1  
00:00:04,630 --> 00:00:02,869  
[Music]

2  
00:00:06,950 --> 00:00:04,640  
congratulations youtube

3  
00:00:08,390 --> 00:00:06,960  
you did it you wore me down and you

4  
00:00:10,709 --> 00:00:08,400  
sucked me back in

5  
00:00:12,230 --> 00:00:10,719  
i have too many subscribers here just to

6  
00:00:14,230 --> 00:00:12,240  
walk away entirely

7  
00:00:15,430 --> 00:00:14,240  
especially with no alternative that

8  
00:00:17,590 --> 00:00:15,440  
truly stacks up

9  
00:00:19,670 --> 00:00:17,600  
and so many copycat channels uploading

10  
00:00:22,150 --> 00:00:19,680  
my shows for me anyway

11  
00:00:24,150 --> 00:00:22,160  
but we can't forget the thc's account

12  
00:00:25,910 --> 00:00:24,160  
here is on thin ice

13  
00:00:28,710 --> 00:00:25,920

and so the youtube version of the show

14

00:00:31,669 --> 00:00:28,720

has to be prefaced with this little psa

15

00:00:32,950 --> 00:00:31,679

only to say that episodes that contain

16

00:00:34,709 --> 00:00:32,960

the kinds of themes that have been

17

00:00:37,670 --> 00:00:34,719

regularly banned on youtube

18

00:00:39,750 --> 00:00:37,680

will not appear here and even with that

19

00:00:41,350 --> 00:00:39,760

precaution there's already enough in the

20

00:00:43,350 --> 00:00:41,360

archive to get us removed

21

00:00:45,830 --> 00:00:43,360

so remember that the higher side chats

22

00:00:48,310 --> 00:00:45,840

could be banned or put in time out again

23

00:00:49,510 --> 00:00:48,320

at any time and i won't be able to tell

24

00:00:51,510 --> 00:00:49,520

you guys about it

25

00:00:53,270 --> 00:00:51,520

so if you feel like it's been too long

26  
00:00:56,069 --> 00:00:53,280  
since you've heard from me here on this

27  
00:00:57,910 --> 00:00:56,079  
digital dystopian draconian data mining

28  
00:00:59,189 --> 00:00:57,920  
monster of a police state seeking

29  
00:01:00,990 --> 00:00:59,199  
platform

30  
00:01:03,750 --> 00:01:01,000  
your first step should be to check the

31  
00:01:09,910 --> 00:01:03,760  
highersidechats.com for the latest shows

32  
00:01:12,950 --> 00:01:11,670  
brace yourself because you're about to

33  
00:01:14,469 --> 00:01:12,960  
dive into another free

34  
00:01:16,310 --> 00:01:14,479  
first hour episode of the higher side

35  
00:01:17,429 --> 00:01:16,320  
chats and we just want to let you know

36  
00:01:19,670 --> 00:01:17,439  
that whether you're looking for a

37  
00:01:20,870 --> 00:01:19,680  
companion through your paranoid insomnia

38  
00:01:23,109 --> 00:01:20,880

entertaining yourself through one of

39

00:01:24,710 --> 00:01:23,119

life's mundane activities or trying to

40

00:01:25,190 --> 00:01:24,720

ward off the internal screams of all

41

00:01:27,429 --> 00:01:25,200

those

42

00:01:28,789 --> 00:01:27,439

sad smothered souls around the office

43

00:01:30,149 --> 00:01:28,799

thc is here

44

00:01:31,910 --> 00:01:30,159

and you should know that every episode

45

00:01:34,230 --> 00:01:31,920

of the higher side chats has an entire

46

00:01:36,469 --> 00:01:34,240

second hour for plus members

47

00:01:37,749 --> 00:01:36,479

sign up at the [highersidechats.com](http://highersidechats.com) and

48

00:01:40,550 --> 00:01:37,759

you'll get years of plus

49

00:01:41,990 --> 00:01:40,560

show archives lifetime forum access a

50

00:01:43,590 --> 00:01:42,000

special invite to greg carlwood's

51

00:01:46,789 --> 00:01:43,600

monthly joint sessions

52

00:01:49,910 --> 00:01:46,799

mp3s of the music bonus episodes

53

00:01:51,510 --> 00:01:49,920

tour videos and 10 off t-shirts

54

00:01:53,510 --> 00:01:51,520

grinders and whatever else ends up in

55

00:01:55,030 --> 00:01:53,520

the higher side store it's eight dollars

56

00:01:56,709 --> 00:01:55,040

a month that you won't miss

57

00:01:58,630 --> 00:01:56,719

so become a plus member and treat

58

00:02:00,789 --> 00:01:58,640

yourself in these troubled times

59

00:02:02,469 --> 00:02:00,799

always action-packed and commercial-free

60

00:02:06,830 --> 00:02:02,479

which means you'll unfortunately never

61

00:02:06,840 --> 00:02:11,510

again

62

00:02:15,990 --> 00:02:14,150

in the 1930s president franklin delano

63

00:02:17,830 --> 00:02:16,000

roosevelt addressed the nation through a

64

00:02:21,030 --> 00:02:17,840

series of radio broadcasts

65

00:02:22,790 --> 00:02:21,040

known as the fireside chats his aim was

66

00:02:24,710 --> 00:02:22,800

to reassure the common man that our

67

00:02:25,430 --> 00:02:24,720

society would recover from its troubled

68

00:02:28,070 --> 00:02:25,440

times

69

00:02:29,670 --> 00:02:28,080

well we're far from 1930 and i deal with

70

00:02:32,309 --> 00:02:29,680

a different kind of fire

71

00:02:34,630 --> 00:02:32,319

for a new era of worldly frustration we

72

00:02:37,509 --> 00:02:34,640

offer a fresh conversation

73

00:02:38,470 --> 00:02:37,519

i'm greg carlwood and these are the

74

00:02:41,430 --> 00:02:38,480

higher side

75

00:02:42,710 --> 00:02:41,440

chats ladies and gentlemen boys and

76

00:02:44,869 --> 00:02:42,720

girls strap yourself

77

00:02:47,030 --> 00:02:44,879

in for another wild ride from sunny san

78

00:02:48,710 --> 00:02:47,040

diego i'm greg carlwood and i'm not

79

00:02:49,990 --> 00:02:48,720

feeling too good about the level of

80

00:02:51,910 --> 00:02:50,000

resistance or even

81

00:02:53,670 --> 00:02:51,920

knowledge of the diabolical plans of the

82

00:02:54,949 --> 00:02:53,680

capstone cabal that are rolling out

83

00:02:56,229 --> 00:02:54,959

right now

84

00:02:57,990 --> 00:02:56,239

they've been telling us what they want

85

00:02:59,990 --> 00:02:58,000

to do for decades and if you even

86

00:03:01,270 --> 00:03:00,000

halfway pay attention to the documents

87

00:03:03,030 --> 00:03:01,280

that come out of their think tank

88

00:03:04,309 --> 00:03:03,040

meetings the coded language of their

89

00:03:06,390 --> 00:03:04,319

stooges speeches

90

00:03:08,390 --> 00:03:06,400

or even the very cut and dry messaging

91

00:03:11,270 --> 00:03:08,400

of the ominous georgia guidestones

92

00:03:13,110 --> 00:03:11,280

it should be quite clear the clues have

93

00:03:15,270 --> 00:03:13,120

been everywhere and we should be well

94

00:03:15,910 --> 00:03:15,280

past the education phase as we're seeing

95

00:03:17,830 --> 00:03:15,920

the system

96

00:03:20,070 --> 00:03:17,840

implement a level of individualized

97

00:03:21,750 --> 00:03:20,080

control surveillance and compliance that

98

00:03:23,270 --> 00:03:21,760

surprises some of the most seasoned

99

00:03:25,589 --> 00:03:23,280

alternative thinkers

100

00:03:26,710 --> 00:03:25,599

but when the fear is high the cabal will

101  
00:03:28,869 --> 00:03:26,720

try

102  
00:03:31,110 --> 00:03:28,879

covet clampdowns weather weapons

103  
00:03:33,030 --> 00:03:31,120

resource and travel restrictions

104  
00:03:35,990 --> 00:03:33,040

blackouts lab-grown meat

105  
00:03:38,390 --> 00:03:36,000

engineered fires gmo mosquitoes digital

106  
00:03:39,270 --> 00:03:38,400

dollars constant monitoring 5g

107  
00:03:42,070 --> 00:03:39,280

bombardment

108  
00:03:44,470 --> 00:03:42,080

solar dimming mandatory vaccines smart

109  
00:03:45,270 --> 00:03:44,480

cities smart meters mass mind control

110  
00:03:47,430 --> 00:03:45,280

and more

111  
00:03:49,589 --> 00:03:47,440

are coming together in a conspiratorial

112  
00:03:51,750 --> 00:03:49,599

cornucopia that makes the planet's

113  
00:03:53,990 --> 00:03:51,760

puppet masters giddier than the nintendo

114

00:03:55,750 --> 00:03:54,000

kid on christmas morning

115

00:03:57,830 --> 00:03:55,760

well folks these are the very things

116

00:04:00,869 --> 00:03:57,840

that today's guest deborah tavares from

117

00:04:03,190 --> 00:04:00,879

stop the crime.net and primarywater.org

118

00:04:04,390 --> 00:04:03,200

has been dedicated to warning us of for

119

00:04:06,869 --> 00:04:04,400

years now

120

00:04:08,869 --> 00:04:06,879

on her website stopthecrime.net you will

121

00:04:10,789 --> 00:04:08,879

find articles interviews and the very

122

00:04:12,869 --> 00:04:10,799

documents that disclose these nasty

123

00:04:15,030 --> 00:04:12,879

agendas and if you still need convincing

124

00:04:16,949 --> 00:04:15,040

she also operates a youtube channel by

125

00:04:18,870 --> 00:04:16,959

the same name and it is an honor and a

126  
00:04:21,590 --> 00:04:18,880  
pleasure to have her here so let's dive

127  
00:04:23,990 --> 00:04:21,600  
in the anti-elite agenda activist covet

128  
00:04:26,950 --> 00:04:24,000  
control criticizer and supreme queen

129  
00:04:29,990 --> 00:04:26,960  
libertine mrs stopthecrime.net herself

130  
00:04:32,070 --> 00:04:30,000  
deborah welcome to the higher side

131  
00:04:33,510 --> 00:04:32,080  
well greg thank you ever so much so

132  
00:04:36,550 --> 00:04:33,520  
everyone that is listening

133  
00:04:38,870 --> 00:04:36,560  
please subscribe to our youtube video

134  
00:04:39,430 --> 00:04:38,880  
channel on stopthecrime.net be sure to

135  
00:04:41,749 --> 00:04:39,440  
click

136  
00:04:43,030 --> 00:04:41,759  
the bell notification so you are

137  
00:04:46,310 --> 00:04:43,040  
notified whenever

138  
00:04:47,510 --> 00:04:46,320

we post a new video or send out email

139

00:04:50,070 --> 00:04:47,520

blast outs

140

00:04:50,950 --> 00:04:50,080

and i can tell you this greg that was a

141

00:04:53,909 --> 00:04:50,960

long list

142

00:04:55,030 --> 00:04:53,919

of what we face and we do face that and

143

00:04:56,710 --> 00:04:55,040

even more

144

00:04:58,230 --> 00:04:56,720

but we're going to break it down a bit

145

00:05:01,430 --> 00:04:58,240

in today's conversation

146

00:05:04,870 --> 00:05:01,440

so that people can feel empowered

147

00:05:07,430 --> 00:05:04,880

with some preparations that would be

148

00:05:08,390 --> 00:05:07,440

most important to make immediately after

149

00:05:12,070 --> 00:05:08,400

you hear

150

00:05:14,550 --> 00:05:12,080

this discussion i would highly recommend

151  
00:05:15,909 --> 00:05:14,560  
that you start preparing in ways that we

152  
00:05:18,550 --> 00:05:15,919  
will suggest

153  
00:05:20,590 --> 00:05:18,560  
so with that having been said again i do

154  
00:05:21,830 --> 00:05:20,600  
run stopthecrime.net and

155  
00:05:24,629 --> 00:05:21,840  
primarywater.org

156  
00:05:25,909 --> 00:05:24,639  
want to emphasize the need for all of

157  
00:05:28,390 --> 00:05:25,919  
you that are listening

158  
00:05:30,390 --> 00:05:28,400  
that you must get to water whether

159  
00:05:30,870 --> 00:05:30,400  
you're able to get to primary water or

160  
00:05:35,909 --> 00:05:30,880  
not

161  
00:05:38,310 --> 00:05:35,919  
is to certainly have enough water

162  
00:05:41,110 --> 00:05:38,320  
storage to last for quite some time

163  
00:05:42,629 --> 00:05:41,120

we are going into a grid shutdown the

164

00:05:45,430 --> 00:05:42,639

electrical grid

165

00:05:46,870 --> 00:05:45,440

will be shut down now as i speak today

166

00:05:50,070 --> 00:05:46,880

here in northern

167

00:05:53,510 --> 00:05:50,080

california and today

168

00:05:54,790 --> 00:05:53,520

being this month is just flying by for

169

00:05:56,309 --> 00:05:54,800

me because we've been in so many

170

00:05:59,350 --> 00:05:56,319

continuous fires

171

00:06:00,390 --> 00:05:59,360

but today of course being tuesday it is

172

00:06:03,590 --> 00:06:00,400

october

173

00:06:06,150 --> 00:06:03,600

the 13th of 2020

174

00:06:08,309 --> 00:06:06,160

and some of the topics that are in the

175

00:06:10,629 --> 00:06:08,319

mainstream news today

176

00:06:11,590 --> 00:06:10,639

while it's important it's also important

177

00:06:13,590 --> 00:06:11,600

to understand

178

00:06:14,950 --> 00:06:13,600

what is not in the news and that's what

179

00:06:16,950 --> 00:06:14,960

we're going to get into

180

00:06:19,350 --> 00:06:16,960

while we do discuss what we're being

181

00:06:22,230 --> 00:06:19,360

told in the news as well

182

00:06:23,990 --> 00:06:22,240

so let's talk about some of the topics

183

00:06:25,270 --> 00:06:24,000

in the news today of course we're being

184

00:06:28,870 --> 00:06:25,280

bombarded

185

00:06:30,870 --> 00:06:28,880

with election free for all conversation

186

00:06:32,629 --> 00:06:30,880

which of course i hope by now

187

00:06:33,990 --> 00:06:32,639

those of you that are listening

188

00:06:36,469 --> 00:06:34,000

understand that

189

00:06:37,029 --> 00:06:36,479

the elections are and politics are

190

00:06:39,670 --> 00:06:37,039

simply

191

00:06:40,710 --> 00:06:39,680

no more than the controllers

192

00:06:44,469 --> 00:06:40,720

entertainment

193

00:06:47,670 --> 00:06:44,479

division and it is really a theater of

194

00:06:48,150 --> 00:06:47,680

operation and it's a daytime television

195

00:06:51,670 --> 00:06:48,160

show

196

00:06:51,990 --> 00:06:51,680

at best so that is the topic in most of

197

00:06:53,830 --> 00:06:52,000

the

198

00:06:55,749 --> 00:06:53,840

print material and psychological

199

00:06:57,589 --> 00:06:55,759

programming information that we're being

200

00:07:00,070 --> 00:06:57,599

bombarded with right now

201  
00:07:00,870 --> 00:07:00,080  
the battleground states and on and on

202  
00:07:03,270 --> 00:07:00,880  
and on

203  
00:07:05,589 --> 00:07:03,280  
but let's talk about some of the other

204  
00:07:08,870 --> 00:07:05,599  
aspects that are interesting too

205  
00:07:11,110 --> 00:07:08,880  
it says that trump who is the ceo of usa

206  
00:07:13,189 --> 00:07:11,120  
inc has worked corporation

207  
00:07:15,350 --> 00:07:13,199  
listed on the new york stock exchange

208  
00:07:18,070 --> 00:07:15,360  
we're operating as a business

209  
00:07:19,589 --> 00:07:18,080  
and i have a video very interesting and

210  
00:07:22,629 --> 00:07:19,599  
important video

211  
00:07:25,110 --> 00:07:22,639  
called who's running america and the cap

212  
00:07:26,070 --> 00:07:25,120  
c-a-p that stands for climate action

213  
00:07:27,749 --> 00:07:26,080

plan

214

00:07:29,270 --> 00:07:27,759

and i can tell you in who's running

215

00:07:31,510 --> 00:07:29,280

america in the cap

216

00:07:33,110 --> 00:07:31,520

you will find out that we are not

217

00:07:35,029 --> 00:07:33,120

running america

218

00:07:36,950 --> 00:07:35,039

and you will understand what the cap

219

00:07:38,390 --> 00:07:36,960

means climate action plans and we'll get

220

00:07:40,230 --> 00:07:38,400

into that a little bit in this

221

00:07:43,189 --> 00:07:40,240

conversation today

222

00:07:44,469 --> 00:07:43,199

but some of the main topics is again ceo

223

00:07:48,309 --> 00:07:44,479

trump pushes

224

00:07:50,869 --> 00:07:48,319

the pentagon to nationalize the 5g

225

00:07:53,189 --> 00:07:50,879

network and it's important to understand

226  
00:07:55,510 --> 00:07:53,199  
what is occurring with 5g

227  
00:07:57,430 --> 00:07:55,520  
because i've reported on other youtubes

228  
00:07:58,469 --> 00:07:57,440  
and information that i've blasted out

229  
00:08:01,990 --> 00:07:58,479  
greg

230  
00:08:02,790 --> 00:08:02,000  
that prior to the onslaught of covet in

231  
00:08:05,029 --> 00:08:02,800  
new york

232  
00:08:06,710 --> 00:08:05,039  
they had rolled out 5g in the

233  
00:08:09,189 --> 00:08:06,720  
disadvantaged communities

234  
00:08:09,909 --> 00:08:09,199  
in new york and that is where the spikes

235  
00:08:13,110 --> 00:08:09,919  
are occurring

236  
00:08:16,469 --> 00:08:13,120  
right now as well so we know that covid

237  
00:08:19,350 --> 00:08:16,479  
is frequency-based that's what it is

238  
00:08:21,749 --> 00:08:19,360

and it's hiding the frequencies some of

239

00:08:23,350 --> 00:08:21,759

the most unacknowledged aspects of our

240

00:08:27,029 --> 00:08:23,360

reality

241

00:08:30,150 --> 00:08:27,039

is the intention and use of frequencies

242

00:08:32,630 --> 00:08:30,160

and the intention and use

243

00:08:34,709 --> 00:08:32,640

of weather weapon systems and

244

00:08:38,070 --> 00:08:34,719

technologies that have been

245

00:08:41,190 --> 00:08:38,080

out there since the 40s 1940s

246

00:08:44,949 --> 00:08:41,200

another topic in today's news

247

00:08:45,509 --> 00:08:44,959

is how the president did not save the

248

00:08:48,790 --> 00:08:45,519

coal

249

00:08:51,430 --> 00:08:48,800

oil or steel and let's be

250

00:08:52,630 --> 00:08:51,440

frank with this that's not in the plan

251  
00:08:55,829 --> 00:08:52,640  
to save

252  
00:08:57,430 --> 00:08:55,839  
petroleum or any fuels in fact

253  
00:08:59,509 --> 00:08:57,440  
many of you recently and greg you

254  
00:09:02,550 --> 00:08:59,519  
probably very well remember

255  
00:09:03,509 --> 00:09:02,560  
how our governor here gavin newsom

256  
00:09:06,389 --> 00:09:03,519  
recently

257  
00:09:06,790 --> 00:09:06,399  
said that by the year 2035 there will be

258  
00:09:10,790 --> 00:09:06,800  
no

259  
00:09:11,829 --> 00:09:10,800  
more new cars sold in california or

260  
00:09:15,030 --> 00:09:11,839  
manufactured

261  
00:09:17,350 --> 00:09:15,040  
that run on petroleum-based products

262  
00:09:18,630 --> 00:09:17,360  
that's the goal so for those of you that

263  
00:09:21,910 --> 00:09:18,640

are listening

264

00:09:22,870 --> 00:09:21,920

please look up climate action

265

00:09:27,509 --> 00:09:22,880

resolutions

266

00:09:29,430 --> 00:09:27,519

what you will find

267

00:09:31,110 --> 00:09:29,440

is the elimination of all

268

00:09:32,150 --> 00:09:31,120

petroleum-based products now we're

269

00:09:34,310 --> 00:09:32,160

talking about

270

00:09:36,230 --> 00:09:34,320

the elimination of fuels that it takes

271

00:09:37,990 --> 00:09:36,240

to operate your generators

272

00:09:39,590 --> 00:09:38,000

so when you're in a blackout that is

273

00:09:40,389 --> 00:09:39,600

going to happen and we've done a

274

00:09:43,670 --> 00:09:40,399

complete

275

00:09:45,910 --> 00:09:43,680

discussion on powering off the grid

276

00:09:47,269 --> 00:09:45,920

the electric grid worldwide

277

00:09:49,350 --> 00:09:47,279

understanding

278

00:09:51,190 --> 00:09:49,360

that the electric grid is considered the

279

00:09:54,230 --> 00:09:51,200

world's largest

280

00:09:57,509 --> 00:09:54,240

machine because all life

281

00:10:00,550 --> 00:09:57,519

all modern life is based upon

282

00:10:03,670 --> 00:10:00,560

the ability to connect to

283

00:10:05,430 --> 00:10:03,680

the electrical power grid and rothschild

284

00:10:08,710 --> 00:10:05,440

and other corporations

285

00:10:09,590 --> 00:10:08,720

and las llc's are busy disassembling

286

00:10:11,509 --> 00:10:09,600

that

287

00:10:13,030 --> 00:10:11,519

greg you probably hear as i do here in

288

00:10:14,870 --> 00:10:13,040

california that we're going to have a

289

00:10:17,590 --> 00:10:14,880

flex power alert

290

00:10:19,509 --> 00:10:17,600

which means everyone is being told to

291

00:10:23,030 --> 00:10:19,519

reduce your use of power

292

00:10:25,750 --> 00:10:23,040

or energy dishwashers washer dryers

293

00:10:27,269 --> 00:10:25,760

air conditioning units etc generally

294

00:10:30,310 --> 00:10:27,279

between the hours of 3

295

00:10:32,630 --> 00:10:30,320

and 10 pm and today

296

00:10:35,110 --> 00:10:32,640

we're being told likely over the next

297

00:10:38,389 --> 00:10:35,120

few days here in northern california

298

00:10:40,389 --> 00:10:38,399

that we're going to have a psp that is

299

00:10:43,430 --> 00:10:40,399

called a public safety power

300

00:10:43,910 --> 00:10:43,440

shutdown they're getting us used to

301  
00:10:47,269 --> 00:10:43,920  
having

302  
00:10:50,150 --> 00:10:47,279  
our energy turned off so again

303  
00:10:51,710 --> 00:10:50,160  
i can't underscore some of the recent

304  
00:10:53,030 --> 00:10:51,720  
youtubes that i have up on

305  
00:10:56,310 --> 00:10:53,040  
stopthecrime.net

306  
00:10:58,790 --> 00:10:56,320  
to understand what you must do

307  
00:10:59,670 --> 00:10:58,800  
in light of what we face and we do face

308  
00:11:02,550 --> 00:10:59,680  
this

309  
00:11:04,949 --> 00:11:02,560  
so that's one aspect of what is in the

310  
00:11:05,350 --> 00:11:04,959  
news and we will cover more as we move

311  
00:11:09,990 --> 00:11:05,360  
on

312  
00:11:12,069 --> 00:11:10,000  
to say

313  
00:11:13,990 --> 00:11:12,079

there's a threat from the nuclear

314

00:11:16,550 --> 00:11:14,000

weapons and missiles that has

315

00:11:18,470 --> 00:11:16,560

grown ever since trump has entered

316

00:11:21,110 --> 00:11:18,480

office that's what they're saying

317

00:11:22,470 --> 00:11:21,120

and of course we know that that is an

318

00:11:26,150 --> 00:11:22,480

ongoing threat

319

00:11:26,870 --> 00:11:26,160

we've recently certainly discovered and

320

00:11:29,670 --> 00:11:26,880

discussed

321

00:11:31,750 --> 00:11:29,680

the rods from god that is a conversation

322

00:11:33,750 --> 00:11:31,760

after i get through the daily news

323

00:11:35,750 --> 00:11:33,760

but i have a video up about the rods

324

00:11:39,670 --> 00:11:35,760

from god it is

325

00:11:43,430 --> 00:11:39,680

an attack upon us from satellites using

326

00:11:46,550 --> 00:11:43,440

long spears that are literally

327

00:11:47,670 --> 00:11:46,560

pummeled from the satellite with direct

328

00:11:51,509 --> 00:11:47,680

precision

329

00:11:53,910 --> 00:11:51,519

and can launch like a nail

330

00:11:56,069 --> 00:11:53,920

into any city or deep underground so the

331

00:11:58,629 --> 00:11:56,079

rods from god is something we'll go into

332

00:12:00,629 --> 00:11:58,639

a little bit further as well greg

333

00:12:02,710 --> 00:12:00,639

yes i saw that on your website and that

334

00:12:03,990 --> 00:12:02,720

is very concerning especially when some

335

00:12:06,150 --> 00:12:04,000

people are talking about

336

00:12:08,550 --> 00:12:06,160

fake asteroid attacks because that seems

337

00:12:09,829 --> 00:12:08,560

to be the technology that could justify

338

00:12:10,629 --> 00:12:09,839

something like that that they would

339

00:12:13,269 --> 00:12:10,639

blame

340

00:12:15,350 --> 00:12:13,279

on a rock falling from space but i did

341

00:12:17,750 --> 00:12:15,360

want to ask you a little more about

342

00:12:19,750 --> 00:12:17,760

california since we are both here and

343

00:12:22,150 --> 00:12:19,760

you mentioned the power outages which

344

00:12:23,990 --> 00:12:22,160

of course the fires are the

345

00:12:26,230 --> 00:12:24,000

justification that they're claiming

346

00:12:27,030 --> 00:12:26,240

for those planned outages you've

347

00:12:30,470 --> 00:12:27,040

referred to this

348

00:12:32,470 --> 00:12:30,480

as high-tech arson and i was hoping

349

00:12:33,110 --> 00:12:32,480

maybe you could explain to people how we

350

00:12:36,310 --> 00:12:33,120

know

351  
00:12:39,670 --> 00:12:36,320  
that these fires are not natural

352  
00:12:40,150 --> 00:12:39,680  
and how did these fires in 2020 compare

353  
00:12:43,509 --> 00:12:40,160  
to

354  
00:12:44,230 --> 00:12:43,519  
the previous years well that is a very

355  
00:12:46,150 --> 00:12:44,240  
good

356  
00:12:48,389 --> 00:12:46,160  
question greg and i do appreciate that

357  
00:12:51,430 --> 00:12:48,399  
i've covered that immensely

358  
00:12:52,230 --> 00:12:51,440  
as many of you may know i have gone on

359  
00:12:54,150 --> 00:12:52,240  
to

360  
00:12:55,590 --> 00:12:54,160  
a number of fire investigations

361  
00:12:58,790 --> 00:12:55,600  
including paradise

362  
00:13:00,629 --> 00:12:58,800  
in california that burned in 2018 nearly

363  
00:13:03,350 --> 00:13:00,639

took out that entire town

364

00:13:05,750 --> 00:13:03,360

we investigated that with a retired fire

365

00:13:08,069 --> 00:13:05,760

captain of over 30 years

366

00:13:10,150 --> 00:13:08,079

actually a couple retired fire captains

367

00:13:13,829 --> 00:13:10,160

and my husband and i went out there

368

00:13:16,629 --> 00:13:13,839

we were privy to seeing that the

369

00:13:18,629 --> 00:13:16,639

pulsations of the smart meters were also

370

00:13:20,949 --> 00:13:18,639

involved in that fire so i'm going to go

371

00:13:22,629 --> 00:13:20,959

through the list of how

372

00:13:24,310 --> 00:13:22,639

and what we have discovered are the

373

00:13:27,030 --> 00:13:24,320

causes of the fires

374

00:13:29,030 --> 00:13:27,040

so first of all we're noticing that

375

00:13:30,230 --> 00:13:29,040

prior to the fires which is what we're

376

00:13:32,310 --> 00:13:30,240

noticing right now

377

00:13:34,150 --> 00:13:32,320

because tomorrow morning we're entering

378

00:13:36,150 --> 00:13:34,160

into a red flag fire

379

00:13:37,670 --> 00:13:36,160

warning i don't know if that's the same

380

00:13:39,110 --> 00:13:37,680

for you down there greg but here in

381

00:13:42,310 --> 00:13:39,120

northern california

382

00:13:45,269 --> 00:13:42,320

we're spinning into another planned

383

00:13:47,430 --> 00:13:45,279

potential fire event and they call it

384

00:13:50,949 --> 00:13:47,440

the red flag fire warning

385

00:13:51,990 --> 00:13:50,959

what that constitutes is extremely dry

386

00:13:54,230 --> 00:13:52,000

weather

387

00:13:56,069 --> 00:13:54,240

heat so we're going to be in the 90s

388

00:13:58,790 --> 00:13:56,079

over the next few days

389

00:14:00,310 --> 00:13:58,800

and wind now what they don't tell you is

390

00:14:02,389 --> 00:14:00,320

the heavy chemtrailing

391

00:14:04,310 --> 00:14:02,399

the days before now i was in san

392

00:14:06,470 --> 00:14:04,320

francisco yesterday

393

00:14:07,590 --> 00:14:06,480

i live about 60 miles north of san

394

00:14:10,949 --> 00:14:07,600

francisco

395

00:14:12,629 --> 00:14:10,959

but during that travel back and forth

396

00:14:14,949 --> 00:14:12,639

from san francisco

397

00:14:15,990 --> 00:14:14,959

we were noticing just heavy chemtrailing

398

00:14:18,629 --> 00:14:16,000

we knew that there was a

399

00:14:21,110 --> 00:14:18,639

red flag fire warning and we can see now

400

00:14:24,550 --> 00:14:21,120

that they are going to be initiating

401  
00:14:26,470 --> 00:14:24,560  
likely a fire somewhere so we saw the

402  
00:14:28,069 --> 00:14:26,480  
heavy kim trailing that is most

403  
00:14:28,790 --> 00:14:28,079  
important so for all of you that are

404  
00:14:31,030 --> 00:14:28,800  
listening

405  
00:14:33,189 --> 00:14:31,040  
start looking up at the skies when you

406  
00:14:34,389 --> 00:14:33,199  
see heavy chem trailing events that's

407  
00:14:37,670 --> 00:14:34,399  
the movement

408  
00:14:40,230 --> 00:14:37,680  
of weather disasters whatever weather

409  
00:14:43,670 --> 00:14:40,240  
disaster they decide to pummel on you

410  
00:14:44,470 --> 00:14:43,680  
for us it's fires so we see the heavy

411  
00:14:46,949 --> 00:14:44,480  
chem trailing

412  
00:14:48,710 --> 00:14:46,959  
we know that the fires are not only

413  
00:14:50,949 --> 00:14:48,720

high-tech arson

414

00:14:53,269 --> 00:14:50,959

certainly the use of directed energy

415

00:14:54,230 --> 00:14:53,279

weapons from satellites which is what we

416

00:14:56,550 --> 00:14:54,240

discovered

417

00:14:57,590 --> 00:14:56,560

during the kincaid fire here in northern

418

00:15:00,550 --> 00:14:57,600

california

419

00:15:01,590 --> 00:15:00,560

we have a youtube up called fires this

420

00:15:03,990 --> 00:15:01,600

is war

421

00:15:05,269 --> 00:15:04,000

and it's only 15 minutes long you might

422

00:15:09,350 --> 00:15:05,279

be very interested

423

00:15:12,230 --> 00:15:09,360

in looking at that because in 2019

424

00:15:14,310 --> 00:15:12,240

october november one year ago from now

425

00:15:15,750 --> 00:15:14,320

we had a huge fire here in northern

426  
00:15:19,030 --> 00:15:15,760  
california

427  
00:15:19,829 --> 00:15:19,040  
and burned many rural areas and

428  
00:15:21,910 --> 00:15:19,839  
vineyards

429  
00:15:23,590 --> 00:15:21,920  
and we went up about a month after the

430  
00:15:26,870 --> 00:15:23,600  
fire because there was such

431  
00:15:30,310 --> 00:15:26,880  
heavy rain and so many road closures

432  
00:15:32,949 --> 00:15:30,320  
and blockages of those roads to conceal

433  
00:15:35,030 --> 00:15:32,959  
the crime scenes that it took that kind

434  
00:15:36,470 --> 00:15:35,040  
of time for us to be able to get up into

435  
00:15:38,230 --> 00:15:36,480  
the burn zone

436  
00:15:40,069 --> 00:15:38,240  
but greg what was interesting and

437  
00:15:41,829 --> 00:15:40,079  
disconcerting at the same time

438  
00:15:44,150 --> 00:15:41,839

while we were up there investigating the

439

00:15:46,230 --> 00:15:44,160

crime scene and we were up there again

440

00:15:48,150 --> 00:15:46,240

with one of the 30-year retired fire

441

00:15:51,590 --> 00:15:48,160

captains a 40-year

442

00:15:53,269 --> 00:15:51,600

arborist and my husband lou and myself

443

00:15:56,790 --> 00:15:53,279

and we were filming

444

00:16:00,069 --> 00:15:56,800

what we were noticing is the spy planes

445

00:16:01,910 --> 00:16:00,079

overhead that were tracking us there was

446

00:16:03,110 --> 00:16:01,920

not only a plane but then there was a

447

00:16:05,189 --> 00:16:03,120

black helicopter

448

00:16:06,710 --> 00:16:05,199

and then we were actually approached by

449

00:16:09,110 --> 00:16:06,720

a black car

450

00:16:10,150 --> 00:16:09,120

and they stopped and were just sort of

451  
00:16:11,910 --> 00:16:10,160  
quizzing us and

452  
00:16:13,670 --> 00:16:11,920  
acting like they were traveling through

453  
00:16:16,069 --> 00:16:13,680  
the wine country

454  
00:16:18,230 --> 00:16:16,079  
i can tell you what we observed and what

455  
00:16:19,269 --> 00:16:18,240  
everyone needs to understand is what the

456  
00:16:21,590 --> 00:16:19,279  
chemtrailing

457  
00:16:22,790 --> 00:16:21,600  
the overhead aerosols are doing to all

458  
00:16:25,189 --> 00:16:22,800  
plant life

459  
00:16:26,870 --> 00:16:25,199  
not to mention what it is doing to

460  
00:16:30,470 --> 00:16:26,880  
creating weather events

461  
00:16:32,629 --> 00:16:30,480  
and various forms of mind control but

462  
00:16:34,550 --> 00:16:32,639  
the heavy metals particularly the

463  
00:16:38,230 --> 00:16:34,560

aluminum and the barium

464

00:16:41,110 --> 00:16:38,240

that is being sprayed on us for decades

465

00:16:43,269 --> 00:16:41,120

has been taken up in the small roots of

466

00:16:44,470 --> 00:16:43,279

the trees and other plant material as

467

00:16:46,470 --> 00:16:44,480

well

468

00:16:48,310 --> 00:16:46,480

that is why we're noticing and seeing

469

00:16:51,509 --> 00:16:48,320

that the trees are burning from the

470

00:16:55,110 --> 00:16:51,519

inside out and we have again

471

00:16:57,189 --> 00:16:55,120

footage on fires this is war in that 15

472

00:16:58,150 --> 00:16:57,199

minute video so you can see those

473

00:17:01,430 --> 00:16:58,160

pictures

474

00:17:04,789 --> 00:17:01,440

for yourselves so here we have

475

00:17:07,669 --> 00:17:04,799

trees very compromised we have

476  
00:17:08,789 --> 00:17:07,679  
not only the heavily compromised trees

477  
00:17:10,789 --> 00:17:08,799  
they are

478  
00:17:12,949 --> 00:17:10,799  
dying or they're soon to die we have

479  
00:17:15,029 --> 00:17:12,959  
millions and millions and millions

480  
00:17:16,949 --> 00:17:15,039  
of dead trees not only throughout the

481  
00:17:19,429 --> 00:17:16,959  
united states but the rest of the world

482  
00:17:22,870 --> 00:17:19,439  
as well in our many travels

483  
00:17:25,669 --> 00:17:22,880  
that included russia cuba

484  
00:17:26,630 --> 00:17:25,679  
certainly ireland and the uk and south

485  
00:17:29,430 --> 00:17:26,640  
america

486  
00:17:31,190 --> 00:17:29,440  
chemtrails everywhere without exception

487  
00:17:33,590 --> 00:17:31,200  
and of course we've seen all of you have

488  
00:17:35,029 --> 00:17:33,600

seen photographs of other people's

489

00:17:37,190 --> 00:17:35,039

filming chemtrails

490

00:17:38,150 --> 00:17:37,200

in other parts of the world as well so

491

00:17:41,510 --> 00:17:38,160

this is

492

00:17:42,870 --> 00:17:41,520

an absolute weather controlled dynamic

493

00:17:45,990 --> 00:17:42,880

that we all face

494

00:17:48,549 --> 00:17:46,000

in fact greg you may want to look up

495

00:17:49,190 --> 00:17:48,559

and post this in this video we came

496

00:17:53,669 --> 00:17:49,200

across

497

00:17:56,310 --> 00:17:53,679

a 1959 disney presentation of weather

498

00:17:59,990 --> 00:17:56,320

control that we posted yesterday

499

00:18:03,350 --> 00:18:00,000

and quite amazing to see what disney

500

00:18:05,270 --> 00:18:03,360

said in their video it starts out with

501  
00:18:06,630 --> 00:18:05,280  
more of a cartoonish kind of

502  
00:18:08,870 --> 00:18:06,640  
presentation

503  
00:18:09,750 --> 00:18:08,880  
and that's where many people i think

504  
00:18:12,549 --> 00:18:09,760  
figure

505  
00:18:14,230 --> 00:18:12,559  
it ends but when you get into this video

506  
00:18:15,110 --> 00:18:14,240  
a little bit further which this is a

507  
00:18:17,430 --> 00:18:15,120  
clip

508  
00:18:19,830 --> 00:18:17,440  
of the more direct aspect of their

509  
00:18:22,950 --> 00:18:19,840  
description of weather control

510  
00:18:26,070 --> 00:18:22,960  
a description done by disney now i

511  
00:18:29,750 --> 00:18:26,080  
just did a video called alert

512  
00:18:30,710 --> 00:18:29,760  
disarming america mind control tesla and

513  
00:18:33,750 --> 00:18:30,720

more

514

00:18:35,029 --> 00:18:33,760

and we discuss in that video the tesla

515

00:18:38,070 --> 00:18:35,039

technology

516

00:18:41,430 --> 00:18:38,080

and how weather control was

517

00:18:43,669 --> 00:18:41,440

very much part of what tesla had created

518

00:18:45,029 --> 00:18:43,679

was planned to have been for our

519

00:18:48,150 --> 00:18:45,039

betterment but sadly

520

00:18:51,510 --> 00:18:48,160

was taken over by those that

521

00:18:54,549 --> 00:18:51,520

want to profit make money and certainly

522

00:18:56,470 --> 00:18:54,559

want to get rid of murder the majority

523

00:18:59,909 --> 00:18:56,480

of the global population

524

00:19:03,510 --> 00:18:59,919

and in that document again alert

525

00:19:06,789 --> 00:19:03,520

disarming america and mind control

526

00:19:09,510 --> 00:19:06,799

tesla and more you will hear about how

527

00:19:11,430 --> 00:19:09,520

the walls of frequencies are placed

528

00:19:12,070 --> 00:19:11,440

along the pacific coast the atlantic

529

00:19:14,150 --> 00:19:12,080

coast and

530

00:19:15,190 --> 00:19:14,160

other locations throughout the world

531

00:19:18,310 --> 00:19:15,200

that prevent

532

00:19:21,029 --> 00:19:18,320

precipitation from coming in or create

533

00:19:22,549 --> 00:19:21,039

a long-standing drought as we face here

534

00:19:24,549 --> 00:19:22,559

in california greg

535

00:19:26,549 --> 00:19:24,559

i mean we're being told from the

536

00:19:27,990 --> 00:19:26,559

mississippi river all the way on out to

537

00:19:29,990 --> 00:19:28,000

the pacific ocean

538

00:19:32,470 --> 00:19:30,000

we're going to be in a long-standing

539

00:19:34,789 --> 00:19:32,480

drought a mega drought they call it

540

00:19:37,029 --> 00:19:34,799

mega drought you can look this up the

541

00:19:41,510 --> 00:19:37,039

definition of a mega drought

542

00:19:43,830 --> 00:19:41,520

is decades of very minimal precipitation

543

00:19:45,029 --> 00:19:43,840

that's what california and all the

544

00:19:47,669 --> 00:19:45,039

states

545

00:19:49,190 --> 00:19:47,679

west of the mississippi river are going

546

00:19:52,150 --> 00:19:49,200

to be presented with

547

00:19:53,510 --> 00:19:52,160

as a result of severe climate change

548

00:19:55,990 --> 00:19:53,520

which is of course

549

00:19:56,870 --> 00:19:56,000

weather use of technology weather

550

00:19:58,950 --> 00:19:56,880

weapons

551  
00:20:01,029 --> 00:19:58,960  
so what we like to talk about with

552  
00:20:03,350 --> 00:20:01,039  
climate change is that

553  
00:20:04,950 --> 00:20:03,360  
we're not climate change deniers by any

554  
00:20:07,270 --> 00:20:04,960  
sense of the word

555  
00:20:08,630 --> 00:20:07,280  
what we really have are weather

556  
00:20:11,909 --> 00:20:08,640  
technology

557  
00:20:13,830 --> 00:20:11,919  
deniers or weather weapon deniers we do

558  
00:20:14,789 --> 00:20:13,840  
not have climate change deniers i don't

559  
00:20:16,710 --> 00:20:14,799  
think

560  
00:20:18,470 --> 00:20:16,720  
anyone could say at this point that

561  
00:20:21,750 --> 00:20:18,480  
there isn't severe

562  
00:20:23,430 --> 00:20:21,760  
severe historical levels of various

563  
00:20:25,270 --> 00:20:23,440

types of attack

564

00:20:28,549 --> 00:20:25,280

not only in the united states with

565

00:20:30,950 --> 00:20:28,559

floods hurricanes tornadoes

566

00:20:32,070 --> 00:20:30,960

the dismantlement of all of our

567

00:20:35,110 --> 00:20:32,080

infrastructure

568

00:20:36,710 --> 00:20:35,120

watching levees being blown away we're

569

00:20:39,909 --> 00:20:36,720

watching millions and millions

570

00:20:41,909 --> 00:20:39,919

of acres of farmland literally being

571

00:20:42,630 --> 00:20:41,919

destroyed we're watching farmers being

572

00:20:45,270 --> 00:20:42,640

destroyed

573

00:20:47,110 --> 00:20:45,280

this is all by design right they're

574

00:20:49,510 --> 00:20:47,120

using these weather weapons

575

00:20:51,909 --> 00:20:49,520

to exacerbate this stuff and make it

576

00:20:53,029 --> 00:20:51,919

seem so scary that we have to quickly

577

00:20:55,590 --> 00:20:53,039

jump on these

578

00:20:56,789 --> 00:20:55,600

climate action plans as you mentioned in

579

00:21:00,310 --> 00:20:56,799

fact climate action

580

00:21:03,510 --> 00:21:00,320

plans that covet is kind of fulfilling

581

00:21:06,549 --> 00:21:03,520

for them it seems well absolutely

582

00:21:08,230 --> 00:21:06,559

and greg i think interesting what

583

00:21:09,590 --> 00:21:08,240

you could certainly do being in southern

584

00:21:14,070 --> 00:21:09,600

california

585

00:21:15,590 --> 00:21:14,080

climate action plans now all of you that

586

00:21:17,270 --> 00:21:15,600

are listening you can do the same thing

587

00:21:20,149 --> 00:21:17,280

in your city as well

588

00:21:21,430 --> 00:21:20,159

i've certainly done that in thousands

589

00:21:23,270 --> 00:21:21,440

and thousands of

590

00:21:24,549 --> 00:21:23,280

countries all over the world including

591

00:21:28,230 --> 00:21:24,559

greenland and

592

00:21:31,190 --> 00:21:28,240

even iran and iraq and russia

593

00:21:32,549 --> 00:21:31,200

so climate action plans are everywhere

594

00:21:36,310 --> 00:21:32,559

this is the globalist

595

00:21:36,789 --> 00:21:36,320

plan for the control of the world and it

596

00:21:40,310 --> 00:21:36,799

really

597

00:21:42,950 --> 00:21:40,320

is bringing about what covet is creating

598

00:21:43,990 --> 00:21:42,960

right now since you mentioned covet i

599

00:21:47,190 --> 00:21:44,000

don't want to neglect

600

00:21:51,190 --> 00:21:47,200

in saying this california has just

601  
00:21:51,990 --> 00:21:51,200  
now decreed that each county we're all

602  
00:21:55,830 --> 00:21:52,000  
now given

603  
00:21:58,390 --> 00:21:55,840  
color codes for the severity of covid

604  
00:21:59,909 --> 00:21:58,400  
covid levels in other words the numbers

605  
00:22:02,070 --> 00:21:59,919  
of people that have tested

606  
00:22:03,430 --> 00:22:02,080  
positive for covid we've got these

607  
00:22:05,830 --> 00:22:03,440  
numbers now

608  
00:22:08,070 --> 00:22:05,840  
and i don't know what color you're in

609  
00:22:10,230 --> 00:22:08,080  
greg but we're in red which is the

610  
00:22:12,950 --> 00:22:10,240  
highest and the worst level

611  
00:22:15,270 --> 00:22:12,960  
of covid cases so we can pretty much

612  
00:22:17,510 --> 00:22:15,280  
guess in those areas that are read

613  
00:22:19,430 --> 00:22:17,520

that there's going to be massive attacks

614

00:22:21,830 --> 00:22:19,440

in a variety of ways

615

00:22:24,390 --> 00:22:21,840

so being that we're in red what we're

616

00:22:27,830 --> 00:22:24,400

being told here in sonoma county

617

00:22:28,710 --> 00:22:27,840

is that it has to be an equitable shared

618

00:22:31,669 --> 00:22:28,720

experience

619

00:22:32,390 --> 00:22:31,679

of covid and what they have said to us

620

00:22:34,470 --> 00:22:32,400

the state

621

00:22:35,909 --> 00:22:34,480

has said to all of us now and this will

622

00:22:38,070 --> 00:22:35,919

happen everywhere

623

00:22:39,510 --> 00:22:38,080

so don't just hear me talking about

624

00:22:41,990 --> 00:22:39,520

california and think

625

00:22:43,430 --> 00:22:42,000

i'm skedaddling out of california to a

626  
00:22:45,430 --> 00:22:43,440  
safer spot

627  
00:22:47,029 --> 00:22:45,440  
that's not possible but let me just tell

628  
00:22:48,310 --> 00:22:47,039  
you what this plan is

629  
00:22:50,870 --> 00:22:48,320  
so what they're telling us here in

630  
00:22:53,110 --> 00:22:50,880  
northern california that there are many

631  
00:22:55,990 --> 00:22:53,120  
more cases of covet in the hispanic

632  
00:22:59,669 --> 00:22:56,000  
communities the more disenfranchised

633  
00:23:03,029 --> 00:22:59,679  
the lower income areas within our county

634  
00:23:04,870 --> 00:23:03,039  
the hispanic area the workers those that

635  
00:23:05,990 --> 00:23:04,880  
pick the grapes those that harvest the

636  
00:23:09,029 --> 00:23:06,000  
vegetables

637  
00:23:10,870 --> 00:23:09,039  
those that do the hotel work which is of

638  
00:23:12,630 --> 00:23:10,880

course limited with covet and all the

639

00:23:15,350 --> 00:23:12,640

other types of work

640

00:23:16,390 --> 00:23:15,360

what they've been doing is massively

641

00:23:18,750 --> 00:23:16,400

wirelessly

642

00:23:21,590 --> 00:23:18,760

deploying technology into these

643

00:23:23,909 --> 00:23:21,600

disenfranchised communities all along

644

00:23:26,390 --> 00:23:23,919

by saying the telecom will come in and

645

00:23:27,430 --> 00:23:26,400

offer the kids wireless laptops so now

646

00:23:29,510 --> 00:23:27,440

they can

647

00:23:31,669 --> 00:23:29,520

do their distance learning while they're

648

00:23:34,710 --> 00:23:31,679

being electrified in their homes

649

00:23:37,669 --> 00:23:34,720

this is being given to these areas free

650

00:23:39,190 --> 00:23:37,679

as you might all recall the free um cell

651  
00:23:41,510 --> 00:23:39,200  
phones were distributed

652  
00:23:43,669 --> 00:23:41,520  
to low-income families so that they're

653  
00:23:46,870 --> 00:23:43,679  
not disenfranchised that there's

654  
00:23:47,830 --> 00:23:46,880  
again equity free and equal equity well

655  
00:23:50,230 --> 00:23:47,840  
now with covid

656  
00:23:51,350 --> 00:23:50,240  
they're saying that the statistics in

657  
00:23:54,470 --> 00:23:51,360  
the lower income

658  
00:23:57,830 --> 00:23:54,480  
communities must improve

659  
00:24:00,710 --> 00:23:57,840  
and be on par with the statistics in the

660  
00:24:03,350 --> 00:24:00,720  
other areas within that county before

661  
00:24:06,070 --> 00:24:03,360  
any part of the county can open up

662  
00:24:06,789 --> 00:24:06,080  
so i hope you all heard that before any

663  
00:24:10,149 --> 00:24:06,799

other part

664

00:24:13,750 --> 00:24:10,159

of our county can open up the statistics

665

00:24:16,950 --> 00:24:13,760

on covid cases positive coveted cases

666

00:24:18,070 --> 00:24:16,960

must decline in the areas that they've

667

00:24:20,549 --> 00:24:18,080

intensified

668

00:24:21,269 --> 00:24:20,559

the frequencies that are causing the

669

00:24:23,990 --> 00:24:21,279

coveted

670

00:24:24,950 --> 00:24:24,000

symptoms in the first place so that's

671

00:24:27,830 --> 00:24:24,960

impossible

672

00:24:29,510 --> 00:24:27,840

so what do we see happening here we see

673

00:24:31,669 --> 00:24:29,520

increased racial wars

674

00:24:33,510 --> 00:24:31,679

and division because if you're in a

675

00:24:37,269 --> 00:24:33,520

county and you have

676  
00:24:40,549 --> 00:24:37,279  
a low covered rate of exposure and or

677  
00:24:43,510 --> 00:24:40,559  
of cases the caseload as they call it

678  
00:24:44,549 --> 00:24:43,520  
is lower all these fine words for this

679  
00:24:46,310 --> 00:24:44,559  
illusion

680  
00:24:49,590 --> 00:24:46,320  
but then they're saying that in our

681  
00:24:52,870 --> 00:24:49,600  
position the latino community is higher

682  
00:24:55,110 --> 00:24:52,880  
we must see that the latino community

683  
00:24:56,870 --> 00:24:55,120  
declines in coving cases so let's talk

684  
00:24:58,549 --> 00:24:56,880  
about what's going to happen

685  
00:25:00,470 --> 00:24:58,559  
now i'm talking about in any

686  
00:25:04,070 --> 00:25:00,480  
disenfranchised communities

687  
00:25:05,269 --> 00:25:04,080  
anywhere worldwide this is going to

688  
00:25:08,470 --> 00:25:05,279

become

689

00:25:11,510 --> 00:25:08,480

how all of us are going to be entrapped

690

00:25:13,350 --> 00:25:11,520

in again race wars and more

691

00:25:14,950 --> 00:25:13,360

importantly is what we're going to see

692

00:25:17,190 --> 00:25:14,960

with code enforcement

693

00:25:17,990 --> 00:25:17,200

coming into our communities as a result

694

00:25:19,510 --> 00:25:18,000

of this

695

00:25:21,669 --> 00:25:19,520

because certainly with the climate

696

00:25:24,070 --> 00:25:21,679

action plans and the forcing

697

00:25:25,510 --> 00:25:24,080

of retrofitting our homes and the

698

00:25:28,950 --> 00:25:25,520

rockefeller

699

00:25:31,990 --> 00:25:28,960

bank loans that are available for us to

700

00:25:32,789 --> 00:25:32,000

take out if when we're forced to change

701  
00:25:35,190 --> 00:25:32,799  
out

702  
00:25:36,470 --> 00:25:35,200  
aspects of our homes to become more

703  
00:25:38,310 --> 00:25:36,480  
energy efficient

704  
00:25:40,149 --> 00:25:38,320  
not saying that these things are not

705  
00:25:40,870 --> 00:25:40,159  
good to do many of these things are

706  
00:25:43,990 --> 00:25:40,880  
excellent

707  
00:25:44,630 --> 00:25:44,000  
to do sadly many homeowners will be

708  
00:25:46,549 --> 00:25:44,640  
unable

709  
00:25:47,909 --> 00:25:46,559  
to afford but getting back to covet what

710  
00:25:49,190 --> 00:25:47,919  
it's going to look like

711  
00:25:51,430 --> 00:25:49,200  
is they're going to send code

712  
00:25:52,310 --> 00:25:51,440  
enforcement out to these disenfranchised

713  
00:25:54,310 --> 00:25:52,320

communities

714

00:25:57,350 --> 00:25:54,320

they're going to do a bedroom count and

715

00:25:59,909 --> 00:25:57,360

a bathroom count many of these areas

716

00:26:01,750 --> 00:25:59,919

double up with families living in them

717

00:26:05,750 --> 00:26:01,760

in fact culturally

718

00:26:08,070 --> 00:26:05,760

oftentimes in various cultures a common

719

00:26:10,310 --> 00:26:08,080

situation that the grandparents will

720

00:26:12,070 --> 00:26:10,320

live with the younger families and help

721

00:26:13,269 --> 00:26:12,080

the younger families with babies sitting

722

00:26:15,750 --> 00:26:13,279

in other aspects

723

00:26:16,470 --> 00:26:15,760

while the younger ones are working well

724

00:26:18,230 --> 00:26:16,480

that puts

725

00:26:19,750 --> 00:26:18,240

a tremendous amount of individuals

726

00:26:21,990 --> 00:26:19,760

living in one house

727

00:26:23,909 --> 00:26:22,000

and now under covet they're creating new

728

00:26:25,830 --> 00:26:23,919

architectural requirements for new

729

00:26:28,310 --> 00:26:25,840

designing of houses based on

730

00:26:29,909 --> 00:26:28,320

coveted requirements and the numbers of

731

00:26:31,269 --> 00:26:29,919

people that can live in the house so

732

00:26:33,909 --> 00:26:31,279

let's break that down

733

00:26:36,070 --> 00:26:33,919

because i was in self-employed family

734

00:26:39,110 --> 00:26:36,080

building business for many decades

735

00:26:42,070 --> 00:26:39,120

when i stumbled into this as a result of

736

00:26:43,669 --> 00:26:42,080

getting architectural magazines that i

737

00:26:46,950 --> 00:26:43,679

still get even though

738

00:26:49,269 --> 00:26:46,960

i am now retired out of that business

739

00:26:52,149 --> 00:26:49,279

i was appalled to find out that plans

740

00:26:55,029 --> 00:26:52,159

are now being drafted to fulfill covet

741

00:26:56,070 --> 00:26:55,039

distancing requirements in homes and how

742

00:26:57,990 --> 00:26:56,080

this will play out in the

743

00:27:00,230 --> 00:26:58,000

disenfranchised communities

744

00:27:01,669 --> 00:27:00,240

is code enforcement will go through and

745

00:27:04,549 --> 00:27:01,679

they'll use the census

746

00:27:06,070 --> 00:27:04,559

also the census that all of you turned

747

00:27:09,029 --> 00:27:06,080

in data for

748

00:27:10,710 --> 00:27:09,039

that will be used against you every way

749

00:27:13,190 --> 00:27:10,720

it will be used against you

750

00:27:14,630 --> 00:27:13,200

so they'll go and they'll look at the

751

00:27:17,110 --> 00:27:14,640

number of people stated

752

00:27:18,870 --> 00:27:17,120

to be living in that house and if there

753

00:27:19,590 --> 00:27:18,880

are six or eight people living in a two

754

00:27:22,389 --> 00:27:19,600

bedroom

755

00:27:24,470 --> 00:27:22,399

four bath house for example and someone

756

00:27:26,389 --> 00:27:24,480

test positive for covid which they will

757

00:27:27,669 --> 00:27:26,399

because those areas are densified with

758

00:27:30,950 --> 00:27:27,679

frequencies

759

00:27:33,190 --> 00:27:30,960

they're going to require anyone in that

760

00:27:36,310 --> 00:27:33,200

house that is tested positive

761

00:27:39,110 --> 00:27:36,320

to quarantine outside of that residence

762

00:27:41,669 --> 00:27:39,120

in some type of a government facility

763

00:27:44,149 --> 00:27:41,679

and in a situation where there might be

764

00:27:46,710 --> 00:27:44,159

a single mother and a single child

765

00:27:48,070 --> 00:27:46,720

if the mother tests positive for covet

766

00:27:51,110 --> 00:27:48,080

they will remove that

767

00:27:54,310 --> 00:27:51,120

child put that child in cps or

768

00:27:56,310 --> 00:27:54,320

in an adopted situation

769

00:27:57,990 --> 00:27:56,320

while the mother is presumably

770

00:28:01,350 --> 00:27:58,000

recovering this is called

771

00:28:03,830 --> 00:28:01,360

kidnapping this is literally kidnapping

772

00:28:04,549 --> 00:28:03,840

our children and putting them in harm's

773

00:28:06,470 --> 00:28:04,559

way

774

00:28:07,669 --> 00:28:06,480

because we know that they're going after

775

00:28:09,669 --> 00:28:07,679

our kids

776

00:28:11,430 --> 00:28:09,679

so i will add this right now you must

777

00:28:12,710 --> 00:28:11,440

protect your family units you must

778

00:28:15,269 --> 00:28:12,720

protect your children

779

00:28:15,990 --> 00:28:15,279

with everything you have because the

780

00:28:19,990 --> 00:28:16,000

laws are being

781

00:28:22,389 --> 00:28:20,000

set up now to further exploit

782

00:28:23,110 --> 00:28:22,399

children drug trafficking sex

783

00:28:25,669 --> 00:28:23,120

trafficking

784

00:28:27,350 --> 00:28:25,679

adrenal chrome where they scare children

785

00:28:28,070 --> 00:28:27,360

to the point and then harvest their

786

00:28:29,990 --> 00:28:28,080

blood

787

00:28:32,470 --> 00:28:30,000

to increase the power of those that

788

00:28:33,190 --> 00:28:32,480

drink it so for those of you that doubt

789

00:28:35,190 --> 00:28:33,200

or question

790

00:28:36,789 --> 00:28:35,200

any of these things and you think this

791

00:28:39,350 --> 00:28:36,799

could be outrageous

792

00:28:40,630 --> 00:28:39,360

please start thinking correctly and

793

00:28:43,430 --> 00:28:40,640

understand if you're not

794

00:28:44,230 --> 00:28:43,440

able to wrap your head around this

795

00:28:47,110 --> 00:28:44,240

you're already

796

00:28:47,750 --> 00:28:47,120

pretty well mind controlled and that has

797

00:28:50,710 --> 00:28:47,760

sadly

798

00:28:52,470 --> 00:28:50,720

been the reality that we face as a human

799

00:28:55,590 --> 00:28:52,480

species on earth today

800

00:28:57,430 --> 00:28:55,600

is the enormity of mind control

801  
00:29:00,389 --> 00:28:57,440  
so the code enforcement will go through

802  
00:29:04,070 --> 00:29:00,399  
these disenfranchised communities

803  
00:29:05,669 --> 00:29:04,080  
it'll be a quiet forced separation of

804  
00:29:06,789 --> 00:29:05,679  
families you won't hear about this on

805  
00:29:09,029 --> 00:29:06,799  
the news

806  
00:29:10,549 --> 00:29:09,039  
and many of the disenfranchised

807  
00:29:12,549 --> 00:29:10,559  
communities are really not

808  
00:29:14,470 --> 00:29:12,559  
they don't have a platform in many

809  
00:29:16,789 --> 00:29:14,480  
instances to discuss this

810  
00:29:18,870 --> 00:29:16,799  
they might get misled over what's

811  
00:29:22,710 --> 00:29:18,880  
happening and it will come out

812  
00:29:25,029 --> 00:29:22,720  
in some other type of violent protesting

813  
00:29:25,990 --> 00:29:25,039

not realizing that this is really the

814

00:29:28,669 --> 00:29:26,000

plan

815

00:29:30,789 --> 00:29:28,679

unfolding now to go through the

816

00:29:34,230 --> 00:29:30,799

disenfranchised communities

817

00:29:36,950 --> 00:29:34,240

separate the families reduce the

818

00:29:38,630 --> 00:29:36,960

number of people in those homes to fit

819

00:29:40,310 --> 00:29:38,640

the covid requirements because they're

820

00:29:42,950 --> 00:29:40,320

saying we will not get over

821

00:29:44,789 --> 00:29:42,960

or pass covet unless we reduce the

822

00:29:46,789 --> 00:29:44,799

occupancy in the homes

823

00:29:47,909 --> 00:29:46,799

to a level that that home internal

824

00:29:50,710 --> 00:29:47,919

occupancy

825

00:29:52,710 --> 00:29:50,720

will afford safety of covet well you're

826

00:29:54,870 --> 00:29:52,720

making a lot of good points because

827

00:29:56,549 --> 00:29:54,880

people have been conditioned to believe

828

00:29:59,029 --> 00:29:56,559

that higher case numbers

829

00:30:01,110 --> 00:29:59,039

equals people not following the covet

830

00:30:01,669 --> 00:30:01,120

rules and making life harder on the rest

831

00:30:05,510 --> 00:30:01,679

of us

832

00:30:08,549 --> 00:30:05,520

so they can use frequency and testing

833

00:30:09,909 --> 00:30:08,559

to direct the public anger to any

834

00:30:12,549 --> 00:30:09,919

specific community

835

00:30:15,350 --> 00:30:12,559

they might want and yes you can see this

836

00:30:17,430 --> 00:30:15,360

is clearly a recipe for

837

00:30:19,269 --> 00:30:17,440

race-based fighting in the streets

838

00:30:20,470 --> 00:30:19,279

class-based fighting in the streets

839

00:30:23,269 --> 00:30:20,480

because

840

00:30:25,029 --> 00:30:23,279

of that conditioning that an increase in

841

00:30:27,269 --> 00:30:25,039

caseloads means you're not wearing the

842

00:30:30,070 --> 00:30:27,279

mask you're not socially distancing

843

00:30:31,190 --> 00:30:30,080

meanwhile we know that that's a setup

844

00:30:32,870 --> 00:30:31,200

because

845

00:30:34,789 --> 00:30:32,880

this isn't based on that that the

846

00:30:36,870 --> 00:30:34,799

numbers are actually manipulated

847

00:30:37,990 --> 00:30:36,880

using the tools they have which are the

848

00:30:40,310 --> 00:30:38,000

technology

849

00:30:43,190 --> 00:30:40,320

the 5g and of course just where they

850

00:30:45,430 --> 00:30:43,200

decide to roll out more testing

851  
00:30:47,510 --> 00:30:45,440  
well that is absolutely true and they

852  
00:30:49,430 --> 00:30:47,520  
are rolling out more testing

853  
00:30:51,029 --> 00:30:49,440  
so we're going to have many more false

854  
00:30:54,870 --> 00:30:51,039  
positives and many people

855  
00:30:57,350 --> 00:30:54,880  
testing for whatever it is that covet

856  
00:30:59,750 --> 00:30:57,360  
ends up ultimately being biological

857  
00:31:02,470 --> 00:30:59,760  
warfare to a certain extent

858  
00:31:04,310 --> 00:31:02,480  
which is of course frequencies so we

859  
00:31:06,389 --> 00:31:04,320  
have to understand

860  
00:31:07,830 --> 00:31:06,399  
what the frequencies are doing i cover

861  
00:31:09,669 --> 00:31:07,840  
that quite extensively

862  
00:31:12,149 --> 00:31:09,679  
in the video i just posted a few days

863  
00:31:15,190 --> 00:31:12,159

ago again that's called alert

864

00:31:18,310 --> 00:31:15,200

disarming america mind control

865

00:31:21,509 --> 00:31:18,320

tesla and more i refer you to that

866

00:31:22,310 --> 00:31:21,519

video please share that video far and

867

00:31:24,630 --> 00:31:22,320

wide

868

00:31:25,430 --> 00:31:24,640

in fact greg it might be a good insert

869

00:31:27,110 --> 00:31:25,440

for

870

00:31:28,950 --> 00:31:27,120

your channel as well and during this

871

00:31:30,389 --> 00:31:28,960

discussion people need to understand

872

00:31:32,710 --> 00:31:30,399

what is happening

873

00:31:33,909 --> 00:31:32,720

and i am known for documents having

874

00:31:37,110 --> 00:31:33,919

grown up and been

875

00:31:39,029 --> 00:31:37,120

raised i was third generation contractor

876

00:31:41,909 --> 00:31:39,039

in a dutch-based family

877

00:31:43,830 --> 00:31:41,919

then my husband became a builder and a

878

00:31:44,710 --> 00:31:43,840

developer and we had our own business

879

00:31:48,149 --> 00:31:44,720

for years

880

00:31:51,269 --> 00:31:48,159

i've been accustomed to reading city

881

00:31:53,990 --> 00:31:51,279

policies planning department codes and

882

00:31:56,470 --> 00:31:54,000

policies that's what i grew up with

883

00:31:58,549 --> 00:31:56,480

so it was natural for me to start

884

00:31:59,830 --> 00:31:58,559

looking at the climate action plans

885

00:32:03,110 --> 00:31:59,840

early on

886

00:32:03,669 --> 00:32:03,120

and seeing with shock what was planned

887

00:32:06,950 --> 00:32:03,679

for us

888

00:32:10,149 --> 00:32:06,960

and no one was reading these documents

889

00:32:11,029 --> 00:32:10,159

so i have a tab on stopthecrime.net it

890

00:32:14,070 --> 00:32:11,039

is entitled

891

00:32:16,190 --> 00:32:14,080

kiss your gas goodbye we have been

892

00:32:18,070 --> 00:32:16,200

talking about the elimination of all

893

00:32:20,710 --> 00:32:18,080

petroleum-based products

894

00:32:22,149 --> 00:32:20,720

for many many many years and they're in

895

00:32:25,430 --> 00:32:22,159

your climate action plans

896

00:32:28,950 --> 00:32:25,440

so what we face is

897

00:32:31,350 --> 00:32:28,960

increased anger in racial divide

898

00:32:33,110 --> 00:32:31,360

because of covid and certainly because

899

00:32:35,830 --> 00:32:33,120

of what i just explained

900

00:32:36,789 --> 00:32:35,840

with the square footage and the number

901  
00:32:39,430 --> 00:32:36,799  
of people

902  
00:32:40,549 --> 00:32:39,440  
in your houses there's no way that you

903  
00:32:43,990 --> 00:32:40,559  
can answer that

904  
00:32:47,110 --> 00:32:44,000  
census form and not get caught up

905  
00:32:50,710 --> 00:32:47,120  
in a trap so let me explain

906  
00:32:54,230 --> 00:32:50,720  
that census form is data collection

907  
00:32:54,830 --> 00:32:54,240  
it will be used against you because the

908  
00:32:58,070 --> 00:32:54,840  
very

909  
00:32:58,870 --> 00:32:58,080  
aspect of your states acquiring more

910  
00:33:02,149 --> 00:32:58,880  
money

911  
00:33:05,750 --> 00:33:02,159  
for schools education is a joke

912  
00:33:06,230 --> 00:33:05,760  
our schools are disinformation intended

913  
00:33:10,470 --> 00:33:06,240

to keep

914

00:33:12,389 --> 00:33:10,480

us uneducated and in life the very

915

00:33:15,909 --> 00:33:12,399

aspect of what the census is

916

00:33:18,070 --> 00:33:15,919

based for is based upon literally

917

00:33:18,950 --> 00:33:18,080

reducing the population when you think

918

00:33:21,350 --> 00:33:18,960

about it

919

00:33:22,149 --> 00:33:21,360

so you get your census and you say

920

00:33:24,470 --> 00:33:22,159

whatever

921

00:33:26,630 --> 00:33:24,480

you know how many people the ethnicity

922

00:33:28,870 --> 00:33:26,640

all the questions that that asks

923

00:33:30,710 --> 00:33:28,880

if they don't snag you because of the

924

00:33:33,909 --> 00:33:30,720

covet architectural

925

00:33:34,870 --> 00:33:33,919

aspect of the census forms or other data

926  
00:33:38,549 --> 00:33:34,880  
collecting

927  
00:33:42,070 --> 00:33:38,559  
forms that you may fill out we recommend

928  
00:33:45,350 --> 00:33:42,080  
that no one participate in any surveys

929  
00:33:48,470 --> 00:33:45,360  
at all do not participate

930  
00:33:52,389 --> 00:33:48,480  
in any surveys it's data

931  
00:33:55,029 --> 00:33:52,399  
collection period it's all for a i

932  
00:33:55,990 --> 00:33:55,039  
it's all for predictive programming

933  
00:33:59,350 --> 00:33:56,000  
through

934  
00:34:01,590 --> 00:33:59,360  
the different types of plans that they

935  
00:34:02,149 --> 00:34:01,600  
have already ongoing in many of our

936  
00:34:04,549 --> 00:34:02,159  
states

937  
00:34:05,269 --> 00:34:04,559  
already but i'll get into that in a

938  
00:34:07,830 --> 00:34:05,279

second

939

00:34:08,470 --> 00:34:07,840

so don't participate in any kind of

940

00:34:13,669 --> 00:34:08,480

surveys

941

00:34:15,190 --> 00:34:13,679

have on your properties

942

00:34:16,790 --> 00:34:15,200

they're going to do one of two things

943

00:34:19,190 --> 00:34:16,800

they're either going to assist

944

00:34:20,550 --> 00:34:19,200

in vacating your property and having

945

00:34:23,669 --> 00:34:20,560

your home literally

946

00:34:26,149 --> 00:34:23,679

potentially go into default

947

00:34:26,710 --> 00:34:26,159

because if the lower income families

948

00:34:28,629 --> 00:34:26,720

that are

949

00:34:29,990 --> 00:34:28,639

stacking up in houses so that they can

950

00:34:32,550 --> 00:34:30,000

make their mortgage

951  
00:34:34,550 --> 00:34:32,560  
payments are separated they're not going

952  
00:34:35,349 --> 00:34:34,560  
to be able to make their mortgage

953  
00:34:37,510 --> 00:34:35,359  
payments

954  
00:34:38,710 --> 00:34:37,520  
think about the blight that is now going

955  
00:34:41,510 --> 00:34:38,720  
to be

956  
00:34:43,750 --> 00:34:41,520  
created in those areas the bankers are

957  
00:34:45,909 --> 00:34:43,760  
going to snatch up those properties for

958  
00:34:47,669 --> 00:34:45,919  
peanuts on the dollar peanuts the

959  
00:34:50,389 --> 00:34:47,679  
dollars worthless anyway

960  
00:34:52,069 --> 00:34:50,399  
so they're going to snatch up all those

961  
00:34:54,869 --> 00:34:52,079  
properties or they're going to sit

962  
00:34:56,149 --> 00:34:54,879  
abandoned for decades as we see many

963  
00:34:58,550 --> 00:34:56,159

buildings now

964

00:34:59,750 --> 00:34:58,560

already lots of commercial buildings all

965

00:35:02,150 --> 00:34:59,760

over the country

966

00:35:03,030 --> 00:35:02,160

all over the world sitting boarded up

967

00:35:05,910 --> 00:35:03,040

abandoned

968

00:35:07,510 --> 00:35:05,920

for many years already now we're seeing

969

00:35:09,829 --> 00:35:07,520

all of this

970

00:35:10,950 --> 00:35:09,839

no occupancy allowed homeless cannot

971

00:35:14,230 --> 00:35:10,960

live in these places

972

00:35:15,510 --> 00:35:14,240

they're just vacant so we're going to be

973

00:35:18,790 --> 00:35:15,520

looking at

974

00:35:22,550 --> 00:35:18,800

the lower income communities the poorer

975

00:35:25,670 --> 00:35:22,560

countries being massively massively

976

00:35:28,790 --> 00:35:25,680

massively set up on by these plans

977

00:35:30,390 --> 00:35:28,800

and yet what you hear continuously

978

00:35:32,710 --> 00:35:30,400

is how they're going to create

979

00:35:35,990 --> 00:35:32,720

opportunity for the poor

980

00:35:38,950 --> 00:35:36,000

economic countries that's not the case

981

00:35:39,750 --> 00:35:38,960

these countries will be taken down first

982

00:35:42,310 --> 00:35:39,760

as well

983

00:35:43,270 --> 00:35:42,320

as the various communities within our

984

00:35:46,630 --> 00:35:43,280

own country

985

00:35:47,510 --> 00:35:46,640

the usa inc so let me ask you about this

986

00:35:49,109 --> 00:35:47,520

because

987

00:35:50,950 --> 00:35:49,119

this plan is also going to affect the

988

00:35:53,109 --> 00:35:50,960

middle and upper income

989

00:35:54,870 --> 00:35:53,119

families as well and it is part of the

990

00:35:57,030 --> 00:35:54,880

high-tech arson plan

991

00:35:58,230 --> 00:35:57,040

i've heard you talk about the fires in

992

00:36:01,750 --> 00:35:58,240

california

993

00:36:04,069 --> 00:36:01,760

being very engineered to attack certain

994

00:36:05,750 --> 00:36:04,079

areas and then when those people's

995

00:36:07,910 --> 00:36:05,760

houses are destroyed

996

00:36:08,950 --> 00:36:07,920

they're not allowed to rebuild and even

997

00:36:11,109 --> 00:36:08,960

if they were

998

00:36:11,990 --> 00:36:11,119

the insurance companies will no longer

999

00:36:15,109 --> 00:36:12,000

carry them so they're

1000

00:36:18,150 --> 00:36:15,119

using these fires to clear out

1001  
00:36:22,310 --> 00:36:18,160  
huge areas that have been residential

1002  
00:36:24,550 --> 00:36:22,320  
for almost the last century right

1003  
00:36:27,109 --> 00:36:24,560  
well that's true and let me expand upon

1004  
00:36:29,910 --> 00:36:27,119  
that quite a bit here greg

1005  
00:36:31,349 --> 00:36:29,920  
yes the fires are strategic these are

1006  
00:36:34,390 --> 00:36:31,359  
not wildfires

1007  
00:36:35,510 --> 00:36:34,400  
these are directed fires so when you

1008  
00:36:38,870 --> 00:36:35,520  
think of

1009  
00:36:41,510 --> 00:36:38,880  
fires i want everybody to now envision

1010  
00:36:42,150 --> 00:36:41,520  
the pinpoint accuracy of being able to

1011  
00:36:44,710 --> 00:36:42,160  
direct

1012  
00:36:45,589 --> 00:36:44,720  
fires set them up and burn where they

1013  
00:36:49,270 --> 00:36:45,599

desire

1014

00:36:52,630 --> 00:36:49,280

that is what is happening now

1015

00:36:54,470 --> 00:36:52,640

i want to throw this in sadly

1016

00:36:57,030 --> 00:36:54,480

those people that have for many years

1017

00:37:00,710 --> 00:36:57,040

been participating in saving animals

1018

00:37:04,069 --> 00:37:00,720

and little salamanders owls

1019

00:37:07,430 --> 00:37:04,079

frogs etc the environmentalist

1020

00:37:10,630 --> 00:37:07,440

endangered species endangered species

1021

00:37:13,670 --> 00:37:10,640

that was really all set up so that

1022

00:37:16,069 --> 00:37:13,680

lands would remain unbuildable

1023

00:37:17,910 --> 00:37:16,079

remain in the open space and that's what

1024

00:37:20,710 --> 00:37:17,920

you're talking about right now with

1025

00:37:23,270 --> 00:37:20,720

the strategic burning in areas where

1026

00:37:26,310 --> 00:37:23,280

people will have difficulty rebuilding

1027

00:37:28,870 --> 00:37:26,320

and this is called the wildlands they

1028

00:37:31,670 --> 00:37:28,880

want to rewild

1029

00:37:32,470 --> 00:37:31,680

most of the acreage in the united states

1030

00:37:35,990 --> 00:37:32,480

in other words

1031

00:37:38,630 --> 00:37:36,000

human access denied and this was a very

1032

00:37:41,109 --> 00:37:38,640

interesting map that was presented to

1033

00:37:44,310 --> 00:37:41,119

the senate back in the 90s

1034

00:37:46,710 --> 00:37:44,320

when and i just forget his name

1035

00:37:47,589 --> 00:37:46,720

right this moment but a very well-known

1036

00:37:50,390 --> 00:37:47,599

doctor

1037

00:37:51,990 --> 00:37:50,400

heard about this and found the map and

1038

00:37:54,310 --> 00:37:52,000

took it to the senate not that that

1039

00:37:55,670 --> 00:37:54,320

matters the senate is all part of a fake

1040

00:37:57,990 --> 00:37:55,680

illusion of government

1041

00:38:00,470 --> 00:37:58,000

but having said that they did print that

1042

00:38:03,349 --> 00:38:00,480

out we do have the wildlands project map

1043

00:38:05,109 --> 00:38:03,359

up on stop the crime.net you can type in

1044

00:38:07,829 --> 00:38:05,119

wildlands project map

1045

00:38:08,470 --> 00:38:07,839

and what you will learn are the planned

1046

00:38:11,270 --> 00:38:08,480

areas

1047

00:38:13,030 --> 00:38:11,280

that are not to be inhabited by people

1048

00:38:15,589 --> 00:38:13,040

and we're seeing that occurring now

1049

00:38:17,510 --> 00:38:15,599

many of us during covid were now seeing

1050

00:38:20,150 --> 00:38:17,520

that the beaches are being closed

1051

00:38:21,670 --> 00:38:20,160

many parks are being closed down now for

1052

00:38:23,109 --> 00:38:21,680

a variety of reasons

1053

00:38:24,790 --> 00:38:23,119

they're saying that they don't have the

1054

00:38:26,950 --> 00:38:24,800

park rangers available

1055

00:38:28,710 --> 00:38:26,960

to keep the trails cleared people are

1056

00:38:30,390 --> 00:38:28,720

getting sick with kovets so they're not

1057

00:38:33,190 --> 00:38:30,400

able to maintain the parks

1058

00:38:34,550 --> 00:38:33,200

no this is all part of a massive design

1059

00:38:36,870 --> 00:38:34,560

to entrap us

1060

00:38:37,670 --> 00:38:36,880

and to confine us and tighten up that

1061

00:38:40,390 --> 00:38:37,680

confinement

1062

00:38:40,870 --> 00:38:40,400

of all of us in fact very soon greg you

1063

00:38:43,030 --> 00:38:40,880

and i

1064

00:38:45,270 --> 00:38:43,040

may end up being neighbors because

1065

00:38:46,390 --> 00:38:45,280

they'll be consolidating our communities

1066

00:38:50,390 --> 00:38:46,400

and squeezing us

1067

00:38:53,030 --> 00:38:50,400

in to what we call human population

1068

00:38:55,109 --> 00:38:53,040

controlled centers now not everyone will

1069

00:38:56,950 --> 00:38:55,119

get to those locations many people will

1070

00:38:58,630 --> 00:38:56,960

be killed prior to that

1071

00:39:00,310 --> 00:38:58,640

because the weather and assault of

1072

00:39:03,990 --> 00:39:00,320

weather weapons on all of us

1073

00:39:05,030 --> 00:39:04,000

is historic levels of weather events now

1074

00:39:06,790 --> 00:39:05,040

we are seeing

1075

00:39:08,630 --> 00:39:06,800

the increased number of hurricanes in

1076

00:39:12,829 --> 00:39:08,640

the gulf coast in fact again

1077

00:39:15,750 --> 00:39:12,839

i cannot underscore look at that 1959

1078

00:39:17,550 --> 00:39:15,760

disney that we just posted on our

1079

00:39:18,870 --> 00:39:17,560

youtube video channel of

1080

00:39:22,310 --> 00:39:18,880

stopthecrime.net

1081

00:39:25,270 --> 00:39:22,320

where it explains exactly what i was

1082

00:39:27,829 --> 00:39:25,280

talking about with the tesla technology

1083

00:39:29,829 --> 00:39:27,839

and literally setting up frequency and

1084

00:39:32,790 --> 00:39:29,839

fog fences

1085

00:39:33,589 --> 00:39:32,800

to literally circumvent weather

1086

00:39:36,150 --> 00:39:33,599

conditions

1087

00:39:37,990 --> 00:39:36,160

there is no more natural weather so for

1088

00:39:40,950 --> 00:39:38,000

any of you that think you can see

1089

00:39:41,990 --> 00:39:40,960

a real cloud no they're all structures

1090

00:39:44,870 --> 00:39:42,000

everything now is

1091

00:39:46,310 --> 00:39:44,880

manufactured when you say that word

1092

00:39:46,950 --> 00:39:46,320

everything that's where a lot of

1093

00:39:49,270 --> 00:39:46,960

people's

1094

00:39:51,670 --> 00:39:49,280

brains turn off but that's because

1095

00:39:54,950 --> 00:39:51,680

you're under mind control

1096

00:39:57,670 --> 00:39:54,960

and i'm sorry to say that it is very

1097

00:39:59,589 --> 00:39:57,680

real that this has now happened we're

1098

00:40:01,589 --> 00:39:59,599

seeing that in all levels of government

1099

00:40:04,550 --> 00:40:01,599

we're seeing how this country

1100

00:40:06,630 --> 00:40:04,560

is being taken down and shredded in fact

1101

00:40:08,309 --> 00:40:06,640

i'm just posting today

1102

00:40:10,550 --> 00:40:08,319

on our channel greg something that

1103

00:40:13,589 --> 00:40:10,560

you'll want to probably grab

1104

00:40:15,750 --> 00:40:13,599

and insert in this discussion

1105

00:40:17,589 --> 00:40:15,760

and i'm going to go over that right now

1106

00:40:20,470 --> 00:40:17,599

but i don't feel i've covered the fires

1107

00:40:20,790 --> 00:40:20,480

adequately yet but let me throw this in

1108

00:40:24,870 --> 00:40:20,800

right

1109

00:40:28,150 --> 00:40:24,880

this second this is about the emotional

1110

00:40:30,790 --> 00:40:28,160

states and our behavior that it has

1111

00:40:33,430 --> 00:40:30,800

on all the allusion to politicians we

1112

00:40:35,990 --> 00:40:33,440

don't have politicians again as i said

1113

00:40:37,270 --> 00:40:36,000

that's the entertainment division for

1114

00:40:40,150 --> 00:40:37,280

our controllers our

1115

00:40:40,710 --> 00:40:40,160

overlords they control the judiciary

1116

00:40:44,790 --> 00:40:40,720

systems

1117

00:40:47,349 --> 00:40:44,800

illegitimate

1118

00:40:48,470 --> 00:40:47,359

and they don't exist for us the court

1119

00:40:50,550 --> 00:40:48,480

system was set up

1120

00:40:52,230 --> 00:40:50,560

attorneys have bar cards british

1121

00:40:55,510 --> 00:40:52,240

accreditation regency

1122

00:40:58,630 --> 00:40:55,520

they don't exist for us so if you hear

1123

00:41:01,349 --> 00:40:58,640

anybody promoting going to court

1124

00:41:02,870 --> 00:41:01,359

the only benefit that that would have is

1125

00:41:05,270 --> 00:41:02,880

to possibly

1126

00:41:06,870 --> 00:41:05,280

get that discussion out on a broader

1127

00:41:10,150 --> 00:41:06,880

basis so people

1128

00:41:11,510 --> 00:41:10,160

can hear about this court lawsuit or

1129

00:41:14,390 --> 00:41:11,520

whatever you want to call

1130

00:41:15,190 --> 00:41:14,400

this expensive money generally to no

1131

00:41:17,430 --> 00:41:15,200

avail

1132

00:41:19,109 --> 00:41:17,440

occasionally some lawsuits are allowed

1133

00:41:21,030 --> 00:41:19,119

some level of victory

1134

00:41:23,270 --> 00:41:21,040

but it's only to keep the illusion of a

1135

00:41:24,309 --> 00:41:23,280

functioning people's representative

1136

00:41:27,349 --> 00:41:24,319

court system

1137

00:41:29,589 --> 00:41:27,359

as a reality it does not exist for us

1138

00:41:31,270 --> 00:41:29,599

so as i read documents and information

1139

00:41:33,430 --> 00:41:31,280

greg and i read a lot

1140

00:41:35,349 --> 00:41:33,440

when i hear the solutions are to go to

1141

00:41:37,670 --> 00:41:35,359

your local city council meetings

1142

00:41:38,790 --> 00:41:37,680

your local county board of supervisors

1143

00:41:41,990 --> 00:41:38,800

go to your

1144

00:41:45,750 --> 00:41:42,000

school boards go to

1145

00:41:49,589 --> 00:41:45,760

fema all of these are corporate agencies

1146

00:41:52,150 --> 00:41:49,599

doing business for the global worldwide

1147

00:41:53,510 --> 00:41:52,160

controllers now does that mean that all

1148

00:41:56,630 --> 00:41:53,520

the employees

1149

00:41:57,589 --> 00:41:56,640

are involved no many of them don't even

1150

00:41:59,510 --> 00:41:57,599

know

1151  
00:42:01,190 --> 00:41:59,520  
because things are so compartmentalized

1152  
00:42:03,670 --> 00:42:01,200  
now that they're working to take down

1153  
00:42:06,309 --> 00:42:03,680  
mankind and to destroy us

1154  
00:42:07,829 --> 00:42:06,319  
but certainly those linemen that work

1155  
00:42:10,069 --> 00:42:07,839  
for the utilities that were

1156  
00:42:11,750 --> 00:42:10,079  
deploying the smart meters on us did

1157  
00:42:12,870 --> 00:42:11,760  
they know that those meters were going

1158  
00:42:15,589 --> 00:42:12,880  
to be used to

1159  
00:42:16,630 --> 00:42:15,599  
slowly cook and kill us in our homes no

1160  
00:42:18,390 --> 00:42:16,640  
not likely

1161  
00:42:19,990 --> 00:42:18,400  
were many of them told as they were

1162  
00:42:21,750 --> 00:42:20,000  
deploying these meters here

1163  
00:42:24,069 --> 00:42:21,760

in northern california during those

1164

00:42:26,230 --> 00:42:24,079

deployments absolutely

1165

00:42:28,630 --> 00:42:26,240

in fact many of them were afraid to

1166

00:42:30,630 --> 00:42:28,640

deploy because people were

1167

00:42:31,750 --> 00:42:30,640

concerned more than concerned about what

1168

00:42:33,910 --> 00:42:31,760

they were doing

1169

00:42:34,870 --> 00:42:33,920

so it's most important for everyone that

1170

00:42:37,190 --> 00:42:34,880

has a job

1171

00:42:39,190 --> 00:42:37,200

you really need to look at what is that

1172

00:42:40,870 --> 00:42:39,200

job doing to humanity

1173

00:42:42,390 --> 00:42:40,880

does that mean you have to quit your job

1174

00:42:45,589 --> 00:42:42,400

well that's up to you

1175

00:42:48,550 --> 00:42:45,599

but if you're a lineman rolling out 5g

1176

00:42:49,750 --> 00:42:48,560

and you need a paycheck well sadly many

1177

00:42:52,630 --> 00:42:49,760

people do

1178

00:42:54,710 --> 00:42:52,640

reduce their morality and their code of

1179

00:42:55,990 --> 00:42:54,720

ethics for a paycheck that's why we're

1180

00:42:59,030 --> 00:42:56,000

in the state we're in

1181

00:43:02,470 --> 00:42:59,040

greed and no moral values

1182

00:43:05,430 --> 00:43:02,480

none that's why we're being offed

1183

00:43:07,349 --> 00:43:05,440

we're considered useless feeders now by

1184

00:43:08,870 --> 00:43:07,359

those that are in control and have all

1185

00:43:11,109 --> 00:43:08,880

the money and wealth

1186

00:43:11,990 --> 00:43:11,119

and they look at us as stupid they've

1187

00:43:14,870 --> 00:43:12,000

educated us

1188

00:43:16,790 --> 00:43:14,880

into stupid that's what they've done and

1189

00:43:19,109 --> 00:43:16,800

now they look at us

1190

00:43:20,790 --> 00:43:19,119

as being useless feeders and when you

1191

00:43:23,910 --> 00:43:20,800

look at and read

1192

00:43:26,550 --> 00:43:23,920

that 43-page document or thereabouts

1193

00:43:27,910 --> 00:43:26,560

silent weapons for quiet wars i would

1194

00:43:30,870 --> 00:43:27,920

highly recommend

1195

00:43:32,069 --> 00:43:30,880

bare minimum reading 40 some odd pages

1196

00:43:36,230 --> 00:43:32,079

silent weapons

1197

00:43:38,950 --> 00:43:36,240

for quiet wars read that read it slowly

1198

00:43:40,230 --> 00:43:38,960

treat it as a textbook highlight it mark

1199

00:43:43,910 --> 00:43:40,240

it tag it

1200

00:43:46,150 --> 00:43:43,920

understand these are the plans

1201  
00:43:47,349 --> 00:43:46,160  
that are being implemented and have by

1202  
00:43:51,510 --> 00:43:47,359  
and large

1203  
00:43:55,190 --> 00:43:51,520  
already been implemented upon us

1204  
00:43:57,109 --> 00:43:55,200  
well said and we talked earlier about

1205  
00:43:59,589 --> 00:43:57,119  
the power outages and of course here in

1206  
00:44:01,990 --> 00:43:59,599  
california it's the fires that are being

1207  
00:44:03,510 --> 00:44:02,000  
the justification for these outages but

1208  
00:44:05,510 --> 00:44:03,520  
you said that

1209  
00:44:07,750 --> 00:44:05,520  
a lot of people need to be concerned

1210  
00:44:08,150 --> 00:44:07,760  
about power outages and the grid going

1211  
00:44:11,270 --> 00:44:08,160  
down

1212  
00:44:13,030 --> 00:44:11,280  
nationwide worldwide and i wanted to

1213  
00:44:15,030 --> 00:44:13,040

get into that a little bit more so

1214

00:44:17,349 --> 00:44:15,040

people outside of california realize

1215

00:44:18,950 --> 00:44:17,359

this is not just a california problem

1216

00:44:20,550 --> 00:44:18,960

and you also mentioned smart meters

1217

00:44:21,109 --> 00:44:20,560

which you've made a great point before

1218

00:44:26,150 --> 00:44:21,119

that

1219

00:44:27,829 --> 00:44:26,160

when the climate action plan comes in

1220

00:44:31,030 --> 00:44:27,839

they can throttle back

1221

00:44:34,390 --> 00:44:31,040

your usage uh based on your previous use

1222

00:44:37,190 --> 00:44:34,400

usage and make sure everyone has a 30 40

1223

00:44:37,589 --> 00:44:37,200

reduction and then they can just control

1224

00:44:41,510 --> 00:44:37,599

that

1225

00:44:43,510 --> 00:44:41,520

of control but

1226  
00:44:45,829 --> 00:44:43,520  
why do other people in the rest of the

1227  
00:44:49,430 --> 00:44:45,839  
country need to be worried about

1228  
00:44:51,910 --> 00:44:49,440  
grids going down power outages and this

1229  
00:44:53,990 --> 00:44:51,920  
this term you used micro grids that

1230  
00:44:57,109 --> 00:44:54,000  
we're going to be pushed towards

1231  
00:44:57,670 --> 00:44:57,119  
right okay well boy let me cover all of

1232  
00:45:00,950 --> 00:44:57,680  
that

1233  
00:45:02,710 --> 00:45:00,960  
deep conversations here okay so getting

1234  
00:45:04,790 --> 00:45:02,720  
into the smart meters

1235  
00:45:06,150 --> 00:45:04,800  
very important to understand these are a

1236  
00:45:08,230 --> 00:45:06,160  
weapon system

1237  
00:45:09,750 --> 00:45:08,240  
that has been attached to your home now

1238  
00:45:12,550 --> 00:45:09,760

here in california

1239

00:45:14,550 --> 00:45:12,560

we were able to get the opt out all of

1240

00:45:15,190 --> 00:45:14,560

you no matter what utility company you

1241

00:45:17,510 --> 00:45:15,200

have

1242

00:45:19,910 --> 00:45:17,520

can opt out of the smart meter if you

1243

00:45:22,550 --> 00:45:19,920

have it the sad reality though

1244

00:45:23,030 --> 00:45:22,560

is if you opt out you pay a monthly fee

1245

00:45:25,349 --> 00:45:23,040

and

1246

00:45:26,150 --> 00:45:25,359

a initial fee to have your smart meter

1247

00:45:28,309 --> 00:45:26,160

removed

1248

00:45:30,150 --> 00:45:28,319

but they no longer are replacing it with

1249

00:45:32,470 --> 00:45:30,160

the original analog meters

1250

00:45:34,390 --> 00:45:32,480

that were taken off your homes

1251  
00:45:35,030 --> 00:45:34,400  
fortunately many people were able to

1252  
00:45:37,589 --> 00:45:35,040  
keep

1253  
00:45:38,630 --> 00:45:37,599  
their original analog meters which means

1254  
00:45:41,270 --> 00:45:38,640  
they cannot

1255  
00:45:42,470 --> 00:45:41,280  
drive by your home with a wand and pick

1256  
00:45:45,670 --> 00:45:42,480  
up the frequencies

1257  
00:45:48,790 --> 00:45:45,680  
because it's got a component of wireless

1258  
00:45:50,950 --> 00:45:48,800  
that is what the new meters are when you

1259  
00:45:52,710 --> 00:45:50,960  
say you want to opt out of a smart meter

1260  
00:45:54,470 --> 00:45:52,720  
they can just drive up your street with

1261  
00:45:57,829 --> 00:45:54,480  
a wand and collect the data

1262  
00:45:58,950 --> 00:45:57,839  
that is not an original meter that we

1263  
00:46:02,150 --> 00:45:58,960

once had

1264

00:46:04,230 --> 00:46:02,160

it's still a smart meter so

1265

00:46:05,589 --> 00:46:04,240

why are smart meters dangerous well

1266

00:46:07,670 --> 00:46:05,599

first of all they have

1267

00:46:09,750 --> 00:46:07,680

small lithium-ion batteries the

1268

00:46:12,630 --> 00:46:09,760

lithium-ion batteries

1269

00:46:13,430 --> 00:46:12,640

degrade they're highly combustible there

1270

00:46:16,950 --> 00:46:13,440

should not

1271

00:46:20,309 --> 00:46:16,960

be an allowance in any state that has

1272

00:46:22,870 --> 00:46:20,319

any fires to allow lithium-ion batteries

1273

00:46:24,790 --> 00:46:22,880

period and what they're talking about

1274

00:46:28,069 --> 00:46:24,800

with the microgrids that you just

1275

00:46:30,550 --> 00:46:28,079

asked me about greg what is going to

1276

00:46:31,109 --> 00:46:30,560

happen and we're seeing it again as i

1277

00:46:32,470 --> 00:46:31,119

mentioned

1278

00:46:34,309 --> 00:46:32,480

a little bit ago here in northern

1279

00:46:36,470 --> 00:46:34,319

california we're being told

1280

00:46:38,470 --> 00:46:36,480

that over the next few days we're going

1281

00:46:42,309 --> 00:46:38,480

to have a psp

1282

00:46:45,109 --> 00:46:42,319

a planned safety power shutdown now

1283

00:46:46,630 --> 00:46:45,119

there's nothing about the reality of

1284

00:46:49,910 --> 00:46:46,640

this because the fires

1285

00:46:50,870 --> 00:46:49,920

are attacks so when they add another

1286

00:46:54,550 --> 00:46:50,880

attack

1287

00:46:57,510 --> 00:46:54,560

understand

1288

00:46:59,109 --> 00:46:57,520

there's something larger behind it while

1289

00:47:02,390 --> 00:46:59,119

the fires are horrific

1290

00:47:03,990 --> 00:47:02,400

deadly burning down homes we're in an

1291

00:47:07,670 --> 00:47:04,000

area here of such

1292

00:47:08,550 --> 00:47:07,680

mass despair and disruption and economic

1293

00:47:12,069 --> 00:47:08,560

decline

1294

00:47:15,190 --> 00:47:12,079

it's unimaginable before covid

1295

00:47:18,470 --> 00:47:15,200

northern california in the areas of the

1296

00:47:20,309 --> 00:47:18,480

high fire burned out zones

1297

00:47:21,589 --> 00:47:20,319

our local economies were already a

1298

00:47:26,470 --> 00:47:21,599

devastated

1299

00:47:30,150 --> 00:47:26,480

breathing the toxic deadly smoke

1300

00:47:34,069 --> 00:47:30,160

another attack on us with

1301

00:47:37,750 --> 00:47:34,079

nano fibers and particulates

1302

00:47:40,390 --> 00:47:37,760

that are going to cause brain reductions

1303

00:47:42,390 --> 00:47:40,400

just very much like the responders and

1304

00:47:45,270 --> 00:47:42,400

many people that lived in new york

1305

00:47:46,309 --> 00:47:45,280

after the inside job of the trade towers

1306

00:47:47,829 --> 00:47:46,319

within eight years

1307

00:47:50,630 --> 00:47:47,839

many of these people were dying of a

1308

00:47:53,030 --> 00:47:50,640

variety of illnesses cancers etc

1309

00:47:54,549 --> 00:47:53,040

that is what is going to happen with the

1310

00:47:57,349 --> 00:47:54,559

fire areas

1311

00:47:58,390 --> 00:47:57,359

now can you move out of these areas yes

1312

00:47:59,990 --> 00:47:58,400

temporarily

1313

00:48:03,270 --> 00:48:00,000

but when you look at the climate action

1314

00:48:06,349 --> 00:48:03,280

plans fires are the main component

1315

00:48:09,589 --> 00:48:06,359

of the weather attacks worldwide

1316

00:48:12,790 --> 00:48:09,599

everywhere why because they're

1317

00:48:15,829 --> 00:48:12,800

chemtrailing and heavily basting

1318

00:48:18,950 --> 00:48:15,839

all of us with heavy metals that combust

1319

00:48:21,190 --> 00:48:18,960

and ignite and burn so quickly that the

1320

00:48:24,470 --> 00:48:21,200

firefighters aren't even equipped to

1321

00:48:26,069 --> 00:48:24,480

manage these fires and the main aspect

1322

00:48:28,710 --> 00:48:26,079

of firefighting now

1323

00:48:30,150 --> 00:48:28,720

is first of all evacuations they've got

1324

00:48:33,190 --> 00:48:30,160

people here

1325

00:48:35,990 --> 00:48:33,200

now trained to have a backpack

1326  
00:48:36,630 --> 00:48:36,000  
your bug out bag so you can run to your

1327  
00:48:38,950 --> 00:48:36,640  
car

1328  
00:48:40,390 --> 00:48:38,960  
potentially if you're in the country get

1329  
00:48:42,230 --> 00:48:40,400  
stuck in traffic

1330  
00:48:43,750 --> 00:48:42,240  
and not be able to really outrun the

1331  
00:48:44,790 --> 00:48:43,760  
fire and get burned while you're waiting

1332  
00:48:46,630 --> 00:48:44,800  
in line

1333  
00:48:48,390 --> 00:48:46,640  
now many people are choosing to fight

1334  
00:48:51,109 --> 00:48:48,400  
the fires because we really

1335  
00:48:51,750 --> 00:48:51,119  
truly are on our own and if you do

1336  
00:48:54,309 --> 00:48:51,760  
decide

1337  
00:48:56,230 --> 00:48:54,319  
to do that you need training you need to

1338  
00:48:58,150 --> 00:48:56,240

look at videos on how you would do that

1339

00:48:59,990 --> 00:48:58,160

it's not for everyone

1340

00:49:01,190 --> 00:49:00,000

i can tell you that you are risking your

1341

00:49:05,109 --> 00:49:01,200

life

1342

00:49:06,870 --> 00:49:05,119

these days and many traps that you will

1343

00:49:09,270 --> 00:49:06,880

not survive as it is

1344

00:49:12,150 --> 00:49:09,280

in the first place but we do have a

1345

00:49:14,309 --> 00:49:12,160

video on stopthecrime.net

1346

00:49:16,549 --> 00:49:14,319

i did it about a year ago you'll find it

1347

00:49:17,910 --> 00:49:16,559

posted about a year ago i think i called

1348

00:49:20,069 --> 00:49:17,920

it

1349

00:49:21,030 --> 00:49:20,079

fire and power outage preparedness

1350

00:49:24,230 --> 00:49:21,040

meeting

1351  
00:49:25,270 --> 00:49:24,240  
and matt our retired fire captain of

1352  
00:49:28,390 --> 00:49:25,280  
over 30 years

1353  
00:49:29,349 --> 00:49:28,400  
was heading up that meeting giving some

1354  
00:49:32,710 --> 00:49:29,359  
very good points

1355  
00:49:34,710 --> 00:49:32,720  
on how to prepare your house

1356  
00:49:36,390 --> 00:49:34,720  
to prevent it from burning down and

1357  
00:49:37,910 --> 00:49:36,400  
there are many aspects of that where

1358  
00:49:39,990 --> 00:49:37,920  
you're located

1359  
00:49:41,109 --> 00:49:40,000  
the types of combustible plant material

1360  
00:49:42,150 --> 00:49:41,119  
around you because everything's

1361  
00:49:43,990 --> 00:49:42,160  
combustible

1362  
00:49:45,430 --> 00:49:44,000  
but more importantly the amount of water

1363  
00:49:48,950 --> 00:49:45,440

you have available

1364

00:49:50,950 --> 00:49:48,960

in the 2017 fires that we experienced

1365

00:49:53,750 --> 00:49:50,960

here in northern california

1366

00:49:54,710 --> 00:49:53,760

when in a period of a day we lost over 5

1367

00:49:57,990 --> 00:49:54,720

000 homes

1368

00:49:58,549 --> 00:49:58,000

the largest fire to that point and then

1369

00:50:00,790 --> 00:49:58,559

of course

1370

00:50:02,470 --> 00:50:00,800

the town of paradise burned almost

1371

00:50:03,349 --> 00:50:02,480

completely down to the ground a year

1372

00:50:06,790 --> 00:50:03,359

later

1373

00:50:08,790 --> 00:50:06,800

but conveniently the tanks that held the

1374

00:50:12,870 --> 00:50:08,800

water at the top of one of the hills

1375

00:50:14,549 --> 00:50:12,880

were very high valued homes were that

1376

00:50:16,630 --> 00:50:14,559

were destroyed

1377

00:50:18,549 --> 00:50:16,640

those tanks were presumably being

1378

00:50:19,910 --> 00:50:18,559

retrofitted for earthquakes and they

1379

00:50:21,510 --> 00:50:19,920

were empty

1380

00:50:24,309 --> 00:50:21,520

so the night of the fire there was no

1381

00:50:26,549 --> 00:50:24,319

water pressure up there on the hill

1382

00:50:28,069 --> 00:50:26,559

and then of course the water pipes burn

1383

00:50:29,270 --> 00:50:28,079

and they get benzene which is

1384

00:50:30,790 --> 00:50:29,280

cancer-causing

1385

00:50:32,870 --> 00:50:30,800

this has happened in the town of

1386

00:50:34,790 --> 00:50:32,880

paradise where people now that are

1387

00:50:36,549 --> 00:50:34,800

rebuilding can't even connect up to the

1388

00:50:38,630 --> 00:50:36,559

water supply any longer

1389

00:50:41,349 --> 00:50:38,640

it will take something of upwards 50

1390

00:50:44,230 --> 00:50:41,359

million dollars to re-establish

1391

00:50:47,349 --> 00:50:44,240

the water availability up in the town of

1392

00:50:49,510 --> 00:50:47,359

paradise california that burned in 2018

1393

00:50:51,510 --> 00:50:49,520

there isn't that money so people that

1394

00:50:54,230 --> 00:50:51,520

are rebuilding are putting

1395

00:50:54,870 --> 00:50:54,240

5000 gallon tanks out on their driveways

1396

00:50:56,870 --> 00:50:54,880

and having

1397

00:50:58,390 --> 00:50:56,880

water deliveries and that's the water

1398

00:50:59,990 --> 00:50:58,400

they're using in their homes

1399

00:51:02,150 --> 00:51:00,000

because they can't connect to the

1400

00:51:04,390 --> 00:51:02,160

plumbing so

1401  
00:51:06,549 --> 00:51:04,400  
as we work through these planned attacks

1402  
00:51:09,109 --> 00:51:06,559  
and they are understand you're the enemy

1403  
00:51:10,950 --> 00:51:09,119  
you're on a battlefield now would you go

1404  
00:51:12,790 --> 00:51:10,960  
out on a battlefield wearing your

1405  
00:51:15,109 --> 00:51:12,800  
swimsuit and songs

1406  
00:51:16,150 --> 00:51:15,119  
or would you wear the clothes that you

1407  
00:51:18,870 --> 00:51:16,160  
need to wear

1408  
00:51:19,990 --> 00:51:18,880  
when you're under attack so what am i

1409  
00:51:22,230 --> 00:51:20,000  
saying well

1410  
00:51:23,430 --> 00:51:22,240  
what i'm saying is that we're all going

1411  
00:51:25,190 --> 00:51:23,440  
to be in a fire area

1412  
00:51:27,270 --> 00:51:25,200  
whether you are right now or not it

1413  
00:51:30,150 --> 00:51:27,280

doesn't matter where you are

1414

00:51:31,349 --> 00:51:30,160

even the bogs in ireland that i visited

1415

00:51:34,390 --> 00:51:31,359

were on fire

1416

00:51:35,589 --> 00:51:34,400

a year or so ago very unusual this does

1417

00:51:37,750 --> 00:51:35,599

not happen

1418

00:51:38,710 --> 00:51:37,760

look at what they did to australia look

1419

00:51:41,510 --> 00:51:38,720

what they have done

1420

00:51:42,390 --> 00:51:41,520

in the amazon they've been burning up

1421

00:51:45,030 --> 00:51:42,400

italy

1422

00:51:46,309 --> 00:51:45,040

there are fires in russia everywhere a

1423

00:51:49,109 --> 00:51:46,319

couple of years ago

1424

00:51:49,589 --> 00:51:49,119

in italy people were having to vacate

1425

00:51:57,270 --> 00:51:49,599

the

1426

00:52:00,470 --> 00:51:57,280

alive

1427

00:52:02,549 --> 00:52:00,480

this is all what is being done to us

1428

00:52:03,589 --> 00:52:02,559

and this is going to happen more often

1429

00:52:06,230 --> 00:52:03,599

for people in

1430

00:52:06,950 --> 00:52:06,240

areas that are not used to fires and

1431

00:52:10,069 --> 00:52:06,960

that's going to

1432

00:52:11,829 --> 00:52:10,079

affect the grids going down in their

1433

00:52:14,069 --> 00:52:11,839

area because the fire makes the grid

1434

00:52:17,030 --> 00:52:14,079

vulnerable so they have to shut it down

1435

00:52:18,470 --> 00:52:17,040

and people are going to have to find i

1436

00:52:21,030 --> 00:52:18,480

guess some way

1437

00:52:23,190 --> 00:52:21,040

to to get power that doesn't come from

1438

00:52:26,150 --> 00:52:23,200

the traditional grid

1439

00:52:27,910 --> 00:52:26,160

well that's absolutely the fact in fact

1440

00:52:29,750 --> 00:52:27,920

again the video that i recently did

1441

00:52:30,630 --> 00:52:29,760

about the power grid and the failure of

1442

00:52:33,510 --> 00:52:30,640

the grid

1443

00:52:35,030 --> 00:52:33,520

it's most important to understand that

1444

00:52:37,430 --> 00:52:35,040

most americans and people

1445

00:52:39,430 --> 00:52:37,440

all over the world are unaware of the

1446

00:52:42,069 --> 00:52:39,440

vulnerability of the power grid and that

1447

00:52:44,710 --> 00:52:42,079

it's aging and it's been asset stripped

1448

00:52:45,349 --> 00:52:44,720

they have not been repairing the grid

1449

00:52:47,670 --> 00:52:45,359

and it's

1450

00:52:49,430 --> 00:52:47,680

now more vulnerable than ever because

1451  
00:52:50,470 --> 00:52:49,440  
they've amped up the weather attacks on

1452  
00:52:52,790 --> 00:52:50,480  
the grid

1453  
00:52:54,150 --> 00:52:52,800  
before when that was installed we didn't

1454  
00:52:56,309 --> 00:52:54,160  
have the type of

1455  
00:52:58,069 --> 00:52:56,319  
monstrous attacks we were getting

1456  
00:53:00,309 --> 00:52:58,079  
attacks on the grid

1457  
00:53:03,030 --> 00:53:00,319  
because weather control has been in

1458  
00:53:05,190 --> 00:53:03,040  
place since the 1940s

1459  
00:53:06,069 --> 00:53:05,200  
certainly during operation popeye in

1460  
00:53:07,750 --> 00:53:06,079  
vietnam and

1461  
00:53:09,270 --> 00:53:07,760  
operation i think it was either nile

1462  
00:53:11,589 --> 00:53:09,280  
blue or blue nile

1463  
00:53:13,109 --> 00:53:11,599

in cuba which i found out was happening

1464

00:53:15,510 --> 00:53:13,119

in the mid 70s

1465

00:53:16,950 --> 00:53:15,520

raining out the ho chi minh supply line

1466

00:53:20,309 --> 00:53:16,960

for operation popeye

1467

00:53:22,390 --> 00:53:20,319

in vietnam and operation Nile Blue or

1468

00:53:24,630 --> 00:53:22,400

new Nile Blue i can't remember

1469

00:53:25,510 --> 00:53:24,640

but you can look it up they were

1470

00:53:29,109 --> 00:53:25,520

preventing

1471

00:53:32,309 --> 00:53:29,119

rain in cuba to reduce the tobacco

1472

00:53:33,510 --> 00:53:32,319

yields in cuba to hopefully continue to

1473

00:53:35,670 --> 00:53:33,520

take over cuba

1474

00:53:38,390 --> 00:53:35,680

which by the way the United States has

1475

00:53:40,790 --> 00:53:38,400

been in control of cuba all along

1476  
00:53:41,990 --> 00:53:40,800  
the vatican and the imf cuba has been

1477  
00:53:45,589 --> 00:53:42,000  
used as an off

1478  
00:53:48,069 --> 00:53:45,599  
island child sex ring drug trafficking

1479  
00:53:51,270 --> 00:53:48,079  
make no mistake it wasn't sitting idly

1480  
00:53:53,510 --> 00:53:51,280  
90 miles off florida being completely

1481  
00:53:56,790 --> 00:53:53,520  
severed from the united states not at

1482  
00:53:59,109 --> 00:53:56,800  
all castro was put in place by the cia

1483  
00:54:00,309 --> 00:53:59,119  
all of this has been planned when i

1484  
00:54:03,430 --> 00:54:00,319  
visited cuba

1485  
00:54:04,790 --> 00:54:03,440  
i see what's going to happen here and

1486  
00:54:07,349 --> 00:54:04,800  
what is happening here

1487  
00:54:08,870 --> 00:54:07,359  
has already been implemented in cuba

1488  
00:54:10,790 --> 00:54:08,880

food rationing

1489

00:54:12,069 --> 00:54:10,800

minimal amounts of calories that people

1490

00:54:14,549 --> 00:54:12,079

can buy they make

1491

00:54:16,069 --> 00:54:14,559

25 dollars a month they have to live in

1492

00:54:17,270 --> 00:54:16,079

multiple families in these little

1493

00:54:18,630 --> 00:54:17,280

shanties

1494

00:54:20,870 --> 00:54:18,640

this is what it's going to be like here

1495

00:54:22,390 --> 00:54:20,880

but now with kovid you can't live

1496

00:54:24,630 --> 00:54:22,400

like that with multiple people in

1497

00:54:25,270 --> 00:54:24,640

shanties they have cisterns on their

1498

00:54:28,390 --> 00:54:25,280

roofs

1499

00:54:30,230 --> 00:54:28,400

to collect the wastewater treatment

1500

00:54:31,589 --> 00:54:30,240

in other words the treating of their

1501  
00:54:34,230 --> 00:54:31,599  
human waste

1502  
00:54:35,190 --> 00:54:34,240  
is collected as drinking water that's

1503  
00:54:37,270 --> 00:54:35,200  
what's been

1504  
00:54:39,030 --> 00:54:37,280  
forecast here in the united states by

1505  
00:54:43,109 --> 00:54:39,040  
executive order

1506  
00:54:44,789 --> 00:54:43,119  
because to presumably allow access to

1507  
00:54:45,670 --> 00:54:44,799  
water we're going to have to drink our

1508  
00:54:48,390 --> 00:54:45,680  
fecal

1509  
00:54:49,349 --> 00:54:48,400  
our urine and our pharmaceuticals that

1510  
00:54:51,589 --> 00:54:49,359  
we

1511  
00:54:53,430 --> 00:54:51,599  
literally create they say that way a

1512  
00:54:55,430 --> 00:54:53,440  
drought won't matter

1513  
00:54:56,950 --> 00:54:55,440

yes yeah that's a great point and i just

1514

00:54:57,829 --> 00:54:56,960

wanted to point out that i had that in

1515

00:55:02,789 --> 00:54:57,839

my notes

1516

00:55:05,270 --> 00:55:02,799

it is presidential executive order 13834

1517

00:55:05,990 --> 00:55:05,280

toilet to tap required treatment of

1518

00:55:09,109 --> 00:55:06,000

municipal

1519

00:55:10,230 --> 00:55:09,119

sewer water for drinking so that is a

1520

00:55:12,230 --> 00:55:10,240

real thing you know

1521

00:55:13,349 --> 00:55:12,240

i i got the the note right there if

1522

00:55:16,470 --> 00:55:13,359

anyone wants to look that

1523

00:55:17,430 --> 00:55:16,480

up well it's called pure water they're

1524

00:55:21,190 --> 00:55:17,440

making it sound

1525

00:55:22,470 --> 00:55:21,200

delicious and it's deadly it is intended

1526

00:55:25,109 --> 00:55:22,480

to kill us

1527

00:55:26,549 --> 00:55:25,119

just as everything else is so getting

1528

00:55:29,510 --> 00:55:26,559

back to the grid

1529

00:55:30,549 --> 00:55:29,520

okay so again most people are completely

1530

00:55:32,630 --> 00:55:30,559

unaware

1531

00:55:35,270 --> 00:55:32,640

of how vulnerable the grid now is and

1532

00:55:37,750 --> 00:55:35,280

how it is being set up as a weapon

1533

00:55:39,349 --> 00:55:37,760

and the real story of course is how the

1534

00:55:42,230 --> 00:55:39,359

grid is going to be used

1535

00:55:44,630 --> 00:55:42,240

to hold countries hostage and that's

1536

00:55:46,230 --> 00:55:44,640

going to be happening very very soon

1537

00:55:48,309 --> 00:55:46,240

and we're literally all of us going to

1538

00:55:50,390 --> 00:55:48,319

be plunged into long-term darkness i'm

1539

00:55:51,910 --> 00:55:50,400

not talking about a couple of days

1540

00:55:53,510 --> 00:55:51,920

not a couple of days like we've been

1541

00:55:55,510 --> 00:55:53,520

plunged into darkness here due to the

1542

00:55:57,510 --> 00:55:55,520

fires i don't know if you've lost

1543

00:55:58,870 --> 00:55:57,520

electricity down where you are greg have

1544

00:56:00,870 --> 00:55:58,880

you yet

1545

00:56:02,309 --> 00:56:00,880

not yet not yet i know people who have

1546

00:56:04,549 --> 00:56:02,319

but not me personally

1547

00:56:05,910 --> 00:56:04,559

well that will be happening it's going

1548

00:56:08,390 --> 00:56:05,920

to become more of

1549

00:56:09,510 --> 00:56:08,400

a printed occurrence you're going to

1550

00:56:11,829 --> 00:56:09,520

know about it you're

1551  
00:56:14,230 --> 00:56:11,839  
expecting it and they're prepping you to

1552  
00:56:16,630 --> 00:56:14,240  
certainly end up in that situation

1553  
00:56:18,789 --> 00:56:16,640  
but what we have to understand is the

1554  
00:56:19,670 --> 00:56:18,799  
vulnerability of the grid again i did a

1555  
00:56:23,109 --> 00:56:19,680  
very in-depth

1556  
00:56:24,710 --> 00:56:23,119  
video coverage of that because everybody

1557  
00:56:27,190 --> 00:56:24,720  
needs to imagine what it's going to be

1558  
00:56:28,710 --> 00:56:27,200  
like without electricity for an extended

1559  
00:56:31,270 --> 00:56:28,720  
period of time

1560  
00:56:33,270 --> 00:56:31,280  
or being without electricity because

1561  
00:56:35,349 --> 00:56:33,280  
you've used up your quota as you were

1562  
00:56:37,510 --> 00:56:35,359  
saying with the smart meter grid

1563  
00:56:38,789 --> 00:56:37,520

and the smart meters and the allotments

1564

00:56:40,630 --> 00:56:38,799

that we're going to be getting

1565

00:56:42,230 --> 00:56:40,640

in fact not only are there smart

1566

00:56:44,470 --> 00:56:42,240

electric meters that have already

1567

00:56:45,750 --> 00:56:44,480

by and large been deployed deployed a

1568

00:56:49,589 --> 00:56:45,760

military term

1569

00:56:51,270 --> 00:56:49,599

but also smart wireless water meters

1570

00:56:53,589 --> 00:56:51,280

now here in california the bulk of the

1571

00:56:55,750 --> 00:56:53,599

water meters are in our sidewalks

1572

00:56:57,190 --> 00:56:55,760

so many people would not be noticing

1573

00:56:59,430 --> 00:56:57,200

those change outs

1574

00:57:01,270 --> 00:56:59,440

but you can pop open the lid in your

1575

00:57:02,390 --> 00:57:01,280

sidewalk just make sure you put it back

1576  
00:57:04,309 --> 00:57:02,400  
correctly

1577  
00:57:06,789 --> 00:57:04,319  
and take a look and find out if it's now

1578  
00:57:08,230 --> 00:57:06,799  
digital most likely it is

1579  
00:57:10,630 --> 00:57:08,240  
i can tell you here in northern

1580  
00:57:12,230 --> 00:57:10,640  
california they plan to have all the

1581  
00:57:14,630 --> 00:57:12,240  
water meters changed out

1582  
00:57:16,630 --> 00:57:14,640  
well already here in the santa rosa

1583  
00:57:18,309 --> 00:57:16,640  
sonoma county area

1584  
00:57:20,230 --> 00:57:18,319  
at the time that i was looking this up

1585  
00:57:22,230 --> 00:57:20,240  
greg there were four collection

1586  
00:57:23,589 --> 00:57:22,240  
sites of where the frequencies of these

1587  
00:57:26,710 --> 00:57:23,599  
water meter reads

1588  
00:57:28,630 --> 00:57:26,720

were being sent so imagine four

1589

00:57:32,230 --> 00:57:28,640

collection sites in an area

1590

00:57:34,309 --> 00:57:32,240

where there are 350 000 people and these

1591

00:57:36,069 --> 00:57:34,319

wireless meter reads frequencies are

1592

00:57:38,549 --> 00:57:36,079

pell mailing through the town

1593

00:57:40,230 --> 00:57:38,559

to go to those locations for the meter

1594

00:57:42,150 --> 00:57:40,240

reads so they can bill you

1595

00:57:44,309 --> 00:57:42,160

so imagine the increased frequencies of

1596

00:57:49,510 --> 00:57:44,319

that on our brains

1597

00:57:52,870 --> 00:57:49,520

okay imagine all of the wi-fi hotspots

1598

00:57:55,150 --> 00:57:52,880

imagine all of the cell towers

1599

00:57:56,789 --> 00:57:55,160

in fact years back we did an

1600

00:57:58,870 --> 00:57:56,799

antennasearch.com

1601  
00:58:00,230 --> 00:57:58,880  
and we were able to see the amount of

1602  
00:58:02,549 --> 00:58:00,240  
antennas

1603  
00:58:03,829 --> 00:58:02,559  
that were deployed in certain areas and

1604  
00:58:05,670 --> 00:58:03,839  
then you could type and it would give

1605  
00:58:07,349 --> 00:58:05,680  
you a four mile radius of where those

1606  
00:58:09,270 --> 00:58:07,359  
antennas were deployed

1607  
00:58:11,430 --> 00:58:09,280  
now that's pretty well outdated because

1608  
00:58:12,390 --> 00:58:11,440  
they use satellites now for frequency

1609  
00:58:15,589 --> 00:58:12,400  
emitters

1610  
00:58:16,549 --> 00:58:15,599  
5g is now satellite based in fact there

1611  
00:58:20,150 --> 00:58:16,559  
is a 5g

1612  
00:58:22,870 --> 00:58:20,160  
map i have that in my last video

1613  
00:58:24,549 --> 00:58:22,880

how you can get to that 5g map a

1614

00:58:27,670 --> 00:58:24,559

worldwide 5g

1615

00:58:31,109 --> 00:58:27,680

deployment map and they're deploying

1616

00:58:34,230 --> 00:58:31,119

5g in land air and sea

1617

00:58:36,470 --> 00:58:34,240

land air and sea

1618

00:58:38,950 --> 00:58:36,480

so there is not going to be mitigating

1619

00:58:41,349 --> 00:58:38,960

the frequencies

1620

00:58:42,549 --> 00:58:41,359

what is being said to us in the climate

1621

00:58:45,589 --> 00:58:42,559

action plans

1622

00:58:46,710 --> 00:58:45,599

and the international paris climate

1623

00:58:49,109 --> 00:58:46,720

accords

1624

00:58:50,630 --> 00:58:49,119

is that we must get back to

1625

00:58:54,230 --> 00:58:50,640

pre-industrial

1626

00:58:57,990 --> 00:58:54,240

usage of modern conveniences

1627

00:59:01,990 --> 00:58:58,000

such as electricity water food

1628

00:59:07,030 --> 00:59:02,000

etc now pre-industrial usage is back

1629

00:59:09,109 --> 00:59:07,040

in 1750 the year 1750

1630

00:59:11,349 --> 00:59:09,119

but imagine living like that now we're

1631

00:59:14,069 --> 00:59:11,359

not talking little house on the prairie

1632

00:59:15,430 --> 00:59:14,079

or bonanza here we're talking about

1633

00:59:18,309 --> 00:59:15,440

being pummeled

1634

00:59:19,030 --> 00:59:18,319

into a lifestyle that millions of people

1635

00:59:21,510 --> 00:59:19,040

will die

1636

00:59:22,470 --> 00:59:21,520

they will not be able to survive in that

1637

00:59:25,270 --> 00:59:22,480

lifestyle

1638

00:59:27,190 --> 00:59:25,280

but more importantly back then they

1639

00:59:27,910 --> 00:59:27,200

didn't have frequencies being used on

1640

00:59:30,789 --> 00:59:27,920

them

1641

00:59:32,710 --> 00:59:30,799

do you know that they have methodologies

1642

00:59:36,069 --> 00:59:32,720

now with this technology

1643

00:59:38,950 --> 00:59:36,079

where they don't need to plug in these

1644

00:59:40,230 --> 00:59:38,960

killing technologies they can literally

1645

00:59:42,150 --> 00:59:40,240

be fed from solar

1646

00:59:43,910 --> 00:59:42,160

and they can be moved around that's

1647

00:59:46,630 --> 00:59:43,920

what's being done on the u.s

1648

00:59:48,230 --> 00:59:46,640

mexican border right now they're talking

1649

00:59:50,150 --> 00:59:48,240

about that border wall

1650

00:59:53,510 --> 00:59:50,160

do you know that that system is coming

1651  
00:59:56,950 --> 00:59:53,520  
out of israel the technology

1652  
00:59:59,990 --> 00:59:56,960  
we're paying israel billions of dollars

1653  
01:00:02,470 --> 01:00:00,000  
for technology to kill us right

1654  
01:00:03,750 --> 01:00:02,480  
and apparently israel is also behind a

1655  
01:00:05,990 --> 01:00:03,760  
lot of the

1656  
01:00:07,349 --> 01:00:06,000  
software that runs the grid too like

1657  
01:00:10,549 --> 01:00:07,359  
we've outsourced that to

1658  
01:00:11,829 --> 01:00:10,559  
foreign nations as well well absolutely

1659  
01:00:14,150 --> 01:00:11,839  
and here in california

1660  
01:00:15,670 --> 01:00:14,160  
caltrans who operates our road system

1661  
01:00:16,549 --> 01:00:15,680  
and now they have sensors in all the

1662  
01:00:20,470 --> 01:00:16,559  
roads

1663  
01:00:23,270 --> 01:00:20,480

those are all operated through china so

1664

01:00:24,069 --> 01:00:23,280

you know we need to understand i'm not

1665

01:00:27,349 --> 01:00:24,079

trying to

1666

01:00:29,990 --> 01:00:27,359

is

1667

01:00:30,549 --> 01:00:30,000

appeal to your higher intellect if

1668

01:00:33,190 --> 01:00:30,559

you're not

1669

01:00:34,150 --> 01:00:33,200

too badly mind controlled and think out

1670

01:00:36,069 --> 01:00:34,160

of the box

1671

01:00:38,230 --> 01:00:36,079

because we can be very smart

1672

01:00:39,349 --> 01:00:38,240

collectively or individually if we know

1673

01:00:41,910 --> 01:00:39,359

what we face

1674

01:00:43,510 --> 01:00:41,920

we can create workarounds many people

1675

01:00:45,750 --> 01:00:43,520

have been doing that

1676

01:00:46,549 --> 01:00:45,760

many people will survive longer than

1677

01:00:48,150 --> 01:00:46,559

others

1678

01:00:51,270 --> 01:00:48,160

because they are aware of what is

1679

01:00:52,630 --> 01:00:51,280

happening so in order to survive as long

1680

01:00:55,109 --> 01:00:52,640

as you can

1681

01:00:56,150 --> 01:00:55,119

there are things you can take i would

1682

01:00:58,549 --> 01:00:56,160

certainly recommend

1683

01:01:00,150 --> 01:00:58,559

and i've done this throughout many of

1684

01:01:02,789 --> 01:01:00,160

the shows i've done greg

1685

01:01:04,630 --> 01:01:02,799

is people have a power outage party but

1686

01:01:06,470 --> 01:01:04,640

turn your water off too

1687

01:01:07,910 --> 01:01:06,480

because when the power goes out you're

1688

01:01:11,750 --> 01:01:07,920

not going to have water

1689

01:01:14,069 --> 01:01:11,760

gas or electricity and in many instances

1690

01:01:16,230 --> 01:01:14,079

your sewers if you're in a city are

1691

01:01:18,789 --> 01:01:16,240

going to be backed up into your house

1692

01:01:21,430 --> 01:01:18,799

so you're going to need to know where to

1693

01:01:23,349 --> 01:01:21,440

disconnect your sewer from your house

1694

01:01:25,270 --> 01:01:23,359

you're going to have to know that get a

1695

01:01:26,230 --> 01:01:25,280

plumber out to your property so that you

1696

01:01:29,109 --> 01:01:26,240

can put

1697

01:01:30,069 --> 01:01:29,119

that plug in there so the sewer won't

1698

01:01:33,270 --> 01:01:30,079

back up

1699

01:01:36,309 --> 01:01:33,280

we found out that there was a town in

1700

01:01:37,510 --> 01:01:36,319

central california where the wastewater

1701  
01:01:40,710 --> 01:01:37,520  
treatment plant

1702  
01:01:43,750 --> 01:01:40,720  
had been disintegrated by an acid

1703  
01:01:46,470 --> 01:01:43,760  
that is as a result of the geothermal

1704  
01:01:49,510 --> 01:01:46,480  
operations there's a toxic acid

1705  
01:01:52,069 --> 01:01:49,520  
and they call it acid rain and when we

1706  
01:01:55,589 --> 01:01:52,079  
absorb it as people we urinate that out

1707  
01:01:57,589 --> 01:01:55,599  
and this town was discovering

1708  
01:01:59,990 --> 01:01:57,599  
that their wastewater treatment plant

1709  
01:02:02,870 --> 01:02:00,000  
the concrete was being eroded away

1710  
01:02:03,910 --> 01:02:02,880  
and the rebar and the mayor was in the

1711  
01:02:05,750 --> 01:02:03,920  
city officials

1712  
01:02:08,230 --> 01:02:05,760  
that are all behind all of this by the

1713  
01:02:08,870 --> 01:02:08,240

way all your city officials are behind

1714

01:02:12,309 --> 01:02:08,880

this

1715

01:02:14,470 --> 01:02:12,319

if you want to know who to talk to

1716

01:02:15,750 --> 01:02:14,480

now that you can no longer talk to

1717

01:02:18,710 --> 01:02:15,760

anybody because it's all

1718

01:02:20,309 --> 01:02:18,720

zoom this is all intentional also to not

1719

01:02:22,069 --> 01:02:20,319

be able to have meetings

1720

01:02:23,910 --> 01:02:22,079

because they knew the public at some

1721

01:02:25,589 --> 01:02:23,920

point would become wise

1722

01:02:27,029 --> 01:02:25,599

to the fact that your illusion of

1723

01:02:29,589 --> 01:02:27,039

elected officials

1724

01:02:30,390 --> 01:02:29,599

they approved all these plans you can

1725

01:02:32,870 --> 01:02:30,400

type in

1726

01:02:34,630 --> 01:02:32,880

the name of your plan greg again you

1727

01:02:35,430 --> 01:02:34,640

know in san diego california climate

1728

01:02:37,990 --> 01:02:35,440

action plan

1729

01:02:39,589 --> 01:02:38,000

within the first couple of pages you're

1730

01:02:41,589 --> 01:02:39,599

going to see the names

1731

01:02:43,670 --> 01:02:41,599

of your city council members your

1732

01:02:44,710 --> 01:02:43,680

planning departments and other staff and

1733

01:02:48,069 --> 01:02:44,720

city manager

1734

01:02:51,910 --> 01:02:48,079

who signed these plans and you're also

1735

01:02:53,990 --> 01:02:51,920

going to see a liability disclaimer by

1736

01:02:57,190 --> 01:02:54,000

the department of energy

1737

01:02:59,430 --> 01:02:57,200

the u.s government a disclaimer now greg

1738

01:03:02,710 --> 01:02:59,440

i've got to get this in right now

1739

01:03:03,750 --> 01:03:02,720

this is absolutely vital so for everyone

1740

01:03:05,109 --> 01:03:03,760

that's listening

1741

01:03:07,270 --> 01:03:05,119

i'm going to read you something right

1742

01:03:09,349 --> 01:03:07,280

now and we are going down

1743

01:03:10,870 --> 01:03:09,359

we are really going down the banking

1744

01:03:13,510 --> 01:03:10,880

system as we have heard

1745

01:03:15,589 --> 01:03:13,520

now i just found this just because i

1746

01:03:18,069 --> 01:03:15,599

read the inserts of all the bills

1747

01:03:19,510 --> 01:03:18,079

i receive i recommend that you all do

1748

01:03:22,630 --> 01:03:19,520

that it's very boring

1749

01:03:24,549 --> 01:03:22,640

very fine print and pages but here's

1750

01:03:28,230 --> 01:03:24,559

what i found in a recent bank

1751

01:03:30,390 --> 01:03:28,240

statement it says force measure

1752

01:03:31,670 --> 01:03:30,400

now i had to look up what major meant i

1753

01:03:36,390 --> 01:03:31,680

thought why are they using

1754

01:03:38,390 --> 01:03:36,400

this word m-a-j-e-u-r-e

1755

01:03:39,750 --> 01:03:38,400

and i looked it up and it says

1756

01:03:42,390 --> 01:03:39,760

circumstances

1757

01:03:43,190 --> 01:03:42,400

beyond somebody's ability to prevent

1758

01:03:45,510 --> 01:03:43,200

something

1759

01:03:46,710 --> 01:03:45,520

to follow through on a contractual

1760

01:03:49,430 --> 01:03:46,720

agreement

1761

01:03:50,309 --> 01:03:49,440

circumstances preventing somebody from

1762

01:03:52,230 --> 01:03:50,319

following through

1763

01:03:53,750 --> 01:03:52,240

on a contractual agreement now we're

1764

01:03:55,430 --> 01:03:53,760

talking about the bank

1765

01:03:57,109 --> 01:03:55,440

so let's talk about what the banks are

1766

01:03:59,670 --> 01:03:57,119

telling us now this is

1767

01:04:01,910 --> 01:03:59,680

absolutely critical because this not

1768

01:04:04,470 --> 01:04:01,920

only involves commercial accounts

1769

01:04:05,349 --> 01:04:04,480

and savings and deposit accounts but

1770

01:04:08,069 --> 01:04:05,359

this also

1771

01:04:08,870 --> 01:04:08,079

concerns safety deposit and rental box

1772

01:04:10,829 --> 01:04:08,880

agreements

1773

01:04:13,750 --> 01:04:10,839

terms and conditions and these are

1774

01:04:14,950 --> 01:04:13,760

changes that are effective december 1st

1775

01:04:17,270 --> 01:04:14,960

of 2020.

1776

01:04:18,630 --> 01:04:17,280

although as i read into this the very

1777

01:04:20,950 --> 01:04:18,640

second line of this

1778

01:04:22,150 --> 01:04:20,960

is that it's effective december 1st of

1779

01:04:24,789 --> 01:04:22,160

2019

1780

01:04:25,430 --> 01:04:24,799

so it's obviously retroactive and

1781

01:04:28,309 --> 01:04:25,440

they're not

1782

01:04:30,950 --> 01:04:28,319

explaining that to you but i just did so

1783

01:04:32,789 --> 01:04:30,960

here's what the banks are doing now

1784

01:04:34,150 --> 01:04:32,799

force major in other words anything

1785

01:04:35,589 --> 01:04:34,160

beyond their control they're not

1786

01:04:38,549 --> 01:04:35,599

responsible for

1787

01:04:40,549 --> 01:04:38,559

and they're saying now the new terms are

1788

01:04:42,549 --> 01:04:40,559

in their contractual agreements with you

1789

01:04:44,870 --> 01:04:42,559

whether you've signed a contract or not

1790

01:04:45,750 --> 01:04:44,880

these are now all the new terms so

1791

01:04:47,829 --> 01:04:45,760

anyone

1792

01:04:49,910 --> 01:04:47,839

that has accounts this is what you are

1793

01:04:51,510 --> 01:04:49,920

agreeing to and this is quote and i'm

1794

01:04:54,549 --> 01:04:51,520

going to read it verbatim

1795

01:04:58,230 --> 01:04:54,559

quote you agree that we the bank

1796

01:05:01,510 --> 01:04:58,240

will not be liable for any loss expense

1797

01:05:04,069 --> 01:05:01,520

failure to perform or any delays

1798

01:05:04,789 --> 01:05:04,079

resulting from an act or event beyond

1799

01:05:07,190 --> 01:05:04,799

the bank's

1800

01:05:08,069 --> 01:05:07,200

reasonable control that prevents the

1801  
01:05:11,510 --> 01:05:08,079  
banks

1802  
01:05:14,309 --> 01:05:11,520  
from performing their obligations under

1803  
01:05:15,589 --> 01:05:14,319  
the bank customers agreement such as

1804  
01:05:21,430 --> 01:05:15,599  
acts of nature

1805  
01:05:22,870 --> 01:05:21,440  
it's all controlled they're calling it

1806  
01:05:24,630 --> 01:05:22,880  
acts of nature

1807  
01:05:26,069 --> 01:05:24,640  
this is how they're going to not give

1808  
01:05:27,750 --> 01:05:26,079  
you your money back

1809  
01:05:29,349 --> 01:05:27,760  
or allow you to take money out of your

1810  
01:05:32,789 --> 01:05:29,359  
safety deposit boxes

1811  
01:05:36,069 --> 01:05:32,799  
let me continue so you're agreeing

1812  
01:05:38,549 --> 01:05:36,079  
that anything as follows is out of their

1813  
01:05:39,670 --> 01:05:38,559

control the bank's control such as acts

1814

01:05:42,710 --> 01:05:39,680

of nature

1815

01:05:43,589 --> 01:05:42,720

military actions strikes or labor

1816

01:05:46,630 --> 01:05:43,599

disputes

1817

01:05:50,150 --> 01:05:46,640

embargoes government orders

1818

01:05:52,230 --> 01:05:50,160

civil unrest terrorist attacks well the

1819

01:05:55,510 --> 01:05:52,240

banks are the terrorists everybody

1820

01:05:59,430 --> 01:05:55,520

but they cite terrorist attacks failure

1821

01:06:02,470 --> 01:05:59,440

of communication or electrical systems

1822

01:06:07,109 --> 01:06:02,480

power outages outbreaks

1823

01:06:10,870 --> 01:06:07,119

epidemics pandemics and any other cause

1824

01:06:13,510 --> 01:06:10,880

not within the bank's reasonable control

1825

01:06:14,630 --> 01:06:13,520

the banks the global banksters are

1826

01:06:17,670 --> 01:06:14,640

controlling

1827

01:06:20,950 --> 01:06:17,680

all these causes to create

1828

01:06:24,230 --> 01:06:20,960

the theft of all

1829

01:06:27,510 --> 01:06:24,240

of us that are using their system

1830

01:06:29,270 --> 01:06:27,520

greg i just discovered this in my bank

1831

01:06:32,630 --> 01:06:29,280

statement yesterday

1832

01:06:35,190 --> 01:06:32,640

wow yeah wow

1833

01:06:37,589 --> 01:06:35,200

so again how do you prepare well you

1834

01:06:39,430 --> 01:06:37,599

create a network as best you can

1835

01:06:41,109 --> 01:06:39,440

you don't live in those areas that i

1836

01:06:42,789 --> 01:06:41,119

described

1837

01:06:45,270 --> 01:06:42,799

i would not recommend you move out of

1838

01:06:47,829 --> 01:06:45,280

the country there are many people that

1839

01:06:50,150 --> 01:06:47,839

have expats have been moving to

1840

01:06:51,829 --> 01:06:50,160

central and south america i've talked to

1841

01:06:53,190 --> 01:06:51,839

a lot of these expats

1842

01:06:54,950 --> 01:06:53,200

they're moving into third world

1843

01:06:57,109 --> 01:06:54,960

countries they're

1844

01:06:58,150 --> 01:06:57,119

happy because their cost of living is

1845

01:07:00,870 --> 01:06:58,160

less

1846

01:07:02,390 --> 01:07:00,880

they can have servants in their homes

1847

01:07:06,470 --> 01:07:02,400

you're turning those countries

1848

01:07:08,390 --> 01:07:06,480

into slaves for you when you relocate

1849

01:07:09,829 --> 01:07:08,400

because you can have people work your

1850

01:07:12,829 --> 01:07:09,839

new homes that are

1851

01:07:14,150 --> 01:07:12,839

not reinforced and they don't have

1852

01:07:16,470 --> 01:07:14,160

firefighting

1853

01:07:18,309 --> 01:07:16,480

departments like we do here we were in

1854

01:07:20,150 --> 01:07:18,319

ecuador and there were some fires

1855

01:07:21,910 --> 01:07:20,160

and literally the villages in those

1856

01:07:22,950 --> 01:07:21,920

areas have to put those fires out there

1857

01:07:25,190 --> 01:07:22,960

is no

1858

01:07:26,710 --> 01:07:25,200

firefighting companies where we were in

1859

01:07:28,789 --> 01:07:26,720

this village

1860

01:07:30,789 --> 01:07:28,799

but they already all have the cell

1861

01:07:33,750 --> 01:07:30,799

towers around the ridges of all

1862

01:07:35,589 --> 01:07:33,760

of the areas they have smart meters many

1863

01:07:37,430 --> 01:07:35,599

of those areas are fluoridated

1864

01:07:39,670 --> 01:07:37,440

they're third world countries run by the

1865

01:07:42,870 --> 01:07:39,680

imf

1866

01:07:46,710 --> 01:07:42,880

and in many areas by the vatican

1867

01:07:48,549 --> 01:07:46,720

they're totalitarian dictatorial regimes

1868

01:07:49,990 --> 01:07:48,559

the police departments are nothing more

1869

01:07:53,589 --> 01:07:50,000

than gangs

1870

01:07:55,190 --> 01:07:53,599

that go into ex-pat's homes in the early

1871

01:07:58,630 --> 01:07:55,200

morning hours

1872

01:08:00,069 --> 01:07:58,640

beat them up and steal their stuff

1873

01:08:02,309 --> 01:08:00,079

and this has happened to a number of

1874

01:08:03,910 --> 01:08:02,319

people that i personally know

1875

01:08:05,910 --> 01:08:03,920

they've been beaten up by the local

1876

01:08:07,430 --> 01:08:05,920

police so when they're in the hospital

1877

01:08:08,630 --> 01:08:07,440

and they recover from the beatings and

1878

01:08:10,470 --> 01:08:08,640

they try to

1879

01:08:13,190 --> 01:08:10,480

get the police to find out who did this

1880

01:08:15,910 --> 01:08:13,200

the police will not

1881

01:08:17,189 --> 01:08:15,920

work on those crimes like they do their

1882

01:08:20,709 --> 01:08:17,199

own

1883

01:08:21,110 --> 01:08:20,719

so if you are an expat from wherever you

1884

01:08:22,870 --> 01:08:21,120

are

1885

01:08:24,390 --> 01:08:22,880

whether you're in central america or

1886

01:08:26,309 --> 01:08:24,400

south america from germany

1887

01:08:28,070 --> 01:08:26,319

or wherever you're from not just from

1888

01:08:29,590 --> 01:08:28,080

only the united states

1889

01:08:32,470 --> 01:08:29,600

many people are living in gated

1890

01:08:34,070 --> 01:08:32,480

communities with guards

1891

01:08:35,829 --> 01:08:34,080

now when we were down there we were

1892

01:08:39,349 --> 01:08:35,839

randomly stopped

1893

01:08:41,349 --> 01:08:39,359

by road police that were fleeing

1894

01:08:43,669 --> 01:08:41,359

through the cars

1895

01:08:45,030 --> 01:08:43,679

and to travel an hour and a half i think

1896

01:08:47,510 --> 01:08:45,040

we went through about

1897

01:08:50,309 --> 01:08:47,520

two or three different police stops

1898

01:08:52,630 --> 01:08:50,319

arbitrary police stops

1899

01:08:53,910 --> 01:08:52,640

and you have to have your passport on

1900

01:08:55,749 --> 01:08:53,920

the dashboard

1901

01:08:57,749 --> 01:08:55,759

so that they can immediately see who's

1902

01:09:01,189 --> 01:08:57,759

inside and they do look

1903

01:09:04,470 --> 01:09:01,199

and it's highly patrolled

1904

01:09:08,070 --> 01:09:04,480

monsanto has moved in large in

1905

01:09:10,630 --> 01:09:08,080

that many of the papayas the coconuts

1906

01:09:12,789 --> 01:09:10,640

the other fields that we saw are

1907

01:09:16,070 --> 01:09:12,799

completely gmo'd

1908

01:09:18,229 --> 01:09:16,080

completely gmo when these people were

1909

01:09:20,070 --> 01:09:18,239

the salt of the earth growing their

1910

01:09:22,550 --> 01:09:20,080

crops in their soils

1911

01:09:24,870 --> 01:09:22,560

but they're also heavily chemtrailed so

1912

01:09:27,590 --> 01:09:24,880

there isn't any such thing as organic

1913

01:09:29,749 --> 01:09:27,600

anymore the best that people can do too

1914

01:09:31,430 --> 01:09:29,759

is put up a small greenhouse or create a

1915

01:09:36,789 --> 01:09:31,440

hoop house

1916

01:09:39,669 --> 01:09:36,799

order lots of seeds like alfalfa seeds

1917

01:09:40,470 --> 01:09:39,679

mung beans sunflowers you can sprout

1918

01:09:43,349 --> 01:09:40,480

those

1919

01:09:43,749 --> 01:09:43,359

some of the best greens you can have

1920

01:09:46,950 --> 01:09:43,759

when

1921

01:09:48,630 --> 01:09:46,960

food is limited in supply because you

1922

01:09:51,669 --> 01:09:48,640

don't want to buy

1923

01:09:54,550 --> 01:09:51,679

some of these stored food supplies

1924

01:09:56,070 --> 01:09:54,560

that have poisons in them as ingredients

1925

01:09:58,070 --> 01:09:56,080

when you're in that kind of high

1926

01:10:00,390 --> 01:09:58,080

stress level you're going to have to try

1927

01:10:02,390 --> 01:10:00,400

to get to some high quality food and

1928

01:10:04,950 --> 01:10:02,400

that's going to be difficult

1929

01:10:07,270 --> 01:10:04,960

so i've noticed when people have been

1930

01:10:09,350 --> 01:10:07,280

ordering for seeds to sprout that that's

1931

01:10:12,149 --> 01:10:09,360

now becoming very difficult

1932

01:10:13,750 --> 01:10:12,159

less available but another thing that i

1933

01:10:15,110 --> 01:10:13,760

would highly recommend

1934

01:10:18,070 --> 01:10:15,120

if you're in the city you can grow

1935

01:10:19,910 --> 01:10:18,080

sprouts on your kitchen window or

1936

01:10:21,669 --> 01:10:19,920

wherever you can get some sunlight very

1937

01:10:23,590 --> 01:10:21,679

easy to grow sprouts look that up while

1938

01:10:25,669 --> 01:10:23,600

you can while you still have an internet

1939

01:10:27,350 --> 01:10:25,679

because the internet's going down you

1940

01:10:28,709 --> 01:10:27,360

have to look at various forms of

1941

01:10:30,870 --> 01:10:28,719

communication devices

1942

01:10:31,750 --> 01:10:30,880

we're highly recommending that people

1943

01:10:34,790 --> 01:10:31,760

start getting

1944

01:10:37,030 --> 01:10:34,800

ham radios many people

1945

01:10:38,790 --> 01:10:37,040

are not necessarily getting licensed

1946

01:10:39,590 --> 01:10:38,800

because if you are licensed for a ham

1947

01:10:42,229 --> 01:10:39,600

radio

1948

01:10:44,229 --> 01:10:42,239

and you are in what they claim a natural

1949

01:10:46,470 --> 01:10:44,239

disaster nothing's natural but if you're

1950

01:10:47,270 --> 01:10:46,480

in a natural disaster for one reason or

1951

01:10:48,790 --> 01:10:47,280

another

1952

01:10:50,709 --> 01:10:48,800

the county will look up all those

1953

01:10:52,470 --> 01:10:50,719

licensed ham radio operators and either

1954

01:10:54,390 --> 01:10:52,480

come and confiscate your equipment

1955

01:10:56,070 --> 01:10:54,400

or require that you work for them in the

1956

01:10:59,189 --> 01:10:56,080

state of a created

1957

01:11:01,189 --> 01:10:59,199

man-made disaster so that's the problem

1958

01:11:02,149 --> 01:11:01,199

with the licensing of ham radio

1959

01:11:05,430 --> 01:11:02,159

operators

1960

01:11:08,149 --> 01:11:05,440

that's also one reason why

1961

01:11:08,950 --> 01:11:08,159

cal fire here has been taking out the

1962

01:11:11,030 --> 01:11:08,960

ham

1963

01:11:13,669 --> 01:11:11,040

repeaters that were set up for the

1964

01:11:15,910 --> 01:11:13,679

benefit of ham radio operators

1965

01:11:17,830 --> 01:11:15,920

so when you set up a network of ham

1966

01:11:22,149 --> 01:11:17,840

radio operators

1967

01:11:24,870 --> 01:11:22,159

you can literally team up and transpond

1968

01:11:26,070 --> 01:11:24,880

through the various ham radio operators

1969

01:11:28,950 --> 01:11:26,080

we're working on that

1970

01:11:29,669 --> 01:11:28,960

now technically we should be able to

1971

01:11:32,550 --> 01:11:29,679

continue

1972

01:11:34,229 --> 01:11:32,560

some form of communication from the east

1973

01:11:35,110 --> 01:11:34,239

coast to the west coast we're going to

1974

01:11:37,430 --> 01:11:35,120

need

1975

01:11:38,630 --> 01:11:37,440

to know who's surviving how they're

1976

01:11:41,350 --> 01:11:38,640

surviving

1977

01:11:43,189 --> 01:11:41,360

because in that rockefeller document

1978

01:11:44,950 --> 01:11:43,199

that we talked about that scenario

1979

01:11:47,110 --> 01:11:44,960

planning for a pandemic

1980

01:11:48,149 --> 01:11:47,120

they talked about how on the front page

1981

01:11:50,470 --> 01:11:48,159

of the economist

1982

01:11:52,149 --> 01:11:50,480

would say the world is bankrupt now i

1983

01:11:53,189 --> 01:11:52,159

hope all of you realize that the

1984

01:11:56,709 --> 01:11:53,199

economist is

1985

01:11:58,709 --> 01:11:56,719

operated by the cabal

1986

01:11:59,910 --> 01:11:58,719

but they said the front page of the

1987

01:12:02,310 --> 01:11:59,920

economist

1988

01:12:03,830 --> 01:12:02,320

the very front page was going to say the

1989

01:12:05,990 --> 01:12:03,840

world is bankrupt

1990

01:12:08,070 --> 01:12:06,000

they talk about how cities will be cut

1991

01:12:11,030 --> 01:12:08,080

off from communication

1992

01:12:11,910 --> 01:12:11,040

they will not have power in many

1993

01:12:13,110 --> 01:12:11,920

instances they

1994

01:12:15,590 --> 01:12:13,120

won't have water they're going to be

1995

01:12:16,149 --> 01:12:15,600

very much on their own some areas that

1996

01:12:18,390 --> 01:12:16,159

are still

1997

01:12:19,990 --> 01:12:18,400

able to have some technology involved

1998

01:12:22,630 --> 01:12:20,000

like 3d printing

1999

01:12:24,630 --> 01:12:22,640

can create and make tools that they may

2000

01:12:27,830 --> 01:12:24,640

not have they talked about how

2001

01:12:31,750 --> 01:12:27,840

various pockets dependent on the

2002

01:12:34,149 --> 01:12:31,760

ingenuity would survive better

2003

01:12:35,990 --> 01:12:34,159

and that you wouldn't know because

2004

01:12:38,070 --> 01:12:36,000

there's no way of communicating in other

2005

01:12:38,870 --> 01:12:38,080

words if i can't get to you greg in san

2006

01:12:40,790 --> 01:12:38,880

diego

2007

01:12:42,390 --> 01:12:40,800

and you can't get to me up here in

2008

01:12:44,790 --> 01:12:42,400

northern california

2009

01:12:46,070 --> 01:12:44,800

and all the communication is severed and

2010

01:12:47,590 --> 01:12:46,080

we're in the dark

2011

01:12:49,430 --> 01:12:47,600

then i don't know what's going on with

2012

01:12:51,590 --> 01:12:49,440

you unless we've made some

2013

01:12:53,830 --> 01:12:51,600

pre-arrangements right

2014

01:12:54,630 --> 01:12:53,840

and if you can't travel outside of your

2015

01:12:57,030 --> 01:12:54,640

area

2016

01:12:57,990 --> 01:12:57,040

because they've now created these

2017

01:13:00,310 --> 01:12:58,000

electronic

2018

01:13:03,430 --> 01:13:00,320

frequency fences that you can't cross

2019

01:13:06,229 --> 01:13:03,440

out of and i do mean this

2020

01:13:07,350 --> 01:13:06,239

when we went to a fish hatchery a few

2021

01:13:09,669 --> 01:13:07,360

years ago

2022

01:13:10,950 --> 01:13:09,679

on the russian river which is the river

2023

01:13:14,310 --> 01:13:10,960

that runs by

2024

01:13:18,550 --> 01:13:14,320

bohemian grove we were watching them

2025

01:13:21,110 --> 01:13:18,560

put in rfid chips into these little

2026

01:13:21,910 --> 01:13:21,120

three to four inch fingerling coho

2027

01:13:22,709 --> 01:13:21,920

salmon

2028

01:13:25,110 --> 01:13:22,719

because they're saying they're

2029

01:13:25,350 --> 01:13:25,120

endangered and of course they're killing

2030

01:13:27,270 --> 01:13:25,360

them

2031

01:13:28,390 --> 01:13:27,280

right but they're endangered so really

2032

01:13:31,030 --> 01:13:28,400

what was happening

2033

01:13:32,630 --> 01:13:31,040

they were putting in the rfid chips

2034

01:13:34,229 --> 01:13:32,640

putting these little guys back in the

2035

01:13:35,910 --> 01:13:34,239

tanks

2036

01:13:37,750 --> 01:13:35,920

and then releasing them into the rivers

2037

01:13:40,390 --> 01:13:37,760

now i asked this question

2038

01:13:41,590 --> 01:13:40,400

i said so you've got these rfid chips in

2039

01:13:43,590 --> 01:13:41,600

these little guys

2040

01:13:44,950 --> 01:13:43,600

how are you tracking them they said well

2041

01:13:48,070 --> 01:13:44,960

we have receivers

2042

01:13:51,350 --> 01:13:48,080

hidden along the banks of the rivers

2043

01:13:52,310 --> 01:13:51,360

now i interviewed a man that escaped

2044

01:13:55,750 --> 01:13:52,320

from hungary

2045

01:13:58,310 --> 01:13:55,760

in world war ii as a boy in fact he was

2046

01:13:59,430 --> 01:13:58,320

i think only 15 years old he and a

2047

01:14:01,110 --> 01:13:59,440

number of other boys

2048

01:14:04,149 --> 01:14:01,120

had to escape or they would be

2049

01:14:04,709 --> 01:14:04,159

sequestered into military service or

2050

01:14:07,590 --> 01:14:04,719

worse

2051  
01:14:08,870 --> 01:14:07,600  
put into these work camps where most

2052  
01:14:12,709 --> 01:14:08,880  
people died

2053  
01:14:14,630 --> 01:14:12,719  
so these boys left via drainage ditches

2054  
01:14:18,149 --> 01:14:14,640  
and streams and creeks

2055  
01:14:20,870 --> 01:14:18,159  
to get out to the ocean to then swim

2056  
01:14:21,590 --> 01:14:20,880  
to a country that was not under the war

2057  
01:14:25,030 --> 01:14:21,600  
conditions

2058  
01:14:28,070 --> 01:14:25,040  
that hungary was in and now we can't

2059  
01:14:29,830 --> 01:14:28,080  
do that because we can't get out through

2060  
01:14:32,229 --> 01:14:29,840  
streams and creeks so don't think you

2061  
01:14:35,750 --> 01:14:32,239  
can bug out and run into the woods

2062  
01:14:38,470 --> 01:14:35,760  
oh think twice they have land satellites

2063  
01:14:41,110 --> 01:14:38,480

that are infrared we recently discovered

2064

01:14:44,870 --> 01:14:41,120  
and that's in my last video

2065

01:14:48,709 --> 01:14:44,880  
again alert disarming america

2066

01:14:51,669 --> 01:14:48,719  
where the fbi has these cessna

2067

01:14:52,310 --> 01:14:51,679  
planes that fly overhead and sequester

2068

01:14:54,950 --> 01:14:52,320  
data from

2069

01:14:57,270 --> 01:14:54,960  
everybody that's protesting they know

2070

01:15:01,270 --> 01:14:57,280  
everyone who's protesting

2071

01:15:05,030 --> 01:15:01,280  
they can fly up to 15 000 feet overhead

2072

01:15:08,550 --> 01:15:05,040  
and beam off of everybody's cell phones

2073

01:15:11,030 --> 01:15:08,560  
and they can see through thick haze

2074

01:15:11,910 --> 01:15:11,040  
and take footage camera footage of all

2075

01:15:16,550 --> 01:15:11,920  
these folks

2076

01:15:19,669 --> 01:15:16,560

did you know that no well now you do

2077

01:15:20,310 --> 01:15:19,679

that that's in my last video i didn't

2078

01:15:24,390 --> 01:15:20,320

know this

2079

01:15:28,310 --> 01:15:24,400

before but i was quite stunned

2080

01:15:31,350 --> 01:15:28,320

i was more than stunned that

2081

01:15:33,830 --> 01:15:31,360

this is what has happened to the country

2082

01:15:34,709 --> 01:15:33,840

that we live in and we are truly the

2083

01:15:36,790 --> 01:15:34,719

enemy

2084

01:15:38,950 --> 01:15:36,800

so if you think you can bug out and run

2085

01:15:40,870 --> 01:15:38,960

in the woods think twice

2086

01:15:42,630 --> 01:15:40,880

particularly if you're dragging children

2087

01:15:43,910 --> 01:15:42,640

along thinking you can outrun these

2088

01:15:46,229 --> 01:15:43,920

types of technologies

2089

01:15:49,590 --> 01:15:46,239

yes for many people you will be thrown

2090

01:15:52,630 --> 01:15:49,600

back into a lifestyle of the mid 1750s

2091

01:15:54,390 --> 01:15:52,640

but you've got high tech surveillance

2092

01:15:55,669 --> 01:15:54,400

and high-tech equipment that's chasing

2093

01:15:59,910 --> 01:15:55,679

you around this

2094

01:16:02,229 --> 01:15:59,920

is truly truly the hunger games

2095

01:16:02,950 --> 01:16:02,239

wherein you see these different

2096

01:16:06,229 --> 01:16:02,960

districts

2097

01:16:08,790 --> 01:16:06,239

impoverished no food they're just

2098

01:16:09,510 --> 01:16:08,800

in shambles and then you see this high

2099

01:16:13,750 --> 01:16:09,520

tech

2100

01:16:17,990 --> 01:16:13,760

being used during the games this is

2101

01:16:25,030 --> 01:16:21,669

so i urge all of you to

2102

01:16:26,070 --> 01:16:25,040

please take action be empowered by what

2103

01:16:28,149 --> 01:16:26,080

you can do

2104

01:16:29,430 --> 01:16:28,159

to survive because if you want to you're

2105

01:16:32,470 --> 01:16:29,440

going to need to

2106

01:16:34,630 --> 01:16:32,480

and don't be frightened into fear

2107

01:16:36,790 --> 01:16:34,640

embolden yourself empower yourself with

2108

01:16:39,669 --> 01:16:36,800

this information

2109

01:16:41,350 --> 01:16:39,679

what the controllers are counting on is

2110

01:16:42,709 --> 01:16:41,360

that you will be so horrified you will

2111

01:16:45,830 --> 01:16:42,719

be horrified into an

2112

01:16:47,750 --> 01:16:45,840

action and then when they use the

2113

01:16:49,030 --> 01:16:47,760

frequencies on you will be completely

2114

01:16:54,950 --> 01:16:49,040

mind controlled

2115

01:16:57,030 --> 01:16:54,960

we already have enough of them so for

2116

01:16:59,350 --> 01:16:57,040

those of you that can still think

2117

01:17:00,390 --> 01:16:59,360

and you know you still can if you know

2118

01:17:03,350 --> 01:17:00,400

you can

2119

01:17:03,830 --> 01:17:03,360

then you need to as quickly as possible

2120

01:17:05,830 --> 01:17:03,840

and

2121

01:17:08,229 --> 01:17:05,840

getting out of the dense population

2122

01:17:10,149 --> 01:17:08,239

frequency zones is also a must when

2123

01:17:12,630 --> 01:17:10,159

thinking of relocating

2124

01:17:13,510 --> 01:17:12,640

and looking at the kinds of shielding

2125

01:17:15,669 --> 01:17:13,520

that will

2126  
01:17:16,550 --> 01:17:15,679  
potentially become available if some of

2127  
01:17:18,709 --> 01:17:16,560  
you guys

2128  
01:17:19,750 --> 01:17:18,719  
think about ways in which we must

2129  
01:17:21,830 --> 01:17:19,760  
survive

2130  
01:17:23,830 --> 01:17:21,840  
by shielding the frequencies many people

2131  
01:17:25,910 --> 01:17:23,840  
have been working on this

2132  
01:17:28,630 --> 01:17:25,920  
yes i've heard some great advice from

2133  
01:17:30,950 --> 01:17:28,640  
you on that front because the emf

2134  
01:17:32,950 --> 01:17:30,960  
environment is very difficult to deal

2135  
01:17:33,669 --> 01:17:32,960  
with don't sleep on a wire spring

2136  
01:17:36,390 --> 01:17:33,679  
mattress

2137  
01:17:37,750 --> 01:17:36,400  
women don't have underwire bras i think

2138  
01:17:39,030 --> 01:17:37,760

that's good advice because it only

2139

01:17:42,229 --> 01:17:39,040

exacerbates

2140

01:17:43,830 --> 01:17:42,239

the conductivity of these fields well

2141

01:17:50,950 --> 01:17:43,840

this would also be

2142

01:17:52,950 --> 01:17:50,960

this would be change that you keep in

2143

01:17:54,950 --> 01:17:52,960

your pockets but not to worry change is

2144

01:17:56,630 --> 01:17:54,960

going to go by the wayside

2145

01:17:58,950 --> 01:17:56,640

because it's going to be transmitting

2146

01:18:01,350 --> 01:17:58,960

covet which is what they're saying now

2147

01:18:02,550 --> 01:18:01,360

the paper currency is going to do too

2148

01:18:04,870 --> 01:18:02,560

another reason

2149

01:18:05,830 --> 01:18:04,880

to digitize everything and sequester all

2150

01:18:08,790 --> 01:18:05,840

your assets

2151

01:18:09,750 --> 01:18:08,800

but that being aside yes dirty

2152

01:18:13,510 --> 01:18:09,760

electricity

2153

01:18:16,630 --> 01:18:13,520

is an enormous problem we all face and

2154

01:18:17,350 --> 01:18:16,640

certainly back in the mid 70s the

2155

01:18:21,030 --> 01:18:17,360

russians

2156

01:18:21,510 --> 01:18:21,040

beamed in frequencies into a specific

2157

01:18:24,390 --> 01:18:21,520

area

2158

01:18:26,149 --> 01:18:24,400

in medford oregon it went in through the

2159

01:18:28,070 --> 01:18:26,159

antennas on their homes whether they

2160

01:18:30,229 --> 01:18:28,080

were watching television or not

2161

01:18:31,590 --> 01:18:30,239

and through the house wires and it

2162

01:18:33,910 --> 01:18:31,600

created a mood

2163

01:18:34,950 --> 01:18:33,920

shift where people became very very

2164

01:18:37,590 --> 01:18:34,960

depressed

2165

01:18:38,709 --> 01:18:37,600

and within i think it was a 48 hour

2166

01:18:42,550 --> 01:18:38,719

period a couple of day

2167

01:18:46,229 --> 01:18:42,560

period of time there were a couple dozen

2168

01:18:48,229 --> 01:18:46,239

suicides so they sent the men in black

2169

01:18:51,430 --> 01:18:48,239

to find out what had happened

2170

01:18:53,910 --> 01:18:51,440

there is a nearby u.s base

2171

01:18:55,669 --> 01:18:53,920

military base there they went there to

2172

01:18:57,669 --> 01:18:55,679

ask them if they had done this

2173

01:18:59,590 --> 01:18:57,679

and they said no but they were aware

2174

01:19:02,149 --> 01:18:59,600

that the russians had done this

2175

01:19:03,270 --> 01:19:02,159

the russians apparently have admitted

2176  
01:19:05,830 --> 01:19:03,280  
that they were allowed

2177  
01:19:06,950 --> 01:19:05,840  
to beam these frequencies in on medford

2178  
01:19:10,149 --> 01:19:06,960  
and kill

2179  
01:19:12,470 --> 01:19:10,159  
about a dozen people from suicides so

2180  
01:19:15,030 --> 01:19:12,480  
when you think about the deagle.com

2181  
01:19:17,189 --> 01:19:15,040  
website and the percentage of deaths it

2182  
01:19:17,669 --> 01:19:17,199  
talks about the majority of deaths will

2183  
01:19:22,229 --> 01:19:17,679  
be

2184  
01:19:24,630 --> 01:19:22,239  
frequencies you guys

2185  
01:19:25,910 --> 01:19:24,640  
frequencies being beamed on you to shift

2186  
01:19:27,990 --> 01:19:25,920  
your moods

2187  
01:19:29,510 --> 01:19:28,000  
also in combination with the use of the

2188  
01:19:31,750 --> 01:19:29,520

weather

2189

01:19:33,030 --> 01:19:31,760

it has been well established that

2190

01:19:36,550 --> 01:19:33,040

weather creates

2191

01:19:39,350 --> 01:19:36,560

mood swings in people there's that sad

2192

01:19:40,310 --> 01:19:39,360

syndrome certainly up in areas where

2193

01:19:43,030 --> 01:19:40,320

there is

2194

01:19:45,030 --> 01:19:43,040

less sun than other areas where people

2195

01:19:47,430 --> 01:19:45,040

do suffer from different levels

2196

01:19:48,550 --> 01:19:47,440

of depression think about how all this

2197

01:19:50,630 --> 01:19:48,560

is orchestrated

2198

01:19:52,709 --> 01:19:50,640

think about how big pharma and

2199

01:19:56,070 --> 01:19:52,719

psychiatrists are drugging

2200

01:19:57,750 --> 01:19:56,080

people because of technology that has

2201

01:20:00,790 --> 01:19:57,760

been created

2202

01:20:04,790 --> 01:20:00,800

to literally strip everything from us

2203

01:20:07,990 --> 01:20:04,800

our humanity and put us on drugs

2204

01:20:10,709 --> 01:20:08,000

all kinds of drugs i was once

2205

01:20:12,229 --> 01:20:10,719

at a meeting in san francisco it was a

2206

01:20:14,229 --> 01:20:12,239

horrific meeting

2207

01:20:15,990 --> 01:20:14,239

and somehow or another my husband and i

2208

01:20:17,030 --> 01:20:16,000

and i've talked about this on many radio

2209

01:20:20,070 --> 01:20:17,040

shows

2210

01:20:23,830 --> 01:20:20,080

ended up in a small breakout room

2211

01:20:25,830 --> 01:20:23,840

that was a drug company's breakout room

2212

01:20:27,350 --> 01:20:25,840

it was a big table maybe 20 chairs

2213

01:20:29,030 --> 01:20:27,360

around this table

2214

01:20:30,550 --> 01:20:29,040

and we sat down we didn't know what it

2215

01:20:32,950 --> 01:20:30,560

was we just

2216

01:20:35,030 --> 01:20:32,960

knew it was a drug related little

2217

01:20:37,030 --> 01:20:35,040

gathering and we were curious

2218

01:20:39,510 --> 01:20:37,040

so they start going around the table

2219

01:20:40,709 --> 01:20:39,520

introducing what drug manufacturers

2220

01:20:43,270 --> 01:20:40,719

they're with

2221

01:20:45,510 --> 01:20:43,280

and i was concerned about how we were

2222

01:20:48,470 --> 01:20:45,520

going to answer that question

2223

01:20:49,510 --> 01:20:48,480

certainly not being any association with

2224

01:20:51,110 --> 01:20:49,520

drugs

2225

01:20:52,870 --> 01:20:51,120

and we were able to answer it

2226

01:20:53,669 --> 01:20:52,880

sufficiently where we did not get booted

2227

01:20:56,950 --> 01:20:53,679

out

2228

01:20:58,629 --> 01:20:56,960

and i was hearing the unthinkable one of

2229

01:21:01,350 --> 01:20:58,639

the takeaways

2230

01:21:02,149 --> 01:21:01,360

that i will never forget was their

2231

01:21:05,189 --> 01:21:02,159

branding

2232

01:21:07,350 --> 01:21:05,199

going forward of pharmaceuticals

2233

01:21:09,030 --> 01:21:07,360

and they said their branding going

2234

01:21:12,390 --> 01:21:09,040

forward will be

2235

01:21:15,750 --> 01:21:12,400

that pharmaceuticals is food

2236

01:21:17,830 --> 01:21:15,760

is food and i remember

2237

01:21:19,110 --> 01:21:17,840

listening to their conversations around

2238

01:21:21,990 --> 01:21:19,120

that table

2239

01:21:23,910 --> 01:21:22,000

and that's where i heard off the coast

2240

01:21:26,390 --> 01:21:23,920

of san diego three miles

2241

01:21:28,390 --> 01:21:26,400

off the coast in international waters

2242

01:21:31,510 --> 01:21:28,400

there were a number of ships

2243

01:21:32,390 --> 01:21:31,520

experimenting on people things that you

2244

01:21:35,430 --> 01:21:32,400

could not do

2245

01:21:38,629 --> 01:21:35,440

if you were not in international water

2246

01:21:41,990 --> 01:21:38,639

so we're talking about the evolution

2247

01:21:43,750 --> 01:21:42,000

recreating new humans and

2248

01:21:45,750 --> 01:21:43,760

i would love to come back on with you

2249

01:21:48,709 --> 01:21:45,760

greg at a later time

2250

01:21:50,870 --> 01:21:48,719

and get into that in greater detail i

2251

01:21:53,189 --> 01:21:50,880

think though for the moment

2252

01:21:54,070 --> 01:21:53,199

it's enough to leave it where people

2253

01:21:56,790 --> 01:21:54,080

need

2254

01:21:58,470 --> 01:21:56,800

to stay alive as long as possible yes so

2255

01:22:01,750 --> 01:21:58,480

that we can navigate further

2256

01:22:03,430 --> 01:22:01,760

into what the plans are further down the

2257

01:22:07,110 --> 01:22:03,440

road for all of us

2258

01:22:10,390 --> 01:22:07,120

but for right now my heart breaks

2259

01:22:13,430 --> 01:22:10,400

i'm in a lot of sadness

2260

01:22:15,350 --> 01:22:13,440

sometimes i call it truth trauma because

2261

01:22:17,030 --> 01:22:15,360

it is very painful i look around at

2262

01:22:17,910 --> 01:22:17,040

people and i don't want people to be

2263

01:22:19,910 --> 01:22:17,920

gone

2264

01:22:21,350 --> 01:22:19,920

i don't want that i'm in defense of

2265

01:22:24,709 --> 01:22:21,360

humanity

2266

01:22:27,350 --> 01:22:24,719

so i guess we're nearing the end of

2267

01:22:28,950 --> 01:22:27,360

this period of time are we not great yes

2268

01:22:30,870 --> 01:22:28,960

we are in fact you've gone

2269

01:22:32,950 --> 01:22:30,880

a little bit extra with me which i do

2270

01:22:34,950 --> 01:22:32,960

appreciate we're lucky to really

2271

01:22:36,070 --> 01:22:34,960

have the freedom and flexibility to do

2272

01:22:38,310 --> 01:22:36,080

that when it happens

2273

01:22:39,270 --> 01:22:38,320

but thanks so much for sharing all this

2274

01:22:41,510 --> 01:22:39,280

with us and

2275

01:22:42,790 --> 01:22:41,520

tying together so many threads that can

2276

01:22:45,189 --> 01:22:42,800

be confusing

2277

01:22:46,229 --> 01:22:45,199

and overwhelming i guess is there

2278

01:22:47,910 --> 01:22:46,239

anything else you'd like to tell them

2279

01:22:50,070 --> 01:22:47,920

about following up with your work or

2280

01:22:52,070 --> 01:22:50,080

subscribing to the email blast other

2281

01:22:55,110 --> 01:22:52,080

resources stuff like that before we just

2282

01:22:57,030 --> 01:22:55,120

call it in well absolutely

2283

01:22:58,390 --> 01:22:57,040

for those of you that are unaware of

2284

01:23:00,270 --> 01:22:58,400

targeted individuals

2285

01:23:01,430 --> 01:23:00,280

i have a special section on

2286

01:23:03,990 --> 01:23:01,440

stopthecrime.net

2287

01:23:06,070 --> 01:23:04,000

about targeted individuals they're

2288

01:23:08,310 --> 01:23:06,080

called ti's

2289

01:23:09,669 --> 01:23:08,320

millions and millions of individuals and

2290

01:23:12,310 --> 01:23:09,679

families and children

2291

01:23:14,390 --> 01:23:12,320

are targeted by boots on the ground in

2292

01:23:16,149 --> 01:23:14,400

their communities worldwide

2293

01:23:18,070 --> 01:23:16,159

when i say boots on the ground what i

2294

01:23:21,030 --> 01:23:18,080

mean is a different level

2295

01:23:21,590 --> 01:23:21,040

of police force policing i guess is how

2296

01:23:24,790 --> 01:23:21,600

you might

2297

01:23:28,470 --> 01:23:24,800

look at it where there are gang stalkers

2298

01:23:31,430 --> 01:23:28,480

that literally are on the streets to

2299

01:23:32,070 --> 01:23:31,440

continually create an emotional assault

2300

01:23:35,110 --> 01:23:32,080

against

2301

01:23:37,189 --> 01:23:35,120

victims and also using directed energy

2302

01:23:40,790 --> 01:23:37,199

weapons

2303

01:23:43,910 --> 01:23:40,800

it's a horrific torturous crime

2304

01:23:45,510 --> 01:23:43,920

that is allowed it's legal and there are

2305

01:23:49,030 --> 01:23:45,520

millions of people

2306

01:23:51,590 --> 01:23:49,040

that are literally on death's door

2307

01:23:52,950 --> 01:23:51,600

continuously because of the extreme pain

2308

01:23:56,149 --> 01:23:52,960

and suffering

2309

01:23:59,189 --> 01:23:56,159

now this sadly is not only

2310

01:24:01,590 --> 01:23:59,199

just just destroying people's lives

2311

01:24:03,350 --> 01:24:01,600

breaking up families but most people

2312

01:24:05,510 --> 01:24:03,360

don't believe that this is happening

2313

01:24:06,950 --> 01:24:05,520

they have voice to skull technology

2314

01:24:09,110 --> 01:24:06,960

easily

2315

01:24:10,229 --> 01:24:09,120

where people are in fact hearing voices

2316

01:24:12,070 --> 01:24:10,239

in their head

2317

01:24:14,390 --> 01:24:12,080

so i'd like to finish up by saying if

2318

01:24:15,590 --> 01:24:14,400

you run in to people that are talking

2319

01:24:18,310 --> 01:24:15,600

about this

2320

01:24:20,390 --> 01:24:18,320

do your own investigation first because

2321

01:24:22,229 --> 01:24:20,400

there are many videos i talk about this

2322

01:24:25,030 --> 01:24:22,239

length i've interviewed many targets

2323

01:24:28,070 --> 01:24:25,040

through the years in fact i have a split

2324

01:24:29,750 --> 01:24:28,080

website where we're moving our old stop

2325

01:24:33,030 --> 01:24:29,760

the crime.net

2326

01:24:34,310 --> 01:24:33,040

information to a new section on the

2327

01:24:37,350 --> 01:24:34,320

original site

2328

01:24:39,510 --> 01:24:37,360

you'll see rents radio and

2329

01:24:41,590 --> 01:24:39,520

if you click on that you'll see over a

2330

01:24:44,310 --> 01:24:41,600

hundred radio shows that i did when i

2331

01:24:46,470 --> 01:24:44,320

was on the rinse radio network and i

2332

01:24:47,669 --> 01:24:46,480

interviewed a number of targeted

2333

01:24:49,590 --> 01:24:47,679

individuals

2334

01:24:51,030 --> 01:24:49,600

you need to hear their stories you can

2335

01:24:54,070 --> 01:24:51,040

type in

2336

01:24:56,470 --> 01:24:54,080

youtube targeted individuals and you'll

2337

01:24:58,229 --> 01:24:56,480

see a cascading number of people talking

2338

01:25:01,510 --> 01:24:58,239

about the kinds of targeting

2339

01:25:04,629 --> 01:25:01,520

that they're enduring i can say that

2340

01:25:06,790 --> 01:25:04,639

one of the videos i do highly recommend

2341

01:25:08,709 --> 01:25:06,800

i believe the name of it is and this is

2342

01:25:09,910 --> 01:25:08,719

not me but this is the title of the

2343

01:25:12,709 --> 01:25:09,920

video

2344

01:25:13,030 --> 01:25:12,719

my experience as a targeted individual

2345

01:25:17,910 --> 01:25:13,040

and

2346

01:25:21,030 --> 01:25:17,920

the man's name is myron m-a-y-r-o-n

2347

01:25:23,990 --> 01:25:21,040

may m-a-y and

2348

01:25:25,990 --> 01:25:24,000

he has a three-part half-hour youtube

2349

01:25:28,390 --> 01:25:26,000

video series

2350

01:25:29,430 --> 01:25:28,400

that he put out and discussed his

2351  
01:25:31,430 --> 01:25:29,440  
targeting

2352  
01:25:33,110 --> 01:25:31,440  
his family members thought he should go

2353  
01:25:35,590 --> 01:25:33,120  
into a mental hospital

2354  
01:25:37,030 --> 01:25:35,600  
don't do that to your family members

2355  
01:25:40,550 --> 01:25:37,040  
this is where

2356  
01:25:43,590 --> 01:25:40,560  
we are headed all of you are targeted

2357  
01:25:46,709 --> 01:25:43,600  
mind control is a central

2358  
01:25:49,830 --> 01:25:46,719  
type of new control that is

2359  
01:25:53,350 --> 01:25:49,840  
why so many people

2360  
01:25:55,910 --> 01:25:53,360  
are unaware i know for all of us that

2361  
01:25:57,270 --> 01:25:55,920  
have a better grip of what's going on we

2362  
01:25:59,189 --> 01:25:57,280  
scratch our heads

2363  
01:26:01,270 --> 01:25:59,199

we keep saying how can there be so many

2364

01:26:04,229 --> 01:26:01,280

people that are not awake

2365

01:26:05,750 --> 01:26:04,239

they're mind controlled frequencies are

2366

01:26:09,510 --> 01:26:05,760

being used on their

2367

01:26:13,110 --> 01:26:09,520

brains they're taking drugs remember

2368

01:26:15,590 --> 01:26:13,120

big pharma is food they have had

2369

01:26:16,629 --> 01:26:15,600

certain levels of chemical lobotomies

2370

01:26:20,830 --> 01:26:16,639

done

2371

01:26:22,950 --> 01:26:20,840

to our neighbors people that live in our

2372

01:26:25,990 --> 01:26:22,960

communities

2373

01:26:27,110 --> 01:26:26,000

so again it seems so strange greg that

2374

01:26:29,510 --> 01:26:27,120

there's

2375

01:26:30,870 --> 01:26:29,520

a few that seem to understand and so

2376

01:26:33,990 --> 01:26:30,880

many don't

2377

01:26:35,990 --> 01:26:34,000

and i once talked to a friend and i was

2378

01:26:38,310 --> 01:26:36,000

told deborah this is a battlefield

2379

01:26:39,830 --> 01:26:38,320

we're on a battlefield we're going to

2380

01:26:43,350 --> 01:26:39,840

have to get used

2381

01:26:46,550 --> 01:26:43,360

to people we know dropping beside us

2382

01:26:48,790 --> 01:26:46,560

and we can't help them so

2383

01:26:51,110 --> 01:26:48,800

with that i would say love the ones you

2384

01:26:54,390 --> 01:26:51,120

love the most even more

2385

01:26:55,189 --> 01:26:54,400

live in right conduct each and every

2386

01:26:58,550 --> 01:26:55,199

single day

2387

01:27:01,189 --> 01:26:58,560

and always always do the next best

2388

01:27:02,790 --> 01:27:01,199

right thing because we have the

2389

01:27:05,910 --> 01:27:02,800

opportunity now

2390

01:27:08,870 --> 01:27:05,920

to define who we are

2391

01:27:09,830 --> 01:27:08,880

imagine what your boundaries are in your

2392

01:27:14,310 --> 01:27:09,840

mind

2393

01:27:19,110 --> 01:27:14,320

before circumstances befront you

2394

01:27:22,149 --> 01:27:19,120

that would cause you to rob steal

2395

01:27:25,590 --> 01:27:22,159

as things continue to collapse

2396

01:27:28,629 --> 01:27:25,600

around us it's up to each one of you

2397

01:27:29,430 --> 01:27:28,639

to do some preparation don't be the

2398

01:27:31,110 --> 01:27:29,440

marauders

2399

01:27:32,709 --> 01:27:31,120

on the street stealing from your

2400

01:27:34,870 --> 01:27:32,719

neighbors

2401  
01:27:37,270 --> 01:27:34,880  
get prepped up as best you can with the

2402  
01:27:40,229 --> 01:27:37,280  
resources and money that you have

2403  
01:27:40,950 --> 01:27:40,239  
be responsible because we're going to

2404  
01:27:42,390 --> 01:27:40,960  
know

2405  
01:27:45,189 --> 01:27:42,400  
that they're going to be many

2406  
01:27:49,030 --> 01:27:45,199  
irresponsible people on the streets

2407  
01:27:52,950 --> 01:27:49,040  
and this is part of the controller's

2408  
01:27:55,110 --> 01:27:52,960  
design is for us to kill one another

2409  
01:27:58,149 --> 01:27:55,120  
and the great pleasure that they will

2410  
01:27:59,830 --> 01:27:58,159  
take with all the cameras and satellites

2411  
01:28:02,070 --> 01:27:59,840  
watching all of this death and

2412  
01:28:05,110 --> 01:28:02,080  
destruction and blood

2413  
01:28:06,950 --> 01:28:05,120

this is how they get power this is how

2414

01:28:08,629 --> 01:28:06,960

they froth at the mouth

2415

01:28:10,870 --> 01:28:08,639

when they're in the situation room at

2416

01:28:13,030 --> 01:28:10,880

the white house watching what happened

2417

01:28:15,350 --> 01:28:13,040

in benghazi

2418

01:28:16,390 --> 01:28:15,360

loving every minute of what was

2419

01:28:19,510 --> 01:28:16,400

happening

2420

01:28:20,390 --> 01:28:19,520

to those navy seals as that embassy was

2421

01:28:24,790 --> 01:28:20,400

being

2422

01:28:28,470 --> 01:28:24,800

taken apart loving every minute

2423

01:28:31,590 --> 01:28:28,480

so realize the cameras are on you

2424

01:28:34,550 --> 01:28:31,600

your behavior is being monitored

2425

01:28:35,510 --> 01:28:34,560

and in fact i would say this and i don't

2426

01:28:37,669 --> 01:28:35,520

have proof

2427

01:28:39,910 --> 01:28:37,679

about this but i believe it's a strong

2428

01:28:41,270 --> 01:28:39,920

possibility

2429

01:28:43,030 --> 01:28:41,280

there's two things you need to know

2430

01:28:45,030 --> 01:28:43,040

about when you go into

2431

01:28:46,950 --> 01:28:45,040

any kind of a doctor's office wherever

2432

01:28:49,830 --> 01:28:46,960

it is that they may require

2433

01:28:51,270 --> 01:28:49,840

a temperature test don't let them hold

2434

01:28:54,790 --> 01:28:51,280

that wireless

2435

01:28:57,030 --> 01:28:54,800

temperature tracking device at your head

2436

01:28:58,310 --> 01:28:57,040

because that causes calcification of the

2437

01:29:00,870 --> 01:28:58,320

pineal gland

2438

01:29:02,950 --> 01:29:00,880

but before it does that it reduces

2439

01:29:04,870 --> 01:29:02,960

melatonin so that you're not able to get

2440

01:29:05,750 --> 01:29:04,880

in the deep recovery sleep that you need

2441

01:29:08,070 --> 01:29:05,760

to have

2442

01:29:09,189 --> 01:29:08,080

to recover from all these assaults

2443

01:29:11,510 --> 01:29:09,199

during the day

2444

01:29:13,430 --> 01:29:11,520

rather tell them that you want them to

2445

01:29:16,950 --> 01:29:13,440

take this temperature on

2446

01:29:18,550 --> 01:29:16,960

the inside of your wrist or the fold of

2447

01:29:20,790 --> 01:29:18,560

your elbow

2448

01:29:23,430 --> 01:29:20,800

don't let them shoot you in the head for

2449

01:29:25,189 --> 01:29:23,440

kids especially this is like

2450

01:29:26,790 --> 01:29:25,199

getting them accustomed to having a gun

2451

01:29:30,070 --> 01:29:26,800

held at their head

2452

01:29:33,189 --> 01:29:30,080

and just do the best you can

2453

01:29:34,870 --> 01:29:33,199

with trying to survive understanding the

2454

01:29:37,430 --> 01:29:34,880

myriad of ways

2455

01:29:38,870 --> 01:29:37,440

that they're trying to kill you and go

2456

01:29:41,270 --> 01:29:38,880

to stopthecrime.net

2457

01:29:42,629 --> 01:29:41,280

please subscribe hit the bell

2458

01:29:44,790 --> 01:29:42,639

notification

2459

01:29:47,189 --> 01:29:44,800

listen to all that we've done download

2460

01:29:47,990 --> 01:29:47,199

make cds out of these things dvds

2461

01:29:49,990 --> 01:29:48,000

whatever

2462

01:29:51,510 --> 01:29:50,000

download the documents get this stuff

2463

01:29:53,590 --> 01:29:51,520

off of that website

2464

01:29:54,950 --> 01:29:53,600

because they will be taking down the

2465

01:29:57,510 --> 01:29:54,960

internet

2466

01:29:58,310 --> 01:29:57,520

all the years and years of documents

2467

01:30:01,750 --> 01:29:58,320

that we have

2468

01:30:03,709 --> 01:30:01,760

up there and i mean years and that's why

2469

01:30:05,669 --> 01:30:03,719

i recommend people type in

2470

01:30:08,229 --> 01:30:05,679

stopthecrime.net

2471

01:30:09,350 --> 01:30:08,239

when you get to the opening page it

2472

01:30:11,669 --> 01:30:09,360

shows differently

2473

01:30:12,950 --> 01:30:11,679

on cell phones than it does on a

2474

01:30:16,790 --> 01:30:12,960

computer

2475

01:30:19,590 --> 01:30:16,800

the crime.net

2476  
01:30:19,910 --> 01:30:19,600  
at the top i will see the opportunity to

2477  
01:30:22,550 --> 01:30:19,920  
go

2478  
01:30:23,750 --> 01:30:22,560  
to it'll say visit our youtube channel

2479  
01:30:25,830 --> 01:30:23,760  
click on that

2480  
01:30:26,790 --> 01:30:25,840  
the youtube channel i consider to be

2481  
01:30:28,870 --> 01:30:26,800  
cliff notes

2482  
01:30:29,910 --> 01:30:28,880  
of much of the documents that we have

2483  
01:30:33,350 --> 01:30:29,920  
posted

2484  
01:30:34,070 --> 01:30:33,360  
on the site and you can spend a lot of

2485  
01:30:36,790 --> 01:30:34,080  
time on that

2486  
01:30:38,310 --> 01:30:36,800  
site i wish you would go to the resource

2487  
01:30:41,510 --> 01:30:38,320  
document tab

2488  
01:30:42,870 --> 01:30:41,520

and download many of the military

2489

01:30:45,510 --> 01:30:42,880

documents and patents

2490

01:30:47,590 --> 01:30:45,520

that have created this life-threatening

2491

01:30:49,669 --> 01:30:47,600

reality that we all live in

2492

01:30:51,510 --> 01:30:49,679

go and take a look in fact what i would

2493

01:30:53,430 --> 01:30:51,520

like and how i would like to in the show

2494

01:30:54,629 --> 01:30:53,440

today with you greg and to those that

2495

01:30:58,070 --> 01:30:54,639

are listening

2496

01:31:00,629 --> 01:30:58,080

i would love it for us to resume another

2497

01:31:02,390 --> 01:31:00,639

conversation soon while we still can

2498

01:31:04,629 --> 01:31:02,400

and i would like to go over some of the

2499

01:31:07,510 --> 01:31:04,639

nasa war document plans

2500

01:31:09,110 --> 01:31:07,520

yes yes that was on my list as well but

2501

01:31:11,189 --> 01:31:09,120

there's just so much going on

2502

01:31:12,550 --> 01:31:11,199

it would be great to focus a

2503

01:31:16,790 --> 01:31:12,560

conversation on that

2504

01:31:19,750 --> 01:31:16,800

definitely well greg i really appreciate

2505

01:31:21,030 --> 01:31:19,760

your action your efforts to alert and

2506

01:31:22,629 --> 01:31:21,040

warn people

2507

01:31:25,430 --> 01:31:22,639

and for everyone again that have

2508

01:31:29,669 --> 01:31:25,440

listened take some kind of action

2509

01:31:33,750 --> 01:31:29,679

your lack of action is our demise

2510

01:31:36,709 --> 01:31:33,760

you're involved in all of our demise

2511

01:31:38,870 --> 01:31:36,719

so i would definitely help forward out

2512

01:31:42,070 --> 01:31:38,880

this information as quickly as you can

2513

01:31:43,590 --> 01:31:42,080

to as many as you can and understand

2514

01:31:46,229 --> 01:31:43,600

your reality

2515

01:31:47,510 --> 01:31:46,239

decide self-activate decide what you can

2516

01:31:49,910 --> 01:31:47,520

do

2517

01:31:51,510 --> 01:31:49,920

i certainly self-activated i know greg

2518

01:31:54,470 --> 01:31:51,520

is self-activated

2519

01:31:54,950 --> 01:31:54,480

so again thank you so so much greg you

2520

01:31:57,510 --> 01:31:54,960

got it

2521

01:31:58,149 --> 01:31:57,520

thank you very heavy stuff but people

2522

01:32:00,629 --> 01:31:58,159

should remember

2523

01:32:02,709 --> 01:32:00,639

don't fall into panic reject the

2524

01:32:05,350 --> 01:32:02,719

anti-life agendas

2525

01:32:06,310 --> 01:32:05,360

educate the people you love have a plan

2526

01:32:09,110 --> 01:32:06,320

and build

2527

01:32:10,229 --> 01:32:09,120

the networks that we're gonna need can't

2528

01:32:12,950 --> 01:32:10,239

thank you enough

2529

01:32:13,669 --> 01:32:12,960

you're so dedicated and it is so needed

2530

01:32:16,390 --> 01:32:13,679

so

2531

01:32:18,470 --> 01:32:16,400

appreciate it take care and hopefully we

2532

01:32:22,310 --> 01:32:18,480

will talk again in the future

2533

01:32:25,990 --> 01:32:25,110

it's the end of the world as we know it

2534

01:32:28,790 --> 01:32:26,000

and

2535

01:32:30,550 --> 01:32:28,800

i don't feel so fine if you are a bit

2536

01:32:32,950 --> 01:32:30,560

queasy after this one

2537

01:32:35,110 --> 01:32:32,960

you are not alone i left my office all

2538

01:32:36,070 --> 01:32:35,120

fired up and my wife had to hear about

2539

01:32:38,870 --> 01:32:36,080

it

2540

01:32:40,790 --> 01:32:38,880

pretty much every day since this was an

2541

01:32:43,669 --> 01:32:40,800

intense one and it's hard to

2542

01:32:46,070 --> 01:32:43,679

keep a light positive humorous attitude

2543

01:32:47,830 --> 01:32:46,080

when this is what we're dealing with

2544

01:32:50,310 --> 01:32:47,840

but i am very thankful that we have

2545

01:32:52,149 --> 01:32:50,320

debra out there reading these documents

2546

01:32:53,030 --> 01:32:52,159

going to these meetings and actually

2547

01:32:56,070 --> 01:32:53,040

offering up

2548

01:32:57,830 --> 01:32:56,080

some resistance actually make them feel

2549

01:32:59,510 --> 01:32:57,840

like someone is paying attention because

2550

01:33:00,070 --> 01:32:59,520

you go to any of these city council

2551  
01:33:03,030 --> 01:33:00,080  
meetings

2552  
01:33:05,750 --> 01:33:03,040  
and there's nobody there it's so much

2553  
01:33:07,830 --> 01:33:05,760  
like parks and rec it is sad

2554  
01:33:09,830 --> 01:33:07,840  
and i don't know if it's futile or not

2555  
01:33:11,430 --> 01:33:09,840  
but getting involved in our local

2556  
01:33:13,350 --> 01:33:11,440  
governments making sure

2557  
01:33:15,590 --> 01:33:13,360  
when they sell us out they at least have

2558  
01:33:17,430 --> 01:33:15,600  
eyes on them they have an audience

2559  
01:33:19,590 --> 01:33:17,440  
i guess i hope that maybe that would

2560  
01:33:21,110 --> 01:33:19,600  
cause their guilt to take over in some

2561  
01:33:23,110 --> 01:33:21,120  
cases

2562  
01:33:24,790 --> 01:33:23,120  
it's tough to say but i've been a fan of

2563  
01:33:26,950 --> 01:33:24,800

deborah's for a long time

2564

01:33:29,430 --> 01:33:26,960

i'm really glad we could finally get her

2565

01:33:30,149 --> 01:33:29,440

here she stays super busy and she spent

2566

01:33:32,149 --> 01:33:30,159

an extra

2567

01:33:34,070 --> 01:33:32,159

20 minutes with us today so i'm thankful

2568

01:33:36,709 --> 01:33:34,080

for that as well

2569

01:33:38,149 --> 01:33:36,719

it's sad to hear about the losses of her

2570

01:33:39,510 --> 01:33:38,159

friends and family in northern

2571

01:33:41,830 --> 01:33:39,520

california

2572

01:33:43,350 --> 01:33:41,840

it's sad to have your sanctuary burnt to

2573

01:33:46,229 --> 01:33:43,360

the ground no matter who

2574

01:33:47,669 --> 01:33:46,239

or where you are i've seen comments on

2575

01:33:50,629 --> 01:33:47,679

our videos where people

2576

01:33:51,990 --> 01:33:50,639

have no empathy and say oh well you have

2577

01:33:53,910 --> 01:33:52,000

a half a million dollar house in

2578

01:33:55,830 --> 01:33:53,920

california you'll be fine

2579

01:33:56,950 --> 01:33:55,840

and i just shake my head because that

2580

01:33:59,910 --> 01:33:56,960

doesn't mean that their

2581

01:34:00,470 --> 01:33:59,920

loss isn't real some people work for an

2582

01:34:02,790 --> 01:34:00,480

extra

2583

01:34:03,990 --> 01:34:02,800

decade compared to those in the midwest

2584

01:34:07,430 --> 01:34:04,000

so that they can finally

2585

01:34:08,870 --> 01:34:07,440

reach that level of quote-unquote owning

2586

01:34:09,910 --> 01:34:08,880

something you know we never really own

2587

01:34:11,990 --> 01:34:09,920

anything

2588

01:34:13,750 --> 01:34:12,000

or sometimes these homes are inherited

2589

01:34:15,750 --> 01:34:13,760

from a generation when it wasn't so

2590

01:34:18,390 --> 01:34:15,760

insanely priced and this is the one

2591

01:34:19,510 --> 01:34:18,400

asset a family has been able to pass

2592

01:34:22,709 --> 01:34:19,520

down

2593

01:34:24,470 --> 01:34:22,719

we're on the same side here you know

2594

01:34:26,790 --> 01:34:24,480

but i agree with a lot of her points

2595

01:34:28,950 --> 01:34:26,800

about weather weapons they pump up this

2596

01:34:30,870 --> 01:34:28,960

idea of climate change for 10 years

2597

01:34:31,590 --> 01:34:30,880

drill it into our heads everywhere we

2598

01:34:33,910 --> 01:34:31,600

look

2599

01:34:37,430 --> 01:34:33,920

and then they have free rain to use

2600

01:34:39,350 --> 01:34:37,440

fires hurricanes earthquakes droughts

2601  
01:34:41,270 --> 01:34:39,360  
everything they can and nobody bats an

2602  
01:34:42,629 --> 01:34:41,280  
eye because well they told me this was

2603  
01:34:43,830 --> 01:34:42,639  
going to happen

2604  
01:34:45,270 --> 01:34:43,840  
they told me things were going to get

2605  
01:34:46,310 --> 01:34:45,280  
chaotic and the weather was going to be

2606  
01:34:48,310 --> 01:34:46,320  
amped up to 11

2607  
01:34:49,990 --> 01:34:48,320  
so i guess i shouldn't be surprised when

2608  
01:34:51,669 --> 01:34:50,000  
that's the reality

2609  
01:34:54,149 --> 01:34:51,679  
of course deborah doesn't think we do

2610  
01:34:56,950 --> 01:34:54,159  
but i suspect we still have some

2611  
01:34:58,950 --> 01:34:56,960  
natural weather events but you cannot

2612  
01:35:00,229 --> 01:34:58,960  
discount that a lot of this is

2613  
01:35:03,270 --> 01:35:00,239

controlled and

2614

01:35:05,430 --> 01:35:03,280

it targets specific communities and it's

2615

01:35:08,629 --> 01:35:05,440

just another wealth destruction

2616

01:35:11,669 --> 01:35:08,639

technique to wipe out anyone who's

2617

01:35:13,590 --> 01:35:11,679

even doing halfway alright hey you

2618

01:35:15,590 --> 01:35:13,600

worked really hard but your business is

2619

01:35:17,189 --> 01:35:15,600

closed because of covid and now your

2620

01:35:20,470 --> 01:35:17,199

house is burnt to ash

2621

01:35:22,470 --> 01:35:20,480

good luck out there resource throttling

2622

01:35:23,910 --> 01:35:22,480

blackouts and all the rest of it

2623

01:35:26,830 --> 01:35:23,920

man when she really gets into the

2624

01:35:27,990 --> 01:35:26,840

details i know i start to feel quite

2625

01:35:30,950 --> 01:35:28,000

vulnerable

2626  
01:35:32,950 --> 01:35:30,960  
the idea of the sewer backing up because

2627  
01:35:33,750 --> 01:35:32,960  
of a blackout really made me think

2628  
01:35:35,910 --> 01:35:33,760  
because

2629  
01:35:37,510 --> 01:35:35,920  
i could entertain myself for longer than

2630  
01:35:41,189 --> 01:35:37,520  
most people without lights

2631  
01:35:42,149 --> 01:35:41,199  
or tv but if i'm up to my ankles in [h\_\_\h]

2632  
01:35:44,070 --> 01:35:42,159  
water well

2633  
01:35:46,790 --> 01:35:44,080  
that's going to make it hard to focus on

2634  
01:35:48,470 --> 01:35:46,800  
reading or something like that

2635  
01:35:51,270 --> 01:35:48,480  
maybe it's time to come up with some

2636  
01:35:55,510 --> 01:35:53,350  
but tie this stuff in with whitney

2637  
01:35:57,590 --> 01:35:55,520  
webb's last show and who really controls

2638  
01:36:00,149 --> 01:35:57,600

our critical infrastructure

2639

01:36:01,990 --> 01:36:00,159

who sold us the software that manages

2640

01:36:05,189 --> 01:36:02,000

the water and electrical systems

2641

01:36:07,510 --> 01:36:05,199

apparently it's the maxwell sisters once

2642

01:36:08,629 --> 01:36:07,520

gallane compromises all the political

2643

01:36:10,870 --> 01:36:08,639

decision makers

2644

01:36:12,950 --> 01:36:10,880

the other sisters come in and say hey

2645

01:36:13,750 --> 01:36:12,960

allow our company to run your city's

2646

01:36:15,430 --> 01:36:13,760

systems

2647

01:36:18,629 --> 01:36:15,440

and those videos of you and the kids

2648

01:36:22,709 --> 01:36:20,790

on a day like today this stuff really

2649

01:36:24,229 --> 01:36:22,719

starts to get me freaked out because i

2650

01:36:27,669 --> 01:36:24,239

realize how vulnerable

2651

01:36:28,950 --> 01:36:27,679

i am and how vulnerable we all are

2652

01:36:30,629 --> 01:36:28,960

really

2653

01:36:32,709 --> 01:36:30,639

i have a pretty good head start on

2654

01:36:33,430 --> 01:36:32,719

collecting an income outside of the

2655

01:36:35,750 --> 01:36:33,440

system

2656

01:36:37,590 --> 01:36:35,760

covid can't close down the thc

2657

01:36:39,430 --> 01:36:37,600

storefront you know

2658

01:36:41,350 --> 01:36:39,440

and i interview all my guests remotely

2659

01:36:42,870 --> 01:36:41,360

anyway so very little has had to change

2660

01:36:45,669 --> 01:36:42,880

in that regard

2661

01:36:47,109 --> 01:36:45,679

but we all live on system dependence and

2662

01:36:49,750 --> 01:36:47,119

the systems we've taken

2663

01:36:51,350 --> 01:36:49,760

for granted are less stable than they

2664

01:36:54,470 --> 01:36:51,360

used to be

2665

01:36:56,550 --> 01:36:54,480

where do you go what do you do i thought

2666

01:36:57,910 --> 01:36:56,560

about expatriating but deborah makes a

2667

01:37:00,149 --> 01:36:57,920

lot of good points about that

2668

01:37:02,390 --> 01:37:00,159

some expat communities are just rich

2669

01:37:03,510 --> 01:37:02,400

americans living in gated communities in

2670

01:37:06,149 --> 01:37:03,520

the third world

2671

01:37:07,750 --> 01:37:06,159

while the locals wait on them that

2672

01:37:10,229 --> 01:37:07,760

sounds kind of icky to me

2673

01:37:12,310 --> 01:37:10,239

and is it even gonna last might that

2674

01:37:15,189 --> 01:37:12,320

disparity eventually spill over

2675

01:37:17,270 --> 01:37:15,199

into anger and rage i wouldn't be

2676

01:37:19,750 --> 01:37:17,280

surprised

2677

01:37:22,070 --> 01:37:19,760

besides just retreating to some gated

2678

01:37:25,109 --> 01:37:22,080

community outside of the states

2679

01:37:26,950 --> 01:37:25,119

feels like a fear response and i'm not a

2680

01:37:29,590 --> 01:37:26,960

big fan of that

2681

01:37:31,350 --> 01:37:29,600

plus with border lockdowns being a real

2682

01:37:33,030 --> 01:37:31,360

part of our lives now not really a

2683

01:37:34,470 --> 01:37:33,040

hypothetical anymore

2684

01:37:36,229 --> 01:37:34,480

i don't want to live anywhere where i

2685

01:37:38,790 --> 01:37:36,239

can't get to people i care about

2686

01:37:40,950 --> 01:37:38,800

at least by car maybe there's no

2687

01:37:43,189 --> 01:37:40,960

security anywhere

2688

01:37:45,030 --> 01:37:43,199

i'm sure some people out there are

2689

01:37:46,709 --> 01:37:45,040

vibing with my concerns and it's

2690

01:37:48,629 --> 01:37:46,719

frustrating to me

2691

01:37:50,070 --> 01:37:48,639

because over the next 30 days about a

2692

01:37:53,270 --> 01:37:50,080

hundred thousand people

2693

01:37:53,590 --> 01:37:53,280

will hear this episode and about 99 000

2694

01:37:55,910 --> 01:37:53,600

will

2695

01:37:58,870 --> 01:37:55,920

shrug their shoulders and just go on to

2696

01:38:01,350 --> 01:37:58,880

the next podcast on their list

2697

01:38:02,709 --> 01:38:01,360

i understand i can be the same way

2698

01:38:06,229 --> 01:38:02,719

listening to a podcast

2699

01:38:09,030 --> 01:38:06,239

feels like a solo experience but when i

2700

01:38:11,510 --> 01:38:09,040

see those collective totals it's like

2701

01:38:13,030 --> 01:38:11,520

this is enough people to actually do

2702

01:38:17,189 --> 01:38:13,040

something

2703

01:38:20,550 --> 01:38:17,199

but i guess that's just not how it works

2704

01:38:21,430 --> 01:38:20,560

so uh definitely go to stopthecrime.net

2705

01:38:23,750 --> 01:38:21,440

check out the

2706

01:38:25,750 --> 01:38:23,760

references she mentioned that i have

2707

01:38:27,910 --> 01:38:25,760

linked in the show notes

2708

01:38:30,070 --> 01:38:27,920

deborah might seem a little extreme but

2709

01:38:31,590 --> 01:38:30,080

extreme personalities are pretty much

2710

01:38:33,830 --> 01:38:31,600

the norm around here

2711

01:38:35,990 --> 01:38:33,840

and much of what she says is based on

2712

01:38:37,590 --> 01:38:36,000

the documents that she has available on

2713

01:38:39,669 --> 01:38:37,600

her website

2714

01:38:42,870 --> 01:38:39,679

it takes a certain kind of person to be

2715

01:38:44,950 --> 01:38:42,880

such a dedicated watchdog on this stuff

2716

01:38:46,629 --> 01:38:44,960

and i suspect you're going to be very

2717

01:38:49,830 --> 01:38:46,639

thankful for her one day

2718

01:38:52,149 --> 01:38:49,840

if not already but that said if you were

2719

01:38:53,910 --> 01:38:52,159

intrigued by the first hour you know we

2720

01:38:56,950 --> 01:38:53,920

always have a second hour for plus

2721

01:38:59,189 --> 01:38:56,960

members sign up at [thehiresidechats.com](http://thehiresidechats.com)

2722

01:39:02,390 --> 01:38:59,199

the second hour got a bit out there we

2723

01:39:04,790 --> 01:39:02,400

talked about cyborgs clones and chimeras

2724

01:39:06,070 --> 01:39:04,800

what life will be like for the non-covid

2725

01:39:08,310 --> 01:39:06,080

vaccinated

2726

01:39:09,109 --> 01:39:08,320

tips for being more self-sufficient how

2727

01:39:12,149 --> 01:39:09,119

to set up

2728

01:39:12,709 --> 01:39:12,159

local methods of exchange you know the

2729

01:39:14,870 --> 01:39:12,719

drill

2730

01:39:16,950 --> 01:39:14,880

i'm sure the free plus split is going to

2731

01:39:19,030 --> 01:39:16,960

be heavy on the free side today because

2732

01:39:20,790 --> 01:39:19,040

i always want to fit in the solution

2733

01:39:23,830 --> 01:39:20,800

stuff for everybody

2734

01:39:26,070 --> 01:39:23,840

and that was a pretty large chunk of the

2735

01:39:28,229 --> 01:39:26,080

last 15 minutes or so

2736

01:39:30,070 --> 01:39:28,239

and i sure hope you will contribute

2737

01:39:30,470 --> 01:39:30,080

eight dollars and sign up for the full

2738

01:39:32,390 --> 01:39:30,480

show

2739

01:39:34,550 --> 01:39:32,400

but i'd at least like to know that there

2740

01:39:37,990 --> 01:39:34,560

was no paywall between people

2741

01:39:41,109 --> 01:39:38,000

and the proposed solutions

2742

01:39:42,470 --> 01:39:41,119

when things are so volatile

2743

01:39:44,629 --> 01:39:42,480

but we also talked about that

2744

01:39:45,910 --> 01:39:44,639

documentary life in the fast lane

2745

01:39:47,510 --> 01:39:45,920

in the plush show or at least we

2746

01:39:51,030 --> 01:39:47,520

mentioned it when deborah was talking

2747

01:39:53,109 --> 01:39:51,040

about chimeras and clones and hybrids

2748

01:39:55,189 --> 01:39:53,119

life in the fast lane is a pretty wild

2749

01:39:58,390 --> 01:39:55,199

documentary about what seems to be

2750

01:39:59,910 --> 01:39:58,400

two superhuman twin women it's fuzzy in

2751

01:40:01,910 --> 01:39:59,920

my memory but they

2752

01:40:04,229 --> 01:40:01,920

seemed to have escaped from somewhere

2753

01:40:06,070 --> 01:40:04,239

and were acting erratic on the highway i

2754

01:40:09,510 --> 01:40:06,080

believe one got hit by a car

2755

01:40:10,070 --> 01:40:09,520

or jumped over the edge and she wasn't

2756

01:40:12,550 --> 01:40:10,080

even

2757

01:40:14,790 --> 01:40:12,560

very hurt but they went to the hospital

2758

01:40:17,030 --> 01:40:14,800

and these ladies were just quite strange

2759

01:40:18,310 --> 01:40:17,040

i can't remember what language they

2760

01:40:20,070 --> 01:40:18,320

spoke but i'm pretty sure that was a

2761

01:40:21,669 --> 01:40:20,080

part of it too

2762

01:40:23,669 --> 01:40:21,679

i actually just looked it up it's called

2763

01:40:25,270 --> 01:40:23,679

madness in the fast lane and i'm just

2764

01:40:26,149 --> 01:40:25,280

gonna link to it in the show notes so

2765

01:40:30,149 --> 01:40:26,159

you don't have to go

2766

01:40:31,990 --> 01:40:30,159

searching i am glad she brought that up

2767

01:40:34,709 --> 01:40:32,000

because it really was something that i

2768

01:40:36,390 --> 01:40:34,719

kind of forgot about entirely

2769

01:40:38,310 --> 01:40:36,400

i mean there does seem to be a lot of

2770

01:40:39,430 --> 01:40:38,320

weird projects and experiments being

2771

01:40:41,270 --> 01:40:39,440

done out there

2772

01:40:42,470 --> 01:40:41,280

so you could assume that once in a while

2773

01:40:45,030 --> 01:40:42,480

it would spill out

2774

01:40:46,950 --> 01:40:45,040

into the open and this documentary might

2775

01:40:50,070 --> 01:40:46,960

be an example of that

2776

01:40:51,350 --> 01:40:50,080

decide for yourself when you see it but

2777

01:40:53,430 --> 01:40:51,360

that said

2778

01:40:54,709 --> 01:40:53,440

find your local networks build

2779

01:40:57,750 --> 01:40:54,719

relationships

2780

01:41:00,550 --> 01:40:57,760

insulate yourself from vulnerability

2781

01:41:01,350 --> 01:41:00,560

i guess if you're in san diego let me

2782

01:41:03,350 --> 01:41:01,360

know

2783

01:41:05,430 --> 01:41:03,360

a few people who are did happen to reach

2784

01:41:05,750 --> 01:41:05,440

out lately and i get a ton of emails but

2785

01:41:09,669 --> 01:41:05,760

i

2786

01:41:12,950 --> 01:41:09,679

do have a folder just for locals

2787

01:41:15,910 --> 01:41:12,960

so that's something ah and uh

2788

01:41:17,990 --> 01:41:15,920

stop watching thc on youtube connect to

2789

01:41:21,350 --> 01:41:18,000

the podcast so we have a more direct

2790

01:41:23,830 --> 01:41:21,360

line that is harder to cut another round

2791

01:41:26,390 --> 01:41:23,840

of big shows just got taken down and i'm

2792

01:41:29,109 --> 01:41:26,400

about to upload one with covid control

2793

01:41:29,990 --> 01:41:29,119

in the title so in the immortal words of

2794

01:41:33,350 --> 01:41:30,000

scar

2795

01:41:34,470 --> 01:41:33,360

be prepared maybe i'll name it something

2796

01:41:37,189 --> 01:41:34,480

less obvious

2797

01:41:38,870 --> 01:41:37,199

still thinking about that but take care

2798

01:41:41,270 --> 01:41:38,880

of you and yours

2799

01:41:42,870 --> 01:41:41,280

it's getting a little hairy out there

2800

01:41:46,390 --> 01:41:42,880

and i guess that's it for me

2801  
01:41:47,750 --> 01:41:46,400  
i don't want my fantastic mood to be too

2802  
01:41:49,750 --> 01:41:47,760  
contagious

2803  
01:41:52,470 --> 01:41:49,760  
but thanks again to debra for all her

2804  
01:41:53,350 --> 01:41:52,480  
dedication stopthecrime.net and i'll see

2805  
01:41:55,750 --> 01:41:53,360  
you next time

2806  
01:41:57,990 --> 01:41:55,760  
i've done my part your move whether

2807  
01:42:00,310 --> 01:41:58,000  
weapon operators armageddon agenda

2808  
01:42:02,070 --> 01:42:00,320  
pushers and diabolical directors of the

2809  
01:42:06,149 --> 01:42:02,080  
engineered collapse

2810  
01:42:15,109 --> 01:42:10,629  
maybe you'll see god damn

2811  
01:42:18,149 --> 01:42:15,119  
this plan no fan spraying

2812  
01:42:23,750 --> 01:42:18,159  
on me cronies

2813  
01:42:32,830 --> 01:42:23,760

don't you know they control the weather

2814

01:42:43,030 --> 01:42:37,669

[Music]

2815

01:42:50,030 --> 01:42:43,040

i think i sing

2816

01:42:51,630 --> 01:42:50,650

[Music]

2817

01:42:53,750 --> 01:42:51,640

[Applause]

2818

01:43:11,540 --> 01:42:53,760

[Music]

2819

01:43:30,149 --> 01:43:11,550

the sun

2820

01:43:34,860 --> 01:43:30,159

[Music]

2821

01:43:36,070 --> 01:43:34,870

don't you know they control the weather

2822

01:43:50,070 --> 01:43:36,080

[Music]

2823

01:43:54,149 --> 01:43:52,500

it blocks the sun

2824

01:43:58,720 --> 01:43:54,159

[Music]

2825

01:44:00,070 --> 01:43:58,730

don't you know they control the weather

2826

01:44:05,320 --> 01:44:00,080

[Music]

2827

01:44:15,189 --> 01:44:05,330

with the chemicals that they spray

2828

01:44:15,199 --> 01:44:23,840

the sun
