

RAS BEN

YELLOW FEVER: AMERICA'S FIRST PANDEMIC & THE CYCLES OF TIME

PRESENTED BY THE HIGHERSIDE CHATS

JOIN PLUS FOR FULL 2HR EPISODES:
THEHIGHERSIDECHATS.COM

1
00:00:04,630 --> 00:00:02,869

[Music]

2
00:00:06,950 --> 00:00:04,640
congratulations youtube

3
00:00:08,390 --> 00:00:06,960
you did it you wore me down and you

4
00:00:10,709 --> 00:00:08,400
sucked me back in

5
00:00:12,230 --> 00:00:10,719
i have too many subscribers here just to

6
00:00:14,230 --> 00:00:12,240
walk away entirely

7
00:00:15,430 --> 00:00:14,240
especially with no alternative that

8
00:00:17,590 --> 00:00:15,440
truly stacks up

9
00:00:19,670 --> 00:00:17,600
and so many copycat channels uploading

10
00:00:22,150 --> 00:00:19,680
my shows for me anyway

11
00:00:24,150 --> 00:00:22,160
but we can't forget the thc's account

12
00:00:25,910 --> 00:00:24,160
here is on thin ice

13
00:00:28,710 --> 00:00:25,920

and so the youtube version of the show

14

00:00:31,669 --> 00:00:28,720

has to be prefaced with this little psa

15

00:00:32,950 --> 00:00:31,679

only to say that episodes that contain

16

00:00:34,709 --> 00:00:32,960

the kinds of themes that have been

17

00:00:37,670 --> 00:00:34,719

regularly banned on youtube

18

00:00:39,750 --> 00:00:37,680

will not appear here and even with that

19

00:00:41,350 --> 00:00:39,760

precaution there's already enough in the

20

00:00:43,350 --> 00:00:41,360

archive to get us removed

21

00:00:45,830 --> 00:00:43,360

so remember that the higher side chats

22

00:00:48,310 --> 00:00:45,840

could be banned or put in time out again

23

00:00:49,510 --> 00:00:48,320

at any time and i won't be able to tell

24

00:00:51,510 --> 00:00:49,520

you guys about it

25

00:00:53,270 --> 00:00:51,520

so if you feel like it's been too long

26
00:00:56,069 --> 00:00:53,280
since you've heard from me here on this

27
00:00:57,910 --> 00:00:56,079
digital dystopian draconian data mining

28
00:00:59,189 --> 00:00:57,920
monster of a police state seeking

29
00:01:00,990 --> 00:00:59,199
platform

30
00:01:03,750 --> 00:01:01,000
your first step should be to check the

31
00:01:09,750 --> 00:01:03,760
highersidechats.com for the latest shows

32
00:01:12,789 --> 00:01:11,510
brace yourself because you're about to

33
00:01:14,390 --> 00:01:12,799
dive into another free

34
00:01:16,230 --> 00:01:14,400
first hour episode of the higher side

35
00:01:17,350 --> 00:01:16,240
chats and we just want to let you know

36
00:01:19,510 --> 00:01:17,360
that whether you're looking for a

37
00:01:20,789 --> 00:01:19,520
companion through your paranoid insomnia

38
00:01:22,550 --> 00:01:20,799

entertaining yourself through one of

39

00:01:23,990 --> 00:01:22,560

life's mundane activities

40

00:01:26,230 --> 00:01:24,000

or trying to ward off the internal

41

00:01:27,270 --> 00:01:26,240

screams of all those sad smothered souls

42

00:01:29,429 --> 00:01:27,280

around the office

43

00:01:31,030 --> 00:01:29,439

thc is here and you should know that

44

00:01:33,030 --> 00:01:31,040

every episode of the higher side chats

45

00:01:34,069 --> 00:01:33,040

has an entire second hour for plus

46

00:01:36,630 --> 00:01:34,079

members

47

00:01:37,990 --> 00:01:36,640

sign up at the highersidechatsplus.com

48

00:01:40,789 --> 00:01:38,000

and you'll get years of plus

49

00:01:42,230 --> 00:01:40,799

show archives lifetime forum access a

50

00:01:43,830 --> 00:01:42,240

special invite to greg carlwood's

51

00:01:47,109 --> 00:01:43,840

monthly joint sessions

52

00:01:50,149 --> 00:01:47,119

mp3s of the music bonus episodes

53

00:01:51,749 --> 00:01:50,159

tour videos and 10 off t-shirts

54

00:01:53,830 --> 00:01:51,759

grinders and whatever else ends up in

55

00:01:55,270 --> 00:01:53,840

the higher side store it's eight dollars

56

00:01:56,950 --> 00:01:55,280

a month that you won't miss

57

00:01:58,870 --> 00:01:56,960

so become a plus member and treat

58

00:02:01,030 --> 00:01:58,880

yourself in these troubled times

59

00:02:02,550 --> 00:02:01,040

always action-packed and commercial-free

60

00:02:10,869 --> 00:02:02,560

which means you'll unfortunately

61

00:02:15,430 --> 00:02:13,589

in the 1930s president franklin delano

62

00:02:18,070 --> 00:02:15,440

roosevelt addressed the nation through a

63

00:02:19,670 --> 00:02:18,080

series of radio broadcasts known as the

64

00:02:21,830 --> 00:02:19,680

fireside chats

65

00:02:23,750 --> 00:02:21,840

his aim was to reassure the common man

66

00:02:24,869 --> 00:02:23,760

that our society would recover from its

67

00:02:27,510 --> 00:02:24,879

troubled times

68

00:02:29,110 --> 00:02:27,520

well we're far from 1930 and i deal with

69

00:02:31,750 --> 00:02:29,120

a different kind of fire

70

00:02:32,229 --> 00:02:31,760

for a new era of worldly frustration we

71

00:02:35,670 --> 00:02:32,239

offer

72

00:02:39,030 --> 00:02:35,680

a fresh conversation i'm greg carlwood

73

00:02:41,110 --> 00:02:39,040

and these are the higher side chats

74

00:02:43,190 --> 00:02:41,120

hallelujah and hello higher side

75

00:02:43,910 --> 00:02:43,200

chatters from sunny san diego i'm greg

76

00:02:45,910 --> 00:02:43,920

carlwood

77

00:02:47,509 --> 00:02:45,920

and as we continue to better understand

78

00:02:48,470 --> 00:02:47,519

the playbook of the planet's puppet

79

00:02:50,150 --> 00:02:48,480

masters

80

00:02:52,309 --> 00:02:50,160

we see that many of their scams and

81

00:02:54,070 --> 00:02:52,319

schemes have been run on us before

82

00:02:56,229 --> 00:02:54,080

and with a longer view of history it

83

00:02:57,910 --> 00:02:56,239

becomes a little bit easier to stay calm

84

00:03:00,390 --> 00:02:57,920

in all the chaos

85

00:03:01,750 --> 00:03:00,400

because history is not a time line but

86

00:03:04,229 --> 00:03:01,760

actually a series of times

87

00:03:05,509 --> 00:03:04,239

cycles and history will repeat itself

88

00:03:08,550 --> 00:03:05,519

even when we're talking about the

89

00:03:10,309 --> 00:03:08,560

nefarious agendas of the capstone cabal

90

00:03:12,149 --> 00:03:10,319

whether it's the hyped up anxiety

91

00:03:14,149 --> 00:03:12,159

causing mainstream narrative

92

00:03:15,670 --> 00:03:14,159

a false flag attack to justify the

93

00:03:17,270 --> 00:03:15,680

imperial expansion

94

00:03:19,270 --> 00:03:17,280

the ebbs and flows of the highly

95

00:03:21,350 --> 00:03:19,280

controlled financial faucets or a

96

00:03:23,430 --> 00:03:21,360

corporate medical cartel testing their

97

00:03:25,110 --> 00:03:23,440

treatments on human guinea pigs

98

00:03:26,869 --> 00:03:25,120

the understanding that there's nothing

99

00:03:28,229 --> 00:03:26,879

new under the sun is one of the best

100

00:03:31,430 --> 00:03:28,239

prescriptions for that

101

00:03:31,990 --> 00:03:31,440

the sky is falling feeling well serenity

102

00:03:34,070 --> 00:03:32,000

now good

103

00:03:36,070 --> 00:03:34,080

people because given the intensity of

104

00:03:37,670 --> 00:03:36,080

our times this lesson is as

105

00:03:39,350 --> 00:03:37,680

important as ever and what better

106

00:03:40,869 --> 00:03:39,360

teacher to drive it all home than the

107

00:03:42,470 --> 00:03:40,879

great ross ben

108

00:03:44,550 --> 00:03:42,480

he's the man behind great mystery

109

00:03:45,670 --> 00:03:44,560

philadelphia free your mound and your

110

00:03:49,030 --> 00:03:45,680

mind will follow

111

00:03:50,949 --> 00:03:49,040

rocks of ages and 5g wellness 101

112

00:03:52,390 --> 00:03:50,959

all books of his that we've talked about

113

00:03:55,750 --> 00:03:52,400

in previous shows and

114

00:03:56,550 --> 00:03:55,760

are available at rossbend.com he's also

115

00:03:59,670 --> 00:03:56,560

a mystic

116

00:04:01,750 --> 00:03:59,680

healer counselor astrologer peacekeeper

117

00:04:04,070 --> 00:04:01,760

and bright mind for our troubled times

118

00:04:06,710 --> 00:04:04,080

with a master of arts degree and african

119

00:04:08,309 --> 00:04:06,720

american studies from temple university

120

00:04:10,869 --> 00:04:08,319

today we're talking about his latest

121

00:04:12,229 --> 00:04:10,879

work great mystery philadelphia reveals

122

00:04:14,710 --> 00:04:12,239

america's first plan

123

00:04:16,789 --> 00:04:14,720

democ as well as what his astrological

124

00:04:17,990 --> 00:04:16,799

forecast says about the second half of

125

00:04:20,150 --> 00:04:18,000

2020

126

00:04:22,150 --> 00:04:20,160

a fellow friend of sweet lady cannabis

127

00:04:23,830 --> 00:04:22,160

from the esoteric hotbed that is

128

00:04:26,070 --> 00:04:23,840

philadelphia the conduit to the

129

00:04:27,350 --> 00:04:26,080

ancestors and a modern magi if there

130

00:04:29,350 --> 00:04:27,360

ever was one

131

00:04:30,790 --> 00:04:29,360

rasma man welcome back to the higher

132

00:04:33,350 --> 00:04:30,800

side

133

00:04:35,430 --> 00:04:33,360

peace peace how you doing good brother

134

00:04:35,749 --> 00:04:35,440

i'm hanging in there despite everything

135

00:04:38,550 --> 00:04:35,759

and

136

00:04:40,710 --> 00:04:38,560

yes i really appreciate everything you

137

00:04:41,749 --> 00:04:40,720

do man and this latest presentation is

138

00:04:43,909 --> 00:04:41,759

no different

139

00:04:45,430 --> 00:04:43,919

i've said so many times that with an

140

00:04:47,909 --> 00:04:45,440

event like 911

141

00:04:50,310 --> 00:04:47,919

a lot of people can't accept the notion

142

00:04:50,950 --> 00:04:50,320

of a false flag it seems too big and too

143

00:04:53,189 --> 00:04:50,960

bold

144

00:04:54,390 --> 00:04:53,199

but if you learn about the long history

145

00:04:56,950 --> 00:04:54,400

of false flags

146

00:04:57,749 --> 00:04:56,960

how they've started many many major

147

00:05:00,230 --> 00:04:57,759

conflicts

148

00:05:02,070 --> 00:05:00,240

and how operation northwoods was another

149

00:05:03,590 --> 00:05:02,080

that was suggested to kennedy by his

150

00:05:06,710 --> 00:05:03,600

entire military cabinet

151
00:05:08,070 --> 00:05:06,720
you start to see how an empire attacking

152
00:05:10,150 --> 00:05:08,080
itself is not only

153
00:05:11,350 --> 00:05:10,160
possible but it's actually kind of

154
00:05:14,870 --> 00:05:11,360
routine it's how

155
00:05:15,749 --> 00:05:14,880
things usually pop off and in that same

156
00:05:17,830 --> 00:05:15,759
regard

157
00:05:19,990 --> 00:05:17,840
you've taken this event that people are

158
00:05:23,110 --> 00:05:20,000
now dubbing the pandemic

159
00:05:26,070 --> 00:05:23,120
and applied the same kind of thinking

160
00:05:27,590 --> 00:05:26,080
is this new or have they used this page

161
00:05:30,870 --> 00:05:27,600
of the playbook before

162
00:05:33,270 --> 00:05:30,880
and the parallels are crazy and

163
00:05:35,590 --> 00:05:33,280

to kick this off you were one of the

164

00:05:36,390 --> 00:05:35,600

first guests that i had here to talk

165

00:05:38,469 --> 00:05:36,400

about the whole

166

00:05:40,390 --> 00:05:38,479

coronavirus chaos it just happened to

167

00:05:42,070 --> 00:05:40,400

start happening as we were

168

00:05:43,590 --> 00:05:42,080

planning a conversation about something

169

00:05:46,230 --> 00:05:43,600

else entirely but

170

00:05:47,990 --> 00:05:46,240

now that you've had another several

171

00:05:50,550 --> 00:05:48,000

months to reflect on it

172

00:05:53,189 --> 00:05:50,560

as well as the george floyd protests

173

00:05:55,029 --> 00:05:53,199

that have been going on in its wake

174

00:05:56,309 --> 00:05:55,039

how have you been man we're getting hit

175

00:06:00,550 --> 00:05:56,319

with a lot in

176

00:06:05,270 --> 00:06:00,560

2020 it seems no we really are

177

00:06:07,670 --> 00:06:05,280

i'm just thankful that i had some

178

00:06:08,790 --> 00:06:07,680

inkling that 2020 was going to be a wild

179

00:06:11,029 --> 00:06:08,800

ride

180

00:06:12,950 --> 00:06:11,039

based on you know the astrological

181

00:06:15,830 --> 00:06:12,960

outlook you know this being a year of

182

00:06:19,510 --> 00:06:15,840

great conjunctions you know

183

00:06:20,070 --> 00:06:19,520

and i knew the first conjunction was

184

00:06:23,590 --> 00:06:20,080

going to be

185

00:06:27,029 --> 00:06:23,600

bananas with pluto hitting

186

00:06:28,790 --> 00:06:27,039

saturn and capricorn in early january

187

00:06:32,070 --> 00:06:28,800

and that's what we would say kicked off

188

00:06:35,189 --> 00:06:32,080

this pandemic so

189

00:06:37,270 --> 00:06:35,199

i'm glad i had some

190

00:06:38,469 --> 00:06:37,280

sense that it was going to be intense

191

00:06:42,469 --> 00:06:38,479

you know it's

192

00:06:46,070 --> 00:06:42,479

helping me keep the faith and

193

00:06:47,510 --> 00:06:46,080

walking in my neighborhood it was real

194

00:06:51,990 --> 00:06:47,520

deep man because

195

00:06:55,510 --> 00:06:52,000

you know i was out on a walk

196

00:06:58,150 --> 00:06:55,520

and i kept hearing

197

00:07:00,550 --> 00:06:58,160

you know like i guess best i could say

198

00:07:01,589 --> 00:07:00,560

is like some ancestors whispering like

199

00:07:04,950 --> 00:07:01,599

yo

200

00:07:05,990 --> 00:07:04,960

check out the yellow fever check out the

201
00:07:09,990 --> 00:07:06,000
yellow fever

202
00:07:13,189 --> 00:07:10,000
epidemic check it out check it out right

203
00:07:16,230 --> 00:07:13,199
and i walked by the

204
00:07:19,830 --> 00:07:16,240
germantown white house where

205
00:07:21,909 --> 00:07:19,840
george washington was during the

206
00:07:23,110 --> 00:07:21,919
yellow fever epidemic and read the

207
00:07:25,909 --> 00:07:23,120
plaque

208
00:07:27,589 --> 00:07:25,919
and it just sent me down this rabbit

209
00:07:32,150 --> 00:07:27,599
hole

210
00:07:34,790 --> 00:07:32,160
because you're right when i came on

211
00:07:36,070 --> 00:07:34,800
like when this thing was first jumping

212
00:07:40,550 --> 00:07:36,080
off

213
00:07:43,110 --> 00:07:40,560

i'll be honest even though i had some

214

00:07:44,710 --> 00:07:43,120

sense that something intense was gonna

215

00:07:46,869 --> 00:07:44,720

unfold

216

00:07:48,469 --> 00:07:46,879

at that time i really didn't know how to

217

00:07:51,909 --> 00:07:48,479

read it

218

00:07:54,550 --> 00:07:51,919

like i didn't have a lens that would let

219

00:07:57,110 --> 00:07:54,560

me articulate

220

00:07:59,350 --> 00:07:57,120

yo this is what we're seeing you know

221

00:08:02,869 --> 00:07:59,360

what i mean yeah

222

00:08:04,629 --> 00:08:02,879

but hey give thanks man obedience is its

223

00:08:07,909 --> 00:08:04,639

own reward because

224

00:08:09,990 --> 00:08:07,919

out of ancestors was like looking to the

225

00:08:13,589 --> 00:08:10,000

yellow fever

226

00:08:16,950 --> 00:08:13,599

epidemic and yeah man

227

00:08:20,550 --> 00:08:16,960

that thing was america's first pandemic

228

00:08:24,469 --> 00:08:20,560

and we see so many

229

00:08:26,469 --> 00:08:24,479

synchronous analogies to what's

230

00:08:30,150 --> 00:08:26,479

happening today

231

00:08:33,589 --> 00:08:30,160

down to the writing and

232

00:08:37,269 --> 00:08:33,599

looking at this yellow fever epidemic

233

00:08:41,909 --> 00:08:37,279

you really see the roots of today's

234

00:08:45,269 --> 00:08:41,919

modern biomedical nightmare we live in

235

00:08:47,509 --> 00:08:45,279

to me it's the lens

236

00:08:49,030 --> 00:08:47,519

we need right now to have a better

237

00:08:52,389 --> 00:08:49,040

overstanding

238

00:08:54,870 --> 00:08:52,399

and i may make it a book

239

00:08:56,070 --> 00:08:54,880

but spirit had me like yo just get this

240

00:08:59,990 --> 00:08:56,080

thing out here

241

00:09:03,269 --> 00:09:00,000

you know people need to know this now

242

00:09:05,350 --> 00:09:03,279

and let it inform their perception and

243

00:09:07,750 --> 00:09:05,360

their decision making

244

00:09:08,389 --> 00:09:07,760

mm-hmm yes people are kind of freaking

245

00:09:11,030 --> 00:09:08,399

out so

246

00:09:12,630 --> 00:09:11,040

the faster they can get some kind of

247

00:09:16,070 --> 00:09:12,640

context to put it in

248

00:09:18,710 --> 00:09:16,080

the better they'll be and you say in

249

00:09:19,670 --> 00:09:18,720

that presentation you refer to philly as

250

00:09:22,230 --> 00:09:19,680

a museum

251
00:09:22,790 --> 00:09:22,240
without walls and it is crazy that you

252
00:09:25,110 --> 00:09:22,800
are so

253
00:09:26,870 --> 00:09:25,120
rooted in this environment because

254
00:09:29,990 --> 00:09:26,880
you're so good at what you do

255
00:09:30,870 --> 00:09:30,000
and to be this kind of modern bard it

256
00:09:33,030 --> 00:09:30,880
couldn't really be

257
00:09:34,150 --> 00:09:33,040
any other way and this area

258
00:09:36,790 --> 00:09:34,160
grumblethorpe

259
00:09:38,310 --> 00:09:36,800
you say was where the first windstar

260
00:09:38,790 --> 00:09:38,320
family home was we're going to talk

261
00:09:40,949 --> 00:09:38,800
about

262
00:09:42,389 --> 00:09:40,959
casper windstar but he was one of the

263
00:09:45,670 --> 00:09:42,399

first vaccine

264

00:09:48,550 --> 00:09:45,680

advocates and right across the street

265

00:09:49,509 --> 00:09:48,560

is christopher sars place where they

266

00:09:51,829 --> 00:09:49,519

printed the first

267

00:09:53,350 --> 00:09:51,839

bibles in america and this is kind of

268

00:09:55,110 --> 00:09:53,360

what you're talking about the roots of

269

00:09:55,750 --> 00:09:55,120

so many things that affect the world

270

00:09:57,590 --> 00:09:55,760

today

271

00:09:59,110 --> 00:09:57,600

right here we have the establishing of

272

00:10:02,069 --> 00:09:59,120

this union between

273

00:10:03,269 --> 00:10:02,079

the press and big pharma because they

274

00:10:06,470 --> 00:10:03,279

both come out of this

275

00:10:08,230 --> 00:10:06,480

nexus that happens to be the same city

276

00:10:11,269 --> 00:10:08,240

block where you happen to be

277

00:10:14,310 --> 00:10:11,279

and that's just pretty wild man

278

00:10:15,430 --> 00:10:14,320

yeah yeah but this neighborhood man this

279

00:10:20,069 --> 00:10:15,440

neighborhood

280

00:10:27,350 --> 00:10:24,310

man the story the mystery

281

00:10:28,790 --> 00:10:27,360

history story that is encoded in

282

00:10:32,150 --> 00:10:28,800

germantown

283

00:10:35,190 --> 00:10:32,160

is almost as deep as

284

00:10:37,110 --> 00:10:35,200

what's encoded in center city or the ben

285

00:10:40,790 --> 00:10:37,120

franklin parkway

286

00:10:44,069 --> 00:10:40,800

it's just more

287

00:10:46,949 --> 00:10:44,079

interwoven into uh

288

00:10:49,430 --> 00:10:46,959

regular looking neighborhood so it's

289

00:10:54,069 --> 00:10:49,440

much easier to take for granted

290

00:10:57,350 --> 00:10:54,079

and overlook what they have encoded here

291

00:11:00,150 --> 00:10:57,360

but i could say generally speaking

292

00:11:01,509 --> 00:11:00,160

if you want to say ultimately what is

293

00:11:04,230 --> 00:11:01,519

germantown

294

00:11:05,190 --> 00:11:04,240

it's where they would say america's

295

00:11:09,509 --> 00:11:05,200

royalty

296

00:11:11,750 --> 00:11:09,519

is rooted the westar family being won

297

00:11:13,509 --> 00:11:11,760

because another thing about the westar

298

00:11:16,630 --> 00:11:13,519

family they're the one

299

00:11:21,829 --> 00:11:16,640

american family that i'm aware of

300

00:11:25,269 --> 00:11:21,839

that is married into lineages of popes

301
00:11:26,470 --> 00:11:25,279
and you also have americans royalty here

302
00:11:31,110 --> 00:11:26,480
with

303
00:11:36,310 --> 00:11:31,120
grace kelly and the kelly family

304
00:11:37,990 --> 00:11:36,320
who you know there's a whole deep

305
00:11:39,829 --> 00:11:38,000
science with them that i'm not going to

306
00:11:40,630 --> 00:11:39,839
get into tonight because i would kind of

307
00:11:44,870 --> 00:11:40,640
take us off

308
00:11:48,069 --> 00:11:44,880
topic but how grace kelly married

309
00:11:49,910 --> 00:11:48,079
i think he was the prince of monaco

310
00:11:51,509 --> 00:11:49,920
making her like you know what they would

311
00:11:55,190 --> 00:11:51,519
call quote unquote

312
00:11:58,310 --> 00:11:55,200
america's royalty you know her home

313
00:12:01,030 --> 00:11:58,320

her residence is about two blocks

314

00:12:02,870 --> 00:12:01,040

from my house and maybe six blocks from

315

00:12:05,829 --> 00:12:02,880

the germantown white house

316

00:12:06,389 --> 00:12:05,839

and the worcester house so when you talk

317

00:12:09,269 --> 00:12:06,399

about

318

00:12:09,990 --> 00:12:09,279

royalty you usually have two distinct

319

00:12:12,629 --> 00:12:10,000

bloodlines

320

00:12:14,629 --> 00:12:12,639

that make up what they will call the

321

00:12:17,829 --> 00:12:14,639

noble royal houses

322

00:12:19,030 --> 00:12:17,839

and that's the lineage of popes and the

323

00:12:22,310 --> 00:12:19,040

lineage of

324

00:12:25,030 --> 00:12:22,320

monarchs and here you have

325

00:12:26,629 --> 00:12:25,040

in one neighborhood like a mile apart

326

00:12:29,829 --> 00:12:26,639

from one another

327

00:12:30,629 --> 00:12:29,839

the families that you know check off

328

00:12:33,350 --> 00:12:30,639

both of those

329

00:12:36,470 --> 00:12:33,360

and the only two families of the united

330

00:12:39,670 --> 00:12:36,480

states that i'm aware of you know

331

00:12:41,110 --> 00:12:39,680

wow just a hot bed of hidden history so

332

00:12:42,870 --> 00:12:41,120

much we don't know

333

00:12:45,509 --> 00:12:42,880

and so if we're gonna dive into this

334

00:12:48,870 --> 00:12:45,519

story and we're gonna tell people

335

00:12:49,910 --> 00:12:48,880

about a way to think of the coronavirus

336

00:12:52,150 --> 00:12:49,920

situation by

337

00:12:55,910 --> 00:12:52,160

talking about the yellow fever epidemic

338

00:12:58,949 --> 00:12:55,920

that hit philadelphia in 1793

339

00:13:01,590 --> 00:12:58,959

where do we start this story

340

00:13:03,990 --> 00:13:01,600

well i guess we would have to start with

341

00:13:06,949 --> 00:13:04,000

kaspar worcester

342

00:13:08,629 --> 00:13:06,959

right you kind of mentioned him the

343

00:13:12,069 --> 00:13:08,639

plant wisteria

344

00:13:15,670 --> 00:13:12,079

is named after him okay

345

00:13:19,269 --> 00:13:15,680

and his family founded the whistar

346

00:13:21,190 --> 00:13:19,279

institute which is closely

347

00:13:22,870 --> 00:13:21,200

associated with the university of

348

00:13:25,990 --> 00:13:22,880

pennsylvania

349

00:13:29,509 --> 00:13:26,000

and kind of drives

350

00:13:33,030 --> 00:13:29,519

biomedical research and

351

00:13:34,710 --> 00:13:33,040

they got their hand in policy as well

352

00:13:39,750 --> 00:13:34,720

you know as far as like what we would

353

00:13:42,949 --> 00:13:39,760

consider the medical industrial complex

354

00:13:46,150 --> 00:13:42,959

and he was a big man

355

00:13:47,189 --> 00:13:46,160

at the pennsylvania hospital which kind

356

00:13:50,310 --> 00:13:47,199

of grew in the

357

00:13:54,150 --> 00:13:50,320

pin and

358

00:13:57,829 --> 00:13:54,160

he was working with a guy named

359

00:14:01,110 --> 00:13:57,839

benjamin rush who

360

00:14:04,150 --> 00:14:01,120

is a complex character

361

00:14:07,910 --> 00:14:06,550

benjamin rush would kind of be parallel

362

00:14:11,990 --> 00:14:07,920

to

363

00:14:15,430 --> 00:14:12,000

[Music]

364

00:14:17,590 --> 00:14:15,440

again he was well rooted in his

365

00:14:19,430 --> 00:14:17,600

profession you know he went to school in

366

00:14:23,509 --> 00:14:19,440

edinburgh and

367

00:14:26,790 --> 00:14:23,519

scotland and he became a kind of big man

368

00:14:31,670 --> 00:14:26,800

at pennsylvania hospital as well

369

00:14:33,829 --> 00:14:31,680

but he had a very bizarre

370

00:14:35,829 --> 00:14:33,839

approach to wellness that he called

371

00:14:38,949 --> 00:14:35,839

heroic medicine

372

00:14:43,990 --> 00:14:38,959

also called depletion therapy

373

00:14:47,350 --> 00:14:44,000

right and basically it was like

374

00:14:48,230 --> 00:14:47,360

he felt yellow fever caused such a

375

00:14:51,910 --> 00:14:48,240

dramatic

376

00:14:53,030 --> 00:14:51,920

response in the body that the best way

377

00:14:57,430 --> 00:14:53,040

to treat it

378

00:14:58,470 --> 00:14:57,440

was to deplete the body's vitality so i

379

00:15:03,269 --> 00:14:58,480

wouldn't

380

00:15:06,069 --> 00:15:03,279

have so much energy to respond

381

00:15:06,710 --> 00:15:06,079

and that way it wouldn't present such

382

00:15:08,470 --> 00:15:06,720

dramatic

383

00:15:10,829 --> 00:15:08,480

symptoms and that you would be able to

384

00:15:13,829 --> 00:15:10,839

just get over it

385

00:15:16,949 --> 00:15:13,839

so he would

386

00:15:20,150 --> 00:15:16,959

bleed and purge he would

387

00:15:21,910 --> 00:15:20,160

bloodlet he said he was intrepid with

388

00:15:27,350 --> 00:15:21,920

the lancet

389

00:15:28,310 --> 00:15:27,360

and he would drain like quartz out of

390

00:15:31,430 --> 00:15:28,320

you right

391

00:15:35,509 --> 00:15:31,440

he got seven quarts he might drain

392

00:15:39,430 --> 00:15:35,519

four or five quarts and then he would

393

00:15:41,910 --> 00:15:39,440

purge your bowels with

394

00:15:43,829 --> 00:15:41,920

what he called dr rush's thunder

395

00:15:46,870 --> 00:15:43,839

clappers

396

00:15:51,269 --> 00:15:46,880

which were basically mercury and

397

00:15:54,310 --> 00:15:51,279

jalapeno pepper emitics

398

00:15:58,550 --> 00:15:54,320

given either through enema form

399

00:16:02,069 --> 00:15:58,560

or actually swallowed and

400

00:16:05,990 --> 00:16:02,079

yeah man his approach was buckwild

401
00:16:09,430 --> 00:16:06,000
you know yes this is the medical side

402
00:16:13,430 --> 00:16:09,440
but the whole plandemic

403
00:16:17,269 --> 00:16:13,440
rollout you could kind of say

404
00:16:20,230 --> 00:16:17,279
fell on the shoulders of a man named

405
00:16:24,310 --> 00:16:20,240
stefan gerard or steven gerrard

406
00:16:27,670 --> 00:16:24,320
who you know if we use this 2020

407
00:16:31,990 --> 00:16:27,680
and 2020 lens today would be like

408
00:16:33,829 --> 00:16:32,000
bill gates right he was a grimy dude man

409
00:16:36,470 --> 00:16:33,839
he was an enslaver

410
00:16:39,990 --> 00:16:36,480
before he came to the states before he

411
00:16:43,350 --> 00:16:40,000
came to philadelphia he made his money

412
00:16:46,629 --> 00:16:43,360
pirating between new orleans and

413
00:16:50,470 --> 00:16:46,639

haiti taking rum

414

00:16:53,670 --> 00:16:50,480

sugar slaves cotton back and forth

415

00:16:56,150 --> 00:16:53,680

he had his own plantation in what became

416

00:16:59,110 --> 00:16:56,160

louisiana

417

00:17:02,230 --> 00:16:59,120

surreal grimy pirate dude he came here

418

00:17:03,910 --> 00:17:02,240

in 1776

419

00:17:05,590 --> 00:17:03,920

and i really think that's the real

420

00:17:08,350 --> 00:17:05,600

reason

421

00:17:12,710 --> 00:17:08,360

philly is associated with 76 like the

422

00:17:15,110 --> 00:17:12,720

76ers like who are the 76ers you know

423

00:17:16,470 --> 00:17:15,120

we could get into that if we talk about

424

00:17:19,029 --> 00:17:16,480

astrology of things

425

00:17:22,549 --> 00:17:19,039

particularly astrology the nation but he

426

00:17:24,470 --> 00:17:22,559

arrived here in 1776

427

00:17:26,309 --> 00:17:24,480

a critical look at history would say it

428

00:17:27,909 --> 00:17:26,319

wasn't happenstance

429

00:17:30,710 --> 00:17:27,919

you know that more than likely he was

430

00:17:33,190 --> 00:17:30,720

coming as an agent provocateur

431

00:17:35,110 --> 00:17:33,200

for the french financiers who were

432

00:17:38,630 --> 00:17:35,120

sponsoring

433

00:17:43,270 --> 00:17:38,640

the quote-unquote american revolution

434

00:17:46,950 --> 00:17:43,280

and he hooked up with a shipbuilder

435

00:17:50,230 --> 00:17:46,960

here in philadelphia a man named lum

436

00:17:52,549 --> 00:17:50,240

who died mysteriously shortly after

437

00:17:54,870 --> 00:17:52,559

gerard got here gerard married his

438

00:18:00,549 --> 00:17:54,880

daughter real quick like three months

439

00:18:02,470 --> 00:18:00,559

with being here this is all in 1776

440

00:18:05,110 --> 00:18:02,480

i'm just going to kind of fast forward

441

00:18:07,590 --> 00:18:05,120

that reality because

442

00:18:09,350 --> 00:18:07,600

she ended up being under the care of

443

00:18:11,990 --> 00:18:09,360

benjamin rush

444

00:18:13,270 --> 00:18:12,000

and developed what they called incurable

445

00:18:16,150 --> 00:18:13,280

lunacy

446

00:18:17,510 --> 00:18:16,160

but i'm sure if she was being given

447

00:18:20,789 --> 00:18:17,520

thunder clappers

448

00:18:23,190 --> 00:18:20,799

and bloodlet she would lose

449

00:18:24,150 --> 00:18:23,200

her sensibilities you know what i mean

450

00:18:27,029 --> 00:18:24,160

right

451
00:18:27,510 --> 00:18:27,039
yeah and so he had her committed that

452
00:18:31,110 --> 00:18:27,520
way

453
00:18:35,190 --> 00:18:31,120
and took over the llamas state

454
00:18:38,710 --> 00:18:35,200
and so this man amassed a lot of wealth

455
00:18:41,990 --> 00:18:38,720
and used it to

456
00:18:45,510 --> 00:18:42,000
basically gain a stranglehold over

457
00:18:48,789 --> 00:18:45,520
the u.s banking system

458
00:18:52,789 --> 00:18:48,799
and he is the one man in

459
00:18:56,310 --> 00:18:52,799
us history who can say like at one time

460
00:18:58,710 --> 00:18:56,320
this one man owned the whole country

461
00:18:59,750 --> 00:18:58,720
and to be honest if you look at this

462
00:19:04,630 --> 00:18:59,760
pandemic

463
00:19:08,470 --> 00:19:04,640

he consolidated the financial system

464

00:19:10,390 --> 00:19:08,480
through using the pandemic and

465

00:19:14,310 --> 00:19:10,400
the way it kind of rolled out the

466

00:19:17,830 --> 00:19:14,320
critical year to study is 1793

467

00:19:21,190 --> 00:19:17,840
okay where

468

00:19:23,590 --> 00:19:21,200
it's post war of independence

469

00:19:25,350 --> 00:19:23,600
the united states is established

470

00:19:28,710 --> 00:19:25,360
nationhood

471

00:19:30,390 --> 00:19:28,720
with the treaty of paris in 1783

472

00:19:32,470 --> 00:19:30,400
and that's kind of what i was speaking

473

00:19:36,830 --> 00:19:32,480
about where

474

00:19:41,350 --> 00:19:36,840
we say the birth of the nation is july 4

475

00:19:45,110 --> 00:19:41,360
1776 i don't think so

476
00:19:48,870 --> 00:19:45,120
that was when the nation was conceived

477
00:19:53,350 --> 00:19:48,880
the nation was actually born

478
00:19:56,549 --> 00:19:53,360
september 3rd 1783

479
00:19:58,630 --> 00:19:56,559
with the treaty of paris and if you look

480
00:20:01,510 --> 00:19:58,640
at the treaty of paris astrological

481
00:20:04,070 --> 00:20:01,520
chart you really do see that that is

482
00:20:04,950 --> 00:20:04,080
a better fitting chart of the united

483
00:20:08,669 --> 00:20:04,960
states

484
00:20:13,029 --> 00:20:08,679
then even the franklin chart of july 4

485
00:20:15,830 --> 00:20:13,039
1776 i don't mean to get aside from that

486
00:20:17,029 --> 00:20:15,840
but i'm just mentioning that that that's

487
00:20:20,710 --> 00:20:17,039
when the u.s

488
00:20:23,110 --> 00:20:20,720

gained national status

489

00:20:24,710 --> 00:20:23,120

among nations you know a recognized

490

00:20:28,789 --> 00:20:24,720

nation

491

00:20:34,310 --> 00:20:28,799

sovereign status september

492

00:20:35,909 --> 00:20:34,320

3rd 1783 making the u.s a virgo

493

00:20:37,909 --> 00:20:35,919

i guess we could say that's when

494

00:20:41,750 --> 00:20:37,919

colombia

495

00:20:43,830 --> 00:20:41,760

was incarnated activating that virgo

496

00:20:48,149 --> 00:20:43,840

principle

497

00:20:51,590 --> 00:20:48,159

but that occurs but the us is in

498

00:20:53,350 --> 00:20:51,600

major debt both the states as well as

499

00:20:57,270 --> 00:20:53,360

the new federal government

500

00:21:01,110 --> 00:20:57,280

to these french financiers who

501
00:21:01,909 --> 00:21:01,120
were centered out of what they called

502
00:21:05,350 --> 00:21:01,919
the rue

503
00:21:09,830 --> 00:21:05,360
jacob quarter

504
00:21:12,070 --> 00:21:09,840
of paris okay and

505
00:21:14,830 --> 00:21:12,080
these is where what they would call the

506
00:21:18,230 --> 00:21:14,840
jacobins or the

507
00:21:21,110 --> 00:21:18,240
jacobites this was their

508
00:21:23,590 --> 00:21:21,120
stronghold in france and these were

509
00:21:26,630 --> 00:21:23,600
really the financiers who sponsored

510
00:21:27,990 --> 00:21:26,640
the american revolution gerard was down

511
00:21:30,789 --> 00:21:28,000
with them

512
00:21:32,870 --> 00:21:30,799
and his family just like gerard appeared

513
00:21:35,830 --> 00:21:32,880

to be working with them

514

00:21:37,909 --> 00:21:35,840

in the states and in the caribbean

515

00:21:41,750 --> 00:21:37,919

gerard's family

516

00:21:46,230 --> 00:21:41,760

in france worked extensively with them

517

00:21:49,430 --> 00:21:46,240

and it's the same jacquelines who

518

00:21:50,470 --> 00:21:49,440

sponsored the french revolution and the

519

00:21:53,270 --> 00:21:50,480

reign of terror

520

00:21:55,029 --> 00:21:53,280

in france these are the same ones who

521

00:21:58,710 --> 00:21:55,039

benjamin franklin

522

00:22:01,350 --> 00:21:58,720

worked with along with

523

00:22:03,830 --> 00:22:01,360

pierre longfont to form the society of

524

00:22:07,270 --> 00:22:03,840

the cincinnati

525

00:22:12,390 --> 00:22:07,280

so these are some integral boys in

526

00:22:14,870 --> 00:22:12,400

the founding of the u.s and heavy in

527

00:22:18,430 --> 00:22:14,880

debt to them

528

00:22:25,669 --> 00:22:21,270

1793

529

00:22:29,590 --> 00:22:27,750

the french republic which was basically

530

00:22:33,909 --> 00:22:29,600

the resurrection of the roman

531

00:22:38,310 --> 00:22:33,919

empire in france they were like yo

532

00:22:40,950 --> 00:22:38,320

we should have a empirical

533

00:22:42,789 --> 00:22:40,960

you know empire form of government no

534

00:22:46,310 --> 00:22:42,799

more monarchs

535

00:22:49,270 --> 00:22:46,320

so they waged war against all the other

536

00:22:51,350 --> 00:22:49,280

powerful kingdoms of europe including

537

00:22:54,789 --> 00:22:51,360

the kingdom of great britain

538

00:22:58,470 --> 00:22:54,799

this jumped off in 1793

539

00:23:00,549 --> 00:22:58,480

us we were heavy in debt after the war

540

00:23:03,270 --> 00:23:00,559

independence like i just mentioned

541

00:23:04,390 --> 00:23:03,280

plus the wounds of the war hadn't really

542

00:23:07,669 --> 00:23:04,400

been healed

543

00:23:09,430 --> 00:23:07,679

so george washington ironically

544

00:23:10,950 --> 00:23:09,440

took kind of like what you would say a

545

00:23:14,070 --> 00:23:10,960

donald trump

546

00:23:17,669 --> 00:23:14,080

america first policy

547

00:23:20,070 --> 00:23:17,679

right like nah we're not gonna

548

00:23:22,310 --> 00:23:20,080

because when france declared war on

549

00:23:24,310 --> 00:23:22,320

great britain they were like yo

550

00:23:25,990 --> 00:23:24,320

we supported you in your war

551
00:23:27,669 --> 00:23:26,000
independence you got to support us in

552
00:23:31,350 --> 00:23:27,679
this war

553
00:23:37,430 --> 00:23:31,360
washington was like nah so in april

554
00:23:40,950 --> 00:23:37,440
of 1793 he declared what was called the

555
00:23:44,470 --> 00:23:40,960
proclamation of neutrality you know

556
00:23:47,510 --> 00:23:44,480
april 22nd like now we're not gonna

557
00:23:48,630 --> 00:23:47,520
engage in war against great britain with

558
00:23:50,470 --> 00:23:48,640
france

559
00:23:52,230 --> 00:23:50,480
so that set the stage for what's called

560
00:23:55,190 --> 00:23:52,240
the citizen gane affair

561
00:23:57,669 --> 00:23:55,200
or citizen janae probably you know i

562
00:24:01,750 --> 00:23:57,679
always mess up french excuse me so

563
00:24:04,230 --> 00:24:01,760

citizen janae right he was

564

00:24:05,430 --> 00:24:04,240

the ambassador to french republic to the

565

00:24:09,590 --> 00:24:05,440

us

566

00:24:12,310 --> 00:24:09,600

so this dude he violated all protocol

567

00:24:14,310 --> 00:24:12,320

instead of coming to philadelphia

568

00:24:16,470 --> 00:24:14,320

checking in with heads of state he went

569

00:24:19,430 --> 00:24:16,480

straight to south carolina

570

00:24:21,750 --> 00:24:19,440

started gathering up privateers

571

00:24:24,789 --> 00:24:21,760

gathering up pirates

572

00:24:27,750 --> 00:24:24,799

raiding british ships seizing

573

00:24:28,390 --> 00:24:27,760

british commodities basically trying to

574

00:24:31,190 --> 00:24:28,400

create an

575

00:24:33,590 --> 00:24:31,200

international incident that would cause

576
00:24:37,269 --> 00:24:33,600
the u.s to have to

577
00:24:40,390 --> 00:24:37,279
get involved in the battle so

578
00:24:41,830 --> 00:24:40,400
washington summoned him up here to

579
00:24:45,110 --> 00:24:41,840
philadelphia

580
00:24:46,870 --> 00:24:45,120
right before he

581
00:24:49,110 --> 00:24:46,880
met with washington though he met with

582
00:24:52,710 --> 00:24:49,120
thomas jefferson

583
00:24:56,149 --> 00:24:52,720
and there is

584
00:24:56,870 --> 00:24:56,159
really strong evidence particularly the

585
00:25:00,549 --> 00:24:56,880
letters

586
00:25:04,390 --> 00:25:00,559
of john adams and his chronicling

587
00:25:08,230 --> 00:25:04,400
of this time period that

588
00:25:12,549 --> 00:25:08,240

he felt thomas jefferson

589

00:25:16,230 --> 00:25:12,559

edmund jena and stefan gerrard

590

00:25:19,269 --> 00:25:16,240

created america's first plan demi

591

00:25:22,630 --> 00:25:19,279

because later that year so the

592

00:25:22,870 --> 00:25:22,640

proclamation of neutrality was declared

593

00:25:25,990 --> 00:25:22,880

in

594

00:25:29,750 --> 00:25:26,000

april grenade came that same month

595

00:25:33,110 --> 00:25:29,760

started setting it off in south carolina

596

00:25:36,630 --> 00:25:33,120

in may he reported to philly

597

00:25:40,470 --> 00:25:36,640

by august stephen gerrard

598

00:25:43,750 --> 00:25:40,480

brought anywhere from

599

00:25:48,470 --> 00:25:43,760

two to three to possibly

600

00:25:52,710 --> 00:25:48,480

up to ten thousand refugees

601
00:25:54,710 --> 00:25:52,720
from haiti who were attempting to escape

602
00:25:57,190 --> 00:25:54,720
the reign of terror that these same

603
00:26:00,549 --> 00:25:57,200
jacobins that were jumping it off

604
00:26:04,630 --> 00:26:00,559
in france they jumped it off in haiti

605
00:26:09,590 --> 00:26:04,640
as well it's caused a lot of the

606
00:26:12,549 --> 00:26:09,600
landowners more affluent to want to flee

607
00:26:13,029 --> 00:26:12,559
stephen gerrard brought at least 3 000

608
00:26:14,710 --> 00:26:13,039
of them

609
00:26:17,909 --> 00:26:14,720
up here to philly and with them they

610
00:26:19,669 --> 00:26:17,919
brought yellow fever

611
00:26:21,190 --> 00:26:19,679
right and this is a really important

612
00:26:23,190 --> 00:26:21,200
part of the story i guess

613
00:26:24,470 --> 00:26:23,200

gerard had a little bit of history in

614

00:26:27,830 --> 00:26:24,480

haiti because

615

00:26:31,110 --> 00:26:27,840

he had been involved in their previous

616

00:26:32,390 --> 00:26:31,120

revolution i guess that was in 1791

617

00:26:34,789 --> 00:26:32,400

lupus in there and just

618

00:26:37,590 --> 00:26:34,799

gerard's it's a little bit of a tangent

619

00:26:40,310 --> 00:26:37,600

but gerard's history in haiti before he

620

00:26:42,710 --> 00:26:40,320

actually brought those refugees in yeah

621

00:26:43,350 --> 00:26:42,720

it just shows how grimy this dude is man

622

00:26:47,990 --> 00:26:43,360

yes

623

00:26:51,510 --> 00:26:48,000

right so the french revolution

624

00:26:55,110 --> 00:26:51,520

it wasn't just a one dramatic event

625

00:26:55,789 --> 00:26:55,120

kind of unfolded over a couple of years

626
00:26:59,350 --> 00:26:55,799
you know

627
00:27:04,470 --> 00:26:59,360
1791 being

628
00:27:08,070 --> 00:27:06,950
basically the house of lorraine

629
00:27:13,190 --> 00:27:08,080
sponsoring

630
00:27:17,269 --> 00:27:13,200
dissent against the house of bourbon

631
00:27:21,750 --> 00:27:17,279
within the kingdom of france right

632
00:27:25,990 --> 00:27:21,760
and so they sponsored that same descent

633
00:27:29,710 --> 00:27:26,000
in haiti same year 1791

634
00:27:33,750 --> 00:27:29,720
and it resulted in like some

635
00:27:36,630 --> 00:27:33,760
uprisings slave revolts

636
00:27:38,870 --> 00:27:36,640
where again the landowners and the

637
00:27:39,669 --> 00:27:38,880
merchants they wanted to escape the

638
00:27:40,950 --> 00:27:39,679

island

639

00:27:43,269 --> 00:27:40,960

but they wanted to leave with their

640

00:27:45,350 --> 00:27:43,279

plunder so

641

00:27:46,549 --> 00:27:45,360

they contacted steven gerrard who

642

00:27:50,630 --> 00:27:46,559

basically

643

00:27:53,750 --> 00:27:50,640

he was the marquee

644

00:27:57,110 --> 00:27:53,760

who managed

645

00:28:00,310 --> 00:27:57,120

all french ship movements

646

00:28:02,389 --> 00:28:00,320

in the caribbean at this time

647

00:28:04,230 --> 00:28:02,399

the marquee is like the title of a

648

00:28:06,950 --> 00:28:04,240

privateer

649

00:28:08,950 --> 00:28:06,960

and so he was the big french man that

650

00:28:09,990 --> 00:28:08,960

hey if you need a whole lot of ships

651
00:28:12,870 --> 00:28:10,000
real quick

652
00:28:15,110 --> 00:28:12,880
flying under the french flag you got to

653
00:28:17,350 --> 00:28:15,120
holler at steven gerrard

654
00:28:18,950 --> 00:28:17,360
so they were like yo we need to escape

655
00:28:21,190 --> 00:28:18,960
we need to get off

656
00:28:21,990 --> 00:28:21,200
he was like all right i gotta ship there

657
00:28:25,190 --> 00:28:22,000
go ahead and put

658
00:28:25,909 --> 00:28:25,200
all your goodies put your gold and your

659
00:28:28,470 --> 00:28:25,919
silver

660
00:28:29,510 --> 00:28:28,480
and your plunder put all that on there

661
00:28:32,630 --> 00:28:29,520
and i got a ship

662
00:28:35,110 --> 00:28:32,640
coming to pick you up

663
00:28:36,870 --> 00:28:35,120

first ship sailed off he never came back

664

00:28:40,149 --> 00:28:36,880

and picked him up

665

00:28:44,870 --> 00:28:40,159

and so jean-jacques

666

00:28:47,990 --> 00:28:44,880

desolenes who was the leader of the

667

00:28:51,590 --> 00:28:48,000

uprising in heidi at that time

668

00:28:54,149 --> 00:28:51,600

yeah he just massacred those landowners

669

00:28:57,590 --> 00:28:54,159

and stephen gerard got their stuff

670

00:29:00,950 --> 00:28:57,600

and again he used that to invest

671

00:29:02,630 --> 00:29:00,960

in the first bank of the united states

672

00:29:04,389 --> 00:29:02,640

just like he used some of the lumma

673

00:29:07,430 --> 00:29:04,399

state to invest

674

00:29:10,310 --> 00:29:07,440

in the first bank of the united states

675

00:29:11,190 --> 00:29:10,320

right so we got this guy this stuff goes

676

00:29:13,830 --> 00:29:11,200

down in haiti

677

00:29:15,029 --> 00:29:13,840

he marries a shipbuilder's daughter that

678

00:29:17,830 --> 00:29:15,039

guy dies

679

00:29:19,669 --> 00:29:17,840

gerard hands his wife over to the sicko

680

00:29:21,990 --> 00:29:19,679

benjamin rush she's committed

681

00:29:23,590 --> 00:29:22,000

he gets that fortune this guy's just

682

00:29:26,630 --> 00:29:23,600

swallowing up fortunes

683

00:29:28,470 --> 00:29:26,640

and another link between him and

684

00:29:30,710 --> 00:29:28,480

dr rush that i thought was really

685

00:29:33,590 --> 00:29:30,720

fascinating with parallels to today

686

00:29:34,310 --> 00:29:33,600

is you talk about how gerard also

687

00:29:36,950 --> 00:29:34,320

invested

688

00:29:38,950 --> 00:29:36,960

in trade routes between america and

689

00:29:40,549 --> 00:29:38,960

china he actually established direct

690

00:29:42,230 --> 00:29:40,559

contact between america

691

00:29:43,909 --> 00:29:42,240

and china and one of the number one

692

00:29:46,549 --> 00:29:43,919

things he was bringing over here

693

00:29:48,950 --> 00:29:46,559

was opium trail as old as time you know

694

00:29:50,630 --> 00:29:48,960

international drug smuggling but he says

695

00:29:52,870 --> 00:29:50,640

to rush hey man

696

00:29:53,990 --> 00:29:52,880

do whatever sick stuff you want to do

697

00:29:56,710 --> 00:29:54,000

but make sure you're

698

00:29:57,350 --> 00:29:56,720

using opium i gotta sell this stuff i'm

699

00:30:00,310 --> 00:29:57,360

getting it

700

00:30:01,269 --> 00:30:00,320

we're gonna use it and when you're doing

701
00:30:04,789 --> 00:30:01,279
bloodletting

702
00:30:06,549 --> 00:30:04,799
and jalapeno mercury enemas you're gonna

703
00:30:09,750 --> 00:30:06,559
need something for that pain

704
00:30:10,070 --> 00:30:09,760
so who's the supplier for that gerard

705
00:30:13,269 --> 00:30:10,080
and

706
00:30:15,269 --> 00:30:13,279
it's like this is the parallel to

707
00:30:15,909 --> 00:30:15,279
today's story because you got this guy

708
00:30:20,230 --> 00:30:15,919
who's

709
00:30:21,190 --> 00:30:20,240
provocateur with his own political

710
00:30:24,070 --> 00:30:21,200
agendas

711
00:30:24,630 --> 00:30:24,080
moving some of the chess pieces over

712
00:30:27,350 --> 00:30:24,640
there

713
00:30:28,549 --> 00:30:27,360

and he's tied up with you know casper

714

00:30:30,710 --> 00:30:28,559

winstar and dr

715

00:30:31,990 --> 00:30:30,720

benjamin rush who are that medical side

716

00:30:34,549 --> 00:30:32,000

maybe they're the

717

00:30:35,510 --> 00:30:34,559

jekyll and hyde of fouchy in today's

718

00:30:37,830 --> 00:30:35,520

story

719

00:30:38,950 --> 00:30:37,840

and yeah it's just like those are the

720

00:30:40,950 --> 00:30:38,960

pieces and

721

00:30:42,230 --> 00:30:40,960

obviously there's more to it but i

722

00:30:45,669 --> 00:30:42,240

really thought that

723

00:30:48,710 --> 00:30:45,679

opium transportation smuggling

724

00:30:50,389 --> 00:30:48,720

element was was really poignant because

725

00:30:53,590 --> 00:30:50,399

obviously that's something that still

726

00:30:56,630 --> 00:30:53,600

goes on in the medical world today

727

00:30:59,110 --> 00:30:56,640

yeah yeah i mean when we look at this

728

00:31:02,149 --> 00:30:59,120

yellow fever plandemic we see the roots

729

00:31:05,350 --> 00:31:02,159

of today's biomedical nightmare

730

00:31:08,630 --> 00:31:05,360

with mercury opioids

731

00:31:09,669 --> 00:31:08,640

and vaccinations yeah the three

732

00:31:12,310 --> 00:31:09,679

ingredients are

733

00:31:13,590 --> 00:31:12,320

all right there with these key

734

00:31:16,630 --> 00:31:13,600

characters

735

00:31:17,350 --> 00:31:16,640

and even so right i've heard they're

736

00:31:19,269 --> 00:31:17,360

saying

737

00:31:21,110 --> 00:31:19,279

that in britain great britain just

738

00:31:25,430 --> 00:31:21,120

announced in this research

739

00:31:28,710 --> 00:31:25,440

that they found this common steroid

740

00:31:31,990 --> 00:31:28,720

that works great for covid

741

00:31:35,350 --> 00:31:32,000

patients on the respirator

742

00:31:36,470 --> 00:31:35,360

because it suppresses their immune

743

00:31:39,750 --> 00:31:36,480

response

744

00:31:42,789 --> 00:31:39,760

so this whole idea the whole

745

00:31:44,710 --> 00:31:42,799

what we could call range of

746

00:31:47,350 --> 00:31:44,720

pharmaceuticals that they call those

747

00:31:50,549 --> 00:31:47,360

immune suppressants

748

00:31:55,110 --> 00:31:50,559

this is coming out of the philosophy

749

00:31:59,029 --> 00:31:55,120

of benjamin rush's depletion therapy

750

00:32:03,269 --> 00:31:59,039

his approach was hey let's reduce

751

00:32:07,029 --> 00:32:03,279

the body's ability to respond

752

00:32:07,909 --> 00:32:07,039

and that's going to allow them time to

753

00:32:11,269 --> 00:32:07,919

heal

754

00:32:14,470 --> 00:32:11,279

but it's kind of backwards another

755

00:32:16,470 --> 00:32:14,480

connection where it's like hmm how deep

756

00:32:20,310 --> 00:32:16,480

down the rabbit hole could we go

757

00:32:21,430 --> 00:32:20,320

right where a man was into all this

758

00:32:24,789 --> 00:32:21,440

bloodletting

759

00:32:26,310 --> 00:32:24,799

what was he doing with the blood

760

00:32:29,029 --> 00:32:26,320

wouldn't you generate a little

761

00:32:31,110 --> 00:32:29,039

adrenaline if you saw someone coming at

762

00:32:34,230 --> 00:32:31,120

you with a lancet

763

00:32:36,310 --> 00:32:34,240

somebody's gonna draw your blood right

764

00:32:37,990 --> 00:32:36,320

is this the origin of that adrenochrome

765

00:32:40,549 --> 00:32:38,000

story this is what i'm saying

766

00:32:41,350 --> 00:32:40,559

it very well could be man i didn't go

767

00:32:44,470 --> 00:32:41,360

into that

768

00:32:45,590 --> 00:32:44,480

in the video right it's a possible

769

00:32:47,669 --> 00:32:45,600

parallel

770

00:32:49,029 --> 00:32:47,679

it is and another one that i thought was

771

00:32:51,909 --> 00:32:49,039

really interesting so

772

00:32:53,269 --> 00:32:51,919

gerard has this history with haiti and

773

00:32:55,590 --> 00:32:53,279

then they go through this

774

00:32:56,789 --> 00:32:55,600

second revolution and he brings all

775

00:33:00,710 --> 00:32:56,799

these refugees

776

00:33:04,710 --> 00:33:00,720

thousands of people in to philadelphia

777

00:33:06,389 --> 00:33:04,720

and assuming he had this all mapped out

778

00:33:09,269 --> 00:33:06,399

it's like okay well now

779

00:33:11,269 --> 00:33:09,279

we can introduce this yellow fever

780

00:33:12,230 --> 00:33:11,279

pandemic and say well it's all these

781

00:33:14,149 --> 00:33:12,240

people all these

782

00:33:16,710 --> 00:33:14,159

immigrant people that we brought in you

783

00:33:19,909 --> 00:33:16,720

know people are already primed to

784

00:33:20,630 --> 00:33:19,919

to bite on a story like that and a

785

00:33:24,310 --> 00:33:20,640

parallel

786

00:33:25,830 --> 00:33:24,320

i see to today is so if in the yellow

787

00:33:28,310 --> 00:33:25,840

fever story it's

788

00:33:30,149 --> 00:33:28,320

it's all these other people who are

789

00:33:30,870 --> 00:33:30,159

making us sick it's like in today's

790

00:33:32,950 --> 00:33:30,880

story

791

00:33:34,950 --> 00:33:32,960

um we've already talked about how we're

792

00:33:36,789 --> 00:33:34,960

set up for this second wave

793

00:33:38,070 --> 00:33:36,799

of kobit this fall it seems like it's

794

00:33:39,909 --> 00:33:38,080

already going to happen just in what you

795

00:33:40,710 --> 00:33:39,919

hear in the news and whose fault is it

796

00:33:44,389 --> 00:33:40,720

going to be

797

00:33:46,389 --> 00:33:44,399

people who are protesting

798

00:33:47,669 --> 00:33:46,399

it's going to be like it's just an easy

799

00:33:49,750 --> 00:33:47,679

scapegoat

800

00:33:51,350 --> 00:33:49,760

for society and i feel like there's a

801
00:33:54,549 --> 00:33:51,360
parallel there that

802
00:33:58,389 --> 00:33:54,559
is pretty on the nose yeah and what's

803
00:34:01,909 --> 00:33:58,399
the super bananas parallel

804
00:34:03,830 --> 00:34:01,919
with the black lives matter thing so

805
00:34:05,269 --> 00:34:03,840
let's give a little detail of like what

806
00:34:09,430 --> 00:34:05,279
happened right

807
00:34:13,109 --> 00:34:09,440
so yellow fever is transmitted

808
00:34:16,790 --> 00:34:13,119
by mosquito right that's the vector

809
00:34:19,510 --> 00:34:16,800
of how you get it it's a parasite that's

810
00:34:21,829 --> 00:34:19,520
passed on from mosquito bites mosquito

811
00:34:24,790 --> 00:34:21,839
bite but they didn't know that then

812
00:34:25,430 --> 00:34:24,800
they thought it was spread by coughing

813
00:34:28,629 --> 00:34:25,440

or

814

00:34:32,389 --> 00:34:28,639

contact human human contact

815

00:34:33,109 --> 00:34:32,399

so it is a pretty scary disease because

816

00:34:35,030 --> 00:34:33,119

it causes

817

00:34:36,230 --> 00:34:35,040

jaundice that's why they call it yellow

818

00:34:39,669 --> 00:34:36,240

fever

819

00:34:42,629 --> 00:34:39,679

in the parasite depending on what part

820

00:34:43,990 --> 00:34:42,639

it's eaten in you you might also have

821

00:34:46,550 --> 00:34:44,000

bleeding in your gut

822

00:34:48,629 --> 00:34:46,560

and so you'll spit up what they call

823

00:34:50,790 --> 00:34:48,639

black vomit was also known as black

824

00:34:54,310 --> 00:34:50,800

vomit disease right

825

00:34:57,030 --> 00:34:54,320

so it really shook the city

826

00:34:59,430 --> 00:34:57,040

pence philadelphia had 50 000 people at

827

00:35:02,550 --> 00:34:59,440

this time

828

00:35:06,230 --> 00:35:02,560

20 000 left so almost

829

00:35:09,349 --> 00:35:06,240

half of the city left right

830

00:35:12,150 --> 00:35:09,359

those that stayed with the poor and the

831

00:35:14,310 --> 00:35:12,160

needy those who couldn't

832

00:35:15,430 --> 00:35:14,320

and they tended to self quarantine

833

00:35:18,310 --> 00:35:15,440

because they were really

834

00:35:19,109 --> 00:35:18,320

scared it's recorded that the only

835

00:35:21,829 --> 00:35:19,119

people

836

00:35:23,670 --> 00:35:21,839

who could be out in the streets with a

837

00:35:26,069 --> 00:35:23,680

sense of

838

00:35:26,870 --> 00:35:26,079

impunity like they're not really scared

839

00:35:30,069 --> 00:35:26,880

of

840

00:35:33,190 --> 00:35:30,079

the yellow fever were the haitian

841

00:35:35,750 --> 00:35:33,200

refugees that gerard brought up

842

00:35:37,349 --> 00:35:35,760

and why that's important is because in

843

00:35:43,109 --> 00:35:37,359

the middle

844

00:35:48,150 --> 00:35:45,990

they had riots in philadelphia numbering

845

00:35:52,069 --> 00:35:48,160

up to ten thousand

846

00:35:55,430 --> 00:35:52,079

and these were riots that

847

00:35:58,870 --> 00:35:55,440

were demanding that the

848

00:36:02,470 --> 00:35:58,880

u.s support janae

849

00:36:05,910 --> 00:36:02,480

and go into war

850

00:36:08,069 --> 00:36:05,920

with great britain and so again this is

851
00:36:09,910 --> 00:36:08,079
what it seemed like

852
00:36:11,430 --> 00:36:09,920
it seemed like stefan gerrard has

853
00:36:15,109 --> 00:36:11,440
several agendas

854
00:36:17,829 --> 00:36:15,119
four that i would confidently say

855
00:36:19,510 --> 00:36:17,839
but this was the biggest one that right

856
00:36:21,310 --> 00:36:19,520
he brought these

857
00:36:22,550 --> 00:36:21,320
haitian refugees in who

858
00:36:24,829 --> 00:36:22,560
[Music]

859
00:36:26,150 --> 00:36:24,839
they were the vector of bringing yellow

860
00:36:29,270 --> 00:36:26,160
fever

861
00:36:31,910 --> 00:36:29,280
to philadelphia but

862
00:36:33,990 --> 00:36:31,920
the vector of his spreading throughout

863
00:36:35,109 --> 00:36:34,000

the city was actually mosquitoes from

864

00:36:37,990 --> 00:36:35,119

that point

865

00:36:39,510 --> 00:36:38,000

right but he created this public health

866

00:36:42,790 --> 00:36:39,520

crisis

867

00:36:43,349 --> 00:36:42,800

and then in the middle of it it seemed

868

00:36:46,710 --> 00:36:43,359

like he

869

00:36:48,550 --> 00:36:46,720

sponsored protests that

870

00:36:50,790 --> 00:36:48,560

numbered up to ten thousand so if they

871

00:36:54,310 --> 00:36:50,800

said twenty thousand people

872

00:36:56,069 --> 00:36:54,320

left thirty thousand were left in the

873

00:36:58,470 --> 00:36:56,079

city

874

00:37:00,550 --> 00:36:58,480

ten thousand were protesting that meant

875

00:37:04,069 --> 00:37:00,560

one in four people

876

00:37:07,030 --> 00:37:04,079

were in the streets and

877

00:37:07,880 --> 00:37:07,040

john adams describes how they got there

878

00:37:09,109 --> 00:37:07,890

and it was through

879

00:37:12,150 --> 00:37:09,119

[Music]

880

00:37:12,710 --> 00:37:12,160

they were having these ox feasts and

881

00:37:15,829 --> 00:37:12,720

these

882

00:37:19,510 --> 00:37:15,839

festivals celebrating killing

883

00:37:22,150 --> 00:37:19,520

monarchs sponsored by

884

00:37:23,349 --> 00:37:22,160

who else you know more than likely

885

00:37:26,630 --> 00:37:23,359

gerard

886

00:37:30,390 --> 00:37:26,640

who was again attempting to help

887

00:37:31,430 --> 00:37:30,400

janae and you know get in the us to go

888

00:37:34,790 --> 00:37:31,440

to war

889

00:37:35,670 --> 00:37:34,800

so it seemed like it was a pretty wild

890

00:37:37,990 --> 00:37:35,680

scene

891

00:37:40,150 --> 00:37:38,000

absolutely absolutely and tell us a

892

00:37:43,430 --> 00:37:40,160

little bit more about that component

893

00:37:45,910 --> 00:37:43,440

in banking where of course just like

894

00:37:47,510 --> 00:37:45,920

here when it was back then there was a

895

00:37:50,069 --> 00:37:47,520

market crash because of this

896

00:37:51,990 --> 00:37:50,079

and if someone knew about that market

897

00:37:52,470 --> 00:37:52,000

crash they would gobble up a lot of

898

00:37:54,710 --> 00:37:52,480

stuff

899

00:37:55,750 --> 00:37:54,720

when it's low increase their share of

900

00:37:58,069 --> 00:37:55,760

the markets but

901
00:37:59,990 --> 00:37:58,079
you mentioned the banking aspect him

902
00:38:01,670 --> 00:38:00,000
getting control of the bank

903
00:38:03,270 --> 00:38:01,680
can you loop us in on that a little bit

904
00:38:06,550 --> 00:38:03,280
more

905
00:38:09,750 --> 00:38:06,560
absolutely yeah because like i said it

906
00:38:13,030 --> 00:38:09,760
seemed like there were four

907
00:38:13,589 --> 00:38:13,040
objectives gerard had with this plan

908
00:38:17,589 --> 00:38:13,599
demi

909
00:38:20,870 --> 00:38:17,599
you mentioned helping citizen janae

910
00:38:23,030 --> 00:38:20,880
get the us involved in war against great

911
00:38:26,069 --> 00:38:23,040
britain

912
00:38:29,990 --> 00:38:26,079
i'll say real quick he did use it as an

913
00:38:32,069 --> 00:38:30,000

attempt to rebrand himself okay

914

00:38:34,230 --> 00:38:32,079

just like how gates today wants to play

915

00:38:37,430 --> 00:38:34,240

himself so philanthropic

916

00:38:39,990 --> 00:38:37,440

and a lover of humanity but really he's

917

00:38:43,109 --> 00:38:40,000

a missing throb he hates humanity

918

00:38:45,349 --> 00:38:43,119

you know what i mean yeah so

919

00:38:47,190 --> 00:38:45,359

gerard used this as an opportunity to

920

00:38:50,390 --> 00:38:47,200

rebrand himself

921

00:38:54,630 --> 00:38:50,400

again to create a market

922

00:38:57,589 --> 00:38:54,640

and opium and the fourth he used it

923

00:38:59,750 --> 00:38:57,599

to attempt to gain control over the u.s

924

00:39:03,030 --> 00:38:59,760

financial system

925

00:39:07,109 --> 00:39:03,040

because just like now how we have a fed

926
00:39:10,470 --> 00:39:07,119
a central bank that is running the show

927
00:39:14,470 --> 00:39:10,480
to whose benefit and

928
00:39:18,390 --> 00:39:14,480
how can a nation be sovereign if

929
00:39:21,750 --> 00:39:18,400
it has one creditor

930
00:39:22,710 --> 00:39:21,760
that basically owns the nation this has

931
00:39:25,990 --> 00:39:22,720
been the biggest

932
00:39:28,630 --> 00:39:26,000
argument against a central bank

933
00:39:30,550 --> 00:39:28,640
establishment since the days of hamilton

934
00:39:34,630 --> 00:39:30,560
you know what i mean

935
00:39:37,510 --> 00:39:34,640
so there was a

936
00:39:40,390 --> 00:39:37,520
central bank at this time it was called

937
00:39:44,069 --> 00:39:40,400
the first bank of the united states

938
00:39:48,150 --> 00:39:44,079

it was actually the second central bank

939

00:39:49,349 --> 00:39:48,160

the nation had the very first one was

940

00:39:53,190 --> 00:39:49,359

called

941

00:39:58,310 --> 00:39:53,200

the first bank of america

942

00:40:02,390 --> 00:39:58,320

and his charter expired in 1791

943

00:40:05,510 --> 00:40:02,400

okay because that's when

944

00:40:08,230 --> 00:40:05,520

the first bank of the united states

945

00:40:09,190 --> 00:40:08,240

was formed and it was given a 20-year

946

00:40:12,309 --> 00:40:09,200

charter

947

00:40:15,589 --> 00:40:12,319

that was set to expire in 1811

948

00:40:18,710 --> 00:40:15,599

right so

949

00:40:21,030 --> 00:40:18,720

i told you stefan gerrard invested

950

00:40:24,230 --> 00:40:21,040

heavily in the first bank of the united

951
00:40:27,430 --> 00:40:24,240
states even prior to the plan demig

952
00:40:30,870 --> 00:40:27,440
he did so in 1790

953
00:40:32,069 --> 00:40:30,880
when he gained control of the llama

954
00:40:35,190 --> 00:40:32,079
state

955
00:40:39,190 --> 00:40:35,200
he did it again in 1791

956
00:40:43,270 --> 00:40:39,200
when he jammed up the haitian landowners

957
00:40:46,309 --> 00:40:43,280
and took their plunder and left them

958
00:40:52,390 --> 00:40:46,319
to die on the island right

959
00:40:55,670 --> 00:40:52,400
so 1793 when this pandemic jumps off

960
00:40:55,990 --> 00:40:55,680
of course yeah the whole stock market

961
00:40:59,109 --> 00:40:56,000
took

962
00:41:03,109 --> 00:40:59,119
ells and

963
00:41:06,790 --> 00:41:03,119

he invested heavily very heavily

964

00:41:07,990 --> 00:41:06,800

after 1793 he didn't become a majority

965

00:41:11,589 --> 00:41:08,000

stakeholder until

966

00:41:15,670 --> 00:41:11,599

1802 when him

967

00:41:19,589 --> 00:41:15,680

in cahoots with napoleon bonaparte

968

00:41:20,309 --> 00:41:19,599

betrayed toussantlovator who was leading

969

00:41:23,430 --> 00:41:20,319

the

970

00:41:27,270 --> 00:41:23,440

haitian revolution at that point

971

00:41:30,790 --> 00:41:27,280

and had negotiated his freedom

972

00:41:34,069 --> 00:41:30,800

as well as being able to lead a

973

00:41:37,910 --> 00:41:34,079

newly established and independent

974

00:41:40,950 --> 00:41:37,920

haiti where gerard

975

00:41:43,349 --> 00:41:40,960

had him kidnapped and gerard

976

00:41:45,430 --> 00:41:43,359

ships transported him to paris where he

977

00:41:50,069 --> 00:41:45,440

was imprisoned

978

00:41:52,630 --> 00:41:50,079

and passed gerard confiscated

979

00:41:55,270 --> 00:41:52,640

what would be in today's value about six

980

00:41:58,790 --> 00:41:55,280

to eight million dollars worth of

981

00:42:02,790 --> 00:41:58,800

wealth tucson overture had

982

00:42:04,870 --> 00:42:02,800

and he put that money in the

983

00:42:07,589 --> 00:42:04,880

first bank of the united states and that

984

00:42:11,829 --> 00:42:07,599

made him the majority stakeholder

985

00:42:16,390 --> 00:42:14,829

yeah so wild he had his hand in so many

986

00:42:19,750 --> 00:42:16,400

pies and

987

00:42:21,589 --> 00:42:19,760

on the medical side i also thought it

988

00:42:24,230 --> 00:42:21,599

was interesting so

989

00:42:24,950 --> 00:42:24,240

other aspects that have parallels

990

00:42:27,670 --> 00:42:24,960

creating

991

00:42:28,309 --> 00:42:27,680

fear and hysteria check they did that

992

00:42:30,230 --> 00:42:28,319

also

993

00:42:31,750 --> 00:42:30,240

give the people a treatment that you

994

00:42:34,470 --> 00:42:31,760

control the production

995

00:42:35,109 --> 00:42:34,480

and supply of check you know opium

996

00:42:38,630 --> 00:42:35,119

versus

997

00:42:41,670 --> 00:42:38,640

vaccines today also we talked about

998

00:42:43,990 --> 00:42:41,680

how sick dr rush's practices are what

999

00:42:47,190 --> 00:42:44,000

about the idea that in both cases

1000

00:42:48,309 --> 00:42:47,200

we have aspects of malpractice deaths

1001
00:42:50,870 --> 00:42:48,319
being used

1002
00:42:52,390 --> 00:42:50,880
to heighten the disease numbers there's

1003
00:42:54,309 --> 00:42:52,400
a lot of messed up stuff they're doing

1004
00:42:56,550 --> 00:42:54,319
to covid patients and if a person

1005
00:42:58,470 --> 00:42:56,560
dies like if a person dies on a

1006
00:43:00,230 --> 00:42:58,480
ventilator they don't say oh well

1007
00:43:02,309 --> 00:43:00,240
the ventilator killed them they

1008
00:43:04,150 --> 00:43:02,319
obviously say coronavirus killed them no

1009
00:43:05,670 --> 00:43:04,160
matter what they do to the person no

1010
00:43:06,950 --> 00:43:05,680
matter what they pump them full with

1011
00:43:09,589 --> 00:43:06,960
right if they die

1012
00:43:10,790 --> 00:43:09,599
it's coronavirus just like dr rush you

1013
00:43:12,309 --> 00:43:10,800

know he's going to be able to say oh

1014

00:43:14,790 --> 00:43:12,319

that was yellow fever

1015

00:43:16,550 --> 00:43:14,800

i tried to do heroic medicine and this

1016

00:43:19,030 --> 00:43:16,560

person died they just weren't

1017

00:43:19,670 --> 00:43:19,040

heroic enough i guess and there's a a

1018

00:43:22,230 --> 00:43:19,680

real

1019

00:43:23,829 --> 00:43:22,240

same shape there that i'm seeing you're

1020

00:43:27,430 --> 00:43:23,839

absolutely right i mean

1021

00:43:29,030 --> 00:43:27,440

they said rush saw over a hundred

1022

00:43:32,870 --> 00:43:29,040

patients a day

1023

00:43:37,109 --> 00:43:32,880

between july and september

1024

00:43:42,630 --> 00:43:37,119

of 1793. the final death toll was

1025

00:43:45,750 --> 00:43:42,640

4 000 4044

1026

00:43:46,150 --> 00:43:45,760

and many of russia's colleagues felt

1027

00:43:50,470 --> 00:43:46,160

like

1028

00:43:51,910 --> 00:43:50,480

yo what this man is doing is worse than

1029

00:43:55,109 --> 00:43:51,920

the disease itself

1030

00:43:56,790 --> 00:43:55,119

you know one of them being caspar with

1031

00:43:59,750 --> 00:43:56,800

star

1032

00:44:00,790 --> 00:43:59,760

and that was really like prior to the

1033

00:44:04,630 --> 00:44:00,800

yellow fever

1034

00:44:07,910 --> 00:44:04,640

plandemic rush was the star

1035

00:44:08,550 --> 00:44:07,920

of pennsylvania hospital his depletion

1036

00:44:11,670 --> 00:44:08,560

therapy

1037

00:44:14,069 --> 00:44:11,680

heroic medicine was championed

1038

00:44:16,630 --> 00:44:14,079

but what happened was was casper

1039

00:44:21,030 --> 00:44:16,640

weststar himself got yellow fever

1040

00:44:25,270 --> 00:44:21,040

and he fell under dr rush's care

1041

00:44:29,270 --> 00:44:25,280

and he barely survived and so

1042

00:44:30,309 --> 00:44:29,280

he put his voice and influence behind it

1043

00:44:32,230 --> 00:44:30,319

like yo

1044

00:44:33,829 --> 00:44:32,240

this man is killing people with this

1045

00:44:37,670 --> 00:44:33,839

thing

1046

00:44:41,190 --> 00:44:37,680

and so he was actually relieved of his

1047

00:44:41,750 --> 00:44:41,200

duties towards the end of it but this is

1048

00:44:45,510 --> 00:44:41,760

after

1049

00:44:48,550 --> 00:44:45,520

4 00 and 44 people passed

1050

00:44:51,510 --> 00:44:48,560

and you're right he

1051

00:44:54,230 --> 00:44:51,520

would attribute all of those deaths to

1052

00:44:58,630 --> 00:44:54,240

the yellow fever

1053

00:45:02,069 --> 00:44:58,640

now yellow fever came back in 1798

1054

00:45:05,430 --> 00:45:02,079

it came back in subsequent years but the

1055

00:45:08,470 --> 00:45:05,440

same numbers of people weren't dying

1056

00:45:11,349 --> 00:45:08,480

as when rush was free to use his

1057

00:45:14,470 --> 00:45:11,359

depletion therapy

1058

00:45:15,750 --> 00:45:14,480

yeah and you also have a

1059

00:45:17,990 --> 00:45:15,760

quote because you're digging up all

1060

00:45:20,470 --> 00:45:18,000

kinds of documentation when you're

1061

00:45:22,069 --> 00:45:20,480

looking into this history prompted by

1062

00:45:25,190 --> 00:45:22,079

the ancestors which is just

1063

00:45:26,390 --> 00:45:25,200

awesome but one of his critics and all

1064

00:45:29,109 --> 00:45:26,400

that was saying

1065

00:45:29,910 --> 00:45:29,119

you know this is insane should we bleed

1066

00:45:32,950 --> 00:45:29,920

and purge

1067

00:45:35,109 --> 00:45:32,960

everyone and yes he said

1068

00:45:36,710 --> 00:45:35,119

with a you know big exclamation point

1069

00:45:39,030 --> 00:45:36,720

and that sounds exactly

1070

00:45:40,309 --> 00:45:39,040

like bill gates today we can't get back

1071

00:45:43,190 --> 00:45:40,319

to normal life

1072

00:45:43,990 --> 00:45:43,200

until every healthy person everybody

1073

00:45:47,109 --> 00:45:44,000

period

1074

00:45:48,950 --> 00:45:47,119

is vaccinated it's like again real

1075

00:45:51,670 --> 00:45:48,960

parallel has the same uh

1076
00:45:53,670 --> 00:45:51,680
beats to it and you know the mystic part

1077
00:45:55,190 --> 00:45:53,680
of it

1078
00:45:58,230 --> 00:45:55,200
all right he was talking about the

1079
00:46:01,270 --> 00:45:58,240
kensington section he was at a rally

1080
00:46:02,630 --> 00:46:01,280
in kensington like on a stage with a

1081
00:46:09,270 --> 00:46:02,640
crowd

1082
00:46:12,870 --> 00:46:09,280
yo you're saying we should bleed and

1083
00:46:15,510 --> 00:46:12,880
purge all of kensington and russia

1084
00:46:16,630 --> 00:46:15,520
back yeah bleed and purge all of

1085
00:46:24,069 --> 00:46:16,640
kensington

1086
00:46:27,349 --> 00:46:24,079
is the epicenter of philadelphia's

1087
00:46:31,190 --> 00:46:27,359
opioid epidemic if you

1088
00:46:35,309 --> 00:46:31,200

google kensington philadelphia

1089

00:46:37,829 --> 00:46:35,319

yo the bio

1090

00:46:40,069 --> 00:46:37,839

pharmaceutical nightmare you see these

1091

00:46:43,589 --> 00:46:40,079

people living in over there

1092

00:46:47,430 --> 00:46:43,599

it's bananas you know

1093

00:46:50,790 --> 00:46:47,440

it's bananas this is classic

1094

00:46:54,470 --> 00:46:50,800

this is probably one of the worst

1095

00:46:56,790 --> 00:46:54,480

hair on markets in the nation open air

1096

00:46:59,270 --> 00:46:56,800

hair on markets in the nation right

1097

00:47:02,630 --> 00:46:59,280

there in kensington today

1098

00:47:05,349 --> 00:47:02,640

so it's kind of a mystic overtone

1099

00:47:05,750 --> 00:47:05,359

legacy of this yeah how does thing you

1100

00:47:12,150 --> 00:47:05,760

know

1101
00:47:14,790 --> 00:47:12,160
and another thing with gerard and

1102
00:47:15,270 --> 00:47:14,800
the bank that he bought into is you've

1103
00:47:17,829 --> 00:47:15,280
mentioned

1104
00:47:19,670 --> 00:47:17,839
that it was the first seed money for the

1105
00:47:21,030 --> 00:47:19,680
new york stock exchange i think this was

1106
00:47:22,150 --> 00:47:21,040
in a different interview but you

1107
00:47:24,950 --> 00:47:22,160
mentioned that

1108
00:47:25,510 --> 00:47:24,960
maybe tracking that money could possibly

1109
00:47:28,150 --> 00:47:25,520
lead

1110
00:47:29,190 --> 00:47:28,160
to the same people planning the pandemic

1111
00:47:30,870 --> 00:47:29,200
of today

1112
00:47:32,309 --> 00:47:30,880
and i don't know how literal you were

1113
00:47:33,750 --> 00:47:32,319

about that but man

1114

00:47:35,910 --> 00:47:33,760

that's the seed money for the new york

1115

00:47:39,349 --> 00:47:35,920

stock exchange

1116

00:47:42,390 --> 00:47:39,359

yeah well gerard he i guess in

1117

00:47:45,349 --> 00:47:42,400

rebranding himself

1118

00:47:46,630 --> 00:47:45,359

he renamed his bank two times and i'm

1119

00:47:48,870 --> 00:47:46,640

gonna tell you what his bank

1120

00:47:50,870 --> 00:47:48,880

ended up being named and this is how you

1121

00:47:54,069 --> 00:47:50,880

know i mean he's slapping

1122

00:47:56,150 --> 00:47:54,079

the ignorant in their face

1123

00:47:57,510 --> 00:47:56,160

what did his name of his bank ultimately

1124

00:48:01,030 --> 00:47:57,520

become

1125

00:48:05,750 --> 00:48:01,040

citizens bank as in citizens

1126

00:48:08,549 --> 00:48:05,760

janae affair so he's telling y'all like

1127

00:48:10,950 --> 00:48:08,559

yeah [h__h] i got y'all i got

1128

00:48:14,549 --> 00:48:10,960

your nation i got your country

1129

00:48:18,069 --> 00:48:14,559

god you know yeah citizen bank

1130

00:48:21,190 --> 00:48:18,079

as in citizen janae the citizen janae

1131

00:48:24,230 --> 00:48:21,200

affair he named his bank

1132

00:48:27,270 --> 00:48:24,240

after the incident that

1133

00:48:29,910 --> 00:48:27,280

allowed him to be the biggest bank that

1134

00:48:30,950 --> 00:48:29,920

you know at one time owned the country

1135

00:48:33,349 --> 00:48:30,960

yeah

1136

00:48:34,069 --> 00:48:33,359

man it's also a slap in the face because

1137

00:48:36,710 --> 00:48:34,079

so often

1138

00:48:37,430 --> 00:48:36,720

things are just a complete 180 from what

1139

00:48:39,510 --> 00:48:37,440

they really

1140

00:48:41,589 --> 00:48:39,520

are and citizens bank it's like this

1141

00:48:43,349 --> 00:48:41,599

bank is your guys's it's the community

1142

00:48:45,349 --> 00:48:43,359

bank it's all of our bank and it's like

1143

00:48:46,870 --> 00:48:45,359

no it's this dudes bank it's a very it's

1144

00:48:50,230 --> 00:48:46,880

a private institution

1145

00:48:53,990 --> 00:48:50,240

extracting wealth from the people and

1146

00:48:59,910 --> 00:48:54,000

yeah that that's wild yeah

1147

00:49:07,349 --> 00:49:04,069

the money leads to the civil war

1148

00:49:09,829 --> 00:49:07,359

world war one and world war ii yeah

1149

00:49:11,589 --> 00:49:09,839

it's nuts that we hear rockefeller and

1150

00:49:12,710 --> 00:49:11,599

rothschild all day but we never heard

1151

00:49:16,790 --> 00:49:12,720

gerard

1152

00:49:20,150 --> 00:49:16,800

yeah check that check that

1153

00:49:22,790 --> 00:49:20,160

and rue jacob gotta look up

1154

00:49:23,990 --> 00:49:22,800

rude jacob is very important these

1155

00:49:27,510 --> 00:49:24,000

jacobeans these

1156

00:49:30,630 --> 00:49:27,520

jacobites of europe

1157

00:49:34,390 --> 00:49:30,640

both in france the french republic and

1158

00:49:38,150 --> 00:49:34,400

post cromwellian england

1159

00:49:41,430 --> 00:49:38,160

man these dudes is they deep

1160

00:49:44,390 --> 00:49:41,440

they're deep boys you know so

1161

00:49:45,270 --> 00:49:44,400

you also say that the yellow fever

1162

00:49:48,069 --> 00:49:45,280

pandemic

1163

00:49:48,549 --> 00:49:48,079

backfired and maybe that's what people

1164

00:49:51,030 --> 00:49:48,559

are

1165

00:49:52,950 --> 00:49:51,040

crossing their fingers for today can you

1166

00:49:54,470 --> 00:49:52,960

elaborate on what happened in the

1167

00:49:57,670 --> 00:49:54,480

aftermath you mentioned

1168

00:49:59,589 --> 00:49:57,680

thomas jefferson he had to resign as

1169

00:50:01,990 --> 00:49:59,599

secretary of state

1170

00:50:03,750 --> 00:50:02,000

that there also were these letters from

1171

00:50:05,109 --> 00:50:03,760

john adams where he kind of threw it out

1172

00:50:06,710 --> 00:50:05,119

there that

1173

00:50:09,030 --> 00:50:06,720

i guess the quote i have written down is

1174

00:50:12,549 --> 00:50:09,040

both parties have excited

1175

00:50:14,470 --> 00:50:12,559

artificial terrors very key phrase

1176
00:50:16,390 --> 00:50:14,480
but what else happened in the aftermath

1177
00:50:20,150 --> 00:50:16,400
that might give people of today hope

1178
00:50:23,430 --> 00:50:20,160
that this plan might also backfire

1179
00:50:26,069 --> 00:50:23,440
well i'll just say in regards of the

1180
00:50:29,030 --> 00:50:26,079
citizen janae affair

1181
00:50:29,750 --> 00:50:29,040
gerard was able to rebrand himself

1182
00:50:33,510 --> 00:50:29,760
through it

1183
00:50:36,549 --> 00:50:33,520
right gerard was able to get a

1184
00:50:39,990 --> 00:50:36,559
market established for his opium

1185
00:50:43,589 --> 00:50:40,000
through it and gerard was able to

1186
00:50:47,430 --> 00:50:43,599
consolidate absolute control

1187
00:50:52,829 --> 00:50:47,440
over the u.s financial system

1188
00:50:54,470 --> 00:50:52,839

as a result of it but the citizen-janae

1189

00:50:58,309 --> 00:50:54,480

affair well

1190

00:51:03,190 --> 00:50:58,319

his goal of attempting to

1191

00:51:07,990 --> 00:51:03,200

force the us out of neutrality

1192

00:51:09,990 --> 00:51:08,000

and in support of

1193

00:51:11,349 --> 00:51:10,000

the french republic against great

1194

00:51:15,030 --> 00:51:11,359

britain

1195

00:51:18,230 --> 00:51:15,040

that did not go down okay and that was

1196

00:51:21,589 --> 00:51:18,240

what happened up here in germantown

1197

00:51:22,230 --> 00:51:21,599

what happened was and this is again so

1198

00:51:25,109 --> 00:51:22,240

bizarre

1199

00:51:27,750 --> 00:51:25,119

because right when you talk about the

1200

00:51:29,670 --> 00:51:27,760

germantown white house

1201

00:51:31,109 --> 00:51:29,680

which is where they say george

1202

00:51:34,390 --> 00:51:31,119

washington

1203

00:51:34,710 --> 00:51:34,400

fled up here which is about seven miles

1204

00:51:39,349 --> 00:51:34,720

from

1205

00:51:42,950 --> 00:51:39,359

penn's philadelphia when he fled up here

1206

00:51:45,190 --> 00:51:42,960

it was to escape the pandemic right

1207

00:51:47,589 --> 00:51:45,200

but that doesn't even add up if you look

1208

00:51:51,030 --> 00:51:47,599

at george washington's

1209

00:51:55,270 --> 00:51:51,040

historic timeline of 1793

1210

00:51:58,470 --> 00:51:55,280

okay at the height of the yellow fever

1211

00:52:02,710 --> 00:51:58,480

pandemic which was september of that

1212

00:52:06,230 --> 00:52:02,720

year washington was

1213

00:52:09,750 --> 00:52:06,240

in washington dc laying the cornerstone

1214

00:52:11,510 --> 00:52:09,760

for the u.s capitol he didn't return to

1215

00:52:16,150 --> 00:52:11,520

philadelphia

1216

00:52:19,030 --> 00:52:16,160

until i want to say november 3rd

1217

00:52:19,430 --> 00:52:19,040

and he came to philadelphia to announce

1218

00:52:26,309 --> 00:52:19,440

the

1219

00:52:29,990 --> 00:52:26,319

vector

1220

00:52:31,510 --> 00:52:30,000

of the disease at that time we know now

1221

00:52:35,109 --> 00:52:31,520

it was mosquitoes

1222

00:52:39,109 --> 00:52:35,119

so after the first cold rain

1223

00:52:43,829 --> 00:52:39,119

came it killed off all the mosquitoes

1224

00:52:47,109 --> 00:52:43,839

and it just stopped so

1225

00:52:50,309 --> 00:52:47,119

washington came back november

1226

00:52:56,230 --> 00:52:50,319

3rd to say

1227

00:53:01,750 --> 00:52:56,240

hey it's over we can open up business

1228

00:53:04,470 --> 00:53:01,760

let's get it popping you know right then

1229

00:53:07,670 --> 00:53:04,480

sometime between november 3rd and

1230

00:53:11,030 --> 00:53:07,680

november 16th and i say that because

1231

00:53:15,910 --> 00:53:11,040

for such a dramatic event

1232

00:53:20,069 --> 00:53:19,510

protest in the capital of the nation at

1233

00:53:23,030 --> 00:53:20,079

that time

1234

00:53:25,109 --> 00:53:23,040

philadelphia right and even the way

1235

00:53:29,030 --> 00:53:25,119

adams describes it

1236

00:53:31,589 --> 00:53:29,040

where like yo these people was going to

1237

00:53:33,750 --> 00:53:31,599

take washington out of his house and

1238

00:53:36,309 --> 00:53:33,760

governor mifflin had to

1239

00:53:38,069 --> 00:53:36,319

send out the state guard to protect the

1240

00:53:42,150 --> 00:53:38,079

federal government

1241

00:53:45,349 --> 00:53:42,160

and adams himself had to

1242

00:53:47,670 --> 00:53:45,359

take up arms and his

1243

00:53:51,510 --> 00:53:47,680

servants in his home had to defend him

1244

00:53:56,549 --> 00:53:53,750

an event this dramatic you would think

1245

00:53:59,670 --> 00:53:56,559

there would be

1246

00:54:02,549 --> 00:53:59,680

more account of it right right

1247

00:54:03,510 --> 00:54:02,559

the only accounts that i can find of it

1248

00:54:13,430 --> 00:54:03,520

is

1249

00:54:14,470 --> 00:54:13,440

rebellion that threatened continuity of

1250

00:54:18,069 --> 00:54:14,480

government

1251
00:54:19,430 --> 00:54:18,079
in that era was the 1794 whiskey

1252
00:54:23,510 --> 00:54:19,440
rebellion which occurred

1253
00:54:26,230 --> 00:54:23,520
in western pennsylvania and

1254
00:54:27,750 --> 00:54:26,240
i don't know if that's a smoke screen or

1255
00:54:30,950 --> 00:54:27,760
it's just a

1256
00:54:32,790 --> 00:54:30,960
actual historic oversight

1257
00:54:34,710 --> 00:54:32,800
you know i find it interesting that you

1258
00:54:38,069 --> 00:54:34,720
don't find a lot of information out

1259
00:54:41,430 --> 00:54:38,079
on that you know absolutely

1260
00:54:42,630 --> 00:54:41,440
wild and you do say in the yellow fever

1261
00:54:45,190 --> 00:54:42,640
presentation that

1262
00:54:46,309 --> 00:54:45,200
the great mystery philadelphia helps

1263
00:54:48,950 --> 00:54:46,319

reveal

1264

00:54:51,030 --> 00:54:48,960

that first plandemic what is it about

1265

00:54:52,630 --> 00:54:51,040

that original work that would be most

1266

00:54:54,789 --> 00:54:52,640

helpful with this

1267

00:54:56,870 --> 00:54:54,799

plandemic decoding anything that we

1268

00:54:59,990 --> 00:54:56,880

didn't talk about

1269

00:55:03,030 --> 00:55:00,000

yes the jacobean role

1270

00:55:06,069 --> 00:55:03,040

in haiti and

1271

00:55:09,589 --> 00:55:06,079

their influence and wait on george

1272

00:55:12,710 --> 00:55:09,599

washington and that

1273

00:55:16,230 --> 00:55:12,720

there's a very strong possibility

1274

00:55:19,670 --> 00:55:16,240

that the joker beans of

1275

00:55:23,270 --> 00:55:19,680

haiti and europe

1276

00:55:23,670 --> 00:55:23,280

were morse you know that there may have

1277

00:55:26,870 --> 00:55:23,680

been

1278

00:55:30,309 --> 00:55:26,880

mores who were sponsoring

1279

00:55:31,349 --> 00:55:30,319

the american revolution how to rule

1280

00:55:32,870 --> 00:55:31,359

jacob

1281

00:55:35,030 --> 00:55:32,880

which is to say for people who don't

1282

00:55:39,030 --> 00:55:35,040

know africans yes

1283

00:55:41,510 --> 00:55:39,040

indigenous melanated people which

1284

00:55:44,390 --> 00:55:41,520

you know one of the things that the

1285

00:55:48,390 --> 00:55:44,400

great mystery does deal with also

1286

00:55:52,630 --> 00:55:48,400

is the idea that

1287

00:55:56,230 --> 00:55:52,640

ma'at is always real omniversal law

1288

00:55:59,510 --> 00:55:56,240

is always active and present

1289

00:56:01,630 --> 00:55:59,520

karma so

1290

00:56:03,270 --> 00:56:01,640

we have to recognize that and take

1291

00:56:06,470 --> 00:56:03,280

responsibility

1292

00:56:08,789 --> 00:56:06,480

for our place and space time

1293

00:56:09,670 --> 00:56:08,799

that more often than not it's not the

1294

00:56:12,870 --> 00:56:09,680

actions of

1295

00:56:15,589 --> 00:56:12,880

others and their ancestors that

1296

00:56:17,349 --> 00:56:15,599

creates your condition and place in

1297

00:56:20,789 --> 00:56:17,359

space-time

1298

00:56:24,390 --> 00:56:20,799

but it's the actions of your

1299

00:56:27,430 --> 00:56:24,400

own ancestors and

1300

00:56:30,150 --> 00:56:27,440

if you ask anyone you say

1301
00:56:32,069 --> 00:56:30,160
do you hold your ancestors responsible

1302
00:56:34,309 --> 00:56:32,079
for your reality right now or someone

1303
00:56:37,270 --> 00:56:34,319
else's more often than not

1304
00:56:40,069 --> 00:56:37,280
they'll want to say well my ancestors

1305
00:56:44,150 --> 00:56:40,079
you know because

1306
00:56:45,109 --> 00:56:44,160
yeah i mean you want to give them the i

1307
00:56:47,349 --> 00:56:45,119
say

1308
00:56:49,430 --> 00:56:47,359
do you know those whose shoulders you

1309
00:56:51,270 --> 00:56:49,440
stand on that's what we say you know

1310
00:56:53,190 --> 00:56:51,280
we stand on the shoulders of those who

1311
00:56:56,710 --> 00:56:53,200
came before us

1312
00:56:57,670 --> 00:56:56,720
but then you know that means you have to

1313
00:57:01,349 --> 00:56:57,680

then

1314

00:57:02,710 --> 00:57:01,359

get a lens of history that allows you to

1315

00:57:07,829 --> 00:57:02,720

see

1316

00:57:11,910 --> 00:57:07,839

what critical points in history

1317

00:57:14,069 --> 00:57:11,920

did we and when i say we like our

1318

00:57:15,190 --> 00:57:14,079

ancestors those of our ancestral

1319

00:57:19,430 --> 00:57:15,200

bloodline

1320

00:57:23,109 --> 00:57:19,440

make key mistakes key

1321

00:57:25,030 --> 00:57:23,119

errors on a national scale

1322

00:57:26,549 --> 00:57:25,040

that might put us in the situation we're

1323

00:57:29,349 --> 00:57:26,559

in now

1324

00:57:31,109 --> 00:57:29,359

why because my heart is real cause and

1325

00:57:34,390 --> 00:57:31,119

effect

1326
00:57:35,349 --> 00:57:34,400
and so that's one aspect of the great

1327
00:57:40,309 --> 00:57:35,359
mystery

1328
00:57:43,990 --> 00:57:40,319
that i think is important is

1329
00:57:48,069 --> 00:57:44,000
given the eye to be able to decode art

1330
00:57:51,750 --> 00:57:48,079
architecture and archetype symbols

1331
00:57:54,630 --> 00:57:51,760
in your environment right

1332
00:57:55,589 --> 00:57:54,640
all the things i showed in that video

1333
00:57:59,109 --> 00:57:55,599
the whistar

1334
00:58:01,910 --> 00:57:59,119
grumblethorpe germantown white house

1335
00:58:02,950 --> 00:58:01,920
man they're less than five blocks from

1336
00:58:06,870 --> 00:58:02,960
my house

1337
00:58:11,109 --> 00:58:06,880
you know what i mean yeah and

1338
00:58:15,270 --> 00:58:11,119

i'm sure if we're more aware

1339

00:58:17,990 --> 00:58:15,280

right now philly is a very unique place

1340

00:58:20,549 --> 00:58:18,000

because philly is a not what they would

1341

00:58:22,630 --> 00:58:20,559

call a knot of space time

1342

00:58:23,670 --> 00:58:22,640

the past present and future there's like

1343

00:58:28,630 --> 00:58:23,680

12 000

1344

00:58:31,750 --> 00:58:28,640

years of history layered and accessible

1345

00:58:35,030 --> 00:58:31,760

right here not just

1346

00:58:39,750 --> 00:58:35,040

you know buried on top of

1347

00:58:42,150 --> 00:58:39,760

but here and accessible and

1348

00:58:42,789 --> 00:58:42,160

there's this researcher his name escapes

1349

00:58:45,510 --> 00:58:42,799

me

1350

00:58:48,390 --> 00:58:45,520

but he works with the philadelphia

1351

00:58:51,670 --> 00:58:48,400

historical society

1352

00:58:53,270 --> 00:58:51,680

and he kind of looks into the whole

1353

00:58:57,190 --> 00:58:53,280

parent because you know philly is what

1354

00:59:00,230 --> 00:58:57,200

they would call a paranormal hot spot

1355

00:59:01,670 --> 00:59:00,240

and one of the reasons why is his theory

1356

00:59:04,950 --> 00:59:01,680

is is that

1357

00:59:07,990 --> 00:59:04,960

there's like the veil of

1358

00:59:11,030 --> 00:59:08,000

space-time is very thin here

1359

00:59:14,150 --> 00:59:11,040

so energies and

1360

00:59:15,349 --> 00:59:14,160

people from other times can bleed in to

1361

00:59:20,630 --> 00:59:15,359

the present

1362

00:59:23,910 --> 00:59:20,640

more or less and that thing is real man

1363

00:59:27,589 --> 00:59:23,920

that thing is real it's a real

1364

00:59:29,190 --> 00:59:27,599

experience that if you open yourself up

1365

00:59:32,470 --> 00:59:29,200

to you'll have here

1366

00:59:36,069 --> 00:59:32,480

but beyond that

1367

00:59:36,870 --> 00:59:36,079

the way time is unfolding my feeling is

1368

00:59:39,190 --> 00:59:36,880

if people

1369

00:59:41,750 --> 00:59:39,200

are aware and attentive wherever they

1370

00:59:44,549 --> 00:59:41,760

find themselves

1371

00:59:47,030 --> 00:59:44,559

the keys to decoding serious mysteries

1372

00:59:50,150 --> 00:59:47,040

about where they live

1373

00:59:53,190 --> 00:59:50,160

is right in front of their face if they

1374

00:59:56,309 --> 00:59:53,200

would take the moment to look

1375

00:59:57,670 --> 00:59:56,319

with a eye of decoding and that's what

1376

01:00:00,150 --> 00:59:57,680

after you read the great mystery

1377

01:00:01,670 --> 01:00:00,160

philadelphia as well as free your mound

1378

01:00:03,109 --> 01:00:01,680

and your mind will follow you know

1379

01:00:06,630 --> 01:00:03,119

you're gonna have that eye

1380

01:00:10,309 --> 01:00:06,640

you know yes well said

1381

01:00:11,349 --> 01:00:10,319

so yeah man if thanks for the

1382

01:00:13,270 --> 01:00:11,359

opportunity to

1383

01:00:15,349 --> 01:00:13,280

talk and reflect on these things i'm

1384

01:00:16,950 --> 01:00:15,359

sure this was on the hearts and minds of

1385

01:00:20,309 --> 01:00:16,960

a lot of people

1386

01:00:23,829 --> 01:00:20,319

yes give thanks indeed this has been a

1387

01:00:24,230 --> 01:00:23,839

real heavy show insightful but also sort

1388

01:00:26,870 --> 01:00:24,240

of

1389

01:00:27,589 --> 01:00:26,880

intense especially that second hour but

1390

01:00:29,270 --> 01:00:27,599

any

1391

01:00:30,789 --> 01:00:29,280

parting words for the people what do you

1392

01:00:33,430 --> 01:00:30,799

want to leave them with

1393

01:00:35,589 --> 01:00:33,440

i would encourage them to check out the

1394

01:00:39,589 --> 01:00:35,599

great mystery philadelphia

1395

01:00:42,710 --> 01:00:39,599

reviews america's first pandemic

1396

01:00:46,150 --> 01:00:42,720

i do have another recent uh

1397

01:00:47,510 --> 01:00:46,160

youtube production also fortified like a

1398

01:00:52,470 --> 01:00:47,520

magi

1399

01:00:56,230 --> 01:00:52,480

where i have an emf pollution meter

1400

01:00:58,950 --> 01:00:56,240

and my cell phone and i

1401

01:01:00,870 --> 01:00:58,960

show the stopping power of different

1402

01:01:03,829 --> 01:01:00,880

crystals you know

1403

01:01:04,710 --> 01:01:03,839

yes really impressive yeah it's worth a

1404

01:01:10,630 --> 01:01:04,720

check

1405

01:01:13,030 --> 01:01:10,640

so you know if possible i know we

1406

01:01:14,390 --> 01:01:13,040

we were kind of dancing around november

1407

01:01:21,430 --> 01:01:14,400

but yeah i would say

1408

01:01:25,589 --> 01:01:24,870

where your environment there's minimal

1409

01:01:29,349 --> 01:01:25,599

chance

1410

01:01:36,870 --> 01:01:33,589

and urban environments

1411

01:01:38,870 --> 01:01:36,880

might not afford that with this

1412

01:01:40,069 --> 01:01:38,880

election and just where things is

1413

01:01:44,390 --> 01:01:40,079

unfolding

1414

01:01:46,630 --> 01:01:44,400

as well as the astrological alignments

1415

01:01:49,589 --> 01:01:46,640

unless we call down to star nations and

1416

01:01:52,630 --> 01:01:49,599

transform it before then

1417

01:01:55,430 --> 01:01:52,640

maybe that's our thing too maybe if

1418

01:01:58,710 --> 01:01:55,440

we're ready to take that

1419

01:02:00,870 --> 01:01:58,720

planetary ascension that step in

1420

01:02:06,309 --> 01:02:00,880

planetary ascension

1421

01:02:09,670 --> 01:02:06,319

we can avoid it or yeah mad

1422

01:02:13,349 --> 01:02:09,680

chaos jumping off you know

1423

01:02:16,630 --> 01:02:13,359

yes yes we'll see we will see

1424

01:02:18,789 --> 01:02:16,640

and thanks again so much you are the man

1425

01:02:20,630 --> 01:02:18,799

i hope we get a chance to burn one down

1426

01:02:24,069 --> 01:02:20,640

before the whole thing falls apart but

1427

01:02:25,589 --> 01:02:24,079

oh man we got to man we got to go out

1428

01:02:29,270 --> 01:02:25,599

before

1429

01:02:32,309 --> 01:02:29,280

we uh burn two big heads you know

1430

01:02:34,630 --> 01:02:32,319

yes hold off the apocalypse bill gates

1431

01:02:36,870 --> 01:02:34,640

we got some smoking to do but

1432

01:02:37,829 --> 01:02:36,880

that's right until then man keep doing

1433

01:02:40,549 --> 01:02:37,839

what you do

1434

01:02:43,670 --> 01:02:40,559

thanks all right good brother much love

1435

01:02:47,270 --> 01:02:45,990

there you have it people history might

1436

01:02:50,549 --> 01:02:47,280

not repeat itself

1437

01:02:54,390 --> 01:02:50,559

exactly but it definitely rhymes man

1438

01:02:56,789 --> 01:02:54,400

ross ben killing it again

1439

01:02:59,029 --> 01:02:56,799

when he showed me this latest work it

1440

01:03:00,789 --> 01:02:59,039

just seemed like a creative way to talk

1441

01:03:03,270 --> 01:03:00,799

about some forgotten history

1442

01:03:05,670 --> 01:03:03,280

some forgotten players in that history

1443

01:03:07,829 --> 01:03:05,680

and also calm some nerves out there

1444

01:03:11,109 --> 01:03:07,839

in the current climate without doing

1445

01:03:12,950 --> 01:03:11,119

another coronavirus show specifically

1446

01:03:14,950 --> 01:03:12,960

i don't want us to just be repeating

1447

01:03:18,150 --> 01:03:14,960

ourselves or beating the same drum

1448

01:03:20,309 --> 01:03:18,160

over and over again it's always hard to

1449

01:03:22,069 --> 01:03:20,319

manage feedback in a position like mine

1450

01:03:23,270 --> 01:03:22,079

because i'm getting some feedback that

1451

01:03:25,270 --> 01:03:23,280

says

1452

01:03:27,029 --> 01:03:25,280

dude holy russia what are you talking

1453

01:03:29,349 --> 01:03:27,039

about there's so much going on right now

1454

01:03:31,190 --> 01:03:29,359

i need your guidance

1455

01:03:32,390 --> 01:03:31,200

and i hope everyone has better guidance

1456

01:03:35,430 --> 01:03:32,400

than little old me

1457

01:03:37,349 --> 01:03:35,440

but i also get feedback that's like hey

1458

01:03:38,390 --> 01:03:37,359

thank you for doing some shows that

1459

01:03:40,309 --> 01:03:38,400

aren't about this

1460

01:03:41,750 --> 01:03:40,319

because every show of our nature i'm

1461

01:03:45,270 --> 01:03:41,760

sure is pretty much

1462

01:03:48,710 --> 01:03:45,280

chock full of it and it is fatiguing so

1463

01:03:49,750 --> 01:03:48,720

i get both bits of feedback and at about

1464

01:03:52,549 --> 01:03:49,760

the same

1465

01:03:54,950 --> 01:03:52,559

level too so it's tough you are going to

1466

01:03:57,109 --> 01:03:54,960

notice a trend though in the next few

1467

01:03:59,190 --> 01:03:57,119

upcoming episodes that i keep bringing

1468

01:04:00,150 --> 01:03:59,200

up the fact that this probably won't end

1469

01:04:03,430 --> 01:04:00,160

soon

1470

01:04:05,349 --> 01:04:03,440

and this virus plague pandemic theme

1471

01:04:07,029 --> 01:04:05,359

is probably going to be with us for most

1472

01:04:10,069 --> 01:04:07,039

of 2021

1473

01:04:12,309 --> 01:04:10,079

and be more intense than it is now

1474

01:04:14,710 --> 01:04:12,319

i say that largely because of what i'm

1475

01:04:15,829 --> 01:04:14,720

hearing from most astrologers which i

1476

01:04:17,589 --> 01:04:15,839

understand

1477

01:04:20,230 --> 01:04:17,599

is going to sound a little nuts to some

1478

01:04:20,950 --> 01:04:20,240

people but as gordon has been saying too

1479

01:04:23,910 --> 01:04:20,960

it's also

1480

01:04:26,069 --> 01:04:23,920

where plague and pandemic hit on martin

1481

01:04:28,390 --> 01:04:26,079

armstrong's models which he made

1482

01:04:30,230 --> 01:04:28,400

several years before anyone ever heard

1483

01:04:32,470 --> 01:04:30,240

of covid19

1484

01:04:34,549 --> 01:04:32,480

and on top of that to me it's just a

1485

01:04:35,029 --> 01:04:34,559

good practice to hope for the best and

1486

01:04:38,549 --> 01:04:35,039

plan

1487

01:04:40,309 --> 01:04:38,559

for the worst maybe it's partly a mental

1488

01:04:43,349 --> 01:04:40,319

exercise on my part

1489

01:04:44,630 --> 01:04:43,359

to keep myself sane because a lot of us

1490

01:04:47,910 --> 01:04:44,640

do keep drifting

1491

01:04:49,349 --> 01:04:47,920

into this well it's almost over sort of

1492

01:04:51,589 --> 01:04:49,359

mindset

1493

01:04:53,109 --> 01:04:51,599

and i don't want to sound like fouchy

1494

01:04:55,910 --> 01:04:53,119

here by saying

1495

01:04:57,190 --> 01:04:55,920

the worst is yet to come but i also

1496

01:05:00,150 --> 01:04:57,200

don't want to see anyone

1497

01:05:01,829 --> 01:05:00,160

pausing their life too much right now

1498

01:05:05,510 --> 01:05:01,839

because you could be in pause

1499

01:05:06,390 --> 01:05:05,520

for a long time like many of you guys i

1500

01:05:08,309 --> 01:05:06,400

definitely have

1501
01:05:11,270 --> 01:05:08,319
friends that don't feel comfortable

1502
01:05:13,589 --> 01:05:11,280
going to bars or restaurants yet

1503
01:05:15,589 --> 01:05:13,599
i empathize with them but what if this

1504
01:05:16,069 --> 01:05:15,599
is as good as it's going to get for a

1505
01:05:19,190 --> 01:05:16,079
while

1506
01:05:20,789 --> 01:05:19,200
right now i know some people who are

1507
01:05:22,630 --> 01:05:20,799
pretty much on my page but their

1508
01:05:24,630 --> 01:05:22,640
partners aren't which again you know if

1509
01:05:27,829 --> 01:05:24,640
you're in a partnership you don't get to

1510
01:05:29,910 --> 01:05:27,839
make executive decisions like that

1511
01:05:31,430 --> 01:05:29,920
so it's affecting all our lives even

1512
01:05:35,589 --> 01:05:31,440
just the perception

1513
01:05:37,589 --> 01:05:35,599

and the policies based around this thing

1514

01:05:38,630 --> 01:05:37,599

regardless of the level of degree in

1515

01:05:41,910 --> 01:05:38,640

which you're worried about

1516

01:05:43,349 --> 01:05:41,920

actually getting sick just the kind of

1517

01:05:46,230 --> 01:05:43,359

stuff i've been thinking about

1518

01:05:47,670 --> 01:05:46,240

along with a lot of you guys i'm sure

1519

01:05:49,349 --> 01:05:47,680

most likely the whole

1520

01:05:51,829 --> 01:05:49,359

well i listened to a guy in a podcast

1521

01:05:54,470 --> 01:05:51,839

who said viruses don't even make us sick

1522

01:05:56,390 --> 01:05:54,480

approach isn't yielding too many

1523

01:05:58,870 --> 01:05:56,400

converts

1524

01:05:59,990 --> 01:05:58,880

that wouldn't surprise me and also i

1525

01:06:02,390 --> 01:06:00,000

should say i personally

1526

01:06:04,069 --> 01:06:02,400

still try to be open to a bunch of

1527

01:06:07,430 --> 01:06:04,079

different ideas on this because

1528

01:06:09,829 --> 01:06:07,440

i just don't know the game can also

1529

01:06:11,430 --> 01:06:09,839

change any minute too so you have to

1530

01:06:13,670 --> 01:06:11,440

keep that in mind

1531

01:06:15,430 --> 01:06:13,680

but regardless in terms of today's show

1532

01:06:16,950 --> 01:06:15,440

i hope you liked it i'm sure you did if

1533

01:06:19,190 --> 01:06:16,960

you're still listening now

1534

01:06:21,670 --> 01:06:19,200

a little bit more of a mystic approach

1535

01:06:24,870 --> 01:06:21,680

to assessing this whole thing

1536

01:06:26,390 --> 01:06:24,880

it's exactly what ross ben is good at

1537

01:06:27,910 --> 01:06:26,400

i wanted to make sure that when i'm

1538

01:06:30,950 --> 01:06:27,920

doing an episode that

1539

01:06:33,430 --> 01:06:30,960

involves a story that we get that full

1540

01:06:35,270 --> 01:06:33,440

story told in the first hour if we go

1541

01:06:35,829 --> 01:06:35,280

into more depth in the second that's

1542

01:06:37,670 --> 01:06:35,839

cool

1543

01:06:39,349 --> 01:06:37,680

but you just can't leave people on a

1544

01:06:41,910 --> 01:06:39,359

cliffhanger like that so i try to get

1545

01:06:43,750 --> 01:06:41,920

that full yellow fever story

1546

01:06:45,670 --> 01:06:43,760

delivered to you in that first hour and

1547

01:06:47,750 --> 01:06:45,680

then the second one

1548

01:06:48,950 --> 01:06:47,760

definitely went to some unexpected

1549

01:06:51,510 --> 01:06:48,960

places we got

1550

01:06:53,750 --> 01:06:51,520

ross's breakdown of how he's reading the

1551

01:06:56,390 --> 01:06:53,760

space weather slash sky clock

1552

01:06:59,109 --> 01:06:56,400

going forward from here we talked about

1553

01:07:02,150 --> 01:06:59,119

the prospect of a coming cataclysm

1554

01:07:04,950 --> 01:07:02,160

and the return of star nation there's a

1555

01:07:07,990 --> 01:07:04,960

deep mythology there that is probably

1556

01:07:10,069 --> 01:07:08,000

the retelling of an old tale that might

1557

01:07:11,670 --> 01:07:10,079

come back around again when it's that

1558

01:07:14,710 --> 01:07:11,680

part of the cycle

1559

01:07:17,670 --> 01:07:14,720

i do believe this but sometimes when

1560

01:07:18,470 --> 01:07:17,680

channelers or shamans say that these

1561

01:07:21,109 --> 01:07:18,480

times are

1562

01:07:21,589 --> 01:07:21,119

getting close quote unquote that can

1563

01:07:24,870 --> 01:07:21,599

mean

1564

01:07:26,710 --> 01:07:24,880

500 years so i am interested in this

1565

01:07:29,029 --> 01:07:26,720

stuff but i don't get too excited about

1566

01:07:32,150 --> 01:07:29,039

these prophecies and predictions

1567

01:07:34,549 --> 01:07:32,160

come into fruition like tomorrow

1568

01:07:36,390 --> 01:07:34,559

we talked a good deal about my dr greer

1569

01:07:38,309 --> 01:07:36,400

interview

1570

01:07:40,870 --> 01:07:38,319

we threw in a bit about star nation

1571

01:07:44,230 --> 01:07:40,880

verse the inner earth beans

1572

01:07:45,910 --> 01:07:44,240

the good guys above the bad guys below

1573

01:07:48,549 --> 01:07:45,920

and i also want to throw out there a

1574

01:07:50,150 --> 01:07:48,559

plug for this big july meditation that

1575

01:07:52,309 --> 01:07:50,160

ross ben is going to be a part of that

1576

01:07:54,789 --> 01:07:52,319

he really wants to see the thc

1577

01:07:56,789 --> 01:07:54,799

community participate in because

1578

01:07:58,789 --> 01:07:56,799

positive intention does have an effect

1579

01:07:59,750 --> 01:07:58,799

on the world and i think we know this by

1580

01:08:02,190 --> 01:07:59,760

now

1581

01:08:03,430 --> 01:08:02,200

and we should give it our attention it's

1582

01:08:06,470 --> 01:08:03,440

unify.org

1583

01:08:08,230 --> 01:08:06,480

they're doing world unity week right now

1584

01:08:10,230 --> 01:08:08,240

but they have more stuff planned for

1585

01:08:13,190 --> 01:08:10,240

july they're the biggest communal

1586

01:08:15,829 --> 01:08:13,200

meditation group online they say

1587

01:08:18,070 --> 01:08:15,839

do check it out i'm going to and let's

1588

01:08:21,030 --> 01:08:18,080

do things the raspbian way

1589

01:08:22,709 --> 01:08:21,040

for a little while and see what happens

1590

01:08:25,269 --> 01:08:22,719

and finally we did also

1591

01:08:27,110 --> 01:08:25,279

talk a little bit about the defunding

1592

01:08:30,229 --> 01:08:27,120

the police thing

1593

01:08:32,229 --> 01:08:30,239

which you know mixed opinions advocates

1594

01:08:33,269 --> 01:08:32,239

will say that it doesn't mean abolish

1595

01:08:35,749 --> 01:08:33,279

the police

1596

01:08:37,590 --> 01:08:35,759

but as a phrase and a slogan it's

1597

01:08:39,110 --> 01:08:37,600

probably not the best because it is up

1598

01:08:41,430 --> 01:08:39,120

to interpretation

1599

01:08:43,669 --> 01:08:41,440

and not only does it cause confusion and

1600

01:08:44,550 --> 01:08:43,679

thus more conflict between the opposing

1601

01:08:46,630 --> 01:08:44,560

viewpoints

1602

01:08:49,269 --> 01:08:46,640

but you might end up cheering on

1603

01:08:52,149 --> 01:08:49,279

something that you don't really want

1604

01:08:52,870 --> 01:08:52,159

i stand by the fact that demilitarize

1605

01:08:57,590 --> 01:08:52,880

the police

1606

01:09:00,550 --> 01:08:57,600

better approach

1607

01:09:01,829 --> 01:09:00,560

because those things are hard to argue

1608

01:09:03,590 --> 01:09:01,839

against

1609

01:09:04,870 --> 01:09:03,600

i know i said this in the last wrap up

1610

01:09:06,709 --> 01:09:04,880

too but

1611

01:09:08,390 --> 01:09:06,719

since that show if you're watching any

1612

01:09:11,749 --> 01:09:08,400

news where they talk about this

1613

01:09:13,189 --> 01:09:11,759

it is always being said so defund the

1614

01:09:15,669 --> 01:09:13,199

police actually means

1615

01:09:17,829 --> 01:09:15,679

x and then x can mean many many things

1616

01:09:20,789 --> 01:09:17,839

everybody puts whatever they want

1617

01:09:21,749 --> 01:09:20,799

into that phrase and in several places

1618

01:09:24,229 --> 01:09:21,759

it has meant

1619

01:09:26,229 --> 01:09:24,239

abolish the police so just don't take

1620

01:09:28,789 --> 01:09:26,239

anything for granted

1621

01:09:29,990 --> 01:09:28,799

i guess and on the bright side i have

1622

01:09:32,390 --> 01:09:30,000

heard a lot of creative

1623

01:09:35,430 --> 01:09:32,400

innovative ideas proposed for how we

1624

01:09:37,430 --> 01:09:35,440

restructure the police departments

1625

01:09:39,349 --> 01:09:37,440

jocko willcock on the joe rogan

1626

01:09:42,070 --> 01:09:39,359

experience said that he thinks that

1627

01:09:43,030 --> 01:09:42,080

20 percent or one-fifth of a police

1628

01:09:45,269 --> 01:09:43,040

officer's time

1629

01:09:47,510 --> 01:09:45,279

should be training not just to get into

1630

01:09:49,349 --> 01:09:47,520

the department but always

1631

01:09:50,950 --> 01:09:49,359

i kind of agree with that and i

1632

01:09:53,030 --> 01:09:50,960

personally think that if we just had

1633

01:09:55,430 --> 01:09:53,040

them doing slightly different things

1634

01:09:57,030 --> 01:09:55,440

it would make a world of difference lean

1635

01:10:00,229 --> 01:09:57,040

a little bit more into that serve

1636

01:10:02,790 --> 01:10:00,239

part of protect and serve and fold in

1637

01:10:05,270 --> 01:10:02,800

a lot of volunteering or charitable

1638

01:10:06,790 --> 01:10:05,280

works into the job description

1639

01:10:08,790 --> 01:10:06,800

and if you don't like those aspects of

1640

01:10:10,310 --> 01:10:08,800

the job then maybe you shouldn't be a

1641

01:10:12,950 --> 01:10:10,320

cop

1642

01:10:13,669 --> 01:10:12,960

but honestly everyone has their ideas

1643

01:10:16,070 --> 01:10:13,679

and

1644

01:10:18,630 --> 01:10:16,080

we're not really making the decisions

1645

01:10:19,590 --> 01:10:18,640

and as volatile and polarized as things

1646

01:10:22,470 --> 01:10:19,600

are right now

1647

01:10:23,110 --> 01:10:22,480

i am concerned that this time was chosen

1648

01:10:26,310 --> 01:10:23,120

for such

1649

01:10:26,630 --> 01:10:26,320

a serious conversation precisely because

1650

01:10:29,350 --> 01:10:26,640

this

1651
01:10:30,390 --> 01:10:29,360
is not a good time to have it and we got

1652
01:10:32,550 --> 01:10:30,400
to be careful

1653
01:10:35,350 --> 01:10:32,560
that we don't get a problem reaction

1654
01:10:38,709 --> 01:10:35,360
solution situation where we're worse off

1655
01:10:42,390 --> 01:10:38,719
or we're contracting police work out to

1656
01:10:44,310 --> 01:10:42,400
blackwater or something crazy like that

1657
01:10:46,310 --> 01:10:44,320
but you don't want to hear me ramble on

1658
01:10:49,110 --> 01:10:46,320
about this sort of stuff anyway

1659
01:10:50,630 --> 01:10:49,120
in higher side news i did have to move

1660
01:10:52,630 --> 01:10:50,640
last night's joint session

1661
01:10:53,669 --> 01:10:52,640
something came up and i just couldn't

1662
01:10:55,590 --> 01:10:53,679
take

1663
01:10:57,350 --> 01:10:55,600

the time to have two hours in front of

1664

01:10:58,870 --> 01:10:57,360

the computer taking calls

1665

01:11:00,950 --> 01:10:58,880

i didn't want to cut it short because i

1666

01:11:02,470 --> 01:11:00,960

had to do that last time so i figured it

1667

01:11:03,830 --> 01:11:02,480

was best to just move it so we're going

1668

01:11:06,870 --> 01:11:03,840

to do it tonight

1669

01:11:09,750 --> 01:11:06,880

friday june 26th 7

1670

01:11:11,750 --> 01:11:09,760

p.m i want to keep doing these joint

1671

01:11:14,870 --> 01:11:11,760

sessions because they are sort of the

1672

01:11:16,310 --> 01:11:14,880

only audience participation we get

1673

01:11:17,910 --> 01:11:16,320

but i do end up getting a lot of the

1674

01:11:19,830 --> 01:11:17,920

same callers and then

1675

01:11:21,510 --> 01:11:19,840

other people complained to me that their

1676

01:11:22,310 --> 01:11:21,520

calls weren't answered or they couldn't

1677

01:11:24,149 --> 01:11:22,320

get in

1678

01:11:25,910 --> 01:11:24,159

and i got a ton of emails about well

1679

01:11:26,870 --> 01:11:25,920

when is the next one and how does it

1680

01:11:28,709 --> 01:11:26,880

work

1681

01:11:30,229 --> 01:11:28,719

and i check the numbers for these things

1682

01:11:31,430 --> 01:11:30,239

and it doesn't seem like very many

1683

01:11:34,550 --> 01:11:31,440

people

1684

01:11:36,149 --> 01:11:34,560

even decide to watch them later and this

1685

01:11:36,790 --> 01:11:36,159

happens to a lot of content creators

1686

01:11:39,830 --> 01:11:36,800

where they do

1687

01:11:41,430 --> 01:11:39,840

one thing really well like a podcast and

1688

01:11:42,709 --> 01:11:41,440

then they start adding a bunch of stuff

1689

01:11:43,990 --> 01:11:42,719

to it and people are like look we don't

1690

01:11:45,750 --> 01:11:44,000

care about this other stuff you're

1691

01:11:46,950 --> 01:11:45,760

adding we just want you to do this one

1692

01:11:49,110 --> 01:11:46,960

thing you do

1693

01:11:50,070 --> 01:11:49,120

as well as you can do it that's why i'm

1694

01:11:52,950 --> 01:11:50,080

here

1695

01:11:55,830 --> 01:11:52,960

and so maybe we're in that situation i

1696

01:11:57,510 --> 01:11:55,840

wonder if joint sessions are worth doing

1697

01:12:00,070 --> 01:11:57,520

sometimes

1698

01:12:01,830 --> 01:12:00,080

not about the time spent on the mic

1699

01:12:04,070 --> 01:12:01,840

itself but just the

1700

01:12:06,709 --> 01:12:04,080

communications about them that i have to

1701

01:12:07,430 --> 01:12:06,719

have and i really like thc episodes to

1702

01:12:11,510 --> 01:12:07,440

be

1703

01:12:12,310 --> 01:12:11,520

like self-contained podcasts that are

1704

01:12:14,390 --> 01:12:12,320

relevant

1705

01:12:15,510 --> 01:12:14,400

five years after the recorded and then i

1706

01:12:17,590 --> 01:12:15,520

have a bunch of

1707

01:12:18,950 --> 01:12:17,600

conversation and so many of them about

1708

01:12:20,070 --> 01:12:18,960

updates about when we're gonna do the

1709

01:12:23,110 --> 01:12:20,080

joint session and

1710

01:12:26,070 --> 01:12:23,120

those things obviously don't apply later

1711

01:12:27,910 --> 01:12:26,080

maybe there's a better way to do the

1712

01:12:28,870 --> 01:12:27,920

audience participation thing that i'm

1713

01:12:30,709 --> 01:12:28,880

trying to do

1714

01:12:33,030 --> 01:12:30,719

or maybe the majority of people would

1715

01:12:35,590 --> 01:12:33,040

rather i just focus on making

1716

01:12:37,270 --> 01:12:35,600

good thc episodes and not bother them

1717

01:12:38,790 --> 01:12:37,280

with other stuff

1718

01:12:41,110 --> 01:12:38,800

it's hard to know again a lot of

1719

01:12:41,830 --> 01:12:41,120

opinions and i don't know what the

1720

01:12:45,350 --> 01:12:41,840

majority

1721

01:12:48,310 --> 01:12:45,360

would say but oh well gotta trust that

1722

01:12:49,910 --> 01:12:48,320

ross bennion intuition right

1723

01:12:52,149 --> 01:12:49,920

but all that said we do have a joint

1724

01:12:53,709 --> 01:12:52,159

session tonight friday 7 p.m get the

1725

01:12:55,030 --> 01:12:53,719

link from the front page at

1726

01:12:56,870 --> 01:12:55,040

thehiresidechats.com

1727

01:12:58,390 --> 01:12:56,880

sign up for plus if you like what i do

1728

01:13:01,110 --> 01:12:58,400

it's a huge help to me

1729

01:13:02,830 --> 01:13:01,120

we are getting a decent amount of

1730

01:13:05,270 --> 01:13:02,840

cancellations out of

1731

01:13:05,750 --> 01:13:05,280

necessity if i'm gonna be honest which

1732

01:13:08,229 --> 01:13:05,760

is

1733

01:13:10,070 --> 01:13:08,239

totally understandable things are hard

1734

01:13:11,990 --> 01:13:10,080

for people out there

1735

01:13:13,910 --> 01:13:12,000

but if you are a free show listener

1736

01:13:15,350 --> 01:13:13,920

who's been on the fence and it's not

1737

01:13:17,830 --> 01:13:15,360

gonna break your bank

1738

01:13:18,950 --> 01:13:17,840

maybe you can throw me a bone because

1739

01:13:19,669 --> 01:13:18,960

you're also going to be treating

1740

01:13:22,709 --> 01:13:19,679

yourself

1741

01:13:24,790 --> 01:13:22,719

to the deeper second hour of all these

1742

01:13:27,590 --> 01:13:24,800

shows you've been missing

1743

01:13:28,470 --> 01:13:27,600

but that said i love you guys get ross

1744

01:13:30,310 --> 01:13:28,480

ben's books

1745

01:13:32,550 --> 01:13:30,320

watch the presentations on his youtube

1746

01:13:35,030 --> 01:13:32,560

channel that we've been talking about

1747

01:13:36,790 --> 01:13:35,040

i hope the interview adds context to the

1748

01:13:38,470 --> 01:13:36,800

video's narrative

1749

01:13:40,709 --> 01:13:38,480

take care of you and yours it's a really

1750

01:13:43,189 --> 01:13:40,719

important time to be a positive

1751

01:13:43,990 --> 01:13:43,199

influence in the world thanks for

1752

01:13:46,229 --> 01:13:44,000

listening

1753

01:13:48,229 --> 01:13:46,239

your move pandemic planners economic

1754

01:13:49,430 --> 01:13:48,239

canners and evil agenda space weather

1755

01:13:52,870 --> 01:13:49,440

aligners

1756

01:13:56,229 --> 01:13:52,880

your [h__h] move

1757

01:13:59,350 --> 01:13:56,239

have a drink in the smoke

1758

01:14:02,790 --> 01:13:59,360

listen to the cast

1759

01:14:06,229 --> 01:14:02,800

we shine a shiny spotlight

1760

01:14:09,750 --> 01:14:06,239

but criminals don't blast

1761

01:14:13,110 --> 01:14:09,760

the pinstripe men of mourning

1762

01:14:16,630 --> 01:14:13,120

and families of finance

1763

01:14:19,990 --> 01:14:16,640

dupont windsor and rothschild

1764

01:14:23,430 --> 01:14:20,000

the kids don't stand a chance

1765

01:14:27,030 --> 01:14:23,440

the kids don't the kids don't stand

1766

01:14:28,470 --> 01:14:27,040

the kids don't stand a chance i said the

1767

01:14:33,750 --> 01:14:28,480

kids don't

1768

01:14:37,110 --> 01:14:33,760

stand a chance

1769

01:14:40,310 --> 01:14:37,120

we're looking for the answers

1770

01:14:43,990 --> 01:14:40,320

to questions never asked

1771

01:14:47,350 --> 01:14:44,000

so we come to the cartwood

1772

01:14:50,870 --> 01:14:47,360

for the higher side chats

1773

01:14:54,229 --> 01:14:50,880

the pinstripe men of mourning

1774

01:14:57,750 --> 01:14:54,239

and families of finance

1775

01:15:01,110 --> 01:14:57,760

dupont windsor and rothschild

1776

01:15:04,550 --> 01:15:01,120

the kids don't stand a chance

1777

01:15:08,149 --> 01:15:04,560

the kids don't the kids don't stand

1778

01:15:09,669 --> 01:15:08,159

the kids don't stand a chance i say the

1779

01:15:25,540 --> 01:15:09,679

kids don't

1780

01:15:28,630 --> 01:15:25,550

stand a chance

1781

01:15:31,910 --> 01:15:28,640

[Music]

1782

01:15:35,430 --> 01:15:31,920

involved in shady business

1783

01:15:38,870 --> 01:15:35,440

we try to get a glance

1784

01:15:42,229 --> 01:15:38,880

we're working on the numbers

1785

01:15:45,750 --> 01:15:42,239

resistance must advance

1786

01:15:49,110 --> 01:15:45,760

the pinstriped men of mourning

1787

01:15:52,630 --> 01:15:49,120

and families of finance

1788

01:15:55,990 --> 01:15:52,640

dupont windsor and rothschild

1789

01:15:59,430 --> 01:15:56,000

the kids don't stand a chance

1790

01:16:03,030 --> 01:15:59,440

the kids don't the kids don't stand

1791

01:16:04,470 --> 01:16:03,040

the kids don't stand a chance i say the

1792

01:16:09,669 --> 01:16:04,480

kids don't

1793

01:16:13,110 --> 01:16:09,679

stand a chance

1794

01:16:16,709 --> 01:16:13,120

the kids don't the kids don't stand

1795

01:16:18,229 --> 01:16:16,719

the kids don't stand a chance i said the
