

JOINT SESSION BONUS SHOW
AUGUST 2020
PRESENTED BY THE HIGHERSIDE CHATS

1
00:00:06,630 --> 00:00:03,750
it's the higher side jets podcast but

2
00:00:09,870 --> 00:00:06,640
you can call it thc

3
00:00:11,669 --> 00:00:09,880
always talking french ideas digging up

4
00:00:14,070 --> 00:00:11,679
conspiracies

5
00:00:16,790 --> 00:00:14,080
stuff they don't want you to know it's

6
00:00:20,770 --> 00:00:16,800
the stuff we want to see

7
00:00:22,390 --> 00:00:20,780
that's life here on the higher side

8
00:00:24,870 --> 00:00:22,400
[Music]

9
00:00:25,429 --> 00:00:24,880
it's the place for me it's my favorite

10
00:00:27,670 --> 00:00:25,439
show

11
00:00:30,450 --> 00:00:27,680
where the guests are great and my mind

12
00:00:42,830 --> 00:00:30,460
gets blown the highest

13
00:00:42,840 --> 00:00:49,270

show

14

00:01:00,950 --> 00:00:58,069

that's life here on the higher side

15

00:01:02,549 --> 00:01:00,960

hello hello hello higher side chatters

16

00:01:06,070 --> 00:01:02,559

welcome to the first

17

00:01:07,190 --> 00:01:06,080

joint session of the podcast format

18

00:01:09,429 --> 00:01:07,200

variety

19

00:01:11,990 --> 00:01:09,439

i'm sure most of you are aware i started

20

00:01:14,550 --> 00:01:12,000

the zoom room chats two years ago

21

00:01:16,630 --> 00:01:14,560

as a way to add something to the monthly

22

00:01:19,030 --> 00:01:16,640

thc plus offerings

23

00:01:20,070 --> 00:01:19,040

that would be in a video form for once

24

00:01:22,630 --> 00:01:20,080

and would also

25

00:01:24,710 --> 00:01:22,640

fold audience participation back into

26

00:01:26,950 --> 00:01:24,720

the mix something different

27

00:01:29,270 --> 00:01:26,960

and i did enjoy them a lot especially

28

00:01:30,710 --> 00:01:29,280

when we really got going there and we

29

00:01:33,109 --> 00:01:30,720

started to have regulars

30

00:01:34,149 --> 00:01:33,119

we started to get most of the people who

31

00:01:37,350 --> 00:01:34,159

would call in

32

00:01:38,550 --> 00:01:37,360

on video with me and we'd often share a

33

00:01:41,429 --> 00:01:38,560

smoke or a drink

34

00:01:42,630 --> 00:01:41,439

and it was just a really good hang my

35

00:01:45,429 --> 00:01:42,640

favorite part still

36

00:01:46,230 --> 00:01:45,439

was people calling from work which

37

00:01:49,350 --> 00:01:46,240

happened

38

00:01:49,830 --> 00:01:49,360

surprisingly often we're switching it up

39

00:01:51,590 --> 00:01:49,840

for

40

00:01:53,030 --> 00:01:51,600

a lot of reasons mainly because they

41

00:01:55,270 --> 00:01:53,040

just aren't popular

42

00:01:57,510 --> 00:01:55,280

a very small amount of plus members

43

00:02:00,230 --> 00:01:57,520

actually checked them out

44

00:02:01,350 --> 00:02:00,240

but also the feedback i got from them

45

00:02:04,709 --> 00:02:01,360

was

46

00:02:05,190 --> 00:02:04,719

not so much negative but the most common

47

00:02:08,229 --> 00:02:05,200

ask

48

00:02:10,389 --> 00:02:08,239

was can i get this as a podcast

49

00:02:11,430 --> 00:02:10,399

and i get that as a subscriber of other

50

00:02:13,910 --> 00:02:11,440

podcasts

51
00:02:15,030 --> 00:02:13,920
if it's not something that's in my rss

52
00:02:16,790 --> 00:02:15,040
feed

53
00:02:19,270 --> 00:02:16,800
i'm probably not going to take the time

54
00:02:21,910 --> 00:02:19,280
to go and access it

55
00:02:23,589 --> 00:02:21,920
but other feedback would be i had my

56
00:02:24,470 --> 00:02:23,599
hand up for 40 minutes and you didn't

57
00:02:27,430 --> 00:02:24,480
pick me

58
00:02:28,229 --> 00:02:27,440
or you picked the same people every time

59
00:02:30,550 --> 00:02:28,239
or

60
00:02:32,070 --> 00:02:30,560
i'm in the uk and i'm never available

61
00:02:35,670 --> 00:02:32,080
when you do these

62
00:02:37,910 --> 00:02:35,680
or i'm a plus member and you

63
00:02:39,910 --> 00:02:37,920

let too many free listeners talk when i

64

00:02:42,390 --> 00:02:39,920

wanted to talk

65

00:02:44,790 --> 00:02:42,400

that's the sort of thing i'd hear way

66

00:02:47,589 --> 00:02:44,800

more often than hey that was really cool

67

00:02:48,470 --> 00:02:47,599

i'm glad we did it and so you know those

68

00:02:52,070 --> 00:02:48,480

things stack up

69

00:02:53,670 --> 00:02:52,080

also i would hear that people have

70

00:02:55,589 --> 00:02:53,680

stories to share

71

00:02:57,670 --> 00:02:55,599

but they're too nervous to do it on a

72

00:03:01,030 --> 00:02:57,680

live stream that came up a lot

73

00:03:03,270 --> 00:03:01,040

so this new structure solves all

74

00:03:06,149 --> 00:03:03,280

of those problems because it is in your

75

00:03:08,630 --> 00:03:06,159

rss feed now like a regular podcast

76

00:03:10,869 --> 00:03:08,640

and using the forum for the audience

77

00:03:13,030 --> 00:03:10,879

engagement means you can write in

78

00:03:14,470 --> 00:03:13,040

at your leisure rather than being here

79

00:03:17,589 --> 00:03:14,480

at a specific time

80

00:03:20,070 --> 00:03:17,599

i can decide what to pull out of it so

81

00:03:21,110 --> 00:03:20,080

we'll make sure a few people don't over

82

00:03:23,509 --> 00:03:21,120

dominate it

83

00:03:24,470 --> 00:03:23,519

and free listeners don't have access to

84

00:03:27,670 --> 00:03:24,480

the forum so

85

00:03:30,229 --> 00:03:27,680

it will always be our inner circle plus

86

00:03:32,070 --> 00:03:30,239

people who are contributing

87

00:03:34,149 --> 00:03:32,080

i never really thought about a lot of

88

00:03:37,190 --> 00:03:34,159

these issues when i started plus

89

00:03:40,949 --> 00:03:37,200

but i can understand how someone

90

00:03:42,789 --> 00:03:40,959

maybe feels entitled to get on the joint

91

00:03:46,390 --> 00:03:42,799

session because they

92

00:03:47,830 --> 00:03:46,400

pay the price and other people i call on

93

00:03:49,509 --> 00:03:47,840

say you know i've never been a plus

94

00:03:50,630 --> 00:03:49,519

member but i'm thinking about it like

95

00:03:54,070 --> 00:03:50,640

that's probably

96

00:03:55,110 --> 00:03:54,080

frustrating but to me this does solve

97

00:03:57,910 --> 00:03:55,120

everything

98

00:03:59,670 --> 00:03:57,920

even if i think some of those criticisms

99

00:04:00,470 --> 00:03:59,680

are a little nitpicky personally they

100

00:04:03,750 --> 00:04:00,480

still

101

00:04:06,470 --> 00:04:03,760

go away with this format and

102

00:04:07,910 --> 00:04:06,480

all we really lose is the live aspect i

103

00:04:11,190 --> 00:04:07,920

thought live was fun

104

00:04:13,750 --> 00:04:11,200

but i'm also not my best on the fly

105

00:04:14,630 --> 00:04:13,760

that's clear and nobody really is and

106

00:04:17,349 --> 00:04:14,640

edit here

107

00:04:19,110 --> 00:04:17,359

and there is something even the best of

108

00:04:20,710 --> 00:04:19,120

us could benefit from

109

00:04:22,230 --> 00:04:20,720

some of my colleagues just don't want to

110

00:04:24,550 --> 00:04:22,240

deal with the hassle

111

00:04:25,430 --> 00:04:24,560

but it's been part of the thc recipe

112

00:04:28,870 --> 00:04:25,440

forever

113

00:04:31,749 --> 00:04:28,880

so why fix what ain't broken

114

00:04:33,909 --> 00:04:31,759

so not only do you get a better me but i

115

00:04:35,430 --> 00:04:33,919

can do these whenever i have the time

116

00:04:37,430 --> 00:04:35,440

it was starting to happen more and more

117

00:04:39,110 --> 00:04:37,440

often where something would pop up for

118

00:04:42,230 --> 00:04:39,120

me last minute

119

00:04:45,030 --> 00:04:42,240

or my allergies would be really bad and

120

00:04:46,550 --> 00:04:45,040

it's just better to have flexibility

121

00:04:47,350 --> 00:04:46,560

i've always thought that we're on the

122

00:04:49,189 --> 00:04:47,360

internet here

123

00:04:50,629 --> 00:04:49,199

why are we not doing everything on

124

00:04:53,670 --> 00:04:50,639

demand for everyone's

125

00:04:55,350 --> 00:04:53,680

convenience so i just

126

00:04:57,510 --> 00:04:55,360

violated my own rule with the joint

127

00:05:00,310 --> 00:04:57,520

sessions but here we are

128

00:05:01,670 --> 00:05:00,320

and i guess joint sessions is still an

129

00:05:03,350 --> 00:05:01,680

appropriate name

130

00:05:05,110 --> 00:05:03,360

because i am going to be pulling out the

131

00:05:07,189 --> 00:05:05,120

stories and the theories and the

132

00:05:09,590 --> 00:05:07,199

experiences that you guys post

133

00:05:11,189 --> 00:05:09,600

in the joint session forum thread but

134

00:05:13,830 --> 00:05:11,199

i'm also going to fold in the

135

00:05:14,790 --> 00:05:13,840

q a forum thread which gets a lot more

136

00:05:16,790 --> 00:05:14,800

volume

137

00:05:19,270 --> 00:05:16,800

but i haven't been able to do a q a

138

00:05:22,790 --> 00:05:19,280

bonus show in a long long time

139

00:05:24,710 --> 00:05:22,800

so it's a way to combine both and maybe

140

00:05:26,710 --> 00:05:24,720

throw in some of my own stuff that just

141

00:05:28,150 --> 00:05:26,720

doesn't fit on the back end of any

142

00:05:30,070 --> 00:05:28,160

regular episode

143

00:05:31,430 --> 00:05:30,080

i like them to be self-contained i like

144

00:05:34,790 --> 00:05:31,440

them to be focused on

145

00:05:35,909 --> 00:05:34,800

a certain subject so sometimes adding my

146

00:05:39,590 --> 00:05:35,919

thoughts at the end

147

00:05:41,670 --> 00:05:39,600

if it's not really on point feels

148

00:05:43,590 --> 00:05:41,680

shoehorned in and it takes away from the

149

00:05:46,070 --> 00:05:43,600

whole thing i think

150

00:05:47,029 --> 00:05:46,080

but that said this first edition is

151
00:05:49,350 --> 00:05:47,039
going out to

152
00:05:51,749 --> 00:05:49,360
everyone free and plus listeners just to

153
00:05:54,710 --> 00:05:51,759
communicate the change to all you guys

154
00:05:56,790 --> 00:05:54,720
so nobody is in the dark as to this

155
00:05:58,390 --> 00:05:56,800
change in structure

156
00:05:59,990 --> 00:05:58,400
because i will get a lot of emails about

157
00:06:02,150 --> 00:06:00,000
it and i doubt

158
00:06:04,309 --> 00:06:02,160
it's enough to get anyone to actually

159
00:06:06,150 --> 00:06:04,319
sign up for plus but there will be

160
00:06:07,830 --> 00:06:06,160
something like this every month on top

161
00:06:10,309 --> 00:06:07,840
of the other shows so

162
00:06:11,110 --> 00:06:10,319
if you are interested in other listeners

163
00:06:13,670 --> 00:06:11,120

input

164

00:06:15,430 --> 00:06:13,680

or want to engage in the q a aspect or

165

00:06:18,230 --> 00:06:15,440

just want to hear my

166

00:06:20,070 --> 00:06:18,240

dvd style director's commentary on

167

00:06:21,670 --> 00:06:20,080

whatever happens to be our show lineup

168

00:06:25,110 --> 00:06:21,680

for that month

169

00:06:27,909 --> 00:06:25,120

this is it okay so

170

00:06:29,270 --> 00:06:27,919

to dive into what is in the forum which

171

00:06:32,309 --> 00:06:29,280

isn't a lot right now

172

00:06:35,350 --> 00:06:32,319

any new process takes a bit of time to

173

00:06:37,270 --> 00:06:35,360

warm up so maybe for the next one

174

00:06:38,790 --> 00:06:37,280

let's fill it up a bit more you know

175

00:06:41,909 --> 00:06:38,800

help me help you

176
00:06:43,110 --> 00:06:41,919
give me some stuff to relay and comment

177
00:06:45,029 --> 00:06:43,120
on

178
00:06:46,950 --> 00:06:45,039
and also if you ever had a plus

179
00:06:49,909 --> 00:06:46,960
membership even if you cancelled

180
00:06:51,749 --> 00:06:49,919
your login still works for the forum so

181
00:06:53,510 --> 00:06:51,759
you can still contribute

182
00:06:55,510 --> 00:06:53,520
don't forget that it doesn't have to be

183
00:06:57,830 --> 00:06:55,520
active but we did

184
00:06:59,510 --> 00:06:57,840
actually move the forum recently so if

185
00:07:03,909 --> 00:06:59,520
you had it bookmarked or anything

186
00:07:06,070 --> 00:07:03,919
it's now simply the hiresideforum.com

187
00:07:07,990 --> 00:07:06,080
it was actually down a day or two while

188
00:07:09,430 --> 00:07:08,000

it was being moved so that contributed

189

00:07:12,150 --> 00:07:09,440

to the lack of volume

190

00:07:12,950 --> 00:07:12,160

because obviously you have to be able to

191

00:07:19,270 --> 00:07:12,960

post

192

00:07:22,309 --> 00:07:19,280

to the actual joint session thread

193

00:07:23,110 --> 00:07:22,319

edifics asks what is going on from your

194

00:07:26,950 --> 00:07:23,120

perspective

195

00:07:28,710 --> 00:07:26,960

with seven questions they say looking on

196

00:07:29,990 --> 00:07:28,720

from the outside it seems like they're

197

00:07:33,430 --> 00:07:30,000

trying to implement so

198

00:07:34,950 --> 00:07:33,440

much stuff at the same time i agree

199

00:07:37,749 --> 00:07:34,960

and i guess we'll go through it one at a

200

00:07:40,950 --> 00:07:37,759

time number one mandatory vaccine

201
00:07:42,070 --> 00:07:40,960
well that's the big one yeah that seems

202
00:07:44,710 --> 00:07:42,080
to be coming

203
00:07:45,589 --> 00:07:44,720
and the rhetoric around it grows every

204
00:07:48,230 --> 00:07:45,599
day

205
00:07:49,430 --> 00:07:48,240
seems like a lot of hot spots are

206
00:07:51,430 --> 00:07:49,440
winding down

207
00:07:52,469 --> 00:07:51,440
but the control measures are getting

208
00:07:55,830 --> 00:07:52,479
more severe

209
00:07:57,830 --> 00:07:55,840
which is weird and telling if you ask me

210
00:07:59,270 --> 00:07:57,840
that's why they get so important to just

211
00:08:01,670 --> 00:07:59,280
work for yourself

212
00:08:03,110 --> 00:08:01,680
maybe they can take travel away from us

213
00:08:06,230 --> 00:08:03,120

air travel

214

00:08:08,309 --> 00:08:06,240

but if you work for yourself it's hard

215

00:08:10,550 --> 00:08:08,319

for them to say you need the vaccine to

216

00:08:13,270 --> 00:08:10,560

go to work and interface with the public

217

00:08:15,909 --> 00:08:13,280

which i do think they're gonna do

218

00:08:18,550 --> 00:08:15,919

number two mail in ballots for easier

219

00:08:20,869 --> 00:08:18,560

ways to cheat in the future

220

00:08:23,029 --> 00:08:20,879

you know this is a funny one because to

221

00:08:25,189 --> 00:08:23,039

me the elections are controlled and have

222

00:08:27,350 --> 00:08:25,199

been controlled so when they talk about

223

00:08:28,230 --> 00:08:27,360

mail-in ballots being easier for

224

00:08:30,469 --> 00:08:28,240

cheating

225

00:08:32,709 --> 00:08:30,479

it implies that traditional voting

226

00:08:34,070 --> 00:08:32,719

methods are secure and i just don't

227

00:08:35,990 --> 00:08:34,080

believe that

228

00:08:37,589 --> 00:08:36,000

trump seems so against it and i would

229

00:08:40,550 --> 00:08:37,599

guess that's because he's got the

230

00:08:42,070 --> 00:08:40,560

cambridge analytica people and he didn't

231

00:08:44,630 --> 00:08:42,080

make these deals

232

00:08:46,630 --> 00:08:44,640

for digital manipulation just to have

233

00:08:49,509 --> 00:08:46,640

the damn thing handled by the

234

00:08:50,550 --> 00:08:49,519

post office who endorsed biden by the

235

00:08:53,990 --> 00:08:50,560

way which

236

00:08:56,070 --> 00:08:54,000

also just feels like bad form if

237

00:08:58,470 --> 00:08:56,080

we're supposed to rest the whole

238

00:08:59,590 --> 00:08:58,480

election on the shoulders of the post

239

00:09:01,750 --> 00:08:59,600

office

240

00:09:02,630 --> 00:09:01,760

they should at least pretend to be

241

00:09:04,470 --> 00:09:02,640

neutral

242

00:09:05,990 --> 00:09:04,480

i mean diebold makes a lot of the voting

243

00:09:07,110 --> 00:09:06,000

machines what if they endorsed a

244

00:09:10,790 --> 00:09:07,120

candidate that's

245

00:09:11,190 --> 00:09:10,800

kind of [h__h] up so mail-in ballots i'm

246

00:09:13,670 --> 00:09:11,200

not

247

00:09:15,190 --> 00:09:13,680

that concerned about because i don't

248

00:09:16,790 --> 00:09:15,200

think it really makes

249

00:09:19,430 --> 00:09:16,800

much of a difference when it comes to

250

00:09:22,790 --> 00:09:19,440

the integrity of the election

251
00:09:23,350 --> 00:09:22,800
number three elaine maxwell is she going

252
00:09:26,070 --> 00:09:23,360
to

253
00:09:28,310 --> 00:09:26,080
out trump in critical weeks before the

254
00:09:31,269 --> 00:09:28,320
election

255
00:09:32,949 --> 00:09:31,279
i doubt it he wished her well for a

256
00:09:34,630 --> 00:09:32,959
reason i would say

257
00:09:36,070 --> 00:09:34,640
although i wouldn't be surprised if

258
00:09:39,350 --> 00:09:36,080
there was

259
00:09:41,750 --> 00:09:39,360
a lot of careful planning over

260
00:09:42,389 --> 00:09:41,760
how her disclosures will come out and

261
00:09:45,509 --> 00:09:42,399
who

262
00:09:46,949 --> 00:09:45,519
they're gonna fall on i think the deals

263
00:09:50,150 --> 00:09:46,959

are still being made but

264

00:09:52,710 --> 00:09:50,160

she could probably tilt the election

265

00:09:54,710 --> 00:09:52,720

one way or another by being selective

266

00:09:56,630 --> 00:09:54,720

and partisan with her reveals

267

00:09:58,150 --> 00:09:56,640

i do think she's in a power position

268

00:09:59,509 --> 00:09:58,160

right now more than the media is going

269

00:10:01,110 --> 00:09:59,519

to admit

270

00:10:02,710 --> 00:10:01,120

if you look at what she was actually

271

00:10:04,550 --> 00:10:02,720

charged with it was very

272

00:10:07,110 --> 00:10:04,560

mild compared to what she's actually

273

00:10:11,030 --> 00:10:07,120

done she was charged with

274

00:10:13,110 --> 00:10:11,040

enticing a minor across state lines for

275

00:10:16,069 --> 00:10:13,120

sexual purposes during the specific

276

00:10:19,190 --> 00:10:16,079

years of 1991-1995

277

00:10:20,790 --> 00:10:19,200

it seems tame it seems like we got to

278

00:10:23,190 --> 00:10:20,800

charge you with something lady

279

00:10:24,790 --> 00:10:23,200

and then when we do you can then turn

280

00:10:26,949 --> 00:10:24,800

state's evidence or

281

00:10:28,310 --> 00:10:26,959

you can cooperate and you'll get a

282

00:10:31,269 --> 00:10:28,320

sweetheart deal

283

00:10:32,389 --> 00:10:31,279

and that quote-unquote cooperation is

284

00:10:34,870 --> 00:10:32,399

going to be

285

00:10:37,030 --> 00:10:34,880

how do we cut around the right people

286

00:10:38,150 --> 00:10:37,040

and take out our political enemies with

287

00:10:40,150 --> 00:10:38,160

the information

288

00:10:42,069 --> 00:10:40,160

you have that's kind of what i think is

289

00:10:45,030 --> 00:10:42,079

going on i don't know how it'll shake

290

00:10:47,030 --> 00:10:45,040

out but i think she's been playing ball

291

00:10:48,310 --> 00:10:47,040

with the fbi for a long time where's the

292

00:10:51,350 --> 00:10:48,320

perp walk video

293

00:10:52,790 --> 00:10:51,360

where's the mug shot you know there's a

294

00:10:56,310 --> 00:10:52,800

lot of theater going on

295

00:11:00,310 --> 00:10:56,320

and she holds a lot of power for the

296

00:11:01,350 --> 00:11:00,320

masks being mandatory they say not yet

297

00:11:04,949 --> 00:11:01,360

here in finland

298

00:11:08,389 --> 00:11:04,959

but some talk about them this week

299

00:11:09,430 --> 00:11:08,399

even the thl our cdc says they don't

300

00:11:12,230 --> 00:11:09,440

work

301
00:11:12,829 --> 00:11:12,240
we should just use them as a reminder to

302
00:11:15,750 --> 00:11:12,839
fear

303
00:11:16,949 --> 00:11:15,760
kovid well i mean number one was

304
00:11:20,630 --> 00:11:16,959
mandatory

305
00:11:25,190 --> 00:11:20,640
masks

306
00:11:28,310 --> 00:11:25,200
public spaces for a while

307
00:11:29,430 --> 00:11:28,320
here in san diego it's not nearly as big

308
00:11:33,030 --> 00:11:29,440
of a deal to me

309
00:11:35,190 --> 00:11:33,040
because i'm not worried about this thing

310
00:11:36,230 --> 00:11:35,200
i'm not living in fear so yeah i throw a

311
00:11:39,030 --> 00:11:36,240
bandana on

312
00:11:40,870 --> 00:11:39,040
i walk in i walk out i get what i need

313
00:11:42,949 --> 00:11:40,880

no problem

314

00:11:44,949 --> 00:11:42,959

i hate it but i'm not looking to draw

315

00:11:46,710 --> 00:11:44,959

attention to myself and get into some

316

00:11:49,829 --> 00:11:46,720

weird conflict with some

317

00:11:50,550 --> 00:11:49,839

radical person and people say well where

318

00:11:53,110 --> 00:11:50,560

does it end

319

00:11:53,990 --> 00:11:53,120

for me it ends at vaccines i will not

320

00:11:55,670 --> 00:11:54,000

get one

321

00:11:57,590 --> 00:11:55,680

i'll wear a mask but you're not going to

322

00:12:00,550 --> 00:11:57,600

inject something into me

323

00:12:02,150 --> 00:12:00,560

especially not these people and these

324

00:12:04,069 --> 00:12:02,160

companies that don't have

325

00:12:05,190 --> 00:12:04,079

the best track record with safety

326

00:12:08,550 --> 00:12:05,200

studies

327

00:12:11,829 --> 00:12:08,560

and doing things for the common good

328

00:12:14,389 --> 00:12:11,839

number five hydroxychloroquine ban

329

00:12:16,069 --> 00:12:14,399

i doubt that people in the know are

330

00:12:16,470 --> 00:12:16,079

using it successfully and i think

331

00:12:18,389 --> 00:12:16,480

they're

332

00:12:21,190 --> 00:12:18,399

content just to keep it out of the news

333

00:12:23,750 --> 00:12:21,200

and confuse the masses on it

334

00:12:25,990 --> 00:12:23,760

the damage control has done its job just

335

00:12:29,910 --> 00:12:26,000

fine i would say

336

00:12:32,069 --> 00:12:29,920

number six trump delaying the election

337

00:12:33,190 --> 00:12:32,079

what happens if that happens in your

338

00:12:35,110 --> 00:12:33,200

opinion well

339

00:12:36,949 --> 00:12:35,120

chris knowles definitely thinks that it

340

00:12:39,269 --> 00:12:36,959

can and will happen

341

00:12:40,710 --> 00:12:39,279

i wouldn't be surprised i guess i agree

342

00:12:42,949 --> 00:12:40,720

i'm not too worried about it

343

00:12:44,710 --> 00:12:42,959

except that each side is so convinced

344

00:12:45,910 --> 00:12:44,720

that if they lose it's because of

345

00:12:48,870 --> 00:12:45,920

cheating

346

00:12:50,790 --> 00:12:48,880

that that makes a real recipe for

347

00:12:53,990 --> 00:12:50,800

rioting no matter what happens

348

00:12:55,509 --> 00:12:54,000

so i'm just gonna focus more on my local

349

00:12:57,670 --> 00:12:55,519

elections because

350

00:12:59,030 --> 00:12:57,680

they're actually pretty hard to get good

351
00:13:00,790 --> 00:12:59,040
information on

352
00:13:02,550 --> 00:13:00,800
and i think it's very important if you

353
00:13:05,590 --> 00:13:02,560
have a local candidate who

354
00:13:09,590 --> 00:13:05,600
is resisting the smart city thing or

355
00:13:10,310 --> 00:13:09,600
5g or the smart street lights that

356
00:13:13,590 --> 00:13:10,320
record

357
00:13:14,949 --> 00:13:13,600
all the video and audio that's going on

358
00:13:17,269 --> 00:13:14,959
you should know about that and you

359
00:13:19,190 --> 00:13:17,279
should try to support that candidate

360
00:13:20,710 --> 00:13:19,200
i think this year has shown us that your

361
00:13:22,629 --> 00:13:20,720
local government

362
00:13:25,269 --> 00:13:22,639
makes a big difference when big

363
00:13:27,590 --> 00:13:25,279

operations are going on

364

00:13:29,750 --> 00:13:27,600

so worry less about biden and trump and

365

00:13:32,629 --> 00:13:29,760

more about that

366

00:13:34,310 --> 00:13:32,639

seven social media bans people every day

367

00:13:37,110 --> 00:13:34,320

for nothing really

368

00:13:38,629 --> 00:13:37,120

yeah that's a concern and i assume it's

369

00:13:39,990 --> 00:13:38,639

going to continue

370

00:13:41,829 --> 00:13:40,000

probably going to happen to me

371

00:13:43,990 --> 00:13:41,839

eventually i don't care about social

372

00:13:47,350 --> 00:13:44,000

media i am lucky to be in the position

373

00:13:49,269 --> 00:13:47,360

that i control my own website and

374

00:13:50,470 --> 00:13:49,279

i try to urge people to go there to get

375

00:13:51,910 --> 00:13:50,480

my content

376

00:13:53,590 --> 00:13:51,920

and it's just like the old days of the

377

00:13:55,590 --> 00:13:53,600

internet that's what we used to do we

378

00:13:56,949 --> 00:13:55,600

used to go to specific websites

379

00:13:59,910 --> 00:13:56,959

if you didn't know about it then you

380

00:14:02,150 --> 00:13:59,920

didn't know and then we let social media

381

00:14:04,310 --> 00:14:02,160

corporations become the middlemen

382

00:14:07,110 --> 00:14:04,320

between us and our own audiences

383

00:14:09,110 --> 00:14:07,120

so when your 60 000 twitter followers

384

00:14:10,790 --> 00:14:09,120

don't know why you don't post anymore

385

00:14:12,389 --> 00:14:10,800

there's no way to contact them there's

386

00:14:14,069 --> 00:14:12,399

no way to email them and say hey we're

387

00:14:16,230 --> 00:14:14,079

all doing this now

388

00:14:18,150 --> 00:14:16,240

it's important to not let other people

389

00:14:19,910 --> 00:14:18,160

get between you and your audience if you

390

00:14:20,550 --> 00:14:19,920

are a content creator because this is

391

00:14:23,990 --> 00:14:20,560

your

392

00:14:26,949 --> 00:14:24,000

important

393

00:14:28,790 --> 00:14:26,959

and ps they say also about the union of

394

00:14:31,590 --> 00:14:28,800

the unwanted

395

00:14:32,230 --> 00:14:31,600

are you going to set your free version

396

00:14:35,670 --> 00:14:32,240

of the show

397

00:14:36,389 --> 00:14:35,680

up on tommy g's website are you going to

398

00:14:39,430 --> 00:14:36,399

join them

399

00:14:41,829 --> 00:14:39,440

when they are live again or not

400

00:14:42,870 --> 00:14:41,839

uh yeah i actually did i think they've

401
00:14:45,189 --> 00:14:42,880
gone

402
00:14:46,710 --> 00:14:45,199
and done three or four shows i've been

403
00:14:48,550 --> 00:14:46,720
on two of them

404
00:14:50,230 --> 00:14:48,560
the union of the unwanted for people who

405
00:14:52,230 --> 00:14:50,240
don't know is a big collection of

406
00:14:52,949 --> 00:14:52,240
alternative media personalities and

407
00:14:55,829 --> 00:14:52,959
podcast

408
00:14:58,069 --> 00:14:55,839
hosts who have come together mainly to

409
00:15:00,389 --> 00:14:58,079
brainstorm and try to support each other

410
00:15:02,230 --> 00:15:00,399
in the face of these social media bands

411
00:15:03,990 --> 00:15:02,240
and d platforms

412
00:15:05,829 --> 00:15:04,000
i have joined like i said a couple of

413
00:15:07,269 --> 00:15:05,839

the calls and i'm thankful to have been

414

00:15:10,629 --> 00:15:07,279

included

415

00:15:13,110 --> 00:15:10,639

but as i told them recently we're all

416

00:15:14,389 --> 00:15:13,120

sort of doing our own thing some people

417

00:15:17,030 --> 00:15:14,399

have podcasts

418

00:15:18,550 --> 00:15:17,040

some have youtube shows some do audio

419

00:15:21,670 --> 00:15:18,560

some are doing video

420

00:15:23,990 --> 00:15:21,680

so there isn't a blanket answer that's

421

00:15:26,550 --> 00:15:24,000

going to work for all of us

422

00:15:27,509 --> 00:15:26,560

we can't all just go to a certain

423

00:15:30,710 --> 00:15:27,519

platform

424

00:15:33,110 --> 00:15:30,720

what i proposed just to keep it simple

425

00:15:34,230 --> 00:15:33,120

is that we all keep doing our own thing

426
00:15:37,110 --> 00:15:34,240
but we have a loose

427
00:15:38,710 --> 00:15:37,120
agreement amongst the people in this

428
00:15:41,430 --> 00:15:38,720
union

429
00:15:43,910 --> 00:15:41,440
that if any one of us is d-platformed or

430
00:15:47,749 --> 00:15:43,920
kicked off by any of the big guys

431
00:15:49,269 --> 00:15:47,759
we put the word out to the little email

432
00:15:51,189 --> 00:15:49,279
thread we have

433
00:15:52,790 --> 00:15:51,199
and then we agree to make a mention of

434
00:15:55,590 --> 00:15:52,800
it on all of our shows

435
00:15:56,230 --> 00:15:55,600
nothing huge but just a little hey there

436
00:15:59,030 --> 00:15:56,240
guys

437
00:15:59,749 --> 00:15:59,040
sam got banned from twitter again find

438
00:16:02,069 --> 00:15:59,759

him here

439

00:16:03,189 --> 00:16:02,079

or something like that because the worst

440

00:16:04,790 --> 00:16:03,199

part of getting

441

00:16:06,790 --> 00:16:04,800

kicked off from something because i've

442

00:16:07,990 --> 00:16:06,800

been putting youtube time out and i've

443

00:16:11,829 --> 00:16:08,000

been put in twitter

444

00:16:13,350 --> 00:16:11,839

timeout the worst part is losing all the

445

00:16:15,509 --> 00:16:13,360

people that you're connected to and just

446

00:16:17,670 --> 00:16:15,519

having no way to communicate with them

447

00:16:19,509 --> 00:16:17,680

so this would turn a negative into a

448

00:16:21,350 --> 00:16:19,519

positive almost because yes

449

00:16:22,949 --> 00:16:21,360

you lose your twitter but your

450

00:16:25,749 --> 00:16:22,959

colleagues all give you

451
00:16:27,670 --> 00:16:25,759
a short plug and inform our larger

452
00:16:30,389 --> 00:16:27,680
conspiratorial community

453
00:16:32,310 --> 00:16:30,399
that you got hit it's a little bit of a

454
00:16:35,030 --> 00:16:32,320
silver lining right

455
00:16:36,150 --> 00:16:35,040
i thought that was a simple and fair

456
00:16:38,230 --> 00:16:36,160
solution

457
00:16:39,910 --> 00:16:38,240
that would work for everyone no matter

458
00:16:42,550 --> 00:16:39,920
what their format is

459
00:16:44,470 --> 00:16:42,560
so the guys who came back in that thread

460
00:16:45,110 --> 00:16:44,480
and said that they'd be down to do that

461
00:16:47,189 --> 00:16:45,120
for me

462
00:16:48,870 --> 00:16:47,199
i will do that for them in return if it

463
00:16:51,430 --> 00:16:48,880

comes to it

464

00:16:52,470 --> 00:16:51,440

but i don't think i'm gonna post thc any

465

00:16:54,949 --> 00:16:52,480

new places

466

00:16:57,110 --> 00:16:54,959

because i've built this system where

467

00:16:59,590 --> 00:16:57,120

facebook twitter and even youtube

468

00:17:01,829 --> 00:16:59,600

are of limited importance and i will

469

00:17:04,230 --> 00:17:01,839

just use them until i can't anymore

470

00:17:04,949 --> 00:17:04,240

and as long as i'm connected to my plus

471

00:17:08,549 --> 00:17:04,959

people

472

00:17:09,350 --> 00:17:08,559

and they know that the website is where

473

00:17:11,350 --> 00:17:09,360

it's at

474

00:17:13,829 --> 00:17:11,360

we should be fine and as i've said

475

00:17:15,829 --> 00:17:13,839

before i will send you cds in the mail

476

00:17:18,789 --> 00:17:15,839

if i have to

477

00:17:19,510 --> 00:17:18,799

so maybe we do need that post office but

478

00:17:22,470 --> 00:17:19,520

i'll definitely

479

00:17:23,909 --> 00:17:22,480

join the union of the unwanted swap

480

00:17:26,069 --> 00:17:23,919

casts when i can

481

00:17:28,309 --> 00:17:26,079

but there's like 20 people on the call

482

00:17:30,470 --> 00:17:28,319

so it's hard to get a word in really and

483

00:17:32,549 --> 00:17:30,480

i don't know it's a great thing they're

484

00:17:33,990 --> 00:17:32,559

doing trying to be less vulnerable in

485

00:17:36,470 --> 00:17:34,000

general

486

00:17:37,590 --> 00:17:36,480

and i like it but i don't know if we

487

00:17:39,750 --> 00:17:37,600

need to release these

488

00:17:41,270 --> 00:17:39,760

kind of shows all together when we could

489

00:17:44,070 --> 00:17:41,280

just have this

490

00:17:44,830 --> 00:17:44,080

private agreement to not let any of us

491

00:17:47,669 --> 00:17:44,840

get

492

00:17:50,870 --> 00:17:47,679

completely blacked out from

493

00:17:53,909 --> 00:17:50,880

communicating to the larger audience and

494

00:17:56,789 --> 00:17:53,919

uh so moving on the only other real

495

00:17:58,150 --> 00:17:56,799

thread starter in the joint session

496

00:18:01,510 --> 00:17:58,160

thread was

497

00:18:03,590 --> 00:18:01,520

no idols who says it could be

498

00:18:05,669 --> 00:18:03,600

really nice to talk about how to make

499

00:18:08,549 --> 00:18:05,679

the best of the state of the world

500

00:18:11,350 --> 00:18:08,559

given how extreme things are getting on

501
00:18:14,070 --> 00:18:11,360
a material and metaphysical level

502
00:18:15,750 --> 00:18:14,080
how have you been dealing with things

503
00:18:17,990 --> 00:18:15,760
which of course is more of an open

504
00:18:18,950 --> 00:18:18,000
question so if you'd like to talk things

505
00:18:23,590 --> 00:18:18,960
through with him

506
00:18:26,230 --> 00:18:23,600
hop on that forum and get engaged

507
00:18:27,029 --> 00:18:26,240
as for me i'm doing all right all things

508
00:18:29,350 --> 00:18:27,039
considered

509
00:18:30,789 --> 00:18:29,360
i am worried about the future but i am

510
00:18:34,870 --> 00:18:30,799
positioned pretty well

511
00:18:36,789 --> 00:18:34,880
compared to any other job i ever had

512
00:18:39,029 --> 00:18:36,799
it would have been devastating to not

513
00:18:41,430 --> 00:18:39,039

know if and when i could work

514

00:18:42,150 --> 00:18:41,440

do i have a job or not you know that's

515

00:18:44,710 --> 00:18:42,160

the experience

516

00:18:47,430 --> 00:18:44,720

for a lot of people that i'm close with

517

00:18:50,150 --> 00:18:47,440

and san diego has so much to do

518

00:18:50,470 --> 00:18:50,160

with my mental health not the government

519

00:18:53,510 --> 00:18:50,480

but

520

00:18:55,190 --> 00:18:53,520

the land the area the weather being so

521

00:18:58,549 --> 00:18:55,200

great all the time is such a huge

522

00:19:01,430 --> 00:18:58,559

factor because my buddies and i can

523

00:19:02,549 --> 00:19:01,440

go play frisbee golf we could rent boats

524

00:19:04,789 --> 00:19:02,559

on the weekend

525

00:19:06,070 --> 00:19:04,799

we can go snorkeling we can take out

526

00:19:09,110 --> 00:19:06,080

paddle boards

527

00:19:11,110 --> 00:19:09,120

we can get high and hike a mountain and

528

00:19:12,390 --> 00:19:11,120

three-fourths of our restaurants have

529

00:19:15,990 --> 00:19:12,400

found a way to operate

530

00:19:17,990 --> 00:19:16,000

outdoors so we can go out and eat

531

00:19:19,110 --> 00:19:18,000

and take the masks off as soon as we sit

532

00:19:21,830 --> 00:19:19,120

down

533

00:19:23,830 --> 00:19:21,840

i just can't imagine being anywhere else

534

00:19:25,909 --> 00:19:23,840

if you don't have the ocean and you have

535

00:19:27,909 --> 00:19:25,919

mosquitoes and humidity

536

00:19:29,350 --> 00:19:27,919

that makes a big difference being

537

00:19:31,990 --> 00:19:29,360

outside

538

00:19:34,310 --> 00:19:32,000

sitting down for a meal in missouri

539

00:19:36,070 --> 00:19:34,320

would not be so fun

540

00:19:39,029 --> 00:19:36,080

so in certain areas of the country

541

00:19:41,110 --> 00:19:39,039

that's probably a lot more challenging

542

00:19:42,310 --> 00:19:41,120

my wife and i have about six couples

543

00:19:44,470 --> 00:19:42,320

that we're close with

544

00:19:45,590 --> 00:19:44,480

and we sort of made a loose agreement to

545

00:19:48,390 --> 00:19:45,600

just see

546

00:19:50,070 --> 00:19:48,400

each other and hug and just not worry

547

00:19:53,029 --> 00:19:50,080

about it when we're together

548

00:19:55,350 --> 00:19:53,039

we share joints and nobody has a problem

549

00:19:57,909 --> 00:19:55,360

although there are times when someone

550

00:19:59,430 --> 00:19:57,919

is say going to see a new baby in the

551
00:20:01,830 --> 00:19:59,440
family or

552
00:20:02,789 --> 00:20:01,840
something and they take a two-week

553
00:20:05,110 --> 00:20:02,799
timeout

554
00:20:07,430 --> 00:20:05,120
and that has happened here and there

555
00:20:09,590 --> 00:20:07,440
these are uncharted waters

556
00:20:11,990 --> 00:20:09,600
but outside of wearing a mask when i go

557
00:20:14,710 --> 00:20:12,000
into a retail building

558
00:20:15,350 --> 00:20:14,720
i've gone out and done about as much as

559
00:20:18,789 --> 00:20:15,360
a person

560
00:20:20,070 --> 00:20:18,799
can i didn't get to go take my big peru

561
00:20:23,270 --> 00:20:20,080
trip with gordon and

562
00:20:24,630 --> 00:20:23,280
see the shaman do ayahuasca but outside

563
00:20:27,990 --> 00:20:24,640

of being limited to

564

00:20:30,870 --> 00:20:28,000

just my city i've had plenty of fun

565

00:20:32,310 --> 00:20:30,880

in 2020 on a personal level my buddy and

566

00:20:34,789 --> 00:20:32,320

i were talking the other day

567

00:20:36,070 --> 00:20:34,799

and we both agreed that even though

568

00:20:38,230 --> 00:20:36,080

everything really sucks

569

00:20:39,190 --> 00:20:38,240

looking back since march we've probably

570

00:20:42,310 --> 00:20:39,200

had

571

00:20:46,950 --> 00:20:42,320

as much fun as people can have

572

00:20:49,430 --> 00:20:46,960

in 2020 and i'm content with that

573

00:20:51,110 --> 00:20:49,440

i'm not afraid of a virus i'm not saying

574

00:20:52,950 --> 00:20:51,120

i couldn't get sick but i don't seem to

575

00:20:53,750 --> 00:20:52,960

be in any of the categories in which

576

00:20:57,350 --> 00:20:53,760

that would be

577

00:21:00,230 --> 00:20:57,360

a very bad time for me so mentally

578

00:21:01,029 --> 00:21:00,240

it's just about some annoying compliance

579

00:21:03,430 --> 00:21:01,039

things

580

00:21:05,190 --> 00:21:03,440

i wear the bandana for a mask as i said

581

00:21:07,909 --> 00:21:05,200

just because i want it to be

582

00:21:09,190 --> 00:21:07,919

the least troublesome for me and who

583

00:21:12,549 --> 00:21:09,200

cares if it doesn't offer

584

00:21:14,470 --> 00:21:12,559

great protection so to speak so

585

00:21:16,070 --> 00:21:14,480

we can't change the world we can just

586

00:21:19,430 --> 00:21:16,080

maneuver ourselves through

587

00:21:21,430 --> 00:21:19,440

it however feels best for us and

588

00:21:22,549 --> 00:21:21,440

in my personal life or during my

589

00:21:25,270 --> 00:21:22,559

day-to-day

590

00:21:27,830 --> 00:21:25,280

it's best to just ignore it and have

591

00:21:31,190 --> 00:21:27,840

some good laughs with good friends

592

00:21:33,909 --> 00:21:31,200

or at least try with each month

593

00:21:34,549 --> 00:21:33,919

more fear tends to just melt away to the

594

00:21:38,149 --> 00:21:34,559

point that

595

00:21:39,909 --> 00:21:38,159

these six couples i'm sure over half

596

00:21:41,669 --> 00:21:39,919

would resist getting a vaccine now

597

00:21:44,149 --> 00:21:41,679

because they'd probably see

598

00:21:45,270 --> 00:21:44,159

no need for it me and my wife of course

599

00:21:47,669 --> 00:21:45,280

will never do it

600

00:21:50,310 --> 00:21:47,679

but the rest really isn't my business

601
00:21:53,350 --> 00:21:50,320
right your body your choice

602
00:21:54,549 --> 00:21:53,360
so that's that let's uh let's add some

603
00:21:57,830 --> 00:21:54,559
more stuff

604
00:22:01,590 --> 00:21:57,840
before we do this again next month but

605
00:22:04,470 --> 00:22:01,600
if we jump over the q a thread yail

606
00:22:06,470 --> 00:22:04,480
writes all the hard and great work

607
00:22:08,789 --> 00:22:06,480
you've put in has made thc one of the

608
00:22:11,590 --> 00:22:08,799
most interesting conspiracy podcasts

609
00:22:12,789 --> 00:22:11,600
with consistently good and ideologically

610
00:22:15,270 --> 00:22:12,799
varied guests

611
00:22:15,990 --> 00:22:15,280
and just a great environment for sharing

612
00:22:19,110 --> 00:22:16,000
ideas

613
00:22:20,870 --> 00:22:19,120

well thanks i wonder what you see for

614

00:22:22,870 --> 00:22:20,880

the future of the

615

00:22:24,149 --> 00:22:22,880

do you plan to become a part of

616

00:22:26,310 --> 00:22:24,159

conspiracy events

617

00:22:27,510 --> 00:22:26,320

or expanding the type of content you

618

00:22:30,230 --> 00:22:27,520

provide

619

00:22:33,029 --> 00:22:30,240

i'm just curious as to how you see your

620

00:22:35,350 --> 00:22:33,039

role in the general conspiracy community

621

00:22:37,029 --> 00:22:35,360

and if you are looking at ways to get

622

00:22:38,630 --> 00:22:37,039

more people involved

623

00:22:41,430 --> 00:22:38,640

thank you for the great content and

624

00:22:43,270 --> 00:22:41,440

information your podcasts have been

625

00:22:45,590 --> 00:22:43,280

really valuable and seen

626
00:22:47,110 --> 00:22:45,600
through new lenses and challenging my

627
00:22:50,549 --> 00:22:47,120
positions

628
00:22:51,430 --> 00:22:50,559
dude too kind thank you right off the

629
00:22:54,149 --> 00:22:51,440
top

630
00:22:56,710 --> 00:22:54,159
but i do plan to just try and keep doing

631
00:22:58,310 --> 00:22:56,720
what i do and maintain a high quality

632
00:23:01,750 --> 00:22:58,320
and high variety

633
00:23:03,669 --> 00:23:01,760
as you said i know a good sliver of our

634
00:23:04,950 --> 00:23:03,679
audience thinks that i really stepped in

635
00:23:06,789 --> 00:23:04,960
it with the angela

636
00:23:09,029 --> 00:23:06,799
davis show and with the smith and

637
00:23:11,029 --> 00:23:09,039
hattery episode right on top of it

638
00:23:13,190 --> 00:23:11,039

policing the black man and policing

639

00:23:14,390 --> 00:23:13,200

black bodies really similar stuff there

640

00:23:17,590 --> 00:23:14,400

i know

641

00:23:20,310 --> 00:23:17,600

and i was originally going to really

642

00:23:21,270 --> 00:23:20,320

unload over this issue during this solo

643

00:23:24,950 --> 00:23:21,280

show

644

00:23:27,590 --> 00:23:24,960

but as times passed i'm kind of over it

645

00:23:29,350 --> 00:23:27,600

you know if you go back we did two shows

646

00:23:31,830 --> 00:23:29,360

first that looked at the george floyd

647

00:23:32,789 --> 00:23:31,840

situation as pre-planned bait for the

648

00:23:34,870 --> 00:23:32,799

outrage

649

00:23:36,630 --> 00:23:34,880

we looked at all the curious details

650

00:23:40,230 --> 00:23:36,640

with stuart bramhall and

651

00:23:43,430 --> 00:23:40,240

also mentioned it with james corbett

652

00:23:44,310 --> 00:23:43,440

and i think at least one other guest so

653

00:23:47,029 --> 00:23:44,320

once we did

654

00:23:48,149 --> 00:23:47,039

that i got some feedback to the effect

655

00:23:50,149 --> 00:23:48,159

of

656

00:23:52,390 --> 00:23:50,159

hey this event might be staged but

657

00:23:54,230 --> 00:23:52,400

people are protesting much more than one

658

00:23:55,269 --> 00:23:54,240

killing things have been unfair for a

659

00:23:57,430 --> 00:23:55,279

long time

660

00:23:59,269 --> 00:23:57,440

and they use the criminal justice system

661

00:24:02,789 --> 00:23:59,279

as a weapon against black people

662

00:24:05,190 --> 00:24:02,799

that's a staple in this country and

663

00:24:06,149 --> 00:24:05,200

i really do agree with that i don't

664

00:24:08,789 --> 00:24:06,159

think murder by

665

00:24:09,190 --> 00:24:08,799

cop is the best evidence of it i would

666

00:24:11,350 --> 00:24:09,200

cite

667

00:24:13,750 --> 00:24:11,360

the war on drugs the harsh punishment

668

00:24:15,350 --> 00:24:13,760

for crack compared to cocaine which was

669

00:24:19,029 --> 00:24:15,360

pumped into black communities

670

00:24:20,950 --> 00:24:19,039

racial profiling racist prosecutors

671

00:24:22,390 --> 00:24:20,960

it's all slanted against them and so i

672

00:24:24,470 --> 00:24:22,400

thought yeah

673

00:24:26,549 --> 00:24:24,480

we already covered how this george floyd

674

00:24:27,990 --> 00:24:26,559

situation is fishy and how black lives

675

00:24:29,510 --> 00:24:28,000

matter is really just a political

676
00:24:32,070 --> 00:24:29,520
organization

677
00:24:34,549 --> 00:24:32,080
but i thought to just leave it there was

678
00:24:35,909 --> 00:24:34,559
to do a disservice to our darker skinned

679
00:24:37,909 --> 00:24:35,919
friends

680
00:24:40,230 --> 00:24:37,919
and if i looked back in the archive i

681
00:24:41,510 --> 00:24:40,240
did think that was a hole in our game so

682
00:24:44,630 --> 00:24:41,520
i wanted to fill that hole

683
00:24:47,029 --> 00:24:44,640
and now it's filled so i really did try

684
00:24:49,269 --> 00:24:47,039
to avoid the politically charged stuff

685
00:24:51,269 --> 00:24:49,279
in those episodes and focus on the other

686
00:24:52,950 --> 00:24:51,279
aspects of the criminal justice system

687
00:24:55,750 --> 00:24:52,960
and the slanted history

688
00:24:56,950 --> 00:24:55,760

and the dividing of the working class

689

00:24:59,269 --> 00:24:56,960

between black and white

690

00:25:00,870 --> 00:24:59,279

and having them fight amongst each other

691

00:25:03,029 --> 00:25:00,880

and i did these shows

692

00:25:05,750 --> 00:25:03,039

not to keep haunting black people with

693

00:25:08,950 --> 00:25:05,760

the past as some comments have

694

00:25:11,190 --> 00:25:08,960

suggested but just to acknowledge hey

695

00:25:12,789 --> 00:25:11,200

you want a conspiracy this is clearly

696

00:25:13,750 --> 00:25:12,799

one and it sucks and we should

697

00:25:16,870 --> 00:25:13,760

acknowledge it

698

00:25:18,470 --> 00:25:16,880

the right way and talk around the ops

699

00:25:21,510 --> 00:25:18,480

but of course i can't control what a

700

00:25:23,669 --> 00:25:21,520

guest says so there is that

701
00:25:25,669 --> 00:25:23,679
maybe i should have pushed back more but

702
00:25:29,029 --> 00:25:25,679
that's not really what i do all the time

703
00:25:30,789 --> 00:25:29,039
and i in the case of angela davis wanted

704
00:25:31,590 --> 00:25:30,799
to get to certain content that she

705
00:25:34,549 --> 00:25:31,600
covers

706
00:25:35,029 --> 00:25:34,559
and so if i were to stop and push back

707
00:25:37,190 --> 00:25:35,039
on

708
00:25:39,029 --> 00:25:37,200
some specific cases we wouldn't have got

709
00:25:40,310 --> 00:25:39,039
to that other content and i thought that

710
00:25:43,190 --> 00:25:40,320
was more important

711
00:25:43,830 --> 00:25:43,200
so i bit my tongue doesn't mean i always

712
00:25:46,789 --> 00:25:43,840
just

713
00:25:47,750 --> 00:25:46,799

blanket agree and i hope that makes

714

00:25:49,990 --> 00:25:47,760

sense

715

00:25:52,230 --> 00:25:50,000

when people say greg you've become a

716

00:25:54,950 --> 00:25:52,240

[h__h] for black lives matter it's like no

717

00:25:57,590 --> 00:25:54,960

i already talked about how i feel about

718

00:26:00,230 --> 00:25:57,600

black lives matter as a movement as a

719

00:26:01,750 --> 00:26:00,240

donation collection apparatus that gets

720

00:26:04,310 --> 00:26:01,760

funneled into the dnc

721

00:26:04,950 --> 00:26:04,320

and heightens tensions and divides more

722

00:26:06,950 --> 00:26:04,960

than it does

723

00:26:08,870 --> 00:26:06,960

anything to help disadvantaged

724

00:26:10,470 --> 00:26:08,880

communities

725

00:26:11,750 --> 00:26:10,480

and one last thing while we're on this

726

00:26:12,549 --> 00:26:11,760

subject and then i'm going to leave it

727

00:26:14,870 --> 00:26:12,559

alone

728

00:26:16,549 --> 00:26:14,880

but outside of just being generally

729

00:26:19,990 --> 00:26:16,559

shitty to me the only point

730

00:26:21,909 --> 00:26:20,000

any critics have really made is to say

731

00:26:24,149 --> 00:26:21,919

it's simple man just look at the crime

732

00:26:25,830 --> 00:26:24,159

statistics black men are committing half

733

00:26:28,630 --> 00:26:25,840

the crimes but are only six to eight

734

00:26:30,630 --> 00:26:28,640

percent of the population or whatever

735

00:26:33,029 --> 00:26:30,640

and i don't get how those people can't

736

00:26:35,669 --> 00:26:33,039

see that if black men are being looked

737

00:26:37,830 --> 00:26:35,679

at harder and facing harsher sentences

738

00:26:39,350 --> 00:26:37,840

this is going to show in the crime

739

00:26:40,950 --> 00:26:39,360

statistics

740

00:26:42,710 --> 00:26:40,960

if me and my buddy darrell are both

741

00:26:44,549 --> 00:26:42,720

driving around with cocaine but darrell

742

00:26:45,669 --> 00:26:44,559

draws more attention from the police

743

00:26:48,390 --> 00:26:45,679

because he's black

744

00:26:49,510 --> 00:26:48,400

then a quote-unquote crime is logged

745

00:26:52,950 --> 00:26:49,520

when he's caught

746

00:26:55,430 --> 00:26:52,960

but we both did the same thing

747

00:26:56,870 --> 00:26:55,440

scale that up and i absolutely think the

748

00:26:59,430 --> 00:26:56,880

reason on paper

749

00:27:00,470 --> 00:26:59,440

black men commit more crimes is because

750

00:27:03,909 --> 00:27:00,480

of the law

751
00:27:05,029 --> 00:27:03,919
being way more up in their [\h__\h] we can't

752
00:27:08,310 --> 00:27:05,039
just say

753
00:27:10,070 --> 00:27:08,320
black people commit more crimes and it

754
00:27:11,669 --> 00:27:10,080
actually was literally the first thing i

755
00:27:14,390 --> 00:27:11,679
asked angela about

756
00:27:14,870 --> 00:27:14,400
and she said there is no way to know

757
00:27:17,110 --> 00:27:14,880
that

758
00:27:19,269 --> 00:27:17,120
but we could say black people get caught

759
00:27:20,950 --> 00:27:19,279
committing more crimes and face harsher

760
00:27:22,070 --> 00:27:20,960
punishments for doing the same thing as

761
00:27:24,230 --> 00:27:22,080
white people

762
00:27:25,909 --> 00:27:24,240
it's that simple other factors would be

763
00:27:28,549 --> 00:27:25,919

poverty a sense that

764

00:27:31,190 --> 00:27:28,559

the only way i can get ahead is to steal

765

00:27:33,430 --> 00:27:31,200

hip-hop culture glorifying criminals

766

00:27:34,630 --> 00:27:33,440

a lot of kids not having good role

767

00:27:37,029 --> 00:27:34,640

models and looking

768

00:27:38,310 --> 00:27:37,039

to that hip-hop culture for guidance the

769

00:27:42,070 --> 00:27:38,320

fact that we've let inner

770

00:27:43,830 --> 00:27:42,080

city schools become decrepid

771

00:27:45,590 --> 00:27:43,840

so you can't just look at crimes

772

00:27:47,110 --> 00:27:45,600

committed on paper because the

773

00:27:51,590 --> 00:27:47,120

injustices start

774

00:27:54,789 --> 00:27:51,600

before that step just because a lot of

775

00:27:55,190 --> 00:27:54,799

rich white people don't get dui doesn't

776
00:27:57,350 --> 00:27:55,200
mean

777
00:27:58,630 --> 00:27:57,360
a lot of rich white people aren't

778
00:28:01,190 --> 00:27:58,640
driving drunk

779
00:28:02,470 --> 00:28:01,200
you know what i'm saying i really am

780
00:28:04,630 --> 00:28:02,480
sick of talking about this

781
00:28:06,389 --> 00:28:04,640
issue and thinking about it after all

782
00:28:08,389 --> 00:28:06,399
the back and forth battles i fought

783
00:28:11,830 --> 00:28:08,399
since those shows aired

784
00:28:14,389 --> 00:28:11,840
better to just let it go right but

785
00:28:16,870 --> 00:28:14,399
man this question was about what do i

786
00:28:17,990 --> 00:28:16,880
see for the future of thc and how do i

787
00:28:20,549 --> 00:28:18,000
view my role

788
00:28:21,830 --> 00:28:20,559

in the general conspiracy community way

789

00:28:23,990 --> 00:28:21,840

off track

790

00:28:25,350 --> 00:28:24,000

yes i just want to keep doing what i'm

791

00:28:27,269 --> 00:28:25,360

doing and

792

00:28:28,549 --> 00:28:27,279

i've thought about going into the

793

00:28:30,630 --> 00:28:28,559

conference scene and

794

00:28:32,149 --> 00:28:30,640

building up a few presentations that i

795

00:28:34,870 --> 00:28:32,159

could give i've certainly been

796

00:28:36,950 --> 00:28:34,880

asked but i just don't think any

797

00:28:38,870 --> 00:28:36,960

presentation i put together

798

00:28:40,870 --> 00:28:38,880

would be that original it would be built

799

00:28:41,590 --> 00:28:40,880

off of too many other people's work and

800

00:28:44,789 --> 00:28:41,600

it just doesn't

801
00:28:46,230 --> 00:28:44,799
feel right even if i could make a couple

802
00:28:47,750 --> 00:28:46,240
grand here and there going to

803
00:28:49,830 --> 00:28:47,760
conferences with a hollow earth

804
00:28:53,750 --> 00:28:49,840
presentation or something

805
00:28:55,750 --> 00:28:53,760
i'm just not sure that that's for me

806
00:28:58,149 --> 00:28:55,760
i'm better in the background and i'd

807
00:29:00,389 --> 00:28:58,159
rather be going to conspiracy adjacent

808
00:29:01,590 --> 00:29:00,399
conferences anyway like the western a

809
00:29:04,630 --> 00:29:01,600
price foundation

810
00:29:05,909 --> 00:29:04,640
or aaron murakami's ether physics

811
00:29:09,830 --> 00:29:05,919
conferences

812
00:29:11,269 --> 00:29:09,840
more specific niche stuff you know

813
00:29:13,750 --> 00:29:11,279

i also thought about putting a book

814

00:29:16,630 --> 00:29:13,760

together the higher side guide to life

815

00:29:18,950 --> 00:29:16,640

if you will what i've learned from 10

816

00:29:20,630 --> 00:29:18,960

years in the game with lengthy chunks of

817

00:29:22,630 --> 00:29:20,640

my favorite interviews

818

00:29:24,549 --> 00:29:22,640

and that was something i was going to do

819

00:29:26,470 --> 00:29:24,559

this year it's been 10 years this is

820

00:29:28,389 --> 00:29:26,480

like an anniversary thing

821

00:29:30,470 --> 00:29:28,399

but this year has been so crazy it's

822

00:29:31,110 --> 00:29:30,480

like do i write a book that doesn't

823

00:29:33,830 --> 00:29:31,120

mention

824

00:29:34,470 --> 00:29:33,840

coronavirus i mean how could it not but

825

00:29:38,310 --> 00:29:34,480

then

826

00:29:39,029 --> 00:29:38,320

it's not from the very neat 2010 to 2020

827

00:29:42,070 --> 00:29:39,039

era

828

00:29:42,870 --> 00:29:42,080

so i'm not sure i guess this is still my

829

00:29:45,029 --> 00:29:42,880

plan

830

00:29:45,990 --> 00:29:45,039

because i would like to get my best

831

00:29:47,669 --> 00:29:46,000

arguments down

832

00:29:50,149 --> 00:29:47,679

and become a better guest for other

833

00:29:53,990 --> 00:29:50,159

shows rather than shooting from the hip

834

00:29:55,750 --> 00:29:54,000

like i tend to do and this book writing

835

00:29:58,470 --> 00:29:55,760

compiling process was going to be

836

00:30:01,110 --> 00:29:58,480

designed to help me with that

837

00:30:01,750 --> 00:30:01,120

but i still think my role if i know

838

00:30:04,789 --> 00:30:01,760

myself

839

00:30:05,510 --> 00:30:04,799

best is that of a connector quote

840

00:30:08,149 --> 00:30:05,520

unquote and

841

00:30:09,110 --> 00:30:08,159

it always kind of has been when my

842

00:30:11,110 --> 00:30:09,120

buddies come over

843

00:30:13,750 --> 00:30:11,120

i've always got like four new songs i

844

00:30:16,950 --> 00:30:13,760

want them to hear two new youtube videos

845

00:30:20,149 --> 00:30:16,960

i enjoy showing people stuff

846

00:30:21,029 --> 00:30:20,159

i enjoy curating i guess and i think i'm

847

00:30:24,470 --> 00:30:21,039

good at taking

848

00:30:26,630 --> 00:30:24,480

a person's complex work picking out the

849

00:30:27,830 --> 00:30:26,640

best parts and crafting an interview

850

00:30:30,470 --> 00:30:27,840

that weaves us through

851
00:30:31,669 --> 00:30:30,480
those highlights i'm a connector between

852
00:30:33,750 --> 00:30:31,679
the every man

853
00:30:35,430 --> 00:30:33,760
and the brightest minds of alternative

854
00:30:37,029 --> 00:30:35,440
thought sometimes

855
00:30:38,470 --> 00:30:37,039
people that are quite difficult and my

856
00:30:40,950 --> 00:30:38,480
history in retail

857
00:30:41,909 --> 00:30:40,960
i think helps there too i'm not going to

858
00:30:43,909 --> 00:30:41,919
try to

859
00:30:45,669 --> 00:30:43,919
elbow myself to the front of the stage

860
00:30:47,990 --> 00:30:45,679
i'm comfortable being the

861
00:30:49,669 --> 00:30:48,000
dennis rodman of conspiracy podcasting

862
00:30:52,230 --> 00:30:49,679
you know the most assists

863
00:30:54,149 --> 00:30:52,240

and also bad hair that i should have

864

00:30:56,870 --> 00:30:54,159

outgrown by now

865

00:30:57,830 --> 00:30:56,880

and i hope that's okay with most people

866

00:31:00,630 --> 00:30:57,840

we sometimes

867

00:31:02,310 --> 00:31:00,640

think we want more but when people start

868

00:31:05,750 --> 00:31:02,320

doing things they aren't good at

869

00:31:08,230 --> 00:31:05,760

just to serve their ego or to

870

00:31:10,470 --> 00:31:08,240

make more money i guess they typically

871

00:31:14,149 --> 00:31:10,480

lose all the respect that they'd built

872

00:31:15,669 --> 00:31:14,159

up so i hope that makes sense the next

873

00:31:19,509 --> 00:31:15,679

question in line

874

00:31:21,669 --> 00:31:19,519

is also from yael who says mr carlwood i

875

00:31:24,149 --> 00:31:21,679

have a suggestion for you

876

00:31:25,669 --> 00:31:24,159

it's a great idea but the labor involved

877

00:31:27,110 --> 00:31:25,679

is intensive

878

00:31:29,029 --> 00:31:27,120

and you're probably going to want to get

879

00:31:31,669 --> 00:31:29,039

paid because it will take

880

00:31:34,070 --> 00:31:31,679

a good chunk of your week to transcribe

881

00:31:37,430 --> 00:31:34,080

the two hour episodes

882

00:31:39,430 --> 00:31:37,440

well if your idea is the transcriptions

883

00:31:41,590 --> 00:31:39,440

i just mentioned i want to do that book

884

00:31:45,110 --> 00:31:41,600

thing so i probably won't be

885

00:31:48,230 --> 00:31:45,120

transcribing episodes unfortunately

886

00:31:49,830 --> 00:31:48,240

but i hear ya it definitely would be a

887

00:31:51,590 --> 00:31:49,840

lot of work

888

00:31:53,430 --> 00:31:51,600

and i also just don't know how useful it

889

00:31:56,870 --> 00:31:53,440

is do people actually want a full

890

00:31:58,630 --> 00:31:56,880

transcript of an episode i think it'd be

891

00:32:02,070 --> 00:31:58,640

much better to have them

892

00:32:02,630 --> 00:32:02,080

condensed and edited down into a book

893

00:32:04,789 --> 00:32:02,640

form

894

00:32:06,070 --> 00:32:04,799

that just takes the best paragraphs from

895

00:32:08,149 --> 00:32:06,080

here and there and

896

00:32:10,470 --> 00:32:08,159

jumps from show to show you can't do

897

00:32:13,669 --> 00:32:10,480

that in transcripts

898

00:32:16,310 --> 00:32:13,679

dirk digler 2500 great name

899

00:32:18,470 --> 00:32:16,320

asks about trails in the sky i'm

900

00:32:20,630 --> 00:32:18,480

wondering if you or anyone else has

901
00:32:22,470 --> 00:32:20,640
noticed the sprain this summer

902
00:32:23,750 --> 00:32:22,480
where i live in new york it's been

903
00:32:27,190 --> 00:32:23,760
practically every day

904
00:32:29,669 --> 00:32:27,200
right before sunrise and sunset mostly

905
00:32:31,509 --> 00:32:29,679
well maybe i've been distracted but i

906
00:32:34,549 --> 00:32:31,519
actually haven't noticed as much

907
00:32:37,990 --> 00:32:34,559
spraying in san diego this year

908
00:32:40,389 --> 00:32:38,000
in fact i would say i have noticed less

909
00:32:41,029 --> 00:32:40,399
but again i probably would have to spend

910
00:32:44,149 --> 00:32:41,039
some time

911
00:32:47,509 --> 00:32:44,159
actually reminding myself to look up

912
00:32:49,909 --> 00:32:47,519
actually let's see it's a clear one

913
00:32:51,269 --> 00:32:49,919

today

914

00:32:55,350 --> 00:32:51,279

but we probably all should remind

915

00:32:58,710 --> 00:32:55,360

ourselves to look up once in a while

916

00:32:59,110 --> 00:32:58,720

now here is actually a sad one it comes

917

00:33:02,710 --> 00:32:59,120

from

918

00:33:05,029 --> 00:33:02,720

eddie and he writes hi greg i am

919

00:33:07,110 --> 00:33:05,039

a long time listener and a plus member i

920

00:33:09,430 --> 00:33:07,120

don't normally do forums but i wanted to

921

00:33:13,269 --> 00:33:09,440

get in touch with you about the tragic

922

00:33:15,590 --> 00:33:13,279

passing of your former guest david crow

923

00:33:17,509 --> 00:33:15,600

i don't know whether you kept in touch

924

00:33:19,990 --> 00:33:17,519

with him at all since interviewing him

925

00:33:22,149 --> 00:33:20,000

i haven't i've been listening to his

926
00:33:23,190 --> 00:33:22,159
infectious myth podcast since hearing

927
00:33:25,430 --> 00:33:23,200
him on your show

928
00:33:26,389 --> 00:33:25,440
i downloaded his most recent show about

929
00:33:28,230 --> 00:33:26,399
a week ago

930
00:33:30,149 --> 00:33:28,240
and heard him giving news about his

931
00:33:32,789 --> 00:33:30,159
recent cancer diagnosis

932
00:33:36,230 --> 00:33:32,799
and the treatments he was trying on his

933
00:33:39,190 --> 00:33:36,240
last show published on the 7th of july

934
00:33:41,110 --> 00:33:39,200
which was his third cancer update he

935
00:33:43,269 --> 00:33:41,120
sounded painfully ill

936
00:33:44,549 --> 00:33:43,279
after hearing it i was searching online

937
00:33:45,830 --> 00:33:44,559
to see if there had been any updates

938
00:33:47,990 --> 00:33:45,840

from him since then

939

00:33:50,310 --> 00:33:48,000

there is nothing to be found i sent a

940

00:33:51,990 --> 00:33:50,320

donation and message to his website

941

00:33:54,710 --> 00:33:52,000

email this morning to give him

942

00:33:55,669 --> 00:33:54,720

my best wishes for his return to health

943

00:33:57,990 --> 00:33:55,679

sadly

944

00:33:59,190 --> 00:33:58,000

his son aaron replied to me today

945

00:34:01,350 --> 00:33:59,200

letting me know

946

00:34:03,830 --> 00:34:01,360

my dad passed away four weeks ago from

947

00:34:05,669 --> 00:34:03,840

his short battle with cancer

948

00:34:07,750 --> 00:34:05,679

i asked him if i could pass this message

949

00:34:08,550 --> 00:34:07,760

on to you to give condolences on your

950

00:34:10,710 --> 00:34:08,560

show

951
00:34:12,310 --> 00:34:10,720
as again i have not seen it mentioned at

952
00:34:14,629 --> 00:34:12,320
all online

953
00:34:17,829 --> 00:34:14,639
and he was happy with that anyway love

954
00:34:20,149 --> 00:34:17,839
the show keep up the great work

955
00:34:22,310 --> 00:34:20,159
wow and that interview just happened in

956
00:34:24,629 --> 00:34:22,320
march on gordon's recommendation

957
00:34:26,470 --> 00:34:24,639
actually that's how i found david

958
00:34:28,389 --> 00:34:26,480
and i really loved having him on the

959
00:34:30,869 --> 00:34:28,399
podcast

960
00:34:31,669 --> 00:34:30,879
his work is a great ongoing resource for

961
00:34:34,389 --> 00:34:31,679
pushing back

962
00:34:36,310 --> 00:34:34,399
on germ theory he was a very smart guy

963
00:34:38,389 --> 00:34:36,320

always focused on the data

964

00:34:40,149 --> 00:34:38,399

and did not shy away from addressing

965

00:34:42,069 --> 00:34:40,159

things head-on because he was so

966

00:34:44,069 --> 00:34:42,079

confident in his position

967

00:34:46,230 --> 00:34:44,079

he even did at least one debate show

968

00:34:47,669 --> 00:34:46,240

with the doctor on coronavirus earlier

969

00:34:50,149 --> 00:34:47,679

this year

970

00:34:52,069 --> 00:34:50,159

but it's just it's really sad he was a

971

00:34:53,510 --> 00:34:52,079

really unique person in this space i'm

972

00:34:56,230 --> 00:34:53,520

lucky i got to interview him

973

00:34:58,230 --> 00:34:56,240

at least one time check out the

974

00:35:00,390 --> 00:34:58,240

contagious myth podcast and

975

00:35:02,310 --> 00:35:00,400

any of his work while you still can in

976
00:35:05,670 --> 00:35:02,320
honor because

977
00:35:08,790 --> 00:35:05,680
i'd say he has a legacy to be proud of

978
00:35:11,829 --> 00:35:08,800
and that's really the q a forum

979
00:35:13,910 --> 00:35:11,839
as well and we can i guess now awkwardly

980
00:35:15,510 --> 00:35:13,920
segue into something i expected to be a

981
00:35:17,109 --> 00:35:15,520
little fun and cathartic and that's

982
00:35:17,990 --> 00:35:17,119
reading some of the harsher comments

983
00:35:20,550 --> 00:35:18,000
i've gotten

984
00:35:23,349 --> 00:35:20,560
similar to jimmy kimmel having

985
00:35:25,270 --> 00:35:23,359
celebrities read mean tweets

986
00:35:27,670 --> 00:35:25,280
and this one isn't so bad but the guy

987
00:35:30,390 --> 00:35:27,680
wrote it on the smith and hattery

988
00:35:31,670 --> 00:35:30,400

policing black bodies episode on social

989

00:35:34,069 --> 00:35:31,680

media

990

00:35:35,589 --> 00:35:34,079

shows like this are what keep me from

991

00:35:38,950 --> 00:35:35,599

supporting thc

992

00:35:41,910 --> 00:35:38,960

every few episodes is very white man bad

993

00:35:45,430 --> 00:35:41,920

and i think he's propaganda good enough

994

00:35:47,510 --> 00:35:45,440

to listen to every week though

995

00:35:50,470 --> 00:35:47,520

i mean wow this is the sort of thing i

996

00:35:52,710 --> 00:35:50,480

get at least once a month probably more

997

00:35:54,230 --> 00:35:52,720

where someone says i listen to every

998

00:35:57,349 --> 00:35:54,240

episode you do

999

00:35:59,670 --> 00:35:57,359

but i don't like when you cover x y or z

1000

00:36:01,750 --> 00:35:59,680

and so i think you're propaganda and i

1001
00:36:03,910 --> 00:36:01,760
won't support you

1002
00:36:04,950 --> 00:36:03,920
you're content to listen to propaganda

1003
00:36:07,589 --> 00:36:04,960
week after week

1004
00:36:07,990 --> 00:36:07,599
you enjoy most of the shows i do but you

1005
00:36:11,349 --> 00:36:08,000
stop

1006
00:36:13,349 --> 00:36:11,359
short of signing up for plus teach their

1007
00:36:16,470 --> 00:36:13,359
own but that's a very frustrating

1008
00:36:18,950 --> 00:36:16,480
thing for someone in my position to read

1009
00:36:19,829 --> 00:36:18,960
if i had that person's ip address i

1010
00:36:22,470 --> 00:36:19,839
would say cool

1011
00:36:23,589 --> 00:36:22,480
i'm propaganda you can have that opinion

1012
00:36:25,510 --> 00:36:23,599
but you are also

1013
00:36:26,710 --> 00:36:25,520

blocked from listening i'm doing that

1014

00:36:29,670 --> 00:36:26,720

for your own good

1015

00:36:31,349 --> 00:36:29,680

let's just walk away from each other

1016

00:36:33,510 --> 00:36:31,359

obviously i can't do that but if you

1017

00:36:35,910 --> 00:36:33,520

think i'm propaganda back it up

1018

00:36:37,910 --> 00:36:35,920

from who because i have a facebook

1019

00:36:40,310 --> 00:36:37,920

history that goes back to the beginning

1020

00:36:41,990 --> 00:36:40,320

of facebook not one that i'm proud of

1021

00:36:43,430 --> 00:36:42,000

with pictures of me in college and all

1022

00:36:45,510 --> 00:36:43,440

that kind of stuff

1023

00:36:46,710 --> 00:36:45,520

but there's certainly no indication that

1024

00:36:49,270 --> 00:36:46,720

i've ever been

1025

00:36:49,990 --> 00:36:49,280

anything than what i say i am a regular

1026

00:36:52,310 --> 00:36:50,000

guy

1027

00:36:53,510 --> 00:36:52,320

who grew up in missouri dropped out of

1028

00:36:55,589 --> 00:36:53,520

college and had no

1029

00:36:56,710 --> 00:36:55,599

options in life but to start my own

1030

00:36:58,710 --> 00:36:56,720

thing

1031

00:37:00,470 --> 00:36:58,720

my dad was an accountant for a company

1032

00:37:02,069 --> 00:37:00,480

that sold construction equipment

1033

00:37:04,310 --> 00:37:02,079

there's no connection to anything

1034

00:37:06,069 --> 00:37:04,320

anywhere if you want to claim something

1035

00:37:08,150 --> 00:37:06,079

then prove it

1036

00:37:10,310 --> 00:37:08,160

it's okay to say that you think that i

1037

00:37:13,190 --> 00:37:10,320

am wrong about some things

1038

00:37:13,750 --> 00:37:13,200

of course one uneducated guy doing all

1039

00:37:16,390 --> 00:37:13,760

of this

1040

00:37:18,230 --> 00:37:16,400

on my own might make some poor guest

1041

00:37:20,069 --> 00:37:18,240

choices here and there

1042

00:37:22,550 --> 00:37:20,079

but i think i have a good track record

1043

00:37:24,710 --> 00:37:22,560

for being a one-man band

1044

00:37:25,589 --> 00:37:24,720

and just because you disagree with me on

1045

00:37:28,470 --> 00:37:25,599

a certain guest

1046

00:37:29,430 --> 00:37:28,480

choice doesn't mean i'm connected to

1047

00:37:32,710 --> 00:37:29,440

some group

1048

00:37:35,910 --> 00:37:32,720

feeding me white man bad guests

1049

00:37:36,710 --> 00:37:35,920

to pepper end the rotation i'm not white

1050

00:37:39,349 --> 00:37:36,720

man bad

1051
00:37:40,390 --> 00:37:39,359
i'm american empire bad i'm british

1052
00:37:42,710 --> 00:37:40,400
empire bad

1053
00:37:44,550 --> 00:37:42,720
i'm capstone cabal which is mainly

1054
00:37:47,589 --> 00:37:44,560
light-skinned bad

1055
00:37:49,510 --> 00:37:47,599
but i regularly say we didn't trash the

1056
00:37:51,349 --> 00:37:49,520
planet major corporations did

1057
00:37:53,190 --> 00:37:51,359
we regular people don't have the

1058
00:37:54,390 --> 00:37:53,200
resources to do the damage the one

1059
00:37:57,270 --> 00:37:54,400
percent does

1060
00:37:57,829 --> 00:37:57,280
but the media puts it on the people as a

1061
00:38:00,230 --> 00:37:57,839
whole

1062
00:38:02,310 --> 00:38:00,240
and that's the patent switch but it

1063
00:38:04,550 --> 00:38:02,320

really is just something people say

1064

00:38:06,310 --> 00:38:04,560

so that they can listen without

1065

00:38:08,310 --> 00:38:06,320

supporting me well

1066

00:38:10,310 --> 00:38:08,320

he's good but he's not perfect so i'll

1067

00:38:12,230 --> 00:38:10,320

just listen to everything for free

1068

00:38:13,670 --> 00:38:12,240

because who knows what he'd do with my

1069

00:38:16,150 --> 00:38:13,680

eight dollars

1070

00:38:17,829 --> 00:38:16,160

i don't know what i'd be supporting it's

1071

00:38:19,430 --> 00:38:17,839

like i really hope these people are

1072

00:38:21,829 --> 00:38:19,440

digging into the lives of their

1073

00:38:23,510 --> 00:38:21,839

waitresses and their uber drivers

1074

00:38:25,109 --> 00:38:23,520

to make sure that their tips are going

1075

00:38:26,710 --> 00:38:25,119

to be used appropriately

1076

00:38:28,870 --> 00:38:26,720

because that's how they treat me you

1077

00:38:29,589 --> 00:38:28,880

know what i'm saying for some reason my

1078

00:38:32,150 --> 00:38:29,599

whole life

1079

00:38:32,950 --> 00:38:32,160

and show archive needs to be completely

1080

00:38:35,270 --> 00:38:32,960

perfect

1081

00:38:36,230 --> 00:38:35,280

yet we give tips to all sorts of people

1082

00:38:37,910 --> 00:38:36,240

for way less

1083

00:38:40,150 --> 00:38:37,920

and they could be buying meth with your

1084

00:38:42,230 --> 00:38:40,160

money for all you know

1085

00:38:43,750 --> 00:38:42,240

i'm just messing around but let's do

1086

00:38:46,390 --> 00:38:43,760

some rapid fire ones

1087

00:38:48,470 --> 00:38:46,400

we have no quarter for the communist

1088

00:38:50,870 --> 00:38:48,480

greg is a cuck for black lives matter

1089

00:38:53,030 --> 00:38:50,880

oh and this was a good one but earmuffs

1090

00:38:55,510 --> 00:38:53,040

for those who are sensitive out there

1091

00:38:56,710 --> 00:38:55,520

i used to love thc then the [h__h]

1092

00:38:59,750 --> 00:38:56,720

turned off comments

1093

00:38:59,990 --> 00:38:59,760

what a snowflake and let's talk about

1094

00:39:02,630 --> 00:39:00,000

that

1095

00:39:04,230 --> 00:39:02,640

for a second i've had youtube comments

1096

00:39:07,030 --> 00:39:04,240

on since 2010

1097

00:39:08,470 --> 00:39:07,040

and i never cared what anyone said there

1098

00:39:11,109 --> 00:39:08,480

well i turned them off

1099

00:39:12,390 --> 00:39:11,119

after angela davis why well if you think

1100

00:39:14,870 --> 00:39:12,400

it's for my benefit

1101

00:39:17,109 --> 00:39:14,880

it's not yes it's refreshing to not

1102

00:39:20,550 --> 00:39:17,119

actually have to hear all that noise

1103

00:39:23,510 --> 00:39:20,560

but it was all racist [h__h] and slurs

1104

00:39:25,270 --> 00:39:23,520

hurled at my guest that made me do it i

1105

00:39:26,069 --> 00:39:25,280

do not want to invite someone on this

1106

00:39:29,030 --> 00:39:26,079

show

1107

00:39:29,829 --> 00:39:29,040

send them links to the uploads and then

1108

00:39:32,069 --> 00:39:29,839

have them see

1109

00:39:33,990 --> 00:39:32,079

comments that drop n-bombs on them

1110

00:39:36,390 --> 00:39:34,000

that's super embarrassing

1111

00:39:38,550 --> 00:39:36,400

and i'm not gonna let that happen so now

1112

00:39:40,470 --> 00:39:38,560

the comments are just off

1113

00:39:41,990 --> 00:39:40,480

i guess those people can go cry about it

1114

00:39:45,190 --> 00:39:42,000

somewhere else like on

1115

00:39:46,950 --> 00:39:45,200

itunes so if we're gonna keep with this

1116

00:39:49,430 --> 00:39:46,960

negative comment theme let's look at

1117

00:39:53,430 --> 00:39:49,440

some recent reviews

1118

00:39:57,030 --> 00:39:53,440

for me itunes reviews are for

1119

00:39:59,589 --> 00:39:57,040

rating a show as a whole and when i see

1120

00:40:03,109 --> 00:39:59,599

reviews that give the entire show

1121

00:40:04,950 --> 00:40:03,119

a one-star rating over a single episode

1122

00:40:06,790 --> 00:40:04,960

that's kind of frustrating because those

1123

00:40:08,630 --> 00:40:06,800

same people aren't giving me five-star

1124

00:40:10,470 --> 00:40:08,640

reviews for the episodes they like

1125

00:40:12,470 --> 00:40:10,480

they take those ones for granted but

1126

00:40:16,390 --> 00:40:12,480

here we go

1127

00:40:18,710 --> 00:40:16,400

one star titled decent dot dot dot butt

1128

00:40:19,589 --> 00:40:18,720

they say so i like your subject matter a

1129

00:40:21,910 --> 00:40:19,599

lot vast

1130

00:40:24,150 --> 00:40:21,920

and diverse but as with everything else

1131

00:40:26,230 --> 00:40:24,160

these days your attempt at a money grab

1132

00:40:28,069 --> 00:40:26,240

is disheartening to say the least

1133

00:40:30,710 --> 00:40:28,079

you do realize that nationally

1134

00:40:32,870 --> 00:40:30,720

syndicated shows like coast to coast am

1135

00:40:35,190 --> 00:40:32,880

charge less a month than you do just

1136

00:40:37,190 --> 00:40:35,200

saying with an outrageously better

1137

00:40:39,990 --> 00:40:37,200

archive and production value

1138

00:40:41,270 --> 00:40:40,000

your opening soliloquies are fun here

1139

00:40:43,990 --> 00:40:41,280

and there

1140

00:40:45,670 --> 00:40:44,000

lately though i think they feel forced

1141

00:40:47,510 --> 00:40:45,680

but nevertheless

1142

00:40:49,670 --> 00:40:47,520

that's your shtick can't hate on it

1143

00:40:52,150 --> 00:40:49,680

overall i listen to every episode

1144

00:40:52,950 --> 00:40:52,160

ding ding ding just won't pay for the

1145

00:40:56,150 --> 00:40:52,960

second hour

1146

00:40:57,670 --> 00:40:56,160

it is a shame really well thank you for

1147

00:41:01,030 --> 00:40:57,680

listening to every episode

1148

00:41:01,910 --> 00:41:01,040

and giving me a one star review and well

1149

00:41:03,670 --> 00:41:01,920

if you

1150

00:41:05,270 --> 00:41:03,680

want to call what i do a money grab i

1151
00:41:05,990 --> 00:41:05,280
would ask how many other people you know

1152
00:41:09,190 --> 00:41:06,000
who do what they

1153
00:41:10,790 --> 00:41:09,200
do for free do you work for free

1154
00:41:12,470 --> 00:41:10,800
you think george nori isn't getting a

1155
00:41:14,710 --> 00:41:12,480
fat paycheck

1156
00:41:17,109 --> 00:41:14,720
i hope you reviewed coast to coast

1157
00:41:19,510 --> 00:41:17,119
poorly because of all the ads they have

1158
00:41:20,309 --> 00:41:19,520
there's an ad break every 10 minutes and

1159
00:41:23,109 --> 00:41:20,319
they still

1160
00:41:25,670 --> 00:41:23,119
charge for memberships that's not a

1161
00:41:28,790 --> 00:41:25,680
money grab

1162
00:41:29,510 --> 00:41:28,800
let's go rapid fire again cove idiot one

1163
00:41:31,670 --> 00:41:29,520

star

1164

00:41:32,550 --> 00:41:31,680

now he's on the coronavirus hoax stuff

1165

00:41:35,430 --> 00:41:32,560

what a jerk

1166

00:41:38,470 --> 00:41:35,440

was good crap now forum borealis and

1167

00:41:40,870 --> 00:41:38,480

mysterious universe are way better

1168

00:41:41,589 --> 00:41:40,880

next one unsubscribe i've been a

1169

00:41:44,470 --> 00:41:41,599

listener

1170

00:41:45,510 --> 00:41:44,480

for years but i'm unsubscribing after

1171

00:41:49,510 --> 00:41:45,520

the string of

1172

00:41:52,710 --> 00:41:49,520

woke blm anti-racist guests

1173

00:41:55,430 --> 00:41:52,720

okay you could just skip them also

1174

00:41:56,870 --> 00:41:55,440

next this podcast is stupid you should

1175

00:41:59,270 --> 00:41:56,880

be ashamed of yourselves

1176
00:42:00,630 --> 00:41:59,280
well i'm one person so shows how much

1177
00:42:02,630 --> 00:42:00,640
you know about the show

1178
00:42:04,470 --> 00:42:02,640
but i will take all the blame for the

1179
00:42:06,950 --> 00:42:04,480
stupid podcast

1180
00:42:08,550 --> 00:42:06,960
another terrible episode keep spreading

1181
00:42:11,670 --> 00:42:08,560
dangerous info loser

1182
00:42:13,670 --> 00:42:11,680
why did i even give you a second chance

1183
00:42:15,990 --> 00:42:13,680
see again a review that was triggered

1184
00:42:19,829 --> 00:42:16,000
apparently by a single episode but

1185
00:42:22,150 --> 00:42:19,839
it is a hit against my show as a whole

1186
00:42:23,270 --> 00:42:22,160
next person says look elsewhere great

1187
00:42:25,750 --> 00:42:23,280
until you realize

1188
00:42:27,510 --> 00:42:25,760

half the episode is behind a paywall

1189

00:42:28,069 --> 00:42:27,520

that's nice again i hope you have a

1190

00:42:30,069 --> 00:42:28,079

business

1191

00:42:32,710 --> 00:42:30,079

so i can give you a shitty review on

1192

00:42:36,630 --> 00:42:32,720

yelp because you didn't do the work

1193

00:42:39,750 --> 00:42:36,640

for me for free would that be fair

1194

00:42:42,309 --> 00:42:39,760

next one star review not good everything

1195

00:42:44,870 --> 00:42:42,319

about this show is terrible

1196

00:42:47,109 --> 00:42:44,880

next one says show has gone downhill the

1197

00:42:49,750 --> 00:42:47,119

show used to be about conspiracies

1198

00:42:52,069 --> 00:42:49,760

and now it's all about health concerns

1199

00:42:53,430 --> 00:42:52,079

boring

1200

00:42:56,309 --> 00:42:53,440

i think greg is afraid of being

1201

00:42:58,390 --> 00:42:56,319

de-platformed stopped listening

1202

00:43:00,390 --> 00:42:58,400

well that's nice loyalty because

1203

00:43:01,750 --> 00:43:00,400

d-platforming is a serious issue for

1204

00:43:04,150 --> 00:43:01,760

people who are trying

1205

00:43:05,270 --> 00:43:04,160

to give you an alternative view on

1206

00:43:07,349 --> 00:43:05,280

things

1207

00:43:10,230 --> 00:43:07,359

it's nice to know you have absolutely no

1208

00:43:12,150 --> 00:43:10,240

empathy for those concerns

1209

00:43:15,109 --> 00:43:12,160

and here's a fun one that i don't

1210

00:43:17,349 --> 00:43:15,119

understand at all

1211

00:43:18,950 --> 00:43:17,359

loved this show before but it's too

1212

00:43:21,109 --> 00:43:18,960

alt-right trump lately

1213

00:43:22,309 --> 00:43:21,119

this was one of my favorite podcasts

1214

00:43:26,790 --> 00:43:22,319

greg has become

1215

00:43:29,990 --> 00:43:26,800

a maga sucker liked you dude for years

1216

00:43:32,150 --> 00:43:30,000

tried but placating to in-cell

1217

00:43:33,589 --> 00:43:32,160

trumptards has become too much to

1218

00:43:37,030 --> 00:43:33,599

tolerate

1219

00:43:38,870 --> 00:43:37,040

wow like is this even real how is thc

1220

00:43:41,190 --> 00:43:38,880

one of your favorite podcasts but you

1221

00:43:44,230 --> 00:43:41,200

think i've taken some alt-right turn

1222

00:43:46,150 --> 00:43:44,240

i just don't get that the chill for blm

1223

00:43:48,309 --> 00:43:46,160

comments at least have a few shows they

1224

00:43:50,230 --> 00:43:48,319

can source to make their point

1225

00:43:52,630 --> 00:43:50,240

i feel like i'm causing more friction

1226

00:43:53,510 --> 00:43:52,640

with the q crowd than almost all of my

1227

00:43:55,829 --> 00:43:53,520

peers

1228

00:43:57,750 --> 00:43:55,839

most shows i check out are either

1229

00:43:59,109 --> 00:43:57,760

entertaining it heavily or trying to be

1230

00:44:00,390 --> 00:43:59,119

neutral because they don't want to lose

1231

00:44:02,150 --> 00:44:00,400

those listeners so

1232

00:44:04,630 --> 00:44:02,160

i think i've been pretty honest about

1233

00:44:07,829 --> 00:44:04,640

that the other day someone sent me this

1234

00:44:08,710 --> 00:44:07,839

video of a pardoning that trump did of a

1235

00:44:11,349 --> 00:44:08,720

black woman

1236

00:44:12,790 --> 00:44:11,359

alice johnson first time drug offender

1237

00:44:14,390 --> 00:44:12,800

non-violent

1238

00:44:16,550 --> 00:44:14,400

and they thought this was some kind of

1239

00:44:18,630 --> 00:44:16,560

huge thing but i see it as doing the

1240

00:44:19,430 --> 00:44:18,640

bare minimum to try to appease these

1241

00:44:22,150 --> 00:44:19,440

people who

1242

00:44:22,790 --> 00:44:22,160

think he's some kind of savior why not

1243

00:44:24,870 --> 00:44:22,800

pardon

1244

00:44:25,829 --> 00:44:24,880

all first-time drug offenders that are

1245

00:44:29,109 --> 00:44:25,839

non-violent

1246

00:44:30,630 --> 00:44:29,119

in a big giant stadium he could take the

1247

00:44:32,870 --> 00:44:30,640

stage and talk about how

1248

00:44:34,390 --> 00:44:32,880

he's lived a sober life because he had a

1249

00:44:37,030 --> 00:44:34,400

brother that was an alcoholic

1250

00:44:39,030 --> 00:44:37,040

and you know that not everyone had that

1251

00:44:41,190 --> 00:44:39,040

same example to see in their life

1252

00:44:43,349 --> 00:44:41,200

and people make mistakes and you want to

1253

00:44:46,390 --> 00:44:43,359

rework the laws in your next term

1254

00:44:48,309 --> 00:44:46,400

but right now all first-time non-violent

1255

00:44:49,829 --> 00:44:48,319

drug offenders are free to reclaim their

1256

00:44:50,470 --> 00:44:49,839

lives because this should have never

1257

00:44:52,790 --> 00:44:50,480

happened

1258

00:44:54,150 --> 00:44:52,800

and you should have redemption it would

1259

00:44:56,230 --> 00:44:54,160

be one of the most powerful

1260

00:44:59,270 --> 00:44:56,240

moments in american history but of

1261

00:45:01,670 --> 00:44:59,280

course he'll never do that

1262

00:45:03,349 --> 00:45:01,680

anyway next one says is this fun or is

1263

00:45:05,910 --> 00:45:03,359

this just me bitching but

1264

00:45:07,270 --> 00:45:05,920

regardless says greg is a phenomenal

1265

00:45:09,829 --> 00:45:07,280

interviewer

1266

00:45:11,910 --> 00:45:09,839

however he is at alex jones level when

1267

00:45:13,670 --> 00:45:11,920

it comes to using fear and manipulation

1268

00:45:16,150 --> 00:45:13,680

to get people to join his plus

1269

00:45:17,430 --> 00:45:16,160

paid level it's a shame too because he's

1270

00:45:19,190 --> 00:45:17,440

doing great work

1271

00:45:21,030 --> 00:45:19,200

and i understand everyone has to make a

1272

00:45:21,990 --> 00:45:21,040

living to me it seems like he's

1273

00:45:24,150 --> 00:45:22,000

knowledgeable

1274

00:45:25,190 --> 00:45:24,160

but uses it simply to attract members

1275

00:45:27,910 --> 00:45:25,200

and doesn't actually

1276

00:45:30,550 --> 00:45:27,920

care too much on a personal level he

1277

00:45:32,790 --> 00:45:30,560

also possesses a really dark world view

1278

00:45:34,870 --> 00:45:32,800

which i am sure is to bait people by

1279

00:45:36,390 --> 00:45:34,880

making them think they need his real

1280

00:45:38,309 --> 00:45:36,400

info to fight back

1281

00:45:41,030 --> 00:45:38,319

or if he actually believes what he's

1282

00:45:42,950 --> 00:45:41,040

saying it's hard to tell anymore

1283

00:45:44,470 --> 00:45:42,960

everyone in this field of research seems

1284

00:45:46,470 --> 00:45:44,480

to sell out eventually

1285

00:45:47,910 --> 00:45:46,480

which is at this point one of the only

1286

00:45:50,950 --> 00:45:47,920

ways to even

1287

00:45:52,950 --> 00:45:50,960

talk about the stuff he talks about i've

1288

00:45:53,349 --> 00:45:52,960

cooled off on this podcast because of

1289

00:45:55,430 --> 00:45:53,359

all

1290

00:45:57,670 --> 00:45:55,440

the preceding reasons but i try to just

1291

00:46:00,069 --> 00:45:57,680

take what good knowledge i can

1292

00:46:01,829 --> 00:46:00,079

and not be bothered by greg saving all

1293

00:46:05,190 --> 00:46:01,839

the real meat of the interview

1294

00:46:07,510 --> 00:46:05,200

for his paid section lame for me helping

1295

00:46:10,150 --> 00:46:07,520

people comes first i'd much rather

1296

00:46:11,109 --> 00:46:10,160

someone ask for donations than pull this

1297

00:46:13,349 --> 00:46:11,119

[h__\h]

1298

00:46:14,790 --> 00:46:13,359

it's not right to say you care and then

1299

00:46:16,230 --> 00:46:14,800

put all the important parts of the

1300

00:46:17,990 --> 00:46:16,240

interview behind a paywall

1301
00:46:20,550 --> 00:46:18,000
he would easily make more money on a

1302
00:46:21,190 --> 00:46:20,560
value for value type donation system not

1303
00:46:23,349 --> 00:46:21,200
true

1304
00:46:24,950 --> 00:46:23,359
because i would support him for one but

1305
00:46:26,710 --> 00:46:24,960
so would a lot of other people who feel

1306
00:46:28,069 --> 00:46:26,720
baited and manipulated into getting

1307
00:46:30,069 --> 00:46:28,079
what's behind his paywall

1308
00:46:32,470 --> 00:46:30,079
the truth is the truth and no one has a

1309
00:46:35,670 --> 00:46:32,480
right to hoard it as their own

1310
00:46:38,309 --> 00:46:35,680
well boohoo i actually did a value for

1311
00:46:38,870 --> 00:46:38,319
value model i took donations for a long

1312
00:46:41,030 --> 00:46:38,880
time

1313
00:46:42,390 --> 00:46:41,040

i even gave half back to a random

1314

00:46:45,990 --> 00:46:42,400

listener i don't know

1315

00:46:47,750 --> 00:46:46,000

anyone who has ever done that

1316

00:46:49,589 --> 00:46:47,760

maybe because it's probably illegal to

1317

00:46:51,430 --> 00:46:49,599

run an international digital raffle and

1318

00:46:53,270 --> 00:46:51,440

i shouldn't have done it but i tried

1319

00:46:55,910 --> 00:46:53,280

i definitely tried and it made a

1320

00:46:57,910 --> 00:46:55,920

difference to people when it happened

1321

00:47:00,230 --> 00:46:57,920

and i've also brought this up before

1322

00:47:02,230 --> 00:47:00,240

but when i was doing a donation basis or

1323

00:47:04,550 --> 00:47:02,240

a value for value basis i had a few

1324

00:47:07,109 --> 00:47:04,560

people donating large amounts of money

1325

00:47:08,790 --> 00:47:07,119

hundreds in some cases thousands

1326
00:47:11,430 --> 00:47:08,800
and they would give me guess they wanted

1327
00:47:14,390 --> 00:47:11,440
me to interview

1328
00:47:15,990 --> 00:47:14,400
and that felt really sketchy so you want

1329
00:47:16,870 --> 00:47:16,000
to talk about selling out and being

1330
00:47:19,190 --> 00:47:16,880
compromised

1331
00:47:21,430 --> 00:47:19,200
i was closer to it in those moments than

1332
00:47:23,670 --> 00:47:21,440
i am now that i have democratized

1333
00:47:24,630 --> 00:47:23,680
thc i asked for eight bucks a month it

1334
00:47:27,589 --> 00:47:24,640
is a

1335
00:47:29,670 --> 00:47:27,599
cocktail at a bar i know there are

1336
00:47:31,510 --> 00:47:29,680
guests we have sometimes who

1337
00:47:32,870 --> 00:47:31,520
make it a point to say all the content

1338
00:47:35,750 --> 00:47:32,880

they put out is free

1339

00:47:36,309 --> 00:47:35,760

but those are usually older people who

1340

00:47:38,790 --> 00:47:36,319

have had

1341

00:47:39,670 --> 00:47:38,800

a whole lifetime to make money and have

1342

00:47:43,030 --> 00:47:39,680

had a career

1343

00:47:45,670 --> 00:47:43,040

somewhere else and so they can do that

1344

00:47:48,069 --> 00:47:45,680

i tried other formats first when i was

1345

00:47:49,910 --> 00:47:48,079

most broke and most desperate i tried to

1346

00:47:53,109 --> 00:47:49,920

just do other things first

1347

00:47:55,349 --> 00:47:53,119

and it wasn't working it's very easy to

1348

00:47:58,549 --> 00:47:55,359

say that you would support me if i

1349

00:48:01,430 --> 00:47:58,559

didn't have a paywall

1350

00:48:03,190 --> 00:48:01,440

but then not do it when i do and i've

1351

00:48:05,670 --> 00:48:03,200

also said this

1352

00:48:06,950 --> 00:48:05,680

conversations naturally get deeper and

1353

00:48:08,790 --> 00:48:06,960

more interesting

1354

00:48:10,309 --> 00:48:08,800

and it would be really awkward for the

1355

00:48:13,109 --> 00:48:10,319

first hour to be paid

1356

00:48:15,670 --> 00:48:13,119

so it really doesn't make a whole lot of

1357

00:48:18,390 --> 00:48:15,680

sense to do it any other way

1358

00:48:21,030 --> 00:48:18,400

and i would also ask those people who

1359

00:48:23,510 --> 00:48:21,040

have a problem with my second hour

1360

00:48:26,150 --> 00:48:23,520

if you think i'm trying to screw you

1361

00:48:28,309 --> 00:48:26,160

over go and look at some of the

1362

00:48:30,470 --> 00:48:28,319

lengths of the free show i'm often

1363

00:48:32,069 --> 00:48:30,480

putting an extra 10 minutes in because i

1364

00:48:33,990 --> 00:48:32,079

want the guests to finish making their

1365

00:48:37,510 --> 00:48:34,000

point i want it to sound really good as

1366

00:48:39,589 --> 00:48:37,520

a whole i do that for the guests benefit

1367

00:48:40,870 --> 00:48:39,599

and for the listeners benefit it doesn't

1368

00:48:43,349 --> 00:48:40,880

help me

1369

00:48:45,430 --> 00:48:43,359

if i was that greedy i'd do it the way

1370

00:48:47,829 --> 00:48:45,440

i've seen some other shows do it where

1371

00:48:49,510 --> 00:48:47,839

they cut it right at an hour right in

1372

00:48:50,150 --> 00:48:49,520

the middle of a sentence sometimes or

1373

00:48:54,790 --> 00:48:50,160

they

1374

00:48:58,150 --> 00:48:54,800

provocative question as a tease to you

1375

00:49:00,069 --> 00:48:58,160

i don't do that and i also resent the

1376

00:49:03,109 --> 00:49:00,079

idea that i have a very dark world view

1377

00:49:04,710 --> 00:49:03,119

i don't think i use fear to sell plus

1378

00:49:07,430 --> 00:49:04,720

although sometimes i have mentioned that

1379

00:49:09,910 --> 00:49:07,440

when a guest gets really extreme

1380

00:49:11,829 --> 00:49:09,920

and talks about something that is maybe

1381

00:49:13,109 --> 00:49:11,839

quite polarizing i'm happy that it's

1382

00:49:16,630 --> 00:49:13,119

just the inner circle

1383

00:49:18,150 --> 00:49:16,640

because i could get de-platformed for

1384

00:49:19,670 --> 00:49:18,160

some things but it wouldn't happen if it

1385

00:49:20,950 --> 00:49:19,680

was in the second hour and i don't have

1386

00:49:23,910 --> 00:49:20,960

to hear the feedback

1387

00:49:25,190 --> 00:49:23,920

on something that's really controversial

1388

00:49:26,470 --> 00:49:25,200

that they might say when they're

1389

00:49:29,190 --> 00:49:26,480

comfortable

1390

00:49:31,349 --> 00:49:29,200

90 minutes into a show that's something

1391

00:49:33,910 --> 00:49:31,359

i hear crow say a lot free speech

1392

00:49:35,510 --> 00:49:33,920

is only really unleashed in the paid

1393

00:49:38,069 --> 00:49:35,520

portion of the show

1394

00:49:39,910 --> 00:49:38,079

i wouldn't say it's a sales tactic it's

1395

00:49:41,510 --> 00:49:39,920

just the way it is

1396

00:49:43,750 --> 00:49:41,520

complain to the people that are doing

1397

00:49:45,750 --> 00:49:43,760

the deep platforming not those whose

1398

00:49:47,910 --> 00:49:45,760

livelihoods are hanging out over the

1399

00:49:50,950 --> 00:49:47,920

chopping block

1400

00:49:52,710 --> 00:49:50,960

the next one says cool guests two stars

1401
00:49:54,710 --> 00:49:52,720
love that dr stephen greer was on the

1402
00:49:55,829 --> 00:49:54,720
podcast the host was kind of rude to him

1403
00:49:57,430 --> 00:49:55,839
though

1404
00:50:00,710 --> 00:49:57,440
well i got nothing really to say about

1405
00:50:02,710 --> 00:50:00,720
that but that is uh

1406
00:50:04,470 --> 00:50:02,720
the list of negative reviews just from

1407
00:50:06,710 --> 00:50:04,480
the last few months

1408
00:50:08,710 --> 00:50:06,720
of course we do have a decent amount of

1409
00:50:11,190 --> 00:50:08,720
good reviews peppered in there too

1410
00:50:12,150 --> 00:50:11,200
they're just not as fun to read for

1411
00:50:14,790 --> 00:50:12,160
example

1412
00:50:17,190 --> 00:50:14,800
great podcast five stars stephen greer

1413
00:50:20,230 --> 00:50:17,200

is kind of a dick

1414

00:50:22,549 --> 00:50:20,240

he said it not me and one more uh

1415

00:50:24,390 --> 00:50:22,559

three stars which of course three stars

1416

00:50:25,349 --> 00:50:24,400

is like a bad review right it's gotta be

1417

00:50:27,430 --> 00:50:25,359

one or five

1418

00:50:29,109 --> 00:50:27,440

that's just the way the world works love

1419

00:50:31,030 --> 00:50:29,119

ya but greg you're

1420

00:50:33,510 --> 00:50:31,040

hiding behind a paywall so i'll say it

1421

00:50:35,270 --> 00:50:33,520

here the reason he manages to pronounce

1422

00:50:36,790 --> 00:50:35,280

all those strange names so well is

1423

00:50:38,390 --> 00:50:36,800

because he pronounces many of them

1424

00:50:42,390 --> 00:50:38,400

incorrectly not that he's wrong

1425

00:50:44,390 --> 00:50:42,400

on the facts well okay i have no idea

1426

00:50:46,470 --> 00:50:44,400

who you're referring to again

1427

00:50:48,710 --> 00:50:46,480

and you can keep your love if it comes

1428

00:50:50,790 --> 00:50:48,720

with a hit against the show

1429

00:50:52,230 --> 00:50:50,800

listen and enjoy it and go about your

1430

00:50:53,990 --> 00:50:52,240

day if you don't want to sign up for

1431

00:50:56,470 --> 00:50:54,000

plus no problem

1432

00:50:57,750 --> 00:50:56,480

but take what you get and at a minimum

1433

00:51:01,670 --> 00:50:57,760

just don't [h__h] me

1434

00:51:04,150 --> 00:51:01,680

just don't trash thc on itunes

1435

00:51:06,150 --> 00:51:04,160

was that fun i'm not sure i expected it

1436

00:51:07,829 --> 00:51:06,160

to be more fun but it kind of turned

1437

00:51:09,430 --> 00:51:07,839

into a [h__h] fest and i didn't really

1438

00:51:10,390 --> 00:51:09,440

want that and i'm really not that upset

1439

00:51:12,230 --> 00:51:10,400

about it

1440

00:51:15,109 --> 00:51:12,240

but i guess it works maybe i just need

1441

00:51:18,069 --> 00:51:15,119

to not comment on each one

1442

00:51:19,190 --> 00:51:18,079

but to quote the ever-wise squeak

1443

00:51:22,710 --> 00:51:19,200

scolari

1444

00:51:23,589 --> 00:51:22,720

this is my job you [h__h] i take these

1445

00:51:25,829 --> 00:51:23,599

things

1446

00:51:27,430 --> 00:51:25,839

a little harder now because everything

1447

00:51:29,270 --> 00:51:27,440

is so volatile

1448

00:51:31,510 --> 00:51:29,280

and i worry about the economic impacts

1449

00:51:33,589 --> 00:51:31,520

2020 is going to have on our listeners

1450

00:51:35,430 --> 00:51:33,599

and my wife and i want to start trying

1451
00:51:37,270 --> 00:51:35,440
to have kids next year the shaman was

1452
00:51:39,589 --> 00:51:37,280
supposed to be an ending to

1453
00:51:41,589 --> 00:51:39,599
one chapter and the start of a new and

1454
00:51:44,309 --> 00:51:41,599
it probably will be

1455
00:51:46,710 --> 00:51:44,319
but those wheels are turning and thc has

1456
00:51:48,390 --> 00:51:46,720
to work i have no other option

1457
00:51:49,990 --> 00:51:48,400
but if i only cared about the money as

1458
00:51:52,630 --> 00:51:50,000
some of these people suggest

1459
00:51:54,630 --> 00:51:52,640
i'd be feeding people queuing on because

1460
00:51:56,069 --> 00:51:54,640
that's the biggest trend in our culture

1461
00:51:57,990 --> 00:51:56,079
right now

1462
00:51:59,349 --> 00:51:58,000
yes i did some flat earth shows because

1463
00:52:02,710 --> 00:51:59,359

i was genuinely

1464

00:52:04,309 --> 00:52:02,720

curious how that was getting so popular

1465

00:52:06,470 --> 00:52:04,319

and then some interesting points were

1466

00:52:07,829 --> 00:52:06,480

made and eric debay's 50 proofs the

1467

00:52:10,150 --> 00:52:07,839

earth is flat

1468

00:52:11,750 --> 00:52:10,160

but once it took over and drove a wedge

1469

00:52:12,470 --> 00:52:11,760

through the community i stopped and

1470

00:52:14,390 --> 00:52:12,480

thought

1471

00:52:16,630 --> 00:52:14,400

wait a minute this isn't just fun and

1472

00:52:18,470 --> 00:52:16,640

games here anymore this is going too far

1473

00:52:20,710 --> 00:52:18,480

and i try to be like all right all right

1474

00:52:22,470 --> 00:52:20,720

let's get back to reality a bit

1475

00:52:24,390 --> 00:52:22,480

and i definitely would have avoided

1476

00:52:26,470 --> 00:52:24,400

covering black issues in the criminal

1477

00:52:27,589 --> 00:52:26,480

justice system if i didn't genuinely

1478

00:52:29,990 --> 00:52:27,599

care

1479

00:52:31,589 --> 00:52:30,000

i wouldn't push back against maga people

1480

00:52:32,390 --> 00:52:31,599

if i just cared about collecting money

1481

00:52:35,430 --> 00:52:32,400

because

1482

00:52:38,230 --> 00:52:35,440

these things caused me to get a slew

1483

00:52:39,990 --> 00:52:38,240

of cancellations and one star reviews

1484

00:52:42,470 --> 00:52:40,000

and i thought that might be coming but

1485

00:52:43,349 --> 00:52:42,480

whatever it was an important issue to me

1486

00:52:45,349 --> 00:52:43,359

you think i

1487

00:52:47,750 --> 00:52:45,359

covered policing black bodies because i

1488

00:52:48,870 --> 00:52:47,760

expected a bunch of new plus members to

1489

00:52:52,069 --> 00:52:48,880

rush in

1490

00:52:52,790 --> 00:52:52,079

please now the critics who have said

1491

00:52:54,870 --> 00:52:52,800

that those

1492

00:52:57,430 --> 00:52:54,880

criminal justice shows felt like

1493

00:52:59,510 --> 00:52:57,440

something they could hear on npr

1494

00:53:00,870 --> 00:52:59,520

i think that is a fair criticism i

1495

00:53:02,710 --> 00:53:00,880

understand that you are in it for

1496

00:53:03,510 --> 00:53:02,720

something more provocative when it comes

1497

00:53:06,630 --> 00:53:03,520

to the

1498

00:53:08,790 --> 00:53:06,640

and to that i would say noted

1499

00:53:10,630 --> 00:53:08,800

it might be too tame for the audience i

1500

00:53:12,549 --> 00:53:10,640

built and that's different than it being

1501

00:53:14,549 --> 00:53:12,559

unimportant or inaccurate

1502

00:53:16,309 --> 00:53:14,559

so i have thought about that and it's

1503

00:53:18,230 --> 00:53:16,319

factored into every guest i put on the

1504

00:53:19,349 --> 00:53:18,240

schedule since that first angela davis

1505

00:53:21,829 --> 00:53:19,359

show came out

1506

00:53:23,270 --> 00:53:21,839

phoenix aurelius bruce fenton josh

1507

00:53:25,750 --> 00:53:23,280

cutchen and tim renner

1508

00:53:26,950 --> 00:53:25,760

chris knowles sally fallon morel and

1509

00:53:29,589 --> 00:53:26,960

derek bros

1510

00:53:31,190 --> 00:53:29,599

and i will continue to keep that in mind

1511

00:53:33,270 --> 00:53:31,200

with the angle that i don't care about

1512

00:53:34,630 --> 00:53:33,280

these things and i'm unwilling to

1513

00:53:36,230 --> 00:53:34,640

challenge dominant themes in the

1514

00:53:37,829 --> 00:53:36,240

conspiracy culture because this is all

1515

00:53:39,349 --> 00:53:37,839

for a cash grab

1516

00:53:41,510 --> 00:53:39,359

i think i've made my case that that's

1517

00:53:42,230 --> 00:53:41,520

not true it's just my job and i try to

1518

00:53:45,190 --> 00:53:42,240

make it

1519

00:53:45,430 --> 00:53:45,200

high level this is all good fun because

1520

00:54:06,390 --> 00:53:45,440

i

1521

00:54:07,750 --> 00:54:06,400

and so many of you guys are super

1522

00:54:10,870 --> 00:54:07,760

generous and just

1523

00:54:11,750 --> 00:54:10,880

cool people who enjoy the show so i hope

1524

00:54:15,430 --> 00:54:11,760

it

1525

00:54:17,109 --> 00:54:15,440

easier

1526

00:54:19,109 --> 00:54:17,119

but you don't have to take it so

1527

00:54:20,470 --> 00:54:19,119

seriously that something i said once

1528

00:54:23,670 --> 00:54:20,480

makes you 100

1529

00:54:25,270 --> 00:54:23,680

sure that i'm in the conspiracy our

1530

00:54:26,150 --> 00:54:25,280

guests bring some heavy and important

1531

00:54:28,470 --> 00:54:26,160

information

1532

00:54:30,630 --> 00:54:28,480

but we have to be able to put it down

1533

00:54:31,349 --> 00:54:30,640

sometimes for our own mental health that

1534

00:54:34,390 --> 00:54:31,359

is in the mix

1535

00:54:36,069 --> 00:54:34,400

too it is funny that some people have

1536

00:54:37,990 --> 00:54:36,079

this impression that i'm milking my

1537

00:54:40,470 --> 00:54:38,000

audience sitting on a pile of money

1538

00:54:41,750 --> 00:54:40,480

but in my mind i'm thinking is this too

1539

00:54:44,950 --> 00:54:41,760

risky of a career

1540

00:54:48,150 --> 00:54:44,960

to have a child can thc support a family

1541

00:54:50,150 --> 00:54:48,160

for 18 years uninterrupted

1542

00:54:51,270 --> 00:54:50,160

it's like my thought process is night

1543

00:54:54,069 --> 00:54:51,280

and day

1544

00:54:55,990 --> 00:54:54,079

but there is no precedent for podcasting

1545

00:54:57,910 --> 00:54:56,000

i guess there are radio hosts who have

1546

00:54:59,270 --> 00:54:57,920

done it for 30 years have had long

1547

00:55:01,910 --> 00:54:59,280

careers

1548

00:55:03,910 --> 00:55:01,920

and that's kind of all i hope to do

1549

00:55:04,710 --> 00:55:03,920

eventually i'm sure i will try to do

1550

00:55:07,430 --> 00:55:04,720

more

1551
00:55:08,309 --> 00:55:07,440
but i'm also proud and fulfilled being a

1552
00:55:10,470 --> 00:55:08,319
connector

1553
00:55:13,589 --> 00:55:10,480
for valuable researchers that i don't

1554
00:55:15,349 --> 00:55:13,599
think get enough credit

1555
00:55:17,510 --> 00:55:15,359
but i think that's going to conclude the

1556
00:55:19,270 --> 00:55:17,520
first joint session podcast i really

1557
00:55:20,309 --> 00:55:19,280
hope it didn't come off as just a [h__\h]

1558
00:55:23,510 --> 00:55:20,319
fest

1559
00:55:26,230 --> 00:55:23,520
i just happened to do two polarizing

1560
00:55:28,150 --> 00:55:26,240
episodes recently and reading harsh

1561
00:55:29,910 --> 00:55:28,160
negative feedback is something that

1562
00:55:31,670 --> 00:55:29,920
i think i would enjoy if i was a

1563
00:55:34,630 --> 00:55:31,680

listener it's brutal

1564

00:55:35,430 --> 00:55:34,640

but it's also kind of funny i'm guessing

1565

00:55:36,950 --> 00:55:35,440

there will be

1566

00:55:39,349 --> 00:55:36,960

less of that in the future because there

1567

00:55:41,109 --> 00:55:39,359

will be more material in the forum to

1568

00:55:41,990 --> 00:55:41,119

talk about rather than just the negative

1569

00:55:44,710 --> 00:55:42,000

reviews

1570

00:55:46,950 --> 00:55:44,720

but we'll wait and see on that too i

1571

00:55:48,630 --> 00:55:46,960

hope you guys participate i am sorry

1572

00:55:50,390 --> 00:55:48,640

that we're doing it this way instead of

1573

00:55:51,910 --> 00:55:50,400

the simple call-in

1574

00:55:53,430 --> 00:55:51,920

but like i mentioned the beginning it

1575

00:55:55,430 --> 00:55:53,440

solves a lot of issues people were

1576

00:55:57,910 --> 00:55:55,440

having with that format

1577

00:55:59,750 --> 00:55:57,920

i am so thankful for you guys i will

1578

00:56:02,309 --> 00:55:59,760

keep trying to do the best i can

1579

00:56:04,549 --> 00:56:02,319

because i do value our exchange and i

1580

00:56:06,150 --> 00:56:04,559

never want to take it for granted

1581

00:56:07,990 --> 00:56:06,160

i'm going to be putting some more money

1582

00:56:10,150 --> 00:56:08,000

into the plus side of the website for a

1583

00:56:11,829 --> 00:56:10,160

few requested features that i think will

1584

00:56:13,349 --> 00:56:11,839

actually be useful

1585

00:56:15,270 --> 00:56:13,359

but i am well aware that if it ain't

1586

00:56:16,789 --> 00:56:15,280

broke we don't need to fix it learn that

1587

00:56:19,109 --> 00:56:16,799

lesson the hard way when i worked with

1588

00:56:20,230 --> 00:56:19,119

that shitty seo marketing company last

1589

00:56:21,430 --> 00:56:20,240

year

1590

00:56:23,030 --> 00:56:21,440

which is another reason that i'm

1591

00:56:25,190 --> 00:56:23,040

thankful that you guys were patient with

1592

00:56:27,430 --> 00:56:25,200

me and kept the faith

1593

00:56:28,230 --> 00:56:27,440

i hope you're finding the right way to

1594

00:56:30,390 --> 00:56:28,240

talk to

1595

00:56:32,230 --> 00:56:30,400

people you care about about these

1596

00:56:33,670 --> 00:56:32,240

serious issues

1597

00:56:35,349 --> 00:56:33,680

and we're gonna do the best we can we're

1598

00:56:37,990 --> 00:56:35,359

gonna get through this thing

1599

00:56:39,109 --> 00:56:38,000

but i gotta go people pottery barn waits

1600

00:56:40,710 --> 00:56:39,119

for no man

1601
00:56:42,390 --> 00:56:40,720
thanks for tuning in to the first joint

1602
00:56:44,390 --> 00:56:42,400
session podcast episode

1603
00:56:45,990 --> 00:56:44,400
i'll be back with more sweet sweet

1604
00:56:48,510 --> 00:56:46,000
conspiratorial goodness

1605
00:56:53,270 --> 00:56:48,520
before you know it take care

smoke

1609
00:57:21,430 --> 00:57:17,599
knowing all history's in jewelry

1610
00:57:24,549 --> 00:57:21,440
from titanic and apollo to dollar

1611
