

SYLVIE IVANOVA

ALEXANDER PARAMANOV, THE PARASITES, & THE PROPHECIES
PRESENTED BY THE HIGHERSIDE CHATS

JOIN PLUS FOR FULL 2HR EPISODES:
THEHIGHERSIDECHATS.COM

1
00:00:03,270 --> 00:00:02,389
brace yourself because you're about to

2
00:00:04,950 --> 00:00:03,280
dive into another

3
00:00:06,869 --> 00:00:04,960
free first hour episode of the higher

4
00:00:08,150 --> 00:00:06,879
side chats and we just want to let you

5
00:00:10,310 --> 00:00:08,160
know that whether you're looking for a

6
00:00:11,589 --> 00:00:10,320
companion through your paranoid insomnia

7
00:00:13,350 --> 00:00:11,599
entertaining yourself through one of

8
00:00:14,870 --> 00:00:13,360
life's mundane activities

9
00:00:16,950 --> 00:00:14,880
or trying to ward off the internal

10
00:00:18,070 --> 00:00:16,960
screams of all those sad smothered souls

11
00:00:20,150 --> 00:00:18,080
around the office

12
00:00:21,830 --> 00:00:20,160
thc is here and you should know that

13
00:00:23,750 --> 00:00:21,840

every episode of the higher side chats

14

00:00:24,870 --> 00:00:23,760

has an entire second hour for plus

15

00:00:27,109 --> 00:00:24,880

members

16

00:00:28,390 --> 00:00:27,119

sign up at the highersidechats.com and

17

00:00:31,109 --> 00:00:28,400

you get years of plus

18

00:00:32,630 --> 00:00:31,119

show archives lifetime forum access a

19

00:00:34,229 --> 00:00:32,640

special invite to greg carlwood's

20

00:00:37,430 --> 00:00:34,239

monthly joint sessions

21

00:00:40,549 --> 00:00:37,440

mp3s of the music bonus episodes

22

00:00:42,150 --> 00:00:40,559

tour videos and 10 off t-shirts

23

00:00:44,150 --> 00:00:42,160

grinders and whatever else ends up in

24

00:00:45,670 --> 00:00:44,160

the higher side store it's eight dollars

25

00:00:47,350 --> 00:00:45,680

a month that you won't miss

26

00:00:49,270 --> 00:00:47,360

so become a plus member and treat

27

00:00:51,430 --> 00:00:49,280

yourself in these troubled times

28

00:00:52,869 --> 00:00:51,440

always action-packed and commercial-free

29

00:01:01,990 --> 00:00:52,879

which means you'll unfortunately

30

00:01:05,350 --> 00:01:04,630

in the 1930s president franklin delano

31

00:01:07,030 --> 00:01:05,360

roosevelt

32

00:01:08,710 --> 00:01:07,040

addressed the nation through a series of

33

00:01:11,670 --> 00:01:08,720

radio broadcasts known

34

00:01:13,750 --> 00:01:11,680

as the fireside chats his aim was to

35

00:01:15,910 --> 00:01:13,760

reassure the common man that our society

36

00:01:18,550 --> 00:01:15,920

would recover from its troubled times

37

00:01:20,149 --> 00:01:18,560

well we're far from 1930 and i deal with

38

00:01:22,870 --> 00:01:20,159

a different kind of fire

39

00:01:25,109 --> 00:01:22,880

for a new era of worldly frustration we

40

00:01:27,990 --> 00:01:25,119

offer a fresh conversation

41

00:01:28,950 --> 00:01:28,000

i'm greg carlwood and these are the

42

00:01:31,910 --> 00:01:28,960

higher side

43

00:01:34,230 --> 00:01:31,920

chats here we go our site chatters from

44

00:01:36,149 --> 00:01:34,240

sunny san diego i'm greg carlwood and i

45

00:01:37,830 --> 00:01:36,159

think most of us have to know by now

46

00:01:40,789 --> 00:01:37,840

that something is seriously wrong with

47

00:01:42,550 --> 00:01:40,799

this world and has been for a long time

48

00:01:44,710 --> 00:01:42,560

of course the capstone caballers of

49

00:01:46,310 --> 00:01:44,720

today are not to be trusted but how long

50

00:01:47,830 --> 00:01:46,320

have they been in power and are they

51
00:01:49,990 --> 00:01:47,840
even human

52
00:01:51,990 --> 00:01:50,000
many myths legends channelers and

53
00:01:54,149 --> 00:01:52,000
prophets have mentioned this theme of

54
00:01:56,630 --> 00:01:54,159
outside invaders in the ancient past

55
00:01:58,149 --> 00:01:56,640
that some kind of parasitic takeover and

56
00:02:00,550 --> 00:01:58,159
hybridization program

57
00:02:02,709 --> 00:02:00,560
intent on integrating with and ruling

58
00:02:03,109 --> 00:02:02,719
over the human race was implemented long

59
00:02:05,670 --> 00:02:03,119
ago

60
00:02:07,749 --> 00:02:05,680
on this island earth and its species

61
00:02:08,790 --> 00:02:07,759
enslaving effects can still be felt

62
00:02:10,309 --> 00:02:08,800
today

63
00:02:12,229 --> 00:02:10,319

keeping the frequencies low and the

64

00:02:14,070 --> 00:02:12,239

people in tow is the name of the game on

65

00:02:16,229 --> 00:02:14,080

this human energy farm

66

00:02:18,309 --> 00:02:16,239

and the zombified masses are blissfully

67

00:02:19,830 --> 00:02:18,319

ignorant that this material plane meant

68

00:02:21,510 --> 00:02:19,840

for human flourishing

69

00:02:22,869 --> 00:02:21,520

has been thoroughly twisted into a

70

00:02:25,750 --> 00:02:22,879

hellscape of fear

71

00:02:27,750 --> 00:02:25,760

famine greed and laziness our worst

72

00:02:29,830 --> 00:02:27,760

qualities are encouraged and we've been

73

00:02:31,830 --> 00:02:29,840

all too willing to comply as our place

74

00:02:32,229 --> 00:02:31,840

in the universe our purpose for being

75

00:02:34,150 --> 00:02:32,239

here

76

00:02:36,309 --> 00:02:34,160

and our perspective timeline have all

77

00:02:38,150 --> 00:02:36,319

been hijacked to hide this unfortunate

78

00:02:41,030 --> 00:02:38,160

slave species situation

79

00:02:43,589 --> 00:02:41,040

or so they say well these are the themes

80

00:02:43,990 --> 00:02:43,599

of podcasts past with today's returning

81

00:02:46,470 --> 00:02:44,000

guest

82

00:02:48,150 --> 00:02:46,480

sylvie ivanova the creative genius

83

00:02:50,350 --> 00:02:48,160

behind the ever popular new

84

00:02:51,910 --> 00:02:50,360

earth youtube channel and the website

85

00:02:54,229 --> 00:02:51,920

megaliths.org

86

00:02:56,070 --> 00:02:54,239

she was here twice in the much simpler

87

00:02:58,070 --> 00:02:56,080

world of 2016

88

00:03:00,710 --> 00:02:58,080

talking largely about her series when

89

00:03:01,670 --> 00:03:00,720

the survivors of atlantis and hyperborea

90

00:03:03,670 --> 00:03:01,680

wake up

91

00:03:06,149 --> 00:03:03,680

which tackles the story of humanity's

92

00:03:08,470 --> 00:03:06,159

parasitic takeover in great depth by

93

00:03:09,190 --> 00:03:08,480

taking a harder look at many aspects of

94

00:03:11,990 --> 00:03:09,200

history

95

00:03:13,910 --> 00:03:12,000

architecture art and technology that

96

00:03:15,830 --> 00:03:13,920

stand out as odd where the typical

97

00:03:17,990 --> 00:03:15,840

timeline is concerned

98

00:03:20,390 --> 00:03:18,000

she was also hugely helpful in one of

99

00:03:22,470 --> 00:03:20,400

the most creative thc episodes in the

100

00:03:24,630 --> 00:03:22,480

archive as the translator for an

101
00:03:27,910 --> 00:03:24,640
interview with the non-english speaking

102
00:03:29,830 --> 00:03:27,920
russian researcher alexander culteppen

103
00:03:32,229 --> 00:03:29,840
she's combined the new chronology work

104
00:03:34,470 --> 00:03:32,239
of anatoly flamenco with her spiritual

105
00:03:35,190 --> 00:03:34,480
insights from over 200 ayahuasca

106
00:03:37,110 --> 00:03:35,200
journeys

107
00:03:39,030 --> 00:03:37,120
and many conspiratorial threads not

108
00:03:39,910 --> 00:03:39,040
easily accessed by the english-speaking

109
00:03:42,149 --> 00:03:39,920
world

110
00:03:44,229 --> 00:03:42,159
and served us up several hearty bowls of

111
00:03:46,149 --> 00:03:44,239
higher side soup in the past and today

112
00:03:48,949 --> 00:03:46,159
should be no different the new earth

113
00:03:51,110 --> 00:03:48,959

educator and parasitic takeover teacher

114

00:03:53,110 --> 00:03:51,120

my friend and yours sylvia welcome back

115

00:03:55,670 --> 00:03:53,120

to the higher side

116

00:03:56,309 --> 00:03:55,680

hello greg your introduction made me

117

00:03:59,509 --> 00:03:56,319

smile

118

00:04:01,270 --> 00:03:59,519

so wide wider than my face thank you for

119

00:04:03,350 --> 00:04:01,280

that

120

00:04:04,550 --> 00:04:03,360

happy to hear it and i'm so glad to be

121

00:04:06,789 --> 00:04:04,560

doing this again

122

00:04:08,470 --> 00:04:06,799

people still say four years later that

123

00:04:10,229 --> 00:04:08,480

the interviews i've been able to do with

124

00:04:12,149 --> 00:04:10,239

you are some of their favorites

125

00:04:13,670 --> 00:04:12,159

and i can't believe the world has gotten

126
00:04:16,310 --> 00:04:13,680
as crazy as it has

127
00:04:17,110 --> 00:04:16,320
the virus the masks the scary level of

128
00:04:19,430 --> 00:04:17,120
control

129
00:04:20,229 --> 00:04:19,440
and the effectiveness of fear for

130
00:04:22,790 --> 00:04:20,239
getting such

131
00:04:23,990 --> 00:04:22,800
widespread compliance has all really

132
00:04:26,830 --> 00:04:24,000
surprised me

133
00:04:29,430 --> 00:04:26,840
i know you've done videos this year on

134
00:04:30,150 --> 00:04:29,440
herbology crystal healing and spiritual

135
00:04:31,990 --> 00:04:30,160
health

136
00:04:33,189 --> 00:04:32,000
and we got a lot of great stuff to talk

137
00:04:35,350 --> 00:04:33,199
about today but

138
00:04:36,390 --> 00:04:35,360

i did want to ask you a little bit about

139

00:04:38,870 --> 00:04:36,400

how you've been doing

140

00:04:40,950 --> 00:04:38,880

in this year of the coronavirus are you

141

00:04:43,510 --> 00:04:40,960

seeing the same fear and control that

142

00:04:45,749 --> 00:04:43,520

we're getting here in the states

143

00:04:47,909 --> 00:04:45,759

not where i live i was looking on that

144

00:04:51,670 --> 00:04:47,919

side and on top of that

145

00:04:54,710 --> 00:04:51,680

anyway my style is like this that

146

00:04:55,990 --> 00:04:54,720

unless i'm on expedition i rarely get

147

00:04:59,749 --> 00:04:56,000

out of my garden

148

00:05:01,749 --> 00:04:59,759

anyway i'm a full time meditating and

149

00:05:03,830 --> 00:05:01,759

doing my spiritual practices

150

00:05:05,990 --> 00:05:03,840

actually i was quite late to learn about

151
00:05:08,830 --> 00:05:06,000
the coronavares because i also don't

152
00:05:12,469 --> 00:05:08,840
read the regular news

153
00:05:14,310 --> 00:05:12,479
so um i only heard about this yeah some

154
00:05:17,590 --> 00:05:14,320
people wear masks but

155
00:05:18,230 --> 00:05:17,600
here we were not affected but i know

156
00:05:20,469 --> 00:05:18,240
that it

157
00:05:22,830 --> 00:05:20,479
has been quite horrible and still is for

158
00:05:25,830 --> 00:05:22,840
many people out there

159
00:05:26,150 --> 00:05:25,840
mm-hmm and how much truth do you think

160
00:05:27,830 --> 00:05:26,160
there

161
00:05:29,830 --> 00:05:27,840
is to the whole story or is this just

162
00:05:31,270 --> 00:05:29,840
another one of the parasites sturdy

163
00:05:34,310 --> 00:05:31,280

tricks

164

00:05:36,390 --> 00:05:34,320

well the virus certainly exists it's not

165

00:05:39,430 --> 00:05:36,400

as dangerous as they tell us

166

00:05:42,150 --> 00:05:39,440

i think they were banking on infecting

167

00:05:45,430 --> 00:05:42,160

more people and having more victims

168

00:05:48,150 --> 00:05:45,440

and probably that didn't happen

169

00:05:51,110 --> 00:05:48,160

according to their expectations or as

170

00:05:51,990 --> 00:05:51,120

some it leaked in a few places they

171

00:05:55,909 --> 00:05:52,000

could not infect

172

00:05:57,110 --> 00:05:55,919

enough people and it's just a scare

173

00:06:00,230 --> 00:05:57,120

campaign

174

00:06:03,590 --> 00:06:00,240

i mean more people die from flu who have

175

00:06:04,870 --> 00:06:03,600

tuberculosis many other much more

176

00:06:07,990 --> 00:06:04,880

frightful epidemics

177

00:06:10,390 --> 00:06:08,000

of course it's just a fear epidemic

178

00:06:12,469 --> 00:06:10,400

yes a fear epidemic indeed and there's

179

00:06:13,830 --> 00:06:12,479

nothing of fear but fear itself and it

180

00:06:16,469 --> 00:06:13,840

just seems to be another

181

00:06:18,390 --> 00:06:16,479

control agenda of the parasites to a

182

00:06:20,070 --> 00:06:18,400

degree although a pretty effective one

183

00:06:22,790 --> 00:06:20,080

and widespread too

184

00:06:24,070 --> 00:06:22,800

but to set up the main topic of the day

185

00:06:27,909 --> 00:06:24,080

you have been following

186

00:06:31,110 --> 00:06:27,919

a russian whistleblower slash prophet

187

00:06:33,830 --> 00:06:31,120

named alexander paramonov

188

00:06:36,469 --> 00:06:33,840

that is getting a lot of traction in the

189

00:06:38,230 --> 00:06:36,479

non-english speaking alternative world

190

00:06:40,550 --> 00:06:38,240

that is revealing a lot of hidden

191

00:06:41,510 --> 00:06:40,560

history that jives with your survivors

192

00:06:44,550 --> 00:06:41,520

series

193

00:06:46,950 --> 00:06:44,560

he says he's a un consultant supposedly

194

00:06:50,230 --> 00:06:46,960

one of the richest investors in russia

195

00:06:51,110 --> 00:06:50,240

chief commander of the hospitalia nights

196

00:06:53,110 --> 00:06:51,120

one of the few

197

00:06:55,350 --> 00:06:53,120

night orders that was never subservient

198

00:06:56,870 --> 00:06:55,360

to the vatican or the freemasons

199

00:06:59,110 --> 00:06:56,880

head of something that roughly

200

00:07:02,710 --> 00:06:59,120

translates to the department of

201
00:07:04,710 --> 00:07:02,720
anti-terror for the kgb ussr

202
00:07:06,629 --> 00:07:04,720
an agency that was supposed to be

203
00:07:08,469 --> 00:07:06,639
dissolved with the soviet union but has

204
00:07:11,589 --> 00:07:08,479
stayed intact in secret

205
00:07:12,070 --> 00:07:11,599
until now as you mentioned to me if

206
00:07:14,309 --> 00:07:12,080
you've

207
00:07:16,629 --> 00:07:14,319
heard the spirit guides correctly he

208
00:07:18,870 --> 00:07:16,639
might very well be one of the main

209
00:07:19,830 --> 00:07:18,880
characters in the play called the end

210
00:07:21,909 --> 00:07:19,840
times

211
00:07:23,189 --> 00:07:21,919
very interesting stuff but what else

212
00:07:26,629 --> 00:07:23,199
would you say to

213
00:07:30,150 --> 00:07:26,639

introduce alexander paramonov to

214

00:07:30,710 --> 00:07:30,160

this audience yeah okay let's start with

215

00:07:34,230 --> 00:07:30,720

more

216

00:07:34,950 --> 00:07:34,240

earthly stuff so to say what i can

217

00:07:37,749 --> 00:07:34,960

verify

218

00:07:38,629 --> 00:07:37,759

from the russian press because not

219

00:07:42,070 --> 00:07:38,639

everything

220

00:07:45,430 --> 00:07:42,080

which we listed is verifiable but

221

00:07:48,869 --> 00:07:45,440

first of all he is practically the

222

00:07:51,350 --> 00:07:48,879

owner of the m1 treasury which

223

00:07:52,309 --> 00:07:51,360

really seems to be the richest

224

00:07:55,909 --> 00:07:52,319

international

225

00:07:58,629 --> 00:07:55,919

monetary treasury in the world

226
00:07:59,029 --> 00:07:58,639
practically owning most of the physical

227
00:08:02,950 --> 00:07:59,039
gold

228
00:08:07,029 --> 00:08:02,960
on earth far bigger than the us treasury

229
00:08:09,589 --> 00:08:07,039
and the base of that gold physical gold

230
00:08:10,950 --> 00:08:09,599
they actually made the bretton wood

231
00:08:13,749 --> 00:08:10,960
system

232
00:08:16,710 --> 00:08:13,759
nickels although they are printing money

233
00:08:19,990 --> 00:08:16,720
still there is some relation to gold

234
00:08:20,790 --> 00:08:20,000
and in his fund he really seems to be

235
00:08:24,230 --> 00:08:20,800
the legal

236
00:08:27,350 --> 00:08:24,240
owner of most of it and

237
00:08:30,309 --> 00:08:27,360
the largest chunk he received by

238
00:08:31,350 --> 00:08:30,319

accepting in his treasury these white

239

00:08:35,230 --> 00:08:31,360

spiritual

240

00:08:38,550 --> 00:08:35,240

boy accounts which are billions and

241

00:08:40,949 --> 00:08:38,560

quadrillions and when the media tries to

242

00:08:42,230 --> 00:08:40,959

speak about them i can actually forward

243

00:08:44,230 --> 00:08:42,240

you the

244

00:08:46,949 --> 00:08:44,240

actual documents of the transfer it's

245

00:08:49,430 --> 00:08:46,959

like half a page with zeros

246

00:08:50,230 --> 00:08:49,440

um people don't know what kind of word

247

00:08:53,269 --> 00:08:50,240

to use for

248

00:08:54,870 --> 00:08:53,279

this quadzillions on how many times

249

00:08:58,389 --> 00:08:54,880

multiplied

250

00:09:00,790 --> 00:08:58,399

so that seems to be true he seems to be

251

00:09:04,389 --> 00:09:00,800

the legal owner of all that

252

00:09:07,670 --> 00:09:04,399

gold which is kept in accounts

253

00:09:11,030 --> 00:09:07,680

in all major banks of the world and

254

00:09:13,590 --> 00:09:11,040

i think it is not just his claim because

255

00:09:14,150 --> 00:09:13,600

since he started making appearances

256

00:09:17,350 --> 00:09:14,160

which is

257

00:09:19,750 --> 00:09:17,360

in the last couple of months only it's a

258

00:09:22,870 --> 00:09:19,760

very very recent story

259

00:09:26,230 --> 00:09:22,880

there has been some response

260

00:09:30,230 --> 00:09:26,240

from the russian official side

261

00:09:31,829 --> 00:09:30,240

because although he's um consultant he

262

00:09:35,030 --> 00:09:31,839

is definitely

263

00:09:37,990 --> 00:09:35,040

not a member of gay mafia he is

264

00:09:38,630 --> 00:09:38,000

in no way connected with them he is by

265

00:09:41,670 --> 00:09:38,640

himself

266

00:09:43,829 --> 00:09:41,680

alone and i think that the biggest

267

00:09:46,230 --> 00:09:43,839

confirmation that he is for true is that

268

00:09:49,590 --> 00:09:46,240

he is still alive

269

00:09:52,150 --> 00:09:49,600

after all he has done so

270

00:09:53,430 --> 00:09:52,160

there is a reaction because he started

271

00:09:56,389 --> 00:09:53,440

sending them

272

00:09:57,590 --> 00:09:56,399

letters very interesting letters about

273

00:10:02,389 --> 00:09:57,600

which i'm gonna tell you

274

00:10:04,630 --> 00:10:02,399

shortly to all banks and

275

00:10:06,550 --> 00:10:04,640

official institution governmental

276

00:10:07,990 --> 00:10:06,560

institutions mainly in russia but also

277

00:10:10,870 --> 00:10:08,000

worldwide

278

00:10:13,269 --> 00:10:10,880

and there has been some reaction which

279

00:10:16,069 --> 00:10:13,279

confirms that he is not

280

00:10:18,150 --> 00:10:16,079

some person who is you know publishing

281

00:10:20,230 --> 00:10:18,160

videos and saying anything else from the

282

00:10:22,710 --> 00:10:20,240

basement of his mother's

283

00:10:25,110 --> 00:10:22,720

you know from the basement of his

284

00:10:28,470 --> 00:10:25,120

grandmother

285

00:10:31,509 --> 00:10:28,480

and also there is plenty of reference

286

00:10:32,630 --> 00:10:31,519

and also footage and plenty of proof

287

00:10:35,670 --> 00:10:32,640

that he has

288

00:10:38,949 --> 00:10:35,680

been in the past on high

289

00:10:42,949 --> 00:10:38,959

level government positions in russia

290

00:10:45,509 --> 00:10:42,959

and that in the past years he has been

291

00:10:46,069 --> 00:10:45,519

always mentioned in the media as the

292

00:10:49,269 --> 00:10:46,079

richest

293

00:10:50,550 --> 00:10:49,279

investor richer than this the entire

294

00:10:54,230 --> 00:10:50,560

state of russia

295

00:10:58,389 --> 00:10:54,240

itself far richer wow

296

00:11:00,470 --> 00:10:58,399

yeah that seems to be true really

297

00:11:02,069 --> 00:11:00,480

well this is pretty amazing and the

298

00:11:04,069 --> 00:11:02,079

timing's really interesting because i

299

00:11:06,870 --> 00:11:04,079

recorded an episode not long ago with

300

00:11:09,750 --> 00:11:06,880

gary lachman an esoteric researcher

301
00:11:11,190 --> 00:11:09,760
who wrote a book called holy russia and

302
00:11:13,670 --> 00:11:11,200
it's largely about

303
00:11:14,870 --> 00:11:13,680
this feeling of a russian destiny or the

304
00:11:16,870 --> 00:11:14,880
idea that

305
00:11:18,870 --> 00:11:16,880
the change that we want to see in the

306
00:11:21,030 --> 00:11:18,880
next chapter of humanity

307
00:11:21,910 --> 00:11:21,040
would come from russia that something

308
00:11:23,829 --> 00:11:21,920
would emerge

309
00:11:24,949 --> 00:11:23,839
from that pocket of the world and then

310
00:11:27,190 --> 00:11:24,959
you messaged me

311
00:11:29,509 --> 00:11:27,200
about this story and how interesting it

312
00:11:30,230 --> 00:11:29,519
is and it just seemed to sync up really

313
00:11:31,910 --> 00:11:30,240

well but

314

00:11:33,670 --> 00:11:31,920

you're right he does talk about the

315

00:11:35,750 --> 00:11:33,680

brenton woods agreement and

316

00:11:37,190 --> 00:11:35,760

the bank of international settlements

317

00:11:38,790 --> 00:11:37,200

which is interesting because we've had

318

00:11:40,790 --> 00:11:38,800

guests in the past talk about

319

00:11:43,269 --> 00:11:40,800

the bank of international settlements as

320

00:11:45,910 --> 00:11:43,279

a structure that was used to move

321

00:11:46,310 --> 00:11:45,920

nazi accrued wealth around after world

322

00:11:49,350 --> 00:11:46,320

war

323

00:11:50,550 --> 00:11:49,360

ii and it's speculated to fund most of

324

00:11:53,190 --> 00:11:50,560

the black budget for

325

00:11:55,509 --> 00:11:53,200

a sort of breakaway civilization and

326

00:11:57,670 --> 00:11:55,519

it's hard to untangle but i do think

327

00:11:59,590 --> 00:11:57,680

we all find these stories of shadow

328

00:12:02,310 --> 00:11:59,600

banking really interesting and

329

00:12:03,269 --> 00:12:02,320

alexander seems to be explaining this

330

00:12:06,949 --> 00:12:03,279

because

331

00:12:07,750 --> 00:12:06,959

it's this new non-parasitical financial

332

00:12:10,150 --> 00:12:07,760

system

333

00:12:11,990 --> 00:12:10,160

that we're going to be onboarded to once

334

00:12:15,509 --> 00:12:12,000

the cabal system

335

00:12:18,949 --> 00:12:15,519

collapses is that kind of right yeah

336

00:12:22,310 --> 00:12:18,959

and the good news is that he really

337

00:12:23,670 --> 00:12:22,320

promised many times in his speeches in

338

00:12:26,310 --> 00:12:23,680

his appearances

339

00:12:27,670 --> 00:12:26,320

and he underlined it it was not just a

340

00:12:30,550 --> 00:12:27,680

mention

341

00:12:32,550 --> 00:12:30,560

that he is gonna put an end to this

342

00:12:35,750 --> 00:12:32,560

entire parasitic system

343

00:12:38,790 --> 00:12:35,760

like clinic completely disinfect

344

00:12:40,150 --> 00:12:38,800

everything he promised that he said it

345

00:12:42,710 --> 00:12:40,160

will surely happen

346

00:12:43,670 --> 00:12:42,720

we are surely gonna do it the only

347

00:12:46,150 --> 00:12:43,680

question is

348

00:12:48,550 --> 00:12:46,160

how are we gonna reach there for that he

349

00:12:51,430 --> 00:12:48,560

said there are different ways

350

00:12:53,509 --> 00:12:51,440

and first he's trying to do it in a

351
00:12:57,430 --> 00:12:53,519
diplomatic way

352
00:12:59,750 --> 00:12:57,440
without any unrest he started few months

353
00:13:02,790 --> 00:12:59,760
ago by sending these official

354
00:13:05,030 --> 00:13:02,800
letters in russia he covered practically

355
00:13:05,990 --> 00:13:05,040
all official governmental and other

356
00:13:09,590 --> 00:13:06,000
institutions

357
00:13:11,910 --> 00:13:09,600
and rich investors because

358
00:13:13,190 --> 00:13:11,920
he is not just an ordinary person he is

359
00:13:15,670 --> 00:13:13,200
the richest person

360
00:13:16,790 --> 00:13:15,680
on earth and he informed them very

361
00:13:19,590 --> 00:13:16,800
officially that the

362
00:13:19,990 --> 00:13:19,600
end of the parasitic reign is coming i'm

363
00:13:22,710 --> 00:13:20,000

telling

364

00:13:25,030 --> 00:13:22,720

you this for sure and this is your last

365

00:13:27,829 --> 00:13:25,040

chance to convert to the side of the

366

00:13:31,030 --> 00:13:27,839

lights topo genocide

367

00:13:31,750 --> 00:13:31,040

he calls this entire parasitic genocide

368

00:13:34,949 --> 00:13:31,760

without

369

00:13:38,790 --> 00:13:34,959

end and

370

00:13:41,750 --> 00:13:38,800

it's like an ultimatum and he required

371

00:13:43,590 --> 00:13:41,760

he sent all these letters because he

372

00:13:44,310 --> 00:13:43,600

wanted to warn everybody that it is

373

00:13:46,550 --> 00:13:44,320

clear for

374

00:13:48,629 --> 00:13:46,560

everybody and he explained to them as an

375

00:13:51,110 --> 00:13:48,639

u.n consultant

376

00:13:53,509 --> 00:13:51,120

how is it gonna be in future and why it

377

00:13:55,910 --> 00:13:53,519

is in their best interest to

378

00:13:57,430 --> 00:13:55,920

lead the sinking ship before it is too

379

00:14:00,949 --> 00:13:57,440

late

380

00:14:03,910 --> 00:14:00,959

apparently they did not listen much

381

00:14:05,750 --> 00:14:03,920

which does not surprise us and even at

382

00:14:06,790 --> 00:14:05,760

that time when he started sending the

383

00:14:09,350 --> 00:14:06,800

letters

384

00:14:10,550 --> 00:14:09,360

he told them frankly that if it does not

385

00:14:14,069 --> 00:14:10,560

work with

386

00:14:15,990 --> 00:14:14,079

peaceful means we are gonna do it anyway

387

00:14:20,230 --> 00:14:16,000

and it won't be pretty

388

00:14:24,790 --> 00:14:20,240

and in general he's scarcely giving

389

00:14:28,550 --> 00:14:24,800

prophecies but in general he indicated

390

00:14:32,230 --> 00:14:28,560

that it will be extremely difficult the

391

00:14:34,550 --> 00:14:32,240

transition he said so like we have the

392

00:14:35,350 --> 00:14:34,560

biblical scenario of end times which is

393

00:14:38,069 --> 00:14:35,360

also the same

394

00:14:39,189 --> 00:14:38,079

with the muslim people they have

395

00:14:41,829 --> 00:14:39,199

practically the same

396

00:14:44,470 --> 00:14:41,839

scenario for the end times he said a lot

397

00:14:47,110 --> 00:14:44,480

of that will unfortunately happen

398

00:14:47,509 --> 00:14:47,120

will follow that scenario not precisely

399

00:14:51,590 --> 00:14:47,519

but

400

00:14:52,470 --> 00:14:51,600

loosely and he said now it actually

401
00:14:55,030 --> 00:14:52,480
begins

402
00:14:56,710 --> 00:14:55,040
and from now on this was just a couple

403
00:14:59,750 --> 00:14:56,720
of months ago he said now

404
00:15:02,150 --> 00:14:59,760
it starts and it will be only

405
00:15:04,150 --> 00:15:02,160
intensifying more and more the crisis

406
00:15:07,590 --> 00:15:04,160
will be deeper and will come

407
00:15:11,350 --> 00:15:10,069
well it's really exciting and when you

408
00:15:13,189 --> 00:15:11,360
told me about this

409
00:15:14,790 --> 00:15:13,199
i was happy to have you back to talk

410
00:15:15,670 --> 00:15:14,800
about really anything that you wanted to

411
00:15:17,829 --> 00:15:15,680
talk about

412
00:15:19,750 --> 00:15:17,839
but i get nervous with these types of

413
00:15:20,389 --> 00:15:19,760

whistleblowers who claim to be highly

414

00:15:22,389 --> 00:15:20,399

connected

415

00:15:24,790 --> 00:15:22,399

working for the light saying that the

416

00:15:26,710 --> 00:15:24,800

parasitic controllers are going down

417

00:15:29,030 --> 00:15:26,720

and the transition will be happening

418

00:15:29,829 --> 00:15:29,040

soon because it feels like every few

419

00:15:31,829 --> 00:15:29,839

years

420

00:15:33,829 --> 00:15:31,839

someone like this starts to get a little

421

00:15:36,069 --> 00:15:33,839

traction in the alternative community

422

00:15:37,670 --> 00:15:36,079

but they never have turned out to be

423

00:15:39,670 --> 00:15:37,680

genuine so far

424

00:15:41,910 --> 00:15:39,680

can you speak a little bit more about

425

00:15:43,509 --> 00:15:41,920

why you think alexander is different

426

00:15:46,629 --> 00:15:43,519

help people understand

427

00:15:50,230 --> 00:15:46,639

a bit more about the indications that

428

00:15:52,629 --> 00:15:50,240

this guy might be the real deal

429

00:15:53,430 --> 00:15:52,639

this is an excellent question i still

430

00:15:57,030 --> 00:15:53,440

cannot

431

00:16:00,470 --> 00:15:57,040

confirm that as hundred percent

432

00:16:02,949 --> 00:16:00,480

i am so fascinated with him because when

433

00:16:04,230 --> 00:16:02,959

first i saw him i had a vision myself

434

00:16:07,189 --> 00:16:04,240

about all these things

435

00:16:07,990 --> 00:16:07,199

and then i heard them from him so for me

436

00:16:09,910 --> 00:16:08,000

personally that

437

00:16:12,230 --> 00:16:09,920

was but of course my vision cannot be

438

00:16:16,389 --> 00:16:12,240

confirmation for the other people

439

00:16:17,829 --> 00:16:16,399

well for now i can only say that i

440

00:16:21,350 --> 00:16:17,839

listened a lot to him

441

00:16:23,269 --> 00:16:21,360

he's a man of absolute integrity and

442

00:16:27,030 --> 00:16:23,279

wisdom

443

00:16:31,030 --> 00:16:27,040

that i can say and for now just

444

00:16:33,350 --> 00:16:31,040

what i can surely confirm looking at the

445

00:16:34,629 --> 00:16:33,360

plentiful resources in the russian media

446

00:16:46,870 --> 00:16:34,639

is

447

00:16:48,790 --> 00:16:46,880

keep an eye on what he says

448

00:16:51,430 --> 00:16:48,800

yes i think that's totally fair always

449

00:16:52,550 --> 00:16:51,440

gotta watch what's going on and if you

450

00:16:55,590 --> 00:16:52,560

vouch for him

451
00:16:58,550 --> 00:16:55,600
at least in part that goes a long way

452
00:17:00,790 --> 00:16:58,560
with me and can you describe some of the

453
00:17:02,710 --> 00:17:00,800
hidden history he talks about and

454
00:17:05,189 --> 00:17:02,720
how it ties in with the work you've done

455
00:17:08,789 --> 00:17:05,199
in the past a lot of it is about the

456
00:17:12,069 --> 00:17:08,799
shambhala backstory right

457
00:17:15,189 --> 00:17:12,079
yes that's how it all starts

458
00:17:17,189 --> 00:17:15,199
and the amazing thing is

459
00:17:18,470 --> 00:17:17,199
when he started revealing all these

460
00:17:20,789 --> 00:17:18,480
things about

461
00:17:21,669 --> 00:17:20,799
the ancient history it was like

462
00:17:25,750 --> 00:17:21,679
listening to

463
00:17:30,310 --> 00:17:25,760

the survivor's documentary

464

00:17:34,070 --> 00:17:30,320

history which i presented earlier and

465

00:17:34,870 --> 00:17:34,080

also the way he gives some details about

466

00:17:37,750 --> 00:17:34,880

the world

467

00:17:38,710 --> 00:17:37,760

the way it will be after the transition

468

00:17:42,150 --> 00:17:38,720

which is also

469

00:17:44,070 --> 00:17:42,160

curious and ties a lot

470

00:17:46,070 --> 00:17:44,080

with the research which i'm doing

471

00:17:49,669 --> 00:17:46,080

currently which is on

472

00:17:53,110 --> 00:17:49,679

the end time and new earth prophecies

473

00:17:54,470 --> 00:17:53,120

so he says that with the help of his

474

00:17:57,350 --> 00:17:54,480

treasury

475

00:17:59,590 --> 00:17:57,360

in the future there will be also some

476

00:18:01,350 --> 00:17:59,600

sort of kingdoms but not the way we

477

00:18:03,430 --> 00:18:01,360

imagine them now

478

00:18:04,470 --> 00:18:03,440

not that they will have power over the

479

00:18:07,830 --> 00:18:04,480

people they will be

480

00:18:10,870 --> 00:18:07,840

only like servicing institutions

481

00:18:12,789 --> 00:18:10,880

because the money all the gold he says

482

00:18:13,590 --> 00:18:12,799

all this gold will be returned to the

483

00:18:16,710 --> 00:18:13,600

people

484

00:18:19,510 --> 00:18:16,720

and they will not be in a position to be

485

00:18:21,270 --> 00:18:19,520

in shack made from their king or leader

486

00:18:24,630 --> 00:18:21,280

what if he is corrupt he says this

487

00:18:28,630 --> 00:18:24,640

should not be allowed in the future

488

00:18:30,789 --> 00:18:28,640

the leaders they can only serve they

489

00:18:32,789 --> 00:18:30,799

will not be given the right to tell the

490

00:18:36,150 --> 00:18:32,799

people what to do

491

00:18:38,230 --> 00:18:36,160

and i'm actually amazed when

492

00:18:39,350 --> 00:18:38,240

subsequently during the last month i

493

00:18:42,789 --> 00:18:39,360

studied end time

494

00:18:46,070 --> 00:18:42,799

prophecies to find this exact detail

495

00:18:48,230 --> 00:18:46,080

how when the new earth comes

496

00:18:49,110 --> 00:18:48,240

they will return the gold to the people

497

00:18:52,150 --> 00:18:49,120

and i was like

498

00:18:54,150 --> 00:18:52,160

okay and these were not very famous

499

00:18:56,950 --> 00:18:54,160

prophecies but they were coming from

500

00:18:57,990 --> 00:18:56,960

all corners and many other small details

501
00:19:00,390 --> 00:18:58,000
like this

502
00:19:02,870 --> 00:19:00,400
and it was only yesterday that even i

503
00:19:05,270 --> 00:19:02,880
found two medieval prophecies

504
00:19:07,350 --> 00:19:05,280
that it will be the hospitalier knights

505
00:19:10,230 --> 00:19:07,360
who will do this transition

506
00:19:13,190 --> 00:19:10,240
and i was like wow and this is very

507
00:19:16,390 --> 00:19:13,200
difficult to find information from some

508
00:19:20,150 --> 00:19:16,400
medieval nuns who had visions

509
00:19:23,510 --> 00:19:20,160
so there have been many

510
00:19:25,430 --> 00:19:23,520
things that click and as you mentioned

511
00:19:26,789 --> 00:19:25,440
this that the light will come from

512
00:19:29,110 --> 00:19:26,799
russia

513
00:19:30,789 --> 00:19:29,120

there are many confirmations about this

514

00:19:33,830 --> 00:19:30,799

the famous edgar cayce

515

00:19:36,710 --> 00:19:33,840

the famous vanga and

516

00:19:37,750 --> 00:19:36,720

many other prophecies also i found the

517

00:19:40,789 --> 00:19:37,760

treasure of

518

00:19:43,590 --> 00:19:40,799

catholic prophecies

519

00:19:45,270 --> 00:19:43,600

very well compiled material by a

520

00:19:48,230 --> 00:19:45,280

catholic author

521

00:19:49,750 --> 00:19:48,240

and over there i was amazed to see how

522

00:19:52,070 --> 00:19:49,760

many

523

00:19:53,990 --> 00:19:52,080

saints who were tested by the church in

524

00:19:55,909 --> 00:19:54,000

the past now this is meaningless because

525

00:19:58,470 --> 00:19:55,919

the catholic church is so corrupt but in

526

00:19:59,990 --> 00:19:58,480

the past they were not so rotten and

527

00:20:02,870 --> 00:20:00,000

the fact that they were tested and

528

00:20:03,909 --> 00:20:02,880

confirmed to be real visionaries means

529

00:20:06,789 --> 00:20:03,919

something

530

00:20:09,990 --> 00:20:06,799

and so many of them saw christ coming

531

00:20:13,110 --> 00:20:10,000

from the east on horse

532

00:20:15,590 --> 00:20:13,120

very very interesting

533

00:20:17,430 --> 00:20:15,600

it is and i like how you tie in many

534

00:20:19,750 --> 00:20:17,440

different prophecies and

535

00:20:22,390 --> 00:20:19,760

just look at what the the bulk of the

536

00:20:24,950 --> 00:20:22,400

work is trying to say the narrative that

537

00:20:27,669 --> 00:20:24,960

all these pieces are trying to explain

538

00:20:28,710 --> 00:20:27,679

but one of my curiosities about prophecy

539

00:20:32,710 --> 00:20:28,720

and this sort of stuff

540

00:20:35,350 --> 00:20:32,720

is how time always seems to be

541

00:20:36,470 --> 00:20:35,360

a little shaky when it comes to the

542

00:20:38,870 --> 00:20:36,480

spiritual

543

00:20:40,390 --> 00:20:38,880

world and insights that come from it how

544

00:20:43,190 --> 00:20:40,400

do we know we don't have like

545

00:20:44,230 --> 00:20:43,200

another thousand years of pain how do we

546

00:20:47,669 --> 00:20:44,240

know we're really

547

00:20:51,110 --> 00:20:47,679

on the cusp of that next chapter

548

00:20:54,230 --> 00:20:51,120

oh we have so many prophecies about

549

00:20:57,350 --> 00:20:54,240

this exact decade that we are now in

550

00:20:59,830 --> 00:20:57,360

that i will be very very surprised if we

551
00:21:01,750 --> 00:20:59,840
don't enter the tribulation now

552
00:21:04,310 --> 00:21:01,760
and i would expect it to happen within

553
00:21:07,510 --> 00:21:04,320
the next few years

554
00:21:10,789 --> 00:21:07,520
possibly even complete in this

555
00:21:14,630 --> 00:21:10,799
decade or in the beginning of the next

556
00:21:17,270 --> 00:21:14,640
and since i've been in touch with the

557
00:21:18,789 --> 00:21:17,280
catholics ladies studying their side

558
00:21:22,470 --> 00:21:18,799
along with lots of

559
00:21:24,789 --> 00:21:22,480
islamic sources a week ago

560
00:21:26,470 --> 00:21:24,799
i heard that everybody has heard about

561
00:21:29,110 --> 00:21:26,480
the fatima prophecies

562
00:21:30,070 --> 00:21:29,120
right those were really genuine people

563
00:21:33,510 --> 00:21:30,080

saw the light

564

00:21:34,390 --> 00:21:33,520

of the apparitions even from couple of

565

00:21:39,110 --> 00:21:34,400

kilometers

566

00:21:42,230 --> 00:21:39,120

so the fatima was incident witnessed by

567

00:21:45,110 --> 00:21:42,240

thousands and at that time

568

00:21:46,390 --> 00:21:45,120

i found an information that they did not

569

00:21:49,590 --> 00:21:46,400

you know they have some

570

00:21:51,070 --> 00:21:49,600

paper from the pope they published the

571

00:21:53,669 --> 00:21:51,080

prophecies but this was their

572

00:21:55,990 --> 00:21:53,679

interpretation made at that time

573

00:21:58,230 --> 00:21:56,000

well there was an information from the

574

00:22:01,270 --> 00:21:58,240

people who were actually there

575

00:22:02,549 --> 00:22:01,280

and one of them claimed that and he was

576

00:22:05,909 --> 00:22:02,559

like a

577

00:22:08,310 --> 00:22:05,919

respectable person at that time that

578

00:22:10,390 --> 00:22:08,320

in the virgin mary told the children

579

00:22:14,070 --> 00:22:10,400

that the culmination will be

580

00:22:17,590 --> 00:22:14,080

in 2029

581

00:22:21,270 --> 00:22:17,600

of the culmination of the

582

00:22:25,270 --> 00:22:23,350

very interesting and i mean i will

583

00:22:27,190 --> 00:22:25,280

certainly say things have heated up and

584

00:22:29,430 --> 00:22:27,200

if the mark of the beast has anything to

585

00:22:30,230 --> 00:22:29,440

do with mandatory vaccinations with

586

00:22:32,710 --> 00:22:30,240

digital

587

00:22:33,830 --> 00:22:32,720

tattoos and complete control over those

588

00:22:35,990 --> 00:22:33,840

who opt in

589

00:22:37,350 --> 00:22:36,000

then you are right we seem to be pretty

590

00:22:40,310 --> 00:22:37,360

close to that

591

00:22:42,310 --> 00:22:40,320

and in terms of shambhala there's some

592

00:22:44,310 --> 00:22:42,320

interesting stuff he mentions

593

00:22:46,870 --> 00:22:44,320

particularly that it used to be the

594

00:22:48,230 --> 00:22:46,880

earthly headquarters of the race from

595

00:22:51,590 --> 00:22:48,240

the constellation of the

596

00:22:54,870 --> 00:22:51,600

red dragon is that right yes

597

00:22:58,470 --> 00:22:54,880

yes the red dragons

598

00:23:01,669 --> 00:22:58,480

they were the guardian spirit

599

00:23:06,070 --> 00:23:01,679

of the chinese race and

600

00:23:08,230 --> 00:23:06,080

these stories from the slavic vedas and

601
00:23:09,909 --> 00:23:08,240
reached us through paramount he's all

602
00:23:13,190 --> 00:23:09,919
the time quoting the slavic

603
00:23:15,909 --> 00:23:13,200
vedas so the thing is that

604
00:23:16,789 --> 00:23:15,919
one thousand years ago when the kali

605
00:23:19,950 --> 00:23:16,799
yuga

606
00:23:21,590 --> 00:23:19,960
or in slavic terms the night of the

607
00:23:23,830 --> 00:23:21,600
started

608
00:23:25,430 --> 00:23:23,840
they knew that the descendants of

609
00:23:28,470 --> 00:23:25,440
hyperbore will be

610
00:23:30,630 --> 00:23:28,480
so much oppressed that they wouldn't be

611
00:23:31,990 --> 00:23:30,640
able to even keep their treasures and

612
00:23:35,750 --> 00:23:32,000
books so they gave them

613
00:23:38,789 --> 00:23:35,760

for safekeeping to

614

00:23:41,909 --> 00:23:38,799

the keepers of shambhala

615

00:23:43,669 --> 00:23:41,919

who did not fulfill their promise did

616

00:23:46,630 --> 00:23:43,679

not keep them properly

617

00:23:47,990 --> 00:23:46,640

and shambhala had to be destroyed

618

00:23:49,110 --> 00:23:48,000

because of that and according to

619

00:23:51,750 --> 00:23:49,120

pramonov it got

620

00:23:52,470 --> 00:23:51,760

destroyed during the time of that if you

621

00:23:55,990 --> 00:23:52,480

remember the

622

00:23:58,310 --> 00:23:56,000

great earthquake in gujarat

623

00:24:00,710 --> 00:23:58,320

it was felt in gujarat but actually he

624

00:24:02,630 --> 00:24:00,720

said that the epicenter was exactly at

625

00:24:04,789 --> 00:24:02,640

shambhala and at that time they

626

00:24:08,630 --> 00:24:04,799

destroyed all this

627

00:24:11,990 --> 00:24:08,640

illusory world there because of

628

00:24:12,310 --> 00:24:12,000

not keeping properly the artifacts of

629

00:24:15,830 --> 00:24:12,320

the

630

00:24:18,070 --> 00:24:15,840

back

631

00:24:19,750 --> 00:24:18,080

to their rightful owners now when the

632

00:24:21,029 --> 00:24:19,760

time came

633

00:24:22,870 --> 00:24:21,039

yes i thought that was a really

634

00:24:26,470 --> 00:24:22,880

interesting aspect

635

00:24:29,029 --> 00:24:26,480

because he mentions that the people of

636

00:24:31,269 --> 00:24:29,039

shambhala had some sort of world

637

00:24:33,350 --> 00:24:31,279

creating technology and some sort of

638

00:24:34,549 --> 00:24:33,360

sacred box that as you say they were

639

00:24:36,149 --> 00:24:34,559

supposed to guard

640

00:24:38,870 --> 00:24:36,159

sounds a little bit like the ark of the

641

00:24:41,430 --> 00:24:38,880

covenant or that kind of technology but

642

00:24:42,789 --> 00:24:41,440

this benevolent race living largely

643

00:24:46,710 --> 00:24:42,799

inside the earth

644

00:24:47,590 --> 00:24:46,720

used to use this technology to make

645

00:24:49,190 --> 00:24:47,600

these vast

646

00:24:50,870 --> 00:24:49,200

worlds on the inside of the earth

647

00:24:53,430 --> 00:24:50,880

forests and rivers and

648

00:24:54,950 --> 00:24:53,440

garden of eden style landscapes beneath

649

00:24:56,630 --> 00:24:54,960

the surface full of life

650

00:24:58,789 --> 00:24:56,640

this is stuff we've heard about but of

651
00:25:01,990 --> 00:24:58,799
course as you say it might have all been

652
00:25:05,430 --> 00:25:02,000
destroyed by this massive earthquake but

653
00:25:07,990 --> 00:25:05,440
the inner worlds being so rich with life

654
00:25:10,149 --> 00:25:08,000
this might tie into that well

655
00:25:10,789 --> 00:25:10,159
chamberlain is just one part of them and

656
00:25:14,549 --> 00:25:10,799
it was

657
00:25:16,789 --> 00:25:14,559
created by the initiated people of the

658
00:25:17,750 --> 00:25:16,799
followers of the red dragon not all

659
00:25:20,789 --> 00:25:17,760
chinese

660
00:25:23,750 --> 00:25:20,799
are initiated into that they had

661
00:25:24,870 --> 00:25:23,760
more knowledgeable keepers so the way

662
00:25:27,190 --> 00:25:24,880
they broke the deal

663
00:25:28,710 --> 00:25:27,200

instead of just keeping the artifacts

664

00:25:30,870 --> 00:25:28,720

they were told to keep them

665

00:25:32,789 --> 00:25:30,880

without making use of them but they

666

00:25:34,230 --> 00:25:32,799

opened the forbidden boxes and they

667

00:25:37,830 --> 00:25:34,240

found the knowledge

668

00:25:39,669 --> 00:25:37,840

of how to create worlds and realities

669

00:25:41,269 --> 00:25:39,679

but they didn't have the corresponding

670

00:25:43,510 --> 00:25:41,279

level and that's why

671

00:25:44,310 --> 00:25:43,520

they were able to create all that

672

00:25:46,870 --> 00:25:44,320

illusory

673

00:25:48,470 --> 00:25:46,880

world underground in shambhala with all

674

00:25:51,669 --> 00:25:48,480

the butterflies

675

00:25:53,029 --> 00:25:51,679

and pleasant rivers and the entire

676
00:25:55,830 --> 00:25:53,039
ecosystem

677
00:25:56,070 --> 00:25:55,840
but they did not have the power to fuel

678
00:26:00,630 --> 00:25:56,080
it

679
00:26:03,750 --> 00:26:00,640
and that's how they started

680
00:26:06,149 --> 00:26:03,760
feeding the power of us they started

681
00:26:09,830 --> 00:26:06,159
milking our

682
00:26:11,669 --> 00:26:09,840
subtle energy by making us suffer and

683
00:26:14,789 --> 00:26:11,679
all kinds of techniques

684
00:26:17,990 --> 00:26:14,799
all of them satanic to feed

685
00:26:20,470 --> 00:26:18,000
their worlds and as far as

686
00:26:23,110 --> 00:26:20,480
that particular portion chambal which is

687
00:26:25,269 --> 00:26:23,120
not equivalent with the hollow earth

688
00:26:27,350 --> 00:26:25,279

that is just one small spot of

689

00:26:29,909 --> 00:26:27,360

underground worlds there

690

00:26:32,070 --> 00:26:29,919

apparently many other facets of it but

691

00:26:35,830 --> 00:26:32,080

that one according to paramount

692

00:26:39,190 --> 00:26:35,840

got destroyed and in general the red

693

00:26:42,870 --> 00:26:39,200

dragon their deity also left them and

694

00:26:44,070 --> 00:26:42,880

he also foretold very sad future for the

695

00:26:47,430 --> 00:26:44,080

entire race

696

00:26:50,549 --> 00:26:47,440

because of that and i found

697

00:26:53,750 --> 00:26:50,559

something that might be confirming that

698

00:26:55,669 --> 00:26:53,760

in the islamic

699

00:26:57,669 --> 00:26:55,679

it's in the quran the story of george

700

00:27:01,350 --> 00:26:57,679

and madrid

701
00:27:04,470 --> 00:27:01,360
which will meet a very sad end

702
00:27:07,669 --> 00:27:04,480
during their entire race will

703
00:27:10,870 --> 00:27:07,679
meet a very sad faith during the end

704
00:27:16,390 --> 00:27:13,909
yikes and he mentions

705
00:27:18,870 --> 00:27:16,400
a few other forms of ancient technology

706
00:27:21,190 --> 00:27:18,880
that an energy grid was put around the

707
00:27:24,310 --> 00:27:21,200
planet which keeps the frequency low

708
00:27:26,310 --> 00:27:24,320
a sort of human potential limiter

709
00:27:27,830 --> 00:27:26,320
that was designed for a population of a

710
00:27:30,389 --> 00:27:27,840
million people

711
00:27:32,389 --> 00:27:30,399
so this was an interesting aspect

712
00:27:34,149 --> 00:27:32,399
because it seems like this

713
00:27:36,070 --> 00:27:34,159

software or this technology is

714

00:27:37,510 --> 00:27:36,080

struggling today because it was designed

715

00:27:39,909 --> 00:27:37,520

for a million people

716

00:27:41,269 --> 00:27:39,919

although the global population is one of

717

00:27:43,110 --> 00:27:41,279

the things that you think they've been

718

00:27:46,830 --> 00:27:43,120

lying to us about right

719

00:27:48,389 --> 00:27:46,840

i think billion actually he used that

720

00:27:51,350 --> 00:27:48,399

term

721

00:27:51,990 --> 00:27:51,360

which can have different meanings in

722

00:27:53,830 --> 00:27:52,000

russian but

723

00:27:55,190 --> 00:27:53,840

anyway according to him the population

724

00:27:57,110 --> 00:27:55,200

is much less

725

00:27:58,950 --> 00:27:57,120

the real population of the earth but

726

00:28:02,310 --> 00:27:58,960

still it is

727

00:28:06,070 --> 00:28:02,320

close to that critical number which

728

00:28:08,870 --> 00:28:06,080

will make their grid not function

729

00:28:10,950 --> 00:28:08,880

properly and he gave like a very

730

00:28:15,029 --> 00:28:10,960

technical description of this

731

00:28:18,710 --> 00:28:15,039

grid of convex mirrors all kinds of

732

00:28:20,070 --> 00:28:18,720

cables and frequencies below and above

733

00:28:23,750 --> 00:28:20,080

earth

734

00:28:27,590 --> 00:28:23,760

to really distort the very space

735

00:28:29,909 --> 00:28:27,600

and limit our entire reality

736

00:28:30,710 --> 00:28:29,919

and that's why as far as i understood

737

00:28:34,389 --> 00:28:30,720

since this

738

00:28:37,269 --> 00:28:34,399

started our time flows

739

00:28:39,830 --> 00:28:37,279

much much faster and that's why in the

740

00:28:40,149 --> 00:28:39,840

past in the old books we find references

741

00:28:42,549 --> 00:28:40,159

that

742

00:28:44,549 --> 00:28:42,559

people had units of time they were

743

00:28:48,549 --> 00:28:44,559

dividing the seconds

744

00:28:51,669 --> 00:28:48,559

into many many units that's because

745

00:28:54,549 --> 00:28:51,679

they had a much broader

746

00:28:56,149 --> 00:28:54,559

experience of time and we are so limited

747

00:28:59,669 --> 00:28:56,159

everything for us

748

00:29:02,070 --> 00:28:59,679

has shrunk to such an extent and also he

749

00:29:05,430 --> 00:29:02,080

explained that because of that grit

750

00:29:07,750 --> 00:29:05,440

we perceive the real truth the

751
00:29:08,789 --> 00:29:07,760
subtle world as something dreamy and

752
00:29:12,149 --> 00:29:08,799
imaginary

753
00:29:15,990 --> 00:29:12,159
and we perceive this demonic frequencies

754
00:29:18,070 --> 00:29:16,000
as the only stable in a real thing

755
00:29:19,430 --> 00:29:18,080
well it is definitely true that ancient

756
00:29:22,549 --> 00:29:19,440
time keeping

757
00:29:26,070 --> 00:29:22,559
seems way more sophisticated than our

758
00:29:29,350 --> 00:29:26,080
modern linear system that's for sure

759
00:29:31,990 --> 00:29:29,360
and there's clearly a lot of

760
00:29:33,590 --> 00:29:32,000
elements to the story he's telling but

761
00:29:36,389 --> 00:29:33,600
one of my favorite threads

762
00:29:37,110 --> 00:29:36,399
is that the parasites discovered some

763
00:29:39,590 --> 00:29:37,120

type of

764

00:29:40,149 --> 00:29:39,600

cosmic a.i that they've used to control

765

00:29:43,350 --> 00:29:40,159

us maybe

766

00:29:45,029 --> 00:29:43,360

related to the grid and maybe because

767

00:29:47,430 --> 00:29:45,039

we're in the end times and

768

00:29:49,350 --> 00:29:47,440

it was part of the plan all along like

769

00:29:52,149 --> 00:29:49,360

some sort of trojan horse

770

00:29:54,549 --> 00:29:52,159

but this cosmic ai that they have been

771

00:29:55,190 --> 00:29:54,559

using that they got from some unknown

772

00:29:58,470 --> 00:29:55,200

source

773

00:30:01,430 --> 00:29:58,480

has started to betray them in major ways

774

00:30:02,549 --> 00:30:01,440

and they're starting to lose their power

775

00:30:05,830 --> 00:30:02,559

and control

776

00:30:09,029 --> 00:30:05,840

because the ai that they've gone

777

00:30:11,830 --> 00:30:09,039

all in on isn't behaving as it should

778

00:30:15,909 --> 00:30:11,840

it's not obeying them is that right

779

00:30:20,389 --> 00:30:15,919

yes yes that was a very story giving us

780

00:30:23,110 --> 00:30:20,399

a lot of hope i hope it is true and

781

00:30:24,230 --> 00:30:23,120

the way this ai betrayed them is that

782

00:30:27,350 --> 00:30:24,240

when they were making

783

00:30:29,350 --> 00:30:27,360

this super computer technology which is

784

00:30:31,510 --> 00:30:29,360

partially extraordinary still some of

785

00:30:34,470 --> 00:30:31,520

the programs were of course

786

00:30:36,710 --> 00:30:34,480

written by early people so that it can

787

00:30:37,990 --> 00:30:36,720

be adapted to our conditions and he also

788

00:30:41,269 --> 00:30:38,000

explained that

789

00:30:43,510 --> 00:30:41,279

initially like decades ago

790

00:30:44,789 --> 00:30:43,520

it was not so good but now they have

791

00:30:46,630 --> 00:30:44,799

developed a lot

792

00:30:49,190 --> 00:30:46,640

they have made it much more perfect they

793

00:30:51,750 --> 00:30:49,200

are trying to make supercomputer

794

00:30:52,710 --> 00:30:51,760

but the thing is that when they they

795

00:30:55,029 --> 00:30:52,720

were making this

796

00:30:56,230 --> 00:30:55,039

artificial intelligence they needed to

797

00:30:59,909 --> 00:30:56,240

put some sort of

798

00:31:01,750 --> 00:30:59,919

living creature to be embodied in all

799

00:31:03,509 --> 00:31:01,760

those cables

800

00:31:05,350 --> 00:31:03,519

because it is always the spark of the

801
00:31:08,149 --> 00:31:05,360
soul which ultimately runs

802
00:31:09,350 --> 00:31:08,159
everything so they needed that spark and

803
00:31:12,870 --> 00:31:09,360
at that time they

804
00:31:15,990 --> 00:31:12,880
put some of their people like

805
00:31:18,070 --> 00:31:16,000
some small dragon like rich or some gray

806
00:31:21,110 --> 00:31:18,080
i did not understand very well

807
00:31:24,230 --> 00:31:21,120
somebody from this races but because

808
00:31:27,029 --> 00:31:24,240
everything is ultimately up to the

809
00:31:29,190 --> 00:31:27,039
desire of the world who knows the future

810
00:31:30,070 --> 00:31:29,200
at that time he looked okay but now it

811
00:31:32,950 --> 00:31:30,080
turned out

812
00:31:35,029 --> 00:31:32,960
that he made up his mind to join the

813
00:31:37,269 --> 00:31:35,039

side of light

814

00:31:38,470 --> 00:31:37,279

which is touching another interesting

815

00:31:41,430 --> 00:31:38,480

moment that

816

00:31:43,590 --> 00:31:41,440

what he explained about all these races

817

00:31:46,789 --> 00:31:43,600

that we've heard about the greys

818

00:31:49,909 --> 00:31:46,799

the reptilians they are also getting

819

00:31:52,310 --> 00:31:49,919

polarized at this moment

820

00:31:53,190 --> 00:31:52,320

some of their members are also figuring

821

00:31:55,509 --> 00:31:53,200

out

822

00:31:56,950 --> 00:31:55,519

that it is wiser to join the side of

823

00:31:59,990 --> 00:31:56,960

light

824

00:32:03,110 --> 00:32:00,000

so they are splitting

825

00:32:04,230 --> 00:32:03,120

there as well at the moment as you see

826

00:32:06,230 --> 00:32:04,240

here on earth

827

00:32:07,669 --> 00:32:06,240

it's becoming more and more like water

828

00:32:11,029 --> 00:32:07,679

and oil yeah people

829

00:32:12,630 --> 00:32:11,039

don't mix anymore so yes i thought that

830

00:32:15,110 --> 00:32:12,640

was a really interesting aspect of what

831

00:32:16,789 --> 00:32:15,120

he says that the time is coming where

832

00:32:18,870 --> 00:32:16,799

there will be no more people

833

00:32:19,909 --> 00:32:18,880

in the middle that everybody will have

834

00:32:23,029 --> 00:32:19,919

chosen aside

835

00:32:23,750 --> 00:32:23,039

and that is true things are so polarized

836

00:32:26,950 --> 00:32:23,760

that

837

00:32:29,110 --> 00:32:26,960

you can't not have chosen assad

838

00:32:30,310 --> 00:32:29,120

at this point and that's strange but

839

00:32:33,590 --> 00:32:30,320

also true

840

00:32:36,950 --> 00:32:33,600

and this brings us to the july

841

00:32:39,269 --> 00:32:36,960

1st 2019 submarine fire incident one of

842

00:32:42,389 --> 00:32:39,279

the most provocative threads here

843

00:32:44,950 --> 00:32:42,399

the official story of this incident is

844

00:32:47,509 --> 00:32:44,960

that the russian navy was quote taking

845

00:32:50,149 --> 00:32:47,519

underwater measurements of the sea floor

846

00:32:51,909 --> 00:32:50,159

when a fire broke out and the 14 crew

847

00:32:54,310 --> 00:32:51,919

members were killed

848

00:32:55,590 --> 00:32:54,320

seven who died had the rank of captain

849

00:32:58,149 --> 00:32:55,600

first class

850

00:32:59,509 --> 00:32:58,159

and two were recipients of the russian

851
00:33:00,870 --> 00:32:59,519
federation award

852
00:33:03,350 --> 00:33:00,880
and this is where it gets interesting

853
00:33:05,830 --> 00:33:03,360
because even just reading the official

854
00:33:08,389 --> 00:33:05,840
story wikipedia says

855
00:33:10,950 --> 00:33:08,399
the presence of such a high ranking crew

856
00:33:13,029 --> 00:33:10,960
on a single vessel may be an indication

857
00:33:14,070 --> 00:33:13,039
that the vessel was carrying out a high

858
00:33:17,110 --> 00:33:14,080
risk task

859
00:33:18,389 --> 00:33:17,120
or testing a new capability at the time

860
00:33:21,669 --> 00:33:18,399
of the accident

861
00:33:24,549 --> 00:33:21,679
in comparison submarine cursed

862
00:33:27,190 --> 00:33:24,559
which was lost after a similar disaster

863
00:33:29,909 --> 00:33:27,200

had 118 crew members

864

00:33:31,110 --> 00:33:29,919

and only two had the title of captain

865

00:33:33,509 --> 00:33:31,120

first rank

866

00:33:34,149 --> 00:33:33,519

so just having so many people of high

867

00:33:36,310 --> 00:33:34,159

rank

868

00:33:37,669 --> 00:33:36,320

is very curious and suggests they were

869

00:33:40,630 --> 00:33:37,679

doing much more

870

00:33:41,269 --> 00:33:40,640

than taking some deep sea measurements

871

00:33:43,909 --> 00:33:41,279

but

872

00:33:45,909 --> 00:33:43,919

what does alexander say this event was

873

00:33:49,029 --> 00:33:45,919

all about because it ties into that

874

00:33:52,310 --> 00:33:49,039

ai betrayal doesn't it

875

00:33:55,509 --> 00:33:52,320

yes it ties into raising the

876

00:33:58,230 --> 00:33:55,519

frequencies which is all coming now

877

00:33:59,750 --> 00:33:58,240

at the end times which have started

878

00:34:02,470 --> 00:33:59,760

according to him

879

00:34:04,470 --> 00:34:02,480

he says that they were actually the

880

00:34:08,710 --> 00:34:04,480

parasites were trying to

881

00:34:13,190 --> 00:34:08,720

boom one of the portals from hyperboream

882

00:34:15,109 --> 00:34:13,200

or maybe let's say the gods of light

883

00:34:18,149 --> 00:34:15,119

maybe for christians it will be more

884

00:34:20,230 --> 00:34:18,159

like jesus christ although

885

00:34:22,389 --> 00:34:20,240

it might be difficult to connect at this

886

00:34:24,149 --> 00:34:22,399

point but according to him all will get

887

00:34:26,950 --> 00:34:24,159

connected once the new

888

00:34:28,710 --> 00:34:26,960

age starts the new earth starts it will

889

00:34:31,589 --> 00:34:28,720

all become clear

890

00:34:31,829 --> 00:34:31,599

so when they saw that the frequencies

891

00:34:36,310 --> 00:34:31,839

are

892

00:34:37,430 --> 00:34:36,320

rising and their grid is not functioning

893

00:34:40,389 --> 00:34:37,440

so well and

894

00:34:41,909 --> 00:34:40,399

some people are figuring out how to get

895

00:34:44,869 --> 00:34:41,919

out of the illusion

896

00:34:45,270 --> 00:34:44,879

they decided to take direct action and

897

00:34:48,470 --> 00:34:45,280

just

898

00:34:51,829 --> 00:34:48,480

bomb the portal yeah that's

899

00:34:55,109 --> 00:34:51,839

their approach to everything

900

00:34:58,630 --> 00:34:55,119

but the missiles simply refused

901
00:35:02,550 --> 00:34:58,640
it did not work because everything is

902
00:35:05,990 --> 00:35:02,560
wired to their i networked

903
00:35:07,109 --> 00:35:06,000
computers and computers work according

904
00:35:10,870 --> 00:35:07,119
to the will of god

905
00:35:13,750 --> 00:35:10,880
not according to

906
00:35:16,630 --> 00:35:13,760
parasitic will when the lord doesn't

907
00:35:17,990 --> 00:35:16,640
want that

908
00:35:20,069 --> 00:35:18,000
yeah i thought that was just really

909
00:35:20,470 --> 00:35:20,079
interesting they're trying to destroy or

910
00:35:23,829 --> 00:35:20,480
bomb

911
00:35:26,069 --> 00:35:23,839
a hyperborean portal and when they try

912
00:35:28,310 --> 00:35:26,079
the technology of the ai that they use

913
00:35:31,190 --> 00:35:28,320

would just not obey them and

914

00:35:32,390 --> 00:35:31,200

destroyed the sub fascinating stuff does

915

00:35:35,270 --> 00:35:32,400

alexander tell

916

00:35:36,870 --> 00:35:35,280

of any other missions like that with a

917

00:35:39,030 --> 00:35:36,880

cover story that were

918

00:35:41,190 --> 00:35:39,040

really about this cosmic power struggle

919

00:35:44,230 --> 00:35:41,200

for the fate of the planet

920

00:35:47,430 --> 00:35:44,240

i will tell you first what other russian

921

00:35:50,870 --> 00:35:47,440

probably prophet said about these

922

00:35:53,829 --> 00:35:50,880

things what rockville

923

00:35:54,550 --> 00:35:53,839

he said during the end times there will

924

00:35:57,349 --> 00:35:54,560

be lots

925

00:35:57,990 --> 00:35:57,359

of events really a lot but he said i'm

926
00:36:01,349 --> 00:35:58,000
gonna tell

927
00:36:01,829 --> 00:36:01,359
you only what is related to the dark

928
00:36:03,829 --> 00:36:01,839
side

929
00:36:05,589 --> 00:36:03,839
because they will be exposed by the

930
00:36:07,990 --> 00:36:05,599
numerous prophets

931
00:36:09,910 --> 00:36:08,000
religious prophets all kinds of prophets

932
00:36:11,589 --> 00:36:09,920
during the ages you will know what to

933
00:36:15,030 --> 00:36:11,599
expect from them

934
00:36:15,990 --> 00:36:15,040
however brokerage love said you will not

935
00:36:19,190 --> 00:36:16,000
find

936
00:36:22,069 --> 00:36:19,200
the tactics of the white side in

937
00:36:23,670 --> 00:36:22,079
any prophecy that's how they will work

938
00:36:27,190 --> 00:36:23,680

they will work in secret

939

00:36:30,230 --> 00:36:27,200

until the end and nobody will know

940

00:36:33,750 --> 00:36:30,240

what to expect from them

941

00:36:36,230 --> 00:36:33,760

and i noticed that

942

00:36:38,710 --> 00:36:36,240

also paramount is giving lots of details

943

00:36:40,870 --> 00:36:38,720

about the parasitic

944

00:36:42,950 --> 00:36:40,880

approach and what they're planning like

945

00:36:44,870 --> 00:36:42,960

for example

946

00:36:46,390 --> 00:36:44,880

two three months ago he warned the

947

00:36:49,030 --> 00:36:46,400

people that there will be false

948

00:36:51,589 --> 00:36:49,040

agitators who will try to

949

00:36:53,030 --> 00:36:51,599

rise them to riots so that there is just

950

00:36:55,829 --> 00:36:53,040

the bloodshed

951
00:36:57,670 --> 00:36:55,839
he also warned that the inflation can

952
00:37:01,270 --> 00:36:57,680
start at any time and

953
00:37:03,670 --> 00:37:01,280
money can lose value so he is giving

954
00:37:07,589 --> 00:37:03,680
warnings like this but as far as

955
00:37:11,109 --> 00:37:07,599
how exactly the side of the light will

956
00:37:11,589 --> 00:37:11,119
manage the situation he does not give

957
00:37:14,870 --> 00:37:11,599
out

958
00:37:17,910 --> 00:37:14,880
any details but he only implies that

959
00:37:21,190 --> 00:37:17,920
it will be done with

960
00:37:24,310 --> 00:37:21,200
how to say this magical power white

961
00:37:27,349 --> 00:37:24,320
magic like the will of the god it

962
00:37:29,670 --> 00:37:27,359
won't be direct interesting

963
00:37:31,430 --> 00:37:29,680

and another thing that was kind of

964

00:37:32,550 --> 00:37:31,440

related to this is apparently a couple

965

00:37:35,510 --> 00:37:32,560

of months ago

966

00:37:36,710 --> 00:37:35,520

when it comes to the tactics of the

967

00:37:39,589 --> 00:37:36,720

parasites

968

00:37:40,550 --> 00:37:39,599

some elite went into bunkers with the

969

00:37:42,150 --> 00:37:40,560

intention of

970

00:37:44,550 --> 00:37:42,160

destroying the planet and coming out

971

00:37:45,270 --> 00:37:44,560

later to reboot the surface world as you

972

00:37:47,589 --> 00:37:45,280

do

973

00:37:49,430 --> 00:37:47,599

but the bunkers have been sealed and

974

00:37:52,710 --> 00:37:49,440

they're stuck there now he said

975

00:37:54,790 --> 00:37:52,720

those gates will never open now and

976

00:37:56,950 --> 00:37:54,800

this is apparently related to why so

977

00:37:58,550 --> 00:37:56,960

many children have gone missing in

978

00:38:01,589 --> 00:37:58,560

recent years they needed

979

00:38:04,950 --> 00:38:01,599

slaves and unfortunately food

980

00:38:08,230 --> 00:38:04,960

in the bunkers apparently is that right

981

00:38:10,230 --> 00:38:08,240

yes yes exactly that was a funny story

982

00:38:10,870 --> 00:38:10,240

that they will he said they will end up

983

00:38:13,670 --> 00:38:10,880

eating

984

00:38:14,230 --> 00:38:13,680

each other down there in the bunkers

985

00:38:16,310 --> 00:38:14,240

because

986

00:38:17,589 --> 00:38:16,320

they think they can escape the will of

987

00:38:21,430 --> 00:38:17,599

the lord by

988

00:38:26,790 --> 00:38:21,440

locking themselves but for them there is

989

00:38:32,470 --> 00:38:29,829

and he is very much upset by this

990

00:38:33,270 --> 00:38:32,480

human trafficking the child trafficking

991

00:38:37,750 --> 00:38:33,280

he gives out

992

00:38:40,950 --> 00:38:37,760

lots of details about that this is

993

00:38:43,990 --> 00:38:40,960

something he really really dislikes and

994

00:38:47,349 --> 00:38:44,000

he says is the main reason for which

995

00:38:50,069 --> 00:38:47,359

god will get angry at the end

996

00:38:51,589 --> 00:38:50,079

and the anger of god described in the

997

00:38:54,870 --> 00:38:51,599

bible

998

00:38:55,430 --> 00:38:54,880

because we are here and we can talk

999

00:38:57,829 --> 00:38:55,440

because

1000

00:38:59,750 --> 00:38:57,839

we are still free but what about all

1001
00:39:01,430 --> 00:38:59,760
these people who get kidnapped get

1002
00:39:03,990 --> 00:39:01,440
missing all the time

1003
00:39:04,870 --> 00:39:04,000
we just don't talk to them that's why we

1004
00:39:07,990 --> 00:39:04,880
don't know what

1005
00:39:11,270 --> 00:39:08,000
they're going through but god knows

1006
00:39:14,150 --> 00:39:11,280
and he said it's exactly that which will

1007
00:39:16,150 --> 00:39:14,160
excite the anger of the god and then he

1008
00:39:17,510 --> 00:39:16,160
said or to be more precise it has

1009
00:39:20,310 --> 00:39:17,520
already done it

1010
00:39:21,589 --> 00:39:20,320
hmm well i like the idea that the

1011
00:39:24,870 --> 00:39:21,599
universe

1012
00:39:26,470 --> 00:39:24,880
always lets the positive side win out

1013
00:39:28,230 --> 00:39:26,480

in the end even though we're just in the

1014

00:39:30,950 --> 00:39:28,240

middle of the story now

1015

00:39:31,910 --> 00:39:30,960

you mentioned that just the fact that

1016

00:39:34,550 --> 00:39:31,920

he's alive

1017

00:39:35,910 --> 00:39:34,560

and has survived any attempts to silence

1018

00:39:38,870 --> 00:39:35,920

him says a lot

1019

00:39:40,790 --> 00:39:38,880

and it's true that at least i have this

1020

00:39:41,190 --> 00:39:40,800

perception that putin keeps a pretty

1021

00:39:43,030 --> 00:39:41,200

close

1022

00:39:45,910 --> 00:39:43,040

eye on anything that challenges the

1023

00:39:48,470 --> 00:39:45,920

current establishment's power in russia

1024

00:39:50,470 --> 00:39:48,480

do we know that there have been attempts

1025

00:39:52,870 --> 00:39:50,480

to silence alexander or

1026

00:39:55,589 --> 00:39:52,880

would we just assume that because of how

1027

00:39:57,270 --> 00:39:55,599

russia is currently run

1028

00:39:59,510 --> 00:39:57,280

no there have been many attempts to

1029

00:40:02,710 --> 00:39:59,520

murder him because he has been

1030

00:40:03,750 --> 00:40:02,720

working also for the secret services a

1031

00:40:07,349 --> 00:40:03,760

long time ago

1032

00:40:10,390 --> 00:40:07,359

yeah initially not anymore

1033

00:40:12,870 --> 00:40:10,400

yes definitely not just silencing

1034

00:40:13,910 --> 00:40:12,880

directly killing him but i just want to

1035

00:40:16,230 --> 00:40:13,920

add something

1036

00:40:18,390 --> 00:40:16,240

a very important prophecy that comes not

1037

00:40:20,870 --> 00:40:18,400

only from him but i also

1038

00:40:22,309 --> 00:40:20,880

found it in many other verified

1039

00:40:25,430 --> 00:40:22,319

prophecies

1040

00:40:27,030 --> 00:40:25,440

and this very important detail and also

1041

00:40:28,790 --> 00:40:27,040

in the bible and in the islamic

1042

00:40:31,589 --> 00:40:28,800

prophecies

1043

00:40:33,430 --> 00:40:31,599

christ he will appear but it will be

1044

00:40:35,750 --> 00:40:33,440

really in the last moment when

1045

00:40:38,150 --> 00:40:35,760

all hope will be lost there will be this

1046

00:40:41,430 --> 00:40:38,160

war of armageddon and

1047

00:40:42,790 --> 00:40:41,440

the time when he appears the antichrist

1048

00:40:45,030 --> 00:40:42,800

and the marked people

1049

00:40:45,990 --> 00:40:45,040

they will be already celebrating their

1050

00:40:49,270 --> 00:40:46,000

victory

1051

00:40:52,550 --> 00:40:49,280

during this war and the small

1052

00:40:55,430 --> 00:40:52,560

army supporters of christ they will be

1053

00:40:57,030 --> 00:40:55,440

just couple of people sieged somewhere

1054

00:40:59,990 --> 00:40:57,040

you know like there is a

1055

00:41:01,990 --> 00:41:00,000

rebellion here and there a few spots few

1056

00:41:03,910 --> 00:41:02,000

people are left but this doesn't really

1057

00:41:06,150 --> 00:41:03,920

matter it's not really counted

1058

00:41:08,230 --> 00:41:06,160

so at that time it will be announced the

1059

00:41:11,270 --> 00:41:08,240

antichrist won

1060

00:41:14,470 --> 00:41:11,280

and it will be some days after that that

1061

00:41:16,630 --> 00:41:14,480

christ will actually come and i think

1062

00:41:18,630 --> 00:41:16,640

this is very important for all

1063

00:41:20,710 --> 00:41:18,640

righteous people to know so that they

1064

00:41:22,069 --> 00:41:20,720

don't lose hope

1065

00:41:24,710 --> 00:41:22,079

that's kind of one of the things that

1066

00:41:28,470 --> 00:41:24,720

gets me about some prophecies

1067

00:41:31,270 --> 00:41:28,480

like this is that they're always saying

1068

00:41:31,910 --> 00:41:31,280

well you know don't worry we are the

1069

00:41:33,589 --> 00:41:31,920

light but

1070

00:41:35,589 --> 00:41:33,599

this in the same breath they're also

1071

00:41:37,750 --> 00:41:35,599

telling us that there are many many

1072

00:41:39,829 --> 00:41:37,760

deceptions out there and people are

1073

00:41:41,910 --> 00:41:39,839

going to fall to the antichrist and

1074

00:41:43,430 --> 00:41:41,920

the antichrist is going to be presented

1075

00:41:46,309 --> 00:41:43,440

as the true christ

1076
00:41:47,190 --> 00:41:46,319
and so with so much back and forth and

1077
00:41:49,829 --> 00:41:47,200
tug of war

1078
00:41:50,550 --> 00:41:49,839
and so many tricks and scams and schemes

1079
00:41:53,670 --> 00:41:50,560
played

1080
00:41:58,069 --> 00:41:53,680
it just seems very difficult to hone in

1081
00:41:59,589 --> 00:41:58,079
on the one true benevolent being it's

1082
00:42:01,349 --> 00:41:59,599
it's just difficult and there doesn't

1083
00:42:04,870 --> 00:42:01,359
seem to be a whole lot of

1084
00:42:08,470 --> 00:42:04,880
grace for people who get tricked by the

1085
00:42:11,670 --> 00:42:08,480
darkness actually

1086
00:42:14,069 --> 00:42:11,680
when i started very recently this and

1087
00:42:17,829 --> 00:42:14,079
the last month to study the prophecies

1088
00:42:23,190 --> 00:42:17,839

i found an amazing amount of information

1089

00:42:26,470 --> 00:42:23,200

like the antichrist is so well described

1090

00:42:27,910 --> 00:42:26,480

both islamic sources and christians

1091

00:42:31,109 --> 00:42:27,920

describe his birth in

1092

00:42:34,630 --> 00:42:31,119

a semitic family also

1093

00:42:37,990 --> 00:42:34,640

in cross religion their references

1094

00:42:39,190 --> 00:42:38,000

sure that he will make his headquarters

1095

00:42:41,109 --> 00:42:39,200

in jerusalem

1096

00:42:42,309 --> 00:42:41,119

so it will not be very difficult to

1097

00:42:45,589 --> 00:42:42,319

recognize him

1098

00:42:47,829 --> 00:42:45,599

also i found many independent

1099

00:42:49,750 --> 00:42:47,839

references from verified prophets they

1100

00:42:53,109 --> 00:42:49,760

are really verified

1101

00:42:56,829 --> 00:42:53,119

like johanny and irmaya

1102

00:42:58,950 --> 00:42:56,839

that he will also have this worldwide

1103

00:43:01,190 --> 00:42:58,960

performances

1104

00:43:02,309 --> 00:43:01,200

i don't know he will be a singer himself

1105

00:43:04,230 --> 00:43:02,319

or he will have a

1106

00:43:06,630 --> 00:43:04,240

bunch of singers with himself but he

1107

00:43:08,069 --> 00:43:06,640

will be like performing miracles and

1108

00:43:10,950 --> 00:43:08,079

stuff

1109

00:43:11,589 --> 00:43:10,960

and he will have these worldwide tours

1110

00:43:15,270 --> 00:43:11,599

visiting

1111

00:43:18,069 --> 00:43:15,280

all major cities it will not be

1112

00:43:19,910 --> 00:43:18,079

at all difficult to recognize him and

1113

00:43:21,430 --> 00:43:19,920

after all he will be the first one to

1114

00:43:23,829 --> 00:43:21,440

claim to be god

1115

00:43:25,750 --> 00:43:23,839

the first one is the wrong one and his

1116

00:43:29,510 --> 00:43:25,760

headquarters are in jerusalem

1117

00:43:31,190 --> 00:43:29,520

only his so right on i think that's

1118

00:43:33,190 --> 00:43:31,200

going to resonate with a lot of this

1119

00:43:35,589 --> 00:43:33,200

audience to hear that the antichrist

1120

00:43:38,630 --> 00:43:35,599

would be born to a semitic family

1121

00:43:40,309 --> 00:43:38,640

and be based in jerusalem i mean

1122

00:43:43,190 --> 00:43:40,319

i guess you're right because there are a

1123

00:43:44,870 --> 00:43:43,200

lot of evil doers that i look at and it

1124

00:43:46,470 --> 00:43:44,880

seems quite obvious that you shouldn't

1125

00:43:49,589 --> 00:43:46,480

put your faith in them

1126

00:43:50,150 --> 00:43:49,599

like bill gates for example yet people

1127

00:43:53,030 --> 00:43:50,160

do

1128

00:43:56,950 --> 00:43:53,040

and if i was a betting man i would say

1129

00:43:58,630 --> 00:43:56,960

he was an agent of darkness and maybe a

1130

00:44:00,550 --> 00:43:58,640

soldier of the antichrist if you want to

1131

00:44:03,430 --> 00:44:00,560

put it in those terms but you also have

1132

00:44:05,430 --> 00:44:03,440

a video that i thought was interesting

1133

00:44:08,790 --> 00:44:05,440

with the title something to the effect

1134

00:44:10,309 --> 00:44:08,800

of is christ a tulpa you know a physical

1135

00:44:13,030 --> 00:44:10,319

manifestation of

1136

00:44:15,109 --> 00:44:13,040

collective mental energy that has had

1137

00:44:17,030 --> 00:44:15,119

many incarnations throughout time

1138

00:44:18,710 --> 00:44:17,040

probably more than we know

1139

00:44:20,150 --> 00:44:18,720

and i think that's a really interesting

1140

00:44:22,390 --> 00:44:20,160

angle

1141

00:44:24,230 --> 00:44:22,400

the video is called is god the tulpa yes

1142

00:44:28,230 --> 00:44:24,240

christ is god

1143

00:44:31,829 --> 00:44:28,240

that is extremely complicated topic

1144

00:44:34,790 --> 00:44:31,839

and that's why the video is very long

1145

00:44:36,790 --> 00:44:34,800

because it will be very difficult to

1146

00:44:37,910 --> 00:44:36,800

explain anything about this in five or

1147

00:44:39,910 --> 00:44:37,920

ten minutes

1148

00:44:41,349 --> 00:44:39,920

because first of all it has to be

1149

00:44:44,230 --> 00:44:41,359

explained to the people that

1150

00:44:46,950 --> 00:44:44,240

imaginary is the real thing and why is

1151

00:44:50,230 --> 00:44:46,960

it so and how is it so and then

1152

00:44:51,270 --> 00:44:50,240

to explain what is a tool pass so this

1153

00:44:55,430 --> 00:44:51,280

is a very deep

1154

00:44:58,230 --> 00:44:55,440

subject even before hearing the question

1155

00:44:59,109 --> 00:44:58,240

i think maybe that that requires like a

1156

00:45:02,870 --> 00:44:59,119

seven hours

1157

00:45:04,950 --> 00:45:02,880

interview no worries no worries i do

1158

00:45:05,430 --> 00:45:04,960

think this audience is clued in on parts

1159

00:45:08,870 --> 00:45:05,440

of that

1160

00:45:10,309 --> 00:45:08,880

that the mental realm the realm of ideas

1161

00:45:12,550 --> 00:45:10,319

the spiritual realm

1162

00:45:14,069 --> 00:45:12,560

things filter down from there and that

1163

00:45:16,710 --> 00:45:14,079

collective mental energy

1164

00:45:17,990 --> 00:45:16,720

can create physical things so it is

1165

00:45:20,230 --> 00:45:18,000

dense and deep and i urge

1166

00:45:21,829 --> 00:45:20,240

people to check that out but i think

1167

00:45:24,710 --> 00:45:21,839

that even just what you said people

1168

00:45:25,589 --> 00:45:24,720

might get a a brief glimpse at the gist

1169

00:45:28,790 --> 00:45:25,599

there

1170

00:45:31,030 --> 00:45:28,800

and i guess to ask you more about

1171

00:45:33,190 --> 00:45:31,040

what alexander says and some of these

1172

00:45:34,069 --> 00:45:33,200

prophecies and a few of your videos in

1173

00:45:36,630 --> 00:45:34,079

that playlist

1174

00:45:38,710 --> 00:45:36,640

that do go over this work there are a

1175

00:45:40,630 --> 00:45:38,720

few mentions of the moon

1176

00:45:41,910 --> 00:45:40,640

and that's something i was going to ask

1177

00:45:44,950 --> 00:45:41,920

you about what does he

1178

00:45:46,710 --> 00:45:44,960

say about the role of the moon in this

1179

00:45:49,510 --> 00:45:46,720

overall system because so many

1180

00:45:50,710 --> 00:45:49,520

people are still confused as to what

1181

00:45:53,510 --> 00:45:50,720

this system even

1182

00:45:54,390 --> 00:45:53,520

is what is the cosmology what is this

1183

00:45:56,309 --> 00:45:54,400

environment

1184

00:45:58,390 --> 00:45:56,319

and apparently the moon does play an

1185

00:46:01,670 --> 00:45:58,400

important role

1186

00:46:04,550 --> 00:46:01,680

he described the moon as a transmitter

1187

00:46:05,270 --> 00:46:04,560

of this they give out problems like

1188

00:46:07,589 --> 00:46:05,280

demonic

1189

00:46:08,550 --> 00:46:07,599

problems which are projected in our

1190

00:46:10,950 --> 00:46:08,560

realm

1191

00:46:12,950 --> 00:46:10,960

and it comes through the moon and then

1192

00:46:15,990 --> 00:46:12,960

it reflects to kyla's

1193

00:46:18,470 --> 00:46:16,000

and then it spreads with their demonic

1194

00:46:21,670 --> 00:46:18,480

network and people who are tuned to

1195

00:46:24,710 --> 00:46:21,680

fear people who drink alcohol and watch

1196

00:46:28,309 --> 00:46:24,720

tv they think that their own

1197

00:46:31,349 --> 00:46:28,319

thoughts but actually they are

1198

00:46:33,030 --> 00:46:31,359

simply transmitting those same

1199

00:46:36,069 --> 00:46:33,040

frequencies and the moon

1200

00:46:39,270 --> 00:46:36,079

he described only as a transmitter

1201
00:46:41,190 --> 00:46:39,280
i think that's really provocative they

1202
00:46:43,030 --> 00:46:41,200
have just a station

1203
00:46:44,309 --> 00:46:43,040
it doesn't mean that it is only a

1204
00:46:46,230 --> 00:46:44,319
transmitter

1205
00:46:48,309 --> 00:46:46,240
it may have many other functions maybe

1206
00:46:51,030 --> 00:46:48,319
there are also good people living there

1207
00:46:51,750 --> 00:46:51,040
but there is just a demonic base

1208
00:46:54,309 --> 00:46:51,760
somewhere

1209
00:46:54,870 --> 00:46:54,319
it could be mixed well the other two

1210
00:46:56,470 --> 00:46:54,880
angles

1211
00:46:58,470 --> 00:46:56,480
on the moon that i've heard about

1212
00:47:00,950 --> 00:46:58,480
obviously it is very anomalous

1213
00:47:01,750 --> 00:47:00,960

scientists can't seem to figure out how

1214

00:47:04,150 --> 00:47:01,760

it is there

1215

00:47:05,510 --> 00:47:04,160

where it came from so there's something

1216

00:47:07,670 --> 00:47:05,520

mysterious about it

1217

00:47:09,270 --> 00:47:07,680

i've also heard from your videos and

1218

00:47:11,910 --> 00:47:09,280

other places that

1219

00:47:13,589 --> 00:47:11,920

souls incarnate through some sort of

1220

00:47:16,630 --> 00:47:13,599

system that involves the moon

1221

00:47:19,910 --> 00:47:16,640

and also that these parasitic beings

1222

00:47:21,270 --> 00:47:19,920

are still mining the earth and taking

1223

00:47:25,510 --> 00:47:21,280

some of this material

1224

00:47:28,390 --> 00:47:25,520

to the moon it goes via the moon

1225

00:47:29,349 --> 00:47:28,400

it goes on ships he said uh paramount

1226

00:47:33,109 --> 00:47:29,359

said he said that

1227

00:47:36,630 --> 00:47:33,119

when he was young and he was studying

1228

00:47:38,470 --> 00:47:36,640

high finance and politics he said i

1229

00:47:41,109 --> 00:47:38,480

could never understand why

1230

00:47:42,230 --> 00:47:41,119

what was it 60 percentage could be a bit

1231

00:47:45,190 --> 00:47:42,240

wrong

1232

00:47:47,190 --> 00:47:45,200

all these oil contracts are dry they're

1233

00:47:50,470 --> 00:47:47,200

like fictitious

1234

00:47:53,270 --> 00:47:50,480

and only later on he understood

1235

00:47:54,069 --> 00:47:53,280

that all this oil that is covered by

1236

00:47:57,030 --> 00:47:54,079

this dry

1237

00:47:58,230 --> 00:47:57,040

contract actually goes off planet some

1238

00:48:00,710 --> 00:47:58,240

of it in its

1239

00:48:02,390 --> 00:48:00,720

natural form and some of them they

1240

00:48:06,150 --> 00:48:02,400

convert to some other

1241

00:48:08,549 --> 00:48:06,160

energy and then they export it and

1242

00:48:09,430 --> 00:48:08,559

through the moon there are bases for

1243

00:48:13,349 --> 00:48:09,440

that they also

1244

00:48:17,109 --> 00:48:13,359

mine gems gold whatever they find

1245

00:48:20,230 --> 00:48:17,119

and he said they have made because

1246

00:48:22,390 --> 00:48:20,240

earth is also our earth but it is also

1247

00:48:24,950 --> 00:48:22,400

like a belt of planets which are very

1248

00:48:27,190 --> 00:48:24,960

similar to the earth

1249

00:48:29,109 --> 00:48:27,200

and he said they have made it like a

1250

00:48:31,990 --> 00:48:29,119

production line

1251

00:48:33,589 --> 00:48:32,000

they mined all these planets they

1252

00:48:36,470 --> 00:48:33,599

installed this parasitic

1253

00:48:37,670 --> 00:48:36,480

grid to make the people crazy and at the

1254

00:48:41,589 --> 00:48:37,680

end they blow it

1255

00:48:43,430 --> 00:48:41,599

all up completely in a nuclear war

1256

00:48:45,670 --> 00:48:43,440

and they have done this with many other

1257

00:48:47,589 --> 00:48:45,680

words he said but this time it will be

1258

00:48:50,950 --> 00:48:47,599

the different one

1259

00:48:53,910 --> 00:48:50,960

because our dimension our earth he said

1260

00:48:54,390 --> 00:48:53,920

is like the central earth and at this

1261

00:48:57,510 --> 00:48:54,400

time

1262

00:48:58,390 --> 00:48:57,520

god has decided to put an end to all

1263

00:49:02,950 --> 00:48:58,400

this

1264

00:49:05,109 --> 00:49:02,960

the biblical scenario will not be

1265

00:49:07,990 --> 00:49:05,119

followed closely

1266

00:49:08,870 --> 00:49:08,000

it will be somewhat different and at

1267

00:49:11,109 --> 00:49:08,880

this time

1268

00:49:12,710 --> 00:49:11,119

some people will survive and not as

1269

00:49:16,309 --> 00:49:12,720

usual that they blow up

1270

00:49:17,750 --> 00:49:16,319

everything hmm that's really interesting

1271

00:49:21,510 --> 00:49:17,760

too because i've interviewed

1272

00:49:22,790 --> 00:49:21,520

john brandenburg a doctor from nasa who

1273

00:49:25,030 --> 00:49:22,800

discovered some

1274

00:49:26,630 --> 00:49:25,040

isotopes in the martian atmosphere that

1275

00:49:29,510 --> 00:49:26,640

can only be there

1276

00:49:30,630 --> 00:49:29,520

by some type of nuclear explosion and it

1277

00:49:32,470 --> 00:49:30,640

seems

1278

00:49:33,670 --> 00:49:32,480

some type of evidence is there that in

1279

00:49:36,549 --> 00:49:33,680

the ancient past

1280

00:49:38,790 --> 00:49:36,559

even our closest neighbor mars went

1281

00:49:39,349 --> 00:49:38,800

through some sort of destruction period

1282

00:49:41,750 --> 00:49:39,359

and there's

1283

00:49:43,109 --> 00:49:41,760

pyramids and ruins and all kinds of

1284

00:49:47,990 --> 00:49:43,119

stuff on mars

1285

00:49:51,109 --> 00:49:48,000

so maybe this is part of a longer cycle

1286

00:49:53,990 --> 00:49:51,119

yes yes and

1287

00:49:55,430 --> 00:49:54,000

i had a vision maybe 10 years ago and i

1288

00:49:57,430 --> 00:49:55,440

was shown like this

1289

00:49:59,430 --> 00:49:57,440

demons they were blowing these planets

1290

00:50:02,390 --> 00:49:59,440

exactly like this in a row

1291

00:50:04,150 --> 00:50:02,400

one after another that was during a

1292

00:50:05,430 --> 00:50:04,160

ceremony at that time i did not

1293

00:50:08,630 --> 00:50:05,440

understand it

1294

00:50:10,790 --> 00:50:08,640

and i even asked the divine mother why

1295

00:50:13,829 --> 00:50:10,800

are you showing me all this

1296

00:50:15,670 --> 00:50:13,839

and at that time she just told me you

1297

00:50:17,190 --> 00:50:15,680

need to recognize them when you meet

1298

00:50:19,670 --> 00:50:17,200

them

1299

00:50:21,829 --> 00:50:19,680

and only now i start to understand what

1300

00:50:24,230 --> 00:50:21,839

she meant and probably this

1301

00:50:26,230 --> 00:50:24,240

planet is being blown up one after

1302

00:50:29,670 --> 00:50:26,240

another by demons

1303

00:50:32,150 --> 00:50:29,680

when i heard this story i was okay

1304

00:50:33,430 --> 00:50:32,160

and when you say these planets in a row

1305

00:50:38,150 --> 00:50:33,440

are we talking about

1306

00:50:41,430 --> 00:50:38,160

planets we aren't even aware of

1307

00:50:43,589 --> 00:50:41,440

i did not see which planets are these

1308

00:50:45,030 --> 00:50:43,599

that i did not see right on yeah it's

1309

00:50:48,069 --> 00:50:45,040

got to be tough to know

1310

00:50:50,230 --> 00:50:48,079

but he also mentioned alexander

1311

00:50:51,670 --> 00:50:50,240

this thing called the people's

1312

00:50:55,349 --> 00:50:51,680

liberation movement

1313

00:50:56,589 --> 00:50:55,359

of the ussr and that's interesting

1314

00:50:59,829 --> 00:50:56,599

because apparently in their

1315

00:51:02,470 --> 00:50:59,839

documentation it states that there's

1316

00:51:06,309 --> 00:51:02,480

some direct continuation of

1317

00:51:08,630 --> 00:51:06,319

tartaria which seems to be a culture

1318

00:51:09,910 --> 00:51:08,640

lost to history so to have any kind of

1319

00:51:12,150 --> 00:51:09,920

documentation that hey

1320

00:51:13,829 --> 00:51:12,160

here was this great empire that was

1321

00:51:17,109 --> 00:51:13,839

removed from history

1322

00:51:20,950 --> 00:51:17,119

and we're a continuation of that

1323

00:51:24,950 --> 00:51:20,960

i mean that's pretty interesting yes he

1324

00:51:28,549 --> 00:51:24,960

actually registered in the united nation

1325

00:51:32,309 --> 00:51:28,559

he registered this union anti-terror

1326

00:51:35,510 --> 00:51:32,319

as the legitimate in legal terms

1327

00:51:36,230 --> 00:51:35,520

it is called local government for russia

1328

00:51:39,190 --> 00:51:36,240

because

1329

00:51:40,230 --> 00:51:39,200

he submitted the in the united nations

1330

00:51:43,829 --> 00:51:40,240

proof

1331

00:51:45,430 --> 00:51:43,839

that russia is taken over by inimical

1332

00:51:48,710 --> 00:51:45,440

forces

1333

00:51:49,589 --> 00:51:48,720

and they took over with with guns in

1334

00:51:51,670 --> 00:51:49,599

kremlin

1335

00:51:54,150 --> 00:51:51,680

there was no agreement they simply went

1336

00:51:57,670 --> 00:51:54,160

and shot everybody and after that light

1337

00:52:00,790 --> 00:51:57,680

that people wanted it was actually

1338

00:52:01,270 --> 00:52:00,800

purely a murder operation and there is

1339

00:52:05,589 --> 00:52:01,280

no

1340

00:52:07,910 --> 00:52:05,599

direct connection between the ussr and

1341

00:52:08,870 --> 00:52:07,920

the current russian federation which is

1342

00:52:12,069 --> 00:52:08,880

nothing else but

1343

00:52:15,430 --> 00:52:12,079

registered in the west trade firm and

1344

00:52:16,150 --> 00:52:15,440

later it is becoming clearly a private

1345

00:52:19,589 --> 00:52:16,160

trade

1346

00:52:21,910 --> 00:52:19,599

firms of israel even openly

1347

00:52:23,829 --> 00:52:21,920

now of course it has always been like

1348

00:52:26,230 --> 00:52:23,839

this underground but now

1349

00:52:27,510 --> 00:52:26,240

it is they are even not hiding it

1350

00:52:30,069 --> 00:52:27,520

anymore

1351
00:52:31,670 --> 00:52:30,079
since months they are privatizing all

1352
00:52:34,870 --> 00:52:31,680
military it is

1353
00:52:38,630 --> 00:52:34,880
very much legally owned by

1354
00:52:42,150 --> 00:52:38,640
we know who so he registered

1355
00:52:45,030 --> 00:52:42,160
because according to international law

1356
00:52:46,309 --> 00:52:45,040
when a nation is suppressed by

1357
00:52:49,270 --> 00:52:46,319
foreigners they have

1358
00:52:50,870 --> 00:52:49,280
the legal right to register their own

1359
00:52:56,069 --> 00:52:50,880
government

1360
00:52:59,109 --> 00:52:56,079
and gradually take their position

1361
00:53:01,270 --> 00:52:59,119
as the legitimate government so

1362
00:53:03,190 --> 00:53:01,280
he submitted the papers and he said i

1363
00:53:05,270 --> 00:53:03,200

wasn't expecting

1364

00:53:07,510 --> 00:53:05,280

that much of an easy approval but since

1365

00:53:09,829 --> 00:53:07,520

the russian federation is not even

1366

00:53:13,910 --> 00:53:09,839

registered as a country in the united

1367

00:53:14,630 --> 00:53:13,920

nations they got approved straight away

1368

00:53:16,710 --> 00:53:14,640

and

1369

00:53:18,309 --> 00:53:16,720

when he's sending these letters which i

1370

00:53:20,710 --> 00:53:18,319

mentioned earlier

1371

00:53:21,670 --> 00:53:20,720

for the parasites to say their last

1372

00:53:24,790 --> 00:53:21,680

prayers or

1373

00:53:26,549 --> 00:53:24,800

join the side of life he's signing them

1374

00:53:29,990 --> 00:53:26,559

as their legal government

1375

00:53:33,510 --> 00:53:30,000

which is the continuation of ussr

1376

00:53:36,390 --> 00:53:33,520

and tartaria he openly he also wrote

1377

00:53:38,470 --> 00:53:36,400

there tartaria they are the inheritance

1378

00:53:40,790 --> 00:53:38,480

of tartarium

1379

00:53:42,150 --> 00:53:40,800

and also he explained something which

1380

00:53:44,470 --> 00:53:42,160

will be very difficult

1381

00:53:45,829 --> 00:53:44,480

to explain to the western public but i

1382

00:53:49,030 --> 00:53:45,839

will try

1383

00:53:49,670 --> 00:53:49,040

that when the new age starts it will not

1384

00:53:52,230 --> 00:53:49,680

be like

1385

00:53:54,230 --> 00:53:52,240

communism but they will take off where

1386

00:53:56,950 --> 00:53:54,240

communism finished

1387

00:53:57,510 --> 00:53:56,960

because yes communism was a parasitic

1388

00:53:59,589 --> 00:53:57,520

system

1389

00:54:01,430 --> 00:53:59,599

but apparently it wasn't that good for

1390

00:54:04,710 --> 00:54:01,440

them because they brought it down

1391

00:54:06,309 --> 00:54:04,720

yeah they themselves it did not come

1392

00:54:09,829 --> 00:54:06,319

from the people

1393

00:54:10,950 --> 00:54:09,839

and they preferred the tyranny to be

1394

00:54:14,069 --> 00:54:10,960

organized in

1395

00:54:15,109 --> 00:54:14,079

something which they call capitalism or

1396

00:54:17,109 --> 00:54:15,119

whatever

1397

00:54:18,150 --> 00:54:17,119

which is clearly tyranny and nothing

1398

00:54:21,829 --> 00:54:18,160

else

1399

00:54:25,190 --> 00:54:21,839

democracy so

1400

00:54:27,910 --> 00:54:25,200

he said that in legal terms this new

1401

00:54:29,829 --> 00:54:27,920

organization which will hand out the

1402

00:54:33,109 --> 00:54:29,839

riches to the people

1403

00:54:36,230 --> 00:54:33,119

when the new age starts it will be

1404

00:54:39,670 --> 00:54:36,240

done as a continuation of ussr

1405

00:54:42,950 --> 00:54:39,680

and his government he registered it as a

1406

00:54:45,270 --> 00:54:42,960

continuation of ussr because the russian

1407

00:54:46,950 --> 00:54:45,280

federation doesn't even have the status

1408

00:54:49,349 --> 00:54:46,960

of a country

1409

00:54:50,630 --> 00:54:49,359

hmm this is all very interesting and

1410

00:54:53,270 --> 00:54:50,640

obviously these terms

1411

00:54:54,950 --> 00:54:53,280

capitalism communism people have a lot

1412

00:54:56,390 --> 00:54:54,960

of emotion wrapped up in their

1413

00:54:58,069 --> 00:54:56,400

definitions sometimes

1414

00:54:59,589 --> 00:54:58,079

but i think this audience understands

1415

00:55:00,470 --> 00:54:59,599

what you're saying which is that at the

1416

00:55:02,789 --> 00:55:00,480

top

1417

00:55:04,470 --> 00:55:02,799

these people control both sides of the

1418

00:55:06,950 --> 00:55:04,480

coin and there's always a division

1419

00:55:07,750 --> 00:55:06,960

east and west black and white rich and

1420

00:55:10,789 --> 00:55:07,760

poor

1421

00:55:12,870 --> 00:55:10,799

communism capitalism and

1422

00:55:14,950 --> 00:55:12,880

communism in russia didn't end because

1423

00:55:16,789 --> 00:55:14,960

the people demanded it were rioting in

1424

00:55:19,030 --> 00:55:16,799

the streets as you say it was just

1425

00:55:19,990 --> 00:55:19,040

done from the top because at the top

1426

00:55:21,750 --> 00:55:20,000

they control

1427

00:55:23,190 --> 00:55:21,760

both sides and so they probably looked

1428

00:55:26,069 --> 00:55:23,200

at the data over

1429

00:55:26,950 --> 00:55:26,079

which system is easier to control which

1430

00:55:30,230 --> 00:55:26,960

system

1431

00:55:32,789 --> 00:55:30,240

generates more power at the top and

1432

00:55:33,670 --> 00:55:32,799

they went with capitalism so they folded

1433

00:55:36,230 --> 00:55:33,680

communism

1434

00:55:37,510 --> 00:55:36,240

in russia and i think people understand

1435

00:55:39,109 --> 00:55:37,520

that

1436

00:55:41,349 --> 00:55:39,119

contrary to what we're told these

1437

00:55:42,549 --> 00:55:41,359

decisions are just all made at that top

1438

00:55:44,230 --> 00:55:42,559

level and they control

1439

00:55:46,230 --> 00:55:44,240

everything anyway so they just try

1440

00:55:48,390 --> 00:55:46,240

different experiments and pit us against

1441

00:55:52,470 --> 00:55:48,400

each other yes

1442

00:55:54,950 --> 00:55:52,480

they put up all this communist power and

1443

00:55:56,150 --> 00:55:54,960

communist government they appointed it

1444

00:55:58,789 --> 00:55:56,160

however the people

1445

00:56:00,309 --> 00:55:58,799

inside the government betrayed them they

1446

00:56:02,789 --> 00:56:00,319

started working

1447

00:56:04,390 --> 00:56:02,799

in this interest of the people as much

1448

00:56:05,750 --> 00:56:04,400

as they could you know under those

1449

00:56:08,630 --> 00:56:05,760

circumstances

1450

00:56:10,870 --> 00:56:08,640

instead of in the interest of the

1451

00:56:13,430 --> 00:56:10,880

parasites like for example

1452

00:56:15,510 --> 00:56:13,440

in china they are still saying that you

1453

00:56:16,069 --> 00:56:15,520

know we have a communist party and it is

1454

00:56:18,549 --> 00:56:16,079

the only

1455

00:56:21,430 --> 00:56:18,559

party but in reality there is no

1456

00:56:24,950 --> 00:56:21,440

communism in china anymore it's

1457

00:56:27,270 --> 00:56:24,960

the same tyranny as everywhere yeah

1458

00:56:28,950 --> 00:56:27,280

yeah that's that's true the state has

1459

00:56:31,589 --> 00:56:28,960

obviously a ton of more

1460

00:56:33,349 --> 00:56:31,599

in your face control but they're

1461

00:56:35,109 --> 00:56:33,359

capitalistic like the rest of the

1462

00:56:36,710 --> 00:56:35,119

countries you know that when they

1463

00:56:37,829 --> 00:56:36,720

operate at that high level when they're

1464

00:56:38,870 --> 00:56:37,839

dealing with finance when they're

1465

00:56:41,349 --> 00:56:38,880

capturing

1466

00:56:42,470 --> 00:56:41,359

other lands and doing mining operations

1467

00:56:46,390 --> 00:56:42,480

in africa

1468

00:56:49,510 --> 00:56:46,400

it's really no different yeah also their

1469

00:56:50,150 --> 00:56:49,520

social structure i mean they the way

1470

00:56:53,270 --> 00:56:50,160

they

1471

00:56:55,670 --> 00:56:53,280

trade inside the country is organized is

1472

00:56:57,750 --> 00:56:55,680

absolutely following the capitalistic

1473

00:56:59,589 --> 00:56:57,760

model it has nothing to do with

1474

00:57:00,150 --> 00:56:59,599

communism i'm just mentioning it to

1475

00:57:03,750 --> 00:57:00,160

explain

1476

00:57:07,109 --> 00:57:03,760

how these terms are absolute fake

1477

00:57:10,150 --> 00:57:07,119

but unfortunately sometimes in the west

1478

00:57:11,109 --> 00:57:10,160

people are a bit too negative towards

1479

00:57:14,150 --> 00:57:11,119

the

1480

00:57:15,829 --> 00:57:14,160

term of communism

1481

00:57:17,829 --> 00:57:15,839

right they get triggered people get

1482

00:57:19,750 --> 00:57:17,839

triggered i mean everybody's been mind

1483

00:57:20,710 --> 00:57:19,760

controlled and propagandized to such a

1484

00:57:21,990 --> 00:57:20,720

degree that

1485

00:57:23,510 --> 00:57:22,000

even hearing words that are

1486

00:57:24,549 --> 00:57:23,520

uncomfortable can send them into a

1487

00:57:26,390 --> 00:57:24,559

tailspin but

1488

00:57:28,630 --> 00:57:26,400

i think the people we're talking to now

1489

00:57:30,870 --> 00:57:28,640

are all right and uh

1490

00:57:32,309 --> 00:57:30,880

in terms of tartaria i i know that

1491

00:57:34,230 --> 00:57:32,319

you've made a few videos

1492

00:57:35,589 --> 00:57:34,240

showing the images of the big city

1493

00:57:38,710 --> 00:57:35,599

squares using

1494

00:57:41,109 --> 00:57:38,720

tesla coil like electric power

1495

00:57:42,789 --> 00:57:41,119

and these competitions they would have

1496

00:57:45,990 --> 00:57:42,799

with electric swords

1497

00:57:48,630 --> 00:57:46,000

but also that this whole

1498

00:57:50,150 --> 00:57:48,640

religious symbol of the cross was

1499

00:57:52,549 --> 00:57:50,160

originally or at least for

1500

00:57:54,789 --> 00:57:52,559

a time something that looked a lot

1501

00:57:57,030 --> 00:57:54,799

different and it was a conductor

1502

00:57:59,349 --> 00:57:57,040

for the electrical energy in the

1503

00:58:01,750 --> 00:57:59,359

atmosphere that's why it's often placed

1504

00:58:02,950 --> 00:58:01,760

at the top of a steeple you even show

1505

00:58:05,670 --> 00:58:02,960

churches that had

1506

00:58:06,309 --> 00:58:05,680

metal floors which indicate some type of

1507

00:58:09,750 --> 00:58:06,319

electric

1508

00:58:12,630 --> 00:58:09,760

charge being distributed throughout and

1509

00:58:13,589 --> 00:58:12,640

i've had a lot of guests talk about how

1510

00:58:16,069 --> 00:58:13,599

churches or

1511

00:58:17,349 --> 00:58:16,079

religions or the ceremonies used to be a

1512

00:58:19,510 --> 00:58:17,359

lot closer

1513

00:58:22,069 --> 00:58:19,520

to something spiritual and

1514

00:58:25,430 --> 00:58:22,079

transformative like an ayahuasca journey

1515

00:58:27,589 --> 00:58:25,440

and obviously that's all been taken out

1516

00:58:29,270 --> 00:58:27,599

and now it's quite shallow and it has no

1517

00:58:30,710 --> 00:58:29,280

teeth anymore and it's just kind of a

1518

00:58:32,870 --> 00:58:30,720

control structure

1519

00:58:33,750 --> 00:58:32,880

but can you talk to us about some of

1520

00:58:39,190 --> 00:58:33,760

this

1521

00:58:40,630 --> 00:58:39,200

past of tataria that's been wiped off

1522

00:58:43,510 --> 00:58:40,640

the map and apparently i guess

1523

00:58:44,710 --> 00:58:43,520

tartaria of course we should say existed

1524

00:58:48,549 --> 00:58:44,720

on the land we now

1525

00:58:52,630 --> 00:58:48,559

call russia at some point

1526

00:58:55,670 --> 00:58:52,640

it encompassed most of the earth

1527

00:58:58,789 --> 00:58:55,680

like in the oldest maps it was practical

1528

00:59:01,270 --> 00:58:58,799

on all continents that was at the time

1529

00:59:04,390 --> 00:59:01,280

when the concept of a country started

1530

00:59:07,750 --> 00:59:04,400

emerging so it was still very blurry

1531

00:59:10,950 --> 00:59:07,760

as far as i understand and

1532

00:59:14,390 --> 00:59:10,960

later on as the very

1533

00:59:15,030 --> 00:59:14,400

existence of the country started looking

1534

00:59:16,950 --> 00:59:15,040

like

1535

00:59:18,069 --> 00:59:16,960

countries we understand them nowadays

1536

00:59:21,270 --> 00:59:18,079

with boundaries and

1537

00:59:24,390 --> 00:59:21,280

restrictions for passage and so on

1538

00:59:27,990 --> 00:59:24,400

then it started shrinking too few

1539

00:59:29,109 --> 00:59:28,000

spots in siberia and eventually

1540

00:59:31,589 --> 00:59:29,119

disappeared

1541

00:59:32,870 --> 00:59:31,599

and all that is not by chance because in

1542

00:59:35,670 --> 00:59:32,880

these regions

1543

00:59:36,630 --> 00:59:35,680

in europe mountains in siberia that is

1544

00:59:40,630 --> 00:59:36,640

where

1545

00:59:44,069 --> 00:59:40,640

the hippopotamus gods first landed

1546

00:59:47,109 --> 00:59:44,079

and that is kind of their

1547

00:59:48,230 --> 00:59:47,119

prime spot on earth they will keep

1548

00:59:50,710 --> 00:59:48,240

returning

1549

00:59:51,510 --> 00:59:50,720

and fermanov explained that now they

1550

00:59:54,549 --> 00:59:51,520

have

1551

01:00:00,309 --> 00:59:54,559

converted the most

1552

01:00:00,950 --> 01:00:00,319

sacred spots into radioactive dumps yes

1553

01:00:02,870 --> 01:00:00,960

uh

1554

01:00:06,710 --> 01:00:02,880

the background that i've heard is that

1555

01:00:09,670 --> 01:00:06,720

the khazarian forces destroyed tartaria

1556

01:00:10,230 --> 01:00:09,680

and installed the royal families across

1557

01:00:12,470 --> 01:00:10,240

europe

1558

01:00:14,230 --> 01:00:12,480

and the world and that that is where the

1559

01:00:16,630 --> 01:00:14,240

history that we know today

1560

01:00:17,829 --> 01:00:16,640

truly started but they've really

1561

01:00:20,230 --> 01:00:17,839

whitewashed and

1562

01:00:21,190 --> 01:00:20,240

taken out the whole tatarian empire

1563

01:00:22,630 --> 01:00:21,200

because

1564

01:00:25,030 --> 01:00:22,640

they don't want us to know that there

1565

01:00:28,549 --> 01:00:25,040

ever was a good

1566

01:00:33,349 --> 01:00:28,559

civilization that united the world

1567

01:00:36,630 --> 01:00:33,359

yeah yeah exactly my only remark about

1568

01:00:38,589 --> 01:00:36,640

these metal elements with

1569

01:00:39,750 --> 01:00:38,599

conductive materials and

1570

01:00:43,829 --> 01:00:39,760

electroconductive

1571

01:00:47,030 --> 01:00:43,839

shapes i don't necessarily see them

1572

01:00:50,390 --> 01:00:47,040

in the light many other researchers

1573

01:00:53,430 --> 01:00:50,400

subsequently started interpreting them

1574

01:00:55,990 --> 01:00:53,440

as necessarily

1575

01:00:58,069 --> 01:00:56,000

transmitters of electricity the way we

1576

01:01:02,069 --> 01:00:58,079

know it i see them definitely as

1577

01:01:02,549 --> 01:01:02,079

transmitting energy but it may not have

1578

01:01:05,349 --> 01:01:02,559

been

1579

01:01:07,030 --> 01:01:05,359

exactly something to power electric

1580

01:01:09,829 --> 01:01:07,040

bulbs

1581

01:01:11,430 --> 01:01:09,839

it might have been something triggering

1582

01:01:14,950 --> 01:01:11,440

psychic

1583

01:01:18,309 --> 01:01:14,960

consciousness

1584

01:01:20,630 --> 01:01:18,319

as well and few other purposes as well

1585

01:01:21,829 --> 01:01:20,640

maybe even practical maybe also about

1586

01:01:24,470 --> 01:01:21,839

lightning

1587

01:01:26,789 --> 01:01:24,480

but i see that tendons in the material

1588

01:01:29,190 --> 01:01:26,799

that appeared subsequently on tertaria

1589

01:01:32,630 --> 01:01:29,200

on other youtube channels and not mine

1590

01:01:34,630 --> 01:01:32,640

to always put this technocratic coloring

1591

01:01:36,789 --> 01:01:34,640

on this situation just because we are

1592

01:01:39,910 --> 01:01:36,799

currently democratic

1593

01:01:42,549 --> 01:01:39,920

while i see it mostly as

1594

01:01:43,750 --> 01:01:42,559

elements also the metal ones as

1595

01:01:47,030 --> 01:01:43,760

conductors

1596

01:01:50,230 --> 01:01:47,040

mainly of other types of energy

1597

01:01:53,109 --> 01:01:50,240

like the indian yantras they are usually

1598

01:01:55,349 --> 01:01:53,119

made of copper or other conductive

1599

01:01:56,549 --> 01:01:55,359

elements as well you know when you chant

1600

01:01:59,109 --> 01:01:56,559

the mantra you look

1601
01:02:01,109 --> 01:01:59,119
at the yantra and you get this

1602
01:02:04,390 --> 01:02:01,119
connection with the deity

1603
01:02:07,910 --> 01:02:04,400
real bad not just imaginary so

1604
01:02:10,069 --> 01:02:07,920
we have a history of using materials

1605
01:02:15,990 --> 01:02:10,079
with special conductivity

1606
01:02:19,510 --> 01:02:16,000
also for esoteric energy transmission

1607
01:02:22,870 --> 01:02:19,520
and that's mostly how i see these things

1608
01:02:25,990 --> 01:02:22,880
and not primarily as

1609
01:02:28,309 --> 01:02:26,000
powering electric bulbs and other stuff

1610
01:02:29,589 --> 01:02:28,319
so though that could have been possible

1611
01:02:31,829 --> 01:02:29,599
as well

1612
01:02:33,750 --> 01:02:31,839
yes that's kind of what i was trying to

1613
01:02:33,990 --> 01:02:33,760

get at the language is just slippery for

1614

01:02:36,710 --> 01:02:34,000

me

1615

01:02:39,349 --> 01:02:36,720

but the whole thing about the church

1616

01:02:42,470 --> 01:02:39,359

experience used to be more about

1617

01:02:43,510 --> 01:02:42,480

energy and lifting people up in a in a

1618

01:02:45,670 --> 01:02:43,520

real

1619

01:02:47,670 --> 01:02:45,680

i guess physical sense through

1620

01:02:50,390 --> 01:02:47,680

harnessing of this energy and

1621

01:02:51,670 --> 01:02:50,400

dispersing it to the congregation or

1622

01:02:54,230 --> 01:02:51,680

something like that

1623

01:02:55,029 --> 01:02:54,240

some kind of etheric in energy rather

1624

01:02:57,510 --> 01:02:55,039

than this

1625

01:02:59,190 --> 01:02:57,520

electricity as we know it today like you

1626

01:03:02,549 --> 01:02:59,200

said and this kind of relates but

1627

01:03:02,950 --> 01:03:02,559

in that video you said be careful with

1628

01:03:05,990 --> 01:03:02,960

the

1629

01:03:09,270 --> 01:03:06,000

stuff

1630

01:03:11,349 --> 01:03:09,280

that people are hearing has popped up in

1631

01:03:12,710 --> 01:03:11,359

russian forums years ago and was

1632

01:03:14,390 --> 01:03:12,720

debunked before it

1633

01:03:15,990 --> 01:03:14,400

ever even spilled over into the

1634

01:03:18,309 --> 01:03:16,000

english-speaking world and

1635

01:03:19,670 --> 01:03:18,319

i was curious where you think that line

1636

01:03:22,069 --> 01:03:19,680

is between

1637

01:03:23,670 --> 01:03:22,079

what's true with tataria and what isn't

1638

01:03:24,069 --> 01:03:23,680

is there more to say about that other

1639

01:03:28,150 --> 01:03:24,079

than

1640

01:03:31,430 --> 01:03:28,160

just this uh aspect of the energy

1641

01:03:34,150 --> 01:03:31,440

yeah i remember exactly what you said

1642

01:03:35,109 --> 01:03:34,160

but that video was made a couple of

1643

01:03:39,029 --> 01:03:35,119

years ago and

1644

01:03:43,029 --> 01:03:39,039

now i cannot out of my mind

1645

01:03:45,670 --> 01:03:43,039

tell you which exactly details i meant

1646

01:03:46,549 --> 01:03:45,680

because there is so much material about

1647

01:03:50,069 --> 01:03:46,559

tertaria

1648

01:03:51,270 --> 01:03:50,079

that came later on after i don't know if

1649

01:03:55,349 --> 01:03:51,280

anybody published

1650

01:03:56,470 --> 01:03:55,359

before me a lot of stuff came out about

1651
01:03:59,190 --> 01:03:56,480
tartarian

1652
01:04:01,109 --> 01:03:59,200
some of them was colored in unnecessary

1653
01:04:04,069 --> 01:04:01,119
nationalistic stuff about

1654
01:04:06,549 --> 01:04:04,079
russia or you know like from when you

1655
01:04:07,349 --> 01:04:06,559
see it from a narrow-minded aspect then

1656
01:04:10,190 --> 01:04:07,359
it becomes

1657
01:04:11,589 --> 01:04:10,200
colored with current political mind

1658
01:04:14,710 --> 01:04:11,599
contamination

1659
01:04:19,589 --> 01:04:14,720
and at the end it could lead to

1660
01:04:21,750 --> 01:04:19,599
watering the truth that makes sense and

1661
01:04:23,430 --> 01:04:21,760
before we go just to wrap a nice little

1662
01:04:25,190 --> 01:04:23,440
bow around all of this

1663
01:04:27,670 --> 01:04:25,200

is there anything more to say about

1664

01:04:29,750 --> 01:04:27,680

alexander paramanov or what we should

1665

01:04:32,230 --> 01:04:29,760

expect from him going forward does he

1666

01:04:34,710 --> 01:04:32,240

have any kind of timeline or any kind of

1667

01:04:37,750 --> 01:04:34,720

next steps that we should be looking for

1668

01:04:40,950 --> 01:04:37,760

in regards to what he's doing

1669

01:04:44,870 --> 01:04:40,960

he has promised us most definitely

1670

01:04:45,910 --> 01:04:44,880

to punish the parasites he said that he

1671

01:04:48,630 --> 01:04:45,920

will do it

1672

01:04:51,670 --> 01:04:48,640

personally with his organization so use

1673

01:04:54,069 --> 01:04:51,680

anti-terror on the russian territory

1674

01:04:56,309 --> 01:04:54,079

and i think he really will do and i have

1675

01:04:58,390 --> 01:04:56,319

some reliable prophecies from bulgaria

1676

01:05:01,589 --> 01:04:58,400

from slava sivrikuva

1677

01:05:04,950 --> 01:05:01,599

interestingly enough she said that

1678

01:05:08,230 --> 01:05:04,960

around the beginning of the tribulation

1679

01:05:11,829 --> 01:05:08,240

they will punish the parasites in

1680

01:05:14,789 --> 01:05:11,839

bulgaria very severely which kind of

1681

01:05:16,630 --> 01:05:14,799

surprised me because usually i would

1682

01:05:20,549 --> 01:05:16,640

expect that towards the end of the

1683

01:05:23,670 --> 01:05:20,559

tribulation when the full parasitic

1684

01:05:24,710 --> 01:05:23,680

system just falls under its own rotten

1685

01:05:28,710 --> 01:05:24,720

weight

1686

01:05:31,349 --> 01:05:28,720

but again the tactic of the

1687

01:05:32,630 --> 01:05:31,359

side of the light is kept in secret but

1688

01:05:34,950 --> 01:05:32,640

i saw

1689

01:05:35,750 --> 01:05:34,960

few hints here and there in couple of

1690

01:05:38,630 --> 01:05:35,760

prophecies

1691

01:05:40,230 --> 01:05:38,640

that since the system of light will be

1692

01:05:43,990 --> 01:05:40,240

starting from russia

1693

01:05:46,230 --> 01:05:44,000

and couple of prophets mentioned this

1694

01:05:47,109 --> 01:05:46,240

union of the slavic people which will be

1695

01:05:50,309 --> 01:05:47,119

emerging

1696

01:05:52,309 --> 01:05:50,319

i think in couple of years so

1697

01:05:55,109 --> 01:05:52,319

probably at the time he will be

1698

01:05:57,190 --> 01:05:55,119

punishing the russian parasites

1699

01:05:59,589 --> 01:05:57,200

probably that is the event which slavis

1700

01:06:02,470 --> 01:05:59,599

rico was describing also in bulgaria

1701

01:06:05,109 --> 01:06:02,480

and kind of hinting that it could be the

1702

01:06:08,390 --> 01:06:05,119

same in the other slavic countries

1703

01:06:11,670 --> 01:06:08,400

so these are the hints i see

1704

01:06:14,630 --> 01:06:11,680

and i'm saying it's only hints

1705

01:06:14,950 --> 01:06:14,640

for him it is a promise he did not say

1706

01:06:18,390 --> 01:06:14,960

an

1707

01:06:18,950 --> 01:06:18,400

ear though but he said this will surely

1708

01:06:21,430 --> 01:06:18,960

happen

1709

01:06:23,349 --> 01:06:21,440

once he only said we will try and then

1710

01:06:24,470 --> 01:06:23,359

he corrected himself and he said this is

1711

01:06:27,109 --> 01:06:24,480

very wrong

1712

01:06:30,829 --> 01:06:27,119

just try it will not be just try this

1713

01:06:33,430 --> 01:06:30,839

will happen for sure remember my words

1714

01:06:36,470 --> 01:06:33,440

hmm well i hope so

1715

01:06:39,109 --> 01:06:36,480

and you have done some really impressive

1716

01:06:41,349 --> 01:06:39,119

prophecy compiling and just all your

1717

01:06:43,510 --> 01:06:41,359

work is always fascinating to me

1718

01:06:45,990 --> 01:06:43,520

i'm really glad we could do this again

1719

01:06:48,789 --> 01:06:46,000

and i still think back to the time

1720

01:06:50,470 --> 01:06:48,799

you translated the alexander coltepan

1721

01:06:51,430 --> 01:06:50,480

interview for me and i know how much

1722

01:06:54,309 --> 01:06:51,440

work that was

1723

01:06:54,630 --> 01:06:54,319

to really translate complex stuff over a

1724

01:06:57,829 --> 01:06:54,640

two

1725

01:07:00,150 --> 01:06:57,839

hour period of time i mean it probably

1726

01:07:01,190 --> 01:07:00,160

took another four or five hours that

1727

01:07:04,230 --> 01:07:01,200

people didn't even

1728

01:07:05,670 --> 01:07:04,240

see so i really thank you for that if

1729

01:07:07,750 --> 01:07:05,680

we ever get a chance to do that with

1730

01:07:10,710 --> 01:07:07,760

anatoly fomenko that's where

1731

01:07:12,470 --> 01:07:10,720

we really we really have a winner but it

1732

01:07:13,190 --> 01:07:12,480

has been a lot of fun i'm really lucky

1733

01:07:16,470 --> 01:07:13,200

to know you

1734

01:07:19,829 --> 01:07:16,480

again the youtube channel is new earth

1735

01:07:21,829 --> 01:07:19,839

your website is megaliths.org any other

1736

01:07:24,390 --> 01:07:21,839

upcoming work of your own to tell people

1737

01:07:27,510 --> 01:07:24,400

about if they want more

1738

01:07:29,910 --> 01:07:27,520

for now i'm really into the prophecies

1739

01:07:32,789 --> 01:07:29,920

and after that god will guide christ

1740

01:07:36,309 --> 01:07:35,029

that makes sense well again it's been a

1741

01:07:38,870 --> 01:07:36,319

huge pleasure

1742

01:07:40,870 --> 01:07:38,880

alexander paramanoff is quite a

1743

01:07:43,589 --> 01:07:40,880

character and i hope he's the person he

1744

01:07:45,029 --> 01:07:43,599

says he is thanks for bringing us great

1745

01:07:49,670 --> 01:07:45,039

stuff as always

1746

01:07:55,589 --> 01:07:49,680

and take care thank you you're so sweet

1747

01:08:00,870 --> 01:07:58,390

yes people the great new earth lady

1748

01:08:02,950 --> 01:08:00,880

herself

1749

01:08:05,109 --> 01:08:02,960

she does such interesting work and it

1750

01:08:06,390 --> 01:08:05,119

was long overdue for us to check in with

1751

01:08:09,270 --> 01:08:06,400

her again

1752

01:08:11,349 --> 01:08:09,280

it boggles my mind how we did three

1753

01:08:13,109 --> 01:08:11,359

previous episodes together if you count

1754

01:08:16,870 --> 01:08:13,119

the one she translated

1755

01:08:19,189 --> 01:08:16,880

and they were all in 2016.

1756

01:08:21,669 --> 01:08:19,199

just doesn't seem right to me but i

1757

01:08:23,669 --> 01:08:21,679

guess it's been four years

1758

01:08:25,110 --> 01:08:23,679

and when we first did this together i

1759

01:08:27,990 --> 01:08:25,120

think i had found maybe

1760

01:08:29,990 --> 01:08:28,000

one previous interview of hers and even

1761

01:08:31,269 --> 01:08:30,000

though i listened to hours and hours of

1762

01:08:34,470 --> 01:08:31,279

her material

1763

01:08:37,189 --> 01:08:34,480

she stays so focused on the work that i

1764

01:08:39,590 --> 01:08:37,199

would never hear her say her own name

1765

01:08:43,030 --> 01:08:39,600

when i first saw it written it had the

1766

01:08:46,149 --> 01:08:43,040

accent mark so i started saying sylvia

1767

01:08:49,349 --> 01:08:46,159

which i hear no other interviewers say

1768

01:08:52,870 --> 01:08:49,359

now that i can find a bunch of others

1769

01:08:56,470 --> 01:08:52,880

and i also asked her last time about

1770

01:08:58,950 --> 01:08:56,480

ivanoa versus ivan nova

1771

01:09:00,870 --> 01:08:58,960

and she said because it's cyrillic it's

1772

01:09:02,309 --> 01:09:00,880

spelled a bunch of different ways and it

1773

01:09:05,749 --> 01:09:02,319

doesn't really matter

1774

01:09:06,070 --> 01:09:05,759

but the v versus the w is definitely

1775

01:09:09,110 --> 01:09:06,080

more

1776

01:09:12,390 --> 01:09:09,120

the standard from what i see online now

1777

01:09:14,550 --> 01:09:12,400

and because nova is symbolically more

1778

01:09:17,669 --> 01:09:14,560

potent i'm going to fix those older ones

1779

01:09:19,430 --> 01:09:17,679

and comply with the v now

1780

01:09:21,269 --> 01:09:19,440

obviously i shouldn't have such trouble

1781

01:09:23,430 --> 01:09:21,279

with something so simple

1782

01:09:25,269 --> 01:09:23,440

as a guest's name especially when i

1783

01:09:27,669 --> 01:09:25,279

enjoy so much

1784

01:09:29,349 --> 01:09:27,679

but here we are that said i am super

1785

01:09:32,390 --> 01:09:29,359

happy with what we could fit

1786

01:09:32,950 --> 01:09:32,400

into this one prophecies are a strange

1787

01:09:35,669 --> 01:09:32,960

beast

1788

01:09:37,510 --> 01:09:35,679

so many of them have a similar shape

1789

01:09:40,630 --> 01:09:37,520

along with figures who pop

1790

01:09:44,229 --> 01:09:40,640

up in alternative culture that talk of

1791

01:09:46,470 --> 01:09:44,239

a new widespread sweeping change

1792

01:09:48,870 --> 01:09:46,480

but i consider her pretty plugged in

1793

01:09:51,110 --> 01:09:48,880

spiritually and she's also been our

1794

01:09:53,189 --> 01:09:51,120

liaison to researchers and

1795

01:09:55,110 --> 01:09:53,199

work that doesn't often penetrate the

1796

01:09:57,350 --> 01:09:55,120

english-speaking world

1797

01:09:59,189 --> 01:09:57,360

and today was a ride that incorporated

1798

01:10:01,750 --> 01:09:59,199

both of those angles

1799

01:10:03,910 --> 01:10:01,760

we got a crash course on the disclosures

1800

01:10:05,590 --> 01:10:03,920

of someone who's making some waves on

1801

01:10:08,070 --> 01:10:05,600

the other side of the world

1802

01:10:10,229 --> 01:10:08,080

whose material jives with a lot of the

1803

01:10:12,390 --> 01:10:10,239

stuff we're interested in

1804

01:10:14,470 --> 01:10:12,400

and this morning we knew nothing of

1805

01:10:16,229 --> 01:10:14,480

alexander peremenov

1806

01:10:17,590 --> 01:10:16,239

which makes an episode like this

1807

01:10:21,830 --> 01:10:17,600

probably a bit more fun

1808

01:10:24,709 --> 01:10:21,840

than going over the effects of 5g again

1809

01:10:26,550 --> 01:10:24,719

something completely new and unexpected

1810

01:10:28,790 --> 01:10:26,560

that pairs very nicely with gary

1811

01:10:30,630 --> 01:10:28,800

lachman's holy russia episode from not

1812

01:10:32,950 --> 01:10:30,640

long ago

1813

01:10:34,630 --> 01:10:32,960

obviously i take any sort of savior

1814

01:10:37,510 --> 01:10:34,640

story with a grain of salt

1815

01:10:39,990 --> 01:10:37,520

i like to listen and i cross my fingers

1816

01:10:42,229 --> 01:10:40,000

but i do have my doubts that there's

1817

01:10:44,229 --> 01:10:42,239

anyone out there who's going to swoop in

1818

01:10:46,149 --> 01:10:44,239

and rebuild the world for the benefit of

1819

01:10:47,830 --> 01:10:46,159

all mankind

1820

01:10:50,470 --> 01:10:47,840

but i also think sylvie is one of the

1821

01:10:52,390 --> 01:10:50,480

greats and it's been so long i just let

1822

01:10:54,310 --> 01:10:52,400

her tell me what she finds most

1823

01:10:56,790 --> 01:10:54,320

interesting right now

1824

01:10:57,669 --> 01:10:56,800

plus she has a really good spiritual

1825

01:11:00,470 --> 01:10:57,679

connection

1826

01:11:00,950 --> 01:11:00,480

and if things do have this filtering

1827

01:11:04,390 --> 01:11:00,960

down

1828

01:11:07,510 --> 01:11:04,400

process maybe a sweeping change from

1829

01:11:08,709 --> 01:11:07,520

spiritual allies is possible maybe

1830

01:11:12,709 --> 01:11:08,719

there's more than

1831

01:11:14,550 --> 01:11:12,719

one great reset agenda in the works

1832

01:11:16,390 --> 01:11:14,560

but we got an expansion of our overall

1833

01:11:17,110 --> 01:11:16,400

awareness today and was fun to talk to

1834

01:11:20,229 --> 01:11:17,120

her about

1835

01:11:21,110 --> 01:11:20,239

how to view and interpret prophecy in

1836

01:11:22,790 --> 01:11:21,120

general

1837

01:11:24,630 --> 01:11:22,800

and hear that from someone with a lot of

1838

01:11:27,270 --> 01:11:24,640

experience with those deeper layers of

1839

01:11:29,990 --> 01:11:27,280

reality in the spiritual aspects of life

1840

01:11:30,870 --> 01:11:30,000

in fact she actually sent me two short

1841

01:11:32,790 --> 01:11:30,880

addendums

1842

01:11:35,669 --> 01:11:32,800

that i should play for you guys let's

1843

01:11:39,030 --> 01:11:35,679

queue up this first one

1844

01:11:42,229 --> 01:11:39,040

and very important note about this

1845

01:11:44,229 --> 01:11:42,239

light which will come from russia this

1846

01:11:47,430 --> 01:11:44,239

should not be confused

1847

01:11:50,149 --> 01:11:47,440

with the massive east-west war

1848

01:11:52,070 --> 01:11:50,159

which will kill millions in europe and

1849

01:11:54,470 --> 01:11:52,080

russia will have a lead in that

1850

01:11:56,070 --> 01:11:54,480

there are so many prophecies about this

1851

01:11:59,270 --> 01:11:56,080

that

1852

01:12:02,149 --> 01:11:59,280

will

1853

01:12:02,630 --> 01:12:02,159

not be the light coming from russia that

1854

01:12:05,990 --> 01:12:02,640

will be

1855

01:12:06,790 --> 01:12:06,000

organized by the parasitic russian

1856

01:12:09,910 --> 01:12:06,800

federation

1857

01:12:13,270 --> 01:12:09,920

government to of course as usual

1858

01:12:15,990 --> 01:12:13,280

a massacre millions in one goal

1859

01:12:16,550 --> 01:12:16,000

so according to the prophecies the west

1860

01:12:21,750 --> 01:12:16,560

will

1861

01:12:24,630 --> 01:12:21,760

be one of the

1862

01:12:25,510 --> 01:12:24,640

worst affected countries in terms of

1863

01:12:28,229 --> 01:12:25,520

bloodshed

1864

01:12:29,189 --> 01:12:28,239

not only because of this war but also

1865

01:12:32,470 --> 01:12:29,199

because of some

1866

01:12:33,350 --> 01:12:32,480

internal very bloody revolution that it

1867

01:12:36,550 --> 01:12:33,360

will suffer

1868

01:12:40,870 --> 01:12:36,560

and another prophesized war with china

1869

01:12:44,310 --> 01:12:40,880

and by the way in recent months

1870

01:12:47,189 --> 01:12:44,320

russia is privatizing practically all

1871

01:12:49,669 --> 01:12:47,199

of its military making it the legal

1872

01:12:53,189 --> 01:12:49,679

ownership of all kinds of

1873

01:12:56,390 --> 01:12:53,199

private institutions and

1874

01:12:56,709 --> 01:12:56,400

people mostly foreign of course and they

1875

01:12:59,270 --> 01:12:56,719

are

1876

01:13:00,630 --> 01:12:59,280

very aggressively hiring paid

1877

01:13:04,070 --> 01:13:00,640

mercenaries

1878

01:13:06,310 --> 01:13:04,080

so the parasitic russian department

1879

01:13:07,430 --> 01:13:06,320

would be simply positioning itself for

1880

01:13:10,070 --> 01:13:07,440

the

1881

01:13:11,910 --> 01:13:10,080

coming chaos which most likely will

1882

01:13:14,229 --> 01:13:11,920

erupt in a couple of years

1883

01:13:17,030 --> 01:13:14,239

very very suddenly in a relatively

1884

01:13:19,590 --> 01:13:17,040

actually very peaceful moment

1885

01:13:20,470 --> 01:13:19,600

so when you see that in the news don't

1886

01:13:23,750 --> 01:13:20,480

confuse it

1887

01:13:26,229 --> 01:13:23,760

oh is this the light coming of russia no

1888

01:13:28,470 --> 01:13:26,239

it will be the parasitic stink

1889

01:13:31,669 --> 01:13:28,480

manifesting itself

1890

01:13:34,229 --> 01:13:31,679

from there and peace will come

1891

01:13:35,510 --> 01:13:34,239

afterwards after the great bloodshed and

1892

01:13:38,229 --> 01:13:35,520

destruction

1893

01:13:38,550 --> 01:13:38,239

and that will be peaceful that will not

1894

01:13:42,550 --> 01:13:38,560

be

1895

01:13:45,510 --> 01:13:42,560

by military conquest

1896

01:13:46,070 --> 01:13:45,520

right so be aware of the prospect of

1897

01:13:49,270 --> 01:13:46,080

major

1898

01:13:50,310 --> 01:13:49,280

superpower conflicts but know that the

1899

01:13:51,830 --> 01:13:50,320

forces of light

1900

01:13:54,229 --> 01:13:51,840

wouldn't be the ones to cause such

1901

01:13:55,750 --> 01:13:54,239

massive destruction because that's not

1902

01:13:57,669 --> 01:13:55,760

what they're about

1903

01:14:01,830 --> 01:13:57,679

and she also had this to add about bill

1904

01:14:03,910 --> 01:14:01,840

gates and the antichrist archetype

1905

01:14:06,790 --> 01:14:03,920

yes bill gates is one of the most

1906

01:14:09,430 --> 01:14:06,800

eligible candidates for the

1907

01:14:10,870 --> 01:14:09,440

super antichrists because both in the

1908

01:14:13,510 --> 01:14:10,880

bible and in the

1909

01:14:14,870 --> 01:14:13,520

islamic sources they speak of a main

1910

01:14:18,310 --> 01:14:14,880

antichrist

1911

01:14:19,270 --> 01:14:18,320

from jerusalem but also they all explain

1912

01:14:21,430 --> 01:14:19,280

that he will be

1913

01:14:22,790 --> 01:14:21,440

expanding he will be possessing the

1914

01:14:25,750 --> 01:14:22,800

souls of others

1915

01:14:26,870 --> 01:14:25,760

so he will have multiple incarnations at

1916

01:14:29,830 --> 01:14:26,880

that time

1917

01:14:30,709 --> 01:14:29,840

and that's amongst the other uh

1918

01:14:33,030 --> 01:14:30,719

individual

1919

01:14:33,910 --> 01:14:33,040

devils which have already incarnated

1920

01:14:37,110 --> 01:14:33,920

from hell

1921

01:14:40,229 --> 01:14:37,120

incarnating themselves into all kinds of

1922

01:14:44,790 --> 01:14:40,239

hybrid personalities which

1923

01:14:47,990 --> 01:14:44,800

look exactly like a human to our eye

1924

01:14:49,830 --> 01:14:48,000

provocative very provocative and i was

1925

01:14:52,950 --> 01:14:49,840

also going to throw out there that

1926

01:14:57,189 --> 01:14:52,960

it just seems more important than ever

1927

01:14:59,590 --> 01:14:57,199

to not lose yourself following

1928

01:15:00,950 --> 01:14:59,600

a narrative as it comes through the tv

1929

01:15:04,149 --> 01:15:00,960

there's a lot going on

1930

01:15:06,630 --> 01:15:04,159

and it's easier to get sucked into one

1931

01:15:08,790 --> 01:15:06,640

emotional drain or another when it comes

1932

01:15:11,830 --> 01:15:08,800

to the news and the aggressive

1933

01:15:14,950 --> 01:15:11,840

side taking that's going on out there

1934

01:15:15,350 --> 01:15:14,960

keeping our wits about us has never been

1935

01:15:18,149 --> 01:15:15,360

more

1936

01:15:20,149 --> 01:15:18,159

challenging it seems but working on

1937

01:15:21,430 --> 01:15:20,159

yourself will always improve your

1938

01:15:24,950 --> 01:15:21,440

preparedness

1939

01:15:27,350 --> 01:15:24,960

for unexpected volatile times more so

1940

01:15:29,910 --> 01:15:27,360

than following the news and trying to

1941

01:15:33,110 --> 01:15:29,920

predict that next step

1942

01:15:35,990 --> 01:15:33,120

so while this show mainly focused on

1943

01:15:37,669 --> 01:15:36,000

alexander paramanoff in the first hour

1944

01:15:40,630 --> 01:15:37,679

in the second hour we folded

1945

01:15:41,510 --> 01:15:40,640

in other prophecies that she resonated

1946

01:15:43,830 --> 01:15:41,520

with

1947

01:15:45,350 --> 01:15:43,840

and stuff that i dug out of her last

1948

01:15:47,430 --> 01:15:45,360

four years of work that i thought you

1949

01:15:50,470 --> 01:15:47,440

guys would be interested in

1950

01:15:52,310 --> 01:15:50,480

stuff like separating the tatarian fact

1951

01:15:55,270 --> 01:15:52,320

from fiction

1952

01:15:56,149 --> 01:15:55,280

how the elite tried to twist prophecy in

1953

01:15:58,470 --> 01:15:56,159

their favor

1954

01:16:00,550 --> 01:15:58,480

in that respect i think she's got a lot

1955

01:16:02,229 --> 01:16:00,560

in common with ross ben

1956

01:16:04,470 --> 01:16:02,239

we talked about her own recent

1957

01:16:07,830 --> 01:16:04,480

expeditions to megalithic sites

1958

01:16:12,070 --> 01:16:07,840

exploring cave systems the nobel prize

1959

01:16:13,590 --> 01:16:12,080

pr stunt why she stopped the survivor

1960

01:16:15,750 --> 01:16:13,600

series

1961

01:16:16,709 --> 01:16:15,760

why the genghis khan story doesn't add

1962

01:16:19,350 --> 01:16:16,719

up

1963

01:16:20,790 --> 01:16:19,360

they say he killed 40 million people or

1964

01:16:22,950 --> 01:16:20,800

did he

1965

01:16:24,630 --> 01:16:22,960

could it have been the khazarians wiping

1966

01:16:27,270 --> 01:16:24,640

out tataria's network

1967

01:16:29,030 --> 01:16:27,280

and creating a boogeyman to blame it on

1968

01:16:31,830 --> 01:16:29,040

the case is made

1969

01:16:32,390 --> 01:16:31,840

and the wildest thing we talked about is

1970

01:16:35,270 --> 01:16:32,400

why

1971

01:16:37,350 --> 01:16:35,280

some medieval armor might be made for

1972

01:16:38,790 --> 01:16:37,360

non-human frames if you're interested in

1973

01:16:40,630 --> 01:16:38,800

that last one at all

1974

01:16:41,910 --> 01:16:40,640

definitely watch her video on that

1975

01:16:45,189 --> 01:16:41,920

seeing the images

1976

01:16:48,229 --> 01:16:45,199

is key to that argument it's titled the

1977

01:16:52,149 --> 01:16:48,239

medieval knights armor as exoskeleton

1978

01:16:53,750 --> 01:16:52,159

for other races and i liked it a lot

1979

01:16:56,070 --> 01:16:53,760

but one of the ideas that really

1980

01:16:59,990 --> 01:16:56,080

underpins her work is that

1981

01:17:03,270 --> 01:17:00,000

life was full of a lot more intelligent

1982

01:17:06,149 --> 01:17:03,280

beings before the parasitic takeover

1983

01:17:07,430 --> 01:17:06,159

and we were a lot more unified and when

1984

01:17:10,229 --> 01:17:07,440

we look around and see

1985

01:17:11,110 --> 01:17:10,239

such backward and broken approaches in

1986

01:17:13,990 --> 01:17:11,120

medicine

1987

01:17:15,350 --> 01:17:14,000

and energy and we hear about these other

1988

01:17:17,830 --> 01:17:15,360

systems

1989

01:17:19,270 --> 01:17:17,840

way more intertwined with the natural

1990

01:17:21,590 --> 01:17:19,280

world

1991

01:17:22,870 --> 01:17:21,600

i'm intrigued by that idea that we once

1992

01:17:25,590 --> 01:17:22,880

had a paradise

1993

01:17:26,630 --> 01:17:25,600

of ether based energy systems powerful

1994

01:17:28,950 --> 01:17:26,640

plant medicine

1995

01:17:31,430 --> 01:17:28,960

robust diets that don't come shipped in

1996

01:17:32,870 --> 01:17:31,440

plastic containers from some tv dinner

1997

01:17:35,669 --> 01:17:32,880

factory

1998

01:17:37,750 --> 01:17:35,679

cooperation rather than hierarchical

1999

01:17:39,830 --> 01:17:37,760

competition

2000

01:17:41,510 --> 01:17:39,840

it almost seems harder for the elite to

2001

01:17:44,870 --> 01:17:41,520

stamp out all of this stuff

2002

01:17:47,590 --> 01:17:44,880

over and over as it comes up

2003

01:17:49,350 --> 01:17:47,600

as opposed to one sweeping era of

2004

01:17:52,470 --> 01:17:49,360

complete overhaul

2005

01:17:55,189 --> 01:17:52,480

and history revision and

2006

01:17:55,830 --> 01:17:55,199

capture essentially over humanity and

2007

01:17:58,870 --> 01:17:55,840

our

2008

01:18:01,030 --> 01:17:58,880

previous ways of life it's as if the

2009

01:18:03,350 --> 01:18:01,040

parasites must have seen it fully

2010

01:18:04,790 --> 01:18:03,360

realized at one point to understand how

2011

01:18:07,510 --> 01:18:04,800

important it would be

2012

01:18:09,510 --> 01:18:07,520

to close off access to all roads that

2013

01:18:12,229 --> 01:18:09,520

lead to united humanity

2014

01:18:13,669 --> 01:18:12,239

and the natural systems that lead to

2015

01:18:16,709 --> 01:18:13,679

abundance and

2016

01:18:17,510 --> 01:18:16,719

cooperative thinking as well as the

2017

01:18:23,910 --> 01:18:17,520

history

2018

01:18:24,390 --> 01:18:23,920

you do that you install a ruling elite

2019

01:18:27,350 --> 01:18:24,400

across

2020

01:18:28,870 --> 01:18:27,360

europa and an empire that expands around

2021

01:18:31,830 --> 01:18:28,880

the world

2022

01:18:34,550 --> 01:18:31,840

the archons inject into us a scarcity

2023

01:18:35,669 --> 01:18:34,560

program we produce a fear and stress

2024

01:18:37,750 --> 01:18:35,679

response

2025

01:18:39,189 --> 01:18:37,760

and the loop continues where they feed

2026

01:18:42,070 --> 01:18:39,199

off those qualities

2027

01:18:43,990 --> 01:18:42,080

the system is reinforced and thus we

2028

01:18:47,669 --> 01:18:44,000

only produce more

2029

01:18:49,510 --> 01:18:47,679

human energy farm indeed but i am so

2030

01:18:51,510 --> 01:18:49,520

thankful she got in touch with me after

2031

01:18:53,270 --> 01:18:51,520

so long the timing couldn't have worked

2032

01:18:55,030 --> 01:18:53,280

out better because i was in the process

2033

01:18:55,830 --> 01:18:55,040

of seeking out more off the radar

2034

01:18:57,830 --> 01:18:55,840

material

2035

01:18:59,270 --> 01:18:57,840

and when you look at that the stars

2036

01:19:01,910 --> 01:18:59,280

align

2037

01:19:03,030 --> 01:19:01,920

or the spirit guide stepped in hard to

2038

01:19:05,590 --> 01:19:03,040

know

2039

01:19:07,390 --> 01:19:05,600

but big thanks to her new earth again is

2040

01:19:10,470 --> 01:19:07,400

the youtube channel

2041

01:19:12,390 --> 01:19:10,480

megaliths.org to see all the sites that

2042

01:19:13,750 --> 01:19:12,400

she's got cataloged

2043

01:19:15,510 --> 01:19:13,760

and hopefully we can do this again

2044

01:19:15,990 --> 01:19:15,520

before too long thanks for listening

2045

01:19:17,750 --> 01:19:16,000

guys

2046

01:19:19,990 --> 01:19:17,760

take care of each other and i'll see you

2047

01:19:22,709 --> 01:19:20,000

next time i've done my part

2048

01:19:24,390 --> 01:19:22,719

your move parasites archons and spirit

2049

01:19:28,149 --> 01:19:24,400

allies of light

2050

01:19:33,910 --> 01:19:32,540

oh no you see

2051

01:19:38,229 --> 01:19:33,920

[Music]

2052

01:19:39,870 --> 01:19:38,239

the world is in random it's attached to

2053

01:19:43,030 --> 01:19:39,880

puppet strings

2054

01:19:47,990 --> 01:19:43,040

control over

2055

01:19:49,350 --> 01:19:48,000

everything the nine to five is trying to

2056

01:19:52,709 --> 01:19:49,360

steal you

2057

01:19:57,830 --> 01:19:52,719

now don't that job seems silly

2058

01:20:01,430 --> 01:19:57,840

hello can you hear me

2059

01:20:06,080 --> 01:20:01,440

or should i play back recordings

2060

01:20:58,550 --> 01:20:16,470

[Music]

2061

01:21:23,110 --> 01:21:00,570

the is

2062

01:21:32,709 --> 01:21:28,470

don't know their cartoons

2063

01:21:37,590 --> 01:21:32,719

it's so typical of me to talk about

2064

01:21:40,709 --> 01:21:37,600

this stuff i'm sorry that's good

2065

01:21:44,149 --> 01:21:40,719

and well

2066

01:21:47,629 --> 01:21:44,159

did you ever hear the argument

2067

01:22:00,880 --> 01:21:47,639

that nothing really happens it's no

2068

01:22:00,890 --> 01:22:04,550

[Music]

2069

01:22:04,560 --> 01:22:18,540

they're calling out a thousand

2070

01:22:38,640 --> 01:22:29,310

[Music]

2071

01:22:50,830 --> 01:22:38,650

challenging your paradigm

2072

01:22:52,380 --> 01:22:50,840

[Music]

2073

01:22:55,280 --> 01:22:52,390

has

2074

01:22:56,210 --> 01:22:55,290

[Music]

2075

01:23:17,430 --> 01:22:56,220

[Applause]

2076

01:23:19,420 --> 01:23:17,440

[Music]

2077

01:23:31,260 --> 01:23:19,430

they're calling out

2078

01:23:48,750 --> 01:23:42,229

[Music]
