1
00:00:04,630 --> 00:00:02,830

[Music]

2
00:00:06,869 --> 00:00:04,640
congratulations youtube

3
00:00:08,310 --> 00:00:06,879
you did it you wore me down and you

4
00:00:10,709 --> 00:00:08,320
sucked me back in

5
00:00:12,150 --> 00:00:10,719
i have too many subscribers here just to

6
00:00:14,230 --> 00:00:12,160
walk away entirely

7
00:00:15,430 --> 00:00:14,240
especially with no alternative that

8
00:00:17,510 --> 00:00:15,440
truly stacks up

9
00:00:19,590 --> 00:00:17,520
and so many copycat channels uploading

10
00:00:22,070 --> 00:00:19,600
my shows for me anyway

11
00:00:24,150 --> 00:00:22,080
but we can't forget the thc's account

12
00:00:25,910 --> 00:00:24,160
here is on thin ice

13
00:00:28,710 --> 00:00:25,920

and so the youtube version of the show

14

00:00:31,589 --> 00:00:28,720

has to be prefaced with this little psa

15

00:00:32,870 --> 00:00:31,599

only to say that episodes that contain

16

00:00:34,709 --> 00:00:32,880

the kinds of themes that have been

17

00:00:37,670 --> 00:00:34,719

regularly banned on youtube

18

00:00:38,389 --> 00:00:37,680

will not appear here and even with that

19

00:00:40,229 --> 00:00:38,399

precaution

20

00:00:42,310 --> 00:00:40,239

there's already enough in the archive to

21

00:00:44,549 --> 00:00:42,320

get us removed so remember that the

22

00:00:45,830 --> 00:00:44,559

higher side chats could be banned or put

23

00:00:48,229 --> 00:00:45,840

in time out again

24

00:00:49,430 --> 00:00:48,239

at any time and i won't be able to tell

25

00:00:51,510 --> 00:00:49,440

you guys about it

26

00:00:53,189 --> 00:00:51,520

so if you feel like it's been too long

27

00:00:55,350 --> 00:00:53,199

since you've heard from me here on this

28

00:00:57,350 --> 00:00:55,360

digital dystopian draconian

29

00:00:59,110 --> 00:00:57,360

data mining monster of a police state

30

00:01:00,990 --> 00:00:59,120

seeking platform

31

00:01:03,750 --> 00:01:01,000

your first step should be to check the

32

00:01:10,390 --> 00:01:03,760

hiresightchats.com for the latest shows

33

00:01:13,510 --> 00:01:12,310

embrace yourself because you're about to

34

00:01:15,109 --> 00:01:13,520

dive into another free

35

00:01:16,950 --> 00:01:15,119

first hour episode of the higher side

36

00:01:18,070 --> 00:01:16,960

chats and we just want to let you know

37

00:01:20,230 --> 00:01:18,080

that whether you're looking for a

38

00:01:21,510 --> 00:01:20,240

companion through your paranoid insomnia

39

00:01:23,270 --> 00:01:21,520

entertaining yourself through one of

40

00:01:24,710 --> 00:01:23,280

life's mundane activities

41

00:01:26,950 --> 00:01:24,720

or trying to ward off the internal

42

00:01:27,990 --> 00:01:26,960

screams of all those sad smothered souls

43

00:01:30,149 --> 00:01:28,000

around the office

44

00:01:31,749 --> 00:01:30,159

thc is here and you should know that

45

00:01:32,950 --> 00:01:31,759

every episode of the higher side chats

46

00:01:35,710 --> 00:01:32,960

has an entire second

47

00:01:36,950 --> 00:01:35,720

hour for plus members sign up at the

48

00:01:38,630 --> 00:01:36,960

highersidechats.com

49

00:01:40,950 --> 00:01:38,640

and you'll get years of plus show

50

00:01:42,550 --> 00:01:40,960

archives lifetime forum access

51
00:01:44,149 --> 00:01:42,560
a special invite to greg carlwood's

52
00:01:47,429 --> 00:01:44,159
monthly joint sessions

53
00:01:50,469 --> 00:01:47,439
mp3s of thc music bonus episodes

54
00:01:52,069 --> 00:01:50,479
tour videos and 10 off t-shirts

55
00:01:54,149 --> 00:01:52,079
grinders and whatever else ends up in

56
00:01:55,590 --> 00:01:54,159
the higher side store it's eight dollars

57
00:01:57,270 --> 00:01:55,600
a month that you won't miss

58
00:01:59,190 --> 00:01:57,280
so become a plus member and treat

59
00:02:01,429 --> 00:01:59,200
yourself in these troubled times

60
00:02:02,870 --> 00:02:01,439
always action-packed and commercial-free

61
00:02:12,470 --> 00:02:02,880
which means you'll unfortunately

62
00:02:17,030 --> 00:02:15,190
in the 1930s president franklin delano

63
00:02:19,589 --> 00:02:17,040

roosevelt addressed the nation through a

64

00:02:21,270 --> 00:02:19,599

series of radio broadcasts known as the

65

00:02:23,430 --> 00:02:21,280

fireside chats

66

00:02:25,350 --> 00:02:23,440

his aim was to reassure the common man

67

00:02:26,470 --> 00:02:25,360

that our society would recover from its

68

00:02:29,110 --> 00:02:26,480

troubled times

69

00:02:30,630 --> 00:02:29,120

well we're far from 1930 and i deal with

70

00:02:33,350 --> 00:02:30,640

a different kind of fire

71

00:02:33,830 --> 00:02:33,360

for a new era of worldly frustration we

72

00:02:37,270 --> 00:02:33,840

offer

73

00:02:40,630 --> 00:02:37,280

a fresh conversation i'm greg carlwood

74

00:02:42,390 --> 00:02:40,640

and these are the higher side chats

75

00:02:44,550 --> 00:02:42,400

hello again higherside chatters from

76
00:02:46,070 --> 00:02:44,560
sunny san diego i'm greg karlwood and

77
00:02:48,150 --> 00:02:46,080
while the rest of the world trades

78
00:02:49,990 --> 00:02:48,160
opinions about twitter's trending topics

79
00:02:51,830 --> 00:02:50,000
and anticipates the decree that they can

80
00:02:53,350 --> 00:02:51,840
safely return to the familiar comfort of

81
00:02:55,030 --> 00:02:53,360
a baseball stadium

82
00:02:56,710 --> 00:02:55,040
today we're gonna wade into the hotbed

83
00:02:58,070 --> 00:02:56,720
of weirdness that is the penny royal

84
00:02:59,750 --> 00:02:58,080
plateau

85
00:03:01,990 --> 00:02:59,760
if you don't know and i definitely

86
00:03:04,229 --> 00:03:02,000
didn't the penny royal is a large area

87
00:03:05,990 --> 00:03:04,239
of kentucky that is home to a great deal

88
00:03:08,309 --> 00:03:06,000

of high strangeness activity

89
00:03:09,750 --> 00:03:08,319
abandoned mines the mammoth cave system

90
00:03:12,229 --> 00:03:09,760
said to be the largest in the world with

91
00:03:13,030 --> 00:03:12,239
an estimated 1 000 miles of underground

92
00:03:14,229 --> 00:03:13,040
goodness

93
00:03:16,070 --> 00:03:14,239
and it's all right there at the

94
00:03:17,670 --> 00:03:16,080
foothills of the appalachians thought to

95
00:03:18,869 --> 00:03:17,680
be one of the world's oldest mountain

96
00:03:20,390 --> 00:03:18,879
ranges

97
00:03:21,750 --> 00:03:20,400
well if you spent any sort of time

98
00:03:23,190 --> 00:03:21,760
looking into the paranormal you know

99
00:03:24,869 --> 00:03:23,200
that one of the key factors in

100
00:03:27,990 --> 00:03:24,879
unraveling many of the mysteries

101
00:03:29,830 --> 00:03:28,000
is place whether it's ley lines a potent

102
00:03:32,070 --> 00:03:29,840
and emotionally charged history or

103
00:03:33,670 --> 00:03:32,080
anomalous qualities to the landscape

104
00:03:35,430 --> 00:03:33,680
when people have high strangeness

105
00:03:36,229 --> 00:03:35,440
encounters we should pay extra attention

106
00:03:38,470 --> 00:03:36,239
to where they

107
00:03:40,550 --> 00:03:38,480
are and with the rich quartz crystal

108
00:03:42,229 --> 00:03:40,560
concentration the ancient mountains the

109
00:03:43,830 --> 00:03:42,239
history the seclusion and of course the

110
00:03:45,830 --> 00:03:43,840
mammoth cave system

111
00:03:47,830 --> 00:03:45,840
this corner of kentucky is well worth

112
00:03:49,350 --> 00:03:47,840
our time and here to help us take a deep

113
00:03:51,110 --> 00:03:49,360

dive into the pandora's box of

114

00:03:52,630 --> 00:03:51,120

paranormal provocativeness that is

115

00:03:55,670 --> 00:03:52,640

spilling out of the penny royal

116

00:03:57,589 --> 00:03:55,680

is nathan isaac nathan is a lifelong fan

117

00:03:59,509 --> 00:03:57,599

of fortian phenomena who turned that

118

00:04:01,429 --> 00:03:59,519

love into labor and produced the eight

119

00:04:03,589 --> 00:04:01,439

part penny royal podcast series that

120

00:04:05,750 --> 00:04:03,599

covers a whole host of strange history

121

00:04:07,509 --> 00:04:05,760

activities sightings and events in the

122

00:04:08,630 --> 00:04:07,519

area and it is a pleasure to have him

123

00:04:10,869 --> 00:04:08,640

here today

124

00:04:13,110 --> 00:04:10,879

the summerset seeker of high strangeness

125

00:04:15,270 --> 00:04:13,120

and penny royal podcaster of pulaski

126

00:04:16,789 --> 00:04:15,280

county nathan my man welcome to the

127

00:04:19,270 --> 00:04:16,799

higher side

128

00:04:20,390 --> 00:04:19,280

thanks craig man that's awesome dude and

129

00:04:21,590 --> 00:04:20,400

thanks for having me tonight man i'm

130

00:04:21,909 --> 00:04:21,600

super excited to talk to you about all

131

00:04:24,469 --> 00:04:21,919

this

132

00:04:25,990 --> 00:04:24,479

craziness of course of course i'm

133

00:04:26,469 --> 00:04:26,000

psyched it is a pleasure to have you

134

00:04:29,030 --> 00:04:26,479

here

135

00:04:31,189 --> 00:04:29,040

i thought your eight episode penny royal

136

00:04:33,270 --> 00:04:31,199

podcast was super interesting

137

00:04:34,870 --> 00:04:33,280

so many wild threads to talk about

138

00:04:38,469 --> 00:04:34,880

bizarre stories that

139

00:04:40,870 --> 00:04:38,479

get well beyond your typical bigfoot or

140

00:04:42,710 --> 00:04:40,880

silver ship sighting and i didn't want

141

00:04:44,390 --> 00:04:42,720

to give too much away there in the intro

142

00:04:46,870 --> 00:04:44,400

so i kept it kind of vague but

143

00:04:47,670 --> 00:04:46,880

to dive into this thing for people who

144

00:04:50,390 --> 00:04:47,680

really have

145

00:04:53,110 --> 00:04:50,400

no context at all what would be a good

146

00:04:54,870 --> 00:04:53,120

description of the penny royal area and

147

00:04:58,070 --> 00:04:54,880

the qualities that make it

148

00:04:58,469 --> 00:04:58,080

so unique i guess what i usually tell

149

00:05:00,629 --> 00:04:58,479

people

150

00:05:02,310 --> 00:05:00,639

when we're talking about penny royal

151
00:05:06,230 --> 00:05:02,320
it's an area

152
00:05:08,469 --> 00:05:06,240
that goes from the appalachian mountains

153
00:05:09,590 --> 00:05:08,479
west through central kentucky south

154
00:05:12,629 --> 00:05:09,600
central kentucky

155
00:05:15,590 --> 00:05:12,639
to western kentucky and then up to

156
00:05:16,310 --> 00:05:15,600
the bluegrass region where lexington is

157
00:05:19,110 --> 00:05:16,320
sort of where

158
00:05:20,230 --> 00:05:19,120
all the horse parks are so this

159
00:05:24,870 --> 00:05:20,240
particular region

160
00:05:26,310 --> 00:05:24,880
is a karst region which makes it pretty

161
00:05:29,350 --> 00:05:26,320
unique

162
00:05:31,029 --> 00:05:29,360
lots of sinkholes lots of caves

163
00:05:32,710 --> 00:05:31,039

the mammoth cave system is on the

164

00:05:35,189 --> 00:05:32,720

western part of it

165

00:05:36,469 --> 00:05:35,199

and i guess the biggest feature the

166

00:05:38,870 --> 00:05:36,479

strangest feature

167

00:05:40,070 --> 00:05:38,880

and really what kind of started me down

168

00:05:43,350 --> 00:05:40,080

the rabbit hole

169

00:05:45,430 --> 00:05:43,360

of this whole you know mystery this area

170

00:05:47,909 --> 00:05:45,440

was finding out that actually pulaski

171

00:05:51,189 --> 00:05:47,919

county is

172

00:05:54,390 --> 00:05:51,199

the center of what nasa calls

173

00:05:56,550 --> 00:05:54,400

the kentucky anomaly right and so

174

00:05:57,990 --> 00:05:56,560

the kentucky anomaly is the largest

175

00:06:00,710 --> 00:05:58,000

spike of

176
00:06:02,550 --> 00:06:00,720
geomagnetic energy in the western

177
00:06:04,469 --> 00:06:02,560
hemisphere

178
00:06:05,670 --> 00:06:04,479
the reason that i found this out the way

179
00:06:09,110 --> 00:06:05,680
that i found it out is that

180
00:06:11,270 --> 00:06:09,120
i'd i've been reading about sedona

181
00:06:13,749 --> 00:06:11,280
people say now that sedona's sort of

182
00:06:16,309 --> 00:06:13,759
less of a hot spot for

183
00:06:17,990 --> 00:06:16,319
ufos you know that's too much tourism

184
00:06:19,670 --> 00:06:18,000
and it's not there anymore but

185
00:06:21,350 --> 00:06:19,680
i love sedona that's one of my favorite

186
00:06:22,870 --> 00:06:21,360
places but

187
00:06:25,430 --> 00:06:22,880
i was reading about it and they were

188
00:06:28,710 --> 00:06:25,440

having all of these sightings

189

00:06:31,110 --> 00:06:28,720

of ufos and i'd read about the quartz

190

00:06:32,309 --> 00:06:31,120

there's a giant quartz deposit beneath

191

00:06:34,469 --> 00:06:32,319

sedona

192

00:06:35,430 --> 00:06:34,479

and the article i was reading was

193

00:06:37,270 --> 00:06:35,440

talking about

194

00:06:39,029 --> 00:06:37,280

this really intense geomagnetic field

195

00:06:41,510 --> 00:06:39,039

there and so i thought you know

196

00:06:42,390 --> 00:06:41,520

i can test this out i can grab some of

197

00:06:48,710 --> 00:06:42,400

the

198

00:06:50,469 --> 00:06:48,720

agencies put out you can just drop those

199

00:06:52,710 --> 00:06:50,479

files onto

200

00:06:54,469 --> 00:06:52,720

google earth so i did it and i thought

201
00:06:55,270 --> 00:06:54,479
let's see if you know let's grab the one

202
00:06:58,629 --> 00:06:55,280
for

203
00:07:00,870 --> 00:06:58,639
geomagnetic intensities and

204
00:07:02,550 --> 00:07:00,880
i dropped it in and sure enough sedona

205
00:07:05,830 --> 00:07:02,560
lit up and

206
00:07:07,430 --> 00:07:05,840
an area of southern alaska and then this

207
00:07:09,350 --> 00:07:07,440
place in the southeastern united states

208
00:07:11,909 --> 00:07:09,360
was the most intense

209
00:07:13,110 --> 00:07:11,919
and at the time i was looking at this i

210
00:07:13,589 --> 00:07:13,120
was living in lexington i wasn't

211
00:07:16,790 --> 00:07:13,599
actually

212
00:07:20,070 --> 00:07:16,800
here in somerset and when i zoomed

213
00:07:21,270 --> 00:07:20,080

all the way in there it was it was

214

00:07:24,070 --> 00:07:21,280

pulaski county it was

215

00:07:25,749 --> 00:07:24,080

right in the center of what nasa calls

216

00:07:28,469 --> 00:07:25,759

the kentucky anomaly

217

00:07:29,749 --> 00:07:28,479

and i thought this is crazy and then a

218

00:07:32,870 --> 00:07:29,759

few years later i ended up

219

00:07:33,110 --> 00:07:32,880

moving down here with my wife and i was

220

00:07:35,589 --> 00:07:33,120

like

221

00:07:36,790 --> 00:07:35,599

this is crazy you know at the time i

222

00:07:38,070 --> 00:07:36,800

didn't know all the other weirdness

223

00:07:39,670 --> 00:07:38,080

that's associated with it

224

00:07:41,270 --> 00:07:39,680

but what you find out is that this

225

00:07:43,270 --> 00:07:41,280

entire region that

226

00:07:45,990 --> 00:07:43,280

that geomagnetic energy centers on

227

00:07:49,270 --> 00:07:46,000

pulaski kelly it's so intense

228

00:07:51,350 --> 00:07:49,280

that the gravity here

229

00:07:52,629 --> 00:07:51,360

in this area is different like when you

230

00:07:53,430 --> 00:07:52,639

look at the nasa maps they have an

231

00:07:56,710 --> 00:07:53,440

actual

232

00:07:57,350 --> 00:07:56,720

gravity well map and pulaski county's

233

00:07:59,189 --> 00:07:57,360

gravity is

234

00:08:00,790 --> 00:07:59,199

slightly different than the surface

235

00:08:03,830 --> 00:08:00,800

gravity around it which is strange

236

00:08:04,309 --> 00:08:03,840

you know yeah but when you look at the

237

00:08:07,270 --> 00:08:04,319

entire

238

00:08:07,589 --> 00:08:07,280

penny royal plateau one thing to note is

239

00:08:10,150 --> 00:08:07,599

that

240

00:08:11,670 --> 00:08:10,160

the westernmost reaches of it like i

241

00:08:13,909 --> 00:08:11,680

said it's mammoth cave

242

00:08:15,830 --> 00:08:13,919

but it's also hopkinsville where the

243

00:08:19,110 --> 00:08:15,840

hopkinsville goblins are right

244

00:08:22,390 --> 00:08:19,120

it's also edgar casey

245

00:08:24,790 --> 00:08:22,400

is from hopkinsville and then

246

00:08:26,150 --> 00:08:24,800

there's a lot of ufo sightings you know

247

00:08:28,869 --> 00:08:26,160

obviously the

248

00:08:30,390 --> 00:08:28,879

mantel siding there's the stanford

249

00:08:31,830 --> 00:08:30,400

abductions of the three women in the

250

00:08:35,110 --> 00:08:31,840

1970s that's just like

251
00:08:35,990 --> 00:08:35,120
30 miles north of here and just tons of

252
00:08:38,790 --> 00:08:36,000
strangeness

253
00:08:39,990 --> 00:08:38,800
lots and lots of bigfoot sightings

254
00:08:43,029 --> 00:08:40,000
cryptid sightings

255
00:08:44,230 --> 00:08:43,039
and the other thing i will note that i

256
00:08:47,430 --> 00:08:44,240
found in the process of

257
00:08:47,829 --> 00:08:47,440
researching all of this is that there

258
00:08:50,790 --> 00:08:47,839
are

259
00:08:52,389 --> 00:08:50,800
a number of adena mounds like ancient

260
00:08:53,829 --> 00:08:52,399
earthworks

261
00:08:55,509 --> 00:08:53,839
from like the hopewell culture and the

262
00:08:58,870 --> 00:08:55,519
adena culture

263
00:08:59,590 --> 00:08:58,880

they really center on the ohio river

264

00:09:01,910 --> 00:08:59,600

valley

265

00:09:02,710 --> 00:09:01,920

and that's where the serpent mound is

266

00:09:07,190 --> 00:09:02,720

ashland

267

00:09:08,870 --> 00:09:07,200

kentucky where charles manson is from

268

00:09:11,269 --> 00:09:08,880

has a ton of them you know if anybody's

269

00:09:12,389 --> 00:09:11,279

read peter lavender's sinister forces

270

00:09:14,070 --> 00:09:12,399

yes

271

00:09:16,310 --> 00:09:14,080

they'll be familiar with the fact that

272

00:09:18,230 --> 00:09:16,320

he played on top of those so

273

00:09:20,550 --> 00:09:18,240

it was a strange thing when i found out

274

00:09:21,750 --> 00:09:20,560

that here in pulaski county that there

275

00:09:23,590 --> 00:09:21,760

was an adena mound

276

00:09:25,110 --> 00:09:23,600

and that was one of the areas that a lot

277

00:09:27,990 --> 00:09:25,120

of this strangeness

278

00:09:29,990 --> 00:09:28,000

centered around and it's strange too

279

00:09:32,150 --> 00:09:30,000

because it's located

280

00:09:34,870 --> 00:09:32,160

there's a highway here where a lot of

281

00:09:38,150 --> 00:09:34,880

this strangeness occurs at

282

00:09:42,630 --> 00:09:38,160

and it's highway 39

283

00:09:44,790 --> 00:09:42,640

and if anyone's listening to penny royal

284

00:09:46,550 --> 00:09:44,800

dan dutton a famous kentucky artist he

285

00:09:48,389 --> 00:09:46,560

features prominently in the podcast and

286

00:09:51,269 --> 00:09:48,399

he's a close friend of mine

287

00:09:52,470 --> 00:09:51,279

and once we started digging into this he

288

00:09:53,829 --> 00:09:52,480

was one that pointed out you know

289

00:09:56,150 --> 00:09:53,839

highway 39 is

290

00:09:58,150 --> 00:09:56,160

one of the oldest roads in america it

291

00:09:59,910 --> 00:09:58,160

was part of the great warrior way

292

00:10:01,750 --> 00:09:59,920

you know when they were following

293

00:10:03,590 --> 00:10:01,760

buffalo traces

294

00:10:05,509 --> 00:10:03,600

that's where the name buffalo trace for

295

00:10:08,790 --> 00:10:05,519

the bourbon comes from is

296

00:10:11,190 --> 00:10:08,800

that these ancient american tribes were

297

00:10:11,910 --> 00:10:11,200

following these buffalo up through their

298

00:10:15,269 --> 00:10:11,920

trails

299

00:10:16,949 --> 00:10:15,279

and so one of those roads is highway 39

300

00:10:19,030 --> 00:10:16,959

that cuts right through here

301
00:10:20,150 --> 00:10:19,040
right past nadine moon right through

302
00:10:21,750 --> 00:10:20,160
this intense

303
00:10:23,269 --> 00:10:21,760
area and and then that's the other thing

304
00:10:24,470 --> 00:10:23,279
too you mentioned the quartz and the

305
00:10:27,110 --> 00:10:24,480
intro

306
00:10:29,269 --> 00:10:27,120
this area is just there's a heavy

307
00:10:30,550 --> 00:10:29,279
concentration of quartz

308
00:10:32,790 --> 00:10:30,560
and i think you know a lot of my

309
00:10:35,110 --> 00:10:32,800
research too about the sedona

310
00:10:36,470 --> 00:10:35,120
sightings and kind of that fed into what

311
00:10:40,310 --> 00:10:36,480
we found here was that

312
00:10:43,190 --> 00:10:40,320
there's just this weird spike in

313
00:10:44,389 --> 00:10:43,200

violence here and a history of violence

314

00:10:46,710 --> 00:10:44,399

in pulaski county

315

00:10:47,910 --> 00:10:46,720

and in this region but like extreme

316

00:10:50,870 --> 00:10:47,920

violence

317

00:10:52,630 --> 00:10:50,880

and i really wondered and i still

318

00:10:53,430 --> 00:10:52,640

believe that this is true but i wondered

319

00:10:55,910 --> 00:10:53,440

if

320

00:10:58,310 --> 00:10:55,920

the intense geomagnetic fields the

321

00:11:00,310 --> 00:10:58,320

intense electromagnetic fields

322

00:11:01,350 --> 00:11:00,320

coupled with the quartz you know was

323

00:11:03,030 --> 00:11:01,360

creating something like

324

00:11:04,710 --> 00:11:03,040

a piezoelectric effect or something that

325

00:11:07,750 --> 00:11:04,720

was affecting people's

326

00:11:08,790 --> 00:11:07,760

minds you know brains there's a high

327

00:11:12,829 --> 00:11:08,800

rate of

328

00:11:15,670 --> 00:11:12,839

mental illness here that's sort of

329

00:11:16,949 --> 00:11:15,680

unexplained and you know that's a

330

00:11:18,550 --> 00:11:16,959

favorite story of mine as

331

00:11:20,630 --> 00:11:18,560

a you know a lot of people that we've

332

00:11:22,710 --> 00:11:20,640

talked to that have worked at eastern

333

00:11:25,590 --> 00:11:22,720

state which is like the largest

334

00:11:27,670 --> 00:11:25,600

mental institution in kentucky and it's

335

00:11:29,190 --> 00:11:27,680

located in lexington

336

00:11:31,750 --> 00:11:29,200

anytime you bring up pulaski county

337

00:11:33,509 --> 00:11:31,760

apparently to the people that work there

338

00:11:35,430 --> 00:11:33,519

they're like what's going on down there

339

00:11:37,910 --> 00:11:35,440

because i think the last time we spoke

340

00:11:40,230 --> 00:11:37,920

to somebody was like 70

341

00:11:41,990 --> 00:11:40,240

of the people in there were coming from

342

00:11:44,230 --> 00:11:42,000

pulaski county

343

00:11:45,030 --> 00:11:44,240

which is strange so it's a weird region

344

00:11:46,710 --> 00:11:45,040

man and

345

00:11:49,190 --> 00:11:46,720

it's it's one of those things too you

346

00:11:51,110 --> 00:11:49,200

know that's the thing about the show

347

00:11:52,230 --> 00:11:51,120

you know that was sort of the goal going

348

00:11:55,670 --> 00:11:52,240

into

349

00:11:57,190 --> 00:11:55,680

creating penny royal i really wanted to

350

00:12:00,550 --> 00:11:57,200

look at the folklore

351
00:12:02,230 --> 00:12:00,560
of a place of this place and see the

352
00:12:04,710 --> 00:12:02,240
relationship between

353
00:12:06,230 --> 00:12:04,720
people and place and how place affects

354
00:12:07,750 --> 00:12:06,240
the people and how the people affect the

355
00:12:10,629 --> 00:12:07,760
place

356
00:12:11,990 --> 00:12:10,639
and this just turned out to be

357
00:12:14,790 --> 00:12:12,000
unbelievably weird

358
00:12:15,430 --> 00:12:14,800
and like it's just totally strange man

359
00:12:17,670 --> 00:12:15,440
it's just

360
00:12:20,389 --> 00:12:17,680
the deeper we dove into this and still

361
00:12:22,870 --> 00:12:20,399
yet the deeper we dive into it

362
00:12:23,990 --> 00:12:22,880
the weirder and weirder it gets and the

363
00:12:25,910 --> 00:12:24,000

weird it's just just

364

00:12:27,269 --> 00:12:25,920

the stuff we found man i mean you you've

365

00:12:28,870 --> 00:12:27,279

listened to the show the [h__h] about good

366

00:12:32,310 --> 00:12:28,880

tournament all that stuff is just

367

00:12:33,190 --> 00:12:32,320

absolutely nuts yes yes it it does get

368

00:12:36,550 --> 00:12:33,200

weird

369

00:12:38,150 --> 00:12:36,560

and in terms of this anomaly do they

370

00:12:40,069 --> 00:12:38,160

really have any idea

371

00:12:42,949 --> 00:12:40,079

what could be the cause of this like a

372

00:12:45,350 --> 00:12:42,959

comet or meteor impact are there other

373

00:12:46,710 --> 00:12:45,360

possible suspects as to what's causing

374

00:12:48,790 --> 00:12:46,720

this

375

00:12:51,110 --> 00:12:48,800

the only thing and when you read the

376

00:12:53,269 --> 00:12:51,120

nasa research on this

377

00:12:55,509 --> 00:12:53,279

it's lithospheric data which is data in

378

00:12:56,949 --> 00:12:55,519

the crust of the earth

379

00:12:58,790 --> 00:12:56,959

the idea is that there's some type of

380

00:13:02,870 --> 00:12:58,800

deposits deeper in the

381

00:13:06,150 --> 00:13:02,880

crust and that the core of the earth

382

00:13:08,870 --> 00:13:06,160

its magnetic field as it spins is

383

00:13:10,710 --> 00:13:08,880

somehow interacting with those deposits

384

00:13:12,069 --> 00:13:10,720

to create this but

385

00:13:13,990 --> 00:13:12,079

that's why it's called the kentucky

386

00:13:14,389 --> 00:13:14,000

anomaly you know nasa really doesn't

387

00:13:16,790 --> 00:13:14,399

know

388

00:13:19,269 --> 00:13:16,800

why there's such an intense spike here

389

00:13:21,590 --> 00:13:19,279

but there is i mean it's so intense

390

00:13:23,110 --> 00:13:21,600

that it causes the van allen belts to

391

00:13:26,470 --> 00:13:23,120

dip slightly

392

00:13:27,910 --> 00:13:26,480

toward this area to try to touch that

393

00:13:31,590 --> 00:13:27,920

magnetic field

394

00:13:33,990 --> 00:13:31,600

which is strange yeah it's weird man

395

00:13:35,990 --> 00:13:34,000

on the subject of why there might be so

396

00:13:36,470 --> 00:13:36,000

much weirdness in the area on top of

397

00:13:39,670 --> 00:13:36,480

that

398

00:13:41,350 --> 00:13:39,680

kenneth grant is one of several people

399

00:13:44,629 --> 00:13:41,360

to have suggested

400

00:13:46,230 --> 00:13:44,639

the adena or hopewell tribes or maybe

401
00:13:49,269 --> 00:13:46,240
even ancient humans

402
00:13:51,670 --> 00:13:49,279
at an even deeper time depth opened

403
00:13:53,750 --> 00:13:51,680
some type of portal in the area that was

404
00:13:54,629 --> 00:13:53,760
never closed and that is a provocative

405
00:13:56,389 --> 00:13:54,639
idea

406
00:13:58,310 --> 00:13:56,399
but do you know what they're basing that

407
00:14:01,030 --> 00:13:58,320
suggestion on

408
00:14:03,189 --> 00:14:01,040
yes i guess that was one of the strange

409
00:14:04,710 --> 00:14:03,199
things too that we found

410
00:14:07,030 --> 00:14:04,720
you know it's like truth is strangers

411
00:14:08,870 --> 00:14:07,040
and fiction right

412
00:14:10,949 --> 00:14:08,880
we'd heard you know i'll probably bring

413
00:14:12,629 --> 00:14:10,959

this up a few times but

414

00:14:14,230 --> 00:14:12,639

sinister forces you know live in

415

00:14:14,710 --> 00:14:14,240

dimensions grant and they're talking

416

00:14:16,550 --> 00:14:14,720

about

417

00:14:17,829 --> 00:14:16,560

the adena mounds and and kind of

418

00:14:20,069 --> 00:14:17,839

relating that to

419

00:14:22,710 --> 00:14:20,079

charles manson and some of this stuff

420

00:14:25,430 --> 00:14:22,720

near ashland but

421

00:14:26,470 --> 00:14:25,440

there's a story amongst the cherokee but

422

00:14:29,829 --> 00:14:26,480

also

423

00:14:31,269 --> 00:14:29,839

with the the hope well the adena that

424

00:14:34,470 --> 00:14:31,279

the priest class that the

425

00:14:37,430 --> 00:14:34,480

shamans had opened up a

426

00:14:38,310 --> 00:14:37,440

gateway here in this area well in the

427

00:14:41,189 --> 00:14:38,320

area of

428

00:14:43,189 --> 00:14:41,199

kentucky right from where we are sort of

429

00:14:46,710 --> 00:14:43,199

over to ashland and

430

00:14:47,509 --> 00:14:46,720

west virginia and up to where cincinnati

431

00:14:52,629 --> 00:14:47,519

is

432

00:14:57,189 --> 00:14:52,639

which was a gateway to the night side

433

00:14:59,350 --> 00:14:57,199

and that that gateway was never closed

434

00:15:00,710 --> 00:14:59,360

and because of that all of these things

435

00:15:04,150 --> 00:15:00,720

have been able to

436

00:15:06,150 --> 00:15:04,160

penetrate our reality as it were

437

00:15:07,350 --> 00:15:06,160

some people say that that's they talk

438

00:15:10,470 --> 00:15:07,360

about the mothman

439

00:15:11,750 --> 00:15:10,480

as being a part of that but the weird

440

00:15:14,870 --> 00:15:11,760

thing that we found

441

00:15:15,910 --> 00:15:14,880

which i absolutely didn't believe that

442

00:15:17,670 --> 00:15:15,920

we were gonna

443

00:15:19,430 --> 00:15:17,680

encounter this because i'd heard all

444

00:15:22,069 --> 00:15:19,440

these stories about cults and

445

00:15:23,189 --> 00:15:22,079

in groups here in the area practicing

446

00:15:25,910 --> 00:15:23,199

magic or

447

00:15:27,910 --> 00:15:25,920

doing nefarious things which i still

448

00:15:29,670 --> 00:15:27,920

discount you know i i don't think that

449

00:15:31,189 --> 00:15:29,680

there was any like coordinated group

450

00:15:33,590 --> 00:15:31,199

but what i did find what's more

451
00:15:36,629 --> 00:15:33,600
interesting is

452
00:15:37,829 --> 00:15:36,639
that there was a group in Cincinnati of

453
00:15:41,590 --> 00:15:37,839
magicians

454
00:15:44,710 --> 00:15:41,600
in the 1970s

455
00:15:46,550 --> 00:15:44,720
who were led by a woman named Nema or

456
00:15:49,350 --> 00:15:46,560
that was her magical name

457
00:15:50,150 --> 00:15:49,360
I think Maggie Ingalls was her real name

458
00:15:52,230 --> 00:15:50,160
and so

459
00:15:53,590 --> 00:15:52,240
she was a practitioner of I think she

460
00:15:58,230 --> 00:15:53,600
was a member of the OTO

461
00:16:01,990 --> 00:15:58,240
originally but she was part of the

462
00:16:05,590 --> 00:16:02,000
Typhonian Order of Kenneth Grant's group

463
00:16:08,710 --> 00:16:05,600

and she formed

464

00:16:09,990 --> 00:16:08,720

this group in Cincinnati called the bait

465

00:16:11,990 --> 00:16:10,000

cabal

466

00:16:13,670 --> 00:16:12,000

and they were part of a publication

467

00:16:17,269 --> 00:16:13,680

called the Cincinnati journal

468

00:16:18,949 --> 00:16:17,279

of ceremonial magic I was lucky enough

469

00:16:21,990 --> 00:16:18,959

to get the entire collection it's

470

00:16:25,350 --> 00:16:22,000

absolutely fascinating but what we found

471

00:16:28,470 --> 00:16:25,360

was that she very much believed

472

00:16:29,350 --> 00:16:28,480

this concept and that's really where

473

00:16:32,550 --> 00:16:29,360

Kenneth Grant

474

00:16:33,430 --> 00:16:32,560

gets his concept of this portal being

475

00:16:40,150 --> 00:16:33,440

opened

476
00:16:42,710 --> 00:16:40,160
and she called it the cincinnati vortex

477
00:16:43,910 --> 00:16:42,720
right and that it stretched down into

478
00:16:45,910 --> 00:16:43,920
this area

479
00:16:47,749 --> 00:16:45,920
and this is totally unbelievable you

480
00:16:50,949 --> 00:16:47,759
know when you start to find this stuff

481
00:16:53,189 --> 00:16:50,959
that and the bait cabal

482
00:16:54,949 --> 00:16:53,199
and members of the big cabal were coming

483
00:16:58,150 --> 00:16:54,959
from cincinnati

484
00:17:00,310 --> 00:16:58,160
down here to pulaski county

485
00:17:01,269 --> 00:17:00,320
on the edge of the daniel boone national

486
00:17:04,470 --> 00:17:01,279
forest

487
00:17:06,309 --> 00:17:04,480
and they were performing rituals

488
00:17:07,750 --> 00:17:06,319

that they believed because you know

489

00:17:09,750 --> 00:17:07,760

kenneth grant and

490

00:17:10,949 --> 00:17:09,760

the baker ball and some of these groups

491

00:17:13,829 --> 00:17:10,959

they believe in

492

00:17:14,949 --> 00:17:13,839

this concept of the old ones but they're

493

00:17:18,309 --> 00:17:14,959

these

494

00:17:20,069 --> 00:17:18,319

praetor natural intelligences sure which

495

00:17:21,669 --> 00:17:20,079

which i was like this is too much you

496

00:17:23,189 --> 00:17:21,679

know after finding all the stuff that we

497

00:17:25,189 --> 00:17:23,199

found in penny royal

498

00:17:26,949 --> 00:17:25,199

to come across this and to find out that

499

00:17:28,309 --> 00:17:26,959

this group who truly believed

500

00:17:30,390 --> 00:17:28,319

that there were these beings and that

501

00:17:34,150 --> 00:17:30,400

they were performing

502

00:17:36,789 --> 00:17:34,160

time magic here in this area

503

00:17:39,750 --> 00:17:36,799

to prevent these intelligences from

504

00:17:42,549 --> 00:17:39,760

penetrating our reality it was crazy

505

00:17:43,990 --> 00:17:42,559

but she's really the reason why kenneth

506

00:17:44,789 --> 00:17:44,000

grant believes that and she believed it

507

00:17:46,789 --> 00:17:44,799

because

508

00:17:49,190 --> 00:17:46,799

the cherokee also have stories about

509

00:17:52,630 --> 00:17:49,200

this apparently something happened

510

00:17:53,990 --> 00:17:52,640

that was horrible enough to cause the

511

00:17:57,350 --> 00:17:54,000

cherokee

512

00:18:00,549 --> 00:17:57,360

tribes to kill all of their priests

513

00:18:03,270 --> 00:18:00,559

in one night and that's a thing that

514

00:18:04,870 --> 00:18:03,280

has popped up again and again and you

515

00:18:06,789 --> 00:18:04,880

know i don't know if it's related to

516

00:18:09,510 --> 00:18:06,799

this specifically but

517

00:18:10,310 --> 00:18:09,520

this idea of that that gateway over top

518

00:18:12,789 --> 00:18:10,320

of kentucky but

519

00:18:14,470 --> 00:18:12,799

it's so strange how it lines up with the

520

00:18:17,669 --> 00:18:14,480

whole kentucky anomaly

521

00:18:19,430 --> 00:18:17,679

research too right that here you have

522

00:18:21,190 --> 00:18:19,440

the largest spike of geomagnetic energy

523

00:18:24,470 --> 00:18:21,200

in the western hemisphere

524

00:18:25,590 --> 00:18:24,480

and a story about a rift in space and

525

00:18:28,230 --> 00:18:25,600

time

526
00:18:28,789 --> 00:18:28,240
that is allowing these things to come

527
00:18:30,549 --> 00:18:28,799
across

528
00:18:31,990 --> 00:18:30,559
so it's weird it's just weird how it

529
00:18:35,830 --> 00:18:32,000
lines up you know

530
00:18:39,029 --> 00:18:35,840
yes yes well we're off to the races now

531
00:18:41,029 --> 00:18:39,039
so i also wanted to step back to a weird

532
00:18:42,710 --> 00:18:41,039
little story that you talk about in the

533
00:18:45,110 --> 00:18:42,720
first episode

534
00:18:45,990 --> 00:18:45,120
uh i guess it would be called the

535
00:18:49,110 --> 00:18:46,000
kentucky

536
00:18:51,590 --> 00:18:49,120
meat shower of 1876

537
00:18:53,669 --> 00:18:51,600
one of the weirdest things that i have

538
00:18:56,310 --> 00:18:53,679

heard in a long time but

539

00:18:57,350 --> 00:18:56,320

tell people about this as an example of

540

00:18:59,590 --> 00:18:57,360

the kind of

541

00:19:00,870 --> 00:18:59,600

anomalous stuff that seems to happen in

542

00:19:04,390 --> 00:19:00,880

this area

543

00:19:06,070 --> 00:19:04,400

yeah so the first time i'd heard of it

544

00:19:07,350 --> 00:19:06,080

well obviously if anybody's familiar

545

00:19:11,669 --> 00:19:07,360

with

546

00:19:13,350 --> 00:19:11,679

charles fort and 40 and phenomena

547

00:19:15,110 --> 00:19:13,360

you know the book of the damned new

548

00:19:18,950 --> 00:19:15,120

lands

549

00:19:21,830 --> 00:19:18,960

he records a lot of stories about

550

00:19:22,710 --> 00:19:21,840

sky falls which is the proper term i

551

00:19:25,830 --> 00:19:22,720

guess you know

552

00:19:28,549 --> 00:19:25,840

but falls of fish falls or frogs those

553

00:19:32,230 --> 00:19:28,559

are sort of the common things

554

00:19:35,110 --> 00:19:32,240

the most uncommon obviously probably

555

00:19:35,590 --> 00:19:35,120

in the history of 40 and phenomena is

556

00:19:38,789 --> 00:19:35,600

this

557

00:19:40,950 --> 00:19:38,799

story from olympia springs which is the

558

00:19:43,430 --> 00:19:40,960

first time i heard about this

559

00:19:44,549 --> 00:19:43,440

olympia springs kentucky and i forget

560

00:19:47,029 --> 00:19:44,559

the name of the

561

00:19:49,270 --> 00:19:47,039

couple off the top of my head but this

562

00:19:53,110 --> 00:19:49,280

is i think late 1800s

563

00:19:56,630 --> 00:19:53,120

and they were in their backyard and

564

00:19:59,270 --> 00:19:56,640

suddenly there was this rain of meat

565

00:19:59,750 --> 00:19:59,280

from the sky and so there were these

566

00:20:03,350 --> 00:19:59,760

large

567

00:20:04,149 --> 00:20:03,360

chunks of meat what they identified as

568

00:20:07,029 --> 00:20:04,159

meat

569

00:20:08,470 --> 00:20:07,039

and they couldn't explain what it was or

570

00:20:10,070 --> 00:20:08,480

what it came from

571

00:20:11,669 --> 00:20:10,080

their neighbors came over i think it

572

00:20:13,430 --> 00:20:11,679

rained for like

573

00:20:15,350 --> 00:20:13,440

five or ten minutes steady so there was

574

00:20:18,950 --> 00:20:15,360

a large amount of this meat

575

00:20:19,750 --> 00:20:18,960

and so strangely enough some people

576

00:20:21,190 --> 00:20:19,760

tasted it

577

00:20:23,350 --> 00:20:21,200

which i don't know if i would have been

578

00:20:25,430 --> 00:20:23,360

so bold as to taste

579

00:20:26,789 --> 00:20:25,440

meat that had fallen from the sky but

580

00:20:29,190 --> 00:20:26,799

these people tasted it and they said

581

00:20:32,470 --> 00:20:29,200

that it tasted like mutton

582

00:20:35,669 --> 00:20:32,480

a lot of it was lost to time but

583

00:20:38,390 --> 00:20:35,679

a piece of it was actually kept at

584

00:20:39,590 --> 00:20:38,400

transylvania university which it ends up

585

00:20:41,190 --> 00:20:39,600

being

586

00:20:42,630 --> 00:20:41,200

the place that i went to college and i

587

00:20:43,909 --> 00:20:42,640

didn't even know at the time i didn't

588

00:20:44,950 --> 00:20:43,919

know that they were in their special

589

00:20:47,830 --> 00:20:44,960

collections

590

00:20:49,590 --> 00:20:47,840

that they actually had a vial of the

591

00:20:52,710 --> 00:20:49,600

kentucky meat shower

592

00:20:53,750 --> 00:20:52,720

that they preserved and if i had a god i

593

00:20:55,990 --> 00:20:53,760

would have gone there but

594

00:20:57,190 --> 00:20:56,000

at the time i guess i just wasn't doing

595

00:20:59,270 --> 00:20:57,200

one of this research

596

00:21:00,630 --> 00:20:59,280

you know 20 years ago and so it was fun

597

00:21:04,070 --> 00:21:00,640

to find out that it was there

598

00:21:06,630 --> 00:21:04,080

my alma mater you know but i had known

599

00:21:09,029 --> 00:21:06,640

about that obviously from research with

600

00:21:11,510 --> 00:21:09,039

40 and phenomena but while i was talking

601
00:21:13,350 --> 00:21:11,520
to dan dutton here in pulaski county and

602
00:21:16,149 --> 00:21:13,360
we were talking about the strange things

603
00:21:19,110 --> 00:21:16,159
that happened you know on highway 39 and

604
00:21:20,070 --> 00:21:19,120
in the area of campground road i

605
00:21:22,149 --> 00:21:20,080
mentioned

606
00:21:23,350 --> 00:21:22,159
the kentucky meat shower and that's when

607
00:21:24,950 --> 00:21:23,360
dan was like

608
00:21:27,110 --> 00:21:24,960
well we've had those things happen here

609
00:21:28,149 --> 00:21:27,120
too you know that there have been frog

610
00:21:31,110 --> 00:21:28,159
falls and

611
00:21:32,789 --> 00:21:31,120
meat fall from the sky and his parents

612
00:21:36,310 --> 00:21:32,799
had told stories

613
00:21:39,750 --> 00:21:36,320

about this happening in the early

614

00:21:41,350 --> 00:21:39,760

1900s and it's just another one of those

615

00:21:43,990 --> 00:21:41,360

strange things where you're

616

00:21:44,470 --> 00:21:44,000

finding out about the kentucky anomaly

617

00:21:47,669 --> 00:21:44,480

and

618

00:21:50,310 --> 00:21:47,679

strangeness

619

00:21:51,190 --> 00:21:50,320

and portals and gateways and now

620

00:21:53,830 --> 00:21:51,200

someone's telling you

621

00:21:55,590 --> 00:21:53,840

well there's a long history of weird

622

00:21:58,230 --> 00:21:55,600

[h__h] falling out of the sky

623

00:21:59,190 --> 00:21:58,240

here in pulaski county and definitely in

624

00:22:01,669 --> 00:21:59,200

kentucky and

625

00:22:03,430 --> 00:22:01,679

there's just no denying that that a

626
00:22:05,909 --> 00:22:03,440
well-documented meat shower

627
00:22:06,870 --> 00:22:05,919
is something that's hard not you know

628
00:22:10,310 --> 00:22:06,880
hard to

629
00:22:13,190 --> 00:22:10,320
hurt to wrap your mind around right yeah

630
00:22:13,909 --> 00:22:13,200
for sure i have always been fascinated

631
00:22:16,710 --> 00:22:13,919
by

632
00:22:17,350 --> 00:22:16,720
those sky falls as you say i think

633
00:22:20,149 --> 00:22:17,360
that's why

634
00:22:22,070 --> 00:22:20,159
magnolia remains a pretty decent movie

635
00:22:23,350 --> 00:22:22,080
on my list even though the rest of it is

636
00:22:26,710 --> 00:22:23,360
kind of slow

637
00:22:28,870 --> 00:22:26,720
but have they ever figured out what that

638
00:22:30,549 --> 00:22:28,880

is i mean the best conventional

639

00:22:32,710 --> 00:22:30,559

explanation which isn't even good is

640

00:22:34,230 --> 00:22:32,720

that tadpoles would get sucked up in the

641

00:22:37,190 --> 00:22:34,240

water cycle and then

642

00:22:38,710 --> 00:22:37,200

fall from the clouds later i guess but

643

00:22:40,870 --> 00:22:38,720

have you ever heard of a better

644

00:22:44,630 --> 00:22:40,880

explanation for that

645

00:22:46,870 --> 00:22:44,640

the accepted explanation by scientists

646

00:22:48,390 --> 00:22:46,880

which i don't believe this i'm not on

647

00:22:52,630 --> 00:22:48,400

board with this but

648

00:22:55,830 --> 00:22:52,640

the conventional theory is that a

649

00:22:57,029 --> 00:22:55,840

flock of vultures and vultures

650

00:23:00,390 --> 00:22:57,039

apparently vomit

651
00:23:02,149 --> 00:23:00,400
often in flight and so

652
00:23:04,390 --> 00:23:02,159
the thinking is that they had killed

653
00:23:06,549 --> 00:23:04,400
something and eaten carrion

654
00:23:08,549 --> 00:23:06,559
and as they were flying over the farm

655
00:23:11,270 --> 00:23:08,559
the entire flock

656
00:23:11,750 --> 00:23:11,280
began to vomit the meat that they had

657
00:23:13,270 --> 00:23:11,760
eaten

658
00:23:16,630 --> 00:23:13,280
and that's what this is you know that's

659
00:23:20,470 --> 00:23:16,640
the accepted that is the accepted

660
00:23:24,070 --> 00:23:20,480
view to explain this by science swamp gas

661
00:23:25,669 --> 00:23:24,080
swamp gas explanation well you know

662
00:23:27,190 --> 00:23:25,679
the other interesting thing too is this

663
00:23:30,630 --> 00:23:27,200

idea of star

664

00:23:32,390 --> 00:23:30,640

jelly right yeah and god

665

00:23:34,789 --> 00:23:32,400

there was a book that a guy wrote i wish

666

00:23:36,390 --> 00:23:34,799

i now now that we're talking about this

667

00:23:39,190 --> 00:23:36,400

i'm like i wish i could remember the

668

00:23:41,350 --> 00:23:39,200

name of it but it was about

669

00:23:43,269 --> 00:23:41,360

his attempts he believed that there were

670

00:23:46,789 --> 00:23:43,279

these weird creatures

671

00:23:49,029 --> 00:23:46,799

that lived in the upper atmosphere and

672

00:23:50,789 --> 00:23:49,039

he would go up in a hot air balloon and

673

00:23:52,950 --> 00:23:50,799

attempt to

674

00:23:55,350 --> 00:23:52,960

find them apparently he says he did find

675

00:23:56,549 --> 00:23:55,360

them that he's seen them with babies and

676
00:24:00,789 --> 00:23:56,559
they look like these

677
00:24:02,390 --> 00:24:00,799
see-through amoebas and

678
00:24:04,630 --> 00:24:02,400
ever since i knew about that story in

679
00:24:06,470 --> 00:24:04,640
that book i've always thought

680
00:24:08,549 --> 00:24:06,480
is it just a dead one of those one of

681
00:24:09,190 --> 00:24:08,559
those exploded in the sky somehow you

682
00:24:15,029 --> 00:24:09,200
know

683
00:24:16,470 --> 00:24:15,039
it's just one of those weird things you

684
00:24:19,669 --> 00:24:16,480
can also think of like

685
00:24:20,870 --> 00:24:19,679
a portation when an object drops out of

686
00:24:22,870 --> 00:24:20,880
the air

687
00:24:24,549 --> 00:24:22,880
and that that somehow this is related to

688
00:24:26,310 --> 00:24:24,559

that but

689

00:24:29,029 --> 00:24:26,320

i don't know i just think it's another

690

00:24:32,149 --> 00:24:29,039

one of those weird things that

691

00:24:35,269 --> 00:24:32,159

this area is just rife with

692

00:24:37,029 --> 00:24:35,279

those kinds of things and weird spatial

693

00:24:39,909 --> 00:24:37,039

distortions

694

00:24:41,269 --> 00:24:39,919

weird time anomalies and all of those

695

00:24:42,950 --> 00:24:41,279

things just

696

00:24:44,950 --> 00:24:42,960

i don't know that it's just why do

697

00:24:47,029 --> 00:24:44,960

things like that cluster in places like

698

00:24:49,430 --> 00:24:47,039

this i don't know but definitely

699

00:24:51,430 --> 00:24:49,440

i think the meat shower is and the

700

00:24:54,070 --> 00:24:51,440

skyfalls that have been reported here

701
00:24:55,269 --> 00:24:54,080
especially are just a part of that

702
00:24:57,909 --> 00:24:55,279
phenomena somehow

703
00:24:59,029 --> 00:24:57,919
you know right right well as interesting

704
00:25:01,669 --> 00:24:59,039
as stuff from

705
00:25:03,269 --> 00:25:01,679
above is i am always fascinated with

706
00:25:05,830 --> 00:25:03,279
stuff from below

707
00:25:06,789 --> 00:25:05,840
and you mentioned the hopkinsville

708
00:25:10,310 --> 00:25:06,799
goblins

709
00:25:12,549 --> 00:25:10,320
a story from 1955 it's probably one of

710
00:25:14,950 --> 00:25:12,559
the most well-known weirdness stories

711
00:25:17,110 --> 00:25:14,960
from the area but in the effort of

712
00:25:18,310 --> 00:25:17,120
leaving no child behind what can you

713
00:25:20,230 --> 00:25:18,320

tell people about

714

00:25:21,669 --> 00:25:20,240

that particular story because it is

715

00:25:23,029 --> 00:25:21,679

quite weird

716

00:25:25,830 --> 00:25:23,039

you know i'd say most people know the

717

00:25:29,190 --> 00:25:25,840

story of the sutton farm

718

00:25:32,789 --> 00:25:29,200

in hopkinsville that they

719

00:25:35,029 --> 00:25:32,799

saw light in the sky and

720

00:25:36,149 --> 00:25:35,039

then for the rest of the night this

721

00:25:38,549 --> 00:25:36,159

family

722

00:25:40,950 --> 00:25:38,559

was besieged by these tiny little

723

00:25:43,750 --> 00:25:40,960

goblin-like creatures

724

00:25:44,789 --> 00:25:43,760

and the strangest thing though which

725

00:25:47,750 --> 00:25:44,799

doesn't sort of

726

00:25:48,950 --> 00:25:47,760

jive with other stories of alien

727

00:25:51,350 --> 00:25:48,960

encounters

728

00:25:51,990 --> 00:25:51,360

that they actually came into conflict

729

00:25:54,390 --> 00:25:52,000

with these

730

00:25:55,350 --> 00:25:54,400

creatures and were shooting at them and

731

00:25:58,390 --> 00:25:55,360

so whenever they

732

00:25:59,110 --> 00:25:58,400

hit one of them they would spin in the

733

00:26:01,269 --> 00:25:59,120

air

734

00:26:02,549 --> 00:26:01,279

and there was a sound as if the bullet

735

00:26:04,310 --> 00:26:02,559

hit metal

736

00:26:05,590 --> 00:26:04,320

and so that's a strange detail i've

737

00:26:08,470 --> 00:26:05,600

always thought

738

00:26:10,950 --> 00:26:08,480

was weird but i would say this is one of

739

00:26:13,909 --> 00:26:10,960

the most documented if not the most

740

00:26:15,430 --> 00:26:13,919

you know widely accepted actual

741

00:26:17,590 --> 00:26:15,440

encounters with something strange

742

00:26:19,430 --> 00:26:17,600

there were so many witnesses law

743

00:26:19,830 --> 00:26:19,440

enforcement was involved you know they

744

00:26:23,430 --> 00:26:19,840

end up

745

00:26:26,390 --> 00:26:23,440

having the sheriff come

746

00:26:26,870 --> 00:26:26,400

to the farm he sees all of these [h__\h]

747

00:26:29,510 --> 00:26:26,880

like they

748

00:26:31,909 --> 00:26:29,520

obviously were shooting at something

749

00:26:35,190 --> 00:26:31,919

they at least believed something was

750

00:26:38,390 --> 00:26:35,200

attacking them and so

751
00:26:41,430 --> 00:26:38,400
that is the origin of the

752
00:26:42,390 --> 00:26:41,440
term little green men it comes from that

753
00:26:45,510 --> 00:26:42,400
encounter

754
00:26:49,430 --> 00:26:45,520
that ended up in the paper now

755
00:26:50,830 --> 00:26:49,440
there's a belief that these creatures

756
00:26:53,990 --> 00:26:50,840
that were encountered that it could have

757
00:26:56,390 --> 00:26:54,000
been a ufo crash of some sort

758
00:26:57,110 --> 00:26:56,400
and so they came to the farm they

759
00:27:00,149 --> 00:26:57,120
encountered

760
00:27:04,390 --> 00:27:00,159
the sutton family and then

761
00:27:06,549 --> 00:27:04,400
they go down into a cave

762
00:27:08,390 --> 00:27:06,559
on sort of the back side of of that

763
00:27:11,269 --> 00:27:08,400

family's farm

764

00:27:12,789 --> 00:27:11,279

and you know as you kind of spin forth

765

00:27:15,269 --> 00:27:12,799

there was this idea that

766

00:27:16,710 --> 00:27:15,279

maybe they entered the mammoth cave

767

00:27:20,549 --> 00:27:16,720

system that stretches

768

00:27:23,990 --> 00:27:20,559

all the way across kentucky and somehow

769

00:27:26,070 --> 00:27:24,000

have existed there you know and

770

00:27:27,750 --> 00:27:26,080

increased in number possibly

771

00:27:29,669 --> 00:27:27,760

and then obviously people that are

772

00:27:32,870 --> 00:27:29,679

familiar with hell year

773

00:27:34,070 --> 00:27:32,880

or any of the sightings of

774

00:27:35,750 --> 00:27:34,080

and not just hell year though there

775

00:27:38,389 --> 00:27:35,760

there's stories of these little

776

00:27:41,110 --> 00:27:38,399

creatures that come out of caves

777

00:27:42,389 --> 00:27:41,120

this idea of tommy knockers in the coal

778

00:27:43,669 --> 00:27:42,399

mines

779

00:27:45,830 --> 00:27:43,679

people call these things all kinds of

780

00:27:46,630 --> 00:27:45,840

different names but it's really

781

00:27:50,470 --> 00:27:46,640

fascinating that

782

00:27:54,389 --> 00:27:50,480

that's sort of that very early

783

00:27:57,430 --> 00:27:54,399

ufo encounter also is tied to

784

00:28:00,470 --> 00:27:57,440

a number of sightings with sort of

785

00:28:01,110 --> 00:28:00,480

caves in kentucky and also i will point

786

00:28:04,230 --> 00:28:01,120

this out

787

00:28:07,269 --> 00:28:04,240

that is the only ufo

788

00:28:08,549 --> 00:28:07,279

siding slash encounter that is

789

00:28:11,990 --> 00:28:08,559

officially

790

00:28:16,070 --> 00:28:12,000

reported by the cia the cia

791

00:28:18,230 --> 00:28:16,080

sent a guy named john maul holland who

792

00:28:22,470 --> 00:28:18,240

is a stage magician

793

00:28:25,750 --> 00:28:22,480

to investigate and file an actual report

794

00:28:28,389 --> 00:28:25,760

on the hopkinsville goblin encounter

795

00:28:29,430 --> 00:28:28,399

which is totally crazy yeah it

796

00:28:31,990 --> 00:28:29,440

definitely is

797

00:28:32,870 --> 00:28:32,000

and i wanted you to lay that out so that

798

00:28:34,870 --> 00:28:32,880

we could

799

00:28:36,870 --> 00:28:34,880

mention what happens in hell year

800

00:28:38,950 --> 00:28:36,880

because for people who haven't seen the

801
00:28:40,230 --> 00:28:38,960
hellier series it kicks off with a

802
00:28:43,190 --> 00:28:40,240
similar story

803
00:28:43,990 --> 00:28:43,200
from 2012 of a guy who is so desperate

804
00:28:46,310 --> 00:28:44,000
for help

805
00:28:48,630 --> 00:28:46,320
with this kind of situation he reached

806
00:28:49,909 --> 00:28:48,640
out to a local paranormal investigation

807
00:28:51,350 --> 00:28:49,919
group and said that these little green

808
00:28:52,710 --> 00:28:51,360
creatures were coming out of a mine at

809
00:28:54,789 --> 00:28:52,720
night on his property

810
00:28:56,549 --> 00:28:54,799
and tapping on his kids windows and just

811
00:28:59,590 --> 00:28:56,559
generally freaking them out

812
00:29:02,230 --> 00:28:59,600
and that show hellyer is a

813
00:29:03,750 --> 00:29:02,240

wild ride that for me i didn't really

814

00:29:05,830 --> 00:29:03,760

feel like it ever really reached the

815

00:29:07,269 --> 00:29:05,840

heights of that first episode and i

816

00:29:08,149 --> 00:29:07,279

don't feel like it really stuck the

817

00:29:09,909 --> 00:29:08,159

landing

818

00:29:11,750 --> 00:29:09,919

but that story is still super

819

00:29:14,310 --> 00:29:11,760

interesting and it turns out that both

820

00:29:15,269 --> 00:29:14,320

places where these goblin creatures

821

00:29:18,310 --> 00:29:15,279

emerged

822

00:29:19,750 --> 00:29:18,320

57 years apart are on the surface in

823

00:29:21,750 --> 00:29:19,760

different areas but they are

824

00:29:23,909 --> 00:29:21,760

both connected underground by that

825

00:29:27,110 --> 00:29:23,919

mammoth cave system right

826

00:29:28,870 --> 00:29:27,120

right yeah and see the thing too about

827

00:29:31,430 --> 00:29:28,880

somerset pulaski county because of the

828

00:29:34,070 --> 00:29:31,440

karst geology here

829

00:29:35,669 --> 00:29:34,080

we have what's called the sloanes valley

830

00:29:37,750 --> 00:29:35,679

cave system

831

00:29:40,070 --> 00:29:37,760

it's the 13th or 14th largest cave

832

00:29:41,909 --> 00:29:40,080

system in the united states and it

833

00:29:42,950 --> 00:29:41,919

actually connects with the mammoth gate

834

00:29:45,990 --> 00:29:42,960

system you know

835

00:29:46,870 --> 00:29:46,000

in different parts all this stretches

836

00:29:49,269 --> 00:29:46,880

eastward

837

00:29:50,230 --> 00:29:49,279

all the way to the eastern tip of the

838

00:29:53,830 --> 00:29:50,240

state where

839

00:29:58,149 --> 00:29:53,840

hell year is the town of hillier

840

00:29:59,990 --> 00:29:58,159

it's actually a suburb of elkhorn city

841

00:30:01,510 --> 00:30:00,000

i love it man and in terms of evidence

842

00:30:04,310 --> 00:30:01,520

there's also in

843

00:30:05,029 --> 00:30:04,320

at least some of these cases three-toed

844

00:30:06,789 --> 00:30:05,039

footprints

845

00:30:08,789 --> 00:30:06,799

the next morning when people come out to

846

00:30:10,630 --> 00:30:08,799

investigate right that's something

847

00:30:12,549 --> 00:30:10,640

yeah man that's the strangest thing too

848

00:30:14,149 --> 00:30:12,559

i mean obviously that's what

849

00:30:16,149 --> 00:30:14,159

hellyer focuses a lot on these

850

00:30:19,990 --> 00:30:16,159

three-toed footprints

851
00:30:23,350 --> 00:30:20,000
if anyone has read the rebirth of pan

852
00:30:26,470 --> 00:30:23,360
by jim brandon who is really

853
00:30:28,310 --> 00:30:26,480
william grimstad who is a very

854
00:30:31,669 --> 00:30:28,320
controversial character

855
00:30:34,070 --> 00:30:31,679
or author i've heard you say that before

856
00:30:35,909 --> 00:30:34,080
would you mind elaborating on what he

857
00:30:38,070 --> 00:30:35,919
said that's so controversial i just find

858
00:30:39,909 --> 00:30:38,080
myself like a moth to a flame attracted

859
00:30:41,909 --> 00:30:39,919
to the word controversial and what might

860
00:30:44,230 --> 00:30:41,919
be hiding behind it

861
00:30:45,669 --> 00:30:44,240
well i mean this is part of what's come

862
00:30:48,310 --> 00:30:45,679
out in

863
00:30:49,590 --> 00:30:48,320

our investigation too of penny royal

864

00:30:51,110 --> 00:30:49,600

which is kind of

865

00:30:52,710 --> 00:30:51,120

it's just crazy how all this is

866

00:30:55,990 --> 00:30:52,720

connected but

867

00:30:59,750 --> 00:30:56,000

i've always been fascinated by in a

868

00:31:00,710 --> 00:30:59,760

fond fan and reader of james shelby

869

00:31:03,430 --> 00:31:00,720

downer

870

00:31:04,149 --> 00:31:03,440

sort of the grand old man of conspiracy

871

00:31:07,669 --> 00:31:04,159

theory i think

872

00:31:08,950 --> 00:31:07,679

a lot of people that talk about ideas

873

00:31:11,990 --> 00:31:08,960

like

874

00:31:13,590 --> 00:31:12,000

mystical toponomy and synchromysticism

875

00:31:15,590 --> 00:31:13,600

all these things a lot of people don't

876

00:31:20,710 --> 00:31:15,600

realize that it goes back to

877

00:31:24,310 --> 00:31:20,720

downward right and there's this idea

878

00:31:27,269 --> 00:31:24,320

that possibly downward is a

879

00:31:29,029 --> 00:31:27,279

literary invention and that he was the

880

00:31:31,669 --> 00:31:29,039

literary invention

881

00:31:33,110 --> 00:31:31,679

of michael hoffman who's a very well

882

00:31:35,190 --> 00:31:33,120

known

883

00:31:36,310 --> 00:31:35,200

i hate saying conspiracy theorists but

884

00:31:37,990 --> 00:31:36,320

you know i guess

885

00:31:39,590 --> 00:31:38,000

you know he is a conspiracy theorist but

886

00:31:42,870 --> 00:31:39,600

for lack of a better term yeah

887

00:31:46,230 --> 00:31:42,880

yeah you know but michael hoffman and

888

00:31:48,470 --> 00:31:46,240

also another gentleman named william

889

00:31:51,830 --> 00:31:48,480

grimstead bill grimstad

890

00:31:55,590 --> 00:31:51,840

now bill grimstad william grimstead

891

00:31:58,950 --> 00:31:55,600

also wrote under the name

892

00:32:00,470 --> 00:31:58,960

jim brandon so he wrote a book called

893

00:32:03,110 --> 00:32:00,480

weird america

894

00:32:05,190 --> 00:32:03,120

and then also this other book which

895

00:32:08,149 --> 00:32:05,200

became a big part of hellier

896

00:32:10,149 --> 00:32:08,159

called the rebirth of pan which covers

897

00:32:13,750 --> 00:32:10,159

you know all this stuff about you know

898

00:32:14,470 --> 00:32:13,760

grimstead as jim brandon was in kentucky

899

00:32:15,669 --> 00:32:14,480

quite a bit

900

00:32:17,509 --> 00:32:15,679

and this is another one of those things

901
00:32:18,389 --> 00:32:17,519
you know i'm a huge fan of downer i'm

902
00:32:21,029 --> 00:32:18,399
digging into this

903
00:32:22,070 --> 00:32:21,039
and then suddenly i find out these guys

904
00:32:25,430 --> 00:32:22,080
were here

905
00:32:28,310 --> 00:32:25,440
you know here in kentucky that downered

906
00:32:29,269 --> 00:32:28,320
lived and grew up in kentucky that

907
00:32:32,389 --> 00:32:29,279
downard

908
00:32:35,350 --> 00:32:32,399
went to college 30 miles 40 miles

909
00:32:35,830 --> 00:32:35,360
north of somerset at center college

910
00:32:39,430 --> 00:32:35,840
right

911
00:32:40,549 --> 00:32:39,440
in the 1930s and so you find out that

912
00:32:42,310 --> 00:32:40,559
william grimm said he

913
00:32:44,710 --> 00:32:42,320

he's the guy that created this concept

914

00:32:47,350 --> 00:32:44,720

of the lafayette factor

915

00:32:48,389 --> 00:32:47,360

or the fayette factor that places with

916

00:32:51,110 --> 00:32:48,399

the name fayette

917

00:32:53,110 --> 00:32:51,120

like lafayette or fayette county which

918

00:32:54,870 --> 00:32:53,120

is where lexington is

919

00:32:56,870 --> 00:32:54,880

all these different places that there's

920

00:32:59,029 --> 00:32:56,880

this inherent weirdness

921

00:33:01,029 --> 00:32:59,039

attached to that name and so then he

922

00:33:01,669 --> 00:33:01,039

goes in this whole idea of power names

923

00:33:05,350 --> 00:33:01,679

and

924

00:33:08,470 --> 00:33:05,360

sort of

925

00:33:10,710 --> 00:33:08,480

spirit to the land here in america

926
00:33:11,830 --> 00:33:10,720
and then he talks about the three-toed

927
00:33:15,430 --> 00:33:11,840
footprints

928
00:33:19,509 --> 00:33:15,440
and how those relate to this idea of

929
00:33:21,909 --> 00:33:19,519
the green man of pan of sounenos

930
00:33:23,750 --> 00:33:21,919
you know the horn god so anyway all

931
00:33:26,470 --> 00:33:23,760
those things are fascinating they're

932
00:33:27,750 --> 00:33:26,480
it's meeting material for foreign

933
00:33:29,029 --> 00:33:27,760
researchers

934
00:33:31,110 --> 00:33:29,039
anyone that's interested in high

935
00:33:33,029 --> 00:33:31,120
strangeness well

936
00:33:34,789 --> 00:33:33,039
he's writing these books as jim brandon

937
00:33:37,350 --> 00:33:34,799
when you dig into who

938
00:33:39,029 --> 00:33:37,360

william grimstad is you find out that he

939

00:33:43,830 --> 00:33:39,039

and hoffman

940

00:33:46,549 --> 00:33:43,840

were part of the american nazi party

941

00:33:47,590 --> 00:33:46,559

and that these guys were holocaust

942

00:33:52,230 --> 00:33:47,600

deniers

943

00:33:55,110 --> 00:33:52,240

that grimstead was the editor

944

00:33:55,509 --> 00:33:55,120

and hoffman too we're working pushing

945

00:33:59,669 --> 00:33:55,519

some

946

00:34:01,509 --> 00:33:59,679

very racist ideas and very anti-semitic

947

00:34:03,269 --> 00:34:01,519

ideas

948

00:34:05,029 --> 00:34:03,279

and i think that's one of the things too

949

00:34:07,909 --> 00:34:05,039

that the idea of

950

00:34:09,109 --> 00:34:07,919

king kill 33 that jfk assassination may

951
00:34:10,950 --> 00:34:09,119
have been some type of

952
00:34:12,310 --> 00:34:10,960
killing of the king ritual right which

953
00:34:14,230 --> 00:34:12,320
is a fascinating thing to

954
00:34:15,510 --> 00:34:14,240
think about and the symbolism that's

955
00:34:16,629 --> 00:34:15,520
attached to it you know you definitely

956
00:34:18,470 --> 00:34:16,639
talk to people that

957
00:34:20,869 --> 00:34:18,480
you know are familiar with that and a

958
00:34:22,149 --> 00:34:20,879
lot of your listeners are

959
00:34:24,230 --> 00:34:22,159
but a lot of people you know when you

960
00:34:26,389 --> 00:34:24,240
think back to downward

961
00:34:27,669 --> 00:34:26,399
when he published that article you know

962
00:34:29,750 --> 00:34:27,679
michael hoffman

963
00:34:31,750 --> 00:34:29,760

was the co-author and really i think

964

00:34:34,869 --> 00:34:31,760

probably the author

965

00:34:37,190 --> 00:34:34,879

and then grimstad is involved in a lot

966

00:34:40,710 --> 00:34:37,200

of the publishing he's the co-author

967

00:34:43,270 --> 00:34:40,720

in a lot of the downward material so

968

00:34:44,389 --> 00:34:43,280

it's as if they're using down or whether

969

00:34:45,589 --> 00:34:44,399

he existed or not

970

00:34:48,149 --> 00:34:45,599

which is another thing that we're

971

00:34:49,990 --> 00:34:48,159

working on

972

00:34:52,230 --> 00:34:50,000

there nonetheless exists this

973

00:34:55,430 --> 00:34:52,240

undercurrent of fascism

974

00:34:59,670 --> 00:34:55,440

you know and anti-semitism and racism

975

00:35:03,829 --> 00:34:59,680

that is part and parcel of their beliefs

976
00:35:07,589 --> 00:35:03,839
about this quote spirit of the landscape

977
00:35:10,550 --> 00:35:07,599
right that i think has to

978
00:35:11,349 --> 00:35:10,560
be taken into account when considering

979
00:35:14,470 --> 00:35:11,359
their

980
00:35:16,230 --> 00:35:14,480
ideas of high strangeness so

981
00:35:17,910 --> 00:35:16,240
it's just one of those things that i

982
00:35:21,589 --> 00:35:17,920
think you have to address it definitely

983
00:35:24,230 --> 00:35:21,599
the second season of penny royal when it

984
00:35:25,829 --> 00:35:24,240
comes out and we've got most of it done

985
00:35:27,430 --> 00:35:25,839
it deals with that it deals with our

986
00:35:28,950 --> 00:35:27,440
investigation of downer but you know you

987
00:35:30,710 --> 00:35:28,960
have to address those things you keep

988
00:35:32,230 --> 00:35:30,720

finding those things and

989

00:35:34,470 --> 00:35:32,240

i think you have to talk about those

990

00:35:37,670 --> 00:35:34,480

things because you don't want to

991

00:35:39,030 --> 00:35:37,680

give a platform to those underlying

992

00:35:41,349 --> 00:35:39,040

ideas

993

00:35:43,030 --> 00:35:41,359

because obviously grimstead and hoffman

994

00:35:46,230 --> 00:35:43,040

no doubt believe

995

00:35:48,790 --> 00:35:46,240

that the ancient culture of america

996

00:35:50,069 --> 00:35:48,800

right that that laid the foundation of

997

00:35:53,430 --> 00:35:50,079

all this mysticism

998

00:35:55,030 --> 00:35:53,440

was an aryan group so

999

00:35:56,790 --> 00:35:55,040

you know it's fascinating i'm telling

1000

00:35:58,630 --> 00:35:56,800

you but also it's like

1001

00:36:00,069 --> 00:35:58,640

i dig into this stuff and then i find

1002

00:36:03,430 --> 00:36:00,079

out that downward

1003

00:36:04,870 --> 00:36:03,440

is in fort thomas kentucky you know that

1004

00:36:06,870 --> 00:36:04,880

that's where his family was really

1005

00:36:08,310 --> 00:36:06,880

located at it's strange too that this

1006

00:36:10,870 --> 00:36:08,320

isn't in the podcast but

1007

00:36:13,030 --> 00:36:10,880

you know that's where the most famous

1008

00:36:16,069 --> 00:36:13,040

murder in american history

1009

00:36:18,069 --> 00:36:16,079

up through the 1800s happened that was

1010

00:36:20,230 --> 00:36:18,079

the murder of pearl brine

1011

00:36:21,990 --> 00:36:20,240

where bobby mackeys is where they

1012

00:36:24,310 --> 00:36:22,000

decapitated this girl

1013

00:36:25,510 --> 00:36:24,320

there's hundreds of ballads about this

1014

00:36:27,270 --> 00:36:25,520

and it all took place

1015

00:36:29,270 --> 00:36:27,280

right where downer it is right where

1016

00:36:32,230 --> 00:36:29,280

this bastion of like

1017

00:36:33,589 --> 00:36:32,240

high strangeness is and then again he

1018

00:36:37,109 --> 00:36:33,599

went to school here like

1019

00:36:40,069 --> 00:36:37,119

30 miles 40 miles north of somerset

1020

00:36:40,950 --> 00:36:40,079

here's this guy right in the center of

1021

00:36:43,910 --> 00:36:40,960

all the weirdness

1022

00:36:45,430 --> 00:36:43,920

you know yeah that is wild and i figured

1023

00:36:48,150 --> 00:36:45,440

it had to have something to do with

1024

00:36:49,589 --> 00:36:48,160

race because what else would be that

1025

00:36:51,910 --> 00:36:49,599

uncomfortable to talk about

1026
00:36:52,630 --> 00:36:51,920
anymore but hey living in the conspiracy

1027
00:36:53,910 --> 00:36:52,640
world

1028
00:36:55,670 --> 00:36:53,920
you're gonna deal with these kind of

1029
00:36:58,150 --> 00:36:55,680
things i will say that too

1030
00:36:59,190 --> 00:36:58,160
that that's one of the things penny

1031
00:37:00,550 --> 00:36:59,200
royal

1032
00:37:02,790 --> 00:37:00,560
when i started working on it was back

1033
00:37:05,270 --> 00:37:02,800
and it started in 2017

1034
00:37:07,589 --> 00:37:05,280
and really the recordings began in

1035
00:37:09,030 --> 00:37:07,599
january 2018 right

1036
00:37:10,710 --> 00:37:09,040
at the time i was interviewing all these

1037
00:37:13,829 --> 00:37:10,720
people none of the

1038
00:37:17,190 --> 00:37:13,839

q anon stuff none of the ideas of like

1039

00:37:21,109 --> 00:37:17,200

pizzagate at least were really prominent

1040

00:37:25,510 --> 00:37:21,119

and as i neared the completion

1041

00:37:27,589 --> 00:37:25,520

of the podcast and there is that weird

1042

00:37:28,950 --> 00:37:27,599

cult element to the story that's

1043

00:37:29,670 --> 00:37:28,960

undeniable you know that's why i tell

1044

00:37:31,190 --> 00:37:29,680

people it's like

1045

00:37:33,030 --> 00:37:31,200

we're not making it up i mean it's a

1046

00:37:36,150 --> 00:37:33,040

real

1047

00:37:39,190 --> 00:37:36,160

thread of the folklore here this

1048

00:37:41,510 --> 00:37:39,200

idea of these cults right and i was

1049

00:37:42,310 --> 00:37:41,520

terrified that i was going to release

1050

00:37:45,430 --> 00:37:42,320

the podcast

1051
00:37:48,710 --> 00:37:45,440
in the midst of this

1052
00:37:51,829 --> 00:37:48,720
environment a media environment and that

1053
00:37:54,870 --> 00:37:51,839
q anon or an extremist group would

1054
00:37:57,910 --> 00:37:54,880
latch on to penny royal and then

1055
00:38:01,190 --> 00:37:57,920
use it as evidence that kids were being

1056
00:38:03,349 --> 00:38:01,200
held in the caves in kentucky you know

1057
00:38:05,270 --> 00:38:03,359
i i i guess that would be a valid

1058
00:38:06,870 --> 00:38:05,280
concern actually now that i think about

1059
00:38:08,630 --> 00:38:06,880
some of the material that you end up

1060
00:38:12,150 --> 00:38:08,640
getting into and

1061
00:38:15,349 --> 00:38:12,160
on the subject of colts there is a part

1062
00:38:16,710 --> 00:38:15,359
where you talk to a woman named pamela

1063
00:38:19,589 --> 00:38:16,720

richards who

1064

00:38:20,230 --> 00:38:19,599

says she was brought up in pulaski

1065

00:38:22,310 --> 00:38:20,240

county

1066

00:38:23,510 --> 00:38:22,320

and was brought up in a cult when she

1067

00:38:26,550 --> 00:38:23,520

was a child

1068

00:38:28,630 --> 00:38:26,560

apparently during some ritual events

1069

00:38:30,630 --> 00:38:28,640

she was covered in blood she was given

1070

00:38:31,990 --> 00:38:30,640

drugs she was taught to sacrifice

1071

00:38:33,510 --> 00:38:32,000

animals alive

1072

00:38:35,829 --> 00:38:33,520

and she would hear their screams at

1073

00:38:37,910 --> 00:38:35,839

night and on at least one occasion she

1074

00:38:39,750 --> 00:38:37,920

claims human sacrifices were made and

1075

00:38:41,109 --> 00:38:39,760

their bodies were cut up and taken to

1076

00:38:44,630 --> 00:38:41,119

the mouth of a cave

1077

00:38:46,390 --> 00:38:44,640

by kids in a ritual procession

1078

00:38:48,950 --> 00:38:46,400

i mean these are some pretty hardcore

1079

00:38:52,390 --> 00:38:48,960

claims but she is not the only one

1080

00:38:53,990 --> 00:38:52,400

saying stuff like this is she yeah so

1081

00:38:58,710 --> 00:38:54,000

that was

1082

00:39:00,390 --> 00:38:58,720

whole

1083

00:39:01,910 --> 00:39:00,400

the mystery you know the penny royal

1084

00:39:05,109 --> 00:39:01,920

mystery you know let's

1085

00:39:06,069 --> 00:39:05,119

call it that i started researching all

1086

00:39:08,870 --> 00:39:06,079

this stuff

1087

00:39:11,109 --> 00:39:08,880

because when we moved down here i was

1088

00:39:14,150 --> 00:39:11,119

driving around

1089

00:39:16,790 --> 00:39:14,160

the town square and it's kind of a

1090

00:39:19,030 --> 00:39:16,800

circle that you go around and there was

1091

00:39:20,470 --> 00:39:19,040

this group of people with these signs

1092

00:39:24,069 --> 00:39:20,480

that they were holding up

1093

00:39:26,870 --> 00:39:24,079

towards city hall and the signs said

1094

00:39:27,990 --> 00:39:26,880

you know you did it and so i thought

1095

00:39:30,950 --> 00:39:28,000

what in the world is this

1096

00:39:33,670 --> 00:39:30,960

this is crazy so i get back to the house

1097

00:39:35,829 --> 00:39:33,680

and i'm talking to my neighbors

1098

00:39:38,230 --> 00:39:35,839

and i'm asking him like hey you know i

1099

00:39:41,030 --> 00:39:38,240

saw this like really crazy

1100

00:39:43,349 --> 00:39:41,040

group of people downtown and they've got

1101

00:39:45,589 --> 00:39:43,359

these signs you know what's going on

1102

00:39:47,270 --> 00:39:45,599

so they told me about these murders

1103

00:39:50,150 --> 00:39:47,280

these unsolved murders

1104

00:39:50,950 --> 00:39:50,160

that happened in 1994 very high profile

1105

00:39:54,630 --> 00:39:50,960

murders

1106

00:39:57,510 --> 00:39:54,640

dateline came here in 2019 it was the

1107

00:40:00,710 --> 00:39:57,520

25th anniversary

1108

00:40:02,950 --> 00:40:00,720

it was linda gibson and cody garrett

1109

00:40:04,390 --> 00:40:02,960

and she was 21 he was four and a half he

1110

00:40:07,910 --> 00:40:04,400

was her half brother

1111

00:40:11,030 --> 00:40:07,920

and they were last seen on

1112

00:40:13,030 --> 00:40:11,040

the fourth of july 1994

1113

00:40:14,790 --> 00:40:13,040

getting into a car and then they were

1114

00:40:17,990 --> 00:40:14,800

found three days later

1115

00:40:20,390 --> 00:40:18,000

mutilated on the city limits

1116

00:40:22,470 --> 00:40:20,400

and it's a really really strange case

1117

00:40:23,670 --> 00:40:22,480

you know anybody can look this up but

1118

00:40:27,430 --> 00:40:23,680

like i said it's been covered by some

1119

00:40:29,109 --> 00:40:27,440

true crime stuff and dateline

1120

00:40:30,950 --> 00:40:29,119

she actually lived down the street from

1121

00:40:32,150 --> 00:40:30,960

us and the place they were last seen is

1122

00:40:33,430 --> 00:40:32,160

literally around the corner from my

1123

00:40:35,349 --> 00:40:33,440

house right

1124

00:40:38,630 --> 00:40:35,359

so they're telling the story they're

1125

00:40:40,950 --> 00:40:38,640

saying that it's connected to this cult

1126
00:40:41,670 --> 00:40:40,960
here in town right that there's this

1127
00:40:44,950 --> 00:40:41,680
cult

1128
00:40:48,150 --> 00:40:44,960
it's an eyes wide shut sort of

1129
00:40:51,190 --> 00:40:48,160
motif it's the upper crust the

1130
00:40:52,550 --> 00:40:51,200
the patriarchs of the five richest

1131
00:40:54,790 --> 00:40:52,560
families are

1132
00:40:56,069 --> 00:40:54,800
part of this thing and it goes deep into

1133
00:40:57,030 --> 00:40:56,079
you know that they're having these sex

1134
00:40:59,910 --> 00:40:57,040
parties and

1135
00:41:00,950 --> 00:40:59,920
there's drugs and ritualism people are

1136
00:41:03,510 --> 00:41:00,960
in robes and i thought

1137
00:41:05,430 --> 00:41:03,520
this is absolutely bonkers right like

1138
00:41:07,670 --> 00:41:05,440

there's no way

1139

00:41:09,589 --> 00:41:07,680

not to not not to say anything

1140

00:41:10,950 --> 00:41:09,599

disparaging the area but i was like

1141

00:41:12,630 --> 00:41:10,960

you know there's no way these country

1142

00:41:15,270 --> 00:41:12,640

bumpkins are

1143

00:41:16,069 --> 00:41:15,280

worshiping some type of elder gods or

1144

00:41:18,069 --> 00:41:16,079

doing anything

1145

00:41:19,670 --> 00:41:18,079

of that sort right and i just thought

1146

00:41:23,349 --> 00:41:19,680

you know there's no way

1147

00:41:26,550 --> 00:41:23,359

and definitely in um researching this

1148

00:41:27,990 --> 00:41:26,560

deeper i found out that the story i was

1149

00:41:30,470 --> 00:41:28,000

originally told

1150

00:41:31,030 --> 00:41:30,480

was actually an amalgamation of three

1151

00:41:33,190 --> 00:41:31,040

different

1152

00:41:35,270 --> 00:41:33,200

murders here in town now the two that

1153

00:41:37,990 --> 00:41:35,280

we're talking about are definitely

1154

00:41:38,790 --> 00:41:38,000

they absolutely happen but they tie into

1155

00:41:41,589 --> 00:41:38,800

a whole other

1156

00:41:42,710 --> 00:41:41,599

like a separate weirdness but anyway i

1157

00:41:43,750 --> 00:41:42,720

found out about those i heard about

1158

00:41:46,870 --> 00:41:43,760

those

1159

00:41:48,710 --> 00:41:46,880

stories tied to this cold and i for the

1160

00:41:49,589 --> 00:41:48,720

most part once we had dug into

1161

00:41:52,470 --> 00:41:49,599

researching it

1162

00:41:53,190 --> 00:41:52,480

had decided there's no cult that this is

1163

00:41:55,910 --> 00:41:53,200

just

1164

00:41:57,270 --> 00:41:55,920

local rumor sort of sort of this like

1165

00:41:59,910 --> 00:41:57,280

twin peaks

1166

00:42:01,430 --> 00:41:59,920

you know element to how people think

1167

00:42:02,710 --> 00:42:01,440

about things you know the people in

1168

00:42:05,430 --> 00:42:02,720

power are

1169

00:42:06,550 --> 00:42:05,440

doing these terrible things to people

1170

00:42:09,750 --> 00:42:06,560

well

1171

00:42:11,109 --> 00:42:09,760

that's when the hell your crew shows up

1172

00:42:14,550 --> 00:42:11,119

so greg newkirk

1173

00:42:16,790 --> 00:42:14,560

comes comes to town he knows

1174

00:42:17,910 --> 00:42:16,800

kyle cadill there's a friend of mine who

1175

00:42:19,430 --> 00:42:17,920

runs the

1176
00:42:21,510 --> 00:42:19,440
this is strange too you know how many

1177
00:42:23,829 --> 00:42:21,520
towns have a paranormal museum

1178
00:42:25,030 --> 00:42:23,839
you know in them and so here here we

1179
00:42:26,470 --> 00:42:25,040
have kyle cadilla and

1180
00:42:28,790 --> 00:42:26,480
there's this international paranormal

1181
00:42:31,030 --> 00:42:28,800
museum and he would go to these

1182
00:42:32,309 --> 00:42:31,040
conventions and he ended up meeting greg

1183
00:42:33,829 --> 00:42:32,319
and dana newkirk

1184
00:42:36,069 --> 00:42:33,839
because they also were on the convention

1185
00:42:38,950 --> 00:42:36,079
circuit and so

1186
00:42:40,309 --> 00:42:38,960
after hilliard come out they'd contacted

1187
00:42:42,150 --> 00:42:40,319
him he talked to him a few times and

1188
00:42:44,150 --> 00:42:42,160

they said they were in the area and they

1189

00:42:45,430 --> 00:42:44,160

came by to interview him just about

1190

00:42:47,510 --> 00:42:45,440

kentucky he didn't know they were even

1191

00:42:48,870 --> 00:42:47,520

shooting the second season of the show

1192

00:42:50,790 --> 00:42:48,880

and so they'd ask you know is there

1193

00:42:52,470 --> 00:42:50,800

anybody else we should talk to

1194

00:42:55,270 --> 00:42:52,480

and he told them that you know you

1195

00:42:56,630 --> 00:42:55,280

should talk to nathan because he's

1196

00:42:58,630 --> 00:42:56,640

researching all the stuff he's got all

1197

00:43:00,470 --> 00:42:58,640

this all these stories all this folklore

1198

00:43:03,030 --> 00:43:00,480

about the area

1199

00:43:05,349 --> 00:43:03,040

and so they contacted me and we met in

1200

00:43:08,950 --> 00:43:05,359

our studio above jar flow brewing

1201
00:43:10,230 --> 00:43:08,960
and greg asked me about the weird stuff

1202
00:43:12,309 --> 00:43:10,240
and so i told them all the stories of

1203
00:43:13,349 --> 00:43:12,319
how strange just all that

1204
00:43:15,349 --> 00:43:13,359
and he said well what do you think's

1205
00:43:16,790 --> 00:43:15,359
going on and i said let me tell you

1206
00:43:17,750 --> 00:43:16,800
about the darker stuff right let me tell

1207
00:43:19,750 --> 00:43:17,760
you about the crime

1208
00:43:21,109 --> 00:43:19,760
and so i told them all the criminal

1209
00:43:22,950 --> 00:43:21,119
stories some of the stuff i just told

1210
00:43:26,550 --> 00:43:22,960
you but other things too

1211
00:43:27,030 --> 00:43:26,560
and that's when he that's when he told

1212
00:43:29,349 --> 00:43:27,040
me

1213
00:43:30,630 --> 00:43:29,359

that they had been contacted that no one

1214

00:43:31,829 --> 00:43:30,640

knew this but that they had been

1215

00:43:35,349 --> 00:43:31,839

contacted by

1216

00:43:38,790 --> 00:43:35,359

a woman in somerset telling them

1217

00:43:39,750 --> 00:43:38,800

that there was this cult here and that

1218

00:43:41,589 --> 00:43:39,760

they were

1219

00:43:43,109 --> 00:43:41,599

killing children and all this just

1220

00:43:46,069 --> 00:43:43,119

totally crazy just the

1221

00:43:47,349 --> 00:43:46,079

crazy stuff but what he was telling me

1222

00:43:50,390 --> 00:43:47,359

was the same

1223

00:43:52,230 --> 00:43:50,400

stuff that we had heard from pamela

1224

00:43:54,230 --> 00:43:52,240

and there were three other women with

1225

00:43:58,150 --> 00:43:54,240

the same stories here in town

1226

00:43:59,510 --> 00:43:58,160

right now pamela did point out that

1227

00:44:01,670 --> 00:43:59,520

there was one other woman that had

1228

00:44:03,190 --> 00:44:01,680

exactly the same memories as her

1229

00:44:04,870 --> 00:44:03,200

but they both shared the same

1230

00:44:07,910 --> 00:44:04,880

psychiatrist

1231

00:44:08,470 --> 00:44:07,920

which is suspect this is exactly the

1232

00:44:11,750 --> 00:44:08,480

time

1233

00:44:12,069 --> 00:44:11,760

of the satanic panic and i'm not saying

1234

00:44:13,430 --> 00:44:12,079

that

1235

00:44:15,589 --> 00:44:13,440

nothing happened to pamela i mean

1236

00:44:15,990 --> 00:44:15,599

obviously she suffered trauma you know

1237

00:44:19,109 --> 00:44:16,000

that

1238

00:44:22,150 --> 00:44:19,119

things to

1239

00:44:23,750 --> 00:44:22,160

record of the show and

1240

00:44:25,589 --> 00:44:23,760

something that i'd never tackled before

1241

00:44:28,309 --> 00:44:25,599

was sort of the ethics

1242

00:44:29,510 --> 00:44:28,319

of how do we approach you know because

1243

00:44:30,950 --> 00:44:29,520

that was definitely

1244

00:44:33,589 --> 00:44:30,960

a part of the folklore and here was

1245

00:44:36,230 --> 00:44:33,599

someone that really wanted to tell us

1246

00:44:38,630 --> 00:44:36,240

her story and how you handle it because

1247

00:44:41,349 --> 00:44:38,640

it's very sensitive material

1248

00:44:44,230 --> 00:44:41,359

and like i said she absolutely believes

1249

00:44:48,230 --> 00:44:44,240

those things happen to her

1250

00:44:50,630 --> 00:44:48,240

but anyway greg newkirk is telling me

1251
00:44:52,550 --> 00:44:50,640
literally that there's a woman that i

1252
00:44:55,109 --> 00:44:52,560
don't know that i haven't interviewed

1253
00:44:55,670 --> 00:44:55,119
that has contacted them telling them the

1254
00:44:59,349 --> 00:44:55,680
same

1255
00:45:01,510 --> 00:44:59,359
story about cults and green men

1256
00:45:02,790 --> 00:45:01,520
and all this crazy [h__h] well that's

1257
00:45:06,069 --> 00:45:02,800
scared

1258
00:45:08,870 --> 00:45:06,079
i thought

1259
00:45:09,910 --> 00:45:08,880
what if we are you know for me at that

1260
00:45:12,150 --> 00:45:09,920
point was kind of still

1261
00:45:14,550 --> 00:45:12,160
fun and we were like looking at all the

1262
00:45:16,710 --> 00:45:14,560
local crime and the high strangeness

1263
00:45:18,630 --> 00:45:16,720

and then he tells me that i think what

1264

00:45:19,270 --> 00:45:18,640

if there really is something going on

1265

00:45:21,430 --> 00:45:19,280

here

1266

00:45:24,150 --> 00:45:21,440

and what if we're poking our nose in it

1267

00:45:25,589 --> 00:45:24,160

and we shouldn't be

1268

00:45:27,589 --> 00:45:25,599

and so that definitely freaked me out

1269

00:45:30,870 --> 00:45:27,599

and they left you know and after that

1270

00:45:31,910 --> 00:45:30,880

i told darian and kyle you know or the

1271

00:45:34,069 --> 00:45:31,920

co-producers on the

1272

00:45:35,190 --> 00:45:34,079

show that maybe we should just stop

1273

00:45:37,109 --> 00:45:35,200

doing this

1274

00:45:38,550 --> 00:45:37,119

because like i have zero interest in

1275

00:45:41,030 --> 00:45:38,560

trying to solve

1276
00:45:41,829 --> 00:45:41,040
murders right leave that to the police

1277
00:45:43,670 --> 00:45:41,839
and

1278
00:45:45,109 --> 00:45:43,680
we did sort of let it cool down for a

1279
00:45:46,390 --> 00:45:45,119
while but it's just one of those things

1280
00:45:48,710 --> 00:45:46,400
that

1281
00:45:50,470 --> 00:45:48,720
we looked at it again and we couldn't

1282
00:45:52,550 --> 00:45:50,480
stop looking at it

1283
00:45:54,270 --> 00:45:52,560
and honestly talking to you know that

1284
00:45:57,349 --> 00:45:54,280
was what was so weird was the

1285
00:46:00,550 --> 00:45:57,359
intersection between hillier

1286
00:46:03,910 --> 00:46:00,560
and pennyroyal was so

1287
00:46:07,910 --> 00:46:03,920
strange because i was working with dan

1288
00:46:09,990 --> 00:46:07,920

dutton this very well-known artist

1289

00:46:11,670 --> 00:46:10,000

in america but also a super famous

1290

00:46:15,190 --> 00:46:11,680

kentucky artist

1291

00:46:15,670 --> 00:46:15,200

on a documentary about an experience he

1292

00:46:17,349 --> 00:46:15,680

had

1293

00:46:19,430 --> 00:46:17,359

while making one of his operas called

1294

00:46:23,589 --> 00:46:19,440

the fawn about pan

1295

00:46:26,150 --> 00:46:23,599

right and i'm filming a documentary

1296

00:46:28,230 --> 00:46:26,160

with him about an experience he had in

1297

00:46:30,390 --> 00:46:28,240

elkhorn city kentucky

1298

00:46:32,550 --> 00:46:30,400

where he feels like he encountered the

1299

00:46:36,230 --> 00:46:32,560

archetype of pan

1300

00:46:38,870 --> 00:46:36,240

and then hellyer comes out and

1301
00:46:41,109 --> 00:46:38,880
it turns out that somerset is actually

1302
00:46:44,470 --> 00:46:41,119
like the last half of the show

1303
00:46:48,069 --> 00:46:44,480
of the second season and

1304
00:46:51,990 --> 00:46:48,079
they are researching pan

1305
00:46:53,750 --> 00:46:52,000
you know dan dutton's opera cycle his

1306
00:46:54,950 --> 00:46:53,760
four-part opera cycle which is really

1307
00:46:58,790 --> 00:46:54,960
famous that ket

1308
00:47:01,109 --> 00:46:58,800
filmed is called the secret commonwealth

1309
00:47:02,309 --> 00:47:01,119
and the episode that i'm in the eighth

1310
00:47:03,829 --> 00:47:02,319
episode where they really

1311
00:47:05,589 --> 00:47:03,839
reveal all the summerset stuff it's

1312
00:47:07,910 --> 00:47:05,599
called the secret commonwealth

1313
00:47:09,670 --> 00:47:07,920

and so in dan where he had this

1314

00:47:11,750 --> 00:47:09,680

encounter in elkhorn city

1315

00:47:13,430 --> 00:47:11,760

you know that we're going to reproduce

1316

00:47:16,630 --> 00:47:13,440

artistically

1317

00:47:19,910 --> 00:47:16,640

his opera his dance opera in

1318

00:47:22,390 --> 00:47:19,920

breaks interstate park to see if we can

1319

00:47:23,750 --> 00:47:22,400

invoke that experience again for him not

1320

00:47:26,790 --> 00:47:23,760

really to summon

1321

00:47:30,549 --> 00:47:26,800

pan but in a sense summon pan in an

1322

00:47:34,549 --> 00:47:30,559

artistic way right and that's the finale

1323

00:47:38,390 --> 00:47:34,559

of the film and then the finale of

1324

00:47:41,510 --> 00:47:38,400

hell your second season they attempt to

1325

00:47:45,030 --> 00:47:41,520

perform a ritual to summon pan

1326

00:47:48,309 --> 00:47:45,040

here in pulaski county in the caves

1327

00:47:50,309 --> 00:47:48,319

right where all of this weird [h__h]

1328

00:47:52,390 --> 00:47:50,319

has been happening centered in that part

1329

00:47:52,710 --> 00:47:52,400

of the county and i was just like this

1330

00:47:56,549 --> 00:47:52,720

is

1331

00:47:57,510 --> 00:47:56,559

totally nuts and i texted greg that

1332

00:48:00,069 --> 00:47:57,520

morning and i'm like

1333

00:48:00,630 --> 00:48:00,079

dude i'm working on this film with dan

1334

00:48:02,309 --> 00:48:00,640

dutton

1335

00:48:04,069 --> 00:48:02,319

and that's when greg says to me he texts

1336

00:48:07,190 --> 00:48:04,079

me back he's like i'm looking at

1337

00:48:08,630 --> 00:48:07,200

dan dutton on my wall he didn't make it

1338

00:48:09,270 --> 00:48:08,640

into the second season because i just

1339

00:48:12,870 --> 00:48:09,280

didn't know

1340

00:48:15,270 --> 00:48:12,880

how this guy that was so tied to pan

1341

00:48:17,109 --> 00:48:15,280

fit into all this and it was just one of

1342

00:48:19,829 --> 00:48:17,119

those weird things it's like

1343

00:48:21,910 --> 00:48:19,839

no matter what you think about their

1344

00:48:26,230 --> 00:48:21,920

researcher or what we're researching

1345

00:48:29,990 --> 00:48:26,240

it's an incredibly strange intersection

1346

00:48:33,109 --> 00:48:30,000

of it's just beyond coincidence

1347

00:48:34,950 --> 00:48:33,119

that they came from helya kentucky

1348

00:48:36,309 --> 00:48:34,960

which is elkhorn city it's the suburb of

1349

00:48:38,710 --> 00:48:36,319

valporn city

1350

00:48:39,910 --> 00:48:38,720

to somerset and ended up trying to

1351
00:48:42,790 --> 00:48:39,920
summon pan

1352
00:48:44,390 --> 00:48:42,800
in a ritual in a cave and that dan and i

1353
00:48:46,950 --> 00:48:44,400
unbeknownst to them

1354
00:48:48,549 --> 00:48:46,960
were working on a film where we went to

1355
00:48:51,910 --> 00:48:48,559
elkhorn city

1356
00:48:55,270 --> 00:48:51,920
hillier to restage his

1357
00:48:56,950 --> 00:48:55,280
fawn opera to invoke pan and it's just

1358
00:48:59,990 --> 00:48:56,960
so strange you know i mean

1359
00:49:02,870 --> 00:49:00,000
outside of all the other stuff it's like

1360
00:49:04,950 --> 00:49:02,880
that's incredibly odd you know right

1361
00:49:08,309 --> 00:49:04,960
well when you read a lot of these

1362
00:49:10,470 --> 00:49:08,319
books and articles from

1363
00:49:12,710 --> 00:49:10,480

paranormal high strangeness

1364

00:49:14,630 --> 00:49:12,720

investigators they often find themselves

1365

00:49:16,309 --> 00:49:14,640

being part of the mystery they get hit

1366

00:49:18,630 --> 00:49:16,319

with so much synchronicity

1367

00:49:19,589 --> 00:49:18,640

that it feels like something is leading

1368

00:49:22,309 --> 00:49:19,599

them along

1369

00:49:22,710 --> 00:49:22,319

and it seems like you felt that as well

1370

00:49:25,510 --> 00:49:22,720

and

1371

00:49:26,230 --> 00:49:25,520

to talk about some of the lighter stuff

1372

00:49:29,030 --> 00:49:26,240

again

1373

00:49:31,270 --> 00:49:29,040

the goblins are obviously very

1374

00:49:34,069 --> 00:49:31,280

fascinating but there's also another

1375

00:49:35,030 --> 00:49:34,079

weird one in episode two where you talk

1376

00:49:38,950 --> 00:49:35,040

about a

1377

00:49:42,230 --> 00:49:38,960

couple who saw some sort of manta ray

1378

00:49:44,390 --> 00:49:42,240

creature undulating or sort of swimming

1379

00:49:46,150 --> 00:49:44,400

through the sky but it was also

1380

00:49:48,950 --> 00:49:46,160

transparent they could see

1381

00:49:51,670 --> 00:49:48,960

stars in the night sky through its body

1382

00:49:53,910 --> 00:49:51,680

that is pretty out there

1383

00:49:54,710 --> 00:49:53,920

man that's probably one of my favorite

1384

00:49:57,510 --> 00:49:54,720

stories

1385

00:49:58,710 --> 00:49:57,520

of this area right that's an official

1386

00:50:02,150 --> 00:49:58,720

mufon

1387

00:50:04,630 --> 00:50:02,160

report that was submitted to them

1388

00:50:06,630 --> 00:50:04,640

god is it 2005. i can't think of it off

1389

00:50:08,390 --> 00:50:06,640

the top of it but i think it was 2005.

1390

00:50:10,309 --> 00:50:08,400

but it was recent you know in the last

1391

00:50:14,390 --> 00:50:10,319

20 years 15 20 years

1392

00:50:18,390 --> 00:50:14,400

that yeah a couple in burnside which is

1393

00:50:20,069 --> 00:50:18,400

just five miles south like somerset sort

1394

00:50:22,230 --> 00:50:20,079

of stretches into burnside

1395

00:50:23,349 --> 00:50:22,240

you know burnside's one of those old

1396

00:50:24,790 --> 00:50:23,359

towns

1397

00:50:26,390 --> 00:50:24,800

that when they built the lake here

1398

00:50:27,510 --> 00:50:26,400

that's the other thing that's here in

1399

00:50:29,270 --> 00:50:27,520

pulaski county

1400

00:50:30,630 --> 00:50:29,280

is lake cumberland which at one point

1401

00:50:34,309 --> 00:50:30,640

was the largest man-made

1402

00:50:36,870 --> 00:50:34,319

lake east of the mississippi river

1403

00:50:37,829 --> 00:50:36,880

so burnside was one of those towns that

1404

00:50:40,069 --> 00:50:37,839

was flooded

1405

00:50:41,349 --> 00:50:40,079

and they ended up moving the entire town

1406

00:50:43,510 --> 00:50:41,359

up to higher ground

1407

00:50:44,390 --> 00:50:43,520

which is kind of fascinating the town

1408

00:50:47,589 --> 00:50:44,400

itself

1409

00:50:49,990 --> 00:50:47,599

is still under water and so if you dive

1410

00:50:51,910 --> 00:50:50,000

under the lake you can still see the

1411

00:50:53,670 --> 00:50:51,920

layout of the town

1412

00:50:56,309 --> 00:50:53,680

and all the street lights and there are

1413

00:50:59,030 --> 00:50:56,319

all these crazy ghost stories about

1414

00:50:59,670 --> 00:50:59,040

the people seeing in their boats beneath

1415

00:51:01,910 --> 00:50:59,680

them

1416

00:51:03,030 --> 00:51:01,920

the street lights coming on which i love

1417

00:51:07,190 --> 00:51:03,040

that story you know it's

1418

00:51:09,510 --> 00:51:07,200

just you know it's folklore so burnside

1419

00:51:10,710 --> 00:51:09,520

that's where they saw this this couple

1420

00:51:13,190 --> 00:51:10,720

had come home

1421

00:51:14,549 --> 00:51:13,200

and i think it was after midnight and

1422

00:51:17,670 --> 00:51:14,559

they saw

1423

00:51:18,870 --> 00:51:17,680

in the sky this flying what they

1424

00:51:22,870 --> 00:51:18,880

described as a

1425

00:51:24,710 --> 00:51:22,880

manta ray creature you know ufo

1426
00:51:25,990 --> 00:51:24,720
that they could see through and see the

1427
00:51:27,990 --> 00:51:26,000
stars

1428
00:51:29,109 --> 00:51:28,000
and that it was undulating flying

1429
00:51:32,390 --> 00:51:29,119
through the sky

1430
00:51:35,990 --> 00:51:32,400
what's fascinating about this is that

1431
00:51:38,470 --> 00:51:36,000
those same sightings are reported

1432
00:51:39,589 --> 00:51:38,480
on the west coast of the united states

1433
00:51:42,790 --> 00:51:39,599
frequently

1434
00:51:45,990 --> 00:51:42,800
and there's a farm in

1435
00:51:46,870 --> 00:51:46,000
the northwest god i can't think of the

1436
00:51:49,990 --> 00:51:46,880
name of it

1437
00:51:53,589 --> 00:51:50,000
but the guy guarantees that you're going

1438
00:51:57,109 --> 00:51:53,599

to e city there's at the east city ranch

1439

00:51:57,990 --> 00:51:57,119

oh james gilliland yes yes james gilliland

1440

00:52:02,470 --> 00:51:58,000

yes

1441

00:52:05,349 --> 00:52:02,480

so one of the hosts of coast to coast

1442

00:52:06,710 --> 00:52:05,359

was it might have been jimmy church or

1443

00:52:07,589 --> 00:52:06,720

not jimmy church but i think it was one

1444

00:52:11,109 --> 00:52:07,599

of the guys that was on

1445

00:52:12,069 --> 00:52:11,119

coast to coast had a siding while at the

1446

00:52:16,230 --> 00:52:12,079

ranch

1447

00:52:17,750 --> 00:52:16,240

of one of these flying manta rays

1448

00:52:19,589 --> 00:52:17,760

which that was the first time i'd ever

1449

00:52:22,069 --> 00:52:19,599

heard of it was on coast coast

1450

00:52:22,710 --> 00:52:22,079

and then you find the same type of

1451
00:52:25,990 --> 00:52:22,720
siding

1452
00:52:28,870 --> 00:52:26,000
reported to mufon here in somerset

1453
00:52:29,670 --> 00:52:28,880
and it's within one mile of a place

1454
00:52:32,710 --> 00:52:29,680
called

1455
00:52:37,030 --> 00:52:32,720
alien grave mountain where this guy

1456
00:52:39,510 --> 00:52:37,040
claims in 1963 there was a ufo crash

1457
00:52:41,750 --> 00:52:39,520
and it's totally nuts man it's a totally

1458
00:52:43,190 --> 00:52:41,760
crazy story but i love that that's one

1459
00:52:46,309 --> 00:52:43,200
of my favorite

1460
00:52:47,430 --> 00:52:46,319
sightings of anything ufo or sky

1461
00:52:49,109 --> 00:52:47,440
creature

1462
00:52:51,910 --> 00:52:49,119
and see that harkens on what we were

1463
00:52:53,430 --> 00:52:51,920

just talking about the idea of these

1464

00:52:55,990 --> 00:52:53,440

translucent things in the upper

1465

00:52:56,630 --> 00:52:56,000

atmosphere you know was it a ufo was it

1466

00:53:24,150 --> 00:52:56,640

a

1467

00:53:27,270 --> 00:53:24,160

people

1468

00:53:27,750 --> 00:53:27,280

which it should i mean i'm gonna mention

1469

00:53:29,190 --> 00:53:27,760

this

1470

00:53:32,230 --> 00:53:29,200

i mean i hope it's all right to mention

1471

00:53:35,270 --> 00:53:32,240

this because i talked to

1472

00:53:35,670 --> 00:53:35,280

i talked to tim renner about this a bit

1473

00:53:38,950 --> 00:53:35,680

on

1474

00:53:42,549 --> 00:53:38,960

strange familiars right because

1475

00:53:45,109 --> 00:53:42,559

i think richard spence who did agent 666

1476

00:53:46,950 --> 00:53:45,119

and empire of the will with walter

1477

00:53:50,150 --> 00:53:46,960

bosley with

1478

00:53:51,349 --> 00:53:50,160

the san bernardino murders i mentioned

1479

00:53:55,109 --> 00:53:51,359

this whole idea of like

1480

00:53:57,750 --> 00:53:55,119

is this stuff happening everywhere and

1481

00:53:58,309 --> 00:53:57,760

richard spence was sort of the mindset

1482

00:53:59,990 --> 00:53:58,319

yeah

1483

00:54:02,069 --> 00:54:00,000

it is happening everywhere it was

1484

00:54:04,309 --> 00:54:02,079

happening my town it was happening in

1485

00:54:07,430 --> 00:54:04,319

san bernardino

1486

00:54:10,069 --> 00:54:07,440

and when i talked to tim

1487

00:54:11,430 --> 00:54:10,079

renner though about this and we were

1488

00:54:13,829 --> 00:54:11,440

talking about folklore and the

1489

00:54:16,470 --> 00:54:13,839

connection between people and place

1490

00:54:17,109 --> 00:54:16,480

and looking at your own hometown he

1491

00:54:20,390 --> 00:54:17,119

mentioned

1492

00:54:23,109 --> 00:54:20,400

that he had done an experiment about

1493

00:54:24,470 --> 00:54:23,119

whether or not you could just pick a

1494

00:54:27,829 --> 00:54:24,480

random town

1495

00:54:28,630 --> 00:54:27,839

and find all this stuff so he did that

1496

00:54:31,910 --> 00:54:28,640

experiment

1497

00:54:32,790 --> 00:54:31,920

and he didn't find anything and so it's

1498

00:54:35,670 --> 00:54:32,800

like

1499

00:54:37,349 --> 00:54:35,680

i think everyone everywhere should dig

1500

00:54:41,349 --> 00:54:37,359

into their town and find

1501
00:54:44,870 --> 00:54:41,359
that folklore and find those stories

1502
00:54:47,829 --> 00:54:44,880
that form this sort of underlying

1503
00:54:48,710 --> 00:54:47,839
strata from what makes a place

1504
00:54:52,549 --> 00:54:48,720
interesting

1505
00:54:53,589 --> 00:54:52,559
but also what makes that place influence

1506
00:54:56,549 --> 00:54:53,599
people you know people

1507
00:54:57,750 --> 00:54:56,559
don't realize how much folklore

1508
00:55:00,950 --> 00:54:57,760
influences

1509
00:55:04,390 --> 00:55:00,960
their own personal identity because

1510
00:55:07,190 --> 00:55:04,400
you are sort of where you live in a way

1511
00:55:08,870 --> 00:55:07,200
and also that place is what it is

1512
00:55:11,430 --> 00:55:08,880
because of you

1513
00:55:13,510 --> 00:55:11,440

and the stories you tell and the stories

1514

00:55:14,710 --> 00:55:13,520

that everybody tells that lives there

1515

00:55:17,109 --> 00:55:14,720

right and so there's this weird

1516

00:55:19,430 --> 00:55:17,119

interplay and so i think

1517

00:55:20,549 --> 00:55:19,440

anybody wherever you are if you're

1518

00:55:22,630 --> 00:55:20,559

listening this

1519

00:55:24,470 --> 00:55:22,640

you should dig deeper into where you

1520

00:55:25,510 --> 00:55:24,480

live because you're going to find

1521

00:55:27,990 --> 00:55:25,520

you're going to find something

1522

00:55:29,430 --> 00:55:28,000

interesting are you going to find

1523

00:55:32,549 --> 00:55:29,440

something

1524

00:55:34,789 --> 00:55:32,559

you know i will say i think there are

1525

00:55:38,390 --> 00:55:34,799

very few places

1526
00:55:40,549 --> 00:55:38,400
with as much weirdness as this place

1527
00:55:41,990 --> 00:55:40,559
and i think that's what timothy rainer

1528
00:55:44,710 --> 00:55:42,000
was kind of saying is that

1529
00:55:45,349 --> 00:55:44,720
there are certain places like toad road

1530
00:55:48,390 --> 00:55:45,359
or

1531
00:55:52,349 --> 00:55:48,400
skinwalker ranch where it's like

1532
00:55:55,430 --> 00:55:52,359
those places are these

1533
00:55:57,750 --> 00:55:55,440
concentrations of high strangers

1534
00:55:58,789 --> 00:55:57,760
and i think this is one of those places

1535
00:56:02,069 --> 00:55:58,799
but

1536
00:56:04,470 --> 00:56:02,079
you can't find that you don't know where

1537
00:56:05,670 --> 00:56:04,480
if you are in one of those places until

1538
00:56:08,789 --> 00:56:05,680

you start

1539

00:56:11,670 --> 00:56:08,799

digging

1540

00:56:12,549 --> 00:56:11,680

and you start looking at where you live

1541

00:56:16,069 --> 00:56:12,559

because

1542

00:56:18,710 --> 00:56:16,079

ultimately you know where we all are

1543

00:56:20,390 --> 00:56:18,720

they're fascinating things and i just

1544

00:56:24,309 --> 00:56:20,400

think people should

1545

00:56:26,549 --> 00:56:24,319

value folklore more and value

1546

00:56:27,670 --> 00:56:26,559

understanding how the place that you

1547

00:56:29,349 --> 00:56:27,680

live in

1548

00:56:31,430 --> 00:56:29,359

affects you and how you affect that

1549

00:56:34,470 --> 00:56:31,440

place and that's why penny roll

1550

00:56:37,030 --> 00:56:34,480

the tagline to it is the magic

1551
00:56:38,630 --> 00:56:37,040
and mystery of place because i just

1552
00:56:41,990 --> 00:56:38,640
think that's

1553
00:56:45,270 --> 00:56:42,000
a worthwhile thing to engage

1554
00:56:45,750 --> 00:56:45,280
yeah cheers to that man well said i do

1555
00:56:48,470 --> 00:56:45,760
agree

1556
00:56:50,230 --> 00:56:48,480
having done this show for 10 years you

1557
00:56:52,870 --> 00:56:50,240
kind of start to try to think of

1558
00:56:56,230 --> 00:56:52,880
creative ways to cover things and

1559
00:56:58,950 --> 00:56:56,240
one of the biggest hits has been to

1560
00:56:59,589 --> 00:56:58,960
do deep dives with local researchers

1561
00:57:02,230 --> 00:56:59,599
about

1562
00:57:05,030 --> 00:57:02,240
the place they live whether it's phoenix

1563
00:57:08,870 --> 00:57:05,040

arizona or the susquehanna river

1564

00:57:11,829 --> 00:57:08,880

or philadelphia for various reasons

1565

00:57:13,910 --> 00:57:11,839

people who just have the eyes to see can

1566

00:57:16,789 --> 00:57:13,920

pick up on a whole lot of

1567

00:57:18,630 --> 00:57:16,799

amazing stuff and you know let's just

1568

00:57:19,270 --> 00:57:18,640

add this to the list i mean this was a

1569

00:57:21,990 --> 00:57:19,280

great one

1570

00:57:23,349 --> 00:57:22,000

and kentucky of all places one of the

1571

00:57:24,870 --> 00:57:23,359

few states i don't know if i've ever

1572

00:57:27,030 --> 00:57:24,880

even been to

1573

00:57:28,710 --> 00:57:27,040

just pretty crazy and i do think with

1574

00:57:30,950 --> 00:57:28,720

some of the weird

1575

00:57:33,270 --> 00:57:30,960

possible nazi ties it's like where do

1576
00:57:36,230 --> 00:57:33,280
you go to do this stuff when you've been

1577
00:57:37,589 --> 00:57:36,240
blown up so high on the radar you got to

1578
00:57:40,549 --> 00:57:37,599
go where nobody is

1579
00:57:41,030 --> 00:57:40,559
you go to these compounds in argentina

1580
00:57:44,230 --> 00:57:41,040
you go

1581
00:57:47,190 --> 00:57:44,240
to the middle of

1582
00:57:49,190 --> 00:57:47,200
kentucky it's crazy but i think that

1583
00:57:50,789 --> 00:57:49,200
strategically that would make sense and

1584
00:57:52,069 --> 00:57:50,799
for us to be learning about that a few

1585
00:57:53,990 --> 00:57:52,079
decades later

1586
00:57:55,190 --> 00:57:54,000
wouldn't be the weirdest thing in the

1587
00:57:57,910 --> 00:57:55,200
world so

1588
00:58:00,309 --> 00:57:57,920

i think he did a great podcast series

1589

00:58:02,470 --> 00:58:00,319

man it was really fun to hear all the

1590

00:58:05,430 --> 00:58:02,480

various interviews stacked up the way

1591

00:58:07,510 --> 00:58:05,440

you did it solid production value

1592

00:58:09,270 --> 00:58:07,520

before we go anything else to tell

1593

00:58:11,670 --> 00:58:09,280

people before we call it in you know get

1594

00:58:13,349 --> 00:58:11,680

the podcast wherever podcasts are found

1595

00:58:14,870 --> 00:58:13,359

you're doing a season two what else you

1596

00:58:16,789 --> 00:58:14,880

want to tell them

1597

00:58:19,670 --> 00:58:16,799

yeah um yeah season two is going to be

1598

00:58:22,870 --> 00:58:19,680

coming out september the 21st

1599

00:58:25,589 --> 00:58:22,880

it'll be done this summer we've got

1600

00:58:26,870 --> 00:58:25,599

a patreon called the liminal lodge but

1601

00:58:30,630 --> 00:58:26,880

you can just look us up

1602

00:58:32,789 --> 00:58:30,640

pennyroyal on patreon find us

1603

00:58:35,430 --> 00:58:32,799

secret facebook page as part of the limo

1604

00:58:39,589 --> 00:58:35,440

lodge we're doing all kinds of research

1605

00:58:40,789 --> 00:58:39,599

on random number generators and

1606

00:58:41,910 --> 00:58:40,799

if you listen to the podcast like

1607

00:58:43,030 --> 00:58:41,920

there's a lot of stuff that we're

1608

00:58:46,150 --> 00:58:43,040

researching

1609

00:58:46,710 --> 00:58:46,160

because we do all this data science to

1610

00:58:49,109 --> 00:58:46,720

test

1611

00:58:51,829 --> 00:58:49,119

some of these theories about cybernetics

1612

00:58:54,789 --> 00:58:51,839

and about observational

1613

00:58:55,349 --> 00:58:54,799

qualities of magic and things and really

1614

00:58:58,630 --> 00:58:55,359

we're just

1615

00:59:01,670 --> 00:58:58,640

all digging into this mystery together

1616

00:59:02,950 --> 00:59:01,680

and all of our research all the

1617

00:59:05,270 --> 00:59:02,960

newspaper articles

1618

00:59:07,349 --> 00:59:05,280

all the [h__h] we've gotten from the fbi

1619

00:59:09,349 --> 00:59:07,359

like cia documents like

1620

00:59:10,390 --> 00:59:09,359

everything we've come across everything

1621

00:59:12,630 --> 00:59:10,400

we've found

1622

00:59:13,750 --> 00:59:12,640

we're providing it to this community and

1623

00:59:15,270 --> 00:59:13,760

they're giving us

1624

00:59:17,670 --> 00:59:15,280

and we've been doing this for since

1625

00:59:20,230 --> 00:59:17,680

november you know so

1626

00:59:21,589 --> 00:59:20,240

god it's been fantastic man so if

1627

00:59:24,150 --> 00:59:21,599

anybody wants to

1628

00:59:25,750 --> 00:59:24,160

help us dig more into this and try to

1629

00:59:28,470 --> 00:59:25,760

dig through all these documents

1630

00:59:30,870 --> 00:59:28,480

and understand the mystery of what's

1631

00:59:33,910 --> 00:59:30,880

happening here on the penny royal

1632

00:59:36,230 --> 00:59:33,920

definitely check out our patreon and

1633

00:59:37,270 --> 00:59:36,240

check out the website and hopefully

1634

00:59:39,510 --> 00:59:37,280

they'll tune in for

1635

00:59:41,430 --> 00:59:39,520

uh season two there was just so much

1636

00:59:43,990 --> 00:59:41,440

that we couldn't include in season one

1637

00:59:46,390 --> 00:59:44,000

that was part of the mystery that it

1638

00:59:48,630 --> 00:59:46,400

just gets weird man

1639

00:59:50,150 --> 00:59:48,640

the longer we look at it the weirder it

1640

00:59:52,470 --> 00:59:50,160

gets

1641

00:59:54,870 --> 00:59:52,480

amen man my business is weird and

1642

00:59:57,829 --> 00:59:54,880

business is good so

1643

00:59:58,309 --> 00:59:57,839

you put on an awesome show i am psyched

1644

01:00:00,470 --> 00:59:58,319

to

1645

01:00:01,750 --> 01:00:00,480

see it continue and i had a blast

1646

01:00:02,710 --> 01:00:01,760

talking to you man hopefully we can do

1647

01:00:04,870 --> 01:00:02,720

this again

1648

01:00:06,870 --> 01:00:04,880

but keep doing what you do out there and

1649

01:00:09,750 --> 01:00:06,880

tell the cis guy i wish him well

1650

01:00:11,430 --> 01:00:09,760

no for sure man dude thank you again so

1651
01:00:13,750 --> 01:00:11,440
much for having me tonight man i'm

1652
01:00:15,589 --> 01:00:13,760
totally i mean i love the show been a

1653
01:00:18,390 --> 01:00:15,599
long time fan and also just

1654
01:00:20,150 --> 01:00:18,400
thanks for having me that's fantastic so

1655
01:00:21,990 --> 01:00:20,160
too kind my pleasure

1656
01:00:27,109 --> 01:00:22,000
well enjoy the evening man have a good

1657
01:00:33,430 --> 01:00:31,030
mountain mama yes that was certainly

1658
01:00:34,470 --> 01:00:33,440
a wild ride high strangeness in the

1659
01:00:36,549 --> 01:00:34,480
penny royal

1660
01:00:38,150 --> 01:00:36,559
meat showers goblins portals

1661
01:00:40,870 --> 01:00:38,160
subterranean cults

1662
01:00:41,670 --> 01:00:40,880
what more could a person want i honestly

1663
01:00:43,829 --> 01:00:41,680

just never

1664

01:00:45,349 --> 01:00:43,839

really knew much about this area i've

1665

01:00:47,589 --> 01:00:45,359

never been to kentucky

1666

01:00:49,349 --> 01:00:47,599

but the more i think about the landscape

1667

01:00:51,510 --> 01:00:49,359

and the mammoth cave system

1668

01:00:53,670 --> 01:00:51,520

and the foothills of the appalachians

1669

01:00:55,430 --> 01:00:53,680

the remoteness the large amount of

1670

01:00:57,190 --> 01:00:55,440

quartz crystal

1671

01:00:58,870 --> 01:00:57,200

it's a pretty perfect place for

1672

01:01:01,670 --> 01:00:58,880

weirdness

1673

01:01:03,829 --> 01:01:01,680

i do like doing paranormal episodes or

1674

01:01:05,910 --> 01:01:03,839

things that get into cryptids but

1675

01:01:07,190 --> 01:01:05,920

sometimes the stories are just so

1676
01:01:08,829 --> 01:01:07,200
similar

1677
01:01:10,230 --> 01:01:08,839
that you feel like you heard it before

1678
01:01:11,670 --> 01:01:10,240
but

1679
01:01:13,990 --> 01:01:11,680
with this one i think we were able to

1680
01:01:16,309 --> 01:01:14,000
highlight a lot of stories that don't

1681
01:01:19,150 --> 01:01:16,319
fit the typical mold

1682
01:01:22,549 --> 01:01:19,160
like that old kentucky meat shower of

1683
01:01:25,109 --> 01:01:22,559
1876. i can't get over that one

1684
01:01:26,549 --> 01:01:25,119
and of course the hopkinsville goblins

1685
01:01:28,710 --> 01:01:26,559
is a wild story as

1686
01:01:30,870 --> 01:01:28,720
is the very similar story that kicked

1687
01:01:33,270 --> 01:01:30,880
off the hellier series

1688
01:01:35,349 --> 01:01:33,280

and when that came out a lot of thc fans

1689

01:01:38,470 --> 01:01:35,359

wrote me and said dude you gotta watch

1690

01:01:39,829 --> 01:01:38,480

helya it's right up your alley but i

1691

01:01:42,870 --> 01:01:39,839

don't know

1692

01:01:44,630 --> 01:01:42,880

for me i was a little underwhelmed i

1693

01:01:47,670 --> 01:01:44,640

loved that first episode

1694

01:01:49,190 --> 01:01:47,680

but after that it just didn't feel that

1695

01:01:51,270 --> 01:01:49,200

exciting

1696

01:01:53,589 --> 01:01:51,280

it started to feel like your typical

1697

01:01:56,390 --> 01:01:53,599

paranormal investigators show

1698

01:01:57,990 --> 01:01:56,400

to me stretching things to make them

1699

01:02:01,029 --> 01:01:58,000

more interesting

1700

01:02:03,990 --> 01:02:01,039

really straining to shoehorn in

1701
01:02:04,870 --> 01:02:04,000
some synchronicity this is what happens

1702
01:02:08,789 --> 01:02:04,880
in the studio

1703
01:02:09,670 --> 01:02:08,799
production process but we did have alan

1704
01:02:12,549 --> 01:02:09,680
greenfield

1705
01:02:13,990 --> 01:02:12,559
on thc around the time that helyer was

1706
01:02:16,470 --> 01:02:14,000
coming out

1707
01:02:19,430 --> 01:02:16,480
and even though his secret cipher of the

1708
01:02:22,309 --> 01:02:19,440
euphenots is a big part of the show

1709
01:02:23,349 --> 01:02:22,319
his book is really great and it stands

1710
01:02:25,589 --> 01:02:23,359
on its own

1711
01:02:26,789 --> 01:02:25,599
and it sits right in that sweet spot of

1712
01:02:29,510 --> 01:02:26,799
occult summoning

1713
01:02:30,309 --> 01:02:29,520

of quote unquote alien beans blurring

1714

01:02:33,510 --> 01:02:30,319

the lines

1715

01:02:34,309 --> 01:02:33,520

as we like to do man i thought that was

1716

01:02:37,670 --> 01:02:34,319

a good book

1717

01:02:39,829 --> 01:02:37,680

and alan was a great interview as was

1718

01:02:40,470 --> 01:02:39,839

nathan isaac i'm pretty happy with the

1719

01:02:43,589 --> 01:02:40,480

show today

1720

01:02:46,950 --> 01:02:43,599

big thanks to him great show to release

1721

01:02:49,750 --> 01:02:46,960

just a day after my birthday how about

1722

01:02:51,829 --> 01:02:49,760

that what do i want for my birthday

1723

01:02:54,029 --> 01:02:51,839

i want messages about strange

1724

01:02:55,510 --> 01:02:54,039

experiences and wild theories at the

1725

01:02:58,390 --> 01:02:55,520

highersidechats.com

1726

01:02:59,990 --> 01:02:58,400

voicemail i'm going out of town this

1727

01:03:02,470 --> 01:03:00,000

weekend but i'm coming back

1728

01:03:03,589 --> 01:03:02,480

doing that joint session before march

1729

01:03:07,270 --> 01:03:03,599

ends and i

1730

01:03:09,190 --> 01:03:07,280

need those messages content is king

1731

01:03:10,150 --> 01:03:09,200

people and for the joint sessions that's

1732

01:03:14,069 --> 01:03:10,160

really

1733

01:03:15,670 --> 01:03:14,079

whatever you decide to uh send my way

1734

01:03:17,190 --> 01:03:15,680

what else would i want for my birthday

1735

01:03:17,589 --> 01:03:17,200

oh i don't know i guess i would just

1736

01:03:20,150 --> 01:03:17,599

want

1737

01:03:21,029 --> 01:03:20,160

you to treat yourself to a plus

1738

01:03:24,230 --> 01:03:21,039

subscription

1739

01:03:24,710 --> 01:03:24,240

how thoughtless of me right what a guy i

1740

01:03:27,270 --> 01:03:24,720

am

1741

01:03:29,430 --> 01:03:27,280

but i also wanted to mention updates and

1742

01:03:31,990 --> 01:03:29,440

additions to the thc forum

1743

01:03:34,069 --> 01:03:32,000

i just added groups so people are able

1744

01:03:35,270 --> 01:03:34,079

to form their own groups now which i

1745

01:03:37,829 --> 01:03:35,280

think will help

1746

01:03:39,190 --> 01:03:37,839

some people form connections in the

1747

01:03:41,990 --> 01:03:39,200

community better than just

1748

01:03:42,950 --> 01:03:42,000

forum threads and i added the live chat

1749

01:03:46,549 --> 01:03:42,960

rooms as well

1750

01:03:49,349 --> 01:03:46,559

so one of them you can just pop in

1751
01:03:50,710 --> 01:03:49,359
and just talk to whoever's there and one

1752
01:03:55,349 --> 01:03:50,720
is going to be accompanied

1753
01:03:57,990 --> 01:03:55,359
by the wthc 24 7 radio live stream

1754
01:03:59,829 --> 01:03:58,000
and that in my mind makes for a good

1755
01:04:00,870 --> 01:03:59,839
prompt for conversation and an

1756
01:04:04,230 --> 01:04:00,880
interesting

1757
01:04:05,670 --> 01:04:04,240
live group listening experience for the

1758
01:04:08,950 --> 01:04:05,680
which is kind of a new way

1759
01:04:09,910 --> 01:04:08,960
to do the thing i'm spending more time

1760
01:04:11,990 --> 01:04:09,920
there

1761
01:04:13,750 --> 01:04:12,000
i think it's pretty clear it has

1762
01:04:16,870 --> 01:04:13,760
improved a lot in the last

1763
01:04:17,829 --> 01:04:16,880

60 90 days and it's gonna keep getting

1764

01:04:20,309 --> 01:04:17,839

better because

1765

01:04:22,630 --> 01:04:20,319

i really think that that's probably the

1766

01:04:25,349 --> 01:04:22,640

next step for this thing i'm gonna do

1767

01:04:26,150 --> 01:04:25,359

the same show i always have done and

1768

01:04:28,710 --> 01:04:26,160

people

1769

01:04:30,069 --> 01:04:28,720

are here for that but i also think it's

1770

01:04:31,990 --> 01:04:30,079

important to network

1771

01:04:34,870 --> 01:04:32,000

and come together with like-minded

1772

01:04:37,109 --> 01:04:34,880

people particularly in this time so i

1773

01:04:39,510 --> 01:04:37,119

want to make it easy for you guys to

1774

01:04:41,589 --> 01:04:39,520

do that i figured let's just do it in

1775

01:04:45,029 --> 01:04:41,599

our own system rather than jumping from

1776

01:04:47,990 --> 01:04:45,039

platform to platform

1777

01:04:49,670 --> 01:04:48,000

but yes i'm trying to get this chat up i

1778

01:04:51,910 --> 01:04:49,680

can see it on my screen but

1779

01:04:52,950 --> 01:04:51,920

i might not have configured it correctly

1780

01:04:54,710 --> 01:04:52,960

because i put a few

1781

01:04:56,549 --> 01:04:54,720

test messages in there and nobody's

1782

01:05:00,470 --> 01:04:56,559

responded so

1783

01:05:02,470 --> 01:05:00,480

it must be hidden for non-admins but

1784

01:05:04,309 --> 01:05:02,480

i did say in there the first person to

1785

01:05:07,270 --> 01:05:04,319

respond

1786

01:05:08,390 --> 01:05:07,280

in that chat room gets a free thc shirt

1787

01:05:10,150 --> 01:05:08,400

so

1788

01:05:12,069 --> 01:05:10,160

the fact that no one did i guess

1789

01:05:13,990 --> 01:05:12,079

probably people can't see it yet but

1790

01:05:16,150 --> 01:05:14,000

keep an eye out on that i'm gonna go

1791

01:05:17,750 --> 01:05:16,160

through the settings toggle things left

1792

01:05:19,829 --> 01:05:17,760

and right you know how it goes

1793

01:05:20,870 --> 01:05:19,839

and uh it should pop up there and then

1794

01:05:23,990 --> 01:05:20,880

someone can claim

1795

01:05:25,829 --> 01:05:24,000

that prize but yes nathan

1796

01:05:27,829 --> 01:05:25,839

really pulled together a lot of great

1797

01:05:28,870 --> 01:05:27,839

stuff for season one of his penny royal

1798

01:05:31,430 --> 01:05:28,880

podcast

1799

01:05:33,589 --> 01:05:31,440

not only paranormal activity but this

1800

01:05:37,349 --> 01:05:33,599

weird life of alexander

1801
01:05:40,470 --> 01:05:37,359
duterma this guy who beneath his cover

1802
01:05:43,510 --> 01:05:40,480
story might have been an ex-nazi officer

1803
01:05:45,270 --> 01:05:43,520
i don't even think we talked about this

1804
01:05:48,829 --> 01:05:45,280
part in the interview but apparently

1805
01:05:52,309 --> 01:05:48,839
at one point he flew to la drove out to

1806
01:05:53,670 --> 01:05:52,319
roswell kidnapped a baby and took it to

1807
01:05:57,029 --> 01:05:53,680
the philippines

1808
01:05:58,789 --> 01:05:57,039
and that was before i think he was

1809
01:06:00,230 --> 01:05:58,799
charged with the largest stock

1810
01:06:02,789 --> 01:06:00,240
manipulation in history

1811
01:06:03,750 --> 01:06:02,799
up to that point and then he gets out of

1812
01:06:06,789 --> 01:06:03,760
jail and

1813
01:06:10,630 --> 01:06:06,799

buys a mine in rural kentucky

1814

01:06:12,789 --> 01:06:10,640

okay just wild and then i think it was

1815

01:06:14,789 --> 01:06:12,799

in the plush show but nathan mentioned

1816

01:06:15,990 --> 01:06:14,799

he would tell me a little bit more off

1817

01:06:19,910 --> 01:06:16,000

air

1818

01:06:21,750 --> 01:06:19,920

and yeah there's a decent amount more to

1819

01:06:23,510 --> 01:06:21,760

the story and i hope he tells the rest

1820

01:06:26,549 --> 01:06:23,520

of the world in season two

1821

01:06:28,309 --> 01:06:26,559

but it is not my place to say

1822

01:06:30,230 --> 01:06:28,319

but if you're only hearing the first

1823

01:06:32,230 --> 01:06:30,240

free hour of the higher side chats

1824

01:06:34,470 --> 01:06:32,240

you're missing half the show

1825

01:06:36,630 --> 01:06:34,480

sign up for plus throw me a few bones

1826

01:06:38,630 --> 01:06:36,640

and get yourself the full thc plus

1827

01:06:39,510 --> 01:06:38,640

experience just in this episode we

1828

01:06:42,309 --> 01:06:39,520

talked about

1829

01:06:44,150 --> 01:06:42,319

the oakwood clinics occult activities

1830

01:06:46,710 --> 01:06:44,160

the channeling of the nine

1831

01:06:48,230 --> 01:06:46,720

mk ultra and the abuse of clairvoyance

1832

01:06:51,109 --> 01:06:48,240

and sears

1833

01:06:52,710 --> 01:06:51,119

what nathan has learned about magic the

1834

01:06:55,510 --> 01:06:52,720

connections between

1835

01:06:56,549 --> 01:06:55,520

binary and divination that really blew

1836

01:06:59,990 --> 01:06:56,559

my mind

1837

01:07:03,829 --> 01:07:00,000

and a real contender to the meat shower

1838

01:07:06,390 --> 01:07:03,839

story the back cyst ball bearing

1839

01:07:07,270 --> 01:07:06,400

incident you plus people know what i'm

1840

01:07:10,150 --> 01:07:07,280

talking about

1841

01:07:11,349 --> 01:07:10,160

but i always try to keep my interviews

1842

01:07:13,510 --> 01:07:11,359

action-packed

1843

01:07:15,029 --> 01:07:13,520

focused on the material they're always

1844

01:07:16,710 --> 01:07:15,039

commercial free

1845

01:07:18,470 --> 01:07:16,720

i want to make the best show i can for

1846

01:07:19,990 --> 01:07:18,480

you guys that it's worth the price of a

1847

01:07:23,510 --> 01:07:20,000

subscription and we both

1848

01:07:24,630 --> 01:07:23,520

win without any advertisers so help me

1849

01:07:27,109 --> 01:07:24,640

help you

1850

01:07:28,789 --> 01:07:27,119

you get access to the private rss feed

1851

01:07:30,230 --> 01:07:28,799

you don't have to listen to the show

1852

01:07:32,630 --> 01:07:30,240

from my website

1853

01:07:35,029 --> 01:07:32,640

you can use most podcast players like

1854

01:07:37,670 --> 01:07:35,039

you're doing right now

1855

01:07:38,309 --> 01:07:37,680

anyway the very top link in your show

1856

01:07:41,349 --> 01:07:38,319

notes

1857

01:07:42,630 --> 01:07:41,359

should take you right there but i

1858

01:07:46,309 --> 01:07:42,640

suppose that's a wrap

1859

01:07:48,390 --> 01:07:46,319

really wild stories interesting area

1860

01:07:50,069 --> 01:07:48,400

who knows how an area gets weird to

1861

01:07:53,430 --> 01:07:50,079

begin with but it's certainly

1862

01:07:55,349 --> 01:07:53,440

stacking up in kentucky take care guys

1863

01:07:56,390 --> 01:07:55,359

much love and thanks for listening i've

1864

01:07:59,109 --> 01:07:56,400

done my part

1865

01:08:01,270 --> 01:07:59,119

your move cave goblins meet showers and

1866

01:08:02,549 --> 01:08:01,280

paranormal portal openers of the penny

1867

01:08:05,910 --> 01:08:02,559

royal

1868

01:08:10,150 --> 01:08:05,920

you're [h__\h]

1869

01:08:14,710 --> 01:08:10,160

woke up this morning

1870

01:08:20,309 --> 01:08:14,720

in my eyes and then realized

1871

01:08:20,319 --> 01:08:25,960

it was light coming

1872

01:08:25,970 --> 01:08:34,789

[Music]

1873

01:08:41,749 --> 01:08:38,070

must be those strangers that

1874

01:08:44,789 --> 01:08:41,759

come every night whose

1875

01:08:49,030 --> 01:08:44,799

sausage shaped light put

1876

01:08:52,550 --> 01:08:49,040

people up tight

1877

01:08:57,110 --> 01:08:52,560

leave blue green footprints that

1878

01:09:06,309 --> 01:08:57,120

glow in the dark i hope

1879

01:09:07,650 --> 01:09:06,319

they get home all right

1880

01:09:09,349 --> 01:09:07,660

spaceman

1881

01:09:13,430 --> 01:09:09,359

[Music]

1882

01:09:18,829 --> 01:09:13,440

won't you please take me along

1883

01:09:23,829 --> 01:09:22,170

hey mr spaceman

1884

01:09:37,110 --> 01:09:23,839

[Music]

1885

01:09:42,229 --> 01:09:37,120

this along i was feeling

1886

01:09:42,820 --> 01:09:42,239

quite weird i had flights in my beard

1887

01:09:46,950 --> 01:09:42,830

my

1888

01:09:53,910 --> 01:09:50,309

i opened toothpaste window they

1889

01:10:03,510 --> 01:09:53,920

written my name said

1890

01:10:07,110 --> 01:10:03,520

so long i will see you up again

1891

01:10:15,110 --> 01:10:11,189

won't you please take me along

1892

01:10:19,850 --> 01:10:15,120

i won't do anything wrong

1893

01:10:21,590 --> 01:10:19,860

hey mr spaceman

1894

01:10:32,310 --> 01:10:21,600

[Music]

1895

01:10:39,990 --> 01:10:35,910

mr spaceman

1896

01:10:45,820 --> 01:10:40,000

won't you please take me along

1897

01:10:50,470 --> 01:10:45,830

i won't do anything wrong

1898

01:10:58,070 --> 01:10:50,480

[Music]

1899

01:11:00,380 --> 01:10:58,080

won't you please take me along

1900

01:11:01,750 --> 01:11:00,390

you please

1901

01:11:04,790 --> 01:11:01,760

[Music]

1902

01:11:13,610 --> 01:11:04,800

take me along
