THEHIGHERSIDECHATS.COM

1
00:00:04,630 --> 00:00:02,869
[Music]

2
00:00:06,950 --> 00:00:04,640
congratulations youtube

3
00:00:08,390 --> 00:00:06,960
you did it you wore me down and you

4
00:00:10,709 --> 00:00:08,400
sucked me back in

5
00:00:12,230 --> 00:00:10,719
i have too many subscribers here just to

6
00:00:14,230 --> 00:00:12,240
walk away entirely

7
00:00:15,430 --> 00:00:14,240
especially with no alternative that

8
00:00:17,590 --> 00:00:15,440
truly stacks up

9
00:00:19,670 --> 00:00:17,600
and so many copycat channels uploading

10
00:00:22,150 --> 00:00:19,680
my shows for me anyway

11
00:00:24,150 --> 00:00:22,160
but we can't forget the thc's account

12
00:00:25,910 --> 00:00:24,160
here is on thin ice

13
00:00:28,710 --> 00:00:25,920

and so the youtube version of the show

14

00:00:31,669 --> 00:00:28,720

has to be prefaced with this little psa

15

00:00:32,950 --> 00:00:31,679

only to say that episodes that contain

16

00:00:34,709 --> 00:00:32,960

the kinds of themes that have been

17

00:00:37,670 --> 00:00:34,719

regularly banned on youtube

18

00:00:39,750 --> 00:00:37,680

will not appear here and even with that

19

00:00:41,350 --> 00:00:39,760

precaution there's already enough in the

20

00:00:43,350 --> 00:00:41,360

archive to get us removed

21

00:00:45,830 --> 00:00:43,360

so remember that the higher side chats

22

00:00:48,310 --> 00:00:45,840

could be banned or put in time out again

23

00:00:49,510 --> 00:00:48,320

at any time and i won't be able to tell

24

00:00:51,510 --> 00:00:49,520

you guys about it

25

00:00:53,270 --> 00:00:51,520

so if you feel like it's been too long

26
00:00:56,069 --> 00:00:53,280
since you've heard from me here on this

27
00:00:57,910 --> 00:00:56,079
digital dystopian draconian data mining

28
00:00:59,189 --> 00:00:57,920
monster of a police state seeking

29
00:01:00,990 --> 00:00:59,199
platform

30
00:01:03,750 --> 00:01:01,000
your first step should be to check the

31
00:01:09,750 --> 00:01:03,760
highersidechats.com for the latest shows

32
00:01:13,270 --> 00:01:11,510
brace yourself because you're about to

33
00:01:15,030 --> 00:01:13,280
dive into another free first hour

34
00:01:16,310 --> 00:01:15,040
episode of the higher side chats

35
00:01:17,749 --> 00:01:16,320
and we just want to let you know that

36
00:01:19,510 --> 00:01:17,759
whether you're looking for a companion

37
00:01:20,710 --> 00:01:19,520
through your paranoid insomnia

38
00:01:22,950 --> 00:01:20,720

entertaining yourself through one of

39

00:01:24,550 --> 00:01:22,960

life's mundane activities or trying to

40

00:01:25,030 --> 00:01:24,560

ward off the internal screams of all

41

00:01:27,270 --> 00:01:25,040

those

42

00:01:28,630 --> 00:01:27,280

sad smothered souls around the office

43

00:01:29,990 --> 00:01:28,640

thc is here

44

00:01:31,749 --> 00:01:30,000

and you should know that every episode

45

00:01:34,069 --> 00:01:31,759

of the higher side chats has an entire

46

00:01:36,310 --> 00:01:34,079

second hour for plus members

47

00:01:37,590 --> 00:01:36,320

sign up at the highersidechats.com and

48

00:01:40,310 --> 00:01:37,600

you get years of plus

49

00:01:41,830 --> 00:01:40,320

show archives lifetime forum access a

50

00:01:43,429 --> 00:01:41,840

special invite to greg carlwood's

51
00:01:46,630 --> 00:01:43,439
monthly joint sessions

52
00:01:49,749 --> 00:01:46,640
mp3s of the music bonus episodes

53
00:01:51,350 --> 00:01:49,759
tour videos and 10 off t-shirts

54
00:01:53,350 --> 00:01:51,360
grinders and whatever else ends up in

55
00:01:53,990 --> 00:01:53,360
the higher side store it's eight dollars

56
00:01:56,310 --> 00:01:54,000
a month that you

57
00:01:58,469 --> 00:01:56,320
won't miss so become a plus member and

58
00:02:00,630 --> 00:01:58,479
treat yourself in these troubled times

59
00:02:02,069 --> 00:02:00,640
always action-packed and commercial-free

60
00:02:11,350 --> 00:02:02,079
which means you'll unfortunately

61
00:02:15,910 --> 00:02:14,070
in the 1930s president franklin delano

62
00:02:18,470 --> 00:02:15,920
roosevelt addressed the nation through a

63
00:02:20,150 --> 00:02:18,480

series of radio broadcasts known as the

64

00:02:22,309 --> 00:02:20,160

fireside chats

65

00:02:24,229 --> 00:02:22,319

his aim was to reassure the common man

66

00:02:25,350 --> 00:02:24,239

that our society would recover from its

67

00:02:27,990 --> 00:02:25,360

troubled times

68

00:02:29,510 --> 00:02:28,000

well we're far from 1930 and i deal with

69

00:02:32,229 --> 00:02:29,520

a different kind of fire

70

00:02:32,710 --> 00:02:32,239

for a new era of worldly frustration we

71

00:02:36,150 --> 00:02:32,720

offer

72

00:02:39,910 --> 00:02:36,160

a fresh conversation i'm greg carlwood

73

00:02:41,910 --> 00:02:39,920

and these are the higher side chats

74

00:02:43,910 --> 00:02:41,920

it's a beautiful day in the neighborhood

75

00:02:45,750 --> 00:02:43,920

people from sunny san diego i'm greg

76

00:02:47,830 --> 00:02:45,760

carlwood and it seems like since the

77

00:02:49,430 --> 00:02:47,840

start of this wild ride humanity has

78

00:02:51,509 --> 00:02:49,440

been interacting with something

79

00:02:53,430 --> 00:02:51,519

else of a higher intelligence just

80

00:02:56,070 --> 00:02:53,440

beyond the physical dimension

81

00:02:57,670 --> 00:02:56,080

call them spirits fairies gods or aliens

82

00:02:59,430 --> 00:02:57,680

but it's clear that something out there

83

00:03:01,110 --> 00:02:59,440

knows a lot more about reality's

84

00:03:03,350 --> 00:03:01,120

structure than we do

85

00:03:05,270 --> 00:03:03,360

are we on some human energy farm is

86

00:03:07,750 --> 00:03:05,280

there an ancient predator hunting us

87

00:03:09,509 --> 00:03:07,760

from the shadows of our liminal spaces

88

00:03:11,430 --> 00:03:09,519

might there be a group of beings trying

89

00:03:13,270 --> 00:03:11,440

to use crop circles and psychedelic

90

00:03:14,630 --> 00:03:13,280

encounters to nudge humanity into

91

00:03:16,390 --> 00:03:14,640

understanding that it's all

92

00:03:18,070 --> 00:03:16,400

consciousness man

93

00:03:20,229 --> 00:03:18,080

there are many thoughts and theories as

94

00:03:21,990 --> 00:03:20,239

to what this all is but in our modern

95

00:03:24,470 --> 00:03:22,000

slice of the human story

96

00:03:26,710 --> 00:03:24,480

the narrative shifts to recovered bodies

97

00:03:28,789 --> 00:03:26,720

crashed ships an invisible college of

98

00:03:30,710 --> 00:03:28,799

scientists and the privileged few who

99

00:03:32,390 --> 00:03:30,720

study what's been found or left

100

00:03:33,830 --> 00:03:32,400

just beyond the prying eyes of the

101

00:03:35,830 --> 00:03:33,840

general public

102

00:03:37,589 --> 00:03:35,840

well today's powerhouse guest grant

103

00:03:40,229 --> 00:03:37,599

cameron is one of the most knowledgeable

104

00:03:42,309 --> 00:03:40,239

researchers dedicated to the ufo space

105

00:03:43,270 --> 00:03:42,319

disclosure discourse the true nature of

106

00:03:45,350 --> 00:03:43,280

the phenomenon

107

00:03:46,630 --> 00:03:45,360

and the key to understanding it

108

00:03:48,990 --> 00:03:46,640

consciousness

109

00:03:50,149 --> 00:03:49,000

grant became involved in ufology in may

110

00:03:51,990 --> 00:03:50,159

1975

111

00:03:53,670 --> 00:03:52,000

with personal sightings of an object

112

00:03:56,390 --> 00:03:53,680

which locally became known

113

00:03:58,630 --> 00:03:56,400

as charlie red star the sightings

114

00:03:59,509 --> 00:03:58,640

occurred about 25 miles north of the

115

00:04:01,270 --> 00:03:59,519

canada

116

00:04:03,030 --> 00:04:01,280

border with hundreds of people seeing

117

00:04:05,110 --> 00:04:03,040

objects at the same time during a

118

00:04:07,190 --> 00:04:05,120

prolonged flap of sightings

119

00:04:08,710 --> 00:04:07,200

in past years grant turned his research

120

00:04:10,309 --> 00:04:08,720

to the involvement and actions of the

121

00:04:11,750 --> 00:04:10,319

presidents of the united states in the

122

00:04:14,149 --> 00:04:11,760

ufo problem

123

00:04:15,830 --> 00:04:14,159

he's made 20 plus trips to the national

124

00:04:17,590 --> 00:04:15,840

archives and most of the various

125

00:04:19,909 --> 00:04:17,600

presidential archives looking for

126

00:04:21,509 --> 00:04:19,919

presidential ufo material

127

00:04:23,350 --> 00:04:21,519

eventually he stopped trying to break

128

00:04:25,270 --> 00:04:23,360

the government and deep private cone of

129

00:04:27,110 --> 00:04:25,280

silence and felt that the ones who

130

00:04:28,070 --> 00:04:27,120

really know the phenomenon best are the

131

00:04:30,150 --> 00:04:28,080

experiencers

132

00:04:32,150 --> 00:04:30,160

which led him to focus on that curious

133

00:04:33,510 --> 00:04:32,160

interplay between this high strangeness

134

00:04:35,110 --> 00:04:33,520

and consciousness

135

00:04:37,110 --> 00:04:35,120

he's written several great books along

136

00:04:39,510 --> 00:04:37,120

the way had his own radio show called

137

00:04:41,590 --> 00:04:39,520

the cameron files and produces a lot of

138

00:04:43,430 --> 00:04:41,600

content on his youtube channel

139

00:04:45,550 --> 00:04:43,440

links and info about him can all be

140

00:04:46,790 --> 00:04:45,560

found on his website

141

00:04:48,629 --> 00:04:46,800

beyondpresidentialufo.com

142

00:04:50,790 --> 00:04:48,639

and it is a real pleasure to have him

143

00:04:53,350 --> 00:04:50,800

here the legendary deep diver

144

00:04:55,350 --> 00:04:53,360

ufo question dissector and bright mind

145

00:04:57,670 --> 00:04:55,360

for our troubled times grant cameron my

146

00:04:59,830 --> 00:04:57,680

man welcome to the higher side

147

00:05:01,510 --> 00:04:59,840

well thanks greg your intro summed it

148

00:05:03,830 --> 00:05:01,520

all up there's nothing more to say

149

00:05:05,590 --> 00:05:03,840

i like it i like it and uh thanks for

150

00:05:06,390 --> 00:05:05,600

taking the time i am a big fan of the

151
00:05:08,150 --> 00:05:06,400
work you do

152
00:05:09,670 --> 00:05:08,160
and i'm always impressed with your

153
00:05:12,310 --> 00:05:09,680
recall when it comes to the vast

154
00:05:14,310 --> 00:05:12,320
material you've studied and spoken about

155
00:05:16,870 --> 00:05:14,320
i think so many people who look into the

156
00:05:17,749 --> 00:05:16,880
ufo alien question start with that nuts

157
00:05:19,270 --> 00:05:17,759
and bolts stuff

158
00:05:21,270 --> 00:05:19,280
and if they stick with it long enough

159
00:05:23,270 --> 00:05:21,280
they realize it's weirder than that

160
00:05:25,430 --> 00:05:23,280
and consciousness needs to be better

161
00:05:26,469 --> 00:05:25,440
understood to truly unlock the ufo

162
00:05:28,469 --> 00:05:26,479
mystery

163
00:05:30,390 --> 00:05:28,479

and of course your road is a long one

164

00:05:31,350 --> 00:05:30,400

but maybe you can elaborate for the

165

00:05:34,310 --> 00:05:31,360

unfamiliar

166

00:05:34,710 --> 00:05:34,320

on how your understanding and research

167

00:05:36,870 --> 00:05:34,720

path

168

00:05:39,270 --> 00:05:36,880

has evolved from where it started to

169

00:05:41,350 --> 00:05:39,280

where you are now decades later

170

00:05:42,469 --> 00:05:41,360

okay so it all starts for me back when

171

00:05:45,110 --> 00:05:42,479

i'm i guess

172

00:05:46,310 --> 00:05:45,120

a late teenager i'm interested in the

173

00:05:48,790 --> 00:05:46,320

work of edgar cayce

174

00:05:51,110 --> 00:05:48,800

i studied it went to the institute that

175

00:05:53,029 --> 00:05:51,120

they have there in virginia beach

176

00:05:55,189 --> 00:05:53,039

was that university was kind of lost at

177

00:05:56,390 --> 00:05:55,199

university trying to figure out

178

00:05:57,990 --> 00:05:56,400

how in heaven's name are you going to

179

00:05:58,309 --> 00:05:58,000

make any money out of this nonsense you

180

00:05:59,749 --> 00:05:58,319

know

181

00:06:02,950 --> 00:05:59,759

calculus and stuff i couldn't figure out

182

00:06:04,309 --> 00:06:02,960

why i was there and then in 1975

183

00:06:05,909 --> 00:06:04,319

that's when things changed for me i've

184

00:06:07,189 --> 00:06:05,919

had four major events in my life and the

185

00:06:09,189 --> 00:06:07,199

one was 1975

186

00:06:10,790 --> 00:06:09,199

so you described in the intro there was

187

00:06:12,469 --> 00:06:10,800

a flap of sightings that occurred at a

188

00:06:13,749 --> 00:06:12,479

town called carmen manitoba and actually

189

00:06:15,670 --> 00:06:13,759

we were just back there

190

00:06:17,270 --> 00:06:15,680

last a couple days ago and that's the

191

00:06:19,510 --> 00:06:17,280

first time i've been back in

192

00:06:20,550 --> 00:06:19,520

well i've been back once in 40 years but

193

00:06:22,710 --> 00:06:20,560

we went back there

194

00:06:25,350 --> 00:06:22,720

there's a documentary film crew out

195

00:06:27,110 --> 00:06:25,360

trying to do a documentary on it so

196

00:06:28,390 --> 00:06:27,120

i live in winnipeg manitoba canada which

197

00:06:31,909 --> 00:06:28,400

is a fairly big city

198

00:06:33,909 --> 00:06:31,919

and we used to drive around the city and

199

00:06:35,590 --> 00:06:33,919

do nothing just drive around and the

200

00:06:36,950 --> 00:06:35,600

stories of this sighting

201
00:06:39,430 --> 00:06:36,960
stuff started to happen in carmel

202
00:06:42,629 --> 00:06:39,440
manitoba and started it about february

203
00:06:43,670 --> 00:06:42,639
of 1975 and i said to my friend i said

204
00:06:45,670 --> 00:06:43,680
why don't we go out and see what they're

205
00:06:47,270 --> 00:06:45,680
looking at and he said yeah okay we'll

206
00:06:49,350 --> 00:06:47,280
go and we never went

207
00:06:51,270 --> 00:06:49,360
and then in may of 1975 what happened is

208
00:06:54,790 --> 00:06:51,280
the local tv station

209
00:06:56,230 --> 00:06:54,800
the cky tv station here was a number of

210
00:06:57,110 --> 00:06:56,240
stations out there trying to film this

211
00:07:00,390 --> 00:06:57,120
thing

212
00:07:03,350 --> 00:07:00,400
the ground and

213
00:07:04,469 --> 00:07:03,360

the cameraman as he was the object was

214

00:07:06,150 --> 00:07:04,479

eight miles down the road

215

00:07:07,830 --> 00:07:06,160

as he's looking down the road this thing

216

00:07:09,909 --> 00:07:07,840

is on the ground and it's glowing up and

217

00:07:11,670 --> 00:07:09,919

it glows back down glows up

218

00:07:13,430 --> 00:07:11,680

and the night before they had almost got

219

00:07:14,790 --> 00:07:13,440

it on film and he decided i've got to

220

00:07:15,749 --> 00:07:14,800

get something on film so the next time

221

00:07:17,510 --> 00:07:15,759

this thing

222

00:07:19,110 --> 00:07:17,520

glows up again i'm gonna shoot and

223

00:07:21,670 --> 00:07:19,120

almost like the

224

00:07:23,350 --> 00:07:21,680

whatever the intelligence the ufo is it

225

00:07:24,710 --> 00:07:23,360

said are you ready to shoot because

226

00:07:26,309 --> 00:07:24,720

as he pushed the trigger this thing

227

00:07:27,830 --> 00:07:26,319

jumped up in the air and there was

228

00:07:28,550 --> 00:07:27,840

people actually very close to it on the

229

00:07:29,749 --> 00:07:28,560

ground and

230

00:07:31,510 --> 00:07:29,759

they thought it had disappeared it

231

00:07:33,270 --> 00:07:31,520

actually dropped about five thousand

232

00:07:36,870 --> 00:07:33,280

feet in the air in three frames

233

00:07:38,469 --> 00:07:36,880

of the film and so this thing went viral

234

00:07:40,710 --> 00:07:38,479

they did an eight minute documentary on

235

00:07:41,029 --> 00:07:40,720

this thing it created this flash frame

236

00:07:43,110 --> 00:07:41,039

one

237

00:07:44,150 --> 00:07:43,120

frame of film where the entire horizon

238

00:07:45,909 --> 00:07:44,160

lit up

239

00:07:48,309 --> 00:07:45,919

and it went flying across the sky and it

240

00:07:49,110 --> 00:07:48,319

was flying in sort of a wave formation

241

00:07:52,070 --> 00:07:49,120

and stuff

242

00:07:53,749 --> 00:07:52,080

and the tv station nbc picked it up

243

00:07:55,189 --> 00:07:53,759

jalen heineck the major researcher came

244

00:07:56,230 --> 00:07:55,199

to try to get two copies of this film

245

00:07:58,629 --> 00:07:56,240

said it was the best

246

00:07:59,990 --> 00:07:58,639

nocturnal light film he'd ever seen with

247

00:08:02,309 --> 00:08:00,000

all these 14 people

248

00:08:03,350 --> 00:08:02,319

that were involved in this filming of it

249

00:08:05,830 --> 00:08:03,360

and

250

00:08:06,550 --> 00:08:05,840

this one on the tv in in winnipeg where

251

00:08:08,150 --> 00:08:06,560

i live

252

00:08:09,670 --> 00:08:08,160

and then i said to my friend come on

253

00:08:11,430 --> 00:08:09,680

let's go see what they're looking at

254

00:08:12,950 --> 00:08:11,440

and i always describe it as you buy the

255

00:08:14,550 --> 00:08:12,960

lottery ticket you know there's a chance

256

00:08:16,070 --> 00:08:14,560

you can win but you're not going to win

257

00:08:17,510 --> 00:08:16,080

so we went out there and i figured you

258

00:08:18,710 --> 00:08:17,520

know everybody else can see stuff when

259

00:08:20,469 --> 00:08:18,720

we go out there nothing's going to

260

00:08:21,830 --> 00:08:20,479

happen so we went into town

261

00:08:23,749 --> 00:08:21,840

out of the town looked around and we're

262

00:08:24,830 --> 00:08:23,759

looking around at what's everybody

263

00:08:28,070 --> 00:08:24,840

looking at here

264

00:08:30,469 --> 00:08:28,080

and really couldn't you could see

265

00:08:31,909 --> 00:08:30,479

planets and whatever and i i just like i

266

00:08:34,070 --> 00:08:31,919

don't know what they're looking at

267

00:08:35,589 --> 00:08:34,080

and i think venus was setting at the

268

00:08:36,949 --> 00:08:35,599

time they looked kind of weird but i go

269

00:08:38,389 --> 00:08:36,959

that can't be what they're looking at so

270

00:08:39,589 --> 00:08:38,399

my friend says we'll go back into town

271

00:08:41,269 --> 00:08:39,599

one more time we drove out we're gonna

272

00:08:42,709 --> 00:08:41,279

go back into town one more time

273

00:08:44,310 --> 00:08:42,719

if we don't see anything let's go home i

274

00:08:45,350 --> 00:08:44,320

said yeah fantastic it's been a total

275

00:08:47,030 --> 00:08:45,360

waste of time

276
00:08:48,470 --> 00:08:47,040
so we're outside about a mile out of the

277
00:08:50,550 --> 00:08:48,480
city we turn go back

278
00:08:51,910 --> 00:08:50,560
west into this small town about 2 000

279
00:08:53,269 --> 00:08:51,920
people

280
00:08:55,110 --> 00:08:53,279
and it appeared from the left to the

281
00:08:57,430 --> 00:08:55,120
right and in the car

282
00:08:58,710 --> 00:08:57,440
nobody said is that what it is i wonder

283
00:09:00,389 --> 00:08:58,720
if that's where everybody just went

284
00:09:01,590 --> 00:09:00,399
there it is everybody just instantly

285
00:09:03,190 --> 00:09:01,600
knew this is what they were talking

286
00:09:04,710 --> 00:09:03,200
about it was just so bizarre

287
00:09:07,110 --> 00:09:04,720
it looked like it was alive it was

288
00:09:07,990 --> 00:09:07,120

pulsing it was red it was like a plasma

289

00:09:09,590 --> 00:09:08,000

type object

290

00:09:11,030 --> 00:09:09,600

and it was sort of bobbing up and down

291

00:09:13,750 --> 00:09:11,040

it was moving very very slow

292

00:09:14,389 --> 00:09:13,760

30 40 miles an hour and it flew right in

293

00:09:15,829 --> 00:09:14,399

front of the car

294

00:09:17,670 --> 00:09:15,839

down i don't know maybe it's hard to

295

00:09:19,030 --> 00:09:17,680

tell at night yeah you know how big it

296

00:09:20,870 --> 00:09:19,040

is or how far it is

297

00:09:22,630 --> 00:09:20,880

but it appeared maybe maybe half a mile

298

00:09:24,790 --> 00:09:22,640

down the road right in front of the car

299

00:09:26,070 --> 00:09:24,800

i remember getting out of the car as the

300

00:09:27,590 --> 00:09:26,080

car was still moving and i was going in

301
00:09:29,110 --> 00:09:27,600
behind a set of school buses that were

302
00:09:30,470 --> 00:09:29,120
parked outside the town

303
00:09:31,509 --> 00:09:30,480
and i wanted to get to the school buses

304
00:09:32,630 --> 00:09:31,519
because he was going to get in behind

305
00:09:33,509 --> 00:09:32,640
the school buses i wouldn't be able to

306
00:09:35,829 --> 00:09:33,519
see it anymore

307
00:09:36,550 --> 00:09:35,839
and i just watched it sort of pulse and

308
00:09:38,070 --> 00:09:36,560
fly off

309
00:09:40,070 --> 00:09:38,080
into nowhere just flew off into the

310
00:09:41,509 --> 00:09:40,080
northeast and i was just floored i

311
00:09:42,630 --> 00:09:41,519
grabbed all my friends i said man you

312
00:09:44,710 --> 00:09:42,640
got to come see this thing

313
00:09:46,230 --> 00:09:44,720

two nights later we were out there was

314

00:09:47,750 --> 00:09:46,240

28 people there was people all from all

315

00:09:48,710 --> 00:09:47,760

over the place out there trying to see

316

00:09:51,030 --> 00:09:48,720

this thing

317

00:09:52,630 --> 00:09:51,040

and that experience all my friends went

318

00:09:53,670 --> 00:09:52,640

home about 12 30 and said no no stay

319

00:09:54,949 --> 00:09:53,680

stay you got to see this this will

320

00:09:55,750 --> 00:09:54,959

change your life this is unbelievable i

321

00:09:56,710 --> 00:09:55,760

was just like

322

00:09:58,870 --> 00:09:56,720

you know i fell off the edge of the

323

00:10:00,550 --> 00:09:58,880

earth when i saw this thing and

324

00:10:01,990 --> 00:10:00,560

at 12 30 my friend said nam we're going

325

00:10:03,350 --> 00:10:02,000

home we're going back to winnipeg we're

326

00:10:04,790 --> 00:10:03,360

hungry we're going for pizza

327

00:10:06,069 --> 00:10:04,800

and off they went and there was about

328

00:10:07,350 --> 00:10:06,079

eight people left when this thing

329

00:10:08,310 --> 00:10:07,360

appeared the second time

330

00:10:09,750 --> 00:10:08,320

and this time it was a completely

331

00:10:10,630 --> 00:10:09,760

different object it was flashing in the

332

00:10:11,990 --> 00:10:10,640

sky

333

00:10:13,750 --> 00:10:12,000

some kids that saw it called the

334

00:10:14,870 --> 00:10:13,760

bouncing ping-pong ball it was bouncing

335

00:10:16,550 --> 00:10:14,880

around in the sky

336

00:10:18,310 --> 00:10:16,560

and as it got closer to us the flashes

337

00:10:19,990 --> 00:10:18,320

got closer together and then it

338

00:10:21,190 --> 00:10:20,000

reappeared as this object i'd seen the

339

00:10:23,030 --> 00:10:21,200

first night this red

340

00:10:24,389 --> 00:10:23,040

glowing plasma object was coming

341

00:10:25,990 --> 00:10:24,399

directly out of the second light very

342

00:10:28,310 --> 00:10:26,000

very low to the ground

343

00:10:29,670 --> 00:10:28,320

and i could see a sort of a green glow

344

00:10:31,509 --> 00:10:29,680

on the backside of this thing

345

00:10:33,190 --> 00:10:31,519

and it made this sort of turn and headed

346

00:10:34,470 --> 00:10:33,200

off again into the northeast

347

00:10:36,069 --> 00:10:34,480

and i remember standing there looking at

348

00:10:37,910 --> 00:10:36,079

it and saying wow that could be from

349

00:10:39,030 --> 00:10:37,920

another planet i would just be floored i

350

00:10:41,269 --> 00:10:39,040

was actually looking at this thing and

351

00:10:43,509 --> 00:10:41,279

thinking like where is this thing from

352

00:10:44,470 --> 00:10:43,519

and the car that was beside us i

353

00:10:46,790 --> 00:10:44,480

remember the guy had a

354

00:10:48,550 --> 00:10:46,800

this is when nikon had the motor drives

355

00:10:50,630 --> 00:10:48,560

on the cameras that came out

356

00:10:51,910 --> 00:10:50,640

and the thing was flashing jumping

357

00:10:53,670 --> 00:10:51,920

around the sky and the one girl couldn't

358

00:10:55,509 --> 00:10:53,680

see it she was freaking out i can't see

359

00:10:57,269 --> 00:10:55,519

it again she's crying away there's

360

00:10:59,430 --> 00:10:57,279

people yelling and swearing and jumping

361

00:11:02,710 --> 00:10:59,440

around as this thing's coming towards us

362

00:11:04,150 --> 00:11:02,720

and i could hear this motor driving

363

00:11:06,150 --> 00:11:04,160

and he's unloading the camera as this

364

00:11:07,350 --> 00:11:06,160

thing's coming at us and then they

365

00:11:09,110 --> 00:11:07,360

jumped in the car

366

00:11:10,310 --> 00:11:09,120

and off they went the gravel was flying

367

00:11:11,430 --> 00:11:10,320

and they started to chase it because you

368

00:11:12,790 --> 00:11:11,440

could actually catch up on this thing it

369

00:11:14,230 --> 00:11:12,800

was going so slow

370

00:11:15,990 --> 00:11:14,240

and so then i was totally floored and i

371

00:11:16,949 --> 00:11:16,000

said well why is nobody investigating

372

00:11:18,150 --> 00:11:16,959

this because there had been a lot of

373

00:11:18,949 --> 00:11:18,160

sightings and there had been the film

374

00:11:21,269 --> 00:11:18,959

and stuff

375

00:11:22,630 --> 00:11:21,279

so i started this pursuit try to talk to

376

00:11:24,069 --> 00:11:22,640

as many people in the town as i could

377

00:11:25,110 --> 00:11:24,079

and at one point i had hundreds of

378

00:11:26,069 --> 00:11:25,120

people on a list

379

00:11:27,910 --> 00:11:26,079

because everybody would squeal on

380

00:11:29,509 --> 00:11:27,920

everybody they'd say oh how do you know

381

00:11:31,110 --> 00:11:29,519

i saw something i said oh so-and-so told

382

00:11:32,630 --> 00:11:31,120

me you saw something and then they'd say

383

00:11:34,230 --> 00:11:32,640

well it was really nothing and then they

384

00:11:35,430 --> 00:11:34,240

tell you it was a flying saucer in the

385

00:11:36,870 --> 00:11:35,440

middle of the road or something

386

00:11:38,389 --> 00:11:36,880

some bizarre story and then they said i

387

00:11:39,750 --> 00:11:38,399

wasn't alone that saw it you know and

388

00:11:41,269 --> 00:11:39,760

they would send me off to three

389

00:11:42,550 --> 00:11:41,279

or four or five other people and i'd go

390

00:11:43,829 --> 00:11:42,560

to those people and this list started to

391

00:11:45,910 --> 00:11:43,839

build with all these people

392

00:11:48,389 --> 00:11:45,920

who were sort of writing each other out

393

00:11:49,750 --> 00:11:48,399

and i put it in a manuscript and i tried

394

00:11:51,829 --> 00:11:49,760

to get it published in toronto where all

395

00:11:53,990 --> 00:11:51,839

the big publishers are in canada

396

00:11:55,430 --> 00:11:54,000

and some people read it but nobody was

397

00:11:55,990 --> 00:11:55,440

really you know really not that

398

00:11:57,509 --> 00:11:56,000

interested

399

00:11:59,110 --> 00:11:57,519

and the local publisher here in winnipeg

400

00:12:00,550 --> 00:11:59,120

because this is a famous story

401
00:12:01,910 --> 00:12:00,560
she should have done it and i remember

402
00:12:02,710 --> 00:12:01,920
she changed my whole life she wrote me a

403
00:12:06,069 --> 00:12:02,720
letter and said

404
00:12:06,629 --> 00:12:06,079
cameron you may believe in this kind of

405
00:12:08,069 --> 00:12:06,639
stuff

406
00:12:10,389 --> 00:12:08,079
count me among the unbelievers and i'm

407
00:12:11,990 --> 00:12:10,399
like wow i i was just floored and i said

408
00:12:12,949 --> 00:12:12,000
okay that's it no more sightings this is

409
00:12:14,710 --> 00:12:12,959
total nonsense

410
00:12:16,310 --> 00:12:14,720
it's just a total waste of time and in

411
00:12:17,990 --> 00:12:16,320
the book i described it this is the kind

412
00:12:19,110 --> 00:12:18,000
of stories you tell your grandchildren

413
00:12:20,470 --> 00:12:19,120

when you're old and gray

414

00:12:22,389 --> 00:12:20,480

but it really doesn't change anybody's

415

00:12:24,470 --> 00:12:22,399

mind you have to actually see it

416

00:12:25,910 --> 00:12:24,480

so i gave up on the sighting stuff and i

417

00:12:27,829 --> 00:12:25,920

said you know i remember that thing

418

00:12:30,310 --> 00:12:27,839

flying off the second night and i said

419

00:12:31,590 --> 00:12:30,320

hmm i'm a young guy you know i really

420

00:12:33,269 --> 00:12:31,600

don't know that much i'm

421

00:12:35,030 --> 00:12:33,279

you know in the middle of a country

422

00:12:36,310 --> 00:12:35,040

which is not in a town that's not that

423

00:12:38,310 --> 00:12:36,320

significant

424

00:12:39,590 --> 00:12:38,320

and i said i don't know what's going on

425

00:12:42,150 --> 00:12:39,600

but there's got to be somebody to know

426

00:12:43,269 --> 00:12:42,160

what this is so i start this pursuit

427

00:12:44,069 --> 00:12:43,279

and i first go to the canadian

428

00:12:45,670 --> 00:12:44,079

government because there's a

429

00:12:47,030 --> 00:12:45,680

synchronistic event happens

430

00:12:48,710 --> 00:12:47,040

my father was a pilot for the canadian

431

00:12:49,750 --> 00:12:48,720

government and there was somebody at

432

00:12:52,710 --> 00:12:49,760

radar tech in his

433

00:12:53,190 --> 00:12:52,720

office who had seen a ufo in the carmen

434

00:12:55,110 --> 00:12:53,200

area

435

00:12:56,550 --> 00:12:55,120

and my father said oh this ernie up guy

436

00:12:57,190 --> 00:12:56,560

wants to talk to you so i go and talk to

437

00:12:58,470 --> 00:12:57,200

the guy

438

00:13:00,069 --> 00:12:58,480

and he tells me a story and it's just a

439

00:13:00,870 --> 00:13:00,079

lightness guy really nothing significant

440

00:13:01,750 --> 00:13:00,880

and then he says

441

00:13:03,670 --> 00:13:01,760

you know if you really want to know

442

00:13:04,870 --> 00:13:03,680

what's going on with ufos you should

443

00:13:06,150 --> 00:13:04,880

study what the canadian government was

444

00:13:07,670 --> 00:13:06,160

doing in the early 1950s

445

00:13:08,870 --> 00:13:07,680

and i went what do you mean he said i

446

00:13:09,910 --> 00:13:08,880

used to work for the program and i said

447

00:13:11,430 --> 00:13:09,920

you did

448

00:13:12,870 --> 00:13:11,440

and there was only about six people in

449

00:13:14,069 --> 00:13:12,880

this program and this one guy happened

450

00:13:15,430 --> 00:13:14,079

to be in my father's office the

451

00:13:17,590 --> 00:13:15,440

synchronicity

452

00:13:19,030 --> 00:13:17,600

so i chased off to ottawa and the guy

453

00:13:21,990 --> 00:13:19,040

who had run the program was wilbert

454

00:13:23,750 --> 00:13:22,000

brockhouse smith and he had famously

455

00:13:25,030 --> 00:13:23,760

written a top secret memo and i didn't

456

00:13:26,230 --> 00:13:25,040

discover this until after i started the

457

00:13:27,509 --> 00:13:26,240

investigation

458

00:13:29,030 --> 00:13:27,519

but that's where it sort of started the

459

00:13:31,590 --> 00:13:29,040

consciousness thing sort of started and

460

00:13:34,389 --> 00:13:31,600

i didn't realize it until 2012 but

461

00:13:36,230 --> 00:13:34,399

he wrote a top-secret memo and he was a

462

00:13:37,110 --> 00:13:36,240

the head radio guy for the canadian

463

00:13:39,430 --> 00:13:37,120

government

464

00:13:40,870 --> 00:13:39,440

and they were negotiating fm radio

465

00:13:41,829 --> 00:13:40,880

frequencies with the americans and he'd

466

00:13:43,829 --> 00:13:41,839

been down in

467

00:13:46,069 --> 00:13:43,839

washington for a lot of meetings and

468

00:13:47,350 --> 00:13:46,079

when he was in washington he said i i

469

00:13:48,150 --> 00:13:47,360

was interested to find out what's going

470

00:13:49,670 --> 00:13:48,160

on and so

471

00:13:50,870 --> 00:13:49,680

i realized if there's smoke there's got

472

00:13:51,670 --> 00:13:50,880

to be fire and he started asking

473

00:13:53,829 --> 00:13:51,680

questions

474

00:13:55,110 --> 00:13:53,839

and he said high-level officials told

475

00:13:56,230 --> 00:13:55,120

him what was going on and he writes his

476

00:13:57,990 --> 00:13:56,240

top secret memo

477

00:14:00,389 --> 00:13:58,000

and in the memo it says and this is

478

00:14:01,829 --> 00:14:00,399

november of 1950 flying saucers exist

479

00:14:03,350 --> 00:14:01,839

it's the most highly classified subject

480

00:14:05,030 --> 00:14:03,360

in the united states there's a small

481

00:14:06,150 --> 00:14:05,040

group headed by dr van de ver bush who

482

00:14:07,110 --> 00:14:06,160

are trying to figure out the modus

483

00:14:08,949 --> 00:14:07,120

operandi of the

484

00:14:10,550 --> 00:14:08,959

objects and it's of tremendous

485

00:14:12,710 --> 00:14:10,560

significance to the americans

486

00:14:14,230 --> 00:14:12,720

and then in 2012 i had this download

487

00:14:15,670 --> 00:14:14,240

experience where the next line of the

488

00:14:17,509 --> 00:14:15,680

document pops into my head

489

00:14:19,350 --> 00:14:17,519

and he says we're also told by american

490

00:14:20,949 --> 00:14:19,360

officials that other things might be

491

00:14:22,790 --> 00:14:20,959

associated with the flying saucers

492

00:14:24,870 --> 00:14:22,800

such as mental phenomena and the

493

00:14:26,389 --> 00:14:24,880

significant part of that is in 1950

494

00:14:27,030 --> 00:14:26,399

nobody ever talked to an alien yet the

495

00:14:28,949 --> 00:14:27,040

first

496

00:14:30,949 --> 00:14:28,959

contacts direct face-to-face contacts

497

00:14:32,550 --> 00:14:30,959

with aliens wasn't until

498

00:14:34,150 --> 00:14:32,560

about a week after the detonation of the

499

00:14:36,470 --> 00:14:34,160

hydrogen bomb when

500

00:14:38,230 --> 00:14:36,480

adamski and williamson these two guys

501
00:14:39,350 --> 00:14:38,240
were in the desert in california

502
00:14:40,949 --> 00:14:39,360
and they claim they've got this

503
00:14:42,069 --> 00:14:40,959
encounter with this being and being says

504
00:14:43,430 --> 00:14:42,079
you know you got to stop the nuclear

505
00:14:46,470 --> 00:14:43,440
weapons and all this kind of stuff

506
00:14:47,350 --> 00:14:46,480
so in 1950 nobody was talking to aliens

507
00:14:49,590 --> 00:14:47,360
so the question

508
00:14:51,030 --> 00:14:49,600
came how did they know mental phenomena

509
00:14:53,189 --> 00:14:51,040
was involved i mean you know

510
00:14:55,030 --> 00:14:53,199
nobody's even talking about aliens and

511
00:14:55,829 --> 00:14:55,040
so i do that pursuit and i'm trying to

512
00:14:57,910 --> 00:14:55,839
find out

513
00:14:59,509 --> 00:14:57,920

in the united states who gave the

514

00:14:59,829 --> 00:14:59,519

canadians the information and it was

515

00:15:02,069 --> 00:14:59,839

this

516

00:15:03,670 --> 00:15:02,079

idea like i'm trying to find the highest

517

00:15:05,030 --> 00:15:03,680

level person that i can

518

00:15:06,310 --> 00:15:05,040

because the highest level person will

519

00:15:07,670 --> 00:15:06,320

know what's going on and i'm going to

520

00:15:08,550 --> 00:15:07,680

find out who that person is and then try

521

00:15:11,430 --> 00:15:08,560

to figure out

522

00:15:12,069 --> 00:15:11,440

what they know and so i we discovered

523

00:15:14,150 --> 00:15:12,079

there was a guy

524

00:15:15,350 --> 00:15:14,160

who was a an engineer working for the

525

00:15:16,870 --> 00:15:15,360

american military

526

00:15:18,230 --> 00:15:16,880

who had given a lot of that material to

527

00:15:20,230 --> 00:15:18,240

the canadians and he said there'd been a

528

00:15:21,990 --> 00:15:20,240

crash in the west of the united states

529

00:15:23,430 --> 00:15:22,000

and then they had a set of briefings at

530

00:15:25,189 --> 00:15:23,440

wright-patterson air force base and a

531

00:15:27,910 --> 00:15:25,199

bunch of scientists like

532

00:15:29,350 --> 00:15:27,920

von braun von neumann the guy with the

533

00:15:31,509 --> 00:15:29,360

computers

534

00:15:32,870 --> 00:15:31,519

bush all these high-level scientists of

535

00:15:34,310 --> 00:15:32,880

the time had been invited

536

00:15:35,829 --> 00:15:34,320

and he said i couldn't go i was busy

537

00:15:37,430 --> 00:15:35,839

working on the dew line he was running

538

00:15:38,629 --> 00:15:37,440

the engineering project for the dew line

539

00:15:40,949 --> 00:15:38,639

in canada where they were

540

00:15:42,550 --> 00:15:40,959

picking up russian you know launches of

541

00:15:45,590 --> 00:15:42,560

missiles and stuff like that

542

00:15:46,710 --> 00:15:45,600

and he was asked the question well

543

00:15:48,310 --> 00:15:46,720

you're naming all these people they're

544

00:15:50,230 --> 00:15:48,320

all dead is there anybody still might be

545

00:15:52,470 --> 00:15:50,240

alive this is 1983.

546

00:15:54,470 --> 00:15:52,480

and he said well there's this one guy he

547

00:15:56,389 --> 00:15:54,480

was real arrogant guy he was he had a

548

00:15:57,829 --> 00:15:56,399

business like me he was in pennsylvania

549

00:15:59,990 --> 00:15:57,839

he was at a university

550

00:16:01,509 --> 00:16:00,000

and that got tracked down to be dr eric

551
00:16:03,670 --> 00:16:01,519
walker who was the former president

552
00:16:05,509 --> 00:16:03,680
of penn state university he had 14

553
00:16:06,870 --> 00:16:05,519
honorary doctorate degrees co-developer

554
00:16:08,069 --> 00:16:06,880
the homing torpedo

555
00:16:09,749 --> 00:16:08,079
chairman of the board of the institute

556
00:16:11,110 --> 00:16:09,759
for defense analysis the top military

557
00:16:12,629 --> 00:16:11,120
think tank in the united states

558
00:16:14,150 --> 00:16:12,639
so then i spent eight years chasing this

559
00:16:15,670 --> 00:16:14,160
guy and i didn't really talk to him i

560
00:16:17,030 --> 00:16:15,680
was sort of ran a team of people and

561
00:16:18,310 --> 00:16:17,040
they said i can get this guy to talk

562
00:16:19,829 --> 00:16:18,320
so i'd give the guy the phone numbers

563
00:16:21,189 --> 00:16:19,839

and all this kind of stuff and we had

564

00:16:22,150 --> 00:16:21,199

this discussion with this guy that

565

00:16:24,949 --> 00:16:22,160

lasted

566

00:16:26,150 --> 00:16:24,959

i guess about seven years before he died

567

00:16:27,350 --> 00:16:26,160

and

568

00:16:29,189 --> 00:16:27,360

when he was confronted with the whole

569

00:16:29,910 --> 00:16:29,199

thing he said yeah i was at the briefing

570

00:16:31,430 --> 00:16:29,920

so what

571

00:16:32,790 --> 00:16:31,440

and the guy went what do you mean this

572

00:16:34,550 --> 00:16:32,800

is extraterrestrials this is the most

573

00:16:36,230 --> 00:16:34,560

important story and he said

574

00:16:38,310 --> 00:16:36,240

don't get so excited you're up against

575

00:16:39,829 --> 00:16:38,320

the windmills leave it alone

576

00:16:41,910 --> 00:16:39,839

there's nothing you can do about it

577

00:16:43,590 --> 00:16:41,920

unless you have the mind of einstein

578

00:16:45,110 --> 00:16:43,600

you're not going to get anywhere and so

579

00:16:46,629 --> 00:16:45,120

we realized that this guy was talking in

580

00:16:47,269 --> 00:16:46,639

rhymes and riddles but he was sort of

581

00:16:48,790 --> 00:16:47,279

telling us

582

00:16:50,470 --> 00:16:48,800

that this was for real and then i was

583

00:16:53,749 --> 00:16:50,480

really sort of interested

584

00:16:55,590 --> 00:16:53,759

and later on part of the 2012 download

585

00:16:57,110 --> 00:16:55,600

was one of those expressions that dr

586

00:16:59,030 --> 00:16:57,120

eric walker had given to

587

00:17:00,790 --> 00:16:59,040

somebody in one of the interviews a guy

588

00:17:03,430 --> 00:17:00,800

from great britain was interviewing him

589

00:17:04,470 --> 00:17:03,440

and he said let me ask a question what

590

00:17:05,829 --> 00:17:04,480

do you know about esp

591

00:17:07,510 --> 00:17:05,839

the guy was asking the question like

592

00:17:09,189 --> 00:17:07,520

who's running the thing is there 12 guys

593

00:17:10,630 --> 00:17:09,199

is it an international group who's

594

00:17:11,669 --> 00:17:10,640

actually in control of this subject he

595

00:17:12,949 --> 00:17:11,679

said let me ask you a question we know

596

00:17:14,630 --> 00:17:12,959

about esp

597

00:17:16,470 --> 00:17:14,640

and the guy said well i really don't

598

00:17:17,350 --> 00:17:16,480

know he said look unless you understand

599

00:17:19,270 --> 00:17:17,360

about esp

600

00:17:20,949 --> 00:17:19,280

and how it works you will not be taken

601
00:17:22,390 --> 00:17:20,959
into the program very few people

602
00:17:23,590 --> 00:17:22,400
understand how it works

603
00:17:25,189 --> 00:17:23,600
and that was the second of this

604
00:17:26,949 --> 00:17:25,199
consciousness thing this that sort of

605
00:17:28,710 --> 00:17:26,959
twisted me in 2012

606
00:17:30,950 --> 00:17:28,720
where i just basically gave up on ufos

607
00:17:32,789 --> 00:17:30,960
and said no it's a consciousness problem

608
00:17:34,630 --> 00:17:32,799
and the third one i had three things

609
00:17:36,070 --> 00:17:34,640
that happened in 2012 first was the line

610
00:17:38,390 --> 00:17:36,080
from the canadian government document

611
00:17:40,470 --> 00:17:38,400
second was dr eric walker asking us

612
00:17:42,710 --> 00:17:40,480
about esp being the main thing

613
00:17:44,230 --> 00:17:42,720

and the third was a conversation that

614

00:17:45,830 --> 00:17:44,240

took place with

615

00:17:47,110 --> 00:17:45,840

ben rich who used to run lockheed skunk

616

00:17:48,870 --> 00:17:47,120

works and it's always been rumored that

617

00:17:50,230 --> 00:17:48,880

any back engineering stuff is being done

618

00:17:52,310 --> 00:17:50,240

by lockheed skunk works

619

00:17:54,549 --> 00:17:52,320

so ben rich run the program and he made

620

00:17:55,909 --> 00:17:54,559

a comment in one lecture at ucla

621

00:17:57,350 --> 00:17:55,919

where he said we've now discovered the

622

00:17:59,350 --> 00:17:57,360

technology to take it home we've

623

00:18:01,510 --> 00:17:59,360

discovered the mistake in the equation

624

00:18:02,870 --> 00:18:01,520

and one engineer in the room was big

625

00:18:04,150 --> 00:18:02,880

into ufos

626
00:18:05,750 --> 00:18:04,160
confronted him as he was leaving the

627
00:18:06,390 --> 00:18:05,760
building and said you're talking about

628
00:18:07,830 --> 00:18:06,400
this

629
00:18:09,190 --> 00:18:07,840
i need to know i'm interested in

630
00:18:10,150 --> 00:18:09,200
propulsion how does this thing get here

631
00:18:11,750 --> 00:18:10,160
how does it work

632
00:18:13,350 --> 00:18:11,760
and he turned around he said exactly

633
00:18:14,950 --> 00:18:13,360
what walker had said two years before he

634
00:18:17,830 --> 00:18:14,960
said let me ask you a question

635
00:18:19,190 --> 00:18:17,840
who knew about esp and the guy said uh

636
00:18:20,150 --> 00:18:19,200
well it means all things in time and

637
00:18:21,510 --> 00:18:20,160
space are connected

638
00:18:23,270 --> 00:18:21,520

and he said that's how it works and

639

00:18:26,549 --> 00:18:23,280

walked out of the building and

640

00:18:28,630 --> 00:18:26,559

so that became my move away in 2012 i

641

00:18:31,350 --> 00:18:28,640

chased the presidents there was no real

642

00:18:33,990 --> 00:18:31,360

documents in the presidential libraries

643

00:18:35,750 --> 00:18:34,000

it was clear that even in 1948

644

00:18:36,070 --> 00:18:35,760

eisenhower had gotten briefings on ufos

645

00:18:37,750 --> 00:18:36,080

but

646

00:18:40,310 --> 00:18:37,760

they're all done orally so there was

647

00:18:42,230 --> 00:18:40,320

really no paper trail to follow

648

00:18:43,510 --> 00:18:42,240

and you assume that the president must

649

00:18:45,110 --> 00:18:43,520

know what's going on but

650

00:18:47,110 --> 00:18:45,120

it appeared that they didn't have the

651
00:18:50,070 --> 00:18:47,120
full answer and so

652
00:18:51,270 --> 00:18:50,080
in 2012 i'm watching colin andrews who

653
00:18:53,830 --> 00:18:51,280
invented the crop circle

654
00:18:55,510 --> 00:18:53,840
phenomena in great britain and you know

655
00:18:57,750 --> 00:18:55,520
came up with the term crop circles

656
00:18:59,029 --> 00:18:57,760
he's giving a lecture at a big

657
00:19:02,070 --> 00:18:59,039
conference in

658
00:19:04,710 --> 00:19:02,080
phoenix which was the world ufo congress

659
00:19:05,990 --> 00:19:04,720
and it's one of these congresses where

660
00:19:07,430 --> 00:19:06,000
it goes from 8 o'clock in the morning to

661
00:19:08,549 --> 00:19:07,440
11 o'clock at night you don't go to all

662
00:19:09,990 --> 00:19:08,559
the lectures you just sort of pick and

663
00:19:11,029 --> 00:19:10,000

choose which lectures

664

00:19:12,870 --> 00:19:11,039

and when you're going to eat lunch and

665

00:19:14,310 --> 00:19:12,880

stuff so colin anders was giving this

666

00:19:15,750 --> 00:19:14,320

lecture and i wasn't interested in crop

667

00:19:18,230 --> 00:19:15,760

circles i had no

668

00:19:19,669 --> 00:19:18,240

sort of knack for what was going on but

669

00:19:20,950 --> 00:19:19,679

i realized he was a major researcher and

670

00:19:22,310 --> 00:19:20,960

well i'll pay him the respect i'll go

671

00:19:22,870 --> 00:19:22,320

watch his lecture or see what he's got

672

00:19:24,150 --> 00:19:22,880

to say

673

00:19:26,630 --> 00:19:24,160

and he was talking about consciousness

674

00:19:29,430 --> 00:19:26,640

in crop circles and his contention was

675

00:19:30,789 --> 00:19:29,440

that 20 of these crop circles were being

676
00:19:31,510 --> 00:19:30,799
made by the intelligence behind the

677
00:19:33,110 --> 00:19:31,520
phenomena

678
00:19:34,789 --> 00:19:33,120
and the other 80 were also being done

679
00:19:36,390 --> 00:19:34,799
they were getting the hoaxers

680
00:19:37,750 --> 00:19:36,400
and putting ideas in their head to put

681
00:19:38,549 --> 00:19:37,760
this stuff down he had all these

682
00:19:39,990 --> 00:19:38,559
examples of

683
00:19:41,510 --> 00:19:40,000
people who had hoax crop circles and

684
00:19:42,870 --> 00:19:41,520
would talk about sitting in their living

685
00:19:43,750 --> 00:19:42,880
room and suddenly getting an idea to put

686
00:19:45,190 --> 00:19:43,760
this crop circle

687
00:19:47,430 --> 00:19:45,200
and they'd go into the field and make a

688
00:19:49,110 --> 00:19:47,440

crop circle the exact crop circle that a

689

00:19:51,190 --> 00:19:49,120

bunch of women were in the same field

690

00:19:52,870 --> 00:19:51,200

meditating that exact pattern

691

00:19:54,470 --> 00:19:52,880

so when he was giving this lecture

692

00:19:55,990 --> 00:19:54,480

suddenly it was

693

00:19:58,230 --> 00:19:56,000

i wrote a book just recently called

694

00:19:59,830 --> 00:19:58,240

contact modalities where i look at 70

695

00:20:01,190 --> 00:19:59,840

different modalities how do you get into

696

00:20:03,270 --> 00:20:01,200

the non-local field and

697

00:20:05,190 --> 00:20:03,280

you can use hypnosis and meditation and

698

00:20:07,350 --> 00:20:05,200

psychedelics and there's all these ways

699

00:20:09,190 --> 00:20:07,360

to get out of the conscious ego mind and

700

00:20:11,430 --> 00:20:09,200

bypass that and get in the field

701
00:20:13,029 --> 00:20:11,440
and the method i've used all these years

702
00:20:14,549 --> 00:20:13,039
is sort of daydreaming

703
00:20:16,149 --> 00:20:14,559
so i'm in the lecture i really don't

704
00:20:18,390 --> 00:20:16,159
want to be there i'm thinking about well

705
00:20:20,070 --> 00:20:18,400
let's go across the river to the library

706
00:20:22,149 --> 00:20:20,080
maybe i'll go for lunch and i didn't

707
00:20:23,510 --> 00:20:22,159
want to be there and i sort of zoned out

708
00:20:25,270 --> 00:20:23,520
and that's when it happened it happened

709
00:20:26,070 --> 00:20:25,280
instantaneously and i described this to

710
00:20:29,110 --> 00:20:26,080
people

711
00:20:29,990 --> 00:20:29,120
download experiences and i wrote a whole

712
00:20:31,430 --> 00:20:30,000
book on

713
00:20:33,190 --> 00:20:31,440

you know where major inventions and

714

00:20:34,950 --> 00:20:33,200

nobel prizes come from a lot of them

715

00:20:36,310 --> 00:20:34,960

come through this sort of a download or

716

00:20:37,750 --> 00:20:36,320

a noetic experience

717

00:20:39,430 --> 00:20:37,760

so i'm sitting there and it came

718

00:20:41,350 --> 00:20:39,440

instantaneously it was like a bang

719

00:20:42,549 --> 00:20:41,360

it was in my head and it was like oh

720

00:20:44,470 --> 00:20:42,559

that's how it works

721

00:20:45,750 --> 00:20:44,480

and i describe people who haven't had

722

00:20:47,350 --> 00:20:45,760

the download experience the hardest

723

00:20:50,549 --> 00:20:47,360

thing to explain to people

724

00:20:52,549 --> 00:20:50,559

is the fact that when it happens

725

00:20:53,590 --> 00:20:52,559

you're being shown reality it's not like

726

00:20:55,909 --> 00:20:53,600

oh this is a good idea

727

00:20:57,669 --> 00:20:55,919

it's like oh this is for real this is

728

00:20:58,870 --> 00:20:57,679

more real than the real world this is

729

00:21:00,870 --> 00:20:58,880

you don't have to check this you don't

730

00:21:01,590 --> 00:21:00,880

have to do anything this is how it works

731

00:21:03,750 --> 00:21:01,600

so i had this

732

00:21:05,669 --> 00:21:03,760

absolute certainty that this works and

733

00:21:06,789 --> 00:21:05,679

that changed my whole career then i

734

00:21:09,430 --> 00:21:06,799

started to move

735

00:21:10,950 --> 00:21:09,440

towards this whole idea of the

736

00:21:11,590 --> 00:21:10,960

consciousness being part of this whole

737

00:21:14,549 --> 00:21:11,600

thing

738

00:21:16,710 --> 00:21:14,559

and in 2013 i was actually giving my

739

00:21:19,350 --> 00:21:16,720

first consciousness lecture in phoenix

740

00:21:21,270 --> 00:21:19,360

and at the end of the lecture the woman

741

00:21:22,230 --> 00:21:21,280

who runs the big phoenix ufo group said

742

00:21:24,310 --> 00:21:22,240

to me

743

00:21:26,149 --> 00:21:24,320

are you still going to talk to pam and i

744

00:21:27,430 --> 00:21:26,159

said yeah i guess so i thought well i

745

00:21:28,470 --> 00:21:27,440

must have agreed to talk to this one or

746

00:21:29,590 --> 00:21:28,480

whatever so that's good she's coming to

747

00:21:31,190 --> 00:21:29,600

my house on monday

748

00:21:32,870 --> 00:21:31,200

but she wants to talk to you so i don't

749

00:21:34,070 --> 00:21:32,880

know what this is about and so this pam

750

00:21:36,149 --> 00:21:34,080

she's in her 70s

751
00:21:37,669 --> 00:21:36,159
comes to the house with her partner and

752
00:21:39,270 --> 00:21:37,679
she says what did stacy tell you about

753
00:21:40,230 --> 00:21:39,280
me i said i don't know i'm just supposed

754
00:21:42,070 --> 00:21:40,240
to talk to you so

755
00:21:43,430 --> 00:21:42,080
that's good she sits down she starts

756
00:21:45,590 --> 00:21:43,440
this whole thing

757
00:21:46,870 --> 00:21:45,600
i've been abducted i was in the field

758
00:21:48,070 --> 00:21:46,880
the ufos were there and i was in my

759
00:21:48,870 --> 00:21:48,080
diaper and she's going through this

760
00:21:50,230 --> 00:21:48,880
whole thing and it's

761
00:21:52,230 --> 00:21:50,240
all these weird stories that you hear

762
00:21:53,909 --> 00:21:52,240
all the time from experiencers

763
00:21:55,350 --> 00:21:53,919

and she went on and then suddenly she

764

00:21:57,270 --> 00:21:55,360

drops the bomb she says

765

00:21:59,190 --> 00:21:57,280

oh and i was flying the craft last night

766

00:22:00,549 --> 00:21:59,200

and went what

767

00:22:02,630 --> 00:22:00,559

did you say yeah i was flying the crap i

768

00:22:04,310 --> 00:22:02,640

said you were flying the flying saucer

769

00:22:05,669 --> 00:22:04,320

and she said yeah and i was ready to say

770

00:22:06,870 --> 00:22:05,679

you are absolutely nuts i mean i've

771

00:22:07,909 --> 00:22:06,880

heard a lot of weird stories this is the

772

00:22:09,750 --> 00:22:07,919

craziest thing i've ever heard

773

00:22:11,430 --> 00:22:09,760

and so i said to her i said they let you

774

00:22:13,270 --> 00:22:11,440

flood the flying saucer and she said

775

00:22:14,870 --> 00:22:13,280

yeah i've flown three different models

776

00:22:15,510 --> 00:22:14,880

and i said well how do you fly a flying

777

00:22:17,430 --> 00:22:15,520

saucer

778

00:22:18,710 --> 00:22:17,440

and she said oh you do it with your mind

779

00:22:20,549 --> 00:22:18,720

and that was

780

00:22:22,310 --> 00:22:20,559

a real key to me because i started

781

00:22:24,310 --> 00:22:22,320

chasing experiencers

782

00:22:25,669 --> 00:22:24,320

and i've got 50 people who have flown

783

00:22:26,950 --> 00:22:25,679

the flying saucer who have claimed and

784

00:22:28,230 --> 00:22:26,960

i'll cut them off i'll say stop

785

00:22:29,590 --> 00:22:28,240

i want to interview you i want you to

786

00:22:30,230 --> 00:22:29,600

start from the beginning go to the end

787

00:22:32,870 --> 00:22:30,240

tell me

788

00:22:33,510 --> 00:22:32,880

i've got u.s air force retired colonel

789

00:22:36,230 --> 00:22:33,520

out of

790

00:22:37,909 --> 00:22:36,240

los angeles san francisco i've got a 747

791

00:22:38,549 --> 00:22:37,919

united airlines pilot all these people

792

00:22:40,390 --> 00:22:38,559

and

793

00:22:41,990 --> 00:22:40,400

nobody says anything different they say

794

00:22:43,590 --> 00:22:42,000

oh it was just a dream i said everybody

795

00:22:45,270 --> 00:22:43,600

thinks it's a dream tell me your dream

796

00:22:47,110 --> 00:22:45,280

and they'll tell the story about they go

797

00:22:48,310 --> 00:22:47,120

into the craft and there's somebody

798

00:22:49,590 --> 00:22:48,320

behind them they don't know whether it's

799

00:22:51,669 --> 00:22:49,600

humans or whether it's

800

00:22:53,029 --> 00:22:51,679

aliens and they're standing in the craft

801
00:22:58,630 --> 00:22:53,039
and

802
00:23:00,310 --> 00:22:58,640
air force colonel said

803
00:23:01,909 --> 00:23:00,320
i said i don't know what to do and they

804
00:23:03,350 --> 00:23:01,919
said you know what to do just do it

805
00:23:05,350 --> 00:23:03,360
and he went and there was a panel there

806
00:23:06,789 --> 00:23:05,360
and he put his hands on this panel

807
00:23:08,390 --> 00:23:06,799
and he said suddenly he was flying the

808
00:23:09,510 --> 00:23:08,400
craft and whatever he thought is what

809
00:23:11,590 --> 00:23:09,520
the craft did

810
00:23:12,630 --> 00:23:11,600
and he described this he took one hand

811
00:23:13,830 --> 00:23:12,640
off the panel

812
00:23:15,990 --> 00:23:13,840
and he was waiting for this thing to

813
00:23:17,270 --> 00:23:16,000

stall and then nothing happened he took

814

00:23:18,950 --> 00:23:17,280

his other hand but he left it about a

815

00:23:21,750 --> 00:23:18,960

couple inches off the panel

816

00:23:22,549 --> 00:23:21,760

and he was still flying the craft so the

817

00:23:23,990 --> 00:23:22,559

50 people

818

00:23:25,029 --> 00:23:24,000

everybody has said exactly the same

819

00:23:25,590 --> 00:23:25,039

thing it's like they're reading off a

820

00:23:28,390 --> 00:23:25,600

script

821

00:23:30,070 --> 00:23:28,400

you go in there they tell you to do this

822

00:23:31,190 --> 00:23:30,080

you either put your hand on a panel or

823

00:23:33,029 --> 00:23:31,200

you put it on a

824

00:23:35,190 --> 00:23:33,039

something on a wall sort of a plaque on

825

00:23:37,750 --> 00:23:35,200

the wall or you put it on a ball

826

00:23:39,029 --> 00:23:37,760

and you become one with the craft the

827

00:23:41,029 --> 00:23:39,039

craft is alive

828

00:23:42,710 --> 00:23:41,039

and you become one and whatever you

829

00:23:44,149 --> 00:23:42,720

think is what the craft does and you you

830

00:23:44,950 --> 00:23:44,159

can get bizarre stories where the one

831

00:23:46,149 --> 00:23:44,960

guy says

832

00:23:48,549 --> 00:23:46,159

they asked him where would you like to

833

00:23:49,590 --> 00:23:48,559

go and he said i'd like to see the milky

834

00:23:52,710 --> 00:23:49,600

way from a distance

835

00:23:53,110 --> 00:23:52,720

and he said within one second sort of

836

00:23:57,110 --> 00:23:53,120

the

837

00:23:59,350 --> 00:23:57,120

transparent on one side

838

00:24:01,350 --> 00:23:59,360

and one second he said i'm outside the

839

00:24:02,950 --> 00:24:01,360

milky way looking back at the milky way

840

00:24:05,110 --> 00:24:02,960

so that's when i really started to

841

00:24:08,549 --> 00:24:05,120

realize that this was

842

00:24:10,789 --> 00:24:08,559

where i had to go and then in 2017

843

00:24:12,470 --> 00:24:10,799

i had another download experience again

844

00:24:13,909 --> 00:24:12,480

i'm walking so i do a lot of walking i

845

00:24:15,430 --> 00:24:13,919

walk at least 10 miles a day and i

846

00:24:17,269 --> 00:24:15,440

listen to podcasts and stuff

847

00:24:19,110 --> 00:24:17,279

so i'm walking downtown it's a six mile

848

00:24:20,950 --> 00:24:19,120

walk and i'm about

849

00:24:22,310 --> 00:24:20,960

two miles into it and all of a sudden it

850

00:24:23,269 --> 00:24:22,320

comes and for anybody's had these

851
00:24:24,870 --> 00:24:23,279
download experiences

852
00:24:26,630 --> 00:24:24,880
you know pick up the pen start writing

853
00:24:28,390 --> 00:24:26,640
this is it this is real material

854
00:24:29,990 --> 00:24:28,400
and so it's very cold out i take my

855
00:24:30,630 --> 00:24:30,000
glove off i got this piece of paper and

856
00:24:32,230 --> 00:24:30,640
i'm writing

857
00:24:34,470 --> 00:24:32,240
and this stuff is coming into my head

858
00:24:37,350 --> 00:24:34,480
one two three this stuff is coming in

859
00:24:38,789 --> 00:24:37,360
and what it is is is it this or is it

860
00:24:40,390 --> 00:24:38,799
that so in your introduction you talked

861
00:24:42,630 --> 00:24:40,400
about this consciousness thing so

862
00:24:44,149 --> 00:24:42,640
it says to me is the world made out of

863
00:24:46,470 --> 00:24:44,159

little nuts and bolts

864

00:24:47,669 --> 00:24:46,480

if it is well then that's one world and

865

00:24:50,789 --> 00:24:47,679

consciousness will

866

00:24:52,549 --> 00:24:50,799

emerge from nuts and bolts but if the

867

00:24:54,870 --> 00:24:52,559

world's made out of consciousness

868

00:24:56,789 --> 00:24:54,880

then it's a whole different world then

869

00:24:58,710 --> 00:24:56,799

matter comes out of consciousness

870

00:25:00,710 --> 00:24:58,720

is the world random if it's random then

871

00:25:02,789 --> 00:25:00,720

that's one world but if it's a pattern

872

00:25:03,750 --> 00:25:02,799

then that's a completely different world

873

00:25:05,430 --> 00:25:03,760

is there one life

874

00:25:06,710 --> 00:25:05,440

if there's one life that's one world

875

00:25:08,310 --> 00:25:06,720

with certain rules but if there's

876

00:25:09,909 --> 00:25:08,320

multiple lives then and it was like you

877

00:25:10,950 --> 00:25:09,919

think it's this it's actually this is

878

00:25:13,190 --> 00:25:10,960

actually the opposite

879

00:25:14,230 --> 00:25:13,200

and i had about 16 or 17 things came

880

00:25:15,830 --> 00:25:14,240

into my head

881

00:25:17,430 --> 00:25:15,840

and then the feeling went away i put the

882

00:25:19,269 --> 00:25:17,440

pen away put the paper away started

883

00:25:21,990 --> 00:25:19,279

walking again and started again

884

00:25:23,110 --> 00:25:22,000

and i ended up with 24 different things

885

00:25:25,029 --> 00:25:23,120

and it was these

886

00:25:26,310 --> 00:25:25,039

sort of like what is reality so that has

887

00:25:28,549 --> 00:25:26,320

been my chase

888

00:25:30,710 --> 00:25:28,559

say in the last 10 years is to look at

889

00:25:32,470 --> 00:25:30,720

everything in terms of

890

00:25:34,470 --> 00:25:32,480

how does this fit into reality how does

891

00:25:34,870 --> 00:25:34,480

reality actually works and it's the idea

892

00:25:36,390 --> 00:25:34,880

that

893

00:25:37,990 --> 00:25:36,400

whether you go to sunday school or

894

00:25:39,990 --> 00:25:38,000

whether you go to science sunday school

895

00:25:41,510 --> 00:25:40,000

we've got a lot of garbage in our head

896

00:25:42,310 --> 00:25:41,520

that we just believe because someone

897

00:25:45,029 --> 00:25:42,320

told us

898

00:25:46,630 --> 00:25:45,039

and we built sort of a world view and

899

00:25:48,549 --> 00:25:46,640

i'm very much into the right brain left

900

00:25:50,310 --> 00:25:48,559

brain thing that the left brain

901
00:25:51,750 --> 00:25:50,320
will build this world view and once it

902
00:25:53,909 --> 00:25:51,760
builds that world view

903
00:25:54,789 --> 00:25:53,919
it will not change and until you have

904
00:25:57,269 --> 00:25:54,799
one of these

905
00:25:57,909 --> 00:25:57,279
experiences where you have an experience

906
00:25:59,990 --> 00:25:57,919
so it's

907
00:26:01,590 --> 00:26:00,000
the thing whether it's knowledge or

908
00:26:02,390 --> 00:26:01,600
whether it's belief and most people

909
00:26:04,149 --> 00:26:02,400
think it's

910
00:26:05,510 --> 00:26:04,159
knowledge and it's actually belief and

911
00:26:06,789 --> 00:26:05,520
only through the experience do you

912
00:26:07,510 --> 00:26:06,799
actually get the knowledge like you do

913
00:26:09,029 --> 00:26:07,520

throughout

914

00:26:10,870 --> 00:26:09,039

one of these download experiences so

915

00:26:13,669 --> 00:26:10,880

that's sort of how it happened

916

00:26:15,830 --> 00:26:13,679

and so i've gotten into a lot with

917

00:26:17,110 --> 00:26:15,840

contact modalities i wrote

918

00:26:19,510 --> 00:26:17,120

because i had the modality of this

919

00:26:21,029 --> 00:26:19,520

download type thing so i i looked at 70

920

00:26:22,149 --> 00:26:21,039

different modalities

921

00:26:23,590 --> 00:26:22,159

so you get all these different things

922

00:26:24,310 --> 00:26:23,600

and everybody sort of builds a religion

923

00:26:25,990 --> 00:26:24,320

out of theirs

924

00:26:27,669 --> 00:26:26,000

somebody will say oh hypnosis is the way

925

00:26:29,510 --> 00:26:27,679

to go and they they spend all their time

926
00:26:31,590 --> 00:26:29,520
on hypnosis and this is the way to go

927
00:26:33,110 --> 00:26:31,600
some people do psychedelics and i looked

928
00:26:34,870 --> 00:26:33,120
at all the modalities and i basically

929
00:26:35,430 --> 00:26:34,880
came to conclusion it's all the same

930
00:26:38,470 --> 00:26:35,440
thing

931
00:26:39,510 --> 00:26:38,480
consciousness is primary it's all goes

932
00:26:41,350 --> 00:26:39,520
back to consciousness

933
00:26:43,269 --> 00:26:41,360
and all these different modalities to

934
00:26:45,909 --> 00:26:43,279
get into the non-local field

935
00:26:48,310 --> 00:26:45,919
are just different paths to the same end

936
00:26:50,870 --> 00:26:48,320
result

937
00:26:53,350 --> 00:26:50,880
i'm with you there and that is a great

938
00:26:55,990 --> 00:26:53,360

summary of a long long journey

939

00:26:57,590 --> 00:26:56,000

and the mind aspect is what i wanted to

940

00:26:59,029 --> 00:26:57,600

focus on i have this great quote of

941

00:27:02,870 --> 00:26:59,039

yours where you say

942

00:27:05,669 --> 00:27:02,880

it's most significant that in 1947

943

00:27:07,110 --> 00:27:05,679

on day one when this thing starts they

944

00:27:09,269 --> 00:27:07,120

realize there's a mental

945

00:27:11,350 --> 00:27:09,279

aspect and realize that we would learn

946

00:27:12,470 --> 00:27:11,360

later that's how you fly the craft you

947

00:27:14,230 --> 00:27:12,480

use your mind

948

00:27:16,390 --> 00:27:14,240

and this is one of the most provocative

949

00:27:17,909 --> 00:27:16,400

areas to me that we have the big crash

950

00:27:20,070 --> 00:27:17,919

in 1947

951
00:27:21,510 --> 00:27:20,080
we have project paperclip going on

952
00:27:25,029 --> 00:27:21,520
between 1945

953
00:27:26,310 --> 00:27:25,039
and 1959 and we have the mk ultra

954
00:27:28,230 --> 00:27:26,320
project starting

955
00:27:29,669 --> 00:27:28,240
right there in the early 50s and it's

956
00:27:31,909 --> 00:27:29,679
such curious timing

957
00:27:33,590 --> 00:27:31,919
i'm sure there are a lot of reasons for

958
00:27:34,950 --> 00:27:33,600
what they did with mk ultra and

959
00:27:38,149 --> 00:27:34,960
artichoke and all that

960
00:27:40,389 --> 00:27:38,159
but do you think this ufo tech or

961
00:27:42,070 --> 00:27:40,399
the ufo alien question is at least

962
00:27:45,830 --> 00:27:42,080
partly what drove the

963
00:27:48,070 --> 00:27:45,840

mk ultra mind cracking research

964

00:27:50,630 --> 00:27:48,080

it may have been but i think the group

965

00:27:52,310 --> 00:27:50,640

is very limited in terms of

966

00:27:53,669 --> 00:27:52,320

how many people actually know the

967

00:27:54,950 --> 00:27:53,679

consciousness connection like you'll get

968

00:27:57,269 --> 00:27:54,960

tom delong who's the

969

00:27:58,470 --> 00:27:57,279

to the stars academy where he goes to

970

00:28:00,470 --> 00:27:58,480

lockheed he's allowed to go into a

971

00:28:02,630 --> 00:28:00,480

lockheed skiff and he's talking and the

972

00:28:04,870 --> 00:28:02,640

head scientist at lockheed says to him

973

00:28:05,990 --> 00:28:04,880

so how do you think this works that's

974

00:28:06,389 --> 00:28:06,000

all i want to know how does this work

975

00:28:10,070 --> 00:28:06,399

and he

976
00:28:10,789 --> 00:28:10,080
associated with dr stephen greer in his

977
00:28:12,549 --> 00:28:10,799
early days

978
00:28:14,310 --> 00:28:12,559
tom delong and he said i think

979
00:28:15,269 --> 00:28:14,320
consciousness is involved and then the

980
00:28:16,870 --> 00:28:15,279
head scientist said

981
00:28:18,230 --> 00:28:16,880
now you're talking and he said that's

982
00:28:19,669 --> 00:28:18,240
all this head scientists wanted to talk

983
00:28:22,470 --> 00:28:19,679
about for 45 minutes

984
00:28:24,470 --> 00:28:22,480
because in 1947 the story sort of

985
00:28:25,669 --> 00:28:24,480
changed as we went through the years as

986
00:28:27,830 --> 00:28:25,679
we got more witnesses

987
00:28:29,350 --> 00:28:27,840
that everybody sort of had the idea that

988
00:28:30,230 --> 00:28:29,360

the thing had crashed and there was four

989

00:28:31,909 --> 00:28:30,240

dead aliens

990

00:28:33,510 --> 00:28:31,919

and then later on it became known that

991

00:28:35,269 --> 00:28:33,520

it was probably more probable

992

00:28:37,029 --> 00:28:35,279

that there was three dead aliens and one

993

00:28:39,269 --> 00:28:37,039

live alien and that's what the answer to

994

00:28:41,590 --> 00:28:39,279

that 1950 question was well how did the

995

00:28:43,190 --> 00:28:41,600

americans know to tell the canadians

996

00:28:44,950 --> 00:28:43,200

that there was mental phenomena involved

997

00:28:47,029 --> 00:28:44,960

because nobody was talking to aliens

998

00:28:48,789 --> 00:28:47,039

and the idea would be that they had a

999

00:28:50,389 --> 00:28:48,799

live alien and all the reports from the

1000

00:28:51,269 --> 00:28:50,399

live alien was that he was talking in

1001

00:28:52,630 --> 00:28:51,279

people's heads

1002

00:28:54,230 --> 00:28:52,640

so they knew this sort of thing they

1003

00:28:55,669 --> 00:28:54,240

knew consciousness was something that

1004

00:28:57,350 --> 00:28:55,679

they had to crack but i think

1005

00:28:59,669 --> 00:28:57,360

what they were looking at was not so

1006

00:29:00,710 --> 00:28:59,679

much the ufo aspect but the idea that if

1007

00:29:02,710 --> 00:29:00,720

you can

1008

00:29:04,710 --> 00:29:02,720

get in somebody's mind like this alien

1009

00:29:06,230 --> 00:29:04,720

was doing then you can get into

1010

00:29:07,990 --> 00:29:06,240

you know the russian leader or the

1011

00:29:09,430 --> 00:29:08,000

chinese leader's head you can put stuff

1012

00:29:11,430 --> 00:29:09,440

in his head and stuff like that

1013

00:29:13,029 --> 00:29:11,440

so they went down that but they realized

1014

00:29:15,990 --> 00:29:13,039

in the 1950s

1015

00:29:17,430 --> 00:29:16,000

that consciousness was something that

1016

00:29:19,110 --> 00:29:17,440

you could manipulate and that's the

1017

00:29:20,950 --> 00:29:19,120

problem i've always had with them

1018

00:29:23,350 --> 00:29:20,960

is that they're always trying to turn it

1019

00:29:24,950 --> 00:29:23,360

into some sort of good versus evil thing

1020

00:29:27,269 --> 00:29:24,960

and we're going to use this to build

1021

00:29:28,789 --> 00:29:27,279

weapons out of it and most of the

1022

00:29:31,269 --> 00:29:28,799

messages you get from the intelligence

1023

00:29:32,630 --> 00:29:31,279

say no you're going down the wrong road

1024

00:29:35,430 --> 00:29:32,640

you're not going to get anything

1025

00:29:36,389 --> 00:29:35,440

in fact there's a story told some of the

1026

00:29:39,350 --> 00:29:36,399

biggest people that

1027

00:29:40,950 --> 00:29:39,360

i think know in the sort of the white

1028

00:29:42,230 --> 00:29:40,960

world about what's going on or people

1029

00:29:44,710 --> 00:29:42,240

like hal put off

1030

00:29:46,470 --> 00:29:44,720

jacques valet and kit green who was at

1031

00:29:47,830 --> 00:29:46,480

the cia he was the control officer for

1032

00:29:50,070 --> 00:29:47,840

the remote viewing program

1033

00:29:51,750 --> 00:29:50,080

and in the 1980s they actually had a

1034

00:29:53,350 --> 00:29:51,760

meeting a famous meeting

1035

00:29:54,870 --> 00:29:53,360

that's rumored happened at the denny's

1036

00:29:56,950 --> 00:29:54,880

restaurant and they said there's lots of

1037

00:29:58,310 --> 00:29:56,960

garbage there's lots of stories here

1038

00:29:59,830 --> 00:29:58,320

how do we know what to believe and they

1039

00:30:00,389 --> 00:29:59,840

came up with what's called the core

1040

00:30:01,990 --> 00:30:00,399

story

1041

00:30:04,710 --> 00:30:02,000

what do we know for sure and their

1042

00:30:06,389 --> 00:30:04,720

conclusion was number one

1043

00:30:08,470 --> 00:30:06,399

we're being interacted by some sort of

1044

00:30:11,510 --> 00:30:08,480

intelligence number two we've got

1045

00:30:13,669 --> 00:30:11,520

hardware recovered hardware

1046

00:30:15,590 --> 00:30:13,679

and we're unable to back engineer and

1047

00:30:17,430 --> 00:30:15,600

that's what i believe so we may have had

1048

00:30:19,190 --> 00:30:17,440

a craft since 1947

1049

00:30:21,350 --> 00:30:19,200

but we can't turn it on we have no idea

1050

00:30:22,630 --> 00:30:21,360

it's like using your thumbprint to open

1051

00:30:24,230 --> 00:30:22,640

up your cell phone

1052

00:30:25,830 --> 00:30:24,240

you need consciousness to turn this

1053

00:30:26,389 --> 00:30:25,840

thing on so they've got bodies they got

1054

00:30:28,310 --> 00:30:26,399

crafts

1055

00:30:30,470 --> 00:30:28,320

but they still really don't understand

1056

00:30:34,149 --> 00:30:30,480

how that consciousness thing

1057

00:30:36,310 --> 00:30:34,159

actually works and yet the highest level

1058

00:30:38,789 --> 00:30:36,320

guy that i've dealt with

1059

00:30:41,350 --> 00:30:38,799

is a guy named ron pandolfi and he's

1060

00:30:42,870 --> 00:30:41,360

been with the ci since 1983

1061

00:30:46,070 --> 00:30:42,880

he's rumored to be the guy that briefs

1062

00:30:47,909 --> 00:30:46,080

trump on ufo type stuff

1063

00:30:49,350 --> 00:30:47,919

very high level guy i'm not even sure if

1064

00:30:51,909 --> 00:30:49,360

he's with the ci or who he's with

1065

00:30:52,710 --> 00:30:51,919

anymore but he basically talks about all

1066

00:30:54,630 --> 00:30:52,720

the

1067

00:30:56,149 --> 00:30:54,640

stuff that is being done on anti-gravity

1068

00:30:59,190 --> 00:30:56,159

and all that kind of stuff

1069

00:31:01,269 --> 00:30:59,200

he basically says it's a techno scam

1070

00:31:02,789 --> 00:31:01,279

and this is the whole idea is so you may

1071

00:31:04,630 --> 00:31:02,799

have some research whether it's remote

1072

00:31:07,269 --> 00:31:04,640

viewing research or whether it's

1073

00:31:08,630 --> 00:31:07,279

mk ultra stuff but we always think that

1074

00:31:11,190 --> 00:31:08,640

they've got it all figured out and in

1075

00:31:12,870 --> 00:31:11,200

fact they're having a very hard time

1076

00:31:15,110 --> 00:31:12,880

doing it and he started talking about

1077

00:31:16,070 --> 00:31:15,120

portals and i'm thinking well why is he

1078

00:31:19,110 --> 00:31:16,080

is he trying to throw us

1079

00:31:22,149 --> 00:31:19,120

off with this portal thing and

1080

00:31:22,870 --> 00:31:22,159

i now sort of conclude that they really

1081

00:31:25,190 --> 00:31:22,880

don't have

1082

00:31:26,470 --> 00:31:25,200

any sort of technology like anti-gravity

1083

00:31:27,509 --> 00:31:26,480

technology or anything you hear all

1084

00:31:28,789 --> 00:31:27,519

these stories they're flying to

1085

00:31:30,149 --> 00:31:28,799

different planets and stuff

1086

00:31:31,269 --> 00:31:30,159

i think that's true that they don't

1087

00:31:32,230 --> 00:31:31,279

they're trying to get money from

1088

00:31:33,430 --> 00:31:32,240

congress so they're

1089

00:31:34,710 --> 00:31:33,440

in front of the senate intelligence

1090

00:31:35,750 --> 00:31:34,720

committee in the armed services

1091

00:31:38,149 --> 00:31:35,760

committee and they're saying

1092

00:31:39,350 --> 00:31:38,159

oh these aliens could be a these uaps

1093

00:31:40,310 --> 00:31:39,360

can be threats and we have to do

1094

00:31:42,549 --> 00:31:40,320

something about this

1095

00:31:43,350 --> 00:31:42,559

and we can build weapons and technology

1096

00:31:46,149 --> 00:31:43,360

and stuff like that

1097

00:31:47,750 --> 00:31:46,159

but they really don't understand

1098

00:31:49,509 --> 00:31:47,760

pandolfe is the only guy that keeps

1099

00:31:51,430 --> 00:31:49,519

leaking the story about the portal and

1100

00:31:52,630 --> 00:31:51,440

the portal gets into this consciousness

1101

00:31:55,110 --> 00:31:52,640

thing that it's all

1102

00:31:55,830 --> 00:31:55,120

consciousness and the idea that they're

1103

00:31:57,990 --> 00:31:55,840

popping in

1104

00:31:58,870 --> 00:31:58,000

and popping out that they come into our

1105

00:32:00,630 --> 00:31:58,880

reality

1106

00:32:02,470 --> 00:32:00,640

and they can become physical so they can

1107

00:32:03,830 --> 00:32:02,480

become like a physical craft

1108

00:32:06,070 --> 00:32:03,840

almost like a ports if you've ever

1109

00:32:07,990 --> 00:32:06,080

studied a ports most experiencers i

1110

00:32:09,590 --> 00:32:08,000

think 60 percent of all experiencers who

1111

00:32:11,110 --> 00:32:09,600

claim they've been on board the ship

1112

00:32:13,029 --> 00:32:11,120

we'll talk about these support phenomena

1113

00:32:15,269 --> 00:32:13,039

and i i study these at great length

1114

00:32:16,630 --> 00:32:15,279

where they'll say i'll say to them do

1115

00:32:17,909 --> 00:32:16,640

you ever have an experience where

1116

00:32:19,990 --> 00:32:17,919

something sort of drops out of the

1117

00:32:20,310 --> 00:32:20,000

ceiling or something it moves from one

1118

00:32:23,990 --> 00:32:20,320

place

1119

00:32:25,190 --> 00:32:24,000

i go next room okay sure and they come

1120

00:32:27,029 --> 00:32:25,200

back with a whole collection of stuff

1121

00:32:29,590 --> 00:32:27,039

that has appeared from nowhere

1122

00:32:31,190 --> 00:32:29,600

and it's that kind of thing that my

1123

00:32:33,669 --> 00:32:31,200

interpretation is that whatever the

1124

00:32:36,070 --> 00:32:33,679

intelligence is it lives in the field

1125

00:32:37,430 --> 00:32:36,080

where the ghosts live and where the

1126

00:32:38,870 --> 00:32:37,440

spirits live and the fairies and all

1127

00:32:39,430 --> 00:32:38,880

that kind of stuff it's all the same

1128

00:32:41,509 --> 00:32:39,440

thing

1129

00:32:42,789 --> 00:32:41,519

and that they're able to manifest into

1130

00:32:45,269 --> 00:32:42,799

the physical world

1131

00:32:47,269 --> 00:32:45,279

and one prime example of that i started

1132

00:32:49,669 --> 00:32:47,279

to do a lot of stuff with

1133

00:32:51,110 --> 00:32:49,679

with seances with physical sales people

1134

00:32:52,389 --> 00:32:51,120

and if you're familiar with the whole

1135

00:32:55,029 --> 00:32:52,399

new york times

1136

00:32:57,269 --> 00:32:55,039

ufo thing leslie kane is the woman who

1137

00:32:58,870 --> 00:32:57,279

wrote the main article for the ufo thing

1138

00:33:00,470 --> 00:32:58,880

she's also into physical mediumship and

1139

00:33:02,870 --> 00:33:00,480

she tells this story

1140

00:33:03,830 --> 00:33:02,880

about being in a a couple of physical

1141

00:33:05,590 --> 00:33:03,840

seances

1142

00:33:07,430 --> 00:33:05,600

where she's sitting at the table and it

1143

00:33:08,070 --> 00:33:07,440

looks like waters coming up over top of

1144

00:33:10,310 --> 00:33:08,080

the table

1145

00:33:11,750 --> 00:33:10,320

and moving towards her flowing across

1146

00:33:13,190 --> 00:33:11,760

the table and all of a sudden this hand

1147

00:33:14,710 --> 00:33:13,200

appears out of nowhere

1148

00:33:16,310 --> 00:33:14,720

and it's right in front of her and she's

1149

00:33:17,590 --> 00:33:16,320

able to feel the hand and it's warmer

1150

00:33:19,509 --> 00:33:17,600

than a regular hand

1151
00:33:21,190 --> 00:33:19,519
and it's softer than a human hand she

1152
00:33:21,830 --> 00:33:21,200
can feel like fingernails and knuckles

1153
00:33:23,669 --> 00:33:21,840
or whatever

1154
00:33:25,190 --> 00:33:23,679
and then the hand bangs it's twice on

1155
00:33:26,310 --> 00:33:25,200
the table and then just sort of

1156
00:33:28,230 --> 00:33:26,320
de-manifests

1157
00:33:29,830 --> 00:33:28,240
and that's the whole idea is that

1158
00:33:30,950 --> 00:33:29,840
whatever i think this phenomena is is

1159
00:33:34,310 --> 00:33:30,960
coming in

1160
00:33:36,389 --> 00:33:34,320
is able to manifest into 3d

1161
00:33:37,669 --> 00:33:36,399
and it lowers its vibration whatever

1162
00:33:40,950 --> 00:33:37,679
it's doing it pops in

1163
00:33:41,669 --> 00:33:40,960

and it's able to pop back out the mind

1164

00:33:44,789 --> 00:33:41,679

thing

1165

00:33:45,909 --> 00:33:44,799

experiment if you're talking about mk

1166

00:33:47,430 --> 00:33:45,919

ultra they've done a lot of these

1167

00:33:49,110 --> 00:33:47,440

experiments but

1168

00:33:50,389 --> 00:33:49,120

how far they've gotten the one that i

1169

00:33:52,149 --> 00:33:50,399

thought was very significant there's a

1170

00:33:52,549 --> 00:33:52,159

guy by name well this guy this kit green

1171

00:34:02,070 --> 00:33:52,559

he

1172

00:34:05,430 --> 00:34:02,080

that briefed

1173

00:34:05,990 --> 00:34:05,440

president truman on the the cuban

1174

00:34:07,509 --> 00:34:06,000

missile crisis

1175

00:34:09,349 --> 00:34:07,519

he was uh ran the photographic

1176

00:34:11,990 --> 00:34:09,359

interpretation lab for all the

1177

00:34:12,790 --> 00:34:12,000

u2 sr 71 and spy photographs for

1178

00:34:14,710 --> 00:34:12,800

analysis

1179

00:34:16,470 --> 00:34:14,720

he was very interested in ufos and the

1180

00:34:17,270 --> 00:34:16,480

second guy was this kit green and then

1181

00:34:20,629 --> 00:34:17,280

later the guy

1182

00:34:23,190 --> 00:34:20,639

now is ron pandolfi so kit green

1183

00:34:24,790 --> 00:34:23,200

there's a discussion he has with the guy

1184

00:34:27,109 --> 00:34:24,800

from rendell from forest

1185

00:34:28,470 --> 00:34:27,119

jim peniston and jim says well you know

1186

00:34:29,990 --> 00:34:28,480

why are you studying experiences what

1187

00:34:32,790 --> 00:34:30,000

are you doing and stuff like that

1188

00:34:34,069 --> 00:34:32,800

and he says we're working on propulsion

1189

00:34:35,430 --> 00:34:34,079

he set up bull you're working on

1190

00:34:36,230 --> 00:34:35,440

propulsion forget it you mean you ask

1191

00:34:36,950 --> 00:34:36,240

you're crazy you're not working on

1192

00:34:38,389 --> 00:34:36,960

propulsion

1193

00:34:39,750 --> 00:34:38,399

and he said well you maybe i used the

1194

00:34:40,550 --> 00:34:39,760

wrong word he said we're trying to

1195

00:34:42,950 --> 00:34:40,560

figure out

1196

00:34:44,869 --> 00:34:42,960

how does the phenomena pop in to our

1197

00:34:48,149 --> 00:34:44,879

reality and pop out just as quickly

1198

00:34:50,149 --> 00:34:48,159

so they have that sort of idea and yet

1199

00:34:51,669 --> 00:34:50,159

i don't think they fully understand it

1200

00:34:54,389 --> 00:34:51,679

because everything i've heard

1201
00:34:55,270 --> 00:34:54,399
like you hear about the famous area 51

1202
00:34:57,030 --> 00:34:55,280
dr

1203
00:34:58,390 --> 00:34:57,040
eric davis who's actually an experiencer

1204
00:34:59,430 --> 00:34:58,400
himself who's probably he's an

1205
00:35:01,109 --> 00:34:59,440
astrophysicist

1206
00:35:02,790 --> 00:35:01,119
probably knows more about the black

1207
00:35:03,430 --> 00:35:02,800
world of what they have what they don't

1208
00:35:06,310 --> 00:35:03,440
have

1209
00:35:07,589 --> 00:35:06,320
and he described the fact that in 1989

1210
00:35:10,069 --> 00:35:07,599
they shut the program down

1211
00:35:11,349 --> 00:35:10,079
they had recovered saucers and they

1212
00:35:12,069 --> 00:35:11,359
actually shut the program down because

1213
00:35:13,349 --> 00:35:12,079

they weren't getting anywhere they

1214

00:35:13,990 --> 00:35:13,359

couldn't figure it out so they put on

1215

00:35:15,430 --> 00:35:14,000

the shelf

1216

00:35:17,270 --> 00:35:15,440

and every seven or eight years they take

1217

00:35:19,349 --> 00:35:17,280

it off the shelf and look at it again

1218

00:35:21,349 --> 00:35:19,359

so that's the whole thing so you may

1219

00:35:23,990 --> 00:35:21,359

have little ins and outs about

1220

00:35:24,470 --> 00:35:24,000

like the remote viewing program they ran

1221

00:35:26,790 --> 00:35:24,480

that

1222

00:35:28,550 --> 00:35:26,800

and they had some success at it and

1223

00:35:29,430 --> 00:35:28,560

there may be some real black operation

1224

00:35:31,589 --> 00:35:29,440

because when they shut the remote

1225

00:35:33,190 --> 00:35:31,599

viewing program down in 1995

1226

00:35:34,630 --> 00:35:33,200

the big story was well the ci shut it

1227

00:35:35,829 --> 00:35:34,640

down it wasn't working

1228

00:35:37,190 --> 00:35:35,839

and that was because the story was

1229

00:35:39,030 --> 00:35:37,200

leaking it was somebody was about to do

1230

00:35:40,630 --> 00:35:39,040

a book so they shut the program down

1231

00:35:42,390 --> 00:35:40,640

and said it wasn't working and that cut

1232

00:35:44,150 --> 00:35:42,400

it off and then everybody said it went

1233

00:35:45,750 --> 00:35:44,160

to nsa everybody said well come on

1234

00:35:46,150 --> 00:35:45,760

there's no other shot program down like

1235

00:35:48,630 --> 00:35:46,160

this

1236

00:35:50,230 --> 00:35:48,640

and it went to nsa but how far they've

1237

00:35:51,430 --> 00:35:50,240

gotten i'm not really sure when it comes

1238

00:35:53,349 --> 00:35:51,440

to the mk ultra stuff

1239

00:35:55,030 --> 00:35:53,359

there's a lot of you know stories i

1240

00:35:56,550 --> 00:35:55,040

think that are sort of exaggerated about

1241

00:35:58,069 --> 00:35:56,560

what they're able to do that they can

1242

00:36:00,630 --> 00:35:58,079

come to your computer and get into your

1243

00:36:02,150 --> 00:36:00,640

mind i've been at it for 45 years i've

1244

00:36:03,270 --> 00:36:02,160

never experienced anything like that or

1245

00:36:04,790 --> 00:36:03,280

they have this thing where

1246

00:36:06,550 --> 00:36:04,800

people are threatened and killed and i

1247

00:36:08,150 --> 00:36:06,560

go i've been in this for 45 years

1248

00:36:10,069 --> 00:36:08,160

i've never been and i went after the

1249

00:36:11,829 --> 00:36:10,079

president i went after these high-level

1250

00:36:12,310 --> 00:36:11,839

cia people and wrote about them in books

1251

00:36:13,990 --> 00:36:12,320

and stuff

1252

00:36:15,349 --> 00:36:14,000

and i'm not even an american if they

1253

00:36:16,230 --> 00:36:15,359

want to knock me off they can knock me

1254

00:36:18,150 --> 00:36:16,240

off anytime

1255

00:36:19,670 --> 00:36:18,160

i've never experienced any of that kind

1256

00:36:22,710 --> 00:36:19,680

of sort of real

1257

00:36:24,390 --> 00:36:22,720

sort of out there theories about the

1258

00:36:25,270 --> 00:36:24,400

mind control and they can control you

1259

00:36:27,349 --> 00:36:25,280

and stuff like that

1260

00:36:29,349 --> 00:36:27,359

i mean they may have it but i think that

1261

00:36:30,790 --> 00:36:29,359

it's a lot of military bravado

1262

00:36:32,069 --> 00:36:30,800

they're putting it out and people are

1263

00:36:33,510 --> 00:36:32,079

bragging and stuff i don't think they're

1264

00:36:34,710 --> 00:36:33,520

as far advanced as some people think

1265

00:36:36,710 --> 00:36:34,720

they are

1266

00:36:38,230 --> 00:36:36,720

yeah that is one of the more interesting

1267

00:36:40,310 --> 00:36:38,240

conclusions you have made

1268

00:36:41,829 --> 00:36:40,320

and that's contrary to those who think

1269

00:36:43,430 --> 00:36:41,839

we've cracked all this tech and we have

1270

00:36:45,030 --> 00:36:43,440

a secret space program

1271

00:36:46,470 --> 00:36:45,040

you think that they haven't made much

1272

00:36:47,829 --> 00:36:46,480

progress at all and are still

1273

00:36:49,829 --> 00:36:47,839

trying to get these little pieces of

1274

00:36:52,230 --> 00:36:49,839

metal to levitate on a table

1275

00:36:54,470 --> 00:36:52,240

and i'm torn because i could absolutely

1276

00:36:56,230 --> 00:36:54,480

see how before all this psy research

1277

00:36:58,230 --> 00:36:56,240

and the exploration of consciousness

1278

00:37:00,390 --> 00:36:58,240

they had no context for

1279

00:37:02,470 --> 00:37:00,400

mental phenomenon or controlling a ship

1280

00:37:04,310 --> 00:37:02,480

in that way and even once they had that

1281

00:37:06,390 --> 00:37:04,320

understanding maybe it takes the highly

1282

00:37:07,829 --> 00:37:06,400

developed mental mastery of a tibetan

1283

00:37:08,710 --> 00:37:07,839

monk to work with this stuff and if

1284

00:37:10,390 --> 00:37:08,720

that's the case

1285

00:37:11,829 --> 00:37:10,400

i wouldn't be surprised if they haven't

1286

00:37:14,150 --> 00:37:11,839

been able to get very far

1287

00:37:16,310 --> 00:37:14,160

and i agree consciousness is definitely

1288

00:37:17,270 --> 00:37:16,320

key but i'm also interested in that

1289

00:37:19,990 --> 00:37:17,280

recovered

1290

00:37:21,270 --> 00:37:20,000

hardware the physical meta materials

1291

00:37:22,310 --> 00:37:21,280

obviously a lot of people are talking

1292

00:37:25,349 --> 00:37:22,320

about that right now

1293

00:37:27,589 --> 00:37:25,359

richard dolan talks about the reveals

1294

00:37:28,790 --> 00:37:27,599

from his contacts that it bends light in

1295

00:37:30,630 --> 00:37:28,800

a strange way

1296

00:37:32,870 --> 00:37:30,640

some say it has a memory to it and it

1297

00:37:34,790 --> 00:37:32,880

returns to its shape when you bend it

1298

00:37:37,030 --> 00:37:34,800

i hear a story about linda mullen howell

1299

00:37:37,750 --> 00:37:37,040

one's having some and selling it for 35

1300

00:37:39,670 --> 00:37:37,760

000

1301
00:37:41,750 --> 00:37:39,680
what can you tell us about the qualities

1302
00:37:41,990 --> 00:37:41,760
of what they have found that's physical

1303
00:37:46,230 --> 00:37:42,000
and

1304
00:37:48,310 --> 00:37:46,240
dozens of pieces hundreds of pieces what

1305
00:37:49,670 --> 00:37:48,320
do you think

1306
00:37:51,430 --> 00:37:49,680
the canadians were actually getting

1307
00:37:54,230 --> 00:37:51,440
material coming into canada

1308
00:37:55,990 --> 00:37:54,240
from the americans i talked to the guy

1309
00:37:56,630 --> 00:37:56,000
who was the metallurgist and i asked him

1310
00:37:58,150 --> 00:37:56,640
i said

1311
00:38:00,230 --> 00:37:58,160
how much material did you actually

1312
00:38:01,589 --> 00:38:00,240
handle and he said tons of it

1313
00:38:03,109 --> 00:38:01,599

and so they were looking at all the

1314

00:38:03,990 --> 00:38:03,119

stuff i have a different view on the

1315

00:38:05,670 --> 00:38:04,000

meta materials

1316

00:38:07,750 --> 00:38:05,680

and i actually wrote hal put off about

1317

00:38:10,390 --> 00:38:07,760

this because help put off is sort of the

1318

00:38:11,430 --> 00:38:10,400

lead guy in terms of getting this stuff

1319

00:38:14,950 --> 00:38:11,440

analyzed and stuff

1320

00:38:16,470 --> 00:38:14,960

and i said to him i said hell this is a

1321

00:38:18,870 --> 00:38:16,480

port material

1322

00:38:19,589 --> 00:38:18,880

you had this stuff going on in 1972 in

1323

00:38:21,109 --> 00:38:19,599

your lab

1324

00:38:22,790 --> 00:38:21,119

with yuri geller that yuri geller

1325

00:38:24,550 --> 00:38:22,800

there's a famous story told that they

1326

00:38:26,790 --> 00:38:24,560

went for lunch edgar mitchell

1327

00:38:28,710 --> 00:38:26,800

and hell put off go for lunch with yuri

1328

00:38:30,790 --> 00:38:28,720

geller and he's eating ice cream

1329

00:38:31,990 --> 00:38:30,800

and suddenly his lip is bleeding and he

1330

00:38:35,349 --> 00:38:32,000

bites down on something

1331

00:38:36,550 --> 00:38:35,359

he pulls it out of his mouth and edgar

1332

00:38:39,349 --> 00:38:36,560

mitchell says

1333

00:38:40,790 --> 00:38:39,359

where'd you get that from that's my it

1334

00:38:42,470 --> 00:38:40,800

was an air force pin or something that

1335

00:38:43,430 --> 00:38:42,480

he'd lost in houston a couple years

1336

00:38:44,950 --> 00:38:43,440

before he said

1337

00:38:46,550 --> 00:38:44,960

how did you get that thing and it was

1338

00:38:48,630 --> 00:38:46,560

just the front part of the pin

1339

00:38:49,589 --> 00:38:48,640

and so they go back to the lab and when

1340

00:38:50,710 --> 00:38:49,599

they're in the lab

1341

00:38:52,470 --> 00:38:50,720

they're standing in the lab and yuri

1342

00:38:53,109 --> 00:38:52,480

geller's in another room and all of a

1343

00:38:54,950 --> 00:38:53,119

sudden kink

1344

00:38:56,230 --> 00:38:54,960

in behind them they turn around and the

1345

00:38:56,950 --> 00:38:56,240

back half of the pin is lying on the

1346

00:38:59,270 --> 00:38:56,960

floor

1347

00:39:00,470 --> 00:38:59,280

and so i said to hal i said come on this

1348

00:39:02,069 --> 00:39:00,480

is a port i mean

1349

00:39:03,510 --> 00:39:02,079

you don't take a flying saucer come

1350

00:39:04,950 --> 00:39:03,520

across the galaxy and then little pieces

1351

00:39:05,990 --> 00:39:04,960

start falling off the flying saucer this

1352

00:39:08,069 --> 00:39:06,000

is total nonsense

1353

00:39:09,589 --> 00:39:08,079

this is i call it the theory of wow and

1354

00:39:12,310 --> 00:39:09,599

i think that a lot of what this

1355

00:39:14,150 --> 00:39:12,320

is is the intelligence is just trying to

1356

00:39:16,069 --> 00:39:14,160

mess with us they want you to go wow

1357

00:39:17,750 --> 00:39:16,079

what's going on like why do ufos have

1358

00:39:18,870 --> 00:39:17,760

lights on them so you can see them they

1359

00:39:19,589 --> 00:39:18,880

don't need lights we don't have lights

1360

00:39:21,109 --> 00:39:19,599

on our crafts

1361

00:39:22,790 --> 00:39:21,119

they do this kind of stuff and so

1362

00:39:24,069 --> 00:39:22,800

they're dropping this material and so i

1363

00:39:25,510 --> 00:39:24,079

said to hell i said

1364

00:39:27,430 --> 00:39:25,520

this has got to be a port material

1365

00:39:28,310 --> 00:39:27,440

they're just dropping this very weird

1366

00:39:30,069 --> 00:39:28,320

stuff

1367

00:39:31,190 --> 00:39:30,079

and everybody's getting all interested

1368

00:39:31,910 --> 00:39:31,200

and they're they're looking at this kind

1369

00:39:33,670 --> 00:39:31,920

of stuff

1370

00:39:35,430 --> 00:39:33,680

and what he said he was always very

1371

00:39:37,750 --> 00:39:35,440

short in the way he replied he said

1372

00:39:39,750 --> 00:39:37,760

we'll analyze the material one step at a

1373

00:39:40,390 --> 00:39:39,760

time so he didn't deny it was a port

1374

00:39:41,750 --> 00:39:40,400

material

1375

00:39:43,270 --> 00:39:41,760

and that's what i say when you start

1376
00:39:44,710 --> 00:39:43,280
looking at these pieces you'll find no

1377
00:39:45,990 --> 00:39:44,720
two pieces that are the same

1378
00:39:47,589 --> 00:39:46,000
they're all different pieces and they

1379
00:39:48,630 --> 00:39:47,599
all have very very bizarre

1380
00:39:50,710 --> 00:39:48,640
characteristics

1381
00:39:52,630 --> 00:39:50,720
but i say that they're having this idea

1382
00:39:54,550 --> 00:39:52,640
oh if we can figure out how to

1383
00:39:55,990 --> 00:39:54,560
what this piece of metal is made out of

1384
00:39:57,430 --> 00:39:56,000
well then we can figure out how to build

1385
00:39:58,630 --> 00:39:57,440
a flying saucer well no i mean

1386
00:40:01,030 --> 00:39:58,640
they may have just put the piece of

1387
00:40:02,470 --> 00:40:01,040
metal down and it's got these they put

1388
00:40:04,150 --> 00:40:02,480

all these weird properties in it's one

1389

00:40:05,589 --> 00:40:04,160

of the theory of wild things it's like

1390

00:40:06,790 --> 00:40:05,599

we put lights on okay let's drop these

1391

00:40:08,230 --> 00:40:06,800

pieces of metal this will get the

1392

00:40:08,950 --> 00:40:08,240

monkeys really thinking about what's

1393

00:40:10,710 --> 00:40:08,960

going on and

1394

00:40:12,390 --> 00:40:10,720

trying to realize like you know physical

1395

00:40:13,750 --> 00:40:12,400

reality isn't what you think it is

1396

00:40:15,670 --> 00:40:13,760

because these pieces are all over the

1397

00:40:15,990 --> 00:40:15,680

place and i was just at a famous case

1398

00:40:18,550 --> 00:40:16,000

just

1399

00:40:19,430 --> 00:40:18,560

last week with this film crew we were at

1400

00:40:22,550 --> 00:40:19,440

falcon lake

1401

00:40:24,630 --> 00:40:22,560

manitoba this is a famous case in 1967

1402

00:40:26,790 --> 00:40:24,640

where stephen mickelek is a prospector

1403

00:40:28,150 --> 00:40:26,800

he's out in the middle of this forest

1404

00:40:30,230 --> 00:40:28,160

and he's trying to find

1405

00:40:31,349 --> 00:40:30,240

silver and he's sitting there and this

1406

00:40:33,430 --> 00:40:31,359

thing lands

1407

00:40:34,630 --> 00:40:33,440

there's two crafts they hover there and

1408

00:40:36,309 --> 00:40:34,640

then the one lands

1409

00:40:38,309 --> 00:40:36,319

and he's what's going on here so he

1410

00:40:40,150 --> 00:40:38,319

walks over and the door opens up and

1411

00:40:42,069 --> 00:40:40,160

he hears these guys talking in some

1412

00:40:43,109 --> 00:40:42,079

strange language and he tries to talk

1413

00:40:43,990 --> 00:40:43,119

all these different languages and it

1414

00:40:45,510 --> 00:40:44,000

doesn't reply

1415

00:40:47,109 --> 00:40:45,520

and then it takes off and he gets burned

1416

00:40:49,270 --> 00:40:47,119

so it's this very famous case

1417

00:40:51,670 --> 00:40:49,280

so we go in on horseback a couple days

1418

00:40:53,349 --> 00:40:51,680

ago they're filming this whole thing

1419

00:40:54,710 --> 00:40:53,359

but the thing was there was metal most

1420

00:40:55,829 --> 00:40:54,720

people don't know there was metal found

1421

00:40:59,270 --> 00:40:55,839

at this site as well

1422

00:41:00,710 --> 00:40:59,280

and it was silver 95 pure silver and

1423

00:41:02,630 --> 00:41:00,720

five percent pure

1424

00:41:04,069 --> 00:41:02,640

copper but it had these very bizarre

1425

00:41:05,990 --> 00:41:04,079

characteristics to it it wasn't

1426
00:41:07,589 --> 00:41:06,000
ordinary silver and the thing is how did

1427
00:41:09,910 --> 00:41:07,599
this stuff get in the rock i mean

1428
00:41:11,430 --> 00:41:09,920
did it drop this stuff or and then you

1429
00:41:12,470 --> 00:41:11,440
take a look at the piece that linda

1430
00:41:14,470 --> 00:41:12,480
household this

1431
00:41:15,510 --> 00:41:14,480
piece with the business magnesium stuff

1432
00:41:17,430 --> 00:41:15,520
where it's all layered

1433
00:41:18,550 --> 00:41:17,440
and it creates this wave guide so

1434
00:41:20,150 --> 00:41:18,560
they're looking at this stuff

1435
00:41:21,670 --> 00:41:20,160
and then tom delong talks about oh you

1436
00:41:22,950 --> 00:41:21,680
get the electrons going across we can

1437
00:41:25,270 --> 00:41:22,960
levitate this piece of

1438
00:41:26,950 --> 00:41:25,280

stuff off the table and that is absolute

1439

00:41:29,109 --> 00:41:26,960

confirmation they don't get anything

1440

00:41:31,270 --> 00:41:29,119

if they are still trying to levitate a

1441

00:41:33,030 --> 00:41:31,280

little tiny piece of metal off the table

1442

00:41:34,550 --> 00:41:33,040

they've got nothing and that's what you

1443

00:41:35,990 --> 00:41:34,560

start to see is they're thinking that

1444

00:41:38,069 --> 00:41:36,000

this is going to be the solution

1445

00:41:39,750 --> 00:41:38,079

and i say no i think this is going to be

1446

00:41:40,790 --> 00:41:39,760

weird stuff that they're just trying to

1447

00:41:41,829 --> 00:41:40,800

drop to get us

1448

00:41:43,589 --> 00:41:41,839

because there's pieces all over the

1449

00:41:45,109 --> 00:41:43,599

place we were at the university of

1450

00:41:47,270 --> 00:41:45,119

arizona in tucson

1451
00:41:48,390 --> 00:41:47,280
and we found a piece in the file james

1452
00:41:51,349 --> 00:41:48,400
mcdonald's files

1453
00:41:53,190 --> 00:41:51,359
from 1939 and again it was a very

1454
00:41:54,390 --> 00:41:53,200
bizarre came out of the sky this guy saw

1455
00:41:55,270 --> 00:41:54,400
that it looked like a meteorite coming

1456
00:41:58,309 --> 00:41:55,280
out of the sky and it

1457
00:41:59,670 --> 00:41:58,319
embedded itself in his garden and it was

1458
00:42:01,750 --> 00:41:59,680
red-hot they all described the same

1459
00:42:03,910 --> 00:42:01,760
thing when these ufos dropped this metal

1460
00:42:05,670 --> 00:42:03,920
it's molten when it drops and it's very

1461
00:42:06,950 --> 00:42:05,680
hot and when it cools down

1462
00:42:07,990 --> 00:42:06,960
the people grab this metal and they

1463
00:42:09,109 --> 00:42:08,000

think they got a piece of a flying

1464

00:42:09,990 --> 00:42:09,119

saucer and we're going to build a flying

1465

00:42:12,150 --> 00:42:10,000

saucer now

1466

00:42:13,190 --> 00:42:12,160

and he pulled it out of his garden and

1467

00:42:14,870 --> 00:42:13,200

it looks like a spike

1468

00:42:16,790 --> 00:42:14,880

with sort of a round end on it like

1469

00:42:18,710 --> 00:42:16,800

bubbles almost like the the it was

1470

00:42:20,230 --> 00:42:18,720

sort of bubbling or or still molten or

1471

00:42:22,230 --> 00:42:20,240

whatever and he grabs this thing and he

1472

00:42:24,150 --> 00:42:22,240

keeps it and in the 1960s he gives it to

1473

00:42:25,990 --> 00:42:24,160

his daughter who lives in tucson arizona

1474

00:42:27,990 --> 00:42:26,000

this is when nassau is going to the moon

1475

00:42:29,190 --> 00:42:28,000

and they have a lab in tucson so she

1476

00:42:30,550 --> 00:42:29,200

takes it to the lab

1477

00:42:33,030 --> 00:42:30,560

and they have it analyzed and it's the

1478

00:42:35,270 --> 00:42:33,040

same bizarre thing it's 95

1479

00:42:37,430 --> 00:42:35,280

pure nickel nothing out of the sky at

1480

00:42:39,829 --> 00:42:37,440

that time and like planes that

1481

00:42:41,829 --> 00:42:39,839

has that type of metal and then they cut

1482

00:42:42,150 --> 00:42:41,839

off a piece off the end of it to analyze

1483

00:42:44,069 --> 00:42:42,160

it

1484

00:42:45,510 --> 00:42:44,079

and they discover that there's a copper

1485

00:42:47,829 --> 00:42:45,520

core in the middle of this thing so this

1486

00:42:49,349 --> 00:42:47,839

is 1939 already this is long before

1487

00:42:51,109 --> 00:42:49,359

all this sort of stuff happens you get

1488

00:42:52,630 --> 00:42:51,119

piles and piles and policies pieces

1489

00:42:54,069 --> 00:42:52,640

none of them are the same they're all

1490

00:42:55,750 --> 00:42:54,079

different they're all very weird they

1491

00:42:57,270 --> 00:42:55,760

have weird isotopes

1492

00:42:59,349 --> 00:42:57,280

i think it's it's the theory of wow it's

1493

00:43:00,390 --> 00:42:59,359

just to get us to think about it it's

1494

00:43:02,390 --> 00:43:00,400

like a ports

1495

00:43:03,910 --> 00:43:02,400

you know these things where they drop

1496

00:43:06,309 --> 00:43:03,920

coins or

1497

00:43:07,750 --> 00:43:06,319

strange things and i think the mistake

1498

00:43:08,950 --> 00:43:07,760

is to think oh if we get this piece of

1499

00:43:10,069 --> 00:43:08,960

metal

1500

00:43:12,069 --> 00:43:10,079

we're going to be able to build a flying

1501
00:43:13,349 --> 00:43:12,079
saucer because i'll guarantee you no two

1502
00:43:14,790 --> 00:43:13,359
pieces are the same

1503
00:43:16,470 --> 00:43:14,800
yes and there's hundreds of pieces

1504
00:43:16,870 --> 00:43:16,480
hundreds of pieces from all around the

1505
00:43:19,510 --> 00:43:16,880
world

1506
00:43:20,790 --> 00:43:19,520
and we'd even get some cases where i did

1507
00:43:22,870 --> 00:43:20,800
some articles and i said

1508
00:43:23,990 --> 00:43:22,880
oh this stuff is being extruded out of

1509
00:43:25,990 --> 00:43:24,000
these ufos

1510
00:43:27,270 --> 00:43:26,000
and one of the most famous ufo

1511
00:43:28,710 --> 00:43:27,280
contactees is the government of chris

1512
00:43:31,270 --> 00:43:28,720
bledsoe out of

1513
00:43:32,230 --> 00:43:31,280

north carolina who warner brothers is

1514

00:43:33,510 --> 00:43:32,240

going to do 80 million

1515

00:43:35,270 --> 00:43:33,520

movie on this guy so he's got some

1516

00:43:36,870 --> 00:43:35,280

pretty bizarre stories he said no you

1517

00:43:38,550 --> 00:43:36,880

got it wrong it doesn't it drips off the

1518

00:43:39,670 --> 00:43:38,560

ufo and i said what do you mean it drips

1519

00:43:41,589 --> 00:43:39,680

how do you know that he said

1520

00:43:43,510 --> 00:43:41,599

well because this orb came it was 11

1521

00:43:45,670 --> 00:43:43,520

feet off the ground flew across my

1522

00:43:46,390 --> 00:43:45,680

driveway and this metal was dripping off

1523

00:43:48,150 --> 00:43:46,400

the orb

1524

00:43:49,750 --> 00:43:48,160

and i scooped up all the metal and we've

1525

00:43:50,870 --> 00:43:49,760

even got photographs of this metal

1526
00:43:52,870 --> 00:43:50,880
and they take it and analyze it and they

1527
00:43:54,230 --> 00:43:52,880
go oh what is this oh cool

1528
00:43:55,589 --> 00:43:54,240
it's almost like crop circles like why

1529
00:43:56,870 --> 00:43:55,599
would you not just give the message

1530
00:43:58,069 --> 00:43:56,880
instead of doing crop circles because

1531
00:44:01,030 --> 00:43:58,079
people are going to go in and go

1532
00:44:02,630 --> 00:44:01,040
oh my god what is this how did they put

1533
00:44:04,550 --> 00:44:02,640
this thing down or i always tell

1534
00:44:05,910 --> 00:44:04,560
linda howe with the cattle mutilations

1535
00:44:07,430 --> 00:44:05,920
like why did they take the blood out of

1536
00:44:09,109 --> 00:44:07,440
the cow why did it take out every single

1537
00:44:10,710 --> 00:44:09,119
drop of blood out of the cow

1538
00:44:11,990 --> 00:44:10,720

because if they didn't nobody would pay

1539

00:44:13,670 --> 00:44:12,000

any attention to it it's got to be

1540

00:44:15,030 --> 00:44:13,680

really weird why did they do the bizarre

1541

00:44:17,190 --> 00:44:15,040

cut marks and stuff like that

1542

00:44:18,550 --> 00:44:17,200

and why did they get the cow they fly

1543

00:44:20,150 --> 00:44:18,560

off with a cow they've got it and they

1544

00:44:22,069 --> 00:44:20,160

do the mutilation or whatever and then

1545

00:44:23,589 --> 00:44:22,079

they fly back into the war zone and drop

1546

00:44:24,950 --> 00:44:23,599

the cow from 100 feet up into the

1547

00:44:26,390 --> 00:44:24,960

farmer's front yard

1548

00:44:28,069 --> 00:44:26,400

why would they do that because they know

1549

00:44:29,270 --> 00:44:28,079

people like linda howe and all the other

1550

00:44:29,990 --> 00:44:29,280

researchers are going to go and take

1551
00:44:33,670 --> 00:44:30,000
photographs

1552
00:44:34,950 --> 00:44:33,680
want everybody to go what the heck is

1553
00:44:36,950 --> 00:44:34,960
going on and then you suddenly

1554
00:44:38,309 --> 00:44:36,960
realize that a lot of cattle mutations

1555
00:44:41,430 --> 00:44:38,319
if not all of them are downwind and

1556
00:44:43,589 --> 00:44:41,440
downstream from contamination or nuclear

1557
00:44:45,349 --> 00:44:43,599
test sites and you start getting these

1558
00:44:46,230 --> 00:44:45,359
patterns but what they're doing is

1559
00:44:47,670 --> 00:44:46,240
they're making it

1560
00:44:49,510 --> 00:44:47,680
it's almost like there was a book called

1561
00:44:51,270 --> 00:44:49,520
the trickster and it's the trickster

1562
00:44:53,030 --> 00:44:51,280
phenomena it's the idea that

1563
00:44:54,470 --> 00:44:53,040

or i say people said me oh it's not a

1564

00:44:55,750 --> 00:44:54,480

circus don't make this into a circus i

1565

00:44:58,069 --> 00:44:55,760

said yeah it is a circus

1566

00:44:59,750 --> 00:44:58,079

like jesus christ if jesus hadn't healed

1567

00:45:01,589 --> 00:44:59,760

people walked on water

1568

00:45:03,589 --> 00:45:01,599

and risen from the dead you wouldn't

1569

00:45:05,430 --> 00:45:03,599

know who he was you do the trick

1570

00:45:07,510 --> 00:45:05,440

you get people's attention and then you

1571

00:45:10,150 --> 00:45:07,520

deliver the message

1572

00:45:11,349 --> 00:45:10,160

yes man i love all this stuff and that

1573

00:45:13,270 --> 00:45:11,359

idea of weird

1574

00:45:14,950 --> 00:45:13,280

plasma balls floating through the sky

1575

00:45:16,790 --> 00:45:14,960

dripping strange metals is

1576

00:45:17,990 --> 00:45:16,800

right up my alley and i know you've

1577

00:45:20,470 --> 00:45:18,000

mentioned the 70

1578

00:45:21,990 --> 00:45:20,480

modalities to get into that other state

1579

00:45:24,150 --> 00:45:22,000

of consciousness and i agree we got to

1580

00:45:26,069 --> 00:45:24,160

be very cross-disciplinary

1581

00:45:28,069 --> 00:45:26,079

when it comes to looking at this stuff

1582

00:45:29,750 --> 00:45:28,079

have you ever studied the claims of

1583

00:45:31,510 --> 00:45:29,760

alchemists maybe they'd have some

1584

00:45:34,870 --> 00:45:31,520

insight into some of the strange

1585

00:45:36,390 --> 00:45:34,880

almost fused but very pure metals

1586

00:45:37,030 --> 00:45:36,400

because this is exactly the kind of

1587

00:45:39,589 --> 00:45:37,040

thing

1588

00:45:40,069 --> 00:45:39,599

they claim to be synthesizing in secret

1589

00:45:42,630 --> 00:45:40,079

in

1590

00:45:44,870 --> 00:45:42,640

a lot of their lore and a couple of them

1591

00:45:45,670 --> 00:45:44,880

are emerging now more so than they used

1592

00:45:47,990 --> 00:45:45,680

to and

1593

00:45:49,670 --> 00:45:48,000

the things they have to say it'd be like

1594

00:45:51,430 --> 00:45:49,680

man that's the kind of guy i would

1595

00:45:53,430 --> 00:45:51,440

really love to analyze some of these

1596

00:45:54,790 --> 00:45:53,440

medals any experience there

1597

00:45:56,150 --> 00:45:54,800

no i haven't got any experience but i'm

1598

00:45:57,430 --> 00:45:56,160

writing it down i'm going to check that

1599

00:45:58,870 --> 00:45:57,440

out because that is true that's what you

1600

00:45:59,990 --> 00:45:58,880

have to do is you have to find people

1601
00:46:02,309 --> 00:46:00,000
who are sort of on the leading

1602
00:46:03,910 --> 00:46:02,319
edge and assume that they're telling the

1603
00:46:05,190 --> 00:46:03,920
truth they may be diluted

1604
00:46:06,630 --> 00:46:05,200
with whatever belief system they're

1605
00:46:07,990 --> 00:46:06,640
coming out and that's the only way

1606
00:46:09,510 --> 00:46:08,000
you're going to discover things

1607
00:46:11,750 --> 00:46:09,520
because that's my whole left brain right

1608
00:46:13,670 --> 00:46:11,760
brain thing where and i always

1609
00:46:15,190 --> 00:46:13,680
sort of hammer science with this because

1610
00:46:16,390 --> 00:46:15,200
neurology doesn't talk about this this

1611
00:46:17,349 --> 00:46:16,400
is this idea of the left brain

1612
00:46:19,829 --> 00:46:17,359
interpreter

1613
00:46:21,030 --> 00:46:19,839

that it was discovered when they had the

1614

00:46:22,870 --> 00:46:21,040

split brain if you're familiar with the

1615

00:46:25,270 --> 00:46:22,880

split brain research it was done by

1616

00:46:27,349 --> 00:46:25,280

gazenga after they won the nobel prize

1617

00:46:28,710 --> 00:46:27,359

for split brain research

1618

00:46:30,710 --> 00:46:28,720

they started to do these tests where

1619

00:46:32,470 --> 00:46:30,720

they would take the split brain people

1620

00:46:33,750 --> 00:46:32,480

and they would send signals to the right

1621

00:46:35,430 --> 00:46:33,760

and left brain they would people had

1622

00:46:36,790 --> 00:46:35,440

their corpus callosum cut because of

1623

00:46:39,349 --> 00:46:36,800

this epilepsy thing

1624

00:46:40,790 --> 00:46:39,359

and then the two brains are separated

1625

00:46:42,069 --> 00:46:40,800

and that was the first mistake people

1626
00:46:43,270 --> 00:46:42,079
make they say oh the brain does this the

1627
00:46:44,390 --> 00:46:43,280
brain does that and i said no the brain

1628
00:46:45,910 --> 00:46:44,400
doesn't do anything

1629
00:46:47,670 --> 00:46:45,920
according to gizenika there could be

1630
00:46:49,109 --> 00:46:47,680
potentially millions of independent

1631
00:46:50,710 --> 00:46:49,119
modules in the brain

1632
00:46:52,150 --> 00:46:50,720
and there's at least two brains and then

1633
00:46:54,150 --> 00:46:52,160
all these independent modules that all

1634
00:46:55,829 --> 00:46:54,160
work together like cells in the body

1635
00:46:57,589 --> 00:46:55,839
to perform a task it's not one thing

1636
00:46:58,790 --> 00:46:57,599
doing this it's all working together

1637
00:47:00,550 --> 00:46:58,800
and so what they would do is they would

1638
00:47:01,430 --> 00:47:00,560

send these signals to the right brain

1639

00:47:04,550 --> 00:47:01,440

the left brain

1640

00:47:07,030 --> 00:47:04,560

analytical

1641

00:47:09,270 --> 00:47:07,040

ego brain where the language is and the

1642

00:47:11,510 --> 00:47:09,280

right brain is sort of like the female

1643

00:47:12,550 --> 00:47:11,520

unity brain that gets the downloads and

1644

00:47:14,230 --> 00:47:12,560

stuff like that

1645

00:47:15,750 --> 00:47:14,240

and when we can shut down the left brain

1646

00:47:16,230 --> 00:47:15,760

that's when the right brain picks up the

1647

00:47:18,150 --> 00:47:16,240

signal

1648

00:47:19,430 --> 00:47:18,160

and is able to bring it in so they were

1649

00:47:21,190 --> 00:47:19,440

doing these experiments where they would

1650

00:47:22,309 --> 00:47:21,200

do stuff like they would send a signal

1651
00:47:23,670 --> 00:47:22,319
to the right brain

1652
00:47:25,349 --> 00:47:23,680
and the right brain runs the left side

1653
00:47:27,030 --> 00:47:25,359
of the body and vice versa so they would

1654
00:47:29,030 --> 00:47:27,040
send us a message to the

1655
00:47:30,549 --> 00:47:29,040
right brain which can't talk and it

1656
00:47:32,150 --> 00:47:30,559
would say pick up the coke

1657
00:47:33,270 --> 00:47:32,160
drink the coke and so the left hand

1658
00:47:33,910 --> 00:47:33,280
would pick up the coke and drink the

1659
00:47:35,910 --> 00:47:33,920
coke

1660
00:47:37,190 --> 00:47:35,920
and then they would say to the person

1661
00:47:38,549 --> 00:47:37,200
why did you pick up the coke

1662
00:47:39,990 --> 00:47:38,559
so now that because the brains are

1663
00:47:41,829 --> 00:47:40,000

separated you're talking to the left

1664

00:47:43,349 --> 00:47:41,839

brain because that's where the voice is

1665

00:47:45,270 --> 00:47:43,359

the right brain knows what happened but

1666

00:47:47,910 --> 00:47:45,280

it can't talk and the left brain is

1667

00:47:49,430 --> 00:47:47,920

has no idea but the left brain they call

1668

00:47:51,030 --> 00:47:49,440

it the interpreter it's actually

1669

00:47:52,710 --> 00:47:51,040

there's some uglier words you could use

1670

00:47:53,670 --> 00:47:52,720

for it the left brain interpreter and

1671

00:47:55,990 --> 00:47:53,680

what it does

1672

00:47:57,270 --> 00:47:56,000

is when your worldview is shattered so

1673

00:47:58,870 --> 00:47:57,280

when when you

1674

00:48:00,390 --> 00:47:58,880

see something like someone you're you've

1675

00:48:02,470 --> 00:48:00,400

gone through school and

1676

00:48:03,589 --> 00:48:02,480

somebody comes up and says oh i saw ufo

1677

00:48:05,349 --> 00:48:03,599

immediately

1678

00:48:07,270 --> 00:48:05,359

there's a hole in your world view

1679

00:48:09,270 --> 00:48:07,280

suddenly there's a massive hole there

1680

00:48:11,430 --> 00:48:09,280

and what the left brain interpreter does

1681

00:48:13,349 --> 00:48:11,440

is it makes the situation

1682

00:48:14,870 --> 00:48:13,359

palatable again it'll fill the hole

1683

00:48:16,790 --> 00:48:14,880

immediately and i'll say oh you just

1684

00:48:18,790 --> 00:48:16,800

imagined it you made it up

1685

00:48:20,069 --> 00:48:18,800

and this is what they found is that when

1686

00:48:21,829 --> 00:48:20,079

they asked the guy

1687

00:48:23,910 --> 00:48:21,839

why did you pick up the coke the left

1688

00:48:25,589 --> 00:48:23,920

brain interpreter would immediately

1689

00:48:27,030 --> 00:48:25,599

make something up and this is what

1690

00:48:28,390 --> 00:48:27,040

people don't realize is that the left

1691

00:48:29,829 --> 00:48:28,400

brain the rational analytical brain

1692

00:48:31,430 --> 00:48:29,839

a lot of the stuff that comes out of

1693

00:48:33,030 --> 00:48:31,440

there is made up it's made up by this

1694

00:48:33,510 --> 00:48:33,040

left brain interpreter it's filling the

1695

00:48:35,589 --> 00:48:33,520

holes

1696

00:48:37,030 --> 00:48:35,599

in the world view to keep it consistent

1697

00:48:38,069 --> 00:48:37,040

and so the person would say oh i was

1698

00:48:39,270 --> 00:48:38,079

thirsty or whatever

1699

00:48:41,829 --> 00:48:39,280

and they would send these signals and

1700

00:48:43,910 --> 00:48:41,839

generica said it was always wrong

1701

00:48:45,030 --> 00:48:43,920

every single time but it could pass a

1702

00:48:46,870 --> 00:48:45,040

lie detector test

1703

00:48:48,470 --> 00:48:46,880

and once the left brain interpreter made

1704

00:48:50,150 --> 00:48:48,480

a decision as to

1705

00:48:51,910 --> 00:48:50,160

bringing the worldview back to the world

1706

00:48:53,109 --> 00:48:51,920

you would believe before

1707

00:48:55,190 --> 00:48:53,119

you couldn't convince it and that's

1708

00:48:56,470 --> 00:48:55,200

where i say skepticism comes from that's

1709

00:48:57,349 --> 00:48:56,480

left brain interpreter that's the

1710

00:48:58,630 --> 00:48:57,359

skeptic saying

1711

00:48:59,990 --> 00:48:58,640

oh i'm going to find an alternate

1712

00:49:01,510 --> 00:49:00,000

explanation for this paranormal

1713

00:49:02,870 --> 00:49:01,520

phenomena that you're talking about and

1714

00:49:04,069 --> 00:49:02,880

i'm going to return it to the physical

1715

00:49:05,589 --> 00:49:04,079

world view where it's

1716

00:49:07,349 --> 00:49:05,599

random biological robots in a

1717

00:49:08,549 --> 00:49:07,359

meaningless universe and it's all nuts

1718

00:49:09,750 --> 00:49:08,559

and bolts and there's no consciousness

1719

00:49:11,270 --> 00:49:09,760

this is all nonsense

1720

00:49:12,950 --> 00:49:11,280

and then then they feel happy again

1721

00:49:14,390 --> 00:49:12,960

because the world is consistent their

1722

00:49:16,309 --> 00:49:14,400

old world view is back

1723

00:49:17,829 --> 00:49:16,319

so that's where i say when you start

1724

00:49:19,270 --> 00:49:17,839

looking at the leading edge

1725

00:49:21,190 --> 00:49:19,280

and these people who are on the leading

1726
00:49:21,829 --> 00:49:21,200
edge if you understand what they're

1727
00:49:23,349 --> 00:49:21,839
doing

1728
00:49:24,630 --> 00:49:23,359
or not even understand if you start

1729
00:49:25,829 --> 00:49:24,640
looking at what they're doing you start

1730
00:49:27,030 --> 00:49:25,839
to see patterns

1731
00:49:28,230 --> 00:49:27,040
that they're basically doing the same

1732
00:49:30,710 --> 00:49:28,240
thing because that's what happened with

1733
00:49:33,270 --> 00:49:30,720
the contact modalities i had the

1734
00:49:34,790 --> 00:49:33,280
my daydream modality where i had it and

1735
00:49:36,230 --> 00:49:34,800
so i was very interested and i started

1736
00:49:37,030 --> 00:49:36,240
to do research on downloads and i

1737
00:49:38,230 --> 00:49:37,040
suddenly realized

1738
00:49:40,230 --> 00:49:38,240

all these musicians had to have

1739

00:49:42,150 --> 00:49:40,240

downloads and i actually wrote a book

1740

00:49:43,990 --> 00:49:42,160

with no musical background on where a

1741

00:49:45,990 --> 00:49:44,000

lot of the songs come from and

1742

00:49:48,230 --> 00:49:46,000

i found it very important to keep in

1743

00:49:51,349 --> 00:49:48,240

mind this left brain right brain thing

1744

00:49:52,710 --> 00:49:51,359

that people who are very creative

1745

00:49:54,390 --> 00:49:52,720

are not the intelligent people there's

1746

00:49:55,750 --> 00:49:54,400

actually a study that was done the uh

1747

00:49:57,910 --> 00:49:55,760

here's called the turman study it was

1748

00:49:59,910 --> 00:49:57,920

the longest longitudinal study ever done

1749

00:50:01,270 --> 00:49:59,920

where they take all these kids in 1910

1750

00:50:03,270 --> 00:50:01,280

they started looking at the

1751
00:50:05,510 --> 00:50:03,280
top kids in california the highest iq

1752
00:50:07,750 --> 00:50:05,520
kids 140 iq

1753
00:50:09,349 --> 00:50:07,760
180 iq and up and they found out

1754
00:50:11,510 --> 00:50:09,359
absolutely not creative at all

1755
00:50:13,190 --> 00:50:11,520
they only had two nobel prizes and the

1756
00:50:14,710 --> 00:50:13,200
two people that won the nobel prize

1757
00:50:16,790 --> 00:50:14,720
alvarez was one of them

1758
00:50:17,990 --> 00:50:16,800
they had been rejected by the study and

1759
00:50:20,470 --> 00:50:18,000
so what you get

1760
00:50:21,589 --> 00:50:20,480
is very rational analytical people are

1761
00:50:23,030 --> 00:50:21,599
not very creative

1762
00:50:25,030 --> 00:50:23,040
the creative people are the ones you've

1763
00:50:26,309 --> 00:50:25,040

got to watch same as the experiences so

1764

00:50:26,790 --> 00:50:26,319

you see someone who's on the leading

1765

00:50:29,109 --> 00:50:26,800

edge

1766

00:50:30,870 --> 00:50:29,119

and you assume that what they're doing

1767

00:50:31,910 --> 00:50:30,880

may have some truth to it and you start

1768

00:50:32,870 --> 00:50:31,920

looking at and that's what i did with

1769

00:50:34,950 --> 00:50:32,880

the modalities

1770

00:50:36,390 --> 00:50:34,960

is i started to realize oh it's all the

1771

00:50:37,270 --> 00:50:36,400

same thing they're all doing basically

1772

00:50:39,430 --> 00:50:37,280

the same thing they're

1773

00:50:40,390 --> 00:50:39,440

doing this shutting down the rationale

1774

00:50:43,430 --> 00:50:40,400

left brain

1775

00:50:45,829 --> 00:50:43,440

whether it's through meditation or

1776
00:50:46,549 --> 00:50:45,839
through hypnosis or through psychedelics

1777
00:50:48,470 --> 00:50:46,559
or whatever

1778
00:50:50,390 --> 00:50:48,480
and they shut that off they make the

1779
00:50:52,069 --> 00:50:50,400
left brain interpreter and the the ego

1780
00:50:54,390 --> 00:50:52,079
and all that stuff go for coffee

1781
00:50:56,309 --> 00:50:54,400
and then we can work with the signal the

1782
00:50:58,390 --> 00:50:56,319
left brain creates a lot of signal

1783
00:50:59,750 --> 00:50:58,400
a lot of noise and you can't pick up the

1784
00:51:01,349 --> 00:50:59,760
signal so the signal is there for

1785
00:51:02,230 --> 00:51:01,359
everybody but because we're so much in

1786
00:51:03,829 --> 00:51:02,240
the physical world

1787
00:51:05,510 --> 00:51:03,839
we're so much into our ego mind and

1788
00:51:06,950 --> 00:51:05,520

we're so much into rational analytical

1789

00:51:08,710 --> 00:51:06,960

believing what we see

1790

00:51:10,470 --> 00:51:08,720

that we can't pick up the signal and so

1791

00:51:11,349 --> 00:51:10,480

all these modalities are just basically

1792

00:51:13,670 --> 00:51:11,359

ways

1793

00:51:15,589 --> 00:51:13,680

to reduce the noise so that the person

1794

00:51:17,109 --> 00:51:15,599

can pick up the signal

1795

00:51:19,270 --> 00:51:17,119

right on well let me ask you this

1796

00:51:21,990 --> 00:51:19,280

because this seems like a very

1797

00:51:23,270 --> 00:51:22,000

strange way for our brains to be

1798

00:51:25,190 --> 00:51:23,280

compiled and

1799

00:51:27,910 --> 00:51:25,200

there are those researchers who talk

1800

00:51:29,910 --> 00:51:27,920

about ancient engineering of humans the

1801
00:51:32,150 --> 00:51:29,920
ancient aliens thing that we were

1802
00:51:33,510 --> 00:51:32,160
you know engineered or spliced together

1803
00:51:35,589 --> 00:51:33,520
in some fashion

1804
00:51:36,790 --> 00:51:35,599
and it is interesting that our senses do

1805
00:51:39,589 --> 00:51:36,800
filter out

1806
00:51:41,910 --> 00:51:39,599
more than they let in almost like we

1807
00:51:42,950 --> 00:51:41,920
have limiters on our perception or on

1808
00:51:45,510 --> 00:51:42,960
our dna

1809
00:51:47,430 --> 00:51:45,520
and of course it takes great effort to

1810
00:51:48,390 --> 00:51:47,440
kind of get to those higher planes and

1811
00:51:50,790 --> 00:51:48,400
access them

1812
00:51:51,430 --> 00:51:50,800
do you think there's anything in there

1813
00:51:54,230 --> 00:51:51,440

about

1814

00:51:55,910 --> 00:51:54,240

potential genetic engineering at some

1815

00:51:58,630 --> 00:51:55,920

point in the distant past and

1816

00:52:00,390 --> 00:51:58,640

maybe that relates to why we have such a

1817

00:52:01,109 --> 00:52:00,400

hard time with this stuff or why these

1818

00:52:03,750 --> 00:52:01,119

beings

1819

00:52:06,069 --> 00:52:03,760

seem to maybe trying to be coaxing us

1820

00:52:08,069 --> 00:52:06,079

into evolving further

1821

00:52:10,470 --> 00:52:08,079

yeah that's what i believe is that they

1822

00:52:11,510 --> 00:52:10,480

are a lot of experiences you talk

1823

00:52:13,430 --> 00:52:11,520

they'll say they'll talk about the

1824

00:52:14,549 --> 00:52:13,440

two-strand the 12-strand dna and all

1825

00:52:15,430 --> 00:52:14,559

this kind of stuff that they're altering

1826
00:52:18,790 --> 00:52:15,440
our dna

1827
00:52:21,030 --> 00:52:18,800
and what you see is the altruistic thing

1828
00:52:22,390 --> 00:52:21,040
that i say whatever the phenomena is i

1829
00:52:23,829 --> 00:52:22,400
can guarantee you it's going to be a lot

1830
00:52:25,270 --> 00:52:23,839
less physical than you think it is it's

1831
00:52:26,230 --> 00:52:25,280
going to be a lot less spiritual than

1832
00:52:27,910 --> 00:52:26,240
you think it is

1833
00:52:30,069 --> 00:52:27,920
and it's not going to have a hint of

1834
00:52:30,710 --> 00:52:30,079
capitalism it's this altruistic thing

1835
00:52:33,750 --> 00:52:30,720
that they're

1836
00:52:34,950 --> 00:52:33,760
here trying to guide us along and again

1837
00:52:36,710 --> 00:52:34,960
it may not even be

1838
00:52:39,190 --> 00:52:36,720

beings i mean if you get into real

1839

00:52:40,710 --> 00:52:39,200

consciousness there is only

1840

00:52:42,549 --> 00:52:40,720

one thing there's no time there's no

1841

00:52:44,309 --> 00:52:42,559

space it's all one thing

1842

00:52:46,790 --> 00:52:44,319

we are it we are talking to our higher

1843

00:52:49,030 --> 00:52:46,800

self and we can create these sort of

1844

00:52:50,470 --> 00:52:49,040

seemingly divisional things but it's all

1845

00:52:51,670 --> 00:52:50,480

the one thing it's all connected like if

1846

00:52:54,069 --> 00:52:51,680

you do five

1847

00:52:55,910 --> 00:52:54,079

methoxy dmt you end up in this sort of

1848

00:52:56,390 --> 00:52:55,920

white world where there is no structure

1849

00:52:58,150 --> 00:52:56,400

there's

1850

00:52:59,750 --> 00:52:58,160

not none of that kind of stuff and it's

1851
00:53:01,030 --> 00:52:59,760
all one and it's all love so it all goes

1852
00:53:02,470 --> 00:53:01,040
back to the same sort of thing

1853
00:53:04,069 --> 00:53:02,480
and what you get with experiences

1854
00:53:04,549 --> 00:53:04,079
they'll tell all these stories in fact i

1855
00:53:05,510 --> 00:53:04,559
had just

1856
00:53:06,950 --> 00:53:05,520
one interview with the guy and he's

1857
00:53:09,270 --> 00:53:06,960
telling the story he says you know when

1858
00:53:11,190 --> 00:53:09,280
i was a kid i was in this room and this

1859
00:53:12,390 --> 00:53:11,200
being comes to him later on in his life

1860
00:53:14,309 --> 00:53:12,400
and she's wearing a wig

1861
00:53:15,750 --> 00:53:14,319
he said it's a being but he knows it's

1862
00:53:17,030 --> 00:53:15,760
female he can't really tell just by the

1863
00:53:18,870 --> 00:53:17,040

feeling he knows his female

1864

00:53:20,390 --> 00:53:18,880

and she's wearing this wig and then he

1865

00:53:22,470 --> 00:53:20,400

says she was the same one

1866

00:53:23,510 --> 00:53:22,480

that was on board the ship who was

1867

00:53:25,109 --> 00:53:23,520

teaching us

1868

00:53:26,630 --> 00:53:25,119

how to levitate stuff and how to move

1869

00:53:29,270 --> 00:53:26,640

stuff around with our minds

1870

00:53:30,950 --> 00:53:29,280

and i said oh yeah he said everybody

1871

00:53:32,549 --> 00:53:30,960

describes that i said yeah

1872

00:53:34,549 --> 00:53:32,559

everybody describes that so you get

1873

00:53:35,510 --> 00:53:34,559

these stories of kids they take kids

1874

00:53:36,950 --> 00:53:35,520

when they're young and the reason they

1875

00:53:38,870 --> 00:53:36,960

take kids when they're young

1876
00:53:40,230 --> 00:53:38,880
is because when you're 25 years old it's

1877
00:53:42,790 --> 00:53:40,240
a total waste of time

1878
00:53:43,349 --> 00:53:42,800
your mindset is made all your biases are

1879
00:53:44,950 --> 00:53:43,359
there

1880
00:53:46,790 --> 00:53:44,960
and you'd need a big rubber boots and a

1881
00:53:47,349 --> 00:53:46,800
big shovel to dig down deep enough into

1882
00:53:49,910 --> 00:53:47,359
somebody's

1883
00:53:51,349 --> 00:53:49,920
consciousness to put an idea you pick up

1884
00:53:53,030 --> 00:53:51,359
kids when they're very young and that's

1885
00:53:55,109 --> 00:53:53,040
when they start to train these kids

1886
00:53:56,150 --> 00:53:55,119
so all experiencers people who have been

1887
00:53:58,390 --> 00:53:56,160
on the ship

1888
00:53:59,910 --> 00:53:58,400

they don't get taken at 25 if you you

1889

00:54:01,270 --> 00:53:59,920

say to them you know when did you have

1890

00:54:02,470 --> 00:54:01,280

your first experience and when you start

1891

00:54:04,390 --> 00:54:02,480

to regress them you find out they were

1892

00:54:06,069 --> 00:54:04,400

taken when they were like two years old

1893

00:54:07,510 --> 00:54:06,079

you know three years old and they're

1894

00:54:08,230 --> 00:54:07,520

called lifers it goes through their

1895

00:54:09,430 --> 00:54:08,240

whole life

1896

00:54:11,349 --> 00:54:09,440

and you need to get them before their

1897

00:54:13,030 --> 00:54:11,359

their mindset comes in

1898

00:54:14,870 --> 00:54:13,040

so i don't know if that answers your

1899

00:54:15,670 --> 00:54:14,880

question but they're coming in and

1900

00:54:17,349 --> 00:54:15,680

they're helping

1901

00:54:19,190 --> 00:54:17,359

do a lot of stuff they're moving it but

1902

00:54:20,309 --> 00:54:19,200

i again i don't think it's just aliens i

1903

00:54:21,190 --> 00:54:20,319

think because i went across the

1904

00:54:22,710 --> 00:54:21,200

modalities

1905

00:54:24,630 --> 00:54:22,720

and you get the same sort of thing that

1906

00:54:25,750 --> 00:54:24,640

people are like with the physical

1907

00:54:27,670 --> 00:54:25,760

science which i think is a very

1908

00:54:30,390 --> 00:54:27,680

important thing for people to study

1909

00:54:30,710 --> 00:54:30,400

where you get people like tesla is a big

1910

00:54:33,109 --> 00:54:30,720

one

1911

00:54:34,630 --> 00:54:33,119

comes in a lot of physical experience

1912

00:54:35,109 --> 00:54:34,640

seance things where they're trying to

1913

00:54:37,589 --> 00:54:35,119

help us

1914

00:54:38,870 --> 00:54:37,599

develop stuff they're giving us ideas

1915

00:54:40,870 --> 00:54:38,880

they're on the other side

1916

00:54:43,190 --> 00:54:40,880

trying to help us so i don't think it's

1917

00:54:44,870 --> 00:54:43,200

just an et thing i think

1918

00:54:46,870 --> 00:54:44,880

may even be our higher self that we can

1919

00:54:48,390 --> 00:54:46,880

get in the field it's all our higher

1920

00:54:49,910 --> 00:54:48,400

self it's all the one thing that we're

1921

00:54:51,270 --> 00:54:49,920

part of the one the spark of the divine

1922

00:54:53,670 --> 00:54:51,280

or whatever we want to call it

1923

00:54:55,990 --> 00:54:53,680

and that it's all moving and you need

1924

00:54:56,789 --> 00:54:56,000

the left brain you need that physical

1925

00:54:58,390 --> 00:54:56,799

thing because you're not going to

1926

00:54:59,109 --> 00:54:58,400

survive in the physical world without it

1927

00:55:01,670 --> 00:54:59,119

so it

1928

00:55:02,789 --> 00:55:01,680

has this necessary component that you

1929

00:55:03,990 --> 00:55:02,799

know you need to say

1930

00:55:05,990 --> 00:55:04,000

oh there may be something around the

1931

00:55:08,230 --> 00:55:06,000

next corner the fear the all the stuff

1932

00:55:09,030 --> 00:55:08,240

that the left brain brings into you and

1933

00:55:11,349 --> 00:55:09,040

to

1934

00:55:13,430 --> 00:55:11,359

analyze things and stuff like that but

1935

00:55:16,470 --> 00:55:13,440

we're sort of at the point now where

1936

00:55:20,069 --> 00:55:16,480

the analysis is sort of overrun

1937

00:55:22,710 --> 00:55:20,079

gaia and it's become so left brain

1938

00:55:23,349 --> 00:55:22,720

the world that we're sort of maybe on

1939

00:55:24,789 --> 00:55:23,359

the verge of

1940

00:55:26,069 --> 00:55:24,799

actually destroying ourselves and that

1941

00:55:27,430 --> 00:55:26,079

we've got to balance it out with the

1942

00:55:29,030 --> 00:55:27,440

female right brain

1943

00:55:30,870 --> 00:55:29,040

which looks more at the one that

1944

00:55:32,390 --> 00:55:30,880

whatever you do to the planet

1945

00:55:34,069 --> 00:55:32,400

you do to everybody else we didn't

1946

00:55:35,990 --> 00:55:34,079

believe that even ecology

1947

00:55:37,349 --> 00:55:36,000

doesn't go back a hundred years the idea

1948

00:55:39,190 --> 00:55:37,359

of ecology that we can

1949

00:55:41,109 --> 00:55:39,200

before it was the biblical thing was you

1950

00:55:43,030 --> 00:55:41,119

know take things and use them

1951

00:55:44,789 --> 00:55:43,040

you are the the masters of this kind of

1952

00:55:46,309 --> 00:55:44,799

stuff and so we were sort of using it up

1953

00:55:48,309 --> 00:55:46,319

so this idea has been

1954

00:55:49,750 --> 00:55:48,319

whether it's the field that has brought

1955

00:55:51,270 --> 00:55:49,760

this across this ecology

1956

00:55:53,190 --> 00:55:51,280

idea and what you'll find with

1957

00:55:55,990 --> 00:55:53,200

experiences a lot of experiencers

1958

00:55:56,390 --> 00:55:56,000

are big time environmentalists or

1959

00:55:59,109 --> 00:55:56,400

they're

1960

00:56:00,230 --> 00:55:59,119

animal rights activists it's almost i

1961

00:56:01,270 --> 00:56:00,240

don't know what the percentage should be

1962

00:56:03,990 --> 00:56:01,280

very very high

1963

00:56:05,750 --> 00:56:04,000

a number of experiencers who are

1964

00:56:07,349 --> 00:56:05,760

vegetarians is very high

1965

00:56:09,510 --> 00:56:07,359

a number of experiencers who had

1966

00:56:11,190 --> 00:56:09,520

near-death experiences 37

1967

00:56:12,710 --> 00:56:11,200

that's almost eight times the national

1968

00:56:14,630 --> 00:56:12,720

average or

1969

00:56:15,829 --> 00:56:14,640

experiencers who will describe exactly

1970

00:56:17,190 --> 00:56:15,839

what's described in near-death

1971

00:56:18,870 --> 00:56:17,200

experience there's a very close

1972

00:56:20,870 --> 00:56:18,880

correlation between near-death

1973

00:56:24,309 --> 00:56:20,880

experiences and the ufo phenomena

1974

00:56:27,750 --> 00:56:24,319

that ufo people will describe

1975

00:56:29,510 --> 00:56:27,760

being in the field and forty percent of

1976

00:56:31,270 --> 00:56:29,520

all ufo experiences will say at one

1977

00:56:32,470 --> 00:56:31,280

point during their experience

1978

00:56:34,470 --> 00:56:32,480

they knew the answer to everything in

1979

00:56:35,829 --> 00:56:34,480

the universe and people who have had the

1980

00:56:36,390 --> 00:56:35,839

near-death experience will say the same

1981

00:56:39,510 --> 00:56:36,400

thing

1982

00:56:42,309 --> 00:56:39,520

or people who have our experiencers 50

1983

00:56:43,109 --> 00:56:42,319

of them will say they were healed by the

1984

00:56:44,470 --> 00:56:43,119

phenomena

1985

00:56:46,390 --> 00:56:44,480

either they or somebody in their family

1986

00:56:47,829 --> 00:56:46,400

was healed and 50 of them

1987

00:56:50,230 --> 00:56:47,839

can heal people they claim that now they

1988

00:56:52,230 --> 00:56:50,240

can heal people near-death experiences

1989

00:56:53,750 --> 00:56:52,240

goes from an average of eight percent in

1990

00:56:54,549 --> 00:56:53,760

the average population that say they can

1991

00:56:55,990 --> 00:56:54,559

heal people

1992

00:56:57,670 --> 00:56:56,000

people who've had near-death experiences

1993

00:56:58,950 --> 00:56:57,680

it's 70 percent of people who've had

1994

00:56:59,829 --> 00:56:58,960

near earth experiences claim they can

1995

00:57:02,150 --> 00:56:59,839

heal other people

1996

00:57:04,470 --> 00:57:02,160

so you see these correlations and that's

1997

00:57:05,430 --> 00:57:04,480

why i think it's all basically the same

1998

00:57:06,870 --> 00:57:05,440

thing it's just

1999

00:57:08,870 --> 00:57:06,880

almost like bashar if you're familiar

2000

00:57:10,789 --> 00:57:08,880

with the famous alien channeler

2001

00:57:12,470 --> 00:57:10,799

he says it's all just permission slips

2002

00:57:12,789 --> 00:57:12,480

whatever you think works for you go for

2003

00:57:18,390 --> 00:57:12,799

it

2004

00:57:20,549 --> 00:57:18,400

and you can shut off the left brain then

2005

00:57:21,190 --> 00:57:20,559

you can do it but i believe everybody's

2006

00:57:22,390 --> 00:57:21,200

basically

2007

00:57:23,990 --> 00:57:22,400

doing the same thing it's just a

2008

00:57:25,829 --> 00:57:24,000

different especially if you go to the

2009

00:57:26,150 --> 00:57:25,839

fact that everything is consciousness

2010

00:57:27,750 --> 00:57:26,160

then

2011

00:57:30,309 --> 00:57:27,760

it's all goes back to this consciousness

2012

00:57:32,390 --> 00:57:30,319

thing and it's you get in touch with it

2013

00:57:33,349 --> 00:57:32,400

and all the answers are in the field you

2014

00:57:34,630 --> 00:57:33,359

have all these

2015

00:57:37,030 --> 00:57:34,640

dead people who are trying to help

2016

00:57:39,190 --> 00:57:37,040

through physical mediumship stuff

2017

00:57:40,710 --> 00:57:39,200

and even when you get on the one

2018

00:57:42,549 --> 00:57:40,720

experiencer told me

2019

00:57:44,309 --> 00:57:42,559

she was on board the ship and you you

2020

00:57:44,870 --> 00:57:44,319

got this connection with death on board

2021

00:57:46,549 --> 00:57:44,880

the ship

2022

00:57:48,710 --> 00:57:46,559

where people's dead relatives are

2023

00:57:50,470 --> 00:57:48,720

brought on to talk to them or their dead

2024

00:57:51,829 --> 00:57:50,480

dog is on the ship and stuff like that

2025

00:57:52,150 --> 00:57:51,839

and they're usually not very happy about

2026

00:57:54,390 --> 00:57:52,160

it

2027

00:57:56,549 --> 00:57:54,400

and the one woman is sherry wilde who

2028

00:57:57,829 --> 00:57:56,559

they're about to do a movie on her

2029

00:57:59,430 --> 00:57:57,839

she talks about being on the ship and

2030

00:58:00,789 --> 00:57:59,440

albert einstein was on there and albert

2031

00:58:02,710 --> 00:58:00,799

schweitzer was on there

2032

00:58:04,069 --> 00:58:02,720

and who was the third one tesla was on

2033

00:58:04,390 --> 00:58:04,079

there and there was the girl in world

2034

00:58:06,230 --> 00:58:04,400

war

2035

00:58:08,390 --> 00:58:06,240

ii who wrote the book the jewish girl

2036

00:58:10,630 --> 00:58:08,400

who was wrote this famous book

2037

00:58:12,069 --> 00:58:10,640

took me frank yeah anne frank was on

2038

00:58:13,270 --> 00:58:12,079

board and i said to her

2039

00:58:14,870 --> 00:58:13,280

and this is the whole thing about this

2040

00:58:15,430 --> 00:58:14,880

is it consciousness or is it physical so

2041

00:58:17,349 --> 00:58:15,440

i said

2042

00:58:18,549 --> 00:58:17,359

sherry let me ask you a question you saw

2043

00:58:20,150 --> 00:58:18,559

these people on board the ship when you

2044

00:58:21,990 --> 00:58:20,160

were 15 years old she said yeah

2045

00:58:23,910 --> 00:58:22,000

i said can i ask you did they look

2046

00:58:24,230 --> 00:58:23,920

physical just i know you're going with

2047

00:58:26,069 --> 00:58:24,240

this

2048

00:58:27,670 --> 00:58:26,079

so let me tell you what it may have been

2049

00:58:28,549 --> 00:58:27,680

a real good hologram but they sure look

2050

00:58:30,789 --> 00:58:28,559

physical to me

2051
00:58:31,589 --> 00:58:30,799
and so you get these crossovers that are

2052
00:58:33,190 --> 00:58:31,599
so

2053
00:58:34,630 --> 00:58:33,200
bizarre but it's and that's what i'm

2054
00:58:36,069 --> 00:58:34,640
trying to do now is put all the

2055
00:58:37,829 --> 00:58:36,079
connections together because

2056
00:58:39,750 --> 00:58:37,839
people get almost into one field that's

2057
00:58:42,309 --> 00:58:39,760
where it has to be interdisciplinary

2058
00:58:43,349 --> 00:58:42,319
so somebody may get into say lsd is the

2059
00:58:45,109 --> 00:58:43,359
thing and they become like

2060
00:58:46,150 --> 00:58:45,119
the lsd religion and that's all they're

2061
00:58:47,829 --> 00:58:46,160
studying and they don't realize the

2062
00:58:48,390 --> 00:58:47,839
correlations between other types of

2063
00:58:51,270 --> 00:58:48,400

things

2064

00:58:51,910 --> 00:58:51,280

and so i try to stay as wide as i can in

2065

00:58:53,910 --> 00:58:51,920

looking at

2066

00:58:55,589 --> 00:58:53,920

all the paranormal phenomena and trying

2067

00:58:57,349 --> 00:58:55,599

to find these sort of the similarities

2068

00:58:59,270 --> 00:58:57,359

and that's what i find they're all very

2069

00:59:00,630 --> 00:58:59,280

similar they just are sort of like

2070

00:59:02,309 --> 00:59:00,640

different names to them and

2071

00:59:04,150 --> 00:59:02,319

people sort of turn them into religions

2072

00:59:05,270 --> 00:59:04,160

and i think you've got to stay really

2073

00:59:06,789 --> 00:59:05,280

wide with this stuff

2074

00:59:09,349 --> 00:59:06,799

and then the answers are pretty clear

2075

00:59:10,470 --> 00:59:09,359

that we are getting help from the other

2076

00:59:12,789 --> 00:59:10,480

side whether it's

2077

00:59:14,309 --> 00:59:12,799

spirits or dead people and you'll get

2078

00:59:15,670 --> 00:59:14,319

this people describing you know where

2079

00:59:17,190 --> 00:59:15,680

they're about to go in a car accident

2080

00:59:19,750 --> 00:59:17,200

and suddenly they hear their dead

2081

00:59:21,750 --> 00:59:19,760

father or brother or husband or wife

2082

00:59:23,910 --> 00:59:21,760

give them a warning and stuff like that

2083

00:59:25,670 --> 00:59:23,920

and that's the thing is it's a bizarre

2084

00:59:26,150 --> 00:59:25,680

world but it is teaching us what reality

2085

00:59:28,230 --> 00:59:26,160

is about

2086

00:59:29,990 --> 00:59:28,240

and that's my bottom line i'm really not

2087

00:59:30,789 --> 00:59:30,000

interested in being able to do this kind

2088

00:59:33,829 --> 00:59:30,799

of stuff

2089

00:59:35,349 --> 00:59:33,839

i'm not interested in seeing ufos or you

2090

00:59:37,589 --> 00:59:35,359

know even physical mediumship i

2091

00:59:39,030 --> 00:59:37,599

said to kyle muga who was one of the top

2092

00:59:40,710 --> 00:59:39,040

physical medium in germany

2093

00:59:42,150 --> 00:59:40,720

i said well i'll come down and attend

2094

00:59:43,430 --> 00:59:42,160

your sales and

2095

00:59:45,510 --> 00:59:43,440

to watch and he said no you're not

2096

00:59:46,950 --> 00:59:45,520

coming to watch you're coming to be part

2097

00:59:47,910 --> 00:59:46,960

of it and this is the thing i'm not

2098

00:59:49,510 --> 00:59:47,920

really interested i'm

2099

00:59:51,030 --> 00:59:49,520

more interested to me it's always been

2100

00:59:52,549 --> 00:59:51,040

like a chess game that i was very good

2101
00:59:52,870 --> 00:59:52,559
as a kid playing chess when i was very

2102
00:59:54,630 --> 00:59:52,880
young

2103
00:59:55,829 --> 00:59:54,640
i was actually in elementary i was

2104
00:59:56,950 --> 00:59:55,839
playing in the high school and to me

2105
00:59:59,030 --> 00:59:56,960
it's like a chess game

2106
01:00:01,270 --> 00:59:59,040
it's like ultimate reality how does this

2107
01:00:02,789 --> 01:00:01,280
fit in put the pieces together

2108
01:00:04,390 --> 01:00:02,799
and basically trust that people are

2109
01:00:06,470 --> 01:00:04,400
telling the truth which i think is

2110
01:00:07,829 --> 01:00:06,480
basically the bottom line that people

2111
01:00:09,430 --> 01:00:07,839
are describing

2112
01:00:10,950 --> 01:00:09,440
what they are experiencing and they may

2113
01:00:12,069 --> 01:00:10,960

have it all messed up in terms of their

2114

01:00:13,430 --> 01:00:12,079

belief systems

2115

01:00:14,870 --> 01:00:13,440

but you start seeing these real

2116

01:00:15,910 --> 01:00:14,880

correlations and i think they do

2117

01:00:17,589 --> 01:00:15,920

describe to you

2118

01:00:19,270 --> 01:00:17,599

what ultimate reality is and how it

2119

01:00:21,270 --> 01:00:19,280

works

2120

01:00:23,589 --> 01:00:21,280

that's a great summary and i do love

2121

01:00:24,549 --> 01:00:23,599

that data the survey data of the

2122

01:00:26,549 --> 01:00:24,559

experiencers

2123

01:00:28,950 --> 01:00:26,559

and what we can glean from that and it

2124

01:00:29,750 --> 01:00:28,960

is important to stay wide in looking at

2125

01:00:31,670 --> 01:00:29,760

this thing

2126
01:00:32,789 --> 01:00:31,680
and not drawing a ton of conclusions and

2127
01:00:33,670 --> 01:00:32,799
i also agree with you that at the

2128
01:00:35,589 --> 01:00:33,680
highest level

2129
01:00:36,710 --> 01:00:35,599
yes it is all consciousness i've had

2130
01:00:39,670 --> 01:00:36,720
experiences that

2131
01:00:41,750 --> 01:00:39,680
crack that open but if you're being

2132
01:00:43,670 --> 01:00:41,760
eaten by a tiger or tortured in a

2133
01:00:45,910 --> 01:00:43,680
basement or having your

2134
01:00:47,190 --> 01:00:45,920
semen extracted on a spaceship it's

2135
01:00:49,910 --> 01:00:47,200
gonna feel very

2136
01:00:50,230 --> 01:00:49,920
separate and i don't know how useful

2137
01:00:52,789 --> 01:00:50,240
that

2138
01:00:53,910 --> 01:00:52,799

it's all one higher understanding is in

2139

01:00:56,230 --> 01:00:53,920

those moments and

2140

01:00:57,270 --> 01:00:56,240

being should be able to be as negative

2141

01:00:59,349 --> 01:00:57,280

as people

2142

01:01:00,710 --> 01:00:59,359

in the game we're playing on this level

2143

01:01:01,750 --> 01:01:00,720

right they could have nefarious

2144

01:01:03,910 --> 01:01:01,760

intentions i know

2145

01:01:06,150 --> 01:01:03,920

ultimately it's all consciousness but on

2146

01:01:08,069 --> 01:01:06,160

this level of the game we play where we

2147

01:01:09,190 --> 01:01:08,079

pretend that it isn't or we're not aware

2148

01:01:10,789 --> 01:01:09,200

of it

2149

01:01:12,630 --> 01:01:10,799

what do you think the intentions of some

2150

01:01:13,990 --> 01:01:12,640

of these beings are

2151
01:01:15,670 --> 01:01:14,000
well that's where i differ from

2152
01:01:16,390 --> 01:01:15,680
everybody i say there's no good and evil

2153
01:01:20,309 --> 01:01:16,400
it's all

2154
01:01:22,630 --> 01:01:20,319
stuff so

2155
01:01:23,990 --> 01:01:22,640
i'll give you two examples so one is the

2156
01:01:26,470 --> 01:01:24,000
abduction experience some people say

2157
01:01:28,150 --> 01:01:26,480
ah these uh you know we're victims this

2158
01:01:29,109 --> 01:01:28,160
is terrible they're taking us on board

2159
01:01:31,270 --> 01:01:29,119
the ship

2160
01:01:33,270 --> 01:01:31,280
you take the free survey which looks at

2161
01:01:33,990 --> 01:01:33,280
3 000 experiences and you see that only

2162
01:01:35,750 --> 01:01:34,000
9

2163
01:01:37,190 --> 01:01:35,760

believe that the aliens that they

2164

01:01:40,069 --> 01:01:37,200
encountered were actually evil

2165

01:01:41,670 --> 01:01:40,079
and ray hernandez was running this study

2166

01:01:43,589 --> 01:01:41,680
went back to them and said

2167

01:01:44,950 --> 01:01:43,599
so why do you think they're evil he said

2168

01:01:46,390 --> 01:01:44,960
because they scared the daylights out of

2169

01:01:47,510 --> 01:01:46,400
me it was an eight-foot reptilian

2170

01:01:50,549 --> 01:01:47,520
standing in my bedroom

2171

01:01:51,990 --> 01:01:50,559
and he said that's it that's it and i

2172

01:01:54,230 --> 01:01:52,000
asked a lot of people so there's a lot

2173

01:01:55,750 --> 01:01:54,240
of people do regression so i asked

2174

01:01:57,589 --> 01:01:55,760
like mary rodriguez done 3 000

2175

01:01:58,789 --> 01:01:57,599
regressions of ufo experiences i said

2176

01:02:00,950 --> 01:01:58,799

mary

2177

01:02:01,829 --> 01:02:00,960

if you regress all these people back to

2178

01:02:03,510 --> 01:02:01,839

birth

2179

01:02:04,630 --> 01:02:03,520

and you ask them at any point in the

2180

01:02:05,270 --> 01:02:04,640

past did you agree to be in this

2181

01:02:07,109 --> 01:02:05,280

situation

2182

01:02:08,789 --> 01:02:07,119

how many people would answer yes she

2183

01:02:10,950 --> 01:02:08,799

said 100

2184

01:02:13,190 --> 01:02:10,960

and so i asked kathy martin kathy martin

2185

01:02:15,109 --> 01:02:13,200

is the niece of betty and barney hill

2186

01:02:17,109 --> 01:02:15,119

so i said to her i said kathy what do

2187

01:02:19,109 --> 01:02:17,119

you say about this soul contract thing

2188

01:02:20,710 --> 01:02:19,119

that basically we agree to everything

2189

01:02:22,230 --> 01:02:20,720

that's coming in here and she said i

2190

01:02:23,670 --> 01:02:22,240

always thought about that she said so i

2191

01:02:25,430 --> 01:02:23,680

actually had myself progressed

2192

01:02:27,029 --> 01:02:25,440

and i actually heard myself the voice

2193

01:02:29,190 --> 01:02:27,039

come out of my mouth and said

2194

01:02:30,789 --> 01:02:29,200

i agree to this and the other thing that

2195

01:02:32,069 --> 01:02:30,799

i said i had four major events one of

2196

01:02:34,390 --> 01:02:32,079

the major events i had

2197

01:02:36,309 --> 01:02:34,400

was watching dr michael newton and i

2198

01:02:38,630 --> 01:02:36,319

have always been blown away by mike

2199

01:02:40,309 --> 01:02:38,640

newton he's got 7000 regressions he

2200

01:02:42,309 --> 01:02:40,319

invented the life between life

2201

01:02:43,349 --> 01:02:42,319

whole thing there's now 35 000

2202

01:02:44,789 --> 01:02:43,359

regressions and

2203

01:02:46,470 --> 01:02:44,799

everybody says the same thing in these

2204

01:02:48,150 --> 01:02:46,480

regressions it's you can just it's like

2205

01:02:50,549 --> 01:02:48,160

a playbook you can go through there

2206

01:02:52,309 --> 01:02:50,559

and this is the whole thing where one of

2207

01:02:55,029 --> 01:02:52,319

the documentaries was being done

2208

01:02:56,789 --> 01:02:55,039

there's girls in auschwitz and the guys

2209

01:02:59,750 --> 01:02:56,799

filming it and then she said

2210

01:03:01,430 --> 01:02:59,760

oh this thing about the agreement to be

2211

01:03:02,789 --> 01:03:01,440

in this situation and he said that's the

2212

01:03:03,349 --> 01:03:02,799

most inappropriate thing i ever heard in

2213

01:03:05,190 --> 01:03:03,359

my life

2214

01:03:07,270 --> 01:03:05,200

but newton is big on this this whole

2215

01:03:08,789 --> 01:03:07,280

idea that when you get down to it it's

2216

01:03:11,270 --> 01:03:08,799

all experience and that you learn

2217

01:03:13,190 --> 01:03:11,280

from whatever the experience is and it's

2218

01:03:14,789 --> 01:03:13,200

this idea that everything is experience

2219

01:03:15,349 --> 01:03:14,799

and we like to play the victim we like

2220

01:03:16,950 --> 01:03:15,359

to say

2221

01:03:18,870 --> 01:03:16,960

you know we're the good guys and there's

2222

01:03:20,150 --> 01:03:18,880

bad aliens and there's bad russians and

2223

01:03:22,069 --> 01:03:20,160

there's bad chinese

2224

01:03:23,349 --> 01:03:22,079

and all we're doing is changing the noun

2225

01:03:25,109 --> 01:03:23,359

usually it's like it used to be the

2226

01:03:25,670 --> 01:03:25,119

japanese or the bad guys and we dropped

2227

01:03:27,430 --> 01:03:25,680

two

2228

01:03:29,029 --> 01:03:27,440

atomic bombs so we can say people will

2229

01:03:30,710 --> 01:03:29,039

say to me oh the aliens like they're

2230

01:03:32,549 --> 01:03:30,720

abducting people they're evil and i say

2231

01:03:34,150 --> 01:03:32,559

let me tell you what when they drop the

2232

01:03:35,670 --> 01:03:34,160

first atomic bomb

2233

01:03:38,390 --> 01:03:35,680

and melt a hundred thousand people into

2234

01:03:41,670 --> 01:03:38,400

the sidewalk or if they firebomb

2235

01:03:45,029 --> 01:03:41,680

japan kill and cremate 80 000 people

2236

01:03:45,430 --> 01:03:45,039

in two nights alive give me the alien

2237

01:03:48,710 --> 01:03:45,440

ali

2238

01:03:50,549 --> 01:03:48,720

sign it until then

2239

01:03:51,829 --> 01:03:50,559

we have met the enemy and he is us we

2240

01:03:52,470 --> 01:03:51,839

are the enemy we are the ones that

2241

01:03:54,789 --> 01:03:52,480

manifest

2242

01:03:56,390 --> 01:03:54,799

and i say that all that is evil in the

2243

01:03:57,349 --> 01:03:56,400

world and i've maintained i've never

2244

01:03:59,109 --> 01:03:57,359

seen any exception

2245

01:04:01,190 --> 01:03:59,119

all that is evil in the world is the

2246

01:04:03,510 --> 01:04:01,200

mistaken belief in separation

2247

01:04:04,549 --> 01:04:03,520

when you believe when i believe that you

2248

01:04:06,390 --> 01:04:04,559

are different from me

2249

01:04:07,910 --> 01:04:06,400

and i am better than you and you are my

2250

01:04:08,630 --> 01:04:07,920

problem then i have the right to steal

2251

01:04:09,990 --> 01:04:08,640

your stuff

2252

01:04:11,910 --> 01:04:10,000

and i have a right to kill you and i

2253

01:04:13,190 --> 01:04:11,920

have a right to get you as the enemy and

2254

01:04:14,630 --> 01:04:13,200

all we're doing is changing now so it

2255

01:04:15,829 --> 01:04:14,640

used to be the japanese and then it was

2256

01:04:17,510 --> 01:04:15,839

the north vietnamese and they were the

2257

01:04:18,309 --> 01:04:17,520

bad guys and the only good [h__\h] was a

2258

01:04:19,670 --> 01:04:18,319

dead [h__\h]

2259

01:04:21,270 --> 01:04:19,680

and we were dropping bombs and we're

2260

01:04:22,390 --> 01:04:21,280

gonna drop atomic bombs and wipe them

2261

01:04:23,750 --> 01:04:22,400

out and stuff like that

2262

01:04:25,109 --> 01:04:23,760

and now the suddenly they started making

2263

01:04:25,990 --> 01:04:25,119

nike runners now they're good they're

2264

01:04:27,270 --> 01:04:26,000

our friends and it's like

2265

01:04:29,109 --> 01:04:27,280

what happened to the evil did it

2266

01:04:31,990 --> 01:04:29,119

evaporate and so i say

2267

01:04:32,789 --> 01:04:32,000

it's this mistaken belief in separation

2268

01:04:35,190 --> 01:04:32,799

that causes

2269

01:04:36,309 --> 01:04:35,200

all evil and it's if you believe that

2270

01:04:39,029 --> 01:04:36,319

everything is one

2271

01:04:39,589 --> 01:04:39,039

then doing anything to anybody that is

2272

01:04:41,109 --> 01:04:39,599

bad

2273

01:04:42,789 --> 01:04:41,119

is like taking a hammer and smashing

2274

01:04:45,029 --> 01:04:42,799

your thumb it doesn't make any sense

2275

01:04:46,470 --> 01:04:45,039

but people don't believe theoretically

2276

01:04:47,990 --> 01:04:46,480

they say oh yeah we're all one

2277

01:04:49,270 --> 01:04:48,000

but yeah there's still separation and

2278

01:04:51,349 --> 01:04:49,280

there's evil guys and we need to kill

2279

01:04:53,109 --> 01:04:51,359

these guys

2280

01:04:55,109 --> 01:04:53,119

well i think that's a reasonable

2281

01:04:56,630 --> 01:04:55,119

response and a good example to

2282

01:04:59,750 --> 01:04:56,640

illustrate it

2283

01:05:02,150 --> 01:04:59,760

and so we started this

2284

01:05:02,950 --> 01:05:02,160

talking about what these people have

2285

01:05:05,910 --> 01:05:02,960

found the

2286

01:05:07,670 --> 01:05:05,920

meta materials but also the bodies and

2287

01:05:09,670 --> 01:05:07,680

then later we talked about how

2288

01:05:12,309 --> 01:05:09,680

they're not physical because people are

2289

01:05:13,109 --> 01:05:12,319

seeing things as cat people or mantids

2290

01:05:15,510 --> 01:05:13,119

or grays

2291

01:05:17,670 --> 01:05:15,520

well what about those bodies i mean

2292

01:05:19,589 --> 01:05:17,680

didn't kit green famously say that he

2293

01:05:21,829 --> 01:05:19,599

couldn't get briefed into the

2294

01:05:23,829 --> 01:05:21,839

alien autopsy program there's some kind

2295

01:05:25,589 --> 01:05:23,839

of bodies out there aren't there

2296

01:05:26,950 --> 01:05:25,599

okay so the bodies yeah they're our

2297

01:05:28,710 --> 01:05:26,960

bodies that's the whole idea that's the

2298

01:05:30,390 --> 01:05:28,720

same thing as a ports

2299

01:05:31,990 --> 01:05:30,400

they come out of the spirit world and

2300

01:05:34,390 --> 01:05:32,000

they drop these supports

2301
01:05:35,510 --> 01:05:34,400
into our world so i would say the bodies

2302
01:05:36,870 --> 01:05:35,520
are like a porch

2303
01:05:37,910 --> 01:05:36,880
for example if you're into the fear

2304
01:05:39,510 --> 01:05:37,920
thing when when you're talking to

2305
01:05:41,829 --> 01:05:39,520
somebody abduction you're gonna say

2306
01:05:43,910 --> 01:05:41,839
uh did they scare you uh did they probe

2307
01:05:45,829 --> 01:05:43,920
you did it hurt were you really scared

2308
01:05:48,230 --> 01:05:45,839
when i get somebody on board and they're

2309
01:05:49,829 --> 01:05:48,240
talking i say let me ask you a question

2310
01:05:52,390 --> 01:05:49,839
did the alien have any clothes on and

2311
01:05:54,710 --> 01:05:52,400
they go no i said me asking

2312
01:05:55,829 --> 01:05:54,720
they have any sex organs they go no

2313
01:05:56,549 --> 01:05:55,839

thinking about no they didn't have any

2314

01:05:57,510 --> 01:05:56,559

sex organs

2315

01:05:59,029 --> 01:05:57,520

and i said don't you think that's kind

2316

01:06:00,309 --> 01:05:59,039

of strange and you go yeah it's kind of

2317

01:06:01,589 --> 01:06:00,319

strange and i say they have a belly

2318

01:06:03,270 --> 01:06:01,599

button no it doesn't really but

2319

01:06:04,710 --> 01:06:03,280

they have nipples no and then the big

2320

01:06:06,710 --> 01:06:04,720

one i always say is

2321

01:06:07,990 --> 01:06:06,720

did the alien ever get any older and i

2322

01:06:09,990 --> 01:06:08,000

have betty andres and he's one of the

2323

01:06:11,829 --> 01:06:10,000

most famous 1946 her and her husband

2324

01:06:13,029 --> 01:06:11,839

both had their first experience in 1946

2325

01:06:14,470 --> 01:06:13,039

so i asked them

2326

01:06:15,829 --> 01:06:14,480

you were in 1946 you're a little

2327

01:06:17,750 --> 01:06:15,839

six-year-old girl or whatever now you're

2328

01:06:19,349 --> 01:06:17,760

like 80 years old

2329

01:06:20,870 --> 01:06:19,359

you changed this whole thing did the

2330

01:06:21,589 --> 01:06:20,880

alien ever get any older and the husband

2331

01:06:23,510 --> 01:06:21,599

said

2332

01:06:25,109 --> 01:06:23,520

no never got any older but aliens of a

2333

01:06:26,549 --> 01:06:25,119

long time and we start making these

2334

01:06:28,150 --> 01:06:26,559

excuses and that's the whole thing

2335

01:06:29,910 --> 01:06:28,160

the aliens when you start asking the

2336

01:06:30,710 --> 01:06:29,920

alien is always the same it's always and

2337

01:06:32,789 --> 01:06:30,720

that's the whole thing

2338

01:06:34,789 --> 01:06:32,799

if it's an actual physical biological

2339

01:06:37,029 --> 01:06:34,799

being it should age it doesn't age

2340

01:06:37,910 --> 01:06:37,039

the hybrids seem to age but the beings

2341

01:06:39,589 --> 01:06:37,920

themselves

2342

01:06:40,870 --> 01:06:39,599

don't seem to age and you see all these

2343

01:06:41,750 --> 01:06:40,880

bizarre things they don't have sex

2344

01:06:44,470 --> 01:06:41,760

organs

2345

01:06:46,309 --> 01:06:44,480

nobody ever sees them eating or sleeping

2346

01:06:47,750 --> 01:06:46,319

so the bodies are like a port so yeah

2347

01:06:49,190 --> 01:06:47,760

when they're in the physical world

2348

01:06:50,950 --> 01:06:49,200

and it's even the thing there's a guy by

2349

01:06:51,670 --> 01:06:50,960

the name of they call him tyler d i know

2350

01:06:53,510 --> 01:06:51,680

his real name but

2351
01:06:55,829 --> 01:06:53,520
he's a nassau guy who's probably the

2352
01:06:57,510 --> 01:06:55,839
leading expert on ufos inside nasa

2353
01:06:58,950 --> 01:06:57,520
and he's written in a book called

2354
01:06:59,990 --> 01:06:58,960
american cosmic you haven't read it you

2355
01:07:02,309 --> 01:07:00,000
got to read it because kit

2356
01:07:03,750 --> 01:07:02,319
green says if he were to take off the

2357
01:07:04,390 --> 01:07:03,760
first couple chapters last couple of

2358
01:07:05,829 --> 01:07:04,400
chapters

2359
01:07:08,309 --> 01:07:05,839
that's what kit green is thinking it's

2360
01:07:09,670 --> 01:07:08,319
written by uh that's

2361
01:07:11,910 --> 01:07:09,680
yeah i've interviewed her and i was

2362
01:07:14,630 --> 01:07:11,920
wondering who those uh those uh

2363
01:07:15,589 --> 01:07:14,640

secret sources were yeah i know i've had

2364

01:07:18,390 --> 01:07:15,599

a conversation with

2365

01:07:19,990 --> 01:07:18,400

tyler and so you remember the story it

2366

01:07:21,430 --> 01:07:20,000

was actually my friend who took tyler to

2367

01:07:23,029 --> 01:07:21,440

that site in new mexico

2368

01:07:24,470 --> 01:07:23,039

and showed him this medal and he became

2369

01:07:27,190 --> 01:07:24,480

obsessed with it so he takes

2370

01:07:28,630 --> 01:07:27,200

diane pasalka and he takes actually took

2371

01:07:30,150 --> 01:07:28,640

gary nolan was the other guy he took to

2372

01:07:31,109 --> 01:07:30,160

the site he blindfolds him when he goes

2373

01:07:32,710 --> 01:07:31,119

to the site

2374

01:07:34,390 --> 01:07:32,720

now when they start talking if you look

2375

01:07:35,190 --> 01:07:34,400

in the book they call it the gifting

2376

01:07:37,270 --> 01:07:35,200

field

2377

01:07:38,390 --> 01:07:37,280

and that changes the whole perspective

2378

01:07:41,589 --> 01:07:38,400

is this an actual

2379

01:07:43,750 --> 01:07:41,599

crash where we shot it down with radar

2380

01:07:45,670 --> 01:07:43,760

or these aliens came across the galaxy

2381

01:07:47,029 --> 01:07:45,680

and then they got hit by lightning and

2382

01:07:49,029 --> 01:07:47,039

you know we've got all these bizarre

2383

01:07:49,910 --> 01:07:49,039

things that we sort of impose our own

2384

01:07:51,829 --> 01:07:49,920

world view on

2385

01:07:53,109 --> 01:07:51,839

on what's happening and they call it the

2386

01:07:54,549 --> 01:07:53,119

gifting field and that's one of the

2387

01:07:55,750 --> 01:07:54,559

theories that i think is i'm looking

2388

01:07:57,430 --> 01:07:55,760

more at all the time

2389

01:07:59,109 --> 01:07:57,440

is maybe this was all intentional that

2390

01:08:00,710 --> 01:07:59,119

they actually intended to crash

2391

01:08:02,230 --> 01:08:00,720

and this is like an important thing and

2392

01:08:03,750 --> 01:08:02,240

it's the same thing it's a theory wow

2393

01:08:05,510 --> 01:08:03,760

it's trying to get you to go wow

2394

01:08:06,710 --> 01:08:05,520

like this is pretty bizarre and look at

2395

01:08:07,510 --> 01:08:06,720

this paranormal stuff and look at this

2396

01:08:09,670 --> 01:08:07,520

paranormal stuff

2397

01:08:11,109 --> 01:08:09,680

and it just keeps you banging away at

2398

01:08:12,630 --> 01:08:11,119

the physical universe

2399

01:08:14,150 --> 01:08:12,640

in terms of the fact that eventually

2400

01:08:15,349 --> 01:08:14,160

everybody's going to say no there's got

2401
01:08:15,910 --> 01:08:15,359
to be something beyond this physical

2402
01:08:17,829 --> 01:08:15,920
universe

2403
01:08:19,110 --> 01:08:17,839
and it's because we get obsessed with

2404
01:08:19,990 --> 01:08:19,120
this stuff you can't let it go once it

2405
01:08:21,349 --> 01:08:20,000
comes so

2406
01:08:22,789 --> 01:08:21,359
they call it the gifting field and

2407
01:08:24,630 --> 01:08:22,799
that's what i say is the thing with the

2408
01:08:26,149 --> 01:08:24,640
imports or with the crop circles

2409
01:08:27,990 --> 01:08:26,159
it's all this gifting thing they're

2410
01:08:29,590 --> 01:08:28,000
dropping these little clues they're not

2411
01:08:31,430 --> 01:08:29,600
allowed to come in and actually

2412
01:08:33,269 --> 01:08:31,440
do the homework for you but they give

2413
01:08:34,789 --> 01:08:33,279

these little clues these little hints

2414

01:08:35,910 --> 01:08:34,799

and they force you to think about this

2415

01:08:37,349 --> 01:08:35,920

kind of stuff and that's what's

2416

01:08:38,870 --> 01:08:37,359

happening the physical

2417

01:08:40,390 --> 01:08:38,880

we're a biological robot in a

2418

01:08:41,269 --> 01:08:40,400

meaningless universe it's all starting

2419

01:08:42,870 --> 01:08:41,279

to break down

2420

01:08:44,470 --> 01:08:42,880

because there's so many of these bizarre

2421

01:08:46,709 --> 01:08:44,480

stories where people start to say

2422

01:08:47,829 --> 01:08:46,719

i don't think this is physical and you

2423

01:08:49,430 --> 01:08:47,839

talk to jacques ballet

2424

01:08:50,870 --> 01:08:49,440

jacques villa will bang on the table

2425

01:08:51,349 --> 01:08:50,880

when people ask him you bang on the

2426

01:08:53,669 --> 01:08:51,359

table

2427

01:08:55,110 --> 01:08:53,679

this is not solid we believe it's a

2428

01:08:55,349 --> 01:08:55,120

solid world you know we used to believe

2429

01:08:58,709 --> 01:08:55,359

the

2430

01:09:00,070 --> 01:08:58,719

rational analytical mind that believed

2431

01:09:01,510 --> 01:09:00,080

it was flat because you can put a level

2432

01:09:02,709 --> 01:09:01,520

anywhere on the world and it's flat

2433

01:09:03,829 --> 01:09:02,719

and you can measure it and you can tell

2434

01:09:05,110 --> 01:09:03,839

when the sun's going to come up and the

2435

01:09:06,309 --> 01:09:05,120

sun is going around the earth

2436

01:09:08,149 --> 01:09:06,319

because you can predict when it's going

2437

01:09:09,110 --> 01:09:08,159

to rise when it's going to set we make

2438

01:09:11,110 --> 01:09:09,120

all these

2439

01:09:13,269 --> 01:09:11,120

assumptions and what this is doing is

2440

01:09:15,510 --> 01:09:13,279

breaking down all these belief systems

2441

01:09:16,789 --> 01:09:15,520

to say no it's not the world you think

2442

01:09:17,990 --> 01:09:16,799

it is and the more

2443

01:09:19,110 --> 01:09:18,000

that people get especially with

2444

01:09:20,309 --> 01:09:19,120

psychedelics i think it's going to be

2445

01:09:22,390 --> 01:09:20,319

the one that's going to

2446

01:09:23,910 --> 01:09:22,400

absolutely turn the world around because

2447

01:09:24,789 --> 01:09:23,920

there's piles of people getting into

2448

01:09:26,309 --> 01:09:24,799

psychedelics

2449

01:09:28,630 --> 01:09:26,319

and they're starting to realize there's

2450

01:09:29,110 --> 01:09:28,640

these non-local states and you can get

2451
01:09:30,950 --> 01:09:29,120
in them

2452
01:09:32,870 --> 01:09:30,960
and when you get in there people will

2453
01:09:35,829 --> 01:09:32,880
say this is more

2454
01:09:36,950 --> 01:09:35,839
real than the real world which means

2455
01:09:38,630 --> 01:09:36,960
this is the illusion

2456
01:09:40,630 --> 01:09:38,640
no matter what you might want to think

2457
01:09:42,229 --> 01:09:40,640
and you get into even the idea of the

2458
01:09:43,910 --> 01:09:42,239
five methoxy dmt

2459
01:09:45,829 --> 01:09:43,920
where you seem to go back to

2460
01:09:47,669 --> 01:09:45,839
consciousness you're in a light field

2461
01:09:48,950 --> 01:09:47,679
there is no form there are no beings

2462
01:09:51,189 --> 01:09:48,960
there are no

2463
01:09:52,709 --> 01:09:51,199

psychedelic patterns there is just this

2464

01:09:55,590 --> 01:09:52,719

love and this

2465

01:09:56,709 --> 01:09:55,600

sense of supreme oneness or a divine

2466

01:09:57,910 --> 01:09:56,719

being and stuff like that

2467

01:10:00,070 --> 01:09:57,920

and i think that's what's going to

2468

01:10:02,390 --> 01:10:00,080

change it because you now have in canada

2469

01:10:04,149 --> 01:10:02,400

marijuana is legal and you have a lot of

2470

01:10:04,950 --> 01:10:04,159

places where psilocybin is legal now in

2471

01:10:06,229 --> 01:10:04,960

the united states

2472

01:10:08,390 --> 01:10:06,239

i think that's going to change you can

2473

01:10:09,430 --> 01:10:08,400

have more and more people as max planck

2474

01:10:11,270 --> 01:10:09,440

said

2475

01:10:13,590 --> 01:10:11,280

the world does not change by convincing

2476
01:10:14,630 --> 01:10:13,600
other people it advances science and i

2477
01:10:17,750 --> 01:10:14,640
believe ufology

2478
01:10:19,350 --> 01:10:17,760
and paranormal advance one funeral at a

2479
01:10:21,990 --> 01:10:19,360
time

2480
01:10:22,870 --> 01:10:22,000
cheers to all that yes and american

2481
01:10:24,790 --> 01:10:22,880
cosmic

2482
01:10:26,550 --> 01:10:24,800
great book and i agree with you on the

2483
01:10:27,189 --> 01:10:26,560
psychedelics thing too the gifting

2484
01:10:29,030 --> 01:10:27,199
fields that

2485
01:10:31,350 --> 01:10:29,040
is really good context it kind of

2486
01:10:33,669 --> 01:10:31,360
explains why they could just go out

2487
01:10:36,149 --> 01:10:33,679
to this place and find some metal from

2488
01:10:37,590 --> 01:10:36,159

some previous crash so easily i always

2489

01:10:39,590 --> 01:10:37,600

thought that was a little weird

2490

01:10:41,669 --> 01:10:39,600

my thought was maybe it was planted and

2491

01:10:42,390 --> 01:10:41,679

maybe it was planted but not by the

2492

01:10:44,790 --> 01:10:42,400

people who

2493

01:10:46,149 --> 01:10:44,800

took her out maybe it's it is as you say

2494

01:10:48,709 --> 01:10:46,159

the gifting fields

2495

01:10:50,550 --> 01:10:48,719

and the tyler experience i think i think

2496

01:10:51,189 --> 01:10:50,560

it's him who who mentions it in the book

2497

01:10:53,910 --> 01:10:51,199

but

2498

01:10:55,669 --> 01:10:53,920

saying that in his uh office where they

2499

01:10:57,189 --> 01:10:55,679

had him working when they brought him in

2500

01:10:59,669 --> 01:10:57,199

he could feel something

2501

01:11:01,110 --> 01:10:59,679

behind this wall trying to read his

2502

01:11:02,709 --> 01:11:01,120

thoughts or trying to project

2503

01:11:04,310 --> 01:11:02,719

thoughts that was always pretty

2504

01:11:05,590 --> 01:11:04,320

provocative to me but yeah they've got

2505

01:11:06,950 --> 01:11:05,600

it sealed off i'll tell you one last

2506

01:11:09,270 --> 01:11:06,960

story before we end here yes

2507

01:11:10,630 --> 01:11:09,280

yes tyler i'm big into the download

2508

01:11:11,830 --> 01:11:10,640

thing that you can get in the field and

2509

01:11:13,430 --> 01:11:11,840

you can pull the material out of the

2510

01:11:14,390 --> 01:11:13,440

field these were a lot of nobel prizes a

2511

01:11:17,030 --> 01:11:14,400

lot of the inventions

2512

01:11:17,750 --> 01:11:17,040

hologram the laser all these things came

2513

01:11:20,149 --> 01:11:17,760

that way

2514

01:11:22,390 --> 01:11:20,159

and so when i was talking to tyler i met

2515

01:11:24,149 --> 01:11:22,400

him at a cottage in pennsylvania

2516

01:11:25,750 --> 01:11:24,159

and he had this invention he sold his

2517

01:11:27,030 --> 01:11:25,760

company for 100 million bucks he's got

2518

01:11:28,950 --> 01:11:27,040

40 patents

2519

01:11:30,149 --> 01:11:28,960

the main one he had had to do he was

2520

01:11:31,270 --> 01:11:30,159

going to put on the space shuttle and

2521

01:11:32,709 --> 01:11:31,280

they would put it on he got some

2522

01:11:33,910 --> 01:11:32,719

scientists to sign up he said yeah

2523

01:11:35,189 --> 01:11:33,920

putting this thing on the space shuttle

2524

01:11:37,110 --> 01:11:35,199

and he actually got it on there he said

2525

01:11:38,390 --> 01:11:37,120

grant i'll tell you what the last thing

2526

01:11:40,470 --> 01:11:38,400

i remember

2527

01:11:41,669 --> 01:11:40,480

i had the idea in my head in the morning

2528

01:11:43,030 --> 01:11:41,679

the last thing i remember the night

2529

01:11:44,550 --> 01:11:43,040

before was a hooded figure

2530

01:11:46,070 --> 01:11:44,560

standing at the end of the bed now if

2531

01:11:47,830 --> 01:11:46,080

you look at the literature the hooded

2532

01:11:48,950 --> 01:11:47,840

figure is always the wisdom being so i

2533

01:11:51,110 --> 01:11:48,960

said to him because i

2534

01:11:52,550 --> 01:11:51,120

seen these reports i said so could you

2535

01:11:53,270 --> 01:11:52,560

see its face and it goes not going to

2536

01:11:54,709 --> 01:11:53,280

see its face

2537

01:11:55,990 --> 01:11:54,719

and i say oh you should be regressed you

2538

01:11:57,110 --> 01:11:56,000

should go to yvonne smith and you should

2539

01:11:59,110 --> 01:11:57,120

go back to that event

2540

01:12:00,870 --> 01:11:59,120

and see what the being was telling you

2541

01:12:02,310 --> 01:12:00,880

and so he had that being at the end of

2542

01:12:02,790 --> 01:12:02,320

the in the morning he wakes up with this

2543

01:12:04,630 --> 01:12:02,800

idea

2544

01:12:06,229 --> 01:12:04,640

and as you see in american cosmic it

2545

01:12:08,310 --> 01:12:06,239

goes to the pentagon and the one star

2546

01:12:09,750 --> 01:12:08,320

general stands up and says who came up

2547

01:12:12,070 --> 01:12:09,760

with this idea

2548

01:12:12,790 --> 01:12:12,080

and tyler tells a story in american

2549

01:12:15,350 --> 01:12:12,800

cosmic

2550

01:12:17,110 --> 01:12:15,360

that he does the download stuff that he

2551

01:12:19,430 --> 01:12:17,120

says i sleep for eight hours

2552

01:12:20,790 --> 01:12:19,440

i get up then i have you have to go back

2553

01:12:22,709 --> 01:12:20,800

to bed for an hour and i go back

2554

01:12:24,709 --> 01:12:22,719

to bed for an hour and then i get up and

2555

01:12:25,990 --> 01:12:24,719

i get a big glass of water and i go and

2556

01:12:27,669 --> 01:12:26,000

sit in the sun

2557

01:12:29,270 --> 01:12:27,679

and i start to drink the water and they

2558

01:12:31,510 --> 01:12:29,280

start to talk to me so he

2559

01:12:33,030 --> 01:12:31,520

says that he's getting material and he's

2560

01:12:33,990 --> 01:12:33,040

got 40 patents and he believes it's

2561

01:12:35,750 --> 01:12:34,000

coming from them

2562

01:12:37,590 --> 01:12:35,760

same as gary nolan who's the guy who's

2563

01:12:39,750 --> 01:12:37,600

doing the dna stuff forward to this

2564

01:12:41,510 --> 01:12:39,760

he was not with two stars anymore but at

2565

01:12:42,390 --> 01:12:41,520

stanford who's doing the dna stuff with

2566

01:12:44,870 --> 01:12:42,400

kit green

2567

01:12:46,630 --> 01:12:44,880

and he says i don't know how it works

2568

01:12:48,550 --> 01:12:46,640

but i know how to make it work and he

2569

01:12:49,270 --> 01:12:48,560

uses the same principle that a lot of

2570

01:12:50,630 --> 01:12:49,280

people use

2571

01:12:53,030 --> 01:12:50,640

he says i work through all the problems

2572

01:12:55,030 --> 01:12:53,040

i try to figure out analyze the problems

2573

01:12:57,350 --> 01:12:55,040

and then i write down what the problem i

2574

01:12:58,950 --> 01:12:57,360

need solved i put it beside the bed

2575

01:13:00,470 --> 01:12:58,960

and i wake up in the morning and the

2576

01:13:02,550 --> 01:13:00,480

idea is in my head

2577

01:13:04,390 --> 01:13:02,560

so they do know they do know this idea

2578

01:13:05,990 --> 01:13:04,400

of inspiration and these guys are

2579

01:13:07,510 --> 01:13:06,000

working but the problem is it's all

2580

01:13:09,110 --> 01:13:07,520

secret so it really doesn't help anybody

2581

01:13:09,669 --> 01:13:09,120

it's like the bible says what profiteth

2582

01:13:11,510 --> 01:13:09,679

a man

2583

01:13:13,270 --> 01:13:11,520

if he gains the whole world and loses

2584

01:13:14,870 --> 01:13:13,280

his own soul so i let

2585

01:13:16,950 --> 01:13:14,880

everything go i don't really cover up

2586

01:13:18,709 --> 01:13:16,960

anything i doesn't help if i figure it

2587

01:13:20,709 --> 01:13:18,719

out and i don't tell you or anybody else

2588

01:13:22,550 --> 01:13:20,719

the idea is to figure it out and spread

2589

01:13:23,910 --> 01:13:22,560

it as widely as you can to raise the

2590

01:13:27,189 --> 01:13:23,920

consciousness of the earth

2591

01:13:29,910 --> 01:13:27,199

before we blow the place up

2592

01:13:31,910 --> 01:13:29,920

right on cheers to that man you are one

2593

01:13:33,910 --> 01:13:31,920

of the greats and i appreciate that last

2594

01:13:35,270 --> 01:13:33,920

story it has been a real treat to talk

2595

01:13:35,830 --> 01:13:35,280

to you today i'm sure people are gonna

2596

01:13:37,590 --> 01:13:35,840

love it

2597

01:13:39,350 --> 01:13:37,600

remind them where to get your books your

2598

01:13:41,510 --> 01:13:39,360

website your youtube and

2599

01:13:44,310 --> 01:13:41,520

anything else you're gonna be coming out

2600

01:13:46,470 --> 01:13:44,320

with next wherever the research is going

2601

01:13:48,310 --> 01:13:46,480

my main two places you can get me i have

2602

01:13:49,350 --> 01:13:48,320

white house ufo my youtube channel i've

2603

01:13:50,630 --> 01:13:49,360

got about 500

2604

01:13:52,950 --> 01:13:50,640

interviews and type stuff i've done

2605

01:13:55,189 --> 01:13:52,960

there and presidential ufo is my

2606

01:13:56,790 --> 01:13:55,199

facebook site where i publish

2607

01:13:58,550 --> 01:13:56,800

sort of the stuff happens from day to

2608

01:13:59,590 --> 01:13:58,560

day the bizarre stories and downloads

2609

01:14:01,350 --> 01:13:59,600

and stuff like that so

2610

01:14:03,590 --> 01:14:01,360

those would be the two presidential ufo

2611

01:14:04,470 --> 01:14:03,600

facebook and the white house ufo youtube

2612

01:14:06,229 --> 01:14:04,480

channel

2613

01:14:07,910 --> 01:14:06,239

right on well you are the man you know a

2614

01:14:08,310 --> 01:14:07,920

lot about a lot and i appreciate your

2615

01:14:10,310 --> 01:14:08,320

time

2616

01:14:13,030 --> 01:14:10,320

take care out there beautiful thank you

2617

01:14:16,470 --> 01:14:15,510

how about that all you cool cats and

2618

01:14:18,870 --> 01:14:16,480

kittens

2619

01:14:20,950 --> 01:14:18,880

i consider that a great way to round out

2620

01:14:23,590 --> 01:14:20,960

the offerings for september

2621

01:14:25,590 --> 01:14:23,600

grant is the best probably my favorite

2622

01:14:28,229 --> 01:14:25,600

figure in the ufology field that i

2623

01:14:30,470 --> 01:14:28,239

hadn't interviewed yet over the years so

2624

01:14:31,830 --> 01:14:30,480

i'm very glad we could add him to the

2625

01:14:33,750 --> 01:14:31,840

archive

2626

01:14:36,310 --> 01:14:33,760

i think he's wise to focus on the

2627

01:14:38,550 --> 01:14:36,320

consciousness aspect of the technology

2628

01:14:41,110 --> 01:14:38,560

and the beans communications

2629

01:14:41,990 --> 01:14:41,120

and really the point he made in the past

2630

01:14:43,910 --> 01:14:42,000

that when you

2631

01:14:46,229 --> 01:14:43,920

plotted on the timeline it's interesting

2632

01:14:48,790 --> 01:14:46,239

that the mk ultra mine cracking programs

2633

01:14:49,270 --> 01:14:48,800

all seem to get legs right after the ufo

2634

01:14:51,590 --> 01:14:49,280

spike

2635

01:14:53,030 --> 01:14:51,600

and the stories of the recovered crafts

2636

01:14:55,189 --> 01:14:53,040

and the bodies

2637

01:14:57,350 --> 01:14:55,199

yes the end of world war ii and project

2638

01:14:59,750 --> 01:14:57,360

paperclip are also in that mix

2639

01:15:01,270 --> 01:14:59,760

so that adds a big question mark in

2640

01:15:02,709 --> 01:15:01,280

there if you think the germans had

2641

01:15:05,590 --> 01:15:02,719

unlocked that

2642

01:15:06,390 --> 01:15:05,600

technology at that time or maybe it was

2643

01:15:09,510 --> 01:15:06,400

given to them

2644

01:15:10,149 --> 01:15:09,520

who knows but i do love grant's work and

2645

01:15:13,270 --> 01:15:10,159

he has

2646

01:15:15,750 --> 01:15:13,280

such impressive recall for

2647

01:15:17,510 --> 01:15:15,760

many threads of ufology history and all

2648

01:15:18,950 --> 01:15:17,520

the players involved

2649

01:15:20,790 --> 01:15:18,960

we talked about this more in the second

2650

01:15:22,149 --> 01:15:20,800

hour but i would say though that

2651

01:15:24,070 --> 01:15:22,159

when you conclude that it's all

2652

01:15:25,350 --> 01:15:24,080

consciousness and separation is an

2653

01:15:27,910 --> 01:15:25,360

illusion

2654

01:15:29,830 --> 01:15:27,920

it's something i do agree is true but

2655

01:15:31,510 --> 01:15:29,840

once you've come to grips with that as

2656

01:15:33,270 --> 01:15:31,520

the big picture

2657

01:15:35,189 --> 01:15:33,280

we kind of have to return to speaking

2658

01:15:36,310 --> 01:15:35,199

about the world from our vantage point

2659

01:15:39,110 --> 01:15:36,320

in order to really

2660

01:15:39,830 --> 01:15:39,120

talk about it if we're just here for a

2661

01:15:42,390 --> 01:15:39,840

range

2662

01:15:44,550 --> 01:15:42,400

of experiences then sure with infinite

2663

01:15:46,229 --> 01:15:44,560

options we might choose to manifest for

2664

01:15:48,950 --> 01:15:46,239

a very painful life

2665

01:15:49,990 --> 01:15:48,960

it's going to feel very very real in

2666

01:15:51,669 --> 01:15:50,000

some instances

2667

01:15:54,390 --> 01:15:51,679

but if we all just float back up to the

2668

01:15:56,149 --> 01:15:54,400

big spirit soup why not

2669

01:15:58,550 --> 01:15:56,159

we've heard this before that the big

2670

01:16:00,310 --> 01:15:58,560

material world is just a sandbox of

2671

01:16:01,270 --> 01:16:00,320

sorts but if we want to talk about the

2672

01:16:04,470 --> 01:16:01,280

things going on

2673

01:16:05,270 --> 01:16:04,480

in that sandbox we got to at least think

2674

01:16:07,510 --> 01:16:05,280

of it as

2675

01:16:09,270 --> 01:16:07,520

real so we can better assess the actions

2676

01:16:12,229 --> 01:16:09,280

of these beings or

2677

01:16:13,350 --> 01:16:12,239

our leaders or really anything that is

2678

01:16:16,630 --> 01:16:13,360

interacting with us

2679

01:16:18,950 --> 01:16:16,640

and where it all falls on the moral

2680

01:16:21,990 --> 01:16:18,960

spectrum quote-unquote which might be as

2681

01:16:22,870 --> 01:16:22,000

illusionary as matter itself but it is

2682

01:16:25,270 --> 01:16:22,880

still

2683

01:16:28,470 --> 01:16:25,280

a way in which we measure things from

2684

01:16:30,790 --> 01:16:28,480

this human material plane vantage point

2685

01:16:31,590 --> 01:16:30,800

everything in this dimension is made to

2686

01:16:33,910 --> 01:16:31,600

feel real

2687

01:16:35,030 --> 01:16:33,920

which makes it hard to assess that moral

2688

01:16:37,990 --> 01:16:35,040

spectrum

2689

01:16:39,750 --> 01:16:38,000

as a foundation for reality or not but

2690

01:16:41,510 --> 01:16:39,760

it seems to be a type of rule that

2691

01:16:44,310 --> 01:16:41,520

affects our future

2692

01:16:46,310 --> 01:16:44,320

incarnations so in that sense it has

2693

01:16:47,590 --> 01:16:46,320

consequences even if it is all just a

2694

01:16:49,669 --> 01:16:47,600

game

2695

01:16:52,070 --> 01:16:49,679

this is what they say but i also want

2696

01:16:53,189 --> 01:16:52,080

morality and karma and our actions to

2697

01:16:55,350 --> 01:16:53,199

matter

2698

01:16:57,990 --> 01:16:55,360

because otherwise we excuse a lot of

2699

01:17:01,110 --> 01:16:58,000

very sick and twisted behavior as

2700

01:17:02,070 --> 01:17:01,120

just an experience and i absolutely

2701

01:17:04,149 --> 01:17:02,080

understand every

2702

01:17:06,070 --> 01:17:04,159

story needs a villain and that's just

2703

01:17:08,550 --> 01:17:06,080

another role to play

2704

01:17:10,149 --> 01:17:08,560

conflict and difficulty and suffering

2705

01:17:12,149 --> 01:17:10,159

are parts of the game

2706

01:17:13,270 --> 01:17:12,159

and the sour makes the sweet that much

2707

01:17:16,310 --> 01:17:13,280

sweeter

2708

01:17:16,630 --> 01:17:16,320

but the heroes the protagonists they're

2709

01:17:19,430 --> 01:17:16,640

not

2710

01:17:22,229 --> 01:17:19,440

called to action if they aren't outraged

2711

01:17:24,470 --> 01:17:22,239

by the actions of that villain

2712

01:17:26,709 --> 01:17:24,480

cameron poe doesn't just watch cyrus the

2713

01:17:28,550 --> 01:17:26,719

virus and diamond dog take the plane and

2714

01:17:32,709 --> 01:17:28,560

sit back and say well

2715

01:17:35,030 --> 01:17:32,719

it's all just experience what's the harm

2716

01:17:35,910 --> 01:17:35,040

so i do think grand is right i've seen

2717

01:17:37,830 --> 01:17:35,920

the light

2718

01:17:39,669 --> 01:17:37,840

but it's just hard to talk about things

2719

01:17:41,270 --> 01:17:39,679

from that perspective

2720

01:17:42,790 --> 01:17:41,280

and i want to know what these guys are

2721

01:17:44,310 --> 01:17:42,800

up to

2722

01:17:47,590 --> 01:17:44,320

it was really interesting to hear him

2723

01:17:48,470 --> 01:17:47,600

talk about not only the meta materials

2724

01:17:52,310 --> 01:17:48,480

but also

2725

01:17:54,229 --> 01:17:52,320

the bodies as some form of alien apports

2726

01:17:55,669 --> 01:17:54,239

that connects ufology right to the

2727

01:17:58,470 --> 01:17:55,679

occult and that's a theme that

2728

01:18:00,550 --> 01:17:58,480

has a lot of merit to me interesting

2729

01:18:02,950 --> 01:18:00,560

take that the bodies themselves could be

2730

01:18:06,310 --> 01:18:02,960

a ports opposed to just the medals

2731

01:18:09,110 --> 01:18:06,320

and if we ever recovered one alive then

2732

01:18:10,310 --> 01:18:09,120

even more so like how does that work but

2733

01:18:12,630 --> 01:18:10,320

either way

2734

01:18:13,910 --> 01:18:12,640

big thanks to grant for his time if you

2735

01:18:17,270 --> 01:18:13,920

heard it and you liked it

2736

01:18:19,189 --> 01:18:17,280

let him know also check out his website

2737

01:18:21,750 --> 01:18:19,199

and his youtube channel where

2738

01:18:23,669 --> 01:18:21,760

most of the action is these days in

2739

01:18:26,229 --> 01:18:23,679

terms of today's show the first hour was

2740

01:18:27,910 --> 01:18:26,239

pretty jam-packed and so was the second

2741

01:18:29,110 --> 01:18:27,920

we talked more and more about that

2742

01:18:31,510 --> 01:18:29,120

consciousness thing

2743

01:18:33,830 --> 01:18:31,520

and i pushed back a little bit more than

2744

01:18:35,830 --> 01:18:33,840

usual but it still went well

2745

01:18:36,950 --> 01:18:35,840

without the points he made were very

2746

01:18:39,350 --> 01:18:36,960

insightful

2747

01:18:41,030 --> 01:18:39,360

we also got into what do these beans

2748

01:18:44,310 --> 01:18:41,040

want are they really all

2749

01:18:45,910 --> 01:18:44,320

living in oneness quote unquote and what

2750

01:18:48,070 --> 01:18:45,920

about the invisible college

2751

01:18:49,510 --> 01:18:48,080

seems like there's some stuff to know

2752

01:18:50,790 --> 01:18:49,520

about portals that they've been

2753

01:18:53,030 --> 01:18:50,800

researching

2754

01:18:53,990 --> 01:18:53,040

we talked about mission rama mount

2755

01:18:56,870 --> 01:18:54,000

shasta and

2756

01:18:59,270 --> 01:18:56,880

zendras we talked about my labs

2757

01:19:02,709 --> 01:18:59,280

abductions and military budgets

2758

01:19:06,310 --> 01:19:02,719

and of course occult experience spirits

2759

01:19:08,149 --> 01:19:06,320

and polarity let's say

2760

01:19:09,590 --> 01:19:08,159

the portal stuff was fascinating and i

2761

01:19:12,950 --> 01:19:09,600

think i got some leads on

2762

01:19:15,030 --> 01:19:12,960

other people to possibly interview after

2763

01:19:16,229 --> 01:19:15,040

some of those names he mentioned if

2764

01:19:19,510 --> 01:19:16,239

you're only here in the first

2765

01:19:21,270 --> 01:19:19,520

hour of the i know i make it sound very

2766

01:19:21,990 --> 01:19:21,280

complete but there's always a whole

2767

01:19:23,669 --> 01:19:22,000

second hour

2768

01:19:25,030 --> 01:19:23,679

of these interviews and i would love for

2769

01:19:27,350 --> 01:19:25,040

you to hear it

2770

01:19:28,470 --> 01:19:27,360

so help me help you and get a plus

2771

01:19:30,830 --> 01:19:28,480

membership

2772

01:19:32,630 --> 01:19:30,840

you can do it right on my website at the

2773

01:19:34,550 --> 01:19:32,640

highersidechats.com or you could do it

2774

01:19:37,189 --> 01:19:34,560

through patreon it's eight bucks a month

2775

01:19:38,550 --> 01:19:37,199

five full two hour shows and a monthly

2776

01:19:40,709 --> 01:19:38,560

joint session episode

2777

01:19:42,630 --> 01:19:40,719

that's just me talking about the forum

2778

01:19:45,750 --> 01:19:42,640

posts and the questions posed

2779

01:19:47,270 --> 01:19:45,760

by the inner circle of members i saw

2780

01:19:48,149 --> 01:19:47,280

some comments on the michael juan

2781

01:19:50,310 --> 01:19:48,159

episode

2782

01:19:52,310 --> 01:19:50,320

from people who loved it and didn't know

2783

01:19:54,470 --> 01:19:52,320

there was a second hour so

2784

01:19:56,470 --> 01:19:54,480

as much as i talk about it and as hard

2785

01:19:58,149 --> 01:19:56,480

as that is for me to believe

2786

01:20:00,390 --> 01:19:58,159

it made me think that maybe i'm lazy

2787

01:20:03,430 --> 01:20:00,400

with my plus pitch and i don't really

2788

01:20:05,189 --> 01:20:03,440

spell it out every time so

2789

01:20:06,709 --> 01:20:05,199

just consider it you don't have to have

2790

01:20:08,629 --> 01:20:06,719

a subscription forever

2791

01:20:11,350 --> 01:20:08,639

just to get in there and see what you're

2792

01:20:13,189 --> 01:20:11,360

missing and toss me a few bones

2793

01:20:15,590 --> 01:20:13,199

in other news as i mentioned in the

2794

01:20:17,830 --> 01:20:15,600

joint session show sally fallon morel's

2795

01:20:19,110 --> 01:20:17,840

new book the contagion myth written with

2796

01:20:21,590 --> 01:20:19,120

dr tom cowan

2797

01:20:24,310 --> 01:20:21,600

has been banned on amazon two days

2798

01:20:26,709 --> 01:20:24,320

before it was supposed to release

2799

01:20:27,830 --> 01:20:26,719

they had thousands of pre-orders and it

2800

01:20:29,910 --> 01:20:27,840

was number one

2801
01:20:31,910 --> 01:20:29,920
in its category which was shocking to me

2802
01:20:33,270 --> 01:20:31,920
considering how outside the box this

2803
01:20:35,910 --> 01:20:33,280
material is

2804
01:20:36,550 --> 01:20:35,920
but it's banned when if they want to

2805
01:20:38,870 --> 01:20:36,560
worry about

2806
01:20:41,110 --> 01:20:38,880
people being deceived start with the

2807
01:20:43,189 --> 01:20:41,120
rampant issue of fake reviews

2808
01:20:45,510 --> 01:20:43,199
and bribes and this that and the other

2809
01:20:47,189 --> 01:20:45,520
that's made the amazon rating system

2810
01:20:49,270 --> 01:20:47,199
almost useless without using a

2811
01:20:49,590 --> 01:20:49,280
third-party website that rates products

2812
01:20:51,910 --> 01:20:49,600
for

2813
01:20:52,950 --> 01:20:51,920

authenticity they don't seem to care

2814

01:20:54,629 --> 01:20:52,960

about that

2815

01:20:56,550 --> 01:20:54,639

but they don't want you to read the

2816

01:20:58,310 --> 01:20:56,560

wrong book

2817

01:21:00,870 --> 01:20:58,320

and i also said this already too but

2818

01:21:03,430 --> 01:21:00,880

very few companies have profited off of

2819

01:21:05,910 --> 01:21:03,440

covid as much as amazon has

2820

01:21:07,510 --> 01:21:05,920

how funny this is the kind of book they

2821

01:21:09,350 --> 01:21:07,520

target right

2822

01:21:10,870 --> 01:21:09,360

but either way gordon white and i will

2823

01:21:13,110 --> 01:21:10,880

be doing a live zoom

2824

01:21:13,990 --> 01:21:13,120

hangout with sally about the book plus

2825

01:21:16,470 --> 01:21:14,000

members will be able

2826

01:21:18,629 --> 01:21:16,480

to join us live and even ask sally a few

2827

01:21:21,750 --> 01:21:18,639

questions of their own towards the end

2828

01:21:23,510 --> 01:21:21,760

it is a pretty special event it's my way

2829

01:21:26,790 --> 01:21:23,520

of saying thank you for

2830

01:21:27,270 --> 01:21:26,800

reciprocating with me october 6th at 6

2831

01:21:29,189 --> 01:21:27,280

pm

2832

01:21:31,350 --> 01:21:29,199

i'll be emailing everyone the link

2833

01:21:34,070 --> 01:21:31,360

before the event a couple days before

2834

01:21:36,550 --> 01:21:34,080

so keep an eye on your inbox or join

2835

01:21:39,030 --> 01:21:36,560

plus quickly if you haven't already

2836

01:21:41,110 --> 01:21:39,040

i should also mention that i was back on

2837

01:21:43,510 --> 01:21:41,120

the conspiracy farm podcast

2838

01:21:45,910 --> 01:21:43,520

this past week i do love talking with

2839

01:21:47,910 --> 01:21:45,920

those guys they are a lot of fun

2840

01:21:49,669 --> 01:21:47,920

check that out if you like hearing me on

2841

01:21:52,229 --> 01:21:49,679

the other side of the mic

2842

01:21:54,310 --> 01:21:52,239

which a decent amount of people seem to

2843

01:21:55,110 --> 01:21:54,320

enjoy which always surprises me really

2844

01:21:57,350 --> 01:21:55,120

because i

2845

01:21:59,430 --> 01:21:57,360

feel so behind compared to the guests we

2846

01:22:01,270 --> 01:21:59,440

have and i'm just a regular guy

2847

01:22:03,430 --> 01:22:01,280

but i'm way more comfortable doing it

2848

01:22:05,350 --> 01:22:03,440

than i used to be and it's really just

2849

01:22:08,629 --> 01:22:05,360

the best and only way

2850

01:22:10,790 --> 01:22:08,639

to further the reach of thc

2851
01:22:12,950 --> 01:22:10,800
we're doing great but when i was on

2852
01:22:14,709 --> 01:22:12,960
chris jericho's show in particular or

2853
01:22:17,189 --> 01:22:14,719
even a couple of others i've done like

2854
01:22:19,110 --> 01:22:17,199
rue jude on siriusxm

2855
01:22:20,870 --> 01:22:19,120
there was a noticeable bump in new

2856
01:22:23,669 --> 01:22:20,880
people checking out the show

2857
01:22:25,189 --> 01:22:23,679
and i am super confident that if people

2858
01:22:28,229 --> 01:22:25,199
who like this kind of thing

2859
01:22:29,350 --> 01:22:28,239
just find us then they will definitely

2860
01:22:31,669 --> 01:22:29,360
be into it

2861
01:22:34,550 --> 01:22:31,679
so i need to do more of that i need to

2862
01:22:36,149 --> 01:22:34,560
make the rounds as much as i can

2863
01:22:38,470 --> 01:22:36,159

if you listen to other shows that you

2864

01:22:40,790 --> 01:22:38,480

want me to get on then let them know

2865

01:22:41,750 --> 01:22:40,800

that is how jericho even happened he

2866

01:22:43,830 --> 01:22:41,760

asked who

2867

01:22:45,110 --> 01:22:43,840

he should be getting on to talk weird

2868

01:22:47,510 --> 01:22:45,120

paranormal stuff

2869

01:22:48,870 --> 01:22:47,520

and enough people said me that he shot

2870

01:22:50,550 --> 01:22:48,880

me an email

2871

01:22:52,790 --> 01:22:50,560

and that was a hell of a life experience

2872

01:22:53,669 --> 01:22:52,800

so put the word out if you'd want to

2873

01:22:55,910 --> 01:22:53,679

help me because

2874

01:22:56,870 --> 01:22:55,920

i want to close out the end of this year

2875

01:22:59,270 --> 01:22:56,880

with a bang

2876

01:23:01,750 --> 01:22:59,280

i want to do these guest spots when our

2877

01:23:05,030 --> 01:23:01,760

recent shows are as solid as ever

2878

01:23:07,189 --> 01:23:05,040

and i think that's right now anyway

2879

01:23:09,510 --> 01:23:07,199

very happy with today's episode and the

2880

01:23:11,830 --> 01:23:09,520

episodes of september michael juan

2881

01:23:13,030 --> 01:23:11,840

phoenix aurelius whitney webb sylvie

2882

01:23:15,590 --> 01:23:13,040

ivanova

2883

01:23:17,189 --> 01:23:15,600

we were not messing around but i guess

2884

01:23:18,390 --> 01:23:17,199

we'll call this meeting of the midnight

2885

01:23:20,229 --> 01:23:18,400

society closed

2886

01:23:22,310 --> 01:23:20,239

very psyched for the upcoming interviews

2887

01:23:24,470 --> 01:23:22,320

i'm working on but that is for

2888

01:23:26,390 --> 01:23:24,480

another day much love take care of you

2889

01:23:28,870 --> 01:23:26,400

and yours and big thanks to grant

2890

01:23:31,270 --> 01:23:28,880

cameron it was a serious pleasure

2891

01:23:33,590 --> 01:23:31,280

i've done my part your move alien

2892

01:23:33,990 --> 01:23:33,600

reporters disclosure deceivers and inner

2893

01:23:41,270 --> 01:23:34,000

circle

2894

01:23:48,510 --> 01:23:44,709

woke up this morning with

2895

01:23:51,830 --> 01:23:48,520

light in my eyes and then

2896

01:23:55,669 --> 01:23:51,840

realized it was dark

2897

01:24:02,390 --> 01:23:59,110

it was light coming

2898

01:24:05,510 --> 01:24:02,400

down from the sky

2899

01:24:10,229 --> 01:24:05,520

i don't know who or

2900

01:24:17,189 --> 01:24:13,510

must be those strangers that

2901
01:24:20,229 --> 01:24:17,199
come every night whose

2902
01:24:24,470 --> 01:24:20,239
sausage shaped light put

2903
01:24:27,990 --> 01:24:24,480
people up tight

2904
01:24:32,550 --> 01:24:28,000
leave blue green footprints that

2905
01:24:38,390 --> 01:24:32,560
glow in the dark i hope

2906
01:24:48,790 --> 01:24:44,790
hey mr spaceman

2907
01:24:52,790 --> 01:24:48,800
won't you please take me along

2908
01:24:59,270 --> 01:24:52,800
i won't do anything wrong

2909
01:25:05,210 --> 01:24:59,280
hey mr spaceman

2910
01:25:12,550 --> 01:25:08,629
[Music]

2911
01:25:17,669 --> 01:25:12,560
this morning

2912
01:25:26,310 --> 01:25:17,679
quite weird i had flies in my beard

2913
01:25:29,350 --> 01:25:26,320

my toothpaste

2914

01:25:34,280 --> 01:25:29,360

my name said

2915

01:25:38,870 --> 01:25:34,290

so long we'll see you up again

2916

01:25:42,550 --> 01:25:38,880

[Music]

2917

01:25:50,550 --> 01:25:46,629

won't you please take me alone

2918

01:25:55,310 --> 01:25:50,560

i won't do anything wrong

2919

01:25:57,030 --> 01:25:55,320

hey mr spaceman

2920

01:26:08,350 --> 01:25:57,040

[Music]

2921

01:26:11,350 --> 01:26:08,360

won't you please take me

2922

01:26:15,430 --> 01:26:11,360

spaceman

2923

01:26:20,830 --> 01:26:15,440

won't you please take me along

2924

01:26:24,010 --> 01:26:20,840

i won't do anything wrong

2925

01:26:33,110 --> 01:26:24,600

[Applause]

2926

01:26:44,760 --> 01:26:36,360

won't you please
