1  
00:00:04,630 --> 00:00:02,869  
[Music]

2  
00:00:06,950 --> 00:00:04,640  
congratulations youtube

3  
00:00:08,390 --> 00:00:06,960  
you did it you wore me down and you

4  
00:00:10,709 --> 00:00:08,400  
sucked me back in

5  
00:00:12,230 --> 00:00:10,719  
i have too many subscribers here just to

6  
00:00:14,230 --> 00:00:12,240  
walk away entirely

7  
00:00:15,430 --> 00:00:14,240  
especially with no alternative that

8  
00:00:17,590 --> 00:00:15,440  
truly stacks up

9  
00:00:19,670 --> 00:00:17,600  
and so many copycat channels uploading

10  
00:00:22,150 --> 00:00:19,680  
my shows for me anyway

11  
00:00:24,150 --> 00:00:22,160  
but we can't forget the thc's account

12  
00:00:25,910 --> 00:00:24,160  
here is on thin ice

13  
00:00:28,710 --> 00:00:25,920

and so the youtube version of the show

14

00:00:31,669 --> 00:00:28,720

has to be prefaced with this little psa

15

00:00:32,950 --> 00:00:31,679

only to say that episodes that contain

16

00:00:34,709 --> 00:00:32,960

the kinds of themes that have been

17

00:00:37,670 --> 00:00:34,719

regularly banned on youtube

18

00:00:39,750 --> 00:00:37,680

will not appear here and even with that

19

00:00:41,350 --> 00:00:39,760

precaution there's already enough in the

20

00:00:43,350 --> 00:00:41,360

archive to get us removed

21

00:00:45,830 --> 00:00:43,360

so remember that the higher side chats

22

00:00:48,310 --> 00:00:45,840

could be banned or put in time out again

23

00:00:49,510 --> 00:00:48,320

at any time and i won't be able to tell

24

00:00:51,510 --> 00:00:49,520

you guys about it

25

00:00:53,270 --> 00:00:51,520

so if you feel like it's been too long

26  
00:00:56,069 --> 00:00:53,280  
since you've heard from me here on this

27  
00:00:57,910 --> 00:00:56,079  
digital dystopian draconian data mining

28  
00:00:59,189 --> 00:00:57,920  
monster of a police state seeking

29  
00:01:00,990 --> 00:00:59,199  
platform

30  
00:01:03,750 --> 00:01:01,000  
your first step should be to check the

31  
00:01:09,350 --> 00:01:03,760  
highersidechats.com for the latest shows

32  
00:01:12,469 --> 00:01:11,190  
embrace yourself because you're about to

33  
00:01:13,990 --> 00:01:12,479  
dive into another free

34  
00:01:15,830 --> 00:01:14,000  
first hour episode of the higher side

35  
00:01:16,950 --> 00:01:15,840  
chats and we just want to let you know

36  
00:01:19,190 --> 00:01:16,960  
that whether you're looking for a

37  
00:01:20,390 --> 00:01:19,200  
companion through your paranoid insomnia

38  
00:01:22,710 --> 00:01:20,400

entertaining yourself through one of

39

00:01:24,230 --> 00:01:22,720

life's mundane activities or trying to

40

00:01:24,710 --> 00:01:24,240

ward off the internal screams of all

41

00:01:26,950 --> 00:01:24,720

those

42

00:01:28,310 --> 00:01:26,960

sad smothered souls around the office

43

00:01:29,670 --> 00:01:28,320

thc is here

44

00:01:31,510 --> 00:01:29,680

and you should know that every episode

45

00:01:33,749 --> 00:01:31,520

of the higher side chats has an entire

46

00:01:36,069 --> 00:01:33,759

second hour for plus members

47

00:01:37,270 --> 00:01:36,079

sign up at [thehiresidechats.com](http://thehiresidechats.com) and

48

00:01:40,069 --> 00:01:37,280

you'll get years of plus

49

00:01:41,510 --> 00:01:40,079

show archives lifetime forum access a

50

00:01:43,109 --> 00:01:41,520

special invite to greg carlwood's

51

00:01:46,310 --> 00:01:43,119

monthly joint sessions

52

00:01:49,429 --> 00:01:46,320

mp3s of the music bonus episodes

53

00:01:51,030 --> 00:01:49,439

tour videos and 10 off t-shirts

54

00:01:53,109 --> 00:01:51,040

grinders and whatever else ends up in

55

00:01:54,550 --> 00:01:53,119

the higher side store it's eight dollars

56

00:01:56,230 --> 00:01:54,560

a month that you won't miss

57

00:01:58,149 --> 00:01:56,240

so become a plus member and treat

58

00:02:00,310 --> 00:01:58,159

yourself in these troubled times

59

00:02:01,830 --> 00:02:00,320

always action-packed and commercial-free

60

00:02:10,469 --> 00:02:01,840

which means you'll unfortunately

61

00:02:15,030 --> 00:02:13,190

in the 1930s president franklin delano

62

00:02:17,589 --> 00:02:15,040

roosevelt addressed the nation through a

63

00:02:18,470 --> 00:02:17,599

series of radio broadcasts known as the

64

00:02:21,110 --> 00:02:18,480

fireside

65

00:02:23,110 --> 00:02:21,120

chats his aim was to reassure the common

66

00:02:24,390 --> 00:02:23,120

man that our society would recover from

67

00:02:27,030 --> 00:02:24,400

its troubled times

68

00:02:28,630 --> 00:02:27,040

well we're far from 1930 and i deal with

69

00:02:31,350 --> 00:02:28,640

a different kind of fire

70

00:02:33,589 --> 00:02:31,360

for a new era of worldly frustration we

71

00:02:36,470 --> 00:02:33,599

offer a fresh conversation

72

00:02:37,430 --> 00:02:36,480

i'm greg carlwood and these are the

73

00:02:40,229 --> 00:02:37,440

higher side

74

00:02:42,390 --> 00:02:40,239

chats back in the saddle and ready to

75

00:02:44,309 --> 00:02:42,400

ride from sunny san diego i'm greg

76  
00:02:46,150 --> 00:02:44,319  
carlwood and it seems to me that anyone

77  
00:02:48,070 --> 00:02:46,160  
who takes an honest assessment of the

78  
00:02:50,070 --> 00:02:48,080  
state of the world right now can clearly

79  
00:02:52,070 --> 00:02:50,080  
see we're not in a good place

80  
00:02:53,509 --> 00:02:52,080  
depression rates are only getting higher

81  
00:02:55,270 --> 00:02:53,519  
the advice and treatment from the

82  
00:02:55,990 --> 00:02:55,280  
medical establishment is only getting

83  
00:02:58,149 --> 00:02:56,000  
worse

84  
00:03:00,309 --> 00:02:58,159  
and we're desperate for the authenticity

85  
00:03:02,149 --> 00:03:00,319  
the digital age is lacking

86  
00:03:04,070 --> 00:03:02,159  
our energy and attention has been

87  
00:03:06,309 --> 00:03:04,080  
captured by phone notifications

88  
00:03:08,309 --> 00:03:06,319

corporate programming and thankless jobs

89

00:03:10,309 --> 00:03:08,319

for which we have no passion

90

00:03:11,990 --> 00:03:10,319

it's hard to imagine the solutions could

91

00:03:14,390 --> 00:03:12,000

start with gardening walking in the

92

00:03:16,149 --> 00:03:14,400

woods or developing a meditation routine

93

00:03:18,550 --> 00:03:16,159

but the things that don't serve us are

94

00:03:20,949 --> 00:03:18,560

so severely intertwined in our lives

95

00:03:23,190 --> 00:03:20,959

that some proverbial stockholm syndrome

96

00:03:26,229 --> 00:03:23,200

has us in such a deep denial

97

00:03:27,910 --> 00:03:26,239

few people truly even test the theory

98

00:03:29,990 --> 00:03:27,920

but we see examples like today's

99

00:03:31,990 --> 00:03:30,000

returning guest phoenix aurelius who

100

00:03:34,149 --> 00:03:32,000

show us the value and fully engaging

101  
00:03:35,430 --> 00:03:34,159  
with natural systems the esoteric

102  
00:03:38,070 --> 00:03:35,440  
aspects of life

103  
00:03:39,830 --> 00:03:38,080  
and that perennial philosophy baked into

104  
00:03:41,430 --> 00:03:39,840  
the world beyond the bright flashing

105  
00:03:43,190 --> 00:03:41,440  
lights of another psychologically

106  
00:03:45,190 --> 00:03:43,200  
manipulative marketing machine

107  
00:03:46,390 --> 00:03:45,200  
and the chaos of our signal soaked

108  
00:03:48,229 --> 00:03:46,400  
cities

109  
00:03:50,309 --> 00:03:48,239  
you might recall from his last round on

110  
00:03:52,550 --> 00:03:50,319  
thc that phoenix is a self-taught

111  
00:03:54,070 --> 00:03:52,560  
spagirisist who has been practicing and

112  
00:03:56,470 --> 00:03:54,080  
teaching the alchemical arts and

113  
00:03:58,710 --> 00:03:56,480

sciences since 2005

114

00:04:01,110 --> 00:03:58,720

and as a student of paracelsus's work

115

00:04:03,350 --> 00:04:01,120

he's been reconstructing spagyric theory

116

00:04:05,750 --> 00:04:03,360

philosophy practice and pharmacopia for

117

00:04:06,949 --> 00:04:05,760

the 21st century at the phoenix aurelius

118

00:04:08,350 --> 00:04:06,959

research academy

119

00:04:10,309 --> 00:04:08,360

which you can find at

120

00:04:13,110 --> 00:04:10,319

phoenixaurelius.org along with his

121

00:04:14,470 --> 00:04:13,120

carefully crafted spagyric tinctures

122

00:04:16,710 --> 00:04:14,480

it's an honor and a pleasure to have him

123

00:04:18,550 --> 00:04:16,720

back our liaison to the deeper layers of

124

00:04:21,030 --> 00:04:18,560

reality reviver of the lost

125

00:04:22,790 --> 00:04:21,040

arts and educator of the alchemical ways

126  
00:04:24,310 --> 00:04:22,800  
phoenix my man welcome back to the

127  
00:04:26,230 --> 00:04:24,320  
higher side

128  
00:04:27,350 --> 00:04:26,240  
hey thanks so much greg it's always a

129  
00:04:29,749 --> 00:04:27,360  
pleasure to be here

130  
00:04:32,150 --> 00:04:29,759  
yes thanks for doing it again so soon i

131  
00:04:32,950 --> 00:04:32,160  
really had a blast last time but i was

132  
00:04:34,629 --> 00:04:32,960  
left with

133  
00:04:36,230 --> 00:04:34,639  
maybe even more questions than we

134  
00:04:39,830 --> 00:04:36,240  
started with

135  
00:04:40,550 --> 00:04:39,840  
i did my job then yes yes it just shows

136  
00:04:42,629 --> 00:04:40,560  
how far

137  
00:04:44,550 --> 00:04:42,639  
the average person is from these things

138  
00:04:46,390 --> 00:04:44,560

but it's nice that we can start a little

139

00:04:47,030 --> 00:04:46,400

bit further down the line this time

140

00:04:48,550 --> 00:04:47,040

assuming

141

00:04:50,310 --> 00:04:48,560

some of the fundamentals are still

142

00:04:51,110 --> 00:04:50,320

rattling around in people's heads out

143

00:04:53,350 --> 00:04:51,120

there

144

00:04:54,870 --> 00:04:53,360

when it comes to your own experiences

145

00:04:56,790 --> 00:04:54,880

though this was something that i cut

146

00:04:57,909 --> 00:04:56,800

last time that might be a good way to

147

00:04:59,830 --> 00:04:57,919

get us off the ground

148

00:05:01,550 --> 00:04:59,840

but it is a quote from your site where

149

00:05:05,110 --> 00:05:01,560

you write in

150

00:05:08,790 --> 00:05:05,120

2014 i was hired by quari

151  
00:05:09,350 --> 00:05:08,800  
anti amazonian herbals to travel on site

152  
00:05:15,110 --> 00:05:09,360  
to

153  
00:05:17,350 --> 00:05:15,120  
and their staff a 40-day spagyric

154  
00:05:19,510 --> 00:05:17,360  
apprenticeship during my time there i

155  
00:05:21,749 --> 00:05:19,520  
was able to develop strong relationships

156  
00:05:24,710 --> 00:05:21,759  
with amazonian cosmology

157  
00:05:25,510 --> 00:05:24,720  
i existentially connected with the

158  
00:05:29,029 --> 00:05:25,520  
concept

159  
00:05:30,870 --> 00:05:29,039  
of bioregional animism locations having

160  
00:05:33,110 --> 00:05:30,880  
conscious expressions of intelligence

161  
00:05:34,790 --> 00:05:33,120  
that act by way of the vegetation

162  
00:05:36,230 --> 00:05:34,800  
mineral and animal expressions that

163  
00:05:38,310 --> 00:05:36,240

lives there upon

164

00:05:39,350 --> 00:05:38,320

in the amazon the magic of things is

165

00:05:41,189 --> 00:05:39,360

much thicker

166

00:05:43,270 --> 00:05:41,199

than the tamed places we have come to

167

00:05:45,990 --> 00:05:43,280

know in the united states

168

00:05:48,070 --> 00:05:46,000

well don't i know it and you know we've

169

00:05:49,830 --> 00:05:48,080

talked here about animism before

170

00:05:51,990 --> 00:05:49,840

but can you talk to us about the

171

00:05:52,790 --> 00:05:52,000

experience of being in the amazon and

172

00:05:54,790 --> 00:05:52,800

how you

173

00:05:55,909 --> 00:05:54,800

saw the intelligence of the natural

174

00:05:57,909 --> 00:05:55,919

system or

175

00:06:00,150 --> 00:05:57,919

consciousness express itself in ways

176  
00:06:01,510 --> 00:06:00,160  
that might sound strange to someone who

177  
00:06:04,469 --> 00:06:01,520  
has spent most of their life

178  
00:06:05,990 --> 00:06:04,479  
in american cities man yeah this is a

179  
00:06:09,350 --> 00:06:06,000  
really fun topic i'm glad that we're

180  
00:06:12,230 --> 00:06:09,360  
starting out with this man so

181  
00:06:13,749 --> 00:06:12,240  
2014 i got invited down by aubry bomdot

182  
00:06:16,629 --> 00:06:13,759  
and dionysia santos

183  
00:06:18,070 --> 00:06:16,639  
who run the coriante amazonian herbals

184  
00:06:21,670 --> 00:06:18,080  
business and then they also

185  
00:06:23,110 --> 00:06:21,680  
run the yakuma sanctuary of integral

186  
00:06:25,749 --> 00:06:23,120  
shamanism

187  
00:06:27,510 --> 00:06:25,759  
and so dionysius has been down there for

188  
00:06:30,469 --> 00:06:27,520

the better part of you know like

189

00:06:32,230 --> 00:06:30,479

30 years or something teaching shamanism

190

00:06:35,189 --> 00:06:32,240

and he's a westerner himself

191

00:06:37,189 --> 00:06:35,199

actually so he was born in spain and

192

00:06:39,350 --> 00:06:37,199

then moved to france as a child

193

00:06:40,950 --> 00:06:39,360

and had a very successful corporate job

194

00:06:43,830 --> 00:06:40,960

he ended up moving

195

00:06:45,909 --> 00:06:43,840

to peru in order to work with the

196

00:06:48,790 --> 00:06:45,919

shipibo shamans and shamans of the

197

00:06:50,870 --> 00:06:48,800

upper amazonian basin so he's been down

198

00:06:52,790 --> 00:06:50,880

there for a very very very long time and

199

00:06:53,670 --> 00:06:52,800

he's trilingual he speaks english french

200

00:06:55,510 --> 00:06:53,680

spanish so

201  
00:06:57,110 --> 00:06:55,520  
they get people from all over the world

202  
00:06:59,749 --> 00:06:57,120  
actually going down there

203  
00:07:00,309 --> 00:06:59,759  
and god i forget how many years ago it

204  
00:07:02,870 --> 00:07:00,319  
is but

205  
00:07:03,830 --> 00:07:02,880  
aubry was very insistent at a certain

206  
00:07:06,230 --> 00:07:03,840  
point that

207  
00:07:07,990 --> 00:07:06,240  
they get together and start working

208  
00:07:09,589 --> 00:07:08,000  
together and so on and so forth and she

209  
00:07:11,430 --> 00:07:09,599  
ultimately ended up falling in love with

210  
00:07:13,189 --> 00:07:11,440  
the onicio which would be very difficult

211  
00:07:13,589 --> 00:07:13,199  
not to do to be perfectly honest he's

212  
00:07:16,469 --> 00:07:13,599  
just

213  
00:07:17,189 --> 00:07:16,479

he's a fantastically charming individual

214

00:07:19,189 --> 00:07:17,199

so

215

00:07:21,110 --> 00:07:19,199

together they have combined all of their

216

00:07:23,189 --> 00:07:21,120

efforts and they have a completely

217

00:07:24,469 --> 00:07:23,199

beautiful eco sanctuary down there so

218

00:07:26,710 --> 00:07:24,479

when i went down there

219

00:07:28,070 --> 00:07:26,720

i didn't just go down blind and i wasn't

220

00:07:30,870 --> 00:07:28,080

just listening to

221

00:07:33,510 --> 00:07:30,880

you know like the quote-unquote monetary

222

00:07:35,430 --> 00:07:33,520

shamans that you know will do a

223

00:07:37,350 --> 00:07:35,440

ceremony for just about any gringo with

224

00:07:40,629 --> 00:07:37,360

money these people

225

00:07:44,950 --> 00:07:40,639

really live and walk their talk so

226

00:07:47,029 --> 00:07:44,960

aubry is a ayurvedic practitioner

227

00:07:49,270 --> 00:07:47,039

her whole goal is to take all of the

228

00:07:51,270 --> 00:07:49,280

items of the amazon

229

00:07:53,350 --> 00:07:51,280

and make you know essential oils and

230

00:07:53,830 --> 00:07:53,360

hydrosols and room sprays and tinksters

231

00:07:55,749 --> 00:07:53,840

and

232

00:07:57,670 --> 00:07:55,759

eventually spagyric's too that was my

233

00:07:59,350 --> 00:07:57,680

whole role of going down there

234

00:08:01,670 --> 00:07:59,360

and to be able to classify those

235

00:08:04,309 --> 00:08:01,680

medicines within the context of ayurveda

236

00:08:06,070 --> 00:08:04,319

because up until her there's really been

237

00:08:09,749 --> 00:08:06,080

nobody doing that

238

00:08:11,670 --> 00:08:09,759

so they have this very very unique

239

00:08:13,510 --> 00:08:11,680

perspective and way of looking at things

240

00:08:15,430 --> 00:08:13,520

and interacting with the environment

241

00:08:17,029 --> 00:08:15,440

and like i said because dionysio's been

242

00:08:19,430 --> 00:08:17,039

down there for 30 years he's studied

243

00:08:21,110 --> 00:08:19,440

with all of the different types of

244

00:08:22,869 --> 00:08:21,120

tribes that you can in the upper

245

00:08:25,029 --> 00:08:22,879

amazonian basin

246

00:08:26,150 --> 00:08:25,039

everywhere from iquitos all the way into

247

00:08:27,670 --> 00:08:26,160

sacred valley

248

00:08:29,670 --> 00:08:27,680

and of course where they live in

249

00:08:32,790 --> 00:08:29,680

tarapoto they have

250

00:08:34,230 --> 00:08:32,800

the la mistas the la mistas are a very

251  
00:08:37,350 --> 00:08:34,240  
interesting

252  
00:08:37,990 --> 00:08:37,360  
indigenous tribe in the upper amazonian

253  
00:08:40,230 --> 00:08:38,000  
basin

254  
00:08:42,070 --> 00:08:40,240  
and where taraputo is is actually in

255  
00:08:45,509 --> 00:08:42,080  
coca-growing region

256  
00:08:48,949 --> 00:08:45,519  
so this is where the coca for the entire

257  
00:08:51,509 --> 00:08:48,959  
incan empire realistically at least from

258  
00:08:52,550 --> 00:08:51,519  
the peruvian aspects of incan empire

259  
00:08:55,110 --> 00:08:52,560  
would have been grown

260  
00:08:55,750 --> 00:08:55,120  
and transported up into the sacred

261  
00:08:57,670 --> 00:08:55,760  
valley

262  
00:08:59,030 --> 00:08:57,680  
for so many of the ceremonies that have

263  
00:09:00,150 --> 00:08:59,040

been going on there for thousands of

264

00:09:02,870 --> 00:09:00,160

years

265

00:09:03,990 --> 00:09:02,880

so very very very interesting thing the

266

00:09:06,470 --> 00:09:04,000

la mistas are

267

00:09:09,269 --> 00:09:06,480

very interesting as well because they

268

00:09:11,190 --> 00:09:09,279

don't have a whole lot of

269

00:09:12,310 --> 00:09:11,200

magical practice per se but they do have

270

00:09:15,910 --> 00:09:12,320

a practice of what's called

271

00:09:18,710 --> 00:09:15,920

vegetalista or vegetalismo

272

00:09:21,030 --> 00:09:18,720

which would be like vegetable healing a

273

00:09:21,670 --> 00:09:21,040

form of kind of magic using the plants

274

00:09:23,430 --> 00:09:21,680

is what

275

00:09:24,710 --> 00:09:23,440

we would refer to it as kind of in

276

00:09:27,509 --> 00:09:24,720

english

277

00:09:29,670 --> 00:09:27,519

so they have like mapacheros which takes

278

00:09:32,230 --> 00:09:29,680

mapachos sacred tobacco sacred

279

00:09:33,670 --> 00:09:32,240

amazonian tobacco and they'll perform

280

00:09:35,590 --> 00:09:33,680

all these healings and things but they

281

00:09:36,470 --> 00:09:35,600

don't have any windows in their houses

282

00:09:37,910 --> 00:09:36,480

because they think the

283

00:09:39,750 --> 00:09:37,920

negative spirits can enter in through

284

00:09:41,750 --> 00:09:39,760

the windows and you know

285

00:09:43,590 --> 00:09:41,760

just a very very you don't point at

286

00:09:45,030 --> 00:09:43,600

rainbows because the rainbow will bite

287

00:09:47,509 --> 00:09:45,040

you and then you'll get sick

288

00:09:49,670 --> 00:09:47,519

you never go outside in the rain you

289

00:09:51,030 --> 00:09:49,680

never stand out in the wind especially

290

00:09:53,350 --> 00:09:51,040

in the evenings you always have to go

291

00:09:55,750 --> 00:09:53,360

indoors in the evenings otherwise

292

00:09:57,750 --> 00:09:55,760

the beings out there make you sick and

293

00:09:59,269 --> 00:09:57,760

they have a very very steep cosmology

294

00:10:02,230 --> 00:09:59,279

whether you're la mista

295

00:10:03,829 --> 00:10:02,240

or just it's interesting because they

296

00:10:04,710 --> 00:10:03,839

kind of discriminate against their own

297

00:10:07,750 --> 00:10:04,720

indigenous

298

00:10:08,230 --> 00:10:07,760

tribes so there are peruvians and then

299

00:10:10,949 --> 00:10:08,240

there are

300

00:10:11,590 --> 00:10:10,959

indigenous and the peruvians like those

301  
00:10:14,550 --> 00:10:11,600  
who live in

302  
00:10:17,269 --> 00:10:14,560  
tarapoto for instance they still abide

303  
00:10:19,509 --> 00:10:17,279  
by a lot of the old indigenous ways

304  
00:10:20,470 --> 00:10:19,519  
and beliefs in cosmology but there's a

305  
00:10:23,509 --> 00:10:20,480  
very clear

306  
00:10:25,350 --> 00:10:23,519  
distinct difference in their own opinion

307  
00:10:27,110 --> 00:10:25,360  
between the ways of life and so many

308  
00:10:29,350 --> 00:10:27,120  
other things so the

309  
00:10:31,190 --> 00:10:29,360  
peruvians themselves in taraputto are

310  
00:10:32,310 --> 00:10:31,200  
still very much so alive with this

311  
00:10:35,590 --> 00:10:32,320  
cosmology

312  
00:10:37,269 --> 00:10:35,600  
they have this concept of a being known

313  
00:10:39,990 --> 00:10:37,279

as chuyachaki

314

00:10:41,590 --> 00:10:40,000

and chuyachi became one of my favorite

315

00:10:43,829 --> 00:10:41,600

fascinations actually of the entire

316

00:10:46,790 --> 00:10:43,839

amazonian cosmology because

317

00:10:47,509 --> 00:10:46,800

he's kind of like the amazonian

318

00:10:49,670 --> 00:10:47,519

equivalent

319

00:10:50,790 --> 00:10:49,680

of pan you know the greek god pan the

320

00:10:53,030 --> 00:10:50,800

seder

321

00:10:55,509 --> 00:10:53,040

and so they oftentimes will say that he

322

00:10:58,389 --> 00:10:55,519

has you know the skin of a snake

323

00:10:59,990 --> 00:10:58,399

more or less the body of a human but his

324

00:11:02,949 --> 00:11:00,000

legs are oftentimes like

325

00:11:04,550 --> 00:11:02,959

hooved animals so sometimes deer

326

00:11:08,069 --> 00:11:04,560

sometimes

327

00:11:09,670 --> 00:11:08,079

goats and then he has horns and

328

00:11:11,350 --> 00:11:09,680

which is a very very interesting

329

00:11:12,150 --> 00:11:11,360

cosmology but he's kind of the keeper of

330

00:11:15,190 --> 00:11:12,160

the forest

331

00:11:16,630 --> 00:11:15,200

and when we went on a hike to i think

332

00:11:19,829 --> 00:11:16,640

it's called the waka mayo

333

00:11:22,630 --> 00:11:19,839

waterfall we were doing

334

00:11:23,670 --> 00:11:22,640

this hike and our tour guide was telling

335

00:11:26,150 --> 00:11:23,680

us that

336

00:11:27,750 --> 00:11:26,160

his brother actually went into the

337

00:11:29,829 --> 00:11:27,760

forest as a kid

338

00:11:31,030 --> 00:11:29,839

and he didn't take any mapacho with him

339

00:11:32,870 --> 00:11:31,040

which is you know this

340

00:11:35,670 --> 00:11:32,880

sacred tobacco from the amazon didn't

341

00:11:37,509 --> 00:11:35,680

take any mapacho with him and so

342

00:11:38,949 --> 00:11:37,519

anytime you encounter chuyachi you

343

00:11:39,670 --> 00:11:38,959

always have to be able to make some sort

344

00:11:41,910 --> 00:11:39,680

of offering

345

00:11:43,829 --> 00:11:41,920

and tobacco is basically the offering

346

00:11:45,430 --> 00:11:43,839

that he really likes and he didn't have

347

00:11:47,350 --> 00:11:45,440

it and he came back and his arms were

348

00:11:50,550 --> 00:11:47,360

ripped off both of his arms

349

00:11:52,710 --> 00:11:50,560

and he was running back to his village

350

00:11:53,590 --> 00:11:52,720

and passed out just a short way in front

351  
00:11:55,990 --> 00:11:53,600  
of the village

352  
00:11:57,910 --> 00:11:56,000  
and ended up living because they were

353  
00:12:01,190 --> 00:11:57,920  
able to cauterize it with

354  
00:12:02,550 --> 00:12:01,200  
really hot wound but now he has no arms

355  
00:12:04,389 --> 00:12:02,560  
and according to him in the local

356  
00:12:06,550 --> 00:12:04,399  
villagers that's

357  
00:12:08,150 --> 00:12:06,560  
like a pretty regular common occurrence

358  
00:12:09,910 --> 00:12:08,160  
if you're in the forest doing things

359  
00:12:11,910 --> 00:12:09,920  
that you ought not be doing like

360  
00:12:13,430 --> 00:12:11,920  
harvesting things without

361  
00:12:16,310 --> 00:12:13,440  
permission you might run into

362  
00:12:18,389 --> 00:12:16,320  
chuyachucki and so

363  
00:12:19,990 --> 00:12:18,399

that was just a very interesting glimpse

364

00:12:21,990 --> 00:12:20,000

into the magic that's kind of still

365

00:12:22,790 --> 00:12:22,000

alive but you go even deeper and you

366

00:12:25,110 --> 00:12:22,800

start to see

367

00:12:26,870 --> 00:12:25,120

that you know they have so many

368

00:12:28,949 --> 00:12:26,880

different types of what we would refer

369

00:12:29,269 --> 00:12:28,959

to in the west as mythical beasts that

370

00:12:32,629 --> 00:12:29,279

are

371

00:12:34,710 --> 00:12:32,639

still alive and still very believed in

372

00:12:37,269 --> 00:12:34,720

and very much so interacted

373

00:12:38,949 --> 00:12:37,279

with the local individuals and it just

374

00:12:40,550 --> 00:12:38,959

there's a sense of magic and there's a

375

00:12:42,949 --> 00:12:40,560

sense of

376

00:12:44,629 --> 00:12:42,959

mysticism that is alive there even in

377

00:12:46,550 --> 00:12:44,639

the minds of the common people

378

00:12:47,990 --> 00:12:46,560

even in the christian population you

379

00:12:50,790 --> 00:12:48,000

know that

380

00:12:51,990 --> 00:12:50,800

you just don't see that so much here in

381

00:12:53,829 --> 00:12:52,000

in the united states

382

00:12:55,990 --> 00:12:53,839

although we do have it we have plenty of

383

00:12:57,509 --> 00:12:56,000

places like in yosemite national park

384

00:12:58,150 --> 00:12:57,519

and so many other places you know it's

385

00:13:00,629 --> 00:12:58,160

like

386

00:13:01,590 --> 00:13:00,639

missing 4-1-1 actually starts to tap

387

00:13:02,870 --> 00:13:01,600

into

388

00:13:04,790 --> 00:13:02,880

maybe some of these different

389

00:13:07,430 --> 00:13:04,800

interdimensional entities

390

00:13:08,069 --> 00:13:07,440

so we do have them here it's just not as

391

00:13:11,910 --> 00:13:08,079

alive

392

00:13:14,150 --> 00:13:11,920

it's just still not as pronounced

393

00:13:15,990 --> 00:13:14,160

as what it was in the amazon and so

394

00:13:17,829 --> 00:13:16,000

being able to learn and interact with

395

00:13:18,870 --> 00:13:17,839

that magic and being able to explore

396

00:13:22,310 --> 00:13:18,880

that and

397

00:13:25,190 --> 00:13:22,320

go to different areas too of the entire

398

00:13:26,389 --> 00:13:25,200

amazonia region was just absolutely

399

00:13:28,870 --> 00:13:26,399

spectacular it was

400

00:13:31,030 --> 00:13:28,880

a life enriching experience and in fact

401

00:13:33,190 --> 00:13:31,040

you know we tried to hold

402

00:13:34,230 --> 00:13:33,200

alchemy and the amazon retreats down

403

00:13:36,949 --> 00:13:34,240

there because you know

404

00:13:38,710 --> 00:13:36,959

they have an entire retreat house to do

405

00:13:41,829 --> 00:13:38,720

it but we just couldn't find enough

406

00:13:45,110 --> 00:13:41,839

interest actually for people to want to

407

00:13:47,030 --> 00:13:45,120

go down to the amazon study for 10 to 14

408

00:13:48,230 --> 00:13:47,040

days with alchemy in an immersive

409

00:13:49,750 --> 00:13:48,240

environment and

410

00:13:51,509 --> 00:13:49,760

you know a lot of that for western

411

00:13:53,829 --> 00:13:51,519

schedules is just it's hard to be away

412

00:13:55,590 --> 00:13:53,839

for seven to 14 days but especially out

413

00:13:57,750 --> 00:13:55,600

of country you know if you have kids or

414

00:13:59,189 --> 00:13:57,760

a job or any of these other things but

415

00:14:00,550 --> 00:13:59,199

you know anybody who's interested in

416

00:14:02,150 --> 00:14:00,560

doing that go ahead and let us know

417

00:14:04,790 --> 00:14:02,160

we'll put your name on the roster

418

00:14:08,230 --> 00:14:04,800

and i'd be more than happy to lead a

419

00:14:10,310 --> 00:14:08,240

trip once peru opens its borders again

420

00:14:11,829 --> 00:14:10,320

yes yes that's where i was supposed to

421

00:14:13,910 --> 00:14:11,839

be this summer but of course

422

00:14:16,150 --> 00:14:13,920

a lot of people's plans got disrupted

423

00:14:16,470 --> 00:14:16,160

and it is kind of crazy because those

424

00:14:18,150 --> 00:14:16,480

are

425

00:14:20,790 --> 00:14:18,160

interesting stories and it seems like

426

00:14:22,790 --> 00:14:20,800

the most universal aspect of various

427

00:14:24,870 --> 00:14:22,800

indigenous cultures seems to be that

428

00:14:27,430 --> 00:14:24,880

spirits and entities are very

429

00:14:28,470 --> 00:14:27,440

real and you have to adjust your life

430

00:14:31,269 --> 00:14:28,480

accordingly

431

00:14:31,990 --> 00:14:31,279

so much so that it's weird to me that we

432

00:14:35,110 --> 00:14:32,000

can strip

433

00:14:38,069 --> 00:14:35,120

out the spirits from our culture and

434

00:14:39,350 --> 00:14:38,079

nobody seems to be missing limbs without

435

00:14:40,949 --> 00:14:39,360

an explanation but of course

436

00:14:42,470 --> 00:14:40,959

bears and mountain lions are also

437

00:14:44,710 --> 00:14:42,480

dangerous but we've

438

00:14:46,629 --> 00:14:44,720

run them out for the most part too so

439

00:14:48,069 --> 00:14:46,639

maybe it's something similar maybe our

440

00:14:50,949 --> 00:14:48,079

modern cities and

441

00:14:52,870 --> 00:14:50,959

industrialized culture kind of pushes

442

00:14:55,590 --> 00:14:52,880

spirits to the borders

443

00:14:57,509 --> 00:14:55,600

in the same way that we push dangerous

444

00:14:59,670 --> 00:14:57,519

animals out

445

00:15:00,790 --> 00:14:59,680

well you know like i was saying actually

446

00:15:03,189 --> 00:15:00,800

there are

447

00:15:04,949 --> 00:15:03,199

multiple cases especially in various

448

00:15:05,990 --> 00:15:04,959

national forests yosemite being one of

449

00:15:09,350 --> 00:15:06,000

them where you do

450

00:15:10,790 --> 00:15:09,360

find guts and trails other things of

451  
00:15:12,870 --> 00:15:10,800  
missing people but you don't find

452  
00:15:14,230 --> 00:15:12,880  
anything else

453  
00:15:15,670 --> 00:15:14,240  
sometimes they just go missing

454  
00:15:17,030 --> 00:15:15,680  
altogether like there's some very

455  
00:15:20,069 --> 00:15:17,040  
interesting information

456  
00:15:22,069 --> 00:15:20,079  
a woman named michelle devries

457  
00:15:23,269 --> 00:15:22,079  
she's writing a master's thesis on this

458  
00:15:26,150 --> 00:15:23,279  
for her

459  
00:15:27,670 --> 00:15:26,160  
degree in metaphysics but you know

460  
00:15:29,749 --> 00:15:27,680  
realistically there have been people out

461  
00:15:32,790 --> 00:15:29,759  
there investigators like

462  
00:15:34,550 --> 00:15:32,800  
david pelleties who have been

463  
00:15:37,110 --> 00:15:34,560

discussing things like this actually for

464

00:15:39,749 --> 00:15:37,120

a long time and you know of course there

465

00:15:41,670 --> 00:15:39,759

are you know wide accounts of what we

466

00:15:44,310 --> 00:15:41,680

would refer to as bigfoot out here in

467

00:15:46,790 --> 00:15:44,320

utah we definitely have

468

00:15:48,870 --> 00:15:46,800

skin walkers and you know other types of

469

00:15:53,189 --> 00:15:48,880

things like that that were

470

00:15:55,829 --> 00:15:53,199

typically used by bruja or a type of

471

00:15:56,710 --> 00:15:55,839

magic and you know the navajo and the

472

00:15:58,790 --> 00:15:56,720

paiute

473

00:16:00,389 --> 00:15:58,800

definitely have some long-standing

474

00:16:01,990 --> 00:16:00,399

resentment against each other that were

475

00:16:04,470 --> 00:16:02,000

pitted by the mormons where they

476  
00:16:06,069 --> 00:16:04,480  
were casting spells on and cursing each

477  
00:16:08,310 --> 00:16:06,079  
other's land and if you go into that

478  
00:16:10,069 --> 00:16:08,320  
land especially here in the uintas

479  
00:16:11,590 --> 00:16:10,079  
south face of the uintas near paiute

480  
00:16:15,189 --> 00:16:11,600  
territory it

481  
00:16:15,990 --> 00:16:15,199  
is definitely you're going to run into

482  
00:16:18,790 --> 00:16:16,000  
some very

483  
00:16:20,230 --> 00:16:18,800  
unexplainable experiences disappearances

484  
00:16:21,110 --> 00:16:20,240  
different types of things like that as

485  
00:16:23,509 --> 00:16:21,120  
well so

486  
00:16:25,110 --> 00:16:23,519  
we do have it it's just definitely not

487  
00:16:26,629 --> 00:16:25,120  
as pronounced and of course

488  
00:16:28,870 --> 00:16:26,639

you know the roman catholic church and

489

00:16:30,629 --> 00:16:28,880

then following after that

490

00:16:32,550 --> 00:16:30,639

in its wake all of the other different

491

00:16:34,310 --> 00:16:32,560

denominations of christianity have

492

00:16:37,509 --> 00:16:34,320

really tried to drive

493

00:16:38,310 --> 00:16:37,519

out that concept of spirits from our

494

00:16:41,670 --> 00:16:38,320

modern culture

495

00:16:44,710 --> 00:16:41,680

today and i think that that's folly

496

00:16:46,629 --> 00:16:44,720

it doesn't matter whether you go to

497

00:16:47,749 --> 00:16:46,639

you know places like ireland or iceland

498

00:16:50,550 --> 00:16:47,759

or whatever else

499

00:16:51,590 --> 00:16:50,560

norway they all have traditions where

500

00:16:53,990 --> 00:16:51,600

the little people

501  
00:16:55,430 --> 00:16:54,000  
or where the elves or where the gnomes

502  
00:16:57,269 --> 00:16:55,440  
where they dwell and

503  
00:16:59,590 --> 00:16:57,279  
how they interact and even you know like

504  
00:17:00,629 --> 00:16:59,600  
in norway and sweden and stuff if you

505  
00:17:02,389 --> 00:17:00,639  
were to

506  
00:17:04,309 --> 00:17:02,399  
take a pot of boiling water and pour it

507  
00:17:04,789 --> 00:17:04,319  
on the ground you first have to make a

508  
00:17:06,870 --> 00:17:04,799  
call

509  
00:17:08,230 --> 00:17:06,880  
out to the elves or to the little people

510  
00:17:09,029 --> 00:17:08,240  
and let them know that you're going to

511  
00:17:10,870 --> 00:17:09,039  
do it because

512  
00:17:12,949 --> 00:17:10,880  
they take it very offensively if you

513  
00:17:14,309 --> 00:17:12,959

spill hot water on them accidentally by

514

00:17:15,909 --> 00:17:14,319

not even knowing that they're there so

515

00:17:16,549 --> 00:17:15,919

you give them fair warning before you

516

00:17:18,470 --> 00:17:16,559

place

517

00:17:20,069 --> 00:17:18,480

hot water on the ground so that type of

518

00:17:21,990 --> 00:17:20,079

magic and that type of awareness is

519

00:17:25,110 --> 00:17:22,000

definitely alive in the west just

520

00:17:26,069 --> 00:17:25,120

perhaps not as pronounced yes fair

521

00:17:28,390 --> 00:17:26,079

points i mean

522

00:17:29,750 --> 00:17:28,400

the missing 401 stuff is really

523

00:17:33,110 --> 00:17:29,760

fascinating and it does

524

00:17:34,710 --> 00:17:33,120

often happen in open spaces or woods or

525

00:17:37,990 --> 00:17:34,720

national parks so it's like

526

00:17:40,630 --> 00:17:38,000

think back to a time when

527

00:17:41,029 --> 00:17:40,640

all of america was open spaces woods and

528

00:17:43,510 --> 00:17:41,039

yes

529

00:17:45,430 --> 00:17:43,520

national park like landscapes and i'm

530

00:17:49,270 --> 00:17:45,440

sure this stuff was just everywhere

531

00:17:52,150 --> 00:17:49,280

and last time we talked about spagirix

532

00:17:53,669 --> 00:17:52,160

and alchemy 101 and the basic idea that

533

00:17:56,630 --> 00:17:53,679

everything is made up of

534

00:17:57,510 --> 00:17:56,640

sulfur or the soul mercury which is the

535

00:18:00,310 --> 00:17:57,520

spirit

536

00:18:02,070 --> 00:18:00,320

and salt which is the body and what i

537

00:18:03,990 --> 00:18:02,080

loved about that what makes it

538

00:18:05,669 --> 00:18:04,000

seem like such a sound philosophy is

539

00:18:09,029 --> 00:18:05,679

just how universally

540

00:18:10,870 --> 00:18:09,039

applicable it is working these aspects

541

00:18:12,549 --> 00:18:10,880

in the right way and in the right order

542

00:18:15,110 --> 00:18:12,559

is as useful for making

543

00:18:16,150 --> 00:18:15,120

potent teachers as it is building a

544

00:18:18,310 --> 00:18:16,160

better you

545

00:18:20,310 --> 00:18:18,320

well to say that everything is also

546

00:18:22,789 --> 00:18:20,320

divided into male and female

547

00:18:24,470 --> 00:18:22,799

ones and zeros might seem a bit more

548

00:18:26,870 --> 00:18:24,480

obvious but this is also an

549

00:18:27,750 --> 00:18:26,880

aspect of that perennial philosophy that

550

00:18:31,110 --> 00:18:27,760

goes a lot

551  
00:18:33,750 --> 00:18:31,120  
deeper than we might realize right

552  
00:18:35,270 --> 00:18:33,760  
yeah absolutely for instance in the

553  
00:18:38,310 --> 00:18:35,280  
alchemical cosmology

554  
00:18:41,270 --> 00:18:38,320  
everything originates from what would be

555  
00:18:43,350 --> 00:18:41,280  
known as the universal monad okay the

556  
00:18:47,909 --> 00:18:43,360  
universal source of creation

557  
00:18:50,390 --> 00:18:47,919  
that monad really in order to be able to

558  
00:18:51,590 --> 00:18:50,400  
create it needs to know two functions it

559  
00:18:53,590 --> 00:18:51,600  
needs to know the off

560  
00:18:55,990 --> 00:18:53,600  
function and it needs to know the on

561  
00:18:58,070 --> 00:18:56,000  
function the off function

562  
00:19:00,230 --> 00:18:58,080  
would be what we would perceive as is

563  
00:19:01,029 --> 00:19:00,240

like the feminine polarity which is

564

00:19:04,470 --> 00:19:01,039

passive

565

00:19:06,630 --> 00:19:04,480

okay and then the active aspect

566

00:19:09,350 --> 00:19:06,640

of that polarity would be what we would

567

00:19:11,350 --> 00:19:09,360

conceive to be as the masculine

568

00:19:14,230 --> 00:19:11,360

and these in alchemy are known as

569

00:19:16,549 --> 00:19:14,240

celestial salt and celestial nighter

570

00:19:17,430 --> 00:19:16,559

respectively the passive being celestial

571

00:19:19,830 --> 00:19:17,440

salt and

572

00:19:21,510 --> 00:19:19,840

celestial nighter being the active and

573

00:19:23,669 --> 00:19:21,520

from these things that really is the

574

00:19:24,710 --> 00:19:23,679

binary coding if you want to look at it

575

00:19:26,630 --> 00:19:24,720

into the universe

576  
00:19:28,549 --> 00:19:26,640  
and you know what we look at is that

577  
00:19:29,430 --> 00:19:28,559  
everything is one from a spiritual

578  
00:19:32,150 --> 00:19:29,440  
source

579  
00:19:32,789 --> 00:19:32,160  
and so in the spiritual dimension all

580  
00:19:35,350 --> 00:19:32,799  
there is

581  
00:19:37,110 --> 00:19:35,360  
realistically is unity and that's where

582  
00:19:40,230 --> 00:19:37,120  
the monad comes in

583  
00:19:42,150 --> 00:19:40,240  
as soon as you start to precipitate down

584  
00:19:43,750 --> 00:19:42,160  
from spirituality though the next

585  
00:19:45,590 --> 00:19:43,760  
dimension that we would be referring to

586  
00:19:47,669 --> 00:19:45,600  
would be the causal dimension

587  
00:19:48,870 --> 00:19:47,679  
and in this this is where cause and

588  
00:19:52,070 --> 00:19:48,880

effect really happens

589

00:19:53,590 --> 00:19:52,080

so this is also where sacred geometry

590

00:19:55,669 --> 00:19:53,600

really comes into play and where it's

591

00:19:59,909 --> 00:19:55,679

very important because zeros

592

00:20:01,669 --> 00:19:59,919

are like angles and ones are

593

00:20:02,950 --> 00:20:01,679

very much so just like a straight line

594

00:20:05,510 --> 00:20:02,960

or a segment

595

00:20:06,549 --> 00:20:05,520

and so every time that you hit a zero

596

00:20:08,710 --> 00:20:06,559

it's like creating an

597

00:20:10,549 --> 00:20:08,720

angle every time you hit a one it's a

598

00:20:11,510 --> 00:20:10,559

segment connecting that angle to the

599

00:20:15,909 --> 00:20:11,520

next

600

00:20:16,549 --> 00:20:15,919

to get and there are only so many

601  
00:20:18,630 --> 00:20:16,559  
different

602  
00:20:20,470 --> 00:20:18,640  
forms that you can have by creating

603  
00:20:23,750 --> 00:20:20,480  
zeros and ones before you start

604  
00:20:26,070 --> 00:20:23,760  
building the same types of forms

605  
00:20:27,350 --> 00:20:26,080  
just on top of more elaborate forms so

606  
00:20:31,190 --> 00:20:27,360  
you know plato

607  
00:20:33,110 --> 00:20:31,200  
and hippocrates and so many others

608  
00:20:35,270 --> 00:20:33,120  
aristotle in fact we refer to these

609  
00:20:37,110 --> 00:20:35,280  
oftentimes as aristotelian thought but

610  
00:20:37,590 --> 00:20:37,120  
pythagoras was actually the one who

611  
00:20:40,310 --> 00:20:37,600  
drove

612  
00:20:41,510 --> 00:20:40,320  
geometry into greek cosmology and

613  
00:20:44,710 --> 00:20:41,520

started talking about

614

00:20:45,909 --> 00:20:44,720

what we now call the platonic solids so

615

00:20:47,830 --> 00:20:45,919

you have a sphere

616

00:20:50,230 --> 00:20:47,840

which is perfectly feminine that's

617

00:20:52,070 --> 00:20:50,240

nothing but zeros

618

00:20:53,510 --> 00:20:52,080

and then you know you would have your

619

00:20:56,390 --> 00:20:53,520

tetrahedron

620

00:20:58,789 --> 00:20:56,400

which corresponds to the element of fire

621

00:21:00,549 --> 00:20:58,799

and when you create the causal

622

00:21:02,070 --> 00:21:00,559

shape of the tetrahedron using the

623

00:21:03,430 --> 00:21:02,080

amount of segments and the amount of

624

00:21:05,909 --> 00:21:03,440

angles that there are

625

00:21:07,110 --> 00:21:05,919

that is the most active and dynamic of

626  
00:21:10,070 --> 00:21:07,120  
all of those shapes

627  
00:21:10,950 --> 00:21:10,080  
and its inverse when you take an inverse

628  
00:21:13,909 --> 00:21:10,960  
shape of it

629  
00:21:14,310 --> 00:21:13,919  
and this goes into archimedean geometry

630  
00:21:16,470 --> 00:21:14,320  
is

631  
00:21:18,390 --> 00:21:16,480  
another tetrahedron so it doesn't

632  
00:21:19,990 --> 00:21:18,400  
transform into something else like the

633  
00:21:23,029 --> 00:21:20,000  
rest of the elements do

634  
00:21:25,350 --> 00:21:23,039  
but if you take water which is for

635  
00:21:28,950 --> 00:21:25,360  
instance the icosahedron

636  
00:21:31,430 --> 00:21:28,960  
and you inverse all of the positions of

637  
00:21:33,350 --> 00:21:31,440  
it through archimedean geometries

638  
00:21:35,590 --> 00:21:33,360

you'll begin to notice that through just

639

00:21:37,830 --> 00:21:35,600

a number of processes typically seven

640

00:21:39,669 --> 00:21:37,840

processes you're able to arrive from one

641

00:21:41,590 --> 00:21:39,679

geometry to the next so if you start

642

00:21:44,230 --> 00:21:41,600

with an icosahedron you follow

643

00:21:45,510 --> 00:21:44,240

all of the archimedean steps the seven

644

00:21:47,430 --> 00:21:45,520

archimedean steps

645

00:21:49,830 --> 00:21:47,440

and what you end up with on the other

646

00:21:51,830 --> 00:21:49,840

end is a pentagonal dodecahedron which

647

00:21:54,310 --> 00:21:51,840

corresponds to spirit

648

00:21:55,590 --> 00:21:54,320

and of course if you do this with a cube

649

00:21:57,590 --> 00:21:55,600

and you follow the archimedean

650

00:21:59,830 --> 00:21:57,600

geometries you end up with an octahedron

651  
00:22:02,549 --> 00:21:59,840  
at the end of those seven processes

652  
00:22:03,909 --> 00:22:02,559  
and vice versa so the dodecahedron can

653  
00:22:06,950 --> 00:22:03,919  
easily be turned into

654  
00:22:09,510 --> 00:22:06,960  
an icosahedron and a cube can easily be

655  
00:22:12,789 --> 00:22:09,520  
turned into an octahedron vice versa

656  
00:22:15,990 --> 00:22:12,799  
so those really are the way so you

657  
00:22:19,909 --> 00:22:16,000  
have your fire air water earth

658  
00:22:23,350 --> 00:22:19,919  
and spirit concepts all embodied

659  
00:22:26,070 --> 00:22:23,360  
inside of geometry and what makes

660  
00:22:27,190 --> 00:22:26,080  
something a perfect platonic solid is if

661  
00:22:29,669 --> 00:22:27,200  
all of the angles

662  
00:22:30,310 --> 00:22:29,679  
are completely equal in that geometric

663  
00:22:31,669 --> 00:22:30,320

form

664

00:22:34,149 --> 00:22:31,679

and if all of the lengths of the

665

00:22:34,789 --> 00:22:34,159

segments are exactly the same as well

666

00:22:37,830 --> 00:22:34,799

and if they

667

00:22:39,909 --> 00:22:37,840

all fit inside of a sphere so that all

668

00:22:41,590 --> 00:22:39,919

of the angles are touching the edges of

669

00:22:43,830 --> 00:22:41,600

the sphere perfectly

670

00:22:45,830 --> 00:22:43,840

that's really the criteria that are

671

00:22:46,630 --> 00:22:45,840

necessary in order to make a platonic

672

00:22:51,990 --> 00:22:46,640

solid

673

00:22:53,909 --> 00:22:52,000

within our framework of creation

674

00:22:55,350 --> 00:22:53,919

appear to be kind of like the causal

675

00:22:57,669 --> 00:22:55,360

building blocks

676  
00:22:58,630 --> 00:22:57,679  
and over time like for instance if i

677  
00:23:02,070 --> 00:22:58,640  
take a cube

678  
00:23:05,430 --> 00:23:02,080  
and i start adding tetrahedrons

679  
00:23:06,710 --> 00:23:05,440  
onto each of the faces each of the six

680  
00:23:09,830 --> 00:23:06,720  
faces now we have

681  
00:23:12,149 --> 00:23:09,840  
a more elaborate geometry and on each of

682  
00:23:13,110 --> 00:23:12,159  
those faces of the tetrahedrons that are

683  
00:23:16,630 --> 00:23:13,120  
on site

684  
00:23:17,270 --> 00:23:16,640  
on the cube if we add some octahedrons

685  
00:23:20,310 --> 00:23:17,280  
onto

686  
00:23:22,149 --> 00:23:20,320  
those triangular faces then

687  
00:23:23,909 --> 00:23:22,159  
we start to get even a more complex

688  
00:23:25,350 --> 00:23:23,919

geometry and so on and so forth and this

689

00:23:27,270 --> 00:23:25,360

is kind of the way from

690

00:23:28,470 --> 00:23:27,280

the causal perspective from the causal

691

00:23:30,789 --> 00:23:28,480

level how

692

00:23:32,549 --> 00:23:30,799

creation begins to stack upon itself and

693

00:23:35,669 --> 00:23:32,559

create new possibilities of

694

00:23:36,710 --> 00:23:35,679

what is available in terms of conscious

695

00:23:38,950 --> 00:23:36,720

exploration

696

00:23:40,230 --> 00:23:38,960

for anything that exists within the

697

00:23:42,789 --> 00:23:40,240

causal plane

698

00:23:44,310 --> 00:23:42,799

and like i kind of talked about from the

699

00:23:46,149 --> 00:23:44,320

causal plane

700

00:23:48,070 --> 00:23:46,159

descends into the astral plane and the

701

00:23:50,230 --> 00:23:48,080

astral plane really is

702

00:23:52,230 --> 00:23:50,240

corresponding to the base platonic

703

00:23:54,230 --> 00:23:52,240

geometries and this deals with your

704

00:23:56,470 --> 00:23:54,240

elements you know four elements plus the

705

00:23:57,110 --> 00:23:56,480

quintessence of spirit or icosahedron

706

00:23:59,669 --> 00:23:57,120

which is

707

00:24:01,430 --> 00:23:59,679

a perfect balance of all four of the

708

00:24:05,029 --> 00:24:01,440

aristotelian elements so

709

00:24:07,110 --> 00:24:05,039

no one element takes predominance and

710

00:24:08,070 --> 00:24:07,120

it's within that framework that the

711

00:24:10,149 --> 00:24:08,080

astral

712

00:24:11,669 --> 00:24:10,159

really is able to take shape and draw

713

00:24:13,029 --> 00:24:11,679

its power from the causal

714

00:24:16,310 --> 00:24:13,039

and then from there the astral

715

00:24:18,430 --> 00:24:16,320

precipitates into etheric energy

716

00:24:19,590 --> 00:24:18,440

which we would primarily refer to as

717

00:24:21,909 --> 00:24:19,600

electromagnetism

718

00:24:23,430 --> 00:24:21,919

but the flow of anything actually it

719

00:24:24,549 --> 00:24:23,440

doesn't just have to be flow of

720

00:24:27,750 --> 00:24:24,559

electromagnetism

721

00:24:30,549 --> 00:24:27,760

flow of any energy and then from there

722

00:24:32,390 --> 00:24:30,559

that informs physical matter how to

723

00:24:33,990 --> 00:24:32,400

precipitate so you know

724

00:24:35,830 --> 00:24:34,000

realistically what we're looking at in

725

00:24:36,310 --> 00:24:35,840

terms of celestial salt and celestial

726  
00:24:39,190 --> 00:24:36,320  
niter

727  
00:24:39,669 --> 00:24:39,200  
are the basic building blocks to create

728  
00:24:42,230 --> 00:24:39,679  
things

729  
00:24:43,269 --> 00:24:42,240  
within the causal plane and that's where

730  
00:24:45,590 --> 00:24:43,279  
the concept

731  
00:24:47,669 --> 00:24:45,600  
of masculine and feminine originally

732  
00:24:48,470 --> 00:24:47,679  
starts but then when you precipitate

733  
00:24:51,110 --> 00:24:48,480  
into

734  
00:24:51,990 --> 00:24:51,120  
the astral plane fire would be the

735  
00:24:56,149 --> 00:24:52,000  
active

736  
00:24:59,430 --> 00:24:56,159  
wind would be

737  
00:25:02,549 --> 00:24:59,440  
the passive of the active elements

738  
00:25:06,230 --> 00:25:02,559

that correspond to celestial niter

739

00:25:08,710 --> 00:25:06,240

and celestial salt would have the active

740

00:25:09,350 --> 00:25:08,720

of the passive being water and the

741

00:25:12,630 --> 00:25:09,360

passive

742

00:25:15,029 --> 00:25:12,640

see

743

00:25:16,789 --> 00:25:15,039

that there is yin within yang and yang

744

00:25:18,549 --> 00:25:16,799

within yin just like they talked about

745

00:25:20,630 --> 00:25:18,559

in chinese cosmology

746

00:25:22,710 --> 00:25:20,640

also making its way into western

747

00:25:24,710 --> 00:25:22,720

cosmology just through these concepts of

748

00:25:26,549 --> 00:25:24,720

celestial salt and celestial niter

749

00:25:28,789 --> 00:25:26,559

and of course like we've talked about on

750

00:25:30,870 --> 00:25:28,799

the etheric plane

751  
00:25:32,789 --> 00:25:30,880  
everything is composed of a soul spirit

752  
00:25:35,990 --> 00:25:32,799  
and body or sulfur mercury and salt

753  
00:25:37,029 --> 00:25:36,000  
and what that looks like really is that

754  
00:25:40,950 --> 00:25:37,039  
the combination

755  
00:25:44,310 --> 00:25:40,960  
of fire and wind is what creates sulfur

756  
00:25:45,830 --> 00:25:44,320  
and the combination of wind and water is

757  
00:25:47,029 --> 00:25:45,840  
what creates mercury which is

758  
00:25:49,830 --> 00:25:47,039  
androgynous

759  
00:25:51,029 --> 00:25:49,840  
or actually hermaphroditic so fire would

760  
00:25:55,669 --> 00:25:51,039  
be very masculine

761  
00:25:57,350 --> 00:25:55,679  
hermaphroditic archetype would be

762  
00:25:59,590 --> 00:25:57,360  
mercury and then of course you have

763  
00:26:01,510 --> 00:25:59,600

the feminine archetype being salt which

764

00:26:05,590 --> 00:26:01,520

is a combination of water

765

00:26:08,070 --> 00:26:05,600

and earth and so you have those four

766

00:26:10,070 --> 00:26:08,080

elements essentially creating three very

767

00:26:11,669 --> 00:26:10,080

distinct and very unique

768

00:26:13,830 --> 00:26:11,679

genders by the time you get to the

769

00:26:15,510 --> 00:26:13,840

etheric body and those are also

770

00:26:17,350 --> 00:26:15,520

the three genders that you actually see

771

00:26:19,669 --> 00:26:17,360

appearing in nature all over

772

00:26:22,390 --> 00:26:19,679

which is masculine feminine or

773

00:26:24,630 --> 00:26:22,400

hermaphrodite

774

00:26:25,510 --> 00:26:24,640

and you know this being somewhat of a

775

00:26:27,510 --> 00:26:25,520

conspiracy

776

00:26:29,510 --> 00:26:27,520

show and this is thorny territory but

777

00:26:32,230 --> 00:26:29,520

there are people out there whose

778

00:26:32,789 --> 00:26:32,240

research seems to be focused on the fact

779

00:26:37,190 --> 00:26:32,799

that they're

780

00:26:40,390 --> 00:26:37,200

trying to increase the uh androgynous

781

00:26:41,830 --> 00:26:40,400

gender and it's something it's not like

782

00:26:43,590 --> 00:26:41,840

my biggest priority

783

00:26:44,870 --> 00:26:43,600

in terms of like the problems we're

784

00:26:47,190 --> 00:26:44,880

dealing with here but

785

00:26:50,390 --> 00:26:47,200

it is interesting to think about the

786

00:26:52,789 --> 00:26:50,400

esoteric agendas of the elite and

787

00:26:54,870 --> 00:26:52,799

having the context of the different

788

00:26:55,990 --> 00:26:54,880

realms and dimensions and the structures

789

00:26:58,870 --> 00:26:56,000

of reality that

790

00:27:00,789 --> 00:26:58,880

the average guy doesn't really have it

791

00:27:01,110 --> 00:27:00,799

does seem like they're doing some kind

792

00:27:02,950 --> 00:27:01,120

of

793

00:27:04,789 --> 00:27:02,960

meddling there what do you think about

794

00:27:06,710 --> 00:27:04,799

that yeah actually

795

00:27:08,870 --> 00:27:06,720

beth martens asked me about this when i

796

00:27:10,149 --> 00:27:08,880

went on her king hero podcast and you

797

00:27:12,230 --> 00:27:10,159

know what i can say is

798

00:27:14,390 --> 00:27:12,240

that any time that you're working with

799

00:27:17,430 --> 00:27:14,400

various chemicals that are able to

800

00:27:18,230 --> 00:27:17,440

alter the endocrine system response of

801  
00:27:21,269 --> 00:27:18,240  
an individual

802  
00:27:22,950 --> 00:27:21,279  
or starting to eat foods that also alter

803  
00:27:24,470 --> 00:27:22,960  
endocrine response and make those foods

804  
00:27:26,070 --> 00:27:24,480  
popularized by

805  
00:27:28,710 --> 00:27:26,080  
you know fast food or other things like

806  
00:27:30,549 --> 00:27:28,720  
that it doesn't have to be much of an

807  
00:27:32,549 --> 00:27:30,559  
agenda because people will always do

808  
00:27:33,590 --> 00:27:32,559  
what is easiest and most available to

809  
00:27:35,269 --> 00:27:33,600  
them so

810  
00:27:36,549 --> 00:27:35,279  
whether there is an agenda or whether

811  
00:27:37,269 --> 00:27:36,559  
they're doing it through their own

812  
00:27:39,350 --> 00:27:37,279  
ignorance

813  
00:27:40,630 --> 00:27:39,360

is really difficult to say but what i

814

00:27:44,310 --> 00:27:40,640

can say is that

815

00:27:46,070 --> 00:27:44,320

most men are very testosterone deficient

816

00:27:48,549 --> 00:27:46,080

these days we have a whole lot of what i

817

00:27:49,909 --> 00:27:48,559

would refer to as girly boys

818

00:27:52,149 --> 00:27:49,919

to draw a term from arnold

819

00:27:55,269 --> 00:27:52,159

schwarzenegger and

820

00:27:58,789 --> 00:27:55,279

we also have a whole lot of

821

00:28:01,269 --> 00:27:58,799

women too that are very much so

822

00:28:03,190 --> 00:28:01,279

estrogen dominant and we also have some

823

00:28:04,950 --> 00:28:03,200

estrogen deficiencies

824

00:28:06,389 --> 00:28:04,960

we have so many different types of

825

00:28:07,110 --> 00:28:06,399

things and you know of course the

826

00:28:10,870 --> 00:28:07,120

chemicals

827

00:28:13,190 --> 00:28:10,880

of atrazine that are really present

828

00:28:14,630 --> 00:28:13,200

anywhere where you're downstream from

829

00:28:17,510 --> 00:28:14,640

commercial logging

830

00:28:19,430 --> 00:28:17,520

operations or even california washington

831

00:28:21,750 --> 00:28:19,440

and oregon are the highest in the united

832

00:28:24,149 --> 00:28:21,760

states for their atrazine use

833

00:28:25,669 --> 00:28:24,159

and it follows agriculture and forestry

834

00:28:27,350 --> 00:28:25,679

basically and so that's why you see

835

00:28:29,029 --> 00:28:27,360

those three states having the highest

836

00:28:31,350 --> 00:28:29,039

levels of them

837

00:28:33,190 --> 00:28:31,360

dr tyrone hayes is actually shown very

838

00:28:35,110 --> 00:28:33,200

clinically that you can take with a very

839

00:28:38,230 --> 00:28:35,120

small amount of atrazine

840

00:28:40,389 --> 00:28:38,240

applied to frogs or most amphibians but

841

00:28:43,029 --> 00:28:40,399

he's working specifically with frogs

842

00:28:44,789 --> 00:28:43,039

you can take a biologically male frog

843

00:28:46,389 --> 00:28:44,799

apply a small amount of atrazine to

844

00:28:50,070 --> 00:28:46,399

either food water or

845

00:28:52,230 --> 00:28:50,080

skin exposure and with enough prolonged

846

00:28:53,430 --> 00:28:52,240

exposure which isn't really that long

847

00:28:55,110 --> 00:28:53,440

what ends up happening is that

848

00:28:55,990 --> 00:28:55,120

biologically male frog becomes a

849

00:28:58,149 --> 00:28:56,000

biologically

850

00:28:59,590 --> 00:28:58,159

female frog that is actually then

851  
00:29:01,269 --> 00:28:59,600  
capable of

852  
00:29:03,430 --> 00:29:01,279  
being impregnated and laying its own

853  
00:29:06,789 --> 00:29:03,440  
eggs by another male frog

854  
00:29:08,389 --> 00:29:06,799  
and so atrazine literally over three

855  
00:29:09,669 --> 00:29:08,399  
times the amount that's necessary in

856  
00:29:11,909 --> 00:29:09,679  
order to do that to

857  
00:29:12,950 --> 00:29:11,919  
a biological specimen of a frog or other

858  
00:29:15,909 --> 00:29:12,960  
amphibians

859  
00:29:17,590 --> 00:29:15,919  
is legally allowed in the water supply

860  
00:29:19,669 --> 00:29:17,600  
and so when you take a look at the west

861  
00:29:22,389 --> 00:29:19,679  
coast and you take a look at its

862  
00:29:23,669 --> 00:29:22,399  
transsexual orientation in the modern

863  
00:29:25,590 --> 00:29:23,679

day and things like that i think that

864

00:29:25,990 --> 00:29:25,600

there's definitely some causation

865

00:29:28,149 --> 00:29:26,000

happening

866

00:29:29,590 --> 00:29:28,159

by that it's not just that people feel

867

00:29:31,669 --> 00:29:29,600

free to express who they

868

00:29:33,350 --> 00:29:31,679

really are quote unquote it's that they

869

00:29:35,830 --> 00:29:33,360

wouldn't even know who they really are

870

00:29:37,430 --> 00:29:35,840

in certain cases because they are so

871

00:29:39,590 --> 00:29:37,440

impacted by

872

00:29:41,029 --> 00:29:39,600

chemical influences and atrazine is

873

00:29:42,389 --> 00:29:41,039

really just one of those i've been

874

00:29:45,029 --> 00:29:42,399

collecting

875

00:29:46,510 --> 00:29:45,039

peer-reviewed scientific documentation

876

00:29:49,269 --> 00:29:46,520

on a wide number of different

877

00:29:49,909 --> 00:29:49,279

endocrinological disruptors and anything

878

00:29:51,830 --> 00:29:49,919

that

879

00:29:53,430 --> 00:29:51,840

plays around with sex hormones or

880

00:29:56,230 --> 00:29:53,440

androgen in general

881

00:29:57,990 --> 00:29:56,240

is going to create gender confusion

882

00:30:00,630 --> 00:29:58,000

gender dysmorphia somewhere along the

883

00:30:04,950 --> 00:30:03,110

yeah i mean i know that's a topic in

884

00:30:06,630 --> 00:30:04,960

this alternative community that's

885

00:30:08,230 --> 00:30:06,640

talked about i think maybe too much but

886

00:30:09,190 --> 00:30:08,240

i was curious what you thought about it

887

00:30:11,590 --> 00:30:09,200

because

888

00:30:12,389 --> 00:30:11,600

with the context of these other realms

889

00:30:14,549 --> 00:30:12,399

and

890

00:30:15,430 --> 00:30:14,559

the importance of the underlying

891

00:30:18,389 --> 00:30:15,440

structure

892

00:30:20,149 --> 00:30:18,399

it seems like in many different ways the

893

00:30:23,029 --> 00:30:20,159

argument is that the elite's

894

00:30:25,029 --> 00:30:23,039

plan is to disrupt that order disrupt

895

00:30:28,549 --> 00:30:25,039

that structure and maybe in a

896

00:30:31,750 --> 00:30:28,559

tower of babel kind of way of making a

897

00:30:33,430 --> 00:30:31,760

a bridge or tower to the realms in which

898

00:30:35,430 --> 00:30:33,440

are not physical that we're really not

899

00:30:38,230 --> 00:30:35,440

supposed to be meddling with and

900

00:30:39,669 --> 00:30:38,240

somewhat plain god and it's all kind of

901  
00:30:40,549 --> 00:30:39,679  
beyond me because i don't have a lot of

902  
00:30:42,230 --> 00:30:40,559  
sense of those

903  
00:30:44,389 --> 00:30:42,240  
extra realms it's all kind of a

904  
00:30:45,750 --> 00:30:44,399  
intellectual exercise for me but

905  
00:30:48,470 --> 00:30:45,760  
it does seem like the elite are

906  
00:30:50,310 --> 00:30:48,480  
motivated by spiritual things because

907  
00:30:51,669 --> 00:30:50,320  
otherwise why wouldn't they just retire

908  
00:30:54,070 --> 00:30:51,679  
if they were truly

909  
00:30:55,510 --> 00:30:54,080  
atheists who thought this is all we get

910  
00:30:56,149 --> 00:30:55,520  
it would be like well bill gates would

911  
00:30:58,310 --> 00:30:56,159  
be

912  
00:30:59,590 --> 00:30:58,320  
uh on little st james and he wouldn't

913  
00:31:00,870 --> 00:30:59,600

you never hear from him again he

914

00:31:02,470 --> 00:31:00,880

wouldn't address any crowd he's got

915

00:31:04,070 --> 00:31:02,480

billions of dollars in the bank so

916

00:31:05,509 --> 00:31:04,080

it does seem like there's some weird

917

00:31:07,830 --> 00:31:05,519

motivations that just

918

00:31:10,630 --> 00:31:07,840

aren't ever gonna make their way into uh

919

00:31:13,190 --> 00:31:10,640

the mainstream conversation

920

00:31:13,990 --> 00:31:13,200

well let's talk about that actually

921

00:31:17,190 --> 00:31:14,000

because

922

00:31:17,750 --> 00:31:17,200

i'm far from understanding where other

923

00:31:20,950 --> 00:31:17,760

people

924

00:31:22,549 --> 00:31:20,960

are at especially what we would refer to

925

00:31:23,190 --> 00:31:22,559

as like the elites or people who are

926  
00:31:26,149 --> 00:31:23,200  
making

927  
00:31:27,750 --> 00:31:26,159  
large planetary decisions so you know

928  
00:31:30,630 --> 00:31:27,760  
i'm far from the finish line

929  
00:31:31,190 --> 00:31:30,640  
in understanding that but what i can say

930  
00:31:34,870 --> 00:31:31,200  
is

931  
00:31:36,389 --> 00:31:34,880  
the soul and everybody has their own

932  
00:31:39,590 --> 00:31:36,399  
opinions of what is

933  
00:31:40,230 --> 00:31:39,600  
good and what is necessary and so on and

934  
00:31:43,830 --> 00:31:40,240  
so forth

935  
00:31:47,430 --> 00:31:43,840  
i tend to think and feel that once you

936  
00:31:48,149 --> 00:31:47,440  
really truly understand esoteric

937  
00:31:51,350 --> 00:31:48,159  
principles

938  
00:31:53,669 --> 00:31:51,360

in general you tend to

939

00:31:55,029 --> 00:31:53,679

be a little bit more cautious about what

940

00:31:57,190 --> 00:31:55,039

you're doing and try to make

941

00:31:58,789 --> 00:31:57,200

only an effect on your own life or the

942

00:32:00,870 --> 00:31:58,799

lives of those around you

943

00:32:02,630 --> 00:32:00,880

not necessarily meddling in planetary

944

00:32:04,710 --> 00:32:02,640

affairs because

945

00:32:06,470 --> 00:32:04,720

when you do that that generates a fair

946

00:32:08,149 --> 00:32:06,480

bit of karma

947

00:32:10,630 --> 00:32:08,159

you're making decisions that are going

948

00:32:11,990 --> 00:32:10,640

to impact lots and lots of individuals

949

00:32:13,669 --> 00:32:12,000

and the more that you understand about

950

00:32:15,990 --> 00:32:13,679

esotericism either from

951  
00:32:18,310 --> 00:32:16,000  
tibetan buddhist path or you know within

952  
00:32:20,310 --> 00:32:18,320  
the western esoteric tradition which is

953  
00:32:21,990 --> 00:32:20,320  
largely derived from hermeticism

954  
00:32:24,389 --> 00:32:22,000  
those are things that you want to try to

955  
00:32:25,590 --> 00:32:24,399  
minimize so that you can walk into your

956  
00:32:28,070 --> 00:32:25,600  
next incarnation

957  
00:32:29,029 --> 00:32:28,080  
with as much awareness as possible of

958  
00:32:31,909 --> 00:32:29,039  
your former

959  
00:32:33,669 --> 00:32:31,919  
intelligence and former incarnations so

960  
00:32:35,669 --> 00:32:33,679  
it seems to be something that's done in

961  
00:32:37,590 --> 00:32:35,679  
vast ignorance and you know there is a

962  
00:32:40,549 --> 00:32:37,600  
large conspiracy out there that

963  
00:32:42,389 --> 00:32:40,559

the global elite are using alchemy and

964

00:32:44,149 --> 00:32:42,399

they're using magic

965

00:32:46,070 --> 00:32:44,159

very consciously and i would say no

966

00:32:47,669 --> 00:32:46,080

they're about like aleister crowley

967

00:32:49,110 --> 00:32:47,679

they know enough to be exceptionally

968

00:32:51,350 --> 00:32:49,120

dangerous and they're driven

969

00:32:53,350 --> 00:32:51,360

largely by their own egos they haven't

970

00:32:54,870 --> 00:32:53,360

done a lot of spiritual work which is to

971

00:32:56,470 --> 00:32:54,880

say discipline but they have done a lot

972

00:32:57,750 --> 00:32:56,480

of psychological work

973

00:32:59,509 --> 00:32:57,760

and so they work in the realms of

974

00:33:01,750 --> 00:32:59,519

psychological manipulation

975

00:33:02,630 --> 00:33:01,760

and you know like i've done in a couple

976  
00:33:06,149 --> 00:33:02,640  
of idf

977  
00:33:08,950 --> 00:33:06,159  
analyses with sam tripoli and with

978  
00:33:10,789 --> 00:33:08,960  
lindsey sherman from rogue ways and you

979  
00:33:14,149 --> 00:33:10,799  
know sam tripley of tinfoil hat

980  
00:33:14,870 --> 00:33:14,159  
what we have seen is that some of the

981  
00:33:18,149 --> 00:33:14,880  
beings

982  
00:33:22,070 --> 00:33:18,159  
that are being worked with by these

983  
00:33:23,990 --> 00:33:22,080  
individuals like bill gates for instance

984  
00:33:25,830 --> 00:33:24,000  
it may be entirely conscious or it may

985  
00:33:27,990 --> 00:33:25,840  
be entirely unconscious how they're

986  
00:33:30,389 --> 00:33:28,000  
doing it but when you're making a pact

987  
00:33:31,509 --> 00:33:30,399  
with a certain entity you know when

988  
00:33:32,149 --> 00:33:31,519

you're working with any sort of

989

00:33:34,070 --> 00:33:32,159

aggregator

990

00:33:35,750 --> 00:33:34,080

you might serve the agricore but who

991

00:33:38,070 --> 00:33:35,760

does the agrigore serve

992

00:33:39,269 --> 00:33:38,080

and this is where you know reading mark

993

00:33:42,389 --> 00:33:39,279

stavish's book

994

00:33:44,710 --> 00:33:42,399

on evergores i think is absolutely

995

00:33:46,149 --> 00:33:44,720

critical reading for every person in the

996

00:33:46,789 --> 00:33:46,159

modern age because they need to

997

00:33:48,710 --> 00:33:46,799

understand

998

00:33:50,230 --> 00:33:48,720

that it's our agricores it's the

999

00:33:52,789 --> 00:33:50,240

thoughts that we've created that we've

1000

00:33:54,389 --> 00:33:52,799

given power to through our belief

1001  
00:33:57,110 --> 00:33:54,399  
systems largely

1002  
00:33:57,509 --> 00:33:57,120  
that have ended up shaping our destiny

1003  
00:34:00,789 --> 00:33:57,519  
here

1004  
00:34:01,990 --> 00:34:00,799  
as mankind and realistically it doesn't

1005  
00:34:04,789 --> 00:34:02,000  
matter whether

1006  
00:34:05,750 --> 00:34:04,799  
bill gates or any of these other people

1007  
00:34:08,710 --> 00:34:05,760  
are

1008  
00:34:09,030 --> 00:34:08,720  
having an agenda what matters is that if

1009  
00:34:11,829 --> 00:34:09,040  
you

1010  
00:34:13,109 --> 00:34:11,839  
are tied into the thought structures of

1011  
00:34:14,869 --> 00:34:13,119  
the egregors

1012  
00:34:16,869 --> 00:34:14,879  
which is to say anything that you have

1013  
00:34:19,510 --> 00:34:16,879

ever seen that has a symbol or an image

1014

00:34:21,669 --> 00:34:19,520

that has power inside of your mind

1015

00:34:22,790 --> 00:34:21,679

as an entity so like for instance you

1016

00:34:25,829 --> 00:34:22,800

see the mcdonald's

1017

00:34:28,389 --> 00:34:25,839

arches that is an aggregator because

1018

00:34:30,149 --> 00:34:28,399

it stands for something it's just itself

1019

00:34:33,190 --> 00:34:30,159

an image but it stands for something

1020

00:34:35,589 --> 00:34:33,200

when you we are giving and empowering

1021

00:34:36,550 --> 00:34:35,599

those eggs with our money with our

1022

00:34:38,149 --> 00:34:36,560

attention

1023

00:34:39,909 --> 00:34:38,159

so on and so forth they really have a

1024

00:34:43,669 --> 00:34:39,919

tendency to run away

1025

00:34:46,230 --> 00:34:43,679

and develop an entity or a volition

1026

00:34:47,990 --> 00:34:46,240

all of their own and i think that that's

1027

00:34:48,790 --> 00:34:48,000

really what people need to understand is

1028

00:34:50,550 --> 00:34:48,800

that

1029

00:34:52,230 --> 00:34:50,560

all of us have probably heard as you

1030

00:34:53,990 --> 00:34:52,240

think so it becomes or

1031

00:34:55,750 --> 00:34:54,000

mind over matter would be another way of

1032

00:34:58,470 --> 00:34:55,760

talking about those things

1033

00:35:00,390 --> 00:34:58,480

until people are responsible enough to

1034

00:35:02,390 --> 00:35:00,400

be able to control their thoughts

1035

00:35:04,710 --> 00:35:02,400

and to be able to keep their thoughts

1036

00:35:06,550 --> 00:35:04,720

focused very particularly

1037

00:35:08,550 --> 00:35:06,560

on the things that they absolutely want

1038

00:35:09,030 --> 00:35:08,560

to create and disentangle themselves

1039

00:35:12,550 --> 00:35:09,040

from

1040

00:35:14,630 --> 00:35:12,560

sticky entities like aggregors by

1041

00:35:16,310 --> 00:35:14,640

completely eliminating beliefs because

1042

00:35:18,710 --> 00:35:16,320

beliefs are your enemy anybody who

1043

00:35:21,430 --> 00:35:18,720

offers you a belief is your enemy

1044

00:35:22,150 --> 00:35:21,440

so being able to eliminate beliefs being

1045

00:35:24,630 --> 00:35:22,160

able to use

1046

00:35:26,310 --> 00:35:24,640

thoughts and not give our power to

1047

00:35:29,349 --> 00:35:26,320

thoughts but be able to allow

1048

00:35:31,270 --> 00:35:29,359

thoughts to actually serve us

1049

00:35:33,270 --> 00:35:31,280

which is opposite than an egg or an

1050

00:35:35,190 --> 00:35:33,280

aggregator you give your belief or your

1051  
00:35:37,510 --> 00:35:35,200  
thought power your astral power

1052  
00:35:38,710 --> 00:35:37,520  
to that entity and then that entity ends

1053  
00:35:40,710 --> 00:35:38,720  
up taking on

1054  
00:35:41,750 --> 00:35:40,720  
a volition of its own and so you serve

1055  
00:35:44,470 --> 00:35:41,760  
the aggregator but

1056  
00:35:44,870 --> 00:35:44,480  
who does agregore actually serve what

1057  
00:35:47,030 --> 00:35:44,880  
other

1058  
00:35:48,630 --> 00:35:47,040  
entities interdimensional beings are

1059  
00:35:50,390 --> 00:35:48,640  
actually working

1060  
00:35:51,829 --> 00:35:50,400  
with controlling that aggregator behind

1061  
00:35:53,829 --> 00:35:51,839  
the scene

1062  
00:35:55,829 --> 00:35:53,839  
and so it really comes down to a state

1063  
00:35:58,150 --> 00:35:55,839

of personal power

1064

00:35:58,870 --> 00:35:58,160

in the end where people need to reclaim

1065

00:36:04,950 --> 00:35:58,880

their

1066

00:36:06,069 --> 00:36:04,960

thoughts and not really take things very

1067

00:36:07,910 --> 00:36:06,079

personally

1068

00:36:09,190 --> 00:36:07,920

but just you know it's okay to just have

1069

00:36:11,270 --> 00:36:09,200

a thought about something that can

1070

00:36:13,430 --> 00:36:11,280

change based on further evidence

1071

00:36:15,270 --> 00:36:13,440

buying into a belief immediately puts

1072

00:36:16,710 --> 00:36:15,280

things into the hands of the agrigore

1073

00:36:18,550 --> 00:36:16,720

and the agrigore will run away with

1074

00:36:20,950 --> 00:36:18,560

things and so every commercial entity

1075

00:36:23,349 --> 00:36:20,960

that's even the legal term for it

1076  
00:36:24,790 --> 00:36:23,359  
has developed its own agricore and i

1077  
00:36:26,470 --> 00:36:24,800  
think that that's really important for

1078  
00:36:28,950 --> 00:36:26,480  
people to understand they need to begin

1079  
00:36:31,430 --> 00:36:28,960  
to disentangle from those things and

1080  
00:36:33,589 --> 00:36:31,440  
tap back into what is actually real and

1081  
00:36:35,589 --> 00:36:33,599  
tangible here in the physical world

1082  
00:36:38,870 --> 00:36:35,599  
and disengage from giving their power to

1083  
00:36:40,950 --> 00:36:38,880  
things in the astral dimension

1084  
00:36:42,790 --> 00:36:40,960  
good advice and let me ask you a little

1085  
00:36:44,390 --> 00:36:42,800  
more about thoughts in the mental realm

1086  
00:36:46,230 --> 00:36:44,400  
because last time we talked about the

1087  
00:36:49,349 --> 00:36:46,240  
alchemy of the self that

1088  
00:36:51,670 --> 00:36:49,359

we start with calcination and burning

1089

00:36:54,630 --> 00:36:51,680

away our excuses for things and then

1090

00:36:55,430 --> 00:36:54,640

dissolution where the waters of our

1091

00:36:57,510 --> 00:36:55,440

emotion

1092

00:36:59,030 --> 00:36:57,520

break down through salty tears and then

1093

00:37:01,270 --> 00:36:59,040

we separate and filter

1094

00:37:02,710 --> 00:37:01,280

and distill our dreams even further

1095

00:37:03,750 --> 00:37:02,720

obviously those are the cliff notes but

1096

00:37:06,310 --> 00:37:03,760

it was all quite

1097

00:37:08,630 --> 00:37:06,320

eye opening but let me ask you about

1098

00:37:11,829 --> 00:37:08,640

aspects of the mind and thinking

1099

00:37:13,990 --> 00:37:11,839

like memory retention or accessing

1100

00:37:15,990 --> 00:37:14,000

the subconscious and unconscious mind

1101  
00:37:17,589 --> 00:37:16,000  
because when i talk to guests who

1102  
00:37:18,550 --> 00:37:17,599  
venture into the deeper parts of

1103  
00:37:21,510 --> 00:37:18,560  
themselves

1104  
00:37:23,109 --> 00:37:21,520  
they usually say that they don't use any

1105  
00:37:23,910 --> 00:37:23,119  
notes for an interview like this they

1106  
00:37:25,990 --> 00:37:23,920  
just trust

1107  
00:37:28,310 --> 00:37:26,000  
the flow state they can get out of their

1108  
00:37:30,950 --> 00:37:28,320  
own way and even off the cuff they can

1109  
00:37:31,750 --> 00:37:30,960  
tap into really eloquent explanations

1110  
00:37:33,670 --> 00:37:31,760  
and even a

1111  
00:37:35,910 --> 00:37:33,680  
sharper width than someone who's over

1112  
00:37:36,870 --> 00:37:35,920  
thought it all and many of us have heard

1113  
00:37:39,510 --> 00:37:36,880

things

1114

00:37:41,589 --> 00:37:39,520

like our unconscious mind has all the

1115

00:37:43,910 --> 00:37:41,599

answers similar to a quantum computer

1116

00:37:45,589 --> 00:37:43,920

but we don't tap into it correctly

1117

00:37:47,270 --> 00:37:45,599

what could be said about this sort of

1118

00:37:49,589 --> 00:37:47,280

stuff

1119

00:37:51,510 --> 00:37:49,599

well see this has always been a large

1120

00:37:53,190 --> 00:37:51,520

part of my path actually

1121

00:37:54,630 --> 00:37:53,200

having been very very interested in

1122

00:37:57,670 --> 00:37:54,640

psychic development work

1123

00:38:00,069 --> 00:37:57,680

since about 2007. i was interested

1124

00:38:02,790 --> 00:38:00,079

long before that but i got formal

1125

00:38:05,030 --> 00:38:02,800

training starting 2007

1126

00:38:06,790 --> 00:38:05,040

and i think that you know using the

1127

00:38:09,109 --> 00:38:06,800

capacity of your mind

1128

00:38:11,190 --> 00:38:09,119

is so important and there are so many

1129

00:38:13,430 --> 00:38:11,200

tools that people come up with by way of

1130

00:38:15,990 --> 00:38:13,440

technology to make

1131

00:38:17,349 --> 00:38:16,000

the mind completely obsolete computers

1132

00:38:19,109 --> 00:38:17,359

being one of those

1133

00:38:21,109 --> 00:38:19,119

so computers are great for so many

1134

00:38:21,990 --> 00:38:21,119

things of course as we've seen but look

1135

00:38:24,230 --> 00:38:22,000

at how far

1136

00:38:26,710 --> 00:38:24,240

technology is running ahead of the

1137

00:38:29,190 --> 00:38:26,720

evolution of the human race because

1138

00:38:31,430 --> 00:38:29,200

we're not developing our mind with our

1139

00:38:33,430 --> 00:38:31,440

spirit spirit being disciplined

1140

00:38:35,349 --> 00:38:33,440

at the same level at which the

1141

00:38:37,190 --> 00:38:35,359

technology is able to be

1142

00:38:38,950 --> 00:38:37,200

developed and so now we're running into

1143

00:38:40,390 --> 00:38:38,960

the very same problem that inevitably

1144

00:38:42,550 --> 00:38:40,400

every other culture will which is

1145

00:38:44,630 --> 00:38:42,560

artificial intelligence

1146

00:38:46,069 --> 00:38:44,640

which to me is profoundly unethical if

1147

00:38:47,750 --> 00:38:46,079

you haven't mastered your own

1148

00:38:49,430 --> 00:38:47,760

intelligence and know how to use the

1149

00:38:50,150 --> 00:38:49,440

entirety of your brain and know how it's

1150

00:38:52,550 --> 00:38:50,160

going to

1151  
00:38:54,150 --> 00:38:52,560  
evolve you know absolutely nothing about

1152  
00:38:55,990 --> 00:38:54,160  
how the evolution of

1153  
00:38:57,430 --> 00:38:56,000  
artificial intelligence will evolve on

1154  
00:38:59,510 --> 00:38:57,440  
its own as well

1155  
00:39:01,589 --> 00:38:59,520  
and so it's much more important to

1156  
00:39:03,349 --> 00:39:01,599  
develop a working mastery of the

1157  
00:39:06,230 --> 00:39:03,359  
internal mind and

1158  
00:39:07,990 --> 00:39:06,240  
being able to tap into all of the

1159  
00:39:08,870 --> 00:39:08,000  
different dimensional realities that the

1160  
00:39:11,910 --> 00:39:08,880  
mind has

1161  
00:39:14,470 --> 00:39:11,920  
the capacity to perceive before just

1162  
00:39:16,150 --> 00:39:14,480  
simply willy-nilly going out and

1163  
00:39:17,270 --> 00:39:16,160

creating technologies that are going to

1164

00:39:19,270 --> 00:39:17,280

make that

1165

00:39:21,030 --> 00:39:19,280

easier or more accessible for lazy

1166

00:39:24,390 --> 00:39:21,040

people

1167

00:39:26,230 --> 00:39:24,400

for instance you were talking about

1168

00:39:27,670 --> 00:39:26,240

you know just going right off the cuff

1169

00:39:30,150 --> 00:39:27,680

with information

1170

00:39:31,030 --> 00:39:30,160

that is really tapping into the astral

1171

00:39:34,630 --> 00:39:31,040

so

1172

00:39:36,390 --> 00:39:34,640

grounding to help understand what the

1173

00:39:38,310 --> 00:39:36,400

astral is astral is actually best

1174

00:39:41,270 --> 00:39:38,320

defined by a question

1175

00:39:42,310 --> 00:39:41,280

what happens to every thought and

1176

00:39:45,190 --> 00:39:42,320

emotion

1177

00:39:47,349 --> 00:39:45,200

when they're done being thought or felt

1178

00:39:50,630 --> 00:39:47,359

well welcome to the astral

1179

00:39:53,109 --> 00:39:50,640

so it's a repository of

1180

00:39:53,670 --> 00:39:53,119

every thought and emotion that exists

1181

00:39:56,470 --> 00:39:53,680

and

1182

00:39:57,670 --> 00:39:56,480

of every electromagnetic interaction

1183

00:39:59,670 --> 00:39:57,680

that exists

1184

00:40:01,349 --> 00:39:59,680

happening from a planetary level as well

1185

00:40:03,349 --> 00:40:01,359

so as the planets are moving we've all

1186

00:40:05,510 --> 00:40:03,359

heard of the harmony of the spheres this

1187

00:40:07,430 --> 00:40:05,520

pythagorean concept

1188

00:40:09,750 --> 00:40:07,440

and so all of that all of that

1189

00:40:11,349 --> 00:40:09,760

information exists in the astral at the

1190

00:40:12,510 --> 00:40:11,359

higher ends of the astral it's the

1191

00:40:13,750 --> 00:40:12,520

planetary movements and the

1192

00:40:16,309 --> 00:40:13,760

electromagnetics

1193

00:40:19,030 --> 00:40:16,319

and in the lower it's where our thoughts

1194

00:40:20,630 --> 00:40:19,040

exist and paracelsus used to refer to

1195

00:40:22,630 --> 00:40:20,640

the thoughts and the emotions kind of

1196

00:40:24,309 --> 00:40:22,640

existing in the lower

1197

00:40:25,990 --> 00:40:24,319

realm of the astral that directly

1198

00:40:28,230 --> 00:40:26,000

affects the physical plane he would

1199

00:40:29,990 --> 00:40:28,240

refer to that as the archaic and today

1200

00:40:31,910 --> 00:40:30,000

most people would refer to that as the

1201  
00:40:35,349 --> 00:40:31,920  
etheric

1202  
00:40:36,230 --> 00:40:35,359  
and so if people are not able to utilize

1203  
00:40:38,550 --> 00:40:36,240  
their mind

1204  
00:40:40,790 --> 00:40:38,560  
and develop the buoyancy of mind in

1205  
00:40:42,309 --> 00:40:40,800  
order to visualize things that they want

1206  
00:40:44,950 --> 00:40:42,319  
to create

1207  
00:40:45,829 --> 00:40:44,960  
or not able to develop the buoyancy of

1208  
00:40:49,910 --> 00:40:45,839  
mind

1209  
00:40:51,589 --> 00:40:49,920  
to envision or sensationalize various

1210  
00:40:54,150 --> 00:40:51,599  
things in their lives then

1211  
00:40:55,510 --> 00:40:54,160  
they're not even to the point where they

1212  
00:40:58,710 --> 00:40:55,520  
have mastery over

1213  
00:41:00,950 --> 00:40:58,720

the very lowest aspect of the astral

1214

00:41:03,349 --> 00:41:00,960

and this is really where the practices

1215

00:41:04,790 --> 00:41:03,359

of most forms of magic come in because

1216

00:41:08,470 --> 00:41:04,800

magic is very

1217

00:41:10,550 --> 00:41:08,480

not useful if you cannot sensationalize

1218

00:41:12,550 --> 00:41:10,560

and visualize things very clearly the

1219

00:41:14,230 --> 00:41:12,560

second that you are able to do that

1220

00:41:15,750 --> 00:41:14,240

through repeated discipline it's just

1221

00:41:16,550 --> 00:41:15,760

like going to the gym and working a

1222

00:41:18,470 --> 00:41:16,560

muscle

1223

00:41:20,790 --> 00:41:18,480

through repeated discipline you begin to

1224

00:41:22,790 --> 00:41:20,800

be able to sensationalize things and to

1225

00:41:23,750 --> 00:41:22,800

be able to visualize things very clearly

1226

00:41:26,230 --> 00:41:23,760

just as if

1227

00:41:27,910 --> 00:41:26,240

you were doing it in the physical realm

1228

00:41:29,190 --> 00:41:27,920

when you developed that buoyancy of mind

1229

00:41:31,109 --> 00:41:29,200

now you have access

1230

00:41:32,230 --> 00:41:31,119

to that level of the astral you have

1231

00:41:34,790 --> 00:41:32,240

access to

1232

00:41:36,790 --> 00:41:34,800

the higher levels of the astral than two

1233

00:41:39,349 --> 00:41:36,800

which would be visualizing understanding

1234

00:41:42,309 --> 00:41:39,359

hearing sensationalizing perceiving

1235

00:41:42,710 --> 00:41:42,319

the harmony of the spheres so to speak

1236

00:41:45,030 --> 00:41:42,720

or

1237

00:41:45,910 --> 00:41:45,040

the planetary frequencies that were

1238

00:41:47,990 --> 00:41:45,920

spoken about

1239

00:41:49,589 --> 00:41:48,000

so long ago by pythagoras and his

1240

00:41:50,390 --> 00:41:49,599

followers and followed down through the

1241

00:41:54,230 --> 00:41:50,400

platonic and

1242

00:41:56,870 --> 00:41:54,240

aristotelian tradition of the greeks

1243

00:41:58,069 --> 00:41:56,880

and you know the chinese also have their

1244

00:41:59,829 --> 00:41:58,079

own version of that and

1245

00:42:01,349 --> 00:41:59,839

so do so many of the ancient great

1246

00:42:03,109 --> 00:42:01,359

cultures the mayans of course the

1247

00:42:04,309 --> 00:42:03,119

egyptians and so on and so forth

1248

00:42:06,550 --> 00:42:04,319

they just have a slightly different

1249

00:42:09,589 --> 00:42:06,560

cultural understanding

1250

00:42:11,910 --> 00:42:09,599

of those planetary frequencies but

1251  
00:42:13,750 --> 00:42:11,920  
they're all corroborating and saying

1252  
00:42:15,190 --> 00:42:13,760  
exactly the same thing

1253  
00:42:16,950 --> 00:42:15,200  
and then once you've been able to do

1254  
00:42:19,190 --> 00:42:16,960  
that then you take a look at

1255  
00:42:21,030 --> 00:42:19,200  
people who are able to tap into the

1256  
00:42:22,470 --> 00:42:21,040  
causal plane and understand cause and

1257  
00:42:25,430 --> 00:42:22,480  
effect of actions by

1258  
00:42:26,630 --> 00:42:25,440  
looking at the lower causal if something

1259  
00:42:29,109 --> 00:42:26,640  
happens now

1260  
00:42:29,829 --> 00:42:29,119  
what is likely to happen down the line

1261  
00:42:32,069 --> 00:42:29,839  
if

1262  
00:42:34,550 --> 00:42:32,079  
that pattern of information is not

1263  
00:42:36,950 --> 00:42:34,560

disrupted or interrupted

1264

00:42:37,829 --> 00:42:36,960

and then of course moving into oneness

1265

00:42:40,790 --> 00:42:37,839

and unity

1266

00:42:41,990 --> 00:42:40,800

vision basically and being able to see

1267

00:42:44,069 --> 00:42:42,000

how everything really does

1268

00:42:46,069 --> 00:42:44,079

source from one and what its points of

1269

00:42:47,750 --> 00:42:46,079

differentiation are but what its thread

1270

00:42:50,550 --> 00:42:47,760

of similarity is

1271

00:42:52,069 --> 00:42:50,560

and until somebody can really perceive

1272

00:42:55,589 --> 00:42:52,079

all of those different things

1273

00:42:56,150 --> 00:42:55,599

through their mind alone they are going

1274

00:42:58,230 --> 00:42:56,160

to be

1275

00:42:59,990 --> 00:42:58,240

really stuck in the physical dimension

1276

00:43:01,990 --> 00:43:00,000

they're going to end up being

1277

00:43:03,190 --> 00:43:02,000

for lack of a better term always some

1278

00:43:04,950 --> 00:43:03,200

muggle

1279

00:43:06,550 --> 00:43:04,960

you won't be able to manifest things

1280

00:43:08,150 --> 00:43:06,560

very clearly you'll develop thoughts

1281

00:43:09,030 --> 00:43:08,160

that are oftentimes wrong you'll give

1282

00:43:11,349 --> 00:43:09,040

your power to

1283

00:43:13,270 --> 00:43:11,359

belief systems instead of thoughts and

1284

00:43:15,270 --> 00:43:13,280

instead of working things out rationally

1285

00:43:17,190 --> 00:43:15,280

and so on and so forth because

1286

00:43:18,390 --> 00:43:17,200

you just simply don't have the

1287

00:43:20,470 --> 00:43:18,400

discipline or haven't

1288

00:43:22,470 --> 00:43:20,480

cultivated the discipline to be able to

1289

00:43:25,510 --> 00:43:22,480

operate in those higher

1290

00:43:28,309 --> 00:43:25,520

more subtle dimensions and so everybody

1291

00:43:28,710 --> 00:43:28,319

has the capacity to do this it's just

1292

00:43:31,349 --> 00:43:28,720

that

1293

00:43:32,069 --> 00:43:31,359

it takes the volition or the will of the

1294

00:43:33,990 --> 00:43:32,079

individual

1295

00:43:37,589 --> 00:43:34,000

in order to be able to do this and so

1296

00:43:39,670 --> 00:43:37,599

yeah practices like the memory palace

1297

00:43:41,510 --> 00:43:39,680

where you hold a visualization as a

1298

00:43:43,750 --> 00:43:41,520

meditation that you're inside of a

1299

00:43:45,510 --> 00:43:43,760

palace and you take a memory consciously

1300

00:43:47,109 --> 00:43:45,520

with all of the feelings all of the

1301

00:43:49,990 --> 00:43:47,119

thoughts all of the emotions

1302

00:43:51,910 --> 00:43:50,000

and you make it tangible in your

1303

00:43:54,470 --> 00:43:51,920

meditation into something that you can

1304

00:43:56,950 --> 00:43:54,480

go back to and touch so for me i like to

1305

00:43:59,270 --> 00:43:56,960

store mine in little crystal balls

1306

00:44:00,790 --> 00:43:59,280

and i store thousands and thousands and

1307

00:44:02,470 --> 00:44:00,800

thousands you know probably millions at

1308

00:44:03,190 --> 00:44:02,480

this point of little crystal balls

1309

00:44:06,309 --> 00:44:03,200

inside of

1310

00:44:07,829 --> 00:44:06,319

a large castle with many many rooms and

1311

00:44:10,309 --> 00:44:07,839

depending on which floor

1312

00:44:11,190 --> 00:44:10,319

there's only four floors to this castle

1313

00:44:13,990 --> 00:44:11,200

in my

1314

00:44:15,910 --> 00:44:14,000

particular form i store everything in

1315

00:44:17,349 --> 00:44:15,920

sort of a dimensional file folder is

1316

00:44:18,870 --> 00:44:17,359

this a spiritual experience because if

1317

00:44:21,190 --> 00:44:18,880

so it goes on the fourth floor

1318

00:44:22,550 --> 00:44:21,200

if not is it a causal experience then it

1319

00:44:23,190 --> 00:44:22,560

goes on the third floor an astral

1320

00:44:24,550 --> 00:44:23,200

experience

1321

00:44:26,630 --> 00:44:24,560

on the second floor of physical

1322

00:44:29,190 --> 00:44:26,640

experience on the first floor

1323

00:44:30,309 --> 00:44:29,200

and i find a room that meets the

1324

00:44:32,870 --> 00:44:30,319

necessity

1325

00:44:34,150 --> 00:44:32,880

of the type of memory that it is within

1326

00:44:36,069 --> 00:44:34,160

the physical and then

1327

00:44:37,670 --> 00:44:36,079

or within the astral or whatever else

1328

00:44:39,670 --> 00:44:37,680

and then i go in and i create

1329

00:44:41,190 --> 00:44:39,680

a little crystal ball that holds all of

1330

00:44:42,870 --> 00:44:41,200

that information anytime i want to

1331

00:44:44,790 --> 00:44:42,880

recall that information

1332

00:44:46,710 --> 00:44:44,800

i just simply visualize myself going

1333

00:44:47,589 --> 00:44:46,720

into that room picking up the crystal

1334

00:44:49,589 --> 00:44:47,599

and reading it

1335

00:44:51,750 --> 00:44:49,599

psychically but it could easily just be

1336

00:44:54,150 --> 00:44:51,760

a visualization of a book or

1337

00:44:55,030 --> 00:44:54,160

you know anything but once you start

1338

00:44:57,589 --> 00:44:55,040

working on

1339

00:44:58,390 --> 00:44:57,599

those levels of mental buoyancy what

1340

00:45:02,309 --> 00:44:58,400

most people

1341

00:45:04,230 --> 00:45:02,319

perceive as super human powers or

1342

00:45:05,910 --> 00:45:04,240

powers that most humans don't have and

1343

00:45:07,990 --> 00:45:05,920

you're just singularly gifted

1344

00:45:09,670 --> 00:45:08,000

it's actually able to be developed by

1345

00:45:11,270 --> 00:45:09,680

absolutely anybody it just takes

1346

00:45:12,950 --> 00:45:11,280

practice just like anything else you

1347

00:45:15,510 --> 00:45:12,960

can't go into the gym and start

1348

00:45:16,230 --> 00:45:15,520

bench pressing six plates on each side

1349

00:45:18,710 --> 00:45:16,240

but

1350

00:45:19,750 --> 00:45:18,720

even six plates would be very intense

1351

00:45:21,430 --> 00:45:19,760

for a bench press but

1352

00:45:23,589 --> 00:45:21,440

still my point is you can't just go in

1353

00:45:24,390 --> 00:45:23,599

there and start stacking up a ton of

1354

00:45:26,870 --> 00:45:24,400

weight

1355

00:45:28,230 --> 00:45:26,880

you have to start slow and you have to

1356

00:45:29,750 --> 00:45:28,240

start from where you're at

1357

00:45:31,510 --> 00:45:29,760

in order to actually build the lean

1358

00:45:32,069 --> 00:45:31,520

muscle that's going to continue to build

1359

00:45:34,230 --> 00:45:32,079

strength

1360

00:45:35,990 --> 00:45:34,240

and the same is true with our psychic

1361

00:45:38,470 --> 00:45:36,000

faculties or what is sometimes referred

1362

00:45:40,630 --> 00:45:38,480

to as our mental faculties

1363

00:45:42,870 --> 00:45:40,640

well that's a good breakdown and uh you

1364

00:45:43,510 --> 00:45:42,880

make me realize just how lazy i have

1365

00:45:46,230 --> 00:45:43,520

been

1366

00:45:48,470 --> 00:45:46,240

but and this is a this is a hell of a

1367

00:45:51,030 --> 00:45:48,480

segue but on the subject of brains or

1368

00:45:53,750 --> 00:45:51,040

really neural networks you have a recent

1369

00:45:55,829 --> 00:45:53,760

blog titled agricultural concepts and

1370

00:45:57,829 --> 00:45:55,839

tips written for a newbie performing

1371

00:45:58,630 --> 00:45:57,839

no-till agriculture and some of the

1372

00:46:00,069 --> 00:45:58,640

advice

1373

00:46:02,630 --> 00:46:00,079

is things this audience would be

1374

00:46:03,910 --> 00:46:02,640

familiar with like don't follow the mono

1375

00:46:06,390 --> 00:46:03,920

crop method

1376  
00:46:07,270 --> 00:46:06,400  
use composting but i thought this was

1377  
00:46:09,910 --> 00:46:07,280  
interesting

1378  
00:46:12,069 --> 00:46:09,920  
keep your fungal network intact by

1379  
00:46:12,870 --> 00:46:12,079  
disrupting the soil as little as you

1380  
00:46:15,510 --> 00:46:12,880  
need to

1381  
00:46:16,150 --> 00:46:15,520  
this is the neural network of the soil

1382  
00:46:18,630 --> 00:46:16,160  
and if you

1383  
00:46:19,589 --> 00:46:18,640  
establish a strong fungal network then

1384  
00:46:21,990 --> 00:46:19,599  
the fungi

1385  
00:46:22,790 --> 00:46:22,000  
will actually distribute your nutrients

1386  
00:46:24,790 --> 00:46:22,800  
for you

1387  
00:46:26,790 --> 00:46:24,800  
this makes it so you can be growing

1388  
00:46:29,430 --> 00:46:26,800

beans in one part of the garden

1389

00:46:31,829 --> 00:46:29,440

and the nitrogen being fixed in the soil

1390

00:46:32,710 --> 00:46:31,839

can travel over large distances to the

1391

00:46:35,910 --> 00:46:32,720

tomatoes

1392

00:46:37,990 --> 00:46:35,920

grown on the other end of the garden and

1393

00:46:40,230 --> 00:46:38,000

that's a big wow man i have listened to

1394

00:46:40,870 --> 00:46:40,240

guys like paul stamets and terence

1395

00:46:42,630 --> 00:46:40,880

mckenna

1396

00:46:44,550 --> 00:46:42,640

enough to know that there is a real

1397

00:46:47,030 --> 00:46:44,560

intelligence and importance to

1398

00:46:49,829 --> 00:46:47,040

fungi and mushrooms but maybe you can

1399

00:46:53,190 --> 00:46:49,839

elaborate on that importance

1400

00:46:56,230 --> 00:46:53,200

sure yeah so fungi

1401  
00:46:57,270 --> 00:46:56,240  
they form these really awesome mycelial

1402  
00:47:01,109 --> 00:46:57,280  
nets

1403  
00:47:04,309 --> 00:47:01,119  
thousands and

1404  
00:47:05,829 --> 00:47:04,319  
thousands of branches that go all over

1405  
00:47:08,829 --> 00:47:05,839  
underneath the soil

1406  
00:47:10,150 --> 00:47:08,839  
and they send not only electromagnetic

1407  
00:47:12,150 --> 00:47:10,160  
information

1408  
00:47:14,069 --> 00:47:12,160  
so like for instance if there's a tree

1409  
00:47:15,829 --> 00:47:14,079  
that is a little bit drought stricken in

1410  
00:47:17,030 --> 00:47:15,839  
a certain area of the yard just as long

1411  
00:47:18,710 --> 00:47:17,040  
as the

1412  
00:47:20,870 --> 00:47:18,720  
fungi is still intact underneath the

1413  
00:47:23,270 --> 00:47:20,880

soil what ends up happening is that

1414

00:47:24,870 --> 00:47:23,280

the root hormones or the endocrine

1415

00:47:27,510 --> 00:47:24,880

system basically of the tree

1416

00:47:28,950 --> 00:47:27,520

ends up corresponding with the neural

1417

00:47:30,710 --> 00:47:28,960

network of the fungi

1418

00:47:32,309 --> 00:47:30,720

which will then go around to all of the

1419

00:47:33,750 --> 00:47:32,319

rest of the plants that are connected

1420

00:47:34,230 --> 00:47:33,760

and then all of the rest of the plants

1421

00:47:35,990 --> 00:47:34,240

will say

1422

00:47:37,589 --> 00:47:36,000

you know what we all have a little bit

1423

00:47:38,870 --> 00:47:37,599

of moisture that we can offer we've got

1424

00:47:40,950 --> 00:47:38,880

a little bit of excess and then they

1425

00:47:43,990 --> 00:47:40,960

send it back to the tree

1426

00:47:45,670 --> 00:47:44,000

so nutrients and moisture

1427

00:47:47,829 --> 00:47:45,680

and other things can be sent through

1428

00:47:50,549 --> 00:47:47,839

this neural network in addition to

1429

00:47:52,309 --> 00:47:50,559

electromagnetic frequencies that connect

1430

00:47:54,790 --> 00:47:52,319

everything underneath the soil

1431

00:47:55,910 --> 00:47:54,800

and so it's absolutely critical in order

1432

00:47:58,390 --> 00:47:55,920

to

1433

00:47:59,190 --> 00:47:58,400

have healthy ecology or agriculture of

1434

00:48:02,150 --> 00:47:59,200

any sort

1435

00:48:02,870 --> 00:48:02,160

to focus very heavily on developing and

1436

00:48:05,829 --> 00:48:02,880

maintaining

1437

00:48:08,630 --> 00:48:05,839

and creating a heavy structure for that

1438

00:48:11,430 --> 00:48:08,640

fungi so that it can be created

1439

00:48:12,950 --> 00:48:11,440

i like to refer to it as the internet

1440

00:48:15,990 --> 00:48:12,960

basically of the soil

1441

00:48:17,510 --> 00:48:16,000

is that it creates and interfaces and

1442

00:48:21,030 --> 00:48:17,520

allows people to or

1443

00:48:22,790 --> 00:48:21,040

the members of the garden to be able to

1444

00:48:24,790 --> 00:48:22,800

connect with one another in a way that

1445

00:48:26,549 --> 00:48:24,800

is relevant and meaningful

1446

00:48:29,109 --> 00:48:26,559

and you know of course the internet

1447

00:48:31,829 --> 00:48:29,119

itself is just an astral invention

1448

00:48:32,630 --> 00:48:31,839

the concepts of telepathy are just

1449

00:48:35,589 --> 00:48:32,640

equally as

1450

00:48:36,150 --> 00:48:35,599

effective actually and even more so

1451

00:48:38,630 --> 00:48:36,160

because

1452

00:48:39,589 --> 00:48:38,640

you don't have to spend time physically

1453

00:48:41,190 --> 00:48:39,599

programming in

1454

00:48:42,950 --> 00:48:41,200

programs and doing all these things the

1455

00:48:44,230 --> 00:48:42,960

mind is much more buoyant than any sort

1456

00:48:47,910 --> 00:48:44,240

of computer

1457

00:48:48,950 --> 00:48:47,920

but being able to have that kind of

1458

00:48:50,630 --> 00:48:48,960

connection

1459

00:48:52,390 --> 00:48:50,640

is really something that's very

1460

00:48:54,150 --> 00:48:52,400

enriching as we're all seeing you know

1461

00:48:56,549 --> 00:48:54,160

everybody here is connecting through the

1462

00:49:00,150 --> 00:48:56,559

internet right now to these ideas

1463

00:49:01,589 --> 00:49:00,160

and so the mycelium is basically just

1464

00:49:03,190 --> 00:49:01,599

the network of doing that

1465

00:49:05,349 --> 00:49:03,200

and there already is a network above

1466

00:49:07,270 --> 00:49:05,359

ground doing that as well

1467

00:49:09,510 --> 00:49:07,280

that would be known as the breath and

1468

00:49:11,829 --> 00:49:09,520

this is why everything that breathes in

1469

00:49:14,069 --> 00:49:11,839

is really important you know as we

1470

00:49:14,549 --> 00:49:14,079

breathe out the trees and plants breathe

1471

00:49:16,549 --> 00:49:14,559

in so

1472

00:49:18,470 --> 00:49:16,559

we exhale carbon dioxide they breathe in

1473

00:49:20,790 --> 00:49:18,480

that carbon dioxide they breathe out the

1474

00:49:22,710 --> 00:49:20,800

oxygen we breathe in the oxygen

1475

00:49:24,790 --> 00:49:22,720

and same thing with the animals and

1476  
00:49:26,309 --> 00:49:24,800  
everything else everything is connected

1477  
00:49:27,990 --> 00:49:26,319  
realistically through its breath

1478  
00:49:29,990 --> 00:49:28,000  
even the oxygen that is sucked out of

1479  
00:49:33,349 --> 00:49:30,000  
water through the gills of aquatic

1480  
00:49:35,270 --> 00:49:33,359  
life is indelibly intertwined to the air

1481  
00:49:38,150 --> 00:49:35,280  
that is above the surface

1482  
00:49:39,589 --> 00:49:38,160  
as well that you know falls as a result

1483  
00:49:41,349 --> 00:49:39,599  
you know like for instance all of the

1484  
00:49:43,030 --> 00:49:41,359  
oxygen that gets into the ocean is

1485  
00:49:44,950 --> 00:49:43,040  
really from the waves crashing and

1486  
00:49:47,109 --> 00:49:44,960  
capturing tiny amounts

1487  
00:49:49,270 --> 00:49:47,119  
of air inside of these pockets of water

1488  
00:49:50,309 --> 00:49:49,280

as they crash and it begins to oxygenate

1489

00:49:53,109 --> 00:49:50,319

the water

1490

00:49:53,670 --> 00:49:53,119

and through rivers flowing you know you

1491

00:49:55,430 --> 00:49:53,680

see

1492

00:49:57,270 --> 00:49:55,440

water flowing over a rock or down a

1493

00:49:59,510 --> 00:49:57,280

waterfall and at the end of that there's

1494

00:50:00,790 --> 00:49:59,520

a tremendous amount of oxygen that is

1495

00:50:03,750 --> 00:50:00,800

giving life

1496

00:50:04,870 --> 00:50:03,760

to the rest of the water and so you know

1497

00:50:07,190 --> 00:50:04,880

these networks are

1498

00:50:07,990 --> 00:50:07,200

completely in place it's just that we

1499

00:50:09,910 --> 00:50:08,000

need to

1500

00:50:11,349 --> 00:50:09,920

tap into them and focus on tapping into

1501  
00:50:13,270 --> 00:50:11,359  
them that's why

1502  
00:50:14,630 --> 00:50:13,280  
you know like my own path of celtic

1503  
00:50:17,750 --> 00:50:14,640  
inspired druidry

1504  
00:50:19,510 --> 00:50:17,760  
calls so heavily to me because

1505  
00:50:21,430 --> 00:50:19,520  
it's all about focusing on these

1506  
00:50:24,549 --> 00:50:21,440  
inherent connections

1507  
00:50:25,990 --> 00:50:24,559  
that nature already has provided and

1508  
00:50:28,150 --> 00:50:26,000  
learning how to with our

1509  
00:50:29,750 --> 00:50:28,160  
intelligence interface with those

1510  
00:50:31,190 --> 00:50:29,760  
connections so that we can understand

1511  
00:50:33,750 --> 00:50:31,200  
perceive and work with

1512  
00:50:35,510 --> 00:50:33,760  
the rest of nature and not be an alien

1513  
00:50:38,069 --> 00:50:35,520

to it

1514

00:50:38,710 --> 00:50:38,079

yes well said and i find these systems

1515

00:50:41,270 --> 00:50:38,720

to be

1516

00:50:43,109 --> 00:50:41,280

so interesting probably because they are

1517

00:50:45,670 --> 00:50:43,119

so alien and foreign

1518

00:50:47,510 --> 00:50:45,680

and you mentioned your intrinsic data

1519

00:50:49,829 --> 00:50:47,520

field work and i wanted to bring this up

1520

00:50:51,270 --> 00:50:49,839

because on the last episode we did i saw

1521

00:50:53,190 --> 00:50:51,280

a comment thread where

1522

00:50:55,270 --> 00:50:53,200

a guy named tom was asking you more

1523

00:50:57,430 --> 00:50:55,280

about the intrinsic data field work

1524

00:50:59,030 --> 00:50:57,440

and you had a reply that sort of relates

1525

00:50:59,589 --> 00:50:59,040

to the stuff we're talking about saying

1526  
00:51:01,990 --> 00:50:59,599  
that

1527  
00:51:04,230 --> 00:51:02,000  
the german government used it for years

1528  
00:51:06,069 --> 00:51:04,240  
in their forestry department before the

1529  
00:51:06,710 --> 00:51:06,079  
current administration defunded the

1530  
00:51:08,630 --> 00:51:06,720  
program

1531  
00:51:10,870 --> 00:51:08,640  
they were able to analyze and send

1532  
00:51:11,670 --> 00:51:10,880  
frequency remedies to the forest to

1533  
00:51:14,790 --> 00:51:11,680  
prevent

1534  
00:51:16,710 --> 00:51:14,800  
a borel diseases and to learn about

1535  
00:51:19,190 --> 00:51:16,720  
high-risk areas in the forest without

1536  
00:51:20,230 --> 00:51:19,200  
needing to send physical units on site

1537  
00:51:22,630 --> 00:51:20,240  
for inspection

1538  
00:51:23,990 --> 00:51:22,640

it saved tons of time and money but the

1539

00:51:26,950 --> 00:51:24,000

new administration was

1540

00:51:28,870 --> 00:51:26,960

all about producing more jobs and so

1541

00:51:29,270 --> 00:51:28,880

they defunded the program allowing them

1542

00:51:32,069 --> 00:51:29,280

to

1543

00:51:33,190 --> 00:51:32,079

contract liberty link pesticides in a

1544

00:51:35,109 --> 00:51:33,200

government contract

1545

00:51:37,030 --> 00:51:35,119

which gives them a ton of money and back

1546

00:51:39,270 --> 00:51:37,040

end investment opportunities

1547

00:51:40,150 --> 00:51:39,280

very corrupt abuse of government money

1548

00:51:42,549 --> 00:51:40,160

for the profit

1549

00:51:43,430 --> 00:51:42,559

of both agricultural corporations and

1550

00:51:45,750 --> 00:51:43,440

governmental

1551  
00:51:47,270 --> 00:51:45,760  
officials private investments so yeah

1552  
00:51:48,950 --> 00:51:47,280  
the the pesticide stuff

1553  
00:51:51,109 --> 00:51:48,960  
we see those kind of deals getting made

1554  
00:51:52,710 --> 00:51:51,119  
all the time and it really sucks but

1555  
00:51:54,710 --> 00:51:52,720  
i guess the important point to me is

1556  
00:51:55,430 --> 00:51:54,720  
that this is stuff that has been used

1557  
00:51:57,670 --> 00:51:55,440  
before

1558  
00:51:59,670 --> 00:51:57,680  
they can't claim ignorance because we

1559  
00:52:01,109 --> 00:51:59,680  
have examples like you mentioned here

1560  
00:52:05,349 --> 00:52:01,119  
the german government

1561  
00:52:08,230 --> 00:52:05,359  
used this sort of esoteric technology

1562  
00:52:09,109 --> 00:52:08,240  
to uh shepherd the land i i think that's

1563  
00:52:12,549 --> 00:52:09,119

really

1564

00:52:14,710 --> 00:52:12,559

interesting yeah it sounds like you're

1565

00:52:17,670 --> 00:52:14,720

talking about cordisi tom

1566

00:52:18,870 --> 00:52:17,680

that was a really awesome thing because

1567

00:52:21,430 --> 00:52:18,880

you know so many people

1568

00:52:23,910 --> 00:52:21,440

think when they hear about this idf

1569

00:52:26,230 --> 00:52:23,920

technology that it's you know like

1570

00:52:27,910 --> 00:52:26,240

oftentimes people say like who are you

1571

00:52:29,430 --> 00:52:27,920

talking to who are you channeling with

1572

00:52:31,270 --> 00:52:29,440

that instrument it's like no it doesn't

1573

00:52:33,510 --> 00:52:31,280

work like that actually

1574

00:52:35,510 --> 00:52:33,520

you can do the exact same thing through

1575

00:52:37,190 --> 00:52:35,520

kinesiological interface but what you're

1576  
00:52:39,109 --> 00:52:37,200  
doing is you're tapping into the quantum

1577  
00:52:42,470 --> 00:52:39,119  
which is the spiritual unity

1578  
00:52:44,309 --> 00:52:42,480  
field this quantum field

1579  
00:52:46,230 --> 00:52:44,319  
or what we would refer to as intrinsic

1580  
00:52:47,270 --> 00:52:46,240  
data field or what rupert sheldrake

1581  
00:52:51,109 --> 00:52:47,280  
would refer to

1582  
00:52:53,190 --> 00:52:51,119  
as morphogenetic field or morphic fields

1583  
00:52:54,870 --> 00:52:53,200  
is all really the exact same thing that

1584  
00:52:57,109 --> 00:52:54,880  
people have been using for centuries

1585  
00:52:58,069 --> 00:52:57,119  
when people communicate using telepathy

1586  
00:53:00,230 --> 00:52:58,079  
they're not using

1587  
00:53:01,190 --> 00:53:00,240  
a spiritual messenger to go and deliver

1588  
00:53:03,030 --> 00:53:01,200

the message

1589

00:53:05,349 --> 00:53:03,040

they're connecting through the ethers

1590

00:53:06,790 --> 00:53:05,359

basically through the energy network

1591

00:53:08,630 --> 00:53:06,800

that already exists

1592

00:53:11,270 --> 00:53:08,640

and they're just simply tuning in to the

1593

00:53:14,549 --> 00:53:11,280

same frequency from their crown chakra

1594

00:53:16,630 --> 00:53:14,559

so really the techniques for this are

1595

00:53:19,109 --> 00:53:16,640

not that difficult to develop

1596

00:53:22,150 --> 00:53:19,119

and you know the reason that i am

1597

00:53:25,349 --> 00:53:22,160

choosing to use an intrinsic data field

1598

00:53:27,750 --> 00:53:25,359

analyzer like the se5 2000 these days

1599

00:53:29,670 --> 00:53:27,760

is because i need to be able to show

1600

00:53:30,870 --> 00:53:29,680

instrumentation and train people in

1601  
00:53:33,190 --> 00:53:30,880  
instrumentation

1602  
00:53:34,230 --> 00:53:33,200  
so that in the physical we can actually

1603  
00:53:36,150 --> 00:53:34,240  
begin to progress

1604  
00:53:37,910 --> 00:53:36,160  
forwards with the way that we analyze

1605  
00:53:40,549 --> 00:53:37,920  
and harness data and it's a great

1606  
00:53:42,710 --> 00:53:40,559  
stepping stone and a great tool for that

1607  
00:53:44,390 --> 00:53:42,720  
but you can do this with dowsing rods

1608  
00:53:44,950 --> 00:53:44,400  
you can do this with a pendulum you can

1609  
00:53:46,710 --> 00:53:44,960  
do this

1610  
00:53:47,990 --> 00:53:46,720  
with uh god what the hell are the name

1611  
00:53:50,150 --> 00:53:48,000  
of those machines that

1612  
00:53:51,510 --> 00:53:50,160  
you squeeze it and it tells you how many

1613  
00:53:53,510 --> 00:53:51,520

pounds of pressure you have

1614

00:53:55,190 --> 00:53:53,520

inside of your grip strength you could

1615

00:53:57,589 --> 00:53:55,200

do that with tons of different types of

1616

00:53:59,589 --> 00:53:57,599

things and perform kinesiology

1617

00:54:01,349 --> 00:53:59,599

anybody who wants to learn more about

1618

00:54:04,790 --> 00:54:01,359

this should start off with the books

1619

00:54:06,790 --> 00:54:04,800

of dr david hawkins who created a book

1620

00:54:08,309 --> 00:54:06,800

called power versus force and he has a

1621

00:54:09,510 --> 00:54:08,319

number of different ones power versus

1622

00:54:12,150 --> 00:54:09,520

force he has

1623

00:54:13,430 --> 00:54:12,160

the eye the eye of the eye like so many

1624

00:54:15,910 --> 00:54:13,440

different books

1625

00:54:17,109 --> 00:54:15,920

dr wayne dyer actually brought this work

1626  
00:54:19,589 --> 00:54:17,119  
into the public eye by

1627  
00:54:21,510 --> 00:54:19,599  
discussing his foundational work in a

1628  
00:54:24,390 --> 00:54:21,520  
lot of his own

1629  
00:54:25,990 --> 00:54:24,400  
works and when he got popularized

1630  
00:54:28,309 --> 00:54:26,000  
sometime in the 90s or something that's

1631  
00:54:30,150 --> 00:54:28,319  
how that information kind of came out

1632  
00:54:32,309 --> 00:54:30,160  
and that's actually even how i became

1633  
00:54:35,430 --> 00:54:32,319  
aware of dr david hawkins work

1634  
00:54:38,230 --> 00:54:35,440  
but kinesiology is a very reliable tool

1635  
00:54:40,069 --> 00:54:38,240  
that many chiropractors and alternative

1636  
00:54:41,670 --> 00:54:40,079  
wellness care practitioners or even

1637  
00:54:43,670 --> 00:54:41,680  
health care practitioners

1638  
00:54:45,829 --> 00:54:43,680

are able to be able to use in order to

1639

00:54:46,870 --> 00:54:45,839

diagnose diseases and so many other

1640

00:54:49,990 --> 00:54:46,880

things and

1641

00:54:51,750 --> 00:54:50,000

find methods of treatment in fact you

1642

00:54:53,829 --> 00:54:51,760

know the very same technology that we're

1643

00:54:57,270 --> 00:54:53,839

using right now as a stick pad

1644

00:54:58,150 --> 00:54:57,280

with most radionics materials radionics

1645

00:55:00,950 --> 00:54:58,160

is another term

1646

00:55:01,349 --> 00:55:00,960

for the instrumentation that's necessary

1647

00:55:03,589 --> 00:55:01,359

to

1648

00:55:04,549 --> 00:55:03,599

interact with the intrinsic data field

1649

00:55:06,710 --> 00:55:04,559

the stick pad

1650

00:55:07,910 --> 00:55:06,720

actually goes back to african shamans

1651  
00:55:11,109 --> 00:55:07,920  
where they would

1652  
00:55:12,789 --> 00:55:11,119  
grab a block and polish it down and sand

1653  
00:55:14,390 --> 00:55:12,799  
it really finely to the point where they

1654  
00:55:16,230 --> 00:55:14,400  
could rub their fingers on it with

1655  
00:55:17,829 --> 00:55:16,240  
virtually no friction if they ask no

1656  
00:55:19,190 --> 00:55:17,839  
questions you could rub your fingers on

1657  
00:55:21,109 --> 00:55:19,200  
it in perpetuity

1658  
00:55:23,750 --> 00:55:21,119  
if you ask a question and the answer is

1659  
00:55:25,670 --> 00:55:23,760  
yes your fingers will stick

1660  
00:55:27,670 --> 00:55:25,680  
and if you ask a question the answer is

1661  
00:55:29,430 --> 00:55:27,680  
no then your fingers will continue to

1662  
00:55:32,309 --> 00:55:29,440  
rub in perpetuity because again

1663  
00:55:33,750 --> 00:55:32,319

0 is an infinity and that means no 1

1664

00:55:35,349 --> 00:55:33,760

ends the circuit

1665

00:55:37,430 --> 00:55:35,359

and that means yes because it's a

1666

00:55:40,069 --> 00:55:37,440

segment has a beginning and an end

1667

00:55:41,990 --> 00:55:40,079

and so you're basically tapping into the

1668

00:55:43,910 --> 00:55:42,000

causal plane to be able to find out

1669

00:55:45,750 --> 00:55:43,920

answers of yes or no and these african

1670

00:55:47,430 --> 00:55:45,760

bushmen shamans would

1671

00:55:49,270 --> 00:55:47,440

take a sick patient for instance and

1672

00:55:51,430 --> 00:55:49,280

stick an herb next to them

1673

00:55:53,030 --> 00:55:51,440

and rub the block and if their finger

1674

00:55:54,789 --> 00:55:53,040

doesn't stick with that herb then they

1675

00:55:55,910 --> 00:55:54,799

would trade out another herb and another

1676

00:55:58,230 --> 00:55:55,920

herb and another herb

1677

00:55:59,430 --> 00:55:58,240

until it's stuck and then that herb

1678

00:56:00,870 --> 00:55:59,440

would be the thing that they would

1679

00:56:01,829 --> 00:56:00,880

ultimately administer to the sick

1680

00:56:05,030 --> 00:56:01,839

individual

1681

00:56:05,670 --> 00:56:05,040

in order to cure the disease and so our

1682

00:56:08,710 --> 00:56:05,680

bodies

1683

00:56:12,390 --> 00:56:08,720

innately are already connecting in

1684

00:56:15,349 --> 00:56:12,400

on a muscular and beyond muscular level

1685

00:56:17,109 --> 00:56:15,359

to what is already inherently true it's

1686

00:56:18,309 --> 00:56:17,119

our minds and our ego that are usually

1687

00:56:20,309 --> 00:56:18,319

getting in the way

1688

00:56:21,829 --> 00:56:20,319

and with intrinsic data filled

1689

00:56:23,430 --> 00:56:21,839

technology

1690

00:56:25,589 --> 00:56:23,440

we're basically using that same thing

1691

00:56:27,910 --> 00:56:25,599

the only difference is that we have

1692

00:56:29,030 --> 00:56:27,920

numerical dials to be able to create

1693

00:56:32,150 --> 00:56:29,040

some sort of

1694

00:56:34,230 --> 00:56:32,160

amplitude calibration to understand more

1695

00:56:35,829 --> 00:56:34,240

about the information than just yes or

1696

00:56:39,190 --> 00:56:35,839

no and

1697

00:56:41,109 --> 00:56:39,200

in the future it's my hope that

1698

00:56:43,589 --> 00:56:41,119

the technology begins to be advanced so

1699

00:56:46,069 --> 00:56:43,599

that we can move into

1700

00:56:47,750 --> 00:56:46,079

more complex types of forming so just

1701  
00:56:49,910 --> 00:56:47,760  
like everything that you see on your

1702  
00:56:52,950 --> 00:56:49,920  
computer right now is actually

1703  
00:56:54,630 --> 00:56:52,960  
at its source zeros and ones so

1704  
00:56:56,230 --> 00:56:54,640  
basically you look at the form of the

1705  
00:56:58,470 --> 00:56:56,240  
program that you're looking at right now

1706  
00:56:59,829 --> 00:56:58,480  
behind that it's short code behind that

1707  
00:57:01,270 --> 00:56:59,839  
it's binary

1708  
00:57:03,270 --> 00:57:01,280  
the very same thing is true with our

1709  
00:57:04,630 --> 00:57:03,280  
physical reality the physical reality is

1710  
00:57:06,309 --> 00:57:04,640  
like the program that you see and

1711  
00:57:08,309 --> 00:57:06,319  
interact with but behind that

1712  
00:57:09,829 --> 00:57:08,319  
is short code which is the astral or

1713  
00:57:11,750 --> 00:57:09,839

platonic functions

1714

00:57:13,670 --> 00:57:11,760

and behind that is really the principle

1715

00:57:16,950 --> 00:57:13,680

of the celestial salt and niter

1716

00:57:19,190 --> 00:57:16,960

of the causal plane and if we can

1717

00:57:20,789 --> 00:57:19,200

begin to interact like that then i think

1718

00:57:24,230 --> 00:57:20,799

a lot of people

1719

00:57:26,470 --> 00:57:24,240

will begin to see that we can evolve

1720

00:57:27,510 --> 00:57:26,480

much greater and much more naturally

1721

00:57:29,510 --> 00:57:27,520

than

1722

00:57:30,950 --> 00:57:29,520

what was ever conceived before and for

1723

00:57:32,789 --> 00:57:30,960

my part that's really

1724

00:57:35,030 --> 00:57:32,799

the message that i want to drive home to

1725

00:57:37,990 --> 00:57:35,040

individuals is you are not limited

1726  
00:57:38,950 --> 00:57:38,000  
in your evolution to the technologies

1727  
00:57:40,870 --> 00:57:38,960  
that are created

1728  
00:57:42,710 --> 00:57:40,880  
actually you are only limited by your

1729  
00:57:44,230 --> 00:57:42,720  
own thought and your own discipline

1730  
00:57:46,230 --> 00:57:44,240  
the more discipline and the more

1731  
00:57:49,270 --> 00:57:46,240  
buoyancy of thought that you develop

1732  
00:57:51,190 --> 00:57:49,280  
the faster and the more myriad types of

1733  
00:57:52,950 --> 00:57:51,200  
evolution you become capable of as an

1734  
00:57:56,150 --> 00:57:52,960  
individual

1735  
00:57:57,990 --> 00:57:56,160  
i love it just need to learn the astral

1736  
00:58:01,030 --> 00:57:58,000  
language and the information

1737  
00:58:02,789 --> 00:58:01,040  
is right there and something i thought

1738  
00:58:05,670 --> 00:58:02,799

would just be great to close this out

1739

00:58:06,789 --> 00:58:05,680

is this quote of yours that seems pretty

1740

00:58:08,789 --> 00:58:06,799

useful to mention

1741

00:58:10,470 --> 00:58:08,799

that if we're thinking big picture about

1742

00:58:11,030 --> 00:58:10,480

all the stuff that you talk about you've

1743

00:58:12,950 --> 00:58:11,040

said

1744

00:58:15,349 --> 00:58:12,960

the problem with the world is not that

1745

00:58:16,870 --> 00:58:15,359

we have bad people in charge but we have

1746

00:58:19,430 --> 00:58:16,880

too many good people

1747

00:58:21,349 --> 00:58:19,440

not doing the work and i agree with that

1748

00:58:21,990 --> 00:58:21,359

i think conspiracy minded people can

1749

00:58:24,470 --> 00:58:22,000

sometimes

1750

00:58:25,750 --> 00:58:24,480

get caught in a victim mentality i can't

1751

00:58:26,710 --> 00:58:25,760

get ahead because the goddamn

1752

00:58:28,470 --> 00:58:26,720

rockefellers

1753

00:58:30,230 --> 00:58:28,480

or just a defeatist attitude this

1754

00:58:31,270 --> 00:58:30,240

machine is so big you know what the hell

1755

00:58:33,190 --> 00:58:31,280

am i gonna do

1756

00:58:35,190 --> 00:58:33,200

and i try to be clear that we can

1757

00:58:36,150 --> 00:58:35,200

explore all sorts of things but if we

1758

00:58:38,150 --> 00:58:36,160

end up having

1759

00:58:39,670 --> 00:58:38,160

a more accurate understanding of the

1760

00:58:41,829 --> 00:58:39,680

world through our guests

1761

00:58:43,670 --> 00:58:41,839

rather than by absorbing what the

1762

00:58:46,230 --> 00:58:43,680

mainstream culture is fed

1763

00:58:47,589 --> 00:58:46,240

we should be better prepared for success

1764

00:58:49,829 --> 00:58:47,599

not worse off

1765

00:58:51,670 --> 00:58:49,839

and you know that be the core of the thc

1766

00:58:54,150 --> 00:58:51,680

agricore if you were to ask me

1767

00:58:55,670 --> 00:58:54,160

but it's hard enough to put ourselves in

1768

00:58:58,390 --> 00:58:55,680

a successful position

1769

00:59:00,309 --> 00:58:58,400

in this system now how do we increase

1770

00:59:02,470 --> 00:59:00,319

our numbers how do we broach this

1771

00:59:04,870 --> 00:59:02,480

with conventional friends and family who

1772

00:59:06,470 --> 00:59:04,880

are those good people that aren't doing

1773

00:59:09,190 --> 00:59:06,480

the work

1774

00:59:09,990 --> 00:59:09,200

well they have to see that you have done

1775

00:59:11,910 --> 00:59:10,000

the work

1776

00:59:14,309 --> 00:59:11,920

and see what benefits you're getting as

1777

00:59:17,349 --> 00:59:14,319

a result you have to actually stand

1778

00:59:19,030 --> 00:59:17,359

as an example of what can happen when

1779

00:59:20,549 --> 00:59:19,040

you focus on yourself so

1780

00:59:21,829 --> 00:59:20,559

if you're listening to all these things

1781

00:59:23,190 --> 00:59:21,839

day in and day out and you're still

1782

00:59:25,829 --> 00:59:23,200

living in an apartment

1783

00:59:27,430 --> 00:59:25,839

or you know not having the land that you

1784

00:59:28,789 --> 00:59:27,440

talk about or the freedom that you're

1785

00:59:30,069 --> 00:59:28,799

talking about that other people are

1786

00:59:32,630 --> 00:59:30,079

holding over your head

1787

00:59:33,910 --> 00:59:32,640

and blah blah blah then what can they

1788

00:59:36,950 --> 00:59:33,920

draw away from your

1789

00:59:38,630 --> 00:59:36,960

hollow words nothing except for fear

1790

00:59:40,950 --> 00:59:38,640

that's not going to help them in any way

1791

00:59:42,630 --> 00:59:40,960

shape or form you have to not only be

1792

00:59:44,390 --> 00:59:42,640

able to transcend the fear but you have

1793

00:59:47,510 --> 00:59:44,400

to become an example of doing

1794

00:59:51,349 --> 00:59:47,520

things outside of the scope of the way

1795

00:59:54,549 --> 00:59:51,359

that things are running so realistically

1796

00:59:56,230 --> 00:59:54,559

the conspiracy network is very very

1797

00:59:58,390 --> 00:59:56,240

important to know what you're

1798

00:59:59,910 --> 00:59:58,400

up against or what you could be up

1799

01:00:01,030 --> 00:59:59,920

against because not all of it is

1800

01:00:02,789 --> 01:00:01,040

probably truth

1801

01:00:05,030 --> 01:00:02,799

right there are some things that it's

1802

01:00:06,950 --> 01:00:05,040

like there's half truths and whole lies

1803

01:00:09,510 --> 01:00:06,960

hidden in lots of things

1804

01:00:11,030 --> 01:00:09,520

so you have to begin to not only

1805

01:00:11,589 --> 01:00:11,040

differentiate what is true and what

1806

01:00:13,910 --> 01:00:11,599

isn't and

1807

01:00:16,309 --> 01:00:13,920

actually put it to scrutiny not by just

1808

01:00:18,470 --> 01:00:16,319

many hours of research online

1809

01:00:20,470 --> 01:00:18,480

but by living it and exploring those

1810

01:00:22,470 --> 01:00:20,480

psychic dimensions that correspond to

1811

01:00:24,390 --> 01:00:22,480

those things to determine what validity

1812

01:00:25,829 --> 01:00:24,400

there is either subjectively or

1813

01:00:27,910 --> 01:00:25,839

objectively

1814

01:00:29,750 --> 01:00:27,920

and then you have to choose to do

1815

01:00:31,430 --> 01:00:29,760

something different about it

1816

01:00:33,510 --> 01:00:31,440

and so what is it that you're doing are

1817

01:00:34,950 --> 01:00:33,520

you filling out you know notices of

1818

01:00:37,910 --> 01:00:34,960

liability

1819

01:00:39,910 --> 01:00:37,920

are you taking back your straw manpower

1820

01:00:40,950 --> 01:00:39,920

are you starting lawsuits against those

1821

01:00:42,950 --> 01:00:40,960

businesses

1822

01:00:44,789 --> 01:00:42,960

and how are you actually doing that are

1823

01:00:45,430 --> 01:00:44,799

you doing this is through crowdfunding

1824

01:00:47,589 --> 01:00:45,440

are you doing

1825

01:00:49,190 --> 01:00:47,599

you have to make action you have to be

1826

01:00:51,670 --> 01:00:49,200

an example

1827

01:00:52,710 --> 01:00:51,680

if you expect anybody else to ever

1828

01:00:56,069 --> 01:00:52,720

listen to you

1829

01:00:58,309 --> 01:00:56,079

one bit and if you're not doing and

1830

01:00:59,589 --> 01:00:58,319

saying the same things if those two

1831

01:01:01,670 --> 01:00:59,599

things aren't congruent

1832

01:01:03,910 --> 01:01:01,680

then what other people say about you

1833

01:01:04,870 --> 01:01:03,920

will also be incongruent with what your

1834

01:01:06,630 --> 01:01:04,880

intention is

1835

01:01:08,150 --> 01:01:06,640

and so it's very very very important

1836

01:01:09,670 --> 01:01:08,160

that people get on the same page with

1837

01:01:10,390 --> 01:01:09,680

themselves and start walking their own

1838

01:01:13,270 --> 01:01:10,400

talk

1839

01:01:15,030 --> 01:01:13,280

and i think for the large portion of the

1840

01:01:16,630 --> 01:01:15,040

population that comes down to

1841

01:01:18,150 --> 01:01:16,640

if you want to have a happier healthier

1842

01:01:18,950 --> 01:01:18,160

world you need to process your own

1843

01:01:23,349 --> 01:01:18,960

traumas

1844

01:01:25,430 --> 01:01:23,359

have to get clear from those

1845

01:01:26,789 --> 01:01:25,440

traumatic experiences that are otherwise

1846

01:01:29,030 --> 01:01:26,799

dictating your ego

1847

01:01:30,069 --> 01:01:29,040

and influencing all of your creations

1848

01:01:32,789 --> 01:01:30,079

and leading you

1849

01:01:34,549 --> 01:01:32,799

to have belief systems and stories about

1850

01:01:35,349 --> 01:01:34,559

yourself and what you can do or what you

1851  
01:01:37,430 --> 01:01:35,359  
can't do

1852  
01:01:39,030 --> 01:01:37,440  
when you begin to overcome that other

1853  
01:01:40,950 --> 01:01:39,040  
people will inherently

1854  
01:01:42,470 --> 01:01:40,960  
not because you're trying to not because

1855  
01:01:44,870 --> 01:01:42,480  
you're trying to persuade them

1856  
01:01:46,950 --> 01:01:44,880  
they'll inherently look at you and say

1857  
01:01:48,789 --> 01:01:46,960  
you know whatever he or she did

1858  
01:01:50,309 --> 01:01:48,799  
that i'm looking at right now it's made

1859  
01:01:51,910 --> 01:01:50,319  
a huge difference because they're hardly

1860  
01:01:52,870 --> 01:01:51,920  
noticeable as the person that i saw

1861  
01:01:55,430 --> 01:01:52,880  
before

1862  
01:01:55,990 --> 01:01:55,440  
i want a piece of that myself and

1863  
01:01:58,150 --> 01:01:56,000

instead of

1864

01:01:59,670 --> 01:01:58,160

giving unsolicited advice about the

1865

01:02:02,150 --> 01:01:59,680

conspiracies that you're learning about

1866

01:02:04,390 --> 01:02:02,160

you can now give direct experience

1867

01:02:06,150 --> 01:02:04,400

about what you yourself have overcome

1868

01:02:07,829 --> 01:02:06,160

and people will be attracted to you and

1869

01:02:09,430 --> 01:02:07,839

drink from the nectar of what it is that

1870

01:02:12,309 --> 01:02:09,440

you've already accomplished

1871

01:02:14,309 --> 01:02:12,319

and in that way they might achieve a

1872

01:02:16,390 --> 01:02:14,319

similar reaction when enough of us

1873

01:02:18,710 --> 01:02:16,400

do this that's how we earn our own

1874

01:02:20,230 --> 01:02:18,720

freedom the more power that you give to

1875

01:02:22,870 --> 01:02:20,240

any idea or

1876

01:02:24,710 --> 01:02:22,880

thought or belief system that you

1877

01:02:26,950 --> 01:02:24,720

yourself are not embodying

1878

01:02:29,589 --> 01:02:26,960

it is only hollow and it only

1879

01:02:31,829 --> 01:02:29,599

exacerbates and aggrandizes the ego

1880

01:02:32,630 --> 01:02:31,839

and that's not going to help anybody get

1881

01:02:36,150 --> 01:02:32,640

anywhere

1882

01:02:39,190 --> 01:02:36,160

at all man

1883

01:02:42,950 --> 01:02:39,200

cheers to that this has been just

1884

01:02:46,230 --> 01:02:42,960

a lot of fun and really information rich

1885

01:02:48,230 --> 01:02:46,240

just like last time before i let you go

1886

01:02:50,630 --> 01:02:48,240

definitely tell the people what they'll

1887

01:02:52,950 --> 01:02:50,640

find at phoenix aurelius.org or any

1888

01:02:55,029 --> 01:02:52,960

upcoming events or work that they should

1889

01:02:56,870 --> 01:02:55,039

be tapping into

1890

01:02:58,470 --> 01:02:56,880

awesome thank you man yeah so anybody

1891

01:03:00,069 --> 01:02:58,480

who's interested in

1892

01:03:01,990 --> 01:03:00,079

supporting my work and supporting my

1893

01:03:03,870 --> 01:03:02,000

research in the research academy

1894

01:03:05,510 --> 01:03:03,880

i always invite you to go to phoenix

1895

01:03:08,630 --> 01:03:05,520

aurelius.org

1896

01:03:10,789 --> 01:03:08,640

and you can actually take 30

1897

01:03:11,670 --> 01:03:10,799

off of anything in the apothecary by

1898

01:03:15,190 --> 01:03:11,680

entering in

1899

01:03:17,910 --> 01:03:15,200

higher side all one word into the

1900

01:03:18,230 --> 01:03:17,920

coupon code section of the website and

1901

01:03:20,950 --> 01:03:18,240

the

1902

01:03:22,309 --> 01:03:20,960

shopping cart that will take 30 off of

1903

01:03:24,230 --> 01:03:22,319

anything that's in

1904

01:03:26,309 --> 01:03:24,240

our spagyric apothecary because that's

1905

01:03:28,069 --> 01:03:26,319

kind of the bread and butter of how

1906

01:03:30,710 --> 01:03:28,079

i'm able to make products that

1907

01:03:33,430 --> 01:03:30,720

reciprocally give you something back

1908

01:03:36,230 --> 01:03:33,440

and continue to fund my work because you

1909

01:03:39,109 --> 01:03:36,240

don't get paid for hours of reading

1910

01:03:41,109 --> 01:03:39,119

you know spending 15 years reading and

1911

01:03:41,430 --> 01:03:41,119

performing lab work nobody pays you for

1912

01:03:43,029 --> 01:03:41,440

that

1913

01:03:44,789 --> 01:03:43,039

it's actually very draining on the

1914

01:03:46,470 --> 01:03:44,799

pocketbook so that's the number one way

1915

01:03:48,950 --> 01:03:46,480

that people can support us

1916

01:03:49,589 --> 01:03:48,960

i also have teachable courses and i

1917

01:03:52,549 --> 01:03:49,599

teach

1918

01:03:53,349 --> 01:03:52,559

live courses so coming up on october

1919

01:03:56,390 --> 01:03:53,359

17th

1920

01:03:58,789 --> 01:03:56,400

i have a class teaching people expert

1921

01:04:00,789 --> 01:03:58,799

fermentation skills for the home and lab

1922

01:04:02,950 --> 01:04:00,799

so i try and direct these breakout

1923

01:04:05,349 --> 01:04:02,960

groups session study

1924

01:04:07,190 --> 01:04:05,359

courses so that people who aren't

1925

01:04:09,029 --> 01:04:07,200

interested in alchemy are also

1926

01:04:09,510 --> 01:04:09,039

interested in the breakout session so

1927

01:04:11,829 --> 01:04:09,520

that

1928

01:04:13,190 --> 01:04:11,839

everybody can learn a little piece of

1929

01:04:14,710 --> 01:04:13,200

alchemical work

1930

01:04:16,230 --> 01:04:14,720

even if they're not going to be a lab

1931

01:04:17,750 --> 01:04:16,240

alchemist and so we'll be

1932

01:04:19,190 --> 01:04:17,760

fermenting all sorts of different types

1933

01:04:21,109 --> 01:04:19,200

of things i'll be teaching people how to

1934

01:04:24,150 --> 01:04:21,119

make wine and mead

1935

01:04:25,510 --> 01:04:24,160

and beers and ancient ales all of you

1936

01:04:28,870 --> 01:04:25,520

who are interested in my

1937

01:04:32,150 --> 01:04:28,880

pictish scottish heather ale recipe

1938

01:04:33,670 --> 01:04:32,160

i'll be teaching that and we'll also be

1939

01:04:35,430 --> 01:04:33,680

discussing a lot of other things how to

1940

01:04:36,390 --> 01:04:35,440

ferment just about anything that you can

1941

01:04:39,510 --> 01:04:36,400

think of whether

1942

01:04:42,150 --> 01:04:39,520

it's water or pickles or

1943

01:04:44,470 --> 01:04:42,160

fermented veggies or wine or foods or

1944

01:04:46,230 --> 01:04:44,480

making ferments even for the garden so

1945

01:04:47,829 --> 01:04:46,240

i'll be teaching you tons and tons and

1946

01:04:48,950 --> 01:04:47,839

tons of different skills then that's

1947

01:04:51,029 --> 01:04:48,960

october 17th

1948

01:04:52,309 --> 01:04:51,039

we still have plenty of room on that one

1949

01:04:55,750 --> 01:04:52,319

and then november

1950

01:04:56,549 --> 01:04:55,760

14th i have one on the waterworks and so

1951

01:04:58,230 --> 01:04:56,559

these are

1952

01:04:59,990 --> 01:04:58,240

courses where you can actually come for

1953

01:05:01,910 --> 01:05:00,000

an entire day they usually run from

1954

01:05:04,549 --> 01:05:01,920

about 10 a.m to 4 p.m

1955

01:05:06,230 --> 01:05:04,559

or local time and you can come in and

1956

01:05:09,510 --> 01:05:06,240

work in the lab and study

1957

01:05:12,470 --> 01:05:09,520

and then we also usually have dr jin yan

1958

01:05:13,589 --> 01:05:12,480

who is our tcm practitioner here in the

1959

01:05:16,150 --> 01:05:13,599

days either before

1960

01:05:17,910 --> 01:05:16,160

or after sometimes both so if you're

1961

01:05:19,589 --> 01:05:17,920

interested in getting gua sha or

1962

01:05:20,230 --> 01:05:19,599

acupuncture other things like that you

1963

01:05:22,309 --> 01:05:20,240

can do that

1964

01:05:24,230 --> 01:05:22,319

around those times as well so that you

1965

01:05:25,349 --> 01:05:24,240

know you have a reason come in for the

1966

01:05:27,349 --> 01:05:25,359

whole weekend

1967

01:05:28,390 --> 01:05:27,359

basically instead of just coming in just

1968

01:05:30,630 --> 01:05:28,400

for the class

1969

01:05:32,870 --> 01:05:30,640

so i've got those and i offer private

1970

01:05:34,950 --> 01:05:32,880

apprenticeships and all sorts of things

1971

01:05:35,990 --> 01:05:34,960

you're just going to find a wide range

1972

01:05:37,750 --> 01:05:36,000

of everything that i offer

1973

01:05:39,190 --> 01:05:37,760

when you go to phoenix aurelius.org but

1974

01:05:40,870 --> 01:05:39,200

the main things really are the

1975

01:05:42,549 --> 01:05:40,880

apothecary and the education

1976

01:05:45,029 --> 01:05:42,559

which is what i try and focus on because

1977

01:05:46,870 --> 01:05:45,039

those two things help people the most

1978

01:05:49,829 --> 01:05:46,880

and that's my intention is try and help

1979

01:05:52,230 --> 01:05:49,839

people to help themselves

1980

01:05:55,190 --> 01:05:52,240

amen i'm aligned with that and yes your

1981

01:05:55,829 --> 01:05:55,200

website is uh very robust and full of

1982

01:05:58,870 --> 01:05:55,839

stuff

1983

01:06:00,470 --> 01:05:58,880

for people to dig into and i'm also

1984

01:06:02,309 --> 01:06:00,480

trying to get my coupon codes out there

1985

01:06:04,470 --> 01:06:02,319

when i go on other shows very smart

1986

01:06:05,750 --> 01:06:04,480

gotta feed the eggors and stuff but i

1987

01:06:07,029 --> 01:06:05,760

guess i would ask you because it's

1988

01:06:09,029 --> 01:06:07,039

something that's come up for me

1989

01:06:11,349 --> 01:06:09,039

is the higher side coupon code case

1990

01:06:14,390 --> 01:06:11,359

sensitive at all is it all caps

1991

01:06:15,670 --> 01:06:14,400

nope it's completely you can put it in

1992

01:06:17,589 --> 01:06:15,680

all caps or you can put it in

1993

01:06:18,789 --> 01:06:17,599

low caps there's no case sensitivity to

1994

01:06:20,390 --> 01:06:18,799

it whatsoever

1995

01:06:22,470 --> 01:06:20,400

cool cool i got to figure out how to do

1996

01:06:24,710 --> 01:06:22,480

that it's become a problem for me but

1997

01:06:27,270 --> 01:06:24,720

all right man well awesome always a

1998

01:06:29,910 --> 01:06:27,280

pleasure i'm all jazzed up and motivated

1999

01:06:32,549 --> 01:06:29,920

and i hope it lasts but keep fighting

2000

01:06:36,069 --> 01:06:32,559

the good fight man until we meet again

2001

01:06:36,079 --> 01:06:41,829

wow what can i say guys just wow

2002

01:06:45,990 --> 01:06:44,069

i think phoenix is a great guest again

2003

01:06:49,109 --> 01:06:46,000

i'm impressed with not only the

2004

01:06:52,470 --> 01:06:49,119

range of his knowledge but also his

2005

01:06:53,990 --> 01:06:52,480

orating skills very clear and very

2006

01:06:55,910 --> 01:06:54,000

detailed responses

2007

01:06:57,349 --> 01:06:55,920

but i'm still left cutting out so many

2008

01:06:59,829 --> 01:06:57,359

questions due to time

2009

01:07:01,990 --> 01:06:59,839

but even just going with the flow i

2010

01:07:05,109 --> 01:07:02,000

didn't expect this interview to be so

2011

01:07:07,510 --> 01:07:05,119

sexual but those ideas around why

2012

01:07:09,190 --> 01:07:07,520

other beings might try to tap into our

2013

01:07:13,029 --> 01:07:09,200

power of creation

2014

01:07:15,430 --> 01:07:13,039

or other ways that power could be used

2015

01:07:16,789 --> 01:07:15,440

that stuff is provocative especially if

2016

01:07:20,069 --> 01:07:16,799

you think the cabal

2017

01:07:21,190 --> 01:07:20,079

of pedo cannibals is using sex magic in

2018

01:07:23,750 --> 01:07:21,200

any way

2019

01:07:25,910 --> 01:07:23,760

it's like well if you think that that

2020

01:07:27,589 --> 01:07:25,920

has any sort of potency

2021

01:07:30,390 --> 01:07:27,599

then we should probably try to

2022

01:07:32,549 --> 01:07:30,400

understand what's under the hood there

2023

01:07:33,990 --> 01:07:32,559

what is the power of our various forms

2024

01:07:36,390 --> 01:07:34,000

of energy

2025

01:07:38,309 --> 01:07:36,400

don't we sort of need our people using

2026

01:07:39,670 --> 01:07:38,319

all the tools we got on the positive

2027

01:07:42,789 --> 01:07:39,680

side

2028

01:07:45,510 --> 01:07:42,799

seems like sex magic has a lot of

2029

01:07:47,190 --> 01:07:45,520

applications maybe try to envision a

2030

01:07:51,270 --> 01:07:47,200

better world when you bang

2031

01:07:53,430 --> 01:07:51,280

i don't know so yeah i made it weird

2032

01:07:55,190 --> 01:07:53,440

but we rolled with it and got to some

2033

01:07:56,230 --> 01:07:55,200

pretty interesting places not just

2034

01:07:59,029 --> 01:07:56,240

sexual but

2035

01:08:00,789 --> 01:07:59,039

creation abilities in general i think

2036

01:08:01,510 --> 01:08:00,799

it's more in the second hour but even

2037

01:08:04,069 --> 01:08:01,520

something like

2038

01:08:05,029 --> 01:08:04,079

creating a business or a brand has a

2039

01:08:07,750 --> 01:08:05,039

spiritual

2040

01:08:08,630 --> 01:08:07,760

aggregate component and it's another

2041

01:08:10,309 --> 01:08:08,640

thing to consider

2042

01:08:13,589 --> 01:08:10,319

if you're launching something of your

2043

01:08:16,229 --> 01:08:13,599

own which seems like the best and really

2044

01:08:18,309 --> 01:08:16,239

only path forward and even though it's

2045

01:08:20,550 --> 01:08:18,319

not talked about a whole whole lot the

2046

01:08:22,149 --> 01:08:20,560

best feedback i ever get is from people

2047

01:08:24,149 --> 01:08:22,159

who were listeners throughout the whole

2048

01:08:26,950 --> 01:08:24,159

gamestop phase of my life and

2049

01:08:29,030 --> 01:08:26,960

got to watch me kind of quit in real

2050

01:08:31,749 --> 01:08:29,040

time and be right there and

2051

01:08:32,950 --> 01:08:31,759

see where the show was then versus where

2052

01:08:35,269 --> 01:08:32,960

it is now

2053

01:08:37,430 --> 01:08:35,279

i mean that example of my experience

2054

01:08:40,149 --> 01:08:37,440

from what i read in my inbox

2055

01:08:41,189 --> 01:08:40,159

has been really impactful on people to

2056

01:08:43,430 --> 01:08:41,199

actually

2057

01:08:45,269 --> 01:08:43,440

take the leap and dedicate themselves to

2058

01:08:47,189 --> 01:08:45,279

whatever it is they want to do

2059

01:08:49,430 --> 01:08:47,199

and over the years i think a lot of thc

2060

01:08:51,030 --> 01:08:49,440

listeners have grown their own projects

2061

01:08:53,829 --> 01:08:51,040

right along with me

2062

01:08:55,349 --> 01:08:53,839

and kudos to those people and best of

2063

01:08:57,189 --> 01:08:55,359

luck to anyone who's just getting

2064

01:08:59,349 --> 01:08:57,199

started with that kind of thing

2065

01:09:01,189 --> 01:08:59,359

but i got some exciting news here and i

2066

01:09:03,430 --> 01:09:01,199

didn't want to get too far down into a

2067

01:09:06,070 --> 01:09:03,440

wrap up without mentioning it

2068

01:09:06,870 --> 01:09:06,080

but our good pal gordon and i are doing

2069

01:09:10,390 --> 01:09:06,880

a joint

2070

01:09:13,030 --> 01:09:10,400

zoom hangout for our paid members with

2071

01:09:15,189 --> 01:09:13,040

sally fallon morel for the launch of her

2072

01:09:18,470 --> 01:09:15,199

book the contagion myth

2073

01:09:19,189 --> 01:09:18,480

so if you are a member of either thc

2074

01:09:22,309 --> 01:09:19,199

plus or

2075

01:09:24,470 --> 01:09:22,319

roon suit premium before

2076

01:09:26,229 --> 01:09:24,480

october 6th i guess because that is when

2077

01:09:29,590 --> 01:09:26,239

we're doing it october 6th

2078

01:09:31,910 --> 01:09:29,600

at 6 00 pm pacific

2079

01:09:33,990 --> 01:09:31,920

you can join in live and we're going to

2080

01:09:36,789 --> 01:09:34,000

save some time at the end for

2081

01:09:38,709 --> 01:09:36,799

member questions pretty awesome not

2082

01:09:40,709 --> 01:09:38,719

something i'm used to doing but gordon

2083

01:09:42,309 --> 01:09:40,719

suggested it and of course i wanted to

2084

01:09:45,110 --> 01:09:42,319

make that happen

2085

01:09:46,470 --> 01:09:45,120

this was a creative way for us both to

2086

01:09:50,149 --> 01:09:46,480

be involved and

2087

01:09:54,550 --> 01:09:50,159

not just be asking sally back on so soon

2088

01:09:56,790 --> 01:09:54,560

for another regular thc episode

2089

01:09:58,950 --> 01:09:56,800

so let it be known we're doing that we

2090

01:09:59,270 --> 01:09:58,960

really appreciate the people who support

2091

01:10:01,750 --> 01:09:59,280

us

2092

01:10:04,310 --> 01:10:01,760

and always want to try to increase the

2093

01:10:07,510 --> 01:10:04,320

value you get for that support

2094

01:10:10,149 --> 01:10:07,520

and give you more for being reciprocal

2095

01:10:11,510 --> 01:10:10,159

it's how we build the new world people

2096

01:10:13,430 --> 01:10:11,520

and it's a fitting show

2097

01:10:14,790 --> 01:10:13,440

to hear this announcement on because

2098

01:10:17,270 --> 01:10:14,800

phoenix has mentioned

2099

01:10:19,030 --> 01:10:17,280

sally and the westin a price foundation

2100

01:10:21,189 --> 01:10:19,040

a few times on his site

2101  
01:10:22,950 --> 01:10:21,199  
i was gonna bring it up with him today

2102  
01:10:24,550 --> 01:10:22,960  
but i think that was one of the things

2103  
01:10:26,950 --> 01:10:24,560  
that got cut

2104  
01:10:29,510 --> 01:10:26,960  
right i remember asking about memory

2105  
01:10:33,270 --> 01:10:29,520  
retention and brain training

2106  
01:10:34,070 --> 01:10:33,280  
and now you know why also wise of him to

2107  
01:10:36,470 --> 01:10:34,080  
start putting

2108  
01:10:37,910 --> 01:10:36,480  
out coupon codes in these interviews i

2109  
01:10:40,390 --> 01:10:37,920  
started doing the same if you've heard

2110  
01:10:43,270 --> 01:10:40,400  
me on any other shows recently

2111  
01:10:44,070 --> 01:10:43,280  
it let you know where the impact is if

2112  
01:10:47,270 --> 01:10:44,080  
you're a popular

2113  
01:10:48,470 --> 01:10:47,280

guy and you have 20 podcast hosts asking

2114

01:10:50,790 --> 01:10:48,480

for interviews

2115

01:10:53,189 --> 01:10:50,800

and only two seem to have audiences that

2116

01:10:55,510 --> 01:10:53,199

have responded well in the past

2117

01:10:56,870 --> 01:10:55,520

well at least you know how to prioritize

2118

01:10:59,669 --> 01:10:56,880

your time

2119

01:11:01,350 --> 01:10:59,679

eventually the requests do become too

2120

01:11:04,390 --> 01:11:01,360

much and i can only assume

2121

01:11:05,669 --> 01:11:04,400

with a guy like phoenix that will be his

2122

01:11:08,070 --> 01:11:05,679

reality if it isn't

2123

01:11:09,669 --> 01:11:08,080

already but i say this kind of thing a

2124

01:11:10,390 --> 01:11:09,679

lot when it comes to supporting our

2125

01:11:12,790 --> 01:11:10,400

guests

2126  
01:11:14,470 --> 01:11:12,800  
and today i would say definitely try and

2127  
01:11:16,950 --> 01:11:14,480  
pick something up from phoenix's

2128  
01:11:18,149 --> 01:11:16,960  
apothecary with that higher side coupon

2129  
01:11:20,149 --> 01:11:18,159  
code

2130  
01:11:23,110 --> 01:11:20,159  
even if it's just to test the theory of

2131  
01:11:25,270 --> 01:11:23,120  
spagirix and say you gave it a shot

2132  
01:11:27,350 --> 01:11:25,280  
it's a rare enough discipline that just

2133  
01:11:27,750 --> 01:11:27,360  
to say you had something that was broken

2134  
01:11:31,910 --> 01:11:27,760  
down

2135  
01:11:34,229 --> 01:11:31,920  
and refined in that way is pretty unique

2136  
01:11:36,950 --> 01:11:34,239  
i'm definitely gonna try some things out

2137  
01:11:38,950 --> 01:11:36,960  
see if i can't cure the old allergies

2138  
01:11:41,189 --> 01:11:38,960

you can probably hear it in my voice but

2139

01:11:44,390 --> 01:11:41,199

all the smoke in the air out here is

2140

01:11:46,390 --> 01:11:44,400

actually getting to me

2141

01:11:48,550 --> 01:11:46,400

it's been rough the last few days after

2142

01:11:49,110 --> 01:11:48,560

like a month of forgetting i ever had a

2143

01:11:52,229 --> 01:11:49,120

problem

2144

01:11:54,390 --> 01:11:52,239

so ebbs and flows strikes and gutters

2145

01:11:57,510 --> 01:11:54,400

but phoenix makes a lot of good points

2146

01:11:59,590 --> 01:11:57,520

we have to be the example we have to

2147

01:11:59,910 --> 01:11:59,600

look like we're keeping our wits about

2148

01:12:03,270 --> 01:11:59,920

us

2149

01:12:03,990 --> 01:12:03,280

in a time when many are not we should be

2150

01:12:06,550 --> 01:12:04,000

able to show

2151  
01:12:07,270 --> 01:12:06,560  
that our knowledge and curiosity about

2152  
01:12:10,470 --> 01:12:07,280  
the world

2153  
01:12:11,990 --> 01:12:10,480  
and the thoughtfulness we put into our

2154  
01:12:12,950 --> 01:12:12,000  
actions and the work we've done on

2155  
01:12:17,030 --> 01:12:12,960  
ourselves

2156  
01:12:19,189 --> 01:12:17,040  
it should all contribute to our success

2157  
01:12:20,470 --> 01:12:19,199  
rather than contributing to our tail

2158  
01:12:22,550 --> 01:12:20,480  
spin to rock bottom

2159  
01:12:24,709 --> 01:12:22,560  
as is the way they try to always make us

2160  
01:12:27,750 --> 01:12:24,719  
look and i wish everyone as

2161  
01:12:28,310 --> 01:12:27,760  
much success as possible as long as they

2162  
01:12:31,430 --> 01:12:28,320  
stay

2163  
01:12:33,270 --> 01:12:31,440

authentic and independent you really

2164

01:12:35,189 --> 01:12:33,280

can't keep your authenticity when you

2165

01:12:36,870 --> 01:12:35,199

sign some of the deals that i have seen

2166

01:12:39,510 --> 01:12:36,880

proposed

2167

01:12:41,350 --> 01:12:39,520

anyway loved today's show big thanks to

2168

01:12:41,910 --> 01:12:41,360

phoenix and big thanks to you for

2169

01:12:44,070 --> 01:12:41,920

listening

2170

01:12:46,470 --> 01:12:44,080

i hope long-term listeners feel as if

2171

01:12:48,709 --> 01:12:46,480

thc has contributed to their

2172

01:12:50,630 --> 01:12:48,719

preparedness for these wild times or

2173

01:12:51,750 --> 01:12:50,640

their overall knowledge that they draw

2174

01:12:53,669 --> 01:12:51,760

from

2175

01:12:56,709 --> 01:12:53,679

you're all the best sign up for plus if

2176  
01:12:59,270 --> 01:12:56,719  
you like what i do thehiresidechats.com

2177  
01:12:59,910 --> 01:12:59,280  
hundreds of extra hours to hundreds of

2178  
01:13:02,709 --> 01:12:59,920  
interviews

2179  
01:13:03,990 --> 01:13:02,719  
in today's second hour we talked about

2180  
01:13:06,070 --> 01:13:04,000  
business entities

2181  
01:13:08,470 --> 01:13:06,080  
and egregors like i kind of mentioned

2182  
01:13:11,430 --> 01:13:08,480  
before and hermunculi

2183  
01:13:12,870 --> 01:13:11,440  
but also land spirits and bioregional

2184  
01:13:15,110 --> 01:13:12,880  
animism

2185  
01:13:17,270 --> 01:13:15,120  
and working with those land spirits and

2186  
01:13:19,990 --> 01:13:17,280  
forming relationships with entities

2187  
01:13:21,430 --> 01:13:20,000  
outside of our self and a few other

2188  
01:13:23,750 --> 01:13:21,440

awesome things you'd

2189

01:13:25,510 --> 01:13:23,760

probably love to hear about if you liked

2190

01:13:27,750 --> 01:13:25,520

the first hour but either way

2191

01:13:30,790 --> 01:13:27,760

i will see you next time i've done my

2192

01:13:33,750 --> 01:13:30,800

part your move edgar gore's hermunculi

2193

01:13:34,550 --> 01:13:33,760

and fungal networks of the new reality

2194

01:13:44,190 --> 01:13:34,560

you're

2195

01:13:49,990 --> 01:13:45,669

[Music]

2196

01:13:53,430 --> 01:13:50,000

and dreams everybody's

2197

01:13:55,830 --> 01:13:53,440

looking for something some of them want

2198

01:13:59,830 --> 01:13:55,840

to use you

2199

01:14:03,669 --> 01:13:59,840

some of them want to get used by

2200

01:14:15,040 --> 01:14:03,679

some of them want to abuse you

2201

01:14:21,060 --> 01:14:15,050

some of them want to be abused

2202

01:14:35,189 --> 01:14:30,700

[Music]

2203

01:14:42,149 --> 01:14:39,110

some of them want to use you

2204

01:14:46,950 --> 01:14:42,159

some of them want to get used by

2205

01:14:57,110 --> 01:14:46,960

you some of them want to abuse you
