-have-you and that kind of took the

608  
00:24:02,550 --> 00:24:01,640  
whole nuts and bolts explanation and a

609  
00:24:05,700 --> 00:24:02,560  
generally

610  
00:24:07,890 --> 00:24:05,710  
positive space brothers were here to

611  
00:24:10,010 --> 00:24:07,900  
make environmental sustainability a

612  
00:24:12,780 --> 00:24:10,020  
thing and get rid of nuclear power

613  
00:24:15,060 --> 00:24:12,790

versus you know the ASC which kind of

614

00:24:16,830 --> 00:24:15,070

presents this kind of take where the one

615

00:24:18,540 --> 00:24:16,840

hand they might also be fairies or

616

00:24:21,060 --> 00:24:18,550

demons from the Middle Ages and they

617

00:24:24,330 --> 00:24:21,070

potentially have a much more hostile

618

00:24:26,810 --> 00:24:24,340

agenda with abductions and medical

619

00:24:29,640 --> 00:24:26,820

experimentation and all this other stuff

620

00:24:31,710 --> 00:24:29,650

so yeah I mean it's definitely just

621

00:24:34,470 --> 00:24:31,720

really fascinating how I mean they've

622

00:24:35,850 --> 00:24:34,480

played into this narrative and certainly

623

00:24:37,410 --> 00:24:35,860

what their ties to the Christian Right

624

00:24:39,270 --> 00:24:37,420

as well you do kind of wonder what

625

00:24:42,870 --> 00:24:39,280

exactly the ultimate agenda behind some

626  
00:24:46,100 --> 00:24:42,880  
of this was yes yes and you mentioned of

627  
00:24:48,120 --> 00:24:46,110  
course hangar 18 area 51 and Bob Lazar

628  
00:24:49,920 --> 00:24:48,130  
these are some of the biggest stories

629  
00:24:54,420 --> 00:24:49,930  
and Roswell I took this from the book

630  
00:24:56,970 --> 00:24:54,430  
you say that another ASC linkage to

631  
00:24:59,430 --> 00:24:56,980  
Roswell comes in the form of Colonel

632  
00:25:01,260 --> 00:24:59,440  
Philip J Corso whose book the day after

633  
00:25:03,540 --> 00:25:01,270  
Roswell is one of the best-selling

634  
00:25:07,110 --> 00:25:03,550  
accounts ever of the alleged incident of

635  
00:25:09,060 --> 00:25:07,120  
course Corso was not himself a member of

636  
00:25:11,700 --> 00:25:09,070  
the ASC but was involved with the

637  
00:25:14,340 --> 00:25:11,710  
bizarre order commonly referred to as

638  
00:25:16,830 --> 00:25:14,350

the sovereign order of st. John the

639

00:25:19,320 --> 00:25:16,840

sovereign order of st. John was in turn

640

00:25:21,900 --> 00:25:19,330

a member of the American security

641

00:25:24,840 --> 00:25:21,910

council's Coalition for peace through

642

00:25:27,540 --> 00:25:24,850

strength interesting I mean when you

643

00:25:30,030 --> 00:25:27,550

know all this does it make you I guess

644

00:25:33,360 --> 00:25:30,040

skeptical of a guy like Corso do you

645

00:25:35,760 --> 00:25:33,370

think Roswell was spun off completely at

646

00:25:38,790 --> 00:25:35,770

a whole cloth or was it just tweaked to

647

00:25:40,430 --> 00:25:38,800

fit a narrative was it real at all what

648

00:25:43,410 --> 00:25:40,440

do you think about some of this stuff

649

00:25:46,740 --> 00:25:43,420

well I'm definitely very skeptical of

650

00:25:49,340 --> 00:25:46,750

course oh yeah I've actually uncovered a

651  
00:25:51,780 --> 00:25:49,350  
lot of just crazy stuff about that whole

652  
00:25:54,600 --> 00:25:51,790  
sovereign Order of Saint John since I

653  
00:25:56,820 --> 00:25:54,610  
wrote that another guy involved with it

654  
00:25:58,560 --> 00:25:56,830  
was Cleve Backster the polygraph

655  
00:26:00,930 --> 00:25:58,570  
specialist who was kind of behind the

656  
00:26:02,550 --> 00:26:00,940  
whole communicating with plans with a

657  
00:26:04,740 --> 00:26:02,560  
polygraph machine I know they wrote the

658  
00:26:05,630 --> 00:26:04,750  
book the secret life of plants based on

659  
00:26:09,060 --> 00:26:05,640  
his quote unquote

660  
00:26:12,000 --> 00:26:09,070  
research okay yeah I know that book

661  
00:26:14,730 --> 00:26:12,010  
crazy Clyde Baxter yeah we'll see I've

662  
00:26:16,290 --> 00:26:14,740  
got access to his personal papers then

663  
00:26:17,850 --> 00:26:16,300

based on some of the stuff I found in

664

00:26:19,560 --> 00:26:17,860

there it's almost certain to my mind

665

00:26:22,200 --> 00:26:19,570

that he was involved in project Bluebird

666

00:26:24,180 --> 00:26:22,210

back in the day but just in terms of the

667

00:26:25,530 --> 00:26:24,190

order of st. John it's just crazy some

668

00:26:27,960 --> 00:26:25,540

of the stuff in there I mean they had

669

00:26:29,460 --> 00:26:27,970

like an Oregon energy specialist

670

00:26:32,580 --> 00:26:29,470

involved with the group they were trying

671

00:26:35,100 --> 00:26:32,590

to recruit Ingo Swann remote viewer into

672

00:26:37,500 --> 00:26:35,110

the SOS Jay so I mean they had just

673

00:26:39,300 --> 00:26:37,510

tremendous amount of overlap with this

674

00:26:41,100 --> 00:26:39,310

stuff with Scientologists with all this

675

00:26:43,830 --> 00:26:41,110

other crazy stuff and this was just you

676

00:26:45,870 --> 00:26:43,840

know a fanatically bright wing group

677

00:26:47,669 --> 00:26:45,880

that was tied up with Christian identity

678

00:26:51,710 --> 00:26:47,679

and Christian dominionism and all these

679

00:26:54,510 --> 00:26:51,720

other just really vile racist ideologies

680

00:26:56,400 --> 00:26:54,520

so yeah you know you kind of look at

681

00:26:58,350 --> 00:26:56,410

these guys like this hovering in the

682

00:26:59,940 --> 00:26:58,360

background of the UFO question and

683

00:27:01,650 --> 00:26:59,950

really for that matter a lot of the

684

00:27:04,380 --> 00:27:01,660

remote viewing stuff that was going on

685

00:27:08,010 --> 00:27:04,390

an SSRI and what-have-you it definitely

686

00:27:10,230 --> 00:27:08,020

raises some very disturbing prospects in

687

00:27:13,890 --> 00:27:10,240

terms of Roswell I mean I don't think

688

00:27:15,840 --> 00:27:13,900

that it was necessarily a pure SIOP but

689

00:27:19,290 --> 00:27:15,850

yeah I think there was something else

690

00:27:21,300 --> 00:27:19,300

going on there other than a crashed UFO

691

00:27:23,130 --> 00:27:21,310

I mean I think probably the best

692

00:27:24,740 --> 00:27:23,140

explanation really has ultimately come

693

00:27:26,910 --> 00:27:24,750

from Chris doles

694

00:27:29,720 --> 00:27:26,920

effectively something was summoned there

695

00:27:33,660 --> 00:27:29,730

and when you just look at this bizarre

696

00:27:35,850 --> 00:27:33,670

occultic stuff are quasi occultic stuff

697

00:27:38,880 --> 00:27:35,860

that we're doing energy and just some of

698

00:27:41,340 --> 00:27:38,890

the other ties the guys like the SOS jay

699

00:27:44,490 --> 00:27:41,350

group had you know that's a very

700

00:27:46,190 --> 00:27:44,500

tempting explanation for all of it right

701  
00:27:48,740 --> 00:27:46,200  
right and for people who don't remember

702  
00:27:52,230 --> 00:27:48,750  
Project Blue Bird it's basically

703  
00:27:54,180 --> 00:27:52,240  
synonymous or often talked about with

704  
00:27:56,419 --> 00:27:54,190  
project artichoke and of

705  
00:27:59,519 --> 00:27:56,429  
course all this stuff under the MKULTRA

706  
00:28:01,409 --> 00:27:59,529  
umbrella and maybe we should dive into

707  
00:28:04,379 --> 00:28:01,419  
MKULTRA a little bit more too because

708  
00:28:07,139 --> 00:28:04,389  
you write about the transition from

709  
00:28:10,350 --> 00:28:07,149  
trying to crack and control individual

710  
00:28:13,289 --> 00:28:10,360  
minds to more mass mind control and

711  
00:28:15,060 --> 00:28:13,299  
social behavior or manipulation and that

712  
00:28:17,580 --> 00:28:15,070  
might all be coming to a serious head

713  
00:28:20,700 --> 00:28:17,590

right now - but in the book you write

714

00:28:22,860 --> 00:28:20,710

about the Society for the investigation

715

00:28:25,289 --> 00:28:22,870

of human ecology and the role they

716

00:28:27,840 --> 00:28:25,299

played in developing and testing these

717

00:28:30,360 --> 00:28:27,850

techniques for the CIA and the MKULTRA

718

00:28:32,730 --> 00:28:30,370

cronies what do you find most

719

00:28:34,710 --> 00:28:32,740

interesting about this area and are you

720

00:28:36,629 --> 00:28:34,720

seeing parallels between the work they

721

00:28:38,570 --> 00:28:36,639

were doing then and the things were

722

00:28:40,379 --> 00:28:38,580

experiencing culturally now oh

723

00:28:42,749 --> 00:28:40,389

absolutely

724

00:28:45,119 --> 00:28:42,759

we'll see I mean the big overlap was

725

00:28:47,039 --> 00:28:45,129

this guy called Frank Burnett's he was

726

00:28:50,369 --> 00:28:47,049

you know Rhodes Scholar the whole nine

727

00:28:53,249 --> 00:28:50,379

yards in the 1950s he was involved with

728

00:28:54,570 --> 00:28:53,259

these national war colleges which was

729

00:28:56,700 --> 00:28:54,580

also something the early American

730

00:28:57,990 --> 00:28:56,710

security council been tied up in and

731

00:29:00,830 --> 00:28:58,000

essentially they were trying to

732

00:29:03,779 --> 00:29:00,840

indoctrinate military officers and

733

00:29:05,940 --> 00:29:03,789

extreme anti-communism effectively and

734

00:29:08,220 --> 00:29:05,950

one of the guys working with him in this

735

00:29:10,169 --> 00:29:08,230

capacity was Colonel James Monroe who

736

00:29:12,899 --> 00:29:10,179

was a big figure in the Society for the

737

00:29:14,730 --> 00:29:12,909

investigation in human ecology which

738

00:29:16,289 --> 00:29:14,740

essentially was the outfit that was

739

00:29:19,769 --> 00:29:16,299

providing a lot of the funding for the

740

00:29:22,860 --> 00:29:19,779

various MKULTRA projects so Barnett and

741

00:29:25,019 --> 00:29:22,870

Monroe really hit it off and then from

742

00:29:26,580 --> 00:29:25,029

there Barnett had going on to found

743

00:29:29,369 --> 00:29:26,590

another organization the American

744

00:29:31,529 --> 00:29:29,379

strategic information center which was

745

00:29:33,149 --> 00:29:31,539

in turn involved in indoctrinating labor

746

00:29:35,549 --> 00:29:33,159

unions and what have you and Andy

747

00:29:37,560 --> 00:29:35,559

communism and there's some heavy people

748

00:29:39,119 --> 00:29:37,570

you know involved in this group as well

749

00:29:40,889 --> 00:29:39,129

I mean you've got William Casey the

750

00:29:43,379 --> 00:29:40,899

future director of the CIA you've got a

751

00:29:44,759 --> 00:29:43,389

Bush family member Frank Shakespeare a

752

00:29:47,610 --> 00:29:44,769

guy who would have a big role with the

753

00:29:49,499 --> 00:29:47,620

Heritage Foundation and what have you so

754

00:29:52,369 --> 00:29:49,509

you know you kind of have this you know

755

00:29:55,139 --> 00:29:52,379

potential linkage to MKULTRA and

756

00:29:57,629 --> 00:29:55,149

psychological warfare that originally

757

00:29:59,490 --> 00:29:57,639

was being kind of employed and doctrine

758

00:30:01,889 --> 00:29:59,500

aiding military officers heads of labor

759

00:30:04,139 --> 00:30:01,899

unions but I really think a lot of this

760

00:30:06,450 --> 00:30:04,149

was gradually incorporated into the

761

00:30:08,200 --> 00:30:06,460

broader propaganda that the American

762

00:30:11,230 --> 00:30:08,210

Security Council was to some

763

00:30:13,120 --> 00:30:11,240

and that really goes into you know this

764

00:30:14,620 --> 00:30:13,130

alternative stuff that I was just

765

00:30:16,510 --> 00:30:14,630

talking about you know the

766

00:30:19,270 --> 00:30:16,520

conspiratorial right stuff with the ante

767

00:30:21,640 --> 00:30:19,280

UN troops and what-have-you the UFOs and

768

00:30:23,710 --> 00:30:21,650

all that stuff and certainly you know

769

00:30:25,720 --> 00:30:23,720

when you look at what is happening now

770

00:30:27,880 --> 00:30:25,730

with the covert stuff and just the

771

00:30:29,350 --> 00:30:27,890

insanity right now with all the

772

00:30:30,400 --> 00:30:29,360

disinformation and the press and

773

00:30:32,500 --> 00:30:30,410

what-have-you

774

00:30:34,840 --> 00:30:32,510

you know this is very much I think in

775

00:30:36,460 --> 00:30:34,850

keeping with the legacy of this kind of

776

00:30:38,950 --> 00:30:36,470

research and I mean to kind of put this

777

00:30:40,930 --> 00:30:38,960

in perspective you know Barnett he would

778

00:30:43,420 --> 00:30:40,940

start sponsoring a lot of figures over

779

00:30:46,720 --> 00:30:43,430

the years and one of them was a guy

780

00:30:49,930 --> 00:30:46,730

named Brian Crozier who was a big guy in

781

00:30:51,970 --> 00:30:49,940

the UK ties to mi5 mi6 he eventually

782

00:30:53,530 --> 00:30:51,980

became one of the chairman of the circle

783

00:30:55,270 --> 00:30:53,540

which is a big you know kind of the

784

00:30:58,360 --> 00:30:55,280

far-right santur to Bilderberg Group

785

00:31:00,070 --> 00:30:58,370

crowds there was a big guy he founded an

786

00:31:02,620 --> 00:31:00,080

institution called the Institute for the

787

00:31:04,570 --> 00:31:02,630

Study of conflict which you know kind of

788

00:31:07,600 --> 00:31:04,580

did the similar type of side war any

789

00:31:09,040 --> 00:31:07,610

communist stuff in the UK the Barnett to

790

00:31:11,320 --> 00:31:09,050

the American Security Council we're

791

00:31:14,440 --> 00:31:11,330

doing year two of the big financial

792

00:31:17,380 --> 00:31:14,450

sponsors for frozers efforts with the

793

00:31:20,200 --> 00:31:17,390

ISC were press barons one of them was

794

00:31:22,630 --> 00:31:20,210

Sir James Goldsmith Goldsmith was a huge

795

00:31:25,570 --> 00:31:22,640

guy in creating Euro skepticism in the

796

00:31:28,210 --> 00:31:25,580

UK he funded the UK Independence Party

797

00:31:30,310 --> 00:31:28,220

in the 90s and a lot of his former

798

00:31:32,110 --> 00:31:30,320

associates and colleagues were major

799

00:31:32,830 --> 00:31:32,120

sponsors of brexit including his

800

00:31:35,050 --> 00:31:32,840

son-in-law

801  
00:31:37,180 --> 00:31:35,060  
Robin Burleigh and then the other guy

802  
00:31:41,410 --> 00:31:37,190  
who was big sponsoring Crozier in the

803  
00:31:43,120 --> 00:31:41,420  
ISC Rupert Murdoch Fox News chairman who

804  
00:31:44,860 --> 00:31:43,130  
has certainly pioneered one of the most

805  
00:31:49,300 --> 00:31:44,870  
traumatic types of news coverage you

806  
00:31:53,020 --> 00:31:49,310  
could possibly imagine yes yes and it is

807  
00:31:57,640 --> 00:31:53,030  
just so weird lately how I've been

808  
00:32:01,240 --> 00:31:57,650  
feeling like in peace times we know not

809  
00:32:04,840 --> 00:32:01,250  
to trust traditional news media the CDC

810  
00:32:07,210 --> 00:32:04,850  
who the executive branch we know that

811  
00:32:09,400 --> 00:32:07,220  
these people are always lying we know

812  
00:32:11,890 --> 00:32:09,410  
that they don't care about human life

813  
00:32:15,370 --> 00:32:11,900

with their drone strikes and their coos

814

00:32:17,650 --> 00:32:15,380

and all the stuff that they do but then

815

00:32:20,020 --> 00:32:17,660

the [h\_\_\h] hits the fan we all go into

816

00:32:21,980 --> 00:32:20,030

panic mode and these are the people who

817

00:32:24,200 --> 00:32:21,990

we suddenly start

818

00:32:26,990 --> 00:32:24,210

buying into hook line and sinker we

819

00:32:28,820 --> 00:32:27,000

start taking their exact advice we start

820

00:32:31,730 --> 00:32:28,830

actually policing our neighbors on

821

00:32:33,169 --> 00:32:31,740

behalf of what they said and it's like

822

00:32:35,419 --> 00:32:33,179

well did you forget this whole long

823

00:32:37,640 --> 00:32:35,429

history of these organizations I'm sorry

824

00:32:39,560 --> 00:32:37,650

it is unfortunate that we can't trust

825

00:32:41,600 --> 00:32:39,570

any of these institutions all their

826

00:32:44,060 --> 00:32:41,610

credibility is shot and we should have

827

00:32:46,280 --> 00:32:44,070

done something about it before we were

828

00:32:48,620 --> 00:32:46,290

in crisis mode but we didn't so you

829

00:32:50,540 --> 00:32:48,630

can't just turn around and say well on

830

00:32:52,549 --> 00:32:50,550

this thing I trust them cuz it's new and

831

00:32:56,240 --> 00:32:52,559

fresh and scary it's like they don't

832

00:32:58,160 --> 00:32:56,250

have a legacy of trust yeah yeah I mean

833

00:32:59,180 --> 00:32:58,170

it's just really incredible I mean you

834

00:33:01,190 --> 00:32:59,190

would think that people would have

835

00:33:04,430 --> 00:33:01,200

learned their lesson after the you know

836

00:33:06,110 --> 00:33:04,440

Iraq 2 debacle and EE alleged weapons of

837

00:33:09,650 --> 00:33:06,120

mass destruction and then certainly

838

00:33:11,630 --> 00:33:09,660

after the OE financial meltdown but it

839

00:33:13,760 --> 00:33:11,640

seems like people are still going to try

840

00:33:15,740 --> 00:33:13,770

to cling to that reality that's parroted

841

00:33:18,710 --> 00:33:15,750

on the one hand and Fox on the other

842

00:33:20,660 --> 00:33:18,720

hand with CBS or MSNBC or something to

843

00:33:22,760 --> 00:33:20,670

that effect and you know I mean it's a

844

00:33:25,040 --> 00:33:22,770

really tragic state of affairs because I

845

00:33:28,190 --> 00:33:25,050

mean Fox you know was really the kind of

846

00:33:30,200 --> 00:33:28,200

pioneer for this hyper sensational

847

00:33:31,970 --> 00:33:30,210

almost traumatic type of news coverage

848

00:33:34,760 --> 00:33:31,980

which has pretty much been adopted by

849

00:33:36,590 --> 00:33:34,770

all of the network's now you know I mean

850

00:33:39,320 --> 00:33:36,600

it's almost totally flushed any

851

00:33:41,480 --> 00:33:39,330

semblance of the objectivity down the

852

00:33:45,470 --> 00:33:41,490

toilet and yet the public still wants to

853

00:33:47,960 --> 00:33:45,480

cling to it for some reason oh man I get

854

00:33:50,690 --> 00:33:47,970

so frustrated with it but to head back

855

00:33:52,700 --> 00:33:50,700

to UFOs I also thought this was

856

00:33:54,410 --> 00:33:52,710

interesting you did mention NICAP a

857

00:33:56,120 --> 00:33:54,420

little bit earlier but to quote your

858

00:33:58,070 --> 00:33:56,130

book you write the National

859

00:34:00,500 --> 00:33:58,080

Investigations Committee on aerial

860

00:34:03,200 --> 00:34:00,510

phenomenon or nycap was the first

861

00:34:05,419 --> 00:34:03,210

large-scale civilian agency dedicated to

862

00:34:09,680 --> 00:34:05,429

the investigation of UFOs from the late

863

00:34:11,599 --> 00:34:09,690

1950s until its demise in 1989 cap was

864

00:34:14,480 --> 00:34:11,609

the cream of the crop in the civilian

865

00:34:16,430 --> 00:34:14,490

field nowadays it's widely acknowledged

866

00:34:18,919 --> 00:34:16,440

that nycap was heavily infiltrated by

867

00:34:21,740 --> 00:34:18,929

the CIA from its inception less

868

00:34:24,139 --> 00:34:21,750

well-known is the fact that the American

869

00:34:27,020 --> 00:34:24,149

Security Council was also involved from

870

00:34:30,050 --> 00:34:27,030

the get-go NICAP was founded by a man

871

00:34:33,430 --> 00:34:30,060

named Townsend Brown a Navy veteran who

872

00:34:35,180 --> 00:34:33,440

had served under Admiral Arthur Radford

873

00:34:37,069 --> 00:34:35,190

Radford and avenged

874

00:34:40,129 --> 00:34:37,079

well chairman of the Joint Chiefs of

875

00:34:42,649 --> 00:34:40,139

Staff would join the ASC and it's

876

00:34:45,470 --> 00:34:42,659

national strategy committee upon his

877

00:34:48,109 --> 00:34:45,480

retirement from the Navy Radford had

878

00:34:50,119 --> 00:34:48,119

supported Browns research for years and

879

00:34:53,180 --> 00:34:50,129

had taken a keen interest in the UFO

880

00:34:55,609 --> 00:34:53,190

question himself I'm interested in that

881

00:34:57,589 --> 00:34:55,619

because t Townsend Brown I mean this is

882

00:34:59,990 --> 00:34:57,599

a guy who a lot of people put in a

883

00:35:04,270 --> 00:35:00,000

category with Nikola Tesla that he was

884

00:35:07,130 --> 00:35:04,280

cracking the code of electrogravitic

885

00:35:10,040 --> 00:35:07,140

propulsion and sometimes I just don't

886

00:35:13,579 --> 00:35:10,050

know it's really kind of hard to parse

887

00:35:15,589 --> 00:35:13,589

exactly who the bad guys are when only

888

00:35:17,630 --> 00:35:15,599

one group of guys has really the

889

00:35:20,540 --> 00:35:17,640

resources for this kind of stuff but

890

00:35:22,370 --> 00:35:20,550

it's interesting that he was kind of

891

00:35:24,349 --> 00:35:22,380

involved with some of these people what

892

00:35:27,109 --> 00:35:24,359

are your thoughts on t Townsend Brown

893

00:35:28,819 --> 00:35:27,119

and the work that he did was he a spook

894

00:35:30,800 --> 00:35:28,829

himself because I don't get those spook

895

00:35:33,920 --> 00:35:30,810

vibes maybe they were just spooks

896

00:35:35,930 --> 00:35:33,930

interested in him and swarming around

897

00:35:38,839 --> 00:35:35,940

him or maybe I'm being naive what do you

898

00:35:41,420 --> 00:35:38,849

think yeah I mean I definitely think he

899

00:35:44,930 --> 00:35:41,430

was probably more you know somebody that

900

00:35:46,460 --> 00:35:44,940

was being used or manipulated and I mean

901  
00:35:48,859 --> 00:35:46,470  
certainly that kind of seems to be a

902  
00:35:51,170 --> 00:35:48,869  
reoccurring theme with almost anybody

903  
00:35:54,790 --> 00:35:51,180  
who's kind of involved in this you know

904  
00:35:58,190 --> 00:35:54,800  
kind of Tesla / alternative energy

905  
00:36:00,620 --> 00:35:58,200  
oriented research but again you know

906  
00:36:03,230 --> 00:36:00,630  
there are several disinformation types

907  
00:36:05,900 --> 00:36:03,240  
involved in this as well specifically

908  
00:36:08,300 --> 00:36:05,910  
Jeana pew Arak but yeah I mean Braun was

909  
00:36:11,089 --> 00:36:08,310  
a guy - I mean he just seemed like you

910  
00:36:13,609 --> 00:36:11,099  
know a true visionary but again you know

911  
00:36:15,020 --> 00:36:13,619  
it's also kind of understandable that P

912  
00:36:17,630 --> 00:36:15,030  
individuals who were affiliated with a

913  
00:36:19,250 --> 00:36:17,640

group like the ASC would have taken an

914

00:36:22,339 --> 00:36:19,260

interest in this type of research

915

00:36:24,410 --> 00:36:22,349

because it was so closely tied to the

916

00:36:26,809 --> 00:36:24,420

military-industrial complex defense

917

00:36:29,809 --> 00:36:26,819

contractors and especially the aerospace

918

00:36:31,220 --> 00:36:29,819

industry as well so I mean all these

919

00:36:33,349 --> 00:36:31,230

guys I think would have also had a

920

00:36:34,940 --> 00:36:33,359

pretty significant you know financial

921

00:36:36,710 --> 00:36:34,950

stake and the type of things that he was

922

00:36:38,480 --> 00:36:36,720

developing as well and this probably

923

00:36:39,980 --> 00:36:38,490

would have provided a compelling way to

924

00:36:41,300 --> 00:36:39,990

kind of keep track of some of the

925

00:36:43,099 --> 00:36:41,310

thoughts that he was developing by

926  
00:36:45,470 --> 00:36:43,109  
monitoring through a group like nightcap

927  
00:36:47,210 --> 00:36:45,480  
and that type of thing certainly you

928  
00:36:48,480 --> 00:36:47,220  
know there's a lot of different ways to

929  
00:36:51,840 --> 00:36:48,490  
look at it

930  
00:36:53,370 --> 00:36:51,850  
and the melon family did have a little

931  
00:36:55,500 --> 00:36:53,380  
bit to do with some of this right they

932  
00:36:57,270 --> 00:36:55,510  
were funding a decent chunk of it just

933  
00:36:59,580 --> 00:36:57,280  
to bring it back to that first family we

934  
00:37:02,010 --> 00:36:59,590  
talked about yeah yeah yeah well a lot

935  
00:37:03,630 --> 00:37:02,020  
of Barnett's initiatives and the NSIC

936  
00:37:05,820 --> 00:37:03,640  
the national strategic information

937  
00:37:07,020 --> 00:37:05,830  
center and then later cruiser stuff with

938  
00:37:09,990 --> 00:37:07,030

the institute that state of conflict

939

00:37:12,630 --> 00:37:10,000

almost all that was funded by Richard

940

00:37:15,210 --> 00:37:12,640

Mellon Scaife II who's another really

941

00:37:17,070 --> 00:37:15,220

just fascinating figure his father Alan

942

00:37:19,950 --> 00:37:17,080

scaife II of course had been an OSS

943

00:37:22,370 --> 00:37:19,960

officer and curiously both Alan and his

944

00:37:24,690 --> 00:37:22,380

mother Sarah Mellon Scaife II were

945

00:37:26,760 --> 00:37:24,700

investors in the world Commerce

946

00:37:28,350 --> 00:37:26,770

Corporation which was a pretty spooky

947

00:37:31,380 --> 00:37:28,360

entity that had been set up by William

948

00:37:33,270 --> 00:37:31,390

Donovan and William Stephenson and a lot

949

00:37:34,470 --> 00:37:33,280

of other ex kook's in the aftermath of

950

00:37:37,590 --> 00:37:34,480

the second world war in fact pretty much

951  
00:37:39,300 --> 00:37:37,600  
everybody involved with it was X OSS or

952  
00:37:40,620 --> 00:37:39,310  
British security coordination or

953  
00:37:42,650 --> 00:37:40,630  
something like that I mean it really was

954  
00:37:45,150 --> 00:37:42,660  
a kind of early corporate intelligence

955  
00:37:48,000 --> 00:37:45,160  
firm so I mean even with his kind of

956  
00:37:49,650 --> 00:37:48,010  
parents you had this peculiar legacy and

957  
00:37:52,350 --> 00:37:49,660  
then of course Kaffee you know had

958  
00:37:54,390 --> 00:37:52,360  
outright sponsored CIA publications I

959  
00:37:56,460 --> 00:37:54,400  
think was like the world Future Forum or

960  
00:37:58,140 --> 00:37:56,470  
something like that and then he had

961  
00:38:00,780 --> 00:37:58,150  
taken up funding so many of these

962  
00:38:03,109 --> 00:38:00,790  
initiatives that Barnett had started and

963  
00:38:06,090 --> 00:38:03,119

he's just another guy that's had so much

964

00:38:08,490 --> 00:38:06,100

influence on a lot of major public

965

00:38:10,590 --> 00:38:08,500

debates I mean an obvious one would be

966

00:38:12,930 --> 00:38:10,600

the abortion debate he's really been one

967

00:38:15,599 --> 00:38:12,940

of the chief financial sponsors of the

968

00:38:17,220 --> 00:38:15,609

pro-life movement which is kind of

969

00:38:18,690 --> 00:38:17,230

ironic because on the flip side the coin

970

00:38:21,120 --> 00:38:18,700

a lot of the other Mellon family members

971

00:38:23,370 --> 00:38:21,130

are big Planned Parenthood backers so

972

00:38:25,470 --> 00:38:23,380

you know you kind of have this instance

973

00:38:27,630 --> 00:38:25,480

of this one particular family that's

974

00:38:31,050 --> 00:38:27,640

really driving this abortion debate

975

00:38:34,710 --> 00:38:31,060

that's preoccupied the public so much

976

00:38:37,370 --> 00:38:34,720

since the 1970s if not sooner and then

977

00:38:39,810 --> 00:38:37,380

amusingly Scafe he was also the guy who

978

00:38:41,400 --> 00:38:39,820

sponsored the Clinton chronicles as well

979

00:38:43,290 --> 00:38:41,410

which really kind of you know

980

00:38:45,359 --> 00:38:43,300

established the Mentos so the Clintons

981

00:38:47,160 --> 00:38:45,369

is the ultimate kind of Faustian

982

00:38:51,510 --> 00:38:47,170

villains or something to that effect

983

00:38:54,030 --> 00:38:51,520

mm-hm interesting yes and it's odd why

984

00:38:56,280 --> 00:38:54,040

people would waste their money funding

985

00:38:58,740 --> 00:38:56,290

two sides of an argument like you know

986

00:39:01,140 --> 00:38:58,750

the family fortune but I guess they just

987

00:39:02,010 --> 00:39:01,150

want to create division because I do

988

00:39:03,990 --> 00:39:02,020

know a lot

989

00:39:07,860 --> 00:39:04,000

of people particularly back in Missouri

990

00:39:10,080 --> 00:39:07,870

who will vote solely on this one issue

991

00:39:12,300 --> 00:39:10,090

and it just drives me nuts cuz I'm like

992

00:39:14,550 --> 00:39:12,310

look you're not having kids anymore

993

00:39:16,550 --> 00:39:14,560

you don't have to have an abortion you

994

00:39:19,320 --> 00:39:16,560

don't know you want to have an abortion

995

00:39:22,320 --> 00:39:19,330

why do you care so much about that as

996

00:39:24,450 --> 00:39:22,330

opposed to like how we deal with the

997

00:39:27,060 --> 00:39:24,460

rest of the world the coos that are

998

00:39:30,090 --> 00:39:27,070

staged by the globalists like why don't

999

00:39:32,520 --> 00:39:30,100

you care about the people that are alive

1000

00:39:34,380 --> 00:39:32,530

that don't have any kind of safety net

1001  
00:39:36,030 --> 00:39:34,390  
that are just you know dying on the

1002  
00:39:38,460 --> 00:39:36,040  
streets why don't you care about really

1003  
00:39:41,760 --> 00:39:38,470  
anything it's just an odd thing to care

1004  
00:39:43,290 --> 00:39:41,770  
about hypothetical lives that probably

1005  
00:39:44,760 --> 00:39:43,300  
wouldn't have the best upbringing I mean

1006  
00:39:48,440 --> 00:39:44,770  
I don't even want to really get into it

1007  
00:39:51,360 --> 00:39:48,450  
necessarily but it is just a weird thing

1008  
00:39:53,100 --> 00:39:51,370  
yeah well I mean I think that this kind

1009  
00:39:54,930 --> 00:39:53,110  
of seems like it's part of a coordinated

1010  
00:39:57,270 --> 00:39:54,940  
to lead agenda in a lot of ways I mean

1011  
00:39:59,310 --> 00:39:57,280  
of course this kind of thinking really

1012  
00:40:00,540 --> 00:39:59,320  
went back to I mean it goes back earlier

1013  
00:40:02,850 --> 00:40:00,550

but I mean really in the post-war years

1014

00:40:05,100 --> 00:40:02,860

I mean the Mont Pelerin Society was a

1015

00:40:07,230 --> 00:40:05,110

big one and this is where mostly a bunch

1016

00:40:09,420 --> 00:40:07,240

of economists more conservative leaning

1017

00:40:11,370 --> 00:40:09,430

you get the Austrian school the Chicago

1018

00:40:13,590 --> 00:40:11,380

School and this is really where the

1019

00:40:16,230 --> 00:40:13,600

modern ideology of neoliberalism

1020

00:40:18,300 --> 00:40:16,240

originated from as well but essentially

1021

00:40:21,450 --> 00:40:18,310

you know these guys were obsessed with

1022

00:40:24,330 --> 00:40:21,460

the notion of a double government if you

1023

00:40:26,040 --> 00:40:24,340

will and on the one hand you would have

1024

00:40:28,740 --> 00:40:26,050

a part of the government that was

1025

00:40:31,680 --> 00:40:28,750

basically concerned with social issues

1026

00:40:34,050 --> 00:40:31,690

that generally elites considered to be

1027

00:40:35,520 --> 00:40:34,060

meaningless but they would be great for

1028

00:40:37,740 --> 00:40:35,530

a public debate and you could have

1029

00:40:39,630 --> 00:40:37,750

democracy in this sense and so on and so

1030

00:40:41,850 --> 00:40:39,640

forth and then you would have another

1031

00:40:42,990 --> 00:40:41,860

government and this would be the part of

1032

00:40:46,200 --> 00:40:43,000

the government that was chiefly

1033

00:40:47,880 --> 00:40:46,210

concerned with wealth with military

1034

00:40:50,250 --> 00:40:47,890

functions and specifically with the

1035

00:40:52,260 --> 00:40:50,260

orientation of the economy and things

1036

00:40:55,200 --> 00:40:52,270

that were meaningful to the elite things

1037

00:40:56,700 --> 00:40:55,210

that conferred power to them so you know

1038

00:40:58,680 --> 00:40:56,710

I mean that I think is why when you

1039

00:41:00,780 --> 00:40:58,690

really get down to it things like the

1040

00:41:02,700 --> 00:41:00,790

abortion debate are continuously pushed

1041

00:41:04,650 --> 00:41:02,710

on us and really the gun debate for that

1042

00:41:06,930 --> 00:41:04,660

matter - I mean I'm sorry but you know

1043

00:41:08,640 --> 00:41:06,940

in the 21st century an assault rifle is

1044

00:41:10,590 --> 00:41:08,650

not going to stop some of the super

1045

00:41:13,590 --> 00:41:10,600

weapons that the US military is sitting

1046

00:41:15,540 --> 00:41:13,600

on you know I don't think anybody at the

1047

00:41:18,270 --> 00:41:15,550

upper echelon of power really can

1048

00:41:21,030 --> 00:41:18,280

one way or the other about abortion or

1049

00:41:23,130 --> 00:41:21,040

the gun issue or probably transgender

1050

00:41:25,200 --> 00:41:23,140

rights or anything like that but you

1051  
00:41:27,450 --> 00:41:25,210  
know it galvanizes the public that's a

1052  
00:41:29,880 --> 00:41:27,460  
great way to keep people fighting

1053  
00:41:32,040 --> 00:41:29,890  
amongst themselves over issues that are

1054  
00:41:34,200 --> 00:41:32,050  
not going to ultimately increase their

1055  
00:41:36,300 --> 00:41:34,210  
standard living or the political power

1056  
00:41:38,790 --> 00:41:36,310  
or anything else that has any real

1057  
00:41:41,730 --> 00:41:38,800  
significance right right

1058  
00:41:43,200 --> 00:41:41,740  
very well said and to switch gears a

1059  
00:41:45,330 --> 00:41:43,210  
little bit here I'm also always

1060  
00:41:48,330 --> 00:41:45,340  
interested in places where we see the

1061  
00:41:51,390 --> 00:41:48,340  
occult spill into the political spheres

1062  
00:41:53,190 --> 00:41:51,400  
or just general rings of power and I

1063  
00:41:55,110 --> 00:41:53,200

know that you're interested in that kind

1064

00:41:57,300 --> 00:41:55,120

of stuff as well and in this book you

1065

00:41:59,220 --> 00:41:57,310

write about a figure I don't think I'd

1066

00:42:01,950 --> 00:41:59,230

heard of before he sounds sort of like

1067

00:42:04,560 --> 00:42:01,960

an Italian Aleister Crowley with one

1068

00:42:07,470 --> 00:42:04,570

foot in the occult and one in some kind

1069

00:42:09,930 --> 00:42:07,480

of spy craft sort of stuff you refer to

1070

00:42:12,960 --> 00:42:09,940

him as the Sith Lord he's got a long

1071

00:42:14,850 --> 00:42:12,970

streams but let's just call him Julius

1072

00:42:18,240 --> 00:42:14,860

Ebola but what can you tell us about

1073

00:42:21,060 --> 00:42:18,250

this Ebola guy yeah he really was very

1074

00:42:22,440 --> 00:42:21,070

much i cruelly like figure in fact i

1075

00:42:24,840 --> 00:42:22,450

mean i would probably argue he was the

1076

00:42:26,220 --> 00:42:24,850

other pram and a magician of the 20th

1077

00:42:28,320 --> 00:42:26,230

century next to crowley and there was

1078

00:42:30,840 --> 00:42:28,330

just a lot of bizarre overlap between

1079

00:42:32,910 --> 00:42:30,850

them i mean they also were both obsessed

1080

00:42:35,790 --> 00:42:32,920

with mountaineering and so forth and

1081

00:42:37,770 --> 00:42:35,800

then there's kind of the bizarre kind of

1082

00:42:40,970 --> 00:42:37,780

synchronicity with their deaths of

1083

00:42:44,430 --> 00:42:40,980

course crowley died in 47 avala died in

1084

00:42:46,110 --> 00:42:44,440

74 and you know both of those years are

1085

00:42:47,970 --> 00:42:46,120

also of a lot of you know kind of

1086

00:42:50,910 --> 00:42:47,980

interest to syncro mystic types like

1087

00:42:52,230 --> 00:42:50,920

myself and what-have-you of course 47

1088

00:42:54,450 --> 00:42:52,240

you know you had the emergence of the

1089

00:42:57,000 --> 00:42:54,460

national security states and all kinds

1090

00:42:59,910 --> 00:42:57,010

of other crazy stuff 74 yet water gay

1091

00:43:02,100 --> 00:42:59,920

the first kind of public revelation of

1092

00:43:04,920 --> 00:43:02,110

the nine impure Horrocks uri book and

1093

00:43:05,610 --> 00:43:04,930

all that good stuff but in terms of

1094

00:43:06,800 --> 00:43:05,620

allah

1095

00:43:09,720 --> 00:43:06,810

you know the italian philosopher

1096

00:43:12,810 --> 00:43:09,730

occultist he had originally cut his

1097

00:43:14,880 --> 00:43:12,820

teeth with the ur group in the 1920s and

1098

00:43:18,090 --> 00:43:14,890

you know there was a lot of interest in

1099

00:43:19,950 --> 00:43:18,100

Mithras ISM I know specifically was that

1100

00:43:22,410 --> 00:43:19,960

the great magical Pappa rious of Paris

1101

00:43:25,140 --> 00:43:22,420

was a big text that they were quite

1102

00:43:26,910 --> 00:43:25,150

taken with which I know Knowles has

1103

00:43:29,300 --> 00:43:26,920

spoken about hoes essentially an account

1104

00:43:30,950 --> 00:43:29,310

of tripping balls or some things that

1105

00:43:32,810 --> 00:43:30,960

and then you see a lot of the other kind

1106

00:43:35,540 --> 00:43:32,820

of touchstones likes crying and that

1107

00:43:37,100 --> 00:43:35,550

type of thing that show up but in terms

1108

00:43:39,140 --> 00:43:37,110

of the villas system that was very

1109

00:43:42,020 --> 00:43:39,150

heavily influenced by hinduism in the

1110

00:43:44,030 --> 00:43:42,030

caste system and his take essentially it

1111

00:43:45,350 --> 00:43:44,040

would be the warrior caste that would

1112

00:43:47,420 --> 00:43:45,360

have been at the highest level rather

1113

00:43:50,360 --> 00:43:47,430

than the Brahmins the priest caste and

1114

00:43:53,290 --> 00:43:50,370

that pretty much led to just an

1115

00:43:56,000 --> 00:43:53,300

obsession with these kind of warrior

1116

00:43:58,490 --> 00:43:56,010

Brotherhood's if you will warrior monks

1117

00:44:00,200 --> 00:43:58,500

of course of all I was quite taken with

1118

00:44:02,180 --> 00:44:00,210

the Knights Templar the Knights

1119

00:44:04,400 --> 00:44:02,190

Hospitaller and all the you know I mean

1120

00:44:06,400 --> 00:44:04,410

revered medieval military orders and

1121

00:44:08,290 --> 00:44:06,410

that type of thing

1122

00:44:12,310 --> 00:44:08,300

he really started to rise to prominence

1123

00:44:14,920 --> 00:44:12,320

after Mussolini came to power he had

1124

00:44:17,560 --> 00:44:14,930

found fascism to be fascinating but head

1125

00:44:18,730 --> 00:44:17,570

ultimately begun to criticize it because

1126

00:44:21,850 --> 00:44:18,740

he believed that Hitler and Mussolini

1127

00:44:23,890 --> 00:44:21,860

did not go far enough he was disturbed

1128

00:44:26,320 --> 00:44:23,900

by their pandering to the trade unions

1129

00:44:28,710 --> 00:44:26,330

and that type of thing so it was

1130

00:44:32,050 --> 00:44:28,720

definitely very much in a aristocratic

1131

00:44:34,390 --> 00:44:32,060

system that he was promoting nonetheless

1132

00:44:36,910 --> 00:44:34,400

even though he did routinely criticized

1133

00:44:38,980 --> 00:44:36,920

both regimes during the war he did not

1134

00:44:41,590 --> 00:44:38,990

end up in a concentration camp like so

1135

00:44:44,260 --> 00:44:41,600

many others in fact he was later brought

1136

00:44:46,620 --> 00:44:44,270

into the SS another organization that he

1137

00:44:48,850 --> 00:44:46,630

had been quite obsessed with and

1138

00:44:51,160 --> 00:44:48,860

specifically he was put into the SD

1139

00:44:53,980 --> 00:44:51,170

which was their principal intelligence

1140

00:44:55,870 --> 00:44:53,990

service and that led to some interesting

1141

00:45:00,010 --> 00:44:55,880

activities at the end of the war he was

1142

00:45:03,130 --> 00:45:00,020

in Austria and Salzburg in 1945 the Red

1143

00:45:06,010 --> 00:45:03,140

Army is surrounding Germany the Allies

1144

00:45:08,650 --> 00:45:06,020

are coming and allegedly during this

1145

00:45:10,780 --> 00:45:08,660

time he's working on a book called the

1146

00:45:13,420 --> 00:45:10,790

history of secret societies or something

1147

00:45:15,790 --> 00:45:13,430

to that effect which is just not a very

1148

00:45:17,770 --> 00:45:15,800

believable story I mean you know the

1149

00:45:19,270 --> 00:45:17,780

Third Reich is literally collapsing

1150

00:45:21,310 --> 00:45:19,280

before his eyes and then he was

1151

00:45:23,140 --> 00:45:21,320

reportedly paralyzed during this time

1152

00:45:25,150 --> 00:45:23,150

from wandering through the streets of

1153

00:45:27,790 --> 00:45:25,160

salzburg as the bombs were being dropped

1154

00:45:29,170 --> 00:45:27,800

and what-have-you so yes there's been

1155

00:45:31,750 --> 00:45:29,180

some theories about what he was actually

1156

00:45:34,900 --> 00:45:31,760

up to and I think the great Kevin Coogan

1157

00:45:36,730 --> 00:45:34,910

who sadly recently departed us really

1158

00:45:39,610 --> 00:45:36,740

had the best take on it and that is the

1159

00:45:42,010 --> 00:45:39,620

fact that he had been tapped by the SS

1160

00:45:44,590 --> 00:45:42,020

to develop a pan-european

1161

00:45:46,660 --> 00:45:44,600

ideology that could be revitalized the

1162

00:45:48,820 --> 00:45:46,670

Nazi or fascist underground in the

1163

00:45:50,530 --> 00:45:48,830

aftermath of the war something that

1164

00:45:52,240 --> 00:45:50,540

would be more inclusive to the whole of

1165

00:45:55,030 --> 00:45:52,250

Europe and not you know just kind of

1166

00:45:58,060 --> 00:45:55,040

focused on German supremacy or something

1167

00:46:00,400 --> 00:45:58,070

to that effect and you know it seems

1168

00:46:02,050 --> 00:46:00,410

like he was very effective at that you

1169

00:46:05,440 --> 00:46:02,060

know going into the Cold War years

1170

00:46:07,540 --> 00:46:05,450

virtually every major you know it's how

1171

00:46:10,810 --> 00:46:07,550

you neo-fascist terrorists at one time

1172

00:46:13,930 --> 00:46:10,820

or other had been infatuated with his

1173

00:46:16,810 --> 00:46:13,940

system the really big you know militant

1174

00:46:18,250 --> 00:46:16,820

organization was the new order the head

1175

00:46:19,870 --> 00:46:18,260

of that was you know very much about

1176

00:46:21,370 --> 00:46:19,880

acolytes and this was

1177

00:46:23,529 --> 00:46:21,380

really the group that was you know big

1178

00:46:26,620 --> 00:46:23,539

part of all the galati o efforts to

1179

00:46:28,599 --> 00:46:26,630

destabilize Italy during the time so you

1180

00:46:30,309 --> 00:46:28,609

know I mean that's something also I mean

1181

00:46:32,259 --> 00:46:30,319

I would kind of point out with devilís

1182

00:46:34,809 --> 00:46:32,269

followers in comparison to Crowley's I

1183

00:46:36,849 --> 00:46:34,819

mean Curley tended to inspire a lot of

1184

00:46:37,799 --> 00:46:36,859

bohemian types a lot of artists and

1185

00:46:40,870 --> 00:46:37,809

what-have-you

1186

00:46:43,029 --> 00:46:40,880

voa's followers you know they were more

1187

00:46:46,180 --> 00:46:43,039

concerned with the metaphysics of the

1188

00:46:48,640 --> 00:46:46,190

submachine gun and the subway bomb and

1189

00:46:52,660 --> 00:46:48,650

that type of thing certainly it was a

1190

00:46:55,180 --> 00:46:52,670

very militant belief system and it did

1191

00:46:57,779 --> 00:46:55,190

inspire many young men to commit just

1192

00:47:00,370 --> 00:46:57,789

absolutely horrendous acts of violence

1193

00:47:02,650 --> 00:47:00,380

hmm damn man that's a pretty good

1194

00:47:06,599 --> 00:47:02,660

summary and you also mentioned that

1195

00:47:10,059 --> 00:47:06,609

Ebola gains some modern recent notoriety

1196

00:47:13,690 --> 00:47:10,069

because he was named dropped by Steve

1197

00:47:15,549 --> 00:47:13,700

Bannon and I'm wondering what context

1198

00:47:18,279 --> 00:47:15,559

that was or what you think it might mean

1199

00:47:19,839 --> 00:47:18,289

that Bannon would name drop this guy and

1200

00:47:22,359 --> 00:47:19,849

I I don't think I've heard of him before

1201

00:47:25,359 --> 00:47:22,369

maybe he's not super obscure but it

1202

00:47:26,980 --> 00:47:25,369

seemed odd yeah well if I remember

1203

00:47:30,880 --> 00:47:26,990

correctly Bannon did name dropped him in

1204

00:47:33,120 --> 00:47:30,890

the context of Dugan was Alexander Dugan

1205

00:47:36,609 --> 00:47:33,130

or something like that Putin's alleged

1206

00:47:38,470 --> 00:47:36,619

Rasputin ever loved was a part of this

1207

00:47:41,019 --> 00:47:38,480

kind of ideology that's usually referred

1208

00:47:43,180 --> 00:47:41,029

to as traditionalism and it really

1209

00:47:45,339 --> 00:47:43,190

spread you know in different sectors

1210

00:47:46,960 --> 00:47:45,349

throughout the Cold War in the UK it had

1211

00:47:48,640 --> 00:47:46,970

been a major influence in the National

1212

00:47:52,269 --> 00:47:48,650

Front if Nick Griffin and that type of

1213

00:47:54,420 --> 00:47:52,279

thing but it really appears to have had

1214

00:47:58,359 --> 00:47:54,430

a very prominent influence in Russia

1215

00:48:00,430 --> 00:47:58,369

going into the 1980s and you know Dugan

1216

00:48:02,170 --> 00:48:00,440

almost himself comes off as a nevela

1217

00:48:03,609 --> 00:48:02,180

like figure in the sense that he had

1218

00:48:06,940 --> 00:48:03,619

been using the works of ávila

1219

00:48:09,579 --> 00:48:06,950

potentially to craft a new ideology a

1220

00:48:12,099 --> 00:48:09,589

kind of national Bolshevik ISM that

1221

00:48:14,190 --> 00:48:12,109

could kind of fuel the underground after

1222

00:48:16,870 --> 00:48:14,200

the collapse of the Soviet Union

1223

00:48:18,609 --> 00:48:16,880

obviously there's a lot of dispute as to

1224

00:48:20,289 --> 00:48:18,619

just how much of an influence Dugan has

1225

00:48:23,650 --> 00:48:20,299

actually had on Putin in the modern

1226

00:48:26,039 --> 00:48:23,660

Russian stage but certainly it is known

1227

00:48:28,390 --> 00:48:26,049

beyond a doubt that he did have ties to

1228

00:48:31,130 --> 00:48:28,400

was it the FSB the principal

1229

00:48:32,990 --> 00:48:31,140

intelligence service of russia now and

1230

00:48:35,570 --> 00:48:33,000

generally just a very well-connected

1231

00:48:37,850 --> 00:48:35,580

individual and you know it's possible

1232

00:48:40,300 --> 00:48:37,860

that through that context that's where

1233

00:48:42,950 --> 00:48:40,310

bandit picked up on Evelyn's work and

1234

00:48:44,510 --> 00:48:42,960

you know you've seen this you know I

1235

00:48:46,070 --> 00:48:44,520

mean it's not just ban and obviously in

1236

00:48:46,520 --> 00:48:46,080

the alt-right that are quite taken with

1237

00:48:48,710 --> 00:48:46,530

him I mean

1238

00:48:50,060 --> 00:48:48,720

Evelyn's had a lot of influence in that

1239

00:48:53,840 --> 00:48:50,070

whole you know dark enlightenment

1240

00:48:55,580 --> 00:48:53,850

ideology he's had an influence on you

1241

00:48:59,000 --> 00:48:55,590

know Richard Spencer and some of these

1242

00:49:01,150 --> 00:48:59,010

other types so it's very much I think a

1243

00:49:03,620 --> 00:49:01,160

kind of ideology that has fuelled

1244

00:49:05,450 --> 00:49:03,630

elements of the modern right but you

1245

00:49:08,270 --> 00:49:05,460

know of Evelyn's ideology is very

1246

00:49:10,730 --> 00:49:08,280

elitist it was never meant for the

1247

00:49:12,410 --> 00:49:10,740

masses which is why I don't think that

1248

00:49:14,120 --> 00:49:12,420

it's really very well known you know I

1249

00:49:16,330 --> 00:49:14,130

mean he wasn't trying to create a mass

1250

00:49:19,130 --> 00:49:16,340

movement he was trying to create an

1251

00:49:22,250 --> 00:49:19,140

initiated elite effectively that could

1252

00:49:24,860 --> 00:49:22,260

reorient society from the upper echelons

1253

00:49:26,390 --> 00:49:24,870

of power and I think now we're kind of

1254

00:49:28,370 --> 00:49:26,400

just starting to see hence of that

1255

00:49:31,570 --> 00:49:28,380

coming out and the extent to which his

1256

00:49:34,220 --> 00:49:31,580

ideology has influenced the ruling elite

1257

00:49:37,790 --> 00:49:34,230

yeah it's always interesting to see that

1258

00:49:42,050 --> 00:49:37,800

a cult crossover it's there people like

1259

00:49:43,880 --> 00:49:42,060

to kind of deny it but even though a lot

1260

00:49:46,430 --> 00:49:43,890

of people are presented with these

1261

00:49:48,140 --> 00:49:46,440

magical or occult ideas as if they're

1262

00:49:50,000 --> 00:49:48,150

silliness and they don't put any stock

1263

00:49:52,370 --> 00:49:50,010

in them because they don't have a

1264

00:49:54,440 --> 00:49:52,380

paradigm that considers them valuable

1265

00:49:56,240 --> 00:49:54,450

you still got a look at what the elite

1266

00:49:58,100 --> 00:49:56,250

are doing and who they're powering

1267

00:50:01,670 --> 00:49:58,110

around with clearly there's something

1268

00:50:04,070 --> 00:50:01,680

there absolutely I think that's why

1269

00:50:07,940 --> 00:50:04,080

knowles has got that great saying on his

1270

00:50:11,020 --> 00:50:07,950

blog millionaires believe in astronomy

1271

00:50:13,340 --> 00:50:11,030

billionaires believe in astrology

1272

00:50:16,790 --> 00:50:13,350

definitely in my research seems to be

1273

00:50:21,760 --> 00:50:16,800

very much the case yeah I actually think

1274

00:50:24,010 --> 00:50:21,770

that is a JP Morgan quote that goes

1275

00:50:27,500 --> 00:50:24,020

millionaires don't believe in astrology

1276

00:50:29,120 --> 00:50:27,510

billionaires do at least that's how I

1277

00:50:30,170 --> 00:50:29,130

heard of that it was a JP Morgan quote

1278

00:50:32,510 --> 00:50:30,180

but that makes it even more interesting

1279

00:50:34,610 --> 00:50:32,520

but yeah you and Chris are both some of

1280

00:50:36,590 --> 00:50:34,620

the best at parsing through that and

1281

00:50:38,750 --> 00:50:36,600

taking a look at it and saying well what

1282

00:50:40,760 --> 00:50:38,760

does this mean because you could say

1283

00:50:44,120 --> 00:50:40,770

during the Trump election in particular

1284

00:50:44,810 --> 00:50:44,130

there was a lot of occult context to it

1285

00:50:48,170 --> 00:50:44,820

it's

1286

00:50:50,840 --> 00:50:48,180

on the whole cat queuing on Thane which

1287

00:50:54,620 --> 00:50:50,850

is very heavily about codes and

1288

00:50:57,440 --> 00:50:54,630

symbolism so it's in the soup that got

1289

00:51:00,260 --> 00:50:57,450

the guy elected yeah and I mean it's

1290

00:51:02,390 --> 00:51:00,270

also I think in a lot of ways too I mean

1291

00:51:03,380 --> 00:51:02,400

it's a very modern occult a because like

1292

00:51:04,970 --> 00:51:03,390

you're you know kind of getting add I

1293

00:51:08,810 --> 00:51:04,980

mean a lot of this has its roots and

1294

00:51:09,890 --> 00:51:08,820

chaos magic can mean magic you know I

1295

00:51:12,560 --> 00:51:09,900

mean I know there's kind of a tendency

1296

00:51:14,840 --> 00:51:12,570

to you know reject all Trump followers

1297

00:51:16,970 --> 00:51:14,850

is just being kind of inbred rednecks or

1298

00:51:19,340 --> 00:51:16,980

something but you know I mean there is

1299

00:51:22,760 --> 00:51:19,350

in my mind a certain sophistication to

1300

00:51:24,290 --> 00:51:22,770

all of this certainly more so than you

1301  
00:51:25,790 --> 00:51:24,300  
know what you probably see on Gaia or

1302  
00:51:28,730 --> 00:51:25,800  
something like that

1303  
00:51:30,500 --> 00:51:28,740  
I mean I'm sorry for saying that you

1304  
00:51:33,830 --> 00:51:30,510  
know ultimately though I mean they did

1305  
00:51:35,810 --> 00:51:33,840  
get their guy in the white house so I do

1306  
00:51:38,780 --> 00:51:35,820  
think they really kind of tapped into

1307  
00:51:41,210 --> 00:51:38,790  
the whole notion of public relations

1308  
00:51:43,100 --> 00:51:41,220  
essentially is a kind of magical working

1309  
00:51:44,540 --> 00:51:43,110  
and you know that was really put very

1310  
00:51:47,330 --> 00:51:44,550  
much in practice with a lot of this

1311  
00:51:50,420 --> 00:51:47,340  
symbolism on top of that you kind of

1312  
00:51:52,400 --> 00:51:50,430  
have the whole specter of the SCL group

1313  
00:51:54,410 --> 00:51:52,410

in cambridge analytical lingering behind

1314

00:51:56,540 --> 00:51:54,420

this with the whole thing with Trump and

1315

00:51:57,800 --> 00:51:56,550

brexit and then of course you had the

1316

00:52:00,740 --> 00:51:57,810

kind of connections that that was

1317

00:52:02,600 --> 00:52:00,750

planned here and Peter deal and his ties

1318

00:52:05,360 --> 00:52:02,610

in turn to the dark and light mention a

1319

00:52:08,450 --> 00:52:05,370

lot of the notions of mean magic and

1320

00:52:09,950 --> 00:52:08,460

even if a lie and what have you so you

1321

00:52:13,850 --> 00:52:09,960

know there is this line of succession

1322

00:52:17,390 --> 00:52:13,860

for these cyborg cabal type things of

1323

00:52:19,460 --> 00:52:17,400

these companies to these more arcane

1324

00:52:22,940 --> 00:52:19,470

sects the dark enlightenment and that

1325

00:52:25,220 --> 00:52:22,950

type of thing and yeah certainly it's

1326  
00:52:26,050 --> 00:52:25,230  
been brutally effective and practice to

1327  
00:52:29,630 --> 00:52:26,060  
put it mildly

1328  
00:52:31,730 --> 00:52:29,640  
mmm-hmm and that stuff is on both sides

1329  
00:52:37,460 --> 00:52:31,740  
got to acknowledge it or there's gonna

1330  
00:52:39,110 --> 00:52:37,470  
be all kinds of kono but as we're

1331  
00:52:41,720 --> 00:52:39,120  
starting to wrap this thing up I know

1332  
00:52:45,770 --> 00:52:41,730  
you're also working on an Epstein book

1333  
00:52:48,770 --> 00:52:45,780  
and we talked about a few Epstein esque

1334  
00:52:51,860 --> 00:52:48,780  
networks in this whole saga that you

1335  
00:52:54,860 --> 00:52:51,870  
cover in the book is there anything that

1336  
00:52:56,780 --> 00:52:54,870  
you found researching Epstein recently

1337  
00:52:58,460 --> 00:52:56,790  
that's worth sharing the fight for any

1338  
00:53:00,830 --> 00:52:58,470

real justice or

1339

00:53:04,130 --> 00:53:00,840

pursuit of the larger network seems to

1340

00:53:07,240 --> 00:53:04,140

have largely fizzled out but are you

1341

00:53:10,220 --> 00:53:07,250

still on the case oh yeah yeah yeah no

1342

00:53:13,520 --> 00:53:10,230

no the Epstein thing is actually morphed

1343

00:53:15,650 --> 00:53:13,530

into three books actually well I'm you

1344

00:53:17,150 --> 00:53:15,660

know I was about into four or five

1345

00:53:19,310 --> 00:53:17,160

chapters in the first book and it was

1346

00:53:20,660 --> 00:53:19,320

getting around 60,000 words like yeah

1347

00:53:22,580 --> 00:53:20,670

you know if I tried to do this as a

1348

00:53:24,380 --> 00:53:22,590

whole book it's what gonna be two or

1349

00:53:27,230 --> 00:53:24,390

three times as long as tragedy in a hope

1350

00:53:29,030 --> 00:53:27,240

or something like that so in the effort

1351  
00:53:30,920 --> 00:53:29,040  
to make it more readable it was decided

1352  
00:53:33,020 --> 00:53:30,930  
to break it down into three books but

1353  
00:53:35,359 --> 00:53:33,030  
yeah I mean there's been you know some

1354  
00:53:37,790 --> 00:53:35,369  
really just amazing stuff that's come

1355  
00:53:39,830 --> 00:53:37,800  
out with this some things I had already

1356  
00:53:42,500 --> 00:53:39,840  
alluded to but Resorts International and

1357  
00:53:44,740 --> 00:53:42,510  
just the continuation of these networks

1358  
00:53:46,790 --> 00:53:44,750  
and to me the big thing that really

1359  
00:53:48,290 --> 00:53:46,800  
became evident while I was researching

1360  
00:53:50,030 --> 00:53:48,300  
this as I wasn't just telling the

1361  
00:53:52,099 --> 00:53:50,040  
history of the sex rings but I mean

1362  
00:53:54,740 --> 00:53:52,109  
really the kind of pervert history of

1363  
00:53:56,000 --> 00:53:54,750

the anglo-american establishment as well

1364

00:53:58,010 --> 00:53:56,010

and it's really going to kind of

1365

00:54:00,710 --> 00:53:58,020

chronicle this change that's going

1366

00:54:04,040 --> 00:54:00,720

through it over the years from this kind

1367

00:54:06,140 --> 00:54:04,050

of you know UN CFR type vision of the

1368

00:54:08,420 --> 00:54:06,150

world to trump and brexit and

1369

00:54:10,520 --> 00:54:08,430

what-have-you and just you know held

1370

00:54:11,900 --> 00:54:10,530

this change occurred over the decades

1371

00:54:14,359 --> 00:54:11,910

from both the American and the British

1372

00:54:15,589 --> 00:54:14,369

perspective and you know certainly for

1373

00:54:17,480 --> 00:54:15,599

me that's been really one of the more

1374

00:54:20,210 --> 00:54:17,490

interesting aspects has been researching

1375

00:54:21,560 --> 00:54:20,220

the British deep state because it's not

1376

00:54:23,030 --> 00:54:21,570

really a topic I was very familiar with

1377

00:54:24,349 --> 00:54:23,040

going into this and certainly I don't

1378

00:54:26,450 --> 00:54:24,359

think something that a lot of Americans

1379

00:54:28,940 --> 00:54:26,460

were either but it is a really

1380

00:54:30,440 --> 00:54:28,950

fascinating topic and it was really just

1381

00:54:32,720 --> 00:54:30,450

remarkable to see you know how

1382

00:54:34,609 --> 00:54:32,730

persistence the Anglo American

1383

00:54:37,070 --> 00:54:34,619

establishment has been and you know I

1384

00:54:38,780 --> 00:54:37,080

think that is really relevant into the

1385

00:54:40,790 --> 00:54:38,790

state of affairs were getting to into

1386

00:54:42,349 --> 00:54:40,800

the world now you know we might

1387

00:54:44,810 --> 00:54:42,359

potentially be witnessing the final

1388

00:54:48,560 --> 00:54:44,820

collapse of the EU with the co vid thing

1389

00:54:50,359 --> 00:54:48,570

the UK is out of the EU there's been

1390

00:54:53,180 --> 00:54:50,369

this ongoing discussions about trade

1391

00:54:55,220 --> 00:54:53,190

agreements between the US and UK I do

1392

00:54:57,560 --> 00:54:55,230

think there are interest very much that

1393

00:55:00,020 --> 00:54:57,570

would love to form the long envisioned

1394

00:55:01,820 --> 00:55:00,030

anglo-american Empire which would

1395

00:55:04,040 --> 00:55:01,830

essentially become the New World Order

1396

00:55:06,410 --> 00:55:04,050

rather than some hook you in world

1397

00:55:08,180 --> 00:55:06,420

government thing with the chaos in the

1398

00:55:09,859 --> 00:55:08,190

world that's going on right now you know

1399

00:55:11,620 --> 00:55:09,869

I think that's a better possibility than

1400

00:55:13,360 --> 00:55:11,630

a lot of people have ever imagined

1401

00:55:14,740 --> 00:55:13,370

to this point and you know I think

1402

00:55:16,060 --> 00:55:14,750

that's a big part of what Trump is

1403

00:55:18,850 --> 00:55:16,070

trying to do with putting the pressure

1404

00:55:20,560 --> 00:55:18,860

on China with the ko bid thing a lot of

1405

00:55:22,600 --> 00:55:20,570

people would really love to break China

1406

00:55:25,630 --> 00:55:22,610

down into smaller countries that would

1407

00:55:27,010 --> 00:55:25,640

be much more manageable and in a lot of

1408

00:55:28,750 --> 00:55:27,020

ways I would really kind of clear the

1409

00:55:31,120 --> 00:55:28,760

playing field for this proposed

1410

00:55:34,750 --> 00:55:31,130

anglo-american Yunnan to emerge as the

1411

00:55:35,740 --> 00:55:34,760

top dog with no real competition so you

1412

00:55:37,510 --> 00:55:35,750

know it's definitely going to be

1413

00:55:41,020 --> 00:55:37,520

interesting how this goes forward in the

1414

00:55:43,270 --> 00:55:41,030

coming months and yeah I mean it is an

1415

00:55:45,010 --> 00:55:43,280

unsettling prospect but you know I've

1416

00:55:47,620 --> 00:55:45,020

been saying all along Trump was put into

1417

00:55:49,300 --> 00:55:47,630

power for two reasons and I mean that

1418

00:55:51,520 --> 00:55:49,310

was to reorient American foreign policy

1419

00:55:53,500 --> 00:55:51,530

away from Russia and towards containment

1420

00:55:55,540 --> 00:55:53,510

of China on the one hand and on the

1421

00:55:56,950 --> 00:55:55,550

other hand to essentially tear up the

1422

00:55:58,960 --> 00:55:56,960

world order the Bretton Woods Agreement

1423

00:56:00,280 --> 00:55:58,970

and so forth that has dominated the

1424

00:56:03,970 --> 00:56:00,290

world since the end of the Second World

1425

00:56:05,500 --> 00:56:03,980

War that's all being scrapped and you

1426

00:56:07,960 --> 00:56:05,510

know what we're seeing emerging now is

1427

00:56:10,150 --> 00:56:07,970

definitely more in keen with a neo

1428

00:56:12,700 --> 00:56:10,160

medievalism and you know feudalism call

1429

00:56:14,950 --> 00:56:12,710

it what you will but it's I think going

1430

00:56:16,420 --> 00:56:14,960

to be a much more chaotic world and you

1431

00:56:18,550 --> 00:56:16,430

know one potentially where we could see

1432

00:56:19,330 --> 00:56:18,560

the dominant forces essentially emerging

1433

00:56:22,570 --> 00:56:19,340

as kind of neo

1434

00:56:25,180 --> 00:56:22,580

East India Company's certainly when you

1435

00:56:27,100 --> 00:56:25,190

see something like Apollo capital or

1436

00:56:28,900 --> 00:56:27,110

cerebus or something like that you know

1437

00:56:31,030 --> 00:56:28,910

I mean there's these massive financial

1438

00:56:32,800 --> 00:56:31,040

institutions they're essentially holding

1439

00:56:35,080 --> 00:56:32,810

companies I mean they control all these

1440

00:56:36,580 --> 00:56:35,090

other companies and then on top of that

1441

00:56:39,490 --> 00:56:36,590

they've got their own private armies in

1442

00:56:41,530 --> 00:56:39,500

the wings as well so in a sense I mean

1443

00:56:43,060 --> 00:56:41,540

this system is already waiting to go you

1444

00:56:45,610 --> 00:56:43,070

know it just needs a further weakening

1445

00:56:49,090 --> 00:56:45,620

of the international order and it's got

1446

00:56:51,160 --> 00:56:49,100

the green light so to speak mmm wow man

1447

00:56:54,490 --> 00:56:51,170

I think that's a great breakdown you

1448

00:56:55,840 --> 00:56:54,500

have a very impressive grasp on some of

1449

00:56:58,270 --> 00:56:55,850

the stuff I consider the most

1450

00:57:01,630 --> 00:56:58,280

complicated stuff to wrap my head around

1451  
00:57:04,390 --> 00:57:01,640  
and I guess as we're wrapping this up

1452  
00:57:06,190 --> 00:57:04,400  
obviously strange tales of the pair of

1453  
00:57:08,590 --> 00:57:06,200  
political is a great book I really

1454  
00:57:12,550 --> 00:57:08,600  
enjoyed it you cover a lot of ground and

1455  
00:57:14,680 --> 00:57:12,560  
a lot of complex and unknown history I

1456  
00:57:16,830 --> 00:57:14,690  
guess I would ask you as we're wrapping

1457  
00:57:20,320 --> 00:57:16,840  
this up what do you consider the most

1458  
00:57:22,600 --> 00:57:20,330  
important threads or contributions that

1459  
00:57:24,810 --> 00:57:22,610  
this book has made what are you most

1460  
00:57:27,270 --> 00:57:24,820  
proud of in this book what is it

1461  
00:57:29,370 --> 00:57:27,280  
add to the general knowledge of the

1462  
00:57:32,040 --> 00:57:29,380  
alternative scene well I think

1463  
00:57:33,600 --> 00:57:32,050

definitely the contractors one I mean I

1464

00:57:35,430 --> 00:57:33,610

was you know very pleased the Colonia

1465

00:57:38,100 --> 00:57:35,440

Dignidad one I think really up to this

1466

00:57:39,630 --> 00:57:38,110

point it's the longest english-language

1467

00:57:42,060 --> 00:57:39,640

account of the colony that's been

1468

00:57:43,830 --> 00:57:42,070

published up to this point and certainly

1469

00:57:45,990 --> 00:57:43,840

to give people an alternative to the

1470

00:57:46,790 --> 00:57:46,000

colony that's not as reliant on Peter

1471

00:57:48,960 --> 00:57:46,800

lavinda

1472

00:57:51,480 --> 00:57:48,970

suppose I should be nice not get into

1473

00:57:53,730 --> 00:57:51,490

that but anyway um just really though

1474

00:57:55,140 --> 00:57:53,740

the contractor is one because I do think

1475

00:57:56,820 --> 00:57:55,150

to this day people do tend to

1476

00:57:58,530 --> 00:57:56,830

underestimate the influence a lot of

1477

00:58:00,210 --> 00:57:58,540

this you know whole culture his head

1478

00:58:02,100 --> 00:58:00,220

really going with the Joint Special

1479

00:58:04,650 --> 00:58:02,110

Operations Command and then into the

1480

00:58:06,150 --> 00:58:04,660

private military industry you know I

1481

00:58:08,400 --> 00:58:06,160

mean really throughout the Cold War and

1482

00:58:10,440 --> 00:58:08,410

into the 90s the special operators were

1483

00:58:12,840 --> 00:58:10,450

pretty marginal figures in the grand

1484

00:58:15,540 --> 00:58:12,850

scheme of things but they become a major

1485

00:58:17,400 --> 00:58:15,550

power center going into the 21st century

1486

00:58:20,370 --> 00:58:17,410

and now you know you have these guys

1487

00:58:21,890 --> 00:58:20,380

controlling these vast multi million in

1488

00:58:24,480 --> 00:58:21,900

some cases probably multibillion-dollar

1489

00:58:27,180 --> 00:58:24,490

corporations and it's a very different

1490

00:58:29,040 --> 00:58:27,190

culture than what the ruling elite

1491

00:58:30,840 --> 00:58:29,050

historically were comprised of you know

1492

00:58:33,180 --> 00:58:30,850

these aren't really guys that are coming

1493

00:58:35,670 --> 00:58:33,190

from an Ivy League background from

1494

00:58:38,550 --> 00:58:35,680

Harvard or Yale and you know working in

1495

00:58:40,440 --> 00:58:38,560

Goldman Sachs or some other New York

1496

00:58:42,060 --> 00:58:40,450

banking house I mean you know these are

1497

00:58:44,730 --> 00:58:42,070

guys who came up through the military

1498

00:58:46,890 --> 00:58:44,740

ranks fighting in Yemen and Somalia and

1499

00:58:49,590 --> 00:58:46,900

what-have-you it's just a very different

1500

00:58:50,910 --> 00:58:49,600

culture it's a different mindset and you

1501  
00:58:52,400 --> 00:58:50,920  
know I think in a lot of ways you know

1502  
00:58:54,810 --> 00:58:52,410  
we're kind of struggling with this new

1503  
00:58:57,420 --> 00:58:54,820  
grueling establishment that's begun to

1504  
00:59:01,650 --> 00:58:57,430  
emerge in the 21st century and how its

1505  
00:59:05,430 --> 00:59:01,660  
reshaping the world order hmm well said

1506  
00:59:09,630 --> 00:59:05,440  
and speaking of lavinda uh obviously

1507  
00:59:12,570 --> 00:59:09,640  
he's known for some of that work and you

1508  
00:59:16,700 --> 00:59:12,580  
know I love sinister forces I don't love

1509  
00:59:18,630 --> 00:59:16,710  
tea tsa so I don't really know

1510  
00:59:20,880 --> 00:59:18,640  
necessarily what I think about all the

1511  
00:59:22,830 --> 00:59:20,890  
things Peter lavinda is covered I think

1512  
00:59:24,570 --> 00:59:22,840  
he's quite wise and has lived a hell of

1513  
00:59:27,090 --> 00:59:24,580

a life and as an amazing writer

1514

00:59:29,430 --> 00:59:27,100

do you without commenting on the man

1515

00:59:32,400 --> 00:59:29,440

himself I guess do you have a an issue

1516

00:59:34,770 --> 00:59:32,410

with the way lavinda has presented the

1517

00:59:38,130 --> 00:59:34,780

information about the colony in his

1518

00:59:39,870 --> 00:59:38,140

accounts did you find something

1519

00:59:41,279 --> 00:59:39,880

that you would present differently when

1520

00:59:44,339 --> 00:59:41,289

you really dug into the research

1521

00:59:45,809 --> 00:59:44,349

yourself I mean on the one hand and in

1522

00:59:47,640 --> 00:59:45,819

terms of the colony in fairness to

1523

00:59:50,400 --> 00:59:47,650

lavinda I mean he was also working with

1524

00:59:53,700 --> 00:59:50,410

the sources that were available in the

1525

00:59:55,950 --> 00:59:53,710

early 90s so you know obviously we know

1526  
00:59:58,140 --> 00:59:55,960  
more now from Freedom of Information Act

1527  
01:00:00,779 --> 00:59:58,150  
requests and all that kind of thing but

1528  
01:00:03,829 --> 01:00:00,789  
it does seem like he did struggle to put

1529  
01:00:05,789 --> 01:00:03,839  
it into the broader international

1530  
01:00:07,200 --> 01:00:05,799  
context and you know just in general

1531  
01:00:10,289 --> 01:00:07,210  
when you kind of look on a lot of his

1532  
01:00:11,849 --> 01:00:10,299  
research on the post-war fascism and

1533  
01:00:13,829 --> 01:00:11,859  
what-have-you there's not a lot of you

1534  
01:00:16,620 --> 01:00:13,839  
know discussion about Lesar cow or some

1535  
01:00:19,039 --> 01:00:16,630  
of these other groups that probably did

1536  
01:00:21,120 --> 01:00:19,049  
wield a tremendous amount of influence

1537  
01:00:22,500 --> 01:00:21,130  
another one you know kind of going back

1538  
01:00:24,750 --> 01:00:22,510

to that group I was talking about before

1539

01:00:27,779 --> 01:00:24,760

as the sovereign order of st. John where

1540

01:00:29,430 --> 01:00:27,789

I know he has to know more about that

1541

01:00:31,109 --> 01:00:29,440

group than what he's letting on because

1542

01:00:32,880 --> 01:00:31,119

Carl Murray is Stanley one of the

1543

01:00:35,849 --> 01:00:32,890

wandering bishops from the American

1544

01:00:37,710 --> 01:00:35,859

Orthodox Catholic Church we later going

1545

01:00:39,180 --> 01:00:37,720

to become involved with the Schick shiny

1546

01:00:40,380 --> 01:00:39,190

Knights of Malta the sovereign order of

1547

01:00:42,990 --> 01:00:40,390

st. John and then he would break away

1548

01:00:45,390 --> 01:00:43,000

and form his own SOS Jay he set himself

1549

01:00:47,130 --> 01:00:45,400

up in Louisville Kentucky and he ended

1550

01:00:48,809 --> 01:00:47,140

up ordaining David Ferrie in this

1551  
01:00:51,140 --> 01:00:48,819  
capacity of course the you know famous

1552  
01:00:53,849 --> 01:00:51,150  
guy from the JFK assassination so

1553  
01:00:56,339 --> 01:00:53,859  
there's definitely some stuff going on

1554  
01:00:58,049 --> 01:00:56,349  
there that yeah he's been playing close

1555  
01:00:59,819 --> 01:00:58,059  
to the best for what reason you know I

1556  
01:01:01,950 --> 01:00:59,829  
don't want to speculate but you know

1557  
01:01:04,829 --> 01:01:01,960  
certainly I do find it a little

1558  
01:01:06,299 --> 01:01:04,839  
disconcerting that he's involved in the

1559  
01:01:08,339 --> 01:01:06,309  
association of former intelligence

1560  
01:01:09,299 --> 01:01:08,349  
officers and specifically in that just

1561  
01:01:12,329 --> 01:01:09,309  
bizarre

1562  
01:01:14,819 --> 01:01:12,339  
Las Vegas chapter which also features

1563  
01:01:17,039 --> 01:01:14,829

Richard Doty of the hole then a whit's

1564

01:01:19,980 --> 01:01:17,049

affair it's got Colonel John Alexander

1565

01:01:21,329 --> 01:01:19,990

he of the non-lethal weapons and of

1566

01:01:23,609 --> 01:01:21,339

course the one and only Colonel Michael

1567

01:01:25,920 --> 01:01:23,619

Aquino he of the temple have said to the

1568

01:01:29,160 --> 01:01:25,930

Church of Satan psychological warfare

1569

01:01:30,720 --> 01:01:29,170

officer par excellence oh yeah I mean

1570

01:01:32,130 --> 01:01:30,730

those are some interesting figures there

1571

01:01:34,799 --> 01:01:32,140

and guys who have certainly just

1572

01:01:37,710 --> 01:01:34,809

probably ravaged the UFO community for

1573

01:01:39,870 --> 01:01:37,720

years now so in now Levin doesn't here

1574

01:01:42,240 --> 01:01:39,880

with T TSA and what-have-you along with

1575

01:01:45,269 --> 01:01:42,250

a melon family member Christopher melon

1576

01:01:48,089 --> 01:01:45,279

another guy with intelligence ties so oh

1577

01:01:50,069 --> 01:01:48,099

really he's involved with T TSA oh yeah

1578

01:01:50,560 --> 01:01:50,079

yeah he's been one of the big spokesmen

1579

01:01:52,420 --> 01:01:50,570

for it

1580

01:01:54,550 --> 01:01:52,430

what have you of course his brother

1581

01:01:56,320 --> 01:01:54,560

Matthew melon was the guy who had a

1582

01:01:58,150 --> 01:01:56,330

heart attack a couple of years ago when

1583

01:02:00,220 --> 01:01:58,160

he was on DMT or something like that

1584

01:02:02,950 --> 01:02:00,230

trying to clean up from his opioid abuse

1585

01:02:04,390 --> 01:02:02,960

but Matthew made a fortune in crypto

1586

01:02:05,920 --> 01:02:04,400

currencies he was actually the first

1587

01:02:08,680 --> 01:02:05,930

melon family billionaire and I think a

1588

01:02:10,480 --> 01:02:08,690

generation or something but he was tied

1589

01:02:12,610 --> 01:02:10,490

into Peter Deal and all these other guys

1590

01:02:15,310 --> 01:02:12,620

as well and then his brother Chris is

1591

01:02:18,640 --> 01:02:15,320

involved in TTS a you know it's just a

1592

01:02:21,880 --> 01:02:18,650

very incestuous network to put it mildly

1593

01:02:25,060 --> 01:02:21,890

but now there are some very insidious

1594

01:02:26,020 --> 01:02:25,070

people tied in with TTS a and you know I

1595

01:02:28,270 --> 01:02:26,030

love lavinda

1596

01:02:29,680 --> 01:02:28,280

I mean I would consider the sinister

1597

01:02:31,420 --> 01:02:29,690

forces blokes to have just been an

1598

01:02:34,210 --> 01:02:31,430

enormous influence and everything I've

1599

01:02:34,720 --> 01:02:34,220

done but I don't know what to make of

1600

01:02:36,130 --> 01:02:34,730

this

1601  
01:02:38,320 --> 01:02:36,140  
you know Las Vegas chapter of the

1602  
01:02:39,940 --> 01:02:38,330  
Association former intelligence officers

1603  
01:02:42,400 --> 01:02:39,950  
and some of the guys he's involved with

1604  
01:02:44,440 --> 01:02:42,410  
in that group you know they certainly

1605  
01:02:45,400 --> 01:02:44,450  
are rather nefarious individuals and any

1606  
01:02:49,810 --> 01:02:45,410  
number of levels

1607  
01:02:51,610 --> 01:02:49,820  
hmm well we'll leave it alone but man

1608  
01:02:53,770 --> 01:02:51,620  
this has been a lot of fun

1609  
01:02:56,200 --> 01:02:53,780  
you just know so many names and

1610  
01:02:58,900 --> 01:02:56,210  
connections that I could never keep

1611  
01:03:00,490 --> 01:02:58,910  
straight in my stupid stoner head so it

1612  
01:03:02,590 --> 01:03:00,500  
is always a pleasure and

1613  
01:03:04,720 --> 01:03:02,600

super-impressive I'm glad you got this

1614

01:03:06,640 --> 01:03:04,730

book out congratulations it's a really

1615

01:03:08,980 --> 01:03:06,650

tough thing to do remind the people

1616

01:03:11,350 --> 01:03:08,990

where they can read your blog find your

1617

01:03:12,520 --> 01:03:11,360

social media accounts and pick up the

1618

01:03:15,700 --> 01:03:12,530

book all that good stuff

1619

01:03:18,700 --> 01:03:15,710

sure well obviously there's the blog it

1620

01:03:23,530 --> 01:03:18,710

is bicep you blog spot.com

1621

01:03:26,950 --> 01:03:23,540

that's vis you P the iew blog spot.com

1622

01:03:30,370 --> 01:03:26,960

I've got links there where you can cure

1623

01:03:33,070 --> 01:03:30,380

a digital version of strange tales along

1624

01:03:35,710 --> 01:03:33,080

with contact them or us the first book

1625

01:03:38,140 --> 01:03:35,720

written by my co-author Frank zero got a

1626

01:03:39,460 --> 01:03:38,150

special pandemic bundle I guess is what

1627

01:03:41,050 --> 01:03:39,470

we're calling it right now for the cone

1628

01:03:43,300 --> 01:03:41,060

good stuff so you can get both of those

1629

01:03:46,000 --> 01:03:43,310

books for the price one physical copy of

1630

01:03:48,100 --> 01:03:46,010

strange tales but if you are so inclined

1631

01:03:49,900 --> 01:03:48,110

for physical copies as I myself would be

1632

01:03:52,500 --> 01:03:49,910

you can pick up a copy of strange tales

1633

01:03:55,630 --> 01:03:52,510

on Amazon like pretty much anything else

1634

01:03:58,300 --> 01:03:55,640

I'm also involved with my own podcast

1635

01:04:02,170 --> 01:03:58,310

which is the farm you can find us at the

1636

01:04:04,609 --> 01:04:02,180

farm podcast calm that's the farm

1637

01:04:07,160 --> 01:04:04,619

podcast calm that's all one

1638

01:04:08,390 --> 01:04:07,170

and another project I got coming out in

1639

01:04:10,699 --> 01:04:08,400

a couple of months which I'm really

1640

01:04:12,620 --> 01:04:10,709

excited about is the pennyroyal podcast

1641

01:04:14,809 --> 01:04:12,630

that's gonna tied in with all the hell

1642

01:04:17,420 --> 01:04:14,819

your stuff a pennyroyal guys actually

1643

01:04:18,109 --> 01:04:17,430

appeared in episode 8 season 2 of

1644

01:04:20,150 --> 01:04:18,119

Hellyer

1645

01:04:22,670 --> 01:04:20,160

it's gonna get into all the crazy stuff

1646

01:04:23,779 --> 01:04:22,680

it's Somerset but he'll yours a little

1647

01:04:26,569 --> 01:04:23,789

you know it's mainly more of a

1648

01:04:28,239 --> 01:04:26,579

paranormal you know UFO for my weirdness

1649

01:04:30,410 --> 01:04:28,249

take on all of that

1650

01:04:32,150 --> 01:04:30,420

pennyroyal is gonna get into some of the

1651

01:04:34,489 --> 01:04:32,160

pair of politics it's gonna get into all

1652

01:04:36,739 --> 01:04:34,499

the weird stuff too it's just I'm really

1653

01:04:39,140 --> 01:04:36,749

excited about it it's gonna be an

1654

01:04:41,209 --> 01:04:39,150

eight-episode miniseries for podcasts

1655

01:04:44,089 --> 01:04:41,219

it's gonna have just really crazy stuff

1656

01:04:45,709 --> 01:04:44,099

that we dug up with Kentucky among other

1657

01:04:47,059 --> 01:04:45,719

things you're gonna see how the 2016

1658

01:04:50,239 --> 01:04:47,069

election that really ran through

1659

01:04:53,059 --> 01:04:50,249

Kentucky and Donald Trump's insane ties

1660

01:04:54,679 --> 01:04:53,069

to the intelligence stuff and organized

1661

01:04:56,809 --> 01:04:54,689

crime and what-have-you that was going

1662

01:04:58,489 --> 01:04:56,819

on there so you know that's hopefully

1663

01:05:00,380 --> 01:04:58,499

gonna be out in July and I'm gonna write

1664

01:05:02,390 --> 01:05:00,390

an essay kind of like the ones in

1665

01:05:04,729 --> 01:05:02,400

strange tales that's going to coincide

1666

01:05:06,559 --> 01:05:04,739

with it that's gonna have the sources

1667

01:05:08,779 --> 01:05:06,569

for just all this crazy stuff that we

1668

01:05:11,299 --> 01:05:08,789

uncovered so definitely you know keep an

1669

01:05:12,859 --> 01:05:11,309

eye out for that and in the intern you

1670

01:05:15,799 --> 01:05:12,869

can always check me out the buys a blog

1671

01:05:17,299 --> 01:05:15,809

or at the farms podcast and definitely

1672

01:05:18,769 --> 01:05:17,309

you know considered picking up a copy of

1673

01:05:20,870 --> 01:05:18,779

the book obviously a lot of people have

1674

01:05:23,089 --> 01:05:20,880

got some spare time right now so you

1675

01:05:24,859 --> 01:05:23,099

know maybe give yourself a text that

1676  
01:05:27,189 --> 01:05:24,869  
will help you understand the geopolitics

1677  
01:05:31,279 --> 01:05:27,199  
is playing out right now

1678  
01:05:33,079 --> 01:05:31,289  
ABC man always be closing but I do like

1679  
01:05:35,419 --> 01:05:33,089  
it and we should all be doing stuff that

1680  
01:05:38,289 --> 01:05:35,429  
we're passionate about so I am excited

1681  
01:05:41,239 --> 01:05:38,299  
to check out that podcast series but

1682  
01:05:43,160 --> 01:05:41,249  
again this has been a lot of fun this is

1683  
01:05:45,529 --> 01:05:43,170  
really dense material and you break it

1684  
01:05:47,449 --> 01:05:45,539  
down so well so thanks for being as

1685  
01:05:49,160 --> 01:05:47,459  
dedicated as you are thanks for your

1686  
01:05:51,229 --> 01:05:49,170  
time and keep fighting the good fight

1687  
01:05:55,010 --> 01:05:51,239  
take care of my man yeah thank you again

1688  
01:06:01,700 --> 01:05:58,820

I fought the law and the law won THC

1689

01:06:04,490 --> 01:06:01,710

appearance number three from our main

1690

01:06:07,130 --> 01:06:04,500

man recluse droppin knowledge on elite

1691

01:06:10,070 --> 01:06:07,140

families and military contractors and

1692

01:06:12,770 --> 01:06:10,080

private security firms that we tend to

1693

01:06:14,780 --> 01:06:12,780

forget about sometimes big

1694

01:06:17,990 --> 01:06:14,790

congratulations to him again for getting

1695

01:06:20,450 --> 01:06:18,000

a book completed it is not easy and I do

1696

01:06:22,430 --> 01:06:20,460

hope that he sees some success with it I

1697

01:06:25,070 --> 01:06:22,440

definitely like having it in my library

1698

01:06:28,520 --> 01:06:25,080

and it covers a lot of hidden history

1699

01:06:31,550 --> 01:06:28,530

that a person in my position can often

1700

01:06:33,530 --> 01:06:31,560

use a reference for and it's the kind of

1701

01:06:36,110 --> 01:06:33,540

show I guess I'm looking to do right now

1702

01:06:39,170 --> 01:06:36,120

it's got context which is helpful in

1703

01:06:41,930 --> 01:06:39,180

assessing our current situation but it's

1704

01:06:43,910 --> 01:06:41,940

not so much about it directly because I

1705

01:06:47,540 --> 01:06:43,920

need a break and I feel like we've

1706

01:06:50,180 --> 01:06:47,550

covered this thing very thoroughly from

1707

01:06:51,920 --> 01:06:50,190

several different angles and I don't

1708

01:06:53,840 --> 01:06:51,930

really see a need for us to just keep

1709

01:06:57,020 --> 01:06:53,850

repeating ourselves because this

1710

01:06:59,210 --> 01:06:57,030

situation continues to go on but I've

1711

01:07:02,660 --> 01:06:59,220

always been impressed with recluses

1712

01:07:05,510 --> 01:07:02,670

level of detail he has a real knack for

1713

01:07:08,200 --> 01:07:05,520

tracking associations and connections

1714

01:07:10,820 --> 01:07:08,210

between these shadowy people and groups

1715

01:07:13,010 --> 01:07:10,830

although I do find it curious how he

1716

01:07:16,580 --> 01:07:13,020

manages to pronounce certain names

1717

01:07:19,520 --> 01:07:16,590

sometimes I do get it he's a researcher

1718

01:07:20,720 --> 01:07:19,530

who is constantly reading and writing so

1719

01:07:22,760 --> 01:07:20,730

sometimes you don't get a lot of

1720

01:07:25,730 --> 01:07:22,770

opportunity to talk about the material

1721

01:07:28,160 --> 01:07:25,740

and if you're finding obscure names or

1722

01:07:30,590 --> 01:07:28,170

details you probably hear the names

1723

01:07:32,150 --> 01:07:30,600

pronounced even less so but it's just

1724

01:07:34,220 --> 01:07:32,160

something I noticed once in awhile and I

1725

01:07:35,840 --> 01:07:34,230

have to take a second and think about it

1726

01:07:36,880 --> 01:07:35,850

I'm like oh actually I have heard of

1727

01:07:40,700 --> 01:07:36,890

that name before

1728

01:07:43,820 --> 01:07:40,710

but still to stay sharp as he does at

1729

01:07:45,650 --> 01:07:43,830

that level of detail is very impressive

1730

01:07:47,870 --> 01:07:45,660

and he makes a lot of good points

1731

01:07:50,450 --> 01:07:47,880

anybody should be able to understand

1732

01:07:53,570 --> 01:07:50,460

that so much of what we see out there

1733

01:07:56,420 --> 01:07:53,580

boils down to various companies and

1734

01:07:59,300 --> 01:07:56,430

contractors and groups battling for

1735

01:08:02,810 --> 01:07:59,310

influence supremacy and their share of

1736

01:08:05,450 --> 01:08:02,820

public funds would military contractors

1737

01:08:07,310 --> 01:08:05,460

perform domestic operations to make it

1738

01:08:08,260 --> 01:08:07,320

appear that their services are in dire

1739

01:08:10,360 --> 01:08:08,270

need

1740

01:08:14,020 --> 01:08:10,370

of course they would the same is true

1741

01:08:17,130 --> 01:08:14,030

for the big influences in the medical

1742

01:08:19,930 --> 01:08:17,140

and tech spaces which seemed eerily

1743

01:08:22,410 --> 01:08:19,940

pre-prepared for a lot of what's coming

1744

01:08:25,090 --> 01:08:22,420

out in the wake of this big virus scare

1745

01:08:26,890 --> 01:08:25,100

easier to cut back on that funding when

1746

01:08:30,059 --> 01:08:26,900

we haven't really had a problem in

1747

01:08:32,559 --> 01:08:30,069

decades a little bit harder now and

1748

01:08:35,170 --> 01:08:32,569

broadly speaking I just think any time a

1749

01:08:38,140 --> 01:08:35,180

massive story comes out a shooting a

1750

01:08:42,059 --> 01:08:38,150

bombing a virus whatever it is you have

1751

01:08:44,459 --> 01:08:42,069

to think with these incentives in mind

1752

01:08:46,349 --> 01:08:44,469

it sucks that this current situation has

1753

01:08:48,959 --> 01:08:46,359

gotten out of control and that our

1754

01:08:53,459 --> 01:08:48,969

institutions have no credibility and

1755

01:08:57,870 --> 01:08:53,469

this legacy of manipulated events is so

1756

01:08:59,729 --> 01:08:57,880

long and tense it sometimes feels like

1757

01:09:00,809 --> 01:08:59,739

all these different sectors are just

1758

01:09:03,510 --> 01:09:00,819

taking turns

1759

01:09:05,339 --> 01:09:03,520

slamming us with their [h\_\_h] like

1760

01:09:07,800 --> 01:09:05,349

somebody rocking back and forth before

1761

01:09:10,470 --> 01:09:07,810

they hop into a jump rope at the right

1762

01:09:12,930 --> 01:09:10,480

time just jump in jump out okay now it's

1763

01:09:17,550 --> 01:09:12,940

here ago and it's just a constant

1764

01:09:20,430 --> 01:09:17,560

bombardment of Boheme it's gobbling up

1765

01:09:23,419 --> 01:09:20,440

market share it's like as soon as we get

1766

01:09:26,640 --> 01:09:23,429

over one thing something else crops up

1767

01:09:29,249 --> 01:09:26,650

but the silver lining to me the thing

1768

01:09:31,039 --> 01:09:29,259

that calms me down is that when you

1769

01:09:33,689 --> 01:09:31,049

strip away the events that seem

1770

01:09:37,559 --> 01:09:33,699

manipulated the false Flags the planned

1771

01:09:39,780 --> 01:09:37,569

shootings the DC snipers just all the

1772

01:09:41,970 --> 01:09:39,790

[h\_\_\h] that we deal with and of course

1773

01:09:44,729 --> 01:09:41,980

some tragic things do just happen

1774

01:09:47,129 --> 01:09:44,739

sometimes there really is no one in the

1775

01:09:50,129 --> 01:09:47,139

driver's seat but when you pull out the

1776

01:09:53,280 --> 01:09:50,139

ones that do seem fishy you're left with

1777

01:09:56,010 --> 01:09:53,290

far fewer concerning events like one in

1778

01:09:58,740 --> 01:09:56,020

four and then the world doesn't seem so

1779

01:10:00,839 --> 01:09:58,750

scary do you think about all the

1780

01:10:02,459 --> 01:10:00,849

millions of interactions on the street

1781

01:10:04,859 --> 01:10:02,469

where everyone just goes about their

1782

01:10:08,189 --> 01:10:04,869

business or better yet even helps each

1783

01:10:10,830 --> 01:10:08,199

other once in a while and you can steady

1784

01:10:13,200 --> 01:10:10,840

your breathing again things are clearly

1785

01:10:17,129 --> 01:10:13,210

tense right now but I think the only

1786

01:10:19,020 --> 01:10:17,139

strategy is to go Zen I go back to the

1787

01:10:20,879 --> 01:10:19,030

Jordan Peterson line about self

1788

01:10:24,330 --> 01:10:20,889

development where he says strive to be

1789

01:10:26,430 --> 01:10:24,340

the reliable person at a Funeral work on

1790

01:10:29,520 --> 01:10:26,440

yourself enough that you're mentally

1791

01:10:32,310 --> 01:10:29,530

ready for everything pull yourself

1792

01:10:34,410 --> 01:10:32,320

together man you know and be gentle with

1793

01:10:37,649 --> 01:10:34,420

people who might not be as open and

1794

01:10:40,919 --> 01:10:37,659

aware as you are not everybody wants to

1795

01:10:44,879 --> 01:10:40,929

hear theories right now they just want a

1796

01:10:46,890 --> 01:10:44,889

stable genius to lean on I've seen a lot

1797

01:10:49,950 --> 01:10:46,900

of strains on friendships because one

1798

01:10:53,640 --> 01:10:49,960

person can't just shut up about the plan

1799

01:10:55,590 --> 01:10:53,650

Demick I like to believe that outside

1800

01:10:58,020 --> 01:10:55,600

the box thinkers have an

1801  
01:11:01,470 --> 01:10:58,030  
Vantage in times like these but our tone

1802  
01:11:03,450 --> 01:11:01,480  
and our humility and our empathy are the

1803  
01:11:06,810 --> 01:11:03,460  
qualities that are going to determine

1804  
01:11:09,120 --> 01:11:06,820  
how we're perceived the system is

1805  
01:11:12,660 --> 01:11:09,130  
painting anyone who has skepticism on

1806  
01:11:15,900 --> 01:11:12,670  
this as a dangerous right-wing Trump

1807  
01:11:19,290 --> 01:11:15,910  
lovin classless queue and on teeth

1808  
01:11:22,470 --> 01:11:19,300  
sucker and our behavior is either gonna

1809  
01:11:24,780 --> 01:11:22,480  
validate that perception or it's going

1810  
01:11:28,110 --> 01:11:24,790  
to further erode the credibility of the

1811  
01:11:30,390 --> 01:11:28,120  
cable news narrative obviously we can't

1812  
01:11:31,920 --> 01:11:30,400  
control what other people do and I'm

1813  
01:11:33,930 --> 01:11:31,930

sure there's always going to be an

1814

01:11:38,460 --> 01:11:33,940

example that they can turn the cameras

1815

01:11:41,760 --> 01:11:38,470

to that make us look uneducated but it

1816

01:11:43,710 --> 01:11:41,770

would be nice if just by observing some

1817

01:11:45,450 --> 01:11:43,720

of us it was obvious to the more

1818

01:11:48,720 --> 01:11:45,460

conventional people in our lives that

1819

01:11:50,730 --> 01:11:48,730

our worldview is serving us well in

1820

01:11:54,690 --> 01:11:50,740

these times and then it would start to

1821

01:11:55,950 --> 01:11:54,700

look more attractive not less I just

1822

01:11:57,330 --> 01:11:55,960

said we're all probably sick of talking

1823

01:12:00,150 --> 01:11:57,340

about it and then went on my little

1824

01:12:03,240 --> 01:12:00,160

soapbox rant there but I'm just trying

1825

01:12:07,020 --> 01:12:03,250

to tie it all into the context that

1826

01:12:08,910 --> 01:12:07,030

recluse provides in his book and this

1827

01:12:11,460 --> 01:12:08,920

interview if you liked the first hour

1828

01:12:14,280 --> 01:12:11,470

where we did get through a great deal of

1829

01:12:15,930 --> 01:12:14,290

material we got through just as much in

1830

01:12:19,520 --> 01:12:15,940

the second hour things like the dark

1831

01:12:22,890 --> 01:12:19,530

details of the colony SAIC

1832

01:12:26,120 --> 01:12:22,900

other military contractors like them and

1833

01:12:29,300 --> 01:12:26,130

some potential domestic operations

1834

01:12:32,370 --> 01:12:29,310

DynCorp and the Trump administration

1835

01:12:35,720 --> 01:12:32,380

esoteric and mythological names of these

1836

01:12:40,170 --> 01:12:35,730

companies like that damn drug made by

1837

01:12:42,690 --> 01:12:40,180

Gilead and we also talked about Kovac

1838

01:12:46,200 --> 01:12:42,700

control and election suppression the

1839

01:12:48,210 --> 01:12:46,210

prospect of that second wave and a lot

1840

01:12:52,050 --> 01:12:48,220

of the economic games that are being

1841

01:12:53,970 --> 01:12:52,060

played in the Cova chaos so all good

1842

01:12:56,430 --> 01:12:53,980

stuff trying to bring you good stuff

1843

01:12:59,660 --> 01:12:56,440

well worth your money please sign up for

1844

01:13:01,280 --> 01:12:59,670

plus if you value this show

1845

01:13:04,760 --> 01:13:01,290

but other than that I guess there's not

1846

01:13:07,270 --> 01:13:04,770

a ton to say I hope you're all staying

1847

01:13:10,790 --> 01:13:07,280

safe out there I hope you're all

1848

01:13:14,060 --> 01:13:10,800

weathering the economic hardship well

1849

01:13:16,850 --> 01:13:14,070

enough and I hope you're starting to

1850

01:13:20,750 --> 01:13:16,860

think about or have the conversation

1851  
01:13:22,610 --> 01:13:20,760  
about how to be more self-sufficient how

1852  
01:13:25,400 --> 01:13:22,620  
to put yourself in a position where you

1853  
01:13:29,330 --> 01:13:25,410  
could say you know you don't want to let

1854  
01:13:31,790 --> 01:13:29,340  
me into a Walmart without the invisible

1855  
01:13:34,520 --> 01:13:31,800  
tattoo that's fine I don't need anything

1856  
01:13:36,560 --> 01:13:34,530  
from there I've always talked about

1857  
01:13:38,960 --> 01:13:36,570  
having one foot in one foot out it's

1858  
01:13:42,340 --> 01:13:38,970  
getting a lot harder to keep that foot

1859  
01:13:46,280 --> 01:13:42,350  
in and I'm sure that's no accident but

1860  
01:13:48,020 --> 01:13:46,290  
other than that I guess we have a few

1861  
01:13:51,230 --> 01:13:48,030  
good shows coming up that I'm excited

1862  
01:13:55,550 --> 01:13:51,240  
about and we have a joint session on the

1863  
01:13:58,850 --> 01:13:55,560

20th so next week and two episodes

1864

01:14:01,160 --> 01:13:58,860

coming before the month ends so I guess

1865

01:14:03,410 --> 01:14:01,170

I'll just catch you then I'm out of here

1866

01:14:04,820 --> 01:14:03,420

big thanks to recluse once again I've

1867

01:14:07,250 --> 01:14:04,830

done my part

1868

01:14:10,130 --> 01:14:07,260

your move conniving contractors

1869

01:14:15,230 --> 01:14:10,140

egomaniacal elite and satanic security

1870

01:14:21,020 --> 01:14:15,240

firms your [h\_\_\h] you know the plan has

1871

01:14:25,430 --> 01:14:21,030

always been m'kay I'll just try to trim

1872

01:14:27,520 --> 01:14:25,440

you insane they'll explode your heart if

1873

01:14:31,130 --> 01:14:27,530

you think that's what it takes

1874

01:14:35,630 --> 01:14:31,140

you think I'm answering the phone when I

1875

01:14:38,330 --> 01:14:35,640

ain't you gotta keep it strong cuz I

1876

01:14:41,420 --> 01:14:38,340

don't want anyone thinking yo at home

1877

01:14:45,290 --> 01:14:41,430

well you're not you should tape the mail

1878

01:14:48,290 --> 01:14:45,300

slot and baby if I seem withdrawn let me

1879

01:14:51,500 --> 01:14:48,300

sing it's cuz I just don't wanna go and

1880

01:14:54,710 --> 01:14:51,510

get whacked maybe you should know that

1881

01:14:58,760 --> 01:14:54,720

the trauma of sex you like

1882

01:15:02,600 --> 01:14:58,770

does everyone it's just the game plan

1883

01:15:05,690 --> 01:15:02,610

it's where the wells become they want a

1884

01:15:09,500 --> 01:15:05,700

patent and the swap don't you see what's

1885

01:15:13,630 --> 01:15:09,510

going on well now you know you're better

1886

01:15:17,690 --> 01:15:13,640

keeping on your uncas you can sing the

1887

01:15:23,260 --> 01:15:17,700

Masters lacking much oh baby you can

1888

01:15:27,260 --> 01:15:23,270

only trust yourself and if you think the

1889

01:15:30,660 --> 01:15:27,270

system's out of touch it is and you can

1890

01:15:33,870 --> 01:15:30,670

only trust yours now

1891

01:15:37,709 --> 01:15:33,880

I hope you know real lean aren't your

1892

01:15:39,290 --> 01:15:37,719

friends the suck out everything from you

1893

01:15:42,990 --> 01:15:39,300

in the end

1894

01:15:46,800 --> 01:15:43,000

and if for some reason you think I might

1895

01:15:51,330 --> 01:15:46,810

be wrong I wonder where you got that

1896

01:15:53,490 --> 01:15:51,340

opinion from you gotta keep the Turner's

1897

01:15:56,340 --> 01:15:53,500

strong cuz you don't want anyone

1898

01:15:59,939 --> 01:15:56,350

thinking you're at home well you're not

1899

01:16:03,000 --> 01:15:59,949

you should tape the mail slot and baby

1900

01:16:05,939 --> 01:16:03,010

if I seem withdrawn let me say it's cuz

1901

01:16:09,870 --> 01:16:05,949

I just don't wanna go and get whacked

1902

01:16:14,010 --> 01:16:09,880

maybe you should know that the trauma of

1903

01:16:16,380 --> 01:16:14,020

sex do you like it does everyone it's

1904

01:16:20,340 --> 01:16:16,390

just the game when it's where the

1905

01:16:23,310 --> 01:16:20,350

world's become they want a pat down in

1906

01:16:24,990 --> 01:16:23,320

the swamp don't you see what's going on

1907

01:16:28,750 --> 01:16:25,000

well now

1908

01:16:32,950 --> 01:16:28,760

you're better keepin on your own cuz you

1909

01:16:38,290 --> 01:16:32,960

can see the Masters lighting much oh

1910

01:16:42,760 --> 01:16:38,300

baby you can only trust yourself and if

1911

01:16:47,730 --> 01:16:42,770

you think the system's out of touch it

1912

01:17:06,080 --> 01:16:47,740

is and you can only trust yourself

1913

01:17:09,840 --> 01:17:06,090

[Music]

1914

01:17:14,340 --> 01:17:09,850

you might think that these problems are

1915

01:17:18,540 --> 01:17:14,350

small maybe they aren't registering at

1916

01:17:23,040 --> 01:17:18,550

all now they know you're naive and

1917

01:17:28,040 --> 01:17:23,050

vulnerable you won't believe all of the

1918

01:17:32,070 --> 01:17:28,050

stunts that kelpo cuz you can see the

1919

01:17:36,570 --> 01:17:32,080

Masters lied too much oh baby you can

1920

01:17:41,370 --> 01:17:36,580

only trust your cells and if you think

1921

01:17:45,540 --> 01:17:41,380

the system's out of touch it is and you

1922

01:17:49,980 --> 01:17:45,550

can only trust yourselves because you

1923

01:17:55,380 --> 01:17:49,990

can see the Masters lie too much oh baby

1924

01:18:00,270 --> 01:17:55,390

you can only trust yourself and if you

1925

01:18:03,080 --> 01:18:00,280

think the system's out of touch it isn't
